

Fader
NIGHT

THURSDAYS ON FADE TO BLACK

Ep. 862

JimmyChurchRadio.com

copyright 2018 fade to black www.jimmychurchradio.com

1
00:00:16,529 --> 00:00:12,619

[Music]

2
00:00:20,370 --> 00:00:16,539

this hope radio for the masses at Lima

3
00:00:22,200 --> 00:00:20,380

believe July 8 1947 the Army Air Forces

4
00:00:24,029 --> 00:00:22,210

has announced that a flying death has

5
00:00:27,089 --> 00:00:24,039

been found and is now in the possession

6
00:00:29,690 --> 00:00:27,099

of the army the game is rigged changed

7
00:00:32,450 --> 00:00:29,700

the game changer

8
00:00:36,740 --> 00:00:32,460

I occasionally think how quickly our

9
00:00:39,410 --> 00:00:36,750

differences worldwide would vanish if we

10
00:00:42,600 --> 00:00:39,420

were facing an alien threat from outside

11
00:00:47,869 --> 00:00:45,139

[Applause]

12
00:00:50,840 --> 00:00:47,879

this is fade to black with your host

13
00:00:54,049 --> 00:00:50,850

Jimmy Church on the game changer radio

14

00:00:56,380 --> 00:00:54,059

network and kgr a the global radio

15

00:01:00,630 --> 00:00:56,390

alliance

16

00:01:07,539 --> 00:01:03,020

1985

17

00:01:10,730 --> 00:01:07,549

[Music]

18

00:01:11,800 --> 00:01:10,740

like with Jimmy judge on the game change

19

00:01:16,770 --> 00:01:11,810

in that word

20

00:01:20,429 --> 00:01:16,780

[Music]

21

00:01:23,609 --> 00:01:20,439

welcome fade to black

22

00:01:31,190 --> 00:01:23,619

this spoke

23

00:01:36,139 --> 00:01:31,200

radio for the masses

24

00:01:40,919 --> 00:01:36,149

yeah bad hi

25

00:01:44,300 --> 00:01:40,929

today's Thursday it's Thursday Fator

26

00:01:47,300 --> 00:01:44,310

nights may 24th 2008 een

27

00:01:50,959 --> 00:01:47,310

[Music]

28

00:01:53,010 --> 00:01:50,969

143 days into the new year Jeff Tuan in

29

00:01:55,410 --> 00:01:53,020

222 days left

30

00:01:57,120 --> 00:01:55,420

we're live from a bunker somewhere in

31

00:01:58,740 --> 00:01:57,130

beautiful downtown Burbank California

32

00:02:00,469 --> 00:01:58,750

and I would like to welcome everybody

33

00:02:04,230 --> 00:02:00,479

listening all around the world all

34

00:02:06,149 --> 00:02:04,240

across the United States hither and

35

00:02:08,580 --> 00:02:06,159

thither to and fro back and forth up and

36

00:02:13,710 --> 00:02:08,590

down east and west north and south far

37

00:02:16,020 --> 00:02:13,720

and near this is fade to black for kjc

38

00:02:17,059 --> 00:02:16,030

are the game changer networks in kg ra

39

00:02:19,830 --> 00:02:17,069

the planet

40

00:02:23,610 --> 00:02:19,840

I'm your host Jimmy Church yeah it's

41

00:02:27,449 --> 00:02:23,620

Fator night it's Thursday and no we

42

00:02:29,690 --> 00:02:27,459

don't have the bunker cam it's not

43

00:02:32,780 --> 00:02:29,700

connecting I don't know what's the deal

44

00:02:35,069 --> 00:02:32,790

can't preset it I'm trying I've tried

45

00:02:38,250 --> 00:02:35,079

but we're just gonna move on and do the

46

00:02:42,059 --> 00:02:38,260

show don't be bummed out you know what

47

00:02:43,800 --> 00:02:42,069

for me I get to do whatever I want

48

00:02:47,910 --> 00:02:43,810

tonight in the studio I don't have a

49

00:02:49,979 --> 00:02:47,920

camera staring at me in the face so I

50

00:02:54,120 --> 00:02:49,989

get a camera night off you know what

51
00:02:57,720 --> 00:02:54,130
once in a while I deserve a camera night

52
00:03:00,660 --> 00:02:57,730
off there's nothing that I can do

53
00:03:05,940 --> 00:03:00,670
everybody it is just it's not connecting

54
00:03:09,259 --> 00:03:05,950
and so because of that getting streams

55
00:03:12,599 --> 00:03:09,269
up and doing all of that that is that is

56
00:03:13,979 --> 00:03:12,609
an hours-long project that's nothing

57
00:03:15,809 --> 00:03:13,989
that's gonna happen live during the show

58
00:03:19,890 --> 00:03:15,819
so that's it don't try don't try to

59
00:03:24,809 --> 00:03:19,900
connect just you know I see it it's not

60
00:03:28,259 --> 00:03:24,819
working I can see it there's something

61
00:03:30,690 --> 00:03:28,269
going on and it's out of my control okay

62
00:03:31,309 --> 00:03:30,700
so no bunker cam I get to take the night

63
00:03:34,500 --> 00:03:31,319

off

64

00:03:37,710 --> 00:03:34,510

the blue light is on I should just turn

65

00:03:40,140 --> 00:03:37,720

it off completely there now the blue

66

00:03:43,009 --> 00:03:40,150

light is off and now it is it is

67

00:03:46,199 --> 00:03:43,019

completely shut down okay all right

68

00:03:47,610 --> 00:03:46,209

tonight Fator night Jon Rappoport is

69

00:03:51,059 --> 00:03:47,620

going to be here at the bottom of the

70

00:03:52,680 --> 00:03:51,069

hour it is Thursday and he'll be here

71

00:03:54,959 --> 00:03:52,690

with us no more fake newsroom live

72

00:03:58,480 --> 00:03:54,969

followed by open lines all night long

73

00:04:01,780 --> 00:03:58,490

the caller numbers of 3 to 3 8 2 5 5 0 4

74

00:04:06,340 --> 00:04:01,790

four three two three two seven five nine

75

00:04:09,430 --> 00:04:06,350

six nine five you can follow us on on

76

00:04:12,400 --> 00:04:09,440

stellar right now on stellar dot-com

77

00:04:14,920 --> 00:04:12,410

we've got my personal page Jimmy Church

78

00:04:15,400 --> 00:04:14,930

you can go find that game-changer

79

00:04:17,680 --> 00:04:15,410

Network

80

00:04:20,320 --> 00:04:17,690

you've got Rita's page you've got the

81

00:04:23,200 --> 00:04:20,330

fade to black page all of that is there

82

00:04:25,180 --> 00:04:23,210

to go and follow and like and send

83

00:04:26,950 --> 00:04:25,190

friend request into all of those things

84

00:04:30,250 --> 00:04:26,960

you can do all of that over at on

85

00:04:33,730 --> 00:04:30,260

stellar comm follow me on Twitter at Jay

86

00:04:35,670 --> 00:04:33,740

Church Radio Jay Church radio simple at

87

00:04:38,970 --> 00:04:35,680

Jay torch radio

88

00:04:44,500 --> 00:04:38,980

don't bother with Facebook YouTube

89
00:04:49,300 --> 00:04:44,510
YouTube has anybody ever said yeah don't

90
00:04:51,340 --> 00:04:49,310
don't bother with Facebook I'm so done

91
00:04:52,720 --> 00:04:51,350
with Facebook YouTube you can still

92
00:04:55,270 --> 00:04:52,730
subscribe to our channel over there

93
00:04:58,000 --> 00:04:55,280
though alright everything is Jimmy

94
00:05:00,400 --> 00:04:58,010
turrets are fade to black and you can't

95
00:05:04,030 --> 00:05:00,410
now do this do this for me wow I don't

96
00:05:09,940 --> 00:05:04,040
have a camera staring at me I don't have

97
00:05:13,570 --> 00:05:09,950
the blue light wow I feel free burn your

98
00:05:19,120 --> 00:05:13,580
bra ah I know what that must have been

99
00:05:22,270 --> 00:05:19,130
like in 1972 alright is hashtag f to

100
00:05:24,250 --> 00:05:22,280
beat hashtag F to B is the sandbox on

101
00:05:27,810 --> 00:05:24,260
Twitter come and hang out with us over

102
00:05:30,940 --> 00:05:27,820
there if you are a new listener to this

103
00:05:34,870 --> 00:05:30,950
program you've heard about it now you're

104
00:05:36,580 --> 00:05:34,880
here what you want to do is this you've

105
00:05:40,240 --> 00:05:36,590
heard about the madness on Twitter and

106
00:05:42,850 --> 00:05:40,250
it is all of that okay so a hashtag you

107
00:05:45,400 --> 00:05:42,860
have to be on Twitter we use TweetDeck

108
00:05:51,640 --> 00:05:45,410
man I haven't done the tweet deck speech

109
00:05:54,880 --> 00:05:51,650
in a while get tweet deck tweet deck get

110
00:05:57,400 --> 00:05:54,890
that download it install it goes into

111
00:05:59,320 --> 00:05:57,410
your browser and you will have an

112
00:06:02,650 --> 00:05:59,330
automatic version of Twitter that runs

113
00:06:03,880 --> 00:06:02,660

in front of you and it is beautiful you

114

00:06:05,110 --> 00:06:03,890

don't have to click you don't have to

115

00:06:06,760 --> 00:06:05,120

update you don't do anything anytime

116

00:06:09,040 --> 00:06:06,770

anybody post a tweet that you want to

117

00:06:10,719 --> 00:06:09,050

follow any hashtag you want to follow it

118

00:06:11,410 --> 00:06:10,729

just pops up right there and so it

119

00:06:15,130 --> 00:06:11,420

enables

120

00:06:17,230 --> 00:06:15,140

us here to have these extremely cool

121

00:06:21,190 --> 00:06:17,240

dynamic conversations throughout the

122

00:06:24,700 --> 00:06:21,200

show in real time and hashtag f2b is

123

00:06:26,800 --> 00:06:24,710

what you're gonna plug in over on tweet

124

00:06:29,890 --> 00:06:26,810

deck so you get tweet a key get it

125

00:06:34,000 --> 00:06:29,900

installed very simple first tweet you

126

00:06:36,370 --> 00:06:34,010

send out hashtag if to be hey hey

127

00:06:39,340 --> 00:06:36,380

can somebody come over here and help me

128

00:06:41,440 --> 00:06:39,350

out and we will come a-runnin

129

00:06:46,060 --> 00:06:41,450

will tell you all of that you guys are

130

00:06:48,040 --> 00:06:46,070

funny look at tonight yeah you know you

131

00:06:51,130 --> 00:06:48,050

guys are exactly right because that's

132

00:06:53,260 --> 00:06:51,140

exactly how the show used to be I used

133

00:06:57,030 --> 00:06:53,270

to be able to do all of that stuff

134

00:07:00,130 --> 00:06:57,040

because I didn't have the camera I

135

00:07:01,960 --> 00:07:00,140

really did all right

136

00:07:03,760 --> 00:07:01,970

yeah I'm taking the camera night off man

137

00:07:05,500 --> 00:07:03,770

it just changed the mood of the show

138

00:07:07,540 --> 00:07:05,510

immediately didn't it

139

00:07:09,460 --> 00:07:07,550

all right you can email throughout the

140

00:07:12,850 --> 00:07:09,470

show Jimmy and Jimmy Church radio.com

141

00:07:18,670 --> 00:07:12,860

and any questions or comments during the

142

00:07:21,790 --> 00:07:18,680

show hashtag f2b q and you can also go

143

00:07:25,090 --> 00:07:21,800

find one of the chat rooms of course

144

00:07:27,850 --> 00:07:25,100

there is the Spreaker chat and kg are a

145

00:07:30,730 --> 00:07:27,860

the planet go hang out over there too as

146

00:07:32,140 --> 00:07:30,740

well and I got a bunch of email today

147

00:07:34,510 --> 00:07:32,150

and I did see some of the posts on

148

00:07:37,300 --> 00:07:34,520

Twitter everybody with their fade to

149

00:07:39,730 --> 00:07:37,310

black gear and if you get your gear and

150

00:07:41,650 --> 00:07:39,740

especially well I want I just want

151
00:07:43,600 --> 00:07:41,660
picture but you know what don't forget

152
00:07:45,610 --> 00:07:43,610
the Hat you know especially the hat if

153
00:07:47,830 --> 00:07:45,620
you get a hat you know and if you just

154
00:07:51,670 --> 00:07:47,840
got shirts you know if you both do both

155
00:07:54,070 --> 00:07:51,680
and and if you got the new shirts too as

156
00:07:55,360 --> 00:07:54,080
well send us some pictures of that

157
00:07:59,230 --> 00:07:55,370
because we're gonna do a hall of fame

158
00:08:02,890 --> 00:07:59,240
okay Rita just said no video no videos

159
00:08:04,420 --> 00:08:02,900
down tonight I'm taking a video night

160
00:08:09,250 --> 00:08:04,430
off

161
00:08:12,490 --> 00:08:09,260
all right breaking news president Trump

162
00:08:15,070 --> 00:08:12,500
canceled the North Korea summit earlier

163
00:08:19,000 --> 00:08:15,080

today but you knew it wasn't gonna

164

00:08:22,030 --> 00:08:19,010

happen but today North Korea did blow up

165

00:08:24,800 --> 00:08:22,040

some dirt up in the mountains that they

166

00:08:26,450 --> 00:08:24,810

called their nuclear testing site oops

167

00:08:27,950 --> 00:08:26,460

right they should have waited for a few

168

00:08:33,050 --> 00:08:27,960

more minutes because the letter from

169

00:08:35,000 --> 00:08:33,060

Trump was just a click away it's kind of

170

00:08:36,830 --> 00:08:35,010

got a laugh at that right so the

171

00:08:40,610 --> 00:08:36,840

question is did the White House wait to

172

00:08:44,300 --> 00:08:40,620

cancel right until the tunnels were

173

00:08:46,490 --> 00:08:44,310

blown up did they you know that's some

174

00:08:49,190 --> 00:08:46,500

serious games from him ship right there

175

00:08:51,170 --> 00:08:49,200

and if so nice move I got to say well

176

00:08:55,240 --> 00:08:51,180

played well done

177

00:08:59,270 --> 00:08:55,250

and there you go now is the summit gonna

178

00:09:01,400 --> 00:08:59,280

get rescheduled don't know is that are

179

00:09:06,260 --> 00:09:01,410

they going to chill out North Korea

180

00:09:08,060 --> 00:09:06,270

later on after they got the after they

181

00:09:11,380 --> 00:09:08,070

got the news from Trump which they got

182

00:09:13,790 --> 00:09:11,390

via phone from a journalist by the way

183

00:09:16,850 --> 00:09:13,800

not even through official channels but

184

00:09:20,060 --> 00:09:16,860

then they responded back hey man we're

185

00:09:23,030 --> 00:09:20,070

willing to sit down and and have a chat

186

00:09:25,160 --> 00:09:23,040

whenever you guys are ready and so that

187

00:09:27,790 --> 00:09:25,170

was that coming back after last night

188

00:09:30,980 --> 00:09:27,800

when they were threatening you know

189

00:09:33,100 --> 00:09:30,990

called I think they call Pence a doofus

190

00:09:35,870 --> 00:09:33,110

last night or a dummy or something and

191

00:09:38,420 --> 00:09:35,880

said you know we got nuclear weapons you

192

00:09:42,230 --> 00:09:38,430

know and we're ready to go we're ready

193

00:09:44,420 --> 00:09:42,240

so you know and and that at the dawn of

194

00:09:47,510 --> 00:09:44,430

the summit which is on the 12th was

195

00:09:48,410 --> 00:09:47,520

scheduled for June 12th you just don't

196

00:09:51,170 --> 00:09:48,420

want to do that you don't want to

197

00:09:52,640 --> 00:09:51,180

Ratchet it up and and Trump responded in

198

00:09:54,440 --> 00:09:52,650

the way that he should have there's no

199

00:09:57,500 --> 00:09:54,450

question about it he should have

200

00:10:01,250 --> 00:09:57,510

canceled it there's there's no way you

201
00:10:05,329 --> 00:10:01,260
allowed that stuff to happen and the

202
00:10:08,000 --> 00:10:05,339
other part of for me on this this is

203
00:10:12,170 --> 00:10:08,010
what this is what I find this are going

204
00:10:14,990 --> 00:10:12,180
back a couple last week with the show

205
00:10:18,020 --> 00:10:15,000
with David Wilcock and we did the the

206
00:10:19,550 --> 00:10:18,030
marina sands Bay Hotel whatever in

207
00:10:23,720 --> 00:10:19,560
Singapore with the ship on top of it

208
00:10:26,020 --> 00:10:23,730
that he went on had posted a picture of

209
00:10:27,980 --> 00:10:26,030
and said hey you know what you know

210
00:10:30,770 --> 00:10:27,990
something's going to happen to the sky

211
00:10:32,360 --> 00:10:30,780
and and here it is and it seemed to

212
00:10:33,980 --> 00:10:32,370
predate the amounts of the summit in

213
00:10:35,930 --> 00:10:33,990

Singapore and then it turns out that

214

00:10:38,650 --> 00:10:35,940

that may have been in the actual place

215

00:10:43,550 --> 00:10:38,660

where the some sort of cue and

216

00:10:45,560 --> 00:10:43,560

which some are saying that is the White

217

00:10:49,850 --> 00:10:45,570

House insiders at the White House that

218

00:10:52,490 --> 00:10:49,860

are doing this and and leaking but what

219

00:10:55,430 --> 00:10:52,500

was interesting was that the

220

00:10:58,100 --> 00:10:55,440

announcement and the picture strongly

221

00:11:00,890 --> 00:10:58,110

suggested that they knew what was going

222

00:11:06,850 --> 00:11:00,900

on and it certainly legitimized queuing

223

00:11:11,510 --> 00:11:06,860

on right and all right but now it's off

224

00:11:13,880 --> 00:11:11,520

so what does this mean right now I'm

225

00:11:15,920 --> 00:11:13,890

waiting so you know the queue and on

226

00:11:18,890 --> 00:11:15,930

puzzle pieces as they get put back

227

00:11:23,720 --> 00:11:18,900

together here let's see if there's

228

00:11:26,780 --> 00:11:23,730

something else going on there you go all

229

00:11:29,290 --> 00:11:26,790

right Janine says no game-changer

230

00:11:34,130 --> 00:11:29,300

package ah

231

00:11:37,280 --> 00:11:34,140

we've got tracking numbers Janine we've

232

00:11:39,790 --> 00:11:37,290

got tracking numbers of Rita Willa we'll

233

00:11:43,040 --> 00:11:39,800

hit you back with that all right let's

234

00:11:48,370 --> 00:11:43,050

see where am I at

235

00:11:51,950 --> 00:11:48,380

oh yeah today is our 30 day anniversary

236

00:11:56,090 --> 00:11:51,960

for on stellar the launch of on stellar

237

00:11:58,910 --> 00:11:56,100

and it's been 30 days and in the last

238

00:12:01,640 --> 00:11:58,920

month we've gone through alpha testing

239

00:12:04,010 --> 00:12:01,650

now we're in beta and the numbers are in

240

00:12:06,410 --> 00:12:04,020

everybody I posted this on Facebook I

241

00:12:08,210 --> 00:12:06,420

posted this on Twitter wrote up an

242

00:12:10,910 --> 00:12:08,220

article on on stellar that you can go

243

00:12:16,580 --> 00:12:10,920

and check out but the numbers are in and

244

00:12:19,460 --> 00:12:16,590

according to Alexa on stellar today in

245

00:12:21,050 --> 00:12:19,470

30 days is ranked one hundred and

246

00:12:25,250 --> 00:12:21,060

seventy six thousand two hundred ninety

247

00:12:27,380 --> 00:12:25,260

eight in the world and twenty nine

248

00:12:31,580 --> 00:12:27,390

thousand two hundred and seventy three

249

00:12:34,550 --> 00:12:31,590

in the United States now that's

250

00:12:39,200 --> 00:12:34,560

incredible on every level except we

251
00:12:43,580 --> 00:12:39,210
haven't officially launched yet or in

252
00:12:46,580 --> 00:12:43,590
the or in beta testing if you think

253
00:12:49,530 --> 00:12:46,590
about that that's like a rocket ship

254
00:12:53,880 --> 00:12:49,540
just being shot out just cool

255
00:12:56,310 --> 00:12:53,890
and now I posted the you know it's up

256
00:12:58,650 --> 00:12:56,320
there on Twitter I posted the chart look

257
00:13:02,310 --> 00:12:58,660
at the chart look at the graph look at

258
00:13:05,190 --> 00:13:02,320
that just it's meteoric straight up in

259
00:13:07,290 --> 00:13:05,200
the air now you have to ask yourself

260
00:13:09,450 --> 00:13:07,300
twenty nine thousand two hundred and

261
00:13:12,690 --> 00:13:09,460
seventy three right

262
00:13:15,030 --> 00:13:12,700
thirty days old now what about the other

263
00:13:18,750 --> 00:13:15,040

twenty nine thousand two hundred and

264

00:13:22,040 --> 00:13:18,760

seventy two that are in front of us how

265

00:13:24,930 --> 00:13:22,050

long have they been on the web right

266

00:13:28,200 --> 00:13:24,940

think about that so what I need

267

00:13:31,280 --> 00:13:28,210

everybody to do is now we're getting

268

00:13:35,430 --> 00:13:31,290

into really thick stuff here

269

00:13:39,600 --> 00:13:35,440

on stellar every number that you ratchet

270

00:13:40,230 --> 00:13:39,610

up from here on out it gets harder it

271

00:13:44,220 --> 00:13:40,240

gets

272

00:13:46,290 --> 00:13:44,230

we're talking about the the companies

273

00:13:48,000 --> 00:13:46,300

that not only are establishing but out

274

00:13:49,790 --> 00:13:48,010

there for a while but they're not going

275

00:13:53,520 --> 00:13:49,800

to want to give up their positions and

276

00:13:55,230 --> 00:13:53,530

it the traffic is heavy and it's it's

277

00:13:57,450 --> 00:13:55,240

it's a crazy world to get into well

278

00:14:01,410 --> 00:13:57,460

that's where we are right now so I need

279

00:14:03,450 --> 00:14:01,420

everybody I need everybody if you hear

280

00:14:08,100 --> 00:14:03,460

my voice right now I need all of you

281

00:14:10,020 --> 00:14:08,110

I'm stellar comm post it on stellar comm

282

00:14:15,210 --> 00:14:10,030

tweet it comment

283

00:14:16,890 --> 00:14:15,220

put it in post everywhere if you let all

284

00:14:19,860 --> 00:14:16,900

of your friends and family and

285

00:14:23,100 --> 00:14:19,870

associates know you know of which you've

286

00:14:25,200 --> 00:14:23,110

got a hundred you guys are a popular so

287

00:14:28,890 --> 00:14:25,210

if you go and do all of that

288

00:14:33,780 --> 00:14:28,900

imagine the expansion that we can do

289

00:14:35,250 --> 00:14:33,790

right so I need your help we need your

290

00:14:38,820 --> 00:14:35,260

help because I want to see that number

291

00:14:41,430 --> 00:14:38,830

continue to climb and it is hard we're

292

00:14:44,700 --> 00:14:41,440

getting into some big muddy waters man

293

00:14:49,580 --> 00:14:44,710

we're swimming with sharks and because

294

00:14:52,980 --> 00:14:49,590

of you you put us on their radar

295

00:14:54,840 --> 00:14:52,990

they're gonna they're gonna go down

296

00:14:59,460 --> 00:14:54,850

swinging it ain't going to be pleasant

297

00:15:00,630 --> 00:14:59,470

so there you go alright on stellar

298

00:15:02,820 --> 00:15:00,640

dot-com

299

00:15:07,519 --> 00:15:02,830

on stellar

300

00:15:12,030 --> 00:15:07,529

dad come all right where am I at okay

301
00:15:16,740 --> 00:15:12,040
one week from today Rita and I will be

302
00:15:18,329 --> 00:15:16,750
in Palm Springs California for contact

303
00:15:20,400 --> 00:15:18,339
in the desert what a great show that we

304
00:15:23,610 --> 00:15:20,410
did last night George Noory in here

305
00:15:26,160 --> 00:15:23,620
Victoria and Paul and Giorgio tsoukalos

306
00:15:28,560 --> 00:15:26,170
we're all going to be out there we're

307
00:15:32,569 --> 00:15:28,570
all going out to Palm Springs California

308
00:15:37,050 --> 00:15:32,579
for contacting in the desert 60 speakers

309
00:15:40,889 --> 00:15:37,060
think about that 60 presentations over

310
00:15:44,460 --> 00:15:40,899
four days it kicks off next Friday June

311
00:15:47,009 --> 00:15:44,470
1st we're gonna get there on Thursday at

312
00:15:49,079 --> 00:15:47,019
just like most of you are get your

313
00:15:51,569 --> 00:15:49,089

tickets if you haven't gotten your

314

00:15:53,880 --> 00:15:51,579

tickets yet our major arrangements get

315

00:15:57,150 --> 00:15:53,890

going we're gonna see everybody out

316

00:15:59,759 --> 00:15:57,160

there one week from today I just I'm

317

00:16:04,650 --> 00:15:59,769

blown away I'm blown away there's going

318

00:16:08,880 --> 00:16:04,660

to be a really cool reception for for

319

00:16:11,579 --> 00:16:08,890

everybody at 6:30 on on Thursday night

320

00:16:13,380 --> 00:16:11,589

and Rita and I will be there will

321

00:16:17,340 --> 00:16:13,390

already be there we've got a booth to

322

00:16:21,329 --> 00:16:17,350

set up I did see Eric awakening man Eric

323

00:16:23,790 --> 00:16:21,339

awakening man Eric awakening man his a

324

00:16:26,069 --> 00:16:23,800

little video walkthrough that he did

325

00:16:29,250 --> 00:16:26,079

today see I do pay attention love Eric

326

00:16:33,120 --> 00:16:29,260

but he walked through the hotel today

327

00:16:34,680 --> 00:16:33,130

and did a periscope and if you haven't

328

00:16:37,430 --> 00:16:34,690

seen the video it's really cool so go

329

00:16:39,569 --> 00:16:37,440

check out the video but that is a

330

00:16:40,650 --> 00:16:39,579

beautiful I have never been there I

331

00:16:43,800 --> 00:16:40,660

haven't been there

332

00:16:46,350 --> 00:16:43,810

I really thank Eric for what he did

333

00:16:48,990 --> 00:16:46,360

today because he went he tried to open

334

00:16:52,220 --> 00:16:49,000

up doors that were locked and I knew it

335

00:16:55,889 --> 00:16:52,230

too he goes up to that Liberace theater

336

00:16:57,780 --> 00:16:55,899

or whatever it was I'm like he's not

337

00:17:03,420 --> 00:16:57,790

gonna he's not gonna try to open up that

338

00:17:05,280 --> 00:17:03,430

door he's a geek so funny very very cool

339

00:17:08,010 --> 00:17:05,290

and he did it all he went out to the

340

00:17:09,419 --> 00:17:08,020

pool and and there was a you know there

341

00:17:11,429 --> 00:17:09,429

was a conference going on there he's

342

00:17:12,960 --> 00:17:11,439

walking in somebody up there speaking

343

00:17:17,100 --> 00:17:12,970

it's a conference

344

00:17:20,250 --> 00:17:17,110

it's walks by security really really

345

00:17:24,439 --> 00:17:20,260

really fun so who is it Jimmy Eric

346

00:17:28,199 --> 00:17:24,449

awakening man Eric awakening man Eric

347

00:17:30,539 --> 00:17:28,209

awakening man very funny I feel like I

348

00:17:32,400 --> 00:17:30,549

can goof off I don't have the camera so

349

00:17:35,070 --> 00:17:32,410

I can just do whatever I want all right

350

00:17:38,070 --> 00:17:35,080

so don't forget soul tech gathering

351

00:17:42,240 --> 00:17:38,080

coming up at ESET e all right soul tech

352

00:17:44,820 --> 00:17:42,250

soul tech a gathering calm and we've got

353

00:17:48,390 --> 00:17:44,830

some new additions I'll make all of the

354

00:17:49,980 --> 00:17:48,400

announcements for this on Monday but

355

00:17:54,960 --> 00:17:49,990

we've got some really cool things going

356

00:17:58,680 --> 00:17:54,970

on up at soul tech and so go and do that

357

00:18:00,180 --> 00:17:58,690

and we've got a couple of ideas we just

358

00:18:03,930 --> 00:18:00,190

want to make things you know more

359

00:18:04,919 --> 00:18:03,940

interesting than it already is and so I

360

00:18:06,299 --> 00:18:04,929

think we're gonna make some

361

00:18:08,220 --> 00:18:06,309

announcements on Monday that are gonna

362

00:18:09,780 --> 00:18:08,230

be really really cool but Mikaela

363

00:18:12,480 --> 00:18:09,790

Sheldon's gonna be there Matthew Ryan

364

00:18:15,270 --> 00:18:12,490

Jason quit james gilliland all right

365

00:18:18,690 --> 00:18:15,280

Theresa Ian RS is going to be there so

366

00:18:20,760 --> 00:18:18,700

John lund Dana Harvey you're gonna want

367

00:18:23,850 --> 00:18:20,770

to come up and hang out with this we're

368

00:18:26,490 --> 00:18:23,860

only selling 300 tickets and it's gonna

369

00:18:28,640 --> 00:18:26,500

sell out so just go and and get your

370

00:18:32,220 --> 00:18:28,650

tickets now I don't want to have anybody

371

00:18:35,100 --> 00:18:32,230

disappointed and it's already

372

00:18:36,990 --> 00:18:35,110

let's see June's lie aughh yeah yeah

373

00:18:39,120 --> 00:18:37,000

June July that's it that's it we've got

374

00:18:40,710 --> 00:18:39,130

two months all right so we'll see you

375

00:18:44,460 --> 00:18:40,720

guys up there don't forget to subscribe

376

00:18:51,750 --> 00:18:44,470

to our podcast we have over 835 849 or

377

00:18:53,669 --> 00:18:51,760

45 850 855 860 shows just two dollars a

378

00:18:55,549 --> 00:18:53,679

month and don't forget you can become a

379

00:18:58,590 --> 00:18:55,559

fade or not in our membership section

380

00:19:00,630 --> 00:18:58,600

over at Jimmy Church radio calm happy

381

00:19:03,930 --> 00:19:00,640

birthday to let's get the show crackin

382

00:19:06,659 --> 00:19:03,940

happy birthday to today Bob Dylan is 77

383

00:19:11,970 --> 00:19:06,669

what's your favorite Bob Dylan song is

384

00:19:14,870 --> 00:19:11,980

it lay lady lay that's a good song takes

385

00:19:17,039 --> 00:19:14,880

me back all along the watchtower right

386

00:19:20,580 --> 00:19:17,049

that's your favorite Bob Dylan song

387

00:19:27,539 --> 00:19:20,590

today he is 77 Priscilla Presley today

388

00:19:30,560 --> 00:19:27,549

is 73 Tommy Chong today is 80

389

00:19:33,660 --> 00:19:30,570

all right everybody do a bong poll going

390

00:19:36,150 --> 00:19:33,670

go ahead go ahead Tommy Chong today is

391

00:19:38,520 --> 00:19:36,160

80 he'd be the last person I thought was

392

00:19:40,770 --> 00:19:38,530

gonna make it to 80 Tommy Chong

393

00:19:43,350 --> 00:19:40,780

happy birthday he think he's smoking

394

00:19:45,510 --> 00:19:43,360

weed right now if you make it to 80

395

00:19:48,000 --> 00:19:45,520

let's say you make it to 70 and then you

396

00:19:51,450 --> 00:19:48,010

quit smoking weed but then you make it

397

00:19:54,480 --> 00:19:51,460

to 80 you make it to 80 do you smoke

398

00:19:59,180 --> 00:19:54,490

some weed I think you do I think Tommy

399

00:20:04,820 --> 00:19:59,190

Chong right now is high john c reilly

400

00:20:07,680 --> 00:20:04,830

today is 53 like john c reilly magnolia

401
00:20:08,670 --> 00:20:07,690
he's great and everything our dead guys

402
00:20:15,960 --> 00:20:08,680
birthday today

403
00:20:18,600 --> 00:20:15,970
Heavy D mmm Heavy D 1967 a 2011 died at

404
00:20:23,910 --> 00:20:18,610
the age of 44 of course he was the

405
00:20:26,250 --> 00:20:23,920
leader of Heavy D and the boys he did

406
00:20:28,770 --> 00:20:26,260
the theme songs to the shows like in

407
00:20:31,670 --> 00:20:28,780
living color and MADtv he also became an

408
00:20:36,090 --> 00:20:31,680
actor he appeared in such films like

409
00:20:39,900 --> 00:20:36,100
step up big trouble and The Cider House

410
00:20:42,450 --> 00:20:39,910
Rules dee died on November 8 2011 right

411
00:20:44,640 --> 00:20:42,460
here in Los Angeles California after he

412
00:20:47,790 --> 00:20:44,650
collapsed outside of his home the cause

413
00:20:51,060 --> 00:20:47,800

of death was a pulmonary embolism and

414

00:20:54,210 --> 00:20:51,070

apparently he got it in his legs on a

415

00:20:58,890 --> 00:20:54,220

plane trip it's usually how that

416

00:21:01,110 --> 00:20:58,900

happened happy birthday Heavy D OTD on

417

00:21:04,710 --> 00:21:01,120

this day in history 1934 the father of

418

00:21:06,450 --> 00:21:04,720

modern astronomy Copernicus dies he was

419

00:21:08,670 --> 00:21:06,460

the first modern scientist to propose

420

00:21:11,370 --> 00:21:08,680

that the earth and other planets revolve

421

00:21:14,880 --> 00:21:11,380

around the Sun he died the year his

422

00:21:17,340 --> 00:21:14,890

major work was published saving him from

423

00:21:20,730 --> 00:21:17,350

the outrage of religious leaders who

424

00:21:23,790 --> 00:21:20,740

condemned his heliocentric view of the

425

00:21:26,220 --> 00:21:23,800

universe as heresy by the late 18th

426

00:21:28,460 --> 00:21:26,230

century though the Copernican view of

427

00:21:32,660 --> 00:21:28,470

the solar system was almost universally

428

00:21:36,780 --> 00:21:32,670

accepted Fader fact we all know that

429

00:21:40,830 --> 00:21:36,790

Antarctica is the coldest the windiest

430

00:21:42,470 --> 00:21:40,840

the highest and the driest place on

431

00:21:48,660 --> 00:21:42,480

earth

432

00:21:54,080 --> 00:21:48,670

well Antarctica is also the largest

433

00:21:57,150 --> 00:21:54,090

desert and that is your fader fact

434

00:21:59,010 --> 00:21:57,160

tonight Fator night open lines all night

435

00:22:01,560 --> 00:21:59,020

long Jon Rappoport is gonna be here in a

436

00:22:03,390 --> 00:22:01,570

few short minutes but I wanted to talk

437

00:22:05,760 --> 00:22:03,400

to you about this now you're gonna trip

438

00:22:09,630 --> 00:22:05,770

out let me get this in before the bottom

439

00:22:13,440 --> 00:22:09,640

of the hour hit my river moon coffee

440

00:22:18,720 --> 00:22:13,450

fade to black blend it's dark the

441

00:22:23,600 --> 00:22:18,730

headline read terrifying new nuclear

442

00:22:29,100 --> 00:22:23,610

threat is here close quote

443

00:22:34,950 --> 00:22:29,110

for who my guess is the pilot but whose

444

00:22:38,520 --> 00:22:34,960

pilot well let me explain you see the

445

00:22:43,080 --> 00:22:38,530

Air Force is currently right now in the

446

00:22:48,090 --> 00:22:43,090

now now integrating the b61 mod 12

447

00:22:51,530 --> 00:22:48,100

nuclear weapon into the f-35 fighter jet

448

00:22:55,860 --> 00:22:51,540

as part of a long-range plan to deploy a

449

00:22:58,050 --> 00:22:55,870

nuclear-armed dual capable f-35 able to

450

00:23:02,160 --> 00:22:58,060

give commanders a wider envelope of

451
00:23:06,930 --> 00:23:02,170
precision nuclear attack options say

452
00:23:11,460 --> 00:23:06,940
what seriously check this out straight

453
00:23:13,530 --> 00:23:11,470
from the Pentagon open quote detailed

454
00:23:17,970 --> 00:23:13,540
risk reduction activities have been

455
00:23:20,790 --> 00:23:17,980
completed ensuring the f-35 a is fully

456
00:23:25,670 --> 00:23:20,800
compatible with the b61

457
00:23:29,430 --> 00:23:25,680
12 weapon planning for block for nuclear

458
00:23:32,580 --> 00:23:29,440
certification efforts they have begun in

459
00:23:38,150 --> 00:23:32,590
an anticipation of initial b61 12

460
00:23:40,280 --> 00:23:38,160
integration on the f-35 a this year

461
00:23:46,440 --> 00:23:40,290
close quote

462
00:23:48,480 --> 00:23:46,450
the block for f-35 contains more than 50

463
00:23:50,460 --> 00:23:48,490

technical adjustments to the aircraft

464

00:23:53,850 --> 00:23:50,470

designed as software and hardware build

465

00:23:55,260 --> 00:23:53,860

to be added in six-month increments

466

00:24:00,870 --> 00:23:55,270

between now

467

00:24:06,320 --> 00:24:00,880

in October 20 24 the latest version of

468

00:24:09,350 --> 00:24:06,330

the b61 thermonuclear gravity bomb

469

00:24:12,770 --> 00:24:09,360

sending the smart bomb gravity bomb

470

00:24:16,910 --> 00:24:12,780

which has origins as far back as the

471

00:24:20,010 --> 00:24:16,920

1960s is engineered as a low to medium

472

00:24:23,400 --> 00:24:20,020

yield strategic and tactical nuclear

473

00:24:27,870 --> 00:24:23,410

weapon and has a two-stage radiation

474

00:24:30,960 --> 00:24:27,880

implosion design the most current mod 12

475

00:24:35,190 --> 00:24:30,970

version has demonstrated a bunker-buster

476

00:24:37,980 --> 00:24:35,200

earth penetrating capability utilizing

477

00:24:40,530 --> 00:24:37,990

speed maneuverability and lower altitude

478

00:24:43,500 --> 00:24:40,540

flight when compared to you know how a

479

00:24:47,910 --> 00:24:43,510

normal bomber such as a b2 would operate

480

00:24:50,220 --> 00:24:47,920

in a safe zone a nuclear capable f-35

481

00:24:53,340 --> 00:24:50,230

presents new threats to a potential

482

00:24:55,800 --> 00:24:53,350

adversary in a tactical sense it seems

483

00:24:58,140 --> 00:24:55,810

that a high speed of 35 fortified by

484

00:25:00,510 --> 00:24:58,150

long-range sensors and targeting

485

00:25:02,760 --> 00:25:00,520

technologies might be well-positioned to

486

00:25:05,570 --> 00:25:02,770

identify destroy mobile weapons

487

00:25:11,930 --> 00:25:05,580

launchers or other vital at slightly

488

00:25:15,480 --> 00:25:11,940

smaller on the move targets listen to me

489

00:25:18,570 --> 00:25:15,490

the b61 mod 12 is engineered with a

490

00:25:21,150 --> 00:25:18,580

special tail sub assembly to give the

491

00:25:22,800 --> 00:25:21,160

bomb increased accuracy providing a new

492

00:25:27,840 --> 00:25:22,810

level of precision targeting with

493

00:25:30,900 --> 00:25:27,850

inertial navigation systems the text of

494

00:25:35,940 --> 00:25:30,910

the administration's Nuclear Posture

495

00:25:40,410 --> 00:25:35,950

review states that a nuclear-armed f-35

496

00:25:42,170 --> 00:25:40,420

is fundamental to deterring Russia now

497

00:25:45,780 --> 00:25:42,180

wait a minute

498

00:25:51,630 --> 00:25:45,790

flying at around 40 or 50 thousand feet

499

00:25:55,500 --> 00:25:51,640

in a b2 is one thing safe but dropping a

500

00:26:00,380 --> 00:25:55,510

nuclear gravity bomb from an f-35 on a

501
00:26:03,540 --> 00:26:00,390
moving target in ground combat what

502
00:26:07,890 --> 00:26:03,550
think about that for a second I don't

503
00:26:09,120 --> 00:26:07,900
even get what would the pilot oh what I

504
00:26:13,520 --> 00:26:09,130
mean

505
00:26:15,720 --> 00:26:13,530
why would he do this it sounds crazy I

506
00:26:18,300 --> 00:26:15,730
could just hear what the pilot would say

507
00:26:23,010 --> 00:26:18,310
during the mission briefing he'd be like

508
00:26:28,010 --> 00:26:23,020
wait wait wait what you want me to wait

509
00:26:32,130 --> 00:26:28,020
wait stop what what do you want me to do

510
00:26:34,440 --> 00:26:32,140
the commander we want you to just fly in

511
00:26:36,570 --> 00:26:34,450
you know real close low and slow and

512
00:26:39,230 --> 00:26:36,580
when you see something driving around

513
00:26:44,760 --> 00:26:39,240

well drop a nuclear bomb

514

00:26:49,890 --> 00:26:44,770

the pilot he'd be a what well what

515

00:26:52,680 --> 00:26:49,900

happens to me the commander would say

516

00:26:59,100 --> 00:26:52,690

something like well we're not clear on

517

00:27:03,560 --> 00:26:59,110

that yet but wear sunglasses think about

518

00:27:09,380 --> 00:27:03,570

that for a second you're gonna fly an

519

00:27:15,000 --> 00:27:09,390

f-35 into a combat zone look for a

520

00:27:17,460 --> 00:27:15,010

moving target target a tank mobile

521

00:27:23,970 --> 00:27:17,470

missile launcher I don't know

522

00:27:29,000 --> 00:27:23,980

and drop a gravity bomb but grab a

523

00:27:34,200 --> 00:27:29,010

nuclear bomb you're dead too

524

00:27:38,490 --> 00:27:34,210

it doesn't I'm blown away I'm blown away

525

00:27:42,630 --> 00:27:38,500

I'm blown away and I don't I don't know

526

00:27:44,850 --> 00:27:42,640

what they what what statistics that they

527

00:27:47,700 --> 00:27:44,860

have well you know it's low yield that's

528

00:27:50,700 --> 00:27:47,710

a that's a that's a point three kiloton

529

00:27:53,280 --> 00:27:50,710

weapon in and so hopefully after you

530

00:27:56,220 --> 00:27:53,290

drop it your gun it and you take off out

531

00:28:00,180 --> 00:27:56,230

of there and hopefully you're not gonna

532

00:28:05,750 --> 00:28:00,190

see it explode I don't know it's crazy

533

00:28:09,170 --> 00:28:05,760

and what about what about EMF what about

534

00:28:12,080 --> 00:28:09,180

everything that happens to your plane

535

00:28:16,200 --> 00:28:12,090

during such an explosion it is

536

00:28:18,390 --> 00:28:16,210

absolutely nuts but this is part of

537

00:28:21,000 --> 00:28:18,400

their plan and the f-35s

538

00:28:23,180 --> 00:28:21,010

are starting now and now how big are

539

00:28:26,570 --> 00:28:23,190

these by the way

540

00:28:29,480 --> 00:28:26,580

I thought nuclear bombs were big I don't

541

00:28:33,440 --> 00:28:29,490

know this blows my mind blows my mind

542

00:28:36,110 --> 00:28:33,450

and I don't know of any pilot any pilot

543

00:28:39,680 --> 00:28:36,120

fighter pilot that would sign up for

544

00:28:41,150 --> 00:28:39,690

that think about it this is fade to

545

00:28:45,380 --> 00:28:41,160

black our murals to meet yours tonight

546

00:28:47,420 --> 00:28:45,390

Fator night it is Thursday open lines

547

00:28:50,690 --> 00:28:47,430

all night long we've got Jon Rappoport

548

00:28:54,200 --> 00:28:50,700

here I'll be right back

549

00:28:56,210 --> 00:28:54,210

follow me on twitter @ JT radio and

550

00:28:58,860 --> 00:28:56,220

we're about to kick off the no more fake

551
00:29:23,000 --> 00:28:58,870
newsroom live stay with me

552
00:29:30,860 --> 00:29:30,850
[Music]

553
00:29:37,130 --> 00:29:33,890
you're listening to Jimmy Church fade to

554
00:29:44,560 --> 00:29:39,910
[Music]

555
00:29:54,140 --> 00:29:51,860
kgr a radio when you take the beams from

556
00:29:56,720 --> 00:29:54,150
Central America with dashes of

557
00:29:59,090 --> 00:29:56,730
Indonesian and African mixed in and then

558
00:30:01,940 --> 00:29:59,100
roasted to the dark side of fade to

559
00:30:05,120 --> 00:30:01,950
black you create the ultimate brew of

560
00:30:08,870 --> 00:30:05,130
Fringe introducing the fade to black

561
00:30:11,480 --> 00:30:08,880
blend from River moon coffee yes River

562
00:30:14,480 --> 00:30:11,490
moons darkest customized roast was

563
00:30:17,510 --> 00:30:14,490

created for the love of fade to black

564

00:30:20,150 --> 00:30:17,520

the alchemy of masterful roasting and

565

00:30:23,720 --> 00:30:20,160

smoking the beans is in every sip of

566

00:30:26,720 --> 00:30:23,730

this full-bodied dark Java I need my

567

00:30:28,580 --> 00:30:26,730

coffee dog deep with distinct

568

00:30:31,760 --> 00:30:28,590

bittersweet chocolate highlights just

569

00:30:34,190 --> 00:30:31,770

like the bunker leaning further into the

570

00:30:37,460 --> 00:30:34,200

darkness of the roast is fade to black

571

00:30:39,140 --> 00:30:37,470

blend from river moon coffee just click

572

00:30:42,440 --> 00:30:39,150

on the banner at Jimmy Church radio.com

573

00:30:47,470 --> 00:30:42,450

and use the promo code F to be blend for

574

00:30:50,060 --> 00:30:47,480

15% off of your order today gobekli tepe

575

00:30:52,370 --> 00:30:50,070

what can I say about the most popular

576

00:30:54,770 --> 00:30:52,380

tea on the Internet and what a customers

577

00:30:58,970 --> 00:30:54,780

say about life change to eat at get the

578

00:31:01,970 --> 00:30:58,980

tea calm a lot but by federal law we get

579

00:31:04,159 --> 00:31:01,980

the t.com cannot make claims to how this

580

00:31:06,169 --> 00:31:04,169

product can enhance your health we

581

00:31:08,900 --> 00:31:06,179

cannot even post our testimonies without

582

00:31:09,860 --> 00:31:08,910

being in compliance so how do we get

583

00:31:12,049 --> 00:31:09,870

past the hump

584

00:31:15,169 --> 00:31:12,059

try our products that get the tea calm

585

00:31:17,870 --> 00:31:15,179

and see for yourself you can send us a

586

00:31:18,970 --> 00:31:17,880

testimony but we just can't post it

587

00:31:22,909 --> 00:31:18,980

bummer

588

00:31:24,590 --> 00:31:22,919

our products are GMO free and organic we

589

00:31:26,960 --> 00:31:24,600

pride ourself in being the best we can

590

00:31:30,049 --> 00:31:26,970

be and we urge you to take charge of

591

00:31:31,909 --> 00:31:30,059

your health or loving your strong and

592

00:31:33,830 --> 00:31:31,919

many of our customers have shared their

593

00:31:35,450 --> 00:31:33,840

successes with friends and family

594

00:31:38,270 --> 00:31:35,460

protect your colon

595

00:31:40,580 --> 00:31:38,280

log on to get the tea calm that's get

596

00:31:52,549 --> 00:31:40,590

the t-dot-com

597

00:31:57,950 --> 00:31:52,559

geneticists agreed fade to black

598

00:32:01,330 --> 00:31:57,960

is not your father's radio show on the

599

00:32:08,659 --> 00:32:01,340

game changer of Radio Network and K GRA

600

00:32:10,310 --> 00:32:08,669

the planet KCRA this summer tickets and

601
00:32:12,470 --> 00:32:10,320
hotel accommodations to the biggest

602
00:32:14,690 --> 00:32:12,480
conferences autograph books and DVDs

603
00:32:16,700 --> 00:32:14,700
chances to win all-inclusive conference

604
00:32:20,060 --> 00:32:16,710
cruises and private dinners with your

605
00:32:22,700 --> 00:32:20,070
favorite K GRA hosts click the contest

606
00:32:24,830 --> 00:32:22,710
to have a que GRA radio.com for your

607
00:32:26,989 --> 00:32:24,840
chance to win big this summer your

608
00:32:34,259 --> 00:32:26,999
contact for the best alternative talk

609
00:32:42,749 --> 00:32:37,060
hi this is Rob Reiner from anvil and

610
00:32:47,690 --> 00:32:44,860
comments and we're listening the Shamy

611
00:32:54,019 --> 00:32:51,169
and now coming to you from the no more

612
00:32:56,419 --> 00:32:54,029
fake newsroom in deep space which is the

613
00:32:58,909 --> 00:32:56,429

space that we suspect to be true that

614

00:33:01,009 --> 00:32:58,919

the world as it is spent to us every day

615

00:33:03,889 --> 00:33:01,019

by the Ministry of Truth is a lie a

616

00:33:06,860 --> 00:33:03,899

false reality a movie projected on the

617

00:33:09,259 --> 00:33:06,870

screen of our subconscious this however

618

00:33:11,419 --> 00:33:09,269

is the breakout all the screams crash

619

00:33:14,930 --> 00:33:11,429

they all go down and we see the light of

620

00:33:17,539 --> 00:33:14,940

day a new day no more robots

621

00:33:20,120 --> 00:33:17,549

no more androids it's the no more fake

622

00:33:23,299 --> 00:33:20,130

newsroom with Jon Rappoport

623

00:33:25,549 --> 00:33:23,309

take it away Jon Thank You Jimmy good to

624

00:33:28,639 --> 00:33:25,559

be here folks I'll be taking the next

625

00:33:32,750 --> 00:33:28,649

two Thursday's off so we're trying to

626

00:33:34,610 --> 00:33:32,760

pack as much in here as possible before

627

00:33:39,560 --> 00:33:34,620

the show Jimmy asked me if I had

628

00:33:46,159 --> 00:33:39,570

anything on North Korea Trump now that

629

00:33:49,129 --> 00:33:46,169

Trump has canceled the nuclear summit or

630

00:33:51,350 --> 00:33:49,139

whatever you want to call it but then

631

00:33:53,480 --> 00:33:51,360

tomorrow it might be back on and then

632

00:33:56,389 --> 00:33:53,490

the next day it might be off and then

633

00:34:00,649 --> 00:33:56,399

when it's on North Korea might decide

634

00:34:05,149 --> 00:34:00,659

it's off it's like ping pong where the

635

00:34:11,020 --> 00:34:05,159

players have nuclear bombs strapped to

636

00:34:14,869 --> 00:34:11,030

themselves enormous amount of posturing

637

00:34:17,589 --> 00:34:14,879

going on on all sides we will destroy

638

00:34:20,510 --> 00:34:17,599

you one of the most outrageous

639

00:34:26,569 --> 00:34:20,520

statements was made by national security

640

00:34:31,089 --> 00:34:26,579

advisor John Bolton who is threatening

641

00:34:35,359 --> 00:34:31,099

the leader of North Korea with the Libya

642

00:34:38,809 --> 00:34:35,369

scenario how he pulled that out of his

643

00:34:42,710 --> 00:34:38,819

you know what I don't know but that was

644

00:34:45,500 --> 00:34:42,720

the statement as if to say look what we

645

00:34:52,149 --> 00:34:45,510

did to Libya as in destroyed the country

646

00:34:57,280 --> 00:34:52,159

completely and killed the leader Gadhafi

647

00:34:59,620 --> 00:34:57,290

that's the fate that awaits you if you

648

00:35:03,670 --> 00:34:59,630

become too

649

00:35:13,450 --> 00:35:03,680

Hostel if you attack us if you don't

650

00:35:14,700 --> 00:35:13,460

negotiate if you what start a war crazy

651

00:35:21,339 --> 00:35:14,710

talk

652

00:35:28,240 --> 00:35:21,349

completely crazy on both sides and as I

653

00:35:31,660 --> 00:35:28,250

said all could change tomorrow according

654

00:35:35,650 --> 00:35:31,670

to news reports North Korea has now

655

00:35:40,120 --> 00:35:35,660

destroyed its nuclear test facility all

656

00:35:45,069 --> 00:35:40,130

six tunnels in the view farm journalists

657

00:35:48,940 --> 00:35:45,079

but of course no inspections have taken

658

00:35:51,160 --> 00:35:48,950

place the journalists basically stand

659

00:35:54,339 --> 00:35:51,170

there and they watch things blowing up

660

00:35:59,650 --> 00:35:54,349

and then they're assured that it's all

661

00:36:04,359 --> 00:35:59,660

gone but until very rigorous inspections

662

00:36:08,259 --> 00:36:04,369

are completed nobody really knows so

663

00:36:11,920 --> 00:36:08,269

that's the scene there that's the scene

664

00:36:13,690 --> 00:36:11,930

there Jimmy also mentioned before the

665

00:36:18,789 --> 00:36:13,700

show that some people might not be aware

666

00:36:22,150 --> 00:36:18,799

and the current generation of what these

667

00:36:23,380 --> 00:36:22,160

nuclear weapons can really really really

668

00:36:28,240 --> 00:36:23,390

do

669

00:36:32,620 --> 00:36:28,250

I would hope people are aware but you

670

00:36:37,150 --> 00:36:32,630

never know maybe they're thinking that

671

00:36:39,579 --> 00:36:37,160

if nuclear war ensues they might lose

672

00:36:43,180 --> 00:36:39,589

cellphone coverage and that would be the

673

00:36:46,930 --> 00:36:43,190

biggest tragedy the first story that I

674

00:36:49,870 --> 00:36:46,940

ever did actually is a reporter for LA

675

00:36:53,200 --> 00:36:49,880

Weekly in 1982 was about something

676
00:36:56,769 --> 00:36:53,210
called the nuclear freeze movement which

677
00:37:00,579 --> 00:36:56,779
was an attempt to get primarily Russia

678
00:37:03,370 --> 00:37:00,589
and the u.s. to stop producing more

679
00:37:08,499 --> 00:37:03,380
nuclear weapons to freeze the production

680
00:37:11,589 --> 00:37:08,509
and I remember very vividly because it

681
00:37:13,410 --> 00:37:11,599
was a cover story on LA Weekly that they

682
00:37:19,049 --> 00:37:13,420
posted a cartoon

683
00:37:22,049 --> 00:37:19,059
of a young blonde with tears running

684
00:37:26,039 --> 00:37:22,059
down her cheeks and the caption the

685
00:37:32,339 --> 00:37:26,049
balloon the thought balloon was nuclear

686
00:37:33,770 --> 00:37:32,349
war there goes my career which I thought

687
00:37:40,069 --> 00:37:33,780
was quite appropriate

688
00:37:45,900 --> 00:37:40,079

so that's that story for the moment

689

00:37:50,730 --> 00:37:45,910

pathetic on so many fronts now let's see

690

00:37:54,539 --> 00:37:50,740

what we've got here this is a big one

691

00:37:59,309 --> 00:37:54,549

I haven't posted this yet though I've

692

00:38:04,170 --> 00:37:59,319

written it police raid scientists who

693

00:38:07,220 --> 00:38:04,180

discovered new vaccine dangers two

694

00:38:09,480 --> 00:38:07,230

scientists discovered that vaccines are

695

00:38:13,470 --> 00:38:09,490

contaminated in the manufacturing

696

00:38:16,559 --> 00:38:13,480

process with many small particles of

697

00:38:19,829 --> 00:38:16,569

metals that are toxic to humans when

698

00:38:23,370 --> 00:38:19,839

injected the published research is

699

00:38:26,299 --> 00:38:23,380

ignored then the scientists are raided

700

00:38:30,359 --> 00:38:26,309

by police

701
00:38:32,039 --> 00:38:30,369
so at Green Med infocomm and the world

702
00:38:35,970 --> 00:38:32,049
mercury project

703
00:38:39,870 --> 00:38:35,980
James Grunberg reports and now I'm

704
00:38:41,609 --> 00:38:39,880
quoting his piece last week the Italian

705
00:38:44,849 --> 00:38:41,619
police raided the home and Science

706
00:38:48,900 --> 00:38:44,859
Laboratory of doctors antonieta Gotti

707
00:38:51,599 --> 00:38:48,910
and Stefano montón re the police

708
00:38:53,930 --> 00:38:51,609
snatched all of the digital assets owned

709
00:38:57,270 --> 00:38:53,940
by the husband-and-wife team of nano

710
00:39:00,120 --> 00:38:57,280
pathologists grabbing laptops computers

711
00:39:04,770 --> 00:39:00,130
and flash drives and with it years of

712
00:39:07,710 --> 00:39:04,780
work and research because gaddy and

713
00:39:11,390 --> 00:39:07,720

Montano Montanaro had taken their

714

00:39:15,420 --> 00:39:11,400

research of nano dust and nano particles

715

00:39:20,400 --> 00:39:15,430

to what unseen contamination might

716

00:39:22,740 --> 00:39:20,410

reside in vaccines in 2016 they came

717

00:39:25,530 --> 00:39:22,750

under the microscope of the US European

718

00:39:28,069 --> 00:39:25,540

and Italian authorities they had touched

719

00:39:33,029 --> 00:39:28,079

the third rail of meth

720

00:39:34,140 --> 00:39:33,039

by finding nano contamination in random

721

00:39:38,160 --> 00:39:34,150

vaccines

722

00:39:41,640 --> 00:39:38,170

gaddy and Montanaro revealed for the

723

00:39:44,970 --> 00:39:41,650

first time what no one knew vaccines had

724

00:39:47,759 --> 00:39:44,980

more than aluminum salts polysorbate 80

725

00:39:50,730 --> 00:39:47,769

and other inorganic chemicals in them

726

00:39:54,630 --> 00:39:50,740

they also harbored stainless steel

727

00:39:57,930 --> 00:39:54,640

tungsten copper and other metals and

728

00:40:01,289 --> 00:39:57,940

rare elements that don't belong in shots

729

00:40:03,930 --> 00:40:01,299

given to fetuses pregnant women newborns

730

00:40:07,410 --> 00:40:03,940

babies and toddlers developing their

731

00:40:09,210 --> 00:40:07,420

lungs immune and nervous systems when

732

00:40:14,730 --> 00:40:09,220

the scientists published their findings

733

00:40:18,089 --> 00:40:14,740

in January 2017 titled new quality

734

00:40:21,539 --> 00:40:18,099

control investigations on vaccines micro

735

00:40:23,700 --> 00:40:21,549

and nano contamination the next logical

736

00:40:26,249 --> 00:40:23,710

step for the World Health Organization

737

00:40:28,019 --> 00:40:26,259

the Centers for Disease Control should

738

00:40:30,660 --> 00:40:28,029

have been to open an investigation into

739

00:40:33,089 --> 00:40:30,670

their claims higher independent

740

00:40:35,970 --> 00:40:33,099

scientists really good luck with that

741

00:40:41,039 --> 00:40:35,980

to run their own lab tests to confirm or

742

00:40:44,640 --> 00:40:41,049

refute the findings etc etc but none of

743

00:40:46,769 --> 00:40:44,650

that happened a year went by it was

744

00:40:50,489 --> 00:40:46,779

cheaper for the authorities to attack

745

00:40:52,829 --> 00:40:50,499

the Italian scientists then upset the

746

00:40:57,479 --> 00:40:52,839

Grit vaccine gravy train that supports

747

00:41:00,299 --> 00:40:57,489

the politicians and then I write this is

748

00:41:04,019 --> 00:41:00,309

an official form of research censorship

749

00:41:05,970 --> 00:41:04,029

by rating the researchers note that the

750

00:41:09,690 --> 00:41:05,980

two Italian scientists weren't simply

751
00:41:12,960 --> 00:41:09,700
testing a batch of one vaccine from one

752
00:41:16,829 --> 00:41:12,970
manufacturer they were looking at random

753
00:41:19,099 --> 00:41:16,839
vaccines suppose this chilling disaster

754
00:41:24,120 --> 00:41:19,109
turns out to be endemic to all

755
00:41:31,620 --> 00:41:24,130
manufacturing of vaccines suppose that

756
00:41:34,859 --> 00:41:31,630
is true so this is a piece of apparently

757
00:41:37,739 --> 00:41:34,869
breakthrough research by two Italian

758
00:41:40,410 --> 00:41:37,749
scientists who are finding at micro

759
00:41:45,770 --> 00:41:40,420
levels what no one else has seen before

760
00:41:50,610 --> 00:41:45,780
and that is these tiny pieces of metals

761
00:41:56,690 --> 00:41:50,620
that would be extremely toxic when

762
00:42:00,320 --> 00:41:56,700
injected directly into bodies of humans

763
00:42:03,240 --> 00:42:00,330

nobody else has been making this claim

764

00:42:08,850 --> 00:42:03,250

but these two Italian scientists have

765

00:42:15,660 --> 00:42:08,860

made it publish their work and you see

766

00:42:19,680 --> 00:42:15,670

the result no effort to replicate or

767

00:42:21,450 --> 00:42:19,690

refute the findings which of course is

768

00:42:26,690 --> 00:42:21,460

the way science is supposed to be done

769

00:42:29,580 --> 00:42:26,700

and to a raid on the scientists

770

00:42:33,630 --> 00:42:29,590

confiscating all their research what

771

00:42:36,720 --> 00:42:33,640

does that tell you that tell you that

772

00:42:41,360 --> 00:42:36,730

somebody is very afraid of what these

773

00:42:47,870 --> 00:42:41,370

scientists have apparently discovered

774

00:42:53,700 --> 00:42:47,880

because it would undermine the entire

775

00:42:56,130 --> 00:42:53,710

field of vaccinations it would undermine

776

00:43:04,730 --> 00:42:56,140

the studies it would undermine the

777

00:43:12,510 --> 00:43:10,380

supposed benefits it would torpedo the

778

00:43:14,700 --> 00:43:12,520

entire vaccine establishment because

779

00:43:16,800 --> 00:43:14,710

essentially it would be saying that

780

00:43:19,980 --> 00:43:16,810

these particles have been injected for

781

00:43:26,550 --> 00:43:19,990

god knows how long into the bodies of

782

00:43:31,440 --> 00:43:26,560

humans many different vaccines that

783

00:43:35,160 --> 00:43:31,450

would be extremely destructive and that

784

00:43:39,170 --> 00:43:35,170

would challenge directly the official

785

00:43:42,870 --> 00:43:39,180

claim that vaccines are marvelously safe

786

00:43:46,020 --> 00:43:42,880

I've spoken before on the show about

787

00:43:49,110 --> 00:43:46,030

adverse effects of vaccines and how the

788

00:43:52,200 --> 00:43:49,120

system for reporting that is broken in

789

00:43:54,480 --> 00:43:52,210

America and estimates that have been

790

00:43:58,620 --> 00:43:54,490

done which I

791

00:44:04,500 --> 00:43:58,630

conclude our reasonable efforts to

792

00:44:07,859 --> 00:44:04,510

determine roughly how many bad severe

793

00:44:13,349 --> 00:44:07,869

and deadly effects vaccines have every

794

00:44:17,030 --> 00:44:13,359

year the number would be by estimate

795

00:44:23,130 --> 00:44:17,040

extremely high and therefore unreported

796

00:44:25,950 --> 00:44:23,140

this may be a clue as to why I haven't

797

00:44:29,220 --> 00:44:25,960

seen any follow-ups on this yet as to

798

00:44:33,530 --> 00:44:29,230

what's happening here with the the two

799

00:44:38,070 --> 00:44:33,540

Italian scientists Gaddy and montón re

800

00:44:40,500 --> 00:44:38,080

but it's extremely chilling but they

801
00:44:42,300 --> 00:44:40,510
were raided by Italian police this is

802
00:44:43,440 --> 00:44:42,310
not something that the police decide to

803
00:44:49,190 --> 00:44:43,450
do on their own

804
00:44:59,730 --> 00:44:54,260
alright let's go to another story which

805
00:45:06,240 --> 00:44:59,740
is getting some play here that I wrote

806
00:45:09,300 --> 00:45:06,250
the other day this is a big one did

807
00:45:16,290 --> 00:45:09,310
fracking cause the Hawaii volcano

808
00:45:20,099 --> 00:45:16,300
eruption yep I had to dig in and do a

809
00:45:23,580 --> 00:45:20,109
little research to get the semantics on

810
00:45:27,060 --> 00:45:23,590
this straight as to what fracking

811
00:45:29,430 --> 00:45:27,070
actually is and what it isn't there's

812
00:45:32,250 --> 00:45:29,440
some deceptive language that's being

813
00:45:36,720 --> 00:45:32,260

thrown around here that we have to see

814

00:45:38,520 --> 00:45:36,730

through so my article starts on the Big

815

00:45:42,480 --> 00:45:38,530

Island of Hawaii where the Kilauea

816

00:45:46,940 --> 00:45:42,490

volcano has explosively erupted there is

817

00:45:53,030 --> 00:45:46,950

a geothermal energy plant it is the puna

818

00:45:55,230 --> 00:45:53,040

geothermal venture pgv plant in Pune

819

00:45:58,590 --> 00:45:55,240

there's a long-running debate about

820

00:46:01,109 --> 00:45:58,600

whether PGV is fracking the debate may

821

00:46:04,680 --> 00:46:01,119

be a matter of terminology because in

822

00:46:07,700 --> 00:46:04,690

the geothermal process as Hawaii

823

00:46:10,950 --> 00:46:07,710

fracking dot-com reports

824

00:46:14,310 --> 00:46:10,960

the drilling and the injection of cold

825

00:46:18,050 --> 00:46:14,320

water into hot rocks used in geothermal

826

00:46:24,710 --> 00:46:18,060

energy plants does fracture the rocks

827

00:46:27,870 --> 00:46:24,720

which can induce earthquakes etc etc and

828

00:46:31,080 --> 00:46:27,880

then I write weather deep injection of

829

00:46:34,620 --> 00:46:31,090

fluid aims to capture oil gas or heat

830

00:46:37,380 --> 00:46:34,630

which would be geothermal the beginning

831

00:46:41,100 --> 00:46:37,390

stage of the process is the same in

832

00:46:45,990 --> 00:46:41,110

other words you're drilling down deep

833

00:46:48,540 --> 00:46:46,000

into the earth and then you are pushing

834

00:46:51,270 --> 00:46:48,550

at high pressure some kind of fluid

835

00:46:56,250 --> 00:46:51,280

whatever it is or combination of fluids

836

00:47:00,630 --> 00:46:56,260

and that fractures rocks and can cause

837

00:47:02,880 --> 00:47:00,640

earthquakes okay and then I wrote

838

00:47:05,390 --> 00:47:02,890

earthquakes induced by this water

839

00:47:11,790 --> 00:47:05,400

injection could obviously trigger a

840

00:47:14,130 --> 00:47:11,800

volcano for example and then I cite an

841

00:47:17,310 --> 00:47:14,140

article about a geothermal project in

842

00:47:20,670 --> 00:47:17,320

Switzerland and an article from the

843

00:47:23,460 --> 00:47:20,680

Swiss press in 2009 this is very

844

00:47:26,160 --> 00:47:23,470

interesting I'm going to give you some

845

00:47:29,310 --> 00:47:26,170

quotes from this piece the authorities

846

00:47:32,730 --> 00:47:29,320

in Canton Basel City say they will

847

00:47:35,820 --> 00:47:32,740

cancel a geothermal energy project which

848

00:47:39,060 --> 00:47:35,830

three years ago caused minor tremors

849

00:47:42,450 --> 00:47:39,070

that damaged many buildings a risk

850

00:47:44,490 --> 00:47:42,460

analysis study found that the danger of

851
00:47:47,480 --> 00:47:44,500
setting off more earthquakes was too

852
00:47:50,180 --> 00:47:47,490
great if drilling at the site resumed

853
00:47:53,010 --> 00:47:50,190
project was put on hold three years ago

854
00:47:57,150 --> 00:47:53,020
after thousands of claims for damage

855
00:47:59,700 --> 00:47:57,160
were filed with insurers study

856
00:48:02,280 --> 00:47:59,710
commissioned by basil city concluded

857
00:48:07,190 --> 00:48:02,290
that the city was unfavorable for

858
00:48:13,260 --> 00:48:10,140
it said the resumption of deep heat

859
00:48:16,320 --> 00:48:13,270
mining project and its operation over 30

860
00:48:19,830 --> 00:48:16,330
year period could set off around 200

861
00:48:21,450 --> 00:48:19,840
tremors with the strength of about up to

862
00:48:24,920 --> 00:48:21,460
four point five of the

863
00:48:29,010 --> 00:48:24,930

to scale and then they talk about

864

00:48:32,760 --> 00:48:29,020

damages and then they talk about the

865

00:48:34,890 --> 00:48:32,770

geothermal facility in Basel drilled

866

00:48:37,710 --> 00:48:34,900

five kilometers into the earth the

867

00:48:41,630 --> 00:48:37,720

borehole was designed to be injected

868

00:48:48,720 --> 00:48:41,640

with water to capture the extreme heat

869

00:48:51,089 --> 00:48:48,730

etc etc now then there's another

870

00:48:54,500 --> 00:48:51,099

reference here the Guardian British

871

00:48:57,870 --> 00:48:54,510

newspaper July 11 2013

872

00:49:01,109 --> 00:48:57,880

quote pumping water underground at

873

00:49:04,980 --> 00:49:01,119

geothermal power plants can lead to

874

00:49:11,820 --> 00:49:04,990

dangerous dangerous earthquakes even in

875

00:49:15,210 --> 00:49:11,830

regions not prone to tremors that's kind

876

00:49:17,099 --> 00:49:15,220

of alarming it is already known that

877

00:49:19,829 --> 00:49:17,109

pumping large quantities of water

878

00:49:22,740 --> 00:49:19,839

underground can induce minor earthquakes

879

00:49:26,880 --> 00:49:22,750

near to German geothermal power

880

00:49:29,130 --> 00:49:26,890

generation and fracking sites however

881

00:49:31,670 --> 00:49:29,140

the new evidence reveals the potential

882

00:49:36,870 --> 00:49:31,680

for much larger earthquakes of magnitude

883

00:49:40,109 --> 00:49:36,880

four or five related to the weakening of

884

00:49:46,170 --> 00:49:40,119

pre-existing underground faults through

885

00:49:49,800 --> 00:49:46,180

increased fluid pressure that's called

886

00:49:54,000 --> 00:49:49,810

fracking or if you prefer the injection

887

00:50:01,940 --> 00:49:54,010

at high pressure of fluids deep into the

888

00:50:14,040 --> 00:50:10,170

this which is you could have I'll try to

889

00:50:15,810 --> 00:50:14,050

quote it here it is already accepted

890

00:50:18,180 --> 00:50:15,820

that when we have very large earthquakes

891

00:50:21,180 --> 00:50:18,190

seismic waves travel all over the globe

892

00:50:23,060 --> 00:50:21,190

but even though the waves are small when

893

00:50:25,859 --> 00:50:23,070

they reach the other side of the world

894

00:50:29,430 --> 00:50:25,869

they still shake false

895

00:50:32,040 --> 00:50:29,440

in other words earthquake faults such as

896

00:50:35,400 --> 00:50:32,050

the faults induced by geothermal water

897

00:50:39,059 --> 00:50:35,410

injection this can trigger seismicity

898

00:50:43,890 --> 00:50:39,069

in seismically active areas such as

899

00:50:47,849 --> 00:50:43,900

volcanoes where there's already a high

900

00:50:51,120 --> 00:50:47,859

fluid pressure getting the picture so

901
00:50:53,309 --> 00:50:51,130
then I say so on the Big Island of

902
00:50:56,279 --> 00:50:53,319
Hawaii where there's a massive volcanic

903
00:50:57,359 --> 00:50:56,289
eruption underway there is a geothermal

904
00:51:01,950 --> 00:50:57,369
plant

905
00:51:05,579 --> 00:51:01,960
pgv how close to the volcano is the

906
00:51:09,900 --> 00:51:05,589
facility all right you ready for this

907
00:51:12,299 --> 00:51:09,910
Washington Post May 12 long a concern

908
00:51:18,299 --> 00:51:12,309
for residents and the target of lawsuits

909
00:51:24,980 --> 00:51:18,309
challenging its placement on an active

910
00:51:29,190 --> 00:51:24,990
volcano the puna geothermal venture pgv

911
00:51:31,079 --> 00:51:29,200
is a major safety issue they're talking

912
00:51:33,240 --> 00:51:31,089
about other factors like chemicals

913
00:51:34,799 --> 00:51:33,250

stored there in the wake of the

914

00:51:40,430 --> 00:51:34,809

eruptions and earthquakes that have

915

00:51:50,549 --> 00:51:40,440

shaken the Big Island for days PGV is on

916

00:51:51,269 --> 00:51:50,559

the volcano on the volcano hey I've got

917

00:51:53,870 --> 00:51:51,279

a great idea

918

00:51:58,289 --> 00:51:53,880

let's build a geothermal plant on

919

00:52:00,089 --> 00:51:58,299

Kilauea Volcano an active volcano then

920

00:52:01,440 --> 00:52:00,099

we're going to drill down deep into the

921

00:52:03,839 --> 00:52:01,450

ground where there are all kinds of

922

00:52:06,180 --> 00:52:03,849

earthquake faults then we're going to

923

00:52:08,849 --> 00:52:06,190

inject fluid at high pressure to bring

924

00:52:11,370 --> 00:52:08,859

up heat which we know is there because

925

00:52:14,130 --> 00:52:11,380

we're situated right on the volcano and

926
00:52:16,829 --> 00:52:14,140
that'll be just wonderful in peachy-keen

927
00:52:22,170 --> 00:52:16,839
and we'll have lots of heat to produce

928
00:52:24,599 --> 00:52:22,180
energy for the big island what do you

929
00:52:27,930 --> 00:52:24,609
say boys well it shouldn't be a problem

930
00:52:31,170 --> 00:52:27,940
sounds terrific let's go and they did

931
00:52:35,819 --> 00:52:31,180
and they are of course they've shut down

932
00:52:39,930 --> 00:52:35,829
the plant now and the last I saw the

933
00:52:43,130 --> 00:52:39,940
lava was getting close to the plant so

934
00:52:46,109 --> 00:52:43,140
they've been shipping away

935
00:52:47,730 --> 00:52:46,119
volatile chemicals stored at the site

936
00:52:49,240 --> 00:52:47,740
and so on and so forth but the

937
00:52:52,150 --> 00:52:49,250
mainstream is

938
00:52:54,850 --> 00:52:52,160

missing the point here right which is

939

00:52:57,700 --> 00:52:54,860

that the actions that they've been

940

00:53:00,580 --> 00:52:57,710

taking here for a long time at this

941

00:53:02,980 --> 00:53:00,590

geothermal plant could have triggered or

942

00:53:06,360 --> 00:53:02,990

helped trigger the volcano in the first

943

00:53:14,110 --> 00:53:09,670

company who owns PGV by the way is or

944

00:53:16,750 --> 00:53:14,120

Matt technologies has been embroiled in

945

00:53:20,290 --> 00:53:16,760

various scandals it was one of the

946

00:53:23,380 --> 00:53:20,300

company's alternative energy companies

947

00:53:27,010 --> 00:53:23,390

that got large amounts of money during

948

00:53:30,940 --> 00:53:27,020

the Obama administration and Harry Reid

949

00:53:35,380 --> 00:53:30,950

senator from Nevada was instrumental in

950

00:53:38,080 --> 00:53:35,390

getting them that money because they're

951
00:53:41,770 --> 00:53:38,090
also involved in Nevada it's a big

952
00:53:49,080 --> 00:53:41,780
company very big geothermal plants all

953
00:53:51,910 --> 00:53:49,090
over the world I'm quoting a piece here

954
00:53:55,450 --> 00:53:51,920
two former employees are suing the firm

955
00:53:57,550 --> 00:53:55,460
claiming or mat executives defrauded the

956
00:54:00,520 --> 00:53:57,560
United States of more than 130 million

957
00:54:02,590 --> 00:54:00,530
dollars by reporting false information

958
00:54:11,680 --> 00:54:02,600
about two projects to get government

959
00:54:17,080 --> 00:54:11,690
grants a federal judge ruled how do you

960
00:54:24,610 --> 00:54:17,090
like them apples and this is not being

961
00:54:26,680 --> 00:54:24,620
reported in the mainstream geothermal

962
00:54:28,450 --> 00:54:26,690
you know we've been told well this is

963
00:54:30,990 --> 00:54:28,460

great it's alternative energy it's

964

00:54:34,360 --> 00:54:31,000

fabulous it's much better than oil and

965

00:54:38,200 --> 00:54:34,370

so on and so forth and that's a separate

966

00:54:41,290 --> 00:54:38,210

issue to discuss as to how efficient and

967

00:54:47,800 --> 00:54:41,300

effective these energy producing plants

968

00:54:57,210 --> 00:54:47,810

are but putting a big geothermal plant

969

00:55:00,640 --> 00:54:57,220

on a volcano on an active volcano really

970

00:55:03,099 --> 00:55:00,650

we're supposed to believe that the

971

00:55:07,239 --> 00:55:03,109

professionals at PGV

972

00:55:11,400 --> 00:55:07,249

are not aware of what I was able to dig

973

00:55:16,059 --> 00:55:11,410

up in a half hour about the dangers of

974

00:55:19,269 --> 00:55:16,069

the geothermal activities visa vie

975

00:55:23,499 --> 00:55:19,279

earthquakes which in turn can trigger

976

00:55:28,690 --> 00:55:23,509

volcanic action really they were not

977

00:55:33,450 --> 00:55:28,700

aware just miss that miss that class

978

00:55:39,220 --> 00:55:33,460

missed that memo unbelievable and that

979

00:55:42,839 --> 00:55:39,230

is my report for tonight now let's not

980

00:55:48,670 --> 00:55:42,849

forget about San Onofre right

981

00:55:50,799 --> 00:55:48,680

what where was the I know a nuclear

982

00:55:54,910 --> 00:55:50,809

plant anywhere in California is just a

983

00:55:59,650 --> 00:55:54,920

bad idea and they put one in between Los

984

00:56:01,779 --> 00:55:59,660

Angeles and San Diego and every time I

985

00:56:03,880 --> 00:56:01,789

drove by that you used to live down

986

00:56:06,700 --> 00:56:03,890

there and so you know what I'm talking

987

00:56:09,759 --> 00:56:06,710

about you drive by that and every single

988

00:56:13,029 --> 00:56:09,769

time that's what goes through your mind

989

00:56:16,269 --> 00:56:13,039

why would you put a nuclear plant that

990

00:56:18,609 --> 00:56:16,279

close to two major cities major cities

991

00:56:21,279 --> 00:56:18,619

in California where we have earthquakes

992

00:56:23,109 --> 00:56:21,289

all the time on an on an earthquake

993

00:56:26,859 --> 00:56:23,119

fault on a fault

994

00:56:29,519 --> 00:56:26,869

you know right there it's like gee where

995

00:56:33,339 --> 00:56:29,529

do we put it okay well here's a fall

996

00:56:35,890 --> 00:56:33,349

okay let's put it here it blew my mind I

997

00:56:38,620 --> 00:56:35,900

was so glad it's shut down now though

998

00:56:39,519 --> 00:56:38,630

right I don't write or they're shutting

999

00:56:41,309 --> 00:56:39,529

for other reasons

1000

00:56:46,390 --> 00:56:41,319

yeah it's permanently shut down because

1001
00:56:50,109 --> 00:56:46,400
the contractor who did a refit there

1002
00:56:51,819 --> 00:56:50,119
were all kinds of leaking tubes and they

1003
00:56:54,670 --> 00:56:51,829
said we're gonna fix it and they said

1004
00:56:58,739 --> 00:56:54,680
well we can't really fix it so we're

1005
00:57:01,059 --> 00:56:58,749
gonna shut it down the the fracking

1006
00:57:04,210 --> 00:57:01,069
situation where you know you look at

1007
00:57:05,769 --> 00:57:04,220
Oklahoma and Texas and well all all of

1008
00:57:08,979 --> 00:57:05,779
the united states seems like it's been

1009
00:57:10,359 --> 00:57:08,989
affected by it why why do you think it

1010
00:57:12,039 --> 00:57:10,369
is I know we only have about a minute

1011
00:57:16,420 --> 00:57:12,049
left here John but why do you think it

1012
00:57:19,570 --> 00:57:16,430
is that Washington is so

1013
00:57:21,160 --> 00:57:19,580

easily blinded by the obvious here where

1014

00:57:25,300 --> 00:57:21,170

they and they don't want to address it

1015

00:57:28,270 --> 00:57:25,310

is it lobbying is it money what I know I

1016

00:57:31,390 --> 00:57:28,280

don't get it it's both of those and it's

1017

00:57:34,360 --> 00:57:31,400

the idea that tremendous amounts of

1018

00:57:39,010 --> 00:57:34,370

money can be made through the fracking

1019

00:57:42,460 --> 00:57:39,020

method huge money big profits you become

1020

00:57:45,190 --> 00:57:42,470

an oil producer again when you look like

1021

00:57:48,100 --> 00:57:45,200

you weren't going to be before because

1022

00:57:50,980 --> 00:57:48,110

with this method you can drag new oil

1023

00:57:53,050 --> 00:57:50,990

out of the ground where you thought it

1024

00:57:57,670 --> 00:57:53,060

was all gone or you couldn't get to it

1025

00:57:59,070 --> 00:57:57,680

and it is cost-effective if you don't

1026

00:58:04,720 --> 00:57:59,080

care about the environment

1027

00:58:07,000 --> 00:58:04,730

the the numbers for us as far as oil

1028

00:58:09,940 --> 00:58:07,010

goes you know things swung around and

1029

00:58:12,940 --> 00:58:09,950

the profitability went up and and now

1030

00:58:16,090 --> 00:58:12,950

we're exporting more than we import and

1031

00:58:18,490 --> 00:58:16,100

all of that is the results of fracking

1032

00:58:20,110 --> 00:58:18,500

right so they they look at the money

1033

00:58:23,680 --> 00:58:20,120

considerations and don't care about

1034

00:58:26,230 --> 00:58:23,690

earthquakes or families or homes exactly

1035

00:58:29,140 --> 00:58:26,240

that's the deal the business of America

1036

00:58:33,160 --> 00:58:29,150

is business that's why you do what you

1037

00:58:35,680 --> 00:58:33,170

do well enjoy your two weeks off and and

1038

00:58:38,620 --> 00:58:35,690

have fun and that's always what's most

1039

00:58:41,560 --> 00:58:38,630

important and send me pictures from the

1040

00:58:43,480 --> 00:58:41,570

road okay thank you so much yummy as

1041

00:58:46,060 --> 00:58:43,490

always it's great to be on the show

1042

00:58:48,430 --> 00:58:46,070

thank you John that's Jon Rappoport

1043

00:58:53,110 --> 00:58:48,440

everybody and do what I do start your

1044

00:58:56,110 --> 00:58:53,120

day every day at no more fake news.com

1045

00:58:57,010 --> 00:58:56,120

all right here we go it's Thursday night

1046

00:59:00,250 --> 00:58:57,020

it is

1047

00:59:05,500 --> 00:59:00,260

Fator night open lines all night long

1048

00:59:11,110 --> 00:59:05,510

lines are open 3 to 3 8 2 5 5 0 for 5 or

1049

00:59:12,840 --> 00:59:11,120

3 2 3 2 7 5 9 6 9 5 I'll be back with

1050

00:59:27,370 --> 00:59:12,850

your phone calls next stay with me

1051

00:59:31,370 --> 00:59:29,240

this is fade to black

1052

00:59:35,060 --> 00:59:31,380

with Jimmy Church on the game changer

1053

00:59:39,500 --> 00:59:35,070

radio network and K GRA the global radio

1054

00:59:42,410 --> 00:59:39,510

Alliance this is K GRA digital

1055

00:59:45,800 --> 00:59:42,420

broadcasting station Salt Lake City Utah

1056

00:59:47,930 --> 00:59:45,810

Van Buren Arkansas does your basement or

1057

00:59:49,700 --> 00:59:47,940

crawlspace have a damp musty smell while

1058

00:59:51,860 --> 00:59:49,710

watch out that's a sign of too much

1059

00:59:53,690 --> 00:59:51,870

moisture and not enough ventilation and

1060

00:59:55,790 --> 00:59:53,700

that can mean increased mold growth and

1061

00:59:58,070 --> 00:59:55,800

the build-up of harmful toxins and gases

1062

01:00:00,230 --> 00:59:58,080

don't bother with a dehumidifier it just

1063

01:00:02,030 --> 01:00:00,240

circulates the same unhealthy air now

1064

01:00:03,890 --> 01:00:02,040

there's a better way to remove these

1065

01:00:06,290 --> 01:00:03,900

dangers and odors it's with the

1066

01:00:08,090 --> 01:00:06,300

computerized wave moisture control unit

1067

01:00:09,710 --> 01:00:08,100

that reduces moisture and expels

1068

01:00:11,720 --> 01:00:09,720

pollutants we replaced our old

1069

01:00:13,970 --> 01:00:11,730

dehumidifier with the wave unit and in

1070

01:00:16,370 --> 01:00:13,980

only three weeks our basement is dry and

1071

01:00:18,350 --> 01:00:16,380

the musty smell is gone wave units

1072

01:00:20,780 --> 01:00:18,360

require no maintenance no buckets of

1073

01:00:22,700 --> 01:00:20,790

water or filters and costs only pennies

1074

01:00:24,470 --> 01:00:22,710

a day to run breathe better live

1075

01:00:26,900 --> 01:00:24,480

healthier with an affordable no

1076
01:00:29,240 --> 01:00:26,910
maintenance wave unit call eight eight

1077
01:00:32,570 --> 01:00:29,250
eight seven one seven way eight eight

1078
01:00:39,080 --> 01:00:32,580
eight seven one seven wav e or visit dry

1079
01:00:51,430 --> 01:00:41,140
moans of the shots

1080
01:00:55,910 --> 01:00:54,109
hi this is Ray sobs here reppin the

1081
01:00:58,910 --> 01:00:55,920
planet and you're listening to my good

1082
01:01:01,490 --> 01:00:58,920
friend Jimmy Church fade to black

1083
01:01:06,050 --> 01:01:01,500
on the GameChanger network and the kgr a

1084
01:01:08,180 --> 01:01:06,060
digital broadcast station this is Toby

1085
01:01:32,540 --> 01:01:08,190
Kebbell you're listening to Jimmy Church

1086
01:01:36,079 --> 01:01:32,550
radio.com ancient life oil life changing

1087
01:01:38,690 --> 01:01:36,089
the real oil CBD is truly ancient life

1088
01:01:41,210 --> 01:01:38,700

oil from the source this oil has no

1089

01:01:44,300 --> 01:01:41,220

psychoactive effect and is also legal in

1090

01:01:46,490 --> 01:01:44,310

all 50 states when you're healthy you're

1091

01:01:48,740 --> 01:01:46,500

happy the truth about this wonderful

1092

01:01:51,670 --> 01:01:48,750

plan is that it wants to give back to

1093

01:01:54,980 --> 01:01:51,680

mankind life longevity and happiness

1094

01:01:57,440 --> 01:01:54,990

ancient life oil our golden grain all

1095

01:01:59,960 --> 01:01:57,450

organic non-gmo and infused with

1096

01:02:02,329 --> 01:01:59,970

high-quality liquid coconut oil it's

1097

01:02:05,690 --> 01:02:02,339

simple just go to ancient life oil

1098

01:02:06,920 --> 01:02:05,700

dot-com today that's ancient life oil

1099

01:02:11,180 --> 01:02:06,930

dot-com

1100

01:02:15,050 --> 01:02:11,190

the best purest organic and non-gmo CBD

1101
01:02:16,040 --> 01:02:15,060
in the world gobekli tepe the statements

1102
01:02:17,240 --> 01:02:16,050
made regarding these products have not

1103
01:02:18,440 --> 01:02:17,250
been evaluated by the Food and Drug

1104
01:02:19,820 --> 01:02:18,450
Administration these products are not

1105
01:02:21,589 --> 01:02:19,830
intended to diagnose treat cure or

1106
01:02:22,970 --> 01:02:21,599
prevent any disease please consult your

1107
01:02:24,140 --> 01:02:22,980
healthcare professional about potential

1108
01:02:26,210 --> 01:02:24,150
interactions or other possible

1109
01:02:27,950 --> 01:02:26,220
complications before using any product

1110
01:02:29,660 --> 01:02:27,960
this is Micah Hanks of the graylien

1111
01:02:31,970 --> 01:02:29,670
report and you're listening to Jimmy

1112
01:02:34,099 --> 01:02:31,980
church on fade to black across the globe

1113
01:02:37,230 --> 01:02:34,109

on the GameChanger radio network and the

1114

01:02:41,250 --> 01:02:37,240

one and only kgr a radio the planet

1115

01:02:41,620 --> 01:02:41,260

[Music]

1116

01:02:50,490 --> 01:02:41,630

[Applause]

1117

01:02:59,049 --> 01:02:56,680

[Music]

1118

01:03:02,680 --> 01:02:59,059

all right welcome back fade to black I'm

1119

01:03:05,470 --> 01:03:02,690

here Jimmy Church tonight is Thursday it

1120

01:03:13,510 --> 01:03:05,480

is fate or night open lines all night

1121

01:03:17,349 --> 01:03:13,520

long 3 2 3 8 2 5 5 0 4 or 5 or 3 2 3 2 7

1122

01:03:19,240 --> 01:03:17,359

5 9 6 9 5 little programming note

1123

01:03:22,450 --> 01:03:19,250

tomorrow night I'll be over at

1124

01:03:24,730 --> 01:03:22,460

coast-to-coast goes to coast am standing

1125

01:03:27,930 --> 01:03:24,740

in for George Noory and my guest

1126

01:03:31,539 --> 01:03:27,940

tomorrow night is Daniel Sheehan

1127

01:03:34,120 --> 01:03:31,549

followed by open lines all night long

1128

01:03:35,020 --> 01:03:34,130

and then Saturday I'm over at

1129

01:03:39,660 --> 01:03:35,030

coast-to-coast

1130

01:03:44,640 --> 01:03:39,670

and my guests are Theresa and Aris and

1131

01:03:50,130 --> 01:03:44,650

Michael Missoula how is that fader knots

1132

01:03:53,799 --> 01:03:50,140

yeah yeah yep I get to sleep in tomorrow

1133

01:03:55,630 --> 01:03:53,809

and then go to work until 2:00 a.m. for

1134

01:03:58,870 --> 01:03:55,640

two nights in a row and then we roll

1135

01:04:02,410 --> 01:03:58,880

back around and start it all over again

1136

01:04:06,190 --> 01:04:02,420

on Monday for fade to black and then

1137

01:04:08,049 --> 01:04:06,200

next week of course we're gonna

1138

01:04:10,660 --> 01:04:08,059

broadcast Monday and Tuesday and

1139

01:04:13,089 --> 01:04:10,670

Wednesday but there won't be a fader

1140

01:04:15,549 --> 01:04:13,099

night on Thursday okay we're taking the

1141

01:04:19,299 --> 01:04:15,559

night off so we'll move fader night back

1142

01:04:21,519 --> 01:04:19,309

to Wednesday night next week so another

1143

01:04:23,740 --> 01:04:21,529

programming note Thursday will be in

1144

01:04:27,130 --> 01:04:23,750

Palm Springs for contact in the desert

1145

01:04:30,789 --> 01:04:27,140

but then Friday night next Friday will

1146

01:04:33,970 --> 01:04:30,799

be broadcasting live from contact in the

1147

01:04:35,829 --> 01:04:33,980

desert so with that let's let's kick off

1148

01:04:39,250 --> 01:04:35,839

the night here I'm gonna go to area code

1149

01:04:42,029 --> 01:04:39,260

for one for you're up first

1150

01:04:46,150 --> 01:04:42,039

I'm fade to black welcome who's calling

1151

01:04:47,319 --> 01:04:46,160

hey man my name is uh Davey Nobel from

1152

01:04:49,109 --> 01:04:47,329

Milwaukee Wisconsin

1153

01:04:55,240 --> 01:04:49,119

how are you Davey Nobel for Milwaukee's

1154

01:04:58,089 --> 01:04:55,250

Hamilton name's Jimmy Church right all

1155

01:05:02,410 --> 01:04:58,099

right yeah I think so all right killer

1156

01:05:05,829 --> 01:05:02,420

man uh my my friend Dave Barsky he's a

1157

01:05:08,319 --> 01:05:05,839

big fan here's and yesterday I just told

1158

01:05:09,650 --> 01:05:08,329

him a random story he said I had to call

1159

01:05:13,700 --> 01:05:09,660

him okay

1160

01:05:15,920 --> 01:05:13,710

and a random story I did sit in well you

1161

01:05:19,749 --> 01:05:15,930

know I'm a man

1162

01:05:23,059 --> 01:05:19,759

Davy noble the man the legend whatever

1163

01:05:25,430 --> 01:05:23,069

I'm that I'm the youngest of three noble

1164

01:05:27,620 --> 01:05:25,440

brothers they the oldest to call

1165

01:05:31,960 --> 01:05:27,630

themselves the super noble brothers okay

1166

01:05:34,670 --> 01:05:31,970

and a world-famous but not me alright

1167

01:05:37,640 --> 01:05:34,680

but that happened to me is like real

1168

01:05:44,089 --> 01:05:37,650

stuff man so ok ok no no bad language

1169

01:05:49,039 --> 01:05:44,099

oh so the situations that arise in my

1170

01:05:51,740 --> 01:05:49,049

life are seemingly uncommon to other

1171

01:05:56,769 --> 01:05:51,750

people but to me it's it's daily fare

1172

01:05:59,990 --> 01:05:56,779

you know okay um like I moved to LA it

1173

01:06:04,880 --> 01:06:00,000

get married on September 11th and my

1174

01:06:07,640 --> 01:06:04,890

fiancee told me about stuff but and not

1175

01:06:10,819 --> 01:06:07,650

to move out there mmm some buildings

1176

01:06:13,430 --> 01:06:10,829

fell down and you know I I was I was out

1177

01:06:16,789 --> 01:06:13,440

there I moved by I'm an artist I paint

1178

01:06:21,410 --> 01:06:16,799

naked people and uh you know nondescript

1179

01:06:23,930 --> 01:06:21,420

nudes kind of in between whatever looks

1180

01:06:28,130 --> 01:06:23,940

like keep hearing uh in the piece right

1181

01:06:30,380 --> 01:06:28,140

okay but you know I'll drop there to

1182

01:06:32,740 --> 01:06:30,390

just dress I'm in love and I got I got

1183

01:06:35,120 --> 01:06:32,750

built again you know kick back you got

1184

01:06:38,630 --> 01:06:35,130

almost killed by the ocean trying to

1185

01:06:43,279 --> 01:06:38,640

surf but that's that's not the story the

1186

01:06:45,440 --> 01:06:43,289

story is randomly right so when I was

1187

01:06:47,839 --> 01:06:45,450

eleven years old this is the question

1188

01:06:51,440 --> 01:06:47,849

when I was learning old playing football

1189

01:06:55,339 --> 01:06:51,450

with like my brother was 13 his his

1190

01:06:58,819 --> 01:06:55,349

friends are all 13 and this uh this kid

1191

01:07:00,680 --> 01:06:58,829

sink Christiansen punches me in the back

1192

01:07:03,920 --> 01:07:00,690

of the head you know like sucker punch

1193

01:07:06,789 --> 01:07:03,930

style right right and uh and I got

1194

01:07:12,700 --> 01:07:06,799

knocked up I got knocked out cold right

1195

01:07:16,900 --> 01:07:12,710

but I turned into an eagle okay

1196

01:07:19,880 --> 01:07:16,910

and I was flying like over some kind of

1197

01:07:22,970 --> 01:07:19,890

canyons and rivers and I could like I'd

1198

01:07:24,859 --> 01:07:22,980

ego I I could see like to see

1199

01:07:27,290 --> 01:07:24,869

through the water and I could see this

1200

01:07:29,450 --> 01:07:27,300

fish and I can see like the fishes

1201

01:07:31,760 --> 01:07:29,460

expressions in their eyes and stuff like

1202

01:07:33,020 --> 01:07:31,770

that you know that I just loved I loved

1203

01:07:34,370 --> 01:07:33,030

a thing I could feel like the wind

1204

01:07:37,280 --> 01:07:34,380

soaring I could feel that

1205

01:07:40,099 --> 01:07:37,290

hollow bones man and I was like you know

1206

01:07:43,310 --> 01:07:40,109

a a little pleasure in the Iron Maiden

1207

01:07:46,340 --> 01:07:43,320

that wasn't like I didn't know what that

1208

01:07:47,960 --> 01:07:46,350

birds had hollow balls and stuff like

1209

01:07:52,310 --> 01:07:47,970

that you know back excute like

1210

01:07:55,099 --> 01:07:52,320

sensationalized it and uh what Barsky

1211

01:07:57,260 --> 01:07:55,109

brought up was like uh it's not like a

1212

01:08:00,140 --> 01:07:57,270

lucid dream cuz I mean I got knocked out

1213

01:08:02,870 --> 01:08:00,150

you know right right what is it like

1214

01:08:04,580 --> 01:08:02,880

astral projection obsession is something

1215

01:08:08,210 --> 01:08:04,590

you like to choose to do again I was

1216

01:08:08,720 --> 01:08:08,220

knocked out and I but I became something

1217

01:08:14,710 --> 01:08:08,730

else

1218

01:08:19,940 --> 01:08:14,720

and both sensationalize you know you

1219

01:08:24,470 --> 01:08:19,950

think and I understand I'm sitting here

1220

01:08:27,229 --> 01:08:24,480

imagining it and I understand that your

1221

01:08:29,090 --> 01:08:27,239

point of view or your reference may have

1222

01:08:31,880 --> 01:08:29,100

been hey you know I was knocked out and

1223

01:08:34,249 --> 01:08:31,890

this happened and it was cool but it

1224

01:08:39,260 --> 01:08:34,259

could have been something more

1225

01:08:42,499 --> 01:08:39,270

significant how about a past life well I

1226

01:08:44,539 --> 01:08:42,509

mean I'm not against that right right

1227

01:08:47,390 --> 01:08:44,549

Thompson when it come to pass plastic if

1228

01:08:50,599 --> 01:08:47,400

I ever hear like the day the music died

1229

01:08:51,979 --> 01:08:50,609

I start busting into tears because I you

1230

01:08:53,599 --> 01:08:51,989

know I feel like the guy was like Buddy

1231

01:08:55,160 --> 01:08:53,609

Holly going down in the plane or

1232

01:08:58,460 --> 01:08:55,170

something you know and that right

1233

01:09:00,019 --> 01:08:58,470

I took that's my therapist and I told

1234

01:09:01,789 --> 01:09:00,029

her let's not work on the things that

1235

01:09:03,620 --> 01:09:01,799

make me cry because those are actually

1236

01:09:07,039 --> 01:09:03,630

beautiful songs I know mine crying to

1237

01:09:09,680 --> 01:09:07,049

them right right right right right but

1238

01:09:12,650 --> 01:09:09,690

you know maybe I'm serious - maybe you

1239

01:09:14,930 --> 01:09:12,660

were an eagle once you know and the

1240

01:09:17,300 --> 01:09:14,940

sensations that you're talking about you

1241

01:09:21,860 --> 01:09:17,310

know the hollow bones and and the

1242

01:09:26,210 --> 01:09:21,870

ability to see through the water it's

1243

01:09:29,749 --> 01:09:26,220

because you did live that yeah it was an

1244

01:09:33,410 --> 01:09:29,759

experience it wasn't like a an imagined

1245

01:09:36,839 --> 01:09:33,420

like right simulation it was like a you

1246

01:09:44,280 --> 01:09:38,309

the ruffle feathers I don't have

1247

01:09:47,370 --> 01:09:44,290

feathers yeah that's that's really

1248

01:09:49,890 --> 01:09:47,380

interesting that's that that's cool

1249

01:09:53,339 --> 01:09:49,900

watch the phone calls tonight come in

1250

01:09:55,680 --> 01:09:53,349

about this somebody else will have had a

1251

01:09:59,580 --> 01:09:55,690

similar experience what are your two

1252

01:10:02,280 --> 01:09:59,590

brothers famous for oh well my oldest

1253

01:10:05,129 --> 01:10:02,290

daughter Andy Nobel the founder of

1254

01:10:06,030 --> 01:10:05,139

Kingsville forest and a new band called

1255

01:10:09,030 --> 01:10:06,040

brothers by choice

1256

01:10:11,370 --> 01:10:09,040

the Milwaukee records historian

1257

01:10:14,149 --> 01:10:11,380

collecting all the gospel and soul music

1258

01:10:17,040 --> 01:10:14,159

Rhyno Hanson which is very expensive

1259

01:10:20,209 --> 01:10:17,050

keep in mind when I was a kid my

1260

01:10:24,060 --> 01:10:20,219

babysitter was twisting Harvard scales

1261

01:10:33,060 --> 01:10:24,070

really you know that dude yeah yeah yeah

1262

01:10:36,030 --> 01:10:33,070

yeah my stroke yes his mom and him were

1263

01:10:40,410 --> 01:10:36,040

like taking our business that'll affect

1264

01:10:43,290 --> 01:10:40,420

you see your life yeah you know my

1265

01:10:45,180 --> 01:10:43,300

parents did were art dealers they you

1266

01:10:47,790 --> 01:10:45,190

know someone on art my entire life and

1267

01:10:49,919 --> 01:10:47,800

you know I chose art as a as a

1268

01:10:51,839 --> 01:10:49,929

profession I did fashion photography but

1269

01:10:54,689 --> 01:10:51,849

it was a really bad sleazy industry I

1270

01:10:56,520 --> 01:10:54,699

moved down to San Diego in 2001 that was

1271

01:10:58,800 --> 01:10:56,530

like my endgame was there and I had like

1272

01:11:01,140 --> 01:10:58,810

he wasn't the crossover between film and

1273

01:11:02,399 --> 01:11:01,150

digital right and I was still I was

1274

01:11:04,410 --> 01:11:02,409

gonna put in and try work but it was

1275

01:11:08,280 --> 01:11:04,420

like you not seen it so sleazy and I

1276

01:11:10,560 --> 01:11:08,290

have respect for people right right the

1277

01:11:12,510 --> 01:11:10,570

other okay I'm just gonna leave you on

1278

01:11:15,600 --> 01:11:12,520

and I want to go bender you're too far

1279

01:11:18,689 --> 01:11:15,610

but when I moved back from LA about like

1280

01:11:20,819 --> 01:11:18,699

2002 and now this is like you know

1281

01:11:23,459 --> 01:11:20,829

unofficial because I have been re met

1282

01:11:25,020 --> 01:11:23,469

David Lynch since then but I was hanging

1283

01:11:28,020 --> 01:11:25,030

out this place called the dice in

1284

01:11:30,600 --> 01:11:28,030

Madison and it was like cheap drinks and

1285

01:11:32,810 --> 01:11:30,610

the own the dude wearing a tuxedo in the

1286

01:11:36,240 --> 01:11:32,820

place was another guy named Dave and

1287

01:11:38,790 --> 01:11:36,250

looked a lot like David Lynch and we

1288

01:11:40,319 --> 01:11:38,800

talked about some things and like well

1289

01:11:41,580 --> 01:11:40,329

when I was in California I was you know

1290

01:11:43,950 --> 01:11:41,590

I was heartbroken

1291

01:11:45,959 --> 01:11:43,960

so storming all that stuff I lived in

1292

01:11:50,580 --> 01:11:45,969

the car for a while and like every

1293

01:11:53,850 --> 01:11:50,590

minute but had a different like natural

1294

01:11:57,120 --> 01:11:53,860

smell like that there was like uh uh

1295

01:11:58,589 --> 01:11:57,130

with jasmine and honeysuckle kind of

1296

01:12:00,990 --> 01:11:58,599

stuff like that you know it all these

1297

01:12:03,660 --> 01:12:01,000

like really sick smells because that

1298

01:12:05,910 --> 01:12:03,670

night it's cold and those oils sweat and

1299

01:12:09,120 --> 01:12:05,920

then when the heats up its angst and

1300

01:12:11,040 --> 01:12:09,130

it's ain't so beautiful but uh there's

1301

01:12:13,609 --> 01:12:11,050

like an energy coming from like this

1302

01:12:16,320 --> 01:12:13,619

these neighborhoods that it's like uh

1303

01:12:18,419 --> 01:12:16,330

even if you weren't even it's morning

1304

01:12:20,459 --> 01:12:18,429

tune with my stuff you'd still

1305

01:12:20,790 --> 01:12:20,469

experience the power of the Earth from

1306

01:12:23,280 --> 01:12:20,800

it

1307

01:12:24,959 --> 01:12:23,290

you know yes and and these any kids that

1308

01:12:27,300 --> 01:12:24,969

don't understand it or just running

1309

01:12:30,810 --> 01:12:27,310

around doing the stupidest unless

1310

01:12:32,790 --> 01:12:30,820

they're again uh but there really is

1311

01:12:34,830 --> 01:12:32,800

this like you know like they they get a

1312

01:12:36,450 --> 01:12:34,840

taste for that tower and then they enemy

1313

01:12:39,120 --> 01:12:36,460

they try to take it from other people

1314

01:12:41,100 --> 01:12:39,130

and other people give it because at the

1315

01:12:43,470 --> 01:12:41,110

time it's like this power is just all

1316

01:12:46,050 --> 01:12:43,480

around you but then you walk away and

1317

01:12:48,540 --> 01:12:46,060

and that those energy flux from the

1318

01:12:49,950 --> 01:12:48,550

ground is no longer there and all of a

1319

01:12:55,830 --> 01:12:49,960

sudden somebody else as well you're

1320

01:12:58,649 --> 01:12:55,840

stuffed and you don't say this is a

1321

01:13:01,189 --> 01:12:58,659

class act man and if that was the man

1322

01:13:06,660 --> 01:13:01,199

that I was having a

1323

01:13:10,800 --> 01:13:06,670

\$0.80 rails drinks with talking about

1324

01:13:13,919 --> 01:13:10,810

Transcendental Meditation in 2002 then

1325

01:13:16,320 --> 01:13:13,929

he was a class there you go there you go

1326

01:13:18,479 --> 01:13:16,330

and give my best to Dave will you and

1327

01:13:24,240 --> 01:13:18,489

thank you for calling in that's a great

1328

01:13:28,050 --> 01:13:24,250

great story I write yes have you ever

1329

01:13:32,280 --> 01:13:28,060

got a chance to get over the crystals

1330

01:13:37,700 --> 01:13:32,290

restaurant where he's cooking at no you

1331

01:13:41,100 --> 01:13:37,710

know I think I do yes but no there no

1332

01:13:45,240 --> 01:13:41,110

yeah yeah yeah I know who he is but no I

1333

01:13:47,310 --> 01:13:45,250

did not he is the best cook in town I

1334

01:13:49,640 --> 01:13:47,320

tell you that and if you say Davie Noble

1335

01:13:51,570 --> 01:13:49,650

to him he'll give you a big wet kiss I

1336

01:13:54,930 --> 01:13:51,580

will do that

1337

01:13:56,790 --> 01:13:54,940

Thank You Davey be safe thanks for

1338

01:13:58,560 --> 01:13:56,800

listening thank you man that's a great

1339

01:14:02,430 --> 01:13:58,570

story right there

1340

01:14:03,629 --> 01:14:02,440

really appreciate it I'm going past life

1341

01:14:05,219 --> 01:14:03,639

I'm going past a lot

1342

01:14:08,459 --> 01:14:05,229

on that one hi you're live on fade to

1343

01:14:11,790 --> 01:14:08,469

black who's calling this is mark from

1344

01:14:15,779 --> 01:14:11,800

Dallas this is mark from Dallas how are

1345

01:14:19,889 --> 01:14:15,789

you man congratulations

1346

01:14:22,979 --> 01:14:19,899

oh I call to congratulate you I think

1347

01:14:27,259 --> 01:14:22,989

this may be the strongest week of

1348

01:14:30,659 --> 01:14:27,269

broadcasting I've heard on your show

1349

01:14:34,709 --> 01:14:30,669

Linda Moulton Howe was outstanding I've

1350

01:14:37,139 --> 01:14:34,719

heard her a lot of times I'm not and I

1351

01:14:40,229 --> 01:14:37,149

think that was the best I've ever heard

1352

01:14:43,439 --> 01:14:40,239

her on the air I don't know what your

1353

01:14:47,879 --> 01:14:43,449

opinion that Linda has been on with us

1354

01:14:52,350 --> 01:14:47,889

so many times and they're always great

1355

01:14:57,739 --> 01:14:52,360

but there was one show that she did

1356

01:15:00,919 --> 01:14:57,749

probably four years ago and it got

1357

01:15:06,000 --> 01:15:00,929

really emotional and it was really

1358

01:15:08,669 --> 01:15:06,010

really deep and I'm not sure what the

1359

01:15:10,379 --> 01:15:08,679

show was but but anyway that but but

1360

01:15:12,929 --> 01:15:10,389

every time she's on she's great

1361

01:15:16,350 --> 01:15:12,939

and she's really great if you ever get a

1362

01:15:19,350 --> 01:15:16,360

chance to go see her speak in person I

1363

01:15:23,129 --> 01:15:19,360

have done so many different conferences

1364

01:15:25,979 --> 01:15:23,139

with her over the years and and she and

1365

01:15:29,850 --> 01:15:25,989

I'm able to just sit and and listen to

1366

01:15:33,330 --> 01:15:29,860

her for you know a couple of hours where

1367

01:15:39,479 --> 01:15:33,340

she is just because she she really

1368

01:15:41,669 --> 01:15:39,489

prepares she has the dynamic part of the

1369

01:15:44,819 --> 01:15:41,679

multimedia dialed in but she really

1370

01:15:46,859 --> 01:15:44,829

prepares and she is just so much fun to

1371

01:15:49,139 --> 01:15:46,869

go and see in person too as well so if

1372

01:15:50,389 --> 01:15:49,149

you ever get the chance you definitely

1373

01:15:54,500 --> 01:15:50,399

want to check her out

1374

01:15:56,909 --> 01:15:54,510

man I wish I would come to Texas and do

1375

01:16:00,299 --> 01:15:56,919

bring one of your conferences out here

1376

01:16:03,299 --> 01:16:00,309

you get a lot of fans I would love to do

1377

01:16:05,790 --> 01:16:03,309

a conference in Texas I really would I

1378

01:16:09,569 --> 01:16:05,800

would I would read and I would be in

1379

01:16:12,149 --> 01:16:09,579

Texas in a second so you never know you

1380

01:16:14,529 --> 01:16:12,159

never know about the future and there

1381

01:16:17,529 --> 01:16:14,539

are more

1382

01:16:19,839 --> 01:16:17,539

more conferences around the country it

1383

01:16:22,059 --> 01:16:19,849

seems like and I say this too often but

1384

01:16:25,059 --> 01:16:22,069

it seems like we have all the cool stuff

1385

01:16:27,369 --> 01:16:25,069

here in California and we don't have

1386

01:16:28,809 --> 01:16:27,379

enough on the East Coast there's not

1387

01:16:30,489 --> 01:16:28,819

enough with that you know there should

1388

01:16:32,109 --> 01:16:30,499

be something in New York City there

1389

01:16:33,579 --> 01:16:32,119

should be something in Chicago there

1390

01:16:35,669 --> 01:16:33,589

should be something in Miami there

1391

01:16:42,069 --> 01:16:35,679

should be something in Dallas and

1392

01:16:43,989 --> 01:16:42,079

there's enough of the of a fan base out

1393

01:16:46,239 --> 01:16:43,999

there too to do stuff that would be

1394

01:16:48,779 --> 01:16:46,249

really dynamic so I'm totally with you I

1395

01:16:51,159 --> 01:16:48,789

would love to do a conference in Dallas

1396

01:16:53,229 --> 01:16:51,169

well you can always stay in my camper

1397

01:16:55,859 --> 01:16:53,239

you and lovely Rita mermaid can always

1398

01:17:03,189 --> 01:17:00,639

thank you so much Marc do you have

1399

01:17:06,250 --> 01:17:03,199

something else man I was willing to ask

1400

01:17:10,389 --> 01:17:06,260

you real quick about the Theresa the

1401

01:17:12,279 --> 01:17:10,399

chick with the blue hair yeah okay give

1402

01:17:14,639 --> 01:17:12,289

me your yes we're talking about Cobra

1403

01:17:22,059 --> 01:17:14,649

give me your opinion on this Cobra thing

1404

01:17:27,129 --> 01:17:22,069

my opinion it's too fur for me the

1405

01:17:32,169 --> 01:17:27,139

reason why I went through my Cobra phase

1406

01:17:34,839 --> 01:17:32,179

you know back in 2012 and I didn't

1407

01:17:38,709 --> 01:17:34,849

resonate with it and I just pulled off

1408

01:17:40,929 --> 01:17:38,719

of it and didn't really go back and so

1409

01:17:42,699 --> 01:17:40,939

I'm not up to date I'm gonna tell you

1410

01:17:46,979 --> 01:17:42,709

I'm gonna I have to be straight

1411

01:17:50,439 --> 01:17:46,989

I haven't read or listened to Cobra and

1412

01:17:53,859 --> 01:17:50,449

this is 2018 in probably six or seven

1413

01:17:57,129 --> 01:17:53,869

years so I I don't have I don't really

1414

01:18:01,059 --> 01:17:57,139

have any comments about it I you know

1415

01:18:03,719 --> 01:18:01,069

and I have to be straight if I was up

1416

01:18:06,369 --> 01:18:03,729

on it and and and was reading and I

1417

01:18:08,409 --> 01:18:06,379

would have I would have a position or a

1418

01:18:11,619 --> 01:18:08,419

comment or an opinion but I just I just

1419

01:18:14,469 --> 01:18:11,629

don't I I didn't resonate with it and I

1420

01:18:17,919 --> 01:18:14,479

pulled off of it and and I let it go I

1421

01:18:21,819 --> 01:18:17,929

was really surprised a couple of years

1422

01:18:23,739 --> 01:18:21,829

ago I mean Cobra and his people have

1423

01:18:25,719 --> 01:18:23,749

been hitting me up constantly to get him

1424

01:18:27,700 --> 01:18:25,729

on the show when I was like wow that's

1425

01:18:29,830 --> 01:18:27,710

right that Cobra guy

1426

01:18:35,620 --> 01:18:29,840

that's the way I looked at it you know I

1427

01:18:38,320 --> 01:18:35,630

remember him but there's not enough in

1428

01:18:39,720 --> 01:18:38,330

our community and which is which is a

1429

01:18:42,220 --> 01:18:39,730

big one

1430

01:18:46,320 --> 01:18:42,230

nobody comes up to me and asked me about

1431

01:18:49,240 --> 01:18:46,330

Cobra and you know I can guarantee you

1432

01:18:51,250 --> 01:18:49,250

I'll be at contact in the desert next

1433

01:18:54,100 --> 01:18:51,260

week there's going to be 5,000 people

1434

01:18:56,320 --> 01:18:54,110

there I can guarantee you nobody will

1435

01:19:01,360 --> 01:18:56,330

come up and go hey do man you check out

1436

01:19:03,700 --> 01:19:01,370

Cobra this week you know and so a Cobra

1437

01:19:06,760 --> 01:19:03,710

world maybe there's a little Cobra world

1438

01:19:08,560 --> 01:19:06,770

there and and and you know and they're

1439

01:19:11,470 --> 01:19:08,570

there and they're talking about it and

1440

01:19:14,920 --> 01:19:11,480

and discussing it but in the in the

1441

01:19:18,970 --> 01:19:14,930

larger picture of the of the UFO

1442

01:19:22,900 --> 01:19:18,980

community the awakening community it's

1443

01:19:24,550 --> 01:19:22,910

it's just not out there and so that's

1444

01:19:26,230 --> 01:19:24,560

kind of reason I asked it's the first

1445

01:19:28,420 --> 01:19:26,240

I've ever even heard of it I'm right of

1446

01:19:30,430 --> 01:19:28,430

this right you know for years and years

1447

01:19:34,800 --> 01:19:30,440

and years this I've never even heard of

1448

01:19:37,900 --> 01:19:34,810

this before right I got I probably got

1449

01:19:45,460 --> 01:19:37,910

since Teresa was on the show I probably

1450

01:19:48,040 --> 01:19:45,470

got 50 emails out of those 51 one there

1451

01:19:50,410 --> 01:19:48,050

was one that said you know you've got to

1452

01:19:52,450 --> 01:19:50,420

get Cobra on the show and and I think it

1453

01:19:55,900 --> 01:19:52,460

would be best and I think you need to go

1454

01:19:57,910 --> 01:19:55,910

and and and study and follow up on it so

1455

01:19:58,480 --> 01:19:57,920

you can understand what's going on I got

1456

01:20:01,990 --> 01:19:58,490

one of those

1457

01:20:04,930 --> 01:20:02,000

I got 49 emails that said I'm never who

1458

01:20:08,500 --> 01:20:04,940

is Cobra what are you guys talking about

1459

01:20:11,350 --> 01:20:08,510

so I there you go you know and I don't

1460

01:20:12,790 --> 01:20:11,360

want to offend anybody out there it's

1461

01:20:14,500 --> 01:20:12,800

it's not what I'm about if you're

1462

01:20:16,420 --> 01:20:14,510

resonating with them if you follow them

1463

01:20:20,170 --> 01:20:16,430

and if you're doing your thing go you

1464

01:20:23,680 --> 01:20:20,180

know that's cool but for the most part I

1465

01:20:26,290 --> 01:20:23,690

just forgot about them so there you go

1466

01:20:28,480 --> 01:20:26,300

you said a mouthful when they're

1467

01:20:30,670 --> 01:20:28,490

recruiting people to go under group to

1468

01:20:34,240 --> 01:20:30,680

underground bases or whatever whatever

1469

01:20:36,160 --> 01:20:34,250

they were talking about like you said

1470

01:20:37,660 --> 01:20:36,170

something because I there's a former

1471

01:20:39,280 --> 01:20:37,670

member of law enforcement you said oh

1472

01:20:41,590 --> 01:20:39,290

yeah well I'll go but first thing I need

1473

01:20:49,450 --> 01:20:41,600

to seize your identification right

1474

01:20:51,730 --> 01:20:49,460

oh man and I don't mean to laugh about

1475

01:20:53,770 --> 01:20:51,740

it but but that's what I would do

1476

01:20:56,590 --> 01:20:53,780

oh you know you got it if you're gonna

1477

01:21:00,100 --> 01:20:56,600

tell me that you're extending me an

1478

01:21:02,260 --> 01:21:00,110

invitation to go to the Inner Earth and

1479

01:21:05,620 --> 01:21:02,270

your representative you're an ambassador

1480

01:21:08,130 --> 01:21:05,630

you better have some credentials thank

1481

01:21:10,480 --> 01:21:08,140

you Mark behave and be well my friend

1482

01:21:13,690 --> 01:21:10,490

how would you like thank you so much

1483

01:21:16,750 --> 01:21:13,700

great phone call right there let's see I

1484

01:21:19,120 --> 01:21:16,760

am clicking on the wrong buttons once

1485

01:21:20,710 --> 01:21:19,130

again I do it so well this is gonna go

1486

01:21:21,960 --> 01:21:20,720

random hi you're live on fade to black

1487

01:21:24,340 --> 01:21:21,970

who's calling

1488

01:21:28,630 --> 01:21:24,350

give me a been trying to screen the

1489

01:21:34,720 --> 01:21:28,640

coals what's that I said have you been

1490

01:21:39,900 --> 01:21:34,730

trying to scream like holes no I don't I

1491

01:21:47,520 --> 01:21:44,920

yes I do you want me to tell you do you

1492

01:21:53,290 --> 01:21:47,530

want me to name a song or something I

1493

01:21:57,810 --> 01:21:53,300

wouldn't be a appropriate song for what

1494

01:22:01,090 --> 01:21:57,820

exactly what's going on man

1495

01:22:09,040 --> 01:22:01,100

no but you I'm good I'm good it's

1496

01:22:14,260 --> 01:22:09,050

Thursday night it's fate or night okay

1497

01:22:18,700 --> 01:22:14,270

radio silence is a never good now I know

1498

01:22:21,820 --> 01:22:18,710

I'm waiting to say I can't okay and

1499

01:22:26,620 --> 01:22:21,830

you're also breaking up man where are

1500

01:22:30,250 --> 01:22:26,630

you right now I'm in the northeast of

1501

01:22:37,630 --> 01:22:30,260

the United States you need better cell

1502

01:22:39,250 --> 01:22:37,640

reception no nowhere yeah well do you

1503

01:22:45,400 --> 01:22:39,260

want to pick up where we left off last

1504

01:22:48,490 --> 01:22:45,410

week why don't you tell everybody who

1505

01:22:51,340 --> 01:22:48,500

you are first so those who are

1506

01:22:54,879 --> 01:22:51,350

uninformed on ghost of John Lennon the

1507

01:22:58,959 --> 01:22:54,889

ghost of John Lennon

1508

01:23:03,249 --> 01:22:58,969

John today is a Bob Dylan's birthday did

1509

01:23:06,909 --> 01:23:03,259

you call him kind of hard when the big

1510

01:23:11,889 --> 01:23:06,919

manly analogy one phone call oh is that

1511

01:23:14,289 --> 01:23:11,899

right you only get one phone call and

1512

01:23:18,279 --> 01:23:14,299

and and that phone call is into fade to

1513

01:23:21,069 --> 01:23:18,289

black now that's pretty cool well you

1514

01:23:23,199 --> 01:23:21,079

totally come back sometimes how many'd

1515

01:23:28,899 --> 01:23:23,209

is a one phone call a week one phone

1516

01:23:36,359 --> 01:23:28,909

call a day how does that work it varies

1517

01:23:40,269 --> 01:23:36,369

on his mood so okay what is for you John

1518

01:23:42,459 --> 01:23:40,279

what is special about fade to black why

1519

01:23:44,169 --> 01:23:42,469

would you be so compelled to call in

1520

01:23:47,019 --> 01:23:44,179

like I said you've got one phone call

1521

01:23:48,609 --> 01:23:47,029

you could have called Bob and said yo I

1522

01:23:52,769 --> 01:23:48,619

mean you guys were friends back in the

1523

01:23:56,889 --> 01:23:52,779

day to be frank I thought his birthday

1524

01:23:57,609 --> 01:23:56,899

it's not his birthday no I said forgot

1525

01:24:01,329 --> 01:23:57,619

his birthday

1526

01:24:05,289 --> 01:24:01,339

you forgot Bob Dylan's birthday I know

1527

01:24:08,229 --> 01:24:05,299

same for me oh man it was more than

1528

01:24:13,959 --> 01:24:08,239

George thing to remember did did did did

1529

01:24:17,819 --> 01:24:13,969

Dylan influence you as much as they say

1530

01:24:20,289 --> 01:24:17,829

that he did or did you pay attention

1531

01:24:21,879 --> 01:24:20,299

big boss I mean he gave us the drugs

1532

01:24:23,889 --> 01:24:21,889

they gave us Neal magical mystery tour

1533

01:24:26,439 --> 01:24:23,899

and Sergeant Pepper yeah that's true

1534

01:24:28,209 --> 01:24:26,449

that's true I would go with that have

1535

01:24:30,789 --> 01:24:28,219

you been when you were in Southern

1536

01:24:35,799 --> 01:24:30,799

California did you go out to his house

1537

01:24:38,889 --> 01:24:35,809

in Malibu no we didn't because that was

1538

01:24:41,919 --> 01:24:38,899

the place to be I understand the Dylan

1539

01:24:44,019 --> 01:24:41,929

house in the 60s well in the seventies

1540

01:24:46,959 --> 01:24:44,029

we'll probably tonight it's probably the

1541

01:24:52,989 --> 01:24:46,969

place to be too as well I also heard

1542

01:24:54,969 --> 01:24:52,999

that he rides a bike on his property you

1543

01:24:59,529 --> 01:24:54,979

know what I mean a bicycle he rides

1544

01:25:03,459 --> 01:24:59,539

around he won't walk it's so big that he

1545

01:25:07,040 --> 01:25:03,469

rides a bike around the property sounds

1546

01:25:11,830 --> 01:25:07,050

like it so John have you

1547

01:25:16,760 --> 01:25:11,840

if you are a ghost do you see ghosts

1548

01:25:17,990 --> 01:25:16,770

Caucasian yet how does that work well

1549

01:25:19,129 --> 01:25:18,000

it's like something that someone when

1550

01:25:23,419 --> 01:25:19,139

you're walking down the sidewalk

1551

01:25:26,569 --> 01:25:23,429

no you just walk on like a do you

1552

01:25:33,290 --> 01:25:26,579

recognize anybody I mean you know when

1553

01:25:35,750 --> 01:25:33,300

you think about who has left and when

1554

01:25:39,319 --> 01:25:35,760

somebody you know a musician dies and

1555

01:25:41,930 --> 01:25:39,329

they always say hey now that you know

1556

01:25:45,049 --> 01:25:41,940

they got the band together with Hendrix

1557

01:25:48,080 --> 01:25:45,059

and and and Buddy Holly and and John

1558

01:25:53,750 --> 01:25:48,090

Bonham's playing drums is it really is

1559

01:25:58,189 --> 01:25:53,760

it really like that in a sort of yes

1560

01:26:04,040 --> 01:25:58,199

what do you mean like we don't sit

1561

01:26:09,620 --> 01:26:04,050

around and play whatever well John what

1562

01:26:11,660 --> 01:26:09,630

you should do is next well next Thursday

1563

01:26:14,629 --> 01:26:11,670

it'll be next Wednesday but what you

1564

01:26:18,500 --> 01:26:14,639

should do is maybe get one of your

1565

01:26:20,540 --> 01:26:18,510

friends from the other side and the both

1566

01:26:27,410 --> 01:26:20,550

of you call in together I want a report

1567

01:26:30,649 --> 01:26:27,420

I want to report from the other side let

1568

01:26:32,720 --> 01:26:30,659

me why not well just ask I think that's

1569

01:26:37,580 --> 01:26:32,730

what you should do just ask for

1570

01:26:41,270 --> 01:26:37,590

permission you're John Lennon I know I

1571

01:26:44,959 --> 01:26:41,280

was bigger than a scone say what I said

1572

01:26:52,760 --> 01:26:44,969

I would but I'm was once bigger than his

1573

01:26:55,729 --> 01:26:52,770

son did you okay now when that went down

1574

01:26:57,290 --> 01:26:55,739

John I don't want to cut you off I've

1575

01:27:00,549 --> 01:26:57,300

only got about a minute left and I have

1576

01:27:03,740 --> 01:27:00,559

to pay the bills and run commercials but

1577

01:27:06,370 --> 01:27:03,750

when those comparisons were made that

1578

01:27:11,180 --> 01:27:06,380

the Beatles were bigger than Jesus did

1579

01:27:15,410 --> 01:27:11,190

you really mean it well you know I'm

1580

01:27:17,000 --> 01:27:15,420

more of a jokester and at first I

1581

01:27:18,859 --> 01:27:17,010

thought you know hardy-har-har you know

1582

01:27:22,070 --> 01:27:18,869

is bigger than Jesus you know our old

1583

01:27:25,080 --> 01:27:22,080

lives on forever forget Christian

1584

01:27:26,250 --> 01:27:25,090

well now that you know now that you're

1585

01:27:29,370 --> 01:27:26,260

on the other side

1586

01:27:32,180 --> 01:27:29,380

what's God like and was God you know was

1587

01:27:36,360 --> 01:27:32,190

God pissed off about the Jesus comment I

1588

01:27:38,250 --> 01:27:36,370

mean it was his son you know to be frank

1589

01:27:39,510 --> 01:27:38,260

he wasn't expecting me I walked in he

1590

01:27:42,660 --> 01:27:39,520

was like Joel and Lauren what are you

1591

01:27:45,030 --> 01:27:42,670

doing here and I was like I'm dead did

1592

01:27:47,700 --> 01:27:45,040

what about did he ask for an autograph

1593

01:27:53,580 --> 01:27:47,710

did he have the Beatles collection there

1594

01:27:58,950 --> 01:27:53,590

I wish he did but all he had was on

1595

01:28:03,090 --> 01:27:58,960

those north of m30 and ok ok now I have

1596

01:28:08,580 --> 01:28:03,100

to ask I've got 30 seconds what did God

1597

01:28:12,660 --> 01:28:08,590

say about Yoko he looked at me he said

1598

01:28:15,110 --> 01:28:12,670

look it's your heart whatever I would

1599

01:28:19,140 --> 01:28:15,120

send that but I will never accept it ah

1600

01:28:21,360 --> 01:28:19,150

there you go I knew it it is the ghost

1601
01:28:25,380 --> 01:28:21,370
of John Lennon hey John

1602
01:28:28,560 --> 01:28:25,390
I'll see you next week Hokulea : thank

1603
01:28:31,020 --> 01:28:28,570
you so much get permission of course

1604
01:28:35,190 --> 01:28:31,030
I'll talk to you the ghost of John

1605
01:28:39,750 --> 01:28:35,200
Lennon you know fade to black

1606
01:28:42,750 --> 01:28:39,760
has gotten so big and so awesome and so

1607
01:28:44,970 --> 01:28:42,760
cool we've got the ghost of John Lennon

1608
01:28:47,970 --> 01:28:44,980
here Spade to black Camaro stupid Church

1609
01:28:52,560 --> 01:28:47,980
its fate or night it is open lines all

1610
01:28:56,670 --> 01:28:52,570
night long 3 2 3 a 2 5 5 0 4 5 4 3 2 3 2

1611
01:28:59,740 --> 01:28:56,680
75 9 6 9 5 more of your phone calls our

1612
01:29:09,530 --> 01:28:59,750
next stay with me

1613
01:29:16,770 --> 01:29:12,740

way out here we listen to Jimmy Church

1614

01:29:19,050 --> 01:29:16,780

you're listening to fade to black always

1615

01:29:19,530 --> 01:29:19,060

on the edge of the hottest alternative

1616

01:29:22,860 --> 01:29:19,540

talk

1617

01:29:42,020 --> 01:29:22,870

Jimmy search with fade to black stay GRA

1618

01:29:45,690 --> 01:29:42,030

radio.com hurricanes earthquakes

1619

01:29:48,150 --> 01:29:45,700

wildfires this year we've experienced

1620

01:29:50,460 --> 01:29:48,160

more than our fair share this is Jimmy

1621

01:29:52,770 --> 01:29:50,470

Church of fade to black and last month I

1622

01:29:54,990 --> 01:29:52,780

decided to make sure my family does not

1623

01:29:57,680 --> 01:29:55,000

have to worry about food should we get

1624

01:30:00,570 --> 01:29:57,690

caught in a real emergency situation

1625

01:30:02,430 --> 01:30:00,580

introducing Humana a healthy storable

1626

01:30:04,560 --> 01:30:02,440

product that tastes so good that you'll

1627

01:30:06,870 --> 01:30:04,570

want to eat it every day instead of just

1628

01:30:09,060 --> 01:30:06,880

during those times of duress all new

1629

01:30:12,450 --> 01:30:09,070

manna products have a 25 year shelf life

1630

01:30:15,060 --> 01:30:12,460

our msg and GMO free no preservatives

1631

01:30:17,100 --> 01:30:15,070

and are made in America with the new

1632

01:30:18,780 --> 01:30:17,110

manna pack in your home you'll be able

1633

01:30:21,330 --> 01:30:18,790

to sleep at night knowing that you

1634

01:30:24,510 --> 01:30:21,340

protected your family not only have I

1635

01:30:26,640 --> 01:30:24,520

tasted and tested I own it now you can

1636

01:30:28,860 --> 01:30:26,650

too just click on the new manna banner

1637

01:30:30,720 --> 01:30:28,870

on Jimmy Church radio.com and use the

1638

01:30:33,120 --> 01:30:30,730

promo code Jimmy when you order in

1639

01:30:35,250 --> 01:30:33,130

addition to a discount we'll send you an

1640

01:30:39,120 --> 01:30:35,260

autographed fade to black t-shirt

1641

01:30:40,650 --> 01:30:39,130

seriously gobekli tepe do you worry a

1642

01:30:43,040 --> 01:30:40,660

lot whether you're a college student

1643

01:30:45,540 --> 01:30:43,050

busy professional parent or grandparent

1644

01:30:47,580 --> 01:30:45,550

ongoing stress and elevated levels of

1645

01:30:49,860 --> 01:30:47,590

the stress hormone cortisol can rob your

1646

01:30:52,050 --> 01:30:49,870

memory your health and your future now

1647

01:30:54,030 --> 01:30:52,060

you can combat the effects of stress and

1648

01:30:56,400 --> 01:30:54,040

anxiety while improving your memory and

1649

01:30:58,560 --> 01:30:56,410

recall at the same time with the dietary

1650

01:31:00,090 --> 01:30:58,570

supplement calm and clever studies

1651
01:31:02,460 --> 01:31:00,100
showed that the ingredients in common

1652
01:31:04,050 --> 01:31:02,470
clever reduce cortisol by as much as 30%

1653
01:31:06,000 --> 01:31:04,060
in one to two weeks

1654
01:31:09,020 --> 01:31:06,010
call 1-800 seven five eight eight seven

1655
01:31:12,740 --> 01:31:09,030
four six or calm and clever calm

1656
01:31:20,450 --> 01:31:12,750
you listen to us and we listen to you so

1657
01:31:22,729 --> 01:31:20,460
does the CIA de GRA radio.com hi folks

1658
01:31:24,229 --> 01:31:22,739
what can I say without making claims

1659
01:31:25,939 --> 01:31:24,239
seaweedy is truly the buzzword for

1660
01:31:27,890 --> 01:31:25,949
health what does it do government

1661
01:31:29,870 --> 01:31:27,900
institutions will not allow me to say

1662
01:31:32,750 --> 01:31:29,880
what this wonderful oil does for us but

1663
01:31:35,419 --> 01:31:32,760

I can say it's non-gmo and organic I can

1664

01:31:37,310 --> 01:31:35,429

say it's point zero zero three THC which

1665

01:31:39,649 --> 01:31:37,320

in plain English means you won't get

1666

01:31:41,660 --> 01:31:39,659

high there are those that want to squash

1667

01:31:43,459 --> 01:31:41,670

your freedom to buy natural products

1668

01:31:45,589 --> 01:31:43,469

fight back with your purchase power in

1669

01:31:47,629 --> 01:31:45,599

the end it is you that takes care of

1670

01:31:52,279 --> 01:31:47,639

your health go to ancient life oil calm

1671

01:31:54,080 --> 01:31:52,289

one more time ancient life oil calm you

1672

01:31:56,060 --> 01:31:54,090

are listening to fade to black with

1673

01:32:00,859 --> 01:31:56,070

janie Church on the game change in

1674

01:32:02,899 --> 01:32:00,869

network hi I'm Lisa Vance you're

1675

01:32:05,839 --> 01:32:02,909

listening to Jimmy Church this is a

1676

01:32:09,700 --> 01:32:05,849

revolution the revolution will not be

1677

01:32:15,070 --> 01:32:09,710

televised the revolution is on radio

1678

01:32:15,080 --> 01:32:52,770

[Music]

1679

01:32:58,780 --> 01:32:55,150

welcome back

1680

01:33:02,200 --> 01:32:58,790

fade to black did I just do that a clear

1681

01:33:05,350 --> 01:33:02,210

my throat on the air supposed to do that

1682

01:33:07,870 --> 01:33:05,360

before you're on the mic Church Spain to

1683

01:33:09,670 --> 01:33:07,880

blacks fate or night Thursday night open

1684

01:33:13,300 --> 01:33:09,680

lines all night long three two three

1685

01:33:16,360 --> 01:33:13,310

eight two five five zero four five three

1686

01:33:18,490 --> 01:33:16,370

two three two seven five nine six nine

1687

01:33:20,680 --> 01:33:18,500

five if you are on hold stay right there

1688

01:33:23,110 --> 01:33:20,690

I'm gonna go to area code seven eight

1689

01:33:31,720 --> 01:33:23,120

zero you're up next welcome to fade to

1690

01:33:32,290 --> 01:33:31,730

black who's calling oh man Laird how are

1691

01:33:34,690 --> 01:33:32,300

you man

1692

01:33:36,610 --> 01:33:34,700

well I can't complain too much but the

1693

01:33:38,740 --> 01:33:36,620

world seems to be going to hell in a

1694

01:33:41,380 --> 01:33:38,750

handbasket here and a real quick hurry

1695

01:33:46,780 --> 01:33:41,390

why do you say that why do you say that

1696

01:33:48,960 --> 01:33:46,790

Laird Hawaii's errupted and you know he

1697

01:33:52,000 --> 01:33:48,970

can't even kind of slid in the earth

1698

01:33:53,740 --> 01:33:52,010

fracking and Jon Rappoport said because

1699

01:33:58,660 --> 01:33:53,750

you know it's going to spew out of

1700

01:34:02,170 --> 01:33:58,670

disrespect in every direction I I have

1701

01:34:06,670 --> 01:34:02,180

been watching the live cams from out

1702

01:34:10,420 --> 01:34:06,680

there and it is about as frightening of

1703

01:34:14,610 --> 01:34:10,430

a situation as as I can think of and if

1704

01:34:19,480 --> 01:34:14,620

it turns out like Rappaport says that

1705

01:34:22,450 --> 01:34:19,490

fracking was the cause think about that

1706

01:34:24,550 --> 01:34:22,460

think about that uproar I you know it'll

1707

01:34:27,130 --> 01:34:24,560

probably be never be you know never

1708

01:34:33,720 --> 01:34:27,140

proved though they'll have a way to

1709

01:34:37,960 --> 01:34:33,730

dance around that but fracking it look

1710

01:34:40,360 --> 01:34:37,970

Ramadi yeah remote removing stuff from

1711

01:34:43,570 --> 01:34:40,370

the ground like that and not paying

1712

01:34:51,890 --> 01:34:48,140

mother nature is gonna fix it for you

1713

01:34:54,110 --> 01:34:51,900

I would have to agree and she's tending

1714

01:34:57,260 --> 01:34:54,120

to do that in every direction we don't

1715

01:34:59,570 --> 01:34:57,270

even look at because oil is money and

1716

01:35:02,689 --> 01:34:59,580

everybody loves money and the economy is

1717

01:35:06,740 --> 01:35:02,699

good but the trouble is we we've pretty

1718

01:35:08,660 --> 01:35:06,750

much ruptured her soul already yeah I I

1719

01:35:13,360 --> 01:35:08,670

think you're right about that and if we

1720

01:35:18,580 --> 01:35:13,370

you know I love v8 I love that that v8

1721

01:35:24,439 --> 01:35:18,590

American v8 that sound I love cars but

1722

01:35:26,149 --> 01:35:24,449

if we replaced everything you know all

1723

01:35:31,640 --> 01:35:26,159

the cars with electric cars on this

1724

01:35:34,970 --> 01:35:31,650

planet the profits for gas would be gone

1725

01:35:38,510 --> 01:35:34,980

so they would figure out another way to

1726

01:35:40,399 --> 01:35:38,520

keep the profits rolling so what do we

1727

01:35:41,080 --> 01:35:40,409

do do we just keep doing what we're

1728

01:35:44,540 --> 01:35:41,090

doing

1729

01:35:47,209 --> 01:35:44,550

you know the thirst for oil and you

1730

01:35:53,060 --> 01:35:47,219

think about what's going on in India or

1731

01:35:56,090 --> 01:35:53,070

China where they're just it's crazy the

1732

01:35:59,479 --> 01:35:56,100

thirst for oil it's not going to go away

1733

01:36:03,380 --> 01:35:59,489

it may be there until we you know pump

1734

01:36:12,709 --> 01:36:03,390

the last gallon of oil last barrel out

1735

01:36:16,120 --> 01:36:12,719

of the ground we might be passing last

1736

01:36:20,240 --> 01:36:16,130

breath breathing air out of this planet

1737

01:36:28,669 --> 01:36:20,250

Laird Laird what else is on your mind

1738

01:36:31,250 --> 01:36:28,679

tonight well you've been with us since

1739

01:36:35,120 --> 01:36:31,260

the very beginning it's pretty cool to

1740

01:36:37,669 --> 01:36:35,130

see yeah it's pretty cool to see the

1741

01:36:40,760 --> 01:36:37,679

growth and it's not the growth of the

1742

01:36:44,120 --> 01:36:40,770

show it's the growth of the audience the

1743

01:36:47,510 --> 01:36:44,130

uniting of everybody that's that's

1744

01:36:49,970 --> 01:36:47,520

that's what's most impressive and it

1745

01:36:52,160 --> 01:36:49,980

just it's just an honor and a privilege

1746

01:36:55,280 --> 01:36:52,170

to be right here at the center of it all

1747

01:36:57,379 --> 01:36:55,290

and and watching this thing expand you

1748

01:36:58,719 --> 01:36:57,389

know and and now you know there's on

1749

01:37:01,120 --> 01:36:58,729

stellar

1750

01:37:03,549 --> 01:37:01,130

and what's going on over there in that

1751

01:37:05,529 --> 01:37:03,559

community and it's just it's an

1752

01:37:12,219 --> 01:37:05,539

incredible thing to just sit here and be

1753

01:37:16,029 --> 01:37:12,229

a part of even talk you almost no stop

1754

01:37:17,739 --> 01:37:16,039

Laird Oh get out of town anyways Jimmy

1755

01:37:19,629 --> 01:37:17,749

have a good evening my friend and take

1756

01:37:21,850 --> 01:37:19,639

care of yourself Thank You Laird you

1757

01:37:22,149 --> 01:37:21,860

know you're on speed dial with me all

1758

01:37:26,279 --> 01:37:22,159

right

1759

01:37:28,930 --> 01:37:26,289

oh very good that's the best way to be

1760

01:37:32,169 --> 01:37:28,940

I'll talk to you later be safe and be

1761

01:37:35,879 --> 01:37:32,179

well my friend bye-bye bye-bye

1762

01:37:38,439 --> 01:37:35,889

nothing like a call from Scotland in on

1763

01:37:40,449 --> 01:37:38,449

a Thursday night Fator night Laird's

1764

01:37:43,239 --> 01:37:40,459

been with this since the very very

1765

01:37:48,750 --> 01:37:43,249

beginning hi you're live on fade to

1766

01:37:49,989 --> 01:37:48,760

black who's calling hello you're live oh

1767

01:37:53,439 --> 01:37:49,999

man

1768

01:37:56,680 --> 01:37:53,449

Oh Jimmy chick my god hey it's Mike from

1769

01:38:00,669 --> 01:37:56,690

Boston hi Mark from bones actually yeah

1770

01:38:02,529 --> 01:38:00,679

what's on your mind first first thing

1771

01:38:05,290 --> 01:38:02,539

really kind of not really a big deal but

1772

01:38:08,410 --> 01:38:05,300

sometimes you do the it's back in the

1773

01:38:12,129 --> 01:38:08,420

unka if they're all Boston accent did

1774

01:38:15,009 --> 01:38:12,139

you live in Boston no no no no that's my

1775

01:38:17,979 --> 01:38:15,019

it's funny you say that because I

1776

01:38:24,359 --> 01:38:17,989

thought I was imitating Frank Zappa

1777

01:38:26,859 --> 01:38:24,369

that's all that's where that comes from

1778

01:38:28,330 --> 01:38:26,869

all right that's that's pretty cool huh

1779

01:38:31,569 --> 01:38:28,340

it's like did he ever live like out here

1780

01:38:34,120 --> 01:38:31,579

something is that what they say doc yeah

1781

01:38:38,020 --> 01:38:34,130

I guess that is Boston ish yeah I'm not

1782

01:38:39,549 --> 01:38:38,030

from Boston yeah yeah all right legit

1783

01:38:43,600 --> 01:38:39,559

been here my whole life when I came into

1784

01:38:46,959 --> 01:38:43,610

the country I grew up in and it's south

1785

01:38:48,910 --> 01:38:46,969

of Boston like 11 miles but um we have

1786

01:38:50,259 --> 01:38:48,920

that Boston accent you know paçoca and

1787

01:38:54,489 --> 01:38:50,269

all that stuff wait a minute wait a

1788

01:38:57,219 --> 01:38:54,499

minute are you a Southie then um I'm

1789

01:38:59,500 --> 01:38:57,229

actually in Braintree it's like probably

1790

01:39:01,899 --> 01:38:59,510

five minutes away from Southie right ah

1791

01:39:03,640 --> 01:39:01,909

but South East can't crime you know I

1792

01:39:05,620 --> 01:39:03,650

don't mess with salty too much just go

1793

01:39:07,220 --> 01:39:05,630

like it's gentrified no no it's not the

1794

01:39:10,370 --> 01:39:07,230

same anymore

1795

01:39:12,080 --> 01:39:10,380

and the edge and the glasses and the

1796

01:39:14,630 --> 01:39:12,090

tight jeans yeah it's not the same no

1797

01:39:17,720 --> 01:39:14,640

more oh it's not it's not the UH it's

1798

01:39:19,640 --> 01:39:17,730

not the Old West right like it used to

1799

01:39:21,110 --> 01:39:19,650

be no it's not no it's not like that

1800

01:39:22,730 --> 01:39:21,120

anymore

1801

01:39:24,380 --> 01:39:22,740

there's like million dollar homes and

1802

01:39:26,690 --> 01:39:24,390

it's like kind of changed a lot

1803

01:39:29,060 --> 01:39:26,700

so you know the good movies coming out

1804

01:39:31,340 --> 01:39:29,070

of there but it's not the same it's not

1805

01:39:34,400 --> 01:39:31,350

south either like anyone from Boston

1806

01:39:36,680 --> 01:39:34,410

knows like dodge if the Roxbury all that

1807

01:39:39,080 --> 01:39:36,690

stuff is like still the same but so it

1808

01:39:41,210 --> 01:39:39,090

changed a lot well let me ask you this

1809

01:39:46,010 --> 01:39:41,220

Rita and I actually had a conversation

1810

01:39:49,130 --> 01:39:46,020

last week about Boston and we we after

1811

01:39:51,080 --> 01:39:49,140

the show each night we go and you know

1812

01:39:54,380 --> 01:39:51,090

try to catch up and you know watch some

1813

01:40:03,470 --> 01:39:54,390

cool TV and and and movie and it seems

1814

01:40:06,170 --> 01:40:03,480

like Boston is like the most tape it is

1815

01:40:08,540 --> 01:40:06,180

everything is done in Boston and so and

1816

01:40:10,790 --> 01:40:08,550

what's weird about that you know TV's

1817

01:40:14,960 --> 01:40:10,800

and movies and everything but you guys

1818

01:40:18,560 --> 01:40:14,970

apparently have the most ghosts you have

1819

01:40:22,250 --> 01:40:18,570

the most UFOs you have the most you've

1820

01:40:25,250 --> 01:40:22,260

got the most monsters you've got viruses

1821

01:40:29,090 --> 01:40:25,260

being released you've got criminal and

1822

01:40:31,610 --> 01:40:29,100

banks and and and crime but Boston has

1823

01:40:35,840 --> 01:40:31,620

got everything man is it really like

1824

01:40:37,430 --> 01:40:35,850

that as far as the UFOs and stuff goes I

1825

01:40:39,560 --> 01:40:37,440

don't think so cuz nothing nothing I

1826

01:40:42,260 --> 01:40:39,570

smoke cigarettes I come up all the time

1827

01:40:44,380 --> 01:40:42,270

my head's 90 degrees all the time

1828

01:40:46,850 --> 01:40:44,390

everyone come on I don't eat too much

1829

01:40:48,740 --> 01:40:46,860

but it's awesome losses and stuff and

1830

01:40:54,350 --> 01:40:48,750

ghosts and all that stuff that's pretty

1831

01:40:57,380 --> 01:40:54,360

that's pretty legit Bridgewater triangle

1832

01:40:58,820 --> 01:40:57,390

yeah lucky stuff that goes on and I I

1833

01:41:02,390 --> 01:40:58,830

think it's because we've been around so

1834

01:41:04,520 --> 01:41:02,400

long I think you have history but I

1835

01:41:07,610 --> 01:41:04,530

don't know as far as UFOs you know get

1836

01:41:10,190 --> 01:41:07,620

nothin man you've been lame have you

1837

01:41:11,920 --> 01:41:10,200

been into the Bridgewater triangle do

1838

01:41:14,030 --> 01:41:11,930

you ever go up there and check it out oh

1839

01:41:16,640 --> 01:41:14,040

yeah I Drive through there once in a

1840

01:41:18,980 --> 01:41:16,650

while like I just try to but I don't

1841

01:41:20,450 --> 01:41:18,990

think I never get to see Mukherjee's

1842

01:41:21,110 --> 01:41:20,460

enough and I'm not lucky like that I

1843

01:41:23,870 --> 01:41:21,120

won't set

1844

01:41:28,790 --> 01:41:23,880

what happened to me right I really do

1845

01:41:32,000 --> 01:41:28,800

I've been into this Vincent um and like

1846

01:41:34,900 --> 01:41:32,010

that the late 90s and just like it was a

1847

01:41:39,380 --> 01:41:34,910

it was a weird thing I needed to do a

1848

01:41:41,780 --> 01:41:39,390

public speaking class sorry I went to a

1849

01:41:43,820 --> 01:41:41,790

culinary school I'm a chef right um we

1850

01:41:45,410 --> 01:41:43,830

couldn't talk about you know making

1851
01:41:47,300 --> 01:41:45,420
recipes and stuff because that's all you

1852
01:41:51,370 --> 01:41:47,310
hear so one of the last things we had to

1853
01:41:54,170 --> 01:41:51,380
do it do a 20-minute speech and I found

1854
01:41:56,420 --> 01:41:54,180
on Moz and that just so far down the

1855
01:41:58,250 --> 01:41:56,430
rabbit hole and it's been legit ever

1856
01:41:59,750 --> 01:41:58,260
since is my other passion but that's not

1857
01:42:01,810 --> 01:41:59,760
why I called I'm on this is cool

1858
01:42:04,520 --> 01:42:01,820
jamming with you this is out of control

1859
01:42:06,140 --> 01:42:04,530
but one of the things I did want to know

1860
01:42:09,860 --> 01:42:06,150
you know I know you got other calls and

1861
01:42:12,020 --> 01:42:09,870
stuff but everything you know anything

1862
01:42:15,620 --> 01:42:12,030
you've kind of been exposed to and

1863
01:42:17,960 --> 01:42:15,630

everything you tie all that stuff

1864

01:42:24,620 --> 01:42:17,970

together one of the things that's been

1865

01:42:30,050 --> 01:42:24,630

really like with oh we lost you mark we

1866

01:42:31,340 --> 01:42:30,060

lost mark from Boston okay I will I will

1867

01:42:33,740 --> 01:42:31,350

do my best

1868

01:42:37,250 --> 01:42:33,750

mark to put you at the front of the line

1869

01:42:39,740 --> 01:42:37,260

I don't know why the call dropped

1870

01:42:47,590 --> 01:42:39,750

let's go to England high your life I'm

1871

01:42:49,010 --> 01:42:47,600

fade to black who's calling you're live

1872

01:42:51,530 --> 01:42:49,020

okay we

1873

01:42:53,060 --> 01:42:51,540

stack call us go to the next one hi

1874

01:43:01,640 --> 01:42:53,070

you're live on fade to black who's

1875

01:43:09,020 --> 01:43:01,650

calling you're live huh - my phone lines

1876

01:43:16,630 --> 01:43:09,030

just died that dropped it looks like

1877

01:43:19,640 --> 01:43:16,640

everybody we have lost the internet I

1878

01:43:21,560 --> 01:43:19,650

can't even believe this beta black's

1879

01:43:23,900 --> 01:43:21,570

executive producers ritika murray on

1880

01:43:26,240 --> 01:43:23,910

shows produced by Hill J palm Renee

1881

01:43:28,460 --> 01:43:26,250

Dennis and Bob announces our Steve

1882

01:43:31,280 --> 01:43:28,470

harder Jean Patou Mr D Cove our

1883

01:43:34,670 --> 01:43:31,290

webmaster drew the geek music doug

1884

01:43:36,980 --> 01:43:34,680

aldrich intro space boy space boy music

1885

01:43:41,960 --> 01:43:36,990

calm fade to black is produced by

1886

01:43:43,970 --> 01:43:41,970

kjsurya productions kedi ra the planet

1887

01:43:45,860 --> 01:43:43,980

it's broadcast owned and copyrighted
