

Fader
NIGHT

THURSDAYS ON FADE TO BLACK

Ep. 877

JimmyChurchRadio.com

copyright 2018 fade to black www.jimmychurchradio.com

1
00:00:27,930 --> 00:00:24,980

[Music]

2
00:00:32,159 --> 00:00:27,940

this hope radiates for the masses

3
00:00:33,810 --> 00:00:32,169

headline the birthday July 1947 the Army

4
00:00:36,180 --> 00:00:33,820

Air Force who has announced are applying

5
00:00:38,729 --> 00:00:36,190

there - found under now in the

6
00:00:41,990 --> 00:00:38,739

possession of the army the gaming rig

7
00:00:44,810 --> 00:00:42,000

changed the game game changer I

8
00:00:49,110 --> 00:00:44,820

occasionally think how quickly our

9
00:00:51,660 --> 00:00:49,120

differences worldwide would vanish if we

10
00:00:57,500 --> 00:00:51,670

were facing an alien threat from outside

11
00:01:03,229 --> 00:01:00,260

this is fade to black with your host

12
00:01:06,380 --> 00:01:03,239

Jimmy Church on a game changer radio

13
00:01:10,220 --> 00:01:06,390

network and a GRA the global radio

14

00:01:19,120 --> 00:01:15,400

I need your help to get to the year 1985

15

00:01:21,279 --> 00:01:19,130

[Music]

16

00:01:23,410 --> 00:01:21,289

you listening to fade to black with

17

00:01:24,180 --> 00:01:23,420

Jimmy judge on the game change in that

18

00:01:31,780 --> 00:01:24,190

word

19

00:01:38,610 --> 00:01:31,790

[Music]

20

00:01:54,930 --> 00:01:51,120

misspoke radio for the masses yeah

21

00:02:02,730 --> 00:01:54,940

that's right it is Thursday June 21st

22

00:02:07,000 --> 00:02:02,740

2018 171 days into the new year just 194

23

00:02:09,730 --> 00:02:07,010

days left we are live from a bunker

24

00:02:12,940 --> 00:02:09,740

somewhere in beautiful downtown Burbank

25

00:02:15,250 --> 00:02:12,950

California now I'd like to welcome

26
00:02:18,670 --> 00:02:15,260
everybody listening all around the world

27
00:02:20,830 --> 00:02:18,680
all across the United States hither and

28
00:02:23,590 --> 00:02:20,840
thither to and fro back and forth up and

29
00:02:26,010 --> 00:02:23,600
down east and west north and south far

30
00:02:29,020 --> 00:02:26,020
and near

31
00:02:31,420 --> 00:02:29,030
this is fade to black for kjc are the

32
00:02:35,560 --> 00:02:31,430
game changer network and cagey RA the

33
00:02:37,479 --> 00:02:35,570
planets are meals Jimmy Church what is

34
00:02:41,680 --> 00:02:37,489
cracking everybody how you doing

35
00:02:44,710 --> 00:02:41,690
it is Thursday how you doing how you

36
00:02:48,890 --> 00:02:44,720
doing how you doing

37
00:02:52,910 --> 00:02:48,900
Thursday it's fader nights Jon Rappoport

38
00:02:56,270 --> 00:02:52,920

and is no more fake newsroom live will

39

00:02:58,040 --> 00:02:56,280

be up shortly followed by open lines all

40

00:03:00,830 --> 00:02:58,050

night long the Colin numbers are three

41

00:03:04,580 --> 00:03:00,840

to three eight two five five zero four

42

00:03:10,640 --> 00:03:04,590

or five or three two three two seven

43

00:03:15,350 --> 00:03:10,650

five nine six nine five you can follow

44

00:03:20,270 --> 00:03:15,360

us friend's head over to on stellar on

45

00:03:24,710 --> 00:03:20,280

stellar calm ons te ll AR dot-com on

46

00:03:26,870 --> 00:03:24,720

stellar calm it's a social media site

47

00:03:28,610 --> 00:03:26,880

that's all it is free to join for you to

48

00:03:31,190 --> 00:03:28,620

hangout for you to do everything as a

49

00:03:34,309 --> 00:03:31,200

matter of fact you register use my

50

00:03:36,170 --> 00:03:34,319

referral code Jimmy get some bonus

51
00:03:40,910 --> 00:03:36,180
tokens because this is a blockchain

52
00:03:43,580 --> 00:03:40,920
based social media network the next

53
00:03:46,820 --> 00:03:43,590
great social media platform and it is

54
00:03:50,360 --> 00:03:46,830
here it is now on stellar com follow me

55
00:03:52,849 --> 00:03:50,370
on Twitter at J Church radio at T Church

56
00:03:55,910 --> 00:03:52,859
radio very simple Facebook and YouTube

57
00:03:58,550 --> 00:03:55,920
are still out there hanging out and if

58
00:03:59,990 --> 00:03:58,560
you feel the need to go and follow and

59
00:04:01,940 --> 00:04:00,000
like and subscribe and do all of the

60
00:04:03,849 --> 00:04:01,950
stuff you can over at Jimmy Church

61
00:04:06,920 --> 00:04:03,859
radio.com

62
00:04:09,979 --> 00:04:06,930
alright today's Thursday

63
00:04:12,620 --> 00:04:09,989

it's Thursday it's Thursday night fate

64

00:04:16,610 --> 00:04:12,630

or night I'm in the chair open lines all

65

00:04:18,170 --> 00:04:16,620

night long I cannot wait to just sit

66

00:04:21,259 --> 00:04:18,180

here and hang out with you guys and and

67

00:04:25,909 --> 00:04:21,269

just just talk just walk we're gonna

68

00:04:27,260 --> 00:04:25,919

coffee talk all night long okay now if

69

00:04:31,730 --> 00:04:27,270

you want to hang out with us on Twitter

70

00:04:37,600 --> 00:04:31,740

in the sandbox that is hashtag F to be

71

00:04:40,159 --> 00:04:37,610

oh man that's Alec Baldwin that's good

72

00:04:42,650 --> 00:04:40,169

that's good Frankie

73

00:04:44,390 --> 00:04:42,660

that's good I'm just you know I'm gonna

74

00:04:46,760 --> 00:04:44,400

retweet that just because it's cool

75

00:04:48,710 --> 00:04:46,770

that's funny

76

00:04:53,000 --> 00:04:48,720

thank you for all the dancing gifts man

77

00:04:55,250 --> 00:04:53,010

they they are amazed that Olivia who is

78

00:04:57,770 --> 00:04:55,260

that I don't know who that is

79

00:05:02,379 --> 00:04:57,780

it's good though it's good that

80

00:05:04,760 --> 00:05:02,389

60s psychedelic vibe that's pretty guys

81

00:05:07,330 --> 00:05:04,770

thank you for that and if you want to

82

00:05:11,180 --> 00:05:07,340

check out all of these dancing - eats

83

00:05:13,490 --> 00:05:11,190

you can go and do it now follow me on

84

00:05:15,320 --> 00:05:13,500

twitter @jj Church radio ack ack ack is

85

00:05:19,730 --> 00:05:15,330

there that's cool Wow

86

00:05:23,750 --> 00:05:19,740

ack ack ack let me look ya spot on the

87

00:05:25,190 --> 00:05:23,760

money right ack ack ack right there

88

00:05:28,100 --> 00:05:25,200

that's pretty cool

89

00:05:31,159 --> 00:05:28,110

alright let's go let's go we got a lot

90

00:05:33,200 --> 00:05:31,169

to do tonight and i am going to set the

91

00:05:36,890 --> 00:05:33,210

stage on a few things really quick that

92

00:05:39,220 --> 00:05:36,900

i would like to get your opinions on so

93

00:05:42,440 --> 00:05:39,230

we're gonna get to that in just a bit

94

00:05:47,420 --> 00:05:42,450

hashtag f2b is twitter the sandbox

95

00:05:50,870 --> 00:05:47,430

hashtag f to be Q is questions or

96

00:05:54,230 --> 00:05:50,880

comments during the show now the art

97

00:05:56,690 --> 00:05:54,240

from Eric's debt Eric's tit is always

98

00:06:00,110 --> 00:05:56,700

always there on Twitter but I want to

99

00:06:03,920 --> 00:06:00,120

say this banner this slider this piece

100

00:06:05,810 --> 00:06:03,930

of art that you did is is really really

101

00:06:09,200 --> 00:06:05,820

really really really really really

102

00:06:12,440 --> 00:06:09,210

really really cool and thank you for

103

00:06:15,020 --> 00:06:12,450

that you know I needed I've been after

104

00:06:19,310 --> 00:06:15,030

Rita for a while now to do a really cool

105

00:06:21,890 --> 00:06:19,320

fader night this is perfect now I've got

106

00:06:25,540 --> 00:06:21,900

a fader night Eric can I is it okay if I

107

00:06:28,850 --> 00:06:25,550

use this can I use this wherever and

108

00:06:31,219 --> 00:06:28,860

whenever I want on fader night is that

109

00:06:33,500 --> 00:06:31,229

is that cool with you tweet me if it is

110

00:06:38,210 --> 00:06:33,510

because if it is that's that's gonna be

111

00:06:40,430 --> 00:06:38,220

our new favorite I mean I like that

112

00:06:42,409 --> 00:06:40,440

that's cool I'm gonna use it I'm gonna

113

00:06:44,180 --> 00:06:42,419

use it the consider that stolen Eric I

114

00:06:46,490 --> 00:06:44,190

really appreciate it it's a very cool

115

00:06:50,170 --> 00:06:46,500

all right you can also email throughout

116

00:06:52,880 --> 00:06:50,180

the show Jimmy at Jimmy Church radio.com

117

00:06:57,020 --> 00:06:52,890

alright now before I get to everything

118

00:07:05,560 --> 00:06:57,030

breaking news I tweeted out about this

119

00:07:08,409 --> 00:07:05,570

briefly earlier today alright so vice

120

00:07:10,930 --> 00:07:08,419

vice published an article yesterday

121

00:07:13,000 --> 00:07:10,940

about one

122

00:07:17,530 --> 00:07:13,010

about contacting the desert by one of

123

00:07:20,290 --> 00:07:17,540

their editors one Brian McManus nice

124

00:07:23,260 --> 00:07:20,300

enough guy I guess about his trip to

125

00:07:25,000 --> 00:07:23,270

contact in the desert and I'm sure it's

126
00:07:28,660 --> 00:07:25,010
gonna circulate and people are gonna

127
00:07:34,900 --> 00:07:28,670
comment and there you go now

128
00:07:36,880 --> 00:07:34,910
Brian quoted me he not gonna get into

129
00:07:38,140 --> 00:07:36,890
specifics but he quoted me and it's

130
00:07:42,430 --> 00:07:38,150
right there in the middle of his

131
00:07:45,640 --> 00:07:42,440
commentary with this quote saying buy me

132
00:07:48,190 --> 00:07:45,650
open quote maybe news outlets will no

133
00:07:50,500 --> 00:07:48,200
longer cue the x-files music every time

134
00:07:53,710 --> 00:07:50,510
they do a story on us

135
00:07:55,600 --> 00:07:53,720
end quote Wow right sounds good looks

136
00:07:59,920 --> 00:07:55,610
goods right there I said it

137
00:08:05,200 --> 00:07:59,930
it's cool right well then vice tweeted

138
00:08:09,270 --> 00:08:05,210

out Vice tweeted out cue the x-files

139

00:08:16,600 --> 00:08:09,280

music when they posted the article link

140

00:08:18,640 --> 00:08:16,610

and exactly right he saw this coming you

141

00:08:21,820 --> 00:08:18,650

know and and I talked to Brian about

142

00:08:25,030 --> 00:08:21,830

this extensively you know about and and

143

00:08:28,780 --> 00:08:25,040

the tone of his his piece kind of leaned

144

00:08:31,870 --> 00:08:28,790

on this a little bit that you know the

145

00:08:35,500 --> 00:08:31,880

UFO community is is always teased and

146

00:08:39,310 --> 00:08:35,510

and so forth and that now were you know

147

00:08:40,900 --> 00:08:39,320

approaching solid footing because of the

148

00:08:43,150 --> 00:08:40,910

disclosure that's been going down since

149

00:08:46,030 --> 00:08:43,160

a December which he specifically asked

150

00:08:48,580 --> 00:08:46,040

me about but I told him you know it's

151
00:08:50,410 --> 00:08:48,590
just I get every single time man no I

152
00:08:53,560 --> 00:08:50,420
mean you know it's gonna be a cool

153
00:08:56,110 --> 00:08:53,570
article okay alright well whatever but

154
00:09:00,070 --> 00:08:56,120
it was it's you know what all I have to

155
00:09:04,750 --> 00:09:00,080
say is thanks Vice thanks Brian you guys

156
00:09:07,630 --> 00:09:04,760
are part of the problem right there

157
00:09:13,000 --> 00:09:07,640
vice is supposed to be an alternative

158
00:09:15,880 --> 00:09:13,010
voice one that I respected but in this

159
00:09:19,329 --> 00:09:15,890
in this article there's not one word

160
00:09:23,740 --> 00:09:19,339
about how cool CIT D was how fun it was

161
00:09:25,030 --> 00:09:23,750
how wonderful how great you know about

162
00:09:27,879 --> 00:09:25,040
the good times that everybody

163
00:09:32,370 --> 00:09:27,889

had the vibrations that were there I

164

00:09:35,680 --> 00:09:32,380

mean just totally an amazingly fun

165

00:09:37,569 --> 00:09:35,690

soulful event not a word about any of

166

00:09:42,819 --> 00:09:37,579

that nothing

167

00:09:46,059 --> 00:09:42,829

and I think Brian needs to see something

168

00:09:48,579 --> 00:09:46,069

strange in the sky it's my opinion you

169

00:09:50,740 --> 00:09:48,589

know and then one day he'll look back at

170

00:09:52,600 --> 00:09:50,750

the weekend that could have been had

171

00:09:55,629 --> 00:09:52,610

contact in the desert it would have been

172

00:09:58,420 --> 00:09:55,639

a whole different experience you know

173

00:10:00,939 --> 00:09:58,430

and and maybe he would have you know

174

00:10:06,249 --> 00:10:00,949

been a little bit embarrassed about what

175

00:10:10,230 --> 00:10:06,259

he wrote I don't dig it he chose to take

176

00:10:14,069 --> 00:10:10,240

cracks at nori Victoria Guevara and

177

00:10:19,389 --> 00:10:14,079

Sonia grace that's right

178

00:10:21,699 --> 00:10:19,399

Sonia grace one of the nicest coolest

179

00:10:25,540 --> 00:10:21,709

brightest and down-to-earth people you

180

00:10:27,329 --> 00:10:25,550

could ever meet ever including Brian but

181

00:10:30,550 --> 00:10:27,339

he did it because he thinks it's funny

182

00:10:33,879 --> 00:10:30,560

right or he thinks he's being smart

183

00:10:37,180 --> 00:10:33,889

well he's not Brian asked me if he could

184

00:10:43,740 --> 00:10:37,190

come on the show when the article was

185

00:10:47,350 --> 00:10:43,750

released and I said well yeah sure but

186

00:10:52,480 --> 00:10:47,360

sorry man that just ain't gonna happen

187

00:10:56,220 --> 00:10:52,490

it could have but you don't make fun of

188

00:11:00,759 --> 00:10:56,230

my friends number one right number one

189

00:11:06,180 --> 00:11:00,769

number two you don't have any idea of

190

00:11:10,900 --> 00:11:06,190

what you are talking about you don't you

191

00:11:14,920 --> 00:11:10,910

don't history is gonna prove and is

192

00:11:18,550 --> 00:11:14,930

proving right what what the UFO question

193

00:11:21,970 --> 00:11:18,560

is and he just you just don't go do this

194

00:11:23,769 --> 00:11:21,980

about my friends you don't I'm not I'm

195

00:11:26,530 --> 00:11:23,779

not cool with that I'm not down with it

196

00:11:30,519 --> 00:11:26,540

at all he pressed me for negative

197

00:11:33,280 --> 00:11:30,529

answers he did and I saw straight

198

00:11:35,829 --> 00:11:33,290

through that I wouldn't give them I'm

199

00:11:38,079 --> 00:11:35,839

gonna give negative answers and you know

200

00:11:38,770 --> 00:11:38,089

and try to put a spin on this thing and

201

00:11:44,890 --> 00:11:38,780

and

202

00:11:47,740 --> 00:11:44,900

but I told them you know mass-media man

203

00:11:50,770 --> 00:11:47,750

you guys cue that x-files music I don't

204

00:11:55,930 --> 00:11:50,780

good you know okay all right well

205

00:11:59,140 --> 00:11:55,940

whatever and I mean it's like this and I

206

00:12:00,300 --> 00:11:59,150

want all of you to understand and take

207

00:12:05,470 --> 00:12:00,310

this to heart

208

00:12:09,490 --> 00:12:05,480

don't ever and I mean ever try to

209

00:12:12,760 --> 00:12:09,500

embarrass this community this is why I

210

00:12:15,670 --> 00:12:12,770

don't speak to the media this is why and

211

00:12:20,470 --> 00:12:15,680

it was vice and I thought it was gonna

212

00:12:28,480 --> 00:12:20,480

be cool but no lesson learned again and

213

00:12:30,520 --> 00:12:28,490

what I mean by Vice you can't say you're

214

00:12:32,500 --> 00:12:30,530

skeptic and you could say you don't

215

00:12:34,570 --> 00:12:32,510

believe in UFOs and you could say you

216

00:12:36,790 --> 00:12:34,580

went here to see if you learned anything

217

00:12:39,370 --> 00:12:36,800

and you didn't learn anything and and

218

00:12:41,860 --> 00:12:39,380

you went away from the conference you

219

00:12:45,550 --> 00:12:41,870

know still skeptical about UFOs or the

220

00:12:47,500 --> 00:12:45,560

community or that's fine that's fine

221

00:12:49,710 --> 00:12:47,510

paint the picture I don't care if that's

222

00:12:54,240 --> 00:12:49,720

that's that's great that's the truth

223

00:12:57,190 --> 00:12:54,250

but don't choose to make fun of

224

00:13:02,010 --> 00:12:57,200

individuals in this community because

225

00:13:07,360 --> 00:13:02,020

that isn't cool there you go

226

00:13:09,760 --> 00:13:07,370

our next event is going to be this

227

00:13:12,520 --> 00:13:09,770

Saturday disclosure fest I'll be at

228

00:13:14,590 --> 00:13:12,530

disclosure fest here in Los Angeles it's

229

00:13:18,070 --> 00:13:14,600

in downtown at the Los Angeles State

230

00:13:22,570 --> 00:13:18,080

Historic Park the mass meditation

231

00:13:24,970 --> 00:13:22,580

initiative disclosure fest org complete

232

00:13:28,530 --> 00:13:24,980

listing of everybody that is going to be

233

00:13:31,750 --> 00:13:28,540

speaking the musical guest food art

234

00:13:33,460 --> 00:13:31,760

everything that is going on in downtown

235

00:13:35,920 --> 00:13:33,470

Los Angeles is right there disclosure

236

00:13:37,720 --> 00:13:35,930

fest or a totally free event you can go

237

00:13:39,250 --> 00:13:37,730

to the website you can go there you can

238

00:13:41,470 --> 00:13:39,260

register and get your free tickets but

239

00:13:43,600 --> 00:13:41,480

apparently you can go down there and

240

00:13:44,710 --> 00:13:43,610

crash the gates too as well on stellar

241

00:13:47,380 --> 00:13:44,720

it's good to be there they're gonna have

242

00:13:48,300 --> 00:13:47,390

a booth everybody's gonna be there if

243

00:13:52,040 --> 00:13:48,310

you're gonna be in Southern California

244

00:13:55,639 --> 00:13:52,050

if you're an Arizona very New Mexico

245

00:13:58,490 --> 00:13:55,649

here in Colorado if you're in Nevada

246

00:14:01,820 --> 00:13:58,500

Veeran oregan this is where you need to

247

00:14:05,630 --> 00:14:01,830

be get down here to Los Angeles San

248

00:14:11,509 --> 00:14:05,640

Francisco come on everybody Modesto

249

00:14:13,910 --> 00:14:11,519

come on Riverside come on everybody is

250

00:14:16,670 --> 00:14:13,920

gonna be there it's a huge event right

251
00:14:18,560 --> 00:14:16,680
there in downtown Los Angeles directions

252
00:14:21,620 --> 00:14:18,570
everything you need is over at

253
00:14:24,139 --> 00:14:21,630
disclosure fest dot org all right so

254
00:14:25,970 --> 00:14:24,149
we'll see everybody there Saturday and

255
00:14:28,040 --> 00:14:25,980
don't forget to sign up for our soul

256
00:14:30,430 --> 00:14:28,050
tech gathering up at ESET e Ranch

257
00:14:33,230 --> 00:14:30,440
it is this August 9th through the 12th

258
00:14:36,079 --> 00:14:33,240
just go to seoul tech gathering calm and

259
00:14:40,100 --> 00:14:36,089
now we but the the tickets are running

260
00:14:42,470 --> 00:14:40,110
out i know i keep saying it but they are

261
00:14:43,730 --> 00:14:42,480
they are ok this events gonna sell out

262
00:14:46,040 --> 00:14:43,740
it's probably gonna sell out this week

263
00:14:47,900 --> 00:14:46,050

so if you are planning to go if you're

264

00:14:51,620 --> 00:14:47,910

procrastinating or you're trying to do

265

00:14:53,509 --> 00:14:51,630

that or whatever it is I don't want to

266

00:14:56,360 --> 00:14:53,519

hear later I could have woulda shoulda

267

00:15:00,410 --> 00:14:56,370

Jimmy can you do me a favor ok

268

00:15:02,030 --> 00:15:00,420

can't do it solty gathering calm Cory

269

00:15:04,460 --> 00:15:02,040

goods gonna be my special guest we've

270

00:15:06,410 --> 00:15:04,470

got james gilliland we've got Jason quit

271

00:15:10,220 --> 00:15:06,420

Matthew Ryan Makayla Sheldon Teresa and

272

00:15:12,380 --> 00:15:10,230

Aris Holly Marie Mary Gabriel we've got

273

00:15:16,579 --> 00:15:12,390

John lund Dana Harvey Billy Carson Laura

274

00:15:20,060 --> 00:15:16,589

can't - and Kristina Cantigny all at the

275

00:15:22,160 --> 00:15:20,070

same event teaching come and hang out

276

00:15:25,100 --> 00:15:22,170

with us it's going to be an amazing

277

00:15:27,530 --> 00:15:25,110

amazing weekend up at E Sethi ranch and

278

00:15:30,530 --> 00:15:27,540

then a week later I'll be going out to

279

00:15:32,780 --> 00:15:30,540

Colorado August 9th 17th through the

280

00:15:36,290 --> 00:15:32,790

19th I'll be at dimensions of disclosure

281

00:15:38,210 --> 00:15:36,300

in Loveland Colorado and this Korea

282

00:15:40,579 --> 00:15:38,220

goods event with David Wilcock Emery

283

00:15:44,060 --> 00:15:40,589

Smith Teresa and iris Gerald O'Donnell

284

00:15:46,460 --> 00:15:44,070

Jordan Saylor and over 20 speakers and

285

00:15:49,790 --> 00:15:46,470

presenters are going to be at dimensions

286

00:15:51,860 --> 00:15:49,800

of disclosure and it's very simple

287

00:15:53,150 --> 00:15:51,870

dimensions of disclosure comm tickets

288

00:15:54,530 --> 00:15:53,160

and info and I'll see everybody out

289

00:15:56,769 --> 00:15:54,540

there too as well don't forget to

290

00:16:00,710 --> 00:15:56,779

subscribe to our podcast we have over

291

00:16:03,560 --> 00:16:00,720

875 archived shows custom apps Apple

292

00:16:05,390 --> 00:16:03,570

Android all platforms just \$2 a month

293

00:16:07,880 --> 00:16:05,400

simple to do just go over to

294

00:16:10,610 --> 00:16:07,890

radio.com click on the podcast banner

295

00:16:11,540 --> 00:16:10,620

it's right there very easy very quick

296

00:16:13,910 --> 00:16:11,550

all right

297

00:16:16,310 --> 00:16:13,920

you can also become a fader not an

298

00:16:19,070 --> 00:16:16,320

official fate or not and you do that in

299

00:16:20,060 --> 00:16:19,080

our membership section separate from the

300

00:16:25,550 --> 00:16:20,070

podcast

301

00:16:27,890 --> 00:16:25,560

that stuff becoming a fate or not is

302

00:16:30,320 --> 00:16:27,900

official so you can become a fader or

303

00:16:32,420 --> 00:16:30,330

not and where you'll get the bunker cam

304

00:16:34,700 --> 00:16:32,430

you get commercial free downloadable

305

00:16:36,320 --> 00:16:34,710

archives and you can even get all of

306

00:16:38,180 --> 00:16:36,330

that fade to black gear the autograph

307

00:16:40,490 --> 00:16:38,190

hats and t-shirts and you get a private

308

00:16:42,410 --> 00:16:40,500

email to me all of that stuff alright

309

00:16:44,270 --> 00:16:42,420

and you can ask anything or not that

310

00:16:46,910 --> 00:16:44,280

writes to me on that private email that

311

00:16:49,250 --> 00:16:46,920

get a response they do they do I'm

312

00:16:53,060 --> 00:16:49,260

forced into it I have to because I said

313

00:16:58,370 --> 00:16:53,070

I will write ok yeah you know how many I

314

00:16:59,720 --> 00:16:58,380

did today but I love it I love it and

315

00:17:02,360 --> 00:16:59,730

you can do all of that over in our

316

00:17:04,430 --> 00:17:02,370

membership section of Jimmy Church radio

317

00:17:08,360 --> 00:17:04,440

calm don't forget all of our sponsors

318

00:17:11,930 --> 00:17:08,370

here this show has been going on now for

319

00:17:16,400 --> 00:17:11,940

five years we have the best sponsors

320

00:17:20,720 --> 00:17:16,410

that have been with us and and you you

321

00:17:23,110 --> 00:17:20,730

know them you've met them it's just the

322

00:17:25,490 --> 00:17:23,120

best part of our community when you have

323

00:17:28,220 --> 00:17:25,500

sponsors that believe in freedom of

324

00:17:29,870 --> 00:17:28,230

speech they believe in our community

325

00:17:32,600 --> 00:17:29,880

they believe in you there are all

326

00:17:35,450 --> 00:17:32,610

experiencers they all come and hang out

327

00:17:39,290 --> 00:17:35,460

with us they've all got their stories

328

00:17:42,380 --> 00:17:39,300

it's the best right life changed he get

329

00:17:45,350 --> 00:17:42,390

the t.com River moon coffee makers have

330

00:17:47,810 --> 00:17:45,360

fade to black blend ancient life oil

331

00:17:50,210 --> 00:17:47,820

sacred skulls as some of the best

332

00:17:53,150 --> 00:17:50,220

jewelry you're ever going to see sacred

333

00:17:56,710 --> 00:17:53,160

skulls and Judah Kai man he's absolutely

334

00:17:59,540 --> 00:17:56,720

amazing new manna food storage

335

00:18:02,270 --> 00:17:59,550

absolutely amazing American company and

336

00:18:05,360 --> 00:18:02,280

of course barring optics

337

00:18:06,590 --> 00:18:05,370

ok so visit all of our sponsors that's

338

00:18:08,540 --> 00:18:06,600

how this show happens

339

00:18:11,150 --> 00:18:08,550

night after night week after week month

340

00:18:14,960 --> 00:18:11,160

after month year after year let's get

341

00:18:18,700 --> 00:18:14,970

this show crack right now today Chris

342

00:18:21,100 --> 00:18:18,710

Pratt is 39 years old

343

00:18:22,230 --> 00:18:21,110

now I gotta say I'm just gonna say I'm

344

00:18:24,970 --> 00:18:22,240

gonna say it

345

00:18:27,070 --> 00:18:24,980

guardians of the galaxy Jurassic world

346

00:18:29,320 --> 00:18:27,080

okay I haven't seen an Avengers infinity

347

00:18:31,480 --> 00:18:29,330

war but I hear it's absolutely amazing

348

00:18:34,720 --> 00:18:31,490

been trying to see it haven't been able

349

00:18:37,860 --> 00:18:34,730

to get in but guardians of the galaxy

350

00:18:40,810 --> 00:18:37,870

both of them one and two Groot right

351

00:18:44,890 --> 00:18:40,820

Chris Pratt today's thirty-nine also

352

00:18:48,460 --> 00:18:44,900

today wonder if he's listening Edward

353

00:18:52,320 --> 00:18:48,470

Snowden is just 35 years old

354

00:18:55,660 --> 00:18:52,330

Edwards no he got her done didn't he I

355

00:18:57,780 --> 00:18:55,670

the age of 35 incredible Wow I guess

356

00:19:04,350 --> 00:18:57,790

probably by the age of 30 he had already

357

00:19:11,410 --> 00:19:06,090

check this out

358

00:19:16,020 --> 00:19:11,420

i'ma stay a 7.7 earthquake near the

359

00:19:21,030 --> 00:19:16,030

Caspian Sea in in Iran kills more than

360

00:19:31,740 --> 00:19:25,510

135,000 on this day in 1990 now check

361

00:19:34,810 --> 00:19:31,750

this out in towns along 180 mile stretch

362

00:19:38,710 --> 00:19:34,820

every single building was reduced to

363

00:19:41,710 --> 00:19:38,720

rubble and every single resident was

364

00:19:47,440 --> 00:19:41,720

killed think about that

365

00:19:49,090 --> 00:19:47,450

on this day in 1990 Fader fact yep yep I

366

00:19:55,020 --> 00:19:49,100

don't know how I do it but check this

367

00:19:59,550 --> 00:19:55,030

out in 2015 a man dressed up as an

368

00:20:02,920 --> 00:19:59,560

armored truck driver right armored car

369

00:20:09,340 --> 00:20:02,930

walked into a Walmart tricked the

370

00:20:16,060 --> 00:20:09,350

employees signed a receipt for \$75,000

371

00:20:17,740 --> 00:20:16,070

cash walked out and was never caught now

372

00:20:23,590 --> 00:20:17,750

normally with the fate of I give you his

373

00:20:27,070 --> 00:20:23,600

name can't never got god that's an

374

00:20:29,619 --> 00:20:27,080

incredible that that

375

00:20:30,970 --> 00:20:29,629

it's an incredible story so the you know

376

00:20:33,009 --> 00:20:30,980

the other armored car drive you know

377

00:20:34,539 --> 00:20:33,019

they show up and you know later on that

378

00:20:36,009 --> 00:20:34,549

afternoon they were like we thought you

379

00:20:39,340 --> 00:20:36,019

all right no you guys were already here

380

00:20:41,379 --> 00:20:39,350

no we weren't I swear that's what

381

00:20:44,649 --> 00:20:41,389

happened otherwise they would have never

382

00:20:45,850 --> 00:20:44,659

found out pretty crazy there you go

383

00:20:47,979 --> 00:20:45,860

tonight it's Thursday

384

00:20:50,200 --> 00:20:47,989

it's Fator night Jon Rappoport is going

385

00:20:52,269 --> 00:20:50,210

to be here in a few short minutes with

386

00:20:54,039 --> 00:20:52,279

his no more fake newsroom live and

387

00:20:58,869 --> 00:20:54,049

that's it then we open up the phone

388

00:21:05,080 --> 00:20:58,879

lines all night long 3 2 3 a 2 5 5 0 4 5

389

00:21:06,940 --> 00:21:05,090

or 3 2 3 2 7 5 9 6 & 9 5 all right let

390

00:21:19,269 --> 00:21:06,950

me hit this coffee River moon coffee

391

00:21:22,090 --> 00:21:19,279

fade to black blend yeah dan Hooper you

392

00:21:28,229 --> 00:21:22,100

may not know Dan you will after I'm done

393

00:21:32,590 --> 00:21:28,239

Dan Hooper he's a senior Fermi National

394

00:21:37,200 --> 00:21:32,600

Accelerator Laboratory scientist that's

395

00:21:39,940 --> 00:21:37,210

right and Dan Hooper says that alien

396

00:21:43,109 --> 00:21:39,950

civilizations may be forced to capture

397

00:21:47,289 --> 00:21:43,119

stars and harness their energy using

398

00:21:50,830 --> 00:21:47,299

Dyson spheres yep they're gonna need

399

00:21:56,440 --> 00:21:50,840

those to keep themselves alive as the

400

00:22:00,269 --> 00:21:56,450

universe continues its expanse and that

401
00:22:02,649 --> 00:22:00,279
expansion is accelerated by dark energy

402
00:22:05,590 --> 00:22:02,659
we don't even know what dark energy is

403
00:22:09,249 --> 00:22:05,600
but apparently it's the opposite of

404
00:22:14,049 --> 00:22:09,259
gravity and it's spreading everything

405
00:22:16,539 --> 00:22:14,059
apart galaxies are being pushed away

406
00:22:21,989 --> 00:22:16,549
from each other I talk about this all

407
00:22:28,029 --> 00:22:21,999
the time now he just wrote a paper and

408
00:22:31,049 --> 00:22:28,039
that paper he says that the use of these

409
00:22:34,629 --> 00:22:31,059
mega structures known as Dyson spheres

410
00:22:37,210 --> 00:22:34,639
which may be built around stars will

411
00:22:40,899 --> 00:22:37,220
harvest their energy and this is the

412
00:22:43,649 --> 00:22:40,909
deal the mega structures around

413
00:22:45,999 --> 00:22:43,659

stars headline which started last year

414

00:22:47,680 --> 00:22:46,009

was repeated all around the world

415

00:22:50,039 --> 00:22:47,690

megastructures manga structures built

416

00:22:53,320 --> 00:22:50,049

around some mega structures right okay

417

00:22:59,440 --> 00:22:53,330

so he decided to publish a paper about

418

00:23:03,779 --> 00:22:59,450

it and I understand and he says that the

419

00:23:08,499 --> 00:23:03,789

Stars will also have to be shifted

420

00:23:11,739 --> 00:23:08,509

shifted from their path because wherever

421

00:23:15,419 --> 00:23:11,749

they are traveling to because et will

422

00:23:18,399 --> 00:23:15,429

have to grab every energy source it can

423

00:23:24,029 --> 00:23:18,409

before they get too far away because the

424

00:23:28,060 --> 00:23:24,039

end of the universe is expanding Cooper

425

00:23:31,899 --> 00:23:28,070

who is also a professor of astronomy at

426
00:23:36,519 --> 00:23:31,909
the University of Chicago also says and

427
00:23:40,330 --> 00:23:36,529
I'm quoting in order to maximize its

428
00:23:42,580 --> 00:23:40,340
access to usable energy a sufficiently

429
00:23:46,869 --> 00:23:42,590
advanced civilization would choose to

430
00:23:48,909 --> 00:23:46,879
expand rapidly outward bill dyson

431
00:23:51,310 --> 00:23:48,919
sphere's or similar structures around

432
00:23:53,440 --> 00:23:51,320
encountered stars and use the energy

433
00:23:56,080 --> 00:23:53,450
that is harnessed to accelerate those

434
00:23:59,070 --> 00:23:56,090
stars away from the approaching horizon

435
00:24:02,159 --> 00:23:59,080
and toward the center of the

436
00:24:05,560 --> 00:24:02,169
civilization end quote

437
00:24:07,450 --> 00:24:05,570
now I've stated this many many times

438
00:24:10,899 --> 00:24:07,460

both on fade to black and coast to coast

439

00:24:14,979 --> 00:24:10,909

am that our son is gonna die

440

00:24:18,879 --> 00:24:14,989

we know this all right but I want you to

441

00:24:20,409 --> 00:24:18,889

just understand it's not forever and I

442

00:24:22,810 --> 00:24:20,419

know that we understand it but we forget

443

00:24:27,279 --> 00:24:22,820

it because every single day the Sun

444

00:24:32,080 --> 00:24:27,289

rises and it's there but one day it's

445

00:24:35,950 --> 00:24:32,090

good to be gone and way before that

446

00:24:37,479 --> 00:24:35,960

happens we're gonna be gone we're not

447

00:24:41,560 --> 00:24:37,489

gonna be here not gonna be on this

448

00:24:46,450 --> 00:24:41,570

planet by the time the Sun Goes Away

449

00:24:49,239 --> 00:24:46,460

this planet will have been fried many

450

00:24:50,799 --> 00:24:49,249

many many many many times it's gonna be

451
00:24:52,149 --> 00:24:50,809
done it's gonna be toast everything in

452
00:24:54,220 --> 00:24:52,159
the solar system gonna be toast

453
00:24:56,980 --> 00:24:54,230
gonna be gone

454
00:25:00,490 --> 00:24:56,990
right so we are gonna be out there

455
00:25:03,700 --> 00:25:00,500
traveling the universe that's what you

456
00:25:07,150 --> 00:25:03,710
know we know when it starts to get you

457
00:25:09,370 --> 00:25:07,160
know for for maybe maybe a hundred years

458
00:25:10,930 --> 00:25:09,380
120 years at a stretch right and we

459
00:25:15,150 --> 00:25:10,940
right like at the hundred twentieth year

460
00:25:21,130 --> 00:25:15,160
of a hundred and fifty degrees a day and

461
00:25:23,590 --> 00:25:21,140
rising we know we got to go we got to go

462
00:25:25,260 --> 00:25:23,600
so we're gonna build some amazing ships

463
00:25:28,810 --> 00:25:25,270

and we're gonna put this entire

464

00:25:33,100 --> 00:25:28,820

population on this planet on ships and

465

00:25:35,560 --> 00:25:33,110

we are just gonna go gone we have to we

466

00:25:37,630 --> 00:25:35,570

can't stay we can't stay here we can't

467

00:25:41,650 --> 00:25:37,640

stay on Mars we can't stay I'm Venus

468

00:25:45,100 --> 00:25:41,660

can't stand Jupiter Uranus or Neptune

469

00:25:47,620 --> 00:25:45,110

can't do it Pluto can't do it mercury

470

00:25:51,370 --> 00:25:47,630

out of the question right so we're gonna

471

00:25:53,919 --> 00:25:51,380

be gone we're gonna be looking we're

472

00:25:55,810 --> 00:25:53,929

gonna be looking for something we're

473

00:25:58,560 --> 00:25:55,820

gonna be looking for anything because

474

00:26:01,690 --> 00:25:58,570

there's gonna be less and less of

475

00:26:06,960 --> 00:26:01,700

everything as time marches on because

476
00:26:11,220 --> 00:26:06,970
the universe is expanding eventually

477
00:26:15,880 --> 00:26:11,230
it'll appear to be empty void of

478
00:26:19,960 --> 00:26:15,890
everything it's gonna expand to the

479
00:26:23,440 --> 00:26:19,970
point where chasing down a star is gonna

480
00:26:27,870 --> 00:26:23,450
be a really big deal finding a star

481
00:26:32,580 --> 00:26:27,880
seeing a star is gonna be huge news

482
00:26:37,299 --> 00:26:32,590
because it's just going to spread apart

483
00:26:39,250 --> 00:26:37,309
well with that dawn Hooper continues

484
00:26:42,789 --> 00:26:39,260
with this because that's my thought but

485
00:26:46,260 --> 00:26:42,799
he continued my thought he says and I

486
00:26:48,490 --> 00:26:46,270
quote here over the next approximately

487
00:26:51,430 --> 00:26:48,500
100 billion years

488
00:26:54,070 --> 00:26:51,440

all the stars residing beyond the local

489

00:26:57,820 --> 00:26:54,080

group will fall beyond the cosmic

490

00:27:01,960 --> 00:26:57,830

horizon and become not only unobservable

491

00:27:04,090 --> 00:27:01,970

but entirely inaccessible thus limiting

492

00:27:07,840 --> 00:27:04,100

how much energy could one

493

00:27:10,720 --> 00:27:07,850

they'd be extracted from them when you

494

00:27:13,060 --> 00:27:10,730

think about it that's unquote this is me

495

00:27:16,750 --> 00:27:13,070

now when you think about it the sheer

496

00:27:19,060 --> 00:27:16,760

size of the known universe billions of

497

00:27:21,130 --> 00:27:19,070

light years to the edge of everything

498

00:27:23,740 --> 00:27:21,140

and the amount of civilizations out

499

00:27:25,840 --> 00:27:23,750

there who are far more advanced than us

500

00:27:29,140 --> 00:27:25,850

well they've already figured that out

501
00:27:32,680 --> 00:27:29,150
and they are probably snatching up stars

502
00:27:37,570 --> 00:27:32,690
right now that's right

503
00:27:42,000 --> 00:27:37,580
think about it imagine the OPEC of star

504
00:27:46,830 --> 00:27:42,010
energy right gas giants being bought

505
00:27:51,220 --> 00:27:46,840
sold traded and exported on the universe

506
00:27:52,630 --> 00:27:51,230
commodity exchange we're gonna be out

507
00:27:54,760 --> 00:27:52,640
there in our star cruisers right we're

508
00:27:56,649 --> 00:27:54,770
gonna pull up I'm gonna pull up to the

509
00:28:00,810 --> 00:27:56,659
universe commodity exchange in our

510
00:28:04,180 --> 00:28:00,820
gigantic earth to galaxy luxury liner

511
00:28:06,549 --> 00:28:04,190
excited to have found a way to fill up

512
00:28:11,279 --> 00:28:06,559
our tanks because we're running on dry

513
00:28:14,440 --> 00:28:11,289

well when we hear the sales pitch right

514

00:28:17,760 --> 00:28:14,450

blasting out to a group of aliens

515

00:28:20,680 --> 00:28:17,770

desperately seeking a way to survive and

516

00:28:25,240 --> 00:28:20,690

this is what we will hear over the

517

00:28:27,899 --> 00:28:25,250

Galactic PA system this young star comes

518

00:28:31,810 --> 00:28:27,909

complete with the first-class deluxe

519

00:28:34,690 --> 00:28:31,820

upgraded full Dyson Sphere package it's

520

00:28:37,480 --> 00:28:34,700

plug and play ready to go for your

521

00:28:41,620 --> 00:28:37,490

entire civilization to last another

522

00:28:45,430 --> 00:28:41,630

billion years that's right

523

00:28:50,500 --> 00:28:45,440

think about it it's probably going on

524

00:28:51,990 --> 00:28:50,510

right now as I speak to you so I I think

525

00:28:55,120 --> 00:28:52,000

we should I think we should do a

526

00:28:59,320 --> 00:28:55,130

GoFundMe we can do this man

527

00:29:01,270 --> 00:28:59,330

think about it let's do a GoFundMe so we

528

00:29:05,649 --> 00:29:01,280

can get our money together and let's go

529

00:29:07,470 --> 00:29:05,659

buy us a Dyson Sphere and we can keep on

530

00:29:11,289 --> 00:29:07,480

keeping on

531

00:29:13,899 --> 00:29:11,299

seriously this is fade to black I am

532

00:29:16,990 --> 00:29:13,909

your host Jimmy Church it's Thursday

533

00:29:17,590 --> 00:29:17,000

night it is fate or night which means in

534

00:29:20,440 --> 00:29:17,600

a couple of

535

00:29:23,640 --> 00:29:20,450

seconds Jon Rappoport is going to be

536

00:29:27,340 --> 00:29:23,650

here with us no more fake newsroom live

537

00:29:36,190 --> 00:29:27,350

followed by open lines all night long 3

538

00:29:37,990 --> 00:29:36,200

2 3 8 2 5 5 0 4 5 or 3 2 3 2 7 5 9 6 9 5

539

00:29:41,710 --> 00:29:38,000

euros Jimmy Church on the game changer

540

00:29:43,480 --> 00:29:41,720

network in kg ra the planet I'll be

541

00:29:43,830 --> 00:29:43,490

right back with Jon Rappoport stay with

542

00:30:12,490 --> 00:29:43,840

me

543

00:30:15,530 --> 00:30:12,500

[Music]

544

00:30:18,910 --> 00:30:15,540

you're listening to Jimmy Church fade to

545

00:30:32,660 --> 00:30:21,790

fade to black will now pause for a

546

00:30:35,150 --> 00:30:32,670

identification jgr a radio when you take

547

00:30:37,670 --> 00:30:35,160

the beams from Central America with

548

00:30:39,830 --> 00:30:37,680

dashes of indonesian and african mixed

549

00:30:41,390 --> 00:30:39,840

in and then roast it to the dark side of

550

00:30:44,650 --> 00:30:41,400

fade to black

551

00:30:47,690 --> 00:30:44,660

you create the ultimate brew of Fringe

552

00:30:50,810 --> 00:30:47,700

introducing the fade to black blend from

553

00:30:53,960 --> 00:30:50,820

River moon coffee yes River moons

554

00:30:56,090 --> 00:30:53,970

darkest customized roast was created for

555

00:30:59,150 --> 00:30:56,100

the love of fade to black

556

00:31:01,790 --> 00:30:59,160

the alchemy of masterful roasting and

557

00:31:05,360 --> 00:31:01,800

smoking the beans is in every sip of

558

00:31:08,360 --> 00:31:05,370

this full-bodied dark Java I need my

559

00:31:10,670 --> 00:31:08,370

coffee dog deep with distinct

560

00:31:13,400 --> 00:31:10,680

bittersweet chocolate highlights just

561

00:31:15,830 --> 00:31:13,410

like the bunker leaning further into the

562

00:31:19,100 --> 00:31:15,840

darkness of the roast is fade to black

563

00:31:20,780 --> 00:31:19,110

blend from river moon coffee just click

564

00:31:24,080 --> 00:31:20,790

on the banner at Jimmy Church radio.com

565

00:31:26,780 --> 00:31:24,090

and use the promo code F to B blend for

566

00:31:31,310 --> 00:31:26,790

15% off of your order today

567

00:31:33,230 --> 00:31:31,320

Gobekli Tepe what can I say about the

568

00:31:35,570 --> 00:31:33,240

most popular tea on the internet and

569

00:31:39,020 --> 00:31:35,580

what a customers say about life change

570

00:31:42,230 --> 00:31:39,030

teat and get the tea calm a lot but by

571

00:31:44,660 --> 00:31:42,240

federal law we get the t.com cannot make

572

00:31:46,880 --> 00:31:44,670

claims to how this product can enhance

573

00:31:48,910 --> 00:31:46,890

your health we cannot even post our

574

00:31:52,280 --> 00:31:48,920

testimonies without being in compliance

575

00:31:54,590 --> 00:31:52,290

so how do we get past the hump try our

576
00:31:55,430 --> 00:31:54,600
products that get the tea calm and see

577
00:31:58,820 --> 00:31:55,440
for yourself

578
00:32:00,610 --> 00:31:58,830
you can send us a testimony but we just

579
00:32:04,550 --> 00:32:00,620
can't post it bumper

580
00:32:06,230 --> 00:32:04,560
our products are GMO free and organic we

581
00:32:08,630 --> 00:32:06,240
pride ourself in being the best we can

582
00:32:11,660 --> 00:32:08,640
be and we urge you to take charge of

583
00:32:13,550 --> 00:32:11,670
your health we're loving your strong and

584
00:32:15,470 --> 00:32:13,560
many of our customers have shared their

585
00:32:17,090 --> 00:32:15,480
successes with friends and family

586
00:32:19,910 --> 00:32:17,100
protect your colon

587
00:32:22,220 --> 00:32:19,920
log on to get the tea calm that's get

588
00:32:34,250 --> 00:32:22,230

the t-dot-com

589

00:32:39,700 --> 00:32:34,260

geneticists agreed fade to black

590

00:32:43,000 --> 00:32:39,710

is not your father's radio show on the

591

00:32:50,360 --> 00:32:43,010

game-changer Radio Network and que GRA

592

00:32:51,980 --> 00:32:50,370

the planet KCRA this summer tickets and

593

00:32:54,169 --> 00:32:51,990

602
00:33:18,930 --> 00:33:16,139
[Music]

603
00:33:21,180 --> 00:33:18,940
hi this is Rob Reiner from anvil and

604
00:33:34,169 --> 00:33:21,190
you're listening to Jimmy George radio

605
00:33:37,200 --> 00:33:34,179
calm and now coming to you from the no

606
00:33:39,930 --> 00:33:37,210
more fake newsroom in deep space which

607
00:33:42,119 --> 00:33:39,940
is the space that we suspect to be true

608
00:33:44,220 --> 00:33:42,129
that the world let's it is fed to us

609
00:33:48,359 --> 00:33:44,230
every day by the Ministry of Truth is a

610
00:33:51,060 --> 00:33:48,369
lie a false reality a movie projected on

611
00:33:53,519 --> 00:33:51,070
the screen of our subconscious this

612
00:33:56,129 --> 00:33:53,529
however is the breakout all the streets

613
00:34:00,570 --> 00:33:56,139

crash they all go down and we see the

614

00:34:02,970 --> 00:34:00,580

light of day a new day no more robots no

615

00:34:05,730 --> 00:34:02,980

more Android it's the no more fake

616

00:34:08,700 --> 00:34:05,740

newsroom with John wrap aboard

617

00:34:13,889 --> 00:34:08,710

take it away John Thank You Jenny thank

618

00:34:20,669 --> 00:34:13,899

you very good to be here folks the

619

00:34:23,220 --> 00:34:20,679

volcano in Hawaii so last night for two

620

00:34:24,000 --> 00:34:23,230

hours I was on coast-to-coast am with

621

00:34:27,180 --> 00:34:24,010

George Noory

622

00:34:33,240 --> 00:34:27,190

and one of the stories that I covered

623

00:34:38,809 --> 00:34:33,250

was the eruption of the Kilauea volcano

624

00:34:43,230 --> 00:34:38,819

on the Big Island of Hawaii and a caller

625

00:34:47,250 --> 00:34:43,240

came in in the second hour going to

626
00:34:54,109 --> 00:34:47,260
paraphrase what she says not in the way

627
00:34:58,260 --> 00:34:54,119
of a news report but just to lay her

628
00:35:02,190 --> 00:34:58,270
story out so that particularly those of

629
00:35:08,880 --> 00:35:02,200
you who live on the Big Island or in

630
00:35:11,520 --> 00:35:08,890
Hawaii can think about this and if you

631
00:35:12,440 --> 00:35:11,530
have your own observations and so on and

632
00:35:16,280 --> 00:35:12,450
so forth

633
00:35:20,240 --> 00:35:16,290
print them somewhere post them somewhere

634
00:35:23,849 --> 00:35:20,250
make your own story known because

635
00:35:28,290 --> 00:35:23,859
there's a lot more to this eruption than

636
00:35:30,780 --> 00:35:28,300
the press is leading you to believe

637
00:35:32,730 --> 00:35:30,790
basically what she said was this that

638
00:35:40,760 --> 00:35:32,740

she had lived out there for a very long

639

00:35:46,400 --> 00:35:40,770

time near the volcano near the

640

00:35:51,960 --> 00:35:46,410

geothermal facility the Puna facility

641

00:35:55,410 --> 00:35:51,970

which is on the volcano and she said

642

00:35:59,850 --> 00:35:55,420

that my analysis of fracking which I

643

00:36:04,710 --> 00:35:59,860

will go into in a moment as a potential

644

00:36:10,230 --> 00:36:04,720

cause contributing cause what have you

645

00:36:14,640 --> 00:36:10,240

to the eruption was correct she said two

646

00:36:17,790 --> 00:36:14,650

more things that in the past when there

647

00:36:22,110 --> 00:36:17,800

have been serious problems were crises

648

00:36:26,850 --> 00:36:22,120

at the geothermal facility in Pune she

649

00:36:32,870 --> 00:36:26,860

saw military troops guarding the

650

00:36:37,350 --> 00:36:32,880

facility and if true that's a strange

651

00:36:39,420 --> 00:36:37,360

situation why would there be military

652

00:36:43,980 --> 00:36:39,430

troops guarding the facility during a

653

00:36:48,030 --> 00:36:43,990

crisis the second thing she said was

654

00:36:50,010 --> 00:36:48,040

even further out she said she spoke to

655

00:36:51,870 --> 00:36:50,020

someone who worked at the facility and

656

00:36:58,110 --> 00:36:51,880

he said you have no idea what's actually

657

00:37:03,180 --> 00:36:58,120

going on here we are putting frequencies

658

00:37:08,160 --> 00:37:03,190

into the earth with the implication that

659

00:37:14,010 --> 00:37:08,170

these frequencies cause disruptions in

660

00:37:17,850 --> 00:37:14,020

the underground earth the implication

661

00:37:22,490 --> 00:37:17,860

being that somehow this geothermal plant

662

00:37:26,610 --> 00:37:22,500

is operating to some degree as a

663

00:37:32,370 --> 00:37:26,620

military facility a weapons facility or

664

00:37:35,160 --> 00:37:32,380

a weapons testing facility now I don't

665

00:37:37,740 --> 00:37:35,170

know whether any of this is true so

666

00:37:40,380 --> 00:37:37,750

again I'm not labeling this a news

667

00:37:42,109 --> 00:37:40,390

report but I'm putting it out there

668

00:37:47,359 --> 00:37:42,119

particularly for people who

669

00:37:49,789 --> 00:37:47,369

live in Hawaii so that they can be

670

00:37:54,890 --> 00:37:49,799

stimulated to make their own remarks and

671

00:38:00,410 --> 00:37:54,900

post them print them write them speak

672

00:38:06,109 --> 00:38:00,420

them to see what's what what's actually

673

00:38:11,120 --> 00:38:06,119

going on out there so that's phase one

674

00:38:14,029 --> 00:38:11,130

of what I have to say tonight phase two

675

00:38:18,130 --> 00:38:14,039

is to review what I've reported here on

676
00:38:24,589 --> 00:38:18,140
the show before and in print in my own

677
00:38:29,480 --> 00:38:24,599
articles at no more fake news the press

678
00:38:31,670 --> 00:38:29,490
is not covering and I'm talking about

679
00:38:34,370 --> 00:38:31,680
the mainstream press here and most of

680
00:38:37,099 --> 00:38:34,380
the alternative press with the exception

681
00:38:41,390 --> 00:38:37,109
of only one or two reporters that I'm

682
00:38:45,680 --> 00:38:41,400
aware of that fracking may play a role

683
00:38:51,229 --> 00:38:45,690
in the eruption of the volcano on the

684
00:38:57,109 --> 00:38:51,239
Big Island what is fracking well we have

685
00:39:00,769 --> 00:38:57,119
to take a simplified version fracking is

686
00:39:04,249 --> 00:39:00,779
when you drill deep into the core of the

687
00:39:10,940 --> 00:39:04,259
earth and you put liquid down there any

688
00:39:13,489 --> 00:39:10,950

kind of liquid add pressure in the case

689

00:39:16,849 --> 00:39:13,499

of oil or natural gas fracking you would

690

00:39:20,150 --> 00:39:16,859

be putting chemicals down there in the

691

00:39:23,029 --> 00:39:20,160

case of geothermal energy you want to

692

00:39:29,410 --> 00:39:23,039

bring up heat so you're shooting water

693

00:39:34,099 --> 00:39:29,420

down there which traps or gains heat

694

00:39:37,309 --> 00:39:34,109

brings that back up and the steam is

695

00:39:40,400 --> 00:39:37,319

used with turbines generators to produce

696

00:39:42,920 --> 00:39:40,410

a significant amount of power and

697

00:39:47,450 --> 00:39:42,930

electricity somewhere on the order of

698

00:39:51,920 --> 00:39:47,460

20% of the Big Island's power that's

699

00:39:55,819 --> 00:39:51,930

fracking the drilling and the insertion

700

00:39:56,530 --> 00:39:55,829

at pressure of liquid down into the

701
00:40:01,820 --> 00:39:56,540
earth

702
00:40:06,950 --> 00:40:01,830
which is admitted by a variety of

703
00:40:10,670 --> 00:40:06,960
sources as causing earthquakes so we

704
00:40:16,670 --> 00:40:10,680
have the Pune geothermal venture PGV

705
00:40:20,140 --> 00:40:16,680
plant in Pune situated on the Kilauea

706
00:40:27,020 --> 00:40:20,150
volcano how could this be a good idea

707
00:40:34,100 --> 00:40:27,030
it's been operating since 1993 how could

708
00:40:38,330 --> 00:40:34,110
this be a good idea and in December of

709
00:40:41,650 --> 00:40:38,340
2009 a city in Switzerland Basel City

710
00:40:46,100 --> 00:40:41,660
canceled a geothermal energy project

711
00:40:51,560 --> 00:40:46,110
because earthquakes were being caused a

712
00:40:57,980 --> 00:40:51,570
number of earthquakes and damage was

713
00:41:02,870 --> 00:40:57,990

incurred from the earthquakes I quoted

714

00:41:06,580 --> 00:41:02,880

this article from the Swiss press this

715

00:41:09,160 --> 00:41:06,590

study concluded that Basel was

716

00:41:19,630 --> 00:41:09,170

unfavourable for geothermal power

717

00:41:27,010 --> 00:41:23,870

all right then we have an article from

718

00:41:29,810 --> 00:41:27,020

The Guardian July 11 2013

719

00:41:32,240 --> 00:41:29,820

quote pumping water underground that

720

00:41:36,020 --> 00:41:32,250

geothermal power plants can lead to

721

00:41:42,280 --> 00:41:36,030

dangerous dangerous earthquakes even in

722

00:41:45,890 --> 00:41:42,290

regions not prone to tremors I'm

723

00:41:47,630 --> 00:41:45,900

scrolling down here it's already known

724

00:41:50,420 --> 00:41:47,640

that pumping large quantities of water

725

00:41:53,720 --> 00:41:50,430

underground can induce minor earthquakes

726

00:41:57,260 --> 00:41:53,730

near two geothermal power generation and

727

00:41:59,870 --> 00:41:57,270

fracking sites however new evidence

728

00:42:03,670 --> 00:41:59,880

reveals the potential for much larger

729

00:42:06,890 --> 00:42:03,680

earthquakes of magnitude four or five

730

00:42:09,680 --> 00:42:06,900

related to the weakening of pre-existing

731

00:42:13,640 --> 00:42:09,690

underground faults through

732

00:42:21,200 --> 00:42:13,650

increased fluid pressure pressure from

733

00:42:27,230 --> 00:42:21,210

the insertion of liquid and I continue

734

00:42:31,000 --> 00:42:27,240

to go and quote this article this can

735

00:42:34,790 --> 00:42:31,010

trigger seismicity in seismically active

736

00:42:42,890 --> 00:42:34,800

areas such as volcanoes where there is

737

00:42:45,860 --> 00:42:42,900

already a high fluid pressure so the

738

00:42:50,780 --> 00:42:45,870

evidence is there we don't have to go

739

00:42:54,320 --> 00:42:50,790

looking for it that fracking as I've

740

00:42:59,390 --> 00:42:54,330

defined it here does indeed cause

741

00:43:05,720 --> 00:42:59,400

earthquakes so why in the world would

742

00:43:09,020 --> 00:43:05,730

you want to stimulate a volcano by

743

00:43:13,790 --> 00:43:09,030

locating a geothermal production

744

00:43:21,520 --> 00:43:13,800

facility on the earthquake I mean on the

745

00:43:25,010 --> 00:43:21,530

volcano now I found an article from a

746

00:43:26,830 --> 00:43:25,020

mainstream newspaper out in Hawaii which

747

00:43:32,150 --> 00:43:26,840

I won't bother to quote but I'll

748

00:43:38,590 --> 00:43:32,160

describe it basically indicating and

749

00:43:47,270 --> 00:43:38,600

this is a recent article that there is a

750

00:43:49,460 --> 00:43:47,280

protest significant protest that is

751
00:43:53,330 --> 00:43:49,470
happening now about the geothermal

752
00:43:57,590 --> 00:43:53,340
facility given the fact that the Kilauea

753
00:44:00,110 --> 00:43:57,600
volcano has erupted but the article kind

754
00:44:03,040 --> 00:44:00,120
of weasels around and doesn't mention

755
00:44:06,260 --> 00:44:03,050
fracking what it mentions is past

756
00:44:09,190 --> 00:44:06,270
incidents where there has been a release

757
00:44:13,910 --> 00:44:09,200
of gases around the geothermal plant

758
00:44:18,740 --> 00:44:13,920
hydrogen sulfide a toxic gas and how

759
00:44:21,190 --> 00:44:18,750
homeowners have protested etc etc but

760
00:44:23,359 --> 00:44:21,200
reading between the lines you can see

761
00:44:29,739 --> 00:44:23,369
especially in view of what I'm talking

762
00:44:37,940 --> 00:44:29,749
about here that tracking is an issue a

763
00:44:40,989 --> 00:44:37,950

major major issue now why is the

764

00:44:47,239 --> 00:44:40,999

mainstream press so silent about this

765

00:44:51,230 --> 00:44:47,249

well fracking which we know is now being

766

00:44:53,960 --> 00:44:51,240

used to bring up oil natural gas not

767

00:44:56,859 --> 00:44:53,970

only in the US but other places around

768

00:45:00,950 --> 00:44:56,869

the world is a multi-billion dollar

769

00:45:07,279 --> 00:45:00,960

operation in terms of sales of the

770

00:45:11,980 --> 00:45:07,289

product and if it were shown or even

771

00:45:15,349 --> 00:45:11,990

suspected that the giant eruption of

772

00:45:18,769 --> 00:45:15,359

Kilauea Volcano right now which is

773

00:45:20,539 --> 00:45:18,779

tearing away trunks chunks of the Big

774

00:45:24,650 --> 00:45:20,549

Island and replacing them with new

775

00:45:30,140 --> 00:45:24,660

chunks and causing massive evacuations

776

00:45:33,019 --> 00:45:30,150

and basically overrunning the island if

777

00:45:37,339 --> 00:45:33,029

it were known or even suspected that

778

00:45:39,950 --> 00:45:37,349

fracking was the cause think of what

779

00:45:44,450 --> 00:45:39,960

that would do to this multi-billion

780

00:45:50,359 --> 00:45:44,460

dollar industry of recovering natural

781

00:45:52,249 --> 00:45:50,369

gas and oil what other explanation would

782

00:45:57,710 --> 00:45:52,259

there be for the silence of the

783

00:46:00,440 --> 00:45:57,720

mainstream press the scientific analysis

784

00:46:05,630 --> 00:46:00,450

has been done the circumstantial

785

00:46:11,120 --> 00:46:05,640

evidence is there fracking does cause

786

00:46:18,019 --> 00:46:11,130

earthquakes try to find a geologists who

787

00:46:21,559 --> 00:46:18,029

would say that causing earthquakes on or

788

00:46:29,650 --> 00:46:21,569

under a volcano is a good idea an active

789

00:46:37,269 --> 00:46:33,089

so you would expect that any

790

00:46:41,349 --> 00:46:37,279

self-respecting media outlet news outlet

791

00:46:46,079 --> 00:46:41,359

print or television or radio would be

792

00:46:49,240 --> 00:46:46,089

looking into this and mentioning it

793

00:46:52,920 --> 00:46:49,250

speculating reporting getting quotes at

794

00:46:56,559 --> 00:46:52,930

cetera cetera but it's not happening

795

00:46:58,990 --> 00:46:56,569

it's not even close to happening there

796

00:47:05,349 --> 00:46:59,000

is a virtual media blackout on this

797

00:47:08,170 --> 00:47:05,359

aspect of the story now to get back to

798

00:47:12,190 --> 00:47:08,180

the caller last night on coast-to-coast

799

00:47:15,430 --> 00:47:12,200

am with George Murray if any part of

800

00:47:18,759 --> 00:47:15,440

what she is saying is true the scandal

801
00:47:22,769 --> 00:47:18,769
would escalate to even higher levels

802
00:47:28,240 --> 00:47:22,779
much higher levels I have no idea

803
00:47:30,039 --> 00:47:28,250
whether her report is factual or not she

804
00:47:35,319 --> 00:47:30,049
was obviously sincere in what she was

805
00:47:39,279 --> 00:47:35,329
saying and I would expect that other

806
00:47:42,999 --> 00:47:39,289
people who live around the puna

807
00:47:45,549 --> 00:47:43,009
geothermal facility and have been living

808
00:47:47,529 --> 00:47:45,559
there for a long time have their own

809
00:47:50,289 --> 00:47:47,539
observations of what's been going on

810
00:47:53,289 --> 00:47:50,299
there and perhaps they too have been

811
00:47:55,599 --> 00:47:53,299
talking to people who work at the puna

812
00:47:58,599 --> 00:47:55,609
geothermal facility so what have they

813
00:48:03,059 --> 00:47:58,609

observed these residents out there on

814

00:48:06,370 --> 00:48:03,069

the Big Island what have they been told

815

00:48:09,519 --> 00:48:06,380

there are activist groups out there in

816

00:48:14,259 --> 00:48:09,529

fact who for their own reasons have been

817

00:48:17,200 --> 00:48:14,269

protesting geothermal activity in this

818

00:48:21,249 --> 00:48:17,210

plant in this facility since it went

819

00:48:23,230 --> 00:48:21,259

online in 1993 they certainly have heard

820

00:48:28,079 --> 00:48:23,240

stories they certainly have done their

821

00:48:35,380 --> 00:48:31,120

have there been military troops in the

822

00:48:41,440 --> 00:48:35,390

area that would be remarkable in and of

823

00:48:43,000 --> 00:48:41,450

itself why is this in some way a quote

824

00:48:46,930 --> 00:48:43,010

national

825

00:48:54,520 --> 00:48:46,940

security issue that has to be kept under

826

00:49:00,520 --> 00:48:54,530

wraps these are highly significant

827

00:49:03,820 --> 00:49:00,530

questions even when asked when there

828

00:49:07,530 --> 00:49:03,830

wasn't a volcanic eruption but there is

829

00:49:10,150 --> 00:49:07,540

and it's far from over

830

00:49:15,940 --> 00:49:10,160

I've read accounts that there have been

831

00:49:19,420 --> 00:49:15,950

at least 300 earthquakes since the

832

00:49:27,850 --> 00:49:19,430

Kilauea volcano began to go super live

833

00:49:29,770 --> 00:49:27,860

recently now for most people it's simply

834

00:49:32,740 --> 00:49:29,780

a matter of saying well we knew this was

835

00:49:36,310 --> 00:49:32,750

eventually going to happen we're talking

836

00:49:39,880 --> 00:49:36,320

about an active volcano it has been

837

00:49:43,510 --> 00:49:39,890

producing lava for a long time so it's

838

00:49:47,500 --> 00:49:43,520

not a giant surprise everybody on the

839

00:49:51,520 --> 00:49:47,510

Big Island knows they live next to an

840

00:49:53,950 --> 00:49:51,530

active volcano and there is always

841

00:49:55,780 --> 00:49:53,960

they've always known there's a danger

842

00:49:59,550 --> 00:49:55,790

that they might have to evacuate they

843

00:50:06,190 --> 00:49:59,560

might lose their homes etc cetera but

844

00:50:12,670 --> 00:50:06,200

that's not a good enough explanation not

845

00:50:16,960 --> 00:50:12,680

when you factor in the fracking think

846

00:50:22,060 --> 00:50:16,970

about it a volcano is automatically an

847

00:50:29,460 --> 00:50:22,070

earthquake zone now somebody sets out to

848

00:50:39,100 --> 00:50:32,860

for-profit process a process of

849

00:50:44,620 --> 00:50:39,110

extracting energy that inevitably

850

00:50:48,820 --> 00:50:44,630

entails fracturing rocks rock formations

851
00:50:52,990 --> 00:50:48,830
in all sorts of ways by drilling and

852
00:50:56,740 --> 00:50:53,000
then injecting at pressure liquid down

853
00:51:00,840 --> 00:50:56,750
into deep deep deep areas

854
00:51:08,500 --> 00:51:00,850
underground that's the straightforward

855
00:51:10,900 --> 00:51:08,510
simplicity of it and to simply explain

856
00:51:13,350 --> 00:51:10,910
this all away without factoring that in

857
00:51:18,490 --> 00:51:13,360
would be ridiculous

858
00:51:21,970 --> 00:51:18,500
absolutely ridiculous it would be like

859
00:51:26,260 --> 00:51:21,980
saying that if you inject humans with

860
00:51:30,190 --> 00:51:26,270
toxic chemicals that you wouldn't expect

861
00:51:36,520 --> 00:51:30,200
any adverse consequences well of course

862
00:51:38,980 --> 00:51:36,530
you would and in the exact same way when

863
00:51:41,350 --> 00:51:38,990

you mess around with Mother Nature in an

864

00:51:45,960 --> 00:51:41,360

earthquake zone you would expect there

865

00:51:50,680 --> 00:51:45,970

to be consequences if you are injecting

866

00:51:57,100 --> 00:51:50,690

pressure that fractures rock formations

867

00:52:02,160 --> 00:51:57,110

that are already unstable so there is no

868

00:52:08,620 --> 00:52:04,690

stories have been floated by the press

869

00:52:12,310 --> 00:52:08,630

on far slimmer evidence believe me if

870

00:52:15,370 --> 00:52:12,320

you don't know that already so the only

871

00:52:19,480 --> 00:52:15,380

explanation that I can give for media

872

00:52:27,070 --> 00:52:19,490

silence on this is that there is too

873

00:52:29,650 --> 00:52:27,080

much at stake for elite corporations who

874

00:52:32,970 --> 00:52:29,660

are using tracking all over the place in

875

00:52:38,980 --> 00:52:32,980

order to extract oil and natural gas and

876
00:52:41,110 --> 00:52:38,990
are causing earthquakes we know this the

877
00:52:45,160 --> 00:52:41,120
article that I quoted from Basel City

878
00:52:48,180 --> 00:52:45,170
and Switzerland is proof positive that

879
00:52:51,730 --> 00:52:48,190
sensible people will stop this kind of

880
00:52:54,790 --> 00:52:51,740
geothermal fracking when earthquakes and

881
00:52:57,880 --> 00:52:54,800
damage result and when they know that if

882
00:53:02,980 --> 00:52:57,890
they keep on the earthquakes are only

883
00:53:06,040 --> 00:53:02,990
going to get bigger so this is yet

884
00:53:08,200 --> 00:53:06,050
another incident of a media blackout

885
00:53:10,270 --> 00:53:08,210
that's what we're looking at here folks

886
00:53:13,360 --> 00:53:10,280
and there is far more

887
00:53:15,490 --> 00:53:13,370
or to this story and I'm giving you

888
00:53:19,420 --> 00:53:15,500

everything that I can find on it and

889

00:53:21,160 --> 00:53:19,430

that's my report for tonight I think

890

00:53:22,780 --> 00:53:21,170

maybe Jimmy would like to weigh in and

891

00:53:26,770 --> 00:53:22,790

we can go back and forth for a couple

892

00:53:31,840 --> 00:53:26,780

minutes here yeah John the question that

893

00:53:36,970 --> 00:53:31,850

I have I as far as I know I don't

894

00:53:39,640 --> 00:53:36,980

is there any oil in Hawaii right not

895

00:53:42,700 --> 00:53:39,650

that I know has nothing to do with oil

896

00:53:46,990 --> 00:53:42,710

right I mean and so fracking here in the

897

00:53:50,170 --> 00:53:47,000

United States is used to extract energy

898

00:53:53,500 --> 00:53:50,180

sources oil and and shale and and and

899

00:53:54,760 --> 00:53:53,510

and how they induce that and get it out

900

00:53:56,530 --> 00:53:54,770

of the ground and it's causing the

901
00:54:00,270 --> 00:53:56,540
earthquakes in Texas and Oklahoma and

902
00:54:04,630 --> 00:54:00,280
Kansas and so forth why frack in Hawaii

903
00:54:10,540 --> 00:54:04,640
because there is heat under a volcano

904
00:54:13,240 --> 00:54:10,550
and when you send down water under

905
00:54:16,410 --> 00:54:13,250
pressure you will bring up hot water and

906
00:54:19,870 --> 00:54:16,420
steam exactly what a nuclear power plant

907
00:54:22,960 --> 00:54:19,880
produces that's all nuclear power plants

908
00:54:25,810 --> 00:54:22,970
are for is to produce hot steam right

909
00:54:28,380 --> 00:54:25,820
that is then used in conjunction with

910
00:54:31,090 --> 00:54:28,390
turbines and generators to produce

911
00:54:33,370 --> 00:54:31,100
electricity well and this is where I'm

912
00:54:38,350 --> 00:54:33,380
going with this the fracking hearing

913
00:54:40,210 --> 00:54:38,360

which it's just a bad idea first off it

914

00:54:42,970 --> 00:54:40,220

just doesn't make sense a mother nature

915

00:54:47,110 --> 00:54:42,980

will correct itself you know it's that's

916

00:54:49,360 --> 00:54:47,120

what's going on but it seems that frack

917

00:54:51,640 --> 00:54:49,370

there could be another way to get to the

918

00:54:56,470 --> 00:54:51,650

thermal energy that they're trying to

919

00:54:58,780 --> 00:54:56,480

get to without fracking it just doesn't

920

00:55:04,450 --> 00:54:58,790

make any sense to me I don't understand

921

00:55:06,970 --> 00:55:04,460

why fracking is so easy for them to use

922

00:55:08,740 --> 00:55:06,980

that as always the first choice you know

923

00:55:10,120 --> 00:55:08,750

whether it's here in the mainland or out

924

00:55:12,850 --> 00:55:10,130

there in Hawaii and out there in Hawaii

925

00:55:14,770 --> 00:55:12,860

it's not for oil its to to get to the

926

00:55:16,180 --> 00:55:14,780

thermal energy which I understand I

927

00:55:19,060 --> 00:55:16,190

understand the whole principles behind

928

00:55:21,370 --> 00:55:19,070

that and turning turbines and and

929

00:55:22,750 --> 00:55:21,380

generating steam I get that but there's

930

00:55:25,870 --> 00:55:22,760

got to be an easier

931

00:55:28,630 --> 00:55:25,880

better way to do it it says though I

932

00:55:31,830 --> 00:55:28,640

don't know if there is one I mean you're

933

00:55:36,430 --> 00:55:31,840

looking at heat that is trapped

934

00:55:39,600 --> 00:55:36,440

underground deep underground because if

935

00:55:43,720 --> 00:55:39,610

it weren't trapped you would see on a

936

00:55:47,980 --> 00:55:43,730

ongoing basis roads buckling houses

937

00:55:51,070 --> 00:55:47,990

collapsing if that heat just easily

938

00:55:53,440 --> 00:55:51,080

could come to the surface on its own or

939

00:55:55,690 --> 00:55:53,450

by some simple process

940

00:55:57,610 --> 00:55:55,700

you know you kind of like high heat come

941

00:55:59,880 --> 00:55:57,620

on up come on we're just digging a hole

942

00:56:01,930 --> 00:55:59,890

and now you can come up on your own and

943

00:56:06,550 --> 00:56:01,940

we'll capture you

944

00:56:08,950 --> 00:56:06,560

if that were possible so easily you know

945

00:56:11,800 --> 00:56:08,960

nobody would be able to live around that

946

00:56:15,210 --> 00:56:11,810

volcano everything would collapse

947

00:56:17,890 --> 00:56:15,220

so it's necessary to do something

948

00:56:22,440 --> 00:56:17,900

aggressive in order to bring back that

949

00:56:26,170 --> 00:56:22,450

heat up to the surface and this is for

950

00:56:28,990 --> 00:56:26,180

generating electricity in Hawaii if

951
00:56:30,970 --> 00:56:29,000
they're not exporting the electricity to

952
00:56:33,330 --> 00:56:30,980
the mainland they're not doing you know

953
00:56:36,160 --> 00:56:33,340
they're not sending electricity to Guam

954
00:56:39,370 --> 00:56:36,170
right no but they're producing something

955
00:56:42,130 --> 00:56:39,380
on the order of 25 percent of the

956
00:56:45,850 --> 00:56:42,140
electricity for the big island with this

957
00:56:47,620 --> 00:56:45,860
one geothermal facility right so it's

958
00:56:50,440 --> 00:56:47,630
significant this is not just a little

959
00:56:53,190 --> 00:56:50,450
pilot project no I understand again I

960
00:56:55,990 --> 00:56:53,200
understand it just seems that with a

961
00:56:58,930 --> 00:56:56,000
it's not that large of a population that

962
00:57:03,280 --> 00:56:58,940
there must be an alternative here and

963
00:57:06,580 --> 00:57:03,290

instead they're destroying homes and

964

00:57:09,430 --> 00:57:06,590

lives and upsetting this volcano that

965

00:57:11,350 --> 00:57:09,440

and the people in Hawaii understand that

966

00:57:14,140 --> 00:57:11,360

they live on a volcano you're you're

967

00:57:17,560 --> 00:57:14,150

taking chances by living there but why

968

00:57:19,780 --> 00:57:17,570

tip the scales and and and and increase

969

00:57:22,450 --> 00:57:19,790

the odds of something really bad

970

00:57:24,580 --> 00:57:22,460

happening like it is now I just don't

971

00:57:27,690 --> 00:57:24,590

understand it no kidding

972

00:57:30,730 --> 00:57:27,700

yeah it doesn't make any sense I mean

973

00:57:32,950 --> 00:57:30,740

it's like a bunch of geologists go out

974

00:57:34,990 --> 00:57:32,960

there and they say okay so we want to

975

00:57:38,020 --> 00:57:35,000

produce steam and

976
00:57:40,030 --> 00:57:38,030
therefore electricity so let's use a

977
00:57:44,050 --> 00:57:40,040
method that's gonna cause earthquakes

978
00:57:48,520 --> 00:57:44,060
and hey let's build a facility right on

979
00:57:51,220 --> 00:57:48,530
an active volcano I saw the you saw the

980
00:57:57,340 --> 00:57:51,230
lava flow right that fissure that went

981
00:58:01,510 --> 00:57:57,350
right up to the edge yeah it's an

982
00:58:04,570 --> 00:58:01,520
unbelievable situation and the people of

983
00:58:07,090 --> 00:58:04,580
Hawaii have every reason to be upset and

984
00:58:08,920 --> 00:58:07,100
they should be screaming but they also

985
00:58:12,970 --> 00:58:08,930
understand that they live on a volcano

986
00:58:15,580 --> 00:58:12,980
so there's this this a young and yang

987
00:58:17,620 --> 00:58:15,590
thing they're taking they could be a lot

988
00:58:19,870 --> 00:58:17,630

more outraged than they are but they do

989

00:58:22,120 --> 00:58:19,880

understand that they live on a volcano

990

00:58:24,940 --> 00:58:22,130

and things can happen but it seems that

991

00:58:26,890 --> 00:58:24,950

we are forcing these things to happen

992

00:58:28,840 --> 00:58:26,900

and they probably wouldn't have happened

993

00:58:31,780 --> 00:58:28,850

or at least the magnitude that they are

994

00:58:34,590 --> 00:58:31,790

if we weren't there fracking and that's

995

00:58:37,900 --> 00:58:34,600

my point though here's one other factor

996

00:58:41,350 --> 00:58:37,910

you know two buildings at the geothermal

997

00:58:44,080 --> 00:58:41,360

facility have already been destroyed the

998

00:58:47,380 --> 00:58:44,090

facility has shut down its production

999

00:58:50,500 --> 00:58:47,390

right it may never reopen again right

1000

00:58:52,540 --> 00:58:50,510

and all of this was known to the

1001
00:58:54,310 --> 00:58:52,550
scientists and geologists when they

1002
00:58:57,970 --> 00:58:54,320
built the facility that this could

1003
00:59:01,210 --> 00:58:57,980
definitely happen so there's also self

1004
00:59:03,850 --> 00:59:01,220
destruction involved here and so the

1005
00:59:08,020 --> 00:59:03,860
facility itself yes that's right and the

1006
00:59:10,840 --> 00:59:08,030
investment is gone yeah my investment is

1007
00:59:13,990 --> 00:59:10,850
gone they're insured up to a hundred

1008
00:59:17,440 --> 00:59:14,000
billion dollars which to me sounds like

1009
00:59:21,130 --> 00:59:17,450
a drop in the bucket as far as the you

1010
00:59:22,330 --> 00:59:21,140
know the cost of having the facility

1011
00:59:24,660 --> 00:59:22,340
there in the first place

1012
00:59:29,020 --> 00:59:24,670
it's an unbelievable situation

1013
00:59:31,630 --> 00:59:29,030

unbelievable Edie we've been planning a

1014

00:59:33,160 --> 00:59:31,640

trip to Hawaii you know my daughter the

1015

00:59:37,690 --> 00:59:33,170

other day in the car when are we going

1016

00:59:39,280 --> 00:59:37,700

when are we going and and I just I want

1017

00:59:41,110 --> 00:59:39,290

to go out there and I want to see this

1018

00:59:42,940 --> 00:59:41,120

for myself and I want to talk to the

1019

00:59:45,400 --> 00:59:42,950

people out there I really really do I

1020

00:59:48,800 --> 00:59:45,410

feel man you know and it's just

1021

00:59:51,290 --> 00:59:48,810

completely completely man-made

1022

00:59:52,160 --> 00:59:51,300

that the way that I see it right now I

1023

00:59:54,470 --> 00:59:52,170

just feel horrible

1024

00:59:56,990 --> 00:59:54,480

just just horrible John thank you so

1025

00:59:58,850 --> 00:59:57,000

much my friend for not only reporting on

1026

01:00:01,040 --> 00:59:58,860

this because you're absolutely right

1027

01:00:03,350 --> 01:00:01,050

mainstream media won't touch it won't

1028

01:00:05,840 --> 01:00:03,360

touch it I've heard the rumors I've

1029

01:00:07,820 --> 01:00:05,850

heard the rumblings about this and it

1030

01:00:09,950 --> 01:00:07,830

seems that that's exactly the case and

1031

01:00:11,870 --> 01:00:09,960

thank you for reporting on it thank you

1032

01:00:16,310 --> 01:00:11,880

so much Jimmy we'll see you next week

1033

01:00:19,010 --> 01:00:16,320

yep Jon Rappoport again I say it every

1034

01:00:22,840 --> 01:00:19,020

Thursday night start your day

1035

01:00:27,010 --> 01:00:22,850

every day at no more fake news.com I do

1036

01:00:31,040 --> 01:00:27,020

all right it's Thursday night here we go

1037

01:00:38,000 --> 01:00:31,050

open lines all night long 3 2 3 a 2 5 5

1038

01:00:39,470 --> 01:00:38,010

0 for 5 or 3 2 3 2 7 5 9 6 9 5 um your

1039

01:00:42,710 --> 01:00:39,480

signatures this is fade to black

1040

01:00:52,200 --> 01:00:42,720

it's fader night I'll be right back

1041

01:00:57,269 --> 01:00:54,500

[Music]

1042

01:00:59,750 --> 01:00:57,279

this is fade to black with Jimmy Church

1043

01:01:05,309 --> 01:00:59,760

on the game changer radio network and

1044

01:01:07,799 --> 01:01:05,319

kgr a the global radio alliance this is

1045

01:01:11,150 --> 01:01:07,809

kg are a digital broadcasting station

1046

01:01:13,680 --> 01:01:11,160

Salt Lake City Utah Van Buren Arkansas

1047

01:01:16,109 --> 01:01:13,690

does your basement or crawlspace have a

1048

01:01:18,089 --> 01:01:16,119

damp musty smell well watch out that's a

1049

01:01:19,950 --> 01:01:18,099

sign of too much moisture and not enough

1050

01:01:21,870 --> 01:01:19,960

ventilation and that can mean increased

1051
01:01:23,819 --> 01:01:21,880
mold growth and the build-up of harmful

1052
01:01:26,099 --> 01:01:23,829
toxins and gases don't bother with a

1053
01:01:28,380 --> 01:01:26,109
dehumidifier it just circulates the same

1054
01:01:30,630 --> 01:01:28,390
unhealthy air now there's a better way

1055
01:01:32,640 --> 01:01:30,640
to remove these dangers and odors it's

1056
01:01:34,740 --> 01:01:32,650
with the computerized wave moisture

1057
01:01:36,839 --> 01:01:34,750
control unit that reduces moisture and

1058
01:01:38,819 --> 01:01:36,849
expels pollutants we replaced our old

1059
01:01:41,099 --> 01:01:38,829
dehumidifier with the wave unit and in

1060
01:01:43,500 --> 01:01:41,109
only three weeks our basement is dry and

1061
01:01:45,480 --> 01:01:43,510
the musty smell is gone wave units

1062
01:01:47,910 --> 01:01:45,490
require no maintenance no buckets of

1063
01:01:49,829 --> 01:01:47,920

water or filters and costs only pennies

1064

01:01:51,599 --> 01:01:49,839

a day to run breathe better live

1065

01:01:54,029 --> 01:01:51,609

healthier with an affordable no

1066

01:01:56,370 --> 01:01:54,039

maintenance wave unit call eight eight

1067

01:01:59,700 --> 01:01:56,380

eight seven one seven way eight eight

1068

01:02:04,610 --> 01:01:59,710

eight seven one seven wav e or visit dry

1069

01:02:18,530 --> 01:02:04,620

healthy home comm dry healthy home calm

1070

01:02:23,040 --> 01:02:21,180

hi this is Ray sobs here reppin the

1071

01:02:26,040 --> 01:02:23,050

planet and you're listening to my good

1072

01:02:28,590 --> 01:02:26,050

friend Jimmy Church fade to black

1073

01:02:33,150 --> 01:02:28,600

on the GameChanger network and the kgr a

1074

01:02:35,310 --> 01:02:33,160

digital broadcast station this is Toby

1075

01:02:54,150 --> 01:02:35,320

Kebbell you're listening to Jimmy Church

1076
01:02:56,370 --> 01:02:54,160
radio calm Jimmy Jimmy Church revolution

1077
01:02:57,990 --> 01:02:56,380
this is my - Hank's of the graylien

1078
01:03:00,390 --> 01:02:58,000
report and you're listening to Jimmy

1079
01:03:02,220 --> 01:03:00,400
church on fade to black across the globe

1080
01:03:05,640 --> 01:03:02,230
on the game changer radio network and

1081
01:03:20,950 --> 01:03:05,650
the one and only kgr a radio the planet

1082
01:03:29,210 --> 01:03:26,690
[Music]

1083
01:03:32,279 --> 01:03:29,220
welcome back fade to black

1084
01:03:39,900 --> 01:03:32,289
Thursday night Fator night open lines

1085
01:03:42,000 --> 01:03:39,910
all night long it's all up to you callin

1086
01:03:46,500 --> 01:03:42,010
numbers are three two three eight two

1087
01:03:50,849 --> 01:03:46,510
five five zero four five four three two

1088
01:03:53,720 --> 01:03:50,859

three two seven five nine six nine five

1089

01:03:58,769 --> 01:03:53,730

all right so I set the tone for tonight

1090

01:04:01,769 --> 01:03:58,779

this Dyson Sphere paper that was written

1091

01:04:04,740 --> 01:04:01,779

was pretty interesting and also the way

1092

01:04:08,880 --> 01:04:04,750

that you know mass media you know looks

1093

01:04:11,609 --> 01:04:08,890

at this community and once again I roll

1094

01:04:15,720 --> 01:04:11,619

the dice I roll the dice with Vice and

1095

01:04:19,349 --> 01:04:15,730

came up short man came up short it is

1096

01:04:22,019 --> 01:04:19,359

very disappointing to me so we've got

1097

01:04:23,579 --> 01:04:22,029

all of that much more and of course Jon

1098

01:04:26,339 --> 01:04:23,589

Rappoport and what's going on out there

1099

01:04:28,890 --> 01:04:26,349

in Hawaii too as well with that let's go

1100

01:04:32,160 --> 01:04:28,900

to the phones hi you're live on fade to

1101

01:04:36,750 --> 01:04:32,170

black you're up first who's calling hey

1102

01:04:40,920 --> 01:04:36,760

what's up its Justin it's Justin yes sir

1103

01:04:43,500 --> 01:04:40,930

how are you man I'm good I was calling I

1104

01:04:46,140 --> 01:04:43,510

don't know if it's fake news but ever

1105

01:04:50,460 --> 01:04:46,150

since I've been seeing all the reports

1106

01:04:52,319 --> 01:04:50,470

from 2004 and all the gunship camera

1107

01:04:56,609 --> 01:04:52,329

video they've been calling it the Tic

1108

01:05:00,180 --> 01:04:56,619

Tac USO right and I just seen George

1109

01:05:03,150 --> 01:05:00,190

Knapp on Nats news put out a YouTube

1110

01:05:06,630 --> 01:05:03,160

video Jeremy Korbelt was interviewing

1111

01:05:09,569 --> 01:05:06,640

some insider named Trevor and he said it

1112

01:05:13,319 --> 01:05:09,579

wasn't a tech tick-tack at all it was a

1113

01:05:15,120 --> 01:05:13,329

flying silver disc like the classic UFO

1114

01:05:17,099 --> 01:05:15,130

shape I didn't know if you heard about

1115

01:05:20,960 --> 01:05:17,109

that or seen about that yeah no I

1116

01:05:26,069 --> 01:05:20,970

haven't seen it I have not seen it I

1117

01:05:28,680 --> 01:05:26,079

have okay I'm assuming you did yeah

1118

01:05:31,799 --> 01:05:28,690

Jeremy Korbelt put out like a 25 minute

1119

01:05:34,230 --> 01:05:31,809

YouTube video saying this guy Trevor was

1120

01:05:37,049 --> 01:05:34,240

a legit whistleblower and had his

1121

01:05:38,740 --> 01:05:37,059

credentials and he was I don't think he

1122

01:05:42,130 --> 01:05:38,750

seen it what his own eyes but

1123

01:05:45,609 --> 01:05:42,140

did some of the radar and seen the

1124

01:05:47,080 --> 01:05:45,619

footage and it was a classic silver disc

1125

01:05:49,839 --> 01:05:47,090

he said the thing that they're showing

1126

01:05:51,670 --> 01:05:49,849

on the f-18 gunship is showing the heat

1127

01:05:56,740 --> 01:05:51,680

signature that's why it looks like the

1128

01:05:59,650 --> 01:05:56,750

tic-tac but it's supposedly the classic

1129

01:06:01,089 --> 01:05:59,660

you know silvery disc and I didn't know

1130

01:06:02,440 --> 01:06:01,099

if anybody's not talking about it I

1131

01:06:04,000 --> 01:06:02,450

wouldn't say it's fake news I'm just

1132

01:06:06,700 --> 01:06:04,010

saying I don't think so many people

1133

01:06:08,710 --> 01:06:06,710

gripped it yet but Korbelt I mean from

1134

01:06:10,839 --> 01:06:08,720

what I've heard he comes out he's great

1135

01:06:12,190 --> 01:06:10,849

he's got credible sources sure and I

1136

01:06:15,880 --> 01:06:12,200

just didn't know if anybody heard about

1137

01:06:18,970 --> 01:06:15,890

that yeah well listening to now I

1138

01:06:21,910 --> 01:06:18,980

haven't seen it but it I find it

1139

01:06:24,520 --> 01:06:21,920

interesting I heard about this radar

1140

01:06:25,980 --> 01:06:24,530

operator Trevor okay I did hear about

1141

01:06:29,830 --> 01:06:25,990

him

1142

01:06:33,760 --> 01:06:29,840

haven't seen this interview but it seems

1143

01:06:38,980 --> 01:06:33,770

like it would be in direct contrast to

1144

01:06:43,650 --> 01:06:38,990

what David flavour the pilot says that

1145

01:06:48,339 --> 01:06:43,660

he saw when he described the craft which

1146

01:06:50,290 --> 01:06:48,349

he said he didn't see it a lot of the

1147

01:06:52,720 --> 01:06:50,300

pilots that are coming on records and

1148

01:06:54,400 --> 01:06:52,730

they're not even sure that they seen it

1149

01:06:57,010 --> 01:06:54,410

they're saying that they think they seen

1150

01:06:59,620 --> 01:06:57,020

it it was in and out of time like I

1151

01:07:01,270 --> 01:06:59,630

didn't really get a clear sight on it

1152

01:07:04,570 --> 01:07:01,280

and this guy it's forever saying he's

1153

01:07:07,300 --> 01:07:04,580

seen footage with other I don't know

1154

01:07:08,950 --> 01:07:07,310

generals or commanders that seen this

1155

01:07:13,960 --> 01:07:08,960

without the heat signature without the

1156

01:07:16,570 --> 01:07:13,970

infrared that it's a classic Salter with

1157

01:07:17,470 --> 01:07:16,580

it yeah yeah well let's let's see how it

1158

01:07:20,290 --> 01:07:17,480

plays out

1159

01:07:23,200 --> 01:07:20,300

my memory says I'd have to go back it's

1160

01:07:25,450 --> 01:07:23,210

it's been a while now but my memory says

1161

01:07:29,470 --> 01:07:25,460

that flavor says that he approached it

1162

01:07:31,870 --> 01:07:29,480

and went into a circle flew around it

1163

01:07:35,230 --> 01:07:31,880

and and got a great look at it and

1164

01:07:37,900 --> 01:07:35,240

described it as you know a you know a

1165

01:07:40,120 --> 01:07:37,910

tic-tac that it was white no wings

1166

01:07:43,900 --> 01:07:40,130

nothing like that and then it took off

1167

01:07:47,980 --> 01:07:43,910

and disappeared in a second or two you

1168

01:07:50,200 --> 01:07:47,990

know it extremely high velocity so that

1169

01:07:51,610 --> 01:07:50,210

I mean that's that's where that PI I

1170

01:07:53,110 --> 01:07:51,620

mean I as far as

1171

01:07:57,610 --> 01:07:53,120

I know that's where the whole tic-tac

1172

01:07:59,800 --> 01:07:57,620

name came from was his that's similar to

1173

01:08:02,050 --> 01:07:59,810

what like the Lonnie Zamora he said he's

1174

01:08:05,200 --> 01:08:02,060

seen something like an egg-white

1175

01:08:07,480 --> 01:08:05,210

def disc we have no real keen working on

1176

01:08:10,000 --> 01:08:07,490

it yeah but that guy that George Knapp

1177

01:08:12,070 --> 01:08:10,010

had on think of a Sunday he said he

1178

01:08:14,110 --> 01:08:12,080

witnessed it for two weeks so I don't

1179

01:08:16,060 --> 01:08:14,120

know if those 14 days exactly but he

1180

01:08:20,110 --> 01:08:16,070

said they were dropping like snowflakes

1181

01:08:22,120 --> 01:08:20,120

it was multiple unidentified craft and

1182

01:08:24,880 --> 01:08:22,130

they were coming from 28,000 feet down

1183

01:08:30,720 --> 01:08:24,890

to the sea level yes and I forget what

1184

01:08:32,860 --> 01:08:30,730

he said 80,000 PS 60,000 feet

1185

01:08:34,840 --> 01:08:32,870

unbelievable but Jimmy I just want to

1186

01:08:36,400 --> 01:08:34,850

say thank you very much and you get a

1187

01:08:38,680 --> 01:08:36,410

chance check that YouTube video out on

1188

01:08:41,050 --> 01:08:38,690

Jeremy Korbel it's on naps news I know

1189

01:08:42,570 --> 01:08:41,060

he's got it on there but thank you very

1190

01:08:45,490 --> 01:08:42,580

much for your time and gobekli tepe

1191

01:08:48,670 --> 01:08:45,500

absolutely I'll call Jeremy myself and

1192

01:08:50,560 --> 01:08:48,680

and get to the bottom of it okay all

1193

01:08:52,150 --> 01:08:50,570

right thank you Justin yeah thank you

1194

01:08:56,800 --> 01:08:52,160

that's a great phone call right there I

1195

01:09:00,730 --> 01:08:56,810

haven't seen the video yet it makes me

1196

01:09:03,130 --> 01:09:00,740

want to maybe hold you the bottom of the

1197

01:09:03,730 --> 01:09:03,140

hour I'll text Jeremy maybe we get him

1198

01:09:05,560 --> 01:09:03,740

on the show

1199

01:09:07,900 --> 01:09:05,570

you never know all right so with that

1200

01:09:12,280 --> 01:09:07,910

let's go to the phones hi your life I'm

1201

01:09:15,610 --> 01:09:12,290

fade to black who's calling hi Wally

1202

01:09:16,480 --> 01:09:15,620

in Philadelphia I'm doing good man

1203

01:09:20,590 --> 01:09:16,490

what's on your mind

1204

01:09:22,390 --> 01:09:20,600

good I one day I want to make it out to

1205

01:09:25,330 --> 01:09:22,400

contact in the desert it looks like such

1206

01:09:27,640 --> 01:09:25,340

a cool thing this this year around

1207

01:09:30,670 --> 01:09:27,650

though I went down to see my sister in

1208

01:09:33,940 --> 01:09:30,680

Dallas and I but I was able to get like

1209

01:09:38,020 --> 01:09:33,950

a live stream off a Facebook write of

1210

01:09:42,310 --> 01:09:38,030

you are you interviewing the panel and

1211

01:09:43,090 --> 01:09:42,320

you were wearing a suit man were you

1212

01:09:46,990 --> 01:09:43,100

wearing a suit

1213

01:09:54,430 --> 01:09:47,000

well I had a jacket on okay I had a

1214

01:09:56,020 --> 01:09:54,440

means on and a t-shirt great the picture

1215

01:09:57,370 --> 01:09:56,030

was kind of like you know but I saw like

1216

01:10:01,000 --> 01:09:57,380

it was like a sports coat

1217

01:10:03,970 --> 01:10:01,010

thing and I know the fade book Facebook

1218

01:10:06,540 --> 01:10:03,980

thing and I was like it's Jimmy wearing

1219

01:10:08,760 --> 01:10:06,550

like a student

1220

01:10:10,800 --> 01:10:08,770

I've been known to wear a suit and a tie

1221

01:10:14,580 --> 01:10:10,810

you just so you know hey you don't look

1222

01:10:17,190 --> 01:10:14,590

when you have it's the last night I

1223

01:10:19,290 --> 01:10:17,200

think what you're talking about was the

1224

01:10:21,630 --> 01:10:19,300

last night and it's the closing panel

1225

01:10:24,060 --> 01:10:21,640

and closing ceremonies and things you

1226

01:10:26,640 --> 01:10:24,070

know you know and and Rita wants to make

1227

01:10:28,850 --> 01:10:26,650

sure that you know I take a breath mint

1228

01:10:32,460 --> 01:10:28,860

you know and and have my hair done and

1229

01:10:36,380 --> 01:10:32,470

clean socks all that stuff so you know

1230

01:10:40,020 --> 01:10:38,730

see ya you know sometimes the live

1231

01:10:42,720 --> 01:10:40,030

stream with the t-shirt you know

1232

01:10:45,030 --> 01:10:42,730

broadcasting and stuff and and I just

1233

01:10:48,120 --> 01:10:45,040

thought I'd bring it up a disparaging

1234

01:10:53,490 --> 01:10:48,130

comment no no it's not disparaging at

1235

01:10:58,620 --> 01:10:53,500

all that was that when Emory Smith and I

1236

01:11:00,600 --> 01:10:58,630

brought out the atacama mummy I didn't

1237

01:11:03,270 --> 01:11:00,610

catch that part I just caught caught you

1238

01:11:05,010 --> 01:11:03,280

up I didn't catch the whole feed because

1239

01:11:06,540 --> 01:11:05,020

I was like dying to be there but I was

1240

01:11:08,190 --> 01:11:06,550

at my sister's in Dallas and I knew I'd

1241

01:11:09,870 --> 01:11:08,200

never make it out there or whatever and

1242

01:11:12,030 --> 01:11:09,880

so I said I wonder if there's a way for

1243

01:11:14,790 --> 01:11:12,040

me to watch this and I knew somebody

1244

01:11:16,560 --> 01:11:14,800

would be streaming it so I found it you

1245

01:11:17,970 --> 01:11:16,570

I just saw a picture you up there with

1246

01:11:19,710 --> 01:11:17,980

some I guess you had a card in your hand

1247

01:11:23,640 --> 01:11:19,720

and you're reading questions or asking

1248

01:11:27,030 --> 01:11:23,650

panel members or something yep yep that

1249

01:11:30,380 --> 01:11:27,040

well that was me there you go thank you

1250

01:11:33,870 --> 01:11:30,390

so much did you have a question yeah

1251

01:11:36,060 --> 01:11:33,880

well just a couple other comments advice

1252

01:11:37,740 --> 01:11:36,070

device thing man you know you gotta let

1253

01:11:40,140 --> 01:11:37,750

it go you know they preach being this

1254

01:11:42,720 --> 01:11:40,150

alternative media source you know open

1255

01:11:44,340 --> 01:11:42,730

minds and all this and I'm you know I've

1256

01:11:47,130 --> 01:11:44,350

watched the channel a few times and it's

1257

01:11:49,620 --> 01:11:47,140

it's very disappointing and you know I

1258

01:11:51,570 --> 01:11:49,630

mean it's I'm not gonna watch them what

1259

01:11:53,850 --> 01:11:51,580

stirred through programming ever again

1260

01:11:56,310 --> 01:11:53,860

because you know you put your trust in

1261

01:12:00,480 --> 01:11:56,320

them and they go and do something like

1262

01:12:01,590 --> 01:12:00,490

that but that was it and then also I

1263

01:12:03,930 --> 01:12:01,600

wanna let you know I sent you an email

1264

01:12:06,060 --> 01:12:03,940

my girlfriend and I were in Aruba last

1265

01:12:08,790 --> 01:12:06,070

week and she caught a pretty interesting

1266

01:12:10,950 --> 01:12:08,800

photo something in the sky that IIE

1267

01:12:13,830 --> 01:12:10,960

mailed you so maybe they had a chance to

1268

01:12:16,020 --> 01:12:13,840

check it out this week okay I will Wally

1269

01:12:18,330 --> 01:12:16,030

I really appreciate that thank you so

1270

01:12:21,750 --> 01:12:18,340

much and enjoying your weekend my man

1271

01:12:26,190 --> 01:12:21,760

all right take care thank you

1272

01:12:29,010 --> 01:12:26,200

yeah somebody uh I didn't even think

1273

01:12:31,200 --> 01:12:29,020

about that but I'm assuming that there

1274

01:12:33,900 --> 01:12:31,210

were probably tons of Facebook live

1275

01:12:36,690 --> 01:12:33,910

streams going on didn't even think about

1276

01:12:41,040 --> 01:12:36,700

that that's cool and if you weren't ad

1277

01:12:42,540 --> 01:12:41,050

contact you could have sought some of

1278

01:12:45,630 --> 01:12:42,550

that stuff out so I'm glad that Wally

1279

01:12:50,790 --> 01:12:45,640

did it was a it was just so much fun and

1280

01:12:55,890 --> 01:12:50,800

you know going back to this whole vise

1281

01:12:58,380 --> 01:12:55,900

thing it's not that I'm upset about a

1282

01:13:00,690 --> 01:12:58,390

skeptic being there and and right now I

1283

01:13:03,060 --> 01:13:00,700

don't care about that just don't don't

1284

01:13:07,170 --> 01:13:03,070

don't attack and try to make fun of

1285

01:13:10,650 --> 01:13:07,180

people that's just not cool it's it's

1286

01:13:13,170 --> 01:13:10,660

really really really not cool do

1287

01:13:16,020 --> 01:13:13,180

whatever you want just say was you know

1288

01:13:18,540 --> 01:13:16,030

it sucked I don't care that's your

1289

01:13:20,850 --> 01:13:18,550

opinion but don't attack people I will

1290

01:13:23,550 --> 01:13:20,860

always defend this community this family

1291

01:13:24,900 --> 01:13:23,560

you just don't do that man and that

1292

01:13:27,180 --> 01:13:24,910

that's what I'm upset about

1293

01:13:29,940 --> 01:13:27,190

so with that let's go to the phones I'm

1294

01:13:31,830 --> 01:13:29,950

gonna go to area code five seven three

1295

01:13:35,220 --> 01:13:31,840

you're up next on fader block who's

1296

01:13:37,890 --> 01:13:35,230

calling hi Jimmy this is Robin Dayton

1297

01:13:40,620 --> 01:13:37,900

Ohio hi Robin Dayton Ohio Dayton Ohio

1298

01:13:41,550 --> 01:13:40,630

home of wright-patterson Air Force Base

1299

01:13:43,680 --> 01:13:41,560

how you doing

1300

01:13:46,170 --> 01:13:43,690

that's right we've got all the aliens

1301

01:13:48,240 --> 01:13:46,180

here yes you do man yes you do

1302

01:13:51,300 --> 01:13:48,250

and there's a lot of America in that

1303

01:13:53,250 --> 01:13:51,310

town I love it oh yeah it's the

1304

01:13:57,240 --> 01:13:53,260

birthplace of aviation no matter what

1305

01:13:59,070 --> 01:13:57,250

North Carolina says I go with that and

1306

01:14:02,190 --> 01:13:59,080

and you know what you guys got one of

1307

01:14:04,920 --> 01:14:02,200

the best museums man that Museum at

1308

01:14:07,950 --> 01:14:04,930

wright-patt is unbelievable so what's on

1309

01:14:09,360 --> 01:14:07,960

your mind tonight you know so uh I had a

1310

01:14:11,790 --> 01:14:09,370

thought and I wanted to run it by you I

1311

01:14:14,700 --> 01:14:11,800

was wondering what if all that dark

1312

01:14:16,680 --> 01:14:14,710

matter that they say is in the universe

1313

01:14:19,710 --> 01:14:16,690

is actually because we're so late to the

1314

01:14:21,720 --> 01:14:19,720

game there are so many divers out there

1315

01:14:23,880 --> 01:14:21,730

that we can't actually see the other

1316

01:14:28,260 --> 01:14:23,890

stars yeah I know right yeah yeah

1317

01:14:31,979 --> 01:14:28,270

there's a definite valid comment end

1318

01:14:35,189 --> 01:14:31,989

point you have no idea

1319

01:14:37,950 --> 01:14:35,199

you just don't you know when I'm think

1320

01:14:42,060 --> 01:14:37,960

about this for a second this is what is

1321

01:14:45,000 --> 01:14:42,070

a really really whack tonight after the

1322

01:14:48,060 --> 01:14:45,010

show I want you to do this I invite

1323

01:14:50,609 --> 01:14:48,070

everybody to do this go into your

1324

01:14:53,160 --> 01:14:50,619

kitchen drawer and take out a dime a

1325

01:14:54,839 --> 01:14:53,170

Roosevelt dime something you haven't

1326

01:14:59,040 --> 01:14:54,849

probably held in your hand in months

1327

01:15:02,489 --> 01:14:59,050

right but go get a dime and then walk

1328

01:15:06,239 --> 01:15:02,499

outside and look up at the stars and

1329

01:15:08,009 --> 01:15:06,249

then find a black spot where there's no

1330

01:15:09,689 --> 01:15:08,019

stars right fine

1331

01:15:12,779 --> 01:15:09,699

you know what I'm saying right just find

1332

01:15:15,390 --> 01:15:12,789

a black spot and then a whole lot your

1333

01:15:20,129 --> 01:15:15,400

arm at arm's length and take that dime

1334

01:15:22,189 --> 01:15:20,139

and place it in that black spot okay are

1335

01:15:28,589 --> 01:15:22,199

you with me

1336

01:15:30,479 --> 01:15:28,599

dime everybody's looking at me on the

1337

01:15:34,859 --> 01:15:30,489

bunker camp hold it up in that black

1338

01:15:37,919 --> 01:15:34,869

spot in that little tiny circle of the

1339

01:15:45,379 --> 01:15:37,929

sky where you're holding up that dime is

1340

01:15:51,089 --> 01:15:45,389

one hundred and fifty thousand galaxies

1341

01:15:58,589 --> 01:15:51,099

each one of those galaxies has 500

1342

01:16:02,220 --> 01:15:58,599

billion to one trillion stars 150

1343

01:16:06,660 --> 01:16:02,230

thousand galaxies now each one of those

1344

01:16:10,500 --> 01:16:06,670

stars every single one inside of that

1345

01:16:15,959 --> 01:16:10,510

dime in with all of those galaxies every

1346

01:16:18,359 --> 01:16:15,969

other star has a planet now start to

1347

01:16:19,259 --> 01:16:18,369

think about the math that I'm laying on

1348

01:16:26,819 --> 01:16:19,269

you right now

1349

01:16:32,729 --> 01:16:26,829

out of every 5 of those planets 3 are

1350

01:16:36,029 --> 01:16:32,739

rocky like Earth now let's just

1351

01:16:40,080 --> 01:16:36,039

contemplate what I'm saying here every

1352

01:16:45,630 --> 01:16:40,090

one of those galaxies has 20 billion to

1353

01:16:49,940 --> 01:16:47,280

there's a hundred fifty thousand of them

1354

01:16:52,590 --> 01:16:49,950

just where you're holding up that dime

1355

01:16:55,080 --> 01:16:52,600

now you can move that dime to the left

1356

01:16:57,960 --> 01:16:55,090

or to the right you get the same math

1357

01:17:00,900 --> 01:16:57,970

you could go to Australia hold up the

1358

01:17:04,200 --> 01:17:00,910

dime it'll be the same thing any point

1359

01:17:06,810 --> 01:17:04,210

on planet earth the universe is a sphere

1360

01:17:09,420 --> 01:17:06,820

right so anywhere that you point that

1361

01:17:12,960 --> 01:17:09,430

dime on this planet you're gonna come up

1362

01:17:15,000 --> 01:17:12,970

with the same math now let's talk about

1363

01:17:18,390 --> 01:17:15,010

that Dyson Sphere that you're talking

1364

01:17:21,420 --> 01:17:18,400

about think about that how much

1365

01:17:24,060 --> 01:17:21,430

intelligence is out there how many stars

1366

01:17:27,690 --> 01:17:24,070

that we think are in those galaxies and

1367

01:17:30,300 --> 01:17:27,700

how many of them may be missing because

1368

01:17:34,290 --> 01:17:30,310

they're surrounded with the Dyson Sphere

1369

01:17:36,510 --> 01:17:34,300

and we simply will never see them so

1370

01:17:40,080 --> 01:17:36,520

think about that's that's where I I just

1371

01:17:43,640 --> 01:17:40,090

I'm very comfortable very comfortable in

1372

01:17:46,560 --> 01:17:43,650

knowing that not only are we not alone

1373

01:17:48,630 --> 01:17:46,570

but we have something very attractive

1374

01:17:51,570 --> 01:17:48,640

here we have a beautiful planet we have

1375

01:17:53,730 --> 01:17:51,580

a perfect Sun right and if we you know

1376

01:17:56,730 --> 01:17:53,740

if you thought about this if we don't

1377

01:18:03,180 --> 01:17:56,740

hurry up and harness that Sun somebody's

1378

01:18:06,690 --> 01:18:03,190

going to show up here and take it show

1379

01:18:10,260 --> 01:18:06,700

up and and wrap a Dyson Sphere around it

1380

01:18:12,870 --> 01:18:10,270

and tow it away think about that well

1381

01:18:14,190 --> 01:18:12,880

when you put the odds like that Jimmy it

1382

01:18:16,560 --> 01:18:14,200

seems like you'd have to hit the

1383

01:18:18,240 --> 01:18:16,570

Powerball several times over for there

1384

01:18:19,890 --> 01:18:18,250

not to be life in the universe that's

1385

01:18:21,570 --> 01:18:19,900

right that's right that's right somebody

1386

01:18:25,650 --> 01:18:21,580

made that comment to me earlier today

1387

01:18:29,190 --> 01:18:25,660

and yeah yeah somebody made that comment

1388

01:18:32,280 --> 01:18:29,200

to me this this lottery thing and I'm

1389

01:18:35,310 --> 01:18:32,290

totally totally with you the the odds

1390

01:18:37,080 --> 01:18:35,320

are in our favor and that's the only way

1391

01:18:39,360 --> 01:18:37,090

to look at it that's that's it we have a

1392

01:18:41,850 --> 01:18:39,370

beautiful blue planet we've got an

1393

01:18:43,800 --> 01:18:41,860

unbelievable solar system we have all

1394

01:18:46,080 --> 01:18:43,810

kinds of resources here we've got the

1395

01:18:48,930 --> 01:18:46,090

perfect Sun life is great

1396

01:18:50,430 --> 01:18:48,940

they know about it because we're doing

1397

01:18:53,070 --> 01:18:50,440

the same thing we're trying to find

1398

01:18:55,440 --> 01:18:53,080

we're trying to we are looking for what

1399

01:18:57,300 --> 01:18:55,450

we have here right that's what we're

1400

01:18:59,080 --> 01:18:57,310

doing well wouldn't they be doing the

1401

01:19:00,729 --> 01:18:59,090

same thing of course they are and they

1402

01:19:04,149 --> 01:19:00,739

already found us what was your name

1403

01:19:06,899 --> 01:19:04,159

again Rob Rob thank you for the phone

1404

01:19:09,640 --> 01:19:06,909

call man that is an amazing amazing

1405

01:19:10,890 --> 01:19:09,650

point that you just made and and I will

1406

01:19:13,270 --> 01:19:10,900

always go with that

1407

01:19:17,260 --> 01:19:13,280

all right thanks Jimmy you have a great

1408

01:19:20,260 --> 01:19:17,270

night Dayton Ohio right there all right

1409

01:19:24,580 --> 01:19:20,270

let's see what we got let's go to area

1410

01:19:27,310 --> 01:19:24,590

code and see it from here 505 you're up

1411

01:19:30,490 --> 01:19:27,320

next on fade to black who's calling this

1412

01:19:34,689 --> 01:19:30,500

is Karen and Silver City New Mexico how

1413

01:19:37,540 --> 01:19:34,699

are you uh well a little annoyed at the

1414

01:19:40,240 --> 01:19:37,550

Vice article and you know we were warned

1415

01:19:42,729 --> 01:19:40,250

if you'd say a total skeptic is gonna

1416

01:19:45,310 --> 01:19:42,739

write this thing time I decided to hold

1417

01:19:48,010 --> 01:19:45,320

my nose and read the thing you know

1418

01:19:50,740 --> 01:19:48,020

besides running down really great people

1419

01:19:52,810 --> 01:19:50,750

you know buying name and everything the

1420

01:19:55,240 --> 01:19:52,820

the thing that kind of interested me

1421

01:20:00,330 --> 01:19:55,250

r-spec out was the reference this false

1422

01:20:02,589 --> 01:20:00,340

memory syndrome and experiencers are

1423

01:20:05,500 --> 01:20:02,599

being animal you know aren't sure

1424

01:20:08,350 --> 01:20:05,510

analyzed by psychologists you still just

1425

01:20:10,930 --> 01:20:08,360

get the finnex every day saying that you

1426

01:20:12,850 --> 01:20:10,940

know our memories are faulty and we

1427

01:20:15,330 --> 01:20:12,860

build with the whole mythology around

1428

01:20:18,760 --> 01:20:15,340

our psychosis and blah blah blah usual

1429

01:20:22,439 --> 01:20:18,770

debugger crap and I wanted to mention

1430

01:20:25,060 --> 01:20:22,449

something about false memory syndrome

1431

01:20:26,830 --> 01:20:25,070

you know that myself and Brett Colin

1432

01:20:28,990 --> 01:20:26,840

Shepherd work with conjunct and he has

1433

01:20:31,359 --> 01:20:29,000

his like own team of debunkers so we got

1434

01:20:34,990 --> 01:20:31,369

kind of interested in them as a species

1435

01:20:37,870 --> 01:20:35,000

you know and started delving into what

1436

01:20:39,910 --> 01:20:37,880

false memory syndrome was and found out

1437

01:20:42,430 --> 01:20:39,920

that like you know telethon for the

1438

01:20:46,870 --> 01:20:42,440

victims of false memory syndrome

1439

01:20:50,050 --> 01:20:46,880

it's basically a provided as a way to

1440

01:20:54,010 --> 01:20:50,060

create experts who go to in the earliest

1441

01:20:56,760 --> 01:20:54,020

days of it testify against victims on

1442

01:20:59,859 --> 01:20:56,770

behalf of high-profile pedophiles and

1443

01:21:03,160 --> 01:20:59,869

you can go on to the series the keepers

1444

01:21:07,660 --> 01:21:03,170

on that flicks about I had all this was

1445

01:21:09,399 --> 01:21:07,670

used to discredit victims of there was a

1446

01:21:11,830 --> 01:21:09,409

Catholic girls school and a priestess

1447

01:21:13,060 --> 01:21:11,840

was been molesting some of the girls and

1448

01:21:15,220 --> 01:21:13,070

then it went to trial

1449

01:21:19,360 --> 01:21:15,230

and they used this false memory syndrome

1450

01:21:22,120 --> 01:21:19,370

thing as a way to shut them down and so

1451

01:21:23,260 --> 01:21:22,130

you know this was this engine they kind

1452

01:21:25,300 --> 01:21:23,270

of brought brushed it

1453

01:21:27,550 --> 01:21:25,310

this article hit all everybody you know

1454

01:21:29,620 --> 01:21:27,560

that was that you know sincere about

1455

01:21:31,660 --> 01:21:29,630

what they've been through and trying to

1456

01:21:36,070 --> 01:21:31,670

share that and and it was pretty good

1457

01:21:41,910 --> 01:21:36,080

kicking and I just ya know on that those

1458

01:21:44,530 --> 01:21:41,920

guys know you know and and I I'm always

1459

01:21:46,900 --> 01:21:44,540

hesitant and reticent when it comes to

1460

01:21:50,080 --> 01:21:46,910

the mass media and when it comes to

1461

01:21:54,580 --> 01:21:50,090

somebody like vice who is supposed to be

1462

01:21:56,440 --> 01:21:54,590

the alternative choice and and and you

1463

01:21:59,110 --> 01:21:56,450

know pretty solid reputation you know

1464

01:22:01,780 --> 01:21:59,120

I've - I've watched vice I've read their

1465

01:22:04,660 --> 01:22:01,790

articles I've known about Vice for years

1466

01:22:07,540 --> 01:22:04,670

in here before they ever kicked off but

1467

01:22:11,230 --> 01:22:07,550

putting that aside and and I discussed

1468

01:22:14,860 --> 01:22:11,240

all of this with Brian

1469

01:22:17,080 --> 01:22:14,870

McManus the editor that I spoke to and I

1470

01:22:19,120 --> 01:22:17,090

told him I have respect for you guys you

1471

01:22:22,930 --> 01:22:19,130

know but but you know don't screw this

1472

01:22:25,150 --> 01:22:22,940

up well you know I I was I was just

1473

01:22:27,480 --> 01:22:25,160

taken aback and it's okay to be a

1474

01:22:30,910 --> 01:22:27,490

debunker it's okay to be a skeptic like

1475

01:22:33,370 --> 01:22:30,920

life is that way and we need that we

1476

01:22:37,000 --> 01:22:33,380

absolutely do but don't don't make fun

1477

01:22:40,330 --> 01:22:37,010

of people you do not do that you do not

1478

01:22:43,270 --> 01:22:40,340

and I know Sonia Grace personally and I

1479

01:22:47,650 --> 01:22:43,280

have much respect for she is just as

1480

01:22:50,200 --> 01:22:47,660

nice nice just a old and soul you know

1481

01:22:52,690 --> 01:22:50,210

just a beautiful person and to make fun

1482

01:22:55,810 --> 01:22:52,700

of her you know that's it man that's

1483

01:22:57,760 --> 01:22:55,820

asking me to take the gloves off because

1484

01:23:00,730 --> 01:22:57,770

I will for this community you don't do

1485

01:23:02,740 --> 01:23:00,740

it right the most skeptical article ever

1486

01:23:04,840 --> 01:23:02,750

but don't attack people don't make fun

1487

01:23:07,390 --> 01:23:04,850

of people you know just don't do it it's

1488

01:23:09,240 --> 01:23:07,400

it's not cool so Karen thank you so much

1489

01:23:12,310 --> 01:23:09,250

and it was great hanging out with you oh

1490

01:23:15,430 --> 01:23:12,320

yeah thank you so much thank you Karen

1491

01:23:17,800 --> 01:23:15,440

great phone call right there they're

1492

01:23:20,500 --> 01:23:17,810

always great let's go to area code nine

1493

01:23:22,459 --> 01:23:20,510

one seven you're up next on fade to

1494

01:23:25,930 --> 01:23:22,469

black who's calling

1495

01:23:28,970 --> 01:23:25,940

hey Jimmy and Sarah and from Mecosta oh

1496

01:23:32,810 --> 01:23:28,980

hi how are you how are you everything

1497

01:23:35,750 --> 01:23:32,820

good yeah everything's really good how

1498

01:23:38,840 --> 01:23:35,760

you doing thinking about that night that

1499

01:23:41,050 --> 01:23:38,850

that was a crazy night that was a pretty

1500

01:23:43,760 --> 01:23:41,060

crazy night when you called in that was

1501

01:23:45,650 --> 01:23:43,770

that was one for the books

1502

01:23:50,360 --> 01:23:45,660

right there what was the name of that

1503

01:23:54,010 --> 01:23:50,370

place Stonehaven what class Haven I was

1504

01:23:59,270 --> 01:23:57,500

we went there today you know just to

1505

01:24:02,800 --> 01:23:59,280

honor the solstice and I was like I got

1506

01:24:06,410 --> 01:24:02,810

a call in tonight oh right on right on

1507

01:24:07,670 --> 01:24:06,420

what were they doing up there I just

1508

01:24:09,970 --> 01:24:07,680

went on myself

1509

01:24:12,439 --> 01:24:09,980

I just went to you know do my

1510

01:24:14,959 --> 01:24:12,449

manifestations for the Solstice and and

1511

01:24:17,209 --> 01:24:14,969

work the labyrinth it was magical as

1512

01:24:18,700 --> 01:24:17,219

always so you're able to get through the

1513

01:24:21,830 --> 01:24:18,710

gates

1514

01:24:24,530 --> 01:24:21,840

Oh

1515

01:24:27,770 --> 01:24:24,540

so anybody oh you shouldn't say that

1516

01:24:29,660 --> 01:24:27,780

live on the air okay well it's the

1517

01:24:32,630 --> 01:24:29,670

church you know it's open to the public

1518

01:24:35,090 --> 01:24:32,640

but not everybody knows about all of all

1519

01:24:38,870 --> 01:24:35,100

of the mysticism and you know the

1520

01:24:40,280 --> 01:24:38,880

activity there if that's a myself may be

1521

01:24:43,520 --> 01:24:40,290

out there going what are all these feed

1522

01:24:45,350 --> 01:24:43,530

the Blackshirts doing up here what's

1523

01:24:50,479 --> 01:24:45,360

going on everybody's out there at that

1524

01:24:54,320 --> 01:24:50,489

labyrinth ever been if they're

1525

01:24:59,330 --> 01:24:54,330

periscoping awakening man with his with

1526

01:25:01,729 --> 01:24:59,340

his iPad anyway we'll make that happen

1527

01:25:05,959 --> 01:25:01,739

yeah so today was the longest day of the

1528

01:25:08,900 --> 01:25:05,969

year right that was today it was and I

1529

01:25:10,880 --> 01:25:08,910

wanted to call in because I have had so

1530

01:25:13,459 --> 01:25:10,890

many sightings over the last four weeks

1531

01:25:16,760 --> 01:25:13,469

like we are talking multiple sightings

1532

01:25:18,979 --> 01:25:16,770

in a week I mean normally I'll see you

1533

01:25:21,920 --> 01:25:18,989

know maybe one or two craft a month when

1534

01:25:23,930 --> 01:25:21,930

I go out for my walks here but it has

1535

01:25:26,030 --> 01:25:23,940

been crazy and what has been very

1536

01:25:29,060 --> 01:25:26,040

interesting to me is I have seen the

1537

01:25:31,280 --> 01:25:29,070

same craft or what looks like the same

1538

01:25:34,220 --> 01:25:31,290

craft community communicating in the

1539

01:25:34,640 --> 01:25:34,230

same way on multiple occasions what's it

1540

01:25:35,989 --> 01:25:34,650

look like

1541

01:25:38,109 --> 01:25:35,999

and that has never

1542

01:25:40,850 --> 01:25:38,119

so there's there's two that are making

1543

01:25:43,790 --> 01:25:40,860

you know multiple appearances the first

1544

01:25:46,100 --> 01:25:43,800

one it looks exactly like what the

1545

01:25:46,580 --> 01:25:46,110

planet Mars looks like in the sky right

1546

01:25:56,569 --> 01:25:46,590

now

1547

01:25:58,819 --> 01:25:56,579

could be a satellite but it's totally

1548

01:26:00,500 --> 01:25:58,829

not and then it just phases out and

1549

01:26:02,629 --> 01:26:00,510

that's when I know that if the UFL

1550

01:26:04,850 --> 01:26:02,639

communicating with me the other one

1551
01:26:07,279 --> 01:26:04,860
though is super remarkable because it

1552
01:26:09,200 --> 01:26:07,289
was about four weeks ago I was walking

1553
01:26:10,879 --> 01:26:09,210
on the golf course here you know pitch

1554
01:26:13,399 --> 01:26:10,889
frickin black it was right around the

1555
01:26:16,939 --> 01:26:13,409
new moon and there was like this flash

1556
01:26:19,219 --> 01:26:16,949
like a diamond colored flash brighter

1557
01:26:20,689 --> 01:26:19,229
than a meteor shooting across the skies

1558
01:26:23,839 --> 01:26:20,699
and this was not shooting across the sky

1559
01:26:27,830 --> 01:26:23,849
it was just a flash and I was like well

1560
01:26:29,989 --> 01:26:27,840
what was that and then it kept like

1561
01:26:31,279 --> 01:26:29,999
going across the sky and it would

1562
01:26:34,069 --> 01:26:31,289
disappear and then it would appear

1563
01:26:37,069 --> 01:26:34,079

across across the other side of the

1564

01:26:39,020 --> 01:26:37,079

horizon and flash again like a diamond

1565

01:26:41,000 --> 01:26:39,030

and I've seen this craft on two

1566

01:26:42,739 --> 01:26:41,010

different occasions and they

1567

01:26:45,169 --> 01:26:42,749

communicated that they were from Vega

1568

01:26:46,129 --> 01:26:45,179

and just absolutely beautiful I've never

1569

01:26:51,739 --> 01:26:46,139

seen anything like it

1570

01:26:53,359 --> 01:26:51,749

Wow Wow are you shooting video I tried

1571

01:26:55,549 --> 01:26:53,369

to shoot video and it doesn't pick

1572

01:27:00,350 --> 01:26:55,559

anything up I know I know it's such a

1573

01:27:04,129 --> 01:27:00,360

drag such a good I know it's especially

1574

01:27:06,469 --> 01:27:04,139

at night when you hear I say it all the

1575

01:27:09,950 --> 01:27:06,479

time you know did you shoot video well

1576

01:27:12,229 --> 01:27:09,960

we tried it's impossible you really got

1577

01:27:14,750 --> 01:27:12,239

to get lucky what you need is you have

1578

01:27:17,529 --> 01:27:14,760

to have a you know very high-end camera

1579

01:27:20,600 --> 01:27:17,539

with a high-end lens that's capable of

1580

01:27:24,020 --> 01:27:20,610

shooting really fast low light

1581

01:27:27,140 --> 01:27:24,030

situations and and that's what that's

1582

01:27:30,319 --> 01:27:27,150

what you need a cell phone camera you

1583

01:27:33,680 --> 01:27:30,329

have to be perfectly perfectly set up

1584

01:27:35,629 --> 01:27:33,690

and ready to go to because it's got to

1585

01:27:37,850 --> 01:27:35,639

be able to focus on it you know and it's

1586

01:27:40,399 --> 01:27:37,860

looking at stars and it's basically

1587

01:27:43,819 --> 01:27:40,409

looking at blackness and it just can't

1588

01:27:45,410 --> 01:27:43,829

pick it up but yeah Wow be so cool if

1589

01:27:48,469 --> 01:27:45,420

you had videos let me tell you something

1590

01:27:49,370 --> 01:27:48,479

when my payday comes in I'm going your

1591

01:27:51,919 --> 01:27:49,380

website

1592

01:27:53,390 --> 01:27:51,929

clicking on that night vision banner and

1593

01:27:58,760 --> 01:27:53,400

I'm getting myself

1594

01:28:00,680 --> 01:27:58,770

big-ass birthday guest right that's a

1595

01:28:03,590 --> 01:28:00,690

game I said that's a game changer right

1596

01:28:12,470 --> 01:28:03,600

there if I'm seeing all this stuff

1597

01:28:14,090 --> 01:28:12,480

without any I mean well yeah let us know

1598

01:28:16,910 --> 01:28:14,100

when you're ready to go for that Alec

1599

01:28:22,610 --> 01:28:16,920

over there bearing optics is absolutely

1600

01:28:26,510 --> 01:28:22,620

amazing but that is an unbelievable that

1601
01:28:28,220 --> 01:28:26,520
that will cause the epiphanies right I

1602
01:28:30,379 --> 01:28:28,230
mean it's just game-changing it's just

1603
01:28:32,419 --> 01:28:30,389
game-changing thank you so much Sarah

1604
01:28:33,860 --> 01:28:32,429
and and be safe and be well out there

1605
01:28:35,629 --> 01:28:33,870
okay and have a great weekend are you

1606
01:28:38,959 --> 01:28:35,639
coming up for disclosure fest on

1607
01:28:40,790 --> 01:28:38,969
Saturday I'm actually trying to clear my

1608
01:28:45,140 --> 01:28:40,800
schedule I had something booked but do

1609
01:28:45,979 --> 01:28:45,150
you have nothing right there's nothing

1610
01:28:47,629 --> 01:28:45,989
going on

1611
01:28:51,860 --> 01:28:47,639
I'll see you thank you so much Sarah

1612
01:28:54,290 --> 01:28:51,870
Anne we'll see you saturday

1613
01:28:55,600 --> 01:28:54,300

there you go hi you're live on fade to

1614

01:28:59,090 --> 01:28:55,610

black who's calling

1615

01:29:02,450 --> 01:28:59,100

hey Timmy hey Myka how are you you know

1616

01:29:06,500 --> 01:29:02,460

I've got four walls mica right now

1617

01:29:09,530 --> 01:29:06,510

one two three four calls all from the UK

1618

01:29:10,189 --> 01:29:09,540

right now yep and I think you're the

1619

01:29:12,590 --> 01:29:10,199

problem

1620

01:29:18,140 --> 01:29:12,600

now everybody from the UK wants to be

1621

01:29:22,910 --> 01:29:18,150

mica no I like that idea so what's going

1622

01:29:27,050 --> 01:29:22,920

on what's going on in well I wanted to

1623

01:29:32,629 --> 01:29:27,060

talk a little bit about the new space

1624

01:29:35,270 --> 01:29:32,639

force what do you think about that well

1625

01:29:38,060 --> 01:29:35,280

all I know at the moment is that trumps

1626

01:29:41,000 --> 01:29:38,070

made it and he's declaring that

1627

01:29:44,240 --> 01:29:41,010

nothing's out there or the government's

1628

01:29:46,939 --> 01:29:44,250

are so what's the point of saying that

1629

01:29:50,870 --> 01:29:46,949

there's nothing out there but you made a

1630

01:29:54,860 --> 01:29:50,880

face force right now this is okay so

1631

01:29:58,220 --> 01:29:54,870

this is what you do in ten years right

1632

01:30:01,700 --> 01:29:58,230

in ten years you sign up for the space

1633

01:30:02,959 --> 01:30:01,710

force you join and then you call in to

1634

01:30:05,680 --> 01:30:02,969

fade to black

1635

01:30:09,350 --> 01:30:05,690

and you tell us really what's going on

1636

01:30:12,380 --> 01:30:09,360

yeah doesn't that sound like a plan it

1637

01:30:17,390 --> 01:30:12,390

does to me that sounds like a good plan

1638

01:30:21,770 --> 01:30:17,400

there's something going on I wish i yeah

1639

01:30:24,080 --> 01:30:21,780

yeah I wish I had a friend of mine right

1640

01:30:26,900 --> 01:30:24,090

now that was like 18 19 20 years old

1641

01:30:29,780 --> 01:30:26,910

maybe out of college and that would able

1642

01:30:32,930 --> 01:30:29,790

to go and and sign up you know going to

1643

01:30:37,400 --> 01:30:32,940

a recruiting office and go okay I'm here

1644

01:30:39,830 --> 01:30:37,410

okay Marines Navy no no no space force

1645

01:30:44,180 --> 01:30:39,840

dude I'm here for the space force and

1646

01:30:48,229 --> 01:30:44,190

see what they say right yeah you know

1647

01:30:50,540 --> 01:30:48,239

and now if you know when you when you go

1648

01:30:53,630 --> 01:30:50,550

in and you go to one of the schools like

1649

01:30:56,959 --> 01:30:53,640

West Point one of the military schools

1650

01:30:59,000 --> 01:30:56,969

you become a cadet right so does that

1651
01:31:01,850 --> 01:30:59,010
mean if you go to the space school you

1652
01:31:04,820 --> 01:31:01,860
become a space cadet what do you think

1653
01:31:08,750 --> 01:31:04,830
about that mica yeah that's definitely

1654
01:31:11,770 --> 01:31:08,760
true to me would you be okay being

1655
01:31:17,930 --> 01:31:11,780
called a space cadet

1656
01:31:23,060 --> 01:31:17,940
well no less you know like a mission I'd

1657
01:31:24,229 --> 01:31:23,070
be okay with that but in general oh so

1658
01:31:28,220 --> 01:31:24,239
do you think that they're going to be

1659
01:31:30,830 --> 01:31:28,230
putting you know like space battle

1660
01:31:32,840 --> 01:31:30,840
cruisers up there you know with soldiers

1661
01:31:33,320 --> 01:31:32,850
on it right that's what it sounds like

1662
01:31:37,580 --> 01:31:33,330
to me

1663
01:31:39,050 --> 01:31:37,590

yeah that's is that what you think is

1664

01:31:42,290 --> 01:31:39,060

going on when you first heard space

1665

01:31:44,630 --> 01:31:42,300

force that's what you picture right yeah

1666

01:31:47,600 --> 01:31:44,640

it sounds like the Star Destroyers from

1667

01:31:50,709 --> 01:31:47,610

Star Wars Yeah right right right right

1668

01:31:56,800 --> 01:31:50,719

well you've seen what about the movie

1669

01:32:02,930 --> 01:31:56,810

what about the movie Starship Troopers

1670

01:32:06,650 --> 01:32:02,940

not just yet have you seen it nice you

1671

01:32:08,720 --> 01:32:06,660

haven't seen Starship Troopers not uh

1672

01:32:12,110 --> 01:32:08,730

you need to go talk to your parents okay

1673

01:32:16,340 --> 01:32:12,120

so what day is it they're right now is

1674

01:32:20,000 --> 01:32:16,350

it Friday it's Friday

1675

01:32:22,220 --> 01:32:20,010

morning right hassel okay so that means

1676
01:32:28,550 --> 01:32:22,230
tonight when you get home from school

1677
01:32:29,900 --> 01:32:28,560
after dinner you can watch but I just

1678
01:32:36,440 --> 01:32:29,910
said the name of the movie what's the

1679
01:32:36,710 --> 01:32:36,450
call to Kent it well what's the name of

1680
01:32:40,340 --> 01:32:36,720
it

1681
01:32:42,200 --> 01:32:40,350
Starship Troopers Yeah right okay

1682
01:32:44,210 --> 01:32:42,210
write it down cuz I'm not gonna remember

1683
01:32:48,880 --> 01:32:44,220
it a third time I almost said Galaxy

1684
01:32:51,140 --> 01:32:48,890
Quest okay Starship Troopers all right

1685
01:32:52,790 --> 01:32:51,150
okay and then next week when you call

1686
01:32:57,500 --> 01:32:52,800
into the show we'll talk about Starship

1687
01:32:59,720 --> 01:32:57,510
Troopers okay you have a great day Myka

1688
01:33:01,400 --> 01:32:59,730

now go go to bed then get up have

1689

01:33:07,310 --> 01:33:01,410

breakfast go to school and have a great

1690

01:33:12,050 --> 01:33:07,320

day yeah Thank You Myka bye bye that's

1691

01:33:13,880 --> 01:33:12,060

mica our reporter our roving a reporter

1692

01:33:17,600 --> 01:33:13,890

producer at large

1693

01:33:19,070 --> 01:33:17,610

live from Dover United Kingdom all right

1694

01:33:22,700 --> 01:33:19,080

I don't know where this area code is

1695

01:33:31,330 --> 01:33:22,710

from welcome to fade to black what

1696

01:33:36,500 --> 01:33:31,340

country is this your live your live

1697

01:33:38,480 --> 01:33:36,510

three two hello yes your live oh I'm

1698

01:33:41,300 --> 01:33:38,490

sorry I didn't realize it was me ah

1699

01:33:43,940 --> 01:33:41,310

actually your statement earlier you

1700

01:33:45,650 --> 01:33:43,950

mentioned about the universe just expand

1701
01:33:47,390 --> 01:33:45,660
and expand eventually we'll never see

1702
01:33:48,890 --> 01:33:47,400
anything right have a little bit of

1703
01:33:50,810 --> 01:33:48,900
different theory about that

1704
01:33:53,840 --> 01:33:50,820
what's the house just wondering your

1705
01:33:55,690 --> 01:33:53,850
opinion I believe that stars and

1706
01:33:59,480 --> 01:33:55,700
galaxies are going to continue to

1707
01:34:01,250 --> 01:33:59,490
receive reborn and as far as our

1708
01:34:04,130 --> 01:34:01,260
standpoint we're going to see the same

1709
01:34:06,530 --> 01:34:04,140
thing basically I mean maybe not exactly

1710
01:34:09,110 --> 01:34:06,540
the same but you know it's going to look

1711
01:34:13,840 --> 01:34:09,120
the same from Earth as it does now a

1712
01:34:18,470 --> 01:34:13,850
hundred billion years from now house

1713
01:34:23,600 --> 01:34:18,480

okay it depends on a few things okay but

1714

01:34:30,260 --> 01:34:23,610

I can I can say this that once you look

1715

01:34:34,160 --> 01:34:30,270

outside of the Milky Way okay outside of

1716

01:34:35,930 --> 01:34:34,170

the Milky Way those galaxies that are

1717

01:34:38,540 --> 01:34:35,940

out there and everything that Hubble

1718

01:34:43,000 --> 01:34:38,550

sees now a hundred billion years from

1719

01:34:44,990 --> 01:34:43,010

now they're not gonna be there I agree

1720

01:34:48,380 --> 01:34:45,000

yeah they're not gonna be that's gonna

1721

01:34:51,650 --> 01:34:48,390

go it's gonna go but I believe that new

1722

01:34:53,800 --> 01:34:51,660

ones will develop in the mean time so

1723

01:34:56,150 --> 01:34:53,810

there will be another big bang and

1724

01:35:03,470 --> 01:34:56,160

creations of talent really a big bang

1725

01:35:06,350 --> 01:35:03,480

just what supernovas for example you

1726

01:35:10,310 --> 01:35:06,360

know causing new galaxies and I mean the

1727

01:35:13,490 --> 01:35:10,320

new solar system things like that you

1728

01:35:17,180 --> 01:35:13,500

know what I mean yeah I wish I could see

1729

01:35:19,760 --> 01:35:17,190

the future because the thought of and

1730

01:35:21,200 --> 01:35:19,770

what's your name by the way Rob from

1731

01:35:24,440 --> 01:35:21,210

Baltimore Maryland hey Rob from

1732

01:35:29,860 --> 01:35:24,450

Baltimore this is what really creeps me

1733

01:35:33,980 --> 01:35:29,870

out I can assure you that there will be

1734

01:35:37,040 --> 01:35:33,990

ships with us on them in the future

1735

01:35:38,870 --> 01:35:37,050

right right we're gonna we're gonna

1736

01:35:42,470 --> 01:35:38,880

leave this planet this planet is gonna

1737

01:35:46,700 --> 01:35:42,480

get toasted you gotta get gonna be right

1738

01:35:49,490 --> 01:35:46,710

so but just imagine that we're out there

1739

01:35:53,990 --> 01:35:49,500

and the universe is expanding and you

1740

01:35:58,760 --> 01:35:54,000

look out the windows of these ships and

1741

01:36:01,130 --> 01:35:58,770

you don't see anything you know I used

1742

01:36:03,740 --> 01:36:01,140

to think the same way but I've recently

1743

01:36:05,690 --> 01:36:03,750

come up with a new theory and I mean

1744

01:36:09,470 --> 01:36:05,700

it's kind of long I'm not sure if you

1745

01:36:11,210 --> 01:36:09,480

want to get into it but basically it has

1746

01:36:13,460 --> 01:36:11,220

to do with the reason I believe that the

1747

01:36:18,650 --> 01:36:13,470

universe is expanding it is because

1748

01:36:22,100 --> 01:36:18,660

these new you know these new solar

1749

01:36:25,010 --> 01:36:22,110

systems are being born I mean they say

1750

01:36:27,100 --> 01:36:25,020

that the universe now we know the ether

1751

01:36:32,200 --> 01:36:27,110

is basically like water

1752

01:36:34,780 --> 01:36:32,210

and so what is pushing these what it's

1753

01:36:37,180 --> 01:36:34,790

making them the universe actually expand

1754

01:36:40,680 --> 01:36:37,190

is this new stuff being put in the

1755

01:36:43,150 --> 01:36:40,690

universe and new stuff being reborn and

1756

01:36:44,710 --> 01:36:43,160

it goes back even further than that as

1757

01:36:49,540 --> 01:36:44,720

far as my theory goes but I don't want

1758

01:36:50,470 --> 01:36:49,550

to go back too far all of that is you

1759

01:36:54,040 --> 01:36:50,480

know again

1760

01:36:56,200 --> 01:36:54,050

anything is possible right anything and

1761

01:36:58,660 --> 01:36:56,210

and putting ideas are right we don't

1762

01:37:00,610 --> 01:36:58,670

know no but listen it well yeah and

1763

01:37:06,340 --> 01:37:00,620

certainly I don't know that's for sure

1764

01:37:08,560 --> 01:37:06,350

but but is that listening to creative

1765

01:37:12,610 --> 01:37:08,570

ideas and where we're thinking outside

1766

01:37:15,340 --> 01:37:12,620

of the box is what causes us to expand

1767

01:37:17,260 --> 01:37:15,350

our minds right instead of not listening

1768

01:37:18,970 --> 01:37:17,270

we need to listen to everybody and I'm

1769

01:37:20,050 --> 01:37:18,980

totally with you that that that is a

1770

01:37:24,400 --> 01:37:20,060

possibility

1771

01:37:27,700 --> 01:37:24,410

it is the my the thing that I'm really

1772

01:37:31,600 --> 01:37:27,710

fascinated with and I'm looking at okay

1773

01:37:34,750 --> 01:37:31,610

we're good here is that time runs in one

1774

01:37:37,360 --> 01:37:34,760

direction allegedly I mean theoretically

1775

01:37:39,220 --> 01:37:37,370

what they're gonna say is because when

1776

01:37:41,170 --> 01:37:39,230

the universe started when the Big Bang

1777

01:37:44,460 --> 01:37:41,180

kicked off that's where time starts I

1778

01:37:48,640 --> 01:37:44,470

want to know about before the Big Bang

1779

01:37:51,730 --> 01:37:48,650

there's that part and I'm so with you on

1780

01:37:53,500 --> 01:37:51,740

that and I bet that what that did blows

1781

01:37:56,260 --> 01:37:53,510

me away there had to be thumping right

1782

01:37:59,830 --> 01:37:56,270

right and well so what do we do if the

1783

01:38:02,080 --> 01:37:59,840

universe which is another theory is that

1784

01:38:03,880 --> 01:38:02,090

the universe is gonna reach out it's

1785

01:38:07,960 --> 01:38:03,890

going to go as far as they can go and

1786

01:38:10,660 --> 01:38:07,970

then gravity is going to overtake the

1787

01:38:12,640 --> 01:38:10,670

dark matter and start to pull it back in

1788

01:38:16,120 --> 01:38:12,650

and it's going to contract and contract

1789

01:38:18,600 --> 01:38:16,130

and then go back to nothing so of time

1790

01:38:21,910 --> 01:38:18,610

works well if time goes in one direction

1791

01:38:27,850 --> 01:38:21,920

while the universe is expanding when it

1792

01:38:30,490 --> 01:38:27,860

goes backwards are we gonna live time in

1793

01:38:33,400 --> 01:38:30,500

the opposite direction and does that

1794

01:38:37,590 --> 01:38:33,410

wait does that mean Rob that you're

1795

01:38:41,020 --> 01:38:37,600

gonna live your life again but backwards

1796

01:38:42,940 --> 01:38:41,030

yeah you got a second yeah well that

1797

01:38:44,260 --> 01:38:42,950

that doesn't make you think but I don't

1798

01:38:45,880 --> 01:38:44,270

believe that time travels in one

1799

01:38:49,150 --> 01:38:45,890

direction I believe that some time to

1800

01:38:51,340 --> 01:38:49,160

something this humanity is made up yeah

1801

01:38:53,050 --> 01:38:51,350

it could be could be could be well we

1802

01:38:55,750 --> 01:38:53,060

are out there in space when you're out

1803

01:38:57,430 --> 01:38:55,760

there in space this is it all gets weird

1804

01:39:01,590 --> 01:38:57,440

doesn't it but when you're out there on

1805

01:39:04,210 --> 01:39:01,600

space now there is no

1806

01:39:06,960 --> 01:39:04,220

north-south-east-west there's not a

1807

01:39:11,830 --> 01:39:06,970

linear thing so doesn't time go in

1808

01:39:15,400 --> 01:39:11,840

whichever direction you're facing right

1809

01:39:21,640 --> 01:39:15,410

i I find that concept kind of puzzling

1810

01:39:23,770 --> 01:39:21,650

to me yeah and so if you go against the

1811

01:39:25,180 --> 01:39:23,780

grain are you going backwards and if

1812

01:39:27,910 --> 01:39:25,190

you're certainly traveling at the speed

1813

01:39:30,700 --> 01:39:27,920

of light away from Earth and then you

1814

01:39:33,460 --> 01:39:30,710

turn around and come back well then time

1815

01:39:35,680 --> 01:39:33,470

has stopped it slowed down not for

1816

01:39:39,160 --> 01:39:35,690

everybody on earth time is continued but

1817

01:39:42,280 --> 01:39:39,170

for you it hasn't so you're effectively

1818

01:39:45,100 --> 01:39:42,290

a time traveler if you went out for five

1819

01:39:46,870 --> 01:39:45,110

years two years in one direction turned

1820

01:39:49,090 --> 01:39:46,880

around speed of light almost at the

1821

01:39:51,610 --> 01:39:49,100

speed of light and then stopped and then

1822

01:39:54,240 --> 01:39:51,620

turn around and came back a hundred or

1823

01:39:59,140 --> 01:39:54,250

two hundred years have passed on earth

1824

01:40:04,750 --> 01:39:59,150

you haven't aged but a month and so now

1825

01:40:05,530 --> 01:40:04,760

I you are in the future you're a time

1826
01:40:09,580 --> 01:40:05,540
traveler

1827
01:40:11,320 --> 01:40:09,590
right yeah I mean the Ute your time

1828
01:40:14,470 --> 01:40:11,330
travel has been proven I mean

1829
01:40:18,090 --> 01:40:14,480
theoretically Einstein says that that's

1830
01:40:20,950 --> 01:40:18,100
the way it would work it's going badly

1831
01:40:23,620 --> 01:40:20,960
but I mean it's been proven I mean I

1832
01:40:26,170 --> 01:40:23,630
don't know the experiment per se but I

1833
01:40:29,640 --> 01:40:26,180
know it's been proven well it has

1834
01:40:35,350 --> 01:40:29,650
they've done stuff with atomic clocks

1835
01:40:41,590 --> 01:40:40,030
well GPS GPS and all of the satellites

1836
01:40:43,900 --> 01:40:41,600
up there show that and they had to

1837
01:40:47,110 --> 01:40:43,910
rewrite all of that software to correct

1838
01:40:48,730 --> 01:40:47,120

for the the difference in time because

1839

01:40:52,180 --> 01:40:48,740

it's slow right yeah yeah absolutely

1840

01:40:53,890 --> 01:40:52,190

gravity affects time Rob Graf phone call

1841

01:40:57,430 --> 01:40:53,900

man see you

1842

01:41:02,050 --> 01:40:57,440

walking living proof that this family on

1843

01:41:03,220 --> 01:41:02,060

this show is smart thank you rob and I

1844

01:41:04,050 --> 01:41:03,230

tell you something else real quick yeah

1845

01:41:07,060 --> 01:41:04,060

sure go ahead

1846

01:41:09,550 --> 01:41:07,070

just recently man I had this amazing

1847

01:41:11,169 --> 01:41:09,560

experience I don't know it totally

1848

01:41:12,160 --> 01:41:11,179

changed my life this just happened like

1849

01:41:17,110 --> 01:41:12,170

three days ago

1850

01:41:18,910 --> 01:41:17,120

um I literally found myself and I don't

1851
01:41:21,040 --> 01:41:18,920
know if it was outer body experience or

1852
01:41:22,750 --> 01:41:21,050
what it was but I always hear these

1853
01:41:26,490 --> 01:41:22,760
people talking about being in this place

1854
01:41:31,300 --> 01:41:26,500
just full of drugs and and energy and

1855
01:41:35,830 --> 01:41:31,310
positivity I was there a few days ago by

1856
01:41:37,930 --> 01:41:35,840
meditating Wow it was awesome the most

1857
01:41:39,790 --> 01:41:37,940
wonderful experience I've ever had in my

1858
01:41:40,840 --> 01:41:39,800
life well this is what you need to do

1859
01:41:44,200 --> 01:41:40,850
repeat it

1860
01:41:46,060 --> 01:41:44,210
go back experience it and then call into

1861
01:41:46,990 --> 01:41:46,070
the show and tell us all about it will

1862
01:41:49,930 --> 01:41:47,000
you do that for me

1863
01:41:52,570 --> 01:41:49,940

well do thank you so much Rob be safe

1864

01:41:56,530 --> 01:41:52,580

and be well I thank you too Jimmy

1865

01:41:57,850 --> 01:41:56,540

great call from Baltimore right there hi

1866

01:42:04,330 --> 01:41:57,860

you're live on fade to black who's

1867

01:42:11,250 --> 01:42:09,189

Wow chase is it the chase yes it is how

1868

01:42:19,209 --> 01:42:11,260

are you man it's been like two years

1869

01:42:22,390 --> 01:42:19,219

yeah sorry yeah it's been hole had a

1870

01:42:23,740 --> 01:42:22,400

serious revolution and like a concept to

1871

01:42:28,870 --> 01:42:23,750

maybe expand on it and I was wondering

1872

01:42:31,630 --> 01:42:28,880

your your aspect your ideas I mean so so

1873

01:42:34,630 --> 01:42:31,640

we know through the study of cymatics

1874

01:42:39,479 --> 01:42:34,640

that things can be manipulated with

1875

01:42:42,010 --> 01:42:39,489

editor with sound waves right um so

1876
01:42:44,919 --> 01:42:42,020
we're spinning through our solar system

1877
01:42:47,620 --> 01:42:44,929
and every one of our planets has a

1878
01:42:49,470 --> 01:42:47,630
harmonic frequency that bombards us

1879
01:42:54,070 --> 01:42:49,480
that's what we can see this like

1880
01:42:56,500 --> 01:42:54,080
radiation right sure now if we're

1881
01:43:00,760 --> 01:42:56,510
spinning through the solar system but

1882
01:43:01,570 --> 01:43:00,770
we're also spinning through our our

1883
01:43:03,879 --> 01:43:01,580
Milky Way

1884
01:43:07,870 --> 01:43:03,889
we're also spinning through the universe

1885
01:43:10,750 --> 01:43:07,880
itself so - Rafi that's right right

1886
01:43:12,430 --> 01:43:10,760
as we flow to the universe we're

1887
01:43:13,959 --> 01:43:12,440
interacting with different harmonic

1888
01:43:18,399 --> 01:43:13,969

frequencies that are being forced upon

1889

01:43:25,300 --> 01:43:18,409

us I would say that would be true okay

1890

01:43:27,790 --> 01:43:25,310

yes so wouldn't it make sense for as we

1891

01:43:29,439 --> 01:43:27,800

are here on this planet right now we've

1892

01:43:32,410 --> 01:43:29,449

been invited or bombarded by the

1893

01:43:36,490 --> 01:43:32,420

frequencies that are in our relative

1894

01:43:39,550 --> 01:43:36,500

space so as we flow through and if we

1895

01:43:41,649 --> 01:43:39,560

land in a spot where another planet had

1896

01:43:44,610 --> 01:43:41,659

been at one point we would be

1897

01:43:47,050 --> 01:43:44,620

interacting with the same frequencies as

1898

01:43:53,530 --> 01:43:47,060

that planet would have been so we would

1899

01:43:55,120 --> 01:43:53,540

be in the same spot fluidly as that

1900

01:43:59,760 --> 01:43:55,130

other planet which bring it which at

1901

01:44:06,879 --> 01:44:04,419

I see where you remember a lot of

1902

01:44:10,390 --> 01:44:06,889

planets that look exactly like us I

1903

01:44:14,740 --> 01:44:10,400

could say well okay and and chase so

1904

01:44:17,439 --> 01:44:14,750

then let's take that concept right the

1905

01:44:21,399 --> 01:44:17,449

identical planet the duplicate concept

1906

01:44:27,520 --> 01:44:21,409

okay let's take it a step further are

1907

01:44:29,310 --> 01:44:27,530

you ready okay it's math it's playing

1908

01:44:34,209 --> 01:44:29,320

the odds

1909

01:44:38,709 --> 01:44:34,219

so there are because of not quite

1910

01:44:42,000 --> 01:44:38,719

infinite but the numbers are so big it's

1911

01:44:44,830 --> 01:44:42,010

just like if you have a deck of cards

1912

01:44:49,660 --> 01:44:44,840

right and you shuffle the deck of cards

1913

01:44:51,220 --> 01:44:49,670

and you you're playing poker with three

1914

01:44:53,470 --> 01:44:51,230

buddies there are four of you sitting at

1915

01:44:55,720 --> 01:44:53,480

the table right and you deal that deck

1916

01:44:59,830 --> 01:44:55,730

of cards out and everybody looks at

1917

01:45:04,800 --> 01:44:59,840

their hand right and their cards if you

1918

01:45:08,620 --> 01:45:04,810

continue to shuffle and dealing

1919

01:45:12,100 --> 01:45:08,630

eventually eventually they're all four

1920

01:45:15,430 --> 01:45:12,110

will have the same exact cards in their

1921

01:45:17,290 --> 01:45:15,440

hand as improbable as and crazy as that

1922

01:45:19,450 --> 01:45:17,300

sounds yeah you would have to do it a

1923

01:45:21,250 --> 01:45:19,460

lot you could do it two times in a row

1924

01:45:23,770 --> 01:45:21,260

there's the odds of

1925

01:45:27,640 --> 01:45:23,780

happening to write that if you do it

1926

01:45:33,150 --> 01:45:27,650

enough one time you will deal the same

1927

01:45:36,420 --> 01:45:33,160

set okay so anyway there is the odds are

1928

01:45:40,960 --> 01:45:36,430

mathematically that there is an

1929

01:45:44,860 --> 01:45:40,970

absolutely identical identical in every

1930

01:45:48,760 --> 01:45:44,870

single way planet to earth with the same

1931

01:45:53,650 --> 01:45:48,770

inhabitants with the same you the odds

1932

01:45:54,730 --> 01:45:53,660

are that that exists and isn't that true

1933

01:45:56,350 --> 01:45:54,740

it was overlaying

1934

01:45:59,920 --> 01:45:56,360

you know this is the harmonic

1935

01:46:04,330 --> 01:45:59,930

frequencies so now what you just

1936

01:46:10,990 --> 01:46:04,340

suggested here right the the the 3d

1937

01:46:14,770 --> 01:46:11,000

printing right that kicks it in so yeah

1938

01:46:18,280 --> 01:46:14,780

yeah that's I trip on that a trip on

1939

01:46:21,940 --> 01:46:18,290

that there is I know I know it's not

1940

01:46:25,240 --> 01:46:21,950

like a whaa wonder if no that's not what

1941

01:46:27,880 --> 01:46:25,250

I'm saying there is yeah there is that

1942

01:46:31,420 --> 01:46:27,890

there has to be there is I'm saying it

1943

01:46:33,480 --> 01:46:31,430

as a matter of fact great trips me out

1944

01:46:36,430 --> 01:46:33,490

man makes me want to smoke some weed

1945

01:46:38,830 --> 01:46:36,440

right now makes me smoke some weed hey

1946

01:46:41,650 --> 01:46:38,840

chase man be safe out there man okay

1947

01:46:43,510 --> 01:46:41,660

wait okay man thank you so much chase be

1948

01:46:44,620 --> 01:46:43,520

safe man you got a you got a tough gig

1949

01:46:48,580 --> 01:46:44,630

go out there and do it

1950

01:46:53,320 --> 01:46:48,590

alright I'll talk to you yeah you too

1951

01:46:57,640 --> 01:46:53,330

bin thank you chase that makes me want

1952

01:47:00,850 --> 01:46:57,650

to smoke some weed in Canada hi you're

1953

01:47:03,940 --> 01:47:00,860

live on fade to black who's calling hi

1954

01:47:06,880 --> 01:47:03,950

Jimmy it's your obsessed fan I've got

1955

01:47:11,610 --> 01:47:06,890

lots of obsessed fans yeah it's

1956

01:47:14,650 --> 01:47:11,620

different sacrament dad from Sacramento

1957

01:47:21,460 --> 01:47:14,660

hey you're gonna smoke some weed on the

1958

01:47:24,190 --> 01:47:21,470

show live no it would expose my doofus

1959

01:47:29,290 --> 01:47:24,200

ness everybody would find out I'm not

1960

01:47:30,970 --> 01:47:29,300

that smart so I don't I don't know never

1961

01:47:33,700 --> 01:47:30,980

believe that can you imagine that

1962

01:47:36,340 --> 01:47:33,710

hey Aaron oyd feeling that would come

1963

01:47:39,220 --> 01:47:36,350

and that would be the worse I would just

1964

01:47:41,920 --> 01:47:39,230

need a word then you'd really think the

1965

01:47:43,540 --> 01:47:41,930

CIA was listening in huh now everything

1966

01:47:47,410 --> 01:47:43,550

would happen yes

1967

01:47:51,010 --> 01:47:47,420

it would all go down and we see the

1968

01:47:53,320 --> 01:47:51,020

light of a new day so what's on your

1969

01:47:54,490 --> 01:47:53,330

mind ever right well two things real

1970

01:47:56,110 --> 01:47:54,500

quick the other night I was watching the

1971

01:47:58,690 --> 01:47:56,120

original movie with Christopher Reeve

1972

01:48:00,520 --> 01:47:58,700

Superman the first one that they did yes

1973

01:48:02,590 --> 01:48:00,530

and again you know there's so much

1974

01:48:04,240 --> 01:48:02,600

disclosure in this movies it's like I

1975

01:48:05,050 --> 01:48:04,250

had this epiphany he's from another

1976

01:48:07,510 --> 01:48:05,060

planet

1977

01:48:09,670 --> 01:48:07,520

he's sent here you have superpowers he's

1978

01:48:10,720 --> 01:48:09,680

trying to fit in walking among us but no

1979

01:48:12,400 --> 01:48:10,730

one knows who he is

1980

01:48:14,170 --> 01:48:12,410

and then when he discovers who he is it

1981

01:48:17,380 --> 01:48:14,180

takes the green crystal travels north

1982

01:48:20,110 --> 01:48:17,390

throws it into the ice well and what

1983

01:48:21,400 --> 01:48:20,120

what you know manifests this big huge

1984

01:48:25,660 --> 01:48:21,410

home for him right

1985

01:48:28,120 --> 01:48:25,670

I thought Antarctica here we go alien

1986

01:48:31,870 --> 01:48:28,130

bases in an art and it was kind of like

1987

01:48:34,030 --> 01:48:31,880

a light bulb went on one way kind of

1988

01:48:37,980 --> 01:48:34,040

hinted at it way back then well what

1989

01:48:41,560 --> 01:48:37,990

about 20 years ago the x-files film

1990

01:48:43,330 --> 01:48:41,570

right there's I never thought so they

1991

01:48:46,270 --> 01:48:43,340

had the alien craft in the ice in

1992

01:48:51,490 --> 01:48:46,280

Antarctica what about the thing what

1993

01:48:56,080 --> 01:48:51,500

about the thing I said a blob no the

1994

01:49:01,600 --> 01:48:56,090

thing with Kurt Russell the thing and so

1995

01:49:04,300 --> 01:49:01,610

I saw that at a drive-in in Indianapolis

1996

01:49:07,150 --> 01:49:04,310

and so for everybody out there nap town

1997

01:49:09,280 --> 01:49:07,160

right now the penalty' naik drive-in

1998

01:49:12,460 --> 01:49:09,290

that's where that that's that was our

1999

01:49:16,230 --> 01:49:12,470

hangout right so pendleton pike drive-in

2000

01:49:19,300 --> 01:49:16,240

and I see the thing it never left me

2001

01:49:21,430 --> 01:49:19,310

something under the ice in Antarctica

2002

01:49:25,180 --> 01:49:21,440

and they you know that movies been made

2003

01:49:27,310 --> 01:49:25,190

not the thing but the the alien ship

2004

01:49:29,740 --> 01:49:27,320

under the ice in Antarctica that movies

2005

01:49:31,870 --> 01:49:29,750

been made a lot and it just makes you

2006

01:49:33,970 --> 01:49:31,880

stop in and and ponder the significance

2007

01:49:37,510 --> 01:49:33,980

of it you know think about that I just

2008

01:49:40,570 --> 01:49:37,520

quoted Frank Zappa subliminal right

2009

01:49:42,920 --> 01:49:40,580

there I've never seen the thing so now

2010

01:49:44,660 --> 01:49:42,930

I've got to see it oh yeah

2011

01:49:48,860 --> 01:49:44,670

well there's two versions there's the

2012

01:49:52,190 --> 01:49:48,870

one from like 1955 and then Kurt Russell

2013

01:49:54,410 --> 01:49:52,200

which was probably and when did the Kurt

2014

01:49:58,310 --> 01:49:54,420

Russell thing come out I want to say

2015

01:49:59,510 --> 01:49:58,320

1980 ish you know somewhere in which one

2016

01:50:01,610 --> 01:49:59,520

do you think is which one do you think

2017

01:50:03,980 --> 01:50:01,620

is better to watch Oh Kurt Russell

2018

01:50:05,930 --> 01:50:03,990

the original the original thing is

2019

01:50:09,170 --> 01:50:05,940

pretty cool there I I don't have any

2020

01:50:12,620 --> 01:50:09,180

issues with that but you know we're

2021

01:50:14,450 --> 01:50:12,630

talking about 1955 low tech when Kurt

2022

01:50:19,820 --> 01:50:14,460

Russell's came out where they were doing

2023

01:50:21,860 --> 01:50:19,830

the stopgap animation was pretty cool

2024

01:50:25,370 --> 01:50:21,870

with the dog yeah that was a pretty

2025

01:50:27,710 --> 01:50:25,380

incredible to see but anyway it's a

2026

01:50:29,540 --> 01:50:27,720

modern twist on it but really really

2027

01:50:31,670 --> 01:50:29,550

really well done that was a good script

2028

01:50:33,800 --> 01:50:31,680

that was pretty cool and you didn't know

2029

01:50:36,260 --> 01:50:33,810

who was who at the end you know when it

2030

01:50:39,260 --> 01:50:36,270

was when the chips were going down you

2031

01:50:42,980 --> 01:50:39,270

quite simply didn't know who the bad guy

2032

01:50:44,630 --> 01:50:42,990

was so there you go no no I've got to

2033

01:50:46,580 --> 01:50:44,640

see it now speaking of movie movie

2034

01:50:49,370 --> 01:50:46,590

disclosure okay so you're talking about

2035

01:50:51,140 --> 01:50:49,380

earlier how well I called it originally

2036

01:50:54,230 --> 01:50:51,150

because I want to talk about the space

2037

01:50:55,820 --> 01:50:54,240

force right right so along with that

2038

01:50:57,620 --> 01:50:55,830

thought you know the minute I heard then

2039

01:50:59,300 --> 01:50:57,630

like okay this is just a platform for

2040

01:51:01,340 --> 01:50:59,310

gradually rolling out all the stuff that

2041

01:51:03,680 --> 01:51:01,350

we've had forever just like Emory said

2042

01:51:06,230 --> 01:51:03,690

last night okay I totally agree with

2043

01:51:09,140 --> 01:51:06,240

that only he's been there to see it you

2044

01:51:10,520 --> 01:51:09,150

know so then I'm thinking about what

2045

01:51:12,140 --> 01:51:10,530

you're saying earlier about eventually

2046

01:51:13,400 --> 01:51:12,150

we're gonna be on another planet or Suns

2047

01:51:17,270 --> 01:51:13,410

not gonna live for and then I started

2048

01:51:19,520 --> 01:51:17,280

visualizing the movie interstellar okay

2049

01:51:21,590 --> 01:51:19,530

and at the end of the movie he comes

2050

01:51:23,330 --> 01:51:21,600

back and he's at a totally different

2051

01:51:24,980 --> 01:51:23,340

like place and the space is not a whole

2052

01:51:29,180 --> 01:51:24,990

different planet and everything and

2053

01:51:31,250 --> 01:51:29,190

that's gonna be us someday could be good

2054

01:51:33,710 --> 01:51:31,260

be yeah more this more you know

2055

01:51:35,840 --> 01:51:33,720

disclosure three movies it's I mean I

2056

01:51:38,150 --> 01:51:35,850

watched that series on diet to wear a

2057

01:51:40,610 --> 01:51:38,160

whitener had that about movies and

2058

01:51:44,090 --> 01:51:40,620

disclosure and everything and messages

2059

01:51:46,670 --> 01:51:44,100

through movies I'd see that when I watch

2060

01:51:48,350 --> 01:51:46,680

a movie now anyway right but yeah what

2061

01:51:52,880 --> 01:51:48,360

you said keyed into immediately I

2062

01:51:55,840 --> 01:51:52,890

thought oh interstellar there we go of

2063

01:51:58,400 --> 01:51:55,850

interstellar thank you so much Deb

2064

01:52:00,550 --> 01:51:58,410

Thank You jury have a great weekend you

2065

01:52:03,140 --> 01:52:00,560

guys knock it out of the park at the

2066

01:52:05,000 --> 01:52:03,150

disclosure you guys calling disclosure

2067

01:52:06,530 --> 01:52:05,010

fest yeah I'm gonna do the live stream

2068

01:52:09,170 --> 01:52:06,540

and tune in what time you guys gonna be

2069

01:52:11,030 --> 01:52:09,180

doing live stream I have no idea

2070

01:52:12,190 --> 01:52:11,040

I've got the schedule here I'll worry

2071

01:52:14,479 --> 01:52:12,200

about it tomorrow

2072

01:52:17,690 --> 01:52:14,489

yeah I'll check the website okay thanks

2073

01:52:20,060 --> 01:52:17,700

Jimmy take care Thank You Deb great

2074

01:52:22,130 --> 01:52:20,070

phone call always a great phone call

2075

01:52:25,820 --> 01:52:22,140

with Deb let's see here and let me do

2076

01:52:31,790 --> 01:52:25,830

this I'm gonna do that and then I'm

2077

01:52:37,729 --> 01:52:31,800

going to go to area code 2 1 4 2 1 4

2078

01:52:41,270 --> 01:52:37,739

you're up next to 140 how are you I'm

2079

01:52:42,260 --> 01:52:41,280

doing good who's this this is Andy from

2080

01:52:48,590 --> 01:52:42,270

Dallas

2081

01:52:52,190 --> 01:52:48,600

great great look your show has been a

2082

01:52:56,450 --> 01:52:52,200

fan for a long time it's always you know

2083

01:52:58,670 --> 01:52:56,460

interesting topic and I wanted to talked

2084

01:53:01,550 --> 01:52:58,680

about there's something that's going on

2085

01:53:04,100 --> 01:53:01,560

in Southeast Asia I don't know it's

2086

01:53:06,890 --> 01:53:04,110

really something big but it's not on any

2087

01:53:08,060 --> 01:53:06,900

of their international news so I don't

2088

01:53:13,090 --> 01:53:08,070

know if you heard of it so it's

2089

01:53:17,180 --> 01:53:13,100

basically China Vietnam is renting a

2090

01:53:22,070 --> 01:53:17,190

three space way three like area of a big

2091

01:53:24,530 --> 01:53:22,080

city area to Vietnam and Vietnam citizen

2092

01:53:26,959 --> 01:53:24,540

is like protesting big time right now

2093

01:53:31,479 --> 01:53:26,969

and they're just you know being

2094

01:53:36,020 --> 01:53:31,489

oppressed through online and even to

2095

01:53:38,780 --> 01:53:36,030

youtube social media and I want to know

2096

01:53:42,170 --> 01:53:38,790

I want to ask your opinion have you seen

2097

01:53:44,720 --> 01:53:42,180

any news haven't heard anything no I

2098

01:53:46,850 --> 01:53:44,730

haven't heard anything about this what

2099

01:53:51,250 --> 01:53:46,860

are they well what are they what is

2100

01:53:56,270 --> 01:53:51,260

China's interest in these in this land

2101
01:53:57,800 --> 01:53:56,280
so they gonna so basically if they're

2102
01:53:59,810 --> 01:53:57,810
gonna block off the perimeters

2103
01:54:03,709 --> 01:53:59,820
perimeters of this land ray and there's

2104
01:54:07,130 --> 01:54:03,719
like big that a city you know city area

2105
01:54:08,660 --> 01:54:07,140
right and they can basically they can

2106
01:54:09,709 --> 01:54:08,670
make their own laws they're gonna bring

2107
01:54:11,660 --> 01:54:09,719
their own citizens

2108
01:54:14,120 --> 01:54:11,670
they're all military their own police

2109
01:54:17,630 --> 01:54:14,130
and these are all prime real estate

2110
01:54:21,590 --> 01:54:17,640
these are like a beach front area huh

2111
01:54:24,459 --> 01:54:21,600
and and they're really doing it in Laos

2112
01:54:28,430 --> 01:54:24,469
so as you already if you look at the map

2113
01:54:32,959 --> 01:54:28,440

Vietnam is where it's blocking China

2114

01:54:35,270 --> 01:54:32,969

from the you know dia the whole corridor

2115

01:54:38,150 --> 01:54:35,280

the southeast quarter where like 4

2116

01:54:40,490 --> 01:54:38,160

trillion of goods going through you know

2117

01:54:44,990 --> 01:54:40,500

every year right right right right

2118

01:54:46,880 --> 01:54:45,000

and so China's claiming the water that

2119

01:54:49,490 --> 01:54:46,890

you know all the way down to the

2120

01:54:53,180 --> 01:54:49,500

Philippines and Philippine is nowhere

2121

01:54:55,510 --> 01:54:53,190

near China so they have to you know take

2122

01:54:58,790 --> 01:54:55,520

over Vietnam first that's the first step

2123

01:55:01,550 --> 01:54:58,800

you know and they're already doing that

2124

01:55:02,990 --> 01:55:01,560

in North Korea so North Korea everybody

2125

01:55:05,660 --> 01:55:03,000

is talking about that because it's a

2126

01:55:07,760 --> 01:55:05,670

huge deal and that's the other end of

2127

01:55:12,800 --> 01:55:07,770

the China border to the north and

2128

01:55:15,979 --> 01:55:12,810

Vietnam is the other end so as there's a

2129

01:55:19,189 --> 01:55:15,989

pattern with this right so China is

2130

01:55:22,729 --> 01:55:19,199

behind all of these wow that's good so

2131

01:55:24,860 --> 01:55:22,739

what is it now these areas is it like Ho

2132

01:55:29,390 --> 01:55:24,870

Chi Minh City or is it up in the north

2133

01:55:33,010 --> 01:55:29,400

like Hanoi it's all over it's up in the

2134

01:55:36,380 --> 01:55:33,020

north in the middle and in the South Wow

2135

01:55:38,780 --> 01:55:36,390

wow that's a yeah it is well when you

2136

01:55:43,490 --> 01:55:38,790

think about you know the way Vietnam is

2137

01:55:45,650 --> 01:55:43,500

all the way down the coast right yeah a

2138

01:55:48,880 --> 01:55:45,660

meet in between it's right you know

2139

01:55:51,520 --> 01:55:48,890

you've got the Philippines right there

2140

01:55:55,400 --> 01:55:51,530

and then you've got you know Thailand

2141

01:55:57,080 --> 01:55:55,410

Thailand Brunei Malaysia Singapore all

2142

01:56:00,439 --> 01:55:57,090

of that is affecting the Gulf of

2143

01:56:02,330 --> 01:56:00,449

Thailand yeah that's that's pretty

2144

01:56:04,850 --> 01:56:02,340

interesting I didn't know anything about

2145

01:56:06,890 --> 01:56:04,860

this and I'll see what I can find out

2146

01:56:09,709 --> 01:56:06,900

but certainly it's not in the mainstream

2147

01:56:11,180 --> 01:56:09,719

media at all over here nobody's talking

2148

01:56:16,700 --> 01:56:11,190

about it it sounds like a real

2149

01:56:19,310 --> 01:56:16,710

conspiracy yeah it's there so Vietnam is

2150

01:56:21,500 --> 01:56:19,320

there ever since this is going on so

2151
01:56:23,420 --> 01:56:21,510
people is protesting and you know

2152
01:56:25,580 --> 01:56:23,430
they've been like oppress

2153
01:56:29,000 --> 01:56:25,590
because it's a very you know communist

2154
01:56:34,430 --> 01:56:29,010
country so they're now they're raising

2155
01:56:38,000 --> 01:56:34,440
the idea of like was a colic basically

2156
01:56:42,290 --> 01:56:38,010
just cutting off all our internet to

2157
01:56:44,450 --> 01:56:42,300
Vietnam you know yeah yeah that's the

2158
01:56:46,310 --> 01:56:44,460
way to do it that's how you suppress

2159
01:56:49,610 --> 01:56:46,320
everybody man take the internet away

2160
01:56:51,710 --> 01:56:49,620
they can't film and can upload you don't

2161
01:56:54,520 --> 01:56:51,720
have your YouTube you can't periscope

2162
01:56:56,780 --> 01:56:54,530
you can't get the news out and

2163
01:56:59,450 --> 01:56:56,790

unfortunately that's what the internet

2164

01:57:01,280 --> 01:56:59,460

brings you get freedom with the Internet

2165

01:57:03,640 --> 01:57:01,290

but if they want to cut you off they can

2166

01:57:06,260 --> 01:57:03,650

cut you off what was your name again

2167

01:57:08,330 --> 01:57:06,270

Andy Andy thank you for the phone call

2168

01:57:10,820 --> 01:57:08,340

man yeah alright and I'll look into

2169

01:57:14,060 --> 01:57:10,830

those I find it very interesting thank

2170

01:57:16,070 --> 01:57:14,070

you so much yes looking today and then

2171

01:57:17,900 --> 01:57:16,080

you know if you can see anything you can

2172

01:57:18,710 --> 01:57:17,910

raise awareness do it that would be

2173

01:57:20,720 --> 01:57:18,720

great too

2174

01:57:23,060 --> 01:57:20,730

I'll see what I can do Andy thank you

2175

01:57:26,930 --> 01:57:23,070

for the phone call thank you great phone

2176
01:57:30,100 --> 01:57:26,940
call let's go to area code 773 you're up

2177
01:57:34,040 --> 01:57:30,110
next time fade to black who's calling

2178
01:57:35,510 --> 01:57:34,050
hey man what's on your mind oh man I'll

2179
01:57:38,840 --> 01:57:35,520
just take it right now

2180
01:57:42,170 --> 01:57:38,850
so you got guys like real Cooper

2181
01:57:46,340 --> 01:57:42,180
yes Snyder you know people that told

2182
01:57:49,610 --> 01:57:46,350
real interesting stories right Preston

2183
01:57:51,860 --> 01:57:49,620
Nichols said he had the et make storm in

2184
01:57:55,790 --> 01:57:51,870
offices ain't nobody I mean you know

2185
01:57:57,560 --> 01:57:55,800
ain't nobody look into that father and

2186
01:57:59,630 --> 01:57:57,570
then you got these people military

2187
01:58:03,170 --> 01:57:59,640
people with credentials and nobody still

2188
01:58:05,840 --> 01:58:03,180

believed right right I know I know

2189

01:58:08,180 --> 01:58:05,850

I mean can't explain other thing say

2190

01:58:11,510 --> 01:58:08,190

like the UFO community find a bear loose

2191

01:58:12,050 --> 01:58:11,520

which I know right I couldn't agree with

2192

01:58:18,650 --> 01:58:12,060

you more

2193

01:58:22,070 --> 01:58:18,660

and there have been enough of the

2194

01:58:23,510 --> 01:58:22,080

military side of whistleblowing that has

2195

01:58:26,630 --> 01:58:23,520

been there and then you get the other

2196

01:58:31,580 --> 01:58:26,640

side William Tompkins well God Tompkins

2197

01:58:34,010 --> 01:58:31,590

is a greater court yeah so yeah if you

2198

01:58:36,580 --> 01:58:34,020

just take the military people alone I

2199

01:58:39,640 --> 01:58:36,590

mean if you took them that

2200

01:58:41,650 --> 01:58:39,650

I know I know Travis I gotta head to a

2201
01:58:43,660 --> 01:58:41,660
commercial man but you do your research

2202
01:58:47,110 --> 01:58:43,670
man I'm really into you man thank you

2203
01:58:49,510 --> 01:58:47,120
for the phone call I really appreciate

2204
01:58:54,610 --> 01:58:49,520
it he doesn't meant man Travis Travis

2205
01:58:57,520 --> 01:58:54,620
from Chicago is on his game on his game

2206
01:59:02,070 --> 01:58:57,530
dropping bill Cooper and Bill Tompkins

2207
01:59:04,630 --> 01:59:02,080
and Corso right hold on one phone call

2208
01:59:07,210 --> 01:59:04,640
he's absolutely right with that this is

2209
01:59:09,220 --> 01:59:07,220
fade to black I'm use Timmy Church it's

2210
01:59:13,800 --> 01:59:09,230
Thursday night fader night more of your

2211
01:59:13,810 --> 01:59:23,629
[Music]

2212
01:59:31,109 --> 01:59:26,810
way out here we listen to Jimmy Church

2213
01:59:33,149 --> 01:59:31,119

you're listening to fade to black always

2214

01:59:35,969 --> 01:59:33,159

on the edge of the hottest alternative

2215

01:59:55,229 --> 01:59:35,979

talk jimmy church with fade to black

2216

01:59:58,949 --> 01:59:55,239

stay GRA radio.com hurricanes

2217

02:00:00,689 --> 01:59:58,959

earthquakes wildfires this year we've

2218

02:00:03,239 --> 02:00:00,699

experienced more than our fair share

2219

02:00:05,969 --> 02:00:03,249

this is Jimmy Church of fade to black

2220

02:00:08,159 --> 02:00:05,979

and last month I decided to make sure my

2221

02:00:10,049 --> 02:00:08,169

family does not have to worry about food

2222

02:00:12,899 --> 02:00:10,059

that should we get caught in a real

2223

02:00:15,179 --> 02:00:12,909

emergency situation introducing new

2224

02:00:16,979 --> 02:00:15,189

manna healthy storable product that

2225

02:00:18,899 --> 02:00:16,989

tastes so good that you'll want to eat

2226

02:00:21,179 --> 02:00:18,909

it every day instead of just during

2227

02:00:23,399 --> 02:00:21,189

those times of duress all new manna

2228

02:00:26,790 --> 02:00:23,409

products have a 25 year shelf life our

2229

02:00:29,339 --> 02:00:26,800

MSG and GMO free no preservatives and

2230

02:00:31,259 --> 02:00:29,349

are made in America with the new manna

2231

02:00:32,850 --> 02:00:31,269

pack in your home you'll be able to

2232

02:00:35,399 --> 02:00:32,860

sleep at night knowing that you

2233

02:00:37,770 --> 02:00:35,409

protected your family not only have I

2234

02:00:40,169 --> 02:00:37,780

tasted and tested I own it

2235

02:00:41,909 --> 02:00:40,179

now you can too just click on the new

2236

02:00:44,219 --> 02:00:41,919

manna banner on Jimmy Church radio.com

2237

02:00:46,709 --> 02:00:44,229

and use the promo code Jimmy when you

2238

02:00:48,359 --> 02:00:46,719

order in addition to a discount we'll

2239

02:00:49,319 --> 02:00:48,369

send you an autograph fade to black

2240

02:00:53,189 --> 02:00:49,329

t-shirt

2241

02:00:54,719 --> 02:00:53,199

seriously gobekli tepe do you worry a

2242

02:00:57,109 --> 02:00:54,729

lot whether you're a college student

2243

02:00:59,609 --> 02:00:57,119

busy professional parent or grandparent

2244

02:01:01,709 --> 02:00:59,619

ongoing stress and elevated levels of

2245

02:01:03,779 --> 02:01:01,719

the stress hormone cortisol can rob your

2246

02:01:05,969 --> 02:01:03,789

memory your health and your future

2247

02:01:08,009 --> 02:01:05,979

now you can combat the effects of stress

2248

02:01:10,469 --> 02:01:08,019

and anxiety while improving your memory

2249

02:01:12,810 --> 02:01:10,479

at the same time with the dietary

2250

02:01:14,399 --> 02:01:12,820

supplement calm and clever studies show

2251

02:01:17,339 --> 02:01:14,409

that the ingredients in common clever

2252

02:01:18,119 --> 02:01:17,349

reduce cortisol by as much as 30% in one

2253

02:01:20,069 --> 02:01:18,129

to two weeks

2254

02:01:23,040 --> 02:01:20,079

call 1-800 seven five eight eight seven

2255

02:01:25,530 --> 02:01:23,050

four six or calm and clever calm

2256

02:01:35,939 --> 02:01:25,540

you listen to us and we listen to you

2257

02:01:37,410 --> 02:01:35,949

and so does the CIA kgr a radio calm you

2258

02:01:39,689 --> 02:01:37,420

are listening to fade to black

2259

02:01:44,520 --> 02:01:39,699

with Jimmy Church on the game changer

2260

02:01:46,530 --> 02:01:44,530

Network hi I'm Lisa Vance you're

2261

02:01:49,500 --> 02:01:46,540

listening to Jimmy Church this is

2262

02:01:53,359 --> 02:01:49,510

revolution the revolution will not be

2263

02:01:58,230 --> 02:01:53,369

televised the revolution is on radio

2264

02:01:58,240 --> 02:02:37,370

[Music]

2265

02:02:43,500 --> 02:02:39,330

welcome back fade to black

2266

02:02:45,860 --> 02:02:43,510

Thursday night Fator night my favorite

2267

02:02:48,540 --> 02:02:45,870

night of the week that's my official

2268

02:02:50,399 --> 02:02:48,550

this is my official statement from here

2269

02:02:53,580 --> 02:02:50,409

on out this is my favorite night of the

2270

02:03:00,840 --> 02:02:53,590

week open lines all night long 3 2 3 8 2

2271

02:03:02,340 --> 02:03:00,850

5 5 0 4 or 5 or 3 2 3 2 7 5 9 6 9 5

2272

02:03:05,600 --> 02:03:02,350

let's go straight back to the phone's

2273

02:03:08,970 --> 02:03:05,610

area code 805 you're up next

2274

02:03:10,530 --> 02:03:08,980

hey I'm just smoking the beans and

2275

02:03:14,450 --> 02:03:10,540

slapping that

2276

02:03:23,310 --> 02:03:18,990

Ken Patera yes Karen died being from

2277

02:03:26,970 --> 02:03:23,320

Chris last night and you had said to

2278

02:03:30,330 --> 02:03:26,980

call back on say tonight so I'm a callin

2279

02:03:32,310 --> 02:03:30,340

okay what was that was two nights ago

2280

02:03:34,770 --> 02:03:32,320

you freaked me out for a second I'm

2281

02:03:37,709 --> 02:03:34,780

thinking last night was Chris now last

2282

02:03:40,110 --> 02:03:37,719

night was a disclosure fest yeah the

2283

02:03:44,180 --> 02:03:40,120

night before Christmas dinner okay well

2284

02:03:47,669 --> 02:03:44,190

what was what was his reading with you I

2285

02:03:49,470 --> 02:03:47,679

had just wanted to just give me a you

2286

02:03:53,550 --> 02:03:49,480

know blank message not a specific

2287

02:03:56,550 --> 02:03:53,560

question and he came back with that

2288

02:03:58,550 --> 02:03:56,560

within two weeks I would probably get

2289

02:04:01,439 --> 02:03:58,560

some kind of answer to a question I've

2290

02:04:04,500 --> 02:04:01,449

put out there regarding my life's path

2291

02:04:08,640 --> 02:04:04,510

and I guess you found that and I found

2292

02:04:10,320 --> 02:04:08,650

that quite intriguing sure yeah so I've

2293

02:04:14,729 --> 02:04:10,330

been you know giving it a lot of thought

2294

02:04:17,189 --> 02:04:14,739

and well as I've shared before I know if

2295

02:04:20,640 --> 02:04:17,199

you recall I've I'm a stage 4 terminal

2296

02:04:23,850 --> 02:04:20,650

cancer survivor mm-hmm for years now

2297

02:04:29,160 --> 02:04:23,860

with a 1% chance of living past a year I

2298

02:04:34,860 --> 02:04:29,170

was diagnosed in 2014 so I'm ready for a

2299

02:04:37,560 --> 02:04:34,870

PET scan not meaning like you know we

2300

02:04:40,169 --> 02:04:37,570

put chips in our pets but it's a body

2301
02:04:43,910 --> 02:04:40,179
imaging that looks for cancer so I'm due

2302
02:04:47,040 --> 02:04:43,920
for that pretty soon to maybe find out

2303
02:04:48,870 --> 02:04:47,050
that the cancer is totally gone now it's

2304
02:04:51,300 --> 02:04:48,880
literally only exists

2305
02:04:54,000 --> 02:04:51,310
in the very middle of my body like

2306
02:04:56,490 --> 02:04:54,010
between my bellybutton in my lower back

2307
02:04:58,320 --> 02:04:56,500
which is hard to get all the cannabis

2308
02:05:00,150 --> 02:04:58,330
and other essential oils to it's like

2309
02:05:04,560 --> 02:05:00,160
the hardest place in the body to get to

2310
02:05:05,010 --> 02:05:04,570
you know non-invasively so that could be

2311
02:05:09,330 --> 02:05:05,020
it

2312
02:05:11,660 --> 02:05:09,340
I don't know interesting in a room when

2313
02:05:14,880 --> 02:05:11,670

is this a PET scan

2314

02:05:18,420 --> 02:05:14,890

I'm sorry Sagan when is the PET scan

2315

02:05:21,270 --> 02:05:18,430

scheduled um I'm I'm trying to get it

2316

02:05:24,240 --> 02:05:21,280

scheduled right now so it's not set up

2317

02:05:26,670 --> 02:05:24,250

for sure right but it might presumably

2318

02:05:29,790 --> 02:05:26,680

be within the next two weeks but I don't

2319

02:05:33,780 --> 02:05:29,800

know that's it so but that's a pretty

2320

02:05:36,600 --> 02:05:33,790

serious life pass situation you know so

2321

02:05:39,030 --> 02:05:36,610

but I actually wanted to UM bring

2322

02:05:41,250 --> 02:05:39,040

something up and rent a passage to you

2323

02:05:43,050 --> 02:05:41,260

and get your thoughts you know I'm sure

2324

02:05:45,300 --> 02:05:43,060

you've heard about this and I'm sure

2325

02:05:47,070 --> 02:05:45,310

most fate or not but maybe some don't

2326

02:05:50,760 --> 02:05:47,080

know and this is just kind of blowing my

2327

02:05:52,680 --> 02:05:50,770

mind so it's hard to get one's mind

2328

02:05:56,280 --> 02:05:52,690

blown with all the craziness going on

2329

02:05:58,320 --> 02:05:56,290

but Linda how my Shero she's so amazing

2330

02:05:58,770 --> 02:05:58,330

I cannot believe that woman is 84 years

2331

02:06:05,960 --> 02:05:58,780

old

2332

02:06:16,080 --> 02:06:13,740

74 is is crazy but 80 but but anyway

2333

02:06:19,920 --> 02:06:16,090

yeah don't freaking one down two as well

2334

02:06:22,440 --> 02:06:19,930

you're like what am i 84 okay so what

2335

02:06:24,570 --> 02:06:22,450

did she say what did she saying you've

2336

02:06:28,860 --> 02:06:24,580

been reporting on a story that came out

2337

02:06:34,200 --> 02:06:28,870

of Japan and it actually happened this

2338

02:06:42,120 --> 02:06:34,210

incident August last year where a bunch

2339

02:06:47,010 --> 02:06:42,130

of robots killed yes he talked about it

2340

02:06:49,320 --> 02:06:47,020

on demonic yes yes yeah so my question

2341

02:06:52,280 --> 02:06:49,330

is is that's not even though it's a

2342

02:06:55,080 --> 02:06:52,290

super negative side but isn't that like

2343

02:06:57,330 --> 02:06:55,090

singularity I mean the one robot was

2344

02:06:59,310 --> 02:06:57,340

trying to hook up with the satellite so

2345

02:07:02,280 --> 02:06:59,320

it could figure out how to repair itself

2346

02:07:05,010 --> 02:07:02,290

or another robot I mean without and

2347

02:07:07,500 --> 02:07:05,020

destruction from a human being not not

2348

02:07:13,440 --> 02:07:07,510

singularity yeah that's crazy isn't it I

2349

02:07:15,420 --> 02:07:13,450

mean that is it's a crazy story I I mean

2350

02:07:18,210 --> 02:07:15,430

that's that's one of the things that

2351

02:07:21,480 --> 02:07:18,220

really scares the crap out of me you

2352

02:07:25,110 --> 02:07:21,490

know and it's not it's not even Kendra

2353

02:07:27,570 --> 02:07:25,120

it's not even the big giant transformer

2354

02:07:31,740 --> 02:07:27,580

BOTS coming at us you know that's one

2355

02:07:35,100 --> 02:07:31,750

thing but it's the other part where the

2356

02:07:43,580 --> 02:07:35,110

opposite you know swarms of little tiny

2357

02:07:46,890 --> 02:07:43,590

microscopic smoke you know nanoworld

2358

02:07:48,300 --> 02:07:46,900

that really really freaks me out and

2359

02:07:52,680 --> 02:07:48,310

yeah I um

2360

02:07:56,010 --> 02:07:52,690

annihilation last night wow what a Minds

2361

02:07:59,160 --> 02:07:56,020

been yeah you watched it it's good it is

2362

02:08:04,310 --> 02:07:59,170

so good highly recommended smart people

2363

02:08:08,400 --> 02:08:04,320

sci-fi yeah yeah those out there that

2364

02:08:11,430 --> 02:08:08,410

were negative about including Wilcock

2365

02:08:14,310 --> 02:08:11,440

you know he he he really went south I'm

2366

02:08:15,930 --> 02:08:14,320

annihilation I didn't I didn't find it

2367

02:08:18,690 --> 02:08:15,940

to be a horror film there was only that

2368

02:08:20,160 --> 02:08:18,700

one scene and I was taken aback by that

2369

02:08:24,210 --> 02:08:20,170

I thought okay this is going to go in

2370

02:08:28,230 --> 02:08:24,220

this direction but it didn't but the the

2371

02:08:30,270 --> 02:08:28,240

last half-hour of the film was pretty

2372

02:08:32,040 --> 02:08:30,280

incredible I mean I thought it was

2373

02:08:33,720 --> 02:08:32,050

really well done I enjoyed it I thought

2374

02:08:36,300 --> 02:08:33,730

it was a great movie well it can't

2375

02:08:38,870 --> 02:08:36,310

really yeah you're gonna call us back

2376

02:08:41,100 --> 02:08:38,880

after your scan okay and let us know

2377

02:08:44,250 --> 02:08:41,110

yeah I would love to call back and say

2378

02:08:46,590 --> 02:08:44,260

my 4th of July Independence Day from

2379

02:08:47,070 --> 02:08:46,600

cancer so that's my plan that's exactly

2380

02:08:55,440 --> 02:08:47,080

right

2381

02:08:58,830 --> 02:08:55,450

back at you Thank You Kendra and there

2382

02:09:02,040 --> 02:08:58,840

you go Wow yeah wouldn't that be

2383

02:09:04,350 --> 02:09:02,050

interesting when it comes to Chrisman

2384

02:09:10,170 --> 02:09:04,360

Dena wouldn't that be interesting let's

2385

02:09:12,270 --> 02:09:10,180

go to area code 205 Europe next Jimmy

2386

02:09:15,000 --> 02:09:12,280

Church good evening good evening who's

2387

02:09:16,090 --> 02:09:15,010

calling this is Jay P from Birmingham

2388

02:09:18,990 --> 02:09:16,100

Alabama Jade

2389

02:09:21,340 --> 02:09:19,000

P from Birmingham Alabama how are you JP

2390

02:09:22,510 --> 02:09:21,350

I'm doing alright how about yourself you

2391

02:09:25,150 --> 02:09:22,520

looking forward to disclosure Fest this

2392

02:09:28,870 --> 02:09:25,160

weekend yeah sure oh you're not you're

2393

02:09:30,040 --> 02:09:28,880

an Alabama man I make it you know of all

2394

02:09:32,770 --> 02:09:30,050

the conference's going on across the

2395

02:09:35,230 --> 02:09:32,780

country and you know that 34 acre park

2396

02:09:37,600 --> 02:09:35,240

and all the great speakers you know it

2397

02:09:39,070 --> 02:09:37,610

would be worth putting in the the gas

2398

02:09:41,050 --> 02:09:39,080

and the camping you know along the way

2399

02:09:43,420 --> 02:09:41,060

to make it but just just can't make ends

2400

02:09:46,030 --> 02:09:43,430

meet even on that at this time but uh I

2401

02:09:48,250 --> 02:09:46,040

I like that mentioned earlier I plan to

2402

02:09:49,390 --> 02:09:48,260

tune in for launch livestream and be

2403

02:09:51,550 --> 02:09:49,400

apart about I think they're trying to

2404

02:09:54,190 --> 02:09:51,560

get as a global of participation in the

2405

02:09:55,810 --> 02:09:54,200

mass meditation you know synchronized as

2406

02:09:57,370 --> 02:09:55,820

possible so I look forward to that and I

2407

02:09:59,110 --> 02:09:57,380

look forward to you know just all the

2408

02:10:00,630 --> 02:09:59,120

exposure for the community to be honest

2409

02:10:03,280 --> 02:10:00,640

I heard you talking last night about

2410

02:10:05,050 --> 02:10:03,290

estimates you know something like 10 K

2411

02:10:07,120 --> 02:10:05,060

these people possibly after the gates

2412

02:10:08,770 --> 02:10:07,130

all said and done and that's just it's

2413

02:10:12,820 --> 02:10:08,780

just it's it's really impressive

2414

02:10:19,560 --> 02:10:12,830

inspiring event so great have a great

2415

02:10:22,810 --> 02:10:19,570

the this this 10k number that's been

2416

02:10:27,010 --> 02:10:22,820

thrown around I think that's a very safe

2417

02:10:28,570 --> 02:10:27,020

number but with the publicity that has

2418

02:10:30,790 --> 02:10:28,580

been going out you know with the LA

2419

02:10:33,280 --> 02:10:30,800

Times in the LA Weekly yeah I heard

2420

02:10:36,520 --> 02:10:33,290

about the news I wouldn't be surprised

2421

02:10:39,190 --> 02:10:36,530

if it's a way bigger than that the the

2422

02:10:43,810 --> 02:10:39,200

good news is it's a huge park you know

2423

02:10:45,640 --> 02:10:43,820

it's 35 acres and we shall see but those

2424

02:10:49,000 --> 02:10:45,650

are those are problems that I think

2425

02:10:52,090 --> 02:10:49,010

Adrian and Jeremy would love to have but

2426

02:10:54,250 --> 02:10:52,100

it's exactly this problem yeah it's such

2427

02:10:57,430 --> 02:10:54,260

a cool event well you know it'll be

2428

02:10:59,530 --> 02:10:57,440

happening again next year and so maybe

2429

02:11:01,810 --> 02:10:59,540

maybe you can make it out you bring up a

2430

02:11:04,030 --> 02:11:01,820

really good point though I got tons I

2431

02:11:07,750 --> 02:11:04,040

mean when I say tons I got tons of email

2432

02:11:12,940 --> 02:11:07,760

and and post and stuff over at on

2433

02:11:14,650 --> 02:11:12,950

stellar asking about the time of the

2434

02:11:18,670 --> 02:11:14,660

mass meditation so everybody could

2435

02:11:20,830 --> 02:11:18,680

participate just go to the schedule of

2436

02:11:24,070 --> 02:11:20,840

events is right there to squatcher fest

2437

02:11:24,399 --> 02:11:24,080

org and if you guys all want to Zone in

2438

02:11:28,060 --> 02:11:24,409

and

2439

02:11:30,339 --> 02:11:28,070

Zann in with us you know in with the

2440

02:11:32,979 --> 02:11:30,349

mass meditation everything is there and

2441

02:11:36,100 --> 02:11:32,989

you can certainly do it also with the

2442

02:11:39,159 --> 02:11:36,110

live stream and that wouldn't that be

2443

02:11:41,169 --> 02:11:39,169

great but I I know that there are going

2444

02:11:42,729 --> 02:11:41,179

to be people across this country and

2445

02:11:45,609 --> 02:11:42,739

around the world that are going to be

2446

02:11:47,409 --> 02:11:45,619

locking in with all of us at the same

2447

02:11:51,159 --> 02:11:47,419

time so thank you for pointing that out

2448

02:11:53,500 --> 02:11:51,169

JP sure oh well I'd love to run one more

2449

02:11:55,629 --> 02:11:53,510

thing by you I paid attention this week

2450

02:11:57,069 --> 02:11:55,639

to see if you might have mentioned it

2451

02:11:59,919 --> 02:11:57,079

and it may be old news I made them

2452

02:12:02,020 --> 02:11:59,929

behind last week but this is a tying

2453

02:12:03,909 --> 02:12:02,030

into a little bit to the mass media

2454

02:12:05,979 --> 02:12:03,919

exposure of the topic content in our

2455

02:12:08,379 --> 02:12:05,989

world and also the caller earlier who

2456

02:12:10,209 --> 02:12:08,389

mentioned some of the conflicting

2457

02:12:13,000 --> 02:12:10,219

stories between the radar operators and

2458

02:12:15,279 --> 02:12:13,010

pilots of t TSA something that came out

2459

02:12:18,040 --> 02:12:15,289

I want to say it was published just

2460

02:12:20,169 --> 02:12:18,050

about a week ago maybe a little we canna

2461

02:12:23,679 --> 02:12:20,179

have to go and it was the transcript of

2462

02:12:28,000 --> 02:12:23,689

a speech that dr. Hal put off gave to a

2463

02:12:30,850 --> 02:12:28,010

conference of the Society for scientific

2464

02:12:32,049 --> 02:12:30,860

exploration and another Association

2465

02:12:36,129 --> 02:12:32,059

remote viewing

2466

02:12:38,379 --> 02:12:36,139

an annual gathering and even the

2467

02:12:40,209 --> 02:12:38,389

write-up of the speech itself remarks

2468

02:12:42,580 --> 02:12:40,219

but this is pretty uncharacteristic for

2469

02:12:45,179 --> 02:12:42,590

dr. put off you know attending to hold

2470

02:12:48,239 --> 02:12:45,189

back and really try to make more

2471

02:12:51,069 --> 02:12:48,249

generally scientific and defensible

2472

02:12:52,839 --> 02:12:51,079

statements and you know stay hard at

2473

02:12:54,250 --> 02:12:52,849

work and not necessarily grandstand

2474

02:12:56,890 --> 02:12:54,260

buying means but the speech actually

2475

02:13:00,759 --> 02:12:56,900

made some pretty bold assertions as far

2476

02:13:02,890 --> 02:13:00,769

as the disposition of TSA and the the

2477

02:13:04,839 --> 02:13:02,900

stuff that they're dealing with it's

2478

02:13:06,699 --> 02:13:04,849

worth checking out one thing I would

2479

02:13:09,339 --> 02:13:06,709

draw attention to just a so insofar as

2480

02:13:10,600 --> 02:13:09,349

it ties into many previous conversations

2481

02:13:13,330 --> 02:13:10,610

you had about the amount of information

2482

02:13:15,159 --> 02:13:13,340

versus useful information and extent to

2483

02:13:18,549 --> 02:13:15,169

which these different parties may be

2484

02:13:20,379 --> 02:13:18,559

perfectly or who knows for what reasons

2485

02:13:24,339 --> 02:13:20,389

coordinated or uncoordinated with one

2486

02:13:29,049 --> 02:13:24,349

another I he actually says in the speech

2487

02:13:30,159 --> 02:13:29,059

that refers specifically to the atheist

2488

02:13:31,479 --> 02:13:30,169

name and I know this is something that

2489

02:13:33,310 --> 02:13:31,489

has come up several several times but

2490

02:13:36,129 --> 02:13:33,320

refers to the Akers name as being a

2491

02:13:37,899 --> 02:13:36,139

nickname and that specifically says that

2492

02:13:39,520 --> 02:13:37,909

the reason people are having trouble

2493

02:13:42,120 --> 02:13:39,530

with FOIA requests or trying to get

2494

02:13:46,360 --> 02:13:42,130

anything out of the Pentagon is because

2495

02:13:48,550 --> 02:13:46,370

the name has continuously been missed

2496

02:13:50,860 --> 02:13:48,560

misrepresented and you forgive me from

2497

02:13:56,160 --> 02:13:50,870

kind of a long speech I should have had

2498

02:13:57,970 --> 02:13:56,170

pull up by 20 min I did but uh advanced

2499

02:13:59,110 --> 02:13:57,980

goodness gracious you'll forgive me I

2500

02:14:00,370 --> 02:13:59,120

know this is radio it's not thing you

2501
02:14:02,939 --> 02:14:00,380
can do but nevertheless there are lots

2502
02:14:05,320 --> 02:14:02,949
of highlights in the speech there are

2503
02:14:06,939 --> 02:14:05,330
points that he makes like you know

2504
02:14:10,120 --> 02:14:06,949
digging into some of the older stuff

2505
02:14:11,530 --> 02:14:10,130
about bismuth alloys that were

2506
02:14:13,570 --> 02:14:11,540
supposedly you know stuff going all the

2507
02:14:14,890 --> 02:14:13,580
way back to the 40s and and highly

2508
02:14:17,280 --> 02:14:14,900
advanced technical analysis of that

2509
02:14:22,810 --> 02:14:17,290
about how it can produce these wave

2510
02:14:24,220 --> 02:14:22,820
scattering effects and I don't know I

2511
02:14:25,930 --> 02:14:24,230
found that I found that very interesting

2512
02:14:27,879 --> 02:14:25,940
and I just wasn't sure if you heard

2513
02:14:34,500 --> 02:14:27,889

anything on that front recently

2514

02:14:37,899 --> 02:14:34,510

well my yes yes I've heard and I've read

2515

02:14:43,120 --> 02:14:37,909

everything that I can on this and and I

2516

02:14:48,700 --> 02:14:43,130

get it sent to me every day my my whole

2517

02:14:52,510 --> 02:14:48,710

take on this overall we are talking

2518

02:14:57,760 --> 02:14:52,520

about a relationship with the Pentagon

2519

02:14:59,770 --> 02:14:57,770

and allegedly okay I have to say

2520

02:15:04,390 --> 02:14:59,780

allegedly because no there's no ribbon

2521

02:15:09,669 --> 02:15:04,400

with to the Stars Academy and that they

2522

02:15:14,140 --> 02:15:09,679

are going to develop this technology and

2523

02:15:16,840 --> 02:15:14,150

bring it to the commercial sector right

2524

02:15:21,120 --> 02:15:16,850

okay and and and you know to humanity

2525

02:15:24,010 --> 02:15:21,130

now the the issue that I have is very

2526

02:15:27,120 --> 02:15:24,020

very basic and it's cut and dried

2527

02:15:33,209 --> 02:15:27,130

there's nothing to dance around here

2528

02:15:35,919 --> 02:15:33,219

either the Pentagon has UFO et

2529

02:15:41,169 --> 02:15:35,929

technology that they've captured have

2530

02:15:44,800 --> 02:15:41,179

been given or they do not I don't want

2531

02:15:47,290 --> 02:15:44,810

it's cut and dried I don't want to hear

2532

02:15:48,939 --> 02:15:47,300

we're looking into the technology we're

2533

02:15:50,160 --> 02:15:48,949

looking at these videos we're trying to

2534

02:15:51,660 --> 02:15:50,170

figure out what

2535

02:15:53,490 --> 02:15:51,670

is really going on here this is

2536

02:15:57,000 --> 02:15:53,500

interesting there's something definitely

2537

02:16:01,169 --> 02:15:57,010

going on that that I've heard a million

2538

02:16:05,640 --> 02:16:01,179

times we all have missing right either

2539

02:16:09,930 --> 02:16:05,650

either they do or they don't don't play

2540

02:16:12,600 --> 02:16:09,940

around that's it that's it no I don't

2541

02:16:14,430 --> 02:16:12,610

care about videos we're analyzing a

2542

02:16:17,250 --> 02:16:14,440

video dude I've seen videos every single

2543

02:16:20,220 --> 02:16:17,260

day I don't care about videos I don't

2544

02:16:24,510 --> 02:16:20,230

care about speculation I don't care I

2545

02:16:28,919 --> 02:16:24,520

want to know does the Pentagon yes or no

2546

02:16:31,770 --> 02:16:28,929

possess this technology that's it that's

2547

02:16:34,860 --> 02:16:31,780

the end of it that's the end of it

2548

02:16:38,120 --> 02:16:34,870

everything else BS it's just all behind

2549

02:16:41,280 --> 02:16:38,130

me yes you know the caller earlier and

2550

02:16:43,860 --> 02:16:41,290

again I respect everybody's opinion but

2551

02:16:47,310 --> 02:16:43,870

the call earlier about Travis the radar

2552

02:16:50,540 --> 02:16:47,320

operator and the tic-tac UFO or whether

2553

02:16:55,770 --> 02:16:50,550

it's a silver disc you know what

2554

02:16:59,219 --> 02:16:55,780

blah-blah-blah-blah-blah I want to know

2555

02:17:03,990 --> 02:16:59,229

does the Pentagon have this technology

2556

02:17:06,780 --> 02:17:04,000

in their possession that's it it's a

2557

02:17:09,240 --> 02:17:06,790

yes-or-no question that's a yes or no

2558

02:17:11,719 --> 02:17:09,250

question for anybody so there you go Jay

2559

02:17:13,560 --> 02:17:11,729

thank you for the phone call my friend

2560

02:17:15,419 --> 02:17:13,570

absolutely let me hit you one more thing

2561

02:17:17,549 --> 02:17:15,429

one more aspect to it and on the topic

2562

02:17:20,400 --> 02:17:17,559

of the space force it's interesting to

2563

02:17:21,780 --> 02:17:20,410

note that the there is has been for you

2564

02:17:22,860 --> 02:17:21,790

know decades now the existence of the

2565

02:17:25,290 --> 02:17:22,870

United States Air Force Space Command

2566

02:17:28,560 --> 02:17:25,300

which has a lot to do with a launches

2567

02:17:29,580 --> 02:17:28,570

GPS satellites and cyber coordination

2568

02:17:32,040 --> 02:17:29,590

among the different branches in the

2569

02:17:35,629 --> 02:17:32,050

Syrian Air Force that already consists

2570

02:17:38,100 --> 02:17:35,639

of a more than you know 35,000

2571

02:17:43,799 --> 02:17:38,110

deployments that is a I think somewhere

2572

02:17:45,690 --> 02:17:43,809

20 to 25 K that is military and close to

2573

02:17:46,890 --> 02:17:45,700

10 K civilian you know all around the

2574

02:17:49,320 --> 02:17:46,900

world in more than hundred 30 locations

2575

02:17:51,330 --> 02:17:49,330

and that will become the core of the

2576

02:17:54,150 --> 02:17:51,340

space force I've heard some rumors that

2577

02:17:56,129 --> 02:17:54,160

you know Congress has kind of in mind

2578

02:17:58,890 --> 02:17:56,139

some people for a long time so I just

2579

02:18:00,780 --> 02:17:58,900

wanted to throw that at you but uh this

2580

02:18:02,610 --> 02:18:00,790

is my second time calling my first time

2581

02:18:03,840 --> 02:18:02,620

was back several several several weeks

2582

02:18:05,430 --> 02:18:03,850

so when you did that

2583

02:18:07,500 --> 02:18:05,440

I'll get over the mug they get that I

2584

02:18:09,000 --> 02:18:07,510

enjoy my coffee over it every day

2585

02:18:12,571 --> 02:18:09,010

thanks for everything that you do have a

2586

02:18:14,130 --> 02:18:12,581

great weekend right on JP thank you for

2587

02:18:17,821 --> 02:18:14,140

the phone call I was talking about that

2588

02:18:19,831 --> 02:18:17,831

the other night that now these numbers

2589

02:18:24,571 --> 02:18:19,841

being thrown around by the Pentagon yeah

2590

02:18:28,380 --> 02:18:24,581

15,000 20,000 force with another group

2591

02:18:30,720 --> 02:18:28,390

of civilian contractors too as well so

2592

02:18:33,750 --> 02:18:30,730

yeah yeah that number is pretty high

2593

02:18:39,420 --> 02:18:33,760

let's go to area code 949 you're up next

2594

02:18:49,640 --> 02:18:39,430

time fade to black who's calling who's

2595

02:18:49,650 --> 02:18:54,470

Brad what's on your mind

2596

02:19:00,661 --> 02:18:59,041

okay okay your your phone is cutting in

2597

02:19:04,170 --> 02:19:00,671

and cutting out Brad you got to give us

2598

02:19:06,810 --> 02:19:04,180

a call back and we will get you on the

2599

02:19:14,640 --> 02:19:06,820

air but clean that thing up and we'll

2600

02:19:18,031 --> 02:19:14,650

talk to you area 702 who's his reco 702

2601

02:19:21,420 --> 02:19:18,041

Oh oops

2602

02:19:23,100 --> 02:19:21,430

are you there yes I am can you hear me

2603

02:19:27,180 --> 02:19:23,110

yeah I'm trying to get a clean line

2604

02:19:29,911 --> 02:19:27,190

through here okay who's calling my area

2605

02:19:31,940 --> 02:19:29,921

codes actually six six yes you know how

2606

02:19:37,100 --> 02:19:31,950

many phones are coming in right now

2607

02:19:41,340 --> 02:19:40,770

call you about you study ah what what

2608

02:19:44,430 --> 02:19:41,350

about it

2609

02:19:47,701 --> 02:19:44,440

um I just want elevators I went there

2610

02:19:49,680 --> 02:19:47,711

last August with my husband and it was

2611

02:19:51,661 --> 02:19:49,690

so awesome so I just wanted to let them

2612

02:19:54,480 --> 02:19:51,671

know that I had a private reading with

2613

02:19:55,921 --> 02:19:54,490

Jane right and he was telling me things

2614

02:19:58,171 --> 02:19:55,931

because I asked them if it's of a two

2615

02:20:00,421 --> 02:19:58,181

and a five year old and he was telling

2616

02:20:02,251 --> 02:20:00,431

me that my son was like I don't know

2617

02:20:04,921 --> 02:20:02,261

it's a seventh dimensional lion being

2618

02:20:06,451 --> 02:20:04,931

and I said I was it go okay you know and

2619

02:20:08,430 --> 02:20:06,461

I didn't really think too much of it and

2620

02:20:10,140 --> 02:20:08,440

then when I got home I realized because

2621

02:20:13,501 --> 02:20:10,150

he's like those lions beings and like

2622

02:20:15,900 --> 02:20:13,511

Indian mythology are like the protector

2623

02:20:17,400 --> 02:20:15,910

of the gods and I got home I realized

2624

02:20:20,250 --> 02:20:17,410

his name is Ben

2625

02:20:24,630 --> 02:20:20,260

which means defender of men his blanket

2626

02:20:25,800 --> 02:20:24,640

had a huge lion on it and yeah I was

2627

02:20:30,389 --> 02:20:25,810

like the crazy thing and his middle name

2628

02:20:35,010 --> 02:20:30,399

means lion and of course James didn't

2629

02:20:39,450 --> 02:20:35,020

know but you never you know Wow that is

2630

02:20:42,179 --> 02:20:39,460

totally cool know that I hate that when

2631

02:20:45,150 --> 02:20:42,189

that happens something now

2632

02:20:47,700 --> 02:20:45,160

how was he said he for you though oh I

2633

02:20:48,929 --> 02:20:47,710

loved it it was really cool and I think

2634

02:20:50,370 --> 02:20:48,939

the cool thing about the theaters going

2635

02:20:52,320 --> 02:20:50,380

is that we went on it

2636

02:20:54,480 --> 02:20:52,330

and I were like the Friday night random

2637

02:20:56,460 --> 02:20:54,490

people came and we saw a little bit and

2638

02:20:58,139 --> 02:20:56,470

like the next night we didn't see

2639

02:21:00,510 --> 02:20:58,149

anything ton of people but people

2640

02:21:01,950 --> 02:21:00,520

weren't staying there and then one night

2641

02:21:04,170 --> 02:21:01,960

it was just the people were saying that

2642

02:21:10,969 --> 02:21:04,180

we saw like oh my god like almost I

2643

02:21:18,510 --> 02:21:14,280

it's insane that happened to us too as

2644

02:21:24,170 --> 02:21:18,520

well we we did I think we did for four

2645

02:21:26,460 --> 02:21:24,180

nights up there one was like okay

2646

02:21:28,080 --> 02:21:26,470

alright it was there were some things

2647

02:21:28,710 --> 02:21:28,090

going on and it was fun and we were

2648

02:21:32,100 --> 02:21:28,720

having a good time

2649

02:21:34,440 --> 02:21:32,110

the the second night was the night that

2650

02:21:38,639 --> 02:21:34,450

all hell broke loose man it was just

2651
02:21:40,320 --> 02:21:38,649
like it was crazy it was you know it was

2652
02:21:43,380 --> 02:21:40,330
like stuff to the left stuff to the

2653
02:21:46,590 --> 02:21:43,390
right stuff above is they just just and

2654
02:21:55,250 --> 02:21:46,600
it was not for about 45 minutes

2655
02:21:57,840 --> 02:21:55,260
there was a 45 minute run of chaos and

2656
02:22:00,000 --> 02:21:57,850
it seemed like it was a three-way like a

2657
02:22:01,950 --> 02:22:00,010
UFO freeway on top of us and they're

2658
02:22:03,719 --> 02:22:01,960
just like going about their business you

2659
02:22:05,900 --> 02:22:03,729
know it was insane and my husband who

2660
02:22:08,700 --> 02:22:05,910
was like a non-believer and he's like a

2661
02:22:11,190 --> 02:22:08,710
oncology pharmacist he's like okay I'll

2662
02:22:15,889 --> 02:22:11,200
just go with you you know she was like

2663
02:22:20,940 --> 02:22:15,899

wow yeah he's different today isn't he

2664

02:22:22,500 --> 02:22:20,950

but what was really crazy for me that

2665

02:22:24,420 --> 02:22:22,510

second night and the third night in the

2666

02:22:25,210 --> 02:22:24,430

fourth night were really cool too there

2667

02:22:28,929 --> 02:22:25,220

was a lot of

2668

02:22:31,000 --> 02:22:28,939

but that second night when everything

2669

02:22:36,550 --> 02:22:31,010

broke loose

2670

02:22:39,340 --> 02:22:36,560

I got to the point where the the stuff

2671

02:22:43,090 --> 02:22:39,350

on the mountain which was there that was

2672

02:22:45,040 --> 02:22:43,100

like filler material right because we

2673

02:22:46,599 --> 02:22:45,050

were looking up I mean it was stuff

2674

02:22:48,070 --> 02:22:46,609

guard numbers like okay you know a

2675

02:22:49,719 --> 02:22:48,080

little break in the action what's going

2676

02:22:50,170 --> 02:22:49,729

on in the mountain you know needs look

2677

02:22:53,530 --> 02:22:50,180

in there

2678

02:22:57,580 --> 02:22:53,540

crazy stuff going on on that mountain

2679

02:23:00,070 --> 02:22:57,590

like really weird colored flashes of

2680

02:23:01,450 --> 02:23:00,080

light and during the day you look at the

2681

02:23:05,070 --> 02:23:01,460

mountain you're looking at the snow and

2682

02:23:09,250 --> 02:23:05,080

the ice you know a sheer phase a cliff

2683

02:23:12,460 --> 02:23:09,260

could what was there last night so then

2684

02:23:15,700 --> 02:23:12,470

there's nothing there it's crazy so then

2685

02:23:19,360 --> 02:23:15,710

we go to Shasta we go to Shasta a couple

2686

02:23:21,219 --> 02:23:19,370

of weeks later up in Shasta and which is

2687

02:23:26,650 --> 02:23:21,229

great it's a fun community and it was

2688

02:23:28,990 --> 02:23:26,660

all cool but after he said he I had you

2689

02:23:31,420 --> 02:23:29,000

know certain expectations about Shasta

2690

02:23:35,110 --> 02:23:31,430

oh yeah and and I stared at that

2691

02:23:38,139 --> 02:23:35,120

mountain for three days nothing now we

2692

02:23:40,000 --> 02:23:38,149

did yeah we did night vision there we

2693

02:23:42,580 --> 02:23:40,010

did night vision one night it was great

2694

02:23:44,679 --> 02:23:42,590

there was really cool stuff to see and

2695

02:23:46,590 --> 02:23:44,689

and there were stuff going up in the sky

2696

02:23:50,800 --> 02:23:46,600

but Shasta itself

2697

02:23:55,870 --> 02:23:50,810

nada and I'm thinking what went on at

2698

02:23:59,460 --> 02:23:55,880

ESET II which was a non-stop thing going

2699

02:24:03,070 --> 02:23:59,470

on in that mountain you know I I don't I

2700

02:24:04,929 --> 02:24:03,080

still experience I had night vision we

2701

02:24:07,330 --> 02:24:04,939

didn't even know that I was like oh my

2702

02:24:09,250 --> 02:24:07,340

god so far we've seen like 40 50 lights

2703

02:24:11,050 --> 02:24:09,260

and I was like oh how many of you think

2704

02:24:12,519 --> 02:24:11,060

he's like oh I wasn't even counting it's

2705

02:24:13,300 --> 02:24:12,529

like hundreds by the time he had the

2706

02:24:16,570 --> 02:24:13,310

night vision

2707

02:24:18,400 --> 02:24:16,580

no you saw that many vision they're like

2708

02:24:20,620 --> 02:24:18,410

yeah but with the naked eye things were

2709

02:24:23,530 --> 02:24:20,630

like lighting up powering up I know I

2710

02:24:26,950 --> 02:24:23,540

know that was you see Samantha you bring

2711

02:24:30,040 --> 02:24:26,960

up the best point of all night vision up

2712

02:24:33,160 --> 02:24:30,050

in the sky you're gonna see stuff up at

2713

02:24:35,139 --> 02:24:33,170

East SETI you night visions great

2714

02:24:38,260 --> 02:24:35,149

binoculars are great but you don't need

2715

02:24:40,540 --> 02:24:38,270

any you just stand there right and

2716

02:24:44,200 --> 02:24:40,550

and things are going down so anyway you

2717

02:24:47,920 --> 02:24:44,210

can look at chastised 14-mile I'm in

2718

02:24:49,510 --> 02:24:47,930

Shasta Mount Adams is 14 away and you're

2719

02:24:51,189 --> 02:24:49,520

standing there in the dark looking at

2720

02:24:54,630 --> 02:24:51,199

that mountain and this thing's lighting

2721

02:24:58,149 --> 02:24:54,640

up like a Christmas tree and I think

2722

02:24:59,920 --> 02:24:58,159

with your eyeballs you know it's so much

2723

02:25:01,389 --> 02:24:59,930

fun are you coming you don't get so

2724

02:25:03,250 --> 02:25:01,399

you're out there because it's so roll

2725

02:25:05,080 --> 02:25:03,260

you know you think okay then let's do a

2726
02:25:06,880 --> 02:25:05,090
lot of places around there's nothing out

2727
02:25:08,170 --> 02:25:06,890
there so by the time you get up so now

2728
02:25:10,300 --> 02:25:08,180
and a happy like absolutely nothing

2729
02:25:12,219 --> 02:25:10,310
there's nothing there look at it on

2730
02:25:16,569 --> 02:25:12,229
Google Maps right on Google Earth

2731
02:25:19,389 --> 02:25:16,579
there's nothing there but trees there's

2732
02:25:22,330 --> 02:25:19,399
no houses there's no nothing it's rare

2733
02:25:24,519 --> 02:25:22,340
Indian Reservation land there's no roads

2734
02:25:26,200 --> 02:25:24,529
there's a couple of fire trails here and

2735
02:25:27,849 --> 02:25:26,210
there then when you get to the mountain

2736
02:25:30,819 --> 02:25:27,859
itself there's nothing there there's

2737
02:25:32,200 --> 02:25:30,829
nothing now there may be you know and I

2738
02:25:34,809 --> 02:25:32,210

was thinking to myself there maybe

2739

02:25:36,099 --> 02:25:34,819

there's a mountain climber or a group of

2740

02:25:38,559 --> 02:25:36,109

mountain climbers up there and they've

2741

02:25:40,210 --> 02:25:38,569

got tents and they're on the side of the

2742

02:25:43,510 --> 02:25:40,220

mountain and they've got flashlights

2743

02:25:45,609 --> 02:25:43,520

when was the last time you saw a

2744

02:25:50,979 --> 02:25:45,619

flashlight on the side of a mountain or

2745

02:25:56,979 --> 02:25:50,989

anywhere from 14 miles away moving back

2746

02:25:59,769 --> 02:25:56,989

it's moving miles right I was trying I'm

2747

02:26:02,139 --> 02:25:59,779

trying to be sensible in my mind they've

2748

02:26:04,540 --> 02:26:02,149

got a snowmobile it's a snowmobile with

2749

02:26:07,330 --> 02:26:04,550

a headlight you know and then you that's

2750

02:26:09,609 --> 02:26:07,340

right you know I'm trying to you know be

2751

02:26:12,130 --> 02:26:09,619

the skeptic I'm trying to debunk it and

2752

02:26:14,380 --> 02:26:12,140

then you look at it during the day there

2753

02:26:17,590 --> 02:26:14,390

ain't no snowmobile going across the

2754

02:26:19,779 --> 02:26:17,600

face of a mountain it's just not at two

2755

02:26:20,229 --> 02:26:19,789

o'clock in the morning right so there

2756

02:26:22,599 --> 02:26:20,239

you go

2757

02:26:24,069 --> 02:26:22,609

basically skeptic husband by the time it

2758

02:26:26,139 --> 02:26:24,079

was over I first was like okay maybe

2759

02:26:27,969 --> 02:26:26,149

that's satellite maybe doesn't by the

2760

02:26:30,399 --> 02:26:27,979

end he's like okay I guess they're here

2761

02:26:32,439 --> 02:26:30,409

but now what general obviously there's

2762

02:26:34,800 --> 02:26:32,449

something going on are you are you

2763

02:26:37,540 --> 02:26:34,810

coming up are you going to a soul tech

2764

02:26:39,729 --> 02:26:37,550

no we'll be in the middle of we're

2765

02:26:41,559 --> 02:26:39,739

moving at the different house back I'm

2766

02:26:43,899 --> 02:26:41,569

so excited one the feeders to like

2767

02:26:45,069 --> 02:26:43,909

really be psyched about experience

2768

02:26:46,389 --> 02:26:45,079

because they're gonna have a ton of fun

2769

02:26:48,760 --> 02:26:46,399

you had to probably just come see one

2770

02:26:50,229 --> 02:26:48,770

land on the right and there on the grass

2771

02:26:51,270 --> 02:26:50,239

of all people you're taking you know

2772

02:26:53,610 --> 02:26:51,280

it's so

2773

02:26:58,350 --> 02:26:53,620

fun there's nothing like sitting in

2774

02:27:00,690 --> 02:26:58,360

those chairs on a on a star-filled night

2775

02:27:02,761 --> 02:27:00,700

up in he said II it's just there's

2776

02:27:04,110 --> 02:27:02,771

nothing better nothing better thank you

2777

02:27:06,810 --> 02:27:04,120

so much Samantha I gotta head to a

2778

02:27:07,921 --> 02:27:06,820

commercial okay you guys have a great

2779

02:27:10,080 --> 02:27:07,931

time thank you

2780

02:27:12,001 --> 02:27:10,090

Thank You Samantha that's a great phone

2781

02:27:14,850 --> 02:27:12,011

call yeah have a great night

2782

02:27:18,330 --> 02:27:14,860

this is fade to black Thursday night

2783

02:27:24,720 --> 02:27:18,340

Fator night taking your calls all night

2784

02:27:28,090 --> 02:27:24,730

long the phones have been jammed Lone

2785

02:27:31,689 --> 02:27:28,100

Star I'll be right back

2786

02:27:38,840 --> 02:27:31,699

[Music]

2787

02:27:40,910 --> 02:27:38,850

church radio calm this is kg are a

2788

02:27:45,790 --> 02:27:40,920

digital news station

2789

02:27:48,859 --> 02:27:45,800

Salt Lake City Utah Van Buren Arkansas

2790

02:27:51,050 --> 02:27:48,869

let's get this man to the ER stat right

2791

02:27:53,719 --> 02:27:51,060

away doctor we see this every day heart

2792

02:27:56,120 --> 02:27:53,729

attack or angina pain due to blocked and

2793

02:27:58,399 --> 02:27:56,130

clogged arteries chelation can remove

2794

02:28:00,139 --> 02:27:58,409

obstructions or blockages from arteries

2795

02:28:01,010 --> 02:28:00,149

and help avoid painful and expensive

2796

02:28:03,199 --> 02:28:01,020

surgery

2797

02:28:05,149 --> 02:28:03,209

now there's angio prim it's a liquid

2798

02:28:07,429 --> 02:28:05,159

oral chelation product that you take

2799

02:28:09,649 --> 02:28:07,439

with juice you start to feel the results

2800

02:28:11,599 --> 02:28:09,659

fast angio primm increases blood flow

2801
02:28:13,790 --> 02:28:11,609
all over the body and that means more

2802
02:28:16,489 --> 02:28:13,800
energy and strength to take on the day

2803
02:28:18,469 --> 02:28:16,499
with less aches and pains 60 years of

2804
02:28:21,649 --> 02:28:18,479
research has gone into chelation and

2805
02:28:24,229 --> 02:28:21,659
angiogram is the result a safe and easy

2806
02:28:26,359 --> 02:28:24,239
way to unblock veins and arteries from

2807
02:28:28,370 --> 02:28:26,369
buildup that slow circulation shaping

2808
02:28:30,139 --> 02:28:28,380
dr. Jones please report to the emergency

2809
02:28:32,449 --> 02:28:30,149
room right away log on now for a special

2810
02:28:37,000 --> 02:28:32,459
radio offer from angio primm that's

2811
02:28:39,920 --> 02:28:37,010
angio prim calm / radio a ng IO PRI M

2812
02:28:41,569 --> 02:28:39,930
angiogram calm / radio are called eight

2813
02:28:43,370 --> 02:28:41,579

seven seven eight a two seventy two

2814

02:28:47,210 --> 02:28:43,380

twenty one that's eight seven seven

2815

02:28:49,670 --> 02:28:47,220

eight a two seventy two twenty one so

2816

02:28:53,330 --> 02:28:49,680

you love talk radio then you'll love

2817

02:28:56,179 --> 02:28:53,340

talk stream live.com talk stream live is

2818

02:28:58,429 --> 02:28:56,189

always on 24/7 with the best streaming

2819

02:29:00,500 --> 02:28:58,439

talk shows find your favorite talkers

2820

02:29:03,199 --> 02:29:00,510

and discover some new ones it's free

2821

02:29:04,460 --> 02:29:03,209

readily available online or on the

2822

02:29:06,500 --> 02:29:04,470

smartphone or tablet

2823

02:29:08,540 --> 02:29:06,510

finding your favorite talk shows all in

2824

02:29:11,960 --> 02:29:08,550

one place has gotten a whole lot easier

2825

02:29:13,429 --> 02:29:11,970

just go to talk stream live.com be sure

2826
02:29:17,449 --> 02:29:13,439
to download the free apps from Google

2827
02:29:18,830 --> 02:29:17,459
Play or the itunes app store your

2828
02:29:23,030 --> 02:29:18,840
contact recurrent

2829
02:29:25,760 --> 02:29:23,040
and trending topics que GRA radio.com

2830
02:29:28,150 --> 02:29:25,770
what can I say about the most popular T

2831
02:29:31,670 --> 02:29:28,160
on the internet and what a customers say

2832
02:29:34,969 --> 02:29:31,680
change teeth and get the T calm a lot

2833
02:29:37,550 --> 02:29:34,979
but by federal law we get the t-dot-com

2834
02:29:39,830 --> 02:29:37,560
cannot make claims to how this product

2835
02:29:41,810 --> 02:29:39,840
can enhance your health we cannot even

2836
02:29:44,599 --> 02:29:41,820
post our testimonies without being in

2837
02:29:46,880 --> 02:29:44,609
compliance so how do we get past the

2838
02:29:50,210 --> 02:29:46,890

hump try our products that get the T

2839

02:29:53,090 --> 02:29:50,220

calm and see for yourself you can send

2840

02:29:54,230 --> 02:29:53,100

us a testimony but we just can't post it

2841

02:29:58,130 --> 02:29:54,240

bummer

2842

02:29:59,810 --> 02:29:58,140

our products are GMO free and organic we

2843

02:30:02,179 --> 02:29:59,820

pride ourself in being the best we can

2844

02:30:05,210 --> 02:30:02,189

be and we urge you to take charge of

2845

02:30:07,130 --> 02:30:05,220

your health we're loving your strong and

2846

02:30:09,050 --> 02:30:07,140

many of our customers have shared their

2847

02:30:10,670 --> 02:30:09,060

successes with friends and family

2848

02:30:13,990 --> 02:30:10,680

protect your colon

2849

02:30:22,700 --> 02:30:14,000

log on to get the T com that's get the

2850

02:30:24,170 --> 02:30:22,710

t.com get the t.com get t.com did you

2851
02:30:26,690 --> 02:30:24,180
know that when you're on the road with

2852
02:30:28,730 --> 02:30:26,700
limited data or Wi-Fi available you can

2853
02:30:31,160 --> 02:30:28,740
still listen to every minute of fade to

2854
02:30:33,560 --> 02:30:31,170
black by just calling six oh five five

2855
02:30:36,050 --> 02:30:33,570
six two four four eight two no

2856
02:30:38,360 --> 02:30:36,060
smartphone app or Internet needed it

2857
02:30:41,000 --> 02:30:38,370
saves your data plan and no extra cost

2858
02:30:43,849 --> 02:30:41,010
if you have unlimited minutes just call

2859
02:30:46,310 --> 02:30:43,859
six oh five five six two four four eight

2860
02:30:55,260 --> 02:30:46,320
two you can listen to me Jimmy Church on

2861
02:30:55,270 --> 02:30:59,321
[Music]

2862
02:31:05,691 --> 02:31:01,430
you wanna know a secret

2863
02:31:08,661 --> 02:31:05,701

I love ponies I really love ponies I'm

2864

02:31:12,161 --> 02:31:08,671

serious I couldn't stay sane without

2865

02:31:18,411 --> 02:31:12,171

poor mr. Brooks why fade to black

2866

02:31:22,411 --> 02:31:20,281

this is fade to black

2867

02:31:26,100 --> 02:31:22,421

with Jimmy Church on the game changer

2868

02:31:28,470 --> 02:31:26,110

radio network and kgr a the global radio

2869

02:31:42,110 --> 02:31:28,480

alliance

2870

02:31:44,370 --> 02:31:42,120

[Music]

2871

02:31:47,700 --> 02:31:44,380

welcome back fade to black coming notes

2872

02:31:50,310 --> 02:31:47,710

to be Church follow me on twitter @ JT

2873

02:31:53,160 --> 02:31:50,320

radio email is Jimmy and Jimmy Church

2874

02:31:56,070 --> 02:31:53,170

radio calm it's Thursday night fainter

2875

02:31:58,410 --> 02:31:56,080

night open line all night long my theme

2876
02:32:01,320 --> 02:31:58,420
of the week hanging out with each and

2877
02:32:06,390 --> 02:32:01,330
every one of you last segment of the

2878
02:32:12,330 --> 02:32:06,400
show 3 2 3 8 2 5 5 0 of 4 or 5 or 3 2 3

2879
02:32:14,850 --> 02:32:12,340
2 7 5 9 6 9 5 o great phone calls

2880
02:32:17,880 --> 02:32:14,860
tonight all of them been jammed I'm

2881
02:32:21,000 --> 02:32:17,890
letting everybody know it this is one of

2882
02:32:23,310 --> 02:32:21,010
the craziest failure nights just

2883
02:32:27,210 --> 02:32:23,320
completely jammed I'm trying to get

2884
02:32:29,700 --> 02:32:27,220
everybody in let's go to area code seven

2885
02:32:31,940 --> 02:32:29,710
one four you're up next on fader block

2886
02:32:35,040 --> 02:32:31,950
who's calling

2887
02:32:38,011 --> 02:32:35,050
in from Irvine hi come on hey Kim from

2888
02:32:40,080 --> 02:32:38,021

Irvine how are you I am fine thank you

2889

02:32:41,761 --> 02:32:40,090

sir great night like you said thank you

2890

02:32:43,620 --> 02:32:41,771

for taking my call are you good I know

2891

02:32:47,550 --> 02:32:43,630

I'm fine are you coming up all right

2892

02:32:49,410 --> 02:32:47,560

disclose your fast I am coming up and

2893

02:32:51,090 --> 02:32:49,420

better than that I get to take my

2894

02:32:53,400 --> 02:32:51,100

daughter for years she took me to see

2895

02:32:55,650 --> 02:32:53,410

her people with the kpop and this year I

2896

02:32:58,020 --> 02:32:55,660

get to take my daughter to see my people

2897

02:33:00,390 --> 02:32:58,030

at the disclosure fest it's a real treat

2898

02:33:05,160 --> 02:33:00,400

that's what I'm talking about how old is

2899

02:33:08,310 --> 02:33:05,170

she she's 23 23 right now I can't wait

2900

02:33:11,450 --> 02:33:08,320

bring her up and she can meet Rita and

2901

02:33:14,280 --> 02:33:11,460

myself I really look forward to it

2902

02:33:16,650 --> 02:33:14,290

that'll be great Thank You Jimmy

2903

02:33:20,100 --> 02:33:16,660

so just one one right thing for the

2904

02:33:21,960 --> 02:33:20,110

today's conspiracy in this for my kids

2905

02:33:24,090 --> 02:33:21,970

have like I said are grown now and

2906

02:33:27,270 --> 02:33:24,100

forever I have been telling them that

2907

02:33:29,430 --> 02:33:27,280

you could balance an egg today and so

2908

02:33:31,590 --> 02:33:29,440

every year I balance an egg one way or

2909

02:33:33,000 --> 02:33:31,600

the other I am going to balance is egg I

2910

02:33:35,000 --> 02:33:33,010

thought I would share that with the

2911

02:33:38,400 --> 02:33:35,010

fader nuts and did you pull it off you

2912

02:33:40,200 --> 02:33:38,410

bet I pulled it off the salt and

2913

02:33:45,240 --> 02:33:40,210

everything but there's a trick and you

2914

02:33:48,930 --> 02:33:45,250

could do it I my dad did it to me but he

2915

02:33:51,600 --> 02:33:48,940

had salt on the table yep yep that'll do

2916

02:33:53,190 --> 02:33:51,610

it too but if you just if you just shake

2917

02:33:55,139 --> 02:33:53,200

the egg hard and break the yolk the

2918

02:33:57,949 --> 02:33:55,149

yokels little to the bottom and

2919

02:34:02,010 --> 02:33:57,959

can balance it every time is that right

2920

02:34:04,080 --> 02:34:02,020

yeah is it oh man I wish I would have

2921

02:34:06,719 --> 02:34:04,090

known that when uh when my daughters

2922

02:34:09,269 --> 02:34:06,729

were still young well they don't buy it

2923

02:34:12,929 --> 02:34:09,279

well you don't know today now they ma'am

2924

02:34:15,149 --> 02:34:12,939

and they see through everything yeah but

2925

02:34:19,170 --> 02:34:15,159

still you know Dead has this dad has

2926

02:34:21,090 --> 02:34:19,180

this magic power anyways right on Ken so

2927

02:34:22,920 --> 02:34:21,100

what's on your mind what's on your mind

2928

02:34:24,569 --> 02:34:22,930

that was actually really that was it I

2929

02:34:27,389 --> 02:34:24,579

get to share my people with my daughter

2930

02:34:29,609 --> 02:34:27,399

and to share the midea egg balancing I

2931

02:34:31,800 --> 02:34:29,619

think you can and we'll see you in two

2932

02:34:33,830 --> 02:34:31,810

days man we'll see you up here in Los

2933

02:34:36,479 --> 02:34:33,840

Angeles for disclosure fest

2934

02:34:39,330 --> 02:34:36,489

looking forward great fun have a great

2935

02:34:42,510 --> 02:34:39,340

night good night YouTube

2936

02:34:46,380 --> 02:34:42,520

that's I didn't know that you shake the

2937

02:34:50,279 --> 02:34:46,390

egg you break the yolk I swear I've

2938

02:34:52,290 --> 02:34:50,289

never heard that I got that that's why

2939

02:34:54,449 --> 02:34:52,300

we do thirsty and I can feed her night

2940

02:34:58,130 --> 02:34:54,459

right there I just learned something I

2941

02:35:01,769 --> 02:34:58,140

got a mess we have two young nieces

2942

02:35:05,809 --> 02:35:01,779

three we have three nice Rita how many

2943

02:35:09,960 --> 02:35:05,819

nieces do we have so we have three this

2944

02:35:11,880 --> 02:35:09,970

is gonna be good Rita's listening to me

2945

02:35:15,029 --> 02:35:11,890

right now all right let's go back to the

2946

02:35:18,779 --> 02:35:15,039

phones I think we got this is Erik Erik

2947

02:35:22,529 --> 02:35:18,789

where are you today how you doing I'm

2948

02:35:24,689 --> 02:35:22,539

doing good Eric I'm doing real good I'm

2949

02:35:26,399 --> 02:35:24,699

out here too at the Lake Powell resort I

2950

02:35:29,429 --> 02:35:26,409

was I wasn't planning to come here but

2951

02:35:31,170 --> 02:35:29,439

it was on the way to Dulce New Mexico so

2952

02:35:34,290 --> 02:35:31,180

I put it on the bucket list and I had to

2953

02:35:37,859 --> 02:35:34,300

sign up so wait a minute you're not

2954

02:35:39,929 --> 02:35:37,869

coming to disclosure fest yes that's I

2955

02:35:41,519 --> 02:35:39,939

called to really really the reason I

2956

02:35:44,010 --> 02:35:41,529

called is to tell you I'm sorry

2957

02:35:45,719 --> 02:35:44,020

sincerely and I'm I'm a little bummed

2958

02:35:47,519 --> 02:35:45,729

I'm actually quite bummed because I

2959

02:35:49,290 --> 02:35:47,529

heard you added Emery Smith at the last

2960

02:35:50,880 --> 02:35:49,300

minute had I known he was gonna be there

2961

02:35:53,880 --> 02:35:50,890

I would have never planned that come to

2962

02:35:57,059 --> 02:35:53,890

allsafe but tomorrow night I'm going to

2963

02:35:59,099 --> 02:35:57,069

be her party with a bunch of people with

2964

02:36:00,330 --> 02:35:59,109

Derrel Sims and he's going to show me

2965

02:36:03,090 --> 02:36:00,340

the pictures that I just wanted your

2966

02:36:04,739 --> 02:36:03,100

permission to mention Jimmy Church and

2967

02:36:06,899 --> 02:36:04,749

kind of drop your name so maybe he'll

2968

02:36:08,849 --> 02:36:06,909

kick down some pictures that I couldn't

2969

02:36:11,489 --> 02:36:08,859

share with the fader lots you can do

2970

02:36:12,300 --> 02:36:11,499

at anytime Darrell is a daryl is one

2971

02:36:17,010 --> 02:36:12,310

cool dude

2972

02:36:19,229 --> 02:36:17,020

so that Dulce is this weekend yeah and I

2973

02:36:22,080 --> 02:36:19,239

planned it a long time ago and quickly I

2974

02:36:24,510 --> 02:36:22,090

didn't know about the disclosure fest so

2975

02:36:25,830 --> 02:36:24,520

next year let's get let's really promote

2976

02:36:27,779 --> 02:36:25,840

this thing like three months ahead of

2977

02:36:29,519 --> 02:36:27,789

time because I tell you if I had known I

2978

02:36:30,750 --> 02:36:29,529

honestly didn't even know until like a

2979

02:36:32,849 --> 02:36:30,760

week ago hmm

2980

02:36:36,059 --> 02:36:32,859

I don't know how that happened I'm

2981

02:36:37,500 --> 02:36:36,069

shocked but anyway that's okay you know

2982

02:36:39,090 --> 02:36:37,510

I'm excited for you guys I'm gonna miss

2983

02:36:45,149 --> 02:36:39,100

you guys I'm gonna tell you something

2984

02:36:49,109 --> 02:36:45,159

funny the the response that I got I got

2985

02:36:52,819 --> 02:36:49,119

so much email about your phone call a

2986

02:36:55,019 --> 02:36:52,829

couple of weeks ago from people that

2987

02:36:56,819 --> 02:36:55,029

listened to the show for like the first

2988

02:36:59,819 --> 02:36:56,829

time right they've never heard it before

2989

02:37:03,540 --> 02:36:59,829

and they thought that you were just some

2990

02:37:06,000 --> 02:37:03,550

caller that I was abusing how can you do

2991

02:37:07,649 --> 02:37:06,010

that to somebody that just calls into

2992

02:37:10,529 --> 02:37:07,659

the show is this how you treat your

2993

02:37:15,540 --> 02:37:10,539

audience is this how you do and I'm just

2994

02:37:17,519 --> 02:37:15,550

I'm dying I'm dying inside and so you

2995

02:37:20,429 --> 02:37:17,529

know the last I can't you know sit here

2996

02:37:22,800 --> 02:37:20,439

and and and respond to you know 50

2997

02:37:24,840 --> 02:37:22,810

emails you know going know I have this

2998

02:37:27,090 --> 02:37:24,850

Jimmy I mean just the listeners are

2999

02:37:29,219 --> 02:37:27,100

listening you know you were you and Rita

3000

02:37:31,170 --> 02:37:29,229

invited me out to the alien snow fest

3001

02:37:33,989 --> 02:37:31,180

like almost three years ago or somewhere

3002

02:37:36,630 --> 02:37:33,999

out there and honestly that was probably

3003

02:37:38,040 --> 02:37:36,640

in the last 15 or 20 years it was one of

3004

02:37:40,439 --> 02:37:38,050

the greatest experiences I've had in my

3005

02:37:43,260 --> 02:37:40,449

life and so that's where the awakening

3006

02:37:45,179 --> 02:37:43,270

man kind of you know was born in a sense

3007

02:37:48,479 --> 02:37:45,189

cuz I just started listening to your

3008

02:37:50,460 --> 02:37:48,489

show and John Paul anyway so I just know

3009

02:37:51,899 --> 02:37:50,470

no one needs to worry Jimmy and I we

3010

02:37:54,389 --> 02:37:51,909

like tease each other we like to play

3011

02:37:56,279 --> 02:37:54,399

around on just jab each other back and

3012

02:37:57,840 --> 02:37:56,289

forth and I try to always throw

3013

02:37:59,399 --> 02:37:57,850

something at you to mix it up a little

3014

02:38:01,019 --> 02:37:59,409

and because I know you're smart enough

3015

02:38:04,199 --> 02:38:01,029

to handle it so that's just the way it

3016

02:38:06,510 --> 02:38:04,209

goes yeah it was just so funny and I've

3017

02:38:12,020 --> 02:38:06,520

just been dealing with it it's just it's

3018

02:38:17,750 --> 02:38:12,030

funny to me it's funny and and the

3019

02:38:20,980 --> 02:38:17,760

the for those that are Rita's and myself

3020

02:38:23,960 --> 02:38:20,990

our circle okay it's a very small circle

3021

02:38:27,770 --> 02:38:23,970

and if you are in that circle if you

3022

02:38:31,370 --> 02:38:27,780

make it into the circle I'm gonna mess

3023

02:38:35,389 --> 02:38:31,380

with you and if you are in the circle

3024

02:38:37,190 --> 02:38:35,399

and something goes awry and I stop

3025

02:38:39,620 --> 02:38:37,200

messing with you that's when you start

3026

02:38:40,700 --> 02:38:39,630

wondering that's when you go oh man what

3027

02:38:43,160 --> 02:38:40,710

did I do

3028

02:38:45,139 --> 02:38:43,170

you know Jamie did what I love about you

3029

02:38:46,969 --> 02:38:45,149

is you kind of let me mess with you a

3030

02:38:49,010 --> 02:38:46,979

little bit and sometimes I get these

3031

02:38:51,530 --> 02:38:49,020

private tweets like I can't believe you

3032

02:38:53,179 --> 02:38:51,540

said that it's like Jimmy's just cool

3033

02:38:54,650 --> 02:38:53,189

you see the Fate or not I mean he's just

3034

02:38:56,150 --> 02:38:54,660

doing his thing and I'm just playing

3035

02:38:58,340 --> 02:38:56,160

with him we're having fun work for

3036

02:39:00,500 --> 02:38:58,350

exchanging ideas and information telling

3037

02:39:02,630 --> 02:39:00,510

stories I mean that's a lie right that's

3038

02:39:05,480 --> 02:39:02,640

it that's it that's exactly what it's

3039

02:39:09,560 --> 02:39:05,490

about that's exactly what it is about so

3040

02:39:10,580 --> 02:39:09,570

where are you today okay so since I

3041

02:39:12,200 --> 02:39:10,590

don't want to take up any more time

3042

02:39:13,219 --> 02:39:12,210

because I love the state or nuts another

3043

02:39:15,260 --> 02:39:13,229

like to call and so I'll give you a

3044

02:39:17,360 --> 02:39:15,270

choice I got a great story from the

3045

02:39:19,940 --> 02:39:17,370

alien calm but I got a really really

3046

02:39:22,880 --> 02:39:19,950

good story from today on the river

3047

02:39:24,830 --> 02:39:22,890

I took the luau six hours forget about

3048

02:39:28,670 --> 02:39:24,840

alien crying yeah nobody cares about

3049

02:39:29,990 --> 02:39:28,680

alien con well here's the story I got

3050

02:39:31,520 --> 02:39:30,000

today I gotta tell you this story is a

3051

02:39:33,380 --> 02:39:31,530

great story right so I'm getting on the

3052

02:39:35,139 --> 02:39:33,390

boat this pontoon there's 22 people

3053

02:39:38,179 --> 02:39:35,149

these two ladies they're in their 50s

3054

02:39:39,620 --> 02:39:38,189

attractive ladies from Ohio so we're

3055

02:39:41,450 --> 02:39:39,630

sitting on the boat together I'm gonna

3056

02:39:43,100 --> 02:39:41,460

make this short and I'm you know I'm

3057

02:39:44,900 --> 02:39:43,110

asking and they said Ohio so right away

3058

02:39:46,969 --> 02:39:44,910

right Patterson comes into my brain I'm

3059

02:39:48,320 --> 02:39:46,979

house yeah you near wright-patterson Co

3060

02:39:49,760 --> 02:39:48,330

as a matter of fact we are and the one

3061

02:39:51,620 --> 02:39:49,770

that he goes I used to date this guy

3062

02:39:53,990 --> 02:39:51,630

that was you know Donna Donna Donna

3063

02:39:56,440 --> 02:39:54,000

worked at wright-patterson turn and then

3064

02:39:59,870 --> 02:39:56,450

long story short turns out his father

3065

02:40:01,850 --> 02:39:59,880

was a part of the okay him go back to

3066

02:40:04,070 --> 02:40:01,860

1947 in Roswell was part of the crash

3067

02:40:05,480 --> 02:40:04,080

retrieval team and knew about the

3068

02:40:07,850 --> 02:40:05,490

materials that were brought to

3069

02:40:09,469 --> 02:40:07,860

wright-patterson and so this is what was

3070

02:40:10,910 --> 02:40:09,479

interesting this is why I believe this

3071

02:40:12,889 --> 02:40:10,920

story I'm not on the fence on this story

3072

02:40:14,810 --> 02:40:12,899

because this lady said that she dated

3073

02:40:16,429 --> 02:40:14,820

this guy for a year and a half and then

3074

02:40:18,830 --> 02:40:16,439

he just stopped really close to her so

3075

02:40:21,170 --> 02:40:18,840

he kind of busted out some Intel and

3076
02:40:22,910 --> 02:40:21,180
said yeah that's completely true and now

3077
02:40:24,170 --> 02:40:22,920
my dad isn't they've got him in a loony

3078
02:40:25,790 --> 02:40:24,180
bin because he started telling people

3079
02:40:28,610 --> 02:40:25,800
his story and he

3080
02:40:30,500 --> 02:40:28,620
told me his son the family and and and

3081
02:40:32,270 --> 02:40:30,510
so this guy so the information was out

3082
02:40:33,679 --> 02:40:32,280
and they didn't want that permission out

3083
02:40:36,080 --> 02:40:33,689
so I just thought that was fascinating

3084
02:40:38,570 --> 02:40:36,090
whenever you get a story on something

3085
02:40:41,809 --> 02:40:38,580
like Roswell that comes from inside Ohio

3086
02:40:45,230 --> 02:40:41,819
it's I get excited about somebody just

3087
02:40:48,580 --> 02:40:45,240
tweeted out does does Eric work or what

3088
02:40:51,050 --> 02:40:48,590

and does he have a job because you you

3089

02:40:54,260 --> 02:40:51,060

do nothing but travel the country and

3090

02:40:56,300 --> 02:40:54,270

and driving a very expensive car so I

3091

02:40:58,639 --> 02:40:56,310

just threw you under the bus I let

3092

02:41:02,540 --> 02:40:58,649

everybody know we might as well just

3093

02:41:07,460 --> 02:41:02,550

bring you out now Eric he is the heir to

3094

02:41:10,280 --> 02:41:07,470

the fortune so his parents invented the

3095

02:41:13,309 --> 02:41:10,290

posted I know I know I hope you're not

3096

02:41:15,080 --> 02:41:13,319

embarrassed by that but there you go he

3097

02:41:16,760 --> 02:41:15,090

is the heir to the to the post

3098

02:41:19,760 --> 02:41:16,770

unfortunate but I just want to get your

3099

02:41:21,320 --> 02:41:19,770

permission on this so can i if I meet

3100

02:41:23,510 --> 02:41:21,330

somebody and I've got your fade to black

3101
02:41:25,580 --> 02:41:23,520
star on my cap and they assume that I'm

3102
02:41:26,900 --> 02:41:25,590
working with on part of beta blockers as

3103
02:41:29,320 --> 02:41:26,910
well on the fade route but can I say

3104
02:41:31,790 --> 02:41:29,330
that I'm the assistant volunteer

3105
02:41:34,639 --> 02:41:31,800
producer as does that gonna get you in

3106
02:41:38,420 --> 02:41:34,649
trouble if I say that you need to clear

3107
02:41:41,599 --> 02:41:38,430
that through Rita I'm not the boss okay

3108
02:41:43,370 --> 02:41:41,609
I can what I meet Darrell says I'm gonna

3109
02:41:44,960 --> 02:41:43,380
say you I I kind of you know I don't

3110
02:41:47,450 --> 02:41:44,970
know how to say it I just I kind of want

3111
02:41:49,340 --> 02:41:47,460
to drop your name so that I get extra

3112
02:41:50,870 --> 02:41:49,350
cred and then maybe but really just

3113
02:41:53,090 --> 02:41:50,880

pictures because I mentioned your name

3114

02:41:57,950 --> 02:41:53,100

well you got to fade to black license

3115

02:42:01,240 --> 02:41:57,960

plates right on the car yeah walk them

3116

02:42:03,170 --> 02:42:01,250

out to that bad BMW of yours and go dude

3117

02:42:06,469 --> 02:42:03,180

see that right there

3118

02:42:10,760 --> 02:42:06,479

I don't need a business card I've got

3119

02:42:12,800 --> 02:42:10,770

that license plate yeah I was wearing

3120

02:42:14,480 --> 02:42:12,810

this shirt just real quickly going back

3121

02:42:16,460 --> 02:42:14,490

to healing Connor I really seriously I

3122

02:42:19,250 --> 02:42:16,470

don't you need to be I think as your

3123

02:42:20,389 --> 02:42:19,260

assistant volunteer producer I broke

3124

02:42:22,429 --> 02:42:20,399

through the deals you need to be a part

3125

02:42:24,800 --> 02:42:22,439

of that because there was all that

3126

02:42:27,070 --> 02:42:24,810

flavor there and I talked to some people

3127

02:42:30,200 --> 02:42:27,080

and they couldn't figure out why her

3128

02:42:31,400 --> 02:42:30,210

Wehling was there I know I know I know I

3129

02:42:34,939 --> 02:42:31,410

know I know I know

3130

02:42:37,380 --> 02:42:34,949

alright I'm just saying there is there

3131

02:42:38,099 --> 02:42:37,390

these are things they had no MP let me

3132

02:42:39,809 --> 02:42:38,109

just tell you Jimmy

3133

02:42:41,519 --> 02:42:39,819

they had no MC I went to the car I

3134

02:42:43,439 --> 02:42:41,529

listen to speakers that nobody has

3135

02:42:45,300 --> 02:42:43,449

speakers there was no jazz there was no

3136

02:42:48,659 --> 02:42:45,310

pizzazz but it was kind of boring

3137

02:42:52,139 --> 02:42:48,669

I mean ya heard I heard this is this is

3138

02:42:54,359 --> 02:42:52,149

what you know I talked to a couple of

3139

02:42:58,109 --> 02:42:54,369

friends that were there for the first

3140

02:43:00,000 --> 02:42:58,119

time and this was their comment and this

3141

02:43:02,699 --> 02:43:00,010

is what scares the crap out of me

3142

02:43:07,529 --> 02:43:02,709

this is why I have no interest in alien

3143

02:43:10,050 --> 02:43:07,539

con that it was nothing but people

3144

02:43:13,679 --> 02:43:10,060

running around getting in line for

3145

02:43:16,229 --> 02:43:13,689

autographs they didn't care about you

3146

02:43:19,969 --> 02:43:16,239

know they it was just a fan fest where

3147

02:43:22,409 --> 02:43:19,979

there is that aspect of it and that

3148

02:43:24,239 --> 02:43:22,419

there were ticket holders that couldn't

3149

02:43:27,179 --> 02:43:24,249

get into these rooms because the rooms

3150

02:43:29,849 --> 02:43:27,189

were so packed that they paid to see and

3151
02:43:31,170 --> 02:43:29,859
and there was no organization anywhere

3152
02:43:34,979 --> 02:43:31,180
that people were just running around

3153
02:43:40,170 --> 02:43:34,989
bumping into each other and and it was

3154
02:43:41,790 --> 02:43:40,180
it was unorganized and that and now it

3155
02:43:46,429 --> 02:43:41,800
was our second year apparently here in

3156
02:43:51,149 --> 02:43:48,359
Pasadena's great I used to live there

3157
02:43:53,340 --> 02:43:51,159
but the first one was up in salmon up

3158
02:43:56,069 --> 02:43:53,350
near San Francisco this is the second

3159
02:43:58,019 --> 02:43:56,079
one I think the third one I think

3160
02:44:00,210 --> 02:43:58,029
they're taking it to Baltimore I think

3161
02:44:01,409 --> 02:44:00,220
it's Baltimore's next Baltimore or

3162
02:44:06,239 --> 02:44:01,419
Boston or something like that

3163
02:44:09,809 --> 02:44:06,249

but I'm not I'm not into I'm not into

3164

02:44:12,630 --> 02:44:09,819

that I mean that's you know I'm just not

3165

02:44:16,829 --> 02:44:12,640

into it now if they can find a way to to

3166

02:44:17,639 --> 02:44:16,839

get some organization that's that's

3167

02:44:22,139 --> 02:44:17,649

something else

3168

02:44:26,519 --> 02:44:22,149

look contacting the Spoils you the

3169

02:44:28,829 --> 02:44:26,529

organism right Victoria was there by the

3170

02:44:30,059 --> 02:44:28,839

way she had a booth there yeah and I and

3171

02:44:31,800 --> 02:44:30,069

again I want to I want to throw you

3172

02:44:34,139 --> 02:44:31,810

under the bus right now she wants you to

3173

02:44:36,029 --> 02:44:34,149

do the pool party and I said Jimmy

3174

02:44:38,159 --> 02:44:36,039

couldn't sit at the bar with the misters

3175

02:44:40,170 --> 02:44:38,169

well we can have a few shots we'll do it

3176
02:44:41,429 --> 02:44:40,180
for one hour and then all the fader nuts

3177
02:44:42,479 --> 02:44:41,439
can hang on the pool and the people

3178
02:44:45,059 --> 02:44:42,489
don't want to go in the pool to be

3179
02:44:47,969 --> 02:44:45,069
around the pool she was a static I mean

3180
02:44:50,700 --> 02:44:47,979
think about that that would be fantastic

3181
02:44:52,679 --> 02:44:50,710
yeah be a perfect night yeah no I don't

3182
02:44:55,800 --> 02:44:52,689
have the issues of that and conscious

3183
02:45:00,300 --> 02:44:55,810
life Expo conscious life Expo is run

3184
02:45:03,300 --> 02:45:00,310
like a Swiss watch right and it just

3185
02:45:07,050 --> 02:45:03,310
tons of organization and it's laid out

3186
02:45:09,420 --> 02:45:07,060
all year and everything is by by the

3187
02:45:10,979 --> 02:45:09,430
clock and it and it's just run and it's

3188
02:45:14,460 --> 02:45:10,989

people there for knowledge and that's

3189

02:45:17,639 --> 02:45:14,470

what they're there to do alien con is

3190

02:45:20,489 --> 02:45:17,649

it's a it's a fan thing where they just

3191

02:45:22,950 --> 02:45:20,499

want to go there and and shake hands and

3192

02:45:26,340 --> 02:45:22,960

and get an autograph you know pay for a

3193

02:45:28,620 --> 02:45:26,350

selfie they get a photograph taken they

3194

02:45:30,210 --> 02:45:28,630

go to the next and to the next and to

3195

02:45:32,340 --> 02:45:30,220

the next and to the next and that's what

3196

02:45:33,840 --> 02:45:32,350

they're doing betablox executive

3197

02:45:35,880 --> 02:45:33,850

producers Whitaker Marie Allen shows

3198

02:45:39,450 --> 02:45:35,890

produced by Hill J palm Rene Dennis and

3199

02:45:42,660 --> 02:45:39,460

Bob announces our Steve harder gene veto

3200

02:45:47,489 --> 02:45:42,670

a Mark V Cove our webmaster is Drew the

3201
02:45:50,580 --> 02:45:47,499
geek music doug aldrich intro space boys

3202
02:45:55,109 --> 02:45:50,590
space boy music calm beta black is

3203
02:45:58,620 --> 02:45:55,119
produced by kjsurya productions kedi are

3204
02:46:02,279 --> 02:45:58,630
a the planet whose broadcast is owned

3205
02:46:04,050 --> 02:46:02,289
and operated copyrighted 2018 by theta

3206
02:46:06,660 --> 02:46:04,060
black in the game-changer network it

3207
02:46:08,330 --> 02:46:06,670
cannot be rebroadcast download a copy or

3208
02:46:10,889 --> 02:46:08,340
use anywhere in the known universe

3209
02:46:12,750 --> 02:46:10,899
without written permission from fade to

3210
02:46:14,939 --> 02:46:12,760
black or the game changer network i'm

3211
02:46:17,429 --> 02:46:14,949
your host jimmy church follow me on

3212
02:46:21,179 --> 02:46:17,439
twitter @ JT radio head over to on

3213
02:46:21,750 --> 02:46:21,189

stellar on stellar dot-com until

3214

02:46:25,769 --> 02:46:21,760

tomorrow night
