

Fader
NIGHT

THURSDAYS ON FADE TO BLACK

Ep. 895

JimmyChurchRadio.com

copyright 2018 fade to black www.jimmychurchradio.com

1
00:00:27,589 --> 00:00:23,830

[Music]

2
00:00:31,130 --> 00:00:27,599

this hope radio for the masses headline

3
00:00:33,020 --> 00:00:31,140

the birth of July 8 1947 the Army Air

4
00:00:34,970 --> 00:00:33,030

Force has announced that a flying death

5
00:00:38,330 --> 00:00:34,980

has been found and is now in the

6
00:00:39,049 --> 00:00:38,340

possession of the arte de Madrid changed

7
00:00:42,500 --> 00:00:39,059

the game

8
00:00:45,710 --> 00:00:42,510

GameChanger I occasionally think how

9
00:00:49,490 --> 00:00:45,720

quickly our differences worldwide would

10
00:00:53,880 --> 00:00:49,500

vanish if we were facing an alien threat

11
00:00:53,890 --> 00:00:57,520

[Applause]

12
00:01:03,790 --> 00:01:00,729

two black with your host Jimmy church on

13
00:01:09,080 --> 00:01:03,800

the game-changer Radio Network and K GRA

14

00:01:18,399 --> 00:01:14,250

I need your help to get to the year 1985

15

00:01:21,370 --> 00:01:18,409

[Music]

16

00:01:23,030 --> 00:01:21,380

fade to black with jimmy touch on the

17

00:01:27,160 --> 00:01:23,040

game changing Network

18

00:01:33,170 --> 00:01:27,170

[Music]

19

00:01:43,880 --> 00:01:33,180

well well well well well here we are

20

00:01:58,419 --> 00:01:53,580

masses yeah man it's Thursday Thursday

21

00:02:07,499 --> 00:02:04,639

208 days into the new year 157 days left

22

00:02:10,839 --> 00:02:07,509

we are live from a bunker

23

00:02:13,000 --> 00:02:10,849

somewhere in beautiful downtown Burbank

24

00:02:15,990 --> 00:02:13,010

California and I would like to welcome

25

00:02:20,100 --> 00:02:16,000

everybody listing all around the

26

00:02:23,190 --> 00:02:20,110

across the United States hither and

27

00:02:27,510 --> 00:02:23,200

thither to and fro back and forth up and

28

00:02:32,010 --> 00:02:27,520

down east and west north and south far

29

00:02:34,230 --> 00:02:32,020

and near this is fade to black for kjc

30

00:02:37,760 --> 00:02:34,240

are the game changer Network and K G RA

31

00:02:41,370 --> 00:02:37,770

the planets a real Timmy Church

32

00:02:44,730 --> 00:02:41,380

what is cracking everybody how you doing

33

00:02:46,890 --> 00:02:44,740

it is Thursday open lights all night

34

00:02:50,580 --> 00:02:46,900

long it is Fator night we've got Jon

35

00:02:55,110 --> 00:02:50,590

Rappoport here in his no more fake

36

00:02:58,410 --> 00:02:55,120

newsroom live followed by open lines all

37

00:03:03,600 --> 00:02:58,420

night long the call-in numbers are 3 2 3

38

00:03:07,890 --> 00:03:03,610

8 2 5 5 0 4 or 5 write that down 3 2 3 2

39

00:03:14,840 --> 00:03:07,900

7 5 9 6 9 5 write that down we've added

40

00:03:19,530 --> 00:03:14,850

a third phone line 8 1 8 9 2 1 6 9 - 9

41

00:03:22,430 --> 00:03:19,540

write that down 3 phone lines if you

42

00:03:25,470 --> 00:03:22,440

can't get through on that a my problem

43

00:03:28,470 --> 00:03:25,480

it just ain't ah we're gonna add a

44

00:03:31,050 --> 00:03:28,480

fourth I can already see that coming

45

00:03:33,780 --> 00:03:31,060

welcome everybody Thursday night Fator

46

00:03:34,920 --> 00:03:33,790

night my favorite night of the week all

47

00:03:38,250 --> 00:03:34,930

the lines all night long

48

00:03:41,220 --> 00:03:38,260

lots to talk about I'll be setting the

49

00:03:44,190 --> 00:03:41,230

tables for that and of course it's your

50

00:03:47,520 --> 00:03:44,200

show Heather you know it's you know it's

51
00:03:50,729 --> 00:03:47,530
funny other talk shows I listen to talk

52
00:03:52,979 --> 00:03:50,739
radio I do live you know terrestrial

53
00:03:55,800 --> 00:03:52,989
talk radio it's what I do I listen to it

54
00:04:00,509 --> 00:03:55,810
our local stations here too as well like

55
00:04:03,509 --> 00:04:00,519
KFI am 640 one of the biggest stations

56
00:04:05,610 --> 00:04:03,519
in the country where we also air coast

57
00:04:07,740 --> 00:04:05,620
to coast am and i'll ride around and

58
00:04:13,050 --> 00:04:07,750
i'll hear you know this is your talk

59
00:04:17,789 --> 00:04:13,060
show yeah now no it's not that is it's

60
00:04:21,840 --> 00:04:17,799
jazz not am i talking smack the truth is

61
00:04:25,159 --> 00:04:21,850
everything is screened you know and it's

62
00:04:28,440 --> 00:04:25,169
it's not that's not the way I do it here

63
00:04:29,540 --> 00:04:28,450

okay I just don't calls come in I put it

64

00:04:32,930 --> 00:04:29,550

on hold

65

00:04:36,410 --> 00:04:32,940

and I take it you know that is your talk

66

00:04:40,040 --> 00:04:36,420

show whatever you want to talk about

67

00:04:41,540 --> 00:04:40,050

okay now especially is the stuff that

68

00:04:43,580 --> 00:04:41,550

I've got lined up for you tonight

69

00:04:45,980 --> 00:04:43,590

there's gonna be a lot of calls about

70

00:04:48,050 --> 00:04:45,990

this but if you've had any sightings if

71

00:04:50,540 --> 00:04:48,060

you've had anything paranormal or

72

00:04:52,190 --> 00:04:50,550

supernatural happen not only in the in

73

00:04:55,490 --> 00:04:52,200

the past that you want to share with us

74

00:04:57,290 --> 00:04:55,500

but recently anything anything crazy or

75

00:04:59,030 --> 00:04:57,300

nutty going on I do want to hear from

76

00:05:01,490 --> 00:04:59,040

you three two three eight two five five

77

00:05:04,790 --> 00:05:01,500

zero four five or three two three two

78

00:05:08,030 --> 00:05:04,800

seven five nine six nine five or eight

79

00:05:10,250 --> 00:05:08,040

one eight nine twenty one six nine two

80

00:05:12,470 --> 00:05:10,260

nine yes we've added a third phone line

81

00:05:16,580 --> 00:05:12,480

amazing show last night with Billy

82

00:05:19,520 --> 00:05:16,590

Carson I'm incredible our show tonight

83

00:05:23,570 --> 00:05:19,530

this week tonight this week with a

84

00:05:25,760 --> 00:05:23,580

curtis town veto unbelievable and just

85

00:05:28,910 --> 00:05:25,770

such a special week that we've had here

86

00:05:32,270 --> 00:05:28,920

on the show so everything is open and

87

00:05:35,840 --> 00:05:32,280

all subjects are there i didn't get a

88

00:05:38,750 --> 00:05:35,850

chance to do much today i was doing some

89

00:05:42,230 --> 00:05:38,760

other stuff you know was following up on

90

00:05:45,200 --> 00:05:42,240

all of this breaking news today too and

91

00:05:46,550 --> 00:05:45,210

it was a it was pretty crazy so i did

92

00:05:49,310 --> 00:05:46,560

some reading i didn't get a chance to

93

00:05:52,220 --> 00:05:49,320

write but i did do some reading over at

94

00:05:54,770 --> 00:05:52,230

on stellar and a couple of really good

95

00:05:58,160 --> 00:05:54,780

articles that are over there and i also

96

00:06:00,380 --> 00:05:58,170

want to mention that steve Neil but

97

00:06:02,920 --> 00:06:00,390

something is there his new series he has

98

00:06:06,470 --> 00:06:02,930

just started an IndieGoGo campaign and

99

00:06:08,600 --> 00:06:06,480

that started today so that post was over

100

00:06:11,960 --> 00:06:08,610

at on stellar I've got it up here in

101
00:06:14,480 --> 00:06:11,970
Twitter if you guys want to go and help

102
00:06:16,040 --> 00:06:14,490
out with the new series that would be

103
00:06:19,400 --> 00:06:16,050
really cool so you can go and do that

104
00:06:21,340 --> 00:06:19,410
it's up there in Twitter and there was a

105
00:06:24,260 --> 00:06:21,350
great article over at on stellar today

106
00:06:27,110 --> 00:06:24,270
well there's a few but one Alex

107
00:06:39,580 --> 00:06:27,120
Mastretta great research or a great

108
00:06:42,890 --> 00:06:39,590
friend bunker cam is who you guys the

109
00:06:47,450 --> 00:06:42,900
article by Alex Mistretta

110
00:06:51,830 --> 00:06:47,460
was a photograph that was taken at Santa

111
00:06:53,540 --> 00:06:51,840
Monica Pier okay so you need to go and

112
00:06:56,120 --> 00:06:53,550
check that out go and read it and look

113
00:06:58,370 --> 00:06:56,130

at the the picture that is there I made

114

00:07:00,680 --> 00:06:58,380

my comments but it's it's it's a great

115

00:07:02,659 --> 00:07:00,690

it's a great picture and that's what I'm

116

00:07:03,980 --> 00:07:02,669

stellar is for you should go look at

117

00:07:05,779 --> 00:07:03,990

that and look at the object that was

118

00:07:08,930 --> 00:07:05,789

captured above the ferris wheel's pretty

119

00:07:12,110 --> 00:07:08,940

cool so that was there and also Steve

120

00:07:14,240 --> 00:07:12,120

Murillo posted Buzz Aldrin and I'm gonna

121

00:07:16,400 --> 00:07:14,250

get to that here in just a second so if

122

00:07:19,760 --> 00:07:16,410

you haven't gone and sign up yet you

123

00:07:23,689 --> 00:07:19,770

should do that now on stellar ons te ll

124

00:07:26,330 --> 00:07:23,699

AR dot-com you can use my referral code

125

00:07:31,520 --> 00:07:26,340

Jimmy and it's right there

126

00:07:34,490 --> 00:07:31,530

okay let's see where am I at twitter is

127

00:07:36,650 --> 00:07:34,500

at J Church radio Facebook is chugging

128

00:07:39,980 --> 00:07:36,660

along more on Facebook in just a minute

129

00:07:41,779 --> 00:07:39,990

and of course YouTube you can subscribe

130

00:07:43,490 --> 00:07:41,789

to our channel there just go now to

131

00:07:45,670 --> 00:07:43,500

follow like and subscribe everything

132

00:07:48,890 --> 00:07:45,680

over at Jimmy Church radio calm and

133

00:07:53,029 --> 00:07:48,900

we've fixed so many different bugs that

134

00:07:56,180 --> 00:07:53,039

were going wrong with our website and we

135

00:07:56,629 --> 00:07:56,190

didn't think they were bugs it's kind of

136

00:08:00,500 --> 00:07:56,639

weird

137

00:08:05,089 --> 00:08:00,510

anyway so the website is perfect we've

138

00:08:07,430 --> 00:08:05,099

gotten all it's perfect as it can be so

139

00:08:09,230 --> 00:08:07,440

all of the memberships are straightened

140

00:08:11,839 --> 00:08:09,240

out all of the links there was a couple

141

00:08:15,379 --> 00:08:11,849

of links that were unsecure just weird

142

00:08:18,529 --> 00:08:15,389

stuff and it was causing errors and it

143

00:08:21,200 --> 00:08:18,539

was viewable one place and not another

144

00:08:22,520 --> 00:08:21,210

it's just very strange anyway so all of

145

00:08:25,339 --> 00:08:22,530

that has done and I feel really good

146

00:08:27,320 --> 00:08:25,349

about that and the ordering of t-shirts

147

00:08:30,170 --> 00:08:27,330

and the memberships and renewals and

148

00:08:32,839 --> 00:08:30,180

everything are all automated now and in

149

00:08:35,209 --> 00:08:32,849

shipping so it's all very very cool so

150

00:08:38,709 --> 00:08:35,219

head over to Jimmy Church radio.com a

151
00:08:40,329 --> 00:08:38,719
bunch of breaking news today it was

152
00:08:46,960 --> 00:08:40,339
absolutely nuts

153
00:08:50,870 --> 00:08:46,970
first off tonight Mark Zuckerberg is

154
00:08:54,010 --> 00:08:50,880
sixteen billion dollars poorer than he

155
00:08:56,750 --> 00:08:54,020
was when he got up this morning at

156
00:09:03,100 --> 00:08:56,760
breakfast this morning

157
00:09:14,600 --> 00:09:07,220
71 billion ducks quacking in the pond by

158
00:09:16,730 --> 00:09:14,610
dinnertime 55 Facebook lost 19% of its

159
00:09:21,110 --> 00:09:16,740
value in about five minutes

160
00:09:25,300 --> 00:09:21,120
today drop to 20% and then gained a

161
00:09:28,069 --> 00:09:25,310
little back finished the day down 19%

162
00:09:30,759 --> 00:09:28,079
which calculates out to about one

163
00:09:34,730 --> 00:09:30,769

hundred and nineteen billion dollars

164

00:09:39,769 --> 00:09:34,740

vaporized today for Facebook it was the

165

00:09:43,670 --> 00:09:39,779

worst day for any any company in stock

166

00:09:45,980 --> 00:09:43,680

market history seriously and if that

167

00:09:47,660 --> 00:09:45,990

wasn't enough now they attributed to a

168

00:09:52,490 --> 00:09:47,670

lot of different things and and I'm

169

00:09:55,579 --> 00:09:52,500

going through the analysis if Facebook

170

00:09:57,680 --> 00:09:55,589

has had a steady increase and a sense

171

00:10:00,050 --> 00:09:57,690

Cambridge analytical which it actually

172

00:10:02,769 --> 00:10:00,060

dropped below this but it took longer to

173

00:10:05,600 --> 00:10:02,779

get there today was just a straight drop

174

00:10:09,019 --> 00:10:05,610

you go back to Cambridge analytic and

175

00:10:11,059 --> 00:10:09,029

you look in the stock you know continued

176

00:10:18,199 --> 00:10:11,069

to go up but after Cambridge analytical

177

00:10:22,009 --> 00:10:18,209

there is a steady drop of users for

178

00:10:25,040 --> 00:10:22,019

Facebook a steady drop a drop in the UK

179

00:10:30,590 --> 00:10:25,050

a drop in Europe and here in the states

180

00:10:34,009 --> 00:10:30,600

it's been flattened okay not that is

181

00:10:36,530 --> 00:10:34,019

what is alarming everybody the comments

182

00:10:38,660 --> 00:10:36,540

that suck is made and apparently I guess

183

00:10:41,030 --> 00:10:38,670

he's Jewish Harry he said he was Jewish

184

00:10:43,490 --> 00:10:41,040

Zuckerberg right okay but those comments

185

00:10:48,230 --> 00:10:43,500

he made about the Holocaust can't do

186

00:10:50,150 --> 00:10:48,240

that kind of stuff that you can't you're

187

00:10:52,309 --> 00:10:50,160

the CEO of one of the biggest companies

188

00:10:53,540 --> 00:10:52,319

in the world he's just you just don't do

189

00:10:54,740 --> 00:10:53,550

that kind of thing you don't do it you

190

00:10:56,540 --> 00:10:54,750

don't do it whether you think you're

191

00:11:01,879 --> 00:10:56,550

right or wrong there's certain places

192

00:11:05,269 --> 00:11:01,889

where you just don't go and the this is

193

00:11:08,990 --> 00:11:05,279

the truth this is the truth when it

194

00:11:10,550 --> 00:11:09,000

comes to that kind of wealth God giveth

195

00:11:14,990 --> 00:11:10,560

God take

196

00:11:18,350 --> 00:11:15,000

the ways it's the truth and his wealth

197

00:11:20,269 --> 00:11:18,360

based on stock it's not like you know he

198

00:11:21,710 --> 00:11:20,279

took a stock in the company just sold it

199

00:11:25,010 --> 00:11:21,720

all out and he's got this money sitting

200

00:11:27,740 --> 00:11:25,020

in the bank his wealth is based on the

201
00:11:30,430 --> 00:11:27,750
stock and if the stock goes down to a

202
00:11:34,430 --> 00:11:30,440
dollar

203
00:11:37,579 --> 00:11:34,440
he's worth nothing so think about that

204
00:11:42,980 --> 00:11:37,589
and so all of this ginormous wealth of

205
00:11:45,800 --> 00:11:42,990
his it took a big big hit today and he

206
00:11:49,100 --> 00:11:45,810
he fell he was at number five in the

207
00:11:52,430 --> 00:11:49,110
world I think for you know Forbes does a

208
00:11:55,730 --> 00:11:52,440
real-time billionaire monitor real-time

209
00:11:57,710 --> 00:11:55,740
right so anytime anything fluctuates you

210
00:11:59,810 --> 00:11:57,720
know Bezos has gone up and down when

211
00:12:01,730 --> 00:11:59,820
Amazon has gone up and down but he

212
00:12:04,900 --> 00:12:01,740
dropped you know and in that billionaire

213
00:12:08,930 --> 00:12:04,910

club like that you know those guys they

214

00:12:11,660 --> 00:12:08,940

it means a lot to them and he tumbled I

215

00:12:13,760 --> 00:12:11,670

think he tumbled to three spots today so

216

00:12:18,260 --> 00:12:13,770

there you go you know it's not just

217

00:12:19,820 --> 00:12:18,270

about the the data mining and Cambridge

218

00:12:22,040 --> 00:12:19,830

analytical which has something to do

219

00:12:24,079 --> 00:12:22,050

with it it does but the stock regained

220

00:12:26,110 --> 00:12:24,089

its footing since the Cambridge

221

00:12:30,079 --> 00:12:26,120

announcement but it's everything else

222

00:12:32,210 --> 00:12:30,089

it's everything else and the the

223

00:12:33,940 --> 00:12:32,220

advertising sales on that news feed have

224

00:12:37,220 --> 00:12:33,950

gone down they've dropped

225

00:12:38,870 --> 00:12:37,230

they've dropped so and that's it's a big

226

00:12:41,210 --> 00:12:38,880

chunk of the market and the other big

227

00:12:46,870 --> 00:12:41,220

chunk of their market is mobile I had

228

00:12:53,060 --> 00:12:46,880

read today 91% of Facebook's income

229

00:12:55,160 --> 00:12:53,070

mobile mobile advertising yep you

230

00:12:58,340 --> 00:12:55,170

scrolling on your cell phone and

231

00:13:04,630 --> 00:12:58,350

clicking on ads and buying stuff there

232

00:13:10,579 --> 00:13:04,640

you go all right also today there's a

233

00:13:13,269 --> 00:13:10,589

2015 video going viral today with Buzz

234

00:13:16,460 --> 00:13:13,279

Aldrin and an eight-year-old girl and

235

00:13:19,540 --> 00:13:16,470

she asked him she says and I'm quoting

236

00:13:22,249 --> 00:13:19,550

why didn't we go back to the moon buzz

237

00:13:29,749 --> 00:13:22,259

you know

238

00:13:35,809 --> 00:13:29,759

his answer and I'm quoting is this his

239

00:13:38,719 --> 00:13:35,819

answer is and I'm quoting that's not an

240

00:13:42,949 --> 00:13:38,729

eight-year-olds question that's my

241

00:13:49,099 --> 00:13:42,959

question I want to know but I think I

242

00:13:52,489 --> 00:13:49,109

know cuz we didn't go there and that's

243

00:13:55,400 --> 00:13:52,499

why it happened and and if it didn't

244

00:13:57,469 --> 00:13:55,410

happen it's nice to know why it didn't

245

00:14:00,109 --> 00:13:57,479

happen so in the future if we want to

246

00:14:04,039 --> 00:14:00,119

keep doing something we need to know why

247

00:14:06,919 --> 00:14:04,049

something stopped in the past we wanted

248

00:14:15,319 --> 00:14:06,929

to keep going end quote

249

00:14:17,749 --> 00:14:15,329

huh what now before you think the videos

250

00:14:23,329 --> 00:14:17,759

edited or it's funkier that's not really

251

00:14:25,639 --> 00:14:23,339

what he said no that is exactly what

252

00:14:29,179 --> 00:14:25,649

buzz said and I went back and I watched

253

00:14:31,220 --> 00:14:29,189

it over and over again I'm watching it

254

00:14:35,829 --> 00:14:31,230

I'm trying to figure it out I'm trying

255

00:14:40,669 --> 00:14:35,839

to you know give give bus some you know

256

00:14:42,559 --> 00:14:40,679

and that's what he said now did he trip

257

00:14:45,679 --> 00:14:42,569

up in his own mind and say something

258

00:14:47,479 --> 00:14:45,689

that he didn't mean to say possibly I

259

00:14:49,849 --> 00:14:47,489

mean that's possible

260

00:14:56,019 --> 00:14:49,859

in fact I'm hoping that's what happened

261

00:14:59,869 --> 00:14:56,029

because he says cuz we didn't go there

262

00:15:01,249 --> 00:14:59,879

it's what he says he doesn't stumble he

263

00:15:02,449 --> 00:15:01,259

just looks at her and says hey you know

264

00:15:04,099 --> 00:15:02,459

that's not an eight-year-old question

265

00:15:07,909 --> 00:15:04,109

that's my question I want to know but

266

00:15:12,399 --> 00:15:07,919

but I think I know cuz we didn't go

267

00:15:19,009 --> 00:15:12,409

there he did say cuz we didn't go back

268

00:15:22,159 --> 00:15:19,019

he says cuz we didn't go there it's

269

00:15:24,259 --> 00:15:22,169

crazy it's crazy I I don't know I just

270

00:15:26,179 --> 00:15:24,269

don't know it'd be different if the the

271

00:15:29,779 --> 00:15:26,189

it was cut up and it was you know piece

272

00:15:32,899 --> 00:15:29,789

together it's fine it's one sentence so

273

00:15:36,990 --> 00:15:32,909

there you go it went viral it's been

274

00:15:41,129 --> 00:15:37,000

picked up it's a 2015 video

275

00:15:45,059 --> 00:15:41,139

I am sure it's not what he meant to say

276

00:15:47,610 --> 00:15:45,069

or was he just being straight with an

277

00:15:51,540 --> 00:15:47,620

eight-year-old you know and didn't think

278

00:15:54,960 --> 00:15:51,550

he'd get out or is he just ready to talk

279

00:15:58,620 --> 00:15:54,970

about it or was it just a mistake in

280

00:16:00,360 --> 00:15:58,630

that he just spoke his mind he drifted

281

00:16:03,540 --> 00:16:00,370

off for a second and just spoke the

282

00:16:05,759 --> 00:16:03,550

truth right I don't know it's a crazy

283

00:16:08,850 --> 00:16:05,769

video though you can check it out over

284

00:16:11,939 --> 00:16:08,860

at on stellar in the trending articles

285

00:16:15,030 --> 00:16:11,949

section looking bright bart and cyber

286

00:16:20,509 --> 00:16:15,040

all right they're getting socked socked

287

00:16:25,889 --> 00:16:20,519

by but solder all right check this out

288

00:16:28,530 --> 00:16:25,899

alright check this out some things you

289

00:16:35,030 --> 00:16:28,540

just you're not gonna believe okay and

290

00:16:40,259 --> 00:16:35,040

and I get that but just listen to worms

291

00:16:44,240 --> 00:16:40,269

to to worms that have been frozen in

292

00:16:47,610 --> 00:16:44,250

permafrost for up to forty seven

293

00:16:51,540 --> 00:16:47,620

thousand years have come back to life

294

00:16:54,889 --> 00:16:51,550

and are now considered the oldest living

295

00:17:00,530 --> 00:16:54,899

animals on planet Earth

296

00:17:07,890 --> 00:17:00,540

the ancient nematodes aka a round worms

297

00:17:10,439 --> 00:17:07,900

are moving and eating they are moving

298

00:17:16,649 --> 00:17:10,449

and eating again for the first time

299

00:17:20,429 --> 00:17:16,659

since the Pleistocene age after coming

300

00:17:22,140 --> 00:17:20,439

back to life in Petri dishes and this is

301
00:17:24,539 --> 00:17:22,150
from the official announcement today by

302
00:17:30,320 --> 00:17:24,549
Russian scientists in collaboration with

303
00:17:35,570 --> 00:17:30,330
Princeton University unbelievable

304
00:17:40,100 --> 00:17:35,580
forty seven thousand years old

305
00:17:41,909 --> 00:17:40,110
that is crazy now what just I

306
00:17:44,210 --> 00:17:41,919
contemplated that I was looking at the

307
00:17:47,460 --> 00:17:44,220
pictures today and I am just

308
00:17:49,140 --> 00:17:47,470
contemplating and contemplating that is

309
00:17:56,790 --> 00:17:49,150
about as nutty as it gets

310
00:17:58,440 --> 00:17:56,800
now okay Natasha Nix who I met and hung

311
00:18:03,300 --> 00:17:58,450
out with did an interview with at

312
00:18:09,360 --> 00:18:03,310
contact in the desert created a promo

313
00:18:13,440 --> 00:18:09,370

for her show and sent it to me today and

314

00:18:16,320 --> 00:18:13,450

I have to play it for you I have to play

315

00:18:19,070 --> 00:18:16,330

it for you you ready you ready for this

316

00:18:27,540 --> 00:18:21,300

and you're gonna go wow that was great

317

00:18:30,360 --> 00:18:27,550

you know what it actually sucked one

318

00:18:32,040 --> 00:18:30,370

more time and you're gonna go wow that

319

00:18:44,670 --> 00:18:32,050

was great you know what it actually

320

00:18:46,260 --> 00:18:44,680

sucked you one more time and you're

321

00:18:54,210 --> 00:18:46,270

gonna go wow that was great you know

322

00:18:58,230 --> 00:18:54,220

what it actually sucked how good to say

323

00:19:01,800 --> 00:18:58,240

this I I

324

00:19:05,310 --> 00:19:01,810

I don't like my own voice I don't I I

325

00:19:10,800 --> 00:19:05,320

can't listen to it I I don't think I'm

326

00:19:15,510 --> 00:19:10,810

funny I don't I wait you know that is

327

00:19:17,940 --> 00:19:15,520

funny and the way that she took a little

328

00:19:20,280 --> 00:19:17,950

you know a little play a little piece of

329

00:19:23,820 --> 00:19:20,290

the interview and and and and and I

330

00:19:26,670 --> 00:19:23,830

gotta say if I heard that as somebody's

331

00:19:30,510 --> 00:19:26,680

promo and doesn't matter who I would

332

00:19:32,190 --> 00:19:30,520

laugh one more time and you're gonna go

333

00:19:38,580 --> 00:19:32,200

wow that was great you know what it

334

00:19:41,760 --> 00:19:38,590

actually sucked I gotta get her

335

00:19:43,320 --> 00:19:41,770

permission to use me on this show I'm

336

00:19:46,860 --> 00:19:43,330

gonna ask her if I can use that that's

337

00:19:50,820 --> 00:19:46,870

her she owns it but I had that's cool

338

00:19:53,280 --> 00:19:50,830

man I think I'm gonna drop that in to to

339

00:19:55,230 --> 00:19:53,290

fade to black and you're gonna go wow

340

00:20:00,020 --> 00:19:55,240

that was great you know what it actually

341

00:20:01,780 --> 00:20:00,030

sucked that's funny

342

00:20:06,850 --> 00:20:01,790

that's

343

00:20:11,710 --> 00:20:06,860

it's Thurston hi

344

00:20:15,160 --> 00:20:11,720

it is fader that makes me laugh that

345

00:20:18,160 --> 00:20:15,170

makes me laugh that is and it's just too

346

00:20:20,650 --> 00:20:18,170

funny okay alright a couple of things

347

00:20:23,740 --> 00:20:20,660

that I wanted to

348

00:20:25,300 --> 00:20:23,750

don't forget our soul to gathering I'll

349

00:20:27,340 --> 00:20:25,310

talk about a little bit more later on

350

00:20:28,990 --> 00:20:27,350

tonight it is fate or night and if

351

00:20:31,300 --> 00:20:29,000

you're going to soul tech give me a call

352

00:20:34,660 --> 00:20:31,310

I do want to talk to you we are getting

353

00:20:39,610 --> 00:20:34,670

ready to post up at the Celtic Gathering

354

00:20:41,920 --> 00:20:39,620

completes a book PDF outline of all

355

00:20:45,010 --> 00:20:41,930

events everything there really nicely

356

00:20:47,170 --> 00:20:45,020

done and that's getting ready so that a

357

00:20:50,230 --> 00:20:47,180

complete schedule everything is there

358

00:20:52,750 --> 00:20:50,240

and I have it too by the way

359

00:20:54,910 --> 00:20:52,760

but I'm not gonna read from it I'll let

360

00:20:56,950 --> 00:20:54,920

you read it freeze off but head to

361

00:20:59,170 --> 00:20:56,960

Celtic gathering calm that's going to be

362

00:21:04,570 --> 00:20:59,180

posted also if you're thinking about

363

00:21:09,370 --> 00:21:04,580

going it is my understanding we've got

364

00:21:11,020 --> 00:21:09,380

about 10 tickets left and that's where

365

00:21:12,790 --> 00:21:11,030

it is I believe that's where it's at so

366

00:21:14,650 --> 00:21:12,800

you want to go to soul together and get

367

00:21:16,270 --> 00:21:14,660

it done also if you already purchased

368

00:21:19,240 --> 00:21:16,280

tickets I'll talk about those a little

369

00:21:20,980 --> 00:21:19,250

bit later but you haven't gotten your

370

00:21:22,660 --> 00:21:20,990

food and the catering straightened out

371

00:21:26,350 --> 00:21:22,670

you need to head over to soul to

372

00:21:30,040 --> 00:21:26,360

gathering calm and get all of that ready

373

00:21:31,420 --> 00:21:30,050

and one other note we're going to be

374

00:21:35,730 --> 00:21:31,430

shooting a documentary

375

00:21:39,970 --> 00:21:35,740

while while this is going on okay of

376

00:21:44,500 --> 00:21:39,980

everything so be prepared for that and

377

00:21:46,360 --> 00:21:44,510

if you've ever wanted to appear and be a

378

00:21:48,310 --> 00:21:46,370

part of something like this not only

379

00:21:51,010 --> 00:21:48,320

this kind of conference but a

380

00:21:53,290 --> 00:21:51,020

documentary too as well now's your

381

00:21:56,440 --> 00:21:53,300

chance to so there you go soul tech

382

00:21:56,800 --> 00:21:56,450

gathering calm and it's just gonna be

383

00:21:58,150 --> 00:21:56,810

great

384

00:22:00,880 --> 00:21:58,160

everything that we have got lined up

385

00:22:02,920 --> 00:22:00,890

I'll talk more about that later on this

386

00:22:04,630 --> 00:22:02,930

evening August 17th through the 19th

387

00:22:07,110 --> 00:22:04,640

which is a week later I'll be at

388

00:22:10,030 --> 00:22:07,120

dimensions of disclosure in Colorado

389

00:22:13,650 --> 00:22:10,040

dimensions of disclosure calm I'll be

390

00:22:15,180 --> 00:22:13,660

hosting the big panel on Sunday night

391

00:22:17,910 --> 00:22:15,190

come and hang out with this Corey good

392

00:22:20,130 --> 00:22:17,920

David Wilcock every Smith Theresa Yin

393

00:22:22,290 --> 00:22:20,140

Aras it's gonna be amazing twenty other

394

00:22:23,940 --> 00:22:22,300

speakers dimensions of disclosure calm

395

00:22:26,400 --> 00:22:23,950

don't forget to sign up to our podcast

396

00:22:29,310 --> 00:22:26,410

we have over eight hundred and ninety

397

00:22:33,780 --> 00:22:29,320

five archive shows custom apps Apple

398

00:22:34,110 --> 00:22:33,790

Android all platforms just \$2.00 per

399

00:22:37,920 --> 00:22:34,120

month

400

00:22:41,010 --> 00:22:37,930

updated every single day great apps to

401
00:22:43,320 --> 00:22:41,020
now you can also become a fan or not and

402
00:22:45,180 --> 00:22:43,330
our membership section on the site where

403
00:22:46,980 --> 00:22:45,190
you get the bunker cam you get

404
00:22:48,750 --> 00:22:46,990
commercial free downloadable archives

405
00:22:50,790 --> 00:22:48,760
and if you get the GameChanger

406
00:22:53,370 --> 00:22:50,800
you can even get that fade to black gear

407
00:22:55,740 --> 00:22:53,380
autographed hats all that stuff we don't

408
00:22:59,340 --> 00:22:55,750
sell the hats we don't give the hats

409
00:23:02,220 --> 00:22:59,350
away we don't do it the new shirts the

410
00:23:05,280 --> 00:23:02,230
new ones for the renewals the only place

411
00:23:07,860 --> 00:23:05,290
to get those is becoming a game changer

412
00:23:10,230 --> 00:23:07,870
or renewing your game changer all of

413
00:23:14,040 --> 00:23:10,240

that is in our membership section plus

414

00:23:15,420 --> 00:23:14,050

you get a personal private email to me

415

00:23:17,700 --> 00:23:15,430

and don't forget about all of our

416

00:23:20,370 --> 00:23:17,710

sponsors life change he kept the t.com

417

00:23:23,280 --> 00:23:20,380

ancient life oil sacrum skulls new mana

418

00:23:25,230 --> 00:23:23,290

food storage and bearing optics I've got

419

00:23:30,750 --> 00:23:25,240

to say this really quick happy birthday

420

00:23:37,380 --> 00:23:30,760

today to Mick Jagger Mick Jagger is 75

421

00:23:42,360 --> 00:23:37,390

years old Helen Mirren today is 73 Jason

422

00:23:46,590 --> 00:23:42,370

Statham today 51 Lock Stock and Two

423

00:23:49,110 --> 00:23:46,600

Smoking Barrels right snatch revolver

424

00:23:52,140 --> 00:23:49,120

trying to think transporter

425

00:23:57,450 --> 00:23:52,150

the first transporter was good our dead

426

00:24:01,500 --> 00:23:57,460

guys birthday today Stanley Kubrick 1928

427

00:24:04,800 --> 00:24:01,510

to 1999 died at the age of 70 director

428

00:24:07,140 --> 00:24:04,810

cinematographer screenwriter each of his

429

00:24:10,170 --> 00:24:07,150

films are classics and are at the top of

430

00:24:12,960 --> 00:24:10,180

their genre including of course the 1968

431

00:24:18,330 --> 00:24:12,970

sci-fi film 2001 a Space Odyssey the

432

00:24:20,520 --> 00:24:18,340

seminal 1980 horror The Shining the 1971

433

00:24:23,790 --> 00:24:20,530

crime drama a Clockwork Orange

434

00:24:25,530 --> 00:24:23,800

the 1964 political satire dr.

435

00:24:27,010 --> 00:24:25,540

Strangelove or how I learned to stop

436

00:24:31,840 --> 00:24:27,020

worrying and love the bomb

437

00:24:36,940 --> 00:24:31,850

and the ultimate war drama 1987's Full

438

00:24:40,000 --> 00:24:36,950

Metal Jacket on March 7th 1999

439

00:24:43,210 --> 00:24:40,010

six days after screening a final cut of

440

00:24:44,350 --> 00:24:43,220

Eyes Wide Shut for his family and the

441

00:24:47,080 --> 00:24:44,360

stars of the film

442

00:24:51,029 --> 00:24:47,090

Kubrick died in his sleep at the age of

443

00:24:52,690 --> 00:24:51,039

70 after suffering a major heart attack

444

00:24:55,120 --> 00:24:52,700

happy birthday

445

00:25:00,820 --> 00:24:55,130

Stanley truly the greatest on this day

446

00:25:03,610 --> 00:25:00,830

in history 1947 the big gear right 1947

447

00:25:07,060 --> 00:25:03,620

Truman signs the National Security Act

448

00:25:08,430 --> 00:25:07,070

which did three things it created the

449

00:25:11,169 --> 00:25:08,440

Department of Defense

450

00:25:13,510 --> 00:25:11,179

number two were created the NSC the

451
00:25:15,850 --> 00:25:13,520
National Security Council and number

452
00:25:18,730 --> 00:25:15,860
three created the CIA the Central

453
00:25:21,159 --> 00:25:18,740
Intelligence Agency designed not only to

454
00:25:25,230 --> 00:25:21,169
gather intelligence but to carry out

455
00:25:30,130 --> 00:25:25,240
covert operations in foreign nations

456
00:25:34,330 --> 00:25:30,140
Fader fact here you go here you go Fator

457
00:25:37,320 --> 00:25:34,340
fact you ready it's a good one this is

458
00:25:41,039 --> 00:25:37,330
when you didn't know Bluetooth

459
00:25:46,779 --> 00:25:41,049
technology was named after a 10th

460
00:25:49,960 --> 00:25:46,789
century King King Harald Bluetooth King

461
00:25:55,570 --> 00:25:49,970
of Denmark and Norway at the same time

462
00:25:59,289 --> 00:25:55,580
United both countries now yes he had a

463
00:26:03,850 --> 00:25:59,299

bluetooth literally he had a bluetooth

464

00:26:05,830 --> 00:26:03,860

hence his name the Bluetooth logo the

465

00:26:08,019 --> 00:26:05,840

blue cheese logo and he always wondered

466

00:26:13,450 --> 00:26:08,029

what that was right the Bluetooth logo

467

00:26:21,159 --> 00:26:13,460

are the Scandinavian runes of his

468

00:26:24,100 --> 00:26:21,169

initials H and B and that is a Feder of

469

00:26:27,220 --> 00:26:24,110

fact say I I guarantee you didn't know

470

00:26:28,870 --> 00:26:27,230

that I had to go into all this research

471

00:26:32,139 --> 00:26:28,880

and I'm putting all of this together and

472

00:26:34,930 --> 00:26:32,149

I'm looking at the looking at the the

473

00:26:36,460 --> 00:26:34,940

his initials and Scandinavian runes and

474

00:26:40,720 --> 00:26:36,470

putting it all together

475

00:26:43,120 --> 00:26:40,730

Wow I can go I can go public with this

476

00:26:47,980 --> 00:26:43,130

okay I'm feeling pretty good about it

477

00:26:50,080 --> 00:26:47,990

get a little blue snaggletooth yeah King

478

00:26:56,350 --> 00:26:50,090

Harald Bluetooth of Denmark and Norway

479

00:26:58,870 --> 00:26:56,360

all right before I get out of here got

480

00:27:00,700 --> 00:26:58,880

about a minute left I plan on talking

481

00:27:05,290 --> 00:27:00,710

more about this I'll do it during the

482

00:27:08,050 --> 00:27:05,300

show this buzz aldrin film clip is

483

00:27:10,120 --> 00:27:08,060

bothering me and it should bother you it

484

00:27:14,370 --> 00:27:10,130

should bother everybody out there now

485

00:27:16,990 --> 00:27:14,380

what does it do for all of those

486

00:27:19,210 --> 00:27:17,000

conspiracy theorists out there right

487

00:27:22,780 --> 00:27:19,220

it's just a bullet in the gun right is

488

00:27:28,120 --> 00:27:22,790

this is this it it's just the aha moment

489

00:27:33,040 --> 00:27:28,130

I'm not so sure but of all of the

490

00:27:37,270 --> 00:27:33,050

slip-ups that you could make and he

491

00:27:39,520 --> 00:27:37,280

socked Bart's eyebrow right you know and

492

00:27:41,860 --> 00:27:39,530

he's been very adamant about this he's

493

00:27:46,540 --> 00:27:41,870

also been outspoken about the monolith

494

00:27:49,120 --> 00:27:46,550

on Phobos around Mars wearing his we got

495

00:27:51,430 --> 00:27:49,130

to go to Mars t-shirts right take my ass

496

00:27:54,610 --> 00:27:51,440

to Mars or whatever that shirt says and

497

00:27:58,420 --> 00:27:54,620

he's been out there so he knows where

498

00:28:01,030 --> 00:27:58,430

not to go with this and his statement

499

00:28:05,080 --> 00:28:01,040

that he made to this eight-year-old

500

00:28:09,420 --> 00:28:05,090

little girl was the exact opposite of

501
00:28:13,750 --> 00:28:09,430
what he should have said not only that

502
00:28:17,320 --> 00:28:13,760
but it was exactly word for word what

503
00:28:21,580 --> 00:28:17,330
the conspiracy theorist needed and it

504
00:28:24,940 --> 00:28:21,590
just begs to ask the question what was

505
00:28:30,010 --> 00:28:24,950
going on and why the slip up was he

506
00:28:32,650 --> 00:28:30,020
thinking the truth in his head was he

507
00:28:34,870 --> 00:28:32,660
thinking the truth meant to say

508
00:28:38,410 --> 00:28:34,880
something else to her right and you know

509
00:28:43,900 --> 00:28:38,420
toe the company line and then the truth

510
00:28:48,430 --> 00:28:43,910
just slipped out I don't know that video

511
00:28:50,950 --> 00:28:48,440
is tough to defend it's tough now here

512
00:28:53,260 --> 00:28:50,960
obviously there's got to be some public

513
00:28:54,250 --> 00:28:53,270

stuff said about this I don't know if

514

00:28:56,230 --> 00:28:54,260

NASA is going to

515

00:28:59,200 --> 00:28:56,240

address it I don't know buzz is going to

516

00:29:01,180 --> 00:28:59,210

address it but it was done in 2015 and

517

00:29:04,900 --> 00:29:01,190

it just never surfaced it just never

518

00:29:07,390 --> 00:29:04,910

made it out now it's out it's a very

519

00:29:09,580 --> 00:29:07,400

very interesting statement because it's

520

00:29:12,580 --> 00:29:09,590

the exact opposite of what is supposed

521

00:29:14,050 --> 00:29:12,590

to have been said interesting all right

522

00:29:18,040 --> 00:29:14,060

let's get out of here it skip the show

523

00:29:20,080 --> 00:29:18,050

started tonight Jon Rappoport is here

524

00:29:23,710 --> 00:29:20,090

with there's no more fake newsroom live

525

00:29:25,750 --> 00:29:23,720

followed by open lines all night long I

526

00:29:28,930 --> 00:29:25,760

get it I get it the calls are already

527

00:29:30,460 --> 00:29:28,940

coming in you guys need to relax I'm

528

00:29:31,840 --> 00:29:30,470

gonna open up the phone lines at the top

529

00:29:33,370 --> 00:29:31,850

of the hour this is fade to black I'm

530

00:29:37,570 --> 00:29:33,380

heroes Jimmy Church added a new phone

531

00:29:43,390 --> 00:29:37,580

line to eight one eight 92169 to 9 or 3

532

00:29:45,040 --> 00:29:43,400

2 3 8 2 5 5 0 4 5 4 3 2 3 2 7 5 9 6 9 5

533

00:29:47,740 --> 00:29:45,050

this is fade to black I'm yours to be

534

00:29:52,240 --> 00:29:47,750

Church the right back with Jon Rappoport

535

00:29:53,510 --> 00:29:52,250

and is no more fake newsroom live state

536

00:30:15,910 --> 00:29:53,520

of black America

537

00:30:22,300 --> 00:30:18,950

you're listening to Jimmy Church fade to

538

00:30:34,600 --> 00:30:25,280

fade to black will now pause for aided

539

00:30:40,130 --> 00:30:37,520

when you take the beans from Central

540

00:30:42,590 --> 00:30:40,140

America with dashes of Indonesian and

541

00:30:45,680 --> 00:30:42,600

African mixed in and then roasted to the

542

00:30:49,070 --> 00:30:45,690

dark side of fade to black you create

543

00:30:51,740 --> 00:30:49,080

the ultimate brew of fringe introducing

544

00:30:54,980 --> 00:30:51,750

the fade to black blend from river moon

545

00:30:57,470 --> 00:30:54,990

coffee yes River moons darkest

546

00:30:59,510 --> 00:30:57,480

customized roast was created for the

547

00:31:02,510 --> 00:30:59,520

love of fade to black

548

00:31:05,210 --> 00:31:02,520

the alchemy of masterful roasting and

549

00:31:08,780 --> 00:31:05,220

smoking the beans is in every sip of

550

00:31:10,070 --> 00:31:08,790

this full-bodied dark Java I need my

551
00:31:12,410 --> 00:31:10,080
coffee dog

552
00:31:15,800 --> 00:31:12,420
deep with distinct bittersweet chocolate

553
00:31:18,050 --> 00:31:15,810
highlights just like the bunker leaning

554
00:31:20,900 --> 00:31:18,060
further into the darkness of the roast

555
00:31:23,600 --> 00:31:20,910
is fade to black blend from river moon

556
00:31:25,700 --> 00:31:23,610
coffee just click on the banner at Jimmy

557
00:31:29,030 --> 00:31:25,710
Church radio.com and use the promo code

558
00:31:34,400 --> 00:31:29,040
F to B blend for 15% off of your order

559
00:31:36,590 --> 00:31:34,410
today Gobekli Tepe what can I say about

560
00:31:38,990 --> 00:31:36,600
the most popular tea on the Internet and

561
00:31:42,440 --> 00:31:39,000
what a customers say about life change

562
00:31:45,650 --> 00:31:42,450
to eat at get the tea calm a lot but by

563
00:31:48,050 --> 00:31:45,660

federal law we get the t.com cannot make

564

00:31:50,300 --> 00:31:48,060

claims to how this product can enhance

565

00:31:52,330 --> 00:31:50,310

your health we cannot even post our

566

00:31:55,700 --> 00:31:52,340

testimonies without being in compliance

567

00:31:58,010 --> 00:31:55,710

so how do we get past the hump try our

568

00:32:00,770 --> 00:31:58,020

products that get the tea calm and see

569

00:32:04,000 --> 00:32:00,780

for yourself you can send us a testimony

570

00:32:07,970 --> 00:32:04,010

but we just can't post it bumper

571

00:32:09,650 --> 00:32:07,980

our products are GMO free and organic we

572

00:32:12,020 --> 00:32:09,660

pride ourself in being the best we can

573

00:32:15,080 --> 00:32:12,030

be and we urge you to take charge of

574

00:32:16,970 --> 00:32:15,090

your health or loving your strong and

575

00:32:19,010 --> 00:32:16,980

many of our customers have shared their

576

00:32:21,890 --> 00:32:19,020

successes with friends and family

577

00:32:25,659 --> 00:32:21,900

protect your colon log on to get the tea

578

00:32:32,169 --> 00:32:25,669

calm that's get the t-dot-com

579

00:32:37,659 --> 00:32:32,179

the t-dot-com get t.com nine out of ten

580

00:32:43,029 --> 00:32:37,669

geneticists agreed fade to black

581

00:32:47,409 --> 00:32:43,039

is not your father's radio show on the

582

00:32:53,769 --> 00:32:47,419

game changer radio network and k GRA the

583

00:32:55,389 --> 00:32:53,779

planets k GRA this summer tickets and

584

00:32:57,549 --> 00:32:55,399

hotel accommodations to the biggest

585

00:32:59,769 --> 00:32:57,559

conferences autographed books and DVDs

586

00:33:01,810 --> 00:32:59,779

chances to win all-inclusive conference

587

00:33:05,349 --> 00:33:01,820

cruises and private dinners with your

588

00:33:08,139 --> 00:33:05,359

favorite K GRA hosts click the contest a

589

00:33:10,869 --> 00:33:08,149

bit k GRA radio.com for your chance to

590

00:33:12,819 --> 00:33:10,879

win big this summer your contact for the

591

00:33:13,569 --> 00:33:12,829

best alternative talk radio on the

592

00:33:17,550 --> 00:33:13,579

planet

593

00:33:22,250 --> 00:33:19,540

[Music]

594

00:33:23,960 --> 00:33:22,260

hi this is Rob Reiner from Apple and

595

00:33:36,170 --> 00:33:23,970

you're listening to Jimmy's George

596

00:33:39,110 --> 00:33:36,180

radio.com radio and now coming to you

597

00:33:42,260 --> 00:33:39,120

from the no more fake newsroom in deep

598

00:33:43,130 --> 00:33:42,270

space which is the space that we suspect

599

00:33:45,710 --> 00:33:43,140

to be true

600

00:33:48,410 --> 00:33:45,720

that the world as it is fed to us every

601
00:33:51,680 --> 00:33:48,420
day by the Ministry of Truth is a lie a

602
00:33:54,260 --> 00:33:51,690
false reality a movie projected on the

603
00:33:56,660 --> 00:33:54,270
screen of our subconscious this however

604
00:33:58,550 --> 00:33:56,670
is the breakout all the screens crash

605
00:34:01,940 --> 00:33:58,560
they all go down and we see the light of

606
00:34:05,330 --> 00:34:01,950
day a new day no more robots

607
00:34:08,900 --> 00:34:05,340
no more androids it's the no more fake

608
00:34:11,180 --> 00:34:08,910
newsroom with Jon Rappoport take it away

609
00:34:13,610 --> 00:34:11,190
John Thank You Jimmy

610
00:34:21,950 --> 00:34:13,620
thank you thank you very good to be here

611
00:34:27,460 --> 00:34:21,960
as always so tonight there's a big story

612
00:34:31,340 --> 00:34:27,470
a big piece of history and it's

613
00:34:33,410 --> 00:34:31,350

illustrative of what I've been writing

614

00:34:37,190 --> 00:34:33,420

about for a long time called the limited

615

00:34:41,570 --> 00:34:37,200

hangout where the press exposed part of

616

00:34:44,000 --> 00:34:41,580

the story in fact they may expose a key

617

00:34:46,850 --> 00:34:44,010

element or two or three of the story

618

00:34:49,210 --> 00:34:46,860

that seems to be very devastating and

619

00:34:52,100 --> 00:34:49,220

its impact and so on and so forth but in

620

00:34:54,350 --> 00:34:52,110

fact what's happening is they're only

621

00:34:58,550 --> 00:34:54,360

giving you a piece of something that is

622

00:35:01,640 --> 00:34:58,560

much bigger and much worse that's called

623

00:35:04,010 --> 00:35:01,650

a limited hangout and the motive behind

624

00:35:06,080 --> 00:35:04,020

a limited hangout as well if we feed

625

00:35:08,690 --> 00:35:06,090

them this much meaning the public

626

00:35:10,610 --> 00:35:08,700

they'll go away they'll be satisfied

627

00:35:13,040 --> 00:35:10,620

they'll think they have the whole story

628

00:35:15,110 --> 00:35:13,050

they'll be shocked there might even be

629

00:35:17,630 --> 00:35:15,120

an investigation or two but eventually

630

00:35:23,360 --> 00:35:17,640

it'll all fade out and that's the end of

631

00:35:29,780 --> 00:35:23,370

that so as I go over the details of this

632

00:35:31,970 --> 00:35:29,790

story tonight you as reporters think of

633

00:35:32,540 --> 00:35:31,980

the follow-up questions that you would

634

00:35:38,600 --> 00:35:32,550

be

635

00:35:41,750 --> 00:35:38,610

investigators if you were given free

636

00:35:44,780 --> 00:35:41,760

rein by a major newspaper or media

637

00:35:47,530 --> 00:35:44,790

outlet over a long period of time with

638

00:35:50,390 --> 00:35:47,540

no holds barred and how much more you

639

00:35:54,890 --> 00:35:50,400

would want to dig into this story than

640

00:35:59,500 --> 00:35:54,900

what I'm giving you here us

641

00:36:03,890 --> 00:35:59,510

ships bio warfare materials to Iraq

642

00:36:07,120 --> 00:36:03,900

that's the header on this we're talking

643

00:36:11,120 --> 00:36:07,130

about the 1980s during the period of the

644

00:36:13,760 --> 00:36:11,130

iran-iraq war which was a devastating

645

00:36:19,220 --> 00:36:13,770

war on both sides and ended up in a kind

646

00:36:24,520 --> 00:36:19,230

of a stalemate ceasefire 1988 the u.s.

647

00:36:29,380 --> 00:36:24,530

was backing both sides but preferred

648

00:36:32,900 --> 00:36:29,390

Iraq they definitely did not want Iraq

649

00:36:35,840 --> 00:36:32,910

to be decimated and destroyed and lose

650

00:36:39,860 --> 00:36:35,850

that war strange because only a few

651
00:36:40,520 --> 00:36:39,870
years later the u.s. declared war in

652
00:36:45,880 --> 00:36:40,530
Iraq

653
00:36:49,670 --> 00:36:45,890
Gulf for one okay but now here we go

654
00:36:52,090 --> 00:36:49,680
all right so we know that in 1975 u.s.

655
00:36:54,620 --> 00:36:52,100
signed on to an international treaty

656
00:36:57,010 --> 00:36:54,630
banning the production use and

657
00:37:02,210 --> 00:36:57,020
stockpiling of biological weapons and

658
00:37:06,590 --> 00:37:02,220
ditto for chemical weapons in 1993

659
00:37:10,430 --> 00:37:06,600
that's another story but here we go

660
00:37:14,750 --> 00:37:10,440
a quote from the Washington Post

661
00:37:17,260 --> 00:37:14,760
September 4th 2013 the administration's

662
00:37:20,390 --> 00:37:17,270
of Ronald Reagan and George HW Bush

663
00:37:23,660 --> 00:37:20,400

authorized the sale to Iraq of numerous

664

00:37:26,570 --> 00:37:23,670

items including poisonous chemicals and

665

00:37:32,980 --> 00:37:26,580

deadly biological viruses such as

666

00:37:39,070 --> 00:37:32,990

anthrax and bubonic plague end quote

667

00:37:42,770 --> 00:37:39,080

between 1985 and 1989 a u.s. 501c3 firm

668

00:37:46,070 --> 00:37:42,780

non-profit called American type culture

669

00:37:49,190 --> 00:37:46,080

collection sent Iraq up to 7

670

00:37:54,850 --> 00:37:49,200

these shipments of various bio war

671

00:38:01,450 --> 00:37:54,860

agents including 21 strains of anthrax

672

00:38:05,870 --> 00:38:01,460

between 1984 1989 get this the CDC

673

00:38:08,930 --> 00:38:05,880

Centers for Disease Control sent Iraq at

674

00:38:13,550 --> 00:38:08,940

least 80 different bio war agents

675

00:38:21,590 --> 00:38:13,560

including botulinum toxin dengue virus

676

00:38:26,740 --> 00:38:21,600

and West Nile so in case you're still

677

00:38:30,460 --> 00:38:26,750

wondering why I or anyone else would

678

00:38:37,270 --> 00:38:30,470

doubt the veracity and sincerity and

679

00:38:42,110 --> 00:38:37,280

honesty and honorable nosov the CDC just

680

00:38:45,890 --> 00:38:42,120

think about that between 1984 and 1989

681

00:38:56,420 --> 00:38:45,900

the CDC sent Iraq at least 80 different

682

00:38:58,520 --> 00:38:56,430

bio war agents quite incredible this

683

00:39:00,620 --> 00:38:58,530

information on the American type culture

684

00:39:04,840 --> 00:39:00,630

collection and the CDC comes through a

685

00:39:08,240 --> 00:39:04,850

report iraq's biological weapons program

686

00:39:14,240 --> 00:39:08,250

prepared by the james martin center for

687

00:39:15,980 --> 00:39:14,250

nonproliferation studies now another one

688

00:39:21,380 --> 00:39:15,990

of the investigators into this whole

689

00:39:24,800 --> 00:39:21,390

issue is William Blum and in April 1998

690

00:39:30,260 --> 00:39:24,810

progressive article called anthrax for

691

00:39:34,060 --> 00:39:30,270

export Blum cites a 1994 US Senate

692

00:39:38,600 --> 00:39:34,070

report confirming that in this period of

693

00:39:41,750 --> 00:39:38,610

1985-89 US shipments of anthrax and

694

00:39:45,440 --> 00:39:41,760

other bio-war agents to Iraq were

695

00:39:52,670 --> 00:39:45,450

licensed by the US Department of

696

00:39:55,520 --> 00:39:52,680

Commerce, and here from this Senate

697

00:39:58,480 --> 00:39:55,530

report is a quote: these biological

698

00:40:01,900 --> 00:39:58,490

materials were not attenuated or weak

699

00:40:03,900 --> 00:40:01,910

and we're capable of reproduction; it was

700

00:40:06,910 --> 00:40:03,910

later learned that these microorganisms

701
00:40:10,150 --> 00:40:06,920
exported by the United States were

702
00:40:13,480 --> 00:40:10,160
identical to those the United Nations

703
00:40:17,160 --> 00:40:13,490
inspectors found and removed from the

704
00:40:24,520 --> 00:40:17,170
Iraqi biological warfare program and

705
00:40:26,470 --> 00:40:24,530
quote mm-hmm okay this 1994 Senate

706
00:40:31,210 --> 00:40:26,480
report also indicates that the u.s.

707
00:40:35,859 --> 00:40:31,220
exported to Iraq the precursors for chem

708
00:40:45,870 --> 00:40:35,869
war ages actual plans for chemical and

709
00:40:54,310 --> 00:40:48,700
the exports continued until at least

710
00:40:56,410 --> 00:40:54,320
November 28th 1989 Blum lists a few

711
00:41:00,630 --> 00:40:56,420
other bio war agency u.s. shipped to

712
00:41:04,359 --> 00:41:00,640
Iraq Histoplasma capsulate 'm Brucella

713
00:41:07,270 --> 00:41:04,369

Clostridium etc as well as he coli

714

00:41:10,840 --> 00:41:07,280

various genetic materials human and

715

00:41:16,930 --> 00:41:10,850

bacterial DNA bom bom bom bom bom bom

716

00:41:20,200 --> 00:41:16,940

bom bom also points out that a 1994

717

00:41:22,570 --> 00:41:20,210

Pentagon report dismissed any connection

718

00:41:24,790 --> 00:41:22,580

between all these fire war agents and

719

00:41:33,940 --> 00:41:24,800

Gulf War illness

720

00:41:37,770 --> 00:41:33,950

suffered from it and still do but the

721

00:41:42,580 --> 00:41:37,780

researcher who headed up that study

722

00:41:44,920 --> 00:41:42,590

exonerating claiming there was no

723

00:41:47,440 --> 00:41:44,930

connection between bio war agents and

724

00:41:49,330 --> 00:41:47,450

Gulf War disease the researcher who

725

00:41:52,750 --> 00:41:49,340

headed up that study that made that

726

00:41:55,690 --> 00:41:52,760

claim Joshua Lederberg was actually a

727

00:41:58,960 --> 00:41:55,700

director of the u.s. firm that had

728

00:42:02,560 --> 00:41:58,970

provided the most bio war materiel to

729

00:42:07,960 --> 00:42:02,570

Iraq in the 1980s the Americans hide

730

00:42:09,510 --> 00:42:07,970

culture collection Wow

731

00:42:14,609 --> 00:42:09,520

and

732

00:42:18,329 --> 00:42:14,619

we can go on this you know it just

733

00:42:20,220 --> 00:42:18,339

boggles my mind as I'm reading this -

734

00:42:26,310 --> 00:42:20,230

even though I've read it many times

735

00:42:29,160 --> 00:42:26,320

myself and I've written it boy then we

736

00:42:32,400 --> 00:42:29,170

had US companies which dealt by a war or

737

00:42:34,109 --> 00:42:32,410

chem war agents to Iraq all such sales

738

00:42:37,980 --> 00:42:34,119

having been approved by the US

739

00:42:40,440 --> 00:42:37,990

government the names of these companies

740

00:42:45,270 --> 00:42:40,450

are contained in records of the 1992

741

00:42:50,609 --> 00:42:45,280

Senate hearings on the subject and there

742

00:42:55,410 --> 00:42:50,619

are some of these Solaire corporation

743

00:43:01,890 --> 00:42:55,420

pure air corporation Posey SEAL Union

744

00:43:08,940 --> 00:43:01,900

Carbide avato BDM Corp Specter physics

745

00:43:14,849 --> 00:43:08,950

and about a dozen more corporations also

746

00:43:17,040 --> 00:43:14,859

from the Blum article quote hold on to

747

00:43:18,839 --> 00:43:17,050

your ass for this one a larger number of

748

00:43:22,109 --> 00:43:18,849

American firms supplied Iraq with the

749

00:43:23,730 --> 00:43:22,119

specialized computers lasers testing and

750

00:43:26,900 --> 00:43:23,740

analyzing equipment and other

751
00:43:29,820 --> 00:43:26,910
instruments and hardware vital to the

752
00:43:32,880 --> 00:43:29,830
manufacture of nuclear weapons missiles

753
00:43:35,790 --> 00:43:32,890
and delivery systems computers in

754
00:43:41,130 --> 00:43:35,800
particular play a key role in nuclear

755
00:43:43,950 --> 00:43:41,140
weapons development advanced computers

756
00:43:46,440 --> 00:43:43,960
make it feasible to avoid carrying out

757
00:43:53,240 --> 00:43:46,450
nuclear test explosions

758
00:44:08,640 --> 00:44:04,609
nuclear getting into nuclear okay

759
00:44:11,490 --> 00:44:08,650
there's more i right officials at the

760
00:44:15,359 --> 00:44:11,500
CGC and the Department of Commerce said

761
00:44:18,120 --> 00:44:15,369
nothing people at the American type

762
00:44:20,880 --> 00:44:18,130
culture collection said nothing people

763
00:44:23,160 --> 00:44:20,890

at the Pentagon in the CIA and the NSA

764

00:44:28,829 --> 00:44:23,170

said nothing

765

00:44:38,190 --> 00:44:28,839

corporation who supplied germs and

766

00:44:40,260 --> 00:44:38,200

chemicals to Iraq said nothing so just

767

00:44:43,400 --> 00:44:40,270

imagine if you were investigative

768

00:44:47,329 --> 00:44:43,410

reporter and you go and you know say

769

00:44:49,880 --> 00:44:47,339

you're working for a Miami Herald

770

00:44:52,349 --> 00:44:49,890

Washington Post New York Times and

771

00:44:56,490 --> 00:44:52,359

magically and I do mean that it would

772

00:44:58,650 --> 00:44:56,500

have to be magic overnight the editor of

773

00:45:02,730 --> 00:44:58,660

the paper calls you into his office and

774

00:45:04,470 --> 00:45:02,740

says okay I realize that you know we've

775

00:45:07,620 --> 00:45:04,480

been acting like a bunch of skunk

776

00:45:11,010 --> 00:45:07,630

basically for all these years but we are

777

00:45:12,809 --> 00:45:11,020

now taking the wraps off of you and we

778

00:45:16,470 --> 00:45:12,819

are going to carry out our mission as

779

00:45:21,150 --> 00:45:16,480

reporters digging for deeper levels of

780

00:45:25,410 --> 00:45:21,160

truth and this story about us shipments

781

00:45:29,220 --> 00:45:25,420

of bio war materials to Iraq banks for

782

00:45:31,079 --> 00:45:29,230

deeper investigation in particular we're

783

00:45:34,680 --> 00:45:31,089

going to start off by focusing on the

784

00:45:40,859 --> 00:45:34,690

role of the CDC that shipped dozens of

785

00:45:43,920 --> 00:45:40,869

bio war agents materials to Iraq because

786

00:45:49,799 --> 00:45:43,930

that is just mind-boggling that the

787

00:45:53,280 --> 00:45:49,809

Centers for Disease Control would a have

788

00:45:57,390 --> 00:45:53,290

these materials what are they doing with

789

00:46:03,780 --> 00:45:57,400

them and that they would ship them in

790

00:46:07,559 --> 00:46:03,790

quantity to Iraq I want you boys to go

791

00:46:12,500 --> 00:46:07,569

out there and find out I want you to dig

792

00:46:16,950 --> 00:46:12,510

I want you to tap your connections I

793

00:46:20,430 --> 00:46:16,960

want you to find people at the CDC that

794

00:46:22,710 --> 00:46:20,440

will talk to you I want you to find

795

00:46:27,450 --> 00:46:22,720

people who were there during these years

796

00:46:30,539 --> 00:46:27,460

in the 1980s who will talk to you I want

797

00:46:32,400 --> 00:46:30,549

you to find people who will roll over on

798

00:46:36,780 --> 00:46:32,410

their higher-ups

799

00:46:41,220 --> 00:46:36,790

at the CDC I want to expose

800

00:46:46,290 --> 00:46:41,230

every nerve root muscle tendon ligament

801
00:46:50,850 --> 00:46:46,300
of the CDC program and find out and get

802
00:46:53,970 --> 00:46:50,860
to the bottom of this story ditto for

803
00:46:58,440 --> 00:46:53,980
the US Department of Commerce who had to

804
00:47:04,200 --> 00:46:58,450
ok the shipments but I want to start in

805
00:47:06,890 --> 00:47:04,210
particular with the CDC because they're

806
00:47:10,680 --> 00:47:06,900
supposed to be all about health

807
00:47:15,210 --> 00:47:10,690
enhancing health good science good

808
00:47:20,490 --> 00:47:15,220
medicine first do no harm these are not

809
00:47:24,000 --> 00:47:20,500
stupid people they know that opening

810
00:47:26,880 --> 00:47:24,010
Pandora's box and letting out this vast

811
00:47:31,050 --> 00:47:26,890
collection of bio war agents would have

812
00:47:33,000 --> 00:47:31,060
repercussions decades and decades and

813
00:47:36,840 --> 00:47:33,010

decades because who knows where all

814

00:47:45,300 --> 00:47:36,850

these materials wind up who knows who

815

00:47:47,460 --> 00:47:45,310

has them now find out we're paying you

816

00:47:52,200 --> 00:47:47,470

to be reporters go out there and do your

817

00:47:56,310 --> 00:47:52,210

job for real we'll be printing stories

818

00:47:59,690 --> 00:47:56,320

as you pull in evidence but that will

819

00:48:04,200 --> 00:47:59,700

not stop this is not a limited hangout

820

00:48:09,150 --> 00:48:04,210

boys and girls we are not going to just

821

00:48:11,850 --> 00:48:09,160

expose a scandal and say a dark chapter

822

00:48:14,550 --> 00:48:11,860

in American history but you know of

823

00:48:18,350 --> 00:48:14,560

course we moved on no we're going to

824

00:48:26,760 --> 00:48:18,360

pull this sucker up by the roots because

825

00:48:31,050 --> 00:48:26,770

it stands to reason that some nexus of

826

00:48:33,930 --> 00:48:31,060

deep corruption that exists at one of

827

00:48:38,220 --> 00:48:33,940

the premier health agencies in the world

828

00:48:42,600 --> 00:48:38,230

the CDC still exists in some form or

829

00:48:46,800 --> 00:48:42,610

another and we need to root it out so

830

00:48:50,160 --> 00:48:46,810

there's a very good chance that your

831

00:48:55,109 --> 00:48:50,170

investigation of the CDC in this respect

832

00:49:00,529 --> 00:48:55,119

will spill over into uncovering other

833

00:49:03,779 --> 00:49:00,539

secrets of the agency past and present

834

00:49:11,120 --> 00:49:03,789

that add up to a similar level of

835

00:49:13,529 --> 00:49:11,130

corruption I mean this is unthinkable

836

00:49:17,249 --> 00:49:13,539

this program that we're talking about

837

00:49:24,710 --> 00:49:17,259

here of shipping bio war materials and

838

00:49:27,569 --> 00:49:24,720

nuclear support materials to Iraq and

839

00:49:32,069 --> 00:49:27,579

think of all the tap dancing that went

840

00:49:34,440 --> 00:49:32,079

on leading up to both Gulf Wars in Iraq

841

00:49:37,529 --> 00:49:34,450

that had to do with weapons of mass

842

00:49:40,799 --> 00:49:37,539

destruction and how in all of the

843

00:49:43,200 --> 00:49:40,809

investigations by the inspectors and all

844

00:49:45,950 --> 00:49:43,210

of the lying that was done in order to

845

00:49:48,599 --> 00:49:45,960

justify going in there the second time

846

00:49:51,900 --> 00:49:48,609

about weapons of mass destruction you

847

00:49:55,049 --> 00:49:51,910

never heard any conversation from major

848

00:49:57,529 --> 00:49:55,059

media or the politicians about the

849

00:50:02,160 --> 00:49:57,539

program that I'm discussing here now

850

00:50:05,249 --> 00:50:02,170

this was never raised it was a taboo oh

851

00:50:08,549 --> 00:50:05,259

we don't talk about that oh we're not

852

00:50:11,210 --> 00:50:08,559

going to get into that no no no we're

853

00:50:18,779 --> 00:50:11,220

not going to suddenly emphasize the fact

854

00:50:22,049 --> 00:50:18,789

that many of these WMDs in Iraq really

855

00:50:30,900 --> 00:50:22,059

were by a war and were supplied by the

856

00:50:37,759 --> 00:50:30,910

US with the consent and participation of

857

00:50:46,400 --> 00:50:41,910

would sort of be on a level of your

858

00:50:49,249 --> 00:50:46,410

doctor telling you don't worry you know

859

00:50:51,509 --> 00:50:49,259

whenever these symptoms you have are

860

00:50:53,519 --> 00:50:51,519

you'll be getting the best treatment for

861

00:50:55,559 --> 00:50:53,529

me and so forth and by the way I just

862

00:50:58,410 --> 00:50:55,569

want to let you know in case you think

863

00:51:00,420 --> 00:50:58,420

it's relevant that 25 years ago I was

864

00:51:03,730 --> 00:51:00,430

instrumental in shipping bio war

865

00:51:11,650 --> 00:51:08,890

is that a problem widget would that give

866

00:51:14,050 --> 00:51:11,660

you pause for thought might you have a

867

00:51:19,660 --> 00:51:14,060

second thought about seeing this doctor

868

00:51:24,660 --> 00:51:19,670

or if he turned out to also be a

869

00:51:28,240 --> 00:51:24,670

researcher publishing Studies on the

870

00:51:32,850 --> 00:51:28,250

safety and efficacy of vaccines might

871

00:51:37,030 --> 00:51:32,860

you have doubts about his honesty and

872

00:51:41,170 --> 00:51:37,040

truthfulness oh there are so many

873

00:51:46,420 --> 00:51:41,180

questions that open up here you see so

874

00:51:51,670 --> 00:51:46,430

many questions the purpose of the

875

00:51:58,410 --> 00:51:51,680

revelations that we know about compose

876

00:52:03,580 --> 00:51:58,420

the limited hang out they exist to keep

877

00:52:07,300 --> 00:52:03,590

everyone from asking demanding answers

878

00:52:14,710 --> 00:52:07,310

to the obvious follow-up questions that

879

00:52:19,990 --> 00:52:14,720

are never asked by reporters that's the

880

00:52:22,180 --> 00:52:20,000

way a limited hangout works what do we

881

00:52:26,050 --> 00:52:22,190

have to admit to get this whole thing to

882

00:52:29,530 --> 00:52:26,060

go away how much and of course the CIA

883

00:52:32,530 --> 00:52:29,540

for example is expert in this okay so

884

00:52:36,099 --> 00:52:32,540

this operation has come to light that we

885

00:52:40,180 --> 00:52:36,109

fomented how much do we have to admit

886

00:52:42,070 --> 00:52:40,190

publicly to the press etc in order for

887

00:52:48,420 --> 00:52:42,080

people to feel like okay that's the end

888

00:52:55,450 --> 00:52:51,250

whatever the decision is that's the

889

00:53:00,430 --> 00:52:55,460

limited hangout that becomes the limited

890

00:53:03,940 --> 00:53:00,440

hangout we hang out with a limited

891

00:53:08,530 --> 00:53:03,950

version of the whole story and the whole

892

00:53:12,870 --> 00:53:08,540

story as you can see is much much bigger

893

00:53:17,620 --> 00:53:12,880

and that is my report for tonight Oh

894

00:53:20,589 --> 00:53:17,630

John and thank you for that I had on the

895

00:53:22,390 --> 00:53:20,599

oh there's about three years ago I would

896

00:53:25,900 --> 00:53:22,400

have to go back and this is what's great

897

00:53:27,009 --> 00:53:25,910

about having you on I never know and I

898

00:53:29,769 --> 00:53:27,019

don't want to know what you're gonna

899

00:53:31,960 --> 00:53:29,779

discuss I want to be blindsided with

900

00:53:35,950 --> 00:53:31,970

this along with the audience and you

901
00:53:39,870 --> 00:53:35,960
know share the outrage right but so I I

902
00:53:44,130 --> 00:53:39,880
did a show about three years ago with a

903
00:53:48,930 --> 00:53:44,140
I think he was a sergeant in the army

904
00:53:52,150 --> 00:53:48,940
deployed and he made these statements

905
00:53:54,099 --> 00:53:52,160
that while and I believe it was the

906
00:53:58,210 --> 00:53:54,109
International Airport right

907
00:54:01,569 --> 00:53:58,220
whatever it was saddam International and

908
00:54:04,059 --> 00:54:01,579
so they're closing in and and the Iraqi

909
00:54:07,470 --> 00:54:04,069
army is you know trying to have a last

910
00:54:18,160 --> 00:54:07,480
stand there but while they were there

911
00:54:21,279 --> 00:54:18,170
they came across some weapons in shells

912
00:54:24,690 --> 00:54:21,289
I believe I'd have to go back and listen

913
00:54:29,170 --> 00:54:24,700

but anyway he goes and they were

914

00:54:32,470 --> 00:54:29,180

chemical weapons with our logos on them

915

00:54:35,349 --> 00:54:32,480

right and and so and I think it was

916

00:54:37,749 --> 00:54:35,359

somebody from the CIA some some handler

917

00:54:43,930 --> 00:54:37,759

some controller came up and said okay we

918

00:54:45,579 --> 00:54:43,940

need to destroy this stuff and I have to

919

00:54:48,819 --> 00:54:45,589

go back and listen to the entire thing

920

00:54:51,759 --> 00:54:48,829

but that you know it was the exact

921

00:54:57,400 --> 00:54:51,769

opposite of what we were being told yes

922

00:54:59,859 --> 00:54:57,410

now I've read that exact scenario it's

923

00:55:03,880 --> 00:54:59,869

from several different sources just

924

00:55:07,029 --> 00:55:03,890

exactly what you're saying in the

925

00:55:12,240 --> 00:55:07,039

version that I recall the clearest the

926

00:55:16,120 --> 00:55:12,250

reaction was this must never be known

927

00:55:20,920 --> 00:55:16,130

that these chemical weapons biological

928

00:55:24,460 --> 00:55:20,930

weapons whatever carry us signatures and

929

00:55:27,370 --> 00:55:24,470

labels on so very good in discovering

930

00:55:29,710 --> 00:55:27,380

them now you must never speak about the

931

00:55:31,079 --> 00:55:29,720

fact that they came from the US that

932

00:55:35,910 --> 00:55:31,089

this was react

933

00:55:40,170 --> 00:55:35,920

of the field of supervisors when their

934

00:55:42,779 --> 00:55:40,180

guys discovered this stuff over there so

935

00:55:46,529 --> 00:55:42,789

yeah no question about it absolutely and

936

00:55:49,859 --> 00:55:46,539

the other part of this is there's got to

937

00:55:54,479 --> 00:55:49,869

be a money trail yeah were we giving

938

00:56:00,450 --> 00:55:54,489

this stuff to Saddam's regime or were we

939

00:56:05,279 --> 00:56:00,460

selling it to Saddam's regime yeah it

940

00:56:09,799 --> 00:56:05,289

looks like we were giving it

941

00:56:13,109 --> 00:56:09,809

now here's another real interesting

942

00:56:16,700 --> 00:56:13,119

thread that you know in an ideal world

943

00:56:20,209 --> 00:56:16,710

we would have reporters all over this

944

00:56:24,120 --> 00:56:20,219

the American type culture collection a

945

00:56:27,299 --> 00:56:24,130

501 C 3 non-profit group you know they

946

00:56:31,950 --> 00:56:27,309

they sent the most materials by a war

947

00:56:35,339 --> 00:56:31,960

materials to Iraq you know who are these

948

00:56:37,769 --> 00:56:35,349

people I mean what are they doing with

949

00:56:41,999 --> 00:56:37,779

all this stuff they seem to be a sort of

950

00:56:43,739 --> 00:56:42,009

a hybrid organization nonprofit yet part

951
00:56:46,620 --> 00:56:43,749
of the government or a very closed

952
00:56:50,519 --> 00:56:46,630
government contractor repository

953
00:56:54,329 --> 00:56:50,529
bah-bah-bah it looks to me like this was

954
00:56:57,690 --> 00:56:54,339
given like foreign aid military aid I

955
00:56:59,849 --> 00:56:57,700
may be wrong and there's usually a money

956
00:57:02,400 --> 00:56:59,859
trail somewhere somebody's making money

957
00:57:05,339 --> 00:57:02,410
off of this that's right I don't know

958
00:57:08,190 --> 00:57:05,349
who in this case but that's you know

959
00:57:12,150 --> 00:57:08,200
another line to follow who made the

960
00:57:16,499 --> 00:57:12,160
money you know and there's the the other

961
00:57:20,239 --> 00:57:16,509
part of the CDC that I've always found

962
00:57:22,650 --> 00:57:20,249
alarming is that all of the little

963
00:57:25,319 --> 00:57:22,660

laboratories around the country these

964

00:57:27,180 --> 00:57:25,329

little startups that are creating

965

00:57:29,819 --> 00:57:27,190

vaccines whatever it is right you're

966

00:57:32,670 --> 00:57:29,829

gonna go fight Ebola and they go they

967

00:57:34,469 --> 00:57:32,680

announce you know that these small you

968

00:57:36,420 --> 00:57:34,479

know little you know three four five

969

00:57:38,759 --> 00:57:36,430

researchers and they're working on the

970

00:57:41,549 --> 00:57:38,769

stuff next thing you know the stock goes

971

00:57:44,130 --> 00:57:41,559

up the company is valued at a hundred

972

00:57:44,839 --> 00:57:44,140

million dollars and then the vaccines

973

00:57:47,900 --> 00:57:44,849

are never

974

00:57:49,999 --> 00:57:47,910

created but somebody's profiteering off

975

00:57:53,390 --> 00:57:50,009

of that and then the company goes

976
00:57:56,870 --> 00:57:53,400
nowhere and it seems to disappear but

977
00:58:00,410 --> 00:57:56,880
the CDC is in the business of inflating

978
00:58:03,469 --> 00:58:00,420
stock prices for these individuals that

979
00:58:06,920 --> 00:58:03,479
take the money and run and it could be

980
00:58:10,729 --> 00:58:06,930
the same situation here with this where

981
00:58:13,489 --> 00:58:10,739
the CDC is indirectly profiting or

982
00:58:16,640 --> 00:58:13,499
having other people make money on this

983
00:58:19,370 --> 00:58:16,650
to do this program and make it run right

984
00:58:25,729 --> 00:58:19,380
it seems like it's the same business

985
00:58:29,420 --> 00:58:25,739
model for them yes somewhere I remember

986
00:58:32,299 --> 00:58:29,430
reading the value of the stock market

987
00:58:36,650 --> 00:58:32,309
valuation of certain companies at the

988
00:58:39,170 --> 00:58:36,660

time I believe went up you know

989

00:58:41,180 --> 00:58:39,180

companies allied with these the

990

00:58:45,349 --> 00:58:41,190

production of these materials right

991

00:58:47,630 --> 00:58:45,359

right right right so because and and

992

00:58:50,180 --> 00:58:47,640

this is true of your federal government

993

00:58:52,700 --> 00:58:50,190

in general being depending upon who gets

994

00:58:56,150 --> 00:58:52,710

the federal contracts this is going to

995

00:58:59,420 --> 00:58:56,160

affect stock prices that's it that's it

996

00:59:01,489 --> 00:58:59,430

it's it happens over and over again and

997

00:59:03,319 --> 00:59:01,499

you look at something like this it's

998

00:59:06,019 --> 00:59:03,329

like well the CDC's been doing this for

999

00:59:08,390 --> 00:59:06,029

a long time and any any little company

1000

00:59:10,219 --> 00:59:08,400

right that announces these massive

1001

00:59:12,319 --> 00:59:10,229

federal contracts that they've just

1002

00:59:14,029 --> 00:59:12,329

closed boom suddenly the valuation goes

1003

00:59:17,150 --> 00:59:14,039

through the roof look what happened with

1004

00:59:19,009 --> 00:59:17,160

in Puerto Rico right one person gets a

1005

00:59:22,339 --> 00:59:19,019

twenty five million dollar whatever it

1006

00:59:24,709 --> 00:59:22,349

is contract to deliver water whatever it

1007

00:59:26,719 --> 00:59:24,719

is and and suddenly they have a company

1008

00:59:28,549 --> 00:59:26,729

that's worth a ton of money now they've

1009

00:59:30,920 --> 00:59:28,559

got to go hire employees and everything

1010

00:59:33,469 --> 00:59:30,930

is good it's the same thing here and

1011

00:59:36,229 --> 00:59:33,479

it's over and over again you know we're

1012

00:59:38,239 --> 00:59:36,239

on a treadmill alright it's just we're

1013

00:59:41,959 --> 00:59:38,249

just we just keep walking through this

1014

00:59:45,469 --> 00:59:41,969

and it's never gonna stop never know

1015

00:59:47,719 --> 00:59:45,479

because government I mean all

1016

00:59:48,859 --> 00:59:47,729

governments but especially the United

1017

00:59:52,130 --> 00:59:48,869

States federal government

1018

00:59:54,170 --> 00:59:52,140

you know they collect taxes they print

1019

00:59:58,579 --> 00:59:54,180

money out of thin air they you know

1020

01:00:03,440 --> 00:59:58,589

money is available in gigantic gobs

1021

01:00:06,400 --> 01:00:03,450

and slabs and there are contracts to be

1022

01:00:10,430 --> 01:00:06,410

let out and people to make money and

1023

01:00:13,519 --> 01:00:10,440

congressmen to go home to say to their

1024

01:00:16,670 --> 01:00:13,529

buddies we got you the bridge we got you

1025

01:00:19,279 --> 01:00:16,680

the road we got you this government

1026
01:00:22,999 --> 01:00:19,289
money's coming your way I'm your hero

1027
01:00:25,599 --> 01:00:23,009
and if it's by our war materials that

1028
01:00:28,420 --> 01:00:25,609
are the subject of the thing oh well

1029
01:00:31,059 --> 01:00:28,430
somebody's making money let's do it

1030
01:00:34,039 --> 01:00:31,069
don't be the ones to make the money

1031
01:00:36,289 --> 01:00:34,049
unbelievable John thank you so much man

1032
01:00:40,670 --> 01:00:36,299
it just just watch your back that's all

1033
01:00:42,170 --> 01:00:40,680
I got to say thank you I'll talk to you

1034
01:00:44,950 --> 01:00:42,180
and we'll see you next Thursday thank

1035
01:00:47,839 --> 01:00:44,960
you so much thank you Jon Rappoport

1036
01:00:52,239 --> 01:00:47,849
starts your day off every single day the

1037
01:00:56,450 --> 01:00:52,249
way I do at no more fake news.com and

1038
01:00:59,779 --> 01:00:56,460

talking about making announcements and

1039

01:01:02,539 --> 01:00:59,789

inflating stock prices I've just got in

1040

01:01:05,839 --> 01:01:02,549

the new announcement from Tom DeLonge

1041

01:01:08,299 --> 01:01:05,849

and to the stars Academy of Arts and

1042

01:01:10,789 --> 01:01:08,309

Science I'll read you the entire

1043

01:01:11,120 --> 01:01:10,799

announcement when we come back stay with

1044

01:01:12,979 --> 01:01:11,130

us

1045

01:01:14,930 --> 01:01:12,989

stay the block I'm your Sammy Church

1046

01:01:17,110 --> 01:01:14,940

Thursday night fader night opening up

1047

01:01:23,370 --> 01:01:17,120

the phone lines now

1048

01:01:25,210 --> 01:01:23,380

[Music]

1049

01:01:27,370 --> 01:01:25,220

this is fade to black

1050

01:01:31,030 --> 01:01:27,380

with Jimmy Church on the game changer

1051
01:01:32,849 --> 01:01:31,040
radio network and kgr a the global radio

1052
01:01:36,160 --> 01:01:32,859
alliance

1053
01:01:39,490 --> 01:01:36,170
this is kera digital broadcasting

1054
01:01:41,800 --> 01:01:39,500
station Salt Lake City Utah Van Buren

1055
01:01:43,900 --> 01:01:41,810
Arkansas does your basement or

1056
01:01:45,670 --> 01:01:43,910
crawlspce have a damp musty smell well

1057
01:01:47,830 --> 01:01:45,680
watch out that's a sign of too much

1058
01:01:49,660 --> 01:01:47,840
moisture and not enough ventilation and

1059
01:01:51,790 --> 01:01:49,670
that can mean increased mold growth and

1060
01:01:54,040 --> 01:01:51,800
the build-up of harmful toxins and gases

1061
01:01:56,200 --> 01:01:54,050
don't bother with a dehumidifier it just

1062
01:01:58,000 --> 01:01:56,210
circulates the same unhealthy air now

1063
01:01:59,859 --> 01:01:58,010

there's a better way to remove these

1064

01:02:02,260 --> 01:01:59,869

dangers and odors it's with the

1065

01:02:04,060 --> 01:02:02,270

computerized wave moisture control unit

1066

01:02:05,680 --> 01:02:04,070

that reduces moisture and expels

1067

01:02:07,690 --> 01:02:05,690

pollutants we replaced our old

1068

01:02:09,970 --> 01:02:07,700

dehumidifier with the wave unit and in

1069

01:02:12,370 --> 01:02:09,980

only three weeks our basement is dry and

1070

01:02:14,320 --> 01:02:12,380

the musty smell is gone wave units

1071

01:02:16,780 --> 01:02:14,330

require no maintenance no buckets of

1072

01:02:18,670 --> 01:02:16,790

water or filters and costs only pennies

1073

01:02:20,470 --> 01:02:18,680

a day to run breathe better live

1074

01:02:22,870 --> 01:02:20,480

healthier with an affordable no

1075

01:02:25,240 --> 01:02:22,880

maintenance wave unit call eight eight

1076

01:02:28,570 --> 01:02:25,250

eight seven one seven way eight eight

1077

01:02:33,480 --> 01:02:28,580

eight seven one seven wav e for busy dry

1078

01:02:35,010 --> 01:02:33,490

healthy home calm dry healthy home calm

1079

01:02:37,150 --> 01:02:35,020

[Music]

1080

01:02:47,410 --> 01:02:37,160

phone submissions

1081

01:02:51,890 --> 01:02:50,030

hi this is Ray sobs here reppin the

1082

01:02:54,890 --> 01:02:51,900

planet and you're listening to my good

1083

01:02:57,470 --> 01:02:54,900

friend Jimmy Church fade to black

1084

01:03:02,030 --> 01:02:57,480

on the GameChanger network and the kgr a

1085

01:03:04,160 --> 01:03:02,040

digital broadcast station this is Toby

1086

01:03:24,620 --> 01:03:04,170

KeBell you're listening to Jimmy Church

1087

01:03:26,150 --> 01:03:24,630

radio.com revolution this is Micah Hanks

1088

01:03:27,860 --> 01:03:26,160

of the graylien report and you're

1089

01:03:29,480 --> 01:03:27,870

listening to Jimmy church on fade to

1090

01:03:31,550 --> 01:03:29,490

black across the globe on the

1091

01:03:34,520 --> 01:03:31,560

GameChanger radio network and the one

1092

01:03:49,940 --> 01:03:34,530

and only kgr a radio the planet

1093

01:03:57,870 --> 01:03:54,480

[Music]

1094

01:04:02,680 --> 01:03:57,880

all right welcome back fade to black

1095

01:04:05,140 --> 01:04:02,690

Thursday night dater nights favorite

1096

01:04:08,710 --> 01:04:05,150

night of the week I'm yours Jimmy Church

1097

01:04:12,100 --> 01:04:08,720

open lines all night long three phone

1098

01:04:15,400 --> 01:04:12,110

numbers three two three eight two five

1099

01:04:18,270 --> 01:04:15,410

five zero four five or three two three

1100

01:04:22,000 --> 01:04:18,280

two seven five nine six nine five or

1101

01:04:23,050 --> 01:04:22,010

eight one eight nine two one six nine

1102

01:04:25,660 --> 01:04:23,060

two nine

1103

01:04:29,650 --> 01:04:25,670

all right if you're on hold stay right

1104

01:04:32,350 --> 01:04:29,660

there let's see okay everybody's lined

1105

01:04:33,940 --> 01:04:32,360

up if you're on hold stay right there

1106

01:04:34,210 --> 01:04:33,950

I'll get to the phone calls in just a

1107

01:04:36,940 --> 01:04:34,220

minute

1108

01:04:40,470 --> 01:04:36,950

I announced right before the break time

1109

01:04:44,470 --> 01:04:40,480

DeLong just released this statement and

1110

01:04:47,020 --> 01:04:44,480

I'm just gonna read it to you to the

1111

01:04:51,550 --> 01:04:47,030

stars Academy of Arts and Science

1112

01:04:54,750 --> 01:04:51,560

announces the atom ABAM research project

1113

01:04:57,730 --> 01:04:54,760

an academic research program focused on

1114

01:05:00,130 --> 01:04:57,740

exotic materials for technology

1115

01:05:02,890 --> 01:05:00,140

innovation I'm not sure what that means

1116

01:05:05,850 --> 01:05:02,900

that's the headline here is the

1117

01:05:09,160 --> 01:05:05,860

announcement investors and Friends today

1118

01:05:12,370 --> 01:05:09,170

we announced the launch of our flagship

1119

01:05:15,010 --> 01:05:12,380

research program the atom research

1120

01:05:18,430 --> 01:05:15,020

project and our partnership with earth

1121

01:05:20,710 --> 01:05:18,440

Tech international earth Tech org a

1122

01:05:23,410 --> 01:05:20,720

pioneering research organization in

1123

01:05:27,150 --> 01:05:23,420

Austin Texas at the forefront of

1124

01:05:31,030 --> 01:05:27,160

next-generation science and technology

1125

01:05:34,570 --> 01:05:31,040

project atom an acronym for acquisition

1126

01:05:36,250 --> 01:05:34,580

of data analysis of materials will focus

1127

01:05:38,920 --> 01:05:36,260

on the collection and scientific

1128

01:05:41,800 --> 01:05:38,930

evaluation of material samples obtained

1129

01:05:45,790 --> 01:05:41,810

through reliable reports of advanced

1130

01:05:47,590 --> 01:05:45,800

aerospace vehicles of unknown origin we

1131

01:05:50,200 --> 01:05:47,600

are overwhelmed by the reception of

1132

01:05:52,540 --> 01:05:50,210

world-class team that has received that

1133

01:05:55,450 --> 01:05:52,550

has received since the launch of the

1134

01:05:57,490 --> 01:05:55,460

company and are confident in our ability

1135

01:06:00,310 --> 01:05:57,500

to be among the leading research teams

1136

01:06:03,670 --> 01:06:00,320

focused on trying to answer some of the

1137

01:06:05,530 --> 01:06:03,680

biggest questions of our lifetime we

1138

01:06:07,690 --> 01:06:05,540

have been busy the past few months

1139

01:06:10,060 --> 01:06:07,700

setting up infrastructure not

1140

01:06:12,130 --> 01:06:10,070

raisins we have been fortunate to have

1141

01:06:15,010 --> 01:06:12,140

incredible people reaching out to us

1142

01:06:17,500 --> 01:06:15,020

from all over the globe to collaborate

1143

01:06:20,290 --> 01:06:17,510

in our scientific exploration and are

1144

01:06:23,650 --> 01:06:20,300

committed to the thoughtful open-minded

1145

01:06:25,810 --> 01:06:23,660

approach to our endeavor none of this

1146

01:06:28,630 --> 01:06:25,820

would be possible without your continued

1147

01:06:31,390 --> 01:06:28,640

support for which we are grateful we

1148

01:06:35,170 --> 01:06:31,400

look forward to sharing our journey with

1149

01:06:38,829 --> 01:06:35,180

you signed Tom DeLonge CEO to the Stars

1150

01:06:44,680 --> 01:06:38,839

Academy of Arts and Science released on

1151

01:06:49,210 --> 01:06:44,690

this day July 26 2018 sent out at 3:39

1152

01:06:53,520 --> 01:06:49,220

p.m. by the way so what do you make of

1153

01:06:57,790 --> 01:06:53,530

that what do you make of that statement

1154

01:07:02,859 --> 01:06:57,800

that is very very interesting I'm not

1155

01:07:08,520 --> 01:07:02,869

sure I'm not sure quite how to now I've

1156

01:07:09,940 --> 01:07:08,530

read through it a few times and it

1157

01:07:12,910 --> 01:07:09,950

mm-hmm

1158

01:07:14,620 --> 01:07:12,920

I watch your comments I want your

1159

01:07:15,849 --> 01:07:14,630

comments let's go to the phones hi

1160

01:07:18,150 --> 01:07:15,859

you're live on fade to black who's

1161

01:07:24,089 --> 01:07:18,160

calling you're up first

1162

01:07:28,450 --> 01:07:24,099

inquire how are you man I'm doing great

1163

01:07:35,430 --> 01:07:28,460

looking forward to Sol Tech and crushing

1164

01:07:49,690 --> 01:07:42,849

cards against humanity' we that's that's

1165

01:07:53,020 --> 01:07:49,700

some fun stuff isn't it yeah that Rita

1166

01:07:55,300 --> 01:07:53,030

posted that what's going on that Twitter

1167

01:08:04,180 --> 01:07:55,310

feed for posting I got a little out of

1168

01:08:10,290 --> 01:08:04,190

hand the the did you see the Richard

1169

01:08:15,339 --> 01:08:13,390

okay it's just funny because everything

1170

01:08:17,829 --> 01:08:15,349

that I say on this you know when a you

1171

01:08:21,420 --> 01:08:17,839

know what Richard Dawkins is my favorite

1172

01:08:24,750 --> 01:08:21,430

guided to bagon right

1173

01:08:27,329 --> 01:08:24,760

and watching these flip you know what

1174

01:08:31,470 --> 01:08:27,339

Rita should post it up again in Twitter

1175

01:08:34,230 --> 01:08:31,480

because I don't want to get it wrong but

1176

01:08:39,570 --> 01:08:34,240

you need to go and see it it is really

1177

01:08:40,800 --> 01:08:39,580

really funny and it's it's got this fade

1178

01:08:42,480 --> 01:08:40,810

to black

1179

01:08:45,960 --> 01:08:42,490

I don't know how to put it it's got this

1180

01:08:47,760 --> 01:08:45,970

fade to black connection okay so when do

1181

01:08:51,750 --> 01:08:47,770

you rate it you go wait what are the

1182

01:08:54,120 --> 01:08:51,760

odds of that right so anyway we'll get

1183

01:08:56,490 --> 01:08:54,130

that up there but it's funny man

1184

01:09:12,620 --> 01:08:56,500

it's a really it's a fun and funny it's

1185

01:09:12,630 --> 01:09:17,059

there's really great things happening

1186

01:09:22,950 --> 01:09:22,079

right right huh right and did you yeah

1187

01:09:32,420 --> 01:09:22,960

go ahead go ahead

1188

01:09:41,880 --> 01:09:38,090

with you know all the talk of discloser

1189

01:09:44,400 --> 01:09:41,890

UFOs all the crazy stuff going on been a

1190

01:09:48,210 --> 01:09:44,410

while since I've heard about paranormal

1191

01:09:50,760 --> 01:09:48,220

stuff in the kind of ghostly ways so I

1192

01:09:52,980 --> 01:09:50,770

was wondering sure you've probably said

1193

01:09:57,960 --> 01:09:52,990

it a hundred times on air before but

1194

01:10:01,860 --> 01:09:57,970

what is the most crazy paranormal thing

1195

01:10:05,220 --> 01:10:01,870

that you experienced or seen that my

1196

01:10:09,270 --> 01:10:05,230

craziest paranormal experience as

1197

01:10:14,560 --> 01:10:09,280

opposed to UFO or urn just yeah yeah

1198

01:10:26,350 --> 01:10:16,080

[Music]

1199

01:10:27,550 --> 01:10:26,360

hmm I have to - I have the okay I'll

1200

01:10:29,170 --> 01:10:27,560

tell you the say you know what I'm gonna

1201

01:10:31,990 --> 01:10:29,180

tell you the rock-and-roll one how's

1202

01:10:36,510 --> 01:10:32,000

that okay I gotta run I got a rock and

1203

01:10:41,350 --> 01:10:36,520

roll one and this is what happened I'm

1204

01:10:46,450 --> 01:10:41,360

I'm producing a concert at the Country

1205

01:10:49,180 --> 01:10:46,460

Club in Reseda and after the show that

1206

01:10:52,630 --> 01:10:49,190

night and we had all the big the big

1207

01:10:56,590 --> 01:10:52,640

bands ruffcut played that night and and

1208

01:11:01,980 --> 01:10:56,600

I'm just trying to think just it doesn't

1209

01:11:09,360 --> 01:11:01,990

matter so this is back in like 1987 and

1210

01:11:14,440 --> 01:11:09,370

so after the show I'm driving to my

1211

01:11:17,260 --> 01:11:14,450

girlfriend's house in Hollywood okay and

1212

01:11:17,890 --> 01:11:17,270

she lived in a back house this is 30

1213

01:11:21,400 --> 01:11:17,900

years ago

1214

01:11:23,650 --> 01:11:21,410

and she lived in this back house and so

1215

01:11:26,440 --> 01:11:23,660

it's two o'clock in the morning the club

1216

01:11:28,360 --> 01:11:26,450

closed and I immediately jumped in my

1217

01:11:31,570 --> 01:11:28,370

car and split because we were meeting a

1218

01:11:34,150 --> 01:11:31,580

bunch of friends over you know an after

1219

01:11:36,340 --> 01:11:34,160

party kind of thing right okay so I jump

1220

01:11:39,370 --> 01:11:36,350

in my car and I'm trying to I didn't

1221

01:11:40,990 --> 01:11:39,380

want to be late and I get to Hollywood

1222

01:11:43,780 --> 01:11:41,000

probably at about 2:30 in the morning

1223

01:11:46,810 --> 01:11:43,790

and I was expecting everybody to be

1224

01:11:49,240 --> 01:11:46,820

there but they weren't yet and I pull

1225

01:11:51,910 --> 01:11:49,250

into the driveway and I'm pulled to the

1226

01:11:53,770 --> 01:11:51,920

house the back house the house in front

1227

01:11:56,200 --> 01:11:53,780

is empty there's nobody living there and

1228

01:11:59,590 --> 01:11:56,210

I pull up to the back house and a parked

1229

01:12:02,770 --> 01:11:59,600

my car and I look over and and you know

1230

01:12:04,000 --> 01:12:02,780

it's dark the house is dark so I'm just

1231

01:12:07,720 --> 01:12:04,010

sitting there in my car and I roll down

1232

01:12:09,580 --> 01:12:07,730

the window and I just kind of turned my

1233

01:12:13,750 --> 01:12:09,590

head and I looked at the back house and

1234

01:12:16,120 --> 01:12:13,760

I see the curtains the blinds or

1235

01:12:19,110 --> 01:12:16,130

curtains or whatever was there pulled to

1236

01:12:22,870 --> 01:12:19,120

the side open up and I see this face

1237

01:12:27,800 --> 01:12:22,880

look out through the front window at me

1238

01:12:29,690 --> 01:12:27,810

I went oh somebody's here okay

1239

01:12:31,430 --> 01:12:29,700

well why didn't they just come out you

1240

01:12:32,810 --> 01:12:31,440

know they heard my car pull up they saw

1241

01:12:35,360 --> 01:12:32,820

the headlights you know I'm kind of

1242

01:12:36,890 --> 01:12:35,370

frustrated whatever you know making me

1243

01:12:38,630 --> 01:12:36,900

sit in the car for 10 minutes when I

1244

01:12:40,550 --> 01:12:38,640

didn't have to be there so I get out of

1245

01:12:42,530 --> 01:12:40,560

the car and I walk up on the front porch

1246

01:12:46,130 --> 01:12:42,540

and I'm waiting for the door to open it

1247

01:12:48,860 --> 01:12:46,140

doesn't I'm waiting like what you know

1248

01:12:51,860 --> 01:12:48,870

now you know I'm now I'm a little angry

1249

01:12:54,860 --> 01:12:51,870

knock on the door you know

1250

01:12:58,820 --> 01:12:54,870

come on it open up nobody opens the door

1251

01:13:00,610 --> 01:12:58,830

and I knock again and now I'm you know

1252

01:13:03,080 --> 01:13:00,620

I'm getting a little bit pissed off and

1253

01:13:05,960 --> 01:13:03,090

I'm trying to look through the windows I

1254

01:13:09,440 --> 01:13:05,970

don't see anybody in there and then the

1255

01:13:15,950 --> 01:13:09,450

cars pull up in the driveway behind me

1256

01:13:18,050 --> 01:13:15,960

and I go down and you know my girlfriend

1257

01:13:22,010 --> 01:13:18,060

gets out of the car she comes up and I

1258

01:13:24,050 --> 01:13:22,020

go your roommate is home and she won't

1259

01:13:27,620 --> 01:13:24,060

open up the front door it's not what are

1260

01:13:30,500 --> 01:13:27,630

you talking about I said yeah she's not

1261

01:13:34,040 --> 01:13:30,510

here she's with her boyfriend they're

1262

01:13:37,460 --> 01:13:34,050

behind me and I was like what and right

1263

01:13:40,880 --> 01:13:37,470

then another car pulls in right and it's

1264

01:13:47,240 --> 01:13:40,890

her roommate and her boyfriend it's guy

1265

01:13:49,220 --> 01:13:47,250

Chris and we're like what no really then

1266

01:13:53,300 --> 01:13:49,230

who's in the house now we're all freaked

1267

01:13:55,940 --> 01:13:53,310

out and and so Chris who's a pretty big

1268

01:13:57,680 --> 01:13:55,950

dude he ain't no and I'm telling him

1269

01:14:01,160 --> 01:13:57,690

what's going on and we all freaked out

1270

01:14:03,200 --> 01:14:01,170

we go we we unlocked the house and and

1271

01:14:05,000 --> 01:14:03,210

walk in start turning on the lights we

1272

01:14:06,760 --> 01:14:05,010

go to the back door it's locked we check

1273

01:14:08,630 --> 01:14:06,770

all the windows everything is sealed up

1274

01:14:12,170 --> 01:14:08,640

there's nobody there

1275

01:14:14,210 --> 01:14:12,180

and I walk back to the front window it's

1276

01:14:16,730 --> 01:14:14,220

a big picture window you know like maybe

1277

01:14:19,850 --> 01:14:16,740

you know eight feet wide four feet tall

1278

01:14:23,390 --> 01:14:19,860

it's a big window and I walk over and I

1279

01:14:26,060 --> 01:14:23,400

pull the curtains to the side and I look

1280

01:14:29,120 --> 01:14:26,070

at my car right the same way that this

1281

01:14:32,780 --> 01:14:29,130

face looked at me and I'm like these

1282

01:14:35,380 --> 01:14:32,790

things had to move this far and I'm

1283

01:14:40,109 --> 01:14:35,390

sticking my face through it I'm like

1284

01:14:47,040 --> 01:14:44,639

we freaked out and and left the lights

1285

01:14:50,219 --> 01:14:47,050

on all night never found out anything

1286

01:14:53,580 --> 01:14:50,229

and then the next day was the next

1287

01:14:58,020 --> 01:14:53,590

morning the landlord is there and he was

1288

01:15:01,109 --> 01:14:58,030

Asian Japanese Chinese and little older

1289

01:15:03,689 --> 01:15:01,119

guy and he comes up and were we're out

1290

01:15:06,419 --> 01:15:03,699

there talking about it and that's when

1291

01:15:07,830 --> 01:15:06,429

he tells us you know cuz we were like

1292

01:15:09,830 --> 01:15:07,840

freaked out you know that there was

1293

01:15:15,810 --> 01:15:09,840

somebody in the house last night and and

1294

01:15:18,000 --> 01:15:15,820

and he goes you know my son used to live

1295

01:15:22,350 --> 01:15:18,010

in this house in the front house but

1296

01:15:29,850 --> 01:15:22,360

last year he committed suicide he lit

1297

01:15:35,489 --> 01:15:29,860

himself on fire in the living room what

1298

01:15:38,609 --> 01:15:35,499

did you just say he goes yeah and I went

1299

01:15:41,369 --> 01:15:38,619

up and goes you know and and my memory

1300

01:15:44,459 --> 01:15:41,379

was he invited us in he opened up the

1301

01:15:46,169 --> 01:15:44,469

back door of the house and I looked

1302

01:15:47,580 --> 01:15:46,179

through I didn't go in but I looked

1303

01:15:49,830 --> 01:15:47,590

through and I could see straight into

1304

01:15:51,989 --> 01:15:49,840

the living room and I saw the black spot

1305

01:15:54,750 --> 01:15:51,999

on the wooden floor in front of the

1306

01:15:57,330 --> 01:15:54,760

fireplace big big you know burn spot on

1307

01:16:01,859 --> 01:15:57,340

the house and called my comic you got to

1308

01:16:05,089 --> 01:16:01,869

move out of this house man right and and

1309

01:16:08,069 --> 01:16:05,099

so yeah yeah that really happened just

1310

01:16:11,639 --> 01:16:08,079

exactly like I'm telling you right now

1311

01:16:13,500 --> 01:16:11,649

there's nothing to you know elevate or

1312

01:16:15,569 --> 01:16:13,510

take to the extreme or anything like

1313

01:16:20,009 --> 01:16:15,579

that that's how it went down

1314

01:16:22,139 --> 01:16:20,019

and it was crazy it messed with me for a

1315

01:16:27,089 --> 01:16:22,149

long long time

1316

01:16:29,429 --> 01:16:27,099

I don't think I went back to that house

1317

01:16:30,799 --> 01:16:29,439

I don't think I went back I was too

1318

01:16:35,279 --> 01:16:30,809

freaked out about the whole thing

1319

01:16:38,850 --> 01:16:35,289

yep yep I actually about a year ago I

1320

01:16:40,799 --> 01:16:38,860

told this story on the air and I went

1321

01:16:43,319 --> 01:16:40,809

back in Google or I don't want to look

1322

01:16:44,699 --> 01:16:43,329

at the house and it's still there you

1323

01:16:47,250 --> 01:16:44,709

know the house is still there and the

1324

01:16:49,500 --> 01:16:47,260

back house is there but you know I'm not

1325

01:16:51,779 --> 01:16:49,510

gonna just disclose the address but

1326

01:16:53,250 --> 01:16:51,789

that's a that's a real story man the

1327

01:16:55,220 --> 01:16:53,260

real story el oh I'll tell you

1328

01:16:58,710 --> 01:16:55,230

you want me to tell you the freaky part

1329

01:17:04,110 --> 01:16:58,720

from there from that house from the back

1330

01:17:08,280 --> 01:17:04,120

house if you had a really good rock you

1331

01:17:10,800 --> 01:17:08,290

could throw it over the building and and

1332

01:17:17,340 --> 01:17:10,810

hit the Church of Scientology's main

1333

01:17:18,960 --> 01:17:17,350

headquarters yeah I know right so there

1334

01:17:21,810 --> 01:17:18,970

you go how about you what's your best

1335

01:17:26,130 --> 01:17:21,820

paranormal story Oh

1336

01:17:28,560 --> 01:17:26,140

so mine is from probably about three or

1337

01:17:32,430 --> 01:17:28,570

four years ago I have a friend of mine

1338

01:17:35,460 --> 01:17:32,440

you see him and his girlfriend they have

1339

01:17:38,370 --> 01:17:35,470

got a pretty good big house

1340

01:17:42,150 --> 01:17:38,380

few acres but it was built in the 1800s

1341

01:17:45,890 --> 01:17:42,160

and at this point in time I was very

1342

01:17:48,990 --> 01:17:45,900

skeptical about anything paranormal I

1343

01:17:51,360 --> 01:17:49,000

work my I was interested in fascinated

1344

01:17:54,870 --> 01:17:51,370

in it but I didn't really think it was

1345

01:17:56,550 --> 01:17:54,880

real and see with my friend but his

1346

01:18:00,510 --> 01:17:56,560

girlfriend was very in through it all

1347

01:18:03,840 --> 01:18:00,520

and he was starting to tell me little

1348

01:18:06,270 --> 01:18:03,850

girl pop up in the house and then he was

1349

01:18:09,200 --> 01:18:06,280

telling me that when he moved into it

1350

01:18:11,880 --> 01:18:09,210

there was a room where it had a pop

1351

01:18:15,420 --> 01:18:11,890

outside so it was like someone was

1352

01:18:17,280 --> 01:18:15,430

walking in and for a while I thought

1353

01:18:19,350 --> 01:18:17,290

he's kind of messing with me making that

1354

01:18:23,130 --> 01:18:19,360

up about his house and then he invited

1355

01:18:26,130 --> 01:18:23,140

me out there for authorities and so I'd

1356

01:18:28,050 --> 01:18:26,140

go out there and he's showing me around

1357

01:18:30,720 --> 01:18:28,060

and just what the stories are already

1358

01:18:33,990 --> 01:18:30,730

kind of spooked about the play right but

1359

01:18:38,460 --> 01:18:34,000

then hearing the stories from panels

1360

01:18:45,660 --> 01:18:38,470

girlfriend about how stuff going on at

1361

01:18:48,690 --> 01:18:45,670

that point for this one show didn't know

1362

01:18:51,540 --> 01:18:48,700

anything about it or whatever and I'm

1363

01:18:52,680 --> 01:18:51,550

not going the party I'm starting to walk

1364

01:18:57,000 --> 01:18:52,690

back to my car

1365

01:18:58,800 --> 01:18:57,010

and I just had this really weird gross

1366

01:19:02,459 --> 01:18:58,810

feeling going on

1367

01:19:04,709 --> 01:19:02,469

and I was saying okay maybe I had too

1368

01:19:07,100 --> 01:19:04,719

much fun at the party maybe it's just in

1369

01:19:09,020 --> 01:19:07,110

my head but the

1370

01:19:11,720 --> 01:19:09,030

so I got to my car the more that was

1371

01:19:14,359 --> 01:19:11,730

going on so I went back to the house I

1372

01:19:16,100 --> 01:19:14,369

was telling on him they were saying that

1373

01:19:17,720 --> 01:19:16,110

they've never opened that shed because

1374

01:19:22,370 --> 01:19:17,730

it's locked up and they've always have

1375

01:19:25,280 --> 01:19:22,380

to hide stuff and so who's a moment I

1376

01:19:27,919 --> 01:19:25,290

wasn't all too proud of for being such a

1377

01:19:33,890 --> 01:19:27,929

man and all but I had his girlfriend

1378

01:19:36,260 --> 01:19:33,900

walking back to my car so I walk in a

1379

01:19:39,189 --> 01:19:36,270

park again and I start hearing like

1380

01:19:42,109 --> 01:19:39,199

whispering circling around my head and

1381

01:19:46,370 --> 01:19:42,119

so I didn't say anything about it I've

1382

01:19:48,649 --> 01:19:46,380

got my car waved goodbye and then right

1383

01:19:51,080 --> 01:19:48,659

when I started my car I started hearing

1384

01:19:55,220 --> 01:19:51,090

banging on like all the windows around

1385

01:19:58,520 --> 01:19:55,230

my car and there was no one there so I I

1386

01:20:00,649 --> 01:19:58,530

just peeled out out of his house and

1387

01:20:05,840 --> 01:20:00,659

sent a text apologizing from ripping up

1388

01:20:07,550 --> 01:20:05,850

his yard when I got out Wow Wow they

1389

01:20:09,530 --> 01:20:07,560

weren't they weren't messing with you

1390

01:20:15,950 --> 01:20:09,540

you didn't see the hands you just heard

1391

01:20:17,750 --> 01:20:15,960

them yeah for years then so over time

1392

01:20:19,550 --> 01:20:17,760

they started researching into the house

1393

01:20:24,680 --> 01:20:19,560

and found out that there was a little

1394

01:20:26,450 --> 01:20:24,690

girl that had died and so they would see

1395

01:20:28,160 --> 01:20:26,460

this little girl stand at the end of

1396

01:20:30,830 --> 01:20:28,170

their bed but from what they were

1397

01:20:33,290 --> 01:20:30,840

telling me was that they came to the

1398

01:20:35,629 --> 01:20:33,300

conclusion that she was like good and

1399

01:20:38,990 --> 01:20:35,639

kind and stuff but that there were some

1400

01:20:42,500 --> 01:20:39,000

other darker presence in the house too

1401

01:20:45,979 --> 01:20:42,510

and they went through a lot of roommates

1402

01:20:47,750 --> 01:20:45,989

and that's something I think it's pretty

1403

01:20:50,270 --> 01:20:47,760

intense that they would do to mess with

1404

01:20:51,770 --> 01:20:50,280

my roommates in there no then it's the

1405

01:20:53,510 --> 01:20:51,780

new roommate would obviously always get

1406

01:20:56,240 --> 01:20:53,520

that really sketchy room that used to be

1407

01:21:00,439 --> 01:20:56,250

locked up right they would hide a Ouija

1408

01:21:02,629 --> 01:21:00,449

board in that room no and then not tell

1409

01:21:04,100 --> 01:21:02,639

them any of the stuff about the house

1410

01:21:05,689 --> 01:21:04,110

didn't like they'd only have good

1411

01:21:06,919 --> 01:21:05,699

friends move in and then they just

1412

01:21:07,399 --> 01:21:06,929

thought that this was funny to do to

1413

01:21:10,640 --> 01:21:07,409

people

1414

01:21:12,200 --> 01:21:10,650

and so yeah I've done when friends would

1415

01:21:14,359 --> 01:21:12,210

start telling them I keep having

1416

01:21:16,970 --> 01:21:14,369

nightmares and stuff and the screw

1417

01:21:18,740 --> 01:21:16,980

what's going on and then they would lay

1418

01:21:20,280 --> 01:21:18,750

it all out on them and then pull out the

1419

01:21:26,100 --> 01:21:20,290

Ouija corn

1420

01:21:28,560 --> 01:21:26,110

you guys know not doing that you excited

1421

01:21:34,260 --> 01:21:28,570

about Seoul tech man we're less than two

1422

01:21:37,830 --> 01:21:34,270

weeks away can you believe it I getting

1423

01:21:41,520 --> 01:21:37,840

ready for all that stuff I'm crunching

1424

01:21:45,840 --> 01:21:41,530

to pull off and stuff but I'm gonna pull

1425

01:21:48,120 --> 01:21:45,850

it off it's today's the 24th

1426

01:21:52,410 --> 01:21:48,130

today is the 26th man we're gonna be up

1427

01:21:55,080 --> 01:21:52,420

there on the 7th so excited I mean it's

1428

01:21:57,330 --> 01:21:55,090

it's it's here it's that's it I mean

1429

01:22:03,390 --> 01:21:57,340

it's like I'm ready to just start

1430

01:22:06,990 --> 01:22:03,400

packing now here we go yeah yes however

1431

01:22:11,130 --> 01:22:07,000

long ago that I got tickets for my

1432

01:22:14,280 --> 01:22:11,140

girlfriend and I all summer I was I just

1433

01:22:17,520 --> 01:22:14,290

want to fast forward to August and go do

1434

01:22:22,730 --> 01:22:17,530

this that is definitely going to be my

1435

01:22:25,230 --> 01:22:22,740

highlight of the summer for everybody

1436

01:22:27,450 --> 01:22:25,240

for everybody it's gonna be like that

1437

01:22:32,790 --> 01:22:27,460

Inquirer and I'm being serious about it

1438

01:22:34,920 --> 01:22:32,800

there is my memories of isse Eddie and

1439

01:22:36,600 --> 01:22:34,930

you know all the conferences and getting

1440

01:22:37,800 --> 01:22:36,610

out there with all the fader knots you

1441

01:22:40,560 --> 01:22:37,810

know there's there's things that are

1442

01:22:44,640 --> 01:22:40,570

great about every single one but but ll

1443

01:22:48,600 --> 01:22:44,650

said ll and what went down there for me

1444

01:22:51,270 --> 01:22:48,610

I haven't chronicled you know sat down

1445

01:22:54,410 --> 01:22:51,280

and wrote everything out you know David

1446

01:22:57,570 --> 01:22:54,420

but we had we had so many from the

1447

01:22:59,930 --> 01:22:57,580

orientation the night before everything

1448

01:23:04,080 --> 01:22:59,940

of the day of from that orientation

1449

01:23:07,800 --> 01:23:04,090

forward so many different things

1450

01:23:09,690 --> 01:23:07,810

happened to me personally of just just

1451

01:23:12,990 --> 01:23:09,700

minute by minute by minute all day long

1452

01:23:15,600 --> 01:23:13,000

it was crazy it was nuts and so we have

1453

01:23:17,640 --> 01:23:15,610

all of that then you throw in what was

1454

01:23:21,960 --> 01:23:17,650

going out at the Field of Dreams every

1455

01:23:24,810 --> 01:23:21,970

single night we had Lorcan O'Toole and

1456

01:23:27,750 --> 01:23:24,820

his Bigfoot sighting we had that door

1457

01:23:31,890 --> 01:23:27,760

opening up on the mountain you know

1458

01:23:33,780 --> 01:23:31,900

whatever that was and it's just it was

1459

01:23:37,020 --> 01:23:33,790

one thing

1460

01:23:40,650 --> 01:23:37,030

another non-stop and in between all of

1461

01:23:42,300 --> 01:23:40,660

these great events these things that

1462

01:23:44,520 --> 01:23:42,310

were going on were the conversations

1463

01:23:47,310 --> 01:23:44,530

that we were having with everybody and

1464

01:23:49,440 --> 01:23:47,320

the friends that we made and all of the

1465

01:23:51,900 --> 01:23:49,450

meals and sitting there and and in

1466

01:23:54,840 --> 01:23:51,910

eating and hanging out it was just it

1467

01:23:58,380 --> 01:23:54,850

was so much fun it was just a singular

1468

01:23:59,970 --> 01:23:58,390

event and I cannot wait for Soul Tech

1469

01:24:02,460 --> 01:23:59,980

because I know it's gonna be the exact

1470

01:24:16,590 --> 01:24:02,470

same thing for everybody yourself

1471

01:24:19,170 --> 01:24:16,600

included it's gonna be so cool and

1472

01:24:20,280 --> 01:24:19,180

you're going to be doing the release of

1473

01:24:31,740 --> 01:24:20,290

your new album

1474

01:24:34,670 --> 01:24:31,750

oh yeah I cannot wait it's gonna be so

1475

01:24:40,440 --> 01:24:34,680

much fun so we'll see you safe travels

1476

01:24:44,820 --> 01:24:40,450

we are just we are four we are 11 days

1477

01:24:47,070 --> 01:24:44,830

out 11 days out and tonight's Thursday

1478

01:24:48,840 --> 01:24:47,080

right so we're gonna get to Sunday then

1479

01:24:52,950 --> 01:24:48,850

that's it and then we're gonna be a week

1480

01:24:55,230 --> 01:24:52,960

out and a week from this Tuesday we are

1481

01:24:56,700 --> 01:24:55,240

gonna be at ESET e we're gonna get there

1482

01:24:59,340 --> 01:24:56,710

a couple of days early we got to pull

1483

01:25:01,830 --> 01:24:59,350

the we got to pull the land yacht in

1484

01:25:03,660 --> 01:25:01,840

there and so that's gonna be really cool

1485

01:25:08,760 --> 01:25:03,670

too as well so we'll see you up there

1486

01:25:10,920 --> 01:25:08,770

man thank you and choir behaving be well

1487

01:25:14,100 --> 01:25:10,930

and I can't wait I can't wait to hear

1488

01:25:18,030 --> 01:25:14,110

you play I can't wait to hear your ear

1489

01:25:19,500 --> 01:25:18,040

CD and of course cards against humanity'

1490

01:25:22,920 --> 01:25:19,510

that's what I'm talking about in choir

1491

01:25:28,170 --> 01:25:22,930

with them behaving be well how do you q

1492

01:25:32,340 --> 01:25:28,180

man well thank you so much and now I'm

1493

01:25:35,340 --> 01:25:32,350

looking I have got to do this and then

1494

01:25:38,640 --> 01:25:35,350

I'm going to do this and then I'm gonna

1495

01:25:39,240 --> 01:25:38,650

say more phone calls there next this is

1496

01:25:42,270 --> 01:25:39,250

fade to black

1497

01:25:44,820 --> 01:25:42,280

it is fate or night it's Thursday open

1498

01:25:47,580 --> 01:25:44,830

lines all night long three two three a

1499

01:25:51,960 --> 01:25:47,590

two five five zero four five three two

1500

01:26:35,360 --> 01:25:51,970

three two seven five nine or eight nine

1501

01:26:39,030 --> 01:26:35,370

two one six nine hurricanes earthquakes

1502

01:26:41,490 --> 01:26:39,040

wildfires this year we've experienced

1503

01:26:43,800 --> 01:26:41,500

more than our fair share this is Jimmy

1504

01:26:46,110 --> 01:26:43,810

Church of fade to black and last month I

1505

01:26:48,300 --> 01:26:46,120

decided to make sure my family does not

1506

01:26:51,020 --> 01:26:48,310

have to worry about food should we get

1507

01:26:53,910 --> 01:26:51,030

caught in a real emergency situation

1508

01:26:55,740 --> 01:26:53,920

introducing Humana that healthy storable

1509

01:26:57,660 --> 01:26:55,750

product that tastes so good that you'll

1510

01:27:00,420 --> 01:26:57,670

want to eat it every day instead of just

1511

01:27:02,640 --> 01:27:00,430

during those times of duress on Lumina

1512

01:27:06,060 --> 01:27:02,650

products have a 25 year shelf life our

1513

01:27:08,610 --> 01:27:06,070

msg and GMO free no preservatives and

1514

01:27:10,530 --> 01:27:08,620

are made in America with the new manna

1515

01:27:12,120 --> 01:27:10,540

pack in your home you'll be able to

1516

01:27:13,530 --> 01:27:12,130

sleep at night knowing that you

1517

01:27:16,620 --> 01:27:13,540

protected your family

1518

01:27:19,440 --> 01:27:16,630

not only have I tasted and tested I own

1519

01:27:21,180 --> 01:27:19,450

it now you can too just click on the new

1520

01:27:23,490 --> 01:27:21,190

mana banner on Jimmy Church radio.com

1521

01:27:25,950 --> 01:27:23,500

and use the promo code Jimmy when you

1522

01:27:28,470 --> 01:27:25,960

order in addition to a discount we'll

1523

01:27:32,440 --> 01:27:28,480

send you an autograph fade to black

1524

01:27:34,000 --> 01:27:32,450

seriously gobekli tepe do you worry a

1525

01:27:36,390 --> 01:27:34,010

lot whether you're a college student

1526
01:27:38,860 --> 01:27:36,400
busy professional parent or grandparent

1527
01:27:40,930 --> 01:27:38,870
ongoing stress and elevated levels of

1528
01:27:43,030 --> 01:27:40,940
the stress hormone cortisol can rob your

1529
01:27:45,250 --> 01:27:43,040
memory your health and your future

1530
01:27:47,110 --> 01:27:45,260
now you can combat the effects of stress

1531
01:27:49,210 --> 01:27:47,120
and anxiety while improving your memory

1532
01:27:51,310 --> 01:27:49,220
and recall at the same time with the

1533
01:27:53,080 --> 01:27:51,320
dietary supplement calm and clever

1534
01:27:55,210 --> 01:27:53,090
studies show that the ingredients in

1535
01:27:57,700 --> 01:27:55,220
common clever reduce cortisol by as much

1536
01:27:59,110 --> 01:27:57,710
as 30% in one to two weeks call one

1537
01:28:07,390 --> 01:27:59,120
eight hundred seven five eight eight

1538
01:28:14,280 --> 01:28:10,230

[Music]

1539

01:28:19,060 --> 01:28:16,780

you are listening to fade to black

1540

01:28:23,890 --> 01:28:19,070

with Jimmy Church on the game changer

1541

01:28:25,930 --> 01:28:23,900

Network hi I'm Lisa Vance you're

1542

01:28:28,870 --> 01:28:25,940

listening to Jimmy Church this is a

1543

01:28:32,730 --> 01:28:28,880

revolution the revolution will not be

1544

01:28:38,090 --> 01:28:32,740

televised the revolution is on radio

1545

01:28:38,100 --> 01:29:17,419

[Music]

1546

01:29:22,789 --> 01:29:19,649

welcome back fade to black I'm here

1547

01:29:25,349 --> 01:29:22,799

Jimmy Church Thursday night Seder nights

1548

01:29:26,759 --> 01:29:25,359

open lines all night long John holse

1549

01:29:33,689 --> 01:29:26,769

right there oh it gets here in just a

1550

01:29:42,179 --> 01:29:33,699

second 3 2 3 8 2 5 5 0 4 5 or 3 2 3 2 7

1551

01:29:44,689 --> 01:29:42,189

5 9 6 9 5 or 8 1 8 9 20 1 6 9 to 9 and I

1552

01:29:46,199 --> 01:29:44,699

was thinking I was watching and Twitter

1553

01:29:50,369 --> 01:29:46,209

inquire within

1554

01:29:52,889 --> 01:29:50,379

question was my favorite paranormal

1555

01:29:54,929 --> 01:29:52,899

experience and I was just sitting here

1556

01:29:57,089 --> 01:29:54,939

contemplating and yes the house the

1557

01:29:59,279 --> 01:29:57,099

missing house with the pool that one

1558

01:30:04,199 --> 01:29:59,289

stands out but I was just sitting here

1559

01:30:07,109 --> 01:30:04,209

thinking you know what the ghost story

1560

01:30:10,349 --> 01:30:07,119

in Hollywood was one that really really

1561

01:30:14,099 --> 01:30:10,359

freaked me out but I was alone for that

1562

01:30:18,929 --> 01:30:14,109

and then there's there's other stuff but

1563

01:30:21,299 --> 01:30:18,939

I forgot the the electric company story

1564

01:30:23,189 --> 01:30:21,309

The Electric Company The Electric

1565

01:30:25,679 --> 01:30:23,199

Company I'm gonna get two calls here in

1566

01:30:27,479 --> 01:30:25,689

just a second and well you know what I

1567

01:30:31,649 --> 01:30:27,489

don't want to keep people on hold let's

1568

01:30:34,219 --> 01:30:31,659

go to area code two six nine you're up

1569

01:30:44,069 --> 01:30:39,079

Jimmy yes amen

1570

01:30:46,079 --> 01:30:44,079

what's up who's this there's a dance

1571

01:30:49,409 --> 01:30:46,089

from Kalamazoo first-time caller

1572

01:30:55,500 --> 01:30:49,419

longtime listener Dan from Kalamazoo you

1573

01:30:57,599 --> 01:30:55,510

know I used to live in Kalamazoo yeah I

1574

01:31:00,479 --> 01:30:57,609

did I did right right there well you

1575

01:31:01,739 --> 01:31:00,489

know Western Michigan University right

1576

01:31:05,069 --> 01:31:01,749

there at the top of the hill looking

1577

01:31:07,799 --> 01:31:05,079

down on the on the campus we lived right

1578

01:31:13,319 --> 01:31:07,809

there on redwood but anyway you're

1579

01:31:18,029 --> 01:31:13,329

calling me what's up Dan Oh love the

1580

01:31:22,439 --> 01:31:18,039

show let's call in for once start

1581

01:31:25,829 --> 01:31:22,449

mentioned my tr-3b sighting when income

1582

01:31:28,920 --> 01:31:25,839

and cash support it's really what

1583

01:31:37,800 --> 01:31:36,030

March 13 2011 okay 9:00 at night just

1584

01:31:40,020 --> 01:31:37,810

got done putting the kids to bed sitting

1585

01:31:44,700 --> 01:31:40,030

on the back porch drinking a beer and

1586

01:31:48,420 --> 01:31:44,710

playing guitar and all sudden out of

1587

01:31:51,870 --> 01:31:48,430

nowhere appeared out of thin air it just

1588

01:31:54,720 --> 01:31:51,880

blinked in it's flying north and this

1589

01:32:01,380 --> 01:31:54,730

thing was so close and I mean it was

1590

01:32:03,810 --> 01:32:01,390

within 500 feet altitude and it was it

1591

01:32:05,910 --> 01:32:03,820

blinked in out of nowhere it was

1592

01:32:11,460 --> 01:32:05,920

literally right over Lovers Lane and

1593

01:32:15,380 --> 01:32:11,470

Portage and popped in the swine North

1594

01:32:18,990 --> 01:32:15,390

row slow then it disappeared and then it

1595

01:32:22,380 --> 01:32:19,000

reappeared and disappeared again and it

1596

01:32:25,290 --> 01:32:22,390

didn't skip a beat like it was you know

1597

01:32:28,200 --> 01:32:25,300

kept on flying North just disappeared

1598

01:32:31,350 --> 01:32:28,210

I don't know can't explain it Grand

1599

01:32:35,220 --> 01:32:31,360

inside grabbed my video camera came out

1600

01:32:38,790 --> 01:32:35,230

and it was gone never sucked 500 feet so

1601

01:32:40,320 --> 01:32:38,800

you got a really good look at it I'm

1602

01:32:42,330 --> 01:32:40,330

telling you it was close they used to

1603

01:32:47,520 --> 01:32:42,340

work on cell towers so I kind of know a

1604

01:32:51,990 --> 01:32:47,530

little bit about height and yeah i

1605

01:32:56,040 --> 01:32:52,000

swears within 500 feet and what yeah and

1606

01:32:58,020 --> 01:32:56,050

what did you what details you know what

1607

01:33:03,480 --> 01:32:58,030

did you see that could you see anything

1608

01:33:07,500 --> 01:33:03,490

about it yeah it was you know everybody

1609

01:33:09,360 --> 01:33:07,510

says they're black I thought it was kind

1610

01:33:12,780 --> 01:33:09,370

of maybe like a stainless steel because

1611

01:33:15,780 --> 01:33:12,790

if you could see the the light kind of

1612

01:33:20,250 --> 01:33:15,790

bouncing off the object you know houses

1613

01:33:23,510 --> 01:33:20,260

the perimeter of it had three lights one

1614

01:33:26,100 --> 01:33:23,520

a you know one light on each corner and

1615

01:33:28,980 --> 01:33:26,110

it was almost like the perimeter of the

1616

01:33:32,760 --> 01:33:28,990

thing was was also lit up but it wasn't

1617

01:33:35,400 --> 01:33:32,770

like it wasn't really emitting light or

1618

01:33:37,500 --> 01:33:35,410

is more like reflecting light that's why

1619

01:33:39,150 --> 01:33:37,510

I think it was you know almost like a

1620

01:33:41,910 --> 01:33:39,160

stainless steel color but it could have

1621

01:33:42,870 --> 01:33:41,920

been you know that shiny black it also

1622

01:33:48,150 --> 01:33:42,880

reflects

1623

01:33:50,090 --> 01:33:48,160

but uh yeah I mean that's about it Wow

1624

01:33:55,560 --> 01:33:50,100

Wow

1625

01:34:01,020 --> 01:33:55,570

yeah how big was it how big oh it had

1626
01:34:04,710 --> 01:34:01,030
been size of uh I want to say 40 feet 40

1627
01:34:08,480 --> 01:34:04,720
by 40 by 40 at least maybe more

1628
01:34:12,510 --> 01:34:08,490
did it make any noise not a sound

1629
01:34:15,030 --> 01:34:12,520
no and the craziest thing is I came up

1630
01:34:17,820 --> 01:34:15,040
back outside with my video camera and

1631
01:34:19,650 --> 01:34:17,830
you know this is recording the night sky

1632
01:34:21,360 --> 01:34:19,660
just hoping they'd come back saying in

1633
01:34:23,520 --> 01:34:21,370
my mind you know you know come back show

1634
01:34:26,040 --> 01:34:23,530
me something you know right my mind um

1635
01:34:27,590 --> 01:34:26,050
you know you hear that they're you know

1636
01:34:30,720 --> 01:34:27,600
it's the greys or whoever that

1637
01:34:32,310 --> 01:34:30,730
telepathic or whatever so I'm trying to

1638
01:34:34,200 --> 01:34:32,320

talk to him in my mind saying come back

1639

01:34:38,430 --> 01:34:34,210

show me I want to see blah blah blah and

1640

01:34:40,140 --> 01:34:38,440

I like I said I'd never saw it again but

1641

01:34:42,530 --> 01:34:40,150

my video camera started making really

1642

01:34:45,600 --> 01:34:42,540

weird like high-pitched frequency song

1643

01:34:47,190 --> 01:34:45,610

I've never heard to do before and I

1644

01:34:50,490 --> 01:34:47,200

recorded the sky for like twenty or

1645

01:34:52,440 --> 01:34:50,500

thirty minutes and a couple days later I

1646

01:34:56,720 --> 01:34:52,450

looked at the footage just see if

1647

01:34:58,980 --> 01:34:56,730

there's anything I can see but um and

1648

01:35:00,690 --> 01:34:58,990

right around the time where I when I

1649

01:35:03,840 --> 01:35:00,700

started hearing that high-pitched

1650

01:35:06,450 --> 01:35:03,850

frequency on the footage you could you

1651
01:35:07,710 --> 01:35:06,460
could hear tapping and it was the

1652
01:35:13,260 --> 01:35:07,720
weirdest thing because it sounded like

1653
01:35:15,090 --> 01:35:13,270
Morse code right right and so I actually

1654
01:35:16,830 --> 01:35:15,100
downloaded some Morse code at the coding

1655
01:35:20,910 --> 01:35:16,840
software and looped it through the video

1656
01:35:28,920 --> 01:35:20,920
audio and it came up with like a whole

1657
01:35:30,630 --> 01:35:28,930
paragraph of just random letters and it

1658
01:35:34,500 --> 01:35:30,640
didn't make any sense to me a lot of it

1659
01:35:36,480 --> 01:35:34,510
was was the letter D you know there is

1660
01:35:39,240 --> 01:35:36,490
no didn't make any sense or anything but

1661
01:35:41,820 --> 01:35:39,250
it was just very weird that the software

1662
01:35:46,530 --> 01:35:41,830
picked up anything you know what I mean

1663
01:35:50,130 --> 01:35:46,540

right right D it was fate was it a

1664

01:35:53,640 --> 01:35:50,140

little slow footage so that was March

1665

01:35:56,310 --> 01:35:53,650

13th 2011 were there any other reports

1666

01:36:00,149 --> 01:35:56,320

in Kalamazoo about the sighting

1667

01:36:02,339 --> 01:36:00,159

no I called the news station the next

1668

01:36:04,140 --> 01:36:02,349

day and asked them if anybody called

1669

01:36:06,660 --> 01:36:04,150

about any weird lights in the sky or

1670

01:36:09,359 --> 01:36:06,670

anything they said no they said do you

1671

01:36:11,220 --> 01:36:09,369

want to report something I said no you

1672

01:36:12,689 --> 01:36:11,230

know I didn't want to be the crazy guy

1673

01:36:15,479 --> 01:36:12,699

on the news you know what I mean

1674

01:36:18,419 --> 01:36:15,489

and I said well who do I report this to

1675

01:36:20,250 --> 01:36:18,429

and they said well we don't know try the

1676

01:36:22,589 --> 01:36:20,260

police and I call the police actually

1677

01:36:25,970 --> 01:36:22,599

and told them and they said yeah there's

1678

01:36:28,740 --> 01:36:25,980

really nothing we don't really care and

1679

01:36:32,129 --> 01:36:28,750

look online and got a hold of MUFON and

1680

01:36:35,189 --> 01:36:32,139

reported it to them ended up having an

1681

01:36:37,800 --> 01:36:35,199

interview with the director of Michigan

1682

01:36:40,050 --> 01:36:37,810

and he said he definitely thinks it was

1683

01:36:44,180 --> 01:36:40,060

a UFO you know he can tell me if he

1684

01:36:46,530 --> 01:36:44,190

thought it was million or government

1685

01:36:48,180 --> 01:36:46,540

yeah no that was the craziest thing I've

1686

01:36:49,260 --> 01:36:48,190

ever seen in my life so you think that

1687

01:36:52,740 --> 01:36:49,270

was kind of interesting have you ever

1688

01:36:56,030 --> 01:36:52,750

seen one I yeah well I photographed a

1689

01:36:59,609 --> 01:36:56,040

black triangle I don't know if it was a

1690

01:37:03,209 --> 01:36:59,619

tr-3b because it was so high up you

1691

01:37:05,609 --> 01:37:03,219

can't see those kind of details and what

1692

01:37:08,850 --> 01:37:05,619

I photographed I think it was more like

1693

01:37:12,330 --> 01:37:08,860

a pyramid but it could have been a tr-3b

1694

01:37:15,899 --> 01:37:12,340

but it was it was really fast in the sky

1695

01:37:17,790 --> 01:37:15,909

and then stopped and I've talked about

1696

01:37:20,250 --> 01:37:17,800

this many times and then it stopped and

1697

01:37:23,850 --> 01:37:20,260

then went straight up it came to the

1698

01:37:26,760 --> 01:37:23,860

edge of this cloud and stopped and just

1699

01:37:29,850 --> 01:37:26,770

kind of sat there just for just I mean

1700

01:37:32,609 --> 01:37:29,860

not even a second and then went straight

1701
01:37:36,390 --> 01:37:32,619
up into the blue sky and disappeared it

1702
01:37:39,270 --> 01:37:36,400
was it was crazy the whole sighting it

1703
01:37:41,459 --> 01:37:39,280
was moving so fast across the sky that

1704
01:37:44,370 --> 01:37:41,469
you couldn't see it was just a black dot

1705
01:37:46,410 --> 01:37:44,380
okay it wasn't a black triangle it was

1706
01:37:48,300 --> 01:37:46,420
just a black top moving across the sky I

1707
01:37:52,410 --> 01:37:48,310
just happen to catch a picture of it

1708
01:37:54,270 --> 01:37:52,420
anyway it it I have no idea how fast it

1709
01:37:56,939 --> 01:37:54,280
was going but at that altitude the way

1710
01:37:59,669 --> 01:37:56,949
it was moving it had to have been going

1711
01:38:01,020 --> 01:37:59,679
thousands of miles an hour and then it

1712
01:38:03,330 --> 01:38:01,030
just stopped and that's what caught our

1713
01:38:05,250 --> 01:38:03,340

eye that it was just you know streaking

1714

01:38:09,000 --> 01:38:05,260

across the sky but then it just burned

1715

01:38:09,990 --> 01:38:09,010

and stopped you know it was crazy so I

1716

01:38:12,570 --> 01:38:10,000

grabbed a picture

1717

01:38:14,850 --> 01:38:12,580

of it and when you know and when you

1718

01:38:17,970 --> 01:38:14,860

look at it with a jeweler's loupe you

1719

01:38:22,500 --> 01:38:17,980

can see that it's it's clearly a black

1720

01:38:24,840 --> 01:38:22,510

triangle you know so was it a tr-3b out

1721

01:38:28,740 --> 01:38:24,850

on I have I seen a tr-3b up close like

1722

01:38:30,270 --> 01:38:28,750

you know I have not I would love I would

1723

01:38:36,720 --> 01:38:30,280

love to have that kind of siding though

1724

01:38:38,400 --> 01:38:36,730

seriously but no really is my camera I

1725

01:38:41,520 --> 01:38:38,410

looked at I was looking at it you know

1726

01:38:43,890 --> 01:38:41,530

sometime afterwards and it was right

1727

01:38:46,050 --> 01:38:43,900

around I'm not sure if it's the same day

1728

01:38:48,210 --> 01:38:46,060

I saw that siding or if it was a couple

1729

01:38:50,700 --> 01:38:48,220

days later what have you but there were

1730

01:38:56,400 --> 01:38:50,710

some weird pictures in the beginning of

1731

01:38:59,040 --> 01:38:56,410

the camera all the pictures and if I

1732

01:39:02,090 --> 01:38:59,050

swear it looked like it was a picture of

1733

01:39:05,730 --> 01:39:02,100

Earth from space and there was like a

1734

01:39:09,920 --> 01:39:05,740

trail like a chem trail you could see in

1735

01:39:13,850 --> 01:39:09,930

the picture and it really is like I I

1736

01:39:16,230 --> 01:39:13,860

can't even fathom that maybe I you know

1737

01:39:19,170 --> 01:39:16,240

was abducted or something I don't think

1738

01:39:21,030 --> 01:39:19,180

I was I think it was just like I don't

1739

01:39:23,070 --> 01:39:21,040

know some some stock pictures or

1740

01:39:28,800 --> 01:39:23,080

something maybe from when I bought the

1741

01:39:32,280 --> 01:39:28,810

camera but I don't know it was really

1742

01:39:33,570 --> 01:39:32,290

really it's kind of trippy and I'd like

1743

01:39:36,630 --> 01:39:33,580

I said I don't think anything happened

1744

01:39:38,220 --> 01:39:36,640

but I don't know those pictures you know

1745

01:39:39,450 --> 01:39:38,230

I don't know where they came from I

1746

01:39:43,020 --> 01:39:39,460

don't know how they got there I don't

1747

01:39:53,010 --> 01:39:43,030

even know what it is but it appears like

1748

01:40:03,480 --> 01:39:53,020

it yeah that'll mess with your head

1749

01:40:04,920 --> 01:40:03,490

right yeah you know you never know and

1750

01:40:09,570 --> 01:40:04,930

thank you for the phone call your name

1751
01:40:12,210 --> 01:40:09,580
was Pete no Dan thank you Dan I don't

1752
01:40:16,470 --> 01:40:12,220
know where Pete came from I have no idea

1753
01:40:20,310 --> 01:40:16,480
that was strange thank you so much Dan

1754
01:40:23,010 --> 01:40:20,320
be safe and be well all right love you

1755
01:40:23,959 --> 01:40:23,020
right back at you that's a great

1756
01:40:28,819 --> 01:40:23,969
sighting

1757
01:40:31,729 --> 01:40:28,829
right there 500 feet up it's uh

1758
01:40:35,569 --> 01:40:31,739
why does Jimmy have what does Jimmy have

1759
01:40:37,669 --> 01:40:35,579
as his hold music I don't know that's

1760
01:40:40,160 --> 01:40:37,679
interesting I don't know I think we have

1761
01:40:41,959 --> 01:40:40,170
the show piped in you listen to the show

1762
01:40:44,509 --> 01:40:41,969
when you're on hold

1763
01:40:45,169 --> 01:40:44,519

speaking of that let's go right back to

1764

01:40:46,609 --> 01:40:45,179

the phones

1765

01:40:49,430 --> 01:40:46,619

oh I was gonna tell my electric

1766

01:40:50,959 --> 01:40:49,440

companies story I'll do that one next

1767

01:40:55,069 --> 01:40:50,969

hi you're live on fade to black who's

1768

01:40:58,939 --> 01:40:55,079

calling hey Jimmy a Sara Anselm Acosta

1769

01:41:00,709 --> 01:40:58,949

hi Sara am from LA Coste how are you I'm

1770

01:41:04,370 --> 01:41:00,719

doing good Thursday night it's fate or

1771

01:41:07,040 --> 01:41:04,380

night right so I have a lot of stuff

1772

01:41:10,219 --> 01:41:07,050

that is on my mind but real quickly I

1773

01:41:13,580 --> 01:41:10,229

just want to make a comment on Van Damme

1774

01:41:15,290 --> 01:41:13,590

story from Kalamazoo yeah and I just

1775

01:41:17,479 --> 01:41:15,300

want to give a little validation for him

1776

01:41:18,890 --> 01:41:17,489

because about four years ago when I

1777

01:41:20,779 --> 01:41:18,900

started to receive like my

1778

01:41:24,350 --> 01:41:20,789

communications a lot of it with Morse

1779

01:41:27,259 --> 01:41:24,360

code which I don't know and it would

1780

01:41:29,689 --> 01:41:27,269

come in in the form of sounds sometimes

1781

01:41:32,089 --> 01:41:29,699

like telepathic or clairaudience sounds

1782

01:41:33,950 --> 01:41:32,099

sometimes actually you know physical

1783

01:41:37,640 --> 01:41:33,960

sounds in this reality sometimes

1784

01:41:40,009 --> 01:41:37,650

flashing flashing lights so I think you

1785

01:41:41,149 --> 01:41:40,019

know I had that experience too and I

1786

01:41:46,040 --> 01:41:41,159

just want to share that with everybody

1787

01:41:48,939 --> 01:41:46,050

and Dan and what else was I going to

1788

01:41:52,219 --> 01:41:48,949

share oh I had another experience

1789

01:41:55,250 --> 01:41:52,229

similar to him where you know he had the

1790

01:41:57,709 --> 01:41:55,260

whole video camera thing I had my iPhone

1791

01:42:00,350 --> 01:41:57,719

in my pocket and I found a video a

1792

01:42:02,299 --> 01:42:00,360

couple of days later after I had some

1793

01:42:05,600 --> 01:42:02,309

missing time I actually just put the

1794

01:42:06,830 --> 01:42:05,610

video up on Twitter and you guys can

1795

01:42:10,729 --> 01:42:06,840

watch it and I'm gonna take it back down

1796

01:42:13,399 --> 01:42:10,739

because it's a huge it's a huge file

1797

01:42:15,680 --> 01:42:13,409

it's very weird it has no sound and I

1798

01:42:18,500 --> 01:42:15,690

think it actually shows me being taken

1799

01:42:22,609 --> 01:42:18,510

so I'm really sensitive about it but I

1800

01:42:27,680 --> 01:42:22,619

just wanted to validate story that I see

1801
01:42:31,489 --> 01:42:27,690
it here okay is this something that I

1802
01:42:33,500 --> 01:42:31,499
shouldn't play on the air no you can

1803
01:42:35,600 --> 01:42:33,510
play it I just asked that people don't

1804
01:42:37,549 --> 01:42:35,610
like you know cuz I'm still working

1805
01:42:37,910 --> 01:42:37,559
through some of this and I don't like to

1806
01:42:41,090 --> 01:42:37,920
draw

1807
01:42:43,940 --> 01:42:41,100
tension cuz I've really been through the

1808
01:42:48,460 --> 01:42:43,950
wringer yeah well nothing like calling

1809
01:42:52,790 --> 01:42:48,470
into a radio show I feel like I'm ready

1810
01:42:54,670 --> 01:42:52,800
well I'll do it off of the air I mean I

1811
01:42:57,800 --> 01:42:54,680
you know how long is it

1812
01:43:00,320 --> 01:42:57,810
it's quick it's just quick it's quick

1813
01:43:03,410 --> 01:43:00,330

all right it's quick and it has no sound

1814

01:43:06,910 --> 01:43:03,420

and it's a lot of what looks like light

1815

01:43:12,470 --> 01:43:06,920

language and going through a vortex and

1816

01:43:16,010 --> 01:43:12,480

trippy well you know you know about I'm

1817

01:43:17,480 --> 01:43:16,020

gonna say it's about a year ago May it

1818

01:43:21,560 --> 01:43:17,490

might have been a little longer all

1819

01:43:25,460 --> 01:43:21,570

right I'd have to ask Rita but on her

1820

01:43:29,120 --> 01:43:25,470

cell phone a couple of videos popped up

1821

01:43:35,060 --> 01:43:29,130

that we couldn't explain and now now now

1822

01:43:38,810 --> 01:43:35,070

now nothing nothing's you know nothing

1823

01:43:41,600 --> 01:43:38,820

strange or crazy but the point is we

1824

01:43:44,690 --> 01:43:41,610

didn't shoot the video and the video

1825

01:43:48,560 --> 01:43:44,700

doesn't show anything it's it's kind of

1826

01:43:51,320 --> 01:43:48,570

weird there's nothing in the audio that

1827

01:43:53,840 --> 01:43:51,330

would tell us oh we accidentally you

1828

01:43:55,670 --> 01:43:53,850

know clicked video and that's what was

1829

01:43:57,740 --> 01:43:55,680

going down okay all right you know like

1830

01:44:00,230 --> 01:43:57,750

we knew the date date and time and so

1831

01:44:03,320 --> 01:44:00,240

now they just showed up on her phone and

1832

01:44:07,850 --> 01:44:03,330

we couldn't I don't think we ever really

1833

01:44:09,650 --> 01:44:07,860

quite figured it out I would was freaked

1834

01:44:11,960 --> 01:44:09,660

out it is I she was really freaked out

1835

01:44:14,270 --> 01:44:11,970

but I'm trying to maintain coolness

1836

01:44:16,550 --> 01:44:14,280

right okay well honey it was just this

1837

01:44:18,650 --> 01:44:16,560

and that and you know you know I don't

1838

01:44:20,870 --> 01:44:18,660

want to you know amplify the situation

1839

01:44:22,430 --> 01:44:20,880

but I was pretty freaked out about it

1840

01:44:25,280 --> 01:44:22,440

too because I'm looking at it and I

1841

01:44:27,710 --> 01:44:25,290

couldn't I couldn't figure it out

1842

01:44:30,620 --> 01:44:27,720

you know when I was trying to convince

1843

01:44:32,990 --> 01:44:30,630

myself in my own mind oh it's you know

1844

01:44:35,480 --> 01:44:33,000

there's a you know the thumb is over the

1845

01:44:38,150 --> 01:44:35,490

camera lens so it's not really showing

1846

01:44:38,960 --> 01:44:38,160

it I'm not you know I'm just trying to

1847

01:44:41,270 --> 01:44:38,970

figure it out

1848

01:44:43,010 --> 01:44:41,280

and I'm trying to debunk it and I don't

1849

01:44:45,440 --> 01:44:43,020

think we ever did I don't think we ever

1850

01:44:47,930 --> 01:44:45,450

got to the bottom line on that it never

1851
01:44:50,630 --> 01:44:47,940
happened again I'll say that it never

1852
01:44:51,649 --> 01:44:50,640
you know we don't have a bunch of stuff

1853
01:44:55,939 --> 01:44:51,659
like that

1854
01:44:58,609 --> 01:44:55,949
but it was real I'm so sorry I kind of a

1855
01:45:00,739 --> 01:44:58,619
theory about you know the video that was

1856
01:45:03,109 --> 01:45:00,749
on my phone because I I had gone out for

1857
01:45:04,069 --> 01:45:03,119
a walk the night before or I guess it

1858
01:45:06,109 --> 01:45:04,079
would have been a couple nights before

1859
01:45:09,949 --> 01:45:06,119
and I actually I had a contact

1860
01:45:15,020 --> 01:45:09,959
experience and I was trying to film this

1861
01:45:17,149 --> 01:45:15,030
you know craft as it was leaning and you

1862
01:45:19,819 --> 01:45:17,159
know so there were two videos on my

1863
01:45:21,379 --> 01:45:19,829

iphone the same length of time but the

1864

01:45:25,100 --> 01:45:21,389

reason that I found the second one was

1865

01:45:28,729 --> 01:45:25,110

because if the file was so massive it

1866

01:45:31,669 --> 01:45:28,739

was causing my phone to crash and I know

1867

01:45:34,159 --> 01:45:31,679

that it was put there for a reason to

1868

01:45:35,629 --> 01:45:34,169

see if you know I had the comfort level

1869

01:45:38,179 --> 01:45:35,639

to be able to deal with it

1870

01:45:41,239 --> 01:45:38,189

and I think that these things can happen

1871

01:45:43,819 --> 01:45:41,249

where you know these invisible guidance

1872

01:45:46,640 --> 01:45:43,829

from above is kind of just testing the

1873

01:45:50,540 --> 01:45:46,650

waters because I know that with you know

1874

01:45:51,409 --> 01:45:50,550

I'll just call it my team benevolent you

1875

01:45:53,600 --> 01:45:51,419

know peeps

1876

01:45:55,790 --> 01:45:53,610

that are in contact with me they're very

1877

01:45:59,390 --> 01:45:55,800

gentle and they're always testing things

1878

01:46:00,919 --> 01:45:59,400

out and that takes me to the reason that

1879

01:46:04,520 --> 01:46:00,929

I called that I wanted to talk to you

1880

01:46:04,790 --> 01:46:04,530

about the endless oh the endless yeah go

1881

01:46:07,669 --> 01:46:04,800

ahead

1882

01:46:09,739 --> 01:46:07,679

I washed it and what's really funny is

1883

01:46:11,000 --> 01:46:09,749

so I'm not gonna give anything away but

1884

01:46:12,830 --> 01:46:11,010

you can look online you'll read that

1885

01:46:15,469 --> 01:46:12,840

it's about two brothers that returned to

1886

01:46:18,140 --> 01:46:15,479

this cult that they once went from years

1887

01:46:20,870 --> 01:46:18,150

ago and in returning they discover that

1888

01:46:25,009 --> 01:46:20,880

the group's belief belief may or may not

1889

01:46:29,060 --> 01:46:25,019

be more sane than they once thought and

1890

01:46:32,540 --> 01:46:29,070

for me this movie is like the big

1891

01:46:34,399 --> 01:46:32,550

metaphor for the process of ascension or

1892

01:46:36,649 --> 01:46:34,409

the process of awakening and what's

1893

01:46:38,330 --> 01:46:36,659

tricky to me is that I when I watch the

1894

01:46:40,310 --> 01:46:38,340

movie I assume that these guys were

1895

01:46:42,770 --> 01:46:40,320

big-time experiencers or at least

1896

01:46:44,390 --> 01:46:42,780

big-time experiences of the paranormal

1897

01:46:46,870 --> 01:46:44,400

right but I went back and listened to

1898

01:46:49,549 --> 01:46:46,880

the interview and they're not and so

1899

01:46:51,409 --> 01:46:49,559

this is the thing this is the thing and

1900

01:46:53,569 --> 01:46:51,419

this is going to take us back to when I

1901

01:46:56,179 --> 01:46:53,579

called last week with my blue sphere

1902

01:46:58,669 --> 01:46:56,189

story is that everybody has a piece of

1903

01:47:01,729 --> 01:46:58,679

the puzzle and for me that's the huge

1904

01:47:05,240 --> 01:47:01,739

teaching in the film I mean these guys

1905

01:47:07,520 --> 01:47:05,250

play with duality so brilliantly and I

1906

01:47:08,900 --> 01:47:07,530

so many vibrational day jobs and moments

1907

01:47:10,760 --> 01:47:08,910

during that movie

1908

01:47:13,780 --> 01:47:10,770

there were like so many scenes that were

1909

01:47:16,190 --> 01:47:13,790

a visual echo of very specific

1910

01:47:18,490 --> 01:47:16,200

experiences with the big e that I've had

1911

01:47:22,070 --> 01:47:18,500

over recent years when I'm receiving

1912

01:47:24,170 --> 01:47:22,080

communication especially and having to

1913

01:47:26,120 --> 01:47:24,180

learn the sermon about who's on the

1914

01:47:28,070 --> 01:47:26,130

other end of the line right I mean we

1915

01:47:29,270 --> 01:47:28,080

can relate to that to the scene in the

1916

01:47:35,510 --> 01:47:29,280

movie where they're playing the tug of

1917

01:47:36,680 --> 01:47:35,520

war and you know just like who is it it

1918

01:47:39,500 --> 01:47:36,690

was at Curtis pond

1919

01:47:40,880 --> 01:47:39,510

Don Dido is that happening that was just

1920

01:47:45,190 --> 01:47:40,890

on this week that's like everybody's an

1921

01:47:47,900 --> 01:47:45,200

experience yeah yeah it's just like

1922

01:47:51,790 --> 01:47:47,910

there he was like I watched this movie

1923

01:47:55,130 --> 01:47:51,800

and he dropped in this really important

1924

01:47:59,290 --> 01:47:55,140

piece of wisdom that echoes what I was

1925

01:48:04,160 --> 01:47:59,300

picking up on that movie and you know

1926

01:48:06,680 --> 01:48:04,170

it's like I guess I want to say that

1927

01:48:08,030 --> 01:48:06,690

throughout my experiences and what I

1928

01:48:11,540 --> 01:48:08,040

really got from the movie is that the

1929

01:48:13,340 --> 01:48:11,550

understanding that one's viewpoint maybe

1930

01:48:16,100 --> 01:48:13,350

a viewpoint that I once thought was

1931

01:48:18,890 --> 01:48:16,110

completely erroneous or offensive or

1932

01:48:20,180 --> 01:48:18,900

ridiculous the same viewpoint has merit

1933

01:48:21,440 --> 01:48:20,190

because it's a piece of the puzzle that

1934

01:48:22,790 --> 01:48:21,450

I'm trying to put together that we're

1935

01:48:26,180 --> 01:48:22,800

all trying to put together in this

1936

01:48:28,040 --> 01:48:26,190

lifetime and this absurd viewpoint is

1937

01:48:30,890 --> 01:48:28,050

actually a clue in like the cosmic

1938

01:48:32,540 --> 01:48:30,900

scavenger hunt that I'm on and that

1939

01:48:35,000 --> 01:48:32,550

we're all on as a collective at this

1940

01:48:37,130 --> 01:48:35,010

time and that's the ultimate teaching

1941

01:48:39,380 --> 01:48:37,140

that has emerged for me on my path and

1942

01:48:40,730 --> 01:48:39,390

it's like a heavy scholastic book that

1943

01:48:43,130 --> 01:48:40,740

continues to boss me over the head

1944

01:48:47,780 --> 01:48:43,140

whenever I lose my way on this path and

1945

01:48:49,100 --> 01:48:47,790

so you know it's just it feels good to

1946

01:48:51,380 --> 01:48:49,110

be part of this community because

1947

01:48:53,000 --> 01:48:51,390

there's not a lot of like trolling on

1948

01:48:54,560 --> 01:48:53,010

Twitter where people are trying to tell

1949

01:48:57,050 --> 01:48:54,570

you that you're wrong or that your

1950

01:48:58,670 --> 01:48:57,060

experience is valid or that what you

1951

01:49:01,610 --> 01:48:58,680

think is stupid or they're just trying

1952

01:49:03,500 --> 01:49:01,620

to throw their spiritual dogma down your

1953

01:49:05,420 --> 01:49:03,510

throats like a lot of spiritual teachers

1954

01:49:07,180 --> 01:49:05,430

do and when I see and hear stuff like

1955

01:49:09,680 --> 01:49:07,190

that like this person isn't awake

1956

01:49:11,750 --> 01:49:09,690

because they're trying to convince me of

1957

01:49:14,630 --> 01:49:11,760

something and they're not allowing me to

1958

01:49:17,360 --> 01:49:14,640

be a clue in their scavenger hunt and I

1959

01:49:19,010 --> 01:49:17,370

understand that I'm being you know I'm

1960

01:49:21,830 --> 01:49:19,020

contradicting myself when I say

1961

01:49:24,020 --> 01:49:21,840

I'm aware of it you know you're not

1962

01:49:26,420 --> 01:49:24,030

contradicting yourself but there it not

1963

01:49:30,230 --> 01:49:26,430

at all at least not to me maybe to

1964

01:49:34,160 --> 01:49:30,240

yourself which is which is ok too but in

1965

01:49:37,850 --> 01:49:34,170

the endless what what I found so

1966

01:49:44,480 --> 01:49:37,860

enjoyable about the film was that each

1967

01:49:48,380 --> 01:49:44,490

little scene had another paranormal or

1968

01:49:50,660 --> 01:49:48,390

supernatural element to it that tied the

1969

01:49:53,390 --> 01:49:50,670

film together and you can go through the

1970

01:49:56,600 --> 01:49:53,400

film and just come up with a timeline of

1971

01:49:58,400 --> 01:49:56,610

all of these different elements like for

1972

01:50:02,600 --> 01:49:58,410

instance I mean just when you start to

1973

01:50:05,240 --> 01:50:02,610

think it's something explainable then

1974

01:50:08,060 --> 01:50:05,250

you've got three moons in the sky right

1975

01:50:11,060 --> 01:50:08,070

and so now ok so now that is suggesting

1976

01:50:14,300 --> 01:50:11,070

something else then you've got the the

1977

01:50:16,730 --> 01:50:14,310

the guy in the tent you know from a

1978

01:50:19,130 --> 01:50:16,740

hundred years ago 150 years ago reliving

1979

01:50:22,760 --> 01:50:19,140

is five seconds you have that then you

1980

01:50:25,760 --> 01:50:22,770

have the the trailer that drops right or

1981

01:50:27,680 --> 01:50:25,770

the the photographs each one of these

1982

01:50:29,840 --> 01:50:27,690

little tiny scenes right walking up the

1983

01:50:32,090 --> 01:50:29,850

trail the photographs are on the ground

1984

01:50:34,670 --> 01:50:32,100

the puffs of smoke you pick it up and

1985

01:50:36,290 --> 01:50:34,680

it's a photograph from above so who was

1986

01:50:38,660 --> 01:50:36,300

taking the pictures of above at that

1987

01:50:41,720 --> 01:50:38,670

exact moment very strange

1988

01:50:44,030 --> 01:50:41,730

you've got what's-his-name

1989

01:50:48,770 --> 01:50:44,040

committing suicide over and over and

1990

01:50:52,460 --> 01:50:48,780

over and over again yeah the one the one

1991

01:50:55,220 --> 01:50:52,470

scene where he steps across in front of

1992

01:50:58,130 --> 01:50:55,230

the whatever you call those those totems

1993

01:51:01,220 --> 01:50:58,140

you know those poles and and and then

1994

01:51:03,710 --> 01:51:01,230

the the girl cannot see him he stepped

1995

01:51:05,600 --> 01:51:03,720

into another reality and they both can

1996

01:51:07,250 --> 01:51:05,610

feel each other's presence there but

1997

01:51:09,110 --> 01:51:07,260

they can't see each other and you know

1998

01:51:12,980 --> 01:51:09,120

that well you know it's just like I can

1999

01:51:15,740 --> 01:51:12,990

go on and on and on and on of course the

2000

01:51:17,690 --> 01:51:15,750

the Rope seen the famous ropes but you

2001
01:51:21,020 --> 01:51:17,700
can go on and on and on with each one of

2002
01:51:24,080 --> 01:51:21,030
these little scenes that are independent

2003
01:51:27,020 --> 01:51:24,090
from each other right but the raw or

2004
01:51:31,280 --> 01:51:27,030
when you know so he meets up with the

2005
01:51:31,850 --> 01:51:31,290
with the guy that's helping out the the

2006
01:51:41,720 --> 01:51:31,860
the

2007
01:51:43,850 --> 01:51:41,730
moments later he's back

2008
01:51:47,359 --> 01:51:43,860
I think it's Aaron Aaron is back at the

2009
01:51:49,490 --> 01:51:47,369
camp and he meets up with his wife right

2010
01:51:52,100 --> 01:51:49,500
the guy helping out that yeah right and

2011
01:51:55,040 --> 01:51:52,110
she's looking for her husband he knows

2012
01:51:58,040 --> 01:51:55,050
that he is just it's like it's just you

2013
01:52:00,439 --> 01:51:58,050

know I hope you find him you remember I

2014

01:52:03,760 --> 01:52:00,449

hope you find him with Wow right when

2015

01:52:07,189 --> 01:52:03,770

when he knows that guys in a time loop

2016

01:52:10,000 --> 01:52:07,199

he's in a total he's in a total time

2017

01:52:13,490 --> 01:52:10,010

chest but what's really crazy jimmy is

2018

01:52:16,399 --> 01:52:13,500

these experiences that are shown on film

2019

01:52:18,890 --> 01:52:16,409

they feel so similar to experiences that

2020

01:52:21,680 --> 01:52:18,900

I've actually had you know the way that

2021

01:52:24,790 --> 01:52:21,690

this great force from above kind of

2022

01:52:27,890 --> 01:52:24,800

communicates and shows that it is

2023

01:52:31,220 --> 01:52:27,900

watching everything like when justin

2024

01:52:33,229 --> 01:52:31,230

retrieves that message you know from the

2025

01:52:36,680 --> 01:52:33,239

body of water i don't want to give

2026

01:52:40,879 --> 01:52:36,690

anything away when i say a fact

2027

01:52:43,250 --> 01:52:40,889

yes exactly how my guides communicate

2028

01:52:45,350 --> 01:52:43,260

with me in moving pictures really campy

2029

01:52:47,390 --> 01:52:45,360

they communicate in this really can't be

2030

01:52:50,090 --> 01:52:47,400

way and i and they show me like a film

2031

01:52:52,879 --> 01:52:50,100

behind my closed eyes when I've really

2032

01:52:56,209 --> 01:52:52,889

messed dot yes and I can tell that it's

2033

01:52:57,620 --> 01:52:56,219

my that it's my benevolent team because

2034

01:53:00,649 --> 01:52:57,630

they really show me that it was this

2035

01:53:02,959 --> 01:53:00,659

total epic epic moment but they didn't

2036

01:53:07,669 --> 01:53:02,969

you know really can't be wait so that I

2037

01:53:09,470 --> 01:53:07,679

can handle it and then of course I have

2038

01:53:11,120 --> 01:53:09,480

also had experiences you know they show

2039

01:53:13,010 --> 01:53:11,130

the projector on the screen

2040

01:53:15,229 --> 01:53:13,020

I like last week I was telling you about

2041

01:53:16,820 --> 01:53:15,239

you know with the loose fear how it put

2042

01:53:18,979 --> 01:53:16,830

these movies and pictures in my mind

2043

01:53:21,560 --> 01:53:18,989

I've actually woken up in the middle of

2044

01:53:25,970 --> 01:53:21,570

the night to look on my window and see

2045

01:53:28,640 --> 01:53:25,980

the star Sirius projecting a beam into

2046

01:53:30,770 --> 01:53:28,650

my bedroom so that's the moving picture

2047

01:53:32,720 --> 01:53:30,780

and it was like hieroglyphs or something

2048

01:53:34,939 --> 01:53:32,730

the moving picture is right in front of

2049

01:53:37,280 --> 01:53:34,949

my eyes and I can see it with my eyes

2050

01:53:39,320 --> 01:53:37,290

open and I can see it was my eyes closed

2051
01:53:40,910 --> 01:53:39,330
so I don't know where these got if they

2052
01:53:43,430 --> 01:53:40,920
haven't had these experiences I'm what

2053
01:53:45,410 --> 01:53:43,440
are you drinking from the same well you

2054
01:53:48,229 --> 01:53:45,420
know and of course we are

2055
01:53:50,300 --> 01:53:48,239
everybody has a clue you know I'm

2056
01:53:52,520 --> 01:53:50,310
looking at your video here by the way

2057
01:53:53,959 --> 01:53:52,530
everybody is is going this is freaky

2058
01:54:00,280 --> 01:53:53,969
this is freaky I'm sure you're watching

2059
01:54:03,860 --> 01:54:00,290
Twitter right now I'm pretty sure that

2060
01:54:05,080 --> 01:54:03,870
that's yeah okay and you didn't know

2061
01:54:09,919 --> 01:54:05,090
anything about this

2062
01:54:13,640 --> 01:54:09,929
no and it's I went and it's a huge file

2063
01:54:15,740 --> 01:54:13,650

there's no sound yeah I mean not even

2064

01:54:18,050 --> 01:54:15,750

like and it was after it you know again

2065

01:54:20,780 --> 01:54:18,060

it was right after I filmed this other

2066

01:54:24,439 --> 01:54:20,790

you know crap leaving I had my phone in

2067

01:54:29,390 --> 01:54:24,449

my pocket I walked home I had about 45

2068

01:54:30,890 --> 01:54:29,400

minutes of missing time and then I mean

2069

01:54:32,270 --> 01:54:30,900

I've shown this you know I showed this

2070

01:54:33,800 --> 01:54:32,280

to my parents and they were they like

2071

01:54:39,530 --> 01:54:33,810

they were like you don't ever want this

2072

01:54:47,030 --> 01:54:39,540

again because it's just so spooky yeah

2073

01:54:51,260 --> 01:54:47,040

this is uh this is bizarre it and you

2074

01:54:53,780 --> 01:54:51,270

have no idea where the location is well

2075

01:54:56,870 --> 01:54:53,790

I know exactly where I am because at the

2076

01:54:59,209 --> 01:54:56,880

end you bet on also dropping me back

2077

01:55:02,000 --> 01:54:59,219

down or whatever but I was I was in

2078

01:55:05,330 --> 01:55:02,010

Solana Beach and there's the tunnel but

2079

01:55:07,540 --> 01:55:05,340

I like to walk up to when I feel you

2080

01:55:11,180 --> 01:55:07,550

know I can kind of feel something coming

2081

01:55:15,740 --> 01:55:11,190

and so it's a it's a quiet place with a

2082

01:55:18,140 --> 01:55:15,750

lot of um you know open sky and not a

2083

01:55:21,169 --> 01:55:18,150

lot of people around so that's where I

2084

01:55:24,560 --> 01:55:21,179

filmed you know the craft leaving after

2085

01:55:28,669 --> 01:55:24,570

I had this experience but then this is

2086

01:55:31,700 --> 01:55:28,679

what happened afterwards and I don't

2087

01:55:37,760 --> 01:55:31,710

actually know if it was taken before I

2088

01:55:43,580 --> 01:55:37,770

film the crash leaving or ask wow that's

2089

01:55:47,750 --> 01:55:43,590

uh it's disturbing is what it is because

2090

01:55:50,660 --> 01:55:47,760

it doesn't yeah I can't even explain it

2091

01:55:54,520 --> 01:55:50,670

yeah how long you said it was how long

2092

01:55:57,350 --> 01:55:54,530

was this is 13 seconds here right I

2093

01:55:59,359 --> 01:55:57,360

think so because I documented it all

2094

01:56:02,510 --> 01:55:59,369

when I put it together

2095

01:56:04,430 --> 01:56:02,520

but how long was the file file is this a

2096

01:56:08,180 --> 01:56:04,440

short piece of it is there a longer

2097

01:56:10,760 --> 01:56:08,190

version no okay Wow

2098

01:56:11,570 --> 01:56:10,770

yeah that's pretty trippy Sara that's

2099

01:56:14,839 --> 01:56:11,580

pretty trippy

2100

01:56:18,859 --> 01:56:14,849

well I circle back to what I was saying

2101
01:56:20,330 --> 01:56:18,869
with the endless it's like that's you

2102
01:56:24,200 --> 01:56:20,340
know you never know

2103
01:56:26,060 --> 01:56:24,210
is it this is some good beans taking

2104
01:56:27,709 --> 01:56:26,070
just some evil beings take me you know

2105
01:56:29,720 --> 01:56:27,719
it's just like and just like in the

2106
01:56:33,020 --> 01:56:29,730
movie and just like how how the cult

2107
01:56:35,060 --> 01:56:33,030
feature was you know trying to

2108
01:56:38,060 --> 01:56:35,070
demonstrate it's really not up to

2109
01:56:50,780 --> 01:56:38,070
anybody except okay I'm gonna retweet

2110
01:56:54,020 --> 01:56:50,790
this one we are talking about okay well

2111
01:56:57,050 --> 01:56:54,030
I want everybody to see it so you know I

2112
01:56:59,660 --> 01:56:57,060
don't have a million followers but I got

2113
01:57:03,620 --> 01:56:59,670

a buttload that's for sure okay howdy

2114

01:57:05,209 --> 01:57:03,630

how'd it goes and by the way that clip

2115

01:57:07,970 --> 01:57:05,219

that you played at the beginning was

2116

01:57:12,350 --> 01:57:07,980

with the hilarious I almost peed myself

2117

01:57:15,109 --> 01:57:12,360

oh he's talking about hold on for a

2118

01:57:25,189 --> 01:57:15,119

second you're talking about wait hold on

2119

01:57:27,500 --> 01:57:25,199

this one right here that's pretty funny

2120

01:57:29,629 --> 01:57:27,510

it's even funny for me all right Sara I

2121

01:57:33,109 --> 01:57:29,639

got to get out of here thank you for

2122

01:57:34,700 --> 01:57:33,119

sharing that with this and go read the

2123

01:57:37,879 --> 01:57:34,710

comments that it will eventually start

2124

01:57:40,040 --> 01:57:37,889

accumulating on the video out there I

2125

01:57:41,570 --> 01:57:40,050

you know it's good to share it so

2126
01:57:45,050 --> 01:57:41,580
everybody else can see it and they can

2127
01:57:46,879 --> 01:57:45,060
you know and tie it into something with

2128
01:57:49,160 --> 01:57:46,889
themselves too as well and you gave the

2129
01:57:52,120 --> 01:57:49,170
background to it thank you so much Sara

2130
01:57:57,810 --> 01:57:55,939
go back Lee taffy fade to black open

2131
01:58:01,339 --> 01:57:57,820
lines I'll be right back

2132
01:58:08,729 --> 01:58:01,349
[Music]

2133
01:58:11,399 --> 01:58:08,739
Jimmy Church radio calm this is kg are a

2134
01:58:12,540 --> 01:58:11,409
digital broadcasting station Salt Lake

2135
01:58:17,310 --> 01:58:12,550
City Utah

2136
01:58:18,149 --> 01:58:17,320
Van Buren Arkansas let's get this man to

2137
01:58:20,250 --> 01:58:18,159
the ER stat

2138
01:58:22,770 --> 01:58:20,260

right away doctor we see this every day

2139

01:58:25,200 --> 01:58:22,780

heart attack or angina pain due to

2140

01:58:27,569 --> 01:58:25,210

blocked and clogged arteries chelation

2141

01:58:29,729 --> 01:58:27,579

can remove obstructions or blockages

2142

01:58:30,870 --> 01:58:29,739

from arteries and help avoid painful and

2143

01:58:33,089 --> 01:58:30,880

expensive surgery

2144

01:58:35,009 --> 01:58:33,099

now there's angio prim it's a liquid

2145

01:58:37,290 --> 01:58:35,019

oral chelation product that you take

2146

01:58:39,509 --> 01:58:37,300

with juice you start to feel the results

2147

01:58:41,459 --> 01:58:39,519

fast angio primm increases blood flow

2148

01:58:43,649 --> 01:58:41,469

all over the body and that means more

2149

01:58:46,350 --> 01:58:43,659

energy and strength to take on the day

2150

01:58:48,390 --> 01:58:46,360

with less aches and pains 60 years of

2151
01:58:49,529 --> 01:58:48,400
research has gone into chelation and

2152
01:58:51,839 --> 01:58:49,539
angiogram

2153
01:58:54,089 --> 01:58:51,849
is the result a safe and easy way to

2154
01:58:56,220 --> 01:58:54,099
unblock your veins and arteries from

2155
01:58:58,229 --> 01:58:56,230
buildup that slow circulation shaping

2156
01:59:00,239 --> 01:58:58,239
dr. Jones please report to the emergency

2157
01:59:02,310 --> 01:59:00,249
room right away log on now for a special

2158
01:59:06,720 --> 01:59:02,320
radio offer from angio primm that's

2159
01:59:09,779 --> 01:59:06,730
angio prim calm / radio ang IO PRI M

2160
01:59:11,430 --> 01:59:09,789
angio prim calm / radio our call eight

2161
01:59:13,229 --> 01:59:11,440
seven seven eight a two seventy two

2162
01:59:17,069 --> 01:59:13,239
twenty one that's eight seven seven

2163
01:59:19,529 --> 01:59:17,079

eight a two seventy two twenty one so

2164

01:59:23,189 --> 01:59:19,539

you love talk radio then you'll love

2165

01:59:26,040 --> 01:59:23,199

talk stream live.com talk stream live is

2166

01:59:28,290 --> 01:59:26,050

always on 24/7 with the best streaming

2167

01:59:30,359 --> 01:59:28,300

talk shows find your favorite talkers

2168

01:59:33,060 --> 01:59:30,369

and discover some new ones it's free

2169

01:59:34,830 --> 01:59:33,070

readily available online or on the

2170

01:59:37,259 --> 01:59:34,840

smartphone or tablet finding your

2171

01:59:39,540 --> 01:59:37,269

favorite talk shows all in one place has

2172

01:59:42,089 --> 01:59:39,550

gotten a whole lot easier just go to

2173

01:59:44,609 --> 01:59:42,099

talk string live.com be sure to download

2174

01:59:48,149 --> 01:59:44,619

the free apps from Google Play or the

2175

01:59:48,660 --> 01:59:48,159

itunes app store your contact for

2176
01:59:52,550 --> 01:59:48,670
current

2177
01:59:55,590 --> 01:59:52,560
and trending topics gay GRA radio.com

2178
01:59:56,430 --> 01:59:55,600
what can I say about the most popular T

2179
01:59:58,650 --> 01:59:56,440
on the Internet

2180
02:00:01,530 --> 01:59:58,660
and what a customers say about life

2181
02:00:04,800 --> 02:00:01,540
change to eat at get the T calm a lot

2182
02:00:07,380 --> 02:00:04,810
but by federal law we get the t.com

2183
02:00:09,689 --> 02:00:07,390
cannot make claims to how this product

2184
02:00:11,669 --> 02:00:09,699
can enhance your health we cannot even

2185
02:00:14,459 --> 02:00:11,679
post our testimonies without being in

2186
02:00:16,740 --> 02:00:14,469
compliance so how do we get past the

2187
02:00:18,870 --> 02:00:16,750
hump try our products that get the T

2188
02:00:22,229 --> 02:00:18,880

calm and see for yourself

2189

02:00:24,090 --> 02:00:22,239

you can send us a testimony but we just

2190

02:00:27,990 --> 02:00:24,100

can't post it bummer

2191

02:00:29,669 --> 02:00:28,000

our products are GMO free and organic we

2192

02:00:32,040 --> 02:00:29,679

pride ourself in being the best we can

2193

02:00:34,770 --> 02:00:32,050

be and we urge you to take charge of

2194

02:00:36,840 --> 02:00:34,780

your health we're loving you're strong

2195

02:00:38,910 --> 02:00:36,850

and many of our customers have shared

2196

02:00:40,530 --> 02:00:38,920

their successes with friends and family

2197

02:00:43,850 --> 02:00:40,540

protect your colon

2198

02:00:52,350 --> 02:00:43,860

log on to get the T com that's get the

2199

02:00:53,760 --> 02:00:52,360

t.com get the t.com get the t.com did

2200

02:00:56,370 --> 02:00:53,770

you know that when you're on the road

2201
02:00:58,439 --> 02:00:56,380
with limited data or Wi-Fi available you

2202
02:01:00,570 --> 02:00:58,449
can still listen to every minute of fade

2203
02:01:03,419 --> 02:01:00,580
to black by just calling six oh five

2204
02:01:05,910 --> 02:01:03,429
five six two four four eight two no

2205
02:01:08,220 --> 02:01:05,920
smartphone app or internet needed it

2206
02:01:10,860 --> 02:01:08,230
saves your data plan and no extra cost

2207
02:01:13,709 --> 02:01:10,870
if you have unlimited minutes just call

2208
02:01:16,169 --> 02:01:13,719
six oh five five six two four four eight

2209
02:01:25,110 --> 02:01:16,179
two you can listen to me Jimmy Church on

2210
02:01:25,120 --> 02:01:29,170
[Music]

2211
02:01:36,520 --> 02:01:33,890
you wanna know a secret I love ponies I

2212
02:01:39,140 --> 02:01:36,530
really love ponies I'm serious I

2213
02:01:39,710 --> 02:01:39,150

couldn't stay sane without poor mr.

2214

02:01:43,340 --> 02:01:39,720

Brooks

2215

02:01:48,270 --> 02:01:43,350

well I fade to black because you never

2216

02:01:52,270 --> 02:01:50,140

this is fade to black

2217

02:01:55,960 --> 02:01:52,280

with Jimmy Church on the game changer

2218

02:01:58,320 --> 02:01:55,970

radio network at K GRA the global radio

2219

02:02:11,399 --> 02:01:58,330

alliance

2220

02:02:13,890 --> 02:02:11,409

[Music]

2221

02:02:17,709 --> 02:02:13,900

all right welcome back fade to black

2222

02:02:19,839 --> 02:02:17,719

Thursday night open lines three two

2223

02:02:22,060 --> 02:02:19,849

three eight two five five zero four five

2224

02:02:25,180 --> 02:02:22,070

four three two three two seven five nine

2225

02:02:29,200 --> 02:02:25,190

six nine five or eight one eight nine

2226

02:02:30,640 --> 02:02:29,210

two one six nine two nine open lines all

2227

02:02:33,910 --> 02:02:30,650

night long if you're on hold stay right

2228

02:02:36,310 --> 02:02:33,920

there I'll get to ya earlier tonight I

2229

02:02:40,510 --> 02:02:36,320

read Tom DeLong's

2230

02:02:44,470 --> 02:02:40,520

announcements about the creation of Adam

2231

02:02:46,990 --> 02:02:44,480

the research project and he says in this

2232

02:02:50,109 --> 02:02:47,000

announcement that project Adam is an

2233

02:02:54,760 --> 02:02:50,119

acronym for the acquisition and data

2234

02:02:59,740 --> 02:02:54,770

analysis of materials and he goes on to

2235

02:03:04,530 --> 02:02:59,750

say that evaluation of material samples

2236

02:03:08,109 --> 02:03:04,540

obtained through reliable reports of

2237

02:03:11,109 --> 02:03:08,119

advanced aerospace vehicles of unknown

2238

02:03:13,810 --> 02:03:11,119

origin he doesn't say UFOs he doesn't

2239

02:03:16,030 --> 02:03:13,820

say et doesn't say alien he doesn't say

2240

02:03:20,500 --> 02:03:16,040

anything like that he doesn't say what

2241

02:03:23,109 --> 02:03:20,510

the materials are you know my my take on

2242

02:03:26,680 --> 02:03:23,119

all of this is if you've got these

2243

02:03:28,930 --> 02:03:26,690

materials just to a press conference to

2244

02:03:31,629 --> 02:03:28,940

press conference lay the materials out

2245

02:03:35,890 --> 02:03:31,639

on a table and show us what you've got

2246

02:03:39,280 --> 02:03:35,900

what is it that you know and and more

2247

02:03:44,500 --> 02:03:39,290

importantly believe it or not then that

2248

02:03:47,109 --> 02:03:44,510

is where did you get them from ok is

2249

02:03:50,439 --> 02:03:47,119

this collected stuff at a at a crash

2250

02:03:53,020 --> 02:03:50,449

site is it a piece of a craft it didn't

2251
02:03:54,910 --> 02:03:53,030
come from the government did it come

2252
02:03:56,620 --> 02:03:54,920
from a civilian that came forward and

2253
02:03:58,570 --> 02:03:56,630
said hey something I saw something out

2254
02:04:01,839 --> 02:03:58,580
there and I got this out of my yard and

2255
02:04:04,959 --> 02:04:01,849
here it is you know what is it how big

2256
02:04:08,080 --> 02:04:04,969
is this stuff you know how big are these

2257
02:04:09,990 --> 02:04:08,090
pieces because I have I'll hold this up

2258
02:04:13,240 --> 02:04:10,000
to the camera right now I've got some

2259
02:04:15,100 --> 02:04:13,250
materials here on one investigated you

2260
02:04:16,600 --> 02:04:15,110
know I want this I want this checked out

2261
02:04:19,810 --> 02:04:16,610
right here here I'll hold this up to the

2262
02:04:22,180 --> 02:04:19,820
camera is it stuff like this right is it

2263
02:04:25,860 --> 02:04:22,190

this is that what it

2264

02:04:29,140 --> 02:04:25,870

is you know look look look analyze that

2265

02:04:30,490 --> 02:04:29,150

you know is is that what it is here I

2266

02:04:32,709 --> 02:04:30,500

have some more here

2267

02:04:35,229 --> 02:04:32,719

here's another here I'll hold this up to

2268

02:04:37,000 --> 02:04:35,239

the camera what about this you know you

2269

02:04:39,370 --> 02:04:37,010

know is it stuff like this are you

2270

02:04:42,430 --> 02:04:39,380

checking this out did somebody give you

2271

02:04:45,550 --> 02:04:42,440

stuff like this and go hey man you know

2272

02:04:49,060 --> 02:04:45,560

check this out it's from a it's from a

2273

02:04:51,520 --> 02:04:49,070

flying saucer right oh really

2274

02:04:54,459 --> 02:04:51,530

yeah yeah it's Society I reported it to

2275

02:04:57,670 --> 02:04:54,469

MUFON and and and this is what I thought

2276

02:04:59,530 --> 02:04:57,680

is that what it is or do we have

2277

02:05:03,189 --> 02:04:59,540

something else involved here do we have

2278

02:05:06,520 --> 02:05:03,199

large sheets panels you know you know

2279

02:05:11,500 --> 02:05:06,530

really what what are we talking about

2280

02:05:14,560 --> 02:05:11,510

here because this is about as vague it's

2281

02:05:17,670 --> 02:05:14,570

hard for me to get behind this it's hard

2282

02:05:22,540 --> 02:05:17,680

for me to get excited I like Tom but

2283

02:05:25,630 --> 02:05:22,550

this is worded in such a vague strange

2284

02:05:27,610 --> 02:05:25,640

way there are others out there that are

2285

02:05:29,500 --> 02:05:27,620

gonna go oh this is great I'm excited I

2286

02:05:31,870 --> 02:05:29,510

want to see what it that's fine that's

2287

02:05:32,770 --> 02:05:31,880

fine if that's your take and you're

2288

02:05:35,530 --> 02:05:32,780

excited about it

2289

02:05:37,450 --> 02:05:35,540

go go and Vess kit you know go buy some

2290

02:05:43,120 --> 02:05:37,460

stock in the company and and see what

2291

02:05:46,260 --> 02:05:43,130

happens but I I'm disappointed you know

2292

02:05:50,170 --> 02:05:46,270

so I don't know I don't know yeah I had

2293

02:05:51,850 --> 02:05:50,180

written up an article about different

2294

02:05:56,500 --> 02:05:51,860

things a couple of weeks ago on on

2295

02:06:01,689 --> 02:05:56,510

stellar and my comment there when it

2296

02:06:05,110 --> 02:06:01,699

comes to to the Stars is that I'm still

2297

02:06:09,340 --> 02:06:05,120

hopeful that's all I can say I'm still

2298

02:06:11,920 --> 02:06:09,350

hopeful you know I I really want

2299

02:06:15,729 --> 02:06:11,930

something that come from this but if

2300

02:06:19,689 --> 02:06:15,739

this is where we are here this is we're

2301
02:06:23,229 --> 02:06:19,699
going into eight nine months since the

2302
02:06:24,070 --> 02:06:23,239
announcement of to the stars and nothing

2303
02:06:27,820 --> 02:06:24,080
has happened

2304
02:06:29,500 --> 02:06:27,830
we got three videos that were not

2305
02:06:32,860 --> 02:06:29,510
released by the Pentagon no matter what

2306
02:06:35,860 --> 02:06:32,870
any in print one more time release

2307
02:06:38,430 --> 02:06:35,870
the Pentagon Elizondo released these

2308
02:06:42,430 --> 02:06:38,440
videos he got them really no he did not

2309
02:06:44,440 --> 02:06:42,440
okay but there's that and Dave raver

2310
02:06:52,290 --> 02:06:44,450
coming forward the pilot with his

2311
02:07:01,210 --> 02:06:58,300
but right so that's where I'm at

2312
02:07:04,210 --> 02:07:01,220
here's the statement somebody said what

2313
02:07:06,820 --> 02:07:04,220

do you mean CEO well it's signed it's

2314

02:07:09,910 --> 02:07:06,830

signed it's got a signature Tom DeLonge

2315

02:07:13,960 --> 02:07:09,920

CEO to the Stars Academy of Arts and

2316

02:07:18,460 --> 02:07:13,970

Science so okay there you go let's let's

2317

02:07:22,210 --> 02:07:18,470

go back to the phones let's go to area

2318

02:07:24,610 --> 02:07:22,220

code 408 you're up next it's you're

2319

02:07:27,970 --> 02:07:24,620

obsessed fan from Sacramento Jimmy hi

2320

02:07:29,890 --> 02:07:27,980

dad how are you hi good hey I totally

2321

02:07:31,810 --> 02:07:29,900

agree with you on the two stars thing

2322

02:07:34,000 --> 02:07:31,820

when you read the statement earlier I

2323

02:07:35,380 --> 02:07:34,010

was like well could you be my first

2324

02:07:37,960 --> 02:07:35,390

thought was gee could you be a little

2325

02:07:40,810 --> 02:07:37,970

bit more vague and then also it's like

2326

02:07:43,780 --> 02:07:40,820

I'm just in general underwhelmed with

2327

02:07:46,060 --> 02:07:43,790

all of it and when they bring something

2328

02:07:47,830 --> 02:07:46,070

real out to get our attention I think

2329

02:07:49,000 --> 02:07:47,840

this is just a desperate attempt to get

2330

02:07:51,340 --> 02:07:49,010

our attention because they've been off

2331

02:07:53,200 --> 02:07:51,350

the radar for so long and they haven't

2332

02:07:56,650 --> 02:07:53,210

really shown us much right and so that's

2333

02:08:00,910 --> 02:07:56,660

my take on that yeah it's a it's the

2334

02:08:04,750 --> 02:08:00,920

correct take in my opinion yeah okay

2335

02:08:06,460 --> 02:08:04,760

next and Oh Big Foot info okay and this

2336

02:08:07,600 --> 02:08:06,470

is for Eric awakening man because he

2337

02:08:09,070 --> 02:08:07,610

stayed the other night it's gonna be

2338

02:08:10,960 --> 02:08:09,080

it's all tech you so putting out his

2339

02:08:12,850 --> 02:08:10,970

intentions he's all excited first of all

2340

02:08:16,230 --> 02:08:12,860

I totally believe that the Bigfoots real

2341

02:08:18,550 --> 02:08:16,240

my cousin's husband is a firefighter

2342

02:08:21,820 --> 02:08:18,560

captain he's been with Santa Clara

2343

02:08:24,100 --> 02:08:21,830

County Fire Department of 20-plus years

2344

02:08:26,020 --> 02:08:24,110

I've always wanted to get him alone and

2345

02:08:27,490 --> 02:08:26,030

ask him you know about Bigfoot because

2346

02:08:29,220 --> 02:08:27,500

they're up there in the forest fighting

2347

02:08:31,540 --> 02:08:29,230

all these fires and they get dispatched

2348

02:08:33,730 --> 02:08:31,550

to Southern California a lot I know

2349

02:08:35,320 --> 02:08:33,740

there's an idol wildfire going a couple

2350

02:08:37,480 --> 02:08:35,330

miles from where you guys are right now

2351

02:08:39,550 --> 02:08:37,490

right so whenever I hear about a

2352

02:08:41,590 --> 02:08:39,560

Southern California when I went on Yahoo

2353

02:08:43,870 --> 02:08:41,600

today first thing I thought was oh my

2354

02:08:45,700 --> 02:08:43,880

god you know where's that in reference

2355

02:08:46,630 --> 02:08:45,710

to Burbank because I worry about you

2356

02:08:49,120 --> 02:08:46,640

guys after what you

2357

02:08:49,930 --> 02:08:49,130

through last year right and so that was

2358

02:08:51,880 --> 02:08:49,940

my first thought

2359

02:08:54,730 --> 02:08:51,890

and but I finally got a chance to talk

2360

02:08:56,950 --> 02:08:54,740

to him at a family gathering and got him

2361

02:09:00,100 --> 02:08:56,960

alone in the room and I'm like okay you

2362

02:09:04,360 --> 02:09:00,110

got to tell me you know have you ever

2363

02:09:06,430 --> 02:09:04,370

heard or rescued a Bigfoot and he's he

2364

02:09:07,570 --> 02:09:06,440

kind of smiled but he didn't laugh or

2365

02:09:09,760 --> 02:09:07,580

anything and there was no one else

2366

02:09:11,680 --> 02:09:09,770

around it yes well Deb here's what I can

2367

02:09:13,540 --> 02:09:11,690

tell you there's a lot of stuff I can't

2368

02:09:16,360 --> 02:09:13,550

say because it's classified he said but

2369

02:09:17,860 --> 02:09:16,370

you know there's thousands of reports of

2370

02:09:19,210 --> 02:09:17,870

these things people aren't just seeing

2371

02:09:20,890 --> 02:09:19,220

things and making it up just like

2372

02:09:22,840 --> 02:09:20,900

they're not seeing UFOs making it up

2373

02:09:26,170 --> 02:09:22,850

these are credible people we've seen a

2374

02:09:27,910 --> 02:09:26,180

lot of reports he says and I'm hoping

2375

02:09:30,340 --> 02:09:27,920

within the next ten years we'll be able

2376

02:09:34,680 --> 02:09:30,350

to talk about it openly and that's all I

2377

02:09:37,360 --> 02:09:34,690

can tell you wow wow yeah well I know

2378

02:09:38,260 --> 02:09:37,370

the chair is like that's enough for me

2379

02:09:42,220 --> 02:09:38,270

that's enough

2380

02:09:43,570 --> 02:09:42,230

we're gonna have I think on Monday it'll

2381

02:09:45,280 --> 02:09:43,580

be next week but I think it's on Monday

2382

02:09:51,550 --> 02:09:45,290

I don't have the schedule in front of me

2383

02:09:52,680 --> 02:09:51,560

but we have got a Bigfoot witness and

2384

02:09:59,940 --> 02:09:52,690

report I don't want to give it away

2385

02:10:01,990 --> 02:09:59,950

right now that happened this year and

2386

02:10:03,970 --> 02:10:02,000

that's all I'm gonna say but that's

2387

02:10:07,050 --> 02:10:03,980

going to be and it was here in in

2388

02:10:12,310 --> 02:10:07,060

Southern California and we're gonna have

2389

02:10:15,280 --> 02:10:12,320

this witness on on the show now I think

2390

02:10:16,510 --> 02:10:15,290

it's going to be a Monday and so it's

2391

02:10:18,850 --> 02:10:16,520

kind of weird that you're bringing this

2392

02:10:27,520 --> 02:10:18,860

up now and I'm announcing this it sounds

2393

02:10:28,600 --> 02:10:27,530

like you know Shane Plus Eric just

2394

02:10:30,370 --> 02:10:28,610

talked about the other night and then

2395

02:10:32,590 --> 02:10:30,380

right after that I got to talk to this

2396

02:10:34,120 --> 02:10:32,600

guy my husband so it's like this all is

2397

02:10:34,630 --> 02:10:34,130

kind of coming together right now for a

2398

02:10:39,010 --> 02:10:34,640

reason

2399

02:10:41,290 --> 02:10:39,020

yeah yeah there's uh you know man when

2400

02:10:44,320 --> 02:10:41,300

it comes to Bigfoot and I go back and I

2401
02:10:46,770 --> 02:10:44,330
think about those early shows on fade to

2402
02:10:50,380 --> 02:10:46,780
black and when I had Jeff Meldrum on

2403
02:10:55,030 --> 02:10:50,390
from I think he's at Idaho State right I

2404
02:11:00,370 --> 02:10:55,040
think that's where he's at and my my

2405
02:11:03,580 --> 02:11:00,380
take on Bigfoot is is still the same

2406
02:11:05,350 --> 02:11:03,590
waiting for I suppose if I have my own

2407
02:11:08,170 --> 02:11:05,360
sighting things you know things will

2408
02:11:12,460 --> 02:11:08,180
definitely change but yeah I'm waiting

2409
02:11:15,310 --> 02:11:12,470
for that definitive thing you know for

2410
02:11:17,440 --> 02:11:15,320
me that definitive thing what could it

2411
02:11:19,630 --> 02:11:17,450
be you know and Geoffrey you know he's

2412
02:11:21,400 --> 02:11:19,640
got all of his cast you know the the

2413
02:11:22,690 --> 02:11:21,410

footprints that he has done and he's got

2414

02:11:27,070 --> 02:11:22,700

you know one of the biggest collections

2415

02:11:30,520 --> 02:11:27,080

of that and and and I get that but I'm

2416

02:11:32,530 --> 02:11:30,530

waiting for that that definitive that

2417

02:11:33,850 --> 02:11:32,540

definitive thing and I don't know what

2418

02:11:36,340 --> 02:11:33,860

it what it could be

2419

02:11:38,020 --> 02:11:36,350

you know I you know Bigfoot running

2420

02:11:40,900 --> 02:11:38,030

around in downtown Burbank

2421

02:11:44,350 --> 02:11:40,910

you know avoiding traffic would it be

2422

02:11:48,190 --> 02:11:44,360

that a carcass you know some kind of

2423

02:11:50,730 --> 02:11:48,200

body being found or captured or trapped

2424

02:11:53,830 --> 02:11:50,740

or whatever you know something like that

2425

02:11:56,350 --> 02:11:53,840

or another piece of you know footage

2426

02:12:00,100 --> 02:11:56,360

like Patterson's film which is still to

2427

02:12:02,740 --> 02:12:00,110

me that we know what is weird as much as

2428

02:12:06,010 --> 02:12:02,750

I'm on the fence about Bigfoot I've said

2429

02:12:09,520 --> 02:12:06,020

it so many times Deb which is if the UFO

2430

02:12:12,220 --> 02:12:09,530

community had a piece of footage like

2431

02:12:14,920 --> 02:12:12,230

the Patterson film for Bigfoot it would

2432

02:12:17,470 --> 02:12:14,930

be you know it would just be you know

2433

02:12:19,930 --> 02:12:17,480

closed case you know and and a case

2434

02:12:22,780 --> 02:12:19,940

closed and that's how impressive that

2435

02:12:25,270 --> 02:12:22,790

Patterson film is but that the Patterson

2436

02:12:26,770 --> 02:12:25,280

film is all there is I mean we've got

2437

02:12:29,400 --> 02:12:26,780

lots of sightings and we've got

2438

02:12:32,940 --> 02:12:29,410

photographs and we've got recordings and

2439

02:12:36,940 --> 02:12:32,950

that's the Holy Grail yeah you know

2440

02:12:40,990 --> 02:12:36,950

footage still still is pretty pretty

2441

02:12:43,630 --> 02:12:41,000

damned impressive so 900 is fade to

2442

02:12:46,450 --> 02:12:43,640

black is gonna be on August 6th just so

2443

02:12:49,330 --> 02:12:46,460

you know the tracking it on the calendar

2444

02:12:51,250 --> 02:12:49,340

okay August 6 the night before day my

2445

02:12:53,740 --> 02:12:51,260

day that'll be our last broadcast but

2446

02:12:56,410 --> 02:12:53,750

we're traveling on the next day up to e

2447

02:12:57,570 --> 02:12:56,420

city so there you go all right thank you

2448

02:12:59,680 --> 02:12:57,580

so much Deb

2449

02:13:02,590 --> 02:12:59,690

take care Jimmy thanks for taking my

2450

02:13:04,960 --> 02:13:02,600

call we'll see you on Monday okay

2451

02:13:07,630 --> 02:13:04,970

weh-weh have a great night yeah we're

2452

02:13:10,210 --> 02:13:07,640

gonna do a pretty big Bigfoot show I

2453

02:13:12,880 --> 02:13:10,220

believe on Monday I think so Monday or

2454

02:13:13,569 --> 02:13:12,890

Tuesday next week so get ready for that

2455

02:13:18,819 --> 02:13:13,579

it

2456

02:13:21,430 --> 02:13:18,829

for you three two three eight two five

2457

02:13:24,160 --> 02:13:21,440

five zero four five three two three two

2458

02:13:29,200 --> 02:13:24,170

seven five nine six nine five or eight

2459

02:13:30,370 --> 02:13:29,210

one eight nine two one six nine two nine

2460

02:13:34,780 --> 02:13:30,380

let's go back to the phones hi you're

2461

02:13:37,209 --> 02:13:34,790

live on fade to black all right miss me

2462

02:13:41,560 --> 02:13:37,219

yeah and when Hornets gone oh hi Jimmy

2463

02:13:43,689 --> 02:13:41,570

this is Phil and Pacific Northwest yeah

2464

02:13:46,390 --> 02:13:43,699

and I wanted to say that I really kind

2465

02:13:49,089 --> 02:13:46,400

of agree with you on the to the stars I

2466

02:13:51,660 --> 02:13:49,099

mean this is kind of lame man I mean we

2467

02:13:54,490 --> 02:13:51,670

know how they do it it's

2468

02:13:56,379 --> 02:13:54,500

electrogravitics and some kind of

2469

02:13:59,020 --> 02:13:56,389

warping of time and stuff like this and

2470

02:14:02,500 --> 02:13:59,030

portals and all that so you know give us

2471

02:14:06,810 --> 02:14:02,510

a meet it was a row out of spaceship you

2472

02:14:09,390 --> 02:14:06,820

know yeah yeah yeah yeah I mean

2473

02:14:12,069 --> 02:14:09,400

that would definitely do it

2474

02:14:13,390 --> 02:14:12,079

for everybody and for the world and for

2475

02:14:19,959 --> 02:14:13,400

the community there's no doubt about

2476

02:14:24,180 --> 02:14:19,969

that my my take is once again if you are

2477

02:14:29,890 --> 02:14:24,190

in possession of these materials and and

2478

02:14:34,930 --> 02:14:29,900

you know for a fact that it came from a

2479

02:14:37,030 --> 02:14:34,940

craft not of this earth very simple then

2480

02:14:39,669 --> 02:14:37,040

you go public and you become the most

2481

02:14:42,549 --> 02:14:39,679

famous person in the history of the

2482

02:14:45,910 --> 02:14:42,559

known universe that's what you do that's

2483

02:14:50,189 --> 02:14:45,920

what you do and if it's and if you can't

2484

02:14:53,859 --> 02:14:50,199

do that and if you won't then I call BS

2485

02:14:57,069 --> 02:14:53,869

that's it that's it don't don't don't

2486

02:14:59,049 --> 02:14:57,079

I I don't well it could be it might be

2487

02:15:02,200 --> 02:14:59,059

well then everything is could be it

2488

02:15:04,930 --> 02:15:02,210

might be why do this press release you

2489

02:15:06,280 --> 02:15:04,940

know that's what that's it what is it

2490

02:15:08,169 --> 02:15:06,290

that you have you have a piece of the

2491

02:15:10,089 --> 02:15:08,179

charity of a piece of carpeting do you

2492

02:15:13,240 --> 02:15:10,099

have a t-shirt do you have a piece of

2493

02:15:15,640 --> 02:15:13,250

the control panel a piece of glass do

2494

02:15:18,280 --> 02:15:15,650

you have that you know what blop blop

2495

02:15:20,950 --> 02:15:18,290

blop where did it come from was it given

2496

02:15:23,979 --> 02:15:20,960

to you from the Pentagon was it you know

2497

02:15:26,260 --> 02:15:23,989

as if from area 51 is it from the sports

2498

02:15:30,640 --> 02:15:26,270

model of Bob lazarre's craft

2499

02:15:32,440 --> 02:15:30,650

ever it is if it is off planet and you

2500

02:15:36,010 --> 02:15:32,450

know that it came from a craft that

2501
02:15:38,280 --> 02:15:36,020
wasn't built by us by humans and it came

2502
02:15:42,100 --> 02:15:38,290
from somewhere else go public with it

2503
02:15:45,130 --> 02:15:42,110
that's it you will have all of the

2504
02:15:47,950 --> 02:15:45,140
funding to the stars Academy would be

2505
02:15:51,400 --> 02:15:47,960
the most important company ever formed

2506
02:15:54,730 --> 02:15:51,410
in the history of humankind and that's

2507
02:15:56,740 --> 02:15:54,740
the truth and that's it you want you

2508
02:15:58,600 --> 02:15:56,750
want to sell stock you want to have

2509
02:16:01,540 --> 02:15:58,610
money to invest you want to do that you

2510
02:16:02,440 --> 02:16:01,550
want to then then then bring it anything

2511
02:16:05,880 --> 02:16:02,450
else

2512
02:16:10,660 --> 02:16:05,890
it's just fan it's just like whatever

2513
02:16:12,520 --> 02:16:10,670

whatever it's that's its it I that's you

2514

02:16:15,370 --> 02:16:12,530

know that's it that's my take that's

2515

02:16:18,250 --> 02:16:15,380

really and I'm not being critical here

2516

02:16:20,230 --> 02:16:18,260

I'm not I'm not debunking I'm not

2517

02:16:24,910 --> 02:16:20,240

bagging I'm not doing anything I'm

2518

02:16:28,540 --> 02:16:24,920

saying if you have stuff that is from

2519

02:16:31,630 --> 02:16:28,550

not of this planet that is from an ET

2520

02:16:34,570 --> 02:16:31,640

craft like he says here he suggests that

2521

02:16:37,180 --> 02:16:34,580

a you know obtained through reliable

2522

02:16:42,070 --> 02:16:37,190

reports of advanced aerospace vehicles

2523

02:16:45,610 --> 02:16:42,080

of unknown origin bring it go public go

2524

02:16:48,610 --> 02:16:45,620

Pablo go public I'm serious

2525

02:16:50,110 --> 02:16:48,620

there would be make any difference about

2526

02:16:52,870 --> 02:16:50,120

it you know if you showed the product

2527

02:16:55,419 --> 02:16:52,880

that's not gonna make unless you can

2528

02:16:57,220 --> 02:16:55,429

actually and analyze that it doesn't

2529

02:16:58,900 --> 02:16:57,230

give us anybody else in an advantage

2530

02:17:01,480 --> 02:16:58,910

just to show it I mean you could do that

2531

02:17:03,759 --> 02:17:01,490

pretty easily I would think well so I I

2532

02:17:07,540 --> 02:17:03,769

did want to say one thing and Kenway

2533

02:17:12,730 --> 02:17:07,550

called in is I have my own little piece

2534

02:17:16,330 --> 02:17:12,740

of disclosure I was doing a meditation

2535

02:17:17,950 --> 02:17:16,340

ear recently Jimmy and I was using that

2536

02:17:23,620 --> 02:17:17,960

Metatron's key that I talked about

2537

02:17:25,150 --> 02:17:23,630

before mm-hmm and I had a really

2538

02:17:27,070 --> 02:17:25,160

interesting thing happiness like I was

2539

02:17:32,009 --> 02:17:27,080

connected my heart was connected to the

2540

02:17:36,160 --> 02:17:32,019

earth his son the galaxy's central Sun

2541

02:17:38,799 --> 02:17:36,170

Universal Central Sun and but Mike Cera

2542

02:17:40,060 --> 02:17:38,809

died or mind was out there on the

2543

02:17:42,310 --> 02:17:40,070

periphery of these

2544

02:17:46,570 --> 02:17:42,320

like the bubbles around each one of

2545

02:17:49,419 --> 02:17:46,580

these things in that grid work and it

2546

02:17:54,129 --> 02:17:49,429

was like I was up there with the divine

2547

02:17:56,950 --> 02:17:54,139

the source logos of this universe and he

2548

02:18:00,790 --> 02:17:56,960

was kind of showing me the all the hell

2549

02:18:05,410 --> 02:18:00,800

all the different universes have a kind

2550

02:18:08,140 --> 02:18:05,420

of a different color or frequency and it

2551

02:18:09,520 --> 02:18:08,150

was what's that for a little while on

2552

02:18:11,740 --> 02:18:09,530

this right there well this is nice but I

2553

02:18:14,379 --> 02:18:11,750

should probably go back to my galaxy and

2554

02:18:17,799 --> 02:18:14,389

work a little smaller because it was

2555

02:18:21,910 --> 02:18:17,809

getting kind of overwhelming and when I

2556

02:18:25,510 --> 02:18:21,920

popped into our galaxy I connected to

2557

02:18:29,049 --> 02:18:25,520

what they call themselves the Galactic

2558

02:18:30,790 --> 02:18:29,059

Council and so I like that because I

2559

02:18:33,129 --> 02:18:30,800

asked what what your name is what is

2560

02:18:37,780 --> 02:18:33,139

what your name what who my who's talking

2561

02:18:42,610 --> 02:18:37,790

to me right and it so then I get it like

2562

02:18:45,870 --> 02:18:42,620

a flashes of faces the first one was

2563

02:18:51,910 --> 02:18:45,880

like this really sharp angular face like

2564

02:18:56,200 --> 02:18:51,920

really sharp defined cheekbones and a

2565

02:18:58,419 --> 02:18:56,210

really big hat and then they just

2566

02:19:01,000 --> 02:18:58,429

started flashing through there so fast

2567

02:19:03,100 --> 02:19:01,010

that I couldn't really make out who it

2568

02:19:07,440 --> 02:19:03,110

was but I got an idea that it was a

2569

02:19:10,870 --> 02:19:07,450

collective and not just one person and

2570

02:19:13,660 --> 02:19:10,880

so I wrote the article Union because

2571

02:19:16,030 --> 02:19:13,670

that's I was trying to keep my energy up

2572

02:19:18,730 --> 02:19:16,040

so I was thinking peace love unity well

2573

02:19:21,010 --> 02:19:18,740

they picked up on unity as my question

2574

02:19:25,270 --> 02:19:21,020

and they gave me that little bit of

2575

02:19:27,970 --> 02:19:25,280

stuff that I wrote on unity so what do

2576

02:19:30,070 --> 02:19:27,980

you think what do you think when he when

2577

02:19:34,720 --> 02:19:30,080

well because you mentioned disclosure

2578

02:19:36,730 --> 02:19:34,730

with this so what I think is that the

2579

02:19:40,390 --> 02:19:36,740

disclosure that I'm talking about here

2580

02:19:43,240 --> 02:19:40,400

is that we can actually contact these

2581

02:19:45,910 --> 02:19:43,250

people we don't have to rely on Corey

2582

02:19:47,220 --> 02:19:45,920

Goode or anybody else we can just do it

2583

02:19:51,610 --> 02:19:47,230

ourselves

2584

02:19:53,700 --> 02:19:51,620

that's my disclosure yeah yeah yeah yeah

2585

02:19:56,980 --> 02:19:53,710

we just have to get into the right

2586

02:20:00,600 --> 02:19:56,990

maybe have the right framework traits a

2587

02:20:06,301 --> 02:20:00,610

sacred geometry or whatever or the

2588

02:20:11,980 --> 02:20:09,190

but you know it's possible that we can

2589

02:20:13,720 --> 02:20:11,990

we can actually talk to these people I

2590

02:20:16,870 --> 02:20:13,730

mean I'm planning on doing it again and

2591

02:20:20,970 --> 02:20:16,880

see if I can't you know have some better

2592

02:20:24,100 --> 02:20:20,980

questions to ask right right right right

2593

02:20:27,070 --> 02:20:24,110

yeah yeah I'm with you on that Phil and

2594

02:20:29,830 --> 02:20:27,080

I think we're inching forward to it

2595

02:20:32,890 --> 02:20:29,840

I really do I think there's so much

2596

02:20:35,650 --> 02:20:32,900

stuff going on right now but the the

2597

02:20:38,530 --> 02:20:35,660

other side of it because we have we have

2598

02:20:39,970 --> 02:20:38,540

the supernatural side like with you and

2599

02:20:41,950 --> 02:20:39,980

and and and you're having these

2600

02:20:45,011 --> 02:20:41,960

communications we have that and then we

2601
02:20:46,210 --> 02:20:45,021
have the science side you know pushing

2602
02:20:48,490 --> 02:20:46,220
this thing forward

2603
02:20:50,470 --> 02:20:48,500
you know yesterday the announcement of

2604
02:20:52,000 --> 02:20:50,480
the lake on Mars or what was that

2605
02:20:55,990 --> 02:20:52,010
yesterday of the day before that was

2606
02:20:58,450 --> 02:20:56,000
cool yeah you know and we have what's

2607
02:21:01,210 --> 02:20:58,460
going on on Europa we have these fast

2608
02:21:03,881 --> 02:21:01,220
radio bursts we're now searching for

2609
02:21:05,980 --> 02:21:03,891
laser communications right now we've got

2610
02:21:10,570 --> 02:21:05,990
all of the exoplanets that are being

2611
02:21:13,500 --> 02:21:10,580
revealed a billion that have a planet of

2612
02:21:16,890 --> 02:21:13,510
rocky planet in the with water in the

2613
02:21:18,881 --> 02:21:16,900

Goldilocks zone so we're not a little

2614

02:21:21,670 --> 02:21:18,891

that's exactly right

2615

02:21:26,650 --> 02:21:21,680

I mean the the numbers when you go back

2616

02:21:30,100 --> 02:21:26,660

to the Drake Equation you know and and

2617

02:21:32,920 --> 02:21:30,110

you think about that and the foundation

2618

02:21:35,020 --> 02:21:32,930

and forming of SETI the search for

2619

02:21:38,011 --> 02:21:35,030

extraterrestrial intelligence in that

2620

02:21:41,110 --> 02:21:38,021

program that Frank Drake was a

2621

02:21:46,170 --> 02:21:41,120

fundamental and so you have that and the

2622

02:21:49,330 --> 02:21:46,180

Drake Equation as cool as it is is wrong

2623

02:21:52,091 --> 02:21:49,340

it's small the numbers are small

2624

02:21:54,070 --> 02:21:52,101

compared to what we know now if he went

2625

02:21:56,230 --> 02:21:54,080

back and somebody started to put

2626
02:21:58,410 --> 02:21:56,240
together another equation similar to the

2627
02:22:02,070 --> 02:21:58,420
Drake Equation knowing what we know now

2628
02:22:05,261 --> 02:22:02,080
the Drake Equation is actually small

2629
02:22:05,950 --> 02:22:05,271
it's a small number it's in fact it's

2630
02:22:07,540 --> 02:22:05,960
wrong

2631
02:22:11,050 --> 02:22:07,550
and and what

2632
02:22:14,290 --> 02:22:11,060
equation blew people's minds about the

2633
02:22:17,679 --> 02:22:14,300
amount of potential intelligent life out

2634
02:22:21,160 --> 02:22:17,689
there but when we know what we know now

2635
02:22:26,740 --> 02:22:21,170
just in our own galaxy our own in the

2636
02:22:33,790 --> 02:22:26,750
Milky Way 40 billion planets rocky I

2637
02:22:37,030 --> 02:22:33,800
mean you know that our 40 billion you

2638
02:22:39,550 --> 02:22:37,040

know and so that's that that's just

2639

02:22:42,070 --> 02:22:39,560

crazy it's just like crazy talk

2640

02:22:43,990 --> 02:22:42,080

so yeah and we're not that far from the

2641

02:22:46,270 --> 02:22:44,000

Andromeda galaxy you and it probably has

2642

02:22:48,280 --> 02:22:46,280

40 billion also of course it does

2643

02:22:51,670 --> 02:22:48,290

yes it does yeah yes yes it does and

2644

02:22:54,429 --> 02:22:51,680

there are well you start to average out

2645

02:22:56,500 --> 02:22:54,439

you know and look at all of these

2646

02:23:00,400 --> 02:22:56,510

different galaxies out there there could

2647

02:23:02,860 --> 02:23:00,410

be some with a trillion I get a bigger

2648

02:23:04,809 --> 02:23:02,870

view man there were so many I mean it

2649

02:23:09,580 --> 02:23:04,819

was just it boggled my mind I couldn't

2650

02:23:14,020 --> 02:23:09,590

even well I mean you know these numbers

2651
02:23:16,420 --> 02:23:14,030
the number billion is thrown around so

2652
02:23:18,969 --> 02:23:16,430
often these days I don't think people

2653
02:23:26,280 --> 02:23:18,979
have a concept about how big that number

2654
02:23:33,270 --> 02:23:31,420
take that 240 billion it is a swell and

2655
02:23:39,130 --> 02:23:33,280
then you get to like the trillions

2656
02:23:43,270 --> 02:23:39,140
really oh yeah yeah yeah and and I am

2657
02:23:49,559 --> 02:23:43,280
very you know what the odds of us being

2658
02:23:52,840 --> 02:23:49,569
alone are zero that's the odds zero

2659
02:23:56,500 --> 02:23:52,850
that's it there's no way that anybody

2660
02:23:59,110 --> 02:23:56,510
can tell me that there isn't anything

2661
02:24:03,520 --> 02:23:59,120
else out there that's just that they are

2662
02:24:07,240 --> 02:24:03,530
wrong wrong wrong they're wrong they're

2663
02:24:10,710 --> 02:24:07,250

simply wrong you know and right you know

2664

02:24:13,330 --> 02:24:10,720

when you go back to a hundred years ago

2665

02:24:17,760 --> 02:24:13,340

200 years ago and the way that we looked

2666

02:24:21,400 --> 02:24:17,770

at us and we we thought that seriously

2667

02:24:25,301 --> 02:24:21,410

that the Milky Way galaxy was like

2668

02:24:29,350 --> 02:24:25,311

right and in these seven eight nine ten

2669

02:24:32,020 --> 02:24:29,360

planets around our Sun pretty much is it

2670

02:24:33,190 --> 02:24:32,030

and you're looking at stars out there

2671

02:24:34,780 --> 02:24:33,200

and you're looking through a telescope

2672

02:24:38,740 --> 02:24:34,790

and you're seeing all of these stars

2673

02:24:42,551 --> 02:24:38,750

that those were just stars those aren't

2674

02:24:44,530 --> 02:24:42,561

stars some are but a big chunk of those

2675

02:24:46,000 --> 02:24:44,540

bright lights and that you're seeing in

2676
02:24:50,200 --> 02:24:46,010
the sky especially through a telescope

2677
02:24:53,261 --> 02:24:50,210
are galaxies we didn't know that you

2678
02:24:57,011 --> 02:24:53,271
know we didn't we didn't have a concept

2679
02:24:59,950 --> 02:24:57,021
of the amount of things out there the

2680
02:25:03,040 --> 02:24:59,960
amount of stuff and the vastness of

2681
02:25:05,860 --> 02:25:03,050
space and what the universe really is we

2682
02:25:10,870 --> 02:25:05,870
didn't have a clue today we do and these

2683
02:25:12,761 --> 02:25:10,880
numbers are ginormous ginormous and I'll

2684
02:25:14,860 --> 02:25:12,771
keep I'll keep driving this home until

2685
02:25:17,620 --> 02:25:14,870
everybody fully understands what we're

2686
02:25:20,950 --> 02:25:17,630
talking about here so the odds of us

2687
02:25:24,551 --> 02:25:20,960
being alone in our galaxy galaxy not in

2688
02:25:27,100 --> 02:25:24,561

the universe in the galaxy zero the

2689

02:25:29,860 --> 02:25:27,110

answer is zero anybody else that says

2690

02:25:32,140 --> 02:25:29,870

anything different is wrong they're not

2691

02:25:37,870 --> 02:25:32,150

lying they just don't know they're wrong

2692

02:25:41,110 --> 02:25:37,880

I'm right I don't care anything about

2693

02:25:43,120 --> 02:25:41,120

the James Webb telescope yet it said it

2694

02:25:45,011 --> 02:25:43,130

was supposed to go up this year yeah I'm

2695

02:25:46,810 --> 02:25:45,021

waiting for that we all are and I can't

2696

02:25:48,940 --> 02:25:46,820

wait for the first images to come back

2697

02:25:50,860 --> 02:25:48,950

that's gonna be extraordinary can you

2698

02:25:54,640 --> 02:25:50,870

believe it a Hubble being done wow

2699

02:25:58,511 --> 02:25:54,650

that's just nuts so but yeah James Webb

2700

02:26:02,700 --> 02:25:58,521

man here we go it's a it's it's bigger

2701

02:26:05,080 --> 02:26:02,710

and better think about that ya know

2702

02:26:06,480 --> 02:26:05,090

alright Philip have a great night man

2703

02:26:09,580 --> 02:26:06,490

we'll see you on Monday

2704

02:26:13,500 --> 02:26:09,590

okay take care have a great day

2705

02:26:16,480 --> 02:26:13,510

fade to black Philip from the Northwest

2706

02:26:19,120 --> 02:26:16,490

there you go this is fade to black I am

2707

02:26:23,980 --> 02:26:19,130

your host Jimmy Church open lines all

2708

02:26:32,560 --> 02:26:23,990

night long 3 2 3 a 2 5 5 0 for 5 or 3 2

2709

02:26:34,450 --> 02:26:32,570

3 2 7 5 9 6 9 5 or 8 1 8 9 2 1 6 9

2710

02:26:39,940 --> 02:26:34,460

spade a black on the no signature

2711

02:26:39,950 --> 02:26:53,280

[Music]

2712

02:26:58,780 --> 02:26:55,960

Vivica Fox here and you are listening to

2713

02:27:04,229 --> 02:26:58,790

my boy Jimmy Church on Jimmy Church

2714

02:27:08,430 --> 02:27:04,239

radio calm this my popular opinion

2715

02:27:14,401 --> 02:27:08,440

reading a book will not make you smarter

2716

02:27:20,591 --> 02:27:18,671

hurricanes earthquakes wildfires this

2717

02:27:23,051 --> 02:27:20,601

year we've experienced more than our

2718

02:27:25,331 --> 02:27:23,061

fair share this is Jimmy Church a fade

2719

02:27:27,371 --> 02:27:25,341

to black and last month I decided to

2720

02:27:29,771 --> 02:27:27,381

make sure my family does not have to

2721

02:27:32,951 --> 02:27:29,781

worry about food should we get caught in

2722

02:27:35,381 --> 02:27:32,961

a real emergency situation introducing

2723

02:27:37,061 --> 02:27:35,391

Humana a healthy storable product that

2724

02:27:39,100 --> 02:27:37,071

tastes so good that you'll want to eat

2725

02:27:41,350 --> 02:27:39,110

it every day instead of just during

2726

02:27:43,600 --> 02:27:41,360

those times of duress all new manna

2727

02:27:46,991 --> 02:27:43,610

products have a 25 year shelf life our

2728

02:27:49,511 --> 02:27:47,001

msg and GMO free no preservatives and

2729

02:27:51,461 --> 02:27:49,521

are made in America with the new manna

2730

02:27:53,051 --> 02:27:51,471

pack in your home you'll be able to

2731

02:27:55,600 --> 02:27:53,061

sleep at night knowing that you

2732

02:27:58,781 --> 02:27:55,610

protected your family not only have I

2733

02:28:00,911 --> 02:27:58,791

tasted and tested I own it now you can

2734

02:28:03,100 --> 02:28:00,921

too just click on the new manna banner

2735

02:28:04,991 --> 02:28:03,110

on Jimmy Church radio.com and use the

2736

02:28:07,390 --> 02:28:05,001

promo code Jimmy when you order in

2737

02:28:09,390 --> 02:28:07,400

addition to a discount we'll send you an

2738

02:28:14,621 --> 02:28:09,400

autograph fade to black t-shirt

2739

02:28:17,501 --> 02:28:14,631

seriously gobekli tepe when you take the

2740

02:28:19,871 --> 02:28:17,511

beams from Central America with dashes

2741

02:28:22,271 --> 02:28:19,881

of Indonesian and African mixed in and

2742

02:28:25,331 --> 02:28:22,281

then roast it to the dark side of fade

2743

02:28:28,481 --> 02:28:25,341

to black you create the ultimate brew of

2744

02:28:32,261 --> 02:28:28,491

Fringe introducing the fade to black

2745

02:28:34,841 --> 02:28:32,271

blend from River moon coffee yes River

2746

02:28:37,841 --> 02:28:34,851

moons darkest customized roast was

2747

02:28:40,871 --> 02:28:37,851

created for the love of fade to black

2748

02:28:43,541 --> 02:28:40,881

the alchemy of masterful roasting and

2749

02:28:47,111 --> 02:28:43,551

smoking the beans is in every sip of

2750

02:28:50,111 --> 02:28:47,121

this full-bodied dark Java I need my

2751

02:28:52,421 --> 02:28:50,121

coffee dog deep with distinct

2752

02:28:55,151 --> 02:28:52,431

bittersweet chocolate highlights just

2753

02:28:57,581 --> 02:28:55,161

like the bunker leaning further into the

2754

02:29:00,850 --> 02:28:57,591

darkness of the roast is fade to black

2755

02:29:02,531 --> 02:29:00,860

blend from river moon coffee just click

2756

02:29:05,861 --> 02:29:02,541

on the banner at Jimmy Church radio.com

2757

02:29:08,961 --> 02:29:05,871

and use the promo code F to B blend for

2758

02:29:12,831 --> 02:29:08,971

15% off of your order today

2759

02:29:14,871 --> 02:29:12,841

Gobekli Tepe hey can we talk about

2760

02:29:17,991 --> 02:29:14,881

something serious for a minute your age

2761

02:29:20,480 --> 02:29:18,001

getting old has its perks but remember

2762

02:29:22,491 --> 02:29:20,490

being a few years younger you know your

2763

02:29:24,350 --> 02:29:22,501

hair was thicker you didn't have so many

2764

02:29:26,331 --> 02:29:24,360

wrinkles that extra weight wasn't

2765

02:29:28,611 --> 02:29:26,341

haunting you and you just felt better

2766

02:29:31,310 --> 02:29:28,621

well we can't turn back the clocks and

2767

02:29:33,470 --> 02:29:31,320

go back 10 or 15 years but you can start

2768

02:29:36,621 --> 02:29:33,480

feeling and looking 10 or 15 years

2769

02:29:38,631 --> 02:29:36,631

younger with nature's youth RSF it's a

2770

02:29:40,310 --> 02:29:38,641

doctor formulated daily supplement that

2771

02:29:42,041 --> 02:29:40,320

helps your body maintain its peak

2772

02:29:44,691 --> 02:29:42,051

performance and fight the aging process

2773

02:29:46,041 --> 02:29:44,701

imagine sleeping better looking better

2774

02:29:48,621 --> 02:29:46,051

and feeling better

2775

02:29:50,600 --> 02:29:48,631

see how Nature's youth RSF has helped

2776

02:29:53,301 --> 02:29:50,610

thousands of people just like you at

2777

02:29:55,761 --> 02:29:53,311

nature's youth calm nature's youth calm

2778

02:29:57,291 --> 02:29:55,771

the holidays are coming imagine how it

2779

02:29:59,060 --> 02:29:57,301

will feel when your family and friends

2780

02:30:01,430 --> 02:29:59,070

are asking you what you did to look so

2781

02:30:03,741 --> 02:30:01,440

good your secret will be nature's youth

2782

02:30:06,291 --> 02:30:03,751

RSS it's time to start looking better

2783

02:30:08,270 --> 02:30:06,301

and feeling better learn more in order

2784

02:30:18,571 --> 02:30:08,280

your nature's use RSS at nature's youth

2785

02:30:33,100 --> 02:30:22,270

it's not a lifestyle we chose we were

2786

02:30:37,870 --> 02:30:33,110

born this way k GRA radio.com this is KJ

2787

02:30:37,880 --> 02:30:49,630

[Music]

2788

02:30:58,520 --> 02:30:55,870

welcome back fade to black Fator night

2789

02:31:02,300 --> 02:30:58,530

three two three eight two five five zero

2790

02:31:04,880 --> 02:31:02,310

four five three two three two seven five

2791

02:31:10,730 --> 02:31:04,890

nine six nine five or eight one eight

2792

02:31:14,780 --> 02:31:10,740

nine two one six nine two nine like

2793

02:31:17,810 --> 02:31:14,790

Jordan's tweet here spoken and of course

2794

02:31:22,011 --> 02:31:17,820

I did the famous rhymes with Dakin

2795

02:31:26,060 --> 02:31:22,021

rockin rhymes with spoken it's really

2796

02:31:31,310 --> 02:31:26,070

cool that's okay

2797

02:31:36,920 --> 02:31:31,320

3 2 3 8 2 5 5 0 4 5 3 2 3 2 7 5 9 6 9 5

2798

02:31:42,500 --> 02:31:36,930

or 8 1 8 9 20 1 6 9 to 9 and going back

2799

02:31:46,400 --> 02:31:42,510

to this T te si announcement from Tom

2800

02:31:51,470 --> 02:31:46,410

DeLonge today I do want to stress I'm

2801
02:31:53,150 --> 02:31:51,480
not in any way bagging I'm not I don't I

2802
02:31:54,980 --> 02:31:53,160
don't want to give that impression and I

2803
02:31:58,640 --> 02:31:54,990
certainly don't want to influence any of

2804
02:32:02,690 --> 02:31:58,650
you ok my opinion is my opinion what

2805
02:32:09,020 --> 02:32:02,700
what I want to stress one more time if

2806
02:32:12,140 --> 02:32:09,030
you are in possession of stuff that is

2807
02:32:15,710 --> 02:32:12,150
not from this planet that came off of

2808
02:32:20,030 --> 02:32:15,720
let's be clear here from a craft that

2809
02:32:24,830 --> 02:32:20,040
was not built on this planet and arrived

2810
02:32:27,261 --> 02:32:24,840
here off of off planet extraterrestrial

2811
02:32:29,660 --> 02:32:27,271
that's it if you are in possession of

2812
02:32:32,630 --> 02:32:29,670
that then you go public with it that's

2813
02:32:36,830 --> 02:32:32,640

what you do that's it

2814

02:32:39,290 --> 02:32:36,840

that's what I would do that everything

2815

02:32:41,960 --> 02:32:39,300

that T TSA is about that's what I would

2816

02:32:44,600 --> 02:32:41,970

do man if I was the CEO of this company

2817

02:32:48,790 --> 02:32:44,610

and I've got the I've don't beat around

2818

02:32:55,100 --> 02:32:48,800

the bush you don't do any of it no and

2819

02:32:57,440 --> 02:32:55,110

what what what I don't like hearing from

2820

02:32:59,090 --> 02:32:57,450

well you know you can't you can't you

2821

02:33:01,070 --> 02:32:59,100

know you just can't bring this stuff

2822

02:33:02,450 --> 02:33:01,080

forward you know you can't bring it

2823

02:33:04,520 --> 02:33:02,460

public you know you

2824

02:33:05,510 --> 02:33:04,530

can't handle it that way we've got to do

2825

02:33:10,840 --> 02:33:05,520

it another way

2826

02:33:16,010 --> 02:33:10,850

no you don't who is running that company

2827

02:33:19,760 --> 02:33:16,020

if that's me I I call I call the press

2828

02:33:23,570 --> 02:33:19,770

conference I use my public relations

2829

02:33:26,900 --> 02:33:23,580

firm I bring everybody there live

2830

02:33:31,300 --> 02:33:26,910

television here's what we've got this

2831

02:33:35,420 --> 02:33:31,310

came from a flying saucer and here it is

2832

02:33:39,860 --> 02:33:35,430

this is the material and it was given to

2833

02:33:43,550 --> 02:33:39,870

us by the Pentagon they release it to us

2834

02:33:47,240 --> 02:33:43,560

it came from this craft that crashed and

2835

02:33:49,670 --> 02:33:47,250

on this date and here it is this is it

2836

02:33:52,700 --> 02:33:49,680

we're gonna figure this out and we're

2837

02:33:54,920 --> 02:33:52,710

gonna go into the commercial sector with

2838

02:33:57,850 --> 02:33:54,930

it and we're gonna build what we're

2839

02:34:02,180 --> 02:33:57,860

gonna build with it and this is our our

2840

02:34:04,219 --> 02:34:02,190

donation to humanity stock and TTS a

2841

02:34:06,440 --> 02:34:04,229

goes through the roof they've got all

2842

02:34:09,500 --> 02:34:06,450

the funding that they need and that is

2843

02:34:13,610 --> 02:34:09,510

the end of the story that's it there is

2844

02:34:17,660 --> 02:34:13,620

nothing else here to to discuss that's

2845

02:34:19,610 --> 02:34:17,670

it and I know I'm right I am right on

2846

02:34:25,520 --> 02:34:19,620

this there is nothing to argue about

2847

02:34:28,460 --> 02:34:25,530

here nothing let's go to area code six

2848

02:34:33,110 --> 02:34:28,470

one eight you are up next on fader block

2849

02:34:35,690 --> 02:34:33,120

who's calling my name is David hey you

2850

02:34:36,800 --> 02:34:35,700

guys talk about area 51 and stuff is

2851

02:34:41,060 --> 02:34:36,810

that in Nevada

2852

02:34:44,810 --> 02:34:41,070

yes it is is it driving distance from

2853

02:34:49,280 --> 02:34:44,820

Las Vegas it's yeah it is of course it's

2854

02:34:51,410 --> 02:34:49,290

off maybe a hundred miles north just

2855

02:34:53,810 --> 02:34:51,420

driving out there I think that's the

2856

02:34:55,790 --> 02:34:53,820

base my dad was calling me all the time

2857

02:34:58,670 --> 02:34:55,800

and telling me about oh really

2858

02:35:01,190 --> 02:34:58,680

What did he say about it my father was

2859

02:35:04,010 --> 02:35:01,200

in law enforcement the Marines and he

2860

02:35:07,070 --> 02:35:04,020

worked at a special high classified Base

2861

02:35:08,750 --> 02:35:07,080

in Nevada before he transferred each he

2862

02:35:10,460 --> 02:35:08,760

seen stuff there that was so bad he

2863

02:35:14,180 --> 02:35:10,470

transferred out to a law enforcement

2864

02:35:15,500 --> 02:35:14,190

division and even when he went to the

2865

02:35:17,420 --> 02:35:15,510

FBI training academy

2866

02:35:19,340 --> 02:35:17,430

in Atlanta Georgia he was calling me on

2867

02:35:21,469 --> 02:35:19,350

his drop phone because he said the

2868

02:35:24,740 --> 02:35:21,479

crooks used drop phones so he's always

2869

02:35:27,139 --> 02:35:24,750

carrying 100 now he said they gave him

2870

02:35:29,420 --> 02:35:27,149

security clearance and hooked him up to

2871

02:35:30,320 --> 02:35:29,430

lie-detector test about every month to

2872

02:35:33,110 --> 02:35:30,330

month and a half

2873

02:35:36,349 --> 02:35:33,120

mm-hmm and he told me an example of how

2874

02:35:38,240 --> 02:35:36,359

secure this base was they were hooked

2875

02:35:41,719 --> 02:35:38,250

messing around on the computer one day

2876
02:35:44,179 --> 02:35:41,729
him and another security guy and he said

2877
02:35:45,830 --> 02:35:44,189
we got off off the base somehow and he

2878
02:35:47,719 --> 02:35:45,840
goes I don't think we should be doing

2879
02:35:49,790 --> 02:35:47,729
this and the guy says oh no it's fine

2880
02:35:52,429 --> 02:35:49,800
it's cool he came in the next morning

2881
02:35:55,130 --> 02:35:52,439
the desk was cleared off the computer

2882
02:35:58,040 --> 02:35:55,140
was gone and he never seen that security

2883
02:36:00,110 --> 02:35:58,050
guard again he was his friend he never

2884
02:36:03,320 --> 02:36:00,120
seen him again

2885
02:36:06,230 --> 02:36:03,330
I believe then that happened okay

2886
02:36:08,510 --> 02:36:06,240
he was scared because he realized he was

2887
02:36:10,429 --> 02:36:08,520
talking me on a web-based phone and he

2888
02:36:12,650 --> 02:36:10,439

was worried afterwards because I hooked

2889

02:36:15,559 --> 02:36:12,660

him up to a web-based phone when they

2890

02:36:17,840 --> 02:36:15,569

first came out he told me about these

2891

02:36:19,910 --> 02:36:17,850

fire pits that they burn liquids that

2892

02:36:22,099 --> 02:36:19,920

were in barrels mm-hmm and his stuff

2893

02:36:24,290 --> 02:36:22,109

turned blue and it burned for weeks and

2894

02:36:27,380 --> 02:36:24,300

they had to stand there and watch it but

2895

02:36:29,360 --> 02:36:27,390

in guard it the whole time he told me

2896

02:36:32,030 --> 02:36:29,370

about when they worked on the runway and

2897

02:36:33,620 --> 02:36:32,040

they had cement trucks coming in and

2898

02:36:37,429 --> 02:36:33,630

they had to guard them and we're not

2899

02:36:38,870 --> 02:36:37,439

allowed to go nowhere just there but he

2900

02:36:40,910 --> 02:36:38,880

was afraid he was gonna get caught doing

2901
02:36:44,719 --> 02:36:40,920
illegal stuff because that's what he

2902
02:36:47,570 --> 02:36:44,729
would do on the side right he didn't ply

2903
02:36:50,059 --> 02:36:47,580
we got under discussion about why stop

2904
02:36:52,360 --> 02:36:50,069
going this certain thing psychology in

2905
02:36:55,940 --> 02:36:52,370
college and it had to do with the

2906
02:36:57,620 --> 02:36:55,950
autopsy classes and he basically told me

2907
02:37:00,800 --> 02:36:57,630
that they were using cadavers for

2908
02:37:04,250 --> 02:37:00,810
testing now he said that's one thing he

2909
02:37:06,950 --> 02:37:04,260
said but he said I killed people I

2910
02:37:09,920 --> 02:37:06,960
killed women and children I did things

2911
02:37:13,370 --> 02:37:09,930
for my government I was a cop I busted

2912
02:37:15,950 --> 02:37:13,380
heads open he said but the things he's

2913
02:37:18,500 --> 02:37:15,960

seen in that hangar should not be honest

2914

02:37:18,920 --> 02:37:18,510

planet really said this should not be

2915

02:37:23,960 --> 02:37:18,930

here

2916

02:37:26,570 --> 02:37:23,970

but did you ever say it was et he would

2917

02:37:28,670 --> 02:37:26,580

not come out and exactly say exactly

2918

02:37:29,329 --> 02:37:28,680

what it was he just said it should not

2919

02:37:32,119 --> 02:37:29,339

be

2920

02:37:33,920 --> 02:37:32,129

interesting that interesting he brought

2921

02:37:36,979 --> 02:37:33,930

up by I'm gonna tell you I'll tell you

2922

02:37:38,479 --> 02:37:36,989

about what why he told me I can talk

2923

02:37:40,510 --> 02:37:38,489

about all this stuff he told me about

2924

02:37:43,699 --> 02:37:40,520

all the stuff I witnessed cuz he used to

2925

02:37:46,340 --> 02:37:43,709

meet me in a squad car when he got out

2926

02:37:48,260 --> 02:37:46,350

of Vietnam ever since I was seven so

2927

02:37:54,649 --> 02:37:48,270

when kids were in school I was watching

2928

02:37:56,659 --> 02:37:54,659

the cops in Chicago okay and and they I

2929

02:37:58,699 --> 02:37:56,669

had a call from somebody if I were to

2930

02:38:04,539 --> 02:37:58,709

give me his name off he just passed away

2931

02:38:09,229 --> 02:38:04,549

from some rare crazy lung illness and I

2932

02:38:12,069 --> 02:38:09,239

they closed down his VA records they we

2933

02:38:15,500 --> 02:38:12,079

can't find nothing about him being dead

2934

02:38:17,659 --> 02:38:15,510

he said if I don't call you making sure

2935

02:38:20,329 --> 02:38:17,669

you don't talk to anybody after every

2936

02:38:23,029 --> 02:38:20,339

week or two that means I'm dead we

2937

02:38:25,279 --> 02:38:23,039

finally he sent me the message of where

2938

02:38:29,289 --> 02:38:25,289

he put all his a will and all his

2939

02:38:32,329 --> 02:38:29,299

information I had to call the government

2940

02:38:35,539 --> 02:38:32,339

place that they buried him and even the

2941

02:38:38,000 --> 02:38:35,549

lady said this is a strangest thing they

2942

02:38:41,210 --> 02:38:38,010

had him brought here cremated

2943

02:38:43,010 --> 02:38:41,220

immediately buried immediately with no

2944

02:38:45,260 --> 02:38:43,020

ceremony now here's the guy who had

2945

02:38:47,689 --> 02:38:45,270

gotten two medals by two presidents

2946

02:38:50,329 --> 02:38:47,699

mm-hmm in all kinds of combinations and

2947

02:38:53,689 --> 02:38:50,339

you had no ceremony even as friends that

2948

02:38:55,760 --> 02:38:53,699

even though you did you know and we

2949

02:38:58,219 --> 02:38:55,770

still to this they cannot find nothing

2950

02:38:59,719 --> 02:38:58,229

on no death notices no nothing if I

2951

02:39:01,309 --> 02:38:59,729

didn't call and he didn't give me that

2952

02:39:06,079 --> 02:39:01,319

information I never would have found out

2953

02:39:07,000 --> 02:39:06,089

that you know as crazy as that may sound

2954

02:39:12,529 --> 02:39:07,010

to you

2955

02:39:14,479 --> 02:39:12,539

that type of thing goes on a pretty

2956

02:39:18,800 --> 02:39:14,489

common place inside of the military I'll

2957

02:39:20,750 --> 02:39:18,810

give you an example if they want you

2958

02:39:23,300 --> 02:39:20,760

let's say you're in the military right

2959

02:39:28,329 --> 02:39:23,310

and you're you're excelling at different

2960

02:39:32,420 --> 02:39:28,339

things and they want you to go into

2961

02:39:35,689 --> 02:39:32,430

another program I mentioned the CIA was

2962

02:39:39,099 --> 02:39:35,699

created on this day back in 1947 at the

2963

02:39:41,869 --> 02:39:39,109

beginning of the show the CIA does

2964

02:39:42,801 --> 02:39:41,879

clandestine operations overseas we know

2965

02:39:45,350 --> 02:39:42,811

that that's

2966

02:39:47,180 --> 02:39:45,360

they do it's their job it's no big deal

2967

02:39:49,310 --> 02:39:47,190

we understand that well it's a big deal

2968

02:39:52,610 --> 02:39:49,320

what I'm saying is it's very common

2969

02:39:56,390 --> 02:39:52,620

knowledge today now let's say they want

2970

02:39:59,150 --> 02:39:56,400

you to be a part of one of these teams

2971

02:40:03,201 --> 02:39:59,160

overseas and you are in the military

2972

02:40:06,921 --> 02:40:03,211

what do they do they kill you that's it

2973

02:40:11,060 --> 02:40:06,931

they don't kill you physically but they

2974

02:40:13,220 --> 02:40:11,070

remove you from the military possibly

2975

02:40:17,781 --> 02:40:13,230

deceased but your records and everything

2976

02:40:21,251 --> 02:40:17,791

are completely buried you are taken out

2977

02:40:24,291 --> 02:40:21,261

of the military now and put into the

2978

02:40:26,031 --> 02:40:24,301

clandestine black program where there's

2979

02:40:28,850 --> 02:40:26,041

not going to be a paper trail for you

2980

02:40:33,230 --> 02:40:28,860

and it just may be that they tell your

2981

02:40:35,241 --> 02:40:33,240

family that you're missing right missing

2982

02:40:38,121 --> 02:40:35,251

an action something happened we don't

2983

02:40:42,371 --> 02:40:38,131

have his body so are you officially dead

2984

02:40:46,220 --> 02:40:42,381

maybe maybe not but you are now able to

2985

02:40:49,011 --> 02:40:46,230

go into another program and be used

2986

02:40:51,381 --> 02:40:49,021

overseas where you are invisible and

2987

02:40:54,491 --> 02:40:51,391

this is this is a practice that happens

2988

02:40:58,610 --> 02:40:54,501

all the time they have to be able to

2989

02:41:01,011 --> 02:40:58,620

take you and and move you around without

2990

02:41:02,031 --> 02:41:01,021

having your identity follow you well how

2991

02:41:06,770 --> 02:41:02,041

would they do that

2992

02:41:09,741 --> 02:41:06,780

right missing an addict yes yeah I don't

2993

02:41:11,991 --> 02:41:09,751

think they knew he was telling me all

2994

02:41:14,930 --> 02:41:12,001

this stuff calling me and telling me all

2995

02:41:16,940 --> 02:41:14,940

this stuff or had me in his car with him

2996

02:41:22,100 --> 02:41:16,950

I you know he used to go take deliveries

2997

02:41:24,291 --> 02:41:22,110

a loss at Elmo's but and even when they

2998

02:41:26,480 --> 02:41:24,301

had him in when Vietnam first started

2999

02:41:29,360 --> 02:41:26,490

they ordered them to kill not just

3000

02:41:31,850 --> 02:41:29,370

starve women and children to kill them

3001

02:41:33,831 --> 02:41:31,860

because of state this way they starved

3002

02:41:36,261 --> 02:41:33,841

him gave him one meal a day and if they

3003

02:41:38,841 --> 02:41:36,271

got kind of antsy they can kill him

3004

02:41:41,331 --> 02:41:38,851

before they would get mad enough to pick

3005

02:41:43,400 --> 02:41:41,341

up a weapon so he had pictures of these

3006

02:41:48,020 --> 02:41:43,410

things that he showed me when I was kid

3007

02:41:50,241 --> 02:41:48,030

mm-hmm yeah you know so let me I'll go

3008

02:41:56,060 --> 02:41:50,251

back to finish what I was doing no it's

3009

02:41:57,591 --> 02:41:56,070

okay it's okay which is this if you are

3010

02:41:59,541 --> 02:41:57,601

one of these programs you've been moved

3011

02:42:02,720 --> 02:41:59,551

from the military you know whatever

3012

02:42:05,180 --> 02:42:02,730

Marines army and now you're doing some

3013

02:42:10,520 --> 02:42:05,190

kind of black project overseas and you

3014

02:42:12,230 --> 02:42:10,530

are killed what do you do you can't you

3015

02:42:16,180 --> 02:42:12,240

see what I'm saying so now they've got

3016

02:42:19,341 --> 02:42:16,190

to deal with this in a certain way like

3017

02:42:21,440 --> 02:42:19,351

you're this person that you were just

3018

02:42:23,301 --> 02:42:21,450

talking about right and so you're gonna

3019

02:42:25,341 --> 02:42:23,311

have to have a ceremony somewhere you

3020

02:42:28,490 --> 02:42:25,351

can't invite friends and family and

3021

02:42:32,091 --> 02:42:28,500

other people in the military that that

3022

02:42:35,541 --> 02:42:32,101

were with him you can't and so now

3023

02:42:39,171 --> 02:42:35,551

that's gonna be some kind of clandestine

3024

02:42:41,810 --> 02:42:39,181

right no autopsy and cremate the body

3025

02:42:45,051 --> 02:42:41,820

put it in the ground probably unmarked

3026

02:42:49,761 --> 02:42:45,061

grave and and then how its dealt with

3027

02:42:53,150 --> 02:42:49,771

and I'm sure that this goes down every

3028

02:42:54,591 --> 02:42:53,160

single day and that's it and they're

3029

02:42:56,180 --> 02:42:54,601

gonna sign you up they're gonna go okay

3030

02:42:59,150 --> 02:42:56,190

now this is what's gonna happen with you

3031

02:43:00,860 --> 02:42:59,160

okay you're gonna go over here we're

3032

02:43:03,171 --> 02:43:00,870

gonna take care of you this is you know

3033

02:43:05,421 --> 02:43:03,181

this is the program that you're going

3034

02:43:08,690 --> 02:43:05,431

into the old you doesn't exist anymore

3035

02:43:11,180 --> 02:43:08,700

so we're gonna have to notify your

3036

02:43:12,011 --> 02:43:11,190

family that you know you were missing in

3037

02:43:15,830 --> 02:43:12,021

action

3038

02:43:18,560 --> 02:43:15,840

you know you died in a in a training

3039

02:43:21,560 --> 02:43:18,570

exercise you know and that's how they

3040

02:43:24,230 --> 02:43:21,570

staff this other this other force and

3041

02:43:26,780 --> 02:43:24,240

that's that's my take I don't think I'm

3042

02:43:29,360 --> 02:43:26,790

very far off the mark and what I am

3043

02:43:31,461 --> 02:43:29,370

saying here and and what you just said

3044

02:43:33,350 --> 02:43:31,471

to me doesn't surprise me at all so I

3045

02:43:35,360 --> 02:43:33,360

can tell you other things real quick

3046

02:43:37,280 --> 02:43:35,370

yeah real quick I've got a bunch of

3047

02:43:42,950 --> 02:43:37,290

calls on hold is your dad still in the

3048

02:43:44,780 --> 02:43:42,960

FBI he supposedly died he transferred to

3049

02:43:47,780 --> 02:43:44,790

federal law enforcement the thing is

3050

02:43:49,791 --> 02:43:47,790

before 9/11 the month before 9/11 he

3051
02:43:53,690 --> 02:43:49,801
told me about the black suit the guys in

3052
02:43:56,180 --> 02:43:53,700
black fatigues training them he said he

3053
02:43:59,990 --> 02:43:56,190
was called and he detained five Arab

3054
02:44:02,751 --> 02:44:00,000
gentleman's canvassing the Hoover base

3055
02:44:05,240 --> 02:44:02,761
that month before and they were it

3056
02:44:08,001 --> 02:44:05,250
caught he he watched him and they twin

3057
02:44:09,590 --> 02:44:08,011
in the classified areas he pulled them

3058
02:44:11,599 --> 02:44:09,600
aside and detained

3059
02:44:15,380 --> 02:44:11,609
he was ordered by the upper us to let

3060
02:44:17,540 --> 02:44:15,390
him go Wow he was ordered to let them go

3061
02:44:19,219 --> 02:44:17,550
and he told me I don't know what's going

3062
02:44:21,439 --> 02:44:19,229
on they said we're gonna get a lot of

3063
02:44:22,849 --> 02:44:21,449

power after it and I said well my

3064

02:44:25,519 --> 02:44:22,859

brother's asking me to get on a plane he

3065

02:44:26,059 --> 02:44:25,529

do not get on a plane do not get on a

3066

02:44:27,559 --> 02:44:26,069

plane

3067

02:44:29,420 --> 02:44:27,569

my brother said look I'm gonna pick you

3068

02:44:31,580 --> 02:44:29,430

up from Dallas and I'll take you back

3069

02:44:34,790 --> 02:44:31,590

you know and I said no he said don't get

3070

02:44:38,000 --> 02:44:34,800

on a plane you know he was dead serious

3071

02:44:40,550 --> 02:44:38,010

Wow and he said his buddies that were

3072

02:44:42,710 --> 02:44:40,560

watching they told him three of those

3073

02:44:45,769 --> 02:44:42,720

guys that he had they were under

3074

02:44:47,660 --> 02:44:45,779

surveillance and he said later on he

3075

02:44:50,990 --> 02:44:47,670

said I knew it three of those guys were

3076
02:44:52,700 --> 02:44:51,000
on those point ordered them to let them

3077
02:44:55,969 --> 02:44:52,710
go it's interesting what you said about

3078
02:44:59,990 --> 02:44:55,979
area 51 though the pits with the you

3079
02:45:02,269 --> 02:45:00,000
know that burned for two weeks that that

3080
02:45:03,979 --> 02:45:02,279
that is something that they did out

3081
02:45:07,130 --> 02:45:03,989
there there were so many dangerous

3082
02:45:09,080 --> 02:45:07,140
materials and things that these planes

3083
02:45:12,139 --> 02:45:09,090
that they're testing out there crash or

3084
02:45:15,290 --> 02:45:12,149
whatever you know said I never thought

3085
02:45:18,530 --> 02:45:15,300
thought but he said I never seen stuff

3086
02:45:22,580 --> 02:45:18,540
burn like that and so long-run had this

3087
02:45:24,910 --> 02:45:22,590
awful smell and he said they didn't give

3088
02:45:27,469 --> 02:45:24,920

us no protective equipment or nothing

3089

02:45:29,870 --> 02:45:27,479

hmm and the cement trucks too that's

3090

02:45:33,769 --> 02:45:29,880

very interesting that's very interesting

3091

02:45:36,139 --> 02:45:33,779

so yeah area 51 Nevada groom lake you

3092

02:45:39,800 --> 02:45:36,149

can look at it you can probably well

3093

02:45:42,349 --> 02:45:39,810

Google Earth groom lake and it'll take

3094

02:45:45,830 --> 02:45:42,359

you right there or area 51 you can look

3095

02:45:48,830 --> 02:45:45,840

at it alright thanks man Thank You Man

3096

02:45:50,809 --> 02:45:48,840

what's your name um David thank you

3097

02:45:54,920 --> 02:45:50,819

David have a great night and we'll see

3098

02:45:57,920 --> 02:45:54,930

Monday on fade to black let's see let's

3099

02:46:00,429 --> 02:45:57,930

go here area code three six zero you're

3100

02:46:06,429 --> 02:46:00,439

up next on fade to black who's calling

3101
02:46:11,179 --> 02:46:06,439
hi oh hi tonight how are you hi I'm good

3102
02:46:13,580 --> 02:46:11,189
so from what I'm gathering a lot of

3103
02:46:16,990 --> 02:46:13,590
people never heard my Bigfoot story and

3104
02:46:19,099 --> 02:46:17,000
I was gonna call in on Monday but

3105
02:46:20,870 --> 02:46:19,109
sometimes when you have a guest it's

3106
02:46:23,330 --> 02:46:20,880
pretty hard to get through after the

3107
02:46:27,889 --> 02:46:23,340
guest is done so I decided to go

3108
02:46:30,500 --> 02:46:27,899
and pollens mine okay what is it okay so

3109
02:46:35,630 --> 02:46:30,510
we were up camping in the Olympic

3110
02:46:41,960 --> 02:46:35,640
Mountains Hamma Hamma round and I posted

3111
02:46:45,410 --> 02:46:41,970
a video on Twitter that was the best

3112
02:46:49,370 --> 02:46:45,420
thing I can come up with that was

3113
02:46:51,710 --> 02:46:49,380

similar to what we heard well tell me

3114

02:46:53,630 --> 02:46:51,720

and I told this story I told this story

3115

02:46:55,160 --> 02:46:53,640

before but I think there's a lot of

3116

02:46:59,719 --> 02:46:55,170

people that didn't hear it because it

3117

02:47:04,940 --> 02:46:59,729

was a few years ago okay so we went up

3118

02:47:07,340 --> 02:47:04,950

camping up there and while we're camping

3119

02:47:09,800 --> 02:47:07,350

we're listening to at the time my

3120

02:47:15,980 --> 02:47:09,810

husband was in doing the country music

3121

02:47:17,330 --> 02:47:15,990

thing so the radio was on and we were

3122

02:47:20,840 --> 02:47:17,340

just sitting there you know having a

3123

02:47:24,170 --> 02:47:20,850

couple drinks and what-have-you and we

3124

02:47:28,160 --> 02:47:24,180

heard he heard this noise and it was

3125

02:47:32,590 --> 02:47:28,170

like this weird like growling howling

3126
02:47:36,290 --> 02:47:32,600
noise and he walked up to the truck and

3127
02:47:38,030 --> 02:47:36,300
he shut the music off well I found out

3128
02:47:40,490 --> 02:47:38,040
later that when he walked up to the

3129
02:47:44,660 --> 02:47:40,500
truck he heard he or he smelled like

3130
02:47:47,120 --> 02:47:44,670
this really kind of pungent smelling

3131
02:47:50,000 --> 02:47:47,130
thing he said it smelled awful I didn't

3132
02:47:52,099 --> 02:47:50,010
know that too later but when we go up in

3133
02:47:56,889 --> 02:47:52,109
the mountains we always he always brings

3134
02:48:00,980 --> 02:47:56,899
his gun with him because of bears and

3135
02:48:06,469 --> 02:48:00,990
you know what have you just in case so

3136
02:48:09,349 --> 02:48:06,479
he has a 45 on him and he heard this

3137
02:48:11,900 --> 02:48:09,359
thing and the him is like what is it and

3138
02:48:17,389 --> 02:48:11,910

shut off the radio and we're listening

3139

02:48:19,849 --> 02:48:17,399

and it was something we've both been we

3140

02:48:22,880 --> 02:48:19,859

live in Washington so we've both been in

3141

02:48:28,219 --> 02:48:22,890

the woods all our lives and have never

3142

02:48:31,670 --> 02:48:28,229

heard any noise like this ever and he's

3143

02:48:35,050 --> 02:48:31,680

a hunter and everything so we wait two

3144

02:48:37,940 --> 02:48:35,060

men what did you hear what it sound like

3145

02:48:41,639 --> 02:48:37,950

it was like this

3146

02:48:45,019 --> 02:48:41,649

grunting growling noise I didn't even

3147

02:48:48,450 --> 02:48:45,029

know how to explain it but if you I

3148

02:48:51,929 --> 02:48:48,460

copied a link to a video that somebody

3149

02:48:54,330 --> 02:48:51,939

heard in Oregon and it was the whole it

3150

02:48:57,150 --> 02:48:54,340

was the closest thing that I could find

3151
02:49:03,000 --> 02:48:57,160
what we heard is that what we heard was

3152
02:49:06,540 --> 02:49:03,010
like more of a deep deeper grunting

3153
02:49:09,690 --> 02:49:06,550
growling noise I mean I couldn't even

3154
02:49:13,980 --> 02:49:09,700
recreate it if I tried okay so I've got

3155
02:49:19,290 --> 02:49:13,990
I've got it here okay how long is this

3156
02:49:21,690 --> 02:49:19,300
video um it's about like five minutes or

3157
02:49:24,290 --> 02:49:21,700
something I think but it's basically

3158
02:49:28,590 --> 02:49:24,300
exert oh yeah I can't play I didn't

3159
02:49:31,260 --> 02:49:28,600
write the the kid and the father in

3160
02:49:34,530 --> 02:49:31,270
Oregon were hearing something in the

3161
02:49:37,860 --> 02:49:34,540
woods and they had their dog with him

3162
02:49:39,660 --> 02:49:37,870
and they were like basically we gotta

3163
02:49:41,940 --> 02:49:39,670

get the hell out of here before that

3164

02:49:45,300 --> 02:49:41,950

thing gets up with us well what happened

3165

02:49:47,719 --> 02:49:45,310

with you okay so after you heard this

3166

02:49:51,389 --> 02:49:47,729

what happened next

3167

02:49:52,920 --> 02:49:51,399

so like I said he went and went up and

3168

02:49:55,710 --> 02:49:52,930

turned off the radio and everything and

3169

02:49:57,870 --> 02:49:55,720

we were just listening to it and I was

3170

02:50:00,420 --> 02:49:57,880

like that's Bigfoot it's got to be

3171

02:50:03,599 --> 02:50:00,430

there's nothing there's nothing in the

3172

02:50:07,559 --> 02:50:03,609

woods that sounds like that and and so

3173

02:50:11,219 --> 02:50:07,569

I'm like really intrigued and my husband

3174

02:50:14,880 --> 02:50:11,229

was ready to get the F out of there like

3175

02:50:16,769 --> 02:50:14,890

now right he had heard big stories

3176
02:50:19,650 --> 02:50:16,779
before they they never really believed

3177
02:50:25,650 --> 02:50:19,660
him and then we heard this thing and

3178
02:50:28,650 --> 02:50:25,660
he's like nope I'm gone and even like I

3179
02:50:31,139 --> 02:50:28,660
said he had a pistol on him and he was

3180
02:50:37,040 --> 02:50:31,149
so so freaked out that he wanted to

3181
02:50:39,719 --> 02:50:37,050
leave right then but you didn't know I

3182
02:50:42,360 --> 02:50:39,729
kind of calmed him down a little bit and

3183
02:50:44,460 --> 02:50:42,370
talked him into thing did it continue

3184
02:50:48,090 --> 02:50:44,470
did you go into the woods why didn't you

3185
02:50:50,639 --> 02:50:48,100
go did you go into the woods no it was

3186
02:50:54,000 --> 02:50:50,649
it was at night and

3187
02:50:55,679 --> 02:50:54,010
was a river right beside us and whatever

3188
02:50:59,790 --> 02:50:55,689

this was was on the other side of the

3189

02:51:02,639 --> 02:50:59,800

river well there was two of them and and

3190

02:51:06,540 --> 02:51:02,649

they were basically howling back and

3191

02:51:08,429 --> 02:51:06,550

forth to each other and as they were

3192

02:51:11,239 --> 02:51:08,439

howling back and forth they were going

3193

02:51:14,699 --> 02:51:11,249

up the mountain we kept hearing them

3194

02:51:18,540 --> 02:51:14,709

further and up further and up further up

3195

02:51:20,880 --> 02:51:18,550

the mountain and didn't you have

3196

02:51:22,679 --> 02:51:20,890

flashlights why do you know was there a

3197

02:51:27,149 --> 02:51:22,689

reason why you didn't you know try to

3198

02:51:29,819 --> 02:51:27,159

chase it down no it was it was just

3199

02:51:33,420 --> 02:51:29,829

probably far enough away from us it

3200

02:51:35,639 --> 02:51:33,430

might have been like yeah I'm kind of

3201
02:51:38,609 --> 02:51:35,649
bad at distances but it would have been

3202
02:51:41,819 --> 02:51:38,619
like probably 50 yards or something on

3203
02:51:43,500 --> 02:51:41,829
the other side of the mountain or on the

3204
02:51:44,479 --> 02:51:43,510
other side of the creek excuse me right

3205
02:51:47,250 --> 02:51:44,489
right

3206
02:51:51,659 --> 02:51:47,260
but it was far enough away where we

3207
02:51:54,859 --> 02:51:51,669
couldn't go see what it was but the fact

3208
02:51:57,899 --> 02:51:54,869
that when he went up to the truck and

3209
02:52:00,179 --> 02:51:57,909
shut the radio off and he smelled

3210
02:52:02,420 --> 02:52:00,189
something it may have been a little

3211
02:52:06,929 --> 02:52:02,430
closer than we might have thought it was

3212
02:52:11,189 --> 02:52:06,939
do you regret not you know not trying to

3213
02:52:13,260 --> 02:52:11,199

find out and going after it a little bit

3214

02:52:16,620 --> 02:52:13,270

well the only thing that I regret is

3215

02:52:18,929 --> 02:52:16,630

that we we had but we've been up there a

3216

02:52:21,449 --> 02:52:18,939

few days and that our cell phones were

3217

02:52:24,840 --> 02:52:21,459

both dead and we didn't get a recording

3218

02:52:30,599 --> 02:52:24,850

of it right right I understand that part

3219

02:52:33,870 --> 02:52:30,609

for sure yeah I mean if I you know it's

3220

02:52:36,989 --> 02:52:33,880

hard to say you know I might also you

3221

02:52:40,529 --> 02:52:36,999

know get freaked out too and and want to

3222

02:52:42,300 --> 02:52:40,539

split but there's another side to me

3223

02:52:45,960 --> 02:52:42,310

that says you know if you've got an

3224

02:52:47,819 --> 02:52:45,970

opportunity like that then maybe you

3225

02:52:50,010 --> 02:52:47,829

take advantage of it he's got it you

3226

02:52:52,080 --> 02:52:50,020

know he's got a 45 you know if you want

3227

02:52:53,849 --> 02:52:52,090

to feel like you're safe I wouldn't

3228

02:52:55,889 --> 02:52:53,859

suggest shooting Bigfoot you know I

3229

02:53:00,330 --> 02:52:55,899

wouldn't do that you just piss him off

3230

02:53:03,840 --> 02:53:00,340

and and then you'd really but but the

3231

02:53:04,470 --> 02:53:03,850

but if you've you know I think I would

3232

02:53:11,100 --> 02:53:04,480

go

3233

02:53:14,701 --> 02:53:11,110

down but to put this into context he had

3234

02:53:16,801 --> 02:53:14,711

heard he had heard Bigfoot stories you

3235

02:53:19,201 --> 02:53:16,811

know from his cousins and what heaviest

3236

02:53:23,011 --> 02:53:19,211

throughout the years but it evidently he

3237

02:53:26,791 --> 02:53:23,021

didn't really believe it but my husband

3238

02:53:30,480 --> 02:53:26,801

isn't afraid of normally anybody or

3239

02:53:33,270 --> 02:53:30,490

anything and it was like ready to get

3240

02:53:35,131 --> 02:53:33,280

the F out of there well you know I'm

3241

02:53:37,501 --> 02:53:35,141

sitting here you know it's funny because

3242

02:53:40,801 --> 02:53:37,511

I'm suggesting that I would go and chase

3243

02:53:43,020 --> 02:53:40,811

this sound down I wouldn't even get out

3244

02:53:47,220 --> 02:53:43,030

of bed when the toilet seat fell down in

3245

02:53:49,470 --> 02:53:47,230

our bathroom I stayed in bed I'm gonna

3246

02:53:52,280 --> 02:53:49,480

go check that out now why don't you go

3247

02:53:56,881 --> 02:53:52,290

check it out honey

3248

02:53:58,110 --> 02:53:56,891

no it was like he was like absolutely I

3249

02:54:01,530 --> 02:53:58,120

am leaving

3250

02:54:04,320 --> 02:54:01,540

I came out here and I got him to calm

3251
02:54:06,150 --> 02:54:04,330
down I said well they didn't do anything

3252
02:54:09,390 --> 02:54:06,160
to us or not the end they just always

3253
02:54:14,841 --> 02:54:09,400
just herded them going up the mountain

3254
02:54:23,520 --> 02:54:20,220
F anything it's like a bellowing growl

3255
02:54:24,301 --> 02:54:23,530
at the same time it's just a weirdest

3256
02:54:27,780 --> 02:54:24,311
thing ever

3257
02:54:32,240 --> 02:54:27,790
right right right last year when Rita

3258
02:54:35,701 --> 02:54:32,250
and I were at ESET e we get back to our

3259
02:54:39,570 --> 02:54:35,711
hotel which is right next to ESET e and

3260
02:54:42,480 --> 02:54:39,580
we were there was a bench outside of our

3261
02:54:44,911 --> 02:54:42,490
hotel room so we went out and sat down

3262
02:54:46,560 --> 02:54:44,921
for a minute before we went to bed and

3263
02:54:48,150 --> 02:54:46,570

you know just enjoying it's about

3264

02:54:51,001 --> 02:54:48,160

midnight you know maybe 1:00 in the

3265

02:54:52,951 --> 02:54:51,011

morning and it's in the woods we're in

3266

02:54:55,530 --> 02:54:52,961

the woods right and there's a creek out

3267

02:54:59,900 --> 02:54:55,540

in front of the the hotel motel whatever

3268

02:55:03,270 --> 02:54:59,910

and as we were sitting there this wolf

3269

02:55:06,690 --> 02:55:03,280

started howling in front of us from the

3270

02:55:09,270 --> 02:55:06,700

woods and as he starts to howl another

3271

02:55:13,461 --> 02:55:09,280

one does and then another one and I'm

3272

02:55:17,490 --> 02:55:13,471

not kidding after about 10 seconds and

3273

02:55:18,190 --> 02:55:17,500

there was there must have been 20 30 40

3274

02:55:21,011 --> 02:55:18,200

wolves

3275

02:55:22,841 --> 02:55:21,021

all howling together all the way around

3276

02:55:25,200 --> 02:55:22,851

us and we're sitting here like baby you

3277

02:55:29,140 --> 02:55:25,210

just don't know what's in those woods

3278

02:55:30,940 --> 02:55:29,150

right in front of us right Washington so

3279

02:55:33,910 --> 02:55:30,950

we got a lot of weird critters up here

3280

02:55:36,460 --> 02:55:33,920

yeah it was great it was beautiful

3281

02:55:38,560 --> 02:55:36,470

though they were just in harmony and

3282

02:55:40,960 --> 02:55:38,570

they just got louder and louder and

3283

02:55:43,240 --> 02:55:40,970

lasted for about I don't know 15 20

3284

02:55:46,390 --> 02:55:43,250

seconds died away and I'm looking at RIT

3285

02:55:48,551 --> 02:55:46,400

I'm like man you know it's just it's

3286

02:55:50,381 --> 02:55:48,561

just forest in front of you but you just

3287

02:55:53,110 --> 02:55:50,391

never know what's out there thank you

3288

02:55:55,841 --> 02:55:53,120

for sharing that man no I've got I gotta

3289

02:55:57,881 --> 02:55:55,851

go I gotta say good night I gotta I

3290

02:56:01,660 --> 02:55:57,891

gotta get him good night tonight we'll

3291

02:56:05,051 --> 02:56:01,670

see you on Monday okay thank you so much

3292

02:56:07,690 --> 02:56:05,061

yeah I wouldn't even get out of bed to

3293

02:56:11,051 --> 02:56:07,700

go and check out the toilet seat that

3294

02:56:12,580 --> 02:56:11,061

fell down in the bathroom I was I was

3295

02:56:15,220 --> 02:56:12,590

too freaked out I didn't want to know

3296

02:56:19,270 --> 02:56:15,230

what I was going to discover so I'm not

3297

02:56:22,870 --> 02:56:19,280

the tough guy probably that would go and

3298

02:56:24,730 --> 02:56:22,880

and follow Bigfoot up a mountain I you

3299

02:56:26,320 --> 02:56:24,740

know I don't know I don't know I you

3300

02:56:29,230 --> 02:56:26,330

know it depends on how many friends I

3301
02:56:30,761 --> 02:56:29,240
got with me I guess but that's a great

3302
02:56:32,680 --> 02:56:30,771
story right there I guess we're gonna

3303
02:56:36,040 --> 02:56:32,690
find out in about 10 days we're gonna be

3304
02:56:40,330 --> 02:56:36,050
up there at E SETI you never know what's

3305
02:56:42,341 --> 02:56:40,340
gonna go on up at ecity ranch sole tech

3306
02:56:46,581 --> 02:56:42,351
gathering calm we took out some tickets

3307
02:56:50,541 --> 02:56:48,531
they to blacks executive producers

3308
02:56:53,150 --> 02:56:50,551
ritika Murray on shows produced by him J

3309
02:56:55,600 --> 02:56:53,160
palm Renee Dennis and Bob announcers are

3310
02:56:58,251 --> 02:56:55,610
Steve harder Jean Vitello mark D Cova

3311
