

**FADE
TO
BLACK**

WITH JIMMY CHURCH

1
00:01:08,340 --> 00:01:45,190
fifteen seconds

2
00:02:15,730 --> 00:01:51,100
[Music]

3
00:02:18,750 --> 00:02:15,740
this hope radio for the masses headliner

4
00:02:20,430 --> 00:02:18,760
between July 8 1947

5
00:02:23,130 --> 00:02:20,440
the Army Air Force was announced that

6
00:02:25,680 --> 00:02:23,140
applying this - found and is now in the

7
00:02:29,940 --> 00:02:25,690
possession of the RA the game is rigged

8
00:02:32,789 --> 00:02:29,950
changed the game changer I occasionally

9
00:02:36,479 --> 00:02:32,799
think how quickly our differences

10
00:02:41,940 --> 00:02:36,489
worldwide would vanish if we were facing

11
00:02:41,950 --> 00:02:45,640
[Applause]

12
00:02:51,910 --> 00:02:48,850
two black with your host Jimmy church on

13
00:02:57,220 --> 00:02:51,920

the game-changer Radio Network and a GRA

14

00:03:06,150 --> 00:02:59,730

I need your help to get to the

15

00:03:08,220 --> 00:03:06,160

[Music]

16

00:03:11,150 --> 00:03:08,230

you're listening to fade to black with

17

00:03:19,750 --> 00:03:11,160

Jimmy judge on the game changing Network

18

00:03:22,670 --> 00:03:21,110

good evening

19

00:03:27,720 --> 00:03:22,680

[Music]

20

00:03:27,730 --> 00:03:37,670

Radio 4

21

00:03:46,390 --> 00:03:40,770

how you do it

22

00:03:51,020 --> 00:03:49,100

J Tuesday on

23

00:03:52,960 --> 00:03:51,030

I'm 18

24

00:03:57,890 --> 00:03:52,970

[Music]

25

00:04:00,540 --> 00:03:57,900

234 days into the new year just 131 days

26

00:04:05,110 --> 00:04:03,450

a bunker somewhere in the middle of

27

00:04:07,030 --> 00:04:05,120

beautiful

28

00:04:10,660 --> 00:04:07,040

Burbank California and I would like to

29

00:04:14,030 --> 00:04:12,050

cost again

30

00:04:17,029 --> 00:04:14,040

it states

31

00:04:19,189 --> 00:04:17,039

hither and thither - and throw back and

32

00:04:20,660 --> 00:04:19,199

forth up and down east and west north

33

00:04:24,240 --> 00:04:20,670

and south

34

00:04:24,250 --> 00:04:29,570

this is paid to blind for kjc are

35

00:04:37,339 --> 00:04:32,659

GameChanger network and kg are a the

36

00:04:39,850 --> 00:04:37,349

planets I'm we hope to be Church what is

37

00:04:45,010 --> 00:04:39,860

cracking everybody how you do it

38

00:04:45,020 --> 00:04:48,340

all right tonight

39

00:04:54,130 --> 00:04:52,180

very special guest dr. Robert Schoch is

40

00:04:57,610 --> 00:04:54,140

here that's right

41

00:05:03,160 --> 00:04:57,620

the good doctor we're gonna do a

42

00:05:05,370 --> 00:05:03,170

complete update on Egypt tonight lots of

43

00:05:08,500 --> 00:05:05,380

stuff to talk about he's also got a trip

44

00:05:12,670 --> 00:05:08,510

he's going back out and heading up a

45

00:05:15,700 --> 00:05:12,680

tour and 2019 I think it's July June

46

00:05:18,580 --> 00:05:15,710

July we'll find out about that tonight I

47

00:05:20,380 --> 00:05:18,590

would love to go to Egypt with dr.

48

00:05:23,110 --> 00:05:20,390

Robert Schoch do imagine what that tour

49

00:05:25,330 --> 00:05:23,120

would be like any tour with the good

50

00:05:28,600 --> 00:05:25,340

doctor would be amazing but we've got

51
00:05:32,200 --> 00:05:28,610
the new chamber above the Grand Gallery

52
00:05:34,450 --> 00:05:32,210
we've got the second Sphinx discovery

53
00:05:36,460 --> 00:05:34,460
and now we've got a few different

54
00:05:39,670 --> 00:05:36,470
versions of the second Sphinx right

55
00:05:40,900 --> 00:05:39,680
we've got luck sir we've got Giza we're

56
00:05:45,160 --> 00:05:40,910
going to be talking about all of that

57
00:05:47,830 --> 00:05:45,170
tonight we have the e/m testing that was

58
00:05:50,130 --> 00:05:47,840
done on the Great Pyramid and that white

59
00:05:52,720 --> 00:05:50,140
paper that was published last month

60
00:05:54,700 --> 00:05:52,730
we're gonna go over that too as well

61
00:05:58,650 --> 00:05:54,710
there's a new museum that is opening up

62
00:06:00,940 --> 00:05:58,660
at Giza the great the grand the grand

63
00:06:03,880 --> 00:06:00,950

Egyptian Museum I think that's what

64

00:06:06,990 --> 00:06:03,890

they're calling it the grand there I do

65

00:06:09,160 --> 00:06:07,000

believe so and all that and much more so

66

00:06:11,740 --> 00:06:09,170

stay tuned for that that'll be at the

67

00:06:14,770 --> 00:06:11,750

bottom of the hour dr. Robert Schoch

68

00:06:17,260 --> 00:06:14,780

love it when he's on the show and do you

69

00:06:18,850 --> 00:06:17,270

remember I'm gonna ask him about this

70

00:06:23,020 --> 00:06:18,860

tonight he's probably listening right

71

00:06:27,280 --> 00:06:23,030

now that'll blow it uh anyway do you

72

00:06:29,740 --> 00:06:27,290

remember back the first time that we had

73

00:06:31,450 --> 00:06:29,750

him on the show there was two things now

74

00:06:34,720 --> 00:06:31,460

this is five years ago so it's going

75

00:06:38,410 --> 00:06:34,730

back away but two things happen during

76

00:06:41,740 --> 00:06:38,420

that show one you know he had me all

77

00:06:47,200 --> 00:06:41,750

nervous and I said he you know should I

78

00:06:49,110 --> 00:06:47,210

call you doctor he was like yeah man

79

00:06:55,210 --> 00:06:49,120

you're gonna call me doctor little man

80

00:06:58,240 --> 00:06:55,220

okay there was that all right so now I

81

00:07:01,750 --> 00:06:58,250

just call him just call him Robert but

82

00:07:02,060 --> 00:07:01,760

there was a second thing that has come

83

00:07:06,020 --> 00:07:02,070

up

84

00:07:09,110 --> 00:07:06,030

so often on this show which was I tried

85

00:07:13,000 --> 00:07:09,120

to find out what happened when he slept

86

00:07:17,360 --> 00:07:13,010

in the sarcophagus in the King's Chamber

87

00:07:21,050 --> 00:07:17,370

when all night by himself and he

88

00:07:23,510 --> 00:07:21,060

wouldn't divulge he wouldn't divulge but

89

00:07:25,490 --> 00:07:23,520

I think I'm gonna go I'm gonna take

90

00:07:29,540 --> 00:07:25,500

another crack at that tonight

91

00:07:30,290 --> 00:07:29,550

see what happens probably gonna laugh me

92

00:07:33,370 --> 00:07:30,300

off again

93

00:07:37,250 --> 00:07:33,380

little man I don't have to answer that I

94

00:07:39,830 --> 00:07:37,260

don't have to answer awesome shirt alert

95

00:07:41,540 --> 00:07:39,840

you guys like the shirt guys like the

96

00:07:44,600 --> 00:07:41,550

shirt that's cool that's cool

97

00:07:47,690 --> 00:07:44,610

follow us on twitter at JT radio hashtag

98

00:07:50,990 --> 00:07:47,700

f2 B is the sandbox and you can see

99

00:07:53,300 --> 00:07:51,000

Sarah and tweet right there awesome sure

100

00:07:54,800 --> 00:07:53,310

need thank you you know what that's

101
00:07:56,990 --> 00:07:54,810
gonna get a retweet I'm gonna retweet

102
00:07:59,740 --> 00:07:57,000
that Sarah because that's that's just an

103
00:08:04,460 --> 00:07:59,750
awesome tweet or did you not tweet that

104
00:08:08,330 --> 00:08:04,470
wait a minute exact that is her tweet

105
00:08:10,220 --> 00:08:08,340
okay yes you're funny alright enough of

106
00:08:11,930 --> 00:08:10,230
that I could just sit and talk about

107
00:08:14,750 --> 00:08:11,940
Twitter all night long I should do that

108
00:08:20,000 --> 00:08:14,760
one night just as straight Twitter night

109
00:08:23,060 --> 00:08:20,010
no guests no nothing just myself and you

110
00:08:25,730 --> 00:08:23,070
guys on Twitter not the chat rooms

111
00:08:28,190 --> 00:08:25,740
ignore it just just Twitter and me I

112
00:08:31,120 --> 00:08:28,200
would love that that would be a fun

113
00:08:34,790 --> 00:08:31,130

night hey Rita

114

00:08:39,440 --> 00:08:34,800

let's do a Twitter night does me and

115

00:08:42,800 --> 00:08:39,450

Twitter know guest I think we can book

116

00:08:47,150 --> 00:08:42,810

that guest have you been over to on

117

00:08:50,990 --> 00:08:47,160

stellar ons te ll a are.com on stellar

118

00:08:53,480 --> 00:08:51,000

calm yes Jimmy yeah Twitter night

119

00:08:55,730 --> 00:08:53,490

Twitter night you guys agree with in are

120

00:08:58,040 --> 00:08:55,740

you guys down for a Twitter night that

121

00:09:01,130 --> 00:08:58,050

would be fun I think so

122

00:09:03,410 --> 00:09:01,140

just just Twitter you know little ask me

123

00:09:06,530 --> 00:09:03,420

anything on Twitter and the end we could

124

00:09:08,750 --> 00:09:06,540

just goof around back and forth just do

125

00:09:10,910 --> 00:09:08,760

a Twitter night that'd be really really

126
00:09:14,540 --> 00:09:10,920
cool all right you know what I'm gonna

127
00:09:15,710 --> 00:09:14,550
do that well do that well if I already

128
00:09:18,470 --> 00:09:15,720
got next week book if

129
00:09:19,910 --> 00:09:18,480
we have an empty day next week if we

130
00:09:22,819 --> 00:09:19,920
have something we can move around Rita

131
00:09:24,050 --> 00:09:22,829
let's do a Twitter night just Twitter

132
00:09:26,780 --> 00:09:24,060
all right

133
00:09:31,189 --> 00:09:26,790
does the SRV on the guitar behind you

134
00:09:33,650 --> 00:09:31,199
stand for Stevie Ray Vaughan yes it does

135
00:09:41,329 --> 00:09:33,660
I'm talking about that one right there

136
00:09:44,540 --> 00:09:41,339
yes Stevie Ray Vaughan and the the if

137
00:09:46,509 --> 00:09:44,550
you look the guitar strap stands for

138
00:09:52,759 --> 00:09:46,519

fade to black

139

00:09:55,970 --> 00:09:52,769

yeah yeah you like that ight where am i

140

00:09:58,819 --> 00:09:55,980

Facebook YouTube man YouTube's giving me

141

00:10:00,259 --> 00:09:58,829

hassles again just let you guys know go

142

00:10:02,780 --> 00:10:00,269

for a Twitter night Twitter night you

143

00:10:06,309 --> 00:10:02,790

guys are down you guys are down for

144

00:10:09,019 --> 00:10:06,319

Twitter night okay all right keep it up

145

00:10:10,519 --> 00:10:09,029

keep it up I want to see enough of your

146

00:10:13,749 --> 00:10:10,529

support here we'll do it we'll do it

147

00:10:16,790 --> 00:10:13,759

next week I think we can pull that off

148

00:10:18,199 --> 00:10:16,800

okay Twitter Facebook YouTube everything

149

00:10:20,660 --> 00:10:18,209

is Jimmy Church go find it go follow

150

00:10:22,340 --> 00:10:20,670

like and subscribe but I'm stellar is

151

00:10:24,350 --> 00:10:22,350

the place to be on stellar is

152

00:10:27,079 --> 00:10:24,360

unbelievable I'm gonna give everybody

153

00:10:29,269 --> 00:10:27,089

the heads up I had kind of forgotten

154

00:10:30,799 --> 00:10:29,279

about this but you need to get over to

155

00:10:33,619 --> 00:10:30,809

and sell or get registered now there's a

156

00:10:35,179 --> 00:10:33,629

few things that are gonna happen but one

157

00:10:39,290 --> 00:10:35,189

of them that is getting ready to launch

158

00:10:42,920 --> 00:10:39,300

is we've got a total site overhaul

159

00:10:46,610 --> 00:10:42,930

that's gonna happen yeah and I can't

160

00:10:49,369 --> 00:10:46,620

divulge I can't divulge any more than

161

00:10:49,939 --> 00:10:49,379

that but let me just say it looks

162

00:10:53,900 --> 00:10:49,949

amazing

163

00:10:56,600 --> 00:10:53,910

okay I let's continue on got a lot to do

164

00:11:00,230 --> 00:10:56,610

here tonight Robert Schoch is here one

165

00:11:02,090 --> 00:11:00,240

of not only my favorite guests but just

166

00:11:03,530 --> 00:11:02,100

such a leader in this community and I

167

00:11:07,280 --> 00:11:03,540

say it every time he's on the show it's

168

00:11:07,939 --> 00:11:07,290

it's rare that we all have dreams when

169

00:11:09,949 --> 00:11:07,949

were a kid

170

00:11:11,929 --> 00:11:09,959

we're gonna we're gonna be king of the

171

00:11:15,470 --> 00:11:11,939

world right we're gonna have our own

172

00:11:17,869 --> 00:11:15,480

castle we're gonna just just change

173

00:11:19,040 --> 00:11:17,879

things we're gonna change things well

174

00:11:21,079 --> 00:11:19,050

you know and those are those are the

175

00:11:26,439 --> 00:11:21,089

dreams right and we all have those

176

00:11:29,150 --> 00:11:26,449

growing up but Robert changed the world

177

00:11:33,139 --> 00:11:29,160

along with John Anthony West

178

00:11:34,610 --> 00:11:33,149

changed that's a rare thing it's one

179

00:11:38,509 --> 00:11:34,620

thing to have the dreams it's another

180

00:11:40,009 --> 00:11:38,519

thing to actually do it well he did and

181

00:11:41,869 --> 00:11:40,019

he's our guest tonight I cannot wait for

182

00:11:46,610 --> 00:11:41,879

it you can also email throughout the

183

00:11:49,939 --> 00:11:46,620

show Jimmy at Jimmy Church radio.com I

184

00:11:52,369 --> 00:11:49,949

had a bunch of breaking news today and I

185

00:11:56,629 --> 00:11:52,379

got a little swallowed up and a bunch of

186

00:12:01,160 --> 00:11:56,639

stuff and the other things that were

187

00:12:04,699 --> 00:12:01,170

going on today in the political world it

188

00:12:06,590 --> 00:12:04,709

was just it was it was a bit too much to

189

00:12:09,650 --> 00:12:06,600

handle you kidding escaping on any of

190

00:12:12,170 --> 00:12:09,660

the mainstream media and of course I'm

191

00:12:14,059 --> 00:12:12,180

talking about mana four and Cohen what's

192

00:12:16,069 --> 00:12:14,069

going down with those two dudes and it

193

00:12:20,360 --> 00:12:16,079

went down at the same time two timing

194

00:12:22,999 --> 00:12:20,370

was strange but that quickly took over

195

00:12:25,939 --> 00:12:23,009

everything else and and I got a little

196

00:12:28,939 --> 00:12:25,949

sidetracked not with them but with other

197

00:12:32,679 --> 00:12:28,949

stuff here in the bunker and so I'll

198

00:12:35,240 --> 00:12:32,689

talk about this a little bit later but

199

00:12:39,290 --> 00:12:35,250

what I am gonna talk about here in just

200

00:12:44,030 --> 00:12:39,300

a second is our universe because lost

201
00:12:47,300 --> 00:12:44,040
today in all of the political conspiracy

202
00:12:50,569 --> 00:12:47,310
you know news that that is overwhelming

203
00:12:53,420 --> 00:12:50,579
everything was a very interesting story

204
00:12:54,829 --> 00:12:53,430
today that on any other day would have

205
00:12:57,439 --> 00:12:54,839
been the biggest news of the day

206
00:13:00,889 --> 00:12:57,449
okay so I'll talk about that in just a

207
00:13:03,050 --> 00:13:00,899
second but for now let's get this show

208
00:13:06,800 --> 00:13:03,060
crackin happy birthday to today

209
00:13:11,210 --> 00:13:06,810
System of a Down frontman Serj Tankian

210
00:13:14,350 --> 00:13:11,220
is 51 years old one of my favorite bands

211
00:13:17,420 --> 00:13:14,360
one of my favorite bands and not only

212
00:13:19,730 --> 00:13:17,430
because the music is great but they're

213
00:13:23,059 --> 00:13:19,740

from right here in beautiful downtown

214

00:13:25,210 --> 00:13:23,069

Burbank California and I'll never forget

215

00:13:27,499 --> 00:13:25,220

back in the 90s

216

00:13:35,269 --> 00:13:27,509

yeah I'm not too sure what it was but

217

00:13:40,519 --> 00:13:35,279

I'm gonna say mid to late 90s 98 99 97

218

00:13:42,199 --> 00:13:40,529

98 99 I wake up turn on the TV and I had

219

00:13:42,569 --> 00:13:42,209

heard the day before that System of a

220

00:13:45,539 --> 00:13:42,579

Down

221

00:13:48,889 --> 00:13:45,549

gonna play a free concert in Hollywood

222

00:13:51,619 --> 00:13:48,899

and I thought how can how can anybody

223

00:13:54,689 --> 00:13:51,629

especially a band like system of it down

224

00:13:58,889 --> 00:13:54,699

go and just play a free concert on

225

00:14:02,789 --> 00:13:58,899

Hollywood Boulevard you're just asking

226

00:14:08,220 --> 00:14:02,799

for trouble and it went down man live on

227

00:14:10,530 --> 00:14:08,230

TV riot I added in the middle of the day

228

00:14:12,269 --> 00:14:10,540

to they were gonna play it was it was

229

00:14:14,850 --> 00:14:12,279

crazy they were gonna play it like noon

230

00:14:16,499 --> 00:14:14,860

in the middle of the day on Hollywood

231

00:14:19,850 --> 00:14:16,509

Boulevard I just thought what could go

232

00:14:22,590 --> 00:14:19,860

wrong there right and it did and

233

00:14:24,720 --> 00:14:22,600

helicopters and they tore the stage

234

00:14:26,249 --> 00:14:24,730

apart and something having system I've

235

00:14:28,499 --> 00:14:26,259

done was like you know we don't have

236

00:14:31,049 --> 00:14:28,509

security and that was that was the crazy

237

00:14:33,869 --> 00:14:31,059

thing you know if you're gonna go and

238

00:14:36,720 --> 00:14:33,879

and set up for something like that you

239

00:14:39,479 --> 00:14:36,730

better be ready right and they weren't

240

00:14:42,900 --> 00:14:39,489

expecting the turnout which it which is

241

00:14:44,789 --> 00:14:42,910

what have a thousand it was crazy

242

00:14:47,069 --> 00:14:44,799

this is announcing you know what we're

243

00:14:49,139 --> 00:14:47,079

not gonna play well that was the second

244

00:14:51,869 --> 00:14:49,149

mistake there wasn't enough security

245

00:14:53,639 --> 00:14:51,879

there and I think everybody in that

246

00:14:59,429 --> 00:14:53,649

crowd made off with a piece of the Bands

247

00:15:00,900 --> 00:14:59,439

gear though that it was nuts it was you

248

00:15:06,269 --> 00:15:00,910

guys should post that up with Twitter so

249

00:15:09,840 --> 00:15:06,279

now that to me a system of it down got

250

00:15:13,229 --> 00:15:09,850

their original gangsta stripes right on

251
00:15:15,689 --> 00:15:13,239
that day I've just been a fan ever since

252
00:15:17,759 --> 00:15:15,699
system of night if you guys got pictures

253
00:15:20,429 --> 00:15:17,769
of video you know you're out there

254
00:15:22,949 --> 00:15:20,439
search in the web right now of that of

255
00:15:25,409 --> 00:15:22,959
that concert in Hollywood you should

256
00:15:28,710 --> 00:15:25,419
post it up in Twitter it was crazy man

257
00:15:30,929 --> 00:15:28,720
it was crazy I watched that live on TV

258
00:15:33,259 --> 00:15:30,939
for like two hours it was some of the

259
00:15:37,669 --> 00:15:33,269
best reality TV I'd seen in a long time

260
00:15:44,249 --> 00:15:37,679
system of down on this day in history

261
00:15:47,699 --> 00:15:44,259
1911 the theft of the Mona Lisa that's

262
00:15:50,999 --> 00:15:47,709
right well the theft happened on well

263
00:15:54,150 --> 00:15:51,009

they suspect the day before alright so

264

00:15:56,490 --> 00:15:54,160

on this day on the 21st it might have

265

00:16:00,470 --> 00:15:56,500

been the 20th are not exactly sure

266

00:16:04,200 --> 00:16:00,480

an amateur painter sets up his easel

267

00:16:07,110 --> 00:16:04,210

near Leonardo da Vinci's Mona Lisa in

268

00:16:09,450 --> 00:16:07,120

the Louvre in Paris so he's setting up

269

00:16:10,860 --> 00:16:09,460

you know and he knows the Mona Lisa was

270

00:16:12,240 --> 00:16:10,870

right here right you know it's like

271

00:16:14,130 --> 00:16:12,250

right here and he's setting up his easel

272

00:16:15,300 --> 00:16:14,140

and then you know and get to how does

273

00:16:18,450 --> 00:16:15,310

paint stuff and he looks in the

274

00:16:22,230 --> 00:16:18,460

paintings gone it's like holy crap the

275

00:16:24,750 --> 00:16:22,240

Mona Lisa is gone poof it was there you

276

00:16:27,690 --> 00:16:24,760

know it's got the dust print right right

277

00:16:31,320 --> 00:16:27,700

playing spot well the day before and

278

00:16:34,800 --> 00:16:31,330

perhaps in one of the most you know

279

00:16:39,660 --> 00:16:34,810

browsing our theft attempts of all time

280

00:16:42,450 --> 00:16:39,670

a Vincenzo Peruggia pulled it off he

281

00:16:44,970 --> 00:16:42,460

walked into the Louvre took the painting

282

00:16:47,880 --> 00:16:44,980

off of the wall stuck it in his jacket

283

00:16:51,900 --> 00:16:47,890

I'm not making this up and walked out of

284

00:16:55,610 --> 00:16:51,910

the Louvre with the Mona Lisa I swear

285

00:16:57,200 --> 00:16:55,620

that's how it happened and he escaped

286

00:17:00,600 --> 00:16:57,210

that's right

287

00:17:04,260 --> 00:17:00,610

ten years later he got caught when he

288

00:17:09,000 --> 00:17:04,270

was trying to collect ransom for the

289

00:17:10,679 --> 00:17:09,010

painting to return it to Italy that's it

290

00:17:14,510 --> 00:17:10,689

he got caught the Louvre got the

291

00:17:20,970 --> 00:17:14,520

painting back that happened on this day

292

00:17:23,309 --> 00:17:20,980

in 1911 Fader fact one this is vetted

293

00:17:26,550 --> 00:17:23,319

almost as good as yesterday's fader fact

294

00:17:28,470 --> 00:17:26,560

I don't know this one may be better Rita

295

00:17:32,570 --> 00:17:28,480

we need to research this one just a

296

00:17:37,800 --> 00:17:32,580

little bit but I vetted it today

297

00:17:45,290 --> 00:17:37,810

one in three divorce filings one in

298

00:17:55,280 --> 00:17:45,300

three include the word face book

299

00:17:58,380 --> 00:17:55,290

that's right one in three there you go

300

00:18:00,390 --> 00:17:58,390

don't you like that tonight we have very

301
00:18:02,700 --> 00:18:00,400
special guest dr. Robert Schoch is here

302
00:18:05,280 --> 00:18:02,710
we're going to do a complete update on

303
00:18:06,960 --> 00:18:05,290
all the news in Egypt and no telling

304
00:18:08,850 --> 00:18:06,970
where the conversation is going to go

305
00:18:10,139 --> 00:18:08,860
because it is dr. Robert Schoch and this

306
00:18:13,049 --> 00:18:10,149
is fade to black

307
00:18:17,479 --> 00:18:13,059
tomorrow night Richard bleep and Dolan

308
00:18:20,159 --> 00:18:17,489
is here and once again Richards here

309
00:18:21,869 --> 00:18:20,169
hold on you know we just don't know what

310
00:18:23,879 --> 00:18:21,879
what's gonna happen there there's a lot

311
00:18:26,459 --> 00:18:23,889
of things that are going on with the UFO

312
00:18:28,679 --> 00:18:26,469
community right now and that's when you

313
00:18:31,739 --> 00:18:28,689

bring in the one and only Richard Bleep

314

00:18:33,959 --> 00:18:31,749

and Dolan to set it all straight that's

315

00:18:35,579 --> 00:18:33,969

tomorrow night Thursday night is another

316

00:18:37,489 --> 00:18:35,589

Fator night which on Rapoport and

317

00:18:41,309 --> 00:18:37,499

there's no more fake newsroom live

318

00:18:45,719 --> 00:18:41,319

followed by open lines all night long

319

00:18:48,229 --> 00:18:45,729

all right today in all this craziness of

320

00:18:52,469 --> 00:18:48,239

the news all this craziness going down

321

00:18:56,549 --> 00:18:52,479

calling this man afford that man all

322

00:19:00,089 --> 00:18:56,559

right buried in the news story today was

323

00:19:02,539 --> 00:19:00,099

a really cool article about a second

324

00:19:06,019 --> 00:19:02,549

universe that's right

325

00:19:12,629 --> 00:19:06,029

second evidence of a second universe one

326

00:19:19,889 --> 00:19:12,639

before our universe right now hold on

327

00:19:22,229 --> 00:19:19,899

kids that's a huge story and so I'm

328

00:19:25,589 --> 00:19:22,239

gonna talk about this probably for the

329

00:19:27,259 --> 00:19:25,599

next month and part of that story today

330

00:19:31,379 --> 00:19:27,269

as I was reading through it a few

331

00:19:36,569 --> 00:19:31,389

blaring things stuck out for me I'm not

332

00:19:40,849 --> 00:19:36,579

a physicist I'm getting close though not

333

00:19:42,989 --> 00:19:40,859

a physicist I read oh and the

334

00:19:46,109 --> 00:19:42,999

documentaries that I go through with

335

00:19:48,239 --> 00:19:46,119

with physicists and and reading you know

336

00:19:50,249 --> 00:19:48,249

they're they're they're reports and

337

00:19:53,429 --> 00:19:50,259

papers and you know it just seems like

338

00:19:55,739 --> 00:19:53,439

that's all I do these days right well

339

00:19:56,669 --> 00:19:55,749

there's a few things that kind of stuck

340

00:20:00,839 --> 00:19:56,679

out for me

341

00:20:05,369 --> 00:20:00,849

and I am going to through my research

342

00:20:10,889 --> 00:20:05,379

and what I have read and what has taken

343

00:20:14,809 --> 00:20:10,899

my thought pattern in a direction it's

344

00:20:19,169 --> 00:20:14,819

now conflicting with the conflicting

345

00:20:21,029 --> 00:20:19,179

stuff that is going on inside of the

346

00:20:23,700 --> 00:20:21,039

professional community when it comes to

347

00:20:27,120 --> 00:20:23,710

science and in physics and the universe

348

00:20:30,930 --> 00:20:27,130

and the history of the universe again

349

00:20:37,950 --> 00:20:30,940

I'm not a physicist but I but I've got a

350

00:20:42,000 --> 00:20:37,960

grip I do so years ago that's good let's

351
00:20:45,090 --> 00:20:42,010
go back let's go back 2530 years maybe a

352
00:20:47,250 --> 00:20:45,100
little longer when these stories about

353
00:20:51,110 --> 00:20:47,260
the expanding universe and and the Big

354
00:20:57,240 --> 00:20:51,120
Bang Theory started to really take hold

355
00:21:00,240 --> 00:20:57,250
one of the theories proposed and nearly

356
00:21:02,909 --> 00:21:00,250
accepted and still it's it's a part of

357
00:21:07,649 --> 00:21:02,919
the community today is that the universe

358
00:21:09,450 --> 00:21:07,659
is cyclical it expands it contracts goes

359
00:21:12,389 --> 00:21:09,460
back to nothing another Big Bang

360
00:21:15,539 --> 00:21:12,399
everything starts over again expands

361
00:21:17,039 --> 00:21:15,549
till it can't expand anymore and we're

362
00:21:22,529 --> 00:21:17,049
in the middle of one of these cycles

363
00:21:28,980 --> 00:21:22,539

that's one now I've got a problem with

364

00:21:31,710 --> 00:21:28,990

that if you go back to the Big Bang and

365

00:21:33,600 --> 00:21:31,720

one of the thoughts that everybody has

366

00:21:36,180 --> 00:21:33,610

well you know I you know how could it

367

00:21:38,970 --> 00:21:36,190

start with absolutely nothing and and

368

00:21:40,649 --> 00:21:38,980

everything is compressed into then to a

369

00:21:42,210 --> 00:21:40,659

little bit you know nothing until it

370

00:21:45,210 --> 00:21:42,220

can't compress anymore then boom it it

371

00:21:48,539 --> 00:21:45,220

blows up and then and then everything

372

00:21:52,139 --> 00:21:48,549

that is right now started from that well

373

00:21:55,889 --> 00:21:52,149

that's not entirely true

374

00:21:58,070 --> 00:21:55,899

I mean in that there's no dirt in there

375

00:22:00,779 --> 00:21:58,080

there's no gold in there and there's no

376

00:22:04,139 --> 00:22:00,789

water in there and there's no part it

377

00:22:09,779 --> 00:22:04,149

that's not what's there what's there is

378

00:22:13,080 --> 00:22:09,789

energy P R energy and the energy this is

379

00:22:15,560 --> 00:22:13,090

before everything is made is what caused

380

00:22:20,909 --> 00:22:15,570

the Big Bang boom and it's just energy

381

00:22:23,070 --> 00:22:20,919

that's all it is so over time and early

382

00:22:25,919 --> 00:22:23,080

on you know the first five hundred

383

00:22:29,250 --> 00:22:25,929

thousand years of the universe after the

384

00:22:31,649 --> 00:22:29,260

Big Bang all of these energy particles

385

00:22:34,430 --> 00:22:31,659

are out flying around they eventually

386

00:22:37,400 --> 00:22:34,440

collide with each other and combine and

387

00:22:40,610 --> 00:22:37,410

eventually than stars and

388

00:22:44,420 --> 00:22:40,620

and eventually gases and and things are

389

00:22:46,490 --> 00:22:44,430

formed but all of it is not compressed

390

00:22:49,790 --> 00:22:46,500

they're not you know there's no dirt and

391

00:22:52,910 --> 00:22:49,800

water and iron and copper and diamonds

392

00:22:56,290 --> 00:22:52,920

and carbon and no no it was just energy

393

00:22:59,870 --> 00:22:56,300

that blew up the energy eventually

394

00:23:01,430 --> 00:22:59,880

combined hitting itself into other party

395

00:23:04,280 --> 00:23:01,440

then it happened over time okay and

396

00:23:07,220 --> 00:23:04,290

that's that's the big bang I'm not a

397

00:23:09,440 --> 00:23:07,230

physicist but I think you understand

398

00:23:12,200 --> 00:23:09,450

what I'm saying so there's that and then

399

00:23:16,820 --> 00:23:12,210

the universe form I can I can go with

400

00:23:25,160 --> 00:23:16,830

that but I can't go with is the reversal

401
00:23:29,710 --> 00:23:25,170
let me explain because one of the

402
00:23:33,050 --> 00:23:29,720
reasons why the reversal can't happen

403
00:23:35,060 --> 00:23:33,060
I'm talking about you know it expands

404
00:23:38,330 --> 00:23:35,070
and and then it goes to assert born them

405
00:23:42,980 --> 00:23:38,340
will cause is dark matter there are

406
00:23:44,990 --> 00:23:42,990
forces there are forces out there one of

407
00:23:47,690 --> 00:23:45,000
them being dark matter and of course

408
00:23:50,240 --> 00:23:47,700
gravity that's another thing that is

409
00:23:51,500 --> 00:23:50,250
pushing the universe apart and will

410
00:23:53,720 --> 00:23:51,510
contain the reason why it hasn't

411
00:23:56,660 --> 00:23:53,730
collapsed back on itself it's because

412
00:23:57,500 --> 00:23:56,670
there are forces that are forcing it in

413
00:24:00,200 --> 00:23:57,510

the other direction

414

00:24:02,000 --> 00:24:00,210

I'm almost of the opinion that it's

415

00:24:04,130 --> 00:24:02,010

gonna continue going that way and it's

416

00:24:05,750 --> 00:24:04,140

not going to reverse back on itself but

417

00:24:09,740 --> 00:24:05,760

one of the reasons why it can't and it

418

00:24:11,870 --> 00:24:09,750

won't is dark matter there is a lot of

419

00:24:15,680 --> 00:24:11,880

space out there and I'm talking about

420

00:24:17,960 --> 00:24:15,690

space in between objects there is a lot

421

00:24:22,250 --> 00:24:17,970

of dark matter there's as much dark

422

00:24:24,350 --> 00:24:22,260

matter out there as there is matter okay

423

00:24:27,080 --> 00:24:24,360

and it's just not going to happen it's

424

00:24:31,580 --> 00:24:27,090

not going to compress back on itself it

425

00:24:34,460 --> 00:24:31,590

may stabilize right where it gets to the

426

00:24:38,060 --> 00:24:34,470

equilibrium of the dark matter and

427

00:24:41,740 --> 00:24:38,070

matter equalizing on itself and I can

428

00:24:44,660 --> 00:24:41,750

see that but totally reversing itself no

429

00:24:46,580 --> 00:24:44,670

because it's it's forcing itself out

430

00:24:48,650 --> 00:24:46,590

there isn't enough resistance out there

431

00:24:51,260 --> 00:24:48,660

on the outside of the universe to stop

432

00:24:53,540 --> 00:24:51,270

it and we're gonna continue to expand

433

00:24:56,030 --> 00:24:53,550

but there may be an equilibrium point

434

00:25:00,170 --> 00:24:56,040

but will it turn around and dark matter

435

00:25:02,390 --> 00:25:00,180

suddenly changes its mind all right that

436

00:25:03,740 --> 00:25:02,400

doesn't want a reason and and it's just

437

00:25:06,430 --> 00:25:03,750

gonna allow the universe to collapse

438

00:25:09,080 --> 00:25:06,440

back on itself no it's not gonna happen

439

00:25:11,600 --> 00:25:09,090

so there's that and I'm not a physicist

440

00:25:16,550 --> 00:25:11,610

but it just makes sense to me okay and

441

00:25:18,920 --> 00:25:16,560

then there is this just like the

442

00:25:21,200 --> 00:25:18,930

thoughts you had when you were a kid

443

00:25:23,150 --> 00:25:21,210

about the Big Bang and how could it be

444

00:25:25,220 --> 00:25:23,160

possible that everything that there is

445

00:25:27,380 --> 00:25:25,230

like the planet Earth could just

446

00:25:28,670 --> 00:25:27,390

compress into just look and all the

447

00:25:30,890 --> 00:25:28,680

other planets and all the other stars

448

00:25:32,930 --> 00:25:30,900

and the universe it just collapsed into

449

00:25:35,720 --> 00:25:32,940

just something that it's just this big

450

00:25:37,640 --> 00:25:35,730

you know that is the size of nothing and

451
00:25:43,730 --> 00:25:37,650
then all of a sudden it blows up again

452
00:25:46,460 --> 00:25:43,740
no because now the reason why is all

453
00:25:49,730 --> 00:25:46,470
that was created the first time around

454
00:25:53,890 --> 00:25:49,740
from energy and all the matter that is

455
00:25:56,360 --> 00:25:53,900
around us is now created just because a

456
00:25:58,640 --> 00:25:56,370
physicist wants to say that it's

457
00:26:00,610 --> 00:25:58,650
reversing and is gonna collapse back no

458
00:26:05,060 --> 00:26:00,620
now we're talking about reversing all of

459
00:26:07,610 --> 00:26:05,070
those processes that got us here that's

460
00:26:10,780 --> 00:26:07,620
a whole different situation one

461
00:26:13,580 --> 00:26:10,790
direction you know almost like chaos or

462
00:26:18,620 --> 00:26:13,590
entropy right where everything is being

463
00:26:21,740 --> 00:26:18,630

created but you can't uncreated it's

464

00:26:24,710 --> 00:26:21,750

like cracking an egg you crack an egg

465

00:26:28,420 --> 00:26:24,720

it's cracked you can't reverse it you

466

00:26:33,890 --> 00:26:28,430

can't unscramble an egg he can't do it

467

00:26:39,230 --> 00:26:33,900

so it's the same idea here I don't see

468

00:26:43,010 --> 00:26:39,240

this process but yet in this article

469

00:26:45,290 --> 00:26:43,020

today there are there are two three four

470

00:26:47,750 --> 00:26:45,300

sides of the scientific community that

471

00:26:50,110 --> 00:26:47,760

are actually fighting and arguing about

472

00:26:54,080 --> 00:26:50,120

this and I don't care what the math says

473

00:26:56,450 --> 00:26:54,090

you can't undo everything it just

474

00:26:59,060 --> 00:26:56,460

doesn't make sense you cannot compare if

475

00:27:02,600 --> 00:26:59,070

you take out all the space of all of

476
00:27:04,760 --> 00:27:02,610
everything in between all of the atoms I

477
00:27:06,740 --> 00:27:04,770
get that oh man will you

478
00:27:08,480 --> 00:27:06,750
the Empire State Building you take out

479
00:27:11,930 --> 00:27:08,490
all the thing you know it'll fit into

480
00:27:15,080 --> 00:27:11,940
you know you know okay I get that idea

481
00:27:17,530 --> 00:27:15,090
but if you take the entire universe and

482
00:27:20,570 --> 00:27:17,540
all of the matter of everything that is

483
00:27:23,210 --> 00:27:20,580
that is not gonna compress down into a

484
00:27:26,780 --> 00:27:23,220
sugar cube it's not it's gonna be

485
00:27:29,120 --> 00:27:26,790
humongo you're not gonna be able to

486
00:27:30,860 --> 00:27:29,130
reverse those processes unless you're

487
00:27:33,350 --> 00:27:30,870
talking about the total breakdown of

488
00:27:34,580 --> 00:27:33,360

everything just I just don't see it I

489

00:27:37,520 --> 00:27:34,590

don't see it that way

490

00:27:39,290 --> 00:27:37,530

I don't it doesn't make any sense so

491

00:27:41,630 --> 00:27:39,300

that's me and the scientific community

492

00:27:44,420 --> 00:27:41,640

is arguing about it and it's a big deal

493

00:27:46,850 --> 00:27:44,430

and it's a big argument and today it was

494

00:27:50,360 --> 00:27:46,860

out there and it was in the news totally

495

00:27:53,180 --> 00:27:50,370

overshadowed by the BS Etta's going down

496

00:27:59,200 --> 00:27:53,190

in Washington back to my point on all of

497

00:28:01,850 --> 00:27:59,210

this we have so many important important

498

00:28:05,360 --> 00:28:01,860

things that need to be discussed and we

499

00:28:08,810 --> 00:28:05,370

we must figure these things out but

500

00:28:11,810 --> 00:28:08,820

apparently this BS going down in

501
00:28:13,820 --> 00:28:11,820
Washington is is more important than the

502
00:28:19,160 --> 00:28:13,830
future of humanity or where we came from

503
00:28:22,280 --> 00:28:19,170
and apparently the news thinks so and it

504
00:28:25,190 --> 00:28:22,290
really bothers me I went through today

505
00:28:26,600 --> 00:28:25,200
I'm not gonna bore anybody with any of

506
00:28:29,750 --> 00:28:26,610
it but you know I went through headlines

507
00:28:32,330 --> 00:28:29,760
today and and I'm looking through and

508
00:28:34,730 --> 00:28:32,340
the reason why I did it is because I see

509
00:28:37,700 --> 00:28:34,740
this amazing article on the universe and

510
00:28:39,320 --> 00:28:37,710
I just thought to myself what is it that

511
00:28:41,930 --> 00:28:39,330
the mainstream media is pushing down

512
00:28:44,240 --> 00:28:41,940
everybody's throats you know and I went

513
00:28:48,080 --> 00:28:44,250

and looked at the headlines and I was

514

00:28:50,660 --> 00:28:48,090

blown away by the nonsense that is their

515

00:28:53,510 --> 00:28:50,670

utter nonsense and you go to one website

516

00:28:55,940 --> 00:28:53,520

and it's one set of opinions and

517

00:28:58,100 --> 00:28:55,950

nonsense which is apparently the most

518

00:28:59,720 --> 00:28:58,110

important news in the history of man you

519

00:29:01,640 --> 00:28:59,730

go to another website it doesn't have

520

00:29:03,830 --> 00:29:01,650

anything that this first website is but

521

00:29:05,660 --> 00:29:03,840

they have their opinions and what is the

522

00:29:07,430 --> 00:29:05,670

most important news of the day over here

523

00:29:09,500 --> 00:29:07,440

and I went to a third one and I'm

524

00:29:10,550 --> 00:29:09,510

reading through and I just I couldn't

525

00:29:13,010 --> 00:29:10,560

believe my eyes

526

00:29:15,340 --> 00:29:13,020

I just couldn't believe it and here we

527

00:29:17,270 --> 00:29:15,350

have something that needs to be

528

00:29:21,230 --> 00:29:17,280

fundamentally address

529

00:29:24,320 --> 00:29:21,240

and figured out where do we come from

530

00:29:26,210 --> 00:29:24,330

where are we going right and it's right

531

00:29:28,880 --> 00:29:26,220

there and they're making they're making

532

00:29:31,100 --> 00:29:28,890

valid arguments on both sides totally

533

00:29:33,380 --> 00:29:31,110

lost in the news will be off of all of

534

00:29:35,899 --> 00:29:33,390

the websites tomorrow and it's like

535

00:29:39,680 --> 00:29:35,909

falling on my shoulders which is fine

536

00:29:43,520 --> 00:29:39,690

but and shoulders like mine I should say

537

00:29:46,669 --> 00:29:43,530

to to keep this out there and to have it

538

00:29:47,270 --> 00:29:46,679

discussed it's it's unbelievable to me

539

00:29:49,310 --> 00:29:47,280

all right

540

00:29:51,470 --> 00:29:49,320

and that's why we've got Robert Schoch

541

00:29:53,390 --> 00:29:51,480

on the show tonight so let me get out of

542

00:29:55,520 --> 00:29:53,400

here let's get straight to Roberts shout

543

00:29:59,390 --> 00:29:55,530

all of the news that is Egypt right we

544

00:30:02,779 --> 00:29:59,400

had Alexandria and which with the the

545

00:30:05,480 --> 00:30:02,789

sarcophagus we have the Grand Gallery

546

00:30:08,750 --> 00:30:05,490

and the new chamber that was discovered

547

00:30:11,600 --> 00:30:08,760

we've got the the e/m studies that just

548

00:30:15,770 --> 00:30:11,610

came out of Egypt about the Great

549

00:30:18,080 --> 00:30:15,780

Pyramid all huge stories buried right

550

00:30:19,760 --> 00:30:18,090

buried we will do all of that tonight

551

00:30:23,539 --> 00:30:19,770

this is fade to black I'm your host

552

00:30:26,450 --> 00:30:23,549

Jimmy church and before I do this we are

553

00:30:30,409 --> 00:30:26,460

good there on the GameChanger network at

554

00:30:33,380 --> 00:30:30,419

KCRA the planet if you want to hang out

555

00:30:36,110 --> 00:30:33,390

we've got to chat rooms one on Spreaker

556

00:30:39,470 --> 00:30:36,120

one a kg RA the planet we have twitter

557

00:30:41,990 --> 00:30:39,480

hashtag f2 b is the sandbox spade to

558

00:30:43,100 --> 00:30:42,000

blackout mural Jimmy Church stay with me

559

00:30:45,470 --> 00:30:43,110

I'll be right back after this short

560

00:31:20,779 --> 00:31:11,670

[Music]

561

00:31:27,190 --> 00:31:23,810

you're listening to Jimmy Church fade to

562

00:31:40,940 --> 00:31:29,720

fade to black will now pause for

563

00:31:43,430 --> 00:31:40,950

identification jgr a radio when you take

564

00:31:45,950 --> 00:31:43,440

the beans from Central America with

565

00:31:48,109 --> 00:31:45,960

dashes of Indonesian and African mixed

566

00:31:51,289 --> 00:31:48,119

in and then roast it to the dark side of

567

00:31:54,859 --> 00:31:51,299

fade to black you create the ultimate

568

00:31:58,070 --> 00:31:54,869

brew of Fringe introducing the fade to

569

00:32:01,399 --> 00:31:58,080

black blend from River Moon coffee yes

570

00:32:03,049 --> 00:32:01,409

River Moon's darkest customized roast was

571

00:32:06,680 --> 00:32:03,059

created for the love of

572

00:32:09,200 --> 00:32:06,690

fade to black the alchemy of masterful

573

00:32:12,440 --> 00:32:09,210

roasting and smoking the beans is in

574

00:32:16,639 --> 00:32:12,450

every sip of this full-bodied dark Java

575

00:32:18,499 --> 00:32:16,649

I need my coffee dog deep with distinct

576

00:32:21,680 --> 00:32:18,509

bittersweet chocolate highlights just

577

00:32:24,109 --> 00:32:21,690

like the bunker leaning further into the

578

00:32:27,409 --> 00:32:24,119

darkness of the roast is fade to black

579

00:32:29,060 --> 00:32:27,419

blend from river moon coffee just click

580

00:32:32,389 --> 00:32:29,070

on the banner at Jimmy Church radio.com

581

00:32:37,419 --> 00:32:32,399

and use the promo code F to B blend for

582

00:32:40,009 --> 00:32:37,429

15% off of your order today gobekli tepe

583

00:32:42,289 --> 00:32:40,019

what can I say about the most popular

584

00:32:44,690 --> 00:32:42,299

tea on the Internet and what a customers

585

00:32:48,859 --> 00:32:44,700

say about life change to eat at get to

586

00:32:51,619 --> 00:32:48,869

tea calm a lot but by federal law we get

587

00:32:54,080 --> 00:32:51,629

the t-dot-com cannot make claims to how

588

00:32:56,090 --> 00:32:54,090

this product can enhance your health we

589

00:32:58,820 --> 00:32:56,100

cannot even post our testimonies without

590

00:33:01,340 --> 00:32:58,830

being in compliance so how do we get

591

00:33:04,460 --> 00:33:01,350

past the hump try our products that get

592

00:33:07,100 --> 00:33:04,470

the tea calm and see for yourself you

593

00:33:08,889 --> 00:33:07,110

can send us a testimony but we just

594

00:33:12,830 --> 00:33:08,899

can't post it bummer

595

00:33:14,509 --> 00:33:12,840

our products are GMO free and organic we

596

00:33:16,909 --> 00:33:14,519

pride ourself in being the best we can

597

00:33:19,909 --> 00:33:16,919

be and we urge you to take charge of

598

00:33:21,830 --> 00:33:19,919

your health we're loving your strong and

599

00:33:23,869 --> 00:33:21,840

many of our customers have shared their

600

00:33:26,779 --> 00:33:23,879

successes with friends and family

601
00:33:30,779 --> 00:33:26,789
protect your colon log on to get the tea

602
00:33:37,000 --> 00:33:30,789
calm that's get the t-dot-com

603
00:33:42,520 --> 00:33:37,010
30.com get t-dot-com nine out of ten

604
00:33:47,860 --> 00:33:42,530
geneticists agreed fade to black

605
00:33:52,270 --> 00:33:47,870
is not your father's radio show on the

628

00:35:22,120 --> 00:35:17,240

promo code fader fabr you will get free

629

00:35:24,009 --> 00:35:22,130

shipping dr. Robert M shock full time

630

00:35:27,099 --> 00:35:24,019

faculty member at the college of general

631

00:35:29,620 --> 00:35:27,109

studies of Boston University since 1984

632

00:35:33,400 --> 00:35:29,630

earned his PhD in geology and geophysics

633

00:35:36,789 --> 00:35:33,410

at Yale University is M s and M Phil in

634

00:35:39,130 --> 00:35:36,799

geology and geophysics from Yale as well

635

00:35:42,549 --> 00:35:39,140

as degrees in anthropology at PA and

636

00:35:46,450 --> 00:35:42,559

geology a BS from Georgetown were George

637

00:35:49,299 --> 00:35:46,460

torched George Washington University in

638

00:35:52,089 --> 00:35:49,309

the early 90s dr. Schaack along with

639

00:35:55,329 --> 00:35:52,099

John Anthony West recast the date of the

640

00:35:59,019 --> 00:35:55,339

Great Sphinx of Egypt from 2600 BC back

641

00:36:01,089 --> 00:35:59,029

to around 10,500 BC by demonstrating

642

00:36:03,130 --> 00:36:01,099

that the monument had been heavily

643

00:36:04,900 --> 00:36:03,140

eroded by water despite the fact that

644

00:36:07,839 --> 00:36:04,910

its location on the edge of the Sahara

645

00:36:10,029 --> 00:36:07,849

had endeared hyper-arid climactic

646

00:36:12,549 --> 00:36:10,039

conditions for the past 5,000 years now

647

00:36:14,319 --> 00:36:12,559

he revealed to the world that mankind's

648

00:36:17,950 --> 00:36:14,329

history is greater and older than

649

00:36:19,569 --> 00:36:17,960

previously believed tonight we're going

650

00:36:21,579 --> 00:36:19,579

to discuss everything we've got a lot of

651
00:36:23,440 --> 00:36:21,589
breaking news out of Egypt we have the

652
00:36:25,839 --> 00:36:23,450
second Sphinx discovery we've got the

653
00:36:29,230 --> 00:36:25,849
sarcophagus at Alexandria we got the

654
00:36:31,240 --> 00:36:29,240
recent e/m measurements published and

655
00:36:33,220 --> 00:36:31,250
that paper we're gonna get heavily into

656
00:36:35,230 --> 00:36:33,230
that and with the Great Pyramid and of

657
00:36:36,880 --> 00:36:35,240
course its new chamber above the Grand

658
00:36:39,400 --> 00:36:36,890
Gallery and then we also have the new

659
00:36:40,960 --> 00:36:39,410
museum that's opening up at Keys all

660
00:36:44,140 --> 00:36:40,970
that much more tonight with our guest

661
00:36:46,539 --> 00:36:44,150
dr. Robert M shock Robert good evening

662
00:36:48,910 --> 00:36:46,549
my friend how are you it's wonderful

663
00:36:50,380 --> 00:36:48,920

wonderful to be here lots going on in

664

00:36:52,630 --> 00:36:50,390

Egypt my friend

665

00:36:57,609 --> 00:36:52,640

lots going on and you know what's

666

00:37:00,579 --> 00:36:57,619

interesting for me is most of this most

667

00:37:03,730 --> 00:37:00,589

of it is all within the last month month

668

00:37:05,829 --> 00:37:03,740

and a half it is it we've been waiting

669

00:37:08,339 --> 00:37:05,839

for this kind of stuff for a very long

670

00:37:10,609 --> 00:37:08,349

time and as I discussed with you earlier

671

00:37:13,400 --> 00:37:10,619

in the week

672

00:37:17,480 --> 00:37:13,410

I don't think not sense what you and

673

00:37:18,950 --> 00:37:17,490

jaws did back in 91 92 I don't think

674

00:37:22,970 --> 00:37:18,960

we've had this kind of news come out of

675

00:37:25,489 --> 00:37:22,980

agiza sense yeah I will agree with you

676

00:37:27,620 --> 00:37:25,499

all of a sudden I don't know just a lot

677

00:37:29,870 --> 00:37:27,630

of things have been happening a lot of

678

00:37:31,880 --> 00:37:29,880

things have been released and you have

679

00:37:34,789 --> 00:37:31,890

to wonder if part of it is just to drum

680

00:37:36,049 --> 00:37:34,799

up tourism and interest in Egypt but I

681

00:37:38,480 --> 00:37:36,059

think it's more than that there's

682

00:37:40,220 --> 00:37:38,490

there's genuinely things happening in

683

00:37:42,769 --> 00:37:40,230

Egypt you don't think they would have

684

00:37:47,480 --> 00:37:42,779

that kind they wouldn't conspire for

685

00:37:49,940 --> 00:37:47,490

that would you know they would never but

686

00:37:53,569 --> 00:37:49,950

but you know you can call it conspiracy

687

00:37:58,339 --> 00:37:53,579

or not it does make some sense for them

688

00:38:00,470 --> 00:37:58,349

to release things sort of in groups to

689

00:38:02,329 --> 00:38:00,480

catch people's attention and you were

690

00:38:03,589 --> 00:38:02,339

just talking about that I think you know

691

00:38:07,849 --> 00:38:03,599

how you have to get people's attention

692

00:38:11,059 --> 00:38:07,859

and several things at one time can do

693

00:38:13,430 --> 00:38:11,069

that yeah and just like today okay all

694

00:38:17,569 --> 00:38:13,440

right before we get in Egypt let me ask

695

00:38:20,390 --> 00:38:17,579

you this and as a geologist I don't know

696

00:38:22,970 --> 00:38:20,400

and and the world and science of

697

00:38:26,319 --> 00:38:22,980

geophysics how much of this applies to

698

00:38:28,609 --> 00:38:26,329

you but certainly as a youngster you

699

00:38:30,380 --> 00:38:28,619

contemplated the Big Bang and the

700

00:38:35,150 --> 00:38:30,390

creation of everything that we've all

701

00:38:37,160 --> 00:38:35,160

done it okay is it possible okay when

702

00:38:40,400 --> 00:38:37,170

you go back to the Big Bang and where

703

00:38:40,880 --> 00:38:40,410

it's energy the energy over thousands of

704

00:38:42,710 --> 00:38:40,890

years

705

00:38:44,839 --> 00:38:42,720

you know collides with itself and

706

00:38:47,839 --> 00:38:44,849

eventually particles and things combine

707

00:38:50,720 --> 00:38:47,849

and and then boom we have us today okay

708

00:38:52,970 --> 00:38:50,730

I understand the idea behind that but

709

00:38:56,989 --> 00:38:52,980

the reversal of the universe to collapse

710

00:39:05,210 --> 00:38:56,999

back onto itself how do you undo the

711

00:39:07,609 --> 00:39:05,220

creation of rocks right rock I don't

712

00:39:09,579 --> 00:39:07,619

know that you undo creation of rocks but

713

00:39:11,779 --> 00:39:09,589

you can probably destroy them and

714

00:39:15,799 --> 00:39:11,789

something that I think you have to take

715

00:39:19,339 --> 00:39:15,809

into account is that we do not know

716

00:39:22,099 --> 00:39:19,349

everything that's a given we do not

717

00:39:24,390 --> 00:39:22,109

perceive everything and the universe

718

00:39:27,750 --> 00:39:24,400

that we live in is

719

00:39:31,200 --> 00:39:27,760

composed of all the particles that we

720

00:39:33,270 --> 00:39:31,210

even know about in equal amounts so I'm

721

00:39:35,490 --> 00:39:33,280

just throwing this out right something

722

00:39:37,950 --> 00:39:35,500

to think about that you can have for

723

00:39:41,130 --> 00:39:37,960

instance a universe that is essentially

724

00:39:44,520 --> 00:39:41,140

in this a non-technical non-physical

725

00:39:47,250 --> 00:39:44,530

term are not physicists term you can

726

00:39:51,200 --> 00:39:47,260

have things like what they call mirror

727

00:39:55,230 --> 00:39:51,210

matter which if mirror matter basically

728

00:39:58,170 --> 00:39:55,240

can overlap with our matter but has all

729

00:40:00,450 --> 00:39:58,180

the same properties but serve in ramier

730

00:40:02,660 --> 00:40:00,460

reverse so we're not even aware of it

731

00:40:05,610 --> 00:40:02,670

except for slight gravitational effects

732

00:40:08,960 --> 00:40:05,620

you can have antimatter that when

733

00:40:12,210 --> 00:40:08,970

antimatter comes into contact with

734

00:40:17,100 --> 00:40:12,220

matter as we know it you know non

735

00:40:19,800 --> 00:40:17,110

antimatter it essentially you know now

736

00:40:21,870 --> 00:40:19,810

lates itself so there are different ways

737

00:40:25,410 --> 00:40:21,880

and I hate to say this way that you

738

00:40:27,750 --> 00:40:25,420

could get rid of our universe as I see

739

00:40:30,000 --> 00:40:27,760

it now I'm not predicting any of those

740

00:40:33,200 --> 00:40:30,010

I'm not saying any of that is going to

741

00:40:36,870 --> 00:40:33,210

happen but it's different perhaps than

742

00:40:38,730 --> 00:40:36,880

undoing the universe but it seems like

743

00:40:42,590 --> 00:40:38,740

there are certainly ways that you could

744

00:40:45,420 --> 00:40:42,600

have for instance another universe that

745

00:40:49,020 --> 00:40:45,430

annihilated our universe and itself in

746

00:40:51,900 --> 00:40:49,030

the process I don't think that's totally

747

00:40:53,700 --> 00:40:51,910

inconceivable ok see that's why you're

748

00:40:59,310 --> 00:40:53,710

on the show you just straighten my head

749

00:41:01,860 --> 00:40:59,320

out a little bit because you know how do

750

00:41:04,890 --> 00:41:01,870

you undo everything that was done it's

751

00:41:06,390 --> 00:41:04,900

like the opposite of entropy right yeah

752

00:41:08,400 --> 00:41:06,400

yeah exactly

753

00:41:10,770 --> 00:41:08,410

so if you're going to disassemble

754

00:41:12,840 --> 00:41:10,780

everything but as the universe would

755

00:41:16,380 --> 00:41:12,850

collapse on itself well then the

756

00:41:20,550 --> 00:41:16,390

antimatter that is existing would

757

00:41:23,340 --> 00:41:20,560

combine with the said matter and dialate

758

00:41:27,060 --> 00:41:23,350

itself and then yeah and that turns into

759

00:41:28,440 --> 00:41:27,070

energy right exactly and we may have in

760

00:41:30,780 --> 00:41:28,450

there I think there's some evidence of

761

00:41:33,840 --> 00:41:30,790

this we have pockets of antimatter in

762

00:41:36,940 --> 00:41:33,850

various places that you know we don't we

763

00:41:39,640 --> 00:41:36,950

live in a subsection we

764

00:41:47,049 --> 00:41:39,650

that is not predominant that were we

765

00:41:49,299 --> 00:41:47,059

wouldn't be talking here at all we will

766

00:41:52,329 --> 00:41:49,309

be talking at all that okay that's

767

00:41:57,009 --> 00:41:52,339

that's interesting I'm now gonna have to

768

00:41:59,680 --> 00:41:57,019

rethink it's just I don't I'm not so

769

00:42:02,950 --> 00:41:59,690

sure this is this is my take okay so

770

00:42:05,920 --> 00:42:02,960

going back I just want your opinion on

771

00:42:08,559 --> 00:42:05,930

this so we have you know dark matter and

772

00:42:10,960 --> 00:42:08,569

and gravity which is forcing the

773

00:42:12,940 --> 00:42:10,970

universe to expand all right all right

774

00:42:15,849 --> 00:42:12,950

the resistance and it's pushing yeah

775

00:42:19,569 --> 00:42:15,859

yeah but the whole business of dark

776

00:42:22,390 --> 00:42:19,579

matter is problematic also and it's not

777

00:42:25,479 --> 00:42:22,400

clear that you know dark matter and dark

778

00:42:27,759 --> 00:42:25,489

energy are explanations because we don't

779

00:42:29,680 --> 00:42:27,769

have an explanation right and not to

780

00:42:32,799 --> 00:42:29,690

drive it back to Egyptology and

781

00:42:35,229 --> 00:42:32,809

archaeology but dark matter and dark

782

00:42:36,970 --> 00:42:35,239

energy sort of remind me of the classic

783

00:42:38,710 --> 00:42:36,980

archaeologists when they find something

784

00:42:41,049 --> 00:42:38,720

and they don't know where it is it's

785

00:42:43,930 --> 00:42:41,059

either a tomb or temple so they give a

786

00:42:46,329 --> 00:42:43,940

name to it and somehow that explains it

787

00:42:48,309 --> 00:42:46,339

when it doesn't explain it yeah so they

788

00:42:49,930 --> 00:42:48,319

have make sense right right right and

789

00:42:51,910 --> 00:42:49,940

they have de right so to explain

790

00:42:53,829 --> 00:42:51,920

everything yeah so I think there are

791

00:42:55,450 --> 00:42:53,839

real questions about dark energy and

792

00:42:58,900 --> 00:42:55,460

dark matter and I'll also throw

793

00:43:02,739 --> 00:42:58,910

something else out here which is and I'm

794

00:43:05,289 --> 00:43:02,749

not I don't want people to think I'm all

795

00:43:07,329 --> 00:43:05,299

of a sudden a big quote electric

796

00:43:09,009 --> 00:43:07,339

universe proponent but if people know

797

00:43:12,670 --> 00:43:09,019

about the concept of the electric

798

00:43:16,809 --> 00:43:12,680

universe serve a different cosmological

799

00:43:20,559 --> 00:43:16,819

look at things and really exploring some

800

00:43:23,440 --> 00:43:20,569

of these issues of the large-scale

801
00:43:26,799 --> 00:43:23,450
structure and development of the

802
00:43:30,009 --> 00:43:26,809
universe something that people in that

803
00:43:31,450 --> 00:43:30,019
school and when I say school that line

804
00:43:34,690 --> 00:43:31,460
of thinking and these are serious

805
00:43:37,779 --> 00:43:34,700
physicist and other researchers have

806
00:43:40,559 --> 00:43:37,789
suggested that electrical forces and

807
00:43:43,539 --> 00:43:40,569
large scale have been grossly

808
00:43:46,299 --> 00:43:43,549
underestimated most cosmologists have

809
00:43:47,589 --> 00:43:46,309
only been talking about gravity at the

810
00:43:49,870 --> 00:43:47,599
largest scales

811
00:43:50,560 --> 00:43:49,880
they've downplayed electrical forces

812
00:43:53,500 --> 00:43:50,570
which could

813
00:43:56,620 --> 00:43:53,510

both attract and repel and that that may

814

00:43:58,270 --> 00:43:56,630

well be a major mistake and then I went

815

00:44:02,410 --> 00:43:58,280

throughout something else which is even

816

00:44:04,540 --> 00:44:02,420

further out there but mocks plunk the

817

00:44:09,610 --> 00:44:04,550

great physicist who of course won the

818

00:44:12,370 --> 00:44:09,620

Nobel Prize for the development the

819

00:44:15,490 --> 00:44:12,380

earliest development of quantum theory

820

00:44:18,040 --> 00:44:15,500

he ultimately is quoted and he came to

821

00:44:20,200 --> 00:44:18,050

the conclusion that matter forget about

822

00:44:22,210 --> 00:44:20,210

matter not forget about matter but

823

00:44:24,400 --> 00:44:22,220

matter is not primary what's really

824

00:44:27,850 --> 00:44:24,410

primary is consciousness and everything

825

00:44:29,920 --> 00:44:27,860

ultimately arises from consciousness and

826

00:44:33,880 --> 00:44:29,930

I'm not saying that we all imagined it

827

00:44:36,820 --> 00:44:33,890

but essentially consciousness as a field

828

00:44:41,040 --> 00:44:36,830

if you would to use a physical physicist

829

00:44:45,970 --> 00:44:41,050

term or you know it's something beyond

830

00:44:49,480 --> 00:44:45,980

matter and energy that where everything

831

00:44:52,300 --> 00:44:49,490

may have originated if I'm making any

832

00:44:55,870 --> 00:44:52,310

sense what no that does that does and I

833

00:44:59,920 --> 00:44:55,880

love that concept of from Max about that

834

00:45:04,060 --> 00:44:59,930

and and and staying on this if the

835

00:45:05,800 --> 00:45:04,070

cyclical part of our universe expanding

836

00:45:08,110 --> 00:45:05,810

contracting back to the Big Bang

837

00:45:09,850 --> 00:45:08,120

restarting again and and that's the

838

00:45:12,430 --> 00:45:09,860

cycle right we're going to expand and

839

00:45:14,500 --> 00:45:12,440

yeah that's a cycle some people have

840

00:45:16,720 --> 00:45:14,510

talked about I mean you know do we know

841

00:45:20,590 --> 00:45:16,730

if that's really the cycle right or is

842

00:45:22,420 --> 00:45:20,600

this somehow mitigated or are there

843

00:45:25,060 --> 00:45:22,430

other universes that intercede and

844

00:45:27,910 --> 00:45:25,070

ultimately is there this thing behind it

845

00:45:32,560 --> 00:45:27,920

consciousness that someone will call it

846

00:45:34,930 --> 00:45:32,570

universal level that expresses itself if

847

00:45:37,870 --> 00:45:34,940

I could put it that way through matter

848

00:45:40,450 --> 00:45:37,880

and energy at some times but other ways

849

00:45:43,840 --> 00:45:40,460

at other times perhaps yeah and time

850

00:45:46,120 --> 00:45:43,850

itself is a big issue here what what is

851
00:45:48,010 --> 00:45:46,130
time where does time originate and how

852
00:45:51,280 --> 00:45:48,020
does that tie in with everything else

853
00:45:52,660 --> 00:45:51,290
yeah and that's it that's a whole we

854
00:45:55,420 --> 00:45:52,670
should do a whole show at that time

855
00:45:58,600 --> 00:45:55,430
that's incredible yeah I mean you dimed

856
00:46:00,580 --> 00:45:58,610
is that's one of the great great

857
00:46:02,560 --> 00:46:00,590
unknowns really when it comes right down

858
00:46:04,210 --> 00:46:02,570
to it it's funny because we live in a

859
00:46:06,580 --> 00:46:04,220
society that is so

860
00:46:08,440 --> 00:46:06,590
dominate it by time I know that you're

861
00:46:11,770 --> 00:46:08,450
supposed to call me a certain time and I

862
00:46:14,080 --> 00:46:11,780
better be here and I I'm counting on you

863
00:46:16,990 --> 00:46:14,090

calling me then etc but we don't really

864

00:46:19,270 --> 00:46:17,000

know what time is no we don't and if it

865

00:46:22,300 --> 00:46:19,280

originates right now we base everything

866

00:46:24,670 --> 00:46:22,310

on on the the the start of the universe

867

00:46:28,330 --> 00:46:24,680

right that was the start of time like

868

00:46:35,650 --> 00:46:28,340

that but but a half a second before the

869

00:46:38,230 --> 00:46:35,660

Big Bang time existed what does it mean

870

00:46:40,390 --> 00:46:38,240

half a second before the Big Bang well

871

00:46:44,980 --> 00:46:40,400

that's half a second before our universe

872

00:46:47,920 --> 00:46:44,990

as we try to trace it back in time yeah

873

00:46:48,490 --> 00:46:47,930

so we have BC but if we had before the

874

00:46:51,220 --> 00:46:48,500

Big Bang

875

00:46:54,580 --> 00:46:51,230

that would be BBC and we already have

876
00:46:55,930 --> 00:46:54,590
that in London but but nonetheless and

877
00:47:00,339 --> 00:46:55,940
that was a good joke by the way that was

878
00:47:04,690 --> 00:47:00,349
pretty funny if we look at the expansion

879
00:47:08,260 --> 00:47:04,700
of the universe wouldn't it at some

880
00:47:11,710 --> 00:47:08,270
point get to the balancing point where

881
00:47:14,620 --> 00:47:11,720
it can no longer support the forces

882
00:47:15,880 --> 00:47:14,630
pushing out and then it would contract

883
00:47:19,780 --> 00:47:15,890
you know you know what I mean it would

884
00:47:23,829 --> 00:47:19,790
just find its balance of size versus

885
00:47:26,349 --> 00:47:23,839
murder of a steady state universe yes

886
00:47:29,260 --> 00:47:26,359
where are all these they would approach

887
00:47:31,180 --> 00:47:29,270
some kind of steady state but again I

888
00:47:32,079 --> 00:47:31,190

was suggesting and I'm not saying I'm

889

00:47:34,420 --> 00:47:32,089

right about this

890

00:47:37,060 --> 00:47:34,430

but what if it impinges upon some other

891

00:47:39,849 --> 00:47:37,070

universe or some other pocket of

892

00:47:42,339 --> 00:47:39,859

something which is antithetical to it

893

00:47:44,589 --> 00:47:42,349

whether you on call the antimatter or

894

00:47:47,680 --> 00:47:44,599

mirror matter or something else

895

00:47:50,470 --> 00:47:47,690

and it starts annihilating our being

896

00:47:54,339 --> 00:47:50,480

annihilated at that boundary that that

897

00:47:56,920 --> 00:47:54,349

edge now staying in this concept with

898

00:47:59,079 --> 00:47:56,930

you know our universe you know say you

899

00:48:01,120 --> 00:47:59,089

and I are outside of our universe

900

00:48:03,640 --> 00:48:01,130

looking in right we're just looking at

901
00:48:07,089 --> 00:48:03,650
this ball next to it now we have a

902
00:48:10,000 --> 00:48:07,099
multiverse a concept which I fully

903
00:48:12,430 --> 00:48:10,010
believe that is is the case so you have

904
00:48:16,250 --> 00:48:12,440
got all these multiverses out there is

905
00:48:20,240 --> 00:48:16,260
it possible that one universe could

906
00:48:22,520 --> 00:48:20,250
and drift into another oh yeah so I

907
00:48:24,980 --> 00:48:22,530
think there's no doubt in fact there are

908
00:48:28,610 --> 00:48:24,990
suggestions that that has happened in

909
00:48:30,910 --> 00:48:28,620
that we have evidence of that so there's

910
00:48:33,650 --> 00:48:30,920
something notice that cosmic micro

911
00:48:37,220 --> 00:48:33,660
cosmic was a cosmic background micro

912
00:48:39,530 --> 00:48:37,230
microwave radiation that is generally

913
00:48:41,800 --> 00:48:39,540

attributed to the beginning of the

914

00:48:44,510 --> 00:48:41,810

universe as we know it this is evidence

915

00:48:46,700 --> 00:48:44,520

supposedly for the Big Bang and tracing

916

00:48:50,090 --> 00:48:46,710

back at some leftover radiation from the

917

00:48:54,590 --> 00:48:50,100

Big Bang but right the heat exactly

918

00:48:55,790 --> 00:48:54,600

exactly but as I understand it and just

919

00:48:57,730 --> 00:48:55,800

looking at the day of some I'm a

920

00:48:58,880 --> 00:48:57,740

geophysicist not a theoretical

921

00:49:04,460 --> 00:48:58,890

cosmologists

922

00:49:08,510 --> 00:49:04,470

but bubbles in that in homogeneities in

923

00:49:11,390 --> 00:49:08,520

that etc have been interpreted as

924

00:49:14,380 --> 00:49:11,400

indicating that maybe places where our

925

00:49:18,170 --> 00:49:14,390

universe and hinges are impacts on other

926
00:49:22,160 --> 00:49:18,180
universes or has in the past so we may

927
00:49:25,100 --> 00:49:22,170
have or we have evidence that can be

928
00:49:28,510 --> 00:49:25,110
interpreted I would say as evidence of

929
00:49:31,460 --> 00:49:28,520
other universes impacting us or

930
00:49:33,470 --> 00:49:31,470
overlapping with us that type of thing

931
00:49:36,350 --> 00:49:33,480
the second thing I want to suggest is

932
00:49:38,750 --> 00:49:36,360
think of our universe our universes in

933
00:49:41,270 --> 00:49:38,760
so many dimensions we'll think in three

934
00:49:43,310 --> 00:49:41,280
or four dimensions if you consider mat

935
00:49:46,340 --> 00:49:43,320
dimension but there could be a lot more

936
00:49:49,760 --> 00:49:46,350
dimensions so you can have other

937
00:49:53,030 --> 00:49:49,770
universes and other dimensions that we

938
00:49:55,610 --> 00:49:53,040

don't perceive I'll try to paint a

939

00:49:57,950 --> 00:49:55,620

picture here if you think of a thin

940

00:49:59,900 --> 00:49:57,960

piece of wire and you put that as a

941

00:50:02,360 --> 00:49:59,910

circle and then you have another

942

00:50:04,550 --> 00:50:02,370

universes another thin piece of wire you

943

00:50:08,330 --> 00:50:04,560

could put one inside the other without

944

00:50:10,130 --> 00:50:08,340

them ever actually overlapping and then

945

00:50:12,920 --> 00:50:10,140

at one point you may be disturbing them

946

00:50:15,530 --> 00:50:12,930

and they run into each other and

947

00:50:17,360 --> 00:50:15,540

interact am I making any sense yeah that

948

00:50:18,980 --> 00:50:17,370

vibration would

949

00:50:20,960 --> 00:50:18,990

yeah you might think of them as

950

00:50:23,140 --> 00:50:20,970

vibrating actually that's a good way to

951
00:50:25,970 --> 00:50:23,150
think of it a vibrating piece of

952
00:50:28,310 --> 00:50:25,980
circular wire and they're vibrating and

953
00:50:30,200 --> 00:50:28,320
last they all get in each other's way

954
00:50:32,570 --> 00:50:30,210
they're fine but then they might start

955
00:50:34,940 --> 00:50:32,580
vibrating and they vibrate so much that

956
00:50:36,980 --> 00:50:34,950
they hit each other or maybe they set up

957
00:50:40,340 --> 00:50:36,990
a resonance between themselves again

958
00:50:44,150 --> 00:50:40,350
we're using analogies that we can try to

959
00:50:47,030 --> 00:50:44,160
wrap our heads around but I think they

960
00:50:49,550 --> 00:50:47,040
can be extrapolated up to that level

961
00:50:53,030 --> 00:50:49,560
it'd be like when you tangle up your

962
00:50:54,830 --> 00:50:53,040
slinky when you were a kid yeah yeah or

963
00:51:00,080 --> 00:50:54,840

you tangle up your slinky with someone

964

00:51:02,660 --> 00:51:00,090

else's slinky that's remember and then

965

00:51:04,370 --> 00:51:02,670

both are damaged irretrievably because

966

00:51:06,860 --> 00:51:04,380

you can never get those slinkys back

967

00:51:08,870 --> 00:51:06,870

just the way they used to be see that's

968

00:51:11,530 --> 00:51:08,880

why I think sometimes I could be a

969

00:51:17,870 --> 00:51:11,540

physicist because I can I can and

970

00:51:21,650 --> 00:51:17,880

introduce the slinky theory is just a

971

00:51:25,850 --> 00:51:21,660

slinky and we get tangled up with other

972

00:51:29,090 --> 00:51:25,860

slinkys and then both slinkys are bent

973

00:51:31,220 --> 00:51:29,100

up and a mess and you can't get them

974

00:51:32,690 --> 00:51:31,230

remember how once they got bent up you

975

00:51:35,030 --> 00:51:32,700

couldn't get them back in no proper

976
00:51:38,690 --> 00:51:35,040
shape no nope you could sit there all

977
00:51:40,880 --> 00:51:38,700
day all you did was make it worse it

978
00:51:44,390 --> 00:51:40,890
never got better I never had an

979
00:51:46,760 --> 00:51:44,400
untangled slinky I can go on the record

980
00:51:50,030 --> 00:51:46,770
and say that I've never untangled a

981
00:51:54,290 --> 00:51:50,040
slinky yeah remember how it would flip

982
00:51:57,380 --> 00:51:54,300
over on itself too as well right so you

983
00:51:59,660 --> 00:51:57,390
had that crazy twist in it and when he

984
00:52:03,980 --> 00:51:59,670
tried to get that kink out that twist it

985
00:52:06,740 --> 00:52:03,990
would just move up the slinky and I

986
00:52:09,320 --> 00:52:06,750
think we're here on the radio developing

987
00:52:15,620 --> 00:52:09,330
a whole new cosmology you know what

988
00:52:17,540 --> 00:52:15,630

let's get let's get a deGrasse Tyson he

989

00:52:24,590 --> 00:52:17,550

would argue he would argue the anti

990

00:52:27,410 --> 00:52:24,600

sleeky he would just anti slinky so now

991

00:52:30,050 --> 00:52:27,420

actually this is a brilliant but this is

992

00:52:31,040 --> 00:52:30,060

all really serious look at the big

993

00:52:33,470 --> 00:52:31,050

picture and I

994

00:52:35,390 --> 00:52:33,480

wasn't what I was saying we got off on

995

00:52:37,580 --> 00:52:35,400

slinkys but actually I think these are

996

00:52:39,830 --> 00:52:37,590

some good analogies and I think this is

997

00:52:43,430 --> 00:52:39,840

serious stuff to think about it is and

998

00:52:44,750 --> 00:52:43,440

what would I find amazing these days and

999

00:52:47,330 --> 00:52:44,760

I know you must get a lot of

1000

00:52:50,120 --> 00:52:47,340

satisfaction out of this is that we have

1001

00:52:52,190 --> 00:52:50,130

our our community our community of

1002

00:52:55,400 --> 00:52:52,200

thinkers that thinks outside of the box

1003

00:52:57,170 --> 00:52:55,410

our community and our audience and and

1004

00:53:00,830 --> 00:52:57,180

we're all here and supporting each other

1005

00:53:04,010 --> 00:53:00,840

but we were always fighting against the

1006

00:53:06,710 --> 00:53:04,020

man and science and schools and

1007

00:53:08,450 --> 00:53:06,720

universities right this this push and

1008

00:53:12,280 --> 00:53:08,460

pull and you could feel it but today

1009

00:53:16,130 --> 00:53:12,290

Robert science and our community are

1010

00:53:20,420 --> 00:53:16,140

starting to overlap if things are

1011

00:53:25,450 --> 00:53:20,430

happening like well this study of the

1012

00:53:30,530 --> 00:53:25,460

Great Pyramid with electromagnetic waves

1013

00:53:34,010 --> 00:53:30,540

this this has been put out there by our

1014

00:53:37,250 --> 00:53:34,020

community for a few decades now going

1015

00:53:38,660 --> 00:53:37,260

back to the 70s and laying it out there

1016

00:53:41,270 --> 00:53:38,670

laying it out there laying it out there

1017

00:53:43,570 --> 00:53:41,280

everybody you know tinfoil hat you know

1018

00:53:47,390 --> 00:53:43,580

the craziness you guys are nuts

1019

00:53:51,760 --> 00:53:47,400

it's just a tomb that's all it is it's a

1020

00:53:56,270 --> 00:53:51,770

pile of rocks and here today science is

1021

00:53:58,850 --> 00:53:56,280

this report was a game-changer what went

1022

00:54:00,260 --> 00:53:58,860

through your mind as oh well actually

1023

00:54:02,720 --> 00:54:00,270

I'll tell you what went through my mind

1024

00:54:05,690 --> 00:54:02,730

and I want to tell saying what we're

1025

00:54:09,040 --> 00:54:05,700

talking about it was a report in the

1026
00:54:12,020 --> 00:54:09,050
Journal of Applied Physics and it's by

1027
00:54:13,610 --> 00:54:12,030
actually a group and I I hate to say it

1028
00:54:16,670 --> 00:54:13,620
this way but they're Russian group

1029
00:54:18,830 --> 00:54:16,680
they're from st. Petersburg which I've

1030
00:54:22,820 --> 00:54:18,840
had found I have found that a lot of my

1031
00:54:25,100 --> 00:54:22,830
European colleagues are much more should

1032
00:54:26,900 --> 00:54:25,110
we say open to certain things we can't

1033
00:54:29,660 --> 00:54:26,910
certain things right so I wasn't

1034
00:54:32,540 --> 00:54:29,670
surprised where it was coming from but

1035
00:54:35,660 --> 00:54:32,550
what they did is they did theoretical

1036
00:54:38,080 --> 00:54:35,670
modeling of the Great Pyramid in terms

1037
00:54:39,970 --> 00:54:38,090
of how could it interact with

1038
00:54:43,820 --> 00:54:39,980

electromagnetic frequencies

1039

00:54:44,410 --> 00:54:43,830

electromagnetic properties energies that

1040

00:54:47,109 --> 00:54:44,420

type of

1041

00:54:51,519 --> 00:54:47,119

and lo and behold they found that it can

1042

00:54:53,609 --> 00:54:51,529

in fact I'll call funnel and channel if

1043

00:54:56,799 --> 00:54:53,619

you would electromagnetic energy

1044

00:54:59,370 --> 00:54:56,809

concentrated concentrated in the

1045

00:55:03,069 --> 00:54:59,380

chambers that you have in the pyramid

1046

00:55:05,890 --> 00:55:03,079

this is very very theoretical in the

1047

00:55:07,750 --> 00:55:05,900

sense that they were taking a model of

1048

00:55:11,859 --> 00:55:07,760

it when I say a model not even a

1049

00:55:14,370 --> 00:55:11,869

physical model but yell conceptual model

1050

00:55:17,769 --> 00:55:14,380

of it but applying very sophisticated

1051
00:55:20,349 --> 00:55:17,779
cutting-edge physics to it to see what

1052
00:55:23,849 --> 00:55:20,359
would come out theoretically and what

1053
00:55:27,009 --> 00:55:23,859
came out theoretically in my opinion

1054
00:55:28,599 --> 00:55:27,019
matches very much what as you said

1055
00:55:31,059 --> 00:55:28,609
people have been talking about and I

1056
00:55:33,870 --> 00:55:31,069
would say not going back to the 1970s

1057
00:55:37,660 --> 00:55:33,880
but even going back to the 19th century

1058
00:55:41,049 --> 00:55:37,670
where people were talking about these

1059
00:55:42,579 --> 00:55:41,059
types of phenomena in different types of

1060
00:55:45,789 --> 00:55:42,589
terms some people would talk about

1061
00:55:48,579 --> 00:55:45,799
pyramid power and all of that right but

1062
00:55:50,620 --> 00:55:48,589
there were examples of people going up

1063
00:55:53,650 --> 00:55:50,630

to the top of the Great Pyramid in the

1064

00:55:55,690 --> 00:55:53,660

19th century taking Leyden jars if you

1065

00:56:00,430 --> 00:55:55,700

know what that is it can actually

1066

00:56:02,950 --> 00:56:00,440

collect basically a charge from static

1067

00:56:05,529 --> 00:56:02,960

electricity that would build up on the

1068

00:56:07,240 --> 00:56:05,539

pyramid very crude way to do it but they

1069

00:56:09,999 --> 00:56:07,250

were doing this and finding that they

1070

00:56:12,519 --> 00:56:10,009

could collect electromagnetic energy

1071

00:56:16,630 --> 00:56:12,529

that was being concentrated by the Great

1072

00:56:21,819 --> 00:56:16,640

Pyramid and you know basically stored in

1073

00:56:24,220 --> 00:56:21,829

this capacitor type primitive light

1074

00:56:26,620 --> 00:56:24,230

light in jar and then you know release a

1075

00:56:29,529 --> 00:56:26,630

huge spark from it that type of thing so

1076
00:56:32,980 --> 00:56:29,539
you know demonstrating this conceptually

1077
00:56:37,920 --> 00:56:32,990
so now that we have in the 21st century

1078
00:56:40,120 --> 00:56:37,930
really outstanding studies by top-notch

1079
00:56:43,180 --> 00:56:40,130
physicists showing that yes the same

1080
00:56:45,910 --> 00:56:43,190
thing is theoretically possible

1081
00:56:48,220 --> 00:56:45,920
now they do say in the study that this

1082
00:56:50,920 --> 00:56:48,230
needs more work but that's standard

1083
00:56:54,099 --> 00:56:50,930
science that's the way science goes one

1084
00:56:56,589 --> 00:56:54,109
thing that I found very interesting was

1085
00:56:57,830 --> 00:56:56,599
they talked about concentrating in the

1086
00:57:01,310 --> 00:56:57,840
Great Pyramid

1087
00:57:04,070 --> 00:57:01,320
and then being funneled down through it

1088
00:57:06,500 --> 00:57:04,080

into the subterranean chamber in

1089

00:57:08,300 --> 00:57:06,510

particular through the King's Chamber

1090

00:57:10,730 --> 00:57:08,310

the Grand Gallery and into the

1091

00:57:14,600 --> 00:57:10,740

subterranean chamber which is deep

1092

00:57:16,850 --> 00:57:14,610

underground and something that a lot of

1093

00:57:18,970 --> 00:57:16,860

people have talked about with the Great

1094

00:57:23,860 --> 00:57:18,980

Pyramid and a lot of my academic

1095

00:57:29,030 --> 00:57:23,870

colleagues dismissed completely is that

1096

00:57:32,420 --> 00:57:29,040

there may be how should we say psychic

1097

00:57:34,030 --> 00:57:32,430

changes people talked about going into

1098

00:57:36,910 --> 00:57:34,040

different states of consciousness

1099

00:57:41,540 --> 00:57:36,920

altered states of consciousness having

1100

00:57:44,540 --> 00:57:41,550

psychic experiences in the Great Pyramid

1101
00:57:46,910 --> 00:57:44,550
and they don't say it in this study but

1102
00:57:50,720 --> 00:57:46,920
I could not help but think as I read it

1103
00:57:54,890 --> 00:57:50,730
that this also supports and cooperates

1104
00:57:58,720 --> 00:57:54,900
those types of testimonies because you

1105
00:58:00,860 --> 00:57:58,730
because we are very much affected by

1106
00:58:03,850 --> 00:58:00,870
electromagnetic frequencies an

1107
00:58:08,330 --> 00:58:03,860
electromagnetic energy and

1108
00:58:12,170 --> 00:58:08,340
electromagnetic geomagnetic changes and

1109
00:58:16,040 --> 00:58:12,180
something that you I hate to say it this

1110
00:58:18,770 --> 00:58:16,050
way but people who allow themselves to

1111
00:58:21,730 --> 00:58:18,780
be sensitive to such things I would

1112
00:58:24,230 --> 00:58:21,740
contend and I'll say from personal test

1113
00:58:26,720 --> 00:58:24,240

testimony you can feel it in the Great

1114

00:58:29,750 --> 00:58:26,730

Pyramids right um and it's not just

1115

00:58:32,300 --> 00:58:29,760

nonsense but a lot of my academic

1116

00:58:35,360 --> 00:58:32,310

colleagues of course dismiss all of this

1117

00:58:37,730 --> 00:58:35,370

now here we have a real paper by I'm

1118

00:58:39,590 --> 00:58:37,740

serious physicist as funny we were

1119

00:58:41,870 --> 00:58:39,600

talking about physics before with the

1120

00:58:44,390 --> 00:58:41,880

universe and the origin end of the

1121

00:58:48,560 --> 00:58:44,400

universe or whatever but the same here

1122

00:58:50,780 --> 00:58:48,570

and you can show theoretically that this

1123

00:58:52,940 --> 00:58:50,790

is exactly what should be the case in

1124

00:58:56,810 --> 00:58:52,950

other studies have shown without a doubt

1125

00:59:00,730 --> 00:58:56,820

that we as humans and all biological

1126

00:59:03,350 --> 00:59:00,740

organisms are quite sensitive to

1127

00:59:10,180 --> 00:59:03,360

electromagnetic frequencies especially

1128

00:59:11,660 --> 00:59:10,190

in the low frequency long wavelength

1129

00:59:14,230 --> 00:59:11,670

ranges

1130

00:59:16,970 --> 00:59:14,240

and which they document here as well

1131

00:59:19,730 --> 00:59:16,980

let's tack let's take a break right here

1132

00:59:23,450 --> 00:59:19,740

it's a perfect spot to do it our guest

1133

00:59:26,539 --> 00:59:23,460

tonight is dr. Robert Schoch now we all

1134

00:59:29,450 --> 00:59:26,549

know Napoleon went into the great

1135

00:59:31,819 --> 00:59:29,460

pyramid came out a different man and so

1136

00:59:32,390 --> 00:59:31,829

did Robert Schoch but he won't tell me

1137

00:59:35,750 --> 00:59:32,400

about it

1138

00:59:37,430 --> 00:59:35,760

maybe he will after this break our guest

1139

00:59:38,930 --> 00:59:37,440

tonight dr. Robert I'm shocked this is

1140

00:59:40,830 --> 00:59:38,940

fade to black I'm yours to be Church

1141

00:59:54,560 --> 00:59:40,840

stay with us we'll be right back

1142

00:59:58,900 --> 00:59:56,820

[Music]

1143

01:00:00,790 --> 00:59:58,910

this is fade to black

1144

01:00:04,480 --> 01:00:00,800

with Jimmy Church on the game changer

1145

01:00:08,950 --> 01:00:04,490

radio network and K GRA the global radio

1146

01:00:11,830 --> 01:00:08,960

Alliance this is K GRA digital

1147

01:00:15,250 --> 01:00:11,840

broadcasting station Salt Lake City Utah

1148

01:00:17,350 --> 01:00:15,260

Van Buren Arkansas does your basement or

1149

01:00:19,120 --> 01:00:17,360

crawlspace have a damp musty smell well

1150

01:00:21,280 --> 01:00:19,130

watch out that's a sign of too much

1151
01:00:23,110 --> 01:00:21,290
moisture and not enough ventilation and

1152
01:00:24,820 --> 01:00:23,120
that can mean increased mold growth and

1153
01:00:26,590 --> 01:00:24,830
their build-up of harmful toxins and

1154
01:00:28,930 --> 01:00:26,600
gases don't bother with a dehumidifier

1155
01:00:31,210 --> 01:00:28,940
it just circulates the same unhealthy

1156
01:00:33,310 --> 01:00:31,220
air now there's a better way to remove

1157
01:00:35,710 --> 01:00:33,320
these dangers and odors it's with the

1158
01:00:37,510 --> 01:00:35,720
computerized wave moisture control unit

1159
01:00:39,130 --> 01:00:37,520
that reduces moisture and expels

1160
01:00:41,140 --> 01:00:39,140
pollutants we replaced our old

1161
01:00:43,420 --> 01:00:41,150
dehumidifier with the wave unit and in

1162
01:00:45,820 --> 01:00:43,430
only three weeks our basement is dry and

1163
01:00:47,770 --> 01:00:45,830

the musty smell is gone wave units

1164

01:00:50,230 --> 01:00:47,780

require no maintenance no buckets of

1165

01:00:52,120 --> 01:00:50,240

water or filters and costs only pennies

1166

01:00:53,920 --> 01:00:52,130

a day to run breathe better live

1167

01:00:56,320 --> 01:00:53,930

healthier with an affordable no

1168

01:00:58,690 --> 01:00:56,330

maintenance wave unit call eight eight

1169

01:01:01,000 --> 01:00:58,700

eight seven one seven wait eight eight

1170

01:01:03,730 --> 01:01:01,010

eight seven one seven wabe

1171

01:01:08,470 --> 01:01:03,740

for busy dry healthy home calm dry

1172

01:01:20,849 --> 01:01:10,640

home solutions

1173

01:01:25,359 --> 01:01:23,500

hi this is race Hobbs here reppin the

1174

01:01:28,359 --> 01:01:25,369

planet and you're listening to my good

1175

01:01:30,880 --> 01:01:28,369

friend Jimmy Church fade to black

1176

01:01:35,470 --> 01:01:30,890

on the game changer network and the kgr

1177

01:01:37,630 --> 01:01:35,480

a digital broadcast station this is Toby

1178

01:01:58,859 --> 01:01:37,640

Keibell you're listening to Jimmy Church

1179

01:02:06,310 --> 01:02:02,740

ancient life oil life changing the real

1180

01:02:08,620 --> 01:02:06,320

oil CBD is truly ancient life oil from

1181

01:02:11,530 --> 01:02:08,630

the source this oil has no psychoactive

1182

01:02:13,300 --> 01:02:11,540

effect and is also legal in all 50

1183

01:02:15,339 --> 01:02:13,310

states when you're healthy

1184

01:02:17,650 --> 01:02:15,349

you're happy the truth about this

1185

01:02:20,680 --> 01:02:17,660

wonderful plant is that it wants to give

1186

01:02:23,800 --> 01:02:20,690

back to mankind life longevity and

1187

01:02:26,620 --> 01:02:23,810

happiness ancient life oil are golden

1188

01:02:28,990 --> 01:02:26,630

gray all organic non-gmo and infused

1189

01:02:31,750 --> 01:02:29,000

with high-quality liquid coconut oil

1190

01:02:35,109 --> 01:02:31,760

it's simple just go to ancient life oil

1191

01:02:38,980 --> 01:02:35,119

dot-com today that's ancient life oil

1192

01:02:43,450 --> 01:02:38,990

dot-com the best purest organic and

1193

01:02:45,010 --> 01:02:43,460

non-gmo CBD in the world gobekli tepe

1194

01:02:46,359 --> 01:02:45,020

the statements made regarding these

1195

01:02:47,500 --> 01:02:46,369

products have not been evaluated by the

1196

01:02:48,700 --> 01:02:47,510

Food and Drug Administration these

1197

01:02:50,650 --> 01:02:48,710

products are not intended to diagnose

1198

01:02:51,880 --> 01:02:50,660

treat cure or prevent any disease please

1199

01:02:53,349 --> 01:02:51,890

consult your health care professional

1200

01:02:55,240 --> 01:02:53,359

about potential interactions or other

1201
01:02:56,950 --> 01:02:55,250
possible complications before using any

1202
01:02:58,690 --> 01:02:56,960
product this is Micah Hanks of the

1203
01:03:01,150 --> 01:02:58,700
graylien report and you're listening to

1204
01:03:03,010 --> 01:03:01,160
jimmy church on fade to black across the

1205
01:03:05,650 --> 01:03:03,020
globe on the game-changer radio network

1206
01:03:06,700 --> 01:03:05,660
and the one and only kgr a radio the

1207
01:03:10,680 --> 01:03:06,710
planet

1208
01:03:10,990 --> 01:03:10,690
[Music]

1209
01:03:27,030 --> 01:03:11,000
[Applause]

1210
01:03:29,650 --> 01:03:27,040
[Music]

1211
01:03:31,540 --> 01:03:29,660
all right welcome back fade to black

1212
01:03:35,680 --> 01:03:31,550
I'm heroes Timmy Church our guest

1213
01:03:37,060 --> 01:03:35,690

tonight dr. Robert and shot the segment

1214

01:03:39,370 --> 01:03:37,070

of fade to black has proudly brought to

1215

01:03:42,850 --> 01:03:39,380

you by River moon coffee makers of the

1216

01:03:44,500 --> 01:03:42,860

fade to black blend promo code f to be

1217

01:03:47,140 --> 01:03:44,510

blended just go to the banners right

1218

01:03:49,180 --> 01:03:47,150

there Jimmy Church radio.com now dr.

1219

01:03:52,360 --> 01:03:49,190

Schaack you and I have talked about this

1220

01:03:54,580 --> 01:03:52,370

over the years but for me and I don't

1221

01:03:58,180 --> 01:03:54,590

have all those letters that follow my

1222

01:04:02,530 --> 01:03:58,190

name that make me some academic but the

1223

01:04:05,650 --> 01:04:02,540

idea and the concept of force and and

1224

01:04:07,780 --> 01:04:05,660

and the rocks at the Great Pyramid being

1225

01:04:12,250 --> 01:04:07,790

stacked up on top of each other and then

1226

01:04:14,080 --> 01:04:12,260

you combine granite and which is you

1227

01:04:17,950 --> 01:04:14,090

know five levels above the King's

1228

01:04:21,670 --> 01:04:17,960

Chamber surrounded the walls surrounding

1229

01:04:25,480 --> 01:04:21,680

the King's Chamber the forces of granite

1230

01:04:29,230 --> 01:04:25,490

on top of each other has to conceptually

1231

01:04:33,730 --> 01:04:29,240

in my mind create energy this

1232

01:04:36,190 --> 01:04:33,740

eeehm study certainly suggests that and

1233

01:04:38,200 --> 01:04:36,200

I think that that is great but when

1234

01:04:40,600 --> 01:04:38,210

you're inside of the King's Chamber the

1235

01:04:44,050 --> 01:04:40,610

sheer weight and the energy that is

1236

01:04:47,740 --> 01:04:44,060

created from those forces above you has

1237

01:04:50,860 --> 01:04:47,750

to create something it just does and it

1238

01:04:53,230 --> 01:04:50,870

has to affect or have an effect you

1239

01:04:54,730 --> 01:04:53,240

spent the night you spent the night in

1240

01:04:57,850 --> 01:04:54,740

the King's Chamber you slept in the

1241

01:04:59,710 --> 01:04:57,860

sarcophagus we've talked about that you

1242

01:05:02,440 --> 01:04:59,720

won't reveal it maybe you will turn on

1243

01:05:07,680 --> 01:05:02,450

the show but that's fine but your Iman

1244

01:05:12,010 --> 01:05:07,690

but but as you're reading this report

1245

01:05:14,920 --> 01:05:12,020

you have your own experiences there and

1246

01:05:16,510 --> 01:05:14,930

it had to resonate with you this report

1247

01:05:20,020 --> 01:05:16,520

where you know that there's something

1248

01:05:22,210 --> 01:05:20,030

going on yeah absolutely absolutely and

1249

01:05:26,590 --> 01:05:22,220

this is a nice confirmation I think of

1250

01:05:29,680 --> 01:05:26,600

what I and many people have realized

1251
01:05:31,510 --> 01:05:29,690
from being there and you mentioned I

1252
01:05:34,660 --> 01:05:31,520
think just as we were going into the

1253
01:05:37,180 --> 01:05:34,670
break about Napoleon Napoleon I am in

1254
01:05:39,839 --> 01:05:37,190
good company Napoleon never spoke about

1255
01:05:42,120 --> 01:05:39,849
it I tend to be a

1256
01:05:44,640 --> 01:05:42,130
a private person in some cases so no I'm

1257
01:05:48,029 --> 01:05:44,650
not going to talk about this but it can

1258
01:05:51,960 --> 01:05:48,039
I put a plug in sure people should come

1259
01:05:54,180 --> 01:05:51,970
with me to Egypt in June 2019 and they

1260
01:05:55,859 --> 01:05:54,190
can at least get a they're not going to

1261
01:05:58,769 --> 01:05:55,869
spend the night in the Great Pyramid I

1262
01:06:01,140 --> 01:05:58,779
can't we're not going to do that but we

1263
01:06:03,469 --> 01:06:01,150

will be in the Great Pyramid we will go

1264

01:06:06,930 --> 01:06:03,479

to the King's Chamber we will explore it

1265

01:06:10,109 --> 01:06:06,940

we will get everyone we'll get the

1266

01:06:11,910 --> 01:06:10,119

opportunity to get a sense and feel for

1267

01:06:15,180 --> 01:06:11,920

it themselves so that's really the best

1268

01:06:18,930 --> 01:06:15,190

way to do it if people have the means

1269

01:06:21,900 --> 01:06:18,940

and the desire come join me in June 2019

1270

01:06:23,759 --> 01:06:21,910

I'm doing a public trip I do public

1271

01:06:26,329 --> 01:06:23,769

trips as you know sometimes there I also

1272

01:06:29,009 --> 01:06:26,339

of course go there for my own research

1273

01:06:31,219 --> 01:06:29,019

now all the information all the

1274

01:06:34,170 --> 01:06:31,229

information is at Robert Shaw comm

1275

01:06:39,180 --> 01:06:34,180

correct go to Robert Schoch comm and

1276

01:06:41,549 --> 01:06:39,190

then click on the Egypt trip banner and

1277

01:06:44,700 --> 01:06:41,559

this Egypt trip I want to be very clear

1278

01:06:48,269 --> 01:06:44,710

because I'm very excited about this this

1279

01:06:51,599 --> 01:06:48,279

is not me personally doing it yes I'm

1280

01:06:54,380 --> 01:06:51,609

leading or co-lead ant with another

1281

01:06:57,059 --> 01:06:54,390

colleague of mine it is for Oracle

1282

01:06:59,339 --> 01:06:57,069

organization for the research of ancient

1283

01:07:04,380 --> 01:06:59,349

cultures which is a nonprofit

1284

01:07:07,620 --> 01:07:04,390

organization that I helped co-found with

1285

01:07:11,370 --> 01:07:07,630

other colleagues and we are devoted to

1286

01:07:13,200 --> 01:07:11,380

education and research into these

1287

01:07:17,359 --> 01:07:13,210

ancient I'll use the term ancient

1288

01:07:20,519 --> 01:07:17,369

mysteries in a genuine serious

1289

01:07:24,450 --> 01:07:20,529

evidence-based scientific way but also

1290

01:07:28,200 --> 01:07:24,460

in an open box way if you would not the

1291

01:07:31,950 --> 01:07:28,210

conventional status quo academic way in

1292

01:07:33,870 --> 01:07:31,960

the bad sense but in the good sense of

1293

01:07:36,410 --> 01:07:33,880

following the evidence wherever it goes

1294

01:07:39,209 --> 01:07:36,420

and that evidence includes what

1295

01:07:41,759 --> 01:07:39,219

consistently people talk about and feel

1296

01:07:44,279 --> 01:07:41,769

that is evidence it may not be what some

1297

01:07:46,019 --> 01:07:44,289

academics one but that is genuine

1298

01:07:49,049 --> 01:07:46,029

evidence as far as I'm concerned when

1299

01:07:52,680 --> 01:07:49,059

you have a consistent reaction of people

1300

01:07:53,650 --> 01:07:52,690

for instance to the King's Chamber or to

1301

01:07:55,510 --> 01:07:53,660

the subterranea

1302

01:07:59,770 --> 01:07:55,520

chamber and then game back to what we're

1303

01:08:03,099 --> 01:07:59,780

talking about now physical analysis and

1304

01:08:04,779 --> 01:08:03,109

physicist analyzing the structure of the

1305

01:08:07,240 --> 01:08:04,789

Great Pyramid saying yes there is

1306

01:08:09,880 --> 01:08:07,250

something to it in terms of the electro

1307

01:08:13,750 --> 01:08:09,890

magnetics and other studies that say yes

1308

01:08:15,579 --> 01:08:13,760

we are affected by such electromagnetic

1309

01:08:18,849 --> 01:08:15,589

phenomena and that does affect our

1310

01:08:21,220 --> 01:08:18,859

consciousness it does affect our states

1311

01:08:23,410 --> 01:08:21,230

of being our you know I hate to use the

1312

01:08:26,530 --> 01:08:23,420

term because it's overused but altered

1313

01:08:29,439 --> 01:08:26,540

states of being that's right and when we

1314

01:08:31,900 --> 01:08:29,449

combine this I mean there's such a huge

1315

01:08:36,340 --> 01:08:31,910

pile of unanswered questions when it

1316

01:08:40,059 --> 01:08:36,350

comes to diese the construction getting

1317

01:08:43,269 --> 01:08:40,069

all of the red granite transported 500

1318

01:08:46,150 --> 01:08:43,279

miles you know yeah yeah for masculine

1319

01:08:49,990 --> 01:08:46,160

how they how they possibly quarried it

1320

01:08:52,030 --> 01:08:50,000

before the invention of steel their how

1321

01:08:54,789 --> 01:08:52,040

it got built how it got done in 20 years

1322

01:08:56,890 --> 01:08:54,799

all of those that there's that part of

1323

01:08:59,439 --> 01:08:56,900

it which seems nearly impossible but

1324

01:09:01,300 --> 01:08:59,449

then when you throw in if you are my

1325

01:09:06,010 --> 01:09:01,310

tour guide and I'm out there with you

1326

01:09:08,800 --> 01:09:06,020

and I'm looking with me I will come in

1327

01:09:10,599 --> 01:09:08,810

June 2019 whoever wants to come I'm

1328

01:09:12,130 --> 01:09:10,609

their tour guide just to let you know

1329

01:09:16,570 --> 01:09:12,140

Rita and I are talking about it but

1330

01:09:19,269 --> 01:09:16,580

anyway ok so but I would have to throw

1331

01:09:23,169 --> 01:09:19,279

this now on top of the pile of

1332

01:09:27,160 --> 01:09:23,179

unanswered questions which is how is it

1333

01:09:30,700 --> 01:09:27,170

possible that Stone Age man if this was

1334

01:09:32,650 --> 01:09:30,710

done at 3,000 BC how is it possible that

1335

01:09:35,439 --> 01:09:32,660

Stone Age man could understand the

1336

01:09:37,780 --> 01:09:35,449

concepts of electromagnetic

1337

01:09:39,999 --> 01:09:37,790

concentration in certain chambers and

1338

01:09:41,590 --> 01:09:40,009

points inside of the pyramid aside from

1339

01:09:45,130 --> 01:09:41,600

everything else that we're dealing with

1340

01:09:47,800 --> 01:09:45,140

with the construction of stuff on Giza

1341

01:09:50,280 --> 01:09:47,810

how is it possible that they could have

1342

01:09:55,419 --> 01:09:50,290

this kind of knowledge that we are today

1343

01:09:58,330 --> 01:09:55,429

trying to understand but yet 5000 years

1344

01:10:02,979 --> 01:09:58,340

ago an ancient culture like this had a

1345

01:10:04,720 --> 01:10:02,989

full grip on this type of physics well

1346

01:10:06,110 --> 01:10:04,730

you're making a couple of assumptions

1347

01:10:07,640 --> 01:10:06,120

right

1348

01:10:10,580 --> 01:10:07,650

one of the assumptions is that they were

1349

01:10:12,620 --> 01:10:10,590

doing this 5,000 years ago versus maybe

1350

01:10:15,020 --> 01:10:12,630

it was goes back to a much earlier

1351

01:10:17,750 --> 01:10:15,030

period that's something you and I have

1352

01:10:19,640 --> 01:10:17,760

certainly talked about before is and I

1353

01:10:21,860 --> 01:10:19,650

didn't start out this way but I'm

1354

01:10:24,080 --> 01:10:21,870

absolutely now fully convinced that

1355

01:10:27,760 --> 01:10:24,090

there was an earlier I called cycle of

1356

01:10:31,730 --> 01:10:27,770

civilization that the Sphinx is a

1357

01:10:33,370 --> 01:10:31,740

remnant of that goes back to the before

1358

01:10:36,290 --> 01:10:33,380

the end of the last ice age and I think

1359

01:10:38,390 --> 01:10:36,300

incredible sophistication and when we're

1360

01:10:39,650 --> 01:10:38,400

talking about the dynastic Egyptians and

1361

01:10:43,790 --> 01:10:39,660

this is something I will show evidence

1362

01:10:47,300 --> 01:10:43,800

of on site as we go through Egypt that

1363

01:10:51,020 --> 01:10:47,310

very much dynastic Egypt of four to five

1364

01:10:56,230 --> 01:10:51,030

thousand years ago included was a legacy

1365

01:10:59,060 --> 01:10:56,240

of a much earlier civilization and

1366

01:11:00,980 --> 01:10:59,070

remembrance if you would of some things

1367

01:11:03,790 --> 01:11:00,990

they knew so I think we have to push

1368

01:11:07,190 --> 01:11:03,800

some of this knowledge back much further

1369

01:11:10,460 --> 01:11:07,200

including I'm convinced that at least

1370

01:11:12,800 --> 01:11:10,470

portions of the Great Pyramid go back to

1371

01:11:15,320 --> 01:11:12,810

that much earlier period and there's

1372

01:11:18,940 --> 01:11:15,330

lots of evidence for that on the ground

1373

01:11:22,010 --> 01:11:18,950

there's lots of evidence for that in the

1374

01:11:23,990 --> 01:11:22,020

ancient texts that the ancient Egyptians

1375

01:11:27,710 --> 01:11:24,000

talked about themselves they talked

1376

01:11:30,980 --> 01:11:27,720

about much earlier history the classical

1377

01:11:32,900 --> 01:11:30,990

Egyptologists of the 19th 20 20th and

1378

01:11:35,390 --> 01:11:32,910

21st centuries of course dismiss that

1379

01:11:37,010 --> 01:11:35,400

and say the ancient Egyptians didn't

1380

01:11:40,340 --> 01:11:37,020

know as much about their early history

1381

01:11:44,390 --> 01:11:40,350

as they the Egyptologists do today but

1382

01:11:49,280 --> 01:11:44,400

they talked about having this long

1383

01:11:53,090 --> 01:11:49,290

period before 3,000 proximately 3000 BC

1384

01:11:55,070 --> 01:11:53,100

long before dynastic times this ties in

1385

01:11:58,250 --> 01:11:55,080

with my work on the Great Sphinx as we

1386

01:12:00,590 --> 01:11:58,260

have discussed numerous times it ties in

1387

01:12:05,080 --> 01:12:00,600

with Robert Bauval my colleague Robert

1388

01:12:07,940 --> 01:12:05,090

Bauval and his Orion correlation of the

1389

01:12:10,340 --> 01:12:07,950

Great Pyramid the second pyramid and the

1390

01:12:14,090 --> 01:12:10,350

third pyramid with the belt of Orion but

1391

01:12:17,450 --> 01:12:14,100

not in 25 or 2600 BC but about 10 to 11

1392

01:12:19,819 --> 01:12:17,460

thousand BC so there's a lot of evidence

1393

01:12:21,739 --> 01:12:19,829

that there's a lot of different

1394

01:12:24,739 --> 01:12:21,749

going on different than what

1395

01:12:28,729 --> 01:12:24,749

conventional Egyptologists say Plateau

1396

01:12:33,109 --> 01:12:28,739

is it possible that that Boston

1397

01:12:35,149 --> 01:12:33,119

University will allow you to teach teach

1398

01:12:37,790 --> 01:12:35,159

these concepts and actually have a

1399

01:12:39,679 --> 01:12:37,800

course we are getting there we are

1400

01:12:43,310 --> 01:12:39,689

getting there it's very funny you ask

1401

01:12:47,109 --> 01:12:43,320

that I just I mean funny in the sense of

1402

01:12:50,509 --> 01:12:47,119

coincidental sure for the first time I

1403

01:12:55,129 --> 01:12:50,519

taught two I taught a course over the

1404

01:12:56,629 --> 01:12:55,139

summer and the title of it was and I was

1405

01:13:00,020 --> 01:12:56,639

asked to teach this I didn't solicit

1406

01:13:04,250 --> 01:13:00,030

well can I teach this I was asked by one

1407

01:13:06,349 --> 01:13:04,260

of the administrators that I've known

1408

01:13:09,919 --> 01:13:06,359

for a long time at Boston University and

1409

01:13:12,829 --> 01:13:09,929

faculty member administrator to teach a

1410

01:13:13,250 --> 01:13:12,839

course called mysteries of archaeology

1411

01:13:16,159 --> 01:13:13,260

Oh

1412

01:13:18,799 --> 01:13:16,169

lo and behold of course what do you

1413

01:13:21,259 --> 01:13:18,809

think I included I included a lot of the

1414

01:13:24,349 --> 01:13:21,269

types of things we're talking about and

1415

01:13:25,790 --> 01:13:24,359

I included you know genuine discussion

1416

01:13:28,520 --> 01:13:25,800

of the evidence and where the

1417

01:13:30,500 --> 01:13:28,530

conventional views come up short and

1418

01:13:33,489 --> 01:13:30,510

what we don't know and what the

1419

01:13:37,969 --> 01:13:33,499

possibilities might be how to go over

1420

01:13:40,099 --> 01:13:37,979

very very well very well I mean students

1421

01:13:43,069 --> 01:13:40,109

I mean I think people are really looking

1422

01:13:44,359 --> 01:13:43,079

for this information you were and I try

1423

01:13:47,119 --> 01:13:44,369

to encourage the students to be

1424

01:13:49,699 --> 01:13:47,129

open-minded to look at the genuine

1425

01:13:52,520 --> 01:13:49,709

evidence I'm not trying to you know

1426

01:13:54,770 --> 01:13:52,530

substitute one dogma with another Dogma

1427

01:13:58,149 --> 01:13:54,780

or doctrine I'm saying look at the real

1428

01:14:01,879 --> 01:13:58,159

evidence let's put it into context and

1429

01:14:04,969 --> 01:14:01,889

see where it goes and when you do that

1430

01:14:08,029 --> 01:14:04,979

yes dynastic Egypt is dynastic Egypt and

1431

01:14:11,569 --> 01:14:08,039

I don't deny I nastic Egypt but there's

1432

01:14:14,479 --> 01:14:11,579

a lot more to it than just the

1433

01:14:16,669 --> 01:14:14,489

conventional view again you know

1434

01:14:19,399 --> 01:14:16,679

sometimes people misinterpret me and I'm

1435

01:14:23,049 --> 01:14:19,409

not the nine that there was Moses before

1436

01:14:27,709 --> 01:14:23,059

or you know the different ramasees or

1437

01:14:30,500 --> 01:14:27,719

the pharaoh Khufu but what I'm saying is

1438

01:14:33,380 --> 01:14:30,510

that in some cases they were adopting

1439

01:14:36,680 --> 01:14:33,390
and reusing and refurbishing

1440

01:14:39,890 --> 01:14:36,690
building and civilization as a whole was

1441

01:14:43,700 --> 01:14:39,900
building on an earlier legacy and we

1442

01:14:47,060 --> 01:14:43,710
have the same thing in Europe you know

1443

01:14:48,890 --> 01:14:47,070
modern Europe in the last 500 years

1444

01:14:52,880 --> 01:14:48,900
didn't pop out nowhere

1445

01:14:54,770 --> 01:14:52,890
you must have been in the zone that must

1446

01:14:57,290 --> 01:14:54,780
have been the funnest course for you to

1447

01:15:00,860 --> 01:14:57,300
finally oh yeah yeah I was fine it was

1448

01:15:03,320 --> 01:15:00,870
interesting it was fun well now what

1449

01:15:06,860 --> 01:15:03,330
about so we're making little inroads

1450

01:15:08,960 --> 01:15:06,870
even within academia so and okay so that

1451

01:15:12,800 --> 01:15:08,970

was a summer course do you see the

1452

01:15:14,900 --> 01:15:12,810

possibility of this expanding you know

1453

01:15:17,330 --> 01:15:14,910

that's what I that's what I want to do I

1454

01:15:19,670 --> 01:15:17,340

would like to expand it I would like to

1455

01:15:22,340 --> 01:15:19,680

develop this further something else

1456

01:15:25,460 --> 01:15:22,350

which is in its very incipient stages

1457

01:15:28,820 --> 01:15:25,470

but again I want to build it up as I was

1458

01:15:30,680 --> 01:15:28,830

allowed and it's really very small now

1459

01:15:32,810 --> 01:15:30,690

it's essentially mean I you know all

1460

01:15:36,410 --> 01:15:32,820

these things cost money etc and I don't

1461

01:15:40,520 --> 01:15:36,420

want to sound the wrong way but I have

1462

01:15:43,700 --> 01:15:40,530

now been allowed to organize and put

1463

01:15:46,040 --> 01:15:43,710

together what is called which is no let

1464

01:15:48,670 --> 01:15:46,050

me just say the name the Institute for

1465

01:15:51,320 --> 01:15:48,680

the Study of the origins of civilization

1466

01:15:54,770 --> 01:15:51,330

ISOC Institute for the Study of the

1467

01:15:56,810 --> 01:15:54,780

origins of civilization at Boston

1468

01:15:59,540 --> 01:15:56,820

University within my College the College

1469

01:16:01,490 --> 01:15:59,550

of general studies and it's very small

1470

01:16:04,070 --> 01:16:01,500

I'm the director of it but essentially

1471

01:16:08,900 --> 01:16:04,080

I'm directing myself if you would hold

1472

01:16:10,820 --> 01:16:08,910

is great news man yeah so it's I'm

1473

01:16:14,030 --> 01:16:10,830

starting to make inroads so between that

1474

01:16:18,260 --> 01:16:14,040

and I already mentioned Oracle which is

1475

01:16:22,790 --> 01:16:18,270

a independent nonprofit organization so

1476

01:16:25,070 --> 01:16:22,800

that money can be you know how should I

1477

01:16:28,790 --> 01:16:25,080

say what's the word I want donations can

1478

01:16:32,840 --> 01:16:28,800

be made money can be raised as I said

1479

01:16:34,760 --> 01:16:32,850

we're doing this trip in June 2019 which

1480

01:16:38,030 --> 01:16:34,770

gives people an opportunity to go to

1481

01:16:40,340 --> 01:16:38,040

Egypt with me it also helps Oracle not

1482

01:16:43,070 --> 01:16:40,350

in terms of fundraising so much but just

1483

01:16:45,820 --> 01:16:43,080

to get it off the ground and get it out

1484

01:16:48,160 --> 01:16:45,830

there and status that type of thing well

1485

01:16:51,030 --> 01:16:48,170

reminds me I feel like we're trying to

1486

01:16:53,590 --> 01:16:51,040

make real inroads in a serious sense um

1487

01:16:56,680 --> 01:16:53,600

not you know because you I'm an academic

1488

01:16:59,140 --> 01:16:56,690

I teach at a university Boston

1489

01:17:01,420 --> 01:16:59,150

University and so I can criticize my

1490

01:17:05,050 --> 01:17:01,430

fellow academics but also well work with

1491

01:17:07,300 --> 01:17:05,060

them and I want this to become both part

1492

01:17:08,980 --> 01:17:07,310

of the mainstream but not be sucked into

1493

01:17:11,890 --> 01:17:08,990

the mainstream and all of a sudden you

1494

01:17:14,800 --> 01:17:11,900

know I go the other way we need to keep

1495

01:17:18,400 --> 01:17:14,810

to the evidence and keep to what we're

1496

01:17:20,980 --> 01:17:18,410

doing but make that more accessible well

1497

01:17:23,140 --> 01:17:20,990

then but you have to prepare let's say

1498

01:17:27,160 --> 01:17:23,150

the course starts now you can get a

1499

01:17:39,100 --> 01:17:27,170

degree in Egyptology part two right okay

1500

01:17:40,960 --> 01:17:39,110

whatever it is but there is the the one

1501

01:17:44,710 --> 01:17:40,970

question that you're going to have to

1502

01:17:47,200 --> 01:17:44,720

prepare for the first day some student

1503

01:17:50,140 --> 01:17:47,210

is gonna raise their hand and go okay

1504

01:17:52,590 --> 01:17:50,150

professor all good all good but who

1505

01:17:56,020 --> 01:17:52,600

really built the pyramids and that

1506

01:17:58,110 --> 01:17:56,030

that's so I'm that student I raise my

1507

01:18:01,180 --> 01:17:58,120

hand

1508

01:18:05,290 --> 01:18:01,190

you know I say that's your research

1509

01:18:08,650 --> 01:18:05,300

project for the semester that's your

1510

01:18:10,390 --> 01:18:08,660

answer okay no no but I think what we

1511

01:18:13,180 --> 01:18:10,400

have to do and I think this is a very

1512

01:18:16,450 --> 01:18:13,190

important point you asked me who really

1513

01:18:20,230 --> 01:18:16,460

built the Great Pyramid I would say okay

1514

01:18:22,060 --> 01:18:20,240

just to put in context I believe based

1515

01:18:24,280 --> 01:18:22,070

on the evidence whenever I say I believe

1516

01:18:26,050 --> 01:18:24,290

I'm not channeling it or anything like

1517

01:18:30,850 --> 01:18:26,060

that not putting channelers down but

1518

01:18:33,670 --> 01:18:30,860

that's not me right I think there's

1519

01:18:37,000 --> 01:18:33,680

evidence for Khufu being involved with

1520

01:18:40,060 --> 01:18:37,010

the Great Pyramid Khufu or no snow Nall

1521

01:18:43,870 --> 01:18:40,070

so as Cheops the famous fourth dynasty

1522

01:18:45,880 --> 01:18:43,880

pharaoh but that doesn't mean he built

1523

01:18:48,460 --> 01:18:45,890

it from scratch that doesn't mean he

1524

01:18:52,000 --> 01:18:48,470

built it de novo I think he was involved

1525

01:18:54,760 --> 01:18:52,010

with it used it at some point you know

1526

01:18:56,920 --> 01:18:54,770

what I mean he's totally responsible for

1527

01:18:58,960 --> 01:18:56,930

it I think there are earlier stages to

1528

01:18:59,740 --> 01:18:58,970

it that go back to a much earlier period

1529

01:19:01,510 --> 01:18:59,750

I think

1530

01:19:04,570 --> 01:19:01,520

you know many of these things were being

1531

01:19:07,180 --> 01:19:04,580

reused Andrea appropriate it and they go

1532

01:19:08,200 --> 01:19:07,190

back to this much earlier period now who

1533

01:19:11,560 --> 01:19:08,210

are those people

1534

01:19:13,420 --> 01:19:11,570

I don't know precisely at this point and

1535

01:19:16,840 --> 01:19:13,430

I think that's something we have to be

1536

01:19:19,480 --> 01:19:16,850

able to do is be honest in some cases

1537

01:19:23,770 --> 01:19:19,490

that we don't know the answers to

1538

01:19:25,720 --> 01:19:23,780

certain oh man search and discovery what

1539

01:19:27,850 --> 01:19:25,730

you know what I think Khufu had to do

1540

01:19:29,590 --> 01:19:27,860

with the Great Pyramid you can write

1541

01:19:31,840 --> 01:19:29,600

this down too you can add this to the

1542

01:19:37,930 --> 01:19:31,850

curriculum he owned the janitorial

1543

01:19:42,070 --> 01:19:37,940

company the ground crew he was the

1544

01:19:45,010 --> 01:19:42,080

grounds crew but you know he might

1545

01:19:47,830 --> 01:19:45,020

actually agree with you and let me let

1546

01:19:48,910 --> 01:19:47,840

me put it this way the inventory spell

1547

01:19:51,190 --> 01:19:48,920

it there's something knows that

1548

01:19:53,920 --> 01:19:51,200

inventory still I'm not making this up

1549

01:19:56,080 --> 01:19:53,930

and I can show if it's still on display

1550

01:19:59,380 --> 01:19:56,090

I'll show it to everyone when we go to

1551

01:20:00,940 --> 01:19:59,390

the Egyptian museums I not sure which

1552

01:20:02,980 --> 01:20:00,950

museum it's in at the moment because

1553

01:20:05,470 --> 01:20:02,990

they're moving things from the old

1554

01:20:07,630 --> 01:20:05,480

museum to the grand Egyptian Museum and

1555

01:20:09,370 --> 01:20:07,640

so some things may not be on display

1556

01:20:12,010 --> 01:20:09,380

anymore if not I'll show pictures of it

1557

01:20:15,250 --> 01:20:12,020

but it's a little Stella it's from the

1558

01:20:18,460 --> 01:20:15,260

late period but it purports and I think

1559

01:20:21,970 --> 01:20:18,470

it purports correctly to be a copy of a

1560

01:20:24,580 --> 01:20:21,980

much much earlier inscriptions in text

1561

01:20:28,390 --> 01:20:24,590

that go back to the Old Kingdom and

1562

01:20:31,210 --> 01:20:28,400

they're Khufu is recording recorded

1563

01:20:34,150 --> 01:20:31,220

basically as having taking care of these

1564

01:20:36,460 --> 01:20:34,160

older structures I'm Sur bastard I see

1565

01:20:38,740 --> 01:20:36,470

at the moment I'm simplifying it but

1566

01:20:41,290 --> 01:20:38,750

basically he was taking care of and

1567

01:20:44,950 --> 01:20:41,300

restoring older structures like the

1568

01:20:47,230 --> 01:20:44,960

Sphinx like the pyramids or the Great

1569

01:20:48,970 --> 01:20:47,240

Pyramid so in that sense maybe you

1570

01:20:51,100 --> 01:20:48,980

wouldn't want to calm the janitor but I

1571

01:20:55,240 --> 01:20:51,110

think many of them may have been proud

1572

01:20:57,780 --> 01:20:55,250

to be the caretakers of surf's ancient

1573

01:21:00,460 --> 01:20:57,790

sacred sites yeah maintenance crew

1574

01:21:04,720 --> 01:21:00,470

maintenance crew exactly out there with

1575

01:21:08,290 --> 01:21:04,730

the weedeater you know yeah what do they

1576

01:21:11,350 --> 01:21:08,300

call those things that's been around

1577

01:21:13,830 --> 01:21:11,360

quickly yeah yeah yeah weedeater and

1578

01:21:16,209 --> 01:21:13,840

subways

1579

01:21:17,919 --> 01:21:16,219

yeah you know they had to clear out -

1580

01:21:19,540 --> 01:21:17,929

yeah right in the desert

1581

01:21:22,569 --> 01:21:19,550

yeah the desert because they get so many

1582

01:21:25,689 --> 01:21:22,579

weeds in the does they do the causeway

1583

01:21:28,350 --> 01:21:25,699

was inundated with with weeds so you

1584

01:21:32,109 --> 01:21:28,360

know you got to keep that pathway clean

1585

01:21:34,870 --> 01:21:32,119

you know and I say that in jest but not

1586

01:21:37,810 --> 01:21:34,880

really well no not really because when

1587

01:21:39,520 --> 01:21:37,820

you look at the grape any of those this

1588

01:21:43,629 --> 01:21:39,530

Fink's in particular but the great

1589

01:21:45,700 --> 01:21:43,639

pyramid etc if you don't brush away the

1590

01:21:49,529 --> 01:21:45,710

sand and whatnot you're on the edge of

1591

01:21:51,729 --> 01:21:49,539

the Sahara Desert if the sand piles up

1592

01:21:53,589 --> 01:21:51,739

in fact they do need constant

1593

01:21:56,680 --> 01:21:53,599

maintenance and that goes back to

1594

01:21:59,439 --> 01:21:56,690

ancient times when we say ancient times

1595

01:22:02,290 --> 01:21:59,449

that goes back to dynastic time so the

1596

01:22:04,390 --> 01:22:02,300

dynastic Egyptians record how they were

1597

01:22:07,209 --> 01:22:04,400

digging the Sphinx out of the sand they

1598

01:22:09,220 --> 01:22:07,219

record how they had to you know

1599

01:22:11,680 --> 01:22:09,230

basically do cleaning on the Giza

1600

01:22:14,620 --> 01:22:11,690

Plateau to keep everything free of sand

1601

01:22:17,950 --> 01:22:14,630

now let's let's stay on the science side

1602

01:22:20,020 --> 01:22:17,960

of this we've got so much that we want

1603

01:22:22,689 --> 01:22:20,030

to discuss tonight I don't think we ever

1604

01:22:26,620 --> 01:22:22,699

left the science side do you no no I was

1605

01:22:29,950 --> 01:22:26,630

I could though so let's let's let's

1606

01:22:32,439 --> 01:22:29,960

discuss this the MU on project and okay

1607

01:22:35,169 --> 01:22:32,449

and one of and we can you know continue

1608

01:22:38,770 --> 01:22:35,179

after the break but one of the things

1609

01:22:43,089 --> 01:22:38,780

about this that left a great taste in my

1610

01:22:44,979 --> 01:22:43,099

mouth was how Zahi Hawass has said over

1611

01:22:49,390 --> 01:22:44,989

and over again there's nothing to see

1612

01:22:53,319 --> 01:22:49,400

here and here this project clearly has

1613

01:22:55,799 --> 01:22:53,329

found a new chamber above the Grand

1614

01:23:00,009 --> 01:22:55,809

Gallery where there was supposed to be

1615

01:23:03,790 --> 01:23:00,019

nothing again the science is overlapping

1616

01:23:06,850 --> 01:23:03,800

our community isn't it Robert oh yeah

1617

01:23:08,890 --> 01:23:06,860

absolutely absolutely so so what we're

1618

01:23:11,919 --> 01:23:08,900

talking about just so everyone knows is

1619

01:23:15,489 --> 01:23:11,929

the MU ography or the MU on project it's

1620

01:23:18,609 --> 01:23:15,499

also known as scan pyramids and this is

1621

01:23:20,830 --> 01:23:18,619

a bunch of top-notch physicists again so

1622

01:23:23,840 --> 01:23:20,840

it's interesting how a lot of physics in

1623

01:23:26,690 --> 01:23:23,850

geophysics is being used

1624

01:23:29,210 --> 01:23:26,700

the plateau now this is something I why

1625

01:23:31,340 --> 01:23:29,220

I hate to say it this way but I feel

1626

01:23:34,280 --> 01:23:31,350

like I helped pioneer this back in the

1627

01:23:36,740 --> 01:23:34,290

1990s when with Thomas de Becky a

1628

01:23:39,440 --> 01:23:36,750

geophysicist we found a chamber under

1629

01:23:41,450 --> 01:23:39,450

the paw of the Sphinx and I want to come

1630

01:23:45,080 --> 01:23:41,460

back to that because I think big analogy

1631

01:23:47,650 --> 01:23:45,090

here yes they're using mu ons mu ography

1632

01:23:53,720 --> 01:23:47,660

this is a skin pyramid project

1633

01:23:55,960 --> 01:23:53,730

consortium of French Japanese a big

1634

01:23:58,850 --> 01:23:55,970

Japanese contingent I think French

1635

01:24:02,510 --> 01:23:58,860

Canadians etc but really top-notch

1636

01:24:04,700 --> 01:24:02,520

physicists bring in incredible equipment

1637

01:24:07,490 --> 01:24:04,710

and what they're doing is setting up

1638

01:24:09,830 --> 01:24:07,500

detectors in and around the Great

1639

01:24:13,820 --> 01:24:09,840

Pyramid they've set up detectors to

1640

01:24:16,990 --> 01:24:13,830

capture muon's so it's very similar to

1641

01:24:19,550 --> 01:24:17,000

what people know x-rays muon's are

1642

01:24:21,650 --> 01:24:19,560

essentially like electrons but much

1643

01:24:25,610 --> 01:24:21,660

heavier in much shorter half-life

1644

01:24:29,990 --> 01:24:25,620

half-life of millionths of a second they

1645

01:24:32,810 --> 01:24:30,000

the muons are produced in the atmosphere

1646

01:24:36,470 --> 01:24:32,820

from cosmic rays hitting different types

1647

01:24:38,810 --> 01:24:36,480

of atoms they basically break up that

1648

01:24:41,780 --> 01:24:38,820

and so hit the atoms they release

1649

01:24:44,930 --> 01:24:41,790

Muon's in some cases that stream down

1650

01:24:46,820 --> 01:24:44,940

and we have muon's going through us all

1651
01:24:48,740 --> 01:24:46,830
the time you and i and everyone that's

1652
01:24:50,540 --> 01:24:48,750
listening has muons flowing through

1653
01:24:53,810 --> 01:24:50,550
their body they don't interact with

1654
01:24:56,960 --> 01:24:53,820
matter as we know it matter that we're

1655
01:24:59,990 --> 01:24:56,970
used to they have very very very low

1656
01:25:02,420 --> 01:25:00,000
interactions with that but when you have

1657
01:25:06,140 --> 01:25:02,430
something like the Great Pyramid with

1658
01:25:09,140 --> 01:25:06,150
all this stone work a few of the MU ones

1659
01:25:11,780 --> 01:25:09,150
do interact with the stone so this

1660
01:25:14,060 --> 01:25:11,790
nuance slowed down or they are

1661
01:25:16,820 --> 01:25:14,070
attenuated there's not as many mu ones

1662
01:25:19,460 --> 01:25:16,830
coming through where you have huge

1663
01:25:21,920 --> 01:25:19,470

masses of stone so if you put in

1664

01:25:25,190 --> 01:25:21,930

detectors in and around the Great

1665

01:25:28,160 --> 01:25:25,200

Pyramid you can detect if there's some

1666

01:25:30,020 --> 01:25:28,170

places where more moons are flowing

1667

01:25:32,000 --> 01:25:30,030

through that which show cavities that

1668

01:25:33,560 --> 01:25:32,010

would show empty chamber so that's

1669

01:25:36,320 --> 01:25:33,570

exactly what they're doing that that

1670

01:25:37,740 --> 01:25:36,330

makes sense yes it does and what so it's

1671

01:25:39,870 --> 01:25:37,750

like an x-ray and

1672

01:25:41,760 --> 01:25:39,880

they have found and I have looked at all

1673

01:25:44,370 --> 01:25:41,770

the original data and read their

1674

01:25:46,830 --> 01:25:44,380

original papers and whatnot and I'm

1675

01:25:49,800 --> 01:25:46,840

convinced it's really good data and a

1676

01:25:54,930 --> 01:25:49,810

very convincing case they have found a

1677

01:25:57,750 --> 01:25:54,940

huge chamber probably parallel or sub

1678

01:25:59,820 --> 01:25:57,760

parallel to the Grand Gallery above the

1679

01:26:02,340 --> 01:25:59,830

Grand Gallery so to put it in

1680

01:26:07,590 --> 01:26:02,350

perspective this is probably about 30

1681

01:26:09,810 --> 01:26:07,600

feet tall maybe 7 feet wide maybe a

1682

01:26:13,620 --> 01:26:09,820

hundred and fifty feet long so you're

1683

01:26:15,960 --> 01:26:13,630

talking a major chamber paralleling the

1684

01:26:19,440 --> 01:26:15,970

Grand Gallery that's not supposed to be

1685

01:26:22,290 --> 01:26:19,450

there according to Egyptologists because

1686

01:26:24,210 --> 01:26:22,300

there there's more mular's coming

1687

01:26:26,340 --> 01:26:24,220

through and you can detect it that way

1688

01:26:29,220 --> 01:26:26,350

and they've done it from several

1689

01:26:32,550 --> 01:26:29,230

different angles using several different

1690

01:26:35,010 --> 01:26:32,560

types of luan detectors etc they're all

1691

01:26:37,740 --> 01:26:35,020

saying the same thing so to me it's

1692

01:26:41,700 --> 01:26:37,750

really good data and really exciting and

1693

01:26:44,100 --> 01:26:41,710

then there it was a second chamber that

1694

01:26:47,610 --> 01:26:44,110

they found the smaller one on the North

1695

01:26:50,220 --> 01:26:47,620

Face yes my honor on the face near the

1696

01:26:53,250 --> 01:26:50,230

entrance near the known entrance serve

1697

01:26:55,830 --> 01:26:53,260

above it I wasn't surprised by that one

1698

01:26:57,420 --> 01:26:55,840

at all because architectural II it

1699

01:26:59,700 --> 01:26:57,430

always looked to me like there was

1700

01:27:02,880 --> 01:26:59,710

probably something up there in that

1701
01:27:06,540 --> 01:27:02,890
space and they seem to have detected

1702
01:27:08,790 --> 01:27:06,550
that also with the same technique also

1703
01:27:13,290 --> 01:27:08,800
they've done some thermal imaging which

1704
01:27:15,300 --> 01:27:13,300
seems to detect the same chamber that

1705
01:27:16,740 --> 01:27:15,310
there's something going on there so one

1706
01:27:19,530 --> 01:27:16,750
thing I would stress is you've got

1707
01:27:23,340 --> 01:27:19,540
multiple lines of evidence all detecting

1708
01:27:25,170 --> 01:27:23,350
these in the same spaces I also wanted

1709
01:27:26,550 --> 01:27:25,180
to mention I hate to sound I don't want

1710
01:27:29,640 --> 01:27:26,560
to sound the wrong way but you have a

1711
01:27:32,670 --> 01:27:29,650
bunch of Egyptologists like Zahi Hawass

1712
01:27:34,380 --> 01:27:32,680
and mark Lehner who are dismissing this

1713
01:27:36,510 --> 01:27:34,390

completely and saying that there's

1714

01:27:38,970 --> 01:27:36,520

nothing there or if there is anything

1715

01:27:41,370 --> 01:27:38,980

there is just a few little cavities

1716

01:27:44,220 --> 01:27:41,380

between the rocks I mean they're just

1717

01:27:47,220 --> 01:27:44,230

going crazy trying to dismiss it and

1718

01:27:48,870 --> 01:27:47,230

when I read their rebuttals in some

1719

01:27:51,510 --> 01:27:48,880

cases which are just made to the press

1720

01:27:53,910 --> 01:27:51,520

it's fairly evident to

1721

01:27:56,340 --> 01:27:53,920

they have not looked at the raw data or

1722

01:27:59,000 --> 01:27:56,350

if they have they haven't understood it

1723

01:28:03,600 --> 01:27:59,010

because some of the comments they make

1724

01:28:06,210 --> 01:28:03,610

seem to indicate it ignorant of the

1725

01:28:10,950 --> 01:28:06,220

subject matter shape do you and Mark

1726

01:28:13,290 --> 01:28:10,960

talk no I haven't seen I haven't no no

1727

01:28:15,300 --> 01:28:13,300

I'm not in a nasty sense I just haven't

1728

01:28:18,120 --> 01:28:15,310

run across him or seen him in years

1729

01:28:21,360 --> 01:28:18,130

right so you guys are like decades now

1730

01:28:23,280 --> 01:28:21,370

right right not going back so it's not

1731

01:28:24,870 --> 01:28:23,290

that no it's not like we've run into

1732

01:28:26,880 --> 01:28:24,880

each other and refused to talk I

1733

01:28:29,910 --> 01:28:26,890

literally just haven't had any contact

1734

01:28:33,750 --> 01:28:29,920

with them it's that I haven't started

1735

01:28:37,140 --> 01:28:33,760

out either I can understand I've seen

1736

01:28:38,940 --> 01:28:37,150

Joe Hawass a number of times over the

1737

01:28:42,750 --> 01:28:38,950

last couple of decades

1738

01:28:44,670 --> 01:28:42,760

I'm not real recently but I was always

1739

01:28:47,400 --> 01:28:44,680
on much better terms with him

1740

01:28:48,960 --> 01:28:47,410
well I only bring it up because I've

1741

01:28:52,920 --> 01:28:48,970
only got about a minute before the break

1742

01:28:56,490 --> 01:28:52,930
that for Mark and for Zahi for them to

1743

01:29:00,090 --> 01:28:56,500
have stood their ground so firmly on

1744

01:29:03,060 --> 01:29:00,100
what the Great Pyramid could be you know

1745

01:29:05,220 --> 01:29:03,070
they've closed those doors if yes if

1746

01:29:07,530 --> 01:29:05,230
this this they're gonna have to

1747

01:29:11,070 --> 01:29:07,540
backpedal and that's yeah yeah it

1748

01:29:13,890 --> 01:29:11,080
becomes hard when you surf put so much

1749

01:29:17,370 --> 01:29:13,900
emphasis on one view when you've written

1750

01:29:19,680 --> 01:29:17,380
so many books and articles for promoting

1751

01:29:22,350 --> 01:29:19,690

that one view and then you have data

1752

01:29:24,240 --> 01:29:22,360

that comes out that contradicts it I

1753

01:29:26,880 --> 01:29:24,250

mean I understand where they're coming

1754

01:29:28,350 --> 01:29:26,890

from and I feel I don't know I was going

1755

01:29:32,760 --> 01:29:28,360

to say I feel bad for him I don't feel

1756

01:29:35,700 --> 01:29:32,770

bad for them but you know they have a

1757

01:29:37,350 --> 01:29:35,710

lot of vested interest in the way they

1758

01:29:39,660 --> 01:29:37,360

see things they don't want to change

1759

01:29:41,760 --> 01:29:39,670

let's take a break right here our guest

1760

01:29:43,980 --> 01:29:41,770

tonight dr. Robert M shot yeah I've

1761

01:29:45,960 --> 01:29:43,990

always wondered by the way when I've

1762

01:29:47,940 --> 01:29:45,970

looked at that entrance on the North

1763

01:29:51,260 --> 01:29:47,950

Face that there is so much more

1764

01:29:53,400 --> 01:29:51,270

underneath those that first layer of

1765

01:29:55,620 --> 01:29:53,410

construction this is fade to black I'm

1766

01:29:56,799 --> 01:29:55,630

Merrill to be Church more with dr.

1767

01:30:01,120 --> 01:29:56,809

Schaack after this short

1768

01:30:01,130 --> 01:30:10,950

[Music]

1769

01:30:18,160 --> 01:30:14,130

way out here we listen to Jimmy Church

1770

01:30:20,470 --> 01:30:18,170

you're listening to fade to black always

1771

01:30:23,290 --> 01:30:20,480

on the edge of the hottest alternative

1772

01:30:42,550 --> 01:30:23,300

talk chilly church with fade to black

1773

01:30:46,300 --> 01:30:42,560

stay GRA radio.com hurricanes

1774

01:30:48,040 --> 01:30:46,310

earthquakes wildfires this year we've

1775

01:30:50,830 --> 01:30:48,050

experienced more than our fair share

1776

01:30:53,320 --> 01:30:50,840

this is Jimmy Church a fade to black and

1777

01:30:55,510 --> 01:30:53,330

last month I decided to make sure my

1778

01:30:57,670 --> 01:30:55,520

family does not have to worry about food

1779

01:31:01,420 --> 01:30:57,680

should we get caught in a real emergency

1780

01:31:03,310 --> 01:31:01,430

situation introducing Humana a healthy

1781

01:31:04,930 --> 01:31:03,320

storable product that tastes so good

1782

01:31:06,910 --> 01:31:04,940

that you'll want to eat it every day

1783

01:31:09,670 --> 01:31:06,920

instead of just during those times of

1784

01:31:13,060 --> 01:31:09,680

duress all new manna products have a 25

1785

01:31:15,180 --> 01:31:13,070

year shelf life our MSG and GMO free no

1786

01:31:17,620 --> 01:31:15,190

preservatives and are made in America

1787

01:31:19,390 --> 01:31:17,630

with the new manna pack in your home

1788

01:31:22,209 --> 01:31:19,400

you'll be able to sleep at night knowing

1789

01:31:25,390 --> 01:31:22,219

that you protected your family not only

1790

01:31:27,760 --> 01:31:25,400

have I tasted and tested I own it now

1791

01:31:30,070 --> 01:31:27,770

you can too just click on the new mana

1792

01:31:32,140 --> 01:31:30,080

banner on Jimmy Church radio.com and use

1793

01:31:34,540 --> 01:31:32,150

the promo code Jimmy when you order in

1794

01:31:36,540 --> 01:31:34,550

addition to a discount we'll send you an

1795

01:31:40,540 --> 01:31:36,550

autograph fade to black t-shirt

1796

01:31:42,070 --> 01:31:40,550

seriously gobekli tepe do you worry a

1797

01:31:44,459 --> 01:31:42,080

lot whether you're a college student

1798

01:31:46,959 --> 01:31:44,469

busy professional parent or grandparent

1799

01:31:49,000 --> 01:31:46,969

ongoing stress and elevated levels of

1800

01:31:51,100 --> 01:31:49,010

the stress hormone cortisol can rob your

1801
01:31:53,320 --> 01:31:51,110
memory your health and your future

1802
01:31:55,330 --> 01:31:53,330
now you can combat the effects of stress

1803
01:31:57,280 --> 01:31:55,340
and anxiety while improving your memory

1804
01:31:59,380 --> 01:31:57,290
and recall at the same time with the

1805
01:32:01,150 --> 01:31:59,390
dietary supplement calm and clever

1806
01:32:03,280 --> 01:32:01,160
studies show that the ingredients in

1807
01:32:05,770 --> 01:32:03,290
common clever reduce cortisol by as much

1808
01:32:07,180 --> 01:32:05,780
as 30% in one to two weeks call one

1809
01:32:10,390 --> 01:32:07,190
eight hundred seven five eight eight

1810
01:32:12,880 --> 01:32:10,400
seven four six or calm and clever calm

1811
01:32:21,669 --> 01:32:12,890
you listen to us and we listen to you

1812
01:32:23,380 --> 01:32:21,679
and so does the CIA k GRA radio.com hi

1813
01:32:24,130 --> 01:32:23,390

folks what can I say without making

1814

01:32:25,840 --> 01:32:24,140

claims

1815

01:32:27,370 --> 01:32:25,850

seaweed is truly the buzzword for

1816

01:32:29,290 --> 01:32:27,380

health what does it do government

1817

01:32:31,270 --> 01:32:29,300

institutions will not allow me to say

1818

01:32:34,149 --> 01:32:31,280

what this wonderful oil does for us but

1819

01:32:36,820 --> 01:32:34,159

I can say it's non-gmo and organic I can

1820

01:32:38,770 --> 01:32:36,830

say it's point zero zero three THC which

1821

01:32:41,050 --> 01:32:38,780

in plain English means you won't get

1822

01:32:43,090 --> 01:32:41,060

high there are those that want to squash

1823

01:32:44,890 --> 01:32:43,100

your freedom to buy natural products

1824

01:32:46,990 --> 01:32:44,900

fight back with your purchase power in

1825

01:32:49,030 --> 01:32:47,000

the end it is you that takes care of

1826
01:32:53,680 --> 01:32:49,040
your health go to ancient life oil calm

1827
01:32:55,149 --> 01:32:53,690
one more time ancient life oil calm you

1828
01:32:57,459 --> 01:32:55,159
are listening to fade to black

1829
01:33:03,160 --> 01:32:57,469
with Jimmy Church on the game change in

1830
01:33:05,709 --> 01:33:03,170
network oh you're listening to Jimmy

1831
01:33:08,530 --> 01:33:05,719
Church this is a revolution the

1832
01:33:16,100 --> 01:33:08,540
revolution will not be televised the

1833
01:33:53,870 --> 01:33:51,110
[Music]

1834
01:33:56,580 --> 01:33:53,880
[Applause]

1835
01:33:57,840 --> 01:33:56,590
all right welcome back fade to black I'm

1836
01:34:00,660 --> 01:33:57,850
your host of your church our guest

1837
01:34:03,870 --> 01:34:00,670
tonight dr. Robert Emms shot doing all

1838
01:34:06,750 --> 01:34:03,880

things Egypt tonight lots and lots of

1839

01:34:08,070 --> 01:34:06,760

breaking news out of Egypt the segment

1840

01:34:10,680 --> 01:34:08,080

of fade to black is proudly brought to

1841

01:34:13,530 --> 01:34:10,690

you by noon Anna emergency food storage

1842

01:34:15,270 --> 01:34:13,540

for you and your family click on the new

1843

01:34:17,010 --> 01:34:15,280

man in banners over to me church radio

1844

01:34:19,470 --> 01:34:17,020

calm use the promo code

1845

01:34:21,510 --> 01:34:19,480

Jimmy ten Jimmy ten will get you ten

1846

01:34:23,940 --> 01:34:21,520

percent off it'll get you free shipping

1847

01:34:25,890 --> 01:34:23,950

and will also get to every order over a

1848

01:34:28,860 --> 01:34:25,900

hundred dollars an autograph fade to

1849

01:34:32,820 --> 01:34:28,870

black t-shirt dr. Schaack do you have a

1850

01:34:36,210 --> 01:34:32,830

fade to black t-shirt no I don't know

1851
01:34:42,210 --> 01:34:36,220
Katie Katie has yours oh she has mine

1852
01:34:44,880 --> 01:34:42,220
okay yeah you need to be my wife you

1853
01:34:47,610 --> 01:34:44,890
need to go talk to Katie I could just

1854
01:34:49,140 --> 01:34:47,620
see you on the next Egypt or wearing a

1855
01:34:52,350 --> 01:34:49,150
faded black t-shirt because you're a

1856
01:34:56,460 --> 01:34:52,360
rock and roller and we have we got to

1857
01:34:58,260 --> 01:34:56,470
get that fixed the second Sphinx now you

1858
01:35:00,090 --> 01:34:58,270
know way way before we get to the second

1859
01:35:02,010 --> 01:35:00,100
Springs can I say one more thing sure

1860
01:35:04,320 --> 01:35:02,020
because we were just talking about

1861
01:35:07,290 --> 01:35:04,330
through ography and that type of thing

1862
01:35:12,030 --> 01:35:07,300
so I found it very funny the physicists

1863
01:35:15,300 --> 01:35:12,040

described this this chamber this on the

1864

01:35:17,480 --> 01:35:15,310

chamber they found above the Grand

1865

01:35:20,880 --> 01:35:17,490

Gallery and they described it very

1866

01:35:24,150 --> 01:35:20,890

matter-of-factly as a void a big void

1867

01:35:26,280 --> 01:35:24,160

when something's 150 feet long etc it is

1868

01:35:27,180 --> 01:35:26,290

a big void I think that's very

1869

01:35:29,970 --> 01:35:27,190

descriptive

1870

01:35:32,010 --> 01:35:29,980

then the Ministry of Antiquities and the

1871

01:35:36,390 --> 01:35:32,020

Egyptologists were all up in arms and

1872

01:35:40,650 --> 01:35:36,400

they said oh that's propaganda the what

1873

01:35:42,870 --> 01:35:40,660

what do you think it could be what I

1874

01:35:45,510 --> 01:35:42,880

mean by that is this it could it be like

1875

01:35:47,190 --> 01:35:45,520

an escape route for those that built the

1876

01:35:49,410 --> 01:35:47,200

room no I don't think you're talking

1877

01:35:51,480 --> 01:35:49,420

escape route because not when you're

1878

01:35:53,820 --> 01:35:51,490

talking something that big I think it

1879

01:35:56,310 --> 01:35:53,830

might be holding something it might be

1880

01:36:00,240 --> 01:35:56,320

holding records or something like that

1881

01:36:02,070 --> 01:36:00,250

not unlike the chamber under the pod the

1882

01:36:04,890 --> 01:36:02,080

Sphinx that we found and what I wanted

1883

01:36:07,160 --> 01:36:04,900

to say before the break as I said I want

1884

01:36:10,100 --> 01:36:07,170

to come back to this for just a second

1885

01:36:11,919 --> 01:36:10,110

I have incredible sympathy for what

1886

01:36:16,100 --> 01:36:11,929

they're going through now with the

1887

01:36:18,229 --> 01:36:16,110

Egyptologist denying the physics that

1888

01:36:20,060 --> 01:36:18,239

found this chamber and of course it

1889

01:36:22,189 --> 01:36:20,070

still has to be explored it would be

1890

01:36:25,250 --> 01:36:22,199

nice to drill into it and see what's

1891

01:36:27,800 --> 01:36:25,260

physically there etc do I expect that to

1892

01:36:30,530 --> 01:36:27,810

happen anytime soon not necessarily no

1893

01:36:32,000 --> 01:36:30,540

knowing how things go in Egypt but it's

1894

01:36:34,550 --> 01:36:32,010

being totally dismissed

1895

01:36:37,430 --> 01:36:34,560

they even though it's based on film I'm

1896

01:36:40,669 --> 01:36:37,440

sorry even though it's based on sound

1897

01:36:42,890 --> 01:36:40,679

physics and I experienced the same thing

1898

01:36:45,860 --> 01:36:42,900

when we found the chamber under the paw

1899

01:36:48,500 --> 01:36:45,870

of the Sphinx they dismissed that too

1900

01:36:50,450 --> 01:36:48,510

and basically put a squelch on their

1901

01:36:53,360 --> 01:36:50,460

research and said this was propoganda

1902

01:36:55,040 --> 01:36:53,370

it's stealing Egypt from the Egyptians

1903

01:37:00,310 --> 01:36:55,050

they're doing the same thing with this

1904

01:37:02,810 --> 01:37:00,320

so there's this weird resistance to to

1905

01:37:05,660 --> 01:37:02,820

developing new theories new evidence

1906

01:37:08,030 --> 01:37:05,670

well they're talking about doing the

1907

01:37:11,890 --> 01:37:08,040

gate and brink model you know they're

1908

01:37:16,600 --> 01:37:11,900

talking about now bill you know putting

1909

01:37:19,130 --> 01:37:16,610

yeah for this though there's no no

1910

01:37:21,200 --> 01:37:19,140

passages that go up to it that anyone

1911

01:37:22,939 --> 01:37:21,210

knows at this point I was gonna ask you

1912

01:37:29,150 --> 01:37:22,949

about that at the top of the Grand

1913

01:37:30,919 --> 01:37:29,160

Gallery where have you looked up yes I

1914

01:37:32,930 --> 01:37:30,929

know what you're talking about but

1915

01:37:38,180 --> 01:37:32,940

there's no evidence that this goes into

1916

01:37:42,650 --> 01:37:38,190

that what was just found you don't know

1917

01:37:44,750 --> 01:37:42,660

no you don't and I need your academic

1918

01:37:45,740 --> 01:37:44,760

eyeballs you know up there at the top of

1919

01:37:47,240 --> 01:37:45,750

the stairs

1920

01:37:51,130 --> 01:37:47,250

you know the entrance into the King's

1921

01:37:55,370 --> 01:37:51,140

Chamber and kind of the possibility of

1922

01:37:57,020 --> 01:37:55,380

something blocking a tunnel going into I

1923

01:37:58,610 --> 01:37:57,030

mean way out because you know when you

1924

01:38:02,030 --> 01:37:58,620

go into the King's Chamber there are

1925

01:38:05,600 --> 01:38:02,040

some blocks that looks fairly loose that

1926

01:38:07,970 --> 01:38:05,610

type of thing well you tell me I mean

1927

01:38:10,689 --> 01:38:07,980

you've been there do you think that that

1928

01:38:14,120 --> 01:38:10,699

there is a possibility of getting into

1929

01:38:17,030 --> 01:38:14,130

this newly discovered chamber not not

1930

01:38:19,760 --> 01:38:17,040

probably not from there because of the

1931

01:38:20,990 --> 01:38:19,770

positioning of it that type of thing and

1932

01:38:23,330 --> 01:38:21,000

I've been up in

1933

01:38:25,280 --> 01:38:23,340

to the so called relieving chambers or

1934

01:38:28,580 --> 01:38:25,290

relief chambers or chambers of

1935

01:38:31,130 --> 01:38:28,590

construction above the King's Chamber I

1936

01:38:34,430 --> 01:38:31,140

don't know many people have been up

1937

01:38:38,450 --> 01:38:34,440

there but I'm one of them and I saw no

1938

01:38:41,510 --> 01:38:38,460

way to go from that into this new big

1939

01:38:43,910 --> 01:38:41,520

void as they call it so it may be

1940

01:38:46,490 --> 01:38:43,920

totally sealed off but we just don't

1941

01:38:49,100 --> 01:38:46,500

know for certain it really is going to

1942

01:38:51,980 --> 01:38:49,110

take more study and there's the problem

1943

01:38:54,140 --> 01:38:51,990

will the Egyptian authorities allow that

1944

01:38:57,830 --> 01:38:54,150

study to continue I don't know now I

1945

01:39:01,280 --> 01:38:57,840

heard a rumor I want to run this past

1946

01:39:07,310 --> 01:39:01,290

you that there was a period of a couple

1947

01:39:08,990 --> 01:39:07,320

of months where they had some tents set

1948

01:39:11,030 --> 01:39:09,000

up and some trucks outside of the

1949

01:39:15,470 --> 01:39:11,040

entrance of the grant the Great Pyramid

1950

01:39:19,490 --> 01:39:15,480

and that they were they they gained

1951

01:39:22,910 --> 01:39:19,500

access to the chamber removed the stuff

1952

01:39:26,840 --> 01:39:22,920

that they found and it will be part of

1953

01:39:28,490 --> 01:39:26,850

the new grand museum's opening well what

1954

01:39:30,650 --> 01:39:28,500

chamber you're talking about the new

1955

01:39:32,780 --> 01:39:30,660

chamber above the Grand Gallery that

1956

01:39:35,360 --> 01:39:32,790

they actually go no no no they didn't

1957

01:39:37,610 --> 01:39:35,370

get into that what does timber best of

1958

01:39:39,770 --> 01:39:37,620

my knowledge those tents and trucks and

1959

01:39:44,990 --> 01:39:39,780

whatnot right that was that was some

1960

01:39:46,790 --> 01:39:45,000

thermal imaging instruments that the

1961

01:39:49,760 --> 01:39:46,800

physicists we were talking about the

1962

01:39:52,610 --> 01:39:49,770

scan pyramids physicists were using to

1963

01:39:56,600 --> 01:39:52,620

do thermal imaging of the Great Pyramid

1964

01:39:59,950 --> 01:39:56,610

because what you have is that the Great

1965

01:40:02,660 --> 01:39:59,960

Pyramid heats up and cooled them between

1966

01:40:05,990 --> 01:40:02,670

you know the daylight hours in the

1967

01:40:08,630 --> 01:40:06,000

nighttime hours etc but different rocks

1968

01:40:11,240 --> 01:40:08,640

absorb in a mid heat in different

1969

01:40:13,730 --> 01:40:11,250

amounts and also they cooled down in

1970

01:40:16,400 --> 01:40:13,740

different ways and they will cool down

1971

01:40:18,380 --> 01:40:16,410

quicker or slower depending not just on

1972

01:40:21,410 --> 01:40:18,390

the rock type but if there's cavities

1973

01:40:24,880 --> 01:40:21,420

behind them and in found fact they found

1974

01:40:27,260 --> 01:40:24,890

what may be some cavities that way or

1975

01:40:30,620 --> 01:40:27,270

chambers whatever you want to call it

1976

01:40:32,360 --> 01:40:30,630

using that type of thermal imaging I

1977

01:40:33,780 --> 01:40:32,370

mean I saw that they were there that's

1978

01:40:38,030 --> 01:40:33,790

what they were doing there

1979

01:40:41,040 --> 01:40:38,040

so you don't think there is a

1980

01:40:43,980 --> 01:40:41,050

possibility that for the grand opening

1981

01:40:46,920 --> 01:40:43,990

they just do this huge reveal oh by the

1982

01:40:51,900 --> 01:40:46,930

way no no I actually don't

1983

01:40:54,000 --> 01:40:51,910

I mean is it remotely possible one you

1984

01:40:58,110 --> 01:40:54,010

know point zero zero zero one percent

1985

01:41:01,980 --> 01:40:58,120

probability but no I don't think so

1986

01:41:04,470 --> 01:41:01,990

partly I don't think yeah to try to move

1987

01:41:07,920 --> 01:41:04,480

anything around in Egypt to try to go

1988

01:41:11,820 --> 01:41:07,930

into something like that without anyone

1989

01:41:14,940 --> 01:41:11,830

detecting it without anyone leaking that

1990

01:41:17,930 --> 01:41:14,950

type of thing you know between security

1991

01:41:22,470 --> 01:41:17,940

between the practical aspects of it the

1992

01:41:24,300 --> 01:41:22,480

keeping everyone quiet it's not

1993

01:41:28,050 --> 01:41:24,310

realistic I don't think that they

1994

01:41:31,980 --> 01:41:28,060

they've been able to do that now and

1995

01:41:33,720 --> 01:41:31,990

staying on this we have the new museum

1996

01:41:36,120 --> 01:41:33,730

which is going to open up in November

1997

01:41:39,900 --> 01:41:36,130

yeah and this is a grand Egyptian Museum

1998

01:41:42,090 --> 01:41:39,910

and this is on site at Giza great for

1999

01:41:45,300 --> 01:41:42,100

job it's about it's a couple of

2000

01:41:48,450 --> 01:41:45,310

kilometers basically north of the

2001
01:41:50,730 --> 01:41:48,460
pyramids you and I were talking over the

2002
01:41:52,950 --> 01:41:50,740
phone privately and I'll describe it now

2003
01:41:55,530 --> 01:41:52,960
they among other things are going to

2004
01:41:58,950 --> 01:41:55,540
have a big sort of a big picture window

2005
01:42:01,470 --> 01:41:58,960
view of the pyramids from the grand

2006
01:42:05,220 --> 01:42:01,480
Egyptian Museum Katie and I had the

2007
01:42:07,260 --> 01:42:05,230
opportunity to visit it while it's you

2008
01:42:10,410 --> 01:42:07,270
know it's still under construction and

2009
01:42:13,380 --> 01:42:10,420
we saw parts of it not so much the

2010
01:42:15,750 --> 01:42:13,390
exhibit areas but the first thing they

2011
01:42:18,350 --> 01:42:15,760
completed we're the conservation areas

2012
01:42:20,940 --> 01:42:18,360
because they're bringing statues and

2013
01:42:22,680 --> 01:42:20,950

artifacts and that type of thing into

2014

01:42:24,750 --> 01:42:22,690

the museum so the first thing they have

2015

01:42:27,870 --> 01:42:24,760

to do is take care of them preserve them

2016

01:42:30,750 --> 01:42:27,880

conserve them before they actually put

2017

01:42:32,820 --> 01:42:30,760

them on display but there I want to say

2018

01:42:35,100 --> 01:42:32,830

the whole museum's costing hundreds of

2019

01:42:37,710 --> 01:42:35,110

millions maybe half a billion dollars I

2020

01:42:39,350 --> 01:42:37,720

mean this is a major project what are

2021

01:42:42,270 --> 01:42:39,360

they going to do with the old museum I

2022

01:42:44,810 --> 01:42:42,280

don't know I don't know I hope that they

2023

01:42:47,310 --> 01:42:44,820

preserve it because it's a beautiful

2024

01:42:49,960 --> 01:42:47,320

architectural

2025

01:42:51,970 --> 01:42:49,970

no building you know so it's a it's a

2026

01:42:54,400 --> 01:42:51,980

masterpiece in its own right it's not

2027

01:42:57,310 --> 01:42:54,410

what we expect what people expect of a

2028

01:42:59,860 --> 01:42:57,320

museum nowadays I personally hope that

2029

01:43:04,120 --> 01:42:59,870

they keep it open with just a few pieces

2030

01:43:06,220 --> 01:43:04,130

on display and the classic traditional

2031

01:43:09,460 --> 01:43:06,230

setting and if they don't I'll miss it

2032

01:43:11,740 --> 01:43:09,470

it's to be that's the Cairo Museum the

2033

01:43:14,350 --> 01:43:11,750

Egyptian Museum in Cairo but the grand

2034

01:43:16,120 --> 01:43:14,360

Egyptian Museum I think the new one is

2035

01:43:19,960 --> 01:43:16,130

going to be magnificent

2036

01:43:22,840 --> 01:43:19,970

now this second Sphinx you and I have

2037

01:43:24,760 --> 01:43:22,850

done a couple of shows about this in the

2038

01:43:27,780 --> 01:43:24,770

past and the fourth pyramid we've

2039

01:43:30,729 --> 01:43:27,790

discussed this a lot this news broke

2040

01:43:34,300 --> 01:43:30,739

last week in the week before that a

2041

01:43:36,640 --> 01:43:34,310

second Sphinx was discovered I want to I

2042

01:43:40,510 --> 01:43:36,650

need you to help me clarify what's going

2043

01:43:44,500 --> 01:43:40,520

on they this is now Luxor they're

2044

01:43:47,380 --> 01:43:44,510

talking about and not as Fink's on Giza

2045

01:43:50,320 --> 01:43:47,390

which is yeah and talked about a lot you

2046

01:43:52,810 --> 01:43:50,330

know there's so much talk about second

2047

01:43:55,540 --> 01:43:52,820

sphinxes and i have lived through

2048

01:43:57,910 --> 01:43:55,550

decades of second sphinxes as I was

2049

01:43:59,680 --> 01:43:57,920

reflecting on this since you and I

2050

01:44:03,690 --> 01:43:59,690

talked privately on the phone a couple

2051
01:44:05,860 --> 01:44:03,700
of days ago before this radio show I

2052
01:44:09,340 --> 01:44:05,870
remember people coming out with the

2053
01:44:12,040 --> 01:44:09,350
seconds fix on the Giza Plateau several

2054
01:44:14,610 --> 01:44:12,050
different times I've been shown by I

2055
01:44:18,250 --> 01:44:14,620
don't even one name the name by the

2056
01:44:20,500 --> 01:44:18,260
Egyptian Egyptologist had he showed me

2057
01:44:21,430 --> 01:44:20,510
one area on the plateau I'll get to

2058
01:44:24,010 --> 01:44:21,440
Luxor a minute

2059
01:44:26,200 --> 01:44:24,020
he showed me one area on the plateau he

2060
01:44:28,810 --> 01:44:26,210
said oh this is the second Sphinx and

2061
01:44:30,340 --> 01:44:28,820
I'm not convinced that of it at all he

2062
01:44:33,100 --> 01:44:30,350
said well you can't really see it

2063
01:44:35,979 --> 01:44:33,110

anymore because it's been read and

2064

01:44:38,620 --> 01:44:35,989

modified and turned into tombs that sort

2065

01:44:40,780 --> 01:44:38,630

of west and south of the Sphinx and

2066

01:44:43,060 --> 01:44:40,790

there's another place where someone else

2067

01:44:44,910 --> 01:44:43,070

claims there's a sphinx sort of north

2068

01:44:48,550 --> 01:44:44,920

and west of the Sphinx on the plateau

2069

01:44:50,950 --> 01:44:48,560

I'm not convinced of that a lot of the

2070

01:44:54,850 --> 01:44:50,960

discussion of the second Sphinx is

2071

01:44:56,650 --> 01:44:54,860

because the stela between the paws of

2072

01:44:59,320 --> 01:44:56,660

the Sphinx and I will show this to

2073

01:45:00,279 --> 01:44:59,330

everyone who goes to Egypt with me will

2074

01:45:03,189 --> 01:45:00,289

see it

2075

01:45:07,089 --> 01:45:03,199

on site there's this big grin at Stella

2076

01:45:09,839 --> 01:45:07,099

between the paws of the Sphinx that was

2077

01:45:14,770 --> 01:45:09,849

erected by top Moses the fourth about

2078

01:45:17,740 --> 01:45:14,780

1400 BC when he dug out what he

2079

01:45:20,410 --> 01:45:17,750

considered a very ancient Sphinx he dug

2080

01:45:22,779 --> 01:45:20,420

it out the sand at that time as he

2081

01:45:25,990 --> 01:45:22,789

recourse the Sphinx was buried in sand

2082

01:45:29,620 --> 01:45:26,000

up to its neck he dug it out

2083

01:45:32,350 --> 01:45:29,630

he put this Stella this big granite

2084

01:45:35,140 --> 01:45:32,360

carving with hieroglyphic inscriptions

2085

01:45:38,350 --> 01:45:35,150

all over it between the paws of the

2086

01:45:42,040 --> 01:45:38,360

Sphinx and on it he shows not one Sphinx

2087

01:45:44,229 --> 01:45:42,050

but two sinks is so ever since then

2088

01:45:46,209 --> 01:45:44,239

everyone's looking for the second Sphinx

2089

01:45:48,029 --> 01:45:46,219

because if there's two sphinxes on the

2090

01:45:51,279 --> 01:45:48,039

stela between the paws of the Sphinx

2091

01:45:55,089 --> 01:45:51,289

people figure well there must be the

2092

01:45:57,490 --> 01:45:55,099

Great Sphinx and another Sphinx so what

2093

01:46:01,149 --> 01:45:57,500

came out recently in the news was a

2094

01:46:05,200 --> 01:46:01,159

quote second Sphinx in Luxor which is

2095

01:46:07,479 --> 01:46:05,210

you know way down south up the Nile

2096

01:46:11,229 --> 01:46:07,489

because the Nile flows from south to

2097

01:46:14,259 --> 01:46:11,239

north so way down south and Luxor the

2098

01:46:16,899 --> 01:46:14,269

problem is that this quotes second

2099

01:46:18,700 --> 01:46:16,909

Sphinx is about maybe not the second

2100

01:46:20,709 --> 01:46:18,710

Sphinx not for third Sphinx not the

2101

01:46:24,220 --> 01:46:20,719

fourth things from my perspective but

2102

01:46:26,589 --> 01:46:24,230

maybe Sphinx number 375 or who knows

2103

01:46:30,339 --> 01:46:26,599

what because there are things this all

2104

01:46:33,009 --> 01:46:30,349

over Luxor and I actually looked it up

2105

01:46:34,779 --> 01:46:33,019

and I looked at looked at the links that

2106

01:46:38,589 --> 01:46:34,789

you and I discussed I looked up some

2107

01:46:41,709 --> 01:46:38,599

other research on it and it's exactly

2108

01:46:44,770 --> 01:46:41,719

where I would expect another Sphinx to

2109

01:46:48,100 --> 01:46:44,780

be found it's just a big monolithic

2110

01:46:49,629 --> 01:46:48,110

statue of a sphinx maybe 26 feet long I

2111

01:46:52,990 --> 01:46:49,639

think in this case the one they're

2112

01:46:56,740 --> 01:46:53,000

talking about but 26 feet is nothing

2113

01:47:00,370 --> 01:46:56,750

compared to you know 240 feet or

2114

01:47:02,859 --> 01:47:00,380

whatever for the Great Sphinx and it

2115

01:47:04,540 --> 01:47:02,869

luxord they were carving sphinxes all

2116

01:47:08,049 --> 01:47:04,550

over the place because they had an

2117

01:47:11,589 --> 01:47:08,059

avenue from what's now known as luxor

2118

01:47:13,610 --> 01:47:11,599

temple to karnak temple you know several

2119

01:47:16,400 --> 01:47:13,620

kilometers and that

2120

01:47:18,290 --> 01:47:16,410

was lined with sphinxes on either side

2121

01:47:20,810 --> 01:47:18,300

so they find sphinxes all the time

2122

01:47:24,820 --> 01:47:20,820

whenever they you know build broach in

2123

01:47:27,800 --> 01:47:24,830

that area why why take it to this level

2124

01:47:29,750 --> 01:47:27,810

second Sphinx because second Sphinx only

2125

01:47:32,060 --> 01:47:29,760

means one thing to you and I in the rest

2126

01:47:35,690 --> 01:47:32,070

of the community that's exactly it so

2127

01:47:39,140 --> 01:47:35,700

here's my theory and it's not it I don't

2128

01:47:42,260 --> 01:47:39,150

mean to be nasty but when people say

2129

01:47:46,100 --> 01:47:42,270

second Sphinx if they release a news

2130

01:47:48,050 --> 01:47:46,110

article or announcement about a second

2131

01:47:51,020 --> 01:47:48,060

Sphinx they know that we're going to

2132

01:47:54,830 --> 01:47:51,030

talk about on the radio because second

2133

01:47:58,370 --> 01:47:54,840

things to us means a compliment to the

2134

01:48:02,480 --> 01:47:58,380

great sphinx another sphinx the size of

2135

01:48:04,970 --> 01:48:02,490

this great sphinx oh you know basically

2136

01:48:06,410 --> 01:48:04,980

a companion to the great sphinx we're

2137

01:48:08,780 --> 01:48:06,420

not thinking about something that's

2138

01:48:10,640 --> 01:48:08,790

maybe 20 or 30 feet long we're thinking

2139

01:48:14,980 --> 01:48:10,650

of something that's hundreds of feet

2140

01:48:18,230 --> 01:48:14,990

long so it's serve what did they say

2141

01:48:20,870 --> 01:48:18,240

well to be an advertising you you I'm

2142

01:48:22,730 --> 01:48:20,880

switchin bait bait and switch no be nice

2143

01:48:24,620 --> 01:48:22,740

maybe switch because yeah yeah so they

2144

01:48:26,830 --> 01:48:24,630

say second Sphinx well it's not the

2145

01:48:29,240 --> 01:48:26,840

second Sphinx it's number Sphinx number

2146

01:48:31,400 --> 01:48:29,250

375 is I would say I'm just making up

2147

01:48:34,760 --> 01:48:31,410

that number but they got your attention

2148

01:48:37,130 --> 01:48:34,770

and they want your attention and then I

2149

01:48:38,870 --> 01:48:37,140

was reading one article and it even said

2150

01:48:41,780 --> 01:48:38,880

well the authorities haven't released a

2151

01:48:45,110 --> 01:48:41,790

photograph of it but they encourage

2152

01:48:47,660 --> 01:48:45,120

tourists to come and visit Luxor and see

2153

01:48:50,150 --> 01:48:47,670

it for themselves well what is this

2154

01:48:53,540 --> 01:48:50,160

saying they want tourism they want you

2155

01:48:58,150 --> 01:48:53,550

to help the Egyptian economy to be clear

2156

01:49:02,420 --> 01:48:58,160

the Great Sphinx was carved of the earth

2157

01:49:07,010 --> 01:49:02,430

that's right bedrock living rock food it

2158

01:49:10,790 --> 01:49:07,020

is still attached still attached and so

2159

01:49:12,080 --> 01:49:10,800

the this second Sphinx that is in the

2160

01:49:17,180 --> 01:49:12,090

news right now

2161

01:49:19,340 --> 01:49:17,190

luck is or is portable oh yeah yeah I

2162

01:49:22,790 --> 01:49:19,350

mean it weighs what tens of tons I don't

2163

01:49:24,710 --> 01:49:22,800

know how much it weighs but it's

2164

01:49:25,760 --> 01:49:24,720

portable it's a portable swings it's a

2165

01:49:29,750 --> 01:49:25,770

pockets famous

2166

01:49:34,220 --> 01:49:29,760

they're to the great things and why okay

2167

01:49:35,900 --> 01:49:34,230

so it's not let's be very clear it's

2168

01:49:38,300 --> 01:49:35,910

kind of like talking about the Bosnian

2169

01:49:44,780 --> 01:49:38,310

pyramids I need you to be very clear

2170

01:49:46,790 --> 01:49:44,790

here Robert no no I'll be blunt

2171

01:49:48,200 --> 01:49:46,800

you know you'd like me to be honest

2172

01:49:50,390 --> 01:49:48,210

that's what I'm saying let's be it

2173

01:49:52,250 --> 01:49:50,400

doesn't matter I'm not going to be

2174

01:49:53,110 --> 01:49:52,260

dishonest anyway whether you like it or

2175

01:49:55,610 --> 01:49:53,120

not

2176
01:49:59,090 --> 01:49:55,620
Bosnian pyramids are nonsense they're

2177
01:50:01,880 --> 01:49:59,100
they're a modern fake this is not a

2178
01:50:04,280 --> 01:50:01,890
modern fake but it's not the Great

2179
01:50:07,730 --> 01:50:04,290
Sphinx it's just another ancient things

2180
01:50:09,740 --> 01:50:07,740
from about 3,000 plus years ago it's not

2181
01:50:14,180 --> 01:50:09,750
even as old as the Great Sphinx it's

2182
01:50:18,140 --> 01:50:14,190
much smaller and it's it's nice I might

2183
01:50:21,380 --> 01:50:18,150
love to have a mansion and have it in my

2184
01:50:22,160 --> 01:50:21,390
garden but it's not the Great Sphinx so

2185
01:50:27,590 --> 01:50:22,170
let's

2186
01:50:30,140 --> 01:50:27,600
Sphinx being discovered in Luxor theory

2187
01:50:33,080 --> 01:50:30,150
or suggestion okay but let's move yeah

2188
01:50:35,450 --> 01:50:33,090

yeah it's a Sphinx that was discovered

2189

01:50:39,280 --> 01:50:35,460

in Luxor you find a lot of things in

2190

01:50:41,510 --> 01:50:39,290

Luxor and Luxor is beautiful people I

2191

01:50:44,570 --> 01:50:41,520

don't want to sound the wrong way but on

2192

01:50:47,330 --> 01:50:44,580

the trips I take people on we go and we

2193

01:50:50,810 --> 01:50:47,340

visit Luxor we see luxor temple we see

2194

01:50:52,790 --> 01:50:50,820

karnak temple we see the avenues Fink's

2195

01:50:57,290 --> 01:50:52,800

is and they'll know exactly what we're

2196

01:51:00,880 --> 01:50:57,300

talking about but but it's not the Great

2197

01:51:05,000 --> 01:51:00,890

Sphinx is there by going back to Giza is

2198

01:51:06,980 --> 01:51:05,010

there a possibility because it is there

2199

01:51:10,250 --> 01:51:06,990

on the the Sphinx Stella there's no

2200

01:51:13,000 --> 01:51:10,260

doubt about at up Moses yeah clearly

2201

01:51:16,190 --> 01:51:13,010

stated he had a dream he fell asleep

2202

01:51:19,880 --> 01:51:16,200

it's you would be the next Pharaoh if

2203

01:51:23,810 --> 01:51:19,890

you unburied me you know that that that

2204

01:51:25,970 --> 01:51:23,820

story and he said on the Stella that

2205

01:51:29,240 --> 01:51:25,980

there was a second Sphinx now if we look

2206

01:51:32,530 --> 01:51:29,250

at the Giza Plateau where could it be

2207

01:51:38,240 --> 01:51:32,540

I've always thought west northwest

2208

01:51:40,940 --> 01:51:38,250

corner up near the the

2209

01:51:43,010 --> 01:51:40,950

Cave right the birds yeah I mean I think

2210

01:51:45,650 --> 01:51:43,020

that would be a possibility something

2211

01:51:48,260 --> 01:51:45,660

that sir flinders petrie who was one of

2212

01:51:50,710 --> 01:51:48,270

the great egypt colleges and not it's

2213

01:51:52,780 --> 01:51:50,720

very funny not funny funny but

2214

01:51:57,050 --> 01:51:52,790

interesting that some of the great

2215

01:51:59,240 --> 01:51:57,060

Egyptologists of the late 19th early 20s

2216

01:52:00,710 --> 01:51:59,250

a were alive today I think they'd be

2217

01:52:02,300 --> 01:52:00,720

very disappointed with some of the

2218

01:52:04,130 --> 01:52:02,310

modern Egyptologists and how

2219

01:52:06,680 --> 01:52:04,140

closed-minded they are right but that's

2220

01:52:12,470 --> 01:52:06,690

another comment I he thought that maybe

2221

01:52:14,990 --> 01:52:12,480

it was across the Nile on Heliopolis but

2222

01:52:17,510 --> 01:52:15,000

these things ever found it and you know

2223

01:52:20,780 --> 01:52:17,520

what happened is a lot of these areas

2224

01:52:22,310 --> 01:52:20,790

are so built up now and they've now

2225

01:52:24,620 --> 01:52:22,320

people are living there so whether

2226

01:52:30,280 --> 01:52:24,630

you're talking across the Nile or you're

2227

01:52:33,440 --> 01:52:30,290

talking up in the northwest corner I was

2228

01:52:37,970 --> 01:52:33,450

looking at Google map actually with this

2229

01:52:41,210 --> 01:52:37,980

in mind and if you start looking at Giza

2230

01:52:44,180 --> 01:52:41,220

I mean I've seen this in my own research

2231

01:52:47,780 --> 01:52:44,190

in my own time going back and forth to

2232

01:52:50,810 --> 01:52:47,790

Egypt what used to be desert to the west

2233

01:52:55,760 --> 01:52:50,820

and north of Giza is now all being built

2234

01:52:57,770 --> 01:52:55,770

up so so I'm afraid that maybe the

2235

01:52:59,690 --> 01:52:57,780

second Sphinx which I think there's a

2236

01:53:02,000 --> 01:52:59,700

very good possibility that really was a

2237

01:53:05,000 --> 01:53:02,010

second Sphinx or is a second Sphinx it

2238

01:53:07,190 --> 01:53:05,010

may be buried in sand and it may be it

2239

01:53:09,800 --> 01:53:07,200

may even be built over at this point

2240

01:53:16,550 --> 01:53:09,810

what about now we talked about geese a

2241

01:53:18,290 --> 01:53:16,560

lot but what about maybe in saqqara I'm

2242

01:53:21,440 --> 01:53:18,300

thinking about that's why I'm hesitating

2243

01:53:24,080 --> 01:53:21,450

I don't see any evidence of second

2244

01:53:26,330 --> 01:53:24,090

Sphinx in Sekar what I mean by that snow

2245

01:53:30,080 --> 01:53:26,340

if I saw a second thing sir I'd tell you

2246

01:53:32,660 --> 01:53:30,090

right away but saqqara is a different

2247

01:53:36,170 --> 01:53:32,670

very different outline a very different

2248

01:53:39,080 --> 01:53:36,180

plan it has a very different should we

2249

01:53:41,420 --> 01:53:39,090

say feel to it what was being built

2250

01:53:44,900 --> 01:53:41,430

there what was being developed there and

2251

01:53:47,300 --> 01:53:44,910

it doesn't it doesn't intuitively strike

2252

01:53:50,150 --> 01:53:47,310

me as a place where you find a second

2253

01:53:51,090 --> 01:53:50,160

Sphinx just because it I don't know that

2254

01:53:53,640 --> 01:53:51,100

a second

2255

01:53:55,710 --> 01:53:53,650

what's it in there what you do have it's

2256

01:53:58,890 --> 01:53:55,720

a car which you and I have talked about

2257

01:54:01,320 --> 01:53:58,900

before is this Serapeum besides a step

2258

01:54:05,700 --> 01:54:01,330

pyramid but the Serapeum where you have

2259

01:54:08,130 --> 01:54:05,710

these huge huge huge granite

2260

01:54:11,930 --> 01:54:08,140

they called him sarcophagi I prefer the

2261

01:54:16,860 --> 01:54:11,940

term coffer but these huge granite boxes

2262

01:54:19,110 --> 01:54:16,870

which are quite inexplicable as to how

2263

01:54:23,880 --> 01:54:19,120

they got there they're underground in

2264

01:54:26,780 --> 01:54:23,890

this complex or tunnel system and they

2265

01:54:29,030 --> 01:54:26,790

were used traditionally the traditional

2266

01:54:31,380 --> 01:54:29,040

concept although this has never been

2267

01:54:36,020 --> 01:54:31,390

absolutely demonstrated they were used

2268

01:54:39,150 --> 01:54:36,030

for sacred Bulls mummified sacred Bulls

2269

01:54:41,340 --> 01:54:39,160

but they actually didn't find any in

2270

01:54:43,380 --> 01:54:41,350

them and you know they're they're quite

2271

01:54:46,500 --> 01:54:43,390

an explicable you have that there and

2272

01:54:50,280 --> 01:54:46,510

the other major thing that people think

2273

01:54:52,260 --> 01:54:50,290

of the car for is the step pyramid which

2274

01:54:54,120 --> 01:54:52,270

is a magnificent structure in its own

2275

01:54:59,250 --> 01:54:54,130

right but very different than the Giza

2276

01:55:01,350 --> 01:54:59,260

pyramids yeah I I the only sarcophagus

2277

01:55:04,140 --> 01:55:01,360

the big ones that I've seen are at the

2278

01:55:06,320 --> 01:55:04,150

met in New York right now they're small

2279

01:55:14,040 --> 01:55:06,330

compared to what you see in the Serapeum

2280

01:55:17,730 --> 01:55:14,050

exactly and it blows my mind because

2281

01:55:20,580 --> 01:55:17,740

when you go into they have one massive

2282

01:55:25,230 --> 01:55:20,590

one in the Dendera a glass room right in

2283

01:55:27,930 --> 01:55:25,240

the back and that thing is probably six

2284

01:55:31,470 --> 01:55:27,940

to eight feet wide six to eight feet

2285

01:55:35,550 --> 01:55:31,480

tall and it's got to be 12 to 14 feet

2286

01:55:37,560 --> 01:55:35,560

long massive black granite and they've

2287

01:55:40,800 --> 01:55:37,570

got the lid there and you stand there

2288

01:55:44,040 --> 01:55:40,810

and you look at that and you knock on it

2289

01:55:48,000 --> 01:55:44,050

right and you realize it's it's

2290

01:55:50,490 --> 01:55:48,010

ginormous weight and size and then you

2291

01:55:54,170 --> 01:55:50,500

go and you think of this err p.m. and

2292

01:55:56,850 --> 01:55:54,180

where these are bigger than this and I

2293

01:55:59,790 --> 01:55:56,860

just can't I can't figure it out man I'm

2294

01:56:02,490 --> 01:55:59,800

at I'm at a complete loss oh oh it's

2295

01:56:04,890 --> 01:56:02,500

just insane it's just crazy but you know

2296

01:56:08,160 --> 01:56:04,900

this is part of the thing with the Egypt

2297

01:56:11,820 --> 01:56:08,170

it is it's unbelievable what they were

2298

01:56:16,350 --> 01:56:11,830

doing in terms of size when they were

2299

01:56:19,800 --> 01:56:16,360

building our carving stone and the you

2300

01:56:24,450 --> 01:56:19,810

know whether it's sarcophagi or obelisk

2301

01:56:29,070 --> 01:56:24,460

you know one piece solid Ovilus red

2302

01:56:31,490 --> 01:56:29,080

granite or it's incredible I was

2303

01:56:34,560 --> 01:56:31,500

thinking you go to constantinople

2304

01:56:37,740 --> 01:56:34,570

istanbul modern Istanbul and there's an

2305

01:56:40,229 --> 01:56:37,750

obelisk there that was imported from

2306

01:56:42,750 --> 01:56:40,239

Egypt not even particularly large and

2307

01:56:45,479 --> 01:56:42,760

it's absolutely incredible then there's

2308

01:56:48,000 --> 01:56:45,489

another obelisk that was built on site

2309

01:56:51,030 --> 01:56:48,010

whoa that was built you know a thousand

2310

01:56:54,750 --> 01:56:51,040

or so years later it's I forget exactly

2311

01:56:57,330 --> 01:56:54,760

how old is now but it's much later than

2312

01:56:59,580 --> 01:56:57,340

the Egyptian obelisk at that point they

2313

01:57:01,350 --> 01:56:59,590

couldn't carve one solid piece of stone

2314

01:57:04,770 --> 01:57:01,360

they had to cobble this together with a

2315

01:57:06,720 --> 01:57:04,780

bunch of stones versus the Egyptians

2316

01:57:09,959 --> 01:57:06,730

they would carve these things from one

2317

01:57:12,330 --> 01:57:09,969

solid piece of stone now the obelisk or

2318

01:57:14,070 --> 01:57:12,340

a sarcophagus or whatever it's I mean

2319

01:57:16,830 --> 01:57:14,080

it's incredible well you're a geologist

2320

01:57:20,000 --> 01:57:16,840

when you look at these granite

2321

01:57:22,500 --> 01:57:20,010

sarcophagus and you look at the

2322

01:57:25,140 --> 01:57:22,510

hieroglyphics that are carved into them

2323

01:57:29,040 --> 01:57:25,150

I don't care what year was done I don't

2324

01:57:34,919 --> 01:57:29,050

care if it was done in 2015 or 2500 BC

2325

01:57:39,000 --> 01:57:34,929

2400 2000 BC how is it possible to carve

2326

01:57:43,439 --> 01:57:39,010

such precise inscriptions into those

2327

01:57:46,020 --> 01:57:43,449

granite stiii it wasn't done with copper

2328

01:57:46,560 --> 01:57:46,030

it wasn't done oh no no this is a real

2329

01:57:48,450 --> 01:57:46,570

problem

2330

01:57:52,050 --> 01:57:48,460

how were they carving these things on

2331

01:57:53,700 --> 01:57:52,060

some of the sarcophagi and hopefully

2332

01:57:55,919 --> 01:57:53,710

they're still on display I'll show it to

2333

01:57:58,890 --> 01:57:55,929

everyone when we go there you can

2334

01:58:03,000 --> 01:57:58,900

actually see saw marks so they were

2335

01:58:05,939 --> 01:58:03,010

sawing grain it and which is you know

2336

01:58:07,800 --> 01:58:05,949

really incredible then there's other

2337

01:58:11,280 --> 01:58:07,810

granite where you know it has this

2338

01:58:13,530 --> 01:58:11,290

incredibly beautiful polish and Sheen to

2339

01:58:17,280 --> 01:58:13,540

it so somehow they were working it that

2340

01:58:18,629 --> 01:58:17,290

way you have inscriptions on some of

2341

01:58:20,819 --> 01:58:18,639

them which are at

2342

01:58:22,859 --> 01:58:20,829

totally gorgeous and beautiful as you

2343

01:58:25,379 --> 01:58:22,869

say and you have to ask how did they

2344

01:58:28,409 --> 01:58:25,389

carve them how did they get such

2345

01:58:30,989 --> 01:58:28,419

beautiful hieroglyphics and what not

2346

01:58:34,859 --> 01:58:30,999

then you have other circle a guy and I

2347

01:58:37,649 --> 01:58:34,869

think of one that I show people and it

2348

01:58:39,919 --> 01:58:37,659

seems quite evident that the inscription

2349

01:58:42,750 --> 01:58:39,929

on it which is a genuine ancient

2350

01:58:45,929 --> 01:58:42,760

inscription I have no doubt is much

2351

01:58:48,419 --> 01:58:45,939

later than the than what it's being

2352

01:58:50,459 --> 01:58:48,429

scribed on so again this ties in with

2353

01:58:53,129 --> 01:58:50,469

what I was talking about before where

2354

01:58:55,109 --> 01:58:53,139

they were reusing things so in some

2355

01:58:59,399 --> 01:58:55,119

cases they've got much something much

2356

01:59:01,529 --> 01:58:59,409

older and they're reusing it four

2357

01:59:03,899 --> 01:59:01,539

thousand years ago or three thousand

2358

01:59:06,299 --> 01:59:03,909

years ago so you have to be careful

2359

01:59:08,850 --> 01:59:06,309

sometimes because especially at saqqara

2360

01:59:12,029 --> 01:59:08,860

I believe there's a lot of evidence that

2361

01:59:16,080 --> 01:59:12,039

you have much much much older structures

2362

01:59:18,959 --> 01:59:16,090

and much much much older antiques more

2363

01:59:22,949 --> 01:59:18,969

less things that were ancient to the

2364

01:59:25,259 --> 01:59:22,959

dynastic Egyptians four thousand five

2365

01:59:27,449 --> 01:59:25,269

hundred four thousand seven hundred

2366

01:59:30,649 --> 01:59:27,459

years ago let's take a break right here

2367

01:59:34,139 --> 01:59:30,659

dr. Schaack and when we come back let's

2368

01:59:38,759 --> 01:59:34,149

what's next on our list of oh the

2369

01:59:40,109 --> 01:59:38,769

sarcophagus in Alexandria we'll do nice

2370

01:59:44,129 --> 01:59:40,119

segue there doctor

2371

01:59:44,969 --> 01:59:44,139

well done our guest tonight dr. Robert M

2372

01:59:47,219 --> 01:59:44,979

shock

2373

01:59:51,689 --> 01:59:47,229

this is fade to black I marry me church

2374

01:59:54,800 --> 01:59:51,699

on the GameChanger network and kg RA

2375

01:59:59,810 --> 01:59:54,810

we'll be right back stay with us

2376

02:00:06,910 --> 02:00:02,040

everybody's Rob Halford the mental guard

2377

02:00:13,550 --> 02:00:10,220

this is kera digital broadcasting

2378

02:00:17,360 --> 02:00:13,560

station Salt Lake City Utah Van Buren

2379

02:00:19,970 --> 02:00:17,370

Arkansas okay nurse let's get this man

2380

02:00:22,280 --> 02:00:19,980

to the ER stat right away doctor we see

2381

02:00:24,680 --> 02:00:22,290

this every day heart attack or angina

2382

02:00:27,260 --> 02:00:24,690

pain due to blocked and clogged arteries

2383

02:00:29,209 --> 02:00:27,270

chelation can remove obstructions or

2384

02:00:31,100 --> 02:00:29,219

blockages from arteries and help avoid

2385

02:00:33,320 --> 02:00:31,110

painful and expensive surgery

2386

02:00:35,240 --> 02:00:33,330

now there's angio prim it's a liquid

2387

02:00:37,189 --> 02:00:35,250

oral chelation product that you take

2388

02:00:40,160 --> 02:00:37,199

with juice you start to feel the results

2389

02:00:42,200 --> 02:00:40,170

fast angio prim increases blood flow all

2390

02:00:44,060 --> 02:00:42,210

over the body and that means more energy

2391

02:00:46,580 --> 02:00:44,070

and strength to take on the day with

2392

02:00:48,700 --> 02:00:46,590

less aches and pains 60 years of

2393

02:00:51,770 --> 02:00:48,710

research has gone into chelation and

2394

02:00:53,990 --> 02:00:51,780

angiogram is the result a safe and easy

2395

02:00:56,149 --> 02:00:54,000

way to unblock your veins and arteries

2396

02:00:58,010 --> 02:00:56,159

from build-up that slow circulation

2397

02:00:59,810 --> 02:00:58,020

shaping dr. Jones please report to the

2398

02:01:02,030 --> 02:00:59,820

emergency room right away log on now for

2399

02:01:05,870 --> 02:01:02,040

a special radio offer from Angie oh prim

2400

02:01:09,740 --> 02:01:05,880

that's Angie oh prim calm / radio ang IO

2401

02:01:13,430 --> 02:01:09,750

PRI M angio prim calm / radio our call

2402

02:01:18,500 --> 02:01:13,440

877 8a to 72 21 that's eight seven seven

2403

02:01:21,950 --> 02:01:18,510

eight a to 72 21 so you love talk radio

2404

02:01:25,520 --> 02:01:21,960

then you'll love talk stream live.com

2405

02:01:27,649 --> 02:01:25,530

talk stream live is always on 24/7 with

2406

02:01:29,630 --> 02:01:27,659

the best streaming talk shows find your

2407

02:01:31,910 --> 02:01:29,640

favorite talkers and discover some new

2408

02:01:34,939 --> 02:01:31,920

ones it's free readily available online

2409

02:01:36,830 --> 02:01:34,949

or on the smartphone or tablet finding

2410

02:01:39,500 --> 02:01:36,840

your favorite talk shows all in one

2411

02:01:42,140 --> 02:01:39,510

place has gotten a whole lot easier just

2412

02:01:44,120 --> 02:01:42,150

go to talk stream live.com be sure to

2413

02:01:48,380 --> 02:01:44,130

download the free apps from Google Play

2414

02:01:51,590 --> 02:01:48,390

or the itunes app store your contact for

2415

02:01:55,130 --> 02:01:51,600

current news and trending topics jgr a

2416

02:01:57,169 --> 02:01:55,140

radio.com what can I say about the most

2417

02:01:59,540 --> 02:01:57,179

popular tea on the Internet and what a

2418

02:02:03,110 --> 02:01:59,550

customers say about life change to eat

2419

02:02:06,260 --> 02:02:03,120

at get the tea calm a lot but by federal

2420

02:02:08,479 --> 02:02:06,270

law we get the t.com cannot make claims

2421

02:02:10,550 --> 02:02:08,489

to how this product can enhance your

2422

02:02:12,580 --> 02:02:10,560

health we cannot even post our

2423

02:02:15,950 --> 02:02:12,590

testimonies without being in compliance

2424

02:02:17,889 --> 02:02:15,960

so how do we get past the hump try our

2425

02:02:20,469 --> 02:02:17,899

products at get to tea calm

2426

02:02:23,199 --> 02:02:20,479

and see for yourself you can send us a

2427

02:02:24,310 --> 02:02:23,209

testimony but we just can't post it

2428

02:02:28,239 --> 02:02:24,320

bummer

2429

02:02:29,889 --> 02:02:28,249

our products are GMO free and organic we

2430

02:02:30,250 --> 02:02:29,899

pride ourself in being the best we can

2431

02:02:32,379 --> 02:02:30,260

be

2432

02:02:35,319 --> 02:02:32,389

and we urge you to take charge of your

2433

02:02:37,209 --> 02:02:35,329

health we're loving you're strong and

2434

02:02:39,159 --> 02:02:37,219

many of our customers have shared their

2435

02:02:40,750 --> 02:02:39,169

successes with friends and family

2436

02:02:44,100 --> 02:02:40,760

protect your colon

2437

02:02:52,779 --> 02:02:44,110

log on to get the tea calm let's get the

2438

02:02:54,279 --> 02:02:52,789

t.com get the t.com get t.com did you

2439

02:02:56,799 --> 02:02:54,289

know that when you're on the road with

2440

02:02:58,810 --> 02:02:56,809

limited data or Wi-Fi available you can

2441

02:03:01,239 --> 02:02:58,820

still listen to every minute of fade to

2442

02:03:03,639 --> 02:03:01,249

black by just calling six oh five five

2443

02:03:06,100 --> 02:03:03,649

six two four four eight two no

2444

02:03:08,439 --> 02:03:06,110

smartphone app or internet needed it

2445

02:03:11,080 --> 02:03:08,449

saves your data plan and no extra cost

2446

02:03:13,929 --> 02:03:11,090

if you have unlimited minutes just call

2447

02:03:16,389 --> 02:03:13,939

six oh five five six two four four eight

2448

02:03:25,360 --> 02:03:16,399

two you can listen to me Jimmy Church on

2449

02:03:29,410 --> 02:03:27,060

[Music]

2450

02:03:34,130 --> 02:03:29,420

[Applause]

2451
02:03:36,760 --> 02:03:34,140
you wanna know a secret I love ponies I

2452
02:03:39,380 --> 02:03:36,770
really love ponies I'm serious I

2453
02:03:43,640 --> 02:03:39,390
couldn't stay stable without pony mr.

2454
02:03:48,500 --> 02:03:43,650
Brooks I fade to black because you never

2455
02:03:52,500 --> 02:03:50,370
this is fade to black

2456
02:03:56,189 --> 02:03:52,510
with Jimmy Church on the game changer

2457
02:03:58,590 --> 02:03:56,199
radio network and kgr a the global radio

2458
02:04:10,430 --> 02:03:58,600
alliance

2459
02:04:15,120 --> 02:04:12,840
welcome back fade to black I'm here to

2460
02:04:18,600 --> 02:04:15,130
mature our guest tonight dr. Robert M

2461
02:04:19,950 --> 02:04:18,610
shock segment of Payton black have

2462
02:04:23,850 --> 02:04:19,960
proudly brought to you by bearing

2463
02:04:26,129 --> 02:04:23,860

objects that's right that's what I use

2464

02:04:27,660 --> 02:04:26,139

night-vision goggles you can go and

2465

02:04:30,540 --> 02:04:27,670

click on the banners right now we just

2466

02:04:34,260 --> 02:04:30,550

got back from me study and nothing like

2467

02:04:36,330 --> 02:04:34,270

having night vision and watching all of

2468

02:04:38,760 --> 02:04:36,340

our friends up there it's a pretty

2469

02:04:40,200 --> 02:04:38,770

amazing contact Alec Hoffman and the

2470

02:04:43,680 --> 02:04:40,210

information is right there Timmy church

2471

02:04:46,560 --> 02:04:43,690

radio calm dr. Schaack have you speaking

2472

02:04:49,410 --> 02:04:46,570

of that have you ever looked up to the

2473

02:04:59,490 --> 02:04:49,420

skies with night-vision goggles and and

2474

02:05:02,459 --> 02:04:59,500

tried to see something use night-vision

2475

02:05:04,680 --> 02:05:02,469

goggles you've you seen all of the you

2476

02:05:08,070 --> 02:05:04,690

know and heard the reports of it yeah

2477

02:05:11,580 --> 02:05:08,080

it's a life-changing experience the

2478

02:05:14,610 --> 02:05:11,590

first time you're invited next time you

2479

02:05:18,540 --> 02:05:14,620

and I get together we're going out we're

2480

02:05:22,790 --> 02:05:18,550

going out and Rita you know how long it

2481

02:05:26,729 --> 02:05:22,800

takes you to see something strange five

2482

02:05:28,770 --> 02:05:26,739

five seconds and it's a guaranteed to

2483

02:05:31,200 --> 02:05:28,780

it's just a look forward to it that

2484

02:05:35,129 --> 02:05:31,210

sounds fun yeah you've got to do it with

2485

02:05:38,430 --> 02:05:35,139

us and we will we will so this this

2486

02:05:40,379 --> 02:05:38,440

sarcophagus that was found in Alexandria

2487

02:05:42,600 --> 02:05:40,389

going back to what we were talking about

2488

02:05:46,490 --> 02:05:42,610

the weight the size of these things

2489

02:05:52,560 --> 02:05:46,500

oh yeah that was the estimate was about

2490

02:05:55,860 --> 02:05:52,570

27 to 30 tons that that's not a minor

2491

02:05:58,020 --> 02:05:55,870

thing and this was not a when it comes

2492

02:06:01,320 --> 02:05:58,030

right down to it particularly large

2493

02:06:04,620 --> 02:06:01,330

sarcophagus by Egyptian standards that

2494

02:06:07,080 --> 02:06:04,630

we were talking about was a few meters

2495

02:06:10,860 --> 02:06:07,090

long and you know a couple meters tall

2496

02:06:14,820 --> 02:06:10,870

and you know say 6 feet tall 9 feet or

2497

02:06:17,129 --> 02:06:14,830

so long 9 to 10 feet long and you know

2498

02:06:19,770 --> 02:06:17,139

when you're talking a solid granite

2499

02:06:21,860 --> 02:06:19,780

sarcophagus twice a solid you know made

2500

02:06:26,760 --> 02:06:21,870

out of granite with very very thick

2501

02:06:31,200 --> 02:06:26,770

walls on it this is not a minor thing no

2502

02:06:34,790 --> 02:06:31,210

and and what was fascinating for me was

2503

02:06:37,979 --> 02:06:34,800

watching the video of them struggling

2504

02:06:40,919 --> 02:06:37,989

well yeah all of the modern technology

2505

02:06:44,160 --> 02:06:40,929

that we have struggling with this thing

2506

02:06:46,110 --> 02:06:44,170

and and what they had to do to to get

2507

02:06:48,450 --> 02:06:46,120

the top of it off and to clear it up

2508

02:06:51,660 --> 02:06:48,460

and to think about you know go back to

2509

02:06:52,800 --> 02:06:51,670

300 BC and apparently they're moving

2510

02:06:55,320 --> 02:06:52,810

these things around like they were

2511

02:06:57,300 --> 02:06:55,330

nothing yeah exactly that's the thing

2512

02:07:00,450 --> 02:06:57,310

how are they doing it back then we have

2513

02:07:03,510 --> 02:07:00,460

such a hard time with it now and that's

2514

02:07:06,810 --> 02:07:03,520

300 BC and when you go back further in

2515

02:07:10,649 --> 02:07:06,820

time this is one of the classic aspects

2516

02:07:12,270 --> 02:07:10,659

of Egypt which you know the classical

2517

02:07:15,030 --> 02:07:12,280

Egyptologists don't have a good

2518

02:07:17,729 --> 02:07:15,040

explanation for as you go further back

2519

02:07:22,760 --> 02:07:17,739

in time things tend to get larger they

2520

02:07:25,680 --> 02:07:22,770

tend to become even more technologically

2521

02:07:27,479 --> 02:07:25,690

difficult should we say and you would

2522

02:07:29,580 --> 02:07:27,489

normally expect things to go the other

2523

02:07:32,729 --> 02:07:29,590

way that starts out primitive and then

2524

02:07:35,189 --> 02:07:32,739

gets larger more sophisticated we have

2525

02:07:40,439 --> 02:07:35,199

the opposite in Egypt so really we're

2526
02:07:43,740 --> 02:07:40,449
looking at 300 or Ptolemaic period the

2527
02:07:45,840 --> 02:07:43,750
end of what we think of is Egyptian

2528
02:07:48,330 --> 02:07:45,850
civilization not the beginning with that

2529
02:07:52,470 --> 02:07:48,340
sarcophagus in Alexandria and still

2530
02:07:55,770 --> 02:07:52,480
absolutely amazing how much how much

2531
02:07:57,870 --> 02:07:55,780
have we actually discovered and I know

2532
02:08:03,990 --> 02:07:57,880
you've contemplated this you know in

2533
02:08:08,729 --> 02:08:04,000
Egypt yeah yeah I'll put a maybe five to

2534
02:08:10,740 --> 02:08:08,739
ten percent right liberally maybe there

2535
02:08:12,750 --> 02:08:10,750
is a lot to discover in Egypt and

2536
02:08:14,970 --> 02:08:12,760
there's a couple of issues when it comes

2537
02:08:18,479 --> 02:08:14,980
to that and I'm a geologists

2538
02:08:20,910 --> 02:08:18,489

geophysicists so there's a lot of

2539

02:08:23,070 --> 02:08:20,920

innocent may sound crude and trite but

2540

02:08:26,220 --> 02:08:23,080

there's a lot of sand there there's a

2541

02:08:30,689 --> 02:08:26,230

lot of silt Nile there which has covered

2542

02:08:32,760 --> 02:08:30,699

things up and yet even though so much

2543

02:08:35,970 --> 02:08:32,770

has been buried and covered up and we

2544

02:08:37,830 --> 02:08:35,980

know that when I say we know that

2545

02:08:40,170 --> 02:08:37,840

because wherever you dig in Egypt you're

2546

02:08:43,080 --> 02:08:40,180

going to find something it seems where

2547

02:08:46,350 --> 02:08:43,090

ever you do geophysics you start picking

2548

02:08:49,410 --> 02:08:46,360

up things now with Google and satellite

2549

02:08:52,140 --> 02:08:49,420

imagery and that those types of

2550

02:08:54,420 --> 02:08:52,150

techniques remote sensing we can pick up

2551
02:08:56,370 --> 02:08:54,430
more and more things I do want to stress

2552
02:08:58,080 --> 02:08:56,380
though because I get all people sending

2553
02:09:00,450 --> 02:08:58,090
me stuff all the time though well here's

2554
02:09:02,880 --> 02:09:00,460
this and that and everything you always

2555
02:09:04,560 --> 02:09:02,890
have to ground check so you really you

2556
02:09:06,840 --> 02:09:04,570
know things can be misleading from

2557
02:09:10,560 --> 02:09:06,850
satellite photographs but there's a lot

2558
02:09:11,940 --> 02:09:10,570
there to find but the second aspect is

2559
02:09:15,060 --> 02:09:11,950
not just as they're a lot they're

2560
02:09:18,870 --> 02:09:15,070
defined in Egypt there's so much on the

2561
02:09:20,990 --> 02:09:18,880
surface already that it's overwhelming

2562
02:09:23,040 --> 02:09:21,000
and then it's been overwhelming for

2563
02:09:25,620 --> 02:09:23,050

Egyptologist for the last couple of

2564

02:09:29,300 --> 02:09:25,630

centuries so most Egyptologists they

2565

02:09:31,740 --> 02:09:29,310

specialize in one small field bit a

2566

02:09:34,650 --> 02:09:31,750

geographic field or a certain time

2567

02:09:38,400 --> 02:09:34,660

period etc and there's so much on the

2568

02:09:40,979 --> 02:09:38,410

surface for them to study that that's a

2569

02:09:44,130 --> 02:09:40,989

lifetime of work to begin with much less

2570

02:09:46,400 --> 02:09:44,140

to discover something new they the

2571

02:09:48,870 --> 02:09:46,410

Egyptian government some cases basically

2572

02:09:50,460 --> 02:09:48,880

discourages people from discovering new

2573

02:09:53,880 --> 02:09:50,470

things because they can't deal with what

2574

02:09:55,380 --> 02:09:53,890

they've got already what's stopping you

2575

02:09:58,110 --> 02:09:55,390

know there's ground-penetrating radar

2576

02:10:01,400 --> 02:09:58,120

you have lidar and other things that

2577

02:10:05,520 --> 02:10:01,410

could be yeah applied with aircraft and

2578

02:10:08,850 --> 02:10:05,530

but in this mulan project what is what

2579

02:10:11,510 --> 02:10:08,860

is just stopping a massive Giza Plateau

2580

02:10:13,770 --> 02:10:11,520

all the way to Saqqara right and just

2581

02:10:15,840 --> 02:10:13,780

finding out what's underneath the sand

2582

02:10:17,729 --> 02:10:15,850

we have the technology why not I would

2583

02:10:20,040 --> 02:10:17,739

say there's two things one you've got

2584

02:10:23,430 --> 02:10:20,050

the Egyptian authorities and they have

2585

02:10:25,740 --> 02:10:23,440

to approve anything and ultimately it

2586

02:10:29,310 --> 02:10:25,750

becomes a military issue in some cases

2587

02:10:32,910 --> 02:10:29,320

because you know they're sensitive about

2588

02:10:35,060 --> 02:10:32,920

things and there's military aspects too

2589

02:10:38,490 --> 02:10:35,070

I mean I'm being very pragmatic here

2590

02:10:42,570 --> 02:10:38,500

right by Giza there is a military base

2591

02:10:45,479 --> 02:10:42,580

etc etc yeah so there's other issues

2592

02:10:47,700 --> 02:10:45,489

involved besides Antiquities that's

2593

02:10:48,810 --> 02:10:47,710

number one number two its money any of

2594

02:10:51,090 --> 02:10:48,820

these techniques

2595

02:10:54,240 --> 02:10:51,100

a lot of money to do them right you need

2596

02:10:56,220 --> 02:10:54,250

to get the equipment out there you need

2597

02:11:01,560 --> 02:10:56,230

to have all the proper specialized

2598

02:11:04,620 --> 02:11:01,570

technicians for the equipment you know

2599

02:11:07,620 --> 02:11:04,630

it would take me forever just to run one

2600

02:11:11,340 --> 02:11:07,630

operate one piece of equipment you need

2601
02:11:13,790 --> 02:11:11,350
a massive number of people to do that

2602
02:11:17,010 --> 02:11:13,800
then you need a lot of processing power

2603
02:11:19,560 --> 02:11:17,020
with supercomputers for some of this

2604
02:11:22,050 --> 02:11:19,570
because you get so much data coming in

2605
02:11:24,420 --> 02:11:22,060
that's something that is a big factor

2606
02:11:28,320 --> 02:11:24,430
for instance for instance with the scan

2607
02:11:30,600 --> 02:11:28,330
pyramids mulan project it's not just

2608
02:11:32,520 --> 02:11:30,610
collecting the data but it's processing

2609
02:11:36,060 --> 02:11:32,530
the data which is very very expensive

2610
02:11:38,910 --> 02:11:36,070
and time-consuming building equipment in

2611
02:11:40,170 --> 02:11:38,920
some cases just to process that data and

2612
02:11:42,420 --> 02:11:40,180
make sense out of it

2613
02:11:44,460 --> 02:11:42,430

so there's a lot of practical aspects

2614

02:11:46,800 --> 02:11:44,470

but no it could be done it could

2615

02:11:49,140 --> 02:11:46,810

absolutely be done and it's it's amazing

2616

02:11:51,360 --> 02:11:49,150

to me you know people dump money into

2617

02:11:53,910 --> 02:11:51,370

all kinds of frivolous things when I say

2618

02:11:56,190 --> 02:11:53,920

dump money you know people put millions

2619

02:11:59,070 --> 02:11:56,200

of dollars into other things I think

2620

02:12:02,160 --> 02:11:59,080

here we have a situation where we could

2621

02:12:04,530 --> 02:12:02,170

learn so much and so much not just for

2622

02:12:06,930 --> 02:12:04,540

its own sake because he ain't Egypt and

2623

02:12:09,000 --> 02:12:06,940

antiquity is important and interesting

2624

02:12:11,460 --> 02:12:09,010

but because I think we could learn

2625

02:12:11,940 --> 02:12:11,470

things that could apply to the present

2626

02:12:14,760 --> 02:12:11,950

day

2627

02:12:16,470 --> 02:12:14,770

well when we look at what and I was so

2628

02:12:19,230 --> 02:12:16,480

fascinated with the mapping that was

2629

02:12:22,140 --> 02:12:19,240

done over Guatemala and Honduras and and

2630

02:12:24,720 --> 02:12:22,150

all of the structures that were found

2631

02:12:27,330 --> 02:12:24,730

and the highway systems that worried

2632

02:12:30,750 --> 02:12:27,340

under the jungle canopy there we had no

2633

02:12:33,570 --> 02:12:30,760

idea right no no no we had no idea but

2634

02:12:35,970 --> 02:12:33,580

that is a different thing to penetrate

2635

02:12:39,150 --> 02:12:35,980

versus sand right right there there's

2636

02:12:40,710 --> 02:12:39,160

different issues involved and sometimes

2637

02:12:42,390 --> 02:12:40,720

jungle campy I'm not trying to make

2638

02:12:45,120 --> 02:12:42,400

excuses for Egypt but it's sometimes

2639

02:12:47,370 --> 02:12:45,130

easier to penetrate that then you have

2640

02:12:49,590 --> 02:12:47,380

then sand and of course you're in a

2641

02:12:51,360 --> 02:12:49,600

different situation I mean you can't

2642

02:12:53,310 --> 02:12:51,370

just put things into Egyptian airspace

2643

02:12:56,000 --> 02:12:53,320

without getting all the proper

2644

02:12:59,240 --> 02:12:56,010

professionals right but the the the

2645

02:13:02,210 --> 02:12:59,250

the mentality behind it is well you know

2646

02:13:04,130 --> 02:13:02,220

I'm sitting there mentality and I've

2647

02:13:07,479 --> 02:13:04,140

known many Egyptians with all due

2648

02:13:11,180 --> 02:13:07,489

respect who really don't care much about

2649

02:13:13,190 --> 02:13:11,190

dynastic Egypt because it I think we may

2650

02:13:16,210 --> 02:13:13,200

have talked about this before if it's

2651
02:13:20,000 --> 02:13:16,220
pre Muslim for some Egyptians it's not a

2652
02:13:22,460 --> 02:13:20,010
high priority should we say wow so you

2653
02:13:24,110 --> 02:13:22,470
tell you get you know there's religious

2654
02:13:27,800 --> 02:13:24,120
aspects to it what we have in this

2655
02:13:30,530 --> 02:13:27,810
country also right now people couldn't

2656
02:13:34,400 --> 02:13:30,540
care less about Native American burial

2657
02:13:36,320 --> 02:13:34,410
mounds etc is that reason enough well

2658
02:13:42,010 --> 02:13:36,330
here's the million-dollar question and

2659
02:13:45,170 --> 02:13:42,020
it really comes down to this I feel that

2660
02:13:47,870 --> 02:13:45,180
information is being suppressed I'm just

2661
02:13:52,280 --> 02:13:47,880
being very straightforward here the

2662
02:13:54,560 --> 02:13:52,290
question is why suppress the knowledge

2663
02:13:57,200 --> 02:13:54,570

we know we know that they're holding

2664

02:13:58,940 --> 02:13:57,210

back a word that they don't want to go

2665

02:14:01,580 --> 02:13:58,950

and find out things

2666

02:14:02,570 --> 02:14:01,590

why suppress it I that that's the

2667

02:14:06,170 --> 02:14:02,580

question

2668

02:14:08,870 --> 02:14:06,180

politics and religion that's it that's

2669

02:14:11,000 --> 02:14:08,880

simple I think it's that simple in some

2670

02:14:13,760 --> 02:14:11,010

case I think it's politics religion and

2671

02:14:16,670 --> 02:14:13,770

vested interests when I say vested

2672

02:14:19,729 --> 02:14:16,680

interests I mean how many and I don't

2673

02:14:21,470 --> 02:14:19,739

want to sound well I thought ray don't

2674

02:14:23,330 --> 02:14:21,480

want to sound the wrong way but I

2675

02:14:25,340 --> 02:14:23,340

certainly know in many fields of

2676

02:14:28,490 --> 02:14:25,350

academia that people have vested

2677

02:14:30,800 --> 02:14:28,500

interest that you know if they've built

2678

02:14:32,600 --> 02:14:30,810

their career on one thing they don't

2679

02:14:34,550 --> 02:14:32,610

want to be told they were wrong they

2680

02:14:38,540 --> 02:14:34,560

don't want to have to rewrite their own

2681

02:14:41,900 --> 02:14:38,550

books or rethink their own doctrines

2682

02:14:45,229 --> 02:14:41,910

their own hypotheses etc so you have it

2683

02:14:47,450 --> 02:14:45,239

at that level you have strong religious

2684

02:14:51,110 --> 02:14:47,460

interest in some cases I have been

2685

02:14:53,030 --> 02:14:51,120

attacked by both Christians and Muslims

2686

02:14:55,940 --> 02:14:53,040

you know not physically attacked but

2687

02:14:58,280 --> 02:14:55,950

verbally attacked for pushing

2688

02:15:01,640 --> 02:14:58,290

civilization back for pushing back the

2689

02:15:03,500 --> 02:15:01,650

age of the Sphinx people who tell me oh

2690

02:15:06,990 --> 02:15:03,510

you know I'm saying this Fink's is older

2691

02:15:09,520 --> 02:15:07,000

than the world is that's the extreme but

2692

02:15:12,490 --> 02:15:09,530

you know that a lot of people are very

2693

02:15:15,280 --> 02:15:12,500

strong feelings about things well we

2694

02:15:19,240 --> 02:15:15,290

have you know gobekli tepe

2695

02:15:21,070 --> 02:15:19,250

let's just call it like it is gobekli

2696

02:15:23,500 --> 02:15:21,080

tepe wasn't supposed to exist and

2697

02:15:25,540 --> 02:15:23,510

although it wasn't supposed to exist and

2698

02:15:30,910 --> 02:15:25,550

this Winx wasn't supposed to have any

2699

02:15:33,610 --> 02:15:30,920

incarnation any any existence in any

2700

02:15:35,440 --> 02:15:33,620

form whatsoever because just to make

2701
02:15:37,840 --> 02:15:35,450
clear for the audience who hasn't heard

2702
02:15:40,540 --> 02:15:37,850
this before I push the day of the Sphinx

2703
02:15:43,090 --> 02:15:40,550
back much earlier back to about 10,000

2704
02:15:45,760 --> 02:15:43,100
BC but it wasn't the Sphinx that we see

2705
02:15:49,090 --> 02:15:45,770
today was not the dynastic head we see

2706
02:15:51,040 --> 02:15:49,100
it was actually a lioness and the head

2707
02:15:54,150 --> 02:15:51,050
has been recarved so it didn't look the

2708
02:15:57,040 --> 02:15:54,160
way it does today but that was

2709
02:16:01,450 --> 02:15:57,050
incredible

2710
02:16:04,320 --> 02:16:01,460
I mean heresy in academic circles people

2711
02:16:07,780 --> 02:16:04,330
tried to have me fired etc etc and

2712
02:16:10,180 --> 02:16:07,790
gobekli tepe which was found a number of

2713
02:16:12,550 --> 02:16:10,190

years later and excavated even later and

2714

02:16:16,240 --> 02:16:12,560

really came on the scene is the same

2715

02:16:19,600 --> 02:16:16,250

period in equally sophisticated and goes

2716

02:16:23,320 --> 02:16:19,610

back to that same period and is

2717

02:16:25,600 --> 02:16:23,330

absolutely evidence in my opinion that

2718

02:16:28,420 --> 02:16:25,610

what I've been talking about long before

2719

02:16:30,700 --> 02:16:28,430

it was discovered is true it's it's

2720

02:16:31,780 --> 02:16:30,710

cooperating evidence it's confirming

2721

02:16:35,500 --> 02:16:31,790

what I've been saying

2722

02:16:37,360 --> 02:16:35,510

well Lerner said at the big conference

2723

02:16:39,669 --> 02:16:37,370

he said you know give me evidence of

2724

02:16:43,810 --> 02:16:39,679

another civilization pushing things back

2725

02:16:46,330 --> 02:16:43,820

to 10,000 BC and then you know well had

2726

02:16:49,839 --> 02:16:46,340

gobekli tepe been around and discovered

2727

02:16:52,870 --> 02:16:49,849

in 1990-1991 your position would have

2728

02:16:54,400 --> 02:16:52,880

been completely different lately

2729

02:16:57,160 --> 02:16:54,410

different and I wouldn't have suffered

2730

02:17:00,160 --> 02:16:57,170

all the abuse I had I suffered at the

2731

02:17:02,050 --> 02:17:00,170

time and now look at what happens part

2732

02:17:04,780 --> 02:17:02,060

of the answer to the question you just

2733

02:17:06,879 --> 02:17:04,790

posed even though we now have Quebec

2734

02:17:09,520 --> 02:17:06,889

except they have some of those people

2735

02:17:12,100 --> 02:17:09,530

change their position not significantly

2736

02:17:14,440 --> 02:17:12,110

they were served brush Quebec Lee kept

2737

02:17:17,500 --> 02:17:14,450

me under the rug and still say well that

2738

02:17:19,209 --> 02:17:17,510

doesn't apply somehow oh it's not really

2739

02:17:20,799 --> 02:17:19,219

that sophisticated

2740

02:17:23,280 --> 02:17:20,809

you know they can't dismiss it but

2741

02:17:26,290 --> 02:17:23,290

they can try to ignore it so I Hawass

2742

02:17:28,660 --> 02:17:26,300

literally has said that he doesn't know

2743

02:17:30,339 --> 02:17:28,670

anything about Quebec Lee kept pace so

2744

02:17:32,349 --> 02:17:30,349

if he doesn't know about it apparently

2745

02:17:35,889 --> 02:17:32,359

it doesn't count as evidence

2746

02:17:38,169 --> 02:17:35,899

I can't and that's on video I cannot

2747

02:17:40,870 --> 02:17:38,179

well these words came out of his mouth

2748

02:17:44,049 --> 02:17:40,880

like I know it so mean this is the level

2749

02:17:45,849 --> 02:17:44,059

that we're talking about I mean this is

2750

02:17:47,830 --> 02:17:45,859

a level of people we're talking about in

2751

02:17:50,259 --> 02:17:47,840

some cases and I sound like I'm being

2752

02:17:51,639 --> 02:17:50,269

very harsh I guess I am but you have to

2753

02:17:56,979 --> 02:17:51,649

say it the way it is I mean it's

2754

02:17:59,200 --> 02:17:56,989

ridiculous I'm gonna get into politics I

2755

02:18:02,859 --> 02:17:59,210

was going to say say certain people have

2756

02:18:09,450 --> 02:18:02,869

been inventing their own quote truth

2757

02:18:15,000 --> 02:18:11,919

okay

2758

02:18:19,629 --> 02:18:15,010

send all of your email to Robert Schoch

2759

02:18:22,240 --> 02:18:19,639

okay but but this is I think you know

2760

02:18:25,240 --> 02:18:22,250

what I'm saying I do I do I don't you

2761

02:18:28,599 --> 02:18:25,250

just I mean sometimes people just make

2762

02:18:34,240 --> 02:18:28,609

up things well the bigger picture is is

2763

02:18:38,109 --> 02:18:34,250

quite simply this that if if evidence

2764

02:18:42,069 --> 02:18:38,119

was revealed of a prior society and

2765

02:18:45,910 --> 02:18:42,079

civilization high technical civilization

2766

02:18:48,639 --> 02:18:45,920

before 3,000 BC then that changes

2767

02:18:51,160 --> 02:18:48,649

everything that changes the Bible that

2768

02:18:52,780 --> 02:18:51,170

changes religious aspects that changes

2769

02:18:55,240 --> 02:18:52,790

every book that has ever been written

2770

02:18:57,759 --> 02:18:55,250

all of the curriculum being taught in

2771

02:19:00,580 --> 02:18:57,769

schools and geopolitics and everything

2772

02:19:03,759 --> 02:19:00,590

else has to change and the earth would

2773

02:19:07,000 --> 02:19:03,769

shift on its axis it would be that

2774

02:19:11,649 --> 02:19:07,010

monumental and quite possibly that is

2775

02:19:13,689 --> 02:19:11,659

the big issue here exactly exactly I

2776

02:19:16,859 --> 02:19:13,699

mean you know it really changes how

2777

02:19:20,439 --> 02:19:16,869

people have to view things everything

2778

02:19:24,939 --> 02:19:20,449

everything everything the yeah the

2779

02:19:27,399 --> 02:19:24,949

implications the input of mind boggling

2780

02:19:29,979 --> 02:19:27,409

and I think that that's why people are

2781

02:19:32,139 --> 02:19:29,989

so resistant and that's why they want to

2782

02:19:34,650 --> 02:19:32,149

ignore evidence they were ignored data

2783

02:19:37,650 --> 02:19:34,660

they don't want accept it they were

2784

02:19:41,370 --> 02:19:37,660

keep their old world view they wanna

2785

02:19:44,280 --> 02:19:41,380

keep their old world view and you can't

2786

02:19:47,910 --> 02:19:44,290

do it and be compatible with real

2787

02:19:50,011 --> 02:19:47,920

evidence and let's get let's go back in

2788

02:19:53,131 --> 02:19:50,021

its totality with everything that we

2789

02:19:55,080 --> 02:19:53,141

have discussed tonight when we we talk

2790

02:19:57,990 --> 02:19:55,090

about the mulan project in the

2791

02:20:01,320 --> 02:19:58,000

electromagnetic research and which goes

2792

02:20:02,910 --> 02:20:01,330

right into in my opinion the electric

2793

02:20:06,091 --> 02:20:02,920

universe and i'm glad that you brought

2794

02:20:10,770 --> 02:20:06,101

that up all of this now was starting to

2795

02:20:13,680 --> 02:20:10,780

collide science is is overlapping our

2796

02:20:16,500 --> 02:20:13,690

community so much these days that

2797

02:20:20,120 --> 02:20:16,510

something is gonna break here robert

2798

02:20:23,370 --> 02:20:20,130

something is going to bust wide open

2799

02:20:27,420 --> 02:20:23,380

yeah I think so event I think so I think

2800

02:20:29,190 --> 02:20:27,430

we're going to how do I say this we're

2801
02:20:32,930 --> 02:20:29,200
going through a paradigm change we're

2802
02:20:36,150 --> 02:20:32,940
going through I don't know if you know

2803
02:20:39,780 --> 02:20:36,160
Thomas Kuhn the great physicists

2804
02:20:42,301 --> 02:20:39,790
historian who talked about revolutions

2805
02:20:44,341 --> 02:20:42,311
in science what I think we're saying

2806
02:20:47,011 --> 02:20:44,351
that we're we're just going to have to

2807
02:20:50,551 --> 02:20:47,021
give up the old paradigm and go into a

2808
02:20:52,560 --> 02:20:50,561
new one the when we talk about all of

2809
02:20:55,350 --> 02:20:52,570
this and then we bring in there's

2810
02:20:58,430 --> 02:20:55,360
another there's another key here and I'm

2811
02:21:03,261 --> 02:20:58,440
talking about Edie Phu and what is

2812
02:21:06,240 --> 02:21:03,271
represented there and that story also

2813
02:21:09,480 --> 02:21:06,250

corroborates other historians from the

2814

02:21:17,790 --> 02:21:09,490

past some of the theories of today and

2815

02:21:19,920 --> 02:21:17,800

it brings in the big a word and and I

2816

02:21:23,011 --> 02:21:19,930

will say the a-word now I wouldn't say

2817

02:21:25,080 --> 02:21:23,021

it 30 years ago I suppose why not

2818

02:21:27,720 --> 02:21:25,090

suppose I know I wouldn't say 30 years

2819

02:21:30,270 --> 02:21:27,730

ago out in public because again this was

2820

02:21:32,700 --> 02:21:30,280

something that if you start talking

2821

02:21:36,091 --> 02:21:32,710

about Lantis Atlantis being the a word

2822

02:21:40,170 --> 02:21:36,101

in this context you were dismissed by

2823

02:21:43,860 --> 02:21:40,180

standard academia but to me the concept

2824

02:21:46,470 --> 02:21:43,870

of Atlantis not as a geographic location

2825

02:21:48,900 --> 02:21:46,480

not as a geographic position but the

2826

02:21:52,020 --> 02:21:48,910

concept of Atlantis as a

2827

02:21:56,180 --> 02:21:52,030

as an advanced civilization that goes

2828

02:21:59,520 --> 02:21:56,190

back to the period of about 10,000 BC

2829

02:22:02,940 --> 02:21:59,530

Plato according to Plato's chronology it

2830

02:22:05,341 --> 02:22:02,950

collapsed about 9600 BC which is right

2831

02:22:09,480 --> 02:22:05,351

at the end of the last ice age by modern

2832

02:22:13,830 --> 02:22:09,490

dating it ties in perfectly with what we

2833

02:22:16,410 --> 02:22:13,840

now know from genuine archaeological and

2834

02:22:18,600 --> 02:22:16,420

geological evidence so I think we have

2835

02:22:21,230 --> 02:22:18,610

to relook at that and I don't care if

2836

02:22:23,910 --> 02:22:21,240

you know my son my academic colleagues

2837

02:22:26,790 --> 02:22:23,920

find that crazy that's where the

2838

02:22:29,310 --> 02:22:26,800

evidence is going well and when we talk

2839

02:22:31,470 --> 02:22:29,320

about the possibility of great floods or

2840

02:22:33,480 --> 02:22:31,480

catastrophes and these things around the

2841

02:22:35,610 --> 02:22:33,490

world and everybody has got a flood myth

2842

02:22:38,640 --> 02:22:35,620

every culture doesn't matter where you

2843

02:22:41,430 --> 02:22:38,650

go everybody's got a flood myth story

2844

02:22:43,770 --> 02:22:41,440

and when we back up off of the last ice

2845

02:22:47,011 --> 02:22:43,780

age when everything started to melt and

2846

02:22:48,930 --> 02:22:47,021

sea levels rose there's the the

2847

02:22:51,750 --> 02:22:48,940

possibility of each one of these

2848

02:22:54,720 --> 02:22:51,760

cultures around the world experiencing

2849

02:22:57,511 --> 02:22:54,730

their own flood story and that's where

2850

02:23:02,690 --> 02:22:57,521

it all comes from but yeah with the talk

2851

02:23:06,091 --> 02:23:02,700
of Atlantis predated the Ed foo

2852

02:23:08,940 --> 02:23:06,101
discovery and when you look at those

2853

02:23:10,850 --> 02:23:08,950
texts now you put that in and it's

2854

02:23:13,500 --> 02:23:10,860
another piece of evidence here that

2855

02:23:17,280 --> 02:23:13,510
explains a lot not only the technology

2856

02:23:20,940 --> 02:23:17,290
of Egypt but some of these stories that

2857

02:23:25,280 --> 02:23:20,950
go back around around the world with all

2858

02:23:29,070 --> 02:23:25,290
of these cultures and to me it starts to

2859

02:23:31,440 --> 02:23:29,080
complete the puzzle I think right there

2860

02:23:33,841 --> 02:23:31,450
ed foo and it's ended and is dismissed

2861

02:23:36,270 --> 02:23:33,851
and I don't yeah no no and Ed who is

2862

02:23:39,240 --> 02:23:36,280
incredible it's it's essentially one of

2863

02:23:42,660 --> 02:23:39,250

the places that we go and visit and it's

2864

02:23:44,970 --> 02:23:42,670

a it's essentially a book in stone as

2865

02:23:48,631 --> 02:23:44,980

it's sometimes described all over the

2866

02:23:51,360 --> 02:23:48,641

temple and it talks about this and you

2867

02:23:53,551 --> 02:23:51,370

know again the problem is that so many

2868

02:23:55,980 --> 02:23:53,561

academics Egyptologist they just

2869

02:23:58,890 --> 02:23:55,990

dismissed this as nonsense you know they

2870

02:24:01,170 --> 02:23:58,900

call myth mythology or whatever and they

2871

02:24:02,860 --> 02:24:01,180

just dismiss it but we're finding

2872

02:24:06,880 --> 02:24:02,870

there's a real basis for

2873

02:24:09,730 --> 02:24:06,890

the the evidence I want to close on this

2874

02:24:13,360 --> 02:24:09,740

the evidence when we look at the Great

2875

02:24:15,969 --> 02:24:13,370

Pyramid we can all make jokes that you

2876

02:24:19,360 --> 02:24:15,979

know Khufu Cheops didn't put his name on

2877

02:24:22,440 --> 02:24:19,370

the pyramid but there you know you be

2878

02:24:24,610 --> 02:24:22,450

the greatest monument the greatest

2879

02:24:26,920 --> 02:24:24,620

construction ever in the history of the

2880

02:24:31,540 --> 02:24:26,930

world but you don't put your name on it

2881

02:24:33,940 --> 02:24:31,550

I think yeah little crazy but there's a

2882

02:24:36,219 --> 02:24:33,950

broader he was anonymous he wanted to

2883

02:24:40,030 --> 02:24:36,229

stay and not it's also interesting that

2884

02:24:41,710 --> 02:24:40,040

there's not much in the way of not only

2885

02:24:45,580 --> 02:24:41,720

are there no inscriptions but there's

2886

02:24:48,190 --> 02:24:45,590

not much in the way of direct evidence

2887

02:24:49,780 --> 02:24:48,200

in the sense of statues of him or

2888

02:24:54,010 --> 02:24:49,790

anything else

2889

02:24:56,980 --> 02:24:54,020

the only statuette that we now have is a

2890

02:24:59,230 --> 02:24:56,990

little ivory carving of him which you

2891

02:25:01,630 --> 02:24:59,240

can see at least it was on display in

2892

02:25:03,910 --> 02:25:01,640

the Egyptian Museum tiny little thing

2893

02:25:06,219 --> 02:25:03,920

and that's supposed to represent Khufu

2894

02:25:08,410 --> 02:25:06,229

and it's not even clear that that was

2895

02:25:11,469 --> 02:25:08,420

carved in his lifetime in fact it may

2896

02:25:14,020 --> 02:25:11,479

have been a thousand years later it may

2897

02:25:17,560 --> 02:25:14,030

just be a copy there were repeatedly on

2898

02:25:19,990 --> 02:25:17,570

the sign nice carvings of him on some of

2899

02:25:22,900 --> 02:25:20,000

the walls but they were destroyed but

2900

02:25:23,500 --> 02:25:22,910

you know there's very little it's

2901

02:25:26,770 --> 02:25:23,510

strange

2902

02:25:30,510 --> 02:25:26,780

know it well and I can explain it you

2903

02:25:37,270 --> 02:25:30,520

right okay yep pyramid was built before

2904

02:25:38,620 --> 02:25:37,280

hieroglyphics that's why they were use

2905

02:25:43,540 --> 02:25:38,630

it what they were using something more

2906

02:25:44,940 --> 02:25:43,550

sophisticated computers they need to

2907

02:25:47,980 --> 02:25:44,950

carve into the walls

2908

02:25:50,200 --> 02:25:47,990

yeah I'm joking a little bit about some

2909

02:25:53,860 --> 02:25:50,210

of this but no one maybe it's not a joke

2910

02:25:56,290 --> 02:25:53,870

we don't know I know you know how much

2911

02:25:58,630 --> 02:25:56,300

right now I don't know what the

2912

02:26:02,290 --> 02:25:58,640

percentage is how much is in print in

2913

02:26:06,760 --> 02:26:02,300

the last say five years versus just an

2914

02:26:10,150 --> 02:26:06,770

electronic digital format in cyberspace

2915

02:26:13,210 --> 02:26:10,160

I can't wait in my point I do I do

2916

02:26:16,120 --> 02:26:13,220

how much that doesn't actually exist in

2917

02:26:18,219 --> 02:26:16,130

print it's just

2918

02:26:20,820 --> 02:26:18,229

it's cyberspace it's just on the

2919

02:26:23,979 --> 02:26:20,830

internet and if all that goes down

2920

02:26:25,780 --> 02:26:23,989

they'll be lost well that's one reason

2921

02:26:28,000 --> 02:26:25,790

I'd like to have published books don't

2922

02:26:31,780 --> 02:26:28,010

you know physical see physical paper

2923

02:26:34,660 --> 02:26:31,790

copies stored somewhere but so much you

2924

02:26:36,969 --> 02:26:34,670

know never exists on paper never exists

2925

02:26:40,210 --> 02:26:36,979

physically in our modern day and age

2926
02:26:43,210 --> 02:26:40,220
yeah when you think about it let's if

2927
02:26:47,229 --> 02:26:43,220
you jump ten thousand years into the

2928
02:26:55,179 --> 02:26:47,239
future and somebody from the future

2929
02:26:57,189 --> 02:26:55,189
finds a CD what how are they going to

2930
02:26:59,229 --> 02:26:57,199
figure that out or they're not going to

2931
02:27:02,710 --> 02:26:59,239
figure it out number one in number two

2932
02:27:04,090 --> 02:27:02,720
it'll probably be so degraded that even

2933
02:27:06,250 --> 02:27:04,100
if they figure it out they'll get very

2934
02:27:08,439 --> 02:27:06,260
little information off of it that's

2935
02:27:13,030 --> 02:27:08,449
right and we have the same problems

2936
02:27:17,340 --> 02:27:13,040
today if if they found okay but CD is

2937
02:27:19,840 --> 02:27:17,350
one thing but how about a CD player

2938
02:27:23,320 --> 02:27:19,850

without a CD and they don't have the

2939

02:27:25,380 --> 02:27:23,330

instruction manual right well we have

2940

02:27:28,059 --> 02:27:25,390

the same problems with the Giza Plateau

2941

02:27:31,479 --> 02:27:28,069

we don't have those we don't have the

2942

02:27:33,790 --> 02:27:31,489

instruction man or a CD player or CD how

2943

02:27:37,450 --> 02:27:33,800

about a little thumb drive no bigger

2944

02:27:39,250 --> 02:27:37,460

than your fingernail they would know and

2945

02:27:41,830 --> 02:27:39,260

it could have all of the information of

2946

02:27:44,679 --> 02:27:41,840

our history but they would never know it

2947

02:27:47,559 --> 02:27:44,689

and we have the same problems today with

2948

02:27:49,149 --> 02:27:47,569

with keys in Egypt dr. Schaack thank you

2949

02:27:52,330 --> 02:27:49,159

so much for everything

2950

02:27:57,309 --> 02:27:52,340

what okay you've got the tour coming up

2951

02:28:01,540 --> 02:27:57,319

next year in 2019 what is happen 19 June

2952

02:28:03,309 --> 02:28:01,550

June 20 June 2019 I invite people to

2953

02:28:06,389 --> 02:28:03,319

come see what we've been talking about

2954

02:28:10,149 --> 02:28:06,399

see it in person I mean there's no

2955

02:28:12,729 --> 02:28:10,159

substitute for seeing in person and

2956

02:28:15,340 --> 02:28:12,739

what's left for you in 2018 are you

2957

02:28:17,439 --> 02:28:15,350

speaking any appearances yeah I've got

2958

02:28:19,630 --> 02:28:17,449

some appearances that are coming up

2959

02:28:20,920 --> 02:28:19,640

every month I think September October

2960

02:28:23,700 --> 02:28:20,930

November

2961

02:28:26,530 --> 02:28:23,710

I suggest that people go to my website

2962

02:28:28,630 --> 02:28:26,540

Robert Schoch com

2963

02:28:29,860 --> 02:28:28,640

and for people that don't know how to

2964

02:28:33,880 --> 02:28:29,870

spell my name

2965

02:28:39,100 --> 02:28:33,890

Robert the normal way ro be ERT last

2966

02:28:41,980 --> 02:28:39,110

name SCH och calm thank you so much my

2967

02:28:43,801 --> 02:28:41,990

friend give my best to Katie and thank

2968

02:28:45,820 --> 02:28:43,811

you it's just another wonderful

2969

02:28:48,100 --> 02:28:45,830

conversation here I'm fade to black with

2970

02:28:49,060 --> 02:28:48,110

you it's always great to be on thank you

2971

02:28:51,011 --> 02:28:49,070

so much

2972

02:28:57,100 --> 02:28:51,021

boys enjoy it enjoy the rest of your

2973

02:29:00,900 --> 02:28:57,110

morning I'll talk to you soon thank you

2974

02:29:04,480 --> 02:29:00,910

so much Robert okay thank you Robert M

2975

02:29:07,600 --> 02:29:04,490

shock its Robert Schoch calm and you've

2976

02:29:10,270 --> 02:29:07,610

got to go if if you can you've got to go

2977

02:29:12,310 --> 02:29:10,280

to Egypt with them Robert Schoch calm

2978

02:29:13,810 --> 02:29:12,320

all the information is right there this

2979

02:29:16,600 --> 02:29:13,820

is fade to black on the arrows Jimmy

2980

02:29:22,890 --> 02:29:16,610

Church I'll be right back with open

2981

02:29:39,060 --> 02:29:36,290

[Music]

2982

02:29:41,760 --> 02:29:39,070

come back here and you are listening to

2983

02:29:47,210 --> 02:29:41,770

my boy Jimmy Church Oh Jimmy Church

2984

02:29:51,389 --> 02:29:47,220

radio.com this my popular opinion

2985

02:29:54,330 --> 02:29:51,399

reading a book will not make you smarter

2986

02:29:57,389 --> 02:29:54,340

but listening to Jimmy church will

2987

02:30:01,690 --> 02:29:57,399

[Applause]

2988

02:30:03,550 --> 02:30:01,700

hurricanes earthquakes wildfires this

2989

02:30:06,010 --> 02:30:03,560

year we've experienced more than our

2990

02:30:08,320 --> 02:30:06,020

fair share this is Jimmy Church of fade

2991

02:30:10,330 --> 02:30:08,330

to black and last month I decided to

2992

02:30:12,760 --> 02:30:10,340

make sure my family does not have to

2993

02:30:15,910 --> 02:30:12,770

worry about food should we get caught in

2994

02:30:18,370 --> 02:30:15,920

a real emergency situation introducing

2995

02:30:20,020 --> 02:30:18,380

Humana a healthy storable product that

2996

02:30:22,059 --> 02:30:20,030

tastes so good that you'll want to eat

2997

02:30:24,340 --> 02:30:22,069

it every day instead of just during

2998

02:30:26,559 --> 02:30:24,350

those times of duress all new manna

2999

02:30:29,950 --> 02:30:26,569

products have a 25 year shelf life our

3000

02:30:32,500 --> 02:30:29,960

msg and GMO free no preservatives and

3001
02:30:34,420 --> 02:30:32,510
are made in America with the new manna

3002
02:30:36,010 --> 02:30:34,430
pack in your home you'll be able to

3003
02:30:38,559 --> 02:30:36,020
sleep at night knowing that you

3004
02:30:41,770 --> 02:30:38,569
protected your family not only have I

3005
02:30:43,870 --> 02:30:41,780
tasted and tested I own it now you can

3006
02:30:46,090 --> 02:30:43,880
too just click on the new manna banner

3007
02:30:47,950 --> 02:30:46,100
on Jimmy Church radio.com and use the

3008
02:30:50,349 --> 02:30:47,960
promo code Jimmy when you order in

3009
02:30:52,349 --> 02:30:50,359
addition to a discount we'll send you an

3010
02:30:57,580 --> 02:30:52,359
autograph fade to black t-shirt

3011
02:31:00,460 --> 02:30:57,590
seriously gobekli tepe when you take the

3012
02:31:02,830 --> 02:31:00,470
beans from Central America with dashes

3013
02:31:05,230 --> 02:31:02,840

of Indonesian and African mixed in and

3014

02:31:08,290 --> 02:31:05,240

then roast it to the dark side of fade

3015

02:31:11,469 --> 02:31:08,300

to black you create the ultimate brew of

3016

02:31:15,219 --> 02:31:11,479

Fringe introducing the fade to black

3017

02:31:17,830 --> 02:31:15,229

blend from River moon coffee yes River

3018

02:31:20,830 --> 02:31:17,840

moons darkest customized roast was

3019

02:31:23,800 --> 02:31:20,840

created for the love of fade to black

3020

02:31:26,500 --> 02:31:23,810

the alchemy of masterful roasting and

3021

02:31:30,070 --> 02:31:26,510

smoking the beans is in every sip of

3022

02:31:33,070 --> 02:31:30,080

this full-bodied dark Java I need my

3023

02:31:35,410 --> 02:31:33,080

coffee doc deep with distinct

3024

02:31:38,110 --> 02:31:35,420

bittersweet chocolate highlights just

3025

02:31:40,540 --> 02:31:38,120

like the bunker leaning further into the

3026

02:31:43,560 --> 02:31:40,550

darkness of the roast is fade to black

3027

02:31:45,120 --> 02:31:43,570

blend from rubber moon coffee Jeff

3028

02:31:48,030 --> 02:31:45,130

click on the banner at Jimmy Church

3029

02:31:51,591 --> 02:31:48,040

radio.com and use the promo code F to be

3030

02:31:55,801 --> 02:31:51,601

blend for 15% off of your order today

3031

02:31:57,870 --> 02:31:55,811

gobekli tepe hey can we talk about

3032

02:32:00,961 --> 02:31:57,880

something serious for a minute your age

3033

02:32:03,450 --> 02:32:00,971

getting old has its perks but remember

3034

02:32:05,461 --> 02:32:03,460

being a few years younger you know your

3035

02:32:07,320 --> 02:32:05,471

hair was thicker you didn't have so many

3036

02:32:09,301 --> 02:32:07,330

wrinkles that extra weight wasn't

3037

02:32:11,580 --> 02:32:09,311

haunting you and you just felt better

3038

02:32:14,280 --> 02:32:11,590

well we can't turn back the clocks and

3039

02:32:16,440 --> 02:32:14,290

go back 10 or 15 years but you can start

3040

02:32:19,591 --> 02:32:16,450

feeling and looking 10 or 15 years

3041

02:32:21,600 --> 02:32:19,601

younger with nature's youth RSF it's a

3042

02:32:23,280 --> 02:32:21,610

doctor formulated daily supplement that

3043

02:32:25,011 --> 02:32:23,290

helps your body maintain its peak

3044

02:32:27,660 --> 02:32:25,021

performance and fight the aging process

3045

02:32:29,011 --> 02:32:27,670

imagine sleeping better looking better

3046

02:32:31,620 --> 02:32:29,021

and feeling better

3047

02:32:33,570 --> 02:32:31,630

see how nature's youth RSF has helped

3048

02:32:36,270 --> 02:32:33,580

thousands of people just like you at

3049

02:32:38,700 --> 02:32:36,280

nature's youth calm nature's youth calm

3050

02:32:40,140 --> 02:32:38,710

the holidays are coming imagine how it

3051

02:32:42,030 --> 02:32:40,150

will feel when your family and friends

3052

02:32:42,690 --> 02:32:42,040

are asking you what you did to look so

3053

02:32:45,120 --> 02:32:42,700

good

3054

02:32:46,980 --> 02:32:45,130

your secret will be nature's youth RSF

3055

02:32:49,410 --> 02:32:46,990

it's time to start looking better and

3056

02:32:51,810 --> 02:32:49,420

feeling better learn more in order your

3057

02:33:01,581 --> 02:32:51,820

nature's use RSS at nature's youth calm

3058

02:33:16,081 --> 02:33:05,251

it's not a lifestyle we chose we were

3059

02:33:19,020 --> 02:33:16,091

born this way k GRA radio.com this is KJ

3060

02:33:32,180 --> 02:33:19,030

CRA Jimmy shirts radiojohn yeah

3061

02:33:37,690 --> 02:33:35,011

all right welcome back beta-blocker the

3062

02:33:42,060 --> 02:33:40,230

and I have

3063

02:33:44,120 --> 02:33:42,070

lov'st the Internet

3064

02:33:46,519 --> 02:33:44,130

[Music]

3065

02:33:49,880 --> 02:33:46,529

I've got one stage of the internet going

3066

02:33:53,059 --> 02:33:49,890

out I have nothing coming back in so I

3067

02:33:56,840 --> 02:33:53,069

don't have any phones and I don't even

3068

02:33:59,540 --> 02:33:56,850

know if you can hear me right now so

3069

02:34:01,309 --> 02:33:59,550

with that I'm just gonna have to wrap

3070

02:34:04,099 --> 02:34:01,319

the show tonight and I don't want to do

3071

02:34:08,450 --> 02:34:04,109

this I rebooted computers and everything

3072

02:34:11,059 --> 02:34:08,460

during the break and hoping that things

3073

02:34:14,330 --> 02:34:11,069

were gonna fix themselves and they did

3074

02:34:17,450 --> 02:34:14,340

not I am really bummed out about this so

3075

02:34:21,260 --> 02:34:17,460

with that I am just going to wrap the

3076
02:34:23,059 --> 02:34:21,270
show I'm going to try and get right now

3077
02:34:26,240 --> 02:34:23,069
I've got I got nothing

3078
02:34:28,010 --> 02:34:26,250
I don't think so that's it I got to

3079
02:34:31,219 --> 02:34:28,020
thank Robert Schoch for coming in

3080
02:34:34,760 --> 02:34:31,229
tonight absolutely amazing conversation

3081
02:34:38,269 --> 02:34:34,770
and I'm glad that it made it to the end

3082
02:34:40,429 --> 02:34:38,279
so we did get through that but with that

3083
02:34:44,059 --> 02:34:40,439
I'm just going to wrap the show and if

3084
02:34:45,679 --> 02:34:44,069
you can hear me right now but I don't

3085
02:34:49,760 --> 02:34:45,689
want you to be bummed out it's just the

3086
02:34:55,910 --> 02:34:49,770
way that it is so let's go ahead and

3087
02:34:57,889 --> 02:34:55,920
wrap that's right I'm gonna do this was

3088
02:34:59,630 --> 02:34:57,899

an amazing show with Robert Shaw kata

3089

02:35:01,820 --> 02:34:59,640

blights executive producers ritika

3090

02:35:03,800 --> 02:35:01,830

murray on show us produced by Hill J

3091

02:35:05,599 --> 02:35:03,810

Palmer nee Denison Bob announces our

3092

02:35:08,510 --> 02:35:05,609

Steve Hart of gene the Toa Marty

3093
