copyright 2018 fade to black [www.jimmychurchradio.com](http://www.jimmychurchradio.com)

1  
00:00:50,840 --> 00:00:26,220

[Music]

2  
00:00:54,350 --> 00:00:50,850

this hope radio for the masses headliner

3  
00:00:55,880 --> 00:00:54,360

between July 1940 presently the Army Air

4  
00:00:58,189 --> 00:00:55,890

Force who has announced are applying

5  
00:01:01,400 --> 00:00:58,199

there has been found and is now in the

6  
00:01:05,389 --> 00:01:01,410

possession of Leon a name is big change

7  
00:01:08,270 --> 00:01:05,399

the game changer I occasionally think

8  
00:01:12,410 --> 00:01:08,280

how quickly our differences worldwide

9  
00:01:19,540 --> 00:01:12,420

would vanish if we were facing an alien

10  
00:01:25,270 --> 00:01:22,330

this is fade to black with your host

11  
00:01:28,990 --> 00:01:25,280

Jimmy Church on the game changer radio

12  
00:01:32,370 --> 00:01:29,000

network and K GRA the global rain

13  
00:01:37,480 --> 00:01:34,270

we need your help to get to the

14

00:01:43,350 --> 00:01:41,130

[Music]

15

00:01:46,290 --> 00:01:43,360

you are listening to fade to black with

16

00:01:54,490 --> 00:01:46,300

Jimmy judge on the game changer Network

17

00:01:54,500 --> 00:02:00,820

good evening say goodbye

18

00:02:00,830 --> 00:02:12,790

both radio for dock

19

00:02:21,510 --> 00:02:15,670

how you do it

20

00:02:28,080 --> 00:02:26,140

today is Tuesday August 21st 2018

21

00:02:34,320 --> 00:02:28,090

[Music]

22

00:02:41,400 --> 00:02:38,140

we're live from a bunker somewhere in

23

00:02:42,720 --> 00:02:41,410

the middle of beautiful town

24

00:02:45,120 --> 00:02:42,730

and I would like to welcome everybody

25

00:02:47,190 --> 00:02:45,130

listening on

26

00:02:51,479 --> 00:02:47,200

[Applause]

27

00:02:54,150 --> 00:02:51,489

it states his er and 10:30 and thrown

28

00:02:55,780 --> 00:02:54,160

back and forth up and down east and west

29

00:02:57,240 --> 00:02:55,790

north and south

30

00:03:00,900 --> 00:02:57,250

[Music]

31

00:03:02,470 --> 00:03:00,910

near this is fade to black

32

00:03:04,710 --> 00:03:02,480

4k JCR

33

00:03:07,750 --> 00:03:04,720

[Music]

34

00:03:12,460 --> 00:03:07,760

game-changer network and kg ra the

35

00:03:16,120 --> 00:03:12,470

planets coming up Jimmy Church what is

36

00:03:16,870 --> 00:03:16,130

crackin everybody how you do it how you

37

00:03:19,620 --> 00:03:16,880

doing

38

00:03:25,620 --> 00:03:19,630

[Music]

39

00:03:29,550 --> 00:03:25,630

all right tonight very special guest dr.

40

00:03:33,360 --> 00:03:29,560

Robert Schoch is here that's right the

41

00:03:38,580 --> 00:03:33,370

good doctor we're gonna do a complete

42

00:03:41,490 --> 00:03:38,590

update on Egypt tonight lots of stuff to

43

00:03:45,470 --> 00:03:41,500

talk about he's also got a trip he's

44

00:03:49,500 --> 00:03:45,480

going back out and heading up a tour and

45

00:03:51,720 --> 00:03:49,510

2019 I think it's July June July we'll

46

00:03:54,450 --> 00:03:51,730

find out about that tonight I would love

47

00:03:56,190 --> 00:03:54,460

to go to Egypt with dr. Robert Schoch do

48

00:03:58,860 --> 00:03:56,200

you imagine what that tour would be like

49

00:04:01,710 --> 00:03:58,870

any tour with the good doctor would be

50

00:04:04,770 --> 00:04:01,720

amazing but we've got the new chamber

51  
00:04:08,940 --> 00:04:04,780  
above the Grand Gallery we've got the

52  
00:04:10,560 --> 00:04:08,950  
second Sphinx discovery and now we've

53  
00:04:12,660 --> 00:04:10,570  
got a few different versions of the

54  
00:04:15,450 --> 00:04:12,670  
second Sphinx right we've got luck sir

55  
00:04:18,949 --> 00:04:15,460  
we've got Giza we would be talking about

56  
00:04:21,630 --> 00:04:18,959  
all of that tonight we have the e/m

57  
00:04:23,700 --> 00:04:21,640  
testing that was done on the Great

58  
00:04:27,000 --> 00:04:23,710  
Pyramid and that white paper that was

59  
00:04:28,890 --> 00:04:27,010  
published last month we're gonna go over

60  
00:04:31,320 --> 00:04:28,900  
that too as well there's a new museum

61  
00:04:35,760 --> 00:04:31,330  
that is opening up at Giza the Great the

62  
00:04:37,110 --> 00:04:35,770  
grand the grand Egyptian Museum I think

63  
00:04:41,070 --> 00:04:37,120

that's what they're calling it the grand

64

00:04:43,980 --> 00:04:41,080

there I do believe so and all that and

65

00:04:46,680 --> 00:04:43,990

much more so stay tuned for that that'll

66

00:04:48,840 --> 00:04:46,690

be at the bottom of the hour dr. Robert

67

00:04:52,020 --> 00:04:48,850

Schoch love it when he's on the show and

68

00:04:53,550 --> 00:04:52,030

do you remember I'm gonna ask him about

69

00:04:58,140 --> 00:04:53,560

this tonight he's probably listening

70

00:05:02,400 --> 00:04:58,150

right now that'll blow it anyway do you

71

00:05:04,860 --> 00:05:02,410

remember back the first time that we had

72

00:05:06,570 --> 00:05:04,870

him on the show there was two things now

73

00:05:09,690 --> 00:05:06,580

this is five years ago so it's going

74

00:05:13,380 --> 00:05:09,700

back away but two things happened

75

00:05:15,830 --> 00:05:13,390

during that show one you know he had me

76

00:05:21,840 --> 00:05:15,840

all nervous and I said hey you know

77

00:05:23,520 --> 00:05:21,850

should I call you doctor he was like

78

00:05:27,930 --> 00:05:23,530

yeah man you're gonna call me doctor

79

00:05:31,860 --> 00:05:27,940

little man okay yeah there was that all

80

00:05:34,470 --> 00:05:31,870

right now I just call him

81

00:05:37,770 --> 00:05:34,480

does call him Robert but there was a

82

00:05:41,940 --> 00:05:37,780

second thing that has come up so often

83

00:05:45,420 --> 00:05:41,950

on this show which was I tried to find

84

00:05:49,110 --> 00:05:45,430

out what happened when he slept in the

85

00:05:52,470 --> 00:05:49,120

sarcophagus in the King's Chamber when

86

00:05:56,160 --> 00:05:52,480

all night right by himself and he

87

00:05:58,740 --> 00:05:56,170

wouldn't divulge he wouldn't divulge but

88

00:06:02,420 --> 00:05:58,750

I think I'm gonna go might take another

89

00:06:05,940 --> 00:06:02,430

crack at that tonight see what happens

90

00:06:09,480 --> 00:06:05,950

probably gonna laugh me off again little

91

00:06:12,570 --> 00:06:09,490

man I don't have to answer that I don't

92

00:06:15,150 --> 00:06:12,580

have to answer awesome shirt alert you

93

00:06:17,340 --> 00:06:15,160

guys like the shirt guys like the shirt

94

00:06:20,970 --> 00:06:17,350

that's cool let's go follow us on

95

00:06:24,330 --> 00:06:20,980

twitter at JT radio hashtag f2 B is the

96

00:06:27,750 --> 00:06:24,340

sandbox and you can see Sarah and tweet

97

00:06:29,430 --> 00:06:27,760

right there awesome sure thank you you

98

00:06:31,110 --> 00:06:29,440

know what that's gonna get a retweet I'm

99

00:06:33,930 --> 00:06:31,120

gonna retweet that Sarah because that's

100

00:06:38,880 --> 00:06:33,940

that's just an awesome tweet or did you

101  
00:06:42,570 --> 00:06:38,890  
not tweet that wait a minute it's a that

102  
00:06:44,340 --> 00:06:42,580  
is her tweet okay you guys are funny all

103  
00:06:46,440 --> 00:06:44,350  
right enough of that I could just sit

104  
00:06:48,960 --> 00:06:46,450  
and talk about Twitter all night long I

105  
00:06:51,390 --> 00:06:48,970  
should do that one night just as

106  
00:06:55,680 --> 00:06:51,400  
straight Twitter night no guests no

107  
00:06:58,860 --> 00:06:55,690  
nothing just myself and you guys on

108  
00:07:02,100 --> 00:06:58,870  
Twitter not the chat rooms ignore it

109  
00:07:06,170 --> 00:07:02,110  
just just Twitter and me I would love

110  
00:07:09,900 --> 00:07:06,180  
that that would be a fun night hey Rita

111  
00:07:14,550 --> 00:07:09,910  
let's do a Twitter night does me and

112  
00:07:17,910 --> 00:07:14,560  
Twitter know guest I think we can book

113  
00:07:22,260 --> 00:07:17,920

that guest have you been over to on

114

00:07:26,100 --> 00:07:22,270

stellar ons te ll a are.com on stellar

115

00:07:28,590 --> 00:07:26,110

calm yes Jimmy yeah Twitter night

116

00:07:30,840 --> 00:07:28,600

Twitter night you guys agree with in are

117

00:07:33,630 --> 00:07:30,850

you guys down for a Twitter night that

118

00:07:36,540 --> 00:07:33,640

would be fun I think so just just

119

00:07:38,880 --> 00:07:36,550

Twitter you know little ask me anything

120

00:07:42,000 --> 00:07:38,890

on Twitter and an end we could just goof

121

00:07:44,670 --> 00:07:42,010

around back and forth just do a Twitter

122

00:07:45,629 --> 00:07:44,680

night that'd be really really cool all

123

00:07:49,110 --> 00:07:45,639

right you know

124

00:07:50,879 --> 00:07:49,120

I'm gonna do that what do that yeah

125

00:07:53,700 --> 00:07:50,889

we've already got next week but if we

126  
00:07:55,260 --> 00:07:53,710  
have an empty day next week if we have

127  
00:07:58,860 --> 00:07:55,270  
something we can move around Rita let's

128  
00:07:59,159 --> 00:07:58,870  
do a Twitter night just Twitter all

129  
00:08:01,890 --> 00:07:59,169  
right

130  
00:08:05,790 --> 00:08:01,900  
does the SRV on the guitar behind you

131  
00:08:08,760 --> 00:08:05,800  
stand for Stevie Ray Vaughan yes it does

132  
00:08:16,200 --> 00:08:08,770  
I'm talking about that one right there

133  
00:08:20,519 --> 00:08:16,210  
yes Stevie Ray Vaughan and the the you

134  
00:08:24,540 --> 00:08:20,529  
look the guitar strap stands for fade to

135  
00:08:30,689 --> 00:08:24,550  
black yeah yeah you like that

136  
00:08:32,430 --> 00:08:30,699  
I am I Facebook YouTube man YouTube's

137  
00:08:35,009 --> 00:08:32,440  
giving me hassles again just to let you

138  
00:08:37,439 --> 00:08:35,019

guys know go for a Twitter night Twitter

139

00:08:40,529 --> 00:08:37,449

night you guys are down you guys are

140

00:08:43,319 --> 00:08:40,539

down for Twitter night okay all right

141

00:08:45,329 --> 00:08:43,329

keep it up keep it up I want to see

142

00:08:47,880 --> 00:08:45,339

enough of your support here we'll do it

143

00:08:51,030 --> 00:08:47,890

we'll do it next week I think we can

144

00:08:52,769 --> 00:08:51,040

pull that off okay Twitter Facebook

145

00:08:55,079 --> 00:08:52,779

YouTube everything is TB Church go find

146

00:08:57,449 --> 00:08:55,089

it go follow like and subscribe but I'm

147

00:08:58,319 --> 00:08:57,459

stellar is the place to be on stellar is

148

00:09:00,630 --> 00:08:58,329

unbelievable

149

00:09:03,660 --> 00:09:00,640

I'm gonna give everybody the heads up I

150

00:09:04,980 --> 00:09:03,670

had kind of forgotten about this but you

151

00:09:06,420 --> 00:09:04,990

need to get over town and sell or get

152

00:09:09,420 --> 00:09:06,430

registered now there's a few things that

153

00:09:12,530 --> 00:09:09,430

are gonna happen but one of them that is

154

00:09:15,680 --> 00:09:12,540

getting ready to launch is we've got a

155

00:09:21,090 --> 00:09:15,690

total site overhaul that's gonna happen

156

00:09:23,550 --> 00:09:21,100

yeah and I can't divulge I can't divulge

157

00:09:25,199 --> 00:09:23,560

any more than that but let me just say

158

00:09:29,009 --> 00:09:25,209

it looks amazing

159

00:09:31,710 --> 00:09:29,019

okay I let's continue on got a lot to do

160

00:09:35,370 --> 00:09:31,720

here tonight Robert Schoch is here one

161

00:09:37,199 --> 00:09:35,380

of not only my favorite guests but just

162

00:09:38,670 --> 00:09:37,209

such a leader in this community and I

163

00:09:42,389 --> 00:09:38,680

say it every time he's on the show it's

164

00:09:44,550 --> 00:09:42,399

it's rare that we all have dreams when

165

00:09:46,860 --> 00:09:44,560

were a kid we're gonna we're gonna be

166

00:09:49,980 --> 00:09:46,870

king of the world right we're gonna have

167

00:09:52,079 --> 00:09:49,990

our own castle we're gonna just just

168

00:09:54,059 --> 00:09:52,089

change things we're gonna change things

169

00:09:56,189 --> 00:09:54,069

well you know and those are those are

170

00:09:58,500 --> 00:09:56,199

the dreams right and we all have those

171

00:10:02,940 --> 00:09:58,510

growing up

172

00:10:07,290 --> 00:10:02,950

robert changed the world along with john

173

00:10:09,510 --> 00:10:07,300

anthony west changed that's a rare thing

174

00:10:12,390 --> 00:10:09,520

it's one thing to have the dreams it's

175

00:10:14,880 --> 00:10:12,400

another thing to actually do it well he

176

00:10:16,230 --> 00:10:14,890

did and he's our guest tonight I cannot

177

00:10:18,990 --> 00:10:16,240

wait for it you can also email

178

00:10:22,350 --> 00:10:19,000

throughout the show Jimmy at Jimmy

179

00:10:26,100 --> 00:10:22,360

Church radio.com I had a bunch of

180

00:10:29,540 --> 00:10:26,110

breaking news today and I got a little

181

00:10:32,420 --> 00:10:29,550

swallowed up and a bunch of stuff and

182

00:10:36,930 --> 00:10:32,430

the other things that were going on

183

00:10:40,050 --> 00:10:36,940

today in the political world it was just

184

00:10:41,790 --> 00:10:40,060

it was a it was a bit too much to handle

185

00:10:44,700 --> 00:10:41,800

you kidding escaping on any of the

186

00:10:47,070 --> 00:10:44,710

mainstream media and of course you know

187

00:10:48,390 --> 00:10:47,080

I'm talking about mana four and Cohen

188

00:10:50,550 --> 00:10:48,400

what's going down with those two dudes

189

00:10:55,260 --> 00:10:50,560

and it went down at the same time two

190

00:10:57,870 --> 00:10:55,270

timing was strange but that quickly took

191

00:10:59,910 --> 00:10:57,880

over everything else and and I got a

192

00:11:03,050 --> 00:10:59,920

little sidetracked not with them but

193

00:11:05,790 --> 00:11:03,060

with other stuff here in the bunker and

194

00:11:10,320 --> 00:11:05,800

I'll talk about this a little bit later

195

00:11:13,770 --> 00:11:10,330

but what I am gonna talk about here in

196

00:11:18,170 --> 00:11:13,780

just a second is our universe because

197

00:11:21,410 --> 00:11:18,180

lost today in all of the political

198

00:11:24,510 --> 00:11:21,420

conspiracy you know news that that is

199

00:11:27,030 --> 00:11:24,520

overwhelming everything was a very

200

00:11:28,980 --> 00:11:27,040

interesting story today that on any

201  
00:11:29,940 --> 00:11:28,990  
other day would have been the biggest

202  
00:11:32,550 --> 00:11:29,950  
news of the day

203  
00:11:36,000 --> 00:11:32,560  
okay so I'll talk about that in just a

204  
00:11:39,090 --> 00:11:36,010  
second but for now let's get to show

205  
00:11:44,400 --> 00:11:39,100  
cracking happy birthday to today System

206  
00:11:47,310 --> 00:11:44,410  
of a Down frontman Serj Tankian is 51

207  
00:11:49,280 --> 00:11:47,320  
years old one of my favorite bands one

208  
00:11:52,530 --> 00:11:49,290  
of my favorite bands and not only

209  
00:11:54,840 --> 00:11:52,540  
because the music is great but they're

210  
00:11:58,170 --> 00:11:54,850  
from right here in beautiful downtown

211  
00:12:00,320 --> 00:11:58,180  
Burbank California and I'll never forget

212  
00:12:02,850 --> 00:12:00,330  
back in the 90s

213  
00:12:10,380 --> 00:12:02,860

yeah I'm not too sure what it was but

214

00:12:12,329 --> 00:12:10,390

I'm gonna say mid to late 90s 98 99 97

215

00:12:15,870 --> 00:12:12,339

98 99

216

00:12:17,699 --> 00:12:15,880

I wake up turn on the TV and I had heard

217

00:12:20,840 --> 00:12:17,709

the day before that System of a Down was

218

00:12:24,019 --> 00:12:20,850

gonna play a free concert in Hollywood

219

00:12:26,720 --> 00:12:24,029

and I thought how can how can anybody

220

00:12:29,790 --> 00:12:26,730

especially a band like system of it down

221

00:12:34,019 --> 00:12:29,800

go and just play a free concert on

222

00:12:37,920 --> 00:12:34,029

Hollywood Boulevard you're just asking

223

00:12:43,139 --> 00:12:37,930

for trouble and it went down man live on

224

00:12:45,629 --> 00:12:43,149

TV a riot rioted in the middle of the

225

00:12:47,400 --> 00:12:45,639

day - they were gonna play it was it was

226

00:12:49,949 --> 00:12:47,410

crazy they were gonna play it like noon

227

00:12:51,629 --> 00:12:49,959

in the middle of the day on Hollywood

228

00:12:54,980 --> 00:12:51,639

Boulevard I just thought what could go

229

00:12:57,689 --> 00:12:54,990

wrong there right and it did man

230

00:12:59,850 --> 00:12:57,699

helicopters and they tore the stage

231

00:13:01,350 --> 00:12:59,860

apart and something I mean system I've

232

00:13:03,600 --> 00:13:01,360

done was like you know it we don't have

233

00:13:06,389 --> 00:13:03,610

security and that was that was the crazy

234

00:13:08,970 --> 00:13:06,399

thing you know if you're gonna go in and

235

00:13:11,850 --> 00:13:08,980

and set up for something like that you

236

00:13:14,610 --> 00:13:11,860

better be ready right and they weren't

237

00:13:18,780 --> 00:13:14,620

expecting the turnout which it which is

238

00:13:20,220 --> 00:13:18,790

what have a thousand it was crazy system

239

00:13:22,590 --> 00:13:20,230

down said you know what we're not gonna

240

00:13:25,500 --> 00:13:22,600

play well that was the second mistake

241

00:13:27,780 --> 00:13:25,510

there wasn't enough security there and I

242

00:13:32,610 --> 00:13:27,790

think everybody in that crowd made off

243

00:13:34,889 --> 00:13:32,620

with a piece of the Bands gear oh man it

244

00:13:38,400 --> 00:13:34,899

was nuts it was nuts you guys should

245

00:13:42,750 --> 00:13:38,410

post that up on Twitter so now that to

246

00:13:47,220 --> 00:13:42,760

me a system of a down got their original

247

00:13:49,829 --> 00:13:47,230

gangsta stripes on that day I've just

248

00:13:52,560 --> 00:13:49,839

been a fan ever since system of time if

249

00:13:53,850 --> 00:13:52,570

you guys got pictures of video you know

250

00:13:57,360 --> 00:13:53,860

you're out there search in the web right

251  
00:13:59,370 --> 00:13:57,370  
now of that of that concert in Hollywood

252  
00:14:02,309 --> 00:13:59,380  
you should post it up in Twitter it was

253  
00:14:04,710 --> 00:14:02,319  
crazy man it was crazy I watched that

254  
00:14:07,380 --> 00:14:04,720  
live on TV for like two hours

255  
00:14:11,009 --> 00:14:07,390  
it was some of the best reality TV I'd

256  
00:14:16,680 --> 00:14:11,019  
seen in a long time system of down on

257  
00:14:20,790 --> 00:14:16,690  
this day in history 1911 the theft of

258  
00:14:24,150 --> 00:14:20,800  
the Mona Lisa that's right well the

259  
00:14:25,510 --> 00:14:24,160  
theft happened on well they suspect the

260  
00:14:29,260 --> 00:14:25,520  
day before

261  
00:14:31,510 --> 00:14:29,270  
so on this day on the 21st it might have

262  
00:14:35,610 --> 00:14:31,520  
been the 20th are not exactly sure but

263  
00:14:39,310 --> 00:14:35,620

an amateur painter sets up his easel

264

00:14:42,220 --> 00:14:39,320

near Leonardo da Vinci's Mona Lisa in

265

00:14:44,500 --> 00:14:42,230

the Louvre in Paris so he's setting up

266

00:14:45,970 --> 00:14:44,510

you know and he knows the Mona Lisa's

267

00:14:47,530 --> 00:14:45,980

right here right you know it's like

268

00:14:49,150 --> 00:14:47,540

right here in he's setting up his easel

269

00:14:50,920 --> 00:14:49,160

and then you know and get to how does

270

00:14:53,050 --> 00:14:50,930

paint stuff and he looks the paintings

271

00:14:57,130 --> 00:14:53,060

gone it's like holy crap

272

00:14:58,930 --> 00:14:57,140

the Mona Lisa is gone poof it was there

273

00:14:59,829 --> 00:14:58,940

you know it's got the dust print right

274

00:15:02,829 --> 00:14:59,839

all right

275

00:15:06,550 --> 00:15:02,839

playing spot well the day before and

276

00:15:09,910 --> 00:15:06,560

perhaps in one of the most you know

277

00:15:14,769 --> 00:15:09,920

browsing our theft attempts of all time

278

00:15:17,560 --> 00:15:14,779

a Vincenzo Peruggia pulled it off he

279

00:15:18,699 --> 00:15:17,570

walked into the Louvre took the painting

280

00:15:21,340 --> 00:15:18,709

off of the wall

281

00:15:23,410 --> 00:15:21,350

stuck it in his jacket I'm not making

282

00:15:27,519 --> 00:15:23,420

this up and walked out of the Louvre

283

00:15:31,720 --> 00:15:27,529

with the model he said I swear that's

284

00:15:35,500 --> 00:15:31,730

how it happened and he escaped that's

285

00:15:39,370 --> 00:15:35,510

right two years later he got caught when

286

00:15:44,110 --> 00:15:39,380

he was trying to collect ransom for the

287

00:15:45,790 --> 00:15:44,120

painting to return it to Italy that's it

288

00:15:49,590 --> 00:15:45,800

he got caught the Louvre got the

289

00:15:56,079 --> 00:15:49,600

painting back that happened on this day

290

00:15:58,420 --> 00:15:56,089

in 1911 Fader fact one this is vetted

291

00:16:00,630 --> 00:15:58,430

almost as good as yesterday's Fator fact

292

00:16:03,579 --> 00:16:00,640

i don't know this one may be better

293

00:16:08,980 --> 00:16:03,589

rita we need to research this one just a

294

00:16:13,740 --> 00:16:08,990

little bit but i vetted it today one in

295

00:16:22,230 --> 00:16:13,750

three divorce filings one in three

296

00:16:29,630 --> 00:16:22,240

include the word face book that's right

297

00:16:34,790 --> 00:16:33,170

you go thought you like that tonight we

298

00:16:37,010 --> 00:16:34,800

have very special guest dr. Robert

299

00:16:39,980 --> 00:16:37,020

Schoch is here we're gonna do a complete

300

00:16:41,810 --> 00:16:39,990

update on all the news in Egypt and no

301  
00:16:43,400 --> 00:16:41,820  
telling where the conversation is going

302  
00:16:45,110 --> 00:16:43,410  
to go because it is dr. Robert Schoch

303  
00:16:48,140 --> 00:16:45,120  
and this is fade to black

304  
00:16:52,570 --> 00:16:48,150  
tomorrow night Richard bleep and Dolan

305  
00:16:55,280 --> 00:16:52,580  
is here and once again Richards here

306  
00:16:56,630 --> 00:16:55,290  
hold on you know we just don't know what

307  
00:16:58,610 --> 00:16:56,640  
what's gonna happen there but there's a

308  
00:17:01,400 --> 00:16:58,620  
lot of things that are going on with the

309  
00:17:03,620 --> 00:17:01,410  
UFO community right now and that's when

310  
00:17:05,860 --> 00:17:03,630  
you bring in the one and only Richard

311  
00:17:08,689 --> 00:17:05,870  
bleep and Dolan to set it all straight

312  
00:17:10,460 --> 00:17:08,699  
that's tomorrow night Thursday night is

313  
00:17:12,610 --> 00:17:10,470

another Fator night which on Rapoport

314

00:17:16,430 --> 00:17:12,620

and there's no more fake newsroom live

315

00:17:20,810 --> 00:17:16,440

followed by open lines all night long

316

00:17:23,319 --> 00:17:20,820

all right today in all this craziness of

317

00:17:27,560 --> 00:17:23,329

the news all this craziness going down

318

00:17:31,640 --> 00:17:27,570

Cohen this man afford that oh man all

319

00:17:35,180 --> 00:17:31,650

right buried in the news story today was

320

00:17:37,600 --> 00:17:35,190

a really cool article about a second

321

00:17:41,140 --> 00:17:37,610

universe that's right

322

00:17:47,720 --> 00:17:41,150

second evidence of a second universe one

323

00:17:55,010 --> 00:17:47,730

before our universe right now hold on

324

00:17:57,350 --> 00:17:55,020

kids that's a huge story and so I'm

325

00:18:00,800 --> 00:17:57,360

gonna talk about this probably for the

326

00:18:02,380 --> 00:18:00,810

next month and part of that story today

327

00:18:06,620 --> 00:18:02,390

as I was reading through it a few

328

00:18:11,660 --> 00:18:06,630

blaring things stuck out for me I'm not

329

00:18:15,940 --> 00:18:11,670

a physicist I'm getting close though not

330

00:18:18,080 --> 00:18:15,950

a physicist I read oh and the

331

00:18:21,230 --> 00:18:18,090

documentaries that I go through with

332

00:18:23,360 --> 00:18:21,240

with physicists and and reading you know

333

00:18:25,400 --> 00:18:23,370

they're they're they're reports and

334

00:18:27,560 --> 00:18:25,410

papers and man you know it seems like

335

00:18:30,770 --> 00:18:27,570

that's all I do these days right

336

00:18:34,310 --> 00:18:30,780

well there's a few things that kind of

337

00:18:37,220 --> 00:18:34,320

stuck out for me and I am going to

338

00:18:43,100 --> 00:18:37,230

through my research and what I have read

339

00:18:46,450 --> 00:18:43,110

and what has taken my thought

340

00:18:50,930 --> 00:18:46,460

pattern in a direction it's now

341

00:18:54,289 --> 00:18:50,940

conflicting with the conflicting stuff

342

00:18:56,120 --> 00:18:54,299

that is going on inside of the

343

00:18:58,310 --> 00:18:56,130

professional community when it comes to

344

00:19:01,240 --> 00:18:58,320

science and and physics and the universe

345

00:19:05,510 --> 00:19:01,250

and the history of the universe and

346

00:19:12,830 --> 00:19:05,520

again I'm not a physicist but I but I've

347

00:19:15,970 --> 00:19:12,840

got a grip I do so years ago that's good

348

00:19:19,909 --> 00:19:15,980

let's go back let's go back 2530 years

349

00:19:22,190 --> 00:19:19,919

maybe a little longer when these stories

350

00:19:25,190 --> 00:19:22,200

about the expanding universe and and the

351  
00:19:31,360 --> 00:19:25,200  
Big Bang Theory started to really take

352  
00:19:35,000 --> 00:19:31,370  
hold one of the theories proposed and

353  
00:19:37,280 --> 00:19:35,010  
nearly accepted and still it's it's a

354  
00:19:41,510 --> 00:19:37,290  
part of the community today is that the

355  
00:19:44,210 --> 00:19:41,520  
universe is cyclical it expands it

356  
00:19:46,480 --> 00:19:44,220  
contracts goes back to nothing another

357  
00:19:49,070 --> 00:19:46,490  
Big Bang everything starts over again

358  
00:19:51,530 --> 00:19:49,080  
expands till they can't expand anymore

359  
00:19:52,039 --> 00:19:51,540  
and we're in the middle of one of these

360  
00:19:57,799 --> 00:19:52,049  
cycles

361  
00:20:04,070 --> 00:19:57,809  
that's one now I've got a problem with

362  
00:20:06,830 --> 00:20:04,080  
that if you go back to the Big Bang and

363  
00:20:08,690 --> 00:20:06,840

one of the thoughts that everybody has

364

00:20:10,850 --> 00:20:08,700

well you know I you know how could it

365

00:20:14,090 --> 00:20:10,860

start with absolutely nothing and

366

00:20:15,770 --> 00:20:14,100

everything is compressed into into a

367

00:20:17,299 --> 00:20:15,780

little bit you know nothing until it

368

00:20:20,330 --> 00:20:17,309

can't compress anymore then boom and it

369

00:20:23,630 --> 00:20:20,340

blows up and then and then everything

370

00:20:27,230 --> 00:20:23,640

that is right now started from that well

371

00:20:31,010 --> 00:20:27,240

that's not entirely true

372

00:20:33,159 --> 00:20:31,020

I mean in that there's no dirt in there

373

00:20:35,900 --> 00:20:33,169

there's no gold in there and there's no

374

00:20:39,230 --> 00:20:35,910

water in there and there's no part it

375

00:20:44,870 --> 00:20:39,240

that's not what's there what's there is

376

00:20:48,200 --> 00:20:44,880

energy P R energy and the energy this is

377

00:20:51,020 --> 00:20:48,210

before everything is made is what caused

378

00:20:56,060 --> 00:20:51,030

the Big Bang boom and it's just energy

379

00:20:57,030 --> 00:20:56,070

that's all it is so over time and early

380

00:20:59,820 --> 00:20:57,040

on you know the

381

00:21:03,690 --> 00:20:59,830

first 500 thousand years of the universe

382

00:21:06,090 --> 00:21:03,700

after the Big Bang all of these energy

383

00:21:08,070 --> 00:21:06,100

particles are out flying around they

384

00:21:12,030 --> 00:21:08,080

eventually collide with each other and

385

00:21:15,690 --> 00:21:12,040

combine and eventually than stars and

386

00:21:19,500 --> 00:21:15,700

and eventually gases and and things are

387

00:21:21,600 --> 00:21:19,510

formed but all of it is not compressed

388

00:21:24,900 --> 00:21:21,610

they're not you know there's no dirt and

389

00:21:28,020 --> 00:21:24,910

water and iron and copper and diamonds

390

00:21:31,400 --> 00:21:28,030

and carbon and no no it was just energy

391

00:21:34,980 --> 00:21:31,410

that blew up the energy eventually

392

00:21:36,540 --> 00:21:34,990

combined hitting itself into other party

393

00:21:39,390 --> 00:21:36,550

then it happened over time okay and

394

00:21:42,330 --> 00:21:39,400

that's that's the Big Bang I'm not a

395

00:21:44,520 --> 00:21:42,340

physicist but I think you understand

396

00:21:47,310 --> 00:21:44,530

what I'm saying so there's that and then

397

00:21:51,900 --> 00:21:47,320

the universe formed I can I can go with

398

00:22:00,240 --> 00:21:51,910

that but I can't go with is the reversal

399

00:22:04,850 --> 00:22:00,250

let me explain because one of the

400

00:22:08,160 --> 00:22:04,860

reasons why the reversal can't happen

401  
00:22:10,170 --> 00:22:08,170  
I'm talking about you know it expands

402  
00:22:13,440 --> 00:22:10,180  
and and then the ghosts are born them

403  
00:22:17,970 --> 00:22:13,450  
will cost is dark matter there are

404  
00:22:20,070 --> 00:22:17,980  
forces there are forces out there one of

405  
00:22:22,800 --> 00:22:20,080  
them being dark matter and of course

406  
00:22:25,500 --> 00:22:22,810  
gravity it's another thing that is

407  
00:22:27,090 --> 00:22:25,510  
pushing the universe apart and what can

408  
00:22:30,060 --> 00:22:27,100  
do the reason why it hasn't collapsed

409  
00:22:32,040 --> 00:22:30,070  
back on itself is because there are

410  
00:22:32,670 --> 00:22:32,050  
forces that are forcing it in the other

411  
00:22:35,310 --> 00:22:32,680  
direction

412  
00:22:37,080 --> 00:22:35,320  
I'm almost of the opinion that it's

413  
00:22:39,210 --> 00:22:37,090

gonna continue going that way and it's

414

00:22:40,860 --> 00:22:39,220

not going to reverse back on itself but

415

00:22:44,820 --> 00:22:40,870

one of the reasons why it can't and it

416

00:22:46,980 --> 00:22:44,830

won't is dark matter there is a lot of

417

00:22:50,790 --> 00:22:46,990

space out there and I'm talking about

418

00:22:53,070 --> 00:22:50,800

space in between objects there is a lot

419

00:22:57,330 --> 00:22:53,080

of dark matter there's as much dark

420

00:22:59,430 --> 00:22:57,340

matter out there as there is matter okay

421

00:23:02,160 --> 00:22:59,440

and it's just not going to happen it's

422

00:23:06,710 --> 00:23:02,170

not going to compress back on itself it

423

00:23:08,600 --> 00:23:06,720

may stabilize right where it gets to the

424

00:23:11,480 --> 00:23:08,610

equilibrium of

425

00:23:15,039 --> 00:23:11,490

dark matter and matter equalizing on

426

00:23:18,650 --> 00:23:15,049

itself and I can see that but totally

427

00:23:20,570 --> 00:23:18,660

reversing itself no because it's it's

428

00:23:22,700 --> 00:23:20,580

forcing itself out there isn't enough

429

00:23:24,980 --> 00:23:22,710

resistance out there on the outside of

430

00:23:27,590 --> 00:23:24,990

the universe to stop it and we're gonna

431

00:23:29,510 --> 00:23:27,600

continue to expand but there may be an

432

00:23:32,630 --> 00:23:29,520

equilibrium point but will it turn

433

00:23:35,000 --> 00:23:32,640

around and dark matter suddenly changes

434

00:23:37,280 --> 00:23:35,010

its mind all right

435

00:23:38,600 --> 00:23:37,290

it doesn't want a reason and and it's

436

00:23:40,880 --> 00:23:38,610

just gonna allow the universe to

437

00:23:43,370 --> 00:23:40,890

collapse back on itself no it's not

438

00:23:45,260 --> 00:23:43,380

gonna happen so there's that and I'm not

439

00:23:51,440 --> 00:23:45,270

a physicist but it just makes sense to

440

00:23:53,990 --> 00:23:51,450

me okay and then there is this just like

441

00:23:56,150 --> 00:23:54,000

the thoughts you had when you were a kid

442

00:23:58,250 --> 00:23:56,160

about the Big Bang and how could it be

443

00:24:00,289 --> 00:23:58,260

possible that everything that there is

444

00:24:02,480 --> 00:24:00,299

like the planet Earth could just

445

00:24:03,710 --> 00:24:02,490

compress into just look and all the

446

00:24:05,870 --> 00:24:03,720

other planets and all the other stars

447

00:24:08,030 --> 00:24:05,880

and just the universe just collapse into

448

00:24:10,850 --> 00:24:08,040

just something that it's just this big

449

00:24:12,740 --> 00:24:10,860

you know that is the size of nothing and

450

00:24:18,830 --> 00:24:12,750

then all of a sudden it blows up again

451  
00:24:21,530 --> 00:24:18,840  
no because now the reason why is all

452  
00:24:24,530 --> 00:24:21,540  
that was created the first time around

453  
00:24:28,990 --> 00:24:24,540  
from energy and all the matter that is

454  
00:24:31,460 --> 00:24:29,000  
around us is now created just because a

455  
00:24:33,110 --> 00:24:31,470  
physicist wants to say that it's

456  
00:24:35,630 --> 00:24:33,120  
reversing and it's gonna collapse back

457  
00:24:39,169 --> 00:24:35,640  
no now we're talking about reversing all

458  
00:24:42,710 --> 00:24:39,179  
of those processes that got us here

459  
00:24:45,880 --> 00:24:42,720  
that's a whole different situation one

460  
00:24:48,710 --> 00:24:45,890  
direction you know almost like chaos or

461  
00:24:53,690 --> 00:24:48,720  
entropy right where everything is being

462  
00:24:56,840 --> 00:24:53,700  
created but you can't uncreated it's

463  
00:24:59,450 --> 00:24:56,850

like cracking an egg you crack an egg

464

00:25:03,169 --> 00:24:59,460

it's cracked you can't reverse it

465

00:25:08,120 --> 00:25:03,179

you can't unscramble an egg you can't do

466

00:25:14,299 --> 00:25:08,130

it so it's the same idea here I don't

467

00:25:18,110 --> 00:25:14,309

see this process but yet in this article

468

00:25:20,780 --> 00:25:18,120

today there are there are two three four

469

00:25:22,220 --> 00:25:20,790

sides of the scientific community that

470

00:25:23,870 --> 00:25:22,230

are actually fighting

471

00:25:27,169 --> 00:25:23,880

and arguing about this and I don't care

472

00:25:29,750 --> 00:25:27,179

what the math says you can't undo

473

00:25:32,060 --> 00:25:29,760

everything it just doesn't make sense

474

00:25:35,840 --> 00:25:32,070

you cannot compare if you take out all

475

00:25:38,450 --> 00:25:35,850

the space of all of everything in

476  
00:25:40,940 --> 00:25:38,460  
between all of the atoms I get that oh

477  
00:25:42,440 --> 00:25:40,950  
man well you know the the Empire State

478  
00:25:45,049 --> 00:25:42,450  
Building you take out all the thing you

479  
00:25:48,650 --> 00:25:45,059  
know it'll fit into you know you know

480  
00:25:51,260 --> 00:25:48,660  
okay I get that idea but if you take the

481  
00:25:54,470 --> 00:25:51,270  
entire universe and all of the matter of

482  
00:25:57,680 --> 00:25:54,480  
everything that is that is not gonna

483  
00:26:01,400 --> 00:25:57,690  
compress down into a sugar cube it's not

484  
00:26:03,200 --> 00:26:01,410  
it's gonna be humongo you're not gonna

485  
00:26:05,480 --> 00:26:03,210  
be able to reverse those processes

486  
00:26:07,580 --> 00:26:05,490  
unless you're talking about a total

487  
00:26:09,500 --> 00:26:07,590  
breakdown of everything just I just

488  
00:26:12,590 --> 00:26:09,510

don't see it I don't see it that way

489

00:26:14,390 --> 00:26:12,600

I don't it doesn't make any sense so

490

00:26:16,730 --> 00:26:14,400

that's me and the scientific community

491

00:26:19,490 --> 00:26:16,740

is arguing about it and it's a big deal

492

00:26:21,950 --> 00:26:19,500

and it's a big argument and today it was

493

00:26:25,430 --> 00:26:21,960

out there and it was in the news totally

494

00:26:28,280 --> 00:26:25,440

overshadowed by the BS Etta's going down

495

00:26:34,299 --> 00:26:28,290

in Washington back to my point on all of

496

00:26:36,919 --> 00:26:34,309

this we have so many important important

497

00:26:40,430 --> 00:26:36,929

things that need to be discussed and we

498

00:26:43,880 --> 00:26:40,440

we must figure these things out but

499

00:26:46,909 --> 00:26:43,890

apparently this bs going down in

500

00:26:48,919 --> 00:26:46,919

Washington is is more important than the

501  
00:26:54,260 --> 00:26:48,929  
future of humanity or where we came from

502  
00:26:57,230 --> 00:26:54,270  
and apparently the news thinks so and it

503  
00:27:00,289 --> 00:26:57,240  
really bothers me I went through today

504  
00:27:01,700 --> 00:27:00,299  
I'm not gonna bore anybody with any of

505  
00:27:04,850 --> 00:27:01,710  
it but you know I went through headlines

506  
00:27:07,430 --> 00:27:04,860  
today and and I'm looking through and

507  
00:27:09,830 --> 00:27:07,440  
the reason why I did it is because I see

508  
00:27:12,770 --> 00:27:09,840  
this amazing article on the universe and

509  
00:27:14,419 --> 00:27:12,780  
I just thought to myself what is it that

510  
00:27:17,030 --> 00:27:14,429  
the mainstream media is pushing down

511  
00:27:19,340 --> 00:27:17,040  
everybody's throats you know and I went

512  
00:27:23,180 --> 00:27:19,350  
and looked at the headlines and I was

513  
00:27:25,760 --> 00:27:23,190

blown away by the nonsense that is their

514

00:27:28,549 --> 00:27:25,770

utter nonsense and you go to one website

515

00:27:31,039 --> 00:27:28,559

and it's one set of opinions and

516

00:27:33,200 --> 00:27:31,049

nonsense which is apparently the most

517

00:27:34,820 --> 00:27:33,210

important news in the history of man you

518

00:27:36,040 --> 00:27:34,830

go to another website it doesn't have

519

00:27:37,930 --> 00:27:36,050

anything that does first

520

00:27:39,790 --> 00:27:37,940

upside eyes but they have their opinions

521

00:27:40,870 --> 00:27:39,800

and what is the most important news of

522

00:27:42,520 --> 00:27:40,880

the day over here

523

00:27:44,560 --> 00:27:42,530

and I went to a third one and I'm

524

00:27:46,960 --> 00:27:44,570

reading through and I just I couldn't

525

00:27:50,110 --> 00:27:46,970

believe my eyes I just couldn't believe

526  
00:27:52,900 --> 00:27:50,120  
it and here we have something that needs

527  
00:27:56,680 --> 00:27:52,910  
to be fundamentally addressed and

528  
00:27:59,650 --> 00:27:56,690  
figured out where do we come from where

529  
00:28:01,990 --> 00:27:59,660  
are we going right and it's right there

530  
00:28:04,420 --> 00:28:02,000  
and they're making they're making valid

531  
00:28:06,430 --> 00:28:04,430  
arguments on both sides totally lost in

532  
00:28:09,130 --> 00:28:06,440  
the news will be off of all of the

533  
00:28:12,730 --> 00:28:09,140  
websites tomorrow and it's like fallen

534  
00:28:16,180 --> 00:28:12,740  
on my shoulders which is fine but and

535  
00:28:18,640 --> 00:28:16,190  
shoulders like mine I should say to to

536  
00:28:21,760 --> 00:28:18,650  
keep this out there and to have it

537  
00:28:23,530 --> 00:28:21,770  
discussed it's it's unbelievable to me

538  
00:28:26,170 --> 00:28:23,540

all right and that's why we've got

539

00:28:27,910 --> 00:28:26,180

Robert Schoch on the show tonight so let

540

00:28:29,920 --> 00:28:27,920

me get out of here let's get straight to

541

00:28:33,250 --> 00:28:29,930

Robert Schoch all of the news that is

542

00:28:37,150 --> 00:28:33,260

Egypt right we had Alexandria and which

543

00:28:40,000 --> 00:28:37,160

with the the sarcophagus we have the

544

00:28:42,880 --> 00:28:40,010

Grand Gallery and the new chamber that

545

00:28:45,670 --> 00:28:42,890

was discovered we've got the the e/m

546

00:28:49,150 --> 00:28:45,680

studies that just came out of Egypt

547

00:28:52,660 --> 00:28:49,160

about the Great Pyramid all huge stories

548

00:28:54,550 --> 00:28:52,670

buried right buried we will do all of

549

00:28:57,760 --> 00:28:54,560

that tonight this is fade to black I'm

550

00:29:00,460 --> 00:28:57,770

your host Jimmy church and before I do

551  
00:29:02,470 --> 00:29:00,470  
this we are good there on the

552  
00:29:06,580 --> 00:29:02,480  
GameChanger network and Katie RA the

553  
00:29:09,160 --> 00:29:06,590  
planet if you want to hang out we've got

554  
00:29:12,220 --> 00:29:09,170  
to chat rooms one on Spreaker one a kg

555  
00:29:14,980 --> 00:29:12,230  
RA the planet we have twitter hashtag if

556  
00:29:17,320 --> 00:29:14,990  
to be is the sandbox spade to block our

557  
00:29:20,570 --> 00:29:17,330  
mural Jimmy Church stay with me I'll be

558  
00:29:20,580 --> 00:29:55,860  
[Music]

559  
00:30:02,280 --> 00:29:58,900  
you're listening to Jimmy Church fade to

560  
00:30:16,930 --> 00:30:10,630  
fade to black will now pause for a GRA

561  
00:30:19,150 --> 00:30:16,940  
radio when you take the beans from

562  
00:30:21,730 --> 00:30:19,160  
Central America with dashes of

563  
00:30:24,100 --> 00:30:21,740

indonesian and african mixed in and then

564

00:30:26,950 --> 00:30:24,110

roasted to the dark side of fade to

565

00:30:30,130 --> 00:30:26,960

black you create the ultimate brew of

566

00:30:33,550 --> 00:30:30,140

fringe introducing the fade to black

567

00:30:36,130 --> 00:30:33,560

blend from river moon coffee yes

568

00:30:38,770 --> 00:30:36,140

river moon's darkest customized roast

569

00:30:39,490 --> 00:30:38,780

was created for the love of fade to

570

00:30:42,520 --> 00:30:39,500

black

571

00:30:45,190 --> 00:30:42,530

the alchemy of masterful roasting and

572

00:30:48,760 --> 00:30:45,200

smoking the beams is in every sip of

573

00:30:51,730 --> 00:30:48,770

this full-bodied dark Java I need my

574

00:30:54,070 --> 00:30:51,740

coffee dog deep with distinct

575

00:30:56,800 --> 00:30:54,080

bittersweet chocolate highlights just

576

00:30:59,200 --> 00:30:56,810

like the bunker leaning further into the

577

00:31:02,500 --> 00:30:59,210

darkness of the roast is fade to black

578

00:31:04,150 --> 00:31:02,510

blend from river moon coffee just click

579

00:31:07,450 --> 00:31:04,160

on the banner at Jimmy Church radio.com

580

00:31:12,510 --> 00:31:07,460

and use the promo code F to B blend for

581

00:31:15,100 --> 00:31:12,520

15% off of your order today gobekli tepe

582

00:31:16,390 --> 00:31:15,110

what can I say about the most popular

583

00:31:18,580 --> 00:31:16,400

tea on the Internet

584

00:31:22,390 --> 00:31:18,590

and what a customers say about life

585

00:31:25,360 --> 00:31:22,400

change t @ get the tea calm a lot but by

586

00:31:27,640 --> 00:31:25,370

federal law we get the tea DICOM cannot

587

00:31:30,040 --> 00:31:27,650

make claims to how this product can

588

00:31:31,600 --> 00:31:30,050

enhance your health we cannot even post

589

00:31:34,390 --> 00:31:31,610

our testimonies without being in

590

00:31:36,670 --> 00:31:34,400

compliance so how do we get past the

591

00:31:40,000 --> 00:31:36,680

hump try our products that get the tea

592

00:31:42,910 --> 00:31:40,010

calm and see for yourself you can send

593

00:31:43,980 --> 00:31:42,920

us a testimony but we just can't post it

594

00:31:47,920 --> 00:31:43,990

bummer

595

00:31:49,600 --> 00:31:47,930

our products are GMO free and organic we

596

00:31:52,000 --> 00:31:49,610

pride ourself in being the best we can

597

00:31:54,730 --> 00:31:52,010

be and we urge you to take charge of

598

00:31:56,770 --> 00:31:54,740

your health we're loving you're strong

599

00:31:58,960 --> 00:31:56,780

and many of our customers have shared

600

00:32:01,870 --> 00:31:58,970

their successes with friends and family

601  
00:32:05,420 --> 00:32:01,880  
protect your colon log on to get the tea

602  
00:32:11,630 --> 00:32:05,430  
calm let's get the t-dot-com

603  
00:32:15,400 --> 00:32:11,640  
get the t.com get t-dot-com nine out of

604  
00:32:21,380 --> 00:32:15,410  
ten geneticists agreed

605  
00:32:24,500 --> 00:32:21,390  
fade to black is not your father's radio

606  
00:32:26,630 --> 00:32:24,510  
show on the game changer of radio

607  
00:32:33,680 --> 00:32:26,640  
network and k gra

00:32:50,690 --> 00:32:48,000

have at kgr a radio.com for your chance

615

00:32:52,880 --> 00:32:50,700

to win big this summer your contact for

616

00:32:59,279 --> 00:32:52,890

the best alternative talk radio on the

617

00:33:03,669 --> 00:33:02,109

hi this is rob reiner from anvil and

618

00:33:09,249 --> 00:33:03,679

you're listening to Jimmy Church

619

00:33:25,750 --> 00:33:09,259

radio.com comments and we're listening

620

00:33:32,470 --> 00:33:27,980

walk

621

00:33:38,230 --> 00:33:34,270

when the game changed her networked in

622

00:33:40,870 --> 00:33:38,240

kg RA the planets tonight Robert Schoch

623

00:33:42,220 --> 00:33:40,880

is back with us and this segment of fade

624

00:33:45,430 --> 00:33:42,230

to black is proudly brought to you by

625

00:33:47,890 --> 00:33:45,440

life change T Ted over the banners at

626

00:33:50,430 --> 00:33:47,900

Jimmy Church radio calm click use the

627

00:33:55,180 --> 00:33:50,440

promo code fader fabr

628

00:33:58,210 --> 00:33:55,190

you will get free shipping dr. Robert M

629

00:34:00,070 --> 00:33:58,220

shock full-time faculty member at the

630

00:34:03,580 --> 00:34:00,080

college of general studies at Boston

631

00:34:05,500 --> 00:34:03,590

University since 1984 earned his PhD in

632

00:34:08,980 --> 00:34:05,510

geology and geophysics at Yale

633

00:34:12,040 --> 00:34:08,990

University is M s and M Phil in geology

634

00:34:14,230 --> 00:34:12,050

and geophysics from Yale as well as

635

00:34:17,619 --> 00:34:14,240

degrees in anthropology at ba and

636

00:34:21,580 --> 00:34:17,629

geology a BS from Georgetown were George

637

00:34:24,399 --> 00:34:21,590

torched George Washington University in

638

00:34:27,159 --> 00:34:24,409

the early 90s dr. Schaack along with

639

00:34:30,430 --> 00:34:27,169

John Anthony West recast the date of the

640

00:34:34,119 --> 00:34:30,440

Great Sphinx of Egypt from 2600 BC back

641

00:34:36,159 --> 00:34:34,129

to around 10,500 BC by demonstrating

642

00:34:38,230 --> 00:34:36,169

that the monument had been heavily

643

00:34:40,000 --> 00:34:38,240

eroded by water despite the fact that

644

00:34:42,940 --> 00:34:40,010

its location on the edge of the Sahara

645

00:34:45,129 --> 00:34:42,950

had endured hyper arid climatic

646

00:34:47,649 --> 00:34:45,139

conditions for the past 5000 years now

647

00:34:49,419 --> 00:34:47,659

he revealed to the world that mankind's

648

00:34:51,159 --> 00:34:49,429

history is greater and older than

649

00:34:53,530 --> 00:34:51,169

previously believed

650

00:34:54,909 --> 00:34:53,540

tonight we're going to discuss

651  
00:34:57,040 --> 00:34:54,919  
everything we've got a lot of breaking

652  
00:34:58,540 --> 00:34:57,050  
news out of Egypt we have the second

653  
00:35:00,340 --> 00:34:58,550  
Sphinx discovery we've got the

654  
00:35:02,320 --> 00:35:00,350  
sarcophagus at Alexandria

655  
00:35:05,560 --> 00:35:02,330  
we got the recent ium measurements

656  
00:35:07,750 --> 00:35:05,570  
published and that paper we're gonna get

657  
00:35:10,120 --> 00:35:07,760  
heavily into that with the Great Pyramid

658  
00:35:11,859 --> 00:35:10,130  
and of course its new chamber above the

659  
00:35:14,500 --> 00:35:11,869  
Grand Gallery and then we also have the

660  
00:35:16,060 --> 00:35:14,510  
new museum that's opening up ad keys all

661  
00:35:19,240 --> 00:35:16,070  
that much more tonight with our guest

662  
00:35:21,609 --> 00:35:19,250  
dr. Robert M shock Robert good evening

663  
00:35:23,830 --> 00:35:21,619

my friend how are you it's wonderful

664

00:35:25,480 --> 00:35:23,840

wonderful to be here lots going on in

665

00:35:27,730 --> 00:35:25,490

Egypt my friend

666

00:35:32,680 --> 00:35:27,740

lots going on and you know what's

667

00:35:35,680 --> 00:35:32,690

interesting for me is most of this most

668

00:35:38,830 --> 00:35:35,690

of it is all within the last month month

669

00:35:40,930 --> 00:35:38,840

and a half it is it we've been waiting

670

00:35:43,440 --> 00:35:40,940

for this kind of stuff for a very long

671

00:35:45,690 --> 00:35:43,450

time and as I discussed with you earlier

672

00:35:48,510 --> 00:35:45,700

in the week

673

00:35:52,589 --> 00:35:48,520

I don't think not sense what you and

674

00:35:54,030 --> 00:35:52,599

jaws did back in 91 92 I don't think

675

00:35:58,050 --> 00:35:54,040

we've had this kind of news come out of

676  
00:36:00,569 --> 00:35:58,060  
agiza sense yeah I will agree with you

677  
00:36:02,370 --> 00:36:00,579  
all of a sudden I don't know just a lot

678  
00:36:04,770 --> 00:36:02,380  
of things have been happening and a lot

679  
00:36:06,690 --> 00:36:04,780  
of things have been released and you

680  
00:36:09,390 --> 00:36:06,700  
have to wonder if part of it is just to

681  
00:36:11,160 --> 00:36:09,400  
drum up tourism and interest in Egypt

682  
00:36:13,560 --> 00:36:11,170  
but I think it's more than that there's

683  
00:36:15,329 --> 00:36:13,570  
there's genuinely things happening in

684  
00:36:17,880 --> 00:36:15,339  
Egypt you don't think they would have

685  
00:36:22,620 --> 00:36:17,890  
that kind they wouldn't conspire for

686  
00:36:24,270 --> 00:36:22,630  
that would you know they would never but

687  
00:36:27,120 --> 00:36:24,280  
but you know you can call it a

688  
00:36:31,620 --> 00:36:27,130

conspiracy or not it does make some

689

00:36:34,380 --> 00:36:31,630

sense for them to release things serve

690

00:36:36,660 --> 00:36:34,390

in groups to catch people's attention

691

00:36:38,190 --> 00:36:36,670

and you were just talking about that I

692

00:36:41,579 --> 00:36:38,200

think you know how you have to get

693

00:36:45,120 --> 00:36:41,589

people's attention and several things at

694

00:36:47,640 --> 00:36:45,130

one time can do that yeah and just like

695

00:36:50,579 --> 00:36:47,650

today okay all right before we get in

696

00:36:54,720 --> 00:36:50,589

Egypt let me ask you this and as a

697

00:36:57,480 --> 00:36:54,730

geologist I don't know and and the world

698

00:36:59,700 --> 00:36:57,490

and science of geophysics how much of

699

00:37:03,210 --> 00:36:59,710

this applies to you but certainly as a

700

00:37:05,130 --> 00:37:03,220

youngster you contemplated the Big Bang

701  
00:37:06,839 --> 00:37:05,140  
and the creation of everything that

702  
00:37:10,890 --> 00:37:06,849  
we've all done it okay

703  
00:37:13,200 --> 00:37:10,900  
is it possible okay when you go back to

704  
00:37:15,960 --> 00:37:13,210  
the Big Bang and where its energy the

705  
00:37:17,849 --> 00:37:15,970  
energy over thousands of years

706  
00:37:19,920 --> 00:37:17,859  
you know collides with itself and

707  
00:37:22,920 --> 00:37:19,930  
eventually particles and things combine

708  
00:37:25,800 --> 00:37:22,930  
and and then boom we have us today okay

709  
00:37:28,079 --> 00:37:25,810  
I understand the idea behind that but

710  
00:37:32,099 --> 00:37:28,089  
the reversal of the universe to collapse

711  
00:37:38,280 --> 00:37:32,109  
back onto it so how do you undo the

712  
00:37:41,910 --> 00:37:38,290  
creation of rocks right undo crashes

713  
00:37:43,980 --> 00:37:41,920

rock I don't know that you undo creation

714

00:37:46,530 --> 00:37:43,990

of rocks but you can probably destroy

715

00:37:50,370 --> 00:37:46,540

them and something that I think you have

716

00:37:54,390 --> 00:37:50,380

to take into account is that we do not

717

00:37:57,180 --> 00:37:54,400

know everything that's a given we do not

718

00:37:59,450 --> 00:37:57,190

perceive everything and the universe

719

00:38:02,820 --> 00:37:59,460

that we live in is

720

00:38:06,300 --> 00:38:02,830

composed of all the particles that we

721

00:38:07,620 --> 00:38:06,310

even know about in equal amounts so I'm

722

00:38:09,900 --> 00:38:07,630

just throwing this out

723

00:38:12,150 --> 00:38:09,910

right something to think about that you

724

00:38:15,200 --> 00:38:12,160

can have for instance a universe that is

725

00:38:18,930 --> 00:38:15,210

essentially M is a non-technical

726

00:38:21,930 --> 00:38:18,940

non-physical term our non physicist term

727

00:38:25,470 --> 00:38:21,940

you can have things like what they call

728

00:38:29,400 --> 00:38:25,480

mirror matter which if mirror matter

729

00:38:32,340 --> 00:38:29,410

basically can overlap with our matter

730

00:38:34,950 --> 00:38:32,350

but has all the same properties but

731

00:38:37,320 --> 00:38:34,960

servicing ramier reverse so we're not even

732

00:38:40,290 --> 00:38:37,330

aware of except for slight gravitational

733

00:38:44,030 --> 00:38:40,300

effects you can have antimatter that

734

00:38:47,310 --> 00:38:44,040

when antimatter comes into contact with

735

00:38:52,200 --> 00:38:47,320

matter as we know it you know non

736

00:38:54,900 --> 00:38:52,210

antimatter it essentially you know now

737

00:38:56,850 --> 00:38:54,910

lates itself so there are different ways

738

00:39:00,480 --> 00:38:56,860

and I hate to say this way that you

739

00:39:02,820 --> 00:39:00,490

could get rid of our universe as I see

740

00:39:05,100 --> 00:39:02,830

it now I'm not predicting any of those

741

00:39:08,300 --> 00:39:05,110

I'm not saying any of that is going to

742

00:39:11,940 --> 00:39:08,310

happen but it's different perhaps than

743

00:39:13,830 --> 00:39:11,950

undoing the universe but it seems like

744

00:39:17,690 --> 00:39:13,840

there are certainly ways that you could

745

00:39:20,490 --> 00:39:17,700

have for instance another universe that

746

00:39:23,850 --> 00:39:20,500

annihilated our universe and itself in

747

00:39:27,000 --> 00:39:23,860

the process I don't think that's totally

748

00:39:28,770 --> 00:39:27,010

inconceivable okay see that's why you're

749

00:39:34,380 --> 00:39:28,780

on the show you just straighten my head

750

00:39:36,960 --> 00:39:34,390

out a little bit because you know how do

751  
00:39:39,960 --> 00:39:36,970  
you undo everything that was done it's

752  
00:39:42,720 --> 00:39:39,970  
like the opposite of entropy right yeah

753  
00:39:45,210 --> 00:39:42,730  
yeah exactly so if you're gonna

754  
00:39:47,580 --> 00:39:45,220  
disassemble everything but as the

755  
00:39:50,450 --> 00:39:47,590  
universe would collapse on itself well

756  
00:39:54,650 --> 00:39:50,460  
then the antimatter that is existing

757  
00:39:57,870 --> 00:39:54,660  
would combine with the said matter and

758  
00:40:01,350 --> 00:39:57,880  
dilate itself and then yeah and that

759  
00:40:03,000 --> 00:40:01,360  
turns into energy right exactly and we

760  
00:40:04,740 --> 00:40:03,010  
may have in there I think there's some

761  
00:40:08,010 --> 00:40:04,750  
evidence of this we have pockets of

762  
00:40:11,970 --> 00:40:08,020  
antimatter in various places that you

763  
00:40:14,730 --> 00:40:11,980

know we don't we live in a subsection we

764

00:40:22,110 --> 00:40:14,740

that is not predominant that were we

765

00:40:24,720 --> 00:40:22,120

wouldn't be talking here at all we were

766

00:40:27,420 --> 00:40:24,730

talking at all that okay that's that's

767

00:40:32,100 --> 00:40:27,430

interesting I'm now gonna have to

768

00:40:34,770 --> 00:40:32,110

rethink it's just I don't I'm not so

769

00:40:38,040 --> 00:40:34,780

sure this is this is my take okay so

770

00:40:40,530 --> 00:40:38,050

going back I just want your opinion on

771

00:40:43,650 --> 00:40:40,540

this so we have a you know dark matter

772

00:40:46,020 --> 00:40:43,660

and and gravity which is forcing the

773

00:40:48,000 --> 00:40:46,030

universe to expand all right all right

774

00:40:50,940 --> 00:40:48,010

the resistance and it's pushing that

775

00:40:54,660 --> 00:40:50,950

yeah but the whole business of dark

776

00:40:57,690 --> 00:40:54,670

matter is problematic also and it's not

777

00:41:00,570 --> 00:40:57,700

clear that you know dark matter and dark

778

00:41:02,820 --> 00:41:00,580

energy are explanations because we don't

779

00:41:04,770 --> 00:41:02,830

have an explanation right and not to

780

00:41:07,860 --> 00:41:04,780

drive it back to Egyptology and

781

00:41:10,320 --> 00:41:07,870

archaeology but dark matter and dark

782

00:41:12,240 --> 00:41:10,330

energy sort of remind me of the classic

783

00:41:13,800 --> 00:41:12,250

archaeologist when they find something

784

00:41:16,140 --> 00:41:13,810

and they don't know what it is it's

785

00:41:19,020 --> 00:41:16,150

either a tomb or temple so they give a

786

00:41:21,420 --> 00:41:19,030

name to it and somehow that explains it

787

00:41:23,370 --> 00:41:21,430

when it doesn't explain it yeah so they

788

00:41:25,020 --> 00:41:23,380

have makes sense right right right and

789

00:41:26,970 --> 00:41:25,030

they have derive so to explain

790

00:41:28,920 --> 00:41:26,980

everything yeah so I think there are

791

00:41:30,540 --> 00:41:28,930

real questions about dark energy and

792

00:41:33,990 --> 00:41:30,550

dark matter and I'll also throw

793

00:41:37,830 --> 00:41:34,000

something else out here which is and I'm

794

00:41:40,350 --> 00:41:37,840

not I don't want people to think I'm all

795

00:41:42,420 --> 00:41:40,360

of a sudden a big quote electric

796

00:41:44,100 --> 00:41:42,430

universe proponent but if people know

797

00:41:47,760 --> 00:41:44,110

about the concept of the electric

798

00:41:51,900 --> 00:41:47,770

universe serve a different cosmological

799

00:41:55,800 --> 00:41:51,910

look at things and really exploring some

800

00:41:58,530 --> 00:41:55,810

of these issues of the large-scale

801  
00:42:01,890 --> 00:41:58,540  
structure and development of the

802  
00:42:05,100 --> 00:42:01,900  
universe something that people in that

803  
00:42:06,540 --> 00:42:05,110  
school and when I say school that line

804  
00:42:09,750 --> 00:42:06,550  
of thinking and these are serious

805  
00:42:12,840 --> 00:42:09,760  
physicist and other researchers have

806  
00:42:15,650 --> 00:42:12,850  
suggested that electrical forces at

807  
00:42:18,570 --> 00:42:15,660  
large scale have been grossly

808  
00:42:21,390 --> 00:42:18,580  
underestimated most cosmologists have

809  
00:42:22,560 --> 00:42:21,400  
only been talking about gravity at the

810  
00:42:24,960 --> 00:42:22,570  
largest scales

811  
00:42:25,770 --> 00:42:24,970  
they've downplayed electrical forces

812  
00:42:28,620 --> 00:42:25,780  
which can bow

813  
00:42:30,600 --> 00:42:28,630

attract and repel and that that may well

814

00:42:32,490 --> 00:42:30,610

be a major mistake

815

00:42:35,730 --> 00:42:32,500

and then I went throughout something

816

00:42:38,940 --> 00:42:35,740

else which is even further out there but

817

00:42:42,620 --> 00:42:38,950

mocks plunk the great physicist to of

818

00:42:46,110 --> 00:42:42,630

course won the Nobel Prize for the

819

00:42:50,010 --> 00:42:46,120

development the earliest development of

820

00:42:51,480 --> 00:42:50,020

quantum theory he ultimately is quoted

821

00:42:54,300 --> 00:42:51,490

and he came to the conclusion that

822

00:42:56,700 --> 00:42:54,310

matter forget about matter not forget

823

00:42:58,560 --> 00:42:56,710

about matter but matter is not primary

824

00:43:00,930 --> 00:42:58,570

what's really primary is consciousness

825

00:43:04,020 --> 00:43:00,940

and everything ultimately arises from

826

00:43:05,970 --> 00:43:04,030

consciousness and I'm not saying that we

827

00:43:09,840 --> 00:43:05,980

all imagined it but essentially

828

00:43:14,430 --> 00:43:09,850

consciousness as a field if you would to

829

00:43:17,490 --> 00:43:14,440

use a physical physicist term or you

830

00:43:22,130 --> 00:43:17,500

know if something beyond matter and

831

00:43:25,110 --> 00:43:22,140

energy that where everything may have

832

00:43:27,390 --> 00:43:25,120

originated if I'm making any sense what

833

00:43:30,960 --> 00:43:27,400

you know that does that doesn't and I

834

00:43:35,010 --> 00:43:30,970

love that concept of from Max about that

835

00:43:39,150 --> 00:43:35,020

and and and staying on this if the

836

00:43:40,860 --> 00:43:39,160

cyclical part of our universe expanding

837

00:43:43,200 --> 00:43:40,870

contracting back to the Big Bang

838

00:43:44,970 --> 00:43:43,210

restarting again and and that's the

839

00:43:47,490 --> 00:43:44,980

cycle right we're going to expand and

840

00:43:49,590 --> 00:43:47,500

yeah that's the cycle some people have

841

00:43:51,780 --> 00:43:49,600

talked about I mean you know do we know

842

00:43:55,680 --> 00:43:51,790

if that's really the cycle right or is

843

00:43:57,510 --> 00:43:55,690

this somehow mitigated or are there

844

00:44:00,150 --> 00:43:57,520

other universes that intercede and

845

00:44:03,000 --> 00:44:00,160

ultimately is there this thing behind it

846

00:44:07,650 --> 00:44:03,010

consciousness at someone will call it

847

00:44:09,990 --> 00:44:07,660

universal level that expresses itself if

848

00:44:12,960 --> 00:44:10,000

I could put it that way through matter

849

00:44:15,540 --> 00:44:12,970

and energy as sometimes but other ways

850

00:44:18,930 --> 00:44:15,550

that other types perhaps yeah and time

851

00:44:21,180 --> 00:44:18,940

itself is a big issue here what what is

852

00:44:22,890 --> 00:44:21,190

time where does time originated and how

853

00:44:25,950 --> 00:44:22,900

does that tie in with everything else

854

00:44:28,050 --> 00:44:25,960

yeah and well that's it that's a whole

855

00:44:29,340 --> 00:44:28,060

we should do a whole show at that time I

856

00:44:32,400 --> 00:44:29,350

that's incredible

857

00:44:35,220 --> 00:44:32,410

yeah I mean you'd I'm is that's one of

858

00:44:36,630 --> 00:44:35,230

the great great unknowns really when it

859

00:44:39,510 --> 00:44:36,640

comes right down to it it's funny

860

00:44:41,640 --> 00:44:39,520

because we live in a society that is so

861

00:44:43,500 --> 00:44:41,650

dominated by time I know that you're

862

00:44:46,830 --> 00:44:43,510

supposed to call me a certain time and I

863

00:44:48,600 --> 00:44:46,840

better be here and I I'm counting on you

864

00:44:51,420 --> 00:44:48,610

calling me then et cetera but we don't

865

00:44:54,150 --> 00:44:51,430

really know what time is no we don't and

866

00:44:57,120 --> 00:44:54,160

if it originates right now we base

867

00:44:58,770 --> 00:44:57,130

everything on on the the the start of

868

00:45:02,850 --> 00:44:58,780

the universe right that was the start of

869

00:45:10,080 --> 00:45:02,860

time exactly but but a half a second

870

00:45:11,880 --> 00:45:10,090

before the Big Bang time existed what

871

00:45:12,750 --> 00:45:11,890

does it mean the half a second before

872

00:45:14,910 --> 00:45:12,760

the Big Bang

873

00:45:19,290 --> 00:45:14,920

more or less half a second before our

874

00:45:22,410 --> 00:45:19,300

universe as we try to trace it back in

875

00:45:23,550 --> 00:45:22,420

time yeah so we have BC but if we had

876

00:45:26,310 --> 00:45:23,560

before the Big Bang

877

00:45:29,670 --> 00:45:26,320

that would be BBC and we already have

878

00:45:30,990 --> 00:45:29,680

that in London but but nonetheless and

879

00:45:35,400 --> 00:45:31,000

that was a good joke by the way that was

880

00:45:39,750 --> 00:45:35,410

pretty funny if we look at the expansion

881

00:45:43,350 --> 00:45:39,760

of the universe wouldn't it at some

882

00:45:46,770 --> 00:45:43,360

point get to the balancing point where

883

00:45:49,710 --> 00:45:46,780

it can no longer support the forces

884

00:45:50,940 --> 00:45:49,720

pushing out and then it would contract

885

00:45:54,870 --> 00:45:50,950

you know you know what I mean it would

886

00:45:57,900 --> 00:45:54,880

just find its balance of size versus

887

00:45:59,160 --> 00:45:57,910

modern concept of a steady state

888

00:46:01,410 --> 00:45:59,170

universe yes

889

00:46:04,320 --> 00:46:01,420

where are at least they would approach

890

00:46:06,240 --> 00:46:04,330

some kind of steady state but again I

891

00:46:07,170 --> 00:46:06,250

was suggesting and I'm not saying I'm

892

00:46:09,480 --> 00:46:07,180

right about this

893

00:46:12,150 --> 00:46:09,490

but what if it impinges upon some other

894

00:46:14,940 --> 00:46:12,160

universe or some other pocket of

895

00:46:17,790 --> 00:46:14,950

something which is antithetical to it

896

00:46:21,030 --> 00:46:17,800

with the on call the antimatter or mere

897

00:46:23,910 --> 00:46:21,040

matter or something else and it starts

898

00:46:28,200 --> 00:46:23,920

in AI awaiting are being annihilated at

899

00:46:30,420 --> 00:46:28,210

that boundary at that edge now staying

900

00:46:32,250 --> 00:46:30,430

in this concept with you know our

901  
00:46:35,130 --> 00:46:32,260  
universe you know say you and I are

902  
00:46:37,890 --> 00:46:35,140  
outside of our universe looking in right

903  
00:46:41,010 --> 00:46:37,900  
we're just looking at this ball next to

904  
00:46:43,770 --> 00:46:41,020  
it now we have a multiverse a concept

905  
00:46:45,600 --> 00:46:43,780  
which I fully believe that is is the

906  
00:46:48,600 --> 00:46:45,610  
case so you have got all these

907  
00:46:49,570 --> 00:46:48,610  
multiverses out there is it possible

908  
00:46:53,350 --> 00:46:49,580  
that one

909  
00:46:56,470 --> 00:46:53,360  
universe could then drift into another

910  
00:46:59,410 --> 00:46:56,480  
oh yeah so I think there's no doubt in

911  
00:47:02,740 --> 00:46:59,420  
fact there are suggestions that that has

912  
00:47:04,510 --> 00:47:02,750  
happened in that we have evidence of

913  
00:47:07,750 --> 00:47:04,520

that so there's something known as a

914

00:47:10,600 --> 00:47:07,760

cosmic microwave cosmic was a cosmic

915

00:47:13,870 --> 00:47:10,610

background micro microwave radiation

916

00:47:15,670 --> 00:47:13,880

that is generally attributed to the

917

00:47:18,520 --> 00:47:15,680

beginning of the universe as we know it

918

00:47:20,590 --> 00:47:18,530

this is evidence supposedly for the Big

919

00:47:23,770 --> 00:47:20,600

Bang in Tracy and back it's the leftover

920

00:47:27,820 --> 00:47:23,780

radiation from the Big Bang but right

921

00:47:30,130 --> 00:47:27,830

they heat exactly exactly but as I

922

00:47:31,890 --> 00:47:30,140

understand it and just looking at the

923

00:47:36,760 --> 00:47:31,900

day of some I'm a geophysicist not a

924

00:47:41,260 --> 00:47:36,770

theoretical cosmologist but bubbles in

925

00:47:44,770 --> 00:47:41,270

that in homogeneities in that etc have

926  
00:47:47,590 --> 00:47:44,780  
been interpreted as indicating that

927  
00:47:50,440 --> 00:47:47,600  
maybe places where our universe and

928  
00:47:55,420 --> 00:47:50,450  
pinches are impacts on other universes

929  
00:47:58,180 --> 00:47:55,430  
or has in the past so we may have we

930  
00:48:02,010 --> 00:47:58,190  
have evidence that can be interpreted I

931  
00:48:05,860 --> 00:48:02,020  
would say as evidence of other universes

932  
00:48:07,990 --> 00:48:05,870  
impacting us or overlapping with us that

933  
00:48:10,390 --> 00:48:08,000  
type of thing the second thing I want to

934  
00:48:12,790 --> 00:48:10,400  
suggest is think of our universe our

935  
00:48:15,160 --> 00:48:12,800  
universe is in so many dimensions we'll

936  
00:48:17,950 --> 00:48:15,170  
think in three or four dimensions if you

937  
00:48:21,040 --> 00:48:17,960  
concede I'm a dimension but there could

938  
00:48:23,590 --> 00:48:21,050

be a lot more dimensions so you can have

939

00:48:28,000 --> 00:48:23,600

other universes and other dimensions

940

00:48:30,700 --> 00:48:28,010

that we don't perceive I'll try to paint

941

00:48:33,010 --> 00:48:30,710

a picture here if you think of a thin

942

00:48:34,780 --> 00:48:33,020

piece of wire and you put that as a

943

00:48:37,660 --> 00:48:34,790

circle and then you have another

944

00:48:39,610 --> 00:48:37,670

universes another thin piece of wire you

945

00:48:43,390 --> 00:48:39,620

could put one inside the other without

946

00:48:45,190 --> 00:48:43,400

them ever actually overlapping and then

947

00:48:47,980 --> 00:48:45,200

at one point you may be disturbing them

948

00:48:50,590 --> 00:48:47,990

and they run into each other and

949

00:48:53,410 --> 00:48:50,600

interact am I making any sense yeah that

950

00:48:55,300 --> 00:48:53,420

vibration would yeah yeah you might

951  
00:48:56,770 --> 00:48:55,310  
think of them as vibrating actually

952  
00:48:59,800 --> 00:48:56,780  
that's a good way to think of it a

953  
00:49:02,910 --> 00:48:59,810  
vibrating piece of circular wire and

954  
00:49:04,650 --> 00:49:02,920  
they're vibrating as I say I'll get and

955  
00:49:06,329 --> 00:49:04,660  
each other's way they're fine but then

956  
00:49:08,370 --> 00:49:06,339  
they might start vibrating and they

957  
00:49:10,980 --> 00:49:08,380  
vibrate so much that they hit each other

958  
00:49:13,799 --> 00:49:10,990  
or maybe they set up a resonance between

959  
00:49:17,599 --> 00:49:13,809  
themselves again we're using analogies

960  
00:49:20,700 --> 00:49:17,609  
that we can try to wrap our heads around

961  
00:49:22,109 --> 00:49:20,710  
that I think can be extrapolated up to

962  
00:49:24,630 --> 00:49:22,119  
that level

963  
00:49:28,109 --> 00:49:24,640

it'd be like when you tangle up your

964

00:49:29,910 --> 00:49:28,119

slinky when you were a kid yeah yeah or

965

00:49:36,380 --> 00:49:29,920

you tangle up your slinky with someone

966

00:49:38,460 --> 00:49:36,390

else's slinky and then both are damaged

967

00:49:40,289 --> 00:49:38,470

irretrievably because you can never get

968

00:49:41,160 --> 00:49:40,299

those slinkys back just the way they

969

00:49:43,799 --> 00:49:41,170

used to be

970

00:49:46,609 --> 00:49:43,809

see that's why I think sometimes I could

971

00:49:52,260 --> 00:49:46,619

be a physicist because I can I can and

972

00:49:56,309 --> 00:49:52,270

introduce the slinky theory the universe

973

00:49:59,339 --> 00:49:56,319

is just a slinky and we get tangled up

974

00:50:03,720 --> 00:49:59,349

with other slinkys and then both slinkys

975

00:50:04,170 --> 00:50:03,730

are bent up and a mess and you can't get

976  
00:50:06,299 --> 00:50:04,180  
them

977  
00:50:07,650 --> 00:50:06,309  
remember how once they got bent up you

978  
00:50:10,289 --> 00:50:07,660  
couldn't get them back in no proper

979  
00:50:13,799 --> 00:50:10,299  
shape no no beYOU could sit there all

980  
00:50:15,960 --> 00:50:13,809  
day all you did was make it worse it

981  
00:50:19,440 --> 00:50:15,970  
never got better I never had an

982  
00:50:21,839 --> 00:50:19,450  
untangled slinky I can go on the record

983  
00:50:25,289 --> 00:50:21,849  
and say that I've never untangled a

984  
00:50:29,760 --> 00:50:25,299  
slinky remember how it would flip over

985  
00:50:32,789 --> 00:50:29,770  
on itself too as well so you had that

986  
00:50:34,829 --> 00:50:32,799  
crazy twist in it and when he tried to

987  
00:50:39,539 --> 00:50:34,839  
get that kink out that twist it would

988  
00:50:42,359 --> 00:50:39,549

just move up the slinky I think we were

989

00:50:45,900 --> 00:50:42,369

here on the radio developing a whole new

990

00:50:51,630 --> 00:50:45,910

cosmology you know what let's get let's

991

00:50:53,700 --> 00:50:51,640

get a deGrasse Tyson he would argue he

992

00:50:57,030 --> 00:50:53,710

would argue the anti slinky he would

993

00:50:58,440 --> 00:50:57,040

just he would be good anti slinky is

994

00:51:02,160 --> 00:50:58,450

justice

995

00:51:04,740 --> 00:51:02,170

so now actually this is a brilliant this

996

00:51:07,200 --> 00:51:04,750

is all really serious stuff yes looking

997

00:51:09,240 --> 00:51:07,210

at the big picture and I wasn't what I

998

00:51:11,039 --> 00:51:09,250

was saying we got off on slinkys but

999

00:51:13,170 --> 00:51:11,049

actually I think these are some good

1000

00:51:15,030 --> 00:51:13,180

analogies and I think this is serious

1001

00:51:18,480 --> 00:51:15,040

stuff to think about it is

1002

00:51:19,830 --> 00:51:18,490

what would I find amazing these days and

1003

00:51:22,410 --> 00:51:19,840

I know you must get a lot of

1004

00:51:25,200 --> 00:51:22,420

satisfaction out of this is that we have

1005

00:51:27,270 --> 00:51:25,210

our our community our community of

1006

00:51:30,480 --> 00:51:27,280

thinkers that thinks outside of the box

1007

00:51:32,250 --> 00:51:30,490

our community in our audience and and

1008

00:51:35,910 --> 00:51:32,260

we're all here and supporting each other

1009

00:51:39,060 --> 00:51:35,920

but we were always fighting against the

1010

00:51:41,550 --> 00:51:39,070

man and science and schools and

1011

00:51:43,530 --> 00:51:41,560

universities right this this push and

1012

00:51:47,360 --> 00:51:43,540

pull and you could feel it but today

1013

00:51:49,910 --> 00:51:47,370

Robert science and our community are

1014

00:51:53,430 --> 00:51:49,920

starting to overlap

1015

00:51:57,530 --> 00:51:53,440

things are happening like oh this study

1016

00:52:02,010 --> 00:51:57,540

of the Great Pyramid with

1017

00:52:06,080 --> 00:52:02,020

electromagnetic waves exactly this this

1018

00:52:09,630 --> 00:52:06,090

has been put out there by our community

1019

00:52:12,930 --> 00:52:09,640

for a few decades now going back to the

1020

00:52:14,640 --> 00:52:12,940

70s and laying it out there laying it

1021

00:52:17,310 --> 00:52:14,650

out there laying it out there everybody

1022

00:52:20,640 --> 00:52:17,320

you know tinfoil hat you know craziness

1023

00:52:23,250 --> 00:52:20,650

you guys are nuts it's just a tomb

1024

00:52:28,470 --> 00:52:23,260

that's all it is it's a pile of rocks

1025

00:52:31,410 --> 00:52:28,480

and here today science is this report

1026

00:52:34,440 --> 00:52:31,420

was a game-changer what went through

1027

00:52:36,300 --> 00:52:34,450

your mind as oh well actually I'll tell

1028

00:52:38,670 --> 00:52:36,310

you what went through my mind and I want

1029

00:52:41,580 --> 00:52:38,680

to tell say what we're talking about it

1030

00:52:45,750 --> 00:52:41,590

was a report in the Journal of Applied

1031

00:52:47,910 --> 00:52:45,760

Physics and it's by actually a group and

1032

00:52:49,560 --> 00:52:47,920

I I hate to say it this way but they're

1033

00:52:52,890 --> 00:52:49,570

Russian group they're from st.

1034

00:52:54,360 --> 00:52:52,900

Petersburg which I've had found I have

1035

00:52:58,200 --> 00:52:54,370

found that a lot of my European

1036

00:53:00,570 --> 00:52:58,210

colleagues are much more should we say

1037

00:53:02,880 --> 00:53:00,580

open to certain things look at certain

1038

00:53:05,670 --> 00:53:02,890

things right so I wasn't surprised where

1039

00:53:08,910 --> 00:53:05,680

it was coming from but what they did is

1040

00:53:12,060 --> 00:53:08,920

they did theoretical modeling of the

1041

00:53:14,160 --> 00:53:12,070

Great Pyramid in terms of how could it

1042

00:53:17,570 --> 00:53:14,170

interact with electromagnetic

1043

00:53:20,430 --> 00:53:17,580

frequencies electromagnetic properties

1044

00:53:23,040 --> 00:53:20,440

energies that type of thing and lo and

1045

00:53:26,240 --> 00:53:23,050

behold they found that it can in fact

1046

00:53:28,690 --> 00:53:26,250

I'll call funnel and

1047

00:53:31,880 --> 00:53:28,700

if you would electromagnetic energy

1048

00:53:34,450 --> 00:53:31,890

concentrated concentrated in the

1049

00:53:38,150 --> 00:53:34,460

chambers that you have in the pyramid

1050

00:53:40,940 --> 00:53:38,160

this is very very theoretical in the

1051  
00:53:42,830 --> 00:53:40,950  
sense that they were taking a model of

1052  
00:53:46,940 --> 00:53:42,840  
it when I say a model not even a

1053  
00:53:49,450 --> 00:53:46,950  
physical model but yell conceptual model

1054  
00:53:52,820 --> 00:53:49,460  
of it but applying very sophisticated

1055  
00:53:55,430 --> 00:53:52,830  
cutting-edge physics to it to see what

1056  
00:53:58,930 --> 00:53:55,440  
would come out theoretically and what

1057  
00:54:02,089 --> 00:53:58,940  
came out theoretically in my opinion

1058  
00:54:03,680 --> 00:54:02,099  
matches very much what as you said

1059  
00:54:06,109 --> 00:54:03,690  
people have been talking about and I

1060  
00:54:08,950 --> 00:54:06,119  
would say not going back to the 1970s

1061  
00:54:12,740 --> 00:54:08,960  
but even going back to the 19th century

1062  
00:54:16,099 --> 00:54:12,750  
where people were talking about these

1063  
00:54:17,660 --> 00:54:16,109

types of phenomena in different types of

1064

00:54:20,870 --> 00:54:17,670

terms some people would talk about

1065

00:54:23,690 --> 00:54:20,880

pyramid power and all of that right but

1066

00:54:25,700 --> 00:54:23,700

there were examples of people going up

1067

00:54:28,730 --> 00:54:25,710

to the top of the Great Pyramid in the

1068

00:54:30,740 --> 00:54:28,740

19th century taking Leyden jars if you

1069

00:54:35,510 --> 00:54:30,750

know what that is it can actually

1070

00:54:38,030 --> 00:54:35,520

collect basically a charge from static

1071

00:54:40,609 --> 00:54:38,040

electricity that would build up on the

1072

00:54:42,320 --> 00:54:40,619

pyramid very crude way to do it but they

1073

00:54:45,050 --> 00:54:42,330

were doing this and finding that they

1074

00:54:47,599 --> 00:54:45,060

could collect electromagnetic energy

1075

00:54:51,710 --> 00:54:47,609

that was being concentrated by the Great

1076  
00:54:56,900 --> 00:54:51,720  
Pyramid and you know basically stored in

1077  
00:54:59,780 --> 00:54:56,910  
this capacitor type primitive light

1078  
00:55:02,060 --> 00:54:59,790  
light in jar and you know release a huge

1079  
00:55:05,390 --> 00:55:02,070  
spark from it that type of thing so you

1080  
00:55:08,030 --> 00:55:05,400  
know demonstrating this conceptually so

1081  
00:55:13,000 --> 00:55:08,040  
now that we have in the 21st century

1082  
00:55:15,170 --> 00:55:13,010  
really outstanding studies by top-notch

1083  
00:55:18,260 --> 00:55:15,180  
physicists showing that yes the same

1084  
00:55:20,990 --> 00:55:18,270  
thing is theoretically possible

1085  
00:55:23,300 --> 00:55:21,000  
now they do say in the study that this

1086  
00:55:25,970 --> 00:55:23,310  
needs more work but that's standard

1087  
00:55:29,180 --> 00:55:25,980  
science that's the way science goes one

1088  
00:55:31,670 --> 00:55:29,190

thing that I found very interesting was

1089

00:55:34,790 --> 00:55:31,680

they talked about concentrating in the

1090

00:55:38,150 --> 00:55:34,800

Great Pyramid and then being funneled

1091

00:55:39,470 --> 00:55:38,160

down through it into the subterranean

1092

00:55:41,599 --> 00:55:39,480

chamber in

1093

00:55:43,370 --> 00:55:41,609

particular through the King's Chamber

1094

00:55:45,800 --> 00:55:43,380

the Grand Gallery and into the

1095

00:55:49,670 --> 00:55:45,810

subterranean chamber which is deep

1096

00:55:51,920 --> 00:55:49,680

underground and something that a lot of

1097

00:55:54,040 --> 00:55:51,930

people have talked about with the Great

1098

00:55:58,900 --> 00:55:54,050

Pyramid and a lot of my academic

1099

00:56:04,099 --> 00:55:58,910

colleagues dismissed completely is that

1100

00:56:07,490 --> 00:56:04,109

there may be how should we say psychic

1101  
00:56:09,099 --> 00:56:07,500  
changes people talk about going into

1102  
00:56:12,170 --> 00:56:09,109  
different states of consciousness

1103  
00:56:16,310 --> 00:56:12,180  
altered states of consciousness having

1104  
00:56:19,609 --> 00:56:16,320  
psychic experiences in the Great Pyramid

1105  
00:56:22,010 --> 00:56:19,619  
and they don't say it in this study but

1106  
00:56:25,790 --> 00:56:22,020  
I could not help but think as I read it

1107  
00:56:29,960 --> 00:56:25,800  
that this also supports and cooperates

1108  
00:56:33,790 --> 00:56:29,970  
those types of testimonies because you

1109  
00:56:35,930 --> 00:56:33,800  
because we are very much affected by

1110  
00:56:38,710 --> 00:56:35,940  
electromagnetic frequencies and

1111  
00:56:43,400 --> 00:56:38,720  
electromagnetic energy and

1112  
00:56:47,240 --> 00:56:43,410  
electromagnetic geomagnetic changes and

1113  
00:56:51,109 --> 00:56:47,250

something that you I hate to say it this

1114

00:56:53,840 --> 00:56:51,119

way but people who allow themselves to

1115

00:56:56,800 --> 00:56:53,850

be sensitive to such things I would

1116

00:56:59,330 --> 00:56:56,810

contend and I'll say from personal test

1117

00:57:01,790 --> 00:56:59,340

testimony you can feel it in the Great

1118

00:57:04,820 --> 00:57:01,800

Pyramids right and it's not just

1119

00:57:07,370 --> 00:57:04,830

nonsense by a lot of my academic

1120

00:57:11,060 --> 00:57:07,380

colleagues of course dismiss all of this

1121

00:57:13,099 --> 00:57:11,070

now here we have a real paper by serious

1122

00:57:15,500 --> 00:57:13,109

physicist and funny we were talking

1123

00:57:17,630 --> 00:57:15,510

about physics before with the universe

1124

00:57:20,690 --> 00:57:17,640

and the origin end of the universe or

1125

00:57:23,990 --> 00:57:20,700

whatever but the same here and you can

1126

00:57:26,390 --> 00:57:24,000

show theoretically that this is exactly

1127

00:57:29,690 --> 00:57:26,400

what should be the case in other studies

1128

00:57:32,810 --> 00:57:29,700

have shown without a doubt that we as

1129

00:57:36,849 --> 00:57:32,820

humans and all biological organisms are

1130

00:57:42,560 --> 00:57:36,859

quite sensitive to electromagnetic

1131

00:57:46,550 --> 00:57:42,570

frequencies especially in the low

1132

00:57:50,300 --> 00:57:46,560

frequency long wavelength ranges and

1133

00:57:52,849 --> 00:57:50,310

which they document here as well let's

1134

00:57:54,799 --> 00:57:52,859

take let's take a break right here

1135

00:57:58,519 --> 00:57:54,809

a perfect spot to do it our guest

1136

00:58:01,609 --> 00:57:58,529

tonight is dr. Robert M shock now we all

1137

00:58:04,519 --> 00:58:01,619

know Napoleon went into the Great

1138

00:58:06,769 --> 00:58:04,529

Pyramid came out a different man and so

1139

00:58:09,979 --> 00:58:06,779

did Robert Schoch but he won't tell me

1140

00:58:12,109 --> 00:58:09,989

about it maybe he will after this break

1141

00:58:13,789 --> 00:58:12,119

our guest tonight dr. Robert I'm shocked

1142

00:58:15,910 --> 00:58:13,799

this is fade to black I'm yours to be

1143

00:58:31,880 --> 00:58:15,920

Church stay with us we'll be right back

1144

00:58:35,880 --> 00:58:33,750

this is fade to black

1145

00:58:39,570 --> 00:58:35,890

with Jimmy Church on the game changer

1146

00:58:41,359 --> 00:58:39,580

radio network and kgr a the global radio

1147

00:58:44,670 --> 00:58:41,369

alliance

1148

00:58:48,000 --> 00:58:44,680

this is KCRA digital broadcasting

1149

00:58:50,310 --> 00:58:48,010

station Salt Lake City Utah Van Buren

1150

00:58:52,440 --> 00:58:50,320

Arkansas does your basement or

1151  
00:58:54,180 --> 00:58:52,450  
crawlpace have a damp musty smell well

1152  
00:58:56,340 --> 00:58:54,190  
watch out that's a sign of too much

1153  
00:58:58,200 --> 00:58:56,350  
moisture and not enough ventilation and

1154  
00:59:00,300 --> 00:58:58,210  
that can mean increased mold growth and

1155  
00:59:02,580 --> 00:59:00,310  
the build-up of harmful toxins and gases

1156  
00:59:04,740 --> 00:59:02,590  
don't bother with a dehumidifier it just

1157  
00:59:06,510 --> 00:59:04,750  
circulates the same unhealthy air now

1158  
00:59:08,400 --> 00:59:06,520  
there's a better way to remove these

1159  
00:59:10,770 --> 00:59:08,410  
dangers and odors it's with the

1160  
00:59:12,599 --> 00:59:10,780  
computerized wave moisture control unit

1161  
00:59:14,220 --> 00:59:12,609  
that reduces moisture and expels

1162  
00:59:16,230 --> 00:59:14,230  
pollutants we replaced our old

1163  
00:59:18,480 --> 00:59:16,240

dehumidifier with the wave unit and in

1164

00:59:20,880 --> 00:59:18,490

only three weeks our basement is dry and

1165

00:59:22,859 --> 00:59:20,890

the musty smell is gone wave units

1166

00:59:25,290 --> 00:59:22,869

require no maintenance no buckets of

1167

00:59:27,210 --> 00:59:25,300

water or filters and costs only pennies

1168

00:59:28,980 --> 00:59:27,220

a day to run breathe better live

1169

00:59:31,410 --> 00:59:28,990

healthier with an affordable no

1170

00:59:33,750 --> 00:59:31,420

maintenance wave unit call eight eight

1171

00:59:37,080 --> 00:59:33,760

eight seven one seven way eight eight

1172

00:59:42,030 --> 00:59:37,090

eight seven one seven wave or visit dry

1173

00:59:43,540 --> 00:59:42,040

healthy home comm dry healthy home calm

1174

00:59:45,680 --> 00:59:43,550

[Music]

1175

00:59:55,930 --> 00:59:45,690

all solutions

1176

01:00:00,410 --> 00:59:58,550

hi this is race Hobbs here repping the

1177

01:00:03,410 --> 01:00:00,420

planet and you're listening to my good

1178

01:00:05,960 --> 01:00:03,420

friend Jimmy Church fade to black

1179

01:00:10,550 --> 01:00:05,970

on the game changer network and the kgr

1180

01:00:12,680 --> 01:00:10,560

a digital broadcast station this is Toby

1181

01:00:33,260 --> 01:00:12,690

Kebbell you're listening to Jimmy Church

1182

01:00:34,790 --> 01:00:33,270

radio calm revolution this is my tanks

1183

01:00:36,500 --> 01:00:34,800

of the graylien report and you're

1184

01:00:38,120 --> 01:00:36,510

listening to jimmy church on fade to

1185

01:00:40,190 --> 01:00:38,130

black across the globe on the

1186

01:00:43,200 --> 01:00:40,200

game-changer radio network and the one

1187

01:00:47,180 --> 01:00:43,210

and only kgr a radio the planet

1188

01:00:47,460 --> 01:00:47,190

[Music]

1189

01:01:03,519 --> 01:00:47,470

[Applause]

1190

01:01:06,140 --> 01:01:03,529

[Music]

1191

01:01:08,179 --> 01:01:06,150

all right welcome back fade to black

1192

01:01:12,380 --> 01:01:08,189

I'm here to be Church our guest tonight

1193

01:01:13,819 --> 01:01:12,390

dr. Robert and shot this segment of fade

1194

01:01:16,459 --> 01:01:13,829

to black has proudly brought to you by

1195

01:01:20,359 --> 01:01:16,469

River moon coffee makers of the fade to

1196

01:01:21,709 --> 01:01:20,369

black blend promo code f2b blend just go

1197

01:01:25,039 --> 01:01:21,719

to the banners right there Jimmy Church

1198

01:01:27,319 --> 01:01:25,049

radio.com now dr. Schaack you and I have

1199

01:01:29,959 --> 01:01:27,329

talked about this over the years but for

1200

01:01:32,479 --> 01:01:29,969

me and I don't have all those letters

1201

01:01:36,890 --> 01:01:32,489

that follow my name that make me some

1202

01:01:41,239 --> 01:01:36,900

academic but the idea and the concept of

1203

01:01:43,429 --> 01:01:41,249

force and and the rocks at the Great

1204

01:01:47,150 --> 01:01:43,439

Pyramid being stacked up on top of each

1205

01:01:50,329 --> 01:01:47,160

other and then you combine granite and

1206

01:01:53,630 --> 01:01:50,339

which is you know five levels above the

1207

01:01:56,019 --> 01:01:53,640

King's Chamber surrounded the walls

1208

01:01:59,299 --> 01:01:56,029

surrounding the King's Chamber the

1209

01:02:03,789 --> 01:01:59,309

forces of granite on top of each other

1210

01:02:05,719 --> 01:02:03,799

has to conceptually in my mind create

1211

01:02:10,219 --> 01:02:05,729

energy this

1212

01:02:12,679 --> 01:02:10,229

eeehm study certainly suggests that and

1213

01:02:14,719 --> 01:02:12,689

I think that that is great but when

1214

01:02:17,089 --> 01:02:14,729

you're inside of the King's Chamber the

1215

01:02:20,539 --> 01:02:17,099

sheer weight and the energy that is

1216

01:02:24,259 --> 01:02:20,549

created from those forces above you has

1217

01:02:27,890 --> 01:02:24,269

to create something it just does and it

1218

01:02:29,749 --> 01:02:27,900

has to affect or have an effect you

1219

01:02:31,219 --> 01:02:29,759

spent the night you spent the night in

1220

01:02:34,339 --> 01:02:31,229

the King's Chamber you slept in the

1221

01:02:36,199 --> 01:02:34,349

sarcophagus we've talked about that you

1222

01:02:38,929 --> 01:02:36,209

won't reveal it maybe you will turn on

1223

01:02:44,199 --> 01:02:38,939

the show but that's fine but your Iman

1224

01:02:48,409 --> 01:02:44,209

but but as you're reading this report

1225

01:02:51,409 --> 01:02:48,419

you have your own experiences there and

1226

01:02:52,999 --> 01:02:51,419

it had to resonate with you this report

1227

01:02:56,539 --> 01:02:53,009

where you know that there's something

1228

01:02:58,699 --> 01:02:56,549

going on yeah absolutely absolutely and

1229

01:03:03,109 --> 01:02:58,709

this is a nice confirmation I think of

1230

01:03:06,199 --> 01:03:03,119

what I and many people have realized

1231

01:03:08,029 --> 01:03:06,209

from being there and you mentioned I

1232

01:03:11,179 --> 01:03:08,039

think just as we were going into the

1233

01:03:13,669 --> 01:03:11,189

break about Napoleon Napoleon I am in

1234

01:03:16,220 --> 01:03:13,679

good company Napoleon never spoke about

1235

01:03:18,410 --> 01:03:16,230

it I tend to be

1236

01:03:20,990 --> 01:03:18,420

more private person in some cases so no

1237

01:03:24,290 --> 01:03:21,000

I'm not going to talk about this but it

1238

01:03:28,010 --> 01:03:24,300

can I put a plug in sure people should

1239

01:03:30,410 --> 01:03:28,020

come with me to Egypt in June 2019 and

1240

01:03:31,760 --> 01:03:30,420

they can at least get it they're not

1241

01:03:34,670 --> 01:03:31,770

going to spend the night in the Great

1242

01:03:36,800 --> 01:03:34,680

Pyramid I can't um we're not going to do

1243

01:03:39,140 --> 01:03:36,810

that but we will be in the Great Pyramid

1244

01:03:43,280 --> 01:03:39,150

we will go to the King's Chamber we will

1245

01:03:46,310 --> 01:03:43,290

explore it we will get everyone will get

1246

01:03:48,140 --> 01:03:46,320

the opportunity to get a sense and feel

1247

01:03:51,410 --> 01:03:48,150

for it themselves so that's really the

1248

01:03:54,349 --> 01:03:51,420

best way to do it if people have the

1249

01:03:57,830 --> 01:03:54,359

means and the desire come join me in

1250

01:03:59,990 --> 01:03:57,840

June 2019 I'm doing a public trip I do

1251

01:04:01,609 --> 01:04:00,000

public trips as you know sometimes there

1252

01:04:05,180 --> 01:04:01,619

I also of course go there for my own

1253

01:04:07,720 --> 01:04:05,190

research know all the information all

1254

01:04:10,640 --> 01:04:07,730

the information is at Robert Schoch com

1255

01:04:15,620 --> 01:04:10,650

correct go to Robert Schoch comm and

1256

01:04:18,050 --> 01:04:15,630

then click on the Egypt trip banner and

1257

01:04:21,200 --> 01:04:18,060

this Egypt trip I want to be very clear

1258

01:04:24,770 --> 01:04:21,210

because I'm very excited about this this

1259

01:04:28,099 --> 01:04:24,780

is not me personally doing it yes I'm

1260

01:04:30,880 --> 01:04:28,109

leading or co-lead aunt with another

1261

01:04:33,560 --> 01:04:30,890

colleague of mine it is for Oracle

1262

01:04:35,840 --> 01:04:33,570

organization for the research of ancient

1263

01:04:40,880 --> 01:04:35,850

cultures which is a nonprofit

1264

01:04:44,120 --> 01:04:40,890

organization that I helped co-found with

1265

01:04:47,870 --> 01:04:44,130

other colleagues and we are devoted to

1266

01:04:49,670 --> 01:04:47,880

education and research into these

1267

01:04:53,859 --> 01:04:49,680

ancient I'll use the term ancient

1268

01:04:57,320 --> 01:04:53,869

mysteries in a genuine serious

1269

01:05:00,950 --> 01:04:57,330

evidence-based scientific way but also

1270

01:05:04,730 --> 01:05:00,960

in an open box way if you would not the

1271

01:05:08,450 --> 01:05:04,740

conventional status quo academic way in

1272

01:05:10,370 --> 01:05:08,460

the bad sense but in the good sense of

1273

01:05:12,910 --> 01:05:10,380

following the evidence wherever it goes

1274

01:05:15,710 --> 01:05:12,920

and that evidence includes what

1275

01:05:18,230 --> 01:05:15,720

consistently people talk about and feel

1276

01:05:20,780 --> 01:05:18,240

that is evidence it may not be what some

1277

01:05:22,520 --> 01:05:20,790

academics one but that is genuine

1278

01:05:25,550 --> 01:05:22,530

evidence as far as I'm concerned when

1279

01:05:29,180 --> 01:05:25,560

you have a consistent reaction of people

1280

01:05:30,050 --> 01:05:29,190

for instance to the King's Chamber or to

1281

01:05:31,970 --> 01:05:30,060

the sub-tree

1282

01:05:35,900 --> 01:05:31,980

chamber and then game back to what we

1283

01:05:39,500 --> 01:05:35,910

were talking about now physical analysis

1284

01:05:41,270 --> 01:05:39,510

and physicist analyzing the structure of

1285

01:05:43,730 --> 01:05:41,280

the Great Pyramid saying yes there is

1286

01:05:46,370 --> 01:05:43,740

something to it in terms of the electro

1287

01:05:50,240 --> 01:05:46,380

magnetics and other studies that say yes

1288

01:05:52,070 --> 01:05:50,250

we are affected by such electromagnetic

1289

01:05:54,340 --> 01:05:52,080

phenomena and that does affect our

1290

01:05:57,350 --> 01:05:54,350

consciousness and it does affect our

1291

01:05:59,330 --> 01:05:57,360

states of being our you know I hate to

1292

01:06:01,730 --> 01:05:59,340

use the term because it's overused but

1293

01:06:05,210 --> 01:06:01,740

altered states of being that's right and

1294

01:06:08,270 --> 01:06:05,220

when we combine this I mean there's such

1295

01:06:11,980 --> 01:06:08,280

a huge pile of unanswered questions when

1296

01:06:14,740 --> 01:06:11,990

it comes to diese the construction

1297

01:06:18,460 --> 01:06:14,750

getting all of the red granite

1298

01:06:21,740 --> 01:06:18,470

transported five hundred miles you know

1299

01:06:24,470 --> 01:06:21,750

for masculine how they how they possibly

1300

01:06:27,710 --> 01:06:24,480

quarried it before the invention of

1301

01:06:30,050 --> 01:06:27,720

steel there how it got built how it got

1302

01:06:32,000 --> 01:06:30,060

done in 20 years all of those that

1303

01:06:33,890 --> 01:06:32,010

there's that part of it which seems

1304

01:06:36,770 --> 01:06:33,900

nearly impossible but then when you

1305

01:06:38,720 --> 01:06:36,780

throw in if you are my tour guide and

1306

01:06:40,640 --> 01:06:38,730

I'm out there with you and I'm looking

1307

01:06:44,300 --> 01:06:40,650

you come with me and I will be your tour

1308

01:06:46,940 --> 01:06:44,310

guys come in June 2019 whoever wants to

1309

01:06:48,440 --> 01:06:46,950

come I'm their tour guide just to let

1310

01:06:52,640 --> 01:06:48,450

you know Rita and I are talking about it

1311

01:06:55,760 --> 01:06:52,650

but anyway okay so but I would have to

1312

01:06:59,420 --> 01:06:55,770

throw this now on top of the pile of

1313

01:07:03,650 --> 01:06:59,430

unanswered questions which is how is it

1314

01:07:07,190 --> 01:07:03,660

possible that Stone Age man if this was

1315

01:07:09,140 --> 01:07:07,200

done at 3,000 BC how is it possible that

1316

01:07:11,930 --> 01:07:09,150

Stone Age man could understand the

1317

01:07:14,270 --> 01:07:11,940

concepts of electromagnetic

1318

01:07:16,490 --> 01:07:14,280

concentration in certain chambers and

1319

01:07:18,080 --> 01:07:16,500

points inside of the pyramid aside from

1320

01:07:21,620 --> 01:07:18,090

everything else that we're dealing with

1321

01:07:24,290 --> 01:07:21,630

with the construction of stuff on Giza

1322

01:07:26,870 --> 01:07:24,300

how is it possible that they could have

1323

01:07:31,130 --> 01:07:26,880

this kind of knowledge that we are today

1324

01:07:34,070 --> 01:07:31,140

trying to understand but yet five

1325

01:07:38,000 --> 01:07:34,080

thousand years ago an ancient culture

1326

01:07:40,730 --> 01:07:38,010

like this had a full grip on this type

1327

01:07:42,980 --> 01:07:40,740

of physics well you're making a couple

1328

01:07:43,760 --> 01:07:42,990

of assumptions right and one of the

1329

01:07:46,220 --> 01:07:43,770

assumptions

1330

01:07:48,890 --> 01:07:46,230

that they were doing this 5000 years ago

1331

01:07:50,750 --> 01:07:48,900

versus maybe it goes back to a much

1332

01:07:52,790 --> 01:07:50,760

earlier period that's not something you

1333

01:07:55,790 --> 01:07:52,800

and I have certainly talked about before

1334

01:07:58,370 --> 01:07:55,800

is and I didn't start out this way but

1335

01:08:00,490 --> 01:07:58,380

I'm absolutely now fully convinced that

1336

01:08:04,270 --> 01:08:00,500

there was an earlier I called psycho

1337

01:08:08,210 --> 01:08:04,280

civilization that the Sphinx is a

1338

01:08:10,040 --> 01:08:08,220

remnant of that goes back to the before

1339

01:08:12,770 --> 01:08:10,050

the end of the last ice age and I think

1340

01:08:14,900 --> 01:08:12,780

incredible sophistication and when we're

1341

01:08:16,130 --> 01:08:14,910

talking about the dynastic Egyptians and

1342

01:08:20,269 --> 01:08:16,140

this is something I will show evidence

1343

01:08:23,809 --> 01:08:20,279

of on-site as we go through Egypt that

1344

01:08:27,500 --> 01:08:23,819

very much dynastic Egypt of four to five

1345

01:08:32,710 --> 01:08:27,510

thousand years ago included was a legacy

1346

01:08:35,539 --> 01:08:32,720

of a much earlier armed civilization and

1347

01:08:37,460 --> 01:08:35,549

remembrance if you would of some things

1348

01:08:40,269 --> 01:08:37,470

they knew so I think we have to push

1349

01:08:43,700 --> 01:08:40,279

some of this knowledge back much further

1350

01:08:46,940 --> 01:08:43,710

including I'm convinced that at least

1351

01:08:49,280 --> 01:08:46,950

portions of the Great Pyramid go back to

1352

01:08:51,800 --> 01:08:49,290

that much earlier period and there's

1353

01:08:55,220 --> 01:08:51,810

lots of evidence for that on the ground

1354

01:08:58,490 --> 01:08:55,230

there's lots of evidence for that in the

1355

01:09:00,470 --> 01:08:58,500

ancient texts that the ancient Egyptians

1356

01:09:04,190 --> 01:09:00,480

talked about themselves they talked

1357

01:09:07,460 --> 01:09:04,200

about much earlier history the classical

1358

01:09:09,410 --> 01:09:07,470

Egyptologists of the 19th 20 20th and

1359

01:09:11,870 --> 01:09:09,420

21st centuries of course dismiss that

1360

01:09:14,120 --> 01:09:11,880

and say the ancient Egyptians didn't

1361

01:09:17,000 --> 01:09:14,130

knows much about their early history as

1362

01:09:21,940 --> 01:09:17,010

they the Egyptologists do today but they

1363

01:09:26,090 --> 01:09:21,950

talked about having this long period

1364

01:09:29,750 --> 01:09:26,100

before 3,000 proximately 3000 BC long

1365

01:09:32,300 --> 01:09:29,760

before dynastic times this ties in with

1366

01:09:35,000 --> 01:09:32,310

my work on the Great Sphinx as we have

1367

01:09:37,250 --> 01:09:35,010

discussed numerous times it ties in with

1368

01:09:42,559 --> 01:09:37,260

Robert Bauval my colleague Robert Bauval

1369

01:09:44,720 --> 01:09:42,569

and his Orion correlation of the Great

1370

01:09:47,059 --> 01:09:44,730

Pyramid the second pyramid and the third

1371

01:09:50,570 --> 01:09:47,069

pyramid with the belt of Orion but not

1372

01:09:53,930 --> 01:09:50,580

in 25 or 2600 BC but about 10 to 11

1373

01:09:56,330 --> 01:09:53,940

thousand BC so there's a lot of evidence

1374

01:09:57,459 --> 01:09:56,340

that there's a lot of different things

1375

01:09:59,830 --> 01:09:57,469

going on

1376

01:10:04,450 --> 01:09:59,840

than what conventional Egyptologists say

1377

01:10:07,589 --> 01:10:04,460

he's a plateau is it possible that that

1378

01:10:11,469 --> 01:10:07,599

Boston University will allow you to

1379

01:10:14,259 --> 01:10:11,479

teach teach these concepts and actually

1380

01:10:15,939 --> 01:10:14,269

have a course we are getting there we

1381

01:10:19,450 --> 01:10:15,949

are getting there it's very funny you

1382

01:10:20,770 --> 01:10:19,460

asked that I just I mean funny in the

1383

01:10:25,450 --> 01:10:20,780

sense of coincidental

1384

01:10:29,469 --> 01:10:25,460

sure for the first time I taught two I

1385

01:10:32,169 --> 01:10:29,479

taught a course over the summer and the

1386

01:10:34,509 --> 01:10:32,179

title of it was and I was asked to teach

1387

01:10:37,120 --> 01:10:34,519

this I didn't solicit well can I teach

1388

01:10:41,049 --> 01:10:37,130

this I was asked by one of the

1389

01:10:43,080 --> 01:10:41,059

administrators that I've known for a

1390

01:10:46,419 --> 01:10:43,090

long time at Boston University and

1391

01:10:49,330 --> 01:10:46,429

faculty member administrator to teach a

1392

01:10:49,750 --> 01:10:49,340

course called mysteries of archaeology

1393

01:10:52,660 --> 01:10:49,760

Oh

1394

01:10:55,270 --> 01:10:52,670

lo and behold of course what do you

1395

01:10:57,759 --> 01:10:55,280

think I included I included a lot of the

1396

01:11:00,819 --> 01:10:57,769

types of things we're talking about and

1397

01:11:02,290 --> 01:11:00,829

I included you know genuine discussion

1398

01:11:04,959 --> 01:11:02,300

of the evidence and where the

1399

01:11:07,000 --> 01:11:04,969

conventional views come up short and

1400

01:11:09,910 --> 01:11:07,010

what we don't know and what the

1401

01:11:14,560 --> 01:11:09,920

possibilities might be how to go over

1402

01:11:16,779 --> 01:11:14,570

very very well very well I mean students

1403

01:11:19,569 --> 01:11:16,789

I mean I think people are really looking

1404

01:11:20,859 --> 01:11:19,579

for this information you were and I try

1405

01:11:23,589 --> 01:11:20,869

to encourage the students to be

1406

01:11:26,169 --> 01:11:23,599

open-minded to look at the genuine

1407

01:11:29,020 --> 01:11:26,179

evidence I'm not trying to you know

1408

01:11:31,270 --> 01:11:29,030

substitute one dogma with another Dogma

1409

01:11:34,649 --> 01:11:31,280

or doctrine I'm saying look at the real

1410

01:11:38,169 --> 01:11:34,659

evidence let's put it into context and

1411

01:11:41,469 --> 01:11:38,179

see where it goes and when you do that

1412

01:11:44,529 --> 01:11:41,479

yes dynastic Egypt is dynastic Egypt and

1413

01:11:47,759 --> 01:11:44,539

I don't deny dynastic Egypt but there's

1414

01:11:50,979 --> 01:11:47,769

a lot more to it than just the

1415

01:11:53,140 --> 01:11:50,989

conventional view again you know

1416

01:11:55,899 --> 01:11:53,150

sometimes people misinterpret me and I'm

1417

01:11:59,520 --> 01:11:55,909

not the nine that there was Moses before

1418

01:12:04,180 --> 01:11:59,530

or you know the different ramasees or

1419

01:12:06,969 --> 01:12:04,190

the pharaoh Khufu but what I'm saying is

1420

01:12:10,270 --> 01:12:06,979

that in some cases they were adopting

1421

01:12:11,049 --> 01:12:10,280

and reusing and refurbishing rebuilding

1422

01:12:14,109 --> 01:12:11,059

and

1423

01:12:16,660 --> 01:12:14,119

the civilization as a whole was building

1424

01:12:20,919 --> 01:12:16,670

on an earlier legacy and we have the

1425

01:12:24,310 --> 01:12:20,929

same thing in Europe you know modern

1426

01:12:26,950 --> 01:12:24,320

Europe in the last 500 years didn't pop

1427

01:12:30,100 --> 01:12:26,960

out of nowhere you must have been in the

1428

01:12:32,919 --> 01:12:30,110

zone that must have been the funnest

1429

01:12:34,839 --> 01:12:32,929

course for you to finally oh yeah yeah I

1430

01:12:39,250 --> 01:12:34,849

was fine it was interesting it was fun

1431

01:12:43,089 --> 01:12:39,260

well now what about so we're making the

1432

01:12:45,430 --> 01:12:43,099

inroads within academia so and okay so

1433

01:12:49,180 --> 01:12:45,440

that was a summer course do you see the

1434

01:12:51,370 --> 01:12:49,190

possibility of this expanding you know

1435

01:12:53,799 --> 01:12:51,380

that's what I that's what I want to do I

1436

01:12:56,140 --> 01:12:53,809

would like to expand it I would like to

1437

01:12:58,810 --> 01:12:56,150

develop this further something else

1438

01:13:01,930 --> 01:12:58,820

which is in its very incipient stages

1439

01:13:05,319 --> 01:13:01,940

but again I want to build it up as I was

1440

01:13:07,180 --> 01:13:05,329

allowed and it's really very small now

1441

01:13:09,279 --> 01:13:07,190

it's essentially I mean I you know all

1442

01:13:12,939 --> 01:13:09,289

these things cost money etc and I don't

1443

01:13:17,020 --> 01:13:12,949

want to sound the wrong way but I have

1444

01:13:20,169 --> 01:13:17,030

now been allowed to organize and put

1445

01:13:22,569 --> 01:13:20,179

together what is called which is no let

1446

01:13:25,140 --> 01:13:22,579

me just say the name the Institute for

1447

01:13:27,729 --> 01:13:25,150

the Study of the origins of civilization

1448

01:13:31,240 --> 01:13:27,739

ISOC Institute for the Study of the

1449

01:13:33,279 --> 01:13:31,250

origins of civilization at Boston

1450

01:13:36,040 --> 01:13:33,289

University within my College the College

1451

01:13:37,990 --> 01:13:36,050

of general studies and it's very small

1452

01:13:40,629 --> 01:13:38,000

I'm the director of it but essentially

1453

01:13:45,399 --> 01:13:40,639

I'm directing myself if you would wholly

1454

01:13:47,770 --> 01:13:45,409

this is great news man yeah so it's I'm

1455

01:13:50,529 --> 01:13:47,780

starting to make inroads so between that

1456

01:13:54,760 --> 01:13:50,539

and I already mentioned Oracle which is

1457

01:13:59,260 --> 01:13:54,770

a independent nonprofit organization so

1458

01:14:01,540 --> 01:13:59,270

that money can be you know how should I

1459

01:14:05,290 --> 01:14:01,550

say what's the word I what donations can

1460

01:14:09,339 --> 01:14:05,300

be made money can be raised as I said

1461

01:14:11,649 --> 01:14:09,349

we're doing this trip in June 2019 which

1462

01:14:14,890 --> 01:14:11,659

gives people opportunity to go to Egypt

1463

01:14:17,319 --> 01:14:14,900

with me it also helps Oracle not in

1464

01:14:19,569 --> 01:14:17,329

terms of fundraising so much but just to

1465

01:14:21,939 --> 01:14:19,579

get it off the ground and get it out

1466

01:14:22,480 --> 01:14:21,949

there and status that type of thing

1467

01:14:25,060 --> 01:14:22,490

well it

1468

01:14:28,990 --> 01:14:25,070

I feel like we're trying to make real

1469

01:14:31,690 --> 01:14:29,000

inroads in a serious sense um not you

1470

01:14:34,570 --> 01:14:31,700

know cuz you I'm an academic I teach at

1471

01:14:36,790 --> 01:14:34,580

a university Boston University and so I

1472

01:14:39,160 --> 01:14:36,800

can criticize my fellow academics but

1473

01:14:42,070 --> 01:14:39,170

also well work with them and I want this

1474

01:14:44,320 --> 01:14:42,080

to become both part of the mainstream

1475

01:14:46,690 --> 01:14:44,330

but not be sucked into the mainstream

1476

01:14:49,090 --> 01:14:46,700

and all of a sudden you know I go the

1477

01:14:51,700 --> 01:14:49,100

other way we need to keep through the

1478

01:14:55,540 --> 01:14:51,710

evidence and keep to what we're doing

1479

01:14:57,670 --> 01:14:55,550

but make that more accessible well then

1480

01:14:59,920 --> 01:14:57,680

but you have to prepare let's say the

1481

01:15:11,680 --> 01:14:59,930

course starts now you can get a degree

1482

01:15:15,370 --> 01:15:11,690

in Egyptology part two right we have to

1483

01:15:17,320 --> 01:15:15,380

think of a title but there is the the

1484

01:15:21,190 --> 01:15:17,330

one question that you're gonna have to

1485

01:15:23,680 --> 01:15:21,200

prepare for the first day some student

1486

01:15:26,620 --> 01:15:23,690

is gonna raise their hand and go okay

1487

01:15:29,110 --> 01:15:26,630

professor all good all good but who

1488

01:15:32,500 --> 01:15:29,120

really built the pyramids and that's

1489

01:15:34,110 --> 01:15:32,510

that's so I'm that student I raise my

1490

01:15:37,900 --> 01:15:34,120

hand

1491

01:15:41,770 --> 01:15:37,910

you know I say that's your research

1492

01:15:45,160 --> 01:15:41,780

project for the semester that's your

1493

01:15:46,900 --> 01:15:45,170

answer okay no no but I think what we

1494

01:15:49,690 --> 01:15:46,910

have to do and I think this is a very

1495

01:15:52,960 --> 01:15:49,700

important point you asked me who really

1496

01:15:55,710 --> 01:15:52,970

built the Great Pyramid I would say okay

1497

01:15:58,420 --> 01:15:55,720

it's just to put in context I believe

1498

01:16:00,310 --> 01:15:58,430

based on the evidence whenever I say I

1499

01:16:01,540 --> 01:16:00,320

believe I'm not channeling it or

1500

01:16:04,120 --> 01:16:01,550

anything like that I'm not putting

1501

01:16:09,400 --> 01:16:04,130

channelers down but that's not me right

1502

01:16:12,490 --> 01:16:09,410

I think there's evidence for Khufu being

1503

01:16:15,880 --> 01:16:12,500

involved with the Great Pyramid Khufu or

1504

01:16:19,630 --> 01:16:15,890

no snow Nall so as Cheops the famous

1505

01:16:21,220 --> 01:16:19,640

fourth dynasty pharaoh but that doesn't

1506

01:16:24,280 --> 01:16:21,230

mean he built it from scratch that

1507

01:16:26,590 --> 01:16:24,290

doesn't mean he built it de novo I think

1508

01:16:29,800 --> 01:16:26,600

he was involved with it used it at some

1509

01:16:31,900 --> 01:16:29,810

point you know that doesn't mean he's

1510

01:16:34,540 --> 01:16:31,910

totally responsible for it I think there

1511

01:16:36,220 --> 01:16:34,550

are earlier stages to it that go back to

1512

01:16:38,080 --> 01:16:36,230

a much earlier period I think

1513

01:16:41,080 --> 01:16:38,090

you know many of these things were being

1514

01:16:43,690 --> 01:16:41,090

reused Andrea appropriate it and they go

1515

01:16:44,830 --> 01:16:43,700

back to this much earlier period now who

1516

01:16:48,040 --> 01:16:44,840

are those people

1517

01:16:49,780 --> 01:16:48,050

I don't know precisely at this point and

1518

01:16:53,320 --> 01:16:49,790

I think that's something we have to be

1519

01:16:55,960 --> 01:16:53,330

able to do is be honest in some cases

1520

01:17:00,250 --> 01:16:55,970

that we don't know the answers to

1521

01:17:02,200 --> 01:17:00,260

certain oh man search and discovery what

1522

01:17:04,330 --> 01:17:02,210

you know what I think Khufu had to do

1523

01:17:06,070 --> 01:17:04,340

with the Great Pyramid you can write

1524

01:17:08,320 --> 01:17:06,080

this down too you can add this to the

1525

01:17:14,410 --> 01:17:08,330

curriculum he owned the janitorial

1526

01:17:17,229 --> 01:17:14,420

company the ground crew whose the

1527

01:17:19,660 --> 01:17:17,239

grounds crew the grounds crew he can't

1528

01:17:22,030 --> 01:17:19,670

but you know he might actually agree

1529

01:17:24,729 --> 01:17:22,040

with you and let me let me put it this

1530

01:17:26,560 --> 01:17:24,739

way the inventory Stella there's

1531

01:17:27,670 --> 01:17:26,570

something knows that inventory still I'm

1532

01:17:30,400 --> 01:17:27,680

not making this up

1533

01:17:32,560 --> 01:17:30,410

and I can show if it's still on display

1534

01:17:35,890 --> 01:17:32,570

I'll show it to everyone when we go to

1535

01:17:37,900 --> 01:17:35,900

the Egyptian museums I'm not sure which

1536

01:17:40,240 --> 01:17:37,910

museum it's in at the moment cuz they're

1537

01:17:42,850 --> 01:17:40,250

moving things from the old museum to the

1538

01:17:45,100 --> 01:17:42,860

grand Egyptian Museum and so some things

1539

01:17:47,530 --> 01:17:45,110

may not be on display mark not I'll show

1540

01:17:50,110 --> 01:17:47,540

pictures of it but it's a little Stella

1541

01:17:52,600 --> 01:17:50,120

it's from the late period but it

1542

01:17:55,780 --> 01:17:52,610

purports and I think it purports

1543

01:17:58,630 --> 01:17:55,790

correctly to be a copy of a much much

1544

01:18:02,830 --> 01:17:58,640

earlier inscriptions in texts that go

1545

01:18:05,830 --> 01:18:02,840

back to the Old Kingdom and their Khufu

1546

01:18:08,290 --> 01:18:05,840

is recording recorded basically as

1547

01:18:10,900 --> 01:18:08,300

having taken care of these older

1548

01:18:12,940 --> 01:18:10,910

structures I'm I'm sir bastard I see at

1549

01:18:15,250 --> 01:18:12,950

the moment I'm simplifying it but

1550

01:18:17,770 --> 01:18:15,260

basically he was taking care of and

1551

01:18:21,460 --> 01:18:17,780

restoring older structures like the

1552

01:18:23,710 --> 01:18:21,470

Sphinx like the pyramids or the Great

1553

01:18:25,450 --> 01:18:23,720

Pyramid so in that sense maybe you

1554

01:18:27,580 --> 01:18:25,460

wouldn't want to calm the janitor but I

1555

01:18:31,720 --> 01:18:27,590

think many of them may have been proud

1556

01:18:34,290 --> 01:18:31,730

to be the caretakers of surf's ancient

1557

01:18:36,970 --> 01:18:34,300

sacred sites yeah maintenance crew

1558

01:18:41,110 --> 01:18:36,980

maintenance crew exactly out there with

1559

01:18:44,620 --> 01:18:41,120

a weedeater you know yeah what what do

1560

01:18:47,109 --> 01:18:44,630

they call the those things that's been

1561

01:18:52,000 --> 01:18:47,119

around quickly yeah yeah yeah

1562

01:18:53,709 --> 01:18:52,010

we eater and so yeah you know they had

1563

01:18:54,399 --> 01:18:53,719

to clear out Yeah Yeah right in the

1564

01:18:58,779 --> 01:18:54,409

desert

1565

01:19:02,169 --> 01:18:58,789

weeds in the does they do the jobless

1566

01:19:04,859 --> 01:19:02,179

way was inundated with with weeds so you

1567

01:19:08,589 --> 01:19:04,869

know you got to keep that pathway clean

1568

01:19:11,350 --> 01:19:08,599

you know and I say that in jest but not

1569

01:19:14,319 --> 01:19:11,360

really well no not really because when

1570

01:19:16,000 --> 01:19:14,329

you look at the grape any of those this

1571

01:19:20,379 --> 01:19:16,010

Fink's in particular but the great

1572

01:19:22,179 --> 01:19:20,389

pyramid etc if you don't brush away the

1573

01:19:26,009 --> 01:19:22,189

sand and whatnot you're on the edge of

1574

01:19:28,209 --> 01:19:26,019

the Sahara Desert if the sand piles up

1575

01:19:30,069 --> 01:19:28,219

so in fact they do need constant

1576

01:19:32,949 --> 01:19:30,079

maintenance and that goes back to

1577

01:19:35,770 --> 01:19:32,959

ancient times when we I say ancient

1578

01:19:38,709 --> 01:19:35,780

times that goes back to dynastic time so

1579

01:19:40,689 --> 01:19:38,719

the dynastic Egyptians record how they

1580

01:19:43,719 --> 01:19:40,699

were digging the Sphinx out of the sand

1581

01:19:45,699 --> 01:19:43,729

they record how they had to you know

1582

01:19:48,159 --> 01:19:45,709

basically do cleaning on the Giza

1583

01:19:51,100 --> 01:19:48,169

Plateau to keep everything free of sand

1584

01:19:54,429 --> 01:19:51,110

now let's let's stay on the science side

1585

01:19:56,529 --> 01:19:54,439

of this we've got so much that we want

1586

01:20:00,429 --> 01:19:56,539

to discuss tonight I don't think we ever

1587

01:20:04,600 --> 01:20:00,439

left the science side no I could though

1588

01:20:07,810 --> 01:20:04,610

so let's let's let's discuss this the MU

1589

01:20:09,609 --> 01:20:07,820

on project and okay and one of and we

1590

01:20:12,810 --> 01:20:09,619

can you know continue after the break

1591

01:20:17,350 --> 01:20:12,820

but one of the things about this that

1592

01:20:20,379 --> 01:20:17,360

left a great taste in my mouth was how

1593

01:20:21,819 --> 01:20:20,389

Zahi Hawass has said over and over again

1594

01:20:26,369 --> 01:20:21,829

there's nothing to see here

1595

01:20:30,250 --> 01:20:26,379

and here this project clearly has found

1596

01:20:33,569 --> 01:20:30,260

a new chamber above the Grand Gallery

1597

01:20:37,209 --> 01:20:33,579

where there was supposed to be nothing

1598

01:20:40,270 --> 01:20:37,219

again the science is overlapping our

1599

01:20:43,330 --> 01:20:40,280

community isn't it Robert oh yeah

1600

01:20:45,399 --> 01:20:43,340

absolutely absolutely so so what we're

1601  
01:20:48,399 --> 01:20:45,409  
talking about just so everyone knows is

1602  
01:20:51,969 --> 01:20:48,409  
the MU ography or the MU on project it's

1603  
01:20:55,119 --> 01:20:51,979  
also known as scan pyramids and this is

1604  
01:20:57,339 --> 01:20:55,129  
a bunch of top-notch physicists again so

1605  
01:21:00,300 --> 01:20:57,349  
it's interesting how a lot of physics in

1606  
01:21:02,970 --> 01:21:00,310  
geophysics is being you

1607  
01:21:05,700 --> 01:21:02,980  
on the plateau now this is something I

1608  
01:21:07,830 --> 01:21:05,710  
why I hate to say it this way but I feel

1609  
01:21:10,770 --> 01:21:07,840  
like I helped pioneer this back in the

1610  
01:21:13,230 --> 01:21:10,780  
1990s when with Thomas de Becky a

1611  
01:21:15,930 --> 01:21:13,240  
geophysicist we found a chamber under

1612  
01:21:17,940 --> 01:21:15,940  
the paw of the Sphinx and I want to come

1613  
01:21:21,570 --> 01:21:17,950

back to that because I'm a big analogy

1614

01:21:24,140 --> 01:21:21,580

here yes they're using mu ons mu ography

1615

01:21:30,210 --> 01:21:24,150

this is a skin pyramid project

1616

01:21:32,450 --> 01:21:30,220

consortium of French Japanese big

1617

01:21:35,340 --> 01:21:32,460

Japanese contingent I think French

1618

01:21:38,970 --> 01:21:35,350

Canadians etc but really top-notch

1619

01:21:41,160 --> 01:21:38,980

physicists bring in incredible equipment

1620

01:21:43,980 --> 01:21:41,170

and what they're doing is setting up

1621

01:21:46,320 --> 01:21:43,990

detectors in and around the Great

1622

01:21:50,310 --> 01:21:46,330

Pyramid they've set up detectors to

1623

01:21:53,480 --> 01:21:50,320

capture mulan's so it's very similar to

1624

01:21:56,040 --> 01:21:53,490

what people knows x-rays muons are

1625

01:21:58,140 --> 01:21:56,050

essentially like electrons but much

1626

01:22:02,100 --> 01:21:58,150

heavier and much shorter half-life

1627

01:22:05,730 --> 01:22:02,110

half-life of millionths of a second they

1628

01:22:08,250 --> 01:22:05,740

the muons are produced in the

1629

01:22:12,360 --> 01:22:08,260

atmosphere from cosmic rays hitting

1630

01:22:14,400 --> 01:22:12,370

different types of atoms they basically

1631

01:22:17,160 --> 01:22:14,410

break up that and so hit the atoms they

1632

01:22:20,700 --> 01:22:17,170

release muons in some cases that

1633

01:22:22,710 --> 01:22:20,710

stream down and we have muons going

1634

01:22:24,510 --> 01:22:22,720

through us all the time you and I and

1635

01:22:26,190 --> 01:22:24,520

everyone that's listening has muons

1636

01:22:29,280 --> 01:22:26,200

flowing through their body they don't

1637

01:22:32,430 --> 01:22:29,290

interact with matter as we know it

1638

01:22:35,790 --> 01:22:32,440

matter that we're used to they have very

1639

01:22:37,710 --> 01:22:35,800

very very low interactions with that but

1640

01:22:41,820 --> 01:22:37,720

when you have something like the Great

1641

01:22:44,430 --> 01:22:41,830

Pyramid with all this stone work a few

1642

01:22:48,060 --> 01:22:44,440

of the MU ones do interact with the

1643

01:22:50,340 --> 01:22:48,070

stone so this nuance slowed down or they

1644

01:22:53,310 --> 01:22:50,350

are attenuated there's not as many mu

1645

01:22:55,950 --> 01:22:53,320

ones coming through where you have huge

1646

01:22:58,410 --> 01:22:55,960

masses of stone so if you put in

1647

01:23:01,680 --> 01:22:58,420

detectors in and around the Great

1648

01:23:04,650 --> 01:23:01,690

Pyramid you can detect if there's some

1649

01:23:06,330 --> 01:23:04,660

places where more moons are flowing

1650

01:23:08,490 --> 01:23:06,340

through that which show cavities that

1651  
01:23:10,050 --> 01:23:08,500  
would show empty chamber so that's

1652  
01:23:12,810 --> 01:23:10,060  
exactly what they're doing that that

1653  
01:23:14,220 --> 01:23:12,820  
makes sense yes it does and what so it's

1654  
01:23:16,410 --> 01:23:14,230  
like an x-ray and

1655  
01:23:18,270 --> 01:23:16,420  
they have found and I have looked at all

1656  
01:23:20,880 --> 01:23:18,280  
the original data and read their

1657  
01:23:23,340 --> 01:23:20,890  
original papers and whatnot and I'm

1658  
01:23:26,310 --> 01:23:23,350  
convinced it's really good data and a

1659  
01:23:31,410 --> 01:23:26,320  
very convincing case they have found a

1660  
01:23:34,229 --> 01:23:31,420  
huge chamber probably parallel or sub

1661  
01:23:36,300 --> 01:23:34,239  
parallel to the Grand Gallery above the

1662  
01:23:38,820 --> 01:23:36,310  
Grand Gallery so to put it in

1663  
01:23:44,070 --> 01:23:38,830

perspective this is probably about 30

1664

01:23:46,290 --> 01:23:44,080

feet tall maybe 7 feet wide maybe a

1665

01:23:50,130 --> 01:23:46,300

hundred and fifty feet long so you're

1666

01:23:52,470 --> 01:23:50,140

talking a major chamber paralleling the

1667

01:23:55,950 --> 01:23:52,480

Grand Gallery that's not supposed to be

1668

01:23:58,770 --> 01:23:55,960

there according to Egyptologists because

1669

01:24:00,690 --> 01:23:58,780

there there's more mular's coming

1670

01:24:02,700 --> 01:24:00,700

through and you can detect it that way

1671

01:24:05,700 --> 01:24:02,710

and they've done it from several

1672

01:24:09,030 --> 01:24:05,710

different angles using several different

1673

01:24:11,490 --> 01:24:09,040

types of luan detectors etc they're all

1674

01:24:14,190 --> 01:24:11,500

saying the same thing so to me it's

1675

01:24:18,210 --> 01:24:14,200

really good data and really exciting and

1676

01:24:20,580 --> 01:24:18,220

then there it was a second chamber that

1677

01:24:23,910 --> 01:24:20,590

they found a smaller one on the North

1678

01:24:26,340 --> 01:24:23,920

Face yes more on the on the face near

1679

01:24:29,190 --> 01:24:26,350

the entrance near the known entrance

1680

01:24:32,310 --> 01:24:29,200

serve above it I wasn't surprised by

1681

01:24:33,930 --> 01:24:32,320

that one at all because architecture it

1682

01:24:36,180 --> 01:24:33,940

always looked to me like there was

1683

01:24:39,360 --> 01:24:36,190

probably something up there in that

1684

01:24:43,020 --> 01:24:39,370

space and they seem to have detected

1685

01:24:45,300 --> 01:24:43,030

that also with the same technique also

1686

01:24:49,830 --> 01:24:45,310

they've done some thermal imaging which

1687

01:24:51,810 --> 01:24:49,840

seems to detect the same chamber that

1688

01:24:53,220 --> 01:24:51,820

there's something going on there so one

1689

01:24:56,010 --> 01:24:53,230

thing I would stress is you've got

1690

01:24:59,850 --> 01:24:56,020

multiple lines of evidence all detecting

1691

01:25:01,650 --> 01:24:59,860

these in the same spaces I also wanted

1692

01:25:03,060 --> 01:25:01,660

to mention I hate to sound I don't want

1693

01:25:06,060 --> 01:25:03,070

to sound the wrong way but you have a

1694

01:25:09,120 --> 01:25:06,070

bunch of Egyptologists like Zahi Hawass

1695

01:25:10,860 --> 01:25:09,130

and mark Lehner who are dismissing this

1696

01:25:12,990 --> 01:25:10,870

completely and saying that there's

1697

01:25:15,479 --> 01:25:13,000

nothing there or if there is anything

1698

01:25:17,850 --> 01:25:15,489

there is just a few little cavities

1699

01:25:20,700 --> 01:25:17,860

between the rocks I mean they're just

1700

01:25:23,700 --> 01:25:20,710

going crazy trying to dismiss it and

1701

01:25:25,620 --> 01:25:23,710

when I read their rebuttals in some

1702

01:25:26,310 --> 01:25:25,630

cases which are just made to the press

1703

01:25:28,830 --> 01:25:26,320

it's

1704

01:25:31,080 --> 01:25:28,840

fairly evident to me they have not

1705

01:25:33,480 --> 01:25:31,090

looked at the raw data or if they have

1706

01:25:36,720 --> 01:25:33,490

they haven't understood it because some

1707

01:25:40,110 --> 01:25:36,730

of the comments they make seem to

1708

01:25:45,050 --> 01:25:40,120

indicate an ignorance of the subject

1709

01:25:48,150 --> 01:25:45,060

matter shape do you and Mark talk no I

1710

01:25:49,350 --> 01:25:48,160

have been seen I haven't no no I'm not

1711

01:25:51,240 --> 01:25:49,360

in a nasty sense

1712

01:25:53,640 --> 01:25:51,250

I just haven't run across him or seen

1713

01:25:56,520 --> 01:25:53,650

him in years right so you guys are over

1714

01:25:58,950 --> 01:25:56,530

decades now right right not going back

1715

01:26:00,930 --> 01:25:58,960

to these it's not that no it's not like

1716

01:26:03,150 --> 01:26:00,940

we've run into each other and refused to

1717

01:26:06,000 --> 01:26:03,160

talk I literally just haven't had any

1718

01:26:09,690 --> 01:26:06,010

contact with them it's but I haven't

1719

01:26:12,590 --> 01:26:09,700

started out either I can understand I

1720

01:26:15,450 --> 01:26:12,600

I've seen Joe Hawass a number of times

1721

01:26:19,230 --> 01:26:15,460

over the last couple of decades

1722

01:26:21,510 --> 01:26:19,240

I'm not real recently but I was always

1723

01:26:24,330 --> 01:26:21,520

on much better terms with him well I

1724

01:26:27,030 --> 01:26:24,340

only bring it up because I've only got

1725

01:26:30,150 --> 01:26:27,040

about a minute before the break that for

1726

01:26:34,710 --> 01:26:30,160

Mark and for Zahi for them to have stood

1727

01:26:37,170 --> 01:26:34,720

their ground so firmly on what the Great

1728

01:26:41,220 --> 01:26:37,180

Pyramid could be you know they've closed

1729

01:26:43,440 --> 01:26:41,230

those doors if yes if this this they're

1730

01:26:46,890 --> 01:26:43,450

gonna have to backpedal omastar yeah

1731

01:26:50,130 --> 01:26:46,900

yeah it becomes hard when you surf put

1732

01:26:53,120 --> 01:26:50,140

so much emphasis on one view when you've

1733

01:26:55,620 --> 01:26:53,130

written so many books and articles

1734

01:26:57,350 --> 01:26:55,630

promoting that one view and then you

1735

01:27:00,390 --> 01:26:57,360

have data that comes out that

1736

01:27:02,580 --> 01:27:00,400

contradicts it I mean I understand where

1737

01:27:04,050 --> 01:27:02,590

they're coming from and I feel I don't

1738

01:27:07,080 --> 01:27:04,060

know I was going to say I feel bad for

1739

01:27:10,470 --> 01:27:07,090

them I don't feel bad for them but you

1740

01:27:13,470 --> 01:27:10,480

know they have a lot of vested interest

1741

01:27:15,420 --> 01:27:13,480

in the way they see things they don't

1742

01:27:17,520 --> 01:27:15,430

want to change let's take a break right

1743

01:27:19,350 --> 01:27:17,530

here our guest tonight dr. Robert M

1744

01:27:22,080 --> 01:27:19,360

shock yeah I've always wondered by the

1745

01:27:24,150 --> 01:27:22,090

way when I've looked at that entrance on

1746

01:27:27,390 --> 01:27:24,160

the north face that there is so much

1747

01:27:29,550 --> 01:27:27,400

more underneath those that first layer

1748

01:27:32,100 --> 01:27:29,560

of construction this is fade to black

1749

01:27:33,209 --> 01:27:32,110

I'm Merrill to be Church more with dr.

1750

01:27:36,880 --> 01:27:33,219

Schaack after this short

1751

01:27:36,890 --> 01:27:47,420

[Music]

1752

01:27:54,660 --> 01:27:50,630

way out here we listen to Jimmy Church

1753

01:27:56,940 --> 01:27:54,670

you're listening to fade to black always

1754

01:27:59,820 --> 01:27:56,950

on the edge of the hottest alternative

1755

01:28:19,050 --> 01:27:59,830

talk chilly church with fade to black

1756

01:28:22,770 --> 01:28:19,060

stay GRA radio.com hurricanes

1757

01:28:24,510 --> 01:28:22,780

earthquakes wildfires this year we've

1758

01:28:27,300 --> 01:28:24,520

experienced more than our fair share

1759

01:28:29,790 --> 01:28:27,310

this is Jimmy Church a fade to black and

1760

01:28:32,010 --> 01:28:29,800

last month I decided to make sure my

1761

01:28:34,140 --> 01:28:32,020

family does not have to worry about food

1762

01:28:37,890 --> 01:28:34,150

should we get caught in a real emergency

1763

01:28:39,780 --> 01:28:37,900

situation introducing Humana a healthy

1764

01:28:41,400 --> 01:28:39,790

storable product that tastes so good

1765

01:28:43,380 --> 01:28:41,410

that you'll want to eat it every day

1766

01:28:46,140 --> 01:28:43,390

instead of just during those times of

1767

01:28:49,530 --> 01:28:46,150

duress all new manna products have a 25

1768

01:28:51,960 --> 01:28:49,540

year shelf life our msg and GMO free no

1769

01:28:54,090 --> 01:28:51,970

preservatives and are made in America

1770

01:28:55,890 --> 01:28:54,100

with the new manna pack in your home

1771

01:28:58,710 --> 01:28:55,900

you'll be able to sleep at night knowing

1772

01:29:01,860 --> 01:28:58,720

that you protected your family not only

1773

01:29:04,230 --> 01:29:01,870

have I tasted and tested I own it now

1774

01:29:06,540 --> 01:29:04,240

you can too just click on the new manna

1775

01:29:08,610 --> 01:29:06,550

banner on Jimmy Church radio.com and use

1776

01:29:11,010 --> 01:29:08,620

the promo code Jimmy when you order in

1777

01:29:13,010 --> 01:29:11,020

addition to a discount we'll send you an

1778

01:29:17,010 --> 01:29:13,020

autographed fade to black t-shirt

1779

01:29:18,540 --> 01:29:17,020

seriously gobekli tepe do you worry a

1780

01:29:20,930 --> 01:29:18,550

lot whether you're a college student

1781

01:29:23,430 --> 01:29:20,940

busy professional parent or grandparent

1782

01:29:25,500 --> 01:29:23,440

ongoing stress and elevated levels of

1783

01:29:27,570 --> 01:29:25,510

the stress hormone cortisol can rob your

1784

01:29:29,790 --> 01:29:27,580

memory your health and your future

1785

01:29:31,680 --> 01:29:29,800

now you can combat the effects of stress

1786

01:29:33,750 --> 01:29:31,690

and anxiety while improving your memory

1787

01:29:35,850 --> 01:29:33,760

and recall at the same time with the

1788

01:29:37,620 --> 01:29:35,860

dietary supplement calm and clever

1789

01:29:39,750 --> 01:29:37,630

studies showed that the ingredients in

1790

01:29:41,940 --> 01:29:39,760

common clever reduce cortisol by as much

1791

01:29:43,890 --> 01:29:41,950

as 30% in one to two weeks

1792

01:29:46,910 --> 01:29:43,900

call 1-800 seven five eight eight seven

1793

01:29:50,630 --> 01:29:46,920

four six or calm and clever calm

1794

01:29:59,900 --> 01:29:50,640

you listen to us and we listen to you so

1795

01:30:01,880 --> 01:29:59,910

does the CIA jgr a radio.com you are

1796

01:30:06,590 --> 01:30:01,890

listening to fade to black with Jimmy

1797

01:30:09,110 --> 01:30:06,600

Church on the game changer Network hi

1798

01:30:11,810 --> 01:30:09,120

I'm Lisa Vance you're listening to Jim

1799

01:30:14,630 --> 01:30:11,820

Il Church this is revolution the

1800

01:30:22,640 --> 01:30:14,640

revolution will not be televised the

1801  
01:30:55,860 --> 01:30:53,189

[Music]

1802  
01:30:59,970 --> 01:30:55,870

the

1803  
01:31:03,940 --> 01:31:02,350

all right welcome back fade to black

1804  
01:31:06,610 --> 01:31:03,950

cover your host Timmy church our guest

1805  
01:31:09,640 --> 01:31:06,620

tonight dr. Robert Emms shot for doing

1806  
01:31:12,430 --> 01:31:09,650

all things Egypt tonight lots and lots

1807  
01:31:13,810 --> 01:31:12,440

of breaking news out of Egypt the

1808  
01:31:16,270 --> 01:31:13,820

segment of fade to black is proudly

1809  
01:31:18,490 --> 01:31:16,280

brought to you by new manna emergency

1810  
01:31:20,890 --> 01:31:18,500

food storage for you and your family

1811  
01:31:22,900 --> 01:31:20,900

click on the new mana banners over to me

1812  
01:31:26,020 --> 01:31:22,910

church radio comm use the promo code

1813  
01:31:28,480 --> 01:31:26,030

jimmy 10 jimmy 10 will get you 10% off

1814

01:31:30,760 --> 01:31:28,490

it'll get you free shipping and it will

1815

01:31:33,730 --> 01:31:30,770

also get to every order over \$100 an

1816

01:31:35,500 --> 01:31:33,740

autograph fade to black t-shirt dr.

1817

01:31:39,850 --> 01:31:35,510

Schaack do you have a fade to black

1818

01:31:43,300 --> 01:31:39,860

t-shirt no I don't I had Oh Katie Katie

1819

01:31:49,540 --> 01:31:43,310

has yours oh she has mine okay yeah you

1820

01:31:52,300 --> 01:31:49,550

need to be my wife you need to go talk

1821

01:31:54,160 --> 01:31:52,310

to Katie I could just see you on the

1822

01:31:55,900 --> 01:31:54,170

next Egypt or wearing a faded black

1823

01:32:00,340 --> 01:31:55,910

t-shirt because you're a rock and roller

1824

01:32:02,980 --> 01:32:00,350

and we have we got to get that fixed the

1825

01:32:04,810 --> 01:32:02,990

second Sphinx now you know wait wait

1826  
01:32:07,300 --> 01:32:04,820  
wait before we get to second things can

1827  
01:32:09,280 --> 01:32:07,310  
I say one more thing sure because we

1828  
01:32:11,590 --> 01:32:09,290  
were just talking about through ography

1829  
01:32:15,060 --> 01:32:11,600  
and that type of thing so I found it

1830  
01:32:18,730 --> 01:32:15,070  
very funny the physicist described this

1831  
01:32:22,690 --> 01:32:18,740  
this chamber this on the chamber they

1832  
01:32:24,940 --> 01:32:22,700  
found above the Grand Gallery and they

1833  
01:32:28,750 --> 01:32:24,950  
described it very matter-of-factly as a

1834  
01:32:31,840 --> 01:32:28,760  
void a big void when something's 150

1835  
01:32:33,460 --> 01:32:31,850  
feet long etc it is a big void I think

1836  
01:32:36,070 --> 01:32:33,470  
that's very descriptive

1837  
01:32:38,140 --> 01:32:36,080  
then the Ministry of Antiquities and the

1838  
01:32:42,520 --> 01:32:38,150

Egyptologists were all up in arms and

1839

01:32:46,750 --> 01:32:42,530

they said oh that's propaganda the what

1840

01:32:48,430 --> 01:32:46,760

what do you think it could be what I

1841

01:32:50,770 --> 01:32:48,440

mean by that is this it could could it

1842

01:32:52,900 --> 01:32:50,780

be like an escape route for those that

1843

01:32:55,390 --> 01:32:52,910

built the room no I don't think you're

1844

01:32:57,190 --> 01:32:55,400

talking escape route because not when

1845

01:32:59,470 --> 01:32:57,200

you're talking something that big I

1846

01:33:01,870 --> 01:32:59,480

think it might be holding something it

1847

01:33:05,560 --> 01:33:01,880

might be holding records or something

1848

01:33:07,690 --> 01:33:05,570

like that not unlike the chamber under

1849

01:33:10,270 --> 01:33:07,700

the pod the Sphinx that we found and

1850

01:33:12,040 --> 01:33:10,280

what I wanted to say before the break as

1851

01:33:13,390 --> 01:33:12,050

I said I want to come back to this for

1852

01:33:16,209 --> 01:33:13,400

just a second

1853

01:33:18,060 --> 01:33:16,219

I have incredible sympathy for what

1854

01:33:21,570 --> 01:33:18,070

they're going through now with the

1855

01:33:24,340 --> 01:33:21,580

Egyptologist denying the physics that

1856

01:33:26,169 --> 01:33:24,350

found this chamber and of course it

1857

01:33:28,300 --> 01:33:26,179

still has to be explored it would be

1858

01:33:31,360 --> 01:33:28,310

nice to drill into it and see what's

1859

01:33:33,910 --> 01:33:31,370

physically there etc do I expect that to

1860

01:33:36,640 --> 01:33:33,920

happen anytime soon not necessarily no

1861

01:33:38,110 --> 01:33:36,650

knowing how things go in Egypt but it's

1862

01:33:40,660 --> 01:33:38,120

being totally dismissed

1863

01:33:43,540 --> 01:33:40,670

they even though it's based on film I'm

1864

01:33:46,780 --> 01:33:43,550

sorry even though it's based on sound

1865

01:33:49,000 --> 01:33:46,790

physics and I experienced the same thing

1866

01:33:52,000 --> 01:33:49,010

when we found the chamber under the paw

1867

01:33:54,610 --> 01:33:52,010

of the Sphinx they dismissed that too

1868

01:33:56,560 --> 01:33:54,620

and basically put a squelch on their

1869

01:33:59,470 --> 01:33:56,570

research and said this was propaganda

1870

01:34:01,180 --> 01:33:59,480

it's stealing Egypt from the Egyptians

1871

01:34:06,419 --> 01:34:01,190

they're doing the same thing with this

1872

01:34:08,950 --> 01:34:06,429

so there's this weird resistance to to

1873

01:34:11,800 --> 01:34:08,960

developing new theories new evidence

1874

01:34:14,140 --> 01:34:11,810

well they're talking about doing the

1875

01:34:18,000 --> 01:34:14,150

gate and brink model you know they're

1876  
01:34:19,149 --> 01:34:18,010  
talking about now bill you know putting

1877  
01:34:23,709 --> 01:34:19,159  
yeah

1878  
01:34:25,689 --> 01:34:23,719  
for this though there's no no passages

1879  
01:34:27,310 --> 01:34:25,699  
that go up to it that anyone knows at

1880  
01:34:29,020 --> 01:34:27,320  
this point well I was gonna ask you

1881  
01:34:35,260 --> 01:34:29,030  
about that at the top of the Grand

1882  
01:34:37,000 --> 01:34:35,270  
Gallery where have you looked up yes I

1883  
01:34:39,040 --> 01:34:37,010  
know what you're talking about but

1884  
01:34:44,290 --> 01:34:39,050  
there's no evidence that this goes into

1885  
01:34:48,760 --> 01:34:44,300  
that what was just found you don't know

1886  
01:34:50,860 --> 01:34:48,770  
no you don't and I need your academic

1887  
01:34:51,459 --> 01:34:50,870  
eyeballs you know up there at the top of

1888  
01:34:53,350 --> 01:34:51,469

the stairs

1889

01:34:57,209 --> 01:34:53,360

you know the entrance into the King's

1890

01:35:01,479 --> 01:34:57,219

Chamber and kind of the possibility of

1891

01:35:03,370 --> 01:35:01,489

something blocking a tunnel going into I

1892

01:35:06,010 --> 01:35:03,380

mean because you know when you go into

1893

01:35:08,410 --> 01:35:06,020

the King's Chamber there are some blocks

1894

01:35:12,250 --> 01:35:08,420

that look fairly loose that type of

1895

01:35:14,770 --> 01:35:12,260

thing well you tell me I mean you you've

1896

01:35:17,830 --> 01:35:14,780

been there do you think that that there

1897

01:35:20,200 --> 01:35:17,840

is a possibility of getting into this

1898

01:35:23,140 --> 01:35:20,210

newly discovered chamber not not

1899

01:35:25,810 --> 01:35:23,150

probably not from there because of the

1900

01:35:27,100 --> 01:35:25,820

positioning of it that type of thing and

1901

01:35:29,440 --> 01:35:27,110

I've been up in

1902

01:35:31,390 --> 01:35:29,450

to the so called relieving chambers or

1903

01:35:34,690 --> 01:35:31,400

relief chambers or chambers of

1904

01:35:37,240 --> 01:35:34,700

construction above the King's Chamber I

1905

01:35:40,540 --> 01:35:37,250

don't know many people have been up

1906

01:35:44,530 --> 01:35:40,550

there but I'm one of them and I saw no

1907

01:35:47,590 --> 01:35:44,540

way to go from that into this new big

1908

01:35:50,050 --> 01:35:47,600

void as they call it so it may be

1909

01:35:52,570 --> 01:35:50,060

totally sealed off but we just don't

1910

01:35:55,390 --> 01:35:52,580

know for certain it really is going to

1911

01:35:58,090 --> 01:35:55,400

take more study and there's the problem

1912

01:36:00,220 --> 01:35:58,100

will the Egyptian authorities allow that

1913

01:36:03,940 --> 01:36:00,230

study to continue I don't know now I

1914

01:36:07,390 --> 01:36:03,950

heard a rumor I want to run this past

1915

01:36:13,420 --> 01:36:07,400

you that there was a period of a couple

1916

01:36:15,070 --> 01:36:13,430

of months where they had some tents set

1917

01:36:17,170 --> 01:36:15,080

up and some trucks outside of the

1918

01:36:21,580 --> 01:36:17,180

entrance of the grant the Great Pyramid

1919

01:36:25,600 --> 01:36:21,590

yeah and that they were they they gained

1920

01:36:28,990 --> 01:36:25,610

access to the chamber removed the stuff

1921

01:36:32,770 --> 01:36:29,000

that they found and it will be part of

1922

01:36:34,420 --> 01:36:32,780

the new grand museum's opening well

1923

01:36:36,760 --> 01:36:34,430

which chamber you're talking about the

1924

01:36:38,890 --> 01:36:36,770

new chamber above the Grand Gallery that

1925

01:36:41,290 --> 01:36:38,900

they actually go no no no they didn't

1926

01:36:43,480 --> 01:36:41,300

get into that what does timber the best

1927

01:36:45,880 --> 01:36:43,490

of my knowledge those tents and trucks

1928

01:36:51,070 --> 01:36:45,890

and whatnot right that was that was some

1929

01:36:52,900 --> 01:36:51,080

thermal imaging instruments that the

1930

01:36:55,870 --> 01:36:52,910

physicists we were talking about the

1931

01:36:58,720 --> 01:36:55,880

scan pyramids physicists were using to

1932

01:37:02,680 --> 01:36:58,730

do thermal imaging of the Great Pyramid

1933

01:37:06,060 --> 01:37:02,690

because what you have is that the Great

1934

01:37:08,740 --> 01:37:06,070

Pyramid heats up and cooled down between

1935

01:37:12,100 --> 01:37:08,750

you know the daylight hours in the

1936

01:37:14,740 --> 01:37:12,110

nighttime hours etc but different rocks

1937

01:37:17,350 --> 01:37:14,750

absorb in a mid heat in different

1938

01:37:18,310 --> 01:37:17,360

amounts and also they cool down in

1939

01:37:20,830 --> 01:37:18,320

different ways

1940

01:37:22,900 --> 01:37:20,840

and they will cool down quicker or

1941

01:37:25,390 --> 01:37:22,910

slower depending not just on the rock

1942

01:37:28,720 --> 01:37:25,400

type but if there's cavities behind them

1943

01:37:31,990 --> 01:37:28,730

and in found fact they found what may be

1944

01:37:34,540 --> 01:37:32,000

some cavities that way or chambers

1945

01:37:37,450 --> 01:37:34,550

whatever you want to call it using that

1946

01:37:38,770 --> 01:37:37,460

type of thermal imaging I mean I saw

1947

01:37:39,880 --> 01:37:38,780

that they were there that's what they

1948

01:37:43,860 --> 01:37:39,890

were doing there

1949

01:37:47,140 --> 01:37:43,870

so you don't think there is a

1950

01:37:50,080 --> 01:37:47,150

possibility that for the grand opening

1951

01:37:53,020 --> 01:37:50,090

they just do this huge reveal oh by the

1952

01:37:58,000 --> 01:37:53,030

way no no I actually don't

1953

01:38:00,100 --> 01:37:58,010

I mean is it remotely possible one you

1954

01:38:04,210 --> 01:38:00,110

know point zero zero zero one percent

1955

01:38:07,660 --> 01:38:04,220

probability but no I don't think so

1956

01:38:10,270 --> 01:38:07,670

partly I don't think you know to try to

1957

01:38:13,020 --> 01:38:10,280

move anything around in Egypt to try to

1958

01:38:16,180 --> 01:38:13,030

go into something like that without

1959

01:38:19,540 --> 01:38:16,190

anyone detecting it without anyone

1960

01:38:22,540 --> 01:38:19,550

leaking that type of thing you know

1961

01:38:27,330 --> 01:38:22,550

between security between the practical

1962

01:38:30,160 --> 01:38:27,340

aspects of it the keeping everyone quiet

1963

01:38:33,150 --> 01:38:30,170

it's not realistic I don't think that

1964

01:38:37,540 --> 01:38:33,160

they they've been able to do that now

1965

01:38:39,250 --> 01:38:37,550

and staying on this we have the new

1966

01:38:41,260 --> 01:38:39,260

museum which is going to open up in

1967

01:38:44,410 --> 01:38:41,270

November yeah and this is a grand

1968

01:38:47,770 --> 01:38:44,420

Egyptian Museum and this is on site at

1969

01:38:50,950 --> 01:38:47,780

Giza great for job it's about it's a

1970

01:38:54,310 --> 01:38:50,960

couple of kilometers basically north of

1971

01:38:56,650 --> 01:38:54,320

the pyramids you and I were talking over

1972

01:38:59,050 --> 01:38:56,660

the phone privately and I'll describe it

1973

01:39:01,630 --> 01:38:59,060

now they among other things are going to

1974

01:39:05,050 --> 01:39:01,640

have a big sort of a big picture window

1975

01:39:07,570 --> 01:39:05,060

view of the pyramids from the grand

1976

01:39:11,320 --> 01:39:07,580

Egyptian Museum Katie and I had the

1977

01:39:13,360 --> 01:39:11,330

opportunity to visit it while it's you

1978

01:39:16,510 --> 01:39:13,370

know it's still under construction and

1979

01:39:19,480 --> 01:39:16,520

we saw parts of it not so much the

1980

01:39:21,880 --> 01:39:19,490

exhibit areas but the first thing they

1981

01:39:24,450 --> 01:39:21,890

completed were the conservation areas

1982

01:39:27,040 --> 01:39:24,460

because they're bringing statues and

1983

01:39:28,780 --> 01:39:27,050

artifacts and that type of thing into

1984

01:39:30,850 --> 01:39:28,790

the museum so the first thing they have

1985

01:39:34,120 --> 01:39:30,860

to do is take care of them preserve them

1986

01:39:36,850 --> 01:39:34,130

conserve them before they actually put

1987

01:39:38,920 --> 01:39:36,860

them on display but there I want to say

1988

01:39:41,200 --> 01:39:38,930

the whole museum's costing hundreds of

1989

01:39:43,810 --> 01:39:41,210

millions maybe half a billion dollars I

1990

01:39:45,450 --> 01:39:43,820

mean this is a major project what are

1991

01:39:48,370 --> 01:39:45,460

they going to do with the old museum I

1992

01:39:50,910 --> 01:39:48,380

don't know I don't know I hope that they

1993

01:39:54,010 --> 01:39:50,920

preserve it because it's a beautiful

1994

01:39:58,060 --> 01:39:56,080

not building you know so it's a it's a

1995

01:40:00,520 --> 01:39:58,070

masterpiece in its own right it's not

1996

01:40:03,430 --> 01:40:00,530

what we expect what people expect of a

1997

01:40:05,980 --> 01:40:03,440

museum nowadays I personally hope that

1998

01:40:10,210 --> 01:40:05,990

they keep it open with just a few pieces

1999

01:40:12,340 --> 01:40:10,220

on display in the classic traditional

2000

01:40:15,580 --> 01:40:12,350

setting and if they don't I'll miss it

2001

01:40:17,830 --> 01:40:15,590

it's to be that's the Cairo Museum the

2002

01:40:20,470 --> 01:40:17,840

Egyptian Museum in Cairo but the grand

2003

01:40:24,190 --> 01:40:20,480

Egyptian Museum I think the new one is

2004

01:40:27,880 --> 01:40:24,200

going to be magnificent now this second

2005

01:40:29,770 --> 01:40:27,890

Sphinx you and I have done a couple of

2006

01:40:31,570 --> 01:40:29,780

shows about this in the past and the

2007

01:40:35,680 --> 01:40:31,580

fourth pyramid we've discussed this a

2008

01:40:38,520 --> 01:40:35,690

lot this news broke last week in the

2009

01:40:41,590 --> 01:40:38,530

week before that a second Sphinx was

2010

01:40:44,500 --> 01:40:41,600

discovered I want to I need you to help

2011

01:40:47,830 --> 01:40:44,510

me clarify what's going on they this is

2012

01:40:51,850 --> 01:40:47,840

now Luxor they're talking about and not

2013

01:40:53,680 --> 01:40:51,860

as well as Fink's on Giza which is yeah

2014

01:40:56,380 --> 01:40:53,690

and talked about a lot too you know

2015

01:40:58,930 --> 01:40:56,390

there's so much talk about second

2016

01:41:01,660 --> 01:40:58,940

sphinxes and i have lived through

2017

01:41:04,000 --> 01:41:01,670

decades of second Sphinx as I was

2018

01:41:05,770 --> 01:41:04,010

reflecting on this since you and I

2019

01:41:09,780 --> 01:41:05,780

talked privately on the phone a couple

2020

01:41:11,980 --> 01:41:09,790

of days ago before this radio show I

2021

01:41:15,460 --> 01:41:11,990

remember people coming out with the

2022

01:41:18,130 --> 01:41:15,470

seconds fix on the Giza Plateau several

2023

01:41:20,730 --> 01:41:18,140

different times I've been shown by I

2024

01:41:24,340 --> 01:41:20,740

don't even one name the name by the

2025

01:41:26,620 --> 01:41:24,350

Egyptian Egyptologist had he showed me

2026

01:41:27,550 --> 01:41:26,630

one area on the plateau I'll get to

2027

01:41:30,100 --> 01:41:27,560

Luxor a minute

2028

01:41:32,260 --> 01:41:30,110

he showed me one area on the plateau he

2029

01:41:34,960 --> 01:41:32,270

said oh this is the second Sphinx and

2030

01:41:36,430 --> 01:41:34,970

I'm not convinced that of it at all he

2031

01:41:39,220 --> 01:41:36,440

said well you can't really see it

2032

01:41:42,100 --> 01:41:39,230

anymore because it's been read and

2033

01:41:44,710 --> 01:41:42,110

modified and turned into tombs that sort

2034

01:41:46,900 --> 01:41:44,720

of west and south of the Sphinx and

2035

01:41:49,150 --> 01:41:46,910

there's another place where someone else

2036

01:41:50,980 --> 01:41:49,160

claims there's a sphinx sort of north

2037

01:41:54,640 --> 01:41:50,990

and west of the Sphinx on the plateau

2038

01:41:56,980 --> 01:41:54,650

I'm not convinced of that a lot of the

2039

01:42:01,270 --> 01:41:56,990

discussion of the second Sphinx is

2040

01:42:02,920 --> 01:42:01,280

because the stela between the paws of

2041

01:42:05,410 --> 01:42:02,930

the Sphinx and I will show this to

2042

01:42:07,959 --> 01:42:05,420

everyone who goes to Egypt with me we'll

2043

01:42:10,419 --> 01:42:07,969

see it on site there's this

2044

01:42:14,739 --> 01:42:10,429

big grin at Stella between the paws of

2045

01:42:19,620 --> 01:42:14,749

the Sphinx that was erected by top Moses

2046

01:42:23,020 --> 01:42:19,630

the fourth about 1400 BC when he dug out

2047

01:42:25,989 --> 01:42:23,030

what he considered a very ancient Sphinx

2048

01:42:28,569 --> 01:42:25,999

he dug it out the sand at that time as

2049

01:42:32,799 --> 01:42:28,579

he recourse the Sphinx was buried in

2050

01:42:36,489 --> 01:42:32,809

sand up to its neck he dug it out he put

2051

01:42:39,040 --> 01:42:36,499

this Stella this big granite carving

2052

01:42:42,580 --> 01:42:39,050

with hieroglyphic inscriptions all over

2053

01:42:46,239 --> 01:42:42,590

it between the paws of the Sphinx and on

2054

01:42:49,330 --> 01:42:46,249

it he shows not one Sphinx but two sinks

2055

01:42:51,129 --> 01:42:49,340

is so ever since then everyone's looking

2056

01:42:53,350 --> 01:42:51,139

for the second Sphinx because if there's

2057

01:42:55,870 --> 01:42:53,360

two sphinxes on the Stella between the

2058

01:42:58,359 --> 01:42:55,880

paws of the Sphinx people figure well

2059

01:43:02,080 --> 01:42:58,369

there must be the Great Sphinx and

2060

01:43:05,669 --> 01:43:02,090

another Sphinx so what came out recently

2061

01:43:09,719 --> 01:43:05,679

in the news was a quote second Sphinx in

2062

01:43:12,850 --> 01:43:09,729

Luxor which is you know way down south

2063

01:43:16,120 --> 01:43:12,860

up the Nile because the Nile flows from

2064

01:43:19,719 --> 01:43:16,130

south to north so way down south and

2065

01:43:22,540 --> 01:43:19,729

Luxor the problem is that this quotes

2066

01:43:24,640 --> 01:43:22,550

second Sphinx is about maybe not the

2067

01:43:25,959 --> 01:43:24,650

second Sphinx not the third Sphinx not

2068

01:43:30,339 --> 01:43:25,969

the fourth things from my perspective

2069

01:43:32,680 --> 01:43:30,349

but maybe Sphinx number 375 or who knows

2070

01:43:36,430 --> 01:43:32,690

what because there are Fink's is all

2071

01:43:39,100 --> 01:43:36,440

over Luxor and I actually looked it up

2072

01:43:40,870 --> 01:43:39,110

and I looked at looked at the links that

2073

01:43:42,549 --> 01:43:40,880

you and I discussed I looked up some

2074

01:43:46,049 --> 01:43:42,559

other research on it

2075

01:43:48,939 --> 01:43:46,059

and it's exactly where I would expect

2076

01:43:52,629 --> 01:43:48,949

another Sphinx to be found it's just a

2077

01:43:55,390 --> 01:43:52,639

big monolithic statue of a sphinx maybe

2078

01:43:58,419 --> 01:43:55,400

26 feet long I think in this case the

2079

01:44:02,830 --> 01:43:58,429

one they're talking about but 26 feet is

2080

01:44:06,459 --> 01:44:02,840

nothing compared to you know 240 feet or

2081

01:44:08,950 --> 01:44:06,469

whatever for the Great Sphinx and it

2082

01:44:10,660 --> 01:44:08,960

luxord they were carving Sphinx is all

2083

01:44:14,140 --> 01:44:10,670

over the place because they had an

2084

01:44:16,989 --> 01:44:14,150

avenue from what's now known as luxor

2085

01:44:18,939 --> 01:44:16,999

temple to karnak temple

2086

01:44:21,730 --> 01:44:18,949

you know several kilometers and that

2087

01:44:23,980 --> 01:44:21,740

avenue was lined with sphinxes

2088

01:44:26,140 --> 01:44:23,990

on either side so they find sphinxes all

2089

01:44:30,100 --> 01:44:26,150

the time whenever they you know build

2090

01:44:32,770 --> 01:44:30,110

brooch in that area why why don't take

2091

01:44:35,020 --> 01:44:32,780

it to this level second Sphinx because

2092

01:44:36,520 --> 01:44:35,030

second Sphinx only means one thing to

2093

01:44:39,310 --> 01:44:36,530

you and I in the rest of the community

2094

01:44:42,520 --> 01:44:39,320

that's exactly it so here's my theory

2095

01:44:46,840 --> 01:44:42,530

and it's not it I don't mean to be nasty

2096

01:44:50,250 --> 01:44:46,850

but when people say second Sphinx if

2097

01:44:53,110 --> 01:44:50,260

they release a news article or

2098

01:44:55,030 --> 01:44:53,120

announcement about a second Sphinx they

2099

01:44:57,880 --> 01:44:55,040

know that we're going to talk about on

2100

01:45:01,770 --> 01:44:57,890

the radio because seconds things to us

2101  
01:45:05,440 --> 01:45:01,780  
means a compliment to the great sphinx

2102  
01:45:09,520 --> 01:45:05,450  
another sphinx the size of this great

2103  
01:45:11,500 --> 01:45:09,530  
sphinx so you know basically a companion

2104  
01:45:13,660 --> 01:45:11,510  
to the great sphinx we're not thinking

2105  
01:45:15,280 --> 01:45:13,670  
about something that's maybe 20 or 30

2106  
01:45:18,400 --> 01:45:15,290  
feet long we're thinking of something

2107  
01:45:22,600 --> 01:45:18,410  
that's hundreds of feet long so it's

2108  
01:45:25,180 --> 01:45:22,610  
serve what did they say well to me in

2109  
01:45:26,050 --> 01:45:25,190  
advertising you you I'm switching bait

2110  
01:45:30,730 --> 01:45:26,060  
bait and switch

2111  
01:45:32,470 --> 01:45:30,740  
they say second Sphinx well it's not the

2112  
01:45:34,840 --> 01:45:32,480  
second Sphinx it's numbered Sphinx

2113  
01:45:37,360 --> 01:45:34,850

number 375 as I would say I'm just

2114

01:45:39,400 --> 01:45:37,370

making up that number but they got your

2115

01:45:42,400 --> 01:45:39,410

attention and they want your attention

2116

01:45:44,080 --> 01:45:42,410

and then I was reading one article and

2117

01:45:46,660 --> 01:45:44,090

it even said well the authorities

2118

01:45:49,510 --> 01:45:46,670

haven't released a photograph of it but

2119

01:45:52,170 --> 01:45:49,520

they encourage tourists to come and

2120

01:45:54,520 --> 01:45:52,180

visit Luxor and see it for themselves

2121

01:45:56,770 --> 01:45:54,530

well what is this saying they want

2122

01:46:00,910 --> 01:45:56,780

tourism they want you to help the

2123

01:46:05,200 --> 01:46:00,920

Egyptian economy to be clear the Great

2124

01:46:09,100 --> 01:46:05,210

Sphinx was carved of the earth that's

2125

01:46:14,560 --> 01:46:09,110

right bedrock living rock it is still

2126

01:46:17,530 --> 01:46:14,570

attached still attached and so the this

2127

01:46:21,580 --> 01:46:17,540

second Sphinx that is in the news right

2128

01:46:23,680 --> 01:46:21,590

now in Lucky's are is portable it's a

2129

01:46:25,540 --> 01:46:23,690

portable statue oh yeah yeah I mean it

2130

01:46:29,650 --> 01:46:25,550

weighs what tens of tons I don't know

2131

01:46:31,600 --> 01:46:29,660

how much it weighs but its portable it's

2132

01:46:34,430 --> 01:46:31,610

a portable things there's a pocket space

2133

01:46:40,040 --> 01:46:34,440

compared to the Great Sphinx and

2134

01:46:41,480 --> 01:46:40,050

why okay so it's not let's be very clear

2135

01:46:43,910 --> 01:46:41,490

it's kind of like talking about the

2136

01:46:50,090 --> 01:46:43,920

Bosnian pyramids I need you to be very

2137

01:46:50,900 --> 01:46:50,100

clear here Robert no no impairment I'll

2138

01:46:53,030 --> 01:46:50,910

be blunt

2139

01:46:54,470 --> 01:46:53,040

you know you'd like me to be out that's

2140

01:46:56,480 --> 01:46:54,480

what I'm saying let's be it doesn't

2141

01:46:58,340 --> 01:46:56,490

matter it's people not going to be

2142

01:46:59,200 --> 01:46:58,350

dishonest anyway whether you like it or

2143

01:47:01,730 --> 01:46:59,210

not

2144

01:47:05,900 --> 01:47:01,740

Bosnian pyramids are nonsense they're

2145

01:47:08,600 --> 01:47:05,910

they're modern fake this is not a modern

2146

01:47:11,000 --> 01:47:08,610

fake but it's not the Great Sphinx it's

2147

01:47:13,820 --> 01:47:11,010

just another ancient things from about

2148

01:47:15,860 --> 01:47:13,830

three thousand plus years ago it's not

2149

01:47:20,300 --> 01:47:15,870

even as old as the Great Sphinx it's

2150

01:47:24,260 --> 01:47:20,310

much smaller and it's it's nice I might

2151

01:47:27,500 --> 01:47:24,270

love to have a mansion and have it in my

2152

01:47:28,250 --> 01:47:27,510

garden but it's not the Great Sphinx so

2153

01:47:33,680 --> 01:47:28,260

let's

2154

01:47:36,230 --> 01:47:33,690

Sphinx being discovered in Luxor theory

2155

01:47:39,170 --> 01:47:36,240

or suggestion okay but let's move yeah

2156

01:47:41,570 --> 01:47:39,180

yeah it's a sphinx that was discovered

2157

01:47:45,310 --> 01:47:41,580

in Luxor you find a lot of things in

2158

01:47:47,600 --> 01:47:45,320

Luxor and Luxor is beautiful people I

2159

01:47:50,660 --> 01:47:47,610

don't want to sound the wrong way but on

2160

01:47:53,450 --> 01:47:50,670

the trips I take people on we go and we

2161

01:47:56,900 --> 01:47:53,460

visit Luxor we see luxor temple we see

2162

01:47:58,880 --> 01:47:56,910

karnak temple we see the avenues Fink's

2163

01:48:03,410 --> 01:47:58,890

is and they'll know exactly what we're

2164

01:48:07,070 --> 01:48:03,420

talking about but but it's not the Great

2165

01:48:11,120 --> 01:48:07,080

Sphinx is there by going back to Giza is

2166

01:48:13,100 --> 01:48:11,130

there a possibility because it is there

2167

01:48:16,340 --> 01:48:13,110

on the the Sphinx teller there's no

2168

01:48:19,090 --> 01:48:16,350

doubt about at up Moses yeah clearly

2169

01:48:22,280 --> 01:48:19,100

stated he had a dream he fell asleep

2170

01:48:25,970 --> 01:48:22,290

it's you would be the next Pharaoh if

2171

01:48:29,900 --> 01:48:25,980

you unburied me you know that that that

2172

01:48:32,090 --> 01:48:29,910

story and he said on this dello that

2173

01:48:35,330 --> 01:48:32,100

there was a second Sphinx now if we look

2174

01:48:38,620 --> 01:48:35,340

at the Giza Plateau where could it be

2175

01:48:44,320 --> 01:48:38,630

I've always thought west northwest

2176

01:48:47,020 --> 01:48:44,330

corner up near the the

2177

01:48:49,090 --> 01:48:47,030

Cave right the bird yeah I mean I think

2178

01:48:51,820 --> 01:48:49,100

that would be a possibility something

2179

01:48:54,340 --> 01:48:51,830

that sir flinders petrie who was one of

2180

01:48:56,790 --> 01:48:54,350

the great Egyptologists and not it's

2181

01:48:58,860 --> 01:48:56,800

very funny not funny funny but

2182

01:49:02,610 --> 01:48:58,870

interesting that son of the great

2183

01:49:05,380 --> 01:49:02,620

Egyptologists of the late 19th early

2184

01:49:07,180 --> 01:49:05,390

2005 today I think they'd be very

2185

01:49:09,370 --> 01:49:07,190

disappointed with some of the modern

2186

01:49:12,100 --> 01:49:09,380

Egyptologists and how closed-minded they

2187

01:49:14,230 --> 01:49:12,110

are right but that's another comment he

2188

01:49:19,480 --> 01:49:14,240

thought that maybe it was across the

2189

01:49:22,210 --> 01:49:19,490

Nile on Heliopolis but these things ever

2190

01:49:25,240 --> 01:49:22,220

found it and you know what happened is a

2191

01:49:28,030 --> 01:49:25,250

lot of these areas are so built up now

2192

01:49:29,680 --> 01:49:28,040

and they've now people are living there

2193

01:49:33,460 --> 01:49:29,690

so whether you're talking across the

2194

01:49:37,900 --> 01:49:33,470

Nile or you're talking up in the

2195

01:49:41,260 --> 01:49:37,910

northwest corner i was looking at google

2196

01:49:45,040 --> 01:49:41,270

map actually with this in mind and if

2197

01:49:48,190 --> 01:49:45,050

you start looking at giza I mean I've

2198

01:49:51,670 --> 01:49:48,200

seen this in my own research in my own

2199

01:49:54,400 --> 01:49:51,680

time going back and forth to Egypt what

2200

01:49:59,740 --> 01:49:54,410

used to be desert to the west and north

2201  
01:50:02,560 --> 01:49:59,750  
of Giza is now all being built up so so

2202  
01:50:04,180 --> 01:50:02,570  
I'm afraid that maybe the second Sphinx

2203  
01:50:06,340 --> 01:50:04,190  
which I think there's a very good

2204  
01:50:08,320 --> 01:50:06,350  
possibility there really was a second

2205  
01:50:11,560 --> 01:50:08,330  
Sphinx or is a second Sphinx it may be

2206  
01:50:13,420 --> 01:50:11,570  
buried in sand and it may be it may even

2207  
01:50:15,880 --> 01:50:13,430  
be built over at this point

2208  
01:50:22,630 --> 01:50:15,890  
what about now we talked about geese a

2209  
01:50:24,400 --> 01:50:22,640  
lot but what about maybe in saqqara I'm

2210  
01:50:27,520 --> 01:50:24,410  
thinking about that's why I'm hesitating

2211  
01:50:30,160 --> 01:50:27,530  
I don't see any evidence of second

2212  
01:50:32,410 --> 01:50:30,170  
Sphinx as a car what I mean by that snow

2213  
01:50:36,730 --> 01:50:32,420

if I saw a second thing sir I'd tell you

2214

01:50:39,040 --> 01:50:36,740

right away but sekar is a different very

2215

01:50:42,460 --> 01:50:39,050

different outline a very different plan

2216

01:50:45,550 --> 01:50:42,470

it has a very different should we say

2217

01:50:47,980 --> 01:50:45,560

feel to it what was being built there

2218

01:50:51,220 --> 01:50:47,990

what was being developed there and it

2219

01:50:53,380 --> 01:50:51,230

doesn't it doesn't intuitively strike me

2220

01:50:56,230 --> 01:50:53,390

as a place where you find a second

2221

01:50:57,160 --> 01:50:56,240

Sphinx just because it I don't know that

2222

01:50:59,740 --> 01:50:57,170

a second thing

2223

01:51:01,780 --> 01:50:59,750

what's it in there what you do have it's

2224

01:51:04,959 --> 01:51:01,790

a car which you and I have talked about

2225

01:51:07,390 --> 01:51:04,969

before is the Serapeum besides a step

2226

01:51:11,800 --> 01:51:07,400

pyramid but the Serapeum where you have

2227

01:51:14,200 --> 01:51:11,810

these huge huge huge granite

2228

01:51:18,030 --> 01:51:14,210

they called him sarcophagi I prefer the

2229

01:51:22,959 --> 01:51:18,040

term coffer but these huge granite boxes

2230

01:51:25,209 --> 01:51:22,969

which are quite inexplicable as to how

2231

01:51:29,979 --> 01:51:25,219

they got there they're underground in

2232

01:51:32,850 --> 01:51:29,989

this complex or tunnel system and they

2233

01:51:35,130 --> 01:51:32,860

were used traditionally the traditional

2234

01:51:37,479 --> 01:51:35,140

concept although this has never been

2235

01:51:42,090 --> 01:51:37,489

absolutely demonstrated they were used

2236

01:51:45,459 --> 01:51:42,100

for sacred Bulls mummified sacred Bulls

2237

01:51:47,410 --> 01:51:45,469

but they actually didn't find any in

2238

01:51:49,479 --> 01:51:47,420

them and you know they're they're quite

2239

01:51:52,600 --> 01:51:49,489

an explicable you have that there and

2240

01:51:56,380 --> 01:51:52,610

the other major thing that people think

2241

01:51:58,330 --> 01:51:56,390

of the car for is the Step Pyramid which

2242

01:52:00,220 --> 01:51:58,340

is a magnificent structure in its own

2243

01:52:05,320 --> 01:52:00,230

right but very different than the Giza

2244

01:52:07,450 --> 01:52:05,330

pyramids yeah I I the only sarcophagus

2245

01:52:09,760 --> 01:52:07,460

the big ones that I've seen are at the

2246

01:52:11,830 --> 01:52:09,770

Met in New York right now and they're

2247

01:52:19,630 --> 01:52:11,840

small compared to what you see in the

2248

01:52:23,169 --> 01:52:19,640

Serapeum exactly and it blows my mind

2249

01:52:26,290 --> 01:52:23,179

because when you go into they have one

2250

01:52:29,380 --> 01:52:26,300

massive one in the dendara glass room

2251

01:52:33,490 --> 01:52:29,390

right in the back and that thing is

2252

01:52:37,060 --> 01:52:33,500

probably six to eight feet wide six to

2253

01:52:41,470 --> 01:52:37,070

eight feet tall and it's got to be 12 to

2254

01:52:43,570 --> 01:52:41,480

14 feet long massive black granite and

2255

01:52:46,240 --> 01:52:43,580

they've got the lid there and you stand

2256

01:52:49,810 --> 01:52:46,250

there and you look at that and oh you

2257

01:52:53,919 --> 01:52:49,820

knock on it right and you realize it's

2258

01:52:56,290 --> 01:52:53,929

it's ginormous weight and size and then

2259

01:52:59,620 --> 01:52:56,300

you go and you think of this err p.m.

2260

01:53:02,770 --> 01:52:59,630

and where these are bigger than this and

2261

01:53:05,890 --> 01:53:02,780

I just can't I can't figure it out man

2262

01:53:08,560 --> 01:53:05,900

I'm and I'm at a complete loss oh it's

2263

01:53:10,950 --> 01:53:08,570

just insane it's just crazy but you know

2264

01:53:14,250 --> 01:53:10,960

this is part of the thing with the Egypt

2265

01:53:17,910 --> 01:53:14,260

it is it's unbelievable what they were

2266

01:53:22,440 --> 01:53:17,920

doing in terms of size when they were

2267

01:53:25,890 --> 01:53:22,450

building our carving stone and the you

2268

01:53:30,570 --> 01:53:25,900

know whether it's sarcophagi or obelisk

2269

01:53:35,760 --> 01:53:30,580

you know one piece solid Ovilus red

2270

01:53:39,090 --> 01:53:35,770

granite or incredible I was thinking you

2271

01:53:41,640 --> 01:53:39,100

go to constantinople istanbul modern

2272

01:53:44,970 --> 01:53:41,650

Istanbul and there's an obelisk there

2273

01:53:47,400 --> 01:53:44,980

that was imported from Egypt not even

2274

01:53:48,300 --> 01:53:47,410

particularly large and it's absolutely

2275

01:53:50,370 --> 01:53:48,310

incredible

2276

01:53:53,340 --> 01:53:50,380

then there's another obelisk that was

2277

01:53:56,430 --> 01:53:53,350

built on site well that was built you

2278

01:53:59,640 --> 01:53:56,440

know a thousand or so years later it's I

2279

01:54:02,430 --> 01:53:59,650

forget exactly how old is now but it's

2280

01:54:05,070 --> 01:54:02,440

much later than the Egyptian obelisk at

2281

01:54:06,780 --> 01:54:05,080

that point they couldn't carve one solid

2282

01:54:10,050 --> 01:54:06,790

piece of stone they had to cobble this

2283

01:54:11,910 --> 01:54:10,060

together with a bunch of stones versus

2284

01:54:14,700 --> 01:54:11,920

the Egyptians they would carve these

2285

01:54:17,490 --> 01:54:14,710

things from one solid piece of stone now

2286

01:54:19,380 --> 01:54:17,500

the obelisk are a sarcophagus or

2287

01:54:21,540 --> 01:54:19,390

whatever it's I mean it's incredible

2288

01:54:25,440 --> 01:54:21,550

well you're a geologist when you look at

2289

01:54:27,930 --> 01:54:25,450

these granite sarcophagus and you look

2290

01:54:30,510 --> 01:54:27,940

at the hieroglyphics that are carved

2291

01:54:33,030 --> 01:54:30,520

into them I don't care what year was

2292

01:54:38,729 --> 01:54:33,040

done I don't care if it was done in 2015

2293

01:54:43,070 --> 01:54:38,739

or 2500 BC 2400 2000 BC how is it

2294

01:54:48,270 --> 01:54:43,080

possible to carve such precise

2295

01:54:50,250 --> 01:54:48,280

inscriptions into those granite stiii it

2296

01:54:52,650 --> 01:54:50,260

wasn't done with copper it wasn't done

2297

01:54:54,570 --> 01:54:52,660

oh no no this is a real problem

2298

01:54:58,140 --> 01:54:54,580

how were they carving these things on

2299

01:54:59,790 --> 01:54:58,150

some of the sarcophagi and hopefully

2300

01:55:02,010 --> 01:54:59,800

they're still on display I'll show it to

2301

01:55:04,979 --> 01:55:02,020

everyone when we go there you can

2302

01:55:09,090 --> 01:55:04,989

actually see saw marks so they were

2303

01:55:12,060 --> 01:55:09,100

sawing granite and which is you know

2304

01:55:13,950 --> 01:55:12,070

really incredible then there's other

2305

01:55:17,370 --> 01:55:13,960

granite where you know it has this

2306

01:55:19,620 --> 01:55:17,380

incredibly beautiful polish and Sheen to

2307

01:55:23,370 --> 01:55:19,630

it so somehow they were working it that

2308

01:55:24,690 --> 01:55:23,380

way you have inscriptions on some of

2309

01:55:26,910 --> 01:55:24,700

them which are at

2310

01:55:28,950 --> 01:55:26,920

absolutely gorgeous and beautiful as you

2311

01:55:31,470 --> 01:55:28,960

say and you have to ask how did they

2312

01:55:34,500 --> 01:55:31,480

carve them how did they get such

2313

01:55:37,080 --> 01:55:34,510

beautiful hieroglyphics and what not

2314

01:55:40,950 --> 01:55:37,090

then you have other sarcophagi and I

2315

01:55:43,740 --> 01:55:40,960

think of one that I show people and it

2316

01:55:46,010 --> 01:55:43,750

seems quite evident that the inscription

2317

01:55:48,840 --> 01:55:46,020

on it which is a genuine ancient

2318

01:55:52,020 --> 01:55:48,850

inscription I have no doubt is much

2319

01:55:54,510 --> 01:55:52,030

later than the than what it's being

2320

01:55:56,550 --> 01:55:54,520

scribed on so again this ties in with

2321

01:55:59,220 --> 01:55:56,560

what I was talking about before where

2322

01:56:01,200 --> 01:55:59,230

they were reusing things so in some

2323

01:56:05,490 --> 01:56:01,210

cases they've got much something much

2324

01:56:07,620 --> 01:56:05,500

older and they're reusing it four

2325

01:56:10,020 --> 01:56:07,630

thousand years ago or three thousand

2326

01:56:12,390 --> 01:56:10,030

years ago so you have to be careful

2327

01:56:15,210 --> 01:56:12,400

sometimes because especially at saqqara

2328

01:56:18,120 --> 01:56:15,220

I believe there's a lot of evidence that

2329

01:56:21,330 --> 01:56:18,130

you have much much much older structures

2330

01:56:24,780 --> 01:56:21,340

and much much much older antiques

2331

01:56:28,800 --> 01:56:24,790

more less things that were ancient to

2332

01:56:31,350 --> 01:56:28,810

the dynastic Egyptians four thousand

2333

01:56:33,540 --> 01:56:31,360

five hundred four thousand seven hundred

2334

01:56:36,740 --> 01:56:33,550

years ago let's take a break right here

2335

01:56:40,230 --> 01:56:36,750

dr. Schaack and when we come back let's

2336

01:56:43,530 --> 01:56:40,240

what's next on our list of oh the

2337

01:56:44,490 --> 01:56:43,540

sarcophagus in Alexandria will do spice

2338

01:56:47,820 --> 01:56:44,500

right in

2339

01:56:50,250 --> 01:56:47,830

nice segue there dr. well done

2340

01:56:52,740 --> 01:56:50,260

our guest tonight dr. Robert Emms

2341

01:56:55,380 --> 01:56:52,750

Jacques this is fade to black I'm your

2342

01:56:58,680 --> 01:56:55,390

Jimmy Church on the game changer network

2343

01:57:01,840 --> 01:56:58,690

and kg RA the planet we'll be right back

2344

01:57:01,850 --> 01:57:05,870

[Music]

2345

01:57:13,009 --> 01:57:08,129

everybody's rob halford the mental guard

2346

01:57:19,649 --> 01:57:16,290

this is KCRA digital broadcasting

2347

01:57:24,000 --> 01:57:19,659

station Salt Lake City Utah Van Buren

2348

01:57:26,549 --> 01:57:24,010

Arkansas let's get this man to the ER

2349

01:57:29,279 --> 01:57:26,559

stat right away doctor we see this every

2350

01:57:31,529 --> 01:57:29,289

day heart attack or angina pain due to

2351  
01:57:33,870 --> 01:57:31,539  
blocked and clogged arteries chelation

2352  
01:57:36,060 --> 01:57:33,880  
can remove obstructions or blockages

2353  
01:57:37,319 --> 01:57:36,070  
from arteries and help avoid painful and

2354  
01:57:39,870 --> 01:57:37,329  
expensive surgery

2355  
01:57:41,549 --> 01:57:39,880  
now there's angiogram it's a liquid oral

2356  
01:57:43,919 --> 01:57:41,559  
chelation product that you take with

2357  
01:57:46,259 --> 01:57:43,929  
juice you start to feel the results fast

2358  
01:57:48,270 --> 01:57:46,269  
angio primm increases blood flow all

2359  
01:57:50,129 --> 01:57:48,280  
over the body and that means more energy

2360  
01:57:52,649 --> 01:57:50,139  
and strength to take on the day with

2361  
01:57:54,629 --> 01:57:52,659  
less aches and pains 60 years of

2362  
01:57:55,830 --> 01:57:54,639  
research has gone into chelation and

2363  
01:57:58,169 --> 01:57:55,840

angiogram

2364

01:58:00,419 --> 01:57:58,179

is the result a safe and easy way to

2365

01:58:02,520 --> 01:58:00,429

unblock your veins and arteries from

2366

01:58:04,259 --> 01:58:02,530

buildup that slow circulation shaping

2367

01:58:05,100 --> 01:58:04,269

dr. Jones please report to the emergency

2368

01:58:07,080 --> 01:58:05,110

room right away

2369

01:58:09,419 --> 01:58:07,090

log on now for a special radio offer

2370

01:58:14,160 --> 01:58:09,429

from Angie Oh prim that's angio prim

2371

01:58:16,410 --> 01:58:14,170

calm / radio a ng IO PRI M angio prim

2372

01:58:18,060 --> 01:58:16,420

comm / radio are called eight seven

2373

01:58:19,979 --> 01:58:18,070

seven eight eight to seventy two twenty

2374

01:58:24,060 --> 01:58:19,989

one that's eight seven seven eight eight

2375

01:58:26,879 --> 01:58:24,070

to seventy two twenty one so you love

2376

01:58:30,259 --> 01:58:26,889

talk radio then you'll love talk stream

2377

01:58:33,000 --> 01:58:30,269

live calm talk stream live is always on

2378

01:58:35,279 --> 01:58:33,010

24/7 with the best streaming talk shows

2379

01:58:37,290 --> 01:58:35,289

find your favorite talkers and discover

2380

01:58:40,080 --> 01:58:37,300

some new ones it's free readily

2381

01:58:41,939 --> 01:58:40,090

available online or on the smartphone or

2382

01:58:44,339 --> 01:58:41,949

tablet finding your favorite talk shows

2383

01:58:47,879 --> 01:58:44,349

all in one place has gotten a whole lot

2384

01:58:49,560 --> 01:58:47,889

easier just go to tox-screen live.com be

2385

01:58:53,609 --> 01:58:49,570

sure to download the free apps from

2386

01:58:55,859 --> 01:58:53,619

Google Play or the itunes app store your

2387

01:59:00,390 --> 01:58:55,869

contact for current news and trending

2388

01:59:02,160 --> 01:59:00,400

topics jgr a radio.com what can I say

2389

01:59:04,680 --> 01:59:02,170

about the most popular tea on the

2390

01:59:07,140 --> 01:59:04,690

Internet and what a customers say about

2391

01:59:10,649 --> 01:59:07,150

life change tea at get the tea calm a

2392

01:59:13,350 --> 01:59:10,659

lot but by federal law we get the tea

2393

01:59:15,540 --> 01:59:13,360

DICOM cannot make claims to how this

2394

01:59:17,549 --> 01:59:15,550

product can enhance your health we

2395

01:59:20,310 --> 01:59:17,559

cannot even post our testimonies without

2396

01:59:22,770 --> 01:59:20,320

being in compliance so how do we get

2397

01:59:25,510 --> 01:59:22,780

past the hump try our products that get

2398

01:59:28,540 --> 01:59:25,520

the tea calm and see for yourself

2399

01:59:30,430 --> 01:59:28,550

you can send us a testimony but we just

2400

01:59:34,330 --> 01:59:30,440

can't post it bumper

2401

01:59:35,980 --> 01:59:34,340

our products are GMO free and organic we

2402

01:59:38,350 --> 01:59:35,990

pride ourself in being the best we can

2403

01:59:41,440 --> 01:59:38,360

be and we urge you to take charge of

2404

01:59:43,300 --> 01:59:41,450

your health we're loving your strong and

2405

01:59:45,340 --> 01:59:43,310

many of our customers have shared their

2406

01:59:48,250 --> 01:59:45,350

successes with friends and family

2407

01:59:51,460 --> 01:59:48,260

protect your colon log on to get the T

2408

01:59:58,870 --> 01:59:51,470

comm let's get the t-dot-com

2409

02:00:00,340 --> 01:59:58,880

get the t-dot-com get t-dot-com did you

2410

02:00:02,890 --> 02:00:00,350

know that when you're on the road with

2411

02:00:04,900 --> 02:00:02,900

limited data or Wi-Fi available you can

2412

02:00:07,300 --> 02:00:04,910

still listen to every minute of fade to

2413

02:00:09,760 --> 02:00:07,310

black by just calling six oh five five

2414

02:00:12,220 --> 02:00:09,770

six two four four eight two no

2415

02:00:14,530 --> 02:00:12,230

smartphone app or internet needed it

2416

02:00:17,170 --> 02:00:14,540

saves your data plan and no extra cost

2417

02:00:20,020 --> 02:00:17,180

if you have unlimited minutes just call

2418

02:00:22,480 --> 02:00:20,030

six oh five five six two four four eight

2419

02:00:31,450 --> 02:00:22,490

two you can listen to me Jimmy Church on

2420

02:00:31,460 --> 02:00:35,479

[Music]

2421

02:00:42,890 --> 02:00:40,229

you wanna know a secret I love ponies I

2422

02:00:45,450 --> 02:00:42,900

really love for this I'm serious I

2423

02:00:49,649 --> 02:00:45,460

couldn't stay sane without poor mr.

2424

02:00:54,600 --> 02:00:49,659

Brooks I fade to black because you never

2425

02:00:58,569 --> 02:00:56,470

this is fade to black

2426  
02:01:02,290 --> 02:00:58,579  
with Jimmy Church on the game changer

2427  
02:01:07,790 --> 02:01:02,300  
radio network and K GRA the global radio

2428  
02:01:19,210 --> 02:01:16,530  
[Music]

2429  
02:01:23,010 --> 02:01:19,220  
welcome back fade to black I millimeter

2430  
02:01:24,970 --> 02:01:23,020  
per guest tonight dr. Robert M shock

2431  
02:01:27,460 --> 02:01:24,980  
segment of fade to black have probably

2432  
02:01:30,330 --> 02:01:27,470  
brought you by bearing objects that's

2433  
02:01:32,590 --> 02:01:30,340  
right that's what I use night-vision

2434  
02:01:34,150 --> 02:01:32,600  
goggles you can go and click on the

2435  
02:01:37,630 --> 02:01:34,160  
banners right now we just got back from

2436  
02:01:40,960 --> 02:01:37,640  
Il said Il and nothing like having night

2437  
02:01:43,390 --> 02:01:40,970  
vision and watching all of our friends

2438  
02:01:45,490 --> 02:01:43,400

up there it's a pretty Mason contact

2439

02:01:48,400 --> 02:01:45,500

Alec Hoffman and the information is

2440

02:01:50,830 --> 02:01:48,410

right there to mature ATO calm dr.

2441

02:01:53,350 --> 02:01:50,840

Schaack have you speaking of that have

2442

02:01:55,780 --> 02:01:53,360

you ever looked up to the skies with

2443

02:02:07,180 --> 02:01:55,790

night-vision goggles and and tried to

2444

02:02:09,280 --> 02:02:07,190

see something to do that you've you've

2445

02:02:12,850 --> 02:02:09,290

seen all of the you know and heard the

2446

02:02:17,020 --> 02:02:12,860

reports of it yeah it's a life-changing

2447

02:02:19,390 --> 02:02:17,030

experience the first time you're invited

2448

02:02:22,360 --> 02:02:19,400

next time you and I get together we're

2449

02:02:25,090 --> 02:02:22,370

going out we're going out you Katie and

2450

02:02:28,860 --> 02:02:25,100

Rita you know how long it takes you to

2451  
02:02:32,800 --> 02:02:28,870  
see something strange five probably not

2452  
02:02:34,870 --> 02:02:32,810  
five seconds and it's a guaranteed to

2453  
02:02:37,480 --> 02:02:34,880  
it's just them look forward to it that

2454  
02:02:40,780 --> 02:02:37,490  
sounds fun yeah you've got to do with us

2455  
02:02:43,600 --> 02:02:40,790  
and I definitely will we will so this

2456  
02:02:45,820 --> 02:02:43,610  
the sarcophagus that was found in

2457  
02:02:48,070 --> 02:02:45,830  
Alexandria going back to what we were

2458  
02:02:48,670 --> 02:02:48,080  
talking about the weight the size of

2459  
02:02:52,360 --> 02:02:48,680  
these things

2460  
02:02:57,880 --> 02:02:52,370  
oh yeah that was a the estimate was

2461  
02:03:00,630 --> 02:02:57,890  
about 27 to 30 tons is that that that's

2462  
02:03:02,650 --> 02:03:00,640  
not a minor thing and this was not a

2463  
02:03:05,790 --> 02:03:02,660

when it comes right down to it

2464

02:03:07,870 --> 02:03:05,800

particularly large sarcophagus by

2465

02:03:12,160 --> 02:03:07,880

Egyptian standards that we were talking

2466

02:03:14,560 --> 02:03:12,170

about was a few meters long and you know

2467

02:03:18,400 --> 02:03:14,570

a couple meters tall and you know say 6

2468

02:03:21,610 --> 02:03:18,410

feet tall 9 feet or so long 9 to 10 feet

2469

02:03:24,640 --> 02:03:21,620

long and you know when you're talking in

2470

02:03:26,710 --> 02:03:24,650

a solid granite sarcophagus twice a

2471

02:03:28,649 --> 02:03:26,720

solid you know made out of granite with

2472

02:03:32,850 --> 02:03:28,659

very very thick

2473

02:03:37,290 --> 02:03:32,860

walls on it this is not a minor thing no

2474

02:03:40,879 --> 02:03:37,300

and and what was fascinating for me was

2475

02:03:44,040 --> 02:03:40,889

watching the video of them struggling

2476

02:03:47,010 --> 02:03:44,050

well yeah all of the modern technology

2477

02:03:50,250 --> 02:03:47,020

that we have struggling with this thing

2478

02:03:52,830 --> 02:03:50,260

and and what they had to do to to get

2479

02:03:55,290 --> 02:03:52,840

the top of it off into clear now and to

2480

02:03:57,870 --> 02:03:55,300

think about you know go back to 300 BC

2481

02:03:59,270 --> 02:03:57,880

and apparently they're moving these

2482

02:04:01,740 --> 02:03:59,280

things around like they were nothing

2483

02:04:03,689 --> 02:04:01,750

yeah exactly that's the thing how are

2484

02:04:07,770 --> 02:04:03,699

they doing it back then we have such a

2485

02:04:09,810 --> 02:04:07,780

hard time with it now and that's 300 BC

2486

02:04:13,550 --> 02:04:09,820

and when you go back further in time

2487

02:04:16,709 --> 02:04:13,560

this is one of the classic aspects of

2488

02:04:18,360 --> 02:04:16,719

Egypt which you know the classic

2489

02:04:21,090 --> 02:04:18,370

Egyptologists don't have a good

2490

02:04:23,820 --> 02:04:21,100

explanation for as you go further back

2491

02:04:28,820 --> 02:04:23,830

in time things tend to get larger they

2492

02:04:31,770 --> 02:04:28,830

tend to become even more technologically

2493

02:04:33,570 --> 02:04:31,780

difficult should we say and you would

2494

02:04:35,669 --> 02:04:33,580

normally expect things to go the other

2495

02:04:38,790 --> 02:04:35,679

way that starts out primitive and then

2496

02:04:41,250 --> 02:04:38,800

gets larger more sophisticated we have

2497

02:04:46,500 --> 02:04:41,260

the opposite in Egypt so really we're

2498

02:04:49,830 --> 02:04:46,510

looking at 300 or Ptolemaic period the

2499

02:04:51,930 --> 02:04:49,840

end of what we think of is Egyptian

2500

02:04:54,419 --> 02:04:51,940

civilization not the beginning with that

2501

02:04:58,560 --> 02:04:54,429

sarcophagus in Alexandria and still

2502

02:05:01,860 --> 02:04:58,570

absolutely amazing how much how much

2503

02:05:03,959 --> 02:05:01,870

have we actually discovered and I know

2504

02:05:09,180 --> 02:05:03,969

you've contemplated this you know in

2505

02:05:12,450 --> 02:05:09,190

Egypt yeah okay yeah I'll put a maybe

2506

02:05:16,620 --> 02:05:12,460

five to ten percent right liberally

2507

02:05:18,689 --> 02:05:16,630

maybe there's a lot to discover in Egypt

2508

02:05:21,030 --> 02:05:18,699

and there's a couple of issues when it

2509

02:05:22,680 --> 02:05:21,040

comes to that and I'm a geologists

2510

02:05:25,770 --> 02:05:22,690

geophysicists

2511

02:05:28,020 --> 02:05:25,780

so there's a lot of innocent may sound

2512

02:05:30,629 --> 02:05:28,030

crude and trite but there's a lot of

2513

02:05:34,070 --> 02:05:30,639

sand there there's a lot of soup Nile

2514

02:05:37,560 --> 02:05:34,080

there which has covered things up and

2515

02:05:40,770 --> 02:05:37,570

yet even though so much has been buried

2516

02:05:42,060 --> 02:05:40,780

and covered up and we know that when I

2517

02:05:43,919 --> 02:05:42,070

say we know that

2518

02:05:46,260 --> 02:05:43,929

because wherever you dig in Egypt you're

2519

02:05:49,410 --> 02:05:46,270

going to find something it seems where

2520

02:05:52,410 --> 02:05:49,420

ever you do geophysics you start picking

2521

02:05:55,470 --> 02:05:52,420

up things now with Google and satellite

2522

02:05:58,350 --> 02:05:55,480

imagery and that those types of

2523

02:06:00,510 --> 02:05:58,360

techniques remote sensing we can pick up

2524

02:06:02,459 --> 02:06:00,520

more and more things I do want to stress

2525

02:06:04,169 --> 02:06:02,469

though because I get all people sending

2526

02:06:06,450 --> 02:06:04,179

me stuff all the time they'll here's

2527

02:06:08,970 --> 02:06:06,460

this and that and everything you always

2528

02:06:10,649 --> 02:06:08,980

have to ground check so you really you

2529

02:06:12,930 --> 02:06:10,659

know things can be misleading from

2530

02:06:16,649 --> 02:06:12,940

satellite photographs but there's a lot

2531

02:06:18,000 --> 02:06:16,659

there to find but the second aspect is

2532

02:06:21,149 --> 02:06:18,010

not just as they're a lot they're

2533

02:06:24,479 --> 02:06:21,159

defined in Egypt there's so much on the

2534

02:06:27,080 --> 02:06:24,489

surface already that it's overwhelming

2535

02:06:29,129 --> 02:06:27,090

and then it's been overwhelming for

2536

02:06:31,709 --> 02:06:29,139

Egyptologist for the last couple of

2537

02:06:35,359 --> 02:06:31,719

centuries so most Egyptologists they

2538

02:06:37,830 --> 02:06:35,369

specialize in one small field bit a

2539

02:06:40,740 --> 02:06:37,840

geographic field or a certain time

2540

02:06:44,490 --> 02:06:40,750

period etc and there's so much on the

2541

02:06:47,040 --> 02:06:44,500

surface for them to study that that's a

2542

02:06:50,189 --> 02:06:47,050

lifetime of work to begin with much less

2543

02:06:52,459 --> 02:06:50,199

to discover something new they the

2544

02:06:54,959 --> 02:06:52,469

Egyptian government some cases basically

2545

02:06:56,550 --> 02:06:54,969

discourages people from discovering new

2546

02:06:59,939 --> 02:06:56,560

things because they can't deal with what

2547

02:07:01,439 --> 02:06:59,949

they've got already what's stopping you

2548

02:07:04,200 --> 02:07:01,449

know there's ground-penetrating radar

2549

02:07:07,490 --> 02:07:04,210

you have lidar and other things that

2550

02:07:11,609 --> 02:07:07,500

could be yeah applied with aircraft and

2551

02:07:14,939 --> 02:07:11,619

but in this mulan project what is what

2552

02:07:17,600 --> 02:07:14,949

is just stopping a massive Giza Plateau

2553

02:07:19,859 --> 02:07:17,610

all the way to Saqqara right and just

2554

02:07:22,080 --> 02:07:19,869

finding out what's underneath the sand

2555

02:07:24,149 --> 02:07:22,090

we have the technology why I would say

2556

02:07:26,310 --> 02:07:24,159

there's two things one you've got the

2557

02:07:29,520 --> 02:07:26,320

Egyptian authorities and they have to

2558

02:07:31,800 --> 02:07:29,530

approve anything and ultimately it

2559

02:07:35,399 --> 02:07:31,810

becomes a military issue in some cases

2560

02:07:38,970 --> 02:07:35,409

because you know they're sensitive about

2561

02:07:41,149 --> 02:07:38,980

things and there's military aspects too

2562

02:07:44,339 --> 02:07:41,159

I mean I'm being very pragmatic here

2563

02:07:48,899 --> 02:07:44,349

right by Giza there is a military base

2564

02:07:51,540 --> 02:07:48,909

etc etc yeah so there's other issues

2565

02:07:53,760 --> 02:07:51,550

involved besides Antiquities that's

2566

02:07:54,790 --> 02:07:53,770

number one number two its money any of

2567

02:07:57,010 --> 02:07:54,800

these techniques

2568

02:08:00,100 --> 02:07:57,020

cost a lot of money to do them right you

2569

02:08:02,320 --> 02:08:00,110

need to get the equipment out there you

2570

02:08:07,660 --> 02:08:02,330

need to have all the proper specialized

2571

02:08:10,690 --> 02:08:07,670

technicians for the equipment you know

2572

02:08:13,690 --> 02:08:10,700

it would take me forever just to run one

2573

02:08:17,440 --> 02:08:13,700

operate one piece of equipment you need

2574

02:08:19,860 --> 02:08:17,450

a massive number of people to do that

2575

02:08:23,110 --> 02:08:19,870

then you need a lot of processing power

2576

02:08:25,630 --> 02:08:23,120

with supercomputers for some of this

2577

02:08:28,120 --> 02:08:25,640

because you get so much data coming in

2578

02:08:30,520 --> 02:08:28,130

that's something that is a big factor

2579

02:08:34,420 --> 02:08:30,530

for instance for instance with the scan

2580

02:08:36,670 --> 02:08:34,430

pyramids mulan project it's not just

2581

02:08:38,620 --> 02:08:36,680

collecting the data but it's processing

2582

02:08:42,130 --> 02:08:38,630

the data which is very very expensive

2583

02:08:44,950 --> 02:08:42,140

and time-consuming building equipment in

2584

02:08:47,290 --> 02:08:44,960

some cases just to process that data and

2585

02:08:49,930 --> 02:08:47,300

make sense out of it so there's a lot of

2586

02:08:51,760 --> 02:08:49,940

practical aspects but no it could be

2587

02:08:53,980 --> 02:08:51,770

done it could absolutely be done and

2588

02:08:56,470 --> 02:08:53,990

it's it's amazing to me you know people

2589

02:08:59,230 --> 02:08:56,480

dump money into all kinds of frivolous

2590

02:09:00,910 --> 02:08:59,240

things when I say dump money you know

2591

02:09:03,280 --> 02:09:00,920

people put millions of dollars into

2592

02:09:06,280 --> 02:09:03,290

other things I think here we have a

2593

02:09:08,860 --> 02:09:06,290

situation where we could learn so much

2594

02:09:11,260 --> 02:09:08,870

and so much not just for its own sake

2595

02:09:14,110 --> 02:09:11,270

because the Incheon Egypt and antiquity

2596

02:09:15,880 --> 02:09:14,120

is important and interesting but because

2597

02:09:18,850 --> 02:09:15,890

I think we could learn things that could

2598

02:09:21,070 --> 02:09:18,860

apply to the present day well when we

2599

02:09:23,050 --> 02:09:21,080

look at what and I was so fascinated

2600

02:09:26,230 --> 02:09:23,060

with the mapping that was done over

2601  
02:09:28,450 --> 02:09:26,240  
Guatemala and the Honduras and and all

2602  
02:09:31,060 --> 02:09:28,460  
of the structures that were found and

2603  
02:09:33,580 --> 02:09:31,070  
the highway systems that worried under

2604  
02:09:37,030 --> 02:09:33,590  
the jungle canopy there we had no idea

2605  
02:09:40,090 --> 02:09:37,040  
right no no no we had no idea but that

2606  
02:09:42,610 --> 02:09:40,100  
is a different thing to penetrate versus

2607  
02:09:45,670 --> 02:09:42,620  
sand well right there there's different

2608  
02:09:47,380 --> 02:09:45,680  
issues involved and sometimes jungle

2609  
02:09:49,300 --> 02:09:47,390  
campy I'm not trying to make excuses for

2610  
02:09:52,060 --> 02:09:49,310  
Egypt but it's sometimes easier to

2611  
02:09:53,680 --> 02:09:52,070  
penetrate that then you have then sand

2612  
02:09:56,200 --> 02:09:53,690  
and of course you're in a different

2613  
02:09:57,970 --> 02:09:56,210

situation I mean you can't just put

2614

02:10:01,030 --> 02:09:57,980

things into Egyptian airspace without

2615

02:10:02,079 --> 02:10:01,040

get all the proper permissions right but

2616

02:10:05,409 --> 02:10:02,089

the the the

2617

02:10:08,109 --> 02:10:05,419

the mentality behind it as well you know

2618

02:10:10,209 --> 02:10:08,119

I'm seeing there's also a mentality and

2619

02:10:13,559 --> 02:10:10,219

I've known many Egyptians with all due

2620

02:10:17,259 --> 02:10:13,569

respect who really don't care much about

2621

02:10:19,270 --> 02:10:17,269

dynastic Egypt because it I think we may

2622

02:10:22,290 --> 02:10:19,280

have talked about this before if it's

2623

02:10:26,079 --> 02:10:22,300

pre Muslim for some Egyptians it's not a

2624

02:10:28,569 --> 02:10:26,089

high priority should we say wow so you

2625

02:10:30,159 --> 02:10:28,579

tell you get you know there's religious

2626

02:10:33,879 --> 02:10:30,169

aspects to it what we have in this

2627

02:10:36,549 --> 02:10:33,889

country also right now people couldn't

2628

02:10:40,479 --> 02:10:36,559

care less about Native American burial

2629

02:10:42,369 --> 02:10:40,489

mounds etc is that reason enough well

2630

02:10:48,089 --> 02:10:42,379

here's the million-dollar question and

2631

02:10:51,250 --> 02:10:48,099

it really comes down to this I feel that

2632

02:10:53,949 --> 02:10:51,260

information is being suppressed I'm just

2633

02:10:58,359 --> 02:10:53,959

being very straightforward here the

2634

02:11:00,609 --> 02:10:58,369

question is why suppress the knowledge

2635

02:11:03,279 --> 02:11:00,619

we know we know that they're holding

2636

02:11:05,020 --> 02:11:03,289

back a word that they don't want to go

2637

02:11:07,629 --> 02:11:05,030

and find out things

2638

02:11:08,649 --> 02:11:07,639

why suppress it I that that's the

2639

02:11:12,250 --> 02:11:08,659

question

2640

02:11:14,919 --> 02:11:12,260

politics and religion that's it that's

2641

02:11:17,049 --> 02:11:14,929

simple I think it's that simple of some

2642

02:11:19,809 --> 02:11:17,059

case I think it's politics religion and

2643

02:11:22,750 --> 02:11:19,819

vested interests when I say vested

2644

02:11:25,809 --> 02:11:22,760

interests I mean how many and I don't

2645

02:11:27,549 --> 02:11:25,819

want to sound well i that really don't

2646

02:11:29,409 --> 02:11:27,559

want to sound the wrong way but I

2647

02:11:31,149 --> 02:11:29,419

certainly know in many fields of

2648

02:11:34,540 --> 02:11:31,159

academia that people have vested

2649

02:11:36,879 --> 02:11:34,550

interest that you know if they've built

2650

02:11:38,679 --> 02:11:36,889

their career on one thing they don't

2651

02:11:40,599 --> 02:11:38,689

want to be told they were wrong they

2652

02:11:44,589 --> 02:11:40,609

don't want to have to rewrite their own

2653

02:11:48,009 --> 02:11:44,599

books or rethink their own doctrines

2654

02:11:51,279 --> 02:11:48,019

their own hypotheses etc so you have it

2655

02:11:53,529 --> 02:11:51,289

at that level you have strong religious

2656

02:11:57,159 --> 02:11:53,539

interest in some cases I have been

2657

02:11:59,109 --> 02:11:57,169

attacked by both Christians and Muslims

2658

02:12:02,020 --> 02:11:59,119

you know not physically attacked but

2659

02:12:04,329 --> 02:12:02,030

verbally attacked for pushing

2660

02:12:07,719 --> 02:12:04,339

civilization back for pushing back the

2661

02:12:09,579 --> 02:12:07,729

age of the Sphinx people who tell me oh

2662

02:12:11,739 --> 02:12:09,589

you know I'm saying the Sphinx is older

2663

02:12:15,399 --> 02:12:11,749

than the world is that's the extreme but

2664

02:12:15,970 --> 02:12:15,409

you know that lot of people are very

2665

02:12:20,080 --> 02:12:15,980

strong

2666

02:12:23,200 --> 02:12:20,090

feelings about things well we have you

2667

02:12:24,300 --> 02:12:23,210

know gobekli tepe let's just call it

2668

02:12:26,860 --> 02:12:24,310

like it is

2669

02:12:29,290 --> 02:12:26,870

gobekli tepe wasn't supposed to exist

2670

02:12:31,210 --> 02:12:29,300

and although I wasn't supposed to exist

2671

02:12:37,000 --> 02:12:31,220

and this links wasn't supposed to have

2672

02:12:39,670 --> 02:12:37,010

any incarnation any any existence in any

2673

02:12:41,530 --> 02:12:39,680

form whatsoever because just to make

2674

02:12:43,570 --> 02:12:41,540

clear for the audience who hasn't heard

2675

02:12:45,850 --> 02:12:43,580

this before I pushed the day of the

2676

02:12:48,670 --> 02:12:45,860

Sphinx back much earlier back to about

2677

02:12:51,340 --> 02:12:48,680

10,000 BC but it wasn't the Sphinx that

2678

02:12:54,910 --> 02:12:51,350

we see today was not the dynastic head

2679

02:12:56,890 --> 02:12:54,920

we see it was actually a lioness and the

2680

02:13:00,240 --> 02:12:56,900

head has been recarved so it didn't look

2681

02:13:03,040 --> 02:13:00,250

the way it does today but that was

2682

02:13:07,510 --> 02:13:03,050

incredible

2683

02:13:10,390 --> 02:13:07,520

I mean heresy in academic circles people

2684

02:13:13,870 --> 02:13:10,400

tried to have me fired etc etc and

2685

02:13:16,240 --> 02:13:13,880

gobekli tepe which was found a number of

2686

02:13:18,640 --> 02:13:16,250

years later and excavate even later and

2687

02:13:21,580 --> 02:13:18,650

really came on the scene is the same

2688

02:13:25,510 --> 02:13:21,590

period and equally sophisticated and

2689

02:13:29,410 --> 02:13:25,520

goes back to that same period and is

2690

02:13:31,660 --> 02:13:29,420

absolutely evidence in my opinion that

2691

02:13:34,510 --> 02:13:31,670

what I've been talking about long before

2692

02:13:36,580 --> 02:13:34,520

it was discovered is true it's it's

2693

02:13:37,930 --> 02:13:36,590

cooperating evidence it's confirming

2694

02:13:41,560 --> 02:13:37,940

what I've been saying

2695

02:13:43,420 --> 02:13:41,570

well Lerner said at the big conference

2696

02:13:45,910 --> 02:13:43,430

he said you know give me evidence of

2697

02:13:49,870 --> 02:13:45,920

another civilization pushing things back

2698

02:13:52,390 --> 02:13:49,880

to 10,000 BC and then you know well had

2699

02:13:55,990 --> 02:13:52,400

gobekli tepe been around and discovered

2700

02:13:58,690 --> 02:13:56,000

in 1990-1991 your position would have

2701

02:14:00,610 --> 02:13:58,700

been completely different completely

2702

02:14:03,130 --> 02:14:00,620

different and I wouldn't have suffered

2703

02:14:06,250 --> 02:14:03,140

all the abuse I had I suffered at the

2704

02:14:08,140 --> 02:14:06,260

time and now look at what happens part

2705

02:14:11,050 --> 02:14:08,150

of the answer to the question you just

2706

02:14:13,450 --> 02:14:11,060

posed even though we now have gobekli

2707

02:14:15,880 --> 02:14:13,460

tepe have some of those people change

2708

02:14:18,790 --> 02:14:15,890

their position not significantly they

2709

02:14:20,740 --> 02:14:18,800

were served brush Quebec Lea Tempe under

2710

02:14:23,820 --> 02:14:20,750

the rug and still say well that doesn't

2711

02:14:25,150 --> 02:14:23,830

apply somehow oh it's not really that

2712

02:14:27,010 --> 02:14:25,160

sophisticated

2713

02:14:29,620 --> 02:14:27,020

you know they can't dismiss it but they

2714

02:14:32,350 --> 02:14:29,630

can try to ignore it so Hawass

2715

02:14:34,750 --> 02:14:32,360

literally has said that he doesn't know

2716

02:14:36,100 --> 02:14:34,760

anything about Quebec Lee tech based so

2717

02:14:37,810 --> 02:14:36,110

if he doesn't know about it

2718

02:14:39,430 --> 02:14:37,820

apparently it doesn't count as evidence

2719

02:14:42,250 --> 02:14:39,440

I can't believe it

2720

02:14:44,860 --> 02:14:42,260

and that's on video I can't have yeah

2721

02:14:47,979 --> 02:14:44,870

these words came out of his mouth like I

2722

02:14:50,590 --> 02:14:47,989

know I mean this is the level that we're

2723

02:14:52,090 --> 02:14:50,600

talking about I mean this is the level

2724

02:14:54,129 --> 02:14:52,100

of people we're talking about in some

2725

02:14:56,530 --> 02:14:54,139

cases and I sound like I'm being very

2726

02:14:58,360 --> 02:14:56,540

harsh I guess I am but you have to say

2727

02:15:03,399 --> 02:14:58,370

it the way it is I mean it's ridiculous

2728

02:15:05,590 --> 02:15:03,409

I don't get into politics I was going to

2729

02:15:09,850 --> 02:15:05,600

say say certain people have been

2730

02:15:17,310 --> 02:15:09,860

inventing their own quote truth unquote

2731

02:15:21,060 --> 02:15:17,320

long before Trump my guess oh okay and

2732

02:15:25,840 --> 02:15:21,070

send all of your email to Robert Schoch

2733

02:15:28,360 --> 02:15:25,850

okay but but this is I think you know

2734

02:15:31,330 --> 02:15:28,370

what I'm saying I do I do I tell you

2735

02:15:34,660 --> 02:15:31,340

just I mean sometimes people just make

2736

02:15:40,300 --> 02:15:34,670

up things well the bigger picture is is

2737

02:15:44,169 --> 02:15:40,310

quite simply this that if if evidence

2738

02:15:48,129 --> 02:15:44,179

was revealed of a prior society and

2739

02:15:51,939 --> 02:15:48,139

civilization high technical civilization

2740

02:15:54,729 --> 02:15:51,949

before 3,000 BC then that changes

2741

02:15:57,220 --> 02:15:54,739

everything that changes the Bible that

2742

02:15:58,840 --> 02:15:57,230

changes religious aspects that changes

2743

02:16:01,300 --> 02:15:58,850

every book that has ever been written

2744

02:16:03,850 --> 02:16:01,310

all of the curriculum being taught in

2745

02:16:06,640 --> 02:16:03,860

schools and geopolitics and everything

2746

02:16:09,820 --> 02:16:06,650

else has to change and the earth would

2747

02:16:13,060 --> 02:16:09,830

shift on its axis it would be that

2748

02:16:17,709 --> 02:16:13,070

monumental and quite possibly that is

2749

02:16:19,750 --> 02:16:17,719

the big issue here exactly exactly I

2750

02:16:22,950 --> 02:16:19,760

mean you know it really changes how

2751  
02:16:26,500 --> 02:16:22,960  
people have to view things everything

2752  
02:16:31,030 --> 02:16:26,510  
everything everything the yeah the

2753  
02:16:33,700 --> 02:16:31,040  
implications the input of mind boggling

2754  
02:16:35,980 --> 02:16:33,710  
I think that that's why people are so

2755  
02:16:38,200 --> 02:16:35,990  
resistant and that's why they want to

2756  
02:16:40,750 --> 02:16:38,210  
ignore evidence they were ignored data

2757  
02:16:42,980 --> 02:16:40,760  
they don't want except that they want

2758  
02:16:46,180 --> 02:16:42,990  
keep their old rude

2759  
02:16:49,820 --> 02:16:46,190  
they wanna keep their old world view and

2760  
02:16:52,910 --> 02:16:49,830  
you can't do it and be compatible with

2761  
02:16:55,820 --> 02:16:52,920  
the real evidence and let's go let's go

2762  
02:16:57,800 --> 02:16:55,830  
back in its totality with everything

2763  
02:17:00,800 --> 02:16:57,810

that we have discussed tonight

2764

02:17:02,990 --> 02:17:00,810

mommies we talk about the Moulin project

2765

02:17:06,890 --> 02:17:03,000

in the electromagnetic research and

2766

02:17:08,780 --> 02:17:06,900

which goes right into in my opinion the

2767

02:17:11,300 --> 02:17:08,790

electric universe and I'm glad that you

2768

02:17:15,490 --> 02:17:11,310

brought that up all of this now was

2769

02:17:18,680 --> 02:17:15,500

starting to collide science is is

2770

02:17:21,980 --> 02:17:18,690

overlapping our community so much these

2771

02:17:26,200 --> 02:17:21,990

days that something is gonna break here

2772

02:17:29,300 --> 02:17:26,210

Robert something is gonna bust wide open

2773

02:17:33,020 --> 02:17:29,310

yeah I think so events I think so I

2774

02:17:34,490 --> 02:17:33,030

think we're going to how do I say this

2775

02:17:38,510 --> 02:17:34,500

we're going through a paradigm change

2776

02:17:42,230 --> 02:17:38,520

we're going through I don't know if you

2777

02:17:45,860 --> 02:17:42,240

know Thomas Kuhn the great physicists

2778

02:17:48,530 --> 02:17:45,870

historian who talked about revolutions

2779

02:17:50,870 --> 02:17:48,540

in science we I think we're saying that

2780

02:17:53,570 --> 02:17:50,880

we're we're just gonna have to give up

2781

02:17:57,110 --> 02:17:53,580

the old paradigm and go into a new one

2782

02:17:59,750 --> 02:17:57,120

the when we talk about all of this and

2783

02:18:01,940 --> 02:17:59,760

then we bring in there's another there's

2784

02:18:05,540 --> 02:18:01,950

another key here and I'm talking about

2785

02:18:10,760 --> 02:18:05,550

Edie Phu and what is represented there

2786

02:18:13,940 --> 02:18:10,770

and that story also corroborates other

2787

02:18:16,910 --> 02:18:13,950

historians from the past some of the

2788

02:18:21,580 --> 02:18:16,920

theories of today and it brings in the

2789

02:18:24,410 --> 02:18:21,590

big a word I knew you were going well I

2790

02:18:26,780 --> 02:18:24,420

mean you know and and I will say the

2791

02:18:29,870 --> 02:18:26,790

a-word now I wouldn't say it 30 years

2792

02:18:32,090 --> 02:18:29,880

ago I suppose why not suppose I know I

2793

02:18:35,270 --> 02:18:32,100

wouldn't say 30 years ago out in public

2794

02:18:37,880 --> 02:18:35,280

because again this was something that if

2795

02:18:41,300 --> 02:18:37,890

you start talking about Lantis Atlantis

2796

02:18:44,510 --> 02:18:41,310

being the a word in this context you

2797

02:18:48,320 --> 02:18:44,520

were dismissed by standard academia but

2798

02:18:51,200 --> 02:18:48,330

to me the concept of Atlantis not as a

2799

02:18:54,380 --> 02:18:51,210

geographic location not as a geographic

2800

02:18:56,769 --> 02:18:54,390

position but the concept of Atlantis as

2801

02:19:00,919 --> 02:18:56,779

a as an advanced civilization

2802

02:19:04,429 --> 02:19:00,929

that goes back to the period of about

2803

02:19:07,879 --> 02:19:04,439

10,000 BC Plato according to Plato's

2804

02:19:09,979 --> 02:19:07,889

chronology it collapsed about 9600 BC

2805

02:19:13,189 --> 02:19:09,989

which is right at the end of the last

2806

02:19:17,599 --> 02:19:13,199

ice age by modern dating it ties in

2807

02:19:19,939 --> 02:19:17,609

perfectly with what we now know from

2808

02:19:23,179 --> 02:19:19,949

genuine archaeological and geological

2809

02:19:25,969 --> 02:19:23,189

evidence so I think we have to relook at

2810

02:19:28,969 --> 02:19:25,979

that and I don't care if you know my son

2811

02:19:31,339 --> 02:19:28,979

my academic colleagues find that crazy

2812

02:19:33,889 --> 02:19:31,349

that's where the evidence is going well

2813

02:19:36,679 --> 02:19:33,899

and when we talk about the possibility

2814

02:19:37,939 --> 02:19:36,689

of great floods or catastrophes and

2815

02:19:39,979 --> 02:19:37,949

these things around the world and

2816

02:19:42,139 --> 02:19:39,989

everybody has got a flood myth every

2817

02:19:45,049 --> 02:19:42,149

culture doesn't matter where you go

2818

02:19:47,750 --> 02:19:45,059

everybody's got a flood myth story and

2819

02:19:50,420 --> 02:19:47,760

when we back up off of the last ice age

2820

02:19:53,840 --> 02:19:50,430

when everything started to melt and sea

2821

02:19:56,120 --> 02:19:53,850

levels rose there's the the possibility

2822

02:19:59,990 --> 02:19:56,130

of each one of these cultures around the

2823

02:20:02,179 --> 02:20:00,000

world experiencing their own flood story

2824

02:20:06,580 --> 02:20:02,189

and that's where it all comes from but

2825

02:20:11,719 --> 02:20:06,590

yeah with the talk of Atlantis predated

2826

02:20:14,840 --> 02:20:11,729

the Edfu discovery and when you look at

2827

02:20:16,760 --> 02:20:14,850

those texts and now you put that in and

2828

02:20:19,550 --> 02:20:16,770

it's another piece of evidence here that

2829

02:20:23,360 --> 02:20:19,560

explains a lot not only the technology

2830

02:20:26,960 --> 02:20:23,370

of Egypt but some of these stories that

2831

02:20:31,360 --> 02:20:26,970

go back around around the world with all

2832

02:20:35,750 --> 02:20:31,370

of these cultures and to me it starts to

2833

02:20:38,599 --> 02:20:35,760

complete the puzzle right there edu and

2834

02:20:40,670 --> 02:20:38,609

its image stand is dismissed and I don't

2835

02:20:42,469 --> 02:20:40,680

yeah no no and Ed who is incredible it's

2836

02:20:45,590 --> 02:20:42,479

it's essentially sort of one of the

2837

02:20:49,250 --> 02:20:45,600

places that we go and visit and it's a

2838

02:20:51,469 --> 02:20:49,260

it's essentially a book in stone as it's

2839

02:20:54,740 --> 02:20:51,479

sometimes described all over the temple

2840

02:20:57,410 --> 02:20:54,750

and it talks about this and you know

2841

02:21:00,050 --> 02:20:57,420

again the problem is that so many

2842

02:21:02,920 --> 02:21:00,060

academics Egyptologist they just dismiss

2843

02:21:05,000 --> 02:21:02,930

this as nonsense you know they call myth

2844

02:21:07,700 --> 02:21:05,010

mythology or whatever and they just

2845

02:21:10,070 --> 02:21:07,710

dismiss it but we're finding there's a

2846

02:21:13,460 --> 02:21:10,080

real basis for it the

2847

02:21:15,770 --> 02:21:13,470

the evidence I want to close on this the

2848

02:21:19,430 --> 02:21:15,780

evidence when we look at the Great

2849

02:21:22,040 --> 02:21:19,440

Pyramid we can all make jokes that you

2850

02:21:25,400 --> 02:21:22,050

know Khufu Cheops didn't put his name on

2851  
02:21:28,510 --> 02:21:25,410  
the pyramid but there you know you be

2852  
02:21:30,680 --> 02:21:28,520  
the greatest monument the greatest

2853  
02:21:32,690 --> 02:21:30,690  
construction ever in the history of the

2854  
02:21:34,820 --> 02:21:32,700  
world but you don't put your name on it

2855  
02:21:38,690 --> 02:21:34,830  
I think yeah which was a little crazy

2856  
02:21:41,240 --> 02:21:38,700  
but there's a good argue well abroad he

2857  
02:21:43,610 --> 02:21:41,250  
was anonymous he wanted to stay and it's

2858  
02:21:46,430 --> 02:21:43,620  
also interesting that there's not much

2859  
02:21:48,770 --> 02:21:46,440  
in the way of not only are there no

2860  
02:21:52,820 --> 02:21:48,780  
inscriptions but there's not much in the

2861  
02:21:55,820 --> 02:21:52,830  
way of direct evidence in the sense of

2862  
02:22:00,050 --> 02:21:55,830  
statues of him or anything else

2863  
02:22:02,870 --> 02:22:00,060

the only statuette that we now have is a

2864

02:22:05,180 --> 02:22:02,880

little ivory carving of him which you

2865

02:22:07,700 --> 02:22:05,190

can see at least it was on display in

2866

02:22:09,980 --> 02:22:07,710

the Egyptian Museum tiny little thing

2867

02:22:12,290 --> 02:22:09,990

and that's supposed to represent Khufu

2868

02:22:14,480 --> 02:22:12,300

and it's not even clear that that was

2869

02:22:17,540 --> 02:22:14,490

carved in his lifetime in fact it may

2870

02:22:20,090 --> 02:22:17,550

have been a thousand years later it may

2871

02:22:23,510 --> 02:22:20,100

just be a copy that were repeatedly on

2872

02:22:26,060 --> 02:22:23,520

the Sinai some carvings of him on some

2873

02:22:28,969 --> 02:22:26,070

of the walls but they were destroyed but

2874

02:22:29,570 --> 02:22:28,979

you know there's very little it's

2875

02:22:32,810 --> 02:22:29,580

strange

2876

02:22:36,580 --> 02:22:32,820

know it well and I can explain it you

2877

02:22:43,310 --> 02:22:36,590

ready okay yep pyramid was built before

2878

02:22:44,570 --> 02:22:43,320

hieroglyphics that's why they were use

2879

02:22:49,610 --> 02:22:44,580

it what they were using something more

2880

02:22:50,980 --> 02:22:49,620

sophisticated computers they need to

2881

02:22:54,050 --> 02:22:50,990

carve into the walls

2882

02:22:56,270 --> 02:22:54,060

yeah I'm joking a little bit about some

2883

02:22:59,930 --> 02:22:56,280

of this but no but maybe it's not a joke

2884

02:23:02,360 --> 02:22:59,940

we don't know I know you know how much

2885

02:23:04,700 --> 02:23:02,370

right now I don't know what the

2886

02:23:08,330 --> 02:23:04,710

percentage is how much is in print in

2887

02:23:12,620 --> 02:23:08,340

the last say five years versus just an

2888

02:23:16,370 --> 02:23:12,630

electronic digital format in cyberspace

2889

02:23:18,320 --> 02:23:16,380

I can't waste it my point I do I do

2890

02:23:23,450 --> 02:23:18,330

there is so much that doesn't actually

2891

02:23:23,901 --> 02:23:23,460

exist in print it's just it's cyberspace

2892

02:23:25,941 --> 02:23:23,911

it's

2893

02:23:28,941 --> 02:23:25,951

on the internet and if all that goes

2894

02:23:30,531 --> 02:23:28,951

down they'll be lost

2895

02:23:32,241 --> 02:23:30,541

well I think that's one reason I'd like

2896

02:23:34,701 --> 02:23:32,251

to have published books though you know

2897

02:23:37,941 --> 02:23:34,711

physical see physical paper copies

2898

02:23:40,761 --> 02:23:37,951

stored somewhere but so much you know

2899

02:23:43,071 --> 02:23:40,771

never exists on paper never exists

2900

02:23:46,281 --> 02:23:43,081

physically in our modern day and age

2901

02:23:49,341 --> 02:23:46,291

yeah when you think about it let's if

2902

02:23:53,301 --> 02:23:49,351

you jump ten thousand years into the

2903

02:23:58,731 --> 02:23:53,311

future and somebody from the future

2904

02:24:01,251 --> 02:23:58,741

finds a CD all right be worth working on

2905

02:24:03,231 --> 02:24:01,261

they would what how are they going to

2906

02:24:05,301 --> 02:24:03,241

figure that out or they're not going to

2907

02:24:08,481 --> 02:24:05,311

figure it out number one in number two

2908

02:24:10,131 --> 02:24:08,491

it will probably be so degraded that

2909

02:24:12,291 --> 02:24:10,141

even if they figure it out they'll get

2910

02:24:14,511 --> 02:24:12,301

very little information off of it that's

2911

02:24:19,071 --> 02:24:14,521

right and we have the same problems

2912

02:24:23,231 --> 02:24:19,081

today if if they found okay but CD is

2913

02:24:25,881 --> 02:24:23,241

one thing but how about a CD player

2914

02:24:29,361 --> 02:24:25,891

without a CD and they don't have the

2915

02:24:31,451 --> 02:24:29,371

instruction manual right what we have

2916

02:24:34,131 --> 02:24:31,461

the same problems with the Giza Plateau

2917

02:24:37,521 --> 02:24:34,141

we don't have those we don't have the

2918

02:24:40,161 --> 02:24:37,531

instruction man or a CD player or CD how

2919

02:24:44,211 --> 02:24:40,171

about a little thumb drive no this is in

2920

02:24:46,851 --> 02:24:44,221

your fingernail no and it could have all

2921

02:24:49,461 --> 02:24:46,861

of the information of our history but

2922

02:24:51,741 --> 02:24:49,471

they would never know it and we have the

2923

02:24:54,411 --> 02:24:51,751

same problems today with with Giza in

2924

02:24:55,191 --> 02:24:54,421

Egypt dr. Schaack thank you so much for

2925

02:24:58,401 --> 02:24:55,201

everything

2926

02:24:59,991 --> 02:24:58,411

what okay you've got the tour coming up

2927

02:25:05,051 --> 02:25:00,001

next year in 2019

2928

02:25:08,541 --> 02:25:05,061

what is thousand 19 June June 20

2929

02:25:10,041 --> 02:25:08,551

2019 I invite people to come see what

2930

02:25:13,491 --> 02:25:10,051

we've been talking about see it in

2931

02:25:17,511 --> 02:25:13,501

person I mean there's no substitute for

2932

02:25:20,271 --> 02:25:17,521

seeing in person and what's left for you

2933

02:25:22,941 --> 02:25:20,281

in 2018 are you speaking any appearances

2934

02:25:25,581 --> 02:25:22,951

yeah I've got some appearances that are

2935

02:25:26,991 --> 02:25:25,591

coming up every month I think September

2936

02:25:29,771 --> 02:25:27,001

October November

2937

02:25:34,071 --> 02:25:29,781

I suggest that people go to my website

2938

02:25:36,711 --> 02:25:34,081

Robert Schoch calm and for people that

2939

02:25:37,491 --> 02:25:36,721

don't know how spell my name it's Robert

2940

02:25:43,551 --> 02:25:37,501

the normal

2941

02:25:46,041 --> 02:25:43,561

our OB er T last name SCH o CH comm

2942

02:25:49,341 --> 02:25:46,051

thank you so much my friend give my best

2943

02:25:51,470 --> 02:25:49,351

to Katie thank you it's just another

2944

02:25:53,211 --> 02:25:51,480

wonderful conversation here I'm fade to

2945

02:25:55,131 --> 02:25:53,221

black with thee it's always great to be

2946

02:25:57,081 --> 02:25:55,141

on thank you so much

2947

02:26:03,201 --> 02:25:57,091

boys enjoy it enjoy the rest of your

2948

02:26:03,921 --> 02:26:03,211

morning I'll talk to you soon thank you

2949

02:26:08,631 --> 02:26:03,931

so much Robert

2950

02:26:12,501 --> 02:26:08,641

okay thank you Robert M shock its Robert

2951  
02:26:14,331 --> 02:26:12,511  
Schoch calm and you've got to go if if

2952  
02:26:16,701 --> 02:26:14,341  
you can you've got to go to Egypt with

2953  
02:26:18,831 --> 02:26:16,711  
them Robert Schoch calm all the

2954  
02:26:21,381 --> 02:26:18,841  
information is right there this is fade

2955  
02:26:23,180 --> 02:26:21,391  
to black I'm your host Jimmy Church I'll

2956  
02:26:30,320 --> 02:26:23,190  
be right back with open lines right

2957  
02:26:30,330 --> 02:26:43,150  
[Music]

2958  
02:26:51,800 --> 02:26:46,340  
and you are listen to my boy Jimmy

2959  
02:26:55,040 --> 02:26:51,810  
Church Jimmy Church radio calm despite

2960  
02:27:05,320 --> 02:26:55,050  
popular opinion reading a book will not

2961  
02:27:08,990 --> 02:27:05,330  
make you smarter hurricanes earthquakes

2962  
02:27:11,450 --> 02:27:09,000  
wildfires this year we've experienced

2963  
02:27:13,730 --> 02:27:11,460

more than our fair share this is Jimmy

2964

02:27:15,920 --> 02:27:13,740

Church a fade to black and last month I

2965

02:27:18,260 --> 02:27:15,930

decided to make sure my family does not

2966

02:27:20,980 --> 02:27:18,270

have to worry about food should we get

2967

02:27:23,870 --> 02:27:20,990

caught in a real emergency situation

2968

02:27:25,700 --> 02:27:23,880

introducing Humana a healthy storable

2969

02:27:27,860 --> 02:27:25,710

product that tastes so good that you'll

2970

02:27:30,170 --> 02:27:27,870

want to eat it every day instead of just

2971

02:27:32,330 --> 02:27:30,180

during those times of duress all new

2972

02:27:35,750 --> 02:27:32,340

manna products have a 25 year shelf life

2973

02:27:38,330 --> 02:27:35,760

our msg and GMO free no preservatives

2974

02:27:40,250 --> 02:27:38,340

and are made in America with the new

2975

02:27:42,080 --> 02:27:40,260

manna pack in your home you'll be able

2976

02:27:44,630 --> 02:27:42,090

to sleep at night knowing that you

2977

02:27:47,810 --> 02:27:44,640

protected your family not only have I

2978

02:27:50,210 --> 02:27:47,820

tasted and tested I own it now you can

2979

02:27:52,370 --> 02:27:50,220

too just click on the new mana banner on

2980

02:27:54,830 --> 02:27:52,380

Jimmy Church radio.com and use the promo

2981

02:27:56,930 --> 02:27:54,840

code Jimmy when you order in addition to

2982

02:28:00,590 --> 02:27:56,940

a discount we'll send you an autograph

2983

02:28:04,280 --> 02:28:00,600

fade to black t-shirt seriously gobekli

2984

02:28:06,680 --> 02:28:04,290

tepe when you take the beams from

2985

02:28:09,110 --> 02:28:06,690

Central America with dashes of

2986

02:28:11,510 --> 02:28:09,120

indonesian and african mixed in and then

2987

02:28:14,360 --> 02:28:11,520

roast it to the dark side of fade to

2988

02:28:17,540 --> 02:28:14,370

black you create the ultimate brew of

2989

02:28:21,320 --> 02:28:17,550

Fringe introducing the fade to black

2990

02:28:23,870 --> 02:28:21,330

blend from river moon coffee yes River

2991

02:28:25,520 --> 02:28:23,880

moons darkest customized roast was

2992

02:28:29,150 --> 02:28:25,530

created for the love of

2993

02:28:31,700 --> 02:28:29,160

fade to black the alchemy of masterful

2994

02:28:34,491 --> 02:28:31,710

roasting and smoking the beans is in

2995

02:28:38,451 --> 02:28:34,501

every sip of this full-bodied

2996

02:28:39,801 --> 02:28:38,461

Java I need my coffee dog deep with

2997

02:28:43,161 --> 02:28:39,811

distinct bittersweet chocolate

2998

02:28:45,411 --> 02:28:43,171

highlights just like the bunker leaning

2999

02:28:48,291 --> 02:28:45,421

further into the darkness of the roast

3000

02:28:50,991 --> 02:28:48,301

is fade to black blend from River moon

3001  
02:28:53,091 --> 02:28:51,001  
coffee just click on the banner at Jimmy

3002  
02:28:56,751 --> 02:28:53,101  
Church radio.com and use the promo code

3003  
02:28:57,560 --> 02:28:56,761  
F to be blend for 15% off of your order

3004  
02:29:01,881 --> 02:28:57,570  
today

3005  
02:29:03,921 --> 02:29:01,891  
Gobekli Tepe hey can we talk about

3006  
02:29:06,140 --> 02:29:03,931  
something serious for a minute your age

3007  
02:29:08,270 --> 02:29:06,150  
getting old has its perks

3008  
02:29:10,821 --> 02:29:08,280  
but remember being a few years younger

3009  
02:29:12,980 --> 02:29:10,831  
you know your hair was thicker you

3010  
02:29:14,781 --> 02:29:12,990  
didn't have so many wrinkles that extra

3011  
02:29:17,150 --> 02:29:14,791  
weight wasn't haunting you and you just

3012  
02:29:19,520 --> 02:29:17,160  
felt better well we can't turn back the

3013  
02:29:22,100 --> 02:29:19,530

clocks and go back 10 or 15 years but

3014

02:29:25,071 --> 02:29:22,110

you can start feeling and looking 10 or

3015

02:29:27,020 --> 02:29:25,081

15 years younger with nature's youth RSF

3016

02:29:28,551 --> 02:29:27,030

it's a doctor formulated daily

3017

02:29:30,741 --> 02:29:28,561

supplement that helps your body maintain

3018

02:29:33,560 --> 02:29:30,751

its peak performance and fight the aging

3019

02:29:35,060 --> 02:29:33,570

process imagine sleeping better looking

3020

02:29:37,671 --> 02:29:35,070

better and feeling better

3021

02:29:39,621 --> 02:29:37,681

see how Nature's youth RSF has helped

3022

02:29:42,321 --> 02:29:39,631

thousands of people just like you at

3023

02:29:44,810 --> 02:29:42,331

nature's use calm nature's youth calm

3024

02:29:46,190 --> 02:29:44,820

the holidays are coming imagine how it

3025

02:29:48,111 --> 02:29:46,200

will feel when your family and friends

3026  
02:29:50,451 --> 02:29:48,121  
are asking you what you did to look so

3027  
02:29:52,761 --> 02:29:50,461  
good your secret will be nature's youth

3028  
02:29:55,251 --> 02:29:52,771  
RSS it's time to start looking better

3029  
02:29:57,321 --> 02:29:55,261  
and feeling better learn more in order

3030  
02:30:07,610 --> 02:29:57,331  
your nature's use RSS at nature's youth

3031  
02:30:22,139 --> 02:30:11,309  
it's not a lifestyle we chose we were

3032  
02:30:25,100 --> 02:30:22,149  
born this way k GRA radio.com this is KJ

3033  
02:30:38,340 --> 02:30:25,110  
CR Jimmy search radiojohn yeah

3034  
02:30:49,699 --> 02:30:41,369  
all right welcome back beta-blockers to

3035  
02:30:52,559 --> 02:30:49,709  
be Church and I have lost the Internet

3036  
02:30:55,949 --> 02:30:52,569  
I've got one stage of the internet going

3037  
02:30:59,939 --> 02:30:55,959  
out I have nothing coming back in so I

3038  
02:31:05,239 --> 02:30:59,949

don't have any phones so let's go ahead

3039

02:31:07,829 --> 02:31:05,249

and wrap that's right I'm gonna do this

3040

02:31:09,929 --> 02:31:07,839

was an amazing show with Robert Shaw

3041

02:31:12,389 --> 02:31:09,939

Kate applies executive producers ritika

3042
