OFFICIAL CHANNEL

1  
00:02:04,230 --> 00:02:00,440

[Music]

2  
00:02:07,740 --> 00:02:04,240

this hope radio for the masses headliner

3  
00:02:09,630 --> 00:02:07,750

between July 8 1947 here on the Air

4  
00:02:12,089 --> 00:02:09,640

Force roof has an ops and applying their

5  
00:02:15,030 --> 00:02:12,099

- found and is now in the possession of

6  
00:02:19,080 --> 00:02:15,040

the RA the game is rigged changed the

7  
00:02:22,320 --> 00:02:19,090

game changer I occasionally think how

8  
00:02:26,069 --> 00:02:22,330

quickly our differences worldwide would

9  
00:02:30,410 --> 00:02:26,079

vanish if we were facing an alien threat

10  
00:02:35,699 --> 00:02:32,940

[Applause]

11  
00:02:38,640 --> 00:02:35,709

this is fade to black with your host

12  
00:02:45,699 --> 00:02:38,650

Jimmy Church on the game changer radio

13  
00:02:50,840 --> 00:02:48,449

we need your help to get to the year

14

00:02:54,980 --> 00:02:50,850

1985

15

00:02:58,190 --> 00:02:54,990

[Music]

16

00:02:59,640 --> 00:02:58,200

to black with jimmy touch on the game

17

00:03:03,190 --> 00:02:59,650

change in network

18

00:03:09,059 --> 00:03:03,200

[Music]

19

00:03:24,280 --> 00:03:09,069

all right good evening fade to black

20

00:03:31,630 --> 00:03:24,290

the spoke radio for Masse's today's

21

00:03:38,090 --> 00:03:31,640

Wednesday August 22nd 2018 235 days into

22

00:03:44,770 --> 00:03:43,089

that's right we are live from a bunker

23

00:03:48,910 --> 00:03:44,780

right in the middle of beautiful

24

00:03:50,199 --> 00:03:48,920

downtown Burbank California I would like

25

00:03:52,270 --> 00:03:50,209

to welcome everybody listening all

26

00:03:55,690 --> 00:03:52,280

around the world all across the United

27

00:03:57,970 --> 00:03:55,700

States hither and thither to and fro

28

00:04:02,580 --> 00:03:57,980

back and forth up and down east and west

29

00:04:05,369 --> 00:04:02,590

north and south far and near

30

00:04:07,410 --> 00:04:05,379

this is fade to black for kjc are the

31

00:04:10,350 --> 00:04:07,420

game changer Network and K GRA the

32

00:04:13,960 --> 00:04:10,360

planet I'm you know Jimmy Church what is

33

00:04:18,170 --> 00:04:13,970

rock and everybody how you do it

34

00:04:20,220 --> 00:04:18,180

how you do it how you do

35

00:04:24,250 --> 00:04:20,230

it's gonna be one of those shows

36

00:04:31,210 --> 00:04:27,040

because our very special guest is

37

00:04:35,850 --> 00:04:31,220

Richard bleep indolent that's right he's

38

00:04:38,290 --> 00:04:35,860

back tonight everything is on the table

39

00:04:42,430 --> 00:04:38,300

we're gonna discuss all the latest news

40

00:04:46,140 --> 00:04:42,440

on our UFO community that's right

41

00:04:51,490 --> 00:04:46,150

remember TTS a to the Stars Academy

42

00:04:54,390 --> 00:04:51,500

remember that talk about that I think

43

00:04:55,990 --> 00:04:54,400

we're gonna discuss guy at TV tonight

44

00:04:59,380 --> 00:04:56,000

that's right

45

00:05:02,620 --> 00:04:59,390

discuss some recent sightings and of

46

00:05:04,450 --> 00:05:02,630

course the alleged next book of his on

47

00:05:06,130 --> 00:05:04,460

false flags tomorrow night is another

48

00:05:08,070 --> 00:05:06,140

Fator night with Jon Rappoport and

49

00:05:11,140 --> 00:05:08,080

there's no more fake newsroom live

50

00:05:16,960 --> 00:05:11,150

that's tomorrow night followed by open

51  
00:05:19,660 --> 00:05:16,970  
lines all night long okay ight man maybe

52  
00:05:21,340 --> 00:05:19,670  
tonight I don't know I don't know maybe

53  
00:05:23,980 --> 00:05:21,350  
we'll take some phone calls with Richard

54  
00:05:27,130 --> 00:05:23,990  
we'll see we always run out of time with

55  
00:05:30,070 --> 00:05:27,140  
with mr. Dolan and tonight's gonna be no

56  
00:05:31,870 --> 00:05:30,080  
exception he was texting me before the

57  
00:05:33,850 --> 00:05:31,880  
show he's probably listening right now

58  
00:05:36,880 --> 00:05:33,860  
so I'll tell you what he texted he goes

59  
00:05:39,340 --> 00:05:36,890  
what we're only doing two hours Church I

60  
00:05:41,790 --> 00:05:39,350  
need four with you my man and I was like

61  
00:05:46,000 --> 00:05:41,800  
I know right

62  
00:05:49,440 --> 00:05:46,010  
nah he didn't yeah he did what me he

63  
00:05:51,700 --> 00:05:49,450

almost said that he meant to say that

64

00:05:53,590 --> 00:05:51,710

love it wouldn't Richard's on the show I

65

00:05:56,050 --> 00:05:53,600

can't believe it's been it's been so

66

00:05:58,720 --> 00:05:56,060

long we've had him on you know little

67

00:06:01,870 --> 00:05:58,730

special things here and there but it's

68

00:06:04,270 --> 00:06:01,880

been good it's been like a year I've had

69

00:06:05,560 --> 00:06:04,280

him on coast I just can't believe it's

70

00:06:07,480 --> 00:06:05,570

been that long since he's been on the

71

00:06:11,050 --> 00:06:07,490

show so anyway Richard Dolan tonight

72

00:06:13,480 --> 00:06:11,060

very excited to have somebody in here

73

00:06:14,490 --> 00:06:13,490

who and I say this all the time but it's

74

00:06:19,600 --> 00:06:14,500

really true

75

00:06:22,270 --> 00:06:19,610

Richard represents us and and I am so

76

00:06:25,120 --> 00:06:22,280

proud when he's out there you know doing

77

00:06:28,090 --> 00:06:25,130

his thing whether it's it radio or TV or

78

00:06:29,770 --> 00:06:28,100

conferences and that's it and I listen

79

00:06:33,220 --> 00:06:29,780

to Richard speak I might just step back

80

00:06:36,160 --> 00:06:33,230

an hour watch I go you know people get

81

00:06:37,580 --> 00:06:36,170

it you know that that's one thing they

82

00:06:40,310 --> 00:06:37,590

get it with his delivery

83

00:06:43,220 --> 00:06:40,320

but the second thing is is he comes from

84

00:06:45,980 --> 00:06:43,230

this his story and educated background

85

00:06:49,879 --> 00:06:45,990

and he knows how to speak and he

86

00:06:53,930 --> 00:06:49,889

represents us and I'm just glad I'm just

87

00:06:57,500 --> 00:06:53,940

glad uh so anyway tonight Richards on

88

00:07:02,060 --> 00:06:57,510

the show today is Juan crusiers birthday

89

00:07:06,320 --> 00:07:02,070

he's 59 I didn't know I did that that

90

00:07:08,390 --> 00:07:06,330

escaped me mom coochie a from rat the

91

00:07:11,240 --> 00:07:08,400

bass player from rad Wow

92

00:07:11,810 --> 00:07:11,250

that's a trip 59 years old where did the

93

00:07:15,320 --> 00:07:11,820

time go

94

00:07:17,900 --> 00:07:15,330

right okay don't forget to follow us and

95

00:07:21,560 --> 00:07:17,910

go and register over at on stellar ons

96

00:07:24,440 --> 00:07:21,570

te ll a are calm on stellar calm you can

97

00:07:27,500 --> 00:07:24,450

follow me on twitter @jj radio Facebook

98

00:07:29,570 --> 00:07:27,510

is still alive and kicking I don't know

99

00:07:32,120 --> 00:07:29,580

for how much longer but it's still there

100

00:07:34,580 --> 00:07:32,130

and of course YouTube which is giving me

101  
00:07:36,159 --> 00:07:34,590  
hassles today too as well and yesterday

102  
00:07:38,510 --> 00:07:36,169  
the day before

103  
00:07:40,430 --> 00:07:38,520  
there you go I'm just I'm just writing

104  
00:07:42,680 --> 00:07:40,440  
that out but YouTube is still there and

105  
00:07:44,270 --> 00:07:42,690  
if you want to go and chase us down

106  
00:07:46,580 --> 00:07:44,280  
everything is to be Church or fade to

107  
00:07:48,050 --> 00:07:46,590  
black it's simple enough to do and you

108  
00:07:50,659 --> 00:07:48,060  
can go follow like and subscribe

109  
00:07:53,150 --> 00:07:50,669  
whatever social media platform is your

110  
00:07:55,400 --> 00:07:53,160  
taste you can go and do it if you want

111  
00:07:59,060 --> 00:07:55,410  
to hang out with us on Twitter hashtag

112  
00:08:02,060 --> 00:07:59,070  
f2b is the place to go to that's our

113  
00:08:03,110 --> 00:08:02,070

sandbox we have to chat rooms open

114

00:08:05,420 --> 00:08:03,120

tonight

115

00:08:07,730 --> 00:08:05,430

of course every single night and we have

116

00:08:11,770 --> 00:08:07,740

to chat rooms open one over a kg are a

117

00:08:15,250 --> 00:08:11,780

the planet and of course spreaker.com

118

00:08:21,820 --> 00:08:15,260

and and there you go pick your poison

119

00:08:24,740 --> 00:08:21,830

mmm man I love coffee and I love coffee

120

00:08:27,800 --> 00:08:24,750

with like two or three extra shots of

121

00:08:30,320 --> 00:08:27,810

espresso then it gets to where it needs

122

00:08:34,219 --> 00:08:30,330

to be hey where am i dancing gifts

123

00:08:36,409 --> 00:08:34,229

tonight am i ok guess there is a few ok

124

00:08:38,320 --> 00:08:36,419

I take it back there's Elvis ok all

125

00:08:40,459 --> 00:08:38,330

right my bad it just slipped by me

126

00:08:42,440 --> 00:08:40,469

alright you can also email throughout

127

00:08:46,040 --> 00:08:42,450

the show tonight Jimmy at Jimmy Turks

128

00:08:50,350 --> 00:08:46,050

radio calm a couple of program notes

129

00:08:55,380 --> 00:08:50,360

I am I normally don't leak this but

130

00:08:58,930 --> 00:08:55,390

I'm going to just let you guys know that

131

00:09:00,610 --> 00:08:58,940

this weekend I'm gonna be over at

132

00:09:04,680 --> 00:09:00,620

coast-to-coast I'll just be doing this

133

00:09:08,019 --> 00:09:04,690

Saturday and so that's this weekend and

134

00:09:10,410 --> 00:09:08,029

my guests are Peter Maxwell Slattery and

135

00:09:15,250 --> 00:09:10,420

Laura can - that'll be this Saturday

136

00:09:19,810 --> 00:09:15,260

next Saturday September 22nd

137

00:09:21,790 --> 00:09:19,820

I'm sorry September 1st I'll be back so

138

00:09:24,610 --> 00:09:21,800

a week later I'm over a coast and then a

139

00:09:28,440 --> 00:09:24,620

week or two after that which is

140

00:09:30,490 --> 00:09:28,450

September 22nd I'm over a coast and then

141

00:09:36,639 --> 00:09:30,500

through the month of October and

142

00:09:39,759 --> 00:09:36,649

November so I thought we were gonna get

143

00:09:42,910 --> 00:09:39,769

a break but yeah so I'll be over at

144

00:09:45,340 --> 00:09:42,920

coast this Saturday and Peter Maxwell

145

00:09:48,100 --> 00:09:45,350

Slattery and Laura can't - both of them

146

00:09:49,750 --> 00:09:48,110

have this will be for the both of them

147

00:09:52,000 --> 00:09:49,760

their first time appearance is over at

148

00:09:54,939 --> 00:09:52,010

coast to coast and I'm really surprised

149

00:09:58,110 --> 00:09:54,949

about that but what's really cool well

150

00:10:02,290 --> 00:09:58,120

when that happens just like unfading

151  
00:10:05,019 --> 00:10:02,300  
introducing the coast audience - to new

152  
00:10:07,840 --> 00:10:05,029  
talent and fresh faces is something that

153  
00:10:09,699 --> 00:10:07,850  
I really really enjoy so Coast audience

154  
00:10:13,329 --> 00:10:09,709  
get ready for that Peter Maxwell

155  
00:10:15,189 --> 00:10:13,339  
Slattery and Laura can't - this Saturday

156  
00:10:20,350 --> 00:10:15,199  
over on coast to coast I already got

157  
00:10:23,350 --> 00:10:20,360  
some breaking news and you know I saw

158  
00:10:27,910 --> 00:10:23,360  
this ramping up over the last week or

159  
00:10:30,550 --> 00:10:27,920  
two but a gang of earthquakes a gang a

160  
00:10:34,509 --> 00:10:30,560  
gang of earthquakes has hit the Pacific

161  
00:10:36,880 --> 00:10:34,519  
Ring of Fire and it's been going on all

162  
00:10:39,160 --> 00:10:36,890  
week long prompting me to wonder if it's

163  
00:10:43,660 --> 00:10:39,170

a precursor you know to the big one

164

00:10:49,060 --> 00:10:43,670

I certainly hope not but 69 earthquakes

165

00:10:52,530 --> 00:10:49,070

including another 16 tremors just

166

00:10:55,900 --> 00:10:52,540

tremors the tremors 16 tremors that were

167

00:10:57,430 --> 00:10:55,910

4.5 or above on the Richter scale have

168

00:11:00,280 --> 00:10:57,440

recently hit the area and that's

169

00:11:03,130 --> 00:11:00,290

according to the USGS which recorded the

170

00:11:10,380 --> 00:11:03,140

events but did not issue a warning

171

00:11:14,730 --> 00:11:10,390

of the 69 earthquakes 53 hit the area on

172

00:11:17,860 --> 00:11:14,740

Sunday a massive earthquake registering

173

00:11:19,900 --> 00:11:17,870

8.2 also hit on Sunday that caught my

174

00:11:20,530 --> 00:11:19,910

eye I don't know if you guys saw it came

175

00:11:25,569 --> 00:11:20,540

and went

176

00:11:29,920 --> 00:11:25,579

it was 175 miles north north east of joy

177

00:11:33,519 --> 00:11:29,930

island in Fiji it was so deep in the

178

00:11:36,880 --> 00:11:33,529

earth that they decided not to issue a

179

00:11:39,460 --> 00:11:36,890

tsunami warning but that is an awful lot

180

00:11:43,720 --> 00:11:39,470

of earthquakes now there is another part

181

00:11:47,980 --> 00:11:43,730

to this to his well you know there's 450

182

00:11:51,400 --> 00:11:47,990

active volcanoes in the Ring of Fire 90%

183

00:11:53,350 --> 00:11:51,410

of the world's volcanoes are right there

184

00:11:55,840 --> 00:11:53,360

in that little horseshoe shaped ring

185

00:12:00,009 --> 00:11:55,850

right so there's that part of it and

186

00:12:02,470 --> 00:12:00,019

they are active so what is going on out

187

00:12:05,949 --> 00:12:02,480

there I don't want to I'm not all doom

188

00:12:10,449 --> 00:12:05,959

and gloom I'm not but it just feels feel

189

00:12:12,460 --> 00:12:10,459

strange other nature man burping we'll

190

00:12:15,009 --> 00:12:12,470

see we'll see all right don't forget to

191

00:12:18,550 --> 00:12:15,019

subscribe to our podcast where we have

192

00:12:20,949 --> 00:12:18,560

over 900 archive shows custom apps Apple

193

00:12:24,160 --> 00:12:20,959

Android all platforms it's just two

194

00:12:26,410 --> 00:12:24,170

dollars a month and you get the great

195

00:12:28,750 --> 00:12:26,420

apps everything's updated and and done

196

00:12:32,110 --> 00:12:28,760

every single day it's just amazing for

197

00:12:34,960 --> 00:12:32,120

\$2 a month to have 900 full length

198

00:12:36,100 --> 00:12:34,970

unedited archived shows right there for

199

00:12:39,069 --> 00:12:36,110

your listening pleasure

200

00:12:41,530 --> 00:12:39,079

you also can become a fader not over in

201  
00:12:42,280 --> 00:12:41,540  
our membership section at Jimmy Church

202  
00:12:44,410 --> 00:12:42,290  
radio.com

203  
00:12:47,680 --> 00:12:44,420  
where you will get the bunker cam hello

204  
00:12:50,980 --> 00:12:47,690  
everybody I'm waving to you now and you

205  
00:12:54,519 --> 00:12:50,990  
can also get if you so desire commercial

206  
00:12:57,069 --> 00:12:54,529  
free downloadable archives that's right

207  
00:12:59,199 --> 00:12:57,079  
you can play anywhere and if you get the

208  
00:13:01,930 --> 00:12:59,209  
game changer you'll get all of that

209  
00:13:04,150 --> 00:13:01,940  
fabulous fade to black in gear that's

210  
00:13:06,370 --> 00:13:04,160  
right end you know autographed hats and

211  
00:13:08,740 --> 00:13:06,380  
t-shirts and you also get a private

212  
00:13:10,689 --> 00:13:08,750  
email to yours truly

213  
00:13:12,670 --> 00:13:10,699

okay don't forget all of our sponsors

214

00:13:16,150 --> 00:13:12,680

here live teens to get the t-dot-com

215

00:13:18,730 --> 00:13:16,160

River moon coffee ancient life oils sake

216

00:13:22,420 --> 00:13:18,740

skulls that's right I love my sacred

217

00:13:23,860 --> 00:13:22,430

skull and you get 15% off your sacred

218

00:13:25,750 --> 00:13:23,870

skulls if you just mentioned fade to

219

00:13:29,670 --> 00:13:25,760

black new man of food storage and

220

00:13:33,760 --> 00:13:29,680

bearing optics I got three emails today

221

00:13:36,940 --> 00:13:33,770

three from people that got their new

222

00:13:39,250 --> 00:13:36,950

night-vision goggles from baring optics

223

00:13:41,230 --> 00:13:39,260

that's a life-changing thing I think you

224

00:13:44,170 --> 00:13:41,240

can ask Richard about that when he is on

225

00:13:48,360 --> 00:13:44,180

here in a few moments and also one of

226

00:13:51,490 --> 00:13:48,370

our other sponsors Richard Dolan pres

227

00:13:53,610 --> 00:13:51,500

he'll be here shortly let's get this

228

00:14:00,040 --> 00:13:53,620

show cracking happy birthday to today

229

00:14:02,550 --> 00:14:00,050

Kristen Wiig today is 45 and you may you

230

00:14:05,610 --> 00:14:02,560

may know her from Saturday Night Live or

231

00:14:11,440 --> 00:14:05,620

bridesmaids or ghostbusters knocked up

232

00:14:15,910 --> 00:14:11,450

but not for me now it's The Secret Life

233

00:14:18,490 --> 00:14:15,920

of Walter Mitty have you seen that the

234

00:14:20,470 --> 00:14:18,500

remake it's amazing and and the movie

235

00:14:22,440 --> 00:14:20,480

the movie is really good Ben Stiller

236

00:14:26,770 --> 00:14:22,450

knocks it out of the park and so does

237

00:14:31,140 --> 00:14:26,780

Kristen Wiig but it's not even that it's

238

00:14:36,280 --> 00:14:31,150

her cover of David Bowie's Space Oddity

239

00:14:38,620 --> 00:14:36,290

she slays the dragon it is so good

240

00:14:40,780 --> 00:14:38,630

you've got to check it out

241

00:14:43,570 --> 00:14:40,790

The Secret Life of Walter Mitty it's

242

00:14:47,340 --> 00:14:43,580

really really well done all right the

243

00:14:50,560 --> 00:14:47,350

Ring of Fire must be the hot sauce IPD

244

00:14:53,260 --> 00:14:50,570

come on man behave behave I gotta

245

00:14:56,290 --> 00:14:53,270

concentrate all right our dead guys

246

00:15:05,140 --> 00:14:56,300

birthday today moment of silence please

247

00:15:07,090 --> 00:15:05,150

for mr. Layne Staley 1967 to 2002 died

248

00:15:08,920 --> 00:15:07,100

at the age of 34 lead vocalist

249

00:15:11,650 --> 00:15:08,930

occasional rhythm guitars and

250

00:15:16,590 --> 00:15:11,660

co-songwriter of Alice in Chains from

251  
00:15:19,060 --> 00:15:16,600  
1987 until 1998 for a mid 1996 onwards

252  
00:15:22,060 --> 00:15:19,070  
Staley was completely out of the public

253  
00:15:23,350 --> 00:15:22,070  
eye that's right never to perform live

254  
00:15:25,660 --> 00:15:23,360  
again

255  
00:15:27,190 --> 00:15:25,670  
he struggled much of his life with adult

256  
00:15:29,800 --> 00:15:27,200  
life with a depression and drug

257  
00:15:35,380 --> 00:15:29,810  
addiction which resulted in his death at

258  
00:15:39,690 --> 00:15:35,390  
the age of 34 on April 5th 2002 happy

259  
00:15:45,100 --> 00:15:39,700  
birthday lain on the same history OTD

260  
00:15:47,560 --> 00:15:45,110  
1982 OTD the shootings at Ruby Ridge and

261  
00:15:50,380 --> 00:15:47,570  
the second day of a standoff at Randy

262  
00:15:54,220 --> 00:15:50,390  
Weaver's remote northern Idaho cabin

263  
00:15:57,900 --> 00:15:54,230

atop Ruby Ridge FBI sharpshooter lon

264

00:16:01,389 --> 00:15:57,910

horrid Lucci that's right Horry coochie

265

00:16:06,610 --> 00:16:01,399

wounds Randy Weaver his son and Kevin

266

00:16:10,660 --> 00:16:06,620

Harris and then and then kills Weaver's

267

00:16:12,790 --> 00:16:10,670

wife Vicky was it did they wondered

268

00:16:15,360 --> 00:16:12,800

Randy and Kevin Harris I thought if they

269

00:16:18,100 --> 00:16:15,370

wounded a son so it was Randy Weaver was

270

00:16:23,230 --> 00:16:18,110

wounded not his son or someone out to

271

00:16:25,930 --> 00:16:23,240

get the dog right and unbelievable on

272

00:16:28,990 --> 00:16:25,940

this day in 1992 I didn't want to think

273

00:16:36,060 --> 00:16:29,000

about a fader fact here we go

274

00:16:51,370 --> 00:16:43,180

free weights at your gym free weights at

275

00:16:56,340 --> 00:16:51,380

the gym that you work out at have 362

276

00:17:05,110 --> 00:16:56,350

times more bacteria than a toilet seat

277

00:17:07,030 --> 00:17:05,120

and that that is your fader fact tonight

278

00:17:09,939 --> 00:17:07,040

very special guest is with us Richard

279

00:17:12,220 --> 00:17:09,949

bleep and Dolan and I normally would say

280

00:17:15,069 --> 00:17:12,230

he is back but man it's been a long time

281

00:17:16,960 --> 00:17:15,079

since he's been here so it's just

282

00:17:18,460 --> 00:17:16,970

another show with Richard bleep and

283

00:17:21,220 --> 00:17:18,470

Dolan and tonight we're gonna go through

284

00:17:25,270 --> 00:17:21,230

everything in the UFO community and I

285

00:17:27,340 --> 00:17:25,280

don't want to hold back he never does so

286

00:17:29,110 --> 00:17:27,350

we're gonna go there tonight for two

287

00:17:30,850 --> 00:17:29,120

straight hours tomorrow night is another

288

00:17:33,070 --> 00:17:30,860

Fator night which ion Rappaport and his

289

00:17:37,570 --> 00:17:33,080

own more fake newsroom live with open

290

00:17:40,540 --> 00:17:37,580

lines all night long all right let me

291

00:17:50,169 --> 00:17:40,550

hit this River moon coffee promo code F

292

00:17:56,260 --> 00:17:50,179

to be blend yeah every day every day

293

00:18:02,380 --> 00:17:56,270

every single day I get a little smarter

294

00:18:08,280 --> 00:18:02,390

I do against Mota that's what life is

295

00:18:14,620 --> 00:18:08,290

all about learning learning something

296

00:18:17,440 --> 00:18:14,630

every single day last night we had dr.

297

00:18:19,180 --> 00:18:17,450

Robert Schoch on the show and there was

298

00:18:21,520 --> 00:18:19,190

an amazing conversation and we were

299

00:18:24,060 --> 00:18:21,530

talking about the Big Bang you remember

300

00:18:26,620 --> 00:18:24,070

that at the beginning of the show and

301  
00:18:31,150 --> 00:18:26,630  
the universe expanding and contracting

302  
00:18:33,490 --> 00:18:31,160  
and you know dark energy and you know

303  
00:18:36,549 --> 00:18:33,500  
contracting back to nothing the cycle of

304  
00:18:38,470 --> 00:18:36,559  
the universe the alleged the theory you

305  
00:18:43,690 --> 00:18:38,480  
know and then starting all over with

306  
00:18:49,090 --> 00:18:43,700  
another big bang and my concern with

307  
00:18:53,409 --> 00:18:49,100  
this is everything changing from

308  
00:18:54,850 --> 00:18:53,419  
something created in other words you

309  
00:18:56,860 --> 00:18:54,860  
know you start from the Big Bang you

310  
00:19:00,040 --> 00:18:56,870  
start with a nanner energy and that

311  
00:19:01,930 --> 00:19:00,050  
energy over about 300 400 thousand year

312  
00:19:03,880 --> 00:19:01,940  
period started colliding with itself and

313  
00:19:06,730 --> 00:19:03,890

the elements were created and stars were

314

00:19:08,080 --> 00:19:06,740

created and planning and you know and so

315

00:19:11,980 --> 00:19:08,090

on and so on and so on and here we are

316

00:19:16,419 --> 00:19:11,990

today 13.8 billion years later right

317

00:19:20,560 --> 00:19:16,429

okay but if it's going to reverse

318

00:19:24,299 --> 00:19:20,570

direction our universe and and compact

319

00:19:28,180 --> 00:19:24,309

back onto itself to restart the Big Bang

320

00:19:32,289 --> 00:19:28,190

then you've got to change everything

321

00:19:34,600 --> 00:19:32,299

back from something to energy you know

322

00:19:37,899 --> 00:19:34,610

rocks dirt water elements all of it

323

00:19:39,850 --> 00:19:37,909

right back into energy and he suggested

324

00:19:42,419 --> 00:19:39,860

that antimatter could do it and I was

325

00:19:45,010 --> 00:19:42,429

like wow whoa big light bulb went off

326

00:19:46,990 --> 00:19:45,020

antimatter colliding with the matter in

327

00:19:49,720 --> 00:19:47,000

the universe is collapsing on itself and

328

00:19:51,160 --> 00:19:49,730

collapsing the the matter into the anti

329

00:19:53,160 --> 00:19:51,170

at her and turning everything back into

330

00:19:57,030 --> 00:19:53,170

energy made sense at the time

331

00:20:01,690 --> 00:19:57,040

right and okay I'm kind of good with it

332

00:20:03,310 --> 00:20:01,700

so I filed that away for future

333

00:20:05,740 --> 00:20:03,320

reference I'm gonna go tap back into

334

00:20:08,740 --> 00:20:05,750

that little nugget of knowledge from

335

00:20:13,000 --> 00:20:08,750

shock last night and it hasn't gone

336

00:20:15,280 --> 00:20:13,010

anywhere but after the show I continued

337

00:20:17,940 --> 00:20:15,290

some research on the subject I've been

338

00:20:21,280 --> 00:20:17,950

studying this for years and have really

339

00:20:24,160 --> 00:20:21,290

really spent a lot of time on it over

340

00:20:27,450 --> 00:20:24,170

the last year a lot and I jump back into

341

00:20:31,510 --> 00:20:27,460

it last night after the show and today

342

00:20:38,620 --> 00:20:31,520

today I'm right back where I was before

343

00:20:40,810 --> 00:20:38,630

the show last night yeah you see you

344

00:20:41,560 --> 00:20:40,820

have to look at it like this we have we

345

00:20:43,510 --> 00:20:41,570

have matter

346

00:20:46,090 --> 00:20:43,520

we have antimatter we have dark matter

347

00:20:47,470 --> 00:20:46,100

we have dark energy and we have gravity

348

00:20:51,460 --> 00:20:47,480

these are all of the things that are

349

00:20:53,770 --> 00:20:51,470

working in in our universe right in our

350

00:20:55,720 --> 00:20:53,780

solar system everywhere well I'm not

351

00:20:57,340 --> 00:20:55,730

sure how much dark energy and dark

352

00:21:00,280 --> 00:20:57,350

matter are inside of our solar system

353

00:21:02,410 --> 00:21:00,290

but certainly outside of our galaxy this

354

00:21:04,660 --> 00:21:02,420

stuff is all going nuts but we do have

355

00:21:07,570 --> 00:21:04,670

gravity here and although we don't

356

00:21:12,640 --> 00:21:07,580

understand anything about gravity other

357

00:21:14,920 --> 00:21:12,650

than it exists and listen go and talk to

358

00:21:17,350 --> 00:21:14,930

any physicist that you want to

359

00:21:19,900 --> 00:21:17,360

theoretical physicists theoretical

360

00:21:22,510 --> 00:21:19,910

cosmologists whoever you want to talk to

361

00:21:24,070 --> 00:21:22,520

and ask him about gravity or ask him

362

00:21:26,110 --> 00:21:24,080

about time and you're gonna get a

363

00:21:29,500 --> 00:21:26,120

different answer from each one nobody

364

00:21:31,630 --> 00:21:29,510

knows nothing we don't well you know

365

00:21:35,560 --> 00:21:31,640

what we know about gravity we know we

366

00:21:39,370 --> 00:21:35,570

know this about gravity it sucks right

367

00:21:43,660 --> 00:21:39,380

it sucks right it sucks this is you know

368

00:21:45,430 --> 00:21:43,670

it sucks right it's sucking we know that

369

00:21:48,180 --> 00:21:45,440

about gravity but everything else on

370

00:21:51,730 --> 00:21:48,190

what cause we don't know we don't know

371

00:21:54,700 --> 00:21:51,740

we just know it exists it's what holds

372

00:21:57,340 --> 00:21:54,710

our galaxies together and things are in

373

00:22:00,400 --> 00:21:57,350

different stages all right there's

374

00:22:02,770 --> 00:22:00,410

different things going on but that's

375

00:22:03,370 --> 00:22:02,780

what gravity is is doing inside of our

376

00:22:10,150 --> 00:22:03,380

galaxy

377

00:22:11,680 --> 00:22:10,160

dark energy on the other hand which is

378

00:22:16,150 --> 00:22:11,690

something that we know even less about

379

00:22:19,630 --> 00:22:16,160

then gravity okay which is you know very

380

00:22:21,370 --> 00:22:19,640

close to nothing dark energy is pushing

381

00:22:23,950 --> 00:22:21,380

everything outward it's like the

382

00:22:25,950 --> 00:22:23,960

opposite of gravity right

383

00:22:29,289 --> 00:22:25,960

the universe is an ever expanding

384

00:22:33,310 --> 00:22:29,299

balloon with this dark energy pushing

385

00:22:36,010 --> 00:22:33,320

everything out and we think today that

386

00:22:38,799 --> 00:22:36,020

it makes up as much as 80 percent of our

387

00:22:40,140 --> 00:22:38,809

universe is dark energy and we don't

388

00:22:44,860 --> 00:22:40,150

know anything about it

389

00:22:48,340 --> 00:22:44,870

we don't right just theoretically that

390

00:22:51,460 --> 00:22:48,350

is what's pushing everything out and

391

00:22:53,620 --> 00:22:51,470

because of that and especially that we

392

00:22:56,620 --> 00:22:53,630

don't understand much about it I don't

393

00:22:58,720 --> 00:22:56,630

see it reversing I just don't the dark

394

00:23:00,549 --> 00:22:58,730

energy is pushing everything apart I

395

00:23:02,590 --> 00:23:00,559

don't know what is gonna be the end of

396

00:23:07,570 --> 00:23:02,600

anything or if we're gonna eventually

397

00:23:11,070 --> 00:23:07,580

collide into another universe in in

398

00:23:13,779 --> 00:23:11,080

about a billion years oh okay

399

00:23:16,350 --> 00:23:13,789

which brings me to this next thought and

400

00:23:19,539 --> 00:23:16,360

I'm gonna get that to that in a second

401  
00:23:22,149 --> 00:23:19,549  
the the universe is expanding and

402  
00:23:23,560 --> 00:23:22,159  
eventually when you get outside of our

403  
00:23:27,789 --> 00:23:23,570  
galaxy you're not gonna see anything

404  
00:23:30,640 --> 00:23:27,799  
there except the closest galaxies to us

405  
00:23:36,159 --> 00:23:30,650  
the closest galaxies does is Andromeda

406  
00:23:38,730 --> 00:23:36,169  
and Andromeda isn't moving away from us

407  
00:23:44,529 --> 00:23:38,740  
with the rest of the universe it is not

408  
00:23:47,020 --> 00:23:44,539  
no it's in some kind of weird tide and

409  
00:23:49,779 --> 00:23:47,030  
it's coming towards us it's coming to

410  
00:23:52,450 --> 00:23:49,789  
the Milky Way and in about a billion

411  
00:23:56,020 --> 00:23:52,460  
years if we're around to hang out for it

412  
00:23:58,120 --> 00:23:56,030  
it's gonna collide eventually with the

413  
00:24:01,210 --> 00:23:58,130

Milky Way so if you ever wonder how long

414

00:24:03,250 --> 00:24:01,220

would it take for us to to jet out to

415

00:24:06,039 --> 00:24:03,260

Andromeda and it's it's a long ways away

416

00:24:09,100 --> 00:24:06,049

but it would take a long time but if you

417

00:24:10,899 --> 00:24:09,110

just hang out here every day and rahmat

418

00:24:13,270 --> 00:24:10,909

is getting a little bit closer so

419

00:24:15,640 --> 00:24:13,280

eventually we'll just be able to you

420

00:24:16,780 --> 00:24:15,650

know just just just hop skip and jump

421

00:24:19,960 --> 00:24:16,790

over to it

422

00:24:22,000 --> 00:24:19,970

Andromeda is heading this way so which

423

00:24:24,280 --> 00:24:22,010

brought me to all of these weird

424

00:24:28,470 --> 00:24:24,290

thoughts all of these weird thoughts

425

00:24:32,080 --> 00:24:28,480

that I'm having and you are having I

426

00:24:34,090 --> 00:24:32,090

didn't get any sleep last night this

427

00:24:37,030 --> 00:24:34,100

came to me around 4:00 a.m. in the

428

00:24:39,690 --> 00:24:37,040

morning and it wasn't original because

429

00:24:45,250 --> 00:24:39,700

I've had it over and over and over again

430

00:24:48,430 --> 00:24:45,260

but how is it possible that I have these

431

00:24:50,530 --> 00:24:48,440

thoughts that that I have these concerns

432

00:24:53,890 --> 00:24:50,540

how is it possible

433

00:24:59,170 --> 00:24:53,900

let me explain do animals think like

434

00:25:01,510 --> 00:24:59,180

this probably not I don't see any lemurs

435

00:25:04,660 --> 00:25:01,520

you know sitting on their hands behind

436

00:25:11,110 --> 00:25:04,670

their head just man how did we get here

437

00:25:14,320 --> 00:25:11,120

you know no but something is making me

438

00:25:18,700 --> 00:25:14,330

think this way and I can't get my mind

439

00:25:21,130 --> 00:25:18,710

off of it I'm losing sleep I'm studying

440

00:25:24,400 --> 00:25:21,140

I'm trying to figure this stuff out

441

00:25:26,740 --> 00:25:24,410

and I'm finding out that all of the

442

00:25:30,670 --> 00:25:26,750

great scientists out there all of them

443

00:25:33,160 --> 00:25:30,680

are reversing even what they felt pretty

444

00:25:37,390 --> 00:25:33,170

good about 20-30 years ago all right

445

00:25:40,330 --> 00:25:37,400

they've reversed course the more the

446

00:25:44,020 --> 00:25:40,340

more that I think about it the more that

447

00:25:49,690 --> 00:25:44,030

I'm convinced that we have nothing to do

448

00:25:53,380 --> 00:25:49,700

with Earth yeah and and I think that's

449

00:25:56,680 --> 00:25:53,390

the haunting thing these memories the

450

00:25:58,860 --> 00:25:56,690

stuff is in our DNA we're getting we're

451  
00:26:05,650 --> 00:25:58,870  
getting closer to figuring it out

452  
00:26:09,730 --> 00:26:05,660  
because we were brought here there is no

453  
00:26:13,270 --> 00:26:09,740  
evidence anywhere about how we just

454  
00:26:16,720 --> 00:26:13,280  
managed to evolve over 200,000 years

455  
00:26:20,770 --> 00:26:16,730  
into us and all of you amateur

456  
00:26:23,950 --> 00:26:20,780  
anthropologist out there oh you haven't

457  
00:26:26,410 --> 00:26:23,960  
your historians save it don't post

458  
00:26:28,880 --> 00:26:26,420  
anywhere don't send me any email Church

459  
00:26:33,280 --> 00:26:28,890  
you don't know nothing I do I know

460  
00:26:37,040 --> 00:26:33,290  
a lot and we were just brought here

461  
00:26:40,850 --> 00:26:37,050  
there isn't anything anywhere that says

462  
00:26:42,320 --> 00:26:40,860  
how we evolved it's just impossible it's

463  
00:26:46,970 --> 00:26:42,330

impossible to do what we have done over

464

00:26:50,930 --> 00:26:46,980

200,000 years there's no way we are

465

00:26:54,710 --> 00:26:50,940

getting smarter and smarter every single

466

00:26:59,120 --> 00:26:54,720

day and this one question is still not

467

00:27:02,840 --> 00:26:59,130

answered why because we didn't evolve

468

00:27:05,770 --> 00:27:02,850

here that's why and there's no way to

469

00:27:10,370 --> 00:27:05,780

prove it because it just doesn't exist

470

00:27:12,260 --> 00:27:10,380

not on this planet anyway we keep going

471

00:27:13,550 --> 00:27:12,270

back and we're trying to find the fossil

472

00:27:15,830 --> 00:27:13,560

record we're trying to figure it out

473

00:27:19,760 --> 00:27:15,840

we're trying to there how differ

474

00:27:22,700 --> 00:27:19,770

comb Agnon and I'm just going straight

475

00:27:24,740 --> 00:27:22,710

of Pittacus and the links and it just

476  
00:27:28,190 --> 00:27:24,750  
doesn't exist and we're trying to make

477  
00:27:32,270 --> 00:27:28,200  
it work but we can't because it's not

478  
00:27:35,930 --> 00:27:32,280  
there there is no way that we involved

479  
00:27:37,970 --> 00:27:35,940  
we evolved into who we are today we are

480  
00:27:40,010 --> 00:27:37,980  
the only thing on this planet that does

481  
00:27:42,550 --> 00:27:40,020  
what we do and it's because we were

482  
00:27:45,820 --> 00:27:42,560  
brought here and I'm laying awake at

483  
00:27:49,100 --> 00:27:45,830  
night thinking about this and

484  
00:27:51,410 --> 00:27:49,110  
contemplating what makes us so unique on

485  
00:27:53,690 --> 00:27:51,420  
this planet why hasn't anything else

486  
00:27:56,510 --> 00:27:53,700  
evolved why hasn't anything else change

487  
00:27:58,940 --> 00:27:56,520  
wasn't anything else more not over two

488  
00:28:01,160 --> 00:27:58,950

hundred thousand years over tens of

489

00:28:07,010 --> 00:28:01,170

millions of years nothing has changed

490

00:28:10,760 --> 00:28:07,020

nothing has changed I'm I'm convinced

491

00:28:13,430 --> 00:28:10,770

that we were brought here and this this

492

00:28:17,330 --> 00:28:13,440

information our history it's in our DNA

493

00:28:21,160 --> 00:28:17,340

and it is surfacing and it is forcing us

494

00:28:24,310 --> 00:28:21,170

to ask these very important questions

495

00:28:27,560 --> 00:28:24,320

historians anthropologists professors

496

00:28:31,070 --> 00:28:27,570

phd's professionals they can't answer

497

00:28:33,740 --> 00:28:31,080

these questions they cannot do it they

498

00:28:37,940 --> 00:28:33,750

can't they can't i will go toe-to-toe

499

00:28:40,880 --> 00:28:37,950

with anybody any academic professional

500

00:28:42,440 --> 00:28:40,890

I'll go toe-to-toe on this they can

501  
00:28:45,770 --> 00:28:42,450  
argue

502  
00:28:49,150 --> 00:28:45,780  
the dogma but they can't prove anything

503  
00:28:51,350 --> 00:28:49,160  
it doesn't exist

504  
00:28:54,020 --> 00:28:51,360  
right all right

505  
00:28:58,100 --> 00:28:54,030  
this is fade to black tonight's gonna be

506  
00:29:00,470 --> 00:28:58,110  
an epic show why Richard bleep and Dolan

507  
00:29:01,850 --> 00:29:00,480  
is here tomorrow night we're gonna have

508  
00:29:03,890 --> 00:29:01,860  
China map report here with us no more

509  
00:29:08,050 --> 00:29:03,900  
fake newsroom we're gonna be taking your

510  
00:29:11,150 --> 00:29:08,060  
phone calls all night long now next week

511  
00:29:14,690 --> 00:29:11,160  
yeah I got your email you know who sent

512  
00:29:17,180 --> 00:29:14,700  
it I read the post on Twitter next week

513  
00:29:18,170 --> 00:29:17,190

I'm gonna do a Twitter night okay so

514

00:29:23,690 --> 00:29:18,180

next week

515

00:29:25,430 --> 00:29:23,700

it's just gonna be you and I okay so get

516

00:29:28,310 --> 00:29:25,440

prepared for that that'll be next week

517

00:29:30,470 --> 00:29:28,320

and the lineup that we have oh by the

518

00:29:32,600 --> 00:29:30,480

way I don't want to disclose anything

519

00:29:36,350 --> 00:29:32,610

but we've got another first-time guest

520

00:29:39,050 --> 00:29:36,360

next week that I have no idea how this

521

00:29:40,610 --> 00:29:39,060

has slipped between the cracks but you

522

00:29:41,510 --> 00:29:40,620

just wait until next week and what is

523

00:29:43,880 --> 00:29:41,520

going on there

524

00:29:46,970 --> 00:29:43,890

this is fade to black I am your host

525

00:29:51,140 --> 00:29:46,980

Jimmy church tonight Richard bleep and

526  
00:29:54,500 --> 00:29:51,150  
Dolan all night long on the game changer

527  
00:29:56,710 --> 00:29:54,510  
Network and Katie are a the planet email

528  
00:30:01,910 --> 00:29:56,720  
is Jimmy at Jimmy Church radio.com

529  
00:30:05,990 --> 00:30:01,920  
Twitter is at J Church radio it's very

530  
00:30:09,350 --> 00:30:06,000  
simple isn't it chat rooms Spreaker and

531  
00:30:12,440 --> 00:30:09,360  
K GRA the planet I'll be right back with

532  
00:30:14,560 --> 00:30:12,450  
tonight's guest Richard Dolan stay with

533  
00:30:46,600 --> 00:30:14,570  
us

534  
00:30:53,020 --> 00:30:49,640  
you're listening to Jimmy Church fade to

535  
00:31:06,770 --> 00:30:55,550  
fade to black will now pause for

536  
00:31:09,260 --> 00:31:06,780  
identification GRA radio when you take

537  
00:31:11,780 --> 00:31:09,270  
the beans from Central America with

538  
00:31:13,940 --> 00:31:11,790

dashes of indonesian and african mixed

539

00:31:17,120 --> 00:31:13,950

in and then roasted to the dark side of

540

00:31:20,690 --> 00:31:17,130

fade to black you create the ultimate

541

00:31:23,150 --> 00:31:20,700

brew of fringe introducing the fade to

542

00:31:26,360 --> 00:31:23,160

black blend from river moon coffee

543

00:31:29,270 --> 00:31:26,370

yes river moon's darkest customized

544

00:31:30,230 --> 00:31:29,280

roast was created for the love of fade

545

00:31:33,230 --> 00:31:30,240

to black

546

00:31:35,900 --> 00:31:33,240

the alchemy of masterful roasting and

547

00:31:39,470 --> 00:31:35,910

smoking the beans is in every sip of

548

00:31:42,470 --> 00:31:39,480

this full-bodied dark Java I need my

549

00:31:44,360 --> 00:31:42,480

coffee dog deep with distinct

550

00:31:47,510 --> 00:31:44,370

bittersweet chocolate highlights just

551  
00:31:49,940 --> 00:31:47,520  
like the bunker leaning further into the

552  
00:31:53,240 --> 00:31:49,950  
darkness of the roast is fade to black

553  
00:31:54,890 --> 00:31:53,250  
blend from river moon coffee just click

554  
00:31:58,190 --> 00:31:54,900  
on the banner at Jimmy Church radio.com

555  
00:32:03,250 --> 00:31:58,200  
and use the promo code F to B blend for

556  
00:32:06,080 --> 00:32:03,260  
15% off of your order today gobekli tepe

557  
00:32:08,120 --> 00:32:06,090  
what can I say about the most popular

558  
00:32:10,550 --> 00:32:08,130  
tea on the Internet and what a customers

559  
00:32:14,720 --> 00:32:10,560  
say about life change to eat at get to

560  
00:32:17,450 --> 00:32:14,730  
tea calm a lot but by federal law we get

561  
00:32:19,910 --> 00:32:17,460  
the tea DICOM cannot make claims to how

562  
00:32:21,920 --> 00:32:19,920  
this product can enhance your health we

563  
00:32:24,650 --> 00:32:21,930

cannot even post our testimonies without

564

00:32:27,170 --> 00:32:24,660

being in compliance so how do we get

565

00:32:30,290 --> 00:32:27,180

past the hump try our products that get

566

00:32:32,930 --> 00:32:30,300

the tea calm and see for yourself you

567

00:32:34,720 --> 00:32:32,940

can send us a testimony but we just

568

00:32:38,660 --> 00:32:34,730

can't post it bummer

569

00:32:40,340 --> 00:32:38,670

our products are GMO free and organic we

570

00:32:42,710 --> 00:32:40,350

pride ourself in being the best we can

571

00:32:45,740 --> 00:32:42,720

be and we urge you to take charge of

572

00:32:47,660 --> 00:32:45,750

your health we're loving your strong and

573

00:32:49,700 --> 00:32:47,670

many of our customers have shared their

574

00:32:52,610 --> 00:32:49,710

successes with friends and family

575

00:32:56,360 --> 00:32:52,620

protect your colon log on to get the tea

576

00:33:02,840 --> 00:32:56,370

calm let's get the t-dot-com

577

00:33:08,299 --> 00:33:02,850

the t-dot-com get t.com nine out of ten

578

00:33:13,700 --> 00:33:08,309

geneticists agreed fade to black

579

get your cell free shipping that's right

604  
00:34:45,359 --> 00:34:43,629  
tonight Richard Dolan he's one of the

605  
00:34:48,389 --> 00:34:45,369  
world's leading researchers and writers

606  
00:34:50,490 --> 00:34:48,399  
on the subject of UFOs that's right and

607  
00:34:52,609 --> 00:34:50,500  
he believes they constitute the greatest

608  
00:34:55,680 --> 00:34:52,619  
mystery of our time because it does

609  
00:34:56,940 --> 00:34:55,690  
richer completed his graduate graduate

610  
00:34:59,809 --> 00:34:56,950  
work at the University of Rochester

611  
00:35:02,010 --> 00:34:59,819  
where he studied us cold war strategy

612  
00:35:04,920 --> 00:35:02,020  
European history and international

613  
00:35:07,290 --> 00:35:04,930

diplomacy before that he had studied at

614

00:35:09,059 --> 00:35:07,300

Alfred University in Oxford University

615

00:35:11,430 --> 00:35:09,069

and he has been a finalist for a Rhodes

616

00:35:13,049 --> 00:35:11,440

Scholarship he's the author of UFOs and

617

00:35:15,960 --> 00:35:13,059

national security state he co-authored

618

00:35:18,390 --> 00:35:15,970

with Bryce Abel ad after disclosure and

619

00:35:20,670 --> 00:35:18,400

his latest book UFOs in the 21st century

620

00:35:22,260 --> 00:35:20,680

mind yes and of course I'm gonna ask him

621

00:35:24,720 --> 00:35:22,270

about his forthcoming book on false

622

00:35:27,480 --> 00:35:24,730

flags he also hosts his weekly radio

623

00:35:29,880 --> 00:35:27,490

show right here on KCRA the Richard

624

00:35:31,319 --> 00:35:29,890

Dolan show and he's a frequent guest

625

00:35:34,020 --> 00:35:31,329

over at coast-to-coast

626

00:35:35,700 --> 00:35:34,030

am and he's currently featured on many

627

00:35:37,770 --> 00:35:35,710

television series and documentaries

628

00:35:40,140 --> 00:35:37,780

including ancient aliens hangar 1 UFO

629

00:35:44,220 --> 00:35:40,150

FILES Close Encounters and he's also got

630

00:35:46,410 --> 00:35:44,230

his new show over on Gaia TV in addition

631

00:35:49,079 --> 00:35:46,420

to his research he has Richard Dolan

632

00:35:50,700 --> 00:35:49,089

press and he actively publishes

633

00:35:53,160 --> 00:35:50,710

innovative books about authors from

634

00:35:55,049 --> 00:35:53,170

around the world tonight the gloves are

635

00:35:57,390 --> 00:35:55,059

round we're gonna discuss everything

636

00:35:59,579 --> 00:35:57,400

inside and outside of our UFO community

637

00:36:01,890 --> 00:35:59,589

and I would like to welcome back to fade

638

00:36:04,039 --> 00:36:01,900

to black the one and only Richard bleep

639

00:36:06,839 --> 00:36:04,049

and Dolan Richard good evening

640

00:36:09,539 --> 00:36:06,849

hello Jimmy mr. Jimmy it's a pleasure to

641

00:36:11,849 --> 00:36:09,549

be here it's do you know how long it's

642

00:36:14,420 --> 00:36:11,859

been since you've been on the show what

643

00:36:19,500 --> 00:36:14,430

two weeks yeah you would think right

644

00:36:21,420 --> 00:36:19,510

thinking November 2017 no way yeah

645

00:36:24,770 --> 00:36:21,430

that's impossible I know I know you've

646

00:36:27,809 --> 00:36:24,780

done I know you've done some special

647

00:36:30,420 --> 00:36:27,819

appearances you've done some drive-bys

648

00:36:33,130 --> 00:36:30,430

but you haven't been on I

649

00:36:34,300 --> 00:36:33,140

how's that posture they song with you I

650

00:36:37,330 --> 00:36:34,310

know what

651

00:36:40,660 --> 00:36:37,340

where was that stack let me just had I

652

00:36:43,840 --> 00:36:40,670

sang pretty perfect harmony I made that

653

00:36:46,210 --> 00:36:43,850

song succeed you know when we when we

654

00:36:48,970 --> 00:36:46,220

hit them when we hit those harmonies and

655

00:36:51,660 --> 00:36:48,980

to watch a hundred and fifty people spin

656

00:36:54,250 --> 00:36:51,670

around and look and go wow they hit it

657

00:36:56,740 --> 00:36:54,260

it took two and a half minutes but they

658

00:36:59,080 --> 00:36:56,750

got there that's pretty cool man that

659

00:37:00,370 --> 00:36:59,090

was pretty cool actually I'm a bit

660

00:37:04,180 --> 00:37:00,380

surprised that it has been since

661

00:37:07,000 --> 00:37:04,190

November I know last I know yeah you did

662

00:37:09,970 --> 00:37:07,010

something in February a drive-by anyway

663

00:37:13,210 --> 00:37:09,980

welcome back man welcome back we talk

664

00:37:15,640 --> 00:37:13,220

often but it just is you didn't have you

665

00:37:17,770 --> 00:37:15,650

had someone I guess a family member

666

00:37:20,260 --> 00:37:17,780

yes someone that I'm married to yeah on

667

00:37:22,990 --> 00:37:20,270

your show a couple of months ago and

668

00:37:28,810 --> 00:37:23,000

that way and you did a drive-by that's

669

00:37:31,600 --> 00:37:28,820

all he did he stopped by so welcome back

670

00:37:34,270 --> 00:37:31,610

and so much has gone down this year but

671

00:37:36,370 --> 00:37:34,280

before we get there I want to I'm sure

672

00:37:38,920 --> 00:37:36,380

you were listening to my little opening

673

00:37:42,130 --> 00:37:38,930

statement and if you didn't blindside

674

00:37:46,540 --> 00:37:42,140

you right now okay in all of your UFO

675

00:37:49,330 --> 00:37:46,550

research the question that I often ask

676

00:37:52,090 --> 00:37:49,340

myself is how did we get here how did

677

00:37:54,580 --> 00:37:52,100

Homo sapiens sapiens I'm sure you've

678

00:37:57,550 --> 00:37:54,590

thought about that a lot and before I

679

00:38:00,010 --> 00:37:57,560

ask you that question you know how to

680

00:38:02,230 --> 00:38:00,020

make an okay sign right you know with

681

00:38:04,510 --> 00:38:02,240

your thumb and forefinger right you make

682

00:38:07,300 --> 00:38:04,520

the okay sign this is what I want you to

683

00:38:10,090 --> 00:38:07,310

do Richard after the show I want you to

684

00:38:12,550 --> 00:38:10,100

go outside of your beautiful home up

685

00:38:15,130 --> 00:38:12,560

there in upstate New York I want you to

686

00:38:19,330 --> 00:38:15,140

walk out look at the the night sky in

687

00:38:22,360 --> 00:38:19,340

the Stars find a blank spot a black spot

688

00:38:25,540 --> 00:38:22,370

where there's no stars and take the okay

689

00:38:28,810 --> 00:38:25,550

sign that you know how to make and go up

690

00:38:32,470 --> 00:38:28,820

to that blank spot in the sky hold it up

691

00:38:35,530 --> 00:38:32,480

and look through the okay sign because

692

00:38:41,109 --> 00:38:35,540

when you do that that little black chunk

693

00:38:45,670 --> 00:38:41,119

of the sky you are looking at 175,000

694

00:38:47,739 --> 00:38:45,680

galaxies that's amazing right that's

695

00:38:51,609 --> 00:38:47,749

amazing that's amazing when we think of

696

00:38:56,230 --> 00:38:51,619

it in that in that perspective 170 I

697

00:38:58,930 --> 00:38:56,240

realize just how how tiny we are we have

698

00:39:02,890 --> 00:38:58,940

our own grandness in our existence but

699

00:39:04,359 --> 00:39:02,900

when we do it what a beautiful thing to

700

00:39:06,489 --> 00:39:04,369

do and you know what I will do that

701  
00:39:08,859 --> 00:39:06,499  
Tracy and I will do that when we're done

702  
00:39:12,299 --> 00:39:08,869  
here it's an amazing I think it's a it's

703  
00:39:14,710 --> 00:39:12,309  
a beautiful and very thought-provoking

704  
00:39:15,849 --> 00:39:14,720  
experience to do and I'm glad that you

705  
00:39:19,239 --> 00:39:15,859  
mentioned that so yeah thank you for

706  
00:39:23,460 --> 00:39:19,249  
that 175 to show and each one of those

707  
00:39:31,539 --> 00:39:23,470  
galaxies 500 billion to a trillion stars

708  
00:39:34,420 --> 00:39:31,549  
in Greenwich right and lo and you can do

709  
00:39:37,420 --> 00:39:34,430  
that anywhere in the night sky right and

710  
00:39:40,480 --> 00:39:37,430  
go to the southern hemisphere and and

711  
00:39:41,230 --> 00:39:40,490  
and have another crack at it it's it's

712  
00:39:45,579 --> 00:39:41,240  
everywhere

713  
00:39:48,309 --> 00:39:45,589

but the the thought of us being alone in

714

00:39:51,489 --> 00:39:48,319

this big beautiful universe of ours is

715

00:39:54,549 --> 00:39:51,499

is is ludicrous it's just an

716

00:39:57,700 --> 00:39:54,559

impossibility but how did we get here

717

00:39:59,589 --> 00:39:57,710

Richard how did you get to the point

718

00:40:01,749 --> 00:39:59,599

where you are able to think

719

00:40:04,170 --> 00:40:01,759

intelligently and ask the questions

720

00:40:07,329 --> 00:40:04,180

laughs are we going here tonight yeah

721

00:40:10,029 --> 00:40:07,339

you know how is it possible that it's

722

00:40:12,700 --> 00:40:10,039

just us on this planet and nobody else

723

00:40:16,200 --> 00:40:12,710

is evolved in the last 10 20 million

724

00:40:18,700 --> 00:40:16,210

years but in 200 thousand years you

725

00:40:22,470 --> 00:40:18,710

evolved to the point where you could

726

00:40:26,049 --> 00:40:22,480

marry Tracy and and laugh and

727

00:40:28,450 --> 00:40:26,059

contemplate and have emotions and and

728

00:40:33,700 --> 00:40:28,460

wonder about the universe how is that

729

00:40:36,700 --> 00:40:33,710

possible well I I guess I have to say I

730

00:40:41,440 --> 00:40:36,710

don't know how it's possible but when

731

00:40:43,479 --> 00:40:41,450

when I reflect on it you know we we are

732

00:40:46,239 --> 00:40:43,489

told and scientists will tell us that

733

00:40:50,200 --> 00:40:46,249

the earth is about 4.6 billion years old

734

00:40:51,849 --> 00:40:50,210

we're told that life microbial life has

735

00:40:54,279 --> 00:40:51,859

existed on this planet for I don't know

736

00:40:56,859 --> 00:40:54,289

something like I think 3 billion years

737

00:40:59,199 --> 00:40:56,869

complex organisms much less than 1

738

00:41:02,919 --> 00:40:59,209

billion years or at least highly complex

739

00:41:06,249 --> 00:41:02,929

so all of this takes time to develop a

740

00:41:10,269 --> 00:41:06,259

certain level of complexity so that we

741

00:41:12,759 --> 00:41:10,279

we are able to exist and you know other

742

00:41:14,769 --> 00:41:12,769

animals have different levels of

743

00:41:17,229 --> 00:41:14,779

consciousness and some have very eye

744

00:41:19,900 --> 00:41:17,239

I would imagine very high levels of

745

00:41:21,789 --> 00:41:19,910

consciousness in many cases but we have

746

00:41:24,969 --> 00:41:21,799

a certain uniqueness about us I think

747

00:41:27,549 --> 00:41:24,979

and it took a long time for us to get

748

00:41:30,880 --> 00:41:27,559

here on the other hand if you really

749

00:41:32,739 --> 00:41:30,890

think about it we've organized a very

750

00:41:35,679 --> 00:41:32,749

high level of consciousness in less than

751

00:41:38,579 --> 00:41:35,689

1 billion years as far as life goes the

752

00:41:41,859 --> 00:41:38,589

universe we believe this universe is

753

00:41:45,039 --> 00:41:41,869

said to be about 13 to 14 billion years

754

00:41:47,229 --> 00:41:45,049

old so I don't know you know they say

755

00:41:48,909 --> 00:41:47,239

but some scientists will say that

756

00:41:50,849 --> 00:41:48,919

consciousness is the whole point of this

757

00:41:55,150 --> 00:41:50,859

universe in fact that it is the

758

00:41:57,130 --> 00:41:55,160

foundation of the universe and I'm

759

00:41:58,809 --> 00:41:57,140

inclined to think maybe that's so I mean

760

00:42:01,059 --> 00:41:58,819

I there's answers that I'll never ever

761

00:42:03,489 --> 00:42:01,069

have but the one thing I'll just add

762

00:42:06,219 --> 00:42:03,499

though before we move on to wherever you

763

00:42:08,140 --> 00:42:06,229

want to go is that example you have of

764

00:42:11,169 --> 00:42:08,150

having the okay sign and looking at the

765

00:42:14,109 --> 00:42:11,179

however many trillions of stars and

766

00:42:17,229 --> 00:42:14,119

billions of galaxies there is a there

767

00:42:19,120 --> 00:42:17,239

was a great philosopher about 300 plus

768

00:42:21,130 --> 00:42:19,130

years ago Blaise Pascal many people know

769

00:42:24,939 --> 00:42:21,140

of him yeah he's actually one of my

770

00:42:27,549 --> 00:42:24,949

favorites and Pascal made a comment once

771

00:42:30,149 --> 00:42:27,559

he he wrote you know when you look at

772

00:42:34,419 --> 00:42:30,159

this the the scale of the human being

773

00:42:36,099 --> 00:42:34,429

we're so much tinier than the largest

774

00:42:38,739 --> 00:42:36,109

expanse of the universe that were just

775

00:42:42,999 --> 00:42:38,749

insignificant but we're so much larger

776

00:42:44,289 --> 00:42:43,009

than the tiniest cellular organism or

777

00:42:47,439 --> 00:42:44,299

whatever he was able to conceive of he

778

00:42:49,809 --> 00:42:47,449

says the tiniest tiniest atom is as

779

00:42:51,399 --> 00:42:49,819

small to us as we are to the largest

780

00:42:53,829 --> 00:42:51,409

galaxy says we're kind of in this

781

00:42:56,819 --> 00:42:53,839

strange middle ground it seems and that

782

00:42:59,109 --> 00:42:56,829

he said both of these extremes are

783

00:43:00,789 --> 00:42:59,119

released from his perspective kind of uh

784

00:43:04,269 --> 00:43:00,799

knopf limits to us like we couldn't

785

00:43:05,829 --> 00:43:04,279

really understand them it's kind of an

786

00:43:07,870 --> 00:43:05,839

interesting perspective you know like

787

00:43:09,819 --> 00:43:07,880

the tiniest of the tiny and

788

00:43:11,950 --> 00:43:09,829

rgeous of the large and of course three

789

00:43:14,499 --> 00:43:11,960

for centuries have gone by and and we

790

00:43:19,299 --> 00:43:14,509

are exploring those those great

791

00:43:22,210 --> 00:43:19,309

mysteries pretty well but I still often

792

00:43:27,190 --> 00:43:22,220

pondered on Pascal I think there's

793

00:43:29,140 --> 00:43:27,200

there's so much that is like there are

794

00:43:31,359 --> 00:43:29,150

different universes all around us all

795

00:43:35,200 --> 00:43:31,369

the time the very great and the very

796

00:43:39,839 --> 00:43:35,210

very small and so here we are in the

797

00:43:43,720 --> 00:43:39,849

middle yeah and I the the part that that

798

00:43:46,329 --> 00:43:43,730

really confuses me and we don't have the

799

00:43:48,430 --> 00:43:46,339

answers for and it's unbelievable that

800

00:43:51,970 --> 00:43:48,440

we don't well I know why we don't which

801  
00:43:54,339 --> 00:43:51,980  
is Homo sapiens sapiens two hundred

802  
00:43:56,650 --> 00:43:54,349  
thousand years on this planet two

803  
00:44:03,759 --> 00:43:56,660  
hundred thousand years that's it that's

804  
00:44:06,130 --> 00:44:03,769  
it I just I have been thinking about

805  
00:44:09,039 --> 00:44:06,140  
this and Tracy could tell you like for

806  
00:44:11,920 --> 00:44:09,049  
the last particularly the last month I

807  
00:44:14,589 --> 00:44:11,930  
have just on my own maybe it's the

808  
00:44:16,809 --> 00:44:14,599  
ancient aliens phenomenon and wondering

809  
00:44:18,940 --> 00:44:16,819  
about ancient astronauts and how did we

810  
00:44:20,890 --> 00:44:18,950  
get here just as you were asking but

811  
00:44:23,410 --> 00:44:20,900  
I've I've actually been reading a few

812  
00:44:25,450 --> 00:44:23,420  
books just academic books standard

813  
00:44:27,039 --> 00:44:25,460

university books on human prehistory

814

00:44:28,720 --> 00:44:27,049

because I'm trying to figure this out

815

00:44:30,370 --> 00:44:28,730

and I want to know what what are the

816

00:44:33,220 --> 00:44:30,380

conventional historians and the

817

00:44:35,799 --> 00:44:33,230

conventional pre historians where are

818

00:44:37,749 --> 00:44:35,809

they at in human history because I want

819

00:44:39,160 --> 00:44:37,759

to know what they know and then I want

820

00:44:40,839 --> 00:44:39,170

to know everything that like Graham

821

00:44:42,579 --> 00:44:40,849

Hancock knows and I want to know

822

00:44:44,230 --> 00:44:42,589

everything that all these other people

823

00:44:46,990 --> 00:44:44,240

who are exploring this know because I

824

00:44:48,910 --> 00:44:47,000

I'm tired of not knowing it it's kind of

825

00:44:51,700 --> 00:44:48,920

how I felt 25 years ago when I first

826  
00:44:54,789 --> 00:44:51,710  
encountered the UFO mystery in general

827  
00:44:57,190 --> 00:44:54,799  
in the modern era I wanted to know what

828  
00:44:58,660 --> 00:44:57,200  
what the other experts knew I didn't

829  
00:45:00,509 --> 00:44:58,670  
like having this big question mark over

830  
00:45:02,890 --> 00:45:00,519  
my head and I'm I've been feeling lately

831  
00:45:04,029 --> 00:45:02,900  
very similarly relating to human

832  
00:45:05,890 --> 00:45:04,039  
prehistory so it's just kind of

833  
00:45:08,079 --> 00:45:05,900  
interesting that you brought this up

834  
00:45:10,839 --> 00:45:08,089  
when you did see me I think it's been

835  
00:45:14,109 --> 00:45:10,849  
triggered in our DNA the information is

836  
00:45:15,999 --> 00:45:14,119  
there and suddenly we're starting to ask

837  
00:45:17,630 --> 00:45:16,009  
you know some very big difficult

838  
00:45:22,099 --> 00:45:17,640

questions

839

00:45:24,440 --> 00:45:22,109

and the 200,000 years obviously is not

840

00:45:27,160 --> 00:45:24,450

enough time for us to evolve into who we

841

00:45:29,930 --> 00:45:27,170

are but the whole Missing Link issue

842

00:45:32,390 --> 00:45:29,940

which has not been resolved and

843

00:45:34,549 --> 00:45:32,400

everything that exists on this planet in

844

00:45:38,900 --> 00:45:34,559

the fossil record doesn't fit into us I

845

00:45:41,359 --> 00:45:38,910

don't care what anthropologists say er I

846

00:45:44,569 --> 00:45:41,369

don't know if I would agree with you I

847

00:45:46,670 --> 00:45:44,579

mean there's always missing pieces of

848

00:45:48,710 --> 00:45:46,680

the archaeological evidence because

849

00:45:51,049 --> 00:45:48,720

after all bones don't really survive

850

00:45:52,880 --> 00:45:51,059

very well when you go thousands and

851

00:45:55,789 --> 00:45:52,890

millions of years and there's a lot of

852

00:45:57,109 --> 00:45:55,799

history to cover but I don't know if I

853

00:45:59,029 --> 00:45:57,119

would agree that there's no missing link

854

00:46:00,680 --> 00:45:59,039

or I'm not sure if I really understand

855

00:46:02,990 --> 00:46:00,690

even what that means anymore

856

00:46:05,120 --> 00:46:03,000

two hundred thousand years ago we have

857

00:46:07,250 --> 00:46:05,130

the first remains that we are aware of

858

00:46:09,829 --> 00:46:07,260

of humans who are like us so that's

859

00:46:11,509 --> 00:46:09,839

homeless AP and sapiens as we call it at

860

00:46:15,349 --> 00:46:11,519

the same time we had genetic cousins and

861

00:46:17,750 --> 00:46:15,359

the under Thals who you could meet a

862

00:46:18,890 --> 00:46:17,760

Neanderthal in a modern suit and you

863

00:46:21,259 --> 00:46:18,900

might think well it looks a little odd

864

00:46:24,470 --> 00:46:21,269

but he seems like a regular guy so they

865

00:46:25,940 --> 00:46:24,480

they looked similar enough to us I mean

866

00:46:28,279 --> 00:46:25,950

there were differences of course but

867

00:46:31,220 --> 00:46:28,289

they had a larger brain capacity than we

868

00:46:33,170 --> 00:46:31,230

do actually and there was tough as nails

869

00:46:36,319 --> 00:46:33,180

like tougher than any football player

870

00:46:39,230 --> 00:46:36,329

out there but they were you know they

871

00:46:40,309 --> 00:46:39,240

lived during our period of time and a

872

00:46:43,999 --> 00:46:40,319

little bit before and then there were

873

00:46:46,220 --> 00:46:44,009

earlier versions of the human body plan

874

00:46:48,440 --> 00:46:46,230

and new human being so I don't know I

875

00:46:48,799 --> 00:46:48,450

mean there I don't know all of the

876  
00:46:51,890 --> 00:46:48,809  
answers

877  
00:46:54,680 --> 00:46:51,900  
but it is it is very strange I will

878  
00:46:56,630 --> 00:46:54,690  
agree a 200 thousand years is not a long

879  
00:46:59,480 --> 00:46:56,640  
time but then think about this this is

880  
00:47:01,549 --> 00:46:59,490  
something that's been dark guarding my

881  
00:47:02,839 --> 00:47:01,559  
attention which is we've been here two

882  
00:47:05,720 --> 00:47:02,849  
hundred thousand years and we have had

883  
00:47:06,980 --> 00:47:05,730  
what we call civilization for less than

884  
00:47:09,980 --> 00:47:06,990  
ten thousand years

885  
00:47:11,870 --> 00:47:09,990  
less than that so we've had writing for

886  
00:47:14,269 --> 00:47:11,880  
roughly six thousand years

887  
00:47:17,900 --> 00:47:14,279  
Kanaya form so as we know that was

888  
00:47:20,269 --> 00:47:17,910

invented in Sumer about 4000 BCE so we

889

00:47:22,970 --> 00:47:20,279

talk in 6000 years ago the wheel was

890

00:47:24,799 --> 00:47:22,980

invented around the same time shortly

891

00:47:26,900 --> 00:47:24,809

before that we get some domestication of

892

00:47:28,579 --> 00:47:26,910

animals and of the grains so you

893

00:47:31,000 --> 00:47:28,589

basically go back let's say ten thousand

894

00:47:34,090 --> 00:47:31,010

years and prior to that

895

00:47:36,580 --> 00:47:34,100

human beings lived exclusively as

896

00:47:39,940 --> 00:47:36,590

hunters and gatherers for a hundred and

897

00:47:42,670 --> 00:47:39,950

ninety thousand of those years and and

898

00:47:44,680 --> 00:47:42,680

then we began the most radical of

899

00:47:48,910 --> 00:47:44,690

transformations that is well you know

900

00:47:50,980 --> 00:47:48,920

the Agricultural Revolution and and

901  
00:47:53,280 --> 00:47:50,990  
transformed we domesticated ourselves

902  
00:47:55,870 --> 00:47:53,290  
fundamentally and we changed ourselves

903  
00:47:58,330 --> 00:47:55,880  
biologically and of course socially and

904  
00:48:00,970 --> 00:47:58,340  
intellectually in many ways but that's

905  
00:48:04,300 --> 00:48:00,980  
the transformation that just keeps

906  
00:48:07,510 --> 00:48:04,310  
getting my attention like we went as in

907  
00:48:09,280 --> 00:48:07,520  
in a certain way for nearly two hundred

908  
00:48:13,090 --> 00:48:09,290  
thousand years and then BOOM

909  
00:48:15,099 --> 00:48:13,100  
changed ourselves completely I can't

910  
00:48:16,900 --> 00:48:15,109  
wrap my brain around that no and and I

911  
00:48:19,480 --> 00:48:16,910  
think about it all the time and this is

912  
00:48:22,540 --> 00:48:19,490  
my twisted this is my twisted way of

913  
00:48:27,540 --> 00:48:22,550

resolving the issue think about this for

914

00:48:32,349 --> 00:48:27,550

a second Richard you've got a cave man a

915

00:48:35,230 --> 00:48:32,359

cave man sitting in a cave wife walks in

916

00:48:37,780 --> 00:48:35,240

and she says what are you doing why

917

00:48:41,260 --> 00:48:37,790

aren't you out there getting some food

918

00:48:43,990 --> 00:48:41,270

we need to survive another day and night

919

00:48:47,349 --> 00:48:44,000

on this planet and he's sitting there

920

00:48:54,970 --> 00:48:47,359

and he says you know I just figured it

921

00:48:57,700 --> 00:48:54,980

out I've just domesticated wheat wait

922

00:48:58,840 --> 00:48:57,710

wait wait we need to eat now no but I

923

00:49:03,099 --> 00:48:58,850

figured it out

924

00:49:06,750 --> 00:49:03,109

I've domesticated wheat how does that

925

00:49:08,940 --> 00:49:06,760

light bulb go off with stone eh man

926

00:49:12,120 --> 00:49:08,950

Denise you're reading a book on this and

927

00:49:14,140 --> 00:49:12,130

it's a very it's a book by a standard

928

00:49:15,430 --> 00:49:14,150

university historian I'm just gonna

929

00:49:17,950 --> 00:49:15,440

mention maybe he's probably gonna be

930

00:49:19,900 --> 00:49:17,960

horrified that a UFO guy is talking

931

00:49:22,270 --> 00:49:19,910

about his work because he's over I think

932

00:49:24,010 --> 00:49:22,280

at Yale or somewhere James C Scott a

933

00:49:27,700 --> 00:49:24,020

book called against the grain and it's a

934

00:49:29,290 --> 00:49:27,710

really quite an excellent book on on how

935

00:49:30,609 --> 00:49:29,300

this all happened and one thing he

936

00:49:32,140 --> 00:49:30,619

points out and I have to say he really

937

00:49:35,980 --> 00:49:32,150

is enlightened me on some of my

938

00:49:37,180 --> 00:49:35,990

misconceptions his argument and I think

939

00:49:38,560 --> 00:49:37,190

it sounds like he's got a reasonable

940

00:49:41,380 --> 00:49:38,570

argument is that the hunter-gatherers

941

00:49:43,060 --> 00:49:41,390

were not they had a pretty good life at

942

00:49:43,749 --> 00:49:43,070

least in certain certain parts of the

943

00:49:46,599 --> 00:49:43,759

world certainly

944

00:49:48,009 --> 00:49:46,609

potamia ten plus thousand years ago that

945

00:49:49,989 --> 00:49:48,019

was a very good environment to live in

946

00:49:51,279 --> 00:49:49,999

they had a better diet they lived

947

00:49:53,979 --> 00:49:51,289

healthier that a larger brain capacity

948

00:49:56,469 --> 00:49:53,989

then the farmers did they had less

949

00:49:57,729 --> 00:49:56,479

drudgery in his argument so the question

950

00:50:00,669 --> 00:49:57,739

that he was asking is why bother

951  
00:50:03,219 --> 00:50:00,679  
domesticating grain at all and I haven't

952  
00:50:05,939 --> 00:50:03,229  
gotten to his crux yet as to why but I

953  
00:50:09,669 --> 00:50:05,949  
think the part of the answer is and

954  
00:50:12,009 --> 00:50:09,679  
population pressures that required that

955  
00:50:15,729 --> 00:50:12,019  
that grain provided a solution to but

956  
00:50:17,979 --> 00:50:15,739  
actually his argument is that if you

957  
00:50:21,639 --> 00:50:17,989  
look at nomads around the world you have

958  
00:50:24,249 --> 00:50:21,649  
to really force them to bow down to

959  
00:50:26,339 --> 00:50:24,259  
agriculture like they have a life that

960  
00:50:28,749 --> 00:50:26,349  
they actually become quite attached to

961  
00:50:30,759 --> 00:50:28,759  
semi-nomadic and it's not all just one

962  
00:50:32,349 --> 00:50:30,769  
thing you've got pastoralism you've got

963  
00:50:33,759 --> 00:50:32,359

they do have some grains that they will

964

00:50:35,589 --> 00:50:33,769

grow it's not like they never grow

965

00:50:39,009 --> 00:50:35,599

anything so there's a little bit of this

966

00:50:41,889 --> 00:50:39,019

a little bit of that it's a very very

967

00:50:43,929 --> 00:50:41,899

interesting book and one thing that it

968

00:50:47,739 --> 00:50:43,939

really has helped me is it develop a

969

00:50:50,559 --> 00:50:47,749

great appreciation for the incredible

970

00:50:52,659 --> 00:50:50,569

sophistication that was required to be a

971

00:50:55,149 --> 00:50:52,669

true hunter-gatherer you had to engage

972

00:50:57,099 --> 00:50:55,159

in nature in a way that even farmers

973

00:50:59,169 --> 00:50:57,109

don't really engage farmers grow one

974

00:51:00,489 --> 00:50:59,179

crop or a couple of crops and you know

975

00:51:04,239 --> 00:51:00,499

of a couple of animals if you're a

976  
00:51:05,979 --> 00:51:04,249  
hunter-gatherer you have to know all the

977  
00:51:07,599 --> 00:51:05,989  
bird patterns the migration patterns of

978  
00:51:09,309 --> 00:51:07,609  
all the animals and old everything else

979  
00:51:11,409 --> 00:51:09,319  
and you've got like a two-week window

980  
00:51:14,589 --> 00:51:11,419  
for this herd to come over here for

981  
00:51:16,029 --> 00:51:14,599  
their migration you've got a three week

982  
00:51:19,439 --> 00:51:16,039  
window for that one and you've got to be

983  
00:51:24,370 --> 00:51:19,449  
on top of all of it and it required a

984  
00:51:26,409 --> 00:51:24,380  
level of of cognition that what he I

985  
00:51:28,629 --> 00:51:26,419  
think he argued is that we actually kind

986  
00:51:30,339 --> 00:51:28,639  
of domed ourselves down with the advent

987  
00:51:31,509 --> 00:51:30,349  
of civilization and it's funny because

988  
00:51:33,219 --> 00:51:31,519

you only could really get an academic

989

00:51:35,129 --> 00:51:33,229

making this argument but I think he

990

00:51:37,809 --> 00:51:35,139

really argues that the whole this whole

991

00:51:40,599 --> 00:51:37,819

civilization thing was a big mistake so

992

00:51:42,819 --> 00:51:40,609

I'm not sure I'm going to go that far

993

00:51:45,099 --> 00:51:42,829

but I think that actually as part of his

994

00:51:46,479 --> 00:51:45,109

argument and from a certain point of

995

00:51:48,819 --> 00:51:46,489

view you could say well yeah the guy's

996

00:51:50,799 --> 00:51:48,829

got a point maybe we've dumbed ourselves

997

00:51:52,629 --> 00:51:50,809

down and it makes me think it makes me

998

00:51:55,689 --> 00:51:52,639

wonder you take this into our own

999

00:51:56,820 --> 00:51:55,699

civilization and all anyone has to do is

1000

00:51:58,860 --> 00:51:56,830

look around

1001  
00:52:00,540 --> 00:51:58,870  
and I'm not here to knock all of my

1002  
00:52:02,310 --> 00:52:00,550  
neighbors or knock anyone else that I'm

1003  
00:52:04,200 --> 00:52:02,320  
friends with but you know most of us

1004  
00:52:06,740 --> 00:52:04,210  
what do we really do with our lives how

1005  
00:52:09,210 --> 00:52:06,750  
much are we really engaging ourselves

1006  
00:52:11,070 --> 00:52:09,220  
when it comes to our life in this world

1007  
00:52:12,810 --> 00:52:11,080  
and everything around us and how how

1008  
00:52:14,700 --> 00:52:12,820  
deeply are most of us really thinking

1009  
00:52:16,860 --> 00:52:14,710  
about things and maybe the answer is not

1010  
00:52:19,980 --> 00:52:16,870  
so much and maybe the answer is we don't

1011  
00:52:21,600 --> 00:52:19,990  
really do a whole lot compared to our

1012  
00:52:25,020 --> 00:52:21,610  
ancestors of ten thousand twenty

1013  
00:52:27,660 --> 00:52:25,030

thousand years ago when you're told you

1014

00:52:30,300 --> 00:52:27,670

know your whole life growing up all you

1015

00:52:33,720 --> 00:52:30,310

need to do is get out of high school and

1016

00:52:35,970 --> 00:52:33,730

get a job get married so you can get

1017

00:52:37,770 --> 00:52:35,980

your first car and make your first car

1018

00:52:40,020 --> 00:52:37,780

payment and start to establish your

1019

00:52:42,900 --> 00:52:40,030

credit because that's what life is about

1020

00:52:46,530 --> 00:52:42,910

and your golden ring at the end of the

1021

00:52:48,750 --> 00:52:46,540

rainbow is gonna be a paid-for house

1022

00:52:50,700 --> 00:52:48,760

with a pool in the back and then you can

1023

00:52:53,370 --> 00:52:50,710

have your children do the same thing

1024

00:52:56,660 --> 00:52:53,380

that that is the meaning of life yeah

1025

00:52:59,790 --> 00:52:56,670

and like you can't convince me that

1026

00:53:01,260 --> 00:52:59,800

going to high school and sitting at the

1027

00:53:03,120 --> 00:53:01,270

same desk and listening the same teacher

1028

00:53:04,890 --> 00:53:03,130

and talking to the same people day after

1029

00:53:07,280 --> 00:53:04,900

day is going to be the same level of

1030

00:53:09,990 --> 00:53:07,290

education as living out in the wild

1031

00:53:11,100 --> 00:53:10,000

studying nature that's right on a daily

1032

00:53:12,360 --> 00:53:11,110

basis like there's no way you're gonna

1033

00:53:14,670 --> 00:53:12,370

tell me that that's the same kind of

1034

00:53:16,560 --> 00:53:14,680

mental experience I think there's

1035

00:53:18,570 --> 00:53:16,570

absolutely no comparison between the two

1036

00:53:21,120 --> 00:53:18,580

and when you think of it that way you

1037

00:53:22,650 --> 00:53:21,130

really could argue we have not simply

1038

00:53:25,110 --> 00:53:22,660

domesticated us so we really have

1039

00:53:27,200 --> 00:53:25,120

transformed ourselves as as he pointed

1040

00:53:30,720 --> 00:53:27,210

out in this book against the green

1041

00:53:32,670 --> 00:53:30,730

physiologically but we've really we have

1042

00:53:36,000 --> 00:53:32,680

truly domesticated not just the animals

1043

00:53:39,360 --> 00:53:36,010

and grains but ourselves and in some

1044

00:53:41,150 --> 00:53:39,370

ways it's it's made life easier in some

1045

00:53:44,190 --> 00:53:41,160

cases but in a lot of ways it's made it

1046

00:53:47,850 --> 00:53:44,200

perhaps much less interesting and and we

1047

00:53:49,590 --> 00:53:47,860

are much less engaged as actual animals

1048

00:53:53,700 --> 00:53:49,600

and creatures on this planet than than

1049

00:53:56,100 --> 00:53:53,710

our ancestors were well it may be part

1050

00:53:59,220 --> 00:53:56,110

of the bigger complex issue which is

1051  
00:54:01,650 --> 00:53:59,230  
we've got to go through breaking the

1052  
00:54:05,940 --> 00:54:01,660  
system down before we can learn from our

1053  
00:54:08,800 --> 00:54:05,950  
mistakes and maybe part of that is we

1054  
00:54:11,410 --> 00:54:08,810  
have to have a couple of generations

1055  
00:54:13,630 --> 00:54:11,420  
make it to the age of 65 and retire with

1056  
00:54:16,920 --> 00:54:13,640  
their paid for house and the pool in the

1057  
00:54:21,010 --> 00:54:16,930  
back and they look around and asked

1058  
00:54:21,640 --> 00:54:21,020  
themselves is this what life is all

1059  
00:54:23,920 --> 00:54:21,650  
about

1060  
00:54:25,660 --> 00:54:23,930  
exactly hey one of the greatest stories

1061  
00:54:29,140 --> 00:54:25,670  
I tell us to everyone who bothers to ask

1062  
00:54:31,240 --> 00:54:29,150  
me if it was really great okay Laurie

1063  
00:54:32,830 --> 00:54:31,250

sweet well let me ask you what's a

1064

00:54:36,700 --> 00:54:32,840

really great story that you can share

1065

00:54:38,380 --> 00:54:36,710

with us well I would say the best short

1066

00:54:40,750 --> 00:54:38,390

story that you could read in a day or

1067

00:54:42,580 --> 00:54:40,760

two is Leo Tolstoy is the death of Ivan

1068

00:54:44,170 --> 00:54:42,590

Illich and I would recommend it I've

1069

00:54:45,790 --> 00:54:44,180

recommended it for years and years and

1070

00:54:47,770 --> 00:54:45,800

I'll recommend it until I can't

1071

00:54:49,090 --> 00:54:47,780

recommend books anymore but Ivan Ilych

1072

00:54:50,410 --> 00:54:49,100

and I'm not going to give it away for

1073

00:54:52,270 --> 00:54:50,420

anyone who wants to read it but it's an

1074

00:54:54,490 --> 00:54:52,280

absolute work of genius and it's it's a

1075

00:54:56,170 --> 00:54:54,500

little slice of genius by Tolstoy so he

1076  
00:54:58,360 --> 00:54:56,180  
wrote war and peace which of course is

1077  
00:55:00,490 --> 00:54:58,370  
always worth your effort as well as one

1078  
00:55:02,800 --> 00:55:00,500  
of those once-in-a-lifetime things to do

1079  
00:55:04,930 --> 00:55:02,810  
but the death of Ivan Illich is a little

1080  
00:55:07,240 --> 00:55:04,940  
slice of that and it's about a 19th

1081  
00:55:09,550 --> 00:55:07,250  
century version of a yuppie basically

1082  
00:55:11,890 --> 00:55:09,560  
this guy named Ivan Illich was a lawyer

1083  
00:55:13,840 --> 00:55:11,900  
and then it becomes a judge and then he

1084  
00:55:15,460 --> 00:55:13,850  
you know and he gets the house just like

1085  
00:55:17,170 --> 00:55:15,470  
everyone else gets and he thinks this is

1086  
00:55:18,430 --> 00:55:17,180  
what I wanted he has a wife that he's

1087  
00:55:20,680 --> 00:55:18,440  
not really in love with and he's got

1088  
00:55:22,480 --> 00:55:20,690

kids that he's not really you know that

1089

00:55:23,950 --> 00:55:22,490

close to them and he's got his job his

1090

00:55:27,520 --> 00:55:23,960

career and then he has an injury and

1091

00:55:30,510 --> 00:55:27,530

then he realizes he's dying and he goes

1092

00:55:32,920 --> 00:55:30,520

through this long night of the soul

1093

00:55:35,320 --> 00:55:32,930

first you know he's just obsessed with

1094

00:55:38,080 --> 00:55:35,330

his own physical agony but then then he

1095

00:55:40,840 --> 00:55:38,090

has a conversation and it's really with

1096

00:55:43,300 --> 00:55:40,850

his soul as what you find out and the

1097

00:55:47,950 --> 00:55:43,310

whole thing is what is it that matters

1098

00:55:50,290 --> 00:55:47,960

in life what and what what if I've lived

1099

00:55:52,690 --> 00:55:50,300

my life wrong

1100

00:55:54,610 --> 00:55:52,700

that's the question it's the question

1101  
00:55:56,470 --> 00:55:54,620  
that haunts him and it's a question

1102  
00:55:58,630 --> 00:55:56,480  
everyone should ask because when you get

1103  
00:56:00,130 --> 00:55:58,640  
to that certain point in your life at

1104  
00:56:03,100 --> 00:56:00,140  
the end of the road right because

1105  
00:56:05,890 --> 00:56:03,110  
everyone's got to get there we all have

1106  
00:56:08,560 --> 00:56:05,900  
to deal with this the last thing any of

1107  
00:56:10,030 --> 00:56:08,570  
us wants after a lifetime of whatever it

1108  
00:56:12,670 --> 00:56:10,040  
is we think we're doing that's important

1109  
00:56:16,210 --> 00:56:12,680  
is when we stop and reflect and look

1110  
00:56:18,700 --> 00:56:16,220  
back and we think I cannot believe I've

1111  
00:56:21,070 --> 00:56:18,710  
just wasted all of these years doing

1112  
00:56:21,370 --> 00:56:21,080  
fill in the blank that's what you don't

1113  
00:56:24,400 --> 00:56:21,380

want

1114

00:56:27,130 --> 00:56:24,410

that's right and Ivan Illich there's

1115

00:56:29,710 --> 00:56:27,140

another book that I've just written that

1116

00:56:30,969 --> 00:56:29,720

down I have not read it and I will but

1117

00:56:33,160 --> 00:56:30,979

there's another book I'm going to

1118

00:56:36,400 --> 00:56:33,170

recommend and and I do it all the time

1119

00:56:38,890 --> 00:56:36,410

but it's called what makes Sammy one

1120

00:56:43,779 --> 00:56:38,900

have you ever read it I've never heard

1121

00:56:46,989 --> 00:56:43,789

ok bye bud Schulberg and it's about

1122

00:56:50,680 --> 00:56:46,999

Sammy Glick it's about Hollywood now it

1123

00:56:54,249 --> 00:56:50,690

was written back in 1941 but I can

1124

00:56:56,739 --> 00:56:54,259

assure you Richard that everybody in

1125

00:56:59,950 --> 00:56:56,749

radio television in the movie industry

1126

00:57:03,069 --> 00:56:59,960

here in Southern California every

1127

00:57:05,890 --> 00:57:03,079

employee has read this book ok it's

1128

00:57:08,469 --> 00:57:05,900

required reading for survival in

1129

00:57:11,109 --> 00:57:08,479

Hollywood but the the the message about

1130

00:57:13,499 --> 00:57:11,119

life and you can just get it from the

1131

00:57:18,630 --> 00:57:13,509

title right what makes Sammy run and

1132

00:57:22,329 --> 00:57:18,640

read it it's it's an unbelievably harsh

1133

00:57:22,690 --> 00:57:22,339

real book I mean that's that's all I can

1134

00:57:26,109 --> 00:57:22,700

say

1135

00:57:30,219 --> 00:57:26,119

what makes Sammy run so there you go

1136

00:57:33,219 --> 00:57:30,229

yeah and so I have to the only

1137

00:57:35,140 --> 00:57:33,229

conclusion that I can come to I keep

1138

00:57:36,969 --> 00:57:35,150

going back to Ground Zero you know two

1139

00:57:38,289 --> 00:57:36,979

hundred thousand years it just doesn't

1140

00:57:40,509 --> 00:57:38,299

make a whole lot of sense we just

1141

00:57:42,370 --> 00:57:40,519

appeared here where did our intelligence

1142

00:57:44,440 --> 00:57:42,380

come from you're absolutely right ten

1143

00:57:46,289 --> 00:57:44,450

thousand years ago everything just you

1144

00:57:50,219 --> 00:57:46,299

know started burning on all cylinders

1145

00:57:53,319 --> 00:57:50,229

and I I think we were placed here I

1146

00:57:53,890 --> 00:57:53,329

think we were dropped off and I'm ok

1147

00:57:57,370 --> 00:57:53,900

with that

1148

00:58:00,160 --> 00:57:57,380

I don't know if there's some wild cosmic

1149

00:58:02,589 --> 00:58:00,170

experience it's experiment if it was

1150

00:58:04,569 --> 00:58:02,599

just something that was on a media or an

1151  
00:58:07,870 --> 00:58:04,579  
asteroid that crashed here whatever it

1152  
00:58:10,359 --> 00:58:07,880  
the case may be but I just think we

1153  
00:58:13,539 --> 00:58:10,369  
appeared I don't think we evolved here

1154  
00:58:15,880 --> 00:58:13,549  
and that's why the the historians and

1155  
00:58:18,640 --> 00:58:15,890  
the anthropologists out there cannot

1156  
00:58:20,950 --> 00:58:18,650  
prove any of this because the proof

1157  
00:58:23,259 --> 00:58:20,960  
isn't on earth it's somewhere I well I

1158  
00:58:24,910 --> 00:58:23,269  
guess I'm good I will say that I do I

1159  
00:58:26,769 --> 00:58:24,920  
don't believe that we were just placed

1160  
00:58:28,630 --> 00:58:26,779  
here so how about I guess I'll disagree

1161  
00:58:31,569 --> 00:58:28,640  
with you respectfully that's fine

1162  
00:58:33,400 --> 00:58:31,579  
but I do ask myself you know have we

1163  
00:58:35,290 --> 00:58:33,410

been tweaked have we been managed

1164

00:58:37,090 --> 00:58:35,300

I mean I even according to any

1165

00:58:38,980 --> 00:58:37,100

evolutionary standard human evolution

1166

00:58:40,510 --> 00:58:38,990

took place really rapidly you know you

1167

00:58:42,130 --> 00:58:40,520

look at animals like the shark they

1168

00:58:44,110 --> 00:58:42,140

haven't changed in millions of years the

1169

00:58:46,000 --> 00:58:44,120

horse you go to the Museum of Natural

1170

00:58:48,160 --> 00:58:46,010

History in New York City and you see a

1171

00:58:50,110 --> 00:58:48,170

beautiful exhibition of the evolution of

1172

00:58:51,910 --> 00:58:50,120

the horse going back from like 50

1173

00:58:54,250 --> 00:58:51,920

million years ago to today and you the

1174

00:58:56,980 --> 00:58:54,260

horse back then was like the size of a

1175

00:58:58,840 --> 00:58:56,990

small dog and it didn't have hooves and

1176

00:59:01,300 --> 00:58:58,850

it evolved because well the environment

1177

00:59:03,520 --> 00:59:01,310

involved but here we are much less than

1178

00:59:06,340 --> 00:59:03,530

50 million years really less and we've

1179

00:59:07,870 --> 00:59:06,350

just evolved very very rapidly indeed so

1180

00:59:10,960 --> 00:59:07,880

there's something unusual about it and

1181

00:59:15,310 --> 00:59:10,970

and maybe I ask myself have we been

1182

00:59:20,290 --> 00:59:15,320

managed or modified and in the 200,000

1183

00:59:23,350 --> 00:59:20,300

years that our species has been here it

1184

00:59:25,660 --> 00:59:23,360

has there been room for either a a rise

1185

00:59:27,220 --> 00:59:25,670

and fall of some kind of civilization

1186

00:59:28,780 --> 00:59:27,230

that we haven't learned about and I

1187

00:59:30,460 --> 00:59:28,790

don't know the answer to that if

1188

00:59:33,450 --> 00:59:30,470

sometimes entertained all kinds of

1189

00:59:35,770 --> 00:59:33,460

possibilities or be have we been tweaked

1190

00:59:37,030 --> 00:59:35,780

during that period of time and I again I

1191

00:59:39,220 --> 00:59:37,040

don't know the answer to these but this

1192

00:59:41,710 --> 00:59:39,230

is why you know when we look at the

1193

00:59:44,230 --> 00:59:41,720

ancient UFO phenomenon there's no

1194

00:59:47,700 --> 00:59:44,240

question that as far as long as human

1195

00:59:51,910 --> 00:59:47,710

beings have been here we have we have

1196

00:59:54,850 --> 00:59:51,920

encountered what we believe is the other

1197

00:59:57,100 --> 00:59:54,860

whether it's the gods or other beings of

1198

01:00:00,160 --> 00:59:57,110

some sort like that's a long-standing

1199

01:00:03,940 --> 01:00:00,170

part maybe the longest-standing part of

1200

01:00:07,780 --> 01:00:03,950

our history and so there's there's a lot

1201

01:00:09,250 --> 01:00:07,790

of opportunity for there's a lot of

1202

01:00:10,960 --> 01:00:09,260

holes in our history I guess I'll put it

1203

01:00:12,640 --> 01:00:10,970

that way and I don't know if we're

1204

01:00:14,620 --> 01:00:12,650

really gonna get the answers that we

1205

01:00:15,970 --> 01:00:14,630

want to this certainty that we want but

1206

01:00:19,330 --> 01:00:15,980

I do think that there's a lot of

1207

01:00:21,280 --> 01:00:19,340

possibility for some unusual unusual

1208

01:00:22,810 --> 01:00:21,290

things in our in our deep history

1209

01:00:25,180 --> 01:00:22,820

because I'm not of the opinion that we

1210

01:00:27,220 --> 01:00:25,190

were dropped off here but I guess I

1211

01:00:28,570 --> 01:00:27,230

would be of the opinion that it is

1212

01:00:32,110 --> 01:00:28,580

possible that we've been managed in one

1213

01:00:34,510 --> 01:00:32,120

way or another last question before the

1214

01:00:36,310 --> 01:00:34,520

break what was the last song you

1215

01:00:38,530 --> 01:00:36,320

listened to Trudeau I was waiting for

1216

01:00:41,260 --> 01:00:38,540

this I know well it was I don't know if

1217

01:00:43,840 --> 01:00:41,270

this counts but Tracy and I listened to

1218

01:00:46,120 --> 01:00:43,850

the theme song of Game of Thrones so

1219

01:00:49,210 --> 01:00:46,130

that's a pretty cool song

1220

01:00:51,400 --> 01:00:49,220

I just watched I got to think about it

1221

01:00:53,739 --> 01:00:51,410

I'll pick it up when we come back I just

1222

01:00:57,249 --> 01:00:53,749

watched the beginning of a new series

1223

01:00:59,079 --> 01:00:57,259

and the music was it's got to be the

1224

01:01:00,940 --> 01:00:59,089

same writer for Game of Thrones and I

1225

01:01:02,829 --> 01:01:00,950

did that last night it's so funny I'll

1226

01:01:05,979 --> 01:01:02,839

think about that and I'll bring it up

1227

01:01:09,249 --> 01:01:05,989

after the break before that I was in I

1228

01:01:11,410 --> 01:01:09,259

was out yes

1229

01:01:15,190 --> 01:01:11,420

Oh and it was more than a woman by the

1230

01:01:17,229 --> 01:01:15,200

Bee Gees oh now now you're talking our

1231

01:01:18,849 --> 01:01:17,239

guest tonight Richard bleep and Dolan

1232

01:01:20,999 --> 01:01:18,859

I'm your host Jimmy church this is fade

1233

01:01:24,009 --> 01:01:21,009

to black on the game changer network and

1234

01:01:27,790 --> 01:01:24,019

kgr a the planet more Richard after this

1235

01:01:41,660 --> 01:01:37,820

[Music]

1236

01:01:43,579 --> 01:01:41,670

this is fade to black

1237

01:01:47,269 --> 01:01:43,589

with Jimmy Church on the game changer

1238

01:01:51,710 --> 01:01:47,279

radio network and kgr a the global radio

1239

01:01:54,620 --> 01:01:51,720

alliance this is kg are a digital

1240

01:01:58,010 --> 01:01:54,630

broadcasting station Salt Lake City Utah

1241

01:02:00,109 --> 01:01:58,020

Van Buren Arkansas does your basement or

1242

01:02:01,880 --> 01:02:00,119

crawlspace have a damp musty smell well

1243

01:02:04,039 --> 01:02:01,890

watch out that's a sign of too much

1244

01:02:05,870 --> 01:02:04,049

moisture and not enough ventilation and

1245

01:02:07,609 --> 01:02:05,880

that can mean increased mold growth and

1246

01:02:09,349 --> 01:02:07,619

their build-up of harmful toxins and

1247

01:02:11,690 --> 01:02:09,359

gases don't bother with a dehumidifier

1248

01:02:14,029 --> 01:02:11,700

it just circulates the same unhealthy

1249

01:02:16,099 --> 01:02:14,039

air now there's a better way to remove

1250

01:02:18,470 --> 01:02:16,109

these dangers and odors it's with the

1251  
01:02:20,269 --> 01:02:18,480  
computerized wave moisture control unit

1252  
01:02:21,920 --> 01:02:20,279  
that reduces moisture and expels

1253  
01:02:23,900 --> 01:02:21,930  
pollutants we replaced our old

1254  
01:02:26,180 --> 01:02:23,910  
dehumidifier with the wave unit and in

1255  
01:02:28,579 --> 01:02:26,190  
only three weeks our basement is dry and

1256  
01:02:30,559 --> 01:02:28,589  
the musty smell is gone wave units

1257  
01:02:32,990 --> 01:02:30,569  
require no maintenance no buckets of

1258  
01:02:34,880 --> 01:02:33,000  
water or filters and costs only pennies

1259  
01:02:36,680 --> 01:02:34,890  
a day to run breathe better live

1260  
01:02:39,109 --> 01:02:36,690  
healthier with an affordable no

1261  
01:02:41,450 --> 01:02:39,119  
maintenance wave unit call eight eight

1262  
01:02:44,779 --> 01:02:41,460  
eight seven one seven waive eight eight

1263  
01:02:51,230 --> 01:02:44,789

eight seven one seven wabe or visit dry

1264

01:03:03,620 --> 01:02:53,340

own solutions

1265

01:03:08,130 --> 01:03:06,240

hi this is Ray sobs here reppin the

1266

01:03:11,130 --> 01:03:08,140

planet and you're listening to my good

1267

01:03:13,680 --> 01:03:11,140

friend Jimmy Church fade to black

1268

01:03:18,240 --> 01:03:13,690

on the GameChanger network and the kgr a

1269

01:03:20,400 --> 01:03:18,250

digital broadcast station this is Toby

1270

01:03:43,700 --> 01:03:20,410

Kebbell you're listening to Jimmy Church

1271

01:03:44,850 --> 01:03:43,710

radio calm ancient life oil

1272

01:03:48,270 --> 01:03:44,860

life-changing

1273

01:03:50,880 --> 01:03:48,280

the real oil CBD is truly ancient life

1274

01:03:53,430 --> 01:03:50,890

oil from the source this oil has no

1275

01:03:56,070 --> 01:03:53,440

psychoactive effect and is also legal in

1276

01:03:58,080 --> 01:03:56,080

all 50 states when you're healthy

1277

01:04:00,420 --> 01:03:58,090

you're happy the truth about this

1278

01:04:03,450 --> 01:04:00,430

wonderful plan is that it wants to give

1279

01:04:06,599 --> 01:04:03,460

back to mankind life longevity and

1280

01:04:09,390 --> 01:04:06,609

happiness ancient life oil our golden

1281

01:04:11,760 --> 01:04:09,400

grain all organic non-gmo and infused

1282

01:04:14,520 --> 01:04:11,770

with high-quality liquid coconut oil

1283

01:04:16,140 --> 01:04:14,530

it's simple just go to ancient life oil

1284

01:04:19,830 --> 01:04:16,150

dot-com today

1285

01:04:23,880 --> 01:04:19,840

that's ancient life oil dot-com the best

1286

01:04:24,599 --> 01:04:23,890

purest organic and non-gmo CBD in the

1287

01:04:27,270 --> 01:04:24,609

world

1288

01:04:28,440 --> 01:04:27,280

go back lead tapi the statements made

1289

01:04:29,430 --> 01:04:28,450

regarding these products have not been

1290

01:04:30,630 --> 01:04:29,440

evaluated by the Food and Drug

1291

01:04:32,010 --> 01:04:30,640

Administration these products are not

1292

01:04:33,810 --> 01:04:32,020

intended to diagnose treat cure or

1293

01:04:35,190 --> 01:04:33,820

prevent any disease please consult your

1294

01:04:36,330 --> 01:04:35,200

health care professional about potential

1295

01:04:38,400 --> 01:04:36,340

interactions or other possible

1296

01:04:40,170 --> 01:04:38,410

complications before using any product

1297

01:04:41,849 --> 01:04:40,180

this is Micah Hanks of the graylien

1298

01:04:44,190 --> 01:04:41,859

report and you're listening to jimmy

1299

01:04:46,290 --> 01:04:44,200

church on fade to black across the globe

1300

01:04:49,430 --> 01:04:46,300

on the GameChanger radio network and the

1301  
01:05:02,550 --> 01:04:49,440  
one and only kgr a radio the planet

1302  
01:05:11,960 --> 01:05:09,820  
[Music]

1303  
01:05:13,520 --> 01:05:11,970  
welcome back fade to black I'm your host

1304  
01:05:17,210 --> 01:05:13,530  
Amy church our guest tonight Richard

1305  
01:05:18,620 --> 01:05:17,220  
bleep and Dolan the segment of fade to

1306  
01:05:20,900 --> 01:05:18,630  
black has probably brought to you by

1307  
01:05:22,790 --> 01:05:20,910  
River moon coffee makers of the fade to

1308  
01:05:24,650 --> 01:05:22,800  
black blend click on the banner over

1309  
01:05:26,960 --> 01:05:24,660  
Jimmy Church write it I can't get your

1310  
01:05:30,620 --> 01:05:26,970  
self some fade to black one best coffee

1311  
01:05:32,960 --> 01:05:30,630  
in the world promo code F to B blend

1312  
01:05:35,390 --> 01:05:32,970  
it's right there Richard what we have to

1313  
01:05:37,700 --> 01:05:35,400

do this is this is what we have to do

1314

01:05:40,760 --> 01:05:37,710

our next conference together is we've

1315

01:05:42,380 --> 01:05:40,770

got to work out a BG song and and we got

1316

01:05:44,540 --> 01:05:42,390

to work out those harmonies I can do the

1317

01:05:59,030 --> 01:05:44,550

hi armies you want to do the Barry Gibb

1318

01:06:00,740 --> 01:05:59,040

yeah I can do the Barry Gibb that it

1319

01:06:04,460 --> 01:06:00,750

will be the last conference we ever do

1320

01:06:06,740 --> 01:06:04,470

but we're gonna go down you know

1321

01:06:09,470 --> 01:06:06,750

without without shame I think this goes

1322

01:06:12,860 --> 01:06:09,480

awesome I have no shame in that at all I

1323

01:06:15,590 --> 01:06:12,870

don't and whenever I let you know Rita

1324

01:06:18,380 --> 01:06:15,600

and I this was years ago went through a

1325

01:06:20,630 --> 01:06:18,390

huge Bee Gees phase right do you know

1326

01:06:22,430 --> 01:06:20,640

the live videos you know the music and

1327

01:06:26,210 --> 01:06:22,440

uh and I'm walking around the house

1328

01:06:28,640 --> 01:06:26,220

singing the Bee Gees and my best Barry

1329

01:06:31,490 --> 01:06:28,650

Gibb and I swear I've never had more

1330

01:06:34,880 --> 01:06:31,500

objects thrown at me it's like honey I

1331

01:06:38,660 --> 01:06:34,890

have it I know you don't you think very

1332

01:06:41,420 --> 01:06:38,670

givers is unique like he just owned that

1333

01:06:45,110 --> 01:06:41,430

falsetto he just leaned right into it

1334

01:06:48,220 --> 01:06:45,120

and he just did it like no one else that

1335

01:06:52,100 --> 01:06:48,230

work that guy made it work he did any

1336

01:06:56,300 --> 01:06:52,110

and he had teeth you know

1337

01:06:58,580 --> 01:06:56,310

just amazing teeth okay let's let's

1338

01:07:01,460 --> 01:06:58,590

let's let's change gears let's get off

1339

01:07:02,000 --> 01:07:01,470

the Bee Gees and talk some UFOs here we

1340

01:07:05,930 --> 01:07:02,010

are

1341

01:07:08,600 --> 01:07:05,940

Richard we're at the end of August 2018

1342

01:07:10,820 --> 01:07:08,610

is about to end I know it sounds crazy

1343

01:07:14,150 --> 01:07:10,830

but we can chalk off another year on

1344

01:07:18,830 --> 01:07:14,160

this beautiful blue blue planet but it's

1345

01:07:20,750 --> 01:07:18,840

coming up to almost a year now since TT

1346

01:07:21,740 --> 01:07:20,760

essays to the stars Academy's

1347

01:07:25,130 --> 01:07:21,750

announcement

1348

01:07:29,000 --> 01:07:25,140

and the New York Times back in December

1349

01:07:30,800 --> 01:07:29,010

and it's kind of fizzled and I don't

1350

01:07:35,150 --> 01:07:30,810

want to have that you know I'm a

1351

01:07:39,620 --> 01:07:35,160

glass-half-full kind of guy but what

1352

01:07:41,660 --> 01:07:39,630

happened oh I don't know I'm taking a

1353

01:07:43,640 --> 01:07:41,670

different perspective on this first of

1354

01:07:45,650 --> 01:07:43,650

all when when the New York Times in the

1355

01:07:51,260 --> 01:07:45,660

Washington Post did their pieces on this

1356

01:07:53,420 --> 01:07:51,270

back in December just 2017 we a lot of

1357

01:07:55,940 --> 01:07:53,430

people I guess will say oh my god this

1358

01:07:59,839 --> 01:07:55,950

was the most amazing thing hallelujah

1359

01:08:01,310 --> 01:07:59,849

its disclosure and how no one has any

1360

01:08:03,710 --> 01:08:01,320

historical memory I mean for me I

1361

01:08:05,390 --> 01:08:03,720

thought oh yeah it's kind of cool this

1362

01:08:06,710 --> 01:08:05,400

is not the worst article I would

1363

01:08:08,720 --> 01:08:06,720

normally expect out of the New York

1364

01:08:10,030 --> 01:08:08,730

Times or The Washington Post which I

1365

01:08:12,260 --> 01:08:10,040

think are both too reprehensible

1366

01:08:14,630 --> 01:08:12,270

publications and I just have to say this

1367

01:08:16,249 --> 01:08:14,640

because it's true but yes the Articles

1368

01:08:19,370 --> 01:08:16,259

that they did particularly the two that

1369

01:08:22,039 --> 01:08:19,380

were in the New York Times were at least

1370

01:08:25,880 --> 01:08:22,049

reasonable beginning points so they were

1371

01:08:28,430 --> 01:08:25,890

not terrible they definitely had their

1372

01:08:30,709 --> 01:08:28,440

own spin to them but we'll leave that

1373

01:08:34,400 --> 01:08:30,719

aside it was it was good that they did

1374

01:08:36,800 --> 01:08:34,410

it but you know we forget that through

1375

01:08:39,320 --> 01:08:36,810

the previous decades going back even

1376

01:08:41,959 --> 01:08:39,330

into the 1940s and 50s and 60s and every

1377

01:08:45,260 --> 01:08:41,969

decade one can imagine there were they

1378

01:08:48,289 --> 01:08:45,270

have always been major revelations

1379

01:08:49,970 --> 01:08:48,299

concerning the UFO phenomenon and

1380

01:08:53,479 --> 01:08:49,980

reality they have never stopped

1381

01:08:56,269 --> 01:08:53,489

they have continually put themselves

1382

01:09:00,650 --> 01:08:56,279

right right in our front wrote in our

1383

01:09:01,999 --> 01:09:00,660

front vision here and you know the 1950s

1384

01:09:03,320 --> 01:09:02,009

had there a moment where people thought

1385

01:09:04,729 --> 01:09:03,330

oh wow the government is going to have

1386

01:09:06,320 --> 01:09:04,739

to acknowledge the reality of this in

1387

01:09:07,910 --> 01:09:06,330

the 1960s had there a moment where we

1388

01:09:09,289 --> 01:09:07,920

thought looks like the government may

1389

01:09:11,120 --> 01:09:09,299

just acknowledge the reality of this and

1390

01:09:13,459 --> 01:09:11,130

it happened in the late 70s with freedom

1391

01:09:15,769 --> 01:09:13,469

of information and it happened briefly

1392

01:09:18,680 --> 01:09:15,779

during parts of the 1980s even and then

1393

01:09:20,300 --> 01:09:18,690

in the 1990s and then and with the

1394

01:09:20,809 --> 01:09:20,310

various press conferences of the 21st

1395

01:09:22,820 --> 01:09:20,819

century

1396

01:09:25,670 --> 01:09:22,830

sometimes people wondered and and now

1397

01:09:29,809 --> 01:09:25,680

here we are again so this is actually

1398

01:09:33,370 --> 01:09:29,819

part of a much longer pattern of the UFO

1399

01:09:35,599 --> 01:09:33,380

phenomenon occasionally getting

1400

01:09:38,450 --> 01:09:35,609

significant attention

1401  
01:09:40,370 --> 01:09:38,460  
and then it's almost like we have this

1402  
01:09:43,610 --> 01:09:40,380  
constant state of amnesia that just

1403  
01:09:46,910 --> 01:09:43,620  
comes over us as a society now is that

1404  
01:09:49,450 --> 01:09:46,920  
happening again in terms of TTS a seems

1405  
01:09:51,470 --> 01:09:49,460  
to me that a lot of attention

1406  
01:09:54,980 --> 01:09:51,480  
particularly in the beginning was was

1407  
01:09:57,440 --> 01:09:54,990  
put on on Tom DeLonge understandable

1408  
01:10:00,100 --> 01:09:57,450  
he's a singer and a band and he was the

1409  
01:10:02,810 --> 01:10:00,110  
front person of this organization but

1410  
01:10:03,950 --> 01:10:02,820  
the one that I'm interested in and

1411  
01:10:07,490 --> 01:10:03,960  
really is the only one that I personally

1412  
01:10:10,880 --> 01:10:07,500  
know is how put off and I find help put

1413  
01:10:14,390 --> 01:10:10,890

offs involvement in this to continue to

1414

01:10:16,910 --> 01:10:14,400

be quite fascinating and you know it's

1415

01:10:19,280 --> 01:10:16,920

funny watching I'm over on the sidelines

1416

01:10:22,190 --> 01:10:19,290

here watching people talk about TTS a

1417

01:10:24,620 --> 01:10:22,200

and lots of people say it's a CIA

1418

01:10:27,290 --> 01:10:24,630

operation don't trust them or it's a

1419

01:10:29,090 --> 01:10:27,300

money-making operation don't trust it I

1420

01:10:30,320 --> 01:10:29,100

guess I would say well first of all it's

1421

01:10:31,520 --> 01:10:30,330

not a crime to make money and if you

1422

01:10:33,230 --> 01:10:31,530

want to make money out of something go

1423

01:10:35,810 --> 01:10:33,240

do it the only thing is don't destroy

1424

01:10:36,920 --> 01:10:35,820

the subject you're working if you're

1425

01:10:39,350 --> 01:10:36,930

going to make money off of it but

1426

01:10:41,720 --> 01:10:39,360

nothing wrong with that in terms of the

1427

01:10:43,550 --> 01:10:41,730

CIA that's a little different so what is

1428

01:10:47,360 --> 01:10:43,560

the motivation of these guys well I look

1429

01:10:48,830 --> 01:10:47,370

at put offs company earth tech and I

1430

01:10:50,390 --> 01:10:48,840

mean I just find it fascinating in the

1431

01:10:51,800 --> 01:10:50,400

last couple of weeks he puts they put

1432

01:10:54,830 --> 01:10:51,810

out this press conference they're

1433

01:10:56,960 --> 01:10:54,840

looking for essentially materials from

1434

01:10:58,850 --> 01:10:56,970

crash retrievals I'm like are you

1435

01:11:00,130 --> 01:10:58,860

serious and that is essentially what

1436

01:11:02,810 --> 01:11:00,140

they're they were putting this out there

1437

01:11:05,560 --> 01:11:02,820

like how is that not interesting I think

1438

01:11:07,880 --> 01:11:05,570

that's quite fascinating I listened very

1439

01:11:09,560 --> 01:11:07,890

very with a great deal of attention to

1440

01:11:12,620 --> 01:11:09,570

help put off speech that he gave to the

1441

01:11:15,290 --> 01:11:12,630

Society of scientific exploration SSC

1442

01:11:16,610 --> 01:11:15,300

last June not that long ago and for

1443

01:11:18,980 --> 01:11:16,620

anyone who is listening to that

1444

01:11:21,740 --> 01:11:18,990

carefully that was one bombshell after

1445

01:11:24,710 --> 01:11:21,750

another so there's a lot of interesting

1446

01:11:27,950 --> 01:11:24,720

stuff that's out there for anyone who's

1447

01:11:30,200 --> 01:11:27,960

willing to listen and I think part of

1448

01:11:32,420 --> 01:11:30,210

the the situation is that people really

1449

01:11:34,640 --> 01:11:32,430

are expecting it's like the second

1450

01:11:36,500 --> 01:11:34,650

coming you know coming down giving us

1451

01:11:39,500 --> 01:11:36,510

disclosure and solving all of our

1452

01:11:41,210 --> 01:11:39,510

problems all at once and I don't really

1453

01:11:43,040 --> 01:11:41,220

know all of the motivations for these

1454

01:11:45,680 --> 01:11:43,050

for everyone in TTS a I'm sure

1455

01:11:46,490 --> 01:11:45,690

everyone's got their own selfish reason

1456

01:11:48,140 --> 01:11:46,500

for doing what they do

1457

01:11:48,819 --> 01:11:48,150

everyone does there's no exception to

1458

01:11:50,530 --> 01:11:48,829

that rule

1459

01:11:52,209 --> 01:11:50,540

so that doesn't make them different from

1460

01:11:54,790 --> 01:11:52,219

anyone else the real thing that I want

1461

01:11:57,310 --> 01:11:54,800

to know is what are they offering us are

1462

01:12:00,399 --> 01:11:57,320

they really fizzling out well maybe

1463

01:12:01,899 --> 01:12:00,409

maybe not and I'm my attitude is I'm

1464

01:12:04,629 --> 01:12:01,909

just gonna take the long view on this

1465

01:12:06,100 --> 01:12:04,639

and see how this all all plays out but

1466

01:12:09,870 --> 01:12:06,110

I'm just I'm not gonna go down the road

1467

01:12:15,189 --> 01:12:09,880

of so many people have said this is

1468

01:12:15,850 --> 01:12:15,199

total CIA disinformation well show me

1469

01:12:20,470 --> 01:12:15,860

how

1470

01:12:23,799 --> 01:12:20,480

would say is that the coverage by the

1471

01:12:24,870 --> 01:12:23,809

New York Times and particularly by the

1472

01:12:29,549 --> 01:12:24,880

Washington Post

1473

01:12:32,620 --> 01:12:29,559

are always to be taken as propaganda

1474

01:12:34,510 --> 01:12:32,630

always like without exception and and I

1475

01:12:36,399 --> 01:12:34,520

respect Leslie Kane by the way and she

1476

01:12:38,290 --> 01:12:36,409

was when the key author of The New York

1477

01:12:40,390 --> 01:12:38,300

Times pieces but that doesn't change the

1478

01:12:41,410 --> 01:12:40,400

reality of what what she has to deal

1479

01:12:45,209 --> 01:12:41,420

with when you're dealing with an

1480

01:12:48,160 --> 01:12:45,219

organization like the New York Times so

1481

01:12:51,220 --> 01:12:48,170

so spin is involved connections with

1482

01:12:53,470 --> 01:12:51,230

national security are involved yes but

1483

01:12:55,450 --> 01:12:53,480

nonetheless genuine information came out

1484

01:12:57,729 --> 01:12:55,460

look they gave us a lot of publicity on

1485

01:13:00,189 --> 01:12:57,739

the tic-tac UFO incident from 2004

1486

01:13:02,830 --> 01:13:00,199

that's important they gave us

1487

01:13:05,229 --> 01:13:02,840

information on other events the gimble

1488

01:13:08,169 --> 01:13:05,239

UFO video and I know folks over at meta

1489

01:13:10,060 --> 01:13:08,179

bunk have tried to debunk it and I

1490

01:13:11,620 --> 01:13:10,070

listened to that argument very very

1491

01:13:14,680 --> 01:13:11,630

carefully and there's some brilliant

1492

01:13:17,200 --> 01:13:14,690

people on that site without a doubt but

1493

01:13:18,399 --> 01:13:17,210

I listened to put off talk about that I

1494

01:13:19,750 --> 01:13:18,409

listened to some of the other folks

1495

01:13:22,810 --> 01:13:19,760

involved talked about it and they are

1496

01:13:25,030 --> 01:13:22,820

standing by it and until they completely

1497

01:13:26,439 --> 01:13:25,040

disavow it I'm going to find that

1498

01:13:29,260 --> 01:13:26,449

interesting and I don't I don't believe

1499

01:13:31,629 --> 01:13:29,270

that that that video is a hoax I don't

1500

01:13:33,879 --> 01:13:31,639

believe that the audio is a hoax so if

1501

01:13:36,339 --> 01:13:33,889

those Navy pilots were mystified by that

1502

01:13:37,600 --> 01:13:36,349

particular object then I don't believe

1503

01:13:40,780 --> 01:13:37,610

that they were chasing down some

1504

01:13:42,669 --> 01:13:40,790

commercial airliner as has been argued

1505

01:13:44,589 --> 01:13:42,679

so there's there's something about it

1506

01:13:45,819 --> 01:13:44,599

that's interesting to me so they've

1507

01:13:47,770 --> 01:13:45,829

given us a few things I had a long

1508

01:13:48,310 --> 01:13:47,780

conversation about this with Peter

1509

01:13:50,470 --> 01:13:48,320

lavinda

1510

01:13:52,060 --> 01:13:50,480

who has you know and I'm sure as many

1511

01:13:54,850 --> 01:13:52,070

listeners note co-authored a book with

1512

01:13:55,569 --> 01:13:54,860

Tom DeLonge I have great respect for

1513

01:13:56,879 --> 01:13:55,579

Peter lavinda

1514

01:13:59,859 --> 01:13:56,889

always have I've known him for years

1515

01:14:01,990 --> 01:13:59,869

he's a very serious minded individual

1516

01:14:04,660 --> 01:14:02,000

and a very insightful person and

1517

01:14:06,880 --> 01:14:04,670

you know I have my own radio program I

1518

01:14:08,950 --> 01:14:06,890

had him on and he gave a very spirited

1519

01:14:11,290 --> 01:14:08,960

defense of what they were trying to do

1520

01:14:11,770 --> 01:14:11,300

and his attitude was look what do people

1521

01:14:13,750 --> 01:14:11,780

want

1522

01:14:17,320 --> 01:14:13,760

we've given doubt we put out videos

1523

01:14:20,980 --> 01:14:17,330

we've we've handed things to them and

1524

01:14:22,590 --> 01:14:20,990

everyone wants to attack us well I mean

1525

01:14:26,230 --> 01:14:22,600

there's two sides to every story here

1526

01:14:27,730 --> 01:14:26,240

but from their point of view they didn't

1527

01:14:28,990 --> 01:14:27,740

you know they did what they could do it

1528

01:14:30,460 --> 01:14:29,000

was a sloppy rollout

1529

01:14:34,300 --> 01:14:30,470

I mean without a doubt meaning

1530

01:14:36,550 --> 01:14:34,310

completely just horrible mylar balloon

1531

01:14:40,360 --> 01:14:36,560

and all that other nonsense was just was

1532

01:14:41,710 --> 01:14:40,370

just awful but I'm not really willing to

1533

01:14:43,690 --> 01:14:41,720

say that it's fizzle out I want to see

1534

01:14:45,250 --> 01:14:43,700

where this goes and I'm particularly got

1535

01:14:46,960 --> 01:14:45,260

my eyes on how put off and I want to see

1536

01:14:50,140 --> 01:14:46,970

what he's up to over the next few weeks

1537

01:14:54,430 --> 01:14:50,150

and months and years I I was the

1538

01:14:58,990 --> 01:14:54,440

opposite of of you with my reaction to

1539

01:15:04,330 --> 01:14:59,000

December 2017 in that I nearly crashed

1540

01:15:07,180 --> 01:15:04,340

my car I was I did I almost hit a bus I

1541

01:15:12,190 --> 01:15:07,190

was I was making a right it's a true

1542

01:15:14,380 --> 01:15:12,200

story man and and so I once I vetted

1543

01:15:16,270 --> 01:15:14,390

everything and saw the explosion I heard

1544

01:15:18,790 --> 01:15:16,280

it over and over again we we went live

1545

01:15:22,240 --> 01:15:18,800

that was on a Saturday and we went live

1546

01:15:25,090 --> 01:15:22,250

with a special broadcast and and my

1547

01:15:27,790 --> 01:15:25,100

enthusiasm and my happiness for the UFO

1548

01:15:29,500 --> 01:15:27,800

community was I mean I just was it's

1549

01:15:35,080 --> 01:15:29,510

without measure I was just so excited

1550

01:15:37,960 --> 01:15:35,090

and but it is been a steady decline the

1551

01:15:41,590 --> 01:15:37,970

sense then and it's almost like it's

1552

01:15:45,520 --> 01:15:41,600

it's kind of grounded out and there was

1553

01:15:48,580 --> 01:15:45,530

an opportunity there for to the stars to

1554

01:15:51,910 --> 01:15:48,590

keep their foot on the gas and and keep

1555

01:15:54,400 --> 01:15:51,920

this rolling and it's you know since

1556

01:15:56,260 --> 01:15:54,410

then it's it's been a lot of repeating

1557

01:15:58,630 --> 01:15:56,270

of the same information over and over

1558

01:16:01,090 --> 01:15:58,640

again in the media you know it's their

1559

01:16:03,700 --> 01:16:01,100

their PA our firm is is trying to keep

1560

01:16:06,820 --> 01:16:03,710

the story alive no doubt but I don't

1561

01:16:10,870 --> 01:16:06,830

know where they're gonna go next it has

1562

01:16:13,090 --> 01:16:10,880

to be an elevated thing and it's for me

1563

01:16:14,980 --> 01:16:13,100

it's you know my fingers are crossed

1564

01:16:15,729 --> 01:16:14,990

Richard I know part of it has to do with

1565

01:16:17,410 --> 01:16:15,739

the kind

1566

01:16:19,180 --> 01:16:17,420

hero-worship that really did happen of

1567

01:16:21,129 --> 01:16:19,190

Tom DeLonge himself and I'm not trying

1568

01:16:23,649 --> 01:16:21,139

to knock him by the way I mean I met him

1569

01:16:26,290 --> 01:16:23,659

one time and I thought he was he was

1570

01:16:28,209 --> 01:16:26,300

very decent with me and I had a very it

1571

01:16:30,520 --> 01:16:28,219

was fine you know I had had this was a

1572

01:16:34,479 --> 01:16:30,530

couple of years before all this kind of

1573

01:16:36,459 --> 01:16:34,489

blew up and but I mean honestly I mean

1574

01:16:39,310 --> 01:16:36,469

people kind of invested him is like you

1575

01:16:42,009 --> 01:16:39,320

know the new Jesus the Disclosure Jesus

1576

01:16:43,959 --> 01:16:42,019

and I mean this is just like maybe he he

1577

01:16:48,160 --> 01:16:43,969

kind of played into it as well I mean he

1578

01:16:49,839 --> 01:16:48,170

actually I think probably did but no

1579

01:16:54,129 --> 01:16:49,849

come on this was just ridiculous and

1580

01:16:56,410 --> 01:16:54,139

then he just he his leadership really

1581

01:16:58,089 --> 01:16:56,420

had it has to be criticized I mean and

1582

01:17:01,689 --> 01:16:58,099

Here I am a Monday morning quarterbacks

1583

01:17:03,609 --> 01:17:01,699

from all over here but some of his

1584

01:17:05,620 --> 01:17:03,619

public appearances were just not not

1585

01:17:09,520 --> 01:17:05,630

good they were not helpful and they did

1586

01:17:13,270 --> 01:17:09,530

not help the cause and so you know you

1587

01:17:14,589 --> 01:17:13,280

have this initial rollout that's got all

1588

01:17:17,259 --> 01:17:14,599

these bells and whistles and hope

1589

01:17:19,629 --> 01:17:17,269

attached to it and then suddenly by

1590

01:17:20,859 --> 01:17:19,639

really January or in February the latest

1591

01:17:23,620 --> 01:17:20,869

crashing and burning

1592

01:17:24,489 --> 01:17:23,630

so it was it was a it was a spectacle

1593

01:17:26,709 --> 01:17:24,499

without a doubt

1594

01:17:29,489 --> 01:17:26,719

but when see the thing is with me like

1595

01:17:31,750 --> 01:17:29,499

if the President or of any president

1596

01:17:33,549 --> 01:17:31,760

whether it would be Obama or Trump or

1597

01:17:36,939 --> 01:17:33,559

whoever comes after we're to come in and

1598

01:17:38,290 --> 01:17:36,949

say UFOs are real I actually I don't

1599

01:17:40,779 --> 01:17:38,300

know how emotional I would get I would

1600

01:17:42,879 --> 01:17:40,789

be like oh cool like and then now we've

1601  
01:17:45,279 --> 01:17:42,889  
got more work to do we have work to do

1602  
01:17:48,279 --> 01:17:45,289  
like I it's just how I am I don't really

1603  
01:17:54,790 --> 01:17:48,289  
get it I don't I don't get that way so

1604  
01:17:56,799 --> 01:17:54,800  
for me I I feel like you know I wouldn't

1605  
01:17:58,419 --> 01:17:56,809  
I wouldn't be inclined to get overly

1606  
01:17:59,770 --> 01:17:58,429  
disappointed because I don't expect I

1607  
01:18:01,720 --> 01:17:59,780  
don't expect anything to work out

1608  
01:18:05,020 --> 01:18:01,730  
perfectly ever I just don't not in this

1609  
01:18:06,609 --> 01:18:05,030  
world we've got this great ability this

1610  
01:18:08,080 --> 01:18:06,619  
species of ours in this power structure

1611  
01:18:10,270 --> 01:18:08,090  
of ours to just screw things up royally

1612  
01:18:12,700 --> 01:18:10,280  
so there'll be good things in the future

1613  
01:18:15,700 --> 01:18:12,710

and disclosure if there ever is a

1614

01:18:16,989 --> 01:18:15,710

genuine disclosure or even a deceptive

1615

01:18:20,919 --> 01:18:16,999

disclosure which i think is much more

1616

01:18:22,390 --> 01:18:20,929

likely anyway if that happens it's not

1617

01:18:25,779 --> 01:18:22,400

the end of the world if it's deceptive

1618

01:18:27,750 --> 01:18:25,789

it's it's our job always our job to keep

1619

01:18:29,910 --> 01:18:27,760

moving that ball forward

1620

01:18:33,270 --> 01:18:29,920

so that's really how it is and and you

1621

01:18:35,760 --> 01:18:33,280

know TT essays got their part it has

1622

01:18:37,800 --> 01:18:35,770

been a part and they actually it hasn't

1623

01:18:38,400 --> 01:18:37,810

been a waste of time hasn't been a waste

1624

01:18:40,140 --> 01:18:38,410

of time

1625

01:18:42,630 --> 01:18:40,150

you know we're still in a different

1626

01:18:45,150 --> 01:18:42,640

place now psychologically as a society

1627

01:18:47,640 --> 01:18:45,160

right now than we were before December

1628

01:18:49,800 --> 01:18:47,650

of 2017 so there has been that change

1629

01:18:51,510 --> 01:18:49,810

and one thing that it has to be said in

1630

01:18:54,630 --> 01:18:51,520

that in that New York those New York

1631

01:18:56,180 --> 01:18:54,640

Times pieces is that TTS a really got no

1632

01:18:59,520 --> 01:18:56,190

credit for any of that stuff but they

1633

01:19:02,400 --> 01:18:59,530

everyone knows they were behind the

1634

01:19:05,100 --> 01:19:02,410

publication of those articles they were

1635

01:19:07,710 --> 01:19:05,110

pushing it so that's a positive thing

1636

01:19:10,229 --> 01:19:07,720

and whatever else happens if they do

1637

01:19:11,610 --> 01:19:10,239

nothing else the ball has been moved a

1638

01:19:13,890 --> 01:19:11,620

little bit farther down the field in my

1639

01:19:17,010 --> 01:19:13,900

opinion if you were sitting if you were

1640

01:19:19,830 --> 01:19:17,020

in an advisory capacity for to the stars

1641

01:19:24,000 --> 01:19:19,840

I'm what what is it that they should do

1642

01:19:26,660 --> 01:19:24,010

next well they need to do some some

1643

01:19:30,479 --> 01:19:26,670

serious and well-thought-out

1644

01:19:34,260 --> 01:19:30,489

public statements and like serious so

1645

01:19:36,150 --> 01:19:34,270

like not goof goofy stuff like a few

1646

01:19:37,890 --> 01:19:36,160

interviews that that probably and who

1647

01:19:40,410 --> 01:19:37,900

has been following this would can can

1648

01:19:43,880 --> 01:19:40,420

think about but like serious-minded

1649

01:19:47,370 --> 01:19:43,890

interviews that are professional and

1650

01:19:50,850 --> 01:19:47,380

that actually have genuine information

1651  
01:19:52,740 --> 01:19:50,860  
to provide and again I think some of the

1652  
01:19:55,550 --> 01:19:52,750  
statements recently that they've just

1653  
01:19:59,340 --> 01:19:55,560  
made relating to we're interested in

1654  
01:20:01,410 --> 01:19:59,350  
studying alleged crash retrievals I mean

1655  
01:20:03,780 --> 01:20:01,420  
holy smokes pal put off all but

1656  
01:20:09,060 --> 01:20:03,790  
practically stated in his speech last

1657  
01:20:12,000 --> 01:20:09,070  
June that you know they had crash

1658  
01:20:13,979 --> 01:20:12,010  
retrieval materials that were completely

1659  
01:20:15,180 --> 01:20:13,989  
unexplainable technologically I mean I

1660  
01:20:16,680 --> 01:20:15,190  
don't how much more clearly you could

1661  
01:20:19,850 --> 01:20:16,690  
have said it other than just saying it

1662  
01:20:21,960 --> 01:20:19,860  
so they've actually put a lot of

1663  
01:20:25,110 --> 01:20:21,970

interesting information out there in

1664

01:20:30,420 --> 01:20:25,120

that manner but I think yeah they need

1665

01:20:33,050 --> 01:20:30,430

to really they need a better better

1666

01:20:40,050 --> 01:20:33,060

public relations presentation for sure

1667

01:20:42,030 --> 01:20:40,060

the if I was and yourself included III

1668

01:20:46,650 --> 01:20:42,040

very highly of you if you were in

1669

01:20:49,130 --> 01:20:46,660

possession of some type of material and

1670

01:20:52,170 --> 01:20:49,140

I don't know what that material could be

1671

01:20:54,590 --> 01:20:52,180

but you would disclose it I think you

1672

01:20:59,000 --> 01:20:54,600

would have a press conference you would

1673

01:21:01,440 --> 01:20:59,010

completely reveal what you have and

1674

01:21:05,070 --> 01:21:01,450

sitting on this or saying it's in to me

1675

01:21:08,820 --> 01:21:05,080

it's in a warehouse in Las Vegas or it's

1676

01:21:12,390 --> 01:21:08,830

in Texas and and we're studying it that

1677

01:21:14,580 --> 01:21:12,400

that's you need to be a martyr you know

1678

01:21:17,340 --> 01:21:14,590

you need to just go you need to just

1679

01:21:18,960 --> 01:21:17,350

expose it show us and tell us where it

1680

01:21:20,250 --> 01:21:18,970

came from did it come from the Pentagon

1681

01:21:23,250 --> 01:21:20,260

did it come from the military-industrial

1682

01:21:26,070 --> 01:21:23,260

complex was it sent to you from somebody

1683

01:21:28,020 --> 01:21:26,080

in the middle of Kansas and I would I

1684

01:21:30,240 --> 01:21:28,030

would I'm pretty sure that I would do

1685

01:21:33,180 --> 01:21:30,250

that I think that I would be as open as

1686

01:21:34,770 --> 01:21:33,190

I could possibly be about it my guess I

1687

01:21:37,530 --> 01:21:34,780

don't know what they've got in that Las

1688

01:21:40,710 --> 01:21:37,540

Vegas warehouse that's apparently run by

1689

01:21:42,990 --> 01:21:40,720

Robert Bigelow but I suspect that the

1690

01:21:44,940 --> 01:21:43,000

bismuth magnesium piece at how put off

1691

01:21:47,700 --> 01:21:44,950

talked about in his June speech this

1692

01:21:49,410 --> 01:21:47,710

year is one of those pieces that they're

1693

01:21:51,420 --> 01:21:49,420

talking about in fact the provenance of

1694

01:21:53,790 --> 01:21:51,430

that isn't a crash retrieval at least we

1695

01:21:55,920 --> 01:21:53,800

don't know the Providence of that one

1696

01:21:58,410 --> 01:21:55,930

that actually was sent to art Bell years

1697

01:22:00,780 --> 01:21:58,420

ago back in the night using from a

1698

01:22:04,230 --> 01:22:00,790

source that they they couldn't test but

1699

01:22:06,930 --> 01:22:04,240

according to hell in his lecture on this

1700

01:22:08,460 --> 01:22:06,940

you know back in the 90s no one could

1701

01:22:10,320 --> 01:22:08,470

understand what this thing was what it

1702

01:22:13,260 --> 01:22:10,330

was for what his properties were until

1703

01:22:15,240 --> 01:22:13,270

only recently he argued are we actually

1704

01:22:16,860 --> 01:22:15,250

beginning to understand some of the

1705

01:22:18,990 --> 01:22:16,870

waveguide properties of this thing and

1706

01:22:21,420 --> 01:22:19,000

it's the highly sophisticated piece of

1707

01:22:24,030 --> 01:22:21,430

machinery and no one no one knows how

1708

01:22:26,520 --> 01:22:24,040

who made it or how it was made so it's

1709

01:22:29,490 --> 01:22:26,530

interesting you know what else does

1710

01:22:31,230 --> 01:22:29,500

Bigelow have time to find out I have no

1711

01:22:32,760 --> 01:22:31,240

idea what he's got there and I agree

1712

01:22:34,950 --> 01:22:32,770

with you like this has to be out there

1713

01:22:38,040 --> 01:22:34,960

and by the way where's where's our

1714

01:22:39,270 --> 01:22:38,050

corporate media where where is the New

1715

01:22:40,680 --> 01:22:39,280

York Times and I'm not faulting the

1716

01:22:42,480 --> 01:22:40,690

writers of that article I know that they

1717

01:22:44,820 --> 01:22:42,490

have no power but all these decisions

1718

01:22:46,410 --> 01:22:44,830

are made in the upper echelons of the

1719

01:22:48,900 --> 01:22:46,420

New York Times and Washington Post and

1720

01:22:50,190 --> 01:22:48,910

the corporate media which we all know if

1721

01:22:51,720 --> 01:22:50,200

you don't know about what operation

1722

01:22:53,340 --> 01:22:51,730

Mockingbird was you can look it up it

1723

01:22:55,830 --> 01:22:53,350

still exists

1724

01:22:58,470 --> 01:22:55,840

all right and so they have decided not

1725

01:23:00,450 --> 01:22:58,480

to follow up and to ask these very

1726

01:23:02,760 --> 01:23:00,460

questions what's in that warehouse

1727

01:23:05,280 --> 01:23:02,770

when can we see it what studies have

1728

01:23:07,770 --> 01:23:05,290

been made of it how did you acquire it

1729

01:23:09,870 --> 01:23:07,780

you know all the all of the reasonable

1730

01:23:12,270 --> 01:23:09,880

logical questions that everyone would

1731

01:23:14,940 --> 01:23:12,280

have about it no one in the

1732

01:23:17,280 --> 01:23:14,950

establishment media has asked a single

1733

01:23:19,980 --> 01:23:17,290

question and that should tell us all we

1734

01:23:22,020 --> 01:23:19,990

need to know about how how well they do

1735

01:23:26,640 --> 01:23:22,030

their jobs which is not well at all

1736

01:23:28,560 --> 01:23:26,650

well the that that article when I read

1737

01:23:30,750 --> 01:23:28,570

through it the first time a secret

1738

01:23:32,910 --> 01:23:30,760

Pentagon program no surprise there

1739

01:23:36,120 --> 01:23:32,920

there's there's plenty of those to go

1740

01:23:38,340 --> 01:23:36,130

around we know there were multiple of

1741

01:23:41,010 --> 01:23:38,350

those programs right and right none of

1742

01:23:44,130 --> 01:23:41,020

that you know a pilot coming forward you

1743

01:23:48,750 --> 01:23:44,140

know David flavor great guy up standard

1744

01:23:51,900 --> 01:23:48,760

- no doubt right all cool the one thing

1745

01:23:54,000 --> 01:23:51,910

in that article was the warehouse in Las

1746

01:23:57,840 --> 01:23:54,010

Vegas it's like wait a minute here

1747

01:24:00,300 --> 01:23:57,850

that's the Golden Nugget and no

1748

01:24:03,330 --> 01:24:00,310

follow-up nothing it was not I cannot

1749

01:24:05,760 --> 01:24:03,340

believe if you want to hand a story to a

1750

01:24:07,320 --> 01:24:05,770

some gumshoe journalist right that's

1751

01:24:14,120 --> 01:24:07,330

gonna go out there and knock the walls

1752

01:24:16,740 --> 01:24:14,130

down give him that that that you have

1753

01:24:19,290 --> 01:24:16,750

years of reporting in front of you

1754

01:24:22,350 --> 01:24:19,300

no follow-up I you're absolutely right

1755

01:24:24,480 --> 01:24:22,360

that was the one that was the one nugget

1756

01:24:26,990 --> 01:24:24,490

right there and it was a gift nothing

1757

01:24:29,370 --> 01:24:27,000

and I don't I don't know for sure I'm

1758

01:24:31,020 --> 01:24:29,380

purely speculating here but I mean I

1759

01:24:34,440 --> 01:24:31,030

have some understanding of how these

1760

01:24:36,240 --> 01:24:34,450

organizations work and these the

1761

01:24:38,460 --> 01:24:36,250

journalists who are writing these pieces

1762

01:24:40,440 --> 01:24:38,470

they they do not have total control over

1763

01:24:42,240 --> 01:24:40,450

the piece I guarantee it so there are

1764

01:24:44,940 --> 01:24:42,250

editorial decisions that are made as to

1765

01:24:47,190 --> 01:24:44,950

how to present that for example the fact

1766

01:24:48,810 --> 01:24:47,200

that the New York Times gratuitously put

1767

01:24:51,450 --> 01:24:48,820

in statements by two completely

1768

01:24:53,400 --> 01:24:51,460

irrelevant skeptics in one of the

1769

01:24:55,740 --> 01:24:53,410

articles that they their lead article on

1770

01:24:57,570 --> 01:24:55,750

that I mean no those statements added

1771

01:24:59,250 --> 01:24:57,580

nothing nothing at all to the piece

1772

01:25:00,630 --> 01:24:59,260

whatsoever they were simply

1773

01:25:03,990 --> 01:25:00,640

psychological placeholders for

1774

01:25:06,360 --> 01:25:04,000

skepticism I can guarantee you I would I

1775

01:25:06,970 --> 01:25:06,370

would bet my final dollar but that was a

1776

01:25:08,770 --> 01:25:06,980

decision of

1777

01:25:09,970 --> 01:25:08,780

highest levels of the editorial and had

1778

01:25:13,570 --> 01:25:09,980

nothing to do with what the journalist

1779

01:25:15,370 --> 01:25:13,580

wanted just who's gonna guess that and

1780

01:25:18,760 --> 01:25:15,380

similarly the fact that there's been no

1781

01:25:20,740 --> 01:25:18,770

follow-up that there's a reason for that

1782

01:25:22,390 --> 01:25:20,750

there's absolutely a reason for that

1783

01:25:24,880 --> 01:25:22,400

even though there's incredible

1784

01:25:26,470 --> 01:25:24,890

opportunity for follow-up journalism on

1785

01:25:28,650 --> 01:25:26,480

this so you know that should just tell

1786

01:25:31,240 --> 01:25:28,660

tell us the New York Times is useless

1787

01:25:32,680 --> 01:25:31,250

they're great for starting wars they're

1788

01:25:37,540 --> 01:25:32,690

they're awesome for that they're great

1789

01:25:39,520 --> 01:25:37,550

at you know hiding crimes that are

1790

01:25:42,100 --> 01:25:39,530

committed by the true elite who really

1791

01:25:43,690 --> 01:25:42,110

run this society of ours and I won't get

1792

01:25:46,420 --> 01:25:43,700

too derailed on that but that's also the

1793

01:25:48,850 --> 01:25:46,430

case but they they're for genuine

1794

01:25:50,800 --> 01:25:48,860

journalism they're less than useless in

1795

01:25:52,330 --> 01:25:50,810

fact you should just avoid them so that

1796

01:25:54,070 --> 01:25:52,340

leaves the door open for independent

1797

01:25:56,650 --> 01:25:54,080

journalists and the question is whether

1798

01:25:58,150 --> 01:25:56,660

or not they can get access to someone

1799

01:26:00,490 --> 01:25:58,160

like Robert Bigelow and ask some

1800

01:26:02,979 --> 01:26:00,500

questions there are good people in the

1801  
01:26:04,470 --> 01:26:02,989  
mainstream is George Knapp who I know is

1802  
01:26:06,760 --> 01:26:04,480  
one of the good guys and maybe George

1803  
01:26:07,810 --> 01:26:06,770  
want to put the pressure on him but

1804  
01:26:09,340 --> 01:26:07,820  
maybe he can do an interview with

1805  
01:26:12,910 --> 01:26:09,350  
Bigelow and try to get some information

1806  
01:26:14,979 --> 01:26:12,920  
out or someone else right I mean there's

1807  
01:26:16,600 --> 01:26:14,989  
always opportunities there but let's not

1808  
01:26:18,790 --> 01:26:16,610  
expect it from the establishment media

1809  
01:26:22,840 --> 01:26:18,800  
there they're not on our side

1810  
01:26:25,750 --> 01:26:22,850  
yeah and you know the the problem that

1811  
01:26:28,750 --> 01:26:25,760  
that I have with with some of those out

1812  
01:26:30,100 --> 01:26:28,760  
there and it's just they they know that

1813  
01:26:32,950 --> 01:26:30,110

I'm not going to throw softball

1814

01:26:36,160 --> 01:26:32,960

questions out there and so they avoid

1815

01:26:38,710 --> 01:26:36,170

now and because you you are actually a

1816

01:26:42,280 --> 01:26:38,720

good journalist and there are other good

1817

01:26:45,130 --> 01:26:42,290

journalists out there too and so it's up

1818

01:26:47,020 --> 01:26:45,140

to it's up to us those of us who care to

1819

01:26:49,210 --> 01:26:47,030

try to get some of these answers and

1820

01:26:52,120 --> 01:26:49,220

it's not easy I mean it's it's not easy

1821

01:26:53,740 --> 01:26:52,130

but but that's that's our job I mean

1822

01:26:55,720 --> 01:26:53,750

we've got to get these answers New York

1823

01:26:58,930 --> 01:26:55,730

Times it's good that they published what

1824

01:27:00,670 --> 01:26:58,940

they did but we cannot expect true

1825

01:27:04,410 --> 01:27:00,680

honesty from them and we can't expect

1826

01:27:09,700 --> 01:27:04,420

them to do anything other than

1827

01:27:12,220 --> 01:27:09,710

self-serving self-serving news /

1828

01:27:15,550 --> 01:27:12,230

propaganda for their you know for

1829

01:27:17,320 --> 01:27:15,560

whatever purposes they want but in fact

1830

01:27:18,970 --> 01:27:17,330

is there there was genuine information

1831

01:27:20,050 --> 01:27:18,980

they put out there so I'm I'm glad about

1832

01:27:25,020 --> 01:27:20,060

that

1833

01:27:27,400 --> 01:27:25,030

out there but we really can't expect

1834

01:27:30,220 --> 01:27:27,410

honestly from these people either we've

1835

01:27:32,650 --> 01:27:30,230

got about two minutes before the break

1836

01:27:35,700 --> 01:27:32,660

do you think that the New York Times

1837

01:27:37,690 --> 01:27:35,710

published that article because of

1838

01:27:40,900 --> 01:27:37,700

professional connections and pressure

1839

01:27:45,520 --> 01:27:40,910

from a PR firm to publish that in

1840

01:27:47,380 --> 01:27:45,530

connection with Washington but to the

1841

01:27:50,400 --> 01:27:47,390

stars or do you think that they would

1842

01:27:52,660 --> 01:27:50,410

have published that article on their own

1843

01:27:54,250 --> 01:27:52,670

no I think to the stars was instrumental

1844

01:27:55,450 --> 01:27:54,260

in that I don't think that article would

1845

01:27:59,200 --> 01:27:55,460

have happened without to the stars

1846

01:28:01,440 --> 01:27:59,210

there's no way so this is not a case

1847

01:28:03,640 --> 01:28:01,450

where in fact I think you know

1848

01:28:05,110 --> 01:28:03,650

Blumenthal and Leslie came both were

1849

01:28:08,500 --> 01:28:05,120

talking about this I'm not mistaken that

1850

01:28:10,540 --> 01:28:08,510

the press conference was definitely in

1851  
01:28:14,440 --> 01:28:10,550  
events around that press conference of

1852  
01:28:16,180 --> 01:28:14,450  
October 2017 were key in generating some

1853  
01:28:18,040 --> 01:28:16,190  
forward motion on getting that article

1854  
01:28:19,540 --> 01:28:18,050  
done and of course the people behind the

1855  
01:28:21,430 --> 01:28:19,550  
scenes with TTS say I think we're very

1856  
01:28:24,100 --> 01:28:21,440  
instrumental in feeding some of this

1857  
01:28:26,320 --> 01:28:24,110  
information too - Leslie Cain and the

1858  
01:28:27,970 --> 01:28:26,330  
other authors so no they were very

1859  
01:28:29,770 --> 01:28:27,980  
important in this and the real question

1860  
01:28:32,020 --> 01:28:29,780  
is you know what was their actual

1861  
01:28:34,540 --> 01:28:32,030  
motivation and again I guess I would

1862  
01:28:37,840 --> 01:28:34,550  
just say that people are complex it's

1863  
01:28:40,060 --> 01:28:37,850

not all it's not all simple there's

1864

01:28:41,560 --> 01:28:40,070

always the fact that they want to make

1865

01:28:43,090 --> 01:28:41,570

money they want defense contracts I

1866

01:28:44,890 --> 01:28:43,100

think there's no question about this

1867

01:28:46,300 --> 01:28:44,900

you've all you have to do is read

1868

01:28:46,870 --> 01:28:46,310

between the lines and not even between

1869

01:28:51,720 --> 01:28:46,880

the lines

1870

01:28:55,360 --> 01:28:51,730

they want to get taxpayer money to study

1871

01:28:57,970 --> 01:28:55,370

exotic technologies by at least to some

1872

01:29:00,130 --> 01:28:57,980

extent legitimizing UAP UFO phenomenon

1873

01:29:02,920 --> 01:29:00,140

within Congress so they can get money

1874

01:29:04,900 --> 01:29:02,930

doing doing research that's definitely

1875

01:29:07,420 --> 01:29:04,910

on their agenda now is that doesn't make

1876

01:29:08,920 --> 01:29:07,430

them bad well I don't know I mean we can

1877

01:29:11,530 --> 01:29:08,930

all answer the head on our own I suppose

1878

01:29:14,140 --> 01:29:11,540

but everyone's got their own motivations

1879

01:29:16,930 --> 01:29:14,150

for doing everything the fact is my for

1880

01:29:19,510 --> 01:29:16,940

me I just ask are they putting out

1881

01:29:21,790 --> 01:29:19,520

genuine information that helps those of

1882

01:29:23,410 --> 01:29:21,800

us who believe in ending UFO secrecy and

1883

01:29:25,210 --> 01:29:23,420

the thing in this case the answer is

1884

01:29:26,620 --> 01:29:25,220

yeah I think they've helped a bit let's

1885

01:29:28,900 --> 01:29:26,630

take a break right here our guest

1886

01:29:30,190 --> 01:29:28,910

tonight Richard bleep and Doland yeah

1887

01:29:32,350 --> 01:29:30,200

bleepin is

1888

01:29:34,530 --> 01:29:32,360

his middle name i'm your host jimmy

1889

01:29:36,820 --> 01:29:34,540

church this is fade to black

1890

01:29:38,040 --> 01:29:36,830

richard right after this short break

1891

01:29:48,100 --> 01:29:38,050

stay with us

1892

01:29:48,110 --> 01:29:57,930

[Music]

1893

01:30:05,169 --> 01:30:01,140

way out here we listen to Jimmy Church

1894

01:30:07,450 --> 01:30:05,179

you're listening to fade to black always

1895

01:30:10,330 --> 01:30:07,460

on the edge of the hottest alternative

1896

01:30:29,560 --> 01:30:10,340

talk jimmy church with fade to black

1897

01:30:33,280 --> 01:30:29,570

stay gra radio.com hurricanes

1898

01:30:35,020 --> 01:30:33,290

earthquakes wildfires this year we've

1899

01:30:37,419 --> 01:30:35,030

experienced more than our fair share

1900

01:30:40,300 --> 01:30:37,429

this is Jimmy Church of fade to black

1901

01:30:42,520 --> 01:30:40,310

and last month I decided to make sure my

1902

01:30:44,800 --> 01:30:42,530

family does not have to worry about food

1903

01:30:48,399 --> 01:30:44,810

should we get caught in a real emergency

1904

01:30:50,290 --> 01:30:48,409

situation introducing Humana a healthy

1905

01:30:52,120 --> 01:30:50,300

storable product that tastes so good

1906

01:30:53,919 --> 01:30:52,130

that you'll want to eat it every day

1907

01:30:56,649 --> 01:30:53,929

instead of just during those times of

1908

01:31:00,070 --> 01:30:56,659

duress all new manna products have a 25

1909

01:31:02,189 --> 01:31:00,080

year shelf life our msg and GMO free no

1910

01:31:04,600 --> 01:31:02,199

preservatives and are made in America

1911

01:31:06,399 --> 01:31:04,610

with the new manna pack in your home

1912

01:31:09,129 --> 01:31:06,409

you'll be able to sleep at night knowing

1913

01:31:11,950 --> 01:31:09,139

that you've protected your family not

1914

01:31:14,500 --> 01:31:11,960

only have I tasted and tested I own it

1915

01:31:16,240 --> 01:31:14,510

now you can too just click on the new

1916

01:31:18,550 --> 01:31:16,250

manna banner on Jimmy Church radio.com

1917

01:31:21,040 --> 01:31:18,560

and use the promo code Jimmy when you

1918

01:31:22,689 --> 01:31:21,050

order in addition to a discount we'll

1919

01:31:27,100 --> 01:31:22,699

send you an autograph fade to black

1920

01:31:29,020 --> 01:31:27,110

t-shirt seriously gobekli tepe do you

1921

01:31:31,000 --> 01:31:29,030

worry a lot whether you're a college

1922

01:31:33,490 --> 01:31:31,010

student busy professional parent or

1923

01:31:35,169 --> 01:31:33,500

grandparent ongoing stress and elevated

1924

01:31:37,209 --> 01:31:35,179

levels of the stress hormone cortisol

1925

01:31:39,520 --> 01:31:37,219

can wrap your memory your health and

1926

01:31:41,320 --> 01:31:39,530

your future now you can combat the

1927

01:31:43,120 --> 01:31:41,330

effects of stress and anxiety while

1928

01:31:45,399 --> 01:31:43,130

improving your memory and recall at the

1929

01:31:47,470 --> 01:31:45,409

same time with the dietary supplement

1930

01:31:49,240 --> 01:31:47,480

calm and clever studies showed that the

1931

01:31:52,000 --> 01:31:49,250

ingredients in common clever reduce

1932

01:31:53,590 --> 01:31:52,010

cortisol by as much as 30% in one to two

1933

01:31:55,450 --> 01:31:53,600

weeks call one eight hundred seventy

1934

01:31:57,440 --> 01:31:55,460

five eight eight seven four six or calm

1935

01:31:59,870 --> 01:31:57,450

and clever calm

1936

01:32:08,660 --> 01:31:59,880

you listen to us and we listen to you

1937

01:32:10,370 --> 01:32:08,670

and so does the CIA jgr a radio.com hi

1938

01:32:11,240 --> 01:32:10,380

folks what can i say without making

1939

01:32:12,650 --> 01:32:11,250

claims

1940

01:32:14,360 --> 01:32:12,660

seaweed is truly the buzzword for

1941

01:32:16,280 --> 01:32:14,370

health what does it do government

1942

01:32:18,050 --> 01:32:16,290

institutions will not allow me to say

1943

01:32:20,750 --> 01:32:18,060

what this wonderful oil does for us

1944

01:32:23,630 --> 01:32:20,760

but I can say it's non-gmo and organic I

1945

01:32:25,580 --> 01:32:23,640

can say it's point zero zero three THC

1946

01:32:27,680 --> 01:32:25,590

which in plain English means you won't

1947

01:32:29,450 --> 01:32:27,690

get high there are those that want to

1948

01:32:31,370 --> 01:32:29,460

squash your freedom to buy natural

1949

01:32:33,620 --> 01:32:31,380

products fight back with the purchase

1950

01:32:35,180 --> 01:32:33,630

power in the end it is you that takes

1951

01:32:37,580 --> 01:32:35,190

care of your health go to ancient life

1952

01:32:42,020 --> 01:32:37,590

oil calm one more time ancient life oil

1953

01:32:44,450 --> 01:32:42,030

calm you are listening to fade to black

1954

01:32:49,250 --> 01:32:44,460

with Jimmy Church on the game change in

1955

01:32:51,320 --> 01:32:49,260

network hi I'm Lisa Vance you're

1956

01:32:54,260 --> 01:32:51,330

listening to Jimmy Church this is a

1957

01:33:03,030 --> 01:32:54,270

revolution the revolution will not be

1958

01:33:41,209 --> 01:33:38,100

[Music]

1959

01:33:43,740 --> 01:33:41,219

[Applause]

1960

01:33:45,060 --> 01:33:43,750

welcome back fade to black I'm the host

1961

01:33:48,150 --> 01:33:45,070

of a church our guest tonight Richard

1962

01:33:49,950 --> 01:33:48,160

Dolan he is here the segment of fade to

1963

01:33:53,010 --> 01:33:49,960

black has proudly brought to you by new

1964

01:33:55,590 --> 01:33:53,020

manna emergency food stores for you and

1965

01:33:57,689 --> 01:33:55,600

your family promo code is Jimmy 10 it's

1966

01:33:59,610 --> 01:33:57,699

gonna get you 10% off it's gonna get you

1967

01:34:01,650 --> 01:33:59,620

free shipping and it's gonna every order

1968

01:34:04,290 --> 01:34:01,660

over \$100 gets you an autograph fade to

1969

01:34:05,880 --> 01:34:04,300

black t-shirt richard Dolan's got an

1970

01:34:09,320 --> 01:34:05,890

autograph fade to black t-shirt don't

1971

01:34:11,850 --> 01:34:09,330

you I don't know I don't think I did

1972

01:34:13,500 --> 01:34:11,860

this is Radio Richard you're supposed to

1973

01:34:21,750 --> 01:34:13,510

say I won't know it every day I'm

1974

01:34:25,140 --> 01:34:21,760

wearing it I want to talk a little bit

1975

01:34:26,580 --> 01:34:25,150

about the original UFO hypothesis and

1976

01:34:29,040 --> 01:34:26,590

the reason why I want to bring that up

1977

01:34:31,410 --> 01:34:29,050

is a couple of weeks ago you know we've

1978

01:34:33,439 --> 01:34:31,420

got this fast radio bursts thing that is

1979

01:34:36,120 --> 01:34:33,449

that is going on right now and it is

1980

01:34:39,330 --> 01:34:36,130

it's fascinating to me

1981

01:34:41,760 --> 01:34:39,340

Michio Kaku came out a couple of weeks

1982

01:34:45,180 --> 01:34:41,770

ago I don't know if he caught this and

1983

01:34:52,229 --> 01:34:45,190

he said fast radio bursts could be

1984

01:34:55,620 --> 01:34:52,239

coming from starships not planets and it

1985

01:34:57,840 --> 01:34:55,630

just made me sit back and think if you

1986

01:35:00,140 --> 01:34:57,850

are out in the vastness of interstellar

1987

01:35:04,890 --> 01:35:00,150

space right

1988

01:35:06,900 --> 01:35:04,900

ten thousand light-years between objects

1989

01:35:09,150 --> 01:35:06,910

right now I mean just the vastness of

1990

01:35:13,169 --> 01:35:09,160

space and you need to send out a warning

1991

01:35:15,320 --> 01:35:13,179

beacon to your your other starship

1992

01:35:18,120 --> 01:35:15,330

trooper friends or what have you

1993

01:35:21,180 --> 01:35:18,130

you've you would do a fast radio bursts

1994

01:35:23,640 --> 01:35:21,190

you would let people know where you are

1995

01:35:25,110 --> 01:35:23,650

just like we would you use radio signals

1996

01:35:28,740 --> 01:35:25,120

it would use something that could be

1997

01:35:31,350 --> 01:35:28,750

faster I mean I think that there

1998

01:35:34,110 --> 01:35:31,360

probably are going to be faster than

1999

01:35:36,810 --> 01:35:34,120

light types of communications I mean I

2000

01:35:39,810 --> 01:35:36,820

know mr. Akaka doesn't believe that but

2001

01:35:41,490 --> 01:35:39,820

I think I believe it of course I'm not

2002

01:35:43,350 --> 01:35:41,500

I'm not a physicist so I'm allowed to

2003

01:35:45,810 --> 01:35:43,360

believe whatever I want

2004

01:35:49,550 --> 01:35:45,820

but nonetheless we have you know quantum

2005

01:35:51,990 --> 01:35:49,560

entanglement which is demonstrably been

2006

01:35:56,090 --> 01:35:52,000

shown to

2007

01:35:58,680 --> 01:35:56,100

faster-than-light connections between

2008

01:36:00,420 --> 01:35:58,690

you know one particle and another

2009

01:36:04,100 --> 01:36:00,430

particle and in theory that could be at

2010

01:36:06,900 --> 01:36:04,110

the distance of one galaxy to another so

2011

01:36:09,390 --> 01:36:06,910

it would seem to me that a very very

2012

01:36:11,100 --> 01:36:09,400

advanced civilization and that will

2013

01:36:14,340 --> 01:36:11,110

include ourselves and another thousand

2014

01:36:15,600 --> 01:36:14,350

years or more or less might have

2015

01:36:19,200 --> 01:36:15,610

discovered an ability to communicate

2016

01:36:21,420 --> 01:36:19,210

that's far beyond radio waves I would

2017

01:36:23,130 --> 01:36:21,430

like to think so and I have to think

2018

01:36:26,040 --> 01:36:23,140

that it's entirely possible and if it's

2019

01:36:28,020 --> 01:36:26,050

possible then we're going to do it so I

2020

01:36:29,610 --> 01:36:28,030

think you know if we're looking for

2021

01:36:31,260 --> 01:36:29,620

radio signals and that type of thing

2022

01:36:34,740 --> 01:36:31,270

maybe we're looking at the wrong type of

2023

01:36:36,840 --> 01:36:34,750

a signal just a thought well you know

2024

01:36:41,820 --> 01:36:36,850

going back to you know the Drake

2025

01:36:43,530 --> 01:36:41,830

Equation and and SETI and some of the

2026

01:36:46,380 --> 01:36:43,540

faults that you know because they're

2027

01:36:48,360 --> 01:36:46,390

looking for radio signals and obviously

2028

01:36:50,550 --> 01:36:48,370

if there's an advanced civilization out

2029

01:36:52,710 --> 01:36:50,560

there they wouldn't be using radio they

2030

01:36:56,280 --> 01:36:52,720

would have moved beyond it certainly on

2031

01:36:58,350 --> 01:36:56,290

this planet we've moved beyond I mean

2032

01:37:00,680 --> 01:36:58,360

radio still exists I'm not gonna say

2033

01:37:05,480 --> 01:37:00,690

that it doesn't I'm a broadcaster but

2034

01:37:08,100 --> 01:37:05,490

it's not what it was 50 years ago no

2035

01:37:10,800 --> 01:37:08,110

lately right and I don't know what we're

2036

01:37:12,570 --> 01:37:10,810

gonna be using in another 50 years but

2037

01:37:16,110 --> 01:37:12,580

that's a little hundred and fifty year

2038

01:37:17,640 --> 01:37:16,120

window of us using that technology I

2039

01:37:21,690 --> 01:37:17,650

don't think we're gonna be using radio

2040

01:37:24,800 --> 01:37:21,700

waves in another 50 years but the flip

2041

01:37:27,030 --> 01:37:24,810

side to that is the obvious which is

2042

01:37:30,780 --> 01:37:27,040

civilizations out there went through the

2043

01:37:33,420 --> 01:37:30,790

same elements of technical revolutions

2044

01:37:35,820 --> 01:37:33,430

that we did and at one point they were

2045

01:37:37,320 --> 01:37:35,830

using fast radio bursts and they were

2046

01:37:40,200 --> 01:37:37,330

using radio signals and they're

2047

01:37:43,860 --> 01:37:40,210

eventually going to get here that's

2048

01:37:46,560 --> 01:37:43,870

that's my take yeah exactly exactly I

2049

01:37:50,160 --> 01:37:46,570

feel like what we're dealing with in

2050

01:37:52,320 --> 01:37:50,170

this UFO phenomenon is is I think almost

2051  
01:37:55,260 --> 01:37:52,330  
certainly the result of some kind of

2052  
01:37:57,570 --> 01:37:55,270  
melding of biological and artificial

2053  
01:37:59,520 --> 01:37:57,580  
intelligence and that is what we're

2054  
01:38:01,800 --> 01:37:59,530  
dealing with and I only feel this way

2055  
01:38:03,750 --> 01:38:01,810  
because it's very very easy now for us

2056  
01:38:05,390 --> 01:38:03,760  
in our society to see this is exactly

2057  
01:38:07,490 --> 01:38:05,400  
where we are going

2058  
01:38:09,080 --> 01:38:07,500  
you look at all of the advances that we

2059  
01:38:10,700 --> 01:38:09,090  
are making in terms of our hardware in

2060  
01:38:13,580 --> 01:38:10,710  
terms of AI in terms of quantum

2061  
01:38:16,490 --> 01:38:13,590  
computing nanotech robotics the the fact

2062  
01:38:18,050 --> 01:38:16,500  
that we've DNA mapped ourselves pretty

2063  
01:38:20,169 --> 01:38:18,060

completely and we're able to edit our

2064

01:38:22,640 --> 01:38:20,179

genes through CRISPR technology and

2065

01:38:27,110 --> 01:38:22,650

that's just the beginning of where we're

2066

01:38:30,110 --> 01:38:27,120

going and then you know ask yourself you

2067

01:38:34,149 --> 01:38:30,120

know I love hearing all of these these

2068

01:38:36,740 --> 01:38:34,159

truly know nothing skeptics who will say

2069

01:38:38,390 --> 01:38:36,750

travel to the Stars is impossible you

2070

01:38:41,570 --> 01:38:38,400

people don't realize how distant the

2071

01:38:43,850 --> 01:38:41,580

stars are and I just think we're

2072

01:38:46,520 --> 01:38:43,860

probably twenty years away officially

2073

01:38:48,590 --> 01:38:46,530

speaking all right from having a ship or

2074

01:38:50,330 --> 01:38:48,600

being that's artificially intelligent

2075

01:38:53,090 --> 01:38:50,340

enough that can probably survive an

2076

01:38:55,850 --> 01:38:53,100

interstellar journey really maybe a

2077

01:38:58,880 --> 01:38:55,860

century if you want to be generous we're

2078

01:39:00,590 --> 01:38:58,890

just about there ourselves

2079

01:39:03,649 --> 01:39:00,600

don't don't we think it's possible to

2080

01:39:05,300 --> 01:39:03,659

have an artificially intelligent ship so

2081

01:39:06,860 --> 01:39:05,310

we'll have our own little avatars out

2082

01:39:09,229 --> 01:39:06,870

there we're gonna have these ultra-fast

2083

01:39:11,990 --> 01:39:09,239

ultra intelligent machine avatars robots

2084

01:39:16,370 --> 01:39:12,000

virtual entities they're almost here

2085

01:39:17,510 --> 01:39:16,380

upon us now with you know I mean and

2086

01:39:19,370 --> 01:39:17,520

then when you think about how the

2087

01:39:22,130 --> 01:39:19,380

technologies were developing are going

2088

01:39:26,209 --> 01:39:22,140

to be working either synergistically or

2089

01:39:28,250 --> 01:39:26,219

just in coordination with each other you

2090

01:39:30,709 --> 01:39:28,260

know add like nanotech and then 3d

2091

01:39:34,550 --> 01:39:30,719

printing and 3d scanning and the ability

2092

01:39:36,470 --> 01:39:34,560

almost to create a an artificial being

2093

01:39:39,439 --> 01:39:36,480

what we're almost there you talk about

2094

01:39:41,240 --> 01:39:39,449

hospitals saying you know in a few years

2095

01:39:43,520 --> 01:39:41,250

we're gonna be creating 3d printed

2096

01:39:45,439 --> 01:39:43,530

livers for replacement livers and organs

2097

01:39:48,919 --> 01:39:45,449

and I mean they're talking very

2098

01:39:52,270 --> 01:39:48,929

seriously about this so we are right on

2099

01:39:54,470 --> 01:39:52,280

the cusp and then you get these

2100

01:39:56,840 --> 01:39:54,480

futurists who talk about human

2101

01:39:58,550 --> 01:39:56,850

immortality now some of these are the

2102

01:40:00,350 --> 01:39:58,560

scariest people on the planet you know

2103

01:40:02,419 --> 01:40:00,360

anyone who wants humans to live forever

2104

01:40:04,790 --> 01:40:02,429

is a very frightening person in my

2105

01:40:08,270 --> 01:40:04,800

opinion but but nonetheless they're

2106

01:40:12,340 --> 01:40:08,280

having these conversations and so we're

2107

01:40:14,840 --> 01:40:12,350

we're on the verge of going posthuman

2108

01:40:17,990 --> 01:40:14,850

transhuman so if we can see ourselves

2109

01:40:19,009 --> 01:40:18,000

doing this very realistically by the way

2110

01:40:21,799 --> 01:40:19,019

in the next general

2111

01:40:23,839 --> 01:40:21,809

or two I think we have to assume that

2112

01:40:26,359 --> 01:40:23,849

what we're dealing with is the result of

2113

01:40:28,039 --> 01:40:26,369

that and and you know you look at

2114

01:40:30,919 --> 01:40:28,049

something like the gray is that everyone

2115

01:40:32,569 --> 01:40:30,929

is reported and talked about there's no

2116

01:40:35,059 --> 01:40:32,579

way in my view that they could have ever

2117

01:40:36,799 --> 01:40:35,069

been naturally biologically occurring

2118

01:40:38,629 --> 01:40:36,809

beings it means it's not a chance

2119

01:40:40,339 --> 01:40:38,639

the heads are way too large the bodies

2120

01:40:42,829 --> 01:40:40,349

are too spindly it doesn't make any

2121

01:40:45,349 --> 01:40:42,839

sense in terms of evolutionary body plan

2122

01:40:49,309 --> 01:40:45,359

but it does make sense if you see them

2123

01:40:51,739 --> 01:40:49,319

as created for certain purposes to have

2124

01:40:54,769 --> 01:40:51,749

exceptional intelligence in certain ways

2125

01:40:56,869 --> 01:40:54,779

bodies not really needed in certain ways

2126  
01:41:00,109 --> 01:40:56,879  
and on and on on sex organs why would

2127  
01:41:02,719 --> 01:41:00,119  
you why would you give you know a drone

2128  
01:41:06,649 --> 01:41:02,729  
worker the ultimate distraction of sex

2129  
01:41:11,029 --> 01:41:06,659  
organs you wouldn't so so I think we're

2130  
01:41:15,229 --> 01:41:11,039  
dealing with the results of a hyper

2131  
01:41:17,000 --> 01:41:15,239  
advanced post singularity civilization

2132  
01:41:19,609 --> 01:41:17,010  
or maybe a series of them that have

2133  
01:41:21,349 --> 01:41:19,619  
found us they find us interesting I mean

2134  
01:41:24,049 --> 01:41:21,359  
of course they would find us interesting

2135  
01:41:27,079 --> 01:41:24,059  
a earth is interesting earth is

2136  
01:41:30,109 --> 01:41:27,089  
fascinating earth is beautiful earth has

2137  
01:41:32,539 --> 01:41:30,119  
all of these unique combinations of DNA

2138  
01:41:34,729 --> 01:41:32,549

my god I mean if you're interested in

2139

01:41:37,309 --> 01:41:34,739

any form of life whatsoever earth is a

2140

01:41:38,629 --> 01:41:37,319

gold mine and there may be millions and

2141

01:41:40,699 --> 01:41:38,639

billions of others out there but it

2142

01:41:43,699 --> 01:41:40,709

doesn't make earth any less valuable and

2143

01:41:47,329 --> 01:41:43,709

then on earth there are these creatures

2144

01:41:50,179 --> 01:41:47,339

these human beings that are yeah I mean

2145

01:41:51,649 --> 01:41:50,189

it's easy for people to say we're just

2146

01:41:54,019 --> 01:41:51,659

like insects compared with a higher

2147

01:41:57,349 --> 01:41:54,029

order of intelligence I disagree I

2148

01:41:59,389 --> 01:41:57,359

disagree our intellect may not be as

2149

01:42:02,419 --> 01:41:59,399

high as theirs but we have interesting

2150

01:42:04,939 --> 01:42:02,429

an interesting internal life I believe

2151  
01:42:06,979 --> 01:42:04,949  
we did create Shakespeare and Goethe and

2152  
01:42:08,719 --> 01:42:06,989  
Beethoven and a lot of other really cool

2153  
01:42:12,529 --> 01:42:08,729  
people so we've got something going for

2154  
01:42:15,079 --> 01:42:12,539  
us and we have discovered some pretty

2155  
01:42:18,169 --> 01:42:15,089  
interesting scientific secrets so that

2156  
01:42:19,729 --> 01:42:18,179  
makes us interesting as well so no I

2157  
01:42:21,979 --> 01:42:19,739  
think that we would be of prime interest

2158  
01:42:24,229 --> 01:42:21,989  
to a lot of other people out there that

2159  
01:42:26,569 --> 01:42:24,239  
have the ability to observe us and to

2160  
01:42:28,369 --> 01:42:26,579  
and to monitor us and I think that's

2161  
01:42:30,379 --> 01:42:28,379  
exactly what we are dealing with and I

2162  
01:42:31,849 --> 01:42:30,389  
think that they've noticed us some of

2163  
01:42:32,689 --> 01:42:31,859

them have noticed us for probably as

2164

01:42:34,549 --> 01:42:32,699

long as we

2165

01:42:35,930 --> 01:42:34,559

have existed and the real question that

2166

01:42:37,850 --> 01:42:35,940

I ask myself and I don't know if I'll

2167

01:42:40,419 --> 01:42:37,860

ever get the answers to what extent are

2168

01:42:44,540 --> 01:42:40,429

they managed us monitored us tweaked us

2169

01:42:49,390 --> 01:42:44,550

controlled us I don't know it's

2170

01:42:52,969 --> 01:42:49,400

interesting the the the math of things

2171

01:42:55,430 --> 01:42:52,979

fascinates me and if you and I are

2172

01:42:57,379 --> 01:42:55,440

sitting around a poker table and we're

2173

01:42:59,779 --> 01:42:57,389

you know there's five of us you know you

2174

01:43:03,529 --> 01:42:59,789

raise Rob and Tracey myself right we're

2175

01:43:05,560 --> 01:43:03,539

all just doing our thing we deal out of

2176

01:43:08,660 --> 01:43:05,570

Hana cards you look at your cards

2177

01:43:11,569 --> 01:43:08,670

eventually those five cards in your hand

2178

01:43:14,540 --> 01:43:11,579

we will it may take a while but we

2179

01:43:19,009 --> 01:43:14,550

continue to deal those cards the exact

2180

01:43:22,459 --> 01:43:19,019

same hands will be dealt right it's just

2181

01:43:23,569 --> 01:43:22,469

a numbers game it's the same thing with

2182

01:43:27,500 --> 01:43:23,579

planet Earth

2183

01:43:29,379 --> 01:43:27,510

out there it's a numbers game there is

2184

01:43:33,109 --> 01:43:29,389

another earth there's another earth

2185

01:43:36,290 --> 01:43:33,119

identical to us and on that planet right

2186

01:43:39,310 --> 01:43:36,300

now Richard are two radio hosts talking

2187

01:43:44,060 --> 01:43:39,320

about life out there in the universe

2188

01:43:48,290 --> 01:43:44,070

that's funny he goes out a month ago I

2189

01:43:49,819 --> 01:43:48,300

was I had a kind of epiphany on exactly

2190

01:43:51,620 --> 01:43:49,829

this type of thought it's so funny that

2191

01:43:53,180 --> 01:43:51,630

you you think of these things that have

2192

01:43:55,009 --> 01:43:53,190

are occurring to me independently it's

2193

01:43:57,529 --> 01:43:55,019

really true and I just had this moment

2194

01:44:00,109 --> 01:43:57,539

all right I remember looking out at the

2195

01:44:03,199 --> 01:44:00,119

sky it was about a month or two ago and

2196

01:44:05,989 --> 01:44:03,209

I just saw it out there is another

2197

01:44:08,779 --> 01:44:05,999

planet that's got to be very similar to

2198

01:44:10,910 --> 01:44:08,789

our earth that's got to have a certain

2199

01:44:14,209 --> 01:44:10,920

amount of oxygen and and plant life

2200

01:44:17,419 --> 01:44:14,219

that's evolved and grown and their

2201  
01:44:19,189 --> 01:44:17,429  
version of mammals and and and their

2202  
01:44:21,919 --> 01:44:19,199  
version of intelligent life that has

2203  
01:44:25,100 --> 01:44:21,929  
developed the ability to conceive of

2204  
01:44:27,379 --> 01:44:25,110  
life beyond like I just thought they're

2205  
01:44:29,660 --> 01:44:27,389  
out there right now and here I'm

2206  
01:44:33,049 --> 01:44:29,670  
standing thinking about them and maybe

2207  
01:44:35,899 --> 01:44:33,059  
they're thinking about me it was a nice

2208  
01:44:40,370 --> 01:44:35,909  
moment yeah on that planet was another

2209  
01:44:43,729 --> 01:44:40,380  
Dolan looking up at the stars having

2210  
01:44:46,129 --> 01:44:43,739  
that exact same thought so if that is

2211  
01:44:47,989 --> 01:44:46,139  
the case then of course is

2212  
01:44:49,819 --> 01:44:47,999  
somebody is out there looking for us and

2213  
01:44:53,649 --> 01:44:49,829

has found us and has probably found as

2214

01:44:56,209 --> 01:44:53,659

thousands of times you know thousands of

2215

01:44:58,639 --> 01:44:56,219

civilizations out there that that have

2216

01:45:03,439 --> 01:44:58,649

explored and that's it and so back to

2217

01:45:06,020 --> 01:45:03,449

the UFO high pots and bottles at the

2218

01:45:10,279 --> 01:45:06,030

Extra Terrestrial yeah yeah yeah and

2219

01:45:14,270 --> 01:45:10,289

when we and we go back and consider how

2220

01:45:17,419 --> 01:45:14,280

innocent that thought was right and and

2221

01:45:19,520 --> 01:45:17,429

where we are today but when I go out and

2222

01:45:21,139 --> 01:45:19,530

I have these sightings and I'm seeing

2223

01:45:24,500 --> 01:45:21,149

things in the skies I've done it with

2224

01:45:28,489 --> 01:45:24,510

you too as well and what they're looking

2225

01:45:32,389 --> 01:45:28,499

at now is that nuts and bolts is it

2226

01:45:35,359 --> 01:45:32,399

energy is it just some type of drone

2227

01:45:38,659 --> 01:45:35,369

like Voyager you know or something like

2228

01:45:41,239 --> 01:45:38,669

that I you know I don't know what is

2229

01:45:43,429 --> 01:45:41,249

being represented up there right now I

2230

01:45:46,339 --> 01:45:43,439

really don't I don't know if it's a

2231

01:45:49,009 --> 01:45:46,349

metallic nuts and bolts with the dude in

2232

01:45:50,629 --> 01:45:49,019

there with a pilot and a joystick or if

2233

01:45:53,449 --> 01:45:50,639

it's something else or if it's pure

2234

01:45:55,759 --> 01:45:53,459

energy if it is like you were saying

2235

01:45:57,589 --> 01:45:55,769

earlier consciousness what do you think

2236

01:46:00,109 --> 01:45:57,599

is being represented in the skies these

2237

01:46:02,000 --> 01:46:00,119

days and how did they get here I think I

2238

01:46:04,939 --> 01:46:02,010

think what you're you're moving toward

2239

01:46:07,009 --> 01:46:04,949

is a kind of updated version of the ETH

2240

01:46:08,479 --> 01:46:07,019

that is the extra-terrestrial hypothesis

2241

01:46:10,580 --> 01:46:08,489

and I think that's an appropriate thing

2242

01:46:12,620 --> 01:46:10,590

for us to be doing when we think of the

2243

01:46:14,330 --> 01:46:12,630

extra-terrestrial hypothesis you know

2244

01:46:16,699 --> 01:46:14,340

anyone who's been involved in UFOs for

2245

01:46:19,819 --> 01:46:16,709

any amount of time the ETH almost seems

2246

01:46:22,609 --> 01:46:19,829

kind of boring to people like you know

2247

01:46:25,580 --> 01:46:22,619

are there men and women from another

2248

01:46:27,169 --> 01:46:25,590

planet in metal spaceships coming here

2249

01:46:29,299 --> 01:46:27,179

take us to your leader that type of

2250

01:46:31,969 --> 01:46:29,309

thing and back in the 1950s when people

2251

01:46:33,979 --> 01:46:31,979

were first talking about this it was

2252

01:46:35,779 --> 01:46:33,989

kind of like the Buck Rogers version of

2253

01:46:37,609 --> 01:46:35,789

the extra-terrestrial hypothesis that is

2254

01:46:39,500 --> 01:46:37,619

you know we're gonna get into our rocket

2255

01:46:40,850 --> 01:46:39,510

ship and go out in a space and and that

2256

01:46:42,259 --> 01:46:40,860

must be what they're doing you know

2257

01:46:47,449 --> 01:46:42,269

being from another planet of travel to

2258

01:46:49,759 --> 01:46:47,459

get here and I think it'd be it was

2259

01:46:51,379 --> 01:46:49,769

attractive for a little period of time

2260

01:46:52,699 --> 01:46:51,389

but I think it became unattractive

2261

01:46:56,569 --> 01:46:52,709

because people started to think well

2262

01:46:59,029 --> 01:46:56,579

first of all you have people like valet

2263

01:46:59,940 --> 01:46:59,039

in the 60s who started looking into the

2264

01:47:01,530 --> 01:46:59,950

fact that this

2265

01:47:04,050 --> 01:47:01,540

nah man might just go back throughout

2266

01:47:06,480 --> 01:47:04,060

all of our history he's looking at

2267

01:47:08,130 --> 01:47:06,490

reports of fairies and other types of

2268

01:47:10,200 --> 01:47:08,140

creatures his great book passport to

2269

01:47:12,210 --> 01:47:10,210

mangonia and more recently incidentally

2270

01:47:15,780 --> 01:47:12,220

he co-authored an excellent book wonders

2271

01:47:18,120 --> 01:47:15,790

in the sky highly recommended where that

2272

01:47:20,040 --> 01:47:18,130

he talks about you know how the fact

2273

01:47:22,200 --> 01:47:20,050

that this is an ancient phenomenon and

2274

01:47:24,300 --> 01:47:22,210

so if it's an ancient phenomenon are we

2275

01:47:27,090 --> 01:47:24,310

really inclined to think that they've

2276

01:47:28,350 --> 01:47:27,100

they're coming from another planet there

2277

01:47:29,700 --> 01:47:28,360

maybe there's something more interesting

2278

01:47:32,060 --> 01:47:29,710

there and I think that's a fair

2279

01:47:34,950 --> 01:47:32,070

statement and then there's even more

2280

01:47:36,810 --> 01:47:34,960

interesting state theories you've got

2281

01:47:38,280 --> 01:47:36,820

various forms of an interdimensional

2282

01:47:40,410 --> 01:47:38,290

type of hypothesis you know are these

2283

01:47:42,510 --> 01:47:40,420

beings actually from another planet or

2284

01:47:44,160 --> 01:47:42,520

are there other dimensions are they from

2285

01:47:45,720 --> 01:47:44,170

another dimension I mean after all

2286

01:47:47,130 --> 01:47:45,730

there's thousands and thousands of

2287

01:47:48,840 --> 01:47:47,140

sightings every year are we really

2288

01:47:51,540 --> 01:47:48,850

dealing with beings from another planet

2289

01:47:55,500 --> 01:47:51,550

that are surveilling the earth or coming

2290

01:47:59,310 --> 01:47:55,510

here I mean it seems a little bit odd to

2291

01:48:00,810 --> 01:47:59,320

think of it think of it that way so and

2292

01:48:04,980 --> 01:48:00,820

then there's other possibilities you

2293

01:48:07,740 --> 01:48:04,990

know there's you know is it the fact

2294

01:48:09,990 --> 01:48:07,750

that an ancient human society or an

2295

01:48:12,750 --> 01:48:10,000

ancient variation of our own species

2296

01:48:16,860 --> 01:48:12,760

broke off in one way or another and

2297

01:48:18,510 --> 01:48:16,870

develop in a parallel form not sharing

2298

01:48:20,040 --> 01:48:18,520

their secret with the rest of us is that

2299

01:48:21,810 --> 01:48:20,050

what we're dealing with I mean there's

2300

01:48:24,060 --> 01:48:21,820

all these ideas but I would say this

2301

01:48:28,830 --> 01:48:24,070

that the extra-terrestrial hypothesis

2302

01:48:32,460 --> 01:48:28,840

for all of that is still probably still

2303

01:48:33,150 --> 01:48:32,470

the single best theory to explain what's

2304

01:48:36,030 --> 01:48:33,160

going on

2305

01:48:38,730 --> 01:48:36,040

and I say this but we need to update our

2306

01:48:41,490 --> 01:48:38,740

understanding of the ETH but one reason

2307

01:48:43,380 --> 01:48:41,500

that I still think it's a strong theory

2308

01:48:45,510 --> 01:48:43,390

is that you've got all of these very

2309

01:48:47,010 --> 01:48:45,520

very officially documented cases I'm

2310

01:48:49,140 --> 01:48:47,020

talking about military documents that

2311

01:48:52,230 --> 01:48:49,150

talk about engagements with objects that

2312

01:48:54,090 --> 01:48:52,240

are so far beyond our own apparent

2313

01:48:55,740 --> 01:48:54,100

capabilities I mean and you've had a

2314

01:48:57,300 --> 01:48:55,750

number of analysts saying look it's not

2315

01:48:59,160 --> 01:48:57,310

the Russians it's not anything that we

2316

01:49:02,220 --> 01:48:59,170

know about it's not natural phenomenon

2317

01:49:04,080 --> 01:49:02,230

so it's really not a stretch to wonder

2318

01:49:06,960 --> 01:49:04,090

if this is an extraterrestrial thing and

2319

01:49:08,790 --> 01:49:06,970

then on top of that you do have sighting

2320

01:49:11,520 --> 01:49:08,800

after sighting after sighting after

2321

01:49:13,920 --> 01:49:11,530

sighting by people of beings that look

2322

01:49:17,550 --> 01:49:13,930

like aliens they don't look like human

2323

01:49:19,890 --> 01:49:17,560

beings so what are they if not from

2324

01:49:22,710 --> 01:49:19,900

another maybe they're genetically

2325

01:49:24,780 --> 01:49:22,720

modified human beings may be alright but

2326

01:49:28,470 --> 01:49:24,790

maybe they're not from here maybe they

2327

01:49:31,410 --> 01:49:28,480

really are not from here and so you've

2328

01:49:34,350 --> 01:49:31,420

got a lot of the abduction research

2329

01:49:36,360 --> 01:49:34,360

encounter research that does in my view

2330

01:49:38,550 --> 01:49:36,370

seem to support the idea that we're

2331

01:49:40,800 --> 01:49:38,560

dealing with extraterrestrials at least

2332

01:49:43,380 --> 01:49:40,810

quite possibly extraterrestrials but I

2333

01:49:44,580 --> 01:49:43,390

would I would say I think you sounds

2334

01:49:47,010 --> 01:49:44,590

like you would agree that we want a

2335

01:49:48,240 --> 01:49:47,020

fresh extra-terrestrial hypothesis this

2336

01:49:50,370 --> 01:49:48,250

is something I've really been thinking a

2337

01:49:51,810 --> 01:49:50,380

lot about over the last couple of years

2338

01:49:54,260 --> 01:49:51,820

so it would be an extraterrestrial

2339

01:49:59,100 --> 01:49:54,270

hypothesis that would incorporate

2340

01:50:03,540 --> 01:49:59,110

contemporary science contemporary ideas

2341

01:50:05,310 --> 01:50:03,550

in AI and robotics and computing and

2342

01:50:09,690 --> 01:50:05,320

quantum computing and beyond quantum

2343

01:50:12,990 --> 01:50:09,700

computing and the fact that these you

2344

01:50:14,820 --> 01:50:13,000

know what would and a very very advanced

2345

01:50:16,590 --> 01:50:14,830

civilization look like well it would as

2346

01:50:18,270 --> 01:50:16,600

arthur c clarke say it would seem

2347

01:50:20,250 --> 01:50:18,280

indistinguishable from magic almost

2348

01:50:21,480 --> 01:50:20,260

certainly you know they've got quantum

2349

01:50:24,150 --> 01:50:21,490

computing and beyond

2350

01:50:26,490 --> 01:50:24,160

they've got advanced posed singularity

2351

01:50:28,290 --> 01:50:26,500

AI they've got total genetic mastery I

2352

01:50:30,150 --> 01:50:28,300

would have to assume they've got total

2353

01:50:32,130 --> 01:50:30,160

organic printing and were beyond

2354

01:50:33,960 --> 01:50:32,140

anything that we can imagine and the

2355

01:50:38,370 --> 01:50:33,970

creation of virtual reality in the sense

2356

01:50:39,660 --> 01:50:38,380

that you know we I don't know if we've

2357

01:50:40,860 --> 01:50:39,670

really gotten to that point in our own

2358

01:50:43,950 --> 01:50:40,870

civilization they can manipulate

2359

01:50:45,680 --> 01:50:43,960

space-time they can fold space-time I'm

2360

01:50:47,510 --> 01:50:45,690

sure of this I mean our own

2361

01:50:49,770 --> 01:50:47,520

mathematicians we have Miguel Alcubierre

2362

01:50:52,620 --> 01:50:49,780

twenty-five years ago at the University

2363

01:50:54,840 --> 01:50:52,630

of Wales gave a mathematical model of

2364

01:50:57,060 --> 01:50:54,850

warp drive it works what we don't have

2365

01:51:00,960 --> 01:50:57,070

is the energy we can't generate the

2366

01:51:03,150 --> 01:51:00,970

energy necessary for warp drive like

2367

01:51:05,040 --> 01:51:03,160

Captain Kirk would want us to do but but

2368

01:51:07,890 --> 01:51:05,050

the the principles are there and

2369

01:51:10,380 --> 01:51:07,900

apparently the math is good and I think

2370

01:51:11,400 --> 01:51:10,390

that there are other beings that have

2371

01:51:14,700 --> 01:51:11,410

figured this out so if you can

2372

01:51:16,950 --> 01:51:14,710

manipulate space-time fold space-time or

2373

01:51:18,660 --> 01:51:16,960

do whatever you can you can defeat the

2374

01:51:22,020 --> 01:51:18,670

speed of light boundary and your own

2375

01:51:24,080 --> 01:51:22,030

little loophole so this is the type of

2376

01:51:26,180 --> 01:51:24,090

ETH we have to be thinking about

2377

01:51:29,390 --> 01:51:26,190

beings that have intense kind of

2378

01:51:31,010 --> 01:51:29,400

telepathy that may be natural or

2379

01:51:33,530 --> 01:51:31,020

artificially enhanced telepathy and

2380

01:51:35,300 --> 01:51:33,540

they've got the ability to induce I

2381

01:51:37,160 --> 01:51:35,310

think what Dave Jacobs called total

2382

01:51:38,120 --> 01:51:37,170

neurological control over us that is if

2383

01:51:39,830 --> 01:51:38,130

they don't want you to move a muscle

2384

01:51:41,899 --> 01:51:39,840

you're not gonna move a muscle

2385

01:51:43,939 --> 01:51:41,909

you know levitate people and move you

2386

01:51:46,910 --> 01:51:43,949

through walls all of this I think so

2387

01:51:51,080 --> 01:51:46,920

it's an ETH but it's an ETH that seems

2388

01:51:55,520 --> 01:51:51,090

so far advanced that we don't know how

2389

01:51:58,520 --> 01:51:55,530

to how to make sense of it sometimes and

2390

01:52:00,229 --> 01:51:58,530

I would suspect that it's an ETH that is

2391

01:52:02,050 --> 01:52:00,239

kind of melded with the kind of

2392

01:52:05,359 --> 01:52:02,060

homegrown version I mean in other words

2393

01:52:07,520 --> 01:52:05,369

what are these cases of beings that look

2394

01:52:09,770 --> 01:52:07,530

exactly human are they really from

2395

01:52:12,470 --> 01:52:09,780

another planet like I don't think so

2396

01:52:14,089 --> 01:52:12,480

I don't believe that the encounters of

2397

01:52:15,680 --> 01:52:14,099

the blondes or they're not all blonde

2398

01:52:17,510 --> 01:52:15,690

they don't all have blue eyes and sadly

2399

01:52:20,120 --> 01:52:17,520

some of them have black hair some of

2400

01:52:21,830 --> 01:52:20,130

them have have a dark skin not light

2401  
01:52:24,800 --> 01:52:21,840  
skin and so on there's a variety of

2402  
01:52:27,740 --> 01:52:24,810  
these beings that are but they're not

2403  
01:52:30,169 --> 01:52:27,750  
like us right so are they really from

2404  
01:52:31,160 --> 01:52:30,179  
another planet I'm saying no I don't

2405  
01:52:32,839 --> 01:52:31,170  
think they're from another planet I

2406  
01:52:36,109 --> 01:52:32,849  
think they're us I think they're

2407  
01:52:37,910 --> 01:52:36,119  
genetically modified maybe they are

2408  
01:52:39,770 --> 01:52:37,920  
behind her or maybe an alien species is

2409  
01:52:42,620 --> 01:52:39,780  
behind it who knows I don't know but

2410  
01:52:47,740 --> 01:52:42,630  
there are too many sightings by people

2411  
01:52:50,750 --> 01:52:47,750  
of these completely human looking beings

2412  
01:52:53,959 --> 01:52:50,760  
that I can't discount it I would love to

2413  
01:52:56,540 --> 01:52:53,969

discount it I would love for the UFO

2414

01:52:58,550 --> 01:52:56,550

phenomenon to fit into this neat little

2415

01:53:01,010 --> 01:52:58,560

package that would make it very easy

2416

01:53:03,140 --> 01:53:01,020

from he to say it's this or is that or

2417

01:53:06,620 --> 01:53:03,150

it's this but it it refuses to do that

2418

01:53:08,209 --> 01:53:06,630

and part of it is that you've got beings

2419

01:53:10,310 --> 01:53:08,219

that do look youment and beings that do

2420

01:53:13,609 --> 01:53:10,320

not look human so the ones that do look

2421

01:53:15,800 --> 01:53:13,619

human I'm going to assume they're human

2422

01:53:18,290 --> 01:53:15,810

but they're not exactly like us

2423

01:53:20,780 --> 01:53:18,300

they're tweaked in some important way so

2424

01:53:22,879 --> 01:53:20,790

does that mean that they were you know

2425

01:53:25,010 --> 01:53:22,889

some alien race took a bunch of people

2426  
01:53:27,830 --> 01:53:25,020  
from Norway 10,000 years ago and said

2427  
01:53:29,870 --> 01:53:27,840  
let's raise them to be like us and and

2428  
01:53:31,910 --> 01:53:29,880  
gave them their own enhanced

2429  
01:53:33,600 --> 01:53:31,920  
capabilities and so that those human

2430  
01:53:36,359 --> 01:53:33,610  
beings would have nothing in common with

2431  
01:53:38,490 --> 01:53:36,369  
culturally really they wouldn't have

2432  
01:53:42,090 --> 01:53:38,500  
anything but maybe that's the case or

2433  
01:53:43,950 --> 01:53:42,100  
maybe it's a homegrown human group I

2434  
01:53:48,030 --> 01:53:43,960  
don't I don't know the answer to this

2435  
01:53:51,990 --> 01:53:48,040  
but there's a lot that is at play here

2436  
01:53:56,189 --> 01:53:52,000  
and I'm long past the point where I feel

2437  
01:53:58,590 --> 01:53:56,199  
a strong need to know for sure is it one

2438  
01:54:00,090 --> 01:53:58,600

or the other I mean it would be great I

2439

01:54:01,709 --> 01:54:00,100

would be wonderful if I knew the answer

2440

01:54:05,280 --> 01:54:01,719

to that one day I would be okay great

2441

01:54:06,750 --> 01:54:05,290

awesome but I'm not expecting it but

2442

01:54:09,600 --> 01:54:06,760

there's more than enough work in one day

2443

01:54:12,870 --> 01:54:09,610

for for someone like myself simply to

2444

01:54:15,060 --> 01:54:12,880

understand what's in front of me and and

2445

01:54:16,620 --> 01:54:15,070

most importantly I do think it's it's

2446

01:54:19,560 --> 01:54:16,630

valuable and I'm shifting gears here

2447

01:54:24,240 --> 01:54:19,570

slightly if you allow me for us to have

2448

01:54:27,660 --> 01:54:24,250

a more intelligent public conversation

2449

01:54:29,700 --> 01:54:27,670

about this phenomenon so that more

2450

01:54:31,680 --> 01:54:29,710

people can participate in the

2451

01:54:32,700 --> 01:54:31,690

conversation because really we need more

2452

01:54:33,510 --> 01:54:32,710

people to participate in this

2453

01:54:36,390 --> 01:54:33,520

conversation

2454

01:54:39,060 --> 01:54:36,400

we need more very very smart thoughtful

2455

01:54:42,270 --> 01:54:39,070

people to offer their own ideas and

2456

01:54:44,370 --> 01:54:42,280

research and maybe we'll get some

2457

01:54:47,490 --> 01:54:44,380

answers and and that means some form of

2458

01:54:49,200 --> 01:54:47,500

if not political disclosure then maybe

2459

01:54:52,229 --> 01:54:49,210

we'll call it cultural disclosure a

2460

01:54:54,030 --> 01:54:52,239

cultural transformation by which people

2461

01:54:56,189 --> 01:54:54,040

just stop caring about the stigma

2462

01:54:58,290 --> 01:54:56,199

associated with this phenomenon and

2463

01:55:01,859 --> 01:54:58,300

realize that this is the greatest

2464

01:55:03,510 --> 01:55:01,869

mystery of our time and decide to get on

2465

01:55:05,910 --> 01:55:03,520

this train and not and not miss out

2466

01:55:08,970 --> 01:55:05,920

because it's the best ride of your life

2467

01:55:14,010 --> 01:55:08,980

it's fun and I thought that you were

2468

01:55:18,240 --> 01:55:14,020

going to go here so I'm going to ask for

2469

01:55:21,330 --> 01:55:18,250

clarification oh sure is is there the

2470

01:55:24,620 --> 01:55:21,340

possibility that those that look like us

2471

01:55:27,000 --> 01:55:24,630

are us from the future time travelers

2472

01:55:28,410 --> 01:55:27,010

they're already here though I don't know

2473

01:55:30,750 --> 01:55:28,420

what I think about time travel as a

2474

01:55:33,120 --> 01:55:30,760

hypothesis for this it's never really

2475

01:55:35,820 --> 01:55:33,130

appealed to me I know there are folks

2476

01:55:37,229 --> 01:55:35,830

who believe it people like James

2477

01:55:39,300 --> 01:55:37,239

Penniston is convinced that that is

2478

01:55:42,080 --> 01:55:39,310

that's the answer and maybe he's right I

2479

01:55:46,589 --> 01:55:42,090

don't I don't think that I believe it

2480

01:55:47,250 --> 01:55:46,599

but I don't know enough honestly about

2481

01:55:52,470 --> 01:55:47,260

the

2482

01:55:54,290 --> 01:55:52,480

manipulation to know that it's

2483

01:55:57,690 --> 01:55:54,300

impossible there are certain logical

2484

01:56:00,690 --> 01:55:57,700

problems that come to my mind relating

2485

01:56:02,400 --> 01:56:00,700

to going back into time so for example

2486

01:56:03,930 --> 01:56:02,410

I'll just give you an example and I've

2487

01:56:05,910 --> 01:56:03,940

never been able to shake this example so

2488

01:56:07,530 --> 01:56:05,920

if you're gonna go back in time like

2489

01:56:09,780 --> 01:56:07,540

let's say we're in the future right and

2490

01:56:12,030 --> 01:56:09,790

we want to go back in time so how

2491

01:56:13,980 --> 01:56:12,040

exactly do you do that because if you

2492

01:56:16,170 --> 01:56:13,990

look at our universe

2493

01:56:20,850 --> 01:56:16,180

forget dimensions for the moment if you

2494

01:56:23,670 --> 01:56:20,860

if you will our earth is not static in

2495

01:56:26,160 --> 01:56:23,680

space right it's revolving around the

2496

01:56:27,930 --> 01:56:26,170

Sun and our Sun is not static in space

2497

01:56:30,210 --> 01:56:27,940

either it is rotating around the center

2498

01:56:32,520 --> 01:56:30,220

of our galaxy and our galaxy is not

2499

01:56:34,440 --> 01:56:32,530

stable in space it too is part of a

2500

01:56:36,330 --> 01:56:34,450

local group and a larger group and it's

2501  
01:56:39,420 --> 01:56:36,340  
moving so if you're gonna go back in

2502  
01:56:42,050 --> 01:56:39,430  
time seems to me you're going literally

2503  
01:56:46,230 --> 01:56:42,060  
to wind back the clock of the entire

2504  
01:56:48,870 --> 01:56:46,240  
universe every cell every microorganism

2505  
01:56:52,380 --> 01:56:48,880  
everything that exists and you're gonna

2506  
01:56:56,190 --> 01:56:52,390  
what wind it all back to its physical

2507  
01:56:58,200 --> 01:56:56,200  
location in all of space and go back

2508  
01:57:00,930 --> 01:56:58,210  
there how's that even possible like I

2509  
01:57:02,610 --> 01:57:00,940  
don't I don't understand that if someone

2510  
01:57:03,030 --> 01:57:02,620  
can explain that to me then I'd be very

2511  
01:57:06,440 --> 01:57:03,040  
grateful

2512  
01:57:08,790 --> 01:57:06,450  
now are they coming from another

2513  
01:57:10,230 --> 01:57:08,800

different dimension in the future and if

2514

01:57:12,420 --> 01:57:10,240

that's the case and is that a different

2515

01:57:15,950 --> 01:57:12,430

outcome of reality and are we dealing

2516

01:57:19,560 --> 01:57:15,960

with a multiplicity virtual infinity of

2517

01:57:21,270 --> 01:57:19,570

outcomes a virtual infinity of people

2518

01:57:23,640 --> 01:57:21,280

just like ourselves and if that's the

2519

01:57:26,010 --> 01:57:23,650

case then who really cares why does it

2520

01:57:30,150 --> 01:57:26,020

even matter what future are they coming

2521

01:57:32,460 --> 01:57:30,160

back from to influence our timeline and

2522

01:57:34,320 --> 01:57:32,470

why the hell would they care like and

2523

01:57:35,730 --> 01:57:34,330

how is that going to affect them like

2524

01:57:38,340 --> 01:57:35,740

you understand where I'm going with this

2525

01:57:41,370 --> 01:57:38,350

yeah I don't really understand the logic

2526

01:57:44,490 --> 01:57:41,380

right now of course of course that just

2527

01:57:46,590 --> 01:57:44,500

poo-poops the whole idea but that's kind

2528

01:57:49,770 --> 01:57:46,600

of like the ETH you're looking at it in

2529

01:57:53,880 --> 01:57:49,780

a nuts-and-bolts sense but if you go

2530

01:57:57,600 --> 01:57:53,890

with if you go with Einstein's theory of

2531

01:57:59,490 --> 01:57:57,610

relativity and the speed of light you

2532

01:58:00,569 --> 01:57:59,500

don't need a machine you're not turning

2533

01:58:03,660 --> 01:58:00,579

the universe

2534

01:58:06,120 --> 01:58:03,670

you jump on your starship Richard Dolan

2535

01:58:07,799 --> 01:58:06,130

and you take off for two years in one

2536

01:58:12,540 --> 01:58:07,809

direction at the speed of light and come

2537

01:58:16,350 --> 01:58:12,550

back I'm gone you have not aged right

2538

01:58:18,359 --> 01:58:16,360

and can be manipulated in time is

2539

01:58:20,459 --> 01:58:18,369

manipulated this has been a measurable

2540

01:58:23,490 --> 01:58:20,469

fact of our world this is why clocks

2541

01:58:26,729 --> 01:58:23,500

will move at a different rate at Earth's

2542

01:58:28,950 --> 01:58:26,739

surface as even in our upper atmosphere

2543

01:58:30,870 --> 01:58:28,960

the effect is measurable and the further

2544

01:58:33,120 --> 01:58:30,880

out you go it does make a difference but

2545

01:58:35,370 --> 01:58:33,130

the real question is can you reverse it

2546

01:58:36,780 --> 01:58:35,380

and I don't know if physicists who say

2547

01:58:38,609 --> 01:58:36,790

that you can't I mean I know yes some

2548

01:58:41,549 --> 01:58:38,619

have said theoretically the math would

2549

01:58:43,830 --> 01:58:41,559

allow it but can it really happen I mean

2550

01:58:45,810 --> 01:58:43,840

I don't understand physically how it

2551

01:58:47,939 --> 01:58:45,820

would happen because it seems to me that

2552

01:58:51,330 --> 01:58:47,949

you are kind of rewinding the clock of

2553

01:58:53,939 --> 01:58:51,340

not just not just like your little town

2554

01:58:56,310 --> 01:58:53,949

so that you can go like Michael J Fox

2555

01:58:58,589 --> 01:58:56,320

him back to the future and and meet your

2556

01:59:00,839 --> 01:58:58,599

mom when she was young like that to do

2557

01:59:04,410 --> 01:59:00,849

that you have to rewind it seems to me

2558

01:59:07,560 --> 01:59:04,420

all of creation and I have no idea how

2559

01:59:09,750 --> 01:59:07,570

that happened I'll tell you one

2560

01:59:13,549 --> 01:59:09,760

fascinating rabbit hole to go down just

2561

01:59:16,859 --> 01:59:13,559

look up Albert Einstein and time loops

2562

01:59:19,950 --> 01:59:16,869

okay just just go right there and check

2563

01:59:21,569 --> 01:59:19,960

out I know I know I know I know that's

2564

01:59:23,850 --> 01:59:21,579

what I'm that's what I'm good for us

2565

01:59:25,890 --> 01:59:23,860

take a break right here and when we come

2566

01:59:29,970 --> 01:59:25,900

back I'm gonna I'm gonna tell you about

2567

01:59:32,580 --> 01:59:29,980

what happened to me last week with Steve

2568

01:59:36,000 --> 01:59:32,590

Murillo and the reason why I brought up

2569

01:59:38,910 --> 01:59:36,010

the ETH to you because Richard is Steve

2570

01:59:41,819 --> 01:59:38,920

I Steve and I had a daytime sighting a

2571

01:59:43,979 --> 01:59:41,829

real one okay and we'll talk about that

2572

01:59:46,530 --> 01:59:43,989

when we come back oh yeah it really

2573

01:59:49,260 --> 01:59:46,540

happened I got some images too this is

2574

01:59:50,600 --> 01:59:49,270

fade to black Richard Dolan is the guest

2575

01:59:56,720 --> 01:59:50,610

we'll be right back stay with us

2576

02:00:04,110 --> 01:59:56,730

[Music]

2577

02:00:06,900 --> 02:00:04,120

Jimmy Church radio calm this is kg are a

2578

02:00:07,920 --> 02:00:06,910

digital broadcasting station Salt Lake

2579

02:00:12,690 --> 02:00:07,930

City Utah

2580

02:00:13,530 --> 02:00:12,700

Van Buren Arkansas let's get this man to

2581

02:00:15,630 --> 02:00:13,540

the ER stat

2582

02:00:18,150 --> 02:00:15,640

right away doctor we see this every day

2583

02:00:20,580 --> 02:00:18,160

heart attack or angina pain due to

2584

02:00:22,950 --> 02:00:20,590

blocked and clogged arteries chelation

2585

02:00:25,110 --> 02:00:22,960

can remove obstructions or blockages

2586

02:00:26,250 --> 02:00:25,120

from arteries and help avoid painful and

2587

02:00:28,470 --> 02:00:26,260

expensive surgery

2588

02:00:30,390 --> 02:00:28,480

now there's angio prim it's a liquid

2589

02:00:32,670 --> 02:00:30,400

oral chelation product that you take

2590

02:00:34,890 --> 02:00:32,680

with juice you start to feel the results

2591

02:00:36,870 --> 02:00:34,900

fast angio primm increases blood flow

2592

02:00:39,030 --> 02:00:36,880

all over the body and that means more

2593

02:00:41,730 --> 02:00:39,040

energy and strength to take on the day

2594

02:00:43,800 --> 02:00:41,740

with less aches and pains 60 years of

2595

02:00:46,920 --> 02:00:43,810

research has gone into chelation and

2596

02:00:49,140 --> 02:00:46,930

angiogram is the result a safe and easy

2597

02:00:51,300 --> 02:00:49,150

way to unblock your veins and arteries

2598

02:00:53,160 --> 02:00:51,310

from build-up that slow circulation

2599

02:00:54,990 --> 02:00:53,170

shaping dr. Jones please report to the

2600

02:00:57,150 --> 02:00:55,000

emergency room right away log on now for

2601  
02:01:01,020 --> 02:00:57,160  
a special radio offer from angio primm

2602  
02:01:04,920 --> 02:01:01,030  
that's angio prim calm / radio ang io

2603  
02:01:07,290 --> 02:01:04,930  
PRI M angio prim calm / radio are called

2604  
02:01:09,240 --> 02:01:07,300  
eight seven seven eight eight to 72 21

2605  
02:01:13,650 --> 02:01:09,250  
that's eight seven seven eight eight to

2606  
02:01:17,100 --> 02:01:13,660  
seventy to 21 so you love talk radio

2607  
02:01:20,670 --> 02:01:17,110  
then you'll love talk stream live.com

2608  
02:01:22,830 --> 02:01:20,680  
talk stream live is always on 24/7 with

2609  
02:01:24,780 --> 02:01:22,840  
the best streaming talk shows find your

2610  
02:01:27,060 --> 02:01:24,790  
favorite talkers and discover some new

2611  
02:01:30,090 --> 02:01:27,070  
ones it's free readily available online

2612  
02:01:31,980 --> 02:01:30,100  
or on the smartphone or tablet finding

2613  
02:01:34,500 --> 02:01:31,990

your favorite talk shows all in one

2614

02:01:37,320 --> 02:01:34,510

place has gotten a whole lot easier just

2615

02:01:39,270 --> 02:01:37,330

go to talk stream live.com be sure to

2616

02:01:43,530 --> 02:01:39,280

download the free apps from Google Play

2617

02:01:44,070 --> 02:01:43,540

or the itunes app store your contact for

2618

02:01:48,960 --> 02:01:44,080

current

2619

02:01:51,180 --> 02:01:48,970

and trending topics jgr a radio.com what

2620

02:01:53,040 --> 02:01:51,190

can I say about the most popular tea on

2621

02:01:55,470 --> 02:01:53,050

the Internet and what a customers say

2622

02:01:59,550 --> 02:01:55,480

about life change tea at get the tea

2623

02:02:00,450 --> 02:01:59,560

calm a lot but by federal law we get the

2624

02:02:02,790 --> 02:02:00,460

t-dot-com

2625

02:02:05,070 --> 02:02:02,800

cannot make claims to how this product

2626  
02:02:07,050 --> 02:02:05,080  
can enhance your health we cannot even

2627  
02:02:09,840 --> 02:02:07,060  
post our testimonies without being in

2628  
02:02:12,120 --> 02:02:09,850  
compliance so how do we get past the

2629  
02:02:15,450 --> 02:02:12,130  
hump try our products that get the tea

2630  
02:02:18,360 --> 02:02:15,460  
calm and see for yourself you can send

2631  
02:02:19,430 --> 02:02:18,370  
us a testimony but we just can't post it

2632  
02:02:23,370 --> 02:02:19,440  
bummer

2633  
02:02:25,050 --> 02:02:23,380  
our products are GMO free and organic we

2634  
02:02:27,450 --> 02:02:25,060  
pride ourself in being the best we can

2635  
02:02:30,180 --> 02:02:27,460  
be and we urge you to take charge of

2636  
02:02:32,220 --> 02:02:30,190  
your health we're loving you're strong

2637  
02:02:34,410 --> 02:02:32,230  
and many of our customers have shared

2638  
02:02:37,040 --> 02:02:34,420

their successes with friends and family

2639

02:02:42,570 --> 02:02:37,050

protect your colon log on to get the

2640

02:02:48,660 --> 02:02:42,580

t.com let's get the t.com get the t.com

2641

02:02:50,670 --> 02:02:48,670

get t.com did you know that when you're

2642

02:02:53,130 --> 02:02:50,680

on the road with limited data or Wi-Fi

2643

02:02:55,260 --> 02:02:53,140

available you can still listen to every

2644

02:02:57,840 --> 02:02:55,270

minute of fade to black by just calling

2645

02:03:00,870 --> 02:02:57,850

six oh five five six two four four eight

2646

02:03:03,360 --> 02:03:00,880

two no smartphone app or Internet needed

2647

02:03:06,000 --> 02:03:03,370

it saves your data plan and no extra

2648

02:03:08,760 --> 02:03:06,010

cost if you have unlimited minutes just

2649

02:03:11,070 --> 02:03:08,770

call six oh five five six two four four

2650

02:03:13,680 --> 02:03:11,080

eight two you can listen to me Jimmy
