1
00:00:09,799 --> 00:00:04,460
to cure as well well when ransom Godwin

2
00:00:12,379 --> 00:00:09,809
went up to the compound last Thursday he

3
00:00:15,530 --> 00:00:12,389
ran into the sheriff and the sheriff

4
00:00:18,500 --> 00:00:15,540
turn around and split and left him up

5
00:00:21,769 --> 00:00:18,510
there and there were other people there

6
00:00:23,420 --> 00:00:21,779
as well at the same time no concern of

7
00:00:27,650 --> 00:00:23,430
the sheriff the sheriff just turned

8
00:00:30,740 --> 00:00:27,660
around and split mossad stew the

9
00:00:35,270 --> 00:00:30,750
complexity of everything that was going

10
00:00:39,650 --> 00:00:35,280
down up there now let me I think we're

11
00:00:42,940 --> 00:00:39,660
back and we're live so yeah we're good

12
00:00:46,130 --> 00:00:42,950
there we are good there

13
00:00:47,720 --> 00:00:46,140

kaitland yeah you know what's really you

14

00:00:53,180 --> 00:00:47,730

know what's really funny with all of

15

00:00:57,439 --> 00:00:53,190

this reporting the the system's here got

16

00:00:59,389 --> 00:00:57,449

hit everything went offline yeah well it

17

00:01:02,090 --> 00:00:59,399

clicked off and I have been waiting

18

00:01:03,979 --> 00:01:02,100

figuring if it messed things up so I've

19

00:01:07,370 --> 00:01:03,989

been sitting here thinking how long will

20

00:01:10,880 --> 00:01:07,380

it be so I wonder that what did it seem

21

00:01:13,550 --> 00:01:10,890

to be affecting lights and everything or

22

00:01:16,219 --> 00:01:13,560

was it specific to the audio yeah the

23

00:01:19,280 --> 00:01:16,229

the computer streams everything yeah it

24

00:01:23,179 --> 00:01:19,290

was very interesting electricity was

25

00:01:26,899 --> 00:01:23,189

fine it was just a couple of the streams

26
00:01:30,310 --> 00:01:26,909
and so now I've got everything reset let

27
00:01:34,580 --> 00:01:30,320
me tell you something interesting on

28
00:01:37,370 --> 00:01:34,590
Friday this past Friday our news series

29
00:01:38,929 --> 00:01:37,380
premiered on History Channel that's no

30
00:01:41,510 --> 00:01:38,939
big deal whatever you know it's just

31
00:01:45,350 --> 00:01:41,520
another TV series but the opening

32
00:01:48,980 --> 00:01:45,360
episode of the series which we called

33
00:01:51,410 --> 00:01:48,990
the Watchers I specifically Linda and I

34
00:01:54,020 --> 00:01:51,420
kind of knew I was pushing pushing

35
00:01:57,620 --> 00:01:54,030
things a little bit far but I went

36
00:01:59,510 --> 00:01:57,630
straight after the CIA I named names I

37
00:02:02,179 --> 00:01:59,520
talked about software in different

38
00:02:04,280 --> 00:02:02,189

companies and their venture capital wing

39

00:02:07,039 --> 00:02:04,290

and how they're spying on us and how

40

00:02:07,399 --> 00:02:07,049

they're using this and and and I said to

41

00:02:09,949 --> 00:02:07,409

Rita

42

00:02:12,190 --> 00:02:09,959

after the premiere I said you know well

43

00:02:18,910 --> 00:02:12,200

if if we weren't

44

00:02:22,089 --> 00:02:18,920

the radar we are now did I just thought

45

00:02:23,830 --> 00:02:22,099

to myself you know I realized and I knew

46

00:02:26,920 --> 00:02:23,840

that History Channel and Amy were

47

00:02:29,530 --> 00:02:26,930

concerned about this but but you know

48

00:02:32,260 --> 00:02:29,540

sometimes you just have to put the truth

49

00:02:35,620 --> 00:02:32,270

out there that's all you know it isn't

50

00:02:38,800 --> 00:02:35,630

sometimes it's all the time we should be

51
00:02:42,250 --> 00:02:38,810
trying constantly to vet and do reality

52
00:02:45,400 --> 00:02:42,260
checks and what drugs did by pushing

53
00:02:48,640 --> 00:02:45,410
these headlines it was dismaying to me

54
00:02:51,970 --> 00:02:48,650
because it seems like that he should

55
00:02:54,670 --> 00:02:51,980
have a big enough population over all

56
00:02:57,699 --> 00:02:54,680
these years to do some vetting some

57
00:03:00,220 --> 00:02:57,709
checking on preposterous headlines

58
00:03:02,800 --> 00:03:00,230
yeah and and let's talk about that for a

59
00:03:07,539 --> 00:03:02,810
second because there was I did go and

60
00:03:10,720 --> 00:03:07,549
and and look there were no observatory

61
00:03:15,400 --> 00:03:10,730
shut down some webcams were taken

62
00:03:19,780 --> 00:03:15,410
offline at the same time as around the

63
00:03:21,190 --> 00:03:19,790

same time as this FBI evacuation was it

64

00:03:25,000 --> 00:03:21,200

tied together or not

65

00:03:27,340 --> 00:03:25,010

I don't know but certainly the FBI or or

66

00:03:31,289 --> 00:03:27,350

could have stepped forward and said look

67

00:03:36,250 --> 00:03:31,299

the webcams went down because of this

68

00:03:40,060 --> 00:03:36,260

yeah I printed with the help of Peter

69

00:03:42,280 --> 00:03:40,070

Levin de what he found at each of those

70

00:03:46,780 --> 00:03:42,290

websites it was a big help that he went

71

00:03:50,470 --> 00:03:46,790

around and did that and in terms of you

72

00:03:55,030 --> 00:03:50,480

can read they'll say X is under repair

73

00:03:58,479 --> 00:03:55,040

or we have a web camera down and because

74

00:04:01,150 --> 00:03:58,489

they are so specific about what they are

75

00:04:03,130 --> 00:04:01,160

doing they have to be they have so many

76

00:04:06,069 --> 00:04:03,140

astronomers and various people around

77

00:04:08,590 --> 00:04:06,079

the world that are dependent upon them

78

00:04:11,229 --> 00:04:08,600

and so when you go to various

79

00:04:14,349 --> 00:04:11,239

observatories at any time and you do a

80

00:04:17,409 --> 00:04:14,359

Google search you can find what is going

81

00:04:21,880 --> 00:04:17,419

on what is available what is happening

82

00:04:24,880 --> 00:04:21,890

and that is a part of the astronomy

83

00:04:25,720 --> 00:04:24,890

world there's nothing unusual and Peter

84

00:04:27,580 --> 00:04:25,730

wrote to me

85

00:04:30,550 --> 00:04:27,590

an email when he was doing that research

86

00:04:35,290 --> 00:04:30,560

he said quote another thing to keep in

87

00:04:40,300 --> 00:04:35,300

mind the American Fed cannot shut down

88

00:04:42,460 --> 00:04:40,310

foreign observatories right right so so

89

00:04:43,150 --> 00:04:42,470

any time this is a quote from Peter

90

00:04:45,430 --> 00:04:43,160

lavinda

91

00:04:48,670 --> 00:04:45,440

who is a brilliant researcher so any

92

00:04:51,820 --> 00:04:48,680

attempt to interdict that means to

93

00:04:55,120 --> 00:04:51,830

interfere with data coming from sunspot

94

00:04:58,180 --> 00:04:55,130

New Mexico would be futile if other

95

00:05:00,070 --> 00:04:58,190

observatories started reporting unusual

96

00:05:02,530 --> 00:05:00,080

activity meaning if there was something

97

00:05:05,230 --> 00:05:02,540

that somebody was trying to block that

98

00:05:07,120 --> 00:05:05,240

they're not going to be able to block

99

00:05:09,670 --> 00:05:07,130

what's going on in international

100

00:05:12,970 --> 00:05:09,680

observatories and that there are about

101
00:05:15,520 --> 00:05:12,980
the total of solar there's a difference

102
00:05:19,300 --> 00:05:15,530
I think when we were on in the first

103
00:05:21,640 --> 00:05:19,310
hour there are hundreds of observatories

104
00:05:25,720 --> 00:05:21,650
around the world in the northern South

105
00:05:29,080 --> 00:05:25,730
in terms of the observatories that focus

106
00:05:32,830 --> 00:05:29,090
on the Sun specifically there's about a

107
00:05:36,070 --> 00:05:32,840
dozen so you can do a quick search on

108
00:05:38,920 --> 00:05:36,080
all of those and the only one that Peter

109
00:05:41,830 --> 00:05:38,930
wasn't able to access access was in

110
00:05:45,840 --> 00:05:41,840
Australia because they demanded that

111
00:05:49,420 --> 00:05:45,850
there be some kind of a classified

112
00:05:51,450 --> 00:05:49,430
username/password to get into that

113
00:05:54,460 --> 00:05:51,460

website which makes sense for

114

00:05:58,090 --> 00:05:54,470

observatories and so what I'm trying to

115

00:06:01,750 --> 00:05:58,100

say is there is normal chatter about the

116

00:06:03,940 --> 00:06:01,760

repairs cleaning all of the stuff of the

117

00:06:08,980 --> 00:06:03,950

observatories it's constantly you can

118

00:06:12,490 --> 00:06:08,990

find out on the web the the FBI and aura

119

00:06:15,130 --> 00:06:12,500

didn't do themselves any favor any

120

00:06:19,990 --> 00:06:15,140

favours to dispel the rumors of et

121

00:06:25,180 --> 00:06:20,000

contact or or an alien component to this

122

00:06:26,910 --> 00:06:25,190

story by not denying it right and what I

123

00:06:30,760 --> 00:06:26,920

mean by that is they didn't say anything

124

00:06:33,130 --> 00:06:30,770

about anything so you're gonna allow the

125

00:06:35,080 --> 00:06:33,140

community and the rest of the world to

126

00:06:37,060 --> 00:06:35,090

to fill in the there

127

00:06:39,670 --> 00:06:37,070

blanks and let me tell you something

128

00:06:42,250 --> 00:06:39,680

about that Linda I can't wait to hear

129

00:06:45,010 --> 00:06:42,260

your answer for this it also shows you

130

00:06:48,990 --> 00:06:45,020

that the rest of the world is definitely

131

00:06:51,990 --> 00:06:49,000

waiting for something like this to break

132

00:06:54,340 --> 00:06:52,000

absolutely true Jimmy we are in a

133

00:06:57,340 --> 00:06:54,350

revolutionary time it has been coming

134

00:07:01,659 --> 00:06:57,350

for at least 18 months where everything

135

00:07:03,760 --> 00:07:01,669

is shifted since the December 16th 2017

136

00:07:07,180 --> 00:07:03,770

headline in the New York Times The

137

00:07:10,719 --> 00:07:07,190

Washington Post having to do with a FLIR

138

00:07:15,850 --> 00:07:10,729

infrared video that have been taken by

139

00:07:20,469 --> 00:07:15,860

gun camera of UFOs and one that occurred

140

00:07:23,020 --> 00:07:20,479

the entire landscape has been shifting

141

00:07:27,159 --> 00:07:23,030

ever since that's right and that we are

142

00:07:29,320 --> 00:07:27,169

I have said on the air and we've talked

143

00:07:33,159 --> 00:07:29,330

about on phenomenon I've got a couple of

144

00:07:36,279 --> 00:07:33,169

dinner bets that by New Year's Day 2019

145

00:07:39,969 --> 00:07:36,289

we will have the headline we're not

146

00:07:42,969 --> 00:07:39,979

alone in the universe now that the other

147

00:07:44,379 --> 00:07:42,979

life other intelligence it could be that

148

00:07:47,320 --> 00:07:44,389

it will be an announcement about

149

00:07:50,080 --> 00:07:47,330

microbes on Mars it doesn't matter to me

150

00:07:50,860 --> 00:07:50,090

it's getting this out the fast radio

151
00:07:55,779 --> 00:07:50,870
bursts

152
00:07:57,940 --> 00:07:55,789
what if Harvard and star shot and others

153
00:07:59,980 --> 00:07:57,950
say we're now convinced that we're

154
00:08:02,350 --> 00:07:59,990
dealing with something that caught falls

155
00:08:04,089 --> 00:08:02,360
into the category of some kind of

156
00:08:06,460 --> 00:08:04,099
transport system it's three billion

157
00:08:08,230 --> 00:08:06,470
light-years away now the challenge will

158
00:08:11,020 --> 00:08:08,240
be to find out who it is and what they

159
00:08:14,980 --> 00:08:11,030
are doing that would be a breakthrough

160
00:08:19,719 --> 00:08:14,990
the whole planet if all boats would rise

161
00:08:22,659 --> 00:08:19,729
suddenly CBS NBC BBC Reuters everybody

162
00:08:25,930 --> 00:08:22,669
would then be all my god there's other

163
00:08:27,700 --> 00:08:25,940

life in the universe and you and I and a

164

00:08:29,950 --> 00:08:27,710

bunch of people have been working on

165

00:08:31,300 --> 00:08:29,960

what I think are the absolute facts that

166

00:08:33,730 --> 00:08:31,310

there are other intelligences

167

00:08:37,540 --> 00:08:33,740

interacting with this planet but it has

168

00:08:40,810 --> 00:08:37,550

been denied it has been under policies

169

00:08:44,860 --> 00:08:40,820

of denial since world war two and we are

170

00:08:48,190 --> 00:08:44,870

I think so close to finally having that

171

00:08:48,970 --> 00:08:48,200

it will be a major revolution headlines

172

00:08:50,680 --> 00:08:48,980

around

173

00:08:54,449 --> 00:08:50,690

the world were not alone in the universe

174

00:08:58,480 --> 00:08:54,459

however it happens once that occurs

175

00:09:02,470 --> 00:08:58,490

black budgets black space secret space

176
00:09:05,800 --> 00:09:02,480
programs China Russia the United States

177
00:09:10,060 --> 00:09:05,810
wherever it is there will be more and

178
00:09:12,129 --> 00:09:10,070
more impetus to start washing all this

179
00:09:15,970 --> 00:09:12,139
advanced technology into the white world

180
00:09:19,180 --> 00:09:15,980
that is it seem to me that that's going

181
00:09:21,879 --> 00:09:19,190
to be critical if we don't get this

182
00:09:25,870 --> 00:09:21,889
planet together on sort of we'll call it

183
00:09:28,540 --> 00:09:25,880
the one square where everybody has the

184
00:09:31,509 --> 00:09:28,550
same perspective we're not alone in the

185
00:09:33,970 --> 00:09:31,519
universe we're one of many life-forms

186
00:09:36,790 --> 00:09:33,980
that there are technologies that can

187
00:09:39,250 --> 00:09:36,800
neutralize gravity can move point to

188
00:09:42,850 --> 00:09:39,260

point by bending space-time and that

189

00:09:45,790 --> 00:09:42,860

we're a part of that then the whole

190

00:09:47,319 --> 00:09:45,800

planet moves you know and when one of

191

00:09:51,910 --> 00:09:47,329

the things you're so right about that

192

00:09:55,650 --> 00:09:51,920

and I think that the acceptance of what

193

00:09:58,240 --> 00:09:55,660

happened back on December 16th in that

194

00:10:02,199 --> 00:09:58,250

2017 in that the world didn't go to hell

195

00:10:04,750 --> 00:10:02,209

in a handbasket Linda right the the

196

00:10:08,050 --> 00:10:04,760

stock market didn't crumble the Vatican

197

00:10:09,939 --> 00:10:08,060

didn't burn to the ground and and as far

198

00:10:11,259 --> 00:10:09,949

as I know Linda maybe you know but I

199

00:10:16,150 --> 00:10:11,269

don't think anybody jumped off a

200

00:10:19,300 --> 00:10:16,160

building nobody nobody I had people who

201
00:10:22,389 --> 00:10:19,310
are scientists who are engineers who are

202
00:10:25,329 --> 00:10:22,399
medical doctors calling me emailing me

203
00:10:28,900 --> 00:10:25,339
we've been following your work for years

204
00:10:31,990 --> 00:10:28,910
and now the New York Times it must be

205
00:10:35,470 --> 00:10:32,000
wonderful Linda you are all of this hard

206
00:10:39,030 --> 00:10:35,480
work is being supported verified in

207
00:10:42,759 --> 00:10:39,040
other words that was the intelligent

208
00:10:46,120 --> 00:10:42,769
conclusion of so many people who already

209
00:10:48,850 --> 00:10:46,130
in their own way had been following my

210
00:10:51,519 --> 00:10:48,860
work your work and others but the New

211
00:10:54,519 --> 00:10:51,529
York Times The Washington Post Politico

212
00:10:56,590 --> 00:10:54,529
when they did well at out it suddenly

213
00:10:59,920 --> 00:10:56,600

gave everybody who has been kind of

214

00:11:02,440 --> 00:10:59,930

quietly behind the scenes tracking about

215

00:11:04,810 --> 00:11:02,450

UFOs and ETS and reading and

216

00:11:06,820 --> 00:11:04,820

following our material but suddenly

217

00:11:09,250 --> 00:11:06,830

there was a big shift

218

00:11:12,700 --> 00:11:09,260

I had pilots that are friends of my

219

00:11:15,730 --> 00:11:12,710

brother and calling me and say boy this

220

00:11:19,120 --> 00:11:15,740

must feel great to know that your work

221

00:11:23,020 --> 00:11:19,130

is now and so that meant everybody

222

00:11:25,240 --> 00:11:23,030

everybody understood who would be

223

00:11:28,060 --> 00:11:25,250

reading the New York Times that this was

224

00:11:31,210 --> 00:11:28,070

a big this is a big step on the

225

00:11:34,930 --> 00:11:31,220

chessboard and that what we need now

226

00:11:37,150 --> 00:11:34,940

beyond infrared video is a lot more of

227

00:11:39,970 --> 00:11:37,160

it with more information and that

228

00:11:42,850 --> 00:11:39,980

headline that the governments of this

229

00:11:45,070 --> 00:11:42,860

planet all know that we're not alone and

230

00:11:47,290 --> 00:11:45,080

that there are advanced intelligences

231

00:11:49,870 --> 00:11:47,300

that's what we need we need that

232

00:11:53,230 --> 00:11:49,880

breakthrough and then everything that

233

00:11:55,840 --> 00:11:53,240

we're working on rises in credibility

234

00:11:58,750 --> 00:11:55,850

and this is this is how I picture it but

235

00:12:00,910 --> 00:11:58,760

let's say and I hope I hope that you win

236

00:12:02,440 --> 00:12:00,920

that dinner bet I'll take you out I'll

237

00:12:04,660 --> 00:12:02,450

take you out anywhere you want to go

238

00:12:07,210 --> 00:12:04,670

that's that's nice but but let's say you

239

00:12:11,160 --> 00:12:07,220

win the dinner bet and the headlines are

240

00:12:14,080 --> 00:12:11,170

now on the Jumbotrons in Times Square

241

00:12:15,610 --> 00:12:14,090

and you know how Times Square has got a

242

00:12:18,430 --> 00:12:15,620

half a million people all walking around

243

00:12:21,400 --> 00:12:18,440

doing their stuff that I could almost

244

00:12:25,930 --> 00:12:21,410

imagine that everybody in Times Square

245

00:12:27,340 --> 00:12:25,940

is going to continue shopping is going

246

00:12:29,710 --> 00:12:27,350

to continue walking down the streets

247

00:12:31,510 --> 00:12:29,720

going to continue going to work while

248

00:12:41,230 --> 00:12:31,520

this headline is playing out on the

249

00:12:42,850 --> 00:12:41,240

jumbotron right I've got to get to work

250

00:12:46,230 --> 00:12:42,860

but the headline school I got to get to

251
00:12:49,020 --> 00:12:46,240
work and they're going to continue doing

252
00:12:51,760 --> 00:12:49,030
the status quo is not going to change

253
00:12:53,920 --> 00:12:51,770
you know I think that they're expecting

254
00:12:56,560 --> 00:12:53,930
it they're not going to go into shock

255
00:12:59,320 --> 00:12:56,570
they're gonna go yeah okay it could be

256
00:13:02,740 --> 00:12:59,330
an interview with it with an alien how

257
00:13:05,260 --> 00:13:02,750
the jumbotron let me tell you what I

258
00:13:07,750 --> 00:13:05,270
think is coming really fast and I'm not

259
00:13:10,000 --> 00:13:07,760
kidding which underscores and goes

260
00:13:12,520 --> 00:13:10,010
beyond what you're saying we're going to

261
00:13:15,940 --> 00:13:12,530
start having newscasts from Mars

262
00:13:19,000 --> 00:13:15,950
if Elon Musk launches in 2020

263
00:13:22,120 --> 00:13:19,010

we have the technology if we start

264

00:13:26,259 --> 00:13:22,130

working with laser light it is three

265

00:13:28,210 --> 00:13:26,269

minutes and 21 seconds on average for

266

00:13:30,639 --> 00:13:28,220

light to go from the Earth to Mars or

267

00:13:37,180 --> 00:13:30,649

Mars to the earth look that's at the

268

00:13:39,100 --> 00:13:37,190

speed of light if we go at 50% the speed

269

00:13:42,310 --> 00:13:39,110

of light if we could push one of these

270

00:13:45,879 --> 00:13:42,320

wafer craft from Earth to Mars like a

271

00:13:51,189 --> 00:13:45,889

Pony Express then maybe we would get it

272

00:13:54,189 --> 00:13:51,199

to Mars in six minutes and then we'd

273

00:13:58,540 --> 00:13:54,199

have to let's say Elon Musk one of his

274

00:14:01,300 --> 00:13:58,550

tasks will be to build think of a tennis

275

00:14:05,259 --> 00:14:01,310

player or two tennis players and there's

276

00:14:08,530 --> 00:14:05,269

a net so we send a message in one of

277

00:14:11,290 --> 00:14:08,540

these wafer craft to Mars we need some

278

00:14:14,680 --> 00:14:11,300

kind of a racket that will bat it back

279

00:14:17,740 --> 00:14:14,690

to earth and then earth bats it back to

280

00:14:21,490 --> 00:14:17,750

Mars and that would become our Pony

281

00:14:24,090 --> 00:14:21,500

Express in space sending messages and

282

00:14:27,009 --> 00:14:24,100

images and all of that and it that's why

283

00:14:30,639 --> 00:14:27,019

once that they start doing stuff like

284

00:14:35,110 --> 00:14:30,649

that we will have newscast from Mars

285

00:14:38,350 --> 00:14:35,120

when that begins Jimmy we are in a

286

00:14:42,040 --> 00:14:38,360

completely different century the whole

287

00:14:43,079 --> 00:14:42,050

definition of technology artificial

288

00:14:46,590 --> 00:14:43,089

intelligence

289

00:14:49,269 --> 00:14:46,600

cyborgs we are moving into already

290

00:14:54,490 --> 00:14:49,279

enhancing the brain with a neural lace

291

00:14:58,900 --> 00:14:54,500

of what Elon Musk he said this year for

292

00:15:02,730 --> 00:14:58,910

humans to remain relevant for the rest

293

00:15:06,759 --> 00:15:02,740

of this century we have to move to being

294

00:15:09,850 --> 00:15:06,769

cyborgs we have to learn to advance our

295

00:15:13,689 --> 00:15:09,860

brains we have to learn how to make our

296

00:15:17,019 --> 00:15:13,699

bodies live longer stronger healthier so

297

00:15:19,900 --> 00:15:17,029

that we are already seeing the signs the

298

00:15:22,960 --> 00:15:19,910

humanity is going especially in

299

00:15:25,389 --> 00:15:22,970

technologies going into space humans are

300

00:15:27,680 --> 00:15:25,399

going to have to be augmented and become

301

00:15:32,120 --> 00:15:27,690

cyborgs I want to

302

00:15:36,170 --> 00:15:32,130

I was so excited to hear about this with

303

00:15:40,340 --> 00:15:36,180

your work with John Greenwald and him

304

00:15:43,370 --> 00:15:40,350

going and finally getting suppressed

305

00:15:48,800 --> 00:15:43,380

documents from the FBI

306

00:15:52,370 --> 00:15:48,810

once again mutilations but they must I

307

00:15:57,470 --> 00:15:52,380

mean John and I had a big laugh the idea

308

00:16:00,430 --> 00:15:57,480

that a Bell Helicopter would be able to

309

00:16:02,990 --> 00:16:00,440

lift up a seventeen hundred pound

310

00:16:07,040 --> 00:16:03,000

pregnant cow or a two thousand pound

311

00:16:09,970 --> 00:16:07,050

bull I just right on the face of it it

312

00:16:13,570 --> 00:16:09,980

didn't make sense and that's when John

313

00:16:17,300 --> 00:16:13,580

had a pilot who had flown these Bell

314

00:16:20,720 --> 00:16:17,310

helicopters in Vietnam I interviewed him

315

00:16:23,300 --> 00:16:20,730

he went into the specs on the weight of

316

00:16:26,150 --> 00:16:23,310

one of those helicopters the most the

317

00:16:32,060 --> 00:16:26,160

most it could possibly lift up with

318

00:16:36,290 --> 00:16:32,070

something like 1095 pounds a ball is

319

00:16:39,140 --> 00:16:36,300

2,000 a pregnant cow is 1,700 pounds you

320

00:16:41,630 --> 00:16:39,150

can see the point so if that document

321

00:16:43,430 --> 00:16:41,640

showed that for a while between this

322

00:16:46,100 --> 00:16:43,440

fall of 1979

323

00:16:50,150 --> 00:16:46,110

and two months later it only lasted for

324

00:16:53,150 --> 00:16:50,160

two months that the FBI office in I

325

00:16:54,920 --> 00:16:53,160

think it was beauty an ax communicating

326

00:16:57,680 --> 00:16:54,930

with the director of the FBI in

327

00:17:01,150 --> 00:16:57,690

Washington DC we're saying that they

328

00:17:04,640 --> 00:17:01,160

were on the trail of helicopters and

329

00:17:07,610 --> 00:17:04,650

people had been described and they had a

330

00:17:12,079 --> 00:17:07,620

description of some human and that these

331

00:17:15,980 --> 00:17:12,089

were the animal mutilators within eight

332

00:17:18,890 --> 00:17:15,990

weeks approximately the whole thing was

333

00:17:21,980 --> 00:17:18,900

scuttled they obviously had done their

334

00:17:25,069 --> 00:17:21,990

homework and it was the head of the FBI

335

00:17:28,660 --> 00:17:25,079

office who said there was no rationale

336

00:17:31,760 --> 00:17:28,670

we used the word no rational and

337

00:17:33,800 --> 00:17:31,770

investigative potential in what they had

338

00:17:37,520 --> 00:17:33,810

been investigating well

339

00:17:40,370 --> 00:17:37,530

then John Greenwald he said you know

340

00:17:41,390 --> 00:17:40,380

winda these documents must have been

341

00:17:46,250 --> 00:17:41,400

withheld

342

00:17:50,540 --> 00:17:46,260

from 1979 until this year because the

343

00:17:54,190 --> 00:17:50,550

FBI was embarrassed by these documents

344

00:17:57,740 --> 00:17:54,200

they would have shown absolutely no

345

00:18:00,980 --> 00:17:57,750

credible invested to try to look at

346

00:18:03,710 --> 00:18:00,990

helicopters as being involved not only

347

00:18:06,380 --> 00:18:03,720

in Montana there are hundreds and

348

00:18:09,220 --> 00:18:06,390

hundreds thousands of cases of animal

349

00:18:12,860 --> 00:18:09,230

mutilations around the world so that the

350

00:18:16,790 --> 00:18:12,870

disconnect between the actual facts the

351

00:18:18,919 --> 00:18:16,800

pressure effect versus a hypothesis is

352

00:18:22,220 --> 00:18:18,929

put in a document and then it gets

353

00:18:24,320 --> 00:18:22,230

suppressed for 40 years and then it

354

00:18:26,810 --> 00:18:24,330

finally comes out because john greenwald

355

00:18:28,820 --> 00:18:26,820

is filing all these foyers i guess are

356

00:18:31,400 --> 00:18:28,830

they finally decided that they would

357

00:18:35,120 --> 00:18:31,410

just own up that they were responsible

358

00:18:37,730 --> 00:18:35,130

for one of these hypotheses that was

359

00:18:40,460 --> 00:18:37,740

ludicrous on the face yeah where that

360

00:18:43,010 --> 00:18:40,470

was that was what was fun working on

361

00:18:44,570 --> 00:18:43,020

with John and I want the audience to

362

00:18:46,190 --> 00:18:44,580

understand what we're talking about here

363

00:18:47,990 --> 00:18:46,200

we're not talking about a Huey we're not

364

00:18:51,340 --> 00:18:48,000

talking about a Blackhawk we're talking

365

00:18:54,919 --> 00:18:51,350

about the Bell 47 which was that old

366

00:18:57,290 --> 00:18:54,929

helicopter with the big Plexiglas ball

367

00:19:00,410 --> 00:18:57,300

up front of it that looked like it could

368

00:19:10,270 --> 00:19:00,420

barely pick up a couple of human pilots

369

00:19:17,000 --> 00:19:13,820

your your your coverage on this when I

370

00:19:19,850 --> 00:19:17,010

read this I thought it was one of the

371

00:19:21,860 --> 00:19:19,860

best put together interviews that you

372

00:19:25,250 --> 00:19:21,870

have done and the mp3s are there too as

373

00:19:29,360 --> 00:19:25,260

well but all of the documents are there

374

00:19:33,770 --> 00:19:29,370

and it is one of the can I use comedy is

375

00:19:35,960 --> 00:19:33,780

comedy the right word teracle or

376

00:19:38,390 --> 00:19:35,970

sardonic it's probably the better word

377

00:19:41,120 --> 00:19:38,400

when you're do I'm doing it straight and

378

00:19:45,020 --> 00:19:41,130

Jonna is doing it straight but we both

379

00:19:50,410 --> 00:19:45,030

realize that what we are talking about

380

00:19:54,050 --> 00:19:50,420

is the foolishness of some of the

381

00:19:55,230 --> 00:19:54,060

conclusions documents that get withheld

382

00:19:58,440 --> 00:19:55,240

for seven

383

00:20:01,370 --> 00:19:58,450

years and when you finally see them like

384

00:20:05,040 --> 00:20:01,380

this 140 years later you realize

385

00:20:07,140 --> 00:20:05,050

somebody with common sense looked at

386

00:20:11,270 --> 00:20:07,150

these documents that were coming across

387

00:20:15,270 --> 00:20:11,280

their desk and said has anybody

388

00:20:18,000 --> 00:20:15,280

investigated what a Bell 47 can lift up

389

00:20:20,310 --> 00:20:18,010

and they probably then finally did and

390

00:20:22,710 --> 00:20:20,320

they came to know it can't lift up

391

00:20:25,770 --> 00:20:22,720

anything more than a thousand 95 and

392

00:20:28,290 --> 00:20:25,780

they and they said well that doesn't

393

00:20:30,930 --> 00:20:28,300

explain most of the animal mutilations

394

00:20:33,990 --> 00:20:30,940

then does it and and that probably okay

395

00:20:36,630 --> 00:20:34,000

about deep-six that those documents get

396

00:20:39,000 --> 00:20:36,640

put in a file and they are left in 40

397

00:20:41,090 --> 00:20:39,010

years later john greenwald is doing FOIA

398

00:20:43,919 --> 00:20:41,100

requests and for reasons unknown

399

00:20:46,770 --> 00:20:43,929

somebody either decides or it was

400

00:20:49,560 --> 00:20:46,780

slipped out or whatever and we're now

401
00:20:52,680 --> 00:20:49,570
looking at them together and laughing

402
00:20:55,040 --> 00:20:52,690
because it becomes laughable when the

403
00:20:58,169 --> 00:20:55,050
disconnect from reality and

404
00:21:02,100 --> 00:20:58,179
investigation just sheer common sense is

405
00:21:04,890 --> 00:21:02,110
so great yeah and when you when you when

406
00:21:07,440 --> 00:21:04,900
you look at what a Bell 47 actually is

407
00:21:12,540 --> 00:21:07,450
and then let's let's do a couple just

408
00:21:15,260 --> 00:21:12,550
common sense two adult males in in the

409
00:21:18,600 --> 00:21:15,270
helicopter that's 400 pounds right there

410
00:21:20,970 --> 00:21:18,610
that's 400 pounds right there it just

411
00:21:23,549 --> 00:21:20,980
takes any consideration off of the table

412
00:21:27,690 --> 00:21:23,559
it's just it's just logic and common

413
00:21:30,210 --> 00:21:27,700

sense and I've flown in a bell 47 when I

414

00:21:32,940 --> 00:21:30,220

was a kid and I went up with a with a

415

00:21:34,830 --> 00:21:32,950

pilot in the Smoky Mountains and I'm

416

00:21:40,890 --> 00:21:34,840

telling you right now that's all that

417

00:21:42,210 --> 00:21:40,900

that's all that I just know it's great

418

00:21:44,610 --> 00:21:42,220

coverage when we come back I'm gonna

419

00:21:47,040 --> 00:21:44,620

take a break right here I want to talk

420

00:21:48,870 --> 00:21:47,050

about and let's do a follow up over all

421

00:21:55,350 --> 00:21:48,880

of the shows that we have done in the

422

00:21:57,750 --> 00:21:55,360

past about the cat mutilations okay good

423

00:22:01,140 --> 00:21:57,760

let's do that when we come back and you

424

00:22:04,860 --> 00:22:01,150

know one of the one of the things that I

425

00:22:07,560 --> 00:22:04,870

enjoy about this audience Linda is I'm a

426

00:22:12,590 --> 00:22:07,570

I'm a dog and cat person my family is

427

00:22:16,590 --> 00:22:12,600

you are so much of our audience is is

428

00:22:19,740 --> 00:22:16,600

emotionally affected by these reports

429

00:22:21,990 --> 00:22:19,750

and and it may be a little bit harsh on

430

00:22:24,510 --> 00:22:22,000

the surface but we've got to talk about

431

00:22:26,070 --> 00:22:24,520

it and not talking about it is even

432

00:22:28,920 --> 00:22:26,080

worse so let's do that when we come back

433

00:22:30,750 --> 00:22:28,930

our guest tonight Linda Moulton Howe

434

00:22:33,360 --> 00:22:30,760

earth files.com

435

00:22:35,760 --> 00:22:33,370

if you're not a member go and get signed

436

00:22:38,549 --> 00:22:35,770

up over to the files comm you can follow

437

00:22:40,200 --> 00:22:38,559

Linda at earthfiles on twitter i'm your

438

00:22:41,960 --> 00:22:40,210

host jimmy church this is fade to black

439

00:22:48,720 --> 00:22:41,970

stay with us

440

00:22:55,870 --> 00:22:48,730

[Music]

441

00:22:58,900 --> 00:22:55,880

Jimmy Church radio calm this is kera

442

00:23:02,590 --> 00:22:58,910

digital broadcasting station Salt Lake

443

00:23:04,600 --> 00:23:02,600

City Utah Van Buren Arkansas poor water

444

00:23:05,890 --> 00:23:04,610

quality is a major health issue and it's

445

00:23:07,780 --> 00:23:05,900

only getting worse

446

00:23:09,610 --> 00:23:07,790

municipalities can't keep up standards

447

00:23:12,730 --> 00:23:09,620

have dropped and pollutants are

448

00:23:14,560 --> 00:23:12,740

increasing where does it all end it ends

449

00:23:16,270 --> 00:23:14,570

by keeping the pollutants outside of

450

00:23:18,340 --> 00:23:16,280

your home with hydro cares advanced

451
00:23:20,740 --> 00:23:18,350
systems available at wave home solutions

452
00:23:22,210 --> 00:23:20,750
no less than the best purification

453
00:23:24,280 --> 00:23:22,220
materials and processes have been

454
00:23:25,720 --> 00:23:24,290
developed by Hydra care to provide you

455
00:23:28,630 --> 00:23:25,730
with healthy clean water for drinking

456
00:23:30,580 --> 00:23:28,640
cooking and showering hydro care far

457
00:23:33,850 --> 00:23:30,590
surpasses the competition in removing

458
00:23:34,780 --> 00:23:33,860
chlorine odors iron led chemicals

459
00:23:37,210 --> 00:23:34,790
limescale

460
00:23:39,130 --> 00:23:37,220
and much more don't settle for less when

461
00:23:40,900 --> 00:23:39,140
it comes to your water we'll take care

462
00:23:43,170 --> 00:23:40,910
of the toughest water problems for you

463
00:23:45,310 --> 00:23:43,180

whether it's from a city or well source

464

00:23:47,200 --> 00:23:45,320

satisfaction guaranteed for more

465

00:24:08,330 --> 00:24:04,530

your contact for current news and

473

00:24:10,460 --> 00:24:08,340

trending topics que GRA radio.com

474

00:24:12,890 --> 00:24:10,470

does your basement or crawlspace have a

475

00:24:14,900 --> 00:24:12,900

damp musty smell well watch out that's a

476
00:24:16,730 --> 00:24:14,910
sign of too much moisture and not enough

477
00:24:18,500 --> 00:24:16,740
ventilation and that can mean increased

478
00:24:20,630 --> 00:24:18,510
mold growth and the build-up of harmful

479
00:24:22,880 --> 00:24:20,640
toxins and gases don't bother with a

480
00:24:25,160 --> 00:24:22,890
dehumidifier it just circulates the same

481
00:24:27,410 --> 00:24:25,170
unhealthy air now there's a better way

482
00:24:29,420 --> 00:24:27,420
to remove these dangers and odors it's

483
00:24:31,520 --> 00:24:29,430
with the computerized wave moisture

484
00:24:33,620 --> 00:24:31,530
control unit that reduces moisture and

485
00:24:35,630 --> 00:24:33,630
expels pollutants we replaced our old

486
00:24:37,880 --> 00:24:35,640
dehumidifier with the wave unit and in

487
00:24:39,650 --> 00:24:37,890
only three weeks our basement is dry and

488
00:24:41,810 --> 00:24:39,660

the musty smell is gone

489

00:24:44,060 --> 00:24:41,820

wave units require no maintenance no

490

00:24:46,220 --> 00:24:44,070

buckets of water or filters and costs

491

00:24:48,410 --> 00:24:46,230

only pennies a day to run breathe better

492

00:24:50,810 --> 00:24:48,420

live healthier with an affordable no

493

00:24:53,180 --> 00:24:50,820

maintenance wave unit call eight eight

494

00:25:02,209 --> 00:24:53,190

eight seven one seven way eight eight

495

00:25:05,060 --> 00:25:04,020

we

496

00:25:08,610 --> 00:25:05,070

Solutions

497

00:25:12,910 --> 00:25:10,900

this is Jimmy Church of fade to black

498

00:25:16,030 --> 00:25:12,920

and I only drink

499

00:25:18,550 --> 00:25:16,040

fade to black blend coffee from River

500

00:25:21,490 --> 00:25:18,560

Moon just click on the River Moon coffee

501
00:25:25,600 --> 00:25:21,500
banner at Jimmy Church radio.com promo

502
00:25:28,090 --> 00:25:25,610
code f2 b blend so are you tired of

503
00:25:30,550 --> 00:25:28,100
being tired well then it's time to get

504
00:25:32,920 --> 00:25:30,560
the tea hey it's Leeza here to tell you

505
00:25:34,840 --> 00:25:32,930
about this all-natural all organic tea

506
00:25:36,370 --> 00:25:34,850
I've been drinking that has had great

507
00:25:39,310 --> 00:25:36,380
results for over 20 years

508
00:25:41,140 --> 00:25:39,320
it's called life changed tea and it's

509
00:25:43,720 --> 00:25:41,150
specially formulated to help detoxify

510
00:25:46,450 --> 00:25:43,730
and cleanse your kidneys liver colon and

511
00:25:47,830 --> 00:25:46,460
blood all at once the colon is one of

512
00:25:50,620 --> 00:25:47,840
the most ignored organs in the human

513
00:25:52,420 --> 00:25:50,630

body the faster that waste is eliminated

514

00:25:54,430 --> 00:25:52,430

from the body the less time that way

515

00:25:56,380 --> 00:25:54,440

sits in our intestine spreading toxins

516

00:25:58,300 --> 00:25:56,390

to our bloodstream this tea helps

517

00:26:00,160 --> 00:25:58,310

cleanse chemicals caused by outside

518

00:26:03,220 --> 00:26:00,170

intruders from our entire digestive

519

00:26:05,770 --> 00:26:03,230

system and get this weight loss can be a

520

00:26:07,750 --> 00:26:05,780

side effect and with continued use of

521

00:26:10,180 --> 00:26:07,760

the tea you can experience clearer

522

00:26:12,850 --> 00:26:10,190

healthier younger looking skin increased

523

00:26:14,260 --> 00:26:12,860

energy and a happier outlook on life so

524

00:26:17,140 --> 00:26:14,270

if you're tired of being tired

525

00:26:21,040 --> 00:26:17,150

get the life change tea at get the tea

526

00:26:23,950 --> 00:26:21,050

calm that's get the tea calm and like me

527

00:26:25,690 --> 00:26:23,960

you'll be glad you did did you know that

528

00:26:28,000 --> 00:26:25,700

when you're on the road with limited

529

00:26:29,920 --> 00:26:28,010

data or Wi-Fi available you can still

530

00:26:32,680 --> 00:26:29,930

listen to every minute of fade to black

531

00:26:35,800 --> 00:26:32,690

by just calling six oh five five six two

532

00:26:38,110 --> 00:26:35,810

four four eight two no smartphone app or

533

00:26:40,360 --> 00:26:38,120

Internet needed it saves your data plan

534

00:26:43,720 --> 00:26:40,370

and no extra cost if you have unlimited

535

00:26:46,120 --> 00:26:43,730

minutes just call six oh five five six

536

00:26:48,460 --> 00:26:46,130

two four four eight two you can listen

537

00:26:56,310 --> 00:26:48,470

to me Jimmy Church on any phone anytime

538

00:27:00,370 --> 00:26:58,010

[Music]

539

00:27:05,090 --> 00:27:00,380

[Applause]

540

00:27:07,720 --> 00:27:05,100

you wanna know a secret I love ponies I

541

00:27:10,340 --> 00:27:07,730

really love ponies I'm serious I

542

00:27:14,600 --> 00:27:10,350

couldn't stay sane without poor mr.

543

00:27:19,490 --> 00:27:14,610

Brooks I fade to black because you never

544

00:27:23,460 --> 00:27:21,330

this is fade to black

545

00:27:27,149 --> 00:27:23,470

with Jimmy Church on the game changer

546

00:27:29,530 --> 00:27:27,159

radio network and kgr a the global radio

547

00:27:42,789 --> 00:27:29,540

alliance

548

00:27:48,920 --> 00:27:46,160

all right welcome back

549

00:27:51,760 --> 00:27:48,930

fade to black I'm real stupid Church our

550

00:27:54,730 --> 00:27:51,770

guest tonight Linda Moulton Howe

551

00:27:56,500 --> 00:27:54,740

[Music]

552

00:27:58,330 --> 00:27:56,510

talking about the National Solar

553

00:28:00,880 --> 00:27:58,340

Observatory in the first half of the

554

00:28:03,549 --> 00:28:00,890

show one of the crate I can guarantee

555

00:28:05,500 --> 00:28:03,559

this to everybody that this is it's a

556

00:28:07,510 --> 00:28:05,510

story that's going to be talked about

557

00:28:09,399 --> 00:28:07,520

for many years to come until we get the

558

00:28:10,930 --> 00:28:09,409

right answers and Linda you've got a

559

00:28:15,130 --> 00:28:10,940

coughs oh do I hold on

560

00:28:19,000 --> 00:28:15,140

I had to cough that's what the cough

561

00:28:21,940 --> 00:28:19,010

button is is there for now this just

562

00:28:25,889 --> 00:28:21,950

went up in Twitter I needed to ask you

563

00:28:28,570 --> 00:28:25,899

about this cattle mutilations themselves

564

00:28:31,480 --> 00:28:28,580

the stories have been out there that

565

00:28:35,730 --> 00:28:31,490

they've virtually stopped have they have

566

00:28:40,450 --> 00:28:35,740

they stopped no if you go to earthfiles

567

00:28:42,930 --> 00:28:40,460

calm and you do in my search animal

568

00:28:47,980 --> 00:28:42,940

mutilations there are hundreds of

569

00:28:53,260 --> 00:28:47,990

reports that just I have done right now

570

00:28:57,789 --> 00:28:53,270

I have at Earth files.com reports about

571

00:29:01,060 --> 00:28:57,799

half cats and about cattle cattle in

572

00:29:04,269 --> 00:29:01,070

Argentina go in cycles they are as

573

00:29:06,250 --> 00:29:04,279

bloodless eerie as they have been for

574

00:29:10,630 --> 00:29:06,260

the last going all the way back to the

575

00:29:13,840 --> 00:29:10,640

early 60s some newspapers in the 50s so

576

00:29:16,960 --> 00:29:13,850

we're talking half a century in the 20th

577

00:29:20,289 --> 00:29:16,970

century and we're at 20 18 in the 21st

578

00:29:24,220 --> 00:29:20,299

century animal mutilations have been all

579

00:29:29,190 --> 00:29:24,230

over this planet every month of every

580

00:29:32,500 --> 00:29:29,200

year for at least almost a century and

581

00:29:35,649 --> 00:29:32,510

right now one of the significant

582

00:29:38,289 --> 00:29:35,659

developments for me was that on August

583

00:29:41,620 --> 00:29:38,299

31st this is the 18th so a little more

584

00:29:46,539 --> 00:29:41,630

than two weeks ago the Augustan New York

585

00:29:48,730 --> 00:29:46,549

Times did a huge story started on the

586

00:29:51,340 --> 00:29:48,740

front page with a notice and it went to

587

00:29:53,080 --> 00:29:51,350

the entire upper half above the fold the

588

00:29:56,830 --> 00:29:53,090

whole half page in the New York Times

589

00:29:58,930 --> 00:29:56,840

about cat mutilations in Olympia

590

00:30:03,190 --> 00:29:58,940

Washington I've been reporting about

591

00:30:05,230 --> 00:30:03,200

them now throughout the year but finally

592

00:30:08,420 --> 00:30:05,240

the New York Times caught up they did a

593

00:30:11,510 --> 00:30:08,430

beautiful story meaning very detailed

594

00:30:14,240 --> 00:30:11,520

with good photographs and here is the

595

00:30:17,630 --> 00:30:14,250

quote that I feature that are files from

596

00:30:21,170 --> 00:30:17,640

the New York Times August 31st quote in

597

00:30:24,650 --> 00:30:21,180

most cases of these cat mutilations the

598

00:30:27,920 --> 00:30:24,660

perpetrator has been meticulous the cuts

599

00:30:30,830 --> 00:30:27,930

are clean no blood and there is little

600

00:30:33,770 --> 00:30:30,840

other evidence an indication that the

601
00:30:38,360 --> 00:30:33,780
killer has experienced doing this in

602
00:30:41,990 --> 00:30:38,370
some cases the spine alone have been

603
00:30:45,620 --> 00:30:42,000
removed in others the organs have been

604
00:30:48,710 --> 00:30:45,630
laid out next to the body some of the

605
00:30:52,370 --> 00:30:48,720
cats have been found dismembered close

606
00:30:56,960 --> 00:30:52,380
quote that means one or more paws or

607
00:31:01,640 --> 00:30:56,970
legs removed none with blood and for

608
00:31:04,220 --> 00:31:01,650
people who may not understand the big

609
00:31:08,360 --> 00:31:04,230
story of animal mutilations it began for

610
00:31:10,670 --> 00:31:08,370
me in September of 1979 I was working as

611
00:31:12,620 --> 00:31:10,680
director of special projects at the CBS

612
00:31:14,600 --> 00:31:12,630
station in Denver and my job was to

613
00:31:17,360 --> 00:31:14,610

produce two or three documentaries a

614

00:31:19,640 --> 00:31:17,370

year through live studio programs with

615

00:31:22,520 --> 00:31:19,650

an audience about issues affecting the

616

00:31:26,030 --> 00:31:22,530

state of Colorado and then to do new

617

00:31:30,890 --> 00:31:26,040

segments and when there were headlines

618

00:31:34,340 --> 00:31:30,900

in the newspapers that fall about repeat

619

00:31:37,430 --> 00:31:34,350

and cycles of animal mutilations it was

620

00:31:40,880 --> 00:31:37,440

new to me I had come from Stanford

621

00:31:43,310 --> 00:31:40,890

University in California the Boston and

622

00:31:45,920 --> 00:31:43,320

working in medicine on medical

623

00:31:48,590 --> 00:31:45,930

television programs in Boston for a

624

00:31:51,590 --> 00:31:48,600

couple of years and then was hired at

625

00:31:54,410 --> 00:31:51,600

the CBS station in Denver so I did not

626
00:31:57,320 --> 00:31:54,420
know anything about animal mutilations

627
00:32:00,440 --> 00:31:57,330
and was learning from fellow reporters

628
00:32:02,810 --> 00:32:00,450
in town that the animal mutilations have

629
00:32:06,560 --> 00:32:02,820
been going on in cycles all the way back

630
00:32:12,050 --> 00:32:06,570
to the early 60s so I wanted to get to

631
00:32:15,140 --> 00:32:12,060
the bottom of it from 1979 when I began

632
00:32:18,770 --> 00:32:15,150
going out with a crew and with sheriffs

633
00:32:21,750 --> 00:32:18,780
and deputies to scenes where an animal

634
00:32:25,920 --> 00:32:21,760
looks as if it should be able to get up

635
00:32:28,650 --> 00:32:25,930
are that clean in places where it is

636
00:32:32,040 --> 00:32:28,660
like face powder that you would put on

637
00:32:34,380 --> 00:32:32,050
your face the dust is perfect

638
00:32:37,440 --> 00:32:34,390

they're not even weeds it can be like

639

00:32:39,570 --> 00:32:37,450

that in Colorado and Utah in New Mexico

640

00:32:43,410 --> 00:32:39,580

it in the West it's a face powder dust

641

00:32:46,500 --> 00:32:43,420

and you come to a 1,700 pounds steer

642

00:32:51,000 --> 00:32:46,510

that is lying in the middle of this dust

643

00:32:55,260 --> 00:32:51,010

it has an ear missing eye tongue jaw

644

00:33:00,990 --> 00:32:55,270

flesh genitals and rectum cored out all

645

00:33:04,140 --> 00:33:01,000

without any fluid no blood nothing on

646

00:33:07,530 --> 00:33:04,150

the ground and you stand there looking

647

00:33:11,460 --> 00:33:07,540

at this animal and you realize there are

648

00:33:14,520 --> 00:33:11,470

no tracks around this body there are not

649

00:33:17,340 --> 00:33:14,530

even the hoof tracks of this animal and

650

00:33:19,380 --> 00:33:17,350

you look up in the sky which is exactly

651
00:33:20,850 --> 00:33:19,390
what law enforcement started doing in

652
00:33:23,220 --> 00:33:20,860
the early 60s

653
00:33:26,370 --> 00:33:23,230
and concluding that whatever happened

654
00:33:29,670 --> 00:33:26,380
the animal had to be lowered to this

655
00:33:33,810 --> 00:33:29,680
site because on this planet in normal

656
00:33:37,710 --> 00:33:33,820
earth matters any animal under 8 let's

657
00:33:39,600 --> 00:33:37,720
say a predator attacking a steer there's

658
00:33:42,900 --> 00:33:39,610
going to be struggle there's going to be

659
00:33:45,300 --> 00:33:42,910
signs of struggle in often when animals

660
00:33:48,990 --> 00:33:45,310
are dying even if it was from something

661
00:33:52,070 --> 00:33:49,000
like disease their legs will thrash and

662
00:33:56,850 --> 00:33:52,080
you will get the motion on the ground

663
00:33:59,400 --> 00:33:56,860

these are eerie because they are so

664

00:34:03,360 --> 00:33:59,410

precise this is what has separated them

665

00:34:07,110 --> 00:34:03,370

out for almost a hundred years now jump

666

00:34:12,240 --> 00:34:07,120

to the cats it's the same bloodless

667

00:34:15,480 --> 00:34:12,250

honest but the eeriness in the cat it

668

00:34:18,210 --> 00:34:15,490

starts with the first cases that I ever

669

00:34:22,550 --> 00:34:18,220

started to get information about and to

670

00:34:26,190 --> 00:34:22,560

investigate goes back to about the

671

00:34:28,860 --> 00:34:26,200

middle of the 1980s and I believe those

672

00:34:32,040 --> 00:34:28,870

first cases that I received were from

673

00:34:32,730 --> 00:34:32,050

Tustin California right here in Southern

674

00:34:35,350 --> 00:34:32,740

California

675

00:34:41,710 --> 00:34:35,360

yeah and they were

676
00:34:43,320 --> 00:34:41,720
echoed in Austin Texas Plano Texas Falls

677
00:34:46,510 --> 00:34:43,330
Church Virginia

678
00:34:49,330 --> 00:34:46,520
Toronto Canada these are places that I

679
00:34:51,910 --> 00:34:49,340
remember we're in the beginning and that

680
00:34:55,720 --> 00:34:51,920
the cat half cats have cycled through

681
00:34:58,270 --> 00:34:55,730
them constantly and that other parts of

682
00:35:02,950 --> 00:34:58,280
the world London England

683
00:35:06,970 --> 00:35:02,960
places in Malaysia in Australia in New

684
00:35:11,740 --> 00:35:06,980
Zealand around the world this is a total

685
00:35:14,080 --> 00:35:11,750
two hemispheres phenomenon now in the

686
00:35:18,060 --> 00:35:14,090
beginning those first cases I was

687
00:35:22,060 --> 00:35:18,070
involved with getting a half cat body

688
00:35:25,780 --> 00:35:22,070

from Vancouver area from an animal

689

00:35:30,310 --> 00:35:25,790

clinic where they had 30-some cat cut in

690

00:35:33,270 --> 00:35:30,320

half so about the period of time of the

691

00:35:36,630 --> 00:35:33,280

late 80s going into the very early 90s

692

00:35:39,610 --> 00:35:36,640

we were getting almost exclusively

693

00:35:41,860 --> 00:35:39,620

reports of half cats and either the

694

00:35:44,830 --> 00:35:41,870

front half would be found or the back

695

00:35:48,220 --> 00:35:44,840

half would be found rarely but maybe

696

00:35:51,700 --> 00:35:48,230

three or four times both halves would be

697

00:35:55,330 --> 00:35:51,710

there but a section in between the two

698

00:35:57,820 --> 00:35:55,340

cats would be proved on x-ray that a

699

00:36:00,640 --> 00:35:57,830

slice of the cat that we would never

700

00:36:02,440 --> 00:36:00,650

have known had been removed so yet a

701
00:36:04,930 --> 00:36:02,450
front half and a back half with a slice

702
00:36:09,040 --> 00:36:04,940
removed otherwise they were top cats

703
00:36:12,940 --> 00:36:09,050
front or back well I got a front half of

704
00:36:15,100 --> 00:36:12,950
a gray angora cat the photos of all of

705
00:36:16,930 --> 00:36:15,110
this are in my real x-files

706
00:36:19,930 --> 00:36:16,940
and I keep them there by subscription

707
00:36:22,330 --> 00:36:19,940
which protects children cannot just

708
00:36:25,390 --> 00:36:22,340
stumble into these but for the people

709
00:36:27,760 --> 00:36:25,400
who are interested in a phenomena that

710
00:36:31,270 --> 00:36:27,770
is haunted law enforcement in the world

711
00:36:33,730 --> 00:36:31,280
for nearly a century the animal

712
00:36:36,040 --> 00:36:33,740
mutilations are in that category and I

713
00:36:38,260 --> 00:36:36,050

have hundreds and hundreds and hundreds

714

00:36:41,830 --> 00:36:38,270

of photographs in the real x-files in

715

00:36:49,000 --> 00:36:41,840

all of the various categories of cattle

716

00:36:52,120 --> 00:36:49,010

horses pigs goats sheep a reindeer elk

717

00:36:55,569 --> 00:36:52,130

dear it's so it's wild game its domestic

718

00:36:58,120 --> 00:36:55,579

animals and the cats when you get to the

719

00:37:00,190 --> 00:36:58,130

cats and you look at all of the cat

720

00:37:04,329 --> 00:37:00,200

mutilation reports the thing that would

721

00:37:07,089 --> 00:37:04,339

hit you I know it sounds it sounds like

722

00:37:09,970 --> 00:37:07,099

it would be gory it's the opposite when

723

00:37:13,450 --> 00:37:09,980

you look at the photos they are so

724

00:37:17,410 --> 00:37:13,460

pristine that you want to find out how

725

00:37:20,560 --> 00:37:17,420

was this done and now currently there is

726

00:37:25,349 --> 00:37:20,570

a new wrinkle after all of these years

727

00:37:29,710 --> 00:37:25,359

of the half cats the beheaded cats the

728

00:37:35,790 --> 00:37:29,720

dismembered cats when the New York Times

729

00:37:39,339 --> 00:37:35,800

did this report on August 31st I was

730

00:37:41,950 --> 00:37:39,349

noticing because it was so important and

731

00:37:44,470 --> 00:37:41,960

I had been trying to get some

732

00:37:48,609 --> 00:37:44,480

photographs from a veterinarian to show

733

00:37:50,829 --> 00:37:48,619

this that the spine only are being

734

00:37:54,550 --> 00:37:50,839

removed now the way it's been described

735

00:37:58,089 --> 00:37:54,560

to me is that if you come down to the

736

00:38:00,819 --> 00:37:58,099

base of the neck on your ownself and you

737

00:38:03,490 --> 00:38:00,829

will feel that bone that is right in

738

00:38:07,859 --> 00:38:03,500

between where then the clavicles go off

739

00:38:11,680 --> 00:38:07,869

on your right and left shoulders imagine

740

00:38:15,430 --> 00:38:11,690

having some kind of an instrument that

741

00:38:19,690 --> 00:38:15,440

would not cause any blood on the skin or

742

00:38:23,200 --> 00:38:19,700

the ligament or anything but you could

743

00:38:27,520 --> 00:38:23,210

go into the bone cut it absolutely

744

00:38:31,500 --> 00:38:27,530

cleanly then cut all the ribs off to the

745

00:38:39,420 --> 00:38:31,510

base of the tail and then just remove

746

00:38:47,500 --> 00:38:43,390

it's insane and I'm Linda really quick

747

00:38:50,609 --> 00:38:47,510

for the audience I just googled right

748

00:38:55,620 --> 00:38:50,619

and I'm looking at Olympia Washington

749

00:39:00,040 --> 00:38:55,630

San Diego I'm just going up and down

750

00:39:02,180 --> 00:39:00,050

here this is going on all around the

751

00:39:05,240 --> 00:39:02,190

country this isn't

752

00:39:08,960 --> 00:39:05,250

the dates on this July August August

753

00:39:12,950 --> 00:39:08,970

September and that's just the first page

754

00:39:17,030 --> 00:39:12,960

of August 28 a very simple google search

755

00:39:21,470 --> 00:39:17,040

of which I had three hundred and fifty

756

00:39:23,990 --> 00:39:21,480

one thousand results yeah exactly I mean

757

00:39:27,260 --> 00:39:24,000

I'm right now just trying to do get a

758

00:39:29,840 --> 00:39:27,270

search under cat mewed elations I'll do

759

00:39:33,050 --> 00:39:29,850

it under half cats came up with four

760

00:39:36,980 --> 00:39:33,060

hundred and eleven results at earthfiles

761

00:39:40,280 --> 00:39:36,990

I know it was a lot and let me tell you

762

00:39:44,180 --> 00:39:40,290

something that really is fascinating and

763

00:39:47,060 --> 00:39:44,190

if any of the fade to black audience has

764

00:39:50,000 --> 00:39:47,070

any more information about what I'm

765

00:39:52,520 --> 00:39:50,010

going to say next and yet you have had a

766

00:39:56,540 --> 00:39:52,530

military background and you have been

767

00:39:59,780 --> 00:39:56,550

stationed in Iran Iraq or Eritrea and

768

00:40:02,150 --> 00:39:59,790

you have any passing knowledge about

769

00:40:04,760 --> 00:40:02,160

what I'm going to say next I would

770

00:40:08,830 --> 00:40:04,770

greatly appreciate hearing from anybody

771

00:40:10,370 --> 00:40:08,840

to my email which is earthfiles at earth

772

00:40:12,920 --> 00:40:10,380

files.com

773

00:40:16,100 --> 00:40:12,930

always think of a reporter who files

774

00:40:21,010 --> 00:40:16,110

news about the earth earth files at

775

00:40:24,590 --> 00:40:21,020

Earth file comm last year a

776

00:40:28,550 --> 00:40:24,600

whistleblower at a conference approached

777

00:40:29,960 --> 00:40:28,560

me and said I want you to know that I

778

00:40:32,510 --> 00:40:29,970

was on a mission

779

00:40:36,740 --> 00:40:32,520

and those were the three countries Iran

780

00:40:39,170 --> 00:40:36,750

Iraq and Eritrea Eritrea is the northern

781

00:40:40,180 --> 00:40:39,180

portion of Ethiopia where they've had

782

00:40:45,500 --> 00:40:40,190

Wars

783

00:40:50,900 --> 00:40:45,510

he said we have had losses of American

784

00:40:52,430 --> 00:40:50,910

platoons and it's not been reported this

785

00:40:55,510 --> 00:40:52,440

is not something that is common

786

00:41:00,230 --> 00:40:55,520

knowledge but we have had entire

787

00:41:02,330 --> 00:41:00,240

platoons disappear and he said I was on

788

00:41:06,230 --> 00:41:02,340

a mission to try to find out what the is

789

00:41:10,580 --> 00:41:06,240

going on and he said in these three

790

00:41:13,240 --> 00:41:10,590

areas we have encountered they're not

791

00:41:16,080 --> 00:41:13,250

human and we don't know what they are

792

00:41:18,300 --> 00:41:16,090

but we think that they are

793

00:41:23,760 --> 00:41:18,310

involved with the disappearance of the

794

00:41:30,350 --> 00:41:23,770

platoons and he said one of their mos is

795

00:41:35,370 --> 00:41:30,360

to remove only spines Wow

796

00:41:39,350 --> 00:41:35,380

what is going what is going on yep eerie

797

00:41:42,570 --> 00:41:39,360

and if anybody listening I understand

798

00:41:43,950 --> 00:41:42,580

that whistleblowers you you can

799

00:41:46,320 --> 00:41:43,960

communicate with me

800

00:41:48,390 --> 00:41:46,330

there are ways once you establish a

801
00:41:51,060 --> 00:41:48,400
connection to me if we have to work

802
00:41:54,060 --> 00:41:51,070
through Fed Ex or something but it's

803
00:41:56,390 --> 00:41:54,070
really important I have been saying this

804
00:41:59,130 --> 00:41:56,400
at conferences I have been getting more

805
00:42:01,740 --> 00:41:59,140
information I would really like to know

806
00:42:04,100 --> 00:42:01,750
if anybody out there with a military

807
00:42:07,530 --> 00:42:04,110
background and I will never ever reveal

808
00:42:10,290 --> 00:42:07,540
source name its the idea is I would like

809
00:42:13,160 --> 00:42:10,300
to know if there is anything currently

810
00:42:18,590 --> 00:42:13,170
going on that falls into this category

811
00:42:22,290 --> 00:42:18,600
and Jimmy if there is something in those

812
00:42:25,200 --> 00:42:22,300
warzone areas that is maybe taking

813
00:42:29,160 --> 00:42:25,210

advantage of wars that cover-up what it

814

00:42:33,390 --> 00:42:29,170

does right is there some connection

815

00:42:37,290 --> 00:42:33,400

about why the cycles of the half cats or

816

00:42:41,690 --> 00:42:37,300

beheaded cat dismembered cats or the

817

00:42:45,180 --> 00:42:41,700

cats now with the clean bloodless

818

00:42:47,610 --> 00:42:45,190

precise removal of the spines as this

819

00:42:51,270 --> 00:42:47,620

man described in those war zones is

820

00:42:54,270 --> 00:42:51,280

there some link what would it be what

821

00:42:56,790 --> 00:42:54,280

could it be what does all this mean but

822

00:42:59,070 --> 00:42:56,800

what we're talking about now are facts

823

00:43:02,820 --> 00:42:59,080

these are facts of things that are

824

00:43:05,070 --> 00:43:02,830

happening on our planet I don't think we

825

00:43:08,430 --> 00:43:05,080

should be left in the dark I think that

826

00:43:12,570 --> 00:43:08,440

the more we know the stronger we get and

827

00:43:15,000 --> 00:43:12,580

maybe in in the strength of knowledge we

828

00:43:18,780 --> 00:43:15,010

can help get some of this stock there's

829

00:43:22,500 --> 00:43:18,790

two things that we have to look at here

830

00:43:24,890 --> 00:43:22,510

one if this is an Earthbound situation

831

00:43:29,940 --> 00:43:24,900

if these are humans that are doing it

832

00:43:32,670 --> 00:43:29,950

that is a despicable and and disturbing

833

00:43:34,260 --> 00:43:32,680

thought there's that if it's earth if

834

00:43:38,580 --> 00:43:34,270

it's something else

835

00:43:41,250 --> 00:43:38,590

Linda that is possibly off planet or you

836

00:43:43,470 --> 00:43:41,260

know that is isn't human that is doing

837

00:43:45,720 --> 00:43:43,480

this then we've got something else that

838

00:43:47,400 --> 00:43:45,730

we need to explore here ultimately what

839

00:43:50,220 --> 00:43:47,410

do you think is who do you think is

840

00:43:52,770 --> 00:43:50,230

responsible for this I think it is not

841

00:43:55,410 --> 00:43:52,780

Homo sapiens sapiens but I do not think

842

00:43:58,830 --> 00:43:55,420

it is extraterrestrial meaning off

843

00:44:02,250 --> 00:43:58,840

planet I think it is non-human the alien

844

00:44:05,580 --> 00:44:02,260

presence alluded to by John F Kennedy it

845

00:44:06,150 --> 00:44:05,590

has been on this planet for millions of

846

00:44:09,540 --> 00:44:06,160

years

847

00:44:11,670 --> 00:44:09,550

it cohabits I use the metaphor of being

848

00:44:16,380 --> 00:44:11,680

in a two-story apartment

849

00:44:20,540 --> 00:44:16,390

we are the surface life down below this

850

00:44:25,470 --> 00:44:20,550

rind that we live on or in the rind

851
00:44:30,150 --> 00:44:25,480
could be huge caverns spaces abilities

852
00:44:33,270 --> 00:44:30,160
to live inside of big mountain ranges to

853
00:44:36,210 --> 00:44:33,280
go down below the basins of the oceans

854
00:44:38,099 --> 00:44:36,220
in the seas meaning you go down six

855
00:44:42,120 --> 00:44:38,109
miles to the bottom of the Mariana

856
00:44:45,180 --> 00:44:42,130
Trench then you go down further that we

857
00:44:48,270 --> 00:44:45,190
are not used to thinking in terms of the

858
00:44:52,530 --> 00:44:48,280
spherical geometry of our planet at all

859
00:44:55,890 --> 00:44:52,540
we are surface bound creatures we move

860
00:44:59,490 --> 00:44:55,900
in Euclidean lines on the surface of

861
00:45:02,070 --> 00:44:59,500
this enormous sphere the volume of the

862
00:45:07,140 --> 00:45:02,080
sphere even though at the center there

863
00:45:11,250 --> 00:45:07,150

is a crystal iron sphere that is 70% the

864

00:45:16,170 --> 00:45:11,260

diameter of our Moon the iron core at

865

00:45:21,260 --> 00:45:16,180

the center of our planet is 70% the

866

00:45:26,700 --> 00:45:21,270

diameter of our Moon around it is a huge

867

00:45:29,730 --> 00:45:26,710

like a sea of molten lava and they turn

868

00:45:32,790 --> 00:45:29,740

that's the Dynamo of Earth and then you

869

00:45:35,730 --> 00:45:32,800

get to the magma jello

870

00:45:40,650 --> 00:45:35,740

that goes from the moving iron sphere

871

00:45:45,990 --> 00:45:40,660

and you get up to where the Rhind sits

872

00:45:49,500 --> 00:45:46,000

on top of the jello magma and we are

873

00:45:52,080 --> 00:45:49,510

living only on the very tippy tippy top

874

00:45:54,960 --> 00:45:52,090

of that rind which averages somewhere

875

00:45:58,230 --> 00:45:54,970

between 15 to 25 miles deep

876

00:46:01,290 --> 00:45:58,240

that is the kind of Earth that humans

877

00:46:06,930 --> 00:46:01,300

live on we don't have any understanding

878

00:46:09,780 --> 00:46:06,940

of how other intelligences with advanced

879

00:46:13,170 --> 00:46:09,790

technologies could cohabit on this

880

00:46:16,650 --> 00:46:13,180

planet without us ever knowing but they

881

00:46:20,100 --> 00:46:16,660

were here and they could be here in huge

882

00:46:26,610 --> 00:46:20,110

numbers I'm still not interacting with

883

00:46:30,930 --> 00:46:26,620

us but harvesting from the surface it

884

00:46:33,450 --> 00:46:30,940

reminds me of so many I hate to always

885

00:46:35,460 --> 00:46:33,460

go back and and and and talk about

886

00:46:38,580 --> 00:46:35,470

Hollywood and how this kind of stuff is

887

00:46:40,890 --> 00:46:38,590

presented but for the audience that's

888

00:46:42,690 --> 00:46:40,900

what they can relate to you know the

889

00:46:47,910 --> 00:46:42,700

visual and the audio that they have seen

890

00:46:50,070 --> 00:46:47,920

over the years is there is there the

891

00:46:53,640 --> 00:46:50,080

possibility of the government knowing

892

00:46:57,570 --> 00:46:53,650

about this and and maybe projecting this

893

00:47:02,190 --> 00:46:57,580

idea on our subconscious subliminally

894

00:47:06,090 --> 00:47:02,200

through multimedia well I think that the

895

00:47:09,000 --> 00:47:06,100

CIA he has used Hollywood ever since the

896

00:47:11,400 --> 00:47:09,010

day the Earth Stood Still in order to

897

00:47:14,580 --> 00:47:11,410

test what they learn to see how the

898

00:47:16,470 --> 00:47:14,590

public reacts exactly and the Day the

899

00:47:21,050 --> 00:47:16,480

Earth Stood Still Michael Rennie and the

900

00:47:25,200 --> 00:47:21,060

robot and it was what extraterrestrial

901
00:47:28,410 --> 00:47:25,210
intelligences that used our planet and

902
00:47:31,530 --> 00:47:28,420
knew that what we were doing was going

903
00:47:34,590 --> 00:47:31,540
to end up hurting this planet and they

904
00:47:37,860 --> 00:47:34,600
were here to demonstrate what they could

905
00:47:39,720 --> 00:47:37,870
do by shutting down all power in LA or

906
00:47:42,120 --> 00:47:39,730
whichever city or whatever and they

907
00:47:43,980 --> 00:47:42,130
could do it around the world and that

908
00:47:45,809 --> 00:47:43,990
was the demonstration the Day the Earth

909
00:47:48,930 --> 00:47:45,819
Stood Still this

910
00:47:52,469 --> 00:47:48,940
massive power control that the

911
00:47:57,029 --> 00:47:52,479
extra-terrestrial with wasn't it was it

912
00:47:58,799 --> 00:47:57,039
clashes yeah I do was the robot and gore

913
00:48:00,719 --> 00:47:58,809

it was a humanoid or the other way

914

00:48:04,620 --> 00:48:00,729

around the other way around yeah yeah

915

00:48:08,009 --> 00:48:04,630

Gork was the robot and Klaatu was the

916

00:48:11,959 --> 00:48:08,019

Michael Rennie right yes and that in the

917

00:48:17,779 --> 00:48:11,969

end it was a very sobering film with a

918

00:48:22,829 --> 00:48:17,789

message you we will we will do something

919

00:48:25,799 --> 00:48:22,839

to control you inhibit you if you don't

920

00:48:28,559 --> 00:48:25,809

stop atomic war testing if you don't and

921

00:48:30,689 --> 00:48:28,569

that was the under theme of the Day the

922

00:48:33,059 --> 00:48:30,699

Earth Stood Still warnings and

923

00:48:35,839 --> 00:48:33,069

demonstrations of technological

924

00:48:39,299 --> 00:48:35,849

superiority that scared our military

925

00:48:41,729 --> 00:48:39,309

well since then we've had everything

926
00:48:45,029 --> 00:48:41,739
that you can imagine being tested on us

927
00:48:48,749 --> 00:48:45,039
multiple dimensions time travel all of

928
00:48:52,170 --> 00:48:48,759
the Star Wars series going out into Star

929
00:48:57,059 --> 00:48:52,180
Trek and on and on and so at this point

930
00:49:00,989 --> 00:48:57,069
in 2018 we are seeing more and more in

931
00:49:03,269 --> 00:49:00,999
television and in films that are

932
00:49:06,380 --> 00:49:03,279
becoming so sophisticated that we are

933
00:49:09,150 --> 00:49:06,390
now beginning to talk about

934
00:49:11,819 --> 00:49:09,160
other-dimensional that that we are

935
00:49:13,949 --> 00:49:11,829
dealing with technologies that can go

936
00:49:16,259 --> 00:49:13,959
from the matter universe into another

937
00:49:19,499 --> 00:49:16,269
dimension like a cushion shot on a pool

938
00:49:22,799 --> 00:49:19,509

table and then flip back into this

939

00:49:25,289 --> 00:49:22,809

matter universe cover let's say three

940

00:49:29,089 --> 00:49:25,299

billion light years and do it in five

941

00:49:31,319 --> 00:49:29,099

minutes because they're using space-time

942

00:49:34,650 --> 00:49:31,329

point-to-point travel

943

00:49:37,769 --> 00:49:34,660

we only know Euclidean geometry

944

00:49:40,140 --> 00:49:37,779

we're like ants and we just move around

945

00:49:43,890 --> 00:49:40,150

the surface of this eight thousand mile

946

00:49:45,660 --> 00:49:43,900

diameter sphere if you are advanced and

947

00:49:48,269 --> 00:49:45,670

you understand how to deal with

948

00:49:51,749 --> 00:49:48,279

spherical geometry and magnetic fields

949

00:49:54,749 --> 00:49:51,759

then your ability to use this earth and

950

00:49:57,660 --> 00:49:54,759

all of the planetary bodies in ways that

951
00:49:59,610 --> 00:49:57,670
humans can't even comprehend is going to

952
00:50:01,920 --> 00:49:59,620
be so vastly superior

953
00:50:03,750 --> 00:50:01,930
and the idea that we're on a planet that

954
00:50:06,390 --> 00:50:03,760
has been like a two-story apartment

955
00:50:10,470 --> 00:50:06,400
building for millions of years and

956
00:50:13,830 --> 00:50:10,480
humans Homo sapiens sapiens this current

957
00:50:17,520 --> 00:50:13,840
model in terms of the overlap with

958
00:50:19,770 --> 00:50:17,530
neanderthalensis is only about 45,000

959
00:50:23,760 --> 00:50:19,780
years old compared to millions of years

960
00:50:27,150 --> 00:50:23,770
and how does how does Antarctica play

961
00:50:31,230 --> 00:50:27,160
into this Hollow Earth possibility and

962
00:50:34,110 --> 00:50:31,240
concept of what's been talked about for

963
00:50:35,970 --> 00:50:34,120

so long now that these entrances are

964

00:50:39,510 --> 00:50:35,980

there these openings are there there's

965

00:50:41,040 --> 00:50:39,520

access to it and if this is indeed

966

00:50:45,060 --> 00:50:41,050

playing out with you know cat

967

00:50:48,030 --> 00:50:45,070

mutilations or platoons and in Africa is

968

00:50:51,510 --> 00:50:48,040

is this ultimately what is going on

969

00:50:55,800 --> 00:50:51,520

Linda well Jimmy first it isn't Hollow

970

00:50:57,870 --> 00:50:55,810

Earth Hollow Earth that is where people

971

00:51:00,740 --> 00:50:57,880

have drawn that at the center of the

972

00:51:04,020 --> 00:51:00,750

earth there is this other place where

973

00:51:07,230 --> 00:51:04,030

creatures lives know at the center of

974

00:51:09,660 --> 00:51:07,240

our earth is this iron crystal sphere

975

00:51:12,900 --> 00:51:09,670

that is two-thirds the size of the moon

976

00:51:16,440 --> 00:51:12,910

it is surrounded by all of this lava you

977

00:51:19,970 --> 00:51:16,450

come up into magma you have to get up to

978

00:51:23,130 --> 00:51:19,980

the rind think of an orange the orange

979

00:51:26,910 --> 00:51:23,140

just the rind of the orange all of the

980

00:51:30,720 --> 00:51:26,920

interior part is is not habitable it's

981

00:51:34,110 --> 00:51:30,730

only in the rind and so we are on the

982

00:51:36,660 --> 00:51:34,120

surface of the rind the rind is on the

983

00:51:39,000 --> 00:51:36,670

surface of this eight thousand mile

984

00:51:42,750 --> 00:51:39,010

diameter planet right

985

00:51:47,520 --> 00:51:42,760

but in that rind around the world an

986

00:51:51,480 --> 00:51:47,530

inside of mountains and below the basin

987

00:51:53,280 --> 00:51:51,490

of oceans and seas it doesn't mean

988

00:51:55,200 --> 00:51:53,290

you're going into the center of the

989

00:51:58,010 --> 00:51:55,210

earth it means that you have

990

00:52:01,260 --> 00:51:58,020

technologies that know how to go down

991

00:52:02,340 --> 00:52:01,270

the deepest I think is a mark Mariana

992

00:52:05,010 --> 00:52:02,350

Trench

993

00:52:07,530 --> 00:52:05,020

I believe the deepest part is six and a

994

00:52:10,230 --> 00:52:07,540

half miles or seven at most something

995

00:52:13,320 --> 00:52:10,240

like that so that's the deepest ocean so

996

00:52:19,200 --> 00:52:13,330

think that we're in a have a rind

997

00:52:21,810 --> 00:52:19,210

averages between 15 to 25 miles that so

998

00:52:27,000 --> 00:52:21,820

the deepest ocean is only six or seven

999

00:52:30,720 --> 00:52:27,010

of that right the rind of the earth is

1000

00:52:33,660 --> 00:52:30,730

where the action is in the United States

1001
00:52:35,720 --> 00:52:33,670
there was somebody in whistle blower

1002
00:52:39,270 --> 00:52:35,730
type a year or two ago he said to me

1003
00:52:42,800 --> 00:52:39,280
Linda the most important military and

1004
00:52:47,580 --> 00:52:42,810
technology action of our country is all

1005
00:52:50,250 --> 00:52:47,590
underground yeah and it's only as far as

1006
00:52:54,240 --> 00:52:50,260
you know it's 25,000 feet we're not

1007
00:52:57,840 --> 00:52:54,250
talking about getting into this molten

1008
00:53:00,140 --> 00:52:57,850
liquid iron section of the planet we're

1009
00:53:03,930 --> 00:53:00,150
talking about right here on the surface

1010
00:53:12,330 --> 00:53:03,940
well and remember if it's an average if

1011
00:53:17,610 --> 00:53:12,340
it's an average of 15 to 25 miles it's

1012
00:53:21,360 --> 00:53:17,620
more than 25 so it's 20 15 to 25 miles

1013
00:53:23,220 --> 00:53:21,370

it because the rind itself is thinner in

1014

00:53:27,720 --> 00:53:23,230

some places and thicker that's why they

1015

00:53:30,660 --> 00:53:27,730

say 15 to 25 miles in average right that

1016

00:53:34,230 --> 00:53:30,670

is the surface so you would if you went

1017

00:53:37,830 --> 00:53:34,240

down 15 miles in one place you would

1018

00:53:41,820 --> 00:53:37,840

probably be in heat and getting into

1019

00:53:44,400 --> 00:53:41,830

where there would be heat from magma and

1020

00:53:47,580 --> 00:53:44,410

another place you might be able to go 25

1021

00:53:50,040 --> 00:53:47,590

miles but anyway you cut it it's still a

1022

00:53:53,160 --> 00:53:50,050

Rhine just like a thick rind on an

1023

00:53:56,370 --> 00:53:53,170

orange in which we live only on the

1024

00:53:59,490 --> 00:53:56,380

surface if our deepest ocean only goes

1025

00:54:03,780 --> 00:53:59,500

down six miles think of all of that

1026
00:54:07,380 --> 00:54:03,790
territory and that is where an alien

1027
00:54:12,180 --> 00:54:07,390
intelligence allegedly has been using

1028
00:54:15,450 --> 00:54:12,190
coming based now to address this other

1029
00:54:18,920 --> 00:54:15,460
issue of fear I personally don't feel

1030
00:54:22,620 --> 00:54:18,930
any fear whatsoever for these reasons

1031
00:54:24,810 --> 00:54:22,630
when it was John Burroughs and I were

1032
00:54:26,180 --> 00:54:24,820
doing a phenomenon radio 3 years ago

1033
00:54:28,700 --> 00:54:26,190
with Lynne Buchanan

1034
00:54:31,040 --> 00:54:28,710
who was one of the very talented remote

1035
00:54:34,250 --> 00:54:31,050
viewers on that project Stargate that

1036
00:54:36,320 --> 00:54:34,260
was in there about seven or eight very

1037
00:54:39,710 --> 00:54:36,330
talented remote viewers they were housed

1038
00:54:41,750 --> 00:54:39,720

at Fort Meade the big shiny National

1039

00:54:43,790 --> 00:54:41,760

Security Agency building was next door

1040

00:54:49,670 --> 00:54:43,800

they were in an old barracks kitchen

1041

00:54:52,490 --> 00:54:49,680

building but Lynne said that they all at

1042

00:54:54,830 --> 00:54:52,500

one point or another had tasks having to

1043

00:54:57,740 --> 00:54:54,840

do with other intelligence other life in

1044

00:54:59,920 --> 00:54:57,750

the universe and he said they all got

1045

00:55:02,660 --> 00:54:59,930

that the universe is teeming with

1046

00:55:07,190 --> 00:55:02,670

intelligence teeming with some kind of

1047

00:55:12,790 --> 00:55:07,200

consciousness and Linda his way he said

1048

00:55:16,310 --> 00:55:12,800

it Linda if we didn't have allies

1049

00:55:19,060 --> 00:55:16,320

humanity would not be here because there

1050

00:55:23,030 --> 00:55:19,070

are things out there that are dangerous

1051
00:55:25,730 --> 00:55:23,040
but we have allies and they know how to

1052
00:55:29,840 --> 00:55:25,740
fight those dangers and there are a lot

1053
00:55:32,480 --> 00:55:29,850
of protectors of humanity and I believe

1054
00:55:36,620 --> 00:55:32,490
that I think that is absolutely true in

1055
00:55:39,260 --> 00:55:36,630
many ways we are like babies and we are

1056
00:55:41,900 --> 00:55:39,270
like babies that were created on this

1057
00:55:46,220 --> 00:55:41,910
planet by something else to be monitored

1058
00:55:50,150 --> 00:55:46,230
harvested used to manipulate genetic

1059
00:55:53,120 --> 00:55:50,160
evolution and we purposely apparently

1060
00:55:56,300 --> 00:55:53,130
been kept in the dark about what our

1061
00:56:01,610 --> 00:55:56,310
original source was what is the original

1062
00:56:03,980 --> 00:56:01,620
source of DNA that DNA molecule Francis

1063
00:56:08,240 --> 00:56:03,990

Crick who got the Nobel Prize for

1064

00:56:11,900 --> 00:56:08,250

discovering they shape the double helix

1065

00:56:14,660 --> 00:56:11,910

he was along with Leslie Orgel a

1066

00:56:19,010 --> 00:56:14,670

brilliant biochemist they said there's

1067

00:56:21,890 --> 00:56:19,020

no possibility that on a 8,000 mile

1068

00:56:26,300 --> 00:56:21,900

diameter 25,000 mile circumference

1069

00:56:30,800 --> 00:56:26,310

planet that you would have only one DNA

1070

00:56:34,490 --> 00:56:30,810

molecule that every single thing on this

1071

00:56:37,430 --> 00:56:34,500

planet from from the beginning going

1072

00:56:39,860 --> 00:56:37,440

back as far as they could find the first

1073

00:56:43,850 --> 00:56:39,870

cells that there's nothing

1074

00:56:46,700 --> 00:56:43,860

else but the double-helix molecule and

1075

00:56:48,860 --> 00:56:46,710

that's why they did a brilliant article

1076

00:56:51,200 --> 00:56:48,870

it was published in Icarus back in the

1077

00:56:54,470 --> 00:56:51,210

nineteen I think late 1970s I have a

1078

00:56:57,560 --> 00:56:54,480

copy of it someplace and they they said

1079

00:57:00,440 --> 00:56:57,570

in the Icarus it was the logical

1080

00:57:04,430 --> 00:57:00,450

conclusion is that directed panspermia

1081

00:57:08,060 --> 00:57:04,440

is the answer to lose this life on Earth

1082

00:57:13,220 --> 00:57:08,070

directed panspermia means I deliberate

1083

00:57:18,740 --> 00:57:13,230

placement seeding of the DNA molecule on

1084

00:57:21,470 --> 00:57:18,750

this planet then what is the origin of

1085

00:57:24,770 --> 00:57:21,480

that DNA molecule

1086

00:57:28,160 --> 00:57:24,780

how many DNA molecules on how many

1087

00:57:31,610 --> 00:57:28,170

planets throughout this 13.8 billion

1088

00:57:34,310 --> 00:57:31,620

light your universe are there and on are

1089

00:57:37,930 --> 00:57:34,320

we on a planet where there is tremendous

1090

00:57:40,970 --> 00:57:37,940

interaction by other forms of life

1091

00:57:44,450 --> 00:57:40,980

specifically because we have genetic

1092

00:57:47,420 --> 00:57:44,460

connections to whatever is out there

1093

00:57:49,370 --> 00:57:47,430

through the DNA molecule to me this is

1094

00:57:52,040 --> 00:57:49,380

one of the most exciting areas I think

1095

00:57:55,340 --> 00:57:52,050

it's going to continue to grow and grow

1096

00:57:59,090 --> 00:57:55,350

we're finding out so much now by

1097

00:58:01,730 --> 00:57:59,100

analyzing the DNA molecule and did you

1098

00:58:04,910 --> 00:58:01,740

know that it was only in the last couple

1099

00:58:08,420 --> 00:58:04,920

of years that researchers in a lab were

1100

00:58:13,400 --> 00:58:08,430

able to take a piece of rock music and

1101
00:58:17,450 --> 00:58:13,410
they embedded it in a portion of a DNA

1102
00:58:20,390 --> 00:58:17,460
molecule on purpose they were testing

1103
00:58:23,990 --> 00:58:20,400
the hypothesis that DNA is essentially

1104
00:58:28,040 --> 00:58:24,000
like a mathematical computer they took

1105
00:58:30,860 --> 00:58:28,050
this phrase of music put it in a DNA

1106
00:58:34,040 --> 00:58:30,870
molecule and they were able to extract

1107
00:58:36,650 --> 00:58:34,050
the music from the DNA molecules I know

1108
00:58:47,180 --> 00:58:36,660
I knew these articles I knew Led

1109
00:58:49,580 --> 00:58:47,190
Zeppelin was et TNA is absolutely

1110
00:58:51,760 --> 00:58:49,590
incredible the more you study it the

1111
00:58:55,950 --> 00:58:51,770
more amazing we are and

1112
00:58:59,190 --> 00:58:55,960
do you remember it was a last month when

1113
00:59:02,140 --> 00:58:59,200

20 I think it was either 20 or 40

1114

00:59:06,940 --> 00:59:02,150
scientist came out and backed up this

1115

00:59:10,200 --> 00:59:06,950
study that octopus octopi had to be

1116

00:59:14,170 --> 00:59:10,210
alien that there is no other explanation

1117

00:59:16,630 --> 00:59:14,180
for the uniqueness of octopus here on

1118

00:59:19,330 --> 00:59:16,640
this planet because it was unlike any

1119

00:59:21,640 --> 00:59:19,340
other species on this planet and it was

1120

00:59:25,120 --> 00:59:21,650
so unique that it had to have been

1121

00:59:28,720 --> 00:59:25,130
delivered here and I read that article

1122

00:59:33,060 --> 00:59:28,730
and Jimmy the part that was really eerie

1123

00:59:37,060 --> 00:59:33,070
is the intelligence of the octopi

1124

00:59:39,850 --> 00:59:37,070
octopus in laboratories where humans

1125

00:59:42,850 --> 00:59:39,860
have had to work around them did you

1126
00:59:47,740 --> 00:59:42,860
read the story it was a female lab

1127
00:59:52,720 --> 00:59:47,750
worker and she talked about how they

1128
00:59:57,280 --> 00:59:52,730
began to be almost concerned about the

1129
01:00:01,090 --> 00:59:57,290
high IQ of an octopus that every single

1130
01:00:05,170 --> 01:00:01,100
time she walked in that lab that octopus

1131
01:00:07,360 --> 01:00:05,180
would send a straight line of water

1132
01:00:10,870 --> 01:00:07,370
however they were able to do it the

1133
01:00:13,300 --> 01:00:10,880
octopus would zap her with water and she

1134
01:00:15,970 --> 01:00:13,310
would try everything she would bend down

1135
01:00:18,310 --> 01:00:15,980
she tried wearing different clothes they

1136
01:00:20,590 --> 01:00:18,320
all of these things trying because they

1137
01:00:23,530 --> 01:00:20,600
were aware that the octopus for reasons

1138
01:00:26,470 --> 01:00:23,540

unknown had her as a target for this

1139

01:00:29,860 --> 01:00:26,480

water it wasn't hurting her it was that

1140

01:00:33,970 --> 01:00:29,870

the octopus was doing this when no

1141

01:00:36,700 --> 01:00:33,980

matter what she did the octopus knew it

1142

01:00:39,640 --> 01:00:36,710

was her even when she was trying to hide

1143

01:00:41,980 --> 01:00:39,650

and still zapped her with that water and

1144

01:00:45,190 --> 01:00:41,990

they were talking about that that the

1145

01:00:47,920 --> 01:00:45,200

level of intelligence the level of the

1146

01:00:51,430 --> 01:00:47,930

ability to hold that skill and make that

1147

01:00:55,090 --> 01:00:51,440

one stream of water that always hit its

1148

01:00:58,320 --> 01:00:55,100

target I mean that's eerie that's eerie

1149

01:01:02,170 --> 01:00:58,330

you know what no more calamari for me I

1150

01:01:04,330 --> 01:01:02,180

just feel strange about it and the the

1151

01:01:08,050 --> 01:01:04,340

intelligence of the IQ

1152

01:01:11,620 --> 01:01:08,060

the way that they presented it here not

1153

01:01:14,260 --> 01:01:11,630

only smart on this planet just smart in

1154

01:01:17,680 --> 01:01:14,270

general and quite simply are just as

1155

01:01:21,460 --> 01:01:17,690

smart as humans on every level and I

1156

01:01:25,510 --> 01:01:21,470

just feel I feel strange I feel strange

1157

01:01:27,400 --> 01:01:25,520

about the mistreatment and and I didn't

1158

01:01:31,270 --> 01:01:27,410

it didn't it didn't weren't you taken

1159

01:01:35,070 --> 01:01:31,280

aback a little bit well last year one of

1160

01:01:43,210 --> 01:01:39,610

yeah the arrival that creatures looked

1161

01:01:45,730 --> 01:01:43,220

like some kind of octopi standing on

1162

01:01:47,770 --> 01:01:45,740

tentacles no doubt about it and I felt

1163

01:01:50,470 --> 01:01:47,780

the hidden message there after that

1164

01:01:52,750 --> 01:01:50,480

report came out last month the first

1165

01:01:54,460 --> 01:01:52,760

thing I did is went to read him when DC

1166

01:01:56,710 --> 01:01:54,470

we knew that there was something about

1167

01:02:00,190 --> 01:01:56,720

that movie and I'm not kidding about

1168

01:02:03,490 --> 01:02:00,200

that I'm not reaching here Linda

1169

01:02:06,730 --> 01:02:03,500

Jimmy the great thing about it was the

1170

01:02:14,640 --> 01:02:06,740

message of that entire film was that

1171

01:02:18,700 --> 01:02:14,650

these creatures had come back in time my

1172

01:02:22,390 --> 01:02:18,710

3,000 years I believed it was because

1173

01:02:25,500 --> 01:02:22,400

something was going to happen and they

1174

01:02:29,560 --> 01:02:25,510

that whole movie what had these layers

1175

01:02:32,230 --> 01:02:29,570

about these beings were testing us they

1176

01:02:37,630 --> 01:02:32,240

were trying to communicate with us in

1177

01:02:40,660 --> 01:02:37,640

order to save something about them 3,000

1178

01:02:44,530 --> 01:02:40,670

years in the future I know it was a very

1179

01:02:47,740 --> 01:02:44,540

complicated film and that the idea of

1180

01:02:51,510 --> 01:02:47,750

them squirting the ink of all things as

1181

01:02:55,510 --> 01:02:51,520

a metaphor the the printing press our

1182

01:02:59,110 --> 01:02:55,520

whole human family the evolution that

1183

01:03:01,510 --> 01:02:59,120

was you might say the fire signal of it

1184

01:03:05,110 --> 01:03:01,520

all is when we began to be able to work

1185

01:03:07,810 --> 01:03:05,120

in symbols and print and communicate on

1186

01:03:10,900 --> 01:03:07,820

paper and then eventually today in

1187

01:03:15,730 --> 01:03:10,910

digital but with the sporting of the ink

1188

01:03:17,950 --> 01:03:15,740

that we think of an octopi that she the

1189

01:03:20,320 --> 01:03:17,960

the female who was

1190

01:03:22,570 --> 01:03:20,330

so intuitive that she began to

1191

01:03:27,040 --> 01:03:22,580

understand that there was communication

1192

01:03:30,370 --> 01:03:27,050

in those ink blots on the glass and that

1193

01:03:32,890 --> 01:03:30,380

the ripple of metaphor the ripple of

1194

01:03:36,130 --> 01:03:32,900

layers of information that was in that

1195

01:03:38,800 --> 01:03:36,140

film and that it makes you stand back

1196

01:03:42,339 --> 01:03:38,810

and realize they they looked like

1197

01:03:46,089 --> 01:03:42,349

standing up octopi it was beautifully

1198

01:03:49,630 --> 01:03:46,099

done building up the mystery about them

1199

01:03:53,380 --> 01:03:49,640

and then in the end to realize they

1200

01:03:56,530 --> 01:03:53,390

actually cared about some kind of a

1201

01:03:59,650 --> 01:03:56,540

survival issue far in the future and

1202

01:04:04,120 --> 01:03:59,660

when when Rita and I left the movie

1203

01:04:07,599 --> 01:04:04,130

theater after watching that I I was

1204

01:04:09,970 --> 01:04:07,609

pretty melancholy and she I felt strange

1205

01:04:12,849 --> 01:04:09,980

and I just I just didn't feel you know I

1206

01:04:15,609 --> 01:04:12,859

felt strange about it and she turned to

1207

01:04:19,210 --> 01:04:15,619

me and said so what did you think and I

1208

01:04:24,490 --> 01:04:19,220

said you know there is a message here I

1209

01:04:28,120 --> 01:04:24,500

something is being communicated to us

1210

01:04:30,310 --> 01:04:28,130

via that film it was so complicated and

1211

01:04:33,040 --> 01:04:30,320

I was trying to make sense of it all but

1212

01:04:35,320 --> 01:04:33,050

it wasn't your typical Hollywood movie

1213

01:04:35,950 --> 01:04:35,330

to me that there was there was something

1214

01:04:38,230 --> 01:04:35,960

there

1215

01:04:42,540 --> 01:04:38,240

meant for us to figure out and and

1216

01:04:46,240 --> 01:04:42,550

Shammi all of it was about time yes

1217

01:04:49,660 --> 01:04:46,250

what she was obsessed with and it all

1218

01:04:53,950 --> 01:04:49,670

had to do with that replaying of time

1219

01:04:56,650 --> 01:04:53,960

and the signals from that we get at

1220

01:04:58,930 --> 01:04:56,660

every moment we call it the present

1221

01:05:01,900 --> 01:04:58,940

I say present and it's already the past

1222

01:05:04,120 --> 01:05:01,910

and we can't grab the present because

1223

01:05:04,660 --> 01:05:04,130

it's always going from the past into the

1224

01:05:08,710 --> 01:05:04,670

future

1225

01:05:11,170 --> 01:05:08,720

and that everything in that film from

1226

01:05:13,510 --> 01:05:11,180

the creatures and why they came and what

1227

01:05:17,109 --> 01:05:13,520

they were trying to do was to have an

1228

01:05:19,720 --> 01:05:17,119

interaction with humans in such a way

1229

01:05:23,290 --> 01:05:19,730

that they would cause a cushion shot

1230

01:05:25,450 --> 01:05:23,300

they would change a future that might

1231

01:05:28,060 --> 01:05:25,460

have been disastrous for both humans and

1232

01:05:29,329 --> 01:05:28,070

them that was the bottom line of that

1233

01:05:32,390 --> 01:05:29,339

film yep

1234

01:05:35,239 --> 01:05:32,400

amy adams was incredible in that film

1235

01:05:37,339 --> 01:05:35,249

she was just so good Linda thank you so

1236

01:05:40,099 --> 01:05:37,349

much for taking the time out of your

1237

01:05:43,309 --> 01:05:40,109

very very busy week we've had so much

1238

01:05:44,959 --> 01:05:43,319

going on in this community and and to

1239

01:05:48,739 --> 01:05:44,969

have you you know sit down with us

1240

01:05:51,319 --> 01:05:48,749

tonight was just I'm very thankful so

1241

01:05:55,190 --> 01:05:51,329

just it was wonderful Jimmy this is

1242

01:05:57,170 --> 01:05:55,200

great I look forward to doing it again

1243

01:05:58,819 --> 01:05:57,180

with you at some point I'm from hearing

1244

01:06:01,249 --> 01:05:58,829

from your fade to black

1245

01:06:03,140 --> 01:06:01,259

anybody out there whistleblowers with

1246

01:06:06,920 --> 01:06:03,150

information to earth files that are

1247

01:06:08,630 --> 01:06:06,930

files.com and I hope that we're going to

1248

01:06:11,809 --> 01:06:08,640

get that breakthrough headline and then

1249

01:06:14,420 --> 01:06:11,819

you I and all of us all boats will rise

1250

01:06:18,170 --> 01:06:14,430

and people on the planet will understand

1251

01:06:21,950 --> 01:06:18,180

we have been trying to deal with facts

1252

01:06:24,380 --> 01:06:21,960

and the truth who's on phenomenon with a

1253

01:06:28,120 --> 01:06:24,390

you and John this week Bassett the

1254

01:06:32,779 --> 01:06:28,130

passengers talk about the fact that Lou

1255

01:06:36,559 --> 01:06:32,789

Elizondo they to the stars who worked in

1256

01:06:41,799 --> 01:06:36,569

the Pentagon on the a tip program he has

1257

01:06:46,039 --> 01:06:41,809

been saying repeatedly to groups you all

1258

01:06:51,259 --> 01:06:46,049

UFO investigators researchers organizers

1259

01:06:55,819 --> 01:06:51,269

you have been right all along and that

1260

01:06:58,190 --> 01:06:55,829

is a huge sea change that is somebody

1261

01:06:59,900 --> 01:06:58,200

who worked in the Pentagon who is going

1262

01:07:04,339 --> 01:06:59,910

around and talking publicly and that

1263

01:07:06,289 --> 01:07:04,349

they are saying that we have to get back

1264

01:07:08,779 --> 01:07:06,299

engineering from the black world into

1265

01:07:12,109 --> 01:07:08,789

the white world we have to acknowledge

1266

01:07:14,079 --> 01:07:12,119

that what so many of you as

1267

01:07:16,190 --> 01:07:14,089

investigators journalists and

1268

01:07:19,190 --> 01:07:16,200

organizations have been trying to do

1269

01:07:22,640 --> 01:07:19,200

while you have been people have thrown

1270

01:07:26,150 --> 01:07:22,650

rocks at you it's not deserved that you

1271

01:07:28,969 --> 01:07:26,160

have and are talking about that which we

1272

01:07:31,459 --> 01:07:28,979

know is real that is great and if this

1273

01:07:35,089 --> 01:07:31,469

keeps going in if Lou Elizondo and to

1274

01:07:37,640 --> 01:07:35,099

the stars and collaborators and maybe

1275

01:07:40,190 --> 01:07:37,650

hearings behind the hearings in Congress

1276

01:07:41,690 --> 01:07:40,200

I keep hearing behind the scenes we're

1277

01:07:43,240 --> 01:07:41,700

going to be talking about all of that

1278

01:07:46,340 --> 01:07:43,250

was Steve Bassett on

1279

01:07:49,700 --> 01:07:46,350

sounds exciting sounds exciting and also

1280

01:07:53,390 --> 01:07:49,710

you should go and check out our good

1281

01:07:56,180 --> 01:07:53,400

friend John Greenwald's open letter to

1282

01:07:59,840 --> 01:07:56,190

TT essay that he published today so I'll

1283

01:08:02,420 --> 01:07:59,850

leave that to you there you go

1284

01:08:05,570 --> 01:08:02,430

we'll see you know fingers crossed Linda

1285

01:08:07,610 --> 01:08:05,580

fingers are crossed thank you if I don't

1286

01:08:10,190 --> 01:08:07,620

see you before I'll see you at conscious

1287

01:08:11,900 --> 01:08:10,200

life conscious life Expo you're going to

1288

01:08:14,750 --> 01:08:11,910

be on my panel again this year you know

1289

01:08:18,260 --> 01:08:14,760

that right I'll see you then thank you

1290

01:08:21,350 --> 01:08:18,270

so much thank you Linda Moulton Howe

1291

01:08:23,360 --> 01:08:21,360

earth files.com everybody go over there

1292

01:08:25,550 --> 01:08:23,370

and check it out I'll open up the phones

1293

01:08:29,060 --> 01:08:25,560

now Wow

1294

01:08:31,340 --> 01:08:29,070

everybody's going nuts okay all right

1295

01:08:33,470 --> 01:08:31,350

there you go I'll open up the phones

1296

01:08:36,440 --> 01:08:33,480

would I come back this is fade to black

1297

01:08:48,410 --> 01:08:36,450

I'm your signature stay with me

1298

01:08:51,030 --> 01:08:48,420

[Music]

1299

01:08:53,939 --> 01:08:51,040

Viveca volunteer and you are listening

1300

01:08:59,359 --> 01:08:53,949

to my boy Jimmy Church Jimmy Church

1301

01:09:03,550 --> 01:08:59,369

radio.com this my popular opinion

1302

01:09:06,500 --> 01:09:03,560

reading a book will not make you smarter

1303

01:09:09,550 --> 01:09:06,510

but listening to Jimmy church will

1304

01:09:13,820 --> 01:09:09,560

[Applause]

1305

01:09:15,710 --> 01:09:13,830

hurricanes earthquakes wildfires this

1306

01:09:18,170 --> 01:09:15,720

year we've experienced more than our

1307

01:09:20,480 --> 01:09:18,180

fair share this is Jimmy Church of fade

1308

01:09:22,490 --> 01:09:20,490

to black and last month I decided to

1309

01:09:24,349 --> 01:09:22,500

make sure my family does not have to

1310

01:09:27,070 --> 01:09:24,359

worry about food that should we get

1311

01:09:29,990 --> 01:09:27,080

caught in a real emergency situation

1312

01:09:31,820 --> 01:09:30,000

introducing Humana a healthy storable

1313

01:09:33,950 --> 01:09:31,830

product that tastes so good that you'll

1314

01:09:36,260 --> 01:09:33,960

want to eat it every day instead of just

1315

01:09:38,329 --> 01:09:36,270

during those times of duress all new

1316

01:09:41,840 --> 01:09:38,339

manna products have a 25 year shelf life

1317

01:09:44,450 --> 01:09:41,850

our msg and GMO free no preservatives

1318

01:09:46,340 --> 01:09:44,460

and are made in America with the new

1319

01:09:48,170 --> 01:09:46,350

manna pack in your home you'll be able

1320

01:09:50,720 --> 01:09:48,180

to sleep at night knowing that you

1321

01:09:53,930 --> 01:09:50,730

protected your family not only have I

1322

01:09:56,030 --> 01:09:53,940

tasted and tested I own it now you can

1323

01:09:58,250 --> 01:09:56,040

too just click on the new manna banner

1324

01:10:00,110 --> 01:09:58,260

on Jimmy Church radio.com and use the

1325

01:10:02,510 --> 01:10:00,120

promo code Jimmy when you order in

1326
01:10:04,510 --> 01:10:02,520
addition to a discount we'll send you an

1327
01:10:07,270 --> 01:10:04,520
autographed fade to black t-shirt

1328
01:10:09,500 --> 01:10:07,280
seriously gobekli tepe

1329
01:10:12,470 --> 01:10:09,510
this is Jimmy Church of fade to black

1330
01:10:16,130 --> 01:10:12,480
and I take life change tea supplements

1331
01:10:20,530 --> 01:10:16,140
every single day it's what I do click on

1332
01:10:26,060 --> 01:10:23,450
when you take the beans from Central

1333
01:10:28,340 --> 01:10:26,070
America with dashes of indonesian and

1334
01:10:31,130 --> 01:10:28,350
african mixed in and then roast it to

1335
01:10:34,000 --> 01:10:31,140
the dark side of fade to black you

1336
01:10:36,980 --> 01:10:34,010
create the ultimate brew of Fringe

1337
01:10:40,160 --> 01:10:36,990
introducing the fade to black blend from

1338
01:10:43,280 --> 01:10:40,170

river moon coffee yes River moons

1339

01:10:44,090 --> 01:10:43,290

darkest customized roast was created for

1340

01:10:47,720 --> 01:10:44,100

the love of

1341

01:10:50,240 --> 01:10:47,730

fade to black the alchemy of masterful

1342

01:10:53,480 --> 01:10:50,250

roasting and smoking the beans is in

1343

01:10:57,680 --> 01:10:53,490

every sip of this full-bodied dark Java

1344

01:10:59,570 --> 01:10:57,690

I need my coffee dog deep with distinct

1345

01:11:02,750 --> 01:10:59,580

bittersweet chocolate highlights just

1346

01:11:05,150 --> 01:11:02,760

like the bunker leaning further into the

1347

01:11:07,770 --> 01:11:05,160

darkness of the roast is fade to black

1348

01:11:09,720 --> 01:11:07,780

blend from Reber moon coffee

1349

01:11:12,630 --> 01:11:09,730

just click on the banner at Jimmy Church

1350

01:11:16,220 --> 01:11:12,640

radio.com and use the promo code F to be

1351

01:11:20,880 --> 01:11:16,230

blend for 15% off of your order today

1352

01:11:22,740 --> 01:11:20,890

gobekli tepe hi folks CBD is the home

1353

01:11:24,540 --> 01:11:22,750

run hitter for health right now why do

1354

01:11:27,000 --> 01:11:24,550

you ask because of what it does for the

1355

01:11:28,500 --> 01:11:27,010

body unfortunately I can't tell you all

1356

01:11:30,990 --> 01:11:28,510

about the benefit you know there's

1357

01:11:33,180 --> 01:11:31,000

reasons do your due diligence and log on

1358

01:11:35,760 --> 01:11:33,190

to ancient life oil calm that's ancient

1359

01:11:37,740 --> 01:11:35,770

life oil calm angel life oil uses

1360

01:11:39,570 --> 01:11:37,750

organic ingredients and is blended in

1361

01:11:42,650 --> 01:11:39,580

coconut oil for some of the best

1362

01:11:45,270 --> 01:11:42,660

benefits legal in 50 states and none

1363

01:11:48,900 --> 01:11:45,280

psychoactive logon to ancient life oil

1364

01:11:50,820 --> 01:11:48,910

calm that's ancient life oil calm this

1365

01:11:53,640 --> 01:11:50,830

is Jimmy Church of fade to black and my

1366

01:11:57,000 --> 01:11:53,650

family is safe because of new mana

1367

01:11:58,860 --> 01:11:57,010

emergency food storage just go to the

1368

01:12:04,770 --> 01:11:58,870

new mana banner at Jimmy Church

1369

01:12:07,470 --> 01:12:04,780

radio.com promo code jimmy 10 are you

1370

01:12:09,990 --> 01:12:07,480

intrigued by paranormal talk radio you

1371

01:12:12,960 --> 01:12:10,000

love the new paranormal radio app from

1372

01:12:15,180 --> 01:12:12,970

torque stream live you'll find a great

1373

01:12:18,300 --> 01:12:15,190

selection of talk shows covering UFOs

1374

01:12:20,730 --> 01:12:18,310

ghosts strange phenomena and much more

1375

01:12:22,950 --> 01:12:20,740

download the paranormal radio app now

1376

01:12:25,260 --> 01:12:22,960

and start listening to the very best in

1377

01:12:26,790 --> 01:12:25,270

paranormal talk entertainment including

1378

01:12:29,820 --> 01:12:26,800

the network you're listening to right

1379

01:12:40,080 --> 01:12:29,830

now the paranormal radio app free in

1380

01:12:54,610 --> 01:12:43,780

it's not a lifestyle we chose we were

1381

01:12:59,360 --> 01:12:54,620

born this way k GRA radio.com this is KJ

1382

01:12:59,370 --> 01:13:11,080

[Music]

1383

01:13:19,310 --> 01:13:13,310

welcome back fade to black coming host

1384

01:13:22,000 --> 01:13:19,320

Shiva Church Linda Moulton Howe man it

1385

01:13:24,530 --> 01:13:22,010

was a great conversation tonight

1386

01:13:27,109 --> 01:13:24,540

technical difficulties and all somebody

1387

01:13:29,419 --> 01:13:27,119

was interrupting that conversation with

1388

01:13:31,760 --> 01:13:29,429

Linda and I tonight I know I watched it

1389

01:13:34,370 --> 01:13:31,770

happen in here was pretty interesting I

1390

01:13:36,080 --> 01:13:34,380

opened up the phone lines god I gotta

1391

01:13:41,020 --> 01:13:36,090

have time for a few calls let's go to

1392

01:13:44,240 --> 01:13:41,030

area code four eight zero you're up

1393

01:13:46,760 --> 01:13:44,250

hi my name is Pamela can you hear me yes

1394

01:13:50,209 --> 01:13:46,770

I can you're live hi

1395

01:13:53,780 --> 01:13:50,219

so I was in this is about the octopus I

1396

01:13:55,399 --> 01:13:53,790

was in line in San Francisco to like one

1397

01:13:58,250 --> 01:13:55,409

of those shows or something they have

1398

01:13:59,689 --> 01:13:58,260

this octopus there and I you know we had

1399

01:14:02,689 --> 01:13:59,699

our tickets and I said to my girlfriend

1400

01:14:05,240 --> 01:14:02,699

I said that octopus is trying to talk to

1401

01:14:07,669 --> 01:14:05,250

me and she's like but I don't know it's

1402

01:14:15,280 --> 01:14:07,679

talking to me and from that day forward

1403

01:14:22,490 --> 01:14:19,970

Thank You Rita and I went out it was a

1404

01:14:25,399 --> 01:14:22,500

couple of weeks ago we're at a

1405

01:14:28,490 --> 01:14:25,409

restaurant and if stuff was being order

1406

01:14:31,370 --> 01:14:28,500

being brought to the table and we didn't

1407

01:14:34,520 --> 01:14:31,380

but you know and at calaman and calamari

1408

01:14:35,750 --> 01:14:34,530

was brought to the table and I I threw

1409

01:14:39,680 --> 01:14:35,760

up in my mouth a little bit

1410

01:14:43,729 --> 01:14:39,690

I just won't know I just I I can't go

1411

01:14:45,890 --> 01:14:43,739

there I I just there's something and

1412

01:14:48,859 --> 01:14:45,900

there's just something about it and and

1413

01:14:54,350 --> 01:14:48,869

I'm totally with you on that and then

1414

01:14:57,589 --> 01:14:54,360

how about the the World Cup a couple of

1415

01:14:59,330 --> 01:14:57,599

months ago and Japan is you know blazing

1416

01:15:01,640 --> 01:14:59,340

through the World Cup and they they had

1417

01:15:04,310 --> 01:15:01,650

this genius octopus over in Japan that

1418

01:15:07,250 --> 01:15:04,320

was making their predictions on the

1419

01:15:12,740 --> 01:15:07,260

World Cup and they turn around and they

1420

01:15:16,669 --> 01:15:12,750

ate the octopus right for sushi Japan

1421

01:15:18,709 --> 01:15:16,679

loses the next day you know that that

1422

01:15:20,990 --> 01:15:18,719

was just I don't know if you remember

1423

01:15:21,570 --> 01:15:21,000

the story but it was it was definitely

1424

01:15:23,520 --> 01:15:21,580

headlines

1425

01:15:25,920 --> 01:15:23,530

going on around the world I just can't

1426

01:15:30,300 --> 01:15:25,930

do it anymore I can't just the thought

1427

01:15:32,520 --> 01:15:30,310

of it is yeah I don't know I don't know

1428

01:15:35,160 --> 01:15:32,530

the humanitarian in me I don't know what

1429

01:15:37,260 --> 01:15:35,170

it is but there's a connection going on

1430

01:15:39,960 --> 01:15:37,270

right now and I think they're very very

1431

01:15:42,690 --> 01:15:39,970

smart their eyes the way they look at

1432

01:15:45,120 --> 01:15:42,700

you right what did what did the octopus

1433

01:15:47,310 --> 01:15:45,130

say to you well it was really

1434

01:15:49,200 --> 01:15:47,320

interesting this is years this is years

1435

01:15:51,840 --> 01:15:49,210

ago and it was I don't know it was like

1436

01:15:54,180 --> 01:15:51,850

we're going into an aquarium and buy the

1437

01:15:56,160 --> 01:15:54,190

ticket thing there was an octopus and he

1438

01:15:59,580 --> 01:15:56,170

was stuck in this little container and

1439

01:16:02,550 --> 01:15:59,590

he was like talking to me like he was

1440

01:16:03,840 --> 01:16:02,560

like he made the connection like hi and

1441

01:16:06,540 --> 01:16:03,850

I'm like what

1442

01:16:09,420 --> 01:16:06,550

and he's like sort of like get me out of

1443

01:16:11,550 --> 01:16:09,430

here and I just looked at it and I

1444

01:16:12,810 --> 01:16:11,560

turned to my girlfriend and then I said

1445

01:16:15,390 --> 01:16:12,820

he's talking to me

1446

01:16:18,330 --> 01:16:15,400

well I'm very psychic anyway in a very

1447

01:16:20,280 --> 01:16:18,340

and then they opened the gates and we

1448

01:16:22,230 --> 01:16:20,290

had to go by and he was just this

1449

01:16:24,660 --> 01:16:22,240

octopus I felt like it was male

1450

01:16:26,580 --> 01:16:24,670

it was just like you're leaving me and

1451

01:16:30,990 --> 01:16:26,590

then we walked in and I just sat in

1452

01:16:32,870 --> 01:16:31,000

disbelief I'm like what you didn't go

1453

01:16:36,810 --> 01:16:32,880

back did you say goodbye

1454

01:16:39,660 --> 01:16:36,820

no no I was so shocked I was in shock

1455

01:16:41,820 --> 01:16:39,670

that this this animal was talking to me

1456

01:16:45,750 --> 01:16:41,830

and then I watch something on TV where

1457

01:16:47,850 --> 01:16:45,760

they they had it in it would like get in

1458

01:16:50,970 --> 01:16:47,860

a lab they have this octopus mate

1459

01:16:54,150 --> 01:16:50,980

finally put a camera on it would squeeze

1460

01:16:56,340 --> 01:16:54,160

out at night and go around the lab and

1461

01:16:59,580 --> 01:16:56,350

like touch things and look at things

1462

01:17:02,580 --> 01:16:59,590

they they're they're a sentient being

1463

01:17:06,720 --> 01:17:02,590

that are there they're smart yeah

1464

01:17:11,660 --> 01:17:06,730

they're there is a when you go and watch

1465

01:17:19,560 --> 01:17:14,570

what was your name again

1466

01:17:20,760 --> 01:17:19,570

thank you phone call thank you so much

1467

01:17:23,340 --> 01:17:20,770

you're awesome

1468

01:17:24,290 --> 01:17:23,350

bye-bye that's a great phone call right

1469

01:17:27,090 --> 01:17:24,300

there

1470

01:17:30,240 --> 01:17:27,100

octopus man I'm on a whole nother level

1471

01:17:31,680 --> 01:17:30,250

with them I think we all should be to go

1472

01:17:32,280 --> 01:17:31,690

back to the phones hi you live I'm fade

1473

01:17:34,680 --> 01:17:32,290

to black

1474

01:17:38,490 --> 01:17:34,690

area code 805 Europe next

1475

01:17:40,680 --> 01:17:38,500

yeah benda beans what are you doing

1476

01:17:43,370 --> 01:17:40,690

Jimmy how are you that's the question

1477

01:17:47,280 --> 01:17:43,380

great great show great show tonight

1478

01:17:51,630 --> 01:17:47,290

yeah this is Kendra in the 805 Ventura

1479

01:17:54,420 --> 01:17:51,640

and so I'm kind of questioned on the

1480

01:17:56,730 --> 01:17:54,430

whole closing down of the solar

1481

01:17:59,310 --> 01:17:56,740

observatory the whole thing is just so

1482

01:18:03,780 --> 01:17:59,320

odd I started kind of diving into it a

1483

01:18:07,830 --> 01:18:03,790

bit but when I heard that the closure

1484

01:18:11,190 --> 01:18:07,840

and the evacuation for equipment okay

1485

01:18:13,910 --> 01:18:11,200

that's one thing equipment stolen you

1486

01:18:16,290 --> 01:18:13,920

know you don't evacuate I mean it's just

1487

01:18:19,500 --> 01:18:16,300

none of it makes any sense but what I

1488

01:18:22,050 --> 01:18:19,510

found particularly odd and I want to

1489

01:18:25,080 --> 01:18:22,060

verify this the dollar amount of the

1490

01:18:27,090 --> 01:18:25,090

stolen equipment mm-hmm what little

1491

01:18:31,890 --> 01:18:27,100

again do you could caucus I thought I

1492

01:18:36,170 --> 01:18:31,900

heard \$15,000 that's right fifteen

1493

01:18:41,040 --> 01:18:36,180

thousand of a one set of equipment of

1494

01:18:44,010 --> 01:18:41,050

communications gear evacuate an entire

1495

01:18:46,620 --> 01:18:44,020

building you close down a post office

1496

01:18:50,670 --> 01:18:46,630

you have Blackhawk helicopters you don't

1497

01:18:52,320 --> 01:18:50,680

talk to the sheriff about \$15,000 worth

1498

01:18:57,810 --> 01:18:52,330

of equipment that's right that's right

1499

01:19:02,100 --> 01:18:57,820

that's right I know I know and they it's

1500

01:19:06,900 --> 01:19:02,110

it it could be partially true it could

1501
01:19:09,870 --> 01:19:06,910
be I I don't know but the the story that

1502
01:19:11,550 --> 01:19:09,880
they released the statement that they

1503
01:19:15,000 --> 01:19:11,560
released with the story inside of it

1504
01:19:18,540 --> 01:19:15,010
that they didn't want to alert you know

1505
01:19:21,060 --> 01:19:18,550
the suspect well a Blackhawk helicopter

1506
01:19:23,580 --> 01:19:21,070
and the FBI evacuating a compounds not

1507
01:19:26,940 --> 01:19:23,590
going to alert the suspect you know they

1508
01:19:30,210 --> 01:19:26,950
didn't really think through their their

1509
01:19:32,670 --> 01:19:30,220
narrow it's kind of like every you know

1510
01:19:34,380 --> 01:19:32,680
harkens back to the Roswell cover-up of

1511
01:19:37,320 --> 01:19:34,390
how lame do you think we really are

1512
01:19:39,990 --> 01:19:37,330
truly that's right and I'm not saying

1513
01:19:41,589 --> 01:19:40,000

I'm not saying it TT I don't know

1514

01:19:44,919 --> 01:19:41,599

but they

1515

01:19:46,989 --> 01:19:44,929

have blown it for sure I'm a feeling

1516

01:19:49,330 --> 01:19:46,999

though you made a good point I first I

1517

01:19:51,790 --> 01:19:49,340

thought does definitely sound like

1518

01:19:53,879 --> 01:19:51,800

espionage of some kind some hacking

1519

01:19:56,859 --> 01:19:53,889

because of white sounds right there duh

1520

01:19:59,229 --> 01:19:56,869

but then you would have had NSA and

1521

01:20:01,659 --> 01:19:59,239

homeland crawling all over the place but

1522

01:20:02,679 --> 01:20:01,669

you just have the FBI right right right

1523

01:20:04,449 --> 01:20:02,689

right right

1524

01:20:08,109 --> 01:20:04,459

and that was it no ATF like you said

1525

01:20:11,770 --> 01:20:08,119

certainly no no ATF and nobody else no

1526

01:20:13,810 --> 01:20:11,780

Homeland Security no NSA you know just

1527

01:20:15,939 --> 01:20:13,820

the whole thing is just so freaking yeah

1528

01:20:18,939 --> 01:20:15,949

hey don't go and you don't buy off the

1529

01:20:24,149 --> 01:20:18,949

whole compound with money to buy their

1530

01:20:27,849 --> 01:20:24,159

silence if it's stolen tech equipment I

1531

01:20:32,290 --> 01:20:27,859

could say fifteen million dollars women

1532

01:20:34,689 --> 01:20:32,300

right seen thousand I mean I don't know

1533

01:20:39,669 --> 01:20:34,699

I I don't know what the bottom line is

1534

01:20:42,699 --> 01:20:39,679

here but we're gonna find out but I mean

1535

01:20:44,349 --> 01:20:42,709

I knew that the story that they were

1536

01:20:46,629 --> 01:20:44,359

going to come out with was going to be a

1537

01:20:48,729 --> 01:20:46,639

load of bull and this certainly is thank

1538

01:20:51,639 --> 01:20:48,739

you so much Kendra B hey wait wait wait

1539

01:20:55,239 --> 01:20:51,649

wait wait okay has been any follow up on

1540

01:20:59,409 --> 01:20:55,249

the alleged shooting by the robots of

1541

01:21:02,139 --> 01:20:59,419

the Japanese scientists that last year

1542

01:21:04,479 --> 01:21:02,149

in August yeah that's that's a that's a

1543

01:21:10,689 --> 01:21:04,489

Linda Moulton Howe question and I didn't

1544

01:21:12,609 --> 01:21:10,699

get a chance to ask her I've never had a

1545

01:21:14,739 --> 01:21:12,619

close encounter with an octopus but I

1546

01:21:16,750 --> 01:21:14,749

have with a nine foot tall Kodiak bear

1547

01:21:19,419 --> 01:21:16,760

and little Tujungu at the wildlife

1548

01:21:22,689 --> 01:21:19,429

Waystation back when I was like 16 nose

1549

01:21:24,339 --> 01:21:22,699

to nose with this amazing creature but

1550

01:21:27,719 --> 01:21:24,349

not an octopus yes

1551

01:21:30,939 --> 01:21:27,729

Kendra I'll talk to you soon thank you

1552

01:21:35,879 --> 01:21:30,949

smoked the beta base Jim may I have a

1553

01:21:40,959 --> 01:21:35,889

great night thank you so much and I've

1554

01:21:42,849 --> 01:21:40,969

I've got to get out of here I don't have

1555

01:21:45,129 --> 01:21:42,859

you know what everybody that's on hold I

1556

01:21:47,199 --> 01:21:45,139

just don't have time to to squeeze it

1557

01:21:54,570 --> 01:21:47,209

one more call before I got a run out of

1558

01:21:59,070 --> 01:21:54,580

here I want to say this the this store

1559

01:22:06,500 --> 01:21:59,080

about the National Solar Laboratories

1560

01:22:13,920 --> 01:22:11,400

Melissa the if it was a security issue

1561

01:22:16,290 --> 01:22:13,930

and you're going to evacuate and there

1562

01:22:20,520 --> 01:22:16,300

are crimes being committed you would

1563

01:22:24,810 --> 01:22:20,530

have I would think at the very least the

1564

01:22:26,760 --> 01:22:24,820

local sheriff's department on alert and

1565

01:22:28,290 --> 01:22:26,770

fully informed as to what is going on

1566

01:22:30,180 --> 01:22:28,300

because you have other people that are

1567

01:22:32,220 --> 01:22:30,190

living there too as well you also have

1568

01:22:33,840 --> 01:22:32,230

to secure that front gate which none of

1569

01:22:36,990 --> 01:22:33,850

that was done and the sheriff wasn't

1570

01:22:40,110 --> 01:22:37,000

even concerned about that right there is

1571

01:22:45,270 --> 01:22:40,120

red flag number one red flag number two

1572

01:22:48,210 --> 01:22:45,280

the x-files DVD of the game now as crazy

1573

01:22:52,740 --> 01:22:48,220

as that sounds that was left there to be

1574

01:22:54,540 --> 01:22:52,750

discovered why as the FBI is leaving

1575

01:22:56,160 --> 01:22:54,550

that base if that was something that

1576

01:22:59,430 --> 01:22:56,170

they didn't want to have us talk about

1577

01:23:03,900 --> 01:22:59,440

they don't leave that DVD there that's

1578

01:23:07,260 --> 01:23:03,910

number two number three the entrance to

1579

01:23:10,980 --> 01:23:07,270

the workshop and the tools are all left

1580

01:23:15,300 --> 01:23:10,990

open for any vandals to go up and quite

1581

01:23:18,540 --> 01:23:15,310

simply burgle and rob but you leave that

1582

01:23:21,750 --> 01:23:18,550

open I don't I don't get that part it

1583

01:23:25,110 --> 01:23:21,760

just doesn't make any sense the entire

1584

01:23:28,080 --> 01:23:25,120

place was sanitized there was nothing

1585

01:23:29,400 --> 01:23:28,090

left out in the open except for a DVD of

1586

01:23:32,730 --> 01:23:29,410

the x-files

1587

01:23:35,670 --> 01:23:32,740

it completely sanitized the windows

1588

01:23:38,670 --> 01:23:35,680

boarded up on these homes but yet you

1589

01:23:40,640 --> 01:23:38,680

leave the front gate wide open and and

1590

01:23:42,780 --> 01:23:40,650

don't have the sheriff's there

1591

01:23:47,190 --> 01:23:42,790

preventing people from going onto that

1592

01:23:50,460 --> 01:23:47,200

property all of this all of this stinks

1593

01:23:52,740 --> 01:23:50,470

to high heaven now I'm not saying it's

1594

01:23:54,480 --> 01:23:52,750

et because I don't know I'm not saying

1595

01:23:56,910 --> 01:23:54,490

it's espionage I'm not saying it's bombs

1596

01:23:58,830 --> 01:23:56,920

I'm not saying that there was theft and

1597

01:24:00,500 --> 01:23:58,840

and inside information I don't know

1598

01:24:03,330 --> 01:24:00,510

about any of that I don't know about

1599

01:24:05,820 --> 01:24:03,340

hacking and computer information and

1600

01:24:07,140 --> 01:24:05,830

white sands and in Holloman Air Force

1601
01:24:09,360 --> 01:24:07,150
Base you've got Rob

1602
01:24:12,780 --> 01:24:09,370
well down the street too as well I don't

1603
01:24:16,140 --> 01:24:12,790
know about any of that I don't I don't

1604
01:24:18,830 --> 01:24:16,150
but none of it is has anything to do

1605
01:24:23,880 --> 01:24:18,840
with the statement that they released

1606
01:24:26,130 --> 01:24:23,890
themselves there you go now I'll say it

1607
01:24:28,709 --> 01:24:26,140
once I'll say it again we're going to be

1608
01:24:32,580 --> 01:24:28,719
talking about this closure of this

1609
01:24:38,130 --> 01:24:32,590
observatory for a very long time and

1610
01:24:40,380 --> 01:24:38,140
aura and the FBI did nothing to squash

1611
01:24:42,930 --> 01:24:40,390
the stories that are going out there

1612
01:24:46,200 --> 01:24:42,940
right now inside of our community and

1613
01:24:49,620 --> 01:24:46,210

that is the bottom line and I don't know

1614

01:24:51,720 --> 01:24:49,630

forever gonna I knew everybody I knew

1615

01:24:53,640 --> 01:24:51,730

that when they were gonna make their

1616

01:24:56,669 --> 01:24:53,650

official statement and this was gonna

1617

01:25:00,600 --> 01:24:56,679

come out that it was it wasn't gonna be

1618

01:25:02,490 --> 01:25:00,610

right and then sure enough they should

1619

01:25:05,070 --> 01:25:02,500

have done a press conference they should

1620

01:25:07,250 --> 01:25:05,080

have done everything to disclose what

1621

01:25:09,959 --> 01:25:07,260

was going on up there they did nothing

1622

01:25:12,060 --> 01:25:09,969

they did blacks executive producers Rita

1623

01:25:14,189 --> 01:25:12,070

Kumari on shows produced by hilton

1624

01:25:16,350 --> 01:25:14,199

jaipur Renae Dennison Bob announces our

1625

01:25:19,649 --> 01:25:16,360

Steve Carter Jean Patou and Marty

1626
01:25:23,070 --> 01:25:19,659
colbaugh webmaster is Dhruva geek music

1627
01:25:26,040 --> 01:25:23,080
doug aldrich intros space boys space boy

1628
01:25:29,520 --> 01:25:26,050
music calm beta black is produced by

1629
01:25:32,850 --> 01:25:29,530
kjsurya productions indications kg are a

1630
01:25:35,040 --> 01:25:32,860
the planet thank you to Linda Moulton

1631
01:25:38,750 --> 01:25:35,050
Howe for the amazing conversation

1632
01:25:41,760 --> 01:25:38,760
tonight and everybody that was tweeting

1633
01:25:43,530 --> 01:25:41,770
vodcasts on copyright of 2018 by fade to

1634
01:25:45,810 --> 01:25:43,540
black in the game changer network they

1635
01:25:46,850 --> 01:25:45,820
cannot be rebroadcast download a copy to

1636
01:25:49,290 --> 01:25:46,860
use anywhere in the known universe

1637
01:25:51,180 --> 01:25:49,300
without written permission from fade to

1638
01:25:54,410 --> 01:25:51,190

black of the game-changer Network

1639

01:25:57,420 --> 01:25:54,420

are you ready tomorrow night right here

1640

01:26:00,689 --> 01:25:57,430

Freeman is on fade to black

1641

01:26:03,270 --> 01:26:00,699

go check out the news smooth CD just

1642

01:26:05,310 --> 01:26:03,280

released today gotta thank Curtis Don

1643

01:26:06,870 --> 01:26:05,320

Vito for coming in and announcing that

1644

01:26:11,130 --> 01:26:06,880

until tomorrow night

1645

01:26:15,460 --> 01:26:11,140

I want everybody to be safe go back late
