

**FADE
TO
BLACK**

WITH JIMMY CHURCH

1
00:01:15,240 --> 00:01:12,550
all right here we go Linda Moulton Howe

2
00:01:18,190 --> 00:01:15,250
tonight mm-hmm

3
00:01:21,730 --> 00:01:18,200
always great when Linda is here it's

4
00:01:28,930 --> 00:01:21,740
been a while you know what's funny there

5
00:01:32,740 --> 00:01:28,940
are there's probably about 20 I'd say 20

6
00:01:35,290 --> 00:01:32,750
great guests that I could have on all

7
00:01:36,690 --> 00:01:35,300
the time in other words we only do 16

8
00:01:39,130 --> 00:01:36,700
shows a month right

9
00:01:43,450 --> 00:01:39,140
Linda is one of them where we could just

10
00:01:46,600 --> 00:01:43,460
do 16 guests and then just start over

11
00:01:50,200 --> 00:01:46,610
rinse and repeat the first of the month

12
00:01:52,780 --> 00:01:50,210
it does do it all again and there and so

13
00:01:54,850 --> 00:01:52,790

I went back and thought you know it's

14

00:01:56,350 --> 00:01:54,860

been a while since she was actually she

15

00:01:58,960 --> 00:01:56,360

had a couple of special things for us

16

00:02:00,790 --> 00:01:58,970

but as far as the the long-form

17

00:02:04,690 --> 00:02:00,800

conversations been a while since we've

18

00:02:07,960 --> 00:02:04,700

had Lynn down the show and Wow

19

00:02:10,450 --> 00:02:07,970

you know and it we we try to present so

20

00:02:12,820 --> 00:02:10,460

many new guests in fresh faces and and

21

00:02:17,110 --> 00:02:12,830

we're out there digging out there four

22

00:02:19,090 --> 00:02:17,120

four four little gems that things like

23

00:02:22,030 --> 00:02:19,100

you know Linda you know Graham Hancock

24

00:02:23,830 --> 00:02:22,040

and and and you know they they just get

25

00:02:25,690 --> 00:02:23,840

further and further apart but tonight

26

00:02:26,229 --> 00:02:25,700

Linda's back with us I'm very excited

27

00:02:28,660 --> 00:02:26,239

about that

28

00:02:32,020 --> 00:02:28,670

and there you go I go live here in a few

29

00:02:35,470 --> 00:02:32,030

minutes I'm in a much better place than

30

00:02:37,479 --> 00:02:35,480

it was last night believe it or not but

31

00:02:39,160 --> 00:02:37,489

more on that in just a second I go live

32

00:02:55,490 --> 00:02:39,170

right now see you guys in second enjoy

33

00:03:10,300 --> 00:03:03,730

[Music]

34

00:03:14,260 --> 00:03:10,310

this hope radio for the masses headliner

35

00:03:16,300 --> 00:03:14,270

between July 8 1947 the Army Air Forces

36

00:03:18,190 --> 00:03:16,310

has announced on applying this has been

37

00:03:21,100 --> 00:03:18,200

found and is now in the possession of

38

00:03:25,150 --> 00:03:21,110

the army the game is rigged changed the

39

00:03:28,390 --> 00:03:25,160

game changer I occasionally think how

40

00:03:32,170 --> 00:03:28,400

quickly our differences worldwide would

41

00:03:34,660 --> 00:03:32,180

vanish if we were facing an alien threat

42

00:03:39,910 --> 00:03:34,670

from outside his way

43

00:03:42,400 --> 00:03:39,920

[Music]

44

00:03:45,250 --> 00:03:42,410

fade to black with your host Jimmy

45

00:03:51,790 --> 00:03:45,260

Church on a game changer Radio Network

46

00:03:56,950 --> 00:03:53,680

I need your help to get to the year

47

00:03:56,960 --> 00:04:01,430

[Music]

48

00:04:05,850 --> 00:04:04,620

like with Jimmy judge on the game change

49

00:04:08,210 --> 00:04:05,860

in that word

50

00:04:09,830 --> 00:04:08,220

[Music]

51

00:04:22,970 --> 00:04:09,840

hey now

52

00:04:25,640 --> 00:04:22,980

that that baby right there in the gift

53

00:04:28,060 --> 00:04:25,650

right there from Pat that's me that's me

54

00:04:31,070 --> 00:04:28,070

right now that's me

55

00:04:37,340 --> 00:04:31,080

that's pretty cool fade to black this

56

00:04:41,480 --> 00:04:37,350

spoke radio for da masses yeah

57

00:04:42,660 --> 00:04:41,490

today's Tuesday May 22nd 2018

58

00:04:47,370 --> 00:04:42,670

[Applause]

59

00:04:48,770 --> 00:04:47,380

just 141 days into the new year

60

00:04:52,770 --> 00:04:48,780

[Music]

61

00:04:54,420 --> 00:04:52,780

224 days left and I would like to

62

00:04:55,980 --> 00:04:54,430

welcome everybody listening all around

63

00:04:58,650 --> 00:04:55,990

the world all across the United States

64

00:05:00,720 --> 00:04:58,660

hither and thither to and fro back and

65

00:05:05,510 --> 00:05:00,730

forth up and down east and west north

66

00:05:08,640 --> 00:05:05,520

and south far and near

67

00:05:11,220 --> 00:05:08,650

this is fade to black for kjc are the

68

00:05:12,770 --> 00:05:11,230

game changer Network in kg ra the

69

00:05:15,210 --> 00:05:12,780

planets

70

00:05:19,920 --> 00:05:15,220

I'm your Jimmy Church what is cracking

71

00:05:24,030 --> 00:05:19,930

everybody how you doing Linda Moulton

72

00:05:26,820 --> 00:05:24,040

Howe here tonight I can't believe it's

73

00:05:28,200 --> 00:05:26,830

been a while it's been a while she's

74

00:05:31,500 --> 00:05:28,210

been on with this you know a little

75

00:05:34,260 --> 00:05:31,510

short bursts here and there but it's

76

00:05:37,830 --> 00:05:34,270

been a while since Linda and I have sat

77

00:05:40,950 --> 00:05:37,840

down and had the head the talk so we're

78

00:05:45,690 --> 00:05:40,960

gonna do that tonight we're gonna go A

79

00:05:50,970 --> 00:05:45,700

to Z artificial intelligence to UFOs and

80

00:05:55,830 --> 00:05:50,980

we'll cover the Z with Zimbabwe tomorrow

81

00:06:00,600 --> 00:05:55,840

night George Noory is here Victoria

82

00:06:05,150 --> 00:06:00,610

Guevara --an is here also with some very

83

00:06:07,140 --> 00:06:05,160

special surprise guests so buckle up

84

00:06:09,060 --> 00:06:07,150

okay tomorrow night it's gonna be a

85

00:06:10,950 --> 00:06:09,070

great show it's gonna be a great show I

86

00:06:12,690 --> 00:06:10,960

would have had Linda here for tomorrow

87

00:06:15,840 --> 00:06:12,700

night but then I couldn't have had Linda

88

00:06:18,780 --> 00:06:15,850

here for tonight so there you go so you

89

00:06:21,360 --> 00:06:18,790

figure it out we were gonna have Linda

90

00:06:25,560 --> 00:06:21,370

tomorrow night but we're not who is

91

00:06:27,960 --> 00:06:25,570

filling those shoes yeah so you're gonna

92

00:06:30,870 --> 00:06:27,970

want to want to be here tomorrow it's

93

00:06:33,450 --> 00:06:30,880

gonna be a great show and then on

94

00:06:36,240 --> 00:06:33,460

Thursday Jon Rappoport is gonna be here

95

00:06:39,090 --> 00:06:36,250

no more fake newsroom live that's right

96

00:06:40,650 --> 00:06:39,100

open lines and we are getting close

97

00:06:44,100 --> 00:06:40,660

we're getting close to contact in the

98

00:06:46,560 --> 00:06:44,110

desert we are one week away so what

99

00:06:48,090 --> 00:06:46,570

we're gonna do next week by the way and

100

00:06:50,970 --> 00:06:48,100

I know I'm announcing this on Tuesday

101
00:06:53,690 --> 00:06:50,980
but you need to understand next week is

102
00:06:56,780 --> 00:06:53,700
going to be a short week for us

103
00:06:58,280 --> 00:06:56,790
so Wednesday night will be our last show

104
00:07:01,430 --> 00:06:58,290
of the week and then we head out to

105
00:07:03,830 --> 00:07:01,440
contact in the desert but you know

106
00:07:06,950 --> 00:07:03,840
taking Thursday night off and but we are

107
00:07:08,270 --> 00:07:06,960
broadcasting Friday night so you've got

108
00:07:10,880 --> 00:07:08,280
to get ready for that adjust your

109
00:07:13,220 --> 00:07:10,890
schedules okay and next Friday night

110
00:07:16,670 --> 00:07:13,230
we'll be broadcasting live okay

111
00:07:20,560 --> 00:07:16,680
now spent my day today over at on

112
00:07:22,820 --> 00:07:20,570
stellar you can now find me there I

113
00:07:24,230 --> 00:07:22,830

bounced over to Facebook for a minute

114

00:07:30,110 --> 00:07:24,240

today I'll talk about that in just a

115

00:07:33,950 --> 00:07:30,120

second but on stellar calm ons t e ll a

116

00:07:35,840 --> 00:07:33,960

are calm that is where you need to be

117

00:07:37,850 --> 00:07:35,850

hanging out that is the social media

118

00:07:41,270 --> 00:07:37,860

platform of the future but it is

119

00:07:43,760 --> 00:07:41,280

happening now on stellar calm you can

120

00:07:46,180 --> 00:07:43,770

use the promo code Jimmy get yourself

121

00:07:49,010 --> 00:07:46,190

some bones tokens and what those mean

122

00:07:52,190 --> 00:07:49,020

with the blockchain and the token

123

00:07:54,770 --> 00:07:52,200

economy over time stellar will be using

124

00:07:56,900 --> 00:07:54,780

those soon so just get over start

125

00:07:59,870 --> 00:07:56,910

hanging out start writing invite all of

126

00:08:01,880 --> 00:07:59,880

your friends that's what you need to do

127

00:08:04,030 --> 00:08:01,890

get over down cellar it's absolutely

128

00:08:08,060 --> 00:08:04,040

amazing you can follow me on Twitter at

129

00:08:12,560 --> 00:08:08,070

Jay Church radio again very simple at

130

00:08:14,360 --> 00:08:12,570

Jay Church radio we can kind of go and

131

00:08:17,450 --> 00:08:14,370

check out Facebook I'm not accepting

132

00:08:19,340 --> 00:08:17,460

friends or are doing that anymore but

133

00:08:23,150 --> 00:08:19,350

you can certainly go and follow our

134

00:08:25,550 --> 00:08:23,160

radio page for Jimmy Church radio and

135

00:08:28,610 --> 00:08:25,560

that's over on Facebook and subscribe to

136

00:08:31,250 --> 00:08:28,620

our YouTube channel which is fade to

137

00:08:33,350 --> 00:08:31,260

black and that is easy to find fade to

138

00:08:35,060 --> 00:08:33,360

black and then when you get there if you

139

00:08:36,980 --> 00:08:35,070

do it off of our website you can just

140

00:08:38,450 --> 00:08:36,990

click straight to it but if you go to

141

00:08:40,880 --> 00:08:38,460

youtube is the one that says Jimmy

142

00:08:44,060 --> 00:08:40,890

Church official right so then you'll

143

00:08:47,330 --> 00:08:44,070

know it's the official page it's all

144

00:08:52,340 --> 00:08:47,340

simple to do okay now the sandbox is

145

00:08:59,540 --> 00:08:52,350

hashtag F to be on Twitter hashtag F to

146

00:09:01,370 --> 00:08:59,550

be on Twitter soon okay now soon did you

147

00:09:04,910 --> 00:09:01,380

happen to see the apology commercials

148

00:09:06,380 --> 00:09:04,920

from Facebook on TV now I don't watch TV

149

00:09:10,230 --> 00:09:06,390

Scott

150

00:09:12,780 --> 00:09:10,240

but I would love to if you guys got a

151
00:09:16,790 --> 00:09:12,790
clip of be more than happy to click on a

152
00:09:20,280 --> 00:09:16,800
link I bet you they're funny I bet you

153
00:09:22,890 --> 00:09:20,290
they're funny all right where am I

154
00:09:23,760 --> 00:09:22,900
hashtag f2b I see so when I say hashtag

155
00:09:26,340 --> 00:09:23,770
f2b

156
00:09:29,340 --> 00:09:26,350
for the sandbox I immediately glance

157
00:09:33,120 --> 00:09:29,350
over at the sandbox to see what's new

158
00:09:34,440 --> 00:09:33,130
there we use TweetDeck and it advances

159
00:09:36,570 --> 00:09:34,450
automatically you don't have to click

160
00:09:38,670 --> 00:09:36,580
any time anybody post something it it

161
00:09:40,500 --> 00:09:38,680
rolls through and it's just an amazing

162
00:09:43,170 --> 00:09:40,510
piece of software from Twitter called

163
00:09:45,240 --> 00:09:43,180

TweetDeck and that's what we use and you

164

00:09:48,030 --> 00:09:45,250

want to go over and hang out because

165

00:09:54,000 --> 00:09:48,040

it's there in real time also we have the

166

00:09:56,030 --> 00:09:54,010

chat rooms hello everyone you see you

167

00:09:59,820 --> 00:09:56,040

ever noticed when somebody types and

168

00:10:06,120 --> 00:09:59,830

they're on the phone they'll speak it

169

00:10:06,390 --> 00:10:06,130

out as they you got love it you got love

170

00:10:08,760 --> 00:10:06,400

it

171

00:10:10,980 --> 00:10:08,770

okay you can email throughout the show

172

00:10:15,420 --> 00:10:10,990

Jimmy and Jimmy Church radio calm all

173

00:10:16,050 --> 00:10:15,430

right last night I spoke about Gina's a

174

00:10:19,620 --> 00:10:16,060

Parelli

175

00:10:22,500 --> 00:10:19,630

and I told a little you know a little

176
00:10:26,850 --> 00:10:22,510
story and and and what she meant to me

177
00:10:30,360 --> 00:10:26,860
personally growing up and her and her

178
00:10:33,840 --> 00:10:30,370
father Mario and her sister Andrea the

179
00:10:35,820 --> 00:10:33,850
three of them you know let me in to the

180
00:10:39,329 --> 00:10:35,830
Sam Pirelli world and brought me into

181
00:10:43,260 --> 00:10:39,339
their family very very graciously back

182
00:10:48,750 --> 00:10:43,270
when I was a kid well Gina passed away

183
00:10:52,829 --> 00:10:48,760
and she was 59 years old and there you

184
00:10:54,630 --> 00:10:52,839
go she's she's in a better place and you

185
00:10:57,260 --> 00:10:54,640
know a night and I thought about things

186
00:10:59,880 --> 00:10:57,270
today and I thought okay you know here

187
00:11:02,670 --> 00:10:59,890
what do you do with that you know what

188
00:11:05,160 --> 00:11:02,680

do you do with that somebody that you've

189

00:11:07,440 --> 00:11:05,170

known for 35 years and very close with

190

00:11:09,329 --> 00:11:07,450

and stuff what do you do because her

191

00:11:12,510 --> 00:11:09,339

sister Andrea passed away her father

192

00:11:16,590 --> 00:11:12,520

passed away and and in the clan the

193

00:11:19,120 --> 00:11:16,600

Zeffirelli's those three they're in San

194

00:11:21,610 --> 00:11:19,130

Marino Pasadena California there

195

00:11:26,110 --> 00:11:21,620

all gone now you know what do you do

196

00:11:28,600 --> 00:11:26,120

with that you know and you know you

197

00:11:31,930 --> 00:11:28,610

can't do much but you've just got the

198

00:11:35,950 --> 00:11:31,940

memories and I was able to do that last

199

00:11:41,140 --> 00:11:35,960

night she passed away last night during

200

00:11:43,570 --> 00:11:41,150

the show and I'm just glad that I had

201
00:11:45,790 --> 00:11:43,580
the chance to do that and I want to

202
00:11:49,540 --> 00:11:45,800
thank all of you for just letting me

203
00:11:52,900 --> 00:11:49,550
take advantage of my little soapbox here

204
00:11:55,260 --> 00:11:52,910
in the bunker to share that but she did

205
00:11:58,840 --> 00:11:55,270
pass away last night during the show and

206
00:12:02,410 --> 00:11:58,850
she's left this earth okay there you go

207
00:12:06,030 --> 00:12:02,420
and and you know I'm looking at Scott

208
00:12:11,100 --> 00:12:06,040
saying no if you were part of Hollywood

209
00:12:14,860 --> 00:12:11,110
back in the late 70s throughout the 80s

210
00:12:18,640 --> 00:12:14,870
you were you know you were part of his

211
00:12:21,340 --> 00:12:18,650
early world it was everywhere and and

212
00:12:22,870 --> 00:12:21,350
Scott yeah he's yeah you know we're all

213
00:12:26,640 --> 00:12:22,880

we're all tripping because she was the

214

00:12:31,080 --> 00:12:26,650

nicest coolest funniest smartest

215

00:12:33,340 --> 00:12:31,090

professional rock and roll royalty and

216

00:12:35,770 --> 00:12:33,350

she you know she was just all of that so

217

00:12:37,480 --> 00:12:35,780

special to so many people and yeah today

218

00:12:41,530 --> 00:12:37,490

everybody's kind of freaking out because

219

00:12:43,420 --> 00:12:41,540

you know she was just cool so just thank

220

00:12:46,660 --> 00:12:43,430

you for allowing me to do that okay all

221

00:12:48,970 --> 00:12:46,670

right let's move on and Gina would

222

00:12:51,880 --> 00:12:48,980

definitely say the show must go on you

223

00:12:53,890 --> 00:12:51,890

know buckle up kids tighten up your

224

00:13:01,680 --> 00:12:53,900

shoes and get out on that stage you know

225

00:13:08,050 --> 00:13:04,510

okay all right I'm cool I'm cool I'm

226

00:13:10,390 --> 00:13:08,060

actually in a great mood okay I'm in a

227

00:13:12,310 --> 00:13:10,400

great mood and don't forget to head over

228

00:13:14,140 --> 00:13:12,320

to HOD and stellar you're listening to

229

00:13:17,260 --> 00:13:14,150

my voice now you've heard me talk about

230

00:13:20,320 --> 00:13:17,270

on stellar for the last couple of months

231

00:13:23,290 --> 00:13:20,330

every single night as some more updates

232

00:13:27,850 --> 00:13:23,300

were done to messaging and some other

233

00:13:31,300 --> 00:13:27,860

stuff a very a very cool update

234

00:13:32,770 --> 00:13:31,310

tightening the screws it is it's an

235

00:13:33,010 --> 00:13:32,780

extraordinary place to go and hang out

236

00:13:38,110 --> 00:13:33,020

at

237

00:13:40,090 --> 00:13:38,120

on stellar calm ons te ll a are.com you

238

00:13:42,280 --> 00:13:40,100

can use my promo code Jimmy okay get

239

00:13:44,139 --> 00:13:42,290

over there and get it done our next

240

00:13:46,300 --> 00:13:44,149

event is coming up next week it's June

241

00:13:48,970 --> 00:13:46,310

1st through the 4th contact in the

242

00:13:51,160 --> 00:13:48,980

desert Indian Wells Palm Springs at the

243

00:13:52,840 --> 00:13:51,170

Renaissance Resort and Spa of course

244

00:13:56,800 --> 00:13:52,850

Linda's going to be there she is with us

245

00:13:59,170 --> 00:13:56,810

tonight and you can go and hang out and

246

00:14:01,329 --> 00:13:59,180

meet Linda and go and listen to her

247

00:14:04,840 --> 00:14:01,339

presentations along with everybody else

248

00:14:06,550 --> 00:14:04,850

George Noory is going to be here

249

00:14:09,820 --> 00:14:06,560

tomorrow night he will also be at

250

00:14:11,980 --> 00:14:09,830

contact in the desert and then of course

251

00:14:14,320 --> 00:14:11,990

we have Victoria's gonna be here

252

00:14:17,620 --> 00:14:14,330

tomorrow night too as well and we do

253

00:14:20,829 --> 00:14:17,630

this every single year as we you know

254

00:14:24,010 --> 00:14:20,839

get ready for contact in the desert by

255

00:14:25,780 --> 00:14:24,020

bringing on some of the speakers here to

256

00:14:27,790 --> 00:14:25,790

talk about what you know it's like a

257

00:14:29,769 --> 00:14:27,800

preview of what is going to be going on

258

00:14:32,139 --> 00:14:29,779

out there and for those of you that

259

00:14:35,370 --> 00:14:32,149

can't make it to contact in the desert

260

00:14:37,540 --> 00:14:35,380

then you know we we get to share

261

00:14:41,319 --> 00:14:37,550

everybody with you and that's that's why

262

00:14:44,380 --> 00:14:41,329

we do it it's such a huge event and so

263

00:14:47,110 --> 00:14:44,390

you need to if you are in Southern

264

00:14:49,240 --> 00:14:47,120

California if you are making plans go

265

00:14:51,340 --> 00:14:49,250

and get your tickets now and and make

266

00:14:54,519 --> 00:14:51,350

your arrangements because this is the

267

00:14:57,760 --> 00:14:54,529

one event all year this is the big one

268

00:14:59,980 --> 00:14:57,770

this is if you're gonna make one event

269

00:15:02,470 --> 00:14:59,990

all year this is the one that you want

270

00:15:04,360 --> 00:15:02,480

to come out and and and hang out with

271

00:15:07,480 --> 00:15:04,370

all of us okay all right

272

00:15:11,500 --> 00:15:07,490

now last night we had a Theresa in our

273

00:15:14,319 --> 00:15:11,510

azan and she is going to be teaching and

274

00:15:17,260 --> 00:15:14,329

presenting up at the Soul Tech Gathering

275

00:15:21,250 --> 00:15:17,270

which is e Sethi ranch and it's this

276

00:15:23,500 --> 00:15:21,260

August 9th through the 12th and all you

277

00:15:27,460 --> 00:15:23,510

have to do is go to Seoul tech gathering

278

00:15:30,340 --> 00:15:27,470

calm and the list of presenters here

279

00:15:32,110 --> 00:15:30,350

we've just added a couple more so you

280

00:15:33,490 --> 00:15:32,120

want to go to Seoul together comm and

281

00:15:35,980 --> 00:15:33,500

check out everything that we have going

282

00:15:38,860 --> 00:15:35,990

on because Cory Goods going to be there

283

00:15:41,290 --> 00:15:38,870

we've got Jason quad james gilliland

284

00:15:45,980 --> 00:15:41,300

Matthew Ryan I'm so looking forward to

285

00:15:49,160 --> 00:15:45,990

Matthew Makayla Sheldon McKay

286

00:15:52,910 --> 00:15:49,170

Sheldon remote viewing and channeling

287

00:15:56,540 --> 00:15:52,920

and everything that we talked about on

288

00:15:58,040 --> 00:15:56,550

this show with Teresa and Holly and Mary

289

00:16:01,550 --> 00:15:58,050

Gabrielle

290

00:16:04,970 --> 00:16:01,560

Ashley John lund Dana Harvey remote

291

00:16:08,510 --> 00:16:04,980

viewing channeling life after death all

292

00:16:09,800 --> 00:16:08,520

of these and E's all of these things

293

00:16:12,320 --> 00:16:09,810

we're going to be talking about and

294

00:16:15,320 --> 00:16:12,330

teaching about up there so come and hang

295

00:16:17,600 --> 00:16:15,330

out with us four days of celebration

296

00:16:21,320 --> 00:16:17,610

learning seeking knowledge making

297

00:16:23,300 --> 00:16:21,330

friends making memories let's go and

298

00:16:26,540 --> 00:16:23,310

hang out at the field of dreams

299

00:16:28,370 --> 00:16:26,550

okay it is the sole tech gathering

300

00:16:31,130 --> 00:16:28,380

August 9th through the 12th don't forget

301
00:16:33,710 --> 00:16:31,140
to check out our podcast you can

302
00:16:36,350 --> 00:16:33,720
subscribe right over at Jimmy tertia

303
00:16:40,130 --> 00:16:36,360
comm click on the podcast banner there

304
00:16:43,340 --> 00:16:40,140
where we have over 850 archived shows

305
00:16:45,980 --> 00:16:43,350
just two dollars a month that's it all

306
00:16:48,800 --> 00:16:45,990
platforms Apple Android everything that

307
00:16:50,570 --> 00:16:48,810
you need is right there just two dollars

308
00:16:53,300 --> 00:16:50,580
a month you can also become a fade or

309
00:16:55,790 --> 00:16:53,310
not over in our membership section on

310
00:16:57,050 --> 00:16:55,800
the site where you will get the bunker

311
00:16:59,180 --> 00:16:57,060
cam hello

312
00:17:01,040 --> 00:16:59,190
you get commercial free downloadable

313
00:17:02,870 --> 00:17:01,050

archives you can even get the game

314

00:17:07,429 --> 00:17:02,880

changer where you get your fade to black

315

00:17:09,140 --> 00:17:07,439

gear and now that's a great picture of

316

00:17:13,189 --> 00:17:09,150

Gina Scott I don't know where you got

317

00:17:15,860 --> 00:17:13,199

that that's a dog of Vincenzo very cool

318

00:17:19,870 --> 00:17:15,870

I'm gonna retweet that that's uh that's

319

00:17:27,530 --> 00:17:24,980

where am I oh if you the new fade to

320

00:17:31,070 --> 00:17:27,540

black shirts which I've managed to never

321

00:17:33,620 --> 00:17:31,080

show on the air which we have been

322

00:17:34,880 --> 00:17:33,630

shipping when you get yours I want to

323

00:17:37,190 --> 00:17:34,890

see what they look like on everybody

324

00:17:39,950 --> 00:17:37,200

take pictures and send them over to us

325

00:17:42,799 --> 00:17:39,960

okay and plus we are doing a Hall of

326

00:17:44,380 --> 00:17:42,809

Fame here very soon at a Jimmy Church

327

00:17:48,200 --> 00:17:44,390

radio.com with all of your pictures

328

00:17:52,690 --> 00:17:48,210

there okay now let's get this show

329

00:17:59,250 --> 00:17:52,700

crackin today happy birthday to

330

00:18:03,210 --> 00:17:59,260

Morrissey Morrissey is fifty nine this

331

00:18:04,010 --> 00:18:03,220

myths Morrissey you know I this is the

332

00:18:08,280 --> 00:18:04,020

truth

333

00:18:11,700 --> 00:18:08,290

you've got your Eddie Van Halen or

334

00:18:13,320 --> 00:18:11,710

you've got pick up somebody modern you

335

00:18:16,350 --> 00:18:13,330

know you've got Michael Jackson you know

336

00:18:18,570 --> 00:18:16,360

you just whatever Bono you know it's

337

00:18:20,570 --> 00:18:18,580

Madonna

338

00:18:26,190 --> 00:18:20,580

you know just pick a name right

339

00:18:30,480 --> 00:18:26,200

Morrissey influenced just as many people

340

00:18:33,560 --> 00:18:30,490

out there as anybody else seriously

341

00:18:36,210 --> 00:18:33,570

fifty nine The Smiths uh oh man

342

00:18:43,500 --> 00:18:36,220

Morrissey today's fifty nine and this is

343

00:18:44,780 --> 00:18:43,510

for Rita Rita today Maggie Q is thirty

344

00:18:49,050 --> 00:18:44,790

nine

345

00:18:53,300 --> 00:18:49,060

alright I understand history OTD 1981

346

00:18:57,750 --> 00:18:53,310

police staking out a bridge over the

347

00:19:00,600 --> 00:18:57,760

Chattahoochee River near Atlanta heard a

348

00:19:04,050 --> 00:19:00,610

loud splash on this day and began

349

00:19:06,050 --> 00:19:04,060

chasing Wayne Williams as he attempts to

350

00:19:08,910 --> 00:19:06,060

drive away in a station wagon after

351
00:19:12,900 --> 00:19:08,920
questioning him about his involvement in

352
00:19:15,510 --> 00:19:12,910
the unprecedented string of 23 child

353
00:19:16,250 --> 00:19:15,520
murders in Atlanta over the previous two

354
00:19:21,810 --> 00:19:16,260
years

355
00:19:24,480 --> 00:19:21,820
Williams was released however he was

356
00:19:27,810 --> 00:19:24,490
arrested two days later when the body of

357
00:19:29,850 --> 00:19:27,820
named Daniel Carter was found in the

358
00:19:33,240 --> 00:19:29,860
river near the bridge where they heard

359
00:19:36,450 --> 00:19:33,250
the splash Williams was later convicted

360
00:19:40,320 --> 00:19:36,460
for two of the murders and 22 other

361
00:19:41,190 --> 00:19:40,330
cases were closed he was sentenced to

362
00:19:46,950 --> 00:19:41,200
life in prison

363
00:19:50,910 --> 00:19:46,960

happened on this day in 1981 Fader fact

364

00:19:56,760 --> 00:19:50,920

here we go fader fact the current

365

00:20:01,470 --> 00:19:56,770

library in Alexandria Egypt has a copy

366

00:20:03,690 --> 00:20:01,480

of all of the web pages on every web

367

00:20:12,330 --> 00:20:03,700

site on the Internet

368

00:20:18,070 --> 00:20:15,280

they got a copy of Jupiter's radio.com

369

00:20:21,970 --> 00:20:18,080

at the Library of Alexandria in Egypt

370

00:20:27,850 --> 00:20:21,980

now I gotta say that's pretty dang cool

371

00:20:30,070 --> 00:20:27,860

alright ah tonight very special guest

372

00:20:31,570 --> 00:20:30,080

Linda mole now she's gonna be with us at

373

00:20:33,430 --> 00:20:31,580

the bottom of the hour I can't believe I

374

00:20:35,200 --> 00:20:33,440

just smacked my lips and I smacked my

375

00:20:40,360 --> 00:20:35,210

lips because I'm drinking River moon

376

00:20:45,820 --> 00:20:40,370

coffee goodness that's good coffee

377

00:20:48,760 --> 00:20:45,830

so talking about Gina Gina Zeffirelli

378

00:20:53,230 --> 00:20:48,770

earlier and I was sitting here thinking

379

00:20:55,510 --> 00:20:53,240

today about rock-and-roll stories and

380

00:20:59,919 --> 00:20:55,520

everybody wants me to tell another

381

00:21:01,539 --> 00:20:59,929

rock-and-roll story and now and so I was

382

00:21:03,220 --> 00:21:01,549

thinking today I was going wow yeah I

383

00:21:05,970 --> 00:21:03,230

can't really do that one on the air

384

00:21:09,039 --> 00:21:05,980

can't do that one either

385

00:21:10,510 --> 00:21:09,049

that wouldn't you do on private but and

386

00:21:14,789 --> 00:21:10,520

I was thinking some of the cool moments

387

00:21:17,289 --> 00:21:14,799

right and I have I have a story here

388

00:21:20,770 --> 00:21:17,299

this might be the most rock and roll

389

00:21:24,060 --> 00:21:20,780

story I've got well it's not the most

390

00:21:25,960 --> 00:21:24,070

but it's definitely rock and roll and

391

00:21:30,610 --> 00:21:25,970

and it goes like this

392

00:21:34,090 --> 00:21:30,620

and and some I swear to you every word

393

00:21:38,140 --> 00:21:34,100

of what I'm about to say is true all

394

00:21:40,840 --> 00:21:38,150

right there's a guitar player here in

395

00:21:46,990 --> 00:21:40,850

Los Angeles his name is Michael Landau

396

00:21:51,280 --> 00:21:47,000

and Michael Landau is a studio cat that

397

00:21:54,520 --> 00:21:51,290

has played recorded for everybody but ba

398

00:21:57,070 --> 00:21:54,530

Skaggs Joni Mitchell's seal Michael

399

00:22:01,270 --> 00:21:57,080

Jackson James Taylor Richard mark Steve

400

00:22:06,130 --> 00:22:01,280

Perry Pink Floyd Roger Daltrey Glenn

401
00:22:10,419 --> 00:22:06,140
Frey Miles Davis right okay he's that

402
00:22:12,039 --> 00:22:10,429
great an amazing guitar player and he's

403
00:22:14,770 --> 00:22:12,049
played for another hundred bands that

404
00:22:16,930 --> 00:22:14,780
he's forgotten about and he is the

405
00:22:19,510 --> 00:22:16,940
guitar players guitar player and he's

406
00:22:21,580 --> 00:22:19,520
got a style it's very hard to explain

407
00:22:23,770 --> 00:22:21,590
boo but when he's playing the michael

408
00:22:29,370 --> 00:22:23,780
landau style

409
00:22:34,810 --> 00:22:29,380
it's like a combination of Frank Zappa

410
00:22:35,770 --> 00:22:34,820
meets you got to go crazy you got to go

411
00:22:42,160 --> 00:22:35,780
crazy talk

412
00:22:45,430 --> 00:22:42,170
meets Beetlejuice crazy style an amazing

413
00:22:47,560 --> 00:22:45,440

player not of this world

414

00:22:49,720 --> 00:22:47,570

great and he's the kind of guy that

415

00:22:51,220 --> 00:22:49,730

Steve Vai goes okay well you know yeah

416

00:22:53,920 --> 00:22:51,230

you know I play pretty good man but

417

00:22:57,310 --> 00:22:53,930

Michael and ow is a real guitar player

418

00:23:02,920 --> 00:22:57,320

Michael and Al's like that okay

419

00:23:06,160 --> 00:23:02,930

and so he's he he has a band the these

420

00:23:07,750 --> 00:23:06,170

to play a lot a little power trio here

421

00:23:11,950 --> 00:23:07,760

in Los Angeles called the raging

422

00:23:16,770 --> 00:23:11,960

hongki's and they recalled the raging

423

00:23:19,870 --> 00:23:16,780

hongki's and his drummer was is Abe

424

00:23:22,090 --> 00:23:19,880

laborious jr. and a blob or Al jr.

425

00:23:23,590 --> 00:23:22,100

you've seen play in so many different

426

00:23:25,780 --> 00:23:23,600

bands but right now he's playing with

427

00:23:28,360 --> 00:23:25,790

Paul McCartney's Sofia and he's been

428

00:23:32,110 --> 00:23:28,370

playing with Paul for a while but Abe is

429

00:23:33,700 --> 00:23:32,120

a big dude man he's a big guy and it's

430

00:23:35,740 --> 00:23:33,710

just one of the Maisie plays his

431

00:23:38,710 --> 00:23:35,750

drumsticks are like tree trunks plates

432

00:23:41,710 --> 00:23:38,720

with baseball bats and so forth anyway

433

00:23:48,400 --> 00:23:41,720

ain't a blue boreal dude a great power

434

00:23:50,230 --> 00:23:48,410

trio and so Michael calls me up and now

435

00:23:53,590 --> 00:23:50,240

we weren't best friends or anything like

436

00:23:56,350 --> 00:23:53,600

that we just became close friends for a

437

00:23:58,270 --> 00:23:56,360

couple of years and he you know we you

438

00:24:00,070 --> 00:23:58,280

know so anyway I came home wind it by

439

00:24:02,530 --> 00:24:00,080

phones rings dude men I'm playing the

440

00:24:04,510 --> 00:24:02,540

coconut teaser tonight put you on the

441

00:24:09,400 --> 00:24:04,520

list I said okay I'll be there all right

442

00:24:12,490 --> 00:24:09,410

so I pack up go to Hollywood and for the

443

00:24:17,080 --> 00:24:12,500

coconut teaser and the raging hongki's

444

00:24:19,990 --> 00:24:17,090

I'm gonna say there was probably 50

445

00:24:22,120 --> 00:24:20,000

people there now for the teaser for the

446

00:24:24,660 --> 00:24:22,130

room you know it's you know half-full

447

00:24:29,070 --> 00:24:24,670

right probably holds a hundred max down

448

00:24:32,440 --> 00:24:29,080

but anyway so I'm there and I'm standing

449

00:24:34,870 --> 00:24:32,450

uh-oh oh no let me back up so out on the

450

00:24:36,910 --> 00:24:34,880

patio before the show which is next to

451
00:24:37,180 --> 00:24:36,920
the stage there's a stage door that goes

452
00:24:39,190 --> 00:24:37,190
from

453
00:24:41,139 --> 00:24:39,200
patio you walk straight out on the stage

454
00:24:43,899 --> 00:24:41,149
and I'm out there you know hanging out

455
00:24:46,779 --> 00:24:43,909
with the guys and yeah you know drinks

456
00:24:50,109 --> 00:24:46,789
whatever and then so we go from there we

457
00:24:54,729 --> 00:24:50,119
go on boom they're playing and during

458
00:24:57,669 --> 00:24:54,739
the second song maybe the third song and

459
00:25:01,299 --> 00:24:57,679
I'm standing right in front of Michael

460
00:25:03,159 --> 00:25:01,309
with my arms crossed it uh just checking

461
00:25:06,669 --> 00:25:03,169
him out and he's two feet in front of me

462
00:25:10,769 --> 00:25:06,679
and he's just slaying I mean and he's

463
00:25:15,219 --> 00:25:10,779

doing this melodic long guitar solo and

464

00:25:18,779 --> 00:25:15,229

and but he's only like a quarter of the

465

00:25:22,509 --> 00:25:18,789

way through it and this is what happens

466

00:25:26,669 --> 00:25:22,519

he takes his guitar and he grabs the

467

00:25:29,589 --> 00:25:26,679

vibrato bar he's raging out on it

468

00:25:30,789 --> 00:25:29,599

holding the guitar up and it's right you

469

00:25:35,129 --> 00:25:30,799

know I could reach out and touch the

470

00:25:38,889 --> 00:25:35,139

guitar and he breaks a guitar string

471

00:25:45,219 --> 00:25:38,899

right he looks at his guitar

472

00:25:51,399 --> 00:25:45,229

and he looks at me in my eyeballs takes

473

00:25:56,739 --> 00:25:51,409

his guitar turns around and Pierce's his

474

00:26:01,810 --> 00:25:56,749

guitar amp he just get a head of the

475

00:26:05,349 --> 00:26:01,820

guitar into the guitar amp I was like

476

00:26:09,549 --> 00:26:05,359

what pulls it out Frank Frank ran

477

00:26:12,759 --> 00:26:09,559

Marshall 412 guitar Cabot's loses his

478

00:26:18,419 --> 00:26:12,769

mind and then he turns to me looks at

479

00:26:22,810 --> 00:26:18,429

the guitar and he turns to me it says

480

00:26:27,310 --> 00:26:22,820

put a new string on it and he hands me

481

00:26:30,999 --> 00:26:27,320

the guitar and I take it and I go over

482

00:26:33,879 --> 00:26:31,009

to the side of the stage he he had a

483

00:26:37,719 --> 00:26:33,889

backup guitar that apparently wasn't

484

00:26:40,989 --> 00:26:37,729

ready to play or whatever so he goes up

485

00:26:43,330 --> 00:26:40,999

and he's talking to the crowd and does

486

00:26:44,859 --> 00:26:43,340

this monologue and I run over and I'm

487

00:26:49,450 --> 00:26:44,869

going through his guitar case

488

00:26:51,039 --> 00:26:49,460

and this is no joke and and I got like a

489

00:26:54,369 --> 00:26:51,049

cigarette lighter on my

490

00:26:57,460 --> 00:26:54,379

friend Rob Cazares was with me I I find

491

00:27:00,940 --> 00:26:57,470

a pack of strings I thought I'd spring

492

00:27:02,859 --> 00:27:00,950

up the guitar I tuned it I cranked it

493

00:27:08,109 --> 00:27:02,869

out took me like five minutes and he's

494

00:27:10,690 --> 00:27:08,119

out there monologuing with the audience

495

00:27:13,779 --> 00:27:10,700

about the waitresses and drinks and life

496

00:27:17,379 --> 00:27:13,789

and whatever and I go back I hand him

497

00:27:21,190 --> 00:27:17,389

the guitar he plugs in the guitar turns

498

00:27:26,700 --> 00:27:21,200

it up like hits a chord it's in tune and

499

00:27:39,129 --> 00:27:33,519

that note and and and finishes the song

500

00:27:43,690 --> 00:27:39,139

actually he finishes the set and after

501
00:27:46,779 --> 00:27:43,700
that we walk out ok so then this is the

502
00:27:49,989 --> 00:27:46,789
funny part no no that was the funny part

503
00:27:53,430 --> 00:27:49,999
of the story extends so I go up on stage

504
00:27:56,830 --> 00:27:53,440
and I go up to Abe labora and it goes

505
00:27:59,440 --> 00:27:56,840
because he meant that was amazing we

506
00:28:03,220 --> 00:27:59,450
were laughing about it and Michael was

507
00:28:05,619 --> 00:28:03,230
pretty cool and I'm helping Abe you know

508
00:28:07,810 --> 00:28:05,629
we get all the gear out and I'm like a

509
00:28:11,019 --> 00:28:07,820
roadie all of a sudden and we get

510
00:28:13,629 --> 00:28:11,029
everything out and I'm and I'm talking

511
00:28:19,479 --> 00:28:13,639
to Michael off of the side of the stage

512
00:28:23,970 --> 00:28:19,489
and he acted like nothing happened and I

513
00:28:29,340 --> 00:28:23,980

didn't I didn't I didn't bring it up and

514

00:28:35,349 --> 00:28:29,350

my my whole point to all of this is that

515

00:28:37,359 --> 00:28:35,359

you have moments for me that was that

516

00:28:41,200 --> 00:28:37,369

was where you can die and go to heaven

517

00:28:44,289 --> 00:28:41,210

story and it was one of the coolest

518

00:28:49,090 --> 00:28:44,299

things that I could you know share with

519

00:28:51,430 --> 00:28:49,100

you but for Michael it was never talked

520

00:28:53,229 --> 00:28:51,440

about and and

521

00:28:55,330 --> 00:28:53,239

and Here I am sharing this story with

522

00:28:58,359 --> 00:28:55,340

you today he's so many years later I

523

00:29:00,759 --> 00:28:58,369

don't even know if he remembers it but

524

00:29:04,690 --> 00:29:00,769

it was one of those cool things now back

525

00:29:07,300 --> 00:29:04,700

to why this story is so important guitar

526
00:29:08,590 --> 00:29:07,310
players in Los Angeles and this is like

527
00:29:11,730 --> 00:29:08,600
this all around the world but it is

528
00:29:15,910 --> 00:29:11,740
really bad in Los Angeles and especially

529
00:29:19,690 --> 00:29:15,920
in the 80s and 90s when this happened

530
00:29:25,260 --> 00:29:19,700
with Michael in the 90s guitar players

531
00:29:30,250 --> 00:29:25,270
are everywhere really good ones are

532
00:29:36,430 --> 00:29:30,260
everywhere and so guitar players don't

533
00:29:39,970 --> 00:29:36,440
really hang out right don't really hang

534
00:29:43,930 --> 00:29:39,980
out not two guitar players it just

535
00:29:46,150 --> 00:29:43,940
doesn't happen and we go to a club and

536
00:29:49,600 --> 00:29:46,160
you go to see somebody like Michael

537
00:29:53,050 --> 00:29:49,610
Landau or whatever you you as a guitar

538
00:29:55,300 --> 00:29:53,060

player you stand on the back wall you

539

00:29:56,710 --> 00:29:55,310

know with your arms crossed and you're

540

00:29:58,570 --> 00:29:56,720

just like looking at the dude and you're

541

00:29:58,840 --> 00:29:58,580

stealing licks and you're doing all of

542

00:30:02,890 --> 00:29:58,850

that

543

00:30:06,700 --> 00:30:02,900

but if dude breaks his string and he

544

00:30:09,760 --> 00:30:06,710

needs your help the last string in the

545

00:30:12,100 --> 00:30:09,770

last thing Jordan just says which stream

546

00:30:17,020 --> 00:30:12,110

was the last thing you're gonna do was

547

00:30:23,470 --> 00:30:17,030

go and offer assistance you want him to

548

00:30:26,800 --> 00:30:23,480

break a string you just do and and there

549

00:30:30,580 --> 00:30:26,810

you go and I I was there the moment was

550

00:30:36,040 --> 00:30:30,590

right and it was it was a classic moment

551
00:30:38,440 --> 00:30:36,050
so if you ever get a chance go and seek

552
00:30:39,360 --> 00:30:38,450
out Michael Landau any of his stuff by

553
00:30:43,120 --> 00:30:39,370
the way

554
00:30:45,790 --> 00:30:43,130
online and listen to some of his songs

555
00:30:50,350 --> 00:30:45,800
and look at some of the artists that he

556
00:30:53,050 --> 00:30:50,360
has played with chances are one of your

557
00:30:56,770 --> 00:30:53,060
favorite songs I'm not exaggerating at

558
00:30:59,020 --> 00:30:56,780
all chances are you've heard him play

559
00:31:01,210 --> 00:30:59,030
quite a few times and he just didn't

560
00:31:02,890 --> 00:31:01,220
know it he is he's one of those guys and

561
00:31:05,080 --> 00:31:02,900
he is just an amazing guitar player in

562
00:31:07,750 --> 00:31:05,090
his cool moment and I just wanted to

563
00:31:11,800 --> 00:31:07,760

share a rock and roll story with you

564

00:31:15,910 --> 00:31:11,810

tonight as opposed to being you know the

565

00:31:17,260 --> 00:31:15,920

sad guy because I'm not alright so there

566

00:31:18,310 --> 00:31:17,270

you go let's get out of here let's get

567

00:31:19,210 --> 00:31:18,320

Linda in

568

00:31:21,910 --> 00:31:19,220

it's going to be a great conversation

569

00:31:24,340 --> 00:31:21,920

tonight Linda Moulton Howe tomorrow

570

00:31:27,160 --> 00:31:24,350

night George Noory is going to be here

571

00:31:27,610 --> 00:31:27,170

Victoria Guevara is gonna be here too as

572

00:31:30,250 --> 00:31:27,620

well

573

00:31:31,630 --> 00:31:30,260

bunch of surprise guests it's going to

574

00:31:32,980 --> 00:31:31,640

be a great night tomorrow night Thursday

575

00:31:35,020 --> 00:31:32,990

night's fate or night with Jon Rappoport

576

00:31:37,840 --> 00:31:35,030

in is no more fake newsroom live

577

00:31:39,280 --> 00:31:37,850

this is fade to black I'm yours to be

578

00:31:44,770 --> 00:31:39,290

Church follow me on Twitter edge a

579

00:31:45,890 --> 00:31:44,780

church radio rest in peace Gina's a

580

00:32:16,920 --> 00:31:45,900

pirelli I'll be right back

581

00:32:23,310 --> 00:32:19,960

you're listening to Jimmy Church fade to

582

00:32:29,800 --> 00:32:26,290

fade to black will now pause for aided

583

00:32:37,540 --> 00:32:29,810

identification the station that talks

584

00:32:40,210 --> 00:32:37,550

that kgr a radio when you take the beans

585

00:32:42,760 --> 00:32:40,220

from Central America with dashes of

586

00:32:45,160 --> 00:32:42,770

indonesian and african mixed in and then

587

00:32:45,820 --> 00:32:45,170

roast it to the dark side of fade to

588

00:32:49,080 --> 00:32:45,830

black

589

00:32:52,060 --> 00:32:49,090

you create the ultimate brew of Fringe

590

00:32:55,270 --> 00:32:52,070

introducing the fade to black blend from

591

00:32:58,360 --> 00:32:55,280

River moon coffee yes River moons

592

00:32:59,170 --> 00:32:58,370

darkest customized roast was created for

593

00:33:02,830 --> 00:32:59,180

the love of

594

00:33:05,350 --> 00:33:02,840

fade to black the alchemy of masterful

595

00:33:08,590 --> 00:33:05,360

roasting and smoking the beans is in

596

00:33:12,790 --> 00:33:08,600

every sip of this full-bodied dark Java

597

00:33:15,100 --> 00:33:12,800

I need my coffee dog deep with distinct

598

00:33:17,830 --> 00:33:15,110

bittersweet chocolate highlights just

599

00:33:20,260 --> 00:33:17,840

like the bunker leaning further into the

600

00:33:23,530 --> 00:33:20,270

darkness of the roast is fade to black

601
00:33:25,210 --> 00:33:23,540
blend from river moon coffee just click

602
00:33:28,510 --> 00:33:25,220
on the banner at Jimmy Church radio.com

603
00:33:33,540 --> 00:33:28,520
and use the promo code F to B blend for

604
00:33:36,130 --> 00:33:33,550
15% off of your order today gobekli tepe

605
00:33:38,440 --> 00:33:36,140
what can I say about the most popular

606
00:33:40,840 --> 00:33:38,450
tea on the Internet and what a customers

607
00:33:45,040 --> 00:33:40,850
say about life change teat and get the

608
00:33:48,070 --> 00:33:45,050
tea calm a lot but by federal law we get

609
00:33:50,230 --> 00:33:48,080
the t.com cannot make claims to how this

610
00:33:52,240 --> 00:33:50,240
product can enhance your health we

611
00:33:54,970 --> 00:33:52,250
cannot even post our testimonies without

612
00:33:57,460 --> 00:33:54,980
being in compliance so how do we get

613
00:33:59,860 --> 00:33:57,470

past the hump try our products that get

614

00:34:03,220 --> 00:33:59,870

the tea calm and see for yourself

615

00:34:05,010 --> 00:34:03,230

you can send us a testimony but we just

616

00:34:08,980 --> 00:34:05,020

can't post it bummer

617

00:34:10,659 --> 00:34:08,990

our products are GMO free and organic we

618

00:34:13,030 --> 00:34:10,669

pride ourself in being the best we can

619

00:34:15,760 --> 00:34:13,040

be and we urge you to take charge of

620

00:34:17,830 --> 00:34:15,770

your health we're loving you're strong

621

00:34:19,900 --> 00:34:17,840

and many of our customers have shared

622

00:34:22,900 --> 00:34:19,910

their successes with friends and family

623

00:34:28,460 --> 00:34:22,910

protect your colon logon to get the tea

624

00:34:31,849 --> 00:34:28,470

calm let's get the t.com get the tea

625

00:34:37,430 --> 00:34:31,859

get t-dot-com

626
00:34:38,720 --> 00:34:37,440
nine out of ten geneticists agreed fade

627
00:34:44,029 --> 00:34:38,730
to black

628
00:34:45,139 --> 00:34:44,039
is not your father's radio show on the

629
00:34:52,430 --> 00:34:45,149
GameChanger

630
00:34:55,009 --> 00:34:52,440
Radio Network and kgr a the planet with

631
00:34:56,359 --> 00:34:55,019
KCRA this summer tickets and hotel

632
00:34:58,549 --> 00:34:56,369
accommodations to the biggest

633
00:35:00,739 --> 00:34:58,559
conferences autographed books and DVDs

634
00:35:02,779 --> 00:35:00,749
chances to win all-inclusive conference

635
00:35:06,140 --> 00:35:02,789
cruises and private dinners with your

636
00:35:08,779 --> 00:35:06,150
favorite kgr a hosts click the contest

637
00:35:10,910 --> 00:35:08,789
to have at kgr a radio calm for your

638
00:35:13,069 --> 00:35:10,920

chance to win big this summer your

639

00:35:18,590 --> 00:35:13,079

contact for the best alternative talk

640

00:35:23,150 --> 00:35:20,320

[Music]

641

00:35:24,710 --> 00:35:23,160

hi this is Rob Reiner from anvil and

642

00:35:29,840 --> 00:35:24,720

you're listening to Jimmy Church

643

00:35:31,160 --> 00:35:29,850

radio.com Chris what up in that comments

644

00:35:47,710 --> 00:35:31,170

and we're listening the Shamy church

645

00:35:52,359 --> 00:35:49,490

all right welcome back

646

00:35:57,140 --> 00:35:52,369

fade to black coming Osumi Church a

647

00:36:00,910 --> 00:35:57,150

spoke radio right here on the

648

00:36:03,320 --> 00:36:00,920

game-changer network in KCRA the planets

649

00:36:05,660 --> 00:36:03,330

tomorrow night's I want to remind

650

00:36:08,300 --> 00:36:05,670

everybody tomorrow night George Noory is

651
00:36:10,730 --> 00:36:08,310
going to be here of Victoria Guevara ham

652
00:36:12,320 --> 00:36:10,740
is gonna be here and we've got a bunch

653
00:36:15,050 --> 00:36:12,330
of surprise special guests tomorrow

654
00:36:16,340 --> 00:36:15,060
night would have liked to have Linda on

655
00:36:19,220 --> 00:36:16,350
tomorrow night but then I couldn't have

656
00:36:23,480 --> 00:36:19,230
had Linda on tonight with me so my

657
00:36:26,510 --> 00:36:23,490
selfish ways I was like nah I want I

658
00:36:28,760 --> 00:36:26,520
want I want the full Linda tonight he

659
00:36:30,740 --> 00:36:28,770
run fade to black with all of you Linda

660
00:36:32,210 --> 00:36:30,750
Moulton Howe is here she's a graduate of

661
00:36:34,580 --> 00:36:32,220
Stanford University with a master's

662
00:36:36,770 --> 00:36:34,590
degree in communication she has devoted

663
00:36:39,050 --> 00:36:36,780

her documentary film television radio

664

00:36:41,390 --> 00:36:39,060

writing and reporting career to

665

00:36:43,490 --> 00:36:41,400

productions concerning science medicine

666

00:36:46,160 --> 00:36:43,500

in the environment miss Howe has

667

00:36:48,890 --> 00:36:46,170

received three regional Emmys a National

668

00:36:51,530 --> 00:36:48,900

Emmy nomination and a station Peabody

669

00:36:53,990 --> 00:36:51,540

Award among others linda has earthfiles

670

00:36:55,670 --> 00:36:54,000

calm of chorus but she also has her own

671

00:36:58,940 --> 00:36:55,680

radio program of john burroughs

672

00:37:01,700 --> 00:36:58,950

over on k gra she's on coast to coast am

673

00:37:03,950 --> 00:37:01,710

ancient aliens since its first season

674

00:37:06,320 --> 00:37:03,960

and she has a new series on gaia called

675

00:37:06,740 --> 00:37:06,330

truth hunters and this is my favorite

676

00:37:09,980 --> 00:37:06,750

part

677

00:37:12,320 --> 00:37:09,990

she has traveled to Venezuela Peru

678

00:37:14,660 --> 00:37:12,330

Brazil England Norway France Switzerland

679

00:37:17,090 --> 00:37:14,670

the Netherlands Yugoslavia Turkey

680

00:37:20,570 --> 00:37:17,100

Ethiopia Kenya Egypt Australia Japan

681

00:37:22,970 --> 00:37:20,580

Canada Mexico the Yucatan and Puerto

682

00:37:26,660 --> 00:37:22,980

Rico in addition to all of her research

683

00:37:29,599 --> 00:37:26,670

on Earth files Linda now has and tonight

684

00:37:32,390 --> 00:37:29,609

we're doing it all she has spoken all

685

00:37:34,340 --> 00:37:32,400

around the world and tonight we are

686

00:37:37,370 --> 00:37:34,350

going to cover so many different

687

00:37:39,710 --> 00:37:37,380

subjects that for her as a journalist

688

00:37:41,840 --> 00:37:39,720

are important to her and her pursuit of

689

00:37:43,760 --> 00:37:41,850

them so we're gonna do everything that

690

00:37:45,320 --> 00:37:43,770

we can tonight and we're gonna try to

691

00:37:47,750 --> 00:37:45,330

squeeze it all in we're gonna do our

692

00:37:53,920 --> 00:37:47,760

best because it's Linda Moulton Howes

693

00:37:57,290 --> 00:37:53,930

good evening thank you very very much I

694

00:37:59,609 --> 00:37:57,300

have had an astonishing life and it

695

00:38:02,370 --> 00:37:59,619

continues to be even more

696

00:38:05,880 --> 00:38:02,380

donning I don't believe that I have ever

697

00:38:08,940 --> 00:38:05,890

had so many interactions with people

698

00:38:11,069 --> 00:38:08,950

around the world on questions that have

699

00:38:15,690 --> 00:38:11,079

to do with are we alone in the universe

700

00:38:18,450 --> 00:38:15,700

and a kind of an astronomical mystery

701

00:38:21,959 --> 00:38:18,460

that persists that is going to be my

702

00:38:25,920 --> 00:38:21,969

opening lecture at the upcoming contact

703

00:38:29,700 --> 00:38:25,930

in Indian Wells what about these fast

704

00:38:32,370 --> 00:38:29,710

radio bursts that some people in the

705

00:38:35,969 --> 00:38:32,380

science community say it maybe it's a

706

00:38:38,729 --> 00:38:35,979

neutron are dancing with a coal and

707

00:38:41,309 --> 00:38:38,739

others including an interview that I

708

00:38:44,430 --> 00:38:41,319

have done recently with a head of the

709

00:38:47,489 --> 00:38:44,440

astronomy department at Harvard they are

710

00:38:51,359 --> 00:38:47,499

seriously Jimmy contemplating the

711

00:38:55,709 --> 00:38:51,369

possibility that fast radio bursts that

712

00:39:00,569 --> 00:38:55,719

no one heard until 2007 so this is a

713

00:39:03,779 --> 00:39:00,579

mystery unfolding from 2007 to 2008 een

714

00:39:07,709 --> 00:39:03,789

and ongoing nobody had seen or heard

715

00:39:10,890 --> 00:39:07,719

them but now what I'm going to say is an

716

00:39:14,549 --> 00:39:10,900

astounding statement and it will explain

717

00:39:16,709 --> 00:39:14,559

partly why I've had the life I've led

718

00:39:19,859 --> 00:39:16,719

because when I hear a sentence like what

719

00:39:23,219 --> 00:39:19,869

I'm going to say right I want to the

720

00:39:25,920 --> 00:39:23,229

bottom of it I want to know exactly what

721

00:39:30,900 --> 00:39:25,930

the truth is that's why I am a truth

722

00:39:35,809 --> 00:39:30,910

hunter and here it is these bursts each

723

00:39:39,539 --> 00:39:35,819

one that lasts only about 5 to 6

724

00:39:46,019 --> 00:39:39,549

milliseconds each way less than a second

725

00:39:51,839 --> 00:39:46,029

the energy is equivalent to 500 million

726

00:39:53,430 --> 00:39:51,849

times the power of our Sun what does

727

00:39:55,589 --> 00:39:53,440

that tell you yeah what is that

728

00:39:57,660 --> 00:39:55,599

what does that say to you million yes

729

00:40:02,459 --> 00:39:57,670

half a billion of our Sun what does that

730

00:40:06,829 --> 00:40:02,469

say well in the first in the two

731

00:40:09,029 --> 00:40:06,839

thousand back in 2007 their question was

732

00:40:10,640 --> 00:40:09,039

are we dealing with something

733

00:40:13,370 --> 00:40:10,650

astronomical

734

00:40:16,700 --> 00:40:13,380

and nobody could come up with what could

735

00:40:21,380 --> 00:40:16,710

produce that kind of energy in less than

736

00:40:24,140 --> 00:40:21,390

half a second and it's now known that

737

00:40:26,299 --> 00:40:24,150

it's one to three billion light years I

738

00:40:28,910 --> 00:40:26,309

think they're getting a consensus that

739

00:40:33,910 --> 00:40:28,920

it might be more three billion than one

740

00:40:36,859 --> 00:40:33,920

but it's a long long way away and when

741

00:40:40,130 --> 00:40:36,869

when I started following this and

742

00:40:43,730 --> 00:40:40,140

reading everything that I could about it

743

00:40:47,269 --> 00:40:43,740

and thinking back if you go back to

744

00:40:52,009 --> 00:40:47,279

right after the first headlines in

745

00:40:55,700 --> 00:40:52,019

science about the 2007 news in January

746

00:40:59,499 --> 00:40:55,710

of 2008 even channel through KTVU in San

747

00:41:00,680 --> 00:40:59,509

Francisco picked up on this and they did

748

00:41:02,900 --> 00:41:00,690

aborted

749

00:41:06,799 --> 00:41:02,910

they did they broke open in their news

750

00:41:09,049 --> 00:41:06,809

room and they said a mystery signal had

751

00:41:10,370 --> 00:41:09,059

been recorded by an Australian radio

752

00:41:11,960 --> 00:41:10,380

telescope would you

753

00:41:15,529 --> 00:41:11,970

they are the scientists that have been

754

00:41:18,259 --> 00:41:15,539

seeing this and recording it and here is

755

00:41:20,829 --> 00:41:18,269

such an interesting quote from where it

756

00:41:25,130 --> 00:41:20,839

started why it was a mystery why news

757

00:41:27,140 --> 00:41:25,140

great mainstream news cut mm-hmm cut

758

00:41:29,569 --> 00:41:27,150

their attention with this and they said

759

00:41:31,819 --> 00:41:29,579

quote across the globe

760

00:41:34,640 --> 00:41:31,829

researchers searching for signs of life

761

00:41:36,799 --> 00:41:34,650

in space were abuzz this week with word

762

00:41:39,769 --> 00:41:36,809

that a mystery signal has been picked up

763

00:41:44,329 --> 00:41:39,779

by a giant radio telescope and now the

764

00:41:46,249 --> 00:41:44,339

dilemma is how do you answer it and then

765

00:41:49,640 --> 00:41:46,259

there was the scientists at UC Berkeley

766

00:41:52,700 --> 00:41:49,650

and he said that dilemma is compounded

767

00:41:55,729 --> 00:41:52,710

by the fact that the signal may never be

768

00:41:57,289 --> 00:41:55,739

completely decoded and back then that's

769

00:42:00,229 --> 00:41:57,299

what they were thinking that this is

770

00:42:02,450 --> 00:42:00,239

some kind of communication and he said

771

00:42:04,819 --> 00:42:02,460

we probably won't be able to decode it

772

00:42:07,970 --> 00:42:04,829

will know something is out there but we

773

00:42:09,170 --> 00:42:07,980

won't know much about their civilization

774

00:42:11,779 --> 00:42:09,180

close quote

775

00:42:14,329 --> 00:42:11,789

that's how all of this began this is an

776

00:42:16,789 --> 00:42:14,339

intelligent signal this is coming from

777

00:42:19,309 --> 00:42:16,799

far away it is equivalent to half a

778

00:42:23,890 --> 00:42:19,319

billion of our Suns it probably is

779

00:42:30,339 --> 00:42:23,900

another civilization okay now jump

780

00:42:33,250 --> 00:42:30,349

all the way to January of 2017 and there

781

00:42:36,279 --> 00:42:33,260

was more news repeating fast radio

782

00:42:38,829 --> 00:42:36,289

bursts and they had it closer to the

783

00:42:42,130 --> 00:42:38,839

distance 2.5 billion light-years from

784

00:42:45,069 --> 00:42:42,140

Earth and the question that was being

785

00:42:50,230 --> 00:42:45,079

raised this is just a year ago is this

786

00:42:53,529 --> 00:42:50,240

alien intelligence so I called up the

787

00:42:56,950 --> 00:42:53,539

one person that I thought might be

788

00:43:01,450 --> 00:42:56,960

willing to talk about this because he is

789

00:43:05,710 --> 00:43:01,460

also on the board of project starshot

790

00:43:09,450 --> 00:43:05,720

which is hopefully in another literally

791

00:43:12,730 --> 00:43:09,460

two three years we may send off

792

00:43:16,900 --> 00:43:12,740

artificial intelligence toward Alpha

793

00:43:19,420 --> 00:43:16,910

Centauri and if we do it's going to be

794

00:43:21,130 --> 00:43:19,430

another breakthrough with technology

795

00:43:24,910 --> 00:43:21,140

trying to reach out into the start

796

00:43:29,079 --> 00:43:24,920

looking for other life and this man is

797

00:43:31,870 --> 00:43:29,089

avi Loeb he's PhD he's chair of the

798

00:43:35,490 --> 00:43:31,880

astronomy department at Harvard and he

799

00:43:40,660 --> 00:43:35,500

is a delight to talk with and when I

800

00:43:41,789 --> 00:43:40,670

asked him for his opinion about what

801
00:43:46,599 --> 00:43:41,799
this could be

802
00:43:49,359 --> 00:43:46,609
he already had put together a paper that

803
00:43:53,680 --> 00:43:49,369
he sent me and we ended up discussing

804
00:43:58,029 --> 00:43:53,690
the paper his proposal his hypothesis a

805
00:44:03,839 --> 00:43:58,039
year ago is that these huge vast radio

806
00:44:08,819 --> 00:44:03,849
earth could be the first evidence of

807
00:44:12,609 --> 00:44:08,829
light speed transport by other

808
00:44:17,200 --> 00:44:12,619
intelligences that is in a paper that he

809
00:44:20,829 --> 00:44:17,210
presented and was published now that was

810
00:44:23,349 --> 00:44:20,839
just a year ago in the last three or

811
00:44:27,160 --> 00:44:23,359
four months other scientist has come

812
00:44:29,579 --> 00:44:27,170
forward and said no we don't think that

813
00:44:31,900 --> 00:44:29,589

we're dealing with light speed

814

00:44:34,299 --> 00:44:31,910

transportation no we don't think for

815

00:44:36,730 --> 00:44:34,309

dealing with the civilization we think

816

00:44:37,270 --> 00:44:36,740

we're dealing with some weird black hole

817

00:44:41,290 --> 00:44:37,280

new

818

00:44:45,610 --> 00:44:41,300

c'mon star combination but after that

819

00:44:48,580 --> 00:44:45,620

came out there was more more papers more

820

00:44:51,190 --> 00:44:48,590

scientists coming and saying all of the

821

00:44:55,180 --> 00:44:51,200

reasons why this needs to be studied as

822

00:44:58,570 --> 00:44:55,190

a possibility like avi loges proposal

823

00:45:01,120 --> 00:44:58,580

that it's the first evidence of light

824

00:45:04,470 --> 00:45:01,130

speed transportation one two three

825

00:45:07,150 --> 00:45:04,480

billion light years from the earth and I

826

00:45:10,630 --> 00:45:07,160

think that this is some of the most

827

00:45:15,090 --> 00:45:10,640

exciting material that is on our planet

828

00:45:20,110 --> 00:45:15,100

today to contemplate because in light of

829

00:45:23,260 --> 00:45:20,120

the wars in spite of the tribal violence

830

00:45:25,810 --> 00:45:23,270

in spite of feeling that everybody has

831

00:45:29,940 --> 00:45:25,820

that it's a revolutionary time and

832

00:45:35,110 --> 00:45:29,950

people are nervous about it the idea

833

00:45:39,370 --> 00:45:35,120

that we are maybe in Elon Musk if he has

834

00:45:44,320 --> 00:45:39,380

his way we will be launching to Mars in

835

00:45:48,250 --> 00:45:44,330

2020 know beyond that ship doctor Loeb

836

00:45:53,020 --> 00:45:48,260

at Harvard he in the project starshot

837

00:45:57,250 --> 00:45:53,030

they want to take big lasers and get

838

00:46:00,610 --> 00:45:57,260

them aimed right at what they're calling

839

00:46:04,870 --> 00:46:00,620

a wave wafer WAF var wafer spaceship

840

00:46:07,770 --> 00:46:04,880

meaning small as he was explaining to me

841

00:46:11,230 --> 00:46:07,780

this he said think of your iPhone

842

00:46:14,800 --> 00:46:11,240

anybody's iPhone think of how much it

843

00:46:18,160 --> 00:46:14,810

can do what it can do and he said we

844

00:46:21,460 --> 00:46:18,170

just take that same kind of condensed

845

00:46:25,390 --> 00:46:21,470

and very advanced computer ability and

846

00:46:28,270 --> 00:46:25,400

we put a big intense laser or lasers

847

00:46:30,730 --> 00:46:28,280

aimed with photons on a shield that

848

00:46:33,790 --> 00:46:30,740

protects the computer and the artificial

849

00:46:36,550 --> 00:46:33,800

intelligence but we start moving it out

850

00:46:39,190 --> 00:46:36,560

and he said we may get to twenty-five to

851
00:46:42,190 --> 00:46:39,200
thirty percent the speed of light on our

852
00:46:46,180 --> 00:46:42,200
first wafers craft and they want to aim

853
00:46:50,450 --> 00:46:46,190
it to Alpha Centauri well if they got it

854
00:46:53,180 --> 00:46:50,460
Timmy to twenty to thirty percent of the

855
00:46:58,250 --> 00:46:53,190
speed of light if they might get there

856
00:47:00,410 --> 00:46:58,260
in 16 17 years right and and that would

857
00:47:05,329 --> 00:47:00,420
definitely be in the lifetime of a

858
00:47:08,210 --> 00:47:05,339
scientist and then as one of the men

859
00:47:11,210 --> 00:47:08,220
said we need somebody else out there to

860
00:47:13,970 --> 00:47:11,220
build some kind of a return so that we

861
00:47:16,339 --> 00:47:13,980
could get all of our information and get

862
00:47:18,790 --> 00:47:16,349
it back to earth barring that they will

863
00:47:23,390 --> 00:47:18,800

have to wait to get the data but

864

00:47:26,540 --> 00:47:23,400

professor load says imagine this okay so

865

00:47:28,820 --> 00:47:26,550

the first craft starts being launched

866

00:47:30,230 --> 00:47:28,830

toward Alpha Centauri at 25 or 30

867

00:47:33,530 --> 00:47:30,240

percent the speed of light

868

00:47:35,960 --> 00:47:33,540

well then we launch in a few months

869

00:47:39,109 --> 00:47:35,970

another one or a year and it's going

870

00:47:41,440 --> 00:47:39,119

faster and then we get to half the speed

871

00:47:46,250 --> 00:47:41,450

of light then we get to three-quarters

872

00:47:51,020 --> 00:47:46,260

maybe we even get up to 75% the speed of

873

00:47:56,210 --> 00:47:51,030

light those successive wafer crafts will

874

00:47:59,780 --> 00:47:56,220

pass the first craft they will continue

875

00:48:02,570 --> 00:47:59,790

in an evolutionary reach out to the

876

00:48:06,410 --> 00:48:02,580

point that we might by the time that we

877

00:48:09,380 --> 00:48:06,420

are at 50% to 75% the speed of light

878

00:48:11,839 --> 00:48:09,390

sending a craft toward our nearest Alpha

879

00:48:15,290 --> 00:48:11,849

Centauri it's only four light-years from

880

00:48:17,329 --> 00:48:15,300

Earth that we will have some way to

881

00:48:19,550 --> 00:48:17,339

accelerate getting the signals back

882

00:48:23,359 --> 00:48:19,560

because what are we what do we really

883

00:48:27,589 --> 00:48:23,369

want to know is the rocky planet out

884

00:48:31,160 --> 00:48:27,599

there Proxima Centauri is it possibly

885

00:48:33,079 --> 00:48:31,170

capable of supporting life now just in

886

00:48:35,210 --> 00:48:33,089

the lever things happening so fast just

887

00:48:37,700 --> 00:48:35,220

in the last three or four months there

888

00:48:42,050 --> 00:48:37,710

was a big story about the fact that they

889

00:48:46,280 --> 00:48:42,060

have measured a huge solar flare from

890

00:48:49,040 --> 00:48:46,290

the nearby star there's two binary stars

891

00:48:51,589 --> 00:48:49,050

and what they think is this rocky planet

892

00:48:56,240 --> 00:48:51,599

and they're pretty much convinced that

893

00:48:59,270 --> 00:48:56,250

the huge solar flare from the Alpha

894

00:49:02,150 --> 00:48:59,280

Centauri system would have fried the

895

00:49:04,160 --> 00:49:02,160

rocky planet that is the near as nearby

896

00:49:07,849 --> 00:49:04,170

and that might

897

00:49:10,819 --> 00:49:07,859

that that exoplanet could not sustain

898

00:49:14,780 --> 00:49:10,829

life as we know it could it sustain

899

00:49:19,030 --> 00:49:14,790

other life who knows but here we move to

900

00:49:21,950 --> 00:49:19,040

another increasingly discussed sort of

901
00:49:24,500 --> 00:49:21,960
shocking statement among some

902
00:49:26,599 --> 00:49:24,510
astronomers that I've talked to we've

903
00:49:31,099 --> 00:49:26,609
gone through I think it's over a

904
00:49:34,609 --> 00:49:31,109
thousand exoplanets now and we don't

905
00:49:38,599 --> 00:49:34,619
have an exoplanet that has all the

906
00:49:42,250 --> 00:49:38,609
conditions of our remarkable earth we're

907
00:49:46,190 --> 00:49:42,260
on a planet with two-thirds deep oceans

908
00:49:48,079 --> 00:49:46,200
lots of seeds it's very dynamic you

909
00:49:49,730 --> 00:49:48,089
could call this an unstable planet

910
00:49:52,549 --> 00:49:49,740
because of all the volcanoes and

911
00:49:55,549 --> 00:49:52,559
earthquakes and the fact that it has

912
00:50:00,079 --> 00:49:55,559
been a snowball two or three times and

913
00:50:04,579 --> 00:50:00,089

goes through ice ages and that and yet

914

00:50:07,339 --> 00:50:04,589

and yet look at 7.2 billion Homo Sapien

915

00:50:09,620 --> 00:50:07,349

inc and Counting are on the surface of

916

00:50:11,720 --> 00:50:09,630

this planet and a lot work underground

917

00:50:15,740 --> 00:50:11,730

in the military and intelligence world

918

00:50:19,069 --> 00:50:15,750

we may have another earth that would

919

00:50:22,490 --> 00:50:19,079

astonish us below the surface if we knew

920

00:50:26,210 --> 00:50:22,500

all the truth nevertheless on this

921

00:50:28,250 --> 00:50:26,220

planet it has all of this water it has a

922

00:50:32,059 --> 00:50:28,260

strong magnetic field because of the

923

00:50:35,809 --> 00:50:32,069

dynamo that magnetic field deflects so

924

00:50:38,870 --> 00:50:35,819

many solar particles and helps protect

925

00:50:43,490 --> 00:50:38,880

this planet and we have all of this huge

926
00:50:47,000 --> 00:50:43,500
variety of life and it reminds me of the

927
00:50:49,250 --> 00:50:47,010
first hypnosis session that I ever

928
00:50:53,440 --> 00:50:49,260
attended when I was investigating the

929
00:50:59,420 --> 00:50:53,450
animal mutilations and heard an abductee

930
00:51:02,960 --> 00:50:59,430
saying under hypnosis that she got the

931
00:51:06,770 --> 00:51:02,970
impression that one of the things that

932
00:51:11,120 --> 00:51:06,780
humans didn't understand was how unique

933
00:51:13,940 --> 00:51:11,130
and precious our planet is and that many

934
00:51:14,299 --> 00:51:13,950
many species of other intelligences have

935
00:51:21,459 --> 00:51:14,309
you

936
00:51:25,579 --> 00:51:21,469
thinking about the strange bizarre

937
00:51:28,489 --> 00:51:25,589
confusing history of our planet and we

938
00:51:30,979 --> 00:51:28,499

haven't even gone into all of the

939

00:51:33,499 --> 00:51:30,989

subjects that we can tonight having to

940

00:51:36,679 --> 00:51:33,509

do with harvesting of genes and

941

00:51:39,650 --> 00:51:36,689

manipulating genes and so many other

942

00:51:42,650 --> 00:51:39,660

subjects but when you start looking at

943

00:51:46,009 --> 00:51:42,660

the planet a something that might be

944

00:51:49,699 --> 00:51:46,019

more unique than we realize among all of

945

00:51:52,429 --> 00:51:49,709

the planets and that other civilizations

946

00:51:55,999 --> 00:51:52,439

look for place that they can mix and

947

00:51:59,150 --> 00:51:56,009

match genes for their own experiment and

948

00:52:02,179 --> 00:51:59,160

for whatever their goals are then some

949

00:52:05,479 --> 00:52:02,189

of the strange history past present and

950

00:52:08,449 --> 00:52:05,489

future on our planet might begin to make

951
00:52:12,910 --> 00:52:08,459
more sense let me jump in because I want

952
00:52:15,799 --> 00:52:12,920
your comment on something because what

953
00:52:17,929 --> 00:52:15,809
everything that you just said ever I

954
00:52:21,769 --> 00:52:17,939
think all of us should take note of

955
00:52:23,749 --> 00:52:21,779
because we are out there looking for

956
00:52:25,459 --> 00:52:23,759
exoplanets we are out there looking for

957
00:52:29,359 --> 00:52:25,469
life we're out there looking for fast

958
00:52:33,739 --> 00:52:29,369
radio bursts this is what we do and yes

959
00:52:38,569 --> 00:52:33,749
earth is unique so you have to think

960
00:52:40,579 --> 00:52:38,579
about what et or other you know cultures

961
00:52:44,089 --> 00:52:40,589
are out there do they're doing the very

962
00:52:47,809 --> 00:52:44,099
same thing they found us already they're

963
00:52:49,640 --> 00:52:47,819

looking for those exoplanets too and we

964

00:52:52,579 --> 00:52:49,650

stand out like you say you know were

965

00:52:56,239 --> 00:52:52,589

shiny beacon bright blue beautiful

966

00:52:58,370 --> 00:52:56,249

planet right they found us they've been

967

00:53:04,069 --> 00:52:58,380

here they're doing the same things we

968

00:53:07,999 --> 00:53:04,079

are and michio kaku really put this into

969

00:53:11,029 --> 00:53:08,009

context long ago when he laid out I

970

00:53:14,029 --> 00:53:11,039

think it was his hyperspace book he said

971

00:53:16,819 --> 00:53:14,039

let's take the age of our universe

972

00:53:20,179 --> 00:53:16,829

it's about thirteen point eight thirteen

973

00:53:23,569 --> 00:53:20,189

point nine billion light years that is

974

00:53:27,690 --> 00:53:23,579

any of time for there to have been we'll

975

00:53:33,660 --> 00:53:27,700

call it epoch one or universe

976
00:53:36,300 --> 00:53:33,670
pipe one and and if you divide 13.2 by

977
00:53:41,220 --> 00:53:36,310
three or four you can have three or four

978
00:53:45,030 --> 00:53:41,230
epochs each one evolving planets

979
00:53:48,300 --> 00:53:45,040
perhaps life I assume life and then you

980
00:53:51,210 --> 00:53:48,310
get to the second and the first one is

981
00:53:53,940 --> 00:53:51,220
aging into the second generation right

982
00:53:56,940 --> 00:53:53,950
second generation is aging and evolving

983
00:53:59,849 --> 00:53:56,950
and advancing into the third we might be

984
00:54:03,930 --> 00:53:59,859
in the fourth we might be in the baby

985
00:54:08,010 --> 00:54:03,940
category of this big huge complex

986
00:54:12,020 --> 00:54:08,020
universe and therefore the idea that

987
00:54:14,760 --> 00:54:12,030
there are entities that were described

988
00:54:17,599 --> 00:54:14,770

assuming that the transcript of the

989

00:54:20,370 --> 00:54:17,609

Ronald Reagan briefing on

990

00:54:25,260 --> 00:54:20,380

extraterrestrials and UFOs in March of

991

00:54:31,020 --> 00:54:25,270

1981 is a Batum correct it was put out

992

00:54:33,900 --> 00:54:31,030

in the full material back in 2007 and I

993

00:54:36,329 --> 00:54:33,910

asked a person in Washington DC who has

994

00:54:37,230 --> 00:54:36,339

been very trustworthy and helpful to me

995

00:54:40,230 --> 00:54:37,240

over the years

996

00:54:44,550 --> 00:54:40,240

and asked them to look at the Reagan

997

00:54:47,400 --> 00:54:44,560

transcript allegedly with Casey that he

998

00:54:51,000 --> 00:54:47,410

appointed as the CIA director Ronald

999

00:54:54,059 --> 00:54:51,010

Reagan went with the CIA NSA dia and

1000

00:54:56,400 --> 00:54:54,069

other people who were analysts and they

1001
00:55:00,900 --> 00:54:56,410
went to Camp David and they spent three

1002
00:55:04,349 --> 00:55:00,910
days briefing Ronald Reagan on UFOs and

1003
00:55:08,579 --> 00:55:04,359
ETS and specifically five different

1004
00:55:10,319 --> 00:55:08,589
types now one of the things that is

1005
00:55:12,660 --> 00:55:10,329
really significant in the Reagan

1006
00:55:16,740 --> 00:55:12,670
administration about those five that

1007
00:55:19,410 --> 00:55:16,750
they go over the top one is the even

1008
00:55:23,430 --> 00:55:19,420
that we have all heard about since the

1009
00:55:27,270 --> 00:55:23,440
Betty and Barney Hill case of 1961 they

1010
00:55:29,520 --> 00:55:27,280
a parapet as opposed to pointed chins or

1011
00:55:32,370 --> 00:55:29,530
balloon shaped heads or anything they're

1012
00:55:35,880 --> 00:55:32,380
pear-shaped and they appeared to be a

1013
00:55:38,520 --> 00:55:35,890

what I call a prime intelligence they

1014

00:55:41,880 --> 00:55:38,530

would be something that evolved in a

1015

00:55:45,060 --> 00:55:41,890

system somewhere to an advanced

1016

00:55:49,020 --> 00:55:45,070

point that they could start hybridizing

1017

00:55:51,120 --> 00:55:49,030

cloning making cyborgs getting out into

1018

00:55:55,410 --> 00:55:51,130

space and moving perhaps point-to-point

1019

00:55:57,990 --> 00:55:55,420

as Einstein says eventually we could so

1020

00:56:01,020 --> 00:55:58,000

they would be a prime intelligence the

1021

00:56:03,810 --> 00:56:01,030

next two on that list that was presented

1022

00:56:08,250 --> 00:56:03,820

to President Ronald Reagan according to

1023

00:56:12,720 --> 00:56:08,260

the serpo excerpt transcript were one

1024

00:56:16,890 --> 00:56:12,730

was called our colloid a RCA to UL ID

1025

00:56:21,630 --> 00:56:16,900

our colloid possibly based on the Greek

1026
00:56:26,100 --> 00:56:21,640
word Archon Lord or leader the third on

1027
00:56:32,000 --> 00:56:26,110
the list was quad Lloyd that was defined

1028
00:56:37,950 --> 00:56:32,010
as being a hybridization by the even

1029
00:56:42,810 --> 00:56:37,960
crossing a praying mantis insect with a

1030
00:56:46,830 --> 00:56:42,820
lizard reptile and insect the are

1031
00:56:50,610 --> 00:56:46,840
colloid are also described as being a

1032
00:56:54,870 --> 00:56:50,620
hybrid created by the even so out of

1033
00:56:58,970 --> 00:56:54,880
five presented three come from the same

1034
00:57:02,130 --> 00:56:58,980
system to being made by the one prime

1035
00:57:05,940 --> 00:57:02,140
intelligence and that the description

1036
00:57:11,460 --> 00:57:05,950
implies that what the evens have done is

1037
00:57:14,160 --> 00:57:11,470
make any and all kinds of androids match

1038
00:57:18,120 --> 00:57:14,170

they make them to match certain

1039

00:57:20,670 --> 00:57:18,130

planetary systems and then they put them

1040

00:57:24,270 --> 00:57:20,680

out on different planets that extends

1041

00:57:28,020 --> 00:57:24,280

the evens territorial ability in the

1042

00:57:32,490 --> 00:57:28,030

Milky Way galaxy and beyond and whatever

1043

00:57:34,940 --> 00:57:32,500

they're making them be their allies so

1044

00:57:38,510 --> 00:57:34,950

you would end up with a prime

1045

00:57:43,290 --> 00:57:38,520

civilization that would extend

1046

00:57:46,740 --> 00:57:43,300

territorial reach its power and its

1047

00:57:49,980 --> 00:57:46,750

ability to harvest and interact with all

1048

00:57:53,430 --> 00:57:49,990

kinds of systems by creating life-forms

1049

00:57:54,660 --> 00:57:53,440

that you would own operating control so

1050

00:57:57,180 --> 00:57:54,670

to speak

1051
00:57:59,910 --> 00:57:57,190
and it would keep extending out into the

1052
00:58:03,690 --> 00:57:59,920
Milky Way galaxy well as this is being

1053
00:58:08,730 --> 00:58:03,700
laid out for Ronald Reagan the fourth

1054
00:58:11,789 --> 00:58:08,740
one Hepler Lloyd in latin Hepler is

1055
00:58:16,500 --> 00:58:11,799
seven don't know what that means

1056
00:58:19,740 --> 00:58:16,510
but the last one raises the issue that

1057
00:58:23,190 --> 00:58:19,750
comes up over and over if all of our

1058
00:58:26,849 --> 00:58:23,200
contacts with other intelligences were

1059
00:58:28,500 --> 00:58:26,859
all happy and supportive and wonderful I

1060
00:58:31,650 --> 00:58:28,510
think we would have been told that

1061
00:58:34,980 --> 00:58:31,660
seventy years ago in World War two the

1062
00:58:37,349 --> 00:58:34,990
fact that the fifth on this list that's

1063
00:58:41,039 --> 00:58:37,359

given to Ronald Reagan it's called a

1064

00:58:45,599 --> 00:58:41,049

Toronto Lloyd and that it is defined as

1065

00:58:49,220 --> 00:58:45,609

a quote this is a quote nasty insect

1066

00:58:52,950 --> 00:58:49,230

close quote that can disguise itself

1067

00:58:57,539 --> 00:58:52,960

camouflage itself as blond humanoids on

1068

00:59:04,620 --> 00:58:57,549

earth is a very eerie thing to

1069

00:59:07,620 --> 00:59:04,630

contemplate now the issue of these of

1070

00:59:11,819 --> 00:59:07,630

this fifth why it fits in to where I

1071

00:59:14,279 --> 00:59:11,829

started it says right in the Ronald

1072

00:59:18,980 --> 00:59:14,289

Reagan briefing that the Tron annoyed

1073

00:59:25,019 --> 00:59:18,990

insects are estimated to be 1,000 or

1074

00:59:27,509 --> 00:59:25,029

more years in advance of us they bend

1075

00:59:30,089 --> 00:59:27,519

space and time they move through space

1076
00:59:33,509 --> 00:59:30,099
tunnels they move back and forth in time

1077
00:59:37,700 --> 00:59:33,519
and this is very interesting that they

1078
00:59:40,799 --> 00:59:37,710
come from a system a planetary system

1079
00:59:42,690 --> 00:59:40,809
Epsilon Eridani that's only ten point

1080
00:59:44,730 --> 00:59:42,700
five light-years from where we're

1081
00:59:47,880 --> 00:59:44,740
sitting right now on earth in this solar

1082
00:59:49,920 --> 00:59:47,890
system ten point five light-years is

1083
00:59:53,279 --> 00:59:49,930
closer than Zeta reticulan I went into

1084
00:59:55,410 --> 00:59:53,289
that is about 39 40 light-years from

1085
00:59:57,240 --> 00:59:55,420
Earth and that's where the evens are

1086
01:00:00,329 --> 00:59:57,250
supposed to come from so that would mean

1087
01:00:03,599 --> 01:00:00,339
our friends the evens are about three

1088
01:00:07,259 --> 01:00:03,609

times further from Earth than a possible

1089

01:00:08,529 --> 01:00:07,269

potential hostile threat at Epsilon

1090

01:00:14,229 --> 01:00:08,539

Eridani

1091

01:00:17,529 --> 01:00:14,239

further if the system as its described

1092

01:00:20,529 --> 01:00:17,539

in the Reagan briefing is true they

1093

01:00:22,449 --> 01:00:20,539

don't have or let's put it this way turn

1094

01:00:24,159 --> 01:00:22,459

it back around I started to say they

1095

01:00:25,120 --> 01:00:24,169

don't have the elements we have let's

1096

01:00:28,390 --> 01:00:25,130

put it the other way

1097

01:00:31,719 --> 01:00:28,400

they have elements we've never heard of

1098

01:00:34,059 --> 01:00:31,729

before that we don't understand that we

1099

01:00:36,370 --> 01:00:34,069

have encountered things that are so

1100

01:00:39,880 --> 01:00:36,380

advanced that we don't know what to do

1101

01:00:44,380 --> 01:00:39,890

we have no understanding and so in one

1102

01:00:46,900 --> 01:00:44,390

briefing for President Reagan you have

1103

01:00:49,179 --> 01:00:46,910

all of the ingredients of what all of us

1104

01:00:55,289 --> 01:00:49,189

are concerned about today and are trying

1105

01:00:59,289 --> 01:00:55,299

to understand hybridization are humans

1106

01:01:02,529 --> 01:00:59,299

hybrids created by the even it's been

1107

01:01:04,289 --> 01:01:02,539

suggested and that we would be on planet

1108

01:01:07,509 --> 01:01:04,299

earth because we were created

1109

01:01:10,150 --> 01:01:07,519

specifically to be on this planet right

1110

01:01:13,299 --> 01:01:10,160

while others are on other planets

1111

01:01:18,429 --> 01:01:13,309

and that at the first this is the first

1112

01:01:20,140 --> 01:01:18,439

moment the 2018 is the sense that the

1113

01:01:23,169 --> 01:01:20,150

entire planet

1114

01:01:26,769 --> 01:01:23,179

the consciousnesses of the millennial

1115

01:01:31,529 --> 01:01:26,779

generation around the entire planet

1116

01:01:36,909 --> 01:01:31,539

they are irritated with government

1117

01:01:39,399 --> 01:01:36,919

silent policies of denial that insist on

1118

01:01:41,380 --> 01:01:39,409

the old old line that were alone in the

1119

01:01:46,599 --> 01:01:41,390

universe when that's preposterous and

1120

01:01:51,569 --> 01:01:46,609

that where it's almost like being inside

1121

01:01:55,079 --> 01:01:51,579

of a slow-motion revolution in which

1122

01:01:58,209 --> 01:01:55,089

generations and minds that are already

1123

01:02:00,339 --> 01:01:58,219

way far beyond where the government

1124

01:02:04,509 --> 01:02:00,349

policies have been since World War two

1125

01:02:06,579 --> 01:02:04,519

and that when we get that headline that

1126

01:02:10,449 --> 01:02:06,589

we're not alone in this universe we

1127

01:02:13,739 --> 01:02:10,459

never have been then we will be catching

1128

01:02:16,089 --> 01:02:13,749

up to where things should have been

1129

01:02:18,189 --> 01:02:16,099

thousands of years ago let's take a

1130

01:02:21,309 --> 01:02:18,199

break right there Linda thank you for

1131

01:02:22,210 --> 01:02:21,319

that and when we come back Linda can we

1132

01:02:25,450 --> 01:02:22,220

talk a little art

1133

01:02:28,060 --> 01:02:25,460

official intelligence yeah yeah let's do

1134

01:02:29,710 --> 01:02:28,070

that next Linda Moulton Howe is with us

1135

01:02:32,680 --> 01:02:29,720

this is fade to black I'm yours Jimmy

1136

01:02:35,620 --> 01:02:32,690

Church on the game changer network in kg

1137

01:02:37,630 --> 01:02:35,630

ra the planet you can follow me at a

1138

01:02:40,720 --> 01:02:37,640

church radio on Twitter you can follow

1139

01:02:58,950 --> 01:02:40,730

Linda at earthfiles I'll be right back

1140

01:03:02,950 --> 01:03:00,820

this is fade to black

1141

01:03:06,640 --> 01:03:02,960

with Jimmy Church on the game changer

1142

01:03:11,080 --> 01:03:06,650

radio network and kgr a the global radio

1143

01:03:13,990 --> 01:03:11,090

alliance this is kg are a digital

1144

01:03:17,410 --> 01:03:14,000

broadcasting station Salt Lake City Utah

1145

01:03:19,510 --> 01:03:17,420

Van Buren Arkansas does your basement or

1146

01:03:21,280 --> 01:03:19,520

crawlspace have a damp musty smell while

1147

01:03:23,440 --> 01:03:21,290

watch out that's a sign of too much

1148

01:03:25,270 --> 01:03:23,450

moisture and not enough ventilation and

1149

01:03:26,980 --> 01:03:25,280

that can mean increased mold growth and

1150

01:03:28,750 --> 01:03:26,990

their build-up of harmful toxins and

1151
01:03:31,060 --> 01:03:28,760
gases don't bother with a dehumidifier

1152
01:03:33,400 --> 01:03:31,070
it just circulates the same unhealthy

1153
01:03:35,470 --> 01:03:33,410
air now there's a better way to remove

1154
01:03:37,870 --> 01:03:35,480
these dangers and odors it's with the

1155
01:03:39,670 --> 01:03:37,880
computerized wave moisture control unit

1156
01:03:41,290 --> 01:03:39,680
that reduces moisture and expels

1157
01:03:43,300 --> 01:03:41,300
pollutants we replaced our old

1158
01:03:45,550 --> 01:03:43,310
dehumidifier with the wave unit and in

1159
01:03:47,950 --> 01:03:45,560
only three weeks our basement is dry and

1160
01:03:49,930 --> 01:03:47,960
the musty smell is gone wave units

1161
01:03:52,240 --> 01:03:49,940
require no maintenance no buckets of

1162
01:03:54,280 --> 01:03:52,250
water or filters and costs only pennies

1163
01:03:56,050 --> 01:03:54,290

a day to run breathe better live

1164

01:03:58,480 --> 01:03:56,060

healthier with an affordable no

1165

01:04:00,820 --> 01:03:58,490

maintenance wave unit call eight eight

1166

01:04:04,150 --> 01:04:00,830

eight seven one seven way eight eight

1167

01:04:12,790 --> 01:04:04,160

eight seven one seven wabe or visit dry

1168

01:04:12,800 --> 01:04:22,990

[Music]

1169

01:04:27,500 --> 01:04:25,640

hi this is Ray sobs here reppin the

1170

01:04:30,500 --> 01:04:27,510

planet and you're listening to my good

1171

01:04:33,050 --> 01:04:30,510

friend Jimmy Church fade to black

1172

01:04:37,609 --> 01:04:33,060

on the GameChanger network and the kgr a

1173

01:04:39,770 --> 01:04:37,619

digital broadcast station this is Toby

1174

01:05:02,720 --> 01:04:39,780

Kebbell you're listening to Jimmy Church

1175

01:05:06,830 --> 01:05:02,730

radio calm revolution ancient life oil

1176

01:05:09,470 --> 01:05:06,840

life changing the real oil CBD is truly

1177

01:05:11,810 --> 01:05:09,480

ancient life oil from the source this

1178

01:05:14,810 --> 01:05:11,820

oil has no psychoactive effect and is

1179

01:05:17,240 --> 01:05:14,820

also legal in all 50 states when you're

1180

01:05:19,520 --> 01:05:17,250

healthy you're happy the truth about

1181

01:05:22,820 --> 01:05:19,530

this wonderful plant is that it wants to

1182

01:05:25,970 --> 01:05:22,830

give back to mankind life longevity and

1183

01:05:28,760 --> 01:05:25,980

happiness ancient life oil are golden

1184

01:05:31,130 --> 01:05:28,770

gray all organic non-gmo and infused

1185

01:05:33,890 --> 01:05:31,140

with high-quality liquid coconut oil

1186

01:05:37,250 --> 01:05:33,900

it's simple just go to ancient life oil

1187

01:05:41,120 --> 01:05:37,260

dot-com today that's ancient life oil

1188

01:05:43,970 --> 01:05:41,130

dot-com the best purest organic and

1189

01:05:46,640 --> 01:05:43,980

non-gmo CBD in the world

1190

01:05:47,840 --> 01:05:46,650

go back Lee tapi the statements made

1191

01:05:48,830 --> 01:05:47,850

regarding these products have not been

1192

01:05:50,000 --> 01:05:48,840

evaluated by the Food and Drug

1193

01:05:51,410 --> 01:05:50,010

Administration these products are not

1194

01:05:53,240 --> 01:05:51,420

intended to diagnose treat cure or

1195

01:05:54,560 --> 01:05:53,250

prevent any disease please consult your

1196

01:05:55,700 --> 01:05:54,570

health care professional about potential

1197

01:05:57,800 --> 01:05:55,710

interactions or other possible

1198

01:05:59,540 --> 01:05:57,810

complications before using any product

1199

01:06:01,160 --> 01:05:59,550

this is my - Hanks of the graylien

1200

01:06:03,560 --> 01:06:01,170

report and you're listening to jimmy

1201
01:06:05,660 --> 01:06:03,570
church on fade to black across the globe

1202
01:06:08,670 --> 01:06:05,670
on the GameChanger radio network and the

1203
01:06:12,870 --> 01:06:08,680
one and only kgr a radio the planet

1204
01:06:13,170 --> 01:06:12,880
[Music]

1205
01:06:28,480 --> 01:06:13,180
[Applause]

1206
01:06:33,880 --> 01:06:30,740
welcome back fade to black of meals to

1207
01:06:37,819 --> 01:06:33,890
me church follow me on Twitter at JDO

1208
01:06:43,099 --> 01:06:37,829
can follow Linda at earthfiles right

1209
01:06:44,120 --> 01:06:43,109
there on Twitter and tonight's we're

1210
01:06:46,579 --> 01:06:44,130
gonna do it all we're gonna do

1211
01:06:48,200 --> 01:06:46,589
everything A to Z and I want to remind

1212
01:06:50,210 --> 01:06:48,210
everybody tomorrow night George Noory is

1213
01:06:51,500 --> 01:06:50,220

going to be here Victoria Guevara and

1214

01:06:52,940 --> 01:06:51,510

it's going to be here too as well from

1215

01:06:54,770 --> 01:06:52,950

contacting in the desert we've got a

1216

01:06:57,290 --> 01:06:54,780

bunch of special surprise guests that

1217

01:06:59,569 --> 01:06:57,300

are gonna do some drive-bys and hang out

1218

01:07:02,000 --> 01:06:59,579

with all of us but tonight we've got

1219

01:07:05,150 --> 01:07:02,010

Linda all to ourselves and Linda now

1220

01:07:09,309 --> 01:07:05,160

check this out a couple of days ago do

1221

01:07:13,250 --> 01:07:09,319

my research I listened to a couple of

1222

01:07:17,000 --> 01:07:13,260

developers for one from Google and one

1223

01:07:18,290 --> 01:07:17,010

from Facebook and they both agreed and

1224

01:07:21,589 --> 01:07:18,300

made these statements in this

1225

01:07:23,420 --> 01:07:21,599

presentation that artificial

1226

01:07:26,900 --> 01:07:23,430

intelligence is something that we

1227

01:07:30,220 --> 01:07:26,910

shouldn't be afraid of and that we would

1228

01:07:34,700 --> 01:07:30,230

definitely not only have safeguards

1229

01:07:37,609 --> 01:07:34,710

built into all systems but artificial

1230

01:07:41,390 --> 01:07:37,619

intelligence is only what we put into it

1231

01:07:44,390 --> 01:07:41,400

as well and it wouldn't advance past us

1232

01:07:47,420 --> 01:07:44,400

and I stopped I stopped and thought to

1233

01:07:49,490 --> 01:07:47,430

myself that statement from them scares

1234

01:07:51,050 --> 01:07:49,500

the crap out of me because they're

1235

01:07:55,520 --> 01:07:51,060

trying to right they're trying to

1236

01:07:57,410 --> 01:07:55,530

smokescreen and that and telling us we

1237

01:08:00,260 --> 01:07:57,420

have nothing to worry about says to me

1238

01:08:01,730 --> 01:08:00,270

we have everything to worry about when

1239

01:08:05,839 --> 01:08:01,740

you hear something like that what goes

1240

01:08:09,710 --> 01:08:05,849

through your mind the title of my

1241

01:08:14,470 --> 01:08:09,720

lecture on Sunday at the upcoming

1242

01:08:18,590 --> 01:08:14,480

contact on June 3rd and it is is a I an

1243

01:08:21,880 --> 01:08:18,600

existential threat to humans and it all

1244

01:08:26,329 --> 01:08:21,890

comes from listening and reading a lot

1245

01:08:28,550 --> 01:08:26,339

from people like Elon Musk for people

1246

01:08:32,450 --> 01:08:28,560

like Robert boström considered one of

1247

01:08:37,820 --> 01:08:32,460

the 100 top minds in the world having to

1248

01:08:42,320 --> 01:08:37,830

do with analytical concerns and here

1249

01:08:46,940 --> 01:08:42,330

tonight what I'll do because it

1250

01:08:50,890 --> 01:08:46,950

a very short point it focuses down to

1251

01:08:55,010 --> 01:08:50,900

why I am raising this question and is

1252

01:08:58,970 --> 01:08:55,020

why what you've just outlined definitely

1253

01:09:01,220 --> 01:08:58,980

is like a political context that the

1254

01:09:04,730 --> 01:09:01,230

some computer companies are trying to

1255

01:09:07,910 --> 01:09:04,740

give the world and here is what I'm

1256

01:09:11,900 --> 01:09:07,920

going to explain started me off on all

1257

01:09:14,660 --> 01:09:11,910

of this and that I hope that a lot of

1258

01:09:18,860 --> 01:09:14,670

people who are listening tonight will go

1259

01:09:20,980 --> 01:09:18,870

to contact and will look at where I am

1260

01:09:25,010 --> 01:09:20,990

speaking on various subjects and that

1261

01:09:28,099 --> 01:09:25,020

this lecturer on that Sunday it has a

1262

01:09:32,900 --> 01:09:28,109

lot in it so what I'm going to bring up

1263

01:09:35,390 --> 01:09:32,910

is now the I guess you want to say the

1264

01:09:38,060 --> 01:09:35,400

moment that I felt that it was so

1265

01:09:41,180 --> 01:09:38,070

important to get into this and the more

1266

01:09:43,099 --> 01:09:41,190

I've gotten into it the more I feel this

1267

01:09:45,710 --> 01:09:43,109

is one of the most important subjects

1268

01:09:50,510 --> 01:09:45,720

for everybody to pay attention to now

1269

01:09:56,440 --> 01:09:50,520

yes this is going back to not quite a

1270

01:10:01,610 --> 01:09:56,450

year ago it was in August of 2017 and I

1271

01:10:04,790 --> 01:10:01,620

have had connection with three or four

1272

01:10:09,100 --> 01:10:04,800

really solid important whistleblowers

1273

01:10:14,390 --> 01:10:09,110

for about two years on three of them and

1274

01:10:18,950 --> 01:10:14,400

about half a year on another and they

1275

01:10:22,670 --> 01:10:18,960

all have various facets of concern about

1276

01:10:26,720 --> 01:10:22,680

AI and they are all deeply involved with

1277

01:10:28,580 --> 01:10:26,730

the issue of the alien presence on this

1278

01:10:30,500 --> 01:10:28,590

planet throughout our solar system

1279

01:10:33,010 --> 01:10:30,510

throughout the Milky Way galaxy and

1280

01:10:36,380 --> 01:10:33,020

beyond they come from military

1281

01:10:39,320 --> 01:10:36,390

backgrounds that are seals and Marines

1282

01:10:42,920 --> 01:10:39,330

they're heavy-duty guys and they're the

1283

01:10:45,010 --> 01:10:42,930

kind of men that when when the

1284

01:10:48,740 --> 01:10:45,020

Department of Defense and the Pentagon

1285

01:10:51,280 --> 01:10:48,750

want the best of the best for the most

1286

01:10:54,320 --> 01:10:51,290

complicated and challenging

1287

01:10:55,520 --> 01:10:54,330

possibilities of investigating or doing

1288

01:10:59,419 --> 01:10:55,530

something

1289

01:11:02,240 --> 01:10:59,429

they want is for these men to get out of

1290

01:11:04,069 --> 01:11:02,250

the military and turn around and go into

1291

01:11:07,819 --> 01:11:04,079

contract in Special Forces

1292

01:11:11,240 --> 01:11:07,829

so that they can be under the leadership

1293

01:11:15,049 --> 01:11:11,250

and control of the Intel agencies and

1294

01:11:18,220 --> 01:11:15,059

that's the situation okay so this one

1295

01:11:21,620 --> 01:11:18,230

particular person has given me

1296

01:11:26,330 --> 01:11:21,630

information for about two years or year

1297

01:11:29,240 --> 01:11:26,340

and a half and when the phone rang we

1298

01:11:32,060 --> 01:11:29,250

don't talk very often and not very much

1299

01:11:36,740 --> 01:11:32,070

and when it does ring with his number I

1300

01:11:38,689 --> 01:11:36,750

pay attention and know that I better get

1301

01:11:40,760 --> 01:11:38,699

a notebook and pen and write fast

1302

01:11:44,029 --> 01:11:40,770

because we can only stay on the phone

1303

01:11:49,689 --> 01:11:44,039

for two or three minutes and this is

1304

01:11:54,020 --> 01:11:49,699

what happened on Saturday August 26 2017

1305

01:11:58,240 --> 01:11:54,030

the folks he calls he says you got to

1306

01:12:03,140 --> 01:11:58,250

hear this I can't stay on long quote

1307

01:12:07,970 --> 01:12:03,150

from my note the top robotics company in

1308

01:12:10,120 --> 01:12:07,980

Japan this week meaning August 2017 for

1309

01:12:14,020 --> 01:12:10,130

robots being developed for military

1310

01:12:17,419 --> 01:12:14,030

applications to become robotic soldiers

1311

01:12:19,450 --> 01:12:17,429

killed twenty-nine humans in the lab

1312

01:12:23,080 --> 01:12:19,460

with something that shot metal bullets

1313

01:12:25,399 --> 01:12:23,090

the scariest part is that lab workers

1314

01:12:28,310 --> 01:12:25,409

deactivated two of the robots and took

1315

01:12:31,189 --> 01:12:28,320

apart the third but the fourth robot

1316

01:12:34,399 --> 01:12:31,199

began restoring itself and somehow

1317

01:12:36,410 --> 01:12:34,409

connected to an orbiting satellite to

1318

01:12:40,100 --> 01:12:36,420

download information about how to

1319

01:12:42,640 --> 01:12:40,110

rebuild itself even more strongly while

1320

01:12:47,540 --> 01:12:42,650

the other robots were being taken apart

1321

01:12:49,760 --> 01:12:47,550

Linda he said this is serious Shi T but

1322

01:12:53,479 --> 01:12:49,770

you're never going to hear about this in

1323

01:12:57,100 --> 01:12:53,489

the news the robotics company has too

1324

01:13:01,750 --> 01:12:57,110

much to lose and governments want AI

1325

01:13:05,709 --> 01:13:01,760

robotic soldiers close quote and the

1326

01:13:10,180 --> 01:13:05,719

operative word here Jimmy is autonomous

1327

01:13:13,640 --> 01:13:10,190

autonomous robotic

1328

01:13:16,520 --> 01:13:13,650

autonomous means that the algorithms

1329

01:13:20,680 --> 01:13:16,530

that are built into the software of the

1330

01:13:25,790 --> 01:13:20,690

robotic weapons and robots

1331

01:13:29,390 --> 01:13:25,800

the robots choose what is a threat

1332

01:13:32,810 --> 01:13:29,400

the robots choose when to shoot to kill

1333

01:13:37,010 --> 01:13:32,820

the human is taken out in the United

1334

01:13:42,160 --> 01:13:37,020

States currently our law says that's not

1335

01:13:46,160 --> 01:13:42,170

possible that a human must stay in the

1336

01:13:48,919 --> 01:13:46,170

chain of connection and any militarized

1337

01:13:51,890 --> 01:13:48,929

weapon or robot but that doesn't count

1338

01:13:54,290 --> 01:13:51,900

for North and South Korea that does not

1339

01:13:58,970 --> 01:13:54,300

count for Japan that does not count for

1340

01:14:02,180 --> 01:13:58,980

other countries and in fact upon hearing

1341

01:14:06,820 --> 01:14:02,190

deaths and beginning to do research one

1342

01:14:11,840 --> 01:14:06,830

of the things that I learned is that

1343

01:14:14,630 --> 01:14:11,850

Elon Musk and 116 AI intelligence

1344

01:14:17,419 --> 01:14:14,640

experts from all over the the planet

1345

01:14:19,610 --> 01:14:17,429

they are so concerned about this that

1346

01:14:22,310 --> 01:14:19,620

this past summer they sent an open

1347

01:14:25,100 --> 01:14:22,320

letter to the United Nations and they

1348

01:14:29,229 --> 01:14:25,110

said here is in a paragraph from a

1349

01:14:31,689 --> 01:14:29,239

letter quote lethal autonomous weapons

1350

01:14:34,910 --> 01:14:31,699

threatened to become the third

1351

01:14:37,340 --> 01:14:34,920

revolution in warfare once developed

1352

01:14:40,450 --> 01:14:37,350

they will permit armed conflict to be

1353

01:14:44,330 --> 01:14:40,460

fought at a scale greater than ever and

1354

01:14:46,939 --> 01:14:44,340

at timescales faster than humans can

1355

01:14:50,450 --> 01:14:46,949

comprehend this is one of the things

1356

01:14:53,900 --> 01:14:50,460

that Elon Musk keeps going and pounding

1357

01:14:56,600 --> 01:14:53,910

he says we are already building robots

1358

01:14:58,550 --> 01:14:56,610

that are faster they can lay bricks

1359

01:15:01,310 --> 01:14:58,560

faster they can do everything faster

1360

01:15:04,160 --> 01:15:01,320

they don't need sleep they don't have

1361

01:15:08,570 --> 01:15:04,170

sick time they are already beginning to

1362

01:15:13,610 --> 01:15:08,580

accelerate past us and last summer at

1363

01:15:17,979 --> 01:15:13,620

one of the AI conferences that there was

1364

01:15:21,080 --> 01:15:17,989

a engineer who showed how a very lovely

1365

01:15:22,940 --> 01:15:21,090

harmless looking little robot that has

1366

01:15:26,870 --> 01:15:22,950

been made for doing help in

1367

01:15:30,170 --> 01:15:26,880

kitchen being able to scrub and being

1368

01:15:32,930 --> 01:15:30,180

able to even use some kind of a knife to

1369

01:15:36,080 --> 01:15:32,940

cut vegetables and a screwdriver to

1370

01:15:39,050 --> 01:15:36,090

screw things if a door was coming loose

1371

01:15:43,040 --> 01:15:39,060

or a handle was coming off and all they

1372

01:15:47,360 --> 01:15:43,050

did was a simple hack and this little

1373

01:15:50,240 --> 01:15:47,370

very innocent looking robot changed in

1374

01:15:53,470 --> 01:15:50,250

an instant from the innocent in the

1375

01:15:56,270 --> 01:15:53,480

kitchen - taking a screwdriver and

1376

01:15:58,160 --> 01:15:56,280

demolishing a toy rabbit that was in

1377

01:16:00,680 --> 01:15:58,170

front of it because they hacked it who

1378

01:16:05,120 --> 01:16:00,690

attacked the rabbit instead of protect

1379

01:16:08,600 --> 01:16:05,130

the rabbit and what they men who are

1380

01:16:14,120 --> 01:16:08,610

working in these issues like Elon Musk

1381

01:16:17,420 --> 01:16:14,130

and others they say that we must realize

1382

01:16:22,310 --> 01:16:17,430

that if we are moving toward autonomous

1383

01:16:26,810 --> 01:16:22,320

military robots then it takes the human

1384

01:16:30,020 --> 01:16:26,820

out of the equation that we are going to

1385

01:16:33,470 --> 01:16:30,030

be opening up a can of worms that we may

1386

01:16:36,440 --> 01:16:33,480

never be able to solve and for those who

1387

01:16:38,800 --> 01:16:36,450

would like to see and do some google

1388

01:16:43,790 --> 01:16:38,810

search and you can see for yourself

1389

01:16:46,820 --> 01:16:43,800

already along the 160 mile long border

1390

01:16:50,750 --> 01:16:46,830

between North and South Korea there is a

1391

01:16:59,210 --> 01:16:50,760

South Korean guard robot it is called an

1392

01:17:04,850 --> 01:16:59,220

F G R a1 and it is autonomous these SDR

1393

01:17:06,950 --> 01:17:04,860

a1 they alone decide when something is a

1394

01:17:11,210 --> 01:17:06,960

threat and they shoot to kill

1395

01:17:14,510 --> 01:17:11,220

and when you ask how many are moving

1396

01:17:17,900 --> 01:17:14,520

along that North South Korean border

1397

01:17:21,320 --> 01:17:17,910

the answer is unknown because the

1398

01:17:24,740 --> 01:17:21,330

project is so highly classified and do

1399

01:17:27,980 --> 01:17:24,750

you know Jimmy already the more I read

1400

01:17:30,230 --> 01:17:27,990

and I'm reading a lot I have files that

1401

01:17:32,990 --> 01:17:30,240

are about 8 inches high now of things

1402

01:17:35,570 --> 01:17:33,000

that I have been reading they're talking

1403

01:17:36,590 --> 01:17:35,580

about when I say they I mean the AI

1404

01:17:40,290 --> 01:17:36,600

community

1405

01:17:41,940 --> 01:17:40,300

they're they're approaching governments

1406

01:17:45,420 --> 01:17:41,950

and political systems and they would

1407

01:17:48,660 --> 01:17:45,430

like to see robots like the stra one

1408

01:17:50,490 --> 01:17:48,670

installed not only our national borders

1409

01:17:56,280 --> 01:17:50,500

like between the United States and

1410

01:17:59,730 --> 01:17:56,290

Mexico but in Airport can you imagine we

1411

01:18:03,000 --> 01:17:59,740

go through in airports now in security

1412

01:18:07,200 --> 01:18:03,010

what would it feel like if there were

1413

01:18:09,240 --> 01:18:07,210

SGR a ones now in the United States

1414

01:18:12,750 --> 01:18:09,250
maybe they couldn't function on

1415

01:18:16,560 --> 01:18:12,760
independent threat to kill but they are

1416

01:18:20,490 --> 01:18:16,570
already functioning autonomously in the

1417

01:18:22,440 --> 01:18:20,500
North and South Korean border let me

1418

01:18:26,040 --> 01:18:22,450
jump in for the audience this is

1419

01:18:28,820 --> 01:18:26,050
straight off of Wikipedia the SGR a1 is

1420

01:18:31,470 --> 01:18:28,830
a type of sentry gun a weapon that fires

1421

01:18:35,190 --> 01:18:31,480
autonomously that was jointly developed

1422

01:18:37,320 --> 01:18:35,200
by Samsung and Korea University to

1423

01:18:43,440 --> 01:18:37,330
assist South Korean troops in the Korean

1424

01:18:45,750 --> 01:18:43,450
Demilitarized ifirst unit of its kind to

1425

01:18:48,090 --> 01:18:45,760
have an integrated system that includes

1426

01:18:51,570 --> 01:18:48,100

surveillance tracking firing and voice

1427

01:18:54,000 --> 01:18:51,580

recognition while units of the SGR a1

1428

01:18:55,080 --> 01:18:54,010

have been reportedly deployed their

1429

01:18:57,360 --> 01:18:55,090

number is unknown

1430

01:18:59,760 --> 01:18:57,370

due to the project being highly

1431

01:19:01,860 --> 01:18:59,770

classified and I'm looking at pictures

1432

01:19:03,710 --> 01:19:01,870

of it here and that's about the scariest

1433

01:19:11,520 --> 01:19:03,720

thing I think I've ever seen in my life

1434

01:19:13,920 --> 01:19:11,530

well and imagine Elon Musk he did an

1435

01:19:17,280 --> 01:19:13,930

interview with the National Governors

1436

01:19:19,860 --> 01:19:17,290

Association last summer in Rhode Island

1437

01:19:23,520 --> 01:19:19,870

and there were 30 governors and Elon

1438

01:19:27,990 --> 01:19:23,530

Musk is sitting on the stage and he says

1439

01:19:31,560 --> 01:19:28,000

I realize that a lot of people aren't

1440

01:19:35,310 --> 01:19:31,570

going to get this until robots go down

1441

01:19:39,660 --> 01:19:35,320

the street killing people quote unquote

1442

01:19:43,860 --> 01:19:39,670

run its ethereal and everybody who is

1443

01:19:48,660 --> 01:19:43,870

calling alarm they have great concern

1444

01:19:50,430 --> 01:19:48,670

that if you take the definition of

1445

01:19:56,180 --> 01:19:50,440

artificial intelligence

1446

01:19:59,250 --> 01:19:56,190

it is code that makes its own code and

1447

01:20:03,150 --> 01:19:59,260

here is another thing that was one of

1448

01:20:08,040 --> 01:20:03,160

those chilling things that I've heard it

1449

01:20:13,020 --> 01:20:08,050

was if you have and algorithms and self

1450

01:20:16,320 --> 01:20:13,030

coding code their whole existence sort

1451

01:20:19,860 --> 01:20:16,330

of like viruses their their existence is

1452

01:20:23,189 --> 01:20:19,870

to exist so that means that you get code

1453

01:20:26,189 --> 01:20:23,199

in artificial intelligence that has

1454

01:20:29,580 --> 01:20:26,199

algorithms that keeps it making code and

1455

01:20:32,700 --> 01:20:29,590

he can make any code they want to keep

1456

01:20:37,229 --> 01:20:32,710

being an independent and in this case of

1457

01:20:41,340 --> 01:20:37,239

the s you are an autonomous AI well once

1458

01:20:43,430 --> 01:20:41,350

you start getting AI autonomously making

1459

01:20:46,950 --> 01:20:43,440

its own code for its own

1460

01:20:51,120 --> 01:20:46,960

self-preservation right where does it

1461

01:20:53,550 --> 01:20:51,130

deposit this is not like the if this is

1462

01:20:55,950 --> 01:20:53,560

not like something that is isolated on a

1463

01:20:58,260 --> 01:20:55,960

border we're talking about artificial

1464

01:21:01,560 --> 01:20:58,270

intelligence systems that are going to

1465

01:21:05,910 --> 01:21:01,570

be communicating around the entire world

1466

01:21:10,280 --> 01:21:05,920

and that means none of us no human is

1467

01:21:13,680 --> 01:21:10,290

going to know where the self activating

1468

01:21:17,700 --> 01:21:13,690

algorithms of the self coding code of AI

1469

01:21:20,400 --> 01:21:17,710

are depositing in god only knows how

1470

01:21:26,450 --> 01:21:20,410

many systems for backup

1471

01:21:29,760 --> 01:21:26,460

the ai's backup code for survival

1472

01:21:32,939 --> 01:21:29,770

there'll be one style a I would be one

1473

01:21:34,320 --> 01:21:32,949

step ahead of us on every front Linda

1474

01:21:37,709 --> 01:21:34,330

because that's what they do

1475

01:21:40,200 --> 01:21:37,719

and going back to this presentation that

1476

01:21:45,410 --> 01:21:40,210

I saw over the weekend another strange

1477

01:21:51,540 --> 01:21:45,420

comment which was why the concern about

1478

01:21:54,930 --> 01:21:51,550

AI wanting to take over and dominate the

1479

01:21:57,479 --> 01:21:54,940

world and and I thought wait a minute

1480

01:22:00,950 --> 01:21:57,489

you just said it's only what we put into

1481

01:22:02,660 --> 01:22:00,960

it the AI well what is a human every

1482

01:22:05,870 --> 01:22:02,670

civilization

1483

01:22:07,070 --> 01:22:05,880

you know megalomaniac dictator they want

1484

01:22:09,979 --> 01:22:07,080

to take over the world

1485

01:22:11,709 --> 01:22:09,989

you know many books and novels in vain

1486

01:22:15,410 --> 01:22:11,719

and have been written on the subject

1487

01:22:19,040 --> 01:22:15,420

well if we are the AI that we're

1488

01:22:22,970 --> 01:22:19,050

creating and the AI is us that's the

1489

01:22:26,540 --> 01:22:22,980

first thing on a eyes mind not the last

1490

01:22:29,780 --> 01:22:26,550

it's Jimmy when I was referencing the

1491

01:22:32,150 --> 01:22:29,790

Ronald Reagan Perez currents if the

1492

01:22:35,840 --> 01:22:32,160

evens are defined by our own government

1493

01:22:38,660 --> 01:22:35,850

as being a prime intelligence that has

1494

01:22:42,050 --> 01:22:38,670

created at least two of the other floor

1495

01:22:46,340 --> 01:22:42,060

on the list beyond the Eden's we're in a

1496

01:22:49,720 --> 01:22:46,350

universe where AI or start with prime

1497

01:22:52,880 --> 01:22:49,730

intelligence makes AI and then the AI

1498

01:22:56,870 --> 01:22:52,890

becomes something that functions and

1499

01:22:59,140 --> 01:22:56,880

keeps making AI and where there's no end

1500

01:23:03,350 --> 01:22:59,150

to it and then the definition of life

1501
01:23:06,140 --> 01:23:03,360
becomes a completely different context

1502
01:23:08,570 --> 01:23:06,150
because we've been on a planet where we

1503
01:23:10,310 --> 01:23:08,580
have been I've been told that we were

1504
01:23:13,250 --> 01:23:10,320
the only life in the universe and that's

1505
01:23:17,990 --> 01:23:13,260
not true and therefore if we are

1506
01:23:21,370 --> 01:23:18,000
somebody's Android then the preceding

1507
01:23:24,919 --> 01:23:21,380
types Denis salons and neanderthalensis

1508
01:23:27,950 --> 01:23:24,929
they had to have been also developed

1509
01:23:31,130 --> 01:23:27,960
genetically manipulated and it is going

1510
01:23:34,910 --> 01:23:31,140
on throughout the universe then what

1511
01:23:40,910 --> 01:23:34,920
about the likelihood that lots of what's

1512
01:23:43,760 --> 01:23:40,920
out there is AI and that the AI world is

1513
01:23:47,390 --> 01:23:43,770

going to make it in space much much

1514

01:23:50,630 --> 01:23:47,400

better and easier than human flesh and

1515

01:23:52,459 --> 01:23:50,640

blood because we are really fragile when

1516

01:23:56,660 --> 01:23:52,469

it comes to what we're up against in

1517

01:23:57,590 --> 01:23:56,670

space struggle and did you see speaking

1518

01:24:01,130 --> 01:23:57,600

of all of this

1519

01:24:03,050 --> 01:24:01,140

did you see the report last week that

1520

01:24:04,459 --> 01:24:03,060

was written I don't have the medical

1521

01:24:07,760 --> 01:24:04,469

journal in front of me that it was

1522

01:24:12,530 --> 01:24:07,770

published but 33 scientists authored

1523

01:24:20,300 --> 01:24:12,540

this report stating that octopus

1524

01:24:23,650 --> 01:24:20,310

yeah a lien right the first thing that

1525

01:24:27,440 --> 01:24:23,660

popped into my head was that brilliant

1526

01:24:30,680 --> 01:24:27,450

incredible film the arrival yeah and I

1527

01:24:35,740 --> 01:24:30,690

thought yes oh my gosh was that the

1528

01:24:41,650 --> 01:24:35,750

reason yes I made the tentacled eerie

1529

01:24:45,050 --> 01:24:41,660

strange creatures that the lovely female

1530

01:24:48,440 --> 01:24:45,060

scientists or a language expert that she

1531

01:24:50,240 --> 01:24:48,450

is the only one who interacted with and

1532

01:24:55,040 --> 01:24:50,250

began to understand how they were

1533

01:24:58,010 --> 01:24:55,050

communicating and then yes if the octopi

1534

01:25:00,290 --> 01:24:58,020

on the planet Earth are actually

1535

01:25:04,460 --> 01:25:00,300

transported here from someplace else

1536

01:25:07,460 --> 01:25:04,470

then comes this really really stunning

1537

01:25:09,410 --> 01:25:07,470

mind jerk when you think about the end

1538

01:25:11,660 --> 01:25:09,420

of the film if it was something like The

1539

01:25:14,510 --> 01:25:11,670

Day the Earth Stood Still a CIA script

1540

01:25:19,550 --> 01:25:14,520

put in Hollywood to test audience

1541

01:25:22,250 --> 01:25:19,560

reaction that at the end that the will

1542

01:25:24,230 --> 01:25:22,260

call them tentacled tentacled creatures

1543

01:25:27,590 --> 01:25:24,240

because you only saw them in bits and

1544

01:25:31,750 --> 01:25:27,600

pieces in her illustrations that the

1545

01:25:35,810 --> 01:25:31,760

canticle entities they were

1546

01:25:41,480 --> 01:25:35,820

time-traveling they they were actually

1547

01:25:44,000 --> 01:25:41,490

going back in time in order to avert or

1548

01:25:46,730 --> 01:25:44,010

get help for something that would happen

1549

01:25:50,900 --> 01:25:46,740

I think it was a thousand years in in

1550

01:25:54,680 --> 01:25:50,910

the future and that I and that they they

1551
01:25:58,210 --> 01:25:54,690
were not here to hurt anybody they were

1552
01:26:01,520 --> 01:25:58,220
here because they were trying to survive

1553
01:26:03,740 --> 01:26:01,530
themselves Rita and I when we walked out

1554
01:26:05,420 --> 01:26:03,750
of the theater I turned to her and we

1555
01:26:07,700 --> 01:26:05,430
were silent I turned to her I said so

1556
01:26:11,150 --> 01:26:07,710
what do you think she goes somebody is

1557
01:26:14,150 --> 01:26:11,160
sending us a message right there

1558
01:26:16,610 --> 01:26:14,160
i odd that movie was so good and

1559
01:26:19,850 --> 01:26:16,620
profound I went and saw it three times

1560
01:26:22,280 --> 01:26:19,860
at each time I saw something more I

1561
01:26:25,310 --> 01:26:22,290
really do think it was an extraordinary

1562
01:26:28,580 --> 01:26:25,320
script it stuck out to me

1563
01:26:31,520 --> 01:26:28,590

this is more than just a Hollywood film

1564

01:26:35,149 --> 01:26:31,530

and that's why when I saw that headline

1565

01:26:37,490 --> 01:26:35,159

about the scientists saying that octopi

1566

01:26:40,879 --> 01:26:37,500

were something from someplace else and

1567

01:26:43,430 --> 01:26:40,889

giving the reasons why genetically it

1568

01:26:47,000 --> 01:26:43,440

that movie just jumped full and center

1569

01:26:49,569 --> 01:26:47,010

I'd have no proof but that is exactly

1570

01:26:52,220 --> 01:26:49,579

what I thought of and it will be

1571

01:26:55,459 --> 01:26:52,230

interesting to see what more all of us

1572

01:26:57,319 --> 01:26:55,469

can learn about the reasons that the

1573

01:27:01,550 --> 01:26:57,329

science scientists are giving

1574

01:27:04,520 --> 01:27:01,560

genetically to back up their argument

1575

01:27:09,220 --> 01:27:04,530

and here is another whole huge conundrum

1576

01:27:13,459 --> 01:27:09,230

that all of us face science is

1577

01:27:17,839 --> 01:27:13,469

outstripping everybody's ability to keep

1578

01:27:21,530 --> 01:27:17,849

up if you are an astrophysicist and you

1579

01:27:24,260 --> 01:27:21,540

are focused in one specific part of a

1580

01:27:27,020 --> 01:27:24,270

thousand possible aspects of

1581

01:27:30,069 --> 01:27:27,030

astrophysics you can become an expert

1582

01:27:32,870 --> 01:27:30,079

but you won't be a Renaissance mind on

1583

01:27:37,250 --> 01:27:32,880

everything because there's too much and

1584

01:27:41,120 --> 01:27:37,260

it's too too difficult molecular biology

1585

01:27:43,189 --> 01:27:41,130

genetics these are subjects I wish we

1586

01:27:47,629 --> 01:27:43,199

could put our pipes everybody a pipe

1587

01:27:51,680 --> 01:27:47,639

between our mind and PhD and so that we

1588

01:27:54,069 --> 01:27:51,690

had a more educated population about the

1589

01:27:57,680 --> 01:27:54,079

subjects that are now going to be

1590

01:28:00,709 --> 01:27:57,690

increasingly the relevant they're going

1591

01:28:02,629 --> 01:28:00,719

to be what we have to understand in

1592

01:28:05,359 --> 01:28:02,639

order to understand the planet that

1593

01:28:08,629 --> 01:28:05,369

we're evolving in and it is a big

1594

01:28:12,080 --> 01:28:08,639

disconnect now between those who have

1595

01:28:14,240 --> 01:28:12,090

knowledge at PhD level and the rest of

1596

01:28:15,709 --> 01:28:14,250

the planet on subjects that are we going

1597

01:28:18,169 --> 01:28:15,719

to become more and more and more

1598

01:28:20,930 --> 01:28:18,179

important we're going to head towards a

1599

01:28:24,500 --> 01:28:20,940

break here but before we get there I did

1600

01:28:26,959 --> 01:28:24,510

want to ask you this and we'll see if I

1601
01:28:29,629 --> 01:28:26,969
can get you to answer this quickly the

1602
01:28:31,790 --> 01:28:29,639
old UFO hypothesis and the way that we

1603
01:28:33,439 --> 01:28:31,800
looked at the nuts-and-bolts craft and

1604
01:28:34,729 --> 01:28:33,449
and trying to figure out how they got

1605
01:28:37,850 --> 01:28:34,739
here and that they were you know

1606
01:28:39,050 --> 01:28:37,860
traveling from wherever these vast

1607
01:28:41,990 --> 01:28:39,060
distances in

1608
01:28:45,830 --> 01:28:42,000
craft and where we are today and our

1609
01:28:49,100 --> 01:28:45,840
understanding of travel has evolved so

1610
01:28:51,560 --> 01:28:49,110
much how do you think how do you think

1611
01:28:55,550 --> 01:28:51,570
they are getting here is it is it

1612
01:28:59,870 --> 01:28:55,560
bending space is it is it time travel is

1613
01:29:02,600 --> 01:28:59,880

it wormholes interdimensional are they

1614

01:29:06,500 --> 01:29:02,610

already here I mean where do you stand

1615

01:29:10,100 --> 01:29:06,510

today on that Lynda all of the buzz yeah

1616

01:29:13,310 --> 01:29:10,110

everything you just said I really do

1617

01:29:15,590 --> 01:29:13,320

think that is true and depending upon

1618

01:29:18,170 --> 01:29:15,600

what time we have maybe I can tell you

1619

01:29:20,930 --> 01:29:18,180

this after the break sure about an

1620

01:29:24,320 --> 01:29:20,940

amazing conversation that I had with a

1621

01:29:27,500 --> 01:29:24,330

man who was working on ring lasers both

1622

01:29:30,380 --> 01:29:27,510

at MIT and wright-patterson Linda I want

1623

01:29:32,780 --> 01:29:30,390

you I want your connects you just got me

1624

01:29:34,760 --> 01:29:32,790

all freaked out let's let's go ahead and

1625

01:29:37,250 --> 01:29:34,770

take our break so we can do this when we

1626
01:29:39,980 --> 01:29:37,260
get back our guest tonight Linda Moulton

1627
01:29:41,690 --> 01:29:39,990
Howe this is fade to black our meals

1628
01:29:43,730 --> 01:29:41,700
Jimmy Church again follow me on Twitter

1629
01:29:45,920 --> 01:29:43,740
at chasers radio and you can follow

1630
01:29:50,060 --> 01:29:45,930
Linda at earthfiles we'll see in a

1631
01:29:52,880 --> 01:29:50,070
second Linda yeah fade to black I'll be

1632
01:29:52,890 --> 01:30:08,530
[Music]

1633
01:30:14,740 --> 01:30:11,740
way out here we listen to Jimmy Church

1634
01:30:17,270 --> 01:30:14,750
you're listening to faint and black

1635
01:30:18,560 --> 01:30:17,280
always on the edge of the hottest

1636
01:30:21,860 --> 01:30:18,570
alternative talk

1637
01:30:41,020 --> 01:30:21,870
Jimmy church with fade to black stay GRA

1638
01:30:44,780 --> 01:30:41,030

radio.com hurricanes earthquakes

1639

01:30:47,150 --> 01:30:44,790

wildfires this year we've experienced a

1640

01:30:49,430 --> 01:30:47,160

more than our fair share this is Jimmy

1641

01:30:51,620 --> 01:30:49,440

Church a fade to black and last month I

1642

01:30:53,959 --> 01:30:51,630

decided to make sure my family does not

1643

01:30:56,680 --> 01:30:53,969

have to worry about food should we get

1644

01:30:59,570 --> 01:30:56,690

caught in a real emergency situation

1645

01:31:01,400 --> 01:30:59,580

introducing Humana a healthy storable

1646

01:31:03,320 --> 01:31:01,410

product that tastes so good that you'll

1647

01:31:05,870 --> 01:31:03,330

want to eat it every day instead of just

1648

01:31:07,910 --> 01:31:05,880

during those times of duress all new

1649

01:31:11,450 --> 01:31:07,920

manna products have a 25 year shelf life

1650

01:31:14,030 --> 01:31:11,460

our msg and GMO free no preservatives

1651

01:31:15,830 --> 01:31:14,040

and are made in America with the new

1652

01:31:17,750 --> 01:31:15,840

mana pack in your home you'll be able

1653

01:31:20,330 --> 01:31:17,760

to sleep at night knowing that you

1654

01:31:23,510 --> 01:31:20,340

protected your family not only have I

1655

01:31:25,910 --> 01:31:23,520

tasted and tested I own it now you can

1656

01:31:28,040 --> 01:31:25,920

too just click on the new mana banner on

1657

01:31:30,500 --> 01:31:28,050

Jimmy Church radio.com and use the promo

1658

01:31:32,630 --> 01:31:30,510

code Jimmy when you order in addition to

1659

01:31:36,290 --> 01:31:32,640

a discount we'll send you an autograph

1660

01:31:39,140 --> 01:31:36,300

fade to black t-shirt seriously gobekli

1661

01:31:41,479 --> 01:31:39,150

tepe do you worry a lot whether you're a

1662

01:31:43,550 --> 01:31:41,489

college student busy professional parent

1663

01:31:44,930 --> 01:31:43,560

or grandparent ongoing stress and

1664

01:31:47,600 --> 01:31:44,940

elevated levels of the stress hormone

1665

01:31:48,680 --> 01:31:47,610

cortisol can rob your memory your health

1666

01:31:50,870 --> 01:31:48,690

and your future

1667

01:31:52,760 --> 01:31:50,880

now you can combat the effects of stress

1668

01:31:54,860 --> 01:31:52,770

and anxiety while improving your memory

1669

01:31:56,959 --> 01:31:54,870

and recall at the same time with the

1670

01:31:58,729 --> 01:31:56,969

dietary supplement calm and clever

1671

01:32:00,860 --> 01:31:58,739

studies show that the ingredients in

1672

01:32:03,350 --> 01:32:00,870

common clever reduce cortisol by as much

1673

01:32:04,760 --> 01:32:03,360

as 30% in one to two weeks call one

1674

01:32:08,030 --> 01:32:04,770

eight hundred seven five eight eight

1675

01:32:10,460 --> 01:32:08,040

seven four six or calm and clever calm

1676

01:32:19,250 --> 01:32:10,470

you listen to us and we listen to you

1677

01:32:20,960 --> 01:32:19,260

and so does the CIA jgr a radio.com hi

1678

01:32:21,710 --> 01:32:20,970

folks what can i say without making

1679

01:32:23,240 --> 01:32:21,720

claims

1680

01:32:24,950 --> 01:32:23,250

seaweed is truly the buzzword for

1681

01:32:26,870 --> 01:32:24,960

health what does it do government

1682

01:32:28,850 --> 01:32:26,880

institutions will not allow me to say

1683

01:32:31,730 --> 01:32:28,860

what this wonderful oil does for us but

1684

01:32:34,400 --> 01:32:31,740

I can say it's non-gmo and organic I can

1685

01:32:36,320 --> 01:32:34,410

say it's point zero zero three THC which

1686

01:32:38,630 --> 01:32:36,330

in plain English means you won't get

1687

01:32:40,670 --> 01:32:38,640

high there are those that want to squash

1688

01:32:42,470 --> 01:32:40,680

your freedom to buy natural products

1689

01:32:44,600 --> 01:32:42,480

fight back with the purchase power in

1690

01:32:46,610 --> 01:32:44,610

the end it is you that takes care of

1691

01:32:51,260 --> 01:32:46,620

your health go to ancient life oil calm

1692

01:32:52,730 --> 01:32:51,270

one more time ancient life oil calm you

1693

01:32:55,010 --> 01:32:52,740

are listening to fade to black

1694

01:32:59,870 --> 01:32:55,020

with Jimmy Church on the game changer

1695

01:33:01,910 --> 01:32:59,880

Network hi I'm Lisa Vance you're

1696

01:33:04,850 --> 01:33:01,920

listening to Jimmy Church this is a

1697

01:33:08,680 --> 01:33:04,860

revolution the revolution will not be

1698

01:33:14,140 --> 01:33:08,690

televised the revolution is on radio

1699

01:33:14,150 --> 01:33:52,879

[Music]

1700

01:33:58,649 --> 01:33:55,199

welcome back fade to black did you guys

1701

01:34:01,410 --> 01:33:58,659

like that painting held that up for the

1702

01:34:02,969 --> 01:34:01,420

camera that was Doug Taylor and gave

1703

01:34:07,350 --> 01:34:02,979

that to me this weekend very cool

1704

01:34:09,839 --> 01:34:07,360

gobekli tepe and he got me he painted me

1705

01:34:11,910 --> 01:34:09,849

into the pic it's pretty cool yeah at

1706

01:34:14,250 --> 01:34:11,920

Linda I haven't been to gobekli tepe but

1707

01:34:18,149 --> 01:34:14,260

Doug Taylor you know Doug he did this

1708

01:34:20,819 --> 01:34:18,159

beautiful painting and and he knows my

1709

01:34:23,609 --> 01:34:20,829

love for gobekli tepe

1710

01:34:25,830 --> 01:34:23,619

and so he painted me into the pic and it

1711

01:34:27,390 --> 01:34:25,840

just like that cool it's as close as I'm

1712

01:34:28,979 --> 01:34:27,400

gonna get right now but it's an amazing

1713

01:34:32,189 --> 01:34:28,989

piece of art I just held it up for the

1714

01:34:34,259 --> 01:34:32,199

camera yeah I wasn't there but the

1715

01:34:36,660 --> 01:34:34,269

painting is so good it looks like I

1716

01:34:41,160 --> 01:34:36,670

don't want people to think I was just in

1717

01:34:43,319 --> 01:34:41,170

a in Turkey I was not Linda ring lasers

1718

01:34:46,560 --> 01:34:43,329

and see you bring up something like this

1719

01:34:48,330 --> 01:34:46,570

we're talking about you know systems and

1720

01:34:51,330 --> 01:34:48,340

propulsion or how they're doing it and

1721

01:34:53,370 --> 01:34:51,340

how the traveling you know et is making

1722

01:34:55,680 --> 01:34:53,380

it here through these fast distances

1723

01:34:57,449 --> 01:34:55,690

nothing is close you know Alpha Centauri

1724

01:35:01,080 --> 01:34:57,459

is still four and a half light-years

1725

01:35:03,419 --> 01:35:01,090

away as close as that may be to us it's

1726

01:35:05,399 --> 01:35:03,429

the closest star system but it's still

1727

01:35:08,969 --> 01:35:05,409

important to have light years is a long

1728

01:35:11,009 --> 01:35:08,979

ways and you bring up ring lasers I'm

1729

01:35:15,839 --> 01:35:11,019

really interested in this what did you

1730

01:35:20,189 --> 01:35:15,849

find out yeah if we could move point to

1731

01:35:23,790 --> 01:35:20,199

point with resonant frequencies or space

1732

01:35:26,699 --> 01:35:23,800

tunnels we we could walk through a door

1733

01:35:30,589 --> 01:35:26,709

I mean literally you would be on one

1734

01:35:35,069 --> 01:35:30,599

side of a threshold this earth in this

1735

01:35:38,040 --> 01:35:35,079

time and you would be able to program a

1736

01:35:41,580 --> 01:35:38,050

whole different latitude/longitude time

1737

01:35:43,979 --> 01:35:41,590

and resonance and then you would run it

1738

01:35:46,859 --> 01:35:43,989

and then you would just step across the

1739

01:35:49,680 --> 01:35:46,869

threshold and you would be three billion

1740

01:35:52,620 --> 01:35:49,690

light years away checking out whether or

1741

01:35:55,830 --> 01:35:52,630

not those fast radio bursts were light

1742

01:35:59,609 --> 01:35:55,840

speed transport for example and all of

1743

01:36:02,489 --> 01:35:59,619

this was laid out to me one of the more

1744

01:36:04,710 --> 01:36:02,499

interesting discussions that I've had

1745

01:36:08,490 --> 01:36:04,720

with somebody who came from both

1746

01:36:11,010 --> 01:36:08,500

science and military background and it

1747

01:36:13,410 --> 01:36:11,020

started I was this is when I was

1748

01:36:16,620 --> 01:36:13,420

director of special projects at the CBS

1749

01:36:18,720 --> 01:36:16,630

station in Denver and I had done a

1750

01:36:22,500 --> 01:36:18,730

strange harvest about the animal

1751

01:36:24,390 --> 01:36:22,510

mutilations and was working this was

1752

01:36:27,390 --> 01:36:24,400

like two years later and I was working

1753

01:36:30,600 --> 01:36:27,400

on a film about astronaut training in

1754

01:36:35,340 --> 01:36:30,610

Colorado at Martin Marietta outside of

1755

01:36:38,010 --> 01:36:35,350

Denver and I wanted to get the crew and

1756

01:36:41,220 --> 01:36:38,020

myself into what would look like a

1757

01:36:43,290 --> 01:36:41,230

really modern beautiful place or they

1758

01:36:46,920 --> 01:36:43,300

were making aspects that related to

1759

01:36:50,640 --> 01:36:46,930

astronaut training satellites and all of

1760

01:36:53,250 --> 01:36:50,650

that so I had called up as a manager in

1761

01:36:55,560 --> 01:36:53,260

the CBS TV station working on a

1762

01:36:59,280 --> 01:36:55,570

documentary and I had talked with Bell

1763

01:37:03,270 --> 01:36:59,290

Labs that ball lab sorry that were

1764

01:37:05,580 --> 01:37:03,280
outside of Boulder and said that I

1765

01:37:08,700 --> 01:37:05,590
wanted to come and take a look at their

1766

01:37:12,050 --> 01:37:08,710
various labs and find a place where the

1767

01:37:15,210 --> 01:37:12,060
crew and I could work and they were very

1768

01:37:17,790 --> 01:37:15,220
cooperative and I went so I'm not with a

1769

01:37:22,350 --> 01:37:17,800
crew I'm on what's called a location

1770

01:37:25,980 --> 01:37:22,360
scout and I am though sawing with group

1771

01:37:28,830 --> 01:37:25,990
they were about six men myself and each

1772

01:37:32,430 --> 01:37:28,840
man was there for various other reasons

1773

01:37:34,650 --> 01:37:32,440
and we were taken around in a clutch

1774

01:37:36,900 --> 01:37:34,660
because it was a highly classified place

1775

01:37:39,120 --> 01:37:36,910
and I was not interested in doing

1776

01:37:42,660 --> 01:37:39,130

anything that would have to do with

1777

01:37:46,740 --> 01:37:42,670

classes being classified but I wanted to

1778

01:37:49,470 --> 01:37:46,750

work in clean lab that would fit in my

1779

01:37:52,650 --> 01:37:49,480

film and so I would have to go around

1780

01:37:57,300 --> 01:37:52,660

with people who they were taking with

1781

01:38:01,710 --> 01:37:57,310

some orientation and that's where I see

1782

01:38:06,900 --> 01:38:01,720

a badge hanging on a man's jacket and it

1783

01:38:08,700 --> 01:38:06,910

says ring laser physicist and it said

1784

01:38:14,130 --> 01:38:08,710

wright-patterson Air Force Base

1785

01:38:16,350 --> 01:38:14,140

hmm oh I kept thinking and we were

1786

01:38:18,089 --> 01:38:16,360

listening to the people guiding us

1787

01:38:21,330 --> 01:38:18,099

around to the different rooms and

1788

01:38:25,229 --> 01:38:21,340

and we got to a point where we were

1789

01:38:29,040 --> 01:38:25,239

asked to just hang out in a place while

1790

01:38:33,149 --> 01:38:29,050

the person who was orienting us had to

1791

01:38:35,910 --> 01:38:33,159

go and check with somebody so I said sir

1792

01:38:39,120 --> 01:38:35,920

I'm from the CBS station

1793

01:38:43,500 --> 01:38:39,130

I do documentaries and I couldn't help

1794

01:38:45,149 --> 01:38:43,510

but notice your badge and I just

1795

01:38:48,390 --> 01:38:45,159

wondered since you work at

1796

01:38:52,379 --> 01:38:48,400

wright-patterson have you ever heard

1797

01:38:56,310 --> 01:38:52,389

about UFOs and ETS I asked that question

1798

01:38:59,160 --> 01:38:56,320

and he could have walked away or sneer

1799

01:39:01,770 --> 01:38:59,170

or whatever but I felt that it was

1800

01:39:04,050 --> 01:39:01,780

legitimate because I would explain to

1801
01:39:06,810 --> 01:39:04,060
him that I was asking because I had done

1802
01:39:09,060 --> 01:39:06,820
a strange harvest and I won an Emmy so I

1803
01:39:13,439 --> 01:39:09,070
I had that in the back of my head ready

1804
01:39:21,089 --> 01:39:13,449
to bring out if he gave me criticism

1805
01:39:24,000 --> 01:39:21,099
instead he said immediately if you're

1806
01:39:27,089 --> 01:39:24,010
interested in that subject yes I can

1807
01:39:31,109 --> 01:39:27,099
share some information but not here not

1808
01:39:34,109 --> 01:39:31,119
here I'll have to call you so that night

1809
01:39:37,080 --> 01:39:34,119
I live down in Littleton and that he was

1810
01:39:40,830 --> 01:39:37,090
up in Boulder but sure enough in the

1811
01:39:44,310 --> 01:39:40,840
evening he called howdy how do you pull

1812
01:39:50,490 --> 01:39:44,320
this stuff off well I don't get that

1813
01:39:54,780 --> 01:39:50,500

call it it is I think people know I am

1814

01:39:57,720 --> 01:39:54,790

honestly trying to understand I don't

1815

01:40:00,720 --> 01:39:57,730

really have much of any other agenda

1816

01:40:03,899 --> 01:40:00,730

except to try to understand what the

1817

01:40:06,149 --> 01:40:03,909

truth is and report it and that if

1818

01:40:10,500 --> 01:40:06,159

people are willing to talk with me on or

1819

01:40:13,919 --> 01:40:10,510

off the record if it's off the record I

1820

01:40:16,410 --> 01:40:13,929

learn a lot that gives me context if

1821

01:40:18,209 --> 01:40:16,420

it's on the record then I'll do it as an

1822

01:40:21,089 --> 01:40:18,219

interview and the off-the-record

1823

01:40:24,330 --> 01:40:21,099

information that comes in this category

1824

01:40:28,069 --> 01:40:24,340

he would be like a Hoover war is very

1825

01:40:31,350 --> 01:40:28,079

helpful and what was interesting to me

1826

01:40:34,050 --> 01:40:31,360

my question to him

1827

01:40:39,149 --> 01:40:34,060

provoked him because some of these

1828

01:40:41,790 --> 01:40:39,159

people they don't they never get to talk

1829

01:40:44,459 --> 01:40:41,800

about any of this right and he just

1830

01:40:45,990 --> 01:40:44,469

decided that if I was working at a TV

1831

01:40:47,970 --> 01:40:46,000

station and I was working in this

1832

01:40:52,530 --> 01:40:47,980

subject matter that he would talk with

1833

01:40:57,689 --> 01:40:52,540

me and to boil down about a two and a

1834

01:41:02,640 --> 01:40:57,699

half three hour discussion he said that

1835

01:41:05,030 --> 01:41:02,650

he knew another physicists knew that we

1836

01:41:09,290 --> 01:41:05,040

were in a universe where other

1837

01:41:12,810 --> 01:41:09,300

intelligences moved point-to-point and

1838

01:41:15,330 --> 01:41:12,820

he used as Wepner has become a common

1839

01:41:19,169 --> 01:41:15,340

metaphor where you if you had I think of

1840

01:41:21,660 --> 01:41:19,179

a napkin and you pick up one point of

1841

01:41:24,750 --> 01:41:21,670

the napkin and you fold it you're

1842

01:41:27,300 --> 01:41:24,760

folding space-time in between and you're

1843

01:41:30,240 --> 01:41:27,310

making two points of the napkin come

1844

01:41:33,450 --> 01:41:30,250

together and that is used quite often as

1845

01:41:36,600 --> 01:41:33,460

a metaphor and there are other things

1846

01:41:39,209 --> 01:41:36,610

there are space tunnels is the way it's

1847

01:41:44,550 --> 01:41:39,219

described it may or may not fit in to

1848

01:41:48,300 --> 01:41:44,560

the world of wormholes but he went into

1849

01:41:52,350 --> 01:41:48,310

this with first first hand physicist

1850

01:41:56,490 --> 01:41:52,360

knowledge about this concept later on

1851

01:41:59,129 --> 01:41:56,500

about six months later he was back in

1852

01:42:01,020 --> 01:41:59,139

Boulder he was at some kind of a

1853

01:42:04,709 --> 01:42:01,030

scientific meeting and he called and he

1854

01:42:06,510 --> 01:42:04,719

said you know it's really important this

1855

01:42:08,490 --> 01:42:06,520

is really important that I be able to

1856

01:42:11,160 --> 01:42:08,500

talk to you face-to-face I cannot talk

1857

01:42:13,229 --> 01:42:11,170

to you on the phone so I drove to

1858

01:42:17,700 --> 01:42:13,239

Boulder from Denver's about thirty

1859

01:42:20,790 --> 01:42:17,710

minutes and we met on the University of

1860

01:42:23,160 --> 01:42:20,800

Colorado campus and we were in a place

1861

01:42:25,290 --> 01:42:23,170

that would be look just like we were

1862

01:42:29,970 --> 01:42:25,300

just people there on the campus having

1863

01:42:31,500 --> 01:42:29,980

lunch said I want you to know that you

1864

01:42:36,990 --> 01:42:31,510

are in great danger

1865

01:42:40,680 --> 01:42:37,000

and I said well yeah I I suspect that a

1866

01:42:44,220 --> 01:42:40,690

lot in my life I'm not dealing with easy

1867

01:42:45,080 --> 01:42:44,230

subjects but why do you say that and he

1868

01:42:50,240 --> 01:42:45,090

said

1869

01:42:56,480 --> 01:42:50,250

since I talked with you on the phone and

1870

01:43:00,500 --> 01:42:56,490

went back to my lab and he said totally

1871

01:43:03,570 --> 01:43:00,510

unrelated but what happened has been

1872

01:43:08,250 --> 01:43:03,580

concerning to me that I at least be able

1873

01:43:11,100 --> 01:43:08,260

to tell you he said not long after that

1874

01:43:14,910 --> 01:43:11,110

phone conversation and that ball era

1875

01:43:20,760 --> 01:43:14,920

space tour he said I had put in a

1876

01:43:24,060 --> 01:43:20,770

request for all of Nikola Tesla's

1877

01:43:26,250 --> 01:43:24,070

patents including the ones that

1878

01:43:29,220 --> 01:43:26,260

disappeared after he died in New York

1879

01:43:33,540 --> 01:43:29,230

City and he said it be very very

1880

01:43:36,870 --> 01:43:33,550

important to my work in ring lasers and

1881

01:43:39,480 --> 01:43:36,880

he said it had gone on my request and he

1882

01:43:43,170 --> 01:43:39,490

said my classification and my work I

1883

01:43:46,640 --> 01:43:43,180

should be able to put in a request for

1884

01:43:51,890 --> 01:43:46,650

any patent anywhere and get it

1885

01:43:57,440 --> 01:43:51,900

he said the very next morning in his lab

1886

01:44:01,910 --> 01:43:57,450

which was so classified that no one

1887

01:44:04,890 --> 01:44:01,920

except him could just walk into that lab

1888

01:44:08,220 --> 01:44:04,900

everybody else would have to go through

1889

01:44:11,640 --> 01:44:08,230

security phone calls he would be

1890

01:44:15,380 --> 01:44:11,650

notified of anybody who was coming from

1891

01:44:18,330 --> 01:44:15,390

the outside world into his lab and yet

1892

01:44:20,400 --> 01:44:18,340

the next morning after putting in and

1893

01:44:24,930 --> 01:44:20,410

submitting the request for the patents

1894

01:44:28,770 --> 01:44:24,940

from Nikola Tesla two men in a

1895

01:44:34,710 --> 01:44:28,780

proverbial black suit white shirt black

1896

01:44:38,280 --> 01:44:34,720

ties short black hair opened up the door

1897

01:44:43,080 --> 01:44:38,290

to his lab and come in as if they owned

1898

01:44:46,650 --> 01:44:43,090

the place he was so shocked who are you

1899

01:44:51,450 --> 01:44:46,660

the memory said who are you they didn't

1900

01:44:57,180 --> 01:44:51,460

show him anything they just said we are

1901
01:44:58,710 --> 01:44:57,190
here to inform you that your request for

1902
01:45:02,940 --> 01:44:58,720
Nikola Tesla's

1903
01:45:05,880 --> 01:45:02,950
patents is denied that you are never to

1904
01:45:09,480 --> 01:45:05,890
put in a request for them again

1905
01:45:13,680 --> 01:45:09,490
and we're here to remind you that if you

1906
01:45:16,740 --> 01:45:13,690
want your laboratory to continue with

1907
01:45:20,700 --> 01:45:16,750
the federal funding that you have you

1908
01:45:23,940 --> 01:45:20,710
will stop any and all inquiries with

1909
01:45:27,060 --> 01:45:23,950
anyone about and then they use some term

1910
01:45:29,250 --> 01:45:27,070
that he interpreted as that his phone

1911
01:45:33,600 --> 01:45:29,260
have been tapped and I had been tapped

1912
01:45:38,850 --> 01:45:33,610
and our discussion had been was being

1913
01:45:41,640 --> 01:45:38,860

referenced and he said when you're in my

1914

01:45:45,150 --> 01:45:41,650

position and you're doing the work that

1915

01:45:48,450 --> 01:45:45,160

you're doing and people have the ability

1916

01:45:52,380 --> 01:45:48,460

to come in to your lab without even

1917

01:45:56,910 --> 01:45:52,390

explaining who they work for he said I

1918

01:46:00,180 --> 01:45:56,920

know that what I do and what you do that

1919

01:46:03,060 --> 01:46:00,190

there are dangerous consequences and he

1920

01:46:05,940 --> 01:46:03,070

said I wanted you to know that well what

1921

01:46:08,250 --> 01:46:05,950

it did to me it didn't scare me it may

1922

01:46:15,120 --> 01:46:08,260

be even more interested in the work of

1923

01:46:19,620 --> 01:46:15,130

Nikola Tesla that's right I've never

1924

01:46:24,120 --> 01:46:19,630

asked you this height there's always the

1925

01:46:28,980 --> 01:46:24,130

first time question have you ever had an

1926

01:46:32,010 --> 01:46:28,990

encounter with the men in black not a

1927

01:46:35,780 --> 01:46:32,020

man I'm not made black but I certainly

1928

01:46:39,990 --> 01:46:35,790

have had threats from a variety of

1929

01:46:43,860 --> 01:46:40,000

various people and I think the biggest

1930

01:46:46,950 --> 01:46:43,870

the thing that really annoys me is that

1931

01:46:50,400 --> 01:46:46,960

I will have spent a lot of time and

1932

01:46:53,340 --> 01:46:50,410

sometimes money and travel to set up

1933

01:46:57,120 --> 01:46:53,350

conditions where I can do a recording in

1934

01:46:59,250 --> 01:46:57,130

which I am totally willing to alter a

1935

01:47:01,410 --> 01:46:59,260

voice and I have done that I've done

1936

01:47:05,160 --> 01:47:01,420

that even in some of my interviews and

1937

01:47:12,020 --> 01:47:05,170

I'm coast to coast and protect always

1938

01:47:14,540 --> 01:47:12,030

protect the source and I will be have

1939

01:47:18,200 --> 01:47:14,550

to use the phones see this is the

1940

01:47:20,330 --> 01:47:18,210

Achilles heel of the American journalist

1941

01:47:24,050 --> 01:47:20,340

who is supposed to be protected by a

1942

01:47:27,680 --> 01:47:24,060

constitution and I'm not doing anything

1943

01:47:32,570 --> 01:47:27,690

wrong but my phone has been tapped ever

1944

01:47:37,570 --> 01:47:32,580

since I did a strange harvest and I have

1945

01:47:40,760 --> 01:47:37,580

to compartmentalize and and not feel

1946

01:47:44,960 --> 01:47:40,770

some kind of fear or anxiety and I do

1947

01:47:47,000 --> 01:47:44,970

that pretty well but when I think that

1948

01:47:50,840 --> 01:47:47,010

I've done everything responsibly and

1949

01:47:54,110 --> 01:47:50,850

correctly incredibly and I have dd-214

1950

01:47:56,630 --> 01:47:54,120

and military and a person is willing to

1951

01:47:58,940 --> 01:47:56,640

talk and I will alter their voice and I

1952

01:48:01,850 --> 01:47:58,950

will protect them just to get the

1953

01:48:05,840 --> 01:48:01,860

information out and the next thing that

1954

01:48:08,630 --> 01:48:05,850

happens is a communication I am so sorry

1955

01:48:11,390 --> 01:48:08,640

Linda I really want to do this but I

1956

01:48:14,720 --> 01:48:11,400

have a family and men showed up at my

1957

01:48:20,990 --> 01:48:14,730

front door and they told me and it's

1958

01:48:24,830 --> 01:48:21,000

always a variation on as one the CIA guy

1959

01:48:26,120 --> 01:48:24,840

that I did the whole 20 part series at

1960

01:48:29,960 --> 01:48:26,130

our files.com

1961

01:48:34,610 --> 01:48:29,970

that I called Cooper as also referred to

1962

01:48:36,920 --> 01:48:34,620

as anonymous that was a 1998 long three

1963

01:48:40,480 --> 01:48:36,930

day interview at his home that I did and

1964

01:48:43,850 --> 01:48:40,490

then right after I left two men in black

1965

01:48:46,070 --> 01:48:43,860

showed up in the supermarket where he

1966

01:48:50,680 --> 01:48:46,080

and his wife had gone to get some some

1967

01:48:54,110 --> 01:48:50,690

groceries and when he walked to the car

1968

01:48:59,270 --> 01:48:54,120

these two men had their backs against

1969

01:49:03,170 --> 01:48:59,280

the driver's window which was like like

1970

01:49:03,920 --> 01:49:03,180

pecking order authority right elbows

1971

01:49:06,710 --> 01:49:03,930

crossed

1972

01:49:10,190 --> 01:49:06,720

not moving as he walked up told his wife

1973

01:49:13,430 --> 01:49:10,200

to hold back with a grocery cart and he

1974

01:49:16,580 --> 01:49:13,440

was a very sick man very having to take

1975

01:49:19,250 --> 01:49:16,590

insulin shots every four hours during

1976

01:49:21,950 --> 01:49:19,260

that long weekend that I was doing the

1977

01:49:24,890 --> 01:49:21,960

recorded interviews with his permission

1978

01:49:25,870 --> 01:49:24,900

and his request he wanted to get this on

1979

01:49:29,770 --> 01:49:25,880

the record

1980

01:49:31,750 --> 01:49:29,780

so he's very ill but he had gone grocery

1981

01:49:33,490 --> 01:49:31,760

shopping and he realized when he saw

1982

01:49:36,850 --> 01:49:33,500

those men with her back against the

1983

01:49:38,740 --> 01:49:36,860

driver side of the car that he asked his

1984

01:49:43,180 --> 01:49:38,750

wife to hold off and he walked up to

1985

01:49:47,200 --> 01:49:43,190

them and they said we are here to remind

1986

01:49:51,160 --> 01:49:47,210

you that we expect you to be a loyal

1987

01:49:56,080 --> 01:49:51,170

American patriot he had worked for the

1988

01:50:00,340 --> 01:49:56,090

CIA and his cover was in army Intel and

1989

01:50:04,210 --> 01:50:00,350

you are never to talk with Linda Moulton

1990

01:50:06,610 --> 01:50:04,220

Howe again if you want to see your son

1991

01:50:10,990 --> 01:50:06,620

marry and have children Wow

1992

01:50:13,480 --> 01:50:11,000

and those are the kinds of things that I

1993

01:50:15,820 --> 01:50:13,490

don't think should ever happen in the

1994

01:50:21,820 --> 01:50:15,830

United States of America but they have

1995

01:50:26,280 --> 01:50:21,830

happened dozens of times and there's a

1996

01:50:29,650 --> 01:50:26,290

part of me that feels very angry and

1997

01:50:33,730 --> 01:50:29,660

upset over what our country has become

1998

01:50:35,920 --> 01:50:33,740

over what over trying to keep the whole

1999

01:50:37,390 --> 01:50:35,930

world from knowing the truth that were

2000

01:50:40,330 --> 01:50:37,400

not alone in this universe

2001
01:50:43,390 --> 01:50:40,340
right there are other intelligences that

2002
01:50:45,760 --> 01:50:43,400
have been here on this planet not only

2003
01:50:49,660 --> 01:50:45,770
for thousands of years but according to

2004
01:50:55,060 --> 01:50:49,670
one di a whistleblower to me Linda we

2005
01:50:58,290 --> 01:50:55,070
have proof that three competing and in

2006
01:51:04,180 --> 01:50:58,300
conflict extraterrestrial biological

2007
01:51:06,640 --> 01:51:04,190
entity groups have been manipulating and

2008
01:51:11,440 --> 01:51:06,650
harvesting and terraforming this planet

2009
01:51:16,120 --> 01:51:11,450
for at least 270 million years and when

2010
01:51:19,300 --> 01:51:16,130
you own one laughs that sure put when

2011
01:51:22,930 --> 01:51:19,310
you put everything or talking about from

2012
01:51:28,510 --> 01:51:22,940
the current immediate second of tonight

2013
01:51:31,450 --> 01:51:28,520

on May 22nd 2018 in the lens of looking

2014

01:51:33,850 --> 01:51:31,460

back for 270 million years that is

2015

01:51:36,580 --> 01:51:33,860

before the time of the dinosaurs and

2016

01:51:39,190 --> 01:51:36,590

when I said sir that's before the time

2017

01:51:42,420 --> 01:51:39,200

the dinosaurs he said Linda we

2018

01:51:48,000 --> 01:51:42,430

have proof that one of these competing

2019

01:51:51,460 --> 01:51:48,010

territorial groups that manipulated DNA

2020

01:51:56,440 --> 01:51:51,470

dinosaurs as an 80 million year long

2021

01:52:00,220 --> 01:51:56,450

experiment when when when the audience

2022

01:52:04,740 --> 01:52:00,230

hears you speak about this I need to

2023

01:52:08,590 --> 01:52:04,750

remind them about some of your

2024

01:52:10,570 --> 01:52:08,600

experiences in the past that you know

2025

01:52:11,830 --> 01:52:10,580

like Kirkland Air Force Base and what

2026

01:52:15,760 --> 01:52:11,840

you went through there and the whole

2027

01:52:20,020 --> 01:52:15,770

dodi period in HBO and and you know you

2028

01:52:22,690 --> 01:52:20,030

you were on curtly interfacing with the

2029

01:52:27,970 --> 01:52:22,700

Air Force about this subject and shown

2030

01:52:29,980 --> 01:52:27,980

documents this is not a joke the you

2031

01:52:34,710 --> 01:52:29,990

know those are your life's experiences

2032

01:52:41,410 --> 01:52:38,320

your integrity but also your tenacity

2033

01:52:43,420 --> 01:52:41,420

and the reasons why you are motivated to

2034

01:52:46,480 --> 01:52:43,430

be the journalist and researcher that

2035

01:52:48,640 --> 01:52:46,490

you are today and and I feel compelled

2036

01:52:51,640 --> 01:52:48,650

to go back and remind everybody to kind

2037

01:52:53,980 --> 01:52:51,650

of put it all back into focus you are

2038

01:52:57,250 --> 01:52:53,990

very driven and and you have your

2039

01:53:01,360 --> 01:52:57,260

reasons for that for truth we're

2040

01:53:05,500 --> 01:53:01,370

supposed to be in a democratic or at

2041

01:53:09,580 --> 01:53:05,510

least a republic and that the First

2042

01:53:12,850 --> 01:53:09,590

Amendment is supposed to protect the

2043

01:53:16,330 --> 01:53:12,860

Fourth Estate defined as a free press

2044

01:53:19,510 --> 01:53:16,340

and that was so important in that

2045

01:53:22,060 --> 01:53:19,520

divorce between the United Kingdom and

2046

01:53:25,890 --> 01:53:22,070

what was becoming the United States a

2047

01:53:28,710 --> 01:53:25,900

Free Press because of all the oppression

2048

01:53:31,840 --> 01:53:28,720

people forget why did the United States

2049

01:53:34,120 --> 01:53:31,850

where were these pilgrims why they were

2050

01:53:38,560 --> 01:53:34,130

leading what they said was the

2051

01:53:42,820 --> 01:53:38,570

suppression of them of the religion of

2052

01:53:47,320 --> 01:53:42,830

truth and that this country was to be

2053

01:53:52,430 --> 01:53:47,330

founded on a whole new principle of by

2054

01:53:56,960 --> 01:53:52,440

and for the people not a monarchy

2055

01:54:02,050 --> 01:53:56,970

not a kingdom but a government of by and

2056

01:54:09,110 --> 01:54:02,060

for the people and that those early

2057

01:54:13,160 --> 01:54:09,120

places that fought for that today I'm

2058

01:54:16,400 --> 01:54:13,170

going to I'll do this oppose this on the

2059

01:54:22,850 --> 01:54:16,410

air as a question to the listeners and

2060

01:54:27,760 --> 01:54:22,860

to you Jimmy I think that the United

2061

01:54:33,140 --> 01:54:27,770

States has become a political science

2062

01:54:35,680 --> 01:54:33,150

textbook of a fascist nation in which

2063

01:54:40,190 --> 01:54:35,690

the corporations and the government

2064

01:54:43,880 --> 01:54:40,200

departments are joined at the hip we see

2065

01:54:45,440 --> 01:54:43,890

that at every level now you know and we

2066

01:54:47,980 --> 01:54:45,450

really do it and the marriage

2067

01:54:50,930 --> 01:54:47,990

joined-at-the-hip right the marriage is

2068

01:54:53,530 --> 01:54:50,940

getting more and more cemented every day

2069

01:54:56,930 --> 01:54:53,540

and you know this isn't a political show

2070

01:54:58,820 --> 01:54:56,940

but I certainly deal with the conspiracy

2071

01:55:02,900 --> 01:54:58,830

of politics right it's two different

2072

01:55:06,350 --> 01:55:02,910

things and and it's a fascinating thing

2073

01:55:09,890 --> 01:55:06,360

for all of us to witness in real time

2074

01:55:13,690 --> 01:55:09,900

and speaking of that I spoke to you

2075

01:55:15,830 --> 01:55:13,700

about this before but as you know Doty

2076

01:55:17,720 --> 01:55:15,840

Richard Doty called in to this show

2077

01:55:19,040 --> 01:55:17,730

surprise call a few months ago and I

2078

01:55:21,710 --> 01:55:19,050

called you immediately after that

2079

01:55:23,300 --> 01:55:21,720

happened but he said one thing I want

2080

01:55:25,790 --> 01:55:23,310

your reaction to this before the break

2081

01:55:28,160 --> 01:55:25,800

he said one thing on the show that

2082

01:55:30,680 --> 01:55:28,170

freaked me out which what well it all

2083

01:55:32,960 --> 01:55:30,690

freaked me out first off he's a disinfo

2084

01:55:34,580 --> 01:55:32,970

guy what can you do you know what is

2085

01:55:37,970 --> 01:55:34,590

true and what is not that's the first

2086

01:55:41,240 --> 01:55:37,980

part but he said that out there on the

2087

01:55:48,800 --> 01:55:41,250

circuit today at conferences there are

2088

01:55:51,380 --> 01:55:48,810

two two operatives two two agents that

2089

01:55:54,800 --> 01:55:51,390

are that are out there working right now

2090

01:55:59,270 --> 01:55:54,810

and and that I knew who they were

2091

01:56:02,480 --> 01:55:59,280

now I had do you do you trust Doty in

2092

01:56:05,990 --> 01:56:02,490

that statement no I don't trust any of

2093

01:56:07,190 --> 01:56:06,000

the counter-intel people most

2094

01:56:10,760 --> 01:56:07,200

everything that they're doing is

2095

01:56:12,680 --> 01:56:10,770

spreading a certain kind of bias for

2096

01:56:16,940 --> 01:56:12,690

people to think through that's number

2097

01:56:23,510 --> 01:56:16,950

one always remember that and that number

2098

01:56:26,900 --> 01:56:23,520

two is to test reactions and the the

2099

01:56:30,230 --> 01:56:26,910

whole thing about all of this it's the

2100

01:56:35,270 --> 01:56:30,240

current wind when you go back to April

2101
01:56:37,310 --> 01:56:35,280
of 1983 I had signed the contract in New

2102
01:56:42,020 --> 01:56:37,320
York City with at the home box office

2103
01:56:45,100 --> 01:56:42,030
headquarters on March 21st 1983 I

2104
01:56:49,490 --> 01:56:45,110
remember it because I love the spring

2105
01:56:51,620 --> 01:56:49,500
solstice and that was that day and I was

2106
01:56:54,590 --> 01:56:51,630
very excited about doing an hour

2107
01:56:57,740 --> 01:56:54,600
production at home box office and our

2108
01:57:01,100 --> 01:56:57,750
working title was UFOs the et factor and

2109
01:57:06,800 --> 01:57:01,110
for people who may not be aware I have

2110
01:57:09,050 --> 01:57:06,810
always Jimmy from 1968 graduating from

2111
01:57:11,330 --> 01:57:09,060
Stanford University with a master's

2112
01:57:14,270 --> 01:57:11,340
degree in communication having made

2113
01:57:17,360 --> 01:57:14,280

documentary films for two years and

2114

01:57:21,410 --> 01:57:17,370

immediately went into Los Angeles media

2115

01:57:25,360 --> 01:57:21,420

I was a first a street reporter on

2116

01:57:28,880 --> 01:57:25,370

television at the KNBC in Los Angeles

2117

01:57:31,460 --> 01:57:28,890

and then I was asked to work on

2118

01:57:36,080 --> 01:57:31,470

documentaries there and then I was asked

2119

01:57:38,960 --> 01:57:36,090

to produce a live studio show I was

2120

01:57:42,830 --> 01:57:38,970

doing all kinds of things in Tom Brokaw

2121

01:57:47,420 --> 01:57:42,840

and Tom Schneider they were there at

2122

01:57:50,720 --> 01:57:47,430

that time and I was a first a reporter

2123

01:57:53,360 --> 01:57:50,730

and then a producer at KNBC doing a live

2124

01:57:56,540 --> 01:57:53,370

television in Johnny Carson studio I

2125

01:57:59,600 --> 01:57:56,550

would go running to make sure that I

2126
01:58:02,270 --> 01:57:59,610
would get my time that was allocated in

2127
01:58:05,240 --> 01:58:02,280
the studio that I was assigned at NBC

2128
01:58:08,990 --> 01:58:05,250
and I would run from my fourth floor

2129
01:58:12,680 --> 01:58:09,000
story office with my stopwatch in my

2130
01:58:15,710 --> 01:58:12,690
script in my briefcase over to Johnny

2131
01:58:17,170 --> 01:58:15,720
Carson studio where I would do a show in

2132
01:58:20,080 --> 01:58:17,180
the afternoon and then

2133
01:58:23,320 --> 01:58:20,090
he and his crew would come in in the

2134
01:58:25,840 --> 01:58:23,330
late afternoon and so I went right from

2135
01:58:28,720 --> 01:58:25,850
Stanford University into the biggest box

2136
01:58:32,860 --> 01:58:28,730
possible where I worked I went right

2137
01:58:38,190 --> 01:58:32,870
from school to working at KNBC and in

2138
01:58:42,100 --> 01:58:38,200

NBC Studios so my work in news in

2139

01:58:45,790 --> 01:58:42,110

documentary in life studio all of it was

2140

01:58:49,780 --> 01:58:45,800

right from Stanford and I was married

2141

01:58:52,060 --> 01:58:49,790

then and the move from Los Angeles and

2142

01:58:56,500 --> 01:58:52,070

KNBC were I could have stayed for a long

2143

01:58:59,920 --> 01:58:56,510

time was because my husband wanted to go

2144

01:59:03,250 --> 01:58:59,930

into cable and wanted to go to Harvard

2145

01:59:06,280 --> 01:59:03,260

to get an MBA he had done Yale as an

2146

01:59:09,670 --> 01:59:06,290

undergraduate we met as master's degrees

2147

01:59:13,500 --> 01:59:09,680

at Stanford and then he applied and got

2148

01:59:17,650 --> 01:59:13,510

a entrance to be get an MBA at Harvard

2149

01:59:20,830 --> 01:59:17,660

so we were at that active formula kind

2150

01:59:23,710 --> 01:59:20,840

of part of our lives that but I still

2151

01:59:27,070 --> 01:59:23,720

went from LA while he was at Harvard and

2152

01:59:30,430 --> 01:59:27,080

I was hired to produce all the medical

2153

01:59:33,100 --> 01:59:30,440

programming at WCVB in Boston which I

2154

01:59:35,290 --> 01:59:33,110

did for two years house call with dr.

2155

01:59:38,710 --> 01:59:35,300

Timothy Johnson he was the ABC medical

2156

01:59:43,060 --> 01:59:38,720

editor and it was like getting a medical

2157

01:59:45,250 --> 01:59:43,070

school degree I was in and out of Mass

2158

01:59:49,060 --> 01:59:45,260

General and Children's Hospital and

2159

01:59:51,460 --> 01:59:49,070

Harvard and all of the time every week

2160

01:59:54,130 --> 01:59:51,470

working with a crew no matter what we

2161

01:59:58,330 --> 01:59:54,140

were doing surgeries or other things I

2162

02:00:01,150 --> 01:59:58,340

did that for two years and that's how my

2163

02:00:04,990 --> 02:00:01,160

husband ended up working for Time Inc

2164

02:00:06,700 --> 02:00:05,000

we moved from Boston to Denver he was

2165

02:00:08,920 --> 02:00:06,710

working for a corporation in New York

2166

02:00:11,710 --> 02:00:08,930

but their subsidiary having to do with

2167

02:00:14,530 --> 02:00:11,720

cable was in Denver at that time I was

2168

02:00:19,110 --> 02:00:14,540

hired to be director special projects at

2169

02:00:22,930 --> 02:00:19,120

the CBS station where they were

2170

02:00:25,600 --> 02:00:22,940

purchasing the syndicated medical work

2171

02:00:29,020 --> 02:00:25,610

that I had done in Boston that was this

2172

02:00:30,830 --> 02:00:29,030

strange braiding and convergence between

2173

02:00:33,350 --> 02:00:30,840

my life and ending up and

2174

02:00:36,830 --> 02:00:33,360

was purchased the medical work I had

2175

02:00:41,359 --> 02:00:36,840

been doing in Boston and so that gives

2176
02:00:45,140 --> 02:00:41,369
you I have always been a mainstream

2177
02:00:48,410 --> 02:00:45,150
journalist trained in the same rules as

2178
02:00:53,080 --> 02:00:48,420
the New York Times NBC CBS and I've

2179
02:00:57,470 --> 02:00:53,090
always worked in that context but when

2180
02:00:59,629 --> 02:00:57,480
the as my career was going along and I

2181
02:01:01,939 --> 02:00:59,639
was doing documentaries in life studio

2182
02:01:05,660 --> 02:01:01,949
shows like I had been doing in LA and

2183
02:01:08,240 --> 02:01:05,670
doing it in Denver and all of these

2184
02:01:11,089 --> 02:01:08,250
animal mutilation reports showed up in

2185
02:01:13,459 --> 02:01:11,099
headlines and I wanted to get to the

2186
02:01:16,040 --> 02:01:13,469
bottom of that just like I had wanted to

2187
02:01:18,229 --> 02:01:16,050
get to the bottom of any science

2188
02:01:22,459 --> 02:01:18,239

environment and medical story that I

2189

02:01:25,729 --> 02:01:22,469

worked on right little did I know that I

2190

02:01:30,830 --> 02:01:25,739

was entering a path that would define

2191

02:01:33,729 --> 02:01:30,840

the next 40 years of my life I had no

2192

02:01:36,560 --> 02:01:33,739

idea I thought I was going to be doing a

2193

02:01:38,689 --> 02:01:36,570

documentary that might have to do with

2194

02:01:41,600 --> 02:01:38,699

government contamination of something

2195

02:01:44,270 --> 02:01:41,610

that was killing these animals and for

2196

02:01:48,470 --> 02:01:44,280

some reason they had to get a tissue

2197

02:01:51,320 --> 02:01:48,480

from the animals and it was not more

2198

02:01:53,930 --> 02:01:51,330

than two weeks after deciding because I

2199

02:01:56,660 --> 02:01:53,940

was the manager of that department in

2200

02:01:58,820 --> 02:01:56,670

the station and I'm the one who chose my

2201
02:02:01,399 --> 02:01:58,830
subjects of what I was going to do and I

2202
02:02:06,229 --> 02:02:01,409
had a budget and a crew and all of that

2203
02:02:08,570 --> 02:02:06,239
that I managed and I had an exposure

2204
02:02:10,070 --> 02:02:08,580
through the headlines and talking with

2205
02:02:12,950 --> 02:02:10,080
some other reporters about all these

2206
02:02:17,419 --> 02:02:12,960
animal mutilations and said I'm going to

2207
02:02:21,399 --> 02:02:17,429
get to the bottom of this and the first

2208
02:02:25,490 --> 02:02:21,409
person that I was advised to go talk to

2209
02:02:28,820 --> 02:02:25,500
was Sheriff Tex graves in Logan County

2210
02:02:31,729 --> 02:02:28,830
up in Sterling Colorado and this is very

2211
02:02:36,580 --> 02:02:31,739
important because I'm a manager in a TV

2212
02:02:39,530 --> 02:02:36,590
station I am producing all kinds of

2213
02:02:42,320 --> 02:02:39,540

environment science political I had done

2214

02:02:43,619 --> 02:02:42,330

a live studio show with one of the CIA

2215

02:02:45,659 --> 02:02:43,629

directors

2216

02:02:47,729 --> 02:02:45,669

having to do with intelligence

2217

02:02:53,099 --> 02:02:47,739

operations I'd done a whole lot of

2218

02:02:54,689 --> 02:02:53,109

different shows I jump in row I have to

2219

02:02:59,429 --> 02:02:54,699

take a commercial break we're right at

2220

02:03:00,869 --> 02:02:59,439

the top of the hour we'll do it all when

2221

02:03:03,750 --> 02:03:00,879

we get back our guest tonight Linda

2222

02:03:06,359 --> 02:03:03,760

Moulton Howe we're doing it tonight a

2223

02:03:09,649 --> 02:03:06,369

tizzy with Linda this is fade to black

2224

02:03:11,849 --> 02:03:09,659

follow Linda on Twitter at earthfiles

2225

02:03:15,800 --> 02:03:11,859

i'm your host jimmy church we'll be

2226

02:03:22,060 --> 02:03:19,620

[Music]

2227

02:03:26,740 --> 02:03:22,070

everybody's Ralph at the mental guard on

2228

02:03:32,570 --> 02:03:30,020

this is kera digital broadcasting

2229

02:03:37,370 --> 02:03:32,580

station Salt Lake City Utah

2230

02:03:39,770 --> 02:03:37,380

Van Buren Arkansas let's get this man to

2231

02:03:42,110 --> 02:03:39,780

the ER stat right away doctor we see

2232

02:03:44,510 --> 02:03:42,120

this every day heart attack or angina

2233

02:03:47,060 --> 02:03:44,520

pain due to blocked and clogged arteries

2234

02:03:49,010 --> 02:03:47,070

chelation can remove obstructions or

2235

02:03:51,229 --> 02:03:49,020

blockages from arteries and help avoid

2236

02:03:52,580 --> 02:03:51,239

painful and expensive surgery now

2237

02:03:54,590 --> 02:03:52,590

there's angiogram

2238

02:03:56,390 --> 02:03:54,600

it's a liquid oral chelation product

2239

02:03:58,670 --> 02:03:56,400

that you take with juice you start to

2240

02:04:00,530 --> 02:03:58,680

feel the results fast angio primm

2241

02:04:02,690 --> 02:04:00,540

increases blood flow all over the body

2242

02:04:04,790 --> 02:04:02,700

and that means more energy and strength

2243

02:04:07,490 --> 02:04:04,800

to take on the day with less aches and

2244

02:04:10,490 --> 02:04:07,500

pains 60 years of research has gone into

2245

02:04:13,340 --> 02:04:10,500

chelation and angiogram is the result a

2246

02:04:15,200 --> 02:04:13,350

safe and easy way to unblock your veins

2247

02:04:17,360 --> 02:04:15,210

and arteries from buildup that slow

2248

02:04:18,710 --> 02:04:17,370

circulation shaping dr. Jones please

2249

02:04:20,810 --> 02:04:18,720

report to the emergency room right away

2250

02:04:23,570 --> 02:04:20,820

log on now for a special radio offer

2251
02:04:28,670 --> 02:04:23,580
from angio priem that's angio prim calm

2252
02:04:30,590 --> 02:04:28,680
/ radio ing IO PRI M angio prim calm /

2253
02:04:33,080 --> 02:04:30,600
radio are called eight seven seven eight

2254
02:04:34,670 --> 02:04:33,090
eight to seventy 221 that's eight seven

2255
02:04:39,229 --> 02:04:34,680
seven eight eight to seventy two twenty

2256
02:04:42,650 --> 02:04:39,239
one so you love talk radio then you'll

2257
02:04:45,710 --> 02:04:42,660
love talk stream live.com talk stream

2258
02:04:47,900 --> 02:04:45,720
live is always on 24/7 with the best

2259
02:04:50,030 --> 02:04:47,910
streaming talk shows find your favorite

2260
02:04:53,090 --> 02:04:50,040
talkers and discover some new ones it's

2261
02:04:54,350 --> 02:04:53,100
free readily available online or on the

2262
02:04:56,390 --> 02:04:54,360
smartphone or tablet

2263
02:04:58,430 --> 02:04:56,400

finding your favorite talk shows all in

2264

02:05:01,850 --> 02:04:58,440

one place has gotten a whole lot easier

2265

02:05:03,350 --> 02:05:01,860

just go to tox-screen live.com be sure

2266

02:05:07,340 --> 02:05:03,360

to download the free apps from Google

2267

02:05:09,590 --> 02:05:07,350

Play or the itunes app store your

2268

02:05:14,120 --> 02:05:09,600

contact for current news and trending

2269

02:05:15,950 --> 02:05:14,130

topics jgr a radio.com what can I say

2270

02:05:16,490 --> 02:05:15,960

about the most popular tea on the

2271

02:05:18,680 --> 02:05:16,500

Internet

2272

02:05:21,530 --> 02:05:18,690

and what a customers say about life

2273

02:05:24,830 --> 02:05:21,540

change to eat at get the tea calm a lot

2274

02:05:27,590 --> 02:05:24,840

but by federal law we get the tea DICOM

2275

02:05:29,720 --> 02:05:27,600

cannot make claims to how this product

2276

02:05:31,700 --> 02:05:29,730

can enhance your health we cannot even

2277

02:05:34,490 --> 02:05:31,710

post our testimonies without being in

2278

02:05:36,770 --> 02:05:34,500

compliance so how do we get past the

2279

02:05:39,050 --> 02:05:36,780

hump try our products that get the tea

2280

02:05:42,290 --> 02:05:39,060

calm and see for yourself

2281

02:05:44,080 --> 02:05:42,300

you can send us a testimony but we just

2282

02:05:48,050 --> 02:05:44,090

can't post it bumper

2283

02:05:49,700 --> 02:05:48,060

our products are GMO free and organic we

2284

02:05:52,100 --> 02:05:49,710

pride ourselves in being the best we can

2285

02:05:54,830 --> 02:05:52,110

be and we urge you to take charge of

2286

02:05:56,870 --> 02:05:54,840

your health we're loving you're strong

2287

02:05:58,940 --> 02:05:56,880

and many of our customers have shared

2288

02:06:00,560 --> 02:05:58,950

their successes with friends and family

2289

02:06:03,910 --> 02:06:00,570

protect your colon

2290

02:06:12,410 --> 02:06:03,920

log on to get the tea calm let's get the

2291

02:06:13,820 --> 02:06:12,420

t.com get the t-dot-com get t.com did

2292

02:06:16,400 --> 02:06:13,830

you know that when you're on the road

2293

02:06:18,500 --> 02:06:16,410

with limited data or Wi-Fi available you

2294

02:06:20,630 --> 02:06:18,510

can still listen to every minute of fade

2295

02:06:23,450 --> 02:06:20,640

to black by just calling six oh five

2296

02:06:25,940 --> 02:06:23,460

five six two four four eight two no

2297

02:06:28,250 --> 02:06:25,950

smartphone app or internet needed it

2298

02:06:30,890 --> 02:06:28,260

saves your data plan and no extra cost

2299

02:06:33,740 --> 02:06:30,900

if you have unlimited minutes just call

2300

02:06:36,200 --> 02:06:33,750

six oh five five six two four four eight

2301
02:06:38,600 --> 02:06:36,210
two you can listen to me Jimmy Church on

2302
02:06:49,200 --> 02:06:38,610
any phone anytime anywhere

2303
02:06:55,600 --> 02:06:51,339
you want to know a secret

2304
02:06:58,540 --> 02:06:55,610
I love ponies I really love ponies I'm

2305
02:07:03,069 --> 02:06:58,550
serious I couldn't stay sane without

2306
02:07:08,319 --> 02:07:03,079
Pony mr. brush why fade to black because

2307
02:07:12,319 --> 02:07:10,399
this is fade to black

2308
02:07:16,010 --> 02:07:12,329
with Jimmy Church on the game changer

2309
02:07:25,160 --> 02:07:16,020
radio network and kgr a the global radio

2310
02:07:25,170 --> 02:07:30,590
[Music]

2311
02:07:37,560 --> 02:07:33,980
all right welcome back fade to black

2312
02:07:39,480 --> 02:07:37,570
our guest tonight Linda Moulton Howe she

2313
02:07:42,540 --> 02:07:39,490

will be a contact in the desert next

2314

02:07:44,340 --> 02:07:42,550

week tickets and info Oprah Jim

2315

02:07:46,710 --> 02:07:44,350

insurance radio.com just click on the

2316

02:07:49,440 --> 02:07:46,720

contact in the desert banner right there

2317

02:07:51,660 --> 02:07:49,450

and a little programming note I want to

2318

02:07:53,970 --> 02:07:51,670

remind everybody tomorrow night George

2319

02:07:57,210 --> 02:07:53,980

Noory is going to be here and Victoria

2320

02:07:58,440 --> 02:07:57,220

from contact in the desert is going to

2321

02:08:01,050 --> 02:07:58,450

be here we're gonna have a bunch of

2322

02:08:04,110 --> 02:08:01,060

special guests come by and say hello

2323

02:08:05,520 --> 02:08:04,120

so don't miss tomorrow night and Linda

2324

02:08:07,560 --> 02:08:05,530

you know I would have had you on

2325

02:08:11,370 --> 02:08:07,570

tomorrow night but I'm just being

2326

02:08:14,310 --> 02:08:11,380

selfish I wanted you I I do my own

2327

02:08:17,460 --> 02:08:14,320

earthfiles YouTube channel broadcast

2328

02:08:20,430 --> 02:08:17,470

which we've been doing for about two and

2329

02:08:23,760 --> 02:08:20,440

a half or three months and it is growing

2330

02:08:26,000 --> 02:08:23,770

like wildfire and I just love doing it

2331

02:08:29,760 --> 02:08:26,010

and when I do it on Wednesday night so

2332

02:08:33,810 --> 02:08:29,770

cross pollinating from you for people

2333

02:08:38,450 --> 02:08:33,820

it's before you come on live yeah I go

2334

02:08:41,220 --> 02:08:38,460

on and 7:30 to about 8:15 and I am

2335

02:08:44,600 --> 02:08:41,230

exploring sort of things that are

2336

02:08:49,440 --> 02:08:44,610

current on my mind or that I'm

2337

02:08:53,370 --> 02:08:49,450

investigating and talking live with an

2338

02:08:56,280 --> 02:08:53,380

audience that is growing greatly and

2339

02:08:59,700 --> 02:08:56,290

their questions are so intelligent and

2340

02:09:02,250 --> 02:08:59,710

it's like a live dialogue with a huge

2341

02:09:03,720 --> 02:09:02,260

swath of wonderful people every

2342

02:09:06,210 --> 02:09:03,730

Wednesday so that's what I'll be doing

2343

02:09:08,460 --> 02:09:06,220

tomorrow on the earthfiles youtube

2344

02:09:11,640 --> 02:09:08,470

channel but I'm glad we got to talk

2345

02:09:15,600 --> 02:09:11,650

tonight because I think this is the

2346

02:09:20,630 --> 02:09:15,610

first interview ever that I have gone

2347

02:09:24,000 --> 02:09:20,640

into some of my background at KNBC

2348

02:09:28,340 --> 02:09:24,010

Stanford in the sense that it all was

2349

02:09:31,350 --> 02:09:28,350

weaving in to be just forever a

2350

02:09:34,740 --> 02:09:31,360

mainstream journalist and that that is

2351

02:09:37,500 --> 02:09:34,750

the context in which it was suggested

2352

02:09:40,350 --> 02:09:37,510

that I go and talk with Sheriff Tex

2353

02:09:43,109 --> 02:09:40,360

graves up in Sterling Colorado right and

2354

02:09:45,390 --> 02:09:43,119

he was just retire

2355

02:09:48,149 --> 02:09:45,400

from the sheriff's office and would be

2356

02:09:51,089 --> 02:09:48,159

able to talk with me because he was

2357

02:09:53,040 --> 02:09:51,099

retiring and I set up this meeting drove

2358

02:09:57,899 --> 02:09:53,050

up by myself

2359

02:10:01,709 --> 02:09:57,909

he had transitioned after 23 years John

2360

02:10:04,410 --> 02:10:01,719

Wayne type of that man a few words but

2361

02:10:07,950 --> 02:10:04,420

boy did they count and you would not

2362

02:10:11,069 --> 02:10:07,960

want to cross here of text grave Wow

2363

02:10:16,010 --> 02:10:11,079

I really liked him no no guff no

2364

02:10:20,819 --> 02:10:16,020

nonsense and he pulled out a box of

2365

02:10:23,040 --> 02:10:20,829

about 266 color Polaroids that he had

2366

02:10:27,300 --> 02:10:23,050

taken himself as Sheriff

2367

02:10:29,660 --> 02:10:27,310

and I think that the earliest year on

2368

02:10:34,229 --> 02:10:29,670

those Polaroids was somewhere around

2369

02:10:39,330 --> 02:10:34,239

1971 and I'm visiting him in September

2370

02:10:42,540 --> 02:10:39,340

of 1979 so he had about a decade and he

2371

02:10:45,870 --> 02:10:42,550

let me yeah I asked him I said I like to

2372

02:10:50,100 --> 02:10:45,880

look at things chronologically and so he

2373

02:10:52,169 --> 02:10:50,110

let me use the poor and as I went

2374

02:10:57,120 --> 02:10:52,179

through looking for the very first time

2375

02:10:59,939 --> 02:10:57,130

this is my very first day of interacting

2376

02:11:02,790 --> 02:10:59,949

truth photographs with the animal

2377

02:11:06,060 --> 02:11:02,800

mutilations and I was not looking at

2378

02:11:08,879 --> 02:11:06,070

blood I was not looking at fluid I was

2379

02:11:11,550 --> 02:11:08,889

not looking at track I was looking at

2380

02:11:14,160 --> 02:11:11,560

something that my logical left brain

2381

02:11:17,220 --> 02:11:14,170

could not comprehend what was that

2382

02:11:22,560 --> 02:11:17,230

and as I began asking him questions

2383

02:11:27,750 --> 02:11:22,570

about it all how could a 1,700 pound

2384

02:11:29,640 --> 02:11:27,760

animal be found on face powder dust that

2385

02:11:31,140 --> 02:11:29,650

was the case and a lot of these it's

2386

02:11:33,930 --> 02:11:31,150

just the ground there's no not even

2387

02:11:37,500 --> 02:11:33,940

grass it should dust and there's no

2388

02:11:39,660 --> 02:11:37,510

tracks around the animal including the

2389

02:11:42,149 --> 02:11:39,670

animals own tracks but in Ihram is

2390

02:11:44,609 --> 02:11:42,159

missing an eye is missing jaw flesh

2391

02:11:47,729 --> 02:11:44,619

tongue deep within the throat the

2392

02:11:49,740 --> 02:11:47,739

genitals are picking out like with a

2393

02:11:54,049 --> 02:11:49,750

cookie cutter as law enforcement said

2394

02:11:56,250 --> 02:11:54,059

the rectum and or vagina are cored out a

2395

02:12:01,620 --> 02:11:56,260

photo after photo

2396

02:12:04,770 --> 02:12:01,630

and I was asking him questions as we go

2397

02:12:07,520 --> 02:12:04,780

and eventually he looked at me and he

2398

02:12:10,709 --> 02:12:07,530

said Linda let me save you some time

2399

02:12:17,000 --> 02:12:10,719

the perpetrators of these mutilations

2400

02:12:21,569 --> 02:12:17,010

are creatures from outer space and I

2401

02:12:24,600 --> 02:12:21,579

absolutely vividly recalling as I say

2402

02:12:27,359 --> 02:12:24,610

that I've never forgotten that it felt

2403

02:12:29,759 --> 02:12:27,369

just like I was touching the electric

2404

02:12:31,979 --> 02:12:29,769

wire that my dad had placed around the

2405

02:12:35,339 --> 02:12:31,989

garden when we were kids growing up to

2406

02:12:38,189 --> 02:12:35,349

keep the dogs out right and my brother

2407

02:12:40,890 --> 02:12:38,199

and I would play with touching that wire

2408

02:12:43,520 --> 02:12:40,900

and feeling what electricity felt like

2409

02:12:46,649 --> 02:12:43,530

when it went through us and it hurt and

2410

02:12:49,560 --> 02:12:46,659

when sheriff Tex grave said those words

2411

02:12:52,740 --> 02:12:49,570

I still can remember I can see his eyes

2412

02:12:55,770 --> 02:12:52,750

right now I can feel that I felt and it

2413

02:12:58,290 --> 02:12:55,780

felt like I had was touched by one of

2414

02:13:00,959 --> 02:12:58,300

those electric wires and dad's garden as

2415

02:13:05,390 --> 02:13:00,969

he said those words I wasn't prepared

2416

02:13:10,410 --> 02:13:05,400

for such a sentence and that night

2417

02:13:14,160 --> 02:13:10,420

driving home my entire existence I would

2418

02:13:20,069 --> 02:13:14,170

have been at that point in and I was

2419

02:13:23,669 --> 02:13:20,079

born in 1942 so I think I was 37 I think

2420

02:13:26,359 --> 02:13:23,679

er so I hadn't even thought about that

2421

02:13:37,890 --> 02:13:26,369

how old was I when I was doing that I'm

2422

02:13:40,770 --> 02:13:37,900

so 1979 37 and in my 37 years the sky

2423

02:13:44,729 --> 02:13:40,780

mom and dad said when I was 3 years old

2424

02:13:48,390 --> 02:13:44,739

I started asking for a telescope and I

2425

02:13:51,169 --> 02:13:48,400

had a aunt who who helped me with

2426

02:13:54,560 --> 02:13:51,179

getting a piano and my dad got me a

2427

02:13:58,640 --> 02:13:54,570

reflector telescope but I spent endless

2428

02:14:01,830 --> 02:13:58,650

nights in Boise Idaho with my telescope

2429

02:14:04,649 --> 02:14:01,840

it was like a passion and I thought I

2430

02:14:08,580 --> 02:14:04,659

would be an astronomer and all of that

2431

02:14:09,689 --> 02:14:08,590

is to say that the sky the night sky

2432

02:14:12,959 --> 02:14:09,699

being out

2433

02:14:14,160 --> 02:14:12,969

under the stars night it never scared me

2434

02:14:19,500 --> 02:14:14,170

I loved it

2435

02:14:23,790 --> 02:14:19,510

and then when I got in my car that night

2436

02:14:26,370 --> 02:14:23,800

in September of 1979 headed back to our

2437

02:14:30,089 --> 02:14:26,380

home in Littleton about a two-hour and

2438

02:14:34,080 --> 02:14:30,099

some drive from Sterling I remember

2439

02:14:35,969 --> 02:14:34,090

looking up because sheriff Tex graves

2440

02:14:38,640 --> 02:14:35,979

had said that law enforcement was

2441

02:14:41,000 --> 02:14:38,650

convinced that the only way that these

2442

02:14:44,640 --> 02:14:41,010

animals could be taken

2443

02:14:47,520 --> 02:14:44,650

having the excisions no blood no tracks

2444

02:14:50,910 --> 02:14:47,530

is that they would have to be taken by

2445

02:14:55,350 --> 02:14:50,920

something into the sky and lowered by

2446

02:14:59,250 --> 02:14:55,360

something from the sky and that whole

2447

02:15:02,790 --> 02:14:59,260

drive back I realized I became aware I

2448

02:15:05,729 --> 02:15:02,800

was nervous about the growing night sky

2449

02:15:10,020 --> 02:15:05,739

for the very first time in my life and

2450

02:15:14,969 --> 02:15:10,030

that was a transition that eventually I

2451
02:15:19,799 --> 02:15:14,979
had to deal with myself that everybody

2452
02:15:22,410 --> 02:15:19,809
does when the government is playing

2453
02:15:24,089 --> 02:15:22,420
hardball with people and that you're

2454
02:15:26,699 --> 02:15:24,099
dealing with intelligences from

2455
02:15:29,790 --> 02:15:26,709
someplace else you don't understand and

2456
02:15:32,129 --> 02:15:29,800
there might be a good reason for what is

2457
02:15:35,520 --> 02:15:32,139
occurring on the planet but nobody is

2458
02:15:40,319 --> 02:15:35,530
filling you in and that you want to

2459
02:15:42,750 --> 02:15:40,329
continue be active in a world where the

2460
02:15:47,430 --> 02:15:42,760
night sky does not scare you

2461
02:15:51,169 --> 02:15:47,440
eventually I still remember the time and

2462
02:15:54,209 --> 02:15:51,179
it was in 1983 when I was trying so hard

2463
02:15:56,069 --> 02:15:54,219

to keep things going to do the HBO

2464

02:15:58,830 --> 02:15:56,079

project in spite of the government

2465

02:16:02,399 --> 02:15:58,840

making it very difficult and clearly

2466

02:16:06,270 --> 02:16:02,409

wanting to stop me that I had to come to

2467

02:16:11,100 --> 02:16:06,280

terms with myself I had to come

2468

02:16:13,979 --> 02:16:11,110

I had to come terms with you cannot live

2469

02:16:17,160 --> 02:16:13,989

life in fear it's impossible

2470

02:16:20,759 --> 02:16:17,170

it's billete ting in every way mind body

2471

02:16:23,470 --> 02:16:20,769

and spirit and so you've got to learn

2472

02:16:26,200 --> 02:16:23,480

how to put one foot in front of the

2473

02:16:28,570 --> 02:16:26,210

other and just keep going you're not

2474

02:16:32,640 --> 02:16:28,580

doing anything wrong you are simply

2475

02:16:35,500 --> 02:16:32,650

trying to find out the truth about other

2476
02:16:37,480 --> 02:16:35,510
intelligences in this universe that have

2477
02:16:39,640 --> 02:16:37,490
interacted with this planet according to

2478
02:16:42,490 --> 02:16:39,650
government people who have first-hand

2479
02:16:45,130 --> 02:16:42,500
knowledge and that you have to put

2480
02:16:48,250 --> 02:16:45,140
yourself psychologically and what you

2481
02:16:50,950 --> 02:16:48,260
are still supposed to be a journalist

2482
02:16:53,770 --> 02:16:50,960
protected by the First Amendment of the

2483
02:16:56,950 --> 02:16:53,780
Constitution with the right in a

2484
02:16:59,440 --> 02:16:56,960
government of by and for the people to

2485
02:17:01,480 --> 02:16:59,450
pursue the investigation of anything

2486
02:17:05,020 --> 02:17:01,490
that affects those people in that nation

2487
02:17:07,990 --> 02:17:05,030
and report about it to the best of your

2488
02:17:12,130 --> 02:17:08,000

ability as honestly as you can making

2489

02:17:17,560 --> 02:17:12,140

the pressure affect the pressure of fact

2490

02:17:20,620 --> 02:17:17,570

is my guide always has been always will

2491

02:17:25,170 --> 02:17:20,630

be no matter how strange the subject

2492

02:17:30,400 --> 02:17:25,180

matter and never back off never back off

2493

02:17:35,230 --> 02:17:30,410

because somebody says this cannot be

2494

02:17:38,280 --> 02:17:35,240

pursued and eventually what happened I

2495

02:17:41,980 --> 02:17:38,290

think I have been in some very dangerous

2496

02:17:46,150 --> 02:17:41,990

situations I have had some very highly

2497

02:17:50,050 --> 02:17:46,160

strange things happen that probably were

2498

02:17:54,730 --> 02:17:50,060

in the threat category but I am still

2499

02:17:58,180 --> 02:17:54,740

here and it has been 40 years and it is

2500

02:18:02,560 --> 02:17:58,190

now more exciting because where we

2501
02:18:05,200 --> 02:18:02,570
started this interview we are no matter

2502
02:18:07,420 --> 02:18:05,210
whether the government has the courage

2503
02:18:10,690 --> 02:18:07,430
and it takes courage I guess at this

2504
02:18:13,900 --> 02:18:10,700
point after thousands of years finally

2505
02:18:16,690 --> 02:18:13,910
tell the planet the truth but by God if

2506
02:18:18,790 --> 02:18:16,700
in 2018 they will finally get that

2507
02:18:19,330 --> 02:18:18,800
headline out we're not alone in this

2508
02:18:21,700 --> 02:18:19,340
universe

2509
02:18:24,340 --> 02:18:21,710
and that there's maybe a lot of stuff

2510
02:18:27,190 --> 02:18:24,350
out there that likes us that are our

2511
02:18:30,340 --> 02:18:27,200
allies as the remote viewers say and

2512
02:18:33,040 --> 02:18:30,350
that no matter what else is out there we

2513
02:18:36,400 --> 02:18:33,050

do have allies and that we are on an

2514

02:18:37,020 --> 02:18:36,410

exciting brink where we're going to

2515

02:18:41,560 --> 02:18:37,030

start

2516

02:18:43,871 --> 02:18:41,570

sending things out with lasers trying to

2517

02:18:47,220 --> 02:18:43,881

go faster and faster in the speed of

2518

02:18:51,070 --> 02:18:47,230

light and I think Elon Musk is

2519

02:18:53,860 --> 02:18:51,080

determined to get to Mars and there may

2520

02:18:57,760 --> 02:18:53,870

be a bunch of reasons why they want to

2521

02:19:01,630 --> 02:18:57,770

get somebody on Mars Jimmy so that no

2522

02:19:04,630 --> 02:19:01,640

matter what begins appearing on Mars or

2523

02:19:06,940 --> 02:19:04,640

what the ancient archaeology is on Mars

2524

02:19:09,280 --> 02:19:06,950

that I'm convinced is there they won't

2525

02:19:12,880 --> 02:19:09,290

have somebody like Elon Musk now to

2526

02:19:18,430 --> 02:19:12,890

explain anything that happens there are

2527

02:19:21,760 --> 02:19:18,440

you sitting on and a please answer the

2528

02:19:24,190 --> 02:19:21,770

question are you are you sitting on

2529

02:19:35,890 --> 02:19:24,200

stuff that you haven't revealed and that

2530

02:19:39,371 --> 02:19:35,900

you can't reveal yes I became aware long

2531

02:19:43,110 --> 02:19:39,381

ago that I have to learn how to Mark

2532

02:19:45,520 --> 02:19:43,120

mentalize I have to learn how to protect

2533

02:19:48,610 --> 02:19:45,530

information for which I have no proof

2534

02:19:52,421 --> 02:19:48,620

that I can talk about things in general

2535

02:19:56,320 --> 02:19:52,431

and say I have no proof that I have to

2536

02:19:58,600 --> 02:19:56,330

protect whistleblowers for real so yes I

2537

02:20:00,730 --> 02:19:58,610

do a lot of compartmentalization and you

2538

02:20:03,701 --> 02:20:00,740

know they sit on a tremendous amount of

2539

02:20:06,310 --> 02:20:03,711

information that some right now that I'm

2540

02:20:10,720 --> 02:20:06,320

hoping in the next few months that I can

2541

02:20:14,081 --> 02:20:10,730

go forth but I can say this and I have

2542

02:20:16,990 --> 02:20:14,091

said it on my own earthfiles YouTube

2543

02:20:21,011 --> 02:20:17,000

channel and I have said it in some of

2544

02:20:23,860 --> 02:20:21,021

the conference's the for whistleblowers

2545

02:20:27,640 --> 02:20:23,870

that I mentioned at the beginning who

2546

02:20:31,810 --> 02:20:27,650

have come forth with a variety of I

2547

02:20:33,970 --> 02:20:31,820

think very subsidy pieces to this vast

2548

02:20:37,150 --> 02:20:33,980

chess game that we're all trying to

2549

02:20:40,301 --> 02:20:37,160

understand just in the last year and a

2550

02:20:42,900 --> 02:20:40,311

half to two years here is the common

2551
02:20:50,801 --> 02:20:42,910
denominator and I'm going to say this

2552
02:20:55,440 --> 02:20:50,811
without proof but I think that this is

2553
02:21:02,261 --> 02:20:55,450
solid information and so does somebody

2554
02:21:06,240 --> 02:21:02,271
like the man who the physicist who John

2555
02:21:08,980 --> 02:21:06,250
Brandenburg I wrote a book death on Mars

2556
02:21:12,730 --> 02:21:08,990
when I ran by what I'm going to say

2557
02:21:16,421 --> 02:21:12,740
tonight with him he said absolutely do I

2558
02:21:20,290 --> 02:21:16,431
think that that is true okay

2559
02:21:21,910 --> 02:21:20,300
so for different facets and I'm not

2560
02:21:24,430 --> 02:21:21,920
going into the different facets I'm

2561
02:21:26,620 --> 02:21:24,440
going to give the bottom line these are

2562
02:21:29,310 --> 02:21:26,630
people who have told me in various

2563
02:21:34,450 --> 02:21:29,320

assignments and Special Ops forces

2564

02:21:39,730 --> 02:21:34,460

they've either seen in Antarctica going

2565

02:21:43,690 --> 02:21:39,740

by submarine to a site real non-human

2566

02:21:47,020 --> 02:21:43,700

construction because goes on for a mile

2567

02:21:50,261 --> 02:21:47,030

or two or three Jimmy as if it was

2568

02:21:52,990 --> 02:21:50,271

thought as if it was like a

2569

02:21:56,921 --> 02:21:53,000

morphogenetic field that was it was

2570

02:22:00,910 --> 02:21:56,931

filled with material and becomes a huge

2571

02:22:01,900 --> 02:22:00,920

long form and there's no weld no joints

2572

02:22:04,470 --> 02:22:01,910

no anything

2573

02:22:08,801 --> 02:22:04,480

okay well that this this kind of

2574

02:22:13,020 --> 02:22:08,811

mind-blowing construction and that it is

2575

02:22:17,801 --> 02:22:13,030

in Antarctica one point five miles down

2576

02:22:20,650 --> 02:22:17,811

approachable by submarine and that some

2577

02:22:24,720 --> 02:22:20,660

of these whistleblowers seen with their

2578

02:22:28,890 --> 02:22:24,730

own eyes symbols and hieroglyphs that

2579

02:22:32,740 --> 02:22:28,900

match photographs that they have seen

2580

02:22:36,400 --> 02:22:32,750

again on the backside of the moon where

2581

02:22:41,921 --> 02:22:36,410

there are also the same type of ancient

2582

02:22:45,820 --> 02:22:41,931

archaeology and that photograph taken on

2583

02:22:50,860 --> 02:22:45,830

Mars in the cydonia region by satellite

2584

02:22:54,400 --> 02:22:50,870

or who knows but that they all match now

2585

02:22:58,660 --> 02:22:54,410

if you take that sentence and we have

2586

02:23:01,930 --> 02:22:58,670

ancient archaeology 1.5 miles down under

2587

02:23:04,540 --> 02:23:01,940

ice in Antarctica approachable only by

2588

02:23:07,270 --> 02:23:04,550

submarine and then mind-blowing

2589

02:23:11,530 --> 02:23:07,280

structure under the ice that still has

2590

02:23:16,240 --> 02:23:11,540

energy in it according to them and that

2591

02:23:19,630 --> 02:23:16,250

there is now symbols and hieroglyphs

2592

02:23:22,330 --> 02:23:19,640

to me that's language that's some kind

2593

02:23:25,740 --> 02:23:22,340

of communication that's embedded on

2594

02:23:28,840 --> 02:23:25,750

these structures and it said and if the

2595

02:23:31,690 --> 02:23:28,850

language is the symbols and the

2596

02:23:33,460 --> 02:23:31,700

hieroglyphs match between what's in

2597

02:23:34,809 --> 02:23:33,470

Antarctica what's on the back side of

2598

02:23:36,130 --> 02:23:34,819

the Moon and what's in the northern

2599

02:23:39,849 --> 02:23:36,140

hemisphere of Mars

2600

02:23:40,570 --> 02:23:39,859

I think Occam's razor two plus two

2601
02:23:43,840 --> 02:23:40,580
equals four

2602
02:23:47,620 --> 02:23:43,850
the same intelligence was involved in

2603
02:23:50,559 --> 02:23:47,630
Mars the back side of the Moon or all of

2604
02:23:55,870 --> 02:23:50,569
the moon and the earth and this solar

2605
02:23:57,820 --> 02:23:55,880
system and beyond now how long ago it's

2606
02:24:00,639 --> 02:23:57,830
interesting when you try to do research

2607
02:24:01,900 --> 02:24:00,649
about when exactly was the last time

2608
02:24:04,990 --> 02:24:01,910
that Antarctica

2609
02:24:07,870 --> 02:24:05,000
did not have one point five to two miles

2610
02:24:10,420 --> 02:24:07,880
of ice on it and you will find there is

2611
02:24:13,900 --> 02:24:10,430
a kind of consensus around thirteen

2612
02:24:16,719 --> 02:24:13,910
million years ago and then there's

2613
02:24:20,530 --> 02:24:16,729

another idea that maybe it goes back to

2614

02:24:25,090 --> 02:24:20,540

33 million years ago either of those

2615

02:24:28,360 --> 02:24:25,100

numbers compare in your mind to Lucy and

2616

02:24:32,020 --> 02:24:28,370

Africa allegedly the first standing of

2617

02:24:37,840 --> 02:24:32,030

primate right two million two million

2618

02:24:44,550 --> 02:24:37,850

years ago versus 13 million and 33

2619

02:24:50,820 --> 02:24:44,560

million of provable provable advanced

2620

02:24:54,370 --> 02:24:50,830

architecture that language terraforming

2621

02:24:57,730 --> 02:24:54,380

manipulation on this planet and if it is

2622

02:25:01,090 --> 02:24:57,740

13 million or 33 million years ago and

2623

02:25:04,210 --> 02:25:01,100

it's now one point five miles down under

2624

02:25:08,230 --> 02:25:04,220

ice approachable by submarine but the

2625

02:25:11,440 --> 02:25:08,240

entire world has been denied that

2626
02:25:14,940 --> 02:25:11,450
knowledge and I'm not so sure I'm so

2627
02:25:17,980 --> 02:25:14,950
sure Lucy is even related to us right

2628
02:25:20,530 --> 02:25:17,990
you know I think it's the beginning

2629
02:25:23,711 --> 02:25:20,540
although erectus is the beginning of the

2630
02:25:25,930 --> 02:25:23,721
evolutionary trail to Hollis a PSAP and

2631
02:25:29,740 --> 02:25:25,940
which is us yeah but what I'm yeah I

2632
02:25:32,860 --> 02:25:29,750
understand but what I am saying is us

2633
02:25:34,780 --> 02:25:32,870
you and I our versions of us we go back

2634
02:25:38,261 --> 02:25:34,790
150 thousand hundred seventy-five

2635
02:25:38,890 --> 02:25:38,271
thousand years right well well wait wait

2636
02:25:42,070 --> 02:25:38,900
wait

2637
02:25:45,330 --> 02:25:42,080
the current crow mana and Homo sapiens

2638
02:25:48,370 --> 02:25:45,340

sapiens that's us the overlap

2639

02:25:51,881 --> 02:25:48,380

neanderthalensis which is the previous

2640

02:25:55,530 --> 02:25:51,891

that had a bigger cubic brain than we do

2641

02:25:58,810 --> 02:25:55,540

it was now they're talking about how

2642

02:26:01,450 --> 02:25:58,820

Neanderthals were actually some of the

2643

02:26:06,820 --> 02:26:01,460

artists in some of the caves in the

2644

02:26:09,790 --> 02:26:06,830

France and Spain region they put because

2645

02:26:13,870 --> 02:26:09,800

they now know that Neanderthal graves

2646

02:26:16,511 --> 02:26:13,880

had pollen on them that they put flowers

2647

02:26:21,450 --> 02:26:16,521

on the graves of their dead which means

2648

02:26:25,410 --> 02:26:21,460

to me they had compassion they had soul

2649

02:26:29,171 --> 02:26:25,420

y4i I've always thought it was 35,000 to

2650

02:26:32,410 --> 02:26:29,181

45,000 years that there was a transition

2651
02:26:35,320 --> 02:26:32,420
from the last of neanderthalensis to

2652
02:26:38,440 --> 02:26:35,330
homo sapiens sapiens romanian being

2653
02:26:40,060 --> 02:26:38,450
dominant humanoid on the earth not a

2654
02:26:43,810 --> 02:26:40,070
hundred and some thousand there were

2655
02:26:48,060 --> 02:26:43,820
clearly prior primate humanoids but

2656
02:26:52,270 --> 02:26:48,070
there's a difference between a primate

2657
02:26:55,120 --> 02:26:52,280
humanoid that was Denis Sivan or a homo

2658
02:26:57,940 --> 02:26:55,130
erectus or coming up through the various

2659
02:26:59,711 --> 02:26:57,950
types getting to some of these lines

2660
02:27:01,750 --> 02:26:59,721
that they just discovered and they have

2661
02:27:04,091 --> 02:27:01,760
no idea where they come from you know

2662
02:27:08,261 --> 02:27:04,101
we've had breaking news about very

2663
02:27:10,780 --> 02:27:08,271

strange DNA finds just in the past

2664

02:27:13,961 --> 02:27:10,790

twelve months and then getting up to

2665

02:27:16,120 --> 02:27:13,971

neanderthalensis and the transition to

2666

02:27:20,350 --> 02:27:16,130

crow Manya and homo sapien sapien

2667

02:27:24,400 --> 02:27:20,360

between 35,000 and 45,000 years ago and

2668

02:27:29,350 --> 02:27:24,410

this big question if Neanderthals had

2669

02:27:31,661 --> 02:27:29,360

larger brain capacity and that they were

2670

02:27:34,751 --> 02:27:31,671

doing some of the arts

2671

02:27:38,261 --> 02:27:34,761

in the cave and they buried their dead

2672

02:27:42,900 --> 02:27:38,271

and did so with compassion and

2673

02:27:47,081 --> 02:27:42,910

tenderness why were neanderthalensis

2674

02:27:50,140 --> 02:27:47,091

replaced by the tribal warfare Nkrumah

2675

02:27:54,100 --> 02:27:50,150

and Homo sapiens sapiens did I just get

2676

02:28:01,900 --> 02:27:54,110

shut down by Linda Moulton Howe did I

2677

02:28:07,031 --> 02:28:01,910

just get shut down I guess my point my

2678

02:28:08,831 --> 02:28:07,041

point was that it you know we have Lucy

2679

02:28:11,801 --> 02:28:08,841

but we have all of these different

2680

02:28:14,531 --> 02:28:11,811

examples of things that have come and

2681

02:28:17,261 --> 02:28:14,541

gone and if we go back and look at

2682

02:28:20,261 --> 02:28:17,271

Antarctica 33 million years ago 75

2683

02:28:21,821 --> 02:28:20,271

million years ago octopus now 250

2684

02:28:26,011 --> 02:28:21,831

million years ago just appeared here

2685

02:28:28,390 --> 02:28:26,021

that there are many examples of

2686

02:28:30,911 --> 02:28:28,400

civilizations and cultures that have

2687

02:28:33,571 --> 02:28:30,921

come and gone we have only been here for

2688

02:28:38,140 --> 02:28:33,581

a hundred and fifty thousand years and

2689

02:28:42,341 --> 02:28:38,150

that we hundred and fifty thousand years

2690

02:28:45,430 --> 02:28:42,351

I think this current model is 35 to 45

2691

02:28:48,180 --> 02:28:45,440

thousand years but in the context of two

2692

02:28:51,730 --> 02:28:48,190

million years of evolving and

2693

02:28:54,281 --> 02:28:51,740

manipulated remember yes that that paper

2694

02:28:56,730 --> 02:28:54,291

that Dodi showed me Kurland

2695

02:28:58,470 --> 02:28:56,740

said right in it that these

2696

02:29:01,900 --> 02:28:58,480

extraterrestrials this is the quote

2697

02:29:07,241 --> 02:29:01,910

manipulated DNA in already evolving

2698

02:29:11,051 --> 02:29:07,251

primates to create Homo Sapien that is a

2699

02:29:20,881 --> 02:29:11,061

direct quote Thank You Linda that

2700

02:29:24,100 --> 02:29:20,891

briefing paper the document project

2701

02:29:26,111 --> 02:29:24,110

let's see it was project garnet because

2702

02:29:28,470 --> 02:29:26,121

I remember I said remember your

2703

02:29:35,190 --> 02:29:28,480

birthstone and I was born in January

2704

02:29:39,041 --> 02:29:35,200

project all questions and mysteries

2705

02:29:43,390 --> 02:29:39,051

about the evolution of Homo Sapien on

2706

02:29:45,301 --> 02:29:43,400

this planet have been answered and this

2707

02:29:50,041 --> 02:29:45,311

project is

2708

02:29:52,951 --> 02:29:50,051

I must have read that sentence over and

2709

02:29:57,331 --> 02:29:52,961

over and over as if I were in a mild

2710

02:30:01,070 --> 02:29:57,341

state of shock trying to absorb all the

2711

02:30:04,591 --> 02:30:01,080

implications of those words all

2712

02:30:08,100 --> 02:30:04,601

questions and mysteries about the

2713

02:30:10,711 --> 02:30:08,110

evolution of Homo Sapien on this planet

2714

02:30:13,411 --> 02:30:10,721

have been answered and this project is

2715

02:30:17,701 --> 02:30:13,421

closed and when you think about that

2716

02:30:21,741 --> 02:30:17,711

right now tonight in 2018 the people

2717

02:30:25,470 --> 02:30:21,751

going back to World War two dealing with

2718

02:30:29,730 --> 02:30:25,480

perhaps not even real crashes but like

2719

02:30:32,161 --> 02:30:29,740

Trojan horse planted craft sure in not

2720

02:30:35,131 --> 02:30:32,171

only in the United States but Russia and

2721

02:30:39,091 --> 02:30:35,141

China and Italy and all over the planet

2722

02:30:42,031 --> 02:30:39,101

it actually was happening and then they

2723

02:30:46,140 --> 02:30:42,041

made a decision in the United States

2724

02:30:49,890 --> 02:30:46,150

that was a powder absolutely counter to

2725

02:30:52,831 --> 02:30:49,900

the founding of America we should have

2726

02:30:55,591 --> 02:30:52,841

been told we should have been told

2727

02:30:58,411 --> 02:30:55,601

everything and I understand the

2728

02:31:00,961 --> 02:30:58,421

arguments I understand world war two I

2729

02:31:04,440 --> 02:31:00,971

understand that they were concerned

2730

02:31:07,951 --> 02:31:04,450

about getting the best technology is

2731

02:31:09,961 --> 02:31:07,961

making the best weapons moving into the

2732

02:31:13,081 --> 02:31:09,971

Atomic Age all of it

2733

02:31:16,201 --> 02:31:13,091

that was a testosterone concern and

2734

02:31:20,220 --> 02:31:16,211

probably a legitimate one but at the

2735

02:31:22,980 --> 02:31:20,230

same time if everybody in the United

2736

02:31:25,711 --> 02:31:22,990

States had lived up to what our founding

2737

02:31:30,480 --> 02:31:25,721

was about then we should have all been

2738

02:31:32,911 --> 02:31:30,490

told the truth we have technologies and

2739

02:31:35,671 --> 02:31:32,921

what appear to be and they knew this in

2740

02:31:38,881 --> 02:31:35,681

the beginning in Missouri those two

2741

02:31:40,741 --> 02:31:38,891

first beings from Cape Girardeau in 1941

2742

02:31:42,511 --> 02:31:40,751

I think the evidence for that all this

2743

02:31:46,110 --> 02:31:42,521

happened is huge that's right

2744

02:31:48,621 --> 02:31:46,120

those were clones and those were very

2745

02:31:51,961 --> 02:31:48,631

bright people in the FDR administration

2746

02:31:55,951 --> 02:31:51,971

and they recognized that those two

2747

02:31:58,350 --> 02:31:55,961

beings were clones and that means that

2748

02:31:59,210 --> 02:31:58,360

our government must have been working

2749

02:32:01,460 --> 02:31:59,220

overtime

2750

02:32:05,630 --> 02:32:01,470

trying to understand what is the

2751

02:32:08,330 --> 02:32:05,640

implication of two clones in some kind

2752

02:32:09,769 --> 02:32:08,340

of a craft to come from outer space

2753

02:32:14,530 --> 02:32:09,779

because you know what would have been my

2754

02:32:21,260 --> 02:32:14,540

first question if these are clones who

2755

02:32:25,729 --> 02:32:21,270

made them and this one of the most

2756

02:32:30,099 --> 02:32:25,739

important points when we look at us when

2757

02:32:36,349 --> 02:32:30,109

it comes to DNA where something obvious

2758

02:32:38,150 --> 02:32:36,359

happened well a few times way before we

2759

02:32:40,130 --> 02:32:38,160

had that technology we're talking about

2760

02:32:43,670 --> 02:32:40,140

you know tens of thousands of years ago

2761

02:32:45,740 --> 02:32:43,680

or more at different stages quite

2762

02:32:48,440 --> 02:32:45,750

possibly going back millions of years

2763

02:32:50,540 --> 02:32:48,450

but eventually don't you think Linda

2764

02:32:52,130 --> 02:32:50,550

that there are going to be geneticist

2765

02:32:56,450 --> 02:32:52,140

out there there are going to be DNA

2766

02:32:59,900 --> 02:32:56,460

experts that are going to realize that

2767

02:33:03,110 --> 02:32:59,910

this wasn't a natural evolution that

2768

02:33:05,780 --> 02:33:03,120

occurred and what would they do with

2769

02:33:07,630 --> 02:33:05,790

that information it's certainly not

2770

02:33:11,660 --> 02:33:07,640

going to go public

2771

02:33:15,620 --> 02:33:11,670

shut it down because the government sent

2772

02:33:18,290 --> 02:33:15,630

world war two I made this a subject that

2773

02:33:21,559 --> 02:33:18,300

was not politically acceptable to

2774

02:33:24,559 --> 02:33:21,569

discuss and put a lot of penalties with

2775

02:33:27,440 --> 02:33:24,569

people in government agencies Intel

2776

02:33:29,210 --> 02:33:27,450

agencies and military operations have

2777

02:33:31,309 --> 02:33:29,220

been exposed to all of this these are

2778

02:33:33,530 --> 02:33:31,319

the whistleblowers that are trying so

2779

02:33:39,530 --> 02:33:33,540

hard to communicate such important

2780

02:33:45,370 --> 02:33:39,540

information now and that when you put it

2781

02:33:50,620 --> 02:33:45,380

in a very nice way but in the sense that

2782

02:33:53,690 --> 02:33:50,630

those will say doctors like bronc and

2783

02:33:55,160 --> 02:33:53,700

passing the baton through majestic 12 to

2784

02:33:58,190 --> 02:33:55,170

the people that they were bringing into

2785

02:34:02,840 --> 02:33:58,200

the program always worn strict

2786

02:34:06,110 --> 02:34:02,850

non-disclosure agreements today I am

2787

02:34:10,099 --> 02:34:06,120

working on material that I will be able

2788

02:34:11,850 --> 02:34:10,109

to talk about sometime soon that goes

2789

02:34:16,980 --> 02:34:11,860

into this

2790

02:34:21,751 --> 02:34:16,990

category of is there proof on earth now

2791

02:34:26,940 --> 02:34:21,761

of hybrids in which the genetic material

2792

02:34:31,261 --> 02:34:26,950

is Homo primate or primate human primate

2793

02:34:34,711 --> 02:34:31,271

mixed something unknown and the fact

2794

02:34:38,841 --> 02:34:34,721

that that must be scientifically

2795

02:34:42,001 --> 02:34:38,851

provable and yet we're on a planet where

2796

02:34:42,980 --> 02:34:42,011

scientists know this and they know what

2797

02:34:46,650 --> 02:34:42,990

they're dealing with

2798

02:34:49,020 --> 02:34:46,660

but because we are living in some kind

2799

02:34:55,381 --> 02:34:49,030

of what was it Robert Bigelow called it

2800

02:34:59,491 --> 02:34:55,391

a juvenile taboo perfect he said that in

2801
02:35:02,011 --> 02:34:59,501
the interview with I think juveniles

2802
02:35:03,480 --> 02:35:02,021
taboo was in one of his interviews I

2803
02:35:07,381 --> 02:35:03,490
don't know if it was in the 60 minutes

2804
02:35:10,591 --> 02:35:07,391
when last year but it's a perfect name

2805
02:35:14,430 --> 02:35:10,601
for what has been happening juvenile

2806
02:35:18,060 --> 02:35:14,440
about we have to get past suppressing

2807
02:35:20,671 --> 02:35:18,070
everything because there was a goal to

2808
02:35:23,791 --> 02:35:20,681
have this advanced extraterrestrial

2809
02:35:27,810 --> 02:35:23,801
technology super weapons be able to do

2810
02:35:31,770 --> 02:35:27,820
super Wars when in fact maybe the entire

2811
02:35:34,921 --> 02:35:31,780
world would stop fighting itself if it

2812
02:35:37,230 --> 02:35:34,931
knew for truth that all of the

2813
02:35:39,720 --> 02:35:37,240

governments that have the bodies in the

2814

02:35:42,720 --> 02:35:39,730

crash in the technology right now told

2815

02:35:46,820 --> 02:35:42,730

the truth the whole planet that deserves

2816

02:35:52,610 --> 02:35:46,830

to know maybe some of the horrible

2817

02:35:55,291 --> 02:35:52,620

insidious tribal warfare would end when

2818

02:35:58,470 --> 02:35:55,301

December 16th you know the New York

2819

02:36:01,320 --> 02:35:58,480

Times the days of disclosure and and and

2820

02:36:04,890 --> 02:36:01,330

all of this blew up in mass media around

2821

02:36:08,011 --> 02:36:04,900

the world every all of those government

2822

02:36:10,381 --> 02:36:08,021

reports that predicted an arcing the

2823

02:36:15,301 --> 02:36:10,391

streets and the collapse of religion and

2824

02:36:17,761 --> 02:36:15,311

Wall Street and governments and movor we

2825

02:36:23,380 --> 02:36:17,771

would lose our minds clearly Linda that

2826
02:36:27,880 --> 02:36:23,390
didn't happen so exactly I mean look I

2827
02:36:30,000 --> 02:36:27,890
have said now for about three years or

2828
02:36:33,130 --> 02:36:30,010
two years for sure

2829
02:36:35,080 --> 02:36:33,140
conferences I'll give you one and it

2830
02:36:39,309 --> 02:36:35,090
makes the point exactly

2831
02:36:41,219 --> 02:36:39,319
I was an evening speaker in Manchester

2832
02:36:45,400 --> 02:36:41,229
England on March 4th

2833
02:36:47,530 --> 02:36:45,410
2017 I and Erich von däniken was the

2834
02:36:52,330 --> 02:36:47,540
second evening speaker he and I were

2835
02:36:55,240 --> 02:36:52,340
featured and we were in a huge Sports

2836
02:36:59,170 --> 02:36:55,250
Complex that could accommodate the

2837
02:37:04,330 --> 02:36:59,180
audience that night I'm told with 2,200

2838
02:37:08,190 --> 02:37:04,340

or 2,500 people and I was first up at 7

2839

02:37:13,660 --> 02:37:08,200

o'clock and I had brought my

2840

02:37:15,969 --> 02:37:13,670

presentation on the binary code that I

2841

02:37:21,429 --> 02:37:15,979

have encountered whether it was in

2842

02:37:24,700 --> 02:37:21,439

Rendlesham with Jim Penniston or stuff

2843

02:37:26,530 --> 02:37:24,710

that it happened in Japan or a very

2844

02:37:28,690 --> 02:37:26,540

person that I was working with who was

2845

02:37:31,570 --> 02:37:28,700

getting downloads in binary and we were

2846

02:37:35,500 --> 02:37:31,580

translating it all of that it was a

2847

02:37:39,520 --> 02:37:35,510

complex program and I wasn't sure if my

2848

02:37:42,700 --> 02:37:39,530

90 minutes would be accessible to this

2849

02:37:45,040 --> 02:37:42,710

broad UK with some European visitor

2850

02:37:50,110 --> 02:37:45,050

audience or not and I was worried about

2851
02:37:52,570 --> 02:37:50,120
it but I did the presentation as I had

2852
02:37:57,550 --> 02:37:52,580
produced it in the United States and

2853
02:38:01,809 --> 02:37:57,560
heads minute and so when I got to the

2854
02:38:05,380 --> 02:38:01,819
end and I just had this overwhelming

2855
02:38:08,620 --> 02:38:05,390
feeling for this big huge audience in

2856
02:38:12,000 --> 02:38:08,630
front of me as by fellow human beings on

2857
02:38:15,940 --> 02:38:12,010
this planet who all deserved the truth

2858
02:38:18,910 --> 02:38:15,950
not lies upon lies upon lies for

2859
02:38:21,030 --> 02:38:18,920
centuries I simply looked out it its

2860
02:38:24,639 --> 02:38:21,040
massive crowd and I said thank you

2861
02:38:26,710 --> 02:38:24,649
Manchester and what happened

2862
02:38:28,360 --> 02:38:26,720
they owners told me they'd never seen

2863
02:38:30,880 --> 02:38:28,370

anything like it I've never seen

2864

02:38:35,460 --> 02:38:30,890

anything like it I never felt anything

2865

02:38:39,599 --> 02:38:35,470

like it every person in that huge

2866

02:38:41,639 --> 02:38:39,609

huge place jumps up at once and they

2867

02:38:44,639 --> 02:38:41,649

were screaming my name they were

2868

02:38:48,570 --> 02:38:44,649

screaming and there was this feeling of

2869

02:38:51,240 --> 02:38:48,580

energy that came on me like a wave from

2870

02:38:56,250 --> 02:38:51,250

this huge audience jumping up screaming

2871

02:39:01,700 --> 02:38:56,260

and what it was almost ever this whole

2872

02:39:06,750 --> 02:39:01,710

audience were Millennials with kids and

2873

02:39:12,229 --> 02:39:06,760

they they were so far beyond the

2874

02:39:15,510 --> 02:39:12,239

policies of denial and lies they were so

2875

02:39:19,050 --> 02:39:15,520

convinced there was this was an audience

2876

02:39:24,420 --> 02:39:19,060

that was saying to me and a huge huge

2877

02:39:31,469 --> 02:39:24,430

ovation scream thank you for talking to

2878

02:39:35,190 --> 02:39:31,479

us without be you know what and and I

2879

02:39:38,969 --> 02:39:35,200

find that now more and more in audiences

2880

02:39:43,469 --> 02:39:38,979

and the communications there are so many

2881

02:39:47,040 --> 02:39:43,479

people were way way past they are they

2882

02:39:49,110 --> 02:39:47,050

know that the idea that we're alone in

2883

02:39:51,660 --> 02:39:49,120

the universe facility that's what

2884

02:39:54,179 --> 02:39:51,670

happened in 70 years since World War two

2885

02:39:57,290 --> 02:39:54,189

where they might have been worried about

2886

02:39:58,769 --> 02:39:57,300

consequences today people think that is

2887

02:40:02,070 --> 02:39:58,779

antiquated

2888

02:40:05,360 --> 02:40:02,080

they've it's silly of course this

2889

02:40:09,900 --> 02:40:05,370

universe has other life in it

2890

02:40:13,969 --> 02:40:09,910

the thank you Manchester I can see it

2891

02:40:18,389 --> 02:40:13,979

now right it was wonderful because

2892

02:40:23,370 --> 02:40:18,399

everybody was united in that same birth

2893

02:40:27,719 --> 02:40:23,380

of yes yes we are in the presence of

2894

02:40:30,650 --> 02:40:27,729

what is real not the policies of life

2895

02:40:32,849 --> 02:40:30,660

yeah I saw the photographs of that and

2896

02:40:37,110 --> 02:40:32,859

it was an incredible that was Steve

2897

02:40:39,510 --> 02:40:37,120

Mehra's conference right oh yeah yeah he

2898

02:40:44,269 --> 02:40:39,520

was there and Batali and all those guys

2899

02:40:47,790 --> 02:40:44,279

and it was it was just an outstanding

2900

02:40:49,200 --> 02:40:47,800

moment I will never forget I'm very

2901
02:40:52,429 --> 02:40:49,210
grateful and

2902
02:40:57,410 --> 02:40:52,439
and where was I I just got back I did a

2903
02:40:59,880 --> 02:40:57,420
presentation in New York City on AI and

2904
02:41:02,429 --> 02:40:59,890
then I was in Vermont and did a

2905
02:41:05,729 --> 02:41:02,439
presentation there I just got back a few

2906
02:41:09,960 --> 02:41:05,739
days ago and when I was in New York City

2907
02:41:14,250 --> 02:41:09,970
a man came up to me after I did my

2908
02:41:18,240 --> 02:41:14,260
artificial intelligence there and he

2909
02:41:21,269 --> 02:41:18,250
took my hand and he had his eyes were

2910
02:41:24,809 --> 02:41:21,279
glistening like with slight tears and he

2911
02:41:29,370 --> 02:41:24,819
said I was in that audience

2912
02:41:32,250 --> 02:41:29,380
on March 4th in Manchester and I had to

2913
02:41:35,130 --> 02:41:32,260

come see you in New York City because I

2914

02:41:37,950 --> 02:41:35,140

was here on a trip and it was like the

2915

02:41:41,280 --> 02:41:37,960

binding that everybody who had that

2916

02:41:45,860 --> 02:41:41,290

experience with me and with Eric that

2917

02:41:49,019 --> 02:41:45,870

night we were bound in that kind of

2918

02:41:51,990 --> 02:41:49,029

amazing weave that can happen sometimes

2919

02:41:55,920 --> 02:41:52,000

in human lives where everybody in that

2920

02:41:59,790 --> 02:41:55,930

you to Juju's place we were all in the

2921

02:42:01,790 --> 02:41:59,800

same page thank you so much Linda and I

2922

02:42:04,590 --> 02:42:01,800

can't wait to see you next week I

2923

02:42:10,559 --> 02:42:04,600

believe contact in the desert is in

2924

02:42:14,160 --> 02:42:10,569

seven days yes I am doing fast radio

2925

02:42:17,939 --> 02:42:14,170

birds I'm doing Sasquatch UFOs and

2926

02:42:21,059 --> 02:42:17,949

animal mutilations I am doing the

2927

02:42:25,410 --> 02:42:21,069

artificial intelligence and I am doing

2928

02:42:30,540 --> 02:42:25,420

military Whistleblower revelations about

2929

02:42:32,760 --> 02:42:30,550

UFOs and how do how does it make you

2930

02:42:36,030 --> 02:42:32,770

feel when he walk around you know a

2931

02:42:38,729 --> 02:42:36,040

ginormous event like contact and and

2932

02:42:41,099 --> 02:42:38,739

people just come up to you all day long

2933

02:42:47,670 --> 02:42:41,109

and and they just want to thank you you

2934

02:42:50,250 --> 02:42:47,680

know how does that make you hug and you

2935

02:42:53,219 --> 02:42:50,260

know what it's the same thing in

2936

02:42:58,830 --> 02:42:53,229

Manchester I experienced it in New York

2937

02:43:02,410 --> 02:42:58,840

City where many people male and female

2938

02:43:06,250 --> 02:43:02,420

both of all kinds of ages

2939

02:43:08,800 --> 02:43:06,260

and they come up and they have tears in

2940

02:43:11,620 --> 02:43:08,810

their eyes this has been happening a lot

2941

02:43:14,830 --> 02:43:11,630

I think if tears in their eyes and they

2942

02:43:17,649 --> 02:43:14,840

take all of my shoulder and their

2943

02:43:23,349 --> 02:43:17,659

varying kinds of thank-yous and what I

2944

02:43:26,769 --> 02:43:23,359

feel is that truth is truth is truth

2945

02:43:29,800 --> 02:43:26,779

Jimmy and for those of us who have been

2946

02:43:34,059 --> 02:43:29,810

trying for a long time to get to real

2947

02:43:36,670 --> 02:43:34,069

truth and then that we are on a planet

2948

02:43:40,420 --> 02:43:36,680

that is as revolutionary and difficult

2949

02:43:43,660 --> 02:43:40,430

as this one is now and people are hungry

2950

02:43:47,679 --> 02:43:43,670

for truth because we are now in

2951
02:43:51,700 --> 02:43:47,689
political systems that every 24/7 cycle

2952
02:43:55,420 --> 02:43:51,710
are lying as a course of their day cool

2953
02:43:57,280 --> 02:43:55,430
in the political realm do you think is

2954
02:44:00,370 --> 02:43:57,290
telling any truths anymore

2955
02:44:02,769 --> 02:44:00,380
and so there is this huge huge gulf

2956
02:44:05,439 --> 02:44:02,779
between people who would like to know

2957
02:44:07,630 --> 02:44:05,449
what is reality and a world of

2958
02:44:10,450 --> 02:44:07,640
governments now and all they do is lie

2959
02:44:15,399 --> 02:44:10,460
and that there is something about the

2960
02:44:18,550 --> 02:44:15,409
tears in people's eyes that humans I

2961
02:44:21,760 --> 02:44:18,560
think would like to feel that we could

2962
02:44:25,120 --> 02:44:21,770
get back to a planet where humans

2963
02:44:28,300 --> 02:44:25,130

respected each other enough love each

2964

02:44:33,580 --> 02:44:28,310

other enough as a species so we could

2965

02:44:37,630 --> 02:44:33,590

tell the truth and that is the huge

2966

02:44:39,610 --> 02:44:37,640

bonding I am feeling in audiences and

2967

02:44:42,309 --> 02:44:39,620

with people coming up and hugging and

2968

02:44:45,429 --> 02:44:42,319

crying in tears they're not tears of

2969

02:44:49,750 --> 02:44:45,439

sadness they are tears of being joined

2970

02:44:53,410 --> 02:44:49,760

by wanting the truth and that's all I

2971

02:44:57,490 --> 02:44:53,420

have ever been trying to give people and

2972

02:45:00,309 --> 02:44:57,500

that it hurts me to my core to think

2973

02:45:03,160 --> 02:45:00,319

that we have a government who thinks

2974

02:45:06,399 --> 02:45:03,170

that people should be hurt because they

2975

02:45:07,929 --> 02:45:06,409

just want to tell the truth that were

2976

02:45:11,340 --> 02:45:07,939

not alone in this universe

2977

02:45:15,900 --> 02:45:11,350

and from my point of view if there are

2978

02:45:18,720 --> 02:45:15,910

white and black negative positive

2979

02:45:20,761 --> 02:45:18,730

angels Devils it reflects everything

2980

02:45:23,790 --> 02:45:20,771

that we've had in our nurture in our

2981

02:45:26,570 --> 02:45:23,800

boxes of religions for a long time

2982

02:45:31,430 --> 02:45:26,580

anyway and when the remote viewers say

2983

02:45:36,511 --> 02:45:31,440

doc you have allies we have friends I

2984

02:45:39,900 --> 02:45:36,521

think that is worth telling the world we

2985

02:45:42,390 --> 02:45:39,910

can handle it and with your help Linda

2986

02:45:44,370 --> 02:45:42,400

it's going to get done and I know you're

2987

02:45:48,450 --> 02:45:44,380

never gonna change but I have to say it

2988

02:45:54,860 --> 02:45:48,460

don't change we need you thank you so

2989

02:45:57,210 --> 02:45:54,870

much to you and all of your audience and

2990

02:45:59,700 --> 02:45:57,220

for all of you who might be listening

2991

02:46:03,120 --> 02:45:59,710

and who get the contact come up and

2992

02:46:06,240 --> 02:46:03,130

shake my hand and Jimmy I'll see you

2993

02:46:09,540 --> 02:46:06,250

there and I'm so glad we did this

2994

02:46:12,841 --> 02:46:09,550

tonight it feels like this is genuinely

2995

02:46:14,400 --> 02:46:12,851

important for everybody to be talking at

2996

02:46:17,640 --> 02:46:14,410

these levels

2997

02:46:19,770 --> 02:46:17,650

now really yeah like I said to you

2998

02:46:21,210 --> 02:46:19,780

through Greenwald a couple of days ago

2999

02:46:26,100 --> 02:46:21,220

breakfast is on me

3000

02:46:30,750 --> 02:46:26,110

all right Marita thank you so much Linda

3001

02:46:34,890 --> 02:46:30,760

safe travels Linda Moulton Howe and

3002

02:46:38,820 --> 02:46:34,900

Earth files.com is where you want to go

3003

02:46:40,650 --> 02:46:38,830

every single day and every every

3004

02:46:42,270 --> 02:46:40,660

Wednesday night she's doing earth files

3005

02:46:44,160 --> 02:46:42,280

live right there on YouTube right before

3006

02:46:45,960 --> 02:46:44,170

fade to black and I know that all of you

3007

02:46:48,091 --> 02:46:45,970

over there checking it out because you

3008

02:46:49,980 --> 02:46:48,101

let me know when you come over here that

3009

02:46:51,301 --> 02:46:49,990

you just checked out Lindo so do that

3010

02:46:54,330 --> 02:46:51,311

every Wednesday night and of course

3011

02:46:56,131 --> 02:46:54,340

Thursday night Kay GRA with John

3012

02:46:58,170 --> 02:46:56,141

Burroughs phenomena radio Thank You

3013

02:47:00,240 --> 02:46:58,180

Linda this is fade to black I'm your

3014

02:47:04,450 --> 02:47:00,250

host Jimmy Church I'll be right back

3015

02:47:15,130 --> 02:47:12,860

[Music]

3016

02:47:18,650 --> 02:47:15,140

[Applause]

3017

02:47:21,080 --> 02:47:18,660

hey what biblical box here and you are

3018

02:47:26,511 --> 02:47:21,090

listening to my boy Jimmy Church

3019

02:47:29,630 --> 02:47:26,521

Jimmy Church radio.com this my popular

3020

02:47:31,559 --> 02:47:29,640

opinion reading a book will not make you

3021

02:47:34,520 --> 02:47:31,569

smarter

3022

02:47:37,529 --> 02:47:34,530

but listening to Jimmy church will

3023

02:47:41,800 --> 02:47:37,539

[Applause]

3024

02:47:43,689 --> 02:47:41,810

hurricanes earthquakes wildfires this

3025

02:47:46,149 --> 02:47:43,699

year we've experienced more than our

3026
02:47:48,460 --> 02:47:46,159
fair share this is Jimmy Church a fade

3027
02:47:50,469 --> 02:47:48,470
to black and last month I decided to

3028
02:47:52,899 --> 02:47:50,479
make sure my family does not have to

3029
02:47:56,080 --> 02:47:52,909
worry about food should we get caught in

3030
02:47:58,510 --> 02:47:56,090
a real emergency situation introducing

3031
02:48:00,279 --> 02:47:58,520
Humana a healthy storable product that

3032
02:48:02,199 --> 02:48:00,289
tastes so good that you'll want to eat

3033
02:48:04,479 --> 02:48:02,209
it every day instead of just during

3034
02:48:06,729 --> 02:48:04,489
those times of duress all new manna

3035
02:48:10,120 --> 02:48:06,739
products have a 25 year shelf life our

3036
02:48:12,639 --> 02:48:10,130
msg and GMO free no preservatives and

3037
02:48:14,590 --> 02:48:12,649
are made in America with the new manna

3038
02:48:16,149 --> 02:48:14,600

pack in your home you'll be able to

3039

02:48:18,729 --> 02:48:16,159

sleep at night knowing that you

3040

02:48:21,910 --> 02:48:18,739

protected your family not only have I

3041

02:48:24,010 --> 02:48:21,920

tasted and tested I own it now you can

3042

02:48:26,229 --> 02:48:24,020

too just click on the new manna banner

3043

02:48:28,090 --> 02:48:26,239

on Jimmy Church radio.com and use the

3044

02:48:30,519 --> 02:48:28,100

promo code Jimmy when you order in

3045

02:48:32,620 --> 02:48:30,529

addition to a discount we'll send you an

3046

02:48:37,750 --> 02:48:32,630

autograph fade to black t-shirt

3047

02:48:40,630 --> 02:48:37,760

seriously gobekli tepe when you take the

3048

02:48:43,000 --> 02:48:40,640

beans from Central America with dashes

3049

02:48:45,370 --> 02:48:43,010

of Indonesian and African mixed in and

3050

02:48:48,460 --> 02:48:45,380

then roast it to the dark side of fade

3051
02:48:51,609 --> 02:48:48,470
to black you create the ultimate brew of

3052
02:48:55,359 --> 02:48:51,619
Fringe introducing the fade to black

3053
02:48:57,969 --> 02:48:55,369
blend from River moon coffee yes River

3054
02:48:59,590 --> 02:48:57,979
moons darkest customized roast was

3055
02:49:03,250 --> 02:48:59,600
created for the love of

3056
02:49:05,769 --> 02:49:03,260
fade to black the alchemy of masterful

3057
02:49:09,040 --> 02:49:05,779
roasting and smoking the beans is in

3058
02:49:13,239 --> 02:49:09,050
every sip of this full-bodied dark Java

3059
02:49:15,550 --> 02:49:13,249
I need my coffee doc deep with distinct

3060
02:49:18,279 --> 02:49:15,560
bittersweet chocolate highlights just

3061
02:49:20,710 --> 02:49:18,289
like the bunker leaning further into the

3062
02:49:23,979 --> 02:49:20,720
darkness of the roast is fade to black

3063
02:49:25,630 --> 02:49:23,989

blend from river moon coffee just click

3064

02:49:28,960 --> 02:49:25,640

on the banner at Jimmy Church radio.com

3065

02:49:32,150 --> 02:49:28,970

and use the promo code F to B blend for

3066

02:49:35,960 --> 02:49:32,160

15% off of your order today

3067

02:49:38,000 --> 02:49:35,970

Bagley tapi hey can we talk about

3068

02:49:41,120 --> 02:49:38,010

something serious for a minute your age

3069

02:49:43,580 --> 02:49:41,130

getting old has its perks but remember

3070

02:49:45,620 --> 02:49:43,590

being a few years younger you know your

3071

02:49:47,480 --> 02:49:45,630

hair was thicker you didn't have so many

3072

02:49:49,490 --> 02:49:47,490

wrinkles that extra weight wasn't

3073

02:49:51,740 --> 02:49:49,500

haunting you and you just felt better

3074

02:49:54,410 --> 02:49:51,750

well we can't turn back the clocks and

3075

02:49:56,600 --> 02:49:54,420

go back 10 or 15 years but you can start

3076
02:49:59,750 --> 02:49:56,610
feeling and looking 10 or 15 years

3077
02:50:01,761 --> 02:49:59,760
younger with nature's youth RSF it's a

3078
02:50:03,440 --> 02:50:01,771
doctor formulated daily supplement that

3079
02:50:05,170 --> 02:50:03,450
helps your body maintain its peak

3080
02:50:07,820 --> 02:50:05,180
performance and fight the aging process

3081
02:50:09,170 --> 02:50:07,830
imagine sleeping better looking better

3082
02:50:11,750 --> 02:50:09,180
and feeling better

3083
02:50:13,730 --> 02:50:11,760
see how Nature's youth RSF has helped

3084
02:50:16,430 --> 02:50:13,740
thousands of people just like you at

3085
02:50:18,890 --> 02:50:16,440
nature's youth calm nature's youth calm

3086
02:50:20,301 --> 02:50:18,900
the holidays are coming imagine how it

3087
02:50:22,190 --> 02:50:20,311
will feel when your family and friends

3088
02:50:24,560 --> 02:50:22,200

are asking you what you did to look so

3089

02:50:26,841 --> 02:50:24,570

good your secret will be nature's youth

3090

02:50:29,420 --> 02:50:26,851

RSF it's time to start looking better

3091

02:50:31,400 --> 02:50:29,430

and feeling better learn more in order

3092

02:50:41,710 --> 02:50:31,410

your nature's use RSS at nature's youth

3093

02:50:55,939 --> 02:50:45,410

it's not a lifestyle we chose we were

3094

02:50:59,220 --> 02:50:55,949

born this way k GRA radio.com this is k

3095

02:51:13,859 --> 02:50:59,230

JC our Jimmy shirts radiojohn yeah

3096

02:51:20,229 --> 02:51:17,130

all right welcome back fade to black

3097

02:51:22,329 --> 02:51:20,239

wheels Jimmy Church Linda Moulton Howe

3098

02:51:27,279 --> 02:51:22,339

there there's a national treasure right

3099

02:51:29,139 --> 02:51:27,289

there great conversation and went right

3100

02:51:31,989 --> 02:51:29,149

through a commercial break but I just

3101

02:51:35,529 --> 02:51:31,999

died there's just no way I'm not going

3102

02:51:36,519 --> 02:51:35,539

to stop a great conversation for a

3103

02:51:41,019 --> 02:51:36,529

commercial break

3104

02:51:42,279 --> 02:51:41,029

but a couple of things and and I'll get

3105

02:51:46,329 --> 02:51:42,289

to some of these phone calls

3106

02:51:50,109 --> 02:51:46,339

I've got enough time for a couple back

3107

02:51:52,959 --> 02:51:50,119

to the cattle mutilation one thing I

3108

02:51:58,569 --> 02:51:52,969

didn't get a chance to get the question

3109

02:52:00,399 --> 02:51:58,579

in but they just stopped and isn't that

3110

02:52:03,539 --> 02:52:00,409

interesting one of the great mysteries

3111

02:52:05,800 --> 02:52:03,549

right and there's been no explanation

3112

02:52:09,609 --> 02:52:05,810

nothing from the government or

3113

02:52:12,639 --> 02:52:09,619

terrestrial laboratories that possibly

3114

02:52:14,529 --> 02:52:12,649

could have been doing some crazy animal

3115

02:52:20,139 --> 02:52:14,539

testing it wasn't just cattle by the way

3116

02:52:23,409 --> 02:52:20,149

but nonetheless just stopped and the

3117

02:52:27,699 --> 02:52:23,419

extra-terrestrial side of it I still

3118

02:52:31,359 --> 02:52:27,709

cannot dismiss for a lot of different

3119

02:52:37,419 --> 02:52:31,369

reasons but they just stopped or have

3120

02:52:39,639 --> 02:52:37,429

they is it not being reported on anymore

3121

02:52:40,329 --> 02:52:39,649

but isn't that don't you find that

3122

02:52:43,329 --> 02:52:40,339

strange

3123

02:52:47,439 --> 02:52:43,339

I do I mean it just completely stopped

3124

02:52:51,340 --> 02:52:47,449

and the the mutilations themselves and

3125

02:52:55,539 --> 02:52:51,350

the horses to remember were real these

3126
02:52:58,779 --> 02:52:55,549
were real but they just stopped and the

3127
02:53:00,639 --> 02:52:58,789
when you look at the photographs you can

3128
02:53:02,019 --> 02:53:00,649
read about the details of and so forth

3129
02:53:06,899 --> 02:53:02,029
when you look at the photographs you

3130
02:53:11,050 --> 02:53:06,909
just have to stop and question you know

3131
02:53:13,569 --> 02:53:11,060
it's not animals doing it okay so that

3132
02:53:18,130 --> 02:53:13,579
that part of it is is off of the table

3133
02:53:21,069 --> 02:53:18,140
so the question is who and why it's a

3134
02:53:24,240 --> 02:53:21,079
fascinating part of history in this in

3135
02:53:26,640 --> 02:53:24,250
this country one that Linda was

3136
02:53:29,430 --> 02:53:26,650
a big part of in investigating and

3137
02:53:33,570 --> 02:53:29,440
researching but I'm not so sure if we

3138
02:53:36,390 --> 02:53:33,580

ever got to the answer and I would be

3139

02:53:39,600 --> 02:53:36,400

cool with it I guess

3140

02:53:42,660 --> 02:53:39,610

if there was some resolution where you

3141

02:53:47,400 --> 02:53:42,670

know some laboratory or you know Sandia

3142

02:53:49,950 --> 02:53:47,410

or whoever was responsible for this as

3143

02:53:52,920 --> 02:53:49,960

far as a government research lab side of

3144

02:53:55,320 --> 02:53:52,930

things or or something else or the

3145

02:53:56,820 --> 02:53:55,330

military came forward and said okay this

3146

02:53:59,310 --> 02:53:56,830

is what was going on this is how we did

3147

02:54:01,110 --> 02:53:59,320

it this is why we did it and and it was

3148

02:54:03,150 --> 02:54:01,120

weapons testing whatever it is I don't

3149

02:54:08,310 --> 02:54:03,160

know I don't know radiation I don't know

3150

02:54:11,670 --> 02:54:08,320

but that didn't happen so the et side of

3151
02:54:15,780 --> 02:54:11,680
it is is still on the table and I know

3152
02:54:18,540 --> 02:54:15,790
how humans when we go into the jungle or

3153
02:54:20,940 --> 02:54:18,550
we go out and and we find the new

3154
02:54:22,890 --> 02:54:20,950
species or whatever you know it's bagged

3155
02:54:25,860 --> 02:54:22,900
and tagged and grab it and come back and

3156
02:54:27,690 --> 02:54:25,870
research and do the analysis on it well

3157
02:54:30,930 --> 02:54:27,700
if et was here on this planet they would

3158
02:54:33,990 --> 02:54:30,940
do this very same thing absolutely do

3159
02:54:36,810 --> 02:54:34,000
the very same thing so the the et side

3160
02:54:39,420 --> 02:54:36,820
of it I'm okay with I'm completely okay

3161
02:54:42,660 --> 02:54:39,430
and I wouldn't I wouldn't doubt that

3162
02:54:45,060 --> 02:54:42,670
that was actually the reason and that is

3163
02:54:48,060 --> 02:54:45,070

why the government hasn't come forward

3164

02:54:49,920 --> 02:54:48,070

stating otherwise I always found that

3165

02:54:51,120 --> 02:54:49,930

interesting let's go to the phones hi

3166

02:54:53,790 --> 02:54:51,130

you're live on fade to black who's

3167

02:54:56,130 --> 02:54:53,800

calling oh yeah Jimmy

3168

02:54:59,910 --> 02:54:56,140

good evening by the way this is though

3169

02:55:02,100 --> 02:54:59,920

my film and yeah well there was one

3170

02:55:06,200 --> 02:55:02,110

thing that she kind of triggered me on

3171

02:55:10,740 --> 02:55:06,210

and I guess I'll bring it up is the

3172

02:55:13,050 --> 02:55:10,750

Neanderthal thing and Homo Sapien uh-huh

3173

02:55:16,520 --> 02:55:13,060

and yeah we would cook her coke the

3174

02:55:20,400 --> 02:55:16,530

current with neon saw we bred with him

3175

02:55:24,320 --> 02:55:20,410

were I mean we were here at the same

3176

02:55:28,140 --> 02:55:24,330

time they were but I'm trying to say

3177

02:55:31,590 --> 02:55:28,150

well okay I don't get this link she's

3178

02:55:35,770 --> 02:55:31,600

taking this is old school science here

3179

02:55:41,080 --> 02:55:35,780

that she's fighting yes yes and

3180

02:55:46,360 --> 02:55:41,090

and her I don't necessarily well I think

3181

02:55:48,820 --> 02:55:46,370

we kind of are how do I say this our

3182

02:55:51,790 --> 02:55:48,830

theories are a hypothesis sort of

3183

02:55:55,630 --> 02:55:51,800

overlap there but and I know that there

3184

02:55:58,390 --> 02:55:55,640

has been some recent DNA evidence that

3185

02:56:04,990 --> 02:55:58,400

has come forward that shows the

3186

02:56:07,860 --> 02:56:05,000

possibility that we did breed although

3187

02:56:12,910 --> 02:56:07,870

very briefly with cro-magnon and

3188

02:56:14,500 --> 02:56:12,920

Neanderthal but that evidence is is new

3189

02:56:16,870 --> 02:56:14,510

and it isn't a hundred percent

3190

02:56:20,140 --> 02:56:16,880

conclusive yet so there's that part of

3191

02:56:22,960 --> 02:56:20,150

it but the other thing that she brought

3192

02:56:26,680 --> 02:56:22,970

up which to me is mind-blowing and we

3193

02:56:29,590 --> 02:56:26,690

need to understand this we're talking

3194

02:56:31,720 --> 02:56:29,600

about just thirty-five thousand years

3195

02:56:33,220 --> 02:56:31,730

ago thirty five thousand years ago

3196

02:56:40,600 --> 02:56:33,230

Neanderthal was walking around

3197

02:56:43,930 --> 02:56:40,610

cro-magnon and the last example that we

3198

02:56:50,500 --> 02:56:43,940

have of them is about that yeah about

3199

02:56:53,730 --> 02:56:50,510

that time and we us you and I this

3200

02:56:58,600 --> 02:56:53,740

latest iteration of Homo sapiens

3201

02:57:01,120 --> 02:56:58,610

appeared around 150 to 175 thousand

3202

02:57:03,340 --> 02:57:01,130

years ago you can maybe push it back to

3203

02:57:08,320 --> 02:57:03,350

about two hundred thousand years ago but

3204

02:57:11,350 --> 02:57:08,330

the mitochondria is three thousand well

3205

02:57:16,450 --> 02:57:11,360

okay that that surfaced recently here in

3206

02:57:18,970 --> 02:57:16,460

in in San Diego but that that that is

3207

02:57:21,970 --> 02:57:18,980

only one example of that so it's not

3208

02:57:24,390 --> 02:57:21,980

nonetheless I don't care if it's three

3209

02:57:28,030 --> 02:57:24,400

hundred thousand years ago we still

3210

02:57:31,870 --> 02:57:28,040

appeared we need I need to make that

3211

02:57:36,390 --> 02:57:31,880

clear right we just appeared with our

3212

02:57:40,900 --> 02:57:36,400

foreheads our skin our hair our speech

3213

02:57:43,870 --> 02:57:40,910

our physique our noses our giance

3214

02:57:46,510 --> 02:57:43,880

everything that is about us now there

3215

02:57:48,689 --> 02:57:46,520

was no evolutionary process that would

3216

02:57:52,829 --> 02:57:48,699

take millions of years there is

3217

02:57:56,609 --> 02:57:52,839

Oh evidence right there is no missing

3218

02:57:59,939 --> 02:57:56,619

link and so that is that's the one thing

3219

02:58:03,859 --> 02:57:59,949

that I will continue until that evidence

3220

02:58:07,229 --> 02:58:03,869

appears and it is clearly not out there

3221

02:58:11,550 --> 02:58:07,239

so we just appeared here and I think

3222

02:58:14,729 --> 02:58:11,560

that our DNA was altered you know either

3223

02:58:18,929 --> 02:58:14,739

either we I can't say that I can't may

3224

02:58:21,719 --> 02:58:18,939

say that right there's there's there is

3225

02:58:24,899 --> 02:58:21,729

no solid explanation for any of it

3226

02:58:28,340 --> 02:58:24,909

unless we just were planted here like

3227

02:58:33,300 --> 02:58:28,350

the octopus right and we just arrived

3228

02:58:37,199 --> 02:58:33,310

but I don't it's a mind-blowing part of

3229

02:58:37,800 --> 02:58:37,209

our history that we use as we are right

3230

02:58:41,729 --> 02:58:37,810

now

3231

02:58:44,189 --> 02:58:41,739

we just appeared in the big evolutionary

3232

02:58:46,709 --> 02:58:44,199

span of things of four and a half

3233

02:58:50,699 --> 02:58:46,719

billion years on this planet the last

3234

02:58:52,649 --> 02:58:50,709

little tick of time this last hundred

3235

02:58:56,609 --> 02:58:52,659

thousand years or so we just appeared

3236

02:58:58,649 --> 02:58:56,619

and it's just a blip on the radar and I

3237

02:59:01,679 --> 02:58:58,659

haven't heard any satisfactory

3238

02:59:04,019 --> 02:59:01,689

explanations for that you know you go

3239

02:59:06,829 --> 02:59:04,029

and you look at Neanderthal or you look

3240

02:59:10,949 --> 02:59:06,839

at cro-magnon they take a close look

3241

02:59:13,229 --> 02:59:10,959

that ain't us and if a cro-magnon walked

3242

02:59:16,529 --> 02:59:13,239

in the room right now with you Phil and

3243

02:59:23,189 --> 02:59:16,539

you look you would scream you would

3244

02:59:26,159 --> 02:59:23,199

freak you don't you know just imagine

3245

02:59:29,369 --> 02:59:26,169

just imagine this though this is and go

3246

02:59:32,909 --> 02:59:29,379

look at any skeletal remains look at any

3247

02:59:35,309 --> 02:59:32,919

fossils the top of your eyebrow touch it

3248

02:59:38,340 --> 02:59:35,319

right with your finger that is the top

3249

02:59:43,199 --> 02:59:38,350

of his head or her head it goes straight

3250

02:59:49,019 --> 02:59:43,209

back straight back for heads that we

3251

02:59:51,630 --> 02:59:49,029

have now are just us it's a Kree you

3252

02:59:54,239 --> 02:59:51,640

know you look at Lucy or you look at any

3253

02:59:56,309 --> 02:59:54,249

other examples and you look at look at

3254

03:00:00,239 --> 02:59:56,319

that and just imagine that walking

3255

03:00:01,140 --> 03:00:00,249

around today know that we're not related

3256

03:00:04,190 --> 03:00:01,150

I

3257

03:00:07,080 --> 03:00:04,200

we're not just because it walks upright

3258

03:00:08,130 --> 03:00:07,090

doesn't mean that we are related it's

3259

03:00:12,060 --> 03:00:08,140

two different things

3260

03:00:14,100 --> 03:00:12,070

so that that's my opinion and until look

3261

03:00:16,230 --> 03:00:14,110

every time I speak about this I get the

3262

03:00:18,450 --> 03:00:16,240

email Church you don't know what you're

3263

03:00:22,110 --> 03:00:18,460

talking about well okay fine

3264

03:00:25,830 --> 03:00:22,120

show me the missing link

3265

03:00:28,650 --> 03:00:25,840

show me the evolutionary process show me

3266

03:00:31,740 --> 03:00:28,660

what came before us and then we're good

3267

03:00:39,690 --> 03:00:31,750

we're good I'll change my view I want to

3268

03:00:41,670 --> 03:00:39,700

learn you know so there you go it's not

3269

03:00:43,620 --> 03:00:41,680

well not yet at least

3270

03:00:45,870 --> 03:00:43,630

Phil thank you so much my friend and

3271

03:00:48,120 --> 03:00:45,880

we'll see you tomorrow night all right

3272

03:00:50,820 --> 03:00:48,130

take care of it thank you you too Phil

3273

03:00:53,490 --> 03:00:50,830

thank you so much and when I gotta get

3274

03:00:56,400 --> 03:00:53,500

out of here I gotta thank Linda Moulton

3275

03:00:57,780 --> 03:00:56,410

Howe just just a great conversation

3276

03:01:00,330 --> 03:00:57,790

tonight it's always great when she's on

3277

03:01:02,910 --> 03:01:00,340

it was it was just too long wasn't it

3278

03:01:05,520 --> 03:01:02,920

all right a two-box executive producers

3279

03:01:08,160 --> 03:01:05,530

Rita canary on shows produced by Hill J

3280

03:01:10,890 --> 03:01:08,170

palm Renae Dennison Bob announcer so

3281

03:01:14,610 --> 03:01:10,900

Steve Carter gene Vito and Mark D Cove

3282

03:01:17,880 --> 03:01:14,620

our webmaster drew the geek music doug

3283

03:01:20,520 --> 03:01:17,890

aldrich intro space boys space boy

fade to black of the game-changer

3293

03:01:43,670 --> 03:01:41,080

network i'm your host jimmy church

3294

03:01:46,500 --> 03:01:43,680

tomorrow night George Noory

3295

03:01:49,380 --> 03:01:46,510

Victoria Guevara in right here a bunch

3296

03:01:52,500 --> 03:01:49,390

of special guests back to back we'll see

3297

03:01:56,580 --> 03:01:52,510

you tomorrow night until then everybody

3298

03:02:15,360 --> 03:01:56,590

be safe go back late Effie
