

1
00:00:45,090 --> 00:00:41,330

[Music]

2
00:00:48,119 --> 00:00:45,100

this hope radio for the masses headline

3
00:00:50,160 --> 00:00:48,129

of the food reliably 1947

4
00:00:52,439 --> 00:00:50,170

the Army Air Force Rezanov been applying

5
00:00:54,779 --> 00:00:52,449

their toughest found and there's now in

6
00:00:58,310 --> 00:00:54,789

the possession of the RA the game is

7
00:01:01,170 --> 00:00:58,320

rigged change the game changer I

8
00:01:05,460 --> 00:01:01,180

occasionally think how quickly our

9
00:01:08,130 --> 00:01:05,470

differences worldwide would vanish if we

10
00:01:11,320 --> 00:01:08,140

were facing an alien threat from outside

11
00:01:16,610 --> 00:01:14,060

[Applause]

12
00:01:19,550 --> 00:01:16,620

this is fade to black with your host

13
00:01:26,580 --> 00:01:19,560

Jimmy Church on the game changer radio

14

00:01:31,740 --> 00:01:28,260

I need your help to get to the year

15

00:01:37,390 --> 00:01:35,450

[Music]

16

00:01:40,780 --> 00:01:37,400

you're listening to theta

17

00:01:45,880 --> 00:01:40,790

with jimmy touch on the game changer

18

00:01:49,700 --> 00:01:45,890

[Music]

19

00:02:03,620 --> 00:01:58,870

fade to black the smoke radio for the

20

00:02:10,460 --> 00:02:03,630

math says you're doing it is Tuesday

21

00:02:14,570 --> 00:02:10,470

October 16th 2018 292 days into the new

22

00:02:16,670 --> 00:02:14,580

year just 73 days left we are live from

23

00:02:19,240 --> 00:02:16,680

a punker somewhere in the middle of

24

00:02:21,290 --> 00:02:19,250

beautiful downtown Burbank California

25

00:02:23,570 --> 00:02:21,300

and I would like to welcome everybody

26

00:02:26,690 --> 00:02:23,580

listening all around the world all

27

00:02:28,970 --> 00:02:26,700

across the United States hither and

28

00:02:30,860 --> 00:02:28,980

thither - and throw back and forth up

29

00:02:33,310 --> 00:02:30,870

and down east and west north and south

30

00:02:39,440 --> 00:02:33,320

far and near

31

00:02:42,320 --> 00:02:39,450

this is fade to black for kjc are the

32

00:02:44,480 --> 00:02:42,330

game changer network and k gra the

33

00:02:48,210 --> 00:02:44,490

planet I am your host Jimmy Church what

34

00:02:51,660 --> 00:02:48,220

is cracking everybody how you doing

35

00:02:52,920 --> 00:02:51,670

yeah little panic in the disco right

36

00:02:54,790 --> 00:02:52,930

before the show

37

00:02:56,710 --> 00:02:54,800

[Music]

38

00:02:57,890 --> 00:02:56,720

that's right our stream went down

39

00:03:00,830 --> 00:02:57,900

YouTube went down

40

00:03:06,730 --> 00:03:00,840

[Music]

41

00:03:11,000 --> 00:03:06,740

and now one of my one of my wireless

42

00:03:14,120 --> 00:03:11,010

nieces nice nice nice

43

00:03:18,260 --> 00:03:14,130

is down so now I'm gonna have to reach

44

00:03:21,620 --> 00:03:18,270

I'm gonna have to reach yeah that yeah

45

00:03:26,150 --> 00:03:21,630

that that's not good I got to figure out

46

00:03:30,080 --> 00:03:26,160

the timing of that all right welcome

47

00:03:34,250 --> 00:03:30,090

everybody this is fade to black and

48

00:03:38,090 --> 00:03:34,260

tonight live from Rome Italy Leo Sagami

49

00:03:41,810 --> 00:03:38,100

is back there's his new book invisible

50

00:03:46,180 --> 00:03:41,820

master the puppeteers of hidden power

51
00:03:49,340 --> 00:03:46,190
that's right that's right where Leo

52
00:03:51,860 --> 00:03:49,350
reveals long hidden information behind

53
00:03:53,390 --> 00:03:51,870
the extra-terrestrial phenomenon and

54
00:03:57,080 --> 00:03:53,400
it's all in this book the book is of me

55
00:04:01,220 --> 00:03:57,090
it is it's it's one of those books yes

56
00:04:04,220 --> 00:04:01,230
it is thick it's got small type and a

57
00:04:08,180 --> 00:04:04,230
lot of pages and it is really good

58
00:04:12,080 --> 00:04:08,190
really really good so no it's great

59
00:04:15,800 --> 00:04:12,090
and after tonight's show you're gonna

60
00:04:17,509 --> 00:04:15,810
want to go and get this this is uh we're

61
00:04:20,150 --> 00:04:17,519
gonna go through chapters tonight it's

62
00:04:24,279 --> 00:04:20,160
you just wait you just wait for that and

63
00:04:27,409 --> 00:04:24,289

then tomorrow night Michael Lee Hill

64

00:04:29,779 --> 00:04:27,419

returns to fade to black and he is going

65

00:04:34,040 --> 00:04:29,789

to reveal members of the secret AR

66

00:04:35,870 --> 00:04:34,050

Borden NS a group tomorrow night and we

67

00:04:39,230 --> 00:04:35,880

are going to have some maybe all of

68

00:04:41,750 --> 00:04:39,240

those members on this show this is an

69

00:04:43,969 --> 00:04:41,760

exclusive on fade to black and it's

70

00:04:47,570 --> 00:04:43,979

going to be huge what a great week right

71

00:04:49,940 --> 00:04:47,580

last night anomaly wow that was an

72

00:04:52,550 --> 00:04:49,950

amazing conversation what what a smart

73

00:04:54,170 --> 00:04:52,560

young man tonight Leo's egami

74

00:04:56,300 --> 00:04:54,180

tomorrow night Michael Lee Hill and this

75

00:05:00,110 --> 00:04:56,310

al Borden NSA group and then Thursday

76

00:05:04,430 --> 00:05:00,120

night of course open lines all night

77

00:05:07,279 --> 00:05:04,440

long it's uh it's just wow wow

78

00:05:10,600 --> 00:05:07,289

and I I do have this weekend off by the

79

00:05:13,040 --> 00:05:10,610

way lots to do we had a huge windstorm

80

00:05:14,050 --> 00:05:13,050

over the last two days here in Southern

81

00:05:16,420 --> 00:05:14,060

California

82

00:05:18,820 --> 00:05:16,430

I mean like the real deal stuff so over

83

00:05:24,250 --> 00:05:18,830

at the house I've got a bunch of yard

84

00:05:28,150 --> 00:05:24,260

work I've got it - oh man you know that

85

00:05:30,460 --> 00:05:28,160

we don't have seasons here in Los

86

00:05:32,320 --> 00:05:30,470

Angeles right it's just one long year I

87

00:05:34,900 --> 00:05:32,330

know it sounds crazy but every day's the

88

00:05:36,220 --> 00:05:34,910

same as the one before is the one that's

89

00:05:37,720 --> 00:05:36,230

gonna happen the next day they're all

90

00:05:40,210 --> 00:05:37,730

the same there's there's no difference

91

00:05:43,210 --> 00:05:40,220

yeah we had a little bit of rain last

92

00:05:45,640 --> 00:05:43,220

week it rain for a couple hours you know

93

00:05:49,690 --> 00:05:45,650

finally this year but anyway that's

94

00:05:52,570 --> 00:05:49,700

that's all we have but the leaves that

95

00:05:54,390 --> 00:05:52,580

blew off of the trees so now I actually

96

00:05:57,400 --> 00:05:54,400

have leaves in my yard

97

00:06:00,070 --> 00:05:57,410

yeah so I've got it going and this is

98

00:06:04,120 --> 00:06:00,080

what we do we vacuum them so I'm gonna

99

00:06:08,080 --> 00:06:04,130

go vacuum leaves and I got to replace

100

00:06:11,050 --> 00:06:08,090

the roof on our gazebo yes so that's my

101
00:06:11,890 --> 00:06:11,060
weekend here yeah yeah yeah you know

102
00:06:16,900 --> 00:06:11,900
what I love it

103
00:06:21,520 --> 00:06:16,910
yard work right so James you know look I

104
00:06:23,200 --> 00:06:21,530
just got I don't know how how I can

105
00:06:25,600 --> 00:06:23,210
respond to this I just can't do it you

106
00:06:27,370 --> 00:06:25,610
need to go you're not listening now how

107
00:06:31,780 --> 00:06:27,380
where can I find your show because it

108
00:06:34,660 --> 00:06:31,790
was just tweeted out oh yeah I'm gonna

109
00:06:36,520 --> 00:06:34,670
respond to that I can't do it but you

110
00:06:37,930 --> 00:06:36,530
should be doing is hanging out over at

111
00:06:40,510 --> 00:06:37,940
I'm stellar you would know what's going

112
00:06:42,400 --> 00:06:40,520
on but that's our week here on fade to

113
00:06:45,040 --> 00:06:42,410

black on stellar of course all the

114

00:06:48,820 --> 00:06:45,050

social media that we hang out with every

115

00:06:52,750 --> 00:06:48,830

day on stellar I posted my latest rant

116

00:06:56,590 --> 00:06:52,760

is up there my rant from tonight which

117

00:06:59,380 --> 00:06:56,600

is upcoming will be posted so get ready

118

00:07:02,170 --> 00:06:59,390

for that on stellar o NS te ll a are

119

00:07:04,960 --> 00:07:02,180

calm ounce telecom and of course Twitter

120

00:07:08,440 --> 00:07:04,970

you can follow us there at Jay Church

121

00:07:11,410 --> 00:07:08,450

radio yeah YouTube is down worldwide yes

122

00:07:17,020 --> 00:07:11,420

it is but I think we're good here though

123

00:07:26,910 --> 00:07:17,030

it I think it came back oh no it's still

124

00:07:37,900 --> 00:07:32,470

huh yeah still down

125

00:07:39,790 --> 00:07:37,910

okay well I'm streaming here and it says

126

00:07:43,420 --> 00:07:39,800

that you know this is what's weird I'm

127

00:07:46,870 --> 00:07:43,430

over on YouTube right now it says that

128

00:07:50,860 --> 00:07:46,880

it's streaming and and that the stream

129

00:07:52,660 --> 00:07:50,870

health is is good and it's life but we

130

00:07:55,810 --> 00:07:52,670

didn't even have this page earlier it

131

00:07:59,290 --> 00:07:55,820

had an error 500 screen or something you

132

00:08:04,390 --> 00:07:59,300

know the team of monkeys is working away

133

00:08:08,320 --> 00:08:04,400

at it this is this is a drag this is a

134

00:08:11,380 --> 00:08:08,330

drag but we are streaming over here and

135

00:08:14,770 --> 00:08:11,390

hopefully it'll be back I thought it was

136

00:08:16,600 --> 00:08:14,780

up I thought it was up right before show

137

00:08:20,440 --> 00:08:16,610

time but yeah YouTube is down worldwide

138

00:08:23,410 --> 00:08:20,450

okay so where am I at

139

00:08:26,410 --> 00:08:23,420

you can email Jimmy at Jimmy Church

140

00:08:29,260 --> 00:08:26,420

radio comm of course there is Twitter at

141

00:08:34,420 --> 00:08:29,270

Jay torch radio hashtag f2 B is the

142

00:08:38,980 --> 00:08:34,430

sandbox and I the questions or comments

143

00:08:43,360 --> 00:08:38,990

or a hashtag f2b q and but I am going to

144

00:08:46,330 --> 00:08:43,370

do I was thinking about stopping the

145

00:08:48,280 --> 00:08:46,340

stream and restarting it but I'm not

146

00:08:51,220 --> 00:08:48,290

even sure if that's that'll trigger

147

00:08:52,900 --> 00:08:51,230

things let's see I'm gonna try it I'm

148

00:08:54,400 --> 00:08:52,910

gonna do it now in real time I've got

149

00:08:58,450 --> 00:08:54,410

another stuff see if that kicks it into

150

00:09:03,190 --> 00:08:58,460

gear and if it doesn't no no no and

151
00:09:04,750 --> 00:09:03,200
stream is yeah it's a drag okay YouTube

152
00:09:08,940 --> 00:09:04,760
is down I'm not gonna worry about it

153
00:09:14,470 --> 00:09:08,950
anymore we got a show to do right

154
00:09:17,680 --> 00:09:14,480
alright alright breaking news I don't

155
00:09:21,070 --> 00:09:17,690
have any nothing broke the only thing

156
00:09:22,870 --> 00:09:21,080
that is scuttle butting around and is

157
00:09:25,540 --> 00:09:22,880
dipping into politics you know I like

158
00:09:27,670 --> 00:09:25,550
the conspiracy of politics but politics

159
00:09:32,230 --> 00:09:27,680
I just don't worry myself with it

160
00:09:34,660 --> 00:09:32,240
anymore but is this the Saudi Arabia

161
00:09:36,120 --> 00:09:34,670
that the conspiracy is yes they did go

162
00:09:38,250 --> 00:09:36,130
and

163
00:09:41,790 --> 00:09:38,260

murderer journalist inside of the Saudi

164

00:09:43,590 --> 00:09:41,800

consulate in Turkey and had scrubbing

165

00:09:45,840 --> 00:09:43,600

teams go on in literally

166

00:09:48,210 --> 00:09:45,850

scrubbing teams cleaner teams going

167

00:09:50,160 --> 00:09:48,220

clean it up how it happened what

168

00:09:52,830 --> 00:09:50,170

happened in there don't know there are

169

00:09:55,050 --> 00:09:52,840

stories about a an Apple watch that

170

00:09:57,570 --> 00:09:55,060

recorded everything the Turks are saying

171

00:10:02,760 --> 00:09:57,580

that they videotaped and they have

172

00:10:04,980 --> 00:10:02,770

audios audio recordings of it I I don't

173

00:10:07,980 --> 00:10:04,990

know what's going on I don't and when we

174

00:10:10,920 --> 00:10:07,990

now start to dip into the political side

175

00:10:12,660 --> 00:10:10,930

of it who was siding with who and what

176

00:10:16,740 --> 00:10:12,670

is going on I'm just not going to go

177

00:10:18,690 --> 00:10:16,750

there I am NOT yesterday I reported on

178

00:10:20,040 --> 00:10:18,700

the show that they were gonna release a

179

00:10:23,970 --> 00:10:20,050

report they were gonna say that he was

180

00:10:26,910 --> 00:10:23,980

killed there and that hasn't happened so

181

00:10:28,350 --> 00:10:26,920

the the conspiracy of it I'll tell you

182

00:10:32,480 --> 00:10:28,360

what it is right now tell you what the

183

00:10:35,390 --> 00:10:32,490

conspiracy is they're gonna manage to

184

00:10:38,160 --> 00:10:35,400

they're gonna attempt to squash it and

185

00:10:39,960 --> 00:10:38,170

then it is going to be a successful

186

00:10:43,500 --> 00:10:39,970

squash and the reason why it will be

187

00:10:47,690 --> 00:10:43,510

successful is because nobody wants to

188

00:10:50,240 --> 00:10:47,700

mess with their oil supply any country

189

00:10:54,270 --> 00:10:50,250

there it is and that's the conspiracy

190

00:10:57,000 --> 00:10:54,280

okay alright let's move on let's get off

191

00:11:00,600 --> 00:10:57,010

of that it's just it depresses me so

192

00:11:02,940 --> 00:11:00,610

much when politics messes with my

193

00:11:04,530 --> 00:11:02,950

emotions dis messes with me I don't like

194

00:11:06,840 --> 00:11:04,540

it don't forget to subscribe to our

195

00:11:08,700 --> 00:11:06,850

podcast just two dollars a month go to

196

00:11:11,010 --> 00:11:08,710

Jimmy chirps radio comm click on the

197

00:11:16,220 --> 00:11:11,020

podcast manner speaking of issues right

198

00:11:18,510 --> 00:11:16,230

right now it's YouTube and earlier today

199

00:11:21,600 --> 00:11:18,520

and it kind of started yesterday but

200

00:11:25,140 --> 00:11:21,610

today our FTP servers that we use for

201
00:11:27,090 --> 00:11:25,150
file transfers of this program on two

202
00:11:30,960 --> 00:11:27,100
different platforms and to move files

203
00:11:33,270 --> 00:11:30,970
around went down that that company and

204
00:11:36,860 --> 00:11:33,280
the software so I had to deal with that

205
00:11:39,990 --> 00:11:36,870
and it was crazy and when that happens

206
00:11:42,360 --> 00:11:40,000
and then it turned out even doing manual

207
00:11:45,810 --> 00:11:42,370
uploads moving stuff around on USB

208
00:11:48,390 --> 00:11:45,820
drives and and all of that didn't work

209
00:11:49,440 --> 00:11:48,400
that was failing and that didn't get

210
00:11:51,750 --> 00:11:49,450
fixed and

211
00:11:54,270 --> 00:11:51,760
like four o'clock five o'clock in the

212
00:11:59,310 --> 00:11:54,280
afternoon today so I had to deal with

213
00:12:01,110 --> 00:11:59,320

that just just craziness all right now

214

00:12:02,730 --> 00:12:01,120

Podcast just two dollars a month click

215

00:12:04,470 --> 00:12:02,740

on the podcast banner you can also

216

00:12:07,320 --> 00:12:04,480

become a fader not over in our

217

00:12:08,850 --> 00:12:07,330

membership section of the site where you

218

00:12:10,200 --> 00:12:08,860

get everything and get everything you

219

00:12:13,050 --> 00:12:10,210

can get everything autographed shirts

220

00:12:16,620 --> 00:12:13,060

and hats you can get downloadable

221

00:12:18,620 --> 00:12:16,630

commercial free mp3 archives of the

222

00:12:21,090 --> 00:12:18,630

shows you can do that everything is

223

00:12:22,680 --> 00:12:21,100

uploaded every single day and updated

224

00:12:24,780 --> 00:12:22,690

it's it's all right there you get a

225

00:12:27,480 --> 00:12:24,790

private email to me that I do respond to

226

00:12:29,160 --> 00:12:27,490

you get that too as well and the bunker

227

00:12:32,580 --> 00:12:29,170

cam when it's working no bunker cam

228

00:12:37,340 --> 00:12:32,590

right now okay let's get this show

229

00:12:44,850 --> 00:12:37,350

crackin happy birthday to today flea is

230

00:12:47,040 --> 00:12:44,860

fit e6 suzanne somers is 72 i want to go

231

00:12:48,600 --> 00:12:47,050

back to flee for a second I seen those

232

00:12:50,880 --> 00:12:48,610

guys so many times live here in Los

233

00:12:53,790 --> 00:12:50,890

Angeles I don't even know I don't know

234

00:12:55,380 --> 00:12:53,800

I'm not that many maybe maybe a half

235

00:12:57,510 --> 00:12:55,390

dozen times I've seen the Chili Peppers

236

00:12:58,830 --> 00:12:57,520

I'm at a private party wants to as well

237

00:13:03,120 --> 00:12:58,840

that was pretty cool they played on a

238

00:13:09,240 --> 00:13:03,130

tennis court yep buck naked well they

239

00:13:10,860 --> 00:13:09,250

they wore tube socks I'm not kidding I'm

240

00:13:12,810 --> 00:13:10,870

not kidding that was pretty cool they

241

00:13:17,420 --> 00:13:12,820

played on I'm a tennis court

242

00:13:22,320 --> 00:13:17,430

anyway I was a pretty remarkable evening

243

00:13:25,650 --> 00:13:22,330

but I watched a series of videos of the

244

00:13:27,090 --> 00:13:25,660

Chili Peppers in a studio jamming doing

245

00:13:30,450 --> 00:13:27,100

covers and playing some other stuff but

246

00:13:35,190 --> 00:13:30,460

just I am rehearsing and I gotta tell

247

00:13:37,770 --> 00:13:35,200

you man flea you know he's got that what

248

00:13:40,950 --> 00:13:37,780

you know he's got that whole slap funk

249

00:13:43,170 --> 00:13:40,960

thing that he does which is good you

250

00:13:45,780 --> 00:13:43,180

know it's great it's his own style but

251

00:13:47,340 --> 00:13:45,790

when he just plays the bass and he's

252

00:13:49,260 --> 00:13:47,350

back there he's being a bass player and

253

00:13:51,960 --> 00:13:49,270

he's locking with the drums he's he's

254

00:13:54,780 --> 00:13:51,970

about as good as it's ever been on this

255

00:14:00,240 --> 00:13:54,790

planet flea is an amazing amazing bass

256

00:14:01,700 --> 00:14:00,250

player Suzanne Somers today is 72 played

257

00:14:04,400 --> 00:14:01,710

Chrissy

258

00:14:06,620 --> 00:14:04,410

Krissy was uh was a show called Three's

259

00:14:11,079 --> 00:14:06,630

Company Chrissy endorsed Chrissy

260

00:14:14,930 --> 00:14:11,089

on this day in history OTD 1793 Marie

261

00:14:18,920 --> 00:14:14,940

Antoinette is beheaded and before that

262

00:14:21,650 --> 00:14:18,930

big chop chop she allegedly responded to

263

00:14:25,970 --> 00:14:21,660

the news at the French head no bread to

264

00:14:31,910 --> 00:14:25,980

eat and she replied with let them eat

265

00:14:37,900 --> 00:14:31,920

cake well they did they certainly did on

266

00:14:40,100 --> 00:14:37,910

this day in 1793 fader fact JK Simmons

267

00:14:42,170 --> 00:14:40,110

yep you know from the farmers

268

00:14:45,050 --> 00:14:42,180

commercials I love me is great-great in

269

00:14:49,220 --> 00:14:45,060

the new series counterpart JK Simmons

270

00:14:53,900 --> 00:14:49,230

has been the voice of the yellow peanut

271

00:14:56,660 --> 00:14:53,910

M&M for 20 years yes since the late

272

00:15:04,730 --> 00:14:56,670

1990s that's right

273

00:15:08,269 --> 00:15:04,740

Vern Schillinger Schillinger from Oz is

274

00:15:11,480 --> 00:15:08,279

the yellow peanut mmm and that is your

275

00:15:14,420 --> 00:15:11,490

fader fact today alright tonight

276

00:15:16,699 --> 00:15:14,430

Leo Sagami is here again lovely Oh live

277

00:15:18,079 --> 00:15:16,709

from Rome Italy it's gonna be here at

278

00:15:20,449 --> 00:15:18,089

the bottom of the hour to talk about his

279

00:15:23,060 --> 00:15:20,459

new book the invisible master the

280

00:15:24,500 --> 00:15:23,070

puppeteers of hidden power I'm holding

281

00:15:26,810 --> 00:15:24,510

it up to a camera that's not even

282

00:15:29,240 --> 00:15:26,820

working I can't even believe I just did

283

00:15:31,820 --> 00:15:29,250

that that just goes to show you where my

284

00:15:33,620 --> 00:15:31,830

head is at where Leo reveals the long

285

00:15:35,990 --> 00:15:33,630

hidden information behind the

286

00:15:37,310 --> 00:15:36,000

extra-terrestrial phenomenon I'm going

287

00:15:40,699 --> 00:15:37,320

to be discussing that tonight tomorrow

288

00:15:44,090 --> 00:15:40,709

night Michael Lee Hill is here with

289

00:15:46,069 --> 00:15:44,100

members of the secret AR Borden NSA

290

00:15:46,790 --> 00:15:46,079

group exclusively tomorrow night I'm

291

00:15:48,740 --> 00:15:46,800

fade to black

292

00:15:50,660 --> 00:15:48,750

Thursday is another Fator night with

293

00:15:54,140 --> 00:15:50,670

open lines all night long the call-in

294

00:15:56,150 --> 00:15:54,150

numbers are three two three eight two

295

00:15:58,010 --> 00:15:56,160

five five zero four five four three two

296

00:16:01,400 --> 00:15:58,020

three two seven five nine six nine five

297

00:16:02,810 --> 00:16:01,410

or eight one eight nine two one six nine

298

00:16:07,630 --> 00:16:02,820

two nine

299

00:16:13,730 --> 00:16:07,640

all right all right now for my PSA

300

00:16:15,160 --> 00:16:13,740

public service announcement which

301
00:16:18,790 --> 00:16:15,170
requires

302
00:16:24,040 --> 00:16:18,800
River moon coffee makers of the fade to

303
00:16:27,519 --> 00:16:24,050
black blend do you remember do you

304
00:16:31,540 --> 00:16:27,529
remember two years ago that we did a

305
00:16:35,350 --> 00:16:31,550
series of shows about unity in the

306
00:16:39,460 --> 00:16:35,360
community do you remember that and as

307
00:16:43,870 --> 00:16:39,470
crazy as those times were our little

308
00:16:47,199 --> 00:16:43,880
family was was going through a lot so

309
00:16:49,000 --> 00:16:47,209
much so that everything came to a

310
00:16:52,090 --> 00:16:49,010
boiling point and I had to do a

311
00:16:55,090 --> 00:16:52,100
roundtable show with a bunch of leaders

312
00:17:00,069 --> 00:16:55,100
where we discussed what was going on and

313
00:17:04,110 --> 00:17:00,079

I had stressed then with everyone

314

00:17:07,510 --> 00:17:04,120

I had stressed that we are family and

315

00:17:11,760 --> 00:17:07,520

that we always have to find a way to

316

00:17:14,829 --> 00:17:11,770

listen to everyone we might not agree

317

00:17:20,799 --> 00:17:14,839

but we must continue to bring everything

318

00:17:24,400 --> 00:17:20,809

to the table and talk about it now

319

00:17:29,400 --> 00:17:24,410

things seemed to have smoothed out for a

320

00:17:34,510 --> 00:17:29,410

bit for a few months and all was good

321

00:17:38,950 --> 00:17:34,520

but here we go again here we go it seems

322

00:17:42,909 --> 00:17:38,960

that everyone is back back in the ring

323

00:17:47,049 --> 00:17:42,919

to take another swing did I just quote

324

00:17:51,310 --> 00:17:47,059

ac/dc that was pretty cool actually

325

00:17:53,950 --> 00:17:51,320

anyway let's do a quick refresher over

326

00:17:57,390 --> 00:17:53,960

the last few years not a complete list

327

00:18:00,580 --> 00:17:57,400

by any means and in no particular order

328

00:18:06,880 --> 00:18:00,590

but it's like this it's like how soon we

329

00:18:10,000 --> 00:18:06,890

forget this community of ours it's it's

330

00:18:12,490 --> 00:18:10,010

a family and when you get a family

331

00:18:13,900 --> 00:18:12,500

together you're gonna have some

332

00:18:15,940 --> 00:18:13,910

bickering you're gonna have some

333

00:18:17,890 --> 00:18:15,950

disagreements you're gonna have that

334

00:18:20,710 --> 00:18:17,900

classic Thanksgiving dinner you're gonna

335

00:18:24,580 --> 00:18:20,720

have a blowout you're going to have that

336

00:18:28,550 --> 00:18:24,590

right but tomorrow is another day and we

337

00:18:33,170 --> 00:18:28,560

all have to work together right

338

00:18:37,490 --> 00:18:33,180

right but we've had so many bumps in the

339

00:18:43,820 --> 00:18:37,500

roads we have so many so many valleys

340

00:18:46,850 --> 00:18:43,830

and peaks and valleys and Peaks do you

341

00:18:50,470 --> 00:18:46,860

remember the Jaime Moose on Roswell

342

00:18:53,900 --> 00:18:50,480

mummy pay-per-view event in Mexico City

343

00:18:56,660 --> 00:18:53,910

do you remember that dart point in our

344

00:19:01,490 --> 00:18:56,670

history where it was the end of

345

00:19:04,130 --> 00:19:01,500

everything right sold-out arena Mexico

346

00:19:05,960 --> 00:19:04,140

City pay-per-view you know and the

347

00:19:08,170 --> 00:19:05,970

people that were involved in that and

348

00:19:12,050 --> 00:19:08,180

how they got dragged into it and and

349

00:19:16,300 --> 00:19:12,060

these slides of what turns out to be

350

00:19:19,970 --> 00:19:16,310

just an actual mummy it wasn't an alien

351

00:19:22,580 --> 00:19:19,980

all right remember that remember how bad

352

00:19:25,130 --> 00:19:22,590

it got how many shows I had to do how

353

00:19:28,640 --> 00:19:25,140

many emails I got how many calls came in

354

00:19:31,670 --> 00:19:28,650

about it it was dark it was crazy and

355

00:19:34,990 --> 00:19:31,680

you forgot about it and that was

356

00:19:43,550 --> 00:19:40,250

how about Sean David Morton got

357

00:19:47,900 --> 00:19:43,560

convicted and sent to prison Sean David

358

00:19:50,710 --> 00:19:47,910

Morton Wright wrote a few books was

359

00:19:55,280 --> 00:19:50,720

definitely a player in this community

360

00:19:57,050 --> 00:19:55,290

guest on coast to coast never a guest on

361

00:20:00,440 --> 00:19:57,060

this show though I never did that I

362

00:20:04,910 --> 00:20:00,450

stayed away from Sean I did I just just

363

00:20:08,810 --> 00:20:04,920

stayed away from him but convicted he's

364

00:20:10,910 --> 00:20:08,820

in prison right now as I speak it didn't

365

00:20:13,730 --> 00:20:10,920

end everything it was it was a contra 4

366

00:20:16,940 --> 00:20:13,740

there were there are people anyway the

367

00:20:24,950 --> 00:20:16,950

that's another example how about art

368

00:20:27,440 --> 00:20:24,960

bell quitting again right right you know

369

00:20:30,770 --> 00:20:27,450

how dark was that every time art came

370

00:20:34,990 --> 00:20:30,780

back it was great that he quit and you

371

00:20:40,160 --> 00:20:35,000

know but life went on the next day

372

00:20:41,500 --> 00:20:40,170

something else happened how about Stan

373

00:20:46,870 --> 00:20:41,510

Romanek

374

00:20:49,930 --> 00:20:46,880

this show like five years ago turns

375

00:20:51,990 --> 00:20:49,940

around gets arrested gets convicted sent

376
00:20:56,289 --> 00:20:52,000
to prison

377
00:20:59,860 --> 00:20:56,299
you forgot about that how about how

378
00:21:02,710 --> 00:20:59,870
about the Nazca mummies the Nazca

379
00:21:04,900 --> 00:21:02,720
mummies still unresolved still

380
00:21:07,150 --> 00:21:04,910
unresolved polarizing divided this

381
00:21:10,390 --> 00:21:07,160
community got everybody in an uproar I

382
00:21:12,430 --> 00:21:10,400
still think they're really cool and I

383
00:21:12,909 --> 00:21:12,440
think there's something there I really

384
00:21:14,830 --> 00:21:12,919
do

385
00:21:19,600 --> 00:21:14,840
still waiting for the DNA results but

386
00:21:24,700 --> 00:21:19,610
the world didn't end did it no it didn't

387
00:21:27,580 --> 00:21:24,710
you laugh about it now how about when

388
00:21:29,560 --> 00:21:27,590

Corey Goode sat next to Richard Dolan at

389

00:21:32,950 --> 00:21:29,570

the MUFON symposium in Las Vegas you

390

00:21:36,220 --> 00:21:32,960

remember that whoa

391

00:21:39,220 --> 00:21:36,230

remember how move fun and the members

392

00:21:41,169 --> 00:21:39,230

are upset how can we do this and was

393

00:21:42,520 --> 00:21:41,179

Richard even gonna be on the stage with

394

00:21:45,100 --> 00:21:42,530

them and where would they ended up

395

00:21:47,140 --> 00:21:45,110

sitting next to each other and everybody

396

00:21:50,320 --> 00:21:47,150

was civil right

397

00:21:52,390 --> 00:21:50,330

MUFON symposium came and went all done

398

00:21:57,250 --> 00:21:52,400

and you remember how divided this

399

00:22:00,520 --> 00:21:57,260

community was about that how about TTS a

400

00:22:05,620 --> 00:22:00,530

to the Stars Academy getting busted with

401
00:22:08,020 --> 00:22:05,630
a party balloon it seems like seems like

402
00:22:10,500 --> 00:22:08,030
it didn't even happen now nobody cares

403
00:22:16,060 --> 00:22:10,510
nobody cares about to the stars Academy

404
00:22:18,400 --> 00:22:16,070
to the stars Academy is is old news you

405
00:22:21,370 --> 00:22:18,410
know they did their SEC filings a couple

406
00:22:24,070 --> 00:22:21,380
of weeks ago and which I briefly talked

407
00:22:25,900 --> 00:22:24,080
about on the show and to be honest

408
00:22:27,789 --> 00:22:25,910
there's some mainstream media that

409
00:22:30,549 --> 00:22:27,799
picked up on that their 37 million

410
00:22:32,919 --> 00:22:30,559
dollar deficit you know Tom posting this

411
00:22:35,320 --> 00:22:32,929
week it's not it's not a debt it's a

412
00:22:37,180 --> 00:22:35,330
deficit it's not a debt it's a deficit

413
00:22:39,159 --> 00:22:37,190

okay yes so you posted in the SEC

414

00:22:40,840 --> 00:22:39,169

filings and you're gonna have some tax

415

00:22:42,460 --> 00:22:40,850

savings because you're gonna work off

416

00:22:43,900 --> 00:22:42,470

this deficit for the next ten years

417

00:22:47,919 --> 00:22:43,910

whatever it is I don't care it doesn't

418

00:22:51,070 --> 00:22:47,929

matter to me but TTS a his old news and

419

00:22:55,000 --> 00:22:51,080

it was big news at one time now nobody

420

00:22:59,680 --> 00:22:55,010

cares think about that

421

00:23:03,040 --> 00:22:59,690

Art Bell died he came back he quit he

422

00:23:07,030 --> 00:23:03,050

died our Bell died tragic right you

423

00:23:10,110 --> 00:23:07,040

forgot that he died how about the day of

424

00:23:15,190 --> 00:23:10,120

disclosure with T TSA back in December

425

00:23:17,890 --> 00:23:15,200

2017 you forgot that that happened how

426
00:23:20,140 --> 00:23:17,900
about the Wilcock letter that got leaked

427
00:23:22,270 --> 00:23:20,150
a few months ago

428
00:23:27,010 --> 00:23:22,280
you forgot about that too didn't you

429
00:23:29,950 --> 00:23:27,020
that's right you did now I could fill in

430
00:23:32,020 --> 00:23:29,960
between each of these moments that I

431
00:23:35,740 --> 00:23:32,030
just spelled out right now with another

432
00:23:37,690 --> 00:23:35,750
ten events it's very easy to do and if

433
00:23:40,720 --> 00:23:37,700
we go back to the community roundtable

434
00:23:43,180 --> 00:23:40,730
show I had a list at that time of eight

435
00:23:47,830 --> 00:23:43,190
to ten different things that were going

436
00:23:49,750 --> 00:23:47,840
out right then at the same time it was a

437
00:23:51,820 --> 00:23:49,760
really really big deal so much I had to

438
00:23:53,710 --> 00:23:51,830

have a roundtable show about it we had

439

00:23:55,180 --> 00:23:53,720

to chill everybody out and it had

440

00:23:59,500 --> 00:23:55,190

nothing to do with the events of today

441

00:24:03,400 --> 00:23:59,510

nothing our community has so much drama

442

00:24:05,530 --> 00:24:03,410

going down at any given point that it's

443

00:24:08,080 --> 00:24:05,540

really hard to keep up with but it's

444

00:24:12,460 --> 00:24:08,090

certainly never boring around here is it

445

00:24:13,240 --> 00:24:12,470

no no it's not ever it's actually kind

446

00:24:18,610 --> 00:24:13,250

of fun

447

00:24:21,400 --> 00:24:18,620

so here we are today and yes I see hear

448

00:24:23,500 --> 00:24:21,410

and feel everything that is going down

449

00:24:25,630 --> 00:24:23,510

don't think I'm ignoring it because I'm

450

00:24:28,750 --> 00:24:25,640

not talking about it on the show it's

451

00:24:31,240 --> 00:24:28,760

all over the place I read your emails I

452

00:24:33,390 --> 00:24:31,250

see the posts I see the tweets and of

453

00:24:36,130 --> 00:24:33,400

course my phone is going nuts

454

00:24:39,160 --> 00:24:36,140

and although it's not my place to

455

00:24:41,590 --> 00:24:39,170

comment or to share private information

456

00:24:45,100 --> 00:24:41,600

or any conversations that I may have had

457

00:24:47,620 --> 00:24:45,110

or am having I'm not doing this

458

00:24:51,010 --> 00:24:47,630

community any favors by ignoring it

459

00:24:52,680 --> 00:24:51,020

either and I understand that so let me

460

00:24:55,890 --> 00:24:52,690

just say this

461

00:25:00,970 --> 00:24:55,900

you can choose to read everything or not

462

00:25:02,950 --> 00:25:00,980

you can choose a side or not you can

463

00:25:06,940 --> 00:25:02,960

cover your ears and eyes and pretend

464

00:25:08,019 --> 00:25:06,950

nothing is happening all of that is up

465

00:25:12,609 --> 00:25:08,029

to you

466

00:25:15,519 --> 00:25:12,619

but one thing is for sure this is just

467

00:25:18,549 --> 00:25:15,529

another bump in the road and there will

468

00:25:23,019 --> 00:25:18,559

be another next week next month next

469

00:25:25,959 --> 00:25:23,029

year the funny thing is I'm not sure if

470

00:25:29,799 --> 00:25:25,969

the last couple of months can even be

471

00:25:35,019 --> 00:25:29,809

classified as a bump yeah I don't think

472

00:25:38,589 --> 00:25:35,029

it's a big deal without naming names we

473

00:25:41,529 --> 00:25:38,599

have a group a group of friends a group

474

00:25:45,909 --> 00:25:41,539

of friends that has broken apart very

475

00:25:51,489 --> 00:25:45,919

publicly and now some are pointing

476
00:25:58,209 --> 00:25:51,499
fingers blame and this group was at one

477
00:26:00,879 --> 00:25:58,219
point rock-solid tight friends all of

478
00:26:04,329 --> 00:26:00,889
that seems to be gone and for me

479
00:26:08,979 --> 00:26:04,339
personally it hurts because it's our

480
00:26:12,129 --> 00:26:08,989
community that suffers we didn't need

481
00:26:14,469 --> 00:26:12,139
any of this but it's here and it's the

482
00:26:17,529 --> 00:26:14,479
cards that we are dealt and so much of

483
00:26:21,249 --> 00:26:17,539
it is public that all of you are forced

484
00:26:25,329 --> 00:26:21,259
to dealing with it as well and that is

485
00:26:29,560 --> 00:26:25,339
unfortunate all of us

486
00:26:33,279 --> 00:26:29,570
all of us all of us want one thing and

487
00:26:34,509 --> 00:26:33,289
that is the answers that we seek we

488
00:26:37,149 --> 00:26:34,519

don't want the drama

489

00:26:41,229 --> 00:26:37,159

we don't even care about the drama the

490

00:26:43,450 --> 00:26:41,239

drama has been forced upon us we want

491

00:26:45,820 --> 00:26:43,460

the answers to the UFO question we want

492

00:26:46,599 --> 00:26:45,830

the answers to disclosure our lost

493

00:26:49,810 --> 00:26:46,609

history

494

00:26:52,209 --> 00:26:49,820

that's why we are here and those

495

00:26:56,369 --> 00:26:52,219

questions alone are enough to keep our

496

00:26:59,919 --> 00:26:56,379

emotions on high that's enough for us

497

00:27:03,909 --> 00:26:59,929

that's it that's it without all of the

498

00:27:08,409 --> 00:27:03,919

other added drama that to me it's just a

499

00:27:10,509 --> 00:27:08,419

complete waste of time and energy so who

500

00:27:15,579 --> 00:27:10,519

or what caused the break-up of this

501
00:27:17,229 --> 00:27:15,589
group I don't know and I don't and I

502
00:27:21,890 --> 00:27:17,239
know that some of you out there think

503
00:27:27,830 --> 00:27:21,900
that I do trust me when I say I don't

504
00:27:33,890 --> 00:27:27,840
no I do have the ability yes let's be

505
00:27:36,650 --> 00:27:33,900
clear here to communicate with everybody

506
00:27:39,260 --> 00:27:36,660
involved and those that are even on the

507
00:27:41,270 --> 00:27:39,270
outside that are indirectly involved I

508
00:27:43,940 --> 00:27:41,280
am in communication with all of them all

509
00:27:46,070 --> 00:27:43,950
the time of course something goes down

510
00:27:49,400 --> 00:27:46,080
my phone rings and I'm gonna you know

511
00:27:54,140 --> 00:27:49,410
I'm gonna listen but I don't know I

512
00:27:58,550 --> 00:27:54,150
really don't but right now there is

513
00:28:04,490 --> 00:27:58,560

someone listening to this show listening

514

00:28:06,530 --> 00:28:04,500

to me right now who does know you all of

515

00:28:12,830 --> 00:28:06,540

you in this community listening to me

516

00:28:14,870 --> 00:28:12,840

right now do not you do not know so

517

00:28:18,140 --> 00:28:14,880

before you start to draw conclusions to

518

00:28:23,570 --> 00:28:18,150

this madness rest assured that whatever

519

00:28:29,990 --> 00:28:23,580

you are thinking you are wrong that's no

520

00:28:33,800 --> 00:28:30,000

matter what it is you're wrong I will

521

00:28:35,960 --> 00:28:33,810

say this everyone can't be right there

522

00:28:38,000 --> 00:28:35,970

are so many versions of the alleged

523

00:28:40,210 --> 00:28:38,010

facts floating around right now it is

524

00:28:44,330 --> 00:28:40,220

seriously gotten nuts

525

00:28:47,270 --> 00:28:44,340

somebody is causing this all of it and

526

00:28:50,150 --> 00:28:47,280

in the end someone is going to get

527

00:28:52,300 --> 00:28:50,160

caught and when that day comes someone

528

00:28:54,830 --> 00:28:52,310

is going to be very embarrassed

529

00:29:00,260 --> 00:28:54,840

reputations are going to be crushed and

530

00:29:04,190 --> 00:29:00,270

then well we'll move on it's the way the

531

00:29:08,060 --> 00:29:04,200

world works I was sent an email last

532

00:29:10,670 --> 00:29:08,070

week I didn't read it I didn't even know

533

00:29:14,210 --> 00:29:10,680

that I had gotten it it was sent to my

534

00:29:16,310 --> 00:29:14,220

junk mail folder but I was told by her

535

00:29:18,560 --> 00:29:16,320

the few of the players involved in all

536

00:29:20,960 --> 00:29:18,570

of this drama that it was sent to me and

537

00:29:26,570 --> 00:29:20,970

that my name was first in the address

538

00:29:29,840 --> 00:29:26,580

list yeah yesterday I found it but I'm

539

00:29:32,450 --> 00:29:29,850

sure that whoever sent it was expecting

540

00:29:34,760 --> 00:29:32,460

me to react to it to talk about it and I

541

00:29:35,389 --> 00:29:34,770

didn't because technically I never got

542

00:29:48,739 --> 00:29:35,399

it

543

00:29:50,329 --> 00:29:48,749

laugh the email is or whatever I've been

544

00:29:52,789 --> 00:29:50,339

dealing with the phone calls of texts

545

00:29:54,859 --> 00:29:52,799

opposed Twitter all of it but I hadn't

546

00:29:57,649 --> 00:29:54,869

read that email and now I'm so glad that

547

00:30:00,379 --> 00:29:57,659

I didn't why because I didn't get caught

548

00:30:05,889 --> 00:30:00,389

up in all of the drama my emotions were

549

00:30:13,879 --> 00:30:09,680

and today just like everything else with

550

00:30:19,729 --> 00:30:13,889

this soap opera that email is just passe

551
00:30:22,129 --> 00:30:19,739
it doesn't matter it's so last week when

552
00:30:24,529 --> 00:30:22,139
this drama ends and the perp is

553
00:30:28,129 --> 00:30:24,539
identified you'll be able to look back

554
00:30:30,739 --> 00:30:28,139
and say well I got that wrong and we'll

555
00:30:33,560 --> 00:30:30,749
move on to the next exciting screenplay

556
00:30:37,129 --> 00:30:33,570
that gets written and updated in our big

557
00:30:39,769 --> 00:30:37,139
beautiful UFO community and that my

558
00:30:42,320 --> 00:30:39,779
friends is a pinky promise

559
00:30:47,629 --> 00:30:42,330
this is fade to black I am your host

560
00:30:52,609 --> 00:30:47,639
Jimmy Church everybody just relax cuz

561
00:30:57,889 --> 00:30:52,619
you just don't know you don't know you

562
00:30:58,369 --> 00:30:57,899
don't you think you do you don't stay -

563
00:31:00,169 --> 00:30:58,379

bye

564

00:31:03,609 --> 00:31:00,179

our guest tonight Leo Sagami live from

565

00:31:06,289 --> 00:31:03,619

Rome Italy talking about his new book

566

00:31:08,839 --> 00:31:06,299

invisible master the puppeteers of

567

00:31:10,399 --> 00:31:08,849

hidden power it's gonna be a great night

568

00:31:12,409 --> 00:31:10,409

great conversation buckle up kiddies

569

00:31:13,940 --> 00:31:12,419

I'll be right back with I guess Leo's

570

00:31:24,730 --> 00:31:13,950

alleles egami

571

00:31:37,490 --> 00:31:30,530

[Music]

572

00:31:42,020 --> 00:31:39,950

this is Nicole Church daughter of

573

00:31:44,539 --> 00:31:42,030

you-know-who and you're listening to

574

00:31:49,220 --> 00:31:44,549

fade to black on Jimmy Church radio.com

575

00:31:54,640 --> 00:31:49,230

and the game-changer Network you're
