

**FADE
TO
BLACK**

WITH JIMMY CHURCH

1
00:00:13,550 --> 00:00:27,970

you

2
00:00:42,290 --> 00:00:38,350

[Music]

3
00:00:46,100 --> 00:00:42,300

this hope radio for the masses Atlanta

4
00:00:47,930 --> 00:00:46,110

believe July 8 1947 the Army Air Forces

5
00:00:49,760 --> 00:00:47,940

has announced that applying this has

6
00:00:53,740 --> 00:00:49,770

been found and is now in the possession

7
00:00:57,189 --> 00:00:53,750

of the army would change the game

8
00:01:01,420 --> 00:00:57,199

changer I occasionally think how quickly

9
00:01:04,340 --> 00:01:01,430

our differences worldwide would vanish

10
00:01:08,340 --> 00:01:04,350

if we were facing an alien threat from

11
00:01:13,610 --> 00:01:10,880

[Applause]

12
00:01:16,580 --> 00:01:13,620

this is fade to black with your host

13
00:01:19,760 --> 00:01:16,590

Jimmy Church on the game changer radio

14

00:01:23,630 --> 00:01:19,770

network and kgr a the global radio

15

00:01:28,770 --> 00:01:25,270

we need your help to get to the year

16

00:01:35,890 --> 00:01:32,890

[Music]

17

00:01:37,550 --> 00:01:35,900

fade to black with jimmy judge on the

18

00:01:44,140 --> 00:01:37,560

game change in network

19

00:01:49,050 --> 00:01:44,150

[Music]

20

00:01:53,700 --> 00:01:49,060

good evening fade to black

21

00:01:59,700 --> 00:01:53,710

[Music]

22

00:01:59,710 --> 00:02:04,850

masses

23

00:02:13,060 --> 00:02:09,680

how you doing how you doing today is

24

00:02:13,070 --> 00:02:17,460

November 12

25

00:02:17,470 --> 00:02:21,550

12 2018

26
00:02:30,510 --> 00:02:26,240
319 days into the new year just 46 days

27
00:02:33,630 --> 00:02:30,520
left and as always

28
00:02:35,790 --> 00:02:33,640
we are live from a bunker somewhere in

29
00:02:37,500 --> 00:02:35,800
the middle of beautiful downtown Burbank

30
00:02:39,270 --> 00:02:37,510
California and I would like to welcome

31
00:02:44,970 --> 00:02:39,280
everybody listening all around the world

32
00:02:47,850 --> 00:02:44,980
all across the United States hither and

33
00:02:49,920 --> 00:02:47,860
thither to and fro back and forth up and

34
00:02:51,890 --> 00:02:49,930
down east and west north and south far

35
00:02:55,500 --> 00:02:51,900
and near

36
00:02:57,930 --> 00:02:55,510
this is fade to black for kjc are the

37
00:03:01,620 --> 00:02:57,940
game changer network and kgr hey the

38
00:03:04,730 --> 00:03:01,630

planets I am your host Jimmy Church

39

00:03:07,100 --> 00:03:04,740

what is cracking everybody how you do it

40

00:03:09,310 --> 00:03:07,110

how you do it

41

00:03:12,190 --> 00:03:09,320

how you doing right

42

00:03:15,650 --> 00:03:12,200

[Music]

43

00:03:18,820 --> 00:03:15,660

tonight kicking off the week very

44

00:03:24,320 --> 00:03:18,830

special guests joining the show mr.

45

00:03:26,420 --> 00:03:24,330

Christopher O'Brien is here man oh man I

46

00:03:28,640 --> 00:03:26,430

can't wait for this Chris is gonna talk

47

00:03:32,090 --> 00:03:28,650

about his latest research and projects

48

00:03:35,030 --> 00:03:32,100

that he has got going on it's been doing

49

00:03:38,090 --> 00:03:35,040

this for I was just talking to him 25

50

00:03:41,930 --> 00:03:38,100

years over 25 years he doesn't look that

51
00:03:43,490 --> 00:03:41,940
old 25 years in this game and we're

52
00:03:45,080 --> 00:03:43,500
gonna talk about all of that tonight

53
00:03:48,260 --> 00:03:45,090
tomorrow night Johnny

54
00:03:51,260 --> 00:03:48,270
Enoch is here first time guests Johnny

55
00:03:54,940 --> 00:03:51,270
yaki excited about that kids Johnny

56
00:03:57,080 --> 00:03:54,950
Enoch from the great white north and

57
00:03:58,820 --> 00:03:57,090
tomorrow night we're gonna break this

58
00:04:05,600 --> 00:03:58,830
story tomorrow I'm gonna give you the

59
00:04:09,410 --> 00:04:05,610
leak to the story the new area 51 where

60
00:04:11,390 --> 00:04:09,420
is it what is it we're gonna talk about

61
00:04:13,580 --> 00:04:11,400
a lot of stuff tomorrow night but that

62
00:04:14,510 --> 00:04:13,590
is gonna break on the show tomorrow

63
00:04:17,090 --> 00:04:14,520

night Johnny

64

00:04:19,909 --> 00:04:17,100

Enoch is here Wednesday night it's

65

00:04:23,300 --> 00:04:19,919

Patrick wood we're gonna do technocracy

66

00:04:26,510 --> 00:04:23,310

2.0 I just had a Patrick on coast to

67

00:04:28,670 --> 00:04:26,520

coast last night and it was one of the

68

00:04:31,580 --> 00:04:28,680

great conversations I've had in a very

69

00:04:33,650 --> 00:04:31,590

very long time and I was just like you

70

00:04:35,900 --> 00:04:33,660

know what we've got to move some stuff

71

00:04:38,840 --> 00:04:35,910

around we've got to get Patrick on

72

00:04:40,850 --> 00:04:38,850

unfaded block right away so we did that

73

00:04:43,700 --> 00:04:40,860

we've got Patrick here with us on

74

00:04:46,670 --> 00:04:43,710

Wednesday night very excited about that

75

00:04:49,670 --> 00:04:46,680

and Thursday night is another Fator

76

00:04:51,260 --> 00:04:49,680

night Theresa Ian heiresses here with a

77

00:04:53,480 --> 00:04:51,270

divine frequency on the airwaves

78

00:04:56,260 --> 00:04:53,490

followed by open lines all night long

79

00:04:58,790 --> 00:04:56,270

that's our week we made it it is Monday

80

00:05:01,250 --> 00:04:58,800

now you know what to do on social media

81

00:05:05,540 --> 00:05:01,260

that is you can go and find me on on

82

00:05:09,170 --> 00:05:05,550

stellar on stellar calm Twitter right

83

00:05:12,080 --> 00:05:09,180

here at Jay Church radio Facebook we

84

00:05:13,969 --> 00:05:12,090

have our fade to black radio page you

85

00:05:16,370 --> 00:05:13,979

can go and like that and of course

86

00:05:18,050 --> 00:05:16,380

YouTube you can subscribe to that

87

00:05:18,890 --> 00:05:18,060

channel so all of our social media is

88

00:05:20,600 --> 00:05:18,900

out there

89

00:05:22,190 --> 00:05:20,610

everything is Jimmy turrets are fade to

90

00:05:23,570 --> 00:05:22,200

black it's easy to find you can go to

91

00:05:25,880 --> 00:05:23,580

Jimmy Trudeau calm

92

00:05:28,460 --> 00:05:25,890

and click on all of those little things

93

00:05:30,380 --> 00:05:28,470

that people click on to follow like and

94

00:05:32,000 --> 00:05:30,390

subscribe and sub and do all of that

95

00:05:34,790 --> 00:05:32,010

stuff okay so you can do that over at

96

00:05:36,290 --> 00:05:34,800

Jimmy Church radio.com all right now if

97

00:05:37,910 --> 00:05:36,300

you're new to the show never been here

98

00:05:39,920 --> 00:05:37,920

before we got a few things that we do

99

00:05:40,430 --> 00:05:39,930

here every single night live in real

100

00:05:46,250 --> 00:05:40,440

time

101
00:05:49,070 --> 00:05:46,260
one is the sandbox that is hashtag f2b

102
00:05:51,230 --> 00:05:49,080
on twitter all right now in front of me

103
00:05:53,630 --> 00:05:51,240
you're looking at me right now on the

104
00:05:57,560 --> 00:05:53,640
bunker camp well if you are all right

105
00:06:00,140 --> 00:05:57,570
right here is Twitter right here is

106
00:06:03,020 --> 00:06:00,150
hashtag f2b all right so that's the

107
00:06:05,990 --> 00:06:03,030
conversations going on there here is me

108
00:06:06,860 --> 00:06:06,000
over here if you don't hatch tag f2b so

109
00:06:08,930 --> 00:06:06,870
I can see that

110
00:06:11,090 --> 00:06:08,940
then I've got hashtag F to be either

111
00:06:15,050 --> 00:06:11,100
sandbox and then right next to that is

112
00:06:17,900 --> 00:06:15,060
hashtag F to be Q that is fade to black

113
00:06:21,200 --> 00:06:17,910

questions so any questions for myself or

114

00:06:23,990 --> 00:06:21,210

the guest tonight Chris O'Brien post it

115

00:06:26,960 --> 00:06:24,000

right there we also have not one to chat

116

00:06:28,030 --> 00:06:26,970

rooms those are happening over here on

117

00:06:31,960 --> 00:06:28,040

this computer

118

00:06:34,610 --> 00:06:31,970

there's the Spreaker chat room and the

119

00:06:37,250 --> 00:06:34,620

kgr a chat room those are live right

120

00:06:38,900 --> 00:06:37,260

there and if you can see I don't know if

121

00:06:41,060 --> 00:06:38,910

you can see this in the camera you see

122

00:06:43,490 --> 00:06:41,070

and then that over there that's weird

123

00:06:46,160 --> 00:06:43,500

right that's you know what that's kind

124

00:06:49,160 --> 00:06:46,170

of like if you think about it that's

125

00:06:50,330 --> 00:06:49,170

this is the movie Spaceballs going on

126

00:06:52,400 --> 00:06:50,340

right here

127

00:06:57,380 --> 00:06:52,410

right so that's the video feed that's

128

00:07:03,470 --> 00:06:57,390

going out so that is me in the now now

129

00:07:04,460 --> 00:07:03,480

right so that is what what the heck am I

130

00:07:06,980 --> 00:07:04,470

looking at

131

00:07:08,840 --> 00:07:06,990

so that's what that is over there so

132

00:07:10,250 --> 00:07:08,850

those that's it that's how it's all laid

133

00:07:12,410 --> 00:07:10,260

out if you're new to show that's what's

134

00:07:15,260 --> 00:07:12,420

going on everything is live and in real

135

00:07:19,730 --> 00:07:15,270

time if you choose you can also email

136

00:07:22,580 --> 00:07:19,740

Jimmy at Jimmy Church radio.com and I

137

00:07:24,200 --> 00:07:22,590

try to get to as much of the email as I

138

00:07:25,910 --> 00:07:24,210

can during the show and I do have a cool

139

00:07:27,920 --> 00:07:25,920

email that I received right before the

140

00:07:32,940 --> 00:07:27,930

show tonight I'm gonna read that in a

141

00:07:38,300 --> 00:07:36,450

hate to do this but yes earlier today

142

00:07:43,280 --> 00:07:38,310

rest in peace

143

00:07:46,740 --> 00:07:43,290

Stanley the legendary and it's that is

144

00:07:51,630 --> 00:07:46,750

certainly applies to Stan the writer the

145

00:07:54,240 --> 00:07:51,640

editor publisher of Marvel Comics who in

146

00:07:56,730 --> 00:07:54,250

in most eyes including my own Stanley

147

00:07:59,940 --> 00:07:56,740

was a real-life superhero he died he

148

00:08:02,940 --> 00:07:59,950

passed away today he was 95 years old

149

00:08:05,910 --> 00:08:02,950

and he just think about it Thor and

150

00:08:09,720 --> 00:08:05,920

spider-man and everything else that that

151

00:08:13,830 --> 00:08:09,730

he created for us and made growing up

152

00:08:16,230 --> 00:08:13,840

pretty cool right and the success of

153

00:08:20,730 --> 00:08:16,240

Marvel Marvel Studios in the movies

154

00:08:24,120 --> 00:08:20,740

which I watch him all I do I do passed

155

00:08:27,870 --> 00:08:24,130

away today and he rocked it all the way

156

00:08:31,140 --> 00:08:27,880

to 95 and whatever the last Marvel I

157

00:08:33,480 --> 00:08:31,150

don't even know what the last thing that

158

00:08:36,630 --> 00:08:33,490

we saw which was a couple of weeks ago

159

00:08:38,790 --> 00:08:36,640

Rita and I but Stan always does you know

160

00:08:42,300 --> 00:08:38,800

the little cameos right does the little

161

00:08:44,760 --> 00:08:42,310

cameos and I believe he was like a bus

162

00:08:47,850 --> 00:08:44,770

driver a metro bus driver who's driving

163

00:08:50,310 --> 00:08:47,860

the bus I was like glad Stan you know

164

00:08:52,530 --> 00:08:50,320

you always look for Stan's little thing

165

00:08:54,210 --> 00:08:52,540

that he did in in every single movie but

166

00:08:58,700 --> 00:08:54,220

he passed away today and like I said he

167

00:09:02,010 --> 00:08:58,710

rocked it all the way to 95 years old

168

00:09:05,520 --> 00:09:02,020

Wow well you know it's one of those

169

00:09:07,080 --> 00:09:05,530

things I swear I'm just gonna say it cuz

170

00:09:09,420 --> 00:09:07,090

I know everybody's thinking of the same

171

00:09:11,580 --> 00:09:09,430

thing every time you saw a stand in a

172

00:09:18,090 --> 00:09:11,590

movie you know doing the cameo it's like

173

00:09:20,610 --> 00:09:18,100

man he's still alive I mean 95 he did it

174

00:09:21,120 --> 00:09:20,620

his way and so there's nothing else to

175

00:09:24,120 --> 00:09:21,130

say to that

176

00:09:27,090 --> 00:09:24,130

rest in peace Stan and there you go

177

00:09:30,930 --> 00:09:27,100

95 years old alright other breaking news

178

00:09:34,380 --> 00:09:30,940

and this is all over mass media once

179

00:09:37,320 --> 00:09:34,390

again and this time it comes over from

180

00:09:41,400 --> 00:09:37,330

Ireland several sightings of an

181

00:09:43,830 --> 00:09:41,410

unidentified flying object a UFO at

182

00:09:44,620 --> 00:09:43,840

astronomical speed air quotes

183

00:09:46,510 --> 00:09:44,630

if

184

00:09:49,060 --> 00:09:46,520

disappearing off the coast of Ireland as

185

00:09:52,060 --> 00:09:49,070

sparked an investigation by the Irish

186

00:09:54,910 --> 00:09:52,070

Aviation Authority the UFO was first

187

00:09:58,720 --> 00:09:54,920

spotted by a British Airways pilot last

188

00:10:01,570 --> 00:09:58,730

Friday November 9th at approximately 647

189

00:10:04,360 --> 00:10:01,580

a.m. local time while flying over the

190

00:10:07,000 --> 00:10:04,370

southwest coast of Ireland the pilot was

191

00:10:09,640 --> 00:10:07,010

flying a Boeing 787 from Heathrow to

192

00:10:13,240 --> 00:10:09,650

Montreal when he made a call to Shannon

193

00:10:15,610 --> 00:10:13,250

air traffic control ATC to ask if there

194

00:10:19,330 --> 00:10:15,620

was any military exercises taking place

195

00:10:22,180 --> 00:10:19,340

in the airspace a Virgin Airlines Boeing

196

00:10:24,280 --> 00:10:22,190

a 747 pilot then joined the conversation

197

00:10:26,830 --> 00:10:24,290

you can listen to the audio by the way

198

00:10:28,510 --> 00:10:26,840

and then a third pilot chimes in to say

199

00:10:32,370 --> 00:10:28,520

that I'm quoting here glad it wasn't

200

00:10:35,830 --> 00:10:32,380

just me and reported that a UFO was

201
00:10:36,790 --> 00:10:35,840
astronomical it was like Mach 2 that's

202
00:10:39,750 --> 00:10:36,800
what he said

203
00:10:43,180 --> 00:10:39,760
Shannon ATC told the British Airlines

204
00:10:45,850 --> 00:10:43,190
pilot British Airways pilot that other

205
00:10:47,590 --> 00:10:45,860
aircraft in the air have also reported

206
00:10:50,860 --> 00:10:47,600
the same thing so we're gonna have to

207
00:10:52,570 --> 00:10:50,870
look and see the Irish Aviation

208
00:10:54,730 --> 00:10:52,580
Authority said that it has filed a

209
00:10:58,060 --> 00:10:54,740
report of the unusual air activity

210
00:11:01,930 --> 00:10:58,070
following reports from a small number of

211
00:11:05,200 --> 00:11:01,940
aircraft on Friday there you go

212
00:11:07,660 --> 00:11:05,210
mainstream media covering UFOs pretty

213
00:11:09,460 --> 00:11:07,670

now and the other thing is this and I

214

00:11:12,280 --> 00:11:09,470

don't want to interject my opinions or

215

00:11:15,670 --> 00:11:12,290

thoughts on this because I there we need

216

00:11:18,580 --> 00:11:15,680

more info but after listening to the

217

00:11:20,830 --> 00:11:18,590

recordings and the descriptions that

218

00:11:22,960 --> 00:11:20,840

came in from the pod one of the other

219

00:11:25,600 --> 00:11:22,970

pilots said well it felt like it kind of

220

00:11:29,170 --> 00:11:25,610

looked like a meteor and that was kind

221

00:11:32,110 --> 00:11:29,180

of strange and it's so very very weird

222

00:11:34,180 --> 00:11:32,120

you know that combined with the video

223

00:11:37,360 --> 00:11:34,190

that was posted up over the weekend on

224

00:11:39,790 --> 00:11:37,370

coast to coast AMS website of those

225

00:11:43,360 --> 00:11:39,800

objects that were coming down and then

226
00:11:48,040 --> 00:11:43,370
staying stationary and some we're saying

227
00:11:51,900 --> 00:11:48,050
that those could have been parachutes

228
00:11:54,910 --> 00:11:51,910
all right and some type of night time

229
00:11:57,970 --> 00:11:54,920
you know dramatic things going on where

230
00:11:59,800 --> 00:11:57,980
they're using flares and so that kind

231
00:12:02,290 --> 00:11:59,810
if I backed off on that but the

232
00:12:05,560 --> 00:12:02,300
descriptions of what these pilots saw

233
00:12:09,760 --> 00:12:05,570
compared to what was filmed over Costa

234
00:12:13,330 --> 00:12:09,770
Mesa or Mesa or was at Mesa was a Costa

235
00:12:16,630 --> 00:12:13,340
Mesa it was here in Southern California

236
00:12:19,150 --> 00:12:16,640
very similar in their descriptions so

237
00:12:22,240 --> 00:12:19,160
there you go talking meteors Matt or

238
00:12:23,560 --> 00:12:22,250

audio a view of faux sighting in Irish

239

00:12:25,750 --> 00:12:23,570

airspace thank you for that

240

00:12:27,490 --> 00:12:25,760

and if you want to follow us on twitter

241

00:12:30,400 --> 00:12:27,500

you can hashtag f2b

242

00:12:32,680 --> 00:12:30,410

and everything is right there okay don't

243

00:12:35,590 --> 00:12:32,690

forget to subscribe to our podcast you

244

00:12:37,780 --> 00:12:35,600

can do that for just \$2 per month co2 to

245

00:12:40,090 --> 00:12:37,790

meter trade accom click on the podcast

246

00:12:42,280 --> 00:12:40,100

banner you get all the software and apps

247

00:12:44,280 --> 00:12:42,290

that you need and it's right there it's

248

00:12:47,050 --> 00:12:44,290

just 2 dollars a month we have over 900

249

00:12:51,280 --> 00:12:47,060

archived shows right there tomorrow's

250

00:12:51,880 --> 00:12:51,290

gonna be show number 950 950 how did we

251
00:12:53,530 --> 00:12:51,890
get here

252
00:12:55,750 --> 00:12:53,540
but all of those shows are right there

253
00:12:58,000 --> 00:12:55,760
in our podcast for just \$2 a month you

254
00:13:00,550 --> 00:12:58,010
can also become a fade or not go to our

255
00:13:02,380 --> 00:13:00,560
membership section on Jimmy Turks radio

256
00:13:05,350 --> 00:13:02,390
com that's right you can get

257
00:13:07,690 --> 00:13:05,360
downloadable commercial free mp3s right

258
00:13:09,700 --> 00:13:07,700
there you can play anywhere you can do

259
00:13:11,440 --> 00:13:09,710
that and you become a game changer you

260
00:13:14,860 --> 00:13:11,450
get autographed hats and t-shirts and

261
00:13:16,690 --> 00:13:14,870
get an email to me what else you get to

262
00:13:19,420 --> 00:13:16,700
bunker cam you know all that stuff

263
00:13:22,600 --> 00:13:19,430

ok all right become a fade or not today

264

00:13:25,450 --> 00:13:22,610

help support the show don't forget all

265

00:13:27,850 --> 00:13:25,460

of our sponsors here just go and support

266

00:13:29,650 --> 00:13:27,860

the show by clicking on their banners at

267

00:13:32,080 --> 00:13:29,660

Jimmy Church radio.com

268

00:13:34,600 --> 00:13:32,090

that's how this show broadcast it's done

269

00:13:36,460 --> 00:13:34,610

through your support and we've been

270

00:13:40,750 --> 00:13:36,470

doing this night after night after night

271

00:13:42,730 --> 00:13:40,760

now for 5 years 5 years every single

272

00:13:45,160 --> 00:13:42,740

night you can come here and listen live

273

00:13:47,080 --> 00:13:45,170

show broadcast for free you don't have

274

00:13:49,990 --> 00:13:47,090

to do anything it's just right here and

275

00:13:52,960 --> 00:13:50,000

that's how we do it with our sponsors ok

276

00:13:56,130 --> 00:13:52,970

and your support alright let's get this

277

00:14:02,320 --> 00:13:56,140

show cracking happy birthday to today

278

00:14:05,890 --> 00:14:02,330

Neil Young Neil Young is 73 years old

279

00:14:11,270 --> 00:14:05,900

now today's his birthday but he lost his

280

00:14:14,150 --> 00:14:11,280

home in the SoCal fires this weekend yep

281

00:14:18,050 --> 00:14:14,160

yep quite a few celebrities did and

282

00:14:20,180 --> 00:14:18,060

although that's kind of expected first

283

00:14:23,470 --> 00:14:20,190

off at Southern California's second it's

284

00:14:26,240 --> 00:14:23,480

Malibu and that's who lives out there

285

00:14:28,550 --> 00:14:26,250

but homes or homes and property is

286

00:14:31,550 --> 00:14:28,560

property and that kind of destruction is

287

00:14:34,580 --> 00:14:31,560

is awful to go through and Neil Young

288

00:14:40,430 --> 00:14:34,590

lost his home this weekend and Hathaway

289

00:14:42,980 --> 00:14:40,440

today is 36 she was in she wasn't on

290

00:14:46,370 --> 00:14:42,990

peyote right and Hathaway and hathwell

291

00:14:51,500 --> 00:14:46,380

date today is 36 OTD on this day in

292

00:14:55,610 --> 00:14:51,510

history 1980 more than three years after

293

00:14:57,260 --> 00:14:55,620

its launch the planetary probe Voyager 1

294

00:15:01,760 --> 00:14:57,270

Beecher right

295

00:15:04,240 --> 00:15:01,770

Voyager 1 gets to within 77,000 miles of

296

00:15:06,260 --> 00:15:04,250

Saturn and starts beaming back high

297

00:15:09,500 --> 00:15:06,270

resolutions to Planet Earth

298

00:15:11,510 --> 00:15:09,510

high-resolution images and then it was

299

00:15:13,760 --> 00:15:11,520

revealed in those images most people

300

00:15:15,800 --> 00:15:13,770

don't know we thought that Saturn had

301
00:15:17,450 --> 00:15:15,810
like three rings six rings you know it's

302
00:15:19,820 --> 00:15:17,460
what we could count you know with the

303
00:15:22,670 --> 00:15:19,830
telescope and then we find out I forget

304
00:15:25,070 --> 00:15:22,680
what the number was like 200 rings some

305
00:15:28,850 --> 00:15:25,080
were like braided together and weaved

306
00:15:31,370 --> 00:15:28,860
and and it was crazy to find all those

307
00:15:33,590 --> 00:15:31,380
physics that we thought were taking

308
00:15:35,930 --> 00:15:33,600
place around in those rings of Saturn

309
00:15:38,510 --> 00:15:35,940
also discovered I think three new moons

310
00:15:40,490 --> 00:15:38,520
and I think that with those

311
00:15:42,890 --> 00:15:40,500
high-resolution images they found out I

312
00:15:45,380 --> 00:15:42,900
think was Titan that Titan had an

313
00:15:48,260 --> 00:15:45,390

atmosphere I'm old I can't remember

314

00:15:49,850 --> 00:15:48,270

everything but I try to but that was a

315

00:15:53,380 --> 00:15:49,860

that was a pretty big day and it

316

00:15:57,980 --> 00:15:53,390

happened on this day in 1980 Fader fact

317

00:15:59,750 --> 00:15:57,990

are you ready fader fact right now I'm

318

00:16:04,250 --> 00:15:59,760

looking at the clock and this is my

319

00:16:09,380 --> 00:16:04,260

fader fact the earth has traveled more

320

00:16:14,660 --> 00:16:09,390

than 15,000 miles since the start of

321

00:16:18,350 --> 00:16:14,670

this show 15 minutes ago and that is

322

00:16:20,240 --> 00:16:18,360

your fader fact all right tonight very

323

00:16:21,620 --> 00:16:20,250

special guest Chris O'Brien is here very

324

00:16:23,510 --> 00:16:21,630

excited about that we're going to talk

325

00:16:24,940 --> 00:16:23,520

about all of his latest research in this

326

00:16:27,730 --> 00:16:24,950

project that he is working

327

00:16:28,620 --> 00:16:27,740

he's been in this field for over 25

328

00:16:33,160 --> 00:16:28,630

years

329

00:16:36,699 --> 00:16:33,170

crypto right Bigfoot cattle mutilations

330

00:16:38,949 --> 00:16:36,709

UFOs sightings he's been doing it for a

331

00:16:41,139 --> 00:16:38,959

very very long time we're gonna discuss

332

00:16:43,329 --> 00:16:41,149

all of that and what is going on not

333

00:16:45,129 --> 00:16:43,339

only with our community with all of this

334

00:16:46,780 --> 00:16:45,139

stuff because he's got a great exciting

335

00:16:48,970 --> 00:16:46,790

project that we announced last month on

336

00:16:50,560 --> 00:16:48,980

this show going on over in cross town

337

00:16:53,259 --> 00:16:50,570

we're gonna talk about that tonight too

338

00:16:53,620 --> 00:16:53,269

as well and what he is doing in the

339

00:16:55,660 --> 00:16:53,630

future

340

00:16:57,490 --> 00:16:55,670

okay so we're gonna talk about all of

341

00:16:59,170 --> 00:16:57,500

that tonight with Chris O'Brien tomorrow

342

00:17:01,900 --> 00:16:59,180

night first time guests Johnny

343

00:17:04,350 --> 00:17:01,910

Enoch is here we're gonna talk about the

344

00:17:06,610 --> 00:17:04,360

new area 51 that you don't know about

345

00:17:08,740 --> 00:17:06,620

and that is tomorrow night we're also

346

00:17:10,240 --> 00:17:08,750

gonna talk about loss history and we're

347

00:17:11,710 --> 00:17:10,250

gonna do some Egypt and we're gonna

348

00:17:13,990 --> 00:17:11,720

discuss South and Central America

349

00:17:16,840 --> 00:17:14,000

tomorrow night all of that with Johnny

350

00:17:19,630 --> 00:17:16,850

Enoch Wednesday night Patrick wood is

351
00:17:22,299 --> 00:17:19,640
here now I had Patrick on coast to coast

352
00:17:24,069 --> 00:17:22,309
last night I think we did like two and a

353
00:17:26,470 --> 00:17:24,079
half straight hours last night with

354
00:17:28,270 --> 00:17:26,480
Patrick and I got to the end of the show

355
00:17:31,030 --> 00:17:28,280
and I was like well there's too much

356
00:17:33,280 --> 00:17:31,040
more to discuss here it's a great

357
00:17:36,549 --> 00:17:33,290
conversation so we move stuff around and

358
00:17:38,350 --> 00:17:36,559
we've got Patrick back joining us I'm

359
00:17:41,950 --> 00:17:38,360
fade to black on Wednesday night I'm

360
00:17:44,289 --> 00:17:41,960
calling the show technocracy 2.0 cuz we

361
00:17:46,030 --> 00:17:44,299
did 1.0 last night Thursday night's

362
00:17:48,730 --> 00:17:46,040
another Fator night with Theresa and

363
00:17:51,880 --> 00:17:48,740

Aris Devine frequency on the airwaves

364

00:17:54,250 --> 00:17:51,890

followed by open lines all night long

365

00:17:56,380 --> 00:17:54,260

now all right I got to talk to you about

366

00:17:58,720 --> 00:17:56,390

something for a second and let's just

367

00:18:06,130 --> 00:17:58,730

get this going let me hit this Rivermen

368

00:18:09,820 --> 00:18:06,140

coffee yep well here it is it's Monday

369

00:18:12,820 --> 00:18:09,830

night and somehow we made it here to

370

00:18:14,919 --> 00:18:12,830

start off another great week on the show

371

00:18:17,200 --> 00:18:14,929

right on fade to black but for us and

372

00:18:21,039 --> 00:18:17,210

for most of California it was a very

373

00:18:23,080 --> 00:18:21,049

very long weekend and Friday was one of

374

00:18:25,659 --> 00:18:23,090

the most trying days for our community

375

00:18:27,850 --> 00:18:25,669

here in California with all of the news

376

00:18:30,010 --> 00:18:27,860

coming out of the Central Valley and the

377

00:18:31,570 --> 00:18:30,020

town of Paradise dealing with the

378

00:18:35,169 --> 00:18:31,580

massive fires that are still burning

379

00:18:36,820 --> 00:18:35,179

here right now today I think that all of

380

00:18:38,130 --> 00:18:36,830

us just wanted the time to pass as

381

00:18:40,470 --> 00:18:38,140

quickly as possible

382

00:18:43,350 --> 00:18:40,480

we just want everything to end we wanted

383

00:18:46,140 --> 00:18:43,360

to stop burning and then the winds

384

00:18:48,299 --> 00:18:46,150

kicked off again overnight you know so

385

00:18:52,110 --> 00:18:48,309

we'll see but the news and the video of

386

00:18:54,900 --> 00:18:52,120

the destruction is unbelievable and we

387

00:18:57,630 --> 00:18:54,910

got the news yesterday that la Marzulli

388

00:19:01,320 --> 00:18:57,640

researcher friend and show host with us

389

00:19:04,560 --> 00:19:01,330

here on kgr a lost his home and studio

390

00:19:11,610 --> 00:19:04,570

to the fires and you see here's the

391

00:19:13,770 --> 00:19:11,620

thing my job my gig is radio and so what

392

00:19:17,360 --> 00:19:13,780

I do that's how I take care of my family

393

00:19:20,669 --> 00:19:17,370

and we all have a job but mine is

394

00:19:23,070 --> 00:19:20,679

broadcasting and all weekend I was over

395

00:19:25,590 --> 00:19:23,080

at coast right I rap on fade to black

396

00:19:28,680 --> 00:19:25,600

and boom I roll over to coast to coast

397

00:19:30,870 --> 00:19:28,690

for the weekend and during the show over

398

00:19:34,080 --> 00:19:30,880

at coast this weekend I have a large

399

00:19:37,560 --> 00:19:34,090

monitor in front of me in the studio

400

00:19:41,280 --> 00:19:37,570

with breaking news on it and we have to

401
00:19:43,320 --> 00:19:41,290
do that this is a live national radio

402
00:19:45,810 --> 00:19:43,330
show the biggest overnight radio show

403
00:19:48,180 --> 00:19:45,820
the largest you know for 25 years we

404
00:19:51,299 --> 00:19:48,190
have a large audience so part of that

405
00:19:53,280 --> 00:19:51,309
you know when you broadcast for for a

406
00:19:56,520 --> 00:19:53,290
network the biggest network in the world

407
00:19:58,980 --> 00:19:56,530
which is premier i heart radio if

408
00:20:01,830 --> 00:19:58,990
there's breaking news I have to do it so

409
00:20:03,720 --> 00:20:01,840
I've got you know the the news is always

410
00:20:06,150 --> 00:20:03,730
live in front of me and we do that for

411
00:20:07,770 --> 00:20:06,160
the obvious reasons right you know I

412
00:20:09,960 --> 00:20:07,780
have to know what's going on and if

413
00:20:11,490 --> 00:20:09,970

something does break I have to report it

414

00:20:15,299 --> 00:20:11,500

but there's another thing altogether

415

00:20:18,000 --> 00:20:15,309

when the breaking news is a huge fire

416

00:20:20,760 --> 00:20:18,010

burning just north of the studio right

417

00:20:24,030 --> 00:20:20,770

as I'm broadcasting and this time around

418

00:20:25,830 --> 00:20:24,040

I didn't have thankfully anything crazy

419

00:20:30,690 --> 00:20:25,840

that I had to break into the show with

420

00:20:33,330 --> 00:20:30,700

but I did have to watch it now over the

421

00:20:35,610 --> 00:20:33,340

last four or five years there have been

422

00:20:37,560 --> 00:20:35,620

a few times when it has happened and I

423

00:20:40,770 --> 00:20:37,570

don't like it when I have to break into

424

00:20:42,690 --> 00:20:40,780

a show with breaking news because the

425

00:20:44,970 --> 00:20:42,700

sort of breaking news that you interrupt

426

00:20:47,610 --> 00:20:44,980

his show with is always bad it's not

427

00:20:50,400 --> 00:20:47,620

good news that you break in you know to

428

00:20:51,340 --> 00:20:50,410

the broadcast with and I get it it's my

429

00:20:53,289 --> 00:20:51,350

job

430

00:20:56,169 --> 00:20:53,299

but it doesn't make it easy or something

431

00:20:58,180 --> 00:20:56,179

that you get used to but I do have a

432

00:21:00,820 --> 00:20:58,190

responsibility to the audience and to

433

00:21:05,080 --> 00:21:00,830

the network but it's the part of the job

434

00:21:10,360 --> 00:21:05,090

that I just don't enjoy I don't now what

435

00:21:13,240 --> 00:21:10,370

it does do for me is that it puts

436

00:21:17,950 --> 00:21:13,250

everything into perspective in a very

437

00:21:22,840 --> 00:21:17,960

direct sense in that life can change for

438

00:21:27,700 --> 00:21:22,850

you in an instant the kind of changes in

439

00:21:30,220 --> 00:21:27,710

life that last forever so when you hear

440

00:21:34,330 --> 00:21:30,230

me say things like you know I don't do

441

00:21:35,110 --> 00:21:34,340

negative well I don't because I have to

442

00:21:40,060 --> 00:21:35,120

live with it

443

00:21:42,700 --> 00:21:40,070

you know it's my job and I have my

444

00:21:46,200 --> 00:21:42,710

reasons for saying that I just don't do

445

00:21:50,860 --> 00:21:46,210

negative and when I do say it I mean it

446

00:21:54,820 --> 00:21:50,870

the last thing I want to do seriously

447

00:21:57,279 --> 00:21:54,830

is fan flames that's it I don't do

448

00:21:59,649 --> 00:21:57,289

negative I I'm not I'm not gonna do it

449

00:22:03,970 --> 00:21:59,659

I'm not gonna create negativity for you

450

00:22:07,659 --> 00:22:03,980

and all of you really seriously should

451

00:22:08,730 --> 00:22:07,669

do what I do don't do negative life is

452

00:22:19,690 --> 00:22:08,740

short

453

00:22:25,390 --> 00:22:19,700

I have said this to my kids since they

454

00:22:28,350 --> 00:22:25,400

were born always do the right thing if

455

00:22:32,580 --> 00:22:28,360

you're listening to me right now always

456

00:22:35,590 --> 00:22:32,590

do the right thing every minute every

457

00:22:38,100 --> 00:22:35,600

second of every day if you're out there

458

00:22:42,460 --> 00:22:38,110

posting on Facebook or on Twitter

459

00:22:44,620 --> 00:22:42,470

negative you're part of the problem so I

460

00:22:46,960 --> 00:22:44,630

want you to stop and think about did you

461

00:22:49,539 --> 00:22:46,970

post something negative today did you

462

00:22:52,360 --> 00:22:49,549

say something negative to somebody did

463

00:22:56,620 --> 00:22:52,370

you it was it political that you attack

464

00:23:01,600 --> 00:22:56,630

somebody for for being right or left did

465

00:23:04,210 --> 00:23:01,610

you do that don't do it right something

466

00:23:04,780 --> 00:23:04,220

about UFOs or ghosts or the paranormal

467

00:23:10,900 --> 00:23:04,790

or

468

00:23:12,600 --> 00:23:10,910

vegetarians meat-eater

469

00:23:17,490 --> 00:23:12,610

did you post something negative today

470

00:23:22,030 --> 00:23:17,500

well you you wish you to take it back

471

00:23:25,530 --> 00:23:22,040

don't do it just don't you don't want

472

00:23:28,930 --> 00:23:25,540

the last thing the lot of thing that

473

00:23:34,980 --> 00:23:28,940

everyone will remember about you is that

474

00:23:38,560 --> 00:23:34,990

you were being an ass that what you want

475

00:23:41,860 --> 00:23:38,570

or even worse that if something bad

476
00:23:45,190 --> 00:23:41,870
happens to somebody anybody and the last

477
00:23:49,270 --> 00:23:45,200
thing you did or said to that person

478
00:23:51,730 --> 00:23:49,280
wasn't cool wasn't nice right is that

479
00:23:56,350 --> 00:23:51,740
what you want is that the legacy you

480
00:23:59,140 --> 00:23:56,360
want always do the right thing no matter

481
00:24:03,630 --> 00:23:59,150
what happens because if you do you run

482
00:24:07,960 --> 00:24:03,640
clean your mind your conscience

483
00:24:12,690 --> 00:24:07,970
everything your day is a bright light in

484
00:24:15,310 --> 00:24:12,700
the night too by the way so with that

485
00:24:17,080 --> 00:24:15,320
it's another great week coming up on

486
00:24:19,450 --> 00:24:17,090
fade to black and I really look forward

487
00:24:23,260 --> 00:24:19,460
to each Monday and this particular

488
00:24:28,330 --> 00:24:23,270

Monday couldn't get here fast enough and

489

00:24:31,000 --> 00:24:28,340

I am serious listen to me I thank you

490

00:24:35,790 --> 00:24:31,010

for that we thank you for that all of

491

00:24:38,080 --> 00:24:35,800

you seriously so today I got this email

492

00:24:41,650 --> 00:24:38,090

and I want to read it to you

493

00:24:43,780 --> 00:24:41,660

it says hello Jimmy I listened to your

494

00:24:47,260 --> 00:24:43,790

coast-to-coast show last night and I was

495

00:24:50,620 --> 00:24:47,270

laughing about the bit on the triumphs a

496

00:24:52,570 --> 00:24:50,630

song I have a rural newspaper route and

497

00:24:54,880 --> 00:24:52,580

I listened to the show every night after

498

00:24:57,250 --> 00:24:54,890

coast to coast is over a local radio

499

00:24:59,950 --> 00:24:57,260

show takes over at 5:00 a.m.

500

00:25:02,020 --> 00:24:59,960

Willis and Schneider in the morning

501
00:25:04,600 --> 00:25:02,030
hello Willis and Schneider will isn't

502
00:25:06,880 --> 00:25:04,610
Schneider who has done school they have

503
00:25:09,040 --> 00:25:06,890
a call-in contest every morning using a

504
00:25:11,620 --> 00:25:09,050
trivia question and offering a chance to

505
00:25:14,320 --> 00:25:11,630
win tickets to an event happening

506
00:25:16,360 --> 00:25:14,330
locally this morning the tickets they

507
00:25:17,190 --> 00:25:16,370
offered were for a New Year's Eve party

508
00:25:19,710 --> 00:25:17,200
at the Hard

509
00:25:22,230 --> 00:25:19,720
Rocsi know where they are having a

510
00:25:26,190 --> 00:25:22,240
journey event with a journey tribute

511
00:25:28,740 --> 00:25:26,200
band the trivia question was about an

512
00:25:31,169 --> 00:25:28,750
early journey album in which there was a

513
00:25:33,930 --> 00:25:31,179

second lead singer in addition to Steve

514

00:25:37,230 --> 00:25:33,940

Perry the question was who was the

515

00:25:43,740 --> 00:25:37,240

second lead singer so I wanted to call

516

00:25:45,960 --> 00:25:43,750

in and say it was Jimmy Church so keep

517

00:25:49,710 --> 00:25:45,970

those golden pipes tuned to Jimmy and

518

00:25:52,799 --> 00:25:49,720

that's from Rachel now this is the thing

519

00:25:55,769 --> 00:25:52,809

and thank you for the email that triumph

520

00:25:58,799 --> 00:25:55,779

humor last night during the show was me

521

00:26:00,750 --> 00:25:58,809

just trying to deflect from the fires

522

00:26:03,419 --> 00:26:00,760

that were burning on the monitor in

523

00:26:06,240 --> 00:26:03,429

front of me and and the darkness and the

524

00:26:08,759 --> 00:26:06,250

craziness and I'm trying to keep it

525

00:26:11,039 --> 00:26:08,769

light all right I'm just trying to get

526
00:26:13,740 --> 00:26:11,049
through the show and have fun I don't

527
00:26:16,919 --> 00:26:13,750
want to be brought down with negativity

528
00:26:19,769 --> 00:26:16,929
and have that broadcast through the

529
00:26:22,710 --> 00:26:19,779
airwaves it's not what I do and that's

530
00:26:27,690 --> 00:26:22,720
how I clean up my own mind I crack a

531
00:26:31,049 --> 00:26:27,700
joke about Rick Emmett and you know

532
00:26:34,560 --> 00:26:31,059
hopefully it made everyone laugh because

533
00:26:34,830 --> 00:26:34,570
Rachel did and that's what I do all

534
00:26:37,799 --> 00:26:34,840
right

535
00:26:40,950 --> 00:26:37,809
there's so much negativity in this world

536
00:26:44,940 --> 00:26:40,960
right now and I don't have the time for

537
00:26:48,450 --> 00:26:44,950
it I'm around it so much that if I

538
00:26:51,720 --> 00:26:48,460

stopped and read or got affected by all

539

00:26:53,490 --> 00:26:51,730

of this negativity then it's gonna come

540

00:26:55,440 --> 00:26:53,500

through this microphone and it's gonna

541

00:26:57,360 --> 00:26:55,450

go back to you and it's gonna bum every

542

00:27:00,750 --> 00:26:57,370

that's I just don't do it

543

00:27:02,310 --> 00:27:00,760

I don't react to it and when I had said

544

00:27:04,649 --> 00:27:02,320

last week and when I was like you know

545

00:27:07,889 --> 00:27:04,659

what man I just block people I really do

546

00:27:10,019 --> 00:27:07,899

you know and if you think about it

547

00:27:11,730 --> 00:27:10,029

with all of the broadcaster's out there

548

00:27:13,200 --> 00:27:11,740

at all of the show hosts and the people

549

00:27:15,029 --> 00:27:13,210

on the news and the things that are on

550

00:27:20,659 --> 00:27:15,039

television and all of that stuff that's

551
00:27:24,779 --> 00:27:20,669
out there if those if those people

552
00:27:27,299 --> 00:27:24,789
reacted to negativity and spoke about it

553
00:27:29,399 --> 00:27:27,309
on the air I just got this tweet I just

554
00:27:30,659 --> 00:27:29,409
read this tweet I just saw this post I

555
00:27:33,149 --> 00:27:30,669
saw this thing and

556
00:27:36,269 --> 00:27:33,159
and I you don't want what would that say

557
00:27:39,119 --> 00:27:36,279
what would that do to you you know and I

558
00:27:43,549 --> 00:27:39,129
am the exact same way I just don't do it

559
00:27:47,009 --> 00:27:43,559
I don't and I'm not going to so practice

560
00:27:49,739 --> 00:27:47,019
practice I do it you should do it too

561
00:27:52,169 --> 00:27:49,749
it'll change you you know it'll change

562
00:27:55,200 --> 00:27:52,179
you won't be dragged out there is

563
00:27:58,019 --> 00:27:55,210

nothing worse than walking around with

564

00:28:00,869 --> 00:27:58,029

luggage hanging off if you big fifty

565

00:28:04,169 --> 00:28:00,879

pounds Samsonite bags full of rocks

566

00:28:06,899 --> 00:28:04,179

because you went and posted something on

567

00:28:08,879 --> 00:28:06,909

Facebook you went and read something and

568

00:28:10,710 --> 00:28:08,889

reacted to it he did something on

569

00:28:12,599 --> 00:28:10,720

Twitter he did something I need to you

570

00:28:14,519 --> 00:28:12,609

know think about that for a second

571

00:28:17,009 --> 00:28:14,529

because if anything tragic happens

572

00:28:19,409 --> 00:28:17,019

anything crazy in your life or somebody

573

00:28:22,759 --> 00:28:19,419

else's and the last thing that the last

574

00:28:25,889 --> 00:28:22,769

correspondence was you being an ass

575

00:28:28,349 --> 00:28:25,899

that's your legacy and you need to think

576

00:28:30,840 --> 00:28:28,359

about that this is fade to black

577

00:28:34,259 --> 00:28:30,850

I am your host Jimmy Church tonight it

578

00:28:36,269 --> 00:28:34,269

is Chris O'Brien Chris O'Brien I cannot

579

00:28:38,399 --> 00:28:36,279

wait for this conversation professional

580

00:28:40,739 --> 00:28:38,409

man he hosted I'm gonna ask him about

581

00:28:42,720 --> 00:28:40,749

this when he when he's Reza be the first

582

00:28:46,499 --> 00:28:42,730

question out of the gate he else did the

583

00:28:49,470 --> 00:28:46,509

para cast forever right I'm just I'm a

584

00:28:55,039 --> 00:28:49,480

virgin I've only been doing this for for

585

00:28:58,590 --> 00:28:55,049

10 years paid to black for five right

586

00:29:01,019 --> 00:28:58,600

that's who I have on tonight Chris

587

00:29:03,289 --> 00:29:01,029

O'Brien I'm girls Jimmy Church you can

588

00:29:05,639 --> 00:29:03,299

follow me on Twitter I J Turks radio

589

00:29:08,519 --> 00:29:05,649

email is Jimmy at Jimmy Church radio

590

00:29:10,379 --> 00:29:08,529

calm on the GameChanger network and kg

591

00:29:12,749 --> 00:29:10,389

RA the planet this is truly bespoke

592

00:29:13,710 --> 00:29:12,759

radio for the masses we'll be right back

593

00:29:24,210 --> 00:29:13,720

after this short break

594

00:29:24,220 --> 00:29:27,919

[Music]

595

00:29:32,419 --> 00:29:30,379

this is Nicole Church daughter of

596

00:29:34,970 --> 00:29:32,429

you-know-who and you're listening to

597

00:29:39,649 --> 00:29:34,980

fade to black on Jimmy Church radio.com

598

00:29:45,010 --> 00:29:39,659

and the game-changer Network you're

599

00:29:52,359 --> 00:29:47,690

[Music]

600

00:30:01,940 --> 00:29:59,720

kg a radio when you take the beans from

601
00:30:04,460 --> 00:30:01,950
Central America with dashes of

602
00:30:06,889 --> 00:30:04,470
indonesian and african mixed in and then

603
00:30:09,739 --> 00:30:06,899
roast it to the dark side of fade to

604
00:30:12,919 --> 00:30:09,749
black you create the ultimate brew of

605
00:30:16,340 --> 00:30:12,929
fringe introducing the fade to black

606
00:30:18,889 --> 00:30:16,350
blend from river moon coffee yes

607
00:30:21,560 --> 00:30:18,899
river moon's darkest customized roast

608
00:30:22,279 --> 00:30:21,570
was created for the love of fade to

609
00:30:25,279 --> 00:30:22,289
black

610
00:30:27,950 --> 00:30:25,289
the alchemy of masterful roasting and

611
00:30:31,519 --> 00:30:27,960
smoking the beans is in every sip of

612
00:30:34,549 --> 00:30:31,529
this full-bodied dark Java I need my

613
00:30:36,830 --> 00:30:34,559

coffee dog deep with distinct

614

00:30:39,560 --> 00:30:36,840

bittersweet chocolate highlights just

615

00:30:41,989 --> 00:30:39,570

like the bunker leaning further into the

616

00:30:45,259 --> 00:30:41,999

darkness of the roast is fade to black

617

00:30:46,940 --> 00:30:45,269

blend from river moon coffee just click

618

00:30:50,239 --> 00:30:46,950

on the banner at Jimmy Church radio.com

619

00:30:55,570 --> 00:30:50,249

and use the promo code F to B blend for

620

00:30:57,830 --> 00:30:55,580

15% off of your order today gobekli tepe

621

00:31:00,590 --> 00:30:57,840

this is Jimmy Church of fade to black

622

00:31:03,200 --> 00:31:00,600

and you can get our podcast for just two

623

00:31:05,539 --> 00:31:03,210

dollars per month all you have to do is

624

00:31:07,570 --> 00:31:05,549

click on the podcast banner over at

625

00:31:10,190 --> 00:31:07,580

Jimmy Church radio.com

626
00:31:12,710 --> 00:31:10,200
times are changing the circus of

627
00:31:15,019 --> 00:31:12,720
politics Healthcare's low standards and

628
00:31:17,509 --> 00:31:15,029
high prices and let's not forget food

629
00:31:20,690 --> 00:31:17,519
quality what to do arm yourself with

630
00:31:23,539 --> 00:31:20,700
life change th get the t-dot-com in a

631
00:31:25,879 --> 00:31:23,549
world of chemical imbalance and pour air

632
00:31:28,759 --> 00:31:25,889
and water quality it's time you make a

633
00:31:31,879 --> 00:31:28,769
move log on to get the t-dot-com and

634
00:31:34,340 --> 00:31:31,889
stock up on organic non-gmo supplements

635
00:31:36,649 --> 00:31:34,350
don't forget the tea cleansing your body

636
00:31:39,259 --> 00:31:36,659
never felt so good and we have a brand

637
00:31:41,039 --> 00:31:39,269
new tea called take down tea which helps

638
00:31:43,769 --> 00:31:41,049

support healthy glucose

639

00:31:44,850 --> 00:31:43,779

all natural body support so you can be

640

00:31:47,789 --> 00:31:44,860

at your best

641

00:31:49,499 --> 00:31:47,799

naturally all you have to do is log on

642

00:31:52,649 --> 00:31:49,509

to get the t-dot-com

643

00:31:55,259 --> 00:31:52,659

that's get the t.com we're not a fad

644

00:31:59,430 --> 00:31:55,269

that comes and goes we are the real deal

645

00:32:02,789 --> 00:31:59,440

join us in armored up get the t-dot-com

646

00:32:03,269 --> 00:32:02,799

that's get the t.com changing america's

647

00:32:06,539 --> 00:32:03,279

health

648

00:32:12,060 --> 00:32:06,549

one tea bag at a time 9 out of 10

649

00:32:17,430 --> 00:32:12,070

geneticists agreed fade to black

650

00:32:20,840 --> 00:32:17,440

is not your father's radio show on the

651
00:32:25,100 --> 00:32:20,850
game changer of radio network and kgr a

652
00:32:30,200 --> 00:32:27,560
do you want to lose weight but have no

653
00:32:32,330 --> 00:32:30,210
idea where to begin the fast start diet

654
00:32:32,930 --> 00:32:32,340
a three day weight loss plan is the

655
00:32:35,240 --> 00:32:32,940
answer

656
00:32:37,610 --> 00:32:35,250
three days of nutritionally balanced

657
00:32:40,520 --> 00:32:37,620
calorie restricted meals delivered right

658
00:32:42,890 --> 00:32:40,530
to your door no shopping no measuring

659
00:32:44,600 --> 00:32:42,900
and no cooking everything is prepared

660
00:32:47,570 --> 00:32:44,610
for you and ready to eat

661
00:32:49,370 --> 00:32:47,580
at home or on the go the fast start diet

662
00:32:51,260 --> 00:32:49,380
has all the amazing benefits of

663
00:32:53,720 --> 00:32:51,270

intermittent fasting without starving

664

00:32:55,100 --> 00:32:53,730

we've helped thousands of people who

665

00:32:57,680 --> 00:32:55,110

have struggled to reach their weight

666

00:33:00,050 --> 00:32:57,690

loss goals isn't it time we helped you

667

00:33:03,020 --> 00:33:00,060

with the fast start diet you'll lose

668

00:33:05,450 --> 00:33:03,030

weight and feel great fine fast start

669

00:33:08,570 --> 00:33:05,460

diet on Amazon or go too fast start diet

670

00:33:11,060 --> 00:33:08,580

calm and use promo code talk to get 10%

671

00:33:13,190 --> 00:33:11,070

off your first box and as a special

672

00:33:15,500 --> 00:33:13,200

bonus fast start will include their

673

00:33:17,720 --> 00:33:15,510

number one rated lipo 3 appetite

674

00:33:20,120 --> 00:33:17,730

suppressant spray free with your order

675

00:33:23,270 --> 00:33:20,130

this is Jimmy church and whatever your

676

00:33:51,710 --> 00:33:23,280

diet plans are do what I did go to fast

677

00:33:57,780 --> 00:33:55,070

all right welcome back fade to black

678

00:33:58,740 --> 00:33:57,790

Emile's jimmy church tonight christopher

679

00:34:00,660 --> 00:33:58,750

o'brien

680

00:34:03,770 --> 00:34:00,670

is with us tomorrow night Johnny Enoch

681

00:34:07,770 --> 00:34:03,780

is here Wednesday night Patrick wood

682

00:34:09,419 --> 00:34:07,780

discussing technocracy 2.0 Thursday

683

00:34:11,580 --> 00:34:09,429

night another Fator night Theresa and I

684

00:34:13,230 --> 00:34:11,590

are is gonna be here divine frequency on

685

00:34:16,110 --> 00:34:13,240

the airwaves followed by open lines on

686

00:34:18,810 --> 00:34:16,120

line long but tonight it's Chris and

687

00:34:21,090 --> 00:34:18,820

Chris O'Brien has devoted over 20 years

688

00:34:22,710 --> 00:34:21,100

25 years to investigating and

689

00:34:25,320 --> 00:34:22,720

researching hundreds of unexplained

690

00:34:27,869 --> 00:34:25,330

events in South Central Colorado North

691

00:34:31,139 --> 00:34:27,879

Central New Mexico's San Luis Valley

692

00:34:33,210 --> 00:34:31,149

also known as the SLV his investigation

693

00:34:36,060 --> 00:34:33,220

is detailed in his mysterious Valley

694

00:34:38,250 --> 00:34:36,070

book trilogy and field investigations of

695

00:34:40,440 --> 00:34:38,260

UFOs cattle mutilations crypto creatures

696

00:34:42,690 --> 00:34:40,450

in this cetera is one of the largest

697

00:34:44,940 --> 00:34:42,700

databases of unusual occurrences

698

00:34:49,500 --> 00:34:44,950

gathered from a single region his latest

699

00:34:52,200 --> 00:34:49,510

project UFO DAP UFO D ap is actively

700

00:34:53,879 --> 00:34:52,210

monitoring the airspace over the sov we

701
00:34:56,159 --> 00:34:53,889
announced that last month with Chris

702
00:34:58,890 --> 00:34:56,169
here on fade to black he has appeared on

703
00:34:59,970 --> 00:34:58,900
over 70 TV shows including ancient

704
00:35:01,710 --> 00:34:59,980
aliens coast-to-coast

705
00:35:04,410 --> 00:35:01,720
fade to black right here UFO Hunters

706
00:35:07,020 --> 00:35:04,420
inside edition extra etc and it has

707
00:35:09,900 --> 00:35:07,030
produced the film it could happen

708
00:35:12,420 --> 00:35:09,910
tomorrow winner of two 2012

709
00:35:14,940 --> 00:35:12,430
EBE Film Festival Awards for Best

710
00:35:17,100 --> 00:35:14,950
Feature M People's Choice Awards his

711
00:35:18,510 --> 00:35:17,110
latest book stalking the herd is the

712
00:35:20,460 --> 00:35:18,520
most comprehensive book written

713
00:35:22,050 --> 00:35:20,470

attempting to unravel the cattle

714

00:35:23,850 --> 00:35:22,060

mutilation mystery and I would like to

715

00:35:28,950 --> 00:35:23,860

welcome back to fade to black mr.

716

00:35:32,730 --> 00:35:28,960

Christopher O'Brien Chris you there good

717

00:35:35,520 --> 00:35:32,740

evening how are you man going through

718

00:35:37,680 --> 00:35:35,530

kind of chest cold so if I start

719

00:35:41,570 --> 00:35:37,690

sounding like coqui the Frog don't

720

00:35:44,960 --> 00:35:41,580

wonder why you sound great you sound

721

00:35:46,620 --> 00:35:44,970

that's all that matters do you remember

722

00:35:50,960 --> 00:35:46,630

what was that

723

00:35:53,820 --> 00:35:50,970

that's skit on SS Saturday Night Live

724

00:35:55,770 --> 00:35:53,830

Ricardo Montalban right it's better to

725

00:35:59,280 --> 00:35:55,780

to look marvelous

726

00:36:02,310 --> 00:35:59,290

than to feel marvelous right so that's

727

00:36:04,130 --> 00:36:02,320

all that you sound great that's all that

728

00:36:09,040 --> 00:36:04,140

matters Chris that's all that matter

729

00:36:12,080 --> 00:36:09,050

so yeah totally yeah Billy Crystal yeah

730

00:36:14,330 --> 00:36:12,090

but last month I want to start here

731

00:36:16,550 --> 00:36:14,340

before we go backwards I want to do a

732

00:36:19,910 --> 00:36:16,560

little current events we announced the

733

00:36:21,430 --> 00:36:19,920

UFO da P last last month here on fade to

734

00:36:25,280 --> 00:36:21,440

black with you and we did that little

735

00:36:29,540 --> 00:36:25,290

Kickstarter for you and I thank you very

736

00:36:32,510 --> 00:36:29,550

much absolutely and you know every

737

00:36:34,960 --> 00:36:32,520

little bit counts but what's what's the

738

00:36:40,060 --> 00:36:34,970

latest have you started collecting data

739

00:36:42,710 --> 00:36:40,070

yeah we have actually it's been managed

740

00:36:46,550 --> 00:36:42,720

it's a lot more complicated and

741

00:36:48,830 --> 00:36:46,560

technical when you have the kind of

742

00:36:49,970 --> 00:36:48,840

setup that we have and so it takes a

743

00:36:52,190 --> 00:36:49,980

little bit of time to get everything

744

00:36:54,560 --> 00:36:52,200

dialed in but right at that point now

745

00:36:56,600 --> 00:36:54,570

where we have our main cameras dialed in

746

00:36:59,570 --> 00:36:56,610

and we do have a couple of things that

747

00:37:02,540 --> 00:36:59,580

we need to tweak on it it's not quite

748

00:37:06,860 --> 00:37:02,550

level which is one thing that's gonna be

749

00:37:09,440 --> 00:37:06,870

an issue but we have our the guy who did

750

00:37:11,660 --> 00:37:09,450

all our installation work Gary Mayer

751
00:37:14,030 --> 00:37:11,670
he's actually out by you do right now

752
00:37:16,220 --> 00:37:14,040
he's his father has been ill and he's

753
00:37:18,290 --> 00:37:16,230
out there taking care of him he'll be

754
00:37:20,060 --> 00:37:18,300
back in about a week and so we'll get

755
00:37:21,860 --> 00:37:20,070
him up there just and put it up about a

756
00:37:24,890 --> 00:37:21,870
degree from left to right it's just

757
00:37:26,150 --> 00:37:24,900
widely planted and we need to shore it

758
00:37:29,570 --> 00:37:26,160
up a little bit when we pull all the way

759
00:37:30,950 --> 00:37:29,580
out 36 times off uncle zoom there's a

760
00:37:33,050 --> 00:37:30,960
little bit of a shake there so we need

761
00:37:36,740 --> 00:37:33,060
to we need to get that taken care of but

762
00:37:40,130 --> 00:37:36,750
we have our software is is operating and

763
00:37:42,310 --> 00:37:40,140

we've got the detection the detection

764

00:37:44,750 --> 00:37:42,320

algorithms are getting enough you know

765

00:37:48,130 --> 00:37:44,760

the bugs are getting out of that and

766

00:37:50,630 --> 00:37:48,140

it's um it's a lot more involved and

767

00:37:53,560 --> 00:37:50,640

it's a lot more technical than I think

768

00:37:56,900 --> 00:37:53,570

the average person would imagine it's

769

00:38:00,230 --> 00:37:56,910

it's pretty involved I a lot of its over

770

00:38:02,780 --> 00:38:00,240

my head that's why we have a next Cisco

771

00:38:06,560 --> 00:38:02,790

engineer and a next Disney computer

772

00:38:09,590 --> 00:38:06,570

scientist that are doing all this this

773

00:38:13,400 --> 00:38:09,600

these algorithms and stuff I've you know

774

00:38:15,890 --> 00:38:13,410

it's way above my pay grade right and

775

00:38:17,730 --> 00:38:15,900

Chris can I get you to speak up into the

776

00:38:20,640 --> 00:38:17,740

microphone it sounds a little dip

777

00:38:24,060 --> 00:38:20,650

then soundcheck are using the same

778

00:38:28,950 --> 00:38:24,070

microphone Wow okay

779

00:38:32,580 --> 00:38:28,960

all right hmm okay so moving on of that

780

00:38:36,620 --> 00:38:32,590

well we'll find out as we continue on

781

00:38:39,540 --> 00:38:36,630

the the data itself have you seen

782

00:38:41,370 --> 00:38:39,550

because and you can describe to the

783

00:38:43,170 --> 00:38:41,380

audience actually what's going on well

784

00:38:45,630 --> 00:38:43,180

we'll go over that again but you're

785

00:38:49,230 --> 00:38:45,640

triangulating and locating with

786

00:38:53,730 --> 00:38:49,240

automation and custom software objects

787

00:38:56,280 --> 00:38:53,740

in the sky have you has the

788

00:38:59,850 --> 00:38:56,290

triangulation worked and have you been

789

00:39:01,470 --> 00:38:59,860

able to see things well we've been able

790

00:39:04,080 --> 00:39:01,480

to see things we've had a couple three

791

00:39:06,420 --> 00:39:04,090

events that um there were pretty

792

00:39:09,620 --> 00:39:06,430

anomalous at that point we hadn't got

793

00:39:13,109 --> 00:39:09,630

the the actual user interface the GUI

794

00:39:16,440 --> 00:39:13,119

operating so we couldn't record but one

795

00:39:18,120 --> 00:39:16,450

of our guys was monitoring for about

796

00:39:21,060 --> 00:39:18,130

three straight nights was monitoring a

797

00:39:22,380 --> 00:39:21,070

quite a number of hours and you did have

798

00:39:25,320 --> 00:39:22,390

a very interesting you know event of a

799

00:39:28,320 --> 00:39:25,330

light that appeared to shoot down a

800

00:39:30,599 --> 00:39:28,330

light into the area and actually blinded

801
00:39:32,880 --> 00:39:30,609
the camera we had a huge white flash

802
00:39:36,510 --> 00:39:32,890
that we could not it seemed to come from

803
00:39:38,670 --> 00:39:36,520
above and we were unable to determine

804
00:39:40,560 --> 00:39:38,680
actually where it came from although we

805
00:39:42,330 --> 00:39:40,570
did have just prior to that we had an

806
00:39:44,820 --> 00:39:42,340
object that was approaching us from the

807
00:39:49,250 --> 00:39:44,830
upper I think left-hand side from the

808
00:39:55,260 --> 00:39:49,260
north north by North West coming in and

809
00:39:57,210 --> 00:39:55,270
the camera responded to it but he he was

810
00:39:59,550 --> 00:39:57,220
manually controlling there at this point

811
00:40:02,220 --> 00:39:59,560
and when he went to look at it yeah we

812
00:40:04,500 --> 00:40:02,230
were our camera was blinded for an

813
00:40:06,750 --> 00:40:04,510

instant and we unfortunately at that

814

00:40:09,630 --> 00:40:06,760

point this was pretty early on we hadn't

815

00:40:12,510 --> 00:40:09,640

got the the graphic user interface the

816

00:40:14,400 --> 00:40:12,520

auto portion of that working and so we

817

00:40:17,190 --> 00:40:14,410

were unable to go into record mode but

818

00:40:18,810 --> 00:40:17,200

we've got all that figured out now so as

819

00:40:22,140 --> 00:40:18,820

soon as we get a really really nice

820

00:40:24,150 --> 00:40:22,150

event that'll be all recorded the other

821

00:40:26,910 --> 00:40:24,160

camera is still being it's still being

822

00:40:29,760 --> 00:40:26,920

worked on getting the the it's called a

823

00:40:31,610 --> 00:40:29,770

VPN it's a Virtual Private Network then

824

00:40:33,590 --> 00:40:31,620

we need to establish back to

825

00:40:36,020 --> 00:40:33,600

to California because we're going into

826

00:40:38,840 --> 00:40:36,030

our trunk line and so that's it caused

827

00:40:41,270 --> 00:40:38,850

more more headaches for us because we're

828

00:40:45,830 --> 00:40:41,280

not going to like a you know your

829

00:40:47,450 --> 00:40:45,840

standard is IPS you know the internet

830

00:40:49,610 --> 00:40:47,460

company with a router and everything

831

00:40:51,710 --> 00:40:49,620

we're going right into a trunk line so

832

00:40:53,900 --> 00:40:51,720

we have to establish a virtual private

833

00:40:55,760 --> 00:40:53,910

network through the internet for that

834

00:40:59,510 --> 00:40:55,770

one and we're still working on that now

835

00:41:03,830 --> 00:40:59,520

with this what do you hope to achieve

836

00:41:05,590 --> 00:41:03,840

and what's the goal well well the goal

837

00:41:08,780 --> 00:41:05,600

is very simple

838

00:41:13,370 --> 00:41:08,790

you know all of us that are interested

839

00:41:15,800 --> 00:41:13,380

in the the UAP or UFO subject would

840

00:41:19,490 --> 00:41:15,810

agree that most of what we're seeing

841

00:41:21,410 --> 00:41:19,500

today is very reactive it's it's going

842

00:41:24,230 --> 00:41:21,420

through databases it's collecting

843

00:41:24,650 --> 00:41:24,240

information it's everything is after the

844

00:41:27,200 --> 00:41:24,660

fact

845

00:41:29,690 --> 00:41:27,210

everything is downstream from the actual

846

00:41:32,450 --> 00:41:29,700

event and what we're attempting to do is

847

00:41:35,150 --> 00:41:32,460

capture these events in a in a very very

848

00:41:37,040 --> 00:41:35,160

hot spot area which is the San Luis

849

00:41:39,590 --> 00:41:37,050

Valley which I've demonstrated over the

850

00:41:41,510 --> 00:41:39,600

since the you know the late 80s or early

851
00:41:44,300 --> 00:41:41,520
90s I've demonstrated this as an

852
00:41:47,630 --> 00:41:44,310
extremely active area that it has a

853
00:41:49,400 --> 00:41:47,640
fairly consistent amount of unexplained

854
00:41:51,710 --> 00:41:49,410
aerial activity so what we've done is

855
00:41:53,810 --> 00:41:51,720
we've set up two cameras and what we're

856
00:41:56,660 --> 00:41:53,820
what we're hoping to do with these

857
00:41:59,540 --> 00:41:56,670
cameras is automatically these cameras

858
00:42:02,240 --> 00:41:59,550
are being caught basically and

859
00:42:06,800 --> 00:42:02,250
programmed with algorithms how to

860
00:42:09,650 --> 00:42:06,810
capture unusual area level activity

861
00:42:11,450 --> 00:42:09,660
factor out any conventional explanation

862
00:42:14,000 --> 00:42:11,460
and then go ahead and record that and

863
00:42:16,460 --> 00:42:14,010

have all the cameras in the system

864

00:42:18,080 --> 00:42:16,470

ultimately we're going to have four but

865

00:42:20,690 --> 00:42:18,090

right now we're it were two and have

866

00:42:24,470 --> 00:42:20,700

both those cameras focus in on the event

867

00:42:27,760 --> 00:42:24,480

and with two cameras looking at it at an

868

00:42:31,130 --> 00:42:27,770

event you can determine distance sighs

869

00:42:33,290 --> 00:42:31,140

airspeed altitude azimuth

870

00:42:35,590 --> 00:42:33,300

you know all these various things that

871

00:42:38,570 --> 00:42:35,600

we really want to know real-time and

872

00:42:41,420 --> 00:42:38,580

that combined with a pretty

873

00:42:44,750 --> 00:42:41,430

sophisticated package of detection gear

874

00:42:45,350 --> 00:42:44,760

that will look for changes in the

875

00:42:48,190 --> 00:42:45,360

Earth's magnetic

876

00:42:50,630 --> 00:42:48,200

field changes in the Earth's gravity

877

00:42:54,260 --> 00:42:50,640

would with this type of scientific

878

00:42:58,780 --> 00:42:54,270

information and acoustic recordings for

879

00:43:00,830 --> 00:42:58,790

instance electromagnetic Trifield meter

880

00:43:03,440 --> 00:43:00,840

fluctuations in the electromagnetic

881

00:43:06,370 --> 00:43:03,450

spectrum with this kind of information

882

00:43:09,230 --> 00:43:06,380

real-time and then getting it again

883

00:43:12,650 --> 00:43:09,240

duplicating that information you could

884

00:43:14,300 --> 00:43:12,660

write a scientific paper and we really

885

00:43:16,430 --> 00:43:14,310

feel that this is the direction that you

886

00:43:18,860 --> 00:43:16,440

vollentine eads to be going and to get

887

00:43:20,780 --> 00:43:18,870

proactive to really attempt to get hard

888

00:43:22,370 --> 00:43:20,790

data now there's a lot of naysayers out

889

00:43:25,310 --> 00:43:22,380

there that say well they tried that up

890

00:43:27,560 --> 00:43:25,320

at skinwalker ranch and and you know it

891

00:43:29,450 --> 00:43:27,570

was the trickster got involved and and

892

00:43:31,220 --> 00:43:29,460

you know every time they thought they

893

00:43:32,990 --> 00:43:31,230

had something it would pull the wires

894

00:43:35,300 --> 00:43:33,000

out or we know there's all these

895

00:43:37,610 --> 00:43:35,310

apocryphal stories and we understand all

896

00:43:41,000 --> 00:43:37,620

that but in the San Luis Valley we have

897

00:43:43,730 --> 00:43:41,010

a 360 degree you know we can see 200

898

00:43:45,890 --> 00:43:43,740

miles in all directions and it's a

899

00:43:48,040 --> 00:43:45,900

little difference in you know a little

900

00:43:50,990 --> 00:43:48,050

Hidden Valley and Utah we've got

901
00:43:52,310 --> 00:43:51,000
incredible vistas and we're comfortably

902
00:43:55,160 --> 00:43:52,320
in five thousand square miles of

903
00:43:59,270 --> 00:43:55,170
airspace so we're hoping to make history

904
00:44:03,860 --> 00:43:59,280
day basically is there when you start to

905
00:44:06,290 --> 00:44:03,870
collect this data you also need to start

906
00:44:09,470 --> 00:44:06,300
to categorize and hopefully debunk

907
00:44:12,590 --> 00:44:09,480
certain things too as well where we can

908
00:44:14,960 --> 00:44:12,600
remove aircraft you know normal man-made

909
00:44:17,140 --> 00:44:14,970
stuff or what possibly could be a

910
00:44:20,240 --> 00:44:17,150
satellite and then we have the truly

911
00:44:22,460 --> 00:44:20,250
unexplainable stuff that don't fit into

912
00:44:26,390 --> 00:44:22,470
those categories will you be able to do

913
00:44:29,390 --> 00:44:26,400

that yes there's a very good program

914

00:44:32,120 --> 00:44:29,400

called flightradar24 it allows you to

915

00:44:34,280 --> 00:44:32,130

instantly in real time factor out any

916

00:44:36,500 --> 00:44:34,290

transplant hundred aircraft in the area

917

00:44:38,600 --> 00:44:36,510

and that stuff we're going to be

918

00:44:42,520 --> 00:44:38,610

eventually tying in with that there's

919

00:44:45,050 --> 00:44:42,530

also the nasa bolide project there's

920

00:44:48,860 --> 00:44:45,060

most of the earth satellites i think

921

00:44:51,200 --> 00:44:48,870

we'll be able to determine our way up

922

00:44:54,800 --> 00:44:51,210

there in the sky possibly we will get

923

00:44:57,530 --> 00:44:54,810

some high fliers that are trying to

924

00:44:59,210 --> 00:44:57,540

pretend to be satellites i'm not really

925

00:45:01,720 --> 00:44:59,220

sure how many

926

00:45:04,280 --> 00:45:01,730

the sworn satellites are being listed

927

00:45:08,390 --> 00:45:04,290

I'm sure there's some up there that are

928

00:45:10,760 --> 00:45:08,400

officially not acknowledged so I think

929

00:45:12,980 --> 00:45:10,770

for the most part the the man-made

930

00:45:15,109 --> 00:45:12,990

objects are going to be pretty easy to

931

00:45:16,819 --> 00:45:15,119

factor out the things that I'm really

932

00:45:19,220 --> 00:45:16,829

interested in are some of the natural

933

00:45:20,990 --> 00:45:19,230

phenomena that may be occurring in the

934

00:45:23,900 --> 00:45:21,000

San Luis Valley that have not yet been

935

00:45:25,760 --> 00:45:23,910

defined by electrical discharges from

936

00:45:29,180 --> 00:45:25,770

the courts inside the Sangre de Cristo

937

00:45:30,620 --> 00:45:29,190

Mountains for instance strange lighting

938

00:45:34,180 --> 00:45:30,630

effects out at the Great Sand Dunes

939

00:45:36,260 --> 00:45:34,190

where you can get some static electrical

940

00:45:39,380 --> 00:45:36,270

charges that are built up by the wind

941

00:45:42,140 --> 00:45:39,390

and the sand there's 2 billion dollars

942

00:45:44,480 --> 00:45:42,150

worth of methane about eight miles away

943

00:45:46,730 --> 00:45:44,490

from our you know front row camera and

944

00:45:49,970 --> 00:45:46,740

there may be times when the methane

945

00:45:53,540 --> 00:45:49,980

actually flores's and so any of

946

00:45:56,599 --> 00:45:53,550

low-to-the-ground colorful you know miss

947

00:45:59,180 --> 00:45:56,609

for instance we might be able to factor

948

00:46:02,390 --> 00:45:59,190

out some sightings from the past the

949

00:46:05,030 --> 00:46:02,400

reported those as as unusual craft let's

950

00:46:06,710 --> 00:46:05,040

say are lighted craft so there's natural

951
00:46:08,930 --> 00:46:06,720
phenomena to that that we're very

952
00:46:12,530 --> 00:46:08,940
interested in capturing because it's

953
00:46:16,099 --> 00:46:12,540
very rare and and I don't know of any

954
00:46:17,930 --> 00:46:16,109
good examples of you know for instance

955
00:46:19,099 --> 00:46:17,940
it's like the Brown Mountain lights for

956
00:46:22,280 --> 00:46:19,109
instance which are a lot more

957
00:46:24,559 --> 00:46:22,290
predictable in a sense but but we're

958
00:46:28,220 --> 00:46:24,569
looking we're looking to be able to

959
00:46:31,430 --> 00:46:28,230
factor out all potential false positives

960
00:46:35,420 --> 00:46:31,440
and really concentrate on on landings of

961
00:46:38,120 --> 00:46:35,430
the real anomalous you know intelligence

962
00:46:40,099 --> 00:46:38,130
of flybys that aren't man-made now

963
00:46:42,400 --> 00:46:40,109

you've been you know in the San Luis

964

00:46:46,390 --> 00:46:42,410

Valley and investigating there since

965

00:46:49,069 --> 00:46:46,400

1992 that's that's that's a long time

966

00:46:51,710 --> 00:46:49,079

with all of the sightings that you have

967

00:46:54,950 --> 00:46:51,720

spent out there you did you know nearly

968

00:46:57,800 --> 00:46:54,960

ten straight years investigating the

969

00:47:00,589 --> 00:46:57,810

valley when you look back at all the

970

00:47:03,650 --> 00:47:00,599

things that you have witnessed in a

971

00:47:05,870 --> 00:47:03,660

roundabout way can you venture to guess

972

00:47:09,559 --> 00:47:05,880

how how many of those sightings were you

973

00:47:12,920 --> 00:47:09,569

want you know what that's et right that

974

00:47:14,480 --> 00:47:12,930

that is not from this planet you know it

975

00:47:20,569 --> 00:47:14,490

do you walk away with that with that

976
00:47:23,420 --> 00:47:20,579
conclusion often well there have been

977
00:47:26,450 --> 00:47:23,430
some sightings that I you know I really

978
00:47:31,160 --> 00:47:26,460
just I just for the life of me I can't I

979
00:47:35,059 --> 00:47:31,170
can't say that it was anything there was

980
00:47:37,460 --> 00:47:35,069
ours that we know about officially there

981
00:47:39,470 --> 00:47:37,470
was quite a number I've had sightings of

982
00:47:43,490 --> 00:47:39,480
small craft for instance that have been

983
00:47:45,920 --> 00:47:43,500
very very close to me yet one sighting

984
00:47:48,559 --> 00:47:45,930
in particular was 150 feet away in broad

985
00:47:50,270 --> 00:47:48,569
daylight one o'clock in the afternoon as

986
00:47:52,579 --> 00:47:50,280
we were driving along this thing flew

987
00:47:53,960 --> 00:47:52,589
right in front of our car at first I

988
00:47:56,930 --> 00:47:53,970

thought it was a model airplane really

989

00:48:00,380 --> 00:47:56,940

close to us like some sort of remote you

990

00:48:02,510 --> 00:48:00,390

know or RC type plane or something but

991

00:48:04,370 --> 00:48:02,520

then I realized no quite a quite a

992

00:48:06,740 --> 00:48:04,380

further away meaning it was much much

993

00:48:10,130 --> 00:48:06,750

bigger probably about 10 to 12 feet and

994

00:48:12,260 --> 00:48:10,140

this thing scooted by like a fishing

995

00:48:14,660 --> 00:48:12,270

lure looked like somebody was reeling it

996

00:48:16,940 --> 00:48:14,670

in from across er the other side of this

997

00:48:18,980 --> 00:48:16,950

of the where fennel Valley to the

998

00:48:20,420 --> 00:48:18,990

backside of the Sangre de Cristo's and

999

00:48:22,309 --> 00:48:20,430

they had two other witnesses with me too

1000

00:48:24,819 --> 00:48:22,319

so it wasn't you it wasn't my

1001

00:48:28,339 --> 00:48:24,829

imagination like what was that

1002

00:48:30,349 --> 00:48:28,349

and and these little things have been

1003

00:48:33,200 --> 00:48:30,359

seen all the way back into the early 60s

1004

00:48:35,630 --> 00:48:33,210

so this is you know again one of those

1005

00:48:38,059 --> 00:48:35,640

things that when you start doing the

1006

00:48:39,920 --> 00:48:38,069

research and you start looking at wave

1007

00:48:42,109 --> 00:48:39,930

society into particular you know

1008

00:48:43,760 --> 00:48:42,119

descriptions of craft and then you

1009

00:48:48,549 --> 00:48:43,770

encounter something like that you know

1010

00:48:51,049 --> 00:48:48,559

50 years later or 40 years later yes

1011

00:48:52,640 --> 00:48:51,059

it's kind of hard not to sit there and

1012

00:48:54,650 --> 00:48:52,650

scratch your head and just go man

1013

00:48:56,120 --> 00:48:54,660

there's something strange like you know

1014

00:48:57,920 --> 00:48:56,130

that you'll be that's one of the many

1015

00:49:00,530 --> 00:48:57,930

strange things flying around here but

1016

00:49:01,880 --> 00:49:00,540

it's uh it's consistent and these things

1017

00:49:04,160 --> 00:49:01,890

have been reported going into the

1018

00:49:05,690 --> 00:49:04,170

mountains there was a whole spate of

1019

00:49:08,740 --> 00:49:05,700

them going in and out of middle Creek

1020

00:49:11,630 --> 00:49:08,750

Hill and lysandre's back in the 60s so

1021

00:49:14,390 --> 00:49:11,640

that's pretty pretty amazing that the

1022

00:49:16,039 --> 00:49:14,400

huge craft to block out the Stars I've

1023

00:49:19,819 --> 00:49:16,049

seen a couple of those one was

1024

00:49:22,250 --> 00:49:19,829

rectangular one was triangular those

1025

00:49:23,690 --> 00:49:22,260

were very very impressive even though

1026
00:49:26,539 --> 00:49:23,700
there were no lights there was no way to

1027
00:49:27,210 --> 00:49:26,549
determine the actual distance from the

1028
00:49:29,790 --> 00:49:27,220
grass

1029
00:49:33,150 --> 00:49:29,800
it was immense so it had to have been at

1030
00:49:35,460 --> 00:49:33,160
least a mile mile and a half long so you

1031
00:49:38,100 --> 00:49:35,470
know crap like that you just there's

1032
00:49:41,070 --> 00:49:38,110
nothing that that I know of and I'm

1033
00:49:46,350 --> 00:49:41,080
fairly well-read and I try to keep up on

1034
00:49:51,180 --> 00:49:46,360
you know aerospace stuff and just just

1035
00:49:53,310 --> 00:49:51,190
too big too large for for us to be able

1036
00:49:56,700 --> 00:49:53,320
to to fly something like that around

1037
00:49:59,460 --> 00:49:56,710
without it being uh you know known known

1038
00:50:02,400 --> 00:49:59,470

about and then we're getting out so yeah

1039

00:50:05,370 --> 00:50:02,410

there's been quite a number and some of

1040

00:50:09,690 --> 00:50:05,380

the weird natural phenomena see that

1041

00:50:12,060 --> 00:50:09,700

there may be a price range in nature in

1042

00:50:15,780 --> 00:50:12,070

terms of maybe you know something other

1043

00:50:17,550 --> 00:50:15,790

let's say but looks twelve outward

1044

00:50:20,550 --> 00:50:17,560

appearances like something natural on

1045

00:50:23,190 --> 00:50:20,560

the enlarged I can't cheap firework so

1046

00:50:25,830 --> 00:50:23,200

like large and die fireworks that that

1047

00:50:29,430 --> 00:50:25,840

fly around I've seen them was a

1048

00:50:31,020 --> 00:50:29,440

completely uniform overcast sky below me

1049

00:50:33,480 --> 00:50:31,030

and altitude lighting up the tops of

1050

00:50:35,520 --> 00:50:33,490

trees for instance and then they only

1051
00:50:37,710 --> 00:50:35,530
last a couple three seconds four seconds

1052
00:50:39,660 --> 00:50:37,720
and they look like giant bottle rockets

1053
00:50:42,660 --> 00:50:39,670
that are fizzling out

1054
00:50:44,640 --> 00:50:42,670
I still have have yet to come up with an

1055
00:50:46,920 --> 00:50:44,650
explanation of what they are they're not

1056
00:50:49,980 --> 00:50:46,930
meteors because like I said I've seen

1057
00:50:51,540 --> 00:50:49,990
them a complete overcast sky so it's

1058
00:50:53,940 --> 00:50:51,550
just a whole potpourri of things out

1059
00:50:55,830 --> 00:50:53,950
there and then you know I haven't seen

1060
00:50:58,400 --> 00:50:55,840
one of the big mother ships at land but

1061
00:51:01,200 --> 00:50:58,410
all that all lit up like Christmas trees

1062
00:51:04,020 --> 00:51:01,210
there have been descriptions of craft

1063
00:51:05,940 --> 00:51:04,030

there that some of the ranches have seen

1064

00:51:09,480 --> 00:51:05,950

and one of the more remote areas that

1065

00:51:11,970 --> 00:51:09,490

that remind remind me of maybe not quite

1066

00:51:14,280 --> 00:51:11,980

as dramatic as the ending scene of Close

1067

00:51:16,260 --> 00:51:14,290

Encounters but stuff that's huge you

1068

00:51:20,390 --> 00:51:16,270

know the size of large buildings landing

1069

00:51:22,850 --> 00:51:20,400

and guys pastures and it's it's just

1070

00:51:25,590 --> 00:51:22,860

bewildering really I mean I literally

1071

00:51:28,580 --> 00:51:25,600

filled in myself hundreds and hundreds

1072

00:51:30,870 --> 00:51:28,590

of calls in ten years and then you know

1073

00:51:32,910 --> 00:51:30,880

just some of the stories that you hear

1074

00:51:35,220 --> 00:51:32,920

from you know people saying yeah my

1075

00:51:37,200 --> 00:51:35,230

parents you know they told us kids man

1076

00:51:40,110 --> 00:51:37,210

when they first moved there they saw

1077

00:51:41,910 --> 00:51:40,120

this you know and home

1078

00:51:43,650 --> 00:51:41,920

these stories of possible stories to go

1079

00:51:48,720 --> 00:51:43,660

all the way back into the twenties

1080

00:51:52,380 --> 00:51:48,730

about crash siding what was did you have

1081

00:51:56,030 --> 00:51:52,390

an event that that got you into this

1082

00:51:58,050 --> 00:51:56,040

before you were you know a professional

1083

00:52:00,090 --> 00:51:58,060

researcher and it you know got into

1084

00:52:05,640 --> 00:52:00,100

writing and broadcasting was there

1085

00:52:08,940 --> 00:52:05,650

something that brought you here well not

1086

00:52:10,980 --> 00:52:08,950

really I moved to Santa Fe and I found

1087

00:52:12,990 --> 00:52:10,990

out within a week that that just wasn't

1088

00:52:15,870 --> 00:52:13,000

a good fit for myself and my girlfriend

1089

00:52:18,300 --> 00:52:15,880

and I had a couple that lived up in this

1090

00:52:20,160 --> 00:52:18,310

and we saw good friends of ours and they

1091

00:52:21,720 --> 00:52:20,170

stayed working come on up here and and

1092

00:52:23,520 --> 00:52:21,730

check it out and see if you like it we

1093

00:52:26,280 --> 00:52:23,530

got an extra couple three bedrooms and

1094

00:52:28,080 --> 00:52:26,290

so I went up there there was only 155

1095

00:52:31,440 --> 00:52:28,090

people that lived there at the time and

1096

00:52:35,520 --> 00:52:31,450

it was the second night I was there half

1097

00:52:39,170 --> 00:52:35,530

the town showed up for a party which is

1098

00:52:41,730 --> 00:52:39,180

it very interesting right a wild party

1099

00:52:43,230 --> 00:52:41,740

but you know the only thing that I knew

1100

00:52:45,900 --> 00:52:43,240

about the San Luis Valley was

1101
00:52:49,070 --> 00:52:45,910
Mississippi the horse mutilation case

1102
00:52:53,880 --> 00:52:49,080
which occurred way back in 67 in June or

1103
00:52:56,370 --> 00:52:53,890
September of 67 that I remember as a kid

1104
00:52:59,070 --> 00:52:56,380
when I was 10 seeing the Enquirer

1105
00:53:00,870 --> 00:52:59,080
headline of flying saucers killed my

1106
00:53:01,860 --> 00:53:00,880
horse and in the picture of sniffing

1107
00:53:03,870 --> 00:53:01,870
lying on the ground with the people

1108
00:53:05,490 --> 00:53:03,880
looking at it now I remember that

1109
00:53:08,340 --> 00:53:05,500
distinctly and I'd never actually been

1110
00:53:09,810 --> 00:53:08,350
to the valley but but I that's when I

1111
00:53:13,560 --> 00:53:09,820
first found out about it all the way

1112
00:53:15,030 --> 00:53:13,570
back when I was 10 year old and and when

1113
00:53:16,530 --> 00:53:15,040

I moved there that wasn't why I moved

1114

00:53:18,000 --> 00:53:16,540

there I thought about all that stuff was

1115

00:53:19,560 --> 00:53:18,010

ancient history that nothing was still

1116

00:53:24,810 --> 00:53:19,570

going on so for the first couple of

1117

00:53:26,880 --> 00:53:24,820

years 8990 I didn't really I asked a few

1118

00:53:28,620 --> 00:53:26,890

of the old-timers yes

1119

00:53:30,570 --> 00:53:28,630

you know they anything was going on they

1120

00:53:32,850 --> 00:53:30,580

looked at me like I had two heads so I

1121

00:53:35,190 --> 00:53:32,860

figured pretty you know pretty early on

1122

00:53:37,620 --> 00:53:35,200

just to keep quiet about it but then

1123

00:53:39,450 --> 00:53:37,630

things started happening I started

1124

00:53:42,660 --> 00:53:39,460

seeing things friends of mine started

1125

00:53:44,340 --> 00:53:42,670

seeing things I have started to you know

1126
00:53:46,050 --> 00:53:44,350
once I got to know people they would

1127
00:53:50,220 --> 00:53:46,060
open up and say well you know I have

1128
00:53:53,970 --> 00:53:50,230
seen a few things and so by 1991 then I

1129
00:53:56,550 --> 00:53:53,980
I was trying to pick up my ears and

1130
00:53:58,830 --> 00:53:56,560
take notice you know in go out and check

1131
00:54:01,020 --> 00:53:58,840
places out I saw a landing swirled

1132
00:54:03,780 --> 00:54:01,030
landing circle out of you know the

1133
00:54:06,720 --> 00:54:03,790
mineral Hot Springs with big swirled

1134
00:54:11,400 --> 00:54:06,730
down area and glass from a landing the

1135
00:54:13,380 --> 00:54:11,410
night before so I was pretty I had my

1136
00:54:15,810 --> 00:54:13,390
eyes open and ears open and then by

1137
00:54:18,240 --> 00:54:15,820
ninety-two then it really started to

1138
00:54:20,730 --> 00:54:18,250

pick up and then I that's when I when I

1139

00:54:22,650 --> 00:54:20,740

really started getting involved there's

1140

00:54:23,849 --> 00:54:22,660

whole time as I possibly could I put

1141

00:54:26,840 --> 00:54:23,859

three hundred thousand miles on my

1142

00:54:30,510 --> 00:54:26,850

little truck yarn but six seven years

1143

00:54:33,270 --> 00:54:30,520

the the night time sightings are one

1144

00:54:35,609 --> 00:54:33,280

thing but it's the daytime stuff when

1145

00:54:42,960 --> 00:54:35,619

that happened in my opinion that's the

1146

00:54:44,520 --> 00:54:42,970

Holy Grail what do you think excuse me

1147

00:54:48,770 --> 00:54:44,530

people say you know I don't you have

1148

00:54:51,780 --> 00:54:48,780

night vision you know I have clear and

1149

00:54:53,670 --> 00:54:51,790

the reason is because we really want the

1150

00:54:56,040 --> 00:54:53,680

daylight stuff that's where you get all

1151

00:54:58,680 --> 00:54:56,050

your scientific information the

1152

00:55:00,690 --> 00:54:58,690

nighttime stuff can be dramatic we do

1153

00:55:03,690 --> 00:55:00,700

have cameras and go down to point zero

1154

00:55:05,099 --> 00:55:03,700

zero one luck so you know are any sort

1155

00:55:08,609 --> 00:55:05,109

of moon lights gonna give us a pretty

1156

00:55:12,530 --> 00:55:08,619

pretty nice image for a nighttime it's

1157

00:55:15,750 --> 00:55:12,540

very very efficient I like gathering but

1158

00:55:18,230 --> 00:55:15,760

it's the it's the daytime sightings that

1159

00:55:20,480 --> 00:55:18,240

are really key because you're able to

1160

00:55:23,490 --> 00:55:20,490

really learn a lot more information

1161

00:55:26,070 --> 00:55:23,500

about about an object when it's lying

1162

00:55:29,480 --> 00:55:26,080

around if you have a good optical zoom

1163

00:55:32,070 --> 00:55:29,490

and you have different camera positions

1164

00:55:33,810 --> 00:55:32,080

in that combined with with the

1165

00:55:36,240 --> 00:55:33,820

magnetometer the graviton where the

1166

00:55:39,349 --> 00:55:36,250

ammeters and the you know the acoustic

1167

00:55:41,310 --> 00:55:39,359

recording there's some real interesting

1168

00:55:46,130 --> 00:55:41,320

recordings that have been made over the

1169

00:55:50,070 --> 00:55:46,140

years of UFO sounds you know the low

1170

00:55:52,620 --> 00:55:50,080

fifteen to twenty cycle sounds up to

1171

00:55:55,920 --> 00:55:52,630

about forty to forty five cycles in that

1172

00:55:59,790 --> 00:55:55,930

range there's a lot of scientific

1173

00:56:01,800 --> 00:55:59,800

information that can be gleaned when

1174

00:56:03,750 --> 00:56:01,810

these things do right angle turn to when

1175

00:56:07,340 --> 00:56:03,760

they reverse direction for instance

1176

00:56:09,440 --> 00:56:07,350

there is a very powerful low

1177

00:56:12,020 --> 00:56:09,450

frequency extremely low-frequency sound

1178

00:56:13,490 --> 00:56:12,030

wave that's produced and if we can get

1179

00:56:17,450 --> 00:56:13,500

good recordings of that that's gonna

1180

00:56:22,370 --> 00:56:17,460

that's gonna give us a whole dis just

1181

00:56:25,100 --> 00:56:22,380

like a candy box full of data so this is

1182

00:56:28,630 --> 00:56:25,110

really exciting the level of Technology

1183

00:56:31,400 --> 00:56:28,640

the cost of equipment and you know the

1184

00:56:33,470 --> 00:56:31,410

now the Internet is going out into these

1185

00:56:35,960 --> 00:56:33,480

rural areas where sightings tend to

1186

00:56:38,090 --> 00:56:35,970

happen more frequently and once you get

1187

00:56:40,190 --> 00:56:38,100

those combinations of facts you got a

1188

00:56:43,550 --> 00:56:40,200

perfect storm to to go ahead and create

1189

00:56:46,420 --> 00:56:43,560

low-cost monitoring systems that can be

1190

00:56:49,760 --> 00:56:46,430

placed very efficiently and easily

1191

00:56:53,660 --> 00:56:49,770

anywhere in the world we're doing this

1192

00:56:57,290 --> 00:56:53,670

now as a boiler plate because if you go

1193

00:56:59,030 --> 00:56:57,300

to you fo Daffy dot-com you'll notice

1194

00:57:00,380 --> 00:56:59,040

when as soon as the site's up in about a

1195

00:57:02,930 --> 00:57:00,390

week you'll notice that we'll have

1196

00:57:05,140 --> 00:57:02,940

packages that you can actually buy that

1197

00:57:07,340 --> 00:57:05,150

are extremely low costs that are just

1198

00:57:10,430 --> 00:57:07,350

we're keeping the price down Smith

1199

00:57:12,950 --> 00:57:10,440

absolutely as long as we could go so

1200

00:57:15,530 --> 00:57:12,960

that we can get some of these systems

1201
00:57:18,200 --> 00:57:15,540
set up in other hotspot areas ultimately

1202
00:57:21,350 --> 00:57:18,210
our goal is to have a whole web of these

1203
00:57:25,760 --> 00:57:21,360
things around the planet all gathering

1204
00:57:26,960 --> 00:57:25,770
data and and you know we're really you

1205
00:57:28,940 --> 00:57:26,970
know hopefully we're going to get to a

1206
00:57:32,510 --> 00:57:28,950
point where the data overwhelms the

1207
00:57:34,910 --> 00:57:32,520
mystery you're right about that and

1208
00:57:38,240 --> 00:57:34,920
there's a couple we all know about

1209
00:57:42,770 --> 00:57:38,250
Joshua Tree right we know about Issa T

1210
00:57:46,070 --> 00:57:42,780
ranch skinwalker but there are sedona

1211
00:57:46,900 --> 00:57:46,080
right there are places that I can't

1212
00:57:50,600 --> 00:57:46,910
explain

1213
00:57:53,330 --> 00:57:50,610

Shasta that I visited where it is

1214

00:57:53,750 --> 00:57:53,340

absolutely out of control every single

1215

00:57:57,140 --> 00:57:53,760

night

1216

00:58:00,320 --> 00:57:57,150

I don't here in Los Angeles I've got

1217

00:58:02,570 --> 00:58:00,330

great night vision I can go out with all

1218

00:58:04,580 --> 00:58:02,580

this light pollution here and I can

1219

00:58:07,130 --> 00:58:04,590

still see a couple of things per night

1220

00:58:10,340 --> 00:58:07,140

that I can't explain but there are other

1221

00:58:12,530 --> 00:58:10,350

places where it's off the hook and there

1222

00:58:16,070 --> 00:58:12,540

is something going on and your solution

1223

00:58:18,890 --> 00:58:16,080

is very very inexpensive I'm just

1224

00:58:20,530 --> 00:58:18,900

shocked I'm shocked I'm shocked let's uh

1225

00:58:23,950 --> 00:58:20,540

let's take a break now

1226
00:58:25,870 --> 00:58:23,960
people still donate by the way sure yeah

1227
00:58:27,700 --> 00:58:25,880
we still have our GoFundMe project up

1228
00:58:30,190 --> 00:58:27,710
we're going to go back in the spring and

1229
00:58:33,010 --> 00:58:30,200
put the other two cameras up and the

1230
00:58:36,310 --> 00:58:33,020
multi of the multi instrumented packages

1231
00:58:39,310 --> 00:58:36,320
EMS da u the gravity meter the

1232
00:58:41,890 --> 00:58:39,320
magnetometer but take a break right here

1233
00:58:43,720 --> 00:58:41,900
our guest tonight is Christopher O'Brien

1234
00:58:44,260 --> 00:58:43,730
I do want to remind everybody tomorrow

1235
00:58:47,170 --> 00:58:44,270
night Johnny

1236
00:58:49,180 --> 00:58:47,180
Enoch is gonna be here and on Wednesday

1237
00:58:51,190 --> 00:58:49,190
nights that's right

1238
00:58:53,290 --> 00:58:51,200

Patrick wood is back I had am on coast

1239

00:58:55,300 --> 00:58:53,300

to coast last night bringing him back

1240

00:58:57,340 --> 00:58:55,310

for fade to black on Wednesday night

1241

00:58:59,110 --> 00:58:57,350

Thursday night's gonna be stay tonight

1242

00:59:00,250 --> 00:58:59,120

open lines all night long this is fade

1243

00:59:02,710 --> 00:59:00,260

to black how many O's to meet yours

1244

00:59:04,360 --> 00:59:02,720

tonight Christopher O'Brien will pick it

1245

00:59:06,500 --> 00:59:04,370

up while we're leaving off right after

1246

00:59:21,359 --> 00:59:06,510

this short break stay with us

1247

00:59:25,359 --> 00:59:23,440

this is fade to black

1248

00:59:29,050 --> 00:59:25,369

with Jimmy Church on the game changer

1249

00:59:33,490 --> 00:59:29,060

radio network and kgr a the global radio

1250

00:59:36,400 --> 00:59:33,500

alliance this is kg are a digital

1251
00:59:40,150 --> 00:59:36,410
broadcasting station Salt Lake City Utah

1252
00:59:42,160 --> 00:59:40,160
Van Buren Arkansas folks this is very

1253
00:59:46,210 --> 00:59:42,170
important information what's to be said

1254
00:59:52,359 --> 00:59:46,220
about CBD ancient live oil calm our CBD

1255
00:59:55,359 --> 00:59:52,369
is made from hemp and has 0.0 0.1

1256
00:59:58,210 --> 00:59:55,369
you high no matter what amount you take

1257
01:00:01,150 --> 00:59:58,220
what a CBD do for the body my hands are

1258
01:00:03,430 --> 01:00:01,160
tied but you can Google CBD benefits and

1259
01:00:05,740 --> 01:00:03,440
be astounded when you're finished

1260
01:00:08,050 --> 01:00:05,750
reading you'll want to log on to ancient

1261
01:00:11,050 --> 01:00:08,060
life oil com that's ancient life oil

1262
01:00:13,089 --> 01:00:11,060
calm and purchase life is good when you

1263
01:00:15,160 --> 01:00:13,099

feel good people are tired of pain

1264

01:00:18,070 --> 01:00:15,170

people are asking for non-gmo organic

1265

01:00:20,740 --> 01:00:18,080

products to help them with you fill in

1266

01:00:22,990 --> 01:00:20,750

the blank legal in 49 states and again

1267

01:00:25,810 --> 01:00:23,000

our CBD is made from hemp ancient life

1268

01:00:26,589 --> 01:00:25,820

oil is about helping people one by one

1269

01:00:28,210 --> 01:00:26,599

by one

1270

01:00:31,599 --> 01:00:28,220

if you wonder how good the product is

1271

01:00:34,060 --> 01:00:31,609

the CEO takes it every day without miss

1272

01:00:43,599 --> 01:00:34,070

ancient life oil calm that's ancient

1273

01:00:48,109 --> 01:00:46,250

hi this is race Hobbs here reppin the

1274

01:00:51,109 --> 01:00:48,119

planet and you're listening to my good

1275

01:00:53,630 --> 01:00:51,119

friend Jimmy Church fade to black

1276

01:00:58,220 --> 01:00:53,640

on the game changer network and the kgr

1277

01:01:00,380 --> 01:00:58,230

a digital broadcast station this is Toby

1278

01:01:21,620 --> 01:01:00,390

Keibell you're listening to Jimmy Church

1279

01:01:24,410 --> 01:01:21,630

radio.com reclaim your active lifestyle

1280

01:01:26,450 --> 01:01:24,420

with NGO Prem angiogram is the original

1281

01:01:28,520 --> 01:01:26,460

liquid oral chelation supplement

1282

01:01:30,680 --> 01:01:28,530

chelation helps remove toxins heavy

1283

01:01:32,230 --> 01:01:30,690

metals and cholesterol in your veins and

1284

01:01:34,339 --> 01:01:32,240

arteries that can cause blockages

1285

01:01:36,200 --> 01:01:34,349

scientific research proves the active

1286

01:01:38,329 --> 01:01:36,210

ingredient in angio primp has superior

1287

01:01:40,849 --> 01:01:38,339

oral chelation action that helps promote

1288

01:01:42,950 --> 01:01:40,859

cardiovascular health find out more go

1289

01:01:45,079 --> 01:01:42,960

to NGO trim comm talk to a trained

1290

01:01:47,900 --> 01:01:45,089

consultant by calling angio primm toll

1291

01:01:51,289 --> 01:01:47,910

free eight seven seven eight eight 272

1292

01:01:53,480 --> 01:01:51,299

21 this is Jimmy Church of fade to black

1293

01:01:55,400 --> 01:01:53,490

and you can become an official fade or

1294

01:01:59,599 --> 01:01:55,410

not by just going to our membership

1295

01:02:01,549 --> 01:01:59,609

section at Jimmy Church radio.com hey

1296

01:02:03,920 --> 01:02:01,559

it's grace can we talk about something

1297

01:02:05,539 --> 01:02:03,930

serious for a minute your age getting

1298

01:02:07,579 --> 01:02:05,549

old has its perks

1299

01:02:10,039 --> 01:02:07,589

but remember being a few years younger

1300

01:02:12,140 --> 01:02:10,049

you know your hair was thicker you

1301
01:02:13,910 --> 01:02:12,150
didn't have so many wrinkles that extra

1302
01:02:16,099 --> 01:02:13,920
weight wasn't haunting you and you just

1303
01:02:18,589 --> 01:02:16,109
felt better well we can't turn back the

1304
01:02:21,079 --> 01:02:18,599
clocks and go back 10 or 15 years but

1305
01:02:24,020 --> 01:02:21,089
you can start feeling and looking 10 or

1306
01:02:25,910 --> 01:02:24,030
15 years younger with nature's youth RSF

1307
01:02:27,440 --> 01:02:25,920
it's a doctor formulated daily

1308
01:02:29,569 --> 01:02:27,450
supplement that helps your body maintain

1309
01:02:32,329 --> 01:02:29,579
its peak performance and fight the aging

1310
01:02:33,950 --> 01:02:32,339
process imagine sleeping better looking

1311
01:02:36,349 --> 01:02:33,960
better and feeling better

1312
01:02:38,270 --> 01:02:36,359
see how Nature's youth RSF has helped

1313
01:02:40,940 --> 01:02:38,280

thousands of people just like you at

1314

01:02:43,099 --> 01:02:40,950

nature's youth calm nature's youth calm

1315

01:02:44,630 --> 01:02:43,109

imagine how old feel when your family

1316

01:02:46,789 --> 01:02:44,640

and friends are asking you what you did

1317

01:02:49,370 --> 01:02:46,799

to look so good your secret will be

1318

01:02:51,620 --> 01:02:49,380

nature's youth RSF it's time to start

1319

01:02:53,750 --> 01:02:51,630

looking better and feeling better learn

1320

01:02:55,970 --> 01:02:53,760

more in order your nature's use RSS at

1321

01:02:56,930 --> 01:02:55,980

nature's youth calm that's nature's

1322

01:03:02,900 --> 01:02:56,940

youth

1323

01:03:05,300 --> 01:03:02,910

Serena right Kayla from conscious life

1324

01:03:07,400 --> 01:03:05,310

Expo and you're listening to fade to

1325

01:03:09,170 --> 01:03:07,410

black with Jimmy Church who holds the

1326

01:03:14,300 --> 01:03:09,180

lucky pony record for the best

1327

01:03:16,340 --> 01:03:14,310

astrological chart since 1963 true story

1328

01:03:18,020 --> 01:03:16,350

this is Micah Hanks of the graylien

1329

01:03:20,360 --> 01:03:18,030

report and you're listening to Jimmy

1330

01:03:22,190 --> 01:03:20,370

church on fade to black across the globe

1331

01:03:25,650 --> 01:03:22,200

on the game-changer radio network and

1332

01:03:29,630 --> 01:03:25,660

the one and only kgr a radio the planet

1333

01:03:29,940 --> 01:03:29,640

[Music]

1334

01:03:41,030 --> 01:03:29,950

[Applause]

1335

01:03:47,030 --> 01:03:45,290

[Music]

1336

01:03:50,900 --> 01:03:47,040

all right welcome back fade to black

1337

01:03:54,260 --> 01:03:50,910

come here super Church it's Monday

1338

01:03:57,350 --> 01:03:54,270

start of another week here we go tonight

1339

01:03:59,150 --> 01:03:57,360

Christopher O'Brien is here and doing

1340

01:04:01,930 --> 01:03:59,160

this for a very very long time I'm a

1341

01:04:04,730 --> 01:04:01,940

rookie Rookie

1342

01:04:06,350 --> 01:04:04,740

Chris I'm a rookie you look you probably

1343

01:04:08,600 --> 01:04:06,360

look at me got Church man you've got so

1344

01:04:09,350 --> 01:04:08,610

much to learn you need to come and hang

1345

01:04:11,360 --> 01:04:09,360

out with me

1346

01:04:14,360 --> 01:04:11,370

but you've been doing this for a long

1347

01:04:16,400 --> 01:04:14,370

long time and I wanted to share I wanted

1348

01:04:19,670 --> 01:04:16,410

to share this with you

1349

01:04:22,010 --> 01:04:19,680

we're up at ISA D now out of everything

1350

01:04:24,290 --> 01:04:22,020

I've got night vision and I got I do my

1351

01:04:27,140 --> 01:04:24,300

thing and you've done it we've all seen

1352

01:04:30,770 --> 01:04:27,150

stuff right but check this out this is

1353

01:04:32,450 --> 01:04:30,780

the one thing out of everything that

1354

01:04:35,690 --> 01:04:32,460

I've ever seen is is the absolute

1355

01:04:38,090 --> 01:04:35,700

nuttiest and thank goodness I had

1356

01:04:39,440 --> 01:04:38,100

witnesses we're up at ESET e in the

1357

01:04:43,450 --> 01:04:39,450

middle of the day it's like 3 o'clock in

1358

01:04:47,600 --> 01:04:43,460

the afternoon and I've got my ginormous

1359

01:04:49,430 --> 01:04:47,610

celestron binoculars on on a tripod on a

1360

01:04:52,070 --> 01:04:49,440

picnic table right and I'm just sitting

1361

01:04:55,160 --> 01:04:52,080

there looking at Mount Adams you know

1362

01:04:57,650 --> 01:04:55,170

zooming in and enjoying nature I'm in

1363

01:04:59,960 --> 01:04:57,660

the moment right and sitting next to me

1364

01:05:01,460 --> 01:04:59,970

is Steve Murillo right and you know

1365

01:05:04,040 --> 01:05:01,470

Steve and he's sitting next to me and

1366

01:05:06,200 --> 01:05:04,050

there's probably I don't know 5 or 10

1367

01:05:08,210 --> 01:05:06,210

people sitting to my left on the picnic

1368

01:05:10,700 --> 01:05:08,220

tables and there's people running around

1369

01:05:14,030 --> 01:05:10,710

hi anyway so I'm looking at the top of

1370

01:05:15,560 --> 01:05:14,040

Mount Adams and I'm looking at the rocks

1371

01:05:17,180 --> 01:05:15,570

and looking at the trees looking at the

1372

01:05:19,250 --> 01:05:17,190

birds and just kind of getting things

1373

01:05:22,550 --> 01:05:19,260

into focus and I'm doing this for about

1374

01:05:24,770 --> 01:05:22,560

10 or 15 minutes and at the top of the

1375

01:05:26,720 --> 01:05:24,780

mountain which is a peak and you've seen

1376

01:05:30,020 --> 01:05:26,730

Mount Adams enough you know how it is

1377

01:05:33,650 --> 01:05:30,030

and so I've got it in view and this is

1378

01:05:37,520 --> 01:05:33,660

what happens Chris on all that I love at

1379

01:05:42,560 --> 01:05:37,530

that moment and I'm in the Zen state

1380

01:05:45,830 --> 01:05:42,570

right calm birds butterflies right at

1381

01:05:51,640 --> 01:05:45,840

that instant from behind the peak of

1382

01:05:57,770 --> 01:05:51,650

Mount Adams pops up in in perfect focus

1383

01:05:58,820 --> 01:05:57,780

imagine a black beer can 200 feet tall

1384

01:06:03,050 --> 01:05:58,830

300

1385

01:06:06,800 --> 01:06:03,060

feet tall vertical black beer can with a

1386

01:06:10,580 --> 01:06:06,810

silver logo on it in the middle spinning

1387

01:06:13,160 --> 01:06:10,590

and it's moving from left to right and

1388

01:06:16,240 --> 01:06:13,170

it pops up behind the mountain and it's

1389

01:06:20,960 --> 01:06:16,250

it's the mountain is 14 miles away and

1390

01:06:23,480 --> 01:06:20,970

the peak is so this thing is huge

1391

01:06:28,070 --> 01:06:23,490

it's beyond description and it's

1392

01:06:31,160 --> 01:06:28,080

perfectly in focus and and it's spinning

1393

01:06:34,010 --> 01:06:31,170

slowly and you can see this round silver

1394

01:06:38,240 --> 01:06:34,020

spot in the middle turning with it and

1395

01:06:42,140 --> 01:06:38,250

and I freaked I freaked

1396

01:06:44,200 --> 01:06:42,150

I jump up and I'm yelling video video

1397

01:06:45,920 --> 01:06:44,210

video shoot shoot camera cam everybody I

1398

01:06:49,880 --> 01:06:45,930

lose my mind

1399

01:06:51,890 --> 01:06:49,890

and I and I come back and as I come back

1400

01:06:54,260 --> 01:06:51,900

to sit down

1401

01:06:56,270 --> 01:06:54,270

this is like 10 seconds later Steve

1402

01:06:58,400 --> 01:06:56,280

Marilla goes I see it man and he's got

1403

01:07:00,230 --> 01:06:58,410

naked eye it's black with the silver

1404

01:07:02,660 --> 01:07:00,240

thing and it's spinning I said yeah I

1405

01:07:04,580 --> 01:07:02,670

jump back out my binoculars and I look

1406

01:07:08,120 --> 01:07:04,590

and there it is and it's moving and I'm

1407

01:07:11,450 --> 01:07:08,130

thinking at that moment

1408

01:07:13,940 --> 01:07:11,460

that we have clear blue sky going to the

1409

01:07:16,040 --> 01:07:13,950

east for miles right so we're gonna

1410

01:07:19,220 --> 01:07:16,050

watch this thing for a while we're gonna

1411

01:07:21,380 --> 01:07:19,230

get video in there and I pull off my

1412

01:07:25,850 --> 01:07:21,390

binoculars and look at it with my naked

1413

01:07:29,030 --> 01:07:25,860

eye there it is and I come back to the

1414

01:07:31,850 --> 01:07:29,040

binoculars and I try to move it you know

1415

01:07:34,460 --> 01:07:31,860

to catch back up to and it's gone and I

1416

01:07:39,800 --> 01:07:34,470

go back and I look with the naked eye it

1417

01:07:42,530 --> 01:07:39,810

disappeared it lasted for about 20

1418

01:07:45,230 --> 01:07:42,540

seconds 15 seconds I had enough time to

1419

01:07:45,740 --> 01:07:45,240

jump up yell and scream come back sit

1420

01:07:48,560 --> 01:07:45,750

down

1421

01:07:52,840 --> 01:07:48,570

look talk boom get back up and it was

1422

01:07:56,090 --> 01:07:52,850

gone and daylight and now it just

1423

01:07:58,790 --> 01:07:56,100

imagine and which you are right now what

1424

01:08:03,050 --> 01:07:58,800

I saw as I described it to you in the

1425

01:08:05,270 --> 01:08:03,060

middle of the day now that I I can't I I

1426

01:08:08,570 --> 01:08:05,280

you know and it was like the holy grail

1427

01:08:11,390 --> 01:08:08,580

of sightings didn't get it on video it

1428

01:08:13,970 --> 01:08:11,400

happened too quick I reacted the

1429

01:08:15,380 --> 01:08:13,980

I did and I didn't do the normal things

1430

01:08:16,789 --> 01:08:15,390

I should have grabbed my cell phone I

1431

01:08:23,510 --> 01:08:16,799

should have videotaped I should have

1432

01:08:25,970 --> 01:08:23,520

done everything myself everybody's that

1433

01:08:26,749 --> 01:08:25,980

you you're something happens to the

1434

01:08:29,689 --> 01:08:26,759

human mind

1435

01:08:31,459 --> 01:08:29,699

oftentimes people you know in the

1436

01:08:34,130 --> 01:08:31,469

interviewing people for so many years

1437

01:08:37,780 --> 01:08:34,140

and so many somebody just hundreds of

1438

01:08:39,740 --> 01:08:37,790

witnesses you get a very consistent

1439

01:08:42,380 --> 01:08:39,750

version that people are mesmerized

1440

01:08:44,450 --> 01:08:42,390

number one by what they see most often

1441

01:08:46,099 --> 01:08:44,460

people are so you don't want to move or

1442

01:08:48,229 --> 01:08:46,109

take their eyes off and for fear that

1443

01:08:49,760 --> 01:08:48,239

they'll they'll miss something and so

1444

01:08:54,640 --> 01:08:49,770

they forget to grab their camera they

1445

01:08:57,620 --> 01:08:54,650

forget to grab the video camera it just

1446

01:09:01,220 --> 01:08:57,630

so he does it's happened to me I know

1447

01:09:03,919 --> 01:09:01,230

that you know but it's funny you should

1448

01:09:05,899 --> 01:09:03,929

mention that Adam that's the next place

1449

01:09:08,570 --> 01:09:05,909

that we want to have a system and we're

1450

01:09:10,910 --> 01:09:08,580

working with some folks of watching that

1451

01:09:11,300 --> 01:09:10,920

watch and they move on to make that

1452

01:09:13,309 --> 01:09:11,310

happen

1453

01:09:15,439 --> 01:09:13,319

you want to know something it was on the

1454

01:09:18,590 --> 01:09:15,449

other side of Mount Adams wasn't it on

1455

01:09:21,340 --> 01:09:18,600

the east side when it came up we want to

1456

01:09:24,349 --> 01:09:21,350

get on the east side because right there

1457

01:09:27,140 --> 01:09:24,359

you know north of the Hanford nuclear

1458

01:09:29,809 --> 01:09:27,150

site you know on the edge the northwest

1459

01:09:32,419 --> 01:09:29,819

corner of the Yakima Indian Reservation

1460

01:09:35,120 --> 01:09:32,429

that is ground zero for the Mount Adams

1461

01:09:36,740 --> 01:09:35,130

area there's some amazing activity

1462

01:09:38,720 --> 01:09:36,750

that's been going on there for years and

1463

01:09:42,260 --> 01:09:38,730

it doesn't get reported outside of the

1464

01:09:44,630 --> 01:09:42,270

area the other side on Jamie James aside

1465

01:09:46,729 --> 01:09:44,640

at the seti side there's a lot of stuff

1466

01:09:49,640 --> 01:09:46,739

going on there's also conventional stuff

1467

01:09:50,120 --> 01:09:49,650

that's being misconstrued especially at

1468

01:09:52,189 --> 01:09:50,130

night

1469

01:09:54,169 --> 01:09:52,199

it's the east side of Mount Adams for

1470

01:09:57,189 --> 01:09:54,179

all the real major stuff and going on

1471

01:10:00,350 --> 01:09:57,199

all the way back into the original you

1472

01:10:02,149 --> 01:10:00,360

slap you know around the time of Kenneth

1473

01:10:04,580 --> 01:10:02,159

Arnold yeah that's right that's right

1474

01:10:09,410 --> 01:10:04,590

and that was all in this area you know

1475

01:10:11,870 --> 01:10:09,420

and I sit here and the the night vision

1476

01:10:14,720 --> 01:10:11,880

stuff which I enjoy doing so much right

1477

01:10:17,060 --> 01:10:14,730

and when you have something moving from

1478

01:10:19,729 --> 01:10:17,070

east to west and you know it's in a

1479

01:10:22,399 --> 01:10:19,739

satellite trajectory and it's consistent

1480

01:10:23,629 --> 01:10:22,409

okay I get that I get the ISS you know

1481

01:10:25,700 --> 01:10:23,639

flyovers and

1482

01:10:28,879 --> 01:10:25,710

and we can all deduce that but when

1483

01:10:32,899 --> 01:10:28,889

you've got stuff that is not that high

1484

01:10:34,850 --> 01:10:32,909

in the atmosphere that may not be you

1485

01:10:38,120 --> 01:10:34,860

know 200 miles out when you know stuff

1486

01:10:40,640 --> 01:10:38,130

is lower but going in a Northwest

1487

01:10:45,859 --> 01:10:40,650

trajectory or North the South Pole or

1488

01:10:48,620 --> 01:10:45,869

orbit that isn't you know a normal

1489

01:10:51,320 --> 01:10:48,630

satellite thing and then you have the

1490

01:10:55,100 --> 01:10:51,330

crazy movements that go on with that and

1491

01:10:57,080 --> 01:10:55,110

and some are fast some are slow you know

1492

01:10:58,640 --> 01:10:57,090

I I know it's a satellite when it's a

1493

01:11:00,200 --> 01:10:58,650

satellite and I still like to see it

1494

01:11:01,609 --> 01:11:00,210

because when you pull the night vision

1495

01:11:05,959 --> 01:11:01,619

when you can't see it with the naked eye

1496

01:11:09,020 --> 01:11:05,969

that's fun but up at ESET II there I

1497

01:11:11,870 --> 01:11:09,030

would say that half of the night and

1498

01:11:14,149 --> 01:11:11,880

this goes on you know in in crust own -

1499

01:11:16,850 --> 01:11:14,159

and this goes on and in Joshua Tree in

1500

01:11:21,260 --> 01:11:16,860

Sedona half of the stuff is naked eye

1501

01:11:23,750 --> 01:11:21,270

you know and that that is is a tough

1502

01:11:25,930 --> 01:11:23,760

thing to explain away you know and I I

1503

01:11:29,780 --> 01:11:25,940

just enjoy it

1504

01:11:32,270 --> 01:11:29,790

yeah and having lived in Sedona for 14

1505

01:11:35,899 --> 01:11:32,280

years and conducted quite a number of

1506

01:11:38,090 --> 01:11:35,909

UFO tours over the years I've seen some

1507

01:11:40,129 --> 01:11:38,100

pretty amazing stuff there as well and

1508

01:11:43,340 --> 01:11:40,139

that's also a very good spot for one of

1509

01:11:48,649 --> 01:11:43,350

these one of these UFO dab systems of it

1510

01:11:52,220 --> 01:11:48,659

now to Adam our car contract expert and

1511

01:11:54,379 --> 01:11:52,230

one of our astronomer kind of amateur

1512

01:11:57,260 --> 01:11:54,389

astronomer he's got a number of a really

1513

01:11:58,490 --> 01:11:57,270

really nice telescope Wayne Hollenbeck

1514

01:12:00,470 --> 01:11:58,500

who's he was kind of one of the

1515

01:12:02,930 --> 01:12:00,480

principal principals of the year for

1516

01:12:06,379 --> 01:12:02,940

that project he was up with Sansa Marsh

1517

01:12:08,149 --> 01:12:06,389

she used to used to be with la MUFON and

1518

01:12:11,390 --> 01:12:08,159

they're in her up at the Trout Lake area

1519

01:12:13,040 --> 01:12:11,400

and they videotaped deciding you know an

1520

01:12:15,140 --> 01:12:13,050

object that couldn't have been it was

1521

01:12:16,850 --> 01:12:15,150

less than a half a mile away they were

1522

01:12:17,959 --> 01:12:16,860

in a clearing of trees and this thing

1523

01:12:20,450 --> 01:12:17,969

went all the way around them and they

1524

01:12:22,430 --> 01:12:20,460

got great footage of this it wasn't you

1525

01:12:25,010 --> 01:12:22,440

know nocturnal it was a nighttime

1526
01:12:28,399 --> 01:12:25,020
sighting but there are a number number

1527
01:12:30,470 --> 01:12:28,409
of times during the during the filming

1528
01:12:32,600 --> 01:12:30,480
which is about 30 or 40 seconds if I

1529
01:12:34,820 --> 01:12:32,610
remember you can actually see the

1530
01:12:37,550 --> 01:12:34,830
structure yeah this thing did a full

1531
01:12:40,520 --> 01:12:37,560
circle around them and Wayne is never

1532
01:12:43,340 --> 01:12:40,530
that's why it took a lot to convince him

1533
01:12:45,650 --> 01:12:43,350
to concentrate on this and we first did

1534
01:12:47,660 --> 01:12:45,660
not go up them out Adam unfortunately we

1535
01:12:50,750 --> 01:12:47,670
cannot find a good spot up there with

1536
01:12:53,360 --> 01:12:50,760
hide no but high enough bandwidth for

1537
01:12:55,490 --> 01:12:53,370
the Internet but unfortunately in the

1538
01:12:59,140 --> 01:12:55,500

valley we finally got Internet in the

1539

01:13:01,520 --> 01:12:59,150

areas that we need it yeah there was a

1540

01:13:03,740 --> 01:13:01,530

not to dwell on this because I want to

1541

01:13:06,470 --> 01:13:03,750

get to a cattle mutilations but you're

1542

01:13:09,650 --> 01:13:06,480

right about that it's one thing to see a

1543

01:13:13,130 --> 01:13:09,660

light or plasma or an object it's

1544

01:13:15,950 --> 01:13:13,140

another thing to see structure and that

1545

01:13:19,550 --> 01:13:15,960

happened to us one time and we were

1546

01:13:22,790 --> 01:13:19,560

again this was not this year's is two

1547

01:13:27,860 --> 01:13:22,800

years ago up in he said he but Matt it

1548

01:13:31,070 --> 01:13:27,870

was a flying saucer and I couldn't

1549

01:13:33,770 --> 01:13:31,080

believe it it was low it was probably it

1550

01:13:36,650 --> 01:13:33,780

was that night but it was probably if I

1551
01:13:38,570 --> 01:13:36,660
was to guess I would say a mile you know

1552
01:13:42,230 --> 01:13:38,580
five thousand feet maybe a little higher

1553
01:13:44,210 --> 01:13:42,240
but it was it was it was a flying saucer

1554
01:13:46,370 --> 01:13:44,220
it was glowing but you could see the

1555
01:13:48,920 --> 01:13:46,380
shape you know you saw it when it

1556
01:13:50,990 --> 01:13:48,930
approached it was an oval and when it

1557
01:13:54,680 --> 01:13:51,000
flew overhead it was round as it flew

1558
01:13:57,410 --> 01:13:54,690
away it was flat and it changed colors a

1559
01:13:59,870 --> 01:13:57,420
couple of times but it was it was big it

1560
01:14:00,530 --> 01:13:59,880
was crazy that was that was really

1561
01:14:08,030 --> 01:14:00,540
really fun

1562
01:14:10,550 --> 01:14:08,040
and that was I can't explain it I can't

1563
01:14:12,740 --> 01:14:10,560

explain it well which goes to I want to

1564

01:14:17,360 --> 01:14:12,750

jump into a cattle mutilations a little

1565

01:14:18,710 --> 01:14:17,370

bit here the the investigations that you

1566

01:14:20,330 --> 01:14:18,720

have done over the years you know when

1567

01:14:22,040 --> 01:14:20,340

we talk about cattle mutilations

1568

01:14:23,660 --> 01:14:22,050

everybody wants to think about Linda

1569

01:14:25,220 --> 01:14:23,670

Moulton Howe and that's fine because

1570

01:14:27,590 --> 01:14:25,230

she's done you know she's kept her

1571

01:14:30,320 --> 01:14:27,600

finger on this for a very very long time

1572

01:14:34,760 --> 01:14:30,330

and has brought the awareness but you've

1573

01:14:38,090 --> 01:14:34,770

been doing it too as well and what are

1574

01:14:42,740 --> 01:14:38,100

that as you as here we are in 2018 going

1575

01:14:44,930 --> 01:14:42,750

into 2019 as you look back what what

1576

01:14:49,070 --> 01:14:44,940

conclusions have you come to now what

1577

01:14:51,560 --> 01:14:49,080

what who is doing this well it's really

1578

01:14:53,419 --> 01:14:51,570

complicated that's why when I

1579

01:14:56,450 --> 01:14:53,429

wrote stocking to heard which is really

1580

01:14:58,399 --> 01:14:56,460

the only complete objective

1581

01:15:00,680 --> 01:14:58,409

comprehensive overview and case history

1582

01:15:03,589 --> 01:15:00,690

of the cattle mutilation phenomenon and

1583

01:15:06,410 --> 01:15:03,599

I really only scratched the surface I

1584

01:15:08,180 --> 01:15:06,420

mentioned in probably about a thousand

1585

01:15:10,310 --> 01:15:08,190

cases in there and which represent about

1586

01:15:13,180 --> 01:15:10,320

one-tenth of the number of cases that

1587

01:15:16,549 --> 01:15:13,190

that have occurred just in North America

1588

01:15:18,470 --> 01:15:16,559

right now there's a whole bunch of cases

1589

01:15:21,560 --> 01:15:18,480

going on down in South America

1590

01:15:23,359 --> 01:15:21,570

that were me and my follow-up book was

1591

01:15:26,000 --> 01:15:23,369

going to be talking about so in South

1592

01:15:29,750 --> 01:15:26,010

America it's that's where the center of

1593

01:15:32,299 --> 01:15:29,760

this mystery has moved since about 2002

1594

01:15:33,830 --> 01:15:32,309

most of the cattle mutilation cases have

1595

01:15:37,600 --> 01:15:33,840

been occurring them you know south of

1596

01:15:42,439 --> 01:15:37,610

the equator and in Australia and in in

1597

01:15:45,709 --> 01:15:42,449

Argentina Peru Brazil Uruguay even as

1598

01:15:47,870 --> 01:15:45,719

far south as Patagonia I was talking

1599

01:15:50,810 --> 01:15:47,880

with my mentor and we were talking about

1600

01:15:54,250 --> 01:15:50,820

this book that came out then mizerock

1601
01:15:56,990 --> 01:15:54,260
and Chuck Zukowski spoke to the 37th row

1602
01:15:58,490 --> 01:15:57,000
and we're thinking to ourselves yeah but

1603
01:16:00,169 --> 01:15:58,500
you could draw a straight line anywhere

1604
01:16:02,899 --> 01:16:00,179
across North America and there's going

1605
01:16:05,990 --> 01:16:02,909
to be you know tons of interesting stuff

1606
01:16:08,000 --> 01:16:06,000
there and and I said you know I was

1607
01:16:11,000 --> 01:16:08,010
saying this to my friend David I said

1608
01:16:13,669 --> 01:16:11,010
you know what all the cases down in

1609
01:16:15,259 --> 01:16:13,679
Patagonia and he goes cases and pata go

1610
01:16:17,720 --> 01:16:15,269
yeah I've never heard of any down there

1611
01:16:19,129 --> 01:16:17,730
you and I said no he said well why did

1612
01:16:22,069 --> 01:16:19,139
you say that and I said what's as far

1613
01:16:24,410 --> 01:16:22,079

away as I could think of right the 37th

1614

01:16:25,879 --> 01:16:24,420

parallel and wouldn't you know it a week

1615

01:16:32,259 --> 01:16:25,889

later there was a whole outbreak of

1616

01:16:36,649 --> 01:16:32,269

cases and passed how to go and yeah wait

1617

01:16:38,779 --> 01:16:36,659

so what would who is it us is it them is

1618

01:16:41,330 --> 01:16:38,789

it a combination of both well what's

1619

01:16:43,549 --> 01:16:41,340

going on yeah it's a combination of both

1620

01:16:45,470 --> 01:16:43,559

I think at the very core of the mystery

1621

01:16:48,229 --> 01:16:45,480

you have something I strange there's

1622

01:16:50,680 --> 01:16:48,239

something either the other dimensional

1623

01:16:53,629 --> 01:16:50,690

off-planet something paranormal

1624

01:16:55,549 --> 01:16:53,639

something preternatural there is

1625

01:16:58,160 --> 01:16:55,559

something at the core of this high

1626

01:17:00,439 --> 01:16:58,170

strains that can't be you just can't be

1627

01:17:02,600 --> 01:17:00,449

explained by modern science I'm

1628

01:17:05,290 --> 01:17:02,610

absolutely convinced of it out of the

1629

01:17:08,709 --> 01:17:05,300

200 or so cases that I personal

1630

01:17:12,339 --> 01:17:08,719

investigated 40 of them I felt were done

1631

01:17:13,390 --> 01:17:12,349

were definitely mysterious and and done

1632

01:17:16,000 --> 01:17:13,400

with intelligence

1633

01:17:18,280 --> 01:17:16,010

there weren't scavengers the other 160

1634

01:17:20,859 --> 01:17:18,290

were probably scavenging

1635

01:17:24,339 --> 01:17:20,869

it's amazing what insects can do it's

1636

01:17:27,669 --> 01:17:24,349

amazing what birds can do but you know

1637

01:17:29,589 --> 01:17:27,679

maggot blooms can polish you know

1638

01:17:33,419 --> 01:17:29,599

incisional areas where they've torn the

1639

01:17:37,839 --> 01:17:33,429

flesh yet it's it's really complicated

1640

01:17:39,910 --> 01:17:37,849

but I think out of those 100 and 200

1641

01:17:42,189 --> 01:17:39,920

cases 40 of them were definitely done

1642

01:17:44,049 --> 01:17:42,199

with intelligence the majority of them

1643

01:17:46,780 --> 01:17:44,059

were done with a sharp cutting implement

1644

01:17:51,580 --> 01:17:46,790

like a scalpel and out of those eight

1645

01:17:54,520 --> 01:17:51,590

were really spooky eight were you just

1646

01:17:55,959 --> 01:17:54,530

couldn't explain them so there is I

1647

01:17:58,830 --> 01:17:55,969

think at the core they're they're pretty

1648

01:18:01,959 --> 01:17:58,840

rare but there are real high strange

1649

01:18:05,560 --> 01:18:01,969

cases the rest of them let's say the

1650

01:18:08,760 --> 01:18:05,570

other 32 out of the 40 we're done by I

1651
01:18:11,140 --> 01:18:08,770
think human agents are very skillful but

1652
01:18:13,419 --> 01:18:11,150
you know when you look at the rationale

1653
01:18:17,200 --> 01:18:13,429
for doing these cases the only thing

1654
01:18:19,450 --> 01:18:17,210
that makes sense to you know I think the

1655
01:18:22,629 --> 01:18:19,460
objective side of the investigating

1656
01:18:24,250 --> 01:18:22,639
community is that we receive some sort

1657
01:18:28,510 --> 01:18:24,260
of environmental monitoring there

1658
01:18:32,549 --> 01:18:28,520
they're using cows as test subjects to

1659
01:18:36,430 --> 01:18:32,559
look at what's going on in the residual

1660
01:18:38,709 --> 01:18:36,440
elements in the environment and we

1661
01:18:40,510 --> 01:18:38,719
should expect that I want to jump in I'm

1662
01:18:44,410 --> 01:18:40,520
looking at the clock here and we should

1663
01:18:47,530 --> 01:18:44,420

expect that but the eight cases that you

1664

01:18:49,089 --> 01:18:47,540

just said were high strangeness let's

1665

01:18:51,790 --> 01:18:49,099

talk about those for a second were these

1666

01:18:55,450 --> 01:18:51,800

eight cases that you investigated

1667

01:18:57,879 --> 01:18:55,460

personally and you saw okay now when you

1668

01:19:05,350 --> 01:18:57,889

say what makes it high strangeness for

1669

01:19:10,419 --> 01:19:05,360

you described as the deltoid calf that

1670

01:19:13,569 --> 01:19:10,429

happened in May of 97 this was I mean

1671

01:19:16,479 --> 01:19:13,579

the calf was was only a couple months

1672

01:19:19,180 --> 01:19:16,489

old not even six weeks old it had been

1673

01:19:21,189 --> 01:19:19,190

targeted in a field

1674

01:19:23,650 --> 01:19:21,199

that had just gotten five inches of

1675

01:19:26,200 --> 01:19:23,660

fresh snow the front leg was gone

1676

01:19:30,850 --> 01:19:26,210

missing the ribcage was gone the lungs

1677

01:19:34,060 --> 01:19:30,860

were gone the the intestines the stomach

1678

01:19:37,060 --> 01:19:34,070

you know the needle or the lower organs

1679

01:19:40,360 --> 01:19:37,070

were gone except for the liver and heart

1680

01:19:42,300 --> 01:19:40,370

which were expertly excised and then

1681

01:19:45,130 --> 01:19:42,310

laid very carefully in the body cavity

1682

01:19:47,470 --> 01:19:45,140

there was one drop of blood on the rear

1683

01:19:49,630 --> 01:19:47,480

left hook the animal was missing his

1684

01:19:52,630 --> 01:19:49,640

brain with no break break into the

1685

01:19:55,240 --> 01:19:52,640

cranium the brain case was dry and there

1686

01:19:58,120 --> 01:19:55,250

was not one piece of dura the film that

1687

01:20:00,700 --> 01:19:58,130

goes around the the the the brain case

1688

01:20:03,310 --> 01:20:00,710

the brain inside the brain case the

1689

01:20:09,040 --> 01:20:03,320

animal wouldn't lot it had kind of a

1690

01:20:12,010 --> 01:20:09,050

strange very faint but but the molecules

1691

01:20:18,100 --> 01:20:12,020

that were there was very strong a faint

1692

01:20:21,459 --> 01:20:18,110

kind of medicinal incense perfumey but

1693

01:20:25,630 --> 01:20:21,469

but but kind of like some sort of

1694

01:20:27,840 --> 01:20:25,640

disinfectant smell and strange lights

1695

01:20:30,660 --> 01:20:27,850

were reported by two separate witnesses

1696

01:20:33,820 --> 01:20:30,670

that night to the sheriff's office

1697

01:20:36,670 --> 01:20:33,830

unbeknownst to each other and like I

1698

01:20:39,100 --> 01:20:36,680

said whether the the rancher dragged it

1699

01:20:42,250 --> 01:20:39,110

into his garage which was heated and I

1700

01:20:45,880 --> 01:20:42,260

came back two weeks later ten days later

1701

01:20:46,810 --> 01:20:45,890

I think and the animal was in the exact

1702

01:20:50,020 --> 01:20:46,820

condition

1703

01:20:54,310 --> 01:20:50,030

it did not rot it had [\h__\h] and

1704

01:20:58,180 --> 01:20:54,320

necrosis he explained that and in the

1705

01:21:00,189 --> 01:20:58,190

the spine had been jerked out in an

1706

01:21:02,260 --> 01:21:00,199

upwards manner we could tell by the way

1707

01:21:06,070 --> 01:21:02,270

the last remaining disk them at the hip

1708

01:21:07,990 --> 01:21:06,080

and it just the disk below the skull it

1709

01:21:09,820 --> 01:21:08,000

was broken in an upwards manner which

1710

01:21:13,660 --> 01:21:09,830

was impossible because the hide was

1711

01:21:16,630 --> 01:21:13,670

there so in perfect perfect incisions I

1712

01:21:17,550 --> 01:21:16,640

mean long stretches of cut hair

1713

01:21:21,070 --> 01:21:17,560

follicles

1714

01:21:23,530 --> 01:21:21,080

it was very spooky that's the only one

1715

01:21:25,660 --> 01:21:23,540

that really kind of made me keep the

1716

01:21:28,720 --> 01:21:25,670

light on little extra long at night well

1717

01:21:30,830 --> 01:21:28,730

you know and hearing you and furred

1718

01:21:36,050 --> 01:21:30,840

nobody that's met you

1719

01:21:39,920 --> 01:21:36,060

you you're not you're not a small guy

1720

01:21:42,620 --> 01:21:39,930

you're not you you're you're a manly man

1721

01:21:47,030 --> 01:21:42,630

right if you know what I've tried to

1722

01:21:51,290 --> 01:21:47,040

take and that's what I'm trying that's

1723

01:21:55,610 --> 01:21:51,300

where I'm going and so I don't design

1724

01:21:59,120 --> 01:21:55,620

the t-shirt factory yes yes yes yes

1725

01:22:01,990 --> 01:21:59,130

so what that that affected you and I'm

1726
01:22:05,210 --> 01:22:02,000
hearing you describe this right now and

1727
01:22:06,830 --> 01:22:05,220
I can't imagine I have never seen

1728
01:22:09,130 --> 01:22:06,840
anything like that you know and I've

1729
01:22:11,630 --> 01:22:09,140
asked Linda about this too that

1730
01:22:15,500 --> 01:22:11,640
emotionally you have to be affected when

1731
01:22:17,090 --> 01:22:15,510
you see this kind of stuff yeah yeah and

1732
01:22:19,100 --> 01:22:17,100
that's one of the reasons why I moved

1733
01:22:22,250 --> 01:22:19,110
from Colorado to Arizona because there

1734
01:22:24,890 --> 01:22:22,260
are very very few cases reported this my

1735
01:22:30,640 --> 01:22:24,900
least favorite thing to do I really oh

1736
01:22:33,320 --> 01:22:30,650
man it is it is the hardest thing is

1737
01:22:35,330 --> 01:22:33,330
trying to be there for the rancher look

1738
01:22:36,740 --> 01:22:35,340

in his family I mean you think it's

1739

01:22:38,990 --> 01:22:36,750

freaky for someone coming from the

1740

01:22:41,840 --> 01:22:39,000

outside trying to you know investigate a

1741

01:22:43,310 --> 01:22:41,850

case I'm not up at your cow and yeah and

1742

01:22:45,080 --> 01:22:43,320

you're worried about you know if they

1743

01:22:47,870 --> 01:22:45,090

could do this to my cow and my dog

1744

01:22:48,380 --> 01:22:47,880

didn't even bark and my dogs barked at

1745

01:22:50,720 --> 01:22:48,390

everything

1746

01:22:52,790 --> 01:22:50,730

hey then how the hell am I gonna protect

1747

01:22:54,350 --> 01:22:52,800

my family against something like this I

1748

01:22:56,000 --> 01:22:54,360

had a case where it was left on their

1749

01:22:56,780 --> 01:22:56,010

own it's literally right in this front

1750

01:22:58,850 --> 01:22:56,790

door

1751

01:23:02,750 --> 01:22:58,860

I had another case and they you want to

1752

01:23:04,910 --> 01:23:02,760

hear a freaky one mmm nickname for these

1753

01:23:06,890 --> 01:23:04,920

things we call him mute for short you

1754

01:23:09,320 --> 01:23:06,900

know mute like is this my favorite

1755

01:23:13,640 --> 01:23:09,330

button on the on the TV is the meed

1756

01:23:15,350 --> 01:23:13,650

button go check it out I got a call from

1757

01:23:17,000 --> 01:23:15,360

an investigator she's like you got to

1758

01:23:20,120 --> 01:23:17,010

talk to this guy

1759

01:23:24,080 --> 01:23:20,130

his name is John mute a mute easy

1760

01:23:26,030 --> 01:23:24,090

I swear to God okay and this is up in

1761

01:23:28,280 --> 01:23:26,040

the murky the Moreno Valley up behind

1762

01:23:30,620 --> 01:23:28,290

Taos and so I went all the way down

1763

01:23:33,410 --> 01:23:30,630

there's but to - that was - plus hour

1764

01:23:35,360 --> 01:23:33,420

drive and he's sitting there and he's

1765

01:23:37,850 --> 01:23:35,370

he's telling me I was sitting right here

1766

01:23:40,729 --> 01:23:37,860

on the porch and he had this beautiful

1767

01:23:43,550 --> 01:23:40,739

ranch house that was sad about 150 feet

1768

01:23:44,299 --> 01:23:43,560

up above his pasture switches down that

1769

01:23:45,829 --> 01:23:44,309

went off into the

1770

01:23:47,839 --> 01:23:45,839

distance you know it's four or five

1771

01:23:49,729 --> 01:23:47,849

hundred acres beautiful beautiful place

1772

01:23:51,739 --> 01:23:49,739

and you can see right down there about

1773

01:23:53,029 --> 01:23:51,749

an eighth of a mile away you know four

1774

01:23:55,309 --> 01:23:53,039

or five hundred yards away we're always

1775

01:23:55,879 --> 01:23:55,319

just cows down there he goes yeah sit

1776

01:23:58,459 --> 01:23:55,889

here

1777

01:24:00,529 --> 01:23:58,469

having a beer just shooting the [h__h] and

1778

01:24:02,419 --> 01:24:00,539

we noticed all the cows and all of a

1779

01:24:05,059 --> 01:24:02,429

sudden they'd all gathered around I mean

1780

01:24:06,799 --> 01:24:05,069

in a little tight group right down there

1781

01:24:08,659 --> 01:24:06,809

and they started to tell they were

1782

01:24:11,059 --> 01:24:08,669

agitator we could hear a moon and they

1783

01:24:14,659 --> 01:24:11,069

were moving around kind of in a circle

1784

01:24:16,879 --> 01:24:14,669

and then when they like you know I

1785

01:24:18,799 --> 01:24:16,889

started to go down to see what was going

1786

01:24:21,619 --> 01:24:18,809

on he says they all started to move away

1787

01:24:23,270 --> 01:24:21,629

and spread back out I know this is

1788

01:24:27,199 --> 01:24:23,280

little calf that was sitting there on

1789

01:24:28,669 --> 01:24:27,209

the ground is less than a year old and

1790

01:24:30,079 --> 01:24:28,679

it was laying on the ground it hadn't

1791

01:24:33,529 --> 01:24:30,089

been there before so I went down there

1792

01:24:35,689 --> 01:24:33,539

and the damn thing was mutilated and I

1793

01:24:38,719 --> 01:24:35,699

said well steel so wasn't there before

1794

01:24:41,659 --> 01:24:38,729

it goes nope and I said but the cows all

1795

01:24:43,790 --> 01:24:41,669

got in there and then when they split up

1796

01:24:46,790 --> 01:24:43,800

the calf was there and it was mutilated

1797

01:24:48,259 --> 01:24:46,800

he said yep I think I figured it out if

1798

01:24:52,339 --> 01:24:48,269

the cows think we should just let him

1799

01:25:03,679 --> 01:24:52,349

work it out amongst themselves did you

1800

01:25:05,479 --> 01:25:03,689

see that did you see the cat I was

1801

01:25:09,020 --> 01:25:05,489

flabbergasted

1802

01:25:13,159 --> 01:25:09,030

it's like yep cows think we should just

1803

01:25:18,409 --> 01:25:13,169

let them all work amongst themselves Wow

1804

01:25:21,319 --> 01:25:18,419

Wow his name is John mute a mute easy

1805

01:25:29,299 --> 01:25:21,329

look him up Moreno Valley there are the

1806

01:25:32,149 --> 01:25:29,309

eagle's nest unbelievable I love that

1807

01:25:37,099 --> 01:25:32,159

that's such a great story huh did you

1808

01:25:38,809 --> 01:25:37,109

see did you see the calf no I didn't

1809

01:25:40,759 --> 01:25:38,819

find out about it for a couple few days

1810

01:25:41,959 --> 01:25:40,769

and then I called him up and I made a

1811

01:25:44,540 --> 01:25:41,969

trip all the way down and because there

1812

01:25:47,059 --> 01:25:44,550

have been a bunch of cases all two years

1813

01:25:50,389 --> 01:25:47,069

of Moreno Valley one rancher you I horn

1814

01:25:51,520 --> 01:25:50,399

Nick he lost 49 head 50 head in two

1815

01:25:55,879 --> 01:25:51,530

years

1816

01:25:57,140 --> 01:25:55,889

it's the when when there are reported

1817

01:25:59,780 --> 01:25:57,150

lights and

1818

01:26:01,460 --> 01:25:59,790

I find that interesting because the

1819

01:26:05,320 --> 01:26:01,470

lights could come from two things it

1820

01:26:07,550 --> 01:26:05,330

could be et but it also could be

1821

01:26:10,850 --> 01:26:07,560

helicopters you know coming in and

1822

01:26:12,620 --> 01:26:10,860

dropping these these animals off or

1823

01:26:16,070 --> 01:26:12,630

picking them up too as well how many

1824

01:26:19,880 --> 01:26:16,080

times do you think that is the case well

1825

01:26:22,190 --> 01:26:19,890

we have around 400 mystery helicopter

1826
01:26:25,040 --> 01:26:22,200
sightings that have been documented in

1827
01:26:28,790 --> 01:26:25,050
and around mutilation cases personally

1828
01:26:32,180 --> 01:26:28,800
I've got probably 30 30 cases that have

1829
01:26:34,270 --> 01:26:32,190
helicopters directly involved and those

1830
01:26:37,250 --> 01:26:34,280
is for strange lights I've got about

1831
01:26:40,190 --> 01:26:37,260
maybe a third that number maybe 10 or 12

1832
01:26:42,260 --> 01:26:40,200
where there's pretty good you know I

1833
01:26:44,360 --> 01:26:42,270
think pretty good circumstantial

1834
01:26:46,850 --> 01:26:44,370
evidence that something I strange is

1835
01:26:49,220 --> 01:26:46,860
flying around in terms of lighting

1836
01:26:52,130 --> 01:26:49,230
patterns that sort of thing

1837
01:26:53,810 --> 01:26:52,140
but most of the aerial activity yeah

1838
01:26:56,660 --> 01:26:53,820

I've even had black helicopters show up

1839

01:26:59,180 --> 01:26:56,670

when I was a black helicopters show up

1840

01:27:01,310 --> 01:26:59,190

when I was investigating the case the

1841

01:27:04,220 --> 01:27:01,320

sheriff of Rio Grande County had that

1842

01:27:07,670 --> 01:27:04,230

happen a couple of times as well so I

1843

01:27:11,630 --> 01:27:07,680

think helicopters in North America are

1844

01:27:13,880 --> 01:27:11,640

reported more than UFO type lighting or

1845

01:27:16,160 --> 01:27:13,890

craft activity whereas in South America

1846

01:27:18,800 --> 01:27:16,170

it's the opposite it's more claims of

1847

01:27:20,720 --> 01:27:18,810

UFO activity and less claims of

1848

01:27:24,020 --> 01:27:20,730

helicopters this is the exact opposite

1849

01:27:26,510 --> 01:27:24,030

from down there to up now we've got

1850

01:27:30,260 --> 01:27:26,520

ahead to our break but I can ask you

1851

01:27:34,130 --> 01:27:30,270

this quickly why if the government is

1852

01:27:36,020 --> 01:27:34,140

doing testing on cattle which again I

1853

01:27:39,740 --> 01:27:36,030

can understand why they would do that

1854

01:27:41,930 --> 01:27:39,750

but why would they just admit to it so

1855

01:27:45,140 --> 01:27:41,940

we can remove that part of the mystery I

1856

01:27:47,180 --> 01:27:45,150

mean he's covered the beef industry one

1857

01:27:49,550 --> 01:27:47,190

of the largest most powerful lobbies in

1858

01:27:51,500 --> 01:27:49,560

this country that you never never hear

1859

01:27:54,680 --> 01:27:51,510

about and the reason why they're not

1860

01:27:57,050 --> 01:27:54,690

doing it is because what they're testing

1861

01:28:00,950 --> 01:27:57,060

for is probably mad cow disease which is

1862

01:28:04,730 --> 01:28:00,960

100% fatal in humans and they don't want

1863

01:28:06,800 --> 01:28:04,740

to you know the largest income producing

1864

01:28:08,450 --> 01:28:06,810

segment of Agriculture it's the beef

1865

01:28:11,030 --> 01:28:08,460

industry and they don't want to rock

1866

01:28:13,310 --> 01:28:11,040

that boat you know

1867

01:28:15,830 --> 01:28:13,320

I mean look what happened to Oprah she

1868

01:28:18,170 --> 01:28:15,840

had the Howard Lyman the mad cowboy

1869

01:28:19,550 --> 01:28:18,180

about mad cow disease and she blurted it

1870

01:28:22,070 --> 01:28:19,560

out during the show I'm never gonna eat

1871

01:28:25,910 --> 01:28:22,080

another hamburger again next day she a

1872

01:28:30,200 --> 01:28:25,920

two billion dollar lawsuit right yep yep

1873

01:28:32,540 --> 01:28:30,210

yep and probably ate a Big Mac live by

1874

01:28:35,840 --> 01:28:32,550

the way give me yes love me yes so do i

1875

01:28:37,940 --> 01:28:35,850

but but I don't I don't need to

1876

01:28:40,190 --> 01:28:37,950

industrialize beef protein I know where

1877

01:28:43,220 --> 01:28:40,200

my beef comes from and I will not eat

1878

01:28:45,500 --> 01:28:43,230

fast food beef one McDonald's hamburger

1879

01:28:48,110 --> 01:28:45,510

Burger King could have up to a thousand

1880

01:28:50,210 --> 01:28:48,120

animals in it let's take a break right

1881

01:28:52,490 --> 01:28:50,220

here our guest tonight is christopher

1882

01:28:54,590 --> 01:28:52,500

o'brien we come back i want to talk

1883

01:28:58,370 --> 01:28:54,600

about skinwalker ranch we're gonna get

1884

01:29:01,640 --> 01:28:58,380

into that and of course it is in the

1885

01:29:03,620 --> 01:29:01,650

news and has been over the last year so

1886

01:29:05,750 --> 01:29:03,630

we'll discuss that we'll take things a

1887

01:29:07,540 --> 01:29:05,760

little bit further Christopher Ryan this

1888

01:29:09,920 --> 01:29:07,550

is fade to black I'm arrows to be Church

1889

01:29:10,890 --> 01:29:09,930

right back after this short break stay

1890

01:29:19,389 --> 01:29:10,900

with us

1891

01:29:26,869 --> 01:29:22,569

way out here we listen to Jimmy Church

1892

01:29:28,909 --> 01:29:26,879

you're listening to fade to black always

1893

01:29:31,459 --> 01:29:28,919

on the edge of the hottest alternative

1894

01:29:50,989 --> 01:29:31,469

talk chilly church with fade to black

1895

01:29:54,709 --> 01:29:50,999

stay GRA radio.com hurricanes

1896

01:29:56,479 --> 01:29:54,719

earthquakes wildfires this year we've

1897

01:29:59,270 --> 01:29:56,489

experienced more than our fair share

1898

01:30:01,759 --> 01:29:59,280

this is Jimmy Church a fade to black and

1899

01:30:03,949 --> 01:30:01,769

last month I decided to make sure my

1900

01:30:06,109 --> 01:30:03,959

family does not have to worry about food

1901
01:30:09,859 --> 01:30:06,119
should we get caught in a real emergency

1902
01:30:11,750 --> 01:30:09,869
situation introducing Humana healthy

1903
01:30:13,369 --> 01:30:11,760
storable product that tastes so good

1904
01:30:15,349 --> 01:30:13,379
that you'll want to eat it every day

1905
01:30:18,109 --> 01:30:15,359
instead of just during those times of

1906
01:30:21,500 --> 01:30:18,119
duress all-new mana products have a 25

1907
01:30:23,619 --> 01:30:21,510
year shelf life our msg and GMO free no

1908
01:30:26,060 --> 01:30:23,629
preservatives and are made in America

1909
01:30:28,069 --> 01:30:26,070
with the new mana pack in your home

1910
01:30:30,619 --> 01:30:28,079
you'll be able to sleep at night knowing

1911
01:30:33,409 --> 01:30:30,629
that you've protected your family not

1912
01:30:35,959 --> 01:30:33,419
only have I tasted and tested I own it

1913
01:30:37,699 --> 01:30:35,969

now you can too just click on the new

1914

01:30:40,009 --> 01:30:37,709

mana banner on Jimmy Church radio.com

1915

01:30:42,469 --> 01:30:40,019

and use the promo code Jimmy when you

1916

01:30:44,119 --> 01:30:42,479

order in addition to a discount we'll

1917

01:30:45,080 --> 01:30:44,129

send you an autograph fade to black

1918

01:30:49,219 --> 01:30:45,090

t-shirt

1919

01:30:52,069 --> 01:30:49,229

seriously gobekli tepe do you want to be

1920

01:30:54,049 --> 01:30:52,079

an official fade or not of course you do

1921

01:30:56,629 --> 01:30:54,059

this is Jimmy Church of fade to black

1922

01:31:01,310 --> 01:30:56,639

just go to our membership section at

1923

01:31:03,790 --> 01:31:01,320

Jimmy Church radio.com so you love talk

1924

01:31:07,000 --> 01:31:03,800

radio then you'll love talk stream

1925

01:31:09,739 --> 01:31:07,010

live.com talk stream live is always on

1926
01:31:12,049 --> 01:31:09,749
24/7 with the best streaming talk shows

1927
01:31:14,029 --> 01:31:12,059
find your favorite talkers and discover

1928
01:31:16,639 --> 01:31:14,039
some new ones it's free readily

1929
01:31:17,959 --> 01:31:16,649
available online or on mobile with any

1930
01:31:20,000 --> 01:31:17,969
smartphone or tablet

1931
01:31:22,040 --> 01:31:20,010
finding your favorite talk shows all in

1932
01:31:25,459 --> 01:31:22,050
one place has gotten a whole lot easier

1933
01:31:26,270 --> 01:31:25,469
just go to talk stream live.com be sure

1934
01:31:28,460 --> 01:31:26,280
to download the

1935
01:31:33,380 --> 01:31:28,470
free apps from Google Play or the iTunes

1936
01:31:41,510 --> 01:31:33,390
Appstore you listen to us and we listen

1937
01:31:43,940 --> 01:31:41,520
to you so does the CIA jgr a radio calm

1938
01:31:45,890 --> 01:31:43,950

if you have hard water the lime scale

1939

01:31:48,260 --> 01:31:45,900

not only leaves white spots it clogs

1940

01:31:50,120 --> 01:31:48,270

pipes and breaks down appliances costing

1941

01:31:52,070 --> 01:31:50,130

you hundreds of dollars in energy and

1942

01:31:54,200 --> 01:31:52,080

where eliminate limescale and other

1943

01:31:56,240 --> 01:31:54,210

water issues like brown staining and bad

1944

01:31:58,310 --> 01:31:56,250

odors with hydro care water products

1945

01:32:00,350 --> 01:31:58,320

available from wave home solutions

1946

01:32:02,240 --> 01:32:00,360

waves affordable water systems don't use

1947

01:32:04,240 --> 01:32:02,250

salts or chemicals you'll love the way

1948

01:32:06,260 --> 01:32:04,250

your water tastes smells and looks

1949

01:32:08,960 --> 01:32:06,270

satisfaction guaranteed for more

1950

01:32:12,710 --> 01:32:08,970

information go to best water 1 2 3 com

1951

01:32:15,440 --> 01:32:12,720

that's best water 1 2 3 com are you

1952

01:32:17,960 --> 01:32:15,450

intrigued by paranormal talk radio you

1953

01:32:20,840 --> 01:32:17,970

love the new paranormal radio app from

1954

01:32:23,150 --> 01:32:20,850

torque stream live you'll find a great

1955

01:32:26,270 --> 01:32:23,160

selection of talk shows covering UFOs

1956

01:32:28,670 --> 01:32:26,280

ghosts strange phenomena and much more

1957

01:32:30,890 --> 01:32:28,680

download the paranormal radio app now

1958

01:32:33,290 --> 01:32:30,900

and start listening to the very best in

1959

01:32:34,760 --> 01:32:33,300

paranormal talk entertainment including

1960

01:32:37,760 --> 01:32:34,770

the network you're listening to right

1961

01:32:42,370 --> 01:32:37,770

now the paranormal radio app free in

1962

01:32:44,720 --> 01:32:42,380

Google Play and the iOS App Store you

1963

01:32:47,060 --> 01:32:44,730

are listening to fade to black

1964

01:32:51,830 --> 01:32:47,070

with Jimmy Church on the game changing

1965

01:32:53,900 --> 01:32:51,840

Network hi I'm Lisa Vance you're

1966

01:32:56,840 --> 01:32:53,910

listening to Jaime Church this is a

1967

01:33:06,060 --> 01:32:56,850

revolution the revolution will not be

1968

01:33:43,030 --> 01:33:40,690

[Music]

1969

01:33:45,470 --> 01:33:43,040

[Applause]

1970

01:33:47,630 --> 01:33:45,480

all right welcome back fade to black I'm

1971

01:33:49,370 --> 01:33:47,640

gonna be Church Monday night our Jes

1972

01:33:50,270 --> 01:33:49,380

tonight's Christopher O'Brien tomorrow

1973

01:33:53,209 --> 01:33:50,280

night Johnny

1974

01:33:54,680 --> 01:33:53,219

Enoch is here really looking forward to

1975

01:33:57,950 --> 01:33:54,690

that conversation we're gonna talk about

1976

01:33:59,810 --> 01:33:57,960

the new area 51 and some ancient history

1977

01:34:03,979 --> 01:33:59,820

too as well Wednesday night Patrick wood

1978

01:34:06,680 --> 01:34:03,989

and Tanakh recei 2.0 tonight it's

1979

01:34:08,750 --> 01:34:06,690

Christopher O'Brien uh Chris you have

1980

01:34:15,110 --> 01:34:08,760

how long did you host the para cast or

1981

01:34:18,860 --> 01:34:15,120

co-host seven eight years and over those

1982

01:34:22,370 --> 01:34:18,870

seven or eight years how how did things

1983

01:34:26,810 --> 01:34:22,380

change for you with ufology and in the

1984

01:34:29,030 --> 01:34:26,820

crypto world because I see things kind

1985

01:34:30,860 --> 01:34:29,040

of coming back around this last couple

1986

01:34:31,490 --> 01:34:30,870

of years too as well but over that seven

1987

01:34:34,580 --> 01:34:31,500

eight years

1988

01:34:36,459 --> 01:34:34,590

did it change for you what was going on

1989

01:34:39,890 --> 01:34:36,469

out there

1990

01:34:43,910 --> 01:34:39,900

well I think it did I think we went from

1991

01:34:47,720 --> 01:34:43,920

having more baby boomers more older

1992

01:34:49,340 --> 01:34:47,730

people involved it seemed to be getting

1993

01:34:51,050 --> 01:34:49,350

older and older and older in terms of

1994

01:34:53,090 --> 01:34:51,060

the average age of people interested in

1995

01:34:54,790 --> 01:34:53,100

the subjects and now I'm seeing a lot

1996

01:34:56,840 --> 01:34:54,800

more young young people getting involved

1997

01:34:59,240 --> 01:34:56,850

Millennials

1998

01:35:02,750 --> 01:34:59,250

you know folks that are you know in

1999

01:35:04,100 --> 01:35:02,760

their 20s and even teens and I think

2000

01:35:07,340 --> 01:35:04,110

that that's really refreshing to see

2001
01:35:11,320 --> 01:35:07,350
because I really see that the baby

2002
01:35:14,780 --> 01:35:11,330
boomer paradigm is being questioned by

2003
01:35:17,740 --> 01:35:14,790
by the younger folks that are getting

2004
01:35:20,630 --> 01:35:17,750
involved and I I do see that

2005
01:35:23,950 --> 01:35:20,640
unfortunately the the interest in shows

2006
01:35:28,070 --> 01:35:23,960
like ancient aliens and in kind of

2007
01:35:32,180 --> 01:35:28,080
approximations of of history and and in

2008
01:35:34,040 --> 01:35:32,190
some of the crypto shows and Miss

2009
01:35:35,840 --> 01:35:34,050
educating people and misinforming people

2010
01:35:39,620 --> 01:35:35,850
a bit and I think people are getting a

2011
01:35:41,780 --> 01:35:39,630
little bit of a warped view of what

2012
01:35:43,330 --> 01:35:41,790
these subjects really are they're

2013
01:35:47,630 --> 01:35:43,340

getting more of a Hollywood eyes

2014

01:35:49,610 --> 01:35:47,640

approximation version you know when I

2015

01:35:52,100 --> 01:35:49,620

got started in this field there was no

2016

01:35:54,920 --> 01:35:52,110

internet I had to go to newspaper you

2017

01:35:56,100 --> 01:35:54,930

know more than our cards and libraries

2018

01:35:59,160 --> 01:35:56,110

and and

2019

01:36:01,140 --> 01:35:59,170

in like letters to people and spend a

2020

01:36:03,899 --> 01:36:01,150

lot of money on the phone when long

2021

01:36:06,810 --> 01:36:03,909

distance was expensive and and you

2022

01:36:09,000 --> 01:36:06,820

really had to earn it back then but the

2023

01:36:11,490 --> 01:36:09,010

internet now there's a lot of people

2024

01:36:16,410 --> 01:36:11,500

that are taking shortcuts gleaming they

2025

01:36:18,689 --> 01:36:16,420

don't have well honed BS meters people

2026

01:36:22,979 --> 01:36:18,699

are I think a little bit more easily

2027

01:36:25,919 --> 01:36:22,989

fooled by you know by bad I consider

2028

01:36:27,689 --> 01:36:25,929

them bad CDI hoax is on YouTube and

2029

01:36:30,620 --> 01:36:27,699

stuff and you know there's not a

2030

01:36:34,859 --> 01:36:30,630

plethora of these these hoaxes well

2031

01:36:37,319 --> 01:36:34,869

websites did or you know you may get one

2032

01:36:39,870 --> 01:36:37,329

good siding out of a sow's in there it

2033

01:36:41,790 --> 01:36:39,880

means five hundred or something there

2034

01:36:44,069 --> 01:36:41,800

may be something good but most of it

2035

01:36:47,490 --> 01:36:44,079

it's just the same old you know fifty

2036

01:36:50,220 --> 01:36:47,500

style approximation of what people think

2037

01:36:51,870 --> 01:36:50,230

UFOs look like and it's so easy for

2038

01:36:54,260 --> 01:36:51,880

someone such as myself who's got quite a

2039

01:36:56,549 --> 01:36:54,270

bit of training in this area to

2040

01:36:59,359 --> 01:36:56,559

instantly be able to look at something

2041

01:37:02,490 --> 01:36:59,369

and tell you exactly how it was done

2042

01:37:04,649 --> 01:37:02,500

very very rarely do I have to send it

2043

01:37:06,720 --> 01:37:04,659

upstairs to someone like a race dancer

2044

01:37:10,649 --> 01:37:06,730

who's who's taught me everything I know

2045

01:37:13,229 --> 01:37:10,659

about analysis and because it could

2046

01:37:15,569 --> 01:37:13,239

possibly fool me I mean there's the

2047

01:37:17,010 --> 01:37:15,579

level of technology is just getting

2048

01:37:18,359 --> 01:37:17,020

better and better and better so we're

2049

01:37:21,870 --> 01:37:18,369

just gonna have a harder and harder time

2050

01:37:23,850 --> 01:37:21,880

with this problem and I think people are

2051

01:37:26,280 --> 01:37:23,860

getting though all I would I version of

2052

01:37:28,140 --> 01:37:26,290

things in the last let's say three or

2053

01:37:34,350 --> 01:37:28,150

four years really did start getting more

2054

01:37:36,600 --> 01:37:34,360

s'mores well I don't understand okay I

2055

01:37:39,600 --> 01:37:36,610

don't normally go here on this program

2056

01:37:42,379 --> 01:37:39,610

but I'm gonna go here right now when and

2057

01:37:45,770 --> 01:37:42,389

I'm gonna talk about something specific

2058

01:37:48,299 --> 01:37:45,780

there was a video that was sent to me of

2059

01:37:51,649 --> 01:37:48,309

it was like Jimmy check this out man

2060

01:37:54,990 --> 01:37:51,659

it's the tr-3b on an aircraft carrier

2061

01:37:57,840 --> 01:37:55,000

right now I go okay wait wait a minute

2062

01:38:04,050 --> 01:38:01,590

as reticent as my clique was I did click

2063

01:38:07,320 --> 01:38:04,060

and watch it right and I'm looking at

2064

01:38:10,680 --> 01:38:07,330

the video and I'm like ok seriously

2065

01:38:14,220 --> 01:38:10,690

right and then I'm looking at the

2066

01:38:17,940 --> 01:38:14,230

comments only crap it's proof oh man oh

2067

01:38:19,850 --> 01:38:17,950

man boys wait are you guys looking at

2068

01:38:23,190 --> 01:38:19,860

the same thing that I'm looking at here

2069

01:38:25,350 --> 01:38:23,200

this is the fakie is fake it's not even

2070

01:38:28,320 --> 01:38:25,360

good quality right and if you look

2071

01:38:31,830 --> 01:38:28,330

really close you can see the shadows are

2072

01:38:34,800 --> 01:38:31,840

wrong the shadows are there in the wrong

2073

01:38:38,100 --> 01:38:34,810

direction and that's all you have to do

2074

01:38:41,040 --> 01:38:38,110

and first off it just looks fake but if

2075

01:38:43,290 --> 01:38:41,050

you look even closer where the

2076

01:38:48,120 --> 01:38:43,300

reflections and the shadows is it's just

2077

01:38:50,190 --> 01:38:48,130

wrong and my eyes my brain is computing

2078

01:38:52,140 --> 01:38:50,200

and it stands out and says no the

2079

01:38:55,640 --> 01:38:52,150

shadows are incorrect it's wrong it you

2080

01:38:58,950 --> 01:38:55,650

know the pixelation is and but there are

2081

01:39:00,840 --> 01:38:58,960

so many out there that are convinced

2082

01:39:03,570 --> 01:39:00,850

that it's real

2083

01:39:07,320 --> 01:39:03,580

and I have a problem with that it's like

2084

01:39:10,080 --> 01:39:07,330

they don't want to they want to believe

2085

01:39:13,260 --> 01:39:10,090

in the in the in the phenomenon so much

2086

01:39:16,170 --> 01:39:13,270

that they're blinded to the reality of

2087

01:39:17,430 --> 01:39:16,180

the situation like that and and don't

2088

01:39:20,280 --> 01:39:17,440

try to tell them that they're wrong

2089

01:39:22,380 --> 01:39:20,290

either you know some of these people

2090

01:39:25,110 --> 01:39:22,390

they will go off on you that's why

2091

01:39:28,880 --> 01:39:25,120

that's why I don't like talking about it

2092

01:39:31,380 --> 01:39:28,890

the video the video that was sent out

2093

01:39:34,050 --> 01:39:31,390

last week I don't know if he caught this

2094

01:39:35,310 --> 01:39:34,060

I think it was Lake Tahoe right where

2095

01:39:36,780 --> 01:39:35,320

these uh knuckler there and there's

2096

01:39:41,130 --> 01:39:36,790

there's a good I like that

2097

01:39:42,930 --> 01:39:41,140

did you see it yeah yeah ok now I don't

2098

01:39:46,530 --> 01:39:42,940

know what to make of that that's pretty

2099

01:39:50,840 --> 01:39:46,540

interesting ok and so when when it

2100

01:39:56,520 --> 01:39:50,850

slowed down and you saw the craft itself

2101
01:39:58,350 --> 01:39:56,530
did that look correct to you it seemed

2102
01:39:59,760 --> 01:39:58,360
like it was too small and too close to

2103
01:40:02,940 --> 01:39:59,770
the camera to be something real high

2104
01:40:05,060 --> 01:40:02,950
strange although you know if you

2105
01:40:08,970 --> 01:40:05,070
remember back about 15 years ago

2106
01:40:11,160 --> 01:40:08,980
he's almost 20 years ago was they asked

2107
01:40:13,980 --> 01:40:11,170
amia in the rods yeah

2108
01:40:15,540 --> 01:40:13,990
uh-huh the rod stuff it kind of reminds

2109
01:40:17,070 --> 01:40:15,550
me of something like that but could

2110
01:40:18,750 --> 01:40:17,080
different obviously because you're

2111
01:40:20,610 --> 01:40:18,760
skipping doesn't have to be metallic

2112
01:40:22,050 --> 01:40:20,620
right right right the right to be

2113
01:40:26,240 --> 01:40:22,060

metallic and it does appear to be

2114

01:40:29,520 --> 01:40:26,250

actually you know have some sort of of

2115

01:40:31,800 --> 01:40:29,530

actual presence okay now this is demo

2116

01:40:33,900 --> 01:40:31,810

now this is what you need to do go back

2117

01:40:35,850 --> 01:40:33,910

and look at the video I didn't say

2118

01:40:37,170 --> 01:40:35,860

anything about this online or into that

2119

01:40:41,550 --> 01:40:37,180

and make any comments but I'll say it

2120

01:40:43,920 --> 01:40:41,560

now go back and look at the video go go

2121

01:40:47,850 --> 01:40:43,930

back and look and look at the frame the

2122

01:40:52,770 --> 01:40:47,860

Sun on the craft the reflection on the

2123

01:40:54,630 --> 01:40:52,780

craft is on its side okay it's on the

2124

01:40:56,370 --> 01:40:54,640

side face in the camera the reflections

2125

01:40:58,230 --> 01:40:56,380

on everything else in the video

2126
01:41:00,870 --> 01:40:58,240
including the people that are blocking

2127
01:41:07,140 --> 01:41:00,880
their eyes from the Sun the Sun is

2128
01:41:10,260 --> 01:41:07,150
coming from the left and so you look and

2129
01:41:13,230 --> 01:41:10,270
it's obvious once you look that now if

2130
01:41:15,210 --> 01:41:13,240
it would have been a real craft caught

2131
01:41:17,880 --> 01:41:15,220
in this video the Sun would have been

2132
01:41:20,070 --> 01:41:17,890
reflecting from the fellow edit right on

2133
01:41:21,990 --> 01:41:20,080
the front of the craft and you know

2134
01:41:23,820 --> 01:41:22,000
coming from the left I don't know what

2135
01:41:25,290 --> 01:41:23,830
is north south east or west I'm just

2136
01:41:27,210 --> 01:41:25,300
talking about orientation of the video

2137
01:41:28,440 --> 01:41:27,220
as you look at it the Sun is coming from

2138
01:41:30,120 --> 01:41:28,450

the left and you can see the reflection

2139

01:41:31,950 --> 01:41:30,130
on everything else in the video

2140

01:41:35,310 --> 01:41:31,960
including the people's heads

2141

01:41:36,870 --> 01:41:35,320
good eye okay I didn't look at it close

2142

01:41:39,300 --> 01:41:36,880
enough I just thought it looked

2143

01:41:41,910 --> 01:41:39,310
impressive because the first three times

2144

01:41:44,460 --> 01:41:41,920
I watched I couldn't see it I did the

2145

01:41:46,230 --> 01:41:44,470
same thing I did the same thing and so

2146

01:41:48,330 --> 01:41:46,240
but when you capture it and he's just

2147

01:41:52,430 --> 01:41:48,340
stopped the frame and you look the

2148

01:41:57,000 --> 01:41:53,570
[Music]

2149

01:42:00,350 --> 01:41:57,010
so anyway prove it this is proof that et

2150

01:42:03,420 --> 01:42:00,360
is here well there you go you know I

2151
01:42:05,100 --> 01:42:03,430
don't go there with me I think that they

2152
01:42:07,290 --> 01:42:05,110
are more terrestrial than we are I think

2153
01:42:09,270 --> 01:42:07,300
we're aliens I think that they've been

2154
01:42:11,790 --> 01:42:09,280
here longer and we haven't there's a

2155
01:42:20,030 --> 01:42:11,800
good chance we were brought here what

2156
01:42:24,930 --> 01:42:24,510
oh why don't people oh yeah look right

2157
01:42:29,670 --> 01:42:24,940
here

2158
01:42:34,200 --> 01:42:29,680
gonna die okay so everybody is uh

2159
01:42:36,090 --> 01:42:34,210
posting the pictures of the tr-3b on the

2160
01:42:39,240 --> 01:42:36,100
aircraft carrier yeah look at that

2161
01:42:41,729 --> 01:42:39,250
reflection the shadows nothing matches

2162
01:42:45,840 --> 01:42:41,739
it is a it's just too funny

2163
01:42:49,110 --> 01:42:45,850

okay the skinwalker ranch

2164

01:42:51,570 --> 01:42:49,120

Jeremy corbels got his new movie out and

2165

01:42:54,090 --> 01:42:51,580

I haven't seen it yet I haven't had the

2166

01:42:56,280 --> 01:42:54,100

time to go and watch it but it is

2167

01:42:58,979 --> 01:42:56,290

putting this information back out there

2168

01:43:01,830 --> 01:42:58,989

for everybody to go and and bring

2169

01:43:03,330 --> 01:43:01,840

skinwalker into the news and it gets

2170

01:43:06,840 --> 01:43:03,340

discussed

2171

01:43:09,110 --> 01:43:06,850

have you been to skinwalker yet the

2172

01:43:12,000 --> 01:43:09,120

number of times in fact I was the first

2173

01:43:13,800 --> 01:43:12,010

outside the area investigator up there

2174

01:43:16,439 --> 01:43:13,810

before Bigelow bought some ranch and

2175

01:43:18,000 --> 01:43:16,449

before the article came out in the right

2176

01:43:20,220 --> 01:43:18,010

that same week that the article came out

2177

01:43:22,170 --> 01:43:20,230

in the desert I news I went up that was

2178

01:43:25,640 --> 01:43:22,180

one of the first people to go up there

2179

01:43:29,790 --> 01:43:25,650

and speak with Terry the rancher so

2180

01:43:32,160 --> 01:43:29,800

compared to now it seems that you know

2181

01:43:33,979 --> 01:43:32,170

Steve Murillo and Alex Mastretta went up

2182

01:43:36,900 --> 01:43:33,989

there they actually broadcasted live

2183

01:43:38,360 --> 01:43:36,910

from skinwalker back onto this program

2184

01:43:42,590 --> 01:43:38,370

we were hoping for something to happen

2185

01:43:45,780 --> 01:43:42,600

but compared to back when you were there

2186

01:43:47,670 --> 01:43:45,790

to now and there isn't anything new that

2187

01:43:49,830 --> 01:43:47,680

is presented in the film you know it's

2188

01:43:53,490 --> 01:43:49,840

George Knapp sold footage which is great

2189

01:43:54,300 --> 01:43:53,500

but has things started to trail off at

2190

01:44:00,240 --> 01:43:54,310

skinwalker

2191

01:44:03,300 --> 01:44:00,250

I think there's activity always going on

2192

01:44:05,729 --> 01:44:03,310

in you in a base that is an extremely

2193

01:44:09,900 --> 01:44:05,739

active area and all you have to do is

2194

01:44:12,959 --> 01:44:09,910

read the great UFO the Utah UFO display

2195

01:44:14,910 --> 01:44:12,969

by Frank Salazar and look at the work

2196

01:44:16,770 --> 01:44:14,920

that he and jr. Hayek's did up there all

2197

01:44:18,660 --> 01:44:16,780

through the sixties into the 70s and

2198

01:44:20,310 --> 01:44:18,670

actually until the eighties I mean

2199

01:44:22,560 --> 01:44:20,320

that's been a hotbed of activity for

2200

01:44:26,550 --> 01:44:22,570

decades and so I think there's always

2201

01:44:31,350 --> 01:44:26,560

activity going on what I think and I

2202

01:44:32,850 --> 01:44:31,360

come to this educated conclusion over

2203

01:44:34,970 --> 01:44:32,860

time but I have a feeling that

2204

01:44:38,520 --> 01:44:34,980

skinwalker is kind of a red herring that

2205

01:44:41,310 --> 01:44:38,530

there's activity going on southwest

2206

01:44:43,710 --> 01:44:41,320

there that's where the real meat and

2207

01:44:47,760 --> 01:44:43,720

potatoes activity is going on down

2208

01:44:51,510 --> 01:44:47,770

towards Green River and and the Green

2209

01:44:55,050 --> 01:44:51,520

River and and price in the the book I

2210

01:44:58,050 --> 01:44:55,060

think they call them the one day the

2211

01:45:00,720 --> 01:44:58,060

bookshelf hill down there before you get

2212

01:45:04,200 --> 01:45:00,730

to the river that's where I think the

2213

01:45:06,720 --> 01:45:04,210

real activities is happening and I take

2214

01:45:08,610 --> 01:45:06,730

the center of the activity has moved

2215

01:45:11,480 --> 01:45:08,620

south and by Southwest

2216

01:45:14,820 --> 01:45:11,490

I think the activity herbs and flows

2217

01:45:17,610 --> 01:45:14,830

like I said all through the area there's

2218

01:45:19,770 --> 01:45:17,620

been really amazing reports down by

2219

01:45:22,800 --> 01:45:19,780

Baxter path which is a path that goes

2220

01:45:25,620 --> 01:45:22,810

over into Colorado south of Bonanza

2221

01:45:28,020 --> 01:45:25,630

there's been reports directly south of

2222

01:45:29,880 --> 01:45:28,030

there there's been reports directly

2223

01:45:32,850 --> 01:45:29,890

north of there right at the base of the

2224

01:45:36,210 --> 01:45:32,860

Uinta Mountains so I think skin markers

2225

01:45:39,150 --> 01:45:36,220

you know I think it does have something

2226

01:45:41,520 --> 01:45:39,160

to do with what's going on there in

2227

01:45:44,970 --> 01:45:41,530

terms of it could be indicative of where

2228

01:45:48,360 --> 01:45:44,980

this egress point is or an entrance and

2229

01:45:52,860 --> 01:45:48,370

exit point may be located there let's

2230

01:45:54,510 --> 01:45:52,870

say for the sake of of conjecture and I

2231

01:45:59,130 --> 01:45:54,520

do you think that it plays an important

2232

01:46:01,140 --> 01:45:59,140

role but I think it's I think it's not

2233

01:46:03,210 --> 01:46:01,150

by accident and people are being told as

2234

01:46:06,390 --> 01:46:03,220

they keep looking there and lots of

2235

01:46:08,280 --> 01:46:06,400

information is in lots of you know a lot

2236

01:46:10,740 --> 01:46:08,290

of people are being fascinated by that

2237

01:46:12,480 --> 01:46:10,750

particular spot when they don't realize

2238

01:46:15,120 --> 01:46:12,490

that there's a lot of different areas in

2239

01:46:19,380 --> 01:46:15,130

that you in a basin that should be just

2240

01:46:22,890 --> 01:46:19,390

as important for investigators to be

2241

01:46:26,370 --> 01:46:22,900

checking out is it is it et related or

2242

01:46:29,070 --> 01:46:26,380

is it terrestrial interdimensional stuff

2243

01:46:31,530 --> 01:46:29,080

going on you know that would be that

2244

01:46:33,000 --> 01:46:31,540

would be my choice and I think that

2245

01:46:36,330 --> 01:46:33,010

somehow the Department of Defense have

2246

01:46:37,620 --> 01:46:36,340

gotten involved and you know once that

2247

01:46:40,440 --> 01:46:37,630

happens then all bets are off because

2248

01:46:42,780 --> 01:46:40,450

you never know what you know whether

2249

01:46:45,360 --> 01:46:42,790

it's real or Memorex or whether it's

2250

01:46:47,850 --> 01:46:45,370

contrived I mean the government does do

2251
01:46:50,160 --> 01:46:47,860
interesting things in hotspot areas I

2252
01:46:52,170 --> 01:46:50,170
personally have seen conventional

2253
01:46:54,330 --> 01:46:52,180
aircraft rigged up with light

2254
01:46:58,770 --> 01:46:54,340
to make them look unconventional I've

2255
01:47:02,670 --> 01:46:58,780
seen that with my own eyes I've seen too

2256
01:47:04,530 --> 01:47:02,680
much you know evidence of government

2257
01:47:07,340 --> 01:47:04,540
involvement in in these hotspot areas

2258
01:47:09,750 --> 01:47:07,350
kind of weird convoy sniffing around

2259
01:47:12,390 --> 01:47:09,760
temporary buildings that are up for a

2260
01:47:15,450 --> 01:47:12,400
couple days and then disappear people

2261
01:47:16,770 --> 01:47:15,460
being kept out of areas where it seems

2262
01:47:20,580 --> 01:47:16,780
like there's military or government

2263
01:47:23,720 --> 01:47:20,590

activity going on very very subtle very

2264

01:47:27,500 --> 01:47:23,730

clandestine very very under the radar

2265

01:47:29,870 --> 01:47:27,510

real low-key but in the Uintah Basin

2266

01:47:32,570 --> 01:47:29,880

there's some of the things have been

2267

01:47:35,790 --> 01:47:32,580

reported having and flowing there and

2268

01:47:38,250 --> 01:47:35,800

this family families like that there's

2269

01:47:40,320 --> 01:47:38,260

been reports of things like that around

2270

01:47:43,320 --> 01:47:40,330

White Sands of course the Missile Range

2271

01:47:47,250 --> 01:47:43,330

there and and oh gosh they moved the

2272

01:47:49,350 --> 01:47:47,260

whole town out in Westland Colorado

2273

01:47:52,200 --> 01:47:49,360

right the border just below the Uintah

2274

01:47:54,000 --> 01:47:52,210

Basin one time some big sighting was

2275

01:47:56,370 --> 01:47:54,010

seeing they moved everybody out of town

2276

01:47:59,520 --> 01:47:56,380

to Grand Junction for a couple of days

2277

01:48:01,410 --> 01:47:59,530

and let everybody back in and people

2278

01:48:03,180 --> 01:48:01,420

traveling on i-70 said that there are

2279

01:48:05,220 --> 01:48:03,190

these huge lights down there and it was

2280

01:48:07,320 --> 01:48:05,230

all these what appeared to be military

2281

01:48:09,960 --> 01:48:07,330

activity in the town and they couldn't

2282

01:48:13,700 --> 01:48:09,970

figure out what was going on so the area

2283

01:48:16,680 --> 01:48:13,710

has always had a lot of interesting

2284

01:48:20,190 --> 01:48:16,690

military s kak Tiffany as well so I

2285

01:48:21,120 --> 01:48:20,200

don't think we can factor the human side

2286

01:48:23,520 --> 01:48:21,130

of it out there

2287

01:48:25,650 --> 01:48:23,530

at skinwalker ranch I think it's a whole

2288

01:48:28,820 --> 01:48:25,660

potpourri of things going on yeah well

2289

01:48:31,770 --> 01:48:28,830

what I find interesting is the also

2290

01:48:33,570 --> 01:48:31,780

sometimes the lack of military

2291

01:48:38,790 --> 01:48:33,580

involvement when there are things going

2292

01:48:40,350 --> 01:48:38,800

on up at Joshua Tree which you have 29

2293

01:48:43,590 --> 01:48:40,360

palms right there right one of the

2294

01:48:45,440 --> 01:48:43,600

biggest marine installations in in the

2295

01:48:49,020 --> 01:48:45,450

world rights right there training

2296

01:48:53,700 --> 01:48:49,030

aircraft they've got it all right there

2297

01:48:56,610 --> 01:48:53,710

29 palms and it's 19 miles away from the

2298

01:48:58,890 --> 01:48:56,620

the retreat center and we are there for

2299

01:49:03,280 --> 01:48:58,900

three years in a row out there on that

2300

01:49:05,890 --> 01:49:03,290

cliff seeing the craziest stuff and

2301
01:49:07,540 --> 01:49:05,900
one you know the the famous sighting

2302
01:49:09,580 --> 01:49:07,550
that we had there you know there's

2303
01:49:12,370 --> 01:49:09,590
there's that you know the the green

2304
01:49:15,490 --> 01:49:12,380
chrome balls and that that lasted for

2305
01:49:17,890 --> 01:49:15,500
five minutes that went from the desert

2306
01:49:19,600 --> 01:49:17,900
you know from the desert all the way up

2307
01:49:22,180 --> 01:49:19,610
to the atmosphere you know we watched

2308
01:49:25,210 --> 01:49:22,190
this craft just take off and and and

2309
01:49:27,940 --> 01:49:25,220
head up and and take off into space now

2310
01:49:31,720 --> 01:49:27,950
you watch something like that happen and

2311
01:49:33,790 --> 01:49:31,730
then we had the the the famous Zorro Z

2312
01:49:37,410 --> 01:49:33,800
you know that happened and that was

2313
01:49:42,690 --> 01:49:37,420

miles wide Chris you know in the sky

2314

01:49:48,100 --> 01:49:42,700

giant event 29 palms is right there

2315

01:49:52,180 --> 01:49:48,110

radar military aircraft Heligan

2316

01:49:55,660 --> 01:49:52,190

they didn't dispatch anything yes yes

2317

01:49:58,090 --> 01:49:55,670

yes exactly and it was like they weren't

2318

01:50:02,440 --> 01:49:58,100

interested you know and we're watching

2319

01:50:05,020 --> 01:50:02,450

these crazy thing one I mean just one

2320

01:50:07,540 --> 01:50:05,030

event after another happening right next

2321

01:50:09,820 --> 01:50:07,550

to the Marine base and it was they

2322

01:50:14,980 --> 01:50:09,830

didn't dispatch one craft there was not

2323

01:50:17,320 --> 01:50:14,990

one helicopter f-16 at 1522 what

2324

01:50:17,740 --> 01:50:17,330

happened nothing they just let it well

2325

01:50:23,560 --> 01:50:17,750

what is that

2326

01:50:26,110 --> 01:50:23,570

right time you know this is this is what

2327

01:50:28,840 --> 01:50:26,120

this is my conclusion with that is that

2328

01:50:31,540 --> 01:50:28,850

they couldn't do anything they were used

2329

01:50:33,280 --> 01:50:31,550

to it they see it all the time and they

2330

01:50:35,770 --> 01:50:33,290

know that there's nothing that they

2331

01:50:38,830 --> 01:50:35,780

could do so it's just another night in

2332

01:50:42,280 --> 01:50:38,840

Joshua Tree for them that's what it says

2333

01:50:44,770 --> 01:50:42,290

to craft around there then you would

2334

01:50:48,970 --> 01:50:44,780

think well it's them they're monitoring

2335

01:50:50,650 --> 01:50:48,980

their own like PSYOP type you know drone

2336

01:50:52,900 --> 01:50:50,660

or something in the hypersonic drone

2337

01:50:55,150 --> 01:50:52,910

possibly or some sort of a knee grab

2338

01:50:58,300 --> 01:50:55,160

device or you know that's when you see

2339

01:51:01,420 --> 01:50:58,310

the Tenjin aircraft helicopters around

2340

01:51:04,060 --> 01:51:01,430

convoy sniffing around SUV convoys with

2341

01:51:07,060 --> 01:51:04,070

a bunch of antennas on each of the cars

2342

01:51:10,720 --> 01:51:07,070

you know zipping around a very low-key

2343

01:51:13,270 --> 01:51:10,730

clandestine you know like and and you

2344

01:51:16,420 --> 01:51:13,280

know if there are so many different

2345

01:51:17,199 --> 01:51:16,430

things that are involved in waves of UFO

2346

01:51:20,890 --> 01:51:17,209

reports

2347

01:51:22,839 --> 01:51:20,900

and in this type of activity and it's

2348

01:51:25,989 --> 01:51:22,849

it's very difficult sometimes I think to

2349

01:51:28,209 --> 01:51:25,999

unwind and unravel what's really you

2350

01:51:30,219 --> 01:51:28,219

know operative and what's going on and I

2351
01:51:31,899 --> 01:51:30,229
think some people jump to conclusions

2352
01:51:35,109 --> 01:51:31,909
too quickly without having all the facts

2353
01:51:38,919 --> 01:51:35,119
and without really digging a few

2354
01:51:41,189 --> 01:51:38,929
shovelfuls deeper Jason just tweeted out

2355
01:51:44,199 --> 01:51:41,199
check this out Chris Jason just tweeted

2356
01:51:47,350 --> 01:51:44,209
one highlight of my life was being

2357
01:51:52,660 --> 01:51:47,360
present for the Zoro UFO and hearing

2358
01:51:56,350 --> 01:51:52,670
Jimmy go nuts right so and what is so

2359
01:51:58,449 --> 01:51:56,360
cool about that tweet Chris is that I

2360
01:52:04,509 --> 01:51:58,459
was standing there with about two

2361
01:52:09,759 --> 01:52:04,519
hundred people right it was crazy and

2362
01:52:13,600 --> 01:52:09,769
when they and and I will never shut up

2363
01:52:16,600 --> 01:52:13,610

about that I am their support for this

2364

01:52:20,049 --> 01:52:16,610

it was a crazy and that was naked I you

2365

01:52:23,169 --> 01:52:20,059

know that was just blown across and but

2366

01:52:31,870 --> 01:52:23,179

if if we saw it like we did well so did

2367

01:52:33,399 --> 01:52:31,880

29 palms and like everybody else because

2368

01:52:38,219 --> 01:52:33,409

it was right there in the sky

2369

01:52:43,120 --> 01:52:41,109

there's nothing they could do so by

2370

01:52:45,489 --> 01:52:43,130

responding in knowing that there's

2371

01:52:48,129 --> 01:52:45,499

nothing they can do they're just looking

2372

01:52:49,929 --> 01:52:48,139

looking like they're not in control the

2373

01:52:51,729 --> 01:52:49,939

government's job is to be in control of

2374

01:52:53,259 --> 01:52:51,739

everything okay it doesn't matter what

2375

01:52:55,870 --> 01:52:53,269

it is the government wants to be in

2376

01:53:00,609 --> 01:52:55,880

control and they will bend over

2377

01:53:03,729 --> 01:53:00,619

backwards to not appear to be not in

2378

01:53:07,689 --> 01:53:03,739

control well when we come back I'm gonna

2379

01:53:10,000 --> 01:53:07,699

set this up for the return one one host

2380

01:53:14,109 --> 01:53:10,010

to another I'm gonna set this up for you

2381

01:53:18,270 --> 01:53:14,119

Chris is here we are going through a

2382

01:53:20,560 --> 01:53:18,280

pretty amazing year of UFO activity

2383

01:53:22,899 --> 01:53:20,570

reports it seems like we've got the

2384

01:53:26,020 --> 01:53:22,909

media behind us now finally talking

2385

01:53:29,180 --> 01:53:26,030

about it and in disclosure and and you

2386

01:53:32,240 --> 01:53:29,190

know we've got these reports fresh today

2387

01:53:36,680 --> 01:53:32,250

Ireland did you hear about that yeah

2388

01:53:41,360 --> 01:53:36,690

okay and so yeah yeah exactly

2389

01:53:43,939 --> 01:53:41,370

here we are is disclosure are we are are

2390

01:53:50,060 --> 01:53:43,949

we on the on the edge of something big

2391

01:53:52,450 --> 01:53:50,070

about to break yeah we should talk about

2392

01:53:55,790 --> 01:53:52,460

that definitely well what do you think

2393

01:53:59,150 --> 01:53:55,800

can you feel it is it is it terrible

2394

01:54:01,340 --> 01:53:59,160

yeah I can feel it sure but again I

2395

01:54:04,850 --> 01:54:01,350

think the whole idea of disclosure is

2396

01:54:07,340 --> 01:54:04,860

totally is totally beholden to the

2397

01:54:09,850 --> 01:54:07,350

wishes of that which we want disclosure

2398

01:54:15,320 --> 01:54:09,860

about I don't think that the government

2399

01:54:16,970 --> 01:54:15,330

has any file in any file cabinet that

2400

01:54:19,610 --> 01:54:16,980

they can whip out and tell us

2401

01:54:21,680 --> 01:54:19,620

definitively what we're dealing with I

2402

01:54:23,900 --> 01:54:21,690

think that they know a lot more than we

2403

01:54:26,660 --> 01:54:23,910

do and and I think your level of

2404

01:54:28,070 --> 01:54:26,670

confusion is based on how much you know

2405

01:54:29,120 --> 01:54:28,080

and since they know a lot more than we

2406

01:54:31,220 --> 01:54:29,130

do that means if there are a lot more

2407

01:54:34,189 --> 01:54:31,230

confused than we are and we're pretty

2408

01:54:35,450 --> 01:54:34,199

confused so that's saying a lot I think

2409

01:54:37,700 --> 01:54:35,460

the government will never admit that

2410

01:54:40,310 --> 01:54:37,710

they're not in control in any situation

2411

01:54:42,500 --> 01:54:40,320

now someone like a you know a wild card

2412

01:54:44,390 --> 01:54:42,510

like the Donald Trump maybe if he got

2413

01:54:47,300 --> 01:54:44,400

ahold of some information or was

2414

01:54:50,540 --> 01:54:47,310

actually allowed to be read in to a

2415

01:54:52,130 --> 01:54:50,550

level of secure information that he

2416

01:54:54,439 --> 01:54:52,140

would be the type of person that would

2417

01:54:57,200 --> 01:54:54,449

just kind of lose his head you know

2418

01:54:58,550 --> 01:54:57,210

possibly spill the beans whatever beans

2419

01:55:01,700 --> 01:54:58,560

there are to be spilled but I really

2420

01:55:03,800 --> 01:55:01,710

think that it's up to the to the ETS or

2421

01:55:06,439 --> 01:55:03,810

the extra dimensionals or the Time

2422

01:55:10,459 --> 01:55:06,449

Traveler's or the you know whatever is

2423

01:55:12,680 --> 01:55:10,469

going on I think I think it's totally

2424

01:55:14,060 --> 01:55:12,690

beholden to them to disclose their

2425

01:55:17,270 --> 01:55:14,070

presence and the very fact that they

2426

01:55:20,680 --> 01:55:17,280

haven't gives me the indication that

2427

01:55:25,420 --> 01:55:20,690

they're not going to anytime soon the

2428

01:55:28,790 --> 01:55:25,430

the the word disclosure when when I say

2429

01:55:30,800 --> 01:55:28,800

and I say it often that I don't need it

2430

01:55:33,640 --> 01:55:30,810

right I've had my sightings I know you

2431

01:55:37,430 --> 01:55:33,650

know there's something crazy going on

2432

01:55:39,620 --> 01:55:37,440

right exactly so for me right but when I

2433

01:55:41,720 --> 01:55:39,630

say that and certainly when I say that

2434

01:55:45,350 --> 01:55:41,730

kind of stuff publicly I

2435

01:55:50,210 --> 01:55:45,360

murmurs I you know I get anger from

2436

01:55:52,940 --> 01:55:50,220

because what they want they buy me

2437

01:55:55,790 --> 01:55:52,950

saying that is not what they want what

2438

01:55:58,610 --> 01:55:55,800

they want is you know the president

2439

01:56:02,060 --> 01:55:58,620

stepping up on live television and until

2440

01:56:05,300 --> 01:56:02,070

that happens it disclosure hasn't

2441

01:56:07,160 --> 01:56:05,310

occurred and yeah even if that does

2442

01:56:08,810 --> 01:56:07,170

happen half the population won't believe
