

APRIL 9, 2019

7 PM PT / 10 PM ET LIVE BROADCAST

ADAM CURRY

SPECIAL GUEST

**Ep. 1024**

**F2B**

WITH JIMMY CHURCH

ENTANGLED.ORG

copyright 2019 fade to black [www.jimmychurchradio.com](http://www.jimmychurchradio.com) Game Changer Network, Inc.

1  
00:00:16,230 --> 00:00:13,770

[Music]

2  
00:00:19,189 --> 00:00:16,240

[Applause]

3  
00:00:22,150 --> 00:00:19,199

bespoke radio for the masses headline

4  
00:00:23,990 --> 00:00:22,160

additionally july 8 1947

5  
00:00:26,470 --> 00:00:24,000

the army air forces has announced that a

6  
00:00:28,150 --> 00:00:26,480

flying disc has been found and is now in

7  
00:00:30,870 --> 00:00:28,160

the possession of the army

8  
00:00:32,870 --> 00:00:30,880

if the game is rigged change the game

9  
00:00:35,670 --> 00:00:32,880

game changer

10  
00:00:38,069 --> 00:00:35,680

i occasionally think how quickly

11  
00:00:39,350 --> 00:00:38,079

our differences worldwide

12  
00:00:42,069 --> 00:00:39,360

would vanish

13  
00:00:48,310 --> 00:00:42,079

if we were facing an alien threat from

14

00:00:53,750 --> 00:00:51,029

this is fade to black with your host

15

00:00:56,950 --> 00:00:53,760

jimmy church on the game changer radio

16

00:01:00,630 --> 00:00:56,960

network and kgra the global radio

17

00:01:05,900 --> 00:01:02,790

i need your help to get to the year

18

00:01:11,670 --> 00:01:09,670

[Music]

19

00:01:14,650 --> 00:01:11,680

you are listening to fate to flag with

20

00:01:18,070 --> 00:01:14,660

jimmy church on the game changer network

21

00:01:21,830 --> 00:01:18,080

[Music]

22

00:01:21,840 --> 00:01:25,670

feed the black

23

00:01:29,990 --> 00:01:27,510

this spoke

24

00:01:31,109 --> 00:01:30,000

radio

25

00:01:34,390 --> 00:01:31,119

for

26

00:01:34,400 --> 00:01:39,510

masses

27

00:01:43,429 --> 00:01:40,870

yeah

28

00:01:45,640 --> 00:01:43,439

how you doing today's tuesday april 9

29

00:01:48,630 --> 00:01:45,650

2019.

30

00:01:52,109 --> 00:01:48,640

[Music]

31

00:01:54,560 --> 00:01:52,119

99 days into the new year just

32

00:01:57,109 --> 00:01:54,570

266 days left we are live

33

00:01:59,429 --> 00:01:57,119

[Music]

34

00:02:01,350 --> 00:01:59,439

live from a bunker somewhere in the

35

00:02:02,709 --> 00:02:01,360

middle of beautiful downtown burbank

36

00:02:04,149 --> 00:02:02,719

california

37

00:02:05,910 --> 00:02:04,159

and i would like to welcome everybody

38

00:02:09,589 --> 00:02:05,920

listening all around the world all

39

00:02:11,990 --> 00:02:09,599

across the united states

40

00:02:13,830 --> 00:02:12,000

hither and tether to and fro back and

41

00:02:16,550 --> 00:02:13,840

forth up and down east and west north

42

00:02:23,910 --> 00:02:19,750

far and near

43

00:02:26,869 --> 00:02:23,920

this is fade to black for kj cr

44

00:02:31,510 --> 00:02:26,879

the game changer network and kg r a the

45

00:02:39,670 --> 00:02:35,509

what is cracking everybody how you doing

46

00:02:42,460 --> 00:02:41,910

yeah it's gonna go down tonight on bay

47

00:02:44,390 --> 00:02:42,470

to black

48

00:02:46,869 --> 00:02:44,400

[Music]

49

00:02:49,670 --> 00:02:46,879

tonight we have very special guest with

50

00:02:53,350 --> 00:02:49,680

us adam curry

51  
00:02:54,869 --> 00:02:53,360  
adam curry he is here for the first time

52  
00:02:55,830 --> 00:02:54,879  
we'll talk about that at the bottom of

53  
00:02:57,670 --> 00:02:55,840  
the hour

54  
00:02:59,270 --> 00:02:57,680  
he's here for the first time discussing

55  
00:03:00,550 --> 00:02:59,280  
his research into the collective

56  
00:03:04,070 --> 00:03:00,560  
consciousness

57  
00:03:07,030 --> 00:03:04,080  
memory and the mandela effect

58  
00:03:11,509 --> 00:03:07,040  
and stay tuned kids

59  
00:03:13,830 --> 00:03:11,519  
because tonight we are going to do

60  
00:03:16,309 --> 00:03:13,840  
an experiment

61  
00:03:18,790 --> 00:03:16,319  
with all of you we're going to do that

62  
00:03:20,630 --> 00:03:18,800  
live and more on that in just a bit and

63  
00:03:22,550 --> 00:03:20,640

i'm gonna let you know

64

00:03:25,750 --> 00:03:22,560

um i

65

00:03:28,309 --> 00:03:25,760

do not i didn't want to uh pollute

66

00:03:30,229 --> 00:03:28,319

things so i don't know i don't know what

67

00:03:31,990 --> 00:03:30,239

the experiment is i don't know how it's

68

00:03:34,390 --> 00:03:32,000

gonna play out because i'm going to do

69

00:03:37,830 --> 00:03:34,400

it with all of you at the same time

70

00:03:38,630 --> 00:03:37,840

and so get ready for that i'm i cannot

71

00:03:40,869 --> 00:03:38,640

wait

72

00:03:41,990 --> 00:03:40,879

to see what's going to happen so we're

73

00:03:44,390 --> 00:03:42,000

going to do that tonight it'll be a

74

00:03:48,070 --> 00:03:44,400

mandela effect experiment tonight with

75

00:03:50,869 --> 00:03:48,080

all of you live and i do want to remind

76  
00:03:52,789 --> 00:03:50,879  
everybody tomorrow night ufo researcher

77  
00:03:54,789 --> 00:03:52,799  
and author mj binayas is going to be

78  
00:03:58,470 --> 00:03:54,799  
here and we're going to talk about his

79  
00:04:00,470 --> 00:03:58,480  
new book it is called the ufo people and

80  
00:04:03,270 --> 00:04:00,480  
thursday night is another fader night

81  
00:04:04,949 --> 00:04:03,280  
with open lines all night long that is

82  
00:04:05,910 --> 00:04:04,959  
our week here last night we have billy

83  
00:04:07,190 --> 00:04:05,920  
carson

84  
00:04:08,869 --> 00:04:07,200  
great week

85  
00:04:10,470 --> 00:04:08,879  
uh here on fade to black and we we

86  
00:04:13,350 --> 00:04:10,480  
managed to do that every single week

87  
00:04:15,190 --> 00:04:13,360  
don't we uh just absolutely amazing

88  
00:04:17,030 --> 00:04:15,200

amazing programming and broadcasting

89

00:04:18,550 --> 00:04:17,040

here on fade to black okay so there you

90

00:04:20,710 --> 00:04:18,560

go that's our week

91

00:04:25,270 --> 00:04:20,720

and uh let's get this night started

92

00:04:27,189 --> 00:04:25,280

follow me on twitter at j church radio

93

00:04:29,189 --> 00:04:27,199

that's step number one

94

00:04:30,950 --> 00:04:29,199

at j church radio all of the new

95

00:04:33,510 --> 00:04:30,960

listeners out there that are tuning in

96

00:04:35,670 --> 00:04:33,520

tonight for the first time uh this is a

97

00:04:39,110 --> 00:04:35,680

fully interactive show

98

00:04:41,110 --> 00:04:39,120

uh twitter is always up and live in

99

00:04:43,990 --> 00:04:41,120

front of me so follow me on twitter at a

100

00:04:46,070 --> 00:04:44,000

church radio the conversation is called

101

00:04:48,070 --> 00:04:46,080

the sandbox

102

00:04:52,230 --> 00:04:48,080

it is

103

00:04:54,390 --> 00:04:52,240

f2bq

104

00:04:57,749 --> 00:04:54,400

and i you know it's weird i'm sitting

105

00:05:00,790 --> 00:04:57,759

here looking at twitter and and jim just

106

00:05:03,749 --> 00:05:00,800

tweeted is there a show tonight

107

00:05:05,510 --> 00:05:03,759

just like dude are you listening

108

00:05:08,390 --> 00:05:05,520

oh man

109

00:05:10,390 --> 00:05:08,400

oh maybe i didn't tweet out or we forgot

110

00:05:13,430 --> 00:05:10,400

to tweet out but everybody else here is

111

00:05:14,469 --> 00:05:13,440

uh participating their gym except for

112

00:05:18,950 --> 00:05:14,479

you

113

00:05:21,510 --> 00:05:18,960

all right uh so twitter the hashtag f2b

114

00:05:23,830 --> 00:05:21,520

is the sandbox okay

115

00:05:25,990 --> 00:05:23,840

and that's where uh those conversations

116

00:05:28,710 --> 00:05:26,000

occur and then we have two chat rooms

117

00:05:30,070 --> 00:05:28,720

one over at speaker and one over at k g

118

00:05:32,310 --> 00:05:30,080

r a

119

00:05:35,029 --> 00:05:32,320

the planet little programming note and

120

00:05:36,830 --> 00:05:35,039

oh you can follow like and subscribe all

121

00:05:39,590 --> 00:05:36,840

of our social media over at

122

00:05:41,350 --> 00:05:39,600

jimmychurchradio.com email is jimmy

123

00:05:42,550 --> 00:05:41,360

jimmychurchradio.com

124

00:05:44,550 --> 00:05:42,560

today

125

00:05:46,870 --> 00:05:44,560

i installed

126

00:05:50,150 --> 00:05:46,880

a new console

127

00:05:52,070 --> 00:05:50,160

right it's right here big too oh man and

128

00:05:55,590 --> 00:05:52,080

uh

129

00:05:57,430 --> 00:05:55,600

i had gremlins that popped up in in

130

00:06:00,550 --> 00:05:57,440

my old faithful you know

131

00:06:03,029 --> 00:06:00,560

and what's weird is i have uh a bunch of

132

00:06:05,430 --> 00:06:03,039

consoles that are stacked up against the

133

00:06:07,590 --> 00:06:05,440

wall uh down here in the bunker

134

00:06:11,110 --> 00:06:07,600

and some were new some were never used

135

00:06:13,510 --> 00:06:11,120

some were used whatever but um it just

136

00:06:14,870 --> 00:06:13,520

it just came down to it i guess after uh

137

00:06:17,350 --> 00:06:14,880

a few years

138

00:06:22,309 --> 00:06:17,360

so luckily uh

139

00:06:24,469 --> 00:06:22,319

uh you know i just had a a spare

140

00:06:25,430 --> 00:06:24,479

16 channel mackie

141

00:06:26,870 --> 00:06:25,440

lying

142

00:06:29,830 --> 00:06:26,880

leaning up against the wall that was

143

00:06:31,749 --> 00:06:29,840

never used and uh so

144

00:06:34,469 --> 00:06:31,759

uh you know and it's big too and i

145

00:06:36,230 --> 00:06:34,479

didn't want to but anyway so uh

146

00:06:39,110 --> 00:06:36,240

everything is just sounding crisp and

147

00:06:40,870 --> 00:06:39,120

clear and and those gremlins are gone i

148

00:06:41,909 --> 00:06:40,880

can't believe it okay

149

00:06:43,430 --> 00:06:41,919

all right

150

00:06:45,510 --> 00:06:43,440

uh

151  
00:06:47,350 --> 00:06:45,520  
let's see where am i let's just get

152  
00:06:50,870 --> 00:06:47,360  
straight to the breaking news

153  
00:06:52,950 --> 00:06:50,880  
very sad to announce today

154  
00:06:56,870 --> 00:06:52,960  
seymour cassell

155  
00:06:59,589 --> 00:06:56,880  
one of my favorite actors period

156  
00:07:02,390 --> 00:06:59,599  
best known for his roles by uh directors

157  
00:07:04,469 --> 00:07:02,400  
john cassavetes and wes anderson

158  
00:07:06,390 --> 00:07:04,479  
and with wes anderson you know that

159  
00:07:09,350 --> 00:07:06,400  
includes two of my all-time favorite

160  
00:07:10,550 --> 00:07:09,360  
movies of all time

161  
00:07:14,469 --> 00:07:10,560  
rushmore

162  
00:07:16,950 --> 00:07:14,479  
and the royal tenon bombs and uh seymour

163  
00:07:18,870 --> 00:07:16,960

in rushmore you know he played the dad

164

00:07:21,430 --> 00:07:18,880

you know the barber and then the royal

165

00:07:23,670 --> 00:07:21,440

tenon bombs it was even

166

00:07:25,029 --> 00:07:23,680

even a funnier role he played uh the

167

00:07:27,830 --> 00:07:25,039

elevator guy

168

00:07:31,749 --> 00:07:27,840

and uh the pro one of the protagonists i

169

00:07:34,550 --> 00:07:31,759

should say and uh he died today he was

170

00:07:36,710 --> 00:07:34,560

84 years old he uh

171

00:07:38,950 --> 00:07:36,720

had a great career great life funny guy

172

00:07:39,830 --> 00:07:38,960

great actor uh seymour caselle rest in

173

00:07:42,309 --> 00:07:39,840

peace

174

00:07:46,390 --> 00:07:42,319

okay and uh let's get on to the breaking

175

00:07:49,029 --> 00:07:46,400

news actress lori laughlin and 15 other

176  
00:07:50,070 --> 00:07:49,039  
wealthy parents now face an additional

177  
00:07:52,550 --> 00:07:50,080  
charge

178  
00:07:55,589 --> 00:07:52,560  
of money laundering as part of the

179  
00:07:58,390 --> 00:07:55,599  
growing college admissions scandal the

180  
00:08:01,110 --> 00:07:58,400  
parents who were charged last month with

181  
00:08:03,749 --> 00:08:01,120  
conspiracy to commit fraud were charged

182  
00:08:06,309 --> 00:08:03,759  
today in a superseding indictment with

183  
00:08:08,230 --> 00:08:06,319  
conspiring to launder bribes and other

184  
00:08:11,749 --> 00:08:08,240  
payments through a charity run by rick

185  
00:08:14,309 --> 00:08:11,759  
singer the mastermind of the scam as

186  
00:08:18,790 --> 00:08:14,319  
well as by transferring money into the

187  
00:08:20,469 --> 00:08:18,800  
united states to promote the fraud

188  
00:08:22,950 --> 00:08:20,479

laughlin

189

00:08:25,350 --> 00:08:22,960

yesterday did not plead guilty with all

190

00:08:27,270 --> 00:08:25,360

of the other parents including felicity

191

00:08:30,309 --> 00:08:27,280

hoffman felicity huffman pleaded guilty

192

00:08:32,230 --> 00:08:30,319

yesterday but lori loughlin's name and

193

00:08:35,269 --> 00:08:32,240

her husband massimo

194

00:08:39,509 --> 00:08:35,279

were not on that list

195

00:08:40,469 --> 00:08:39,519

i guess uh they're gonna fight this

196

00:08:42,149 --> 00:08:40,479

yeah

197

00:08:44,470 --> 00:08:42,159

all right

198

00:08:47,030 --> 00:08:44,480

okay here you go as i can't even believe

199

00:08:49,430 --> 00:08:47,040

this the midwest

200

00:08:51,509 --> 00:08:49,440

and the planes around the united states

201  
00:08:53,430 --> 00:08:51,519  
today received a warning from the

202  
00:08:56,150 --> 00:08:53,440  
national weather service

203  
00:08:58,870 --> 00:08:56,160  
of a massive winter storm expected to

204  
00:09:02,630 --> 00:08:58,880  
run from tuesday night tonight

205  
00:09:04,550 --> 00:09:02,640  
all the way through thursday yes

206  
00:09:07,910 --> 00:09:04,560  
blizzard warnings

207  
00:09:09,030 --> 00:09:07,920  
to 36 million people and let's not

208  
00:09:12,230 --> 00:09:09,040  
forget

209  
00:09:16,790 --> 00:09:12,240  
today is april 9th i think aren't we

210  
00:09:17,990 --> 00:09:16,800  
officially in spring headed into summer

211  
00:09:21,430 --> 00:09:18,000  
and

212  
00:09:25,829 --> 00:09:21,440  
look insert at this point

213  
00:09:29,110 --> 00:09:25,839

insert your own global warming joke here

214

00:09:31,829 --> 00:09:29,120

that's all i've got i don't know man

215

00:09:35,030 --> 00:09:31,839

i have no clue maybe it's over maybe

216

00:09:37,030 --> 00:09:35,040

we're now into global cooling

217

00:09:39,190 --> 00:09:37,040

but everybody wanted right

218

00:09:41,590 --> 00:09:39,200

be careful what you wish for

219

00:09:43,030 --> 00:09:41,600

all right now in the creepiest news

220

00:09:47,350 --> 00:09:43,040

category

221

00:09:52,070 --> 00:09:47,360

that's what this falls under

222

00:09:55,190 --> 00:09:52,080

i bring you this the world bank group

223

00:09:57,110 --> 00:09:55,200

unveiled a new system today

224

00:09:59,670 --> 00:09:57,120

to rank countries

225

00:10:02,230 --> 00:09:59,680

based on their success

226  
00:10:04,150 --> 00:10:02,240  
in developing human

227  
00:10:05,910 --> 00:10:04,160  
capital

228  
00:10:08,230 --> 00:10:05,920  
yes

229  
00:10:09,509 --> 00:10:08,240  
human capital you probably thought i

230  
00:10:10,710 --> 00:10:09,519  
said cattle

231  
00:10:13,590 --> 00:10:10,720  
i didn't

232  
00:10:14,949 --> 00:10:13,600  
but i probably should have but anyway

233  
00:10:18,310 --> 00:10:14,959  
the bank's

234  
00:10:20,870 --> 00:10:18,320  
human capital index

235  
00:10:23,030 --> 00:10:20,880  
showed poor african countries fared the

236  
00:10:26,630 --> 00:10:23,040  
worst in the rankings with chad and

237  
00:10:28,150 --> 00:10:26,640  
south sudan taking the two lowest spots

238  
00:10:31,110 --> 00:10:28,160

while singapore

239

00:10:34,710 --> 00:10:31,120

topped the list followed by south korea

240

00:10:38,230 --> 00:10:34,720

at number two and japan at number three

241

00:10:39,829 --> 00:10:38,240

and hong kong at number four

242

00:10:41,110 --> 00:10:39,839

the human

243

00:10:43,190 --> 00:10:41,120

capital

244

00:10:45,350 --> 00:10:43,200

index

245

00:10:48,389 --> 00:10:45,360

1984 is here

246

00:10:49,990 --> 00:10:48,399

all right huge news uh is coming

247

00:10:52,870 --> 00:10:50,000

tomorrow

248

00:10:56,150 --> 00:10:54,389

are you ready for this

249

00:10:58,389 --> 00:10:56,160

tomorrow

250

00:11:01,509 --> 00:10:58,399

on april 10th

251  
00:11:03,750 --> 00:11:01,519  
scientists from the event horizon

252  
00:11:05,269 --> 00:11:03,760  
telescope collaboration

253  
00:11:07,190 --> 00:11:05,279  
will present

254  
00:11:09,670 --> 00:11:07,200  
for the first time

255  
00:11:12,310 --> 00:11:09,680  
the first image ever

256  
00:11:14,389 --> 00:11:12,320  
of a black hole

257  
00:11:16,389 --> 00:11:14,399  
in their attempt to capture an image of

258  
00:11:17,269 --> 00:11:16,399  
a black hole scientists combine the

259  
00:11:19,829 --> 00:11:17,279  
power

260  
00:11:22,790 --> 00:11:19,839  
of eight radio telescopes around the

261  
00:11:23,990 --> 00:11:22,800  
world using very long baseline are you

262  
00:11:25,990 --> 00:11:24,000  
ready

263  
00:11:29,670 --> 00:11:26,000

interferometry

264

00:11:33,590 --> 00:11:29,680

and focus it on sagittarius a

265

00:11:35,509 --> 00:11:33,600

which is 26 000 light years away now

266

00:11:38,870 --> 00:11:35,519

apparently

267

00:11:40,470 --> 00:11:38,880

in the media prelude announcement to

268

00:11:43,670 --> 00:11:40,480

tomorrow's

269

00:11:44,949 --> 00:11:43,680

huge announcement in the release of this

270

00:11:46,710 --> 00:11:44,959

image

271

00:11:47,829 --> 00:11:46,720

um

272

00:11:50,710 --> 00:11:47,839

uh

273

00:11:53,910 --> 00:11:50,720

well just just let me say this

274

00:11:54,949 --> 00:11:53,920

this is uh quite possibly the

275

00:11:58,470 --> 00:11:54,959

the

276

00:12:01,590 --> 00:11:58,480

going to hit

277

00:12:05,030 --> 00:12:01,600

in a very very very long time so

278

00:12:07,030 --> 00:12:05,040

let's see what happens tomorrow

279

00:12:08,829 --> 00:12:07,040

on april 10th

280

00:12:11,470 --> 00:12:08,839

i'm excited i'm

281

00:12:15,509 --> 00:12:11,480

excited i'm excited

282

00:12:17,910 --> 00:12:15,519

sagittarius a 26 000 light years away

283

00:12:23,110 --> 00:12:19,590

why can't they shoot the black hole

284

00:12:25,269 --> 00:12:23,120

that's in the center of our milky way

285

00:12:28,069 --> 00:12:25,279

yeah yeah i don't know okay so there you

286

00:12:30,550 --> 00:12:28,079

go it's going down tomorrow on april

287

00:12:33,430 --> 00:12:30,560

10th now i want to remind everybody to

288

00:12:38,949 --> 00:12:33,440

get the surfer music streaming app

289

00:12:40,870 --> 00:12:38,959

that's s u r f r dot f m surfer the

290

00:12:43,190 --> 00:12:40,880

surfer music streaming app it's totally

291

00:12:45,910 --> 00:12:43,200

free to download totally free to use and

292

00:12:48,790 --> 00:12:45,920

you don't give up any of your personal

293

00:12:50,550 --> 00:12:48,800

information any private stuff email

294

00:12:53,190 --> 00:12:50,560

nothing like that all you do is download

295

00:12:55,190 --> 00:12:53,200

it start listening to music click on the

296

00:12:56,949 --> 00:12:55,200

banners over at jimmychurchradio.com

297

00:12:58,710 --> 00:12:56,959

it's right there surfer

298

00:13:01,030 --> 00:12:58,720

and if you want to go to the website

299

00:13:02,069 --> 00:13:01,040

just go to s-u-r-f-r-dot

300

00:13:04,069 --> 00:13:02,079

fm

301

00:13:07,509 --> 00:13:04,079

just download it android apple

302

00:13:10,870 --> 00:13:07,519

everything is right there now

303

00:13:12,710 --> 00:13:10,880

tonight adam curry is with us adam curry

304

00:13:15,509 --> 00:13:12,720

is going to be at contact in the desert

305

00:13:17,829 --> 00:13:15,519

this may 31st through june 3rd in indian

306

00:13:20,389 --> 00:13:17,839

wells palm springs california

307

00:13:22,230 --> 00:13:20,399

and of course we will be there

308

00:13:25,190 --> 00:13:22,240

and it will be at the renaissance indian

309

00:13:28,069 --> 00:13:25,200

wells resort and spa tickets and info

310

00:13:29,750 --> 00:13:28,079

are over at contact in the desert dot

311

00:13:31,350 --> 00:13:29,760

com we are doing three events that

312

00:13:34,150 --> 00:13:31,360

weekend three fade to black events of

313

00:13:36,230 --> 00:13:34,160

course we're broadcasting live on friday

314

00:13:38,629 --> 00:13:36,240

night with a studio audience like we do

315

00:13:40,870 --> 00:13:38,639

every year saturday night i am hosting

316

00:13:42,389 --> 00:13:40,880

the awards dinner

317

00:13:44,629 --> 00:13:42,399

and you need to get separate tickets for

318

00:13:46,550 --> 00:13:44,639

that and i encourage all of you to go

319

00:13:48,470 --> 00:13:46,560

and do that because i want all fader

320

00:13:50,790 --> 00:13:48,480

knots there in your fade to black

321

00:13:52,870 --> 00:13:50,800

t-shirts and that saturday night and

322

00:13:53,990 --> 00:13:52,880

then sunday night i'm hosting the uh

323

00:13:56,389 --> 00:13:54,000

closing

324

00:13:57,670 --> 00:13:56,399

uh panel that i do every year on sunday

325

00:13:59,670 --> 00:13:57,680

night and

326

00:14:02,150 --> 00:13:59,680

then the closing ceremonies which will

327

00:14:05,430 --> 00:14:02,160

be right after that okay and then coming

328

00:14:07,430 --> 00:14:05,440

up it is our 2019 soltech conference

329

00:14:09,829 --> 00:14:07,440

it is over the july 4th weekend at the

330

00:14:12,389 --> 00:14:09,839

sunrise ranch in beautiful loveland

331

00:14:14,829 --> 00:14:12,399

colorado you can sign up for tickets and

332

00:14:16,710 --> 00:14:14,839

info right now at

333

00:14:18,310 --> 00:14:16,720

seoultechgathering.com got a beautiful

334

00:14:19,670 --> 00:14:18,320

website right there for you to check out

335

00:14:21,750 --> 00:14:19,680

you can click on the banner so just

336

00:14:23,910 --> 00:14:21,760

punch in soultechgathering.com

337

00:14:26,069 --> 00:14:23,920

and we've got a full schedule and bios

338

00:14:27,430 --> 00:14:26,079

all the speakers all the events

339

00:14:29,269 --> 00:14:27,440

everything that we've got planned and of

340

00:14:30,949 --> 00:14:29,279

course accommodations and food and all

341

00:14:33,829 --> 00:14:30,959

of that everything that you need is

342

00:14:36,710 --> 00:14:33,839

right there soul tech is where we teach

343

00:14:39,030 --> 00:14:36,720

it is a classroom environment it is

344

00:14:41,590 --> 00:14:39,040

absolutely amazing

345

00:14:44,790 --> 00:14:41,600

and we take care of everything so go and

346

00:14:47,350 --> 00:14:44,800

do it now soul tech gathering

347

00:14:48,150 --> 00:14:47,360

the july 4th weekend and rumor does have

348

00:14:50,870 --> 00:14:48,160

it

349

00:14:54,710 --> 00:14:50,880

that we're going to have a cook-off

350

00:14:56,629 --> 00:14:54,720

that's right a kook-off sagittarius a is

351

00:14:59,430 --> 00:14:56,639

the supermassive black hole at the

352

00:15:01,670 --> 00:14:59,440

center of our galaxy you will be pleased

353

00:15:04,629 --> 00:15:01,680

to know

354

00:15:07,110 --> 00:15:04,639

and that is from corby ways

355

00:15:09,829 --> 00:15:07,120

uh so the center of our galaxy is only

356

00:15:11,030 --> 00:15:09,839

20 000 light years 26 000 light years

357

00:15:13,670 --> 00:15:11,040

away

358

00:15:15,430 --> 00:15:13,680

is that right

359

00:15:16,710 --> 00:15:15,440

corby

360

00:15:18,790 --> 00:15:16,720

is that right

361

00:15:22,310 --> 00:15:18,800

i want to make sure here let's not

362

00:15:24,550 --> 00:15:22,320

spread the wrong information

363

00:15:26,629 --> 00:15:24,560

but but i'll give you credit if that is

364

00:15:27,829 --> 00:15:26,639

indeed right i thought that was much

365

00:15:29,509 --> 00:15:27,839

further

366

00:15:31,829 --> 00:15:29,519

away okay

367

00:15:34,550 --> 00:15:31,839

all right don't forget to subscribe to

368

00:15:36,470 --> 00:15:34,560

our podcast it is just two dollars per

369

00:15:38,470 --> 00:15:36,480

month go to jimmyturtradio.com click on

370

00:15:40,790 --> 00:15:38,480

that podcast banner you can also become

371

00:15:43,750 --> 00:15:40,800

an official fader not

372

00:15:45,269 --> 00:15:43,760

over in our

373

00:15:46,870 --> 00:15:45,279

membership section on the side i'm

374

00:15:49,829 --> 00:15:46,880

looking at these tweets

375

00:15:50,790 --> 00:15:49,839

and uh you guys are too smart see i i

376

00:15:54,230 --> 00:15:50,800

don't

377

00:15:56,470 --> 00:15:54,240

understand you know i i'm not a

378

00:15:58,470 --> 00:15:56,480

scientist i don't understand the stuff

379

00:16:01,030 --> 00:15:58,480

but apparently

380

00:16:02,629 --> 00:16:01,040

you guys are you guys are the smartest

381

00:16:03,749 --> 00:16:02,639

out there let's get this show cracking

382

00:16:06,550 --> 00:16:03,759

right now

383

00:16:08,629 --> 00:16:06,560

happy birthday to today my chemical

384

00:16:10,710 --> 00:16:08,639

romance front man

385

00:16:14,710 --> 00:16:10,720

gerard way

386

00:16:17,110 --> 00:16:14,720

today is 42 and i did that

387

00:16:18,949 --> 00:16:17,120

for my daughters

388

00:16:22,310 --> 00:16:18,959

my daughters

389

00:16:24,550 --> 00:16:22,320

growing up you know was weird because i

390

00:16:26,389 --> 00:16:24,560

remember the posters that i had in my

391

00:16:28,230 --> 00:16:26,399

bedroom i had a black sabbath poster i

392

00:16:30,550 --> 00:16:28,240

had a poster of chicago

393

00:16:31,430 --> 00:16:30,560

i had a kiss poster that came out of

394

00:16:36,230 --> 00:16:31,440

like

395

00:16:38,310 --> 00:16:36,240

ah kiss double platinum or something had

396

00:16:41,110 --> 00:16:38,320

a poster in it but anyway

397

00:16:43,629 --> 00:16:41,120

kiss army poster my daughters

398

00:16:45,509 --> 00:16:43,639

my chemical romance

399

00:16:47,030 --> 00:16:45,519

everywhere

400

00:16:50,470 --> 00:16:47,040

it was uh

401  
00:16:53,189 --> 00:16:50,480  
it was crazy and i got to actually

402  
00:16:55,670 --> 00:16:53,199  
like the band so there you go happy

403  
00:16:58,629 --> 00:16:55,680  
birthday today to gerard way 42 years

404  
00:17:01,749 --> 00:16:58,639  
old also today dennis quaid

405  
00:17:04,949 --> 00:17:01,759  
dennis quaid today is 65 years old on

406  
00:17:08,470 --> 00:17:04,959  
this day in history and it was a biggen

407  
00:17:10,949 --> 00:17:08,480  
is a big 1959 nasa

408  
00:17:12,390 --> 00:17:10,959  
introduces america's first astronauts to

409  
00:17:15,029 --> 00:17:12,400  
the press

410  
00:17:17,429 --> 00:17:15,039  
scott carpenter gordon cooper john glenn

411  
00:17:20,630 --> 00:17:17,439  
gus grissom walter shira

412  
00:17:22,069 --> 00:17:20,640  
alan shepard and donald d

413  
00:17:25,510 --> 00:17:22,079

slaton

414

00:17:28,789 --> 00:17:25,520  
on this day in 1959

415

00:17:32,470 --> 00:17:28,799  
here's your fader fact

416

00:17:36,870 --> 00:17:34,310  
toilet paper

417

00:17:39,110 --> 00:17:36,880  
sold for home use

418

00:17:39,909 --> 00:17:39,120  
in france

419

00:17:43,190 --> 00:17:39,919  
is

420

00:17:47,190 --> 00:17:44,630  
yep

421

00:17:52,230 --> 00:17:47,200  
that

422

00:17:55,590 --> 00:17:53,990  
all right tonight very special guest

423

00:17:57,830 --> 00:17:55,600  
adam curry is here

424

00:17:59,990 --> 00:17:57,840  
and he is here for the first time and we

425

00:18:02,230 --> 00:18:00,000  
will be discussing all of his research

426  
00:18:03,270 --> 00:18:02,240  
into the collective consciousness and

427  
00:18:05,190 --> 00:18:03,280  
memory

428  
00:18:07,110 --> 00:18:05,200  
and what consciousness is and the

429  
00:18:09,350 --> 00:18:07,120  
mandela effect

430  
00:18:11,669 --> 00:18:09,360  
and all of his exciting research that he

431  
00:18:12,630 --> 00:18:11,679  
has been doing over the years so that is

432  
00:18:15,270 --> 00:18:12,640  
tonight

433  
00:18:16,630 --> 00:18:15,280  
and later on in the show we will be

434  
00:18:19,029 --> 00:18:16,640  
performing

435  
00:18:21,830 --> 00:18:19,039  
an experiment with all of you so get

436  
00:18:24,390 --> 00:18:21,840  
ready for that and we'll get the results

437  
00:18:26,310 --> 00:18:24,400  
of the experiment tonight from you

438  
00:18:29,110 --> 00:18:26,320

during the show tomorrow night ufo

439

00:18:30,710 --> 00:18:29,120

researcher and author mj binayas is here

440

00:18:33,750 --> 00:18:30,720

and we're going to talk about his new

441

00:18:37,510 --> 00:18:33,760

book the ufo people it is a fascinating

442

00:18:39,750 --> 00:18:37,520

read and i believe it releases

443

00:18:45,990 --> 00:18:39,760

tomorrow

444

00:18:48,470 --> 00:18:46,000

yeah the ufo people i you know i got the

445

00:18:50,470 --> 00:18:48,480

advanced copy i've already read it it's

446

00:18:52,630 --> 00:18:50,480

a great read thursday night is another

447

00:18:55,029 --> 00:18:52,640

fader night with open lines

448

00:18:56,710 --> 00:18:55,039

all night long and this is the point of

449

00:18:57,990 --> 00:18:56,720

the show

450

00:19:00,390 --> 00:18:58,000

every night

451  
00:19:04,470 --> 00:19:00,400  
where i take a sip of my river moon

452  
00:19:08,950 --> 00:19:06,230  
they are a sponsor

453  
00:19:11,350 --> 00:19:08,960  
it is truly the best coffee in the world

454  
00:19:13,430 --> 00:19:11,360  
fade to black blend go to river moon

455  
00:19:16,950 --> 00:19:13,440  
coffee dot com

456  
00:19:19,510 --> 00:19:16,960  
fade to black blend and use your promo

457  
00:19:23,270 --> 00:19:19,520  
code it is f the number two

458  
00:19:24,630 --> 00:19:23,280  
blend f2 it's f2b blend f2 blend f2b

459  
00:19:27,029 --> 00:19:24,640  
blend

460  
00:19:29,669 --> 00:19:27,039  
is the promo code and you will get 15

461  
00:19:31,750 --> 00:19:29,679  
off of your order right now

462  
00:19:35,590 --> 00:19:31,760  
okay it is the best coffee in the world

463  
00:19:40,070 --> 00:19:37,350

and i need it

464

00:19:44,070 --> 00:19:40,080

and the reason why i needed is this

465

00:19:47,350 --> 00:19:44,080

i am constantly thinking about

466

00:19:51,430 --> 00:19:49,990

what is it it's one of the most debated

467

00:19:52,390 --> 00:19:51,440

subjects

468

00:19:54,549 --> 00:19:52,400

period

469

00:19:55,830 --> 00:19:54,559

not only in our community but with

470

00:19:57,029 --> 00:19:55,840

science

471

00:19:58,710 --> 00:19:57,039

religion

472

00:20:01,990 --> 00:19:58,720

philosophy

473

00:20:06,310 --> 00:20:02,000

everybody's arguing everybody knows

474

00:20:07,750 --> 00:20:06,320

but nobody really knows the true answer

475

00:20:09,430 --> 00:20:07,760

right although it seems like we're

476  
00:20:10,310 --> 00:20:09,440  
getting close

477  
00:20:16,789 --> 00:20:10,320  
and

478  
00:20:18,710 --> 00:20:16,799  
about when i when i uh address these

479  
00:20:23,110 --> 00:20:18,720  
very simple issues

480  
00:20:25,669 --> 00:20:23,120  
you know downloading our memories onto a

481  
00:20:28,870 --> 00:20:25,679  
chip you know immortality or maybe to

482  
00:20:31,430 --> 00:20:28,880  
travel the stars interstellar maybe move

483  
00:20:33,190 --> 00:20:31,440  
this into an android body or robot you

484  
00:20:34,870 --> 00:20:33,200  
know whatever would you do it i ask

485  
00:20:36,310 --> 00:20:34,880  
these questions all the time and i'm

486  
00:20:37,669 --> 00:20:36,320  
wondering you know because i love the

487  
00:20:42,870 --> 00:20:37,679  
movie tron

488  
00:20:44,630 --> 00:20:42,880

lays it out right there

489

00:20:46,470 --> 00:20:44,640

right but

490

00:20:48,789 --> 00:20:46,480

what about

491

00:20:50,950 --> 00:20:48,799

what makes you you

492

00:20:51,830 --> 00:20:50,960

how does that transfer

493

00:20:53,590 --> 00:20:51,840

you see

494

00:20:55,510 --> 00:20:53,600

here's the thing and here's the real

495

00:20:58,630 --> 00:20:55,520

deal

496

00:21:00,950 --> 00:20:58,640

we all have brains

497

00:21:03,350 --> 00:21:00,960

right allegedly

498

00:21:06,789 --> 00:21:03,360

you know which we do we all have brains

499

00:21:08,310 --> 00:21:06,799

and they all operate the same

500

00:21:10,390 --> 00:21:08,320

allegedly

501  
00:21:13,430 --> 00:21:10,400  
right they do

502  
00:21:15,669 --> 00:21:13,440  
and if that is the case where all of the

503  
00:21:16,390 --> 00:21:15,679  
neurons and all of those connections and

504  
00:21:24,470 --> 00:21:16,400  
the

505  
00:21:25,669 --> 00:21:24,480  
that are happening at any moment that

506  
00:21:27,350 --> 00:21:25,679  
essentially

507  
00:21:30,549 --> 00:21:27,360  
everything is operating the same way

508  
00:21:32,950 --> 00:21:30,559  
much like a computer by the way well if

509  
00:21:36,870 --> 00:21:32,960  
that is the case

510  
00:21:39,590 --> 00:21:36,880  
then why aren't we all just the same

511  
00:21:41,590 --> 00:21:39,600  
why are we robots

512  
00:21:43,510 --> 00:21:41,600  
right making all the same decisions

513  
00:21:46,630 --> 00:21:43,520

liking all the same things may you know

514

00:21:50,310 --> 00:21:46,640

not even liking

515

00:21:53,350 --> 00:21:50,320

right what makes us different

516

00:21:55,510 --> 00:21:53,360

we can't figure that part out

517

00:21:57,110 --> 00:21:55,520

that possibly

518

00:21:59,510 --> 00:21:57,120

everything

519

00:22:02,230 --> 00:21:59,520

that we do

520

00:22:04,710 --> 00:22:02,240

you know over periods of time and i'm

521

00:22:06,230 --> 00:22:04,720

talking about seconds nanoseconds that

522

00:22:08,230 --> 00:22:06,240

everything that we do that it's so

523

00:22:12,710 --> 00:22:08,240

complex

524

00:22:15,350 --> 00:22:12,720

is what makes us different that's one

525

00:22:17,590 --> 00:22:15,360

idea and it that kind of makes sense but

526

00:22:20,470 --> 00:22:17,600

i don't even go down that road

527

00:22:25,029 --> 00:22:20,480

because that's a mechanical road

528

00:22:26,549 --> 00:22:25,039

we see we hear we taste and feel things

529

00:22:29,510 --> 00:22:26,559

differently

530

00:22:31,909 --> 00:22:29,520

you don't feel them all the same

531

00:22:34,549 --> 00:22:31,919

and it's really a simple concept i like

532

00:22:36,149 --> 00:22:34,559

black pants you like blue

533

00:22:38,710 --> 00:22:36,159

i don't know what the difference we see

534

00:22:41,750 --> 00:22:38,720

the same colors but we see those colors

535

00:22:44,789 --> 00:22:41,760

differently what what appeals to you

536

00:22:46,950 --> 00:22:44,799

you know why do uh why do i hate

537

00:22:49,990 --> 00:22:46,960

brussels sprouts

538

00:22:51,590 --> 00:22:50,000

and i'll i'll watch people shovel brush

539

00:22:53,350 --> 00:22:51,600

just

540

00:22:55,350 --> 00:22:53,360

like oh that's the most i can't even

541

00:22:59,029 --> 00:22:55,360

stand the smell right

542

00:23:01,590 --> 00:22:59,039

but that's what makes us all different

543

00:23:03,990 --> 00:23:01,600

it's a fundamental thing and when i'm

544

00:23:06,390 --> 00:23:04,000

when i crack the joke you know god

545

00:23:08,470 --> 00:23:06,400

invented vanilla and chocolate ice cream

546

00:23:10,310 --> 00:23:08,480

so we could all make choices right well

547

00:23:14,310 --> 00:23:10,320

think about the the

548

00:23:20,230 --> 00:23:18,310

you see one side of science

549

00:23:24,310 --> 00:23:20,240

actually thinks

550

00:23:26,470 --> 00:23:24,320

that all of nature is mechanical

551  
00:23:29,350 --> 00:23:26,480  
it's mechanical

552  
00:23:31,510 --> 00:23:29,360  
right it's it's ones and zeros it's math

553  
00:23:32,710 --> 00:23:31,520  
it just happens

554  
00:23:36,950 --> 00:23:32,720  
literally

555  
00:23:39,350 --> 00:23:36,960  
nature runs like a machine that nature

556  
00:23:42,390 --> 00:23:39,360  
is a machine that nature is mechanical

557  
00:23:47,350 --> 00:23:42,400  
which includes us

558  
00:23:49,029 --> 00:23:47,360  
and this is where the debate gets nasty

559  
00:23:50,870 --> 00:23:49,039  
it does because it doesn't make any

560  
00:23:53,510 --> 00:23:50,880  
sense does it

561  
00:23:55,590 --> 00:23:53,520  
and and that consciousness part that

562  
00:23:59,190 --> 00:23:55,600  
makes us us

563  
00:24:01,350 --> 00:23:59,200

if it's not really part of what is

564

00:24:03,669 --> 00:24:01,360

electrical and what is mechanical which

565

00:24:05,590 --> 00:24:03,679

i i just don't think that it is

566

00:24:07,029 --> 00:24:05,600

i don't but i don't have all the answers

567

00:24:09,270 --> 00:24:07,039

right

568

00:24:11,350 --> 00:24:09,280

then what happens to that consciousness

569

00:24:13,990 --> 00:24:11,360

where does it go well again that's

570

00:24:17,430 --> 00:24:14,000

another debate and it gets it gets

571

00:24:19,190 --> 00:24:17,440

bigger and more complicated as we start

572

00:24:22,310 --> 00:24:19,200

to look at it and try to answer these

573

00:24:24,149 --> 00:24:22,320

questions and ask more questions

574

00:24:26,149 --> 00:24:24,159

so it comes down to some fundamental

575

00:24:27,909 --> 00:24:26,159

things here what will it take to get the

576  
00:24:29,590 --> 00:24:27,919  
answer

577  
00:24:31,750 --> 00:24:29,600  
what will it take

578  
00:24:36,070 --> 00:24:31,760  
what would it take to get everyone to

579  
00:24:39,269 --> 00:24:36,080  
agree as to what consciousness really is

580  
00:24:41,750 --> 00:24:39,279  
you know and i i'm not so sure i know

581  
00:24:44,070 --> 00:24:41,760  
it does remind me

582  
00:24:48,070 --> 00:24:44,080  
it would be something like this dramatic

583  
00:24:50,789 --> 00:24:48,080  
it reminds me of the end of the movie uh

584  
00:24:52,870 --> 00:24:50,799  
spielberg um ai

585  
00:25:00,710 --> 00:24:52,880  
reminds me of the movie ai

586  
00:25:05,909 --> 00:25:03,269  
his character david

587  
00:25:07,830 --> 00:25:05,919  
is on a quest for

588  
00:25:09,830 --> 00:25:07,840

a blue mermaid i think it's a blue

589

00:25:11,669 --> 00:25:09,840

mermaid i i could be destroying the

590

00:25:13,669 --> 00:25:11,679

movie right now but i think it's a blue

591

00:25:16,230 --> 00:25:13,679

mermaid right and that's that's his

592

00:25:17,350 --> 00:25:16,240

quest in the movie and in the end of the

593

00:25:19,430 --> 00:25:17,360

movie

594

00:25:22,149 --> 00:25:19,440

him and uh

595

00:25:23,990 --> 00:25:22,159

oh i can't remember the android that's

596

00:25:26,470 --> 00:25:24,000

with him uh

597

00:25:29,269 --> 00:25:26,480

uh they you know they get in that little

598

00:25:32,230 --> 00:25:29,279

ship and they they get under the ocean

599

00:25:33,510 --> 00:25:32,240

they go down they cruise up david finds

600

00:25:35,830 --> 00:25:33,520

the mermaid

601  
00:25:38,789 --> 00:25:35,840  
remember and he's looking

602  
00:25:41,029 --> 00:25:38,799  
and that's it and then he's just and

603  
00:25:43,029 --> 00:25:41,039  
then his battery power runs out hundreds

604  
00:25:43,990 --> 00:25:43,039  
of years go by

605  
00:25:45,029 --> 00:25:44,000  
and

606  
00:25:47,430 --> 00:25:45,039  
then

607  
00:25:48,390 --> 00:25:47,440  
they they do a cut scene and in the cut

608  
00:25:50,870 --> 00:25:48,400  
scene

609  
00:25:54,390 --> 00:25:50,880  
you see this craft going across now you

610  
00:25:55,510 --> 00:25:54,400  
see new york and new york is under ice

611  
00:25:58,230 --> 00:25:55,520  
right

612  
00:26:00,630 --> 00:25:58,240  
and on this craft and it's a cube and

613  
00:26:02,870 --> 00:26:00,640

it's one of the coolest uh craft that

614

00:26:05,029 --> 00:26:02,880

i've ever seen conceptualized

615

00:26:06,630 --> 00:26:05,039

uh pretty original turns out that that's

616

00:26:08,630 --> 00:26:06,640

e.t

617

00:26:11,029 --> 00:26:08,640

right ct and they're piling in the craft

618

00:26:13,029 --> 00:26:11,039

and they go down you know and they're

619

00:26:14,549 --> 00:26:13,039

they're cutting through the ice

620

00:26:16,710 --> 00:26:14,559

and somehow

621

00:26:18,390 --> 00:26:16,720

they find david

622

00:26:19,990 --> 00:26:18,400

and david

623

00:26:24,870 --> 00:26:20,000

is frozen

624

00:26:28,950 --> 00:26:24,880

and he's there uh staring at the mermaid

625

00:26:32,070 --> 00:26:28,960

and david is like the last evidence

626  
00:26:33,029 --> 00:26:32,080  
that they have of what humans are or

627  
00:26:35,350 --> 00:26:33,039  
were

628  
00:26:37,269 --> 00:26:35,360  
so they revive david they revive his

629  
00:26:39,430 --> 00:26:37,279  
memory remember that but okay so that's

630  
00:26:41,430 --> 00:26:39,440  
not the point the point is

631  
00:26:44,230 --> 00:26:41,440  
who e.t was

632  
00:26:46,390 --> 00:26:44,240  
this evolved being right and they were

633  
00:26:49,510 --> 00:26:46,400  
light beings

634  
00:26:52,070 --> 00:26:49,520  
they turned out to be light

635  
00:26:54,870 --> 00:26:52,080  
fully conscious

636  
00:26:58,310 --> 00:26:54,880  
right where this body now

637  
00:27:00,950 --> 00:26:58,320  
is not what we would think you know

638  
00:27:03,029 --> 00:27:00,960

a body something that you can touch

639

00:27:06,070 --> 00:27:03,039

they are light beings

640

00:27:08,149 --> 00:27:06,080

with consciousness

641

00:27:10,230 --> 00:27:08,159

think about that for a second

642

00:27:11,750 --> 00:27:10,240

and when we get those answers when the

643

00:27:15,269 --> 00:27:11,760

answers come

644

00:27:17,750 --> 00:27:15,279

you know us how we will evolve in 10 000

645

00:27:19,190 --> 00:27:17,760

years are we going to be in these bodies

646

00:27:20,470 --> 00:27:19,200

of ours

647

00:27:22,149 --> 00:27:20,480

i don't know

648

00:27:23,750 --> 00:27:22,159

probably not

649

00:27:25,190 --> 00:27:23,760

but what about this

650

00:27:27,350 --> 00:27:25,200

our consciousness

651  
00:27:29,190 --> 00:27:27,360  
that's going to make those light being

652  
00:27:32,230 --> 00:27:29,200  
bodies of ours

653  
00:27:34,549 --> 00:27:32,240  
a million years in the future different

654  
00:27:36,710 --> 00:27:34,559  
that like different things

655  
00:27:39,110 --> 00:27:36,720  
think about that and that's what this

656  
00:27:42,630 --> 00:27:39,120  
show was about tonight it is going to be

657  
00:27:45,350 --> 00:27:42,640  
an amazing conversation adam curry and

658  
00:27:47,590 --> 00:27:45,360  
his team has been studying this and

659  
00:27:49,830 --> 00:27:47,600  
working forward to what not only

660  
00:27:52,549 --> 00:27:49,840  
consciousness is but collective

661  
00:27:55,430 --> 00:27:52,559  
consciousness and collective memories

662  
00:27:57,590 --> 00:27:55,440  
and how we affect each other that's the

663  
00:27:59,430 --> 00:27:57,600

show tonight get ready it's going to be

664

00:28:01,029 --> 00:27:59,440

an amazing conversation i've been

665

00:28:04,789 --> 00:28:01,039

looking forward to this

666

00:28:07,029 --> 00:28:04,799

for five years tonight adam curry is

667

00:28:09,029 --> 00:28:07,039

here i am your host jimmy church this is

668

00:28:11,590 --> 00:28:09,039

fade to black you can follow me on

669

00:28:15,510 --> 00:28:11,600

twitter at jchurchradio you can follow

670

00:28:17,430 --> 00:28:15,520

adam curry at adam curry on twitter

671

00:28:19,110 --> 00:28:17,440

we've got it up right there and i'll be

672

00:28:20,710 --> 00:28:19,120

right back with tonight's guest adam

673

00:28:23,020 --> 00:28:20,720

curry right after this your break stay

674

00:28:37,269 --> 00:28:23,030

with us

675

00:28:40,570 --> 00:28:39,350

all right welcome back fade to black i

676  
00:28:43,190 --> 00:28:40,580  
am your host jimmy church

677  
00:28:45,830 --> 00:28:43,200  
[Music]

678  
00:28:46,870 --> 00:28:45,840  
i cannot wait for this show to get

679  
00:28:48,389 --> 00:28:46,880  
started

680  
00:28:50,789 --> 00:28:48,399  
tomorrow nights

681  
00:28:53,269 --> 00:28:50,799  
mj banayas is going to be here

682  
00:28:55,669 --> 00:28:53,279  
going to talk about his new book the ufo

683  
00:28:57,909 --> 00:28:55,679  
people thursday is another fader night

684  
00:28:59,669 --> 00:28:57,919  
open lines all night long tonight it's

685  
00:29:02,389 --> 00:28:59,679  
adam curry

686  
00:29:03,669 --> 00:29:02,399  
adam is an inventor he's a a tech

687  
00:29:06,389 --> 00:29:03,679  
entrepreneur

688  
00:29:08,149 --> 00:29:06,399

in silicon valley his background is in

689

00:29:09,590 --> 00:29:08,159

traditional hardware and software

690

00:29:11,110 --> 00:29:09,600

startups

691

00:29:13,590 --> 00:29:11,120

and in the scientific study of

692

00:29:16,230 --> 00:29:13,600

consciousness having spent over 10 years

693

00:29:18,630 --> 00:29:16,240

in its research community at places like

694

00:29:21,430 --> 00:29:18,640

princeton university's pear lab and the

695

00:29:25,110 --> 00:29:21,440

institute of noetic sciences he got a

696

00:29:26,950 --> 00:29:25,120

start in tech at the age of 17 when mit

697

00:29:29,909 --> 00:29:26,960

named an asteroid after him for

698

00:29:32,710 --> 00:29:29,919

inventing a new seismology device based

699

00:29:35,190 --> 00:29:32,720

on electrogravitics his work has been

700

00:29:38,230 --> 00:29:35,200

featured on through the wormhole vice

701  
00:29:39,990 --> 00:29:38,240  
and elsewhere currently he is co-founder

702  
00:29:41,590 --> 00:29:40,000  
and manager of several companies based

703  
00:29:44,470 --> 00:29:41,600  
on new paradigm science including

704  
00:29:47,430 --> 00:29:44,480  
entangled which is a mobile app that

705  
00:29:50,070 --> 00:29:47,440  
explores global consciousness

706  
00:29:52,549 --> 00:29:50,080  
is the mandela effect simply widespread

707  
00:29:55,669 --> 00:29:52,559  
false memory syndrome or could physical

708  
00:29:57,510 --> 00:29:55,679  
reality be shifting behind the scenes

709  
00:29:59,350 --> 00:29:57,520  
well tonight adam is going to discuss

710  
00:30:01,269 --> 00:29:59,360  
some of the best examples of that effect

711  
00:30:03,430 --> 00:30:01,279  
covering a variety of proposed

712  
00:30:05,510 --> 00:30:03,440  
explanations and we're going to talk

713  
00:30:08,710 --> 00:30:05,520

about some of his adventures attempting

714

00:30:10,230 --> 00:30:08,720

to create many mandela effects

715

00:30:12,630 --> 00:30:10,240

you never know what might happen on the

716

00:30:14,710 --> 00:30:12,640

show tonight right so get ready we're

717

00:30:15,990 --> 00:30:14,720

going to do all of this tonight

718

00:30:18,389 --> 00:30:16,000

and i would like to welcome for the

719

00:30:21,269 --> 00:30:18,399

first time to fade to black adam curry

720

00:30:22,789 --> 00:30:21,279

adam good evening man how are you

721

00:30:25,430 --> 00:30:22,799

good jimmy thanks for having me you know

722

00:30:27,029 --> 00:30:25,440

what uh this is where uh first off i get

723

00:30:29,350 --> 00:30:27,039

to give you the first time guest

724

00:30:31,750 --> 00:30:29,360

disclaimer so let's get that out of the

725

00:30:34,230 --> 00:30:31,760

way first okay which is it's just you

726

00:30:35,750 --> 00:30:34,240

and me sitting on my couch having a

727

00:30:37,669 --> 00:30:35,760

conversation as friends and where that

728

00:30:39,590 --> 00:30:37,679

conversation starts it starts where it

729

00:30:42,149 --> 00:30:39,600

ends it ends but we're gonna end his

730

00:30:43,750 --> 00:30:42,159

friends okay that's the disclaimer so

731

00:30:45,190 --> 00:30:43,760

you ready to go

732

00:30:47,590 --> 00:30:45,200

sounds good okay this is where we're

733

00:30:49,909 --> 00:30:47,600

gonna start young man

734

00:30:51,430 --> 00:30:49,919

five years i've been trying to get you

735

00:30:54,630 --> 00:30:51,440

on this show

736

00:30:56,549 --> 00:30:54,640

five years and i need you to back me up

737

00:30:59,909 --> 00:30:56,559

on that bs

738

00:31:01,350 --> 00:30:59,919

where every opportunity where you and i

739

00:31:04,870 --> 00:31:01,360

have hung out

740

00:31:06,549 --> 00:31:04,880

i have said adam let's go it's go time

741

00:31:08,549 --> 00:31:06,559

and you said to me this is where i'm

742

00:31:10,789 --> 00:31:08,559

going to throw you under the bus

743

00:31:13,590 --> 00:31:10,799

soon jimmy it's going to be a couple of

744

00:31:16,870 --> 00:31:13,600

months but i'm just about ready

745

00:31:19,110 --> 00:31:16,880

and and i've been pursuing you forever

746

00:31:20,710 --> 00:31:19,120

and so you know what this show means to

747

00:31:23,669 --> 00:31:20,720

me tonight

748

00:31:25,750 --> 00:31:23,679

and it's been five long years and you

749

00:31:28,070 --> 00:31:25,760

need to back me up how long have i been

750

00:31:31,269 --> 00:31:28,080

chasing you down

751

00:31:32,630 --> 00:31:31,279

about five long years but

752

00:31:35,510 --> 00:31:32,640

i'm not that easy

753

00:31:38,549 --> 00:31:35,520

no you're not and and this is the thing

754

00:31:40,389 --> 00:31:38,559

um uh i've been following you you know

755

00:31:42,149 --> 00:31:40,399

we've been friends uh this this whole

756

00:31:44,310 --> 00:31:42,159

time and acquaintances and we've got a

757

00:31:45,430 --> 00:31:44,320

lot of mutual friends between us

758

00:31:47,269 --> 00:31:45,440

and i've been trying to keep the

759

00:31:49,190 --> 00:31:47,279

pressure on because as i've been

760

00:31:51,190 --> 00:31:49,200

following your research

761

00:31:53,269 --> 00:31:51,200

i've been getting more and more excited

762

00:31:56,149 --> 00:31:53,279

but at the same time

763

00:31:57,830 --> 00:31:56,159

the world has been tripping out too at

764

00:31:59,029 --> 00:31:57,840

the same you know and i've been watching

765

00:32:01,509 --> 00:31:59,039

this happen

766

00:32:03,509 --> 00:32:01,519

knowing what you are working on and i

767

00:32:05,590 --> 00:32:03,519

just needed to get you on the show the

768

00:32:08,310 --> 00:32:05,600

this audience needs to know what you're

769

00:32:10,389 --> 00:32:08,320

working on because it will help them try

770

00:32:14,230 --> 00:32:10,399

to figure out what what is happening

771

00:32:17,029 --> 00:32:14,240

right now because everybody's tripping

772

00:32:20,710 --> 00:32:17,039

yeah well you know i have a bad bad

773

00:32:23,190 --> 00:32:20,720

habit of creating

774

00:32:25,590 --> 00:32:23,200

devices or ideas or something like that

775

00:32:27,909 --> 00:32:25,600

that's about 10 years too early to hit

776

00:32:28,950 --> 00:32:27,919

the wave of interest right but because

777

00:32:30,549 --> 00:32:28,960

i've been

778

00:32:33,669 --> 00:32:30,559

i think doing the consciousness and the

779

00:32:35,350 --> 00:32:33,679

mobile app stuff for for so long that uh

780

00:32:38,789 --> 00:32:35,360

now might actually be

781

00:32:40,070 --> 00:32:38,799

uh a situation in which time is uh

782

00:32:40,830 --> 00:32:40,080

in my favor

783

00:32:43,269 --> 00:32:40,840

well

784

00:32:44,789 --> 00:32:43,279

certainly and uh you know what's really

785

00:32:46,549 --> 00:32:44,799

funny is the

786

00:32:48,789 --> 00:32:46,559

uh we'll be talking about the mandela

787

00:32:52,789 --> 00:32:48,799

effect uh quite a bit tonight

788

00:32:55,190 --> 00:32:52,799

but that uh that happened all on its own

789

00:32:57,509 --> 00:32:55,200  
certainly starting to validate your

790

00:32:59,669 --> 00:32:57,519  
research too you couldn't get better

791

00:33:01,430 --> 00:32:59,679  
promotion could you

792

00:33:02,950 --> 00:33:01,440  
no i've been really surprised you know

793

00:33:05,909 --> 00:33:02,960  
just uh

794

00:33:08,230 --> 00:33:05,919  
i can go think about maybe 10

795

00:33:09,669 --> 00:33:08,240  
to 5 years ago the the consciousness

796

00:33:12,149 --> 00:33:09,679  
word was something that you uttered

797

00:33:13,990 --> 00:33:12,159  
quietly right uh and particularly in

798

00:33:15,990 --> 00:33:14,000  
academic calls and now the exact

799

00:33:17,830 --> 00:33:16,000  
opposite is true uh there's nothing

800

00:33:20,070 --> 00:33:17,840  
short of a miniature revolution

801  
00:33:21,509 --> 00:33:20,080  
happening in in certain academic halls

802  
00:33:22,789 --> 00:33:21,519  
surrounding consciousness and certainly

803  
00:33:24,789 --> 00:33:22,799  
in the public in general it's really

804  
00:33:27,029 --> 00:33:24,799  
exciting yeah i remember you telling me

805  
00:33:28,070 --> 00:33:27,039  
this was uh quite a while ago

806  
00:33:35,430 --> 00:33:28,080  
and

807  
00:33:39,909 --> 00:33:35,440  
you were working on

808  
00:33:42,230 --> 00:33:39,919  
uh could prove or help to show that this

809  
00:33:44,710 --> 00:33:42,240  
is possible and this is real and that

810  
00:33:46,870 --> 00:33:44,720  
was a good solid two years before the

811  
00:33:49,430 --> 00:33:46,880  
mandela effect took hold

812  
00:33:51,509 --> 00:33:49,440  
but it was exactly what you were trying

813  
00:33:53,029 --> 00:33:51,519

to suggest to everybody what was going

814

00:33:54,630 --> 00:33:53,039

on right

815

00:33:56,389 --> 00:33:54,640

that's right uh the

816

00:33:58,710 --> 00:33:56,399

consciousness effects that i was looking

817

00:34:00,789 --> 00:33:58,720

at was probably related to something

818

00:34:01,909 --> 00:34:00,799

like how a mandela effect could exist

819

00:34:03,590 --> 00:34:01,919

we'll get into the details of that a

820

00:34:06,310 --> 00:34:03,600

little bit later sure

821

00:34:07,990 --> 00:34:06,320

and uh so here we are tonight now we're

822

00:34:10,869 --> 00:34:08,000

going to be talking about

823

00:34:13,510 --> 00:34:10,879

some pretty complex subjects and and

824

00:34:18,069 --> 00:34:13,520

nothing uh is more complex than than

825

00:34:20,069 --> 00:34:18,079

consciousness uh you know mind uh

826

00:34:22,750 --> 00:34:20,079

uh collective memories and collective

827

00:34:25,909 --> 00:34:22,760

consciousness these are very complex

828

00:34:26,790 --> 00:34:25,919

philosophical and scientific

829

00:34:30,389 --> 00:34:26,800

uh

830

00:34:32,790 --> 00:34:30,399

i almost said debate actually it is

831

00:34:36,149 --> 00:34:32,800

actually that's exactly what it is

832

00:34:38,389 --> 00:34:36,159

and so when we start to move into this

833

00:34:39,589 --> 00:34:38,399

for you and this being part of your

834

00:34:42,869 --> 00:34:39,599

research

835

00:34:45,829 --> 00:34:42,879

nobody can really decide on a definition

836

00:34:49,270 --> 00:34:45,839

of consciousness or what it is or if it

837

00:34:52,470 --> 00:34:49,280

exists but you have to start there

838

00:34:54,869 --> 00:34:52,480

so for you what is your definition of

839

00:34:57,030 --> 00:34:54,879

consciousness

840

00:34:59,829 --> 00:34:57,040

it's a famously difficult

841

00:35:02,710 --> 00:34:59,839

definition to uh to provide

842

00:35:05,829 --> 00:35:02,720

but to me consciousness means our minds

843

00:35:07,990 --> 00:35:05,839

it means the nature of our minds

844

00:35:10,150 --> 00:35:08,000

it means our thoughts

845

00:35:11,910 --> 00:35:10,160

and our intentions it's also

846

00:35:13,190 --> 00:35:11,920

the subjective side of our world our

847

00:35:14,870 --> 00:35:13,200

feelings

848

00:35:17,349 --> 00:35:14,880

our desires

849

00:35:18,870 --> 00:35:17,359

our responses our internal world our

850

00:35:21,109 --> 00:35:18,880

internality

851

00:35:22,550 --> 00:35:21,119

um and you know the the question of what

852

00:35:24,470 --> 00:35:22,560

is consciousness would be answered

853

00:35:27,510 --> 00:35:24,480

differently depending on

854

00:35:31,109 --> 00:35:27,520

not just who you ask but when you ask

855

00:35:33,349 --> 00:35:31,119

so in the ancient world i figure

856

00:35:35,349 --> 00:35:33,359

up until about the 1700s

857

00:35:37,430 --> 00:35:35,359

consciousness or mind was regarded to be

858

00:35:39,750 --> 00:35:37,440

sort of inextricable from god or from

859

00:35:41,910 --> 00:35:39,760

some sort of divine intelligence in the

860

00:35:43,990 --> 00:35:41,920

cosmos and

861

00:35:44,950 --> 00:35:44,000

those things and the physical world went

862

00:35:48,390 --> 00:35:44,960

together

863

00:35:50,790 --> 00:35:48,400

in a slightly mysterious but

864

00:35:54,390 --> 00:35:50,800

in a way that was a good fit

865

00:35:56,550 --> 00:35:54,400

and then in about the 1700s

866

00:35:59,990 --> 00:35:56,560

you had

867

00:36:02,870 --> 00:36:00,000

descartes come out with uh

868

00:36:06,230 --> 00:36:02,880

his dualism right and what he was trying

869

00:36:09,270 --> 00:36:06,240

to do is basically create a political

870

00:36:12,630 --> 00:36:09,280

um basically broker a political data

871

00:36:13,990 --> 00:36:12,640

between the church who regarded the mind

872

00:36:16,390 --> 00:36:14,000

and the natural world as their own

873

00:36:18,710 --> 00:36:16,400

domain and burgeoning science who are

874

00:36:20,230 --> 00:36:18,720

trying to explain things phenomena in

875

00:36:21,349 --> 00:36:20,240

some sort of consistent scientific

876  
00:36:23,349 --> 00:36:21,359  
framework

877  
00:36:24,790 --> 00:36:23,359  
and rather than burn the scientists at

878  
00:36:26,390 --> 00:36:24,800  
the stake

879  
00:36:28,550 --> 00:36:26,400  
descartes basically

880  
00:36:31,430 --> 00:36:28,560  
suggested something like dualism that is

881  
00:36:33,990 --> 00:36:31,440  
the idea that the mind or consciousness

882  
00:36:37,270 --> 00:36:34,000  
was separate from the

883  
00:36:40,069 --> 00:36:37,280  
uh the physical world uh but that

884  
00:36:41,990 --> 00:36:40,079  
god sort of uh breathed that

885  
00:36:43,109 --> 00:36:42,000  
consciousness into the world in the

886  
00:36:45,190 --> 00:36:43,119  
first place

887  
00:36:48,710 --> 00:36:45,200  
and you really had uh

888  
00:36:50,310 --> 00:36:48,720

in his famous quote right therefore i am

889

00:36:52,710 --> 00:36:50,320

right

890

00:36:54,950 --> 00:36:52,720

and this kind of got codified in newton

891

00:36:56,790 --> 00:36:54,960

who created the the sort of newtonian

892

00:36:59,030 --> 00:36:56,800

mechanics of the clockwork universe

893

00:37:01,670 --> 00:36:59,040

where the whole cosmos was seen as this

894

00:37:03,750 --> 00:37:01,680

uh sort of billiard ball clockwork

895

00:37:05,190 --> 00:37:03,760

universe and it was god's idea that sort

896

00:37:07,430 --> 00:37:05,200

of set into motion

897

00:37:09,589 --> 00:37:07,440

and that worked really well until about

898

00:37:12,550 --> 00:37:09,599

the end of the last centuries around the

899

00:37:14,069 --> 00:37:12,560

1900s and what happened then is you got

900

00:37:16,150 --> 00:37:14,079

materialism and that's sort of the

901  
00:37:17,829 --> 00:37:16,160  
dominant paradigm

902  
00:37:19,349 --> 00:37:17,839  
so if you were to ask what is

903  
00:37:20,829 --> 00:37:19,359  
consciousness

904  
00:37:23,589 --> 00:37:20,839  
today in

905  
00:37:24,470 --> 00:37:23,599  
materialism which by the way is the idea

906  
00:37:26,230 --> 00:37:24,480  
that

907  
00:37:28,470 --> 00:37:26,240  
there is no mind

908  
00:37:30,470 --> 00:37:28,480  
that everything that exists can be

909  
00:37:32,390 --> 00:37:30,480  
explained solely in terms of the known

910  
00:37:34,310 --> 00:37:32,400  
properties of matter so if you were to

911  
00:37:36,310 --> 00:37:34,320  
ask what is consciousness today the

912  
00:37:38,310 --> 00:37:36,320  
materialist perspective would be that

913  
00:37:40,870 --> 00:37:38,320

there is no such thing

914

00:37:43,430 --> 00:37:40,880

consciousness is an illusion

915

00:37:45,589 --> 00:37:43,440

right it's what is known as what would

916

00:37:46,950 --> 00:37:45,599

be known as an epiphenomena of the brain

917

00:37:48,230 --> 00:37:46,960

meaning it's a

918

00:37:51,990 --> 00:37:48,240

secondary

919

00:37:53,910 --> 00:37:52,000

unimportant uh side effect of

920

00:37:55,349 --> 00:37:53,920

chemical and electrical activity

921

00:37:56,630 --> 00:37:55,359

happening inside the organ we call the

922

00:37:58,950 --> 00:37:56,640

brain right

923

00:38:01,270 --> 00:37:58,960

and that has basically been the answer

924

00:38:03,589 --> 00:38:01,280

that mainstream science would provide

925

00:38:06,230 --> 00:38:03,599

for the last hundred or so years

926  
00:38:07,349 --> 00:38:06,240  
but that's changing it is changing and

927  
00:38:08,230 --> 00:38:07,359  
see this is

928  
00:38:13,030 --> 00:38:08,240  
a

929  
00:38:15,349 --> 00:38:13,040  
some some egocentric

930  
00:38:18,390 --> 00:38:15,359  
you know rock stars out there

931  
00:38:21,990 --> 00:38:18,400  
like like dawkins who has got

932  
00:38:25,109 --> 00:38:22,000  
you know a huge following that believes

933  
00:38:27,190 --> 00:38:25,119  
in everything that he says it's almost

934  
00:38:28,630 --> 00:38:27,200  
uh cult-like like

935  
00:38:30,950 --> 00:38:28,640  
you know you know what i mean

936  
00:38:33,510 --> 00:38:30,960  
and and for him to suggest the

937  
00:38:35,270 --> 00:38:33,520  
mechanical aspect everything that's the

938  
00:38:38,230 --> 00:38:35,280

answer to everything and that there

939

00:38:40,310 --> 00:38:38,240

isn't anything else to ponder here that

940

00:38:43,030 --> 00:38:40,320

all the answers are are very simple and

941

00:38:46,069 --> 00:38:43,040

mechanical uh i i think couldn't be

942

00:38:47,910 --> 00:38:46,079

farther from the truth he's the one guy

943

00:38:49,190 --> 00:38:47,920

adam he's the one guy that i would love

944

00:38:51,430 --> 00:38:49,200

to debate

945

00:38:53,030 --> 00:38:51,440

and i don't have the

946

00:38:56,150 --> 00:38:53,040

educational

947

00:38:58,630 --> 00:38:56,160

uh you know professional things to back

948

00:39:00,790 --> 00:38:58,640

me up i'm not that smart but i would

949

00:39:02,710 --> 00:39:00,800

tear that guy apart because i think he

950

00:39:05,349 --> 00:39:02,720

is completely wrong

951  
00:39:07,589 --> 00:39:05,359  
right but there are so many

952  
00:39:09,829 --> 00:39:07,599  
that actually follow that and i find

953  
00:39:11,589 --> 00:39:09,839  
that fascinating

954  
00:39:13,430 --> 00:39:11,599  
it is fascinating but you know it's

955  
00:39:15,750 --> 00:39:13,440  
falling apart

956  
00:39:17,750 --> 00:39:15,760  
and i think that the materialist

957  
00:39:19,829 --> 00:39:17,760  
perspective is falling apart because

958  
00:39:21,670 --> 00:39:19,839  
it's encountered consciousness and it

959  
00:39:23,510 --> 00:39:21,680  
can't get around it and it's starting to

960  
00:39:25,430 --> 00:39:23,520  
realize that

961  
00:39:26,390 --> 00:39:25,440  
i think it's falling apart in three

962  
00:39:27,589 --> 00:39:26,400  
different

963  
00:39:30,630 --> 00:39:27,599

ways

964

00:39:31,589 --> 00:39:30,640

and the first way is

965

00:39:35,109 --> 00:39:31,599

in

966

00:39:37,910 --> 00:39:35,119

that's where philosophers have asked

967

00:39:39,910 --> 00:39:37,920

this question what is consciousness

968

00:39:41,430 --> 00:39:39,920

and they've they've examined the answer

969

00:39:43,270 --> 00:39:41,440

which is that consciousness is an

970

00:39:45,910 --> 00:39:43,280

illusion and they've seen

971

00:39:48,150 --> 00:39:45,920

that that is a logical fallacy

972

00:39:50,790 --> 00:39:48,160

right right right

973

00:39:54,390 --> 00:39:50,800

in other words

974

00:39:59,750 --> 00:39:55,430

if

975

00:40:01,270 --> 00:39:59,760

not an illusion so the question becomes

976

00:40:03,109 --> 00:40:01,280

an illusion to whom

977

00:40:05,750 --> 00:40:03,119

right if consciousness is an illusion

978

00:40:07,510 --> 00:40:05,760

who's experiencing the illusion so it

979

00:40:08,790 --> 00:40:07,520

presupposes the existence of

980

00:40:10,310 --> 00:40:08,800

consciousness to explain that

981

00:40:12,550 --> 00:40:10,320

consciousness doesn't exist which of

982

00:40:15,109 --> 00:40:12,560

course is ridiculous right right right

983

00:40:17,670 --> 00:40:15,119

and and if you look at it that way from

984

00:40:20,310 --> 00:40:17,680

from dawkins point of view

985

00:40:23,270 --> 00:40:20,320

then the his his

986

00:40:24,950 --> 00:40:23,280

his view is taken apart now i like to

987

00:40:26,950 --> 00:40:24,960

listen to everybody and get you know

988

00:40:28,870 --> 00:40:26,960

ideas from them and i certainly get

989

00:40:32,550 --> 00:40:28,880

ideas from dawkins but

990

00:40:34,550 --> 00:40:32,560

the his his whole thing falls apart in

991

00:40:36,950 --> 00:40:34,560

that if if

992

00:40:38,710 --> 00:40:36,960

it was all just electricity and the

993

00:40:40,950 --> 00:40:38,720

neurons are firing off and all those

994

00:40:42,710 --> 00:40:40,960

connections in our brains are just doing

995

00:40:44,150 --> 00:40:42,720

the same thing and everybody else is

996

00:40:48,310 --> 00:40:44,160

doing the same thing

997

00:40:49,750 --> 00:40:48,320

then we would all be the same

998

00:40:53,270 --> 00:40:49,760

right and that's it there wouldn't be

999

00:40:56,470 --> 00:40:53,280

any differences between us including

1000

00:40:59,349 --> 00:40:56,480

him and his opinions that he has that

1001  
00:41:01,109 --> 00:40:59,359  
make him him well then i would be like

1002  
00:41:03,430 --> 00:41:01,119  
him and there wouldn't be anybody to

1003  
00:41:05,750 --> 00:41:03,440  
argue against his point

1004  
00:41:08,150 --> 00:41:05,760  
therefore it invalidates everything that

1005  
00:41:09,510 --> 00:41:08,160  
he stands for but you can't get him to

1006  
00:41:11,750 --> 00:41:09,520  
listen to that

1007  
00:41:13,190 --> 00:41:11,760  
right am i making do you understand well

1008  
00:41:14,950 --> 00:41:13,200  
from his point of view he he isn't

1009  
00:41:17,589 --> 00:41:14,960  
making a rational argument so much as

1010  
00:41:21,589 --> 00:41:17,599  
he's experiencing the illusion of having

1011  
00:41:23,270 --> 00:41:21,599  
what he calls a rational argument

1012  
00:41:25,190 --> 00:41:23,280  
based on deterministic factors that were

1013  
00:41:27,349 --> 00:41:25,200

set in motion you know long before he

1014

00:41:30,069 --> 00:41:27,359

had a brain um

1015

00:41:32,069 --> 00:41:30,079

so yeah i mean it falls apart um and

1016

00:41:34,710 --> 00:41:32,079

they kind of admit it these days anyway

1017

00:41:35,990 --> 00:41:34,720

it even goes beyond that though um you

1018

00:41:38,230 --> 00:41:36,000

know there was a lot of hope that

1019

00:41:40,630 --> 00:41:38,240

neuroscience with its sophisticated

1020

00:41:42,870 --> 00:41:40,640

imaging and fmri techniques and so forth

1021

00:41:44,550 --> 00:41:42,880

would identify

1022

00:41:45,829 --> 00:41:44,560

quote-unquote where consciousness comes

1023

00:41:47,670 --> 00:41:45,839

from in the brain

1024

00:41:49,030 --> 00:41:47,680

but it's really only deep in the mystery

1025

00:41:51,589 --> 00:41:49,040

because the more we look at the brain

1026

00:41:53,349 --> 00:41:51,599

and the more closely we look the

1027

00:41:55,829 --> 00:41:53,359

the more we realize that we can't really

1028

00:41:57,190 --> 00:41:55,839

find where consciousness is like those

1029

00:41:58,630 --> 00:41:57,200

parts of the brain that are associated

1030

00:41:59,990 --> 00:41:58,640

with different functions and memories of

1031

00:42:01,910 --> 00:42:00,000

course but

1032

00:42:05,270 --> 00:42:01,920

the big mystery what's called the hard

1033

00:42:07,589 --> 00:42:05,280

problem of consciousness is this

1034

00:42:10,069 --> 00:42:07,599

why in the first place

1035

00:42:11,270 --> 00:42:10,079

is subjectivity attendant to brain

1036

00:42:13,430 --> 00:42:11,280

function

1037

00:42:15,829 --> 00:42:13,440

meaning you could just have a brain that

1038

00:42:17,430 --> 00:42:15,839

does its chemical thing back and forth

1039

00:42:19,190 --> 00:42:17,440

but couldn't it just do that without

1040

00:42:20,950 --> 00:42:19,200

having this

1041

00:42:22,950 --> 00:42:20,960

uh complex inner world called

1042

00:42:24,630 --> 00:42:22,960

subjectivity and why are there feelings

1043

00:42:26,790 --> 00:42:24,640

and thoughts and

1044

00:42:30,390 --> 00:42:26,800

and uh values

1045

00:42:33,589 --> 00:42:30,400

sadness happiness exactly associated to

1046

00:42:36,150 --> 00:42:33,599

cells firing um it completely fails to

1047

00:42:39,190 --> 00:42:36,160

explain the existence of an inner world

1048

00:42:41,589 --> 00:42:39,200

to the material side of in this case our

1049

00:42:43,910 --> 00:42:41,599

brains or our bodies well okay so then

1050

00:42:45,030 --> 00:42:43,920

let's let's let's take this one step

1051  
00:42:46,950 --> 00:42:45,040  
further

1052  
00:42:48,150 --> 00:42:46,960  
good consciousness and this is one of

1053  
00:42:51,190 --> 00:42:48,160  
their arguments i would like your

1054  
00:42:54,150 --> 00:42:51,200  
opinion on this could consciousness just

1055  
00:42:57,030 --> 00:42:54,160  
develop because of the complexity

1056  
00:43:00,309 --> 00:42:57,040  
of the electricity that is going on that

1057  
00:43:03,030 --> 00:43:00,319  
it is a side you know project that is

1058  
00:43:05,589 --> 00:43:03,040  
that is uh evolved

1059  
00:43:08,950 --> 00:43:05,599  
from the complexities of the brain

1060  
00:43:10,710 --> 00:43:08,960  
when but if that's one point and then

1061  
00:43:13,829 --> 00:43:10,720  
what about plants

1062  
00:43:17,430 --> 00:43:13,839  
right are our plants conscious do they

1063  
00:43:18,630 --> 00:43:17,440

have a consciousness without a brain

1064

00:43:21,430 --> 00:43:18,640

right

1065

00:43:23,349 --> 00:43:21,440

i'm glad you asked that question

1066

00:43:25,510 --> 00:43:23,359

so uh so there's two parts of that so

1067

00:43:27,349 --> 00:43:25,520

the first part

1068

00:43:30,230 --> 00:43:27,359

could consciousness

1069

00:43:32,790 --> 00:43:30,240

emerge as a result of increasingly

1070

00:43:34,390 --> 00:43:32,800

complex physical structures and the

1071

00:43:37,109 --> 00:43:34,400

answer could be maybe

1072

00:43:39,829 --> 00:43:37,119

and there's a neuroscientist giulio

1073

00:43:41,990 --> 00:43:39,839

tanoni at university of wisconsin who

1074

00:43:44,710 --> 00:43:42,000

believes that very thing in fact

1075

00:43:47,030 --> 00:43:44,720

he has set up experiments that uh

1076

00:43:48,630 --> 00:43:47,040

actually suggest that

1077

00:43:49,829 --> 00:43:48,640

meaning that any

1078

00:43:51,990 --> 00:43:49,839

his from his point of view and he's

1079

00:43:53,510 --> 00:43:52,000

sufficiently informationally

1080

00:43:55,270 --> 00:43:53,520

self-integrated

1081

00:43:57,829 --> 00:43:55,280

and that's a hard one to explain but

1082

00:43:59,510 --> 00:43:57,839

just imagine complexity system in the

1083

00:44:00,950 --> 00:43:59,520

universe would have a degree of

1084

00:44:03,910 --> 00:44:00,960

consciousness which he calls phi

1085

00:44:05,910 --> 00:44:03,920

attendant to it so the more

1086

00:44:08,309 --> 00:44:05,920

physically or materially informationally

1087

00:44:09,349 --> 00:44:08,319

integrated and complex a thing the more

1088

00:44:11,030 --> 00:44:09,359

you

1089

00:44:13,349 --> 00:44:11,040

in his theory would have uh

1090

00:44:14,950 --> 00:44:13,359

consciousness as a as emergent but

1091

00:44:17,349 --> 00:44:14,960

what's what's valuable about his

1092

00:44:19,670 --> 00:44:17,359

approach is that he sees that all he

1093

00:44:20,829 --> 00:44:19,680

sees all of the physical world as

1094

00:44:22,550 --> 00:44:20,839

something like

1095

00:44:24,230 --> 00:44:22,560

proto-consciousness meaning

1096

00:44:25,109 --> 00:44:24,240

consciousness is like a fundamental

1097

00:44:27,349 --> 00:44:25,119

thing

1098

00:44:29,430 --> 00:44:27,359

a fundamental inextricable part of the

1099

00:44:31,030 --> 00:44:29,440

physical world

1100

00:44:34,150 --> 00:44:31,040

but it's that

1101

00:44:35,750 --> 00:44:34,160

it's that complexity that gives rise

1102

00:44:37,829 --> 00:44:35,760

from that proto-consciousness to

1103

00:44:40,390 --> 00:44:37,839

consciousness and that first-person

1104

00:44:42,710 --> 00:44:40,400

perspective

1105

00:44:44,790 --> 00:44:42,720

does that make sense it does it does and

1106

00:44:45,910 --> 00:44:44,800

okay so then

1107

00:44:47,990 --> 00:44:45,920

uh

1108

00:44:49,430 --> 00:44:48,000

if if

1109

00:44:51,430 --> 00:44:49,440

if okay

1110

00:44:55,030 --> 00:44:51,440

if consciousness

1111

00:44:56,390 --> 00:44:55,040

doesn't necessarily reside on something

1112

00:44:57,910 --> 00:44:56,400

physical

1113

00:45:01,109 --> 00:44:57,920

right

1114

00:45:04,309 --> 00:45:01,119

that you don't necessarily need

1115

00:45:07,990 --> 00:45:04,319

a physical body where you know after you

1116

00:45:10,309 --> 00:45:08,000

die your consciousness survives and and

1117

00:45:12,309 --> 00:45:10,319

and it's out there and maybe attaches

1118

00:45:15,670 --> 00:45:12,319

itself to uh you know goes and finds

1119

00:45:17,349 --> 00:45:15,680

another host or whatever or reincarnates

1120

00:45:19,589 --> 00:45:17,359

goes to another planet or another

1121

00:45:22,470 --> 00:45:19,599

universe we don't know the answers to

1122

00:45:23,589 --> 00:45:22,480

these questions but if that is the case

1123

00:45:24,630 --> 00:45:23,599

then

1124

00:45:31,270 --> 00:45:24,640

uh

1125

00:45:33,270 --> 00:45:31,280

that consciousness exists to silence

1126

00:45:36,390 --> 00:45:33,280

those out there if it's something that

1127

00:45:37,750 --> 00:45:36,400

isn't measured right if it's indeed not

1128

00:45:40,150 --> 00:45:37,760

physical

1129

00:45:41,270 --> 00:45:40,160

well to prove something exists is one

1130

00:45:43,670 --> 00:45:41,280

thing

1131

00:45:45,990 --> 00:45:43,680

and it's difficult but to silence

1132

00:45:48,870 --> 00:45:46,000

critics is something else and that's

1133

00:45:50,630 --> 00:45:48,880

almost impossible right right um i mean

1134

00:45:52,790 --> 00:45:50,640

what would it take i mean that's that's

1135

00:45:55,430 --> 00:45:52,800

it's like my ultimate question you know

1136

00:46:00,470 --> 00:45:55,440

what would it take to get everybody to

1137

00:46:03,589 --> 00:46:02,309

yeah um

1138

00:46:05,430 --> 00:46:03,599

well

1139

00:46:08,230 --> 00:46:05,440

regarding the the idea that

1140

00:46:11,670 --> 00:46:08,240

consciousness is non-physical there's

1141

00:46:12,950 --> 00:46:11,680

about five decades of really robust

1142

00:46:15,750 --> 00:46:12,960

laboratory

1143

00:46:18,470 --> 00:46:15,760

grade parapsychology experiments that

1144

00:46:19,990 --> 00:46:18,480

would suggest that consciousness is

1145

00:46:21,829 --> 00:46:20,000

something like a non-physical or

1146

00:46:23,349 --> 00:46:21,839

informational system and it can do

1147

00:46:25,829 --> 00:46:23,359

things that aren't physically explained

1148

00:46:27,510 --> 00:46:25,839

by the standard model of physics right

1149

00:46:28,790 --> 00:46:27,520

and

1150

00:46:31,030 --> 00:46:28,800

there's all different ways that you can

1151  
00:46:33,109 --> 00:46:31,040  
slice that research there's multiple

1152  
00:46:35,990 --> 00:46:33,119  
meta-analysis of this are suggesting

1153  
00:46:37,510 --> 00:46:36,000  
evidence greater than one in

1154  
00:46:38,710 --> 00:46:37,520  
several billion to one in several

1155  
00:46:40,790 --> 00:46:38,720  
trillion

1156  
00:46:42,550 --> 00:46:40,800  
um so from my point of view and from

1157  
00:46:44,390 --> 00:46:42,560  
every reasonable sort of point of view

1158  
00:46:45,510 --> 00:46:44,400  
scientifically the idea of non-physical

1159  
00:46:47,270 --> 00:46:45,520  
consciousness

1160  
00:46:49,349 --> 00:46:47,280  
is is quite

1161  
00:46:51,270 --> 00:46:49,359  
established

1162  
00:46:52,710 --> 00:46:51,280  
you have in front of you instead

1163  
00:46:55,030 --> 00:46:52,720

something like a

1164

00:46:57,349 --> 00:46:55,040

social challenge meaning to get new

1165

00:46:59,109 --> 00:46:57,359

information into consensus reality or to

1166

00:47:01,829 --> 00:46:59,119

adjust the paradigm in some sort of way

1167

00:47:03,750 --> 00:47:01,839

is is a longer process that is not based

1168

00:47:06,710 --> 00:47:03,760

in evidence as much as we like to think

1169

00:47:08,470 --> 00:47:06,720

it is but is based on social factors

1170

00:47:10,230 --> 00:47:08,480

and that wouldn't work for dawkins

1171

00:47:13,510 --> 00:47:10,240

though

1172

00:47:16,470 --> 00:47:13,520

well no no no that's the exact opposite

1173

00:47:17,910 --> 00:47:16,480

of what what he bases you know his

1174

00:47:19,349 --> 00:47:17,920

worldview on

1175

00:47:22,230 --> 00:47:19,359

and and like

1176

00:47:24,710 --> 00:47:22,240

i i truly believe that half of science

1177

00:47:27,270 --> 00:47:24,720

is is on a dock inside they're on the

1178

00:47:29,750 --> 00:47:27,280

mechanical side and i understand why

1179

00:47:31,670 --> 00:47:29,760

um you know it's laboratories and proof

1180

00:47:33,349 --> 00:47:31,680

and and black and white i i get all of

1181

00:47:36,390 --> 00:47:33,359

that then there's the other side of

1182

00:47:40,230 --> 00:47:36,400

science today that is totally

1183

00:47:43,430 --> 00:47:40,240

uh accepting of you know a miracle-based

1184

00:47:45,349 --> 00:47:43,440

something else is driving all of this

1185

00:47:47,750 --> 00:47:45,359

mindset and where they are trying to

1186

00:47:49,750 --> 00:47:47,760

figure out that side getting them to

1187

00:47:51,990 --> 00:47:49,760

meet in the middle i think is uh where

1188

00:47:53,510 --> 00:47:52,000

we are at today i think it's uh pretty

1189

00:47:54,950 --> 00:47:53,520

exciting times

1190

00:47:58,470 --> 00:47:54,960

i couldn't think of a better time to be

1191

00:47:59,349 --> 00:47:58,480

here but in my opening statement tonight

1192

00:48:01,510 --> 00:47:59,359

my

1193

00:48:03,270 --> 00:48:01,520

comment was this in order to get

1194

00:48:05,910 --> 00:48:03,280

everybody to

1195

00:48:07,510 --> 00:48:05,920

agree on both sides it would take

1196

00:48:11,470 --> 00:48:07,520

something like

1197

00:48:13,750 --> 00:48:11,480

a crazy light being you know e.t

1198

00:48:16,390 --> 00:48:13,760

extraterrestrial showing up in a

1199

00:48:17,750 --> 00:48:16,400

physical light body without

1200

00:48:19,430 --> 00:48:17,760

you know what i mean without the

1201

00:48:22,390 --> 00:48:19,440

physical there

1202

00:48:23,750 --> 00:48:22,400

that can talk think laugh and love

1203

00:48:26,150 --> 00:48:23,760

right and the

1204

00:48:29,670 --> 00:48:26,160

the the example of consciousness not

1205

00:48:35,270 --> 00:48:31,349

yeah it could be it could take something

1206

00:48:37,430 --> 00:48:35,280

like that to uh sort of jolt us now the

1207

00:48:38,470 --> 00:48:37,440

the couple of examples i gave earlier

1208

00:48:40,549 --> 00:48:38,480

where

1209

00:48:43,349 --> 00:48:40,559

uh our perspective on consciousness

1210

00:48:45,190 --> 00:48:43,359

shifted uh based on when you're talking

1211

00:48:47,190 --> 00:48:45,200

right so from the animus monday or the

1212

00:48:49,670 --> 00:48:47,200

magical world into the classical world

1213

00:48:53,990 --> 00:48:49,680

of newtonian mechanics and into the

1214

00:48:56,069 --> 00:48:54,000

materialism of the current uh period and

1215

00:48:58,150 --> 00:48:56,079

looking forward into some sort of future

1216

00:48:59,670 --> 00:48:58,160

that is a consciousness first

1217

00:49:01,349 --> 00:48:59,680

perspective whatever that is i think

1218

00:49:03,190 --> 00:49:01,359

that is the definition of paradigm

1219

00:49:05,190 --> 00:49:03,200

change and it

1220

00:49:07,750 --> 00:49:05,200

that is evidence that it does happen but

1221

00:49:09,030 --> 00:49:07,760

it's a long-term process right and i

1222

00:49:10,870 --> 00:49:09,040

think that

1223

00:49:13,750 --> 00:49:10,880

you can look at the inflection points of

1224

00:49:15,510 --> 00:49:13,760

each of those paradigm shifts

1225

00:49:18,150 --> 00:49:15,520

and you can see what happens is that

1226  
00:49:19,190 --> 00:49:18,160  
there are anomalies that start to creep

1227  
00:49:20,470 --> 00:49:19,200  
into

1228  
00:49:22,230 --> 00:49:20,480  
awareness

1229  
00:49:23,750 --> 00:49:22,240  
among the people that establish the

1230  
00:49:26,710 --> 00:49:23,760  
paradigm if you will

1231  
00:49:29,750 --> 00:49:26,720  
and at first those anomalies are ignored

1232  
00:49:30,950 --> 00:49:29,760  
and then those anomalies are attacked

1233  
00:49:32,470 --> 00:49:30,960  
and then what happens is very

1234  
00:49:33,990 --> 00:49:32,480  
interesting is

1235  
00:49:37,109 --> 00:49:34,000  
the

1236  
00:49:38,630 --> 00:49:37,119  
people that can benefit from

1237  
00:49:40,710 --> 00:49:38,640  
usually the people that attack those

1238  
00:49:42,309 --> 00:49:40,720

anomalies will then say ah these

1239

00:49:43,430 --> 00:49:42,319

anomalies are real and i thought of it

1240

00:49:45,510 --> 00:49:43,440

first

1241

00:49:46,870 --> 00:49:45,520

so you kind of have to get a lot of the

1242

00:49:50,710 --> 00:49:46,880

mainstream scientists or the

1243

00:49:53,990 --> 00:49:52,710

basically align the incentives and i

1244

00:49:56,069 --> 00:49:54,000

think that we haven't quite figured out

1245

00:49:58,069 --> 00:49:56,079

how to do that yet

1246

00:50:00,309 --> 00:49:58,079

and we're we're gonna we're gonna take a

1247

00:50:02,710 --> 00:50:00,319

break here in in two minutes and i want

1248

00:50:05,109 --> 00:50:02,720

to set this up for when we come back

1249

00:50:08,069 --> 00:50:05,119

for you as you're going through your

1250

00:50:10,390 --> 00:50:08,079

life and and education and and you

1251

00:50:13,750 --> 00:50:10,400

started to begin this hero's journey

1252

00:50:15,670 --> 00:50:13,760

that you're on what what happened

1253

00:50:18,470 --> 00:50:15,680

something made you take

1254

00:50:21,109 --> 00:50:18,480

a left-hand turn somewhere to go down

1255

00:50:23,030 --> 00:50:21,119

the consciousness road what was that

1256

00:50:24,870 --> 00:50:23,040

event

1257

00:50:27,430 --> 00:50:24,880

i think that it's because i have crazy

1258

00:50:29,190 --> 00:50:27,440

hair yeah you do have crazy hair yeah

1259

00:50:31,750 --> 00:50:29,200

and you know you can't really be an

1260

00:50:33,589 --> 00:50:31,760

inventor or have mad sciences tendencies

1261

00:50:35,670 --> 00:50:33,599

uh without having crazy hair okay so

1262

00:50:35,970 --> 00:50:35,680

what what what what caused the crazy

1263

00:50:37,510 --> 00:50:35,980

hair

1264

00:50:39,349 --> 00:50:37,520

[Laughter]

1265

00:50:40,950 --> 00:50:39,359

i'll get the answer out of you did i

1266

00:50:43,190 --> 00:50:40,960

have crazy hair first or did this stuff

1267

00:50:45,349 --> 00:50:43,200

cause the crazy right right exactly uh

1268

00:50:47,270 --> 00:50:45,359

you know i'm not really any any longer

1269

00:50:49,109 --> 00:50:47,280

interested in trying to prove this stuff

1270

00:50:51,030 --> 00:50:49,119

to anyone i'm certainly not going to

1271

00:50:53,750 --> 00:50:51,040

impact mainstream science in any

1272

00:50:55,589 --> 00:50:53,760

traditional way i'm more interested in

1273

00:50:57,750 --> 00:50:55,599

figuring out how things work building

1274

00:50:59,109 --> 00:50:57,760

cool stuff and being playful

1275

00:51:01,430 --> 00:50:59,119

and that's more of a reflection of my

1276

00:51:04,309 --> 00:51:01,440

personality and how i've come to kind of

1277

00:51:07,670 --> 00:51:04,319

approach these anomalous subject matters

1278

00:51:11,030 --> 00:51:09,589

but yeah i mean the the origin of my

1279

00:51:12,549 --> 00:51:11,040

interest in these things are kind of

1280

00:51:14,150 --> 00:51:12,559

interesting maybe we can get into that a

1281

00:51:16,710 --> 00:51:14,160

little bit in the next segment well i

1282

00:51:19,990 --> 00:51:16,720

mean was it uh did you have some kind of

1283

00:51:22,790 --> 00:51:20,000

crazy mind experiment uh did you have a

1284

00:51:25,510 --> 00:51:22,800

talent could you read you know could you

1285

00:51:27,829 --> 00:51:25,520

predict the future was it dreams did you

1286

00:51:29,910 --> 00:51:27,839

have a ghost did your grandmother come

1287

00:51:33,510 --> 00:51:29,920

to you in your bedroom i mean you know

1288

00:51:36,950 --> 00:51:33,520

there's always some kind of epiphany

1289

00:51:38,630 --> 00:51:36,960

well i grew up in colorado springs for

1290

00:51:40,390 --> 00:51:38,640

about 10 years and that's where tesla

1291

00:51:43,270 --> 00:51:40,400

had his lab

1292

00:51:45,030 --> 00:51:43,280

and the remnants of his laboratory the

1293

00:51:47,750 --> 00:51:45,040

stuff that remained of it was put into a

1294

00:51:49,109 --> 00:51:47,760

small museum and when i was a kid i was

1295

00:51:50,630 --> 00:51:49,119

always asking my mom to bring home

1296

00:51:52,549 --> 00:51:50,640

electronics so i would take him apart

1297

00:51:54,470 --> 00:51:52,559

and build things and one day she took me

1298

00:51:55,349 --> 00:51:54,480

to the tesla museum

1299

00:51:56,870 --> 00:51:55,359

and

1300

00:51:58,790 --> 00:51:56,880

there was there's no one there because

1301  
00:52:00,950 --> 00:51:58,800  
no one knew who he was back then

1302  
00:52:03,430 --> 00:52:00,960  
and there was a gentleman who let me

1303  
00:52:04,950 --> 00:52:03,440  
play with some of the the old tesla

1304  
00:52:07,270 --> 00:52:04,960  
coils and these types of things and i

1305  
00:52:09,670 --> 00:52:07,280  
was captivated and so i started reading

1306  
00:52:11,270 --> 00:52:09,680  
about tesla and his inventions and the

1307  
00:52:14,150 --> 00:52:11,280  
same people that write those books about

1308  
00:52:16,230 --> 00:52:14,160  
tesla basically also included in it this

1309  
00:52:17,270 --> 00:52:16,240  
idea that there was he was on to a new

1310  
00:52:19,750 --> 00:52:17,280  
physics

1311  
00:52:21,910 --> 00:52:19,760  
that there's textbook science which is

1312  
00:52:22,950 --> 00:52:21,920  
one thing and it's it's fine and there

1313  
00:52:25,829 --> 00:52:22,960

then there's

1314

00:52:27,270 --> 00:52:25,839

a parallel track of thinking

1315

00:52:30,790 --> 00:52:27,280

and it was that parallel track of

1316

00:52:32,549 --> 00:52:30,800

thinking that really inspired me and

1317

00:52:34,390 --> 00:52:32,559

i really grew up with the idea that

1318

00:52:36,150 --> 00:52:34,400

there are like kind of two explanations

1319

00:52:39,109 --> 00:52:36,160

for things or the mainstream is is

1320

00:52:40,710 --> 00:52:39,119

really like an incomplete picture of how

1321

00:52:43,109 --> 00:52:40,720

reality works

1322

00:52:44,710 --> 00:52:43,119

and that you almost have to have that

1323

00:52:46,710 --> 00:52:44,720

point of view to

1324

00:52:48,309 --> 00:52:46,720

uh to understand and appreciate

1325

00:52:49,589 --> 00:52:48,319

consciousness research

1326

00:52:51,190 --> 00:52:49,599

very important because it doesn't fit in

1327

00:52:53,990 --> 00:52:51,200

the box yeah there you go so it was

1328

00:52:54,790 --> 00:52:54,000

tesla see there's always something

1329

00:52:57,349 --> 00:52:54,800

you know

1330

00:52:59,109 --> 00:52:57,359

for me uh it's a very simple thing my

1331

00:53:01,270 --> 00:52:59,119

mom was nuts

1332

00:53:04,230 --> 00:53:01,280

and she had a collection of edgar casey

1333

00:53:06,870 --> 00:53:04,240

books uh that uh when i was five six

1334

00:53:09,030 --> 00:53:06,880

seven years old i could barely read

1335

00:53:11,430 --> 00:53:09,040

and i thought to myself who's this edgar

1336

00:53:12,390 --> 00:53:11,440

cayce guy my mom's got a hundred books

1337

00:53:14,630 --> 00:53:12,400

here

1338

00:53:18,470 --> 00:53:14,640

well you know what that's that's that's

1339

00:53:20,390 --> 00:53:18,480

what uh what got me on the air tonight

1340

00:53:22,790 --> 00:53:20,400

with you but you know there's always

1341

00:53:25,589 --> 00:53:22,800

something like that in all of our lives

1342

00:53:27,750 --> 00:53:25,599

our guest tonight is adam curry i am

1343

00:53:29,109 --> 00:53:27,760

your host jimmy church tonight we are

1344

00:53:31,109 --> 00:53:29,119

discussing

1345

00:53:33,910 --> 00:53:31,119

consciousness collective consciousness

1346

00:53:35,670 --> 00:53:33,920

collective mind the mandela effect his

1347

00:53:38,309 --> 00:53:35,680

research and we're going to do an

1348

00:53:39,990 --> 00:53:38,319

experiment with all of you in just a bit

1349

00:53:42,069 --> 00:53:40,000

so get ready for that this is fade to

1350

00:53:43,510 --> 00:53:42,079

black i'm yours jimmy church we'll be

1351  
00:53:47,920 --> 00:53:43,520  
right back more with adam after this

1352  
00:53:54,930 --> 00:53:51,850  
[Music]

1353  
00:53:59,670 --> 00:53:54,940  
[Applause]

1354  
00:54:01,190 --> 00:53:59,680  
[Music]

1355  
00:54:02,630 --> 00:54:01,200  
all right welcome back fade to black i'm

1356  
00:54:05,670 --> 00:54:02,640  
your host jimmy church follow me on

1357  
00:54:08,790 --> 00:54:05,680  
twitter at j church radio

1358  
00:54:11,510 --> 00:54:08,800  
at j church radio you can follow adam

1359  
00:54:12,670 --> 00:54:11,520  
at adam m curry i believe that's what it

1360  
00:54:13,910 --> 00:54:12,680  
is uh

1361  
00:54:17,430 --> 00:54:13,920  
[Music]

1362  
00:54:20,470 --> 00:54:17,440  
adam am i right adam m curry on twitter

1363  
00:54:22,630 --> 00:54:20,480

on twitter it's adam's lab adam's lab i

1364

00:54:25,349 --> 00:54:22,640

just blew it it's right in front of me

1365

00:54:28,790 --> 00:54:25,359

too adam slab

1366

00:54:30,950 --> 00:54:28,800

okay uh one quick question before uh we

1367

00:54:32,150 --> 00:54:30,960

really start to move forward here

1368

00:54:34,710 --> 00:54:32,160

um

1369

00:54:38,870 --> 00:54:34,720

if you could

1370

00:54:39,910 --> 00:54:38,880

download or upload your brain onto a

1371

00:54:43,430 --> 00:54:39,920

chip

1372

00:54:48,069 --> 00:54:43,440

and and then kill yourself

1373

00:54:50,950 --> 00:54:49,380

the answer is no

1374

00:54:52,549 --> 00:54:50,960

[Laughter]

1375

00:54:55,750 --> 00:54:52,559

would you

1376

00:54:59,829 --> 00:54:55,760

if if if i could go with it

1377

00:55:01,349 --> 00:54:59,839

right me my id my consciousness if that

1378

00:55:03,430 --> 00:55:01,359

that's the question

1379

00:55:05,030 --> 00:55:03,440

right i understand downloading or

1380

00:55:06,069 --> 00:55:05,040

uploading memories

1381

00:55:10,230 --> 00:55:06,079

right

1382

00:55:12,549 --> 00:55:10,240

neural interface everybody's working on

1383

00:55:14,950 --> 00:55:12,559

it okay i get that part but what about

1384

00:55:17,030 --> 00:55:14,960

what makes you you

1385

00:55:18,549 --> 00:55:17,040

that it you know that's the thing i

1386

00:55:20,790 --> 00:55:18,559

don't know you know

1387

00:55:24,549 --> 00:55:20,800

they'd have to convince me and that is a

1388

00:55:26,950 --> 00:55:24,559

central mystery of consciousness is that

1389

00:55:30,390 --> 00:55:26,960

there is something like

1390

00:55:31,190 --> 00:55:30,400

what it feels like to be jimmy

1391

00:55:33,109 --> 00:55:31,200

and

1392

00:55:35,349 --> 00:55:33,119

you have to be prepared to give that up

1393

00:55:38,309 --> 00:55:35,359

that's right you're going to

1394

00:55:41,430 --> 00:55:38,319

upload your your brain somehow into into

1395

00:55:45,030 --> 00:55:41,440

a computer chip yeah and you you go back

1396

00:55:47,670 --> 00:55:45,040

i love the uh original movie tron

1397

00:55:50,549 --> 00:55:47,680

the concept of that and and living on a

1398

00:55:53,829 --> 00:55:50,559

chip and just hanging out like that and

1399

00:55:56,150 --> 00:55:53,839

and and you know no no disease or colds

1400

00:55:58,069 --> 00:55:56,160

or you know any of that stuff right you

1401

00:56:00,150 --> 00:55:58,079

just you just exist

1402

00:56:03,510 --> 00:56:00,160

but but there's a fundamental thing

1403

00:56:04,950 --> 00:56:03,520

that's missing in that is how did how

1404

00:56:08,870 --> 00:56:04,960

did the

1405

00:56:11,190 --> 00:56:08,880

right that's the thing that's that's

1406

00:56:13,910 --> 00:56:11,200

it's never really addressed how how do

1407

00:56:16,390 --> 00:56:13,920

you transfer that and if they convince

1408

00:56:19,270 --> 00:56:16,400

me of that i i think it's go time

1409

00:56:21,030 --> 00:56:19,280

i think i would do it

1410

00:56:23,990 --> 00:56:21,040

yeah you could just jack directly into

1411

00:56:26,150 --> 00:56:24,000

your mic setup there yeah yeah seriously

1412

00:56:28,950 --> 00:56:26,160

you know and and just think about that

1413

00:56:31,190 --> 00:56:28,960

now what you know the the

1414

00:56:34,309 --> 00:56:31,200

the the fundamental philosophical

1415

00:56:36,230 --> 00:56:34,319

questions enter in like immortality

1416

00:56:38,789 --> 00:56:36,240

but just imagine

1417

00:56:40,789 --> 00:56:38,799

being able to learn

1418

00:56:41,589 --> 00:56:40,799

forever

1419

00:56:45,829 --> 00:56:41,599

right

1420

00:56:48,150 --> 00:56:45,839

to learn forever my my biggest dream

1421

00:56:49,589 --> 00:56:48,160

if i won the lottery tomorrow you know

1422

00:56:51,430 --> 00:56:49,599

everybody talks about doing this you

1423

00:56:54,309 --> 00:56:51,440

know what i would do if i won the

1424

00:56:57,030 --> 00:56:54,319

lottery tomorrow i would go to school

1425

00:56:58,950 --> 00:56:57,040

i would go to school till i died

1426

00:57:01,510 --> 00:56:58,960

that's what i would do

1427

00:57:03,109 --> 00:57:01,520

i would go to school i would just sit

1428

00:57:05,190 --> 00:57:03,119

and learn

1429

00:57:07,589 --> 00:57:05,200

every single day that's what i would do

1430

00:57:09,190 --> 00:57:07,599

i build my own university

1431

00:57:11,190 --> 00:57:09,200

that's what i would do

1432

00:57:13,349 --> 00:57:11,200

you know i i wouldn't do what everybody

1433

00:57:15,109 --> 00:57:13,359

else thinks that they would do with that

1434

00:57:18,630 --> 00:57:15,119

money i would go and learn

1435

00:57:21,270 --> 00:57:18,640

and that that's uh that's the part of uh

1436

00:57:24,870 --> 00:57:21,280

being immortal right just acquiring

1437

00:57:27,589 --> 00:57:24,880

knowledge forever oh man holy mackerel

1438

00:57:29,430 --> 00:57:27,599

yeah okay so now let's get to the uh

1439

00:57:33,430 --> 00:57:29,440

mandela effect

1440

00:57:36,630 --> 00:57:33,440

and uh and and what it is

1441

00:57:39,190 --> 00:57:36,640

um there is the pop culture version of

1442

00:57:41,510 --> 00:57:39,200

it and then there's the

1443

00:57:42,309 --> 00:57:41,520

the other things that could be causing

1444

00:57:46,470 --> 00:57:42,319

it

1445

00:57:49,109 --> 00:57:46,480

interference from a parallel world and

1446

00:57:50,789 --> 00:57:49,119

or whatever or you know time travelers

1447

00:57:53,430 --> 00:57:50,799

coming back and altering things i don't

1448

00:57:55,349 --> 00:57:53,440

know but uh for you what is the mandela

1449

00:57:57,030 --> 00:57:55,359

effect

1450

00:57:59,589 --> 00:57:57,040

uh do you know that there's a technical

1451  
00:58:01,990 --> 00:57:59,599  
term for the mandela effect now

1452  
00:58:03,829 --> 00:58:02,000  
there probably is what is it

1453  
00:58:05,109 --> 00:58:03,839  
it's alter

1454  
00:58:06,710 --> 00:58:05,119  
alter

1455  
00:58:07,670 --> 00:58:06,720  
really

1456  
00:58:08,789 --> 00:58:07,680  
okay

1457  
00:58:14,230 --> 00:58:08,799  
the

1458  
00:58:16,150 --> 00:58:14,240  
deja vu

1459  
00:58:17,510 --> 00:58:16,160  
that's right do you do you know do you

1460  
00:58:19,670 --> 00:58:17,520  
know about the four voos

1461  
00:58:22,549 --> 00:58:19,680  
uh no lay it on okay okay this this will

1462  
00:58:24,069 --> 00:58:22,559  
be a freebie it's pretty cool so deja vu

1463  
00:58:26,710 --> 00:58:24,079

we're all familiar with right that's

1464

00:58:29,589 --> 00:58:26,720

where the the unfamiliar is strangely

1465

00:58:31,589 --> 00:58:29,599

familiar so you walk into a strange

1466

00:58:33,589 --> 00:58:31,599

house and you feel like you recognize

1467

00:58:36,230 --> 00:58:33,599

the rooms that's deja vu

1468

00:58:37,670 --> 00:58:36,240

jean-aivo is the opposite of deja vu and

1469

00:58:39,829 --> 00:58:37,680

that's where the familiar seems

1470

00:58:41,829 --> 00:58:39,839

unfamiliar so that would be for example

1471

00:58:42,789 --> 00:58:41,839

where you go into your own house and the

1472

00:58:46,470 --> 00:58:42,799

rooms

1473

00:58:49,910 --> 00:58:48,230

is that feeling when you're trying to

1474

00:58:51,829 --> 00:58:49,920

remember something and it's on the tip

1475

00:58:53,030 --> 00:58:51,839

of your tongue but it's not coming to

1476  
00:58:54,230 --> 00:58:53,040  
you but you feel like you know what it

1477  
00:58:55,750 --> 00:58:54,240  
is

1478  
00:58:57,430 --> 00:58:55,760  
that's

1479  
00:59:00,789 --> 00:58:57,440  
and then alter

1480  
00:59:02,390 --> 00:59:00,799  
is when you remember reality differently

1481  
00:59:04,470 --> 00:59:02,400  
than it appears to be

1482  
00:59:07,430 --> 00:59:04,480  
so you have a memory of something that

1483  
00:59:10,630 --> 00:59:07,440  
in fact is not true and that is a

1484  
00:59:11,910 --> 00:59:10,640  
technical term for the mandela effect

1485  
00:59:14,710 --> 00:59:11,920  
now

1486  
00:59:16,630 --> 00:59:14,720  
okay so that's uh do you agree with

1487  
00:59:18,390 --> 00:59:16,640  
alterview

1488  
00:59:19,990 --> 00:59:18,400

well there's no question that the

1489

00:59:21,910 --> 00:59:20,000

phenomena of people

1490

00:59:23,750 --> 00:59:21,920

remembering something that is

1491

00:59:26,069 --> 00:59:23,760

not true

1492

00:59:27,349 --> 00:59:26,079

is real right i mean i'm guilty of that

1493

00:59:30,309 --> 00:59:27,359

all the time

1494

00:59:32,950 --> 00:59:30,319

uh the mandela effect itself

1495

00:59:36,630 --> 00:59:32,960

has been around at least it was codified

1496

00:59:37,910 --> 00:59:36,640

in about 2009 by a woman named fiona

1497

00:59:40,309 --> 00:59:37,920

broome

1498

00:59:41,750 --> 00:59:40,319

and it pertained to the fact that a

1499

00:59:44,710 --> 00:59:41,760

number of people

1500

00:59:48,549 --> 00:59:44,720

remember nelson mandela as having died

1501

00:59:52,150 --> 00:59:48,559

in prison in south africa

1502

00:59:54,230 --> 00:59:52,160

not from illness in 2013

1503

00:59:55,750 --> 00:59:54,240

and so she i think she put up a website

1504

00:59:57,910 --> 00:59:55,760

and

1505

01:00:00,789 --> 00:59:57,920

just made it known that she has distinct

1506

01:00:02,710 --> 01:00:00,799

memories that um that nelson mandela

1507

01:00:05,030 --> 01:00:02,720

died in prison and it turns out that a

1508

01:00:08,150 --> 01:00:05,040

whole bunch of people also have that

1509

01:00:09,829 --> 01:00:08,160

memory and remembered a funeral exactly

1510

01:00:11,430 --> 01:00:09,839

yeah yeah yeah

1511

01:00:13,030 --> 01:00:11,440

even remember seeing a funeral

1512

01:00:15,750 --> 01:00:13,040

procession on television which is hard

1513

01:00:16,630 --> 01:00:15,760

to explain right very hard to explain

1514

01:00:18,950 --> 01:00:16,640

well

1515

01:00:23,430 --> 01:00:18,960

in the definition of alter view that

1516

01:00:24,309 --> 01:00:23,440

seems pretty hard and fast in that uh

1517

01:00:26,789 --> 01:00:24,319

uh

1518

01:00:30,230 --> 01:00:26,799

state the state the definition again

1519

01:00:32,789 --> 01:00:30,240

okay alter is when you remember reality

1520

01:00:34,390 --> 01:00:32,799

differently than it appears to be

1521

01:00:36,309 --> 01:00:34,400

okay so

1522

01:00:37,510 --> 01:00:36,319

no okay i think you said it before

1523

01:00:40,069 --> 01:00:37,520

earlier a little bit different you

1524

01:00:40,870 --> 01:00:40,079

didn't say appears you said that things

1525

01:00:45,990 --> 01:00:40,880

that

1526  
01:00:47,589 --> 01:00:46,000  
a very hard and fast remember reality

1527  
01:00:50,470 --> 01:00:47,599  
differently than it is

1528  
01:00:53,030 --> 01:00:50,480  
right right right okay so then

1529  
01:00:56,069 --> 01:00:53,040  
suggesting that the

1530  
01:00:57,589 --> 01:00:56,079  
the real versions of this are in fact

1531  
01:00:59,190 --> 01:00:57,599  
the truth

1532  
01:01:02,390 --> 01:00:59,200  
right and that's that's kind of hard to

1533  
01:01:06,630 --> 01:01:05,750  
to accept for many yeah except for me

1534  
01:01:09,349 --> 01:01:06,640  
i mean

1535  
01:01:10,549 --> 01:01:09,359  
only because only because i've got my

1536  
01:01:13,750 --> 01:01:10,559  
own

1537  
01:01:15,750 --> 01:01:13,760  
memories of certain things now i'm not

1538  
01:01:17,910 --> 01:01:15,760

going to go down the list of thousands

1539

01:01:20,789 --> 01:01:17,920

of mandela effects out there and we've

1540

01:01:22,870 --> 01:01:20,799

all seen those lists and i don't agree

1541

01:01:24,950 --> 01:01:22,880

with the majority of those but there are

1542

01:01:27,910 --> 01:01:24,960

a couple of things that i know for a

1543

01:01:29,829 --> 01:01:27,920

fact with my memory that i know and

1544

01:01:31,510 --> 01:01:29,839

nobody's going to change that and tell

1545

01:01:33,430 --> 01:01:31,520

me well here's the evidence of it well

1546

01:01:35,910 --> 01:01:33,440

it doesn't change my memory

1547

01:01:39,109 --> 01:01:35,920

and i know where i was and and and so

1548

01:01:41,750 --> 01:01:39,119

forth and when we look at the world

1549

01:01:43,349 --> 01:01:41,760

where millions of people have these same

1550

01:01:46,309 --> 01:01:43,359

issues

1551

01:01:50,829 --> 01:01:46,319

are millions of people crazy

1552

01:01:55,589 --> 01:01:53,510

well you know one characteristic of all

1553

01:01:58,630 --> 01:01:55,599

of the mandela effects to me is that

1554

01:02:00,789 --> 01:01:58,640

they're very easy to explain

1555

01:02:02,150 --> 01:02:00,799

for example uh

1556

01:02:03,270 --> 01:02:02,160

that doesn't mean that they're not true

1557

01:02:05,109 --> 01:02:03,280

or that people don't you know

1558

01:02:07,670 --> 01:02:05,119

misremember them or even perhaps that

1559

01:02:09,109 --> 01:02:07,680

reality could be shifting uh but the

1560

01:02:10,870 --> 01:02:09,119

in in general the most plausible

1561

01:02:13,589 --> 01:02:10,880

explanation is that it's just collective

1562

01:02:15,190 --> 01:02:13,599

misremembrance right so one example is

1563

01:02:17,670 --> 01:02:15,200

the bridge to ellis island so a lot of

1564

01:02:20,470 --> 01:02:17,680

people remember their uh

1565

01:02:22,309 --> 01:02:20,480

never being a bridge to ellis island you

1566

01:02:23,670 --> 01:02:22,319

always had to take a ferry but it turns

1567

01:02:25,750 --> 01:02:23,680

out that there actually is a bridge to

1568

01:02:27,030 --> 01:02:25,760

ellis island and even people that live

1569

01:02:28,309 --> 01:02:27,040

in the area

1570

01:02:29,829 --> 01:02:28,319

say you know there's no way there's a

1571

01:02:33,510 --> 01:02:29,839

bridge to ellis island

1572

01:02:35,030 --> 01:02:33,520

well it could be that you have a reality

1573

01:02:36,549 --> 01:02:35,040

shifting sort of behind the scenes it

1574

01:02:38,630 --> 01:02:36,559

could also be that when you think of

1575

01:02:40,789 --> 01:02:38,640

ellis island you think of either fairies

1576

01:02:42,390 --> 01:02:40,799

or boats in general and you would just

1577

01:02:44,390 --> 01:02:42,400

never really think of taking a bridge

1578

01:02:45,990 --> 01:02:44,400

there

1579

01:02:47,349 --> 01:02:46,000

well okay

1580

01:02:50,390 --> 01:02:47,359

so

1581

01:02:51,910 --> 01:02:50,400

another example and i got an email about

1582

01:02:55,030 --> 01:02:51,920

this today

1583

01:02:58,150 --> 01:02:55,040

uh you know the famous movies

1584

01:03:00,630 --> 01:02:58,160

shazam with with sinbad right so i got

1585

01:03:02,230 --> 01:03:00,640

an email today from someone i don't want

1586

01:03:03,430 --> 01:03:02,240

to read it but i can certainly

1587

01:03:07,430 --> 01:03:03,440

paraphrase

1588

01:03:09,990 --> 01:03:07,440

that uh she remembers watching shazam

1589

01:03:13,430 --> 01:03:10,000

with her kids with sinbad and the movie

1590

01:03:14,549 --> 01:03:13,440

was great and they really loved it

1591

01:03:15,670 --> 01:03:14,559

right now

1592

01:03:17,910 --> 01:03:15,680

now

1593

01:03:20,230 --> 01:03:17,920

that's not a memory of i think i

1594

01:03:22,390 --> 01:03:20,240

remember seeing it in a video store

1595

01:03:24,549 --> 01:03:22,400

right i remember seeing i remember

1596

01:03:26,870 --> 01:03:24,559

hearing about it but saying that you

1597

01:03:28,390 --> 01:03:26,880

watched it many times with your children

1598

01:03:30,150 --> 01:03:28,400

and it was great

1599

01:03:32,870 --> 01:03:30,160

now that's a whole nother that's a whole

1600

01:03:34,630 --> 01:03:32,880

nother type of mandela effect then

1601  
01:03:36,630 --> 01:03:34,640  
that one got me because i remember that

1602  
01:03:39,589 --> 01:03:36,640  
movie as well

1603  
01:03:41,829 --> 01:03:39,599  
somebody sent me an email of

1604  
01:03:43,829 --> 01:03:41,839  
the movie in their video collection with

1605  
01:03:45,990 --> 01:03:43,839  
that with a list of their recorded they

1606  
01:03:48,470 --> 01:03:46,000  
had all of their movies catalog that

1607  
01:03:50,309 --> 01:03:48,480  
they copied on videotape

1608  
01:03:52,470 --> 01:03:50,319  
and there it was right shazam with

1609  
01:03:54,630 --> 01:03:52,480  
sinbad and it's numbered and cataloged

1610  
01:03:56,390 --> 01:03:54,640  
in a photograph of the uh of the

1611  
01:03:59,190 --> 01:03:56,400  
videotape from a trunk

1612  
01:04:00,549 --> 01:03:59,200  
of videotapes so you know i haven't seen

1613  
01:04:02,870 --> 01:04:00,559

the movie but

1614

01:04:04,710 --> 01:04:02,880

uh there you go i that's that's a whole

1615

01:04:06,870 --> 01:04:04,720

nother type of mandela effect how do you

1616

01:04:07,910 --> 01:04:06,880

explain that kind of stuff away

1617

01:04:09,990 --> 01:04:07,920

are you saying

1618

01:04:11,750 --> 01:04:10,000

yeah and you remember the movie yourself

1619

01:04:15,349 --> 01:04:11,760

so for you

1620

01:04:18,390 --> 01:04:15,359

how do you start to justify your false

1621

01:04:22,069 --> 01:04:20,549

um i would i would basically just call

1622

01:04:24,470 --> 01:04:22,079

it my false memory i'm kind of more

1623

01:04:26,630 --> 01:04:24,480

interested in

1624

01:04:29,349 --> 01:04:26,640

like hypothetical explanations for how

1625

01:04:32,789 --> 01:04:29,359

something like this could be possible

1626

01:04:36,710 --> 01:04:34,870

well um

1627

01:04:38,069 --> 01:04:36,720

when it comes to possible explanations

1628

01:04:39,589 --> 01:04:38,079

you know there's

1629

01:04:42,710 --> 01:04:39,599

one of the things that's fun about the

1630

01:04:45,829 --> 01:04:42,720

mandela effect is that there's so many

1631

01:04:48,230 --> 01:04:45,839

theories behind it floated

1632

01:04:49,990 --> 01:04:48,240

so the first one of course is the

1633

01:04:51,990 --> 01:04:50,000

collective misremembering theory and

1634

01:04:53,670 --> 01:04:52,000

that's basically that

1635

01:04:55,990 --> 01:04:53,680

you have to acknowledge that there are

1636

01:04:57,510 --> 01:04:56,000

false memories or cognitive biases or

1637

01:04:58,950 --> 01:04:57,520

incorrect memories

1638

01:05:00,470 --> 01:04:58,960

and

1639

01:05:02,390 --> 01:05:00,480

there are things about certain of these

1640

01:05:04,309 --> 01:05:02,400

mandela effects that might give large

1641

01:05:06,710 --> 01:05:04,319

swaths of the population reason to

1642

01:05:08,309 --> 01:05:06,720

misremember it for example one of them

1643

01:05:11,190 --> 01:05:08,319

is that a lot of people remember there

1644

01:05:12,950 --> 01:05:11,200

being 52 states not 50 states

1645

01:05:13,750 --> 01:05:12,960

interesting but it kind of makes sense

1646

01:05:14,710 --> 01:05:13,760

that

1647

01:05:16,549 --> 01:05:14,720

uh

1648

01:05:18,710 --> 01:05:16,559

the alaska and hawaii the

1649

01:05:20,470 --> 01:05:18,720

non-continental united states might be

1650

01:05:27,190 --> 01:05:20,480

in their minds they ought to be adding

1651

01:05:32,549 --> 01:05:29,910

another one and probably the most common

1652

01:05:35,270 --> 01:05:32,559

theory that's floated is

1653

01:05:36,549 --> 01:05:35,280

the the theory of parallel realities in

1654

01:05:37,750 --> 01:05:36,559

different forms

1655

01:05:39,430 --> 01:05:37,760

probably the one you've heard the most

1656

01:05:40,390 --> 01:05:39,440

about right

1657

01:05:43,109 --> 01:05:40,400

okay

1658

01:05:45,430 --> 01:05:43,119

so parallel realities also called the

1659

01:05:46,789 --> 01:05:45,440

many worlds theory or the multiverse

1660

01:05:48,710 --> 01:05:46,799

theory

1661

01:05:52,069 --> 01:05:48,720

is basically the idea that

1662

01:05:54,069 --> 01:05:52,079

alternate histories and futures are real

1663

01:05:56,630 --> 01:05:54,079

so there's something about the nature of

1664

01:05:59,910 --> 01:05:56,640

reality that has created

1665

01:06:02,549 --> 01:05:59,920

a breakaway or parallel reality or

1666

01:06:03,670 --> 01:06:02,559

myriad parallel realities all the time

1667

01:06:05,510 --> 01:06:03,680

and that

1668

01:06:07,029 --> 01:06:05,520

we were

1669

01:06:09,670 --> 01:06:07,039

when it comes to mandela effects

1670

01:06:11,589 --> 01:06:09,680

previously in a reality for example

1671

01:06:13,670 --> 01:06:11,599

where there was a movie called shazam

1672

01:06:15,270 --> 01:06:13,680

and now we're not in a reality or in

1673

01:06:16,710 --> 01:06:15,280

reality where there's not a movie called

1674

01:06:18,789 --> 01:06:16,720

shazam but

1675

01:06:21,750 --> 01:06:18,799

there's a persistence of memory for some

1676

01:06:23,430 --> 01:06:21,760

of us about that parallel reality for

1677

01:06:26,309 --> 01:06:23,440

some reason

1678

01:06:28,150 --> 01:06:26,319

now what okay so the parallel reality

1679

01:06:29,750 --> 01:06:28,160

and especially when we're discussing the

1680

01:06:31,829 --> 01:06:29,760

science of things

1681

01:06:33,270 --> 01:06:31,839

uh when it gets into quantum mechanics

1682

01:06:35,750 --> 01:06:33,280

and quantum theory in the multi-world

1683

01:06:38,710 --> 01:06:35,760

theory in parallel worlds and

1684

01:06:41,029 --> 01:06:38,720

and uh and all of the

1685

01:06:43,589 --> 01:06:41,039

the effects of of of things and

1686

01:06:47,109 --> 01:06:43,599

entanglement if if that is indeed the

1687

01:06:49,589 --> 01:06:47,119

case and science is now strongly on that

1688

01:06:51,510 --> 01:06:49,599

side of things still debated but still

1689

01:06:53,670 --> 01:06:51,520

you know we're getting really close to

1690

01:06:54,950 --> 01:06:53,680

proving the existence of this

1691

01:06:57,589 --> 01:06:54,960

well then

1692

01:07:00,470 --> 01:06:57,599

in a parallel world right next to us

1693

01:07:03,510 --> 01:07:00,480

where the movie shazam was made with

1694

01:07:06,630 --> 01:07:03,520

sinbad maybe not in our timeline but

1695

01:07:08,950 --> 01:07:06,640

something causes an interference where

1696

01:07:11,029 --> 01:07:08,960

it blips across and effects and some

1697

01:07:13,190 --> 01:07:11,039

people of are then

1698

01:07:15,270 --> 01:07:13,200

seeing this version of that parallel

1699

01:07:17,349 --> 01:07:15,280

world and it becomes part of the memory

1700

01:07:20,230 --> 01:07:17,359

that parallel world returns to where it

1701

01:07:22,150 --> 01:07:20,240

came from so now there's no evidence of

1702

01:07:23,349 --> 01:07:22,160

what everybody saw but they still have

1703

01:07:26,230 --> 01:07:23,359

the memory

1704

01:07:27,910 --> 01:07:26,240

that is about as as possible as anything

1705

01:07:30,630 --> 01:07:27,920

i could lay out there for the mandela

1706

01:07:34,069 --> 01:07:30,640

effect and i'm comfortable with it

1707

01:07:36,549 --> 01:07:34,079

i i seriously am man i seriously am

1708

01:07:38,309 --> 01:07:36,559

well it could be i mean the reason why

1709

01:07:40,549 --> 01:07:38,319

we got parallel

1710

01:07:42,710 --> 01:07:40,559

realities or the multiverse theory in

1711

01:07:45,670 --> 01:07:42,720

the first place is because

1712

01:07:47,670 --> 01:07:45,680

it was a way for experimental

1713

01:07:49,750 --> 01:07:47,680

physicists to reconcile a lot of

1714

01:07:51,430 --> 01:07:49,760

difficult to explain things like

1715

01:07:53,510 --> 01:07:51,440

randomness and action at a distance

1716

01:07:55,750 --> 01:07:53,520

that's right at a cosmological scale

1717

01:07:57,589 --> 01:07:55,760

sure and uh so i mean there's reasons

1718

01:07:59,750 --> 01:07:57,599

why these like for the good scientific

1719

01:08:02,470 --> 01:07:59,760

reasons why these are floated there are

1720

01:08:04,150 --> 01:08:02,480

criticisms um

1721

01:08:05,910 --> 01:08:04,160

one is that

1722

01:08:07,510 --> 01:08:05,920

where does it end right so it kind of

1723

01:08:10,470 --> 01:08:07,520

violates outcomes razor in the sense

1724

01:08:13,589 --> 01:08:10,480

that you could have gazillions of

1725

01:08:15,990 --> 01:08:13,599

parallel realities splitting off

1726  
01:08:17,510 --> 01:08:16,000  
and maybe or maybe not to decohere to

1727  
01:08:19,030 --> 01:08:17,520  
rejoin

1728  
01:08:20,870 --> 01:08:19,040  
and then it's also very

1729  
01:08:22,630 --> 01:08:20,880  
unclear as to

1730  
01:08:26,229 --> 01:08:22,640  
when and where and how these things

1731  
01:08:28,070 --> 01:08:26,239  
split off so that's a criticism

1732  
01:08:29,829 --> 01:08:28,080  
you also might violate

1733  
01:08:33,110 --> 01:08:29,839  
notions which might be antiquated anyway

1734  
01:08:34,550 --> 01:08:33,120  
of of conservation of energy

1735  
01:08:36,630 --> 01:08:34,560  
if you're splitting off all of these

1736  
01:08:39,349 --> 01:08:36,640  
different universes and there's there's

1737  
01:08:41,030 --> 01:08:39,359  
rebuttals to that too um

1738  
01:08:42,789 --> 01:08:41,040

but yeah i mean there's

1739

01:08:45,590 --> 01:08:42,799

the parallel realities is a very

1740

01:08:46,789 --> 01:08:45,600

interesting and compelling argument um

1741

01:08:50,309 --> 01:08:46,799

there's

1742

01:08:51,910 --> 01:08:50,319

some who believe that cern

1743

01:08:52,789 --> 01:08:51,920

are actually their experiments are

1744

01:08:55,430 --> 01:08:52,799

actually

1745

01:08:57,510 --> 01:08:55,440

causing these uh parallel realities to

1746

01:08:58,950 --> 01:08:57,520

sort of splinter and fracture um i i

1747

01:09:00,229 --> 01:08:58,960

don't really have any evidence of that

1748

01:09:02,149 --> 01:09:00,239

i'm not sure really where that idea

1749

01:09:03,510 --> 01:09:02,159

comes from but i'm just putting it out

1750

01:09:05,110 --> 01:09:03,520

there because it is floated as an

1751

01:09:06,789 --> 01:09:05,120

explanation we've discussed it many

1752

01:09:09,110 --> 01:09:06,799

times on this show

1753

01:09:11,349 --> 01:09:09,120

yeah many many times on the show and

1754

01:09:13,189 --> 01:09:11,359

that's another but that's another

1755

01:09:16,070 --> 01:09:13,199

well you know that's a whole other show

1756

01:09:19,110 --> 01:09:16,080

actually all together but the the reason

1757

01:09:21,829 --> 01:09:19,120

why i think all of us are concerned

1758

01:09:24,070 --> 01:09:21,839

about cern no pun intended that we're so

1759

01:09:26,789 --> 01:09:24,080

concerned about it is that

1760

01:09:27,990 --> 01:09:26,799

when your goal is to

1761

01:09:29,829 --> 01:09:28,000

uh

1762

01:09:31,990 --> 01:09:29,839

accidentally at the speed of light

1763

01:09:35,189 --> 01:09:32,000

create many black holes

1764

01:09:37,990 --> 01:09:35,199

and not knowing the outcome of said

1765

01:09:40,470 --> 01:09:38,000

experiment or the implications of it or

1766

01:09:41,349 --> 01:09:40,480

dissolving switzerland into another

1767

01:09:43,590 --> 01:09:41,359

world

1768

01:09:45,990 --> 01:09:43,600

right um that

1769

01:09:47,749 --> 01:09:46,000

doing the these kinds of experiments

1770

01:09:49,030 --> 01:09:47,759

which i understand that we need to do

1771

01:09:51,189 --> 01:09:49,040

this

1772

01:09:53,269 --> 01:09:51,199

but we don't know the effects

1773

01:09:55,990 --> 01:09:53,279

right and could there have been the

1774

01:09:57,510 --> 01:09:56,000

piercing of a parallel world or opening

1775

01:10:00,310 --> 01:09:57,520

up portals or

1776

01:10:02,709 --> 01:10:00,320

allowing things into our world that we

1777

01:10:04,870 --> 01:10:02,719

didn't intend for and we certainly don't

1778

01:10:07,990 --> 01:10:04,880

have any control over it and could that

1779

01:10:11,830 --> 01:10:08,000

be the possibility of some of these uh

1780

01:10:14,630 --> 01:10:11,840

shifted memories of our past well again

1781

01:10:18,149 --> 01:10:14,640

i'm okay with that i'm okay with

1782

01:10:20,229 --> 01:10:18,159

postulating that i should say

1783

01:10:22,070 --> 01:10:20,239

yeah who knows i mean i i definitely

1784

01:10:25,030 --> 01:10:22,080

believe that the cern boys are up to

1785

01:10:27,350 --> 01:10:25,040

some very non-standard model

1786

01:10:28,550 --> 01:10:27,360

unconventional experiments

1787

01:10:29,910 --> 01:10:28,560

that's not really what they're telling

1788

01:10:32,630 --> 01:10:29,920

the public

1789

01:10:37,350 --> 01:10:32,640

you don't have

1790

01:10:39,270 --> 01:10:37,360

giant counter rotating magnetic fields

1791

01:10:41,750 --> 01:10:39,280

and not yet bizarre effects that can't

1792

01:10:43,750 --> 01:10:41,760

be explained right you study ufos you

1793

01:10:45,590 --> 01:10:43,760

know a giant counter rotating magnetic

1794

01:10:47,990 --> 01:10:45,600

fields and plasma

1795

01:10:48,870 --> 01:10:48,000

go into right

1796

01:10:50,149 --> 01:10:48,880

yeah

1797

01:10:52,070 --> 01:10:50,159

whether or not that's creating the

1798

01:10:53,350 --> 01:10:52,080

alternate realities i mean that's just i

1799

01:10:55,270 --> 01:10:53,360

can't do anything more than speculate

1800

01:10:57,430 --> 01:10:55,280

but it's interesting um

1801

01:10:58,630 --> 01:10:57,440

as far as like more parsimonious

1802

01:11:00,229 --> 01:10:58,640

explanations

1803

01:11:02,709 --> 01:11:00,239

uh that are still kind of wildly

1804

01:11:05,350 --> 01:11:02,719

speculative but maybe a better fit in my

1805

01:11:08,709 --> 01:11:05,360

mind the simulation theory or the

1806

01:11:10,950 --> 01:11:08,719

simulation argument is a good one too

1807

01:11:13,750 --> 01:11:10,960

yeah i study this stuff all the time and

1808

01:11:16,310 --> 01:11:13,760

it i love it uh to

1809

01:11:19,110 --> 01:11:16,320

i love it when these physicists and

1810

01:11:21,750 --> 01:11:19,120

theoretical physicists and philosophers

1811

01:11:23,669 --> 01:11:21,760

uh start to go at it in these debates uh

1812

01:11:25,350 --> 01:11:23,679

when they're discussing consciousness or

1813

01:11:28,070 --> 01:11:25,360

simulation theory

1814

01:11:30,630 --> 01:11:28,080

um and uh and quantum mechanics and

1815

01:11:32,149 --> 01:11:30,640

quantum theory and string theory it is

1816

01:11:34,870 --> 01:11:32,159

amazing

1817

01:11:36,640 --> 01:11:34,880

to have all of these great minds

1818

01:11:38,709 --> 01:11:36,650

not agree

1819

01:11:40,310 --> 01:11:38,719

[Laughter]

1820

01:11:43,669 --> 01:11:40,320

if there's one thing that great minds do

1821

01:11:46,070 --> 01:11:43,679

it's not agreeing oh they just go

1822

01:11:49,910 --> 01:11:46,080

they really really do and and they come

1823

01:11:52,470 --> 01:11:49,920

from a foundation of of strong academics

1824

01:11:53,590 --> 01:11:52,480

and they are very tough to bend

1825

01:11:55,030 --> 01:11:53,600

right

1826

01:11:57,510 --> 01:11:55,040

you know

1827

01:11:59,590 --> 01:11:57,520

when you get when you get a physicist a

1828

01:12:01,350 --> 01:11:59,600

career professional physicist and

1829

01:12:03,830 --> 01:12:01,360

theoretical physicist

1830

01:12:06,709 --> 01:12:03,840

going at it and throwing a philosopher

1831

01:12:10,630 --> 01:12:06,719

and and start to discuss the universe

1832

01:12:13,350 --> 01:12:10,640

and and simulation theory oh man i love

1833

01:12:15,270 --> 01:12:13,360

it it's nothing better and now let's get

1834

01:12:17,110 --> 01:12:15,280

back to this because this is what you do

1835

01:12:20,310 --> 01:12:17,120

when you research this

1836

01:12:22,709 --> 01:12:20,320

um your software which is called

1837

01:12:25,030 --> 01:12:22,719

entangled right

1838

01:12:28,390 --> 01:12:25,040

your software as you started to develop

1839

01:12:29,910 --> 01:12:28,400

this what was the intention

1840

01:12:31,990 --> 01:12:29,920

what were you trying to achieve with the

1841

01:12:35,110 --> 01:12:32,000

software

1842

01:12:37,669 --> 01:12:35,120

well it was basically to show twofold

1843

01:12:39,350 --> 01:12:37,679

one to give people a hands-on experience

1844

01:12:41,189 --> 01:12:39,360

of consciousness affecting physical

1845

01:12:42,149 --> 01:12:41,199

reality a

1846

01:12:44,950 --> 01:12:42,159

and b

1847

01:12:47,110 --> 01:12:44,960

to expand the

1848

01:12:49,430 --> 01:12:47,120

level of inquiry in consciousness

1849

01:12:50,870 --> 01:12:49,440

research to a global scale and i should

1850

01:12:52,390 --> 01:12:50,880

probably step back and explain a little

1851

01:12:55,430 --> 01:12:52,400

bit about

1852

01:12:57,590 --> 01:12:55,440

the uh the origin of

1853

01:12:59,270 --> 01:12:57,600

the uh of entangled

1854

01:13:00,709 --> 01:12:59,280

because it'll start to make sense that

1855

01:13:01,669 --> 01:13:00,719

way sure

1856

01:13:03,590 --> 01:13:01,679

okay

1857

01:13:05,750 --> 01:13:03,600

so back in the 70s

1858

01:13:08,709 --> 01:13:05,760

there was the dean of princeton robert

1859

01:13:10,390 --> 01:13:08,719

john and he had he was basically sitting

1860

01:13:12,070 --> 01:13:10,400

at the height of his career he was the

1861

01:13:13,510 --> 01:13:12,080

dean of the engineering school he had

1862

01:13:16,830 --> 01:13:13,520

invented

1863

01:13:19,910 --> 01:13:16,840

a new generation of electric

1864

01:13:21,030 --> 01:13:19,920

spacecraft plasma propulsion

1865

01:13:22,550 --> 01:13:21,040

and

1866

01:13:24,229 --> 01:13:22,560

he started to

1867

01:13:26,390 --> 01:13:24,239

think about the very questions that we

1868

01:13:27,830 --> 01:13:26,400

were discussing today namely

1869

01:13:29,830 --> 01:13:27,840

surrounding consciousness is

1870

01:13:33,990 --> 01:13:29,840

consciousness an illusion or is there

1871

01:13:38,550 --> 01:13:36,070

a part of the fundamental fabric of

1872

01:13:39,430 --> 01:13:38,560

physical reality and

1873

01:13:41,189 --> 01:13:39,440

he

1874

01:13:42,870 --> 01:13:41,199

and his

1875

01:13:45,669 --> 01:13:42,880

one of his students

1876

01:13:47,189 --> 01:13:45,679

designed an experiment to test that

1877

01:13:49,270 --> 01:13:47,199

and that experiment

1878

01:13:51,590 --> 01:13:49,280

now famous is

1879

01:13:53,750 --> 01:13:51,600

using random number generators

1880

01:13:56,310 --> 01:13:53,760

so random number generators are not

1881

01:13:58,229 --> 01:13:56,320

computer programs but they convert

1882

01:14:00,390 --> 01:13:58,239

physical phenomena like

1883

01:14:02,870 --> 01:14:00,400

quantum tunneling or something like that

1884

01:14:03,990 --> 01:14:02,880

into a series of unpredictable ones and

1885

01:14:05,270 --> 01:14:04,000

zeros

1886

01:14:06,790 --> 01:14:05,280

and because of what we know about

1887

01:14:08,550 --> 01:14:06,800

quantum mechanics

1888

01:14:10,550 --> 01:14:08,560

those series of ones and zeros are

1889

01:14:12,390 --> 01:14:10,560

intrinsically random and there's good

1890

01:14:14,550 --> 01:14:12,400

ways to shield it so you can think of it

1891

01:14:16,470 --> 01:14:14,560

kind of like a quantum coin flipper it's

1892

01:14:18,950 --> 01:14:16,480

flipping heads tails heads heads heads

1893

01:14:19,990 --> 01:14:18,960

tails many many many times

1894

01:14:21,750 --> 01:14:20,000

you can look at the heads and you can

1895

01:14:25,030 --> 01:14:21,760

look at the tails and you find that

1896

01:14:27,110 --> 01:14:25,040

there's basically 50 50 heads and tails

1897

01:14:30,470 --> 01:14:27,120

perfectly random right right

1898

01:14:32,070 --> 01:14:30,480

until you get consciousness or

1899

01:14:33,510 --> 01:14:32,080

a volunteer

1900

01:14:34,550 --> 01:14:33,520

in this case to sit in front of the

1901

01:14:37,110 --> 01:14:34,560

machine

1902

01:14:39,350 --> 01:14:37,120

and using only their thoughts to try to

1903

01:14:41,350 --> 01:14:39,360

nudge the output of that random number

1904

01:14:44,390 --> 01:14:41,360

generator to produce more ones or more

1905

01:14:45,669 --> 01:14:44,400

zeros very straightforward it turns out

1906

01:14:48,390 --> 01:14:45,679

that

1907

01:14:49,990 --> 01:14:48,400

the machine typically responds and it

1908

01:14:51,350 --> 01:14:50,000

responds in some statistically

1909

01:14:52,229 --> 01:14:51,360

significant way

1910

01:14:54,310 --> 01:14:52,239

meaning

1911

01:14:56,630 --> 01:14:54,320

a person intends oh i'm going to make it

1912

01:14:58,470 --> 01:14:56,640

produce more ones out come more ones

1913

01:14:59,430 --> 01:14:58,480

more zeros outcome more zeros and so

1914

01:15:01,430 --> 01:14:59,440

forth

1915

01:15:03,669 --> 01:15:01,440

very simple experiment but profound in

1916

01:15:05,669 --> 01:15:03,679

its implications because there's no

1917

01:15:07,669 --> 01:15:05,679

standard model explanation for how

1918

01:15:11,669 --> 01:15:07,679

consciousness could be

1919

01:15:13,910 --> 01:15:11,679

correlated or be affecting the output of

1920

01:15:16,550 --> 01:15:13,920

this device it implies that there's some

1921

01:15:18,950 --> 01:15:16,560

sort of non-local or unseen information

1922

01:15:21,830 --> 01:15:18,960

exchange between the consciousness and

1923

01:15:25,830 --> 01:15:23,430

so that work

1924

01:15:27,270 --> 01:15:25,840

persisted for several decades and was

1925

01:15:28,310 --> 01:15:27,280

you know published and repeated and all

1926

01:15:31,270 --> 01:15:28,320

of that

1927

01:15:33,110 --> 01:15:31,280

controversial and and still is today

1928

01:15:35,830 --> 01:15:33,120

out of the pear lab there was a

1929

01:15:38,149 --> 01:15:35,840

researcher named roger nelson and dean

1930

01:15:41,510 --> 01:15:38,159

raiden who you might have had on your

1931

01:15:44,149 --> 01:15:41,520

show before absolutely yep and they had

1932

01:15:45,910 --> 01:15:44,159

the idea well okay we're

1933

01:15:48,149 --> 01:15:45,920

finding these anomalies

1934

01:15:50,870 --> 01:15:48,159

uh when it's a single person attempting

1935

01:15:53,350 --> 01:15:50,880

to affect this device

1936

01:15:54,630 --> 01:15:53,360

what if we brought one of these devices

1937

01:15:57,110 --> 01:15:54,640

to

1938

01:15:59,350 --> 01:15:57,120

environments in which no one's

1939

01:16:01,750 --> 01:15:59,360

intentionally trying to affect it

1940

01:16:03,590 --> 01:16:01,760

but are engaged in some sort of abnormal

1941

01:16:05,350 --> 01:16:03,600

consciousness activity meaning they're

1942

01:16:07,510 --> 01:16:05,360

at a concert or they're at a business

1943

01:16:10,470 --> 01:16:07,520

meeting or they're in a drum circle or

1944

01:16:11,910 --> 01:16:10,480

they're at yoga or they're meditating

1945

01:16:14,070 --> 01:16:11,920

something like that

1946

01:16:16,229 --> 01:16:14,080

and what they found was that when you

1947

01:16:18,229 --> 01:16:16,239

brought these random number generators

1948

01:16:19,910 --> 01:16:18,239

in the physical into physical proximity

1949

01:16:21,270 --> 01:16:19,920

of people that are for example

1950

01:16:22,870 --> 01:16:21,280

meditating

1951

01:16:24,550 --> 01:16:22,880

you can often register in effect now

1952

01:16:27,510 --> 01:16:24,560

there's a lot of debate as to what that

1953

01:16:31,830 --> 01:16:29,990

but nonetheless there is this effect so

1954

01:16:34,310 --> 01:16:31,840

probably over a couple of beers one

1955

01:16:36,310 --> 01:16:34,320

night they said well what if we expand

1956

01:16:37,990 --> 01:16:36,320

this network of random number generators

1957

01:16:39,750 --> 01:16:38,000

around the world

1958

01:16:41,830 --> 01:16:39,760

and collect data

1959

01:16:43,910 --> 01:16:41,840

centrally at a centralized location

1960

01:16:45,990 --> 01:16:43,920

would we be able to find anything

1961

01:16:49,990 --> 01:16:46,000

that is like

1962

01:16:51,990 --> 01:16:50,000

coherent signals between these devices

1963

01:16:53,990 --> 01:16:52,000

meaning if you had a random number

1964

01:16:56,870 --> 01:16:54,000

generator in

1965

01:16:58,550 --> 01:16:56,880

australia and one in the middle east and

1966

01:17:00,470 --> 01:16:58,560

we're in america

1967

01:17:01,270 --> 01:17:00,480

their data output should all be random

1968

01:17:02,790 --> 01:17:01,280

but

1969

01:17:04,950 --> 01:17:02,800

could we find

1970

01:17:06,550 --> 01:17:04,960

times in which they are synchronized or

1971

01:17:08,149 --> 01:17:06,560

which they're coherent and do those

1972

01:17:09,270 --> 01:17:08,159

times correspond to anything that's

1973

01:17:10,630 --> 01:17:09,280

happening that would capture global

1974

01:17:12,790 --> 01:17:10,640

attention

1975

01:17:13,910 --> 01:17:12,800

so that's what they did and that is

1976

01:17:15,590 --> 01:17:13,920

famously known as the global

1977

01:17:17,189 --> 01:17:15,600

consciousness project

1978

01:17:18,070 --> 01:17:17,199

and it's been running for 20 something

1979

01:17:19,990 --> 01:17:18,080

years

1980

01:17:22,550 --> 01:17:20,000

there's a network of about 70 random

1981

01:17:25,110 --> 01:17:22,560

number generators that are

1982

01:17:26,229 --> 01:17:25,120

producing data which is being collected

1983

01:17:27,990 --> 01:17:26,239

and

1984

01:17:31,990 --> 01:17:28,000

i think most people know about this

1985

01:17:34,470 --> 01:17:32,000

through the 911 output where a few hours

1986

01:17:36,070 --> 01:17:34,480

before the plane struck the first plane

1987

01:17:38,630 --> 01:17:36,080

struck on 911

1988

01:17:40,070 --> 01:17:38,640

you had a hugely statistically

1989

01:17:43,669 --> 01:17:40,080

significant

1990

01:17:46,149 --> 01:17:43,679

covariance yeah spike it was a i i i

1991

01:17:48,870 --> 01:17:46,159

watched the graphs on that

1992

01:17:50,790 --> 01:17:48,880

and that is something that is uh that

1993

01:17:52,709 --> 01:17:50,800

doesn't need to be explained i mean that

1994

01:17:54,550 --> 01:17:52,719

is just uh

1995

01:17:56,390 --> 01:17:54,560

especially when you're pragmatic right

1996

01:17:57,669 --> 01:17:56,400

and that's what you need in is charts

1997

01:18:01,350 --> 01:17:57,679

and graphs

1998

01:18:06,070 --> 01:18:03,669

yeah uh exactly i don't remember the

1999

01:18:07,750 --> 01:18:06,080

exact statistical likelihood but it was

2000

01:18:09,430 --> 01:18:07,760

off the charts it was off the charts it

2001

01:18:11,189 --> 01:18:09,440

was off the charts we need to take a

2002

01:18:12,870 --> 01:18:11,199

break right here and adam during this

2003

01:18:14,070 --> 01:18:12,880

break i want you to go and check out

2004

01:18:16,470 --> 01:18:14,080

your twitter

2005

01:18:18,870 --> 01:18:16,480

account because i copied you here

2006

01:18:19,669 --> 01:18:18,880

and there is a copy of

2007

01:18:20,870 --> 01:18:19,679

says

2008

01:18:22,390 --> 01:18:20,880

shazam

2009

01:18:24,149 --> 01:18:22,400

on videotape

2010

01:18:25,990 --> 01:18:24,159

amazing there's a there's a picture of

2011

01:18:27,590 --> 01:18:26,000

it there and i guess we're gonna uh

2012

01:18:29,510 --> 01:18:27,600

we're gonna watch this

2013

01:18:31,189 --> 01:18:29,520

at some point so let's take our break

2014

01:18:33,750 --> 01:18:31,199

right here this is fade to black i'm

2015

01:18:35,750 --> 01:18:33,760

your host jimmy church now wouldn't that

2016

01:18:37,350 --> 01:18:35,760

tip the world on its ear after

2017

01:18:38,390 --> 01:18:37,360

everything that was said about the movie

2018

01:18:40,790 --> 01:18:38,400

shazam

2019

01:18:42,390 --> 01:18:40,800

and then we actually get the movie

2020

01:18:44,149 --> 01:18:42,400

and it it's right here it's in twitter

2021

01:18:46,229 --> 01:18:44,159

to go check it out this is fade to black

2022

01:18:48,070 --> 01:18:46,239

our guest tonight adam curry we're gonna

2023

01:18:50,840 --> 01:18:48,080

do this experiment when we come back

2024

01:19:00,630 --> 01:18:50,850

stay with us

2025

01:19:04,709 --> 01:19:02,709

all right welcome back

2026

01:19:07,189 --> 01:19:04,719

fade to black our guest tonight adam

2027

01:19:09,669 --> 01:19:07,199

curry you can follow me on twitter at

2028

01:19:12,149 --> 01:19:09,679

jchurchradio you can follow adam at

2029

01:19:13,990 --> 01:19:12,159

adam's lab and

2030

01:19:16,310 --> 01:19:14,000

as you can see twitter's starting to

2031

01:19:19,590 --> 01:19:16,320

heat up here uh pretty good adam did you

2032

01:19:21,110 --> 01:19:19,600

see the copy of the shazam videotape

2033

01:19:23,030 --> 01:19:21,120

i haven't looked at it yet okay looking

2034

01:19:25,110 --> 01:19:23,040

forward to it well it looks like we're

2035

01:19:28,709 --> 01:19:25,120

gonna get uh

2036

01:19:32,630 --> 01:19:28,719

we're gonna get the tape to play

2037

01:19:34,790 --> 01:19:32,640

and then shoot it on the tv with uh

2038

01:19:37,189 --> 01:19:34,800

a cell phone video and we're gonna post

2039

01:19:40,550 --> 01:19:37,199

that up here on twitter now wouldn't

2040

01:19:43,590 --> 01:19:40,560

that be a pretty memorable show

2041

01:19:45,990 --> 01:19:43,600

amazing yeah yeah we shall see we shall

2042

01:19:48,149 --> 01:19:46,000

see i mean we all need you know i keep

2043

01:19:50,709 --> 01:19:48,159

saying what would it take for proof

2044

01:19:52,070 --> 01:19:50,719

and you know to tip the scales once one

2045

01:19:54,470 --> 01:19:52,080

thing falls

2046

01:19:57,430 --> 01:19:54,480

adam and i doll it's all going to just

2047

01:19:59,189 --> 01:19:57,440

fall um including i would have thought

2048

01:20:03,350 --> 01:19:59,199

that the

2049

01:20:05,750 --> 01:20:03,360

uh the spike at 9 11 uh with uh the

2050

01:20:06,870 --> 01:20:05,760

internet consciousness right feeding

2051

01:20:09,750 --> 01:20:06,880

itself

2052

01:20:11,110 --> 01:20:09,760

was a lot of proof of something and

2053

01:20:12,709 --> 01:20:11,120

nobody really

2054

01:20:15,110 --> 01:20:12,719

bit on it

2055

01:20:17,830 --> 01:20:15,120

why do you think that was

2056

01:20:19,990 --> 01:20:17,840

well it's pretty out there

2057

01:20:21,990 --> 01:20:20,000

wouldn't say that nobody bid on it

2058

01:20:24,470 --> 01:20:22,000

you know millions and millions of people

2059

01:20:27,350 --> 01:20:24,480

heard about that and were

2060

01:20:28,630 --> 01:20:27,360

catalyzed into exploring or deepening

2061

01:20:30,550 --> 01:20:28,640

their rabbit hole

2062

01:20:33,030 --> 01:20:30,560

so it did have an effect

2063

01:20:35,270 --> 01:20:33,040

you might even look at it differently

2064

01:20:37,990 --> 01:20:35,280

uh it could be that collectively there

2065

01:20:40,070 --> 01:20:38,000

is a pre-sentiment

2066

01:20:42,229 --> 01:20:40,080

that the rns picked up about what was

2067

01:20:45,350 --> 01:20:42,239

about to happen you could also look at

2068

01:20:46,550 --> 01:20:45,360

it as what's called retrocausality

2069

01:20:49,110 --> 01:20:46,560

meaning

2070

01:20:51,350 --> 01:20:49,120

because that event was so important

2071

01:20:54,149 --> 01:20:51,360

the 911 spike

2072

01:20:55,590 --> 01:20:54,159

everyone who in the future were to hear

2073

01:20:57,990 --> 01:20:55,600

about it

2074

01:21:00,229 --> 01:20:58,000

caused a backwards going effect

2075

01:21:02,149 --> 01:21:00,239

at the moment that the data was recorded

2076  
01:21:03,910 --> 01:21:02,159  
hours before the plane struck to create

2077  
01:21:06,630 --> 01:21:03,920  
that spike

2078  
01:21:08,870 --> 01:21:06,640  
and that's even more sensational

2079  
01:21:10,950 --> 01:21:08,880  
right that's that's that's

2080  
01:21:13,990 --> 01:21:10,960  
yeah that's pretty big stuff

2081  
01:21:16,229 --> 01:21:14,000  
and when um you you started to put this

2082  
01:21:18,390 --> 01:21:16,239  
software together okay well let's

2083  
01:21:19,350 --> 01:21:18,400  
actually let's let's let's talk about

2084  
01:21:21,590 --> 01:21:19,360  
that

2085  
01:21:23,830 --> 01:21:21,600  
um because we're gonna we're gonna

2086  
01:21:25,110 --> 01:21:23,840  
attempt this experiment here with

2087  
01:21:27,590 --> 01:21:25,120  
everybody

2088  
01:21:29,189 --> 01:21:27,600

and i don't know what the experiment is

2089

01:21:30,790 --> 01:21:29,199

i'm gonna hear about it uh with

2090

01:21:33,189 --> 01:21:30,800

everybody else for the first time so we

2091

01:21:34,149 --> 01:21:33,199

can all participate in this together

2092

01:21:36,950 --> 01:21:34,159

um

2093

01:21:39,750 --> 01:21:36,960

but what does entangle do i know you

2094

01:21:42,550 --> 01:21:39,760

gave the scientific explanation

2095

01:21:43,910 --> 01:21:42,560

but to somebody that downloads this onto

2096

01:21:47,030 --> 01:21:43,920

their phone

2097

01:21:49,990 --> 01:21:47,040

uh explain it to them

2098

01:21:52,070 --> 01:21:50,000

so entangled isn't out yet as you know

2099

01:21:53,750 --> 01:21:52,080

um i've got one more feature that i kind

2100

01:21:56,310 --> 01:21:53,760

of discovered on accident that i think

2101  
01:21:58,550 --> 01:21:56,320  
makes the whole app ten times better and

2102  
01:22:00,550 --> 01:21:58,560  
so i'm waiting to put that into it but

2103  
01:22:02,070 --> 01:22:00,560  
the idea is that it turns when you

2104  
01:22:05,270 --> 01:22:02,080  
download the app to your phone it turns

2105  
01:22:07,750 --> 01:22:05,280  
your phone into a real physical random

2106  
01:22:09,510 --> 01:22:07,760  
number generator and allows data

2107  
01:22:10,390 --> 01:22:09,520  
collection to happen around the world

2108  
01:22:12,870 --> 01:22:10,400  
across

2109  
01:22:14,709 --> 01:22:12,880  
hundreds of thousands of data points so

2110  
01:22:16,950 --> 01:22:14,719  
that we can start to get a better

2111  
01:22:19,030 --> 01:22:16,960  
picture of what we mean when we

2112  
01:22:20,149 --> 01:22:19,040  
sort of globally talk about collective

2113  
01:22:21,590 --> 01:22:20,159

consciousness or collective

2114

01:22:22,950 --> 01:22:21,600

consciousness effects meaning we can

2115

01:22:25,110 --> 01:22:22,960

look at

2116

01:22:27,910 --> 01:22:25,120

these output of random number generators

2117

01:22:29,910 --> 01:22:27,920

on your phones in real time and uh

2118

01:22:31,990 --> 01:22:29,920

start to actually pose experiments we're

2119

01:22:33,110 --> 01:22:32,000

not reactively looking at data but we

2120

01:22:35,189 --> 01:22:33,120

can

2121

01:22:38,070 --> 01:22:35,199

sort of more proactively

2122

01:22:39,830 --> 01:22:38,080

set up experiments and test outcomes um

2123

01:22:40,709 --> 01:22:39,840

when that's done i'll come back on your

2124

01:22:42,310 --> 01:22:40,719

show

2125

01:22:44,550 --> 01:22:42,320

and uh we'll explore that a little bit

2126  
01:22:46,550 --> 01:22:44,560  
more yeah absolutely well and then we

2127  
01:22:48,950 --> 01:22:46,560  
have you know collective memories too as

2128  
01:22:51,830 --> 01:22:48,960  
well like there are a lot of people out

2129  
01:22:55,030 --> 01:22:51,840  
there a lot millions of people that

2130  
01:22:57,669 --> 01:22:55,040  
actually remember or think that sammy

2131  
01:23:00,310 --> 01:22:57,679  
hagar replaced david lee roth and van

2132  
01:23:04,070 --> 01:23:00,320  
halen and it never happened

2133  
01:23:09,270 --> 01:23:06,070  
see i'm joking see i just messed with

2134  
01:23:11,510 --> 01:23:09,280  
you and that's and that is part of the

2135  
01:23:14,390 --> 01:23:11,520  
collective memory right

2136  
01:23:17,910 --> 01:23:14,400  
is it the power of suggestion and and

2137  
01:23:19,510 --> 01:23:17,920  
then suddenly it becomes a real memory

2138  
01:23:21,510 --> 01:23:19,520

well i think that there's something to

2139

01:23:24,709 --> 01:23:21,520

that i think that

2140

01:23:26,229 --> 01:23:24,719

you can get bizarre effects so long as

2141

01:23:28,310 --> 01:23:26,239

you're able to

2142

01:23:30,470 --> 01:23:28,320

create doubt in your own mind right let

2143

01:23:32,830 --> 01:23:30,480

me let me give you an example

2144

01:23:36,629 --> 01:23:32,840

did you lock your your car door

2145

01:23:38,950 --> 01:23:36,639

today oh man okay great question i think

2146

01:23:41,110 --> 01:23:38,960

i did you think you did right but maybe

2147

01:23:43,830 --> 01:23:41,120

you didn't right because it's so

2148

01:23:44,790 --> 01:23:43,840

normal for you right it's automatic

2149

01:23:46,070 --> 01:23:44,800

right

2150

01:23:47,750 --> 01:23:46,080

and you've

2151  
01:23:48,390 --> 01:23:47,760  
previously not locked your car door

2152  
01:23:49,750 --> 01:23:48,400  
right

2153  
01:23:51,270 --> 01:23:49,760  
you've forgotten in the past to lock

2154  
01:23:52,070 --> 01:23:51,280  
your car door sure

2155  
01:23:53,270 --> 01:23:52,080  
yeah

2156  
01:23:55,510 --> 01:23:53,280  
and maybe

2157  
01:23:56,870 --> 01:23:55,520  
you had a long trip the other day and

2158  
01:23:58,390 --> 01:23:56,880  
you didn't sleep very well and you're

2159  
01:23:59,750 --> 01:23:58,400  
just kind of out of it and it's just one

2160  
01:24:02,790 --> 01:23:59,760  
of those days and you didn't lock your

2161  
01:24:04,550 --> 01:24:02,800  
car door could be it could be that

2162  
01:24:06,229 --> 01:24:04,560  
there's some

2163  
01:24:07,430 --> 01:24:06,239

interesting synchronicity between me

2164

01:24:09,110 --> 01:24:07,440

bringing up the fact that you didn't

2165

01:24:10,790 --> 01:24:09,120

lock your car door and the fact that

2166

01:24:12,310 --> 01:24:10,800

when you go to check tonight you didn't

2167

01:24:14,390 --> 01:24:12,320

lock your car door

2168

01:24:15,830 --> 01:24:14,400

right so you see what i'm doing

2169

01:24:19,910 --> 01:24:15,840

in the from the point of view of the

2170

01:24:21,270 --> 01:24:19,920

present moment i'm i'm creating for you

2171

01:24:23,590 --> 01:24:21,280

reasons

2172

01:24:25,270 --> 01:24:23,600

uh that this phenomenon didn't happen

2173

01:24:28,790 --> 01:24:25,280

and now the

2174

01:24:30,709 --> 01:24:28,800

the car door being locked or unlocked is

2175

01:24:32,550 --> 01:24:30,719

sort of in a state of superposition in

2176

01:24:35,189 --> 01:24:32,560

your own mind right you think you did

2177

01:24:36,950 --> 01:24:35,199

but you're not a hundred percent sure

2178

01:24:40,629 --> 01:24:36,960

and maybe after this conversation you're

2179

01:24:43,030 --> 01:24:40,639

a little bit less sure that you did

2180

01:24:45,830 --> 01:24:43,040

so for my way of thinking

2181

01:24:46,709 --> 01:24:45,840

anytime that there are probabilities

2182

01:24:51,510 --> 01:24:46,719

you

2183

01:24:54,709 --> 01:24:51,520

probabilities to

2184

01:24:56,709 --> 01:24:54,719

fungibleness by consciousness

2185

01:24:59,030 --> 01:24:56,719

and that incidentally is how i think of

2186

01:25:01,110 --> 01:24:59,040

the mandela effect to put it a little

2187

01:25:03,030 --> 01:25:01,120

differently

2188

01:25:04,550 --> 01:25:03,040

every theory

2189

01:25:06,629 --> 01:25:04,560

that's like a really good fear not every

2190

01:25:08,790 --> 01:25:06,639

theory but most theories in

2191

01:25:10,149 --> 01:25:08,800

that are proposed in science uh they're

2192

01:25:11,110 --> 01:25:10,159

symmetric

2193

01:25:15,189 --> 01:25:11,120

and

2194

01:25:17,990 --> 01:25:15,199

might be symmetric so we're used to

2195

01:25:20,870 --> 01:25:18,000

thinking of the past

2196

01:25:23,030 --> 01:25:20,880

as 100 set in stone

2197

01:25:24,470 --> 01:25:23,040

happened one way did not change but the

2198

01:25:26,790 --> 01:25:24,480

future

2199

01:25:29,110 --> 01:25:26,800

is a probability function of the present

2200

01:25:31,110 --> 01:25:29,120

meaning it's likely to be one way but it

2201

01:25:33,110 --> 01:25:31,120

may not be that way but it's likely to

2202

01:25:34,070 --> 01:25:33,120

be a certain way

2203

01:25:36,070 --> 01:25:34,080

so

2204

01:25:38,550 --> 01:25:36,080

that is a very asymmetric way of looking

2205

01:25:41,030 --> 01:25:38,560

at causality from the present

2206

01:25:43,270 --> 01:25:41,040

you know causing something in the future

2207

01:25:44,709 --> 01:25:43,280

but what if it was actually symmetric so

2208

01:25:46,070 --> 01:25:44,719

what if time was symmetric you would

2209

01:25:48,310 --> 01:25:46,080

have

2210

01:25:50,470 --> 01:25:48,320

basically a probability the past is like

2211

01:25:52,629 --> 01:25:50,480

a probability function

2212

01:25:54,070 --> 01:25:52,639

of the present moment just as the future

2213

01:25:56,149 --> 01:25:54,080

is a probability function of the present

2214

01:25:58,070 --> 01:25:56,159

moment and because it's a probability

2215

01:25:59,030 --> 01:25:58,080

function from the point of view of the

2216

01:26:01,750 --> 01:25:59,040

present

2217

01:26:05,030 --> 01:26:01,760

with consciousness we can actually

2218

01:26:07,270 --> 01:26:05,040

shift those probabilities in a way that

2219

01:26:09,910 --> 01:26:07,280

affects the past from our point of view

2220

01:26:12,550 --> 01:26:09,920

does that make sense well it it does if

2221

01:26:15,590 --> 01:26:12,560

we take it literally but how could the

2222

01:26:17,990 --> 01:26:15,600

past have probabilities in it when it's

2223

01:26:22,709 --> 01:26:18,000

happened

2224

01:26:24,790 --> 01:26:22,719

in your mind

2225

01:26:27,910 --> 01:26:24,800

and there's only evidence of it where

2226

01:26:29,669 --> 01:26:27,920

and when you go to look for it

2227

01:26:31,830 --> 01:26:29,679

so

2228

01:26:33,270 --> 01:26:31,840

basically what this implies is

2229

01:26:35,189 --> 01:26:33,280

something that we've known for a while

2230

01:26:37,110 --> 01:26:35,199

is just that any theory of reality

2231

01:26:38,790 --> 01:26:37,120

really needs only

2232

01:26:40,870 --> 01:26:38,800

two criteria

2233

01:26:43,189 --> 01:26:40,880

you need consistent histories and you

2234

01:26:45,430 --> 01:26:43,199

need probable futures

2235

01:26:47,669 --> 01:26:45,440

so consistent history is

2236

01:26:49,510 --> 01:26:47,679

there is a consistent line of what

2237

01:26:51,110 --> 01:26:49,520

appears to be cause and effect

2238

01:26:52,470 --> 01:26:51,120

to explain something in the in the

2239

01:26:54,550 --> 01:26:52,480

present moment

2240

01:26:55,910 --> 01:26:54,560

and probable futures meaning that

2241

01:26:57,750 --> 01:26:55,920

reality isn't going to spin off into

2242

01:26:59,510 --> 01:26:57,760

some unpredictable direction because

2243

01:27:01,270 --> 01:26:59,520

life that's very not friendly to life

2244

01:27:02,870 --> 01:27:01,280

right

2245

01:27:04,390 --> 01:27:02,880

so consistent histories and probable

2246

01:27:07,590 --> 01:27:04,400

futures are really all you need and

2247

01:27:08,950 --> 01:27:07,600

incidentally all we have

2248

01:27:11,350 --> 01:27:08,960

so

2249

01:27:13,030 --> 01:27:11,360

if the past is a probability function of

2250

01:27:14,950 --> 01:27:13,040

the present i'm not saying that it is

2251

01:27:17,590 --> 01:27:14,960

i'm saying that it might be right

2252

01:27:20,470 --> 01:27:19,030

what we know about consciousness

2253

01:27:23,189 --> 01:27:20,480

affecting physical reality or

2254

01:27:24,709 --> 01:27:23,199

probabilistic systems means that

2255

01:27:26,229 --> 01:27:24,719

from the point of view of the present we

2256

01:27:28,709 --> 01:27:26,239

might be affecting the past in a way

2257

01:27:30,790 --> 01:27:28,719

that lines up to be consistent with the

2258

01:27:33,030 --> 01:27:30,800

present moment

2259

01:27:34,870 --> 01:27:33,040

isn't that more sensational than

2260

01:27:36,709 --> 01:27:34,880

parallel worlds

2261

01:27:39,189 --> 01:27:36,719

i actually think it resolves parallel

2262

01:27:40,470 --> 01:27:39,199

worlds right right you do it yes yeah

2263

01:27:43,430 --> 01:27:40,480

yes okay

2264

01:27:45,910 --> 01:27:43,440

well um last week i don't want to i

2265

01:27:46,790 --> 01:27:45,920

don't want to uh revisit this subject

2266

01:27:48,390 --> 01:27:46,800

but

2267

01:27:50,709 --> 01:27:48,400

um i have to because of this

2268

01:27:53,910 --> 01:27:50,719

conversation i'm gonna give you the very

2269

01:27:55,189 --> 01:27:53,920

very very very short version of

2270

01:27:57,189 --> 01:27:55,199

this

2271

01:27:58,870 --> 01:27:57,199

in 1972

2272

01:28:00,790 --> 01:27:58,880

i stepped out i was nine years old

2273

01:28:03,110 --> 01:28:00,800

stepped out into my front yard i saw

2274

01:28:04,950 --> 01:28:03,120

something in in the summer

2275

01:28:08,070 --> 01:28:04,960

i saw something up in the sky caught my

2276

01:28:11,590 --> 01:28:08,080

eye i look up and i see

2277

01:28:14,470 --> 01:28:11,600

a a rigid airship like the hindenburg

2278

01:28:15,590 --> 01:28:14,480

right with the ribs that motors on the

2279

01:28:17,350 --> 01:28:15,600

side

2280

01:28:19,830 --> 01:28:17,360

you know the whole thing and i see it

2281

01:28:21,750 --> 01:28:19,840

fly by and i and i chase it across this

2282

01:28:25,030 --> 01:28:21,760

field it was low

2283

01:28:28,070 --> 01:28:25,040

and i counted the engines and i just

2284

01:28:29,830 --> 01:28:28,080

you know memorized everything so uh two

2285

01:28:30,709 --> 01:28:29,840

days ago

2286

01:28:32,550 --> 01:28:30,719

uh

2287

01:28:33,750 --> 01:28:32,560

i think it was two days ago maybe

2288

01:28:35,910 --> 01:28:33,760

anyway

2289

01:28:37,590 --> 01:28:35,920

um or was it thursday of last week

2290

01:28:39,910 --> 01:28:37,600

today's tuesday must have been thursday

2291

01:28:41,030 --> 01:28:39,920

of last week i went and i the memory

2292

01:28:42,790 --> 01:28:41,040

came back

2293

01:28:47,430 --> 01:28:42,800

i'm like oh yeah that's right so i

2294

01:28:49,110 --> 01:28:47,440

decided to research um uh

2295

01:28:51,910 --> 01:28:49,120

the airships

2296

01:28:53,830 --> 01:28:51,920

and so i could find out which one that i

2297

01:28:55,669 --> 01:28:53,840

saw maybe i could find the name of it

2298

01:28:58,149 --> 01:28:55,679

right and you know what year they were

2299

01:29:00,629 --> 01:28:58,159

flying around and what bases they were

2300

01:29:01,750 --> 01:29:00,639

stationed at and so forth you know with

2301  
01:29:04,470 --> 01:29:01,760  
the navy

2302  
01:29:06,629 --> 01:29:04,480  
and so i start researching on the web

2303  
01:29:09,590 --> 01:29:06,639  
and then i find out

2304  
01:29:14,470 --> 01:29:09,600  
that there were none

2305  
01:29:17,070 --> 01:29:14,480  
program the last one was dismantled at

2306  
01:29:18,709 --> 01:29:17,080  
the end of 1939 none had flown since

2307  
01:29:21,430 --> 01:29:18,719  
1935

2308  
01:29:24,310 --> 01:29:21,440  
the hindenburg crashed in 37

2309  
01:29:27,270 --> 01:29:24,320  
effectively ending the program worldwide

2310  
01:29:28,229 --> 01:29:27,280  
after the hindenburg in 37 there were no

2311  
01:29:30,709 --> 01:29:28,239  
more

2312  
01:29:32,149 --> 01:29:30,719  
rigid airships on planet earth

2313  
01:29:37,270 --> 01:29:32,159

okay

2314

01:29:42,790 --> 01:29:40,229

do you understand and and so my mind was

2315

01:29:44,550 --> 01:29:42,800

blown last i mean i just couldn't it

2316

01:29:46,629 --> 01:29:44,560

didn't make any sense i thought i was

2317

01:29:48,870 --> 01:29:46,639

going to have some fun okay it was the

2318

01:29:51,030 --> 01:29:48,880

uss los angeles and it was at great

2319

01:29:53,750 --> 01:29:51,040

lakes naval air station north of chicago

2320

01:29:55,350 --> 01:29:53,760

in 1972 and it flew to los angeles

2321

01:29:56,709 --> 01:29:55,360

whatever you know i was going to find

2322

01:29:57,910 --> 01:29:56,719

out these facts

2323

01:30:00,390 --> 01:29:57,920

and

2324

01:30:01,270 --> 01:30:00,400

when i found out that there were none

2325

01:30:03,750 --> 01:30:01,280

now

2326

01:30:06,070 --> 01:30:03,760

wait a minute here

2327

01:30:08,390 --> 01:30:06,080

you know and so what what do i do with

2328

01:30:10,550 --> 01:30:08,400

that i i i

2329

01:30:12,070 --> 01:30:10,560

my memory is not going to change i saw

2330

01:30:17,189 --> 01:30:12,080

what i saw

2331

01:30:18,709 --> 01:30:17,199

what what do we do with that adam what

2332

01:30:20,709 --> 01:30:18,719

you know that isn't

2333

01:30:22,550 --> 01:30:20,719

that isn't collective consciousness or

2334

01:30:23,910 --> 01:30:22,560

collective memories or suggestive

2335

01:30:25,750 --> 01:30:23,920

memories

2336

01:30:27,110 --> 01:30:25,760

that is something else all together and

2337

01:30:29,430 --> 01:30:27,120

i i don't know talking about the

2338

01:30:32,070 --> 01:30:29,440

parallel world i don't know was that an

2339

01:30:34,870 --> 01:30:32,080

example of that i have no idea

2340

01:30:38,070 --> 01:30:34,880

but the memory is real well it's a fine

2341

01:30:40,149 --> 01:30:38,080

case of alter vu right yeah well no

2342

01:30:43,110 --> 01:30:40,159

that's not alter vu because ultravio

2343

01:30:45,510 --> 01:30:43,120

says that it's a memory of something uh

2344

01:30:49,669 --> 01:30:45,520

that wasn't real

2345

01:30:53,110 --> 01:30:49,679

okay no it was real it was fit i saw it

2346

01:30:56,070 --> 01:30:53,120

it wasn't a ghost right it was about

2347

01:30:59,510 --> 01:30:56,080

saying i saw a ghost or a ufo

2348

01:31:02,790 --> 01:30:59,520

about saying anyth no it was a freaking

2349

01:31:04,550 --> 01:31:02,800

hindenburg flying over my house

2350

01:31:07,350 --> 01:31:04,560

well another example before we get into

2351  
01:31:09,430 --> 01:31:07,360  
the experiment that is

2352  
01:31:11,430 --> 01:31:09,440  
very common are dreams

2353  
01:31:13,430 --> 01:31:11,440  
we think of a dream as

2354  
01:31:15,350 --> 01:31:13,440  
something like that where

2355  
01:31:17,590 --> 01:31:15,360  
while we're sleeping

2356  
01:31:19,590 --> 01:31:17,600  
we're living in a reality that bears no

2357  
01:31:22,229 --> 01:31:19,600  
resemblance at all to

2358  
01:31:24,149 --> 01:31:22,239  
waking life but it seems so real

2359  
01:31:25,669 --> 01:31:24,159  
right you're you're this person these

2360  
01:31:27,590 --> 01:31:25,679  
people around you this scenario is

2361  
01:31:30,550 --> 01:31:27,600  
unfolding

2362  
01:31:33,030 --> 01:31:30,560  
and you wake up and you have

2363  
01:31:35,669 --> 01:31:33,040

strong memories of this adventure or

2364

01:31:38,310 --> 01:31:35,679

whatever it was having taken place but

2365

01:31:40,470 --> 01:31:38,320

there's zero physical evidence for it

2366

01:31:42,870 --> 01:31:40,480

yeah i have no idea i don't know i don't

2367

01:31:45,990 --> 01:31:42,880

know did i some kind of crazy time

2368

01:31:47,430 --> 01:31:46,000

vortex did i just step through it

2369

01:31:49,510 --> 01:31:47,440

you know

2370

01:31:52,070 --> 01:31:49,520

i have no idea i have no idea but the

2371

01:31:53,910 --> 01:31:52,080

memory you know and it was so i mean

2372

01:31:56,149 --> 01:31:53,920

it's it's it's real it really happened

2373

01:31:57,510 --> 01:31:56,159

so much so that i went to research to

2374

01:31:59,990 --> 01:31:57,520

see what was

2375

01:32:01,030 --> 01:32:00,000

hanging out in chicago in 72 just for my

2376

01:32:02,629 --> 01:32:01,040

own little

2377

01:32:04,550 --> 01:32:02,639

you know my little satisfaction of

2378

01:32:06,149 --> 01:32:04,560

knowing what airship it was that's all i

2379

01:32:07,430 --> 01:32:06,159

was doing then i found out that there

2380

01:32:09,110 --> 01:32:07,440

were none

2381

01:32:11,510 --> 01:32:09,120

and they just stopped me in my tracks

2382

01:32:13,830 --> 01:32:11,520

okay what's the experiment how how do we

2383

01:32:16,790 --> 01:32:13,840

go about this

2384

01:32:18,629 --> 01:32:16,800

okay so the experiment is

2385

01:32:19,590 --> 01:32:18,639

a first test

2386

01:32:22,790 --> 01:32:19,600

into

2387

01:32:24,470 --> 01:32:22,800

what we're talking about meaning

2388

01:32:26,070 --> 01:32:24,480

can we affect

2389

01:32:28,550 --> 01:32:26,080

the past from the point of view of the

2390

01:32:31,110 --> 01:32:28,560

present okay

2391

01:32:31,990 --> 01:32:31,120

so you know my perspective here is that

2392

01:32:36,790 --> 01:32:32,000

if

2393

01:32:38,629 --> 01:32:36,800

is a probability function

2394

01:32:41,830 --> 01:32:38,639

then if we create something that is

2395

01:32:43,270 --> 01:32:41,840

intrinsically probabilistic

2396

01:32:44,550 --> 01:32:43,280

but in the past

2397

01:32:46,390 --> 01:32:44,560

then from the point of view the present

2398

01:32:48,470 --> 01:32:46,400

we might be able to affect that thing

2399

01:32:51,110 --> 01:32:48,480

okay when you say intrinsically you're

2400

01:32:54,149 --> 01:32:51,120

saying that it's not touchable

2401

01:32:56,070 --> 01:32:54,159

um it's it's fundamentally random it's

2402

01:32:57,510 --> 01:32:56,080

fundamentally random there's a random

2403

01:33:00,470 --> 01:32:57,520

component let's it's a there's a

2404

01:33:02,149 --> 01:33:00,480

probabilistic component okay so it's not

2405

01:33:06,830 --> 01:33:02,159

physical

2406

01:33:09,990 --> 01:33:06,840

here's here's what i did okay so

2407

01:33:12,390 --> 01:33:10,000

yesterday at around eight o'clock

2408

01:33:15,590 --> 01:33:12,400

i set up an experiment okay

2409

01:33:18,310 --> 01:33:15,600

and the experiment involves measuring

2410

01:33:21,669 --> 01:33:18,320

the electrochemical properties of two

2411

01:33:23,910 --> 01:33:21,679

vials of water which are identical okay

2412

01:33:25,669 --> 01:33:23,920

okay so same source

2413

01:33:26,790 --> 01:33:25,679

same everything

2414

01:33:32,709 --> 01:33:26,800

vial

2415

01:33:35,430 --> 01:33:33,669

at

2416

01:33:38,709 --> 01:33:35,440

8 10

2417

01:33:39,510 --> 01:33:38,719

i set one vial aside

2418

01:33:41,590 --> 01:33:39,520

and

2419

01:33:43,350 --> 01:33:41,600

said for the next five minutes there's

2420

01:33:45,669 --> 01:33:43,360

going to be an influence from the

2421

01:33:47,030 --> 01:33:45,679

listeners of this radio show tomorrow

2422

01:33:48,629 --> 01:33:47,040

okay

2423

01:33:50,470 --> 01:33:48,639

so what we're going to have we're going

2424

01:33:53,270 --> 01:33:50,480

to do collectively is we're going to try

2425

01:33:56,550 --> 01:33:53,280

to send our intention back in time to

2426  
01:33:57,910 --> 01:33:56,560  
810 to when that vial of water

2427  
01:33:59,990 --> 01:33:57,920  
vial a

2428  
01:34:01,830 --> 01:34:00,000  
is sitting on the desk

2429  
01:34:02,870 --> 01:34:01,840  
before measuring its electrochemical

2430  
01:34:03,910 --> 01:34:02,880  
properties

2431  
01:34:06,149 --> 01:34:03,920  
and we're going to see if we can

2432  
01:34:09,430 --> 01:34:06,159  
register an effect

2433  
01:34:12,470 --> 01:34:09,440  
got you okay and vial b

2434  
01:34:15,030 --> 01:34:12,480  
was not set aside

2435  
01:34:17,510 --> 01:34:15,040  
that's your control vial

2436  
01:34:19,350 --> 01:34:17,520  
correct so we made a measurement so how

2437  
01:34:21,189 --> 01:34:19,360  
we're measuring this water is through

2438  
01:34:23,510 --> 01:34:21,199

i'll spare you the details but it's it's

2439

01:34:26,390 --> 01:34:23,520

a device called a electrochemical

2440

01:34:27,430 --> 01:34:26,400

impedance spectroscopy device

2441

01:34:29,750 --> 01:34:27,440

and

2442

01:34:33,990 --> 01:34:29,760

eis

2443

01:34:35,990 --> 01:34:34,000

measures the impedance

2444

01:34:37,750 --> 01:34:36,000

of of water and you can think of

2445

01:34:40,470 --> 01:34:37,760

impedance in this sense of the opposite

2446

01:34:43,189 --> 01:34:40,480

of conductivity sure sure what's that

2447

01:34:44,470 --> 01:34:43,199

number now what's the uh what was the

2448

01:34:47,590 --> 01:34:44,480

impedance

2449

01:34:50,229 --> 01:34:47,600

well back then yesterday yes

2450

01:34:52,950 --> 01:34:50,239

okay so the control

2451  
01:34:54,070 --> 01:34:52,960  
started at 25 000.

2452  
01:34:56,550 --> 01:34:54,080  
got it

2453  
01:34:59,030 --> 01:34:56,560  
so measured measured the control at 25

2454  
01:35:00,629 --> 01:34:59,040  
000. okay now when water water is

2455  
01:35:03,830 --> 01:35:00,639  
interesting stuff right

2456  
01:35:04,550 --> 01:35:03,840  
and when water becomes more coherent

2457  
01:35:06,950 --> 01:35:04,560  
the

2458  
01:35:08,229 --> 01:35:06,960  
molecularly geometric

2459  
01:35:09,990 --> 01:35:08,239  
there's a number of things that take

2460  
01:35:12,790 --> 01:35:10,000  
place that allow water to become more

2461  
01:35:15,350 --> 01:35:12,800  
conductive and if it's more conductive

2462  
01:35:16,390 --> 01:35:15,360  
it means the impedance drops

2463  
01:35:18,149 --> 01:35:16,400

so

2464

01:35:21,189 --> 01:35:18,159

i made the trial measurement and i'll

2465

01:35:23,750 --> 01:35:21,199

send you the graphs here okay

2466

01:35:25,189 --> 01:35:23,760

and now

2467

01:35:28,550 --> 01:35:25,199

and then the second part of what i did

2468

01:35:30,310 --> 01:35:28,560

is uh set aside vial b or i'm sorry

2469

01:35:31,189 --> 01:35:30,320

sample a

2470

01:35:32,950 --> 01:35:31,199

okay

2471

01:35:34,870 --> 01:35:32,960

so at some point we're going to spend

2472

01:35:35,669 --> 01:35:34,880

five minutes maybe the next commercial

2473

01:35:37,669 --> 01:35:35,679

break

2474

01:35:39,910 --> 01:35:37,679

and all of us listening are going to

2475

01:35:42,950 --> 01:35:39,920

send our intentions

2476

01:35:44,709 --> 01:35:42,960

back to yesterday which by the way is

2477

01:35:45,750 --> 01:35:44,719

uh monday

2478

01:35:46,790 --> 01:35:45,760

april

2479

01:35:49,669 --> 01:35:46,800

8th

2480

01:35:52,229 --> 01:35:49,679

yep at 8 10 pm

2481

01:35:54,950 --> 01:35:52,239

gotcha just just imagine

2482

01:35:58,709 --> 01:35:54,960

trying intending to make

2483

01:36:01,430 --> 01:35:58,719

that water sample more coherent

2484

01:36:03,189 --> 01:36:01,440

i got you okay and uh

2485

01:36:05,430 --> 01:36:03,199

actually let's start this right now now

2486

01:36:07,430 --> 01:36:05,440

do we want it more conductive so we're

2487

01:36:09,510 --> 01:36:07,440

going to take the 25k and bring that

2488

01:36:10,390 --> 01:36:09,520

number down that's right

2489

01:36:12,870 --> 01:36:10,400

okay

2490

01:36:17,270 --> 01:36:12,880

so that's what i want everybody to do

2491

01:36:19,990 --> 01:36:17,280

right now it's 8 51 p.m it's 8 51 48 49

2492

01:36:22,229 --> 01:36:20,000

it's going to be 8 52 in 10 seconds

2493

01:36:23,669 --> 01:36:22,239

and uh so i want everybody to

2494

01:36:25,669 --> 01:36:23,679

concentrate

2495

01:36:28,629 --> 01:36:25,679

on vile a

2496

01:36:31,990 --> 01:36:28,639

in your mind vial a

2497

01:36:34,470 --> 01:36:32,000

that was set aside at 8 10 pm yesterday

2498

01:36:37,110 --> 01:36:34,480

at 4 8 19

2499

01:36:38,550 --> 01:36:37,120

that's all we have to do is think about

2500

01:36:39,910 --> 01:36:38,560

that vial

2501  
01:36:41,990 --> 01:36:39,920  
and

2502  
01:36:42,950 --> 01:36:42,000  
i'm gonna ask you to take it a step

2503  
01:36:47,350 --> 01:36:42,960  
further

2504  
01:36:48,950 --> 01:36:47,360  
and take 25 the number 25k in your mind

2505  
01:36:51,109 --> 01:36:48,960  
and focus on

2506  
01:36:52,629 --> 01:36:51,119  
let's go to extremes

2507  
01:36:55,510 --> 01:36:52,639  
10k

2508  
01:36:57,030 --> 01:36:55,520  
will cut the impedance in half

2509  
01:37:00,070 --> 01:36:57,040  
right adam

2510  
01:37:02,070 --> 01:37:00,080  
let's do it okay so it does everybody

2511  
01:37:02,950 --> 01:37:02,080  
got that right now i want you to focus

2512  
01:37:04,390 --> 01:37:02,960  
on

2513  
01:37:06,950 --> 01:37:04,400

vial a

2514

01:37:08,790 --> 01:37:06,960

that was set aside at 8 10 p.m yesterday

2515

01:37:10,790 --> 01:37:08,800

at 4 8 19

2516

01:37:14,070 --> 01:37:10,800

and we're going to change that vial its

2517

01:37:17,430 --> 01:37:14,080

current impedance is 25k

2518

01:37:19,189 --> 01:37:17,440

i want you to concentrate on 10k

2519

01:37:21,910 --> 01:37:19,199

for vial a

2520

01:37:24,709 --> 01:37:21,920

and just throw that down all the way

2521

01:37:27,270 --> 01:37:24,719

through the break and when we come back

2522

01:37:29,430 --> 01:37:27,280

adam is going to measure those now um

2523

01:37:30,709 --> 01:37:29,440

also adam send me the charts during the

2524

01:37:32,950 --> 01:37:30,719

break

2525

01:37:34,629 --> 01:37:32,960

from yesterday and i'll get those posted

2526

01:37:37,350 --> 01:37:34,639

up in twitter

2527

01:37:38,550 --> 01:37:37,360

um this is exciting okay so

2528

01:37:39,910 --> 01:37:38,560

now

2529

01:37:42,629 --> 01:37:39,920

uh

2530

01:37:45,030 --> 01:37:42,639

this changes right from 25k i don't care

2531

01:37:46,950 --> 01:37:45,040

if it goes to 24k that's significant but

2532

01:37:48,709 --> 01:37:46,960

if this thing drops right

2533

01:37:51,430 --> 01:37:48,719

to 10k

2534

01:37:55,109 --> 01:37:51,440

what does that suggest what does that

2535

01:37:58,070 --> 01:37:55,119

suggest to the skeptics out there

2536

01:37:59,669 --> 01:37:58,080

well i it to hardcore skeptics i mean it

2537

01:38:01,109 --> 01:37:59,679

doesn't suggest much because it has to

2538

01:38:03,750 --> 01:38:01,119

be replicable and you know there's

2539

01:38:06,149 --> 01:38:03,760

always this potential that i didn't do

2540

01:38:07,750 --> 01:38:06,159

the experiments if you ignore all that

2541

01:38:11,669 --> 01:38:07,760

basically what you're seeing is an

2542

01:38:13,189 --> 01:38:11,679

anomalous retro causal effect meaning

2543

01:38:15,109 --> 01:38:13,199

for some reason

2544

01:38:17,910 --> 01:38:15,119

the control vial would have stayed the

2545

01:38:18,950 --> 01:38:17,920

same was the subject file or the test

2546

01:38:21,030 --> 01:38:18,960

file

2547

01:38:23,430 --> 01:38:21,040

would have

2548

01:38:26,229 --> 01:38:23,440

a different impedance measurement that

2549

01:38:27,189 --> 01:38:26,239

cannot be accounted for

2550

01:38:29,510 --> 01:38:27,199

and

2551

01:38:31,990 --> 01:38:29,520

so you know we can talk more about what

2552

01:38:33,750 --> 01:38:32,000

this actually means after the experiment

2553

01:38:34,870 --> 01:38:33,760

is done because i don't want to talk

2554

01:38:37,750 --> 01:38:34,880

about the

2555

01:38:39,990 --> 01:38:37,760

uh the results yet until after it sure

2556

01:38:43,109 --> 01:38:40,000

happens so we can't affect the timeline

2557

01:38:44,229 --> 01:38:43,119

right no we can't no we can

2558

01:38:47,270 --> 01:38:44,239

we can't affect the timeline but we

2559

01:38:49,430 --> 01:38:47,280

don't want to confound the timeline

2560

01:38:52,070 --> 01:38:49,440

so the number everybody that i want you

2561

01:38:52,950 --> 01:38:52,080

to focus on is it's a simple one

2562

01:38:53,990 --> 01:38:52,960

10

2563

01:38:57,750 --> 01:38:54,000

k

2564

01:39:00,950 --> 01:38:57,760

vial a that was set aside yesterday at 8

2565

01:39:02,950 --> 01:39:00,960

10 p.m at 4 8 19 i want you to think

2566

01:39:05,990 --> 01:39:02,960

about adam curry i want you to think

2567

01:39:07,350 --> 01:39:06,000

about adam's lab plug all of this into

2568

01:39:08,870 --> 01:39:07,360

your mind

2569

01:39:10,149 --> 01:39:08,880

and 10

2570

01:39:12,229 --> 01:39:10,159

k

2571

01:39:13,910 --> 01:39:12,239

all right that's what we're going to do

2572

01:39:15,990 --> 01:39:13,920

this is uh this is going to be pretty

2573

01:39:17,910 --> 01:39:16,000

fun this is going to be pretty fun

2574

01:39:21,189 --> 01:39:17,920

let's let's do this and this is also

2575

01:39:23,910 --> 01:39:21,199

live radio and and somebody uh who

2576

01:39:30,149 --> 01:39:23,920

doesn't have a real name on uh twitter

2577

01:39:34,390 --> 01:39:33,189

now maybe maybe maybe she's uh or he it

2578

01:39:37,990 --> 01:39:34,400

says rn

2579

01:39:39,590 --> 01:39:38,000

uh uh maybe maybe i'm lying what i i

2580

01:39:43,350 --> 01:39:39,600

don't know 10k

2581

01:39:45,510 --> 01:39:43,360

that's the number 10k i want everybody

2582

01:39:46,390 --> 01:39:45,520

to concentrate on it i want this to

2583

01:39:49,430 --> 01:39:46,400

happen

2584

01:39:51,189 --> 01:39:49,440

i really do and and adam before before

2585

01:39:52,629 --> 01:39:51,199

we head to the break we've got about a

2586

01:39:55,350 --> 01:39:52,639

minute and a half

2587

01:39:58,310 --> 01:39:55,360

what about the situations that seem to

2588

01:40:01,109 --> 01:39:58,320

happen and maybe it's happened to you

2589

01:40:02,149 --> 01:40:01,119

you know time slips

2590

01:40:04,790 --> 01:40:02,159

where

2591

01:40:07,350 --> 01:40:04,800

somebody sees something

2592

01:40:09,350 --> 01:40:07,360

on the side of the road it's a house

2593

01:40:11,669 --> 01:40:09,360

or they see a school

2594

01:40:14,149 --> 01:40:11,679

you know they've grown up in this town

2595

01:40:16,310 --> 01:40:14,159

and things suddenly seem a little sepia

2596

01:40:18,550 --> 01:40:16,320

tone and black and white

2597

01:40:19,830 --> 01:40:18,560

and they drive back down the street the

2598

01:40:23,430 --> 01:40:19,840

next day

2599

01:40:25,430 --> 01:40:23,440

and the school is gone right and and the

2600

01:40:28,149 --> 01:40:25,440

memory comes back to the way it should

2601

01:40:29,910 --> 01:40:28,159

be right the reality where they've you

2602

01:40:31,990 --> 01:40:29,920

know they've driven through something

2603

01:40:35,830 --> 01:40:32,000

where temporarily things have shifted

2604

01:40:37,350 --> 01:40:35,840

for them this is uh this is a you know

2605

01:40:39,510 --> 01:40:37,360

this isn't

2606

01:40:40,629 --> 01:40:39,520

you know suggestive memories this is

2607

01:40:41,430 --> 01:40:40,639

something that

2608

01:40:43,270 --> 01:40:41,440

uh

2609

01:40:44,629 --> 01:40:43,280

that that seems to happen and it's

2610

01:40:47,030 --> 01:40:44,639

happened to me

2611

01:40:48,390 --> 01:40:47,040

how do we explain that

2612

01:40:50,470 --> 01:40:48,400

wow

2613

01:40:52,390 --> 01:40:50,480

well uh you know different people would

2614

01:40:53,430 --> 01:40:52,400

have different explanations it could be

2615

01:40:54,709 --> 01:40:53,440

that

2616

01:40:56,550 --> 01:40:54,719

if we live in something like a

2617

01:40:57,750 --> 01:40:56,560

holographic universe

2618

01:40:59,990 --> 01:40:57,760

that

2619

01:41:01,510 --> 01:41:00,000

if you're flexible with time which you

2620

01:41:02,629 --> 01:41:01,520

might be able to be

2621

01:41:05,510 --> 01:41:02,639

then

2622

01:41:07,910 --> 01:41:05,520

that same physical space could be coming

2623

01:41:08,950 --> 01:41:07,920

through or decoded in your consciousness

2624

01:41:12,310 --> 01:41:08,960

but from

2625

01:41:17,350 --> 01:41:12,320

you know 50 60 70 years ago

2626

01:41:20,229 --> 01:41:17,360

well okay uh for instance um and before

2627

01:41:22,229 --> 01:41:20,239

we go to a simple explanation things can

2628

01:41:25,109 --> 01:41:22,239

get a little bit complicated

2629

01:41:26,390 --> 01:41:25,119

uh years ago um i had somebody on the

2630

01:41:28,629 --> 01:41:26,400

show that said that they were on

2631

01:41:31,910 --> 01:41:28,639

vacation with the family they were out

2632

01:41:33,750 --> 01:41:31,920

in the desert uh i believe in new mexico

2633

01:41:35,750 --> 01:41:33,760

on their way to the grand canyon they're

2634

01:41:38,229 --> 01:41:35,760

at a river

2635

01:41:40,550 --> 01:41:38,239

she looks across the river and sees a

2636

01:41:43,590 --> 01:41:40,560

reenactment going on she's reading this

2637

01:41:45,830 --> 01:41:43,600

sign you know in 1870 there was this

2638

01:41:48,950 --> 01:41:45,840

going on across the river and she sees

2639

01:41:51,750 --> 01:41:48,960

covered wagons smoke people dressed

2640

01:41:53,430 --> 01:41:51,760

costumes the whole thing cooking

2641

01:41:54,870 --> 01:41:53,440

and she goes back to grab her family you

2642

01:41:57,910 --> 01:41:54,880

got to see what's going on over here

2643

01:42:01,189 --> 01:41:57,920

it's really cool brings everybody back

2644

01:42:02,390 --> 01:42:01,199

they're gone

2645

01:42:05,030 --> 01:42:02,400

right

2646

01:42:10,310 --> 01:42:07,030

that isn't some something that was

2647

01:42:12,390 --> 01:42:10,320

suggested it was something that was seen

2648

01:42:14,790 --> 01:42:12,400

you know i i don't know is it is it

2649

01:42:15,590 --> 01:42:14,800

something that was recorded in the ether

2650

01:42:17,350 --> 01:42:15,600

right

2651

01:42:19,430 --> 01:42:17,360

something that was time stamped from the

2652

01:42:21,669 --> 01:42:19,440

past and just for an instant it was

2653

01:42:23,590 --> 01:42:21,679

visible

2654

01:42:26,470 --> 01:42:23,600

yeah it could be

2655

01:42:28,709 --> 01:42:26,480

you know i think that um

2656

01:42:29,910 --> 01:42:28,719

anomalies or the unexplained or the

2657

01:42:31,990 --> 01:42:29,920

unusual

2658

01:42:34,470 --> 01:42:32,000

they typically

2659

01:42:36,229 --> 01:42:34,480

even though i think that they are real

2660

01:42:38,790 --> 01:42:36,239

they also have an element that allows

2661

01:42:41,430 --> 01:42:38,800

them to be brushed aside

2662

01:42:43,669 --> 01:42:41,440

by other people right and i think that's

2663

01:42:46,149 --> 01:42:43,679

really important because it allows that

2664

01:42:48,870 --> 01:42:46,159

anomaly to exist for that person

2665

01:42:50,470 --> 01:42:48,880

but still also to exist for society for

2666

01:42:53,189 --> 01:42:50,480

other people who would not permit that

2667

01:42:54,870 --> 01:42:53,199

anomaly to exist because it gives them

2668

01:42:56,390 --> 01:42:54,880

an out right meaning their own

2669

01:42:58,310 --> 01:42:56,400

consciousness is not suppressing the

2670

01:43:00,550 --> 01:42:58,320

anomaly it's permitting it to exist

2671

01:43:02,310 --> 01:43:00,560

because of a variety of reasons and your

2672

01:43:04,229 --> 01:43:02,320

own experience is allowed to exist

2673

01:43:06,790 --> 01:43:04,239

because a variety of reasons and they're

2674

01:43:08,470 --> 01:43:06,800

not conflicting realities

2675

01:43:12,229 --> 01:43:08,480

let's take a break right here i want

2676

01:43:13,750 --> 01:43:12,239

everybody to concentrate on vile a

2677

01:43:15,669 --> 01:43:13,760

adam curry

2678

01:43:19,430 --> 01:43:15,679

4 8 19

2679

01:43:21,510 --> 01:43:19,440

and i want you to think about 10k

2680

01:43:23,669 --> 01:43:21,520

we've got a four minute break right here

2681

01:43:25,350 --> 01:43:23,679

when we come back let's see what's going

2682

01:43:32,229 --> 01:43:25,360

to go down this is fade to black i'm

2683

01:43:38,950 --> 01:43:33,590

hi everybody this is rob halpert the

2684

01:43:42,229 --> 01:43:40,550

all right welcome back fade to black how

2685

01:43:43,830 --> 01:43:42,239

many hoofs jimmy church

2686

01:43:46,229 --> 01:43:43,840

okay

2687

01:43:48,709 --> 01:43:46,239

our guest tonight is adam curry

2688

01:43:50,830 --> 01:43:48,719

we've got this experiment that we're

2689

01:43:54,470 --> 01:43:50,840

doing with everybody i want you to

2690

01:43:58,390 --> 01:43:54,480

concentrate all right on vial a from 4

2691

01:44:01,030 --> 01:43:58,400

18 4 8 19 yesterday vial a i wanted

2692

01:44:04,390 --> 01:44:01,040

everybody to concentrate on 10k

2693

01:44:06,149 --> 01:44:04,400

uh i've just posted up in twitter

2694

01:44:08,709 --> 01:44:06,159

everything that you need to see that

2695

01:44:10,550 --> 01:44:08,719

adam just sent me which is the baseline

2696

01:44:12,550 --> 01:44:10,560

measurement you can see it starts off at

2697

01:44:15,830 --> 01:44:12,560

a 25k right there

2698

01:44:18,229 --> 01:44:15,840

and there's that and then the

2699

01:44:22,149 --> 01:44:18,239

sample a measurement you can see that

2700

01:44:25,030 --> 01:44:22,159

there is sample a and that chart is up

2701

01:44:28,550 --> 01:44:25,040

and then of course uh the the coolest

2702

01:44:31,430 --> 01:44:28,560

part there is the setup for the

2703

01:44:33,510 --> 01:44:31,440

experiment over the two vials and the

2704

01:44:34,870 --> 01:44:33,520

water right there so thank you for doing

2705

01:44:36,629 --> 01:44:34,880

all of that adam

2706

01:44:39,430 --> 01:44:36,639

and uh

2707

01:44:42,310 --> 01:44:39,440

okay we went through

2708

01:44:44,950 --> 01:44:42,320

five minutes of uh commercials and

2709

01:44:47,189 --> 01:44:44,960

hopefully uh we had everybody

2710

01:44:48,870 --> 01:44:47,199

concentrating i know that they were

2711

01:44:51,910 --> 01:44:48,880

did you are you

2712

01:44:54,070 --> 01:44:51,920

measuring now or did you already measure

2713

01:44:56,229 --> 01:44:54,080

already measured okay all right so the

2714

01:44:57,430 --> 01:44:56,239

measurement was made

2715

01:45:01,830 --> 01:44:57,440

yesterday

2716

01:45:03,830 --> 01:45:01,840

was expecting everyone would send their

2717

01:45:07,109 --> 01:45:03,840

intentions back in time to affect the

2718

01:45:09,350 --> 01:45:07,119

device and then i measured the with the

2719

01:45:11,830 --> 01:45:09,360

eis the impedance

2720

01:45:14,390 --> 01:45:11,840

and so the baseline which is that first

2721

01:45:18,390 --> 01:45:17,430

you see uh at 1 000 hertz electricity

2722

01:45:19,109 --> 01:45:18,400

it's about

2723

01:45:22,790 --> 01:45:19,119

uh

2724

01:45:25,910 --> 01:45:22,800

impedance of about 25 000.

2725

01:45:27,990 --> 01:45:25,920

the sample after being affected by the

2726

01:45:30,950 --> 01:45:28,000

intention or whatever it was

2727

01:45:32,470 --> 01:45:30,960

at 10 000 hertz is 2 000 meaning we saw

2728

01:45:36,629 --> 01:45:32,480

greater than a

2729

01:45:38,149 --> 01:45:36,639

10x not 10k but 10x reduction

2730

01:45:40,629 --> 01:45:38,159

in

2731

01:45:42,790 --> 01:45:40,639

impedance

2732

01:45:44,870 --> 01:45:42,800

which is is huge

2733

01:45:48,149 --> 01:45:44,880

uh it's it's a very very interesting and

2734

01:45:52,310 --> 01:45:50,629

so it would seem as though there was

2735

01:45:54,390 --> 01:45:52,320

some it would suggest some sort of

2736

01:45:55,270 --> 01:45:54,400

anomalous influence

2737

01:46:02,950 --> 01:45:55,280

uh

2738

01:46:05,750 --> 01:46:02,960

how i mean okay so

2739

01:46:08,790 --> 01:46:05,760

you know i get it i get it but

2740

01:46:12,310 --> 01:46:10,629

that's a good question

2741

01:46:13,750 --> 01:46:12,320

i think if we understood how

2742

01:46:15,270 --> 01:46:13,760

consciousness interacts with the

2743

01:46:17,430 --> 01:46:15,280

physical world

2744

01:46:19,350 --> 01:46:17,440

uh we could come up with a mechanism we

2745

01:46:21,189 --> 01:46:19,360

don't really have a mechanism

2746

01:46:23,430 --> 01:46:21,199

the best way to explain this would be we

2747

01:46:25,109 --> 01:46:23,440

know that consciousness can affect the

2748

01:46:27,430 --> 01:46:25,119

behavior of

2749

01:46:29,830 --> 01:46:27,440

probabilistic physical systems

2750

01:46:32,390 --> 01:46:29,840

like random number generators in this

2751  
01:46:34,550 --> 01:46:32,400  
case the probabilistic physical system

2752  
01:46:36,470 --> 01:46:34,560  
is a vial of water

2753  
01:46:37,590 --> 01:46:36,480  
and the molecules are moving around

2754  
01:46:40,070 --> 01:46:37,600  
randomly

2755  
01:46:42,550 --> 01:46:40,080  
and the intention of all of the people

2756  
01:46:44,790 --> 01:46:42,560  
was to make the water more coherent

2757  
01:46:48,629 --> 01:46:44,800  
and because it's more coherent it makes

2758  
01:46:48,639 --> 01:46:52,830  
through a proton

2759  
01:46:57,669 --> 01:46:55,189  
um what is that called

2760  
01:46:59,270 --> 01:46:57,679  
um anyway i'll send a an explanation of

2761  
01:47:00,950 --> 01:46:59,280  
this um

2762  
01:47:03,030 --> 01:47:00,960  
this out but anyway it results in an

2763  
01:47:04,629 --> 01:47:03,040

electrochemical change measured in the

2764

01:47:05,990 --> 01:47:04,639

reduction of impedance the increased

2765

01:47:06,870 --> 01:47:06,000

conductivity which is what you're seeing

2766

01:47:08,550 --> 01:47:06,880

here

2767

01:47:10,709 --> 01:47:08,560

now how that works with consciousness

2768

01:47:13,430 --> 01:47:10,719

affecting physical reality systems in

2769

01:47:15,669 --> 01:47:13,440

the past we don't really know other than

2770

01:47:17,510 --> 01:47:15,679

it could be that time is kind of

2771

01:47:18,950 --> 01:47:17,520

illusory meaning you might have

2772

01:47:20,310 --> 01:47:18,960

influences

2773

01:47:23,669 --> 01:47:20,320

from the point of view of the present

2774

01:47:25,990 --> 01:47:23,679

yesterday from the future or from our

2775

01:47:27,669 --> 01:47:26,000

present going back into the past

2776

01:47:29,510 --> 01:47:27,679

now the reason why i do this experiment

2777

01:47:31,350 --> 01:47:29,520

in the first place is to get people

2778

01:47:33,669 --> 01:47:31,360

thinking that this

2779

01:47:36,629 --> 01:47:33,679

parallel worlds explanation

2780

01:47:38,550 --> 01:47:36,639

might actually not be necessary and in

2781

01:47:40,709 --> 01:47:38,560

fact you could have a much more

2782

01:47:42,310 --> 01:47:40,719

simple kind of explanation for how

2783

01:47:43,350 --> 01:47:42,320

something like the mandela effect could

2784

01:47:45,990 --> 01:47:43,360

exist

2785

01:47:48,310 --> 01:47:46,000

by thinking of the past in probabilistic

2786

01:47:49,830 --> 01:47:48,320

terms meaning all you need in reality is

2787

01:47:50,870 --> 01:47:49,840

consistent histories and probable

2788

01:47:53,030 --> 01:47:50,880

futures

2789

01:47:55,030 --> 01:47:53,040

consistent histories are perhaps

2790

01:47:56,310 --> 01:47:55,040

fungible even by consciousness so long

2791

01:47:58,470 --> 01:47:56,320

as it's consistent to explain the

2792

01:48:01,350 --> 01:47:58,480

present moment isn't that more profound

2793

01:48:03,669 --> 01:48:01,360

than and then parallel worlds or

2794

01:48:05,510 --> 01:48:03,679

or the multiverse

2795

01:48:09,350 --> 01:48:05,520

i think it's more profound i also think

2796

01:48:11,750 --> 01:48:09,360

it is a better explanatory framework for

2797

01:48:14,550 --> 01:48:11,760

a number of anomalies that we see not

2798

01:48:16,310 --> 01:48:14,560

anomalies altering history

2799

01:48:18,550 --> 01:48:16,320

yeah

2800

01:48:21,350 --> 01:48:18,560

i'll give you i'll give you an a story

2801

01:48:23,270 --> 01:48:21,360

that got me thinking along these lines

2802

01:48:24,790 --> 01:48:23,280

and this goes back about 10 years when i

2803

01:48:26,310 --> 01:48:24,800

was in college

2804

01:48:27,350 --> 01:48:26,320

i was taking a lot of creative writing

2805

01:48:30,070 --> 01:48:27,360

classes

2806

01:48:32,470 --> 01:48:30,080

and one day

2807

01:48:35,109 --> 01:48:32,480

after after a physics class i think i

2808

01:48:38,149 --> 01:48:35,119

was feeling really creative and i walked

2809

01:48:40,550 --> 01:48:38,159

into the library and i wrote a short

2810

01:48:41,750 --> 01:48:40,560

story just kind of randomly decided to

2811

01:48:44,470 --> 01:48:41,760

go to the

2812

01:48:46,550 --> 01:48:44,480

library and write a short story

2813

01:48:47,830 --> 01:48:46,560

printed it out kept it in my notebook

2814

01:48:49,669 --> 01:48:47,840

forgot about it

2815

01:48:52,070 --> 01:48:49,679

the next week i was in a creative

2816

01:48:53,270 --> 01:48:52,080

writing class and we were workshopping

2817

01:48:55,350 --> 01:48:53,280

our stories

2818

01:48:57,109 --> 01:48:55,360

and i realized that i had forgot the

2819

01:48:59,109 --> 01:48:57,119

assignment

2820

01:49:01,510 --> 01:48:59,119

i didn't i didn't write a story but then

2821

01:49:03,669 --> 01:49:01,520

i remembered that a week ago

2822

01:49:05,990 --> 01:49:03,679

for some reason i decided to write this

2823

01:49:08,229 --> 01:49:06,000

story so then i sent it i tried to

2824

01:49:09,270 --> 01:49:08,239

mentally send a message to myself in the

2825

01:49:10,229 --> 01:49:09,280

past

2826

01:49:19,830 --> 01:49:10,239

to

2827

01:49:21,910 --> 01:49:19,840

see where i'm going yes um it's it makes

2828

01:49:24,070 --> 01:49:21,920

you think right um

2829

01:49:26,149 --> 01:49:24,080

did i have some sort of retro causal

2830

01:49:28,950 --> 01:49:26,159

effect on myself

2831

01:49:30,470 --> 01:49:28,960

to create that uh that story so that i

2832

01:49:32,390 --> 01:49:30,480

would have it in the future

2833

01:49:34,470 --> 01:49:32,400

um or was it just coincidence and i mean

2834

01:49:36,390 --> 01:49:34,480

i think that's really the question but

2835

01:49:38,950 --> 01:49:36,400

looking at it from the point of view of

2836

01:49:40,550 --> 01:49:38,960

of causal symmetry and time symmetry i

2837

01:49:42,310 --> 01:49:40,560

think we have maybe a much better

2838

01:49:44,629 --> 01:49:42,320

explanatory more simple explanatory

2839

01:49:46,229 --> 01:49:44,639

framework than gazillions of universes

2840

01:49:48,229 --> 01:49:46,239

splitting off

2841

01:49:51,270 --> 01:49:48,239

well okay let's

2842

01:49:52,790 --> 01:49:51,280

let's examine this for a second and like

2843

01:49:55,830 --> 01:49:52,800

going back

2844

01:49:56,629 --> 01:49:55,840

to the movie

2845

01:49:57,910 --> 01:49:56,639

right

2846

01:49:59,189 --> 01:49:57,920

that

2847

01:50:04,390 --> 01:49:59,199

it didn't

2848

01:50:08,070 --> 01:50:04,400

but the power of suggestion and

2849

01:50:12,550 --> 01:50:08,080

everybody getting on this thought

2850

01:50:16,550 --> 01:50:12,560

started to manifest the past and created

2851  
01:50:19,350 --> 01:50:16,560  
shazam in the past when it didn't exist

2852  
01:50:21,669 --> 01:50:19,360  
that's what you're suggesting right

2853  
01:50:24,390 --> 01:50:21,679  
well it either affected

2854  
01:50:25,830 --> 01:50:24,400  
the movie existing or not existing or

2855  
01:50:28,550 --> 01:50:25,840  
and this is a wholly different way of

2856  
01:50:31,109 --> 01:50:28,560  
looking at the mandela effect we could

2857  
01:50:32,950 --> 01:50:31,119  
have influenced our own memories

2858  
01:50:35,510 --> 01:50:32,960  
to misremember something

2859  
01:50:38,550 --> 01:50:35,520  
in order to create the meaningful

2860  
01:50:39,830 --> 01:50:38,560  
phenomena of mandela effect so you would

2861  
01:50:41,990 --> 01:50:39,840  
never really know

2862  
01:50:43,750 --> 01:50:42,000  
and this meaningfulness is really

2863  
01:50:46,229 --> 01:50:43,760

important to understand when when it

2864

01:50:47,830 --> 01:50:46,239  
comes to mind matter effects or

2865

01:50:50,550 --> 01:50:47,840  
anomalies in general and that's the

2866

01:50:51,750 --> 01:50:50,560  
unusual things seem to happen around

2867

01:50:53,430 --> 01:50:51,760  
meaningfulness

2868

01:50:55,910 --> 01:50:53,440  
so for me with that story it was

2869

01:50:58,550 --> 01:50:55,920  
meaningful for me to have a

2870

01:51:00,709 --> 01:50:58,560  
to not miss the assignment right

2871

01:51:02,790 --> 01:51:00,719  
for many of us it's perhaps meaningful

2872

01:51:04,229 --> 01:51:02,800  
to have some actual scientific

2873

01:51:05,910 --> 01:51:04,239  
verification

2874

01:51:08,629 --> 01:51:05,920  
you may or may not believe it into

2875

01:51:10,629 --> 01:51:08,639  
something like affecting the past

2876

01:51:12,390 --> 01:51:10,639

and from that point of view if you

2877

01:51:14,550 --> 01:51:12,400

expand it further

2878

01:51:16,310 --> 01:51:14,560

you have to look at the the purpose of

2879

01:51:18,149 --> 01:51:16,320

something like the mandela effect in

2880

01:51:20,470 --> 01:51:18,159

society

2881

01:51:21,990 --> 01:51:20,480

is it that we are actually running in

2882

01:51:23,990 --> 01:51:22,000

different timelines or affecting the

2883

01:51:26,310 --> 01:51:24,000

past for reasons we can't explain or is

2884

01:51:28,310 --> 01:51:26,320

the mandela effect something that we're

2885

01:51:29,990 --> 01:51:28,320

creating in order to create

2886

01:51:32,149 --> 01:51:30,000

meaningfulness

2887

01:51:34,550 --> 01:51:32,159

around questions of our very existence

2888

01:51:36,629 --> 01:51:34,560

around what is time who are we is the

2889

01:51:38,149 --> 01:51:36,639

past fungible can we look at the world

2890

01:51:40,310 --> 01:51:38,159

in a different way

2891

01:51:42,629 --> 01:51:40,320

and that's kind of the meaningfulness or

2892

01:51:44,709 --> 01:51:42,639

some philosophers call it teleology the

2893

01:51:46,229 --> 01:51:44,719

technological pull that could be

2894

01:51:48,310 --> 01:51:46,239

creating something like the mandela

2895

01:51:51,589 --> 01:51:48,320

effect and it's showing up in these

2896

01:51:54,470 --> 01:51:51,599

different in these different ways

2897

01:51:56,709 --> 01:51:54,480

uh this is uh this was just sent in two

2898

01:51:58,950 --> 01:51:56,719

minutes ago i want to read this to you

2899

01:52:00,629 --> 01:51:58,960

this is from our warren harris on

2900

01:52:04,470 --> 01:52:00,639

twitter says i will never forget

2901  
01:52:05,669 --> 01:52:04,480  
arriving at work one hour before i left

2902  
01:52:08,550 --> 01:52:05,679  
for work

2903  
01:52:11,030 --> 01:52:08,560  
i had a subway transfer from the future

2904  
01:52:13,189 --> 01:52:11,040  
and i had tried calling myself at home

2905  
01:52:15,830 --> 01:52:13,199  
because my other self would have still

2906  
01:52:19,589 --> 01:52:15,840  
been there i didn't connect with myself

2907  
01:52:22,070 --> 01:52:19,599  
but for a moment there were two of me

2908  
01:52:27,189 --> 01:52:25,030  
that's wild yeah that's real wild

2909  
01:52:29,910 --> 01:52:27,199  
that's real wild that's real that's a

2910  
01:52:32,470 --> 01:52:29,920  
good one that's a real good one i you

2911  
01:52:35,270 --> 01:52:32,480  
know with uh all of my sensational

2912  
01:52:37,750 --> 01:52:35,280  
memories and thoughts and experiences

2913  
01:52:40,950 --> 01:52:37,760

that i've shared on the air and i'm

2914

01:52:42,790 --> 01:52:40,960

asking people to just at least listen to

2915

01:52:45,030 --> 01:52:42,800

what i have to say

2916

01:52:46,870 --> 01:52:45,040

right and i read something like that i i

2917

01:52:48,790 --> 01:52:46,880

just have to go okay all right okay

2918

01:52:50,709 --> 01:52:48,800

could could have happened i'm never

2919

01:52:53,750 --> 01:52:50,719

going to dismiss anything because i've

2920

01:52:55,350 --> 01:52:53,760

i've i've gone way further than this

2921

01:52:57,830 --> 01:52:55,360

like my my

2922

01:53:00,149 --> 01:52:57,840

hindenburg thing over the apartment i'm

2923

01:53:01,270 --> 01:53:00,159

really ex asking people

2924

01:53:06,950 --> 01:53:01,280

to

2925

01:53:08,550 --> 01:53:06,960

but my experience was my experience and

2926

01:53:10,709 --> 01:53:08,560

then doing the research and finding out

2927

01:53:12,870 --> 01:53:10,719

that there was nothing in the air

2928

01:53:16,629 --> 01:53:12,880

or you know at that point you know what

2929

01:53:19,750 --> 01:53:16,639

45 years or whatever that was 35 years

2930

01:53:21,510 --> 01:53:19,760

that there had been nothing

2931

01:53:23,990 --> 01:53:21,520

then that puts me in a weird position

2932

01:53:26,149 --> 01:53:24,000

and i i don't care adam

2933

01:53:28,870 --> 01:53:26,159

uh what people think i'd rather share

2934

01:53:30,149 --> 01:53:28,880

the experience so other people can

2935

01:53:31,990 --> 01:53:30,159

uh

2936

01:53:34,149 --> 01:53:32,000

you know possibly search their memories

2937

01:53:35,910 --> 01:53:34,159

for something similar and we can share

2938

01:53:37,910 --> 01:53:35,920

those experiences

2939

01:53:40,709 --> 01:53:37,920

and when um

2940

01:53:41,990 --> 01:53:40,719

when i do that or like with you right

2941

01:53:42,950 --> 01:53:42,000

here on the air

2942

01:53:47,189 --> 01:53:42,960

where

2943

01:53:48,870 --> 01:53:47,199

wouldn't you want to collect that data

2944

01:53:50,709 --> 01:53:48,880

you know what i mean get everybody

2945

01:53:53,189 --> 01:53:50,719

together and go was there something

2946

01:53:56,149 --> 01:53:53,199

strange in your life that you remember

2947

01:53:57,990 --> 01:53:56,159

that wasn't correct

2948

01:54:00,229 --> 01:53:58,000

right can you send me that information

2949

01:54:02,950 --> 01:54:00,239

whatever it is where you were you know

2950

01:54:05,589 --> 01:54:02,960

it's just something that didn't fit

2951  
01:54:07,189 --> 01:54:05,599  
and and just go back and you probably

2952  
01:54:09,270 --> 01:54:07,199  
just thought it was just a memory and it

2953  
01:54:10,870 --> 01:54:09,280  
was just no big deal

2954  
01:54:14,950 --> 01:54:10,880  
but let's collect this information

2955  
01:54:17,350 --> 01:54:14,960  
together a lot like the mandela effect

2956  
01:54:19,990 --> 01:54:17,360  
that's right

2957  
01:54:23,750 --> 01:54:20,000  
i am very interested in how

2958  
01:54:24,709 --> 01:54:23,760  
unusual things become usual things

2959  
01:54:26,870 --> 01:54:24,719  
and

2960  
01:54:29,830 --> 01:54:26,880  
you can think of it entirely differently

2961  
01:54:31,350 --> 01:54:29,840  
through the experiment that we just did

2962  
01:54:35,750 --> 01:54:31,360  
and through many of the comments made

2963  
01:54:38,149 --> 01:54:35,760

today for example looking at ufos

2964

01:54:40,550 --> 01:54:38,159

it's pretty wild for somebody to see

2965

01:54:41,910 --> 01:54:40,560

uh unexplained lights or a craft or

2966

01:54:43,510 --> 01:54:41,920

something like that

2967

01:54:45,430 --> 01:54:43,520

from the point of view of consensus

2968

01:54:47,589 --> 01:54:45,440

reality meaning they're like the normies

2969

01:54:50,550 --> 01:54:47,599

right so day-to-day life

2970

01:54:53,109 --> 01:54:50,560

um but so many people see them

2971

01:54:55,910 --> 01:54:53,119

just crazy numbers of people see them

2972

01:54:58,149 --> 01:54:55,920

and i think that that partly has been

2973

01:54:59,750 --> 01:54:58,159

due to the the fact that it's okay for

2974

01:55:02,390 --> 01:54:59,760

people to experience something like

2975

01:55:04,790 --> 01:55:02,400

seeing an unusual craft because the rest

2976  
01:55:07,510 --> 01:55:04,800  
of consensus reality meaning that all of

2977  
01:55:08,950 --> 01:55:07,520  
the cumulative consciousnesses

2978  
01:55:11,510 --> 01:55:08,960  
permit that

2979  
01:55:14,070 --> 01:55:11,520  
phenomena to exist because

2980  
01:55:15,510 --> 01:55:14,080  
they have outs meaning they can say

2981  
01:55:18,070 --> 01:55:15,520  
things like

2982  
01:55:20,470 --> 01:55:18,080  
oh well you're crazy or oh it was just

2983  
01:55:22,870 --> 01:55:20,480  
headlights or swamp gas or weather

2984  
01:55:25,109 --> 01:55:22,880  
balloons or a myriad of other things

2985  
01:55:27,030 --> 01:55:25,119  
that allow them to dismiss and hand wave

2986  
01:55:29,669 --> 01:55:27,040  
that phenomena but to a growing number

2987  
01:55:31,510 --> 01:55:29,679  
of people it's very very real

2988  
01:55:34,070 --> 01:55:31,520

and i think that it is actually real

2989

01:55:36,070 --> 01:55:34,080

right um and

2990

01:55:38,390 --> 01:55:36,080

the the question of view of foes is i

2991

01:55:39,830 --> 01:55:38,400

think one

2992

01:55:41,830 --> 01:55:39,840

i think what we're seeing with ufos is

2993

01:55:43,589 --> 01:55:41,840

it's start it's no it's

2994

01:55:45,910 --> 01:55:43,599

it's moving away from the realm of

2995

01:55:47,990 --> 01:55:45,920

anomaly and into something that is

2996

01:55:48,950 --> 01:55:48,000

really a feature of

2997

01:55:53,270 --> 01:55:48,960

our

2998

01:55:54,709 --> 01:55:53,280

world and that's really going to change

2999

01:55:56,149 --> 01:55:54,719

a lot of stuff and because it's going to

3000

01:56:00,390 --> 01:55:56,159

change a lot of stuff you have a lot of

3001

01:56:02,470 --> 01:56:00,400

this pull kind of from a future

3002

01:56:04,310 --> 01:56:02,480

a future probability that's creating the

3003

01:56:07,109 --> 01:56:04,320

consistent history through the present

3004

01:56:08,790 --> 01:56:07,119

to explain how we got there once

3005

01:56:10,550 --> 01:56:08,800

something like disclosure or whatever

3006

01:56:12,629 --> 01:56:10,560

might happen does that make sense

3007

01:56:13,750 --> 01:56:12,639

it does i remember

3008

01:56:14,950 --> 01:56:13,760

um

3009

01:56:17,270 --> 01:56:14,960

you and i

3010

01:56:19,350 --> 01:56:17,280

were sitting together

3011

01:56:21,910 --> 01:56:19,360

in the front row

3012

01:56:24,070 --> 01:56:21,920

somewhere and we were watching videos on

3013

01:56:29,350 --> 01:56:24,080

a big screen and

3014

01:56:31,430 --> 01:56:29,360

and we were commenting where was that at

3015

01:56:33,030 --> 01:56:31,440

i think that that would have been in san

3016

01:56:35,270 --> 01:56:33,040

francisco that was in san francisco

3017

01:56:37,750 --> 01:56:35,280

right right dr greer's right

3018

01:56:39,589 --> 01:56:37,760

right right okay okay so you and i and

3019

01:56:42,229 --> 01:56:39,599

the reason why i bring it up

3020

01:56:45,030 --> 01:56:42,239

is you and i were laughing and giggling

3021

01:56:46,550 --> 01:56:45,040

and commenting like little kids because

3022

01:56:48,070 --> 01:56:46,560

we were seeing stuff that was pretty

3023

01:56:49,830 --> 01:56:48,080

sensational

3024

01:56:53,830 --> 01:56:49,840

and and i only bring it up because your

3025

01:56:56,950 --> 01:56:53,840

interest is as genuine as mine right and

3026

01:56:59,910 --> 01:56:56,960

and uh i can't i i think we stole those

3027

01:57:02,149 --> 01:56:59,920

seats actually

3028

01:57:04,229 --> 01:57:02,159

i think we did right okay so anyway so

3029

01:57:05,830 --> 01:57:04,239

we're sitting and and the screen is like

3030

01:57:07,589 --> 01:57:05,840

two feet in front of us remember that

3031

01:57:08,950 --> 01:57:07,599

was big theater screen

3032

01:57:10,629 --> 01:57:08,960

and we were watching some pretty

3033

01:57:13,189 --> 01:57:10,639

sensational stuff

3034

01:57:15,510 --> 01:57:13,199

and your interest is genuine so i have

3035

01:57:17,910 --> 01:57:15,520

to ask you i didn't ask you then

3036

01:57:19,589 --> 01:57:17,920

have you seen anything like what we were

3037

01:57:21,430 --> 01:57:19,599

watching on the screen that day because

3038

01:57:23,270 --> 01:57:21,440

that stuff was pretty that was stuff was

3039

01:57:24,550 --> 01:57:23,280

pretty amazing it's stuff that grier's

3040

01:57:26,950 --> 01:57:24,560

never shown

3041

01:57:28,229 --> 01:57:26,960

uh before or since we saw some pretty

3042

01:57:30,629 --> 01:57:28,239

incredible stuff

3043

01:57:32,629 --> 01:57:30,639

have you seen anything like that uh

3044

01:57:35,109 --> 01:57:32,639

yourself you know unfortunately i

3045

01:57:37,270 --> 01:57:35,119

haven't i've seen

3046

01:57:39,350 --> 01:57:37,280

i've seen strange lights in the sky

3047

01:57:41,189 --> 01:57:39,360

on a ce5

3048

01:57:43,589 --> 01:57:41,199

with and i've seen

3049

01:57:45,910 --> 01:57:43,599

strange lights in the sky through

3050

01:57:47,990 --> 01:57:45,920

night vision goggles but nothing like

3051

01:57:49,109 --> 01:57:48,000

what dr greer

3052

01:57:51,910 --> 01:57:49,119

showed

3053

01:57:53,510 --> 01:57:51,920

is that is that uh is that a paradigm

3054

01:57:55,830 --> 01:57:53,520

shift for you

3055

01:57:57,109 --> 01:57:55,840

if you you know you know what i mean not

3056

01:57:59,350 --> 01:57:57,119

and i understand the night vision

3057

01:58:01,350 --> 01:57:59,360

goggles i sell them you know i've got

3058

01:58:03,830 --> 01:58:01,360

i've got them and i and i have my own

3059

01:58:06,390 --> 01:58:03,840

model right the jimmy church bottle and

3060

01:58:09,189 --> 01:58:06,400

so i'm fully invested

3061

01:58:11,910 --> 01:58:09,199

uh in in what night vision goggles can

3062

01:58:14,310 --> 01:58:11,920

bring i mean it is just so much fun to

3063

01:58:15,669 --> 01:58:14,320

do but it's something else all together

3064

01:58:17,669 --> 01:58:15,679

when you see something with your

3065

01:58:19,589 --> 01:58:17,679

eyeballs right and it's right there in

3066

01:58:21,750 --> 01:58:19,599

front of you would that be a paradigm

3067

01:58:24,149 --> 01:58:21,760

shift is is that a life-changing event

3068

01:58:26,470 --> 01:58:24,159

or do you even need it

3069

01:58:28,629 --> 01:58:26,480

i'm not your average like uh

3070

01:58:30,470 --> 01:58:28,639

sample human so it wasn't really a

3071

01:58:32,790 --> 01:58:30,480

life-changing event for me but

3072

01:58:35,589 --> 01:58:32,800

i can see how it would be for many

3073

01:58:38,070 --> 01:58:35,599

because if you see that kind of stuff

3074

01:58:39,830 --> 01:58:38,080

you know seeing it with your own eyes

3075

01:58:41,589 --> 01:58:39,840

it's very easy to do away with all the

3076  
01:58:42,550 --> 01:58:41,599  
counter explanations

3077  
01:58:44,229 --> 01:58:42,560  
um

3078  
01:58:46,310 --> 01:58:44,239  
you know that's no plane

3079  
01:58:49,350 --> 01:58:46,320  
that's no satellite right right right

3080  
01:58:51,109 --> 01:58:49,360  
right no way yeah yeah i've had uh so

3081  
01:58:53,990 --> 01:58:51,119  
many uh

3082  
01:58:56,149 --> 01:58:54,000  
sightings right um and most of them at

3083  
01:58:59,109 --> 01:58:56,159  
night i've had a couple of daytime but i

3084  
01:59:00,830 --> 01:58:59,119  
had the i had the holy grail sighting

3085  
01:59:04,310 --> 01:59:00,840  
the daytime

3086  
01:59:05,189 --> 01:59:04,320  
crazy insane real

3087  
01:59:08,550 --> 01:59:05,199  
uh

3088  
01:59:11,350 --> 01:59:08,560

ufo and this was with about

3089

01:59:13,750 --> 01:59:11,360

let's say about 20 people were with me

3090

01:59:15,830 --> 01:59:13,760

we're up at east city of all places

3091

01:59:16,950 --> 01:59:15,840

right at t city but it wasn't at night

3092

01:59:18,070 --> 01:59:16,960

it was like three o'clock in the

3093

01:59:20,470 --> 01:59:18,080

afternoon

3094

01:59:22,310 --> 01:59:20,480

and daytime

3095

01:59:25,830 --> 01:59:22,320

and i don't have any other way to

3096

01:59:27,430 --> 01:59:25,840

explain it but like it was like a 400

3097

01:59:28,950 --> 01:59:27,440

foot tall

3098

01:59:30,390 --> 01:59:28,960

black

3099

01:59:31,669 --> 01:59:30,400

beer can

3100

01:59:33,669 --> 01:59:31,679

vertical

3101

01:59:36,550 --> 01:59:33,679

right and i i

3102

01:59:37,430 --> 01:59:36,560

just visualized that right a cylinder

3103

01:59:43,109 --> 01:59:37,440

but

3104

01:59:45,750 --> 01:59:43,119

and it was spinning and it had this

3105

01:59:48,629 --> 01:59:45,760

silver round circle on it

3106

01:59:50,550 --> 01:59:48,639

that was huge so if this thing is 400

3107

01:59:51,430 --> 01:59:50,560

feet tall you know the circle is you

3108

01:59:55,189 --> 01:59:51,440

know

3109

01:59:58,229 --> 01:59:55,199

a 100 or 200 feet diameter and it is

3110

02:00:00,550 --> 01:59:58,239

spinning it's like a logo but it wasn't

3111

02:00:02,149 --> 02:00:00,560

right but anyway imagine that right like

3112

02:00:04,310 --> 02:00:02,159

a black beer can

3113

02:00:06,709 --> 02:00:04,320

spinning pretty fast

3114

02:00:07,750 --> 02:00:06,719

and and moving from left to right across

3115

02:00:11,109 --> 02:00:07,760

the sky

3116

02:00:12,550 --> 02:00:11,119

and it lasted about uh 15 seconds and

3117

02:00:13,750 --> 02:00:12,560

then

3118

02:00:15,830 --> 02:00:13,760

disappeared

3119

02:00:17,589 --> 02:00:15,840

and i didn't get to see it disappear

3120

02:00:20,550 --> 02:00:17,599

everybody else did

3121

02:00:22,709 --> 02:00:20,560

i was going between binoculars and my

3122

02:00:25,350 --> 02:00:22,719

eyeballs right you know getting off of

3123

02:00:27,750 --> 02:00:25,360

the binoculars and looking at it and

3124

02:00:30,790 --> 02:00:27,760

when i went back to the binoculars

3125

02:00:32,790 --> 02:00:30,800

it was gone so i didn't see it disappear

3126  
02:00:34,149 --> 02:00:32,800  
everybody else saw it but that that back

3127  
02:00:35,109 --> 02:00:34,159  
to uh

3128  
02:00:38,229 --> 02:00:35,119  
uh

3129  
02:00:40,390 --> 02:00:38,239  
that kind of situation where it's not a

3130  
02:00:43,430 --> 02:00:40,400  
nighttime thing it's not night vision it

3131  
02:00:46,390 --> 02:00:43,440  
was the holy grail was like that just as

3132  
02:00:48,310 --> 02:00:46,400  
i described it to you and i i can't i

3133  
02:00:49,750 --> 02:00:48,320  
can't i can't say what that was i have

3134  
02:00:53,030 --> 02:00:49,760  
no idea

3135  
02:00:55,589 --> 02:00:53,040  
you know us them i i don't know

3136  
02:00:57,109 --> 02:00:55,599  
and that that was changing that was

3137  
02:01:00,070 --> 02:00:57,119  
life-changing for me that was something

3138  
02:01:02,629 --> 02:01:00,080

that i still cannot get out of my mind

3139

02:01:05,510 --> 02:01:02,639

thank goodness we had witnesses that

3140

02:01:07,189 --> 02:01:05,520

were there and i even have a really cool

3141

02:01:08,470 --> 02:01:07,199

video you know what

3142

02:01:12,790 --> 02:01:08,480

check this out

3143

02:01:16,629 --> 02:01:12,800

uh you know what i just got this video

3144

02:01:18,229 --> 02:01:16,639

let me find it i have the video here

3145

02:01:21,830 --> 02:01:18,239

believe it or not

3146

02:01:22,790 --> 02:01:21,840

of the moment that the sighting happened

3147

02:01:26,390 --> 02:01:22,800

okay

3148

02:01:28,149 --> 02:01:26,400

and what's funny about the video as i

3149

02:01:28,950 --> 02:01:28,159

as i pull it up

3150

02:01:31,830 --> 02:01:28,960

is

3151  
02:01:33,830 --> 02:01:31,840  
you don't see

3152  
02:01:35,030 --> 02:01:33,840  
the object

3153  
02:01:38,709 --> 02:01:35,040  
okay

3154  
02:01:41,189 --> 02:01:38,719  
what you hear is my reaction

3155  
02:01:43,669 --> 02:01:41,199  
uh telling everybody

3156  
02:01:46,149 --> 02:01:43,679  
what just happened and to shoot video

3157  
02:01:49,189 --> 02:01:46,159  
right i'm telling everybody to

3158  
02:01:51,270 --> 02:01:49,199  
shoot video shoot video shoot video

3159  
02:01:53,030 --> 02:01:51,280  
and it's uh it's pretty incredible let

3160  
02:01:53,910 --> 02:01:53,040  
me pull it up here

3161  
02:01:55,910 --> 02:01:53,920  
here

3162  
02:01:58,709 --> 02:01:55,920  
is is this it

3163  
02:02:02,790 --> 02:02:00,790

stay with me i've got so many things on

3164

02:02:05,350 --> 02:02:02,800

my desktop here

3165

02:02:07,109 --> 02:02:05,360

uh but i am going to

3166

02:02:08,790 --> 02:02:07,119

play this you know what let me do the

3167

02:02:13,350 --> 02:02:08,800

search here

3168

02:02:15,910 --> 02:02:13,360

and um so when i had forgotten about uh

3169

02:02:17,510 --> 02:02:15,920

here it is i had forgotten about what i

3170

02:02:18,870 --> 02:02:17,520

had said

3171

02:02:25,669 --> 02:02:18,880

but here it is i'm going to play it

3172

02:02:31,589 --> 02:02:28,629

tell me somebody took a picture

3173

02:02:33,589 --> 02:02:31,599

i swear to god i will shoot everybody

3174

02:02:39,000 --> 02:02:33,599

here

3175

02:02:42,550 --> 02:02:39,010

give us a position man

3176

02:02:46,550 --> 02:02:45,030

no the ufo wasn't a bird no that was

3177

02:02:47,510 --> 02:02:46,560

shimmering that was that was it was

3178

02:02:50,390 --> 02:02:47,520

glinting

3179

02:02:52,709 --> 02:02:50,400

it was it was a ball it was huge

3180

02:02:54,709 --> 02:02:52,719

okay who shot it

3181

02:02:55,750 --> 02:02:54,719

that was the moment that that thing

3182

02:02:58,149 --> 02:02:55,760

happened

3183

02:03:01,189 --> 02:02:58,159

isn't that crazy that somebody shot a a

3184

02:03:03,510 --> 02:03:01,199

cell phone video that was lucinda

3185

02:03:04,229 --> 02:03:03,520

yeah yeah everybody

3186

02:03:06,629 --> 02:03:04,239

so

3187

02:03:09,510 --> 02:03:06,639

that's what kind of dick i am in public

3188

02:03:11,030 --> 02:03:09,520

i will shoot everybody here

3189

02:03:13,350 --> 02:03:11,040

but yeah

3190

02:03:15,350 --> 02:03:13,360

how crazy is that

3191

02:03:17,510 --> 02:03:15,360

crazy and you can hear the crowd around

3192

02:03:19,189 --> 02:03:17,520

me right and did you hear somebody else

3193

02:03:19,910 --> 02:03:19,199

say it was shimmering

3194

02:03:24,550 --> 02:03:19,920

yeah

3195

02:03:27,510 --> 02:03:24,560

somebody took a picture

3196

02:03:29,430 --> 02:03:27,520

i swear to god i will shoot everybody

3197

02:03:35,270 --> 02:03:29,440

here

3198

02:03:38,470 --> 02:03:35,280

see right then i was back on the

3199

02:03:42,470 --> 02:03:40,870

no the ufo wasn't a bird no that was

3200

02:03:43,430 --> 02:03:42,480

shimmering that was that was it was

3201  
02:03:46,229 --> 02:03:43,440  
glinting

3202  
02:03:48,470 --> 02:03:46,239  
it was it was a ball it was huge

3203  
02:03:49,910 --> 02:03:48,480  
okay who shot it

3204  
02:03:51,910 --> 02:03:49,920  
so that's it that's that that's the

3205  
02:03:54,629 --> 02:03:51,920  
video clip right there

3206  
02:03:56,430 --> 02:03:54,639  
but that's the moment right it really

3207  
02:04:00,149 --> 02:03:56,440  
happened it was

3208  
02:04:02,550 --> 02:04:00,159  
ginormous it was ginormous and uh when i

3209  
02:04:04,229 --> 02:04:02,560  
told everybody and and i walked back to

3210  
02:04:06,709 --> 02:04:04,239  
the table

3211  
02:04:08,149 --> 02:04:06,719  
to get back on the binoculars you know

3212  
02:04:09,990 --> 02:04:08,159  
uh you know everybody going yeah it's

3213  
02:04:11,030 --> 02:04:10,000

black it's got a silver thing it's

3214

02:04:13,109 --> 02:04:11,040

spinning

3215

02:04:15,510 --> 02:04:13,119

and then that you know

3216

02:04:17,510 --> 02:04:15,520

that video was after i jumped up after

3217

02:04:20,950 --> 02:04:17,520

it disappeared and i said did somebody

3218

02:04:23,030 --> 02:04:20,960

you know tell me somebody shot it

3219

02:04:26,310 --> 02:04:23,040

and uh yeah pretty incredible pretty

3220

02:04:27,990 --> 02:04:26,320

incredible i actually have a jpeg here

3221

02:04:29,510 --> 02:04:28,000

i should post this i never did this

3222

02:04:32,390 --> 02:04:29,520

before

3223

02:04:34,229 --> 02:04:32,400

yeah i have a jpeg here i'll i'll post

3224

02:04:35,750 --> 02:04:34,239

this up too as well all right let's take

3225

02:04:37,350 --> 02:04:35,760

a break uh you want to take some phone

3226

02:04:39,830 --> 02:04:37,360

calls when we come back

3227

02:04:43,350 --> 02:04:39,840

sure let's do that our guest tonight is

3228

02:04:45,750 --> 02:04:43,360

adam curry the mandela effect let's take

3229

02:04:47,589 --> 02:04:45,760

a quick break right here this is fade to

3230

02:04:51,270 --> 02:04:47,599

black i'm your host jimmy church

3231

02:04:55,189 --> 02:04:53,030

zero 747-228-2200 one seven four seven

3232

02:04:56,550 --> 02:04:55,199

two two eight two zero five one i'll be

3233

02:04:59,680 --> 02:04:56,560

right back with adam and your phone

3234

02:05:27,350 --> 02:04:59,690

calls right after this stay with us

3235

02:05:30,470 --> 02:05:29,030

all right welcome back fade to black i'm

3236

02:05:33,669 --> 02:05:30,480

your host jimmy church our guest tonight

3237

02:05:38,070 --> 02:05:36,070

just did that amazing test experiment

3238

02:05:39,830 --> 02:05:38,080

live on the air that was uh that was a

3239

02:05:40,709 --> 02:05:39,840

lot of fun we got everything posted up

3240

02:05:44,790 --> 02:05:40,719

uh

3241

02:05:49,750 --> 02:05:44,800

in twitter i've opened up the phone

3242

02:05:54,070 --> 02:05:52,709

and i do i would like to hear

3243

02:05:57,510 --> 02:05:54,080

uh

3244

02:06:00,870 --> 02:05:57,520

your mandela effect story um if you've

3245

02:06:04,070 --> 02:06:00,880

got one or experience but also i would

3246

02:06:07,669 --> 02:06:04,080

like uh i would like jason

3247

02:06:10,629 --> 02:06:07,679

to call in about the movie shazam so

3248

02:06:13,830 --> 02:06:10,639

jason uh give us a call

3249

02:06:15,270 --> 02:06:13,840

and uh i'll get you right in the phone

3250

02:06:18,070 --> 02:06:15,280

cue okay

3251

02:06:20,229 --> 02:06:18,080

i do uh i do want to hear about this and

3252

02:06:21,669 --> 02:06:20,239

and you've got to shoot that video with

3253

02:06:22,629 --> 02:06:21,679

that adam you want to take some phone

3254

02:06:25,109 --> 02:06:22,639

calls

3255

02:06:27,270 --> 02:06:25,119

yeah let's do it let's do it let's go

3256

02:06:31,030 --> 02:06:27,280

right now hi you're live on fade to

3257

02:06:36,310 --> 02:06:33,669

you're live

3258

02:06:38,229 --> 02:06:36,320

oh man

3259

02:06:39,589 --> 02:06:38,239

uh don't even tell me there's some

3260

02:06:43,270 --> 02:06:39,599

issues here

3261

02:06:48,629 --> 02:06:45,669

no hello

3262

02:06:50,229 --> 02:06:48,639

hello yes you're live

3263

02:06:52,870 --> 02:06:50,239

i'm sorry i thought you were talking to

3264

02:06:55,189 --> 02:06:52,880

somebody else no

3265

02:06:57,430 --> 02:06:55,199

hey this is mike in albany oregon hey

3266

02:06:59,109 --> 02:06:57,440

mike in albany oregon how are you speak

3267

02:07:01,589 --> 02:06:59,119

up

3268

02:07:04,149 --> 02:07:01,599

okay um i've got those speakerphones so

3269

02:07:06,390 --> 02:07:04,159

uh yeah if i can get it yeah take me off

3270

02:07:07,990 --> 02:07:06,400

speaker that's the issue but remember

3271

02:07:10,470 --> 02:07:08,000

mike

3272

02:07:11,350 --> 02:07:10,480

we're live on the air so

3273

02:07:12,870 --> 02:07:11,360

okay

3274

02:07:15,109 --> 02:07:12,880

so i've got a

3275

02:07:17,430 --> 02:07:15,119

situation happen i'm not really sure if

3276

02:07:19,510 --> 02:07:17,440

it's mandela related or what the heck it

3277

02:07:20,870 --> 02:07:19,520

was but uh

3278

02:07:23,830 --> 02:07:20,880

my girlfriend and i have been going to

3279

02:07:26,149 --> 02:07:23,840

the local farmers market every year

3280

02:07:28,550 --> 02:07:26,159

opening day we're always there right

3281

02:07:32,069 --> 02:07:28,560

well we're we're driving up to it and

3282

02:07:33,669 --> 02:07:32,079

it's kind of raining a little bit and we

3283

02:07:34,950 --> 02:07:33,679

on the right on the side of the street

3284

02:07:36,709 --> 02:07:34,960

where it's at we look over and there's

3285

02:07:38,390 --> 02:07:36,719

nothing there as i mean it's just an

3286

02:07:40,310 --> 02:07:38,400

empty parking lot

3287

02:07:42,950 --> 02:07:40,320

so of course you know we think they

3288

02:07:44,390 --> 02:07:42,960

decided to cancel it because of the rain

3289

02:07:46,069 --> 02:07:44,400

and uh

3290

02:07:47,910 --> 02:07:46,079

when we get home and she's looking on

3291

02:07:50,470 --> 02:07:47,920

facebook and they're showing all these

3292

02:07:51,270 --> 02:07:50,480

people there and serving

3293

02:07:52,629 --> 02:07:51,280

uh

3294

02:07:55,030 --> 02:07:52,639

cupcakes and all this other kind of

3295

02:07:57,830 --> 02:07:55,040

things there and so

3296

02:07:59,510 --> 02:07:57,840

of course i assumed that it was uh

3297

02:08:01,510 --> 02:07:59,520

pictures from last year but then when we

3298

02:08:02,870 --> 02:08:01,520

got to talking to them the next time i

3299

02:08:04,550 --> 02:08:02,880

went

3300

02:08:06,069 --> 02:08:04,560

um i asked them i said well where were

3301

02:08:06,830 --> 02:08:06,079

you guys last weekend i said well we're

3302

02:08:10,069 --> 02:08:06,840

right

3303

02:08:12,310 --> 02:08:10,079

here and it's a beautiful sunny day we

3304

02:08:14,390 --> 02:08:12,320

had cupcakes we had all the same vendors

3305

02:08:16,069 --> 02:08:14,400

everything everybody was here but

3306

02:08:18,149 --> 02:08:16,079

we were right there and it wasn't there

3307

02:08:19,589 --> 02:08:18,159

for us it was an empty parking lot and

3308

02:08:21,589 --> 02:08:19,599

that's exactly

3309

02:08:23,109 --> 02:08:21,599

yeah and and adam thank you for the

3310

02:08:25,830 --> 02:08:23,119

phone call mike

3311

02:08:27,430 --> 02:08:25,840

uh adam when you

3312

02:08:28,770 --> 02:08:27,440

adam when you hear something like that

3313

02:08:31,270 --> 02:08:28,780

what what what

3314

02:08:33,589 --> 02:08:31,280

[Laughter]

3315

02:08:36,870 --> 02:08:33,599

you're a man of science right how do you

3316

02:08:38,790 --> 02:08:36,880

explain that away

3317

02:08:41,109 --> 02:08:38,800

um it got me there but you know one

3318

02:08:42,709 --> 02:08:41,119

thing i think is interesting is

3319

02:08:45,430 --> 02:08:42,719

these types of

3320

02:08:47,510 --> 02:08:45,440

reality shifting experiences tend to be

3321

02:08:49,669 --> 02:08:47,520

to be more profound

3322

02:08:52,470 --> 02:08:49,679

and less explainable

3323

02:08:53,910 --> 02:08:52,480

the fewer people are involved you know

3324

02:08:55,669 --> 02:08:53,920

we talk about mandela effects and these

3325

02:08:56,910 --> 02:08:55,679

are these are

3326

02:09:00,950 --> 02:08:56,920

collective

3327

02:09:03,750 --> 02:09:00,960

experiences of a different timeline or

3328

02:09:05,910 --> 02:09:03,760

reality right

3329

02:09:07,669 --> 02:09:05,920

but uh i think they tend to pale in

3330

02:09:09,750 --> 02:09:07,679

comparison to some of the

3331

02:09:11,109 --> 02:09:09,760

first person experiences that one or

3332

02:09:13,350 --> 02:09:11,119

maybe two

3333

02:09:15,109 --> 02:09:13,360

uh people have on their own

3334

02:09:16,310 --> 02:09:15,119

and to me i think that's significant

3335

02:09:19,589 --> 02:09:16,320

related to what we were talking about

3336

02:09:21,350 --> 02:09:19,599

before where it's easier to experience

3337

02:09:24,950 --> 02:09:21,360

unexplained

3338

02:09:26,550 --> 02:09:24,960

unconventional unlikely things if you're

3339

02:09:28,470 --> 02:09:26,560

if it's not a shared experience among

3340

02:09:30,149 --> 02:09:28,480

many many other people right well you

3341

02:09:35,189 --> 02:09:30,159

know you go to

3342

02:09:37,589 --> 02:09:35,199

it's an empty lot and you get home and

3343

02:09:40,069 --> 02:09:37,599

everybody's partying there and you're

3344

02:09:40,950 --> 02:09:40,079

right posting pictures

3345

02:09:42,629 --> 02:09:40,960

and

3346

02:09:44,310 --> 02:09:42,639

you know that's that's that's pretty

3347

02:09:46,310 --> 02:09:44,320

bizarre that's pretty bizarre i've had a

3348

02:09:47,270 --> 02:09:46,320

couple of experiences very similar to

3349

02:09:49,910 --> 02:09:47,280

that

3350

02:09:53,030 --> 02:09:49,920

and and again you know singular you know

3351  
02:09:54,149 --> 02:09:53,040  
with a few people as opposed to millions

3352  
02:09:57,990 --> 02:09:54,159  
let's go back to the phones hi you're

3353  
02:10:01,910 --> 02:09:59,669  
hey this is mike from michigan how's it

3354  
02:10:04,870 --> 02:10:01,920  
going hi mike from michigan

3355  
02:10:09,030 --> 02:10:06,709  
hey adam how's it going

3356  
02:10:12,390 --> 02:10:09,040  
hey mike good

3357  
02:10:16,229 --> 02:10:14,069  
i want to tell you guys what i think has

3358  
02:10:17,910 --> 02:10:16,239  
happened with the uh

3359  
02:10:23,030 --> 02:10:17,920  
mandela effect

3360  
02:10:23,040 --> 02:10:26,830  
okay

3361  
02:10:31,430 --> 02:10:29,030  
uh-huh yeah

3362  
02:10:34,950 --> 02:10:32,629  
well

3363  
02:10:37,510 --> 02:10:34,960

he went on the uh

3364

02:10:40,870 --> 02:10:37,520

some kind of tv broadcast

3365

02:10:42,470 --> 02:10:40,880

back in the 50s it's on youtube

3366

02:10:44,470 --> 02:10:42,480

but he said he was doing

3367

02:10:46,149 --> 02:10:44,480

he was taking

3368

02:10:48,390 --> 02:10:46,159

and

3369

02:10:51,109 --> 02:10:48,400

coupling in to the earth's magnetic

3370

02:10:56,709 --> 02:10:54,310

what he was doing he was pulling back

3371

02:10:59,589 --> 02:10:56,719

old tv and radio broadcast

3372

02:11:00,629 --> 02:10:59,599

from seven years prior

3373

02:11:02,950 --> 02:11:00,639

yes

3374

02:11:05,750 --> 02:11:02,960

yeah it's a it's a it's an amazing

3375

02:11:07,750 --> 02:11:05,760

interview adam have you seen the

3376

02:11:10,870 --> 02:11:07,760

uh i think that interview actually was

3377

02:11:16,870 --> 02:11:14,550

um but uh it's uh it's george van tassel

3378

02:11:19,189 --> 02:11:16,880

and he's talking for about

3379

02:11:21,430 --> 02:11:19,199

it's about a half hour interview and in

3380

02:11:24,870 --> 02:11:21,440

the interview he says and this is what

3381

02:11:27,750 --> 02:11:24,880

is fascinating especially for you adam

3382

02:11:29,990 --> 02:11:27,760

you know you being uh california bound

3383

02:11:32,390 --> 02:11:30,000

in santa monica

3384

02:11:36,550 --> 02:11:32,400

he built a laboratory

3385

02:11:37,669 --> 02:11:36,560

that was uh able to

3386

02:11:40,790 --> 02:11:37,679

uh

3387

02:11:44,069 --> 02:11:40,800

record and see events

3388

02:11:47,430 --> 02:11:44,079

seven years in the past

3389

02:11:49,910 --> 02:11:47,440

okay and that it was out there you know

3390

02:11:52,950 --> 02:11:49,920

it was electrical and that he was given

3391

02:11:54,310 --> 02:11:52,960

the formula from e.t

3392

02:11:56,550 --> 02:11:54,320

that was the other thing that was uh

3393

02:11:58,470 --> 02:11:56,560

pretty interesting about it and that he

3394

02:12:00,550 --> 02:11:58,480

could go and view this he gave the

3395

02:12:02,709 --> 02:12:00,560

address in the street

3396

02:12:04,069 --> 02:12:02,719

in santa monica where this laboratory

3397

02:12:06,550 --> 02:12:04,079

was built

3398

02:12:07,830 --> 02:12:06,560

it's a this is a historical document

3399

02:12:09,510 --> 02:12:07,840

it's something that you should go back

3400

02:12:11,990 --> 02:12:09,520

and watch this video yourself if you

3401

02:12:14,950 --> 02:12:12,000

haven't seen it

3402

02:12:16,950 --> 02:12:14,960

out that sounds

3403

02:12:18,550 --> 02:12:16,960

amazing yeah it is it's pretty cool it's

3404

02:12:20,709 --> 02:12:18,560

pretty cool thank you for the phone call

3405

02:12:22,709 --> 02:12:20,719

mike

3406

02:12:24,629 --> 02:12:22,719

hey could you pass my number line to uh

3407

02:12:26,870 --> 02:12:24,639

adam please i got a couple of things i'd

3408

02:12:29,669 --> 02:12:26,880

like to tell them off there okay i will

3409

02:12:32,149 --> 02:12:29,679

do that i have it here thank you so much

3410

02:12:35,669 --> 02:12:32,159

thanks jimmy yeah thank you mike

3411

02:12:38,149 --> 02:12:35,679

let's uh let's keep this going here uh

3412

02:12:40,709 --> 02:12:38,159

stay with me adam i've got to bounce

3413

02:12:41,830 --> 02:12:40,719

a couple of mouse clicks around here

3414

02:12:43,910 --> 02:12:41,840

there we go

3415

02:12:45,990 --> 02:12:43,920

all right let's go here

3416

02:12:48,149 --> 02:12:46,000

next hi you're live on fade to black

3417

02:12:50,310 --> 02:12:48,159

who's calling

3418

02:12:52,950 --> 02:12:50,320

oh this is andre

3419

02:12:54,709 --> 02:12:52,960

hey andre how are you

3420

02:12:56,870 --> 02:12:54,719

i'm doing great how are you i'm doing

3421

02:12:58,550 --> 02:12:56,880

good man it's uh adam curry say hi to

3422

02:13:04,149 --> 02:12:58,560

adam

3423

02:13:06,790 --> 02:13:04,159

hey keandre what's on your mind

3424

02:13:09,030 --> 02:13:06,800

all right so i have a really interesting

3425

02:13:11,510 --> 02:13:09,040

dell effect that actually affected my

3426

02:13:14,229 --> 02:13:11,520

birth certificate

3427

02:13:18,709 --> 02:13:14,239

okay what happened

3428

02:13:21,910 --> 02:13:18,719

well i remember whenever my

3429

02:13:24,950 --> 02:13:21,920

my mother had been telling me this

3430

02:13:27,510 --> 02:13:24,960

whenever she had gone through her uh

3431

02:13:29,589 --> 02:13:27,520

document she found my birth certificate

3432

02:13:30,790 --> 02:13:29,599

and she was looking at she had noticed

3433

02:13:33,589 --> 02:13:30,800

that

3434

02:13:36,390 --> 02:13:33,599

neither her name or

3435

02:13:39,430 --> 02:13:36,400

my father's name were on it

3436

02:13:41,430 --> 02:13:39,440

and it's really interesting because she

3437

02:13:44,390 --> 02:13:41,440

went into detail

3438

02:13:46,069 --> 02:13:44,400

about everything and specifically

3439

02:13:49,030 --> 02:13:46,079

remembered song

3440

02:13:52,069 --> 02:13:49,040

won the birth certificate

3441

02:13:54,629 --> 02:13:52,079

and do you still have it

3442

02:13:56,629 --> 02:13:54,639

actually i do it's really interesting i

3443

02:13:57,750 --> 02:13:56,639

looked at it and you know

3444

02:14:00,629 --> 02:13:57,760

i uh

3445

02:14:02,229 --> 02:14:00,639

put this on twitter about it uh

3446

02:14:04,550 --> 02:14:02,239

sort of being like the same thing that

3447

02:14:09,350 --> 02:14:04,560

happened in the

3448

02:14:10,950 --> 02:14:09,360

azio 116 team wait no 11 6

3449

02:14:14,470 --> 02:14:10,960

where uh

3450

02:14:15,750 --> 02:14:14,480

the actual attacks did change from

3451

02:14:19,350 --> 02:14:15,760

uh the

3452

02:14:20,870 --> 02:14:19,360

lion shall flow with the swam

3453

02:14:23,830 --> 02:14:20,880

and

3454

02:14:28,470 --> 02:14:23,840

it had changed to the wolf out uh the

3455

02:14:33,270 --> 02:14:31,910

okay and what uh what explanation do you

3456

02:14:35,910 --> 02:14:33,280

have for this i mean what are you

3457

02:14:38,629 --> 02:14:35,920

suggesting here

3458

02:14:40,790 --> 02:14:38,639

um i don't know there's all kinds of

3459

02:14:43,589 --> 02:14:40,800

theories i've heard things about cern

3460

02:14:45,750 --> 02:14:43,599

i've heard things about uh

3461

02:14:49,350 --> 02:14:45,760

solar ascension with something with our

3462

02:14:52,149 --> 02:14:49,360

sun entering a new phase like uh

3463

02:14:54,069 --> 02:14:52,159

the 13th zodiac for uh

3464

02:14:57,430 --> 02:14:54,079

orphicus

3465

02:14:59,750 --> 02:14:57,440

and i've also heard of that um

3466

02:15:02,069 --> 02:14:59,760

time traveling theory

3467

02:15:04,310 --> 02:15:02,079

along with uh john teter and everything

3468

02:15:06,550 --> 02:15:04,320

like that as well so i'm sort of

3469

02:15:09,669 --> 02:15:06,560

confused as to like

3470

02:15:12,149 --> 02:15:09,679

what happened yeah yeah why you

3471

02:15:13,830 --> 02:15:12,159

but why you

3472

02:15:16,069 --> 02:15:13,840

i don't know that's not the only thing

3473

02:15:18,149 --> 02:15:16,079

that had happened either well i'm sure

3474

02:15:19,510 --> 02:15:18,159

there's another thing that happened was

3475

02:15:22,550 --> 02:15:19,520

uh

3476

02:15:25,669 --> 02:15:22,560

my hair had changed from being like a

3477

02:15:28,229 --> 02:15:25,679

bright blonde to being brown

3478

02:15:31,430 --> 02:15:28,239

and my eyes had changed twice they went

3479

02:15:34,390 --> 02:15:31,440

from like an emerald green to blue

3480

02:15:36,229 --> 02:15:34,400

to being like this hazel color now but

3481

02:15:37,910 --> 02:15:36,239

whose names were on the birth

3482

02:15:39,830 --> 02:15:37,920

certificate did your mom know who they

3483

02:15:42,950 --> 02:15:39,840

were

3484

02:15:44,629 --> 02:15:42,960

yeah it was her name and

3485

02:15:47,669 --> 02:15:44,639

my father's name

3486

02:15:51,430 --> 02:15:47,679

her name was karatek and my father's

3487

02:15:53,669 --> 02:15:51,440

name was kenneth wagner

3488

02:15:56,149 --> 02:15:53,679

i thought you said their names weren't

3489

02:15:59,830 --> 02:15:56,159  
on the birth certificate

3490

02:16:03,189 --> 02:15:59,840  
it's not on it anymore oh it's changed

3491

02:16:06,709 --> 02:16:03,199  
since then yeah it's like completely

3492

02:16:08,790 --> 02:16:06,719  
gone okay yeah that's uh that's bizarro

3493

02:16:11,589 --> 02:16:08,800  
world stuff there

3494

02:16:14,390 --> 02:16:11,599  
yeah and this is the original yeah yeah

3495

02:16:16,629 --> 02:16:14,400  
i i don't know the original one i never

3496

02:16:18,470 --> 02:16:16,639  
had a copy of it or enough well whose

3497

02:16:21,830 --> 02:16:18,480  
names are on the birth certificate whose

3498

02:16:22,790 --> 02:16:21,840  
names are on the birth certificate now

3499

02:16:25,430 --> 02:16:22,800  
nothing

3500

02:16:28,149 --> 02:16:25,440  
they're bla it's blank

3501

02:16:29,750 --> 02:16:28,159

yeah well the only name that's one is

3502

02:16:33,270 --> 02:16:29,760

mine and then

3503

02:16:34,950 --> 02:16:33,280

like the regular uh documentation you

3504

02:16:36,230 --> 02:16:34,960

would see for a citizen yeah that's

3505

02:16:39,030 --> 02:16:36,240

pretty trippy

3506

02:16:41,750 --> 02:16:39,040

and what about uh ordering a duplicate

3507

02:16:43,429 --> 02:16:41,760

from the county

3508

02:16:46,070 --> 02:16:43,439

i don't know if i would order a

3509

02:16:49,429 --> 02:16:46,080

duplicate if i would end up getting like

3510

02:16:52,870 --> 02:16:49,439

yeah order one once with no order one

3511

02:16:55,589 --> 02:16:52,880

house yeah or not just order one but i'm

3512

02:16:58,549 --> 02:16:55,599

curious as yeah cost you 10 bucks yeah

3513

02:17:01,349 --> 02:16:58,559

order one and let us know

3514

02:17:02,309 --> 02:17:01,359

all right yeah thank you andre and uh

3515

02:17:04,790 --> 02:17:02,319

adam

3516

02:17:07,270 --> 02:17:04,800

is that mandela effect or is i mean is

3517

02:17:08,309 --> 02:17:07,280

that cern in effect and i'm not

3518

02:17:09,589 --> 02:17:08,319

you know

3519

02:17:12,830 --> 02:17:09,599

that's uh

3520

02:17:17,589 --> 02:17:12,840

uh it reminds me of uh

3521

02:17:19,190 --> 02:17:17,599

um uh michael j fox a little bit in uh

3522

02:17:20,469 --> 02:17:19,200

back to the future

3523

02:17:23,190 --> 02:17:20,479

you remember when he's looking at the

3524

02:17:24,629 --> 02:17:23,200

photograph of him and his mom uh when he

3525

02:17:26,709 --> 02:17:24,639

was uh

3526

02:17:27,910 --> 02:17:26,719

uh she was like fooling around with him

3527

02:17:29,270 --> 02:17:27,920

in the front seat of the car and he

3528

02:17:31,349 --> 02:17:29,280

looks at the picture and he starts

3529

02:17:33,349 --> 02:17:31,359

disappearing

3530

02:17:35,669 --> 02:17:33,359

i was about to bring that up yeah yeah

3531

02:17:37,429 --> 02:17:35,679

that's exactly what that sounds like

3532

02:17:39,190 --> 02:17:37,439

uh there's a couple of ways to slice

3533

02:17:42,230 --> 02:17:39,200

keiandre's experience which is a really

3534

02:17:44,629 --> 02:17:42,240

great story yes and you're right to have

3535

02:17:46,870 --> 02:17:44,639

him try to order a copy because the plot

3536

02:17:48,870 --> 02:17:46,880

will thicken based on what he gets

3537

02:17:49,990 --> 02:17:48,880

um you know one way to look at it is

3538

02:17:51,270 --> 02:17:50,000

that

3539

02:17:53,830 --> 02:17:51,280

there could be an influence from the

3540

02:17:55,270 --> 02:17:53,840

future that his his future is changing

3541

02:17:56,469 --> 02:17:55,280

the probabilities of his future are

3542

02:17:57,990 --> 02:17:56,479

changing

3543

02:17:59,910 --> 02:17:58,000

and as a result there needs to be a

3544

02:18:01,589 --> 02:17:59,920

consistent history to explain it now

3545

02:18:04,230 --> 02:18:01,599

what that is we don't know but

3546

02:18:06,549 --> 02:18:04,240

hypothetically let's say that there's

3547

02:18:07,990 --> 02:18:06,559

that keandre learns that his parents

3548

02:18:09,030 --> 02:18:08,000

aren't really his parents

3549

02:18:11,990 --> 02:18:09,040

right

3550

02:18:13,750 --> 02:18:12,000

um and what is the consistent history

3551

02:18:15,830 --> 02:18:13,760

that lines up with that well it might be

3552

02:18:17,110 --> 02:18:15,840

something as obvious as changing the

3553

02:18:18,549 --> 02:18:17,120

birth certificate you know i'm not

3554

02:18:20,629 --> 02:18:18,559

saying that's what's happening but that

3555

02:18:23,110 --> 02:18:20,639

could be a way of looking at it

3556

02:18:24,549 --> 02:18:23,120

another way of slicing this is to ask

3557

02:18:26,070 --> 02:18:24,559

this question

3558

02:18:28,150 --> 02:18:26,080

what purpose

3559

02:18:30,629 --> 02:18:28,160

does the anomaly serve

3560

02:18:31,750 --> 02:18:30,639

in this case does the fact that the

3561

02:18:33,110 --> 02:18:31,760

bizarro

3562

02:18:36,830 --> 02:18:33,120

thing with the

3563

02:18:39,190 --> 02:18:36,840

birth certificate serve a purpose to

3564

02:18:40,629 --> 02:18:39,200

keandre you know maybe

3565

02:18:41,990 --> 02:18:40,639

these types of strange things are

3566

02:18:43,750 --> 02:18:42,000

happening to him

3567

02:18:45,270 --> 02:18:43,760

because he himself is changing and

3568

02:18:46,870 --> 02:18:45,280

growing as a person

3569

02:18:49,990 --> 02:18:46,880

but it's really the changing and growing

3570

02:18:52,469 --> 02:18:50,000

as a person that sort of pull from being

3571

02:18:54,070 --> 02:18:52,479

that pull from his probable future

3572

02:18:55,990 --> 02:18:54,080

in some different direction that's

3573

02:18:57,830 --> 02:18:56,000

creating in his case

3574

02:18:59,030 --> 02:18:57,840

unexplained and weird phenomena so that

3575

02:18:59,990 --> 02:18:59,040

he goes down

3576

02:19:01,270 --> 02:19:00,000

a

3577

02:19:03,110 --> 02:19:01,280

um

3578

02:19:04,870 --> 02:19:03,120

you know he deeps deep dives into

3579

02:19:07,669 --> 02:19:04,880

thinking about reality and himself and

3580

02:19:10,150 --> 02:19:07,679

everything completely differently

3581

02:19:12,629 --> 02:19:10,160

yeah and then other names appear on the

3582

02:19:15,349 --> 02:19:12,639

birth certificate right and so in that

3583

02:19:17,030 --> 02:19:15,359

case purpose is the cause yeah right

3584

02:19:18,950 --> 02:19:17,040

right right let's go back to the phones

3585

02:19:20,389 --> 02:19:18,960

that's that was that's a pretty trippy

3586

02:19:22,549 --> 02:19:20,399

thought hi you're live on fade to black

3587

02:19:25,030 --> 02:19:22,559

who's calling

3588

02:19:27,509 --> 02:19:25,040

hello yeah you're live

3589

02:19:29,990 --> 02:19:27,519

oh hi this is satasha

3590

02:19:32,389 --> 02:19:30,000

hi natasha how are you

3591

02:19:33,589 --> 02:19:32,399

all right i'm calling from tennessee

3592

02:19:35,429 --> 02:19:33,599

i was kind

3593

02:19:37,349 --> 02:19:35,439

first time i've ever called i'm kind of

3594

02:19:39,110 --> 02:19:37,359

surprised i ain't got through yeah right

3595

02:19:40,790 --> 02:19:39,120

on well we're we're happy for you

3596

02:19:42,950 --> 02:19:40,800

natasha uh what have you got for us

3597

02:19:44,870 --> 02:19:42,960

tonight say hi to adam

3598

02:19:46,790 --> 02:19:44,880

hi adam uh i was

3599

02:19:49,510 --> 02:19:46,800

calling to talk about the mandela effect

3600

02:19:54,309 --> 02:19:49,520

too i had one when i was a kid myself

3601

02:19:57,030 --> 02:19:54,319

um when i was a child we had one like

3602

02:19:58,469 --> 02:19:57,040

the one i remember when i was a kid was

3603

02:20:01,590 --> 02:19:58,479

when uh

3604

02:20:03,670 --> 02:20:01,600

hello yeah we're listening

3605

02:20:07,030 --> 02:20:03,680

oh we lost you

3606

02:20:10,150 --> 02:20:07,040

she came in once she said hello and then

3607

02:20:12,389 --> 02:20:10,160

uh disappeared okay so with that i'll

3608

02:20:15,670 --> 02:20:12,399

just go to the next caller hi you're

3609

02:20:17,030 --> 02:20:15,680

live on fade to block who's calling

3610

02:20:19,270 --> 02:20:17,040

hi this is charlie from the puzzle

3611

02:20:21,910 --> 02:20:19,280

garden i have a question for adam okay

3612

02:20:23,270 --> 02:20:21,920

uh what's your name again

3613

02:20:25,830 --> 02:20:23,280

hari

3614

02:20:28,630 --> 02:20:25,840

the cosmic gardener i'm driving a car oh

3615

02:20:33,910 --> 02:20:28,640

you're driving a car

3616

02:20:37,990 --> 02:20:36,469

my question is is the mandela effect the

3617

02:20:39,750 --> 02:20:38,000

merging of separate timelines in our

3618

02:20:44,070 --> 02:20:39,760

co-creative consciousness is returned to

3619

02:20:44,080 --> 02:20:50,070

could be um

3620

02:20:50,080 --> 02:20:54,389

so that's a really interesting idea um

3621

02:20:58,710 --> 02:20:56,309

however i think that you could make a

3622

02:21:01,349 --> 02:20:58,720

counter example uh to which i'm a little

3623

02:21:03,670 --> 02:21:01,359

more sympathetic

3624

02:21:05,190 --> 02:21:03,680

and so it's basically his point was that

3625

02:21:06,630 --> 02:21:05,200

you could think of

3626

02:21:08,950 --> 02:21:06,640

each individual as having their own

3627

02:21:10,790 --> 02:21:08,960

bubble reality and you could think of

3628

02:21:12,870 --> 02:21:10,800

different groups of people

3629

02:21:15,110 --> 02:21:12,880

maybe a family as having their own sort

3630

02:21:16,630 --> 02:21:15,120

of shared reality experience which is

3631

02:21:19,030 --> 02:21:16,640

like a bubble reality and then you can

3632

02:21:21,110 --> 02:21:19,040

expand that to talk about

3633

02:21:23,190 --> 02:21:21,120

you know a geographical area a city a

3634

02:21:24,550 --> 02:21:23,200

country a company

3635

02:21:26,950 --> 02:21:24,560

and so you have these different kind of

3636

02:21:28,710 --> 02:21:26,960

overlapping bubble realities

3637

02:21:29,510 --> 02:21:28,720

and you can draw arbitrary lines around

3638

02:21:30,389 --> 02:21:29,520

them

3639

02:21:34,710 --> 02:21:30,399

and

3640

02:21:37,349 --> 02:21:34,720

more of a shared experience as the world

3641

02:21:40,710 --> 02:21:37,359

becomes more flat there's a decoherence

3642

02:21:43,110 --> 02:21:40,720

or a reconciliation of overlapping

3643

02:21:46,070 --> 02:21:43,120

realities on top of each other on top of

3644

02:21:47,349 --> 02:21:46,080

each other and that resolution of those

3645

02:21:49,349 --> 02:21:47,359

overlapping

3646

02:21:51,670 --> 02:21:49,359

realities is an effect of that is what

3647

02:21:53,110 --> 02:21:51,680

we call the mandela effect um that's a

3648

02:21:55,190 --> 02:21:53,120

really elegant way of looking at it i

3649

02:21:57,830 --> 02:21:55,200

like it i actually think that half of

3650

02:21:59,830 --> 02:21:57,840

that is true but in the other direction

3651  
02:22:02,469 --> 02:21:59,840  
meaning we're not

3652  
02:22:04,710 --> 02:22:02,479  
we're not coming more together so much

3653  
02:22:05,670 --> 02:22:04,720  
as a species we are in a way

3654  
02:22:08,309 --> 02:22:05,680  
but the

3655  
02:22:09,750 --> 02:22:08,319  
the myriad overlapping consciousnesses

3656  
02:22:10,870 --> 02:22:09,760  
or bubble realities are actually

3657  
02:22:12,790 --> 02:22:10,880  
diverging

3658  
02:22:14,150 --> 02:22:12,800  
um

3659  
02:22:16,230 --> 02:22:14,160  
the most extreme example of this would

3660  
02:22:17,990 --> 02:22:16,240  
be the breakaway civilization right that

3661  
02:22:20,230 --> 02:22:18,000  
concept that there's groups of humans

3662  
02:22:21,990 --> 02:22:20,240  
that have gone off into space so they

3663  
02:22:23,429 --> 02:22:22,000

live in a bubble reality that's so much

3664

02:22:25,429 --> 02:22:23,439

different than ours right and so all

3665

02:22:28,230 --> 02:22:25,439

kinds of crazy things can exist for them

3666

02:22:30,630 --> 02:22:28,240

right but for us um you know you have to

3667

02:22:32,790 --> 02:22:30,640

divide it different ways um we're not

3668

02:22:33,670 --> 02:22:32,800

really the normie types so you know we

3669

02:22:37,349 --> 02:22:33,680

can

3670

02:22:39,270 --> 02:22:37,359

and do retrocausal consciousness

3671

02:22:41,830 --> 02:22:39,280

experiments and all those kinds of stuff

3672

02:22:44,150 --> 02:22:41,840

and i actually see that trend continuing

3673

02:22:46,070 --> 02:22:44,160

meaning that a planet is maybe something

3674

02:22:48,150 --> 02:22:46,080

like a

3675

02:22:50,389 --> 02:22:48,160

a launch pad or a jumping off point for

3676

02:22:52,790 --> 02:22:50,399

different bubble realities at

3677

02:22:54,870 --> 02:22:52,800

different stages

3678

02:22:57,030 --> 02:22:54,880

however the fact that there are and

3679

02:23:00,550 --> 02:22:57,040

there does need to be an overlap of

3680

02:23:02,070 --> 02:23:00,560

individual and collective realities

3681

02:23:05,030 --> 02:23:02,080

is i think a really important point to

3682

02:23:06,469 --> 02:23:05,040

understand when it comes to sort of how

3683

02:23:09,830 --> 02:23:06,479

one person's experience can be different

3684

02:23:11,590 --> 02:23:09,840

from another but they're they're kind of

3685

02:23:13,510 --> 02:23:11,600

they both have true qualities to them

3686

02:23:15,270 --> 02:23:13,520

let's put it that way

3687

02:23:17,990 --> 02:23:15,280

and what's interesting with that and and

3688

02:23:20,309 --> 02:23:18,000

thank you for the phone call um what's

3689

02:23:21,590 --> 02:23:20,319

interesting with that is when dean

3690

02:23:24,950 --> 02:23:21,600

rayden

3691

02:23:27,750 --> 02:23:24,960

uh talks about this and he says it's not

3692

02:23:29,830 --> 02:23:27,760

you know that that people want these

3693

02:23:34,070 --> 02:23:29,840

huge

3694

02:23:35,030 --> 02:23:34,080

obvious things

3695

02:23:39,429 --> 02:23:35,040

and

3696

02:23:41,030 --> 02:23:39,439

level

3697

02:23:42,870 --> 02:23:41,040

that these changes right that they're

3698

02:23:46,309 --> 02:23:42,880

very very small

3699

02:23:48,389 --> 02:23:46,319

that's just as big of a deal as if

3700

02:23:50,389 --> 02:23:48,399

something materializes right in front of

3701

02:23:52,790 --> 02:23:50,399

you or it's you know

3702

02:23:53,910 --> 02:23:52,800

something catches on fire from the mind

3703

02:23:56,630 --> 02:23:53,920

right

3704

02:23:59,110 --> 02:23:56,640

okay that's sensational but if we're

3705

02:24:01,750 --> 02:23:59,120

getting this at the atomic level that is

3706

02:24:05,830 --> 02:24:01,760

just as big of a result

3707

02:24:09,110 --> 02:24:07,190

yeah i agree

3708

02:24:11,190 --> 02:24:09,120

um the this

3709

02:24:12,950 --> 02:24:11,200

the scale is if something is still

3710

02:24:15,190 --> 02:24:12,960

impossible but at a small scale it's

3711

02:24:16,790 --> 02:24:15,200

still impossible that's right

3712

02:24:19,429 --> 02:24:16,800

that is exactly right let's go back to

3713

02:24:20,950 --> 02:24:19,439

the phones oh i'm sorry go ahead oh well

3714

02:24:23,429 --> 02:24:20,960

and increasingly we're finding that

3715

02:24:24,550 --> 02:24:23,439

quantum effects which we've permitted to

3716

02:24:26,950 --> 02:24:24,560

exist

3717

02:24:29,110 --> 02:24:26,960

because our our biological or

3718

02:24:30,550 --> 02:24:29,120

macroscopic world isn't that weird what

3719

02:24:32,870 --> 02:24:30,560

we're finding though is that quantum

3720

02:24:34,550 --> 02:24:32,880

effects are are being seen at larger and

3721

02:24:37,830 --> 02:24:34,560

larger scales

3722

02:24:38,950 --> 02:24:37,840

including at at cellular scales

3723

02:24:39,910 --> 02:24:38,960

and so

3724

02:24:41,510 --> 02:24:39,920

we

3725

02:24:42,870 --> 02:24:41,520

through various

3726

02:24:44,389 --> 02:24:42,880

means that we're uncovering we might

3727

02:24:46,630 --> 02:24:44,399

actually be

3728

02:24:47,990 --> 02:24:46,640

uh much more prone to being affected by

3729

02:24:50,950 --> 02:24:48,000

small-scale things than we previously

3730

02:24:53,510 --> 02:24:50,960

thought well yeah i mean in in in

3731

02:24:57,110 --> 02:24:53,520

reality micro macro are the exact same

3732

02:24:59,190 --> 02:24:57,120

things if it's this sensational

3733

02:25:01,750 --> 02:24:59,200

we all affected a

3734

02:25:03,030 --> 02:25:01,760

vial of water in the past our bodies are

3735

02:25:06,070 --> 02:25:03,040

mostly water

3736

02:25:07,510 --> 02:25:06,080

uh so what does that say about

3737

02:25:09,990 --> 02:25:07,520

perhaps like the way that we think about

3738

02:25:12,630 --> 02:25:10,000

ourselves and it's it's real biological

3739

02:25:14,870 --> 02:25:12,640

impact on our bodies yeah i totally

3740

02:25:17,270 --> 02:25:14,880

there is something to that

3741

02:25:18,790 --> 02:25:17,280

you know when you think about how much

3742

02:25:24,630 --> 02:25:18,800

uh

3743

02:25:27,590 --> 02:25:24,640

affecting water like that at a grand

3744

02:25:29,270 --> 02:25:27,600

scale by the way then you are physically

3745

02:25:30,309 --> 02:25:29,280

changing most of your body right away

3746

02:25:32,710 --> 02:25:30,319

let's go back to the phones how you're

3747

02:25:35,990 --> 02:25:32,720

live on fade to black who's calling

3748

02:25:37,510 --> 02:25:36,000

hey jimmy it's nick hey nick how are you

3749

02:25:39,349 --> 02:25:37,520

good how are you doing right uh what's

3750

02:25:40,550 --> 02:25:39,359

on your mind

3751

02:25:42,550 --> 02:25:40,560

um

3752

02:25:43,510 --> 02:25:42,560

i once got a text message from the

3753

02:25:44,550 --> 02:25:43,520

future

3754

02:25:46,309 --> 02:25:44,560

you did

3755

02:25:48,309 --> 02:25:46,319

what did it say it did

3756

02:25:51,030 --> 02:25:48,319

it didn't say anything but it was this

3757

02:25:52,710 --> 02:25:51,040

is several years ago before smartphones

3758

02:25:53,990 --> 02:25:52,720

was still a flip phone

3759

02:25:56,950 --> 02:25:54,000

but

3760

02:26:00,710 --> 02:25:56,960

on the screen i would say you know

3761

02:26:01,910 --> 02:26:00,720

time stamp of when the message was sent

3762

02:26:05,510 --> 02:26:01,920

and it was

3763

02:26:07,830 --> 02:26:05,520

a few years into the future

3764

02:26:10,389 --> 02:26:07,840

the phone number that came from one of

3765

02:26:11,429 --> 02:26:10,399

the digits was a question mark

3766

02:26:12,870 --> 02:26:11,439

oh

3767

02:26:16,150 --> 02:26:12,880

really

3768

02:26:17,590 --> 02:26:16,160

can't remember

3769

02:26:19,270 --> 02:26:17,600

when exactly this happened i want to say

3770

02:26:21,270 --> 02:26:19,280

2011

3771

02:26:24,150 --> 02:26:21,280

because i know it was before

3772

02:26:25,670 --> 02:26:24,160

2012 because everyone was like

3773

02:26:28,070 --> 02:26:25,680

freaking out over

3774

02:26:31,349 --> 02:26:28,080

december 21st 2012 thing

3775

02:26:33,670 --> 02:26:31,359

and i noticed that this message was

3776

02:26:35,510 --> 02:26:33,680

at least from being on that point so i

3777

02:26:37,349 --> 02:26:35,520

was like okay as well we still have

3778

02:26:40,950 --> 02:26:37,359

something then

3779

02:26:43,910 --> 02:26:40,960

i can stop worrying about 2012.

3780

02:26:46,469 --> 02:26:43,920

and obviously you know what i'm going to

3781

02:26:48,469 --> 02:26:46,479

ask did you save the text message did

3782

02:26:50,150 --> 02:26:48,479

you email it to yourself did you do

3783

02:26:51,990 --> 02:26:50,160

something with it

3784

02:26:53,590 --> 02:26:52,000

no i didn't i showed it to my friends of

3785

02:26:55,270 --> 02:26:53,600

course but

3786

02:26:58,630 --> 02:26:55,280

i didn't i don't know if i even had a

3787

02:27:01,670 --> 02:26:58,640

way of saving the message on that thing

3788

02:27:03,429 --> 02:27:01,680

yeah 2011. yeah yeah

3789

02:27:06,309 --> 02:27:03,439

yeah you couldn't take a screenshot in

3790

02:27:08,230 --> 02:27:06,319

2011. that's pretty interesting uh a

3791

02:27:10,309 --> 02:27:08,240

text message from the future without a

3792

02:27:11,910 --> 02:27:10,319

without a message in it

3793

02:27:13,590 --> 02:27:11,920

the one thing i wish i had saved though

3794

02:27:15,270 --> 02:27:13,600

was the phone number even though one of

3795

02:27:17,990 --> 02:27:15,280

the digits was a question mark i could

3796

02:27:20,230 --> 02:27:18,000

have yeah yeah 10 chances of getting in

3797

02:27:21,590 --> 02:27:20,240

10 chances exactly and kind of like

3798

02:27:23,270 --> 02:27:21,600

called all the schools like hey is there

3799

02:27:25,270 --> 02:27:23,280

any chance that you would know me in the

3800

02:27:29,349 --> 02:27:25,280

future

3801

02:27:32,950 --> 02:27:31,270

well nick the next time it happens you

3802

02:27:34,550 --> 02:27:32,960

know what to do

3803

02:27:35,750 --> 02:27:34,560

absolutely thank you so much you'll be

3804

02:27:37,510 --> 02:27:35,760

the first to know

3805

02:27:40,150 --> 02:27:37,520

thank you thank you nick

3806

02:27:41,270 --> 02:27:40,160

and uh isn't that fascinating right

3807

02:27:43,830 --> 02:27:41,280

there

3808

02:27:46,790 --> 02:27:43,840

uh uh a text from the future you know

3809

02:27:48,790 --> 02:27:46,800

what i did get adam uh i posted this on

3810

02:27:52,309 --> 02:27:48,800

on facebook last month

3811

02:27:54,870 --> 02:27:52,319

i got an email from paypal

3812

02:27:57,190 --> 02:27:54,880

in the future

3813

02:27:59,830 --> 02:27:57,200

yeah it was funny it was like uh you

3814

02:28:02,469 --> 02:27:59,840

know it was it was a it was a uh you

3815

02:28:04,550 --> 02:28:02,479

know a spam email trying to get me to

3816

02:28:07,910 --> 02:28:04,560

click on the link right but it had the

3817

02:28:12,150 --> 02:28:09,830

and i'm looking at it

3818

02:28:13,990 --> 02:28:12,160

and i and i posted on facebook i got it

3819

02:28:15,830 --> 02:28:14,000

i got an email from the future check it

3820

02:28:18,630 --> 02:28:15,840

out i think it was uh

3821

02:28:20,309 --> 02:28:18,640

i think it was like a week off

3822

02:28:21,670 --> 02:28:20,319

i can't remember what it was but it was

3823

02:28:24,870 --> 02:28:21,680

you know and as you looked at it a

3824

02:28:27,830 --> 02:28:24,880

little bit closer it looked as legit as

3825

02:28:29,910 --> 02:28:27,840

it could be but they misspelled

3826

02:28:32,150 --> 02:28:29,920

something and they got the date wrong

3827

02:28:33,590 --> 02:28:32,160

and it was just it was just so funny in

3828

02:28:34,870 --> 02:28:33,600

the email from the future let's go back

3829

02:28:36,790 --> 02:28:34,880

to the phones how you live on fade to

3830

02:28:39,510 --> 02:28:36,800

black who's calling

3831

02:28:41,190 --> 02:28:39,520

hey jimmy this is tom from dayton ohio

3832

02:28:44,550 --> 02:28:41,200

how are you doing i'm doing good tom

3833

02:28:47,190 --> 02:28:44,560

from dayton ohio say hi to uh adam

3834

02:28:48,550 --> 02:28:47,200

hey adam uh nice to meet you how you

3835

02:28:50,389 --> 02:28:48,560

doing

3836

02:28:52,070 --> 02:28:50,399

great tom nice to meet you

3837

02:28:53,510 --> 02:28:52,080

tom we got two minutes we got two

3838

02:28:55,670 --> 02:28:53,520

minutes

3839

02:28:58,150 --> 02:28:55,680

sure uh real quick story and then uh

3840

02:29:00,790 --> 02:28:58,160

hopefully i can get some comments

3841

02:29:03,910 --> 02:29:00,800

um so i i was uh

3842

02:29:05,990 --> 02:29:03,920

on the mandela effect um i had

3843

02:29:07,990 --> 02:29:06,000

been all my life suffering from a

3844

02:29:09,590 --> 02:29:08,000

problem with sleep like where i'd hear

3845

02:29:11,670 --> 02:29:09,600

loud noises

3846

02:29:13,510 --> 02:29:11,680

and i was trying to figure out what what

3847

02:29:15,349 --> 02:29:13,520

started this i wasn't in the war or

3848

02:29:16,309 --> 02:29:15,359

anything like that and

3849

02:29:18,309 --> 02:29:16,319

and

3850

02:29:21,110 --> 02:29:18,319

i remember back in my childhood my

3851

02:29:23,429 --> 02:29:21,120

parents used to get in fights and they

3852

02:29:25,190 --> 02:29:23,439

would slam things while my brother and i

3853

02:29:27,990 --> 02:29:25,200

were trying to sleep

3854

02:29:29,910 --> 02:29:28,000

and i also had this one real old house

3855

02:29:30,950 --> 02:29:29,920

that we used to live in

3856

02:29:33,590 --> 02:29:30,960

after

3857

02:29:35,349 --> 02:29:33,600

watching the wizard of oz one night

3858

02:29:37,510 --> 02:29:35,359

i kept having these bad dreams about

3859

02:29:39,590 --> 02:29:37,520

this wicked witch that used to stalk the

3860

02:29:41,990 --> 02:29:39,600

stairways up to our room

3861

02:29:44,070 --> 02:29:42,000

and so i'd always dream about her so i

3862

02:29:47,030 --> 02:29:44,080

had this idea

3863

02:29:48,830 --> 02:29:47,040

why don't i go back in time and visit my

3864

02:29:51,670 --> 02:29:48,840

younger self

3865

02:29:53,510 --> 02:29:51,680

and like i don't know why i thought of

3866

02:29:55,590 --> 02:29:53,520

this but i said

3867

02:29:57,830 --> 02:29:55,600

on that hallway where that wicked witch

3868

02:30:00,070 --> 02:29:57,840

was i would install these blue lights

3869

02:30:01,510 --> 02:30:00,080

and then i told my younger self

3870

02:30:03,990 --> 02:30:01,520

that if ever

3871

02:30:05,910 --> 02:30:04,000

you see those blue lights on there's

3872

02:30:06,790 --> 02:30:05,920

nothing to be afraid of nothing can get

3873

02:30:10,389 --> 02:30:06,800

you

3874

02:30:12,630 --> 02:30:10,399

and then and for the loud noises

3875

02:30:15,349 --> 02:30:12,640

i gave myself

3876

02:30:17,590 --> 02:30:15,359

my younger self a set of headphones and

3877

02:30:19,190 --> 02:30:17,600

said if you see the blue light on on

3878

02:30:20,870 --> 02:30:19,200

these headphones

3879

02:30:22,550 --> 02:30:20,880

those noises will

3880

02:30:24,870 --> 02:30:22,560

no longer bother you

3881

02:30:28,469 --> 02:30:24,880

ever since i did that

3882

02:30:30,950 --> 02:30:28,479

i gotta admit i've slept wonderfully and

3883

02:30:32,469 --> 02:30:30,960

this has been like a couple years now so

3884

02:30:34,309 --> 02:30:32,479

i just thought i would share that story

3885

02:30:36,630 --> 02:30:34,319

with you since we're on this kind of

3886

02:30:40,070 --> 02:30:36,640

going back in time type of thing

3887

02:30:43,190 --> 02:30:40,080

and uh giving yourself advice yeah

3888

02:30:45,349 --> 02:30:43,200

yeah yeah and why not i mean if if

3889

02:30:47,830 --> 02:30:45,359

everything else works why wouldn't that

3890

02:30:50,469 --> 02:30:47,840

work and of course this was you know

3891

02:30:51,910 --> 02:30:50,479

over a year ago when i did this but

3892

02:30:54,710 --> 02:30:51,920

um you know what do you guys think about

3893

02:30:56,710 --> 02:30:54,720

that well you slept like a baby sense

3894

02:30:59,590 --> 02:30:56,720

tom but i'm gonna hand this over to adam

3895

02:31:01,590 --> 02:30:59,600

adam did he affect the past

3896

02:31:02,469 --> 02:31:01,600

well you very well may have you know you

3897

02:31:03,670 --> 02:31:02,479

could

3898

02:31:05,190 --> 02:31:03,680

you never really

3899

02:31:07,510 --> 02:31:05,200

disentangle

3900

02:31:08,309 --> 02:31:07,520

retro causality or affecting the past

3901

02:31:11,910 --> 02:31:08,319

with

3902

02:31:13,270 --> 02:31:11,920

something that's in information from the

3903

02:31:14,870 --> 02:31:13,280

future in some ways they're both

3904

02:31:16,230 --> 02:31:14,880

happening at once

3905

02:31:17,830 --> 02:31:16,240

just different ways of talking about the

3906

02:31:19,750 --> 02:31:17,840

same event

3907

02:31:22,790 --> 02:31:19,760

but i think that you know maybe for the

3908

02:31:25,349 --> 02:31:22,800

audience start playing with this idea of

3909

02:31:27,510 --> 02:31:25,359

visiting yourself in the past

3910

02:31:29,830 --> 02:31:27,520

and giving yourself messages

3911

02:31:32,309 --> 02:31:29,840

and maybe even go a little further and

3912

02:31:34,870 --> 02:31:32,319

start visiting things mentally in the

3913

02:31:36,389 --> 02:31:34,880

past and trying to find evidence for it

3914

02:31:38,469 --> 02:31:36,399

in the future

3915

02:31:39,910 --> 02:31:38,479

sounds a little crazy but

3916

02:31:41,270 --> 02:31:39,920

sometimes the results are very

3917

02:31:42,630 --> 02:31:41,280

interesting

3918

02:31:44,550 --> 02:31:42,640

what you're doing is you're affecting

3919

02:31:45,990 --> 02:31:44,560

the consistent history

3920

02:31:48,230 --> 02:31:46,000

to create a new consistent history

3921

02:31:50,550 --> 02:31:48,240

that's more congruent with um

3922

02:31:52,630 --> 02:31:50,560

you know the present reality and you

3923

02:31:55,590 --> 02:31:52,640

know one of the things that's a common

3924

02:31:58,230 --> 02:31:55,600

element among these

3925

02:32:00,950 --> 02:31:58,240

experiences like toms

3926

02:32:02,070 --> 02:32:00,960

is that there's meaningfulness involved

3927

02:32:04,309 --> 02:32:02,080

and uh you know when you're trying to

3928

02:32:07,349 --> 02:32:04,319

solve a crime you say follow the money

3929

02:32:09,270 --> 02:32:07,359

well if you're trying to figure out the

3930

02:32:11,030 --> 02:32:09,280

the real

3931

02:32:13,270 --> 02:32:11,040

the primary it's called the primary

3932

02:32:15,190 --> 02:32:13,280

cause of certain of these unexplained

3933

02:32:16,389 --> 02:32:15,200

things or unusual things follow the

3934

02:32:19,590 --> 02:32:16,399

meaningfulness because the

3935

02:32:21,910 --> 02:32:19,600

meaningfulness will often point to

3936

02:32:23,830 --> 02:32:21,920

and will often in fact be the thing that

3937

02:32:27,670 --> 02:32:23,840

kind of closes the loop on this cause

3938

02:32:29,830 --> 02:32:27,680

effect stuff so maybe tom

3939

02:32:32,469 --> 02:32:29,840

maybe it was deeply meaningful for him

3940

02:32:34,389 --> 02:32:32,479

to have that uh conversation with

3941

02:32:35,510 --> 02:32:34,399

himself um

3942

02:32:38,389 --> 02:32:35,520

and uh

3943

02:32:40,870 --> 02:32:38,399

and thereby get better sleep yeah

3944

02:32:42,790 --> 02:32:40,880

absolutely adam tom thank you for the

3945

02:32:45,110 --> 02:32:42,800

phone call adam

3946

02:32:47,429 --> 02:32:45,120

we'll see you at contact in the desert

3947

02:32:49,670 --> 02:32:47,439

uh coming up at the end of may i really

3948

02:32:51,830 --> 02:32:49,680

look forward to uh hanging out with you

3949

02:32:53,429 --> 02:32:51,840

once again and as soon as we get this

3950

02:32:55,429 --> 02:32:53,439

app launched

3951  
02:32:57,349 --> 02:32:55,439  
uh which uh i know you're gonna tell me

3952  
02:33:00,150 --> 02:32:57,359  
it'll be next month but as soon as you

3953  
02:33:02,070 --> 02:33:00,160  
get the app launched uh we'll get you

3954  
02:33:03,190 --> 02:33:02,080  
back on the show is it gonna be ready by

3955  
02:33:05,110 --> 02:33:03,200  
contact

3956  
02:33:07,110 --> 02:33:05,120  
it will not it will not there you go

3957  
02:33:11,389 --> 02:33:07,120  
there's your answer everybody now you

3958  
02:33:13,190 --> 02:33:11,399  
can go uh and check out adam at uh

3959  
02:33:15,030 --> 02:33:13,200  
entangled.org the links are at

3960  
02:33:17,510 --> 02:33:15,040  
jimmychurchradio.com

3961  
02:33:20,710 --> 02:33:17,520  
very simple and of course follow adam on

3962  
02:33:22,790 --> 02:33:20,720  
twitter at adam's lab adam thank you so

3963  
02:33:24,790 --> 02:33:22,800

much it was worth the five-year wait my

3964

02:33:27,030 --> 02:33:24,800

man thank you so much

3965

02:33:30,230 --> 02:33:27,040

my pleasure talk to you next time adam

3966

02:33:32,950 --> 02:33:30,240

curry again it is entangled.org the

3967

02:33:34,469 --> 02:33:32,960

links are over at jimmychurchradio.com

3968

02:33:36,389 --> 02:33:34,479

thank you to everybody that called in

3969

02:33:38,389 --> 02:33:36,399

tonight and everybody that participated

3970

02:33:42,309 --> 02:33:38,399

in our little experiment

3971

02:33:44,150 --> 02:33:42,319

twitter was on fire thank all of you

3972

02:33:46,469 --> 02:33:44,160

beta black's executive producer is

3973

02:33:48,710 --> 02:33:46,479

ridiculous shows produced by hill j palm

3974

02:33:51,270 --> 02:33:48,720

renee dennis and bob announcers are

3975

02:33:53,510 --> 02:33:51,280

steve harder gene vettel marty kovar

3976

02:33:56,670 --> 02:33:53,520

webmaster is drew the geek music doug

3977

02:33:58,230 --> 02:33:56,680

aldrige intro space boy

3978

02:34:00,230 --> 02:33:58,240

spaceboymusic.com

3979

02:34:01,990 --> 02:34:00,240

fade to black is produced by kjcr for

3980

02:34:03,590 --> 02:34:02,000

the game changer network and syndication

3981

02:34:04,790 --> 02:34:03,600

is kgra

3982

02:34:07,190 --> 02:34:04,800

the planet

3983

02:34:08,790 --> 02:34:07,200

this broadcast owned a copyrighted 2019

3984

3987

02:34:16,870 --> 02:34:15,040

the known universe without written

3988

02:34:19,349 --> 02:34:16,880

permission from fade to black or the

3989

02:34:20,469 --> 02:34:19,359

game changer network army host jimmy

3990

02:34:22,469 --> 02:34:20,479

church

3991

02:34:24,710 --> 02:34:22,479

tomorrow night right here

3992

02:34:27,750 --> 02:34:24,720

right here mj binayas

3993

02:34:31,030 --> 02:34:27,760

and his new book the ufo people until

3994

02:34:34,420 --> 02:34:31,040

then everybody be safe

3995

02:34:44,790 --> 02:34:34,430

go backly teppy

3996

02:34:44,800 --> 02:34:48,990

wow

3997

02:35:53,830 --> 02:35:08,020
