

**FADE
TO Ep. 1038
BLACK**

copyright 2019 fade to black www.jimmychurchradio.com Game Changer Network, Inc.

1
00:00:15,749 --> 00:00:12,510
[Music]

2
00:00:20,150 --> 00:00:18,150
welcome back fade the black

3
00:00:22,550 --> 00:00:20,160
camera jimmy church tonight richard

4
00:00:24,070 --> 00:00:22,560
dolan is here

5
00:00:26,550 --> 00:00:24,080
yeah man

6
00:00:29,029 --> 00:00:26,560
tomorrow night i'm off saturday i'm over

7
00:00:32,580 --> 00:00:29,039
hosting coast to coast am

8
00:00:33,750 --> 00:00:32,590
sunday i am sleeping and doing yard work

9
00:00:35,430 --> 00:00:33,760
[Music]

10
00:00:37,270 --> 00:00:35,440
next week we kick off another week here

11
00:00:39,590 --> 00:00:37,280
on fade to black tonight it is richard

12
00:00:41,830 --> 00:00:39,600
dolan a special night tonight normally

13
00:00:44,869 --> 00:00:41,840

this is fader night open lines

14

00:00:46,709 --> 00:00:44,879

but we've got richard here got a lot to

15

00:00:48,470 --> 00:00:46,719

talk about he is one of the world's

16

00:00:50,150 --> 00:00:48,480

leading researchers and writers on the

17

00:00:51,990 --> 00:00:50,160

subject of ufos

18

00:00:54,229 --> 00:00:52,000

and believes that they constitute the

19

00:00:55,830 --> 00:00:54,239

greatest mystery of our time he

20

00:00:58,310 --> 00:00:55,840

completed his graduate work at the

21

00:01:01,189 --> 00:00:58,320

university of rochester where he studied

22

00:01:03,590 --> 00:01:01,199

us cold war strategy european history

23

00:01:05,750 --> 00:01:03,600

and international diplomacy before that

24

00:01:08,550 --> 00:01:05,760

he studied at alfred university and

25

00:01:10,789 --> 00:01:08,560

oxford university and was a finalist for

26

00:01:13,429 --> 00:01:10,799

rhodes scholarship i will never get

27

00:01:15,429 --> 00:01:13,439

tired of saying that he is the author of

28

00:01:18,310 --> 00:01:15,439

ufos in the national security state he

29

00:01:20,630 --> 00:01:18,320

co-authored with bryce zabel a.d after

30

00:01:23,590 --> 00:01:20,640

disclosure and his latest book of course

31

00:01:25,190 --> 00:01:23,600

is ufos in the 21st century mind he

32

00:01:30,070 --> 00:01:25,200

hosts his own radio show the richard

33

00:01:32,230 --> 00:01:30,080

dolan show he's got his live youtube uh

34

00:01:34,069 --> 00:01:32,240

live stream that he does now each week

35

00:01:37,030 --> 00:01:34,079

with his wife and in addition to

36

00:01:39,910 --> 00:01:37,040

everything else he owns richard dolan

37

00:01:41,830 --> 00:01:39,920

press actively publishing books by

38

00:01:43,990 --> 00:01:41,840

authors from all around the world on all

39

00:01:46,230 --> 00:01:44,000

kinds of subjects tonight we're going to

40

00:01:48,870 --> 00:01:46,240

be discussing the latest news about the

41

00:01:51,030 --> 00:01:48,880

united states navy adopting allegedly

42

00:01:53,590 --> 00:01:51,040

new reporting procedures for ufos and

43

00:01:54,870 --> 00:01:53,600

ufps and other ufo news i'd like to

44

00:01:57,510 --> 00:01:54,880

welcome back to fade to black the one

45

00:01:58,550 --> 00:01:57,520

and only richard bleep and dolan richard

46

00:02:00,469 --> 00:01:58,560

good evening

47

00:02:02,870 --> 00:02:00,479

hi jimmy how am i coming in can you hear

48

00:02:04,149 --> 00:02:02,880

me yeah i got you man i got you live

49

00:02:06,230 --> 00:02:04,159

loud and clear

50

00:02:08,389 --> 00:02:06,240

very good why would you ask me that did

51
00:02:10,710 --> 00:02:08,399
you lose the internet today

52
00:02:12,150 --> 00:02:10,720
no i didn't know but i um i've got this

53
00:02:14,229 --> 00:02:12,160
nice little microphone hooked up to my

54
00:02:15,750 --> 00:02:14,239
computer and when i when i connected

55
00:02:17,750 --> 00:02:15,760
with you just before we went on i said

56
00:02:20,390 --> 00:02:17,760
hey can you hear me

57
00:02:22,070 --> 00:02:20,400
and you're like uh i don't hear any

58
00:02:24,550 --> 00:02:22,080
answers

59
00:02:26,550 --> 00:02:24,560
i was doing other stuff man

60
00:02:28,869 --> 00:02:26,560
i was doing other stuff i was drinking

61
00:02:29,750 --> 00:02:28,879
coffee richard i was paying no attention

62
00:02:31,589 --> 00:02:29,760
to you

63
00:02:33,910 --> 00:02:31,599

this sounds like my world i i don't like

64

00:02:37,990 --> 00:02:33,920

to listen to people these days

65

00:02:43,589 --> 00:02:40,630

i don't know oh that's a good answer man

66

00:02:45,910 --> 00:02:43,599

that's a good answer uh okay look uh

67

00:02:47,190 --> 00:02:45,920

last song you listened to today i knew

68

00:02:49,030 --> 00:02:47,200

you were going to ask me this and i had

69

00:02:51,190 --> 00:02:49,040

to ask my wife tracy

70

00:02:53,190 --> 00:02:51,200

and she remembered and it was by the

71

00:02:56,550 --> 00:02:53,200

cure how about that

72

00:02:57,830 --> 00:02:56,560

you went the cure today oh

73

00:02:59,030 --> 00:02:57,840

yeah they're good

74

00:03:00,550 --> 00:02:59,040

uh

75

00:03:03,750 --> 00:03:00,560

which which one

76

00:03:06,309 --> 00:03:03,760

pictures of you oh man strong strong

77

00:03:09,430 --> 00:03:06,319

good song right oh man i you know i like

78

00:03:11,990 --> 00:03:09,440

all things the cure i was watching them

79

00:03:13,270 --> 00:03:12,000

last week i was watching the replay of

80

00:03:17,350 --> 00:03:13,280

uh

81

00:03:19,990 --> 00:03:17,360

right

82

00:03:22,070 --> 00:03:20,000

and uh and they played

83

00:03:24,229 --> 00:03:22,080

and i don't know if they did pictures of

84

00:03:26,309 --> 00:03:24,239

you i think boys don't cry i think they

85

00:03:29,270 --> 00:03:26,319

did did they get inducted into the rock

86

00:03:31,589 --> 00:03:29,280

and roll well they played

87

00:03:33,430 --> 00:03:31,599

i caught that part of the show

88

00:03:35,509 --> 00:03:33,440

uh they should be there if they're not

89

00:03:36,789 --> 00:03:35,519

but they sounded great man they sounded

90

00:03:39,110 --> 00:03:36,799

great they sounded really really

91

00:03:41,750 --> 00:03:39,120

wonderful uh great band so that they

92

00:03:43,910 --> 00:03:41,760

they get the nod for this show yeah

93

00:03:45,509 --> 00:03:43,920

there you go my last song today i talked

94

00:03:47,190 --> 00:03:45,519

about it in the intro

95

00:03:48,470 --> 00:03:47,200

uh link ray

96

00:03:51,910 --> 00:03:48,480

rumble

97

00:03:53,509 --> 00:03:51,920

i cranked that in the bunker today oh

98

00:03:54,949 --> 00:03:53,519

it's just such a good song

99

00:03:56,949 --> 00:03:54,959

you'll have to you'll have to play that

100

00:03:59,589 --> 00:03:56,959

one for me i'm not sure if i know that

101
00:04:01,830 --> 00:03:59,599
yeah you do pulp fiction

102
00:04:05,750 --> 00:04:01,840
oh yeah pulp fiction

103
00:04:12,070 --> 00:04:07,270
gang gang

104
00:04:14,390 --> 00:04:12,080
back oh man link ray just amazing so uh

105
00:04:17,349 --> 00:04:14,400
we're in the midst of uh these crazy

106
00:04:21,030 --> 00:04:17,359
times and it seems that richard

107
00:04:24,070 --> 00:04:21,040
every time you're on this show even when

108
00:04:26,310 --> 00:04:24,080
we're hanging out you know somewhere uh

109
00:04:28,950 --> 00:04:26,320
around the country we're hanging out it

110
00:04:32,230 --> 00:04:28,960
seems that we just sit down

111
00:04:34,710 --> 00:04:32,240
and and talk about the the crazy stuff

112
00:04:37,909 --> 00:04:34,720
that that is going on and it's it's been

113
00:04:40,870 --> 00:04:37,919

unrelenting the last five six years it

114

00:04:43,030 --> 00:04:40,880

it's been in a no let up mode

115

00:04:44,950 --> 00:04:43,040

well it's ufos and it's every other part

116

00:04:46,469 --> 00:04:44,960

of the world that's right it's not just

117

00:04:48,790 --> 00:04:46,479

ufos it's not

118

00:04:50,469 --> 00:04:48,800

we're on social media right facebook is

119

00:04:51,990 --> 00:04:50,479

out of control twitter

120

00:04:53,909 --> 00:04:52,000

i mean there's so much happening every

121

00:04:55,749 --> 00:04:53,919

single day everywhere

122

00:04:57,990 --> 00:04:55,759

that i believe people are getting worked

123

00:05:00,469 --> 00:04:58,000

up in every

124

00:05:02,870 --> 00:05:00,479

field of endeavor certainly ufos are no

125

00:05:05,990 --> 00:05:02,880

exception but i don't i don't think that

126

00:05:08,150 --> 00:05:06,000

it's unique in both field no it's not

127

00:05:10,629 --> 00:05:08,160

and today

128

00:05:12,870 --> 00:05:10,639

this okay this is what uh uh we're gonna

129

00:05:14,150 --> 00:05:12,880

get to the united states navy in a bit

130

00:05:17,830 --> 00:05:14,160

but

131

00:05:20,629 --> 00:05:17,840

one of the things that you embrace is

132

00:05:23,189 --> 00:05:20,639

social media and you and i

133

00:05:25,830 --> 00:05:23,199

uh let's let's talk we always talk about

134

00:05:27,749 --> 00:05:25,840

our private conversations you and i

135

00:05:30,230 --> 00:05:27,759

let's go back like five years i remember

136

00:05:31,189 --> 00:05:30,240

you and i having a long conversation one

137

00:05:33,749 --> 00:05:31,199

day

138

00:05:35,749 --> 00:05:33,759

on advertising on the net on what

139

00:05:37,990 --> 00:05:35,759

youtube could be how to deal with

140

00:05:41,270 --> 00:05:38,000

twitter you hadn't gone back to your

141

00:05:43,909 --> 00:05:41,280

twitter account you you you wanted to

142

00:05:46,629 --> 00:05:43,919

and you were asking me how you know and

143

00:05:49,590 --> 00:05:46,639

we had a very long conversation that

144

00:05:51,029 --> 00:05:49,600

afternoon about what social media uh

145

00:05:53,110 --> 00:05:51,039

could be

146

00:05:53,990 --> 00:05:53,120

right and and your interest has been

147

00:05:57,430 --> 00:05:54,000

there

148

00:05:58,870 --> 00:05:57,440

all the way through so uh not i i

149

00:06:01,749 --> 00:05:58,880

have very limited

150

00:06:03,670 --> 00:06:01,759

social media skills i'll just say that

151
00:06:06,390 --> 00:06:03,680
but your interest you know the

152
00:06:07,670 --> 00:06:06,400
importance of it yes and and here we are

153
00:06:10,230 --> 00:06:07,680
today

154
00:06:13,510 --> 00:06:10,240
would you have ever guessed that

155
00:06:15,189 --> 00:06:13,520
these companies that we help support

156
00:06:16,629 --> 00:06:15,199
believe it or not it's not youtube

157
00:06:19,510 --> 00:06:16,639
supporting us

158
00:06:22,150 --> 00:06:19,520
it's the it's the content it's it's we

159
00:06:24,710 --> 00:06:22,160
the content providers are the ones that

160
00:06:26,230 --> 00:06:24,720
keep those companies going it's not the

161
00:06:28,790 --> 00:06:26,240
other way around

162
00:06:31,749 --> 00:06:28,800
but they are treating us

163
00:06:34,230 --> 00:06:31,759

like we owe them something

164

00:06:36,070 --> 00:06:34,240

they youtube has and facebook also

165

00:06:38,070 --> 00:06:36,080

they've become the ultimate finger

166

00:06:40,870 --> 00:06:38,080

wagging school marm

167

00:06:43,110 --> 00:06:40,880

the moralistic holier than thou protect

168

00:06:44,550 --> 00:06:43,120

you from yourself person that everyone

169

00:06:48,710 --> 00:06:44,560

hates

170

00:06:50,950 --> 00:06:48,720

right like remember church lady dana

171

00:06:53,430 --> 00:06:50,960

carvey did that on snl yep that's what

172

00:06:55,510 --> 00:06:53,440

youtube is yep so they're they're now

173

00:06:58,150 --> 00:06:55,520

church lady and facebook is church lady

174

00:07:00,309 --> 00:06:58,160

which just banned uh they just banned

175

00:07:04,309 --> 00:07:00,319

the whole infowars crowd alex jones paul

176
00:07:06,390 --> 00:07:04,319
joseph watson yep um louis farrakhan

177
00:07:09,270 --> 00:07:06,400
laura loomer

178
00:07:10,870 --> 00:07:09,280
exactly but it's i mean facebook is out

179
00:07:13,189 --> 00:07:10,880
of control with

180
00:07:14,870 --> 00:07:13,199
protect you from yourself

181
00:07:17,189 --> 00:07:14,880
which by the way they're completely

182
00:07:19,589 --> 00:07:17,199
advised by neocon groups like the

183
00:07:23,510 --> 00:07:19,599
atlantic council and

184
00:07:25,350 --> 00:07:23,520
other very nefarious very pro-war very

185
00:07:27,350 --> 00:07:25,360
empire type groups

186
00:07:29,830 --> 00:07:27,360
uh russia-phobic

187
00:07:33,029 --> 00:07:29,840
so that's facebook that's their universe

188
00:07:35,430 --> 00:07:33,039

and uh youtube is every bit as bad

189

00:07:36,629 --> 00:07:35,440

frankly oh and every time i do a youtube

190

00:07:38,309 --> 00:07:36,639

show i don't know am i going to get

191

00:07:40,870 --> 00:07:38,319

dinged i'm not brought into the youtube

192

00:07:43,350 --> 00:07:40,880

principal's office this time like every

193

00:07:45,670 --> 00:07:43,360

time i create anything for youtube

194

00:07:47,110 --> 00:07:45,680

they've got their automatic uh

195

00:07:50,550 --> 00:07:47,120

algorithms

196

00:07:53,110 --> 00:07:50,560

that decide is uh is this good or bad oh

197

00:07:55,430 --> 00:07:53,120

this is bad let's de-monetize him let's

198

00:07:57,270 --> 00:07:55,440

ding him i'm expecting one day like

199

00:07:59,110 --> 00:07:57,280

they're gonna just yank me all together

200

00:08:00,710 --> 00:07:59,120

well you know they did that to us last

201
00:08:02,869 --> 00:08:00,720
week

202
00:08:04,790 --> 00:08:02,879
i didn't know that they did what did you

203
00:08:07,670 --> 00:08:04,800
do that i did nothing

204
00:08:10,869 --> 00:08:07,680
of course i did absolutely nothing um i

205
00:08:12,629 --> 00:08:10,879
literally uh logged in to youtube and i

206
00:08:16,309 --> 00:08:12,639
saw that my

207
00:08:18,070 --> 00:08:16,319
monitation was gone on all of my videos

208
00:08:20,710 --> 00:08:18,080
and i thought oh that's strange let me

209
00:08:22,309 --> 00:08:20,720
refresh my page maybe those just you

210
00:08:23,749 --> 00:08:22,319
know didn't load in

211
00:08:26,230 --> 00:08:23,759
and it was there

212
00:08:30,150 --> 00:08:26,240
and i clicked on my channel note and it

213
00:08:32,709 --> 00:08:30,160

said your channel has been demonetized

214

00:08:35,909 --> 00:08:32,719

the entire channel or the entire

215

00:08:36,870 --> 00:08:35,919

channel and it said uh and that it was

216

00:08:38,709 --> 00:08:36,880

brief

217

00:08:39,509 --> 00:08:38,719

it said uh

218

00:08:41,909 --> 00:08:39,519

due

219

00:08:43,430 --> 00:08:41,919

to our uh

220

00:08:45,590 --> 00:08:43,440

regular

221

00:08:47,430 --> 00:08:45,600

auditing process

222

00:08:53,269 --> 00:08:47,440

your channel

223

00:08:55,910 --> 00:08:53,279

content is in violation of our standards

224

00:08:58,550 --> 00:08:55,920

that's what it said standards no no not

225

00:09:00,790 --> 00:08:58,560

communities i've had no community i've

226

00:09:03,190 --> 00:09:00,800

had no community strikes no cop nothing

227

00:09:05,990 --> 00:09:03,200

like that and i've been with them for 10

228

00:09:08,389 --> 00:09:06,000

years so have you figured this out uh

229

00:09:10,230 --> 00:09:08,399

yeah we got it back after we

230

00:09:12,949 --> 00:09:10,240

did a formal complaint

231

00:09:14,470 --> 00:09:12,959

through a legal process uh the king in

232

00:09:16,550 --> 00:09:14,480

front of the pope back in the 11th

233

00:09:18,470 --> 00:09:16,560

century yep and and we

234

00:09:20,230 --> 00:09:18,480

they ended up bringing uh giving us a

235

00:09:23,829 --> 00:09:20,240

channel back it took about a week but

236

00:09:26,949 --> 00:09:23,839

they threatened us they threatened us in

237

00:09:30,230 --> 00:09:26,959

uh this email that any further

238

00:09:33,430 --> 00:09:30,240

violations would be termination of the

239

00:09:36,870 --> 00:09:33,440

channel did you find out no they never

240

00:09:39,829 --> 00:09:36,880

told us anything

241

00:09:42,710 --> 00:09:39,839

anything it was the craziest i mean not

242

00:09:44,550 --> 00:09:42,720

a strike not a warning not nothing are

243

00:09:47,670 --> 00:09:44,560

you familiar with the writer france

244

00:09:50,710 --> 00:09:47,680

kafka yes yeah of course so this is very

245

00:09:53,430 --> 00:09:50,720

kafka it's very cough gas uh if anyone

246

00:09:55,910 --> 00:09:53,440

hasn't read the process the trial great

247

00:09:58,550 --> 00:09:55,920

book kind of creepy very brilliant

248

00:10:01,350 --> 00:09:58,560

and the character in the trial

249

00:10:03,110 --> 00:10:01,360

is arrested but he never gets charges

250

00:10:04,790 --> 00:10:03,120

like he doesn't know what what's the

251

00:10:06,630 --> 00:10:04,800

problem and he's got to go to trial and

252

00:10:08,310 --> 00:10:06,640

he has no idea what the process is he

253

00:10:10,070 --> 00:10:08,320

keeps trying to find out and he goes

254

00:10:12,070 --> 00:10:10,080

through this bureaucracy

255

00:10:13,590 --> 00:10:12,080

that gives him no answers and just gets

256

00:10:16,389 --> 00:10:13,600

crazier and crazier this is a hundred

257

00:10:18,870 --> 00:10:16,399

years ago when kafka wrote this book and

258

00:10:20,949 --> 00:10:18,880

youtube is like that they give no

259

00:10:22,550 --> 00:10:20,959

because they're so big and they're

260

00:10:24,230 --> 00:10:22,560

everything is done by their algorithms

261

00:10:26,389 --> 00:10:24,240

they actually

262

00:10:27,750 --> 00:10:26,399

you know every bureaucracy is designed

263

00:10:29,110 --> 00:10:27,760

so that no one can ever take

264

00:10:31,030 --> 00:10:29,120

responsibility for anything like

265

00:10:33,350 --> 00:10:31,040

literally i think that's the purpose of

266

00:10:35,110 --> 00:10:33,360

it so they they don't want to take

267

00:10:37,110 --> 00:10:35,120

responsibility individually they just

268

00:10:39,030 --> 00:10:37,120

have their rules in place there are no

269

00:10:40,949 --> 00:10:39,040

reasons given anymore

270

00:10:42,470 --> 00:10:40,959

uh at least officially

271

00:10:44,150 --> 00:10:42,480

so i'm sorry that that happened to you

272

00:10:46,470 --> 00:10:44,160

and now you're living on the tightrope

273

00:10:48,790 --> 00:10:46,480

no well yeah i i

274

00:10:51,829 --> 00:10:48,800

youtube was never and you and i had this

275

00:10:54,550 --> 00:10:51,839

conversation five years ago that youtube

276
00:10:56,389 --> 00:10:54,560
is just a small slice of what we do

277
00:10:59,030 --> 00:10:56,399
right we've got all kinds of things

278
00:11:02,150 --> 00:10:59,040
going around and our main focus is the

279
00:11:04,710 --> 00:11:02,160
live radio show first everything else

280
00:11:07,829 --> 00:11:04,720
organically happens after that youtube

281
00:11:10,470 --> 00:11:07,839
was only an archiving post uh for us to

282
00:11:13,030 --> 00:11:10,480
go and archive the shows but reality is

283
00:11:14,870 --> 00:11:13,040
it's so big like you it really can't be

284
00:11:16,630 --> 00:11:14,880
ignored it can't be we have a hundred

285
00:11:18,150 --> 00:11:16,640
thousand subs you know by the way i

286
00:11:20,949 --> 00:11:18,160
would just say the listeners like who

287
00:11:22,310 --> 00:11:20,959
think oh boohoo you got d monetized why

288
00:11:24,710 --> 00:11:22,320

is it about the money i would just say

289

00:11:25,990 --> 00:11:24,720

this try writing a book and then have

290

00:11:28,389 --> 00:11:26,000

someone say oh you're not allowed to

291

00:11:29,990 --> 00:11:28,399

make money off of your book no or worse

292

00:11:32,630 --> 00:11:30,000

than that in principle

293

00:11:35,509 --> 00:11:32,640

worse than that you write a book and

294

00:11:38,310 --> 00:11:35,519

then somebody else takes your book makes

295

00:11:41,190 --> 00:11:38,320

a copy of it and starts selling it and

296

00:11:43,670 --> 00:11:41,200

and monetizing it and happens too but

297

00:11:46,230 --> 00:11:43,680

right he's talking about youtube's

298

00:11:48,790 --> 00:11:46,240

arbitrary rules to prevent

299

00:11:50,389 --> 00:11:48,800

creators of content who work very hard

300

00:11:53,030 --> 00:11:50,399

for what they do

301
00:11:54,389 --> 00:11:53,040
um i just put up a video today it just

302
00:11:57,110 --> 00:11:54,399
killed me

303
00:11:58,710 --> 00:11:57,120
i'm not a video editor at all like i

304
00:11:59,829 --> 00:11:58,720
spent hours on this for something that

305
00:12:02,550 --> 00:11:59,839
looks like

306
00:12:04,389 --> 00:12:02,560
totally mediocre to be honest

307
00:12:05,269 --> 00:12:04,399
but i put it out there

308
00:12:07,190 --> 00:12:05,279
and

309
00:12:09,269 --> 00:12:07,200
you know i'm always in danger of youtube

310
00:12:11,350 --> 00:12:09,279
just smacking me down and just taking

311
00:12:12,870 --> 00:12:11,360
taking these things away from me yeah

312
00:12:15,190 --> 00:12:12,880
yeah and you have to be conscious of

313
00:12:17,990 --> 00:12:15,200

that and the other part but see this is

314

00:12:21,030 --> 00:12:18,000

uh when you talk about monetizing when

315

00:12:23,269 --> 00:12:21,040

people uh come back and you get your

316

00:12:24,790 --> 00:12:23,279

monetization you know pulled away and

317

00:12:27,910 --> 00:12:24,800

you say something about it and somebody

318

00:12:31,110 --> 00:12:27,920

wants to make a comment about it well

319

00:12:33,110 --> 00:12:31,120

they what what the bigger picture for me

320

00:12:36,069 --> 00:12:33,120

is that youtube

321

00:12:38,230 --> 00:12:36,079

will not do anything uh about other

322

00:12:40,150 --> 00:12:38,240

people you have to go and chase down

323

00:12:42,150 --> 00:12:40,160

anybody that is ripping you off number

324

00:12:45,430 --> 00:12:42,160

one number two

325

00:12:48,389 --> 00:12:45,440

the viewers on youtube go and watch all

326

00:12:50,310 --> 00:12:48,399

of this pirated monetized material but

327

00:12:52,470 --> 00:12:50,320

they don't say anything to the pirate

328

00:12:55,030 --> 00:12:52,480

channels you know nobody's you know

329

00:12:56,870 --> 00:12:55,040

they're okay with that but the the

330

00:13:00,069 --> 00:12:56,880

creators of the content

331

00:13:01,590 --> 00:13:00,079

heaven forbid they should monetize it's

332

00:13:03,990 --> 00:13:01,600

it's like man

333

00:13:05,350 --> 00:13:04,000

i just don't get it anymore i don't well

334

00:13:07,110 --> 00:13:05,360

it's getting worse and worse and i'm

335

00:13:08,949 --> 00:13:07,120

glad we're talking about this because i

336

00:13:11,430 --> 00:13:08,959

believe this will actually have some

337

00:13:13,269 --> 00:13:11,440

relevance toward our uh topic relating

338

00:13:15,110 --> 00:13:13,279

to the navy believe it or not it does

339

00:13:16,550 --> 00:13:15,120

it's all connected bring it i'll i'll

340

00:13:18,829 --> 00:13:16,560

rope it in

341

00:13:20,870 --> 00:13:18,839

but um we are moving into an era now

342

00:13:22,870 --> 00:13:20,880

where you know youtube isn't just

343

00:13:24,550 --> 00:13:22,880

youtube youtube is google

344

00:13:27,829 --> 00:13:24,560

google is alphabet

345

00:13:29,590 --> 00:13:27,839

and google and facebook and they are now

346

00:13:32,230 --> 00:13:29,600

part of the big media like you know we

347

00:13:34,389 --> 00:13:32,240

used to talk about fox and cnn and nbc

348

00:13:36,790 --> 00:13:34,399

and cbs and all that well add in

349

00:13:37,829 --> 00:13:36,800

facebook and add in youtube

350

00:13:39,990 --> 00:13:37,839

google

351

00:13:42,870 --> 00:13:40,000

because their media power

352

00:13:44,949 --> 00:13:42,880

is every bit as much if not more

353

00:13:47,030 --> 00:13:44,959

and they make as much money if not more

354

00:13:50,230 --> 00:13:47,040

than some of those big media operations

355

00:13:52,949 --> 00:13:50,240

so what we're seeing is a

356

00:13:54,790 --> 00:13:52,959

a major consolidation of and

357

00:13:56,710 --> 00:13:54,800

centralization of the power and the

358

00:13:58,790 --> 00:13:56,720

algorithms that youtube has

359

00:14:01,750 --> 00:13:58,800

do yourself a favor and anyone listening

360

00:14:04,870 --> 00:14:01,760

try to do a youtube search on

361

00:14:07,189 --> 00:14:04,880

anything you want really like ufo

362

00:14:08,870 --> 00:14:07,199

typing ufo into your youtube search and

363

00:14:09,910 --> 00:14:08,880

what you're gonna get

364

00:14:14,949 --> 00:14:09,920

is a

365

00:14:17,750 --> 00:14:14,959

search dominated by cnn fox and nbc bbc

366

00:14:19,590 --> 00:14:17,760

cbc like all the major

367

00:14:21,990 --> 00:14:19,600

uh establishments all the major

368

00:14:23,670 --> 00:14:22,000

corporations and it's just shocking to

369

00:14:25,910 --> 00:14:23,680

me every time i see it

370

00:14:27,509 --> 00:14:25,920

so they rig the game

371

00:14:29,910 --> 00:14:27,519

they have what i would say is a very

372

00:14:32,310 --> 00:14:29,920

dishonest algorithm so all of the

373

00:14:34,389 --> 00:14:32,320

results are rigged in favor of large

374

00:14:35,990 --> 00:14:34,399

establishment corporations

375

00:14:37,509 --> 00:14:36,000

that are you know they get the little

376

00:14:40,790 --> 00:14:37,519

green check box

377

00:14:44,550 --> 00:14:40,800

so i just i just punched in ufo and i

378

00:14:47,350 --> 00:14:44,560

got one two three four five pictures of

379

00:14:48,870 --> 00:14:47,360

louis elizondo on fox exactly all fox

380

00:14:50,790 --> 00:14:48,880

and cnn yeah

381

00:14:52,150 --> 00:14:50,800

yeah exactly it's a completely rigged

382

00:14:53,829 --> 00:14:52,160

game and that's the only way they can

383

00:14:55,670 --> 00:14:53,839

win is by cheating

384

00:14:58,150 --> 00:14:55,680

so there's like all of these independent

385

00:14:59,910 --> 00:14:58,160

voices out there like you like me and a

386

00:15:01,350 --> 00:14:59,920

lot of other people

387

00:15:02,790 --> 00:15:01,360

and

388

00:15:05,189 --> 00:15:02,800

we have something to say that's very

389

00:15:08,710 --> 00:15:05,199

different from what you're ever going to

390

00:15:11,030 --> 00:15:08,720

hear on the establishment tv right and

391

00:15:13,110 --> 00:15:11,040

yet you you people have to really hunt

392

00:15:16,550 --> 00:15:13,120

you've got to go pages

393

00:15:17,829 --> 00:15:16,560

down to find alternative voices i mean

394

00:15:19,829 --> 00:15:17,839

if you're going to do that for youtube

395

00:15:22,470 --> 00:15:19,839

why not just turn on your tv for god's

396

00:15:24,629 --> 00:15:22,480

sake why even bother with youtube just

397

00:15:26,629 --> 00:15:24,639

turn on your television put on nbc for

398

00:15:28,629 --> 00:15:26,639

god's sake because that's really what

399

00:15:30,069 --> 00:15:28,639

they've gone to so they've actually

400

00:15:32,550 --> 00:15:30,079

turned youtube they're doing it as much

401
00:15:34,150 --> 00:15:32,560
as possible to turn it back into like tv

402
00:15:36,150 --> 00:15:34,160
of the 1980s

403
00:15:37,030 --> 00:15:36,160
and the hell like this is what rolling

404
00:15:38,710 --> 00:15:37,040
back

405
00:15:40,870 --> 00:15:38,720
20 plus years of internet freedom now

406
00:15:43,189 --> 00:15:40,880
looks like and and we're not done with

407
00:15:44,949 --> 00:15:43,199
that so what we're seeing with all this

408
00:15:46,790 --> 00:15:44,959
youtube problems and getting dinged and

409
00:15:48,389 --> 00:15:46,800
be and being brought to the principal's

410
00:15:50,629 --> 00:15:48,399
office for every little

411
00:15:52,470 --> 00:15:50,639
imagined infraction

412
00:15:55,509 --> 00:15:52,480
that the finger wagging schoolmarm says

413
00:15:57,590 --> 00:15:55,519

you made it's only going to get worse

414

00:15:59,110 --> 00:15:57,600

so there's the because it's not just

415

00:16:01,110 --> 00:15:59,120

economic control there's definitely

416

00:16:02,150 --> 00:16:01,120

ideological political control going on

417

00:16:05,749 --> 00:16:02,160

here

418

00:16:07,829 --> 00:16:05,759

and it will relate i am convinced now

419

00:16:09,189 --> 00:16:07,839

to the whole roll out of whatever kind

420

00:16:10,310 --> 00:16:09,199

of disclosure we're going to be looking

421

00:16:13,189 --> 00:16:10,320

at

422

00:16:14,550 --> 00:16:13,199

moving toward a disclosure moment in the

423

00:16:15,509 --> 00:16:14,560

ufo field

424

00:16:17,350 --> 00:16:15,519

i didn't

425

00:16:19,829 --> 00:16:17,360

necessarily believe that even five years

426

00:16:22,389 --> 00:16:19,839

ago but i think it it's true now but the

427

00:16:23,990 --> 00:16:22,399

question is what will it be like and i'm

428

00:16:25,590 --> 00:16:24,000

i am increasingly convinced that we're

429

00:16:27,590 --> 00:16:25,600

looking at what i now call controlled

430

00:16:30,310 --> 00:16:27,600

disclosure

431

00:16:32,550 --> 00:16:30,320

so it's a very highly spun

432

00:16:33,910 --> 00:16:32,560

version of disclosure in which the ufo

433

00:16:37,110 --> 00:16:33,920

subject's been

434

00:16:39,829 --> 00:16:37,120

basically rebranded as uap and

435

00:16:42,150 --> 00:16:39,839

all the history all of the drama all of

436

00:16:44,710 --> 00:16:42,160

the baggage the cultural connections to

437

00:16:46,790 --> 00:16:44,720

ufo are being siphoned out

438

00:16:49,269 --> 00:16:46,800

and now we're going to uap and you have

439

00:16:50,550 --> 00:16:49,279

folks like louise elizondo

440

00:16:52,949 --> 00:16:50,560

and i actually have nothing personal

441

00:16:53,990 --> 00:16:52,959

against him but folks like elizondo and

442

00:16:55,749 --> 00:16:54,000

a lot of these other people who are

443

00:16:58,310 --> 00:16:55,759

getting a lot of media time

444

00:17:00,069 --> 00:16:58,320

are going on to this pretense as fiction

445

00:17:01,189 --> 00:17:00,079

that oh we don't know what these things

446

00:17:03,430 --> 00:17:01,199

are

447

00:17:06,230 --> 00:17:03,440

to which i'm going to call bs i don't i

448

00:17:08,470 --> 00:17:06,240

don't think that they believe that

449

00:17:09,990 --> 00:17:08,480

and it's certainly not true and we know

450

00:17:11,750 --> 00:17:10,000

that there are

451

00:17:13,909 --> 00:17:11,760

uh individuals and groups within the

452

00:17:15,909 --> 00:17:13,919

classified world who know full well that

453

00:17:18,390 --> 00:17:15,919

that's not the case they know that there

454

00:17:21,510 --> 00:17:18,400

is a phenomenon that they have not

455

00:17:23,029 --> 00:17:21,520

been able to cope with for over 70 years

456

00:17:24,230 --> 00:17:23,039

and it's not russian and it's not

457

00:17:26,870 --> 00:17:24,240

chinese

458

00:17:32,950 --> 00:17:29,350

i'm branding this in order to uh

459

00:17:35,909 --> 00:17:32,960

i think defang the ufo term franklin let

460

00:17:37,350 --> 00:17:35,919

me let me ask you this uh even though

461

00:17:39,350 --> 00:17:37,360

this is your uh

462

00:17:40,950 --> 00:17:39,360

your answer is going to be your opinion

463

00:17:44,390 --> 00:17:40,960

um but

464

00:17:46,789 --> 00:17:44,400

uh a guy like louis elizondo

465

00:17:48,549 --> 00:17:46,799

what does he

466

00:17:49,830 --> 00:17:48,559

really know

467

00:17:51,029 --> 00:17:49,840

what does he

468

00:17:53,909 --> 00:17:51,039

actually

469

00:17:57,110 --> 00:17:53,919

really know well i'll bet he knows quite

470

00:17:58,470 --> 00:17:57,120

a bit i i see the opposite i say the i'm

471

00:18:00,390 --> 00:17:58,480

going the opposite i'm going the

472

00:18:01,990 --> 00:18:00,400

opposite i think he knows nothing robert

473

00:18:06,710 --> 00:18:02,000

bigelow

474

00:18:08,870 --> 00:18:06,720

probably knows a lot realistically okay

475

00:18:09,909 --> 00:18:08,880

i still say he knows pretty close to

476
00:18:12,549 --> 00:18:09,919
nothing

477
00:18:16,710 --> 00:18:12,559
and and the reason the reason that the

478
00:18:19,270 --> 00:18:16,720
the the real the the actual the real

479
00:18:23,110 --> 00:18:19,280
players the real players

480
00:18:25,990 --> 00:18:23,120
that that have these answers uh to to et

481
00:18:26,950 --> 00:18:26,000
and ufo and off planet life

482
00:18:29,909 --> 00:18:26,960
are

483
00:18:31,350 --> 00:18:29,919
so far above his pay grade he's he's not

484
00:18:32,630 --> 00:18:31,360
even getting he's not even getting

485
00:18:34,230 --> 00:18:32,640
crumbs

486
00:18:35,270 --> 00:18:34,240
that's that's my opinion it's all

487
00:18:36,150 --> 00:18:35,280
relative

488
00:18:38,070 --> 00:18:36,160

uh

489

00:18:39,830 --> 00:18:38,080

bigelow i think bigelow

490

00:18:42,789 --> 00:18:39,840

well i think bigelow again this is my

491

00:18:46,470 --> 00:18:42,799

opinion but i think bigelow um has had

492

00:18:48,710 --> 00:18:46,480

uh very very direct experiences where he

493

00:18:50,630 --> 00:18:48,720

he knows about the e.t presence because

494

00:18:51,990 --> 00:18:50,640

of his own experiences

495

00:18:54,150 --> 00:18:52,000

and and

496

00:18:56,630 --> 00:18:54,160

that's what i base mine on is my own

497

00:18:59,029 --> 00:18:56,640

experiences i've had a couple with you

498

00:19:01,350 --> 00:18:59,039

that are pretty strange well i

499

00:19:03,270 --> 00:19:01,360

understand that but he's had experiences

500

00:19:06,070 --> 00:19:03,280

plus he's a billionaire

501
00:19:08,390 --> 00:19:06,080
and so and he's been obsessed as very

502
00:19:10,470 --> 00:19:08,400
few people in this world are with diving

503
00:19:12,390 --> 00:19:10,480
into the subject and doing everything he

504
00:19:13,909 --> 00:19:12,400
can to learn about it and he's got

505
00:19:16,549 --> 00:19:13,919
resources

506
00:19:18,470 --> 00:19:16,559
to to throw into it so you know he ran

507
00:19:19,350 --> 00:19:18,480
nids for years and he

508
00:19:20,950 --> 00:19:19,360
uh

509
00:19:22,870 --> 00:19:20,960
you know presided over the skinwalker

510
00:19:24,870 --> 00:19:22,880
ranch as everyone knows and

511
00:19:28,470 --> 00:19:24,880
uh was connected with getting mufon's

512
00:19:30,870 --> 00:19:28,480
reports i mean this is a man who sure

513
00:19:32,070 --> 00:19:30,880

has been in a position that almost no

514

00:19:35,350 --> 00:19:32,080

one

515

00:19:37,830 --> 00:19:35,360

has been in

516

00:19:39,590 --> 00:19:37,840

over the last 25 30 years to have access

517

00:19:42,070 --> 00:19:39,600

to some of the information he's gotten

518

00:19:44,150 --> 00:19:42,080

right and elizondo you know is close to

519

00:19:45,830 --> 00:19:44,160

bigelow but what i'm saying is when

520

00:19:46,630 --> 00:19:45,840

alozano says he doesn't know what they

521

00:19:49,270 --> 00:19:46,640

are

522

00:19:50,870 --> 00:19:49,280

i believe well that's that's not true

523

00:19:55,430 --> 00:19:50,880

he certainly has to know

524

00:20:00,630 --> 00:19:59,669

because these these guys elizondo or um

525

00:20:02,390 --> 00:20:00,640

you know any of the others who are

526

00:20:04,230 --> 00:20:02,400

associated with tsa

527

00:20:07,990 --> 00:20:04,240

they have to

528

00:20:09,590 --> 00:20:08,000

present this fiction to the world

529

00:20:10,789 --> 00:20:09,600

uh to some extent if they're going to

530

00:20:13,590 --> 00:20:10,799

get anyone to listen to them if they

531

00:20:15,750 --> 00:20:13,600

want to if they want to get cnn or fox

532

00:20:17,909 --> 00:20:15,760

to listen to them they can't do what i

533

00:20:19,110 --> 00:20:17,919

do or what you do

534

00:20:21,990 --> 00:20:19,120

because those

535

00:20:24,150 --> 00:20:22,000

organizations are so tightly controlled

536

00:20:26,310 --> 00:20:24,160

there's no freedom in any of those major

537

00:20:28,549 --> 00:20:26,320

news organizations

538

00:20:29,909 --> 00:20:28,559

so you you have to go and create this

539

00:20:32,390 --> 00:20:29,919

fiction

540

00:20:34,070 --> 00:20:32,400

this is why they've rebranded ufos in my

541

00:20:35,750 --> 00:20:34,080

view and they're they're going straight

542

00:20:36,789 --> 00:20:35,760

up with uap

543

00:20:38,310 --> 00:20:36,799

because

544

00:20:39,909 --> 00:20:38,320

if you're going to have a public

545

00:20:41,510 --> 00:20:39,919

conversation about

546

00:20:43,190 --> 00:20:41,520

this subject

547

00:20:45,110 --> 00:20:43,200

the last thing that those people want

548

00:20:46,870 --> 00:20:45,120

and by those people i mean

549

00:20:48,630 --> 00:20:46,880

anyone in the hierarchy that's got

550

00:20:50,230 --> 00:20:48,640

sensitive access to this

551
00:20:51,110 --> 00:20:50,240
they don't want to open up this whole

552
00:20:52,870 --> 00:20:51,120
can of

553
00:20:54,549 --> 00:20:52,880
worms on themselves

554
00:20:56,070 --> 00:20:54,559
so they're trying to do this as

555
00:20:59,190 --> 00:20:56,080
delicately

556
00:21:01,110 --> 00:20:59,200
and as gently as they can and my opinion

557
00:21:02,710 --> 00:21:01,120
is that they've decided

558
00:21:06,470 --> 00:21:02,720
the way that they're going to do this is

559
00:21:08,630 --> 00:21:06,480
by kind of reinventing the whole subject

560
00:21:10,310 --> 00:21:08,640
so they're talking about uap and he's

561
00:21:11,669 --> 00:21:10,320
going under this pretense oh well we

562
00:21:13,669 --> 00:21:11,679
don't know what they are

563
00:21:14,789 --> 00:21:13,679

of course he knows what they are

564

00:21:20,230 --> 00:21:14,799

but

565

00:21:22,070 --> 00:21:20,240

with even members of congress who i mean

566

00:21:23,830 --> 00:21:22,080

most of them are so far in the dark they

567

00:21:25,350 --> 00:21:23,840

have no clue

568

00:21:27,110 --> 00:21:25,360

about any of this

569

00:21:28,870 --> 00:21:27,120

right they're just they're like a

570

00:21:30,870 --> 00:21:28,880

kindergarten level

571

00:21:34,070 --> 00:21:30,880

and most of the

572

00:21:35,430 --> 00:21:34,080

uh educated so-called educated

573

00:21:37,270 --> 00:21:35,440

world of ours

574

00:21:39,510 --> 00:21:37,280

i'm talking about academia for sure

575

00:21:40,950 --> 00:21:39,520

which is a very rigid structure and

576

00:21:43,750 --> 00:21:40,960

certainly the media

577

00:21:45,750 --> 00:21:43,760

there at kindergarten level or less

578

00:21:48,950 --> 00:21:45,760

so for for someone like elizondo who

579

00:21:50,789 --> 00:21:48,960

clearly knows a lot in my view

580

00:21:53,430 --> 00:21:50,799

he's

581

00:21:55,270 --> 00:21:53,440

if you know if you can imagine being in

582

00:21:56,149 --> 00:21:55,280

his position how do you go about doing

583

00:21:59,510 --> 00:21:56,159

this

584

00:22:02,070 --> 00:21:59,520

you've got a really slow things down

585

00:22:04,710 --> 00:22:02,080

for the mainstream and make this as

586

00:22:06,310 --> 00:22:04,720

non-dangerous as possible so no talk

587

00:22:08,149 --> 00:22:06,320

about cover-up

588

00:22:11,029 --> 00:22:08,159

god forbid and they don't they don't get

589

00:22:13,029 --> 00:22:11,039

into cover-up at all they're like why

590

00:22:14,630 --> 00:22:13,039

are they ignoring this subject

591

00:22:16,390 --> 00:22:14,640

elizondo's like all i hear is the sound

592

00:22:17,510 --> 00:22:16,400

of crickets well

593

00:22:20,950 --> 00:22:17,520

yeah

594

00:22:22,470 --> 00:22:20,960

but there's also people above you who

595

00:22:24,390 --> 00:22:22,480

they're not that's not the sound of

596

00:22:25,830 --> 00:22:24,400

qrikets there they're actually very well

597

00:22:28,310 --> 00:22:25,840

keyed in on this and

598

00:22:30,549 --> 00:22:28,320

he clearly knows this but

599

00:22:32,310 --> 00:22:30,559

they have to have this pretense so

600

00:22:34,789 --> 00:22:32,320

that's my interpretation what do you

601
00:22:36,070 --> 00:22:34,799
think uh well

602
00:22:44,870 --> 00:22:36,080
i

603
00:22:47,590 --> 00:22:44,880
the more talk

604
00:22:49,990 --> 00:22:47,600
the more that the world is exposed to

605
00:22:53,350 --> 00:22:50,000
this conversation and questions get

606
00:22:56,549 --> 00:22:53,360
asked i'm very appreciative of that

607
00:22:59,669 --> 00:22:56,559
very appreciative what i don't believe

608
00:23:01,190 --> 00:22:59,679
this is this is when we talk about facts

609
00:23:03,830 --> 00:23:01,200
is that uh

610
00:23:06,470 --> 00:23:03,840
the ufo question is not going to be

611
00:23:09,029 --> 00:23:06,480
revealed on the history channel any more

612
00:23:12,070 --> 00:23:09,039
than bigfoot is it's it's it's not going

613
00:23:15,990 --> 00:23:12,080

to play out that way and for

614

00:23:18,310 --> 00:23:16,000

them to pull on the heartstrings of

615

00:23:20,310 --> 00:23:18,320

those out there that want these answers

616

00:23:22,149 --> 00:23:20,320

and that it's going to come in a six

617

00:23:23,909 --> 00:23:22,159

part episode on history channel and

618

00:23:26,390 --> 00:23:23,919

we're going to show you ever

619

00:23:28,789 --> 00:23:26,400

that that i think is wrong but

620

00:23:30,870 --> 00:23:28,799

i'm glad that the show was airing

621

00:23:33,510 --> 00:23:30,880

because people will be talking about it

622

00:23:34,789 --> 00:23:33,520

but we all know the ending of the show

623

00:23:35,909 --> 00:23:34,799

well it's all

624

00:23:37,990 --> 00:23:35,919

well i don't know how far they're going

625

00:23:39,350 --> 00:23:38,000

to go with it i know nothing about the

626

00:23:41,110 --> 00:23:39,360

production of this i mean i've heard

627

00:23:43,190 --> 00:23:41,120

about it like you but i don't know

628

00:23:46,149 --> 00:23:43,200

anything inside

629

00:23:48,310 --> 00:23:46,159

um and it's tv and you know we've both

630

00:23:50,310 --> 00:23:48,320

been involved in tv and and it's very

631

00:23:51,990 --> 00:23:50,320

obvious it's only so far that any tv

632

00:23:53,510 --> 00:23:52,000

production is going to go

633

00:23:54,870 --> 00:23:53,520

they're very limited

634

00:23:56,789 --> 00:23:54,880

having said that what i think is

635

00:23:58,549 --> 00:23:56,799

happening is

636

00:24:00,390 --> 00:23:58,559

we're seeing

637

00:24:01,190 --> 00:24:00,400

i mean think about how much we have seen

638

00:24:05,510 --> 00:24:01,200

since

639

00:24:08,470 --> 00:24:05,520

new york times and then the washington

640

00:24:10,390 --> 00:24:08,480

post very coordinated by the way all

641

00:24:12,710 --> 00:24:10,400

right we're supposedly looking at an

642

00:24:14,549 --> 00:24:12,720

independent media but obviously

643

00:24:16,789 --> 00:24:14,559

this is not very independent it's very

644

00:24:18,470 --> 00:24:16,799

coordinated they all work together to do

645

00:24:19,830 --> 00:24:18,480

their ufo coverage

646

00:24:22,710 --> 00:24:19,840

and it was

647

00:24:24,230 --> 00:24:22,720

that really was a sea change

648

00:24:26,630 --> 00:24:24,240

in our culture

649

00:24:27,669 --> 00:24:26,640

the further ahead now we go and we look

650

00:24:29,430 --> 00:24:27,679

back

651
00:24:34,310 --> 00:24:29,440
i think we can see

652
00:24:36,549 --> 00:24:34,320
december 16 2017 as a truly major event

653
00:24:38,630 --> 00:24:36,559
and in the sense that

654
00:24:40,310 --> 00:24:38,640
you have the ultimate voice of the

655
00:24:42,390 --> 00:24:40,320
establishment that is the new york times

656
00:24:43,909 --> 00:24:42,400
and and the wapo i suppose

657
00:24:48,230 --> 00:24:43,919
both

658
00:24:50,310 --> 00:24:48,240
stating uh that the ufo subject

659
00:24:51,590 --> 00:24:50,320
has been taken seriously by our pentagon

660
00:24:52,950 --> 00:24:51,600
that's huge

661
00:24:55,830 --> 00:24:52,960
you know the new york both of those have

662
00:24:57,590 --> 00:24:55,840
been so snarky and so uh dishonest about

663
00:25:00,230 --> 00:24:57,600

ufos for so long and then they come out

664

00:25:02,710 --> 00:25:00,240

with this so something changed well

665

00:25:05,110 --> 00:25:02,720

let's pick up let's let's let's get to a

666

00:25:06,390 --> 00:25:05,120

break and we will pick up right where we

667

00:25:08,710 --> 00:25:06,400

are leaving off right now our guest

668

00:25:09,909 --> 00:25:08,720

tonight richard dolan we're talking

669

00:25:11,830 --> 00:25:09,919

about everything that's going on right

670

00:25:15,430 --> 00:25:11,840

now in the news we're gonna get to the

671

00:25:17,029 --> 00:25:15,440

u.s navy allegedly adopting reporting

672

00:25:20,149 --> 00:25:17,039

procedures for

673

00:25:21,669 --> 00:25:20,159

ufos now established as uaps we'll be

674

00:25:23,990 --> 00:25:21,679

right back after this short break more

675

00:25:25,830 --> 00:25:24,000

with richard dolan after this stay with

676

00:25:28,710 --> 00:25:25,840

us

677

00:25:30,630 --> 00:25:28,720

you're listening to a preview of fade to

678

00:25:32,950 --> 00:25:30,640

black to get the full episode go to

679

00:25:35,750 --> 00:25:32,960

jimmychurchradio.com

680

00:25:38,470 --> 00:25:35,760

and get our podcast click on the podcast

681

00:25:41,590 --> 00:25:38,480

banner or sign up in the membership area

682

00:25:43,010 --> 00:25:41,600

for downloadable mp3s everything

683

00:25:44,630 --> 00:25:43,020

commercial free

684

00:25:46,149 --> 00:25:44,640

[Music]

685

00:25:47,830 --> 00:25:46,159

welcome back fade to black i'm yours to

686

00:25:49,350 --> 00:25:47,840

be church our guest tonight richard

687

00:25:50,870 --> 00:25:49,360

bleepin dolan

688

00:25:52,630 --> 00:25:50,880

now

689

00:25:54,870 --> 00:25:52,640

we're gonna pick up right where we left

690

00:25:57,750 --> 00:25:54,880

off and i know what went on during the

691

00:25:59,110 --> 00:25:57,760

break richard was thinking and he wants

692

00:26:00,549 --> 00:25:59,120

to come back after the break and go

693

00:26:02,710 --> 00:26:00,559

jimmy i was thinking during the break

694

00:26:04,710 --> 00:26:02,720

let me let me get this thought in but

695

00:26:05,750 --> 00:26:04,720

before i let you get that thought in

696

00:26:07,750 --> 00:26:05,760

richard

697

00:26:10,230 --> 00:26:07,760

uh i want to get this thought in because

698

00:26:12,390 --> 00:26:10,240

i was thinking during the break is that

699

00:26:17,029 --> 00:26:12,400

um you made a couple of really good

700

00:26:19,190 --> 00:26:17,039

points about a monolithic monopoly of of

701
00:26:20,950 --> 00:26:19,200
of news and control of the media that

702
00:26:24,230 --> 00:26:20,960
we're dealing with today

703
00:26:27,110 --> 00:26:24,240
absolutely great point and one of the

704
00:26:29,669 --> 00:26:27,120
things that we are also dealing with

705
00:26:30,549 --> 00:26:29,679
when it comes to ufos

706
00:26:34,870 --> 00:26:30,559
now

707
00:26:36,310 --> 00:26:34,880
is that we are only getting one side of

708
00:26:40,870 --> 00:26:36,320
this story

709
00:26:43,430 --> 00:26:40,880
from ttsa in their pr firm to the media

710
00:26:45,830 --> 00:26:43,440
all of the news releases that have come

711
00:26:46,950 --> 00:26:45,840
out on those top google searches that i

712
00:26:48,470 --> 00:26:46,960
just did

713
00:26:52,870 --> 00:26:48,480

each one of those

714

00:26:54,950 --> 00:26:52,880

was a ttsa thing and elizondo and just

715

00:26:56,789 --> 00:26:54,960

like the united states navy's press

716

00:26:59,350 --> 00:26:56,799

release this week

717

00:27:02,230 --> 00:26:59,360

you get to the core of the article you

718

00:27:04,830 --> 00:27:02,240

get to the bottom and it's elizondo and

719

00:27:08,630 --> 00:27:04,840

the history channel and chris mellon and

720

00:27:10,710 --> 00:27:08,640

ttsa and there you see where all of this

721

00:27:13,510 --> 00:27:10,720

information came from

722

00:27:16,789 --> 00:27:13,520

now we are into that danger zone

723

00:27:19,269 --> 00:27:16,799

and when it comes out on politico this

724

00:27:20,630 --> 00:27:19,279

is this really needs to be brought out

725

00:27:22,710 --> 00:27:20,640

and spoken about

726
00:27:25,990 --> 00:27:22,720
comes out it's a press release bought

727
00:27:30,630 --> 00:27:26,000
and paid for by tsa it goes to politico

728
00:27:33,430 --> 00:27:30,640
politico guyses it as uh as news and

729
00:27:36,870 --> 00:27:33,440
then cnn picks it up and then fox picks

730
00:27:37,669 --> 00:27:36,880
it up now it goes from a press release

731
00:27:39,990 --> 00:27:37,679
to

732
00:27:41,990 --> 00:27:40,000
news and fact base

733
00:27:44,470 --> 00:27:42,000
that is a danger zone

734
00:27:45,350 --> 00:27:44,480
that's exactly right i think you've

735
00:27:48,710 --> 00:27:45,360
um

736
00:27:51,669 --> 00:27:48,720
so what we're seeing is tsa

737
00:27:54,389 --> 00:27:51,679
has clearly developed

738
00:27:56,630 --> 00:27:54,399

uh close enough relationships with the

739

00:27:59,830 --> 00:27:56,640

in crowd that is the major media or

740

00:28:01,830 --> 00:27:59,840

their pr firm has taken advantage of

741

00:28:03,590 --> 00:28:01,840

these said relationships that have been

742

00:28:05,590 --> 00:28:03,600

built

743

00:28:07,590 --> 00:28:05,600

right exactly i mean a lot of it is is

744

00:28:09,510 --> 00:28:07,600

the uh i'm sure the old boys network i

745

00:28:10,389 --> 00:28:09,520

mean these are these are well connected

746

00:28:12,149 --> 00:28:10,399

people

747

00:28:14,950 --> 00:28:12,159

some of them are very well connected and

748

00:28:17,110 --> 00:28:14,960

i think they had media connections to

749

00:28:19,269 --> 00:28:17,120

start with so that very much helped

750

00:28:22,310 --> 00:28:19,279

and what they have to say

751

00:28:23,909 --> 00:28:22,320

i think i think they what they are

752

00:28:25,590 --> 00:28:23,919

doing what they're saying you've got

753

00:28:26,950 --> 00:28:25,600

people like um

754

00:28:28,549 --> 00:28:26,960

you know chris mellon you mentioned and

755

00:28:31,510 --> 00:28:28,559

louise elizondo and then there's hal put

756

00:28:32,230 --> 00:28:31,520

off who i consider extremely important

757

00:28:33,830 --> 00:28:32,240

uh

758

00:28:37,350 --> 00:28:33,840

what they

759

00:28:40,310 --> 00:28:37,360

are doing i i think is clear is a has

760

00:28:42,389 --> 00:28:40,320

been approved by someone important or

761

00:28:44,389 --> 00:28:42,399

some group that's important

762

00:28:45,269 --> 00:28:44,399

so they're allowed to get that message

763

00:28:48,070 --> 00:28:45,279

out

764

00:28:49,990 --> 00:28:48,080

and they are dominating

765

00:28:52,149 --> 00:28:50,000

all of the mainstream

766

00:28:53,830 --> 00:28:52,159

narratives on ufos there's no question i

767

00:28:56,630 --> 00:28:53,840

think you nailed it

768

00:29:00,070 --> 00:28:56,640

it's a it's a danger zone and for those

769

00:29:03,269 --> 00:29:00,080

that uh in the community that

770

00:29:05,029 --> 00:29:03,279

are emotionally involved with this

771

00:29:07,029 --> 00:29:05,039

subject it's why they are here they've

772

00:29:09,830 --> 00:29:07,039

had a sighting they've had dreams

773

00:29:13,510 --> 00:29:09,840

contact whatever it is that draws them

774

00:29:16,950 --> 00:29:13,520

into this quest for answers right

775

00:29:20,389 --> 00:29:16,960

they want something and then this comes

776

00:29:22,070 --> 00:29:20,399

out uh as a press release and and it

777

00:29:24,549 --> 00:29:22,080

turns into news

778

00:29:26,789 --> 00:29:24,559

and then it's pulling on their emotions

779

00:29:27,909 --> 00:29:26,799

when they don't have

780

00:29:30,710 --> 00:29:27,919

uh

781

00:29:32,070 --> 00:29:30,720

necessarily the the time or whatever to

782

00:29:33,269 --> 00:29:32,080

read through the whole article and

783

00:29:35,510 --> 00:29:33,279

actually see

784

00:29:37,510 --> 00:29:35,520

really what is going on with it they

785

00:29:40,149 --> 00:29:37,520

only read the top couple of paragraphs

786

00:29:43,430 --> 00:29:40,159

holy crap the united states navy is is

787

00:29:45,029 --> 00:29:43,440

uh uh now it's got ufo

788

00:29:47,029 --> 00:29:45,039

reporting protocols and they're talking

789

00:29:48,710 --> 00:29:47,039

to their pilots about this but when that

790

00:29:51,430 --> 00:29:48,720

is not the case

791

00:29:54,549 --> 00:29:51,440

the only real news in that article if

792

00:29:55,590 --> 00:29:54,559

you really if one reads it carefully um

793

00:29:57,750 --> 00:29:55,600

because we don't even know what the

794

00:29:59,750 --> 00:29:57,760

guidelines are that's right it's not

795

00:30:02,070 --> 00:29:59,760

releasing them but there was some

796

00:30:05,190 --> 00:30:02,080

genuine news in that article and

797

00:30:06,310 --> 00:30:05,200

which is that the navy acknowledged that

798

00:30:08,789 --> 00:30:06,320

they

799

00:30:10,549 --> 00:30:08,799

have been briefing

800

00:30:12,389 --> 00:30:10,559

uh members of congress and their

801
00:30:14,950 --> 00:30:12,399
staffers

802
00:30:17,190 --> 00:30:14,960
on ufos and this has

803
00:30:19,430 --> 00:30:17,200
no not on ufos

804
00:30:20,830 --> 00:30:19,440
not on ufos they've been briefing them

805
00:30:23,909 --> 00:30:20,840
on

806
00:30:25,830 --> 00:30:23,919
something now see this is the thing when

807
00:30:31,190 --> 00:30:25,840
we're when they're when they're talking

808
00:30:37,029 --> 00:30:33,350
what are we actually talking about here

809
00:30:40,630 --> 00:30:37,039
is it is it chinese and russian uh drone

810
00:30:43,750 --> 00:30:40,640
technologies spying on on our military

811
00:30:46,870 --> 00:30:43,760
maneuvers is it is it hypersonic

812
00:30:47,990 --> 00:30:46,880
aircraft and missile systems what is it

813
00:30:51,269 --> 00:30:48,000

that

814

00:30:52,470 --> 00:30:51,279

truly is is the core of the matter here

815

00:30:53,269 --> 00:30:52,480

or

816

00:30:55,350 --> 00:30:53,279

if

817

00:30:58,549 --> 00:30:55,360

the navy is talking to members of

818

00:31:01,430 --> 00:30:58,559

congress about et being here on this

819

00:31:03,350 --> 00:31:01,440

planet that's a whole nother situation

820

00:31:05,669 --> 00:31:03,360

which is a big deal

821

00:31:07,029 --> 00:31:05,679

i haven't been privy to any of this

822

00:31:07,750 --> 00:31:07,039

information

823

00:31:09,590 --> 00:31:07,760

so

824

00:31:11,750 --> 00:31:09,600

take it for what it's worth right i'm

825

00:31:12,870 --> 00:31:11,760

going to give you my strong opinion on

826

00:31:14,470 --> 00:31:12,880

this

827

00:31:16,070 --> 00:31:14,480

which is that they're not telling

828

00:31:17,190 --> 00:31:16,080

congress that e.t is here no they're not

829

00:31:20,230 --> 00:31:17,200

doing that

830

00:31:21,510 --> 00:31:20,240

but i i do think that in addition to

831

00:31:23,269 --> 00:31:21,520

talking about

832

00:31:25,110 --> 00:31:23,279

whatever threats from

833

00:31:25,990 --> 00:31:25,120

other national drones russia china

834

00:31:28,710 --> 00:31:26,000

whatever

835

00:31:31,350 --> 00:31:28,720

i'm sure that's in the mix

836

00:31:33,990 --> 00:31:31,360

but look tsa

837

00:31:36,070 --> 00:31:34,000

has always been about

838

00:31:37,509 --> 00:31:36,080

the genuine ufo phenomenon they don't

839

00:31:38,430 --> 00:31:37,519

use that phrase

840

00:31:41,190 --> 00:31:38,440

but they

841

00:31:44,710 --> 00:31:41,200

absolutely that's what they're about

842

00:31:46,630 --> 00:31:44,720

and when the navy is talking about this

843

00:31:48,549 --> 00:31:46,640

uh this statement i've i'm looking at

844

00:31:50,310 --> 00:31:48,559

the exact statement that the navy gave

845

00:31:51,590 --> 00:31:50,320

to politico

846

00:31:53,669 --> 00:31:51,600

which by the way i think you're exactly

847

00:31:56,070 --> 00:31:53,679

right politico really did very little on

848

00:31:57,430 --> 00:31:56,080

this except that act as an in between a

849

00:32:00,389 --> 00:31:57,440

go-between i don't know how much genuine

850

00:32:03,029 --> 00:32:00,399

journalism they ever really do anyway

851
00:32:05,990 --> 00:32:03,039
but the navy's exact statement was in

852
00:32:08,149 --> 00:32:06,000
response to requests for information

853
00:32:10,870 --> 00:32:08,159
from congressional members and staff

854
00:32:12,070 --> 00:32:10,880
navy officials have provided a series of

855
00:32:14,549 --> 00:32:12,080
briefings

856
00:32:16,710 --> 00:32:14,559
by senior naval intelligence officials

857
00:32:21,509 --> 00:32:16,720
as well as aviators

858
00:32:23,190 --> 00:32:21,519
who reported hazards to aviation safety

859
00:32:24,630 --> 00:32:23,200
i i was earlier today i was calling that

860
00:32:26,950 --> 00:32:24,640
weasel wording

861
00:32:29,110 --> 00:32:26,960
they didn't really but

862
00:32:30,789 --> 00:32:29,120
but it's also i think

863
00:32:33,110 --> 00:32:30,799

one should be able to read between the

864

00:32:34,870 --> 00:32:33,120

lines of a lot of the stuff it

865

00:32:37,669 --> 00:32:34,880

seems to me that they are having these

866

00:32:39,909 --> 00:32:37,679

conversations on uap ufo whatever you

867

00:32:42,389 --> 00:32:39,919

want to call them

868

00:32:44,310 --> 00:32:42,399

um there does seem to be

869

00:32:45,909 --> 00:32:44,320

some level of interest in

870

00:32:47,430 --> 00:32:45,919

at least among some members of congress

871

00:32:48,549 --> 00:32:47,440

about this

872

00:32:50,389 --> 00:32:48,559

and

873

00:32:53,029 --> 00:32:50,399

where it goes i think it's a positive

874

00:32:54,830 --> 00:32:53,039

thing to a certain extent like my

875

00:32:57,750 --> 00:32:54,840

opinion of these

876

00:32:58,789 --> 00:32:57,760

individuals in tsa is

877

00:33:01,750 --> 00:32:58,799

i

878

00:33:04,230 --> 00:33:01,760

they're not honorable

879

00:33:05,509 --> 00:33:04,240

and actually not genuinely interested in

880

00:33:07,830 --> 00:33:05,519

some

881

00:33:09,430 --> 00:33:07,840

moving it forward with disclosure

882

00:33:11,830 --> 00:33:09,440

but they're also

883

00:33:13,350 --> 00:33:11,840

people with their own agendas

884

00:33:18,630 --> 00:33:13,360

and

885

00:33:20,230 --> 00:33:18,640

say it's real they're here people

886

00:33:22,230 --> 00:33:20,240

they're not gonna do that

887

00:33:23,350 --> 00:33:22,240

so they're going to do this in the way

888

00:33:25,990 --> 00:33:23,360

that

889

00:33:27,509 --> 00:33:26,000

is responsible for them to do

890

00:33:29,190 --> 00:33:27,519

so they don't get their you know their

891

00:33:30,950 --> 00:33:29,200

head handed to them by the media by the

892

00:33:32,870 --> 00:33:30,960

press but i think they're probably

893

00:33:35,190 --> 00:33:32,880

allowed to do but they're allowed to do

894

00:33:36,230 --> 00:33:35,200

i think the press is

895

00:33:37,990 --> 00:33:36,240

waiting

896

00:33:40,870 --> 00:33:38,000

it would be the biggest headline ever

897

00:33:42,870 --> 00:33:40,880

just like when when uh

898

00:33:46,149 --> 00:33:42,880

uh the new york times ran with that

899

00:33:49,190 --> 00:33:46,159

story and it blew up like it did because

900

00:33:50,389 --> 00:33:49,200

people want to know this news is great i

901
00:33:52,310 --> 00:33:50,399
don't think the new york times is ever

902
00:33:54,310 --> 00:33:52,320
interested in genuine journalism there

903
00:33:57,430 --> 00:33:54,320
ever wow and you know they've done no

904
00:33:59,990 --> 00:33:57,440
follow-up but okay

905
00:34:01,269 --> 00:34:00,000
no follow-up well maybe i said it wrong

906
00:34:05,750 --> 00:34:01,279
um

907
00:34:09,430 --> 00:34:05,760
cnn fox bbc sky news rt

908
00:34:12,629 --> 00:34:09,440
washington post new york times l.a times

909
00:34:15,030 --> 00:34:12,639
london time every news organization in

910
00:34:16,470 --> 00:34:15,040
the world jumped on that story because

911
00:34:17,669 --> 00:34:16,480
they needed they

912
00:34:20,310 --> 00:34:17,679
and when

913
00:34:22,389 --> 00:34:20,320

when the time comes that that headline

914

00:34:24,629 --> 00:34:22,399

is et is here

915

00:34:27,349 --> 00:34:24,639

they will all jump on it and they will

916

00:34:29,190 --> 00:34:27,359

all report it just like they did

917

00:34:30,230 --> 00:34:29,200

that's true they'll do that but they're

918

00:34:31,669 --> 00:34:30,240

not

919

00:34:34,470 --> 00:34:31,679

like the new york times could have done

920

00:34:36,869 --> 00:34:34,480

that 50 years ago yes they could have

921

00:34:39,109 --> 00:34:36,879

all right and they didn't do it and they

922

00:34:40,230 --> 00:34:39,119

could do it today and they didn't do it

923

00:34:42,310 --> 00:34:40,240

today and they could do it tomorrow and

924

00:34:44,310 --> 00:34:42,320

they won't do it tomorrow so

925

00:34:45,430 --> 00:34:44,320

you know they they don't go there for a

926
00:34:46,950 --> 00:34:45,440
reason

927
00:34:50,470 --> 00:34:46,960
we have

928
00:34:52,069 --> 00:34:50,480
um you mentioned rt in that mix of uh

929
00:34:54,790 --> 00:34:52,079
predominantly western news that was

930
00:34:57,589 --> 00:34:54,800
interesting but the whole western news

931
00:34:59,270 --> 00:34:57,599
we'll look at them for the moment is

932
00:35:00,630 --> 00:34:59,280
utterly

933
00:35:02,870 --> 00:35:00,640
subservient

934
00:35:05,109 --> 00:35:02,880
to national security interests and

935
00:35:06,630 --> 00:35:05,119
financial interests of those of western

936
00:35:08,310 --> 00:35:06,640
society

937
00:35:10,550 --> 00:35:08,320
and um

938
00:35:12,310 --> 00:35:10,560

so we could we had our rt conversation

939

00:35:14,550 --> 00:35:12,320

the last time i was on i believe yeah we

940

00:35:15,829 --> 00:35:14,560

did we did but um

941

00:35:17,829 --> 00:35:15,839

you know we have we live in a very

942

00:35:20,069 --> 00:35:17,839

controlled media world it's very

943

00:35:23,030 --> 00:35:20,079

controlled so

944

00:35:26,069 --> 00:35:23,040

the fact i mean i i agree like the the

945

00:35:27,990 --> 00:35:26,079

people at tsa

946

00:35:30,950 --> 00:35:28,000

they have their role

947

00:35:31,829 --> 00:35:30,960

to play in my in my opinion but theirs

948

00:35:33,670 --> 00:35:31,839

is not

949

00:35:35,510 --> 00:35:33,680

should not be the only role what we

950

00:35:36,470 --> 00:35:35,520

desperately need

951
00:35:40,870 --> 00:35:36,480
is

952
00:35:43,430 --> 00:35:40,880
you know when you do a youtube search

953
00:35:45,750 --> 00:35:43,440
and you get only cnn and fox and msnbc

954
00:35:48,630 --> 00:35:45,760
good god i know there's a problem with

955
00:35:51,910 --> 00:35:48,640
that there's other voices and and let me

956
00:35:53,910 --> 00:35:51,920
uh let me throw this out i can't wait to

957
00:35:56,150 --> 00:35:53,920
hear your answer

958
00:35:59,030 --> 00:35:56,160
without ttsa

959
00:36:02,470 --> 00:35:59,040
in the the uap spin

960
00:36:04,950 --> 00:36:02,480
on the politico article without ttsa

961
00:36:07,510 --> 00:36:04,960
the political article doesn't happen

962
00:36:11,190 --> 00:36:07,520
there is no journalist over a politico

963
00:36:13,990 --> 00:36:11,200

pursuing the subject without ttsa

964

00:36:17,190 --> 00:36:14,000

there is no new york times article all

965

00:36:19,670 --> 00:36:17,200

of the information all of the sources

966

00:36:22,069 --> 00:36:19,680

for those articles all of it not

967

00:36:24,870 --> 00:36:22,079

independent sources outside of the mix

968

00:36:27,510 --> 00:36:24,880

all of those sources are ttsa sources

969

00:36:28,790 --> 00:36:27,520

that's right every single one

970

00:36:31,510 --> 00:36:28,800

and

971

00:36:34,230 --> 00:36:31,520

that's a dangerous complaint about ttsa

972

00:36:36,310 --> 00:36:34,240

but look they did this much

973

00:36:37,349 --> 00:36:36,320

it's a significant thing

974

00:36:38,150 --> 00:36:37,359

now

975

00:36:40,390 --> 00:36:38,160

uh

976

00:36:41,829 --> 00:36:40,400

they haven't gone farther

977

00:36:44,069 --> 00:36:41,839

and i don't know if it's because they

978

00:36:46,550 --> 00:36:44,079

can't or they won't but they haven't

979

00:36:49,030 --> 00:36:46,560

they've gone as far as they've gone

980

00:36:50,870 --> 00:36:49,040

and maybe they'll go farther still but

981

00:36:52,630 --> 00:36:50,880

it's a very careful process like you can

982

00:36:54,470 --> 00:36:52,640

see it's a very

983

00:36:56,390 --> 00:36:54,480

cautious step-by-step process that

984

00:36:59,430 --> 00:36:56,400

they're going through here

985

00:37:00,710 --> 00:36:59,440

don't you think um

986

00:37:03,270 --> 00:37:00,720

i'm going to talk about the united

987

00:37:06,470 --> 00:37:03,280

states navy here uh for a second

988

00:37:09,270 --> 00:37:06,480

that uh and putting the political

989

00:37:10,790 --> 00:37:09,280

article aside or the the tta press

990

00:37:11,750 --> 00:37:10,800

release through

991

00:37:13,990 --> 00:37:11,760

the code

992

00:37:15,190 --> 00:37:14,000

uh put it putting that aside

993

00:37:19,190 --> 00:37:15,200

that

994

00:37:20,150 --> 00:37:19,200

if the united states navy

995

00:37:21,750 --> 00:37:20,160

really

996

00:37:25,109 --> 00:37:21,760

genuinely

997

00:37:29,349 --> 00:37:25,119

i mean like it is being talked about

998

00:37:31,829 --> 00:37:29,359

uh is dealing with a threat from e.t

999

00:37:34,470 --> 00:37:31,839

that it would be done in a different

1000

00:37:36,870 --> 00:37:34,480

manner than the way that it is being

1001

00:37:38,950 --> 00:37:36,880

dealt with right now

1002

00:37:41,430 --> 00:37:38,960

no matter how it is whether it's top

1003

00:37:44,470 --> 00:37:41,440

secret and we don't hear about it or

1004

00:37:46,310 --> 00:37:44,480

it's discussed at congress or whatever

1005

00:37:48,310 --> 00:37:46,320

in a more open manner i don't care but

1006

00:37:51,190 --> 00:37:48,320

it's not through

1007

00:37:54,069 --> 00:37:51,200

a history channel tv show and a press

1008

00:37:56,069 --> 00:37:54,079

release well think of it this way

1009

00:37:57,990 --> 00:37:56,079

um all of this

1010

00:38:00,630 --> 00:37:58,000

you know even the politico article they

1011

00:38:02,310 --> 00:38:00,640

they're referencing the 2004 tic tac

1012

00:38:04,950 --> 00:38:02,320

incident over and over again with the

1013

00:38:06,470 --> 00:38:04,960

nimitz off the coast of california now

1014

00:38:08,790 --> 00:38:06,480

that's a significant event and we've

1015

00:38:11,430 --> 00:38:08,800

it's by now it's a famous ufo event and

1016

00:38:12,710 --> 00:38:11,440

and actually rightly so

1017

00:38:14,550 --> 00:38:12,720

but that's

1018

00:38:20,230 --> 00:38:14,560

15 years ago

1019

00:38:23,109 --> 00:38:21,349

now that the whole rest of the world

1020

00:38:24,870 --> 00:38:23,119

learned about the tic tac incident i

1021

00:38:26,550 --> 00:38:24,880

mean clearly you'd think it would have

1022

00:38:28,069 --> 00:38:26,560

been important enough for them in o4

1023

00:38:29,990 --> 00:38:28,079

when you have an object that's able to

1024

00:38:31,430 --> 00:38:30,000

defeat the highly encrypted naval

1025

00:38:33,829 --> 00:38:31,440

communications

1026

00:38:36,150 --> 00:38:33,839

to arrive at the cap point where that

1027

00:38:38,550 --> 00:38:36,160

the f-18 a super hornets were directed

1028

00:38:40,710 --> 00:38:38,560

to go it was there waiting for them

1029

00:38:42,470 --> 00:38:40,720

only explanation i can see is that it

1030

00:38:44,470 --> 00:38:42,480

was able to break through

1031

00:38:47,270 --> 00:38:44,480

very classified navy encrypted

1032

00:38:49,510 --> 00:38:47,280

communications like if i'm the navy in

1033

00:38:51,670 --> 00:38:49,520

2004 i'm going to think

1034

00:38:53,270 --> 00:38:51,680

we got to have some we got problems yeah

1035

00:38:54,390 --> 00:38:53,280

we deal with it we've got a problem

1036

00:38:56,310 --> 00:38:54,400

people think that they're going to wait

1037

00:38:57,829 --> 00:38:56,320

15 years

1038

00:38:58,950 --> 00:38:57,839

uh after the whole thing comes out in

1039

00:39:01,990 --> 00:38:58,960

the open before they have their

1040

00:39:07,510 --> 00:39:04,950

if if i was if i was in congress if i

1041

00:39:09,270 --> 00:39:07,520

was a senator if i was trump

1042

00:39:12,390 --> 00:39:09,280

and i got news of this

1043

00:39:14,470 --> 00:39:12,400

the first thing i'm doing is bringing

1044

00:39:17,910 --> 00:39:14,480

uh the head of the navy

1045

00:39:21,030 --> 00:39:17,920

uh all of the admirals and rear admirals

1046

00:39:22,310 --> 00:39:21,040

into congress sitting them down going

1047

00:39:24,710 --> 00:39:22,320

what do you mean you're talking about

1048

00:39:25,670 --> 00:39:24,720

this now what have you been doing for 15

1049

00:39:27,750 --> 00:39:25,680

years

1050

00:39:30,069 --> 00:39:27,760

if it's so important now why didn't you

1051

00:39:32,950 --> 00:39:30,079

do something back then

1052

00:39:35,270 --> 00:39:32,960

this is not cool you you are guilty here

1053

00:39:37,589 --> 00:39:35,280

you cannot you cannot say hey we're in

1054

00:39:39,829 --> 00:39:37,599

it you know now it's a big deal but but

1055

00:39:44,069 --> 00:39:39,839

back that you can't you can't stand on

1056

00:39:45,910 --> 00:39:44,079

that we need explanations out of you

1057

00:39:48,310 --> 00:39:45,920

yeah they would but no i'm saying no

1058

00:39:50,950 --> 00:39:48,320

congressman's doing it no senator is

1059

00:39:52,710 --> 00:39:50,960

bringing up the obvious question who's

1060

00:39:53,990 --> 00:39:52,720

running the navy completely broken

1061

00:39:55,349 --> 00:39:54,000

political system

1062

00:39:56,710 --> 00:39:55,359

i mean you're talking about the house

1063

00:39:57,829 --> 00:39:56,720

the senate and the presidency they're

1064

00:39:59,990 --> 00:39:57,839

all broken

1065

00:40:01,430 --> 00:40:00,000

like seriously what could trump possibly

1066

00:40:03,349 --> 00:40:01,440

do at this point

1067

00:40:05,270 --> 00:40:03,359

you know he's got half the congress is

1068

00:40:07,829 --> 00:40:05,280

talking about impeaching him and

1069

00:40:10,470 --> 00:40:07,839

subpoenaing for this or that or whatever

1070

00:40:12,310 --> 00:40:10,480

like he's got his hands tied

1071

00:40:13,990 --> 00:40:12,320

right whether you like him or don't like

1072

00:40:15,510 --> 00:40:14,000

him it's very obvious this guy's totally

1073

00:40:16,950 --> 00:40:15,520

been kneecapped

1074

00:40:19,270 --> 00:40:16,960

he's not going to be able to do a whole

1075

00:40:21,910 --> 00:40:19,280

lot what about that what about inside of

1076

00:40:24,470 --> 00:40:21,920

the military itself i'm a military brat

1077

00:40:26,950 --> 00:40:24,480

okay and i know

1078

00:40:29,270 --> 00:40:26,960

how it is there you take orders and you

1079

00:40:31,990 --> 00:40:29,280

do your job right and that's it that's

1080

00:40:34,150 --> 00:40:32,000

that's that's the military well

1081

00:40:37,510 --> 00:40:34,160

if something like this went down i could

1082

00:40:39,349 --> 00:40:37,520

only imagine the first thing happening

1083

00:40:41,670 --> 00:40:39,359

is the phone call to the captain of the

1084

00:40:43,670 --> 00:40:41,680

nimitz in that battle group

1085

00:40:46,150 --> 00:40:43,680

right and and and getting some

1086

00:40:48,150 --> 00:40:46,160

explanations going on that this was just

1087

00:40:49,510 --> 00:40:48,160

you know washed under the table for 15

1088

00:40:51,829 --> 00:40:49,520

years and we've got these kind of

1089

00:40:53,510 --> 00:40:51,839

threats flying around and we're just now

1090

00:40:55,270 --> 00:40:53,520

hearing about new protocols being

1091

00:40:56,790 --> 00:40:55,280

written up where are the official

1092

00:40:59,190 --> 00:40:56,800

reports that were written back then we

1093

00:41:01,270 --> 00:40:59,200

want to know exactly what happened

1094

00:41:02,950 --> 00:41:01,280

basically i think it's very obvious that

1095

00:41:05,270 --> 00:41:02,960

the classified

1096

00:41:07,349 --> 00:41:05,280

world that's military and non-military

1097

00:41:09,910 --> 00:41:07,359

classified world has been dealing with

1098

00:41:11,750 --> 00:41:09,920

this just fine all these years

1099

00:41:15,910 --> 00:41:11,760

and so you know the stuff that the navy

1100

00:41:17,589 --> 00:41:15,920

is giving to politicians via tsa

1101

00:41:19,750 --> 00:41:17,599

uh is that anything more than just

1102

00:41:20,390 --> 00:41:19,760

public relations i mean i wouldn't think

1103

00:41:22,230 --> 00:41:20,400

so

1104

00:41:23,430 --> 00:41:22,240

i i would have to assume that the

1105

00:41:25,190 --> 00:41:23,440

genuine

1106

00:41:27,670 --> 00:41:25,200

reporting mechanisms

1107

00:41:28,950 --> 00:41:27,680

look we had janup 146 series of

1108

00:41:30,710 --> 00:41:28,960

guidelines that were in place back in

1109

00:41:32,470 --> 00:41:30,720

the 1950s for goodness sake like we've

1110

00:41:35,109 --> 00:41:32,480

always had

1111

00:41:36,550 --> 00:41:35,119

very very particular protocols

1112

00:41:39,510 --> 00:41:36,560

in place

1113

00:41:41,190 --> 00:41:39,520

to deal with the ufo phenomenon that's

1114

00:41:43,430 --> 00:41:41,200

always been the case

1115

00:41:44,550 --> 00:41:43,440

so it's not like

1116

00:41:46,790 --> 00:41:44,560

uh

1117

00:41:49,030 --> 00:41:46,800

you know oh golly what are these things

1118

00:41:51,510 --> 00:41:49,040

flying at mach 3. we have no idea well

1119

00:41:53,349 --> 00:41:51,520

let's just forget about it which is what

1120

00:41:55,750 --> 00:41:53,359

uh chris mellon actually said in that

1121

00:41:57,750 --> 00:41:55,760

politico article that it goes into

1122

00:42:00,150 --> 00:41:57,760

basically a junk drawer junk file

1123

00:42:02,150 --> 00:42:00,160

because there's no place for it and i

1124

00:42:04,870 --> 00:42:02,160

would seriously doubt that the us

1125

00:42:05,990 --> 00:42:04,880

military's got a budget of over 700

1126
00:42:08,950 --> 00:42:06,000
billion

1127
00:42:10,230 --> 00:42:08,960
dollars it is the largest military by

1128
00:42:12,309 --> 00:42:10,240
far in the world

1129
00:42:13,589 --> 00:42:12,319
it's charged with defending national

1130
00:42:16,150 --> 00:42:13,599
security

1131
00:42:18,230 --> 00:42:16,160
and you can't tell me credibly that

1132
00:42:20,309 --> 00:42:18,240
there's no place

1133
00:42:22,790 --> 00:42:20,319
in that massive

1134
00:42:23,750 --> 00:42:22,800
amount of uh spending and

1135
00:42:25,750 --> 00:42:23,760
that

1136
00:42:28,390 --> 00:42:25,760
labyrinthian structure

1137
00:42:30,309 --> 00:42:28,400
that there is not a program that is

1138
00:42:33,510 --> 00:42:30,319

dealing with this but it is highly

1139

00:42:35,349 --> 00:42:33,520

classified because this is the most

1140

00:42:36,550 --> 00:42:35,359

classified secret

1141

00:42:38,550 --> 00:42:36,560

by far

1142

00:42:39,990 --> 00:42:38,560

this is a bigger secret probably than

1143

00:42:42,470 --> 00:42:40,000

even 911

1144

00:42:44,790 --> 00:42:42,480

and that's big sorry i just went there

1145

00:42:47,430 --> 00:42:44,800

yes but with ufos

1146

00:42:50,950 --> 00:42:47,440

uh i think nothing is is bigger

1147

00:42:53,030 --> 00:42:50,960

and and so for that reason it has to

1148

00:42:54,950 --> 00:42:53,040

it has to have

1149

00:42:57,910 --> 00:42:54,960

you know secret or more secret than

1150

00:42:59,109 --> 00:42:57,920

secret allows and so it's very very very

1151

00:43:01,109 --> 00:42:59,119

strict

1152

00:43:02,630 --> 00:43:01,119

so i don't know

1153

00:43:04,950 --> 00:43:02,640

secret levels but it's clearly way

1154

00:43:08,790 --> 00:43:04,960

beyond anything that we're hearing this

1155

00:43:11,750 --> 00:43:08,800

uh article uh that uh references these

1156

00:43:14,630 --> 00:43:11,760

new reporting protocols for the united

1157

00:43:18,150 --> 00:43:14,640

states navy about ufos and uaps okay

1158

00:43:20,470 --> 00:43:18,160

that is the slant that's the spin

1159

00:43:24,710 --> 00:43:20,480

that the article has on it the navy

1160

00:43:27,190 --> 00:43:24,720

didn't say ufos or uaps um in in their

1161

00:43:30,069 --> 00:43:27,200

press release it is politico

1162

00:43:31,670 --> 00:43:30,079

and elizondo and mellon in this press

1163

00:43:33,430 --> 00:43:31,680

release that said

1164

00:43:36,950 --> 00:43:33,440

right okay

1165

00:43:38,710 --> 00:43:36,960

do you think that these new protocols

1166

00:43:41,349 --> 00:43:38,720

even if they do exist but i'm talking

1167

00:43:43,430 --> 00:43:41,359

about if they do exist the new ones

1168

00:43:45,829 --> 00:43:43,440

right that they actually

1169

00:43:50,309 --> 00:43:45,839

are are focused on

1170

00:43:52,150 --> 00:43:50,319

ufos and uaps or it's in a generality

1171

00:43:55,190 --> 00:43:52,160

and it's just if you see anything

1172

00:43:58,390 --> 00:43:55,200

suspicious at all i think it's possible

1173

00:44:01,190 --> 00:43:58,400

that it's genuinely ufo uap oriented uh

1174

00:44:04,870 --> 00:44:01,200

it could be like a reboot of blue book

1175

00:44:09,349 --> 00:44:06,230

you know it would be

1176

00:44:12,470 --> 00:44:09,359

rebooting project blue book would be

1177

00:44:15,910 --> 00:44:12,480

in a sense a step up tort believe it or

1178

00:44:18,069 --> 00:44:15,920

not i i could argue toward disclosure

1179

00:44:20,950 --> 00:44:18,079

uh in the sense that you once again like

1180

00:44:23,750 --> 00:44:20,960

we did in the 50s have an official

1181

00:44:25,349 --> 00:44:23,760

body within the government

1182

00:44:27,430 --> 00:44:25,359

charged officially with looking into

1183

00:44:31,109 --> 00:44:27,440

this so

1184

00:44:33,349 --> 00:44:31,119

um i think that we're moving toward this

1185

00:44:35,750 --> 00:44:33,359

openness it is relative openness for one

1186

00:44:38,069 --> 00:44:35,760

reason and one reason only which is that

1187

00:44:40,630 --> 00:44:38,079

i think it's obvious

1188

00:44:43,349 --> 00:44:40,640

that this is a secret that is not going

1189

00:44:45,510 --> 00:44:43,359

to stay buried forever like where where

1190

00:44:47,910 --> 00:44:45,520

disclosure has an expiration date and i

1191

00:44:49,910 --> 00:44:47,920

think we are moving toward it

1192

00:44:51,910 --> 00:44:49,920

and it's nothing to do with the desires

1193

00:44:53,510 --> 00:44:51,920

of the political hierarchy if they had

1194

00:44:55,270 --> 00:44:53,520

their way this would go for another 50

1195

00:44:56,309 --> 00:44:55,280

or 500 years

1196

00:44:57,829 --> 00:44:56,319

but

1197

00:45:00,069 --> 00:44:57,839

they don't have full control over the

1198

00:45:01,750 --> 00:45:00,079

situation our world is in a state of

1199

00:45:03,270 --> 00:45:01,760

great flux

1200

00:45:05,030 --> 00:45:03,280

and yes

1201

00:45:06,870 --> 00:45:05,040

there are powers

1202

00:45:09,030 --> 00:45:06,880

at that be right now that are doing

1203

00:45:10,870 --> 00:45:09,040

everything possible to double down on

1204

00:45:13,030 --> 00:45:10,880

their control over the whole system so

1205

00:45:14,950 --> 00:45:13,040

youtube google facebook the whole thing

1206

00:45:16,230 --> 00:45:14,960

i mean facebook just banned we talked

1207

00:45:17,589 --> 00:45:16,240

about that whole bunch of other people

1208

00:45:18,950 --> 00:45:17,599

today

1209

00:45:21,030 --> 00:45:18,960

um

1210

00:45:21,990 --> 00:45:21,040

it's becoming incredible

1211

00:45:24,390 --> 00:45:22,000

so

1212

00:45:26,470 --> 00:45:24,400

but without with the other side of it is

1213

00:45:28,230 --> 00:45:26,480

that there are still

1214

00:45:30,390 --> 00:45:28,240

lots of people out there with a lot of

1215

00:45:32,870 --> 00:45:30,400

ability to communicate

1216

00:45:34,390 --> 00:45:32,880

you know ty try as you might you can't

1217

00:45:36,870 --> 00:45:34,400

completely

1218

00:45:39,270 --> 00:45:36,880

nail down the the internet

1219

00:45:41,349 --> 00:45:39,280

and so for that reason i think it's seen

1220

00:45:45,190 --> 00:45:41,359

as an inevitability

1221

00:45:46,870 --> 00:45:45,200

that the ufo secret is going to come out

1222

00:45:48,790 --> 00:45:46,880

so the only question is

1223

00:45:51,349 --> 00:45:48,800

how will it come out under what

1224

00:45:53,670 --> 00:45:51,359

conditions so we're seeing

1225

00:45:55,270 --> 00:45:53,680

a very very dramatic

1226

00:45:58,150 --> 00:45:55,280

shift

1227

00:46:00,150 --> 00:45:58,160

in how ufos are being portrayed

1228

00:46:01,829 --> 00:46:00,160

so it's not as a big joke as it was in

1229

00:46:03,349 --> 00:46:01,839

the old days

1230

00:46:04,950 --> 00:46:03,359

jokes about little green men and all

1231

00:46:06,710 --> 00:46:04,960

that stuff that's all gone

1232

00:46:09,510 --> 00:46:06,720

we're not seeing that we're seeing a

1233

00:46:11,510 --> 00:46:09,520

much more sober serious discussion about

1234

00:46:14,069 --> 00:46:11,520

uap

1235

00:46:15,829 --> 00:46:14,079

and um

1236

00:46:17,990 --> 00:46:15,839

and i think they're doing that as a way

1237

00:46:19,270 --> 00:46:18,000

to control the narrative as much as

1238

00:46:21,829 --> 00:46:19,280

possible

1239

00:46:25,510 --> 00:46:21,839

because when the time comes

1240

00:46:27,510 --> 00:46:25,520

and a general admission has to be made

1241

00:46:28,390 --> 00:46:27,520

that this is real

1242

00:46:38,870 --> 00:46:28,400

i

1243

00:46:40,470 --> 00:46:38,880

cover-up

1244

00:46:43,270 --> 00:46:40,480

they don't want

1245

00:46:45,510 --> 00:46:43,280

what have you been doing with this

1246

00:46:47,510 --> 00:46:45,520

information all these years

1247

00:46:49,589 --> 00:46:47,520

they i don't know how successful they

1248

00:46:50,710 --> 00:46:49,599

can possibly be it seems to me a very

1249

00:46:54,390 --> 00:46:50,720

difficult

1250

00:46:55,750 --> 00:46:54,400

to do but

1251
00:46:58,390 --> 00:46:55,760
maybe they think they can get away with

1252
00:46:59,829 --> 00:46:58,400
it and maybe they can because

1253
00:47:02,069 --> 00:46:59,839
eliminating

1254
00:47:03,670 --> 00:47:02,079
increasingly the internet

1255
00:47:05,589 --> 00:47:03,680
and search engine results and with

1256
00:47:07,109 --> 00:47:05,599
algorithms and so forth so

1257
00:47:08,870 --> 00:47:07,119
maybe they just think that they're going

1258
00:47:11,829 --> 00:47:08,880
to be able to spin

1259
00:47:14,390 --> 00:47:11,839
disclosures sufficiently

1260
00:47:17,270 --> 00:47:14,400
so that they can you know

1261
00:47:19,750 --> 00:47:17,280
follow the cya rule not get in trouble

1262
00:47:23,349 --> 00:47:19,760
and do disclosure on their terms

1263
00:47:24,790 --> 00:47:23,359

and i feel that uh when i come back uh

1264

00:47:27,990 --> 00:47:24,800

after the break which we're going to do

1265

00:47:29,750 --> 00:47:28,000

in 45 seconds i'm going to tell you the

1266

00:47:30,710 --> 00:47:29,760

brief story

1267

00:47:31,829 --> 00:47:30,720

uh

1268

00:47:34,950 --> 00:47:31,839

that

1269

00:47:37,109 --> 00:47:34,960

one of our neighbors kids told me last

1270

00:47:40,470 --> 00:47:37,119

week about his sighting when he was 14

1271

00:47:42,790 --> 00:47:40,480

years old and when i share that with you

1272

00:47:45,270 --> 00:47:42,800

because this was at a military base it's

1273

00:47:47,829 --> 00:47:45,280

absolutely nuts and this is not a ufo

1274

00:47:51,190 --> 00:47:47,839

person this was just a conversation but

1275

00:47:55,349 --> 00:47:51,200

the danger that we have in this monopoly

1276

00:47:56,950 --> 00:47:55,359

is a tsa controlling this narrative

1277

00:47:59,670 --> 00:47:56,960

from one side

1278

00:48:02,950 --> 00:47:59,680

and that that i we we need to be very

1279

00:48:06,069 --> 00:48:02,960

very very very careful here

1280

00:48:07,510 --> 00:48:06,079

um and i i i'm thinking about the

1281

00:48:09,430 --> 00:48:07,520

community richard that's all i'm

1282

00:48:11,670 --> 00:48:09,440

thinking about yeah yeah i i'm with you

1283

00:48:13,349 --> 00:48:11,680

i mean i feel i'm a little more gentle

1284

00:48:15,190 --> 00:48:13,359

on them i think than you are i think i

1285

00:48:16,870 --> 00:48:15,200

understand where they're coming from but

1286

00:48:17,750 --> 00:48:16,880

i agree with you

1287

00:48:22,230 --> 00:48:17,760

they

1288

00:48:24,630 --> 00:48:22,240

and and the media i mean

1289

00:48:26,069 --> 00:48:24,640

anytime a ufo story breaks

1290

00:48:28,950 --> 00:48:26,079

is it that they're going to pick up the

1291

00:48:30,549 --> 00:48:28,960

phone and call elizondo for a quote

1292

00:48:32,470 --> 00:48:30,559

you know that's not the only voice

1293

00:48:34,069 --> 00:48:32,480

though there's still there's still you

1294

00:48:35,589 --> 00:48:34,079

know this community an alternative

1295

00:48:37,990 --> 00:48:35,599

community out there but

1296

00:48:40,790 --> 00:48:38,000

it is true there's in the establishment

1297

00:48:42,710 --> 00:48:40,800

there's the controlled media yeah yeah

1298

00:48:47,349 --> 00:48:42,720

ask anybody across

1299

00:48:49,190 --> 00:48:47,359

of our ufo community about ufos they're

1300

00:48:50,549 --> 00:48:49,200

probably going to bring up elizondo

1301

00:48:52,790 --> 00:48:50,559

because that's the only face that they

1302

00:48:54,790 --> 00:48:52,800

see in the media right now so let's take

1303

00:48:56,630 --> 00:48:54,800

a break right here we got to let's get

1304

00:48:58,710 --> 00:48:56,640

this in our guest tonight is richard

1305

00:49:01,270 --> 00:48:58,720

dolan i am your host jimmy church this

1306

00:49:02,630 --> 00:49:01,280

is fade to black we've got a lot to talk

1307

00:49:04,390 --> 00:49:02,640

about when i come back i am going to

1308

00:49:06,549 --> 00:49:04,400

tell that story that my neighbor shared

1309

00:49:08,150 --> 00:49:06,559

with me last week it's pretty incredible

1310

00:49:09,750 --> 00:49:08,160

richard you ready

1311

00:49:13,109 --> 00:49:09,760

yes sir let's do this we'll be right

1312

00:49:18,710 --> 00:49:15,589

you have just listened to a full hour

1313

00:49:20,150 --> 00:49:18,720

free preview of fade to black to get the

1314

00:49:23,270 --> 00:49:20,160

full show

1315

00:49:26,309 --> 00:49:23,280

all archives just go to our podcast

1316

00:49:28,630 --> 00:49:26,319

section at jimmychurchradio.com

1317

00:49:30,390 --> 00:49:28,640

you can also sign up to be a fade or not

1318

00:49:33,990 --> 00:49:30,400

in our membership area

1319

00:49:35,309 --> 00:49:34,000

where we have downloadable mp3s

1320

00:49:36,950 --> 00:49:35,319

go to

1321

00:49:40,450 --> 00:49:36,960
