good to hear your voice and we're

19

00:01:09,859 --> 00:01:07,049

getting ready to kick it off man we are

20

00:01:12,520 --> 00:01:09,869

in conference season Giorgio next week

21

00:01:15,649 --> 00:01:12,530

is contacting the desert you excited

22

00:01:17,870 --> 00:01:15,659

yeah I I totally am and as many of you

23

00:01:20,330 --> 00:01:17,880

know this is my favorite conference out

24

00:01:23,240 --> 00:01:20,340

of the whole year and you know Victoria

25

00:01:25,190 --> 00:01:23,250

voy and put this thing on eight years

26

00:01:28,130 --> 00:01:25,200

ago for the first time and I can't

27

00:01:30,230 --> 00:01:28,140

believe it's been eight years and you

28

00:01:34,219 --> 00:01:30,240

know this event has just grown by leaps

29

00:01:37,099 --> 00:01:34,229

and bounds and I can't wait to meet all

30

00:01:40,580 --> 00:01:37,109

of you attending this year because the

31

00:01:42,380 --> 00:01:40,590

event I'm told has many many surprises

32

00:01:45,289 --> 00:01:42,390

up its sleeves and things that have

33

00:01:46,399 --> 00:01:45,299

never done been done before so this is

34

00:01:50,840 --> 00:01:46,409

going to be fantastic

35

00:01:53,179 --> 00:01:50,850

you know you're right we have done this

36

00:01:57,289 --> 00:01:53,189

conference together with with so many

37

00:02:00,800 --> 00:01:57,299

others right but we have watched this

38

00:02:03,679 --> 00:02:00,810

grow right when you look back and you

39

00:02:05,569 --> 00:02:03,689

think about where things were so many

40

00:02:10,270 --> 00:02:05,579

years ago to what what it's what it is

41

00:02:14,809 --> 00:02:10,280

today it's absolutely amazing to see the

42

00:02:17,270 --> 00:02:14,819

the wow I want to say audience in the

43

00:02:19,850 --> 00:02:17,280

progression because yes you recall you

44

00:02:22,490 --> 00:02:19,860

know back in the day and this was only

45

00:02:24,640 --> 00:02:22,500

three conferences or three years ago the

46

00:02:27,320 --> 00:02:24,650

event was in the middle of Joshua Tree

47

00:02:28,070 --> 00:02:27,330

actually in the desert and he was a

48

00:02:32,690 --> 00:02:28,080

wonderful

49

00:02:35,000 --> 00:02:32,700

magical experience but you know frankly

50

00:02:39,200 --> 00:02:35,010

it was usually on average 100 degrees

51
00:02:41,600 --> 00:02:39,210
each day and so now they've moved the

52
00:02:44,990 --> 00:02:41,610
event to the Indian Wells Renaissance

53
00:02:48,620 --> 00:02:45,000
Resort in Indian Wells and it's this

54
00:02:50,300 --> 00:02:48,630
amazing place it's an indoor Hotel all

55
00:02:53,660 --> 00:02:50,310
the events are indoor is all

56
00:02:57,050 --> 00:02:53,670
air-conditioned you know so it is an

57
00:02:58,580 --> 00:02:57,060
incredible improvement on the event and

58
00:03:01,130 --> 00:02:58,590
I've got to tell you ever since they've

59
00:03:04,370 --> 00:03:01,140
moved it to the Renaissance the event

60
00:03:06,230 --> 00:03:04,380
has grown and you know it's wonderful to

61
00:03:08,840 --> 00:03:06,240
just hang out and if you want to be

62
00:03:10,700 --> 00:03:08,850
outside and the heat you step outside if

63
00:03:12,410 --> 00:03:10,710

you want to go inside and have the

64

00:03:15,590 --> 00:03:12,420

air-conditioned that's not a problem

65

00:03:18,350 --> 00:03:15,600

either so you really thing it's all

66

00:03:20,690 --> 00:03:18,360

under one roof now if you still want if

67

00:03:24,710 --> 00:03:20,700

you miss the Sun we still got that for

68

00:03:28,420 --> 00:03:24,720

you we're only a few miles away from

69

00:03:30,980 --> 00:03:28,430

Joshua Tree so no problem plus there are

70

00:03:34,010 --> 00:03:30,990

excursions into Joshua Tree planned

71

00:03:35,750 --> 00:03:34,020

anyway I think there is a there's a tour

72

00:03:39,080 --> 00:03:35,760

of the integratron and then there's a

73

00:03:41,510 --> 00:03:39,090

tour of the big rock so there's all

74

00:03:44,900 --> 00:03:41,520

sorts of events or all sorts of events

75

00:03:46,880 --> 00:03:44,910

are planned for the attendees including

76

00:03:50,570 --> 00:03:46,890

of course the conference so it'll be a

77

00:03:52,190 --> 00:03:50,580

great time now I if I could what are you

78

00:03:57,400 --> 00:03:52,200

what are you going to be speaking about

79

00:04:01,400 --> 00:03:57,410

this year well I have this tradition at

80

00:04:03,020 --> 00:04:01,410

contact where you know everybody's

81

00:04:06,229 --> 00:04:03,030

supposed to give like these two lectures

82

00:04:09,080 --> 00:04:06,239

or these two presentations and because

83

00:04:11,449 --> 00:04:09,090

the first two years every time I try to

84

00:04:15,260 --> 00:04:11,459

have my one of my presentations the

85

00:04:17,210 --> 00:04:15,270

power failed we just had a QA and so I'm

86

00:04:19,520 --> 00:04:17,220

looking forward to this thing that we've

87

00:04:22,190 --> 00:04:19,530

basically kept over all these years

88

00:04:25,159 --> 00:04:22,200

where one of my presentations or one of

89
00:04:27,560 --> 00:04:25,169
my appearances will be a two-hour QA and

90
00:04:30,500 --> 00:04:27,570
so you can you know ask me any question

91
00:04:32,390 --> 00:04:30,510
you want I'll tell you stories and then

92
00:04:35,780 --> 00:04:32,400
in my presentation I will give you my

93
00:04:37,520 --> 00:04:35,790
classic international presentation about

94
00:04:40,520 --> 00:04:37,530
why I think we've been visited in the

95
00:04:41,420 --> 00:04:40,530
past and you know I'm not the only one

96
00:04:47,420 --> 00:04:41,430
there

97
00:04:51,249 --> 00:04:47,430
Erich von däniken George Noory yourself

98
00:04:54,650 --> 00:04:51,259
Jimmy Graham Hancock Linda Moulton Howe

99
00:04:57,200 --> 00:04:54,660
Rich Dolan Jacques Vallee Michael dr.

100
00:05:00,379 --> 00:04:57,210
Michael Dennin Whitley Strieber Hugh

101
00:05:02,840 --> 00:05:00,389
Newman Nick Pope Ryan Forrester Carolyn

102
00:05:05,060 --> 00:05:02,850
Corey Travis Walton Steven Bassett

103
00:05:07,370 --> 00:05:05,070
clifford mahooty Brad Olsen yeah I mean

104
00:05:09,980 --> 00:05:07,380
you can't you can't name everybody is

105
00:05:13,100 --> 00:05:09,990
there so if you want to meet your your

106
00:05:15,290 --> 00:05:13,110
heroes come on out to contact and desert

107
00:05:19,879 --> 00:05:15,300
and you know we'll have a ton of fun

108
00:05:23,390 --> 00:05:19,889
yeah one of the cool things that you do

109
00:05:27,439 --> 00:05:23,400
every year is you have a fantastic booth

110
00:05:29,900 --> 00:05:27,449
and you hang out and you chat with

111
00:05:32,659 --> 00:05:29,910
everybody that comes up to you and

112
00:05:34,790 --> 00:05:32,669
you've got lots of really cool unique

113
00:05:36,710 --> 00:05:34,800

products usually I go over and steal a

114

00:05:40,010 --> 00:05:36,720

couple when your back is turned

115

00:05:43,159 --> 00:05:40,020

but but that is one of the great things

116

00:05:45,370 --> 00:05:43,169

that you do is you hang out isn't that

117

00:05:47,750 --> 00:05:45,380

isn't that just one of the best parts of

118

00:05:51,290 --> 00:05:47,760

contact in the desert just hanging out

119

00:05:53,719 --> 00:05:51,300

at the booth and and chatting yeah look

120

00:05:56,120 --> 00:05:53,729

I mean meeting meeting the fans and you

121

00:05:56,710 --> 00:05:56,130

know the fellow colleagues is truly

122

00:06:00,200 --> 00:05:56,720

amazing

123

00:06:05,390 --> 00:06:00,210

you know contact in a desert began as

124

00:06:07,879 --> 00:06:05,400

this small you know conference and it

125

00:06:10,610 --> 00:06:07,889

has grown into something really really

126
00:06:13,180 --> 00:06:10,620
wonderful and you know one of the great

127
00:06:19,100 --> 00:06:13,190
things that I think is great about

128
00:06:21,589 --> 00:06:19,110
contact is that we all we're all on the

129
00:06:23,689 --> 00:06:21,599
premises so we all get to hang out you

130
00:06:27,939 --> 00:06:23,699
can you know flag us down ask us a

131
00:06:32,500 --> 00:06:27,949
question so it's a very mellow event and

132
00:06:35,600 --> 00:06:32,510
you know I I myself have always been in

133
00:06:38,120 --> 00:06:35,610
the impression that you know the reason

134
00:06:39,920 --> 00:06:38,130
why any of us exist is because of you

135
00:06:42,890 --> 00:06:39,930
because of your listeners and I because

136
00:06:45,439 --> 00:06:42,900
of the viewership of ancient aliens so

137
00:06:47,870 --> 00:06:45,449
we you know the fans are the reason why

138
00:06:50,060 --> 00:06:47,880

we exist so I think it's a wonderful

139

00:06:51,529 --> 00:06:50,070

thing to give back to the fans by

140

00:06:53,899 --> 00:06:51,539

hanging out with them and you know

141

00:06:55,159 --> 00:06:53,909

answer questions yeah it's the key

142

00:06:58,089 --> 00:06:55,169

phrase right there it's a

143

00:07:02,230 --> 00:06:58,099

now you're absolutely right hey Giorgio

144

00:07:07,629 --> 00:07:02,240

you you're now on your 100th season of

145

00:07:11,450 --> 00:07:07,639

ancient Annan's now a hundred seas and

146

00:07:13,369 --> 00:07:11,460

it's gotten nothing but bigger and

147

00:07:16,399 --> 00:07:13,379

better you're in the middle of

148

00:07:17,929 --> 00:07:16,409

production right now where are some of

149

00:07:20,749 --> 00:07:17,939

the exciting locations you've been

150

00:07:22,909 --> 00:07:20,759

filming at this this time around well

151

00:07:26,450 --> 00:07:22,919

it's it's really crazy and you know

152

00:07:28,790 --> 00:07:26,460

what's amazing is that on May 31st only

153

00:07:31,929 --> 00:07:28,800

a week from now will actually have the

154

00:07:36,140 --> 00:07:31,939

premiere of our new season on Friday and

155

00:07:38,360 --> 00:07:36,150

you know this season we'll do things

156

00:07:40,760 --> 00:07:38,370

that we've never done before and Ivan I

157

00:07:43,369 --> 00:07:40,770

know that I've said that before but this

158

00:07:44,809 --> 00:07:43,379

time it's true because seven days from

159

00:07:47,179 --> 00:07:44,819

now in the first episode you'll see

160

00:07:48,829 --> 00:07:47,189

exactly what I mean I can't tell you

161

00:07:52,489 --> 00:07:48,839

exactly what it is because it's

162

00:07:55,730 --> 00:07:52,499

something brand-new but I've been to so

163

00:08:00,579 --> 00:07:55,740

far I've been to England and Canada and

164

00:08:03,469 --> 00:08:00,589

I have met one astrophysicist

165

00:08:07,579 --> 00:08:03,479

astrobiologist dr. Richard Hoover who

166

00:08:11,119 --> 00:08:07,589

has proven he has found concise physical

167

00:08:14,420 --> 00:08:11,129

evidence for extraterrestrial life here

168

00:08:15,980 --> 00:08:14,430

on earth yes it is microbial but these

169

00:08:17,869 --> 00:08:15,990

are things that should be on the front

170

00:08:19,749 --> 00:08:17,879

pages of the newspapers this is

171

00:08:24,110 --> 00:08:19,759

something we should talk about and

172

00:08:27,010 --> 00:08:24,120

usually it's on page nine somewhere in

173

00:08:30,350 --> 00:08:27,020

the back or in the back page you know so

174

00:08:33,560 --> 00:08:30,360

we'll reveal some truly riveting stuff

175

00:08:39,230 --> 00:08:33,570

this season and it'll be it'll be a good

176
00:08:42,529 --> 00:08:39,240
one when you guys have the success of

177
00:08:46,579 --> 00:08:42,539
ancient aliens and you know a leader

178
00:08:50,449 --> 00:08:46,589
behind you like Kevin Burns who is an

179
00:08:53,360 --> 00:08:50,459
absolute stand-up believer of this

180
00:08:55,490 --> 00:08:53,370
community and represents us does that

181
00:08:58,639 --> 00:08:55,500
ultimately just give you the freedom

182
00:09:01,100 --> 00:08:58,649
knowing that the sky's the limit we can

183
00:09:04,180 --> 00:09:01,110
do what we need to do you're not limited

184
00:09:07,090 --> 00:09:04,190
by by a bosses

185
00:09:11,740 --> 00:09:07,100
I don't know right how does that make

186
00:09:15,400 --> 00:09:11,750
you feel it is it is pretty amazing

187
00:09:17,740 --> 00:09:15,410
because Kevin you know it has become

188
00:09:20,650 --> 00:09:17,750

over the years a good and very close

189

00:09:24,160 --> 00:09:20,660

friend of mine and you know so I know

190

00:09:26,520 --> 00:09:24,170

him privately and the the mind behind

191

00:09:29,500 --> 00:09:26,530

this ancient aliens we all have to be

192

00:09:31,540 --> 00:09:29,510

grateful that Kevin has seen the vision

193

00:09:34,240 --> 00:09:31,550

or has the vision behind this right

194

00:09:37,630 --> 00:09:34,250

because you know I I've seen each

195

00:09:40,210 --> 00:09:37,640

episode when it was written then it we

196

00:09:42,640 --> 00:09:40,220

shoot it and then we have a rough cut

197

00:09:45,820 --> 00:09:42,650

and every time that Kevin sees it it

198

00:09:49,120 --> 00:09:45,830

doesn't matter who it is he'll always

199

00:09:51,550 --> 00:09:49,130

improve it so we should also be so lucky

200

00:09:54,640 --> 00:09:51,560

to have Kevin behind all of us and yes

201
00:09:56,710 --> 00:09:54,650
he is a a gigantic supporter be behind

202
00:09:59,350 --> 00:09:56,720
all of this because he agrees with the

203
00:10:03,010 --> 00:09:59,360
notion that in the end what do we

204
00:10:05,440 --> 00:10:03,020
actually know besides two plus two

205
00:10:07,750 --> 00:10:05,450
equals four yes we know these things but

206
00:10:10,030 --> 00:10:07,760
there are other things especially in

207
00:10:12,550 --> 00:10:10,040
regards to our history that have many

208
00:10:14,320 --> 00:10:12,560
question marks and with ancient aliens

209
00:10:16,510 --> 00:10:14,330
it's one of the first times in the

210
00:10:19,060 --> 00:10:16,520
history of television that we get to

211
00:10:22,120 --> 00:10:19,070
present our side without being ridiculed

212
00:10:24,490 --> 00:10:22,130
from the other side or looked at from it

213
00:10:28,750 --> 00:10:24,500

from a skeptical perspective would it

214

00:10:30,610 --> 00:10:28,760

surprise you if Kevin you guys are

215

00:10:32,140 --> 00:10:30,620

sitting down and planning out the next

216

00:10:34,060 --> 00:10:32,150

season I'm not kidding about this

217

00:10:35,920 --> 00:10:34,070

statement by the way would it surprise

218

00:10:37,930 --> 00:10:35,930

you if Kevin sits down goes okay well

219

00:10:40,210 --> 00:10:37,940

you know I've been talking to Bezos you

220

00:10:42,100 --> 00:10:40,220

know I've been talking to musk and we're

221

00:10:44,710 --> 00:10:42,110

gonna shoot a couple episodes from the

222

00:10:47,740 --> 00:10:44,720

moon this year right is it's like that

223

00:10:49,180 --> 00:10:47,750

isn't it well I mean I would welcome

224

00:10:52,000 --> 00:10:49,190

that that would be amazing

225

00:10:54,670 --> 00:10:52,010

well look if we're on the air five or

226

00:10:58,390 --> 00:10:54,680

ten years from now I think that could be

227

00:11:01,630 --> 00:10:58,400

a possibility because you know the the

228

00:11:06,430 --> 00:11:01,640

Moon and Mars that is the next frontier

229

00:11:09,040 --> 00:11:06,440

and you know I know from from my one of

230

00:11:11,590 --> 00:11:09,050

my closest and best friends when I was a

231

00:11:14,590 --> 00:11:11,600

little boy Andre is ill he is now

232

00:11:17,800 --> 00:11:14,600

working for SpaceX and he himself has

233

00:11:20,250 --> 00:11:17,810

told me that it is quite possible

234

00:11:23,830 --> 00:11:20,260

that you and me and our fellow listeners

235

00:11:28,840 --> 00:11:23,840

within the next thirty years will be

236

00:11:31,480 --> 00:11:28,850

able to possibly retire on Mars now that

237

00:11:34,690 --> 00:11:31,490

is an amazing adventure and if that

238

00:11:37,630 --> 00:11:34,700

possibility should arise let me tell you

239

00:11:39,760 --> 00:11:37,640

I have already put aside I've already

240

00:11:41,560 --> 00:11:39,770

started to put aside my pennies to save

241

00:11:44,890 --> 00:11:41,570

up for that journey that would be

242

00:11:48,040 --> 00:11:44,900

amazing I really I would be down for

243

00:11:50,920 --> 00:11:48,050

that I would be down for that and this

244

00:11:57,670 --> 00:11:50,930

is the other part for me about you

245

00:12:01,329 --> 00:11:57,680

personally about what year is this 2019

246

00:12:07,600 --> 00:12:01,339

so back in yes

247

00:12:11,680 --> 00:12:07,610

2019 back in 2008 the first season of

248

00:12:15,370 --> 00:12:11,690

ancient aliens airs I meet you that you

249

00:12:17,019 --> 00:12:15,380

speak at the MUFON meeting here in Los

250

00:12:19,600 --> 00:12:17,029

Angeles you remember that night it was

251
00:12:21,610 --> 00:12:19,610
raining it was cold it was fun and think

252
00:12:23,380 --> 00:12:21,620
about how small of a group that was

253
00:12:25,540 --> 00:12:23,390
versus what you would have to go through

254
00:12:29,550 --> 00:12:25,550
today but the point that I'm making is

255
00:12:33,670 --> 00:12:29,560
you had said in that presentation about

256
00:12:35,980 --> 00:12:33,680
the amount of stars out in the Milky Way

257
00:12:38,829 --> 00:12:35,990
the amount of planets that are out there

258
00:12:42,460 --> 00:12:38,839
and what it would be like to go for us

259
00:12:44,860 --> 00:12:42,470
as explorers to go and encounter another

260
00:12:46,590 --> 00:12:44,870
civilization and how we would handle

261
00:12:49,870 --> 00:12:46,600
that I thought it was a really brilliant

262
00:12:54,040 --> 00:12:49,880
presentation but you had the vision of

263
00:12:57,460 --> 00:12:54,050

the future how cosmology and physics and

264

00:13:00,780 --> 00:12:57,470

astrophysics has changed in the last 10

265

00:13:03,670 --> 00:13:00,790

years where we now understand the

266

00:13:05,440 --> 00:13:03,680

billions and billions of planets in our

267

00:13:07,810 --> 00:13:05,450

own Milky Way that we didn't know about

268

00:13:11,920 --> 00:13:07,820

back then but you spoke about that and

269

00:13:14,079 --> 00:13:11,930

here you are today knowing about the

270

00:13:16,710 --> 00:13:14,089

amount of exoplanets and planets in the

271

00:13:20,050 --> 00:13:16,720

Milky Way pretty cool isn't it

272

00:13:22,900 --> 00:13:20,060

well thank you you know but you know I

273

00:13:25,540 --> 00:13:22,910

appreciate that but to me see to me that

274

00:13:28,060 --> 00:13:25,550

is it's and and you know I fellow

275

00:13:31,690 --> 00:13:28,070

colleagues like Erich von däniken those

276

00:13:33,930 --> 00:13:31,700

are and also you these are you know

277

00:13:37,800 --> 00:13:33,940

ordinary dinner table conversations

278

00:13:41,410 --> 00:13:37,810

because you know to me I've always

279

00:13:43,600 --> 00:13:41,420

marveled at the idea that there are so

280

00:13:46,060 --> 00:13:43,610

many people out there who think that we

281

00:13:49,930 --> 00:13:46,070

are the crown of creation that we are

282

00:13:51,730 --> 00:13:49,940

the greatest so the idea that we will be

283

00:13:54,250 --> 00:13:51,740

the first to me was always kind of

284

00:13:57,460 --> 00:13:54,260

ludicrous because we've had help in the

285

00:13:59,170 --> 00:13:57,470

past so and those aliens to it out from

286

00:14:01,540 --> 00:13:59,180

other aliens in the past but in the

287

00:14:05,650 --> 00:14:01,550

future if we arrive on another planet

288

00:14:08,230 --> 00:14:05,660

and we encounter a semi you know form of

289

00:14:10,780 --> 00:14:08,240

intelligence a humanoid life-form well

290

00:14:12,730 --> 00:14:10,790

we'll help them will will guide them in

291

00:14:15,250 --> 00:14:12,740

a in a sort of the technological

292

00:14:18,370 --> 00:14:15,260

direction we'll teach them how to make

293

00:14:20,200 --> 00:14:18,380

fire or how to perform agriculture and

294

00:14:22,600 --> 00:14:20,210

you know science and you know

295

00:14:25,090 --> 00:14:22,610

mathematics astronomy all these

296

00:14:29,230 --> 00:14:25,100

different scientific disciplines just in

297

00:14:31,830 --> 00:14:29,240

order to spread knowledge so we too will

298

00:14:34,120 --> 00:14:31,840

do this in the future so you know

299

00:14:37,060 --> 00:14:34,130

developmental work as we do here on

300

00:14:39,130 --> 00:14:37,070

earth in my opinion has happened

301
00:14:43,170 --> 00:14:39,140
throughout the entire universe and one

302
00:14:45,280 --> 00:14:43,180
day we will be part of that entire

303
00:14:47,470 --> 00:14:45,290
mechanism of spreading knowledge

304
00:14:50,110 --> 00:14:47,480
throughout the universe and what do you

305
00:14:53,080 --> 00:14:50,120
do what's your concept with that do you

306
00:14:57,190 --> 00:14:53,090
just arrive you know with three four

307
00:14:59,050 --> 00:14:57,200
five you know what I mean three four or

308
00:15:02,140 --> 00:14:59,060
five lessons and some basic areas and

309
00:15:06,370 --> 00:15:02,150
then split you know what I mean and then

310
00:15:08,200 --> 00:15:06,380
maybe come back later and check in well

311
00:15:12,130 --> 00:15:08,210
that's a that's a great question isn't

312
00:15:14,260 --> 00:15:12,140
it because how would we do it because

313
00:15:19,090 --> 00:15:14,270

this is this is my argument that you

314

00:15:22,390 --> 00:15:19,100

know so when I began with ancient aliens

315

00:15:25,030 --> 00:15:22,400

I was yeah I followed UFOs and I

316

00:15:26,380 --> 00:15:25,040

followed you know modern-day sightings

317

00:15:29,890 --> 00:15:26,390

and things like that but I was not

318

00:15:31,570 --> 00:15:29,900

really into it today you ethology is one

319

00:15:32,590 --> 00:15:31,580

of my favorite topics and I looked

320

00:15:36,700 --> 00:15:32,600

deeply into it

321

00:15:38,620 --> 00:15:36,710

so through ancient aliens I to have

322

00:15:43,360 --> 00:15:38,630

learned that there are more mysteries

323

00:15:45,610 --> 00:15:43,370

out there so you know I think that if

324

00:15:47,290 --> 00:15:45,620

you go out there

325

00:15:49,990 --> 00:15:47,300

and so what I'm suggesting is that

326

00:15:51,820 --> 00:15:50,000

perhaps in the past I thought that the

327

00:15:54,340 --> 00:15:51,830

ancient aliens were here and then they

328

00:15:56,020 --> 00:15:54,350

left but you know with everything that's

329

00:15:57,490 --> 00:15:56,030

been going on and what I've researched

330

00:15:59,830 --> 00:15:57,500

over the past ten years and what I've

331

00:16:02,520 --> 00:15:59,840

learned from my colleagues because you

332

00:16:06,820 --> 00:16:02,530

can always learn every single day is

333

00:16:09,520 --> 00:16:06,830

that perhaps all these UFO stories that

334

00:16:12,490 --> 00:16:09,530

we have throughout history indicate that

335

00:16:15,580 --> 00:16:12,500

those ancient astronauts not all of them

336

00:16:19,030 --> 00:16:15,590

have left that maybe someone stayed

337

00:16:21,520 --> 00:16:19,040

behind to watch us to observe us because

338

00:16:24,430 --> 00:16:21,530

guess why because in the Bible in the

339

00:16:26,830 --> 00:16:24,440

ancient texts sacred texts they were

340

00:16:31,030 --> 00:16:26,840

always referred to as the Watchers or

341

00:16:33,820 --> 00:16:31,040

the observers so having observers or a

342

00:16:36,520 --> 00:16:33,830

watcher means that they may have never

343

00:16:39,400 --> 00:16:36,530

left so I am now today more of the

344

00:16:40,180 --> 00:16:39,410

opinion that we've always been under

345

00:16:43,090 --> 00:16:40,190

observation

346

00:16:46,450 --> 00:16:43,100

we've always been watched and this is by

347

00:16:49,060 --> 00:16:46,460

the way nothing negative this is not you

348

00:16:51,340 --> 00:16:49,070

know the Wizard of Oz watching us you

349

00:16:54,970 --> 00:16:51,350

know from you know behind the curtain

350

00:16:57,550 --> 00:16:54,980

this is something completely in my

351

00:17:00,840 --> 00:16:57,560

opinion it's a complete neutral

352

00:17:05,710 --> 00:17:00,850

observation to see what happens to us an

353

00:17:09,790 --> 00:17:05,720

experiment that began at least 250,000

354

00:17:11,260 --> 00:17:09,800

years ago you know and so because we

355

00:17:14,050 --> 00:17:11,270

would do the same thing if you and I

356

00:17:19,380 --> 00:17:14,060

were to initiate an experiment or a

357

00:17:22,300 --> 00:17:19,390

project chances are that we would not

358

00:17:24,880 --> 00:17:22,310

abandon it I mean and I'm talking about

359

00:17:28,330 --> 00:17:24,890

a significant project I'm sure you know

360

00:17:31,180 --> 00:17:28,340

something ridiculous so therefore I

361

00:17:33,400 --> 00:17:31,190

think that you know the idea that we've

362

00:17:36,640 --> 00:17:33,410

always been watched by the way this is

363

00:17:38,680 --> 00:17:36,650

the so-called zoo hypothesis this is

364

00:17:42,490 --> 00:17:38,690

something that entered that University

365

00:17:44,820 --> 00:17:42,500

Professors have come up with futurists

366

00:17:46,720 --> 00:17:44,830

and and astrobiologists and

367

00:17:50,260 --> 00:17:46,730

astrophysicists have come up with the

368

00:17:52,990 --> 00:17:50,270

idea that this whole planet may be some

369

00:17:55,300 --> 00:17:53,000

type of a zoo where aliens visit on the

370

00:17:58,030 --> 00:17:55,310

weekends for their entertainment to look

371

00:17:58,760 --> 00:17:58,040

at us and I question from you know since

372

00:18:00,950 --> 00:17:58,770

uh

373

00:18:04,730 --> 00:18:00,960

while now maybe they don't even have to

374

00:18:08,000 --> 00:18:04,740

come here with spaceships or with UFOs

375

00:18:09,980 --> 00:18:08,010

but maybe we are you know on their TV or

376

00:18:12,890 --> 00:18:09,990

on their computer screens instead of

377

00:18:16,910 --> 00:18:12,900

video game I mean it's all crazy but the

378

00:18:20,000 --> 00:18:16,920

but the idea or the the fact is that we

379

00:18:22,580 --> 00:18:20,010

need to ask more questions because the

380

00:18:25,490 --> 00:18:22,590

answers are no longer satisfactory and

381

00:18:27,680 --> 00:18:25,500

that for the Watchers for those

382

00:18:29,840 --> 00:18:27,690

observers it's also a huge

383

00:18:33,950 --> 00:18:29,850

responsibility in that they can't make a

384

00:18:35,870 --> 00:18:33,960

mistake and yeah do you have do you bear

385

00:18:38,000 --> 00:18:35,880

that same responsibility in the

386

00:18:40,610 --> 00:18:38,010

education and presentations you do with

387

00:18:43,669 --> 00:18:40,620

ancient aliens you have to be cautious

388

00:18:46,700 --> 00:18:43,679

because you are teaching you're exposing

389

00:18:49,419 --> 00:18:46,710

people to information that they may not

390

00:18:51,110 --> 00:18:49,429

know anything about is that a

391

00:18:53,900 --> 00:18:51,120

responsibility that you have to be a

392

00:18:55,790 --> 00:18:53,910

little bit careful of well and I'm

393

00:18:58,640 --> 00:18:55,800

trying to be responsible because for

394

00:19:00,560 --> 00:18:58,650

example as you know at every lecture

395

00:19:02,660 --> 00:19:00,570

every presentation or every time

396

00:19:05,330 --> 00:19:02,670

somebody meets me personally I say that

397

00:19:08,330 --> 00:19:05,340

you know the meme the Georgio meme the

398

00:19:10,340 --> 00:19:08,340

aliens meme does not eat is not equal to

399

00:19:13,040 --> 00:19:10,350

what I actually said because personally

400

00:19:15,110 --> 00:19:13,050

I've never said nor suggested that for

401

00:19:15,950 --> 00:19:15,120

example the pyramids were built by

402

00:19:19,220 --> 00:19:15,960

aliens

403

00:19:21,740 --> 00:19:19,230

clearly the ancient pyramids of Egypt

404

00:19:25,280 --> 00:19:21,750

were built by human beings but what I

405

00:19:27,860 --> 00:19:25,290

have said is that the knowledge with

406

00:19:30,410 --> 00:19:27,870

which the pyramids were built according

407

00:19:33,770 --> 00:19:30,420

to ancient Egyptians themselves was

408

00:19:37,270 --> 00:19:33,780

given to the ancient Egyptians by the so

409

00:19:39,290 --> 00:19:37,280

called guardians of the sky now

410

00:19:40,970 --> 00:19:39,300

archaeologists or Egyptologists are

411

00:19:43,940 --> 00:19:40,980

suggesting that the guardians of the sky

412

00:19:46,600 --> 00:19:43,950

did not exist and they were just a

413

00:19:49,549 --> 00:19:46,610

figment of the ancient Egyptians

414

00:19:51,440 --> 00:19:49,559

imagination I am suggesting or the

415

00:19:53,930 --> 00:19:51,450

ancient astronaut theory is suggesting

416

00:19:55,720 --> 00:19:53,940

suggesting that these guardians of the

417

00:19:57,860 --> 00:19:55,730

sky were flesh-and-blood

418

00:20:00,980 --> 00:19:57,870

extraterrestrials they were merely

419

00:20:05,990 --> 00:20:00,990

teachers because for any technological

420

00:20:09,409 --> 00:20:06,000

feat you need a evolution in technology

421

00:20:11,780 --> 00:20:09,419

in ancient Egypt while you have some

422

00:20:12,140 --> 00:20:11,790

evolution technology as far as the

423

00:20:14,270 --> 00:20:12,150

middle

424

00:20:17,660 --> 00:20:14,280

the structures are concerned there isn't

425

00:20:19,850 --> 00:20:17,670

is not in evolution and technology so

426

00:20:21,860 --> 00:20:19,860

there's the idea that the ancient

427

00:20:24,110 --> 00:20:21,870

Egyptians had teachers which they

428

00:20:27,050 --> 00:20:24,120

themselves say that they've had received

429

00:20:31,900 --> 00:20:27,060

this knowledge is not insulting but now

430

00:20:34,550 --> 00:20:31,910

people are saying that suggesting that

431

00:20:37,970 --> 00:20:34,560

receiving the knowledge for building

432

00:20:41,420 --> 00:20:37,980

something is equal to saying that aliens

433

00:20:43,940 --> 00:20:41,430

build stuff and if that is what some

434

00:20:46,460 --> 00:20:43,950

people believe I cannot help them

435

00:20:49,910 --> 00:20:46,470

because there's a huge difference in

436

00:20:51,440 --> 00:20:49,920

doing it yourself by learning something

437

00:20:54,890 --> 00:20:51,450

while you do it while you have teachers

438

00:20:58,280 --> 00:20:54,900

or by just watching while somebody else

439

00:21:00,290 --> 00:20:58,290

does it do that Aaron yeah I didn't mean

440

00:21:03,110 --> 00:21:00,300

to cut you off and we just got a couple

441

00:21:05,770 --> 00:21:03,120

of minutes left and give me the quickest

442

00:21:08,630 --> 00:21:05,780

answer that you can give me five seconds

443

00:21:10,400 --> 00:21:08,640

did the did the memes affect you or do

444

00:21:13,220 --> 00:21:10,410

you laugh at them because you have to

445

00:21:15,350 --> 00:21:13,230

admit it's one of the most popular

446

00:21:18,560 --> 00:21:15,360

things on the internet and it's pretty

447

00:21:20,750 --> 00:21:18,570

cool right I love them are you kidding

448

00:21:23,480 --> 00:21:20,760

me I wish for so many years that if the

449

00:21:24,680 --> 00:21:23,490

meme gets people to talk whether it is

450

00:21:27,590 --> 00:21:24,690

positive or negative

451
00:21:32,300 --> 00:21:27,600
I don't care I'm like PT Barnum any good

452
00:21:34,820 --> 00:21:32,310
any publicity yeah there you go there

453
00:21:39,170 --> 00:21:34,830
you go all right now coming up speaking

454
00:21:41,000 --> 00:21:39,180
about the growth of this community and

455
00:21:43,820 --> 00:21:41,010
the awareness that's going on right

456
00:21:46,790 --> 00:21:43,830
after contacting the desert you've got

457
00:21:48,860 --> 00:21:46,800
alien Caan tune 21st through the 23rd at

458
00:21:51,370 --> 00:21:48,870
the LA Convention Center and can I just

459
00:21:57,790 --> 00:21:51,380
say this really quick Bill Shatner

460
00:22:01,100 --> 00:21:57,800
really yeah Captain Kirk absolutely

461
00:22:04,250 --> 00:22:01,110
unbelievable now when that's at the LA

462
00:22:07,960 --> 00:22:04,260
Convention Center and again when you see

463
00:22:10,880 --> 00:22:07,970

this many people get together because of

464

00:22:12,590 --> 00:22:10,890

why they are getting together that's got

465

00:22:15,620 --> 00:22:12,600

to make you feel pretty good a lot of

466

00:22:18,620 --> 00:22:15,630

people are getting awake well you know I

467

00:22:22,190 --> 00:22:18,630

mean I I said as a joke that this is

468

00:22:24,200 --> 00:22:22,200

like our own Star Trek but it's not it's

469

00:22:25,760 --> 00:22:24,210

not as it we should not look it as a

470

00:22:29,660 --> 00:22:25,770

joke because this

471

00:22:32,630 --> 00:22:29,670

pretty awesome and tremendous that we've

472

00:22:35,570 --> 00:22:32,640

struck a chord with so many people and

473

00:22:37,930 --> 00:22:35,580

you know Star Trek is a wonderful thing

474

00:22:41,750 --> 00:22:37,940

because many people do to Star Trek

475

00:22:45,430 --> 00:22:41,760

became astronauts became doctors became

476

00:22:48,220 --> 00:22:45,440

scientists so if ancient aliens one day

477

00:22:50,840 --> 00:22:48,230

your prompts young kids to become

478

00:22:54,500 --> 00:22:50,850

anthropologists or archeologists or

479

00:22:57,440 --> 00:22:54,510

Egyptologists but they are thinking in a

480

00:22:59,870 --> 00:22:57,450

way that we are we are thinking of the

481

00:23:03,820 --> 00:22:59,880

past then perhaps there will be one

482

00:23:06,560 --> 00:23:03,830

brain who will unlock it unlock it all

483

00:23:08,960 --> 00:23:06,570

Giorgio thank you so much thank you so

484

00:23:11,360 --> 00:23:08,970

00:25:58,650 --> 00:25:58,090

question right I'm an ask you a question

548

00:26:01,220 --> 00:25:58,660

sure

549

00:26:05,520 --> 00:26:01,230

what would you think if I said to you

550

00:26:08,250 --> 00:26:05,530

what do you think of the voices of the

551
00:26:11,880 --> 00:26:08,260
children yet unborn what would you think

552
00:26:13,980 --> 00:26:11,890
that was the voices of the children the

553
00:26:17,190 --> 00:26:13,990
children that are yet unborn

554
00:26:21,840 --> 00:26:17,200
oh man that's heavy avalanche that's

555
00:26:24,270 --> 00:26:21,850
heavy man that's heavy I have no idea

556
00:26:28,830 --> 00:26:24,280
where I mean that just that explodes the

557
00:26:29,680 --> 00:26:28,840
mind okay let me spoil your mind for

558
00:26:34,269 --> 00:26:29,690
Earth Day

559
00:26:37,629 --> 00:26:34,279
I might put a song at the power on my

560
00:26:42,129 --> 00:26:37,639
Facebook page yep called voices of the

561
00:26:45,669 --> 00:26:42,139
children yet unborn two days I had

562
00:26:48,730 --> 00:26:45,679
almost 5,000 views and it was growing up

563
00:26:52,480 --> 00:26:48,740

these [h__\h] took a door I have it on

564

00:26:55,539 --> 00:26:52,490

YouTube and I got 175 use now but it's

565

00:26:56,259 --> 00:26:55,549

nothing my facebook and people love this

566

00:26:58,450 --> 00:26:56,269

song

567

00:27:01,720 --> 00:26:58,460

it's about the children that he gets to

568

00:27:10,259 --> 00:27:01,730

come into this world and muscle people

569

00:27:16,200 --> 00:27:13,930

I could see that see this is Avalanche

570

00:27:22,360 --> 00:27:16,210

this is no joke

571

00:27:26,430 --> 00:27:22,370

ensorship today is out of control of

572

00:27:32,590 --> 00:27:26,440

control and I can promise you that

573

00:27:35,499 --> 00:27:32,600

Facebook which I did see news I didn't I

574

00:27:40,230 --> 00:27:35,509

didn't talk well okay I saw a press

575

00:27:43,509 --> 00:27:40,240

release today about Facebook's

576
00:27:48,159 --> 00:27:43,519
censorship of abortion issues right now

577
00:27:50,649 --> 00:27:48,169
and it's all done some of it is done by

578
00:27:54,700 --> 00:27:50,659
people complaining right they'll report

579
00:27:56,529 --> 00:27:54,710
the video most of it is done by a I so

580
00:27:58,360 --> 00:27:56,539
you know what I mean they're doing some

581
00:28:02,259 --> 00:27:58,370
search algorithm and you know Facebook

582
00:28:04,869 --> 00:28:02,269
is so big and they see the title of your

583
00:28:08,830 --> 00:28:04,879
song you know through automation and

584
00:28:11,889 --> 00:28:08,840
they automatically think something you

585
00:28:13,960 --> 00:28:11,899
know and if they heard the song or or

586
00:28:16,269 --> 00:28:13,970
understood what it was about you know a

587
00:28:18,759 --> 00:28:16,279
human being behind it it'd be a

588
00:28:21,009 --> 00:28:18,769

different story but the censorship is so

589

00:28:24,549 --> 00:28:21,019

out of control right now with automation

590

00:28:26,710 --> 00:28:24,559

and AI that people are getting blocked

591

00:28:28,779 --> 00:28:26,720

and brought down and channels to

592

00:28:33,190 --> 00:28:28,789

monetize and channels vanish and

593

00:28:36,519 --> 00:28:33,200

accounts shut down because of censorship

594

00:28:40,299 --> 00:28:36,529

and that's we see this is the thing Bob

595

00:28:43,390 --> 00:28:40,309

you're an artist you're a musician we

596

00:28:48,299 --> 00:28:43,400

fought this country fought

597

00:28:51,790 --> 00:28:48,309

for the rights to to music to the arts

598

00:28:54,220 --> 00:28:51,800

to writing two books to authors to

599

00:28:57,190 --> 00:28:54,230

publishing to journalism all of those

600

00:29:00,090 --> 00:28:57,200

freedoms of the media and communication

601
00:29:03,549 --> 00:29:00,100
we fought for that and all of a sudden

602
00:29:06,670 --> 00:29:03,559
where we're fighting this this war this

603
00:29:10,240 --> 00:29:06,680
battle of censorship I would have never

604
00:29:12,820 --> 00:29:10,250
thought of my wildest days right that we

605
00:29:13,420 --> 00:29:12,830
it would come to this but yeah we're

606
00:29:16,870 --> 00:29:13,430
right here

607
00:29:19,150 --> 00:29:16,880
and not I feel for you my friend it's

608
00:29:21,580 --> 00:29:19,160
not right yeah I'm a general in the rock

609
00:29:23,980 --> 00:29:21,590
and roll army man and I will never never

610
00:29:25,840 --> 00:29:23,990
give up and this was in Burma you can

611
00:29:29,049 --> 00:29:25,850
find this song on YouTube I'd put on

612
00:29:31,030 --> 00:29:29,059
YouTube well it's on YouTube well put it

613
00:29:33,820 --> 00:29:31,040

up there and put it up there and Twitter

614

00:29:36,880 --> 00:29:33,830

so I can retweet it I put it on Facebook

615

00:29:39,340 --> 00:29:36,890

I don't know how to do that Jim how do I

616

00:29:41,770 --> 00:29:39,350

put it on Twitter I don't have time to

617

00:29:44,440 --> 00:29:41,780

do that now but oh I don't know I you

618

00:29:48,190 --> 00:29:44,450

know that would I listen just put the

619

00:29:50,290 --> 00:29:48,200

620

00:29:52,419 --> 00:29:50,300

post it in Twitter that's all you got to

621

00:29:56,140 --> 00:29:52,429

do just put the link up and I'll retweet

622

00:30:00,910 --> 00:29:56,150

it for you okay all right hey Bob enjoy

623

00:30:04,299 --> 00:30:00,920

too you too a Blanche Bob right there

625

00:30:09,070 --> 00:30:07,250

doesn't get any cooler than that let's

626

00:30:10,900 --> 00:30:09,080

stay on the phones

627

00:30:13,419 --> 00:30:10,910

let's just yeah hi you're like my fade

628

00:30:17,020 --> 00:30:13,429

to black who's calling this is Nathan

629

00:30:20,169 --> 00:30:17,030

Ohio hey Nathan how you doing man I'm

630

00:30:22,540 --> 00:30:20,179

doing pretty good kind of I called

631

00:30:25,320 --> 00:30:22,550

because I had a very strange experience

632

00:30:28,299 --> 00:30:25,330

this past weekend while I was at the

633

00:30:34,540 --> 00:30:28,309

Sonic temple music and arts festival

634

00:30:37,180 --> 00:30:34,550

uh-huh what happened well I was at the

635

00:30:40,090 --> 00:30:37,190

Friday show I've got all three nights

636

00:30:42,940 --> 00:30:40,100

but the Friday show I was during system

637

00:30:44,940 --> 00:30:42,950

with him down set and I was watching the

638

00:30:47,530 --> 00:30:44,950

sky I kind of looked up into the sky

639

00:30:51,340 --> 00:30:47,540

because there'd been a lot of air travel

640

00:30:53,770 --> 00:30:51,350

over the show the whole day and I was

641

00:30:56,390 --> 00:30:53,780

just seeing if there was like planes and

642

00:30:58,790 --> 00:30:56,400

advertising and

643

00:31:00,740 --> 00:30:58,800

all sorts of things so I was just

644

00:31:04,310 --> 00:31:00,750

looking up into the sky I kind of in the

645

00:31:07,190 --> 00:31:04,320

middle of the set during the show and I

646

00:31:12,260 --> 00:31:07,200

saw my I caught something in the sky

647

00:31:17,060 --> 00:31:12,270

and I was pretty sure it was a drone but

648

00:31:19,010 --> 00:31:17,070

it was it blinking red back and forth

649

00:31:20,900 --> 00:31:19,020

between the two sides of it and I could

650

00:31:23,060 --> 00:31:20,910

tell that it was a dark object in the

651
00:31:28,780 --> 00:31:23,070
center but it was moving very strangely

652
00:31:33,620 --> 00:31:28,790
and then about thirty seconds later I

653
00:31:38,690 --> 00:31:33,630
started to feel like my brain was like

654
00:31:41,180 --> 00:31:38,700
buzzing like and I kind of went numb and

655
00:31:42,860 --> 00:31:41,190
started I almost tapped my friend on the

656
00:31:45,190 --> 00:31:42,870
shoulder I was going to tell him that I

657
00:31:49,910 --> 00:31:45,200
was needed to get out of the crowd and

658
00:31:52,150 --> 00:31:49,920
then I blacked out and he was like

659
00:31:55,850 --> 00:31:52,160
stabbing me in the face when I woke up

660
00:31:58,070 --> 00:31:55,860
Wow and it was like I was out for like

661
00:32:00,110 --> 00:31:58,080
30 seconds or something like that are

662
00:32:02,720 --> 00:32:00,120
you okay do you think they were related

663
00:32:07,640 --> 00:32:02,730

or maybe it was just you know maybe it

664

00:32:10,210 --> 00:32:07,650

was the the heavy bass jams well I've

665

00:32:13,970 --> 00:32:10,220

been to a lot of shows and I've been

666

00:32:15,890 --> 00:32:13,980

I've also been contact experience there

667

00:32:21,050 --> 00:32:15,900

I call your show a lot and talk about

668

00:32:24,710 --> 00:32:21,060

that but I it's easy for me sometimes to

669

00:32:26,750 --> 00:32:24,720

associate the two I was just I mean I I

670

00:32:29,840 --> 00:32:26,760

was worried about it medically at first

671

00:32:33,140 --> 00:32:29,850

but I was fine after that day and I as

672

00:32:35,660 --> 00:32:33,150

soon as I woke up I was fine why would I

673

00:32:39,010 --> 00:32:35,670

do think that the two were related yeah

674

00:32:41,960 --> 00:32:39,020

well I'm glad that you are fine and

675

00:32:44,540 --> 00:32:41,970

maybe later maybe you got a download

676
00:32:46,910 --> 00:32:44,550
right maybe maybe something you know

677
00:32:49,430 --> 00:32:46,920
maybe something else is involved here

678
00:32:51,530 --> 00:32:49,440
and if you find out I know that you know

679
00:32:54,170 --> 00:32:51,540
let me know but I'm glad that you're

680
00:32:57,320 --> 00:32:54,180
alright man and I hope that the rest of

681
00:32:58,790 --> 00:32:57,330
the festival was cool it was it was a

682
00:33:01,730 --> 00:32:58,800
great experience

683
00:33:03,860 --> 00:33:01,740
thank you around yeah yeah Thank You

684
00:33:07,280 --> 00:33:03,870
Nathan behaving be well my friend have a

685
00:33:09,620 --> 00:33:07,290
great weekend you do Thank You Nathan

686
00:33:16,190 --> 00:33:09,630
that's uh that's

687
00:33:18,800 --> 00:33:16,200
yeah could that be related it's uh it's

688
00:33:19,850 --> 00:33:18,810

certainly a possibility isn't it it is a

689

00:33:25,190 --> 00:33:19,860

possibility

690

00:33:28,490 --> 00:33:25,200

could it be related mmm very interesting

691

00:33:30,950 --> 00:33:28,500

okay I am lining up stuff

692

00:33:33,260 --> 00:33:30,960

I'm sorry everybody's just been calling

693

00:33:37,190 --> 00:33:33,270

and I haven't been picking up calls so

694

00:33:37,430 --> 00:33:37,200

I'm doing it now and let's bow okay all

695

00:33:39,860 --> 00:33:37,440

right

696

00:33:40,580 --> 00:33:39,870

let's just keep this going in two

697

00:33:43,040 --> 00:33:40,590

seconds

698

00:33:45,590 --> 00:33:43,050

we'll be going right back to the phones

699

00:33:47,120 --> 00:33:45,600

and I'm gonna do it here let's go here

700

00:33:50,810 --> 00:33:47,130

for high your life I'm fade to black

701
00:33:52,790 --> 00:33:50,820
who's calling hey Jimmy it's Paul from

702
00:33:56,840 --> 00:33:52,800
Virginia hey Paul from Virginia how are

703
00:34:00,050 --> 00:33:56,850
you I'm good man uh glad to talk to you

704
00:34:02,740 --> 00:34:00,060
what's on your mind tonight Paul well I

705
00:34:08,510 --> 00:34:02,750
want to start out talking about 3rd mink

706
00:34:12,830 --> 00:34:08,520
um Fairbanks and Burbank Oh Burbank

707
00:34:15,139 --> 00:34:12,840
yeah like Burbank California yeah it's

708
00:34:17,000 --> 00:34:15,149
my favorite town I've ever lived in okay

709
00:34:20,810 --> 00:34:17,010
all right so what's on your mind about

710
00:34:22,909 --> 00:34:20,820
Burbank you remember that little used

711
00:34:26,450 --> 00:34:22,919
bookstore that was downtown there had a

712
00:34:29,570 --> 00:34:26,460
little awning above it in Burbank are

713
00:34:34,480 --> 00:34:32,950

there was the one in North Hollywood on

714

00:34:37,310 --> 00:34:34,490

[Music]

715

00:34:40,970 --> 00:34:37,320

man what was that Laurel Canyon and

716

00:34:44,110 --> 00:34:40,980

Magnolia there was one there too I'm

717

00:34:50,690 --> 00:34:44,120

talking about the one it was in Burbank

718

00:34:54,260 --> 00:34:50,700

hold on now on Cahuenga and Burbank next

719

00:34:55,840 --> 00:34:54,270

to oh man and next to Circus liquor

720

00:34:58,790 --> 00:34:55,850

you're talking about that one

721

00:35:01,490 --> 00:34:58,800

no I'm talking about one in Burbank

722

00:35:05,060 --> 00:35:01,500

Burbank this is Burbank I'm talking

723

00:35:06,710 --> 00:35:05,070

about Cahuenga and Burbank Boulevard no

724

00:35:09,380 --> 00:35:06,720

I wasn't going to okay

725

00:35:12,230 --> 00:35:09,390

all right now it was a little south of a

726

00:35:14,840 --> 00:35:12,240

little south and east of Burbank High

727

00:35:17,200 --> 00:35:14,850

School a little bit south and east of

728

00:35:22,160 --> 00:35:17,210

Burbank High School in downtown Burbank

729

00:35:23,490 --> 00:35:22,170

South and East so that would be like at

730

00:35:28,200 --> 00:35:23,500

Orange Grove

731

00:35:30,540 --> 00:35:28,210

and second Avenue yeah yeah somewhere

732

00:35:33,870 --> 00:35:30,550

like that anyway all right now here's a

733

00:35:35,760 --> 00:35:33,880

bummer all right so what about it I just

734

00:35:40,560 --> 00:35:35,770

used to love walking in there and

735

00:35:43,560 --> 00:35:40,570

smelling the book smell and I used to

736

00:35:46,200 --> 00:35:43,570

get every book I could find from think

737

00:35:47,940 --> 00:35:46,210

Herbert now I was talking to the owner

738

00:35:51,410 --> 00:35:47,950

there in one day and he said Frank used

739

00:35:53,730 --> 00:35:51,420

to come in in there and peruse the store

740

00:35:57,840 --> 00:35:53,740

when was the last time you were in that

741

00:35:59,430 --> 00:35:57,850

area I was uh five and a half years ago

742

00:36:01,950 --> 00:35:59,440

I think just before you started your

743

00:36:04,920 --> 00:36:01,960

show okay cuz you know now that that's

744

00:36:08,430 --> 00:36:04,930

all that's all condos and apartments now

745

00:36:11,340 --> 00:36:08,440

I mean that that whole area around

746

00:36:12,660 --> 00:36:11,350

Burbank High School I mean fir'd you

747

00:36:16,380 --> 00:36:12,670

know a couple of miles in each direction

748

00:36:18,360 --> 00:36:16,390

is all built and I think that that's all

749

00:36:23,250 --> 00:36:18,370

brand-new development I mean it's nice

750

00:36:25,590 --> 00:36:23,260

but the old Burbank experience that that

751

00:36:29,330 --> 00:36:25,600

we all know and love that that's that's

752

00:36:32,850 --> 00:36:29,340

all gone you have to yeah I mean to to

753

00:36:36,030 --> 00:36:32,860

experience old Burbank like it used to

754

00:36:40,920 --> 00:36:36,040

be you've got to go up Magnolia or

755

00:36:43,530 --> 00:36:40,930

Burbank Boulevard and get on to the

756

00:36:45,120 --> 00:36:43,540

other side of the five because that's

757

00:36:50,340 --> 00:36:45,130

where it's still the old Burbank

758

00:36:52,110 --> 00:36:50,350

Burbank had a law which is technically

759

00:36:54,600 --> 00:36:52,120

still on the books but they had a law

760

00:36:58,710 --> 00:36:54,610

that you could not build anything in

761

00:37:01,580 --> 00:36:58,720

Burbank over two stories tall okay that

762

00:37:06,210 --> 00:37:01,590

was the law there were a couple of

763

00:37:08,280 --> 00:37:06,220

exceptions made in those the holiday in

764

00:37:11,100 --> 00:37:08,290

a couple of hotels there in Burbank

765

00:37:13,230 --> 00:37:11,110

other than that everything was two

766

00:37:14,940 --> 00:37:13,240

stories tall they didn't want the

767

00:37:18,030 --> 00:37:14,950

cityscape ruined

768

00:37:19,590 --> 00:37:18,040

well downtown Burbank is not the case

769

00:37:22,350 --> 00:37:19,600

anymore everything is ten storeys and

770

00:37:24,270 --> 00:37:22,360

above but when the Burbank at the time

771

00:37:27,390 --> 00:37:24,280

when I was there was like the West most

772

00:37:29,190 --> 00:37:27,400

well planned out town I saw in the whole

773

00:37:31,200 --> 00:37:29,200

yeah it was great it was great because

774

00:37:34,440 --> 00:37:31,210

everything is one-story two storeys tall

775

00:37:36,770 --> 00:37:34,450

and it was old-school 50s and it was

776

00:37:38,840 --> 00:37:36,780

just happening and kitsch

777

00:37:40,370 --> 00:37:38,850

but Burbank isn't that way anymore it is

778

00:37:43,670 --> 00:37:40,380

if you get to the other side of the five

779

00:37:46,670 --> 00:37:43,680

and had hey Paul thank you for taking me

780

00:37:48,140 --> 00:37:46,680

down memory lane man well yeah he um but

781

00:37:50,630 --> 00:37:48,150

there was an experience I had in Burbank

782

00:37:52,660 --> 00:37:50,640

I'd like to talk about okay what

783

00:37:55,130 --> 00:37:52,670

happened okay

784

00:37:57,200 --> 00:37:55,140

the first time it happened now sleeping

785

00:38:01,010 --> 00:37:57,210

just sleeping and all sudden I wake up

786

00:38:05,960 --> 00:38:01,020

and I look right in front of me and

787

00:38:09,100 --> 00:38:05,970

there was like a loop like a tornado in

788

00:38:11,510 --> 00:38:09,110

front of me that was like me had a light

789

00:38:13,520 --> 00:38:11,520

it was probably only like ten inches

790

00:38:18,200 --> 00:38:13,530

tall and it's right in front of my face

791

00:38:21,440 --> 00:38:18,210

and I like I was freaked out I jumped up

792

00:38:23,060 --> 00:38:21,450

I'm you know I jump up and moving away

793

00:38:25,460 --> 00:38:23,070

from me I'm like what the hell is that

794

00:38:27,050 --> 00:38:25,470

and I look at my wife and she's freaked

795

00:38:29,090 --> 00:38:27,060

out too wondering would am i what's

796

00:38:31,970 --> 00:38:29,100

wrong and she didn't see it and

797

00:38:34,180 --> 00:38:31,980

disappeared and then uh you know in a

798

00:38:38,300 --> 00:38:34,190

month time it happened two more times

799

00:38:43,040 --> 00:38:38,310

and then the left and then you know a

800

00:38:45,290 --> 00:38:43,050

big Bailey that uh that David Wilcock

801
00:38:48,740 --> 00:38:45,300
did a interview with about the plan like

802
00:38:51,080 --> 00:38:48,750
in 2010 or so no I don't remember that

803
00:38:53,000 --> 00:38:51,090
but he's a friend of mine so whenever

804
00:38:57,140 --> 00:38:53,010
stuff like that happens I'd call him

805
00:39:02,710 --> 00:38:57,150
like about the period man that I saw but

806
00:39:06,920 --> 00:39:02,720
uh anyway the last time it happened I

807
00:39:09,550 --> 00:39:06,930
wake up and there were three green

808
00:39:14,660 --> 00:39:09,560
tourmate tornadoes in front of me

809
00:39:18,440 --> 00:39:14,670
spinning kind of kind of like a color of

810
00:39:20,950 --> 00:39:18,450
the rainbow green and there was three of

811
00:39:23,390 --> 00:39:20,960
them like a triangle rain front of me

812
00:39:27,200 --> 00:39:23,400
spinning spinning spinning wow I've

813
00:39:28,820 --> 00:39:27,210

never heard that before I'm gonna shout

814

00:39:30,940 --> 00:39:28,830

out to the audience right now has

815

00:39:34,610 --> 00:39:30,950

anybody ever had that kind of experience

816

00:39:36,110 --> 00:39:34,620

I want to talk about because I realized

817

00:39:37,910 --> 00:39:36,120

well that's probably something I've

818

00:39:40,760 --> 00:39:37,920

never heard anybody talk about so uh

819

00:39:41,930 --> 00:39:40,770

I'll mention that yeah let's let's see

820

00:39:46,040 --> 00:39:41,940

what happens that's very interesting

821

00:39:47,570 --> 00:39:46,050

Paul hey man have a great weekend thank

822

00:39:49,940 --> 00:39:47,580

you me and hey I hope you're okay buddy

823

00:39:50,210 --> 00:39:49,950

I'm good man I was worried when I was

824

00:39:53,120 --> 00:39:50,220

one

825

00:39:54,980 --> 00:39:53,130

what happened to the show and we'll open

826

00:39:56,930 --> 00:39:54,990

your okay it's all good man it's

827

00:39:59,720 --> 00:39:56,940

seriously I feel great and thank you

828

00:40:04,340 --> 00:39:59,730

thank you so much for you man shoutout

829

00:40:07,460 --> 00:40:04,350

to the Spreaker room they're the best in

830

00:40:11,840 --> 00:40:07,470

there have a good weekend Paul thanks

831

00:40:16,040 --> 00:40:11,850

man thank you and tornadoes little mini

832

00:40:19,130 --> 00:40:16,050

tornadoes while you're sleeping has

833

00:40:23,480 --> 00:40:19,140

anybody ever experienced that that is

834

00:40:25,550 --> 00:40:23,490

very very interesting and with that

835

00:40:28,220 --> 00:40:25,560

let's see let's look at the clock yeah I

836

00:40:33,110 --> 00:40:28,230

can do a couple more really quick and

837

00:40:35,090 --> 00:40:33,120

let's see let's go here first man hey

838

00:40:36,770 --> 00:40:35,100

the phones are acting funky no they're

839

00:40:39,020 --> 00:40:36,780

not they're good hi you're live on fade

840

00:40:41,240 --> 00:40:39,030

to black who's calling hey right on

841

00:40:42,800 --> 00:40:41,250

there Jimmy it's brother Bob watches

842

00:40:44,510 --> 00:40:42,810

from the great white north how are you

843

00:40:48,680 --> 00:40:44,520

hey Bob how are you man everything good

844

00:40:52,630 --> 00:40:48,690

Oh everything's just peachy up here but

845

00:40:55,760 --> 00:40:52,640

I'm kind of tripping how north are you I

846

00:40:58,370 --> 00:40:55,770

am Edmonton Alberta well yeah that's

847

00:41:00,290 --> 00:40:58,380

north that's north yeah that's where you

848

00:41:02,870 --> 00:41:00,300

had the good steak yep that's north

849

00:41:06,500 --> 00:41:02,880

that's north so what's going on up there

850

00:41:09,500 --> 00:41:06,510

well it's not snowing now it is in

851

00:41:10,790 --> 00:41:09,510

Denver though apparently is it yeah I

852

00:41:13,370 --> 00:41:10,800

was stolen

853

00:41:17,030 --> 00:41:13,380

about a week ago but not not so much now

854

00:41:19,790 --> 00:41:17,040

so what's going on man well did you it

855

00:41:22,730 --> 00:41:19,800

is the guy who is doing the does the

856

00:41:24,850 --> 00:41:22,740

night-vision goggles did you interview

857

00:41:27,980 --> 00:41:24,860

him about the same time last year

858

00:41:30,440 --> 00:41:27,990

maybe probably because I swear to God I

859

00:41:31,880 --> 00:41:30,450

heard that interview before and I was

860

00:41:34,610 --> 00:41:31,890

listening to coast to coast the other

861

00:41:37,070 --> 00:41:34,620

day and it's like it's the same

862

00:41:39,110 --> 00:41:37,080

interview and the same people and I

863

00:41:42,080 --> 00:41:39,120

remember listening to some guy called

864

00:41:43,640 --> 00:41:42,090

your show a while ago saying the same

865

00:41:47,930 --> 00:41:43,650

thing remember he's called up and said

866

00:41:50,480 --> 00:41:47,940

didn't you just do this show yeah that

867

00:41:54,980 --> 00:41:50,490

that was uh that was last month I

868

00:42:01,430 --> 00:41:54,990

remember that too as well it was just so

869

00:42:02,180 --> 00:42:01,440

trippy man because it was like yeah I

870

00:42:07,160 --> 00:42:02,190

mean

871

00:42:09,590 --> 00:42:07,170

sure we had Alec on last I know I you

872

00:42:12,980 --> 00:42:09,600

know what I don't know I've had him on

873

00:42:14,750 --> 00:42:12,990

the show before but I don't know if we

874

00:42:17,330 --> 00:42:14,760

did it last year maybe six months ago

875

00:42:18,920 --> 00:42:17,340

all your goggles like your color goggles

876

00:42:20,030 --> 00:42:18,930

how old are those they like brand-new

877

00:42:27,350 --> 00:42:20,040

brand-new

878

00:42:30,770 --> 00:42:27,360

him no way like this month yes like this

879

00:42:34,520 --> 00:42:30,780

month get oh no no absolutely not

880

00:42:38,440 --> 00:42:34,530

because what do you mean absolutely not

881

00:42:41,000 --> 00:42:38,450

we just literally not because I swear it

882

00:42:44,330 --> 00:42:41,010

Barry is my witness there but by the

883

00:42:45,500 --> 00:42:44,340

grace of Barry go I right absolutely

884

00:42:49,280 --> 00:42:45,510

last year

885

00:42:51,280 --> 00:42:49,290

oh my yeah man you're tripping hey you

886

00:42:54,440 --> 00:42:51,290

know what though Bob tripping is good

887

00:42:55,640 --> 00:42:54,450

tripping is fun see the thing is and

888

00:42:57,500 --> 00:42:55,650

there's people out there that'll listen

889

00:43:01,940 --> 00:42:57,510

going institute is to be talking about

890

00:43:06,010 --> 00:43:01,950

you know acid what's he do this is this

891

00:43:09,560 --> 00:43:06,020

is what is so amazing I love deja Vu's

892

00:43:11,810 --> 00:43:09,570

when they happen and and I know what

893

00:43:13,100 --> 00:43:11,820

you're thinking and I get that I don't

894

00:43:16,700 --> 00:43:13,110

know if you think of deja vu but the

895

00:43:18,770 --> 00:43:16,710

point is you're thinking like it is and

896

00:43:21,020 --> 00:43:18,780

that means you're on the right path yeah

897

00:43:23,090 --> 00:43:21,030

yeah yeah there you got every time it's

898

00:43:26,090 --> 00:43:23,100

all I've ever been taught I love it when

899

00:43:30,190 --> 00:43:26,100

it happens Bob but I can assure you that

900

00:43:34,070 --> 00:43:30,200

we introduced the goggles to the world

901
00:43:38,870 --> 00:43:34,080
about I have to ask Rita two months ago

902
00:43:42,890 --> 00:43:38,880
I think two months ago yeah yeah because

903
00:43:45,970 --> 00:43:42,900
a friend of mine has really really are

904
00:43:48,500 --> 00:43:45,980
pierette retinas retinitis pigmentosa

905
00:43:50,660 --> 00:43:48,510
right and he can't see at night and I

906
00:43:52,340 --> 00:43:50,670
was thinking you know Jimmy's got these

907
00:43:56,300 --> 00:43:52,350
really good goggles and we went camping

908
00:43:58,790 --> 00:43:56,310
last year ah yeah you've got to get

909
00:44:01,220 --> 00:43:58,800
something you got a you got a point your

910
00:44:03,710 --> 00:44:01,230
friend over to and think about this if

911
00:44:06,260 --> 00:44:03,720
he can't see at night and he gets these

912
00:44:09,640 --> 00:44:06,270
night-vision goggles that are cobalt

913
00:44:13,580 --> 00:44:09,650

blue not green not black and white but

914

00:44:15,710 --> 00:44:13,590

our blue sky that you're looking at with

915

00:44:17,990 --> 00:44:15,720

the Stars and the

916

00:44:19,609 --> 00:44:18,000

quality of the optics and what you're

917

00:44:22,910 --> 00:44:19,619

dealing with here there is nothing

918

00:44:26,089 --> 00:44:22,920

better on the planet you would have the

919

00:44:26,720 --> 00:44:26,099

most amazing but but that's not why I

920

00:44:29,870 --> 00:44:26,730

called

921

00:44:33,530 --> 00:44:29,880

okay why'd you call we're about the same

922

00:44:36,170 --> 00:44:33,540

age we are your 29-yard I thought you

923

00:44:40,970 --> 00:44:36,180

were older actually I'm on the what is

924

00:44:42,370 --> 00:44:40,980

it force 23rd anniversary of my 29th

925

00:44:48,800 --> 00:44:42,380

birth

926
00:44:51,200 --> 00:44:48,810
something like that all right so go

927
00:44:57,380 --> 00:44:51,210
ahead we got two minutes war the world

928
00:45:00,500 --> 00:44:57,390
yes Jeff Wayne 1978 Phil Lynott Justin

929
00:45:05,450 --> 00:45:00,510
Hayward David Essex you ever listen to

930
00:45:10,370 --> 00:45:05,460
that man yeah oh man you're taking me

931
00:45:13,220 --> 00:45:10,380
back oh I knew you did man I'll tell you

932
00:45:17,839 --> 00:45:13,230
that our HD well that's original

933
00:45:20,089 --> 00:45:17,849
disclosure man it's a documentary it's a

934
00:45:22,520 --> 00:45:20,099
diary it's a documentary man if you

935
00:45:24,170 --> 00:45:22,530
think of short if you think about it and

936
00:45:26,900 --> 00:45:24,180
then Jeff Wayne took that thing and he

937
00:45:29,780 --> 00:45:26,910
put it he put it on the stage yeah yeah

938
00:45:30,470 --> 00:45:29,790

yeah yeah and who would man let me tell

939

00:45:34,280 --> 00:45:30,480

you something

940

00:45:36,620 --> 00:45:34,290

and I'm not was like the preacher man

941

00:45:39,230 --> 00:45:36,630

yeah yeah building Hut man I miss that

942

00:45:43,480 --> 00:45:39,240

guy okay listen I mean I'm being serious

943

00:45:47,870 --> 00:45:43,490

I'm nobody had the vision of the future

944

00:45:52,550 --> 00:45:47,880

like David I see David Essex that guy

945

00:45:58,160 --> 00:45:52,560

would he was doing in 1970 could have

946

00:46:01,160 --> 00:45:58,170

been hit songs today today think about

947

00:46:04,490 --> 00:46:01,170

that he when everybody else is doing

948

00:46:07,910 --> 00:46:04,500

that that that you don't think that Dave

949

00:46:14,240 --> 00:46:07,920

hello what are you being serious

950

00:46:17,480 --> 00:46:14,250

ah we lost him we lost him oh that is

951
00:46:21,650 --> 00:46:17,490
just a drag and I have got two minutes

952
00:46:22,460 --> 00:46:21,660
okay I'm gonna go I'm going to go and oh

953
00:46:26,750 --> 00:46:22,470
okay

954
00:46:28,490 --> 00:46:26,760
calls are dropping I am going to let's

955
00:46:29,180 --> 00:46:28,500
pick up the most recent one see they

956
00:46:31,789 --> 00:46:29,190
time

957
00:46:34,069 --> 00:46:31,799
after 30 minutes everybody just so you

958
00:46:35,750 --> 00:46:34,079
know that's partly my fault

959
00:46:38,299 --> 00:46:35,760
hi you're live on fade to black who's

960
00:46:40,039 --> 00:46:38,309
calling hey what's happening to me it's

961
00:46:45,980 --> 00:46:40,049
Ryan from Pittsburgh

962
00:46:49,220 --> 00:46:45,990
yeah better good brother I'm uh had a

963
00:46:52,400 --> 00:46:49,230

UFO story wanted to share with you okay

964

00:46:55,849 --> 00:46:52,410

what happened all right so this happened

965

00:46:59,059 --> 00:46:55,859

about three years ago and as I am now

966

00:47:04,130 --> 00:46:59,069

it's pretty much into this field pretty

967

00:47:06,349 --> 00:47:04,140

deep so I had a high powered flashlight

968

00:47:07,099 --> 00:47:06,359

I was messing around for a couple nights

969

00:47:10,010 --> 00:47:07,109

in a row

970

00:47:11,870 --> 00:47:10,020

pointing at the sky you know I don't

971

00:47:15,140 --> 00:47:11,880

know why you know just trying to pick up

972

00:47:18,079 --> 00:47:15,150

something you know so I also had a night

973

00:47:21,770 --> 00:47:18,089

vision monocular and I would use them

974

00:47:24,319 --> 00:47:21,780

both and so the second night I saw a

975

00:47:29,270 --> 00:47:24,329

couple lights come by and then the third

976

00:47:31,490 --> 00:47:29,280

night I saw one come in and stopped when

977

00:47:35,569 --> 00:47:31,500

I looked at it with a monocular it

978

00:47:39,680 --> 00:47:35,579

disappeared whoa so yeah it scared me

979

00:47:42,559 --> 00:47:39,690

how's that go so I went inside but so

980

00:47:46,700 --> 00:47:42,569

the next thing I remember after laying

981

00:47:50,480 --> 00:47:46,710

on a couch I just remember waking up

982

00:47:53,630 --> 00:47:50,490

instantly not not feeling sleepy or

983

00:47:55,460 --> 00:47:53,640

anything all of a sudden I look at my

984

00:47:57,500 --> 00:47:55,470

door and I mean my basement the doors

985

00:47:58,910 --> 00:47:57,510

have blinds inside of them so you could

986

00:48:02,180 --> 00:47:58,920

you know hit that lever and the blind to

987

00:48:05,450 --> 00:48:02,190

go up inside the window right so outside

988

00:48:07,849 --> 00:48:05,460

is an orange light and it's sitting in

989

00:48:12,230 --> 00:48:07,859

the upper corner and it's not blinking

990

00:48:16,069 --> 00:48:12,240

it's going in and out in and out and

991

00:48:19,250 --> 00:48:16,079

it's not shining a light and it's it's

992

00:48:20,990 --> 00:48:19,260

it was contained within itself you know

993

00:48:23,599 --> 00:48:21,000

what I mean that like you hear another

994

00:48:25,400 --> 00:48:23,609

UFO stories like you know orbs the

995

00:48:29,900 --> 00:48:25,410

lights weren't shining it was like a

996

00:48:33,829 --> 00:48:29,910

ball of light within it so the second

997

00:48:36,019 --> 00:48:33,839

thing I noticed was my my feet were

998

00:48:39,740 --> 00:48:36,029

totally pointed straight up in my hands

999

00:48:42,140 --> 00:48:39,750

or in my hoodie and people who know me

1000

00:48:42,890 --> 00:48:42,150

they know I got real short stubby legs

1001
00:48:44,450 --> 00:48:42,900
so

1002
00:48:47,090 --> 00:48:44,460
it's kind of hard for me to put my legs

1003
00:48:50,300 --> 00:48:47,100
together and keep them straight up right

1004
00:48:52,310 --> 00:48:50,310
and so I thought at that point I think I

1005
00:48:54,950 --> 00:48:52,320
got to see what this is so I made the

1006
00:48:59,330 --> 00:48:54,960
decision to get up and run to the door

1007
00:49:01,730 --> 00:48:59,340
and rate as I saw that the light dimmed

1008
00:49:05,090 --> 00:49:01,740
out but I got to the door pulled it open

1009
00:49:08,000 --> 00:49:05,100
looked up I saw nothing but the branch

1010
00:49:12,440 --> 00:49:08,010
was going up and down and there was no

1011
00:49:15,710 --> 00:49:12,450
wind that night and so for the next year

1012
00:49:17,270 --> 00:49:15,720
I tried to debunk this I thought it was

1013
00:49:20,180 --> 00:49:17,280

a street light or maybe it was someone's

1014

00:49:21,650 --> 00:49:20,190

car light but I lived rape there's no

1015

00:49:22,820 --> 00:49:21,660

light there you could get no lights

1016

00:49:24,260 --> 00:49:22,830

behind there they never happened

1017

00:49:26,510 --> 00:49:24,270

together right right

1018

00:49:31,510 --> 00:49:26,520

it didn't happen from right I get it I

1019

00:49:35,360 --> 00:49:31,520

get it so has it happened since no but

1020

00:49:37,550 --> 00:49:35,370

we have recently seen I mean me and my

1021

00:49:40,730 --> 00:49:37,560

son saw two orbs the one and this is in

1022

00:49:42,650 --> 00:49:40,740

a daytime two orbs side-by-side they

1023

00:49:44,630 --> 00:49:42,660

both turned with each other and rate as

1024

00:49:51,800 --> 00:49:44,640

I went to go pull my phone out they

1025

00:49:54,440 --> 00:49:51,810

disappeared the only other thing I can

1026

00:49:56,470 --> 00:49:54,450

connect with this it would be I was

1027

00:50:00,080 --> 00:49:56,480

driving to one day for deliveries for

1028

00:50:02,030 --> 00:50:00,090

FedEx Express and I all the sudden image

1029

00:50:05,480 --> 00:50:02,040

just popped in my head of an orange

1030

00:50:07,640 --> 00:50:05,490

light underneath a craft but that's the

1031

00:50:09,590 --> 00:50:07,650

only thing I can connect with that but I

1032

00:50:13,100 --> 00:50:09,600

mean I don't know what else to say I'm

1033

00:50:14,900 --> 00:50:13,110

guessing it was an orb or you were a UFO

1034

00:50:18,170 --> 00:50:14,910

you know I mean I just it's something

1035

00:50:22,190 --> 00:50:18,180

that's never happened since and I could

1036

00:50:25,160 --> 00:50:22,200

never duplicate what it was well you

1037

00:50:27,710 --> 00:50:25,170

know Ryan I'm gonna a quick comment and

1038

00:50:31,940 --> 00:50:27,720

then I've got a break for commercial

1039

00:50:36,380 --> 00:50:31,950

here but as we are moving into like this

1040

00:50:39,530 --> 00:50:36,390

new phase of what this may be the

1041

00:50:41,750 --> 00:50:39,540

phenomenon more and more myself included

1042

00:50:46,310 --> 00:50:41,760

more and more of us are seeing things

1043

00:50:48,890 --> 00:50:46,320

that appear to be energy balls of light

1044

00:50:51,380 --> 00:50:48,900

that are entering from the atmosphere or

1045

00:50:54,860 --> 00:50:51,390

maybe you know from from space of course

1046

00:50:56,470 --> 00:50:54,870

but maybe something interdimensional you

1047

00:51:01,230 --> 00:50:56,480

know something from a parallel

1048

00:51:04,330 --> 00:51:01,240

all world that is next to us but it is

1049

00:51:07,270 --> 00:51:04,340

something that everybody is seeing and I

1050

00:51:09,370 --> 00:51:07,280

am seeing it constantly so are they

1051
00:51:12,280 --> 00:51:09,380
connected I you know it could be just

1052
00:51:14,800 --> 00:51:12,290
the latest visitations of our et

1053
00:51:17,109 --> 00:51:14,810
brothers another civilization out there

1054
00:51:19,300 --> 00:51:17,119
and that's the car that they drive you

1055
00:51:22,120 --> 00:51:19,310
know but exactly hey Ryan
