

JUNE 17, 2019

7 PM PT / 10 PM ET LIVE BROADCAST

DR. STEVEN GREER
SPECIAL GUEST

THE WILSON UFO
LEAKED DOCUMENTS

Ep. 1062

F2B

with Jimmy Church

TW: I found it, where I looked, who I talked to but did not name every one - that's it.

EWD: I show Miller letter (to me, EWD) dated 4/25/02 - please evaluate.

TW: (laughs) Didn't tell Miller EVERYTHING! Miller knows what I did in Pentagon Records Group search but no more. Miller can make good educated guess on who (contractors) has alien hardware. Do not pay Miller - sounds hard up to pay for nice Florida home and private beach privilege - (laughs)!

TW: Miller can give good advice on which defense companies to look at - that's all he knows. [changes subject]

- Oke told all about JA (doesn't trust JA, a liar!) AP-10 group meetings at BDM.
- References Blum's book. Talked about JA, Blum's book, his (Oke's) role there, who attended, etc.
- Oke briefed me on whole BDM thing - talked about RV program for 10 min. I know something of this RV.
- Oke said I (EWD) was team player, would keep mouth shut, no media connections - obey all restrictions - not in government/no clearances, but pedigree excellent - professional/personal references very excellent.

[paper-clipped letter here]

1
00:00:12,950 --> 00:00:10,400
[Music]

2
00:00:15,829 --> 00:00:12,960
[Applause]

3
00:00:18,710 --> 00:00:15,839
the smoke radio for the masses headline

4
00:00:20,630 --> 00:00:18,720
edition july 8 1947

5
00:00:23,109 --> 00:00:20,640
the army air forces has announced that a

6
00:00:24,790 --> 00:00:23,119
flying disc has been found and is now in

7
00:00:27,509 --> 00:00:24,800
the possession of the army

8
00:00:29,509 --> 00:00:27,519
if the game is rigged change the game

9
00:00:32,389 --> 00:00:29,519
game changer

10
00:00:34,709 --> 00:00:32,399
i occasionally think how quickly

11
00:00:35,990 --> 00:00:34,719
our differences worldwide

12
00:00:38,709 --> 00:00:36,000
would vanish

13
00:00:44,950 --> 00:00:38,719

if we were facing an alien threat from

14

00:00:50,389 --> 00:00:47,670

this is fade to black with your host

15

00:00:57,270 --> 00:00:50,399

jimmy church on the game changer radio

16

00:01:02,540 --> 00:00:59,430

i need your alliance to get to the year

17

00:01:08,310 --> 00:01:06,310

[Music]

18

00:01:13,100 --> 00:01:08,320

you are listening to fate to flag with

19

00:01:20,710 --> 00:01:13,110

jimmy judge on the game changer network

20

00:01:23,749 --> 00:01:20,720

[Music]

21

00:01:28,230 --> 00:01:24,830

fade to

22

00:01:29,030 --> 00:01:28,240

black bespoke radio

23

00:01:30,310 --> 00:01:29,040

for

24

00:01:32,310 --> 00:01:30,320

the

25

00:01:33,830 --> 00:01:32,320

masses

26

00:01:36,469 --> 00:01:33,840

yeah

27

00:01:39,429 --> 00:01:36,479

how you doing how you doing today is

28

00:01:42,670 --> 00:01:39,439

monday june 17th

29

00:01:49,109 --> 00:01:46,069

167 days into the new year

30

00:01:50,630 --> 00:01:49,119

just 198

31

00:01:53,270 --> 00:01:50,640

days left

32

00:01:54,870 --> 00:01:53,280

we are live from a bunker

33

00:01:57,030 --> 00:01:54,880

somewhere in the middle of beautiful

34

00:01:58,630 --> 00:01:57,040

downtown burbank california and i would

35

00:02:00,389 --> 00:01:58,640

like to welcome everybody listening all

36

00:02:04,230 --> 00:02:00,399

around the world

37

00:02:06,950 --> 00:02:04,240

all across the united states

38

00:02:08,949 --> 00:02:06,960

hither and tether to and fro back and

39

00:02:11,029 --> 00:02:08,959

forth up and down east and west north

40

00:02:14,470 --> 00:02:11,039

and south

41

00:02:20,949 --> 00:02:17,270

this is fade to black for kjcr the game

42

00:02:23,110 --> 00:02:20,959

changer network and kg ra the planet

43

00:02:27,510 --> 00:02:23,120

i am your host jimmy church what is

44

00:02:34,470 --> 00:02:30,710

we got a very very big

45

00:02:40,470 --> 00:02:37,030

tonight

46

00:02:41,589 --> 00:02:40,480

very special guest dr stephen greer is

47

00:02:42,949 --> 00:02:41,599

with us

48

00:02:46,869 --> 00:02:42,959

we're going to be talking about those

49

00:02:48,550 --> 00:02:46,879

recent davis wilson document leak

50

00:02:50,470 --> 00:02:48,560

that's right

51
00:02:52,630 --> 00:02:50,480
and a whole lot of other stuff tonight

52
00:02:54,470 --> 00:02:52,640
that we are going to cover with dr greer

53
00:02:55,990 --> 00:02:54,480
concerning these leaks and what may be

54
00:02:58,150 --> 00:02:56,000
going on

55
00:03:00,550 --> 00:02:58,160
so we'll be doing that tonight

56
00:03:03,750 --> 00:03:00,560
tomorrow night right here

57
00:03:06,550 --> 00:03:03,760
is our disclosure fest special event

58
00:03:09,670 --> 00:03:06,560
disclosure fest of course is going down

59
00:03:12,710 --> 00:03:09,680
this saturday in downtown los angeles at

60
00:03:14,949 --> 00:03:12,720
the los angeles historic state park

61
00:03:17,910 --> 00:03:14,959
that'll be downtown and tomorrow night

62
00:03:20,630 --> 00:03:17,920
our special guests are nasim haraman

63
00:03:21,750 --> 00:03:20,640

jason quit billy carson michael

64

00:03:24,229 --> 00:03:21,760

telling

65

00:03:27,670 --> 00:03:24,239

and of course my guest host is adrian

66

00:03:29,430 --> 00:03:27,680

valera so that is tomorrow night

67

00:03:32,869 --> 00:03:29,440

wednesday night

68

00:03:36,710 --> 00:03:32,879

grant cameron is here grant cameron has

69

00:03:39,030 --> 00:03:36,720

been silent uh since january as we all

70

00:03:42,789 --> 00:03:39,040

know concerning these documents

71

00:03:45,030 --> 00:03:42,799

and now that they are out in public

72

00:03:48,309 --> 00:03:45,040

he is ready to start talking

73

00:03:50,789 --> 00:03:48,319

so wednesday night grant cameron is here

74

00:03:51,670 --> 00:03:50,799

is going to give us the inside story to

75

00:03:54,309 --> 00:03:51,680

all

76

00:03:55,990 --> 00:03:54,319
of the davis wilson ufo

77

00:03:58,309 --> 00:03:56,000
leaked documents

78

00:04:00,630 --> 00:03:58,319
tonight is dr stephen greer

79

00:04:02,869 --> 00:04:00,640
last week a major document leak was

80

00:04:04,869 --> 00:04:02,879
exposed to the ufo community the

81

00:04:07,350 --> 00:04:04,879
documents contained a transcript of a

82

00:04:09,990 --> 00:04:07,360
conversation between eric davis and rear

83

00:04:12,949 --> 00:04:10,000
admiral thomas wilson that took place in

84

00:04:16,949 --> 00:04:12,959
a car behind the e g g building in las

85

00:04:19,670 --> 00:04:16,959
vegas dr stephen greer is featured a

86

00:04:21,590 --> 00:04:19,680
couple of times in the document having

87

00:04:25,189 --> 00:04:21,600
attended a meeting at the pentagon in

88

00:04:28,469 --> 00:04:25,199

april 1997 and the subject at that

89

00:04:30,550 --> 00:04:28,479

meeting was ufos tonight our guest is dr

90

00:04:32,870 --> 00:04:30,560

greer and we're going to discuss the

91

00:04:35,189 --> 00:04:32,880

document the pentagon meeting and how

92

00:04:37,830 --> 00:04:35,199

the government and its agencies present

93

00:04:41,030 --> 00:04:37,840

the ufo question to the public

94

00:04:42,870 --> 00:04:41,040

of course dr stephen greer md is the

95

00:04:44,950 --> 00:04:42,880

founder of the disclosure project the

96

00:04:47,749 --> 00:04:44,960

center for the study of extraterrestrial

97

00:04:50,070 --> 00:04:47,759

intelligence assisted the orion project

98

00:04:53,270 --> 00:04:50,080

and serious technology advanced research

99

00:04:56,629 --> 00:04:53,280

llc his national press club disclosure

100

00:04:58,310 --> 00:04:56,639

event in may 2001 and the webcast had

101
00:05:00,710 --> 00:04:58,320
250

102
00:05:02,710 --> 00:05:00,720
000 people waiting online the largest

103
00:05:05,110 --> 00:05:02,720
webcast in the history of the national

104
00:05:07,110 --> 00:05:05,120
press club up to that time he has worked

105
00:05:08,950 --> 00:05:07,120
for 20 years to bring together the

106
00:05:11,430 --> 00:05:08,960
scientists the inventors and the leaders

107
00:05:13,749 --> 00:05:11,440
in society to advance new clean

108
00:05:16,550 --> 00:05:13,759
technology and energy systems he's also

109
00:05:18,870 --> 00:05:16,560
the author of four books multiple dvds

110
00:05:21,909 --> 00:05:18,880
on the ufo et subject including the

111
00:05:24,469 --> 00:05:21,919
documentary serious and unacknowledged

112
00:05:26,550 --> 00:05:24,479
and his latest film unacknowledged an

113
00:05:28,230 --> 00:05:26,560

expose of the greatest secret in human

114

00:05:31,510 --> 00:05:28,240

history premiered right here in los

115

00:05:32,950 --> 00:05:31,520

angeles i attended back in april 2017

116

00:05:36,390 --> 00:05:32,960

and is one of the most watched

117

00:05:38,270 --> 00:05:36,400

documentaries of the last two years his

118

00:05:40,150 --> 00:05:38,280

website is

119

00:05:41,909 --> 00:05:40,160

ce5film.com you need to go and check

120

00:05:43,749 --> 00:05:41,919

that out the links are at jimmy church

121

00:05:46,230 --> 00:05:43,759

radio and i would like to welcome back

122

00:05:48,710 --> 00:05:46,240

to fade to black dr stephen greer dr

123

00:05:50,629 --> 00:05:48,720

greer good evening how are you

124

00:05:52,310 --> 00:05:50,639

i'm doing great how are you it's uh good

125

00:05:54,390 --> 00:05:52,320

to hear your voice nice and clear

126
00:05:55,830 --> 00:05:54,400
tonight i guess the agencies cleared the

127
00:05:56,629 --> 00:05:55,840
call

128
00:05:58,950 --> 00:05:56,639
good

129
00:06:02,790 --> 00:05:58,960
for a change yeah for a change for a

130
00:06:05,110 --> 00:06:02,800
change uh exciting times uh right now dr

131
00:06:07,909 --> 00:06:05,120
greer let's jump straight into it your

132
00:06:10,629 --> 00:06:07,919
time uh with us is very valuable there's

133
00:06:13,350 --> 00:06:10,639
so much to discuss tonight so let's get

134
00:06:14,710 --> 00:06:13,360
straight to it in that uh the documents

135
00:06:16,950 --> 00:06:14,720
have been leaked

136
00:06:18,830 --> 00:06:16,960
you have reviewed them

137
00:06:21,110 --> 00:06:18,840
uh what's your

138
00:06:23,270 --> 00:06:21,120

assessment well they're substantially

139

00:06:25,029 --> 00:06:23,280

correct there are few errors for example

140

00:06:28,070 --> 00:06:25,039

on the first page of people who are

141

00:06:29,749 --> 00:06:28,080

reading along i mean uh admiral wilson

142

00:06:30,790 --> 00:06:29,759

who is the head of intelligence joint

143

00:06:34,469 --> 00:06:30,800

staff

144

00:06:36,629 --> 00:06:34,479

uh was sharing i i think with davis some

145

00:06:38,790 --> 00:06:36,639

of the information and some of what

146

00:06:41,430 --> 00:06:38,800

davis took down got a little mixed up

147

00:06:43,510 --> 00:06:41,440

the briefing that i did for

148

00:06:45,590 --> 00:06:43,520

the director of the defense intelligence

149

00:06:48,230 --> 00:06:45,600

agency that's referred to

150

00:06:51,830 --> 00:06:48,240

general uh patrick hughes was actually

151
00:06:53,270 --> 00:06:51,840
after this stand-up briefing that i did

152
00:06:55,629 --> 00:06:53,280
at the pentagon

153
00:06:57,830 --> 00:06:55,639
on april 9th

154
00:07:00,390 --> 00:06:57,840
1997. now

155
00:07:03,189 --> 00:07:00,400
the context for this

156
00:07:06,150 --> 00:07:03,199
is that um one of the people that i've

157
00:07:07,110 --> 00:07:06,160
worked with over the years the commander

158
00:07:08,550 --> 00:07:07,120
miller

159
00:07:09,350 --> 00:07:08,560
had uh

160
00:07:11,110 --> 00:07:09,360
been

161
00:07:12,550 --> 00:07:11,120
had asked the admiral if he wanted to be

162
00:07:13,510 --> 00:07:12,560
briefed on this

163
00:07:15,670 --> 00:07:13,520

uh

164

00:07:18,469 --> 00:07:15,680

the admiral

165

00:07:20,710 --> 00:07:18,479

did want to be briefed we brought

166

00:07:23,430 --> 00:07:20,720

astronaut edgar mitchell

167

00:07:25,670 --> 00:07:23,440

along as a guest he was not part of the

168

00:07:26,629 --> 00:07:25,680

briefing per se he wasn't presenting at

169

00:07:29,589 --> 00:07:26,639

all

170

00:07:32,469 --> 00:07:29,599

i was the briefer it was a formal quote

171

00:07:33,430 --> 00:07:32,479

stand up briefing at the pentagon and so

172

00:07:35,990 --> 00:07:33,440

um

173

00:07:37,909 --> 00:07:36,000

you know prior to that

174

00:07:40,150 --> 00:07:37,919

i had put together

175

00:07:41,189 --> 00:07:40,160

a modified version sort of updated

176
00:07:45,510 --> 00:07:41,199
version

177
00:07:47,589 --> 00:07:45,520
of the briefing i put together for

178
00:07:50,070 --> 00:07:47,599
president clinton and his director of

179
00:07:51,990 --> 00:07:50,080
the central intelligence agency the ci

180
00:07:54,070 --> 00:07:52,000
director of woolsey and that

181
00:07:56,150 --> 00:07:54,080
briefing was updated and some new

182
00:07:58,629 --> 00:07:56,160
documents put in there

183
00:08:00,150 --> 00:07:58,639
that were then conveyed to

184
00:08:02,790 --> 00:08:00,160
admiral wilson

185
00:08:05,909 --> 00:08:02,800
one of those documents is a

186
00:08:08,869 --> 00:08:05,919
alert security alert from nellis air

187
00:08:10,469 --> 00:08:08,879
force base so-called area 51 although no

188
00:08:12,869 --> 00:08:10,479

one calls it that by the way we'll talk

189

00:08:15,749 --> 00:08:12,879

about that in a moment and

190

00:08:18,390 --> 00:08:15,759

it had the project code names

191

00:08:20,790 --> 00:08:18,400

and code numbers as of the early 90s on

192

00:08:23,430 --> 00:08:20,800

that document and that was

193

00:08:25,350 --> 00:08:23,440

sent prior to the meeting so that

194

00:08:26,869 --> 00:08:25,360

admiral wilson could get familiar with

195

00:08:29,350 --> 00:08:26,879

the material

196

00:08:31,350 --> 00:08:29,360

he then based on that document made some

197

00:08:33,829 --> 00:08:31,360

inquiries and then

198

00:08:36,389 --> 00:08:33,839

got hold of some of these

199

00:08:38,550 --> 00:08:36,399

saps special access projects and

200

00:08:40,389 --> 00:08:38,560

particularly the usaps unacknowledged

201

00:08:42,870 --> 00:08:40,399

special access projects

202

00:08:45,430 --> 00:08:42,880

that as you can see through the memo

203

00:08:48,790 --> 00:08:45,440

later on in this 15 page summary of the

204

00:08:51,590 --> 00:08:48,800

conversation he was denied access to

205

00:08:53,509 --> 00:08:51,600

the operations even though legally he

206

00:08:56,389 --> 00:08:53,519

was to have oversight but they denied

207

00:08:58,389 --> 00:08:56,399

him access now i shared that information

208

00:08:59,829 --> 00:08:58,399

20 some years ago i think people

209

00:09:00,870 --> 00:08:59,839

couldn't believe it

210

00:09:03,110 --> 00:09:00,880

um

211

00:09:05,750 --> 00:09:03,120

after the ci director woolsey left

212

00:09:08,230 --> 00:09:05,760

office uh and and towards the end of the

213

00:09:10,310 --> 00:09:08,240

the clinton presidency

214

00:09:12,790 --> 00:09:10,320

we revealed the fact that the u.s

215

00:09:15,910 --> 00:09:12,800

president and the director of the cia

216

00:09:17,590 --> 00:09:15,920

that i had briefed had similarly

217

00:09:19,190 --> 00:09:17,600

been denied access and of course you

218

00:09:21,190 --> 00:09:19,200

know i had briefed members of the senate

219

00:09:22,949 --> 00:09:21,200

intelligence committee and a lot of

220

00:09:25,350 --> 00:09:22,959

other folks who who most certainly

221

00:09:27,509 --> 00:09:25,360

should know about these operations

222

00:09:28,710 --> 00:09:27,519

uh and but who were denied access and

223

00:09:32,150 --> 00:09:28,720

this came

224

00:09:34,949 --> 00:09:32,160

uh as as initially in 1993 now we're

225

00:09:36,949 --> 00:09:34,959

talking 26 years ago a shock to me as a

226

00:09:38,630 --> 00:09:36,959

young doctor i had no idea that there

227

00:09:41,509 --> 00:09:38,640

were projects within

228

00:09:43,030 --> 00:09:41,519

the us government that were beyond the

229

00:09:47,190 --> 00:09:43,040

the

230

00:09:47,990 --> 00:09:47,200

director or admiral wilson in this case

231

00:09:51,110 --> 00:09:48,000

so

232

00:09:53,750 --> 00:09:51,120

uh between 1990

233

00:09:55,750 --> 00:09:53,760

and the year 2000 and of course we did

234

00:09:58,389 --> 00:09:55,760

the we launched the public disclosure

235

00:10:00,310 --> 00:09:58,399

project in 2001 as you mentioned

236

00:10:02,550 --> 00:10:00,320

uh i had done many many of these

237

00:10:04,310 --> 00:10:02,560

briefings for senior

238

00:10:06,070 --> 00:10:04,320

pentagon officials such as admiral

239

00:10:08,310 --> 00:10:06,080

wilson which is confirmed here as well

240

00:10:10,310 --> 00:10:08,320

as uh general patrick hughes which was i

241

00:10:12,150 --> 00:10:10,320

think a couple years later who is the

242

00:10:14,230 --> 00:10:12,160

head of the defense intelligence agency

243

00:10:17,590 --> 00:10:14,240

which those of you don't who may not

244

00:10:19,269 --> 00:10:17,600

know what the dia is it's like the cia

245

00:10:20,389 --> 00:10:19,279

but for the military and the pentagon

246

00:10:22,790 --> 00:10:20,399

it's huge

247

00:10:24,949 --> 00:10:22,800

and general hughes during that briefing

248

00:10:26,630 --> 00:10:24,959

which um admiral wilson didn't have a

249

00:10:28,870 --> 00:10:26,640

lot of detail on because it happened

250

00:10:31,110 --> 00:10:28,880

after i briefed him

251

00:10:34,630 --> 00:10:31,120

had the same problem he had been

252

00:10:37,430 --> 00:10:34,640

provided a briefing by me prior to my

253

00:10:39,190 --> 00:10:37,440

arrival he made specific inquiries

254

00:10:42,069 --> 00:10:39,200

through the chain of command i'm quoting

255

00:10:43,590 --> 00:10:42,079

from general hughes he was

256

00:10:45,910 --> 00:10:43,600

flat out told

257

00:10:47,990 --> 00:10:45,920

there was nothing there and he was given

258

00:10:50,870 --> 00:10:48,000

no information so

259

00:10:54,710 --> 00:10:50,880

in all of these cases this is how

260

00:10:57,990 --> 00:10:54,720

in 2001 we made the legal argument

261

00:10:59,550 --> 00:10:58,000

that these projects were by definition

262

00:11:01,190 --> 00:10:59,560

illegal

263

00:11:04,949 --> 00:11:01,200

unconstitutional

264

00:11:06,870 --> 00:11:04,959
and therefore anybody attached

265

00:11:08,630 --> 00:11:06,880
to these projects

266

00:11:10,310 --> 00:11:08,640
no matter what your security clearance

267

00:11:12,069 --> 00:11:10,320
has been and what non-disclosure

268

00:11:14,710 --> 00:11:12,079
agreements you have signed

269

00:11:17,590 --> 00:11:14,720
may reveal that information

270

00:11:19,990 --> 00:11:17,600
to the public without penalty of law

271

00:11:23,110 --> 00:11:20,000
because the projects themselves are in

272

00:11:25,750 --> 00:11:23,120
fact illegal enterprises now when i said

273

00:11:27,430 --> 00:11:25,760
that a lot of people

274

00:11:29,350 --> 00:11:27,440
the beautiful thing about this document

275

00:11:31,350 --> 00:11:29,360
is that it confirms what i've been

276

00:11:32,870 --> 00:11:31,360

saying for 25 years that these these

277

00:11:34,790 --> 00:11:32,880

senior folks that we've been dealing

278

00:11:37,430 --> 00:11:34,800

with most of them want to stay off the

279

00:11:39,430 --> 00:11:37,440

radar screen you can tell admiral wilson

280

00:11:41,190 --> 00:11:39,440

if you read between the lines here it's

281

00:11:43,269 --> 00:11:41,200

not that hard to read

282

00:11:44,790 --> 00:11:43,279

didn't want to to get involved any

283

00:11:47,670 --> 00:11:44,800

further because he was threatened with

284

00:11:50,230 --> 00:11:47,680

being busted down to a one star right

285

00:11:51,990 --> 00:11:50,240

because of of his inquiries and we'll

286

00:11:54,550 --> 00:11:52,000

talk about that in a moment i know of

287

00:11:55,829 --> 00:11:54,560

another case that's even more shocking

288

00:11:57,990 --> 00:11:55,839

than this one that i haven't told the

289

00:12:01,430 --> 00:11:58,000

public about yet let me let me jump let

290

00:12:02,389 --> 00:12:01,440

me jump in on one point uh it has

291

00:12:03,190 --> 00:12:02,399

been

292

00:12:05,269 --> 00:12:03,200

uh

293

00:12:07,750 --> 00:12:05,279

i would say

294

00:12:09,670 --> 00:12:07,760

not quite officially but we are

295

00:12:13,110 --> 00:12:09,680

confident in stating

296

00:12:15,269 --> 00:12:13,120

that those documents that you are in

297

00:12:18,710 --> 00:12:15,279

possession of now the leaked documents

298

00:12:19,430 --> 00:12:18,720

came from edgar mitchell's files

299

00:12:20,389 --> 00:12:19,440

so

300

00:12:26,550 --> 00:12:20,399

that

301

00:12:29,350 --> 00:12:26,560

while uh edgar uh ed mitchell was

302

00:12:31,190 --> 00:12:29,360

involved with nids he knew eric davis i

303

00:12:32,470 --> 00:12:31,200

think at some point i had met this man i

304

00:12:35,269 --> 00:12:32,480

can't recall

305

00:12:36,790 --> 00:12:35,279

at a meeting with some uh spooks um

306

00:12:39,590 --> 00:12:36,800

there in washington

307

00:12:41,509 --> 00:12:39,600

but um that helps with the provenance

308

00:12:43,750 --> 00:12:41,519

you know where anybody is going to

309

00:12:46,150 --> 00:12:43,760

scream that you know this was generated

310

00:12:48,389 --> 00:12:46,160

by you know somebody as a hoax

311

00:12:50,069 --> 00:12:48,399

that oh it's no hoax i mean i was at the

312

00:12:51,750 --> 00:12:50,079

meeting and i knew the background and

313

00:12:54,629 --> 00:12:51,760

the people that admiral wilson had

314

00:12:57,750 --> 00:12:54,639

spoken to right and i have letters in my

315

00:13:00,870 --> 00:12:57,760

archives and how this meeting was set up

316

00:13:03,350 --> 00:13:00,880

from commander miller who who had a top

317

00:13:05,190 --> 00:13:03,360

secret clearance and had been in usaps

318

00:13:06,470 --> 00:13:05,200

but not this particular one dealing with

319

00:13:09,030 --> 00:13:06,480

ufos

320

00:13:10,949 --> 00:13:09,040

um and you know i can prove this happens

321

00:13:12,150 --> 00:13:10,959

i've been saying that you know i'm not

322

00:13:13,829 --> 00:13:12,160

one of the problems with the ufo

323

00:13:16,150 --> 00:13:13,839

subculture is that there's so much

324

00:13:17,670 --> 00:13:16,160

fantasy and myth out there but i don't

325

00:13:20,150 --> 00:13:17,680

make stuff up

326

00:13:22,150 --> 00:13:20,160

you know jimmy i mean this is this just

327

00:13:23,350 --> 00:13:22,160

confirms what we've been saying for

328

00:13:25,910 --> 00:13:23,360

two decades

329

00:13:27,269 --> 00:13:25,920

uh but yes i i could see that this would

330

00:13:28,949 --> 00:13:27,279

be something that edgar might have

331

00:13:30,870 --> 00:13:28,959

gotten a copy of and then it got leaked

332

00:13:33,030 --> 00:13:30,880

out of his archives i honestly don't

333

00:13:36,389 --> 00:13:33,040

know how it came about i like all i can

334

00:13:38,790 --> 00:13:36,399

do is say it is substantially correct

335

00:13:41,750 --> 00:13:38,800

um except for a few muddled things here

336

00:13:42,629 --> 00:13:41,760

from the notes that were made

337

00:13:46,150 --> 00:13:42,639

and

338

00:13:48,069 --> 00:13:46,160

you know it it pretty much confirms

339

00:13:50,069 --> 00:13:48,079

i think the more shocking parts of it

340

00:13:51,269 --> 00:13:50,079

are further on in the memo

341

00:13:53,829 --> 00:13:51,279

uh where

342

00:13:57,430 --> 00:13:53,839

the extent to which the admiral was

343

00:13:59,509 --> 00:13:57,440

denied access his rage and anger at it

344

00:14:01,750 --> 00:13:59,519

people couldn't read it carefully right

345

00:14:04,069 --> 00:14:01,760

and then the fact that that if he had

346

00:14:06,150 --> 00:14:04,079

pursued pushing on this

347

00:14:09,750 --> 00:14:06,160

he was being threatened with having his

348

00:14:11,430 --> 00:14:09,760

rank reduced down to a one star and that

349

00:14:13,509 --> 00:14:11,440

he you know that there were serious

350

00:14:15,269 --> 00:14:13,519

threats leveled at him so

351

00:14:18,790 --> 00:14:15,279

this is done quite frequently

352

00:14:22,629 --> 00:14:18,800

unfortunately i've been on the inside of

353

00:14:24,629 --> 00:14:22,639

uh meeting with it's now over 950

354

00:14:27,030 --> 00:14:24,639

military and intelligence guys like

355

00:14:28,389 --> 00:14:27,040

admiral wilson over the last 25 years

356

00:14:31,030 --> 00:14:28,399

and

357

00:14:34,150 --> 00:14:31,040

it's been devastating for me personally

358

00:14:36,230 --> 00:14:34,160

it's shocking uh most of these people

359

00:14:37,430 --> 00:14:36,240

will never go on the record

360

00:14:40,470 --> 00:14:37,440

with how

361

00:14:42,870 --> 00:14:40,480

frightening and illegal this cabal of

362

00:14:44,870 --> 00:14:42,880

sociopaths are that run these programs

363

00:14:47,189 --> 00:14:44,880

admiral wilson never wanted this to be

364

00:14:49,110 --> 00:14:47,199

known he was saying this in a car

365

00:14:51,350 --> 00:14:49,120

i'm sure he never thought this would see

366

00:14:53,430 --> 00:14:51,360

the light of day and here it is well and

367

00:14:55,990 --> 00:14:53,440

the only good part of this is that it

368

00:14:58,790 --> 00:14:56,000

confirms it confirms

369

00:14:59,990 --> 00:14:58,800

the underlying uh

370

00:15:01,670 --> 00:15:00,000

assessment

371

00:15:04,230 --> 00:15:01,680

that we've been making and sharing with

372

00:15:06,550 --> 00:15:04,240

the pope for 25 years although it's been

373

00:15:08,230 --> 00:15:06,560

very hard to get people of this rank

374

00:15:10,870 --> 00:15:08,240

like admiral wilson

375

00:15:14,150 --> 00:15:10,880

to say yeah this quite bluntly is what's

376

00:15:16,230 --> 00:15:14,160

going on i was illegally

377

00:15:17,430 --> 00:15:16,240

kept from getting the information i was

378

00:15:18,470 --> 00:15:17,440

threatened

379

00:15:20,790 --> 00:15:18,480

uh

380

00:15:22,870 --> 00:15:20,800

in my pursuit of it etc and so on and

381

00:15:24,629 --> 00:15:22,880

that's a very common refrain and this is

382

00:15:26,550 --> 00:15:24,639

one of the

383

00:15:29,030 --> 00:15:26,560

methods of how

384

00:15:30,069 --> 00:15:29,040

the national security apparatus that are

385

00:15:32,870 --> 00:15:30,079

in these

386

00:15:35,350 --> 00:15:32,880

very super secret black unacknowledged

387

00:15:37,430 --> 00:15:35,360

special access projects how they operate

388

00:15:39,750 --> 00:15:37,440

and it's intimidating even to someone

389

00:15:42,150 --> 00:15:39,760

with as higher rank as he had i mean

390

00:15:44,310 --> 00:15:42,160

remember this was he had the the j2

391

00:15:45,750 --> 00:15:44,320

position at the pentagon admiral wilson

392

00:15:47,509 --> 00:15:45,760

was the head of intelligence joint

393

00:15:50,230 --> 00:15:47,519

chiefs of staff so

394

00:15:52,230 --> 00:15:50,240

you know and that's why i you know i i i

395

00:15:53,990 --> 00:15:52,240

learned that prior to the meeting let me

396

00:15:55,509 --> 00:15:54,000

give you this little vignette but you

397

00:15:58,069 --> 00:15:55,519

can imagine i put all this stuff

398

00:16:00,870 --> 00:15:58,079

together i get it

399

00:16:02,790 --> 00:16:00,880

sent over to the admiral prior to the

400

00:16:03,990 --> 00:16:02,800

the the briefing that we're doing at the

401
00:16:05,509 --> 00:16:04,000
pentagon

402
00:16:07,990 --> 00:16:05,519
and

403
00:16:10,710 --> 00:16:08,000
i find out prior to the meeting that the

404
00:16:12,310 --> 00:16:10,720
admiral had made inquiries and gotten

405
00:16:14,550 --> 00:16:12,320
hold of

406
00:16:17,509 --> 00:16:14,560
some one of these saps

407
00:16:18,949 --> 00:16:17,519
on usaps and and was told he didn't have

408
00:16:20,389 --> 00:16:18,959
a need to know

409
00:16:22,389 --> 00:16:20,399
and uh you know why the way it was

410
00:16:24,790 --> 00:16:22,399
explained to me was you know he said

411
00:16:26,470 --> 00:16:24,800
well you know how can i not have a need

412
00:16:28,150 --> 00:16:26,480
to know i'm the head of intelligence

413
00:16:31,110 --> 00:16:28,160

joint chiefs of staff

414

00:16:33,670 --> 00:16:31,120

and they said sir i'm sorry you know

415

00:16:35,269 --> 00:16:33,680

we cannot discuss this with you and and

416

00:16:38,710 --> 00:16:35,279

you are not to inquire about this

417

00:16:40,470 --> 00:16:38,720

further and they cut him cut him off and

418

00:16:42,389 --> 00:16:40,480

subsequently threatened him so by the

419

00:16:45,030 --> 00:16:42,399

time i got to the meeting with the

420

00:16:47,829 --> 00:16:45,040

admiral at the pentagon

421

00:16:51,990 --> 00:16:47,839

with edgar mitchell and commander miller

422

00:16:53,670 --> 00:16:52,000

the admiral was visibly upset but also

423

00:16:57,350 --> 00:16:53,680

frightened and

424

00:16:59,269 --> 00:16:57,360

it's one of those these stories where

425

00:17:01,030 --> 00:16:59,279

i want to listen very carefully to this

426
00:17:03,189 --> 00:17:01,040
before people you know we get too far

427
00:17:04,470 --> 00:17:03,199
into the weeds

428
00:17:06,150 --> 00:17:04,480
the meeting was supposed to be 45

429
00:17:07,429 --> 00:17:06,160
minutes a stand-up briefing that i

430
00:17:08,949 --> 00:17:07,439
prepared

431
00:17:10,710 --> 00:17:08,959
he was so

432
00:17:12,630 --> 00:17:10,720
concerned and interested in the detail

433
00:17:13,750 --> 00:17:12,640
of the documents evidence information we

434
00:17:16,710 --> 00:17:13,760
were presenting

435
00:17:19,429 --> 00:17:16,720
he then kept cancelling appointments

436
00:17:20,949 --> 00:17:19,439
after the time limit was up and we went

437
00:17:23,189 --> 00:17:20,959
on for i don't know two or three hours

438
00:17:24,789 --> 00:17:23,199

edgar mitchell had to go to a interview

439

00:17:26,870 --> 00:17:24,799

or something in new york and had to

440

00:17:28,950 --> 00:17:26,880

leave and that's really what broke it up

441

00:17:30,549 --> 00:17:28,960

after edgar left because it was had gone

442

00:17:33,669 --> 00:17:30,559

on so long the admiral had been had

443

00:17:34,710 --> 00:17:33,679

canceled one or two meetings subsequent

444

00:17:37,830 --> 00:17:34,720

to this

445

00:17:40,150 --> 00:17:37,840

and at the end of it i asked the admiral

446

00:17:43,510 --> 00:17:40,160

if he would help us get this back under

447

00:17:44,830 --> 00:17:43,520

control so this information could be run

448

00:17:47,510 --> 00:17:44,840

legally

449

00:17:48,630 --> 00:17:47,520

constitutionally and he turned to me he

450

00:17:50,230 --> 00:17:48,640

said

451
00:17:51,669 --> 00:17:50,240
i have made inquiries and they won't

452
00:17:54,070 --> 00:17:51,679
tell me anything

453
00:17:56,390 --> 00:17:54,080
and the best thing i know about is a b-2

454
00:17:59,270 --> 00:17:56,400
stealth bomber and this group has things

455
00:18:01,110 --> 00:17:59,280
that can do circles around that and it's

456
00:18:03,270 --> 00:18:01,120
point set match he says i can't do

457
00:18:05,590 --> 00:18:03,280
anything about it and then he turned to

458
00:18:08,950 --> 00:18:05,600
me and he pointedly said i'll never

459
00:18:11,029 --> 00:18:08,960
forget this moment this chilling he says

460
00:18:13,190 --> 00:18:11,039
as far as i'm concerned

461
00:18:16,070 --> 00:18:13,200
this operation is illegal

462
00:18:18,789 --> 00:18:16,080
it is not sanctioned and if you and the

463
00:18:21,430 --> 00:18:18,799

people you're working with can disclose

464

00:18:24,549 --> 00:18:21,440

this information to the public you have

465

00:18:28,150 --> 00:18:24,559

my blessing to do it but i have gone as

466

00:18:30,710 --> 00:18:28,160

far as i can and i've been stopped now a

467

00:18:33,510 --> 00:18:30,720

lot of people told me did anyone in in a

468

00:18:35,669 --> 00:18:33,520

high official capacity greenlight the

469

00:18:37,110 --> 00:18:35,679

disclosure project i said you better

470

00:18:38,549 --> 00:18:37,120

believe they did it's the head of

471

00:18:41,110 --> 00:18:38,559

intelligence or the joint chiefs of

472

00:18:43,510 --> 00:18:41,120

staff admiral tom wilson go back and

473

00:18:46,390 --> 00:18:43,520

listen to some of my my presentations

474

00:18:49,190 --> 00:18:46,400

over the years i've said that for years

475

00:18:50,630 --> 00:18:49,200

and this is the man who said look me

476

00:18:52,710 --> 00:18:50,640

right behind that if you have the

477

00:18:55,750 --> 00:18:52,720

ability to pull that together you have

478

00:18:58,390 --> 00:18:55,760

my blessing do it because he was really

479

00:19:00,470 --> 00:18:58,400

uh he was i think angry as you can tell

480

00:19:02,789 --> 00:19:00,480

in this memo but he was also

481

00:19:04,230 --> 00:19:02,799

scared because you know you're you're in

482

00:19:06,549 --> 00:19:04,240

a position

483

00:19:07,830 --> 00:19:06,559

for civilians and i was civilian i'm

484

00:19:09,990 --> 00:19:07,840

still a civilian never been in the

485

00:19:12,430 --> 00:19:10,000

government but for civilians you can't

486

00:19:13,990 --> 00:19:12,440

get your mind around the level of

487

00:19:16,470 --> 00:19:14,000

responsibility

488

00:19:18,549 --> 00:19:16,480

of the largest superpower in the world

489

00:19:21,350 --> 00:19:18,559

and you're in this key position

490

00:19:23,909 --> 00:19:21,360

and you're being denied access

491

00:19:26,390 --> 00:19:23,919

to the most sensitive and important

492

00:19:28,470 --> 00:19:26,400

information and technology and and

493

00:19:30,310 --> 00:19:28,480

classified program in the history of the

494

00:19:31,830 --> 00:19:30,320

united states even though you have those

495

00:19:33,750 --> 00:19:31,840

responsibilities

496

00:19:37,029 --> 00:19:33,760

that is frightening yeah he wasn't used

497

00:19:39,430 --> 00:19:37,039

to that he that took him by surprise

498

00:19:41,350 --> 00:19:39,440

oh yeah oh yeah with us all these men

499

00:19:43,270 --> 00:19:41,360

see this is the thing i've had so many

500

00:19:45,830 --> 00:19:43,280

meetings with people

501
00:19:47,270 --> 00:19:45,840
similar or higher than his rank

502
00:19:48,870 --> 00:19:47,280
who have been

503
00:19:51,350 --> 00:19:48,880
treated the same way

504
00:19:54,710 --> 00:19:51,360
and this is where i began to raise the

505
00:19:57,029 --> 00:19:54,720
alarm bells in the 90s and early 2000s

506
00:19:59,110 --> 00:19:57,039
we have something very wrong

507
00:20:01,350 --> 00:19:59,120
in the world where there is a

508
00:20:03,590 --> 00:20:01,360
transnational group of people

509
00:20:06,870 --> 00:20:03,600
that as senator anyway said have their

510
00:20:09,590 --> 00:20:06,880
own funding mechanism their own laws

511
00:20:12,390 --> 00:20:09,600
their own operations and are above the

512
00:20:14,789 --> 00:20:12,400
law and that's how they operate uh so i

513
00:20:16,950 --> 00:20:14,799

think that it's it's a very difficult

514

00:20:19,669 --> 00:20:16,960

thing because what i have found is that

515

00:20:20,870 --> 00:20:19,679

most of these people when they find out

516

00:20:23,990 --> 00:20:20,880

this

517

00:20:26,230 --> 00:20:24,000

very simple fact

518

00:20:28,390 --> 00:20:26,240

that we have

519

00:20:29,510 --> 00:20:28,400

part of our government military

520

00:20:31,190 --> 00:20:29,520

intelligence

521

00:20:33,350 --> 00:20:31,200

corporate structure

522

00:20:34,390 --> 00:20:33,360

is running in a way that is completely

523

00:20:37,270 --> 00:20:34,400

without

524

00:20:39,669 --> 00:20:37,280

any legal constitutional oversight and

525

00:20:42,149 --> 00:20:39,679

control on something that has this kind

526

00:20:45,110 --> 00:20:42,159

of power and technology behind it so

527

00:20:47,190 --> 00:20:45,120

that is uh something that is frightening

528

00:20:49,510 --> 00:20:47,200

to people and it damn well should be

529

00:20:51,990 --> 00:20:49,520

frankly yeah i wanted to ask you before

530

00:20:54,310 --> 00:20:52,000

we get to the break uh have you met uh

531

00:20:57,510 --> 00:20:54,320

oak shannon

532

00:21:00,950 --> 00:20:57,520

i i did not meet him personally it seems

533

00:21:03,669 --> 00:21:00,960

in the document and i'm sure that you

534

00:21:07,190 --> 00:21:03,679

uh ascertain the same thing that that i

535

00:21:10,789 --> 00:21:07,200

have and others have that oak shannon uh

536

00:21:11,669 --> 00:21:10,799

was instrumental in getting eric davis

537

00:21:14,630 --> 00:21:11,679

and

538

00:21:17,270 --> 00:21:14,640

uh admiral wilson together in the back

539

00:21:19,430 --> 00:21:17,280

of that car they wanted

540

00:21:20,630 --> 00:21:19,440

they wanted uh

541

00:21:22,870 --> 00:21:20,640

wilson

542

00:21:26,070 --> 00:21:22,880

on the record somewhat

543

00:21:27,909 --> 00:21:26,080

is that the feeling that you got

544

00:21:30,070 --> 00:21:27,919

yes i think that was sort of a

545

00:21:31,990 --> 00:21:30,080

intelligence gathering operation in and

546

00:21:34,070 --> 00:21:32,000

of itself

547

00:21:36,470 --> 00:21:34,080

we need to talk about how intelligence

548

00:21:39,510 --> 00:21:36,480

is actually gathered how cutouts are

549

00:21:42,549 --> 00:21:39,520

created what counter intelligence is you

550

00:21:43,430 --> 00:21:42,559

know this is complicated and this is why

551
00:21:45,430 --> 00:21:43,440
you know

552
00:21:47,590 --> 00:21:45,440
what i've tried to do over a quarter of

553
00:21:49,430 --> 00:21:47,600
a century is to bring some clarity to

554
00:21:51,110 --> 00:21:49,440
this but no matter how much clarity you

555
00:21:52,950 --> 00:21:51,120
bring it's very

556
00:21:55,510 --> 00:21:52,960
complicated

557
00:21:57,669 --> 00:21:55,520
the uh atmosphere that we are in

558
00:22:00,470 --> 00:21:57,679
certainly the last month things have

559
00:22:02,310 --> 00:22:00,480
been uh moving at a very rapid clip it's

560
00:22:04,789 --> 00:22:02,320
very difficult to keep up with not only

561
00:22:06,390 --> 00:22:04,799
with the mainstream media trump in his

562
00:22:08,149 --> 00:22:06,400
ufo uh

563
00:22:09,909 --> 00:22:08,159

comments that he has made you've got the

564

00:22:12,470 --> 00:22:09,919

navy doing their thing

565

00:22:13,590 --> 00:22:12,480

pilots coming forward now this leaked

566

00:22:17,510 --> 00:22:13,600

document

567

00:22:19,990 --> 00:22:17,520

uh has surfaced which is uh if if it is

568

00:22:23,110 --> 00:22:20,000

what it is if it is what we think it is

569

00:22:26,710 --> 00:22:23,120

it is uh extraordinary

570

00:22:28,470 --> 00:22:26,720

why do you think this is happening now

571

00:22:31,669 --> 00:22:28,480

oh i know why it's happening now you

572

00:22:33,750 --> 00:22:31,679

know once unacknowledged hit 200 to 300

573

00:22:35,590 --> 00:22:33,760

million people who'd seen it

574

00:22:36,789 --> 00:22:35,600

you know if you get netflix go see if

575

00:22:38,870 --> 00:22:36,799

you have you get on the internet and see

576

00:22:42,070 --> 00:22:38,880

it on itunes if you don't have netflix

577

00:22:44,390 --> 00:22:42,080

unacknowledged pulled the curtain back

578

00:22:46,230 --> 00:22:44,400

on not only what most people you know

579

00:22:48,630 --> 00:22:46,240

radar case here and you know the thing

580

00:22:50,789 --> 00:22:48,640

that came out last year with the you

581

00:22:52,789 --> 00:22:50,799

know the jets tracking this tack and

582

00:22:54,950 --> 00:22:52,799

whatnot i mean those those happen every

583

00:22:57,270 --> 00:22:54,960

day virtually it's that people think

584

00:22:59,750 --> 00:22:57,280

that's a huge big deal it isn't what's a

585

00:23:01,669 --> 00:22:59,760

huge big deal is the mainstream media

586

00:23:03,590 --> 00:23:01,679

has been unleashed to cover it but with

587

00:23:06,630 --> 00:23:03,600

a very specific spin

588

00:23:09,270 --> 00:23:06,640

which is a threat the alien threat card

589

00:23:10,870 --> 00:23:09,280

and what we've been saying for 25 years

590

00:23:12,549 --> 00:23:10,880

that this was a plan that was created in

591

00:23:13,669 --> 00:23:12,559

the 50s and 60s

592

00:23:15,750 --> 00:23:13,679

is that

593

00:23:17,990 --> 00:23:15,760

the disclosure that serves the secret

594

00:23:19,590 --> 00:23:18,000

agenda will be one that scares the hell

595

00:23:21,590 --> 00:23:19,600

out of the public and leads to an

596

00:23:23,270 --> 00:23:21,600

interplanetary threat

597

00:23:25,830 --> 00:23:23,280

that is what they've been planning on

598

00:23:29,750 --> 00:23:25,840

for 60 or 70 years that's what we're

599

00:23:32,070 --> 00:23:29,760

seeing unfurled before our very eyes we

600

00:23:34,630 --> 00:23:32,080

predicted it 20 some years ago and now

601
00:23:35,590 --> 00:23:34,640
it's happening and people need to

602
00:23:39,190 --> 00:23:35,600
wake up

603
00:23:41,990 --> 00:23:39,200
is the fear card that they are playing

604
00:23:45,830 --> 00:23:42,000
it works they they feel that it works in

605
00:23:48,230 --> 00:23:45,840
any situation false flags an invasion

606
00:23:50,149 --> 00:23:48,240
you know a precursor to war whatever it

607
00:23:52,149 --> 00:23:50,159
is you know scare the crap out of

608
00:23:53,830 --> 00:23:52,159
everybody no matter what it is sure

609
00:23:55,990 --> 00:23:53,840
right and uh

610
00:23:58,710 --> 00:23:56,000
a flu epidemic whatever you know let's

611
00:24:01,830 --> 00:23:58,720
scare the crap out of everybody so we

612
00:24:04,950 --> 00:24:01,840
can get them to respond the way that we

613
00:24:08,710 --> 00:24:04,960

need them to respond is that what's

614

00:24:10,390 --> 00:24:08,720

playing out here the the big fear card

615

00:24:11,990 --> 00:24:10,400

yes and and if people look at

616

00:24:14,470 --> 00:24:12,000

unacknowledged they'll see that we deal

617

00:24:15,590 --> 00:24:14,480

with that as thoroughly as you can in a

618

00:24:18,870 --> 00:24:15,600

popular

619

00:24:20,710 --> 00:24:18,880

two-hour film and if we go into all the

620

00:24:21,990 --> 00:24:20,720

kinds of things that have been staged

621

00:24:23,669 --> 00:24:22,000

and hoaxed

622

00:24:26,470 --> 00:24:23,679

it's made to look

623

00:24:28,070 --> 00:24:26,480

alien but are actually man-made and the

624

00:24:30,870 --> 00:24:28,080

spin that's been put on it and we you

625

00:24:33,750 --> 00:24:30,880

know you go all the way back to 1953.

626

00:24:36,390 --> 00:24:33,760

go get the cia document i have it in my

627

00:24:38,470 --> 00:24:36,400

archives it was given to me in a box of

628

00:24:40,870 --> 00:24:38,480

hundreds or maybe a thousand pages of

629

00:24:43,830 --> 00:24:40,880

documents after i briefed the director

630

00:24:47,669 --> 00:24:43,840

of the cia personally face to face

631

00:24:49,990 --> 00:24:47,679

and in that in 1953 is a memo from one

632

00:24:52,149 --> 00:24:50,000

of the early directors of the cia

633

00:24:55,909 --> 00:24:52,159

general walter bedell smith

634

00:24:58,710 --> 00:24:55,919

and it says the psychological warfare

635

00:25:01,669 --> 00:24:58,720

implications of the ufo subject is of

636

00:25:03,590 --> 00:25:01,679

great value and it refers to an uh an

637

00:25:06,230 --> 00:25:03,600

appendix an attachment

638

00:25:07,750 --> 00:25:06,240

which was never released that deals with

639

00:25:08,870 --> 00:25:07,760

the methods

640

00:25:10,070 --> 00:25:08,880

sources

641

00:25:12,549 --> 00:25:10,080

the spin

642

00:25:14,230 --> 00:25:12,559

and how they would do that so

643

00:25:16,070 --> 00:25:14,240

you play you hide something in plain

644

00:25:19,029 --> 00:25:16,080

sight look too many millions of people

645

00:25:20,950 --> 00:25:19,039

have seen ufos had contact experiences

646

00:25:22,870 --> 00:25:20,960

all kinds of stuff but if you can

647

00:25:25,269 --> 00:25:22,880

control the narrative let's talk about

648

00:25:28,470 --> 00:25:25,279

the narratives and the narrative needs

649

00:25:31,830 --> 00:25:28,480

to be controlled in a way that benefits

650

00:25:33,990 --> 00:25:31,840

militarism war mongering fear and

651
00:25:35,590 --> 00:25:34,000
control of the population through fear

652
00:25:37,430 --> 00:25:35,600
it really isn't hard to figure out

653
00:25:39,110 --> 00:25:37,440
frankly and people say god are folks

654
00:25:41,029 --> 00:25:39,120
that cynical i said you bet they are

655
00:25:43,110 --> 00:25:41,039
when it involves hundreds of trillions

656
00:25:45,029 --> 00:25:43,120
of dollars and so

657
00:25:46,870 --> 00:25:45,039
that's what we're dealing with and and

658
00:25:49,990 --> 00:25:46,880
uh i think that

659
00:25:52,870 --> 00:25:50,000
this is why it's not enough just to say

660
00:25:55,750 --> 00:25:52,880
you know an f-16 or whatever or hornet

661
00:25:57,990 --> 00:25:55,760
uh jet aircraft chased and had an et

662
00:25:59,909 --> 00:25:58,000
craft on its radar you know we have

663
00:26:01,990 --> 00:25:59,919

literally hundreds of those cases in the

664

00:26:04,070 --> 00:26:02,000

disclosure files and in the disclosure

665

00:26:06,230 --> 00:26:04,080

project materials we have people that

666

00:26:08,549 --> 00:26:06,240

have much more detailed information and

667

00:26:11,430 --> 00:26:08,559

radar tracings than have been on the new

668

00:26:13,590 --> 00:26:11,440

york times in the past year or cnn

669

00:26:15,430 --> 00:26:13,600

why is that all happening now when

670

00:26:17,430 --> 00:26:15,440

there's been better material released

671

00:26:19,350 --> 00:26:17,440

over the last few decades

672

00:26:22,390 --> 00:26:19,360

even long before i came on the scene

673

00:26:25,430 --> 00:26:22,400

it's because the folks who actually hold

674

00:26:27,909 --> 00:26:25,440

the strings of the media which we go

675

00:26:30,789 --> 00:26:27,919

into in the movie unacknowledged have

676

00:26:32,789 --> 00:26:30,799

pulled the trigger on a certain

677

00:26:35,750 --> 00:26:32,799

type of disclosure not an honest

678

00:26:37,750 --> 00:26:35,760

disclosure but as i wrote in 1999 in a

679

00:26:40,710 --> 00:26:37,760

paper that's up on our website the

680

00:26:42,789 --> 00:26:40,720

disclosure that serves secrecy it's a

681

00:26:45,430 --> 00:26:42,799

disclosure that serves the secret agenda

682

00:26:46,549 --> 00:26:45,440

that's been running since the 50s

683

00:26:48,470 --> 00:26:46,559

let's uh

684

00:26:50,950 --> 00:26:48,480

let's take a break right here and when

685

00:26:53,830 --> 00:26:50,960

we come back i want to go back

686

00:26:55,269 --> 00:26:53,840

uh and specifically talk about uh the

687

00:26:57,990 --> 00:26:55,279

meeting uh

688

00:27:00,149 --> 00:26:58,000

in in april of 1997

689

00:27:01,029 --> 00:27:00,159

and and who attended and what you spoke

690

00:27:04,070 --> 00:27:01,039

about

691

00:27:06,149 --> 00:27:04,080

i want to get to that and uh well i want

692

00:27:08,630 --> 00:27:06,159

to get to some more specific points in

693

00:27:10,789 --> 00:27:08,640

the document that were brought out that

694

00:27:12,549 --> 00:27:10,799

that only you would know so let's do

695

00:27:15,590 --> 00:27:12,559

that after the break our guest tonight

696

00:27:17,990 --> 00:27:15,600

dr stephen greer this is fade to black

697

00:27:20,149 --> 00:27:18,000

on the game changer network and kg r a

698

00:27:22,390 --> 00:27:20,159

the planet you can follow me on twitter

699

00:27:25,350 --> 00:27:22,400

at j church radio you can follow dr

700

00:27:27,510 --> 00:27:25,360

greer at dr steven greer on twitter

701
00:27:28,870 --> 00:27:27,520
we've got all of that up right now you

702
00:27:30,549 --> 00:27:28,880
can go and click on the links we'll be

703
00:27:33,200 --> 00:27:30,559
right back after this short break stay

704
00:27:37,110 --> 00:27:33,210
with us

705
00:27:37,120 --> 00:27:42,610
so

706
00:27:53,990 --> 00:27:52,390
[Music]

707
00:27:55,669 --> 00:27:54,000
welcome back i'm your host jimmy church

708
00:27:58,710 --> 00:27:55,679
this is fade to black our guest tonight

709
00:28:01,190 --> 00:27:58,720
dr steven greer we are discussing

710
00:28:05,350 --> 00:28:01,200
the davis wilson

711
00:28:07,909 --> 00:28:05,360
leaked ufo document uh that surfaced uh

712
00:28:11,190 --> 00:28:07,919
into the community last week

713
00:28:14,310 --> 00:28:11,200

and dr greer one of the things that uh i

714

00:28:16,470 --> 00:28:14,320

think is excellent about this document

715

00:28:18,630 --> 00:28:16,480

is that this isn't some government

716

00:28:19,830 --> 00:28:18,640

document that's been redacted and things

717

00:28:22,630 --> 00:28:19,840

removed

718

00:28:25,110 --> 00:28:22,640

this is a transcription of a

719

00:28:29,430 --> 00:28:25,120

conversation in the back of a car

720

00:28:32,149 --> 00:28:29,440

and it is a private uh document and

721

00:28:33,350 --> 00:28:32,159

therefore it's unredacted and we get

722

00:28:35,269 --> 00:28:33,360

everything there i think that's one of

723

00:28:36,310 --> 00:28:35,279

the best parts about the document

724

00:28:39,350 --> 00:28:36,320

and

725

00:28:41,350 --> 00:28:39,360

i don't think that uh questioning it's

726

00:28:43,430 --> 00:28:41,360

uh you know or trying to debunk this

727

00:28:46,070 --> 00:28:43,440

document is quite frankly going to be

728

00:28:47,990 --> 00:28:46,080

very very difficult richard dolan did an

729

00:28:50,870 --> 00:28:48,000

excellent presentation

730

00:28:52,950 --> 00:28:50,880

uh on this uh the moment uh that it did

731

00:28:55,590 --> 00:28:52,960

hit the public and i think his

732

00:28:57,990 --> 00:28:55,600

assessment uh right now uh is pretty

733

00:29:00,870 --> 00:28:58,000

solid in that it's going to be very hard

734

00:29:03,110 --> 00:29:00,880

to refute uh what this document actually

735

00:29:07,110 --> 00:29:05,590

well no i mean frankly i'm still alive

736

00:29:09,510 --> 00:29:07,120

i'm not dead yet

737

00:29:10,710 --> 00:29:09,520

unfortunately edgar mitchell is and

738

00:29:12,950 --> 00:29:10,720

i was there

739

00:29:15,430 --> 00:29:12,960

not only was i there frankly

740

00:29:17,830 --> 00:29:15,440

you know let me just clear on this i was

741

00:29:19,269 --> 00:29:17,840

the briefer for the admiral

742

00:29:21,190 --> 00:29:19,279

commander miller wasn't neither was

743

00:29:23,430 --> 00:29:21,200

edgar mitchell and so i had to put

744

00:29:24,389 --> 00:29:23,440

together the content both that was sent

745

00:29:26,389 --> 00:29:24,399

before

746

00:29:28,230 --> 00:29:26,399

and during that presentation

747

00:29:29,269 --> 00:29:28,240

and and the follow-up

748

00:29:30,950 --> 00:29:29,279

and

749

00:29:32,870 --> 00:29:30,960

it included

750

00:29:35,269 --> 00:29:32,880

the names it on page you know i think

751
00:29:37,029 --> 00:29:35,279
it's two of this document refers to some

752
00:29:39,590 --> 00:29:37,039
information that i conveyed to miller

753
00:29:41,990 --> 00:29:39,600
about which corporations were involved

754
00:29:44,389 --> 00:29:42,000
such as eg g or the skunk works and what

755
00:29:47,110 --> 00:29:44,399
have you and in this memo at some point

756
00:29:49,510 --> 00:29:47,120
the admiral was asked by davis you know

757
00:29:51,590 --> 00:29:49,520
uh but the more specific he says you

758
00:29:53,350 --> 00:29:51,600
know there's a core secret a core secret

759
00:29:56,470 --> 00:29:53,360
you know where he was very clearly told

760
00:29:59,510 --> 00:29:56,480
don't talk about that but you know we

761
00:30:01,350 --> 00:29:59,520
had put together that assessment and i

762
00:30:03,510 --> 00:30:01,360
also put it together for you know one of

763
00:30:05,990 --> 00:30:03,520

your congressmen out there congressman

764

00:30:07,190 --> 00:30:06,000

chris cox of orange county when i met

765

00:30:08,470 --> 00:30:07,200

with him

766

00:30:10,070 --> 00:30:08,480

he was on the house science and

767

00:30:12,149 --> 00:30:10,080

technology committee

768

00:30:15,350 --> 00:30:12,159

had been denied access actually the

769

00:30:17,990 --> 00:30:15,360

current international director of mufon

770

00:30:19,830 --> 00:30:18,000

a very good friend of mine jan harzan

771

00:30:22,630 --> 00:30:19,840

set that meeting up for me and i did a

772

00:30:24,789 --> 00:30:22,640

briefing for congressman cox and as a

773

00:30:26,149 --> 00:30:24,799

result created a memo

774

00:30:29,029 --> 00:30:26,159

that

775

00:30:31,830 --> 00:30:29,039

included all of the top secret

776

00:30:33,990 --> 00:30:31,840

facilities and sub facilities

777

00:30:35,510 --> 00:30:34,000

at you know such as you know blackjack

778

00:30:39,430 --> 00:30:35,520

control and all this sort of thing

779

00:30:41,590 --> 00:30:39,440

edwards and and s ford mesa and nevada

780

00:30:43,510 --> 00:30:41,600

etc and so on but it also included the

781

00:30:46,549 --> 00:30:43,520

names of the key contractors and that's

782

00:30:47,990 --> 00:30:46,559

what he's referring to here on page two

783

00:30:49,750 --> 00:30:48,000

because we had put that together and

784

00:30:53,190 --> 00:30:49,760

that those documents are works in

785

00:30:56,230 --> 00:30:53,200

progress i update them for each incoming

786

00:30:58,230 --> 00:30:56,240

us president et cetera and but that's

787

00:31:00,230 --> 00:30:58,240

how that came about just so people get

788

00:31:02,950 --> 00:31:00,240

some background on that

789

00:31:06,710 --> 00:31:02,960

who who attended uh the meeting in april

790

00:31:09,029 --> 00:31:06,720

of 1997 do you remember

791

00:31:11,990 --> 00:31:09,039

yes it was um me

792

00:31:14,549 --> 00:31:12,000

uh edgar mitchell commander will miller

793

00:31:17,110 --> 00:31:14,559

of course the admiral was there

794

00:31:18,630 --> 00:31:17,120

one of eisenhower's young man who had

795

00:31:20,310 --> 00:31:18,640

worked with eisenhower

796

00:31:22,389 --> 00:31:20,320

the last year or two of his

797

00:31:24,310 --> 00:31:22,399

administration

798

00:31:27,029 --> 00:31:24,320

who is an attorney

799

00:31:28,950 --> 00:31:27,039

currently at that time was an attorney

800

00:31:30,870 --> 00:31:28,960

and had been in the the national guard

801
00:31:32,470 --> 00:31:30,880
but was in the signal corps for the army

802
00:31:33,269 --> 00:31:32,480
dealing with communications on this

803
00:31:35,510 --> 00:31:33,279
issue

804
00:31:37,509 --> 00:31:35,520
and knew of eisenhower's frustration at

805
00:31:40,870 --> 00:31:37,519
being blocked

806
00:31:43,590 --> 00:31:40,880
and then sherry adamak my assistant who

807
00:31:44,630 --> 00:31:43,600
unfortunately a year or so

808
00:31:47,669 --> 00:31:44,640
later

809
00:31:49,190 --> 00:31:47,679
passed away from a metastatic cancer you

810
00:31:50,789 --> 00:31:49,200
know as you know

811
00:31:53,830 --> 00:31:50,799
congressman schiff

812
00:31:56,470 --> 00:31:53,840
and myself and and sherry

813
00:31:58,389 --> 00:31:56,480

all got very aggressive cancers and all

814

00:32:01,350 --> 00:31:58,399

died i almost died

815

00:32:03,750 --> 00:32:01,360

um in 97 98 there are a lot of

816

00:32:05,590 --> 00:32:03,760

suspicious things about that but we're

817

00:32:08,549 --> 00:32:05,600

not going to talk about that tonight

818

00:32:09,990 --> 00:32:08,559

and um also you know so those were who

819

00:32:12,310 --> 00:32:10,000

were in this

820

00:32:14,630 --> 00:32:12,320

meeting the context of it just so you

821

00:32:16,710 --> 00:32:14,640

know i mean i'm working full-time as an

822

00:32:17,830 --> 00:32:16,720

emergency and trauma guy down in north

823

00:32:19,990 --> 00:32:17,840

carolina

824

00:32:21,669 --> 00:32:20,000

i've come up to dc

825

00:32:23,110 --> 00:32:21,679

uh periodically for these kinds of

826
00:32:24,789 --> 00:32:23,120
meetings i was up there on this

827
00:32:26,389 --> 00:32:24,799
particular trip

828
00:32:29,110 --> 00:32:26,399
because we had done

829
00:32:32,470 --> 00:32:29,120
the congressional briefings

830
00:32:34,870 --> 00:32:32,480
that were done in georgetown off-site

831
00:32:37,029 --> 00:32:34,880
also out of the congress

832
00:32:39,430 --> 00:32:37,039
um i think it was the day before this

833
00:32:42,310 --> 00:32:39,440
this this stand-up briefing for for the

834
00:32:45,509 --> 00:32:42,320
admiral uh wilson at the pentagon and we

835
00:32:47,830 --> 00:32:45,519
had the first dozen or so

836
00:32:49,190 --> 00:32:47,840
of the disclosure project witnesses

837
00:32:50,950 --> 00:32:49,200
although it wasn't called that then it

838
00:32:53,350 --> 00:32:50,960

was called project starlight because it

839

00:32:55,590 --> 00:32:53,360

was not public yet i was trying to get

840

00:32:57,750 --> 00:32:55,600

the president the congress to get on the

841

00:32:59,590 --> 00:32:57,760

same page to do this disclosure so

842

00:33:02,070 --> 00:32:59,600

frankly we wouldn't have to

843

00:33:03,909 --> 00:33:02,080

but in 1997

844

00:33:05,430 --> 00:33:03,919

i had given up on the executive branch

845

00:33:07,590 --> 00:33:05,440

because the president at the time

846

00:33:09,190 --> 00:33:07,600

clinton had signed off that he couldn't

847

00:33:10,630 --> 00:33:09,200

get anywhere with it and didn't want to

848

00:33:12,230 --> 00:33:10,640

push on the issue

849

00:33:14,070 --> 00:33:12,240

because his a very good friend of his

850

00:33:15,750 --> 00:33:14,080

came to my home and said he would end up

851

00:33:17,430 --> 00:33:15,760

assassinated like jack kennedy i said

852

00:33:19,430 --> 00:33:17,440

well okay then i'll do it

853

00:33:20,630 --> 00:33:19,440

uh and sure enough we almost all died

854

00:33:22,950 --> 00:33:20,640

subsequently

855

00:33:24,470 --> 00:33:22,960

and then i went and did this stand up

856

00:33:25,990 --> 00:33:24,480

but you know it was a very another

857

00:33:27,909 --> 00:33:26,000

stand-up briefing for these members of

858

00:33:29,430 --> 00:33:27,919

congress so you know we had chairman of

859

00:33:31,590 --> 00:33:29,440

committees there and all kinds of folks

860

00:33:34,070 --> 00:33:31,600

and the first dozen or so

861

00:33:35,029 --> 00:33:34,080

of the disclosure project witnesses were

862

00:33:36,789 --> 00:33:35,039

there

863

00:33:40,230 --> 00:33:36,799

in this closed meeting the public didn't

864

00:33:41,190 --> 00:33:40,240

know about it um and so uh i went from

865

00:33:43,269 --> 00:33:41,200

that

866

00:33:45,750 --> 00:33:43,279

event at the very i think next day or

867

00:33:47,990 --> 00:33:45,760

day after to the pentagon to meet with

868

00:33:52,310 --> 00:33:48,000

um admiral wilson so that's how all that

869

00:33:54,950 --> 00:33:52,320

came about was was hughes in attendance

870

00:33:57,909 --> 00:33:54,960

no uh no i general patrick hughes who

871

00:33:59,750 --> 00:33:57,919

was the the the director of the defense

872

00:34:00,710 --> 00:33:59,760

intelligence agency was not at the

873

00:34:03,029 --> 00:34:00,720

meeting

874

00:34:04,389 --> 00:34:03,039

he was briefed separately

875

00:34:06,870 --> 00:34:04,399

by me

876

00:34:09,589 --> 00:34:06,880

and uh also commander miller was at that

877

00:34:12,629 --> 00:34:09,599

meeting and two people on his staff

878

00:34:14,710 --> 00:34:12,639

one of whom was a young a woman who was

879

00:34:16,470 --> 00:34:14,720

waiting out in the the outside the the

880

00:34:18,069 --> 00:34:16,480

general's office before the meeting and

881

00:34:20,149 --> 00:34:18,079

looked over and said are you dr gary

882

00:34:22,230 --> 00:34:20,159

said yes and she said we have drawn

883

00:34:24,389 --> 00:34:22,240

straws to see who could be in on this

884

00:34:26,710 --> 00:34:24,399

briefing with the director

885

00:34:28,710 --> 00:34:26,720

general hughes because so many of us

886

00:34:31,109 --> 00:34:28,720

want to be in there but he'd only let

887

00:34:33,430 --> 00:34:31,119

his right hand guy who's a colonel and

888

00:34:35,750 --> 00:34:33,440

one of us come so she was there almost

889

00:34:37,349 --> 00:34:35,760

by accident literally drew straws so

890

00:34:38,790 --> 00:34:37,359

there were only four people at the

891

00:34:41,270 --> 00:34:38,800

meeting with general patrick hughes

892

00:34:43,030 --> 00:34:41,280

myself commander miller uh a colonel

893

00:34:46,149 --> 00:34:43,040

whose name eludes me right now and that

894

00:34:47,669 --> 00:34:46,159

this you know uh younger woman who who

895

00:34:49,909 --> 00:34:47,679

uh had been allowed to come in because

896

00:34:52,550 --> 00:34:49,919

they kind of drew straws on it was there

897

00:34:55,990 --> 00:34:52,560

um any uh support staff there anybody

898

00:34:59,030 --> 00:34:56,000

taking notes uh any minutes nothing like

899

00:35:00,550 --> 00:34:59,040

that right no no no and i'm sure if they

900

00:35:02,470 --> 00:35:00,560

wouldn't have allowed it this was so

901
00:35:04,950 --> 00:35:02,480
sensitive and at this point both for

902
00:35:08,390 --> 00:35:04,960
general hughes but certainly you know

903
00:35:10,630 --> 00:35:08,400
admiral wilson i think had made

904
00:35:13,270 --> 00:35:10,640
taken the time to make more inquiries

905
00:35:16,390 --> 00:35:13,280
both before and after this briefing than

906
00:35:18,230 --> 00:35:16,400
general hughes had had done but mind you

907
00:35:20,470 --> 00:35:18,240
both of them had been denied access

908
00:35:22,550 --> 00:35:20,480
which is the shocking part of this and

909
00:35:25,030 --> 00:35:22,560
the fact that that's the case

910
00:35:27,670 --> 00:35:25,040
in the united states of america

911
00:35:29,349 --> 00:35:27,680
in the last 20 years and i it's still

912
00:35:32,069 --> 00:35:29,359
that way today i meet with people who

913
00:35:33,670 --> 00:35:32,079

are in similar situations today but you

914

00:35:35,349 --> 00:35:33,680

know i can't talk about it but they

915

00:35:37,829 --> 00:35:35,359

asked me to keep it confidential until

916

00:35:39,910 --> 00:35:37,839

the the beans get spilled by the way you

917

00:35:41,910 --> 00:35:39,920

know he refers to commander miller

918

00:35:43,349 --> 00:35:41,920

spilling the beans to leslie keane about

919

00:35:46,630 --> 00:35:43,359

this and ended up in a story in the

920

00:35:48,550 --> 00:35:46,640

boston paper uh the boston globe and he

921

00:35:50,150 --> 00:35:48,560

was furious about it but i was not part

922

00:35:52,710 --> 00:35:50,160

of that leak that was something that

923

00:35:54,470 --> 00:35:52,720

that apparently miller spoke to

924

00:35:56,470 --> 00:35:54,480

came about came to this article and it

925

00:35:58,870 --> 00:35:56,480

became quite a kerfuffle and the admiral

926
00:36:00,230 --> 00:35:58,880
was furious about it uh which in a sense

927
00:36:02,550 --> 00:36:00,240
i don't blame him but

928
00:36:05,190 --> 00:36:02,560
from my point of view it was it was you

929
00:36:07,670 --> 00:36:05,200
know just unfortunate but there are

930
00:36:09,910 --> 00:36:07,680
folks like admiral wilson and and you

931
00:36:12,630 --> 00:36:09,920
know actually who have are on the inside

932
00:36:14,230 --> 00:36:12,640
of these us that i meet with on a

933
00:36:15,589 --> 00:36:14,240
frequent basis

934
00:36:16,950 --> 00:36:15,599
and

935
00:36:18,550 --> 00:36:16,960
they don't want to be named i'm not

936
00:36:20,470 --> 00:36:18,560
going to know as a doctor you don't

937
00:36:23,430 --> 00:36:20,480
rebuild people's confidences unless they

938
00:36:25,670 --> 00:36:23,440

give you permission to um and so that's

939

00:36:28,710 --> 00:36:25,680

how i proceed and you know somebody is

940

00:36:31,109 --> 00:36:28,720

willing to come forward in this case um

941

00:36:33,670 --> 00:36:31,119

the wilson situation had been revealed

942

00:36:35,270 --> 00:36:33,680

years ago in the boston globe uh and now

943

00:36:37,270 --> 00:36:35,280

this has gotten weak so you know i can

944

00:36:39,349 --> 00:36:37,280

talk about it in all the detail i wish i

945

00:36:41,990 --> 00:36:39,359

guess at this point yeah and well let's

946

00:36:42,950 --> 00:36:42,000

let's talk about the will miller uh part

947

00:36:46,390 --> 00:36:42,960

where

948

00:36:48,710 --> 00:36:46,400

uh obviously wilson is is pretty upset

949

00:36:52,710 --> 00:36:48,720

and he brings up you

950

00:36:55,190 --> 00:36:52,720

about what possibly was leaked to you as

951
00:36:57,589 --> 00:36:55,200
as well um and he wasn't happy about

952
00:37:00,470 --> 00:36:57,599
that he brings up the good old boys club

953
00:37:04,390 --> 00:37:00,480
right this is the navy and we don't talk

954
00:37:07,349 --> 00:37:04,400
um what is he referencing uh there

955
00:37:09,349 --> 00:37:07,359
well he's referencing the fact that he

956
00:37:10,710 --> 00:37:09,359
had confirmed to miller the existence of

957
00:37:12,390 --> 00:37:10,720
the usap

958
00:37:14,630 --> 00:37:12,400
um of

959
00:37:16,790 --> 00:37:14,640
and a lot of details that

960
00:37:18,470 --> 00:37:16,800
again you know if something's provided

961
00:37:20,550 --> 00:37:18,480
to me by someone who's still living and

962
00:37:21,510 --> 00:37:20,560
both these men are both commander miller

963
00:37:23,990 --> 00:37:21,520

and

964

00:37:25,670 --> 00:37:24,000

the admiral i'm not going to go into you

965

00:37:28,230 --> 00:37:25,680

know beyond what's in this document

966

00:37:29,990 --> 00:37:28,240

simply because i don't want to be a liar

967

00:37:32,230 --> 00:37:30,000

and say i you know you can share this

968

00:37:34,069 --> 00:37:32,240

with to me and confidence because i need

969

00:37:36,390 --> 00:37:34,079

it on deep background so i can put the

970

00:37:38,470 --> 00:37:36,400

assessments together for the polit

971

00:37:40,069 --> 00:37:38,480

political leaders and if you read this

972

00:37:41,670 --> 00:37:40,079

you'll see that he he he approached william

973

00:37:43,030 --> 00:37:41,680

perry bill perry who was yesterday

974

00:37:44,470 --> 00:37:43,040

defense at one point

975

00:37:46,069 --> 00:37:44,480

and a lot of people don't know who that

976

00:37:47,510 --> 00:37:46,079

what that name is that was set theft

977

00:37:49,510 --> 00:37:47,520

secretary of defense

978

00:37:51,589 --> 00:37:49,520

um and uh

979

00:37:54,950 --> 00:37:51,599

but you know at another point there was

980

00:37:57,910 --> 00:37:54,960

a guy named bill cohen c-o-h-e-n

981

00:38:00,790 --> 00:37:57,920

uh who was in the clinton administration

982

00:38:03,030 --> 00:38:00,800

but bill cohen was completely denied uh

983

00:38:05,270 --> 00:38:03,040

extensively information on this i know

984

00:38:06,870 --> 00:38:05,280

this for a fact because astronaut gordon

985

00:38:08,790 --> 00:38:06,880

cooper and i

986

00:38:10,150 --> 00:38:08,800

uh had a meeting we were both given a

987

00:38:13,510 --> 00:38:10,160

presentation

988

00:38:16,470 --> 00:38:13,520

at the federalist society in washington

989

00:38:18,710 --> 00:38:16,480

and he shared with me that that the

990

00:38:21,109 --> 00:38:18,720

secretary of defense that was in the

991

00:38:23,270 --> 00:38:21,119

same administration at different time

992

00:38:24,550 --> 00:38:23,280

than perry bill perry this reference in

993

00:38:26,790 --> 00:38:24,560

this document

994

00:38:28,630 --> 00:38:26,800

had asked him to give him all the

995

00:38:30,790 --> 00:38:28,640

specific details

996

00:38:32,870 --> 00:38:30,800

of the landing of that craft out on the

997

00:38:35,750 --> 00:38:32,880

dry lake bed at edwards air force space

998

00:38:39,190 --> 00:38:35,760

back in the 50s and so gordon cooper did

999

00:38:40,710 --> 00:38:39,200

of course and then he he told me that

1000

00:38:43,349 --> 00:38:40,720

the secretary of defense got back to him

1001
00:38:45,990 --> 00:38:43,359
and said there is no record of this it's

1002
00:38:48,310 --> 00:38:46,000
gone into a black hole and vanished

1003
00:38:49,589 --> 00:38:48,320
obviously into a usap so you know i

1004
00:38:50,630 --> 00:38:49,599
would you know

1005
00:38:52,710 --> 00:38:50,640
astronaut

1006
00:38:54,310 --> 00:38:52,720
gordon cooper was sharing that

1007
00:38:56,230 --> 00:38:54,320
information with me

1008
00:38:58,550 --> 00:38:56,240
uh that conversation he had had with the

1009
00:39:01,030 --> 00:38:58,560
secretary of defense uh and providing

1010
00:39:03,510 --> 00:39:01,040
information to them and so and i turned

1011
00:39:05,589 --> 00:39:03,520
it to you know gordon trooper i said yes

1012
00:39:07,589 --> 00:39:05,599
that's the same boat that

1013
00:39:09,750 --> 00:39:07,599

the ci director is in although not all

1014

00:39:12,230 --> 00:39:09,760

of them that this

1015

00:39:14,630 --> 00:39:12,240

these other figures are in and that this

1016

00:39:17,270 --> 00:39:14,640

is a pattern and what i've tried to

1017

00:39:19,589 --> 00:39:17,280

explain to people is

1018

00:39:21,589 --> 00:39:19,599

whether or not you're read into which is

1019

00:39:23,430 --> 00:39:21,599

military speak for briefed

1020

00:39:26,790 --> 00:39:23,440

and led inside the tent

1021

00:39:29,829 --> 00:39:26,800

on these programs has nothing to do with

1022

00:39:33,270 --> 00:39:29,839

your constitutional duties the law or

1023

00:39:35,589 --> 00:39:33,280

your rank it has to do with whether they

1024

00:39:38,870 --> 00:39:35,599

have done an assessment that you will go

1025

00:39:41,030 --> 00:39:38,880

along with the horrific agenda that's

1026

00:39:44,069 --> 00:39:41,040

operating inside these use apps and if

1027

00:39:46,710 --> 00:39:44,079

they sense that you're a stand-up guy

1028

00:39:48,470 --> 00:39:46,720

and a fundamentally honest person

1029

00:39:50,630 --> 00:39:48,480

they will not

1030

00:39:52,710 --> 00:39:50,640

underline read you into it i don't care

1031

00:39:54,470 --> 00:39:52,720

if you're the uh

1032

00:39:57,430 --> 00:39:54,480

the secretary of defense the president

1033

00:39:59,109 --> 00:39:57,440

the cia director admiral wilson patrick

1034

00:40:01,270 --> 00:39:59,119

hughes general hughes

1035

00:40:03,910 --> 00:40:01,280

or on the senate intelligence committee

1036

00:40:06,550 --> 00:40:03,920

uh oversight committees so this is what

1037

00:40:08,630 --> 00:40:06,560

i discovered between 92 when i first

1038

00:40:12,069 --> 00:40:08,640

started meeting with folks like this

1039

00:40:14,710 --> 00:40:12,079

and uh the early 2000s and it's what i

1040

00:40:16,550 --> 00:40:14,720

continue to find to be the case it's a

1041

00:40:18,310 --> 00:40:16,560

very disturbing assessment and the

1042

00:40:19,910 --> 00:40:18,320

reason

1043

00:40:21,430 --> 00:40:19,920

what we're saying and what we're doing

1044

00:40:23,990 --> 00:40:21,440

with the disclosure project is

1045

00:40:25,829 --> 00:40:24,000

blacklisted out of the mainstream media

1046

00:40:27,990 --> 00:40:25,839

is that we're not going to stop with oh

1047

00:40:29,910 --> 00:40:28,000

here's a tic tac being tracked

1048

00:40:31,829 --> 00:40:29,920

and we don't know what it is no we're

1049

00:40:34,310 --> 00:40:31,839

going to say not only do they know what

1050

00:40:36,069 --> 00:40:34,320

it is but as you can see from this memo

1051
00:40:37,829 --> 00:40:36,079
we've been reverse engineering them and

1052
00:40:39,190 --> 00:40:37,839
studying them for decades we know how

1053
00:40:41,030 --> 00:40:39,200
they operate

1054
00:40:42,790 --> 00:40:41,040
how they're operating would pull us off

1055
00:40:45,109 --> 00:40:42,800
of oil gas and coal and fix the

1056
00:40:47,270 --> 00:40:45,119
environment but terminate hundreds of

1057
00:40:50,069 --> 00:40:47,280
trillions of dollars of oil and mineral

1058
00:40:51,670 --> 00:40:50,079
wealth instantly okay so this is the

1059
00:40:54,310 --> 00:40:51,680
real thing and see the new york times

1060
00:40:55,510 --> 00:40:54,320
and cnn and fox news

1061
00:40:57,829 --> 00:40:55,520
are not

1062
00:41:00,630 --> 00:40:57,839
underlined again gonna report that your

1063
00:41:02,870 --> 00:41:00,640

show will but the big quote mainstream

1064

00:41:04,390 --> 00:41:02,880

media is not allowed what they will

1065

00:41:06,950 --> 00:41:04,400

allow to be out

1066

00:41:09,349 --> 00:41:06,960

is something that's sort of a phenomenon

1067

00:41:10,870 --> 00:41:09,359

that seen confirms it and then attach

1068

00:41:13,829 --> 00:41:10,880

the fact that it's a threat to our

1069

00:41:16,470 --> 00:41:13,839

sovereignty as chris mellon said or it's

1070

00:41:19,030 --> 00:41:16,480

a national security threat all that kind

1071

00:41:21,910 --> 00:41:19,040

of stuff um because that fits the

1072

00:41:23,589 --> 00:41:21,920

narrative and the big mainstream media

1073

00:41:25,270 --> 00:41:23,599

is completely

1074

00:41:28,230 --> 00:41:25,280

answering to

1075

00:41:30,470 --> 00:41:28,240

these usaps as to what they will and

1076

00:41:32,950 --> 00:41:30,480

will not cover on this subject and i

1077

00:41:35,030 --> 00:41:32,960

discovered that in the 90s also so the

1078

00:41:37,109 --> 00:41:35,040

people who think we have a genuine free

1079

00:41:39,349 --> 00:41:37,119

press when it comes to the huge

1080

00:41:41,750 --> 00:41:39,359

major media they're living on planet

1081

00:41:45,829 --> 00:41:41,760

mars that's a that's an absolute mess

1082

00:41:48,470 --> 00:41:45,839

mythology what's your assessment of the

1083

00:41:50,150 --> 00:41:48,480

will miller letter that is included in

1084

00:41:52,309 --> 00:41:50,160

the document leak

1085

00:41:54,470 --> 00:41:52,319

and the reason why i ask you directly

1086

00:41:55,910 --> 00:41:54,480

about that because the letter

1087

00:41:57,190 --> 00:41:55,920

i don't know if it's real or not or if

1088

00:42:00,150 --> 00:41:57,200

it's authentic i don't know if you've

1089

00:42:02,470 --> 00:42:00,160

talked to will miller uh uh in the last

1090

00:42:04,390 --> 00:42:02,480

week about it i mean well i haven't

1091

00:42:06,630 --> 00:42:04,400

talked to him recently but it's it's

1092

00:42:08,950 --> 00:42:06,640

it's his address it's it's it's his

1093

00:42:11,510 --> 00:42:08,960

signature it's his letter yeah it's too

1094

00:42:13,910 --> 00:42:11,520

perfect isn't it i mean he brings up

1095

00:42:15,190 --> 00:42:13,920

levitation and teleportation and time

1096

00:42:16,950 --> 00:42:15,200

travel and

1097

00:42:19,430 --> 00:42:16,960

and you know it's uh you know it's to

1098

00:42:21,190 --> 00:42:19,440

eric davis and of course how put off is

1099

00:42:23,910 --> 00:42:21,200

is referenced here

1100

00:42:25,829 --> 00:42:23,920

and then uh you know there there's to be

1101
00:42:29,109 --> 00:42:25,839
no mention or association of my name

1102
00:42:31,750 --> 00:42:29,119
with your work uh or investigation it's

1103
00:42:33,910 --> 00:42:31,760
it's nearly too perfect but is this the

1104
00:42:36,710 --> 00:42:33,920
type of letter that that will would

1105
00:42:39,109 --> 00:42:36,720
write and it needs to be direct uh to

1106
00:42:42,069 --> 00:42:39,119
someone like eric davis and and their

1107
00:42:43,750 --> 00:42:42,079
group uh that they were oh yeah i have i

1108
00:42:45,109 --> 00:42:43,760
have many letters like this in my

1109
00:42:48,950 --> 00:42:45,119
archive

1110
00:42:50,790 --> 00:42:48,960
people have written to me in confidence

1111
00:42:53,270 --> 00:42:50,800
like commander miller this is this is

1112
00:42:54,950 --> 00:42:53,280
nothing in that letter surprises me now

1113
00:42:58,710 --> 00:42:54,960

uh i want to ask you something that i

1114

00:43:03,030 --> 00:42:58,720

raised last week about the letter which

1115

00:43:05,510 --> 00:43:03,040

is the eagle the logo that he's got on

1116

00:43:10,470 --> 00:43:05,520

it i couldn't find that

1117

00:43:11,430 --> 00:43:10,480

anywhere in in any usg letterheads

1118

00:43:13,270 --> 00:43:11,440

uh

1119

00:43:16,309 --> 00:43:13,280

no i think it says something he used i

1120

00:43:18,069 --> 00:43:16,319

think he had uh in 2002 he was out of

1121

00:43:19,109 --> 00:43:18,079

his command that his navel command at

1122

00:43:20,710 --> 00:43:19,119

that point and i think it's just

1123

00:43:22,470 --> 00:43:20,720

something he was using so you're okay

1124

00:43:23,750 --> 00:43:22,480

with that that that didn't raise any

1125

00:43:26,390 --> 00:43:23,760

flags for you

1126

00:43:30,069 --> 00:43:26,400

oh no no not at all okay okay

1127

00:43:32,950 --> 00:43:30,079

um so you as far as you you feel

1128

00:43:36,069 --> 00:43:32,960

that the letter is authentic

1129

00:43:39,270 --> 00:43:36,079

yes yeah explosive it's just all it's

1130

00:43:41,750 --> 00:43:39,280

all explosive stuff and uh getting back

1131

00:43:42,630 --> 00:43:41,760

to well see this is why i'm always so

1132

00:43:44,630 --> 00:43:42,640

shocked

1133

00:43:46,390 --> 00:43:44,640

everything in all this entire document

1134

00:43:47,750 --> 00:43:46,400

and the letter it's everything that

1135

00:43:50,630 --> 00:43:47,760

we've been sharing with the public for

1136

00:43:52,630 --> 00:43:50,640

25 years why anyone is shocked by this

1137

00:43:54,710 --> 00:43:52,640

is astonishing to me

1138

00:43:57,030 --> 00:43:54,720

this should be settled

1139

00:43:59,270 --> 00:43:57,040

knowledge by now and i'm not trying to

1140

00:44:00,870 --> 00:43:59,280

to to slap you down at all jim no no i

1141

00:44:02,150 --> 00:44:00,880

know you i don't see why

1142

00:44:04,069 --> 00:44:02,160

i don't see why any of this is

1143

00:44:06,390 --> 00:44:04,079

surprising this is exactly what we have

1144

00:44:09,510 --> 00:44:06,400

been documenting improving for a quarter

1145

00:44:11,990 --> 00:44:09,520

of a century in assiduous detail

1146

00:44:13,910 --> 00:44:12,000

um so i you know i guess in a sense it's

1147

00:44:15,349 --> 00:44:13,920

confirming what we've been saying sure

1148

00:44:17,030 --> 00:44:15,359

up to and including you know getting

1149

00:44:19,589 --> 00:44:17,040

your you know getting knocked down one

1150

00:44:21,910 --> 00:44:19,599

or two stars off of your pay grade

1151
00:44:23,670 --> 00:44:21,920
um which admiral wilson refers to but

1152
00:44:24,630 --> 00:44:23,680
you know we've talked about that also in

1153
00:44:27,430 --> 00:44:24,640
the past

1154
00:44:30,230 --> 00:44:27,440
well and and i i guess to my point is

1155
00:44:32,470 --> 00:44:30,240
the reason why it's shocking it's this

1156
00:44:33,510 --> 00:44:32,480
is what you know it's this kind of

1157
00:44:35,829 --> 00:44:33,520
evidence

1158
00:44:38,150 --> 00:44:35,839
uh that we've been waiting for

1159
00:44:39,829 --> 00:44:38,160
not only to for you because you've been

1160
00:44:40,630 --> 00:44:39,839
speaking about these meetings you've

1161
00:44:43,510 --> 00:44:40,640
been

1162
00:44:46,390 --> 00:44:43,520
exactly the content of what is in these

1163
00:44:49,430 --> 00:44:46,400

documents is what you have been

1164

00:44:52,150 --> 00:44:49,440

uh relaying to the public for for a

1165

00:44:54,230 --> 00:44:52,160

couple of decades now it gets released

1166

00:44:56,630 --> 00:44:54,240

finally we can sit back and go okay now

1167

00:44:59,190 --> 00:44:56,640

we have something here that is tangible

1168

00:45:01,670 --> 00:44:59,200

you know this is authentic and how does

1169

00:45:05,190 --> 00:45:01,680

that make you feel are you relieved or

1170

00:45:06,710 --> 00:45:05,200

do you think that there's more to come

1171

00:45:08,790 --> 00:45:06,720

well no i i'm relieved that it's

1172

00:45:10,390 --> 00:45:08,800

confirmed what basically

1173

00:45:11,750 --> 00:45:10,400

we've been saying that you know i mean a

1174

00:45:13,670 --> 00:45:11,760

lot of people think that some of these

1175

00:45:16,069 --> 00:45:13,680

things that i've shared or just can't be

1176
00:45:19,109 --> 00:45:16,079
believed because there's most of these

1177
00:45:20,710 --> 00:45:19,119
people like miller and admiral wilson or

1178
00:45:22,710 --> 00:45:20,720
general patrick hughes are never going

1179
00:45:25,270 --> 00:45:22,720
to confirm it remember when the ci

1180
00:45:27,270 --> 00:45:25,280
director i grieved when that story came

1181
00:45:28,550 --> 00:45:27,280
out well after he had left office i

1182
00:45:29,910 --> 00:45:28,560
would have never discussed it while he

1183
00:45:31,829 --> 00:45:29,920
was in office

1184
00:45:34,069 --> 00:45:31,839
he actually went to the pains of having

1185
00:45:35,510 --> 00:45:34,079
everyone the other people in him himself

1186
00:45:39,190 --> 00:45:35,520
saying that the meeting wasn't about

1187
00:45:40,950 --> 00:45:39,200
ufos i had to release excerpts from

1188
00:45:43,589 --> 00:45:40,960

uh john peterson who was head of the

1189

00:45:44,470 --> 00:45:43,599

arlington institute of a military think

1190

00:45:46,710 --> 00:45:44,480

tank

1191

00:45:48,550 --> 00:45:46,720

where he who set up the briefing with me

1192

00:45:50,550 --> 00:45:48,560

and the ci director that explicitly says

1193

00:45:52,390 --> 00:45:50,560

not only are you going to be the first

1194

00:45:54,470 --> 00:45:52,400

person to brief the president cia

1195

00:45:56,069 --> 00:45:54,480

director on this issue but that the most

1196

00:45:59,349 --> 00:45:56,079

powerful interests in the world are

1197

00:46:02,309 --> 00:45:59,359

going to do everything in their power to

1198

00:46:04,550 --> 00:46:02,319

uh alter change and control what happens

1199

00:46:06,790 --> 00:46:04,560

with this etcetera and so on and that is

1200

00:46:09,270 --> 00:46:06,800

an alert now this is why i tell people

1201
00:46:10,309 --> 00:46:09,280
what's sending in my freaking archive

1202
00:46:12,790 --> 00:46:10,319
you know

1203
00:46:15,589 --> 00:46:12,800
which i referred to as a part of a dead

1204
00:46:17,750 --> 00:46:15,599
man trigger you ain't seen nothing yet

1205
00:46:19,670 --> 00:46:17,760
i'll tell you that right now but a lot

1206
00:46:21,829 --> 00:46:19,680
of it is confidential things have been

1207
00:46:24,230 --> 00:46:21,839
sent if something if i drop dead or

1208
00:46:25,829 --> 00:46:24,240
anyone on my team gets threatened every

1209
00:46:27,910 --> 00:46:25,839
bit of it is going to hit the internet

1210
00:46:30,390 --> 00:46:27,920
and you think this is something you wait

1211
00:46:31,750 --> 00:46:30,400
until this other stuff comes out

1212
00:46:41,030 --> 00:46:31,760
the

1213
00:46:43,190 --> 00:46:41,040

like miller or wilson or people i can't

1214

00:46:45,829 --> 00:46:43,200

say their names that i've met with in

1215

00:46:47,190 --> 00:46:45,839

the last year who know a great deal more

1216

00:46:49,030 --> 00:46:47,200

than the admiral

1217

00:46:52,150 --> 00:46:49,040

and a great deal more than miller ever

1218

00:46:54,550 --> 00:46:52,160

knew who in recent times very recent

1219

00:46:56,710 --> 00:46:54,560

times have been in these compartments

1220

00:47:00,309 --> 00:46:56,720

and are giving us information and

1221

00:47:03,510 --> 00:47:00,319

details and locations and operational

1222

00:47:06,630 --> 00:47:03,520

uh centers etc and so on

1223

00:47:08,309 --> 00:47:06,640

and that's information that i don't want

1224

00:47:10,150 --> 00:47:08,319

people like that so like they can't

1225

00:47:12,150 --> 00:47:10,160

share it because i betrayed a trust i

1226
00:47:13,829 --> 00:47:12,160
hope people listening understand that

1227
00:47:16,069 --> 00:47:13,839
i'm not trying to keep anything secret

1228
00:47:19,190 --> 00:47:16,079
i'm trying to be ethical and so i share

1229
00:47:21,349 --> 00:47:19,200
what i can to the extent i can without

1230
00:47:22,309 --> 00:47:21,359
going back on my word to someone who has

1231
00:47:24,470 --> 00:47:22,319
said

1232
00:47:27,030 --> 00:47:24,480
you may share this information but do

1233
00:47:29,750 --> 00:47:27,040
not repeat my name that happens to me

1234
00:47:31,990 --> 00:47:29,760
all the time of the 100 or so disclosure

1235
00:47:34,150 --> 00:47:32,000
project military corporate intel

1236
00:47:36,309 --> 00:47:34,160
witnesses we have if you go my

1237
00:47:39,670 --> 00:47:36,319
youtube.com

1238
00:47:41,430 --> 00:47:39,680

disclosure s as in sirius uh you'll see

1239

00:47:43,430 --> 00:47:41,440

that you know we have like five or six

1240

00:47:45,510 --> 00:47:43,440

dozen of them up there but the ones that

1241

00:47:47,430 --> 00:47:45,520

are the most explosive don't want to sit

1242

00:47:49,910 --> 00:47:47,440

in front of a camera don't want their

1243

00:47:53,190 --> 00:47:49,920

names used now this puts me in a

1244

00:47:54,870 --> 00:47:53,200

horrible situation frankly i i know the

1245

00:47:56,309 --> 00:47:54,880

information and i know it's true and

1246

00:47:58,550 --> 00:47:56,319

i've checked out their credentials or

1247

00:48:00,309 --> 00:47:58,560

met with them in their facilities

1248

00:48:02,230 --> 00:48:00,319

but i can't reference them and they

1249

00:48:03,910 --> 00:48:02,240

don't want to come forward to confirm it

1250

00:48:05,990 --> 00:48:03,920

so then people say well

1251

00:48:07,349 --> 00:48:06,000

is it true if dr grier says it is well

1252

00:48:09,270 --> 00:48:07,359

you can believe it or not believe it

1253

00:48:10,950 --> 00:48:09,280

frankly i don't care anymore

1254

00:48:13,750 --> 00:48:10,960

this document proves that what i've been

1255

00:48:16,150 --> 00:48:13,760

saying about this kind of information is

1256

00:48:18,630 --> 00:48:16,160

absolutely true and what i will continue

1257

00:48:20,870 --> 00:48:18,640

to say is absolutely true including the

1258

00:48:22,230 --> 00:48:20,880

things where i can't refer to the person

1259

00:48:23,990 --> 00:48:22,240

or the details

1260

00:48:25,510 --> 00:48:24,000

in a lot of

1261

00:48:28,230 --> 00:48:25,520

of granular

1262

00:48:29,910 --> 00:48:28,240

um specifics because i promise someone i

1263

00:48:31,750 --> 00:48:29,920

can't and i think people have to

1264

00:48:33,430 --> 00:48:31,760

understand that that puts me in a you

1265

00:48:34,950 --> 00:48:33,440

know between a rock and a hard place

1266

00:48:35,910 --> 00:48:34,960

often

1267

00:48:38,230 --> 00:48:35,920

the

1268

00:48:40,710 --> 00:48:38,240

document gets leaked uh you know goes

1269

00:48:43,589 --> 00:48:40,720

public last week and

1270

00:48:45,670 --> 00:48:43,599

over the weekend president trump in an

1271

00:48:47,510 --> 00:48:45,680

interview says and i think this is the

1272

00:48:48,549 --> 00:48:47,520

first time i've ever heard a president

1273

00:48:50,549 --> 00:48:48,559

say this

1274

00:48:51,829 --> 00:48:50,559

that he's been briefed on the ufo

1275

00:48:55,190 --> 00:48:51,839

subject

1276

00:48:57,109 --> 00:48:55,200

and the timing again to me is suspect

1277

00:48:59,510 --> 00:48:57,119

right it's like an avalanche right now

1278

00:49:02,309 --> 00:48:59,520

dr gur

1279

00:49:04,230 --> 00:49:02,319

yeah well it's a complicated story and

1280

00:49:07,030 --> 00:49:04,240

let me let me we don't have a lot of

1281

00:49:09,829 --> 00:49:07,040

time but as soon as he got nominated one

1282

00:49:12,150 --> 00:49:09,839

of his delegates um for the republican

1283

00:49:13,990 --> 00:49:12,160

national committee asked me to

1284

00:49:15,670 --> 00:49:14,000

put a brief together for him and so he

1285

00:49:19,109 --> 00:49:15,680

did

1286

00:49:22,309 --> 00:49:19,119

that was put in his hands personally

1287

00:49:24,150 --> 00:49:22,319

that was in september 2016 couple months

1288

00:49:26,309 --> 00:49:24,160

before the election

1289

00:49:28,150 --> 00:49:26,319

now we had already provided material to

1290

00:49:29,589 --> 00:49:28,160

podesta and the clintons and all that so

1291

00:49:31,349 --> 00:49:29,599

that was sort of you know that ship

1292

00:49:32,309 --> 00:49:31,359

sailed a long time ago

1293

00:49:33,430 --> 00:49:32,319

um

1294

00:49:35,990 --> 00:49:33,440

but

1295

00:49:38,309 --> 00:49:36,000

it's within 12 hours or so

1296

00:49:40,470 --> 00:49:38,319

of him taking possession that document

1297

00:49:43,190 --> 00:49:40,480

guess who they moved in as his

1298

00:49:45,109 --> 00:49:43,200

right-hand person during the last months

1299

00:49:48,470 --> 00:49:45,119

of the campaign

1300

00:49:50,790 --> 00:49:48,480

for his national security adviser senior

1301
00:49:52,470 --> 00:49:50,800
the cia director i briefed who later

1302
00:49:55,510 --> 00:49:52,480
ended up

1303
00:49:58,150 --> 00:49:55,520
betraying all of us are james woolsey

1304
00:50:00,069 --> 00:49:58,160
and he was moved in within 12 hours of

1305
00:50:02,950 --> 00:50:00,079
the document i put together that was

1306
00:50:04,309 --> 00:50:02,960
handed into the hands of

1307
00:50:05,829 --> 00:50:04,319
the nominee

1308
00:50:08,069 --> 00:50:05,839
republican nominee for president who

1309
00:50:08,790 --> 00:50:08,079
then got elected president in november

1310
00:50:10,549 --> 00:50:08,800
so

1311
00:50:12,470 --> 00:50:10,559
this is how

1312
00:50:14,230 --> 00:50:12,480
the world works i have a home

1313
00:50:15,990 --> 00:50:14,240

in washington i meet with these sort of

1314

00:50:19,349 --> 00:50:16,000

folks all the time

1315

00:50:21,910 --> 00:50:19,359

the kind of maneuvering that happens to

1316

00:50:24,309 --> 00:50:21,920

intercept someone like a new president

1317

00:50:26,710 --> 00:50:24,319

and move them in the direction of where

1318

00:50:27,829 --> 00:50:26,720

they want to be moved

1319

00:50:30,470 --> 00:50:27,839

where

1320

00:50:33,109 --> 00:50:30,480

someone like myself might be

1321

00:50:35,430 --> 00:50:33,119

moved aside and they'll put someone in

1322

00:50:38,150 --> 00:50:35,440

who will then direct them to create a

1323

00:50:40,870 --> 00:50:38,160

space force or to

1324

00:50:43,589 --> 00:50:40,880

allow a slow disclosure but then in a cr

1325

00:50:45,990 --> 00:50:43,599

increasingly xenophobic frightening way

1326
00:50:48,069 --> 00:50:46,000
of an alien invasion these are the

1327
00:50:49,990 --> 00:50:48,079
things i'm concerned about because

1328
00:50:52,549 --> 00:50:50,000
of the system that's in place that's

1329
00:50:55,190 --> 00:50:52,559
around any president around anyone at

1330
00:50:58,069 --> 00:50:55,200
the pentagon who penetrates

1331
00:51:00,390 --> 00:50:58,079
the lead shield around an unacknowledged

1332
00:51:01,829 --> 00:51:00,400
special access project and by the way

1333
00:51:04,150 --> 00:51:01,839
that term most people have never heard

1334
00:51:06,870 --> 00:51:04,160
of it's used here in this memo

1335
00:51:08,549 --> 00:51:06,880
on the top of page seven where it says

1336
00:51:11,190 --> 00:51:08,559
they told me of a special projects

1337
00:51:13,670 --> 00:51:11,200
record group not belonging to a usual

1338
00:51:17,030 --> 00:51:13,680

sap special access project a special

1339

00:51:19,109 --> 00:51:17,040

subset of the unacknowledged carve outs

1340

00:51:22,150 --> 00:51:19,119

waived programs

1341

00:51:24,630 --> 00:51:22,160

not belonging to usual special access

1342

00:51:27,589 --> 00:51:24,640

project divisions as organized in 94 by

1343

00:51:30,230 --> 00:51:27,599

perry himself set apart from

1344

00:51:33,910 --> 00:51:30,240

the rest and buried and covered by

1345

00:51:35,190 --> 00:51:33,920

conventional saps buried or covered this

1346

00:51:36,790 --> 00:51:35,200

is the architecture we've been

1347

00:51:39,510 --> 00:51:36,800

discussing i've been discussing to the

1348

00:51:42,710 --> 00:51:39,520

public for 25 years that's in the

1349

00:51:44,390 --> 00:51:42,720

documentary unacknowledged and

1350

00:51:46,549 --> 00:51:44,400

one of the one of the interesting things

1351
00:51:47,750 --> 00:51:46,559
about how that system works

1352
00:51:50,950 --> 00:51:47,760
is that

1353
00:51:53,910 --> 00:51:50,960
they have assets that are pre-positioned

1354
00:51:55,670 --> 00:51:53,920
to intercept an incoming president who

1355
00:51:57,910 --> 00:51:55,680
gets something like

1356
00:52:00,309 --> 00:51:57,920
trump did from me or that clinton got

1357
00:52:02,710 --> 00:52:00,319
from us back in the 90s i mean 25 years

1358
00:52:05,589 --> 00:52:02,720
later the more things change the more

1359
00:52:07,109 --> 00:52:05,599
they stay the same meanwhile

1360
00:52:08,870 --> 00:52:07,119
with hundreds of millions of people

1361
00:52:10,870 --> 00:52:08,880
finding out about this stuff through the

1362
00:52:12,230 --> 00:52:10,880
unacknowledged documentary which became

1363
00:52:15,190 --> 00:52:12,240

a runaway

1364

00:52:16,710 --> 00:52:15,200

you suddenly have a group that's formed

1365

00:52:19,910 --> 00:52:16,720

that are people who have been on the

1366

00:52:22,549 --> 00:52:19,920

inside for years like put off

1367

00:52:24,710 --> 00:52:22,559

and chris mellon and

1368

00:52:26,790 --> 00:52:24,720

all these folks and they start seeing

1369

00:52:29,430 --> 00:52:26,800

that certain things get into the media

1370

00:52:32,309 --> 00:52:29,440

but with a very specific spin

1371

00:52:35,270 --> 00:52:32,319

of you know a violation of our national

1372

00:52:37,990 --> 00:52:35,280

sovereignty or a national security

1373

00:52:39,430 --> 00:52:38,000

threat or a threat assessment office it

1374

00:52:40,390 --> 00:52:39,440

all has this

1375

00:52:42,230 --> 00:52:40,400

subtle

1376
00:52:45,990 --> 00:52:42,240
believe me at this point it's all very

1377
00:52:49,270 --> 00:52:46,000
nuanced narrative and almost subliminal

1378
00:52:51,510 --> 00:52:49,280
but that's how counterintelligence works

1379
00:52:53,510 --> 00:52:51,520
that's how psychological warfare works

1380
00:52:56,390 --> 00:52:53,520
and you and i my friend are watching

1381
00:52:58,470 --> 00:52:56,400
this before our eyes unfold in virtually

1382
00:52:59,750 --> 00:52:58,480
real time in the last year it's been

1383
00:53:02,230 --> 00:52:59,760
crazy and

1384
00:53:04,950 --> 00:53:02,240
it's also for me uh and for this

1385
00:53:07,030 --> 00:53:04,960
community it's also very exciting

1386
00:53:09,430 --> 00:53:07,040
because we're all here

1387
00:53:13,349 --> 00:53:09,440
for our own personal reasons you know

1388
00:53:15,990 --> 00:53:13,359

there there are we have uh uh

1389

00:53:18,710 --> 00:53:16,000

our what how do i want to say this

1390

00:53:21,670 --> 00:53:18,720

a personal event happened somewhere and

1391

00:53:24,069 --> 00:53:21,680

we are chasing this knowledge and to

1392

00:53:26,390 --> 00:53:24,079

have this it's confirmation right for

1393

00:53:29,349 --> 00:53:26,400

the community where they can just sit

1394

00:53:32,470 --> 00:53:29,359

back and go okay finally you know and

1395

00:53:34,790 --> 00:53:32,480

not only am i not crazy but neither are

1396

00:53:36,870 --> 00:53:34,800

the people around me too as well and and

1397

00:53:38,950 --> 00:53:36,880

that's the part that i find so exciting

1398

00:53:40,069 --> 00:53:38,960

let's take a break right here and uh

1399

00:53:42,470 --> 00:53:40,079

when we come back we're going to

1400

00:53:45,109 --> 00:53:42,480

continue the conversation but i do want

1401

00:53:47,829 --> 00:53:45,119

to get into uh who is controlling this

1402

00:53:50,470 --> 00:53:47,839

narrative and why this is fade to black

1403

00:53:52,230 --> 00:53:50,480

our guest tonight dr stephen greer i'm

1404

00:53:54,390 --> 00:53:52,240

your host jimmy church follow me on

1405

00:53:57,349 --> 00:53:54,400

twitter at j church radio follow dr

1406

00:53:59,970 --> 00:53:57,359

greer at dr stephen greer we'll be right

1407

00:54:42,390 --> 00:53:59,980

back

1408

00:54:45,510 --> 00:54:42,400

jimmy church tonight dr stephen greer is

1409

00:54:47,910 --> 00:54:45,520

here tomorrow night is our disclosure

1410

00:54:50,549 --> 00:54:47,920

fest special event with naseem haram

1411

00:54:52,630 --> 00:54:50,559

jason quit billy carson and michael

1412

00:54:55,829 --> 00:54:52,640

telling our guest host is adrian

1413

00:54:58,390 --> 00:54:55,839

valera and then wednesday night grant

1414

00:55:00,710 --> 00:54:58,400

cameron will be joining us to also

1415

00:55:04,390 --> 00:55:00,720

continue with the inside story of the

1416

00:55:06,710 --> 00:55:04,400

davis wilson ufo league uh dr greer i've

1417

00:55:08,630 --> 00:55:06,720

got uh two things i want to uh bring up

1418

00:55:12,150 --> 00:55:08,640

i want to go back to uh president trump

1419

00:55:14,390 --> 00:55:12,160

for a second um this weekend he said and

1420

00:55:16,470 --> 00:55:14,400

i this very curious comment from him

1421

00:55:21,109 --> 00:55:16,480

where he said well you know i don't

1422

00:55:24,069 --> 00:55:21,119

really believe in ufos but when i find

1423

00:55:28,390 --> 00:55:24,079

out you'll be the first to know do we

1424

00:55:30,230 --> 00:55:28,400

take him literally uh with that comment

1425

00:55:33,270 --> 00:55:30,240

look you know i don't know i can't be

1426

00:55:35,109 --> 00:55:33,280

inside his or you know obama's head or

1427

00:55:36,549 --> 00:55:35,119

any others that have made comments that

1428

00:55:39,109 --> 00:55:36,559

are deflective

1429

00:55:41,990 --> 00:55:39,119

um perhaps he's been threatened the way

1430

00:55:42,790 --> 00:55:42,000

admiral wilson was threatened or the way

1431

00:55:45,430 --> 00:55:42,800

uh

1432

00:55:47,030 --> 00:55:45,440

president clinton you know sent his a

1433

00:55:48,710 --> 00:55:47,040

good friend of mine home down to north

1434

00:55:50,309 --> 00:55:48,720

carolina

1435

00:55:52,150 --> 00:55:50,319

who said look you know we're very

1436

00:55:54,069 --> 00:55:52,160

concerned that if the president takes

1437

00:55:54,950 --> 00:55:54,079

the recommendations that you've outlined

1438

00:55:57,190 --> 00:55:54,960

in your

1439

00:55:59,030 --> 00:55:57,200

uh brief that you gave the ci director

1440

00:56:01,589 --> 00:55:59,040

he'll end up like jack kennedy and be

1441

00:56:03,030 --> 00:56:01,599

assassinated so i can't speak to what's

1442

00:56:04,950 --> 00:56:03,040

in their heads

1443

00:56:06,470 --> 00:56:04,960

i will say this this i know for a

1444

00:56:07,990 --> 00:56:06,480

definite fact

1445

00:56:10,710 --> 00:56:08,000

if they are

1446

00:56:12,470 --> 00:56:10,720

forceful and inquiring about this they

1447

00:56:14,870 --> 00:56:12,480

will be provided

1448

00:56:17,510 --> 00:56:14,880

the briefing that is psychologically

1449

00:56:19,750 --> 00:56:17,520

tailored to their

1450

00:56:22,069 --> 00:56:19,760

world of view let me give you a great

1451

00:56:23,910 --> 00:56:22,079

example we had a president

1452

00:56:25,990 --> 00:56:23,920

many years ago probably half your

1453

00:56:27,670 --> 00:56:26,000

listeners weren't alive named

1454

00:56:30,390 --> 00:56:27,680

president ronald reagan

1455

00:56:32,150 --> 00:56:30,400

and he was i knew a man who was on the

1456

00:56:34,710 --> 00:56:32,160

committee that briefed him

1457

00:56:37,430 --> 00:56:34,720

to on some of this stuff but he was

1458

00:56:39,910 --> 00:56:37,440

representing the defense industry

1459

00:56:41,190 --> 00:56:39,920

while he was a colonel in the air force

1460

00:56:42,230 --> 00:56:41,200

colonel hallman

1461

00:56:45,030 --> 00:56:42,240

and his

1462

00:56:47,829 --> 00:56:45,040

purpose was to present

1463

00:56:51,030 --> 00:56:47,839

the ufo material in a way that was a

1464

00:56:53,349 --> 00:56:51,040

threat to get a lot of money including

1465

00:56:55,589 --> 00:56:53,359

black money into the so-called sdi

1466

00:56:57,430 --> 00:56:55,599

strategic defense initiative to put

1467

00:56:58,630 --> 00:56:57,440

weapons up in space

1468

00:57:01,349 --> 00:56:58,640

and so

1469

00:57:02,390 --> 00:57:01,359

that was tailor made

1470

00:57:05,829 --> 00:57:02,400

to

1471

00:57:08,309 --> 00:57:05,839

reagan's world view

1472

00:57:09,190 --> 00:57:08,319

so that he would then approve

1473

00:57:12,470 --> 00:57:09,200

that

1474

00:57:15,030 --> 00:57:12,480

vastly expanded multi-billion dollar

1475

00:57:17,829 --> 00:57:15,040

uh strategic defense initiatives uh

1476

00:57:19,430 --> 00:57:17,839

space weapons program in back way back

1477

00:57:21,589 --> 00:57:19,440

in in

1478

00:57:23,589 --> 00:57:21,599

the day in the 80s so this was

1479

00:57:25,510 --> 00:57:23,599

this is something that most people don't

1480

00:57:27,750 --> 00:57:25,520

realize that

1481

00:57:30,390 --> 00:57:27,760

there will be a limited amount of

1482

00:57:33,190 --> 00:57:30,400

information provided but they are very

1483

00:57:35,270 --> 00:57:33,200

good at doing a psychological profile of

1484

00:57:36,230 --> 00:57:35,280

whoever it is that they're briefing and

1485

00:57:37,829 --> 00:57:36,240

of course

1486

00:57:39,430 --> 00:57:37,839

you know truman first said and clinton

1487

00:57:42,230 --> 00:57:39,440

repeated that the white house is the

1488

00:57:43,750 --> 00:57:42,240

crown jewel of the federal penitentiary

1489

00:57:46,470 --> 00:57:43,760

system i mean you're in a bubble like

1490

00:57:48,710 --> 00:57:46,480

you've never seen so unless someone like

1491

00:57:50,950 --> 00:57:48,720

my group and the material i get can

1492

00:57:52,710 --> 00:57:50,960

penetrate that bubble which which we do

1493

00:57:55,109 --> 00:57:52,720

periodically they're gonna in a

1494

00:57:56,789 --> 00:57:55,119

hermetically sealed system and you know

1495

00:57:59,030 --> 00:57:56,799

you got the foxes who are guarding the

1496

00:58:01,990 --> 00:57:59,040

hen house here who then will do a

1497

00:58:03,670 --> 00:58:02,000

tailor-made limited briefing where they

1498

00:58:04,630 --> 00:58:03,680

can spin it any way they want for

1499

00:58:06,390 --> 00:58:04,640

example

1500

00:58:08,950 --> 00:58:06,400

recently in the mainstream media you've

1501
00:58:10,309 --> 00:58:08,960
had people who come out from lockheed

1502
00:58:11,270 --> 00:58:10,319
or

1503
00:58:13,510 --> 00:58:11,280
chris

1504
00:58:15,030 --> 00:58:13,520
mellon who's related to the mel and paul

1505
00:58:17,270 --> 00:58:15,040
millen family

1506
00:58:19,349 --> 00:58:17,280
who started the cia and all that stuff

1507
00:58:21,349 --> 00:58:19,359
we get into that if you want who are

1508
00:58:23,190 --> 00:58:21,359
saying well we need to study this but we

1509
00:58:25,510 --> 00:58:23,200
don't really know what they is and they

1510
00:58:27,030 --> 00:58:25,520
are we don't know how they operate and

1511
00:58:28,309 --> 00:58:27,040
of course that's all a lie you look at

1512
00:58:30,230 --> 00:58:28,319
this wilson

1513
00:58:32,309 --> 00:58:30,240

uh memo

1514

00:58:33,829 --> 00:58:32,319

and and the thing that dave has created

1515

00:58:35,030 --> 00:58:33,839

you know he's talking about the fact

1516

00:58:36,549 --> 00:58:35,040

that you know these things have been

1517

00:58:39,589 --> 00:58:36,559

studied and miller is talking about the

1518

00:58:41,910 --> 00:58:39,599

levitation teleportation stuff

1519

00:58:44,230 --> 00:58:41,920

obviously it's a

1520

00:58:46,390 --> 00:58:44,240

a very

1521

00:58:47,910 --> 00:58:46,400

cherry-picked disclosure

1522

00:58:49,109 --> 00:58:47,920

that is

1523

00:58:50,789 --> 00:58:49,119

conditional

1524

00:58:52,549 --> 00:58:50,799

and it's

1525

00:58:54,630 --> 00:58:52,559

made to

1526

00:58:57,030 --> 00:58:54,640

have a certain effect on people's

1527

00:58:59,829 --> 00:58:57,040

awareness which is why they always work

1528

00:59:01,750 --> 00:58:59,839

in however subliminally a threat a

1529

00:59:04,069 --> 00:59:01,760

threat a threat well look you know if

1530

00:59:05,829 --> 00:59:04,079

you have interstellar technologies that

1531

00:59:07,670 --> 00:59:05,839

are a hundred thousand to a million

1532

00:59:09,910 --> 00:59:07,680

years past what we have

1533

00:59:11,670 --> 00:59:09,920

if they were a genuine threat we'd know

1534

00:59:13,349 --> 00:59:11,680

about it and and it would have been all

1535

00:59:15,670 --> 00:59:13,359

over about time we detonated the first

1536

00:59:17,589 --> 00:59:15,680

atomic bomb however

1537

00:59:19,109 --> 00:59:17,599

there's a there's a it's a complex thing

1538

00:59:21,910 --> 00:59:19,119

a lot of people miss caricature what i

1539

00:59:23,589 --> 00:59:21,920

say and say oh the et's aren't

1540

00:59:26,150 --> 00:59:23,599

hostile towards us

1541

00:59:28,390 --> 00:59:26,160

well actually i think they're very

1542

00:59:30,069 --> 00:59:28,400

hostile towards an aspect of human

1543

00:59:32,390 --> 00:59:30,079

behavior

1544

00:59:34,549 --> 00:59:32,400

called war making and they're very

1545

00:59:38,069 --> 00:59:34,559

concerned that we could destroy this

1546

00:59:40,150 --> 00:59:38,079

planet and escape from our solar system

1547

00:59:43,990 --> 00:59:40,160

and be an existential threat to other

1548

00:59:46,150 --> 00:59:44,000

planets so i think people try to come on

1549

00:59:49,430 --> 00:59:46,160

you know this whole issue has to get

1550

00:59:52,069 --> 00:59:49,440

discussed in a more nuanced and and and

1551
00:59:54,230 --> 00:59:52,079
detailed way because imagine if you were

1552
00:59:55,430 --> 00:59:54,240
to come across our civilization

1553
00:59:58,230 --> 00:59:55,440
and see

1554
01:00:00,549 --> 00:59:58,240
nuclear bombs and stuff going off and

1555
01:00:03,430 --> 01:00:00,559
then we're going into space and we have

1556
01:00:05,829 --> 01:00:03,440
covert weapon systems on satellites that

1557
01:00:07,589 --> 01:00:05,839
frankly are killers that can kill

1558
01:00:09,510 --> 01:00:07,599
anything out in space or even down on

1559
01:00:10,549 --> 01:00:09,520
the earth that have been functional for

1560
01:00:11,349 --> 01:00:10,559
decades

1561
01:00:12,950 --> 01:00:11,359
uh

1562
01:00:15,750 --> 01:00:12,960
you know you would have some concerns

1563
01:00:17,510 --> 01:00:15,760

about the direction our planet is going

1564

01:00:19,750 --> 01:00:17,520

in addition to the fact we're destroying

1565

01:00:22,150 --> 01:00:19,760

the biosphere unnecessarily because

1566

01:00:23,670 --> 01:00:22,160

we've been on fossil fuels and chemicals

1567

01:00:25,670 --> 01:00:23,680

for 70 years

1568

01:00:28,470 --> 01:00:25,680

past when we should have been or maybe

1569

01:00:31,270 --> 01:00:28,480

longer so i think that we have to look

1570

01:00:33,750 --> 01:00:31,280

at this from multiple perspectives and

1571

01:00:35,030 --> 01:00:33,760

but what i know is happening and we were

1572

01:00:37,349 --> 01:00:35,040

warned of this

1573

01:00:40,150 --> 01:00:37,359

back in the 90s is that they will

1574

01:00:42,069 --> 01:00:40,160

surround whoever is the new president

1575

01:00:43,589 --> 01:00:42,079

if this is going to come out they're

1576
01:00:45,349 --> 01:00:43,599
going to control the narrative and since

1577
01:00:48,549 --> 01:00:45,359
the mainstream media is in their back

1578
01:00:51,109 --> 01:00:48,559
pocket of this uh majority intelligence

1579
01:00:54,390 --> 01:00:51,119
community it's called magic now mhaic

1580
01:00:56,950 --> 01:00:54,400
not majestic 12 by the way uh it when if

1581
01:01:00,069 --> 01:00:56,960
magic wants the mainstream media to

1582
01:01:03,510 --> 01:01:00,079
cover x case and not y case but cover in

1583
01:01:05,109 --> 01:01:03,520
a way that has x-men instead of y-spin

1584
01:01:07,270 --> 01:01:05,119
and the spin they want is one that's

1585
01:01:09,670 --> 01:01:07,280
frightening to the public that's what

1586
01:01:12,069 --> 01:01:09,680
cnn and that's what the new york times

1587
01:01:14,150 --> 01:01:12,079
and the washington post and fox and on

1588
01:01:16,950 --> 01:01:14,160

and on and on and npr are going to do

1589

01:01:19,109 --> 01:01:16,960

full stop so you know this is

1590

01:01:21,109 --> 01:01:19,119

unfortunately what it's come to and

1591

01:01:22,950 --> 01:01:21,119

thank god we have shows like yours and

1592

01:01:26,630 --> 01:01:22,960

the alternative media and the internet

1593

01:01:28,630 --> 01:01:26,640

but the the the record

1594

01:01:31,670 --> 01:01:28,640

let's call it the media of record the

1595

01:01:33,670 --> 01:01:31,680

establishment respected media no offense

1596

01:01:35,349 --> 01:01:33,680

to you at all like the new york times

1597

01:01:37,349 --> 01:01:35,359

they're not going to cover this this

1598

01:01:40,630 --> 01:01:37,359

truthfully and anyone who thinks they

1599

01:01:41,829 --> 01:01:40,640

are are very sadly mistaken go look at

1600

01:01:44,150 --> 01:01:41,839

what

1601

01:01:46,470 --> 01:01:44,160

a counterintelligence master

1602

01:01:48,230 --> 01:01:46,480

like richard dodie whose whole life with

1603

01:01:50,230 --> 01:01:48,240

disinformation and counterintelligence

1604

01:01:53,510 --> 01:01:50,240

says and unacknowledged he would carry

1605

01:01:56,309 --> 01:01:53,520

bags of cash to national security

1606

01:01:58,069 --> 01:01:56,319

editors and local and national media to

1607

01:02:00,309 --> 01:01:58,079

get them to tell the story the way they

1608

01:02:03,190 --> 01:02:00,319

want them to tell it that's how it works

1609

01:02:03,990 --> 01:02:03,200

it is a corrupt enterprise through and

1610

01:02:05,990 --> 01:02:04,000

through

1611

01:02:08,630 --> 01:02:06,000

rotten to the core and that includes

1612

01:02:12,549 --> 01:02:08,640

especially the media there's another

1613

01:02:13,910 --> 01:02:12,559

reference uh in in this document that

1614

01:02:15,750 --> 01:02:13,920

was pretty

1615

01:02:18,309 --> 01:02:15,760

stand out which is

1616

01:02:21,190 --> 01:02:18,319

crash retrievals landings contact

1617

01:02:24,710 --> 01:02:21,200

reverse engineering all of that is real

1618

01:02:26,549 --> 01:02:24,720

but alien abductions are not

1619

01:02:29,109 --> 01:02:26,559

yeah on the last page is the most

1620

01:02:31,750 --> 01:02:29,119

important thing in this document

1621

01:02:32,829 --> 01:02:31,760

well as you know about 25 years ago i

1622

01:02:35,430 --> 01:02:32,839

was read

1623

01:02:37,990 --> 01:02:35,440

into now this is stuff we've never

1624

01:02:41,109 --> 01:02:38,000

talked about in detail on your show

1625

01:02:43,990 --> 01:02:41,119

i was read into a project with some guys

1626
01:02:46,789 --> 01:02:44,000
who were doing the abductions

1627
01:02:48,630 --> 01:02:46,799
and what their stagecraft was what their

1628
01:02:50,630 --> 01:02:48,640
technologies were

1629
01:02:52,309 --> 01:02:50,640
the extent to which they could simulate

1630
01:02:54,230 --> 01:02:52,319
things and the victims and then people

1631
01:02:56,150 --> 01:02:54,240
said oh dr gers terrible he doesn't

1632
01:02:58,630 --> 01:02:56,160
appreciate the people been victimized i

1633
01:02:59,910 --> 01:02:58,640
do i very much do because i had that

1634
01:03:02,150 --> 01:02:59,920
done to me

1635
01:03:04,390 --> 01:03:02,160
in 94 after i briefed the crown prince

1636
01:03:06,069 --> 01:03:04,400
of liechtenstein they they came in and

1637
01:03:08,710 --> 01:03:06,079
tried to abduct me out of my hotel room

1638
01:03:12,470 --> 01:03:08,720

it's terrifying and i will tell you

1639

01:03:16,309 --> 01:03:12,480

that about 25 years ago i got read into

1640

01:03:17,910 --> 01:03:16,319

very detailed aspects of this but that

1641

01:03:20,950 --> 01:03:17,920

there's one little section in the movie

1642

01:03:24,069 --> 01:03:20,960

unacknowledged where when i ask uh

1643

01:03:25,270 --> 01:03:24,079

dodie about this he says yes that is but

1644

01:03:27,430 --> 01:03:25,280

i can't talk about that's still an

1645

01:03:29,750 --> 01:03:27,440

ongoing program and i'm talk and i at

1646

01:03:33,990 --> 01:03:29,760

the question was about abductions being

1647

01:03:37,190 --> 01:03:34,000

staged by military and corporate and

1648

01:03:39,750 --> 01:03:37,200

aspects of this uh secret program for

1649

01:03:42,230 --> 01:03:39,760

its psychological warfare value so

1650

01:03:45,430 --> 01:03:42,240

here's the problem people have had real

1651
01:03:48,069 --> 01:03:45,440
contact with et's sometimes those people

1652
01:03:49,349 --> 01:03:48,079
will be subsequently targeted with a

1653
01:03:51,029 --> 01:03:49,359
abduction

1654
01:03:53,349 --> 01:03:51,039
that scares the hell out of them and

1655
01:03:55,990 --> 01:03:53,359
then alters their view of the et

1656
01:03:57,510 --> 01:03:56,000
presence this isn't hard to do by the

1657
01:03:59,190 --> 01:03:57,520
way and

1658
01:04:01,109 --> 01:03:59,200
unfortunately

1659
01:04:02,870 --> 01:04:01,119
this when when the man who read the end

1660
01:04:04,390 --> 01:04:02,880
of this initially and i sense that found

1661
01:04:08,789 --> 01:04:04,400
dozens of people who've been in these

1662
01:04:10,710 --> 01:04:08,799
usaps who have used man-made looking uh

1663
01:04:12,230 --> 01:04:10,720

things that look like a ufo but they're

1664

01:04:14,710 --> 01:04:12,240

man-made

1665

01:04:16,870 --> 01:04:14,720

and using electronic warfare and

1666

01:04:18,950 --> 01:04:16,880

chemical systems and what have you

1667

01:04:20,630 --> 01:04:18,960

to do abductions the one of the ones

1668

01:04:22,789 --> 01:04:20,640

that that dodi if you look at his full

1669

01:04:25,109 --> 01:04:22,799

interview that's on the itunes

1670

01:04:26,950 --> 01:04:25,119

uh store that's that's the the special

1671

01:04:29,109 --> 01:04:26,960

feature that goes with unacknowledged on

1672

01:04:31,190 --> 01:04:29,119

itunes you'll see that he talks about

1673

01:04:33,990 --> 01:04:31,200

that one of them was one out in i think

1674

01:04:37,190 --> 01:04:34,000

it was in washington state where some

1675

01:04:38,950 --> 01:04:37,200

poor civilians saw a classified aircraft

1676

01:04:41,349 --> 01:04:38,960

that we had that's like one of these

1677

01:04:43,270 --> 01:04:41,359

anti-gravs levitation devices that

1678

01:04:45,910 --> 01:04:43,280

shouldn't have they sent out an

1679

01:04:48,150 --> 01:04:45,920

intercept team that then simulated an

1680

01:04:49,910 --> 01:04:48,160

alien abduction so that these people

1681

01:04:52,710 --> 01:04:49,920

would think it was something e.t and not

1682

01:04:54,390 --> 01:04:52,720

ours because the only thing jimmy more

1683

01:04:56,069 --> 01:04:54,400

explosive than the fact that we're being

1684

01:04:59,029 --> 01:04:56,079

visited by extraterrestrial

1685

01:05:00,470 --> 01:04:59,039

civilizations is that there are is an

1686

01:05:02,950 --> 01:05:00,480

illegal

1687

01:05:05,750 --> 01:05:02,960

group of people that have

1688

01:05:08,150 --> 01:05:05,760

figured out a lot of the energy and

1689

01:05:10,549 --> 01:05:08,160

propulsion systems of it and are keeping

1690

01:05:12,710 --> 01:05:10,559

it not only secret on the public but

1691

01:05:14,789 --> 01:05:12,720

they're keeping it secret from admiral

1692

01:05:16,870 --> 01:05:14,799

wilson they're keeping it secret from

1693

01:05:19,510 --> 01:05:16,880

general patrick hughes they're keeping

1694

01:05:21,990 --> 01:05:19,520

it secret from people who have to

1695

01:05:24,390 --> 01:05:22,000

execute the orders of the president when

1696

01:05:25,829 --> 01:05:24,400

they're ordered into battle someplace

1697

01:05:28,549 --> 01:05:25,839

and they don't have access to that

1698

01:05:31,349 --> 01:05:28,559

knowledge and technology that is a

1699

01:05:34,390 --> 01:05:31,359

serious threat to freedom and democracy

1700

01:05:37,589 --> 01:05:34,400

exactly what eisenhower warned us about

1701

01:05:39,750 --> 01:05:37,599

in his farewell speech in 1961 as he

1702

01:05:42,549 --> 01:05:39,760

left office when he said beware the

1703

01:05:44,950 --> 01:05:42,559

military industrial complex well and

1704

01:05:47,670 --> 01:05:44,960

with this big roll out you know this

1705

01:05:49,829 --> 01:05:47,680

disclosure narrative uh with the

1706

01:05:52,470 --> 01:05:49,839

mainstream media and everything else

1707

01:05:55,750 --> 01:05:52,480

that is happening all at the same time

1708

01:05:56,630 --> 01:05:55,760

these are decisions that uh have been in

1709

01:05:59,109 --> 01:05:56,640

play

1710

01:05:59,990 --> 01:05:59,119

for quite a while the script has been

1711

01:06:03,349 --> 01:06:00,000

written

1712

01:06:05,109 --> 01:06:03,359

uh for such a scenario of i've two

1713

01:06:08,069 --> 01:06:05,119

questions i have two questions for you

1714

01:06:10,230 --> 01:06:08,079

on that one who who actually

1715

01:06:13,109 --> 01:06:10,240

would be doing it that's that's the

1716

01:06:15,510 --> 01:06:13,119

first thing and but the second reason is

1717

01:06:17,670 --> 01:06:15,520

or the second question is why

1718

01:06:19,589 --> 01:06:17,680

is it are they trying to get out in

1719

01:06:22,549 --> 01:06:19,599

front of something that they are not in

1720

01:06:24,950 --> 01:06:22,559

control of anymore so let's let's let's

1721

01:06:28,950 --> 01:06:24,960

do the question one first

1722

01:06:32,710 --> 01:06:30,630

it's written by magic the majority

1723

01:06:34,549 --> 01:06:32,720

intelligence committee and and senior

1724

01:06:37,029 --> 01:06:34,559

people on that committee

1725

01:06:39,349 --> 01:06:37,039

who um have this gamed out like you

1726

01:06:41,670 --> 01:06:39,359

would a war game but you know in 38

1727

01:06:43,109 --> 01:06:41,680

dimensions way in every possible

1728

01:06:45,109 --> 01:06:43,119

scenario

1729

01:06:46,150 --> 01:06:45,119

with computer simulations and i you know

1730

01:06:48,390 --> 01:06:46,160

this is literally how it's been

1731

01:06:50,630 --> 01:06:48,400

described to me so that

1732

01:06:52,630 --> 01:06:50,640

we do something with unacknowledged they

1733

01:06:54,309 --> 01:06:52,640

form something that puts information out

1734

01:06:57,190 --> 01:06:54,319

through mainstream but puts this spin on

1735

01:06:59,910 --> 01:06:57,200

it it's a point counterpoint remember on

1736

01:07:01,270 --> 01:06:59,920

may 9th 2001 we did the national press

1737

01:07:04,069 --> 01:07:01,280

club event

1738

01:07:05,589 --> 01:07:04,079

almost 800 million people globally ended

1739

01:07:06,710 --> 01:07:05,599

up seeing that in various media around

1740

01:07:10,309 --> 01:07:06,720

the world

1741

01:07:11,349 --> 01:07:10,319

uh four months later we had 911.

1742

01:07:13,190 --> 01:07:11,359

the

1743

01:07:15,430 --> 01:07:13,200

s okay so

1744

01:07:16,870 --> 01:07:15,440

okay stop right there right now if you

1745

01:07:18,710 --> 01:07:16,880

if you if you think that was a

1746

01:07:21,510 --> 01:07:18,720

coincidence

1747

01:07:23,029 --> 01:07:21,520

uh i've got a swamp land to sell you in

1748

01:07:26,150 --> 01:07:23,039

florida

1749

01:07:27,190 --> 01:07:26,160

and so that narrative is then passed on

1750

01:07:29,990 --> 01:07:27,200

to

1751

01:07:33,589 --> 01:07:30,000

mouthpieces like chris mellon

1752

01:07:35,910 --> 01:07:33,599

and and he can only go so far no i i

1753

01:07:38,309 --> 01:07:35,920

don't know i think he those people would

1754

01:07:39,670 --> 01:07:38,319

have let's say it's like blind people

1755

01:07:41,430 --> 01:07:39,680

holding on to different parts of the

1756

01:07:44,309 --> 01:07:41,440

elephant sure you know someone like

1757

01:07:45,510 --> 01:07:44,319

that's holding on to one hair hanging

1758

01:07:47,430 --> 01:07:45,520

off the ear

1759

01:07:49,510 --> 01:07:47,440

uh like chris mellon they don't have

1760

01:07:51,670 --> 01:07:49,520

this kind of picture but they have their

1761

01:07:54,150 --> 01:07:51,680

orders and they do what they're told

1762

01:07:56,230 --> 01:07:54,160

and that would be thing true of people

1763

01:07:58,150 --> 01:07:56,240

like how put off it'd be the same thing

1764

01:08:00,630 --> 01:07:58,160

i don't want to get into names the point

1765

01:08:03,910 --> 01:08:00,640

is is that that's how compartmentalized

1766

01:08:06,870 --> 01:08:03,920

intelligence works special compartmented

1767

01:08:08,309 --> 01:08:06,880

information top c ts fci top secret

1768

01:08:11,029 --> 01:08:08,319

special compartment

1769

01:08:13,029 --> 01:08:11,039

intelligence and information you do not

1770

01:08:14,230 --> 01:08:13,039

very few people now there's this one man

1771

01:08:15,990 --> 01:08:14,240

i've recently

1772

01:08:18,709 --> 01:08:16,000

uh debriefed

1773

01:08:19,669 --> 01:08:18,719

who was in the technology management

1774

01:08:22,149 --> 01:08:19,679

office

1775

01:08:26,390 --> 01:08:22,159

of the sub-basement of the pentagon for

1776

01:08:28,709 --> 01:08:26,400

10 years uh and he had baseline

1777

01:08:30,789 --> 01:08:28,719

clearance across 18

1778

01:08:32,309 --> 01:08:30,799

of these usaps unacknowledged special

1779

01:08:34,470 --> 01:08:32,319

access projects

1780

01:08:37,749 --> 01:08:34,480

because he had to for a special project

1781

01:08:41,030 --> 01:08:37,759

he was doing and so he has been sharing

1782

01:08:43,430 --> 01:08:41,040

with me granular information about what

1783

01:08:47,110 --> 01:08:43,440

he learned from these various facilities

1784

01:08:48,390 --> 01:08:47,120

and operations but most people are in a

1785

01:08:50,229 --> 01:08:48,400

very

1786

01:08:51,510 --> 01:08:50,239

tightly controlled like her medically

1787

01:08:54,630 --> 01:08:51,520

sealed

1788

01:08:57,189 --> 01:08:54,640

use app there are very few points of of

1789

01:08:59,189 --> 01:08:57,199

going in and out of that usap most

1790

01:09:01,829 --> 01:08:59,199

people in one usapp don't even know the

1791

01:09:03,669 --> 01:09:01,839

other one exists

1792

01:09:05,590 --> 01:09:03,679

give you an example

1793

01:09:07,829 --> 01:09:05,600

you know wilson is referring to this

1794

01:09:10,309 --> 01:09:07,839

where there's certainly he says well

1795

01:09:11,110 --> 01:09:10,319

you know that's all that person knew

1796

01:09:14,149 --> 01:09:11,120

or

1797

01:09:15,510 --> 01:09:14,159

this is all i can comment it's because

1798

01:09:17,910 --> 01:09:15,520

very it's

1799

01:09:20,149 --> 01:09:17,920

structured so that those that sort of

1800

01:09:22,550 --> 01:09:20,159

nearing the top of the pyramid would

1801
01:09:25,030 --> 01:09:22,560
have a higher view of what's going on in

1802
01:09:27,030 --> 01:09:25,040
all the base corners but people who are

1803
01:09:29,590 --> 01:09:27,040
in a usap

1804
01:09:31,510 --> 01:09:29,600
not cleared to to what's called baseline

1805
01:09:34,070 --> 01:09:31,520
clearance across the number of them

1806
01:09:36,070 --> 01:09:34,080
would only have a very tiny portion that

1807
01:09:38,149 --> 01:09:36,080
they would know about now when you deal

1808
01:09:39,829 --> 01:09:38,159
with counter intelligence

1809
01:09:41,349 --> 01:09:39,839
you know mouthpieces who are saying

1810
01:09:43,590 --> 01:09:41,359
things to the public

1811
01:09:47,030 --> 01:09:43,600
they're being told to tell the public a

1812
01:09:48,870 --> 01:09:47,040
very specific script and they know that

1813
01:09:51,110 --> 01:09:48,880

they're not even to ask

1814

01:09:53,430 --> 01:09:51,120

what's behind it all they're just doing

1815

01:09:55,430 --> 01:09:53,440

their their job they have a role to play

1816

01:09:57,110 --> 01:09:55,440

let's call it and it's a very limited

1817

01:09:58,950 --> 01:09:57,120

role i have a different role i'm not

1818

01:10:00,550 --> 01:09:58,960

part of the government my role is to try

1819

01:10:02,470 --> 01:10:00,560

to put this whole

1820

01:10:04,470 --> 01:10:02,480

big mosaic together and come up with

1821

01:10:06,550 --> 01:10:04,480

something you know an assessment and i

1822

01:10:09,590 --> 01:10:06,560

do the best i can with the resources i

1823

01:10:12,149 --> 01:10:09,600

have but most of these people would not

1824

01:10:14,709 --> 01:10:12,159

have that kind of access to i've met

1825

01:10:15,910 --> 01:10:14,719

extremely few people who have had

1826
01:10:17,030 --> 01:10:15,920
clearance

1827
01:10:20,630 --> 01:10:17,040
out of

1828
01:10:23,430 --> 01:10:20,640
more than one use app and so

1829
01:10:24,310 --> 01:10:23,440
even the way if you look at what was

1830
01:10:25,990 --> 01:10:24,320
shared

1831
01:10:28,950 --> 01:10:26,000
uh

1832
01:10:30,390 --> 01:10:28,960
about the so-called area 51

1833
01:10:33,189 --> 01:10:30,400
the area the things where they're

1834
01:10:34,229 --> 01:10:33,199
working on man-made advanced propulsion

1835
01:10:36,550 --> 01:10:34,239
systems

1836
01:10:38,149 --> 01:10:36,560
is hermetically sealed and those people

1837
01:10:40,709 --> 01:10:38,159
have nothing to do

1838
01:10:42,790 --> 01:10:40,719

with uh the the folks who are working in

1839

01:10:44,630 --> 01:10:42,800

the underground facility sort of

1840

01:10:47,750 --> 01:10:44,640

horseshoe shape

1841

01:10:50,229 --> 01:10:47,760

that's uh dealing with the ep craft that

1842

01:10:53,750 --> 01:10:50,239

they're studying and there's a facility

1843

01:10:55,990 --> 01:10:53,760

in near lawton oklahoma at fort sill

1844

01:10:57,590 --> 01:10:56,000

near fort sill where there's a downed ep

1845

01:10:59,270 --> 01:10:57,600

craft that's in an underground facility

1846

01:11:01,510 --> 01:10:59,280

where they're trying to figure out how

1847

01:11:04,310 --> 01:11:01,520

these objects quote cloak and uncloak or

1848

01:11:05,669 --> 01:11:04,320

materialize and be materialized and you

1849

01:11:08,390 --> 01:11:05,679

know i've been

1850

01:11:10,950 --> 01:11:08,400

read into the specifics of where that is

1851

01:11:13,830 --> 01:11:10,960

the size of the craft the

1852

01:11:16,630 --> 01:11:13,840

the contractors that are studying it

1853

01:11:18,310 --> 01:11:16,640

and all that kind of stuff now the man

1854

01:11:20,310 --> 01:11:18,320

who provided that information to me i

1855

01:11:23,189 --> 01:11:20,320

would love for him to come on your show

1856

01:11:25,830 --> 01:11:23,199

but he's terrified and so

1857

01:11:27,510 --> 01:11:25,840

the best i can say to people is i

1858

01:11:29,510 --> 01:11:27,520

faithfully convey

1859

01:11:30,950 --> 01:11:29,520

as shocking and as far out as some of

1860

01:11:33,510 --> 01:11:30,960

this stuff is

1861

01:11:34,870 --> 01:11:33,520

the truth as i have been able to confirm

1862

01:11:37,110 --> 01:11:34,880

it to be

1863

01:11:38,950 --> 01:11:37,120

all right so the second part of the

1864

01:11:41,350 --> 01:11:38,960

question then and that that was an

1865

01:11:42,790 --> 01:11:41,360

excellent answer by the way uh very

1866

01:11:45,910 --> 01:11:42,800

thought-provoking

1867

01:11:48,550 --> 01:11:45,920

the second part of the question was uh

1868

01:11:49,990 --> 01:11:48,560

why now are they trying to get out in

1869

01:11:52,790 --> 01:11:50,000

front of something that they can't

1870

01:11:56,550 --> 01:11:54,390

well there are couple things happening

1871

01:11:57,430 --> 01:11:56,560

one is

1872

01:12:00,070 --> 01:11:57,440

what

1873

01:12:03,030 --> 01:12:00,080

our project has been doing

1874

01:12:05,110 --> 01:12:03,040

has put this on a radar to the point

1875

01:12:08,070 --> 01:12:05,120

most public certainly no one in the ufo

1876

01:12:09,669 --> 01:12:08,080

community knows i hear from

1877

01:12:11,910 --> 01:12:09,679

let's just say

1878

01:12:13,910 --> 01:12:11,920

very prominent people all over the world

1879

01:12:15,830 --> 01:12:13,920

all the time who are clicking on

1880

01:12:18,229 --> 01:12:15,840

unacknowledged on netflix

1881

01:12:21,189 --> 01:12:18,239

and they're going what the [h__\h] excuse

1882

01:12:23,830 --> 01:12:21,199

my french um what the hell is going on

1883

01:12:26,470 --> 01:12:23,840

here so what's happening is that they're

1884

01:12:28,550 --> 01:12:26,480

trying to contain the narrative by doing

1885

01:12:31,110 --> 01:12:28,560

a countermeasure through the mainstream

1886

01:12:32,310 --> 01:12:31,120

media that's one thing the other one is

1887

01:12:34,229 --> 01:12:32,320

and they know that this has been a

1888

01:12:36,630 --> 01:12:34,239

long-term project

1889

01:12:40,070 --> 01:12:36,640

the only thing more devastating to the

1890

01:12:43,030 --> 01:12:40,080

agenda of these sociopaths

1891

01:12:45,990 --> 01:12:43,040

uh who have been maintaining the secrecy

1892

01:12:47,669 --> 01:12:46,000

than the disclosure effort is the close

1893

01:12:51,030 --> 01:12:47,679

encounters of the fifth kind effort go

1894

01:12:52,470 --> 01:12:51,040

to ce5 film dot com when you get and

1895

01:12:54,310 --> 01:12:52,480

this is what we're planning to do when

1896

01:12:56,070 --> 01:12:54,320

it comes out later this year

1897

01:12:58,550 --> 01:12:56,080

when you have

1898

01:12:59,590 --> 01:12:58,560

50 million 100 million 200 million

1899

01:13:02,830 --> 01:12:59,600

people

1900

01:13:05,110 --> 01:13:02,840

learn that using non-local

1901

01:13:07,430 --> 01:13:05,120

consciousness remote viewing and

1902

01:13:08,390 --> 01:13:07,440

coherent thought if you do it within a

1903

01:13:10,070 --> 01:13:08,400

certain

1904

01:13:12,149 --> 01:13:10,080

ethical

1905

01:13:13,590 --> 01:13:12,159

construct a peaceful contact

1906

01:13:16,149 --> 01:13:13,600

non-violence

1907

01:13:17,750 --> 01:13:16,159

you will have contact happen and when a

1908

01:13:19,590 --> 01:13:17,760

certain number of people do that you're

1909

01:13:20,630 --> 01:13:19,600

going to hit the tipping point that one

1910

01:13:21,990 --> 01:13:20,640

percent

1911

01:13:23,830 --> 01:13:22,000

quantum

1912

01:13:25,910 --> 01:13:23,840

leap factor that they talk about in

1913

01:13:29,110 --> 01:13:25,920

physics that one percent

1914

01:13:30,830 --> 01:13:29,120

phase transition that happens and there

1915

01:13:33,669 --> 01:13:30,840

is going to be a

1916

01:13:36,310 --> 01:13:33,679

massive amount of activity that happens

1917

01:13:37,669 --> 01:13:36,320

uh that are a direct contact and that's

1918

01:13:38,870 --> 01:13:37,679

what the et's are waiting everyone said

1919

01:13:40,950 --> 01:13:38,880

why don't they land on the white house

1920

01:13:42,790 --> 01:13:40,960

law and blah blah blah larry king asked

1921

01:13:44,630 --> 01:13:42,800

me that everybody asked me if there's no

1922

01:13:46,470 --> 01:13:44,640

offense dumbest question ever right

1923

01:13:49,510 --> 01:13:46,480

they're waiting for someone to they're

1924

01:13:51,110 --> 01:13:49,520

waiting for someone to answer them back

1925

01:13:51,990 --> 01:13:51,120

because they've been answered with

1926

01:13:53,189 --> 01:13:52,000

either

1927

01:13:54,790 --> 01:13:53,199

denial

1928

01:13:57,830 --> 01:13:54,800

defamation

1929

01:13:59,430 --> 01:13:57,840

being shot at downed hit by electronic

1930

01:14:01,669 --> 01:13:59,440

weapon systems all the way back to

1931

01:14:03,510 --> 01:14:01,679

roswell which was an electromagnetic

1932

01:14:05,830 --> 01:14:03,520

weapon hit by the way

1933

01:14:08,310 --> 01:14:05,840

and they're waiting for some people to

1934

01:14:10,470 --> 01:14:08,320

organize on this planet that can be

1935

01:14:12,149 --> 01:14:10,480

diplomatic and peaceful and reach out to

1936

01:14:14,149 --> 01:14:12,159

them that's what these civilizations are

1937

01:14:16,709 --> 01:14:14,159

waiting for it's not complicated jimmy

1938

01:14:20,310 --> 01:14:16,719

and so when this ce5 film comes out and

1939

01:14:23,110 --> 01:14:20,320

ce5 is a term i coined back in 1990 to

1940

01:14:25,910 --> 01:14:23,120

describe human initiated peaceful

1941

01:14:28,870 --> 01:14:25,920

contact with these civilizations that is

1942

01:14:30,470 --> 01:14:28,880

done by a group of people

1943

01:14:32,149 --> 01:14:30,480

it can be done individually but by a

1944

01:14:35,110 --> 01:14:32,159

group of people to further the

1945

01:14:37,350 --> 01:14:35,120

relationship a beneficial relationship

1946

01:14:39,110 --> 01:14:37,360

between humans and these civilizations

1947

01:14:41,350 --> 01:14:39,120

when a critical number of those people

1948

01:14:43,910 --> 01:14:41,360

do that because of the power of

1949

01:14:46,870 --> 01:14:43,920

consciousness shifting the morphogenic

1950

01:14:48,470 --> 01:14:46,880

field shifting time space matter all of

1951

01:14:49,750 --> 01:14:48,480

it gets shifted through higher

1952

01:14:52,470 --> 01:14:49,760

consciousness

1953

01:14:54,550 --> 01:14:52,480

that is going to cause a transition

1954

01:14:56,310 --> 01:14:54,560

and a ramping up of this and that they

1955

01:14:58,630 --> 01:14:56,320

know that's what we're working on that's

1956

01:15:00,870 --> 01:14:58,640

what we're crowdfunding right now and go

1957

01:15:03,270 --> 01:15:00,880

to ce5film.com and you know if you can

1958

01:15:05,350 --> 01:15:03,280

do a dollar fine we need to get support

1959

01:15:07,350 --> 01:15:05,360

for this because when that comes out

1960

01:15:09,750 --> 01:15:07,360

if enough people actually

1961

01:15:12,550 --> 01:15:09,760

turn off the tv set and no offense the

1962

01:15:14,070 --> 01:15:12,560

internet and go outside and do this

1963

01:15:16,310 --> 01:15:14,080

these events are going to happen all

1964

01:15:19,830 --> 01:15:16,320

over the world at a pace that's going to

1965

01:15:20,790 --> 01:15:19,840

be the ultimate disclosure why

1966

01:15:23,110 --> 01:15:20,800

because

1967

01:15:25,510 --> 01:15:23,120

the disclosure that is most likely to

1968

01:15:28,149 --> 01:15:25,520

happen from the congress the president

1969

01:15:29,669 --> 01:15:28,159

the mainstream media is going to be

1970

01:15:31,830 --> 01:15:29,679

let's call it a fake disclosure it's

1971

01:15:34,550 --> 01:15:31,840

going to be disclosure spun

1972

01:15:35,910 --> 01:15:34,560

by a narrative of fear that's going to

1973

01:15:37,750 --> 01:15:35,920

just benefit

1974

01:15:39,830 --> 01:15:37,760

the same military-industrial complex

1975

01:15:41,669 --> 01:15:39,840

that's been run the secrecy to start

1976

01:15:44,790 --> 01:15:41,679

with the only way you're going to change

1977

01:15:47,510 --> 01:15:44,800

that dynamic is for we the people to

1978

01:15:49,910 --> 01:15:47,520

seize the control over this issue and do

1979

01:15:51,990 --> 01:15:49,920

the right thing and just leave

1980

01:15:53,510 --> 01:15:52,000

the government behind you know i know it

1981

01:15:55,750 --> 01:15:53,520

sounds terribly libertarian but you just

1982

01:15:57,750 --> 01:15:55,760

leave them behind you say adios amigos

1983

01:16:00,550 --> 01:15:57,760

we're going to make contact you guys

1984

01:16:02,229 --> 01:16:00,560

have a good time with your silly games

1985

01:16:04,070 --> 01:16:02,239

the uh

1986

01:16:05,270 --> 01:16:04,080

man okay this conversation is going to

1987

01:16:08,870 --> 01:16:05,280

get a little

1988

01:16:10,470 --> 01:16:08,880

uh in that

1989

01:16:11,750 --> 01:16:10,480

this document

1990

01:16:13,270 --> 01:16:11,760

names

1991

01:16:16,709 --> 01:16:13,280

about half

1992

01:16:19,430 --> 01:16:16,719

of the crew over at tsa i don't want to

1993

01:16:22,950 --> 01:16:19,440

speak specifically about tsa

1994

01:16:24,070 --> 01:16:22,960

but the crew itself over there with all

1995

01:16:25,350 --> 01:16:24,080

of the

1996

01:16:26,790 --> 01:16:25,360

uh

1997

01:16:30,229 --> 01:16:26,800

um

1998

01:16:32,950 --> 01:16:30,239

direct pentagon and cia connections

1999

01:16:35,350 --> 01:16:32,960

at what point do we trust the narrative

2000

01:16:37,750 --> 01:16:35,360

that is coming out of washington dc

2001

01:16:39,430 --> 01:16:37,760

right now or do we not trust what is

2002

01:16:41,189 --> 01:16:39,440

happening

2003

01:16:44,630 --> 01:16:41,199

you cannot trust it is what we said as

2004

01:16:46,870 --> 01:16:44,640

soon as that thing surfaced look i was

2005

01:16:48,550 --> 01:16:46,880

i personally introduced tom delong and

2006

01:16:50,070 --> 01:16:48,560

all those folks to the subject way back

2007

01:16:52,310 --> 01:16:50,080

when he was very young

2008

01:16:54,229 --> 01:16:52,320

i i was on stage with him as they

2009

01:16:55,750 --> 01:16:54,239

performed at the melon arena in

2010

01:16:58,229 --> 01:16:55,760

pittsburgh with my three of my four

2011

01:16:59,110 --> 01:16:58,239

daughters what i'm concerned about is

2012

01:17:00,149 --> 01:16:59,120

that

2013

01:17:05,510 --> 01:17:00,159

people

2014

01:17:07,830 --> 01:17:05,520

read into usap are victims of

2015

01:17:10,630 --> 01:17:07,840

a certain let's call it cherry-picking

2016

01:17:13,750 --> 01:17:10,640

of intelligence like we did on 911 and

2017

01:17:16,550 --> 01:17:13,760

the iraq war where it's presented

2018

01:17:18,229 --> 01:17:16,560

with a foregone conclusion in the case

2019

01:17:19,350 --> 01:17:18,239

of what's happening with tsa you have

2020

01:17:22,709 --> 01:17:19,360

people there

2021

01:17:24,630 --> 01:17:22,719

who are given orders to present certain

2022

01:17:27,270 --> 01:17:24,640

information with a certain narrative

2023

01:17:30,870 --> 01:17:27,280

spin and that is absolutely being

2024

01:17:33,990 --> 01:17:30,880

directed from people inside the cabal

2025

01:17:37,030 --> 01:17:34,000

inside magic majestic 12 it's actually

2026
01:17:38,470 --> 01:17:37,040
called magic majority m-a-j-i-c majority

2027
01:17:41,910 --> 01:17:38,480
intelligence committee

2028
01:17:43,750 --> 01:17:41,920
and what i'm concerned about is that

2029
01:17:46,470 --> 01:17:43,760
that is something that people say well

2030
01:17:49,590 --> 01:17:46,480
isn't it a good thing well actually

2031
01:17:52,550 --> 01:17:49,600
a disclosure that serves the long-term

2032
01:17:54,950 --> 01:17:52,560
agenda of global destruction and

2033
01:17:57,590 --> 01:17:54,960
interplanetary war is worse than the

2034
01:18:01,189 --> 01:17:57,600
secrecy so the answer to that is a

2035
01:18:02,630 --> 01:18:01,199
definitive no a disclosure that is

2036
01:18:04,070 --> 01:18:02,640
tailor-made

2037
01:18:06,470 --> 01:18:04,080
to serve

2038
01:18:09,030 --> 01:18:06,480

the controllers the cabal that's been

2039

01:18:11,189 --> 01:18:09,040

running scams on us for decades that is

2040

01:18:13,350 --> 01:18:11,199

not a disclosure that is going to be

2041

01:18:14,709 --> 01:18:13,360

edifying to the public it's going to be

2042

01:18:17,110 --> 01:18:14,719

very

2043

01:18:19,669 --> 01:18:17,120

destructive to the human future and we

2044

01:18:21,590 --> 01:18:19,679

need to be very careful and that's why i

2045

01:18:25,350 --> 01:18:21,600

don't really care about ufo politics

2046

01:18:28,149 --> 01:18:25,360

personalities blah blah i do care about

2047

01:18:29,189 --> 01:18:28,159

how this issue is presented to the

2048

01:18:31,189 --> 01:18:29,199

public

2049

01:18:33,189 --> 01:18:31,199

and if it's presented in a way that

2050

01:18:36,790 --> 01:18:33,199

leads us down the path

2051

01:18:39,110 --> 01:18:36,800

of conflict and hatred and war all i can

2052

01:18:41,270 --> 01:18:39,120

say is that future is going to be much

2053

01:18:44,149 --> 01:18:41,280

worse than our past which has been

2054

01:18:45,830 --> 01:18:44,159

scary enough with two world wars so i

2055

01:18:47,830 --> 01:18:45,840

think that this is why

2056

01:18:49,510 --> 01:18:47,840

anyone of good will and conscience has

2057

01:18:50,950 --> 01:18:49,520

to look at this and ask

2058

01:18:53,830 --> 01:18:50,960

why are these people who have been

2059

01:18:57,189 --> 01:18:53,840

involved in these this cabal with their

2060

01:18:58,870 --> 01:18:57,199

operations for 30 years 40 years coming

2061

01:19:01,110 --> 01:18:58,880

forward putting things out there that we

2062

01:19:02,709 --> 01:19:01,120

know are half-truths and then spinning

2063

01:19:05,030 --> 01:19:02,719

it in the direction

2064

01:19:07,590 --> 01:19:05,040

of a narrative of a threat or a

2065

01:19:08,950 --> 01:19:07,600

violation of our sovereignty as chris

2066

01:19:11,110 --> 01:19:08,960

mellon said

2067

01:19:12,709 --> 01:19:11,120

in his interview on fox

2068

01:19:14,790 --> 01:19:12,719

when in reality

2069

01:19:16,870 --> 01:19:14,800

no such thing is happening i'll give you

2070

01:19:18,709 --> 01:19:16,880

another example jimmy remember i put

2071

01:19:20,630 --> 01:19:18,719

together a lot of folks who had been in

2072

01:19:22,310 --> 01:19:20,640

nuclear facilities

2073

01:19:23,270 --> 01:19:22,320

where there have been et craft that came

2074

01:19:25,189 --> 01:19:23,280

over

2075

01:19:28,149 --> 01:19:25,199

in the minot north dakota the case you

2076

01:19:29,590 --> 01:19:28,159

know you had you know 18 maybe 20 uh

2077

01:19:31,669 --> 01:19:29,600

intercontinental ballistic missiles

2078

01:19:32,950 --> 01:19:31,679

taken offline they couldn't be launched

2079

01:19:35,270 --> 01:19:32,960

but you know

2080

01:19:36,390 --> 01:19:35,280

one of the officers in there a captain

2081

01:19:38,870 --> 01:19:36,400

said

2082

01:19:39,750 --> 01:19:38,880

what he felt from from that event was

2083

01:19:42,070 --> 01:19:39,760

that

2084

01:19:44,149 --> 01:19:42,080

the eps were saying please don't destroy

2085

01:19:46,470 --> 01:19:44,159

this beautiful planet but if you do

2086

01:19:48,550 --> 01:19:46,480

launch all these missiles we could

2087

01:19:51,350 --> 01:19:48,560

neutralize them so the earth itself

2088

01:19:53,590 --> 01:19:51,360

isn't destroyed uh and turned into a

2089

01:19:55,350 --> 01:19:53,600

just a radioactive radioactive blob

2090

01:19:56,870 --> 01:19:55,360

floating through space

2091

01:19:59,110 --> 01:19:56,880

the same thing was happening in the

2092

01:20:00,790 --> 01:19:59,120

soviet union during the cold war

2093

01:20:03,830 --> 01:20:00,800

uh this was the 80s when that event

2094

01:20:05,669 --> 01:20:03,840

happened uh in north dakota now there

2095

01:20:07,990 --> 01:20:05,679

are other people who come along in the

2096

01:20:10,870 --> 01:20:08,000

disclosure movement taking those same

2097

01:20:13,590 --> 01:20:10,880

witnesses the same event and spun it as

2098

01:20:16,630 --> 01:20:13,600

a threat to our national security right

2099

01:20:19,750 --> 01:20:16,640

so you can take the same set of facts

2100

01:20:21,590 --> 01:20:19,760

and spin them in a direction that serves

2101

01:20:24,470 --> 01:20:21,600

the secret keepers

2102

01:20:26,950 --> 01:20:24,480

the majestic 12. and that is what we're

2103

01:20:28,790 --> 01:20:26,960

seeing happen and that's why i've been

2104

01:20:30,790 --> 01:20:28,800

raising this sort of like a paul revere

2105

01:20:33,430 --> 01:20:30,800

call here people got to be careful of

2106

01:20:35,030 --> 01:20:33,440

this and you can't just say gee can't we

2107

01:20:37,830 --> 01:20:35,040

just all get along you know sort of a

2108

01:20:39,510 --> 01:20:37,840

rodney king moment or something and and

2109

01:20:41,510 --> 01:20:39,520

you know just go along with anything

2110

01:20:44,950 --> 01:20:41,520

that's put out there with any spin

2111

01:20:47,030 --> 01:20:44,960

no actually because as i wrote back in

2112

01:20:49,430 --> 01:20:47,040

1999

2113

01:20:51,669 --> 01:20:49,440

the disclosure that serves secrecy would

2114

01:20:54,470 --> 01:20:51,679

be this kind of event happening but

2115

01:20:56,390 --> 01:20:54,480

would be destructive to the human future

2116

01:20:57,430 --> 01:20:56,400

we want to have a disclosure that is

2117

01:20:59,189 --> 01:20:57,440

hopeful

2118

01:21:02,550 --> 01:20:59,199

that is truthful

2119

01:21:05,350 --> 01:21:02,560

that says that we need to go forward in

2120

01:21:07,910 --> 01:21:05,360

space peacefully without weapons we need

2121

01:21:10,229 --> 01:21:07,920

to make contact with these civilizations

2122

01:21:13,189 --> 01:21:10,239

in an enlightened way not a militaristic

2123

01:21:15,750 --> 01:21:13,199

way and we need these technologies

2124

01:21:18,550 --> 01:21:15,760

not deployed as covert

2125

01:21:21,189 --> 01:21:18,560

weapon systems but is the means to run

2126

01:21:23,110 --> 01:21:21,199

our planet without damaging

2127

01:21:25,510 --> 01:21:23,120

our biosphere and destroying this

2128

01:21:28,229 --> 01:21:25,520

beautiful planet that we all share the

2129

01:21:30,630 --> 01:21:28,239

freer of earth with and so i think

2130

01:21:34,070 --> 01:21:30,640

that's what we need to be focused on but

2131

01:21:35,350 --> 01:21:34,080

if if a disclosure is is what i see

2132

01:21:37,669 --> 01:21:35,360

happening they're pulling a trigger

2133

01:21:39,430 --> 01:21:37,679

through the mainstream media to ramp up

2134

01:21:43,430 --> 01:21:39,440

a disclosure that has

2135

01:21:45,270 --> 01:21:43,440

one part evidence one part spins and if

2136

01:21:46,229 --> 01:21:45,280

that continues on the path that they're

2137

01:21:49,110 --> 01:21:46,239

doing

2138

01:21:51,189 --> 01:21:49,120

we should expect an acceleration of the

2139

01:21:54,310 --> 01:21:51,199

war beat the war mongers let's take a

2140

01:21:56,310 --> 01:21:54,320

break right here dr greer this is fade

2141

01:21:58,470 --> 01:21:56,320

to black our guest tonight dr stephen

2142

01:22:00,470 --> 01:21:58,480

greer i am your host jimmy church we're

2143

01:22:02,550 --> 01:22:00,480

discussing the

2144

01:22:05,189 --> 01:22:02,560

the unbelievable

2145

01:22:06,790 --> 01:22:05,199

davis wilson document leak that happened

2146

01:22:11,120 --> 01:22:06,800

last week we'll be right back stay with

2147

01:22:11,130 --> 01:22:19,430

[Music]

2148

01:22:22,790 --> 01:22:20,950

welcome back fade to black i'm real

2149

01:22:24,709 --> 01:22:22,800

jimmy church our guest tonight dr steven

2150

01:22:25,990 --> 01:22:24,719

greer we are talking about the davis

2151
01:22:29,669 --> 01:22:26,000
wilson

2152
01:22:31,830 --> 01:22:29,679
ufo documents that hit the community

2153
01:22:35,110 --> 01:22:31,840
last week

2154
01:22:36,629 --> 01:22:35,120
dr greer uh featured on a couple of

2155
01:22:38,149 --> 01:22:36,639
pages there

2156
01:22:40,149 --> 01:22:38,159
and

2157
01:22:41,910 --> 01:22:40,159
two questions one did you feel

2158
01:22:44,950 --> 01:22:41,920
uncomfortable that you were brought up

2159
01:22:48,790 --> 01:22:44,960
in this in such a public way and two

2160
01:22:52,709 --> 01:22:48,800
have you been contacted uh since the

2161
01:22:54,550 --> 01:22:52,719
the document surfaced

2162
01:22:56,629 --> 01:22:54,560
no i haven't been contacted by the

2163
01:22:58,870 --> 01:22:56,639

principles here and and i it didn't

2164

01:23:00,790 --> 01:22:58,880

bother me look you know i

2165

01:23:02,629 --> 01:23:00,800

there's nothing in there that isn't

2166

01:23:04,950 --> 01:23:02,639

something that i haven't been sharing

2167

01:23:06,550 --> 01:23:04,960

for quite a few years so i i'm happy to

2168

01:23:08,470 --> 01:23:06,560

confirm it in a way i'm glad that

2169

01:23:10,390 --> 01:23:08,480

there's a document that

2170

01:23:13,590 --> 01:23:10,400

confirms this i mean if you look on page

2171

01:23:16,229 --> 01:23:13,600

12 you know um you know when david says

2172

01:23:18,950 --> 01:23:16,239

any politicians and the admiral says no

2173

01:23:20,870 --> 01:23:18,960

no white house name no congressional no

2174

01:23:23,270 --> 01:23:20,880

congressional staffers that he could

2175

01:23:25,750 --> 01:23:23,280

reach in other words the normal people

2176

01:23:28,550 --> 01:23:25,760

who would be overseeing a sensitive

2177

01:23:30,950 --> 01:23:28,560

project weren't involved in on that list

2178

01:23:32,950 --> 01:23:30,960

i mean this is on page 12. and then he's

2179

01:23:34,390 --> 01:23:32,960

you know he's talking about the e.t crap

2180

01:23:37,830 --> 01:23:34,400

you know at first he said was it so

2181

01:23:39,270 --> 01:23:37,840

leader chinese i said no it was actually

2182

01:23:41,430 --> 01:23:39,280

you know which is also something that

2183

01:23:44,310 --> 01:23:41,440

we've been been saying for many years so

2184

01:23:47,110 --> 01:23:44,320

a lot of this is all information that uh

2185

01:23:50,629 --> 01:23:47,120

of course we knew already um and

2186

01:23:53,990 --> 01:23:50,639

uh you know on page 14 you know

2187

01:23:55,669 --> 01:23:54,000

davis says uh back to the bigot list can

2188

01:23:57,669 --> 01:23:55,679

you describe the type of people he's a

2189

01:23:59,990 --> 01:23:57,679

corporate type scientist technicians

2190

01:24:01,830 --> 01:24:00,000

engineers scientists managers and that's

2191

01:24:04,229 --> 01:24:01,840

completely correct the real center of

2192

01:24:06,550 --> 01:24:04,239

power on this is what we started saying

2193

01:24:09,510 --> 01:24:06,560

in the 90s and what we discovered is

2194

01:24:13,189 --> 01:24:09,520

that it's been highly corporatized

2195

01:24:16,550 --> 01:24:13,199

in the usaps interfacing with major

2196

01:24:19,350 --> 01:24:16,560

corporations uh booz allen hamilton

2197

01:24:21,590 --> 01:24:19,360

lockheed skunk works at egng where this

2198

01:24:23,910 --> 01:24:21,600

meeting was by the way

2199

01:24:26,870 --> 01:24:23,920

uh i eg was instrumental in building one

2200

01:24:30,390 --> 01:24:26,880

of the very first anti-gravity craft

2201

01:24:32,310 --> 01:24:30,400

that got operational uh and and so

2202

01:24:34,390 --> 01:24:32,320

uh what i what i what i what's

2203

01:24:36,790 --> 01:24:34,400

interesting about this is that

2204

01:24:38,550 --> 01:24:36,800

it is it's confirmatory of the

2205

01:24:39,510 --> 01:24:38,560

assessment that we've been trying to

2206

01:24:41,510 --> 01:24:39,520

share

2207

01:24:44,470 --> 01:24:41,520

with the public and also i might add

2208

01:24:46,629 --> 01:24:44,480

with politicians and the media for a

2209

01:24:48,790 --> 01:24:46,639

very long time and i think it's useful

2210

01:24:50,870 --> 01:24:48,800

in the sense that

2211

01:24:53,510 --> 01:24:50,880

for politicians

2212

01:24:54,870 --> 01:24:53,520

and people who are not given access to

2213

01:24:57,590 --> 01:24:54,880

these projects

2214

01:25:00,709 --> 01:24:57,600

this is just a data point a confirmation

2215

01:25:03,669 --> 01:25:00,719

of the broad strokes of how this

2216

01:25:05,510 --> 01:25:03,679

usap is operating that it's being run

2217

01:25:07,450 --> 01:25:05,520

illegally that someone like admiral

2218

01:25:09,030 --> 01:25:07,460

wilson and

2219

01:25:11,189 --> 01:25:09,040

[Music]

2220

01:25:13,189 --> 01:25:11,199

left out of the picture when

2221

01:25:15,910 --> 01:25:13,199

constitutionally legally they should

2222

01:25:18,470 --> 01:25:15,920

have had oversight and and he says that

2223

01:25:20,950 --> 01:25:18,480

in no uncertain terms so the admiral

2224

01:25:24,790 --> 01:25:20,960

rei iterates that in more than one place

2225

01:25:26,550 --> 01:25:24,800

in these notes and this is exactly why

2226

01:25:27,990 --> 01:25:26,560

a lot of people ask

2227

01:25:30,709 --> 01:25:28,000

why did you leave your medical

2228

01:25:33,830 --> 01:25:30,719

profession i was begged not to by the

2229

01:25:36,629 --> 01:25:33,840

way by close friends family and a lot of

2230

01:25:39,430 --> 01:25:36,639

folks and i said this is too big of a

2231

01:25:41,189 --> 01:25:39,440

problem i couldn't do what i was doing

2232

01:25:43,270 --> 01:25:41,199

being up all night in an emergency

2233

01:25:44,229 --> 01:25:43,280

department and handled this

2234

01:25:46,310 --> 01:25:44,239

mess

2235

01:25:47,350 --> 01:25:46,320

and so i had to choose

2236

01:25:49,110 --> 01:25:47,360

but

2237

01:25:50,709 --> 01:25:49,120

i had them that that's how big of a

2238

01:25:52,470 --> 01:25:50,719

choice you go talk to anyone who's gone

2239

01:25:54,550 --> 01:25:52,480

to medical school and residency in

2240

01:25:56,709 --> 01:25:54,560

practice and all the years of trying to

2241

01:25:58,950 --> 01:25:56,719

give that up because i understood what

2242

01:26:01,270 --> 01:25:58,960

was at stake here jimmy

2243

01:26:04,070 --> 01:26:01,280

it's a huge thing at stake in the fact

2244

01:26:06,470 --> 01:26:04,080

that this is being mismanaged that some

2245

01:26:09,270 --> 01:26:06,480

of the worst elements that are

2246

01:26:10,870 --> 01:26:09,280

very criminal are running and have

2247

01:26:13,910 --> 01:26:10,880

possession of the most powerful

2248

01:26:17,270 --> 01:26:13,920

technologies and the good folks

2249

01:26:18,709 --> 01:26:17,280

that i have met at the cia and at the

2250

01:26:20,709 --> 01:26:18,719

pentagon and there are a lot of them

2251
01:26:22,790 --> 01:26:20,719
that are you know i'm not one of these

2252
01:26:24,790 --> 01:26:22,800
people just with a broad stroke bashes

2253
01:26:26,310 --> 01:26:24,800
everyone some of the finest people i

2254
01:26:29,110 --> 01:26:26,320
have ever met

2255
01:26:30,070 --> 01:26:29,120
are in the pentagon and armed services

2256
01:26:32,629 --> 01:26:30,080
but

2257
01:26:34,629 --> 01:26:32,639
the ones that i call them the white hat

2258
01:26:36,790 --> 01:26:34,639
like admiral wilson

2259
01:26:37,750 --> 01:26:36,800
are shut out and then they're scared and

2260
01:26:38,870 --> 01:26:37,760
threatened

2261
01:26:39,669 --> 01:26:38,880
and so

2262
01:26:41,830 --> 01:26:39,679
uh

2263
01:26:44,310 --> 01:26:41,840

you know a leak like this confirms what

2264

01:26:47,350 --> 01:26:44,320

we were saying and you know he's retired

2265

01:26:49,510 --> 01:26:47,360

now but remember if he had retired

2266

01:26:52,470 --> 01:26:49,520

having had one or two stars knocked off

2267

01:26:55,350 --> 01:26:52,480

his retirement pay from his years of

2268

01:26:58,149 --> 01:26:55,360

service in the navy as an animal

2269

01:26:59,350 --> 01:26:58,159

would have been greatly reduced and they

2270

01:27:01,510 --> 01:26:59,360

threatened people with that kind of

2271

01:27:02,790 --> 01:27:01,520

stuff and so they just they what they

2272

01:27:04,390 --> 01:27:02,800

end up doing

2273

01:27:05,910 --> 01:27:04,400

you know i've had people of higher rank

2274

01:27:06,950 --> 01:27:05,920

than admiral wilson turn to me and say

2275

01:27:11,189 --> 01:27:06,960

look

2276

01:27:12,310 --> 01:27:11,199

you're asking us to reel in a massive

2277

01:27:14,790 --> 01:27:12,320

whale

2278

01:27:17,110 --> 01:27:14,800

and we have a five pound line we can't

2279

01:27:18,709 --> 01:27:17,120

even pull in a five pound fish here and

2280

01:27:20,790 --> 01:27:18,719

we just don't have the ability to do it

2281

01:27:22,790 --> 01:27:20,800

and we have been stood down i mean it

2282

01:27:24,390 --> 01:27:22,800

was really a telling moment when you

2283

01:27:26,629 --> 01:27:24,400

know i said look we need for your help

2284

01:27:28,550 --> 01:27:26,639

to help us and what have you

2285

01:27:30,870 --> 01:27:28,560

and he's and admiral wilson said towards

2286

01:27:33,750 --> 01:27:30,880

the end of the meeting he says i i've

2287

01:27:35,990 --> 01:27:33,760

been blocked and i can't and the this

2288

01:27:39,110 --> 01:27:36,000

group i have learned have technologies

2289

01:27:40,229 --> 01:27:39,120

that can do circles around any aircraft

2290

01:27:42,709 --> 01:27:40,239

i have

2291

01:27:45,270 --> 01:27:42,719

and yet so i'm out gunned and he flat

2292

01:27:48,229 --> 01:27:45,280

out said i'm out gunned he also said he

2293

01:27:51,430 --> 01:27:48,239

asked me who else have you briefed

2294

01:27:53,030 --> 01:27:51,440

i said well the director of the cia and

2295

01:27:53,669 --> 01:27:53,040

provided the briefing for the president

2296

01:28:02,790 --> 01:27:53,679

and

2297

01:28:03,590 --> 01:28:02,800

i said they're in the same boat you're

2298

01:28:05,270 --> 01:28:03,600

in

2299

01:28:07,030 --> 01:28:05,280

and he just you just seem to look on his

2300

01:28:08,870 --> 01:28:07,040

face like oh my god

2301
01:28:10,070 --> 01:28:08,880
and so he said look you know best of

2302
01:28:11,590 --> 01:28:10,080
luck to you

2303
01:28:13,189 --> 01:28:11,600
hope you can do this you have my

2304
01:28:15,990 --> 01:28:13,199
blessing

2305
01:28:17,990 --> 01:28:16,000
anyone who wants to come forward

2306
01:28:18,950 --> 01:28:18,000
it's absolute and this document proves

2307
01:28:21,830 --> 01:28:18,960
this

2308
01:28:24,709 --> 01:28:21,840
they're not in violation of any law of

2309
01:28:26,229 --> 01:28:24,719
the united states because the underlying

2310
01:28:28,950 --> 01:28:26,239
project that they swore an oath of

2311
01:28:30,790 --> 01:28:28,960
secrecy to is itself a criminal

2312
01:28:31,910 --> 01:28:30,800
enterprise and we can prove it in a

2313
01:28:33,350 --> 01:28:31,920

court of law

2314

01:28:35,830 --> 01:28:33,360

yeah i've heard that i've heard that a

2315

01:28:37,590 --> 01:28:35,840

few times over the last week um oh i

2316

01:28:40,550 --> 01:28:37,600

wanted to ask you this really quick when

2317

01:28:41,350 --> 01:28:40,560

he was discussing uh the core secrets

2318

01:28:48,229 --> 01:28:41,360

and

2319

01:28:51,669 --> 01:28:48,239

contractor uh what's your best guess on

2320

01:28:53,189 --> 01:28:51,679

that is it lockheed martin

2321

01:28:55,990 --> 01:28:53,199

yeah it'd be well it'd be the skunk

2322

01:28:57,990 --> 01:28:56,000

works oh yes concord

2323

01:28:59,669 --> 01:28:58,000

yeah and and that's why it's so funny

2324

01:29:02,550 --> 01:28:59,679

there's on this tts a group there's a

2325

01:29:04,629 --> 01:29:02,560

lucky conqueror

2326

01:29:06,629 --> 01:29:04,639

we really need to study how this works

2327

01:29:08,310 --> 01:29:06,639

i'm going yeah dude let me give you a

2328

01:29:11,750 --> 01:29:08,320

date as to when

2329

01:29:13,350 --> 01:29:11,760

october 1954 is when we mastered gravity

2330

01:29:15,910 --> 01:29:13,360

control and we've been building various

2331

01:29:17,110 --> 01:29:15,920

iterations of things that are man-made

2332

01:29:19,510 --> 01:29:17,120

ufos

2333

01:29:21,030 --> 01:29:19,520

from the 50s onward so

2334

01:29:22,950 --> 01:29:21,040

one of the one of the things that i find

2335

01:29:25,030 --> 01:29:22,960

very comical i mean it's sort of almost

2336

01:29:27,030 --> 01:29:25,040

farcical um

2337

01:29:28,950 --> 01:29:27,040

are the people who are surfacing kind of

2338

01:29:30,470 --> 01:29:28,960

saying yeah we really need to start

2339

01:29:32,790 --> 01:29:30,480

looking into this when they've already

2340

01:29:35,110 --> 01:29:32,800

embezzled trillions of dollars from us

2341

01:29:37,350 --> 01:29:35,120

u.s taxpayers and have been studying

2342

01:29:38,870 --> 01:29:37,360

this stuff for 70 years

2343

01:29:40,790 --> 01:29:38,880

and now they're going to tell us gee we

2344

01:29:42,790 --> 01:29:40,800

need to start looking into this can you

2345

01:29:45,750 --> 01:29:42,800

can you give us some funds so we can

2346

01:29:47,350 --> 01:29:45,760

start looking into it it's a charade

2347

01:29:50,950 --> 01:29:47,360

you bring up one of the best points

2348

01:29:53,910 --> 01:29:50,960

though even though this uh

2349

01:29:55,110 --> 01:29:53,920

conversation took place in 2002

2350

01:29:57,669 --> 01:29:55,120

uh

2351

01:30:01,430 --> 01:29:57,679

when you have kid green or hal put off

2352

01:30:03,189 --> 01:30:01,440

or eric davis uh skunk works

2353

01:30:05,990 --> 01:30:03,199

these are

2354

01:30:08,229 --> 01:30:06,000

part of the core group over at ttsa

2355

01:30:09,910 --> 01:30:08,239

melon surprisingly wasn't mentioned in

2356

01:30:10,950 --> 01:30:09,920

the stocking but he's the one guy that's

2357

01:30:13,110 --> 01:30:10,960

not there

2358

01:30:17,510 --> 01:30:13,120

but it is

2359

01:30:19,430 --> 01:30:17,520

it's the same core group from 2002 1997

2360

01:30:22,149 --> 01:30:19,440

and and your briefing

2361

01:30:24,310 --> 01:30:22,159

that is over at ttsa now is that

2362

01:30:25,910 --> 01:30:24,320

something where we step back and say

2363

01:30:28,470 --> 01:30:25,920

well we're not surprised they've been

2364

01:30:32,070 --> 01:30:28,480

pursuing this for a long time or is this

2365

01:30:34,229 --> 01:30:32,080

part of a communication agenda being

2366

01:30:36,149 --> 01:30:34,239

forced out onto to the general public

2367

01:30:37,590 --> 01:30:36,159

that has been worked on for a very long

2368

01:30:39,669 --> 01:30:37,600

time

2369

01:30:41,990 --> 01:30:39,679

no these are people who have

2370

01:30:43,830 --> 01:30:42,000

a specific role to play and they have

2371

01:30:46,229 --> 01:30:43,840

their marching orders and they're

2372

01:30:48,310 --> 01:30:46,239

telling the public exactly what their

2373

01:30:50,950 --> 01:30:48,320

handlers are telling them to tell the

2374

01:30:52,709 --> 01:30:50,960

public this i'm saying with absolute

2375

01:30:54,790 --> 01:30:52,719

certainty so

2376

01:30:55,669 --> 01:30:54,800

i'm not speculating here i know it for a

2377

01:30:58,229 --> 01:30:55,679

fact

2378

01:31:00,229 --> 01:30:58,239

uh i know people who are very high up at

2379

01:31:01,990 --> 01:31:00,239

the cia who are currently there who have

2380

01:31:04,310 --> 01:31:02,000

confirmed this to me

2381

01:31:05,910 --> 01:31:04,320

this is this is what's happening now i'm

2382

01:31:07,270 --> 01:31:05,920

very happy for

2383

01:31:10,149 --> 01:31:07,280

material and

2384

01:31:11,270 --> 01:31:10,159

gun cameras or or radar tapes to be

2385

01:31:13,669 --> 01:31:11,280

released

2386

01:31:14,709 --> 01:31:13,679

but the part of it that is of great

2387

01:31:17,830 --> 01:31:14,719

concern

2388

01:31:19,350 --> 01:31:17,840

is the spin and narrative if you look at

2389

01:31:22,310 --> 01:31:19,360

at the interview that chris mellon did

2390

01:31:25,189 --> 01:31:22,320

on uh the fox news talking about the

2391

01:31:26,870 --> 01:31:25,199

violation of our national sovereignty

2392

01:31:29,590 --> 01:31:26,880

and then others of them that have talked

2393

01:31:32,310 --> 01:31:29,600

about the national security threat it's

2394

01:31:34,149 --> 01:31:32,320

always it's always couched in a way

2395

01:31:37,110 --> 01:31:34,159

that it that is

2396

01:31:40,149 --> 01:31:37,120

embedding the idea subliminally as they

2397

01:31:42,310 --> 01:31:40,159

march forward with this fake disclosure

2398

01:31:45,270 --> 01:31:42,320

that's terrifying now

2399

01:31:46,950 --> 01:31:45,280

frankly they don't have to do much to to

2400

01:31:48,229 --> 01:31:46,960

tease that out because the ufo

2401

01:31:50,790 --> 01:31:48,239

subculture

2402

01:31:53,110 --> 01:31:50,800

has been rife with this kind of stuff of

2403

01:31:54,870 --> 01:31:53,120

you know mutilations and abductions and

2404

01:31:57,110 --> 01:31:54,880

evil aliens and the good ones and the

2405

01:31:59,590 --> 01:31:57,120

bad ones and you'll notice the good ones

2406

01:32:01,270 --> 01:31:59,600

always look like someone from norway

2407

01:32:03,910 --> 01:32:01,280

and the bad ones are different you know

2408

01:32:07,189 --> 01:32:03,920

there's a there's a profound level

2409

01:32:08,390 --> 01:32:07,199

of racism that is being exploited in the

2410

01:32:11,110 --> 01:32:08,400

human

2411

01:32:13,030 --> 01:32:11,120

consciousness we fear those who are

2412

01:32:15,030 --> 01:32:13,040

different from us whether it's gay or

2413

01:32:17,910 --> 01:32:15,040

straight or black or white

2414

01:32:19,750 --> 01:32:17,920

now it's human versus aliens and and

2415

01:32:22,310 --> 01:32:19,760

that's the narrative they're exploiting

2416

01:32:25,510 --> 01:32:22,320

they're exploiting the collective human

2417

01:32:28,149 --> 01:32:25,520

history of conflict around duality

2418

01:32:30,870 --> 01:32:28,159

around us versus them and now they're

2419

01:32:33,910 --> 01:32:30,880

trying to to expand it instead of one

2420

01:32:36,550 --> 01:32:33,920

nation or one economic system or one

2421

01:32:40,470 --> 01:32:36,560

race or one religion against another

2422

01:32:42,629 --> 01:32:40,480

let's unite america and the world around

2423

01:32:45,350 --> 01:32:42,639

an alien threat it's just like the movie

2424

01:32:47,590 --> 01:32:45,360

independence day and i think that

2425

01:32:50,629 --> 01:32:47,600

this is was always the plan jimmy this

2426
01:32:53,510 --> 01:32:50,639
was this was the plan that was created

2427
01:32:55,910 --> 01:32:53,520
in in the at least by the early 50s

2428
01:32:57,030 --> 01:32:55,920
and they have been holding sitting on

2429
01:32:59,510 --> 01:32:57,040
their cards

2430
01:33:01,910 --> 01:32:59,520
letting this thing run forward until the

2431
01:33:04,629 --> 01:33:01,920
right time for some reason

2432
01:33:05,669 --> 01:33:04,639
members of this cabal and covert

2433
01:33:06,790 --> 01:33:05,679
government

2434
01:33:09,030 --> 01:33:06,800
have

2435
01:33:11,510 --> 01:33:09,040
greenlighted

2436
01:33:13,669 --> 01:33:11,520
some of these folks to come forward with

2437
01:33:16,070 --> 01:33:13,679
evidence and information and to open all

2438
01:33:19,110 --> 01:33:16,080

the doors to the major media so they

2439

01:33:21,189 --> 01:33:19,120

speak of this in a way that's a threat

2440

01:33:23,590 --> 01:33:21,199

and within the threat matrix that we're

2441

01:33:25,590 --> 01:33:23,600

facing and and this was predicted i mean

2442

01:33:28,310 --> 01:33:25,600

verna von braun and his deathbed told uh

2443

01:33:30,790 --> 01:33:28,320

carol rosin that they will hoax an alien

2444

01:33:33,830 --> 01:33:30,800

threat and it's all a lie and a damn lie

2445

01:33:35,990 --> 01:33:33,840

but that is how how think step back for

2446

01:33:38,470 --> 01:33:36,000

a minute few years ago there was a cia

2447

01:33:40,229 --> 01:33:38,480

director for obama named leon panetta

2448

01:33:42,390 --> 01:33:40,239

and he had also hit with secretary of

2449

01:33:43,990 --> 01:33:42,400

defense for a period and i had put a

2450

01:33:44,870 --> 01:33:44,000

briefing together for him one of his

2451
01:33:46,470 --> 01:33:44,880
friends

2452
01:33:47,910 --> 01:33:46,480
reached out to me

2453
01:33:51,110 --> 01:33:47,920
from when he was a congressman from

2454
01:33:52,390 --> 01:33:51,120
california carmel california and he said

2455
01:33:54,390 --> 01:33:52,400
and

2456
01:33:55,270 --> 01:33:54,400
after i gave him that brief you know

2457
01:34:56,550 --> 01:33:55,280
a

2458
01:35:01,030 --> 01:34:56,560
to the sort of

2459
01:35:03,189 --> 01:35:01,040
jingoism and and sort of uh rah-rah

2460
01:35:06,310 --> 01:35:03,199
false patriotism i call it there's

2461
01:35:10,470 --> 01:35:06,320
nothing patriotic about you know going

2462
01:35:12,709 --> 01:35:10,480
into a contrived conflict that kills

2463
01:35:15,910 --> 01:35:12,719

thousands or millions of people

2464

01:35:18,229 --> 01:35:15,920

that benefit the war profiteers and the

2465

01:35:20,310 --> 01:35:18,239

military-industrial complex

2466

01:35:22,790 --> 01:35:20,320

and and the irony of all this that's

2467

01:35:23,990 --> 01:35:22,800

really tragic of true tragedy

2468

01:35:26,790 --> 01:35:24,000

is that

2469

01:35:29,590 --> 01:35:26,800

the unsuspecting and most

2470

01:35:31,830 --> 01:35:29,600

immediate victims of this are military

2471

01:35:33,350 --> 01:35:31,840

people themselves like admiral wilson he

2472

01:35:36,870 --> 01:35:33,360

was a victim

2473

01:35:38,149 --> 01:35:36,880

so i think that people need to

2474

01:35:40,629 --> 01:35:38,159

understand that

2475

01:35:42,390 --> 01:35:40,639

the way counterintelligence works and

2476

01:35:45,990 --> 01:35:42,400

the way this group works

2477

01:35:48,550 --> 01:35:46,000

is very deceitful and and

2478

01:35:51,669 --> 01:35:48,560

but sophisticated i have to say they're

2479

01:35:52,470 --> 01:35:51,679

extremely good at what they do and the

2480

01:35:55,189 --> 01:35:52,480

only

2481

01:35:56,390 --> 01:35:55,199

good exit strategy i see to it

2482

01:35:57,750 --> 01:35:56,400

i don't see it coming from the white

2483

01:35:59,510 --> 01:35:57,760

house or the congress because i think

2484

01:36:01,270 --> 01:35:59,520

those guys can be played and threatened

2485

01:36:04,390 --> 01:36:01,280

and bought off

2486

01:36:06,629 --> 01:36:04,400

easily is the masses the public

2487

01:36:09,590 --> 01:36:06,639

going out and making peaceful contact

2488

01:36:10,870 --> 01:36:09,600

which is why go to ce5 film dot com

2489

01:36:14,149 --> 01:36:10,880

you're going to see why we're doing this

2490

01:36:17,110 --> 01:36:14,159

film it is to create a shift in human

2491

01:36:19,270 --> 01:36:17,120

consciousness into a manifesting a very

2492

01:36:21,669 --> 01:36:19,280

good future because

2493

01:36:23,910 --> 01:36:21,679

the likelihood that there's going to be

2494

01:36:25,510 --> 01:36:23,920

a good resolution of this from the

2495

01:36:27,750 --> 01:36:25,520

centers of power

2496

01:36:29,669 --> 01:36:27,760

when was the last time jimmy something

2497

01:36:31,750 --> 01:36:29,679

good came out of the centers of power

2498

01:36:33,750 --> 01:36:31,760

i'll tell you when never

2499

01:36:35,830 --> 01:36:33,760

the american revolution right all right

2500

01:36:38,149 --> 01:36:35,840

not the american revolution not the

2501

01:36:40,229 --> 01:36:38,159

civil rights movement not the great gay

2502

01:36:41,990 --> 01:36:40,239

rights movement not the women's movement

2503

01:36:44,149 --> 01:36:42,000

all the same things that have advanced

2504

01:36:46,310 --> 01:36:44,159

our civilization those weren't edicts

2505

01:36:48,390 --> 01:36:46,320

for mankind from the centers of power

2506

01:36:50,149 --> 01:36:48,400

those came from the grassroots

2507

01:36:52,390 --> 01:36:50,159

so now we the people have to do this

2508

01:36:54,310 --> 01:36:52,400

from the grassroots all of us

2509

01:36:57,669 --> 01:36:54,320

if you have uh

2510

01:37:00,790 --> 01:36:57,679

a prediction to make on what is next you

2511

01:37:03,669 --> 01:37:00,800

just said fake disclosure and

2512

01:37:04,790 --> 01:37:03,679

and i respect that and in a weird way i

2513

01:37:07,030 --> 01:37:04,800

feel that

2514

01:37:08,790 --> 01:37:07,040

but here we had you know this document

2515

01:37:10,870 --> 01:37:08,800

leak we've got you know president trump

2516

01:37:13,510 --> 01:37:10,880

everything else that has been happening

2517

01:37:16,229 --> 01:37:13,520

if you had a crystal ball

2518

01:37:19,109 --> 01:37:16,239

what do you think is next is it going to

2519

01:37:20,070 --> 01:37:19,119

be some more crazy document leaks is it

2520

01:37:23,350 --> 01:37:20,080

going to be something out of the

2521

01:37:25,189 --> 01:37:23,360

pentagon is it going to be televised on

2522

01:37:26,550 --> 01:37:25,199

history channel uh what do you think is

2523

01:37:28,550 --> 01:37:26,560

next

2524

01:37:29,750 --> 01:37:28,560

yeah there's going to be a steady um

2525

01:37:32,149 --> 01:37:29,760

let's call it

2526

01:37:34,470 --> 01:37:32,159

uh slow and then

2527

01:37:36,629 --> 01:37:34,480

increasing pace of

2528

01:37:39,030 --> 01:37:36,639

a disclosure that serves the secrecy of

2529

01:37:40,550 --> 01:37:39,040

the controllers which most people will

2530

01:37:42,950 --> 01:37:40,560

be deceived by

2531

01:37:45,189 --> 01:37:42,960

however here's the good news

2532

01:37:46,790 --> 01:37:45,199

if you study

2533

01:37:48,629 --> 01:37:46,800

the science of consciousness you only

2534

01:37:50,229 --> 01:37:48,639

need one percent

2535

01:37:52,310 --> 01:37:50,239

of a population

2536

01:37:55,750 --> 01:37:52,320

do something in a

2537

01:37:58,550 --> 01:37:55,760

positive constructive way from a deeper

2538

01:38:00,870 --> 01:37:58,560

level of awareness to cause a massive

2539

01:38:02,310 --> 01:38:00,880

shift in society this has been proven

2540

01:38:05,750 --> 01:38:02,320

and studied over and over not only in

2541

01:38:09,189 --> 01:38:05,760

quantum mechanics and physics but in in

2542

01:38:10,390 --> 01:38:09,199

consciousness studies and sociology so

2543

01:38:11,350 --> 01:38:10,400

there's

2544

01:38:14,149 --> 01:38:11,360

a very

2545

01:38:16,870 --> 01:38:14,159

good reason why we're doing the ce5 film

2546

01:38:18,550 --> 01:38:16,880

right now uh rather urgently i mean we

2547

01:38:21,270 --> 01:38:18,560

started the crowd funding just a couple

2548

01:38:21,990 --> 01:38:21,280

months ago and we want this film to come

2549

01:38:23,430 --> 01:38:22,000

out

2550

01:38:25,750 --> 01:38:23,440

in uh

2551

01:38:28,229 --> 01:38:25,760

early december this year so we're really

2552

01:38:29,830 --> 01:38:28,239

moving fast on this but the reason is is

2553

01:38:31,350 --> 01:38:29,840

that we need to reach

2554

01:38:34,709 --> 01:38:31,360

that critical 1

2555

01:38:36,950 --> 01:38:34,719

75 million people on planet earth to not

2556

01:38:39,590 --> 01:38:36,960

only understand this but to begin to do

2557

01:38:41,189 --> 01:38:39,600

something positive and guess what

2558

01:38:43,109 --> 01:38:41,199

everything you need to do it you're

2559

01:38:44,390 --> 01:38:43,119

hardwired for you're conscious you're

2560

01:38:47,189 --> 01:38:44,400

awake

2561

01:38:48,790 --> 01:38:47,199

the making of contact is very simple you

2562

01:38:49,910 --> 01:38:48,800

can do it with two three four five

2563

01:38:52,149 --> 01:38:49,920

people you don't have to be part of a

2564

01:38:55,030 --> 01:38:52,159

huge event out somewhere in the desert

2565

01:38:57,270 --> 01:38:55,040

and you can do it on your own and what

2566

01:38:58,790 --> 01:38:57,280

that does is only what you experience

2567

01:39:01,270 --> 01:38:58,800

but the consciousness that you're

2568

01:39:03,510 --> 01:39:01,280

entering this more expanded higher state

2569

01:39:05,830 --> 01:39:03,520

of consciousness is peaceful that

2570

01:39:07,990 --> 01:39:05,840

affects everyone around you

2571

01:39:10,870 --> 01:39:08,000

within a concentric circles all over the

2572

01:39:14,310 --> 01:39:10,880

planet it actually has an effect that

2573

01:39:16,550 --> 01:39:14,320

isn't localized it's called non-locality

2574

01:39:18,950 --> 01:39:16,560

and entanglement in quantum physics and

2575

01:39:20,790 --> 01:39:18,960

that happens on this conscious level

2576

01:39:22,709 --> 01:39:20,800

and so it's like where they've done

2577

01:39:25,109 --> 01:39:22,719

studies with random number generators

2578

01:39:26,390 --> 01:39:25,119

and they can have people think to it and

2579

01:39:27,910 --> 01:39:26,400

change whether it's putting out more

2580

01:39:29,750 --> 01:39:27,920

zeros and ones even though they're not

2581

01:39:32,149 --> 01:39:29,760

wired to it it's just the power of

2582

01:39:34,629 --> 01:39:32,159

consciousness and intent and positive

2583

01:39:36,950 --> 01:39:34,639

thought and energy so that isn't just

2584

01:39:39,590 --> 01:39:36,960

new age claptrap that has been proven in

2585

01:39:42,470 --> 01:39:39,600

science and physics and the truth is is

2586

01:39:44,950 --> 01:39:42,480

that if all of us understand that and we

2587

01:39:46,790 --> 01:39:44,960

all come together and say look we're

2588

01:39:49,350 --> 01:39:46,800

going to just leave this charade you

2589

01:39:51,669 --> 01:39:49,360

know of the cabal and the majestic and

2590

01:39:53,510 --> 01:39:51,679

all these covert usaps behind

2591

01:39:56,709 --> 01:39:53,520

and we're going to do something on a

2592

01:39:59,430 --> 01:39:56,719

higher level and that they cannot stop

2593

01:40:01,590 --> 01:39:59,440

they can't control that and that is one

2594

01:40:03,510 --> 01:40:01,600

of the reasons why

2595

01:40:05,590 --> 01:40:03,520

we're doing this right now but also why

2596

01:40:06,470 --> 01:40:05,600

i think people need to take heart you

2597

01:40:08,870 --> 01:40:06,480

can't

2598

01:40:10,870 --> 01:40:08,880

give up you never give up even though

2599

01:40:12,950 --> 01:40:10,880

i've certainly wanted to since

2600

01:40:14,629 --> 01:40:12,960

94 when i was going to shut down my this

2601
01:40:16,149 --> 01:40:14,639
project frankly

2602
01:40:18,790 --> 01:40:16,159
due to some things that happened to me

2603
01:40:20,310 --> 01:40:18,800
but i think that you just you keep going

2604
01:40:23,030 --> 01:40:20,320
because you keep your

2605
01:40:24,790 --> 01:40:23,040
vision on the far horizon of a planet

2606
01:40:26,470 --> 01:40:24,800
that is living peacefully with its

2607
01:40:28,950 --> 01:40:26,480
interstellar neighbors that has

2608
01:40:32,229 --> 01:40:28,960
technology that would give us no

2609
01:40:33,830 --> 01:40:32,239
pollution no poverty sustainability for

2610
01:40:36,709 --> 01:40:33,840
hundreds of thousands of years of

2611
01:40:39,270 --> 01:40:36,719
conscious evolution and you see that

2612
01:40:41,430 --> 01:40:39,280
that isn't hundreds it's 20 years away

2613
01:40:44,070 --> 01:40:41,440

50 years away it's

2614

01:40:45,510 --> 01:40:44,080

virtually within my lifetime and i'm an

2615

01:40:47,750 --> 01:40:45,520

old guy now i mean i started this

2616

01:40:49,510 --> 01:40:47,760

project when i'm in my 30s

2617

01:40:52,709 --> 01:40:49,520

and now i'm out the next week i'll be

2618

01:40:56,070 --> 01:40:52,719

64. so what i tell people is that

2619

01:40:58,709 --> 01:40:56,080

you know this is an ultra marathon but

2620

01:40:59,830 --> 01:40:58,719

it's it's doable and people need to take

2621

01:41:01,510 --> 01:40:59,840

great hope

2622

01:41:03,669 --> 01:41:01,520

in the idea that

2623

01:41:05,830 --> 01:41:03,679

if you empower yourself to do something

2624

01:41:08,790 --> 01:41:05,840

positive it'll happen don't get caught

2625

01:41:11,750 --> 01:41:08,800

up in all the negativity and yes there's

2626

01:41:14,149 --> 01:41:11,760

going to be i'll tell you this situation

2627

01:41:16,310 --> 01:41:14,159

with a fake disclosure that's geared up

2628

01:41:18,310 --> 01:41:16,320

towards conflict that's going to get

2629

01:41:20,709 --> 01:41:18,320

much worse before it gets better is my

2630

01:41:22,790 --> 01:41:20,719

prediction however there's this other

2631

01:41:25,270 --> 01:41:22,800

thing happening where people can come

2632

01:41:27,590 --> 01:41:25,280

together in a positive way in an

2633

01:41:30,629 --> 01:41:27,600

enlightened way and create a new

2634

01:41:32,310 --> 01:41:30,639

civilization because you don't need a 50

2635

01:41:35,109 --> 01:41:32,320

it's not like a political election we

2636

01:41:37,189 --> 01:41:35,119

need one percent so we need to you know

2637

01:41:38,629 --> 01:41:37,199

we need to be those points of coherence

2638

01:41:41,510 --> 01:41:38,639

that shifts

2639

01:41:43,270 --> 01:41:41,520

where our civilization is headed and not

2640

01:41:44,830 --> 01:41:43,280

be dispirited by

2641

01:41:47,030 --> 01:41:44,840

the sort of nonsense of the

2642

01:41:48,470 --> 01:41:47,040

counterintelligence operation

2643

01:41:50,510 --> 01:41:48,480

when uh

2644

01:41:53,109 --> 01:41:50,520

all of this started back in december of

2645

01:41:55,189 --> 01:41:53,119

2017 with the new york times and and

2646

01:41:57,830 --> 01:41:55,199

spun out of control with the mainstream

2647

01:42:00,310 --> 01:41:57,840

media grabbing hold of the story and

2648

01:42:02,229 --> 01:42:00,320

presenting it to the public the one

2649

01:42:05,109 --> 01:42:02,239

thing that we were told

2650

01:42:07,669 --> 01:42:05,119

was going to happen didn't which is

2651
01:42:09,830 --> 01:42:07,679
uh religions didn't collapse wall street

2652
01:42:11,990 --> 01:42:09,840
didn't fall into the ashes people didn't

2653
01:42:14,629 --> 01:42:12,000
jump off of buildings

2654
01:42:16,550 --> 01:42:14,639
and obviously it's safe to stay that we

2655
01:42:18,149 --> 01:42:16,560
could we can handle this right there's

2656
01:42:21,430 --> 01:42:18,159
that part but

2657
01:42:24,790 --> 01:42:21,440
now i think the man understands that we

2658
01:42:28,390 --> 01:42:24,800
can handle it does this change the way

2659
01:42:30,790 --> 01:42:28,400
that they're rolling this out

2660
01:42:34,149 --> 01:42:30,800
well i i i do think it's going to change

2661
01:42:38,470 --> 01:42:34,159
i mean it's a dynamic evolving situation

2662
01:42:41,510 --> 01:42:38,480
and keep in mind there are people inside

2663
01:42:43,590 --> 01:42:41,520

these usaps that very much agree

2664

01:42:44,709 --> 01:42:43,600

with a more positive approach

2665

01:42:46,310 --> 01:42:44,719

but they're

2666

01:42:48,229 --> 01:42:46,320

even though there are a lot of them they

2667

01:42:50,790 --> 01:42:48,239

don't have the center of gravity let's

2668

01:42:53,109 --> 01:42:50,800

call it right is where the money is and

2669

01:42:56,070 --> 01:42:53,119

and and with this direction

2670

01:42:58,470 --> 01:42:56,080

but i and so i think that this is going

2671

01:43:01,189 --> 01:42:58,480

to be a dynamic situation i've always

2672

01:43:03,189 --> 01:43:01,199

viewed don't sit back and be passive if

2673

01:43:05,910 --> 01:43:03,199

the people will lead the leaders will

2674

01:43:08,070 --> 01:43:05,920

follow i think that the narrative

2675

01:43:09,510 --> 01:43:08,080

yes of course there's you know all the

2676
01:43:10,950 --> 01:43:09,520
mainstream media they're going to do

2677
01:43:11,990 --> 01:43:10,960
this and they'll be jumping through the

2678
01:43:13,910 --> 01:43:12,000
hoops

2679
01:43:15,430 --> 01:43:13,920
but don't don't think that that's all

2680
01:43:16,709 --> 01:43:15,440
there is i mean

2681
01:43:20,229 --> 01:43:16,719
there's something called the internet

2682
01:43:23,350 --> 01:43:20,239
there's a new alternative media

2683
01:43:25,430 --> 01:43:23,360
this unacknowledged documentary has had

2684
01:43:27,750 --> 01:43:25,440
many times more views than any show on

2685
01:43:30,390 --> 01:43:27,760
cnn or readers of the new york times

2686
01:43:32,229 --> 01:43:30,400
right so what i tell people is

2687
01:43:34,470 --> 01:43:32,239
there are things we have to be creative

2688
01:43:36,550 --> 01:43:34,480

those of us who are concerned for a

2689

01:43:38,870 --> 01:43:36,560

good future for humanity and a good

2690

01:43:40,629 --> 01:43:38,880

outcome here um

2691

01:43:42,470 --> 01:43:40,639

have to be very creative and i've had to

2692

01:43:44,870 --> 01:43:42,480

be very creative because the whole

2693

01:43:46,790 --> 01:43:44,880

landscape is changing

2694

01:43:48,870 --> 01:43:46,800

and not least of which is when was the

2695

01:43:51,430 --> 01:43:48,880

last time a documentary

2696

01:43:52,390 --> 01:43:51,440

was the top documentary for an entire

2697

01:43:54,950 --> 01:43:52,400

year

2698

01:43:57,109 --> 01:43:54,960

like unacknowledged in 2017 and there is

2699

01:43:59,990 --> 01:43:57,119

a complete blackout in the mainstream

2700

01:44:02,310 --> 01:44:00,000

media about it i'll tell you when never

2701

01:44:06,070 --> 01:44:02,320

and that proves the point we made in the

2702

01:44:07,590 --> 01:44:06,080

documentary that a true truthful expose

2703

01:44:10,470 --> 01:44:07,600

of this secrecy

2704

01:44:12,950 --> 01:44:10,480

is something that would never be covered

2705

01:44:14,149 --> 01:44:12,960

by the mainstream media because they are

2706

01:44:15,990 --> 01:44:14,159

dancing

2707

01:44:18,310 --> 01:44:16,000

to the tune you know when i back in i'll

2708

01:44:20,310 --> 01:44:18,320

tell you a funny story there was a man

2709

01:44:22,550 --> 01:44:20,320

last name schwartz who was on the board

2710

01:44:25,030 --> 01:44:22,560

of directors of time life back in the

2711

01:44:26,310 --> 01:44:25,040

90s i was in new york city

2712

01:44:27,270 --> 01:44:26,320

and i was having a meeting with a whole

2713

01:44:29,669 --> 01:44:27,280

bunch of

2714

01:44:31,510 --> 01:44:29,679

you know muckety mucks up there the u.n

2715

01:44:32,390 --> 01:44:31,520

secretary general his wife and people

2716

01:44:34,709 --> 01:44:32,400

like that

2717

01:44:36,149 --> 01:44:34,719

and this guy pulls me aside he says you

2718

01:44:38,709 --> 01:44:36,159

know

2719

01:44:40,470 --> 01:44:38,719

uh the fourth estate is dead for the

2720

01:44:43,030 --> 01:44:40,480

state meaning the media i said what are

2721

01:44:46,390 --> 01:44:43,040

you talking about he says we've become

2722

01:44:48,390 --> 01:44:46,400

scribes taking dictation from the right

2723

01:44:51,270 --> 01:44:48,400

hand of the king

2724

01:44:52,470 --> 01:44:51,280

and he started talking about this

2725

01:44:55,910 --> 01:44:52,480

cabal

2726

01:44:58,390 --> 01:44:55,920

and this is i like a major media player

2727

01:45:00,870 --> 01:44:58,400

in new york on the board of time life

2728

01:45:02,629 --> 01:45:00,880

and i said yeah i'm aware of that he

2729

01:45:05,270 --> 01:45:02,639

says well i can tell you for a fact

2730

01:45:07,750 --> 01:45:05,280

that's what it is he had gotten some

2731

01:45:10,790 --> 01:45:07,760

classified documents old ones related to

2732

01:45:13,510 --> 01:45:10,800

this so-called majestic 12 years ago

2733

01:45:15,350 --> 01:45:13,520

gave them to mike wallace of 60 minutes

2734

01:45:17,510 --> 01:45:15,360

mike wallace was going to do an expose

2735

01:45:18,390 --> 01:45:17,520

and was shot down and what was unallowed

2736

01:45:19,750 --> 01:45:18,400

to

2737

01:45:21,990 --> 01:45:19,760

by cbs

2738

01:45:23,669 --> 01:45:22,000

and he told me that that's why mike

2739

01:45:25,750 --> 01:45:23,679

wallace went into that really deep

2740

01:45:27,830 --> 01:45:25,760

depression and he actually mike wallace

2741

01:45:30,310 --> 01:45:27,840

went on six on larry king and actually

2742

01:45:32,149 --> 01:45:30,320

talked about that he was so depressed

2743

01:45:35,030 --> 01:45:32,159

because he said and i'm quoting i

2744

01:45:36,470 --> 01:45:35,040

realized i was my career i was a fraud

2745

01:45:38,470 --> 01:45:36,480

and larry king said what do you mean a

2746

01:45:40,149 --> 01:45:38,480

fraud well he didn't go into this but

2747

01:45:42,870 --> 01:45:40,159

this is what he was talking about a

2748

01:45:45,189 --> 01:45:42,880

friend of his this guy schwartz told me

2749

01:45:46,950 --> 01:45:45,199

that's why mike wallace one of the

2750

01:45:49,750 --> 01:45:46,960

biggest investigative journalists of the

2751

01:45:52,070 --> 01:45:49,760

20th century who was on

2752

01:45:53,189 --> 01:45:52,080

uh you know 60 minutes for a very long

2753

01:45:55,430 --> 01:45:53,199

time

2754

01:45:57,430 --> 01:45:55,440

wanted to do this expose

2755

01:46:00,950 --> 01:45:57,440

and it was before i came on the scene in

2756

01:46:03,270 --> 01:46:00,960

1990 and cbs shot him down and that's

2757

01:46:04,629 --> 01:46:03,280

when he realized that they were all

2758

01:46:06,709 --> 01:46:04,639

scribes

2759

01:46:09,510 --> 01:46:06,719

taking dictation from the right hand of

2760

01:46:11,750 --> 01:46:09,520

the king so i tell people just keep that

2761

01:46:12,950 --> 01:46:11,760

vision in mind when you see something on

2762

01:46:15,990 --> 01:46:12,960

cnn

2763

01:46:17,189 --> 01:46:16,000

new york times washington post

2764

01:46:18,550 --> 01:46:17,199

fox

2765

01:46:19,750 --> 01:46:18,560

npr

2766

01:46:22,390 --> 01:46:19,760

bbc

2767

01:46:23,350 --> 01:46:22,400

any of the things that are media of

2768

01:46:24,149 --> 01:46:23,360

record

2769

01:46:26,870 --> 01:46:24,159

um

2770

01:46:27,750 --> 01:46:26,880

and you're gonna need you know just have

2771

01:46:40,790 --> 01:46:27,760

a

2772

01:46:42,149 --> 01:46:40,800

ce5 the film

2773

01:46:45,830 --> 01:46:42,159

blockbuster

2774

01:46:49,109 --> 01:46:45,840

and now you are out doing interviews on

2775

01:46:50,870 --> 01:46:49,119

fox and cnn and bbc

2776

01:46:52,470 --> 01:46:50,880

i believe that when i see you

2777

01:46:55,510 --> 01:46:52,480

right right

2778

01:46:56,709 --> 01:46:55,520

i mean do you become part of and and

2779

01:46:59,030 --> 01:46:56,719

would you

2780

01:47:00,870 --> 01:46:59,040

be surprised if you were approached and

2781

01:47:02,950 --> 01:47:00,880

and told what to say and how to how to

2782

01:47:04,550 --> 01:47:02,960

control this

2783

01:47:06,390 --> 01:47:04,560

sure and that's what they've done in the

2784

01:47:08,550 --> 01:47:06,400

past i mean i was not long ago a major

2785

01:47:10,870 --> 01:47:08,560

media company wanted me to do a show

2786

01:47:13,750 --> 01:47:10,880

they wanted to fold in all kinds of

2787

01:47:15,430 --> 01:47:13,760

fear-based fear-mongering crap into it i

2788

01:47:18,310 --> 01:47:15,440

said i wouldn't be part of it and i

2789

01:47:19,830 --> 01:47:18,320

bowed out look you know one thing people

2790

01:47:21,830 --> 01:47:19,840

don't understand to me

2791

01:47:23,590 --> 01:47:21,840

i don't care about money i don't care

2792

01:47:26,229 --> 01:47:23,600

about fame

2793

01:47:29,590 --> 01:47:26,239

neither has any currency with me and

2794

01:47:31,189 --> 01:47:29,600

never has i care about

2795

01:47:33,350 --> 01:47:31,199

the human future when i i had a

2796

01:47:35,910 --> 01:47:33,360

near-death experience when i was 17

2797

01:47:38,870 --> 01:47:35,920

and when i came back from that what i

2798

01:47:41,350 --> 01:47:38,880

realized is that wow the universe is

2799

01:47:43,750 --> 01:47:41,360

amazing and the future of this planet is

2800

01:47:45,030 --> 01:47:43,760

amazing and somehow we need to do so you

2801
01:47:46,070 --> 01:47:45,040
know that was

2802
01:47:50,790 --> 01:47:46,080
you know

2803
01:47:53,510 --> 01:47:50,800
um but

2804
01:47:56,070 --> 01:47:53,520
what my point in all this is to say

2805
01:47:57,270 --> 01:47:56,080
uh people need to have standards i mean

2806
01:47:59,430 --> 01:47:57,280
there are a number of networks that have

2807
01:48:00,870 --> 01:47:59,440
wanted me on but they wanted to have me

2808
01:48:03,669 --> 01:48:00,880
on where it's going to be folded into

2809
01:48:04,950 --> 01:48:03,679
something where it's one part truth two

2810
01:48:07,189 --> 01:48:04,960
parts

2811
01:48:10,390 --> 01:48:07,199
fear mongering and war mongering i won't

2812
01:48:12,470 --> 01:48:10,400
do it i'd rather not so you know you

2813
01:48:14,790 --> 01:48:12,480

have to choose what you're going to do

2814

01:48:17,270 --> 01:48:14,800

and i this is something that comes

2815

01:48:20,310 --> 01:48:17,280

into my life probably on a two or three

2816

01:48:22,229 --> 01:48:20,320

times a week basis and i i'm not saying

2817

01:48:24,070 --> 01:48:22,239

i've become a ray cloos i'm a bit of a

2818

01:48:26,950 --> 01:48:24,080

little bit sometimes but

2819

01:48:29,430 --> 01:48:26,960

it's made me be very cautious because i

2820

01:48:32,229 --> 01:48:29,440

don't want to empower something where

2821

01:48:35,030 --> 01:48:32,239

there's somebody on a network

2822

01:48:37,109 --> 01:48:35,040

going on and on about reptilian slave

2823

01:48:39,750 --> 01:48:37,119

ships that have captured babies and are

2824

01:48:41,830 --> 01:48:39,760

trading them in an intergalactic war at

2825

01:48:44,870 --> 01:48:41,840

the same time i'm trying to bring in

2826

01:48:46,870 --> 01:48:44,880

information on admiral tom wilson

2827

01:48:49,270 --> 01:48:46,880

and the man who just came out of the

2828

01:48:51,910 --> 01:48:49,280

technology management office who had

2829

01:48:53,910 --> 01:48:51,920

baseline clearance across 18 news apps i

2830

01:48:56,390 --> 01:48:53,920

don't want to mix

2831

01:48:58,310 --> 01:48:56,400

you know something that's legit and then

2832

01:49:02,149 --> 01:48:58,320

have that in power

2833

01:49:03,750 --> 01:49:02,159

a fear-based fantasy narrative which is

2834

01:49:05,830 --> 01:49:03,760

unfortunately the majority of what

2835

01:49:08,870 --> 01:49:05,840

passes out there in the ufo

2836

01:49:10,709 --> 01:49:08,880

uh community and also in the media so i

2837

01:49:12,070 --> 01:49:10,719

i just tend to be

2838

01:49:14,070 --> 01:49:12,080

at this point

2839

01:49:15,830 --> 01:49:14,080

careful because i think that i don't

2840

01:49:18,310 --> 01:49:15,840

want to hurt

2841

01:49:19,669 --> 01:49:18,320

the thing that keeps me up most jimmy is

2842

01:49:21,270 --> 01:49:19,679

i don't want to be part of something

2843

01:49:22,470 --> 01:49:21,280

that hurts the human consciousness

2844

01:49:25,350 --> 01:49:22,480

instead of helping it i don't want to

2845

01:49:26,950 --> 01:49:25,360

empower something that you know gets

2846

01:49:29,109 --> 01:49:26,960

then diverted

2847

01:49:31,910 --> 01:49:29,119

by the power of the evidence that we

2848

01:49:34,950 --> 01:49:31,920

have into a narrative that is the

2849

01:49:37,109 --> 01:49:34,960

foundation for world war three so this

2850

01:49:38,790 --> 01:49:37,119

is really honestly what keeps me awake

2851

01:49:41,430 --> 01:49:38,800

night more than anything

2852

01:49:44,870 --> 01:49:41,440

what is interesting about that statement

2853

01:49:47,669 --> 01:49:44,880

which is powerful uh dr greer

2854

01:49:49,189 --> 01:49:47,679

there are those out there and you know

2855

01:49:52,229 --> 01:49:49,199

you've heard it long enough that say

2856

01:49:54,310 --> 01:49:52,239

that uh you are you have been bought and

2857

01:49:55,350 --> 01:49:54,320

sold right you've got rockefeller money

2858

01:49:56,790 --> 01:49:55,360

you're part

2859

01:49:59,270 --> 01:49:56,800

and you know if you've heard it all

2860

01:50:03,109 --> 01:49:59,280

right but

2861

01:50:05,510 --> 01:50:03,119

right those words go in direct conflict

2862

01:50:07,830 --> 01:50:05,520

with the fear-based narrative that is

2863

01:50:09,510 --> 01:50:07,840

being presented right now so does that

2864

01:50:11,430 --> 01:50:09,520

clear your name

2865

01:50:14,149 --> 01:50:11,440

you know the people look the people

2866

01:50:16,310 --> 01:50:14,159

sitting in pajamas making up nonsense i

2867

01:50:17,830 --> 01:50:16,320

could care less about right um you know

2868

01:50:19,750 --> 01:50:17,840

they're they're trolls let's call them

2869

01:50:21,430 --> 01:50:19,760

what they are you know

2870

01:50:23,750 --> 01:50:21,440

when was the last time you met a doctor

2871

01:50:25,109 --> 01:50:23,760

who gave up five to hundred thousand

2872

01:50:27,990 --> 01:50:25,119

dollars a year

2873

01:50:30,709 --> 01:50:28,000

for many many years to do something

2874

01:50:32,149 --> 01:50:30,719

where my wife and i have no office

2875

01:50:34,070 --> 01:50:32,159

no paid staff

2876

01:50:36,070 --> 01:50:34,080

my wife has had two

2877

01:50:38,229 --> 01:50:36,080

very aggressive cancers in the last five

2878

01:50:40,629 --> 01:50:38,239

years that have almost killed her i have

2879

01:50:43,270 --> 01:50:40,639

almost died from a cancer that almost

2880

01:50:46,149 --> 01:50:43,280

killed me we're pushing through without

2881

01:50:48,629 --> 01:50:46,159

a scintilla of the kind of support that

2882

01:50:51,030 --> 01:50:48,639

you see that charlatans are getting

2883

01:50:53,590 --> 01:50:51,040

right and so to the people who make

2884

01:50:55,750 --> 01:50:53,600

those claims i would just say you

2885

01:50:57,750 --> 01:50:55,760

couldn't be more wrong and i could care

2886

01:51:00,149 --> 01:50:57,760

less about it because those are the

2887

01:51:02,629 --> 01:51:00,159

kinds of people that are always going to

2888

01:51:05,510 --> 01:51:02,639

be out there because the internet is

2889

01:51:07,750 --> 01:51:05,520

filled with these kind of trolls you and

2890

01:51:09,669 --> 01:51:07,760

if that was what would determine

2891

01:51:11,510 --> 01:51:09,679

you know anything i would do or say you

2892

01:51:14,310 --> 01:51:11,520

know i would have thrown on the towel

2893

01:51:18,550 --> 01:51:14,320

you know 25 years ago um but i think

2894

01:51:22,709 --> 01:51:21,430

why would anyone do

2895

01:51:24,790 --> 01:51:22,719

what we're doing

2896

01:51:27,189 --> 01:51:24,800

why would the people who come forward

2897

01:51:29,510 --> 01:51:27,199

risk their reputations and their their

2898

01:51:31,270 --> 01:51:29,520

careers to tell the truth to the public

2899

01:51:32,709 --> 01:51:31,280

why would a medical doctor give up his

2900

01:51:34,229 --> 01:51:32,719

medical career

2901

01:51:36,070 --> 01:51:34,239

when he has four kids to put through

2902

01:51:38,629 --> 01:51:36,080

college for christ's sake

2903

01:51:39,750 --> 01:51:38,639

um you know the idea that somehow

2904

01:51:42,310 --> 01:51:39,760

there's some

2905

01:51:45,510 --> 01:51:42,320

big cabal funding us is a joke if that

2906

01:51:46,550 --> 01:51:45,520

were the case why am i i have a a four

2907

01:51:48,550 --> 01:51:46,560

foot by

2908

01:51:51,830 --> 01:51:48,560

foot and a half little desk in my living

2909

01:51:54,070 --> 01:51:51,840

room and my wife helps me in an adjacent

2910

01:51:57,030 --> 01:51:54,080

little teeny den that's a tiny little

2911

01:51:59,830 --> 01:51:57,040

room and we're doing this with no staff

2912

01:52:02,470 --> 01:51:59,840

and no office really we would be doing

2913

01:52:05,030 --> 01:52:02,480

that night and day if we're being funded

2914

01:52:07,350 --> 01:52:05,040

by some nefarious sources those people

2915

01:52:08,709 --> 01:52:07,360

are so full of baloney but the point i'm

2916

01:52:09,990 --> 01:52:08,719

making is that i really don't care what

2917

01:52:12,149 --> 01:52:10,000

those kind of people say i'm more

2918

01:52:13,350 --> 01:52:12,159

interested in the fact that the masses

2919

01:52:15,430 --> 01:52:13,360

of people

2920

01:52:17,510 --> 01:52:15,440

and many people who for example seen

2921

01:52:19,510 --> 01:52:17,520

unacknowledged ten times to absorb all

2922

01:52:21,350 --> 01:52:19,520

the information in it we want to do that

2923

01:52:23,510 --> 01:52:21,360

with this next documentary film it's

2924

01:52:26,470 --> 01:52:23,520

gonna be a two-hour film that's going to

2925

01:52:29,030 --> 01:52:26,480

be a tour of consciousness and the

2926

01:52:30,950 --> 01:52:29,040

science of consciousness and contact and

2927

01:52:33,910 --> 01:52:30,960

how people can

2928

01:52:35,030 --> 01:52:33,920

form a team and they contact themselves

2929

01:52:38,550 --> 01:52:35,040

and leave

2930

01:52:41,270 --> 01:52:38,560

this whole cabal of sociopaths behind

2931

01:52:44,790 --> 01:52:41,280

and manifest a a beautiful planet in the

2932

01:52:47,109 --> 01:52:44,800

future that's what this is about and at

2933

01:52:49,910 --> 01:52:47,119

the same time i think it's important to

2934

01:52:52,390 --> 01:52:49,920

stay involved with disclosure and and

2935

01:52:54,950 --> 01:52:52,400

trying to put as much information

2936

01:52:58,550 --> 01:52:54,960

out as we can but i think we all have a

2937

01:52:59,589 --> 01:52:58,560

responsibility morally ethically

2938

01:53:02,070 --> 01:52:59,599

to not

2939

01:53:03,589 --> 01:53:02,080

allow ourselves to get caught up in

2940

01:53:05,910 --> 01:53:03,599

the power of the knowledge of this

2941

01:53:07,990 --> 01:53:05,920

subject being spun into something that

2942

01:53:09,430 --> 01:53:08,000

ends up leading to some disastrous

2943

01:53:12,149 --> 01:53:09,440

outcome

2944

01:53:13,189 --> 01:53:12,159

for humanity and i i'm that's that's the

2945

01:53:15,750 --> 01:53:13,199

reason

2946

01:53:19,109 --> 01:53:15,760

you know i'm not someone who talks about

2947

01:53:21,510 --> 01:53:19,119

personality in groups but once i saw

2948

01:53:22,790 --> 01:53:21,520

what was happening with elizondo and

2949

01:53:25,430 --> 01:53:22,800

that what

2950

01:53:27,990 --> 01:53:25,440

this type of ci he calls the rat pack

2951

01:53:30,709 --> 01:53:28,000

that's been scamming the public for

2952

01:53:32,149 --> 01:53:30,719

30 40 years and the government he

2953

01:53:33,669 --> 01:53:32,159

specifically says he's been scamming the

2954

01:53:35,189 --> 01:53:33,679

public they've been scamming the

2955

01:53:38,870 --> 01:53:35,199

government as well

2956

01:53:41,350 --> 01:53:38,880

justice admiral wilson comments that

2957

01:53:43,910 --> 01:53:41,360

when it started breaking into the news

2958

01:53:46,709 --> 01:53:43,920

so heavily which normally the new york

2959

01:53:49,030 --> 01:53:46,719

times and these big media have a policy

2960

01:53:51,830 --> 01:53:49,040

never to cover the ufo subject i knew

2961

01:53:53,589 --> 01:53:51,840

someone had pulled a trigger and i knew

2962

01:53:55,270 --> 01:53:53,599

we were in a different era and i said

2963

01:53:58,390 --> 01:53:55,280

that i think on your show a couple years

2964

01:54:00,310 --> 01:53:58,400

ago yes so i think i think that this is

2965

01:54:01,830 --> 01:54:00,320

this is something we have to be vigilant

2966

01:54:02,550 --> 01:54:01,840

for um

2967

01:54:04,390 --> 01:54:02,560

but

2968

01:54:06,550 --> 01:54:04,400

not be overwhelmed by it we just have to

2969

01:54:10,149 --> 01:54:06,560

speak the truth keep finding what the

2970

01:54:12,550 --> 01:54:10,159

truth is i hopefully there will be

2971

01:54:15,109 --> 01:54:12,560

other things like this

2972

01:54:17,589 --> 01:54:15,119

commentary from from admiral wilson

2973

01:54:18,870 --> 01:54:17,599

where you know he confirms much of the

2974

01:54:20,709 --> 01:54:18,880

detail

2975

01:54:22,550 --> 01:54:20,719

of not only the meeting but the nature

2976

01:54:25,189 --> 01:54:22,560

of the usaps and the fact that he was

2977

01:54:26,470 --> 01:54:25,199

being denied access i think that has

2978

01:54:28,229 --> 01:54:26,480

been a point that a lot of people have

2979

01:54:30,790 --> 01:54:28,239

heard me say that in a

2980

01:54:32,790 --> 01:54:30,800

lecture on youtube or what have you and

2981

01:54:35,030 --> 01:54:32,800

they go no that can't be right you know

2982

01:54:38,070 --> 01:54:35,040

i'm going yeah it is you know i'm not

2983

01:54:39,430 --> 01:54:38,080

making this up i mean the cia director i

2984

01:54:40,310 --> 01:54:39,440

when i briefed him

2985

01:54:44,390 --> 01:54:40,320

he

2986

01:54:45,270 --> 01:54:44,400

tears after this almost three hours of

2987

01:54:46,950 --> 01:54:45,280

meeting

2988

01:54:47,990 --> 01:54:46,960

at a private dinner

2989

01:54:50,149 --> 01:54:48,000

and then

2990

01:54:52,709 --> 01:54:50,159

booz allen hamilton

2991

01:54:54,709 --> 01:54:52,719

made him a certain offer and suddenly

2992

01:54:55,669 --> 01:54:54,719

he's out there attacking me

2993

01:54:58,070 --> 01:54:55,679

so

2994

01:55:01,430 --> 01:54:58,080

the other part of this is that

2995

01:55:03,830 --> 01:55:01,440

it's a shakespearean level of people

2996

01:55:05,109 --> 01:55:03,840

doing this getting to a certain level if

2997

01:55:07,270 --> 01:55:05,119

they get bought off then they're going

2998

01:55:08,870 --> 01:55:07,280

to portray what we're trying to do even

2999

01:55:11,510 --> 01:55:08,880

though i was the guy who opened the door

3000

01:55:13,510 --> 01:55:11,520

for them on this information now that's

3001

01:55:15,990 --> 01:55:13,520

happened hundreds and hundreds of times

3002

01:55:18,310 --> 01:55:16,000

fine you know it's human nature look i

3003

01:55:20,629 --> 01:55:18,320

mean back in 92

3004

01:55:22,310 --> 01:55:20,639

i had a click of people including the

3005

01:55:25,350 --> 01:55:22,320

head of army intelligence offered me two

3006

01:55:28,229 --> 01:55:25,360

billion dollars to shut up

3007

01:55:31,030 --> 01:55:28,239

how am i 2 billion 2 billion

3008

01:55:32,950 --> 01:55:31,040

hey everybody's got their price dr greer

3009

01:55:35,030 --> 01:55:32,960

and i think right they don't

3010

01:55:37,189 --> 01:55:35,040

right there too no i'm kidding i could

3011

01:55:38,950 --> 01:55:37,199

care less i don't but that's true yeah

3012

01:55:40,310 --> 01:55:38,960

and actually when i said that's a good

3013

01:55:42,229 --> 01:55:40,320

number um

3014

01:55:43,830 --> 01:55:42,239

i said when i told him no thanks he went

3015

01:55:46,149 --> 01:55:43,840

to my wife and tried to convince her to

3016

01:55:47,990 --> 01:55:46,159

convince me and that happened with

3017

01:55:50,629 --> 01:55:48,000

astronaut brian o'leary i was we were at

3018

01:55:52,870 --> 01:55:50,639

the saint malos retreat near estes park

3019

01:55:54,950 --> 01:55:52,880

colorado and we were organizing a

3020

01:55:57,830 --> 01:55:54,960

conference for ufo researchers around

3021

01:56:00,390 --> 01:55:57,840

the world and this was in may of 92

3022

01:56:02,790 --> 01:56:00,400

and it was a serious offer and an offer

3023

01:56:05,030 --> 01:56:02,800

of a like a board level seat on this

3024

01:56:06,550 --> 01:56:05,040

committee because they knew

3025

01:56:08,950 --> 01:56:06,560

they didn't even i didn't have the

3026

01:56:11,990 --> 01:56:08,960

concept of disclosure in 92 but they

3027

01:56:13,510 --> 01:56:12,000

knew we had started the ce5 initiative

3028

01:56:14,470 --> 01:56:13,520

where people were going out making

3029

01:56:16,550 --> 01:56:14,480

contact

3030

01:56:18,870 --> 01:56:16,560

this is the wild card

3031

01:56:21,270 --> 01:56:18,880

he went he went to your wife if you

3032

01:56:23,990 --> 01:56:21,280

didn't shut him down i that the last

3033

01:56:25,750 --> 01:56:24,000

person he needed to go to was your wife

3034

01:56:29,030 --> 01:56:25,760

because that was the uh that was the

3035

01:56:30,950 --> 01:56:29,040

imperial shutdown i'm sure um oh i

3036

01:56:32,950 --> 01:56:30,960

wonder if she actually she actually

3037

01:56:35,910 --> 01:56:32,960

didn't know what to think um

3038

01:56:37,750 --> 01:56:35,920

but you know i i'm just saying that look

3039

01:56:39,350 --> 01:56:37,760

if if i wanted to take a buyout i would

3040

01:56:41,189 --> 01:56:39,360

have taken it and gotten the 2 billion

3041

01:56:44,070 --> 01:56:41,199

dollars in 92.

3042

01:56:47,030 --> 01:56:44,080

the um the difference between this

3043

01:56:50,149 --> 01:56:47,040

document leak and other documents like

3044

01:56:51,990 --> 01:56:50,159

serpo or mj12 and all of that stuff is

3045

01:56:54,870 --> 01:56:52,000

that all of the players here except for

3046

01:56:57,910 --> 01:56:54,880

edgar mitchell are still with us

3047

01:57:00,310 --> 01:56:57,920

and that changes the dynamic on on this

3048

01:57:03,510 --> 01:57:00,320

document uh unlike anything else that

3049

01:57:06,310 --> 01:57:03,520

has come before don't you think

3050

01:57:09,270 --> 01:57:06,320

yeah i think it does and because it's

3051

01:57:11,750 --> 01:57:09,280

confirmatory to something that

3052

01:57:13,830 --> 01:57:11,760

most people even inside government

3053

01:57:16,070 --> 01:57:13,840

couldn't believe would be possible

3054

01:57:18,950 --> 01:57:16,080

um that's why it's so important this

3055

01:57:20,790 --> 01:57:18,960

whole level of usaps and unacknowledged

3056

01:57:22,470 --> 01:57:20,800

special access projects where someone of

3057

01:57:24,390 --> 01:57:22,480

this stature you know the man that i

3058

01:57:26,550 --> 01:57:24,400

recently met with from the technology

3059

01:57:29,189 --> 01:57:26,560

management office uh in the sub-basement

3060

01:57:31,830 --> 01:57:29,199

of the pentagon he had his whole career

3061

01:57:34,229 --> 01:57:31,840

had been in the in the army he retired

3062

01:57:37,030 --> 01:57:34,239

after a career then was hired as a

3063

01:57:39,189 --> 01:57:37,040

civilian and got pulled into this usap

3064

01:57:41,350 --> 01:57:39,199

he said that his entire career he had

3065

01:57:43,189 --> 01:57:41,360

never heard of an unacknowledged special

3066

01:57:45,430 --> 01:57:43,199

access project he had been involved in

3067

01:57:47,430 --> 01:57:45,440

plenty of saps special access projects

3068

01:57:50,070 --> 01:57:47,440

but never he didn't even know the

3069

01:57:52,550 --> 01:57:50,080

concept of a usap and he had spent his

3070

01:57:54,390 --> 01:57:52,560

entire career so one of the things i

3071

01:57:56,950 --> 01:57:54,400

think is wonderful about this is that he

3072

01:57:58,629 --> 01:57:56,960

specifically refers to usap's

3073

01:58:01,830 --> 01:57:58,639

unacknowledged special how they're

3074

01:58:04,470 --> 01:58:01,840

buried within and covered up by other

3075

01:58:06,870 --> 01:58:04,480

special access projects and that he was

3076

01:58:08,629 --> 01:58:06,880

denied access and the kinds of other

3077

01:58:10,470 --> 01:58:08,639

people who should have had oversight

3078

01:58:12,550 --> 01:58:10,480

denied access like general patrick

3079

01:58:15,589 --> 01:58:12,560

hughes that is

3080

01:58:17,990 --> 01:58:15,599

honestly and dolin is correct explosive

3081

01:58:20,950 --> 01:58:18,000

yeah and there was one other thing i

3082

01:58:23,510 --> 01:58:20,960

know that we ran past here so uh and i

3083

01:58:27,270 --> 01:58:23,520

know it's late on the east coast but uh

3084

01:58:29,189 --> 01:58:27,280

i want uh it brings up one point that i

3085

01:58:31,189 --> 01:58:29,199

thought was very interesting which was

3086

01:58:33,669 --> 01:58:31,199

he was talking about a yearly budget and

3087

01:58:35,750 --> 01:58:33,679

there was no tracking of it it was a

3088

01:58:38,470 --> 01:58:35,760

cumulative budget

3089

01:58:41,430 --> 01:58:38,480

we only know what has overall been spent

3090

01:58:44,070 --> 01:58:41,440

on these programs but we have no idea

3091

01:58:46,390 --> 01:58:44,080

and i can't get access to what the

3092

01:58:48,310 --> 01:58:46,400

budgets are on these use apps and that

3093

01:58:50,310 --> 01:58:48,320

was a pretty revealing i'd never heard

3094

01:58:51,910 --> 01:58:50,320

that before

3095

01:58:54,790 --> 01:58:51,920

yeah that's something else that i've

3096

01:58:57,830 --> 01:58:54,800

actually spoken about extensively and

3097

01:59:00,070 --> 01:58:57,840

how it is how these are covered within

3098

01:59:02,470 --> 01:59:00,080

other operations it's actually in our

3099

01:59:03,990 --> 01:59:02,480

disclosure materials but we have so many

3100

01:59:05,990 --> 01:59:04,000

much material a lot of people you know

3101
01:59:08,070 --> 01:59:06,000
don't throw down on the the this kind of

3102
01:59:09,589 --> 01:59:08,080
detail but yes and that is how we're

3103
01:59:12,470 --> 01:59:09,599
talking trillions and trillions of

3104
01:59:14,550 --> 01:59:12,480
dollars don't forget the day before 9 11

3105
01:59:17,510 --> 01:59:14,560
secretary defense runs well him himself

3106
01:59:19,669 --> 01:59:17,520
said that there were 2.3 trillion

3107
01:59:22,950 --> 01:59:19,679
dollars unaccounted for in the

3108
01:59:24,229 --> 01:59:22,960
department of defense spending trillions

3109
01:59:26,790 --> 01:59:24,239
look at that

3110
01:59:27,430 --> 01:59:26,800
all right now imagine now this is this

3111
01:59:31,830 --> 01:59:27,440
is

3112
01:59:34,310 --> 01:59:31,840
it's more like probably eight trillion

3113
01:59:36,310 --> 01:59:34,320

nobody really knows but we're talking an

3114

01:59:39,830 --> 01:59:36,320

enormous amount

3115

01:59:41,589 --> 01:59:39,840

of of spending because uh

3116

01:59:43,589 --> 01:59:41,599

and and one of the things that that like

3117

01:59:46,310 --> 01:59:43,599

this gentleman who recently surfaced

3118

01:59:48,390 --> 01:59:46,320

from the technology map he said if not

3119

01:59:50,109 --> 01:59:48,400

only is suspending beyond what you can

3120

01:59:52,629 --> 01:59:50,119

imagine but

3121

01:59:55,109 --> 01:59:52,639

technologies we have that are fully

3122

01:59:57,030 --> 01:59:55,119

operational are beyond your wildest

3123

01:59:58,390 --> 01:59:57,040

imagination and he saw them i said yes

3124

02:00:01,430 --> 01:59:58,400

i'm aware of that i became aware of them

3125

02:00:03,669 --> 02:00:01,440

in the in the mid 90s and early 90s and

3126

02:00:05,430 --> 02:00:03,679

he said that if the public knew it they

3127

02:00:07,990 --> 02:00:05,440

couldn't even begin to wrap their mind

3128

02:00:09,589 --> 02:00:08,000

around it so that's why i have to laugh

3129

02:00:11,109 --> 02:00:09,599

when there are people

3130

02:00:12,709 --> 02:00:11,119

i don't care if they're with ptsa or who

3131

02:00:14,229 --> 02:00:12,719

they are they say well we really don't

3132

02:00:16,149 --> 02:00:14,239

know how these work we need to start

3133

02:00:17,910 --> 02:00:16,159

studying this don't you think and i'm

3134

02:00:19,510 --> 02:00:17,920

going yeah right you know after

3135

02:00:21,589 --> 02:00:19,520

trillions of dollars we have all this

3136

02:00:24,229 --> 02:00:21,599

stuff that's operational but it's in a

3137

02:00:25,750 --> 02:00:24,239

usap and it's covered and hidden

3138

02:00:27,109 --> 02:00:25,760

i mean look if if the head of

3139

02:00:29,350 --> 02:00:27,119

intelligence for the joint staff

3140

02:00:31,669 --> 02:00:29,360

couldn't crack into there and get

3141

02:00:33,910 --> 02:00:31,679

fully briefed on it what makes people

3142

02:00:35,990 --> 02:00:33,920

think they're going to do a foia request

3143

02:00:38,229 --> 02:00:36,000

a freedom of information act request and

3144

02:00:41,189 --> 02:00:38,239

get anything the foia officer isn't

3145

02:00:43,910 --> 02:00:41,199

clear to a usap and the department of

3146

02:00:46,550 --> 02:00:43,920

justice if they tried to bring lawsuits

3147

02:00:48,790 --> 02:00:46,560

they're specifically blocked because the

3148

02:00:50,870 --> 02:00:48,800

usaps would just say

3149

02:00:52,550 --> 02:00:50,880

this project doesn't exist and you can't

3150

02:00:55,030 --> 02:00:52,560

get any actionable

3151

02:00:56,470 --> 02:00:55,040

evidence or even do discovery

3152

02:00:58,229 --> 02:00:56,480

well i know this because this is the

3153

02:00:59,830 --> 02:00:58,239

case that recently happened where they

3154

02:01:02,310 --> 02:00:59,840

were trying to court martial and then

3155

02:01:04,070 --> 02:01:02,320

prosecute a three-star general who had

3156

02:01:06,149 --> 02:01:04,080

violated security

3157

02:01:07,750 --> 02:01:06,159

and uh the department of justice tried

3158

02:01:09,270 --> 02:01:07,760

to pursue it they couldn't because the

3159

02:01:11,510 --> 02:01:09,280

youth said

3160

02:01:13,750 --> 02:01:11,520

well we you you can't get access to

3161

02:01:16,149 --> 02:01:13,760

anything to proceed with this case

3162

02:01:18,149 --> 02:01:16,159

so this is where the rule of law breaks

3163

02:01:19,990 --> 02:01:18,159

down very quickly

3164

02:01:24,070 --> 02:01:20,000

i want to close with this i want to

3165

02:01:27,109 --> 02:01:24,080

swing back to the new film the ce5 film

3166

02:01:29,030 --> 02:01:27,119

um i know i want you to make a promise

3167

02:01:31,910 --> 02:01:29,040

to me right now

3168

02:01:33,990 --> 02:01:31,920

i know and i've seen some of your

3169

02:01:36,709 --> 02:01:34,000

private stock footage

3170

02:01:39,830 --> 02:01:36,719

i know that you have you are sitting on

3171

02:01:42,070 --> 02:01:39,840

the most incredible ce5 footage that the

3172

02:01:44,870 --> 02:01:42,080

public has not seen

3173

02:01:46,470 --> 02:01:44,880

are we gonna see the good stuff

3174

02:01:48,550 --> 02:01:46,480

in this film you're gonna see all of it

3175

02:01:49,430 --> 02:01:48,560

yeah it's gonna blow your mind actually

3176

02:01:51,030 --> 02:01:49,440

um

3177

02:01:53,189 --> 02:01:51,040

up to and including you know there's a

3178

02:01:55,589 --> 02:01:53,199

beautiful story that happened

3179

02:01:57,669 --> 02:01:55,599

last couple years we were up in arizona

3180

02:01:59,510 --> 02:01:57,679

and there was this older man that had

3181

02:02:02,550 --> 02:01:59,520

had a permanent hearing loss since he

3182

02:02:04,950 --> 02:02:02,560

was a teenager had hearing aids and he

3183

02:02:07,589 --> 02:02:04,960

had this contact with this e.t was sort

3184

02:02:09,189 --> 02:02:07,599

of a triangular-shaped head

3185

02:02:10,070 --> 02:02:09,199

large

3186

02:02:12,709 --> 02:02:10,080

and

3187

02:02:15,430 --> 02:02:12,719

the e.t healed him of his permanent

3188

02:02:17,910 --> 02:02:15,440

hearing loss and we got a photograph of

3189

02:02:19,750 --> 02:02:17,920

the et standing beside this man and next

3190

02:02:22,390 --> 02:02:19,760

to another member of our team while

3191

02:02:24,390 --> 02:02:22,400

we're in circle is astonishing beautiful

3192

02:02:26,790 --> 02:02:24,400

story all this is going to be in this

3193

02:02:30,950 --> 02:02:26,800

movie looking forward to it and

3194

02:02:33,589 --> 02:02:30,960

everybody the website is ceifilm.com

3195

02:02:35,830 --> 02:02:33,599

the links are at jimmychurchradio.com go

3196

02:02:37,669 --> 02:02:35,840

and visit the site uh everything is

3197

02:02:39,990 --> 02:02:37,679

there for you not only to help out with

3198

02:02:42,229 --> 02:02:40,000

the film but to learn what the film is

3199

02:02:44,790 --> 02:02:42,239

uh is going to be about this next time

3200

02:02:47,109 --> 02:02:44,800

around dr greer thank you so much uh

3201

02:02:48,790 --> 02:02:47,119

very open and candid conversation the

3202

02:02:51,030 --> 02:02:48,800

premiere my friend you can come to the

3203

02:02:53,910 --> 02:02:51,040

premiere be fun you know what i'm gonna

3204

02:02:55,669 --> 02:02:53,920

interview you again

3205

02:02:57,430 --> 02:02:55,679

at the premiere at the red carpet that

3206

02:03:00,070 --> 02:02:57,440

was fun last time

3207

02:03:01,750 --> 02:03:00,080

it was fun thank you so much dr greer

3208

02:03:03,589 --> 02:03:01,760

and keep doing what you're doing man

3209

02:03:05,750 --> 02:03:03,599

don't change

3210

02:03:06,790 --> 02:03:05,760

thank you have a good night

3211

02:03:10,470 --> 02:03:06,800

good night

3212

02:03:13,669 --> 02:03:10,480

as everybody noticed uh dr greer and i

3213

02:03:16,310 --> 02:03:13,679

blew straight through a network

3214

02:03:19,510 --> 02:03:16,320

commercial break i want to thank dr

3215

02:03:21,750 --> 02:03:19,520

greer for allowing that to happen so i'm

3216

02:03:24,149 --> 02:03:21,760

going to get to that commercial break

3217

02:03:26,390 --> 02:03:24,159

right now this is fade to black i want

3218

02:03:28,870 --> 02:03:26,400

to thank dr stephen greer for a very

3219

02:03:30,790 --> 02:03:28,880

open and comprehensive conversation

3220

02:03:32,149 --> 02:03:30,800

tonight let me get this commercial break

3221

02:03:34,030 --> 02:03:32,159

out of the way gotta pay the bills i'm

3222

02:03:35,589 --> 02:03:34,040

your host jimmy church

3223

02:03:37,589 --> 02:03:35,599

ce5

3224

02:03:39,669 --> 02:03:37,599

film.com

3225

02:03:42,390 --> 02:03:39,679

is the link we've got it up there on

3226

02:03:43,990 --> 02:03:42,400

twitter and it's on jimmychurchradio.com

3227

02:03:46,240 --> 02:03:44,000

i'll be right back after this short
