

JULY 30, 2019

7 PM PT / 10 PM ET LIVE BROADCAST

JOHN GREENEWALD

SPECIAL GUEST

Ep. 1086

F2B

with Jimmy Church

copyright 2019 fade to black www.jimmychurchradio.com Game Changer Network, Inc.

1
00:00:16,679 --> 00:00:12,890

[Music]

2
00:00:20,490 --> 00:00:16,689

this hope radio for the masses headliner

3
00:00:22,109 --> 00:00:20,500

between July 3 1947 here on the airport

4
00:00:24,060 --> 00:00:22,119

with has announced that a flying death

5
00:00:26,339 --> 00:00:24,070

has been found and is now in the

6
00:00:29,870 --> 00:00:26,349

possession of the army the game is

7
00:00:32,720 --> 00:00:29,880

rigged changed the game changer I

8
00:00:37,049 --> 00:00:32,730

occasionally think how quickly our

9
00:00:39,689 --> 00:00:37,059

differences worldwide would vanish if we

10
00:00:41,180 --> 00:00:39,699

were facing an alien threat from outside

11
00:00:46,280 --> 00:00:41,190

his way

12
00:00:48,800 --> 00:00:46,290

[Music]

13
00:00:51,620 --> 00:00:48,810

fade to black with your host Jimmy

14
00:00:58,279 --> 00:00:51,630
church on the game-changer radio network

15
00:01:03,300 --> 00:01:00,900
you have to get to the

16
00:01:06,990 --> 00:01:03,310
1985

17
00:01:09,150 --> 00:01:07,000
[Music]

18
00:01:11,130 --> 00:01:09,160
you're listening to fade to black with

19
00:01:12,080 --> 00:01:11,140
Jimmy judge on the game change in

20
00:01:20,460 --> 00:01:12,090
network

21
00:01:26,720 --> 00:01:25,360
good evening fade to black

22
00:01:38,700 --> 00:01:26,730
[Music]

23
00:01:39,360 --> 00:01:38,710
the spoke radio por la masses mad how

24
00:01:42,210 --> 00:01:39,370
you doing

25
00:01:46,290 --> 00:01:42,220
today's Tuesday July 30th 2019

26

00:01:49,140 --> 00:01:46,300

[Music]

27

00:01:53,560 --> 00:01:49,150

[Applause]

28

00:01:57,370 --> 00:01:53,570

210 days into the new year just 155 days

29

00:01:59,110 --> 00:01:57,380

left we're live from a bunker somewhere

30

00:02:01,540 --> 00:01:59,120

in the middle of beautiful downtown

31

00:02:03,220 --> 00:02:01,550

Burbank Californian I would like to

32

00:02:06,510 --> 00:02:03,230

welcome everybody listening all around

33

00:02:10,120 --> 00:02:06,520

the world all across the United States

34

00:02:12,400 --> 00:02:10,130

hither and thither to and fro back and

35

00:02:14,880 --> 00:02:12,410

forth up and down east and west north

36

00:02:18,400 --> 00:02:14,890

and south far and near

37

00:02:20,980 --> 00:02:18,410

this is fade to black for kjc are the

38

00:02:24,730 --> 00:02:20,990

game changer Network and Katie are a the

39

00:02:28,960 --> 00:02:24,740

planets in Bureau Jimmy Church what is

40

00:02:34,980 --> 00:02:28,970

cracking everybody how you doin how you

41

00:02:38,290 --> 00:02:34,990

doing okay it's like this

42

00:02:42,820 --> 00:02:38,300

[Music]

43

00:02:48,370 --> 00:02:42,830

so what we're gonna do tonight I am

44

00:02:50,230 --> 00:02:48,380

going to do a presentation that's right

45

00:02:52,420 --> 00:02:50,240

I'm gonna do a presentation later on

46

00:02:56,020 --> 00:02:52,430

tonight John Greenwald is gonna be

47

00:02:59,080 --> 00:02:56,030

joining us and we've got a little delay

48

00:03:00,280 --> 00:02:59,090

in the action with John and so I'm gonna

49

00:03:02,440 --> 00:03:00,290

take over the show tonight

50

00:03:04,860 --> 00:03:02,450

I'm also gonna open up the phones John's

51
00:03:08,350 --> 00:03:04,870
gonna join us a little bit later okay

52
00:03:13,600 --> 00:03:08,360
instead of at the bottom of the hour and

53
00:03:14,740 --> 00:03:13,610
uh and no big conspiracy here it's not

54
00:03:17,680 --> 00:03:14,750
about that

55
00:03:21,310 --> 00:03:17,690
he's not where he needs to be right now

56
00:03:23,590 --> 00:03:21,320
okay so we've been communicating all day

57
00:03:28,900 --> 00:03:23,600
trying to get this figured out but it

58
00:03:31,390 --> 00:03:28,910
allows me the opportunity to speak and I

59
00:03:33,790 --> 00:03:31,400
don't do that too often I don't I don't

60
00:03:36,970 --> 00:03:33,800
I don't speak that often we got you know

61
00:03:39,400 --> 00:03:36,980
do an AMA once in a while which we

62
00:03:42,430 --> 00:03:39,410
should be doing again soon we've got to

63
00:03:44,199 --> 00:03:42,440

get another AMA and love doing that but

64

00:03:48,790 --> 00:03:44,209

I don't I don't get a chance to just you

65

00:03:51,010 --> 00:03:48,800

know I I I do my thing for ten minutes

66

00:03:53,140 --> 00:03:51,020

each night 15 minutes and I rant about

67

00:03:55,780 --> 00:03:53,150

something and but you know I run the

68

00:03:57,970 --> 00:03:55,790

headlines and and go through a couple of

69

00:04:00,670 --> 00:03:57,980

emails and and Twitter and things like

70

00:04:04,210 --> 00:04:00,680

that but I I don't get a chance to speak

71

00:04:05,860 --> 00:04:04,220

that often because quite honestly my

72

00:04:07,420 --> 00:04:05,870

opinion doesn't matter we bring out a

73

00:04:11,290 --> 00:04:07,430

guest on the show and it's about the

74

00:04:14,740 --> 00:04:11,300

guest right Fator night it's about you

75

00:04:17,380 --> 00:04:14,750

guys you know you ask me questions but I

76

00:04:18,910 --> 00:04:17,390

don't I don't go full-on all right well

77

00:04:22,659 --> 00:04:18,920

I'm gonna do that tonight

78

00:04:27,760 --> 00:04:22,669

last night Don Schmidt mentioned a few

79

00:04:30,370 --> 00:04:27,770

times how the UFO community is used to

80

00:04:33,480 --> 00:04:30,380

spread this info by the Air Force the

81

00:04:36,220 --> 00:04:33,490

CIA and the Department of Defense and

82

00:04:39,550 --> 00:04:36,230

we've been used to this and of course

83

00:04:42,970 --> 00:04:39,560

you know we have the famous case of

84

00:04:45,909 --> 00:04:42,980

William Bill Moore which I've talked

85

00:04:49,510 --> 00:04:45,919

about many times over the years and is

86

00:04:51,610 --> 00:04:49,520

it possible is it possible that the

87

00:04:54,909 --> 00:04:51,620

claims of Richard Doty on the

88

00:04:58,060 --> 00:04:54,919

very show that there are currently two

89

00:05:01,420 --> 00:04:58,070

simple agents on the UFO lecture circuit

90

00:05:06,040 --> 00:05:01,430

right well I think it's a possibility I

91

00:05:08,530 --> 00:05:06,050

I look around after is especially after

92

00:05:10,750 --> 00:05:08,540

Dodi but I did this before to his why

93

00:05:12,370 --> 00:05:10,760

he's just kind of got a kind of got a

94

00:05:13,719 --> 00:05:12,380

look at everybody and listen to the

95

00:05:15,520 --> 00:05:13,729

conversation and how they're dealing

96

00:05:17,140 --> 00:05:15,530

with things and how people talk to me

97

00:05:20,350 --> 00:05:17,150

and you got to watch this person got

98

00:05:23,710 --> 00:05:20,360

away it seems like there's something

99

00:05:26,770 --> 00:05:23,720

going on you just got to be aware right

100

00:05:29,590 --> 00:05:26,780

I can assure you of this I'm not on

101
00:05:37,240 --> 00:05:29,600
anybody's payroll I don't take

102
00:05:39,670 --> 00:05:37,250
suggestions from people guest questions

103
00:05:42,430 --> 00:05:39,680
things to investigate things to talk

104
00:05:47,140 --> 00:05:42,440
about I don't do any of that we do our

105
00:05:49,090 --> 00:05:47,150
own thing here but is it possible is it

106
00:05:51,310 --> 00:05:49,100
possible that maybe the CIA in

107
00:05:53,620 --> 00:05:51,320
Washington DC have an interest in

108
00:05:55,300 --> 00:05:53,630
spreading and controlling the UFO

109
00:05:58,600 --> 00:05:55,310
information that is all over the place

110
00:06:01,120 --> 00:05:58,610
these days well of course they do they

111
00:06:02,980 --> 00:06:01,130
did it in the past they're doing it now

112
00:06:07,060 --> 00:06:02,990
and they will do it in the future it's

113
00:06:11,050 --> 00:06:07,070

always been this way there's reasons for

114

00:06:14,230 --> 00:06:11,060

that you know talking about this subject

115

00:06:19,120 --> 00:06:14,240

nearly every single night on the show it

116

00:06:21,400 --> 00:06:19,130

has to be done and this community which

117

00:06:25,719 --> 00:06:21,410

is acclimated to the situation at hand

118

00:06:28,089 --> 00:06:25,729

for sure but we can't get complacent we

119

00:06:32,500 --> 00:06:28,099

can't get comfortable we can't let our

120

00:06:38,110 --> 00:06:32,510

guard down and I have said many many

121

00:06:41,320 --> 00:06:38,120

many many times that there is some type

122

00:06:46,900 --> 00:06:41,330

of controlled rollout that is going on

123

00:06:51,040 --> 00:06:46,910

right now and although it's fun it's

124

00:06:55,750 --> 00:06:51,050

cool to see you know pick up my phone

125

00:06:58,360 --> 00:06:55,760

and go to CNN or go to Fox or RT or BBC

126

00:07:02,219 --> 00:06:58,370

or NBC whatever it gets just go out

127

00:07:04,710 --> 00:07:02,229

there's a new fresh UFO story there

128

00:07:07,320 --> 00:07:04,720

there's a new fresh EXO

129

00:07:09,450 --> 00:07:07,330

and discovery there's more search for

130

00:07:10,650 --> 00:07:09,460

alien life you know and it's it's every

131

00:07:13,410 --> 00:07:10,660

single day there's not a day that

132

00:07:17,220 --> 00:07:13,420

doesn't pass now and it was never like

133

00:07:21,530 --> 00:07:17,230

that before and it never was today

134

00:07:24,570 --> 00:07:21,540

it's everywhere so we have to ask why

135

00:07:27,290 --> 00:07:24,580

what is going on in who was doing it

136

00:07:30,990 --> 00:07:27,300

that's where we can't get comfortable

137

00:07:34,200 --> 00:07:31,000

because we all want disclosure we all do

138

00:07:37,110 --> 00:07:34,210

we all want it in our own way whatever

139

00:07:41,430 --> 00:07:37,120

disclosure is we want it and I get that

140

00:07:45,240 --> 00:07:41,440

and I understand it but enjoying the

141

00:07:48,690 --> 00:07:45,250

moment and letting our guard down that's

142

00:07:50,910 --> 00:07:48,700

what the man wants they want to control

143

00:07:57,240 --> 00:07:50,920

the information they want to control

144

00:08:02,730 --> 00:07:57,250

which you are ingesting right and how it

145

00:08:06,659 --> 00:08:02,740

gets exposed and how it not only gets

146

00:08:08,130 --> 00:08:06,669

out there but spreads who is spreading

147

00:08:10,500 --> 00:08:08,140

it and how it's being done

148

00:08:13,620 --> 00:08:10,510

there are people that are trusted inside

149

00:08:17,100 --> 00:08:13,630

of this community are they tools do they

150

00:08:20,490 --> 00:08:17,110

even know that they are tools or worse

151

00:08:23,730 --> 00:08:20,500

yet are there researchers and authors

152

00:08:26,969 --> 00:08:23,740

and show hosts out there that quite

153

00:08:31,230 --> 00:08:26,979

frankly have ego that come into play and

154

00:08:33,240 --> 00:08:31,240

they're fighting for fame and they want

155

00:08:36,360 --> 00:08:33,250

their name out there and they don't care

156

00:08:39,600 --> 00:08:36,370

how it happens all right and they just

157

00:08:43,380 --> 00:08:39,610

move their way through the UFO community

158

00:08:46,860 --> 00:08:43,390

and and trying to make a name for

159

00:08:49,350 --> 00:08:46,870

themselves where they know that this is

160

00:08:50,960 --> 00:08:49,360

something that they shouldn't be close

161

00:08:54,270 --> 00:08:50,970

to but they ignore it

162

00:08:57,140 --> 00:08:54,280

yeah well I'm gonna be talking about all

163

00:09:00,900 --> 00:08:57,150

of this tonight and it's it's an

164

00:09:02,970 --> 00:09:00,910

uncomfortable thing to hear but we need

165

00:09:05,280 --> 00:09:02,980

to hear it and the things that I'm gonna

166

00:09:08,370 --> 00:09:05,290

present tonight are gonna be a little

167

00:09:11,910 --> 00:09:08,380

bit dark at times so stay right there

168

00:09:13,470 --> 00:09:11,920

I'm going to do all of this when I come

169

00:09:16,620 --> 00:09:13,480

back after the break at the top of the

170

00:09:17,670 --> 00:09:16,630

hour we'll have John Greenwald of the

171

00:09:19,620 --> 00:09:17,680

black vault

172

00:09:21,720 --> 00:09:19,630

joining us it's going to be a very busy

173

00:09:23,940 --> 00:09:21,730

night on the show I am your host Jimmy

174

00:09:25,829 --> 00:09:23,950

Church and I'll be right back after this

175

00:09:30,150 --> 00:09:25,839

short break this is fade to black I'm

176
00:09:31,500 --> 00:09:30,160
the game changer network and kg RA the

177
00:09:34,050 --> 00:09:31,510
planet I'll be right back

178
00:09:48,720 --> 00:09:34,060
stay with me

179
00:09:51,760 --> 00:09:50,410
all right welcome back

180
00:09:54,220 --> 00:09:51,770
fade to black I'm you'll see me Church

181
00:09:55,300 --> 00:09:54,230
top of the hour John Greenwald will be

182
00:09:57,480 --> 00:09:55,310
joining us

183
00:10:00,449 --> 00:09:57,490
[Music]

184
00:10:04,499 --> 00:10:00,459
now I'm gonna get straight to it because

185
00:10:10,259 --> 00:10:04,509
it's like this I'm more than a little

186
00:10:12,449 --> 00:10:10,269
nervous I've sent out my subtle and

187
00:10:14,009 --> 00:10:12,459
sometimes not so subtle warnings over

188
00:10:15,480 --> 00:10:14,019

the last year about the message and

189

00:10:18,449 --> 00:10:15,490

information flooding out through the

190

00:10:24,480 --> 00:10:18,459

mainstream media when it comes to the

191

00:10:26,669 --> 00:10:24,490

UFO question and my main message has

192

00:10:29,939 --> 00:10:26,679

always been to remain calm

193

00:10:33,720 --> 00:10:29,949

keep your radar up on high and don't

194

00:10:36,960 --> 00:10:33,730

jump in too quickly when it comes to the

195

00:10:38,910 --> 00:10:36,970

to the Stars Academy or T TSA the signs

196

00:10:41,509 --> 00:10:38,920

were always there it's too much it's too

197

00:10:45,540 --> 00:10:41,519

quick and it's full of holes

198

00:10:48,449 --> 00:10:45,550

now I'm not being harsh on T TSA I just

199

00:10:51,660 --> 00:10:48,459

want you to listen and open your eyes

200

00:10:55,049 --> 00:10:51,670

and ears you see the members of our

201
00:10:59,160 --> 00:10:55,059
community and this host are just too

202
00:11:03,210 --> 00:10:59,170
smart we've all been through this before

203
00:11:06,299 --> 00:11:03,220
many times so for most of us we are in a

204
00:11:09,030 --> 00:11:06,309
wait-and-see mode before we embrace T

205
00:11:11,489 --> 00:11:09,040
TSA in their mission but for those

206
00:11:14,280 --> 00:11:11,499
outside of our community who don't have

207
00:11:16,530 --> 00:11:14,290
any experience with disinfo agents

208
00:11:20,009 --> 00:11:16,540
misdirection and bad actors from the CIA

209
00:11:23,999 --> 00:11:20,019
or the Department of Defense CT TSA as a

210
00:11:27,900 --> 00:11:24,009
Tom DeLonge UFO project guided by Tom

211
00:11:30,720 --> 00:11:27,910
run by Tom after all a UFO company run

212
00:11:33,900 --> 00:11:30,730
by the blink-182 fart men has got to be

213
00:11:36,239 --> 00:11:33,910

cool and legit right you know it's like

214

00:11:41,069 --> 00:11:36,249

go Tom and I get it

215

00:11:43,439 --> 00:11:41,079

you do too those outsiders lacking

216

00:11:46,019 --> 00:11:43,449

experience with the UFO question who

217

00:11:49,400 --> 00:11:46,029

might look under the tts a hood and see

218

00:11:52,199 --> 00:11:49,410

the CIA and DOD counterintelligence

219

00:11:56,519 --> 00:11:52,209

connections well think that Tom's got

220

00:11:57,119 --> 00:11:56,529

the people in the know right working for

221

00:11:59,340 --> 00:11:57,129

him

222

00:12:01,199 --> 00:11:59,350

staffed with the best most professional

223

00:12:03,900 --> 00:12:01,209

agents and spies that you could put

224

00:12:06,569 --> 00:12:03,910

together in fact they don't care because

225

00:12:09,509 --> 00:12:06,579

it looks legit it sounds legit it must

226

00:12:10,950 --> 00:12:09,519

be legit after all it's Tom DeLonge from

227

00:12:14,040 --> 00:12:10,960

blink 182 he's a

228

00:12:14,760 --> 00:12:14,050

Punk he's a rebel he doesn't trust the

229

00:12:18,660 --> 00:12:14,770

man

230

00:12:23,310 --> 00:12:18,670

he's anti everything so he must know

231

00:12:26,550 --> 00:12:23,320

what he's doing right well in the punk

232

00:12:28,310 --> 00:12:26,560

world not trusting the man is your

233

00:12:32,610 --> 00:12:28,320

street cred

234

00:12:35,040 --> 00:12:32,620

at right let alone being seen with

235

00:12:37,200 --> 00:12:35,050

someone from the other side you don't do

236

00:12:40,290 --> 00:12:37,210

that in the punk world seriously it's a

237

00:12:44,070 --> 00:12:40,300

very big deal and it's a big deal to Tom

238

00:12:47,730 --> 00:12:44,080

and I understand this this also makes

239

00:12:50,850 --> 00:12:47,740

Tom the perfect guy for the man to

240

00:12:52,350 --> 00:12:50,860

embrace the CIA and DOD have been

241

00:12:55,230 --> 00:12:52,360

waiting for the right person for a very

242

00:12:58,320 --> 00:12:55,240

long time and quite frankly he was a

243

00:13:02,430 --> 00:12:58,330

gift there is no doubt that Tom DeLonge

244

00:13:05,970 --> 00:13:02,440

is serious about UFOs oh he has talent

245

00:13:08,520 --> 00:13:05,980

he has he's a real artist and with that

246

00:13:11,340 --> 00:13:08,530

comes passion and when you have the

247

00:13:13,290 --> 00:13:11,350

success that he has had it means that

248

00:13:13,800 --> 00:13:13,300

truckloads of money come along for the

249

00:13:15,570 --> 00:13:13,810

ride

250

00:13:19,500 --> 00:13:15,580

anything that you want to do well you

251

00:13:21,650 --> 00:13:19,510

just do it you can do anything well this

252

00:13:25,260 --> 00:13:21,660

is where the CIA in counterintelligence

253

00:13:28,350 --> 00:13:25,270

professionals come in there is one thing

254

00:13:31,380 --> 00:13:28,360

that they are all taught from the word

255

00:13:36,630 --> 00:13:31,390

go when you have someone that you need

256

00:13:39,990 --> 00:13:36,640

on your side you stroke them it's their

257

00:13:42,450 --> 00:13:40,000

first priority their first priority is

258

00:13:44,580 --> 00:13:42,460

to make you feel special that it's all

259

00:13:47,040 --> 00:13:44,590

about you you are the best you are

260

00:13:49,650 --> 00:13:47,050

respected you are the only one and

261

00:13:54,300 --> 00:13:49,660

that's how they got to Tom and I get

262

00:13:57,720 --> 00:13:54,310

that I've heard him say it and so have

263

00:14:00,690 --> 00:13:57,730

you in our interview on fade to black he

264

00:14:03,510 --> 00:14:00,700

stressed this many times and I

265

00:14:06,600 --> 00:14:03,520

understand it but Tom isn't the only one

266

00:14:11,990 --> 00:14:06,610

by the way he's not and I can assure you

267

00:14:16,290 --> 00:14:12,000

that there are those over at t TSA that

268

00:14:19,620 --> 00:14:16,300

have said all of those things right

269

00:14:24,319 --> 00:14:19,630

anybody out there waving the flag for

270

00:14:26,449 --> 00:14:24,329

the Academy T TSA they hear it they

271

00:14:28,400 --> 00:14:26,459

here that they are the best journalists

272

00:14:30,710 --> 00:14:28,410

that they're the best authors they're

273

00:14:33,530 --> 00:14:30,720

the best researchers that they have

274

00:14:38,179 --> 00:14:33,540

their respect and who doesn't want to

275

00:14:40,910 --> 00:14:38,189

hear that well we all do in the CIA and

276

00:14:44,479 --> 00:14:40,920

counterintelligence agents know this

277

00:14:48,109 --> 00:14:44,489

it's how they roll now I'm not going to

278

00:14:51,319 --> 00:14:48,119

disclose anything private that was

279

00:14:53,059 --> 00:14:51,329

discussed between T TSA and myself over

280

00:14:56,629 --> 00:14:53,069

the years I won't do it that's not cool

281

00:14:58,970 --> 00:14:56,639

but I will say this I have had many many

282

00:15:01,369 --> 00:14:58,980

conversations with top members of this

283

00:15:03,799 --> 00:15:01,379

community and they've all told me the

284

00:15:08,509 --> 00:15:03,809

same things when it comes to T TSA that

285

00:15:10,340 --> 00:15:08,519

T TSA loves me not me Jimmy I'm talking

286

00:15:12,590 --> 00:15:10,350

about the researchers the authors that

287

00:15:15,319 --> 00:15:12,600

they love them they respect their work

288

00:15:17,989 --> 00:15:15,329

they know that how professional they are

289

00:15:20,389 --> 00:15:17,999

and that the community listens to them

290

00:15:22,669 --> 00:15:20,399

because they know that they can trust

291

00:15:25,400 --> 00:15:22,679

them you know and I've heard this so

292

00:15:29,090 --> 00:15:25,410

many times now it's almost scripted

293

00:15:35,569 --> 00:15:29,100

word-for-word this is what scares me the

294

00:15:38,470 --> 00:15:35,579

most and it just seems it just seems

295

00:15:43,299 --> 00:15:38,480

that there is an actual CIA

296

00:15:47,179 --> 00:15:43,309

counter-intel up and running for real

297

00:15:52,220 --> 00:15:47,189

this isn't some Tom Clancy Clive Cussler

298

00:15:56,239 --> 00:15:52,230

spy novel fiction for fun this is

299

00:15:59,479 --> 00:15:56,249

reality and remember this is my opinion

300

00:16:01,759 --> 00:15:59,489

I don't have some insider at the CIA

301
00:16:04,549 --> 00:16:01,769
feeding me classified information I

302
00:16:07,100 --> 00:16:04,559
don't have someone at T TSA speaking

303
00:16:09,679 --> 00:16:07,110
off-the-record in fact I'm only using

304
00:16:11,329 --> 00:16:09,689
the facts as presented by T TSA in their

305
00:16:16,239 --> 00:16:11,339
public records their statements and

306
00:16:20,329 --> 00:16:16,249
their presentations for me it it isn't

307
00:16:23,749 --> 00:16:20,339
bending and molding things in a certain

308
00:16:27,229 --> 00:16:23,759
way to make it seem like there is

309
00:16:29,509 --> 00:16:27,239
something going on no in fact you don't

310
00:16:31,669 --> 00:16:29,519
even have to do that sort of stuff you

311
00:16:33,980 --> 00:16:31,679
don't have to use your imagination and

312
00:16:36,710 --> 00:16:33,990
go full-on conspiracy no you don't have

313
00:16:37,049 --> 00:16:36,720

to do it you just have to read it for

314

00:16:45,169 --> 00:16:37,059

you

315

00:16:47,849 --> 00:16:45,179

stars Academy is a fully staffed CIA DoD

316

00:16:52,849 --> 00:16:47,859

counter-intel company put together for

317

00:16:57,479 --> 00:16:52,859

some crazy UFO agenda listen to this

318

00:17:01,019 --> 00:16:57,489

here are nine of the twelve key staff

319

00:17:05,220 --> 00:17:01,029

for to the stars Academy they're TTS a

320

00:17:06,929 --> 00:17:05,230

job title and their work experience at

321

00:17:10,619 --> 00:17:06,939

the top of the list number one is Tom

322

00:17:15,509 --> 00:17:10,629

DeLonge chairman of the board interim

323

00:17:17,759 --> 00:17:15,519

CEO interim we'll get to that interim

324

00:17:21,449 --> 00:17:17,769

title in a minute stay right there

325

00:17:24,419 --> 00:17:21,459

number two is Jim semi van he's vice

326

00:17:28,919 --> 00:17:24,429

president of operations for TTS a vice

327

00:17:32,180 --> 00:17:28,929

president he has 25 years as operations

328

00:17:35,909 --> 00:17:32,190

officer for the CIA's Directorate of

329

00:17:39,269 --> 00:17:35,919

operations he's also a trainer for the

330

00:17:43,710 --> 00:17:39,279

CIA and it's tradecraft and countering

331

00:17:47,009 --> 00:17:43,720

weapons of mass destruction number three

332

00:17:48,119 --> 00:17:47,019

Steve justice chief operations manager

333

00:17:51,299 --> 00:17:48,129

that's right

334

00:17:53,759 --> 00:17:51,309

31 years at Lockheed skunkworks

335

00:17:56,879 --> 00:17:53,769

advanced systems concept design

336

00:18:00,029 --> 00:17:56,889

breakthrough tech development and you

337

00:18:04,560 --> 00:18:00,039

know he's got security clearances and

338

00:18:09,419 --> 00:18:04,570

oaths dr. hal put off vice president of

339

00:18:12,539 --> 00:18:09,429

science and tech 40 tsa fifty years at

340

00:18:14,970 --> 00:18:12,549

General Electric and as a the National

341

00:18:17,909 --> 00:18:14,980

Security Agency and worked for the CIA

342

00:18:20,940 --> 00:18:17,919

while he was at the Stanford Research

343

00:18:25,440 --> 00:18:20,950

Institute then there's number five Louis

344

00:18:29,970 --> 00:18:25,450

Elizondo his job title is director of

345

00:18:34,289 --> 00:18:29,980

global security that's right that's his

346

00:18:36,989 --> 00:18:34,299

job title at TTS a his experience career

347

00:18:38,999 --> 00:18:36,999

intelligence officer US Army Department

348

00:18:42,119 --> 00:18:39,009

of Defense National counterintelligence

349

00:18:45,350 --> 00:18:42,129

executive the office of Director of

350

00:18:49,379 --> 00:18:45,360

National Intelligence and allegedly

351

00:18:50,700 --> 00:18:49,389

program element manager for a tip

352

00:18:53,100 --> 00:18:50,710

whatever that means

353

00:18:53,940 --> 00:18:53,110

thought he was a director more on that

354

00:18:57,000 --> 00:18:53,950

in just a bit

355

00:18:58,980 --> 00:18:57,010

then there's Chris Mellon national

356

00:19:00,810 --> 00:18:58,990

security adviser deputy assistant

357

00:19:02,310 --> 00:19:00,820

secretary of defense for intelligence

358

00:19:06,330 --> 00:19:02,320

and the Clinton and Bush

359

00:19:10,920 --> 00:19:06,340

administration's and yes Mellon of the

360

00:19:14,490 --> 00:19:10,930

Mellon banking family number seven see

361

00:19:17,120 --> 00:19:14,500

Chris Herndon United States government

362

00:19:20,940 --> 00:19:17,130

and Department of Defense tech

363

00:19:23,730 --> 00:19:20,950

coordination that's his job title 40 TSA

364

00:19:26,730 --> 00:19:23,740

of course he was director of White House

365

00:19:32,250 --> 00:19:26,740

information technology for president

366

00:19:37,770 --> 00:19:32,260

Trump number 8 dr. norm Kahn his job

367

00:19:41,070 --> 00:19:37,780

title at T TSA is national security 30

368

00:19:44,190 --> 00:19:41,080

years at the CIA and a recipient of the

369

00:19:50,640 --> 00:19:44,200

CIA's distinguished career intelligence

370

00:19:56,360 --> 00:19:50,650

medal number 9 dr. Paul rap his job

371

00:19:59,640 --> 00:19:56,370

title 40 TSA brain function consultant

372

00:20:02,490 --> 00:19:59,650

think about that what does he have under

373

00:20:06,870 --> 00:20:02,500

his belt well he's got a CIA certificate

374

00:20:09,560 --> 00:20:06,880

of commendation now there are so many

375

00:20:13,080 --> 00:20:09,570

takeaways from this list and it's facts

376

00:20:18,810 --> 00:20:13,090

but the first thing that stands out for

377

00:20:20,340 --> 00:20:18,820

me is DeLong's interim CEO title you

378

00:20:24,830 --> 00:20:20,350

need to think about this for a second

379

00:20:28,800 --> 00:20:24,840

because if he is replaced as CEO by say

380

00:20:35,750 --> 00:20:28,810

Jim Sam even that would make to the

381

00:20:39,420 --> 00:20:35,760

Stars Academy a full-on CIA operation

382

00:20:44,010 --> 00:20:39,430

DeLong is the only real civilian on this

383

00:20:47,310 --> 00:20:44,020

list and he's the odd man out who would

384

00:20:50,070 --> 00:20:47,320

the board replace him with now it's

385

00:20:51,960 --> 00:20:50,080

pretty safe to say that it won't go with

386

00:20:55,440 --> 00:20:51,970

another singer or musician from a

387

00:20:57,930 --> 00:20:55,450

supergroup I don't think so but Dave

388

00:21:00,600 --> 00:20:57,940

Grohl would be cool you know Foo

389

00:21:03,990 --> 00:21:00,610

Fighters he's got loads of loads of

390

00:21:06,690 --> 00:21:04,000

street cred anyway

391

00:21:08,940 --> 00:21:06,700

it'll be a another lifelong career

392

00:21:11,400 --> 00:21:08,950

intelligence officer that will take over

393

00:21:14,430 --> 00:21:11,410

as CEO someone with the security

394

00:21:19,620 --> 00:21:14,440

clearance an oath and deep dark

395

00:21:23,630 --> 00:21:19,630

connections that's a guarantee the next

396

00:21:27,810 --> 00:21:23,640

thing that really stands out on on this

397

00:21:30,450 --> 00:21:27,820

list is all of the national security job

398

00:21:34,050 --> 00:21:30,460

titles and experience and you have to

399

00:21:38,490 --> 00:21:34,060

ask yourself why well what's the deal

400

00:21:41,670 --> 00:21:38,500

this is a you a folk company right one

401
00:21:44,370 --> 00:21:41,680
thing is for sure it fits the message of

402
00:21:46,560 --> 00:21:44,380
threat that has been all over the media

403
00:21:49,440 --> 00:21:46,570
and History Channel with the series

404
00:21:51,890 --> 00:21:49,450
unidentified it's been all over the

405
00:21:56,670 --> 00:21:51,900
mainstream media threat threat threat

406
00:22:01,980 --> 00:21:56,680
naval pilots write briefings for the

407
00:22:06,020 --> 00:22:01,990
Senate the president threat it's a

408
00:22:09,870 --> 00:22:06,030
threat there are a threat that's why

409
00:22:12,030 --> 00:22:09,880
honestly it's the only word and view

410
00:22:14,430 --> 00:22:12,040
that these types of career agents

411
00:22:18,780 --> 00:22:14,440
understand everything is a threat to

412
00:22:22,320 --> 00:22:18,790
them it's how they roll the third thing

413
00:22:26,970 --> 00:22:22,330

that stands out is the lack of research

414

00:22:30,600 --> 00:22:26,980

partners that's right research talent

415

00:22:34,440 --> 00:22:30,610

it's all defense it's all military it's

416

00:22:38,310 --> 00:22:34,450

spies and that appears to be the focus

417

00:22:43,470 --> 00:22:38,320

well not appears that's wrong it is the

418

00:22:46,110 --> 00:22:43,480

focus now during the livestream back in

419

00:22:49,110 --> 00:22:46,120

October of 2017 for the launch of to the

420

00:22:52,170 --> 00:22:49,120

Stars Academy at that time it was all

421

00:22:55,800 --> 00:22:52,180

about using your investment dollars from

422

00:22:58,170 --> 00:22:55,810

stock purchases that this amazing alien

423

00:23:01,410 --> 00:22:58,180

technology was going to be developed for

424

00:23:07,770 --> 00:23:01,420

us for everyone around the world right

425

00:23:10,320 --> 00:23:07,780

any gravity airliners right wrong it's

426

00:23:14,130 --> 00:23:10,330

been two years and the only things

427

00:23:17,240 --> 00:23:14,140

developed by to the Stars Academy were a

428

00:23:21,200 --> 00:23:17,250

TV series a couple of bucks

429

00:23:23,690 --> 00:23:21,210

and nice fat salaries and of course lots

430

00:23:27,680 --> 00:23:23,700

and lots of stock and stock options for

431

00:23:30,560 --> 00:23:27,690

the crew there it to the stars how much

432

00:23:35,200 --> 00:23:30,570

of the investor cash has been used for

433

00:23:39,530 --> 00:23:35,210

marketing for public relations

434

00:23:46,850 --> 00:23:39,540

promotions versus actual development of

435

00:23:50,780 --> 00:23:46,860

well anything what is that ratio what is

436

00:23:55,070 --> 00:23:50,790

that ratio of the stock money that came

437

00:23:57,800 --> 00:23:55,080

in that just went to salaries right that

438

00:23:59,810 --> 00:23:57,810

went to marketing and publicity for

439

00:24:03,470 --> 00:23:59,820

their own benefit not for the benefit of

440

00:24:06,130 --> 00:24:03,480

us but for them as individuals you know

441

00:24:09,710 --> 00:24:06,140

you throw in the salaries and that ratio

442

00:24:13,790 --> 00:24:09,720

shrinks down to almost nothing I'm gonna

443

00:24:16,790 --> 00:24:13,800

be very interested in the with the next

444

00:24:18,680 --> 00:24:16,800

financial disclosure filings at the end

445

00:24:24,650 --> 00:24:18,690

of the year for to the stars it's going

446

00:24:28,120 --> 00:24:24,660

to be very very telling I don't know how

447

00:24:31,570 --> 00:24:28,130

to look at all of this right now I don't

448

00:24:37,850 --> 00:24:31,580

who's gonna replace Tom DeLonge as CEO

449

00:24:43,850 --> 00:24:37,860

who's gonna replace Tom when we talk

450

00:24:46,190 --> 00:24:43,860

about a CIA fronted company right

451

00:24:48,470 --> 00:24:46,200

because that's the case and if they

452

00:24:50,750 --> 00:24:48,480

bring in somebody and they're probably

453

00:24:53,360 --> 00:24:50,760

listening to me right now and they're

454

00:24:56,320 --> 00:24:53,370

good you know what church is right man

455

00:25:01,460 --> 00:24:56,330

let's take some notes here our next CEO

456

00:25:03,620 --> 00:25:01,470

cannot be CIA it's gonna be too obvious

457

00:25:06,380 --> 00:25:03,630

so we're gonna have to bring in somebody

458

00:25:09,380 --> 00:25:06,390

that is not you know Defense

459

00:25:13,310 --> 00:25:09,390

Intelligence Agency can't be NSA can't

460

00:25:17,870 --> 00:25:13,320

be CIA can't be DoD can't be m.i.a

461

00:25:21,530 --> 00:25:17,880

can't be any of that stuff can't can't

462

00:25:26,530 --> 00:25:21,540

because then it's obvious if that

463

00:25:29,810 --> 00:25:26,540

happens it's a full-on CIA corporation

464

00:25:38,420 --> 00:25:35,150

as its own television show who will be

465

00:25:40,520 --> 00:25:38,430

added to the staff at TTS eh that's the

466

00:25:44,480 --> 00:25:40,530

other question will it be more of the

467

00:25:46,670 --> 00:25:44,490

same right people and talent with close

468

00:25:50,990 --> 00:25:46,680

ties to the Department of Defense to

469

00:25:53,270 --> 00:25:51,000

Washington DC and the CIA is that what

470

00:25:55,430 --> 00:25:53,280

is next is that how it's going to

471

00:25:58,100 --> 00:25:55,440

continue to be compiled because that's

472

00:26:03,440 --> 00:25:58,110

what it is now this is where it gets

473

00:26:06,560 --> 00:26:03,450

even stranger because this is a full-on

474

00:26:09,320 --> 00:26:06,570

disinfo campaign and it is wholly

475

00:26:13,160 --> 00:26:09,330

controlled by the Department of Defense

476
00:26:16,460 --> 00:26:13,170
in the CIA holy-holy controlled it's

477
00:26:20,120 --> 00:26:16,470
those journalists those researchers

478
00:26:25,220 --> 00:26:20,130
those authors and show hosts that have

479
00:26:29,210 --> 00:26:25,230
cozied up to TTS a right they are the

480
00:26:32,510 --> 00:26:29,220
ones that have the most to lose how will

481
00:26:34,990 --> 00:26:32,520
they be able to face the nation when the

482
00:26:38,990 --> 00:26:35,000
reality hits the fan that they've

483
00:26:46,100 --> 00:26:39,000
represented the CIA written for the CIA

484
00:26:51,860 --> 00:26:46,110
a CIA front outfit like the United Fruit

485
00:26:54,350 --> 00:26:51,870
Company from 1964 do you dig it do you

486
00:26:57,950 --> 00:26:54,360
understand what I'm saying those out

487
00:26:59,780 --> 00:26:57,960
there that that have and I'm not going

488
00:27:03,530 --> 00:26:59,790

to do there's no sense in mentioning

489

00:27:07,580 --> 00:27:03,540

names or going down that road if this is

490

00:27:14,180 --> 00:27:07,590

my warning to all of them you need to be

491

00:27:17,420 --> 00:27:14,190

careful here eventually it's it will get

492

00:27:19,790 --> 00:27:17,430

exposed for what it is and you're gonna

493

00:27:22,100 --> 00:27:19,800

have to turn around and face your

494

00:27:25,360 --> 00:27:22,110

friends in the UFO community your

495

00:27:29,990 --> 00:27:25,370

audience in the UFO community and go wow

496

00:27:35,450 --> 00:27:30,000

I wholly supported and got paid by and

497

00:27:38,420 --> 00:27:35,460

have stock in a CIA front company that

498

00:27:41,720 --> 00:27:38,430

was controlling disinformation out to

499

00:27:42,880 --> 00:27:41,730

the world on the UFO agenda because

500

00:27:46,030 --> 00:27:42,890

that's

501
00:27:48,130 --> 00:27:46,040
it appears to be it doesn't appear to be

502
00:27:51,430 --> 00:27:48,140
anything else but that and I keep saying

503
00:27:54,940 --> 00:27:51,440
the word appear I am basing it on fact

504
00:27:59,950 --> 00:27:54,950
I'm not I'm not I'm not just going down

505
00:28:03,640 --> 00:27:59,960
some conspiracy rabbit hole here they

506
00:28:06,820 --> 00:28:03,650
are going to have to face that you need

507
00:28:09,730 --> 00:28:06,830
to back up and just and and and it look

508
00:28:13,210 --> 00:28:09,740
this is the other thing I'm gonna go

509
00:28:15,790 --> 00:28:13,220
back to this list in just a second need

510
00:28:21,160 --> 00:28:15,800
to go back and realize something that

511
00:28:24,100 --> 00:28:21,170
the promises of of money of stock in the

512
00:28:26,950 --> 00:28:24,110
company and the growth right we're gonna

513
00:28:29,170 --> 00:28:26,960

give you 50,000 shares we're gonna give

514

00:28:31,480 --> 00:28:29,180

you 20,000 shares we're gonna give you a

515

00:28:33,940 --> 00:28:31,490

hundred thousand million shares a

516

00:28:36,460 --> 00:28:33,950

million shares you know and those shares

517

00:28:38,950 --> 00:28:36,470

are worth 10 cents each right now but

518

00:28:42,940 --> 00:28:38,960

what if they go up to \$1 what if they go

519

00:28:46,750 --> 00:28:42,950

to \$2 what if they go to \$10 and that's

520

00:28:50,800 --> 00:28:46,760

the appeal to to somebody out there that

521

00:28:54,910 --> 00:28:50,810

has been in this community or government

522

00:28:58,240 --> 00:28:54,920

employee making \$50,000 a year \$60,000 a

523

00:29:01,360 --> 00:28:58,250

year and suddenly you know you're

524

00:29:03,310 --> 00:29:01,370

retired and you're sitting on you know a

525

00:29:07,890 --> 00:29:03,320

half a million shares of stock and a

526

00:29:11,140 --> 00:29:07,900

company that is going to double triple

527

00:29:15,940 --> 00:29:11,150

which is nothing it's nothing to go from

528

00:29:17,560 --> 00:29:15,950

10 cents to 50 cents but if you think

529

00:29:20,340 --> 00:29:17,570

about it 50 cents a share

530

00:29:23,680 --> 00:29:20,350

\$1 a share but you're sitting on

531

00:29:27,220 --> 00:29:23,690

something that had an initial value of

532

00:29:29,010 --> 00:29:27,230

nothing at the stock offering and then

533

00:29:33,070 --> 00:29:29,020

you've got stock options in the future

534

00:29:36,150 --> 00:29:33,080

that to somebody is a way to come in and

535

00:29:38,920 --> 00:29:36,160

go yeah I'll be a part of this action

536

00:29:40,570 --> 00:29:38,930

because they're already in the in in the

537

00:29:42,700 --> 00:29:40,580

circle they're in the group they come

538

00:29:44,680 --> 00:29:42,710

from counterintelligence they come from

539

00:29:47,320 --> 00:29:44,690

the CIA they come from the Department of

540

00:29:49,390 --> 00:29:47,330

Defense with with those government

541

00:29:52,780 --> 00:29:49,400

salaries and suddenly they're in the

542

00:29:55,600 --> 00:29:52,790

private sector getting offered you know

543

00:29:56,620 --> 00:29:55,610

this kind of incentive and bonuses money

544

00:30:00,490 --> 00:29:56,630

they've never

545

00:30:05,320 --> 00:30:00,500

before except for Chris melon and that's

546

00:30:08,560 --> 00:30:05,330

another point right now for those out

547

00:30:13,030 --> 00:30:08,570

there that are going to say Jimmy you're

548

00:30:15,250 --> 00:30:13,040

being critical on TTS I am NOT in a

549

00:30:18,640 --> 00:30:15,260

couple of years a couple of years go by

550

00:30:20,500 --> 00:30:18,650

and they actually turn out to be who

551

00:30:23,350 --> 00:30:20,510

they are trying to say that they are

552

00:30:26,380 --> 00:30:23,360

which is our friends and they're they're

553

00:30:31,060 --> 00:30:26,390

moving the UFO agenda forward I have not

554

00:30:33,580 --> 00:30:31,070

heard anybody say anybody from TTS a

555

00:30:35,080 --> 00:30:33,590

that UFOs are real and they have the

556

00:30:36,430 --> 00:30:35,090

proof and they are part of the

557

00:30:40,030 --> 00:30:36,440

government and they're bringing this

558

00:30:43,450 --> 00:30:40,040

information forward no no that has not

559

00:30:46,510 --> 00:30:43,460

happened they're controlling the

560

00:30:48,640 --> 00:30:46,520

information they're controlling the

561

00:30:50,620 --> 00:30:48,650

minds that's what they're doing and

562

00:30:52,650 --> 00:30:50,630

they're doing it through the media

563

00:30:55,450 --> 00:30:52,660

they're doing it through social media

564

00:30:57,640 --> 00:30:55,460

they're doing it through television and

565

00:31:00,310 --> 00:30:57,650

programming they've got a couple of

566

00:31:03,610 --> 00:31:00,320

documentaries allegedly in production

567

00:31:06,720 --> 00:31:03,620

and nothing about alien technology or

568

00:31:10,690 --> 00:31:06,730

anything else metamaterials right

569

00:31:15,070 --> 00:31:10,700

seriously now for those out there that

570

00:31:19,090 --> 00:31:15,080

are gonna go Jimmy no no those those

571

00:31:21,700 --> 00:31:19,100

critics I'm wondering who is behind

572

00:31:24,130 --> 00:31:21,710

those posts and who those people are

573

00:31:27,370 --> 00:31:24,140

that are doing that trying to continue

574

00:31:29,770 --> 00:31:27,380

to control this agenda trying to control

575

00:31:32,560 --> 00:31:29,780

the message that's right and and and

576

00:31:36,430 --> 00:31:32,570

every time that I see that I know that

577

00:31:40,330 --> 00:31:36,440

I'm right I know that I'm right now I

578

00:31:44,640 --> 00:31:40,340

want to go over this list one more time

579

00:31:55,650 --> 00:31:44,650

so you understand where I am coming from

580

00:31:58,750 --> 00:31:55,660

this is 4 this is 9 of the 12 key staff

581

00:32:03,250 --> 00:31:58,760

listed on the to the stars Academy

582

00:32:06,280 --> 00:32:03,260

website their job titles posted by to

583

00:32:09,550 --> 00:32:06,290

the stars Academy their experience

584

00:32:12,010 --> 00:32:09,560

posted by the to the stars Academy I

585

00:32:13,870 --> 00:32:12,020

go to Wikipedia I didn't go to somebody

586

00:32:17,890 --> 00:32:13,880

else's website I didn't listen to

587

00:32:23,020 --> 00:32:17,900

somebody else this is from to the stars

588

00:32:25,990 --> 00:32:23,030

themselves again Tom DeLonge interim CEO

589

00:32:27,640 --> 00:32:26,000

he's gonna get replaced I don't know by

590

00:32:31,870 --> 00:32:27,650

whom number two

591

00:32:34,270 --> 00:32:31,880

Jim semi van 25 years as operations

592

00:32:36,160 --> 00:32:34,280

officer for the CIA's Directorate of

593

00:32:38,920 --> 00:32:36,170

operations he's also a trainer for the

594

00:32:41,670 --> 00:32:38,930

CIA its tradecraft and countering

595

00:32:45,370 --> 00:32:41,680

weapons of mass destruction

596

00:32:48,730 --> 00:32:45,380

number three Steve justice chief

597

00:32:51,010 --> 00:32:48,740

operations manager for TTS a 31 years at

598

00:32:52,990 --> 00:32:51,020

Lockheed skunkworks advanced systems

599

00:32:55,330 --> 00:32:53,000

concept design breakthrough tech and

600

00:32:57,730 --> 00:32:55,340

development again I want to stress the

601
00:33:01,200 --> 00:32:57,740
security clearances and oaths that he is

602
00:33:03,700 --> 00:33:01,210
under number four dr. Hal put off

603
00:33:06,670 --> 00:33:03,710
vice-president of science and tech 40

604
00:33:10,090 --> 00:33:06,680
TSA 50 years at General Electric the

605
00:33:10,840 --> 00:33:10,100
National Security Agency and worked with

606
00:33:14,260 --> 00:33:10,850
the CIA

607
00:33:17,050 --> 00:33:14,270
while he was at s RI number five Lewis

608
00:33:20,890 --> 00:33:17,060
Elizondo director of global security

609
00:33:23,950 --> 00:33:20,900
that's his job title at TTS a career

610
00:33:25,480 --> 00:33:23,960
intelligence officer US Army Department

611
00:33:28,360 --> 00:33:25,490
of Defense National counterintelligence

612
00:33:31,900 --> 00:33:28,370
executive the office of Director of

613
00:33:35,260 --> 00:33:31,910

National Intelligence and is allegedly

614

00:33:37,630 --> 00:33:35,270

the program element manager for a tip

615

00:33:41,560 --> 00:33:37,640

and again whatever that means thought he

616

00:33:44,710 --> 00:33:41,570

was the director of this thing Chris

617

00:33:48,400 --> 00:33:44,720

Mellon national security adviser but do

618

00:33:51,100 --> 00:33:48,410

you need that for deputy assistant

619

00:33:52,750 --> 00:33:51,110

secretary of defense for intelligence in

620

00:33:56,080 --> 00:33:52,760

both the Clinton and Bush

621

00:33:59,860 --> 00:33:56,090

administration's and once again he is a

622

00:34:03,460 --> 00:33:59,870

melon of the Mellon banking family then

623

00:34:05,470 --> 00:34:03,470

there's see Chris Herndon United States

624

00:34:08,440 --> 00:34:05,480

government and Department of Defense

625

00:34:11,590 --> 00:34:08,450

tech coordination that's his job title

626

00:34:13,420 --> 00:34:11,600

40 TSA he was the director of White

627

00:34:17,790 --> 00:34:13,430

House information technology for

628

00:34:22,720 --> 00:34:17,800

president Trump number 8 dr. norm Khan

629

00:34:23,540 --> 00:34:22,730

his job title 40 TSA once again national

630

00:34:27,500 --> 00:34:23,550

security

631

00:34:30,050 --> 00:34:27,510

he spent 30 years at the CIA and was the

632

00:34:34,810 --> 00:34:30,060

recipient of the CIA's distinguished

633

00:34:40,250 --> 00:34:34,820

career intelligence medal he's a spook

634

00:34:45,080 --> 00:34:40,260

dr. Paul rap his job title at T TSA is

635

00:34:47,419 --> 00:34:45,090

brain function consultant he's also in

636

00:34:49,250 --> 00:34:47,429

the possession of the CI a certificate

637

00:34:54,110 --> 00:34:49,260

of commendation

638

00:34:58,460 --> 00:34:54,120

if this doesn't scare you the interim

639

00:35:01,550 --> 00:34:58,470

title the interim title of CEO for Tom

640

00:35:03,890 --> 00:35:01,560

DeLonge when he gets replaced who does

641

00:35:06,140 --> 00:35:03,900

he get replaced by and if the natural

642

00:35:09,920 --> 00:35:06,150

thing to assume here that it would be

643

00:35:14,110 --> 00:35:09,930

Jim semi van and if that if that is the

644

00:35:20,840 --> 00:35:14,120

move that happens we have a wholly-owned

645

00:35:25,460 --> 00:35:20,850

board of directors of the CIA make no

646

00:35:28,610 --> 00:35:25,470

mistake these are the facts and you just

647

00:35:31,040 --> 00:35:28,620

need to go and and click on the team at

648

00:35:33,980 --> 00:35:31,050

to the stars Academy and read through

649

00:35:39,020 --> 00:35:33,990

that because this is word for word from

650

00:35:44,960 --> 00:35:39,030

their very own website so Don Schmidt

651
00:35:47,480 --> 00:35:44,970
right is Richard Doty right they are

652
00:35:49,610 --> 00:35:47,490
this has fade to black I am your host

653
00:35:52,120 --> 00:35:49,620
Jimmy Church it's gonna be a great show

654
00:35:54,980 --> 00:35:52,130
tonight when I come back after the break

655
00:35:57,740 --> 00:35:54,990
John Greenwald of the black vault joins

656
00:35:59,030 --> 00:35:57,750
us it's gonna be a great show and then

657
00:36:01,390 --> 00:35:59,040
I'm gonna open up the phone lines a

658
00:36:04,340 --> 00:36:01,400
little bit later they're ringing now

659
00:36:06,290 --> 00:36:04,350
everybody be patient I'll announce when

660
00:36:10,220 --> 00:36:06,300
they're open spade to black on the game

661
00:36:12,500 --> 00:36:10,230
changer network in kg are a the planet

662
00:36:14,180 --> 00:36:12,510
email is Jimmy at Jimmy Church radio

663
00:36:19,070 --> 00:36:14,190

calm and you can follow me on Twitter

664

00:36:20,380 --> 00:36:19,080

right now at J Church radio I'll be

665

00:36:31,480 --> 00:36:20,390

right back stay with us

666

00:36:31,490 --> 00:36:39,830

[Music]

667

00:36:50,210 --> 00:36:42,440

all right welcome back fade to black I

668

00:36:54,470 --> 00:36:50,220

am your host Jimmy Church did you hear

669

00:36:57,680 --> 00:36:54,480

everything you need to listen that's it

670

00:36:59,720 --> 00:36:57,690

keep your eyes and ears open that's all

671

00:37:01,880 --> 00:36:59,730

that I'm saying that's all that I'm

672

00:37:02,860 --> 00:37:01,890

saying and I want to welcome to the show

673

00:37:05,390 --> 00:37:02,870

right now

674

00:37:07,970 --> 00:37:05,400

John Greenwald of the Black fall John

675

00:37:09,290 --> 00:37:07,980

good evening hey Jimmy it's good good to

676

00:37:11,840 --> 00:37:09,300

be here yeah it's good to hear your

677

00:37:13,010 --> 00:37:11,850

voice good to hear your voice okay here

678

00:37:17,060 --> 00:37:13,020

we go John

679

00:37:19,850 --> 00:37:17,070

now this is we're just gonna have a

680

00:37:23,630 --> 00:37:19,860

little conversation tonight sure there's

681

00:37:28,520 --> 00:37:23,640

a lot of stuff that's been going on and

682

00:37:30,020 --> 00:37:28,530

and you not only with the black vault

683

00:37:31,760 --> 00:37:30,030

but you've got your radio show and

684

00:37:35,060 --> 00:37:31,770

you've got your contacts and your people

685

00:37:37,820 --> 00:37:35,070

out there and and you converse and you

686

00:37:42,710 --> 00:37:37,830

see what is going on and I'm gonna ask

687

00:37:46,040 --> 00:37:42,720

you a couple of things last night we had

688

00:37:50,480 --> 00:37:46,050

Don Schmidt on the show and Donna's been

689

00:37:53,600 --> 00:37:50,490

at this for a very very long time and he

690

00:37:57,050 --> 00:37:53,610

has you know he went through all the the

691

00:38:00,230 --> 00:37:57,060

bill more stuff and and mj-12 he goes

692

00:38:02,780 --> 00:38:00,240

all the way back to Koufos and and J

693

00:38:06,620 --> 00:38:02,790

Allen Hynek and and Project Blue Book

694

00:38:08,750 --> 00:38:06,630

and he is he's seen it all and he's

695

00:38:10,700 --> 00:38:08,760

still here trying to get these answers

696

00:38:14,000 --> 00:38:10,710

but one of the things that he said last

697

00:38:16,520 --> 00:38:14,010

night was that you know they they do

698

00:38:18,830 --> 00:38:16,530

control the information they've always

699

00:38:21,140 --> 00:38:18,840

controlled the information they've

700

00:38:23,990 --> 00:38:21,150

gotten very very good at it

701
00:38:28,010 --> 00:38:24,000
and right now there's a huge rollout

702
00:38:30,110 --> 00:38:28,020
with the UFOs and and what is going on

703
00:38:33,470 --> 00:38:30,120
and we just have to ask ourselves why

704
00:38:36,710 --> 00:38:33,480
and we have to be very very careful and

705
00:38:39,290 --> 00:38:36,720
he's right about that and then going

706
00:38:42,230 --> 00:38:39,300
back six months ago maybe a little

707
00:38:45,740 --> 00:38:42,240
longer Richard Doty called into this

708
00:38:48,110 --> 00:38:45,750
show when I called in he wasn't a guest

709
00:38:51,730 --> 00:38:48,120
he called in and one of the things that

710
00:38:55,520 --> 00:38:54,230
one of the he said a lot of things one

711
00:39:00,280 --> 00:38:55,530
of the things that he said was that

712
00:39:04,010 --> 00:39:00,290
there were two that he knew of two

713
00:39:04,820 --> 00:39:04,020

prominent speakers on the UFO lecture

714

00:39:09,950 --> 00:39:04,830

circuit

715

00:39:12,620 --> 00:39:09,960

that were disinfo right now immediately

716

00:39:16,130 --> 00:39:12,630

so you know the alarm bells went up a

717

00:39:19,190 --> 00:39:16,140

lot of people heard this my phone is

718

00:39:21,740 --> 00:39:19,200

ringing the next day I'm I call

719

00:39:25,100 --> 00:39:21,750

everybody I call Stanton Friedman I call

720

00:39:28,280 --> 00:39:25,110

Linda I call Dolan you know and I and

721

00:39:29,990 --> 00:39:28,290

then the half a dozen other people and

722

00:39:32,150 --> 00:39:30,000

they all said the same thing well who do

723

00:39:34,730 --> 00:39:32,160

you think it is you know it's not me

724

00:39:38,300 --> 00:39:34,740

Jimmy it's not right it's not me is it

725

00:39:41,540 --> 00:39:38,310

you is it you and it kind of freaked

726

00:39:45,050 --> 00:39:41,550

everybody out and that is also a form of

727

00:39:48,290 --> 00:39:45,060

disinfo right - cause everybody in the

728

00:39:51,320 --> 00:39:48,300

UFO community - to look at everybody

729

00:39:53,810 --> 00:39:51,330

differently and suspect in and - all of

730

00:39:56,720 --> 00:39:53,820

that it's just a brilliant tactic on on

731

00:39:59,990 --> 00:39:56,730

Dodi's part to suggest this and it

732

00:40:04,250 --> 00:40:00,000

freaked everybody out but it takes me to

733

00:40:07,070 --> 00:40:04,260

the point where John that there is no

734

00:40:09,620 --> 00:40:07,080

question that the information is

735

00:40:13,490 --> 00:40:09,630

controlled and here we have a situation

736

00:40:16,760 --> 00:40:13,500

right now with a company like T TSA that

737

00:40:20,210 --> 00:40:16,770

is wholly and fully staffed by

738

00:40:22,190 --> 00:40:20,220

counterintelligence and the CIA and you

739

00:40:25,910 --> 00:40:22,200

have to ask yourself what is actually

740

00:40:29,180 --> 00:40:25,920

going on with that when you look at the

741

00:40:32,090 --> 00:40:29,190

staff at T TSA are there red flags for

742

00:40:34,960 --> 00:40:32,100

you there's lots of red flags to be

743

00:40:41,150 --> 00:40:34,970

blatantly honest with you I listened to

744

00:40:43,580 --> 00:40:41,160

your overview of their upper echelon and

745

00:40:45,830 --> 00:40:43,590

the connections to the CIA and and I I

746

00:40:47,480 --> 00:40:45,840

don't I I will say I don't think I

747

00:40:50,330 --> 00:40:47,490

necessarily agree with a hundred percent

748

00:40:52,660 --> 00:40:50,340

of what you were saying but there are

749

00:40:55,370 --> 00:40:52,670

fascinating connections there number one

750

00:40:59,600 --> 00:40:55,380

but number two I think you're spot-on on

751
00:41:02,900 --> 00:40:59,610
how they meaning T TSA treats their

752
00:41:04,250 --> 00:41:02,910
inner circle right the people that tout

753
00:41:06,830 --> 00:41:04,260
their company

754
00:41:09,710 --> 00:41:06,840
and that's where you and I really do a

755
00:41:12,140 --> 00:41:09,720
line it sounds like because they have

756
00:41:14,990 --> 00:41:12,150
sucked people in that do feel important

757
00:41:18,290 --> 00:41:15,000
and I think that it would behoove those

758
00:41:21,830 --> 00:41:18,300
that are big fans of TTS a that have

759
00:41:24,320 --> 00:41:21,840
kind of you really attached their names

760
00:41:25,670 --> 00:41:24,330
to the story to research

761
00:41:29,120 --> 00:41:25,680
counterintelligence

762
00:41:32,330 --> 00:41:29,130
and tactics that those tactics will

763
00:41:34,430 --> 00:41:32,340

employ in the field and that is getting

764

00:41:36,800 --> 00:41:34,440

people to trust you people being called

765

00:41:40,910 --> 00:41:36,810

out from the audience when let's say

766

00:41:43,940 --> 00:41:40,920

Lewis Elizondo is speaking make somebody

767

00:41:46,820 --> 00:41:43,950

feel special and important and so

768

00:41:48,920 --> 00:41:46,830

whether it's willing or knowing or

769

00:41:52,040 --> 00:41:48,930

unknowing that particular person being

770

00:41:55,100 --> 00:41:52,050

called out now is not necessarily going

771

00:41:56,720 --> 00:41:55,110

to start doing you know really scathing

772

00:41:58,340 --> 00:41:56,730

pieces and digging in they're gonna

773

00:41:59,750 --> 00:41:58,350

really kind of tout the line a little

774

00:42:03,260 --> 00:41:59,760

bit mm-hmm and they're they're gonna

775

00:42:05,600 --> 00:42:03,270

sing the praises now that's okay for a

776

00:42:08,450 --> 00:42:05,610

PR agent but it's not for a journalist

777

00:42:11,390 --> 00:42:08,460

but again that those tactics that are

778

00:42:12,980 --> 00:42:11,400

that are being implemented by T TSA

779

00:42:16,490 --> 00:42:12,990

which sounds conspiratorial but I'm

780

00:42:18,680 --> 00:42:16,500

sorry it's not are very smart I'm not

781

00:42:20,720 --> 00:42:18,690

gonna say it's dumb or or shady it's

782

00:42:23,300 --> 00:42:20,730

just smart yeah thought while shady may

783

00:42:26,060 --> 00:42:23,310

be debatable but right it's it's it's

784

00:42:28,520 --> 00:42:26,070

getting as many people as you can on

785

00:42:30,710 --> 00:42:28,530

your side that way you don't have to

786

00:42:33,080 --> 00:42:30,720

fight the battles you don't have to take

787

00:42:36,740 --> 00:42:33,090

the tough questions because you'll see

788

00:42:38,420 --> 00:42:36,750

those the some are journalists others

789

00:42:40,340 --> 00:42:38,430

are what I call quote unquote

790

00:42:42,320 --> 00:42:40,350

journalists you know they kind of

791

00:42:44,510 --> 00:42:42,330

pretend to be and they're out there

792

00:42:46,580 --> 00:42:44,520

they're the ones that are engaging on

793

00:42:49,190 --> 00:42:46,590

social media and getting into Twitter

794

00:42:54,440 --> 00:42:49,200

battles and firing shots at me or you or

795

00:42:56,270 --> 00:42:54,450

or whomever speaks ill against T TSA so

796

00:42:58,490 --> 00:42:56,280

that's where I say that that that kind

797

00:43:00,290 --> 00:42:58,500

of marketing aspect is very very smart

798

00:43:02,540 --> 00:43:00,300

because those people are the guns

799

00:43:06,110 --> 00:43:02,550

they're not connected to T TSA as a

800

00:43:08,540 --> 00:43:06,120

board member or somebody that is you

801
00:43:10,910 --> 00:43:08,550
know wearing a t TS a name badge they

802
00:43:13,250 --> 00:43:10,920
just want to be and so they're the ones

803
00:43:15,320 --> 00:43:13,260
out there so again that's that part you

804
00:43:17,480 --> 00:43:15,330
know what removing myself and my

805
00:43:19,010 --> 00:43:17,490
personal thoughts and reservations it

806
00:43:21,140 --> 00:43:19,020
very very smart and they've succeeded

807
00:43:23,000 --> 00:43:21,150
with some of these people that have been

808
00:43:25,600 --> 00:43:23,010
around in the UFO field some of which

809
00:43:28,670 --> 00:43:25,610
were friends of mine at one time and

810
00:43:29,990 --> 00:43:28,680
literally I mean I've it's it's sad to

811
00:43:32,210 --> 00:43:30,000
say but like people will lose

812
00:43:35,570 --> 00:43:32,220
friendships like I have lost friendships

813
00:43:37,970 --> 00:43:35,580

not by my choice by people that instead

814

00:43:40,580 --> 00:43:37,980

of just agreeing to disagree or having a

815

00:43:42,620 --> 00:43:40,590

friendly conversation like you and I it

816

00:43:45,500 --> 00:43:42,630

was again you and I aren't gonna agree

817

00:43:48,950 --> 00:43:45,510

on 100% and we don't you know be very

818

00:43:53,660 --> 00:43:48,960

clear okay can I just throw the two of

819

00:43:59,710 --> 00:43:53,670

us under the bus a little bit yeah John

820

00:44:03,140 --> 00:43:59,720

and I talk a lot I would say that we

821

00:44:07,520 --> 00:44:03,150

disagree on most of what you and I talk

822

00:44:10,250 --> 00:44:07,530

about really do and that's okay

823

00:44:13,010 --> 00:44:10,260

right that that that that kind of

824

00:44:15,109 --> 00:44:13,020

dialogue listening to the other you know

825

00:44:17,540 --> 00:44:15,119

the other side of the other opinions or

826

00:44:21,290 --> 00:44:17,550

the other research is how you move

827

00:44:24,830 --> 00:44:21,300

forward you know I always listen to you

828

00:44:27,800 --> 00:44:24,840

I don't always agree yeah and but that's

829

00:44:30,890 --> 00:44:27,810

the fun of it right that is that is the

830

00:44:32,450 --> 00:44:30,900

amazing part of this field that we can

831

00:44:34,340 --> 00:44:32,460

have that conversation you and I could

832

00:44:36,560 --> 00:44:34,350

be on the air we can have a private

833

00:44:38,630 --> 00:44:36,570

telephone conversation we can be having

834

00:44:41,570 --> 00:44:38,640

a barbecue drinking a beer whatever and

835

00:44:44,000 --> 00:44:41,580

we leave at the end friends right but

836

00:44:45,470 --> 00:44:44,010

but one thing that TTS a and I and I

837

00:44:46,880 --> 00:44:45,480

don't blame this for this I really

838

00:44:49,550 --> 00:44:46,890

genuinely don't think they had any

839

00:44:50,870 --> 00:44:49,560

intention to do this part but one thing

840

00:44:54,859 --> 00:44:50,880

that they have achieved more than all

841

00:44:58,970 --> 00:44:54,869

else is divide the UFO community with

842

00:45:01,420 --> 00:44:58,980

such a firm deep line in the sand that

843

00:45:05,210 --> 00:45:01,430

separates people that are out there

844

00:45:07,640 --> 00:45:05,220

touting the t TSA line and people like

845

00:45:09,440 --> 00:45:07,650

me who are asking questions that I feel

846

00:45:13,070 --> 00:45:09,450

are important and that should be

847

00:45:16,940 --> 00:45:13,080

addressed and that line has never been

848

00:45:18,620 --> 00:45:16,950

deeper than it is right now and and

849

00:45:21,890 --> 00:45:18,630

again I don't think that they intended

850

00:45:24,740 --> 00:45:21,900

that but it happened anyway and that is

851
00:45:26,599 --> 00:45:24,750
amazing to me because they have and

852
00:45:29,240 --> 00:45:26,609
that's where I again I say that it was a

853
00:45:30,620 --> 00:45:29,250
very smart move to get as many people on

854
00:45:32,930 --> 00:45:30,630
their side

855
00:45:35,660 --> 00:45:32,940
that would fight those battles for them

856
00:45:37,460 --> 00:45:35,670
that were removed from the company they

857
00:45:39,829 --> 00:45:37,470
feel special they're being called out

858
00:45:42,289 --> 00:45:39,839
there I bet you that they're being fed

859
00:45:43,999 --> 00:45:42,299
insider information and I don't want to

860
00:45:46,279 --> 00:45:44,009
put any accusation out there of people

861
00:45:49,789 --> 00:45:46,289
by name but I'll bring him up Brian

862
00:45:52,160 --> 00:45:49,799
bender from Politico and his story with

863
00:45:54,799 --> 00:45:52,170

the UFO guidelines and this and that who

864

00:45:57,319 --> 00:45:54,809

appeared on unidentified is a

865

00:45:59,599 --> 00:45:57,329

fascinating figure to look at from a

866

00:46:00,999 --> 00:45:59,609

major a real journalist I got nothing

867

00:46:03,680 --> 00:46:01,009

against him personally or professionally

868

00:46:06,739 --> 00:46:03,690

but I bring him up because when you look

869

00:46:09,829 --> 00:46:06,749

at his connection being on camera for

870

00:46:12,410 --> 00:46:09,839

unidentified that was a smart move for T

871

00:46:14,479 --> 00:46:12,420

TSA I mean I don't know firsthand who

872

00:46:16,519 --> 00:46:14,489

really kind of orchestrated that but

873

00:46:18,769 --> 00:46:16,529

obviously benders been involved from the

874

00:46:20,329 --> 00:46:18,779

beginning and he has been fed this

875

00:46:23,089 --> 00:46:20,339

insider quote/unquote insider

876

00:46:25,190 --> 00:46:23,099

information to be one of the two outfits

877

00:46:28,400 --> 00:46:25,200

that broke this story now fast forward

878

00:46:31,009 --> 00:46:28,410

nearly two years later he's on camera on

879

00:46:33,559 --> 00:46:31,019

the television series and here's what's

880

00:46:36,410 --> 00:46:33,569

interesting he is quoting the Pentagon

881

00:46:38,809 --> 00:46:36,420

except when the Pentagon says something

882

00:46:40,339 --> 00:46:38,819

bad about against T TSA and I'm sure

883

00:46:43,489 --> 00:46:40,349

we'll get into that right but then he

884

00:46:45,950 --> 00:46:43,499

omits that as a journalist you can't do

885

00:46:47,839 --> 00:46:45,960

that you just can't if you are an

886

00:46:50,660 --> 00:46:47,849

unbiased person number one it's

887

00:46:52,700 --> 00:46:50,670

questionable to appear on a television

888

00:46:55,759 --> 00:46:52,710

series that controversial it really is

889

00:46:58,400 --> 00:46:55,769

if it was more of a historical or a put

890

00:47:00,890 --> 00:46:58,410

you know a political era and and you

891

00:47:02,329 --> 00:47:00,900

know mr. bender covered that in depth

892

00:47:04,430 --> 00:47:02,339

okay that makes sense I mean I've

893

00:47:06,440 --> 00:47:04,440

produced a lot for History Channel those

894

00:47:08,509 --> 00:47:06,450

are the guys you go for but on something

895

00:47:10,190 --> 00:47:08,519

this controversial and you and you put

896

00:47:13,219 --> 00:47:10,200

him front and center

897

00:47:15,140 --> 00:47:13,229

what do you do now you make him a TV

898

00:47:16,880 --> 00:47:15,150

star right even though he wasn't the

899

00:47:18,229 --> 00:47:16,890

star of the show don't get me wrong but

900

00:47:20,450 --> 00:47:18,239

to somebody who's not on TV all the time

901
00:47:21,499 --> 00:47:20,460
that's how they feel I know that for a

902
00:47:22,190 --> 00:47:21,509
fact because I've worked with people

903
00:47:26,209 --> 00:47:22,200
like that

904
00:47:28,249 --> 00:47:26,219
mm-hm and so when when you do that now

905
00:47:30,319 --> 00:47:28,259
what happens when the Pentagon says well

906
00:47:32,479 --> 00:47:30,329
mr. Lewis Elizondo had no

907
00:47:34,549 --> 00:47:32,489
responsibilities on a tip right they

908
00:47:37,309 --> 00:47:34,559
fired a shot across the bow and they say

909
00:47:39,709 --> 00:47:37,319
look we've had enough so this attention

910
00:47:41,239 --> 00:47:39,719
that's all this is getting yeah there is

911
00:47:43,700 --> 00:47:41,249
some truth to the UFO thing right

912
00:47:44,450 --> 00:47:43,710
everybody flipped out over it and the

913
00:47:47,240 --> 00:47:44,460

second part of

914

00:47:48,950 --> 00:47:47,250

statement was but Luis Elizondo had no

915

00:47:51,200 --> 00:47:48,960

responsibilities on this program and

916

00:47:54,920 --> 00:47:51,210

then it's like that's that you know this

917

00:47:57,260 --> 00:47:54,930

is a mass conspiracy to to to take down

918

00:47:58,640 --> 00:47:57,270

one guy and this is the Pentagon doesn't

919

00:48:00,170 --> 00:47:58,650

know what they're doing and this is a

920

00:48:03,530 --> 00:48:00,180

conspiracy it's like well wait a minute

921

00:48:06,349 --> 00:48:03,540

you know just a week ago the same person

922

00:48:08,000 --> 00:48:06,359

from the same office said something that

923

00:48:10,820 --> 00:48:08,010

you appraised to high heaven it was

924

00:48:12,320 --> 00:48:10,830

gospel there's no way that they would be

925

00:48:14,089 --> 00:48:12,330

making something like that up but then

926
00:48:15,829 --> 00:48:14,099
all of a sudden you know the same person

927
00:48:17,630 --> 00:48:15,839
comes out with a different statement and

928
00:48:19,700 --> 00:48:17,640
they're like now now the prep press and

929
00:48:21,910 --> 00:48:19,710
press officers don't you know they don't

930
00:48:25,099 --> 00:48:21,920
know anything and so it's a very

931
00:48:27,650 --> 00:48:25,109
selective belief system which is hurtful

932
00:48:29,359 --> 00:48:27,660
and harmful now I would expect that from

933
00:48:30,920 --> 00:48:29,369
the bloggers and from people that

934
00:48:35,510 --> 00:48:30,930
pretend to be journalists that's fine

935
00:48:37,220 --> 00:48:35,520
not a tender status not at all and from

936
00:48:39,230 --> 00:48:37,230
somebody from that status yeah and so

937
00:48:41,150 --> 00:48:39,240
for me I try and remove myself from

938
00:48:43,670 --> 00:48:41,160

again because I get emotional about this

939

00:48:46,190 --> 00:48:43,680

it's it's personal I've been involved in

940

00:48:47,690 --> 00:48:46,200

the UFO field for 23 years of course I

941

00:48:50,120 --> 00:48:47,700

care about what people are talking about

942

00:48:51,710 --> 00:48:50,130

and so I try and remove myself and I

943

00:48:54,609 --> 00:48:51,720

look at it and I go that is fascinating

944

00:48:56,690 --> 00:48:54,619

a major mainstream outlet oh by the way

945

00:48:59,240 --> 00:48:56,700

because this is public I mean I'm not

946

00:49:02,089 --> 00:48:59,250

blowing anything that was private but

947

00:49:05,109 --> 00:49:02,099

but Brian bender blocked me and I in

948

00:49:07,490 --> 00:49:05,119

after he and I had conversations and I

949

00:49:08,870 --> 00:49:07,500

wrote him and I say hey man I didn't say

950

00:49:09,140 --> 00:49:08,880

anything to you like what's this all

951
00:49:11,750 --> 00:49:09,150
about

952
00:49:15,020 --> 00:49:11,760
he was mad that I forwarded an article

953
00:49:17,960 --> 00:49:15,030
retweeted an article on Twitter that had

954
00:49:21,020 --> 00:49:17,970
quoted the Pentagon statement about Lois

955
00:49:23,359 --> 00:49:21,030
Elizondo that was it and he told me that

956
00:49:26,150 --> 00:49:23,369
that was the reason and it's like well

957
00:49:29,329 --> 00:49:26,160
wait a minute why are you so afraid to

958
00:49:32,990 --> 00:49:29,339
cover that you can refute it you can

959
00:49:36,020 --> 00:49:33,000
disprove it and and and yet he blocked

960
00:49:38,750 --> 00:49:36,030
me amongst others okay so all right

961
00:49:42,160 --> 00:49:38,760
John let me jump in also for clarity

962
00:49:45,260 --> 00:49:42,170
here didn't he delete a tweet of his

963
00:49:48,530 --> 00:49:45,270

absolutely so the short of it is on June

964

00:49:50,480 --> 00:49:48,540

1st that was a early Saturday morning

965

00:49:53,120 --> 00:49:50,490

the intercept dropped the article that

966

00:49:55,310 --> 00:49:53,130

revealed the Pentagon's statement and

967

00:49:57,990 --> 00:49:55,320

that was Luis Elizondo I had no

968

00:50:01,620 --> 00:49:58,000

responsibilities Sunday night

969

00:50:05,430 --> 00:50:01,630

on the second Brian bender said expect a

970

00:50:06,990 --> 00:50:05,440

new statement this week and and it will

971

00:50:08,340 --> 00:50:07,000

essentially put this issue to bat

972

00:50:10,110 --> 00:50:08,350

paraphrasing there but it essentially

973

00:50:11,970 --> 00:50:10,120

put the issue to bed but he promised

974

00:50:14,580 --> 00:50:11,980

that week that a new statement was was

975

00:50:16,950 --> 00:50:14,590

coming right so I wrote bender not only

976

00:50:20,700 --> 00:50:16,960

publicly but privately and I said how

977

00:50:24,900 --> 00:50:20,710

would you orchestrate a a new Pentagon

978

00:50:27,390 --> 00:50:24,910

statement on a weekend and / and promise

979

00:50:29,130 --> 00:50:27,400

it to the world like like how is what do

980

00:50:31,170 --> 00:50:29,140

you and I wasn't challenging him I was

981

00:50:34,470 --> 00:50:31,180

genuinely asking because when that

982

00:50:36,750 --> 00:50:34,480

statement was was published I didn't

983

00:50:40,800 --> 00:50:36,760

believe it as many red flags as I've had

984

00:50:44,100 --> 00:50:40,810

about that organization I did not expect

985

00:50:46,830 --> 00:50:44,110

that and I did not believe it I honestly

986

00:50:49,440 --> 00:50:46,840

didn't and i independently verified it

987

00:50:53,010 --> 00:50:49,450

to make sure and it was true and I but I

988

00:50:56,910 --> 00:50:53,020

was I mean I was flabbergasted I truly

989

00:50:59,490 --> 00:50:56,920

was and and that's hard for me to say

990

00:51:02,550 --> 00:50:59,500

because I've had so many reservations

991

00:51:06,060 --> 00:51:02,560

about this story and I didn't believe it

992

00:51:08,190 --> 00:51:06,070

at first and and so when bender posted

993

00:51:10,410 --> 00:51:08,200

that I said okay well then here we go

994

00:51:12,510 --> 00:51:10,420

and that can't that week came and went

995

00:51:16,470 --> 00:51:12,520

the next week came and went

996

00:51:18,180 --> 00:51:16,480

then the and I believe I'm getting too

997

00:51:20,370 --> 00:51:18,190

far ahead chronologically but George

998

00:51:22,290 --> 00:51:20,380

Knapp had believed about a week later I

999

00:51:24,960 --> 00:51:22,300

think it was Wednesday if memory serves

1000

00:51:27,510 --> 00:51:24,970

that next Wednesday after the intercept

1001
00:51:30,720 --> 00:51:27,520
published our article with a new version

1002
00:51:33,540 --> 00:51:30,730
of a 2009 Harry Reid letter that

1003
00:51:36,360 --> 00:51:33,550
according to him proved that Luis

1004
00:51:39,780 --> 00:51:36,370
Elizondo did head the a tip program and

1005
00:51:42,240 --> 00:51:39,790
then further it disproved the intercept

1006
00:51:44,880 --> 00:51:42,250
and their claims so I took that letter

1007
00:51:46,800 --> 00:51:44,890
to the Pentagon and again we're

1008
00:51:50,010 --> 00:51:46,810
expecting a new statement and that never

1009
00:51:51,720 --> 00:51:50,020
came so then this letter pops up so I

1010
00:51:54,690 --> 00:51:51,730
mean a lot of people won't believe me

1011
00:51:56,190 --> 00:51:54,700
but I was looking to change that

1012
00:51:59,610 --> 00:51:56,200
statement and the reason was because

1013
00:52:02,070 --> 00:51:59,620

that does more damage to this entire

1014

00:52:04,650 --> 00:52:02,080

story than anything I have ever brought

1015

00:52:06,810 --> 00:52:04,660

up and and some people hate me for

1016

00:52:09,240 --> 00:52:06,820

bringing up certain things in my opinion

1017

00:52:11,990 --> 00:52:09,250

if this does turn out to really

1018

00:52:13,550 --> 00:52:12,000

genuinely be true and mr. Elizondo has a

1019

00:52:15,680 --> 00:52:13,560

to the point of fabricating his

1020

00:52:18,349 --> 00:52:15,690

background if that turns out to be true

1021

00:52:21,440 --> 00:52:18,359

in my opinion that will be more damaging

1022

00:52:25,430 --> 00:52:21,450

to this entire story than anything else

1023

00:52:27,200 --> 00:52:25,440

and so I did truly genuinely aim to at

1024

00:52:29,420 --> 00:52:27,210

least put that to bed so we could move

1025

00:52:31,400 --> 00:52:29,430

on to the questions that I felt were

1026

00:52:34,430 --> 00:52:31,410

still pressing and so I took that letter

1027

00:52:37,160 --> 00:52:34,440

and I sent it to the Pentagon and to my

1028

00:52:39,140 --> 00:52:37,170

surprise not only did they verify the

1029

00:52:41,000 --> 00:52:39,150

letter they had no problems admitting

1030

00:52:42,950 --> 00:52:41,010

that that was a legitimate letter they

1031

00:52:45,530 --> 00:52:42,960

verified it in an official statement to

1032

00:52:50,270 --> 00:52:45,540

me they said yes that letter is real and

1033

00:52:52,970 --> 00:52:50,280

no it does not change anything and that

1034

00:52:54,680 --> 00:52:52,980

to me is is a very important aspect to

1035

00:52:56,510 --> 00:52:54,690

the story that people need to pay

1036

00:53:02,420 --> 00:52:56,520

attention to yeah what I find

1037

00:53:07,130 --> 00:53:02,430

interesting here John is that T TSA and

1038

00:53:12,050 --> 00:53:07,140

I'm being very direct here T TSA does

1039

00:53:14,810 --> 00:53:12,060

not want to answer questions what they

1040

00:53:17,030 --> 00:53:14,820

want to say and what they continue to

1041

00:53:20,000 --> 00:53:17,040

say is I you know what you're missing

1042

00:53:23,270 --> 00:53:20,010

the big picture here you know let let us

1043

00:53:26,240 --> 00:53:23,280

handle this don't ask questions

1044

00:53:28,490 --> 00:53:26,250

and that it's that that's the opposite

1045

00:53:32,359 --> 00:53:28,500

of what this country and excellent

1046

00:53:36,200 --> 00:53:32,369

journalism stands for that we are

1047

00:53:38,420 --> 00:53:36,210

entitled to ask questions and and that's

1048

00:53:40,520 --> 00:53:38,430

that's it and when somebody says you

1049

00:53:42,380 --> 00:53:40,530

know what no no no not right now when

1050

00:53:44,150 --> 00:53:42,390

you know what Matt's that's not

1051

00:53:46,400 --> 00:53:44,160

important well you know what then answer

1052

00:53:51,380 --> 00:53:46,410

the question and we can move on but

1053

00:53:54,050 --> 00:53:51,390

don't say to back off you know don't you

1054

00:53:56,930 --> 00:53:54,060

can't do that and that that's what it

1055

00:53:59,930 --> 00:53:56,940

tells me that were we're asking the

1056

00:54:02,900 --> 00:53:59,940

right questions you know and and my my

1057

00:54:05,990 --> 00:54:02,910

list of questions to T TSA still to this

1058

00:54:07,810 --> 00:54:06,000

day remain unanswered and and for

1059

00:54:11,780 --> 00:54:07,820

anybody out there that calls themselves

1060

00:54:15,410 --> 00:54:11,790

a journalist that is in the presence of

1061

00:54:18,710 --> 00:54:15,420

anybody at T TSA and isn't asking the

1062

00:54:21,380 --> 00:54:18,720

obvious then we have to wonder really

1063

00:54:24,470 --> 00:54:21,390

what's going on because they they just

1064

00:54:26,450 --> 00:54:24,480

want to be surrounded by yes people

1065

00:54:29,000 --> 00:54:26,460

and that that's that that's that's wrong

1066

00:54:32,120 --> 00:54:29,010

to me John and that's where it just

1067

00:54:35,440 --> 00:54:32,130

scares me about what actually may be

1068

00:54:39,230 --> 00:54:35,450

happening over at ETS a-and what what

1069

00:54:41,089 --> 00:54:39,240

before I should allow you to respond but

1070

00:54:44,060 --> 00:54:41,099

I want you to respond to this person

1071

00:54:50,210 --> 00:54:44,070

will shorten you what is this interim

1072

00:54:52,280 --> 00:54:50,220

CEO title yeah you know I wish I had a

1073

00:54:54,920 --> 00:54:52,290

good answer for you I don't know I have

1074

00:54:57,530 --> 00:54:54,930

a guess and I'm gonna defend Tom DeLonge

1075

00:55:00,140 --> 00:54:57,540

on this but I could be way off

1076

00:55:01,790 --> 00:55:00,150

I genuinely just don't know my guess is

1077

00:55:04,040 --> 00:55:01,800

obviously with the Angels and Airwaves

1078

00:55:06,050 --> 00:55:04,050

thing that he's doing and she's got like

1079

00:55:08,359 --> 00:55:06,060

he's a very successful guy I've got

1080

00:55:11,329 --> 00:55:08,369

nothing against Tom and and on the

1081

00:55:13,400 --> 00:55:11,339

contrary I've often defended that I feel

1082

00:55:15,819 --> 00:55:13,410

that he's a very genuine person in this

1083

00:55:18,560 --> 00:55:15,829

and he probably does have a genuine

1084

00:55:20,720 --> 00:55:18,570

objective here that that's not true I

1085

00:55:22,579 --> 00:55:20,730

think for every name involved but I do

1086

00:55:24,620 --> 00:55:22,589

think that there's a very genuine core

1087

00:55:27,650 --> 00:55:24,630

to what he's doing I couldn't agree with

1088

00:55:30,470 --> 00:55:27,660

you more I could agree his interest in

1089

00:55:33,440 --> 00:55:30,480

UFOs and trying to get to the bottom of

1090

00:55:36,470 --> 00:55:33,450

this is genuine not probably genuine

1091

00:55:38,690 --> 00:55:36,480

that maybe it's for real yeah you know

1092

00:55:41,930 --> 00:55:38,700

he's got real passion in the game here

1093

00:55:44,359 --> 00:55:41,940

yeah and there's a there's a gullibility

1094

00:55:46,579 --> 00:55:44,369

aspect of this that I think that that

1095

00:55:48,380 --> 00:55:46,589

that that you know kind of hurts him a

1096

00:55:50,030 --> 00:55:48,390

little bit but hey I think he's he's

1097

00:55:51,980 --> 00:55:50,040

genuine so that being said though he's a

1098

00:55:54,589 --> 00:55:51,990

very very successful guy has been for a

1099

00:55:58,220 --> 00:55:54,599

long time he's very very smart and so I

1100

00:56:01,010 --> 00:55:58,230

think that maybe quite possibly he just

1101
00:56:04,309 --> 00:56:01,020
has to focus on what's going to bring in

1102
00:56:07,609 --> 00:56:04,319
the most money for him and and so I

1103
00:56:10,339 --> 00:56:07,619
think that TTS a is is not doing that

1104
00:56:11,839 --> 00:56:10,349
and so if Angels and Airwaves or

1105
00:56:15,020 --> 00:56:11,849
whatever other business opportunity that

1106
00:56:16,190 --> 00:56:15,030
he has that that maybe will get more

1107
00:56:18,500 --> 00:56:16,200
attention from him

1108
00:56:21,500 --> 00:56:18,510
then I then I give him respect for

1109
00:56:23,599 --> 00:56:21,510
saying okay this corporation B I need to

1110
00:56:26,059 --> 00:56:23,609
put that aside let's bring somebody in

1111
00:56:28,819 --> 00:56:26,069
who can run this because corporation a

1112
00:56:31,579 --> 00:56:28,829
for me is more beneficial for me my

1113
00:56:33,890 --> 00:56:31,589

family my kids whatever so I respect

1114

00:56:35,540 --> 00:56:33,900

that I've got no issue if there's some

1115

00:56:37,730 --> 00:56:35,550

kind of other you know sinister

1116

00:56:38,270 --> 00:56:37,740

objective that comes out later or I'll

1117

00:56:40,250 --> 00:56:38,280

stand

1118

00:56:42,830 --> 00:56:40,260

corrected but I think he's just a very

1119

00:56:45,770 --> 00:56:42,840

successful guy and truth be told

1120

00:56:48,620 --> 00:56:45,780

TTS a and and that corporation the

1121

00:56:50,570 --> 00:56:48,630

corporation intent with trying to raise

1122

00:56:53,240 --> 00:56:50,580

fifty million dollars on the first

1123

00:56:55,340 --> 00:56:53,250

offering and I thought it was two and a

1124

00:56:56,870 --> 00:56:55,350

half million but from what I understand

1125

00:56:59,000 --> 00:56:56,880

from the SEC filings it was only about a

1126

00:57:01,970 --> 00:56:59,010

million and a half right so so they're

1127

00:57:03,530 --> 00:57:01,980

wildly off target there and then here we

1128

00:57:05,690 --> 00:57:03,540

are you know approaching two years later

1129

00:57:08,540 --> 00:57:05,700

they're doing another round of of trying

1130

00:57:11,960 --> 00:57:08,550

to raise third thirty million I believe

1131

00:57:14,000 --> 00:57:11,970

it is and in I I don't think that

1132

00:57:17,120 --> 00:57:14,010

they'll raise as much money I honestly

1133

00:57:19,760 --> 00:57:17,130

don't I think that the momentum is gone

1134

00:57:22,730 --> 00:57:19,770

I believe that they have not delivered

1135

00:57:25,730 --> 00:57:22,740

based on the first round and so I think

1136

00:57:27,470 --> 00:57:25,740

come the SEC filings I'm I'm kind of a

1137

00:57:29,990 --> 00:57:27,480

betting man I would probably bet that

1138

00:57:32,600 --> 00:57:30,000

they won't do as good for their sake you

1139

00:57:34,730 --> 00:57:32,610

know hey I'm I'm a business owner myself

1140

00:57:36,260 --> 00:57:34,740

if they're trying to do a business and

1141

00:57:38,180 --> 00:57:36,270

this is how they're gonna raise money I

1142

00:57:39,920 --> 00:57:38,190

wish them all the best of luck but I

1143

00:57:42,260 --> 00:57:39,930

just don't think people are gonna start

1144

00:57:44,840 --> 00:57:42,270

shelling out the money because what have

1145

00:57:49,040 --> 00:57:44,850

we really received at the end of the day

1146

00:57:52,280 --> 00:57:49,050

a lot of promises a lot of broken

1147

00:57:56,000 --> 00:57:52,290

promises but but really not substance

1148

00:57:57,740 --> 00:57:56,010

not content not context we're missing a

1149

00:57:59,570 --> 00:57:57,750

lot and I think people are starting to

1150

00:58:02,480 --> 00:57:59,580

catch on and if you don't believe me

1151
00:58:04,940 --> 00:58:02,490
check social media because it's not the

1152
00:58:08,480 --> 00:58:04,950
puppies and rainbows that it used to be

1153
00:58:10,370 --> 00:58:08,490
October November December of 2017 when

1154
00:58:11,900 --> 00:58:10,380
they would put out something it's

1155
00:58:14,630 --> 00:58:11,910
changed a little bit and people are

1156
00:58:16,130 --> 00:58:14,640
getting tired of the teases and the hey

1157
00:58:18,680 --> 00:58:16,140
wait I've got something big coming

1158
00:58:20,540 --> 00:58:18,690
invest here and we can do some tests

1159
00:58:21,920 --> 00:58:20,550
well it's like well what happened to the

1160
00:58:24,950 --> 00:58:21,930
million and a half that you first did

1161
00:58:28,520 --> 00:58:24,960
and as you pointed out marketing and

1162
00:58:30,740 --> 00:58:28,530
t-shirts and coffee mugs and you know I

1163
00:58:34,970 --> 00:58:30,750

mean that's that's hurtful to the bottom

1164

00:58:36,170 --> 00:58:34,980

line so hey if they're out to raise the

1165

00:58:38,030 --> 00:58:36,180

money and they're trying to make this a

1166

00:58:41,810 --> 00:58:38,040

business I wish them the best of luck

1167

00:58:43,490 --> 00:58:41,820

well you know Tom his talent and

1168

00:58:46,640 --> 00:58:43,500

everything else he got this thing off

1169

00:58:48,860 --> 00:58:46,650

the ground to TSA has launched he's a

1170

00:58:51,610 --> 00:58:48,870

creative guy and if that's what he you

1171

00:58:53,410 --> 00:58:51,620

know he needs to get into the

1172

00:58:55,870 --> 00:58:53,420

and play guitar and write songs and

1173

00:58:57,580 --> 00:58:55,880

Angels and Airwaves and do all of that

1174

00:59:00,250 --> 00:58:57,590

create that's that's where his heart

1175

00:59:06,220 --> 00:59:00,260

lies and and he needs to go and do that

1176

00:59:08,920 --> 00:59:06,230

but who replaces him and what what if in

1177

00:59:12,190 --> 00:59:08,930

in your estimation we've got two minutes

1178

00:59:17,320 --> 00:59:12,200

John before the break if it's Jim semi

1179

00:59:20,980 --> 00:59:17,330

van a 25 year CIA veteran does that does

1180

00:59:23,440 --> 00:59:20,990

that make to the stars Academy a CIA

1181

00:59:26,200 --> 00:59:23,450

front company at that point where you

1182

00:59:28,660 --> 00:59:26,210

don't even have a an actual civilian

1183

00:59:32,970 --> 00:59:28,670

anywhere on the staff anymore it's it's

1184

00:59:35,920 --> 00:59:32,980

all counterintelligence DoD and CIA I

1185

00:59:38,350 --> 00:59:35,930

wouldn't be ready to just quite say it

1186

00:59:41,170 --> 00:59:38,360

that strongly but I would say that

1187

00:59:43,480 --> 00:59:41,180

that's a lot of CIA people and once

1188

00:59:45,580 --> 00:59:43,490

you're trained at that level you you

1189

00:59:47,650 --> 00:59:45,590

can't really teach an old dog new tricks

1190

00:59:50,740 --> 00:59:47,660

and so it's probably gonna operate like

1191

00:59:52,210 --> 00:59:50,750

one so again I'm not ready to say that

1192

00:59:54,430 --> 00:59:52,220

you know this is tied to the government

1193

00:59:57,100 --> 00:59:54,440

and there's some kind of sinister CIA

1194

00:59:59,500 --> 00:59:57,110

objective but but it probably would be

1195

01:00:00,220 --> 00:59:59,510

run like one I mean I wouldn't argue

1196

01:00:05,590 --> 01:00:00,230

that point

1197

01:00:09,030 --> 01:00:05,600

well perception theatrics is half of the

1198

01:00:12,070 --> 01:00:09,040

sale and if that perception is CIA

1199

01:00:17,230 --> 01:00:12,080

National counterintelligence you know

1200

01:00:20,380 --> 01:00:17,240

agents Department of Defense the DIA

1201

01:00:23,350 --> 01:00:20,390

and that is your staff what other

1202

01:00:25,390 --> 01:00:23,360

conclusions can one come to I'm only

1203

01:00:27,370 --> 01:00:25,400

basing it on the facts I'm not I'm not

1204

01:00:28,480 --> 01:00:27,380

going down a conspiracy to you know

1205

01:00:32,590 --> 01:00:28,490

rabbit hole here

1206

01:00:35,050 --> 01:00:32,600

I'm just looking at everybody's CV and

1207

01:00:38,170 --> 01:00:35,060

and you can't argue it on the contrary

1208

01:00:41,170 --> 01:00:38,180

though where I would place a quick guess

1209

01:00:45,430 --> 01:00:41,180

here in the next year maybe 18 months

1210

01:00:47,920 --> 01:00:45,440

instead of some of those figures moving

1211

01:00:50,920 --> 01:00:47,930

up to CEO in my opinion I think you're

1212

01:00:52,560 --> 01:00:50,930

gonna see one of them drop off I think I

1213

01:00:54,910 --> 01:00:52,570

think it's gonna start to fall apart

1214

01:00:57,490 --> 01:00:54,920

could be let's take a break right here

1215

01:01:00,670 --> 01:00:57,500

this is fade to black we're talking

1216

01:01:03,130 --> 01:01:00,680

about disinformation that's what I'm

1217

01:01:04,900 --> 01:01:03,140

talking it's a crazy situation that we

1218

01:01:07,090 --> 01:01:04,910

find ourselves in these days

1219

01:01:09,610 --> 01:01:07,100

fade to black I'm your semi church our

1220

01:01:12,910 --> 01:01:09,620

guest is John Greenwald of the black

1221

01:01:14,410 --> 01:01:12,920

bolts on the GameChanger network in kg

1222

01:01:17,810 --> 01:01:14,420

re the planet we'll be right back stay

1223

01:01:56,660 --> 01:01:52,480

[Music]

1224

01:02:02,670 --> 01:01:59,039

welcome back fade to black I am your

1225

01:02:08,180 --> 01:02:02,680

host Jimmy Church talking about

1226

01:02:11,219 --> 01:02:08,190

disinformation CIA counterintelligence

1227

01:02:18,180 --> 01:02:11,229

what is actually going on today and John

1228

01:02:21,779 --> 01:02:18,190

when I look at the T TSA how do I say

1229

01:02:28,099 --> 01:02:21,789

talent I'm gonna go a Talon here we've

1230

01:02:32,519 --> 01:02:28,109

got a company that is allegedly

1231

01:02:35,459 --> 01:02:32,529

developing alien technology to move into

1232

01:02:36,599 --> 01:02:35,469

the private sector for profit that

1233

01:02:39,180 --> 01:02:36,609

sounds great

1234

01:02:41,910 --> 01:02:39,190

any gravity airliners I'm down for that

1235

01:02:46,589 --> 01:02:41,920

flying cars right teleportation

1236

01:02:49,259 --> 01:02:46,599

I need a warp drive on my electric bike

1237

01:02:53,940 --> 01:02:49,269

alright so yeah I I'm down for that

1238

01:02:55,920 --> 01:02:53,950

why do we need out of you know the top

1239

01:03:00,209 --> 01:02:55,930

ten here on their list why do you need

1240

01:03:03,140 --> 01:03:00,219

three national security advisors yeah

1241

01:03:05,910 --> 01:03:03,150

the the titles for everybody are fairly

1242

01:03:08,239 --> 01:03:05,920

confusing I mean I think that it

1243

01:03:10,799 --> 01:03:08,249

warrants a little bit of an explanation

1244

01:03:14,339 --> 01:03:10,809

from to the Stars Academy now I'm not a

1245

01:03:16,079 --> 01:03:14,349

stockholder so maybe in their in their

1246

01:03:17,700 --> 01:03:16,089

meetings that they have I believe that

1247

01:03:19,890 --> 01:03:17,710

they have like shareholder meetings and

1248

01:03:22,769 --> 01:03:19,900

and stuff maybe they've explained it but

1249

01:03:25,709 --> 01:03:22,779

it just doesn't make sense I mean the

1250

01:03:27,599 --> 01:03:25,719

the director of global security or

1251

01:03:29,940 --> 01:03:27,609

whatever it is for Lewis Elizondo like

1252

01:03:33,299 --> 01:03:29,950

what is he securing on a global scale

1253

01:03:34,849 --> 01:03:33,309

like what Ill just there's there's a lot

1254

01:03:36,900 --> 01:03:34,859

of things that I just don't get there

1255

01:03:38,459 --> 01:03:36,910

that makes you kind of scratch your head

1256

01:03:40,349 --> 01:03:38,469

and go well what did these guys do in

1257

01:03:43,950 --> 01:03:40,359

are they making up titles as they go or

1258

01:03:47,789 --> 01:03:43,960

or what and I really just don't know I

1259

01:03:50,940 --> 01:03:47,799

mean why have dr. norm Khan his job

1260

01:03:54,150 --> 01:03:50,950

title is national security and he's a 30

1261

01:03:57,599 --> 01:03:54,160

year CIA veteran you know he's got the

1262

01:04:01,109 --> 01:03:57,609

CIA's distinguished career intelligence

1263

01:04:05,029 --> 01:04:01,119

medal full-on spook right that's it

1264

01:04:08,610 --> 01:04:05,039

that's it he's a full-on spy versus spy

1265

01:04:12,150 --> 01:04:08,620

spook what what is he do

1266

01:04:15,360 --> 01:04:12,160

as an employee head to the stars Academy

1267

01:04:18,030 --> 01:04:15,370

yeah I mean he's listed as a member of

1268

01:04:20,630 --> 01:04:18,040

the advisory panel so my sarcastic

1269

01:04:24,690 --> 01:04:20,640

answer would be he's advising but

1270

01:04:26,220 --> 01:04:24,700

advising what like what okay there's a

1271

01:04:30,000 --> 01:04:26,230

lot of argument that they are the ones

1272

01:04:32,850 --> 01:04:30,010

that orchestrated the congressional

1273

01:04:34,820 --> 01:04:32,860

hearings and I am I am saying that with

1274

01:04:38,040 --> 01:04:34,830

air quotes even though you can't see me

1275

01:04:40,680 --> 01:04:38,050

because I'm I'm still trying to figure

1276

01:04:44,730 --> 01:04:40,690

out if there was really any hearing or

1277

01:04:47,760 --> 01:04:44,740

if some of these pilots had met justjust

1278

01:04:50,370 --> 01:04:47,770

in an office and potentially just met

1279

01:04:52,290 --> 01:04:50,380

with a congressman did t TSA play a role

1280

01:04:54,320 --> 01:04:52,300

in that they're telling you that they

1281

01:04:56,730 --> 01:04:54,330

are and quite possibly maybe they did

1282

01:05:01,710 --> 01:04:56,740

but when people are arguing about the

1283

01:05:03,600 --> 01:05:01,720

successes of T TSA they're only basing

1284

01:05:05,630 --> 01:05:03,610

it off of what T TSA is telling you and

1285

01:05:08,370 --> 01:05:05,640

I don't know what role some of these

1286

01:05:11,400 --> 01:05:08,380

advisors are playing for example like

1287

01:05:14,820 --> 01:05:11,410

dr. Cohn that you that you just asked me

1288

01:05:17,040 --> 01:05:14,830

about or Chris melon who's probably the

1289

01:05:19,020 --> 01:05:17,050

one that's most influential out of

1290

01:05:21,750 --> 01:05:19,030

everybody that if they really did

1291

01:05:23,100 --> 01:05:21,760

achieve all of this it was him but a lot

1292

01:05:24,870 --> 01:05:23,110

of these names that are listed on the

1293

01:05:27,540 --> 01:05:24,880

website with these fancy titles

1294

01:05:30,170 --> 01:05:27,550

I mean I've haven't heard of some of

1295

01:05:32,730 --> 01:05:30,180

these guys other than them just being

1296

01:05:35,820 --> 01:05:32,740

advisors you know and and they're not

1297

01:05:37,350 --> 01:05:35,830

playing a role in anything so again I

1298

01:05:39,780 --> 01:05:37,360

mean I don't pretend to know about the

1299

01:05:41,400 --> 01:05:39,790

inner workings of their corporation but

1300

01:05:43,680 --> 01:05:41,410

it does make you scratch your head on

1301

01:05:45,810 --> 01:05:43,690

why would you have that the brain

1302

01:05:49,830 --> 01:05:45,820

function and consciousness consultant

1303

01:05:51,810 --> 01:05:49,840

yes you know like what yeah exactly like

1304

01:05:54,660 --> 01:05:51,820

what are they doing here the only thing

1305

01:05:57,840 --> 01:05:54,670

if I were to make an educated guess that

1306

01:06:01,680 --> 01:05:57,850

these players these advisors were all

1307

01:06:04,650 --> 01:06:01,690

set up and put in line that I think they

1308

01:06:07,050 --> 01:06:04,660

probably thought TTS a thought that come

1309

01:06:08,880 --> 01:06:07,060

that streamed live stream press

1310

01:06:10,980 --> 01:06:08,890

conference that they were going to

1311

01:06:13,620 --> 01:06:10,990

achieve that 50 million dollars right

1312

01:06:15,720 --> 01:06:13,630

away and that would be divvied up to

1313

01:06:18,390 --> 01:06:15,730

their three divisions where they were

1314

01:06:21,230 --> 01:06:18,400

really going to take the next step to

1315

01:06:24,260 --> 01:06:21,240

make those three divisions

1316

01:06:26,980 --> 01:06:24,270

work and as a business model again

1317

01:06:29,240 --> 01:06:26,990

taking my myself away from any

1318

01:06:31,520 --> 01:06:29,250

reservation or thoughts that I have I

1319

01:06:34,070 --> 01:06:31,530

don't think that that was really a bad

1320

01:06:37,310 --> 01:06:34,080

idea because that 50 million dollars

1321

01:06:39,350 --> 01:06:37,320

invested into let's say highly advanced

1322

01:06:41,660 --> 01:06:39,360

aerospace technology and stuff like that

1323

01:06:44,720 --> 01:06:41,670

if they have the right people aboard if

1324

01:06:47,000 --> 01:06:44,730

they play their cards right they really

1325

01:06:49,340 --> 01:06:47,010

could have been a contender maybe in the

1326

01:06:51,620 --> 01:06:49,350

next 5 or 10 years with the Richard

1327

01:06:53,720 --> 01:06:51,630

Branson's and the Elon Musk's that's a

1328

01:06:55,940 --> 01:06:53,730

stretch and it's a gamble but I think

1329

01:06:58,520 --> 01:06:55,950

that that was the intent when you fall

1330

01:07:00,050 --> 01:06:58,530

flat then on the investment then the

1331

01:07:02,810 --> 01:07:00,060

question is well you just brought all

1332

01:07:05,420 --> 01:07:02,820

these advisors on board you know and and

1333

01:07:06,710 --> 01:07:05,430

so what do you do do you just say well

1334

01:07:08,720 --> 01:07:06,720

sorry I'm gonna delete you from the

1335

01:07:11,900 --> 01:07:08,730

website now or just kind of keep them

1336

01:07:14,810 --> 01:07:11,910

around in hopes that round number 2 will

1337

01:07:16,250 --> 01:07:14,820

get you the money that you need and so

1338

01:07:19,340 --> 01:07:16,260

maybe that's why we're still seeing

1339

01:07:22,280 --> 01:07:19,350

these names because brain function and

1340

01:07:24,560 --> 01:07:22,290

consciousness consulting it will play a

1341

01:07:26,450 --> 01:07:24,570

role in something that you know maybe we

1342

01:07:27,470 --> 01:07:26,460

haven't thought of yet here here's one

1343

01:07:29,570 --> 01:07:27,480

thing I want to throw out about the

1344

01:07:31,160 --> 01:07:29,580

money because I before you switch gears

1345

01:07:33,020 --> 01:07:31,170

but the one thing I want to throw out

1346

01:07:35,599 --> 01:07:33,030

about the money that not many people

1347

01:07:38,359 --> 01:07:35,609

talk about that I think is incredibly

1348

01:07:40,490 --> 01:07:38,369

important is that the core of what T TSA

1349

01:07:43,130 --> 01:07:40,500

is trying to achieve which which on some

1350

01:07:46,849 --> 01:07:43,140

of it I do actually don't disagree with

1351

01:07:48,500 --> 01:07:46,859

I support it if they really were doing

1352

01:07:51,320 --> 01:07:48,510

something that they wanted to benefit

1353

01:07:53,359 --> 01:07:51,330

the public if we take two of the players

1354

01:07:55,970 --> 01:07:53,369

that you have already named in this show

1355

01:07:57,710 --> 01:07:55,980

Chris Mellon and Tom DeLonge Mellon

1356

01:08:00,500 --> 01:07:57,720

comes from a very successful family I

1357

01:08:01,310 --> 01:08:00,510

was curious I looked it up that family

1358

01:08:03,730 --> 01:08:01,320

is worth

1359

01:08:06,530 --> 01:08:03,740

according to Forbes eleven and a half

1360

01:08:09,920 --> 01:08:06,540

billion dollars with a B that's right

1361

01:08:12,800 --> 01:08:09,930

now I've tried to look for a accurate

1362

01:08:15,440 --> 01:08:12,810

net worth of Tom DeLonge I get anywhere

1363

01:08:16,789 --> 01:08:15,450

from 54 if excuse me 40 to 80 million

1364

01:08:19,269 --> 01:08:16,799

dollars somewhere around there let's

1365

01:08:21,499 --> 01:08:19,279

just say it's 40 that's a lot of money

1366

01:08:24,019 --> 01:08:21,509

single-handedly while double handedly

1367

01:08:26,390 --> 01:08:24,029

between those two gentlemen they could

1368

01:08:29,450 --> 01:08:26,400

make this organization based off of

1369

01:08:31,099 --> 01:08:29,460

money from you know if if Chris doesn't

1370

01:08:33,680 --> 01:08:31,109

have it you can call an uncle or a

1371

01:08:34,760 --> 01:08:33,690

cousin or whomever and say hey look

1372

01:08:37,370 --> 01:08:34,770

here's a

1373

01:08:39,260 --> 01:08:37,380

viable investment opportunity let's do

1374

01:08:41,990 --> 01:08:39,270

this let's make it work and they could

1375

01:08:44,120 --> 01:08:42,000

have made it work in like a day you know

1376

01:08:46,610 --> 01:08:44,130

I mean this the theatrics to do this

1377

01:08:48,590 --> 01:08:46,620

public benefit corporation and solicit

1378

01:08:51,019 --> 01:08:48,600

money from the public that's all well

1379

01:08:53,870 --> 01:08:51,029

and good if it worked it didn't work so

1380

01:08:56,269 --> 01:08:53,880

now fast forward instead of switching

1381

01:08:58,880 --> 01:08:56,279

the way that they're going to finance

1382

01:09:01,610 --> 01:08:58,890

this they kind of double down on these

1383

01:09:04,700 --> 01:09:01,620

broken promises and say hey look here's

1384

01:09:07,329 --> 01:09:04,710

a piece of metal and in their press

1385

01:09:09,440 --> 01:09:07,339

release this to me boggled my mind a

1386

01:09:12,170 --> 01:09:09,450

scientific announcement that they

1387

01:09:14,269 --> 01:09:12,180

acquired a meta material and they put

1388

01:09:16,039 --> 01:09:14,279

this press release out there and the

1389

01:09:18,289 --> 01:09:16,049

press release uses a photo of a

1390

01:09:22,099 --> 01:09:18,299

earth-based mineral known as malachite

1391

01:09:24,890 --> 01:09:22,109

now I tweeted that out and there's a

1392

01:09:28,610 --> 01:09:24,900

stock footage house that actually has

1393

01:09:30,320 --> 01:09:28,620

the exact photo that they used for their

1394

01:09:33,680 --> 01:09:30,330

press release about this scientific

1395

01:09:36,380 --> 01:09:33,690

breakthrough acquisition and for me you

1396

01:09:38,809 --> 01:09:36,390

know that is telling why would you not

1397

01:09:40,700 --> 01:09:38,819

use a picture of what you have and then

1398

01:09:42,050 --> 01:09:40,710

I think and I'm not gonna take credit I

1399

01:09:44,570 --> 01:09:42,060

wasn't the first one that figured it out

1400

01:09:47,390 --> 01:09:44,580

but I tweeted it out and said look at

1401

01:09:49,280 --> 01:09:47,400

this this is ridiculous it gained a

1402

01:09:50,809 --> 01:09:49,290

little bit of traction so they were

1403

01:09:53,360 --> 01:09:50,819

publishing the photos of the

1404

01:09:55,610 --> 01:09:53,370

metamaterial in hopes to I guess squash

1405

01:09:58,820 --> 01:09:55,620

the public reaction of why are you guys

1406

01:10:01,520 --> 01:09:58,830

showing a rock ya know like show what

1407

01:10:05,140 --> 01:10:01,530

you actually have and that is all

1408

01:10:08,030 --> 01:10:05,150

playing a role I think in this secrecy

1409

01:10:09,590 --> 01:10:08,040

covert agenda that is paving the way to

1410

01:10:12,590 --> 01:10:09,600

make you scratch your head and go is

1411

01:10:16,070 --> 01:10:12,600

this a CIA op why would they do that

1412

01:10:19,280 --> 01:10:16,080

they could fund all of this with their

1413

01:10:21,200 --> 01:10:19,290

board members easy yet they don't they

1414

01:10:22,910 --> 01:10:21,210

could show us these scientific

1415

01:10:25,190 --> 01:10:22,920

breakthroughs that they've acquired

1416

01:10:27,350 --> 01:10:25,200

right they have this elaborate press

1417

01:10:29,270 --> 01:10:27,360

release but all they did was they got

1418

01:10:31,250 --> 01:10:29,280

the medal like there was no testing

1419

01:10:33,140 --> 01:10:31,260

there was no nothing so they made it

1420

01:10:36,100 --> 01:10:33,150

seem like something it was not for round

1421

01:10:38,000 --> 01:10:36,110

2 of funding I just don't get that then

1422

01:10:39,620 --> 01:10:38,010

those are the things that need to change

1423

01:10:42,790 --> 01:10:39,630

they're not going to be able to do

1424

01:10:48,069 --> 01:10:42,800

anything i watch it again for clarity

1425

01:10:50,709 --> 01:10:48,079

this photograph on their website

1426

01:10:52,479 --> 01:10:50,719

the metamaterials press release yeah

1427

01:10:55,620 --> 01:10:52,489

you're saying that this photograph that

1428

01:10:59,319 --> 01:10:55,630

I'm looking at here is a stock photo

1429

01:11:02,310 --> 01:10:59,329

yeah so if you go to you know deep deep

1430

01:11:06,010 --> 01:11:02,320

deep EO down to the stars academy.com

1431

01:11:09,069 --> 01:11:06,020

/blog so that's key and I'll tell you

1432

01:11:13,919 --> 01:11:09,079

why in a second so go to /blog the top

1433

01:11:16,870 --> 01:11:13,929

one July 25th 2019 that is malachite and

1434

01:11:18,220 --> 01:11:16,880

my twitter account has it I posted it a

1435

01:11:21,040 --> 01:11:18,230

day or two ago

1436

01:11:24,729 --> 01:11:21,050

shameless plug it's black vault co and

1437

01:11:27,189 --> 01:11:24,739

black vault comm right and Minh and I

1438

01:11:29,500 --> 01:11:27,199

link over to the Shutterstock stock

1439

01:11:32,500 --> 01:11:29,510

photo of malachite now I was born and

1440

01:11:34,030 --> 01:11:32,510

raised in Iraq and gem Club and and I

1441

01:11:35,260 --> 01:11:34,040

laugh only because I had a lot of fun in

1442

01:11:37,270 --> 01:11:35,270

it it was very cool you learn a lot

1443

01:11:39,879 --> 01:11:37,280

about rocks and gems and minerals and

1444

01:11:42,100 --> 01:11:39,889

stuff like that so malachite is

1445

01:11:44,770 --> 01:11:42,110

something that I've seen since I was a

1446

01:11:46,899 --> 01:11:44,780

wee little lad when my mom and dad would

1447

01:11:49,209 --> 01:11:46,909

take me to these meetings so it doesn't

1448

01:11:51,280 --> 01:11:49,219

take a you know a scientist to figure

1449

01:11:52,959 --> 01:11:51,290

out like hey wait a minute not only is

1450

01:11:55,149 --> 01:11:52,969

that not a minute metamaterial but why

1451

01:11:57,339 --> 01:11:55,159

are you why are you editing a stock

1452

01:11:57,700 --> 01:11:57,349

photo of malachite and putting that out

1453

01:11:59,530 --> 01:11:57,710

there

1454

01:12:02,290 --> 01:11:59,540

so I linked to the direct mint you can

1455

01:12:04,180 --> 01:12:02,300

match it up it is 100% a match and

1456

01:12:07,750 --> 01:12:04,190

that's what they are putting out there

1457

01:12:09,490 --> 01:12:07,760

so that that's worrisome and as you know

1458

01:12:10,060 --> 01:12:09,500

I mean you've interviewed me a couple of

1459

01:12:12,970 --> 01:12:10,070

times

1460

01:12:16,209 --> 01:12:12,980

I never harped on TTS a in the beginning

1461

01:12:19,419 --> 01:12:16,219

about number one using a picture of a

1462

01:12:22,299 --> 01:12:19,429

mylar balloon that was debunked years

1463

01:12:23,770 --> 01:12:22,309

ago as a representation of the tic-tac

1464

01:12:28,839 --> 01:12:23,780

right and their original thing I never

1465

01:12:30,640 --> 01:12:28,849

brought that up mistakes happen I did so

1466

01:12:33,970 --> 01:12:30,650

but I mean I'd my gripes were elsewhere

1467

01:12:36,040 --> 01:12:33,980

yes now but now it's it's now it's it's

1468

01:12:37,839 --> 01:12:36,050

more important to me because now then

1469

01:12:40,810 --> 01:12:37,849

you had Lewis Elizondo standing in front

1470

01:12:43,959 --> 01:12:40,820

of a world audience in Italy and giving

1471

01:12:47,140 --> 01:12:43,969

a presentation and points to a CGI a

1472

01:12:49,270 --> 01:12:47,150

still frame from an animation and I knew

1473

01:12:53,020 --> 01:12:49,280

it right away because I had licensed it

1474

01:12:54,640 --> 01:12:53,030

years ago for a documentary I did for

1475

01:12:56,350 --> 01:12:54,650

History Channel but I'm not the only one

1476

01:12:58,899 --> 01:12:56,360

this thing has been used and reused a

1477

01:13:01,330 --> 01:12:58,909

hundred times over and he points to it

1478

01:13:01,840 --> 01:13:01,340

he says this is an exact photo of a

1479

01:13:04,720 --> 01:13:01,850

nineteen

1480

01:13:07,480 --> 01:13:04,730

of the 1952 Washington sightings over

1481

01:13:10,660 --> 01:13:07,490

the Capitol building no it was CGI and

1482

01:13:14,050 --> 01:13:10,670

only that Nazi when he did that this is

1483

01:13:18,240 --> 01:13:14,060

what bothered me most about that John is

1484

01:13:20,860 --> 01:13:18,250

that any anybody in the UFO community

1485

01:13:24,550 --> 01:13:20,870

knows that there were no photographs

1486

01:13:27,310 --> 01:13:24,560

from 1952 everybody knows that that was

1487

01:13:31,180 --> 01:13:27,320

a picture of reflected parking lot

1488

01:13:34,090 --> 01:13:31,190

lights and it was used for a film post

1489

01:13:35,830 --> 01:13:34,100

or a movie post if you know was the

1490

01:13:38,890 --> 01:13:35,840

cover of fate magazine or whatever it

1491

01:13:41,590 --> 01:13:38,900

but we all know this and when he said

1492

01:13:43,990 --> 01:13:41,600

that I thought to myself here's a guy

1493

01:13:45,250 --> 01:13:44,000

that doesn't know the facts and he

1494

01:13:49,570 --> 01:13:45,260

doesn't know what he's talking about

1495

01:13:51,880 --> 01:13:49,580

yeah and and that that combined with the

1496

01:13:53,490 --> 01:13:51,890

mylar balloon and now this metamaterials

1497

01:13:56,770 --> 01:13:53,500

photograph which I didn't know about

1498

01:13:59,500 --> 01:13:56,780

yeah this it's just how much more stuff

1499

01:14:01,690 --> 01:13:59,510

can we pile up on this load of crap yeah

1500

01:14:03,400 --> 01:14:01,700

and and that's that to me is where then

1501

01:14:04,900 --> 01:14:03,410

all of a sudden all of this is starting

1502

01:14:06,880 --> 01:14:04,910

to make a little bit more sense it

1503

01:14:08,590 --> 01:14:06,890

becomes more important because again I

1504

01:14:10,630 --> 01:14:08,600

do I want to drive the point home that

1505

01:14:13,210 --> 01:14:10,640

even though I had a lot of red flags I

1506

01:14:15,250 --> 01:14:13,220

gave them some leeway I tried to cut

1507

01:14:17,680 --> 01:14:15,260

some slack and and give benefits of the

1508

01:14:18,160 --> 01:14:17,690

doubt that that was a mistake that was a

1509

01:14:22,240 --> 01:14:18,170

mistake

1510

01:14:24,520 --> 01:14:22,250

make before you have to ask the question

1511

01:14:27,340 --> 01:14:24,530

okay what are you guys doing you know

1512

01:14:29,830 --> 01:14:27,350

there's there's a phrase that a lot I

1513

01:14:31,990 --> 01:14:29,840

call them the TTS a superfans

1514

01:14:33,700 --> 01:14:32,000

that is thrown around a lot while the

1515

01:14:35,050 --> 01:14:33,710

UFO community is in their target so who

1516

01:14:37,210 --> 01:14:35,060

cares what John Greenwald or Jimmy

1517

01:14:39,130 --> 01:14:37,220

Church or whomever says they're there

1518

01:14:40,720 --> 01:14:39,140

above and beyond that right I don't know

1519

01:14:43,270 --> 01:14:40,730

if that's an official stance or not but

1520

01:14:45,700 --> 01:14:43,280

a lot of the a lot of people that fire

1521

01:14:47,740 --> 01:14:45,710

shots at me will will say that well

1522

01:14:49,690 --> 01:14:47,750

there has to be a point where you care

1523

01:14:51,250 --> 01:14:49,700

about what you're telling your people no

1524

01:14:54,130 --> 01:14:51,260

matter what community you're targeting

1525

01:14:57,460 --> 01:14:54,140

and when you when you have these many

1526

01:14:59,920 --> 01:14:57,470

blunders it makes you ask that question

1527

01:15:02,620 --> 01:14:59,930

what is your intent are you trying to

1528

01:15:05,260 --> 01:15:02,630

mislead why don't you show a real photo

1529

01:15:08,050 --> 01:15:05,270

of your metamaterial why would you just

1530

01:15:12,070 --> 01:15:08,060

put this major press release out to help

1531

01:15:14,260 --> 01:15:12,080

fund you know to help entice investments

1532

01:15:15,580 --> 01:15:14,270

into your corporation not only use the

1533

01:15:18,460 --> 01:15:15,590

wrong photograph but

1534

01:15:21,640 --> 01:15:18,470

on top of that not have anything of

1535

01:15:24,310 --> 01:15:21,650

substance right I mean you'd at least be

1536

01:15:26,290 --> 01:15:24,320

able to take this piece of metal go to a

1537

01:15:30,730 --> 01:15:26,300

lab you've raised a million and a half

1538

01:15:32,380 --> 01:15:30,740

dollars you you've got a an advisor cut

1539

01:15:35,320 --> 01:15:32,390

who comes from a family that's worth 11

1540

01:15:38,170 --> 01:15:35,330

and a half billion your CEO has either

1541

01:15:40,000 --> 01:15:38,180

forty to eighty million dollars go out

1542

01:15:43,330 --> 01:15:40,010

there to a major university take your

1543

01:15:45,820 --> 01:15:43,340

piece expedite a test if you're that

1544

01:15:48,700 --> 01:15:45,830

confident in it and that's your press

1545

01:15:51,910 --> 01:15:48,710

release Yeah right that that's something

1546

01:15:54,400 --> 01:15:51,920

worthy but instead this this shroud of

1547

01:15:56,830 --> 01:15:54,410

secrecy from a public benefit

1548

01:15:59,080 --> 01:15:56,840

corporation who prided themselves on

1549

01:16:01,960 --> 01:15:59,090

ending the secrecy what's up with that

1550

01:16:04,750 --> 01:16:01,970

you know the the fact that they've

1551

01:16:06,430 --> 01:16:04,760

acquired all these UFO pieces and yet

1552

01:16:08,530 --> 01:16:06,440

they won't talk to you about any of them

1553

01:16:10,210 --> 01:16:08,540

it's it's they've just acquired them or

1554

01:16:12,700 --> 01:16:10,220

they're they're working on them well

1555

01:16:14,230 --> 01:16:12,710

that's great that's that's awesome but

1556

01:16:17,710 --> 01:16:14,240

again with the amount of money floating

1557

01:16:19,120 --> 01:16:17,720

around from the advisers and and then

1558

01:16:21,330 --> 01:16:19,130

the board members and people that are

1559

01:16:23,860 --> 01:16:21,340

owners there's enough that could be

1560

01:16:26,560 --> 01:16:23,870

financed on a personal level if you

1561

01:16:30,010 --> 01:16:26,570

really believe in what you've got and

1562

01:16:32,380 --> 01:16:30,020

and I mean in seed and succeed and

1563

01:16:34,650 --> 01:16:32,390

succeed yeah yes and and and hell if

1564

01:16:37,410 --> 01:16:34,660

they brought that out and they had

1565

01:16:39,700 --> 01:16:37,420

irrefutable scientific peer-reviewed

1566

01:16:42,190 --> 01:16:39,710

whatever that showed that there was some

1567

01:16:44,740 --> 01:16:42,200

kind of otherworldly connection to this

1568

01:16:46,450 --> 01:16:44,750

I'll slap down some investment money you

1569

01:16:48,790 --> 01:16:46,460

know I mean if they really went there

1570

01:16:50,770 --> 01:16:48,800

and their science was solid I don't

1571

01:16:53,500 --> 01:16:50,780

think that anybody that has any interest

1572

01:16:56,050 --> 01:16:53,510

in this would not want to invest but

1573

01:16:59,080 --> 01:16:56,060

instead you don't have any of that you

1574

01:17:02,110 --> 01:16:59,090

just have more secrecy more corporate

1575

01:17:04,870 --> 01:17:02,120

shielding and more people that hide

1576

01:17:07,540 --> 01:17:04,880

behind security clearances and don't

1577

01:17:10,660 --> 01:17:07,550

want to answer tough questions and that

1578

01:17:12,640 --> 01:17:10,670

that has been problematic almost from

1579

01:17:16,770 --> 01:17:12,650

the get-go with with with the

1580

01:17:19,120 --> 01:17:16,780

organization and now with the Pentagon

1581

01:17:20,890 --> 01:17:19,130

saying what they did not only against

1582

01:17:22,930 --> 01:17:20,900

mr. Elizondo right let's put that aside

1583

01:17:25,360 --> 01:17:22,940

I'm not sure if you're aware of this or

1584

01:17:28,000 --> 01:17:25,370

not but about a month ago I was really

1585

01:17:29,080 --> 01:17:28,010

researching hard the videos themselves

1586

01:17:32,200 --> 01:17:29,090

right so I

1587

01:17:35,080 --> 01:17:32,210

took all the players away from my

1588

01:17:37,959 --> 01:17:35,090

research angle all of TTS a I just

1589

01:17:41,050 --> 01:17:37,969

focused on the videos and not only found

1590

01:17:42,520 --> 01:17:41,060

out irrefutably I mean like no one's

1591

01:17:45,070 --> 01:17:42,530

been able to come up with any kind of

1592

01:17:48,370 --> 01:17:45,080

counter to this those three videos that

1593

01:17:51,040 --> 01:17:48,380

T TSA released they're not cleared for

1594

01:17:53,560 --> 01:17:51,050

public release at all they were not

1595

01:17:55,959 --> 01:17:53,570

officially Declassified like as being

1596

01:17:58,479 --> 01:17:55,969

told to us I have official statements

1597

01:18:01,149 --> 01:17:58,489

from the Pentagon stating such right now

1598

01:18:02,680 --> 01:18:01,159

people say the Pentagon lies fine then

1599

01:18:04,600 --> 01:18:02,690

let's prove them wrong but there's no

1600

01:18:07,419 --> 01:18:04,610

evidence to support that the Pentagon is

1601

01:18:09,700 --> 01:18:07,429

wrong that being said they also in a

1602

01:18:13,479 --> 01:18:09,710

statement later on to me which is all

1603

01:18:17,020 --> 01:18:13,489

verifiable named to the Stars Academy by

1604

01:18:19,810 --> 01:18:17,030

name and the New York Times that they

1605

01:18:22,570 --> 01:18:19,820

were not allowed or cleared to show

1606

01:18:26,200 --> 01:18:22,580

those videos so the story that we've

1607

01:18:28,959 --> 01:18:26,210

been told about these videos is flawed

1608

01:18:31,870 --> 01:18:28,969

from the get-go and then when you add in

1609

01:18:34,629 --> 01:18:31,880

what's called a DD Form 1910 mm-hmm what

1610

01:18:36,129 --> 01:18:34,639

that what that is is instead of going

1611

01:18:37,780 --> 01:18:36,139

through a Freedom of Information Act

1612

01:18:39,910 --> 01:18:37,790

request right that's something you and I

1613

01:18:42,100 --> 01:18:39,920

can do or what's called an MDR a

1614

01:18:44,439 --> 01:18:42,110

mandatory declassification review that's

1615

01:18:47,320 --> 01:18:44,449

something you and I can do somebody on

1616

01:18:50,350 --> 01:18:47,330

the inside that has a either classified

1617

01:18:52,270 --> 01:18:50,360

or unclassified something and they want

1618

01:18:55,899 --> 01:18:52,280

to what a potentially show it in a slide

1619

01:18:59,020 --> 01:18:55,909

presentation or whatever they fill out a

1620

01:19:01,990 --> 01:18:59,030

DD Form 1910 in fact mr. Elizondo give a

1621

01:19:05,169 --> 01:19:02,000

great rundown of how this happened on

1622

01:19:08,890 --> 01:19:05,179

coast-to-coast am and so the DD Form

1623

01:19:10,870 --> 01:19:08,900

1910 was submitted up until George Knapp

1624

01:19:12,580 --> 01:19:10,880

released the actual document we assumed

1625

01:19:14,919 --> 01:19:12,590

it was mr. Elizondo because he had

1626
01:19:16,990 --> 01:19:14,929
intimate knowledge about how this was

1627
01:19:19,660 --> 01:19:17,000
done yet the name of the requester was

1628
01:19:22,600 --> 01:19:19,670
blacked out but what is more telling

1629
01:19:25,810 --> 01:19:22,610
than all else right aside from the fact

1630
01:19:28,600 --> 01:19:25,820
that the form does not allow or pave the

1631
01:19:31,120 --> 01:19:28,610
way for public release was that the

1632
01:19:33,729 --> 01:19:31,130
three videos were defined as UAVs or

1633
01:19:39,700 --> 01:19:33,739
unidentified are excuse me unmanned

1634
01:19:42,040 --> 01:19:39,710
aerial vehicles balloons or UAS unmanned

1635
01:19:43,029 --> 01:19:42,050
aerial systems the first and the third

1636
01:19:45,490 --> 01:19:43,039
of those

1637
01:19:48,279 --> 01:19:45,500
we are pretty much drones right that's

1638
01:19:50,020 --> 01:19:48,289

an aka drones that's what they mean so

1639

01:19:52,509 --> 01:19:50,030

whomever filled out that form which

1640

01:19:53,740 --> 01:19:52,519

again I thought was mr. Elizondo but if

1641

01:19:54,250 --> 01:19:53,750

they want to black out the name that's

1642

01:19:56,770 --> 01:19:54,260

fine

1643

01:19:58,629 --> 01:19:56,780

whomever filled it out said that those

1644

01:20:01,629 --> 01:19:58,639

three videos that are being told to us

1645

01:20:04,990 --> 01:20:01,639

as some UAP or UFO phenomena and they

1646

01:20:07,779 --> 01:20:05,000

very well may be internally they're

1647

01:20:10,720 --> 01:20:07,789

being labeled as balloons and drones why

1648

01:20:13,509 --> 01:20:10,730

is that nobody's asking that question so

1649

01:20:18,459 --> 01:20:13,519

two things are going on here the public

1650

01:20:21,490 --> 01:20:18,469

is being misled or the agency was misled

1651

01:20:23,589 --> 01:20:21,500

that in itself is an extreme violation I

1652

01:20:26,620 --> 01:20:23,599

won't go into any legal repercussions

1653

01:20:29,770 --> 01:20:26,630

that's not my forte and I'm not going to

1654

01:20:33,250 --> 01:20:29,780

start throwing around legal whatever but

1655

01:20:36,430 --> 01:20:33,260

that is not protocol so someone was

1656

01:20:40,359 --> 01:20:36,440

being lied to and so why I bring up the

1657

01:20:43,600 --> 01:20:40,369

protocol angle is that once that DD form

1658

01:20:46,359 --> 01:20:43,610

1910 goes in reviewers that are away

1659

01:20:49,169 --> 01:20:46,369

from the requester have to look at it's

1660

01:20:51,490 --> 01:20:49,179

called dobbs er they have to look at the

1661

01:20:54,549 --> 01:20:51,500

material that's requested for release

1662

01:20:58,450 --> 01:20:54,559

and based on the information on the form

1663

01:21:01,299 --> 01:20:58,460

and in addition to the description there

1664

01:21:02,890 --> 01:21:01,309

is what's called use and usage and so

1665

01:21:04,120 --> 01:21:02,900

the requester says well I want to use it

1666

01:21:06,250 --> 01:21:04,130

for this or I want to use it for that

1667

01:21:08,649 --> 01:21:06,260

and whomever filled out the form for

1668

01:21:11,939 --> 01:21:08,659

those drones and balloons according to

1669

01:21:14,879 --> 01:21:11,949

them they were only going to use it for

1670

01:21:17,350 --> 01:21:14,889

United States government use only and

1671

01:21:19,509 --> 01:21:17,360

for a database essentially leading

1672

01:21:21,729 --> 01:21:19,519

towards you know aviation safety and

1673

01:21:25,810 --> 01:21:21,739

stuff like that but it was not for

1674

01:21:29,020 --> 01:21:25,820

public release and they needed to adhere

1675

01:21:31,180 --> 01:21:29,030

to what they put on the form because it

1676

01:21:33,459 --> 01:21:31,190

was approved but it was not approved for

1677

01:21:36,609 --> 01:21:33,469

public release because they specifically

1678

01:21:40,839 --> 01:21:36,619

said we are not using it for public

1679

01:21:43,839 --> 01:21:40,849

release now what happens it's cleared it

1680

01:21:46,689 --> 01:21:43,849

within six weeks because the date is on

1681

01:21:49,209 --> 01:21:46,699

the form so do the math within six weeks

1682

01:21:51,640 --> 01:21:49,219

of the dopler process being completed

1683

01:21:53,919 --> 01:21:51,650

and those videos the drones and balloons

1684

01:21:56,629 --> 01:21:53,929

that were only supposed to be used for

1685

01:21:59,600 --> 01:21:56,639

US government use only

1686

01:22:02,149 --> 01:21:59,610

not for public release winds up on the

1687

01:22:03,799 --> 01:22:02,159

new york times and then involved in a

1688

01:22:05,889 --> 01:22:03,809

public benefit corporation where they

1689

01:22:08,209 --> 01:22:05,899

slapped a corporate logo on them and

1690

01:22:12,229 --> 01:22:08,219

tried to get investments based on those

1691

01:22:16,609 --> 01:22:12,239

videos I think that's the definition of

1692

01:22:19,459 --> 01:22:16,619

shady well it feels strange and the

1693

01:22:23,299 --> 01:22:19,469

reason why I mean if it feels strange it

1694

01:22:27,319 --> 01:22:23,309

probably is but where it goes further is

1695

01:22:30,709 --> 01:22:27,329

that the one thing that they based

1696

01:22:35,659 --> 01:22:30,719

everything on was the repeated statement

1697

01:22:39,679 --> 01:22:35,669

that the the the Pentagon has released

1698

01:22:42,830 --> 01:22:39,689

these never-seen-before videos of UFOs

1699

01:22:46,159 --> 01:22:42,840

to the public and it was repeated over

1700

01:22:48,770 --> 01:22:46,169

and over and over and over again and

1701

01:22:53,569 --> 01:22:48,780

what they didn't plan on was getting

1702

01:22:55,429 --> 01:22:53,579

caught and the the UFO community John

1703

01:22:57,919 --> 01:22:55,439

you know as well as anybody if you're

1704

01:23:01,219 --> 01:22:57,929

gonna if you're gonna walk a line a thin

1705

01:23:04,699 --> 01:23:01,229

line and and try to balance yourself and

1706

01:23:07,339 --> 01:23:04,709

and not get caught this UFO community is

1707

01:23:10,069 --> 01:23:07,349

too quick it normally takes a few

1708

01:23:12,350 --> 01:23:10,079

minutes to get something torn apart

1709

01:23:15,709 --> 01:23:12,360

yeah and that's that's what happens here

1710

01:23:20,270 --> 01:23:15,719

the the situation that has gone down

1711

01:23:22,520 --> 01:23:20,280

with t TSA it's not then once it's not

1712

01:23:25,520 --> 01:23:22,530

been twice it wasn't the mylar balloons

1713

01:23:28,100 --> 01:23:25,530

or this metamaterials or the videos or

1714

01:23:30,799 --> 01:23:28,110

these these other mistakes but then

1715

01:23:35,179 --> 01:23:30,809

there's the the situation with Elizondo

1716

01:23:41,649 --> 01:23:35,189

there's aerospace or air aeronautics and

1717

01:23:45,100 --> 01:23:41,659

that question about a tip and and how

1718

01:23:48,469 --> 01:23:45,110

one thing after another where you've got

1719

01:23:51,679 --> 01:23:48,479

the New York Times doing their article

1720

01:23:54,290 --> 01:23:51,689

and when they did that article everybody

1721

01:23:55,639 --> 01:23:54,300

accepted that as gospel what was in the

1722

01:23:58,939 --> 01:23:55,649

New York Times

1723

01:24:02,089 --> 01:23:58,949

it went through legal they they they vet

1724

01:24:04,879 --> 01:24:02,099

everything so all of this must be true

1725

01:24:06,949 --> 01:24:04,889

and so it was taken as biblical fact and

1726

01:24:10,080 --> 01:24:06,959

then it goes across all of the rest of

1727

01:24:12,300 --> 01:24:10,090

mainstream media the story has never

1728

01:24:15,270 --> 01:24:12,310

changed because it was established back

1729

01:24:17,879 --> 01:24:15,280

then now they've gotten caught you know

1730

01:24:20,280 --> 01:24:17,889

one time after another it just seems to

1731

01:24:25,050 --> 01:24:20,290

me like there's must be something legal

1732

01:24:26,850 --> 01:24:25,060

here why why isn't you know why why

1733

01:24:29,520 --> 01:24:26,860

aren't there agencies looking at this

1734

01:24:32,490 --> 01:24:29,530

and questioning what is going on if this

1735

01:24:35,160 --> 01:24:32,500

was coca-cola John they would be called

1736

01:24:39,359 --> 01:24:35,170

out there would be Department of Justice

1737

01:24:41,550 --> 01:24:39,369

ethics people all over this yeah you

1738

01:24:43,770 --> 01:24:41,560

can't you can't do this but why does to

1739

01:24:44,660 --> 01:24:43,780

the Stars get away with this one time

1740

01:24:46,740 --> 01:24:44,670

after another

1741

01:24:49,290 --> 01:24:46,750

let me ask you a quick question not to

1742

01:24:50,910 --> 01:24:49,300

step on you there no and I don't have

1743

01:24:52,800 --> 01:24:50,920

any insider knowledge let me preface it

1744

01:24:58,350 --> 01:24:52,810

by saying this is a genuine question who

1745

01:25:00,750 --> 01:24:58,360

says they're not right I know I know

1746

01:25:02,850 --> 01:25:00,760

isn't that isn't that bizarre

1747

01:25:04,229 --> 01:25:02,860

yeah and and I think that a lot of

1748

01:25:06,089 --> 01:25:04,239

people say well they're they're they're

1749

01:25:06,689 --> 01:25:06,099

they're showing it and nothing has

1750

01:25:09,240 --> 01:25:06,699

happened yet

1751

01:25:10,649 --> 01:25:09,250

well mr. Elizondo and his interviews has

1752

01:25:13,020 --> 01:25:10,659

said multiple times the government's

1753

01:25:14,399 --> 01:25:13,030

very slow with what they do so it is

1754

01:25:15,810 --> 01:25:14,409

quite possible that there is an

1755

01:25:17,910 --> 01:25:15,820

investigation a lot of times these

1756

01:25:20,640 --> 01:25:17,920

things I mean I do a lot of Freedom of

1757

01:25:23,310 --> 01:25:20,650

Information Act requests for Inspector

1758

01:25:26,220 --> 01:25:23,320

General records and I can tell you

1759

01:25:28,830 --> 01:25:26,230

inspector general investigations they

1760

01:25:32,010 --> 01:25:28,840

sometimes last years you know and and so

1761

01:25:34,350 --> 01:25:32,020

it it's not like they they find out that

1762

01:25:36,000 --> 01:25:34,360

you know these videos aired on Monday on

1763

01:25:38,250 --> 01:25:36,010

the History Channel they weren't

1764

01:25:39,990 --> 01:25:38,260

supposed to so on Tuesday they're making

1765

01:25:42,089 --> 01:25:40,000

phone calls and getting stuff done I

1766

01:25:45,240 --> 01:25:42,099

mean granted if it was a highly

1767

01:25:48,330 --> 01:25:45,250

secretive highly classified document or

1768

01:25:51,000 --> 01:25:48,340

video sure yeah maybe but something like

1769

01:25:53,609 --> 01:25:51,010

this where let's just say that DD Form

1770

01:25:55,530 --> 01:25:53,619

1910 was was accurate and they're

1771

01:25:57,660 --> 01:25:55,540

showing balloons yeah technically they

1772

01:25:59,700 --> 01:25:57,670

weren't cleared for public release but

1773

01:26:01,290 --> 01:25:59,710

the US government has to weigh something

1774

01:26:03,959 --> 01:26:01,300

and again I don't have any insider

1775

01:26:06,479 --> 01:26:03,969

knowledge here this is a guess but the

1776

01:26:09,540 --> 01:26:06,489

government has to weigh one of the most

1777

01:26:12,300 --> 01:26:09,550

important aspects to this which is do

1778

01:26:14,879 --> 01:26:12,310

you want to chance turning mr. Elizondo

1779

01:26:18,390 --> 01:26:14,889

into a martyr that let's say he really

1780

01:26:20,040 --> 01:26:18,400

did I'm in the hypothetical here if he

1781

01:26:22,470 --> 01:26:20,050

really did do something wrong and there

1782

01:26:23,890 --> 01:26:22,480

was something shady and they snuck these

1783

01:26:26,470 --> 01:26:23,900

videos out they got these vid

1784

01:26:29,440 --> 01:26:26,480

under false pretense and they they put

1785

01:26:31,510 --> 01:26:29,450

him out there you have an army of people

1786

01:26:33,430 --> 01:26:31,520

that support him for that they don't

1787

01:26:36,250 --> 01:26:33,440

care that he said they're UAVs or

1788

01:26:38,110 --> 01:26:36,260

balloons or drones or whatever they

1789

01:26:40,300 --> 01:26:38,120

think they're you ApS or UFOs they very

1790

01:26:43,810 --> 01:26:40,310

well may be but that's their mindset and

1791

01:26:46,420 --> 01:26:43,820

Elizondo is a hero if that investigation

1792

01:26:48,370 --> 01:26:46,430

then concludes look we've got a we've

1793

01:26:49,750 --> 01:26:48,380

got to take action here what's gonna

1794

01:26:52,120 --> 01:26:49,760

happen do you think that army of people

1795

01:26:52,990 --> 01:26:52,130

is just gonna go oh man that guy really

1796

01:26:55,090 --> 01:26:53,000

did do something wrong

1797

01:26:57,730 --> 01:26:55,100

oh shucks I really believed them know

1798

01:26:59,740 --> 01:26:57,740

they're gonna be loud and noisy I mean

1799

01:27:02,380 --> 01:26:59,750

look at what happened to Julian Assange

1800

01:27:04,150 --> 01:27:02,390

with the public outcry it's gonna happen

1801
01:27:07,750 --> 01:27:04,160
that's exactly what's gonna happen and

1802
01:27:11,440 --> 01:27:07,760
it's gonna if you know what is

1803
01:27:14,410 --> 01:27:11,450
ultimately going to be the message yeah

1804
01:27:16,030 --> 01:27:14,420
they have to weigh that because turning

1805
01:27:18,340 --> 01:27:16,040
him into a martyr can potentially do

1806
01:27:19,540 --> 01:27:18,350
more damage than not so again I'm

1807
01:27:22,570 --> 01:27:19,550
playing hypotheticals here I'm not

1808
01:27:24,580 --> 01:27:22,580
placing a legal accusation but it's it's

1809
01:27:27,520 --> 01:27:24,590
an important factor that I think anyone

1810
01:27:30,070 --> 01:27:27,530
with a logical mind has to consider that

1811
01:27:32,290 --> 01:27:30,080
either number one they are investigating

1812
01:27:34,270 --> 01:27:32,300
and we have not seen the result yet or

1813
01:27:36,760 --> 01:27:34,280

number two they have investigated and

1814

01:27:38,350 --> 01:27:36,770

they realized we can't do anything

1815

01:27:41,290 --> 01:27:38,360

because if we do we were gonna have an

1816

01:27:44,230 --> 01:27:41,300

army of UFO people that instead of storm

1817

01:27:45,700 --> 01:27:44,240

area 51 it's gonna be storm the Pentagon

1818

01:27:47,590 --> 01:27:45,710

and they're gonna have a bigger issue

1819

01:27:49,420 --> 01:27:47,600

right and they have to they have to

1820

01:27:52,600 --> 01:27:49,430

consider that I can already hear it

1821

01:27:54,880 --> 01:27:52,610

they took Ella they're taking Elizondo

1822

01:27:56,920 --> 01:27:54,890

down man because he was he was speaking

1823

01:27:59,350 --> 01:27:56,930

the truth you know he was doing three

1824

01:28:01,240 --> 01:27:59,360

out there yeah I know I can no I mean

1825

01:28:03,640 --> 01:28:01,250

already right now it's been said for

1826

01:28:05,740 --> 01:28:03,650

since June first since then since that

1827

01:28:08,970 --> 01:28:05,750

dropped since since the Pentagon took

1828

01:28:12,550 --> 01:28:08,980

that shot and said no he he didn't and

1829

01:28:14,770 --> 01:28:12,560

and to go back to the bender thing no no

1830

01:28:16,300 --> 01:28:14,780

I gotta take a break right now so let's

1831

01:28:17,710 --> 01:28:16,310

do that we'll be right back we'll get

1832

01:28:20,440 --> 01:28:17,720

back to bender after this short break

1833

01:28:22,700 --> 01:28:20,450

our guest John Greenwald the black vault

1834

01:28:37,149 --> 01:28:22,710

stay with us

1835

01:28:45,189 --> 01:28:39,729

welcome back fade to black

1836

01:28:47,540 --> 01:28:45,199

talking about disinformation the CIA

1837

01:28:52,580 --> 01:28:47,550

Department of Defense National

1838

01:28:55,430 --> 01:28:52,590

counterintelligence agents what is going

1839

01:28:58,160 --> 01:28:55,440

on now we started to talk welcome back

1840

01:28:59,919 --> 01:28:58,170

John about a Brian bender right before

1841

01:29:03,290 --> 01:28:59,929

the break let's get back to your point

1842

01:29:03,500 --> 01:29:03,300

yeah it I think where I was going with

1843

01:29:04,669 --> 01:29:03,510

that

1844

01:29:06,410 --> 01:29:04,679

I'd lost my train of thought with the

1845

01:29:09,050 --> 01:29:06,420

break but you know he did he deleted

1846

01:29:11,899 --> 01:29:09,060

that tweet promising an additional

1847

01:29:15,530 --> 01:29:11,909

updated statement from the Pentagon and

1848

01:29:17,870 --> 01:29:15,540

a retraction and when you add that on

1849

01:29:20,359 --> 01:29:17,880

top of the statements that the Pentagon

1850

01:29:21,770 --> 01:29:20,369

has given about the videos and it starts

1851
01:29:23,689 --> 01:29:21,780
to paint a picture that we haven't been

1852
01:29:25,939 --> 01:29:23,699
told the truth they quite possibly the

1853
01:29:27,649 --> 01:29:25,949
media was wrong and I'm gonna be fair I

1854
01:29:30,200 --> 01:29:27,659
can't believe I'm saying this to the

1855
01:29:32,510 --> 01:29:30,210
media because a lot of this is very

1856
01:29:34,160 --> 01:29:32,520
tough to understand right I mean we we

1857
01:29:37,729 --> 01:29:34,170
just don't all have the knowledge about

1858
01:29:40,520 --> 01:29:37,739
DD form 1910s and the doppler process

1859
01:29:41,780 --> 01:29:40,530
and and positions within the government

1860
01:29:42,800 --> 01:29:41,790
this that and the other thing I think

1861
01:29:44,540 --> 01:29:42,810
they could have vetted a little bit

1862
01:29:47,149 --> 01:29:44,550
better it sounds like but I but I want

1863
01:29:48,879 --> 01:29:47,159

to be somewhat fair but as time goes on

1864

01:29:51,220 --> 01:29:48,889

and all of this stuff comes to light

1865

01:29:53,839 --> 01:29:51,230

these journalists that did these

1866

01:29:55,640 --> 01:29:53,849

articles not only in December of 2017

1867

01:29:57,589 --> 01:29:55,650

not only New York Times of Politico vote

1868

01:30:00,760 --> 01:29:57,599

but literally hundreds and hundreds of

1869

01:30:04,160 --> 01:30:00,770

hundreds of organizations they praise

1870

01:30:06,470 --> 01:30:04,170

pentagon statements and yet now we have

1871

01:30:09,320 --> 01:30:06,480

Pentagon statements that are putting

1872

01:30:12,140 --> 01:30:09,330

more information out there and it's that

1873

01:30:15,500 --> 01:30:12,150

selective reporting and I I mean I I

1874

01:30:17,390 --> 01:30:15,510

don't fully blame one side or the other

1875

01:30:19,459 --> 01:30:17,400

I think the media really needs to

1876

01:30:23,050 --> 01:30:19,469

however be on the top of the list as

1877

01:30:25,850 --> 01:30:23,060

being part of the problem here and that

1878

01:30:27,800 --> 01:30:25,860

they are not asking the right questions

1879

01:30:30,350 --> 01:30:27,810

or if they make a mistake

1880

01:30:33,169 --> 01:30:30,360

they're not doing the right thing and

1881

01:30:35,450 --> 01:30:33,179

issuing a correction and and Brian

1882

01:30:37,160 --> 01:30:35,460

bender not only deleting the tweet I had

1883

01:30:41,000 --> 01:30:37,170

wrote the article I reached out to him

1884

01:30:43,970 --> 01:30:41,010

for comment and and he he refused he

1885

01:30:45,589 --> 01:30:43,980

responded but he refused to comment on

1886

01:30:48,140 --> 01:30:45,599

why he deleted the tweet he had not

1887

01:30:49,940 --> 01:30:48,150

blocked me at that point and and he

1888

01:30:53,120 --> 01:30:49,950

refused to comment so I put that in

1889

01:30:55,940 --> 01:30:53,130

my article but why would you just ignore

1890

01:30:58,370 --> 01:30:55,950

all of this when the statement comes out

1891

01:31:00,680 --> 01:30:58,380

that their new UFO guidelines who was

1892

01:31:01,910 --> 01:31:00,690

the first to break that story Brian

1893

01:31:05,150 --> 01:31:01,920

bender mm-hmm

1894

01:31:06,950 --> 01:31:05,160

so it's like when it goes against what

1895

01:31:09,470 --> 01:31:06,960

you believe or what you've been that the

1896

01:31:11,060 --> 01:31:09,480

line you've been touting it's squashed

1897

01:31:12,560 --> 01:31:11,070

you're a conspiracy theorist and I'm

1898

01:31:14,960 --> 01:31:12,570

gonna block you if you forward that

1899

01:31:16,190 --> 01:31:14,970

statement out and yet when it goes to

1900

01:31:20,000 --> 01:31:16,200

something that's going to get hits and

1901

01:31:21,800 --> 01:31:20,010

clicks like a UFO flashy headline it's

1902

01:31:24,440 --> 01:31:21,810

it's run on the front page of Politico

1903

01:31:25,940 --> 01:31:24,450

by Brian bender so that that's the stuff

1904

01:31:28,070 --> 01:31:25,950

that doesn't make sense to me and I'm

1905

01:31:29,530 --> 01:31:28,080

not one to tease and I'm not gonna tease

1906

01:31:32,120 --> 01:31:29,540

but I do want to tell you really quickly

1907

01:31:34,340 --> 01:31:32,130

that recently I received under the

1908

01:31:37,100 --> 01:31:34,350

Freedom of Information Act through a

1909

01:31:40,040 --> 01:31:37,110

request I did from the Department of

1910

01:31:42,610 --> 01:31:40,050

Navy all of the emails from the press

1911

01:31:45,110 --> 01:31:42,620

office within the Department of Navy and

1912

01:31:47,300 --> 01:31:45,120

how they communicated they meaning the

1913

01:31:48,020 --> 01:31:47,310

Navy with the media about these

1914

01:31:51,290 --> 01:31:48,030

quote-unquote

1915

01:31:53,960 --> 01:31:51,300

UFO guidelines within that although his

1916

01:31:56,180 --> 01:31:53,970

name was redacted but it says within the

1917

01:31:59,300 --> 01:31:56,190

content of the email here is my article

1918

01:32:02,330 --> 01:31:59,310

from December of 2017 and links to Brian

1919

01:32:05,540 --> 01:32:02,340

benders political article he was aware

1920

01:32:07,880 --> 01:32:05,550

of the UFO guidelines in February that

1921

01:32:09,470 --> 01:32:07,890

he was communicating with them and I was

1922

01:32:11,450 --> 01:32:09,480

able to get all of these documents under

1923

01:32:12,800 --> 01:32:11,460

the Freedom of Information Act and I'm

1924

01:32:15,080 --> 01:32:12,810

here to tell you it is really

1925

01:32:16,400 --> 01:32:15,090

interesting to see the headlines not

1926

01:32:18,830 --> 01:32:16,410

only by bender because I don't want to

1927

01:32:21,620 --> 01:32:18,840

just pick on him but but by the media

1928

01:32:23,630 --> 01:32:21,630

about those UFO guidelines and you kind

1929

01:32:26,090 --> 01:32:23,640

of juxtapose that with what the media

1930

01:32:29,240 --> 01:32:26,100

actually told them and it's really

1931

01:32:32,150 --> 01:32:29,250

interesting to see how kind of slanted

1932

01:32:34,340 --> 01:32:32,160

the media is to make a flashy UFO

1933

01:32:36,350 --> 01:32:34,350

headline which actually has nothing to

1934

01:32:39,020 --> 01:32:36,360

do with what the the Navy was was

1935

01:32:41,270 --> 01:32:39,030

stating officially now I am an advocate

1936

01:32:43,130 --> 01:32:41,280

for the record I am an advocate for for

1937

01:32:44,630 --> 01:32:43,140

further UFO study I believe the

1938

01:32:46,280 --> 01:32:44,640

government military should be in on this

1939

01:32:48,800 --> 01:32:46,290

and I believe there has been an active

1940

01:32:51,290 --> 01:32:48,810

cover-up for for many decades but in the

1941

01:32:53,600 --> 01:32:51,300

same respect I have to be logical and I

1942

01:32:55,640 --> 01:32:53,610

have to be truthful when I look into

1943

01:32:57,830 --> 01:32:55,650

this and when I see that the media is

1944

01:33:00,950 --> 01:32:57,840

being told X and then they make this

1945

01:33:02,450 --> 01:33:00,960

flashy headline about why it doesn't

1946

01:33:03,830 --> 01:33:02,460

make sense to me and I think that they

1947

01:33:06,080 --> 01:33:03,840

need to be called out I

1948

01:33:08,120 --> 01:33:06,090

really do and if they want to block me

1949

01:33:11,330 --> 01:33:08,130

like Brian bender blocked me for

1950

01:33:13,730 --> 01:33:11,340

forwarding out a Pentagon statement go

1951

01:33:15,350 --> 01:33:13,740

ahead but sadly when people start to

1952

01:33:18,080 --> 01:33:15,360

wake up and look at the actual reality

1953

01:33:20,150 --> 01:33:18,090

here all of the red flags that you and I

1954

01:33:25,550 --> 01:33:20,160

have been talking about start to make

1955

01:33:27,200 --> 01:33:25,560

sense what do we do with okay you know

1956

01:33:30,260 --> 01:33:27,210

like going down the rabbit hole but what

1957

01:33:34,690 --> 01:33:30,270

do we do with the suggestion that I had

1958

01:33:37,430 --> 01:33:34,700

earlier if if semi van takes over a CEO

1959

01:33:39,230 --> 01:33:37,440

DeLong goes off to angel and airwaves

1960

01:33:41,780 --> 01:33:39,240

and he goes on to her and he's doing his

1961

01:33:45,110 --> 01:33:41,790

thing and now he's removed from t TSA

1962

01:33:49,340 --> 01:33:45,120

and semi van takes over and they come

1963

01:33:52,130 --> 01:33:49,350

out with season two of unidentified is

1964

01:33:54,650 --> 01:33:52,140

that a CIA production at that is there

1965

01:34:00,230 --> 01:33:54,660

any other way to perceive that other

1966

01:34:02,930 --> 01:34:00,240

than project Mockingbird I mean it's a I

1967

01:34:04,700 --> 01:34:02,940

think you want to restrict what I know

1968

01:34:06,530 --> 01:34:04,710

it's not that much of a stretch though

1969

01:34:08,540 --> 01:34:06,540

it's not that much of a stretch but

1970

01:34:11,930 --> 01:34:08,550

having worked for any networks and how

1971

01:34:14,120 --> 01:34:11,940

they operate I I don't think T TSA as an

1972

01:34:16,790 --> 01:34:14,130

organization or corporation had a lot of

1973

01:34:18,890 --> 01:34:16,800

say in the television series I think

1974

01:34:20,750 --> 01:34:18,900

maybe partially and I think that

1975

01:34:23,750 --> 01:34:20,760

potentially they obviously gave a lot of

1976

01:34:25,070 --> 01:34:23,760

the content but any networks I want to

1977

01:34:27,650 --> 01:34:25,080

give credit to them I mean they produce

1978

01:34:29,360 --> 01:34:27,660

their own stuff in regards to a season

1979

01:34:31,940 --> 01:34:29,370

two they have to deal with the big pink

1980

01:34:34,160 --> 01:34:31,950

elephant in the room even though T TSA

1981

01:34:35,810 --> 01:34:34,170

doesn't want to and that pink elephant

1982

01:34:38,060 --> 01:34:35,820

is the fact that the star of their show

1983

01:34:40,670 --> 01:34:38,070

has a pentagon statement against his

1984

01:34:44,630 --> 01:34:40,680

name stating that his claims in that

1985

01:34:46,130 --> 01:34:44,640

show are not true right so any networks

1986

01:34:48,470 --> 01:34:46,140

let's let's get away from the whole UFO

1987

01:34:51,920 --> 01:34:48,480

debate any networks is no stranger to

1988

01:34:53,990 --> 01:34:51,930

controversy and nor is any network I'm

1989

01:34:55,610 --> 01:34:54,000

not picking on them but they're no no

1990

01:34:59,180 --> 01:34:55,620

stranger to controversy about television

1991

01:35:01,910 --> 01:34:59,190

hosts oftentimes criminal records come

1992

01:35:03,740 --> 01:35:01,920

up somebody tweets out something bad I

1993

01:35:06,350 --> 01:35:03,750

mean like all sorts of things have

1994

01:35:08,360 --> 01:35:06,360

happened over the years I can tell you

1995

01:35:10,970 --> 01:35:08,370

when the last shows that I've done for

1996

01:35:13,540 --> 01:35:10,980

them in the nonfiction arena there's no

1997

01:35:16,250 --> 01:35:13,550

way I can put a doctor so-and-so on

1998

01:35:17,300 --> 01:35:16,260

camera if there is no evidence to

1999

01:35:20,060 --> 01:35:17,310

support that he

2000

01:35:22,160 --> 01:35:20,070

is a doctor right you that the whole

2001

01:35:24,800 --> 01:35:22,170

point of nonfiction is to stay truthful

2002

01:35:27,770 --> 01:35:24,810

and you can't start fictionalizing

2003

01:35:29,930 --> 01:35:27,780

people the same is true with these types

2004

01:35:31,340 --> 01:35:29,940

of you know reality type shows even

2005

01:35:34,070 --> 01:35:31,350

though they don't want that spin on it

2006

01:35:37,250 --> 01:35:34,080

it's a reality show it's UFO Hunters 2.0

2007

01:35:40,820 --> 01:35:37,260

and I was a producer on that it's it's

2008

01:35:42,980 --> 01:35:40,830

the same formula and you know I mean I'm

2009

01:35:46,370 --> 01:35:42,990

I'm proud of the episodes that I did of

2010

01:35:48,110 --> 01:35:46,380

UFO Hunters and when you compare it yeah

2011

01:35:49,910 --> 01:35:48,120

I mean it's it's a lot newer and there's

2012

01:35:52,880 --> 01:35:49,920

cooler graphics and the editing is

2013

01:35:55,490 --> 01:35:52,890

flashy ER but I mean go look at some old

2014

01:35:57,440 --> 01:35:55,500

episodes of UFO Hunters you've got the

2015

01:36:00,050 --> 01:35:57,450

notebook in the field just like mr.

2016

01:36:02,180 --> 01:36:00,060

elizondo's taking notes you have pet pad

2017

01:36:04,880 --> 01:36:02,190

uh skirt with the backpack just like mr.

2018

01:36:07,120 --> 01:36:04,890

Elizondo and unidentified you've got so

2019

01:36:09,080 --> 01:36:07,130

many things that from a television

2020

01:36:12,440 --> 01:36:09,090

entertainment aspect of production

2021

01:36:13,790 --> 01:36:12,450

aspect this has been done before so with

2022

01:36:16,280 --> 01:36:13,800

all of that being said there's not a

2023

01:36:18,740 --> 01:36:16,290

whole lot new here except the cast of

2024

01:36:20,990 --> 01:36:18,750

characters and and in season two if

2025

01:36:24,500 --> 01:36:21,000

there is one they need to address that

2026

01:36:26,690 --> 01:36:24,510

they need to figure out a way to counter

2027

01:36:29,270 --> 01:36:26,700

the Pentagon statement and either get a

2028

01:36:31,580 --> 01:36:29,280

retraction or at least publish something

2029

01:36:34,730 --> 01:36:31,590

that does not put the doubt out there

2030

01:36:37,970 --> 01:36:34,740

until they do that I'm gonna take a

2031

01:36:43,630 --> 01:36:37,980

guess and say there will be no season

2032

01:36:52,310 --> 01:36:43,640

two I'm looking here the reason why I

2033

01:36:55,220 --> 01:36:52,320

bring it up is that there are those that

2034

01:36:57,710 --> 01:36:55,230

are always going to say well you can say

2035

01:37:00,710 --> 01:36:57,720

what you want about T TSA and the CIA

2036

01:37:02,630 --> 01:37:00,720

but they got it done they got the UFO

2037

01:37:05,000 --> 01:37:02,640

question out there in the public and I'm

2038

01:37:09,830 --> 01:37:05,010

okay with that I don't care how it was

2039

01:37:14,330 --> 01:37:09,840

done my my point to anybody that says

2040

01:37:16,790 --> 01:37:14,340

that is missing what I am trying to say

2041

01:37:22,940 --> 01:37:16,800

and we may disagree at once again on

2042

01:37:27,200 --> 01:37:22,950

this John but it's not that it is what

2043

01:37:29,510 --> 01:37:27,210

is the message and why that's the key

2044

01:37:30,580 --> 01:37:29,520

here what is it that they are putting

2045

01:37:34,840 --> 01:37:30,590

the spin on

2046

01:37:37,300 --> 01:37:34,850

and why it's do not get blinded by this

2047

01:37:39,550 --> 01:37:37,310

and go hey it's okay it's okay

2048

01:37:42,670 --> 01:37:39,560

the the UFO question has beat aids it's

2049

01:37:46,330 --> 01:37:42,680

why what what is the message that they

2050

01:37:49,120 --> 01:37:46,340

are projecting on the rest of the world

2051

01:37:51,730 --> 01:37:49,130

and that is that is what is key here

2052

01:37:52,810 --> 01:37:51,740

isn't it and it absolutely is and in

2053

01:37:56,200 --> 01:37:52,820

fact I don't think we were gonna

2054

01:38:01,180 --> 01:37:56,210

disagree much on this point but I I kind

2055

01:38:03,400 --> 01:38:01,190

of will add that I in the short term and

2056

01:38:05,320 --> 01:38:03,410

I actually did a Facebook post and on

2057

01:38:07,330 --> 01:38:05,330

social media and kind of a tweet thread

2058

01:38:10,600 --> 01:38:07,340

on this very thing today earlier this

2059

01:38:12,550 --> 01:38:10,610

morning and that was I look at the long

2060

01:38:14,680 --> 01:38:12,560

term I mean I've been around this field

2061

01:38:17,080 --> 01:38:14,690

for 23 years I know you've been around a

2062

01:38:19,000 --> 01:38:17,090

long time as well and we've seen a lot

2063

01:38:21,490 --> 01:38:19,010

of charlatans come and go we've seen a

2064

01:38:23,560 --> 01:38:21,500

lot of claims come and go alien mummies

2065

01:38:25,480 --> 01:38:23,570

come to mind right and I don't know what

2066

01:38:28,150 --> 01:38:25,490

your thoughts are on it but sorry but in

2067

01:38:31,060 --> 01:38:28,160

my mind and that that's what comes up we

2068

01:38:33,820 --> 01:38:31,070

see a lot of these outlandish claims in

2069

01:38:36,340 --> 01:38:33,830

the short term it gets a lot of media

2070

01:38:38,650 --> 01:38:36,350

attention is that good in my opinion no

2071

01:38:40,960 --> 01:38:38,660

but to a lot of the newcomers that have

2072

01:38:43,840 --> 01:38:40,970

come around right the the millennial

2073

01:38:46,090 --> 01:38:43,850

target that the TSA says they're

2074

01:38:47,380 --> 01:38:46,100

targeting the Millennials they have only

2075

01:38:50,290 --> 01:38:47,390

come around for the last year and a half

2076

01:38:52,330 --> 01:38:50,300

or so they see Tom DeLonge hey I grew up

2077

01:38:55,630 --> 01:38:52,340

with listening to his music I'm a fan of

2078

01:38:57,490 --> 01:38:55,640

his music they see that they don't have

2079

01:38:59,770 --> 01:38:57,500

the experience of seeing these

2080

01:39:03,190 --> 01:38:59,780

charlatans come and go which paves the

2081

01:39:05,350 --> 01:39:03,200

way and makes us have the requirement of

2082

01:39:06,910 --> 01:39:05,360

asking questions we need to ask the

2083

01:39:09,220 --> 01:39:06,920

questions they can have easy answers

2084

01:39:12,040 --> 01:39:09,230

I've always said that but we need to ask

2085

01:39:13,000 --> 01:39:12,050

and so you've got this growing number of

2086

01:39:15,010 --> 01:39:13,010

people I don't know if it's growing

2087

01:39:17,020 --> 01:39:15,020

anymore but you have this number of

2088

01:39:19,530 --> 01:39:17,030

people that haven't had that experience

2089

01:39:22,030 --> 01:39:19,540

yet and so when I look at the long term

2090

01:39:24,420 --> 01:39:22,040

the media attention right now it doesn't

2091

01:39:27,430 --> 01:39:24,430

mean anything because the media turns on

2092

01:39:30,250 --> 01:39:27,440

stories eventually that if these wild

2093

01:39:32,740 --> 01:39:30,260

outlandish claims by T TSA that got the

2094

01:39:36,310 --> 01:39:32,750

headlines if they stay stagnant right

2095

01:39:38,620 --> 01:39:36,320

and they lose credibility the media is

2096

01:39:40,660 --> 01:39:38,630

not going to keep profiling them so

2097

01:39:42,550 --> 01:39:40,670

we've already seen the the the steam

2098

01:39:43,880 --> 01:39:42,560

kind of come out of the momentum we've

2099

01:39:46,190 --> 01:39:43,890

we've seen that there

2100

01:39:48,050 --> 01:39:46,200

just not a whole lot of headlines the

2101
01:39:51,430 --> 01:39:48,060
headlines that are coming out now that

2102
01:39:55,700 --> 01:39:51,440
deal with TTS a one I posted today from

2103
01:39:57,800 --> 01:39:55,710
IFL science which is a you know I mean

2104
01:40:00,800 --> 01:39:57,810
it's a fairly popular website you want

2105
01:40:03,590 --> 01:40:00,810
them on your side to put out scientific

2106
01:40:05,330 --> 01:40:03,600
related information about UFOs and they

2107
01:40:08,840 --> 01:40:05,340
essentially made it kind of a laughing

2108
01:40:11,000 --> 01:40:08,850
stock that they profile TTS A's press

2109
01:40:12,980 --> 01:40:11,010
release and that there was essentially

2110
01:40:15,560 --> 01:40:12,990
nothing to it and I recommend everybody

2111
01:40:17,740 --> 01:40:15,570
to go read that because they're not the

2112
01:40:21,020 --> 01:40:17,750
only ones that are publishing these now

2113
01:40:23,540 --> 01:40:21,030

somewhat scathing pieces kind of poking

2114

01:40:26,300 --> 01:40:23,550

fun and okay it's two years have gone by

2115

01:40:28,130 --> 01:40:26,310

you know kind of put up or shut up kind

2116

01:40:30,080 --> 01:40:28,140

of thing and we're seeing that more and

2117

01:40:32,540 --> 01:40:30,090

more so that's what I mean by the big

2118

01:40:36,140 --> 01:40:32,550

picture that can hurt the credibility of

2119

01:40:37,760 --> 01:40:36,150

a field that deserves attention well

2120

01:40:40,160 --> 01:40:37,770

this field deserves it and they're not

2121

01:40:42,230 --> 01:40:40,170

doing it any favors by what they have

2122

01:40:44,540 --> 01:40:42,240

done in the last year and a half where

2123

01:40:46,420 --> 01:40:44,550

for the most part where is that article

2124

01:40:48,530 --> 01:40:46,430

that you're talking about on the vault

2125

01:40:49,490 --> 01:40:48,540

so well you'd have to go to my Twitter

2126

01:40:52,700 --> 01:40:49,500

page because I I don't

2127

01:40:53,840 --> 01:40:52,710

it's I linked out to IFL science if

2128

01:40:57,170 --> 01:40:53,850

you're familiar with that IFL

2129

01:40:59,600 --> 01:40:57,180

science.com yeah I can't say the full

2130

01:41:03,440 --> 01:40:59,610

term I'll get you FCC violation but yeah

2131

01:41:05,570 --> 01:41:03,450

I FL science.com and I've linked it on

2132

01:41:07,310 --> 01:41:05,580

my Twitter page that you can go out

2133

01:41:09,710 --> 01:41:07,320

there and read my thread that's attached

2134

01:41:11,990 --> 01:41:09,720

to it but if you if you go there and

2135

01:41:13,910 --> 01:41:12,000

read it I mean they and and I didn't

2136

01:41:15,200 --> 01:41:13,920

talk to the to the journalist by the way

2137

01:41:17,720 --> 01:41:15,210

and I'm not bringing it up for this

2138

01:41:20,240 --> 01:41:17,730

reason my tweet ended up in this article

2139

01:41:22,720 --> 01:41:20,250

showing the malachite and showing kind

2140

01:41:24,770 --> 01:41:22,730

of how silly their visuals are going

2141

01:41:27,170 --> 01:41:24,780

along with these quote-unquote

2142

01:41:28,850 --> 01:41:27,180

scientific announcements and so I I

2143

01:41:31,370 --> 01:41:28,860

didn't plan that I didn't know it I was

2144

01:41:34,130 --> 01:41:31,380

just kind of surprised when I saw it

2145

01:41:37,040 --> 01:41:34,140

this morning but even if I wasn't in it

2146

01:41:39,830 --> 01:41:37,050

I'd point you to it because it shows

2147

01:41:41,690 --> 01:41:39,840

that shift in the bigger picture and if

2148

01:41:43,730 --> 01:41:41,700

something doesn't drastically change if

2149

01:41:47,060 --> 01:41:43,740

we don't start to clean up some of this

2150

01:41:50,000 --> 01:41:47,070

mess a little bit people that are really

2151

01:41:52,760 --> 01:41:50,010

out there with genuine intentions with

2152

01:41:54,680 --> 01:41:52,770

UFO information and scientific anomalies

2153

01:41:57,140 --> 01:41:54,690

and maybe they have a piece of something

2154

01:41:57,560 --> 01:41:57,150

that deserves scrutiny they're going to

2155

01:42:00,020 --> 01:41:57,570

be laughs

2156

01:42:02,569 --> 01:42:00,030

that in the future just simply because

2157

01:42:05,569 --> 01:42:02,579

of the amount of attention that this got

2158

01:42:08,359 --> 01:42:05,579

in the last year and a half but to have

2159

01:42:10,850 --> 01:42:08,369

it dwindled down to being a joke to a

2160

01:42:13,850 --> 01:42:10,860

growing number of outlets that's

2161

01:42:18,050 --> 01:42:13,860

problematic when you end your television

2162

01:42:19,609 --> 01:42:18,060

series with a UFO case in Italy that has

2163

01:42:22,550 --> 01:42:19,619

largely been debunked

2164

01:42:24,890 --> 01:42:22,560

you're losing credibility not only as in

2165

01:42:26,930 --> 01:42:24,900

an organization but whether they like it

2166

01:42:29,450 --> 01:42:26,940

or not they are attached to what they

2167

01:42:31,399 --> 01:42:29,460

don't want to be attached to and that is

2168

01:42:33,410 --> 01:42:31,409

the UFO community they're just attached

2169

01:42:35,930 --> 01:42:33,420

to it so they shouldn't be surprised

2170

01:42:38,209 --> 01:42:35,940

when people are passionate and they come

2171

01:42:40,609 --> 01:42:38,219

after their press releases and their

2172

01:42:43,459 --> 01:42:40,619

silly visuals and they come after that

2173

01:42:44,930 --> 01:42:43,469

and say you guys need to stop and I

2174

01:42:47,450 --> 01:42:44,940

think that there is a growing number of

2175

01:42:50,149 --> 01:42:47,460

people that are starting to realize they

2176

01:42:53,689 --> 01:42:50,159

need to stop if they have something it's

2177

01:42:55,729 --> 01:42:53,699

time to work together to make this

2178

01:42:57,439 --> 01:42:55,739

something because I've put the offer out

2179

01:42:59,560 --> 01:42:57,449

there if they have a scientific

2180

01:43:02,240 --> 01:42:59,570

breakthrough I will help them

2181

01:43:04,550 --> 01:43:02,250

disseminate the press release right I'm

2182

01:43:08,859 --> 01:43:04,560

not New York Times but I can reach quite

2183

01:43:13,310 --> 01:43:08,869

a few people on yep so I'll help right

2184

01:43:17,780 --> 01:43:13,320

I'd be I would be so I would be like I'm

2185

01:43:22,550 --> 01:43:17,790

the first person to to report good news

2186

01:43:25,790 --> 01:43:22,560

and you know on December 17th 2017 that

2187

01:43:29,060 --> 01:43:25,800

Saturday I i'm one i broadcast it live

2188

01:43:32,450 --> 01:43:29,070

that night days of disclosure that was a

2189

01:43:35,990 --> 01:43:32,460

big deal to me i have no problems with

2190

01:43:40,540 --> 01:43:36,000

that i wanted i want to get back to a

2191

01:43:45,319 --> 01:43:44,330

which is this and again not to harp on

2192

01:43:48,080 --> 01:43:45,329

Elizondo

2193

01:43:52,609 --> 01:43:48,090

but when i look at their website now

2194

01:43:57,680 --> 01:43:52,619

where it says he was the program element

2195

01:44:01,220 --> 01:43:57,690

manager for a tip no longer the director

2196

01:44:03,140 --> 01:44:01,230

of a tip which has been everywhere when

2197

01:44:07,850 --> 01:44:03,150

did they make this change and what is a

2198

01:44:09,560 --> 01:44:07,860

program element manager well i want to

2199

01:44:11,419 --> 01:44:09,570

be fair i don't know offhand if they

2200

01:44:13,489 --> 01:44:11,429

change the verbiage on their website

2201

01:44:15,439 --> 01:44:13,499

you know offhand if they did I'm looking

2202

01:44:18,399 --> 01:44:15,449

at way I'm looking at it right here it

2203

01:44:21,290 --> 01:44:18,409

says program element manager for a tip

2204

01:44:25,310 --> 01:44:21,300

but they it formally said their director

2205

01:44:27,290 --> 01:44:25,320

because I don't know that okay not okay

2206

01:44:30,259 --> 01:44:27,300

I can't speak as a fact for their

2207

01:44:34,779 --> 01:44:30,269

website yeah but we know that in every

2208

01:44:38,540 --> 01:44:34,789

press release every every every article

2209

01:44:42,799 --> 01:44:38,550

Fox television he was always director of

2210

01:44:44,719 --> 01:44:42,809

a tip well I know that that's what he's

2211

01:44:46,219 --> 01:44:44,729

definitely said I mean and again I'm not

2212

01:44:47,929 --> 01:44:46,229

arguing the point I just don't want to

2213

01:44:49,279 --> 01:44:47,939

give the false impression that they've

2214

01:44:51,379 --> 01:44:49,289

changed their verbiage I'm not sure I'm

2215

01:44:55,279 --> 01:44:51,389

in wayback machine trying to quickly

2216

01:44:56,899 --> 01:44:55,289

fact check this so that being said

2217

01:45:00,109 --> 01:44:56,909

though I I don't think that they've

2218

01:45:01,819 --> 01:45:00,119

changed who or what he is to be honest

2219

01:45:03,709 --> 01:45:01,829

with you I expected a any networks to

2220

01:45:05,660 --> 01:45:03,719

put a disclaimer at the beginning of of

2221

01:45:08,779 --> 01:45:05,670

unidentified because unidentified had

2222

01:45:10,870 --> 01:45:08,789

just started that Friday one day prior

2223

01:45:14,000 --> 01:45:10,880

to the intercept article coming out and

2224

01:45:16,879 --> 01:45:14,010

I thought that I would see a slate that

2225

01:45:20,179 --> 01:45:16,889

that would say something you know just

2226

01:45:23,089 --> 01:45:20,189

kind of removing a any networks from the

2227

01:45:24,620 --> 01:45:23,099

claims and that never happened as far as

2228

01:45:27,109 --> 01:45:24,630

I know they are still maintaining that

2229

01:45:29,120 --> 01:45:27,119

this that that he was the quote-unquote

2230

01:45:31,399 --> 01:45:29,130

director and the one that was

2231

01:45:34,879 --> 01:45:31,409

responsible I did get a statement from

2232

01:45:37,819 --> 01:45:34,889

dr. Hal put off when I wrote the article

2233

01:45:40,370 --> 01:45:37,829

about the 2009 Harry Reid letter because

2234

01:45:42,229 --> 01:45:40,380

that was a additional statement I didn't

2235

01:45:44,359 --> 01:45:42,239

get that original one by the way for the

2236

01:45:45,709 --> 01:45:44,369

record for anybody who's listening that

2237

01:45:48,140 --> 01:45:45,719

one that was published by the intercept

2238

01:45:50,629 --> 01:45:48,150

that caught me by surprise just like

2239

01:45:52,310 --> 01:45:50,639

everyone else so I did not receive that

2240

01:45:55,429 --> 01:45:52,320

I was just only able to independently

2241

01:45:57,589 --> 01:45:55,439

verify it after with the Pentagon to

2242

01:46:00,410 --> 01:45:57,599

make sure that it was all legitimate but

2243

01:46:01,879 --> 01:46:00,420

that being said when I had done the 2009

2244

01:46:05,299 --> 01:46:01,889

Harry Reid letter and they said that

2245

01:46:08,359 --> 01:46:05,309

that did not change their stance the

2246

01:46:11,179 --> 01:46:08,369

only one that would respond to me was

2247

01:46:15,259 --> 01:46:11,189

dr. Hal put off and he had said that he

2248

01:46:18,469 --> 01:46:15,269

had essentially worked with mr. Elizondo

2249

01:46:21,319 --> 01:46:18,479

under his leadership of the program when

2250

01:46:23,899 --> 01:46:21,329

he was contracted by bass through

2251
01:46:24,960 --> 01:46:23,909
Bigelow Aerospace what I tried to get

2252
01:46:27,610 --> 01:46:24,970
him to

2253
01:46:29,770 --> 01:46:27,620
address because this is a very important

2254
01:46:34,180 --> 01:46:29,780
point that I think is very underlooked

2255
01:46:37,480 --> 01:46:34,190
at this point I as far as I know unless

2256
01:46:39,850 --> 01:46:37,490
he wants to go on the record 2008-2009

2257
01:46:42,130 --> 01:46:39,860
was when ha SAP was at Defense

2258
01:46:44,410 --> 01:46:42,140
Intelligence Agency and that was where

2259
01:46:47,380 --> 01:46:44,420
bass had contracted to work that was

2260
01:46:49,630 --> 01:46:47,390
called a SAP aw snap then led to a tip

2261
01:46:53,140 --> 01:46:49,640
and that was transferred according to

2262
01:46:54,340 --> 01:46:53,150
Mister Elizondo story in 2010 dr. put

2263
01:46:56,800 --> 01:46:54,350

off would have never worked under

2264

01:46:58,900 --> 01:46:56,810

elizondo's leadership unless he wants to

2265

01:47:01,960 --> 01:46:58,910

go on the record and say bass was then

2266

01:47:05,830 --> 01:47:01,970

involved with another agency under

2267

01:47:08,380 --> 01:47:05,840

another program and this is another

2268

01:47:10,050 --> 01:47:08,390

mucky part of the water which I again I

2269

01:47:12,820 --> 01:47:10,060

think is a very important point

2270

01:47:16,090 --> 01:47:12,830

dr. putt-off describes a tip as a

2271

01:47:19,840 --> 01:47:16,100

nickname for OSAP so he says that they

2272

01:47:21,760 --> 01:47:19,850

are the same program ironically major

2273

01:47:25,060 --> 01:47:21,770

Audria harris in a statement from the

2274

01:47:27,100 --> 01:47:25,070

pentagon back in early 2018 pretty much

2275

01:47:29,920 --> 01:47:27,110

said the same thing so they aligned with

2276

01:47:32,920 --> 01:47:29,930

how they described a tip however mr.

2277

01:47:35,620 --> 01:47:32,930

Elizondo stressed in one of his lectures

2278

01:47:38,380 --> 01:47:35,630

that a tip was a completely different

2279

01:47:40,540 --> 01:47:38,390

program than a set and he says that he

2280

01:47:41,980 --> 01:47:40,550

never brought up awesome because he was

2281

01:47:44,140 --> 01:47:41,990

under a little bit of fire from people

2282

01:47:46,330 --> 01:47:44,150

for not bringing that up and giving

2283

01:47:47,800 --> 01:47:46,340

proper background I defended him and I

2284

01:47:49,840 --> 01:47:47,810

think it was actually on your show when

2285

01:47:51,460 --> 01:47:49,850

I did it but but that being said I

2286

01:47:53,920 --> 01:47:51,470

thought you know hey if he wasn't part

2287

01:47:54,820 --> 01:47:53,930

of it and this is a different program he

2288

01:47:56,740 --> 01:47:54,830

doesn't have to give the whole

2289

01:47:58,510 --> 01:47:56,750

background to the entire United States

2290

01:48:00,730 --> 01:47:58,520

government so cut him some slack

2291

01:48:03,790 --> 01:48:00,740

and I think it was your show that I did

2292

01:48:06,760 --> 01:48:03,800

that however when he says that it's a

2293

01:48:08,530 --> 01:48:06,770

completely different program I had

2294

01:48:10,510 --> 01:48:08,540

written about that discrepancy because

2295

01:48:13,690 --> 01:48:10,520

to me as someone who researches this

2296

01:48:15,310 --> 01:48:13,700

stuff kind of for a living that's an

2297

01:48:16,630 --> 01:48:15,320

important point when one person is

2298

01:48:18,280 --> 01:48:16,640

saying it's just a nickname and the

2299

01:48:20,710 --> 01:48:18,290

other is saying it's a totally different

2300

01:48:22,480 --> 01:48:20,720

program because then you have different

2301

01:48:24,460 --> 01:48:22,490

offices you have different funding lines

2302

01:48:26,950 --> 01:48:24,470

you have different budget line items you

2303

01:48:29,770 --> 01:48:26,960

have a slew of things that you now have

2304

01:48:31,750 --> 01:48:29,780

to consider and so I had pointed that

2305

01:48:34,290 --> 01:48:31,760

out and then when when the Pentagon said

2306

01:48:36,730 --> 01:48:34,300

that mr. Elizondo had you know no

2307

01:48:38,290 --> 01:48:36,740

responsibilities on the program all of a

2308

01:48:38,500 --> 01:48:38,300

sudden those discrepancies started to

2309

01:48:40,960 --> 01:48:38,510

make

2310

01:48:43,600 --> 01:48:40,970

since the discrepancies were there quite

2311

01:48:46,480 --> 01:48:43,610

possibly because he was making it up as

2312

01:48:50,560 --> 01:48:46,490

he went I mean there's no way around

2313

01:48:54,310 --> 01:48:50,570

that yeah why doesn't this may be the

2314

01:48:57,190 --> 01:48:54,320

dumbest question I can ask why doesn't

2315

01:49:00,970 --> 01:48:57,200

to the Stars take some of that stock

2316

01:49:06,520 --> 01:49:00,980

investment money and get a frigging fact

2317

01:49:09,790 --> 01:49:06,530

checker wouldn't that just fix a lot of

2318

01:49:12,670 --> 01:49:09,800

their problems because you know I said

2319

01:49:14,440 --> 01:49:12,680

this two years ago and I meant it a year

2320

01:49:16,090 --> 01:49:14,450

and a half ago I said here you've got

2321

01:49:20,440 --> 01:49:16,100

all of this brain power

2322

01:49:23,050 --> 01:49:20,450

you've got physicists and and national

2323

01:49:24,670 --> 01:49:23,060

security and and banking you've got all

2324

01:49:28,120 --> 01:49:24,680

of this brain power here

2325

01:49:30,610 --> 01:49:28,130

how can you stumble and make these kinds

2326

01:49:32,950 --> 01:49:30,620

of mistakes it doesn't make any sense

2327

01:49:36,310 --> 01:49:32,960

and that was one of the questions that I

2328

01:49:38,530 --> 01:49:36,320

laid out to DeLonge and to the team over

2329

01:49:41,410 --> 01:49:38,540

there I was just like just tell me

2330

01:49:43,420 --> 01:49:41,420

who the fall guy is here who's making

2331

01:49:46,630 --> 01:49:43,430

the mistakes because somebody here is

2332

01:49:49,510 --> 01:49:46,640

running amuck and all of this brainpower

2333

01:49:53,410 --> 01:49:49,520

you guys supposed to be investigating

2334

01:49:55,630 --> 01:49:53,420

UFOs right at the Pentagon do you guys

2335

01:49:57,910 --> 01:49:55,640

really know what you're doing you know

2336

01:50:00,880 --> 01:49:57,920

that's that's the bottom line a fact

2337

01:50:04,960 --> 01:50:00,890

checker here somebody some quality

2338

01:50:07,480 --> 01:50:04,970

control script supervisor right and you

2339

01:50:09,730 --> 01:50:07,490

know what I'm talking about to keep

2340

01:50:12,310 --> 01:50:09,740

everything in line you pay people to do

2341

01:50:13,210 --> 01:50:12,320

that don't you yeah you would and I

2342

01:50:15,160 --> 01:50:13,220

think that that would help with the

2343

01:50:17,500 --> 01:50:15,170

press release blunders the PowerPoint

2344

01:50:18,400 --> 01:50:17,510

presentation blunders the you know that

2345

01:50:22,170 --> 01:50:18,410

that kind of stuff

2346

01:50:24,720 --> 01:50:22,180

but when but when a undisputed

2347

01:50:27,880 --> 01:50:24,730

contributor meaning dr. Hal put off

2348

01:50:31,210 --> 01:50:27,890

through bass is taking part in the

2349

01:50:34,060 --> 01:50:31,220

program and ironically how he describes

2350

01:50:35,920 --> 01:50:34,070

it aligns with how the Pentagon has

2351

01:50:39,520 --> 01:50:35,930

describes it and then you've got mr.

2352

01:50:41,530 --> 01:50:39,530

Elizondo who gives the the same an

2353

01:50:44,500 --> 01:50:41,540

answer to the same question essentially

2354

01:50:46,810 --> 01:50:44,510

what is a tip and it is wildly different

2355

01:50:49,420 --> 01:50:46,820

than dr. put off which aligned with the

2356

01:50:51,490 --> 01:50:49,430

Pentagon you have to ask yourself why

2357

01:50:52,480 --> 01:50:51,500

why can't they get their story straight

2358

01:50:54,730 --> 01:50:52,490

you don't need a script

2359

01:50:57,100 --> 01:50:54,740

vizor fact-checker for that those two

2360

01:50:59,740 --> 01:50:57,110

guys work at the exact same corporation

2361

01:51:01,480 --> 01:50:59,750

and are on the same board and they can't

2362

01:51:03,760 --> 01:51:01,490

get their story straight

2363

01:51:05,740 --> 01:51:03,770

that's not semantics you know that

2364

01:51:07,690 --> 01:51:05,750

that's that's not put wordplay and this

2365

01:51:10,930 --> 01:51:07,700

and that those are two different

2366

01:51:12,910 --> 01:51:10,940

descriptions for these programs and

2367

01:51:15,310 --> 01:51:12,920

that's not the only discrepancy you know

2368

01:51:19,510 --> 01:51:15,320

I mean that there's a long list I wrote

2369

01:51:22,390 --> 01:51:19,520

a big timeline and and I

2370

01:51:25,210 --> 01:51:22,400

I literally on a timeline only use their

2371

01:51:27,970 --> 01:51:25,220

quotes use dr. put off right Luis

2372

01:51:29,410 --> 01:51:27,980

Elizondo I added a few points from the

2373

01:51:31,480 --> 01:51:29,420

Pentagon but some people just want to

2374

01:51:32,950 --> 01:51:31,490

you know dismiss the government which is

2375

01:51:34,750 --> 01:51:32,960

fine you can actually do this on the

2376

01:51:37,090 --> 01:51:34,760

timeline and you still have to scratch

2377

01:51:40,660 --> 01:51:37,100

your head because these guys cannot

2378

01:51:43,300 --> 01:51:40,670

agree on what the the story is and then

2379

01:51:45,520 --> 01:51:43,310

I put in a lot of the media only the

2380

01:51:48,190 --> 01:51:45,530

media that had direct access to TTS a

2381

01:51:50,140 --> 01:51:48,200

not people doing what I call copy and

2382

01:51:52,510 --> 01:51:50,150

paste journalism not bloggers not

2383

01:51:56,920 --> 01:51:52,520

anything just the outlets that had

2384

01:51:58,990 --> 01:51:56,930

direct contact with TTS a / Louis

2385

01:52:02,460 --> 01:51:59,000

Elizondo or Tom DeLonge or dr. put off

2386

01:52:04,870 --> 01:52:02,470

and when you look at the timeline it is

2387

01:52:07,210 --> 01:52:04,880

ridiculous if you want to harp on the

2388

01:52:08,980 --> 01:52:07,220

media of fiim you want to harp on TTS a

2389

01:52:10,630 --> 01:52:08,990

fine you want to harp on whomever pick

2390

01:52:13,000 --> 01:52:10,640

one but they need to be harp done

2391

01:52:15,640 --> 01:52:13,010

because when you look at it in that form

2392

01:52:18,310 --> 01:52:15,650

and and using source of all quotes I

2393

01:52:20,290 --> 01:52:18,320

sourced 100% of it so you can click on

2394

01:52:22,900 --> 01:52:20,300

the source link and go to interviews

2395

01:52:24,940 --> 01:52:22,910

videos you know whomever you verify

2396

01:52:27,460 --> 01:52:24,950

anything I put on this timeline but you

2397

01:52:32,170 --> 01:52:27,470

see how much of a mess it is people that

2398

01:52:34,000 --> 01:52:32,180

support this group they need to take 20

2399

01:52:35,200 --> 01:52:34,010

minutes and read that and see if they're

2400

01:52:37,330 --> 01:52:35,210

still okay with it

2401
01:52:40,630 --> 01:52:37,340
because they're being told multiple

2402
01:52:43,060 --> 01:52:40,640
stories now I love eat and breathe all

2403
01:52:45,580 --> 01:52:43,070
of this stuff but not everybody does

2404
01:52:48,250 --> 01:52:45,590
they're not paying attention to every

2405
01:52:51,790 --> 01:52:48,260
little facet all of the minutiae the

2406
01:52:54,850 --> 01:52:51,800
minutiae matters those details matter

2407
01:52:57,610 --> 01:52:54,860
because in the end you might ultimately

2408
01:53:00,130 --> 01:52:57,620
find out that somebody is not who they

2409
01:53:01,900 --> 01:53:00,140
say they are did we find that out with

2410
01:53:04,240 --> 01:53:01,910
this I'm not real sure we have a

2411
01:53:06,490 --> 01:53:04,250
Pentagon statement now that is the pink

2412
01:53:08,290 --> 01:53:06,500
elephant that nobody wants to touch

2413
01:53:10,569 --> 01:53:08,300

I don't know how long they can keep

2414

01:53:13,780 --> 01:53:10,579

going with that but I think that it

2415

01:53:15,819 --> 01:53:13,790

needs to be done because again those red

2416

01:53:18,370 --> 01:53:15,829

flags that you and I have chatted before

2417

01:53:21,040 --> 01:53:18,380

long before the Pentagon you know issue

2418

01:53:23,169 --> 01:53:21,050

a or way before way before way way

2419

01:53:26,740 --> 01:53:23,179

before all of a sudden they make sense

2420

01:53:28,050 --> 01:53:26,750

not having dates right not not knowing

2421

01:53:30,490 --> 01:53:28,060

certain aspects to projects

2422

01:53:33,490 --> 01:53:30,500

contradicting other board members all of

2423

01:53:35,649 --> 01:53:33,500

a sudden it lines up and went oh okay

2424

01:53:38,319 --> 01:53:35,659

now now that actually makes sense I

2425

01:53:39,910 --> 01:53:38,329

don't want it to be true again I I think

2426
01:53:41,680 --> 01:53:39,920
it's gonna do more damage in the long

2427
01:53:43,300 --> 01:53:41,690
run and I think you're coming up on a

2428
01:53:46,030 --> 01:53:43,310
break but really quick I reached out to

2429
01:53:48,370 --> 01:53:46,040
mister Elizondo privately through his

2430
01:53:49,479 --> 01:53:48,380
personal email address he and I we can

2431
01:53:52,300 --> 01:53:49,489
get into this after the break if you

2432
01:53:54,339 --> 01:53:52,310
want he and I had corresponded before he

2433
01:53:56,080 --> 01:53:54,349
would never answer my questions and I'll

2434
01:53:58,419 --> 01:53:56,090
deal with that because there was a rumor

2435
01:54:02,560 --> 01:53:58,429
on Twitter which was a fabricated lie

2436
01:54:05,439 --> 01:54:02,570
but that being said I said to him let me

2437
01:54:07,689 --> 01:54:05,449
help you fix this I said I tried with

2438
01:54:09,609 --> 01:54:07,699

the 2009 read letter from George Knapp

2439

01:54:12,399 --> 01:54:09,619

and I said this is what the Pentagon

2440

01:54:14,589 --> 01:54:12,409

gave me I am going to publish it because

2441

01:54:16,810 --> 01:54:14,599

if I don't I'm gonna do the same thing

2442

01:54:18,910 --> 01:54:16,820

that I harp on everybody else for doing

2443

01:54:21,490 --> 01:54:18,920

and that's selective reporting right so

2444

01:54:24,339 --> 01:54:21,500

I said let me help you fix this give me

2445

01:54:25,629 --> 01:54:24,349

anything that was ignored and dr.

2446

01:54:28,300 --> 01:54:25,639

putt-off was the only one that went on

2447

01:54:30,550 --> 01:54:28,310

the record and he made everything a heck

2448

01:54:32,919 --> 01:54:30,560

of a lot more confusing let's take our

2449

01:54:35,050 --> 01:54:32,929

break right here we will continue this

2450

01:54:36,939 --> 01:54:35,060

when we come back also I'm gonna get

2451
01:54:39,280 --> 01:54:36,949
back into the metamaterials too as well

2452
01:54:41,530 --> 01:54:39,290
as some information there that you may

2453
01:54:43,359 --> 01:54:41,540
not have heard before this is fade to

2454
01:54:45,339 --> 01:54:43,369
black I'm Yours Timmy Church we're

2455
01:54:48,870 --> 01:54:45,349
talking to John Greenwald talking about

2456
01:54:52,089 --> 01:54:48,880
disinformation CIA Department of Defense

2457
01:54:54,879 --> 01:54:52,099
National counterintelligence all of that

2458
01:55:07,439 --> 01:54:54,889
and much more when it comes to T TSA

2459
01:55:11,109 --> 01:55:09,459
welcome back fade to black

2460
01:55:13,739 --> 01:55:11,119
great conversation tonight with John

2461
01:55:16,419 --> 01:55:13,749
Greenwald some things have to be said

2462
01:55:19,959 --> 01:55:16,429
they just have to be said and it's about

2463
01:55:22,540 --> 01:55:19,969

keeping your ears and your eyes wide

2464

01:55:25,689 --> 01:55:22,550

open that's it that's the only way to

2465

01:55:28,869 --> 01:55:25,699

move forward and John I wanted to get

2466

01:55:34,029 --> 01:55:28,879

back to a point about the metamaterials

2467

01:55:37,929 --> 01:55:34,039

now I had a very long conversation top

2468

01:55:42,819 --> 01:55:37,939

top top top top top researcher top top

2469

01:55:45,369 --> 01:55:42,829

of the heap and he said to me he said to

2470

01:55:48,609 --> 01:55:45,379

me I was in possession of those meta

2471

01:55:51,399 --> 01:55:48,619

materials I had them for a couple of

2472

01:55:55,290 --> 01:55:51,409

years I had them completely tested at

2473

01:56:00,759 --> 01:55:55,300

multiple laboratories they are 100%

2474

01:56:05,169 --> 01:56:00,769

terrestrial and I told tts a this I gave

2475

01:56:07,419 --> 01:56:05,179

T TSA all of my laboratory results they

2476

01:56:10,379 --> 01:56:07,429

don't want to listen and and they just

2477

01:56:15,040 --> 01:56:10,389

want to go on with this story that it is

2478

01:56:17,379 --> 01:56:15,050

you know that it's et it is not and and

2479

01:56:19,869 --> 01:56:17,389

that's it I took that as gospel I just

2480

01:56:21,209 --> 01:56:19,879

backed up and went okay you know T TSA

2481

01:56:23,830 --> 01:56:21,219

is gonna run with this and

2482

01:56:27,819 --> 01:56:23,840

sensationalize it and and make it part

2483

01:56:30,549 --> 01:56:27,829

of their unidentified show and and and

2484

01:56:34,629 --> 01:56:30,559

and I get that it's like a Bigfoot show

2485

01:56:37,089 --> 01:56:34,639

you know the ending of Bigfoot right you

2486

01:56:39,279 --> 01:56:37,099

know the ending of the show and with

2487

01:56:41,229 --> 01:56:39,289

these metamaterials it's going to be the

2488

01:56:43,810 --> 01:56:41,239

same thing it's going to be ongoing the

2489

01:56:46,389 --> 01:56:43,820

tests are inconclusive but but there's

2490

01:56:49,060 --> 01:56:46,399

this and this and and that's that's the

2491

01:56:52,000 --> 01:56:49,070

way it's gonna run it's a TV show and I

2492

01:56:57,790 --> 01:56:52,010

get that but I'm telling you what I was

2493

01:56:59,770 --> 01:56:57,800

told and it's not surprising and I from

2494

01:57:01,689 --> 01:56:59,780

what I understand the piece that's being

2495

01:57:04,569 --> 01:57:01,699

touted right now has been around for

2496

01:57:07,509 --> 01:57:04,579

quite some time like since the 1990s

2497

01:57:09,939 --> 01:57:07,519

quite some time and in addition to what

2498

01:57:13,149 --> 01:57:09,949

you had just added I mean I believe his

2499

01:57:16,479 --> 01:57:13,159

name was Nicholas writer REI ter and he

2500

01:57:19,850 --> 01:57:16,489

had analyzed that material years ago and

2501

01:57:21,980 --> 01:57:19,860

found absolutely nothing

2502

01:57:24,350 --> 01:57:21,990

normal about it and believe though the

2503

01:57:26,540 --> 01:57:24,360

website that you can see this is a UFO

2504

01:57:28,490 --> 01:57:26,550

watchdog and it's been published for

2505

01:57:31,250 --> 01:57:28,500

years and years I mean it ties into what

2506

01:57:33,230 --> 01:57:31,260

was called arts parts and so there

2507

01:57:36,260 --> 01:57:33,240

there's a lot of evidence to support

2508

01:57:38,720 --> 01:57:36,270

that there's nothing to the specific

2509

01:57:40,310 --> 01:57:38,730

piece that they are showing and that's

2510

01:57:45,260 --> 01:57:40,320

that's also kind of another head

2511

01:57:47,560 --> 01:57:45,270

scratcher is in two years ad in mister

2512

01:57:50,450 --> 01:57:47,570

Elizondo allegedly headed this program

2513

01:57:53,540 --> 01:57:50,460

all the years that he headed it which

2514

01:57:55,880 --> 01:57:53,550

allegedly was you know what seven seven

2515

01:57:59,180 --> 01:57:55,890

years or so if you follow his timeline

2516

01:58:01,280 --> 01:57:59,190

in all of those years with all of the

2517

01:58:03,920 --> 01:58:01,290

people involved they cannot find

2518

01:58:06,080 --> 01:58:03,930

anything else that warrants a press

2519

01:58:08,300 --> 01:58:06,090

release instead of something that was

2520

01:58:12,950 --> 01:58:08,310

essentially debunked in the 1990s that's

2521

01:58:14,810 --> 01:58:12,960

right well this is the other part if you

2522

01:58:17,840 --> 01:58:14,820

really want to make sense out of

2523

01:58:19,910 --> 01:58:17,850

everything you do this if you are bass

2524

01:58:24,160 --> 01:58:19,920

if you are Bigelow and you've got a

2525

01:58:27,890 --> 01:58:24,170

warehouse in Las Vegas with et crashed

2526

01:58:31,100 --> 01:58:27,900

items in it right from from retrievals

2527

01:58:33,680 --> 01:58:31,110

and in style if you have that then you

2528

01:58:36,620 --> 01:58:33,690

go public you have the biggest press

2529

01:58:39,770 --> 01:58:36,630

conference you and TTS a you lay out the

2530

01:58:41,750 --> 01:58:39,780

stuff on the front of a table you get

2531

01:58:44,540 --> 01:58:41,760

out in front of the media and then you

2532

01:58:48,980 --> 01:58:44,550

sell all the stock that you can handle

2533

01:58:52,340 --> 01:58:48,990

that's what you do and and they haven't

2534

01:58:55,160 --> 01:58:52,350

done that because they can't and I will

2535

01:58:57,950 --> 01:58:55,170

I will I will preach that till the cows

2536

01:59:01,670 --> 01:58:57,960

come home you know because if you John

2537

01:59:05,300 --> 01:59:01,680

if you were in possession of a piece of

2538

01:59:07,790 --> 01:59:05,310

an alien craft you John Greenwald that

2539

01:59:09,740 --> 01:59:07,800

is on the black vault you go public with

2540

01:59:12,140 --> 01:59:09,750

it you are the most famous man in

2541

01:59:14,660 --> 01:59:12,150

history in fact they started religion

2542

01:59:18,080 --> 01:59:14,670

based on you that's what they would do

2543

01:59:20,360 --> 01:59:18,090

and and the fact that they haven't gone

2544

01:59:22,910 --> 01:59:20,370

that far with it is because that they

2545

01:59:28,280 --> 01:59:22,920

can't and I'll call them on it that's it

2546

01:59:29,900 --> 01:59:28,290

go public or or not that's it yeah want

2547

01:59:31,550 --> 01:59:29,910

to go back to one thing really quick

2548

01:59:33,140 --> 01:59:31,560

just because I fact checked it while we

2549

01:59:33,649 --> 01:59:33,150

were at the break the Lewis Elizondo

2550

01:59:36,110 --> 01:59:33,659

descript

2551
01:59:38,330 --> 01:59:36,120
mhm I looked up how they first published

2552
01:59:40,580 --> 01:59:38,340
it in 2017 on the wayback machine

2553
01:59:42,970 --> 01:59:40,590
mm-hmm and it said for nearly the last

2554
01:59:45,080 --> 01:59:42,980
decade lewis also ran a sensitive

2555
01:59:46,490 --> 01:59:45,090
aerospace threat identification program

2556
01:59:49,129 --> 01:59:46,500
focusing on unidentified aerial

2557
01:59:53,090 --> 01:59:49,139
technologies so again they said he ran

2558
01:59:55,129 --> 01:59:53,100
it the today if you were to go to the

2559
01:59:58,189 --> 01:59:55,139
website they call him the program

2560
01:59:59,689 --> 01:59:58,199
element manager so you know that could

2561
02:00:01,640 --> 01:59:59,699
just be different phrasing I'm not real

2562
02:00:03,800 --> 02:00:01,650
sure but just to kind of fact check so

2563
02:00:05,750 --> 02:00:03,810

you're so your listeners have exactly

2564

02:00:08,090 --> 02:00:05,760

what we were talking about that's the

2565

02:00:09,649 --> 02:00:08,100

difference so one when when they

2566

02:00:11,689 --> 02:00:09,659

launched the website they said he ran it

2567

02:00:16,040 --> 02:00:11,699

now he is called the program element

2568

02:00:19,790 --> 02:00:16,050

manager on this program a few weeks ago

2569

02:00:22,129 --> 02:00:19,800

grant Cameron was on and he made a very

2570

02:00:24,169 --> 02:00:22,139

interesting point and I want to run this

2571

02:00:24,500 --> 02:00:24,179

by you and get your get your thoughts on

2572

02:00:29,540 --> 02:00:24,510

this

2573

02:00:34,310 --> 02:00:29,550

he said that T TSA is putting it out

2574

02:00:36,830 --> 02:00:34,320

there all screwed up on purpose because

2575

02:00:41,479 --> 02:00:36,840

it's for funding from Congress because

2576

02:00:44,930 --> 02:00:41,489

they can't you know get access to money

2577

02:00:47,000 --> 02:00:44,940

and this is their way and I'm talking

2578

02:00:48,939 --> 02:00:47,010

about the United States Navy and the way

2579

02:00:52,610 --> 02:00:48,949

that all of this is being pushed through

2580

02:00:55,060 --> 02:00:52,620

all the way to President Trump right

2581

02:01:00,560 --> 02:00:55,070

this is a way to start to get funding

2582

02:01:04,129 --> 02:01:00,570

probably back to Bigelow and and of

2583

02:01:07,430 --> 02:01:04,139

course sell stock for T TSA that this is

2584

02:01:09,830 --> 02:01:07,440

the methodology for that what do you

2585

02:01:11,720 --> 02:01:09,840

think about that kind of assessment to

2586

02:01:13,669 --> 02:01:11,730

me that that's kind of a stretch I mean

2587

02:01:15,740 --> 02:01:13,679

I do believe that there is a Bigelow

2588

02:01:18,050 --> 02:01:15,750

angle with the money that stretches back

2589

02:01:19,520 --> 02:01:18,060

to Harry Reid the connection with you

2590

02:01:21,680 --> 02:01:19,530

know Reid being the Senate Majority

2591

02:01:23,870 --> 02:01:21,690

Leader senator from Nevada

2592

02:01:25,820 --> 02:01:23,880

Bigelow's headquartered in Nevada that's

2593

02:01:27,740 --> 02:01:25,830

not popular to say and you've said a

2594

02:01:30,290 --> 02:01:27,750

couple times sometimes it's tough to

2595

02:01:31,760 --> 02:01:30,300

talk about it but we need to look at it

2596

02:01:34,939 --> 02:01:31,770

you know I mean we need to understand

2597

02:01:37,760 --> 02:01:34,949

where that money is now fast forward in

2598

02:01:39,680 --> 02:01:37,770

2009 when that Senator Harry Reid letter

2599

02:01:44,390 --> 02:01:39,690

that I've mentioned a couple times it

2600

02:01:46,629 --> 02:01:44,400

aimed to save this program the awesome

2601
02:01:48,370 --> 02:01:46,639
slash a tip program or

2602
02:01:51,339 --> 02:01:48,380
programs depending upon who you listen

2603
02:01:53,830 --> 02:01:51,349
to but it aimed to save it why would a

2604
02:01:55,270 --> 02:01:53,840
US Senator other than if he was you know

2605
02:01:58,029 --> 02:01:55,280
maybe he was just genuinely passionate

2606
02:02:01,299 --> 02:01:58,039
and that's fine but why would he really

2607
02:02:04,839 --> 02:02:01,309
get that invested other than Bigelow was

2608
02:02:06,520 --> 02:02:04,849
a big investor in him and a donor so he

2609
02:02:09,639 --> 02:02:06,530
was you know essentially doing the favor

2610
02:02:12,120 --> 02:02:09,649
to continue that money in 2009 was a key

2611
02:02:15,459 --> 02:02:12,130
year because that's when they decided to

2612
02:02:17,709 --> 02:02:15,469
essentially say this is not producing

2613
02:02:19,989 --> 02:02:17,719

anything worthwhile I do have that in an

2614

02:02:21,879 --> 02:02:19,999

official statement the DIA says we don't

2615

02:02:25,089 --> 02:02:21,889

want it anymore and that's when it

2616

02:02:26,649 --> 02:02:25,099

transferred over to you know OSD now

2617

02:02:28,899 --> 02:02:26,659

fast forward what is Bigelow's

2618

02:02:31,270 --> 02:02:28,909

connection now in the last year and a

2619

02:02:34,449 --> 02:02:31,280

half plus close to two years since tea

2620

02:02:36,100 --> 02:02:34,459

tsa has come around and a tip surfaced

2621

02:02:37,839 --> 02:02:36,110

and Bigelow's names been thrown around

2622

02:02:40,719 --> 02:02:37,849

in the new york times and all this stuff

2623

02:02:42,729 --> 02:02:40,729

who has been the most silent and that's

2624

02:02:44,649 --> 02:02:42,739

Bigelow Aerospace like I don't think

2625

02:02:46,600 --> 02:02:44,659

that they have talked about this at all

2626
02:02:49,419 --> 02:02:46,610
like I mean I think there's not anything

2627
02:02:50,589 --> 02:02:49,429
off the top of my head anyway so if I'm

2628
02:02:52,169 --> 02:02:50,599
wrong on that I'm sure someone will

2629
02:02:56,739 --> 02:02:52,179
point it out but they have been

2630
02:02:59,739 --> 02:02:56,749
mysteriously quiet seriously since since

2631
02:03:03,850 --> 02:02:59,749
60 minutes actually which was quite a

2632
02:03:06,489 --> 02:03:03,860
few years ago right yep yes so the

2633
02:03:09,399 --> 02:03:06,499
question is why like for me and I'll use

2634
02:03:12,819 --> 02:03:09,409
a prime example Raytheon had published a

2635
02:03:15,580 --> 02:03:12,829
press release article that touted one of

2636
02:03:18,189 --> 02:03:15,590
the videos I forget which three but one

2637
02:03:20,469 --> 02:03:18,199
of the you know videos that T TSA

2638
02:03:22,870 --> 02:03:20,479

released and kind of touted that it was

2639

02:03:24,750 --> 02:03:22,880

their equipment that filmed that right

2640

02:03:27,250 --> 02:03:24,760

so they kind of latched on to the hype

2641

02:03:28,479 --> 02:03:27,260

to publicize their own corporation I

2642

02:03:29,889 --> 02:03:28,489

don't fault them for that that's fine

2643

02:03:32,049 --> 02:03:29,899

you know they've all the more power to

2644

02:03:33,609 --> 02:03:32,059

him but that shows you the corporate

2645

02:03:35,739 --> 02:03:33,619

mentality that it's like hey if we can

2646

02:03:37,569 --> 02:03:35,749

get some publicity out of this let's do

2647

02:03:39,819 --> 02:03:37,579

it so you have to ask yourself why

2648

02:03:41,469 --> 02:03:39,829

wouldn't Bigelow Aerospace why wouldn't

2649

02:03:43,870 --> 02:03:41,479

they come aboard and say yeah you know

2650

02:03:46,149 --> 02:03:43,880

what we saw this we support there should

2651

02:03:48,790 --> 02:03:46,159

be further research there's nothing

2652

02:03:52,179 --> 02:03:48,800

about classification clearances any

2653

02:03:57,040 --> 02:03:52,189

violations nothing for a corporation to

2654

02:04:00,100 --> 02:03:57,050

say an opinion and to back a either

2655

02:04:03,129 --> 02:04:00,110

public benefit corporation or

2656

02:04:04,810 --> 02:04:03,139

advocate for additional programs whether

2657

02:04:06,939 --> 02:04:04,820

or not they try and you know get that

2658

02:04:09,520 --> 02:04:06,949

money themselves whatever but they

2659

02:04:12,129 --> 02:04:09,530

there's nothing wrong with that and yet

2660

02:04:14,229 --> 02:04:12,139

they've stayed quiet and that's always

2661

02:04:17,260 --> 02:04:14,239

been intriguing to me because again you

2662

02:04:19,660 --> 02:04:17,270

would want to ride that gravy train get

2663

02:04:22,090 --> 02:04:19,670

more attention - Bigelow Aerospace just

2664

02:04:25,600 --> 02:04:22,100

like Raytheon did hey this is the

2665

02:04:27,729 --> 02:04:25,610

technology that we created we see aliens

2666

02:04:30,070 --> 02:04:27,739

other they didn't say that I'm obviously

2667

02:04:32,169 --> 02:04:30,080

being facetious but you know it's like

2668

02:04:34,570 --> 02:04:32,179

they're they're latching on to that

2669

02:04:36,700 --> 02:04:34,580

momentum there's no reason that I could

2670

02:04:39,640 --> 02:04:36,710

think of the Bigelow Aerospace would not

2671

02:04:41,859 --> 02:04:39,650

and and get their name out there and get

2672

02:04:43,750 --> 02:04:41,869

a little bit of attention for himself

2673

02:04:46,060 --> 02:04:43,760

there's nothing even wrong with that I'm

2674

02:04:48,550 --> 02:04:46,070

not saying that would be anything bad so

2675

02:04:51,879 --> 02:04:48,560

why have they been quiet and and that

2676

02:04:53,500 --> 02:04:51,889

that I don't have an answer to I have

2677

02:04:55,629 --> 02:04:53,510

reached out to Bigelow Aerospace and

2678

02:04:58,450 --> 02:04:55,639

their PR department never received a

2679

02:05:01,060 --> 02:04:58,460

response I called an email just for

2680

02:05:02,709 --> 02:05:01,070

anybody who's taken notes and and so

2681

02:05:06,609 --> 02:05:02,719

they ignored all requests for comments

2682

02:05:08,950 --> 02:05:06,619

on anything so there's and again not not

2683

02:05:10,780 --> 02:05:08,960

that I'm anyone but my point with that

2684

02:05:13,300 --> 02:05:10,790

is generally you know you might have a

2685

02:05:15,520 --> 02:05:13,310

standard response or a copy and paste or

2686

02:05:17,830 --> 02:05:15,530

that you would send out to anybody who's

2687

02:05:21,010 --> 02:05:17,840

who's asking and it just seems like they

2688

02:05:23,109 --> 02:05:21,020

don't want anything to do with this here

2689

02:05:24,580 --> 02:05:23,119

close to two years later and I think

2690

02:05:26,320 --> 02:05:24,590

that there's there's something to that I

2691

02:05:30,810 --> 02:05:26,330

don't know what it is but I think we

2692

02:05:34,270 --> 02:05:30,820

need to ask any word on the ratings of

2693

02:05:36,010 --> 02:05:34,280

unidentified how all did it go at the

2694

02:05:39,760 --> 02:05:36,020

beginning and at the end of the season

2695

02:05:42,220 --> 02:05:39,770

do you know from what I understood from

2696

02:05:46,149 --> 02:05:42,230

the ratings it had dipped by the perma

2697

02:05:47,590 --> 02:05:46,159

by the finale which is never a good sign

2698

02:05:49,209 --> 02:05:47,600

but I'm not gonna lie to you and say I

2699

02:05:51,189 --> 02:05:49,219

know all the figures and how it went

2700

02:05:54,359 --> 02:05:51,199

from episode one to episode whatever the

2701

02:05:56,859 --> 02:05:54,369

last one was six so but I do know that

2702

02:05:58,689 --> 02:05:56,869

from what I understand from what I read

2703

02:06:01,450 --> 02:05:58,699

they did not break the million mark or

2704

02:06:03,520 --> 02:06:01,460

the point mark on that finale which is

2705

02:06:05,590 --> 02:06:03,530

not necessarily a good sign it dipped

2706

02:06:07,870 --> 02:06:05,600

from the week prior from what I

2707

02:06:08,520 --> 02:06:07,880

understand so again that's that's never

2708

02:06:12,989 --> 02:06:08,530

a good sign

2709

02:06:15,750 --> 02:06:12,999

that it dipped but

2710

02:06:17,700 --> 02:06:15,760

is a pretties if they got close to that

2711

02:06:20,719 --> 02:06:17,710

I don't know if they've got into ancient

2712

02:06:24,589 --> 02:06:20,729

aliens territory as far as numbers go

2713

02:06:28,279 --> 02:06:24,599

but wouldn't that signal a season - and

2714

02:06:33,029 --> 02:06:28,289

the reason why I asked that question

2715

02:06:35,339 --> 02:06:33,039

back with hangar 1 during our second

2716

02:06:38,819 --> 02:06:35,349

season we had really really really

2717

02:06:41,729 --> 02:06:38,829

strong numbers and there were reports

2718

02:06:43,529 --> 02:06:41,739

that's a couple of those Friday's we we

2719

02:06:45,629 --> 02:06:43,539

had bigger numbers than ancient aliens

2720

02:06:49,379 --> 02:06:45,639

mm-hmm but we didn't get picked up for a

2721

02:06:52,169 --> 02:06:49,389

season three yeah networks are finicky

2722

02:06:54,020 --> 02:06:52,179

and I'm not gonna pick on UFO related

2723

02:06:57,180 --> 02:06:54,030

programs by saying this or unidentified

2724

02:06:59,160 --> 02:06:57,190

directly they're just finicky with what

2725

02:07:01,350 --> 02:06:59,170

they look at and how they analyze and

2726
02:07:03,390 --> 02:07:01,360
how what did you pull and what time slot

2727
02:07:06,359 --> 02:07:03,400
and going up against ancient aliens back

2728
02:07:07,560 --> 02:07:06,369
to back did you hold the audience and I

2729
02:07:09,660 --> 02:07:07,570
know that there was some talk that

2730
02:07:11,819 --> 02:07:09,670
during some of the episodes they were

2731
02:07:13,410 --> 02:07:11,829
able to retain the audience but I don't

2732
02:07:15,540 --> 02:07:13,420
I don't believe they ever beat them but

2733
02:07:17,609 --> 02:07:15,550
don't quote me on that as gospel but I

2734
02:07:20,759 --> 02:07:17,619
know I never heard that they had risen

2735
02:07:22,080 --> 02:07:20,769
above that level so what you know if

2736
02:07:26,009 --> 02:07:22,090
they got a season two what it surprised

2737
02:07:27,600 --> 02:07:26,019
me no I mean a lot of UFO shows I get a

2738
02:07:30,750 --> 02:07:27,610

season two I mean that they get good

2739

02:07:33,450 --> 02:07:30,760

ratings UFOs get clicks hits and ratings

2740

02:07:35,609 --> 02:07:33,460

we all know that and it plays into a

2741

02:07:37,620 --> 02:07:35,619

role and what we are seeing on

2742

02:07:39,839 --> 02:07:37,630

television and what we're reading in the

2743

02:07:41,819 --> 02:07:39,849

media but again I go back to that pink

2744

02:07:43,560 --> 02:07:41,829

elephant in the room that regardless of

2745

02:07:47,549 --> 02:07:43,570

if that Pentagon statement is true or

2746

02:07:49,410 --> 02:07:47,559

not they need to address it because the

2747

02:07:52,979 --> 02:07:49,420

host of their show the star of their

2748

02:07:56,669 --> 02:07:52,989

show what they what they surrounded the

2749

02:07:58,560 --> 02:07:56,679

entire series around the United States

2750

02:08:01,169 --> 02:07:58,570

government went on the record and said

2751

02:08:03,989 --> 02:08:01,179

that's not true now to be honest with

2752

02:08:07,439 --> 02:08:03,999

you that's fairly unprecedented as well

2753

02:08:09,629 --> 02:08:07,449

it's very rare unless they have to where

2754

02:08:12,899 --> 02:08:09,639

they start taking shots at people by

2755

02:08:13,529 --> 02:08:12,909

name and generally they just leave well

2756

02:08:15,899 --> 02:08:13,539

enough alone

2757

02:08:18,899 --> 02:08:15,909

you know these government whistleblowers

2758

02:08:20,549 --> 02:08:18,909

that come out with crazy claims and the

2759

02:08:22,890 --> 02:08:20,559

Pentagon doesn't issue statements on

2760

02:08:25,080 --> 02:08:22,900

them a lot of people find like truth in

2761

02:08:27,000 --> 02:08:25,090

that they go aha the Pentagon can't

2762

02:08:28,560 --> 02:08:27,010

refute it no I mean it's general

2763

02:08:30,840 --> 02:08:28,570

standard practice that they just don't

2764

02:08:34,920 --> 02:08:30,850

address it so it's very interesting that

2765

02:08:36,720 --> 02:08:34,930

they did with a Louis Elizondo and I and

2766

02:08:38,910 --> 02:08:36,730

I did wrestle for a little bit thinking

2767

02:08:42,030 --> 02:08:38,920

wow are they trying to ruin his

2768

02:08:44,490 --> 02:08:42,040

credibility are they taking a shot at

2769

02:08:46,920 --> 02:08:44,500

him in the respect that they want to

2770

02:08:49,170 --> 02:08:46,930

harm his credibility and and make him

2771

02:08:51,870 --> 02:08:49,180

look like someone that he's not and and

2772

02:08:55,410 --> 02:08:51,880

all of that is untrue and I just don't

2773

02:08:57,950 --> 02:08:55,420

see any evidence of that meaning there's

2774

02:09:00,450 --> 02:08:57,960

no one that has come out other than his

2775

02:09:03,120 --> 02:09:00,460

essentially business partner doctor put

2776

02:09:05,550 --> 02:09:03,130

off that is vouched that he was in the

2777

02:09:08,610 --> 02:09:05,560

Pentagon running this program now for

2778

02:09:11,550 --> 02:09:08,620

any company even government work a tip

2779

02:09:15,090 --> 02:09:11,560

top according to Senator Harry Reid were

2780

02:09:17,840 --> 02:09:15,100

not highly classified programs in fact

2781

02:09:20,310 --> 02:09:17,850

to quote Harry Reid 80% of it is

2782

02:09:22,800 --> 02:09:20,320

unclassified so to think that they're

2783

02:09:25,290 --> 02:09:22,810

just deep dark secret you know CIA

2784

02:09:27,060 --> 02:09:25,300

agents with with top-secret clearances

2785

02:09:30,390 --> 02:09:27,070

and and they're not gonna blow their

2786

02:09:31,680 --> 02:09:30,400

cover to vouch for Lewis Elizondo I just

2787

02:09:35,460 --> 02:09:31,690

don't buy that that's not what this

2788

02:09:38,190 --> 02:09:35,470

program was people have argued well prep

2789

02:09:41,130 --> 02:09:38,200

PR officers are often wrong you know

2790

02:09:43,860 --> 02:09:41,140

that that they don't know well if they

2791

02:09:45,990 --> 02:09:43,870

took the time to look the press officer

2792

02:09:48,480 --> 02:09:46,000

who issued the statement actually went

2793

02:09:50,760 --> 02:09:48,490

on the record and said that he spoke to

2794

02:09:52,620 --> 02:09:50,770

Oh USD I which is the acronym for the

2795

02:09:54,780 --> 02:09:52,630

office of the Undersecretary of defense

2796

02:09:57,720 --> 02:09:54,790

for intelligence other

2797

02:10:00,660 --> 02:09:57,730

oh you SDI leadership within that

2798

02:10:03,390 --> 02:10:00,670

organization that some of which actually

2799

02:10:05,850 --> 02:10:03,400

worked at the time that mr. Elizondo was

2800

02:10:09,030 --> 02:10:05,860

at oh you SDI that part was not disputed

2801
02:10:11,550 --> 02:10:09,040
and they confirmed he did not run that

2802
02:10:13,350 --> 02:10:11,560
program so it's not just what a lot of

2803
02:10:15,060 --> 02:10:13,360
people are banking like wow PR press

2804
02:10:16,890 --> 02:10:15,070
officers they don't know anything well

2805
02:10:19,500 --> 02:10:16,900
that's not what this press officer based

2806
02:10:21,570 --> 02:10:19,510
a statement off of so to go back to the

2807
02:10:25,110 --> 02:10:21,580
point I mean that the any networks has a

2808
02:10:27,960 --> 02:10:25,120
lot to answer for if they put him on

2809
02:10:31,310 --> 02:10:27,970
television again and say this is the guy

2810
02:10:34,620 --> 02:10:31,320
that ran the quote-unquote top-secret

2811
02:10:38,250 --> 02:10:34,630
pentagon UFO program which by the way

2812
02:10:40,660 --> 02:10:38,260
that's all you know fluff and creative

2813
02:10:41,859 --> 02:10:40,670

license there's no

2814

02:10:44,169 --> 02:10:41,869

there's no proof that this was a

2815

02:10:46,439 --> 02:10:44,179

top-secret program it had classified

2816

02:10:49,899 --> 02:10:46,449

aspects but if you believe Harry Reid

2817

02:10:53,859 --> 02:10:49,909

80% of it was unclassified what do you

2818

02:10:57,430 --> 02:10:53,869

do how do you address those out there

2819

02:11:00,070 --> 02:10:57,440

that say that that you're wrong and

2820

02:11:02,859 --> 02:11:00,080

you're picking on Elizondo because it's

2821

02:11:06,520 --> 02:11:02,869

it's it's personal and you've lost sight

2822

02:11:08,649 --> 02:11:06,530

of objectivity yeah how do I respond to

2823

02:11:11,500 --> 02:11:08,659

that I mean I questioned myself all the

2824

02:11:13,899 --> 02:11:11,510

time have I made this personal right to

2825

02:11:16,149 --> 02:11:13,909

be honest with you I haven't the reason

2826

02:11:18,340 --> 02:11:16,159

is is I tried what people will disagree

2827

02:11:20,530 --> 02:11:18,350

with me but I tried to help fix it

2828

02:11:22,870 --> 02:11:20,540

because again I look at the bigger

2829

02:11:25,959 --> 02:11:22,880

picture and in the bigger picture mark

2830

02:11:29,140 --> 02:11:25,969

my words this will be more damaging than

2831

02:11:31,390 --> 02:11:29,150

all else I do not believe in the long

2832

02:11:34,149 --> 02:11:31,400

run this is going to help the UFO

2833

02:11:36,640 --> 02:11:34,159

community so I did genuinely try and

2834

02:11:39,760 --> 02:11:36,650

help but to be honest with you you have

2835

02:11:42,580 --> 02:11:39,770

to look at this objectively with common

2836

02:11:45,459 --> 02:11:42,590

sense and logic and take me out of the

2837

02:11:48,250 --> 02:11:45,469

equation just look at it start to look

2838

02:11:50,439 --> 02:11:48,260

at his words don't listen to mine look

2839

02:11:53,140 --> 02:11:50,449

at his and look at how he contradicts

2840

02:11:56,229 --> 02:11:53,150

himself look at you've pointed it out

2841

02:11:58,419 --> 02:11:56,239

also those tough questions now TTS a as

2842

02:12:00,760 --> 02:11:58,429

a whole not only Elizondo those tough

2843

02:12:03,180 --> 02:12:00,770

questions that should be answered and

2844

02:12:06,280 --> 02:12:03,190

addressed they should embrace them and

2845

02:12:08,399 --> 02:12:06,290

and squash them squash the concerns

2846

02:12:11,680 --> 02:12:08,409

answer the questions and yet they do not

2847

02:12:13,780 --> 02:12:11,690

they do not want to engage anything that

2848

02:12:16,330 --> 02:12:13,790

is challenging most of the interviews

2849

02:12:18,879 --> 02:12:16,340

that take place with well that used to

2850

02:12:22,120 --> 02:12:18,889

take place with mr. Elizondo or whomever

2851
02:12:24,040 --> 02:12:22,130
are largely softball questions I mean

2852
02:12:26,350 --> 02:12:24,050
they just are you can't argue that

2853
02:12:27,760 --> 02:12:26,360
nobody is challenging him I want to I

2854
02:12:29,680 --> 02:12:27,770
want to give credit to Martin Willis

2855
02:12:34,330 --> 02:12:29,690
he's the only one that I know of that

2856
02:12:37,479 --> 02:12:34,340
got Elizondo on a show and directly

2857
02:12:41,140 --> 02:12:37,489
asked him about the Pentagon statement

2858
02:12:43,240 --> 02:12:41,150
and so kudos to him because he had the

2859
02:12:45,550 --> 02:12:43,250
opportunity and he took it and he did it

2860
02:12:49,149 --> 02:12:45,560
I would have pressed him after his

2861
02:12:52,629 --> 02:12:49,159
answer and as his answer was everybody's

2862
02:12:54,549 --> 02:12:52,639
entitled to an opinion now that's like

2863
02:12:57,160 --> 02:12:54,559

the the he went on for a couple

2864

02:12:59,850 --> 02:12:57,170

and to be blatantly honest with you

2865

02:13:02,379 --> 02:12:59,860

didn't really have a formulated answer

2866

02:13:03,910 --> 02:13:02,389

however the only thing that he really

2867

02:13:06,370 --> 02:13:03,920

said of substance was everyone's

2868

02:13:09,250 --> 02:13:06,380

entitled to an opinion meaning the PR

2869

02:13:11,160 --> 02:13:09,260

officer at the Pentagon who talked with

2870

02:13:14,080 --> 02:13:11,170

mr. elizondo's former colleagues

2871

02:13:16,479 --> 02:13:14,090

apparently this is just an opinion you

2872

02:13:18,010 --> 02:13:16,489

know and I laugh at that because to me I

2873

02:13:19,660 --> 02:13:18,020

would have pressed that I think you

2874

02:13:22,270 --> 02:13:19,670

would have to and I'm not harping on

2875

02:13:24,549 --> 02:13:22,280

Martin with saying he didn't he only had

2876

02:13:25,990 --> 02:13:24,559

like 10 minutes so the point you know he

2877

02:13:28,779 --> 02:13:26,000

had to just move on he's not gonna just

2878

02:13:30,669 --> 02:13:28,789

grill and interrogate the guy so I don't

2879

02:13:32,080 --> 02:13:30,679

fault him for not pressing him but I

2880

02:13:34,209 --> 02:13:32,090

think that he needs to be pressed on

2881

02:13:37,359 --> 02:13:34,219

that I think that if he would have come

2882

02:13:39,399 --> 02:13:37,369

out with something of substance then we

2883

02:13:42,010 --> 02:13:39,409

can get beyond it we can then challenge

2884

02:13:44,260 --> 02:13:42,020

the Pentagon and a lot of people that

2885

02:13:46,180 --> 02:13:44,270

would say you're making this personal

2886

02:13:47,950 --> 02:13:46,190

and you're picking on Elizondo are

2887

02:13:49,870 --> 02:13:47,960

generally the same people that say

2888

02:13:51,669 --> 02:13:49,880

you're the guy that says the Pentagon

2889

02:13:54,220 --> 02:13:51,679

has lied about UFOs and cover-up and

2890

02:13:57,069 --> 02:13:54,230

you're right I absolutely have however

2891

02:14:01,359 --> 02:13:57,079

to prove that cover-up and to prove

2892

02:14:04,600 --> 02:14:01,369

those lies I worked darn hard for years

2893

02:14:06,729 --> 02:14:04,610

and I have evidence to prove it so just

2894

02:14:09,100 --> 02:14:06,739

because the Pentagon lied once or twice

2895

02:14:11,709 --> 02:14:09,110

or arguably however many times you want

2896

02:14:14,319 --> 02:14:11,719

to say doesn't mean that they lie a

2897

02:14:16,689 --> 02:14:14,329

hundred percent of the time and if you

2898

02:14:20,049 --> 02:14:16,699

fall into that category of just

2899

02:14:21,220 --> 02:14:20,059

believing everything is a lie that comes

2900

02:14:22,810 --> 02:14:21,230

out of the Pentagon it's a very

2901

02:14:24,339 --> 02:14:22,820

dangerous place to be

2902

02:14:27,220 --> 02:14:24,349

especially if you say that you're a

2903

02:14:30,040 --> 02:14:27,230

journalist you have to challenge it I

2904

02:14:32,229 --> 02:14:30,050

fully support that but you need evidence

2905

02:14:35,140 --> 02:14:32,239

to start saying that they are lying to

2906

02:14:37,359 --> 02:14:35,150

you and so people often attack me and

2907

02:14:39,490 --> 02:14:37,369

say you know that I am making this

2908

02:14:42,100 --> 02:14:39,500

personal and I'm picking on Elizondo no

2909

02:14:44,979 --> 02:14:42,110

I honestly I am NOT because I've

2910

02:14:47,740 --> 02:14:44,989

challenged myself many times over on

2911

02:14:49,720 --> 02:14:47,750

that very question to try and make sure

2912

02:14:52,839 --> 02:14:49,730

that I'm not getting personally involved

2913

02:14:55,029 --> 02:14:52,849

or or emotionally evolved or or take

2914

02:14:57,220 --> 02:14:55,039

things personally and I'm not and the

2915

02:15:00,339 --> 02:14:57,230

reason why because I guarantee I'll get

2916

02:15:02,740 --> 02:15:00,349

letters saying yes you are but the

2917

02:15:05,500 --> 02:15:02,750

reason I know it is you can take me out

2918

02:15:08,320 --> 02:15:05,510

of the equation do not listen to me

2919

02:15:11,680 --> 02:15:08,330

however all I ask of you

2920

02:15:13,690 --> 02:15:11,690

listen to mr. Elizondo listen to dr. put

2921

02:15:16,360 --> 02:15:13,700

off start putting those statements

2922

02:15:18,430 --> 02:15:16,370

together with the media and look at how

2923

02:15:19,870 --> 02:15:18,440

they contradict each other and that's

2924

02:15:21,190 --> 02:15:19,880

how I know that I'm not taking this

2925

02:15:24,100 --> 02:15:21,200

personally or I'm trying to make up

2926

02:15:27,430 --> 02:15:24,110

stuff because they themselves have dug

2927

02:15:31,590 --> 02:15:27,440

themselves into this hole not me I'm

2928

02:15:36,640 --> 02:15:31,600

gonna read something to you this was

2929

02:15:40,360 --> 02:15:36,650

December 29th 2017 this was a Friday and

2930

02:15:43,060 --> 02:15:40,370

I was on my way to coast-to-coast ammos

2931

02:15:47,470 --> 02:15:43,070

hosting that night and I was talking to

2932

02:15:50,350 --> 02:15:47,480

DeLong on the phone and we had a couple

2933

02:15:55,600 --> 02:15:50,360

of conversations that evening and he

2934

02:15:58,180 --> 02:15:55,610

said he said you know hold on man I'm

2935

02:16:00,310 --> 02:15:58,190

gonna text you a statement to read on

2936

02:16:02,350 --> 02:16:00,320

the air tonight and it was New Year's

2937

02:16:04,270 --> 02:16:02,360

Eve weekend right it's you know it's

2938

02:16:07,980 --> 02:16:04,280

four days after Christmas holidays and

2939

02:16:11,200 --> 02:16:07,990

all that stuff so he he sent me this

2940

02:16:13,810 --> 02:16:11,210

statement from Tom DeLonge and he says

2941

02:16:16,090 --> 02:16:13,820

I'd like to thank you I'd like to say

2942

02:16:19,510 --> 02:16:16,100

for all of your support

2943

02:16:21,850 --> 02:16:19,520

I want to thank you and as you know I

2944

02:16:24,280 --> 02:16:21,860

created a vehicle that my team was able

2945

02:16:27,040 --> 02:16:24,290

to supercharge and get the Pentagon to

2946

02:16:30,250 --> 02:16:27,050

officially acknowledge the existence of

2947

02:16:32,770 --> 02:16:30,260

unidentified aerial phenomena Senator

2948

02:16:34,720 --> 02:16:32,780

Harry Reid the former Majority Leader

2949

02:16:37,629 --> 02:16:34,730

went on the record as well

2950

02:16:40,450 --> 02:16:37,639

Congress has ignited and briefings will

2951

02:16:42,580 --> 02:16:40,460

be starting soon if all goes well so

2952

02:16:46,089 --> 02:16:42,590

bear with me as we start talking about

2953

02:16:49,419 --> 02:16:46,099

more gun camera footage Hardware in even

2954

02:16:51,610 --> 02:16:49,429

more expansive military encounters it's

2955

02:16:54,100 --> 02:16:51,620

all coming but it's gonna trickle out

2956

02:16:56,290 --> 02:16:54,110

over the months ahead I want to thank

2957

02:17:00,030 --> 02:16:56,300

you all again I'm one of you on the

2958

02:17:06,669 --> 02:17:00,040

truth-seeker signed Tom DeLonge 1229

2959

02:17:09,430 --> 02:17:06,679

2017 and and today they have chosen to

2960

02:17:13,300 --> 02:17:09,440

ignore and don't care about the UFO

2961

02:17:15,940 --> 02:17:13,310

community back then he was trying to get

2962

02:17:21,890 --> 02:17:15,950

the UFO community via coast-to-coast

2963

02:17:23,950 --> 02:17:21,900

and myself included to get behind what

2964

02:17:27,410 --> 02:17:23,960

ese was doing and if you remember in

2965

02:17:32,390 --> 02:17:27,420

December of 2017 all hell broke loose

2966

02:17:35,240 --> 02:17:32,400

right yeah and and what looking at that

2967

02:17:37,670 --> 02:17:35,250

statement that he had me read I read

2968

02:17:40,880 --> 02:17:37,680

this on the air that night on coast to

2969

02:17:44,950 --> 02:17:40,890

coast and where we are today almost two

2970

02:17:49,160 --> 02:17:44,960

years later nothing has really developed

2971

02:17:51,350 --> 02:17:49,170

right nothing has really gone past what

2972

02:17:56,840 --> 02:17:51,360

happened in December which was the

2973

02:17:59,500 --> 02:17:56,850

videos flavor you know the gun camera

2974

02:18:01,670 --> 02:17:59,510

footage and and here we are today

2975

02:18:04,190 --> 02:18:01,680

everything that he talks about here

2976

02:18:06,770 --> 02:18:04,200

didn't happen which was the UFO

2977

02:18:08,180 --> 02:18:06,780

community more stuff everything was

2978

02:18:11,270 --> 02:18:08,190

going to trickle out over the months

2979

02:18:12,980 --> 02:18:11,280

ahead and two years later we're still in

2980

02:18:18,560 --> 02:18:12,990

the same position except for

2981

02:18:20,871 --> 02:18:18,570

unidentified yeah and and I think that

2982

02:18:23,720 --> 02:18:20,881

people are catching on to that and I and

2983

02:18:25,490 --> 02:18:23,730

I've never I've never heard that they a

2984

02:18:26,750 --> 02:18:25,500

grant Cameron I believe was the one that

2985

02:18:29,240 --> 02:18:26,760

first started talking about this

2986

02:18:30,890 --> 02:18:29,250

confirmed that T TSA wanted to quote

2987

02:18:33,140 --> 02:18:30,900

unquote divorce the UFO community

2988

02:18:35,000 --> 02:18:33,150

because I guarantee that the majority of

2989

02:18:36,890 --> 02:18:35,010

the 1.2 million that came in were from

2990

02:18:39,980 --> 02:18:36,900

people that technically are part of the

2991

02:18:41,090 --> 02:18:39,990

UFO community and I think that by him

2992

02:18:42,860 --> 02:18:41,100

reaching out to you they were

2993

02:18:44,900 --> 02:18:42,870

fundraising at that time you know

2994

02:18:47,900 --> 02:18:44,910

they're looking for investors and so to

2995

02:18:51,020 --> 02:18:47,910

give that kind of aura that hey we want

2996

02:18:54,380 --> 02:18:51,030

you were one of you were one of you was

2997

02:18:57,860 --> 02:18:54,390

was beneficial to do and I think that

2998

02:19:01,600 --> 02:18:57,870

after that promises started to fall flat

2999

02:19:04,460 --> 02:19:01,610

I believe it was sometime this year that

3000

02:19:07,880 --> 02:19:04,470

mr. Elizondo instead last year so it was

3001

02:19:10,250 --> 02:19:07,890

again he said last year one year from

3002

02:19:13,000 --> 02:19:10,260

now meaning this year we're gonna have a

3003

02:19:16,910 --> 02:19:13,010

fundamentally different conversation and

3004

02:19:18,650 --> 02:19:16,920

we ironically it was about a year when

3005

02:19:21,081 --> 02:19:18,660

the Pentagon issued that statement so he

3006

02:19:23,121 --> 02:19:21,091

was kind of right but regardless what

3007

02:19:25,130 --> 02:19:23,131

what has fundamentally changed you know

3008

02:19:28,280 --> 02:19:25,140

I mean the media is starting to turn

3009

02:19:31,340 --> 02:19:28,290

they just are the the the momentum on

3010

02:19:33,890 --> 02:19:31,350

UFO stories has definitely decreased

3011

02:19:35,920 --> 02:19:33,900

from that December 2017 and at the

3012

02:19:38,380 --> 02:19:35,930

beginning part of January 2018

3013

02:19:41,950 --> 02:19:38,390

we can all agree on that the TTS a

3014

02:19:45,041 --> 02:19:41,960

hoorah articles are are not really

3015

02:19:47,020 --> 02:19:45,051

around anymore the UFO articles that do

3016

02:19:49,060 --> 02:19:47,030

surface which some of them are very

3017

02:19:51,581 --> 02:19:49,070

interesting like the UFO guidelines I'm

3018

02:19:53,440 --> 02:19:51,591

curious to know a little bit more those

3019

02:19:56,350 --> 02:19:53,450

emails were very telling I think that

3020

02:19:57,671 --> 02:19:56,360

that was largely embellished but but

3021

02:20:00,791 --> 02:19:57,681

that being said there are certain things

3022

02:20:01,360 --> 02:20:00,801

that are happening but is TTS a to thank

3023

02:20:03,520 --> 02:20:01,370

for that

3024

02:20:05,860 --> 02:20:03,530

or is the media largely painting that

3025

02:20:08,081 --> 02:20:05,870

picture because again the UFO guidelines

3026

02:20:09,581 --> 02:20:08,091

and all that stuff the Navy went on the

3027

02:20:13,530 --> 02:20:09,591

record to say that was a reissue

3028

02:20:15,970 --> 02:20:13,540

slightly edited the reissue of a 2015

3029

02:20:17,770 --> 02:20:15,980

guideline that was published after the

3030

02:20:19,091 --> 02:20:17,780

Roosevelt by the way I did try and get

3031

02:20:20,410 --> 02:20:19,101

those they are considered classified

3032

02:20:24,881 --> 02:20:20,420

they won't get who they won't give him

3033

02:20:27,360 --> 02:20:24,891

to me so that being said what like how

3034

02:20:30,011 --> 02:20:27,370

what what role did tts a play in 2015

3035

02:20:31,930 --> 02:20:30,021

none so did they play a role in the

3036

02:20:34,051 --> 02:20:31,940

reissue of it well the only evidence we

3037

02:20:38,740 --> 02:20:34,061

have of it is T TSA taking credit for it

3038

02:20:41,680 --> 02:20:38,750

so that doesn't make sense I've only got

3039

02:20:43,450 --> 02:20:41,690

30 seconds left John and I want to thank

3040

02:20:46,030 --> 02:20:43,460

you in advance for coming out tonight

3041

02:20:48,940 --> 02:20:46,040

thank you so much sure did a Lozano take

3042

02:20:51,341 --> 02:20:48,950

part in the briefing of the Senate

3043

02:20:53,110 --> 02:20:51,351

I don't as an answer to that I do not

3044

02:20:54,850 --> 02:20:53,120

believe so but I don't have a definitive

3045

02:20:56,980 --> 02:20:54,860

answer yeah I want to find that out to

3046

02:20:58,360 --> 02:20:56,990

somebody out there fate or not find out

3047

02:21:00,910 --> 02:20:58,370

about that I want to know who actually

3048

02:21:03,450 --> 02:21:00,920

did the briefings there you go John

3049

02:21:06,520 --> 02:21:03,460

thank you so much go back to your family

3050

02:21:08,801 --> 02:21:06,530

just for taking the time tonight and

3051
02:21:10,450 --> 02:21:08,811
enjoy the rest of your evening and we'll

3052
02:21:12,251 --> 02:21:10,460
talk first thing tomorrow thank you so

3053
02:21:14,160 --> 02:21:12,261
much I appreciate it thanks for the time

3054
02:21:18,310 --> 02:21:14,170
you're the best thank you John

3055
02:21:20,140 --> 02:21:18,320
it's the black vault comm that's all you

3056
02:21:24,610 --> 02:21:20,150
got to do the black vault it's right

3057
02:21:26,350 --> 02:21:24,620
there and I do have the IFL science link

3058
02:21:27,881 --> 02:21:26,360
I'm gonna put that up right after the

3059
02:21:28,751 --> 02:21:27,891
show tonight get it up there and Twitter

3060
02:21:30,791 --> 02:21:28,761
for all of you

3061
02:21:34,470 --> 02:21:30,801
fade to black cigs ecute ur producer is

3062
02:21:37,871 --> 02:21:34,480
ritika Murray on show is produced by

3063
02:21:39,490 --> 02:21:37,881

Renee Hilton Jay Paul Dennis and Bob

3064

02:21:42,520 --> 02:21:39,500

announces our Steve Arthur Jean Patou

3065

02:21:44,890 --> 02:21:42,530

imarti Cove our webmaster is through the

3066

02:21:46,280 --> 02:21:44,900

geek music doug aldrich intro space boys

3067

02:21:49,040 --> 02:21:46,290

space boy music

3068

02:21:50,690 --> 02:21:49,050

fade to black is produced by KP out for

3069

02:21:53,780 --> 02:21:50,700

the GameChanger network and syndication

3070

02:21:56,120 --> 02:21:53,790

is K GRA the planet is broadcast on

3071

02:21:57,980 --> 02:21:56,130

copyright of 2019 by paid to black in

3072

02:21:59,990 --> 02:21:57,990

the game-changer network they cannot be

3073

02:22:01,849 --> 02:22:00,000

rebroadcast downloaded copied or used

3074

02:22:03,559 --> 02:22:01,859

anywhere in the known universe without

3075

02:22:05,000 --> 02:22:03,569

written permission from fade to black of

3076

02:22:06,740 --> 02:22:05,010

the game-changer network I'm your host

3077

02:22:08,929 --> 02:22:06,750

Jimmy church tomorrow night right here

3078

02:22:12,679 --> 02:22:08,939

Kimberly Meredith you're not gonna want

3079

02:22:15,550 --> 02:22:12,689

to miss that until tomorrow night I want

3080

02:22:24,920 --> 02:22:15,560

everybody to be saved
