77

00:04:29,140 --> 00:04:26,090

Alejandro Rojas Alejandro good evening

78

00:04:31,060 --> 00:04:29,150

how are you man I am doing well thanks

79

00:04:34,600 --> 00:04:31,070

for having me man you sound like you do

80

00:04:36,340 --> 00:04:34,610

radio do I really I don't have a voice

81

00:04:39,629 --> 00:04:36,350

like yours I think I have a weird voice

82

00:04:43,029 --> 00:04:39,639

but you've got that radio boy rocket

83

00:04:46,029 --> 00:04:43,039

Jimmy could create you you know I used

84

00:04:51,210 --> 00:04:46,039

to I know I've told you this before but

85

00:04:55,450 --> 00:04:51,220

I used to go and and just binge on your

86

00:04:58,420 --> 00:04:55,460

the open minds videos the interviews

87

00:05:00,520 --> 00:04:58,430

over the years and I used to watch them

88

00:05:03,640 --> 00:05:00,530

just back-to-back and go man one day I'm

89

00:05:06,370 --> 00:05:03,650

gonna be just like Alejandro just like

90

00:05:11,939 --> 00:05:06,380

that guy so there you go welcome back

91

00:05:15,040 --> 00:05:11,949

man how are you I am doing very well the

92

00:05:17,589 --> 00:05:15,050

the weirdness of what is going on today

93

00:05:20,320 --> 00:05:17,599

and and this planet is something that I

94

00:05:23,110 --> 00:05:20,330

really want to get into tonight but and

95

00:05:26,860 --> 00:05:23,120

and we will but the weirdness of this

96

00:05:31,629 --> 00:05:26,870

community you were drawn into it at some

97

00:05:34,450 --> 00:05:31,639

point and did you expect this community

98

00:05:37,450 --> 00:05:34,460

to be as strange and as fun as it

99

00:05:38,430 --> 00:05:37,460

actually is before you were a member of

100

00:05:42,010 --> 00:05:38,440

this community

101  
00:05:44,890 --> 00:05:42,020  
well it's morphed you know when I got

102  
00:05:47,020 --> 00:05:44,900  
involved especially with MUFON there

103  
00:05:49,480 --> 00:05:47,030  
were there were kind of all the old guys

104  
00:05:52,719 --> 00:05:49,490  
you know there was Stanton and John

105  
00:05:54,700 --> 00:05:52,729  
Schuessler who maybe did his last talk

106  
00:05:57,219 --> 00:05:54,710  
there at the MUFON symposium this year

107  
00:06:01,060 --> 00:05:57,229  
who's really getting up there in age and

108  
00:06:03,550 --> 00:06:01,070  
Bob wood and and Ryan wood his son some

109  
00:06:05,439 --> 00:06:03,560  
of the MUFON board members I mean it was

110  
00:06:08,350 --> 00:06:05,449  
very different and it was there wasn't

111  
00:06:10,060 --> 00:06:08,360  
the internet wasn't such a huge thing I

112  
00:06:13,870 --> 00:06:10,070  
mean YouTube videos were just kind of

113  
00:06:15,550 --> 00:06:13,880

starting up and so it was more community

114

00:06:17,560 --> 00:06:15,560

and it was more kind

115

00:06:19,180 --> 00:06:17,570

like these you know I saw you at the

116

00:06:22,150 --> 00:06:19,190

MUFON symposium it was more of that

117

00:06:23,680 --> 00:06:22,160

crowd and and these communities MUFON

118

00:06:26,200 --> 00:06:23,690

was more important back then because it

119

00:06:28,810 --> 00:06:26,210

wasn't it was like the big network as

120

00:06:32,379 --> 00:06:28,820

opposed to the online networks so it's

121

00:06:34,120 --> 00:06:32,389

really changed and as it's changed you

122

00:06:37,330 --> 00:06:34,130

know that's when kind of the online

123

00:06:39,400 --> 00:06:37,340

hatin kind of came and at first you know

124

00:06:40,960 --> 00:06:39,410

it was it was kind of shocking it was a

125

00:06:42,610 --> 00:06:40,970

like what's with this you know I'm

126  
00:06:45,129 --> 00:06:42,620  
trying to do with share information and

127  
00:06:46,900 --> 00:06:45,139  
then you get all this hate but as time

128  
00:06:48,520 --> 00:06:46,910  
goes on I think we all learn whenever

129  
00:06:50,440 --> 00:06:48,530  
you put yourself out there you're gonna

130  
00:06:52,150 --> 00:06:50,450  
get the trollers now you know we've got

131  
00:06:53,950 --> 00:06:52,160  
the term trolled not that that's been

132  
00:06:57,100 --> 00:06:53,960  
around hasn't been around a long time

133  
00:06:59,110 --> 00:06:57,110  
but it wasn't back in the day so and

134  
00:07:02,320 --> 00:06:59,120  
then and I also saw that you know

135  
00:07:05,020 --> 00:07:02,330  
actually the the people who are are

136  
00:07:07,300 --> 00:07:05,030  
enjoying what you're doing way out

137  
00:07:09,790 --> 00:07:07,310  
number like immensely the trollers you

138  
00:07:12,280 --> 00:07:09,800

just don't hear from them as much and so

139

00:07:14,110 --> 00:07:12,290

you know it's kind of hard for people

140

00:07:16,180 --> 00:07:14,120

when they get out there because you see

141

00:07:18,040 --> 00:07:16,190

the troll as you hear from them and

142

00:07:20,230 --> 00:07:18,050

you've just kind of got a like move

143

00:07:22,360 --> 00:07:20,240

forward you know and and keep getting

144

00:07:24,430 --> 00:07:22,370

that information out so I eventually

145

00:07:25,900 --> 00:07:24,440

just began to just focus on that there's

146

00:07:27,870 --> 00:07:25,910

period of times where I do very little

147

00:07:30,310 --> 00:07:27,880

social media I'm I'm worried about

148

00:07:32,020 --> 00:07:30,320

researching and writing stories and I

149

00:07:34,450 --> 00:07:32,030

don't have time to pay attention to the

150

00:07:37,750 --> 00:07:34,460

rest and so it was kind of funny

151  
00:07:39,880 --> 00:07:37,760  
in recent times in that I was just

152  
00:07:42,070 --> 00:07:39,890  
expecting there would be a lot of hate

153  
00:07:45,790 --> 00:07:42,080  
out there and and what I started to see

154  
00:07:47,830 --> 00:07:45,800  
over time was less hate and more of a

155  
00:07:52,600 --> 00:07:47,840  
lot of you know cheerleading going on

156  
00:07:54,550 --> 00:07:52,610  
which is nice but it's I always you know

157  
00:07:58,180 --> 00:07:54,560  
brace myself whenever I write anything

158  
00:08:00,100 --> 00:07:58,190  
that I'm gonna get a lot of people you

159  
00:08:01,750 --> 00:08:00,110  
know that are for whatever reason to

160  
00:08:04,210 --> 00:08:01,760  
have a problem with it although I don't

161  
00:08:07,210 --> 00:08:04,220  
completely not like that because

162  
00:08:08,860 --> 00:08:07,220  
actually like some of the skeptics or

163  
00:08:10,390 --> 00:08:08,870

some of the very critical people out

164

00:08:13,210 --> 00:08:10,400

there who are negative maybe they're

165

00:08:14,800 --> 00:08:13,220

just not very good at you know being

166

00:08:16,750 --> 00:08:14,810

constructive when they share information

167

00:08:18,400 --> 00:08:16,760

but sometimes they have valid points and

168

00:08:20,620 --> 00:08:18,410

I screwed something up and I want to

169

00:08:22,420 --> 00:08:20,630

know if I screwed up because I want to

170

00:08:25,360 --> 00:08:22,430

correct it and I want to make sure I do

171

00:08:27,580 --> 00:08:25,370

a better job in the future so yeah kind

172

00:08:29,510 --> 00:08:27,590

of a love-hate thing there but it's it's

173

00:08:31,640 --> 00:08:29,520

definitely gotten to where people are so

174

00:08:34,459 --> 00:08:31,650

get really personal like an hour open

175

00:08:37,339 --> 00:08:34,469

mind you of a group you know we don't

176  
00:08:38,659 --> 00:08:37,349  
allow personal attacks and it's fostered

177  
00:08:40,519 --> 00:08:38,669  
this great environment where people

178  
00:08:42,139 --> 00:08:40,529  
debate there are people in there who

179  
00:08:44,930 --> 00:08:42,149  
don't agree with anything I say but

180  
00:08:47,329 --> 00:08:44,940  
they're great at debating and and they

181  
00:08:51,380 --> 00:08:47,339  
improve what I do when you know we can

182  
00:08:53,780 --> 00:08:51,390  
converse in a civil manner about these

183  
00:08:56,570 --> 00:08:53,790  
things well it's one thing to debate and

184  
00:08:59,329 --> 00:08:56,580  
I love a good debate right you know of

185  
00:09:01,070 --> 00:08:59,339  
that oh let's let's go right and you

186  
00:09:04,280 --> 00:09:01,080  
know what you and I can have one tonight

187  
00:09:06,740 --> 00:09:04,290  
let's let's plan that example you will

188  
00:09:10,460 --> 00:09:06,750

get there at some point but it's it's

189

00:09:12,530 --> 00:09:10,470

the other crazy part like you write an

190

00:09:17,150 --> 00:09:12,540

article and and the headline on the

191

00:09:20,240 --> 00:09:17,160

article is aliens love to drink orange

192

00:09:22,220 --> 00:09:20,250

juice right and so you write the article

193

00:09:24,740 --> 00:09:22,230

aliens love to drink orange juice and

194

00:09:28,340 --> 00:09:24,750

then somebody comes back with man orange

195

00:09:30,110 --> 00:09:28,350

juice Alejandro you shil I can't believe

196

00:09:32,660 --> 00:09:30,120

you're representing the mat I can't

197

00:09:35,329 --> 00:09:32,670

believe man I got you just need to just

198

00:09:38,180 --> 00:09:35,339

fall off a bridge man I can't it's like

199

00:09:38,840 --> 00:09:38,190

that it's like hey man how did we get

200

00:09:41,139 --> 00:09:38,850

here

201

00:09:45,710 --> 00:09:41,149

yeah when did you start working for

202

00:09:48,380 --> 00:09:45,720

orange juice conductor she's out there

203

00:09:52,400 --> 00:09:48,390

right the orange juice cabal man I knew

204

00:09:55,699 --> 00:09:52,410

orange juice today I don't I don't even

205

00:09:57,500 --> 00:09:55,709

drink orange juice you know I found out

206

00:10:00,410 --> 00:09:57,510

it's that the aliens like the orange

207

00:10:04,610 --> 00:10:00,420

juice is it because is is it because

208

00:10:06,650 --> 00:10:04,620

though we are you know our community are

209

00:10:08,930 --> 00:10:06,660

we an example of actually what's just

210

00:10:11,690 --> 00:10:08,940

going on in this country that we're not

211

00:10:13,670 --> 00:10:11,700

any different we're not shielded by this

212

00:10:16,220 --> 00:10:13,680

divisive nough status happening in the

213

00:10:18,650 --> 00:10:16,230

trolling that that goes on across the

214

00:10:19,639 --> 00:10:18,660

internet that it's we're just like

215

00:10:26,120 --> 00:10:19,649

everybody else

216

00:10:28,250 --> 00:10:26,130

you know I dabble in politics in fact

217

00:10:29,960 --> 00:10:28,260

I've helped some candidates and I won't

218

00:10:32,510 --> 00:10:29,970

even get into what side of the spectrum

219

00:10:34,460 --> 00:10:32,520

some people out there who nail me on

220

00:10:36,680 --> 00:10:34,470

this on a regular basis I already know

221

00:10:38,300 --> 00:10:36,690

and they're probably on there it's you

222

00:10:41,870 --> 00:10:38,310

know in the chat saying oh I know what

223

00:10:43,369 --> 00:10:41,880

it is he's one of those that but you

224

00:10:45,279 --> 00:10:43,379

know there's a lot of it

225

00:10:47,689 --> 00:10:45,289

there you know whatever anybody says

226

00:10:50,569 --> 00:10:47,699

practically anywhere I think there's a

227

00:10:52,400 --> 00:10:50,579

lot of it in science actually scientists

228

00:10:55,639 --> 00:10:52,410

have been trolling each other since the

229

00:10:57,979 --> 00:10:55,649

get-go I mean they're they're nerds you

230

00:11:00,439 --> 00:10:57,989

know and when you get nerds who are

231

00:11:03,469 --> 00:11:00,449

enthusiastic about something they're not

232

00:11:05,949 --> 00:11:03,479

necessarily the best you know at the

233

00:11:08,239 --> 00:11:05,959

social skills so they're going to

234

00:11:10,099 --> 00:11:08,249

converse it at a different level where

235

00:11:12,559 --> 00:11:10,109

they can get kind of mean with each

236

00:11:15,229 --> 00:11:12,569

other so I think every community it

237

00:11:16,999 --> 00:11:15,239

happens what my personal take on with

238

00:11:19,819 --> 00:11:17,009

the Internet is when you can do it

239

00:11:23,149 --> 00:11:19,829

anonymous you can really kind of vent

240

00:11:24,499 --> 00:11:23,159

and get your anger out there and there

241

00:11:26,839 --> 00:11:24,509

are a lot of people where I'll say hey

242

00:11:28,189 --> 00:11:26,849

don't attack someone even if it's

243

00:11:29,210 --> 00:11:28,199

someone sometimes people will think

244

00:11:30,919 --> 00:11:29,220

they're defending me and they're

245

00:11:32,059 --> 00:11:30,929

attacking someone but you know I don't

246

00:11:34,669 --> 00:11:32,069

want them to attack anybody

247

00:11:36,379 --> 00:11:34,679

so say hey no personal attacks and a lot

248

00:11:38,569 --> 00:11:36,389

of times people say you know what I just

249

00:11:40,460 --> 00:11:38,579

had a bad day I'm sorry I'll delete that

250

00:11:41,779 --> 00:11:40,470

post and I won't do it again so a lot of

251

00:11:43,549 --> 00:11:41,789

times people just kind of got a

252

00:11:45,499 --> 00:11:43,559

self-check themselves when you're

253

00:11:49,279 --> 00:11:45,509

anonymous and you're online it's easier

254

00:11:51,019 --> 00:11:49,289

to be mean and hateful and maybe it's

255

00:11:52,909 --> 00:11:51,029

just a growing thing that we're all

256

00:11:54,909 --> 00:11:52,919

learning how to use this new thing

257

00:11:58,219 --> 00:11:54,919

called the Internet and learning how to

258

00:12:00,379 --> 00:11:58,229

hopefully one day become more civil on

259

00:12:03,619 --> 00:12:00,389

it but we'll see I guess well you know

260

00:12:07,879 --> 00:12:03,629

that and this is what I find very funny

261

00:12:09,529 --> 00:12:07,889

is there are those out there in these

262

00:12:11,569 --> 00:12:09,539

different camps who know that you're

263

00:12:15,319 --> 00:12:11,579

going to be on the show tonight and they

264

00:12:18,199 --> 00:12:15,329

are like hoping that you and I are gonna

265

00:12:19,729 --> 00:12:18,209

go at it like they go at it mmm and it

266

00:12:20,799 --> 00:12:19,739

couldn't be farther from the truth and I

267

00:12:23,599 --> 00:12:20,809

think that they would all be

268

00:12:25,699 --> 00:12:23,609

disappointed from whatever side of the

269

00:12:27,919 --> 00:12:25,709

fence they want to come at us from that

270

00:12:31,609 --> 00:12:27,929

when you and I saw each other last

271

00:12:34,249 --> 00:12:31,619

weekend we had a we we had it not only a

272

00:12:37,039 --> 00:12:34,259

great time and a great conversation but

273

00:12:40,189 --> 00:12:37,049

we were discussing things out there that

274

00:12:42,889 --> 00:12:40,199

were pretty controversial but you and I

275

00:12:46,309 --> 00:12:42,899

were just talking like humans and had a

276

00:12:48,469 --> 00:12:46,319

great conversation and and couldn't wait

277

00:12:50,689 --> 00:12:48,479

to not only get you know have a

278

00:12:53,179 --> 00:12:50,699

conversation on the show but to hang out

279

00:12:55,219 --> 00:12:53,189

once again with each other and I think

280

00:12:57,090 --> 00:12:55,229

that they would be very disappointed if

281

00:12:59,820 --> 00:12:57,100

they knew the actual truth

282

00:13:01,890 --> 00:12:59,830

yes some of them would luckily there's a

283

00:13:04,470 --> 00:13:01,900

lot of people who in fact I think the

284

00:13:05,970 --> 00:13:04,480

majority of people and I don't know you

285

00:13:08,160 --> 00:13:05,980

would know your listeners better but I

286

00:13:10,410 --> 00:13:08,170

would hope that the majority of people

287

00:13:12,060 --> 00:13:10,420

would actually find that the wood would

288

00:13:14,220 --> 00:13:12,070

be happy about that would be like that's

289

00:13:15,630 --> 00:13:14,230

cool you know that people can have

290

00:13:16,950 --> 00:13:15,640

different perspectives and still get

291

00:13:19,080 --> 00:13:16,960

along I think the first thing we did was

292

00:13:21,360 --> 00:13:19,090

hug and we haven't even seen each other

293

00:13:24,060 --> 00:13:21,370

since a lot of this has really gotten

294

00:13:26,280 --> 00:13:24,070

heated right and of course we get the

295

00:13:28,470 --> 00:13:26,290

messages you know Jimmy said this or or

296

00:13:30,770 --> 00:13:28,480

Jimmy had John on and they did this or

297

00:13:32,580 --> 00:13:30,780

whatever and it's like you know well

298

00:13:34,260 --> 00:13:32,590

everybody and I've said this about

299

00:13:37,170 --> 00:13:34,270

anybody who's got an opinion everybody

300

00:13:38,460 --> 00:13:37,180

deserves their own opinion I you know

301

00:13:41,010 --> 00:13:38,470

that's that's what makes this country

302

00:13:43,260 --> 00:13:41,020

great and I certainly don't disparage

303

00:13:46,730 --> 00:13:43,270

anybody for having their own opinion and

304

00:13:48,900 --> 00:13:46,740

I know you personally so it's not like I

305

00:13:51,390 --> 00:13:48,910

you know would believe that you're out

306

00:13:52,830 --> 00:13:51,400

to get me and even if you were and you

307

00:13:56,010 --> 00:13:52,840

were to attack me on the show you know

308

00:13:58,050 --> 00:13:56,020

what I that's cool too because that I

309

00:13:59,820 --> 00:13:58,060

get attacked on these shows occasionally

310

00:14:01,530 --> 00:13:59,830

when you get on you know people really

311

00:14:03,470 --> 00:14:01,540

come at you well what about this what

312

00:14:06,690 --> 00:14:03,480

about that and that's fine I'm ready to

313

00:14:09,450 --> 00:14:06,700

I'm ready to throw down yeah let's let's

314

00:14:14,040 --> 00:14:09,460

throw down see this is it this is and I

315

00:14:17,460 --> 00:14:14,050

have I've said this for years years the

316

00:14:19,290 --> 00:14:17,470

one thing about and that's before all of

317

00:14:22,290 --> 00:14:19,300

this other stuff that is surfaced in the

318

00:14:26,190 --> 00:14:22,300

last year year and a half I have always

319

00:14:29,130 --> 00:14:26,200

stated that this community is like the

320

00:14:31,590 --> 00:14:29,140

barbershop this is the place where we

321

00:14:34,920 --> 00:14:31,600

are supposed to be able to get together

322

00:14:37,440 --> 00:14:34,930

and speak about anything our our

323

00:14:39,900 --> 00:14:37,450

opinions and and everything else is

324

00:14:42,390 --> 00:14:39,910

allowed to go on the table and everybody

325

00:14:44,760 --> 00:14:42,400

is here to listen and that's the beauty

326

00:14:47,850 --> 00:14:44,770

of it and the day that that stops

327

00:14:50,250 --> 00:14:47,860

because people want to censor or say

328

00:14:52,740 --> 00:14:50,260

that this person's wrong or you know and

329

00:14:55,020 --> 00:14:52,750

and get angry that's not what the UFO

330

00:14:58,380 --> 00:14:55,030

community is about and it's never been

331

00:15:02,040 --> 00:14:58,390

and it's what drew me to this community

332

00:15:04,290 --> 00:15:02,050

was the openness of it because before I

333

00:15:07,710 --> 00:15:04,300

got involved in the UFO community before

334

00:15:08,370 --> 00:15:07,720

my first MUFON meeting I was in the

335

00:15:10,870 --> 00:15:08,380

closet

336

00:15:12,880 --> 00:15:10,880

alejandra you know I was in out there

337

00:15:16,180 --> 00:15:12,890

talking about this kind of stuff I used

338

00:15:18,820 --> 00:15:16,190

to hide my UFO videos in my home and my

339

00:15:21,760 --> 00:15:18,830

UFO books if I had company over I didn't

340

00:15:24,190 --> 00:15:21,770

you know I didn't want me to I hear em

341

00:15:26,500 --> 00:15:24,200

yeah and and once I got involved in the

342

00:15:28,000 --> 00:15:26,510

UFO community I was able to talk about

343

00:15:31,450 --> 00:15:28,010

all of this stuff because everybody else

344

00:15:34,720 --> 00:15:31,460

was I had that freedom and and I was

345

00:15:36,670 --> 00:15:34,730

able to emotionally open up about things

346

00:15:40,630 --> 00:15:36,680

that I wouldn't do before is that what

347

00:15:42,910 --> 00:15:40,640

drew you to the community no I think

348

00:15:45,100 --> 00:15:42,920

what drew me I wasn't drawn to the

349

00:15:47,440 --> 00:15:45,110

community I was drawn to the subject and

350

00:15:50,590 --> 00:15:47,450

the research more than anything I think

351

00:15:53,860 --> 00:15:50,600

but I think I also had some good mentors

352

00:15:56,080 --> 00:15:53,870

to begin with I mean being able to

353

00:15:58,600 --> 00:15:56,090

participate not that everybody was like

354

00:16:02,230 --> 00:15:58,610

this but you know with the headquarters

355

00:16:04,300 --> 00:16:02,240

of MUFON because I grew up and Denver

356

00:16:05,530 --> 00:16:04,310

and Lakewood where headquarters was for

357

00:16:08,020 --> 00:16:05,540

many many years

358

00:16:10,330 --> 00:16:08,030

but also stanton you know especially

359

00:16:13,300 --> 00:16:10,340

with his passing it really at this

360

00:16:15,160 --> 00:16:13,310

moment it really makes me reflect on him

361

00:16:15,850 --> 00:16:15,170

being the perfect example of what we're

362

00:16:20,770 --> 00:16:15,860

talking about

363

00:16:22,750 --> 00:16:20,780

he loved to debate you know if someone

364

00:16:24,940 --> 00:16:22,760

had a different perspective he loved to

365

00:16:28,210 --> 00:16:24,950

debate and he didn't hate them I don't

366

00:16:30,490 --> 00:16:28,220

think he ever you know he almost spoke

367

00:16:33,490 --> 00:16:30,500

about Phil class for example it was it

368

00:16:35,560 --> 00:16:33,500

was I think you know didn't use it it

369

00:16:36,550 --> 00:16:35,570

wasn't the most ethical debater I guess

370

00:16:39,370 --> 00:16:36,560

I'll put it that way

371

00:16:41,800 --> 00:16:39,380

mm-hmm but Stanton you know never really

372

00:16:44,500 --> 00:16:41,810

talked bad about him says Shaw stack who

373

00:16:47,230 --> 00:16:44,510

I believe is more of it ethical but I

374

00:16:50,470 --> 00:16:47,240

stanton loves to debate him and has no

375

00:16:52,570 --> 00:16:50,480

problem with him and even when I after

376

00:16:54,100 --> 00:16:52,580

years and and finally I had done some

377

00:16:55,600 --> 00:16:54,110

research where I'm like you know what

378

00:16:57,340 --> 00:16:55,610

I'm finding myself disagreeing

379

00:16:59,830 --> 00:16:57,350

completely with Sam's perspective on

380

00:17:01,480 --> 00:16:59,840

this and when I shared that with him the

381

00:17:03,310 --> 00:17:01,490

first thing he wanted to do let's debate

382

00:17:06,250 --> 00:17:03,320

it when can I be on your show let's talk

383

00:17:08,679 --> 00:17:06,260

about it he loved to debate and we did

384

00:17:10,600 --> 00:17:08,689

debate you know Jeremy Korbelt debated

385

00:17:13,150 --> 00:17:10,610

him at the UFO Congress and some people

386

00:17:15,640 --> 00:17:13,160

criticized me and said why did you let

387

00:17:17,199 --> 00:17:15,650

Jeremy attack you know Stanton like that

388

00:17:19,480 --> 00:17:17,209

and I was like you know Stanton was

389

00:17:23,020 --> 00:17:19,490

having a good time and when we were done

390

00:17:24,429 --> 00:17:23,030

he had fun he got excited about that

391

00:17:26,799 --> 00:17:24,439

sort of thing and he

392

00:17:29,139 --> 00:17:26,809

didn't hold grudges and I think he's a

393

00:17:32,499 --> 00:17:29,149

perfect example of how this community

394

00:17:34,690 --> 00:17:32,509

should be and I guess what it was when

395

00:17:38,619 --> 00:17:34,700

what I felt it was when I entered at

396

00:17:40,659 --> 00:17:38,629

least with Stanton as an example so you

397

00:17:43,480 --> 00:17:40,669

know and a lot of people can do that and

398

00:17:45,490 --> 00:17:43,490

a lot of people do do that and I think

399

00:17:47,769 --> 00:17:45,500

that's what's positive we gotta learn

400

00:17:49,539 --> 00:17:47,779

not to take things personal when someone

401  
00:17:49,960 --> 00:17:49,549  
disagrees with us there's no problem

402  
00:17:52,840 --> 00:17:49,970  
with that

403  
00:17:55,029 --> 00:17:52,850  
all of my best friends in this field I

404  
00:17:58,480 --> 00:17:55,039  
do not would none of us agree a hundred

405  
00:18:00,039 --> 00:17:58,490  
percent on everything all of my best

406  
00:18:02,320 --> 00:18:00,049  
friends in the world none of us agree a

407  
00:18:03,940 --> 00:18:02,330  
hundred percent on politics that's just

408  
00:18:07,299 --> 00:18:03,950  
the way life is but we still love each

409  
00:18:09,070 --> 00:18:07,309  
other you know and that's the way we

410  
00:18:12,159 --> 00:18:09,080  
don't need to take it personal when

411  
00:18:15,580 --> 00:18:12,169  
someone disagrees with us and the the

412  
00:18:20,379 --> 00:18:15,590  
the fascinating thing Alejandro is that

413  
00:18:24,070 --> 00:18:20,389

right now like today today nobody really

414

00:18:26,499 --> 00:18:24,080

knows nothing right we don't know we

415

00:18:28,389 --> 00:18:26,509

don't know right it's a great point you

416

00:18:29,799 --> 00:18:28,399

know and it's one of the things I love

417

00:18:33,039 --> 00:18:29,809

when I debate that's what's great about

418

00:18:35,049 --> 00:18:33,049

debating is that typically you learn you

419

00:18:36,190 --> 00:18:35,059

learned something and I always tell

420

00:18:38,049 --> 00:18:36,200

people I could be a hundred percent

421

00:18:40,480 --> 00:18:38,059

wrong this is why I've put things

422

00:18:42,639 --> 00:18:40,490

together this is my perspective but you

423

00:18:47,200 --> 00:18:42,649

know especially whenever we figure out

424

00:18:49,509 --> 00:18:47,210

what the some of the truths are about

425

00:18:51,759 --> 00:18:49,519

some of what's going by on behind some

426

00:18:53,350 --> 00:18:51,769

of what our interests are you know

427

00:18:55,240 --> 00:18:53,360

they're no doubt will be some of the

428

00:18:57,669 --> 00:18:55,250

people who we never we thought were

429

00:19:00,100 --> 00:18:57,679

totally way off base are gonna turn out

430

00:19:04,419 --> 00:19:00,110

to be right none of us know for sure I

431

00:19:07,869 --> 00:19:04,429

know I know I've I've said this quote so

432

00:19:10,450 --> 00:19:07,879

many times now but it's it's worth it a

433

00:19:14,019 --> 00:19:10,460

couple of years ago Giorgio was on the

434

00:19:16,119 --> 00:19:14,029

show and he said these words and I've

435

00:19:18,340 --> 00:19:16,129

just I've repeated it ever since he goes

436

00:19:22,360 --> 00:19:18,350

you know what Jimmy when when that

437

00:19:24,460 --> 00:19:22,370

flying saucer lands and and et steps off

438

00:19:29,200 --> 00:19:24,470

and starts talking to us we're gonna

439

00:19:32,230 --> 00:19:29,210

find out none of us were correct yeah I

440

00:19:34,570 --> 00:19:32,240

think he's right you know yeah yep yep

441

00:19:37,930 --> 00:19:34,580

and that's that's that's the one thing

442

00:19:40,889 --> 00:19:37,940

or so with this unless

443

00:19:44,200 --> 00:19:40,899

somebody's got an autographed

444

00:19:48,460 --> 00:19:44,210

embroidered Zeta Reticuli tour jacket

445

00:19:51,549 --> 00:19:48,470

right and listen I like that unless you

446

00:19:53,820 --> 00:19:51,559

came back with one of those nobodies an

447

00:19:58,330 --> 00:19:53,830

expert here you know we've all got our

448

00:20:01,180 --> 00:19:58,340

experiences when before you joined MUFON

449

00:20:02,919 --> 00:20:01,190

and and came into this community did you

450

00:20:04,419 --> 00:20:02,929

have a sighting was there something

451  
00:20:07,090 --> 00:20:04,429  
though

452  
00:20:10,240 --> 00:20:07,100  
I was different most people have had a

453  
00:20:12,220 --> 00:20:10,250  
sighting that came into this but

454  
00:20:15,009 --> 00:20:12,230  
actually John Schuessler hasn't

455  
00:20:16,840 --> 00:20:15,019  
I don't believe and some of you might

456  
00:20:17,950 --> 00:20:16,850  
not know who he was but he was one of

457  
00:20:19,930 --> 00:20:17,960  
the founders of mouflon

458  
00:20:21,999 --> 00:20:19,940  
he actually worked for NASA he was a

459  
00:20:23,590 --> 00:20:22,009  
contractor but he would have brown bag

460  
00:20:28,269 --> 00:20:23,600  
lunches once in a while to talk about

461  
00:20:30,249 --> 00:20:28,279  
UFOs at like Johnson Space Center but a

462  
00:20:32,950 --> 00:20:30,259  
great guy here and move on for a period

463  
00:20:37,690 --> 00:20:32,960

of time and when I joined MUFON he was

464

00:20:39,129 --> 00:20:37,700

running it but you know oh where was I

465

00:20:42,430 --> 00:20:39,139

headed with that what was your question

466

00:20:44,200 --> 00:20:42,440

did you have a sighting oh yeah he

467

00:20:46,060 --> 00:20:44,210

hadn't had a sign out I think he ever

468

00:20:48,759 --> 00:20:46,070

had a sign now I think Stanton ever had

469

00:20:52,180 --> 00:20:48,769

a signing so I'm kind of in that group I

470

00:20:55,869 --> 00:20:52,190

didn't have a sighting it was just my

471

00:20:58,480 --> 00:20:55,879

curiosity my scientific curiosity I was

472

00:21:00,220 --> 00:20:58,490

a you know really into math and science

473

00:21:02,200 --> 00:21:00,230

I was a rocket science

474

00:21:04,360 --> 00:21:02,210

went into school to be an engineer an

475

00:21:06,700 --> 00:21:04,370

aerospace engineer so rocket science is

476

00:21:10,690 --> 00:21:06,710

what I wanted to do but then I quickly

477

00:21:12,879 --> 00:21:10,700

turned to journalism and and then I also

478

00:21:14,680 --> 00:21:12,889

you know because of my Native American

479

00:21:17,560 --> 00:21:14,690

and Mexican background which is kind of

480

00:21:21,159 --> 00:21:17,570

more open to kind of the paranormal I

481

00:21:22,899 --> 00:21:21,169

had an interest although skeptical so

482

00:21:25,210 --> 00:21:22,909

those were kind of what were my

483

00:21:26,980 --> 00:21:25,220

motivations were I just found it really

484

00:21:28,990 --> 00:21:26,990

interesting and the more I found out was

485

00:21:31,480 --> 00:21:29,000

that you know the more this was a big

486

00:21:35,019 --> 00:21:31,490

story that wasn't being covered well the

487

00:21:36,580 --> 00:21:35,029

big there was a lot of news here that

488

00:21:38,680 --> 00:21:36,590

wasn't being getting to the mainstream

489

00:21:40,600 --> 00:21:38,690

or being covered and that's what kind of

490

00:21:43,690 --> 00:21:40,610

what my motivation was it wasn't until

491

00:21:46,240 --> 00:21:43,700

many years after that I had a sighting

492

00:21:49,570 --> 00:21:46,250

and I've only had maybe two or three and

493

00:21:51,490 --> 00:21:49,580

they're not that interesting really I'd

494

00:21:55,600 --> 00:21:51,500

love to have better one so no it was

495

00:21:57,340 --> 00:21:55,610

deciding that that really drove me you

496

00:21:59,230 --> 00:21:57,350

just mentioned we're gonna be heading

497

00:22:01,720 --> 00:21:59,240

towards a break in a second you've had

498

00:22:03,940 --> 00:22:01,730

some sightings and you've also gone out

499

00:22:04,690 --> 00:22:03,950

and and done an awful lot of research on

500

00:22:09,640 --> 00:22:04,700

the subject

501  
00:22:11,170 --> 00:22:09,650  
um what would it take for you to for a

502  
00:22:13,450 --> 00:22:11,180  
sighting I'm not talking about something

503  
00:22:15,310 --> 00:22:13,460  
landing in your front yard but what

504  
00:22:19,990 --> 00:22:15,320  
would it take for you with the sighting

505  
00:22:21,730 --> 00:22:20,000  
to go okay that that ain't us that's

506  
00:22:24,700 --> 00:22:21,740  
something that I can't explain

507  
00:22:27,040 --> 00:22:24,710  
that's not advanced military stuff that

508  
00:22:29,250 --> 00:22:27,050  
is something else what what would it

509  
00:22:31,600 --> 00:22:29,260  
take for you to make that statement I

510  
00:22:35,470 --> 00:22:31,610  
don't know that would be a really tough

511  
00:22:37,420 --> 00:22:35,480  
one um I don't know I guess something

512  
00:22:39,280 --> 00:22:37,430  
would have to land and then something

513  
00:22:40,960 --> 00:22:39,290

would have to come out for me to go that

514

00:22:43,780 --> 00:22:40,970

far I mean it would have to be very

515

00:22:46,630 --> 00:22:43,790

definitive for me because you know when

516

00:22:50,800 --> 00:22:46,640

it comes to technology let's take what a

517

00:22:52,990 --> 00:22:50,810

major let's say black project we didn't

518

00:22:54,940 --> 00:22:53,000

know about it till many years after it

519

00:22:57,970 --> 00:22:54,950

was already flying especially when it

520

00:23:02,920 --> 00:22:57,980

comes to like um you know spy planes and

521

00:23:09,130 --> 00:23:02,930

so uh we we can't roll that those things

522

00:23:13,240 --> 00:23:09,140

out all of the you know very easily just

523

00:23:15,640 --> 00:23:13,250

by I would say maneuverability or you

524

00:23:19,150 --> 00:23:15,650

know the technical characteristics of

525

00:23:20,980 --> 00:23:19,160

the craft so not a hundred percent I

526  
00:23:23,260 --> 00:23:20,990  
would say at least so yeah it would take

527  
00:23:25,180 --> 00:23:23,270  
something like you know landing and the

528  
00:23:28,210 --> 00:23:25,190  
guys coming out and saying hey here's

529  
00:23:31,650 --> 00:23:28,220  
your I heard you were in - you wanted a

530  
00:23:33,940 --> 00:23:31,660  
zacchara - reticulate - or jacket and

531  
00:23:37,930 --> 00:23:33,950  
you know we've got them for sale here

532  
00:23:41,830 --> 00:23:37,940  
well see we and I'm talking about you

533  
00:23:44,740 --> 00:23:41,840  
and I we have acquired a lot of

534  
00:23:47,710 --> 00:23:44,750  
knowledge from from interviews I have

535  
00:23:50,920 --> 00:23:47,720  
done way north of a thousand you're in

536  
00:23:54,550 --> 00:23:50,930  
the same boat that I am and so when you

537  
00:23:57,610 --> 00:23:54,560  
do that type of conversation over and

538  
00:23:59,080 --> 00:23:57,620

over again you're also learning so let

539

00:24:02,950 --> 00:23:59,090

me let me ask you about what you've

540

00:24:05,419 --> 00:24:02,960

learned do you what is your what is your

541

00:24:08,570 --> 00:24:05,429

stance on

542

00:24:12,980 --> 00:24:08,580

et visiting this planet in the distant

543

00:24:17,180 --> 00:24:12,990

past at least one time I would say

544

00:24:20,530 --> 00:24:17,190

personally I don't know yeah I would say

545

00:24:24,380 --> 00:24:20,540

I personally cannot say for sure that

546

00:24:26,570 --> 00:24:24,390

has happened I would say there there's a

547

00:24:28,640 --> 00:24:26,580

lot of mystery out there and you know

548

00:24:31,910 --> 00:24:28,650

when it comes to science which is

549

00:24:33,860 --> 00:24:31,920

something else I cover for den of geek

550

00:24:36,799 --> 00:24:33,870

and I've covered it for Huffington Post

551  
00:24:39,290 --> 00:24:36,809  
and and others I've interviewed

552  
00:24:41,390 --> 00:24:39,300  
astronauts and scientists of many types

553  
00:24:43,910 --> 00:24:41,400  
and what's interesting about science

554  
00:24:46,730 --> 00:24:43,920  
especially space science is the answers

555  
00:24:49,450 --> 00:24:46,740  
typically turn out to be something we

556  
00:24:52,190 --> 00:24:49,460  
never could have imagined something that

557  
00:24:54,590 --> 00:24:52,200  
scientists never even thought of to

558  
00:24:58,040 --> 00:24:54,600  
speculate about this happens over and

559  
00:25:00,169 --> 00:24:58,050  
over and over and over again so when we

560  
00:25:03,020 --> 00:25:00,179  
get the answer to dark matter what it is

561  
00:25:05,120 --> 00:25:03,030  
or even if it exists or why we even

562  
00:25:07,310 --> 00:25:05,130  
think because they're certain you know

563  
00:25:09,890 --> 00:25:07,320

observation as to why we suspect there

564

00:25:11,419 --> 00:25:09,900

is such a thing but it could be due to

565

00:25:13,460 --> 00:25:11,429

something completely different than what

566

00:25:18,049 --> 00:25:13,470

we think it is and it most likely will

567

00:25:21,080 --> 00:25:18,059

be so at this point I don't even like to

568

00:25:23,090 --> 00:25:21,090

venture as to without information as to

569

00:25:24,860 --> 00:25:23,100

you know what it might because there's

570

00:25:26,750 --> 00:25:24,870

we just don't know there's so many

571

00:25:29,090 --> 00:25:26,760

different possibilities I think this is

572

00:25:31,430 --> 00:25:29,100

kind of the the perspective that valet

573

00:25:33,680 --> 00:25:31,440

and Hynek brought and I understand it a

574

00:25:35,690 --> 00:25:33,690

lot better now because you know there

575

00:25:39,950 --> 00:25:35,700

are so many possibilities we don't know

576

00:25:41,540 --> 00:25:39,960

what we don't know essentially so yeah I

577

00:25:44,480 --> 00:25:41,550

don't know for sure I think there are

578

00:25:46,760 --> 00:25:44,490

definitely mysteries that we don't know

579

00:25:50,270 --> 00:25:46,770

how certain things happened in the past

580

00:25:51,980 --> 00:25:50,280

I think you know Giorgio and Childress

581

00:25:54,650 --> 00:25:51,990

on ancient aliens bring up a lot of

582

00:25:56,540 --> 00:25:54,660

great cases where what the heck is that

583

00:25:58,220 --> 00:25:56,550

you know how the heck did that happen I

584

00:26:01,490 --> 00:25:58,230

don't know that I would go so far as

585

00:26:03,290 --> 00:26:01,500

Giorgio and say it salient but it could

586

00:26:05,930 --> 00:26:03,300

be some sort of technology that's lost

587

00:26:07,040 --> 00:26:05,940

to the ages I think it could be a number

588

00:26:09,020 --> 00:26:07,050

of things that we just haven't

589

00:26:10,940 --> 00:26:09,030

discovered yet so that's what's

590

00:26:12,650 --> 00:26:10,950

wonderful battleworld there's a lot of

591

00:26:17,960 --> 00:26:12,660

mystery and there's a lot to discover

592

00:26:21,980 --> 00:26:17,970

what about today mm-hmm there now

593

00:26:24,950 --> 00:26:21,990

today I would again say I don't know I'm

594

00:26:26,749 --> 00:26:24,960

not sure I would say these technologies

595

00:26:29,720 --> 00:26:26,759

he's these aircraft that we're observing

596

00:26:31,850 --> 00:26:29,730

could be something else you know it

597

00:26:34,190 --> 00:26:31,860

could be something from the future could

598

00:26:35,659 --> 00:26:34,200

be something even abductions could be

599

00:26:38,749 --> 00:26:35,669

something from the future abductions

600

00:26:40,039 --> 00:26:38,759

could be a number of things i you know

601  
00:26:44,180 --> 00:26:40,049  
john mack didn't even think they were

602  
00:26:48,409 --> 00:26:44,190  
physical for example who is famous for

603  
00:26:50,419 --> 00:26:48,419  
you know looking into the topic so yeah

604  
00:26:53,419 --> 00:26:50,429  
I would say unless we know definitively

605  
00:26:55,460 --> 00:26:53,429  
I can't say for sure that I know are the

606  
00:26:57,470 --> 00:26:55,470  
questions are still open and I think a

607  
00:26:58,999 --> 00:26:57,480  
lot of people are uncomfortable they

608  
00:27:00,919 --> 00:26:59,009  
want to know they want to say nope it's

609  
00:27:03,799 --> 00:27:00,929  
this it's that and they're not

610  
00:27:06,320 --> 00:27:03,809  
comfortable with not knowing but and you

611  
00:27:10,279 --> 00:27:06,330  
do have to get comfortable to be sticky

612  
00:27:12,889 --> 00:27:10,289  
you know to say I don't know what do we

613  
00:27:18,289 --> 00:27:12,899

do we're gonna pick this up when we come

614

00:27:21,320 --> 00:27:18,299

back what do we do as a community as a

615

00:27:24,080 --> 00:27:21,330

society what do we do with all of the

616

00:27:26,210 --> 00:27:24,090

UFO headlines that we've been dealing

617

00:27:28,159 --> 00:27:26,220

with for the last year and a half it

618

00:27:29,539 --> 00:27:28,169

certainly seems that the the media is

619

00:27:33,110 --> 00:27:29,549

comfortable and talking about the

620

00:27:35,659 --> 00:27:33,120

subject which means so many now that

621

00:27:38,600 --> 00:27:35,669

haven't thought about it before believe

622

00:27:40,669 --> 00:27:38,610

that UFOs are real and are visiting this

623

00:27:43,610 --> 00:27:40,679

planet and that's the effect of mass

624

00:27:46,159 --> 00:27:43,620

media isn't it yes I think you're right

625

00:27:48,680 --> 00:27:46,169

and I think that we have to teach them I

626

00:27:50,810 --> 00:27:48,690

think it's an education process for

627

00:27:54,470 --> 00:27:50,820

especially for those of us who know and

628

00:27:56,330 --> 00:27:54,480

we have to be very adamant and staunch

629

00:27:58,999 --> 00:27:56,340

and you know we've got a stand for our

630

00:28:01,549 --> 00:27:59,009

position so for instance when this Navy

631

00:28:03,470 --> 00:28:01,559

stuff comes out you know a lot of people

632

00:28:05,570 --> 00:28:03,480

not that anybody in the Navy said it was

633

00:28:08,389 --> 00:28:05,580

aliens but the headlines say aliens and

634

00:28:09,980 --> 00:28:08,399

the interviewers say aliens and you know

635

00:28:12,080 --> 00:28:09,990

it's something that you know when people

636

00:28:14,450 --> 00:28:12,090

are being interviewed they've got to say

637

00:28:16,730 --> 00:28:14,460

I never said aliens and they've really

638

00:28:18,259 --> 00:28:16,740

got to correct people and say I didn't

639

00:28:20,210 --> 00:28:18,269

say that what I said is we have a

640

00:28:22,940 --> 00:28:20,220

genuine mystery here that we need to

641

00:28:25,669 --> 00:28:22,950

figure out nobody knows what this is we

642

00:28:28,700 --> 00:28:25,679

do not have this technology so whose is

643

00:28:30,470 --> 00:28:28,710

it we don't know and I think that's an

644

00:28:31,970 --> 00:28:30,480

example where we have to really start

645

00:28:34,070 --> 00:28:31,980

educating

646

00:28:36,320 --> 00:28:34,080

the mainstream in the media so they can

647

00:28:38,240 --> 00:28:36,330

start to understand this better and I

648

00:28:41,180 --> 00:28:38,250

wrote a story recently actually for the

649

00:28:44,060 --> 00:28:41,190

Roswell Daily Record and I put it in my

650

00:28:46,010 --> 00:28:44,070

blog where you know the media is

651  
00:28:47,840 --> 00:28:46,020  
starting to now say what are these

652  
00:28:49,580 --> 00:28:47,850  
Chinese and or Russian

653  
00:28:51,320 --> 00:28:49,590  
yep in a lot of UFO people are like oh

654  
00:28:53,540 --> 00:28:51,330  
man what the heck why are they saying

655  
00:28:55,490 --> 00:28:53,550  
that well that's a good thing actually

656  
00:28:58,130 --> 00:28:55,500  
because now they're starting to see that

657  
00:28:58,940 --> 00:28:58,140  
hey there is something here what is it

658  
00:29:01,130 --> 00:28:58,950  
whose is it

659  
00:29:03,169 --> 00:29:01,140  
and at least when they begin the process

660  
00:29:06,169 --> 00:29:03,179  
to start to look at the Russian or

661  
00:29:08,180 --> 00:29:06,179  
Chinese possibility they'll probably

662  
00:29:09,950 --> 00:29:08,190  
come to the same conclusion that many of

663  
00:29:13,250 --> 00:29:09,960

us have which is no it's not their

664

00:29:15,110 --> 00:29:13,260

technology either and so then they move

665

00:29:18,919 --> 00:29:15,120

to the next step of whoa we have

666

00:29:20,690 --> 00:29:18,929

something really mysterious here when we

667

00:29:23,000 --> 00:29:20,700

come back we're going to continue this

668

00:29:26,060 --> 00:29:23,010

conversation right where we're leaving

669

00:29:28,280 --> 00:29:26,070

off because when I have pointed out a

670

00:29:32,000 --> 00:29:28,290

couple of times on the air that you know

671

00:29:33,919 --> 00:29:32,010

UFOs an alien is something that is left

672

00:29:35,930 --> 00:29:33,929

out of the conversation when it comes to

673

00:29:38,660 --> 00:29:35,940

you know to like Harry Reid or anybody

674

00:29:41,480 --> 00:29:38,670

else that is taken an official stance

675

00:29:44,510 --> 00:29:41,490

here and then I get bombarded back in

676  
00:29:46,700 --> 00:29:44,520  
social media and email going no man that

677  
00:29:48,830 --> 00:29:46,710  
that's all they talk about is is UFOs

678  
00:29:50,330 --> 00:29:48,840  
and aliens they've stated it here and

679  
00:29:53,450 --> 00:29:50,340  
here and I'm just like people want to

680  
00:29:57,610 --> 00:29:53,460  
hear and read what they want to hear and

681  
00:30:00,080 --> 00:29:57,620  
read and not Harry Reid but Reid Reid

682  
00:30:02,150 --> 00:30:00,090  
well we'll pick this up when we come

683  
00:30:05,990 --> 00:30:02,160

it's eight staff members for our ex-cia

706  
00:31:37,580 --> 00:31:31,850  
and for our counterintelligence pentagon

707  
00:31:40,970 --> 00:31:37,590  
agents X could you imagine what you

708  
00:31:47,830 --> 00:31:40,980  
would have to deal with on a daily basis

709  
00:31:55,610 --> 00:31:51,890  
well of course we can see that today

710  
00:32:00,409 --> 00:31:55,620  
right here and right now however to me

711  
00:32:03,649 --> 00:32:00,419  
that sort of team is extremely exciting

712  
00:32:06,169 --> 00:32:03,659  
because you know the UFO communities

713  
00:32:08,659 --> 00:32:06,179

already there they already realize that

714

00:32:10,820 --> 00:32:08,669

this is a serious issue that they're

715

00:32:13,130 --> 00:32:10,830

there's a mystery here that needs

716

00:32:17,120 --> 00:32:13,140

solving that people need to be educated

717

00:32:18,830 --> 00:32:17,130

on this they're already there so of

718

00:32:20,960 --> 00:32:18,840

course they're gonna have some issues

719

00:32:23,180 --> 00:32:20,970

they're gonna and you know what I use

720

00:32:26,570 --> 00:32:23,190

this term you know especially when it

721

00:32:28,760 --> 00:32:26,580

comes online the UFO community is best

722

00:32:30,740 --> 00:32:28,770

at eating its own I mean we always beat

723

00:32:33,890 --> 00:32:30,750

up and destroy each other unfortunately

724

00:32:36,070 --> 00:32:33,900

in that community so no matter what you

725

00:32:38,659 --> 00:32:36,080

do you can expect a lot of heat but

726

00:32:40,730 --> 00:32:38,669

what's great about that configuration

727

00:32:45,350 --> 00:32:40,740

that you just talked about is that it's

728

00:32:49,039 --> 00:32:45,360

going to have a larger impact in is that

729

00:32:51,230 --> 00:32:49,049

we need to get into mainstream media

730

00:32:55,310 --> 00:32:51,240

mainstream sign

731

00:32:58,400 --> 00:32:55,320

and networking and connections inside of

732

00:33:00,770 --> 00:32:58,410

the military and inside of Washington

733

00:33:02,510 --> 00:33:00,780

and that's what you're gonna be able to

734

00:33:04,160 --> 00:33:02,520

get with a team that you're talking

735

00:33:07,030 --> 00:33:04,170

about and then you're gonna be able to

736

00:33:10,370 --> 00:33:07,040

make some amazing strides I think and

737

00:33:12,590 --> 00:33:10,380

that's why I would see because when I'm

738

00:33:15,050 --> 00:33:12,600

writing or even when I'm doing a show

739

00:33:16,940 --> 00:33:15,060

I'm thinking that my listeners they've

740

00:33:18,740 --> 00:33:16,950

never they don't know anything about

741

00:33:20,360 --> 00:33:18,750

UFOs maybe they're skeptical and they're

742

00:33:22,670 --> 00:33:20,370

like what what is this UFO thing I'm

743

00:33:24,740 --> 00:33:22,680

gonna dip my toe in here and see what

744

00:33:27,320 --> 00:33:24,750

the heck's going on here and and that's

745

00:33:30,230 --> 00:33:27,330

who I'm speaking to when I'm writing or

746

00:33:31,910 --> 00:33:30,240

I'm doing the show and having a team

747

00:33:34,730 --> 00:33:31,920

like that behind me it's gonna make me

748

00:33:37,850 --> 00:33:34,740

even more effective at getting to those

749

00:33:39,980 --> 00:33:37,860

people and that's why that gets me

750

00:33:42,200 --> 00:33:39,990

really excited because that's who I'm

751

00:33:45,230 --> 00:33:42,210

talking to I'm trying to get to and and

752

00:33:48,260 --> 00:33:45,240

to demonstrate the the serious nature

753

00:33:51,560 --> 00:33:48,270

and the abundance of information out

754

00:33:53,630 --> 00:33:51,570

there that brings credibility to this to

755

00:33:56,480 --> 00:33:53,640

this issue and trying to break that kind

756

00:34:00,680 --> 00:33:56,490

of giggle factor and so that's what's so

757

00:34:03,110 --> 00:34:00,690

exciting in that scenario except you

758

00:34:05,210 --> 00:34:03,120

didn't answer the question of I agree I

759

00:34:07,520 --> 00:34:05,220

agree with what you just said though oh

760

00:34:08,840 --> 00:34:07,530

yeah well expect heat there's no doubt

761

00:34:10,430 --> 00:34:08,850

about it you're gonna get heat and

762

00:34:12,590 --> 00:34:10,440

you're gonna get you know the most

763

00:34:14,000 --> 00:34:12,600

amount of heat you could probably get

764

00:34:17,720 --> 00:34:14,010

because you're talking about

765

00:34:24,020 --> 00:34:17,730

intelligence people and so you know

766

00:34:25,550 --> 00:34:24,030

these are - but I mean that here's one

767

00:34:28,610 --> 00:34:25,560

of the things that really disappoint me

768

00:34:33,470 --> 00:34:28,620

and about the conspiratorial nature of

769

00:34:37,640 --> 00:34:33,480

all of this is that you know those of

770

00:34:41,300 --> 00:34:37,650

you who were in the Armed Forces or in

771

00:34:43,970 --> 00:34:41,310

law enforcement I mean why did you do

772

00:34:46,850 --> 00:34:43,980

what you did you put your life on the

773

00:34:48,530 --> 00:34:46,860

line to protect the rest of us that's

774

00:34:51,500 --> 00:34:48,540

why people join these organizations

775

00:34:55,520 --> 00:34:51,510

that's why people go do these sort of

776

00:34:58,610 --> 00:34:55,530

things and we demonize these people

777

00:35:03,050 --> 00:34:58,620

often with suspicion and speculation and

778

00:35:04,220 --> 00:35:03,060

not hard facts figuring that there's a

779

00:35:06,320 --> 00:35:04,230

lot of what

780

00:35:08,990 --> 00:35:06,330

would actually be illegal and

781

00:35:11,990 --> 00:35:09,000

counterintelligence being programs being

782

00:35:14,120 --> 00:35:12,000

used against the American public no

783

00:35:16,849 --> 00:35:14,130

doubt certainly that has happened we do

784

00:35:19,849 --> 00:35:16,859

know there have been cases but that's

785

00:35:22,609 --> 00:35:19,859

not what they're doing day by day night

786

00:35:25,310 --> 00:35:22,619

by night they are tracking terrorists

787

00:35:28,880 --> 00:35:25,320

they are tracking bad guys they're

788

00:35:31,130 --> 00:35:28,890

keeping you safe and I know a lot of

789

00:35:34,010 --> 00:35:31,140

people say oh that bullcrap you know but

790

00:35:37,099 --> 00:35:34,020

yet here's how you find out what they're

791

00:35:39,320 --> 00:35:37,109

doing you go interview people you go get

792

00:35:40,010 --> 00:35:39,330

into these agencies you figure out what

793

00:35:43,760 --> 00:35:40,020

they're doing

794

00:35:47,390 --> 00:35:43,770

I mean it's theirs that's the thing what

795

00:35:50,870 --> 00:35:47,400

journalism is are much more complicated

796

00:35:55,250 --> 00:35:50,880

than just black the black and white kind

797

00:35:58,520 --> 00:35:55,260

of way people see things and and you got

798

00:36:00,590 --> 00:35:58,530

to get your roll up your shirt sleeves

799

00:36:03,530 --> 00:36:00,600

and get in there you know start digging

800

00:36:05,690 --> 00:36:03,540

and to figure out really the the

801  
00:36:11,560 --> 00:36:05,700  
mechanics and the nuances behind things

802  
00:36:14,690 --> 00:36:11,570  
well okay and since this community is so

803  
00:36:17,870 --> 00:36:14,700  
acclimated to fighting the man and

804  
00:36:19,910 --> 00:36:17,880  
trying to get to this information you

805  
00:36:21,530 --> 00:36:19,920  
know and been ridiculed for so long and

806  
00:36:24,380 --> 00:36:21,540  
laughed at you said it yourself you know

807  
00:36:26,750 --> 00:36:24,390  
the laughs actor true that you know that

808  
00:36:30,109 --> 00:36:26,760  
the defense mechanisms are always up and

809  
00:36:33,349 --> 00:36:30,119  
they are very used to a disappointment

810  
00:36:36,770 --> 00:36:33,359  
in this community and now suddenly the

811  
00:36:40,970 --> 00:36:36,780  
man is coming out going were your friend

812  
00:36:43,609 --> 00:36:40,980  
now okay we're all ex-cia we're all X

813  
00:36:46,160 --> 00:36:43,619

counterintelligence we're all you know

814

00:36:50,359 --> 00:36:46,170

security clearances and oaths and we've

815

00:36:53,150 --> 00:36:50,369

got all of it now just trust us and this

816

00:36:56,180 --> 00:36:53,160

community is is it's not necessarily

817

00:36:59,810 --> 00:36:56,190

going to jump in feet first they tried

818

00:37:02,450 --> 00:36:59,820

to with the New York Times and you know

819

00:37:05,480 --> 00:37:02,460

the day of disclosure December of 2017

820

00:37:08,540 --> 00:37:05,490

those were exciting times but you can't

821

00:37:10,580 --> 00:37:08,550

blame this community for you know

822

00:37:15,260 --> 00:37:10,590

stepping back a couple of steps not

823

00:37:17,300 --> 00:37:15,270

going all in can you I I can I would

824

00:37:18,000 --> 00:37:17,310

never blame anybody for skepticism

825

00:37:20,340 --> 00:37:18,010

because skeptic

826

00:37:23,220 --> 00:37:20,350

is healthy but that's not what the

827

00:37:26,430 --> 00:37:23,230

community always does parts of the

828

00:37:28,920 --> 00:37:26,440

community do do that in fact a lot of my

829

00:37:31,830 --> 00:37:28,930

friends who are very serious researchers

830

00:37:35,100 --> 00:37:31,840

were very skeptical from the get-go and

831

00:37:37,280 --> 00:37:35,110

I don't blame people for that at all I

832

00:37:40,050 --> 00:37:37,290

think that that's healthy and and wise

833

00:37:43,410 --> 00:37:40,060

until you're able to gather more

834

00:37:46,470 --> 00:37:43,420

information you've got to be on your

835

00:37:49,080 --> 00:37:46,480

toes and I think you know we always have

836

00:37:51,680 --> 00:37:49,090

to be because you never know where there

837

00:37:54,960 --> 00:37:51,690

might be tricks being played or

838

00:37:59,490 --> 00:37:54,970

something fishy going on so you always

839

00:38:00,690 --> 00:37:59,500

have to be aware I mean I do live by the

840

00:38:06,150 --> 00:38:00,700

trust no one

841

00:38:09,000 --> 00:38:06,160

fox mulder kind of motto at some level

842

00:38:10,830 --> 00:38:09,010

but at the same time you also have to

843

00:38:12,930 --> 00:38:10,840

make progress you got to do research

844

00:38:16,590 --> 00:38:12,940

you've got to get in there you've got to

845

00:38:18,780 --> 00:38:16,600

build relationships I think that you

846

00:38:19,980 --> 00:38:18,790

know out of for instance I'm here

847

00:38:22,020 --> 00:38:19,990

talking with you where some people

848

00:38:24,120 --> 00:38:22,030

thought oh a Jimmy and I launder they

849

00:38:25,650 --> 00:38:24,130

must hate each other but you know

850

00:38:27,300 --> 00:38:25,660

building relationships it's really

851

00:38:30,300 --> 00:38:27,310

important having open lines of

852

00:38:34,610 --> 00:38:30,310

communications even and especially with

853

00:38:39,210 --> 00:38:34,620

those who you are suspicious of or are

854

00:38:40,650 --> 00:38:39,220

don't agree with because you're not

855

00:38:42,330 --> 00:38:40,660

always gonna be right like we talked

856

00:38:44,940 --> 00:38:42,340

about earlier and you're gonna need

857

00:38:46,680 --> 00:38:44,950

those lines of you know the

858

00:38:52,290 --> 00:38:46,690

relationships with people who were right

859

00:38:54,210 --> 00:38:52,300

and or you're gonna need insight into if

860

00:38:56,760 --> 00:38:54,220

you want to be ahead of the game how

861

00:38:58,980 --> 00:38:56,770

things went awry maybe you'll be able to

862

00:39:00,630 --> 00:38:58,990

identify hey this is fishy over here I'm

863

00:39:02,610 --> 00:39:00,640

gonna keep an eye on this and then you

864

00:39:05,130 --> 00:39:02,620

turn out to be right you're ahead of the

865

00:39:07,410 --> 00:39:05,140

game because you already knew some of

866

00:39:09,540 --> 00:39:07,420

these problems that were existing before

867

00:39:12,980 --> 00:39:09,550

and you've kept an eye on it so yeah you

868

00:39:16,800 --> 00:39:12,990

always have to be on your toes I think I

869

00:39:22,710 --> 00:39:16,810

totally agree with that but concepts

870

00:39:26,010 --> 00:39:22,720

like the man who is the man there is no

871

00:39:30,320 --> 00:39:26,020

man there are millions of individuals

872

00:39:33,770 --> 00:39:30,330

working desperate jobs working

873

00:39:37,790 --> 00:39:33,780

and with different motives different

874

00:39:40,670 --> 00:39:37,800

agencies at with you know it's extremely

875

00:39:42,740 --> 00:39:40,680

complicated than to say the man and in

876

00:39:46,700 --> 00:39:42,750

this scenario when you're talking about

877

00:39:50,210 --> 00:39:46,710

X I would say these aren't the man these

878

00:39:54,320 --> 00:39:50,220

are something other than the man in fact

879

00:39:57,140 --> 00:39:54,330

these are in some cases let's take John

880

00:40:01,430 --> 00:39:57,150

Alexander for example who's part of the

881

00:40:04,010 --> 00:40:01,440

the mechanism who is saying well I want

882

00:40:06,680 --> 00:40:04,020

to know who the man is even though to

883

00:40:08,330 --> 00:40:06,690

the novice to the to the layman outside

884

00:40:10,490 --> 00:40:08,340

of the system would say well you are the

885

00:40:12,670 --> 00:40:10,500

man and he's thinking I'm not the man

886

00:40:15,800 --> 00:40:12,680

I'm looking for who the man is you know

887

00:40:19,000 --> 00:40:15,810

it it's much more complicated than just

888

00:40:23,930 --> 00:40:19,010

to say you know everybody's part of some

889

00:40:30,350 --> 00:40:23,940

man would see a man organization right

890

00:40:35,990 --> 00:40:30,360

right and the the the view of many out

891

00:40:39,110 --> 00:40:36,000

there which is the the viewpoint right

892

00:40:41,210 --> 00:40:39,120

now the opinion that is that is out

893

00:40:43,970 --> 00:40:41,220

there expressed in the media and you

894

00:40:47,030 --> 00:40:43,980

know that is coming from at ETS a in

895

00:40:52,370 --> 00:40:47,040

their PPR machine and coming back into

896

00:40:55,880 --> 00:40:52,380

the media is is only going to be from a

897

00:40:58,550 --> 00:40:55,890

view that is there's an opinion that is

898

00:41:03,080 --> 00:40:58,560

there's one that has always been tainted

899

00:41:05,270 --> 00:41:03,090

in the past and that is who is there

900

00:41:06,950 --> 00:41:05,280

well it's but do you understand what I'm

901  
00:41:09,290 --> 00:41:06,960  
saying that's the argument that is out

902  
00:41:12,680 --> 00:41:09,300  
at all actually I'm trying to understand

903  
00:41:14,630 --> 00:41:12,690  
so for instance when you say tts a and

904  
00:41:17,420 --> 00:41:14,640  
their PR mechanism they don't really

905  
00:41:21,860 --> 00:41:17,430  
have a PR mechanism they have one person

906  
00:41:25,340 --> 00:41:21,870  
who kind of does different jobs to try

907  
00:41:30,200 --> 00:41:25,350  
to get information out there's very few

908  
00:41:33,260 --> 00:41:30,210  
people trying to wear many hats trying

909  
00:41:37,310 --> 00:41:33,270  
their best to share and the media

910  
00:41:40,880 --> 00:41:37,320  
certainly not being on board with that

911  
00:41:44,060 --> 00:41:40,890  
at all the media being a completely

912  
00:41:48,320 --> 00:41:44,070  
separate entity that

913  
00:41:51,500 --> 00:41:48,330

has not been aligned with the message I

914

00:41:53,360 --> 00:41:51,510

would say of what it's being now I would

915

00:41:56,060 --> 00:41:53,370

say the New York Times was was pretty

916

00:41:58,700 --> 00:41:56,070

well aligned but that's one of a rare

917

00:42:01,190 --> 00:41:58,710

instance and that's mostly because

918

00:42:03,920 --> 00:42:01,200

Leslie Cain had a very long relationship

919

00:42:06,290 --> 00:42:03,930

with some of the individuals that were

920

00:42:08,990 --> 00:42:06,300

part of all this there I wouldn't even

921

00:42:11,450 --> 00:42:09,000

say George Knapp is aligned with T TSA

922

00:42:13,460 --> 00:42:11,460

he does his own work even though he has

923

00:42:15,830 --> 00:42:13,470

a really long relationship with many of

924

00:42:17,600 --> 00:42:15,840

the people but George Knapp is very

925

00:42:20,150 --> 00:42:17,610

independent

926

00:42:23,060 --> 00:42:20,160

they certainly although there is a

927

00:42:26,210 --> 00:42:23,070

perception out there I can say this

928

00:42:28,610 --> 00:42:26,220

being in regular contact with all of the

929

00:42:32,690 --> 00:42:28,620

parties involved especially George that

930

00:42:35,090 --> 00:42:32,700

you know the lines of inquiry that he

931

00:42:36,980 --> 00:42:35,100

has pursued and this is what frittering

932

00:42:40,250 --> 00:42:36,990

because he deserves a lot of credit he

933

00:42:44,350 --> 00:42:40,260

has developed those on his own Leslie

934

00:42:47,240 --> 00:42:44,360

Cain developed sources on her own and

935

00:42:49,670 --> 00:42:47,250

they were able to pursue and get more

936

00:42:53,180 --> 00:42:49,680

information out than they were given

937

00:42:56,030 --> 00:42:53,190

from T TSA there's a lot if we were up

938

00:42:58,700 --> 00:42:56,040

left just to what T TSA would share with

939

00:42:59,150 --> 00:42:58,710

us we would probably only have half the

940

00:43:02,560 --> 00:42:59,160

story

941

00:43:06,590 --> 00:43:02,570

max especially without the input of

942

00:43:10,280 --> 00:43:06,600

Leslie and and George well their

943

00:43:12,530 --> 00:43:10,290

independent research and work yeah okay

944

00:43:16,790 --> 00:43:12,540

putting putting those two aside what

945

00:43:19,850 --> 00:43:16,800

what I the question was though that the

946

00:43:25,850 --> 00:43:19,860

what has been laid out there in in the

947

00:43:28,940 --> 00:43:25,860

community that what is coming from T TSA

948

00:43:33,500 --> 00:43:28,950

from the group the statements the the

949

00:43:37,340 --> 00:43:33,510

the when I say mass media the news

950

00:43:39,500 --> 00:43:37,350

organizations and what is tied to their

951  
00:43:42,350 --> 00:43:39,510  
PR company I'll give you the name of the

952  
00:43:45,460 --> 00:43:42,360  
PR company here in a second it with all

953  
00:43:49,850 --> 00:43:45,470  
of that that no matter what it is from

954  
00:43:54,200 --> 00:43:49,860  
their side and we look at the list of

955  
00:43:57,540 --> 00:43:54,210  
employees and it has to be tainted it is

956  
00:44:00,510 --> 00:43:57,550  
their story their version of events

957  
00:44:02,220 --> 00:44:00,520  
and that is that is the concern that is

958  
00:44:02,850 --> 00:44:02,230  
out there and so what is your response

959  
00:44:04,980 --> 00:44:02,860  
to that

960  
00:44:08,460 --> 00:44:04,990  
could it be taint it could it be from

961  
00:44:11,190 --> 00:44:08,470  
one side or not like the use of the word

962  
00:44:13,980 --> 00:44:11,200  
threat you know that that is out there I

963  
00:44:17,790 --> 00:44:13,990

guess I still don't get it because

964

00:44:20,970 --> 00:44:17,800

there's there's the message certainly

965

00:44:23,310 --> 00:44:20,980

the message that to the Stars is putting

966

00:44:25,200 --> 00:44:23,320

out there is in our own but that's

967

00:44:26,850 --> 00:44:25,210

intuitive that that that would be

968

00:44:29,190 --> 00:44:26,860

obvious because it's their message it's

969

00:44:31,110 --> 00:44:29,200

their voice and they're sharing the

970

00:44:35,340 --> 00:44:31,120

information that is being shared with

971

00:44:40,320 --> 00:44:35,350

the media is by no means to the Stars

972

00:44:42,110 --> 00:44:40,330

voice I I would beside if you especially

973

00:44:47,820 --> 00:44:42,120

if you're putting like Leslie and George

974

00:44:50,340 --> 00:44:47,830

aside I don't know who you would be

975

00:44:52,560 --> 00:44:50,350

referring to that is parroting what to

976  
00:44:55,200 --> 00:44:52,570  
the stars is saying because they're not

977  
00:44:57,690 --> 00:44:55,210  
let's take CNN for example they're

978  
00:45:00,590 --> 00:44:57,700  
throwing in terms like a lien they're

979  
00:45:04,100 --> 00:45:00,600  
getting you know not all of the points

980  
00:45:06,720 --> 00:45:04,110  
you know right they are interviewing

981  
00:45:09,540 --> 00:45:06,730  
Navy pilots and certainly they're

982  
00:45:13,380 --> 00:45:09,550  
interfacing and making queries to the

983  
00:45:17,250 --> 00:45:13,390  
Navy outside of to the stars they are at

984  
00:45:21,930 --> 00:45:17,260  
times you know questioning some of the

985  
00:45:25,340 --> 00:45:21,940  
information or even you know identifying

986  
00:45:27,270 --> 00:45:25,350  
in some cases what they see as

987  
00:45:29,760 --> 00:45:27,280  
discrepancies but there certainly I

988  
00:45:33,450 --> 00:45:29,770

think a hefty amount of skepticism

989

00:45:36,660 --> 00:45:33,460

coming from most of the media Tucker

990

00:45:39,510 --> 00:45:36,670

Carlson with Fox News is definitely

991

00:45:41,580 --> 00:45:39,520

highly interested in what all of these

992

00:45:43,590 --> 00:45:41,590

guys have to say but he's not just

993

00:45:46,590 --> 00:45:43,600

interviewing to the stars he's also

994

00:45:51,900 --> 00:45:46,600

talking to Nick Pope quite a bit and the

995

00:45:54,930 --> 00:45:51,910

pilots themselves so those are three

996

00:45:58,440 --> 00:45:54,940

different perspectives that are being

997

00:46:00,360 --> 00:45:58,450

shared so I don't see personally that

998

00:46:02,850 --> 00:46:00,370

you know if that's where you're getting

999

00:46:04,470 --> 00:46:02,860

at and that's what I'm well that's

1000

00:46:06,390 --> 00:46:04,480

saying is that the the media is

1001  
00:46:08,940 --> 00:46:06,400  
parroting you know what T to the stars

1002  
00:46:10,230 --> 00:46:08,950  
is is saying and I don't see that at all

1003  
00:46:13,410 --> 00:46:10,240  
yeah and

1004  
00:46:16,590 --> 00:46:13,420  
and the the community out there and

1005  
00:46:18,240 --> 00:46:16,600  
certainly to those that will be posting

1006  
00:46:20,100 --> 00:46:18,250  
in Twitter about this conversation

1007  
00:46:23,490 --> 00:46:20,110  
tomorrow all right

1008  
00:46:26,910 --> 00:46:23,500  
orator tonight are going to say the

1009  
00:46:29,520 --> 00:46:26,920  
exact opposite well if they're in that

1010  
00:46:30,990 --> 00:46:29,530  
some of them will know what hold on let

1011  
00:46:31,290 --> 00:46:31,000  
me finish my thought though okay go

1012  
00:46:33,330 --> 00:46:31,300  
ahead

1013  
00:46:35,940 --> 00:46:33,340

they will say the exact opposite they

1014

00:46:40,710 --> 00:46:35,950

will say that it is because of to the

1015

00:46:42,930 --> 00:46:40,720

stars and in their PR that that to the

1016

00:46:45,300 --> 00:46:42,940

stars brought the Navy pilots out to the

1017

00:46:46,109 --> 00:46:45,310

stars brought the videos out to the

1018

00:46:51,450 --> 00:46:46,119

stars

1019

00:46:55,380 --> 00:46:51,460

did the Elizondo the the briefings to

1020

00:46:57,810 --> 00:46:55,390

the Senate to the stars expose to Tucker

1021

00:46:59,760 --> 00:46:57,820

Carlson who took it to president Trump

1022

00:47:02,370 --> 00:46:59,770

it's all because of to the Stars

1023

00:47:03,990 --> 00:47:02,380

everything has happened today and it's

1024

00:47:05,910 --> 00:47:04,000

so it's the exact opposite of what

1025

00:47:08,910 --> 00:47:05,920

you're saying right now and that's the

1026

00:47:11,430 --> 00:47:08,920

way that they will always argue their

1027

00:47:14,790 --> 00:47:11,440

point about to the Stars influence which

1028

00:47:17,400 --> 00:47:14,800

seems to be everything because of

1029

00:47:20,040 --> 00:47:17,410

because of today too because of today

1030

00:47:23,190 --> 00:47:20,050

what has happened is because of to the

1031

00:47:26,910 --> 00:47:23,200

stars and Chris Mullin and Elizondo and

1032

00:47:29,130 --> 00:47:26,920

justice and and on and on and on okay

1033

00:47:32,010 --> 00:47:29,140

that's that's that's not me that's the

1034

00:47:33,990 --> 00:47:32,020

community speaking that some in the

1035

00:47:36,210 --> 00:47:34,000

community speaking certainly not even

1036

00:47:39,630 --> 00:47:36,220

close to all the community and of course

1037

00:47:42,359 --> 00:47:39,640

we have different communities you you

1038

00:47:44,460 --> 00:47:42,369

know I have my followers who I see some

1039

00:47:46,109 --> 00:47:44,470

of what they're saying and it and from

1040

00:47:48,599 --> 00:47:46,119

my perspective I would say the majority

1041

00:47:50,220 --> 00:47:48,609

are not saying that and of course from

1042

00:47:52,380 --> 00:47:50,230

your perspective you you would see that

1043

00:47:55,710 --> 00:47:52,390

the majority are so it's probably

1044

00:47:57,960 --> 00:47:55,720

somewhere in between and they can battle

1045

00:48:00,330 --> 00:47:57,970

that all they want but when it comes

1046

00:48:03,330 --> 00:48:00,340

back to the actual origins of the

1047

00:48:06,920 --> 00:48:03,340

information you're right T TSA has been

1048

00:48:12,000 --> 00:48:06,930

the one to tip everyone off especially

1049

00:48:14,640 --> 00:48:12,010

Lou Elizondo because there are we do

1050

00:48:17,880 --> 00:48:14,650

know at least I could say I know Chris

1051  
00:48:21,540 --> 00:48:17,890  
Mellon was aware of Elizondo certainly

1052  
00:48:23,589 --> 00:48:21,550  
all of Bigelow Aerospace was aware of a

1053  
00:48:25,959 --> 00:48:23,599  
tip and and aza

1054  
00:48:27,880 --> 00:48:25,969  
that too you know Pentagon programs

1055  
00:48:30,359 --> 00:48:27,890  
looking into this stuff because they

1056  
00:48:33,729 --> 00:48:30,369  
were contractors for those program so

1057  
00:48:36,219 --> 00:48:33,739  
people that were in the know in the

1058  
00:48:38,109 --> 00:48:36,229  
Bigelow organization for example we

1059  
00:48:39,849 --> 00:48:38,119  
talked about John Alexander who worked

1060  
00:48:42,939 --> 00:48:39,859  
with Biglow he wasn't in the know so

1061  
00:48:44,439 --> 00:48:42,949  
some weren't and of course with MUFON we

1062  
00:48:46,329 --> 00:48:44,449  
weren't aware when we were working with

1063  
00:48:49,319 --> 00:48:46,339

big low back in the past we didn't know

1064

00:48:52,319 --> 00:48:49,329

that that relationship was likely also

1065

00:48:57,370 --> 00:48:52,329

involved you know a SAP and ain't hip

1066

00:49:00,069 --> 00:48:57,380

but when you're talking about like the

1067

00:49:02,229 --> 00:49:00,079

pilots the pilots have to get permission

1068

00:49:04,630 --> 00:49:02,239

from the Navy press office before they

1069

00:49:08,799 --> 00:49:04,640

can come out so the Navy's the one who's

1070

00:49:13,180 --> 00:49:08,809

going to sanction the the active pilot

1071

00:49:17,699 --> 00:49:13,190

such as the related to the newer case

1072

00:49:21,039 --> 00:49:17,709

the 2015 Florida case mhm the Roosevelt

1073

00:49:24,099 --> 00:49:21,049

those they're gonna get their directives

1074

00:49:25,390 --> 00:49:24,109

or they're from the Navy about what they

1075

00:49:29,969 --> 00:49:25,400

could talk about and what they can't

1076  
00:49:32,650 --> 00:49:29,979  
talk about that's the way that works but

1077  
00:49:34,269 --> 00:49:32,660  
just because to the stars is tipping

1078  
00:49:38,469 --> 00:49:34,279  
people off that these organizations

1079  
00:49:41,410 --> 00:49:38,479  
exist doesn't mean that they're the ones

1080  
00:49:43,599 --> 00:49:41,420  
who are going to be providing all of the

1081  
00:49:47,439 --> 00:49:43,609  
information and I think this is a one of

1082  
00:49:50,799 --> 00:49:47,449  
the misconceptions that happens and and

1083  
00:49:52,870 --> 00:49:50,809  
it to be honest is just from it's like I

1084  
00:49:55,809 --> 00:49:52,880  
said earlier like the case is usually

1085  
00:49:58,509 --> 00:49:55,819  
much more complicated than people expect

1086  
00:50:01,120 --> 00:49:58,519  
so for instance when Leslie Cain is

1087  
00:50:03,849 --> 00:50:01,130  
aware of this story and she gets some

1088  
00:50:05,559 --> 00:50:03,859

information she goes to route Ralph

1089

00:50:08,079 --> 00:50:05,569

Blumenthal who she knows is a New York

1090

00:50:10,839 --> 00:50:08,089

time writer who is into this topic and

1091

00:50:13,120 --> 00:50:10,849

they finally are able to sell the story

1092

00:50:14,890 --> 00:50:13,130

to the New York Times who also gives

1093

00:50:17,709 --> 00:50:14,900

them their Pentagon their top Pentagon

1094

00:50:21,189 --> 00:50:17,719

Reporter then they have to begin digging

1095

00:50:23,829 --> 00:50:21,199

to get a story you certainly don't want

1096

00:50:26,229 --> 00:50:23,839

to use one source for everything and

1097

00:50:28,479 --> 00:50:26,239

they did not we know this from the

1098

00:50:31,870 --> 00:50:28,489

writers and that's not how the New York

1099

00:50:35,019 --> 00:50:31,880

Times works they are skeptical they're

1100

00:50:37,329 --> 00:50:35,029

gonna say okay Lu sure you did this

1101  
00:50:39,400 --> 00:50:37,339  
Pentagon program but we need to verify

1102  
00:50:43,739 --> 00:50:39,410  
that so then they go to their sources

1103  
00:50:47,349 --> 00:50:43,749  
and they vet all of this information and

1104  
00:50:50,709 --> 00:50:47,359  
we're even able to get more sources that

1105  
00:50:54,069 --> 00:50:50,719  
were outside of to the Stars and

1106  
00:50:55,749 --> 00:50:54,079  
Elizondo in fact I know and this is from

1107  
00:50:58,569 --> 00:50:55,759  
interviews that I've done with all of

1108  
00:51:00,519 --> 00:50:58,579  
these individuals mostly online they

1109  
00:51:01,989 --> 00:51:00,529  
were not aware that the New York Times

1110  
00:51:06,459 --> 00:51:01,999  
was going to release both of those

1111  
00:51:09,039 --> 00:51:06,469  
videos or even get those videos so I'm

1112  
00:51:11,289 --> 00:51:09,049  
not even from my understanding at this

1113  
00:51:13,509 --> 00:51:11,299

point they don't even know how the New

1114

00:51:15,910 --> 00:51:13,519

York Times got those and they were not

1115

00:51:18,039 --> 00:51:15,920

prepared for it if you notice the New

1116

00:51:21,339 --> 00:51:18,049

York Times came out first with those two

1117

00:51:24,729 --> 00:51:21,349

videos to the stars then later posted

1118

00:51:26,559 --> 00:51:24,739

there three and they from what I

1119

00:51:28,329 --> 00:51:26,569

understand weren't even prepared to post

1120

00:51:31,200 --> 00:51:28,339

those videos at the time the New York

1121

00:51:33,880 --> 00:51:31,210

article New York Times article came out

1122

00:51:36,160 --> 00:51:33,890

there are different sources here well

1123

00:51:38,440 --> 00:51:36,170

are you suggesting then that to the

1124

00:51:41,279 --> 00:51:38,450

stars had nothing to do with the Navy

1125

00:51:43,870 --> 00:51:41,289

pilots coming forward or the videos

1126  
00:51:47,160 --> 00:51:43,880  
being released that that had nothing to

1127  
00:51:53,489 --> 00:51:52,150  
being displayed to the public yes to the

1128  
00:52:00,069 --> 00:51:53,499  
stars

1129  
00:52:05,559 --> 00:52:00,079  
well we know that the DoD released the

1130  
00:52:08,920 --> 00:52:05,569  
videos I think that we can we can

1131  
00:52:11,920 --> 00:52:08,930  
definitely I guess we'd have to say

1132  
00:52:16,779 --> 00:52:11,930  
speculate because we can't say that it's

1133  
00:52:19,269 --> 00:52:16,789  
on the record that Elizondo was the guy

1134  
00:52:21,910 --> 00:52:19,279  
who made those videos come out but I

1135  
00:52:24,640 --> 00:52:21,920  
would speculate and say most likely that

1136  
00:52:26,769 --> 00:52:24,650  
is the case that you know he's the one

1137  
00:52:30,099 --> 00:52:26,779  
who identified those and and tried to

1138  
00:52:34,120 --> 00:52:30,109

get those out and was successful getting

1139

00:52:36,489 --> 00:52:34,130

the Navy's permission and you know as

1140

00:52:39,759 --> 00:52:36,499

we've seen from the DP 1910 form and

1141

00:52:41,680 --> 00:52:39,769

then those videos being then accessible

1142

00:52:44,079 --> 00:52:41,690

to the public but they were not the

1143

00:52:46,779 --> 00:52:44,089

first to release those videos of course

1144

00:52:50,170 --> 00:52:46,789

one of those videos was leaked early on

1145

00:52:51,319 --> 00:52:50,180

in like 2007 we still do not know who

1146

00:52:55,680 --> 00:52:51,329

leaked that

1147

00:52:58,349 --> 00:52:55,690

and New York Times was the first to put

1148

00:53:01,319 --> 00:52:58,359

out those two other videos and the New

1149

00:53:03,690 --> 00:53:01,329

York Times was the first to share those

1150

00:53:06,809 --> 00:53:03,700

videos with the public not to the stars

1151  
00:53:11,069 --> 00:53:06,819  
to the Stars was the first to show the

1152  
00:53:13,740 --> 00:53:11,079  
third video and so they're only

1153  
00:53:15,620 --> 00:53:13,750  
responsible for publicizing you know

1154  
00:53:18,690 --> 00:53:15,630  
getting out to the public than one video

1155  
00:53:21,240 --> 00:53:18,700  
as far as that goes

1156  
00:53:24,450 --> 00:53:21,250  
so we've got to head towards a break

1157  
00:53:28,050 --> 00:53:24,460  
here but ok when when Chris melons

1158  
00:53:31,440 --> 00:53:28,060  
website had the photographs of the DVDs

1159  
00:53:34,079 --> 00:53:31,450  
right and and that went out you're

1160  
00:53:37,290 --> 00:53:34,089  
saying that Chris melon didn't supply

1161  
00:53:40,470 --> 00:53:37,300  
the New York Times with the videos that

1162  
00:53:44,910 --> 00:53:40,480  
he already had in his possession yes

1163  
00:53:46,890 --> 00:53:44,920

according to Leslie Kane the truth jars

1164

00:53:49,530 --> 00:53:46,900

was not the source for those videos they

1165

00:53:52,800 --> 00:53:49,540

got those videos from a separate DoD

1166

00:53:54,660 --> 00:53:52,810

source hmm interesting and I've also

1167

00:53:56,579 --> 00:53:54,670

confirmed this with people into the

1168

00:53:58,200 --> 00:53:56,589

stars is that true did you not even know

1169

00:54:00,270 --> 00:53:58,210

they had the videos and they said yes we

1170

00:54:02,790 --> 00:54:00,280

didn't know they had those we were not

1171

00:54:06,839 --> 00:54:02,800

prepared to share those videos with the

1172

00:54:09,390 --> 00:54:06,849

public when the New York Times did it so

1173

00:54:11,309 --> 00:54:09,400

the New York Times push their hand and

1174

00:54:14,250 --> 00:54:11,319

this is a great example the New York

1175

00:54:16,339 --> 00:54:14,260

Times released more information than

1176  
00:54:19,230 --> 00:54:16,349  
they were prepared to have released

1177  
00:54:20,940 --> 00:54:19,240  
because they did their due diligence and

1178  
00:54:23,300 --> 00:54:20,950  
they did their job and they did their

1179  
00:54:26,250 --> 00:54:23,310  
digging and came up with with

1180  
00:54:27,809 --> 00:54:26,260  
information so it was just I've got to

1181  
00:54:32,910 --> 00:54:27,819  
take a break right here but so it was

1182  
00:54:35,460 --> 00:54:32,920  
just a coincidence that Leslie Cain got

1183  
00:54:37,890 --> 00:54:35,470  
the same videos oh it's not a

1184  
00:54:40,680 --> 00:54:37,900  
coincidence at all so the process is

1185  
00:54:44,280 --> 00:54:40,690  
these videos are approved these videos

1186  
00:54:46,859 --> 00:54:44,290  
which I think likely Elizondo you know

1187  
00:54:49,710 --> 00:54:46,869  
found and identified and got the Navy to

1188  
00:54:52,109 --> 00:54:49,720

approve that they are able to be

1189

00:54:54,809 --> 00:54:52,119

released to the public they got those

1190

00:54:57,210 --> 00:54:54,819

videos they were out there we know from

1191

00:55:00,930 --> 00:54:57,220

several researchers who have contacted

1192

00:55:03,960 --> 00:55:00,940

the Navy tic-tacs was a known term for

1193

00:55:05,130 --> 00:55:03,970

this UFO type that it was known inside

1194

00:55:07,259 --> 00:55:05,140

the Navy that people had

1195

00:55:09,480 --> 00:55:07,269

seen these tic-tac UFOs we know this

1196

00:55:12,000 --> 00:55:09,490

from Tyler rogue away we know this from

1197

00:55:13,799 --> 00:55:12,010

Robert Powell I think John Greenwald has

1198

00:55:15,420 --> 00:55:13,809

even said something similar where they

1199

00:55:18,180 --> 00:55:15,430

were like yeah the Tic Tacs we know what

1200

00:55:21,059 --> 00:55:18,190

that is and and we know from the Tyler

1201  
00:55:24,120 --> 00:55:21,069  
rogue away article from the drive that

1202  
00:55:25,980 --> 00:55:24,130  
the Nimitz wasn't the only ones who saw

1203  
00:55:28,500 --> 00:55:25,990  
this Tic Tac that's Tic Tac has been

1204  
00:55:32,579 --> 00:55:28,510  
seen across several different squadrons

1205  
00:55:35,700 --> 00:55:32,589  
and pilots over the years so that was a

1206  
00:55:38,039 --> 00:55:35,710  
known thing so whoever the New York

1207  
00:55:40,799 --> 00:55:38,049  
Times talked to was aware of these

1208  
00:55:44,970 --> 00:55:40,809  
videos obviously and these are the only

1209  
00:55:48,690 --> 00:55:44,980  
videos we know of that are purported to

1210  
00:55:51,329 --> 00:55:48,700  
be UFOs that that are available so

1211  
00:55:53,519 --> 00:55:51,339  
whoever they talked to knew they were

1212  
00:55:57,000 --> 00:55:53,529  
available knew how to get a hold of them

1213  
00:56:00,589 --> 00:55:57,010

knew that they were able to be released

1214

00:56:03,329 --> 00:56:00,599

or maybe didn't but didn't care and

1215

00:56:04,880 --> 00:56:03,339

provided those videos to them let's take

1216

00:56:08,910 --> 00:56:04,890

familiar with with the bumper music here

1231

00:57:24,290 --> 00:57:22,620

but to see Doug playing that in front of

1232

00:57:29,210 --> 00:57:24,300

a live audience is a pretty cool

1233

00:57:34,220 --> 00:57:29,220

Alejandro I asked you earlier what it

1234

00:57:37,880 --> 00:57:34,230

would take for you to accept that et is

1235

00:57:40,070 --> 00:57:37,890

here right and he said it probably would

1236

00:57:42,020 --> 00:57:40,080

have to land on my front lawn and

1237

00:57:45,260 --> 00:57:42,030

somebody step off and say we are here

1238

00:57:47,800 --> 00:57:45,270

and I totally get that these three

1239

00:57:51,560 --> 00:57:47,810

videos that have been so widely

1240

00:57:56,320 --> 00:57:51,570

distributed and viewed now does that

1241

00:57:59,210 --> 00:57:56,330

change your mind no and and the videos

1242

00:58:03,590 --> 00:57:59,220

videos and pictures are of limited use

1243

00:58:07,160 --> 00:58:03,600

typically and with those videos for

1244

00:58:11,330 --> 00:58:07,170

example I don't have the expertise to

1245

00:58:14,210 --> 00:58:11,340

determine you know what whether or not

1246

00:58:17,900 --> 00:58:14,220

what is happening in those videos is

1247

00:58:20,600 --> 00:58:17,910

something that is extraordinary so I

1248

00:58:23,630 --> 00:58:20,610

have to go with expert opinion that's

1249

00:58:26,330 --> 00:58:23,640

one thing we have lacking is we don't

1250

00:58:28,820 --> 00:58:26,340

have so allegedly these videos have been

1251  
00:58:31,670 --> 00:58:28,830  
analyzed and determined to be something

1252  
00:58:33,770 --> 00:58:31,680  
you know anomalous but we haven't seen

1253  
00:58:36,530 --> 00:58:33,780  
any of that analysis nor do we even know

1254  
00:58:39,170 --> 00:58:36,540  
who did that analysis and so that's

1255  
00:58:42,080 --> 00:58:39,180  
something I hope comes forward sometime

1256  
00:58:44,690 --> 00:58:42,090  
in the future now in McMinnville Oregon

1257  
00:58:48,170 --> 00:58:44,700  
David flavor the Wing Commander who

1258  
00:58:50,090 --> 00:58:48,180  
chased the tick tack he did a little bit

1259  
00:58:52,010 --> 00:58:50,100  
of analysis and explained some of the

1260  
00:58:53,840 --> 00:58:52,020  
technicalities and why what were

1261  
00:58:56,390 --> 00:58:53,850  
described what we're seeing there it's

1262  
00:58:59,030 --> 00:58:56,400  
not what some of the skeptics believe

1263  
00:59:01,340 --> 00:58:59,040

them to be and he made a lot of sense I

1264

00:59:04,070 --> 00:59:01,350

think he's one of the top expert

1265

00:59:06,980 --> 00:59:04,080

opinions that we've heard from thus far

1266

00:59:10,640 --> 00:59:06,990

so and of course he's an expert witness

1267

00:59:12,200 --> 00:59:10,650

and what he says occurred as well so

1268

00:59:15,970 --> 00:59:12,210

a lot of these cases and that's why

1269

00:59:18,920 --> 00:59:15,980

military cases are so good they rely on

1270

00:59:21,440 --> 00:59:18,930

you know expert witnesses as opposed to

1271

00:59:23,990 --> 00:59:21,450

just you know the average Joe out there

1272

00:59:26,870 --> 00:59:24,000

people who you know are very familiar

1273

00:59:30,530 --> 00:59:26,880

with our bleeding edge technology and

1274

00:59:33,350 --> 00:59:30,540

what it's capable of and why you know

1275

00:59:36,890 --> 00:59:33,360

our technology maneuvers and it's

1276

00:59:38,600 --> 00:59:36,900

capable of doing what it does so I've

1277

00:59:41,450 --> 00:59:38,610

got to rely on expert opinion so the

1278

00:59:43,190 --> 00:59:41,460

videos I think are a very little value I

1279

00:59:45,500 --> 00:59:43,200

think there's not a whole lot of data

1280

00:59:47,630 --> 00:59:45,510

the average Joe can take from that and

1281

00:59:49,730 --> 00:59:47,640

and we haven't gotten enough in

1282

00:59:53,830 --> 00:59:49,740

supporting information to even prove

1283

00:59:56,420 --> 00:59:53,840

those videos or something you know

1284

00:59:58,760 --> 00:59:56,430

extraordinary in fact you know until we

1285

01:00:00,860 --> 00:59:58,770

see some of that I am open to the idea

1286

01:00:03,710 --> 01:00:00,870

that possibly you know they are

1287

01:00:07,310 --> 01:00:03,720

something more mundane it's just so far

1288

01:00:09,830 --> 01:00:07,320

in my from what I've seen you know or at

1289

01:00:11,960 --> 01:00:09,840

least from what I've heard I think our

1290

01:00:16,490 --> 01:00:11,970

best expert witness which would be I

1291

01:00:17,810 --> 01:00:16,500

think flavor at this point has said and

1292

01:00:21,620 --> 01:00:17,820

believes them to be something anomalous

1293

01:00:23,300 --> 01:00:21,630

so what doe he's not sure so it's

1294

01:00:24,890 --> 01:00:23,310

interesting what he says by the way if

1295

01:00:26,540 --> 01:00:24,900

you don't mind me knowing go ahead go

1296

01:00:29,030 --> 01:00:26,550

ahead I was gonna rudely interrupt you

1297

01:00:30,950 --> 01:00:29,040

so you first you first you're the host

1298

01:00:32,660 --> 01:00:30,960

you got it you got a guide us but I

1299

01:00:34,520 --> 01:00:32,670

think it's just interesting that he says

1300

01:00:36,290 --> 01:00:34,530

you know at the very beginning he

1301

01:00:36,950 --> 01:00:36,300

thought that it could be Russian or

1302

01:00:39,650 --> 01:00:36,960

Chinese

1303

01:00:42,260 --> 01:00:39,660

but what has convinced him that they are

1304

01:00:45,320 --> 01:00:42,270

not Russian or Chinese is that you know

1305

01:00:47,870 --> 01:00:45,330

the technology has not been has not come

1306

01:00:49,850 --> 01:00:47,880

out he has gotten no inkling that we

1307

01:00:53,330 --> 01:00:49,860

have that sort of technology that he

1308

01:00:56,840 --> 01:00:53,340

witnessed in 2004 and he feels that now

1309

01:00:59,060 --> 01:00:56,850

that you know 15 years have gone by he

1310

01:01:01,460 --> 01:00:59,070

definitely would have caught wind of

1311

01:01:06,820 --> 01:01:01,470

that sort of technology but that he has

1312

01:01:09,290 --> 01:01:06,830

not is what convinces him the most with

1313

01:01:11,990 --> 01:01:09,300

you know your reference to the average

1314

01:01:14,180 --> 01:01:12,000

Joe you're you're far removed from the

1315

01:01:18,290 --> 01:01:14,190

average Joe you've seen lots of video

1316

01:01:20,660 --> 01:01:18,300

lots of imagery you've interviewed

1317

01:01:23,090 --> 01:01:20,670

you've been writing about this topic for

1318

01:01:24,229 --> 01:01:23,100

a very long time I want you personally

1319

01:01:28,159 --> 01:01:24,239

when you

1320

01:01:31,099 --> 01:01:28,169

first saw the gimbal let's go with the

1321

01:01:34,969 --> 01:01:31,109

gimbal first the first time you saw the

1322

01:01:38,569 --> 01:01:34,979

gimbal what went through your mind what

1323

01:01:40,339 --> 01:01:38,579

did you think well I'll tell you with

1324

01:01:42,219 --> 01:01:40,349

all of them I wasn't that impressed I

1325

01:01:45,829 --> 01:01:42,229

was like you know I don't know enough to

1326

01:01:48,289 --> 01:01:45,839

know if this is it and I had a little

1327

01:01:51,109 --> 01:01:48,299

bit of practice the best training I had

1328

01:01:56,509 --> 01:01:51,119

I was looking at that sort of video was

1329

01:01:58,879 --> 01:01:56,519

the analysis done by the scientific

1330

01:01:59,509 --> 01:01:58,889

coalition for you ApS now is what

1331

01:02:01,879 --> 01:01:59,519

they're called

1332

01:02:05,959 --> 01:02:01,889

I they did this analysis of this

1333

01:02:09,609 --> 01:02:05,969

infrared video taken by Homeland

1334

01:02:12,259 --> 01:02:09,619

Security in Aguadilla in like what 2009

1335

01:02:13,999 --> 01:02:12,269

Puerto Rico and that was a very good

1336

01:02:15,679 --> 01:02:14,009

video I thought that was actually more

1337

01:02:18,079 --> 01:02:15,689

impressive than probably all three of

1338

01:02:21,649 --> 01:02:18,089

these videos and there was a lot of

1339

01:02:23,659 --> 01:02:21,659

debate on there and at least I feel you

1340

01:02:25,339 --> 01:02:23,669

know because we've had and I've written

1341

01:02:27,769 --> 01:02:25,349

on this you know where did the experts

1342

01:02:30,469 --> 01:02:27,779

the lie most of the expert opinion we

1343

01:02:33,019 --> 01:02:30,479

have on that video I feel and I've got

1344

01:02:35,029 --> 01:02:33,029

an article to justify this is on the

1345

01:02:37,819 --> 01:02:35,039

edge of that that what they saw there

1346

01:02:40,789 --> 01:02:37,829

was anomalous and so at least there I

1347

01:02:43,069 --> 01:02:40,799

had a little bit of practice on IR what

1348

01:02:44,659 --> 01:02:43,079

his capabilities are what you know the

1349

01:02:46,849 --> 01:02:44,669

movement of the aircraft and how that

1350

01:02:50,899 --> 01:02:46,859

would affect the perspective of the

1351

01:02:52,879 --> 01:02:50,909

camera but I actually had an expert

1352

01:02:54,799 --> 01:02:52,889

witness who is an IR expert who

1353

01:02:58,249 --> 01:02:54,809

literally takes those sort of cameras

1354

01:03:00,379 --> 01:02:58,259

apart and puts them back together and he

1355

01:03:03,559 --> 01:03:00,389

you know was able to also shed a lot of

1356

01:03:07,069 --> 01:03:03,569

light on that on these newer ones you

1357

01:03:08,809 --> 01:03:07,079

know we've got the word of you know

1358

01:03:11,989 --> 01:03:08,819

Elizondo that this analysis has been

1359

01:03:17,449 --> 01:03:11,999

done but we do we still have to see that

1360

01:03:18,409 --> 01:03:17,459

analysis so I was I was I wouldn't say I

1361

01:03:21,139 --> 01:03:18,419

was underwhelmed

1362

01:03:24,079 --> 01:03:21,149

I was excited in not what I was seeing

1363

01:03:28,549 --> 01:03:24,089

but I was excited that this was a piece

1364

01:03:31,159 --> 01:03:28,559

of evidence that supposedly you know

1365

01:03:33,019 --> 01:03:31,169

experts believed was anomalous and

1366

01:03:34,429 --> 01:03:33,029

that's the part that was most excited

1367

01:03:35,490 --> 01:03:34,439

about if that makes sense

1368

01:03:40,440 --> 01:03:35,500

well

1369

01:03:43,410 --> 01:03:40,450

can you did you did you say not enough

1370

01:03:46,440 --> 01:03:43,420

you know to yourself or do you know did

1371

01:03:49,380 --> 01:03:46,450

you did you blow it off me when I first

1372

01:03:51,900 --> 01:03:49,390

saw the the gimbal footage I was blown

1373

01:03:57,780 --> 01:03:51,910

away I mean I was aware okay well I was

1374

01:04:00,270 --> 01:03:57,790

I was and there were certain members of

1375

01:04:03,090 --> 01:04:00,280

this community of researchers of note

1376

01:04:05,460 --> 01:04:03,100

that that came at me really really

1377

01:04:08,610 --> 01:04:05,470

really hard that this is this is

1378

01:04:11,340 --> 01:04:08,620

absolutely a nothing burger and I went

1379

01:04:15,800 --> 01:04:11,350

back and I I defended the position of

1380

01:04:19,830 --> 01:04:15,810

the gimbal today when I look at it today

1381

01:04:22,860 --> 01:04:19,840

it feels like this is this is just me as

1382

01:04:26,900 --> 01:04:22,870

my opinion but it feels like the

1383

01:04:29,820 --> 01:04:26,910

spinning that is going on there is us I

1384

01:04:32,070 --> 01:04:29,830

think it's the camera spinning I think

1385

01:04:35,400 --> 01:04:32,080

it's the gimbal spinning I I don't think

1386

01:04:37,320 --> 01:04:35,410

that the craft itself is spinning I did

1387

01:04:39,540 --> 01:04:37,330

originally I thought man that's a crazy

1388

01:04:42,450 --> 01:04:39,550

rotation that doesn't look like an

1389

01:04:47,370 --> 01:04:42,460

aircraft that you know but but yeah my

1390

01:04:50,100 --> 01:04:47,380

feeling is that rotation is the the

1391

01:04:53,160 --> 01:04:50,110

aircraft itself that is shooting the

1392

01:04:55,050 --> 01:04:53,170

video and it's equipment this is why

1393

01:04:57,120 --> 01:04:55,060

it's exciting David flavor I would go

1394

01:04:59,520 --> 01:04:57,130

listen to him in McMinnville cuz he

1395

01:05:02,310 --> 01:04:59,530

explains why that is not the case and

1396

01:05:05,580 --> 01:05:02,320

why the aerodynamics just do not work

1397

01:05:07,350 --> 01:05:05,590

and nor do the visuals of what's

1398

01:05:11,610 --> 01:05:07,360

happening there and he describes very

1399

01:05:14,010 --> 01:05:11,620

clearly why it is certainly anomalous

1400

01:05:16,650 --> 01:05:14,020

and strange and it shouldn't be doing

1401

01:05:18,210 --> 01:05:16,660

what it's doing and he makes a lot of

1402

01:05:21,000 --> 01:05:18,220

sense when he describes that now it

1403

01:05:24,620 --> 01:05:21,010

reference him but I guess I would say it

1404

01:05:28,230 --> 01:05:24,630

this way in that I have seen much more

1405

01:05:30,690 --> 01:05:28,240

convincing an exciting video that has

1406

01:05:35,220 --> 01:05:30,700

turned out to be mundane and that is why

1407

01:05:38,130 --> 01:05:35,230

when I see videos I reserve my judgment

1408

01:05:40,800 --> 01:05:38,140

mostly because I know my friend let's

1409

01:05:43,650 --> 01:05:40,810

say Mark Dantonio who's good at this or

1410

01:05:45,540 --> 01:05:43,660

others are gonna burst my bubble like

1411

01:05:47,170 --> 01:05:45,550

they have many times if I get too

1412

01:05:50,289 --> 01:05:47,180

excited about it

1413

01:05:52,269 --> 01:05:50,299

I'm currently excited about the gimbal

1414

01:05:54,940 --> 01:05:52,279

and about the Aguadilla videos because I

1415

01:05:59,559 --> 01:05:54,950

think the experts make a lot of sense in

1416

01:06:01,839 --> 01:05:59,569

the the more of the X those with the

1417

01:06:04,329 --> 01:06:01,849

higher levels of expertise have been

1418

01:06:06,880 --> 01:06:04,339

able to explain why it is anomalous such

1419

01:06:09,789 --> 01:06:06,890

as david flavor if you get into you know

1420

01:06:12,009 --> 01:06:09,799

his explanation speaking to those points

1421

01:06:16,509 --> 01:06:12,019

that you just made yeah

1422

01:06:18,910 --> 01:06:16,519

the Aguadilla video that when and i've

1423

01:06:23,440 --> 01:06:18,920

watched that video a hundred times if

1424

01:06:26,109 --> 01:06:23,450

not more you can clearly see its its

1425

01:06:29,680 --> 01:06:26,119

speed you can see it traveling up the

1426

01:06:32,920 --> 01:06:29,690

runway and that's not the closer for me

1427

01:06:36,130 --> 01:06:32,930

though the closer is when it goes into

1428

01:06:38,829 --> 01:06:36,140

the water and comes back out that that

1429

01:06:41,620 --> 01:06:38,839

you can see its motion you can see it

1430

01:06:43,539 --> 01:06:41,630

moving and when it does that that's when

1431

01:06:45,130 --> 01:06:43,549

i just i have to back up and go okay now

1432

01:06:47,440 --> 01:06:45,140

that that was strange

1433

01:06:49,809 --> 01:06:47,450

well i kind of say you know a lot of the

1434

01:06:55,120 --> 01:06:49,819

skeptics and debunkers who debunk the

1435

01:06:59,349 --> 01:06:55,130

Aguadilla video are applying there and i

1436

01:07:03,160 --> 01:06:59,359

don't mean this in a bad way they're

1437

01:07:07,180 --> 01:07:03,170

applying their kind of amateurs you know

1438

01:07:08,589 --> 01:07:07,190

work to these other videos and i don't

1439

01:07:10,779 --> 01:07:08,599

think you could do that i don't think we

1440

01:07:14,140 --> 01:07:10,789

can be definitive about these videos

1441

01:07:16,480 --> 01:07:14,150

until we see this other analysis that's

1442

01:07:19,329 --> 01:07:16,490

out there because you have to counter

1443

01:07:21,220 --> 01:07:19,339

that you have to say so for instance why

1444

01:07:23,529 --> 01:07:21,230

i wrote these pieces was like okay if

1445

01:07:26,380 --> 01:07:23,539

you're gonna explain these away then you

1446

01:07:29,049 --> 01:07:26,390

have to answer the experts you have to

1447

01:07:32,170 --> 01:07:29,059

be able to counter the expert opinions

1448

01:07:34,480 --> 01:07:32,180

and their descriptions of why they're

1449

01:07:36,400 --> 01:07:34,490

describing this is the case you've got

1450

01:07:38,019 --> 01:07:36,410

to counter that and most of the time

1451

01:07:40,240 --> 01:07:38,029

these guys don't they're none you know

1452

01:07:42,670 --> 01:07:40,250

this is i already proved it you know

1453

01:07:45,640 --> 01:07:42,680

well you have it until you can counter

1454

01:07:47,019 --> 01:07:45,650

that and as a journalist i've got to go

1455

01:07:49,049 --> 01:07:47,029

with the highest expert opinion

1456

01:07:51,970 --> 01:07:49,059

especially if you have more than one

1457

01:07:54,190 --> 01:07:51,980

because i'm not the expert and i've got

1458

01:07:56,440 --> 01:07:54,200

to take myself out of it because i have

1459

01:07:58,599 --> 01:07:56,450

to use the expert opinion because i'm I

1460

01:08:00,310 --> 01:07:58,609

don't have expertise i've never flown a

1461

01:08:02,560 --> 01:08:00,320

jet fighter or

1462

01:08:04,540 --> 01:08:02,570

and i've never used you know IR cameras

1463

01:08:07,270 --> 01:08:04,550

especially a high-tech like that so I

1464

01:08:10,420 --> 01:08:07,280

wouldn't know but certainly the pilots

1465

01:08:13,510 --> 01:08:10,430

and the weather they call them I forget

1466

01:08:15,580 --> 01:08:13,520

the whiz O's that are flying those Jets

1467

01:08:20,010 --> 01:08:15,590

are have done it for many many hours

1468

01:08:23,170 --> 01:08:20,020

than they are experts now what about the

1469

01:08:27,010 --> 01:08:23,180

the complete videos we're only looking

1470

01:08:29,950 --> 01:08:27,020

at seconds were the video here what

1471

01:08:34,300 --> 01:08:29,960

about what was shot before and what was

1472

01:08:36,840 --> 01:08:34,310

shot after and why why is that not

1473

01:08:39,849 --> 01:08:36,850

released why not show the whole video

1474

01:08:42,220 --> 01:08:39,859

well we're lucky to have anything at all

1475

01:08:45,310 --> 01:08:42,230

with these videos in fact Aguadilla was

1476

01:08:48,099 --> 01:08:45,320

leaked I think that the witnesses

1477

01:08:50,110 --> 01:08:48,109

thought it was ok to leak it but the DoD

1478

01:08:52,270 --> 01:08:50,120

or the homeland security I said no those

1479

01:08:58,060 --> 01:08:52,280

were not supposed to be leaked they told

1480

01:09:01,360 --> 01:08:58,070

this to our buddy they're devoid blog

1481

01:09:03,970 --> 01:09:01,370

out of the affricate you know Billy Cox

1482

01:09:06,520 --> 01:09:03,980

but essentially they didn't want those

1483

01:09:08,740 --> 01:09:06,530

release then and these videos were

1484

01:09:11,230 --> 01:09:08,750

allowed to be released and they're so

1485

01:09:13,450 --> 01:09:11,240

short because they're very you know

1486

01:09:16,620 --> 01:09:13,460

methods and procedures and and there's a

1487

01:09:19,930 --> 01:09:16,630

lot of top-secret stuff on those planes

1488

01:09:22,240 --> 01:09:19,940

how the planes operate the procedures

1489

01:09:23,829 --> 01:09:22,250

and the way they do what they do all of

1490

01:09:27,280 --> 01:09:23,839

this is top-secret when they're doing

1491

01:09:29,410 --> 01:09:27,290

their training exercises they are you

1492

01:09:30,700 --> 01:09:29,420

know they're following procedures they

1493

01:09:32,170 --> 01:09:30,710

don't want the end of me to know because

1494

01:09:33,340 --> 01:09:32,180

they don't want the end of me to know

1495

01:09:35,710 --> 01:09:33,350

what they're up to

1496

01:09:37,060 --> 01:09:35,720

so that's why we've got very little of

1497

01:09:38,950 --> 01:09:37,070

the video that's the way that it's been

1498

01:09:41,770 --> 01:09:38,960

described with me I've seen this in the

1499

01:09:43,990 --> 01:09:41,780

past so it makes sense I you know

1500

01:09:46,480 --> 01:09:44,000

somehow I guess what happened before and

1501  
01:09:48,849 --> 01:09:46,490  
after was something that somebody said

1502  
01:09:49,870 --> 01:09:48,859  
no we can't allow that code go out to

1503  
01:09:52,720 --> 01:09:49,880  
the public there's too much information

1504  
01:09:55,630 --> 01:09:52,730  
there's something in that shot that we

1505  
01:09:58,030 --> 01:09:55,640  
just can't let the public or our enemy

1506  
01:10:00,700 --> 01:09:58,040  
see like what what would that be

1507  
01:10:04,150 --> 01:10:00,710  
certainly I think it would be Burbidge

1508  
01:10:07,450 --> 01:10:04,160  
anything from verbage to you it would be

1509  
01:10:10,060 --> 01:10:07,460  
take the verbage out just the video well

1510  
01:10:12,790 --> 01:10:10,070  
then it could be some sort of maneuver

1511  
01:10:14,050 --> 01:10:12,800  
it could be some sort of craft it could

1512  
01:10:17,470 --> 01:10:14,060  
be some sort of

1513  
01:10:20,140 --> 01:10:17,480

action between them and maybe they're a

1514

01:10:22,120 --> 01:10:20,150

whack the radar ship that's up there I

1515

01:10:24,520 --> 01:10:22,130

mean again this is one of those

1516

01:10:27,280 --> 01:10:24,530

situations where we don't know what we

1517

01:10:30,040 --> 01:10:27,290

don't know and certainly it could be

1518

01:10:33,300 --> 01:10:30,050

that they're being overly sensitive that

1519

01:10:35,980 --> 01:10:33,310

what comes before and after is not that

1520

01:10:37,930 --> 01:10:35,990

important to keep secret and we I think

1521

01:10:40,510 --> 01:10:37,940

there's no one who would disagree that

1522

01:10:43,990 --> 01:10:40,520

the our military is a problem with over

1523

01:10:49,780 --> 01:10:44,000

secrecy so I think you know we're lucky

1524

01:10:51,670 --> 01:10:49,790

we got anything and that and that's part

1525

01:10:53,860 --> 01:10:51,680

of the problem we've gotten so little

1526

01:10:55,870 --> 01:10:53,870

that we really need to see the rest of

1527

01:10:59,170 --> 01:10:55,880

that and it kind of gets back to your

1528

01:11:01,840 --> 01:10:59,180

other question because the way it's been

1529

01:11:04,600 --> 01:11:01,850

described and I think the way we've seen

1530

01:11:06,760 --> 01:11:04,610

this play out and more importantly is

1531

01:11:08,410 --> 01:11:06,770

that these guys have said look we were

1532

01:11:11,620 --> 01:11:08,420

able to share a little bit of

1533

01:11:13,060 --> 01:11:11,630

information but that's it so now what

1534

01:11:15,700 --> 01:11:13,070

we're trying to do is grease the wheels

1535

01:11:19,300 --> 01:11:15,710

we're trying to go to you know our

1536

01:11:22,450 --> 01:11:19,310

colleagues we're going to military

1537

01:11:25,030 --> 01:11:22,460

leadership we're going to law makers and

1538

01:11:26,950 --> 01:11:25,040

we're saying hey you're sitting on

1539

01:11:29,230 --> 01:11:26,960

information that the public should see

1540

01:11:32,170 --> 01:11:29,240

and needs to see and you need to share

1541

01:11:34,480 --> 01:11:32,180

that information and it's okay to share

1542

01:11:36,250 --> 01:11:34,490

that information because our pilots are

1543

01:11:38,080 --> 01:11:36,260

seeing this you know this is credible

1544

01:11:40,300 --> 01:11:38,090

stuff it's time for this stuff to come

1545

01:11:43,030 --> 01:11:40,310

out and certainly we've seen then

1546

01:11:45,970 --> 01:11:43,040

headway being made we've seen the Navy

1547

01:11:48,400 --> 01:11:45,980

kind of coming on board and saying okay

1548

01:11:51,010 --> 01:11:48,410

we're going to participate in getting

1549

01:11:53,140 --> 01:11:51,020

out more information and making this

1550

01:11:56,590 --> 01:11:53,150

topic more credible we've seen an

1551

01:12:00,030 --> 01:11:56,600

abundance now every week for the last

1552

01:12:03,100 --> 01:12:00,040

few weeks we've seen a new senator or

1553

01:12:05,110 --> 01:12:03,110

lawmaker come out and say hey I was in

1554

01:12:07,090 --> 01:12:05,120

the committee where we talked about UFOs

1555

01:12:09,250 --> 01:12:07,100

and it is an important topic and we need

1556

01:12:12,670 --> 01:12:09,260

to know more so we are seeing that

1557

01:12:15,700 --> 01:12:12,680

happen and we're seeing not just you

1558

01:12:18,190 --> 01:12:15,710

know interviews with the president but

1559

01:12:20,320 --> 01:12:18,200

obviously you know even before the

1560

01:12:22,300 --> 01:12:20,330

president was asked the question have

1561

01:12:24,790 --> 01:12:22,310

you been briefed on this he was briefed

1562

01:12:27,220 --> 01:12:24,800

on it even though he said it was a short

1563

01:12:27,540 --> 01:12:27,230

meeting but at least they brought up the

1564

01:12:31,830 --> 01:12:27,550

top

1565

01:12:37,440 --> 01:12:31,840

to him so this this will greasing has

1566

01:12:41,370 --> 01:12:37,450

obviously been very effective the do you

1567

01:12:45,080 --> 01:12:41,380

believe that our government any branch

1568

01:12:49,590 --> 01:12:45,090

any agency anything in Washington DC

1569

01:12:52,860 --> 01:12:49,600

knows definitively the truth about UFOs

1570

01:12:57,450 --> 01:12:52,870

and ET and contact and visitations on

1571

01:13:00,180 --> 01:12:57,460

this planet I would say no I and I I

1572

01:13:02,100 --> 01:13:00,190

think that the more I've looked into you

1573

01:13:05,370 --> 01:13:02,110

and been involved with all of this the

1574

01:13:07,860 --> 01:13:05,380

more that that had I was skeptical of

1575

01:13:12,060 --> 01:13:07,870

that perspective it's sort of this

1576

01:13:14,220 --> 01:13:12,070

perspective that John Alexander has

1577

01:13:16,110 --> 01:13:14,230

pushed forward because he you know like

1578

01:13:20,070 --> 01:13:16,120

I said before he looked for the man and

1579

01:13:22,740 --> 01:13:20,080

couldn't find the man ID and it seemed

1580

01:13:24,900 --> 01:13:22,750

to be to fit even when you interview the

1581

01:13:27,480 --> 01:13:24,910

military where you see that report went

1582

01:13:31,910 --> 01:13:27,490

with the Nimitz when these guys these

1583

01:13:34,470 --> 01:13:31,920

pilots got back to the aircraft carrier

1584

01:13:37,140 --> 01:13:34,480

the they were made fun of there are

1585

01:13:39,900 --> 01:13:37,150

people wearing tinfoil hats and that

1586

01:13:42,420 --> 01:13:39,910

report was very clear about the attitude

1587

01:13:45,270 --> 01:13:42,430

of the jokey attitude and people mating

1588

01:13:47,520 --> 01:13:45,280

being made fun of and I've heard over

1589

01:13:48,180 --> 01:13:47,530

and over again talking to military

1590

01:13:51,030 --> 01:13:48,190

witnesses

1591

01:13:54,270 --> 01:13:51,040

I never told I never reported that up

1592

01:13:58,170 --> 01:13:54,280

because I didn't want to made fun of I

1593

01:14:00,420 --> 01:13:58,180

knew one radar operator who worked the

1594

01:14:02,100 --> 01:14:00,430

dew line back in the 60s this is a line

1595

01:14:04,800 --> 01:14:02,110

where we're watching the Russians were

1596

01:14:07,290 --> 01:14:04,810

out there and they got they tweaked

1597

01:14:10,080 --> 01:14:07,300

their radars and they were seeing UFOs I

1598

01:14:13,020 --> 01:14:10,090

his name was glass name was Carter so

1599

01:14:15,360 --> 01:14:13,030

whenever they had some anomalous things

1600

01:14:17,220 --> 01:14:15,370

it by that was at a high altitude they

1601  
01:14:20,160 --> 01:14:17,230  
would call up Carter and say hey we got

1602  
01:14:21,150 --> 01:14:20,170  
Carter's contact ID you know check our

1603  
01:14:23,460 --> 01:14:21,160  
radar to make sure it's functioning

1604  
01:14:25,050 --> 01:14:23,470  
properly and they would report that and

1605  
01:14:28,470 --> 01:14:25,060  
they did get a lot of heck a lot of

1606  
01:14:30,180 --> 01:14:28,480  
people came to look at it and and this

1607  
01:14:31,980 --> 01:14:30,190  
guy asked some of the other radar

1608  
01:14:33,930 --> 01:14:31,990  
operators on the other ships aren't you

1609  
01:14:35,760 --> 01:14:33,940  
getting these things too and they said

1610  
01:14:37,710 --> 01:14:35,770  
yeah but we're not telling anybody we're

1611  
01:14:39,810 --> 01:14:37,720  
not going to go through that crap and

1612  
01:14:41,390 --> 01:14:39,820  
you hear this sort of thing over and

1613  
01:14:44,330 --> 01:14:41,400

over and over again that people are

1614

01:14:46,250 --> 01:14:44,340

not reporting them because of if they're

1615

01:14:49,580 --> 01:14:46,260

not treated well you read this in

1616

01:14:51,200 --> 01:14:49,590

rappels book how that was a problem with

1617

01:14:53,240 --> 01:14:51,210

Project Blue Book he was going out to

1618

01:14:55,250 --> 01:14:53,250

scientists and others and they were

1619

01:14:56,330 --> 01:14:55,260

telling him these incredible UFO stories

1620

01:14:57,590 --> 01:14:56,340

and he would say well why haven't you

1621

01:14:58,939 --> 01:14:57,600

reported them to us and they said

1622

01:15:01,250 --> 01:14:58,949

because you guys don't take him

1623

01:15:02,959 --> 01:15:01,260

seriously you know the last few years

1624

01:15:04,580 --> 01:15:02,969

all you do is debunk our stories what

1625

01:15:08,240 --> 01:15:04,590

the hell are we gonna share them with

1626  
01:15:10,520 --> 01:15:08,250  
you so I think that they they most

1627  
01:15:12,470 --> 01:15:10,530  
likely of course I don't know for sure

1628  
01:15:14,870 --> 01:15:12,480  
a guy could be wrong they most likely

1629  
01:15:17,030 --> 01:15:14,880  
don't have the full story they're

1630  
01:15:21,560 --> 01:15:17,040  
probably a few steps ahead of us that's

1631  
01:15:23,030 --> 01:15:21,570  
for sure but why not say it then you

1632  
01:15:24,770 --> 01:15:23,040  
know because why do you want to say I

1633  
01:15:26,120 --> 01:15:24,780  
wouldn't say it if I were them oh you

1634  
01:15:27,890 --> 01:15:26,130  
know we've got these things flying

1635  
01:15:30,800 --> 01:15:27,900  
around it's our job to protect the

1636  
01:15:32,479 --> 01:15:30,810  
airspace but we can't so if you know

1637  
01:15:34,430 --> 01:15:32,489  
like everybody no that's not what I'm

1638  
01:15:36,550 --> 01:15:34,440

saying oh I would love for them to say

1639

01:15:42,169 --> 01:15:36,560

that know what I'm saying oh me too I

1640

01:15:45,260 --> 01:15:42,179

know what I'm saying is if they don't if

1641

01:15:48,350 --> 01:15:45,270

they don't have anything about ETS

1642

01:15:51,860 --> 01:15:48,360

visiting earth and UFOs why not come out

1643

01:15:55,970 --> 01:15:51,870

and say that we see has never been here

1644

01:15:58,910 --> 01:15:55,980

there is nothing they've never ever said

1645

01:16:01,010 --> 01:15:58,920

that they have they certainly have in

1646

01:16:03,890 --> 01:16:01,020

fact when I Steve Bassett

1647

01:16:07,220 --> 01:16:03,900

was able to get enough signatures on the

1648

01:16:10,160 --> 01:16:07,230

we the people you know petition to have

1649

01:16:14,180 --> 01:16:10,170

that question asked of the White House

1650

01:16:16,280 --> 01:16:14,190

the scientific advisor to the president

1651  
01:16:18,709 --> 01:16:16,290  
came out and wrote a statement saying

1652  
01:16:21,890 --> 01:16:18,719  
exactly that we do not have any evidence

1653  
01:16:24,050 --> 01:16:21,900  
of aliens visiting us and unfortunately

1654  
01:16:26,090 --> 01:16:24,060  
we don't have evidence of exit

1655  
01:16:27,649 --> 01:16:26,100  
intelligent civilizations existing at

1656  
01:16:29,479 --> 01:16:27,659  
all even though you know there's a

1657  
01:16:31,220 --> 01:16:29,489  
consensus among scientists at this

1658  
01:16:33,740 --> 01:16:31,230  
probably they're probably out there

1659  
01:16:36,110 --> 01:16:33,750  
somewhere that was kind of the the gist

1660  
01:16:38,930 --> 01:16:36,120  
of the message yeah but they have said

1661  
01:16:40,550 --> 01:16:38,940  
that right but I would also argue though

1662  
01:16:42,530 --> 01:16:40,560  
that this is something this is something

1663  
01:16:44,959 --> 01:16:42,540

that really got me into this topic is

1664

01:16:47,990 --> 01:16:44,969

that the public does not in isn't aware

1665

01:16:51,169 --> 01:16:48,000

that there has never been an overall

1666

01:16:53,270 --> 01:16:51,179

consensus about this that you know at

1667

01:16:54,979 --> 01:16:53,280

the end of project signed the first Air

1668

01:16:57,739 --> 01:16:54,989

Force study they can

1669

01:16:59,689 --> 01:16:57,749

up with a paper that said you know UFOs

1670

01:17:02,149 --> 01:16:59,699

are a real phenomena some of them could

1671

01:17:04,669 --> 01:17:02,159

be extraterrestrial and that was

1672

01:17:07,040 --> 01:17:04,679

debatable that was people some people

1673

01:17:09,649 --> 01:17:07,050

got upset and all of a sudden there was

1674

01:17:13,310 --> 01:17:09,659

that that sort of perspective was

1675

01:17:14,779 --> 01:17:13,320

completely quashed so uh and I think

1676

01:17:17,899 --> 01:17:14,789

there have been a large contingent

1677

01:17:19,790 --> 01:17:17,909

contingency of people in not only our

1678

01:17:21,560 --> 01:17:19,800

government but other governments who do

1679

01:17:24,140 --> 01:17:21,570

believe there's something to this and do

1680

01:17:28,430 --> 01:17:24,150

want more public information I believe

1681

01:17:30,979 --> 01:17:28,440

that that's Hulu Elizondo was that's who

1682

01:17:33,830 --> 01:17:30,989

Chris Mullin was that's who most of

1683

01:17:36,830 --> 01:17:33,840

these people were that are now part of

1684

01:17:38,870 --> 01:17:36,840

to the stars and and even with MUFON

1685

01:17:41,209 --> 01:17:38,880

people like John Schuessler and others

1686

01:17:43,870 --> 01:17:41,219

there are people who were working on

1687

01:17:47,060 --> 01:17:43,880

government projects who were pushing for

1688

01:17:49,430 --> 01:17:47,070

more openness about you know this this

1689

01:17:53,270 --> 01:17:49,440

mystery and looking into it and now I

1690

01:17:56,870 --> 01:17:53,280

think they're having their day but this

1691

01:18:00,290 --> 01:17:56,880

okay a science advisor to the president

1692

01:18:04,609 --> 01:18:00,300

making us a statement is is one thing

1693

01:18:10,700 --> 01:18:04,619

but I'm referring to the CIA or the Navy

1694

01:18:13,430 --> 01:18:10,710

or the Air Force or anybody of that is

1695

01:18:15,459 --> 01:18:13,440

supposedly in possession of this

1696

01:18:18,200 --> 01:18:15,469

knowledge this compartmentalized

1697

01:18:20,989 --> 01:18:18,210

knowledge and nobody knows the whole

1698

01:18:23,959 --> 01:18:20,999

story right we've all heard this you

1699

01:18:27,560 --> 01:18:23,969

know that as well why haven't they come

1700

01:18:29,540 --> 01:18:27,570

out and said definitively that I think

1701

01:18:32,209 --> 01:18:29,550

the public could handle it either way it

1702

01:18:34,009 --> 01:18:32,219

would suck if we were alone in this

1703

01:18:35,959 --> 01:18:34,019

universe or that we haven't been

1704

01:18:37,520 --> 01:18:35,969

contacted of that they didn't know that

1705

01:18:40,549 --> 01:18:37,530

you know that that would bum me out

1706

01:18:43,399 --> 01:18:40,559

but yeah that would say yeah that would

1707

01:18:46,790 --> 01:18:43,409

suck but why not come out and say it

1708

01:18:48,560 --> 01:18:46,800

instead of alluding to and it seems to

1709

01:18:53,209 --> 01:18:48,570

me that

1710

01:18:57,649 --> 01:18:53,219

Elizondo and Mellon and and others are

1711

01:19:00,890 --> 01:18:57,659

alluding to they are getting the

1712

01:19:04,100 --> 01:19:00,900

information on the reality of UFOs to us

1713

01:19:06,439 --> 01:19:04,110

that that they know right and they're

1714

01:19:07,649 --> 01:19:06,449

gonna get it to us that that is their

1715

01:19:10,020 --> 01:19:07,659

mission

1716

01:19:12,870 --> 01:19:10,030

get the reality of UFOs and and

1717

01:19:15,839 --> 01:19:12,880

technology and crash retrievals and

1718

01:19:18,270 --> 01:19:15,849

metamaterials out to the public that

1719

01:19:19,859 --> 01:19:18,280

they know exactly what's going on

1720

01:19:23,640 --> 01:19:19,869

they're alluding to it without actually

1721

01:19:26,000 --> 01:19:23,650

saying yes and that's I wouldn't I know

1722

01:19:29,969 --> 01:19:26,010

I wouldn't agree with that actually I

1723

01:19:32,399 --> 01:19:29,979

don't know that they're alluding to that

1724

01:19:35,159 --> 01:19:32,409

they have more information than we have

1725

01:19:37,439 --> 01:19:35,169

at least some of them are I don't know

1726

01:19:39,709 --> 01:19:37,449

that Chris Mellon has ever made

1727

01:19:42,779 --> 01:19:39,719

statements to that effect

1728

01:19:44,489 --> 01:19:42,789

Elizondo has but he has that there's a

1729

01:19:47,069 --> 01:19:44,499

lot I don't know but here are some

1730

01:19:50,179 --> 01:19:47,079

things I believe I do know I even pushed

1731

01:19:53,219 --> 01:19:50,189

him on that point about you know the

1732

01:19:55,290 --> 01:19:53,229

potential crashes and I said well you're

1733

01:19:57,449 --> 01:19:55,300

trying to say that's your opinion right

1734

01:20:00,209 --> 01:19:57,459

that that's not something you can prove

1735

01:20:02,279 --> 01:20:00,219

and he surprisingly said no I think I

1736

01:20:04,729 --> 01:20:02,289

mean that's not what I'm saying

1737

01:20:07,679 --> 01:20:04,739

and I'm skeptical to be honest I don't

1738

01:20:09,060 --> 01:20:07,689

necessarily buy that and my Quentin you

1739

01:20:12,779 --> 01:20:09,070

know if it was up to me I'd say well

1740

01:20:18,120 --> 01:20:12,789

improve it because otherwise it's just

1741

01:20:19,949 --> 01:20:18,130

talk and you know if you're gonna it you

1742

01:20:21,330 --> 01:20:19,959

know put up or shut up type of thing you

1743

01:20:24,600 --> 01:20:21,340

know if you think you can prove this and

1744

01:20:27,330 --> 01:20:24,610

prove it otherwise don't talk about it I

1745

01:20:27,810 --> 01:20:27,340

think really if you suspect it's out

1746

01:20:30,689 --> 01:20:27,820

there

1747

01:20:33,750 --> 01:20:30,699

then you need to do the research to to

1748

01:20:35,669 --> 01:20:33,760

discover it otherwise you know I think

1749

01:20:37,679 --> 01:20:35,679

that others I've talked to have said

1750

01:20:40,109 --> 01:20:37,689

they don't know of course Tom DeLonge is

1751

01:20:42,810 --> 01:20:40,119

saying he knows a bunch about a lot of

1752

01:20:43,140 --> 01:20:42,820

stuff but again he's not proving any of

1753

01:20:48,390 --> 01:20:43,150

it

1754

01:20:51,179 --> 01:20:48,400

like a lot of the really enthusiastic

1755

01:20:52,949 --> 01:20:51,189

excited people in this build who have a

1756

if they really do know and if they do

1759

01:21:04,759 --> 01:21:01,539
