00:03:08,069 --> 00:03:06,670

amazing women month that's what we

49

00:03:10,650 --> 00:03:08,079

should do we should just do the whole

50

00:03:13,470 --> 00:03:10,660

month that's what we should do

51
00:03:14,099 --> 00:03:13,480
yeah yeah thinking about it thinking

52
00:03:17,160 --> 00:03:14,109
about it

53
00:03:21,449 --> 00:03:17,170
tonight's very special guest Geraldine

54
00:03:24,800 --> 00:03:21,459
Orosco is here Geraldine is an intuitive

55
00:03:27,690 --> 00:03:24,810
DNA reprogram er and ascension coach

56
00:03:29,069 --> 00:03:27,700
2013 Geraldine experienced a vivid

57
00:03:31,120 --> 00:03:29,079
abduction from a possible

58
00:03:34,330 --> 00:03:31,130
extraterrestrial bee

59
00:03:36,040 --> 00:03:34,340
or beans through her bedroom window

60
00:03:37,630 --> 00:03:36,050
we're gonna be talking about all of that

61
00:03:39,610 --> 00:03:37,640
tonight she was taken aboard a ship and

62
00:03:42,190 --> 00:03:39,620
was introduced to her eight hybrid

63
00:03:44,700 --> 00:03:42,200

children the next morning she encounters

64

00:03:46,240 --> 00:03:44,710

a hypersensitivity to the human

65

00:03:48,850 --> 00:03:46,250

electromagnetic field

66

00:03:50,590 --> 00:03:48,860

this discovery initiates a journey for

67

00:03:53,290 --> 00:03:50,600

her to find the truth about what

68

00:03:55,030 --> 00:03:53,300

happened she has appeared on many radio

69

00:03:57,450 --> 00:03:55,040

programs and several conferences and

70

00:04:00,640 --> 00:03:57,460

recently she's featured in the new film

71

00:04:02,680 --> 00:04:00,650

extraordinary the seedings which is set

72

00:04:04,510 --> 00:04:02,690

for worldwide release next week on

73

00:04:05,920 --> 00:04:04,520

September 3rd and I would like to

74

00:04:06,160 --> 00:04:05,930

welcome for the first time to fade to

75

00:04:08,590 --> 00:04:06,170

black

76

00:04:11,440 --> 00:04:08,600

Geraldine Orosco Geraldine good evening

77

00:04:12,940 --> 00:04:11,450

how are you hi Jimmy thank you so much

78

00:04:13,630 --> 00:04:12,950

for having me it's such an honor to be

79

00:04:16,420 --> 00:04:13,640

here

80

00:04:18,820 --> 00:04:16,430

oh the honor is all ours Geraldine trust

81

00:04:22,510 --> 00:04:18,830

me on that but before we get started you

82

00:04:26,110 --> 00:04:22,520

get the first-time guests disclaimer all

83

00:04:28,030 --> 00:04:26,120

right are you ready okay it's just you

84

00:04:30,430 --> 00:04:28,040

and I sitting on my couch Geraldine have

85

00:04:31,870 --> 00:04:30,440

a Calm having a conversation having a

86

00:04:33,790 --> 00:04:31,880

conversation as friends and where that

87

00:04:35,620 --> 00:04:33,800

conversation starts it starts where it

88

00:04:37,900 --> 00:04:35,630

ends it ends but we're gonna end his

89

00:04:42,159 --> 00:04:37,910

friends there you go you ready to go I

90

00:04:46,810 --> 00:04:42,169

am ready now we have met a few times in

91

00:04:49,420 --> 00:04:46,820

the past but this weekend we we had a

92

00:04:51,159 --> 00:04:49,430

chance to hang out with you at Steve

93

00:04:55,030 --> 00:04:51,169

Neil's art show out there in Ventura

94

00:04:57,250 --> 00:04:55,040

very cool and and speaking with you I

95

00:04:58,990 --> 00:04:57,260

asked you a couple of direct question

96

00:05:04,090 --> 00:04:59,000

which I'm gonna ask you tonight

97

00:05:07,600 --> 00:05:04,100

obviously on the show but but looking at

98

00:05:12,490 --> 00:05:07,610

you and your demeanor your face and the

99

00:05:16,420 --> 00:05:12,500

way that you handle yourself I was

100

00:05:18,790 --> 00:05:16,430

immediately forced into asking this

101
00:05:20,680 --> 00:05:18,800
question only because of your appearance

102
00:05:24,880 --> 00:05:20,690
and the way that you carry yourself I

103
00:05:27,909 --> 00:05:24,890
was like what did you do before this

104
00:05:29,770 --> 00:05:27,919
right because you you you you carry

105
00:05:32,500 --> 00:05:29,780
yourself as a professional is what I'm

106
00:05:34,780 --> 00:05:32,510
getting at right and you you you look

107
00:05:38,080 --> 00:05:34,790
like you could be in any career anywhere

108
00:05:39,909 --> 00:05:38,090
and I wanted to know what it was that

109
00:05:43,340 --> 00:05:39,919
you did before that if you don't mind

110
00:05:45,020 --> 00:05:43,350
can we actually start there

111
00:05:47,180 --> 00:05:45,030
lutely and thank you for asking because

112
00:05:49,520 --> 00:05:47,190
i think it kind of plays a big role in

113
00:05:52,220 --> 00:05:49,530

understanding you know my story in this

114

00:05:54,950 --> 00:05:52,230

experience I mean really yes you know

115

00:05:57,050 --> 00:05:54,960

Jimmy before I got into any of this I

116

00:05:58,610 --> 00:05:57,060

mean I I was an event planner I had a

117

00:06:00,770 --> 00:05:58,620

high end event planning company that I

118

00:06:03,020 --> 00:06:00,780

started literally out of my garage in my

119

00:06:07,430 --> 00:06:03,030

home here in the San Francisco Bay Area

120

00:06:09,860 --> 00:06:07,440

and when I was when I was I was in

121

00:06:12,950 --> 00:06:09,870

telecom prior to that and when I was

122

00:06:15,500 --> 00:06:12,960

getting basically my position was

123

00:06:17,810 --> 00:06:15,510

getting you know outsourced to China

124

00:06:20,180 --> 00:06:17,820

I saw the incredible opportunity in

125

00:06:23,120 --> 00:06:20,190

Chinese import/export and I decided to

126

00:06:25,790 --> 00:06:23,130

import a lot of beautiful event planning

127

00:06:27,200 --> 00:06:25,800

supplies and I started my business from

128

00:06:28,850 --> 00:06:27,210

one day to the next and that's what I

129

00:06:30,340 --> 00:06:28,860

was doing for ten years and we became

130

00:06:34,400 --> 00:06:30,350

very successful you know it was a very

131

00:06:36,610 --> 00:06:34,410

hard road but alongside of that I mean

132

00:06:40,040 --> 00:06:36,620

I've always been very interested in

133

00:06:42,830 --> 00:06:40,050

meditation so I also started Bay Area

134

00:06:45,380 --> 00:06:42,840

meditation which I taught out of my my

135

00:06:48,170 --> 00:06:45,390

office here in Fremont

136

00:06:49,610 --> 00:06:48,180

I held meditation groups and I was

137

00:06:51,260 --> 00:06:49,620

teaching corporate meditation to

138

00:06:55,570 --> 00:06:51,270

companies all over here the Bay Area

139

00:07:00,140 --> 00:06:55,580

company is like Facebook Google you know

140

00:07:01,340 --> 00:07:00,150

Oracle we work with square you know all

141

00:07:03,770 --> 00:07:01,350

these companies here in the Bay Area

142

00:07:07,220 --> 00:07:03,780

that were teaching meditation too so I

143

00:07:09,380 --> 00:07:07,230

was doing that for 10 years prior to all

144

00:07:11,810 --> 00:07:09,390

of this and in between my transition

145

00:07:15,800 --> 00:07:11,820

into working full-time and what I do now

146

00:07:18,110 --> 00:07:15,810

so kind of a completely different world

147

00:07:18,620 --> 00:07:18,120

you know all having to do with event

148

00:07:21,590 --> 00:07:18,630

planning

149

00:07:25,700 --> 00:07:21,600

high-end weddings baby's first birthday

150

00:07:28,040 --> 00:07:25,710

you name it okay and I find that

151

00:07:31,460 --> 00:07:28,050

interesting to the point where I don't

152

00:07:32,090 --> 00:07:31,470

want to get off of that but and so we'll

153

00:07:34,760 --> 00:07:32,100

circle back

154

00:07:38,120 --> 00:07:34,770

so let's pin that to the wall but now

155

00:07:41,450 --> 00:07:38,130

let's back up before 10 years before you

156

00:07:45,260 --> 00:07:41,460

started your event-planning business and

157

00:07:47,300 --> 00:07:45,270

growing up had you any experiences were

158

00:07:50,210 --> 00:07:47,310

you an experience did anything that you

159

00:07:52,719 --> 00:07:50,220

have crazy parents did you have any idea

160

00:07:55,460 --> 00:07:52,729

what you were getting yourself into

161

00:07:56,600 --> 00:07:55,470

not at all Jimmy and that's one of the

162

00:07:59,360 --> 00:07:56,610

things the reason why I

163

00:08:03,050 --> 00:07:59,370

bring up my past is that I had no

164

00:08:05,659 --> 00:08:03,060

understanding of even the existence of

165

00:08:08,600 --> 00:08:05,669

ET life okay my interest was nowhere

166

00:08:10,879 --> 00:08:08,610

near that you know I grew up in a

167

00:08:12,890 --> 00:08:10,889

spiritual family that I am blessed for

168

00:08:14,990 --> 00:08:12,900

my both my parents are you know well

169

00:08:16,309 --> 00:08:15,000

educated and they're very spiritual

170

00:08:19,820 --> 00:08:16,319

they're always reading they're always

171

00:08:22,159 --> 00:08:19,830

learning and we grew up in a family

172

00:08:23,689 --> 00:08:22,169

where we were always asking questions

173

00:08:25,520 --> 00:08:23,699

looking at different religions you know

174

00:08:28,279 --> 00:08:25,530

my parents always taking us to a

175

00:08:30,499 --> 00:08:28,289

Buddhist church or a Hindu Hindu

176

00:08:32,600 --> 00:08:30,509

ceremony to kind of become really aware

177

00:08:35,240 --> 00:08:32,610

of the world around us and culture and

178

00:08:37,550 --> 00:08:35,250

religion and art so we were really you

179

00:08:39,230 --> 00:08:37,560

know well raised in that sense well

180

00:08:41,750 --> 00:08:39,240

educated where we're always questioning

181

00:08:43,490 --> 00:08:41,760

and looking at cultures and you know

182

00:08:45,829 --> 00:08:43,500

learning the respect for those cultures

183

00:08:47,509 --> 00:08:45,839

I mean we lived in South America for a

184

00:08:49,430 --> 00:08:47,519

couple years during high school to

185

00:08:52,130 --> 00:08:49,440

complete my education and and it was a

186

00:08:55,009 --> 00:08:52,140

very very intense education down there

187

00:08:56,930 --> 00:08:55,019

when we came back to the US you know I

188

00:08:59,990 --> 00:08:56,940

graduated with high honors in high

189

00:09:03,650 --> 00:09:00,000

schools so you know my I had a very

190

00:09:05,420 --> 00:09:03,660

normal life you know focused on personal

191

00:09:07,430 --> 00:09:05,430

development I mean that was always the

192

00:09:10,730 --> 00:09:07,440

invitation that my parents would allow

193

00:09:13,310 --> 00:09:10,740

us and would invite us you know to have

194

00:09:15,920 --> 00:09:13,320

this personal development interest but

195

00:09:17,810 --> 00:09:15,930

that's about it I mean not nowhere near

196

00:09:19,130 --> 00:09:17,820

talking about aliens or any of this

197

00:09:23,509 --> 00:09:19,140

stuff that I'm going to talk about

198

00:09:26,660 --> 00:09:23,519

tonight right now are your parents

199

00:09:27,980 --> 00:09:26,670

listening to this show right now I don't

200

00:09:29,540 --> 00:09:27,990

think they're listening right now but

201

00:09:32,210 --> 00:09:29,550

I'm sure they will check in later are

202

00:09:35,600 --> 00:09:32,220

they aware are they aware of your public

203

00:09:38,180 --> 00:09:35,610

speaking and you you know you're you're

204

00:09:40,730 --> 00:09:38,190

you being out of the closet they are

205

00:09:43,220 --> 00:09:40,740

they are and I am very grateful for that

206

00:09:44,509 --> 00:09:43,230

because when I first had my experience

207

00:09:47,420 --> 00:09:44,519

and I'll probably go into that a little

208

00:09:51,050 --> 00:09:47,430

bit in 2013 they were the first people

209

00:09:54,139 --> 00:09:51,060

that I felt you know comfortable telling

210

00:09:57,980 --> 00:09:54,149

what had happened to me and of course at

211

00:09:59,449 --> 00:09:57,990

the time you know of core idea what I'm

212

00:10:01,189 --> 00:09:59,459

telling them but I'm telling them my

213

00:10:04,069 --> 00:10:01,199

abduction experience and it was

214

00:10:06,139 --> 00:10:04,079

emotional and it was you know just I was

215

00:10:08,090 --> 00:10:06,149

blown away by it and you know they're

216

00:10:09,210 --> 00:10:08,100

very supportive and loving so they're

217

00:10:12,000 --> 00:10:09,220

like oh honey the

218

00:10:14,280 --> 00:10:12,010

so nice oh how cute that's wonderful you

219

00:10:16,950 --> 00:10:14,290

know just very supportive because my

220

00:10:18,600 --> 00:10:16,960

first experience was not anything that

221

00:10:21,240 --> 00:10:18,610

was traumatic per se

222

00:10:23,130 --> 00:10:21,250

my first conscious experience I should

223

00:10:25,260 --> 00:10:23,140

say conscious meaning that I was fully

224

00:10:28,020 --> 00:10:25,270

aware of what was occurring to me being

225

00:10:29,250 --> 00:10:28,030

taken out of the room you know the whole

226

00:10:31,260 --> 00:10:29,260

experience I'm going to share with you

227

00:10:33,030 --> 00:10:31,270

in a minute you know they they thought

228

00:10:34,230 --> 00:10:33,040

of it as something that was like oh

229

00:10:36,000 --> 00:10:34,240

that's interesting but they were

230

00:10:38,010 --> 00:10:36,010

questioning whether that was conscious

231

00:10:40,140 --> 00:10:38,020

or Dreamtime they didn't understand and

232

00:10:42,090 --> 00:10:40,150

neither did I at that time right so it

233

00:10:44,760 --> 00:10:42,100

was just an incredible experience that

234

00:10:46,950 --> 00:10:44,770

had happened to me and what changed

235

00:10:48,360 --> 00:10:46,960

things for me was that that Monday that

236

00:10:52,650 --> 00:10:48,370

following Monday when I had my first

237

00:10:55,260 --> 00:10:52,660

meditation client I could see their

238

00:10:58,080 --> 00:10:55,270

entire multi-dimensional body and I can

239

00:10:59,910 --> 00:10:58,090

see energy in their body I could see

240

00:11:02,790 --> 00:10:59,920

colors around their body I mean it was

241

00:11:04,890 --> 00:11:02,800

just you know actually quite nauseating

242

00:11:06,780 --> 00:11:04,900

because you know I I had stayed home

243

00:11:08,700 --> 00:11:06,790

that weekend after that had happened so

244

00:11:11,400 --> 00:11:08,710

I hadn't seen anyone until that Monday

245

00:11:13,290 --> 00:11:11,410

and you know when I was in front of my

246

00:11:15,780 --> 00:11:13,300

client teaching meditation I could feel

247

00:11:18,390 --> 00:11:15,790

her emotions I could feel what she was

248

00:11:20,040 --> 00:11:18,400

thinking I was sensing everything that

249

00:11:21,870 --> 00:11:20,050

we were doing and I and and it was

250

00:11:23,820 --> 00:11:21,880

shocking it was shocking I didn't I

251
00:11:25,620 --> 00:11:23,830
wasn't prepared for that and I said what

252
00:11:28,410 --> 00:11:25,630
happened what happened to me how did

253
00:11:30,450 --> 00:11:28,420
this happen and it took me two months to

254
00:11:32,730 --> 00:11:30,460
kind of integrate that experience I

255
00:11:33,900 --> 00:11:32,740
didn't want to leave my home I didn't

256
00:11:35,450 --> 00:11:33,910
want to go anywhere I couldn't go

257
00:11:38,880 --> 00:11:35,460
grocery shop and he can go to the mall

258
00:11:40,500 --> 00:11:38,890
it was just overwhelming the sensitivity

259
00:11:42,150 --> 00:11:40,510
the level of sensitivity that I had

260
00:11:46,170 --> 00:11:42,160
acquired from that experience so that

261
00:11:49,560 --> 00:11:46,180
was my proof to myself of that something

262
00:11:51,720 --> 00:11:49,570
very real and powerful had occurred to

263
00:11:54,090 --> 00:11:51,730

me that evening you know that night do

264

00:11:56,760 --> 00:11:54,100

you have brothers or sisters yeah I have

265

00:11:58,770 --> 00:11:56,770

a younger brother how is he with that is

266

00:12:02,610 --> 00:11:58,780

he introduced you to his friends like as

267

00:12:04,680 --> 00:12:02,620

my sister Geraldine she was abducted you

268

00:12:06,600 --> 00:12:04,690

know my brother is very much a

269

00:12:09,300 --> 00:12:06,610

scientific mind you know he's very

270

00:12:10,790 --> 00:12:09,310

analytical about things so it's been a

271

00:12:13,320 --> 00:12:10,800

hard journey I mean he's not really

272

00:12:14,940 --> 00:12:13,330

interested in the et stuffs it's hard

273

00:12:18,090 --> 00:12:14,950

for him to kind of look at this and be

274

00:12:20,340 --> 00:12:18,100

like okay this is real you know but I

275

00:12:22,560 --> 00:12:20,350

value his opinion because it kind of

276

00:12:24,810 --> 00:12:22,570

helps me understand what

277

00:12:26,790 --> 00:12:24,820

the analytical mind what the person that

278

00:12:28,350 --> 00:12:26,800

really has no ability to comprehend

279

00:12:31,020 --> 00:12:28,360

these things and these in order to

280

00:12:33,210 --> 00:12:31,030

understand them you know I I completely

281

00:12:35,220 --> 00:12:33,220

understand and there are parts of my

282

00:12:38,250 --> 00:12:35,230

family also people in my family that

283

00:12:40,730 --> 00:12:38,260

have a hard time accepting this you know

284

00:12:43,970 --> 00:12:40,740

what they don't understand that you know

285

00:12:47,580 --> 00:12:43,980

everybody including myself my family

286

00:12:49,980 --> 00:12:47,590

I've got a couple of brothers that kind

287

00:12:52,140 --> 00:12:49,990

of get it all right they kind of get it

288

00:12:54,180 --> 00:12:52,150

but but I have parents and adopted

289

00:12:56,790 --> 00:12:54,190

parents and you know just things and

290

00:12:59,760 --> 00:12:56,800

stubborn data you know they know what I

291

00:13:01,380 --> 00:12:59,770

do they don't understand it they don't

292

00:13:03,210 --> 00:13:01,390

know you know that they're just in

293

00:13:06,090 --> 00:13:03,220

another they're just in another place

294

00:13:08,040 --> 00:13:06,100

you know and and I can't force it and

295

00:13:11,370 --> 00:13:08,050

neither can anybody else right you can't

296

00:13:13,440 --> 00:13:11,380

force it so you know maybe your brother

297

00:13:15,570 --> 00:13:13,450

one day he's gonna look up in the sky

298

00:13:20,820 --> 00:13:15,580

see something whack and you're gonna get

299

00:13:22,830 --> 00:13:20,830

that phone call I need some advice

300

00:13:25,620 --> 00:13:22,840

Geraldine because something just

301
00:13:26,970 --> 00:13:25,630
happened and my watch was an hour later

302
00:13:29,420 --> 00:13:26,980
you know you're gonna get that phone

303
00:13:34,130 --> 00:13:29,430
call so now okay

304
00:13:38,550 --> 00:13:34,140
going back to when you started to see

305
00:13:40,310 --> 00:13:38,560
see colors and and and see people you

306
00:13:43,470 --> 00:13:40,320
don't have anybody giving you advice

307
00:13:46,710 --> 00:13:43,480
right you don't know what's going on at

308
00:13:48,390 --> 00:13:46,720
this point where you're confused how far

309
00:13:53,760 --> 00:13:48,400
now that you know about what had

310
00:13:56,060 --> 00:13:53,770
happened how far past the the window

311
00:13:59,040 --> 00:13:56,070
incident was this was it the next day

312
00:14:01,560 --> 00:13:59,050
the next week yeah

313
00:14:04,560 --> 00:14:01,570

well as I said this happened to me on a

314

00:14:06,450 --> 00:14:04,570

Friday and so Saturday Sunday I stayed

315

00:14:08,970 --> 00:14:06,460

home I didn't really have anything to do

316

00:14:10,620 --> 00:14:08,980

outside my house Monday I saw my first

317

00:14:12,900 --> 00:14:10,630

client so it was like three days later

318

00:14:15,300 --> 00:14:12,910

that I saw the first person that I spoke

319

00:14:17,640 --> 00:14:15,310

to and interacted with after that

320

00:14:24,590 --> 00:14:17,650

experience this is the reason why I'm

321

00:14:29,569 --> 00:14:24,600

asking ya that Monday did you have

322

00:14:31,999 --> 00:14:29,579

any memory about Friday oh yes very much

323

00:14:34,210 --> 00:14:32,009

so because I the very because this is

324

00:14:37,309 --> 00:14:34,220

what happened after my experience I

325

00:14:40,280 --> 00:14:37,319

became conscious upside down on my bed

326

00:14:42,980 --> 00:14:40,290

my bed was open I was laying upside down

327

00:14:48,230 --> 00:14:42,990

on the end of the bed that never happens

328

00:14:50,329 --> 00:14:48,240

first of all second of all I was dizzy

329

00:14:52,939 --> 00:14:50,339

you no doubt it a little bit kind of

330

00:14:55,610 --> 00:14:52,949

just out of it out of sorts out of sorts

331

00:14:58,040 --> 00:14:55,620

and the body feels sore you know most of

332

00:14:59,569 --> 00:14:58,050

the time you know now I know because now

333

00:15:01,400 --> 00:14:59,579

I've experienced other experiences

334

00:15:04,340 --> 00:15:01,410

consciously an hour I can kind of

335

00:15:07,699 --> 00:15:04,350

recognize how contact feels the body

336

00:15:10,579 --> 00:15:07,709

will feel sore you know and that's what

337

00:15:12,079 --> 00:15:10,589

it felt like to me and so I had to call

338

00:15:13,309 --> 00:15:12,089

my parents immediately and tell them I

339

00:15:15,650 --> 00:15:13,319

had to tell them everything that had

340

00:15:18,170 --> 00:15:15,660

happened step by step and it served a

341

00:15:21,290 --> 00:15:18,180

purpose because I also the moment waking

342

00:15:23,420 --> 00:15:21,300

up had a notebook which I wrote down the

343

00:15:25,460 --> 00:15:23,430

alien language or the language the

344

00:15:28,910 --> 00:15:25,470

symbols that were shown to me on the

345

00:15:31,549 --> 00:15:28,920

craft and so you know this was a very

346

00:15:33,439 --> 00:15:31,559

vivid thing so ayran I clearly remember

347

00:15:35,509 --> 00:15:33,449

what occurred I mean it was 6:00 in the

348

00:15:39,079 --> 00:15:35,519

morning when I became conscious again

349

00:15:40,549 --> 00:15:39,089

upside down on my bed you know so and I

350

00:15:44,689 --> 00:15:40,559

can go into that story in a little bit

351
00:15:46,249 --> 00:15:44,699
but yeah yeah and and we will and the

352
00:15:47,990 --> 00:15:46,259
next thing I want to set everything up

353
00:15:49,790 --> 00:15:48,000
for when we come back also after the

354
00:15:53,090 --> 00:15:49,800
break we have so many different things

355
00:15:54,860 --> 00:15:53,100
that we need to try to get into this

356
00:15:57,470 --> 00:15:54,870
show you'll be back and we'll do it

357
00:16:02,079 --> 00:15:57,480
another show but there's too much to

358
00:16:09,350 --> 00:16:02,089
discuss here I watched your album

359
00:16:13,939 --> 00:16:09,360
Weinman regression stuff and the and

360
00:16:19,220 --> 00:16:13,949
she's really good right yes it's really

361
00:16:21,259 --> 00:16:19,230
good that when do you okay it's I guess

362
00:16:24,069 --> 00:16:21,269
I'm gonna ask it this way how much did

363
00:16:27,710 --> 00:16:24,079

you remember from her sessions

364

00:16:29,749 --> 00:16:27,720

immediately after this session did you

365

00:16:34,960 --> 00:16:29,759

remember anything at all it's like a yes

366

00:16:38,220 --> 00:16:34,970

or no question of her sessions no no

367

00:16:42,550 --> 00:16:38,230

so going back in reviewing this sessions

368

00:16:47,590 --> 00:16:42,560

how much of that lined up step for step

369

00:16:51,160 --> 00:16:47,600

with your actual physical memory after

370

00:16:56,830 --> 00:16:51,170

reviewing yes a hundred percent because

371

00:16:59,470 --> 00:16:56,840

you said one I want to get right back to

372

00:17:03,190 --> 00:16:59,480

the actual experience itself but there's

373

00:17:05,920 --> 00:17:03,200

a reason why I'm doing it this way the

374

00:17:07,929 --> 00:17:05,930

you made a couple of comments at the

375

00:17:09,610 --> 00:17:07,939

beginning I'm gonna paraphrase here

376

00:17:11,500 --> 00:17:09,620

okay I'm gonna paraphrase I didn't you

377

00:17:15,309 --> 00:17:11,510

know write this down word for word but

378

00:17:19,990 --> 00:17:15,319

she said something about you were in a

379

00:17:23,500 --> 00:17:20,000

place of crystals of blue skies you were

380

00:17:27,010 --> 00:17:23,510

seeing green can you take me to that

381

00:17:30,160 --> 00:17:27,020

moment because that wasn't probably part

382

00:17:32,230 --> 00:17:30,170

of your physical memory was it right I

383

00:17:33,700 --> 00:17:32,240

mean when the regression so the

384

00:17:35,410 --> 00:17:33,710

regression is kind of a process and the

385

00:17:37,570 --> 00:17:35,420

regression I'm touching many different

386

00:17:41,400 --> 00:17:37,580

parts of my life not just what the

387

00:17:44,170 --> 00:17:41,410

abduction and I have I have four

388

00:17:46,330 --> 00:17:44,180

regressions with Alba so the one that

389

00:17:49,150 --> 00:17:46,340

we're probably talking about is the very

390

00:17:50,890 --> 00:17:49,160

first one that's one three three elbow

391

00:17:55,090 --> 00:17:50,900

I'm in one three three and this is the

392

00:17:57,570 --> 00:17:55,100

one where I am asking questions about

393

00:17:59,830 --> 00:17:57,580

the concept of contact and how

394

00:18:02,620 --> 00:17:59,840

hybridization or hybridization children

395

00:18:06,040 --> 00:18:02,630

could happen so the first part where I'm

396

00:18:07,930 --> 00:18:06,050

being shown because how Alba works is

397

00:18:10,210 --> 00:18:07,940

you make a list of questions that you

398

00:18:11,560 --> 00:18:10,220

have for her and they can be things on

399

00:18:12,970 --> 00:18:11,570

your life things that you're working on

400

00:18:16,060 --> 00:18:12,980

questions that you have on yourself that

401
00:18:17,500 --> 00:18:16,070
you want to heal and so once some of

402
00:18:19,810 --> 00:18:17,510
those questions were personal things

403
00:18:22,090 --> 00:18:19,820
that I was addressing and the first

404
00:18:23,500 --> 00:18:22,100
question had to do with my connection

405
00:18:26,380 --> 00:18:23,510
with someone with someone that was very

406
00:18:28,420 --> 00:18:26,390
close to me that passed away and so the

407
00:18:30,100 --> 00:18:28,430
first part when you're entering this

408
00:18:32,440 --> 00:18:30,110
regression this is what we're addressing

409
00:18:34,900 --> 00:18:32,450
we're asking you know what was your

410
00:18:36,850 --> 00:18:34,910
connection with this person and that's

411
00:18:38,680 --> 00:18:36,860
where it took us to that waterfall was

412
00:18:41,200 --> 00:18:38,690
crystals and my connection with that

413
00:18:44,530 --> 00:18:41,210

person was a past life with them where

414

00:18:46,510 --> 00:18:44,540

you know he had attacked my younger

415

00:18:48,250 --> 00:18:46,520

brother and I was terrified for my life

416

00:18:49,720 --> 00:18:48,260

and he was very aggressive

417

00:18:51,100 --> 00:18:49,730

so these are the things that happen I

418

00:18:53,410 --> 00:18:51,110

mean we're talking about regression

419

00:18:56,860 --> 00:18:53,420

we're talking about accessing parts of

420

00:18:58,780 --> 00:18:56,870

consciousness you know that are creating

421

00:19:02,800 --> 00:18:58,790

experiences these are experiences at

422

00:19:06,040 --> 00:19:02,810

work we're connecting to and you know

423

00:19:09,070 --> 00:19:06,050

what regression is really is that we're

424

00:19:12,070 --> 00:19:09,080

looking at the what we believe is a past

425

00:19:14,140 --> 00:19:12,080

or a future aspect of ourselves which

426

00:19:17,980 --> 00:19:14,150

we're kind of living in simultaneously

427

00:19:21,430 --> 00:19:17,990

at this moment so those are imprints

428

00:19:24,550 --> 00:19:21,440

memory imprints of past experiences that

429

00:19:26,920 --> 00:19:24,560

I have believed to have experienced with

430

00:19:29,140 --> 00:19:26,930

this person that we were inquiring about

431

00:19:30,910 --> 00:19:29,150

so that's maybe what you're talking

432

00:19:34,810 --> 00:19:30,920

about that first part but this

433

00:19:37,930 --> 00:19:34,820

regression goes into other parts where

434

00:19:40,540 --> 00:19:37,940

where I was brought in to a past life

435

00:19:43,380 --> 00:19:40,550

where I was with Jesus and then that

436

00:19:47,080 --> 00:19:43,390

takes me to a connection that I had with

437

00:19:51,460 --> 00:19:47,090

some being that was called Nephilim and

438

00:19:55,620 --> 00:19:51,470

from there opens up this entire array of

439

00:19:58,000 --> 00:19:55,630

information regarding DNA lineages

440

00:20:00,910 --> 00:19:58,010

original bloodlines that come into the

441

00:20:03,580 --> 00:20:00,920

earth and seed life on this planet and

442

00:20:05,080 --> 00:20:03,590

I'm being shown a map of all of these

443

00:20:07,480 --> 00:20:05,090

different places and the movement of

444

00:20:10,210 --> 00:20:07,490

information and how these lineages are

445

00:20:13,330 --> 00:20:10,220

kind of developed and spread around the

446

00:20:16,330 --> 00:20:13,340

planet Earth so what was interesting

447

00:20:19,120 --> 00:20:16,340

about this regression Jimmy is that you

448

00:20:21,760 --> 00:20:19,130

know I before this I had never heard the

449

00:20:24,400 --> 00:20:21,770

word Nephilim I didn't know what it was

450

00:20:26,920 --> 00:20:24,410

I didn't know who they were anything

451
00:20:28,450 --> 00:20:26,930
around them so when when the information

452
00:20:31,390 --> 00:20:28,460
came in through here and we're kind of

453
00:20:34,000 --> 00:20:31,400
reviewing all of this later you know

454
00:20:35,710 --> 00:20:34,010
after the fact doing my personal

455
00:20:37,420 --> 00:20:35,720
research to comprehend what I had just

456
00:20:40,450 --> 00:20:37,430
spoken about because I'm thinking I'm

457
00:20:42,280 --> 00:20:40,460
speaking crazy here the links and the

458
00:20:46,480 --> 00:20:42,290
information that was provided was

459
00:20:48,760 --> 00:20:46,490
incredibly accurate in terms of the

460
00:20:51,430 --> 00:20:48,770
timeline and some historical information

461
00:20:53,770 --> 00:20:51,440
that I was able to research and kind of

462
00:20:56,140 --> 00:20:53,780
document from that regression so that

463
00:20:58,630 --> 00:20:56,150

was the thing that blew my mind you know

464

00:21:01,480 --> 00:20:58,640

blew my mind completely and what was the

465

00:21:01,990 --> 00:21:01,490

what was the date of the initial contact

466

00:21:06,610 --> 00:21:02,000

on that

467

00:21:09,460 --> 00:21:06,620

Friday what you what year it was 2013 on

468

00:21:13,840 --> 00:21:09,470

an October that was October 2013 and

469

00:21:16,450 --> 00:21:13,850

which obviously that and and the things

470

00:21:18,910 --> 00:21:16,460

that followed eventually led you to Alba

471

00:21:21,730 --> 00:21:18,920

for the regression therapy

472

00:21:25,060 --> 00:21:21,740

when did the sessions the first session

473

00:21:29,650 --> 00:21:25,070

with Alba happen that was I think

474

00:21:31,380 --> 00:21:29,660

November of 2017 was my first regression

475

00:21:36,090 --> 00:21:31,390

with her and then my second one was

476
00:21:38,680 --> 00:21:36,100
November I believe yeah okay between

477
00:21:43,540 --> 00:21:38,690
this is for the audience now between

478
00:21:47,890 --> 00:21:43,550
October of 2013 and November of 17 was

479
00:21:50,650 --> 00:21:47,900
there continuous contact there was no

480
00:21:52,930 --> 00:21:50,660
contact in between there okay well

481
00:21:55,480 --> 00:21:52,940
contact not conscious like my first

482
00:21:57,670 --> 00:21:55,490
initial contact so during that time I

483
00:22:00,190 --> 00:21:57,680
had gotten into a relationship that was

484
00:22:02,260 --> 00:22:00,200
becoming very serious and you know we

485
00:22:06,220 --> 00:22:02,270
were thinking about settling down having

486
00:22:08,200 --> 00:22:06,230
children and during those years what had

487
00:22:10,210 --> 00:22:08,210
been happening to me is that I was

488
00:22:14,650 --> 00:22:10,220

becoming pregnant and having

489

00:22:17,200 --> 00:22:14,660

miscarriages and I didn't understand why

490

00:22:19,420 --> 00:22:17,210

I was having the miscarriages and at

491

00:22:20,890 --> 00:22:19,430

times because I worked so much my route

492

00:22:23,500 --> 00:22:20,900

my past relationship I'm gonna get a

493

00:22:25,990 --> 00:22:23,510

little intimate here you know we we

494

00:22:27,670 --> 00:22:26,000

really didn't have the ability to be

495

00:22:30,550 --> 00:22:27,680

intimate with each other many times and

496

00:22:33,640 --> 00:22:30,560

sometimes I would become pregnant even

497

00:22:35,110 --> 00:22:33,650

when we weren't together okay so this is

498

00:22:39,040 --> 00:22:35,120

the thing and so those things would

499

00:22:41,920 --> 00:22:39,050

happen and at the time I didn't I had no

500

00:22:45,460 --> 00:22:41,930

idea what the hybridization program was

501
00:22:47,980 --> 00:22:45,470
okay let me let me ask the question that

502
00:22:54,360 --> 00:22:47,990
is on everybody's mind right when you

503
00:22:58,180 --> 00:22:54,370
say that obviously your relationship

504
00:23:00,130 --> 00:22:58,190
gets strained because somebody in a

505
00:23:04,300 --> 00:23:00,140
normal situation the normal question

506
00:23:06,940 --> 00:23:04,310
somebody's fooling around debbie is you

507
00:23:08,400 --> 00:23:06,950
have that because he's good that's what

508
00:23:12,580 --> 00:23:08,410
he's gonna say

509
00:23:15,940 --> 00:23:12,590
right right well mm-hmm well you know we

510
00:23:16,480 --> 00:23:15,950
we had a very trusting relationship from

511
00:23:20,200 --> 00:23:16,490
that person

512
00:23:21,760 --> 00:23:20,210
active so the question was you know what

513
00:23:23,380 --> 00:23:21,770

what's happening and when I went to the

514

00:23:25,000 --> 00:23:23,390

doctor the doctor said oh well you're

515

00:23:26,620 --> 00:23:25,010

probably stressed and you probably want

516

00:23:28,900 --> 00:23:26,630

to have children so much that your

517

00:23:32,950 --> 00:23:28,910

hormones kind of you know create this

518

00:23:35,560 --> 00:23:32,960

false pregnancy and you know and it was

519

00:23:37,120 --> 00:23:35,570

just very stressing time because on the

520

00:23:38,950 --> 00:23:37,130

other side of it when I would get

521

00:23:40,690 --> 00:23:38,960

pregnant we would be very happy and we'd

522

00:23:42,880 --> 00:23:40,700

be like oh this is wonderful

523

00:23:45,490 --> 00:23:42,890

you know let's make the best of it and

524

00:23:47,440 --> 00:23:45,500

then you know two months into that you

525

00:23:49,000 --> 00:23:47,450

know we would have the miscarriage you

526

00:23:51,220 --> 00:23:49,010

know when we went to the doctor their

527

00:23:53,169 --> 00:23:51,230

doctor would say oh you know there's

528

00:23:53,919 --> 00:23:53,179

there's nothing here you know you're not

529

00:23:56,620 --> 00:23:53,929

pregnant

530

00:23:59,290 --> 00:23:56,630

it was a false alarm and I got to tell

531

00:24:01,180 --> 00:23:59,300

you that during those years I mean these

532

00:24:02,830 --> 00:24:01,190

are things that I kept very privately to

533

00:24:04,510 --> 00:24:02,840

myself and with him you know we would

534

00:24:08,560 --> 00:24:04,520

share this information and it would be

535

00:24:11,890 --> 00:24:08,570

very stressing very depressing very very

536

00:24:14,380 --> 00:24:11,900

hard for me emotionally but again I

537

00:24:15,700 --> 00:24:14,390

never linked the hybridization program

538

00:24:17,380 --> 00:24:15,710

to that because I didn't understand how

539

00:24:20,290 --> 00:24:17,390

the hybridization program worked and

540

00:24:23,260 --> 00:24:20,300

this is why I talk about this and I'm

541

00:24:25,000 --> 00:24:23,270

very you know open about my experiences

542

00:24:27,970 --> 00:24:25,010

because I want other women that have had

543

00:24:30,220 --> 00:24:27,980

this experience to look at you know the

544

00:24:32,230 --> 00:24:30,230

the signs to look at what happens when

545

00:24:33,970 --> 00:24:32,240

you go through something like this so

546

00:24:36,520 --> 00:24:33,980

that's really important and it wasn't

547

00:24:40,900 --> 00:24:36,530

until 2017 that I decided to get the

548

00:24:43,030 --> 00:24:40,910

regression you know because I after you

549

00:24:44,500 --> 00:24:43,040

know all these years one of the things

550

00:24:47,200 --> 00:24:44,510

that my partner would tell me was I

551

00:24:48,160 --> 00:24:47,210

don't you dare talk about et contact

552

00:24:49,660 --> 00:24:48,170

don't you dare talk about the

553

00:24:51,340 --> 00:24:49,670

hybridization program my family would

554

00:24:52,570 --> 00:24:51,350

tell me the same thing because they

555

00:24:54,310 --> 00:24:52,580

would say you're gonna ruin your career

556

00:24:55,960 --> 00:24:54,320

you don't want to talk about that if

557

00:24:58,120 --> 00:24:55,970

people Google your business and they

558

00:24:59,440 --> 00:24:58,130

look that this person believes in aliens

559

00:25:02,169 --> 00:24:59,450

you know they're not gonna take you

560

00:25:04,180 --> 00:25:02,179

serious so that was hard for me as well

561

00:25:06,910 --> 00:25:04,190

because my my thing is about being

562

00:25:09,669 --> 00:25:06,920

authentic speaking my truth you know and

563

00:25:12,010 --> 00:25:09,679

I didn't know what it meant to discuss

564

00:25:13,660 --> 00:25:12,020

this topic at that point obviously I was

565

00:25:15,280 --> 00:25:13,670

just thinking I'm gonna share my

566

00:25:17,080 --> 00:25:15,290

experience and see if anyone else had

567

00:25:19,360 --> 00:25:17,090

the experience and at the time I was

568

00:25:21,940 --> 00:25:19,370

doing a lot of on the internet you know

569

00:25:23,890 --> 00:25:21,950

I was like hybrid children looking that

570

00:25:26,049 --> 00:25:23,900

up and there was limited information

571

00:25:28,690 --> 00:25:26,059

Jimmy there's there was a couple things

572

00:25:30,159 --> 00:25:28,700

I mean I found Brigitte Nielsen I found

573

00:25:30,400 --> 00:25:30,169

her website and I was able to look at

574

00:25:32,830 --> 00:25:30,410

some of

575

00:25:35,110 --> 00:25:32,840

the stories but someone that sits there

576

00:25:36,850 --> 00:25:35,120

and tells you this is the hybridization

577

00:25:38,500 --> 00:25:36,860

program this is what happens this is

578

00:25:41,110 --> 00:25:38,510

what doesn't happen here are the

579

00:25:43,570 --> 00:25:41,120

possibilities here's what to do with the

580

00:25:46,120 --> 00:25:43,580

medical side of it you know nothing like

581

00:25:48,160 --> 00:25:46,130

that so there's very little support you

582

00:25:50,860 --> 00:25:48,170

know and this is not something that just

583

00:25:54,400 --> 00:25:50,870

affects women it affects men of course

584

00:25:56,590 --> 00:25:54,410

so in 2017 I decided to end my

585

00:25:58,780 --> 00:25:56,600

relationship you know we just didn't see

586

00:26:02,050 --> 00:25:58,790

eye to eye regarding any of this really

587

00:26:04,180 --> 00:26:02,060

I mean including spirituality and the

588

00:26:07,030 --> 00:26:04,190

need to discuss this topic which is very

589

00:26:10,720 --> 00:26:07,040

important to me and so we parted ways

590

00:26:12,760 --> 00:26:10,730

and I all of a sudden my mother was the

591

00:26:14,560 --> 00:26:12,770

one that actually sent a video of a

592

00:26:17,970 --> 00:26:14,570

regression where someone had been

593

00:26:20,500 --> 00:26:17,980

talking about contact on Alba's you know

594

00:26:22,270 --> 00:26:20,510

website on the channel and so I was

595

00:26:24,160 --> 00:26:22,280

fascinated I was like wow I really need

596

00:26:26,410 --> 00:26:24,170

that regression and I said well so

597

00:26:28,960 --> 00:26:26,420

regression could be a way for me to

598

00:26:33,130 --> 00:26:28,970

access the memories of what had happened

599

00:26:34,480 --> 00:26:33,140

and I contacted you know alibi set up an

600

00:26:36,340 --> 00:26:34,490

appointment I actually got one it's very

601
00:26:41,200 --> 00:26:36,350
hard to get an appointment without yes

602
00:26:43,840 --> 00:26:41,210
it is yes yes so it was kind of like I

603
00:26:46,660 --> 00:26:43,850
guess in some way fate or meant to be

604
00:26:49,780 --> 00:26:46,670
and I ended up on her you know on her

605
00:26:54,480 --> 00:26:49,790
couch you could say I flew all the way

606
00:26:57,430 --> 00:26:54,490
to Kansas Kansas Ohio around there and

607
00:27:00,190 --> 00:26:57,440
we had her first session and it was just

608
00:27:02,500 --> 00:27:00,200
amazing it was amazing and she clarified

609
00:27:05,440 --> 00:27:02,510
my answer that I had had the contact

610
00:27:08,380 --> 00:27:05,450
experience for me Jimmy I want to be

611
00:27:10,060 --> 00:27:08,390
clear what I work on and one of the most

612
00:27:12,340 --> 00:27:10,070
important things for me is that I had

613
00:27:15,250 --> 00:27:12,350

been working really hard throughout

614

00:27:17,890 --> 00:27:15,260

these years to kind of destroy and

615

00:27:21,100 --> 00:27:17,900

question myself and all the programs

616

00:27:22,900 --> 00:27:21,110

that limit me from understanding the

617

00:27:25,750 --> 00:27:22,910

difference between what is reality and

618

00:27:27,880 --> 00:27:25,760

illusion okay and I was doing that

619

00:27:31,090 --> 00:27:27,890

because I really wanted to check myself

620

00:27:33,100 --> 00:27:31,100

I wanted to know you know why I had

621

00:27:34,960 --> 00:27:33,110

experienced such a thing I wanted to

622

00:27:36,730 --> 00:27:34,970

understand emotionally what was I what I

623

00:27:39,700 --> 00:27:36,740

was going to I wanted to organize my

624

00:27:42,370 --> 00:27:39,710

emotions really clearly and any kinds of

625

00:27:43,730 --> 00:27:42,380

thoughts and feelings that were false I

626

00:27:45,680 --> 00:27:43,740

wanted to get rid of

627

00:27:47,990 --> 00:27:45,690

I could be 100% authentic and that

628

00:27:49,910 --> 00:27:48,000

really led me to kind of a soul search

629

00:27:52,820 --> 00:27:49,920

and try to find these answers on a

630

00:27:56,150 --> 00:27:52,830

deeper level so I had been meditating up

631

00:27:59,000 --> 00:27:56,160

to four hours a day trying to you know

632

00:28:01,400 --> 00:27:59,010

work on myself you know find that that

633

00:28:03,080 --> 00:28:01,410

inner inner connection to answer these

634

00:28:05,540 --> 00:28:03,090

questions and when I went to alibi I was

635

00:28:06,980 --> 00:28:05,550

really at a place where I was like here

636

00:28:09,440 --> 00:28:06,990

are my questions I want to understand

637

00:28:11,240 --> 00:28:09,450

what's happening I don't watch TV you

638

00:28:13,220 --> 00:28:11,250

know I leave a really healthy lifestyle

639

00:28:15,890 --> 00:28:13,230

I don't watch movies I try to keep my

640

00:28:18,500 --> 00:28:15,900

mind really clean and clear from any

641

00:28:20,570 --> 00:28:18,510

kind of distraction so I can kind of be

642

00:28:22,490 --> 00:28:20,580

a clear channel to what I was gonna

643

00:28:24,740 --> 00:28:22,500

receive at that point that's something

644

00:28:27,230 --> 00:28:24,750

that's really important you know I was

645

00:28:30,080 --> 00:28:27,240

not I didn't want to watch any sci-fi

646

00:28:31,640 --> 00:28:30,090

movies or anything because I understand

647

00:28:33,110 --> 00:28:31,650

psych psychology I understand

648

00:28:34,430 --> 00:28:33,120

consciousness I mean when we put

649

00:28:36,860 --> 00:28:34,440

ourselves out in front of a television

650

00:28:40,400 --> 00:28:36,870

or listening to music you know we're

651
00:28:41,810 --> 00:28:40,410
receiving these kinds of you know

652
00:28:43,970 --> 00:28:41,820
vibrational frequencies that are

653
00:28:45,620 --> 00:28:43,980
imprinting in our subconscious mind and

654
00:28:47,570 --> 00:28:45,630
shifting how we look and experience

655
00:28:50,660 --> 00:28:47,580
things and they can take you very easily

656
00:28:53,570 --> 00:28:50,670
away from what's real what's your true

657
00:28:56,060 --> 00:28:53,580
experience well that's certainly true

658
00:28:58,640 --> 00:28:56,070
and we'll discuss more of that right

659
00:29:01,010 --> 00:28:58,650
after the break and we do need to be

660
00:29:03,260 --> 00:29:01,020
careful it's because of what you just

661
00:29:06,560 --> 00:29:03,270
went through and now you're questioning

662
00:29:08,840 --> 00:29:06,570
yourself you need to be clean and peer

663
00:29:10,760 --> 00:29:08,850

at that point you don't want it you

664

00:29:14,120 --> 00:29:10,770

don't wanna you don't want to screw

665

00:29:15,410 --> 00:29:14,130

anything else up as well it's it's it's

666

00:29:18,400 --> 00:29:15,420

it's a two-way street

667

00:29:21,650 --> 00:29:18,410

this is fade to black our guest tonight

668

00:29:24,680 --> 00:29:21,660

hold on for a second I am going to back

669

00:29:26,090 --> 00:29:24,690

up okay sorry about that I was

670

00:29:28,820 --> 00:29:26,100

distracted with the text

671

00:29:30,620 --> 00:29:28,830

Geraldine Orosco is with us now I know

672

00:29:32,570 --> 00:29:30,630

everybody wants to know what happened on

673

00:29:34,370 --> 00:29:32,580

that Friday night we'll start right

674

00:29:34,800 --> 00:29:34,380

there after this short break stay with

675

00:29:54,220 --> 00:29:34,810

us

676

00:30:00,640 --> 00:29:56,590

welcome back fade to black I am your

677

00:30:02,590 --> 00:30:00,650

host Jimmy Church tonight night one of

678

00:30:04,240 --> 00:30:02,600

our amazing women week here in fade to

679

00:30:06,520 --> 00:30:04,250

black Geraldine Orosco is with this

680

00:30:09,550 --> 00:30:06,530

tomorrow night Nov strong dear Wednesday

681

00:30:13,210 --> 00:30:09,560

night Kathleen Martin Thursday night dr.

682

00:30:15,850 --> 00:30:13,220

Lynn khatai tonight is Geraldine Orosco

683

00:30:19,390 --> 00:30:15,860

now Geraldine we've done a nice set up

684

00:30:23,860 --> 00:30:19,400

for where we're about to go right now

685

00:30:27,610 --> 00:30:23,870

which is back to October of 2013 there

686

00:30:30,760 --> 00:30:27,620

Friday night what happened all right so

687

00:30:33,190 --> 00:30:30,770

yes I mean it was a normal night like

688

00:30:35,620 --> 00:30:33,200

any other night until about 3:30 3:00 in

689

00:30:38,590 --> 00:30:35,630

the morning exactly 3:30 3:00 in the

690

00:30:41,260 --> 00:30:38,600

morning I wake up and I wake up to a

691

00:30:44,280 --> 00:30:41,270

very bright light in my room now I have

692

00:30:47,950 --> 00:30:44,290

blinds in my room those mini blinds and

693

00:30:52,060 --> 00:30:47,960

my house is located on a curving street

694

00:30:53,830 --> 00:30:52,070

so in order for a car to come and shine

695

00:30:56,080 --> 00:30:53,840

their light at my window it would have

696

00:30:58,000 --> 00:30:56,090

to be on the other side on the opposite

697

00:31:01,690 --> 00:30:58,010

side of the street you know angled

698

00:31:03,220 --> 00:31:01,700

towards my my window so I I noticed that

699

00:31:04,720 --> 00:31:03,230

the light was extremely strong and

700

00:31:06,520 --> 00:31:04,730

bright and I was thinking you know who

701
00:31:09,400 --> 00:31:06,530
must who must be shining the slide at my

702
00:31:11,710 --> 00:31:09,410
room at this time so when I looked down

703
00:31:13,060 --> 00:31:11,720
at my phone it says exactly 333 I'm like

704
00:31:15,190 --> 00:31:13,070
oh I'm cool you know because at that

705
00:31:16,960 --> 00:31:15,200
moment I didn't even have those kind of

706
00:31:18,370 --> 00:31:16,970
repetitive numbers that some people have

707
00:31:20,110 --> 00:31:18,380
when they're waking up spiritually I

708
00:31:22,330 --> 00:31:20,120
didn't know anything about that yet

709
00:31:24,580 --> 00:31:22,340
so I was just cool to me and I was like

710
00:31:26,470 --> 00:31:24,590
okay let me get out of bed after a few

711
00:31:27,910 --> 00:31:26,480
minutes I waited i sat up on my bed I

712
00:31:30,100 --> 00:31:27,920
waited and I was like when is it gonna

713
00:31:31,900 --> 00:31:30,110

turn off and never turned off so I got

714

00:31:33,700 --> 00:31:31,910

out of bed I went to my window and as

715

00:31:35,920 --> 00:31:33,710

I'm looking through the blinds the light

716

00:31:39,250 --> 00:31:35,930

gets brighter and it gets so bright that

717

00:31:40,210 --> 00:31:39,260

it literally it hurts my eyes to see it

718

00:31:41,770 --> 00:31:40,220

you know it's almost as if you're

719

00:31:44,890 --> 00:31:41,780

looking at a really bright light bulb or

720

00:31:47,470 --> 00:31:44,900

at the Sun basically and it is pure

721

00:31:50,170 --> 00:31:47,480

white light okay and as I'm looking

722

00:31:52,360 --> 00:31:50,180

beyond that light trying to see you know

723

00:31:55,560 --> 00:31:52,370

is it a car like what is that I'm seeing

724

00:31:58,150 --> 00:31:55,570

a metallic a beautiful shiny metallic

725

00:32:02,170 --> 00:31:58,160

material that's on the left side of that

726

00:32:04,210 --> 00:32:02,180

white white light and my house is my

727

00:32:06,900 --> 00:32:04,220

bedroom is actually located right over

728

00:32:08,520 --> 00:32:06,910

my garage on the second floor so

729

00:32:12,080 --> 00:32:08,530

you know as I'm looking down I'm looking

730

00:32:15,180 --> 00:32:12,090

at this craft this gigantic light and

731

00:32:16,740 --> 00:32:15,190

silver edges on the two sides to the

732

00:32:19,170 --> 00:32:16,750

left and to the right and out of this

733

00:32:22,350 --> 00:32:19,180

bright light all of a sudden I become

734

00:32:26,700 --> 00:32:22,360

absolutely paralyzed I can't move all I

735

00:32:28,980 --> 00:32:26,710

can move is my pupils and I am taken out

736

00:32:31,380 --> 00:32:28,990

of my bedroom window I'm taking through

737

00:32:33,900 --> 00:32:31,390

the through the window to the other side

738

00:32:37,080 --> 00:32:33,910

and when I get to the other side there

739

00:32:39,840 --> 00:32:37,090

are these tall six shadows that are

740

00:32:41,970 --> 00:32:39,850

approaching from you know they get from

741

00:32:44,250 --> 00:32:41,980

small to big they enlarge they come

742

00:32:46,710 --> 00:32:44,260

closer to me and as I'm as they get

743

00:32:49,230 --> 00:32:46,720

closer to me I'm clearly seeing their

744

00:32:54,540 --> 00:32:49,240

faces and I'm horrified because these

745

00:32:56,730 --> 00:32:54,550

are about 6 foot tall grays 6 No there

746

00:32:59,310 --> 00:32:56,740

are six of them that are ten feet tall

747

00:33:03,180 --> 00:32:59,320

so they're huge they're huge and they

748

00:33:05,280 --> 00:33:03,190

have these gigantic eyes and you know

749

00:33:06,750 --> 00:33:05,290

I'm looking at their eyes he's black

750

00:33:08,910 --> 00:33:06,760

gigantic eyes that you know

751
00:33:12,060 --> 00:33:08,920
traditionally we see these Gray's that

752
00:33:14,940 --> 00:33:12,070
we called him and the bright light is

753
00:33:16,410 --> 00:33:14,950
basically one of them approaches closer

754
00:33:18,150 --> 00:33:16,420
to me and I'm horrified I don't know

755
00:33:19,890 --> 00:33:18,160
what to do at that point but as he comes

756
00:33:23,340 --> 00:33:19,900
close to me he waves his hand and

757
00:33:27,150 --> 00:33:23,350
basically says calm telepathically in my

758
00:33:30,660 --> 00:33:27,160
mind I hear calm and my body stops

759
00:33:33,990 --> 00:33:30,670
shaking it stops feeling terror and I

760
00:33:36,450 --> 00:33:34,000
get brought into the craft with them and

761
00:33:38,160 --> 00:33:36,460
this is very vivid because I can see the

762
00:33:40,230 --> 00:33:38,170
crapped I can see the entrance of the

763
00:33:43,580 --> 00:33:40,240

crop I can see the ridges on the floor I

764

00:33:46,740 --> 00:33:43,590

can see you know like the metallic

765

00:33:48,810 --> 00:33:46,750

almost like how can I describe it like a

766

00:33:50,400 --> 00:33:48,820

railing that is on the floor and then on

767

00:33:52,170 --> 00:33:50,410

the back of it when I'm entering the

768

00:33:54,300 --> 00:33:52,180

craft I'm seeing like these little bars

769

00:33:56,370 --> 00:33:54,310

and everything in great detail and I'm

770

00:33:58,410 --> 00:33:56,380

being brought in and I as I'm being

771

00:34:01,320 --> 00:33:58,420

brought into to the left of this craft

772

00:34:03,120 --> 00:34:01,330

all of a sudden he lifts his hand and

773

00:34:06,480 --> 00:34:03,130

waves it and everything around me

774

00:34:10,470 --> 00:34:06,490

completely changes and I am now in this

775

00:34:12,060 --> 00:34:10,480

green grassy space with a blue sky and

776

00:34:16,200 --> 00:34:12,070

there are these gigantic beautiful

777

00:34:19,139 --> 00:34:16,210

modern obtuse buildings and as I'm being

778

00:34:20,460 --> 00:34:19,149

brought into this you know it's a it's

779

00:34:23,070 --> 00:34:20,470

basically what it looks

780

00:34:26,310 --> 00:34:23,080

is a holographic projection because the

781

00:34:29,250 --> 00:34:26,320

green grass looks fake and it also looks

782

00:34:33,149 --> 00:34:29,260

like it's pixelated please know I'm

783

00:34:35,010 --> 00:34:33,159

looking at pixelated grass and you know

784

00:34:36,750 --> 00:34:35,020

it just doesn't seem real it doesn't

785

00:34:38,639 --> 00:34:36,760

seem it looks like plastic and I'm

786

00:34:42,089 --> 00:34:38,649

looking at the sky the sky is you know

787

00:34:45,960 --> 00:34:42,099

fake blue clearly and as I'm being

788

00:34:49,080 --> 00:34:45,970

brought into this building I'm left

789

00:34:51,659 --> 00:34:49,090

alone somehow almost as if I'm hovering

790

00:34:53,460 --> 00:34:51,669

it feels because I can't quite connect

791

00:34:56,730 --> 00:34:53,470

with my body at that point I can't feel

792

00:34:58,580 --> 00:34:56,740

whether I'm walking or not let me jump

793

00:35:03,089 --> 00:34:58,590

in I actually wanted to ask you that

794

00:35:05,339 --> 00:35:03,099

when you approached the crowd were you

795

00:35:07,650 --> 00:35:05,349

walking away from your house did you

796

00:35:10,020 --> 00:35:07,660

walk into the craft were you following

797

00:35:12,060 --> 00:35:10,030

them I mean not voluntarily

798

00:35:15,000 --> 00:35:12,070

well maybe voluntarily but were you

799

00:35:17,310 --> 00:35:15,010

walking you know you know that's the

800

00:35:19,680 --> 00:35:17,320

thing I do gone through this in my mind

801
00:35:22,770 --> 00:35:19,690
trying to trace whether I felt myself

802
00:35:25,560 --> 00:35:22,780
actually stepping on things and no it's

803
00:35:29,550 --> 00:35:25,570
as if you are being like they're gliding

804
00:35:31,320 --> 00:35:29,560
you and craft you know you you can't

805
00:35:33,390 --> 00:35:31,330
feel your body at that point I mean

806
00:35:35,910 --> 00:35:33,400
you're I'm completely paralyzed I can't

807
00:35:38,280 --> 00:35:35,920
move anything so you know I don't have

808
00:35:41,579 --> 00:35:38,290
any like response coming from my legs or

809
00:35:44,940 --> 00:35:41,589
my arms but as I'm in this case being

810
00:35:47,310 --> 00:35:44,950
brought into this building I'm seeing

811
00:35:49,230 --> 00:35:47,320
something that looks like a table like

812
00:35:51,359 --> 00:35:49,240
this is a holographic projection again

813
00:35:53,520 --> 00:35:51,369

I'm clear that it is but it's such an

814

00:35:55,730 --> 00:35:53,530

exquisitely made for holographic

815

00:35:59,040 --> 00:35:55,740

projection that it does look real right

816

00:36:00,839 --> 00:35:59,050

and beyond that I'm seeing something

817

00:36:04,109 --> 00:36:00,849

that looks like a little Japanese garden

818

00:36:05,339 --> 00:36:04,119

behind this this obstinate they brought

819

00:36:08,760 --> 00:36:05,349

me into you very modern very

820

00:36:10,200 --> 00:36:08,770

minimalistic so as I turn around from

821

00:36:12,450 --> 00:36:10,210

there and at this point I can recall

822

00:36:13,980 --> 00:36:12,460

that I was walking I'm turning around

823

00:36:15,570 --> 00:36:13,990

and moving my feet to turn around

824

00:36:18,150 --> 00:36:15,580

because they have left they left me

825

00:36:20,730 --> 00:36:18,160

inside of this building what I see is a

826
00:36:23,180 --> 00:36:20,740
tall gray and another shadow of a woman

827
00:36:26,730 --> 00:36:23,190
and as they're walking in front of me

828
00:36:29,310 --> 00:36:26,740
I'm looking and it's my aunt and she has

829
00:36:32,190 --> 00:36:29,320
her hair she has this really thick hair

830
00:36:33,839 --> 00:36:32,200
and bangs and she's in her pajamas that

831
00:36:34,289 --> 00:36:33,849
I know that she wears and she's there

832
00:36:38,189 --> 00:36:34,299
and

833
00:36:41,309 --> 00:36:38,199
you know right in front of me in front

834
00:36:48,239 --> 00:36:41,319
of this building sincere and alive yes

835
00:36:49,979 --> 00:36:48,249
okay that's that's interesting okay what

836
00:36:52,769 --> 00:36:49,989
you'll find out is that my entire family

837
00:36:55,380 --> 00:36:52,779
or actually contactees and we you know

838
00:36:57,509 --> 00:36:55,390

through my experience we have all kind

839

00:36:58,979 --> 00:36:57,519

of come out to with these things you

840

00:37:03,150 --> 00:36:58,989

know they've all had regressions at this

841

00:37:06,089 --> 00:37:03,160

point so she is so she's walking in

842

00:37:08,579 --> 00:37:06,099

front of me and I get scared because I'm

843

00:37:10,589 --> 00:37:08,589

like my stomach goes into a knot and I'm

844

00:37:14,099 --> 00:37:10,599

like what is she doing here you know and

845

00:37:16,199 --> 00:37:14,109

I'm seeing the gray go in front of me

846

00:37:17,880 --> 00:37:16,209

and immediately everything changes again

847

00:37:20,819 --> 00:37:17,890

everything is gone in front of me and

848

00:37:22,679 --> 00:37:20,829

now I'm inside of the craft again and I

849

00:37:24,769 --> 00:37:22,689

can see the craft it's like this

850

00:37:27,749 --> 00:37:24,779

metallic material that it looks actually

851
00:37:30,089 --> 00:37:27,759
translucent because I can see through to

852
00:37:33,049 --> 00:37:30,099
what looks like stars on the other side

853
00:37:35,459 --> 00:37:33,059
excites if I am in space now okay and

854
00:37:37,079 --> 00:37:35,469
you know in front of me are the three

855
00:37:39,809 --> 00:37:37,089
grays to the right of me is this

856
00:37:42,179 --> 00:37:39,819
beautiful table with a blue light with a

857
00:37:45,689 --> 00:37:42,189
holographic projection of planets and

858
00:37:47,579 --> 00:37:45,699
stars and it looks like what could be

859
00:37:50,009 --> 00:37:47,589
some kind of a navigation type of a

860
00:37:52,769 --> 00:37:50,019
table hologram I mean the holograms are

861
00:37:55,140 --> 00:37:52,779
beautiful I am I love technology so when

862
00:37:57,569 --> 00:37:55,150
I saw something like that I'm also an

863
00:37:59,370 --> 00:37:57,579

interior an architectural designer so

864

00:38:01,919 --> 00:37:59,380

when I see things like this it's just

865

00:38:04,169 --> 00:38:01,929

magnificent to me you know and beyond

866

00:38:06,509 --> 00:38:04,179

that I'm seeing what looks like a

867

00:38:09,660 --> 00:38:06,519

control panel of some sort with like

868

00:38:11,870 --> 00:38:09,670

buttons and you know it's they brought

869

00:38:13,679 --> 00:38:11,880

me into another part of the craft and

870

00:38:15,419 --> 00:38:13,689

directly in front of me there are three

871

00:38:17,900 --> 00:38:15,429

Garrett Gray's or two tall's and one

872

00:38:22,620 --> 00:38:17,910

short and he basically opens up this

873

00:38:26,910 --> 00:38:22,630

holographic cubical cube in front of me

874

00:38:30,209 --> 00:38:26,920

and it's it has eight layers to it and

875

00:38:32,069 --> 00:38:30,219

the first one opens up okay they open up

876

00:38:37,259 --> 00:38:32,079

in front of us so we're in this large

877

00:38:41,459 --> 00:38:37,269

room I'm in front of this little cubicle

878

00:38:43,890 --> 00:38:41,469

hologram this blue hologram and the

879

00:38:45,929 --> 00:38:43,900

first one opens up and it's this alien

880

00:38:48,190 --> 00:38:45,939

writing that starts appearing in front

881

00:38:50,859 --> 00:38:48,200

of me and the

882

00:38:52,450 --> 00:38:50,869

it was so fast and I was looking at it

883

00:38:54,550 --> 00:38:52,460

and I was like oh my gosh I have to

884

00:38:56,800 --> 00:38:54,560

remember this I can never seen anything

885

00:38:58,720 --> 00:38:56,810

like this I have to remember this when

886

00:39:01,030 --> 00:38:58,730

when I get back basically I'm thinking

887

00:39:03,700 --> 00:39:01,040

so you know I have somewhat of a hull of

888

00:39:06,190 --> 00:39:03,710

a photographic memory so I'm trying to

889

00:39:09,160 --> 00:39:06,200

remember as much as I can so they show

890

00:39:11,560 --> 00:39:09,170

me this language then they move that out

891

00:39:13,990 --> 00:39:11,570

and the next layer opens up and I'm

892

00:39:16,630 --> 00:39:14,000

shown a hologram of planets the planets

893

00:39:18,579 --> 00:39:16,640

zoom open in front of us they expand

894

00:39:20,050 --> 00:39:18,589

around us and next thing you know I'm

895

00:39:21,940 --> 00:39:20,060

around me

896

00:39:23,859 --> 00:39:21,950

they changed the settings of this

897

00:39:26,710 --> 00:39:23,869

environment once again and I'm on

898

00:39:30,310 --> 00:39:26,720

Pleiades supposedly and they are showing

899

00:39:31,690 --> 00:39:30,320

me here Pleiades this planet you know

900

00:39:33,220 --> 00:39:31,700

there's something that looks like grass

901
00:39:36,550 --> 00:39:33,230
there are mountains there's a blue sky

902
00:39:38,380 --> 00:39:36,560
and there are these for this crowd of

903
00:39:40,839 --> 00:39:38,390
four beings in front of me that are more

904
00:39:43,480 --> 00:39:40,849
like humanoids very tall slender beings

905
00:39:45,099 --> 00:39:43,490
so they show me those beings and what

906
00:39:46,960 --> 00:39:45,109
they're telling me telepathically is

907
00:39:49,120 --> 00:39:46,970
that they are from Maia that we are

908
00:39:51,280 --> 00:39:49,130
basically on Maya which is one of the

909
00:39:54,010 --> 00:39:51,290
planets up to play it played seven them

910
00:39:55,540 --> 00:39:54,020
play these constellations and they're

911
00:39:57,609 --> 00:39:55,550
telling me that this is where I come

912
00:40:00,160 --> 00:39:57,619
from and I have been here before and

913
00:40:02,170 --> 00:40:00,170

they zoom out and they show me another

914

00:40:05,620 --> 00:40:02,180

scene which I'm here in front of this

915

00:40:07,720 --> 00:40:05,630

crowd of people speaking and then they

916

00:40:10,059 --> 00:40:07,730

removed this hologram from around us

917

00:40:12,250 --> 00:40:10,069

we're back in the craft and they go back

918

00:40:14,859 --> 00:40:12,260

to the hologram and they show me the

919

00:40:17,710 --> 00:40:14,869

next box inside of this cube this

920

00:40:20,829 --> 00:40:17,720

hologram is eight little lights they're

921

00:40:25,150 --> 00:40:20,839

yellow lights they zoom the yellow

922

00:40:28,000 --> 00:40:25,160

lights in front of me and four of those

923

00:40:30,750 --> 00:40:28,010

lights start to expand in front of me

924

00:40:34,450 --> 00:40:30,760

and one of them is a child it is a

925

00:40:38,920 --> 00:40:34,460

beautiful blonde very slender thin child

926
00:40:41,859 --> 00:40:38,930
with these magnificent blue eyes and a

927
00:40:44,849 --> 00:40:41,869
really soft curly hair that it seems

928
00:40:48,609 --> 00:40:44,859
like you know very thinning kind of hair

929
00:40:50,470 --> 00:40:48,619
it doesn't seem like actual hair I don't

930
00:40:52,059 --> 00:40:50,480
know how to it almost as if it is gonna

931
00:40:55,329 --> 00:40:52,069
sound funny but it's gonna it's like

932
00:40:58,150 --> 00:40:55,339
pasta but really thin you can tell that

933
00:40:59,800 --> 00:40:58,160
it's really frail and so this child

934
00:41:01,100 --> 00:40:59,810
shows up in front of me and immediately

935
00:41:03,400 --> 00:41:01,110
when I saw when I

936
00:41:07,340 --> 00:41:03,410
make eye contact with the child I

937
00:41:09,950 --> 00:41:07,350
recognize this child as my own and I am

938
00:41:13,510 --> 00:41:09,960

immediately taken over by this emotion

939

00:41:16,700 --> 00:41:13,520

of love and affection for the child and

940

00:41:19,700 --> 00:41:16,710

recognition and I'm like that's my child

941

00:41:23,450 --> 00:41:19,710

and I'm this maternal instinct comes in

942

00:41:25,610 --> 00:41:23,460

where I want to give it love and and I'm

943

00:41:28,340 --> 00:41:25,620

like where does this child come from and

944

00:41:31,750 --> 00:41:28,350

the telepathic connection that I'm

945

00:41:35,320 --> 00:41:31,760

having the child is basically him

946

00:41:38,960 --> 00:41:35,330

recognizing me but when I say me what

947

00:41:42,290 --> 00:41:38,970

I'm getting flashes in my mind is myself

948

00:41:44,630 --> 00:41:42,300

my entire human life and flashes of

949

00:41:49,300 --> 00:41:44,640

other aspects of myself that are beyond

950

00:41:51,620 --> 00:41:49,310

that life what this was was this

951
00:41:54,710 --> 00:41:51,630
holographic image are you suggesting

952
00:41:59,420 --> 00:41:54,720
that it was in real time that this child

953
00:42:00,740 --> 00:41:59,430
could see you as well yes yes he could

954
00:42:04,730 --> 00:42:00,750
see me

955
00:42:06,950 --> 00:42:04,740
the child has now become I guess what we

956
00:42:09,860 --> 00:42:06,960
would think is as a real being in front

957
00:42:12,350 --> 00:42:09,870
of me and almost like FaceTime and I'm

958
00:42:14,420 --> 00:42:12,360
not I'm not being Cavalier here right I

959
00:42:17,210 --> 00:42:14,430
mean well right this was a direct

960
00:42:19,250 --> 00:42:17,220
communication it's direct I mean he is

961
00:42:23,230 --> 00:42:19,260
in front of me the child is has

962
00:42:27,620 --> 00:42:23,240
materialized in front of me in the flesh

963
00:42:29,810 --> 00:42:27,630

so from hologram to flesh thank you okay

964

00:42:31,730 --> 00:42:29,820

so so that that was the interesting

965

00:42:35,510 --> 00:42:31,740

thing about it and how I know that is

966

00:42:37,520 --> 00:42:35,520

because the warmth of the body and it

967

00:42:38,870 --> 00:42:37,530

was not translucent like the other

968

00:42:40,850 --> 00:42:38,880

Holograms like some of the other

969

00:42:43,430 --> 00:42:40,860

holograms were slightly translucent but

970

00:42:47,300 --> 00:42:43,440

this was not this was a a child in the

971

00:42:48,620 --> 00:42:47,310

flesh in front of me and the you know

972

00:42:50,450 --> 00:42:48,630

when you're close to someone you can

973

00:42:54,260 --> 00:42:50,460

feel their energy so I can feel this

974

00:42:56,840 --> 00:42:54,270

child and the child can feel me and so

975

00:42:58,940 --> 00:42:56,850

anyway in any way I'm introduced to four

976
00:43:01,910 --> 00:42:58,950
of these children one of them was an

977
00:43:05,180 --> 00:43:01,920
older reptilian type of and when I say

978
00:43:09,770 --> 00:43:05,190
hybrid hybrid hybridization is the

979
00:43:13,070 --> 00:43:09,780
combination of species so this is a

980
00:43:14,599 --> 00:43:13,080
human mixed with another species okay so

981
00:43:17,120 --> 00:43:14,609
this child look

982
00:43:19,039 --> 00:43:17,130
humanoid but he also looks great in a

983
00:43:21,620 --> 00:43:19,049
sense where his the shape of his head is

984
00:43:25,130 --> 00:43:21,630
enlarged his eyes are enlarged his body

985
00:43:27,769 --> 00:43:25,140
is frail it looks very angular bony the

986
00:43:30,319 --> 00:43:27,779
reptilian one has these reptilian eyes

987
00:43:32,900 --> 00:43:30,329
that also look that they're mixed with

988
00:43:35,269 --> 00:43:32,910

human and he has almost something that

989

00:43:40,099 --> 00:43:35,279

looks like a scaly material on his face

990

00:43:42,319 --> 00:43:40,109

and or like some kind of horn that are

991

00:43:45,349 --> 00:43:42,329

like protruding from his head through

992

00:43:47,479 --> 00:43:45,359

his hair so you know the feelings are

993

00:43:49,819 --> 00:43:47,489

mixed Jimmy because I'm looking at these

994

00:43:51,559 --> 00:43:49,829

children and they look half human and

995

00:43:54,079 --> 00:43:51,569

they're supposed to be mine

996

00:43:55,940 --> 00:43:54,089

and at that point in my thought is not

997

00:43:58,519 --> 00:43:55,950

you know it doesn't even occur to me how

998

00:44:00,609 --> 00:43:58,529

do they come to be it's just wow they're

999

00:44:03,470 --> 00:44:00,619

so beautiful and I know they're mine and

1000

00:44:05,059 --> 00:44:03,480

this emotion comes up like how come I

1001
00:44:06,440 --> 00:44:05,069
didn't know about them how is it that

1002
00:44:08,960 --> 00:44:06,450
they're existing without me without

1003
00:44:12,769 --> 00:44:08,970
their mother you know how can they do

1004
00:44:17,569 --> 00:44:12,779
this you know we know baby reptilians

1005
00:44:22,579 --> 00:44:17,579
are always cute but let me back up for a

1006
00:44:25,279 --> 00:44:22,589
second you kind of so the the gold the

1007
00:44:27,640 --> 00:44:25,289
gold balls of light it's the same

1008
00:44:32,269 --> 00:44:27,650
process right so the first child

1009
00:44:34,160 --> 00:44:32,279
materializes the the second one was one

1010
00:44:35,720 --> 00:44:34,170
of those gold dots as well right that

1011
00:44:40,069 --> 00:44:35,730
materialized went through the same

1012
00:44:43,880 --> 00:44:40,079
process and appeared okay oh and number

1013
00:44:46,640 --> 00:44:43,890

three number three is a beautiful girl

1014

00:44:48,769 --> 00:44:46,650

she's blond hair she has these blue eyes

1015

00:44:52,609 --> 00:44:48,779

and she basically has a human eye but

1016

00:44:55,370 --> 00:44:52,619

the pupil is like a cat eye so that

1017

00:44:57,650 --> 00:44:55,380

means that there's so the pupil will

1018

00:44:59,900 --> 00:44:57,660

move sideways and it will change you

1019

00:45:03,140 --> 00:44:59,910

know how it contracts and you know with

1020

00:45:04,940 --> 00:45:03,150

the light sure the pupil does that it is

1021

00:45:05,839 --> 00:45:04,950

so I mean it's just mind-blowing so

1022

00:45:08,599 --> 00:45:05,849

you're looking at it and you're like

1023

00:45:10,729 --> 00:45:08,609

what am I looking at here but you know

1024

00:45:13,370 --> 00:45:10,739

she's very beautiful in a sense where

1025

00:45:16,749 --> 00:45:13,380

her face has gigantic eyes very small

1026

00:45:21,979 --> 00:45:16,759

delicate features very frail thin skin

1027

00:45:23,690 --> 00:45:21,989

hair which is also thin let me jump in

1028

00:45:26,700 --> 00:45:23,700

again I gotta do this I gotta do this

1029

00:45:28,650 --> 00:45:26,710

for clarification okay so you said

1030

00:45:32,310 --> 00:45:28,660

he was a girl so the first two were

1031

00:45:33,839 --> 00:45:32,320

little boys yeah okay gotcha gotcha yeah

1032

00:45:36,270 --> 00:45:33,849

and let me kind of give you an idea of

1033

00:45:37,920 --> 00:45:36,280

the ages just so you understand the

1034

00:45:39,359 --> 00:45:37,930

timeline because I'm gonna go into more

1035

00:45:41,339 --> 00:45:39,369

of this also as we go through my

1036

00:45:43,740 --> 00:45:41,349

experience through my life because this

1037

00:45:45,570 --> 00:45:43,750

first child was probably around I'm

1038

00:45:48,570 --> 00:45:45,580

gonna say eight years old the second one

1039

00:45:51,359 --> 00:45:48,580

was probably in his 20s he was much

1040

00:45:53,070 --> 00:45:51,369

older he was taller this little girl is

1041

00:45:54,900 --> 00:45:53,080

probably around four or five years old

1042

00:45:56,190 --> 00:45:54,910

okay now something I really want to

1043

00:45:59,010 --> 00:45:56,200

mention about this little girl which is

1044

00:46:02,480 --> 00:45:59,020

important is that this beautiful little

1045

00:46:06,000 --> 00:46:02,490

girl is someone that I had seen before

1046

00:46:08,070 --> 00:46:06,010

when I was a child when I was about six

1047

00:46:10,290 --> 00:46:08,080

seven years old I had a dream a

1048

00:46:12,270 --> 00:46:10,300

recurring dream that my mother would

1049

00:46:15,480 --> 00:46:12,280

bring holding her hand

1050

00:46:17,849 --> 00:46:15,490

this young girl this exact child to me

1051

00:46:19,980 --> 00:46:17,859

and at that time I was thinking that

1052

00:46:21,540 --> 00:46:19,990

that dream I was thinking oh maybe my

1053

00:46:22,980 --> 00:46:21,550

mom's gonna get pregnant you know maybe

1054

00:46:24,720 --> 00:46:22,990

she's gonna get pregnant with a sister

1055

00:46:27,720 --> 00:46:24,730

or that's what I was thinking at that

1056

00:46:29,880 --> 00:46:27,730

time or maybe this is my future child I

1057

00:46:35,250 --> 00:46:29,890

was thinking in the future

1058

00:46:37,140 --> 00:46:35,260

did they call you mom you know it's not

1059

00:46:41,430 --> 00:46:37,150

a matter of mom you know what it is it's

1060

00:46:45,000 --> 00:46:41,440

this telepathic recognition that it goes

1061

00:46:50,160 --> 00:46:45,010

beyond mom it's just like I am a part of

1062

00:46:54,210 --> 00:46:50,170

you you did have that how do I say this

1063

00:46:58,200 --> 00:46:54,220

you have that that telepathic

1064

00:47:01,560 --> 00:46:58,210

conversation or understanding that they

1065

00:47:04,079 --> 00:47:01,570

were yours that's right that's right

1066

00:47:06,030 --> 00:47:04,089

and that's the most shocking part of

1067

00:47:08,420 --> 00:47:06,040

this experience Jimmy because that I

1068

00:47:11,490 --> 00:47:08,430

will never in my life forget that

1069

00:47:14,339 --> 00:47:11,500

initial contact with them I mean to this

1070

00:47:18,180 --> 00:47:14,349

day what I say is that it's realer than

1071

00:47:20,270 --> 00:47:18,190

real life this experience you know I can

1072

00:47:23,010 --> 00:47:20,280

I can't remember what I did last week

1073

00:47:25,880 --> 00:47:23,020

but I sure as hell can remember every

1074

00:47:31,890 --> 00:47:29,400

number four yeah so number four is is

1075

00:47:34,829 --> 00:47:31,900

another girl probably around seven years

1076

00:47:37,200 --> 00:47:34,839

old with brown hair and blue eyes and

1077

00:47:38,730 --> 00:47:37,210

this one was the one that most resembled

1078

00:47:41,880 --> 00:47:38,740

my face Shay

1079

00:47:45,180 --> 00:47:41,890

and energy and what I say energy I'm

1080

00:47:47,250 --> 00:47:45,190

talking about a more human type of

1081

00:47:51,410 --> 00:47:47,260

energy which means that she had more

1082

00:47:53,130 --> 00:47:51,420

emotion the other ones did not send have

1083

00:47:54,990 --> 00:47:53,140

feelings like that

1084

00:47:57,300 --> 00:47:55,000

it was it very different very you know

1085

00:47:59,359 --> 00:47:57,310

when I say feelings these these hybrids

1086

00:48:02,310 --> 00:47:59,369

have a very complex profound

1087

00:48:06,329 --> 00:48:02,320

understanding of connection and it comes

1088

00:48:08,700 --> 00:48:06,339

from a place that is much more you that

1089

00:48:11,070 --> 00:48:08,710

is much more expansive more universal

1090

00:48:13,980 --> 00:48:11,080

it's like I recognize you that I come

1091

00:48:16,829 --> 00:48:13,990

from you but I am my own individual

1092

00:48:18,810 --> 00:48:16,839

organism of life and I'm here sharing

1093

00:48:21,359 --> 00:48:18,820

space with you that's the best way that

1094

00:48:23,220 --> 00:48:21,369

I can explain the kind of connection

1095

00:48:25,050 --> 00:48:23,230

that is occurring the transmitting of

1096

00:48:27,390 --> 00:48:25,060

information that's occurring between us

1097

00:48:29,310 --> 00:48:27,400

so that's kind of how it was so though

1098

00:48:33,079 --> 00:48:29,320

those are the four children that I was

1099

00:48:35,460 --> 00:48:33,089

presented in the flesh the other lights

1100

00:48:37,320 --> 00:48:35,470

disappeared because at that point I was

1101

00:48:38,910 --> 00:48:37,330

an emotional wreck you know I was

1102

00:48:40,470 --> 00:48:38,920

thinking oh my god these are our

1103

00:48:42,570 --> 00:48:40,480

children are those also my children

1104

00:48:45,870 --> 00:48:42,580

what's happening I'm going into a panic

1105

00:48:48,270 --> 00:48:45,880

at this point and the day so they

1106

00:48:51,150 --> 00:48:48,280

basically removed them out of my sight

1107

00:48:54,990 --> 00:48:51,160

and I'm back into the in this craft

1108

00:48:57,030 --> 00:48:55,000

looking at the last blue tray this

1109

00:48:58,940 --> 00:48:57,040

cubical tray this holographic tray

1110

00:49:01,800 --> 00:48:58,950

that's they bring in front of me and

1111

00:49:03,270 --> 00:49:01,810

from there comes out a planet the planet

1112

00:49:05,099 --> 00:49:03,280

Earth and they're like why are you

1113

00:49:06,930 --> 00:49:05,109

suffering this is what they're telling

1114

00:49:09,990 --> 00:49:06,940

me telepathically don't you understand

1115

00:49:12,089 --> 00:49:10,000

that we are all interconnected and what

1116

00:49:15,089 --> 00:49:12,099

they do next is they show me the planet

1117

00:49:17,490 --> 00:49:15,099

Earth they zoom into this field of

1118

00:49:20,220 --> 00:49:17,500

flowers and the field of flowers they

1119

00:49:22,800 --> 00:49:20,230

zoom in down to I guess you can say the

1120

00:49:26,339 --> 00:49:22,810

molecular level of that flower and they

1121

00:49:28,349 --> 00:49:26,349

show me what looks like the matrix what

1122

00:49:30,870 --> 00:49:28,359

we have seen what we have been shown in

1123

00:49:33,450 --> 00:49:30,880

the film the matrix these numbers these

1124

00:49:35,520 --> 00:49:33,460

sequences these algorithms that make up

1125

00:49:37,950 --> 00:49:35,530

this flower and they zoom out and they

1126
00:49:39,630 --> 00:49:37,960
show me a cityscape and the cityscape is

1127
00:49:41,430 --> 00:49:39,640
made out of the algorithms and numbers

1128
00:49:43,829 --> 00:49:41,440
and the only thing that's different from

1129
00:49:45,930 --> 00:49:43,839
that is that the humans have a certain

1130
00:49:48,030 --> 00:49:45,940
light within them some kind of a yellow

1131
00:49:49,740 --> 00:49:48,040
light at the center of their core so

1132
00:49:51,810 --> 00:49:49,750
they're showing me all of this to try to

1133
00:49:54,660 --> 00:49:51,820
help me comprehend that

1134
00:49:58,260 --> 00:49:54,670
are all that the only thing that is real

1135
00:49:59,940 --> 00:49:58,270
from all of this are the humans and they

1136
00:50:02,730 --> 00:49:59,950
take me after that it was a very

1137
00:50:07,170 --> 00:50:02,740
emotional kind of realization because

1138
00:50:09,210 --> 00:50:07,180

they take me I guess upon my return you

1139

00:50:11,550 --> 00:50:09,220

know there they they changed the space

1140

00:50:13,620 --> 00:50:11,560

of this environment into a nebula and

1141

00:50:15,450 --> 00:50:13,630

I'm feeling that I'm floating in this

1142

00:50:19,220 --> 00:50:15,460

nebula and I'm feeling the most

1143

00:50:21,750 --> 00:50:19,230

overpowering feeling of peace and

1144

00:50:24,210 --> 00:50:21,760

disconnect from anything in my life my

1145

00:50:28,350 --> 00:50:24,220

worries my stress my anxiety my family

1146

00:50:31,530 --> 00:50:28,360

my friends any kind of perceptions of my

1147

00:50:35,370 --> 00:50:31,540

role as a human playing the human life

1148

00:50:38,280 --> 00:50:35,380

role of that disappears and I am I just

1149

00:50:39,960 --> 00:50:38,290

feel this incredible peace you know and

1150

00:50:42,510 --> 00:50:39,970

I've always tried to recreate that in my

1151
00:50:44,520 --> 00:50:42,520
meditations and you know this nebula was

1152
00:50:46,220 --> 00:50:44,530
so amazing I use this in a lot of my

1153
00:50:48,720 --> 00:50:46,230
marketing now for my meditation practice

1154
00:50:52,380 --> 00:50:48,730
because it reminds me of that experience

1155
00:50:54,510 --> 00:50:52,390
and next thing you know I'm you know

1156
00:50:57,120 --> 00:50:54,520
basically opening my eyes upside down on

1157
00:51:00,510 --> 00:50:57,130
the side of my bed so that that is what

1158
00:51:04,140 --> 00:51:00,520
happened so you when you were four it's

1159
00:51:06,840 --> 00:51:04,150
like you were space walking right out in

1160
00:51:08,520 --> 00:51:06,850
space but without a spacesuit right

1161
00:51:10,440 --> 00:51:08,530
right that's what it felt like it's like

1162
00:51:13,020 --> 00:51:10,450
you're just basically hovering in the

1163
00:51:16,020 --> 00:51:13,030

middle of a nebula and it's that rainbow

1164

00:51:18,120 --> 00:51:16,030

nebula that's you know quite famous of

1165

00:51:19,410 --> 00:51:18,130

course you know that's not really what's

1166

00:51:20,790 --> 00:51:19,420

happening you know what's happening is

1167

00:51:22,560 --> 00:51:20,800

that they're taking things that you're

1168

00:51:24,030 --> 00:51:22,570

familiar with in your subconscious mind

1169

00:51:26,550 --> 00:51:24,040

and they're projecting you in front of

1170

00:51:29,640 --> 00:51:26,560

sure it's an artificial reality right

1171

00:51:32,670 --> 00:51:29,650

exactly you know but what's memory

1172

00:51:36,090 --> 00:51:32,680

memorable about that and what is that

1173

00:51:36,810 --> 00:51:36,100

feeling of being in infinite amount of

1174

00:51:39,030 --> 00:51:36,820

peace

1175

00:51:41,370 --> 00:51:39,040

it is just a replica you know unless

1176
00:51:43,050 --> 00:51:41,380
you've meditate a really long time you

1177
00:51:47,040 --> 00:51:43,060
won't understand what that means it was

1178
00:51:50,130 --> 00:51:47,050
powerful so you pick this up when we

1179
00:51:52,200 --> 00:51:50,140
come back after the break but the next

1180
00:51:54,450 --> 00:51:52,210
thing that you remember is you opening

1181
00:51:58,460 --> 00:51:54,460
up your eyes so they didn't like just

1182
00:52:00,720 --> 00:51:58,470
drop you off and kick you out of the car

1183
00:52:01,270 --> 00:52:00,730
they didn't pull over to the side of the

1184
00:52:03,930 --> 00:52:01,280
road

1185
00:52:06,940 --> 00:52:03,940
and leave you standing there you woke up

1186
00:52:09,420 --> 00:52:06,950
your eyes pop open in your bed at that

1187
00:52:13,210 --> 00:52:09,430
moment we've got one minute left

1188
00:52:17,350 --> 00:52:13,220

describe what you were thinking so first

1189

00:52:19,000 --> 00:52:17,360

of all it was nausea okay and confusion

1190

00:52:21,430 --> 00:52:19,010

and the first thing I did was I drew

1191

00:52:23,530 --> 00:52:21,440

down the symbols that I remembered from

1192

00:52:26,470 --> 00:52:23,540

what it went what I was shown the

1193

00:52:29,590 --> 00:52:26,480

writing and I filled three pages of that

1194

00:52:33,100 --> 00:52:29,600

in my notebook have you have you I know

1195

00:52:34,930 --> 00:52:33,110

you have have you shown it to well I put

1196

00:52:38,020 --> 00:52:34,940

it in my presentation but need something

1197

00:52:40,210 --> 00:52:38,030

interesting happened that you know what

1198

00:52:42,820 --> 00:52:40,220

happened is that I after all this

1199

00:52:44,290 --> 00:52:42,830

experience after I tried to show my

1200

00:52:46,840 --> 00:52:44,300

partner when I was in a relationship and

1201
00:52:48,340 --> 00:52:46,850
everything and I I was discouraged after

1202
00:52:50,410 --> 00:52:48,350
a couple of years because no one wanted

1203
00:52:52,600 --> 00:52:50,420
to hear my story basically in my family

1204
00:52:55,050 --> 00:52:52,610
they're like no don't talk about it and

1205
00:52:57,550 --> 00:52:55,060
I put that notebook in the garage and

1206
00:53:01,660 --> 00:52:57,560
next thing you know when I went back to

1207
00:53:03,010 --> 00:53:01,670
that in 2018 to make a presentation for

1208
00:53:05,920 --> 00:53:03,020
a conference that I had been asked to

1209
00:53:10,060 --> 00:53:05,930
speak to the pages were ripped out of

1210
00:53:11,910 --> 00:53:10,070
the notebook shut up no no I I really I

1211
00:53:16,450 --> 00:53:11,920
don't even know how to explain that but

1212
00:53:18,280 --> 00:53:16,460
I mean I cried because I was like what

1213
00:53:21,160 --> 00:53:18,290

happened I mean I was like cuz you know

1214

00:53:23,470 --> 00:53:21,170

I had moved but who's gonna remember

1215

00:53:26,590 --> 00:53:23,480

that that book even had those things you

1216

00:53:28,660 --> 00:53:26,600

know and so I don't even know how to

1217

00:53:29,980 --> 00:53:28,670

explain that but I recreated as much as

1218

00:53:32,230 --> 00:53:29,990

I can remember because again like I'm

1219

00:53:34,690 --> 00:53:32,240

telling you that experience is realer

1220

00:53:37,210 --> 00:53:34,700

than real life you know so everything in

1221

00:53:39,310 --> 00:53:37,220

detail I still remember and I was able

1222

00:53:42,670 --> 00:53:39,320

to recreate some of that which I do put

1223

00:53:45,340 --> 00:53:42,680

in my presentation I have shown some

1224

00:53:48,130 --> 00:53:45,350

some people that does translate light

1225

00:53:49,540 --> 00:53:48,140

language supposedly and what I have

1226
00:53:51,520 --> 00:53:49,550
found out in my own regression is that

1227
00:53:52,900 --> 00:53:51,530
this is basically telling me all of the

1228
00:53:55,630 --> 00:53:52,910
things that I was going to be privy to

1229
00:53:58,510 --> 00:53:55,640
in the regression with Alba yeah you

1230
00:54:00,190 --> 00:53:58,520
know that July in 2017 let's take our

1231
00:54:02,650 --> 00:54:00,200
break right here our guest tonight

1232
00:54:04,330 --> 00:54:02,660
Geraldine Orosco night one of our

1233
00:54:06,010 --> 00:54:04,340
amazing women week right here on fade to

1234
00:54:08,380 --> 00:54:06,020
black tomorrow night a know be strong

1235
00:54:11,230 --> 00:54:08,390
dear Wednesday night Kathleen Martin

1236
00:54:12,490 --> 00:54:11,240
Thursday night dr. linkit I will be

1237
00:54:16,060 --> 00:54:12,500
right back after this

1238
00:54:54,160 --> 00:54:51,180

[Music]

1239

00:54:56,300 --> 00:54:54,170

[Applause]

1240

00:54:57,410 --> 00:54:56,310

welcome back fade to black cameo

1241

00:55:02,740 --> 00:54:57,420

signature so you can follow me on

1242

00:55:07,580 --> 00:55:02,750

twitter at j radio and we have

1243

00:55:10,250 --> 00:55:07,590

Geraldine's legs up and it's at intro

1244

00:55:14,000 --> 00:55:10,260

alchemy right there in twitter you can

1245

00:55:19,720 --> 00:55:14,010

go and follow Geraldine now pretty

1246

00:55:22,310 --> 00:55:19,730

incredible experience to go through I

1247

00:55:22,970 --> 00:55:22,320

wanted to discuss obviously what happens

1248

00:55:28,850 --> 00:55:22,980

next

1249

00:55:32,240 --> 00:55:28,860

but for you panic hyperventilating where

1250

00:55:35,000 --> 00:55:32,250

you calm you know what was going through

1251
00:55:40,190 --> 00:55:35,010
your mind at that moment when you open

1252
00:55:42,950 --> 00:55:40,200
up your eyes at first I would say it was

1253
00:55:45,260 --> 00:55:42,960
a bit of panic I have to say you know I

1254
00:55:47,720 --> 00:55:45,270
felt nauseous my body felt so sore so I

1255
00:55:49,940 --> 00:55:47,730
was like what just happened to me and

1256
00:55:51,410 --> 00:55:49,950
but but I gotta tell you I mean I was

1257
00:55:53,840 --> 00:55:51,420
thinking you know there should be a book

1258
00:55:56,540 --> 00:55:53,850
on how to get abducted because you know

1259
00:55:59,120 --> 00:55:56,550
now looking back you know you have the

1260
00:56:01,520 --> 00:55:59,130
telltale signs of what to look for what

1261
00:56:03,710 --> 00:56:01,530
to kind of you know see and you know how

1262
00:56:05,450 --> 00:56:03,720
to experience and what to the signs that

1263
00:56:07,130 --> 00:56:05,460

you know I didn't know if I should look

1264

00:56:08,810 --> 00:56:07,140

at my body or anything like that so I

1265

00:56:11,960 --> 00:56:08,820

didn't look for marks I didn't look for

1266

00:56:14,090 --> 00:56:11,970

for anything to me it was just this

1267

00:56:16,100 --> 00:56:14,100

amazing experience that I had met these

1268

00:56:17,540 --> 00:56:16,110

children and I didn't know what to make

1269

00:56:21,050 --> 00:56:17,550

of it I didn't know what to think of it

1270

00:56:22,970 --> 00:56:21,060

I myself was not even sure if that was a

1271

00:56:24,620 --> 00:56:22,980

dream or I had really been abducted

1272

00:56:28,310 --> 00:56:24,630

because I hadn't heard about abduction

1273

00:56:32,240 --> 00:56:28,320

before Jimmy what time what time did the

1274

00:56:34,310 --> 00:56:32,250

clock say it was 333 when I left it was

1275

00:56:36,980 --> 00:56:34,320

six something when I got back say it's

1276
00:56:39,500 --> 00:56:36,990
probably six 20-something 625 I want to

1277
00:56:43,070 --> 00:56:39,510
say yeah some take that so that's how

1278
00:56:46,640 --> 00:56:43,080
much time do you think do you think that

1279
00:56:50,210 --> 00:56:46,650
you physically were transported or that

1280
00:56:52,070 --> 00:56:50,220
the craft moved I do believe I do

1281
00:56:54,980 --> 00:56:52,080
believe that it moved I believe that it

1282
00:56:57,530 --> 00:56:54,990
was there on top of my window I mean I

1283
00:57:00,140 --> 00:56:57,540
saw it with my own eyes sure brought in

1284
00:57:02,510 --> 00:57:00,150
and I was taken out and I believe that

1285
00:57:04,370 --> 00:57:02,520
we you know we were returned I was

1286
00:57:07,220 --> 00:57:04,380
returned you know to my to my bed

1287
00:57:08,990 --> 00:57:07,230
because how would I end up

1288
00:57:12,140 --> 00:57:09,000

down on the side of my bed and my bed

1289

00:57:14,900 --> 00:57:12,150

was open you know that I I'm a very I

1290

00:57:16,460 --> 00:57:14,910

said I don't move like that I'm not like

1291

00:57:18,050 --> 00:57:16,470

one of those crazy sleepers that move

1292

00:57:20,900 --> 00:57:18,060

around I don't have any sleeping

1293

00:57:24,830 --> 00:57:20,910

disorders of any kind you know so it

1294

00:57:27,109 --> 00:57:24,840

just doesn't happen now that was in

1295

00:57:30,190 --> 00:57:27,119

October of 2017

1296

00:57:34,790 --> 00:57:30,200

you had your regressions with Alba in

1297

00:57:38,840 --> 00:57:34,800

November 2013 he had your regressions

1298

00:57:44,140 --> 00:57:38,850

with Alba in 2017 and he said that there

1299

00:57:47,859 --> 00:57:44,150

was no contact between then and the

1300

00:57:52,010 --> 00:57:47,869

regressions have you had contact sense

1301

00:57:55,430 --> 00:57:52,020

yes okay so that'll be that's the next

1302

00:57:58,849 --> 00:57:55,440

phase of this conversation okay so so

1303

00:58:03,950 --> 00:57:58,859

okay we've got a four year gap there but

1304

00:58:05,359 --> 00:58:03,960

what happens next in your contact well

1305

00:58:07,580 --> 00:58:05,369

here's the thing that I would I want to

1306

00:58:10,010 --> 00:58:07,590

say I mean whether I had contact during

1307

00:58:12,440 --> 00:58:10,020

those years I'm telling you I had

1308

00:58:15,500 --> 00:58:12,450

miscarriages so the question the answer

1309

00:58:18,020 --> 00:58:15,510

is I had contact and I just wasn't

1310

00:58:23,780 --> 00:58:18,030

conscious of it right right right

1311

00:58:25,700 --> 00:58:23,790

and but my contact now since then and I

1312

00:58:28,160 --> 00:58:25,710

should say since I've been public with

1313

00:58:31,910 --> 00:58:28,170

this since I began to speak has been a

1314

00:58:36,830 --> 00:58:31,920

different kind Jimmy you know my contact

1315

00:58:39,410 --> 00:58:36,840

has been aware of the et presence more

1316

00:58:41,900 --> 00:58:39,420

than ever it's almost as if as I purify

1317

00:58:44,150 --> 00:58:41,910

my body more and more things happened I

1318

00:58:46,910 --> 00:58:44,160

had a near-death experience at the

1319

00:58:49,970 --> 00:58:46,920

beginning of last year and that opened

1320

00:58:52,370 --> 00:58:49,980

my senses once again to another level in

1321

00:58:55,099 --> 00:58:52,380

which not only did I start speaking

1322

00:58:56,480 --> 00:58:55,109

light language for those of you that

1323

00:58:59,510 --> 00:58:56,490

don't know what light language is the

1324

00:59:04,580 --> 00:58:59,520

best way I can explain it is basically I

1325

00:59:06,470 --> 00:59:04,590

guess next you know an alien dialect is

1326

00:59:08,090 --> 00:59:06,480

is what I what I'm talking about it's

1327

00:59:09,920 --> 00:59:08,100

like vibrational frequency that you

1328

00:59:11,540 --> 00:59:09,930

speaking I didn't know what that was when

1329

00:59:15,200 --> 00:59:11,550

that happened to me either

1330

00:59:17,599 --> 00:59:15,210

and I also started to work and see

1331

00:59:20,060 --> 00:59:17,609

holographically when I was working with

1332

00:59:22,490 --> 00:59:20,070

my patients with my clients

1333

00:59:24,050 --> 00:59:22,500

meaning that I could see the body on a

1334

00:59:28,340 --> 00:59:24,060

holographic level work with their

1335

00:59:30,590 --> 00:59:28,350

chakras so that was not contact but what

1336

00:59:35,060 --> 00:59:30,600

happened after that is interesting and

1337

00:59:36,410 --> 00:59:35,070

my contact change to military abduction

1338

00:59:38,870 --> 00:59:36,420

now okay

1339

00:59:41,240 --> 00:59:38,880

so again I don't I'd never knew what

1340

00:59:43,520 --> 00:59:41,250

that was prior to this occurring but I

1341

00:59:47,510 --> 00:59:43,530

was speaking at a conference in Colorado

1342

00:59:51,620 --> 00:59:47,520

and one evening at my arrival at that

1343

00:59:54,610 --> 00:59:51,630

conference I got taken at for something

1344

00:59:56,510 --> 00:59:54,620

in the morning to an underground base

1345

00:59:58,370 --> 00:59:56,520

and this is a very interesting

1346

01:00:00,110 --> 00:59:58,380

experience because it involves two other

1347

01:00:04,220 --> 01:00:00,120

people that were there in the room with

1348

01:00:06,320 --> 01:00:04,230

me okay okay and so what happens is I

1349

01:00:10,600 --> 01:00:06,330

wake up with a nightmare supposedly my

1350

01:00:14,540 --> 01:00:10,610

nightmare is that this this grey alien

1351
01:00:16,580 --> 01:00:14,550
has grey hands and is injecting into my

1352
01:00:18,980 --> 01:00:16,590
right arm with a syringe a very large

1353
01:00:21,410 --> 01:00:18,990
yellow liquid syringe into my arm and

1354
01:00:23,570 --> 01:00:21,420
I'm basically being held down and I'm

1355
01:00:27,290 --> 01:00:23,580
screaming no no no you know don't take

1356
01:00:28,760 --> 01:00:27,300
me don't don't do that and I wake up and

1357
01:00:30,980 --> 01:00:28,770
when I wake up I'm screaming out

1358
01:00:32,390 --> 01:00:30,990
something I yell out something and so I

1359
01:00:34,100 --> 01:00:32,400
was so embarrassed because I'm sharing

1360
01:00:36,980 --> 01:00:34,110
the room with another person next to me

1361
01:00:39,020 --> 01:00:36,990
and one person underneath me in the bunk

1362
01:00:41,450 --> 01:00:39,030
bed this is an Airbnb that we had that

1363
01:00:44,740 --> 01:00:41,460

they had hired for us since we're

1364

01:00:47,180 --> 01:00:44,750

speaking at that conference and you know

1365

01:00:50,000 --> 01:00:47,190

what I would I notice is that my sweater

1366

01:00:51,680 --> 01:00:50,010

is wet it's soaking wet the whole front

1367

01:00:53,420 --> 01:00:51,690

of the sweater is soaking wet and has

1368

01:00:55,880 --> 01:00:53,430

kind of like a cowl-neck so it's like

1369

01:00:57,770 --> 01:00:55,890

two layers of wet and I'm like how did

1370

01:00:59,600 --> 01:00:57,780

that happen and it's like a circle it's

1371

01:01:02,540 --> 01:00:59,610

not like the entire sweater is wet

1372

01:01:04,400 --> 01:01:02,550

so anyway I'm exhausted we had just

1373

01:01:06,410 --> 01:01:04,410

driven from Las Vegas all the way to

1374

01:01:08,750 --> 01:01:06,420

Colorado I'm dead and I have to speak

1375

01:01:10,460 --> 01:01:08,760

the next day so I was dead and I wanted

1376

01:01:12,380 --> 01:01:10,470

to just go to bed and I thought it was

1377

01:01:14,000 --> 01:01:12,390

just a bad dream so I pick up another

1378

01:01:17,450 --> 01:01:14,010

sweater I changed my sweater I go back

1379

01:01:20,270 --> 01:01:17,460

to sleep that next Sunday when we were

1380

01:01:22,010 --> 01:01:20,280

driving back home to Las Vegas I'm in

1381

01:01:24,170 --> 01:01:22,020

the car and I'm talking to one of the

1382

01:01:26,150 --> 01:01:24,180

girls that was with me and I'm telling

1383

01:01:27,620 --> 01:01:26,160

her hey you know I lost the other night

1384

01:01:29,210 --> 01:01:27,630

had a nightmare do you recall that she

1385

01:01:30,620 --> 01:01:29,220

said yeah you know you yelled you woke

1386

01:01:31,280 --> 01:01:30,630

up and yelled something I actually woke

1387

01:01:35,600 --> 01:01:31,290

up

1388

01:01:37,100 --> 01:01:35,610

having a dream about you and I said oh

1389

01:01:38,750 --> 01:01:37,110

interesting what were you dreaming about

1390

01:01:41,750 --> 01:01:38,760

so she begins to tell me

1391

01:01:44,930 --> 01:01:41,760

basically my dream that we are being

1392

01:01:47,390 --> 01:01:44,940

strapped down on these kind of a dentist

1393

01:01:48,920 --> 01:01:47,400

type of chair but it's more like a seat

1394

01:01:51,590 --> 01:01:48,930

it's not like something that you lay on

1395

01:01:56,150 --> 01:01:51,600

and I'm being injected and there's this

1396

01:01:58,490 --> 01:01:56,160

ET being in front of me and so you know

1397

01:02:00,320 --> 01:01:58,500

I I get obviously I you know my stomach

1398

01:02:04,160 --> 01:02:00,330

drops and she starts to tell me that and

1399

01:02:05,990 --> 01:02:04,170

we end up having the exact same dream it

1400

01:02:09,200 --> 01:02:06,000

turns out that we both get regressed and

1401

01:02:12,830 --> 01:02:09,210

indeed it was a my lab military

1402

01:02:15,200 --> 01:02:12,840

abduction my lab which we get taken to

1403

01:02:17,900 --> 01:02:15,210

an underground base in Colorado and we

1404

01:02:20,390 --> 01:02:17,910

are injected and implanted and the back

1405

01:02:23,390 --> 01:02:20,400

so the interesting thing is at my back

1406

01:02:26,480 --> 01:02:23,400

my back was hurting so bad that I could

1407

01:02:28,520 --> 01:02:26,490

not walk for the next three months I

1408

01:02:31,090 --> 01:02:28,530

couldn't I do yoga everyday I couldn't

1409

01:02:34,670 --> 01:02:31,100

do yoga you know I couldn't do anything

1410

01:02:40,030 --> 01:02:34,680

and I and you know I had these little

1411

01:02:44,750 --> 01:02:43,040

you know it was just it was it was

1412

01:02:46,640 --> 01:02:44,760

pretty amazing but what makes that

1413

01:02:48,740 --> 01:02:46,650

amazing is that a couple months later I

1414

01:02:50,750 --> 01:02:48,750

was speaking at another conference and I

1415

01:02:52,940 --> 01:02:50,760

run into the other lady that we saw in

1416

01:02:57,350 --> 01:02:52,950

the regression that had also been taken

1417

01:02:59,090 --> 01:02:57,360

and when I go up to her I never knew her

1418

01:03:01,640 --> 01:02:59,100

before this you know I never really met

1419

01:03:03,050 --> 01:03:01,650

her formally but I said hi she's like hi

1420

01:03:04,790 --> 01:03:03,060

do you remember me and I said you know

1421

01:03:06,740 --> 01:03:04,800

do you remember what happened and he I

1422

01:03:09,380 --> 01:03:06,750

mean I asked her do you recall anything

1423

01:03:13,430 --> 01:03:09,390

that occurred that night and she's like

1424

01:03:15,530 --> 01:03:13,440

oh yes are you white van she says to me

1425

01:03:17,630 --> 01:03:15,540

do you recall that white van and at that

1426

01:03:19,850 --> 01:03:17,640

moment I mean I had a chill sent down my

1427

01:03:22,400 --> 01:03:19,860

spine because what happened is that we

1428

01:03:23,900 --> 01:03:22,410

had been taken out of the Airbnb we had

1429

01:03:26,390 --> 01:03:23,910

been put into a white van

1430

01:03:28,760 --> 01:03:26,400

we had been taken 15 minutes out into

1431

01:03:31,190 --> 01:03:28,770

this open field in Colorado in the

1432

01:03:32,720 --> 01:03:31,200

middle of nowhere we were at UFO Highway

1433

01:03:36,860 --> 01:03:32,730

I don't know if some of you know where

1434

01:03:41,090 --> 01:03:36,870

that is it's an Moffett it's by Moffett

1435

01:03:44,750 --> 01:03:41,100

Colorado and we were taken 25 floors

1436

01:03:46,700 --> 01:03:44,760

underground and I mean there was two

1437

01:03:48,260 --> 01:03:46,710

it was horrible you know she was taken

1438

01:03:49,910 --> 01:03:48,270

one direction I was taking another

1439

01:03:52,040 --> 01:03:49,920

direction with this other woman we were

1440

01:03:56,420 --> 01:03:52,050

taken down eight floors further down

1441

01:03:58,040 --> 01:03:56,430

into this room you know and I and I go

1442

01:04:01,190 --> 01:03:58,050

really deep into this in that regression

1443

01:04:02,720 --> 01:04:01,200

but it was pretty traumatizing Jimmy and

1444

01:04:05,150 --> 01:04:02,730

after that it kind of took me on a

1445

01:04:07,820 --> 01:04:05,160

different understanding that these

1446

01:04:09,770 --> 01:04:07,830

things are not only extraterrestrial

1447

01:04:13,630 --> 01:04:09,780

they're also happening terrestrially

1448

01:04:17,060 --> 01:04:13,640

okay let's let's kind of specifics here

1449

01:04:20,510 --> 01:04:17,070

with this because saying that it's a

1450

01:04:25,120 --> 01:04:20,520

military abduction you know a white a

1451
01:04:31,340 --> 01:04:25,130
white van I almost said white Chevy van

1452
01:04:34,010 --> 01:04:31,350
it's an old song from the 70s but you're

1453
01:04:37,850 --> 01:04:34,020
you're taken in a white word there

1454
01:04:40,520 --> 01:04:37,860
military personnel in uniform around you

1455
01:04:45,650 --> 01:04:40,530
you mentioned a gray doing the injection

1456
01:04:47,750 --> 01:04:45,660
of the yellow with this syringe but did

1457
01:04:50,090 --> 01:04:47,760
you see military personnel around you

1458
01:04:52,970 --> 01:04:50,100
yeah thank you for bringing that up of

1459
01:04:57,710 --> 01:04:52,980
course so let me clarify when we did the

1460
01:05:01,010 --> 01:04:57,720
regression it was military the men that

1461
01:05:05,360 --> 01:05:01,020
took us out of the room were wearing

1462
01:05:09,280 --> 01:05:05,370
all-black military clothing they had

1463
01:05:11,510 --> 01:05:09,290

military boots you know they had no

1464

01:05:13,430 --> 01:05:11,520

insignias or anything on their body it

1465

01:05:17,060 --> 01:05:13,440

was just black completely black with

1466

01:05:19,280 --> 01:05:17,070

with hats and you know they had these

1467

01:05:20,900 --> 01:05:19,290

belts with with things on them I don't

1468

01:05:22,130 --> 01:05:20,910

know what what things they had on their

1469

01:05:24,640 --> 01:05:22,140

belts but they were like heavily

1470

01:05:27,410 --> 01:05:24,650

something belts with stuff on it and

1471

01:05:29,390 --> 01:05:27,420

when we were taken down so so in the

1472

01:05:31,670 --> 01:05:29,400

dream so this is what happens the dream

1473

01:05:35,270 --> 01:05:31,680

shows me a gray alien that's coming

1474

01:05:38,990 --> 01:05:35,280

towards me with an injection and in the

1475

01:05:41,870 --> 01:05:39,000

regression as I'm in front of this being

1476

01:05:44,990 --> 01:05:41,880

all of a sudden the image of his gray

1477

01:05:48,170 --> 01:05:45,000

face no fades away and it is actually

1478

01:05:50,090 --> 01:05:48,180

hands of a man so if this is a now a man

1479

01:05:52,010 --> 01:05:50,100

so what happens is that their technology

1480

01:05:53,720 --> 01:05:52,020

is quite advanced and this is important

1481

01:05:55,760 --> 01:05:53,730

to note for those of you that have had

1482

01:05:58,070 --> 01:05:55,770

abduction experiences or contact

1483

01:06:00,800 --> 01:05:58,080

experiences that a lot of times

1484

01:06:02,840 --> 01:06:00,810

these beings are screening they're using

1485

01:06:04,910 --> 01:06:02,850

technology to screen themselves and

1486

01:06:06,530 --> 01:06:04,920

change you know the way that you are

1487

01:06:09,230 --> 01:06:06,540

experiencing something or how you're

1488

01:06:10,790 --> 01:06:09,240

seeing it how you're recalling it and so

1489

01:06:12,830 --> 01:06:10,800

what they'll do is they'll put a screen

1490

01:06:16,790 --> 01:06:12,840

image of something in this case they put

1491

01:06:18,890 --> 01:06:16,800

it a lien and a gray and what it is

1492

01:06:22,370 --> 01:06:18,900

really is that it's a some kind of a

1493

01:06:24,320 --> 01:06:22,380

doctor or a medical you know personnel

1494

01:06:28,880 --> 01:06:24,330

that's actually injecting me in that

1495

01:06:30,590 --> 01:06:28,890

underground base i when we get taken

1496

01:06:34,130 --> 01:06:30,600

down to that underground base I'm

1497

01:06:37,190 --> 01:06:34,140

undressed completely naked I'm washed

1498

01:06:39,560 --> 01:06:37,200

down in something that looks like you

1499

01:06:43,130 --> 01:06:39,570

know one of those walk-in showers I'm

1500

01:06:45,440 --> 01:06:43,140

being put onto these basically like a

1501

01:06:48,320 --> 01:06:45,450

wheelchair taken into the room next door

1502

01:06:51,380 --> 01:06:48,330

the room next door has a gigantic window

1503

01:06:53,900 --> 01:06:51,390

in the back that's going into some kind

1504

01:06:57,020 --> 01:06:53,910

of a control room on another side has a

1505

01:07:00,520 --> 01:06:57,030

mirror and this room has four different

1506

01:07:03,080 --> 01:07:00,530

of these little chairs that are

1507

01:07:05,090 --> 01:07:03,090

basically like what do they look like

1508

01:07:07,610 --> 01:07:05,100

they look like stools but they have a

1509

01:07:09,860 --> 01:07:07,620

long back which attaches to the back

1510

01:07:12,260 --> 01:07:09,870

with these you know these clamps

1511

01:07:13,340 --> 01:07:12,270

it has clamps for the arms and has

1512

01:07:15,590 --> 01:07:13,350

clamps for the legs

1513

01:07:18,140 --> 01:07:15,600

so we're sat down on there with

1514

01:07:20,780 --> 01:07:18,150

something that looks like it looks like

1515

01:07:23,090 --> 01:07:20,790

one of those you know hospital gowns but

1516

01:07:25,370 --> 01:07:23,100

they're very small and they're barely

1517

01:07:27,410 --> 01:07:25,380

covering the body so I'm naked the other

1518

01:07:32,120 --> 01:07:27,420

woman is naked and she's sitting to my

1519

01:07:35,960 --> 01:07:32,130

right you know it was 25 floors down

1520

01:07:37,610 --> 01:07:35,970

yeah in the regression you know I the

1521

01:07:40,010 --> 01:07:37,620

thing about me is that what what I

1522

01:07:42,560 --> 01:07:40,020

happen is that because I think it's

1523

01:07:46,190 --> 01:07:42,570

because I meditate a lot that I work on

1524

01:07:49,520 --> 01:07:46,200

my consciousness so I really try to

1525

01:07:53,540 --> 01:07:49,530

focus on having a photographic memory

1526
01:07:58,040 --> 01:07:53,550
and when I'm being taken down we arrive

1527
01:08:00,140 --> 01:07:58,050
when that when the when the elevator so

1528
01:08:02,630 --> 01:08:00,150
let me take you back we're going in the

1529
01:08:05,120 --> 01:08:02,640
field the field opens up these two doors

1530
01:08:07,910 --> 01:08:05,130
on the floor next to a power line which

1531
01:08:09,500 --> 01:08:07,920
is to the right of this entrance we go

1532
01:08:11,060 --> 01:08:09,510
into something that looks like a cage

1533
01:08:11,660 --> 01:08:11,070
that the best thing I can describe one

1534
01:08:13,309 --> 01:08:11,670
of those my

1535
01:08:15,079 --> 01:08:13,319
you know how the miners they have those

1536
01:08:17,209 --> 01:08:15,089
cage elevators that will take you down

1537
01:08:20,570 --> 01:08:17,219
it's just like that so that the van goes

1538
01:08:23,479 --> 01:08:20,580

into this cage it drops down the the

1539

01:08:24,530 --> 01:08:23,489

lids or those doors close above us and

1540

01:08:26,329 --> 01:08:24,540

it's pitch dark

1541

01:08:29,450 --> 01:08:26,339

we're taken all the way down to this

1542

01:08:33,709 --> 01:08:29,460

first area and it was 25 floors that I'm

1543

01:08:35,720 --> 01:08:33,719

seeing we're going down and when we get

1544

01:08:39,019 --> 01:08:35,730

to that landing area one of the women

1545

01:08:40,039 --> 01:08:39,029

get taken out to the left into this

1546

01:08:42,709 --> 01:08:40,049

something that looks like a hospital

1547

01:08:43,910 --> 01:08:42,719

with large hallways and lights it

1548

01:08:45,709 --> 01:08:43,920

literally looks like a hospital I'm

1549

01:08:47,479 --> 01:08:45,719

seeing little panels on the walls I'm

1550

01:08:51,380 --> 01:08:47,489

seeing their lights the dim lights that

1551
01:08:54,680 --> 01:08:51,390
are like typical of underground bases

1552
01:08:58,490 --> 01:08:54,690
underground you know spaces they're dim

1553
01:09:00,590 --> 01:08:58,500
yellowish lights and it's very musky

1554
01:09:03,709 --> 01:09:00,600
it's like you know there's not a lot of

1555
01:09:05,479 --> 01:09:03,719
air and then we're taking and another

1556
01:09:08,570 --> 01:09:05,489
thing I don't want to know does that you

1557
01:09:10,939 --> 01:09:08,580
can see the rock you know rock or ground

1558
01:09:12,890 --> 01:09:10,949
the wall half of the walls ground half

1559
01:09:16,160 --> 01:09:12,900
of the wall is actually like you know an

1560
01:09:18,079 --> 01:09:16,170
actual wall finished wall and we get

1561
01:09:20,300 --> 01:09:18,089
taken to the right to another elevator

1562
01:09:22,340 --> 01:09:20,310
that takes us eight floors further down

1563
01:09:25,220 --> 01:09:22,350

and when we get to the very last eighth

1564

01:09:27,439 --> 01:09:25,230

floor there they take us to the left and

1565

01:09:30,620 --> 01:09:27,449

it take us down long hallway and this

1566

01:09:33,849 --> 01:09:30,630

looks like like a hospital the doors

1567

01:09:37,789 --> 01:09:33,859

have little windows on them with those

1568

01:09:39,829 --> 01:09:37,799

little what it's like not like bars but

1569

01:09:41,840 --> 01:09:39,839

you know that glass I guess I don't know

1570

01:09:44,900 --> 01:09:41,850

if it's like bulletproof or something

1571

01:09:48,019 --> 01:09:44,910

like that it has those little lines on

1572

01:09:50,240 --> 01:09:48,029

them so so you know I'm taking it to

1573

01:09:53,959 --> 01:09:50,250

this room where it's like it's blue tile

1574

01:09:55,130 --> 01:09:53,969

blue yucky tile and they have a drain in

1575

01:09:57,919 --> 01:09:55,140

the middle and they have these shower

1576
01:10:01,640 --> 01:09:57,929
heads above and they basically wash our

1577
01:10:02,720 --> 01:10:01,650
body and they take our clothes off take

1578
01:10:04,970 --> 01:10:02,730
our clothes off wash our body and then

1579
01:10:07,479 --> 01:10:04,980
they take us into the room next door so

1580
01:10:10,310 --> 01:10:07,489
when we're being placed on these little

1581
01:10:12,080 --> 01:10:10,320
chairs they're clamping our ankles and

1582
01:10:15,439 --> 01:10:12,090
our hands and basically inserting into

1583
01:10:17,510 --> 01:10:15,449
our body so in any case this experience

1584
01:10:20,390 --> 01:10:17,520
was pretty traumatic I mean I had marks

1585
01:10:22,880 --> 01:10:20,400
on my right arm from the injection and I

1586
01:10:23,070 --> 01:10:22,890
had the marks on my lower back and in

1587
01:10:25,440 --> 01:10:23,080
the

1588
01:10:27,090 --> 01:10:25,450

regression I go deep into looking I'm

1589

01:10:29,010 --> 01:10:27,100

very consciously aware of what's

1590

01:10:30,930 --> 01:10:29,020

happening okay so I'm seeing the

1591

01:10:33,270 --> 01:10:30,940

screening removed in the in the

1592

01:10:33,750 --> 01:10:33,280

regression so now I see the man that's

1593

01:10:37,470 --> 01:10:33,760

there

1594

01:10:38,940 --> 01:10:37,480

I see his his his medical clothing that

1595

01:10:41,310 --> 01:10:38,950

he's wearing and to the left I'm seeing

1596

01:10:43,800 --> 01:10:41,320

his assistance I'm seeing them hold me

1597

01:10:46,860 --> 01:10:43,810

down I'm seeing the other girl lady

1598

01:10:48,750 --> 01:10:46,870

being put down as well she's completely

1599

01:10:51,300 --> 01:10:48,760

unconscious looking at me with her mouth

1600

01:10:55,140 --> 01:10:51,310

open basically saliva dripping from her

1601
01:10:57,810 --> 01:10:55,150
mouth and you know traumatic wow this

1602
01:11:00,450 --> 01:10:57,820
it's quite traumatic I might have to

1603
01:11:01,950 --> 01:11:00,460
tell you you know it was really hard it

1604
01:11:04,500 --> 01:11:01,960
was hard to kind of recover from that

1605
01:11:08,580 --> 01:11:04,510
because I did not see that company well

1606
01:11:10,950 --> 01:11:08,590
moffat is is in the middle of nowhere

1607
01:11:13,410 --> 01:11:10,960
you know it's way south of Denver

1608
01:11:17,400 --> 01:11:13,420
southwest of Colorado Springs in the

1609
01:11:22,020 --> 01:11:17,410
middle of absolute nothingness this

1610
01:11:24,120 --> 01:11:22,030
field so are you in a general sense are

1611
01:11:27,930 --> 01:11:24,130
you guessing that it was it must have

1612
01:11:30,180 --> 01:11:27,940
been close you know around the it's not

1613
01:11:34,200 --> 01:11:30,190

even a town Moffett is you know it's

1614

01:11:38,340 --> 01:11:34,210

just a few houses but it was in that

1615

01:11:39,870 --> 01:11:38,350

general area yes absolutely and I have

1616

01:11:41,580 --> 01:11:39,880

been doing a lot of research on this

1617

01:11:44,580 --> 01:11:41,590

because I'm writing about this in my

1618

01:11:46,260 --> 01:11:44,590

book because this is you know we're

1619

01:11:48,120 --> 01:11:46,270

talking about an underground base there

1620

01:11:50,190 --> 01:11:48,130

are several underground bases there in

1621

01:11:52,050 --> 01:11:50,200

that area and one of the things that I

1622

01:11:53,880 --> 01:11:52,060

saw in my regression is that this is

1623

01:11:56,640 --> 01:11:53,890

actually taking place at the biological

1624

01:11:58,410 --> 01:11:56,650

nuclear Defense Department it's managed

1625

01:12:03,750 --> 01:11:58,420

by the biological nuclear Defense

1626

01:12:05,960 --> 01:12:03,760

Department you know and so there there

1627

01:12:08,340 --> 01:12:05,970

are many bases under an underground that

1628

01:12:09,990 --> 01:12:08,350

underground bases in that space and one

1629

01:12:12,210 --> 01:12:10,000

of the largest underground bases is

1630

01:12:14,760 --> 01:12:12,220

north of that north of that place as

1631

01:12:18,570 --> 01:12:14,770

well and you know a lot of these are

1632

01:12:20,340 --> 01:12:18,580

connected by tunnels you know so this

1633

01:12:22,740 --> 01:12:20,350

was in the middle of nowhere there's no

1634

01:12:24,030 --> 01:12:22,750

main entrance we're talking about a door

1635

01:12:26,580 --> 01:12:24,040

that opens up in the field that looks

1636

01:12:29,520 --> 01:12:26,590

like an electrical door next to a power

1637

01:12:31,470 --> 01:12:29,530

line you know and you're basically being

1638

01:12:33,420 --> 01:12:31,480

taken down there and I have been

1639

01:12:35,970 --> 01:12:33,430
spending tremendous amount of time with

1640

01:12:37,500 --> 01:12:35,980
Google Earth to figure out you know

1641

01:12:39,870 --> 01:12:37,510
exactly where the hell they took me

1642

01:12:42,479 --> 01:12:39,880
because I know it was 15 minutes it was

1643

01:12:44,250 --> 01:12:42,489
a 15-minute car ride from where we were

1644

01:12:46,110 --> 01:12:44,260
we were staying at an Airbnb that was

1645

01:12:48,390 --> 01:12:46,120
close to the mountain they took us out

1646

01:12:51,450 --> 01:12:48,400
in the middle of nowhere in a field so

1647

01:12:53,160 --> 01:12:51,460
you know and this is next to UFO

1648

01:12:56,660 --> 01:12:53,170
Watchtower that's where we were already

1649

01:13:00,270 --> 01:12:56,670
speaking right right right right

1650

01:13:01,800 --> 01:13:00,280
County yeah so so you know this is a

1651
01:13:03,390 --> 01:13:01,810
whole different thing but what I what I

1652
01:13:06,090 --> 01:13:03,400
want to say is that the reason why they

1653
01:13:08,130 --> 01:13:06,100
took me down there is to take another

1654
01:13:11,010 --> 01:13:08,140
form of genetic material which comes

1655
01:13:13,620 --> 01:13:11,020
from the spine okay so this was this was

1656
01:13:16,620 --> 01:13:13,630
something that you can call a spinal tap

1657
01:13:18,390 --> 01:13:16,630
that they take information and the pain

1658
01:13:19,850 --> 01:13:18,400
that I experienced for the next three

1659
01:13:22,140 --> 01:13:19,860
months from that experience was

1660
01:13:24,270 --> 01:13:22,150
excruciating I mean I couldn't even bend

1661
01:13:29,460 --> 01:13:24,280
over slightly I felt like my back was

1662
01:13:31,770 --> 01:13:29,470
gonna crack in half you know so what

1663
01:13:36,020 --> 01:13:31,780

happens is that a little bit later after

1664

01:13:38,310 --> 01:13:36,030

that my aunt has similar experience okay

1665

01:13:41,130 --> 01:13:38,320

she's a contact II as well she lives

1666

01:13:44,520 --> 01:13:41,140

here in Latin Livermore and she had the

1667

01:13:47,250 --> 01:13:44,530

same experience where she had the dream

1668

01:13:49,080 --> 01:13:47,260

of being taken by these beings that are

1669

01:13:52,620 --> 01:13:49,090

injecting something into her body in her

1670

01:13:55,200 --> 01:13:52,630

back in her neck and next thing you know

1671

01:13:58,160 --> 01:13:55,210

it's 4:00 in the morning she's crawling

1672

01:14:01,800 --> 01:13:58,170

to the toilet - I'm sorry you know to

1673

01:14:04,080 --> 01:14:01,810

release herself and she ends up at the

1674

01:14:07,740 --> 01:14:04,090

hospital next couple hours she goes to

1675

01:14:09,810 --> 01:14:07,750

the hospital the doctors do every test

1676

01:14:11,610 --> 01:14:09,820

possible they think it's pneumonia they

1677

01:14:14,160 --> 01:14:11,620

give her four different kinds of

1678

01:14:15,750 --> 01:14:14,170

antibiotics in three days she's

1679

01:14:17,580 --> 01:14:15,760

absolutely fine the doctor doesn't know

1680

01:14:20,729 --> 01:14:17,590

what happened to her but she had this

1681

01:14:22,740 --> 01:14:20,739

dream or this experience right before

1682

01:14:24,510 --> 01:14:22,750

that happened and she has her husband

1683

01:14:26,910 --> 01:14:24,520

that's sleeping next to her and her

1684

01:14:27,990 --> 01:14:26,920

husband you know obviously he can't he

1685

01:14:31,050 --> 01:14:28,000

doesn't know what to do with that kind

1686

01:14:32,670 --> 01:14:31,060

of a experience you know so but when I

1687

01:14:35,250 --> 01:14:32,680

hear this from her and I was there at

1688

01:14:39,360 --> 01:14:35,260

the hospital her her neck was swollen

1689

01:14:41,030 --> 01:14:39,370

like a like a softball in the back of

1690

01:14:45,030 --> 01:14:41,040

her neck reports that were they

1691

01:14:46,740 --> 01:14:45,040

extracting fluid from your back yes so

1692

01:14:48,660 --> 01:14:46,750

what happens is that the information

1693

01:14:51,720 --> 01:14:48,670

that they take so that spinal

1694

01:14:53,760 --> 01:14:51,730

court holds the purest form of genetic

1695

01:14:55,500 --> 01:14:53,770

material for the body because the spine

1696

01:14:58,770 --> 01:14:55,510

is actually the first thing that is

1697

01:15:01,410 --> 01:14:58,780

being created when you're born so it

1698

01:15:03,960 --> 01:15:01,420

holds like all of the main information

1699

01:15:08,610 --> 01:15:03,970

that your organism needs connected to

1700

01:15:10,980 --> 01:15:08,620

the brain right so this is basically if

1701

01:15:12,600 --> 01:15:10,990

if anyone was to replicate someone to

1702

01:15:14,100 --> 01:15:12,610

make a clone out of someone this is

1703

01:15:15,960 --> 01:15:14,110

where you would want to use this

1704

01:15:17,910 --> 01:15:15,970

information you take it from the spine

1705

01:15:20,850 --> 01:15:17,920

and so that's exactly what they're doing

1706

01:15:22,080 --> 01:15:20,860

in this program and of course the

1707

01:15:25,500 --> 01:15:22,090

regressor and I was being able to

1708

01:15:27,780 --> 01:15:25,510

understand that because I was I

1709

01:15:30,420 --> 01:15:27,790

identified the personnel that was in

1710

01:15:33,210 --> 01:15:30,430

charge of the program and you know what

1711

01:15:35,190 --> 01:15:33,220

they're doing with that information and

1712

01:15:38,010 --> 01:15:35,200

you know what it comes out to be is that

1713

01:15:41,310 --> 01:15:38,020

they are also creating a hybrid program

1714

01:15:45,020 --> 01:15:41,320

but this is more like a cloning of a

1715

01:15:49,050 --> 01:15:45,030

cloning human cloning kind of a program

1716

01:15:53,370 --> 01:15:49,060

what do you feel I recognize a

1717

01:15:57,120 --> 01:15:53,380

connection to what happened back in 2013

1718

01:16:01,050 --> 01:15:57,130

they knew who you were and where you are

1719

01:16:04,410 --> 01:16:01,060

where you were going to be and was this

1720

01:16:08,850 --> 01:16:04,420

like how can I say this was this like a

1721

01:16:10,620 --> 01:16:08,860

check-up right yeah you know I mean I

1722

01:16:12,540 --> 01:16:10,630

guess you could you could call it a

1723

01:16:15,990 --> 01:16:12,550

checkup but the question is to what end

1724

01:16:17,400 --> 01:16:16,000

and what time do they take people you

1725

01:16:19,170 --> 01:16:17,410

know and and here's what I have

1726

01:16:21,960 --> 01:16:19,180

understood from my experiences I mean

1727

01:16:24,540 --> 01:16:21,970

when we're gonna go through this but I

1728

01:16:26,160 --> 01:16:24,550

am a lifelong abductee I have had my

1729

01:16:28,590 --> 01:16:26,170

first experience happen when I was five

1730

01:16:30,770 --> 01:16:28,600

years old and when in that experience I

1731

01:16:33,960 --> 01:16:30,780

was implanted with technology that

1732

01:16:37,530 --> 01:16:33,970

prepared my body for the hybridization

1733

01:16:41,070 --> 01:16:37,540

program for a lifelong hybridization you

1734

01:16:43,740 --> 01:16:41,080

know participation so I've had many

1735

01:16:45,600 --> 01:16:43,750

abduction experiences at different ages

1736

01:16:48,480 --> 01:16:45,610

different stages of my life which are

1737

01:16:51,420 --> 01:16:48,490

are you know those types of checkups and

1738

01:16:54,020 --> 01:16:51,430

my experiences are different I have 24

1739

01:16:57,450 --> 01:16:54,030

hybrid children in three now four

1740

01:17:00,590 --> 01:16:57,460

different programs the fourth being this

1741

01:17:02,409 --> 01:17:00,600

military abduction the three others are

1742

01:17:06,489 --> 01:17:02,419

defined in my

1743

01:17:09,969 --> 01:17:06,499

my best capacity as draconian reptilian

1744

01:17:12,580 --> 01:17:09,979

agenda a humanoid I guess you can say

1745

01:17:16,689 --> 01:17:12,590

Pleiadian agenda and another one that is

1746

01:17:18,580 --> 01:17:16,699

a reptilian kind of an agenda but we

1747

01:17:21,969 --> 01:17:18,590

don't know if those are more high high

1748

01:17:24,250 --> 01:17:21,979

you know high vibration or low vibration

1749

01:17:27,370 --> 01:17:24,260

what I mean by that is that the reason

1750

01:17:30,399 --> 01:17:27,380

why they're creating them is let's say

1751

01:17:32,169 --> 01:17:30,409

quote-unquote beneficial kind of program

1752

01:17:33,759 --> 01:17:32,179

that they're creating would you go back

1753

01:17:35,500 --> 01:17:33,769

to we're gonna head towards the break

1754

01:17:41,199 --> 01:17:35,510

here would you go back to Colorado if

1755

01:17:42,909 --> 01:17:41,209

you were invited God for to do my

1756

01:17:49,389 --> 01:17:42,919

research maybe but I wouldn't spend

1757

01:17:52,060 --> 01:17:49,399

night there I know right yeah the when

1758

01:17:55,089 --> 01:17:52,070

we come back after the break we're gonna

1759

01:17:57,429 --> 01:17:55,099

talk about the hybrid program and what

1760

01:17:58,719 --> 01:17:57,439

seeding is and of course you know what

1761

01:18:01,569 --> 01:17:58,729

you spoke about in the film

1762

01:18:03,729 --> 01:18:01,579

extraordinary the seeding but for those

1763

01:18:07,319 --> 01:18:03,739

out there when they hear this and they

1764

01:18:10,569 --> 01:18:07,329

hear from you or they go oh come on okay

1765

01:18:14,709 --> 01:18:10,579

this is a bit too much it's one thing to

1766

01:18:18,009 --> 01:18:14,719

see something in the sky but now we're

1767

01:18:20,500 --> 01:18:18,019

going somewhere else here with this how

1768

01:18:22,659 --> 01:18:20,510

do you respond to those that would say

1769

01:18:25,899 --> 01:18:22,669

that and I understand why they would -

1770

01:18:27,939 --> 01:18:25,909

certainly you do of course I understand

1771

01:18:30,969 --> 01:18:27,949

completely I mean I mean I'm coming from

1772

01:18:32,620 --> 01:18:30,979

a place where I thought aliens was a

1773

01:18:35,020 --> 01:18:32,630

joke you know I didn't know that that

1774

01:18:37,989 --> 01:18:35,030

was a real thing so I come I comprehend

1775

01:18:39,759 --> 01:18:37,999

completely but you know we're looking at

1776

01:18:42,250 --> 01:18:39,769

my regressions and my regressions are

1777

01:18:45,669 --> 01:18:42,260

all public you can go to the regression

1778

01:18:47,409 --> 01:18:45,679

and see step by step how I was taken how

1779

01:18:49,509 --> 01:18:47,419

the insemination process happened the

1780

01:18:51,850 --> 01:18:49,519

gestation how my body reacted to that

1781

01:18:54,489 --> 01:18:51,860

when I look at my life in retrospect I'm

1782

01:18:56,139 --> 01:18:54,499

looking at how those abductions had

1783

01:18:59,080 --> 01:18:56,149

affected me physically and they were

1784

01:19:01,299 --> 01:18:59,090

tremendous tremendous you know effects I

1785

01:19:02,979 --> 01:19:01,309

became sick I ended up at the hospital I

1786

01:19:05,679 --> 01:19:02,989

have the the bills to prove it I have

1787

01:19:07,959 --> 01:19:05,689

the x-rays and sonograms to prove those

1788

01:19:10,719 --> 01:19:07,969

things you know so my life was

1789

01:19:13,270 --> 01:19:10,729

completely changed because of this and

1790

01:19:15,250 --> 01:19:13,280

so for someone to want to make up

1791

01:19:15,970 --> 01:19:15,260

something like this or want to fabricate

1792

01:19:17,350 --> 01:19:15,980

they

1793

01:19:18,970 --> 01:19:17,360

really would have to be a tremendous

1794

01:19:21,420 --> 01:19:18,980

lack of love where they need a

1795

01:19:24,130 --> 01:19:21,430

tremendous amount of attention you know

1796

01:19:25,930 --> 01:19:24,140

or something like that but these things

1797

01:19:28,180 --> 01:19:25,940

are things that are still affecting me

1798

01:19:30,400 --> 01:19:28,190

and it and it's changed my life I sold

1799

01:19:33,670 --> 01:19:30,410

my business I'm no longer in what I'm

1800

01:19:36,760 --> 01:19:33,680

doing I dedicate my life to doing this

1801

01:19:39,100 --> 01:19:36,770

work now to talk about this because what

1802

01:19:40,210 --> 01:19:39,110

I don't understand is I know I'm not the

1803

01:19:43,030 --> 01:19:40,220

only person that has had this experience

1804

01:19:45,250 --> 01:19:43,040

and even been public about it but why

1805

01:19:48,760 --> 01:19:45,260

are we not talking more about this

1806

01:19:54,520 --> 01:19:48,770

because you know there there has been a

1807

01:19:58,000 --> 01:19:54,530

paper roll that was conducted I mean in

1808

01:19:59,830 --> 01:19:58,010

1991 where 3.7 million Americans feel

1809

01:20:02,080 --> 01:19:59,840

that they have been abducted and from

1810

01:20:03,220 --> 01:20:02,090

there 20% of those have been

1811

01:20:05,979 --> 01:20:03,230

participants at the hybridization

1812

01:20:08,080 --> 01:20:05,989

program so why are we not talking about

1813

01:20:09,460 --> 01:20:08,090

this because women that I talked to are

1814

01:20:10,840 --> 01:20:09,470
getting pregnant they're having

1815

01:20:12,670 --> 01:20:10,850
miscarriages they're having dreams

1816

01:20:14,470 --> 01:20:12,680
they're having the you know the needle

1817

01:20:16,900 --> 01:20:14,480
marks on their hand even this just

1818

01:20:19,210 --> 01:20:16,910
yesterday I was at Yvonne Smith's zero

1819

01:20:21,430 --> 01:20:19,220
group and I'm hearing the exact same

1820

01:20:23,260 --> 01:20:21,440
things so this is serious I mean we're

1821

01:20:25,330 --> 01:20:23,270
not talking about people fabricating

1822

01:20:29,710 --> 01:20:25,340
things we're talking about your life

1823

01:20:31,600 --> 01:20:29,720
being changed completely by this let me

1824

01:20:33,930 --> 01:20:31,610
jump in let's take our break right here

1825

01:20:37,320 --> 01:20:33,940
our guest tonight Geraldine Orosco

1826
01:20:40,330 --> 01:20:37,330
first-time guest amazing conversation

1827
01:20:42,010 --> 01:20:40,340
first night of our amazing women week

1828
01:20:46,340 --> 01:20:42,020
here on fade to black we'll be right

1829
01:20:58,620 --> 01:20:56,180
[Music]

1830
01:21:01,109 --> 01:20:58,630
welcome back fade to black I am your

1831
01:21:06,020 --> 01:21:01,119
host Jimmy Church our guest tonight

1832
01:21:08,879 --> 01:21:06,030
Geraldine Orosco an amazing amazing

1833
01:21:11,220 --> 01:21:08,889
conversation going on right now and

1834
01:21:13,589 --> 01:21:11,230
we're going to continue this Terrell

1835
01:21:17,100 --> 01:21:13,599
Dean the new film extraordinary the

1836
01:21:21,959 --> 01:21:17,110
seating out gets released September 3rd

1837
01:21:26,069 --> 01:21:21,969
and having your your story out there now

1838
01:21:30,120 --> 01:21:26,079

in we're talking about a feature film is

1839

01:21:32,700 --> 01:21:30,130

something that needed to be done are you

1840

01:21:36,600 --> 01:21:32,710

comfortable with with the exposure

1841

01:21:38,850 --> 01:21:36,610

you're about to receive yes to be honest

1842

01:21:40,770 --> 01:21:38,860

I'm not sure what that means actually

1843

01:21:44,970 --> 01:21:40,780

you know I've never had that kind of

1844

01:21:47,430 --> 01:21:44,980

limelight or attention but for me Jimmy

1845

01:21:49,830 --> 01:21:47,440

again as I was saying before our break

1846

01:21:54,450 --> 01:21:49,840

the important thing for me is to connect

1847

01:21:59,609 --> 01:21:54,460

with those that are have experienced you

1848

01:22:01,799 --> 01:21:59,619

know being you know being told to be

1849

01:22:04,439 --> 01:22:01,809

quiet for so many years you know to not

1850

01:22:07,770 --> 01:22:04,449

talk about this to not discuss it to not

1851
01:22:10,379 --> 01:22:07,780
even ask questions about it and because

1852
01:22:12,060 --> 01:22:10,389
of fear of embarrassment that really has

1853
01:22:13,709 --> 01:22:12,070
to stop like many things that are

1854
01:22:15,029 --> 01:22:13,719
happening right now in our reality we're

1855
01:22:16,620 --> 01:22:15,039
going through kind of an I guess a

1856
01:22:18,390 --> 01:22:16,630
collective awakening where we're really

1857
01:22:20,339 --> 01:22:18,400
checking ourselves in questioning you

1858
01:22:21,959 --> 01:22:20,349
know why is it not okay to be a hundred

1859
01:22:25,470 --> 01:22:21,969
percent authentic and real with the

1860
01:22:27,000 --> 01:22:25,480
things that are happening so for me the

1861
01:22:28,620 --> 01:22:27,010
women that are experiencing this are

1862
01:22:30,390 --> 01:22:28,630
experienced in real things they have the

1863
01:22:34,890 --> 01:22:30,400

medical bills to prove it they have the

1864

01:22:37,319 --> 01:22:34,900

body marks and emotional trauma to prove

1865

01:22:39,330 --> 01:22:37,329

what is occurring here so it can't be

1866

01:22:41,370 --> 01:22:39,340

that we're all experiencing some

1867

01:22:42,990 --> 01:22:41,380

psychotic stasis you know that we are

1868

01:22:44,819 --> 01:22:43,000

that's inexplicable this has been

1869

01:22:46,589 --> 01:22:44,829

happening for a very long time and

1870

01:22:48,060 --> 01:22:46,599

further than that this has been

1871

01:22:49,799 --> 01:22:48,070

happening since the very beginning of

1872

01:22:52,529 --> 01:22:49,809

life on this planet

1873

01:22:54,959 --> 01:22:52,539

you know it's my understanding that we

1874

01:22:57,810 --> 01:22:54,969

are a hybridized race and this is what I

1875

01:23:00,180 --> 01:22:57,820

have been shown through my awakening my

1876

01:23:01,649 --> 01:23:00,190

understanding my research so this is

1877

01:23:03,720 --> 01:23:01,659

something that we need to start getting

1878

01:23:06,000 --> 01:23:03,730

serious we need to educate ourselves on

1879

01:23:08,550 --> 01:23:06,010

what that means because our entire

1880

01:23:10,560 --> 01:23:08,560

reality will be

1881

01:23:12,780 --> 01:23:10,570

disrupted in a sense you know we're

1882

01:23:14,040 --> 01:23:12,790

we're you know look questioning reality

1883

01:23:15,330 --> 01:23:14,050

we're questioning our historical

1884

01:23:18,240 --> 01:23:15,340

timeline where risk we're questioning

1885

01:23:20,340 --> 01:23:18,250

our bodies and the importance of being

1886

01:23:22,310 --> 01:23:20,350

human and that's really where our

1887

01:23:25,770 --> 01:23:22,320

attention needs to be before we continue

1888

01:23:28,680 --> 01:23:25,780

living like zombies in our everyday jobs

1889

01:23:30,900 --> 01:23:28,690

you know going through these same you

1890

01:23:33,450 --> 01:23:30,910

know routines that we're doing sleeping

1891

01:23:36,720 --> 01:23:33,460

following along in the programs that are

1892

01:23:39,209 --> 01:23:36,730

you know enlisted by this society we

1893

01:23:42,990 --> 01:23:39,219

have to question that so that's why I

1894

01:23:45,959 --> 01:23:43,000

you know kind of kind of surrendered and

1895

01:23:49,260 --> 01:23:45,969

I really you know gave myself as an

1896

01:23:52,590 --> 01:23:49,270

example to this you know I'm single I

1897

01:23:55,590 --> 01:23:52,600

don't have children I'm very happy to

1898

01:23:57,420 --> 01:23:55,600

speak on this topic you know clearly

1899

01:24:00,990 --> 01:23:57,430

with those that need to hear it and

1900

01:24:03,240 --> 01:24:01,000

provide all the education possible you

1901

01:24:06,060 --> 01:24:03,250

know and that's why I found it hybrid

1902

01:24:07,490 --> 01:24:06,070

mother calm which is going to be a place

1903

01:24:11,910 --> 01:24:07,500

for people to receive information

1904

01:24:14,400 --> 01:24:11,920

support education serious education not

1905

01:24:16,260 --> 01:24:14,410

just you know it's a beautiful

1906

01:24:18,840 --> 01:24:16,270

experience and it's wonderful and it's

1907

01:24:20,610 --> 01:24:18,850

okay there's two sides to everything and

1908

01:24:23,280 --> 01:24:20,620

I thought I believe for us to understand

1909

01:24:30,510 --> 01:24:23,290

truth me to look at both sides very very

1910

01:24:35,490 --> 01:24:30,520

honestly you know okay the the program I

1911

01:24:38,400 --> 01:24:35,500

see two walls probably many but two

1912

01:24:43,470 --> 01:24:38,410

things are actually going on here one

1913

01:24:46,080 --> 01:24:43,480

your children that that you met they're

1914

01:24:49,920 --> 01:24:46,090

not on this planet right they are

1915

01:24:52,830 --> 01:24:49,930

somewhere else correct that's right okay

1916

01:24:57,660 --> 01:24:52,840

and then there's another side of this

1917

01:25:01,050 --> 01:24:57,670

program where the see that hybridization

1918

01:25:03,720 --> 01:25:01,060

they are living on this planet right two

1919

01:25:05,280 --> 01:25:03,730

different programs correct and and

1920

01:25:07,290 --> 01:25:05,290

you're correct to say that there are

1921

01:25:11,760 --> 01:25:07,300

many because there are hundreds of

1922

01:25:13,590 --> 01:25:11,770

programs and basically if you go back to

1923

01:25:16,200 --> 01:25:13,600

the very beginning of life sitting on

1924

01:25:18,810 --> 01:25:16,210

this planet what I have found in my

1925

01:25:22,050 --> 01:25:18,820

research is that there are three main

1926

01:25:24,750 --> 01:25:22,060

lineages that DNA linear

1927

01:25:28,170 --> 01:25:24,760

that have seeded life on this planet and

1928

01:25:31,020 --> 01:25:28,180

from those lineages have been preserved

1929

01:25:34,500 --> 01:25:31,030

very heavily these bloodlines that have

1930

01:25:37,350 --> 01:25:34,510

then created our human race and how I

1931

01:25:39,180 --> 01:25:37,360

know that is that you know if we look at

1932

01:25:41,160 --> 01:25:39,190

our history I mean if you look at the

1933

01:25:43,050 --> 01:25:41,170

Book of Enoch if you look at the Emerald

1934

01:25:45,870 --> 01:25:43,060

tablets if you look at the book of

1935

01:25:48,870 --> 01:25:45,880

Gilgamesh we understand that we have

1936

01:25:52,020 --> 01:25:48,880

looked at gods or those that come from

1937

01:25:53,550 --> 01:25:52,030

above like you know like these gods that

1938

01:25:55,920 --> 01:25:53,560

have come down and they have combined

1939

01:26:00,030 --> 01:25:55,930

with humans to create other beings and

1940

01:26:01,860 --> 01:26:00,040

that's been recorded and a lot of you

1941

01:26:05,010 --> 01:26:01,870

know in our historical timeline through

1942

01:26:08,520 --> 01:26:05,020

art through petroglyphs all around the

1943

01:26:12,540 --> 01:26:08,530

world that depict such a thing in a lot

1944

01:26:14,100 --> 01:26:12,550

of folklore and myths in history so we

1945

01:26:16,050 --> 01:26:14,110

have to kind of take a look at that and

1946

01:26:17,430 --> 01:26:16,060

understand how history has kind of

1947

01:26:19,860 --> 01:26:17,440

changed and why we haven't been

1948

01:26:22,740 --> 01:26:19,870

discussing that because when we look at

1949

01:26:26,250 --> 01:26:22,750

the DNA lineages in our in our current

1950

01:26:28,620 --> 01:26:26,260

timeline here in America and even so as

1951

01:26:30,780 --> 01:26:28,630

to look at our presidential lineages

1952

01:26:34,230 --> 01:26:30,790

what you're gonna see is that there are

1953

01:26:37,440 --> 01:26:34,240

a couple main lines of information which

1954

01:26:41,070 --> 01:26:37,450

are lineages that are ruling where we

1955

01:26:42,780 --> 01:26:41,080

live in right now okay so some of these

1956

01:26:47,010 --> 01:26:42,790

bloodlines that have gone from

1957

01:26:50,070 --> 01:26:47,020

Mesopotamia to Egypt to Italy to the UK

1958

01:26:52,890 --> 01:26:50,080

have then gone to the u.s. and these are

1959

01:26:56,610 --> 01:26:52,900

lineages family lines that are preserved

1960

01:26:58,800 --> 01:26:56,620

very heavily that from those family

1961

01:27:02,370 --> 01:26:58,810

lines have been created some kind of

1962

01:27:06,780 --> 01:27:02,380

organization of power as a matter of

1963

01:27:09,510 --> 01:27:06,790

fact in our world there are 147

1964

01:27:12,780 --> 01:27:09,520

companies that run the world they own

1965

01:27:15,390 --> 01:27:12,790

all of these companies they're umbrella

1966

01:27:17,490 --> 01:27:15,400

companies that are basically who who are

1967

01:27:20,220 --> 01:27:17,500

feeding us the pharmaceutical companies

1968

01:27:23,480 --> 01:27:20,230

everything around us and what I found is

1969

01:27:25,800 --> 01:27:23,490

that these lineages these families are

1970

01:27:27,600 --> 01:27:25,810

related they're interrelated these

1971

01:27:29,940 --> 01:27:27,610

families there are specific bloodlines

1972

01:27:31,590 --> 01:27:29,950

and so of course before I had my

1973

01:27:34,380 --> 01:27:31,600

regression I didn't know any of this but

1974

01:27:35,450 --> 01:27:34,390

as I research and try to understand this

1975

01:27:38,510 --> 01:27:35,460

this is this

1976

01:27:41,030 --> 01:27:38,520

the conclusion of the research so when

1977

01:27:44,360 --> 01:27:41,040

we're looking at each other here just a

1978

01:27:46,520 --> 01:27:44,370

thousand years ago you and I had someone

1979

01:27:49,700 --> 01:27:46,530

in common me and you Jimmy and I don't

1980

01:27:52,970 --> 01:27:49,710

even know you I just met you Jimmy okay

1981

01:27:54,920 --> 01:27:52,980

and this is for all of us so what has

1982

01:27:58,130 --> 01:27:54,930

happened in our evolutionary timeline

1983

01:28:01,640 --> 01:27:58,140

that we have all descended from certain

1984

01:28:03,290 --> 01:28:01,650

specific family lineages I think that's

1985

01:28:06,440 --> 01:28:03,300

something that's incredibly important to

1986

01:28:09,320 --> 01:28:06,450

note and the way that these DNA lineages

1987

01:28:11,330 --> 01:28:09,330

have evolved is also important

1988

01:28:13,459 --> 01:28:11,340

we are constantly being genetically

1989

01:28:16,550 --> 01:28:13,469

modified by the food that we're eating

1990

01:28:19,040 --> 01:28:16,560

by the pharmaceutical that we are taking

1991

01:28:21,830 --> 01:28:19,050

our entire environment is writing

1992

01:28:24,440 --> 01:28:21,840

constantly our DNA so if you take that

1993

01:28:26,630 --> 01:28:24,450

into consideration genetic modification

1994

01:28:28,400 --> 01:28:26,640

is not something that's so far out there

1995

01:28:30,440 --> 01:28:28,410

I mean we are constantly being

1996

01:28:33,500 --> 01:28:30,450

genetically modified you know we we

1997

01:28:36,350 --> 01:28:33,510

understand that through epigenetics

1998

01:28:39,110 --> 01:28:36,360

which we are starting to comprehend how

1999

01:28:42,680 --> 01:28:39,120

DNA is even written in my last

2000

01:28:46,880 --> 01:28:42,690

conference at UFO Megacon I discuss

2001
01:28:48,620 --> 01:28:46,890
holographic DNA you know and so what

2002
01:28:50,600 --> 01:28:48,630
we're talking about here is that the

2003
01:28:52,880 --> 01:28:50,610
hybridization program is something that

2004
01:28:54,979 --> 01:28:52,890
has been originated in Mesopotamia all

2005
01:28:56,990 --> 01:28:54,989
the way until our present day but

2006
01:29:00,290 --> 01:28:57,000
because we live in a multi-dimensional

2007
01:29:03,530 --> 01:29:00,300
reality you know these are also being

2008
01:29:05,180 --> 01:29:03,540
taken places on other dimensions we need

2009
01:29:06,400 --> 01:29:05,190
to start becoming comfortable with the

2010
01:29:09,490 --> 01:29:06,410
concept that we live in a

2011
01:29:11,990 --> 01:29:09,500
multi-dimensional reality these

2012
01:29:15,470 --> 01:29:12,000
extraterrestrials that are perhaps more

2013
01:29:17,479 --> 01:29:15,480

advanced civilizations races they hold a

2014

01:29:19,580 --> 01:29:17,489

tremendous amount of advanced technology

2015

01:29:23,360 --> 01:29:19,590

I mean our technology is a joke right

2016

01:29:25,820 --> 01:29:23,370

so these beings that come they take

2017

01:29:28,940 --> 01:29:25,830

genetic material from humans which again

2018

01:29:30,620 --> 01:29:28,950

is a genetically modified race with

2019

01:29:34,010 --> 01:29:30,630

certain information what does that mean

2020

01:29:36,170 --> 01:29:34,020

DNA holds tremendous massive amounts of

2021

01:29:40,910 --> 01:29:36,180

information here in Silicon Valley they

2022

01:29:43,250 --> 01:29:40,920

are using DNA as an as a you know as an

2023

01:29:46,040 --> 01:29:43,260

example and they are trying to utilize

2024

01:29:48,080 --> 01:29:46,050

they're learning how to program into DNA

2025

01:29:49,080 --> 01:29:48,090

through frequency through sounds through

2026

01:29:51,899 --> 01:29:49,090

algorithms

2027

01:29:54,240 --> 01:29:51,909

computer systems to store massive amount

2028

01:29:56,760 --> 01:29:54,250

of information so we are a massive

2029

01:30:00,240 --> 01:29:56,770

storage system and depending on how we

2030

01:30:02,220 --> 01:30:00,250

are modified we can be we can be changed

2031

01:30:05,370 --> 01:30:02,230

so it can be added our entire body can

2032

01:30:08,040 --> 01:30:05,380

be changed our consciousness what we are

2033

01:30:09,839 --> 01:30:08,050

experiencing can be altered just as in

2034

01:30:12,510 --> 01:30:09,849

these abduction experiences where they

2035

01:30:14,370 --> 01:30:12,520

screen things and they make you believe

2036

01:30:16,169 --> 01:30:14,380

that you're experiencing one thing when

2037

01:30:19,439 --> 01:30:16,179

in reality you're experiencing something

2038

01:30:21,000 --> 01:30:19,449

else so that right there kind of shows

2039

01:30:25,560 --> 01:30:21,010

you the kind of technology that these

2040

01:30:28,879 --> 01:30:25,570

beings have in one of my regressions I

2041

01:30:31,979 --> 01:30:28,889

am taken aboard a hybridization craft

2042

01:30:34,379 --> 01:30:31,989

which means the entire craft is like a

2043

01:30:37,229 --> 01:30:34,389

hybridization ship which is focused

2044

01:30:39,390 --> 01:30:37,239

purely on hybrid the private program and

2045

01:30:40,800 --> 01:30:39,400

as if this is as a child and being

2046

01:30:43,979 --> 01:30:40,810

brought into this room with other

2047

01:30:46,770 --> 01:30:43,989

children and they are being inserted

2048

01:30:49,979 --> 01:30:46,780

with implants by the Dozen so they are

2049

01:30:54,149 --> 01:30:49,989

being implanted by a mechanical arm and

2050

01:30:56,609 --> 01:30:54,159

they are being piled up literally on one

2051

01:30:59,550 --> 01:30:56,619

side in another room there are the

2052

01:31:01,830 --> 01:30:59,560

pregnant hybrid mothers that are giving

2053

01:31:04,859 --> 01:31:01,840

birth in a sense and what I mean by

2054

01:31:06,600 --> 01:31:04,869

giving birth is the longest gestation

2055

01:31:09,209 --> 01:31:06,610

time that the majority of these mothers

2056

01:31:10,919 --> 01:31:09,219

have is about three months maximum they

2057

01:31:14,160 --> 01:31:10,929

don't need the child to just state

2058

01:31:16,260 --> 01:31:14,170

longer than that I haven't heard of any

2059

01:31:19,589 --> 01:31:16,270

anyone longer than that but they removed

2060

01:31:21,930 --> 01:31:19,599

the fetus same thing with you this was

2061

01:31:23,729 --> 01:31:21,940

your experience that was my experience

2062

01:31:26,010 --> 01:31:23,739

that was the longest time that I've had

2063

01:31:27,990 --> 01:31:26,020

you know the gestation process I was

2064

01:31:30,629 --> 01:31:28,000

pregnant for that long amount of time

2065

01:31:32,580 --> 01:31:30,639

and in the film you will see you will

2066

01:31:35,129 --> 01:31:32,590

see those experiences very clearly as

2067

01:31:36,720 --> 01:31:35,139

well but what they do is they remove the

2068

01:31:38,399 --> 01:31:36,730

fetus and they put them into these

2069

01:31:43,050 --> 01:31:38,409

incubation tanks which are these

2070

01:31:46,260 --> 01:31:43,060

spherical tanks and I saw walls walls of

2071

01:31:50,189 --> 01:31:46,270

this okay I mean tanks after tank septic

2072

01:31:51,780 --> 01:31:50,199

tanks after Hanks so we're talking about

2073

01:31:54,629 --> 01:31:51,790

something that's been happening on a

2074

01:31:57,510 --> 01:31:54,639

massive scale here the entire craft was

2075

01:32:00,149 --> 01:31:57,520

dedicated to genetic modification on the

2076
01:32:01,800 --> 01:32:00,159
lower level they were modifying the

2077
01:32:04,350 --> 01:32:01,810
genes they were inserting

2078
01:32:06,360 --> 01:32:04,360
extracting information you know this is

2079
01:32:08,850 --> 01:32:06,370
technology that's beyond us but it's not

2080
01:32:11,460 --> 01:32:08,860
so far away Jimmy because we are our

2081
01:32:14,580 --> 01:32:11,470
sciences of catching up I mean in China

2082
01:32:17,850 --> 01:32:14,590
a couple months ago we had a scientist

2083
01:32:19,770 --> 01:32:17,860
give birth to two high children that

2084
01:32:21,540 --> 01:32:19,780
were genetically modified you know they

2085
01:32:25,800 --> 01:32:21,550
did they were able to remove the strain

2086
01:32:29,580 --> 01:32:25,810
that makes them able to get the what is

2087
01:32:32,040 --> 01:32:29,590
it called eight you know right HIV HIV

2088
01:32:33,540 --> 01:32:32,050

so you know so these modifications are

2089

01:32:35,850 --> 01:32:33,550

not something that's far off and if you

2090

01:32:38,070 --> 01:32:35,860

look in our media that's coming up it's

2091

01:32:40,080 --> 01:32:38,080

coming up you know these these programs

2092

01:32:42,330 --> 01:32:40,090

that are being run since the since the

2093

01:32:44,160 --> 01:32:42,340

40s genetic the government has been

2094

01:32:47,130 --> 01:32:44,170

testing genetic modification and

2095

01:32:49,080 --> 01:32:47,140

hybridization as well they're combining

2096

01:32:50,940 --> 01:32:49,090

things a lot of these papers are not

2097

01:32:52,590 --> 01:32:50,950

published some of them are published but

2098

01:32:54,240 --> 01:32:52,600

since no one is looking for them they're

2099

01:32:55,860 --> 01:32:54,250

not there this is something that I'm

2100

01:32:57,810 --> 01:32:55,870

putting in my book as well because I

2101
01:32:59,550 --> 01:32:57,820
want you all to understand that this is

2102
01:33:00,900 --> 01:32:59,560
something that has that's really

2103
01:33:02,970 --> 01:33:00,910
actually happening here

2104
01:33:05,430 --> 01:33:02,980
well the question the question we have

2105
01:33:07,260 --> 01:33:05,440
and Geraldine I don't care what you're

2106
01:33:09,300 --> 01:33:07,270
doing tomorrow but we're gonna go into

2107
01:33:12,560 --> 01:33:09,310
overtime here in 15 minutes so I'm not

2108
01:33:16,640 --> 01:33:12,570
gonna let you go so just plan on that

2109
01:33:21,270 --> 01:33:16,650
the question that we all have here is

2110
01:33:24,510 --> 01:33:21,280
why there's multiple programs and lots

2111
01:33:30,180 --> 01:33:24,520
of testimony about this but the question

2112
01:33:31,860 --> 01:33:30,190
is why ultimately why do this so it's a

2113
01:33:34,620 --> 01:33:31,870

wonderful question that opens up our

2114

01:33:36,810 --> 01:33:34,630

mind to a whole new level here and the

2115

01:33:39,660 --> 01:33:36,820

invitation is to understand and to take

2116

01:33:43,050 --> 01:33:39,670

for a moment to consider what it means

2117

01:33:46,550 --> 01:33:43,060

to be multi-dimensional the human soul

2118

01:33:49,920 --> 01:33:46,560

is a very interesting and fascinating

2119

01:33:53,760 --> 01:33:49,930

piece of information when a human soul

2120

01:33:55,620 --> 01:33:53,770

is entering into the physical that okay

2121

01:33:58,110 --> 01:33:55,630

so it come from the concept that that

2122

01:34:00,060 --> 01:33:58,120

your human soul is almost like a

2123

01:34:02,640 --> 01:34:00,070

recorder it's it functions just the way

2124

01:34:05,220 --> 01:34:02,650

the DNA does it stores information but

2125

01:34:07,440 --> 01:34:05,230

it also adapts and modifies as needed

2126
01:34:10,070 --> 01:34:07,450
when I talk about a multi-dimensional

2127
01:34:14,280 --> 01:34:10,080
reality I'm talking about consciousness

2128
01:34:15,420 --> 01:34:14,290
okay and let's say the origin of this

2129
01:34:18,030 --> 01:34:15,430
consciousness is in

2130
01:34:19,920 --> 01:34:18,040
Finnick consciousness when it enters

2131
01:34:21,390 --> 01:34:19,930
different dimensions it'll change its

2132
01:34:23,790 --> 01:34:21,400
form it'll have different ways of

2133
01:34:26,070 --> 01:34:23,800
reacting to its environment when the

2134
01:34:29,310 --> 01:34:26,080
consciousness enters the human body two

2135
01:34:31,950 --> 01:34:29,320
things happen that consciousness is so

2136
01:34:34,950 --> 01:34:31,960
is what we can understand as a soul is

2137
01:34:37,560 --> 01:34:34,960
brought into the body and the human body

2138
01:34:39,810 --> 01:34:37,570

is attaching to the physical which is of

2139

01:34:41,160 --> 01:34:39,820

course where we have our blood running

2140

01:34:43,320 --> 01:34:41,170

running through our veins and our

2141

01:34:46,380 --> 01:34:43,330

muscles and the DNA basically the

2142

01:34:49,410 --> 01:34:46,390

algorithm that makes up this human body

2143

01:34:53,040 --> 01:34:49,420

and that information is linking you to

2144

01:34:54,420 --> 01:34:53,050

your lineage a lineage of information so

2145

01:34:55,740 --> 01:34:54,430

that means you are a product of your

2146

01:34:57,630 --> 01:34:55,750

father your mother and all of your

2147

01:35:00,570 --> 01:34:57,640

ancestors before that going to the

2148

01:35:02,670 --> 01:35:00,580

origin of life on this planet all of

2149

01:35:06,630 --> 01:35:02,680

that information is stored within your

2150

01:35:08,970 --> 01:35:06,640

DNA so what that means is that not only

2151
01:35:11,850 --> 01:35:08,980
do we have that genetic information but

2152
01:35:14,610 --> 01:35:11,860
we have programs we have a lot of

2153
01:35:16,560 --> 01:35:14,620
alterations genetic modifications that

2154
01:35:19,530 --> 01:35:16,570
we are now a product of that's what we

2155
01:35:21,090 --> 01:35:19,540
are as human our human self is brought

2156
01:35:23,340 --> 01:35:21,100
into these families into these

2157
01:35:25,950 --> 01:35:23,350
experiences that we have every

2158
01:35:28,800 --> 01:35:25,960
experience is an opportunity to store

2159
01:35:31,620 --> 01:35:28,810
the information from that experience so

2160
01:35:33,570 --> 01:35:31,630
in our lifetimes we're living you know

2161
01:35:35,310 --> 01:35:33,580
we can feel pain suffering all those

2162
01:35:38,730 --> 01:35:35,320
things and all these things that we are

2163
01:35:40,860 --> 01:35:38,740

considering evolution in a way but what

2164

01:35:44,610 --> 01:35:40,870

we need to understand is that what we're

2165

01:35:47,600 --> 01:35:44,620

living in is a very we are living in a

2166

01:35:51,890 --> 01:35:47,610

compartmentalized reality which is also

2167

01:35:54,870 --> 01:35:51,900

manufactured our reality in a sense is

2168

01:35:57,360 --> 01:35:54,880

created where everything is

2169

01:35:59,880 --> 01:35:57,370

compartmentalized our society our

2170

01:36:01,980 --> 01:35:59,890

concept of ourselves the concept of sex

2171

01:36:04,500 --> 01:36:01,990

the concept of man women the role that

2172

01:36:07,460 --> 01:36:04,510

it plays everything has been set up in a

2173

01:36:10,050 --> 01:36:07,470

specific way for humans to develop

2174

01:36:13,380 --> 01:36:10,060

themselves their consciousness from this

2175

01:36:15,360 --> 01:36:13,390

this certain belief system and we have

2176

01:36:17,010 --> 01:36:15,370

the reason why I bring it to that level

2177

01:36:19,350 --> 01:36:17,020

is because in my personal journey I've

2178

01:36:21,570 --> 01:36:19,360

questioned deeper and deeper trying to

2179

01:36:23,910 --> 01:36:21,580

find an understanding of this and when

2180

01:36:26,820 --> 01:36:23,920

you do that you start to question why

2181

01:36:28,710 --> 01:36:26,830

the human race undergoes certain

2182

01:36:32,430 --> 01:36:28,720

patterns of behavior in our his

2183

01:36:34,470 --> 01:36:32,440

jury suffering death you know all of

2184

01:36:39,390 --> 01:36:34,480

what we're experiencing here is

2185

01:36:40,890 --> 01:36:39,400

controlled in a sense okay you know we

2186

01:36:43,410 --> 01:36:40,900

we are looking at our brothers and

2187

01:36:45,090 --> 01:36:43,420

sisters that are experiencing a lot of

2188

01:36:48,630 --> 01:36:45,100

suffering and we're constant survival

2189

01:36:51,060 --> 01:36:48,640

mode we're barely making paying or rent

2190

01:36:53,010 --> 01:36:51,070

and they're you know you go to Africa we

2191

01:36:55,470 --> 01:36:53,020

have all this horrible hunger you know

2192

01:36:57,810 --> 01:36:55,480

we have all this these diseases going on

2193

01:37:00,120 --> 01:36:57,820

so the more and more you start to

2194

01:37:02,400 --> 01:37:00,130

question reality you understand that

2195

01:37:03,390 --> 01:37:02,410

there is something that is operating on

2196

01:37:05,550 --> 01:37:03,400

the back end

2197

01:37:07,590 --> 01:37:05,560

to create these situations to create

2198

01:37:09,510 --> 01:37:07,600

these issues and our reality and that's

2199

01:37:12,780 --> 01:37:09,520

where we really need to start getting

2200

01:37:14,970 --> 01:37:12,790

educated in not only are the main

2201
01:37:16,620 --> 01:37:14,980
companies these family lines that have

2202
01:37:19,740 --> 01:37:16,630
created these companies that are running

2203
01:37:22,350 --> 01:37:19,750
our reality but everything is curated we

2204
01:37:24,720 --> 01:37:22,360
are like puppets because the human body

2205
01:37:26,670 --> 01:37:24,730
is like a sponge everything that we're

2206
01:37:29,820 --> 01:37:26,680
experiencing that we're seeing and of

2207
01:37:33,540 --> 01:37:29,830
course we're being fed TV television

2208
01:37:35,430 --> 01:37:33,550
movies and shows music we have our work

2209
01:37:37,650 --> 01:37:35,440
we have our society we have our families

2210
01:37:39,540 --> 01:37:37,660
we have a lot of stress all of these

2211
01:37:42,720 --> 01:37:39,550
things are a product of a very

2212
01:37:45,240 --> 01:37:42,730
structured and organized reality so all

2213
01:37:49,580 --> 01:37:45,250

of that causes us to feel that we have

2214

01:37:52,680 --> 01:37:49,590

to be focused on us you know survival

2215

01:37:54,600 --> 01:37:52,690

that's that's an issue and my question

2216

01:37:57,000 --> 01:37:54,610

is if we are infinite consciousness why

2217

01:38:01,910 --> 01:37:57,010

are we put into this box of experience

2218

01:38:06,270 --> 01:38:01,920

and what would I have understood is that

2219

01:38:09,590 --> 01:38:06,280

this human experience is one of many the

2220

01:38:12,630 --> 01:38:09,600

hybridization program is taking

2221

01:38:15,200 --> 01:38:12,640

fragments of this human body to create

2222

01:38:17,340 --> 01:38:15,210

other races that are then also

2223

01:38:18,930 --> 01:38:17,350

experiencing the same thing but what do

2224

01:38:21,090 --> 01:38:18,940

they get out of this is that what

2225

01:38:23,760 --> 01:38:21,100

they're doing with our DNA with our

2226

01:38:25,440 --> 01:38:23,770

human genome correct correct and the

2227

01:38:27,840 --> 01:38:25,450

reason why I went through the whole

2228

01:38:30,180 --> 01:38:27,850

explanation of the soul is because what

2229

01:38:32,310 --> 01:38:30,190

happens to the human when it is heavily

2230

01:38:33,900 --> 01:38:32,320

under stress when it is always in

2231

01:38:36,150 --> 01:38:33,910

survival mode when it is always

2232

01:38:39,540 --> 01:38:36,160

questioning its own reality there is a

2233

01:38:42,080 --> 01:38:39,550

fragmentation that occurs and this kind

2234

01:38:44,570 --> 01:38:42,090

of fragmentation is what we

2235

01:38:48,169 --> 01:38:44,580

can consider for example in my lab

2236

01:38:51,709 --> 01:38:48,179

experiences in other government programs

2237

01:38:53,600 --> 01:38:51,719

that have been utilizing mind control to

2238

01:38:56,419 --> 01:38:53,610

carry out certain programs or whatever

2239

01:38:59,990 --> 01:38:56,429

what do they do they create altars in

2240

01:39:02,030 --> 01:39:00,000

them through trauma and stress they have

2241

01:39:05,149 --> 01:39:02,040

these programs where we have sexual

2242

01:39:07,669 --> 01:39:05,159

abuse they you know with children with

2243

01:39:10,399 --> 01:39:07,679

adults that they heavily breakdown the

2244

01:39:12,950 --> 01:39:10,409

human to a level where they are

2245

01:39:14,629 --> 01:39:12,960

fragmented severely not only they have

2246

01:39:18,830 --> 01:39:14,639

alternate personalities that can be

2247

01:39:21,260 --> 01:39:18,840

manipulated and and managed but this and

2248

01:39:23,839 --> 01:39:21,270

and they do this so that this person can

2249

01:39:26,359 --> 01:39:23,849

now be a tool an asset for whatever

2250

01:39:29,209 --> 01:39:26,369

program they're trying to carry out in

2251

01:39:32,240 --> 01:39:29,219

that same sense as a human race

2252

01:39:34,490 --> 01:39:32,250

we are also kind of undergoing this kind

2253

01:39:36,109 --> 01:39:34,500

of fragmentation but the fragmentation

2254

01:39:38,080 --> 01:39:36,119

doesn't only happen on a physical level

2255

01:39:40,550 --> 01:39:38,090

it happens on a multi-dimensional level

2256

01:39:42,919 --> 01:39:40,560

fragments of ourselves are in other

2257

01:39:45,800 --> 01:39:42,929

dimensional timelines fragments of

2258

01:39:48,200 --> 01:39:45,810

ourselves are these et aspects of

2259

01:39:50,359 --> 01:39:48,210

ourselves which through the genetic

2260

01:39:53,750 --> 01:39:50,369

modification through the hybridization

2261

01:39:56,000 --> 01:39:53,760

program you know we are connected so

2262

01:39:58,129 --> 01:39:56,010

this child that I met on the ship I'm

2263

01:40:00,950 --> 01:39:58,139

recognizing I'm feeling they are

2264

01:40:03,439 --> 01:40:00,960

connected to me not just genetically but

2265

01:40:05,930 --> 01:40:03,449

energetically okay and so when I

2266

01:40:07,820 --> 01:40:05,940

experienced something that aspect of

2267

01:40:11,089 --> 01:40:07,830

myself is linked to me

2268

01:40:14,120 --> 01:40:11,099

so how better to control consciousness

2269

01:40:16,970 --> 01:40:14,130

then by breaking it down into many

2270

01:40:18,800 --> 01:40:16,980

little pieces which can be controlled

2271

01:40:22,939 --> 01:40:18,810

individually okay

2272

01:40:26,000 --> 01:40:22,949

so ultimately that is answering the why

2273

01:40:31,310 --> 01:40:26,010

question then this is about control this

2274

01:40:32,810 --> 01:40:31,320

isn't a benevolent program well so well

2275

01:40:34,820 --> 01:40:32,820

that's a good question it's also a

2276

01:40:36,439 --> 01:40:34,830

complex question because in this reality

2277

01:40:37,700 --> 01:40:36,449

I know and the way I want you to look at

2278

01:40:41,810 --> 01:40:37,710

this is from the concept of

2279

01:40:44,510 --> 01:40:41,820

consciousness ultimately we are living

2280

01:40:46,850 --> 01:40:44,520

in a controlled environment but only to

2281

01:40:48,830 --> 01:40:46,860

the level of which that consciousness is

2282

01:40:51,770 --> 01:40:48,840

not aware of what it's experiencing and

2283

01:40:54,919 --> 01:40:51,780

that's the problem we as infinite

2284

01:40:55,460 --> 01:40:54,929

consciousness is our job is to become

2285

01:40:57,950 --> 01:40:55,470

aware of

2286

01:41:00,470 --> 01:40:57,960

selves consciousness experiences all

2287

01:41:02,960 --> 01:41:00,480

things it can be good experience it can

2288

01:41:04,760 --> 01:41:02,970

be a bad experience what has happened in

2289

01:41:08,060 --> 01:41:04,770

this current timeline that we're living

2290

01:41:10,100 --> 01:41:08,070

in is consciousness has become unaware

2291

01:41:12,980 --> 01:41:10,110

of itself and when consciousness does

2292

01:41:15,920 --> 01:41:12,990

that it becomes parasitic it needs to

2293

01:41:19,180 --> 01:41:15,930

feed off of other things okay so what

2294

01:41:22,340 --> 01:41:19,190

we're living in right now is a parasitic

2295

01:41:24,590 --> 01:41:22,350

aspect of that consciousness and us as

2296

01:41:26,360 --> 01:41:24,600

humans which are also individual

2297

01:41:29,480 --> 01:41:26,370

consciousness have the ability of

2298

01:41:31,910 --> 01:41:29,490

becoming aware of ourselves and when we

2299

01:41:34,520 --> 01:41:31,920

do we can we can either choose to

2300

01:41:37,340 --> 01:41:34,530

continue experiencing that kind of

2301
01:41:39,980 --> 01:41:37,350
parasitic in exchange or we can choose

2302
01:41:41,750 --> 01:41:39,990
to experience something else and I'm

2303
01:41:43,730 --> 01:41:41,760
talking about the life span of a human

2304
01:41:45,410 --> 01:41:43,740
between life and death between birth

2305
01:41:47,870 --> 01:41:45,420
until death let's say a hundred years

2306
01:41:50,330 --> 01:41:47,880
they have all this time to become aware

2307
01:41:53,300 --> 01:41:50,340
of themselves as consciousness or they

2308
01:41:56,300 --> 01:41:53,310
can just live a regular routine life die

2309
01:41:58,640 --> 01:41:56,310
and start over again and the you know

2310
01:42:02,030 --> 01:41:58,650
this is a very complex topic because how

2311
01:42:04,100 --> 01:42:02,040
families are put together or by their

2312
01:42:08,030 --> 01:42:04,110
vibrational frequency by the information

2313
01:42:10,970 --> 01:42:08,040

that their DNA is holding on to so what

2314

01:42:13,640 --> 01:42:10,980

this is this is how I began doing DNA

2315

01:42:18,110 --> 01:42:13,650

reprogramming because when I understood

2316

01:42:20,030 --> 01:42:18,120

this you can deprogram DNA you can

2317

01:42:22,610 --> 01:42:20,040

reprogram this and I'm talking about

2318

01:42:25,730 --> 01:42:22,620

from the physical level logical level

2319

01:42:28,700 --> 01:42:25,740

deep program these programs in order to

2320

01:42:31,400 --> 01:42:28,710

no longer continue this cyclical pattern

2321

01:42:34,580 --> 01:42:31,410

of which we are involved in here on this

2322

01:42:36,790 --> 01:42:34,590

planet okay but ultimately all we're

2323

01:42:40,370 --> 01:42:36,800

talking about is consciousness and

2324

01:42:42,560 --> 01:42:40,380

because if we get stuck on the concept

2325

01:42:45,200 --> 01:42:42,570

of reptilians greys and these specific

2326
01:42:48,200 --> 01:42:45,210
lineages that are managing this what do

2327
01:42:50,300 --> 01:42:48,210
we do the human goes into this panic

2328
01:42:52,700 --> 01:42:50,310
mode of concealing completely helpless

2329
01:42:54,920 --> 01:42:52,710
not just from that perspective but based

2330
01:42:57,650 --> 01:42:54,930
on their technology they by far we feel

2331
01:43:00,350 --> 01:42:57,660
that they overpower us know what I'm

2332
01:43:03,350 --> 01:43:00,360
here to do is to remind you as a human

2333
01:43:05,540 --> 01:43:03,360
that the human body actually has one of

2334
01:43:08,619 --> 01:43:05,550
the most advanced bio technologies in

2335
01:43:11,529 --> 01:43:08,629
this universe in this creation

2336
01:43:15,599 --> 01:43:11,539
and when we learn how to destroy those

2337
01:43:18,549 --> 01:43:15,609
programs we can become conscious and

2338
01:43:21,509 --> 01:43:18,559

remove ourselves from that quote-unquote

2339

01:43:24,209 --> 01:43:21,519

matrix or this kind of a reality this

2340

01:43:26,589 --> 01:43:24,219

holographic reality that we are sharing

2341

01:43:29,500 --> 01:43:26,599

you know Jimmy consciousness is very

2342

01:43:32,949 --> 01:43:29,510

complex you know we are actually in a

2343

01:43:35,409 --> 01:43:32,959

sense sharing this kind of shared

2344

01:43:37,899 --> 01:43:35,419

creation all of us are projecting this

2345

01:43:40,810 --> 01:43:37,909

reality but in other words we are being

2346

01:43:43,000 --> 01:43:40,820

told how to project and why to project

2347

01:43:45,429 --> 01:43:43,010

what we're doing so that's a lack of

2348

01:43:48,969 --> 01:43:45,439

tremendous consciousness that we have to

2349

01:43:52,779 --> 01:43:48,979

become aware of how can and we're gonna

2350

01:43:55,959 --> 01:43:52,789

head towards a break right here how can

2351

01:43:59,739 --> 01:43:55,969

I understand you know changing DNA that

2352

01:44:05,619 --> 01:43:59,749

happens all the time that is a pure

2353

01:44:08,020 --> 01:44:05,629

physical situation but how can we come

2354

01:44:10,899 --> 01:44:08,030

up against something that is so much

2355

01:44:14,529 --> 01:44:10,909

more advanced than us and actually just

2356

01:44:19,330 --> 01:44:14,539

say no and stop this is I mean could you

2357

01:44:21,279 --> 01:44:19,340

have stopped it yes absolutely and I and

2358

01:44:22,810 --> 01:44:21,289

I that's why I am grateful for the

2359

01:44:25,119 --> 01:44:22,820

experiences that I've had because they

2360

01:44:26,859 --> 01:44:25,129

helped me as let's say as an

2361

01:44:29,589 --> 01:44:26,869

investigator as a researcher to

2362

01:44:32,439 --> 01:44:29,599

understand how to transcend these kinds

2363

01:44:34,029 --> 01:44:32,449

of experiences all that we're talking

2364

01:44:37,469 --> 01:44:34,039

about and here's the bottom line this is

2365

01:44:40,529 --> 01:44:37,479

where we merge spirituality

2366

01:44:44,319 --> 01:44:40,539

consciousness with the alien

2367

01:44:46,750 --> 01:44:44,329

extraterrestrial phenomena if you go far

2368

01:44:48,429 --> 01:44:46,760

deep into spirituality you will be met

2369

01:44:50,229 --> 01:44:48,439

with alien phenomena because you're

2370

01:44:52,810 --> 01:44:50,239

gonna look at the history the origins of

2371

01:44:54,459 --> 01:44:52,820

life on this planet if you go far into

2372

01:44:55,689 --> 01:44:54,469

the alien phenomena and do all your

2373

01:44:57,009 --> 01:44:55,699

research you're gonna be met with

2374

01:44:58,359 --> 01:44:57,019

spirituality because sooner or later

2375

01:45:00,429 --> 01:44:58,369

you're gonna have the question of

2376

01:45:03,580 --> 01:45:00,439

consciousness and multi-dimensional

2377

01:45:05,500 --> 01:45:03,590

presence and those are the things that

2378

01:45:08,290 --> 01:45:05,510

we need to start educating ourselves in

2379

01:45:10,389 --> 01:45:08,300

in order to understand how to how to

2380

01:45:12,669 --> 01:45:10,399

move through this reality that we have

2381

01:45:15,189 --> 01:45:12,679

been heavily Mis educated on what we're

2382

01:45:17,169 --> 01:45:15,199

actually experiencing here on earth we

2383

01:45:19,060 --> 01:45:17,179

are in a multi-dimensional reality our

2384

01:45:21,910 --> 01:45:19,070

bodies are multi-dimensional which means

2385

01:45:25,180 --> 01:45:21,920

that we are experiencing things in the

2386

01:45:28,900 --> 01:45:25,190

school and also in other ways our senses

2387

01:45:30,910 --> 01:45:28,910

are our tools to help us understand how

2388

01:45:33,459 --> 01:45:30,920

to communicate on on other dimensions I

2389

01:45:35,770 --> 01:45:33,469

know this as an experience or because of

2390

01:45:38,229 --> 01:45:35,780

my experience and how they were able to

2391

01:45:39,820 --> 01:45:38,239

disable my emotions for example they

2392

01:45:42,100 --> 01:45:39,830

were able to manipulate what I was

2393

01:45:43,090 --> 01:45:42,110

seeing they were able to you know make

2394

01:45:45,189 --> 01:45:43,100

me feel something

2395

01:45:48,220 --> 01:45:45,199

take away my feeling from feeling pain

2396

01:45:50,830 --> 01:45:48,230

suffering all those things not just

2397

01:45:53,439 --> 01:45:50,840

physical but aftermath of the abduction

2398

01:45:56,370 --> 01:45:53,449

experiences so that allows us to

2399

01:45:59,860 --> 01:45:56,380

understand that consciousness can be

2400

01:46:01,959 --> 01:45:59,870

manipulated now its manipulated because

2401
01:46:04,900 --> 01:46:01,969
we are not conscious of what's happening

2402
01:46:07,030 --> 01:46:04,910
if a human becomes aware of the function

2403
01:46:09,010 --> 01:46:07,040
of his body and what he's capable of

2404
01:46:11,110 --> 01:46:09,020
he can change and transform any

2405
01:46:13,810 --> 01:46:11,120
experience that he is going through

2406
01:46:16,900 --> 01:46:13,820
anything absolutely anything and this is

2407
01:46:19,750 --> 01:46:16,910
the thing that is important to let

2408
01:46:23,200 --> 01:46:19,760
people know that if you feel powerless

2409
01:46:25,870 --> 01:46:23,210
at any moment in your life you know that

2410
01:46:28,450 --> 01:46:25,880
powerless feeling creates fragmentation

2411
01:46:32,470 --> 01:46:28,460
of the soul of yourself as a whole and

2412
01:46:33,939 --> 01:46:32,480
that basically it makes you further and

2413
01:46:35,620 --> 01:46:33,949

further into this matrix you get

2414

01:46:39,250 --> 01:46:35,630

entangled more and more into the

2415

01:46:40,540 --> 01:46:39,260

illusion of what we're living in let me

2416

01:46:43,030 --> 01:46:40,550

jump in right there I gotta take a break

2417

01:46:47,979 --> 01:46:43,040

but I was going to say it's kind of like

2418

01:46:48,280 --> 01:46:47,989

watching CNN and Fox News I guess

2419

01:46:51,160 --> 01:46:48,290

tonight

2420

01:46:52,510 --> 01:46:51,170

Geraldine Orosco we're heading straight

2421

01:46:55,870 --> 01:46:52,520

into overtime

2422

01:46:57,970 --> 01:46:55,880

so don't panic everyone the conversation

2423

01:46:59,860 --> 01:46:57,980

is gonna continue right after this short

2424

01:47:03,760 --> 01:46:59,870

break stay with us this is fade to black

2425

01:47:07,940 --> 01:47:03,770

on the game changer Network in kg RA the

2426

01:47:07,950 --> 01:47:16,820

[Music]

2427

01:47:21,000 --> 01:47:20,370

all right welcome back over time fade to

2428

01:47:26,000 --> 01:47:21,010

black

2429

01:47:30,620 --> 01:47:26,010

I guess tonight Gerald Dana Rosco now

2430

01:47:32,820 --> 01:47:30,630

very very intriguing and and might I say

2431

01:47:36,030 --> 01:47:32,830

comprehensive conversation tonight

2432

01:47:38,520 --> 01:47:36,040

geraldine and i want to actually go back

2433

01:47:42,690 --> 01:47:38,530

to a couple of points that you made

2434

01:47:44,870 --> 01:47:42,700

earlier that i want to understand more

2435

01:47:48,360 --> 01:47:44,880

of what's going on where you described

2436

01:47:52,140 --> 01:47:48,370

rows and rows and rows and rows of these

2437

01:47:55,260 --> 01:47:52,150

these tanks in these tubes with the I

2438

01:48:00,000 --> 01:47:55,270

guess fetus or you know embryos growing

2439

01:48:05,100 --> 01:48:00,010

in them on these ships where are though

2440

01:48:08,340 --> 01:48:05,110

are those going back into women on this

2441

01:48:10,080 --> 01:48:08,350

planet to to grow we're aware of those

2442

01:48:12,360 --> 01:48:10,090

going are those going on earth are they

2443

01:48:15,150 --> 01:48:12,370

going somewhere else it's such a great

2444

01:48:19,320 --> 01:48:15,160

question um you know they do not go back

2445

01:48:20,880 --> 01:48:19,330

into women here these these specifics so

2446

01:48:23,729 --> 01:48:20,890

as I was saying there are different

2447

01:48:26,820 --> 01:48:23,739

hybridization programs and the one that

2448

01:48:29,280 --> 01:48:26,830

is happening on earth these can be

2449

01:48:31,290 --> 01:48:29,290

genetically modified from the craft and

2450

01:48:35,760 --> 01:48:31,300

then inserted in the women sometimes

2451

01:48:40,140 --> 01:48:35,770

sometimes but other times they these

2452

01:48:43,350 --> 01:48:40,150

hybrids are either kept on the craft or

2453

01:48:45,300 --> 01:48:43,360

taken to other I guess dimensions to

2454

01:48:46,770 --> 01:48:45,310

carry out whatever their agenda is it

2455

01:48:50,430 --> 01:48:46,780

really depends on the agenda that

2456

01:48:52,470 --> 01:48:50,440

they're trying to carry out let's I know

2457

01:48:55,200 --> 01:48:52,480

that there are many different agendas

2458

01:48:59,400 --> 01:48:55,210

some of my children that were coming

2459

01:49:01,860 --> 01:48:59,410

from the draconian for example they are

2460

01:49:05,070 --> 01:49:01,870

not even human they are like these

2461

01:49:07,260 --> 01:49:05,080

interdimensional beings which to us

2462

01:49:09,479 --> 01:49:07,270

would probably look like monsters you

2463

01:49:12,240 --> 01:49:09,489

know they wouldn't look like humans but

2464

01:49:14,760 --> 01:49:12,250

they hold our genetic material they hope

2465

01:49:17,240 --> 01:49:14,770

they hold our DNA and they are placed in

2466

01:49:19,350 --> 01:49:17,250

other realities or they are carried out

2467

01:49:22,590 --> 01:49:19,360

you know there's many different things

2468

01:49:24,479 --> 01:49:22,600

going on in our reality Jimmy and that's

2469

01:49:26,160 --> 01:49:24,489

why I try to explain it from the highest

2470

01:49:27,959 --> 01:49:26,170

perspective so you can kind of get an

2471

01:49:30,149 --> 01:49:27,969

overview of how this info

2472

01:49:33,450 --> 01:49:30,159

is being kind of moved around our

2473

01:49:34,979 --> 01:49:33,460

current reality the way that we want to

2474

01:49:37,080 --> 01:49:34,989

look at things is from our physical

2475

01:49:39,509 --> 01:49:37,090

planet right we want to see the child in

2476

01:49:41,819 --> 01:49:39,519

front of us some of these children they

2477

01:49:45,660 --> 01:49:41,829

don't grow older than what they are and

2478

01:49:49,020 --> 01:49:45,670

that's for a reason when children are

2479

01:49:51,959 --> 01:49:49,030

from the ages of birth until seven they

2480

01:49:53,939 --> 01:49:51,969

are they in a sense they are very pure

2481

01:49:56,189 --> 01:49:53,949

energetically they are very open to all

2482

01:49:59,939 --> 01:49:56,199

their energy centers are fully open they

2483

01:50:02,009 --> 01:49:59,949

are very programmable they can be shift

2484

01:50:04,649 --> 01:50:02,019

to change manipulate in any number of

2485

01:50:06,719 --> 01:50:04,659

ways so my belief is that they keep

2486

01:50:10,080 --> 01:50:06,729

aside these children that actually don't

2487

01:50:14,040 --> 01:50:10,090

age they're not made to be life lifelong

2488

01:50:16,500 --> 01:50:14,050

beings are used for specific things they

2489

01:50:18,390 --> 01:50:16,510

can be terrible things or maybe good

2490

01:50:20,399 --> 01:50:18,400

things okay it just depends on the

2491

01:50:22,979 --> 01:50:20,409

agenda that they're carrying out other

2492

01:50:24,899 --> 01:50:22,989

other of these children are put into the

2493

01:50:27,359 --> 01:50:24,909

planet like for example me and you the

2494

01:50:31,700 --> 01:50:27,369

babies that are being born right now

2495

01:50:34,500 --> 01:50:31,710

that's another genetic program that

2496

01:50:37,680 --> 01:50:34,510

depending on which program is being put

2497

01:50:40,319 --> 01:50:37,690

in these children are either higher

2498

01:50:41,910 --> 01:50:40,329

consciousness more evolved beings and

2499

01:50:43,979 --> 01:50:41,920

we're seeing that we can look at Mary

2500

01:50:47,129 --> 01:50:43,989

rod Wells work which I'm sure there's

2501
01:50:48,899 --> 01:50:47,139
some question right exactly and she

2502
01:50:50,700 --> 01:50:48,909
studies this she studies how these

2503
01:50:53,189 --> 01:50:50,710
hybrids that are being put on the planet

2504
01:50:55,979 --> 01:50:53,199
are you know absolutely different they

2505
01:50:59,009 --> 01:50:55,989
have they have these activated abilities

2506
01:51:02,459 --> 01:50:59,019
to have psychic abilities all kinds of

2507
01:51:05,310 --> 01:51:02,469
gifts even children that that seemed to

2508
01:51:08,129 --> 01:51:05,320
be part of the spectrum are actually you

2509
01:51:10,469 --> 01:51:08,139
know hybrid children so there's many

2510
01:51:13,020 --> 01:51:10,479
things going on at once and

2511
01:51:15,719 --> 01:51:13,030
the takeaway is that it's from our

2512
01:51:17,669 --> 01:51:15,729
genetic material and depending on what

2513
01:51:19,169 --> 01:51:17,679

is being created from there some of

2514

01:51:23,430 --> 01:51:19,179

these children that are coming down with

2515

01:51:25,529 --> 01:51:23,440

high vibration and goals which means in

2516

01:51:27,839 --> 01:51:25,539

other words to raise consciousness to

2517

01:51:31,290 --> 01:51:27,849

come wake up people to help them see

2518

01:51:33,120 --> 01:51:31,300

what's happening to open their eyes and

2519

01:51:35,759 --> 01:51:33,130

get past the illusion of this material

2520

01:51:37,140 --> 01:51:35,769

matrix that we live in you know that's

2521

01:51:39,450 --> 01:51:37,150

what they're there for and they're there

2522

01:51:41,910 --> 01:51:39,460

to help us as markers to understand that

2523

01:51:44,850 --> 01:51:41,920

as humans were not just these human

2524

01:51:47,700 --> 01:51:44,860

pigs or reproductive systems or you know

2525

01:51:49,770 --> 01:51:47,710

feeling constant feeding of certain

2526

01:51:53,400 --> 01:51:49,780

organisms that are indeed feeding off

2527

01:51:57,090 --> 01:51:53,410

our lower vibration expression so what's

2528

01:52:00,270 --> 01:51:57,100

so special about our DNA yeah and it's

2529

01:52:02,370 --> 01:52:00,280

precisely the fact that it is it holds

2530

01:52:03,990 --> 01:52:02,380

massive amounts of information which

2531

01:52:06,660 --> 01:52:04,000

means that it can be programmed it's

2532

01:52:09,480 --> 01:52:06,670

programmable it can be shifted it can be

2533

01:52:11,850 --> 01:52:09,490

altered that's what makes the human DNA

2534

01:52:13,650 --> 01:52:11,860

so interesting and it's not just human I

2535

01:52:15,720 --> 01:52:13,660

mean we're basically we're not we're not

2536

01:52:18,180 --> 01:52:15,730

human in other words we are we are

2537

01:52:20,190 --> 01:52:18,190

genetically modified race we're just

2538

01:52:22,140 --> 01:52:20,200

different races with did with different

2539

01:52:24,810 --> 01:52:22,150

genetic modifications for whatever and

2540

01:52:28,200 --> 01:52:24,820

the goal is required and that

2541

01:52:31,140 --> 01:52:28,210

consciousness will direct where these

2542

01:52:33,360 --> 01:52:31,150

programs will be led okay they can be

2543

01:52:35,700 --> 01:52:33,370

led to the expansion of other races on

2544

01:52:38,130 --> 01:52:35,710

other planets which indeed is is real

2545

01:52:41,010 --> 01:52:38,140

you know there are many actually almost

2546

01:52:44,490 --> 01:52:41,020

every planet is inhabited by other

2547

01:52:46,320 --> 01:52:44,500

beings other species I don't want to run

2548

01:52:51,600 --> 01:52:46,330

out of time tonight and speaking on that

2549

01:52:54,900 --> 01:52:51,610

directly you've you've the four of your

2550

01:52:57,390 --> 01:52:54,910

children that that you do know yes do

2551

01:52:59,370 --> 01:52:57,400

you ever wonder where they are

2552

01:53:03,540 --> 01:52:59,380

and what they're doing today do you miss

2553

01:53:05,490 --> 01:53:03,550

them I you know I've gone through a

2554

01:53:08,370 --> 01:53:05,500

certain emotional roller coaster with

2555

01:53:10,350 --> 01:53:08,380

that but I'm a kind of person that I I'd

2556

01:53:11,970 --> 01:53:10,360

like to be a realist and I like to be

2557

01:53:14,700 --> 01:53:11,980

really real about what's happening here

2558

01:53:16,350 --> 01:53:14,710

and the more I understand that this is

2559

01:53:19,020 --> 01:53:16,360

an exchange of consciousness that we're

2560

01:53:21,510 --> 01:53:19,030

experiencing I don't tend to have any

2561

01:53:24,090 --> 01:53:21,520

illusions of connections necessarily to

2562

01:53:27,300 --> 01:53:24,100

them that are emotional because it

2563

01:53:29,220 --> 01:53:27,310

doesn't make sense Jimmy you know we are

2564

01:53:31,020 --> 01:53:29,230

being my material my genetic material

2565

01:53:32,820 --> 01:53:31,030

has been utilized to create many

2566

01:53:36,000 --> 01:53:32,830

different organisms not just those

2567

01:53:38,670 --> 01:53:36,010

children and the purpose is not that

2568

01:53:41,250 --> 01:53:38,680

connection or with them it is an

2569

01:53:43,080 --> 01:53:41,260

awakening a realization in education of

2570

01:53:46,380 --> 01:53:43,090

what we are as humans and that's what's

2571

01:53:49,020 --> 01:53:46,390

important I mean ultimately we are all

2572

01:53:50,910 --> 01:53:49,030

one we are not disconnected we are one

2573

01:53:52,770 --> 01:53:50,920

consciousness so whether my

2574

01:53:55,310 --> 01:53:52,780

consciousness here is Geraldine in the

2575

01:53:57,410 --> 01:53:55,320

human body or that

2576
01:54:00,050 --> 01:53:57,420
hybrid which holds my genetic material

2577
01:54:01,399 --> 01:54:00,060
there's a reason for that consciousness

2578
01:54:04,339 --> 01:54:01,409
to be there and it is basically a

2579
01:54:06,080 --> 01:54:04,349
fragment of myself so I'm not separate

2580
01:54:08,089 --> 01:54:06,090
from that we're not separate from any of

2581
01:54:10,250 --> 01:54:08,099
us each other you know we are all

2582
01:54:12,859 --> 01:54:10,260
fragments of each other experiencing

2583
01:54:15,709 --> 01:54:12,869
this consciousness and that's the way I

2584
01:54:17,689 --> 01:54:15,719
choose to look at it because I believe

2585
01:54:19,430 --> 01:54:17,699
that it's necessary for us to look at it

2586
01:54:21,680 --> 01:54:19,440
that way so that we can understand as

2587
01:54:23,930 --> 01:54:21,690
consciousness how to move through this

2588
01:54:26,270 --> 01:54:23,940

evolution through this human human

2589

01:54:28,850 --> 01:54:26,280

experience which is its

2590

01:54:30,919 --> 01:54:28,860

multi-dimensional it's in dream time we

2591

01:54:33,319 --> 01:54:30,929

are active we are also experiencing

2592

01:54:34,910 --> 01:54:33,329

things in deaths we are experiencing

2593

01:54:38,060 --> 01:54:34,920

things in our level of conscious

2594

01:54:39,919 --> 01:54:38,070

awareness will define those experiences

2595

01:54:42,560 --> 01:54:39,929

so it's really important that we become

2596

01:54:45,200 --> 01:54:42,570

aware of that now well you mentioned the

2597

01:54:46,729 --> 01:54:45,210

Nephilim earlier and I wanted to get

2598

01:54:49,520 --> 01:54:46,739

back to your four other children that

2599

01:54:51,560 --> 01:54:49,530

you haven't met and hopefully we'll have

2600

01:54:54,020 --> 01:54:51,570

time to get back to that but you

2601
01:55:01,660 --> 01:54:54,030
mentioned the Nephilim and this altering

2602
01:55:04,060 --> 01:55:01,670
of DNA is very similar to the way that

2603
01:55:07,760 --> 01:55:04,070
Sitchin introduced us to the the

2604
01:55:10,609 --> 01:55:07,770
Anunnaki and what went down 150 thousand

2605
01:55:12,649 --> 01:55:10,619
two hundred thousand years ago where the

2606
01:55:15,080 --> 01:55:12,659
human race suddenly just appeared Homo

2607
01:55:20,030 --> 01:55:15,090
sapiens sapiens we just appeared on this

2608
01:55:22,250 --> 01:55:20,040
planet is this the same program that you

2609
01:55:25,790 --> 01:55:22,260
are referring to now the same altering

2610
01:55:27,680 --> 01:55:25,800
of the DNA yeah well you know I haven't

2611
01:55:29,209 --> 01:55:27,690
read Sitchin's work and I had to be

2612
01:55:31,189 --> 01:55:29,219
honest Jimmy I'll be honest I haven't

2613
01:55:33,979 --> 01:55:31,199

read anyone's work and the reason why is

2614

01:55:36,560 --> 01:55:33,989

because I'm trying to preserve my

2615

01:55:40,069 --> 01:55:36,570

information okay for its purity and the

2616

01:55:41,839 --> 01:55:40,079

way I received it why because it's a

2617

01:55:44,180 --> 01:55:41,849

different record a different perspective

2618

01:55:46,580 --> 01:55:44,190

of looking at these things when I was

2619

01:55:48,109 --> 01:55:46,590

shown the Nephilim and again I didn't

2620

01:55:51,319 --> 01:55:48,119

know who they were before I heard that

2621

01:55:53,180 --> 01:55:51,329

name you know I was shown these beings

2622

01:55:56,149 --> 01:55:53,190

that have like these beaks these dark

2623

01:55:58,280 --> 01:55:56,159

tall beings and when I when I went to my

2624

01:55:59,300 --> 01:55:58,290

computer to put together a presentation

2625

01:56:00,950 --> 01:55:59,310

I was asked to put together a

2626

01:56:03,319 --> 01:56:00,960

presentation on this information I

2627

01:56:06,649 --> 01:56:03,329

started to do research on it and what

2628

01:56:08,020 --> 01:56:06,659

did I look up I looked up these Anunnaki

2629

01:56:10,300 --> 01:56:08,030

beans and

2630

01:56:12,130 --> 01:56:10,310

looked at how they are basically all

2631

01:56:14,500 --> 01:56:12,140

around the world are found all around

2632

01:56:18,070 --> 01:56:14,510

the world and I came across Hitchens

2633

01:56:20,320 --> 01:56:18,080

work and what was in parallel in the

2634

01:56:22,210 --> 01:56:20,330

information that I received was the

2635

01:56:24,370 --> 01:56:22,220

different locations of the earth of

2636

01:56:27,670 --> 01:56:24,380

which these beings were you know

2637

01:56:29,290 --> 01:56:27,680

creating life and modifying genes but

2638

01:56:32,350 --> 01:56:29,300

something that I didn't see in his work

2639

01:56:34,510 --> 01:56:32,360

and I did see in my regression from the

2640

01:56:39,280 --> 01:56:34,520

limited amount that I saw during that

2641

01:56:44,470 --> 01:56:39,290

research was an understanding of how you

2642

01:56:46,690 --> 01:56:44,480

know the me Royal bloodlines or original

2643

01:56:49,900 --> 01:56:46,700

bloodlines were modified through history

2644

01:56:52,660 --> 01:56:49,910

so it's beginning in Mesopotamia and

2645

01:56:55,270 --> 01:56:52,670

then going through Africa going through

2646

01:56:58,450 --> 01:56:55,280

you know the southern Europe to northern

2647

01:57:01,930 --> 01:56:58,460

Europe to the US and then evolving from

2648

01:57:03,940 --> 01:57:01,940

there so when we look at history all

2649

01:57:06,610 --> 01:57:03,950

around the world we have the same

2650

01:57:08,440 --> 01:57:06,620

movement of this genetic lineage so

2651
01:57:10,180 --> 01:57:08,450
there's definitely something to that

2652
01:57:13,060 --> 01:57:10,190
there's something to that that we need

2653
01:57:15,190 --> 01:57:13,070
to pay attention we have petroglyphs of

2654
01:57:17,260 --> 01:57:15,200
the Annunaki around the world from the

2655
01:57:19,390 --> 01:57:17,270
sumaré to their Syrians to the Egyptians

2656
01:57:22,110 --> 01:57:19,400
to the aneest people to the Mayans the

2657
01:57:25,480 --> 01:57:22,120
Gilgamesh we have it in Persia Greece

2658
01:57:27,820 --> 01:57:25,490
Bolivia which is where I'm from you know

2659
01:57:30,400 --> 01:57:27,830
the South Sea Islands American Indians

2660
01:57:33,670 --> 01:57:30,410
and a lot of ancient lore ancient

2661
01:57:36,520 --> 01:57:33,680
tablets I mentioned that the Emerald

2662
01:57:39,460 --> 01:57:36,530
tablets the Sumerian cuneiform they all

2663
01:57:41,380 --> 01:57:39,470

have the same similar story and in a

2664

01:57:43,930 --> 01:57:41,390

time where we we are taught that there

2665

01:57:45,820 --> 01:57:43,940

was not technology for communication how

2666

01:57:49,600 --> 01:57:45,830

was it that this information spread

2667

01:57:51,310 --> 01:57:49,610

around the world like that you know what

2668

01:57:54,430 --> 01:57:51,320

I understood is that the genetic

2669

01:57:57,280 --> 01:57:54,440

modification happens from the race that

2670

01:57:59,050 --> 01:57:57,290

comes extraterrestrial and I go through

2671

01:58:02,110 --> 01:57:59,060

this in my presentation you know from

2672

01:58:04,330 --> 01:58:02,120

from this race that enters into the into

2673

01:58:06,910 --> 01:58:04,340

the planet but the modification is done

2674

01:58:10,240 --> 01:58:06,920

on a much larger scale it is actually

2675

01:58:12,670 --> 01:58:10,250

done through the Sun and the Sun is

2676

01:58:16,600 --> 01:58:12,680

actually functioning like an antenna

2677

01:58:19,390 --> 01:58:16,610

which provides information to all other

2678

01:58:20,710 --> 01:58:19,400

planets within a certain galaxy so if

2679

01:58:21,700 --> 01:58:20,720

they want to genetically modify

2680

01:58:22,959 --> 01:58:21,710

something

2681

01:58:26,800 --> 01:58:22,969

they're gonna do it many different ways

2682

01:58:29,380 --> 01:58:26,810

one of those ways is by changing the

2683

01:58:32,350 --> 01:58:29,390

frequency that the Sun is emitting to

2684

01:58:35,440 --> 01:58:32,360

all living beings within a galaxy okay

2685

01:58:38,170 --> 01:58:35,450

and this is how is also related to

2686

01:58:40,780 --> 01:58:38,180

programmable consciousness and what we

2687

01:58:45,570 --> 01:58:40,790

can really we can the name for that is

2688

01:58:48,130 --> 01:58:45,580

is GU that's what's been made known the

2689

01:58:50,680 --> 01:58:48,140

concept of GU which is programmable

2690

01:58:52,630 --> 01:58:50,690

consciousness something it's technology

2691

01:58:55,600 --> 01:58:52,640

it's it's some kind of biotechnology

2692

01:58:58,030 --> 01:58:55,610

that's programmable it's basically the

2693

01:59:00,430 --> 01:58:58,040

thread or the substance of which our

2694

01:59:05,070 --> 01:59:00,440

realities is made from in other words

2695

01:59:11,530 --> 01:59:08,170

where does free will fit into all of

2696

01:59:13,900 --> 01:59:11,540

this then that's the part where I'm

2697

01:59:20,950 --> 01:59:13,910

getting a little bit foggy here but but

2698

01:59:24,430 --> 01:59:20,960

but I'm not so sure that free will is is

2699

01:59:26,520 --> 01:59:24,440

also part of our reality now I'm just

2700

01:59:30,130 --> 01:59:26,530

talking about on a scientific

2701
01:59:31,660 --> 01:59:30,140
mathematical physics map situation here

2702
01:59:33,760 --> 01:59:31,670
where everything is inevitable it's

2703
01:59:36,720 --> 01:59:33,770
gonna play out nature's gonna do its

2704
01:59:40,150 --> 01:59:36,730
thing you just think you have free will

2705
01:59:43,470 --> 01:59:40,160
but in in the way that you're describing

2706
01:59:48,610 --> 01:59:43,480
it here it sounds like free will is not

2707
01:59:49,959 --> 01:59:48,620
part help me out yeah so and and you're

2708
01:59:51,490 --> 01:59:49,969
right I mean the way that we look at it

2709
01:59:53,560 --> 01:59:51,500
from this perspective we feel completely

2710
01:59:55,150 --> 01:59:53,570
helpless and that we are basically at

2711
01:59:57,459 --> 01:59:55,160
the mercy of all of these things not

2712
01:59:59,350 --> 01:59:57,469
just our reality but the physics of this

2713
02:00:03,880 --> 01:59:59,360

creation are limiting our ability to

2714

02:00:05,920 --> 02:00:03,890

even move but free will and this is why

2715

02:00:08,680 --> 02:00:05,930

I talked about consciousness and why I

2716

02:00:11,560 --> 02:00:08,690

talked about the perspective of looking

2717

02:00:15,220 --> 02:00:11,570

at these things not to get tied up in

2718

02:00:16,900 --> 02:00:15,230

the concept of reptilian races or you

2719

02:00:20,080 --> 02:00:16,910

know these different kinds of races that

2720

02:00:22,360 --> 02:00:20,090

we feel are negatively imposing on the

2721

02:00:24,760 --> 02:00:22,370

humans here taking genetic material

2722

02:00:26,890 --> 02:00:24,770

without our permission we need to

2723

02:00:29,430 --> 02:00:26,900

understand there's another level to this

2724

02:00:32,890 --> 02:00:29,440

and that level is consciousness as

2725

02:00:35,560 --> 02:00:32,900

infinite consciousness we are fractals

2726

02:00:39,520 --> 02:00:35,570

of that consciousness experiencing

2727

02:00:43,630 --> 02:00:39,530

this human life and in this human

2728

02:00:47,860 --> 02:00:43,640

dimension we are experiencing our our

2729

02:00:50,500 --> 02:00:47,870

life but in a sense we have agreement to

2730

02:00:51,880 --> 02:00:50,510

how we're going to experience this how

2731

02:00:53,970 --> 02:00:51,890

do we make those agreements we make

2732

02:00:57,400 --> 02:00:53,980

those agreements based on the aggregate

2733

02:01:00,810 --> 02:00:57,410

experience of our entire history of

2734

02:01:04,780 --> 02:01:00,820

being human or participating in this

2735

02:01:07,120 --> 02:01:04,790

consciousness so from the origin of your

2736

02:01:09,430 --> 02:01:07,130

of your existence we talked about those

2737

02:01:12,280 --> 02:01:09,440

lineages of your father and mother all

2738

02:01:14,200 --> 02:01:12,290

those historical lineages that we are

2739

02:01:17,020 --> 02:01:14,210

sharing with what I call a network

2740

02:01:18,520 --> 02:01:17,030

that's your family your family are all

2741

02:01:21,550 --> 02:01:18,530

the people that you share information

2742

02:01:24,730 --> 02:01:21,560

with we are cycling in those families

2743

02:01:27,940 --> 02:01:24,740

through certain experiences through

2744

02:01:30,220 --> 02:01:27,950

certain pain and it's basically what

2745

02:01:32,440 --> 02:01:30,230

that consciousness has chosen to

2746

02:01:35,470 --> 02:01:32,450

experience through the embodiment of

2747

02:01:37,360 --> 02:01:35,480

that ancestral lineage so it's gonna pop

2748

02:01:39,910 --> 02:01:37,370

up in your great-great-grandfather and

2749

02:01:42,370 --> 02:01:39,920

the same the same dilemma the same

2750

02:01:44,590 --> 02:01:42,380

blockage the same concept belief system

2751
02:01:47,650 --> 02:01:44,600
is gonna be popping up in your own

2752
02:01:49,360 --> 02:01:47,660
mother or your own self and what that

2753
02:01:51,460 --> 02:01:49,370
allows us to understand is that we're

2754
02:01:54,910 --> 02:01:51,470
cycling through these kinds of patterns

2755
02:01:57,270 --> 02:01:54,920
of behavior that what is lacking is the

2756
02:02:01,780 --> 02:01:57,280
conscious awareness the conscious

2757
02:02:04,870 --> 02:02:01,790
evolution from those thought programs we

2758
02:02:06,910 --> 02:02:04,880
transform that and we now change the

2759
02:02:09,280 --> 02:02:06,920
vibration of our entire organism as a

2760
02:02:12,220 --> 02:02:09,290
human we then have the ability to

2761
02:02:15,070 --> 02:02:12,230
experience other forms of reality other

2762
02:02:17,170 --> 02:02:15,080
things so when we finish our life here

2763
02:02:19,480 --> 02:02:17,180

this current timeline we can move on to

2764

02:02:22,920 --> 02:02:19,490

other aspects of our of our reality I

2765

02:02:26,080 --> 02:02:22,930

want you to imagine for a moment that

2766

02:02:29,460 --> 02:02:26,090

there's a web you are at the center of

2767

02:02:33,180 --> 02:02:29,470

that web and your consciousness is

2768

02:02:36,160 --> 02:02:33,190

wherever you are aware is what is

2769

02:02:37,720 --> 02:02:36,170

experiencing at that moment okay so

2770

02:02:39,700 --> 02:02:37,730

you're at the center you're aware of

2771

02:02:41,380 --> 02:02:39,710

this present moment listening to this

2772

02:02:44,740 --> 02:02:41,390

radio show that's where your conscious

2773

02:02:46,570 --> 02:02:44,750

awareness is however to this web there

2774

02:02:48,280 --> 02:02:46,580

are other aspects of yourself that are

2775

02:02:49,300 --> 02:02:48,290

conscious that can be conscious

2776

02:02:51,730 --> 02:02:49,310

depending on

2777

02:02:53,470 --> 02:02:51,740

your access to them so the more that we

2778

02:02:56,020 --> 02:02:53,480

become conscious of the other fragments

2779

02:02:58,660 --> 02:02:56,030

of our cell which are basically

2780

02:03:01,630 --> 02:02:58,670

dispersed within multiple dimensions of

2781

02:03:05,410 --> 02:03:01,640

our reality we have alien aspects of

2782

02:03:07,210 --> 02:03:05,420

ourselves we have animal aspects of

2783

02:03:10,560 --> 02:03:07,220

ourselves we have many different parts

2784

02:03:12,820 --> 02:03:10,570

of ourselves we are interrelated and

2785

02:03:15,940 --> 02:03:12,830

connected with other beings as well

2786

02:03:17,260 --> 02:03:15,950

which are sharing those experiences so

2787

02:03:18,850 --> 02:03:17,270

the reason why I'm taking it to this

2788

02:03:22,630 --> 02:03:18,860

level because I want you to understand

2789

02:03:24,610 --> 02:03:22,640

that as a human race we are connected

2790

02:03:26,710 --> 02:03:24,620

with those extraterrestrials that are

2791

02:03:30,370 --> 02:03:26,720

also experiencing we are heavily

2792

02:03:33,340 --> 02:03:30,380

connected with them so ultimately where

2793

02:03:36,910 --> 02:03:33,350

our freewill comes in is where our

2794

02:03:39,910 --> 02:03:36,920

consciousness is aware so if you become

2795

02:03:42,100 --> 02:03:39,920

conscious on this level and on other

2796

02:03:44,440 --> 02:03:42,110

levels like for example in dream time

2797

02:03:46,240 --> 02:03:44,450

you become conscious you you start to

2798

02:03:48,580 --> 02:03:46,250

practice and train yourself with lucid

2799

02:03:50,830 --> 02:03:48,590

dreaming you now become aware of another

2800

02:03:52,570 --> 02:03:50,840

dimension of reality which you learn how

2801
02:03:53,770 --> 02:03:52,580
to navigate you learn to control you

2802
02:03:56,530 --> 02:03:53,780
learn how to become aware of your

2803
02:03:58,720 --> 02:03:56,540
physical body or your your non-physical

2804
02:04:02,110 --> 02:03:58,730
body and you can navigate those planes

2805
02:04:04,480 --> 02:04:02,120
so because in these planes this is where

2806
02:04:06,490 --> 02:04:04,490
this contact occurs it occurs in other

2807
02:04:08,800 --> 02:04:06,500
dimensions of reality we're talking

2808
02:04:10,560 --> 02:04:08,810
about interdimensional beings here we

2809
02:04:12,790 --> 02:04:10,570
want to give them the name of

2810
02:04:14,680 --> 02:04:12,800
extraterrestrials because our concept of

2811
02:04:18,400 --> 02:04:14,690
reality is just the physical earth and

2812
02:04:20,740 --> 02:04:18,410
then space as it was shown to us but in

2813
02:04:23,800 --> 02:04:20,750

reality we are moving in and out of

2814

02:04:25,660 --> 02:04:23,810

dimensions all the time so we have to

2815

02:04:27,550 --> 02:04:25,670

learn how to navigate these physical

2816

02:04:29,770 --> 02:04:27,560

planes these dimensions of reality

2817

02:04:32,140 --> 02:04:29,780

physical and non-physical planes pardon

2818

02:04:34,870 --> 02:04:32,150

me these dimensions of reality so

2819

02:04:39,340 --> 02:04:34,880

freewill comes in when we become aware

2820

02:04:41,410 --> 02:04:39,350

when we become conscious beings that are

2821

02:04:44,200 --> 02:04:41,420

aware of how they are navigating those

2822

02:04:46,180 --> 02:04:44,210

spaces and from there you can decide

2823

02:04:48,310 --> 02:04:46,190

whether you wish to participate in those

2824

02:04:51,460 --> 02:04:48,320

things whether it serves you to do so or

2825

02:04:53,560 --> 02:04:51,470

not and that's how somebody can decide

2826

02:04:55,720 --> 02:04:53,570

not to participate in the hybridization

2827

02:04:57,880 --> 02:04:55,730

program the more that you work on

2828

02:05:01,420 --> 02:04:57,890

becoming conscious and aware you can

2829

02:05:02,179 --> 02:05:01,430

demand and start to manipulate your

2830

02:05:05,330 --> 02:05:02,189

experience

2831

02:05:08,899 --> 02:05:05,340

by defining whether you wish to you know

2832

02:05:13,339 --> 02:05:08,909

be taken for example I'll give you an

2833

02:05:16,520 --> 02:05:13,349

example even though their technology is

2834

02:05:18,250 --> 02:05:16,530

very powerful if you say that you do not

2835

02:05:21,890 --> 02:05:18,260

want to be a part of it they will not

2836

02:05:24,890 --> 02:05:21,900

touch you you can opt out you can opt

2837

02:05:27,890 --> 02:05:24,900

out you can opt out and and the the

2838

02:05:30,969 --> 02:05:27,900

bloodlines that you have referred to

2839

02:05:36,339 --> 02:05:30,979

which I believe are absolutely 100% real

2840

02:05:41,149 --> 02:05:36,349

are they aware of consciously I be

2841

02:05:43,310 --> 02:05:41,159

actually aware of not only this entire

2842

02:05:46,580 --> 02:05:43,320

program but the connection to off-planet

2843

02:05:48,649 --> 02:05:46,590

and the second half of that question out

2844

02:05:51,620 --> 02:05:48,659

so we can get it both in before the end

2845

02:05:55,729 --> 02:05:51,630

of the show the government is our

2846

02:05:59,810 --> 02:05:55,739

government in in cahoots do they have

2847

02:06:03,439 --> 02:05:59,820

agreements with these off-planet races

2848

02:06:06,229 --> 02:06:03,449

for this program yeah so I was talking

2849

02:06:09,649 --> 02:06:06,239

about how the original origin lineages

2850

02:06:12,919 --> 02:06:09,659

have now been developed in two main

2851

02:06:15,319 --> 02:06:12,929

blood family's bloodline families that

2852

02:06:19,759 --> 02:06:15,329

are basically running our reality right

2853

02:06:23,060 --> 02:06:19,769

now they own 147 companies people own

2854

02:06:27,100 --> 02:06:23,070

our world they run the show they decide

2855

02:06:31,060 --> 02:06:27,110

how we are living our lives okay and

2856

02:06:34,159 --> 02:06:31,070

that being said these bloodlines are

2857

02:06:36,799 --> 02:06:34,169

defining you know how we spend our money

2858

02:06:38,479 --> 02:06:36,809

how we do things how how what we're

2859

02:06:42,709 --> 02:06:38,489

eating did the pharmaceuticals that

2860

02:06:46,279 --> 02:06:42,719

we're ingesting into our body and so the

2861

02:06:48,589 --> 02:06:46,289

answer is is yes they are they are aware

2862

02:06:51,919 --> 02:06:48,599

that they are a part of these program

2863

02:06:53,689 --> 02:06:51,929

family lines but you need to look at it

2864

02:06:55,729 --> 02:06:53,699

from the concept of consciousness and

2865

02:06:58,549 --> 02:06:55,739

how conscious works again as I mentioned

2866

02:07:02,540 --> 02:06:58,559

earlier when consciousness rejects

2867

02:07:05,479 --> 02:07:02,550

itself it becomes parasitic so this

2868

02:07:07,399 --> 02:07:05,489

conscious person this being this essence

2869

02:07:10,279 --> 02:07:07,409

of consciousness has decided I no longer

2870

02:07:12,770 --> 02:07:10,289

want to be conscious and aware so now I

2871

02:07:14,689 --> 02:07:12,780

will go into and when consciousness

2872

02:07:15,560 --> 02:07:14,699

doesn't become aware we go into the

2873

02:07:17,900 --> 02:07:15,570

lower level

2874

02:07:19,700 --> 02:07:17,910

of our of our of our body into the lower

2875

02:07:22,070 --> 02:07:19,710

levels of existence are vibrational

2876

02:07:24,530 --> 02:07:22,080

frequency now becomes parasitic meaning

2877

02:07:27,800 --> 02:07:24,540

that we require from others to survive

2878

02:07:29,630 --> 02:07:27,810

that means that now we're doing you know

2879

02:07:32,480 --> 02:07:29,640

terrible things to take from other

2880

02:07:36,350 --> 02:07:32,490

people so this is what it is so this

2881

02:07:39,110 --> 02:07:36,360

this this governing organism that has

2882

02:07:42,830 --> 02:07:39,120

taken over our reality has become

2883

02:07:45,140 --> 02:07:42,840

parasitic to take from those beings that

2884

02:07:48,650 --> 02:07:45,150

are incarnated in this planet to

2885

02:07:50,240 --> 02:07:48,660

experience life to feed off of them you

2886

02:07:52,130 --> 02:07:50,250

know that's why they talk about these

2887

02:07:54,380 --> 02:07:52,140

archons and these beings that are

2888

02:07:56,990 --> 02:07:54,390

feeding off of us that is extremely real

2889

02:07:59,060 --> 02:07:57,000

and it's so real that you know it's it's

2890

02:08:01,700 --> 02:07:59,070

worse than than a horror movie really

2891

02:08:03,380 --> 02:08:01,710

because the technology that is being put

2892

02:08:06,620 --> 02:08:03,390

into our reality the things that are

2893

02:08:09,020 --> 02:08:06,630

being manipulated are meant to keep you

2894

02:08:11,270 --> 02:08:09,030

as a human in a state of survival in a

2895

02:08:13,160 --> 02:08:11,280

state of suffering pain the belief that

2896

02:08:18,800 --> 02:08:13,170

you are helpless that you are incapable

2897

02:08:20,960 --> 02:08:18,810

and that is a lie complete untruths of

2898

02:08:23,150 --> 02:08:20,970

what we are as humans so when

2899

02:08:25,880 --> 02:08:23,160

consciousness becomes aware of itself it

2900

02:08:27,860 --> 02:08:25,890

can then choose not to experience those

2901

02:08:30,620 --> 02:08:27,870

things and it has the ability to discern

2902

02:08:32,840 --> 02:08:30,630

what is real and what is not so that's

2903

02:08:37,100 --> 02:08:32,850

where we need to educate ourselves so

2904

02:08:40,550 --> 02:08:37,110

and when we are you know not conscious

2905

02:08:42,560 --> 02:08:40,560

we are thinking that what we're doing is

2906

02:08:44,330 --> 02:08:42,570

so it's okay it's okay to be parasitic

2907

02:08:46,340 --> 02:08:44,340

it's okay to take from others so we have

2908

02:08:49,190 --> 02:08:46,350

to check ourselves just like these

2909

02:08:51,440 --> 02:08:49,200

family lineages have chosen that state

2910

02:08:54,110 --> 02:08:51,450

of consciousness it doesn't mean that it

2911

02:08:57,260 --> 02:08:54,120

makes it wrong Jimmy because in this

2912

02:09:00,320 --> 02:08:57,270

reality we have duality and in this

2913

02:09:02,330 --> 02:09:00,330

dimension it's based on the law of three

2914

02:09:04,730 --> 02:09:02,340

we have the father the mother and the

2915

02:09:06,890 --> 02:09:04,740

son we have positive negative and the

2916

02:09:10,070 --> 02:09:06,900

product of that of that combination of

2917

02:09:11,870 --> 02:09:10,080

energy which creates life okay that's

2918

02:09:15,800 --> 02:09:11,880

the basic law of creation in this

2919

02:09:19,880 --> 02:09:15,810

reality so in that same way we require

2920

02:09:22,250 --> 02:09:19,890

both dualistic existences to create to

2921

02:09:24,110 --> 02:09:22,260

create everything so we need both of

2922

02:09:26,810 --> 02:09:24,120

those and as a matter of fact in order

2923

02:09:29,450 --> 02:09:26,820

for a human to become conscious they

2924

02:09:32,150 --> 02:09:29,460

need to be able to integrate

2925

02:09:34,430 --> 02:09:32,160

dualistic aspects of themselves they

2926

02:09:36,290 --> 02:09:34,440

need to be aware of both sides accept

2927

02:09:38,180 --> 02:09:36,300

them understand them learn them educate

2928

02:09:39,970 --> 02:09:38,190

themselves on what they are so that they

2929

02:09:43,130 --> 02:09:39,980

can then become whole and complete

2930

02:09:45,200 --> 02:09:43,140

that's just the right natural physics of

2931

02:09:48,260 --> 02:09:45,210

nature of everything in this reality

2932

02:09:50,120 --> 02:09:48,270

it's a delicate balance between you know

2933

02:09:52,520 --> 02:09:50,130

good and bad between positive and

2934

02:09:54,230 --> 02:09:52,530

negative energy so that's the kind of

2935

02:09:56,210 --> 02:09:54,240

perspective we need to have when we

2936

02:09:57,860 --> 02:09:56,220

think about these things the government

2937

02:10:01,610 --> 02:09:57,870

is very much doing these things to

2938

02:10:03,440 --> 02:10:01,620

deconstruct to heavily invert what is pure

2939

02:10:05,270 --> 02:10:03,450

what is divine what is right in this

2940

02:10:07,250 --> 02:10:05,280

reality and we have to have the

2941

02:10:09,710 --> 02:10:07,260

consciousness to be able to be aware and

2942

02:10:11,420 --> 02:10:09,720

discern what is true from what they're

2943

02:10:13,820 --> 02:10:11,430

telling us and what we're watching and

2944

02:10:16,340 --> 02:10:13,830

pull away from that you know we need to

2945

02:10:19,070 --> 02:10:16,350

come into a state of purification of

2946

02:10:23,150 --> 02:10:19,080

cleansing of consciousness to begin to

2947

02:10:25,370 --> 02:10:23,160

become basically free will

2948

02:10:27,020 --> 02:10:25,380

you know we need to take our freewill

2949

02:10:29,810 --> 02:10:27,030

and understand what it means there's a

2950

02:10:31,760 --> 02:10:29,820

responsibility to that what an amazing

2951

02:10:33,530 --> 02:10:31,770

conversation tonight Gerald a now I want

want to remind everybody that tomorrow

2971

02:11:24,980 --> 02:11:22,470

night on o V strong deer is going to be

2972

02:11:26,150 --> 02:11:24,990

here another first-time guest you're not

2973

02:11:28,870 --> 02:11:26,160

going to want to miss tomorrow night

2974

02:11:32,210 --> 02:11:28,880

show Wednesday night it's Kathleen

2975

02:11:33,590 --> 02:11:32,220

Martin and I can't wait for our

2976

02:11:37,630 --> 02:11:33,600

conversation with Kathleen and then

2977

02:11:40,790 --> 02:11:37,640

Thursday night dr. Lynn could tie and

2978

02:11:41,870 --> 02:11:40,800

and speaking with Geraldine right now

2979

02:11:44,209 --> 02:11:41,880

this is one of

2980

02:11:48,140 --> 02:11:44,219

the amazing parts of all of this talking

2981

02:11:49,850 --> 02:11:48,150

about DNA and when we we go back think

2982

02:11:54,370 --> 02:11:49,860

about the amazing conversation that we

2983

02:11:58,129 --> 02:11:54,380

just had tonight right how does a

2984

02:12:02,830 --> 02:11:58,139

particle combine with another particle

2985

02:12:07,700 --> 02:12:02,840

that doesn't have a brain right blood

2986

02:12:12,050 --> 02:12:07,710

how do particles combine at the atomic

2987

02:12:15,020 --> 02:12:12,060

level to the point where her and I are

2988

02:12:18,129 --> 02:12:15,030

having a conversation that you are

2989

02:12:22,669 --> 02:12:18,139

listening to and we are discussing

2990

02:12:24,530 --> 02:12:22,679

consciousness how is that possible

2991

02:12:25,100 --> 02:12:24,540

science doesn't understand how this

2992

02:12:28,580 --> 02:12:25,110

happens

2993

02:12:31,220 --> 02:12:28,590

because a cellphone is made out of those

2994

02:12:33,020 --> 02:12:31,230

same particles this pen is made out of

2995

02:12:36,399 --> 02:12:33,030

those same particles what's the

2996

02:12:38,720 --> 02:12:36,409

difference that makes us who we are

2997

02:12:41,390 --> 02:12:38,730

fascinating conversation tonight thank
