00:05:13,640 --> 00:05:10,770

when you've been abducted it is a

90

00:05:15,620 --> 00:05:13,650

practical handbook for anyone looking

91

00:05:18,740 --> 00:05:15,630

for guidance on how to comprehend

92

00:05:20,840 --> 00:05:18,750

evaluate and digest alien abduction

93

00:05:23,120 --> 00:05:20,850

memories into the framework of life in

94

00:05:25,190 --> 00:05:23,130

the 20th century and her website of

95

00:05:26,690 --> 00:05:25,200

97

00:05:30,860 --> 00:05:28,190

to welcome back to fade to black

98

00:05:33,980 --> 00:05:30,870

Kathleen Martin Kathleen good evening

99

00:05:36,170 --> 00:05:33,990

how are you I'm doing well Jimmy great

100

00:05:39,260 --> 00:05:36,180

to be back with you yeah it's great to

101
00:05:41,480 --> 00:05:39,270
hear your voice you know can I actually

102
00:05:44,420 --> 00:05:41,490
say

103
00:05:46,010 --> 00:05:44,430
I'm just gonna mention this it was great

104
00:05:51,470 --> 00:05:46,020
hanging out with you a contact in the

105
00:05:55,400 --> 00:05:51,480
desert and you hosted the I guess you

106
00:05:59,330 --> 00:05:55,410
could call it the speaker's a little

107
00:06:03,650 --> 00:05:59,340
get-together right I was there I was not

108
00:06:08,000 --> 00:06:03,660
the host well I was there and we met and

109
00:06:10,130 --> 00:06:08,010
we talked forever that was amazing we

110
00:06:12,590 --> 00:06:10,140
sat that I sat down next to her said

111
00:06:15,140 --> 00:06:12,600
Kathleen can we talk and you said

112
00:06:19,250 --> 00:06:15,150
absolutely and we didn't get up for

113
00:06:20,870 --> 00:06:19,260

about 45 minutes it was just yeah yeah

114

00:06:23,930 --> 00:06:20,880

it was a it was an amazing conversation

115

00:06:26,900 --> 00:06:23,940

and I just enjoy hanging out with you

116

00:06:29,150 --> 00:06:26,910

and of course later on you were with us

117

00:06:31,490 --> 00:06:29,160

on fade to black once again at contact

118

00:06:33,230 --> 00:06:31,500

but it was just great hanging out with

119

00:06:35,690 --> 00:06:33,240

you I just think you're so dynamic and

120

00:06:38,840 --> 00:06:35,700

and you've got so much to share and you

121

00:06:40,280 --> 00:06:38,850

are here to to help and and I just want

122

00:06:44,270 --> 00:06:40,290

to thank you for all of that and the

123

00:06:47,390 --> 00:06:44,280

book is an incredible read and you know

124

00:06:49,970 --> 00:06:47,400

I get books all all day long that you

125

00:06:53,330 --> 00:06:49,980

can imagine right and I read as many as

126

00:06:56,240 --> 00:06:53,340

and and this one I couldn't put down

127

00:06:59,840 --> 00:06:56,250

that's the first thing but if I feel

128

00:07:01,550 --> 00:06:59,850

that way what surely the feedback has

129

00:07:05,200 --> 00:07:01,560

been positive what's the feedback been

130

00:07:09,730 --> 00:07:05,210

like the feedback has been

131

00:07:12,680 --> 00:07:09,740

extraordinarily good very positive

132

00:07:15,290 --> 00:07:12,690

people are more excited about this than

133

00:07:18,410 --> 00:07:15,300

any of the other four books that I have

134

00:07:21,160 --> 00:07:18,420

written so I'm I'm just thrilled because

135

00:07:24,230 --> 00:07:21,170

I wrote this for the benefit of

136

00:07:27,080 --> 00:07:24,240

experiencers and for people who love

137

00:07:30,530 --> 00:07:27,090

them and you know for the for the

138

00:07:34,790 --> 00:07:30,540

general public who is interested in this

139

00:07:38,720 --> 00:07:34,800

type of experience what I feel like I

140

00:07:42,950 --> 00:07:38,730

just rudely interrupted you okay okay

141

00:07:45,110 --> 00:07:42,960

because and and you point this out very

142

00:07:48,380 --> 00:07:45,120

clearly in the book and and we talk

143

00:07:51,410 --> 00:07:48,390

about it a lot on this show in that if

144

00:07:52,810 --> 00:07:51,420

you have an experience if you've made

145

00:07:54,910 --> 00:07:52,820

contact

146

00:07:57,700 --> 00:07:54,920

or you know the next step you know in

147

00:08:00,100 --> 00:07:57,710

abduction people don't talk about it and

148

00:08:03,880 --> 00:08:00,110

they don't want to talk about it because

149

00:08:06,340 --> 00:08:03,890

they're scared and they don't want not

150

00:08:08,620 --> 00:08:06,350

only to be embarrassed by friends or

151
00:08:10,930 --> 00:08:08,630
family but today in social media that's

152
00:08:14,410 --> 00:08:10,940
that's that's like everybody's afraid of

153
00:08:16,540 --> 00:08:14,420
that and they they don't know where to

154
00:08:18,520 --> 00:08:16,550
go and there isn't any resources and

155
00:08:20,650 --> 00:08:18,530
they don't know what to do because they

156
00:08:23,560 --> 00:08:20,660
hold it in and that's exactly the

157
00:08:27,190 --> 00:08:23,570
problem that we have today isn't it it

158
00:08:31,350 --> 00:08:27,200
is precisely the problem that people are

159
00:08:34,420 --> 00:08:31,360
very fearful of speaking with anyone

160
00:08:37,210 --> 00:08:34,430
they might have attempted to talk to a

161
00:08:39,790 --> 00:08:37,220
family member they might have talked to

162
00:08:42,370 --> 00:08:39,800
a friend and they've been laughed at

163
00:08:45,580 --> 00:08:42,380

they've been ridiculed they've been told

164

00:08:48,190 --> 00:08:45,590

to go see a psychiatrist or somebody

165

00:08:51,910 --> 00:08:48,200

wanted to know what they had to drink or

166

00:08:55,860 --> 00:08:51,920

smoke that night so you know we have

167

00:08:59,800 --> 00:08:55,870

been covered by a shroud of ridicule

168

00:09:03,880 --> 00:08:59,810

with regard to this field dating all the

169

00:09:07,330 --> 00:09:03,890

way back to the experiences of the

170

00:09:08,620 --> 00:09:07,340

contactees of the 1950's straight up

171

00:09:12,070 --> 00:09:08,630

through the Betty and Barney Hill

172

00:09:14,710 --> 00:09:12,080

experience and on through Charlie

173

00:09:19,780 --> 00:09:14,720

Hickson and Calvin Parker and Travis

174

00:09:23,920 --> 00:09:19,790

Walton and on and on and on it's time

175

00:09:28,350 --> 00:09:23,930

for the ridicule factor to drop this

176

00:09:33,150 --> 00:09:28,360

book I hope will lead to an

177

00:09:36,880 --> 00:09:33,160

understanding of what occurs and will

178

00:09:40,900 --> 00:09:36,890

command some respect for the individuals

179

00:09:43,090 --> 00:09:40,910

who are having these experiences because

180

00:09:47,110 --> 00:09:43,100

you know not all of them are having

181

00:09:50,440 --> 00:09:47,120

contact with extraterrestrials there are

182

00:09:53,500 --> 00:09:50,450

many different reasons for this but it

183

00:09:57,820 --> 00:09:53,510

doesn't need to be presented to ridicule

184

00:09:59,860 --> 00:09:57,830

people or to debunk people it needs to

185

00:10:03,130 --> 00:09:59,870

be presented in a way that will help

186

00:10:07,019 --> 00:10:03,140

people to come to an understanding of

187

00:10:10,480 --> 00:10:07,029

what is happening in their lives is

188

00:10:17,110 --> 00:10:10,490

and this is a very direct question is

189

00:10:18,940 --> 00:10:17,120

there any resources by the medical

190

00:10:22,960 --> 00:10:18,950

professionals out there or the

191

00:10:25,180 --> 00:10:22,970

government for somebody that may be

192

00:10:27,910 --> 00:10:25,190

having these memories or these

193

00:10:33,130 --> 00:10:27,920

experiences is there any open doors

194

00:10:37,269 --> 00:10:33,140

anywhere well I have tried very hard to

195

00:10:40,690 --> 00:10:37,279

open doors and in my position as a

196

00:10:46,230 --> 00:10:40,700

mutual UFO network director of the

197

00:10:51,400 --> 00:10:46,240

experience or research team and we are

198

00:10:55,690 --> 00:10:51,410

attracting professionals who do believe

199

00:10:59,430 --> 00:10:55,700

that this is occurring and professionals

200

00:11:03,250 --> 00:10:59,440

who want to know more about this I have

201
00:11:06,300 --> 00:11:03,260
two psychiatrists on my team now who

202
00:11:09,670 --> 00:11:06,310
have just read recently joined as

203
00:11:13,199 --> 00:11:09,680
consultants and who attend our monthly

204
00:11:15,730 --> 00:11:13,209
training sessions there are other

205
00:11:20,220 --> 00:11:15,740
professionals who attend the monthly

206
00:11:25,449 --> 00:11:20,230
training sessions for my team of 35

207
00:11:31,210 --> 00:11:25,459
compassionate listeners so it is growing

208
00:11:35,110 --> 00:11:31,220
I believe you know dr. John Mack did his

209
00:11:39,970 --> 00:11:35,120
best to educate the medical profession

210
00:11:44,710 --> 00:11:39,980
and the psychological profession to the

211
00:11:48,180 --> 00:11:44,720
reality of this but when John was killed

212
00:11:53,590 --> 00:11:48,190
when he was hit by a car in England

213
00:11:56,440 --> 00:11:53,600

there was an end to this and when I took

214

00:12:02,350 --> 00:11:56,450

over as MUFON director of experience or

215

00:12:06,090 --> 00:12:02,360

research in 2011 one of my goals was to

216

00:12:10,720 --> 00:12:06,100

establish a list of professionals who

217

00:12:13,840 --> 00:12:10,730

for referrals and to educate the

218

00:12:17,310 --> 00:12:13,850

professional community to the reality of

219

00:12:20,470 --> 00:12:17,320

this experience and I'm moving along

220

00:12:26,400 --> 00:12:20,480

slowly but I'm very happy

221

00:12:29,500 --> 00:12:26,410

that I'm moving forward why is it that

222

00:12:31,300 --> 00:12:29,510

society when when we know that the

223

00:12:34,180 --> 00:12:31,310

number is potentially in the millions

224

00:12:36,610 --> 00:12:34,190

right of contactees and experiencers and

225

00:12:40,270 --> 00:12:36,620

abductees but the number is very very

226

00:12:43,540 --> 00:12:40,280

huge but in a professional sense out

227

00:12:45,040 --> 00:12:43,550

there that they immediately and I'm

228

00:12:46,960 --> 00:12:45,050

talking about the doctors and

229

00:12:49,540 --> 00:12:46,970

psychiatrist and professionals that

230

00:12:52,990 --> 00:12:49,550

should be here to help in to assist that

231

00:12:55,150 --> 00:12:53,000

they immediately jump on the skeptical

232

00:12:57,730 --> 00:12:55,160

side they don't really want to hear it

233

00:13:00,970 --> 00:12:57,740

they want to put it up to psychosis or

234

00:13:05,440 --> 00:13:00,980

drugs or imagination and and that's it

235

00:13:08,800 --> 00:13:05,450

this did not happen right that is their

236

00:13:11,320 --> 00:13:08,810

stance there isn't a possibility of it

237

00:13:15,040 --> 00:13:11,330

happening it's an absolute no it's

238

00:13:16,630 --> 00:13:15,050

impossible it has never happened why why

239

00:13:22,170 --> 00:13:16,640

did they take that position so strongly

240

00:13:24,880 --> 00:13:22,180

in my opinion there is something about

241

00:13:27,940 --> 00:13:24,890

psychologists that causes them to become

242

00:13:30,610 --> 00:13:27,950

far more skeptical than physical

243

00:13:33,820 --> 00:13:30,620

scientists if you look at the studies

244

00:13:38,500 --> 00:13:33,830

that have been done periodically over a

245

00:13:43,150 --> 00:13:38,510

period of 40 to 50 years you will find

246

00:13:46,690 --> 00:13:43,160

that people at colleges professors those

247

00:13:50,890 --> 00:13:46,700

various fields have been asked questions

248

00:13:54,630 --> 00:13:50,900

about their belief in UFOs their belief

249

00:13:57,310 --> 00:13:54,640

in contact and always it was the

250

00:14:00,580 --> 00:13:57,320

psychologists who were at the very

251
00:14:03,010 --> 00:14:00,590
bottom having the lowest statistics in

252
00:14:06,490 --> 00:14:03,020
believing that any of this could

253
00:14:10,000 --> 00:14:06,500
possibly be real the physical scientists

254
00:14:14,800 --> 00:14:10,010
believed that it could be the more than

255
00:14:17,850 --> 00:14:14,810
50% the majority but in psychology there

256
00:14:21,510 --> 00:14:17,860
is something about attempting to

257
00:14:23,380 --> 00:14:21,520
attributed to the mind and those

258
00:14:27,430 --> 00:14:23,390
psychologists who are making those

259
00:14:32,740 --> 00:14:27,440
statements have not examined experiences

260
00:14:33,940 --> 00:14:32,750
of et contact because if they had they

261
00:14:36,030 --> 00:14:33,950
would have

262
00:14:40,510 --> 00:14:36,040
been able to realize that these people

263
00:14:43,780 --> 00:14:40,520

are rational they're stable they're not

264

00:14:47,500 --> 00:14:43,790

delusional why would they not be

265

00:14:51,010 --> 00:14:47,510

delusional about anything in their lives

266

00:14:55,230 --> 00:14:51,020

why would they hold steady jobs and

267

00:14:59,860 --> 00:14:55,240

sometimes in professional positions and

268

00:15:05,860 --> 00:14:59,870

be delusional only about this one thing

269

00:15:07,840 --> 00:15:05,870

that occurs to them periodically that's

270

00:15:12,880 --> 00:15:07,850

right and I think that's the point and I

271

00:15:14,950 --> 00:15:12,890

know I don't jump on I'm just speaking

272

00:15:17,410 --> 00:15:14,960

about myself for a second Kathleen I

273

00:15:20,050 --> 00:15:17,420

don't jump on every conspiracy I don't

274

00:15:21,700 --> 00:15:20,060

jump on every fantastical thing it took

275

00:15:27,970 --> 00:15:21,710

me here I'm still on the fence about

276

00:15:30,640 --> 00:15:27,980

Bigfoot I am right but I have seen what

277

00:15:33,730 --> 00:15:30,650

I have seen and I have experienced what

278

00:15:35,620 --> 00:15:33,740

I have experienced and I'm about as

279

00:15:38,260 --> 00:15:35,630

stable as it gets

280

00:15:39,550 --> 00:15:38,270

and there's no way somebody can look at

281

00:15:42,780 --> 00:15:39,560

me and say that I didn't have those

282

00:15:47,530 --> 00:15:42,790

experiences and this right especially

283

00:15:51,280 --> 00:15:47,540

when I've had somebody standing next to

284

00:15:53,410 --> 00:15:51,290

me for the or maybe even dozens if not

285

00:15:55,930 --> 00:15:53,420

hundreds that we've experienced a

286

00:16:00,370 --> 00:15:55,940

sighting together you cannot say that

287

00:16:03,370 --> 00:16:00,380

this did not happen and I know that the

288

00:16:06,160 --> 00:16:03,380

other experiencers out there that want

289

00:16:09,310 --> 00:16:06,170

to talk about this have the same story

290

00:16:11,680 --> 00:16:09,320

in the same experiences that I do and

291

00:16:14,800 --> 00:16:11,690

that that's it that's where it stops it

292

00:16:19,720 --> 00:16:14,810

needs to be taken seriously and it is

293

00:16:22,450 --> 00:16:19,730

not it is so frustrating yes it does

294

00:16:26,440 --> 00:16:22,460

need to be taken seriously but I think

295

00:16:31,090 --> 00:16:26,450

that the to the stars academy of for

296

00:16:35,350 --> 00:16:31,100

arts and science is moving forward in

297

00:16:38,740 --> 00:16:35,360

the direction of acceptability and of

298

00:16:42,210 --> 00:16:38,750

presenting accurate information to the

299

00:16:45,310 --> 00:16:42,220

public the mainstream public on

300

00:16:47,170 --> 00:16:45,320

television and since that article was

301
00:16:47,650 --> 00:16:47,180
written on the front page of the New

302
00:16:52,780 --> 00:16:47,660
York

303
00:16:55,450 --> 00:16:52,790
on December 16 2017 I think that there

304
00:16:59,670 --> 00:16:55,460
has been a little bit of a change in

305
00:17:06,010 --> 00:16:59,680
attitude and I am seeing at conferences

306
00:17:11,470 --> 00:17:06,020
more interest from academics for example

307
00:17:13,540 --> 00:17:11,480
and and I'm happy to see that and they

308
00:17:16,510 --> 00:17:13,550
have definitely and I totally agree with

309
00:17:19,270 --> 00:17:16,520
you they have definitely it's good to

310
00:17:22,569 --> 00:17:19,280
have a good an endless bank account

311
00:17:25,960 --> 00:17:22,579
write a cheque book because yeah right

312
00:17:28,410 --> 00:17:25,970
because you are able to you know get the

313
00:17:31,480 --> 00:17:28,420

right marketing get the right stuff out

314

00:17:34,090 --> 00:17:31,490

produce a good show elevate the presence

315

00:17:36,640 --> 00:17:34,100

that that's something that nobody that I

316

00:17:38,830 --> 00:17:36,650

know of in the UFO community is driving

317

00:17:44,770 --> 00:17:38,840

a Lamborghini do you have a Lamborghini

318

00:17:46,750 --> 00:17:44,780

Cathleen yeah neither do I right and so

319

00:17:50,200 --> 00:17:46,760

and I appreciate that they have

320

00:17:52,990 --> 00:17:50,210

definitely elevated it and gotten it out

321

00:17:55,300 --> 00:17:53,000

there into the public like never before

322

00:17:59,860 --> 00:17:55,310

and it's very exciting times for that

323

00:18:02,350 --> 00:17:59,870

and the one the one point that I want to

324

00:18:04,480 --> 00:18:02,360

get established here because we're going

325

00:18:08,170 --> 00:18:04,490

to be discussing this throughout the

326

00:18:10,450 --> 00:18:08,180

evening is I want some definitions from

327

00:18:14,470 --> 00:18:10,460

you because we talk about these all the

328

00:18:17,170 --> 00:18:14,480

time and probably don't define what

329

00:18:19,840 --> 00:18:17,180

we're talking about and that is you know

330

00:18:22,660 --> 00:18:19,850

what is an experience or what does the

331

00:18:25,360 --> 00:18:22,670

contactee and what is an abductee what

332

00:18:27,310 --> 00:18:25,370

are the differences and let's let's

333

00:18:29,320 --> 00:18:27,320

let's start there for you what is an

334

00:18:32,580 --> 00:18:29,330

experiencer no no let's go on the

335

00:18:37,470 --> 00:18:32,590

backend of it what is it an abductee

336

00:18:41,250 --> 00:18:37,480

well the abduction phenomena began in

337

00:18:46,810 --> 00:18:41,260

1961 when Betty and Barney Hill were

338

00:18:51,370 --> 00:18:46,820

trapped by a UFO that swooped down over

339

00:18:55,000 --> 00:18:51,380

their vehicle and then took control of

340

00:19:00,220 --> 00:18:55,010

the vehicle Betty and Barney removed

341

00:19:01,480 --> 00:19:00,230

them from their location to a remote

342

00:19:04,860 --> 00:19:01,490

area with tall

343

00:19:08,350 --> 00:19:04,870

trees all around opened the car and

344

00:19:13,180 --> 00:19:08,360

actually kidnapped them so they were

345

00:19:15,580 --> 00:19:13,190

abducted because they had absolutely no

346

00:19:17,919 --> 00:19:15,590

intention of having this kind of

347

00:19:22,990 --> 00:19:17,929

experience they were driving home from

348

00:19:27,820 --> 00:19:23,000

vacation and this happened against their

349

00:19:29,710 --> 00:19:27,830

will it caused trauma and especially for

350

00:19:34,840 --> 00:19:29,720

Barney who had conscious recall of

351
00:19:39,040 --> 00:19:34,850
observing the non-human entities and it

352
00:19:43,410 --> 00:19:39,050
went on Travis Walton was abducted it

353
00:19:46,990 --> 00:19:43,420
wasn't a pleasant experience he still

354
00:19:53,280 --> 00:19:47,000
carries a little bit of trauma so many

355
00:19:57,669 --> 00:19:53,290
of those early abductees are just that

356
00:20:00,970 --> 00:19:57,679
abductees and what's a contact II well

357
00:20:04,690 --> 00:20:00,980
we have to go back a decade from Betty

358
00:20:07,960 --> 00:20:04,700
and Barney to the 1950s the the

359
00:20:11,620 --> 00:20:07,970
contactees were the individuals who were

360
00:20:16,570 --> 00:20:11,630
having benevolent contact with space

361
00:20:22,919 --> 00:20:16,580
brothers and even today this has

362
00:20:28,270 --> 00:20:22,929
continued with the contactees who are

363
00:20:32,320 --> 00:20:28,280

having contact with individuals who have

364

00:20:36,430 --> 00:20:32,330

a human appearance who are kind to them

365

00:20:40,510 --> 00:20:36,440

who are nice to them who follow them

366

00:20:44,500 --> 00:20:40,520

again throughout their lifetime but the

367

00:20:48,430 --> 00:20:44,510

experience is positive and even with

368

00:20:52,150 --> 00:20:48,440

contactees we have individuals who have

369

00:20:59,610 --> 00:20:52,160

attempted to have benevolent contact by

370

00:21:04,540 --> 00:20:59,620

going out on ce-5 and having out-of-body

371

00:21:09,370 --> 00:21:04,550

experiences for example having astral

372

00:21:14,380 --> 00:21:09,380

travel to spaceships that sort of thing

373

00:21:15,280 --> 00:21:14,390

it is benevolent it's not terrifying to

374

00:21:17,800 --> 00:21:15,290

these individual

375

00:21:21,730 --> 00:21:17,810

yes so somebody like George Van Tassel

376

00:21:24,580 --> 00:21:21,740

even though he rode on a ship

377

00:21:29,140 --> 00:21:24,590

he wasn't abducted he voluntarily said

378

00:21:30,610 --> 00:21:29,150

let's go he was invited so that would be

379

00:21:32,800 --> 00:21:30,620

the difference there Betty and Barney

380

00:21:35,350 --> 00:21:32,810

against their will Travis against his

381

00:21:38,410 --> 00:21:35,360

will Calvin Parker against their will a

382

00:21:41,170 --> 00:21:38,420

contact D it's not against their will

383

00:21:45,660 --> 00:21:41,180

number one and number two it's a it's a

384

00:21:48,580 --> 00:21:45,670

benevolent experience yes okay and an

385

00:21:51,010 --> 00:21:48,590

experiencer which is which I love the

386

00:21:56,230 --> 00:21:51,020

word somebody are you ready for this I

387

00:22:00,880 --> 00:21:56,240

got into an email spat about two years

388

00:22:04,390 --> 00:22:00,890

ago I had said experience or on coast to

389

00:22:07,210 --> 00:22:04,400

coast and I got that crate that that's

390

00:22:09,340 --> 00:22:07,220

not a word you can't use a word that's

391

00:22:12,610 --> 00:22:09,350

not a word I said what do you mean it's

392

00:22:14,650 --> 00:22:12,620

not a word experience or I love it okay

393

00:22:18,100 --> 00:22:14,660

what's the definition of experience or

394

00:22:22,600 --> 00:22:18,110

well I love it too because John Mac

395

00:22:26,580 --> 00:22:22,610

coined that term and I think that it is

396

00:22:31,000 --> 00:22:26,590

an excellent term that encompasses both

397

00:22:34,750 --> 00:22:31,010

contactees and abductees into one group

398

00:22:38,710 --> 00:22:34,760

so you don't have to think about what

399

00:22:42,310 --> 00:22:38,720

word you want to call somebody you can

400

00:22:47,680 --> 00:22:42,320

just call everyone an experiencer but

401
00:22:51,760 --> 00:22:47,690
those people who are abductees who feel

402
00:22:56,110 --> 00:22:51,770
that they are are entitled to their own

403
00:22:59,200 --> 00:22:56,120
opinion about their own experience and I

404
00:23:03,070 --> 00:22:59,210
do not agree with those individuals who

405
00:23:06,220 --> 00:23:03,080
want to call them contactees likewise

406
00:23:09,340 --> 00:23:06,230
those who are having positive contact

407
00:23:14,170 --> 00:23:09,350
don't want to be called abductees that

408
00:23:19,060 --> 00:23:14,180
it simply doesn't fit so you know I'm a

409
00:23:21,540 --> 00:23:19,070
stickler on that kind of thing because

410
00:23:24,310 --> 00:23:21,550
people have called Betty and Barney

411
00:23:28,899 --> 00:23:24,320
contactees and they certainly were not

412
00:23:33,089 --> 00:23:28,909
and your comments that you just made

413
00:23:37,839 --> 00:23:33,099

about against their will and you know

414

00:23:39,909 --> 00:23:37,849

professionals employment and and what

415

00:23:42,700 --> 00:23:39,919

happened after that and ridicule and

416

00:23:44,979 --> 00:23:42,710

what people go through you went through

417

00:23:47,799 --> 00:23:44,989

that firsthand with your aunt and uncle

418

00:23:49,989 --> 00:23:47,809

Betty and Barney Hill and you're not

419

00:23:53,169 --> 00:23:49,999

you're not making these comments off the

420

00:23:56,109 --> 00:23:53,179

cover from stuff that you've read your

421

00:24:02,529 --> 00:23:56,119

family went through all of this didn't

422

00:24:04,960 --> 00:24:02,539

they yes they did with how bad was it I

423

00:24:07,529 --> 00:24:04,970

mean when it got went I'm the worst of

424

00:24:11,070 --> 00:24:07,539

days how how bad was it

425

00:24:16,089 --> 00:24:11,080

it was very bad for Barney

426

00:24:19,210 --> 00:24:16,099

not so for Betty she was very very

427

00:24:21,159 --> 00:24:19,220

curious she wanted to learn more she

428

00:24:22,149 --> 00:24:21,169

wanted to learn as much as she possibly

429

00:24:25,509 --> 00:24:22,159

could

430

00:24:30,489 --> 00:24:25,519

she talked incessantly about this she

431

00:24:35,529 --> 00:24:30,499

became fixated on it just really wanting

432

00:24:38,469 --> 00:24:35,539

to have the answers for Barney he wanted

433

00:24:42,399 --> 00:24:38,479

to suppress this he wanted to push it

434

00:24:45,430 --> 00:24:42,409

down he didn't want to talk to it and

435

00:24:48,969 --> 00:24:45,440

when Betty and Barney would come to my

436

00:24:50,919 --> 00:24:48,979

childhood home on weekends I grew up

437

00:24:55,659 --> 00:24:50,929

across the street from my grandparents

438

00:24:58,299 --> 00:24:55,669

Betty's parents and often times when

439

00:24:58,930 --> 00:24:58,309

Betty would start talking about that

440

00:25:02,460 --> 00:24:58,940

event

441

00:25:05,979 --> 00:25:02,470

Barney would simply leave the table and

442

00:25:10,629 --> 00:25:05,989

go outside and walk on the back lands of

443

00:25:15,159 --> 00:25:10,639

the farm he was attempting to avoid

444

00:25:19,089 --> 00:25:15,169

those memories he was deeply disturbed

445

00:25:23,049 --> 00:25:19,099

by his conscious recall of observing us

446

00:25:27,330 --> 00:25:23,059

those nonhumans the feeling that he was

447

00:25:32,289 --> 00:25:27,340

going to be captured is the word he used

448

00:25:36,119 --> 00:25:32,299

there as he observed them making some

449

00:25:40,930 --> 00:25:36,129

kind of preparations to capture him and

450

00:25:42,710 --> 00:25:40,940

run screaming back to his car and then

451
00:25:45,080 --> 00:25:42,720
having this series of

452
00:25:47,450 --> 00:25:45,090
buzzing sounds striking the trunk that

453
00:25:50,240 --> 00:25:47,460
caused the tingling sensation through

454
00:25:53,570 --> 00:25:50,250
their bodies caused the car to vibrate

455
00:25:55,970 --> 00:25:53,580
and then finding themselves thirty five

456
00:25:59,930 --> 00:25:55,980
miles down the road is if only a moment

457
00:26:02,390 --> 00:25:59,940
had passed with very little recall of

458
00:26:05,780 --> 00:26:02,400
what had happened in the interim and

459
00:26:09,290 --> 00:26:05,790
then the evidence when they arrived home

460
00:26:13,670 --> 00:26:09,300
physical evidence the torn clothing the

461
00:26:15,680 --> 00:26:13,680
scraped shoes the shiny magnetic spots

462
00:26:19,520 --> 00:26:15,690
in the trunk of the car the watches that

463
00:26:24,500 --> 00:26:19,530

had stopped running the broken binocular

464

00:26:28,970 --> 00:26:24,510

strap so many things that were so

465

00:26:33,320 --> 00:26:28,980

disturbing to Barney and things things

466

00:26:35,390 --> 00:26:33,330

really haven't changed today in the way

467

00:26:37,430 --> 00:26:35,400

that people have to deal with it you're

468

00:26:41,450 --> 00:26:37,440

still going to be terrified if it's a if

469

00:26:43,790 --> 00:26:41,460

it's a bad experience you are you you're

470

00:26:46,610 --> 00:26:43,800

not going to want to go public with it

471

00:26:48,350 --> 00:26:46,620

and if you do it's the things you're

472

00:26:52,010 --> 00:26:48,360

going to face are the same things that

473

00:26:57,230 --> 00:26:52,020

so many have faced in the past and to me

474

00:27:00,710 --> 00:26:57,240

we've gone through three or four phases

475

00:27:04,790 --> 00:27:00,720

of public perception because in the 50s

476

00:27:06,800 --> 00:27:04,800

with the contactees the public there

477

00:27:09,110 --> 00:27:06,810

wasn't that much ridicule as a matter of

478

00:27:12,400 --> 00:27:09,120

fact there was more fascination about

479

00:27:17,720 --> 00:27:12,410

the subject and it felt like it was okay

480

00:27:19,760 --> 00:27:17,730

the 60s it changed radically and by the

481

00:27:24,050 --> 00:27:19,770

time the 70s came around there were a

482

00:27:26,540 --> 00:27:24,060

lot of abductions in in the 70s and it

483

00:27:28,880 --> 00:27:26,550

was a very very harsh experience and

484

00:27:31,430 --> 00:27:28,890

what was going on in the 70s was the

485

00:27:34,010 --> 00:27:31,440

exact opposite of what was happening

486

00:27:36,680 --> 00:27:34,020

in the 50s and you would have thought

487

00:27:39,230 --> 00:27:36,690

that the public perception of it would

488

00:27:43,250 --> 00:27:39,240

have been more sympathetic and more

489

00:27:47,620 --> 00:27:43,260

understanding but it wasn't no it wasn't

490

00:27:51,380 --> 00:27:47,630

because the government was intent upon

491

00:27:54,470 --> 00:27:51,390

suppressing this information and there

492

00:27:55,700 --> 00:27:54,480

were individuals such as Philip Glass

493

00:28:00,409 --> 00:27:55,710

who

494

00:28:04,549 --> 00:28:00,419

read his first book on contact in UFOs

495

00:28:09,470 --> 00:28:04,559

in 1966 John Fuller's book incident at

496

00:28:12,370 --> 00:28:09,480

Exeter and immediately decided that he

497

00:28:16,340 --> 00:28:12,380

needed to do something about this and

498

00:28:19,669 --> 00:28:16,350

according to him but the backstory to

499

00:28:22,240 --> 00:28:19,679

this is that he was under suspicion by

500

00:28:25,010 --> 00:28:22,250

the federal government of espionage and

501
00:28:27,409 --> 00:28:25,020
they were following him he was

502
00:28:35,750 --> 00:28:27,419
associating with a man from the Russian

503
00:28:39,980 --> 00:28:35,760
embassy and he was followed in a boat he

504
00:28:43,149 --> 00:28:39,990
was followed in social activities and he

505
00:28:45,889 --> 00:28:43,159
knew he was being followed he even

506
00:28:46,820 --> 00:28:45,899
contacted the FBI and said I know you're

507
00:28:50,380 --> 00:28:46,830
following me

508
00:28:53,299 --> 00:28:50,390
they even searched his apartment I

509
00:28:57,260 --> 00:28:53,309
suspect that they offered him the

510
00:28:59,870 --> 00:28:57,270
opportunity to save face by doing a job

511
00:29:03,169 --> 00:28:59,880
for them I can't think of any other

512
00:29:05,720 --> 00:29:03,179
reason why he would do that and I wrote

513
00:29:07,940 --> 00:29:05,730

about this in fact fiction and flying

514

00:29:11,120 --> 00:29:07,950

saucers I got received all of this

515

00:29:14,480 --> 00:29:11,130

information at the American

516

00:29:16,490 --> 00:29:14,490

Philosophical Society in Philadelphia

517

00:29:20,149 --> 00:29:16,500

where Philip Glass's

518

00:29:21,080 --> 00:29:20,159

files are where Donald dr. Donald

519

00:29:24,260 --> 00:29:21,090

Menzel's

520

00:29:28,000 --> 00:29:24,270

the the other debunkers our respondents

521

00:29:33,680 --> 00:29:28,010

files are Eddie Condon from the

522

00:29:35,899 --> 00:29:33,690

scientific study of UFOs and Robert Lowe

523

00:29:38,029 --> 00:29:35,909

who was the project coordinator of all

524

00:29:38,930 --> 00:29:38,039

of that there was nobody man that's a

525

00:29:44,529 --> 00:29:38,940

black list

526

00:29:48,230 --> 00:29:44,539

that's why we're all working together

527

00:29:53,060 --> 00:29:48,240

research on this and and there was a

528

00:29:56,659 --> 00:29:53,070

concerted effort to call into question

529

00:30:00,740 --> 00:29:56,669

the sanity of the individuals who were

530

00:30:06,159 --> 00:30:00,750

having these abduction experiences there

531

00:30:09,200 --> 00:30:06,169

was a concerted effort to build a

532

00:30:12,950 --> 00:30:09,210

fantasy story around

533

00:30:16,790 --> 00:30:12,960

the real story filled with conjecture

534

00:30:20,030 --> 00:30:16,800

filled with speculation in order to

535

00:30:23,780 --> 00:30:20,040

confuse the public and remove their

536

00:30:26,180 --> 00:30:23,790

interest from this let's take our break

537

00:30:28,250 --> 00:30:26,190

right here our guest tonight Kathleen

click right there head over to

551
00:31:26,189 --> 00:31:24,159
Kathleen's website where you can get

552
00:31:28,589 --> 00:31:26,199
your own autographed copy I want mine

553
00:31:30,989 --> 00:31:28,599
autographed you know what's funny

554
00:31:32,279 --> 00:31:30,999
when I saw you at MUFON last month I

555
00:31:36,299 --> 00:31:32,289
said I should have brought my book you

556
00:31:41,339 --> 00:31:36,309
should have signed it but I want to talk

557
00:31:42,919 --> 00:31:41,349
about Matt and the reason why I want to

558
00:31:45,869 --> 00:31:42,929
talk about Matt first off it's an

559
00:31:50,549 --> 00:31:45,879
incredible from start to finish it is an

560
00:31:53,849 --> 00:31:50,559
incredible story and journey that needs

561
00:31:56,909 --> 00:31:53,859
to be talked about but the other part of

562
00:32:01,769 --> 00:31:56,919
it is it is a definite warning for those

563
00:32:07,019 --> 00:32:01,779

out there that want to go out and maybe

564

00:32:12,239 --> 00:32:07,029

meet Miguel what you wish for because

565

00:32:14,339 --> 00:32:12,249

that's exactly what what Matt wanted now

566

00:32:18,209 --> 00:32:14,349

let's let's start from the beginning how

567

00:32:24,419 --> 00:32:18,219

did you meet Matt Matt had gotten in

568

00:32:29,639 --> 00:32:24,429

touch with me in 2014 and he was wanting

569

00:32:34,739 --> 00:32:29,649

to talk to me about his UFO experiences

570

00:32:39,349 --> 00:32:34,749

and I was extremely busy as I am now

571

00:32:43,379 --> 00:32:39,359

and so I referred him to a colleague on

572

00:32:48,689 --> 00:32:43,389

MUFON experience her research team and

573

00:32:53,909 --> 00:32:48,699

asked him to speak with him and come to

574

00:32:56,459 --> 00:32:53,919

find out Matt did not speak to him he

575

00:32:59,009 --> 00:32:56,469

thought that he might be ridiculed again

576

00:33:02,159 --> 00:32:59,019

Matt had seen me on television and

577

00:33:06,059 --> 00:33:02,169

thought that it might be safe to talk to

578

00:33:10,649 --> 00:33:06,069

me about his experiences well he tried

579

00:33:14,159 --> 00:33:10,659

again in 2015 and I did have time at

580

00:33:17,009 --> 00:33:14,169

that point to to speak with him to help

581

00:33:18,899 --> 00:33:17,019

him to sort out what was going on he was

582

00:33:25,049 --> 00:33:18,909

very confuse

583

00:33:28,970 --> 00:33:25,059

and his story began in 2010 he was a

584

00:33:32,730 --> 00:33:28,980

commercial pilot who had retired and was

585

00:33:39,119 --> 00:33:32,740

operating a business at a small airport

586

00:33:45,090 --> 00:33:39,129

in the southwest and he one night heard

587

00:33:48,149 --> 00:33:45,100

people outside the hangar outside the

588

00:33:52,080 --> 00:33:48,159

apartment that he was living in up next

589

00:33:55,680 --> 00:33:52,090

to the hangar and so he went outside to

590

00:33:57,779 --> 00:33:55,690

investigate and when he arrived there

591

00:34:00,810 --> 00:33:57,789

were a few people standing around

592

00:34:04,950 --> 00:34:00,820

pointing at the sky and they were saying

593

00:34:08,190 --> 00:34:04,960

see the UFOs up there Matt had never

594

00:34:11,069 --> 00:34:08,200

seen a UFO before it had no interest in

595

00:34:14,819 --> 00:34:11,079

the topic and he said that it was the

596

00:34:18,809 --> 00:34:14,829

purest brightest white light that he had

597

00:34:24,119 --> 00:34:18,819

ever seen and it caused him to develop

598

00:34:29,520 --> 00:34:24,129

an interest in UFOs and he decided to

599

00:34:31,770 --> 00:34:29,530

try to call in craft and so he had a

600

00:34:37,470 --> 00:34:31,780

control tower he went up in the tower

601
00:34:42,720 --> 00:34:37,480
and he started attempting to call in

602
00:34:48,839 --> 00:34:42,730
UFOs using laser pointers and other

603
00:34:54,210 --> 00:34:48,849
things and eventually he did see another

604
00:34:59,300 --> 00:34:54,220
UFO that came in and he had the desire

605
00:35:02,970 --> 00:34:59,310
to sit down and have a nice conversation

606
00:35:06,720 --> 00:35:02,980
with them to to ask them what they were

607
00:35:09,630 --> 00:35:06,730
doing here to learn about them and to

608
00:35:12,660 --> 00:35:09,640
tell them about what life on earth was

609
00:35:19,829 --> 00:35:12,670
about he was completely ignorant about

610
00:35:22,589 --> 00:35:19,839
this topic and they did land take him

611
00:35:25,859 --> 00:35:22,599
yeah yeah yeah let's uh he did a couple

612
00:35:28,290 --> 00:35:25,869
of interesting things you know he's got

613
00:35:30,030 --> 00:35:28,300

an airstrip at his disposal that's the

614

00:35:30,850 --> 00:35:30,040

first thing he's got a hangar he's got a

615

00:35:35,820 --> 00:35:30,860

control

616

00:35:39,760 --> 00:35:35,830

or he lives there so he builds

617

00:35:43,510 --> 00:35:39,770

instructions right lights and and arrows

618

00:35:48,990 --> 00:35:43,520

x marks the spot he builds a landing

619

00:35:51,940 --> 00:35:49,000

right he went through great lengths to

620

00:35:53,560 --> 00:35:51,950

to you know to try to attract them it

621

00:35:57,460 --> 00:35:53,570

kind of reminds me of the whole cargo

622

00:36:00,430 --> 00:35:57,470

cult aspect of this you know where

623

00:36:02,500 --> 00:36:00,440

you'll do anything you can to to get

624

00:36:04,570 --> 00:36:02,510

them to come back and to attract them

625

00:36:09,760 --> 00:36:04,580

and that's exactly what he did didn't he

626

00:36:14,440 --> 00:36:09,770

that is exactly what he did but when

627

00:36:18,880 --> 00:36:14,450

they came back and they came back time

628

00:36:23,350 --> 00:36:18,890

and time again and they started to take

629

00:36:27,520 --> 00:36:23,360

him he changed his mind he wanted to end

630

00:36:33,510 --> 00:36:27,530

it and then he was driving around the

631

00:36:37,570 --> 00:36:33,520

airport on a four-wheeler with a gun and

632

00:36:40,660 --> 00:36:37,580

started shooting at them he called the

633

00:36:44,890 --> 00:36:40,670

mutual UFO network at that time and

634

00:36:48,700 --> 00:36:44,900

there was a field investigator who went

635

00:36:51,940 --> 00:36:48,710

out and actually did observe a craft in

636

00:36:53,610 --> 00:36:51,950

the sky so I was pretty intrigued by

637

00:36:57,610 --> 00:36:53,620

that when I began this investigation

638

00:37:04,120 --> 00:36:57,620

because I knew about muffinz involvement

639

00:37:08,220 --> 00:37:04,130

in this and as time went on things were

640

00:37:14,250 --> 00:37:08,230

becoming more and more difficult for him

641

00:37:17,950 --> 00:37:14,260

he ended up chaining himself to the wall

642

00:37:21,940 --> 00:37:17,960

in a room where he had boarded up the

643

00:37:26,140 --> 00:37:21,950

windows when he went to bed at night to

644

00:37:28,840 --> 00:37:26,150

try to prevent them from taking him one

645

00:37:31,300 --> 00:37:28,850

night he found himself a couple of miles

646

00:37:32,790 --> 00:37:31,310

down the road dressed only in his

647

00:37:38,710 --> 00:37:32,800

underwear

648

00:37:43,800 --> 00:37:38,720

another night there was one that came

649

00:37:45,549 --> 00:37:43,810

into his bedroom and he had a pistol and

650

00:37:49,539 --> 00:37:45,559

he shot

651
00:37:53,799 --> 00:37:49,549
and it disappeared in a blinding flash

652
00:37:57,750 --> 00:37:53,809
of blue light and it left a yellow

653
00:38:01,420 --> 00:37:57,760
substance on the floor and the bed's

654
00:38:05,980 --> 00:38:01,430
foot of the bed and bullets in his

655
00:38:08,740 --> 00:38:05,990
closet door and through his clothing let

656
00:38:11,740 --> 00:38:08,750
me and let's stop right there for a

657
00:38:14,880 --> 00:38:11,750
second because things at this point

658
00:38:17,609 --> 00:38:14,890
sound pretty crazy this is nothing

659
00:38:25,380 --> 00:38:17,619
compared to what happens next for him

660
00:38:30,089 --> 00:38:25,390
and let's back up now you you were sent

661
00:38:33,069 --> 00:38:30,099
literally thousands of files format of

662
00:38:37,059 --> 00:38:33,079
photographs that he had taken of lights

663
00:38:38,740 --> 00:38:37,069

and you had to go through I've done the

664

00:38:42,370 --> 00:38:38,750

same thing too as well I know exactly

665

00:38:46,210 --> 00:38:42,380

what you went through and and you wrote

666

00:38:49,599 --> 00:38:46,220

him back and he said you know send me

667

00:38:52,450 --> 00:38:49,609

the best that you've got right 77 send

668

00:38:56,440 --> 00:38:52,460

me your top ten and so he sent you a few

669

00:38:58,690 --> 00:38:56,450

more dozen right of his best shot but a

670

00:39:02,650 --> 00:38:58,700

couple of these shots and one of them is

671

00:39:06,130 --> 00:39:02,660

in the book by the way stood out didn't

672

00:39:08,859 --> 00:39:06,140

it yes it absolutely did and it would

673

00:39:13,839 --> 00:39:08,869

had also been published in a in a local

674

00:39:18,220 --> 00:39:13,849

newspaper in his area so it did stand

675

00:39:22,780 --> 00:39:18,230

out it looked like it could be a landed

676
00:39:25,510 --> 00:39:22,790
UFO and it had the right colors yeah I

677
00:39:30,549 --> 00:39:25,520
had different photo analysts look at it

678
00:39:33,010 --> 00:39:30,559
and they had differing opinions but the

679
00:39:36,789 --> 00:39:33,020
colors were the thing that really stood

680
00:39:39,700 --> 00:39:36,799
out is being highly unusual and I want

681
00:39:44,530 --> 00:39:39,710
to specifically talk about that moment

682
00:39:47,770 --> 00:39:44,540
because he again here's something see

683
00:39:55,240 --> 00:39:47,780
something walks outside and he describes

684
00:39:58,180 --> 00:39:55,250
it as a hotdog bun right I thought that

685
00:39:58,840 --> 00:39:58,190
was very we always hear cigar shape or

686
00:40:02,620 --> 00:39:58,850
whatever

687
00:40:06,190 --> 00:40:02,630
he says it looked like a 85-foot hotdog

688
00:40:10,360 --> 00:40:06,200

bun yes that was one of the craft that

689

00:40:12,490 --> 00:40:10,370

that landed on his property now when he

690

00:40:15,940 --> 00:40:12,500

walked up to it and touched it how did

691

00:40:20,200 --> 00:40:15,950

he describe it he said that it was very

692

00:40:23,740 --> 00:40:20,210

smooth and very glossy and there were no

693

00:40:27,220 --> 00:40:23,750

seams there were no nuts or bolts or

694

00:40:30,640 --> 00:40:27,230

anything that he could identify as

695

00:40:33,280 --> 00:40:30,650

coming from our planet and using our

696

00:40:36,900 --> 00:40:33,290

technology he tried to get inside that

697

00:40:40,810 --> 00:40:36,910

was his that's what he was trying to do

698

00:40:43,030 --> 00:40:40,820

he would have been crazy to do that he

699

00:40:46,660 --> 00:40:43,040

was trying to get inside and so here he

700

00:40:48,670 --> 00:40:46,670

walks around the entire craft he said it

701
00:40:50,710 --> 00:40:48,680
looked like glass right and he walks

702
00:40:53,980 --> 00:40:50,720
around can't can't find a door can't

703
00:40:55,750 --> 00:40:53,990
find anything and then he finds out that

704
00:40:57,400 --> 00:40:55,760
it wasn't even he thought it was sitting

705
00:41:01,660 --> 00:40:57,410
on the ground and it wasn't it was

706
00:41:04,000 --> 00:41:01,670
actually hovering and he runs inside to

707
00:41:08,110 --> 00:41:04,010
to get his camera right thing to do what

708
00:41:12,420 --> 00:41:08,120
happens next by the time he got outside

709
00:41:15,190 --> 00:41:12,430
it was gone incredible that was

710
00:41:20,020 --> 00:41:15,200
incredible but there were others that

711
00:41:23,350 --> 00:41:20,030
came as well now what he probably did

712
00:41:26,950 --> 00:41:23,360
and this is where the the warning comes

713
00:41:29,020 --> 00:41:26,960

out to everybody he may have had some

714

00:41:33,010 --> 00:41:29,030

kind of benevolent experience in the

715

00:41:35,980 --> 00:41:33,020

very very beginning but it seems that he

716

00:41:39,400 --> 00:41:35,990

might have opened up a portal or maybe

717

00:41:42,430 --> 00:41:39,410

some type of directional beacon to

718

00:41:45,220 --> 00:41:42,440

anybody to come down to that point was

719

00:41:47,760 --> 00:41:45,230

that the mistake that he made that was

720

00:41:51,370 --> 00:41:47,770

the mistakes that he made because he

721

00:41:53,710 --> 00:41:51,380

eventually began to have experiences

722

00:41:58,600 --> 00:41:53,720

that I can only compare to the

723

00:42:02,560 --> 00:41:58,610

skinwalker ranch Timeslips seeing ghosts

724

00:42:07,990 --> 00:42:02,570

and having what appeared to be demonic

725

00:42:11,390 --> 00:42:08,000

activity he describes you know his

726

00:42:15,680 --> 00:42:11,400

encounters and all you could think of

727

00:42:20,170 --> 00:42:15,690

is he is being visited by all kinds of

728

00:42:23,870 --> 00:42:20,180

interdimensional beings and entities

729

00:42:27,769 --> 00:42:23,880

from across the spectrum everybody was

730

00:42:30,410 --> 00:42:27,779

coming by for a visit it seems that way

731

00:42:33,140 --> 00:42:30,420

and and when he told his family they

732

00:42:38,089 --> 00:42:33,150

thought he needed psychiatric help

733

00:42:41,660 --> 00:42:38,099

and he said to his mother just give me a

734

00:42:43,220 --> 00:42:41,670

chance to prove this is real and she

735

00:42:47,779 --> 00:42:43,230

agreed to do that

736

00:42:50,539 --> 00:42:47,789

and she stayed with him and she did see

737

00:42:55,430 --> 00:42:50,549

some of this and one of the things that

738

00:42:59,630 --> 00:42:55,440

she saw was looking out on the airport

739

00:43:03,130 --> 00:42:59,640

and where there should have been a

740

00:43:08,059 --> 00:43:03,140

runway there was a grassy savanna

741

00:43:11,779 --> 00:43:08,069

with mammoths grazing so there is a time

742

00:43:14,660 --> 00:43:11,789

slip and and that was occurring at the

743

00:43:17,239 --> 00:43:14,670

skinwalker ranch as well there's

744

00:43:21,410 --> 00:43:17,249

something that is occurring where these

745

00:43:25,279 --> 00:43:21,420

portals are not only interdimensional

746

00:43:28,009 --> 00:43:25,289

but they seem to be able to move back in

747

00:43:34,430 --> 00:43:28,019

time forward

748

00:43:40,249 --> 00:43:34,440

Ya Ya Ya Ya Ya Ya and there was I have a

749

00:43:42,499 --> 00:43:40,259

very very advanced laser pointer right I

750

00:43:49,489 --> 00:43:42,509

have a you can imagine what I have right

751

00:43:54,319 --> 00:43:49,499

well I've got one of those and he he

752

00:43:56,089 --> 00:43:54,329

used his and he was he I don't know how

753

00:43:59,180 --> 00:43:56,099

to explain this because I think laser

754

00:44:01,039 --> 00:43:59,190

pointers are needed if you're gonna be

755

00:44:03,620 --> 00:44:01,049

doing a sky watch and you're looking up

756

00:44:05,509 --> 00:44:03,630

at the sky and you see an object in your

757

00:44:07,130 --> 00:44:05,519

night vision but nobody else can see it

758

00:44:09,079 --> 00:44:07,140

well you can locate it and show

759

00:44:10,819 --> 00:44:09,089

everybody else where to go and look with

760

00:44:14,539 --> 00:44:10,829

the laser pointer we do it all the time

761

00:44:16,370 --> 00:44:14,549

it's it's one of the tools when you do a

762

00:44:20,690 --> 00:44:16,380

sky watch with a group of people you

763

00:44:23,509 --> 00:44:20,700

need to have it well he he was just out

764

00:44:24,710 --> 00:44:23,519

there going willy-nilly with the laser

765

00:44:27,200 --> 00:44:24,720

pointer and

766

00:44:35,480 --> 00:44:27,210

he kind of got he kind of got slapped

767

00:44:40,280 --> 00:44:35,490

didn't he well he he was informed in a

768

00:44:44,920 --> 00:44:40,290

in a way that they did not want him to

769

00:44:49,190 --> 00:44:44,930

be projecting his lazy laser pointer

770

00:44:52,940 --> 00:44:49,200

into their craft he got warned he got

771

00:44:57,589 --> 00:44:52,950

warned yes yes he was warned and it was

772

00:44:59,960 --> 00:44:57,599

because of his inexperience in the in

773

00:45:01,550 --> 00:44:59,970

the UFO community he didn't know any he

774

00:45:05,660 --> 00:45:01,560

was just out there trying to figure this

775

00:45:08,390 --> 00:45:05,670

out on his own yes he was and whenever

776

00:45:14,120 --> 00:45:08,400

he would report it an investigator would

777

00:45:18,109 --> 00:45:14,130

come out but over time he had run out of

778

00:45:20,650 --> 00:45:18,119

investigators the the UFO investigators

779

00:45:23,000 --> 00:45:20,660

were saying well this is paranormal the

780

00:45:27,310 --> 00:45:23,010

paranormal investigators were saying

781

00:45:30,740 --> 00:45:27,320

well this is UFO and he was left

782

00:45:34,310 --> 00:45:30,750

essentially alone with his family and

783

00:45:39,650 --> 00:45:34,320

and with his friends but a lot of his

784

00:45:43,010 --> 00:45:39,660

family was becoming isolated from him as

785

00:45:46,070 --> 00:45:43,020

well they they just didn't want to be

786

00:45:48,680 --> 00:45:46,080

near what was occurring in his life what

787

00:45:50,810 --> 00:45:48,690

was his demeanor like when you met him

788

00:45:54,920 --> 00:45:50,820

did he seem stable or was he pretty

789

00:46:01,250 --> 00:45:54,930

freaked out oh he I would say that he

790

00:46:05,450 --> 00:46:01,260

was not mentally ill I could say that I

791

00:46:08,210 --> 00:46:05,460

saw no sign of mental illness but at the

792

00:46:13,160 --> 00:46:08,220

same time he was freaked out he had a

793

00:46:18,770 --> 00:46:13,170

high level of anxiety and how did how

794

00:46:23,660 --> 00:46:18,780

did it end well it ended it in a very

795

00:46:26,870 --> 00:46:23,670

unfortunate way because it came to the

796

00:46:30,829 --> 00:46:26,880

point where he simply abandoned his

797

00:46:34,609 --> 00:46:30,839

business one night there was a UFO that

798

00:46:38,870 --> 00:46:34,619

landed outside the hangar there were men

799

00:46:43,070 --> 00:46:38,880

working there with him they went out

800

00:46:47,480 --> 00:46:43,080

he touched this craft and it ejected

801
00:46:52,330 --> 00:46:47,490
some type of substance that sprayed all

802
00:46:54,859 --> 00:46:52,340
of the men he immediately went in to

803
00:47:01,040 --> 00:46:54,869
decontamination took his clothes off

804
00:47:04,820 --> 00:47:01,050
took a shower the men ran away and never

805
00:47:08,060 --> 00:47:04,830
returned he had no one to work with him

806
00:47:12,800 --> 00:47:08,070
now his wife had left him his workers

807
00:47:16,640 --> 00:47:12,810
had left him and eventually it became so

808
00:47:19,730 --> 00:47:16,650
bad that he simply abandoned the

809
00:47:25,040 --> 00:47:19,740
business that he had invested so much

810
00:47:28,609 --> 00:47:25,050
money in he walked away hoping that that

811
00:47:32,690 --> 00:47:28,619
would save his life because when he was

812
00:47:35,780 --> 00:47:32,700
attempting to drive away repeatedly he

813
00:47:39,440 --> 00:47:35,790

would become extremely ill and would

814

00:47:42,230 --> 00:47:39,450

have to return every time and he thought

815

00:47:46,280 --> 00:47:42,240

that it was demonic activity that was

816

00:47:50,480 --> 00:47:46,290

causing this illness in fact I did

817

00:47:52,880 --> 00:47:50,490

call in a very well-known paranormal

818

00:47:56,150 --> 00:47:52,890

investigator and we were going to go

819

00:47:59,500 --> 00:47:56,160

there with cameras we were it was

820

00:48:03,500 --> 00:47:59,510

adjacent to a Native American

821

00:48:06,220 --> 00:48:03,510

reservation and we were had permission

822

00:48:11,450 --> 00:48:06,230

to go there we were planning the trip

823

00:48:16,880 --> 00:48:11,460

when Matt passed away unfortunately it's

824

00:48:21,370 --> 00:48:16,890

an incredible case just incredible from

825

00:48:24,680 --> 00:48:21,380

top to bottom and I've wracked my brain

826

00:48:29,060 --> 00:48:24,690

anyway - I'm just wondering if I've ever

827

00:48:32,450 --> 00:48:29,070

met him and and he's no longer with us

828

00:48:34,970 --> 00:48:32,460

he's somebody that I would would have

829

00:48:38,839 --> 00:48:34,980

loved to have reached out to he needed

830

00:48:40,640 --> 00:48:38,849

to speak you know and he needed to - to

831

00:48:43,270 --> 00:48:40,650

get this this story out there and I

832

00:48:46,040 --> 00:48:43,280

think it stands as a pretty good warning

833

00:48:48,800 --> 00:48:46,050

you need to really know what you're

834

00:48:50,660 --> 00:48:48,810

doing with stuff like this and and he

835

00:48:55,009 --> 00:48:50,670

unfortunately didn't

836

00:48:56,930 --> 00:48:55,019

and what went from UFOs I think turned

837

00:49:01,009 --> 00:48:56,940

into something else that was completely

838

00:49:04,670 --> 00:49:01,019

out of his control yes now there's

839

00:49:11,089 --> 00:49:04,680

another case here that again I didn't

840

00:49:14,900 --> 00:49:11,099

know anything about which is the the

841

00:49:16,730 --> 00:49:14,910

young couple that that got separated

842

00:49:19,370 --> 00:49:16,740

again I think you're running with

843

00:49:22,250 --> 00:49:19,380

pseudonyms here right yes I am

844

00:49:30,470 --> 00:49:22,260

so it's a Janet and and and what's the

845

00:49:35,000 --> 00:49:30,480

boyfriends name where they they were out

846

00:49:40,579 --> 00:49:35,010

there were teenagers and and got

847

00:49:43,099 --> 00:49:40,589

abducted and she went she moved to a

848

00:49:44,059 --> 00:49:43,109

southern state and was separated and

849

00:49:47,120 --> 00:49:44,069

then oh yeah

850

00:49:48,650 --> 00:49:47,130

right yes yes and now I know what

851

00:49:53,450 --> 00:49:48,660

you're talking about

852

00:49:57,700 --> 00:49:53,460

they worked at a summer camp on Long

853

00:50:03,499 --> 00:49:57,710

Island not Long Island on Lake Champlain

854

00:50:08,990 --> 00:50:03,509

in Vermont I believe it was and she was

855

00:50:11,059 --> 00:50:09,000

older than he and she was the the

856

00:50:13,880 --> 00:50:11,069

swimming instructor and the lifeguard

857

00:50:17,960 --> 00:50:13,890

and he took care of the equipment along

858

00:50:21,049 --> 00:50:17,970

the the edge of the lake and one night

859

00:50:24,980 --> 00:50:21,059

this was a swim camp and and all of the

860

00:50:27,380 --> 00:50:24,990

kids went to a swim meet and it left the

861

00:50:33,789 --> 00:50:27,390

two of them and just a few people around

862

00:50:37,749 --> 00:50:33,799

the camp and they were out on the pier

863

00:50:42,319 --> 00:50:37,759

just looking out his night fell and

864

00:50:45,319 --> 00:50:42,329

suddenly they saw what we could only

865

00:50:49,160 --> 00:50:45,329

think of as a mother ship that came in

866

00:50:51,650 --> 00:50:49,170

and released smaller craft they

867

00:50:56,630 --> 00:50:51,660

described it as like an orange ball or a

868

00:51:00,519 --> 00:50:56,640

red ball yes yes yes and and the the

869

00:51:04,520 --> 00:51:00,529

craft one moved in in one direction and

870

00:51:09,640 --> 00:51:04,530

one moved close

871

00:51:13,850 --> 00:51:09,650

to them it ascended into the air it

872

00:51:17,630 --> 00:51:13,860

descended plunged into the water as they

873

00:51:22,670 --> 00:51:17,640

watched it and then it moved through the

874

00:51:27,530 --> 00:51:22,680

water and rose up very very close to

875

00:51:31,550 --> 00:51:27,540

them and he could actually see inside

876

00:51:34,540 --> 00:51:31,560

this craft and described what what

877

00:51:36,680 --> 00:51:34,550

looked like frogs wearing goggles

878

00:51:42,020 --> 00:51:36,690

looking back at him and there was

879

00:51:46,820 --> 00:51:42,030

telepathic communication that they were

880

00:51:51,880 --> 00:51:46,830

there to do no harm and the young woman

881

00:51:55,700 --> 00:51:51,890

at the time just sort of lost

882

00:52:01,870 --> 00:51:55,710

consciousness he then lost consciousness

883

00:52:04,970 --> 00:52:01,880

as well and the next thing they knew

884

00:52:08,060 --> 00:52:04,980

they heard the voices of the kids

885

00:52:12,440 --> 00:52:08,070

returning from the swim meet they were

886

00:52:16,060 --> 00:52:12,450

still down where they had been several

887

00:52:19,820 --> 00:52:16,070

hours had passed and they were

888

00:52:23,150 --> 00:52:19,830

disoriented they remembered parts of

889

00:52:28,820 --> 00:52:23,160

what happened there were witnesses who

890

00:52:32,360 --> 00:52:28,830

did see the craft leaving and they held

891

00:52:36,290 --> 00:52:32,370

on to this story for many many years

892

00:52:40,910 --> 00:52:36,300

until the young man reported it to

893

00:52:46,970 --> 00:52:40,920

Walter Webb Walter Webb was a highly

894

00:52:49,550 --> 00:52:46,980

esteemed UFO investigator he was the

895

00:52:52,640 --> 00:52:49,560

investigator on Betty's and Barney's

896

00:52:54,430 --> 00:52:52,650

case he worked with Allen Hynek he was

897

00:52:59,840 --> 00:52:54,440

an astronomer at the Hayden Planetarium

898

00:53:07,130 --> 00:52:59,850

in Boston and he investigated this case

899

00:53:10,820 --> 00:53:07,140

he tracked down Janet and brought her up

900

00:53:13,910 --> 00:53:10,830

she came up and she met with the young

901
00:53:17,720 --> 00:53:13,920
man they underwent separate hypnosis

902
00:53:18,289 --> 00:53:17,730
sessions and they remembered finding

903
00:53:22,489 --> 00:53:18,299
themselves

904
00:53:25,219 --> 00:53:22,499
on tables in a craft you know the same

905
00:53:27,890 --> 00:53:25,229
story we hear over and over and over

906
00:53:31,459 --> 00:53:27,900
again you know the same scenario was

907
00:53:37,309 --> 00:53:31,469
pretty much the same with a certain

908
00:53:40,279 --> 00:53:37,319
group of entities and Janet had gone on

909
00:53:41,299 --> 00:53:40,289
to college she lived in the southern

910
00:53:46,039 --> 00:53:41,309
state

911
00:53:50,150 --> 00:53:46,049
she was worked at a college and the

912
00:53:54,160 --> 00:53:50,160
young man had sort of done many

913
00:53:59,120 --> 00:53:54,170

different things in his life and

914

00:54:02,599 --> 00:53:59,130

including having repeat experiences very

915

00:54:07,069 --> 00:54:02,609

very interesting case fascinating case

916

00:54:09,679 --> 00:54:07,079

and the I liked the the aspect about

917

00:54:12,019 --> 00:54:09,689

this where there's a 10-year separation

918

00:54:16,519 --> 00:54:12,029

she moves to a southern state they

919

00:54:20,359 --> 00:54:16,529

haven't communicated and Webb was able

920

00:54:23,239 --> 00:54:20,369

to locate her and bring her back do the

921

00:54:27,380 --> 00:54:23,249

separate sessions and then have

922

00:54:30,559 --> 00:54:27,390

everything line up yeah it's an

923

00:54:33,709 --> 00:54:30,569

incredible case and though the one part

924

00:54:37,969 --> 00:54:33,719

about it for me that stands out is his

925

00:54:43,130 --> 00:54:37,979

last memory was she fell unconscious

926
00:54:45,499 --> 00:54:43,140
he was falling unconscious and he just

927
00:54:47,959 --> 00:54:45,509
wanted to protect her and that was the

928
00:54:51,199 --> 00:54:47,969
last memory was him phasing out she's

929
00:54:53,839 --> 00:54:51,209
gone she's out and and he covers her up

930
00:54:56,390 --> 00:54:53,849
and the last memory that he had was the

931
00:54:59,150 --> 00:54:56,400
ship rising out of the water and then

932
00:55:01,189 --> 00:54:59,160
that's it and then they went and did

933
00:55:03,949 --> 00:55:01,199
their sessions ten years later let's

934
00:55:04,459 --> 00:55:03,959
take our next break right here our guest

935
00:55:07,689 --> 00:55:04,469
tonight

936
00:55:10,939 --> 00:55:07,699
Cathleen Martin discussing her new book

937
00:55:13,609 --> 00:55:10,949
extraterrestrial contact what to do when

938
00:55:15,319 --> 00:55:13,619

you've been abducted it is a handbook

939

00:55:15,979 --> 00:55:15,329

and you can get it at Kathleen Martin

940

00:55:17,779 --> 00:55:15,989

calm

941

00:55:23,990 --> 00:55:17,789

this is fade to black I'm Yours Timmy

942

00:55:24,000 --> 00:56:15,120

[Music]

943

00:56:18,070 --> 00:56:17,140

welcome back fade to black our meal

944

00:56:20,080 --> 00:56:18,080

should be Church our guest tonight

945

00:56:22,560 --> 00:56:20,090

Kathleen Martin night three of our

946

00:56:25,570 --> 00:56:22,570

amazing women we here on fade to black

947

00:56:28,690 --> 00:56:25,580

talking about her new book it is it's a

948

00:56:30,250 --> 00:56:28,700

handbook it's a practical guide if you

949

00:56:32,260 --> 00:56:30,260

think you've been abducted

950

00:56:33,520 --> 00:56:32,270

it's called extraterrestrial contact

951
00:56:36,700 --> 00:56:33,530
what to do when you've been abducted

952
00:56:39,340 --> 00:56:36,710
it's a great read I highly recommend it

953
00:56:44,410 --> 00:56:39,350
and Kathleen now what out what I want to

954
00:56:47,530 --> 00:56:44,420
talk about here is what you should do if

955
00:56:50,220 --> 00:56:47,540
you think something strange has happened

956
00:56:55,090 --> 00:56:50,230
that's what the book deals with

957
00:56:59,080 --> 00:56:55,100
specifically and I want to talk the

958
00:57:01,900 --> 00:56:59,090
reason why I want to go here is you had

959
00:57:03,910 --> 00:57:01,910
an experience oh by the way you live in

960
00:57:06,940 --> 00:57:03,920
Florida you've got a hurricane coming

961
00:57:08,920 --> 00:57:06,950
your way I hope that you're safe you're

962
00:57:12,609 --> 00:57:08,930
prepared and and you're good to go

963
00:57:17,740 --> 00:57:12,619

I want to point that out and you you

964

00:57:22,260 --> 00:57:17,750

document an experience that you may have

965

00:57:26,370 --> 00:57:22,270

had while driving in South Florida and

966

00:57:29,770 --> 00:57:26,380

this is a perfect situation for anybody

967

00:57:35,260 --> 00:57:29,780

- it's like the telltale signs right

968

00:57:38,109 --> 00:57:35,270

that's exactly what it is and so let's

969

00:57:40,150 --> 00:57:38,119

talk about what you should do and what

970

00:57:42,580 --> 00:57:40,160

those warning signs may be and we'll

971

00:57:47,050 --> 00:57:42,590

start with your drive in in South

972

00:57:51,700 --> 00:57:47,060

Florida what happened well Denise donor

973

00:57:56,830 --> 00:57:51,710

my father and I had driven down to Tampa

974

00:58:00,730 --> 00:57:56,840

st. Pete area for a MUFON meeting it was

975

00:58:05,109 --> 00:58:00,740

on a Saturday and Paula Harris was there

976
00:58:07,990 --> 00:58:05,119
to speak to the group and Terri Ling you

977
00:58:11,020 --> 00:58:08,000
might be aware of her sure the Mullens

978
00:58:14,349 --> 00:58:11,030
board of directors and she was hosting

979
00:58:18,010 --> 00:58:14,359
the meeting so we we went to the meeting

980
00:58:21,640 --> 00:58:18,020
and we went to a little takeout kind of

981
00:58:26,740 --> 00:58:21,650
restaurant after that I wanted to get

982
00:58:30,510 --> 00:58:26,750
home so we left before anyone else we

983
00:58:33,880 --> 00:58:30,520
finished our food and and then left and

984
00:58:37,930 --> 00:58:33,890
the first thing that happened was I had

985
00:58:41,260 --> 00:58:37,940
my GPS set to drop

986
00:58:47,560 --> 00:58:41,270
Denise off at a location that's halfway

987
00:58:51,190 --> 00:58:47,570
between my house and her house and so my

988
00:58:53,560 --> 00:58:51,200

GPS started malfunctioning and and it

989

00:58:56,110 --> 00:58:53,570

was telling me to drive off the road and

990

00:59:01,000 --> 00:58:56,120

one when this first happened I actually

991

00:59:03,850 --> 00:59:01,010

did and realize that yeah I shouldn't be

992

00:59:06,750 --> 00:59:03,860

here so I turned around and got back on

993

00:59:09,550 --> 00:59:06,760

the highway and I was driving along and

994

00:59:14,980 --> 00:59:09,560

she and my father and I were having a

995

00:59:17,710 --> 00:59:14,990

great exciting conversation when all of

996

00:59:20,730 --> 00:59:17,720

a sudden she and I found kind of an

997

00:59:24,460 --> 00:59:20,740

experience as if we were going up a hill

998

00:59:28,630 --> 00:59:24,470

but there aren't any Hills in that part

999

00:59:30,670 --> 00:59:28,640

of Florida and then we kind of had the

1000

00:59:33,310 --> 00:59:30,680

experience that we're coming down again

1001
00:59:35,980 --> 00:59:33,320
enough I didn't realize she was having

1002
00:59:38,470 --> 00:59:35,990
that experience at the time and she

1003
00:59:41,860 --> 00:59:38,480
didn't realize that I was I just thought

1004
00:59:45,130 --> 00:59:41,870
to myself I must be really tired right

1005
00:59:50,350 --> 00:59:45,140
and this is a perceptual kind of thing

1006
00:59:54,390 --> 00:59:50,360
and all of a sudden my father was sound

1007
00:59:57,250 --> 00:59:54,400
asleep we went from an enjoyable

1008
01:00:01,240 --> 00:59:57,260
conversation to him being sound asleep

1009
01:00:04,810 --> 01:00:01,250
in the backseat and we just drove on to

1010
01:00:09,640 --> 01:00:04,820
that point where Denise had parked her

1011
01:00:12,640 --> 01:00:09,650
car and she got out and when she did she

1012
01:00:17,680 --> 01:00:12,650
discovered that her cell phone that had

1013
01:00:21,490 --> 01:00:17,690

been fully charged was now dead and she

1014

01:00:23,410 --> 01:00:21,500

got into her vehicle I had my flip phone

1015

01:00:26,320 --> 01:00:23,420

that had been turned off the whole time

1016

01:00:28,240 --> 01:00:26,330

and that was working so she called her

1017

01:00:32,890 --> 01:00:28,250

husband and said that she would be right

1018

01:00:36,240 --> 01:00:32,900

home and well she got into her car and

1019

01:00:40,660 --> 01:00:36,250

the dashboard started malfunctioning

1020

01:00:44,230 --> 01:00:40,670

also the she was wearing an inch

1021

01:00:46,539 --> 01:00:44,240

and pump at the time and that started

1022

01:00:49,690 --> 01:00:46,549

buzzing even though it had a full

1023

01:00:55,599 --> 01:00:49,700

battery oh when she wore it that

1024

01:00:58,569 --> 01:00:55,609

afternoon so she headed home and all of

1025

01:01:01,960 --> 01:00:58,579

a sudden she found herself in a new

1026

01:01:05,049 --> 01:01:01,970

location on the other side of a lake

1027

01:01:08,940 --> 01:01:05,059

that she was passing in a kind of a

1028

01:01:13,240 --> 01:01:08,950

quiet almost desolate neighborhood and

1029

01:01:16,740 --> 01:01:13,250

there she remembered that something had

1030

01:01:21,120 --> 01:01:16,750

happened she had a vague memory of a

1031

01:01:24,430 --> 01:01:21,130

fiery orb rising up out of a lake and

1032

01:01:30,900 --> 01:01:24,440

observing a nonhuman entity who was

1033

01:01:34,420 --> 01:01:30,910

familiar she called me the next day and

1034

01:01:36,760 --> 01:01:34,430

she was very concerned about this and

1035

01:01:43,410 --> 01:01:36,770

she was going out with a friend who was

1036

01:01:49,920 --> 01:01:43,420

another no we just lost Kathleen

1037

01:01:58,450 --> 01:01:54,309

okay can you hear me okay that was

1038

01:02:05,760 --> 01:01:58,460

bizarre can you hear me yes I can can

1039

01:02:09,609 --> 01:02:05,770

you hear me okay I can thank goodness I

1040

01:02:16,270 --> 01:02:09,619

don't know what that was but it's a good

1041

01:02:17,589 --> 01:02:16,280

thing that I'm back okay okay anyway I'm

1042

01:02:21,309 --> 01:02:17,599

going to leave that I'm gonna leave

1043

01:02:27,010 --> 01:02:21,319

that's not gonna get edited out was

1044

01:02:31,059 --> 01:02:27,020

magic okay so we left off Denise the

1045

01:02:35,640 --> 01:02:31,069

next day she called you very concerned

1046

01:02:38,589 --> 01:02:35,650

let's let's pick up right there okay she

1047

01:02:41,589 --> 01:02:38,599

was going to go out with another MUFON

1048

01:02:44,740 --> 01:02:41,599

field investigator to investigate that

1049

01:02:49,089 --> 01:02:44,750

area to see if she could remember more

1050

01:02:52,150 --> 01:02:49,099

so they went out there and they did

1051

01:02:54,430 --> 01:02:52,160

their investigation also the

1052

01:02:58,599 --> 01:02:54,440

investigation of Denise's

1053

01:03:02,500 --> 01:02:58,609

car with a Trifield meter and there was

1054

01:03:07,089 --> 01:03:02,510

a strong electromagnetic field anomaly

1055

01:03:11,109 --> 01:03:07,099

in that area of the vehicle so I made

1056

01:03:16,180 --> 01:03:11,119

arrangements for Denis to come to my

1057

01:03:21,120 --> 01:03:16,190

house and I would hypnotize her but

1058

01:03:26,859 --> 01:03:21,130

before that could happen the following

1059

01:03:33,460 --> 01:03:26,869

night I had something happen at my own

1060

01:03:38,950 --> 01:03:33,470

house that was very perplexing I woke up

1061

01:03:45,339 --> 01:03:38,960

with a start with messages being

1062

01:03:50,260 --> 01:03:45,349

downloaded into my head and it was

1063

01:03:52,599 --> 01:03:50,270

coming very very rapidly and I went to

1064

01:03:55,540 --> 01:03:52,609

get out of bed because I wanted to write

1065

01:03:58,900 --> 01:03:55,550

this down and I discovered that I had

1066

01:04:01,270 --> 01:03:58,910

been injured I had a head injury the

1067

01:04:05,380 --> 01:04:01,280

side of my head was extremely painful

1068

01:04:10,240 --> 01:04:05,390

and I couldn't turn over in bed I had a

1069

01:04:16,990 --> 01:04:10,250

back injury my hip was sore and so I

1070

01:04:20,530 --> 01:04:17,000

decided simply to remain in bed and the

1071

01:04:24,280 --> 01:04:20,540

next morning I was still in a great deal

1072

01:04:28,180 --> 01:04:24,290

of pain I ended up eventually having

1073

01:04:32,349 --> 01:04:28,190

physical therapy because of it so that

1074

01:04:33,040 --> 01:04:32,359

caught me to question what had happened

1075

01:04:37,900 --> 01:04:33,050

that night

1076

01:04:41,530 --> 01:04:37,910

and I said to my father I think I had et

1077

01:04:45,250 --> 01:04:41,540

contact last night and my father who was

1078

01:04:51,880 --> 01:04:45,260

living in a small house next to mine my

1079

01:04:56,069 --> 01:04:51,890

guesthouse said I think we did too I saw

1080

01:05:02,559 --> 01:04:56,079

an unusual light outside my window and

1081

01:05:06,430 --> 01:05:02,569

so finally Denis came over and I saw the

1082

01:05:08,050 --> 01:05:06,440

anomaly on her dashboard we had the

1083

01:05:12,610 --> 01:05:08,060

Trifield meter

1084

01:05:15,550 --> 01:05:12,620

we set it down on the kitchen table my

1085

01:05:23,590 --> 01:05:15,560

dining room table and we tested the

1086

01:05:26,140 --> 01:05:23,600

ambient environment and then we walked

1087

01:05:28,870 --> 01:05:26,150

away with it be from it because it kept

1088

01:05:31,690 --> 01:05:28,880

a buzz buzzing but it eventually would

1089

01:05:34,990 --> 01:05:31,700

would drop down to where it should be

1090

01:05:37,690 --> 01:05:35,000

for the ambient environment and we were

1091

01:05:42,220 --> 01:05:37,700

then about a dozen feet away from it and

1092

01:05:48,430 --> 01:05:42,230

when one of us would step toward it it

1093

01:05:51,910 --> 01:05:48,440

would spike again and buzz indicating a

1094

01:05:54,400 --> 01:05:51,920

very very strong electromagnetic field

1095

01:05:58,030 --> 01:05:54,410

but stronger on the electrical range

1096

01:06:02,440 --> 01:05:58,040

then on the Magnetic range interesting

1097

01:06:05,380 --> 01:06:02,450

uh this happened a few times and so I

1098

01:06:09,220 --> 01:06:05,390

was perplexed and I called my husband in

1099

01:06:12,190 --> 01:06:09,230

and I said Charlie we're doing an

1100

01:06:15,310 --> 01:06:12,200

experiment I want you to walk toward

1101

01:06:16,960 --> 01:06:15,320

that Trifield meter and tell me and so

1102

01:06:20,140 --> 01:06:16,970

that we can see what happens I think

1103

01:06:26,770 --> 01:06:20,150

it's malfunctioning and he walked toward

1104

01:06:30,520 --> 01:06:26,780

it and nothing happened in the end

1105

01:06:33,460 --> 01:06:30,530

Denise went home but we did hypnosis but

1106

01:06:36,220 --> 01:06:33,470

Denise did go home and she tested it out

1107

01:06:39,370 --> 01:06:36,230

on her daughter on her husband and on

1108

01:06:40,660 --> 01:06:39,380

her neighbor and none of them had the

1109

01:06:43,510 --> 01:06:40,670

same reaction

1110

01:06:48,600 --> 01:06:43,520

with this Trifield meter that Denise and

1111

01:06:52,080 --> 01:06:48,610

I had on our bodies i hypnotized her and

1112

01:06:56,770 --> 01:06:52,090

she remembered a lot of what she

1113

01:06:58,990 --> 01:06:56,780

recalled consciously and she also

1114

01:07:02,700 --> 01:06:59,000

remembered when she was on the craft

1115

01:07:05,680 --> 01:07:02,710

passing by a room she was being escorted

1116

01:07:09,480 --> 01:07:05,690

rapidly by so she couldn't stop and look

1117

01:07:12,880 --> 01:07:09,490

into this room but she saw a woman who

1118

01:07:16,990 --> 01:07:12,890

was not facing her but this woman was

1119

01:07:20,230 --> 01:07:17,000

wearing what seemed like a necklace or a

1120

01:07:22,000 --> 01:07:20,240

scarf around her neck that's happened to

1121

01:07:25,540 --> 01:07:22,010

be what I was wearing

1122

01:07:30,460 --> 01:07:25,550

that night when we had this strange

1123

01:07:35,800 --> 01:07:30,470

experience while driving and she did

1124

01:07:38,470 --> 01:07:35,810

recall an elderly balding man next to

1125

01:07:41,380 --> 01:07:38,480

this woman which would perfectly

1126

01:07:44,950 --> 01:07:41,390

describe my father I don't know for

1127

01:07:47,620 --> 01:07:44,960

certain if it was us or not but we were

1128

01:07:52,330 --> 01:07:47,630

just sitting there on a bench as she

1129

01:07:56,290 --> 01:07:52,340

passed by they took her in briefly she

1130

01:08:01,930 --> 01:07:56,300

thought to insert another implant into

1131

01:08:05,050 --> 01:08:01,940

her and then they released her and my

1132

01:08:08,260 --> 01:08:05,060

father and I strangely arrived home

1133

01:08:14,140 --> 01:08:08,270

later than we had anticipated that night

1134

01:08:15,160 --> 01:08:14,150

- and then she hypnotized me and under

1135

01:08:18,249 --> 01:08:15,170

hypnosis

1136

01:08:22,450 --> 01:08:18,259

I remembered waking up when I was

1137

01:08:27,280 --> 01:08:22,460

dropped on a table yeah in this craft

1138

01:08:31,360 --> 01:08:27,290

and I was on my side when I was dropped

1139

01:08:36,519 --> 01:08:31,370

and I came face to face with a small

1140

01:08:39,579 --> 01:08:36,529

gray entity it did not look like a

1141

01:08:43,390 --> 01:08:39,589

sentient being I thought that it might

1142

01:08:50,490 --> 01:08:43,400

have been bio robotic it had a very

1143

01:08:55,870 --> 01:08:50,500

round large head and a very flat face

1144

01:08:59,680 --> 01:08:55,880

there were eyes that were outlined in

1145

01:09:03,430 --> 01:08:59,690

silver that appeared to be metallic I

1146

01:09:07,030 --> 01:09:03,440

did not notice a nose I don't think and

1147

01:09:12,729 --> 01:09:07,040

just a little upturned mouth as if it

1148

01:09:15,880 --> 01:09:12,739

had been penciled there I was I was

1149

01:09:22,180 --> 01:09:15,890

injured and the entities who were down

1150

01:09:25,809 --> 01:09:22,190

at the end of the table told said that

1151

01:09:29,320 --> 01:09:25,819

was an accident and I remembered him

1152

01:09:33,030 --> 01:09:29,330

saying well she's a troublemaker isn't

1153

01:09:34,910 --> 01:09:33,040

she see I was writing a book on Denise's

1154

01:09:39,499 --> 01:09:34,920

experiences well he got

1155

01:09:40,970 --> 01:09:39,509

that part right the alien abductions you

1156

01:09:44,240 --> 01:09:40,980

got that part right

1157

01:09:47,209 --> 01:09:44,250

yes I guess they did get that part right

1158

01:09:52,700 --> 01:09:47,219

I guess I am a troublemaker for some of

1159

01:09:56,030 --> 01:09:52,710

them and for those that are listening to

1160

01:09:59,720 --> 01:09:56,040

you recounting this incredible drive in

1161

01:10:02,209 --> 01:09:59,730

Florida and they're going down the check

1162

01:10:04,760 --> 01:10:02,219

marks right well I've had that happen

1163

01:10:08,990 --> 01:10:04,770

I've that yeah okay okay

1164

01:10:13,160 --> 01:10:09,000

at what point should somebody reach out

1165

01:10:17,540 --> 01:10:13,170

and and and try to figure out what may

1166

01:10:22,880 --> 01:10:17,550

have happened to them because it may not

1167

01:10:24,290 --> 01:10:22,890

be a fully remembered you know memory at

1168

01:10:25,760 --> 01:10:24,300

what points should somebody go okay you

1169

01:10:28,450 --> 01:10:25,770

know what this this seems a little

1170

01:10:31,580 --> 01:10:28,460

strange here we need to look into this

1171

01:10:36,490 --> 01:10:31,590

well I always recommend that people

1172

01:10:38,959 --> 01:10:36,500

write what happened in a journal

1173

01:10:40,850 --> 01:10:38,969

immediately because you tend to lose

1174

01:10:43,700 --> 01:10:40,860

memory over time

1175

01:10:48,500 --> 01:10:43,710

I always write everything that I can

1176

01:10:51,350 --> 01:10:48,510

remember immediately and that's what I

1177

01:10:56,209 --> 01:10:51,360

recommend to people I had done that the

1178

01:11:00,200 --> 01:10:56,219

following morning but if they've had

1179

01:11:02,959 --> 01:11:00,210

this experience they might remember more

1180

01:11:08,140 --> 01:11:02,969

about it they could give themselves a

1181

01:11:13,030 --> 01:11:08,150

little time if it is bothering them

1182

01:11:16,040 --> 01:11:13,040

tremendously if they are feeling anxiety

1183

01:11:19,250 --> 01:11:16,050

over it or if they are feeling they've

1184

01:11:22,250 --> 01:11:19,260

been traumatized by it I would recommend

1185

01:11:27,080 --> 01:11:22,260

that they make an appointment to see a

1186

01:11:31,160 --> 01:11:27,090

professional who can help them and they

1187

01:11:35,360 --> 01:11:31,170

can go to the mutual UFO network scroll

1188

01:11:41,290 --> 01:11:35,370

down to experience a research team on

1189

01:11:44,930 --> 01:11:41,300

the main page at MUFON they can click on

1190

01:11:47,470 --> 01:11:44,940

the little icon that will let them have

1191

01:11:48,830 --> 01:11:47,480

a conversation to tell their story

1192

01:11:51,560 --> 01:11:48,840

privately

1193

01:11:56,780 --> 01:11:51,570

a member of my team and my team of very

1194

01:11:58,939 --> 01:11:56,790

compassionate caring listeners and they

1195

01:12:03,020 --> 01:11:58,949

click on that it will take them to my

1196

01:12:05,209 --> 01:12:03,030

team's page and they click at the top of

1197

01:12:07,729 --> 01:12:05,219

the page it says experience or

1198

01:12:10,700 --> 01:12:07,739

questionnaire it's a 30 question

1199

01:12:12,890 --> 01:12:10,710

questionnaire click on that you don't

1200

01:12:16,629 --> 01:12:12,900

have to give a lot of information about

1201

01:12:20,899 --> 01:12:16,639

yourself you don't have to worry your

1202

01:12:23,750 --> 01:12:20,909

conversation is private and complete

1203

01:12:26,540 --> 01:12:23,760

that questionnaire if it doesn't matter

1204

01:12:29,810 --> 01:12:26,550

what you score you could score 5 points

1205

01:12:33,229 --> 01:12:29,820

and this could be your first abduction

1206

01:12:37,280 --> 01:12:33,239

or contact experience you could score 15

1207

01:12:41,540 --> 01:12:37,290

to 20 and you could have been contacted

1208

01:12:44,149 --> 01:12:41,550

over and over again so don't think you

1209

01:12:45,500 --> 01:12:44,159

have to score 30 points you don't in

1210

01:12:49,399 --> 01:12:45,510

fact you shouldn't

1211

01:12:52,580 --> 01:12:49,409

so that will open up a conversation with

1212

01:12:58,010 --> 01:12:52,590

a member of the team and they will talk

1213

01:13:00,410 --> 01:12:58,020

to you and give you support help you to

1214

01:13:04,700 --> 01:13:00,420

come to some kind of understanding and

1215

01:13:08,290 --> 01:13:04,710

if you feel that you want to see a

1216

01:13:11,540 --> 01:13:08,300

trained professional either a licensed

1217

01:13:14,419 --> 01:13:11,550

psychotherapist who does hypnosis or

1218

01:13:15,260 --> 01:13:14,429

even if you have post-traumatic stress

1219

01:13:19,370 --> 01:13:15,270

disorder

1220

01:13:23,419 --> 01:13:19,380

EMDR desensitization therapy where you

1221

01:13:26,149 --> 01:13:23,429

will actually remember you a great deal

1222

01:13:30,470 --> 01:13:26,159

about your experience having that type

1223

01:13:33,350 --> 01:13:30,480

of therapy you can make the decision who

1224

01:13:36,109 --> 01:13:33,360

you want to go to you will enter into a

1225

01:13:38,540 --> 01:13:36,119

private relationship with this

1226

01:13:41,780 --> 01:13:38,550

individual for pay

1227

01:13:44,240 --> 01:13:41,790

MUFON doesn't have funding and nobody

1228

01:13:47,990 --> 01:13:44,250

does this for free for the mutual UFO

1229

01:13:50,419 --> 01:13:48,000

network so you enter into a private

1230

01:13:53,419 --> 01:13:50,429

relationship you don't have to say

1231

01:13:55,790 --> 01:13:53,429

another word to that person who you

1232

01:13:58,100 --> 01:13:55,800

talked to at MUFON unless you want to

1233

01:14:02,270 --> 01:13:58,110

but I hope that you will say thank you

1234

01:14:05,990 --> 01:14:02,280

for helping me and if you

1235

01:14:09,880 --> 01:14:06,000

not traumatized if you are only curious

1236

01:14:14,600 --> 01:14:09,890

about what happened we have a list of

1237

01:14:18,560 --> 01:14:14,610

hypnotherapist and also quantum healing

1238

01:14:22,550 --> 01:14:18,570

hypnosis technique therapists as well in

1239

01:14:25,070 --> 01:14:22,560

the book which I thought was fantastic

1240

01:14:28,790 --> 01:14:25,080

it was a great approach you do a

1241

01:14:31,250 --> 01:14:28,800

questionnaire after each chapter and I

1242

01:14:34,400 --> 01:14:31,260

thought this was a really great and

1243

01:14:36,680 --> 01:14:34,410

original approach to do this I'm holding

1244

01:14:41,110 --> 01:14:36,690

some of them up to the camera there's a

1245

01:14:46,280 --> 01:14:41,120

questionnaire right there great way to

1246

01:14:51,590 --> 01:14:46,290

to tackle this what what made you go

1247

01:14:54,620 --> 01:14:51,600

this way I wanted to help people and it

1248

01:14:57,590 --> 01:14:54,630

seemed to me that the best way to help

1249

01:15:01,250 --> 01:14:57,600

people was to have them read a chapter

1250

01:15:05,270 --> 01:15:01,260

on a certain topic and then go to the

1251

01:15:09,220 --> 01:15:05,280

questionnaire afterwards and to answer

1252

01:15:12,950 --> 01:15:09,230

the questions it would help them to

1253

01:15:15,890 --> 01:15:12,960

maybe come up with more information than

1254

01:15:18,830 --> 01:15:15,900

they had previously remembered it would

1255

01:15:22,730 --> 01:15:18,840

help them to assess how they feel about

1256

01:15:26,840 --> 01:15:22,740

what is occurring and on and on and on

1257

01:15:31,310 --> 01:15:26,850

each chapter has its own questionnaire

1258

01:15:33,560 --> 01:15:31,320

and some of them are scored so that you

1259

01:15:36,470 --> 01:15:33,570

can score your number of points and you

1260

01:15:39,470 --> 01:15:36,480

can find out what category you're in and

1261

01:15:42,380 --> 01:15:39,480

what you should do be careful what you

1262

01:15:46,760 --> 01:15:42,390

do here everybody went through my

1263

01:15:47,840 --> 01:15:46,770

questionnaire and chapter three is

1264

01:15:50,060 --> 01:15:47,850

really good we're going to talk about

1265

01:15:54,430 --> 01:15:50,070

this after the break how to investigate

1266

01:15:58,490 --> 01:15:54,440

your own contact experiences and then

1267

01:16:00,950 --> 01:15:58,500

with you've got a checklist in here

1268

01:16:02,000 --> 01:16:00,960

tools and ideas and how to go through it

1269

01:16:04,250 --> 01:16:02,010

I'm holding all this up to the camera

1270

01:16:06,710 --> 01:16:04,260

it's a great book and it's really well

1271

01:16:08,480 --> 01:16:06,720

written and we'll talk about that after

1272

01:16:12,920 --> 01:16:08,490

the break what I want to ask you about

1273

01:16:14,750 --> 01:16:12,930

here in the Davis Wilson leaked

1274

01:16:15,390 --> 01:16:14,760

documents that came out a couple of

1275

01:16:19,350 --> 01:16:15,400

months ago

1276

01:16:23,250 --> 01:16:19,360

on page 15 the last page of the

1277

01:16:26,610 --> 01:16:23,260

documents this is with dr. eric davis

1278

01:16:30,690 --> 01:16:26,620

and thomas wilson the rear-admiral and

1279

01:16:34,170 --> 01:16:30,700

on page 15 thomas wilson says he talked

1280

01:16:37,440 --> 01:16:34,180

to gansler in january 9 th bout my June

1281

01:16:39,390 --> 01:16:37,450

97 meetings this was at the Pentagon he

1282

01:16:42,200 --> 01:16:39,400

was briefed by someone it surprised me

1283

01:16:47,150 --> 01:16:42,210

Eric Davis says What did he say

1284

01:16:50,100 --> 01:16:47,160

Admiral Wilson responds UFOs are real

1285

01:16:56,250 --> 01:16:50,110

so-called alien abductions

1286

01:16:58,350 --> 01:16:56,260

not real gansler said this now I think a

1287

01:17:00,300 --> 01:16:58,360

lot of the UFO community and looking at

1288

01:17:03,900 --> 01:17:00,310

these leaked documents and reading that

1289

01:17:05,910 --> 01:17:03,910

were taken aback including myself when

1290

01:17:09,000 --> 01:17:05,920

you hear this kind of statement it's

1291

01:17:10,950 --> 01:17:09,010

this misdirection coming from the

1292

01:17:14,130 --> 01:17:10,960

government because they don't want to

1293

01:17:16,860 --> 01:17:14,140

talk about the abduction phenomenon why

1294

01:17:21,330 --> 01:17:16,870

would they say UFOs are real and alien

1295

01:17:24,630 --> 01:17:21,340

abductions are not because they don't

1296

01:17:28,770 --> 01:17:24,640

want to address the issue of alien

1297

01:17:31,980 --> 01:17:28,780

abductions or contact because militarily

1298

01:17:34,050 --> 01:17:31,990

they are helpless they cannot prevent

1299

01:17:37,860 --> 01:17:34,060

this from happening and if you will

1300

01:17:40,800 --> 01:17:37,870

notice those representatives from the

1301
01:17:44,970 --> 01:17:40,810
government who are speaking now are

1302
01:17:49,620 --> 01:17:44,980
talking about robots in artificial

1303
01:17:53,210 --> 01:17:49,630
intelligence Manning of this craft they

1304
01:17:58,700 --> 01:17:53,220
do not want to address the issue of

1305
01:18:01,770 --> 01:17:58,710
contact with sentient beings are they I

1306
01:18:03,510 --> 01:18:01,780
totally agree that they can't do

1307
01:18:05,940 --> 01:18:03,520
anything about it and probably never

1308
01:18:08,520 --> 01:18:05,950
will be able to you know they're far too

1309
01:18:14,250 --> 01:18:08,530
advanced you know we don't have a way to

1310
01:18:18,300 --> 01:18:14,260
to confront this but are they aware of

1311
01:18:19,920 --> 01:18:18,310
it and and know that it is going on you

1312
01:18:27,150 --> 01:18:19,930
know is this something that they are

1313
01:18:28,689 --> 01:18:27,160

fully educated on they are and military

1314

01:18:36,520 --> 01:18:28,699

man told

1315

01:18:41,500 --> 01:18:36,530

me that and he was aware of my own

1316

01:18:45,930 --> 01:18:41,510

contact experiences and I was

1317

01:18:50,439 --> 01:18:45,940

flabbergasted when he told me that but

1318

01:18:52,870 --> 01:18:50,449

before I'd ever spoken about it so yes

1319

01:18:57,160 --> 01:18:52,880

he said we know a lot more than you

1320

01:18:59,590 --> 01:18:57,170

think we know how many I know that this

1321

01:19:02,439 --> 01:18:59,600

question gets you know asked a lot and

1322

01:19:03,939 --> 01:19:02,449

we wonder about this but when we look at

1323

01:19:06,880 --> 01:19:03,949

you know the different polls that have

1324

01:19:09,340 --> 01:19:06,890

been conducted and in the way if we look

1325

01:19:12,610 --> 01:19:09,350

at ratios and there's seven and a half

1326

01:19:14,770 --> 01:19:12,620

billion people on this planet what what

1327

01:19:17,709 --> 01:19:14,780

kind of number are we actually looking

1328

01:19:21,939 --> 01:19:17,719

at here is it is it is it a crazy large

1329

01:19:25,570 --> 01:19:21,949

number well some people think that it's

1330

01:19:29,169 --> 01:19:25,580

between two and four percent of the

1331

01:19:33,939 --> 01:19:29,179

population of the world which is a crazy

1332

01:19:38,470 --> 01:19:33,949

large number I can tell you that my team

1333

01:19:42,070 --> 01:19:38,480

at MUFON receives up to one hundred and

1334

01:19:45,130 --> 01:19:42,080

fifty questionnaires each month from

1335

01:19:47,650 --> 01:19:45,140

people who are seeking assistance so

1336

01:19:52,209 --> 01:19:47,660

that just that move fine a direct

1337

01:19:55,360 --> 01:19:52,219

response is over a thousand per year yes

1338

01:19:58,660 --> 01:19:55,370

closer probably to twelve maybe fifteen

1339

01:20:00,640 --> 01:19:58,670

hundred how many of those that's it

1340

01:20:03,070 --> 01:20:00,650

that's it that's a big number that's it

1341

01:20:06,880 --> 01:20:03,080

that's that's an astounding number how

1342

01:20:10,660 --> 01:20:06,890

many of those follow through after after

1343

01:20:14,140 --> 01:20:10,670

reaching out to move on we don't keep

1344

01:20:18,640 --> 01:20:14,150

track of who of how many follow through

1345

01:20:20,979 --> 01:20:18,650

to see a therapist that is something

1346

01:20:24,100 --> 01:20:20,989

that they enter into in a private

1347

01:20:26,560 --> 01:20:24,110

relationship if they want to share it

1348

01:20:29,740 --> 01:20:26,570

with us with that person that they've

1349

01:20:34,780 --> 01:20:29,750

worked with that's fine but I insist

1350

01:20:36,910 --> 01:20:34,790

that all of this remain confidential and

1351

01:20:39,880 --> 01:20:36,920

and I respect that it would have to be

1352

01:20:42,590 --> 01:20:39,890

that okay so let let me ask you this Ted

1353

01:20:48,490 --> 01:20:42,600

Kathleen if you were going to make a

1354

01:20:55,850 --> 01:20:52,420

probably less than half less than half

1355

01:20:56,690 --> 01:20:55,860

yeah that's our society today that's it

1356

01:20:58,730 --> 01:20:56,700

that's it

1357

01:21:00,620 --> 01:20:58,740

let's take our break right here this is

1358

01:21:02,630 --> 01:21:00,630

fade to black I'm use to me church our

1359

01:21:04,790 --> 01:21:02,640

guest tonight Kathleen Martin we're

1360

01:21:07,510 --> 01:21:04,800

talking about her book extraterrestrial

1361

01:21:08,720 --> 01:21:07,520

contact what to do when you've been

1362

01:21:10,460 --> 01:21:08,730

abducted

1363

01:21:14,410 --> 01:21:10,470

I'm your host Jimmy Church we'll be

1364

01:21:14,420 --> 01:21:23,610

[Music]

1365

01:21:27,550 --> 01:21:25,900

welcome back fade to black I'm your host

1366

01:21:29,560 --> 01:21:27,560

Jimmy Church right yes tonight Cathleen

1367

01:21:32,950 --> 01:21:29,570

Martin tomorrow night

1368

01:21:35,650 --> 01:21:32,960

dr. Lynne khatai joins us the Phoenix

1369

01:21:39,040 --> 01:21:35,660

lights we're talking about Kathleen's

1370

01:21:40,330 --> 01:21:39,050

new book extraterrestrial contact and

1371

01:21:42,880 --> 01:21:40,340

you can get your own autographed copy

1372

01:21:45,640 --> 01:21:42,890

just go and visit Kathleen at her

1373

01:21:49,900 --> 01:21:45,650

website the links are at Jimmy Church

1374

01:21:52,900 --> 01:21:49,910

radio.com now Kathleen I'd like to

1375

01:21:55,840 --> 01:21:52,910

switch gears how do we investigate how

1376

01:22:00,880 --> 01:21:55,850

do how do we actually investigate our

1377

01:22:02,980 --> 01:22:00,890

own abduction it's really important to

1378

01:22:04,840 --> 01:22:02,990

do that and the first thing as I

1379

01:22:08,440 --> 01:22:04,850

mentioned earlier is to keep a journal

1380

01:22:14,020 --> 01:22:08,450

and a pen by your bedside to record all

1381

01:22:17,400 --> 01:22:14,030

of your memories immediately also make

1382

01:22:20,200 --> 01:22:17,410

sure you have a camera in working order

1383

01:22:23,380 --> 01:22:20,210

because after you've had this experience

1384

01:22:24,220 --> 01:22:23,390

you should go before a full-length

1385

01:22:29,890 --> 01:22:24,230

mirror

1386

01:22:33,760 --> 01:22:29,900

strip down and examine your body see if

1387

01:22:38,560 --> 01:22:33,770

there are any unusual patterned marks on

1388

01:22:42,130 --> 01:22:38,570

your body I'm not so thinking about bug

1389

01:22:44,920 --> 01:22:42,140

bite or a puncture wound I'm thinking

1390

01:22:49,330 --> 01:22:44,930

about pattern marks and I'm not going to

1391

01:22:55,690 --> 01:22:49,340

tell you what they are but we on my team

1392

01:22:59,740 --> 01:22:55,700

keep a photo album of marks that we have

1393

01:23:03,490 --> 01:22:59,750

collected and you can send for that

1394

01:23:06,040 --> 01:23:03,500

photograph to the person on the ERT that

1395

01:23:09,540 --> 01:23:06,050

you speak with and that person can

1396

01:23:14,560 --> 01:23:09,550

compare them to the other photos in our

1397

01:23:17,200 --> 01:23:14,570

collection so to let you know if we have

1398

01:23:19,630 --> 01:23:17,210

something that looks like that how often

1399

01:23:21,460 --> 01:23:19,640

does that happen it did does that happen

1400

01:23:26,830 --> 01:23:21,470

a lot or you're looking at something to

1401

01:23:31,330 --> 01:23:26,840

go oh well here we go well yes I find

1402

01:23:34,850 --> 01:23:31,340

the most unusual pattern marks in

1403

01:23:37,880 --> 01:23:34,860

photographs on people's bodies

1404

01:23:40,070 --> 01:23:37,890

different states these people don't know

1405

01:23:43,400 --> 01:23:40,080

one another they've never seen these

1406

01:23:48,080 --> 01:23:43,410

marks before and yet I'm receiving them

1407

01:23:50,090 --> 01:23:48,090

from different people pretty amazing

1408

01:23:52,220 --> 01:23:50,100

okay I'm not talking about the

1409

01:23:54,740 --> 01:23:52,230

old-fashioned scoop marks these are

1410

01:23:58,220 --> 01:23:54,750

pretty elaborate right right right

1411

01:24:01,910 --> 01:23:58,230

and I like yeah yeah and and again

1412

01:24:04,460 --> 01:24:01,920

keeping everything like this it keeps

1413

01:24:08,960 --> 01:24:04,470

the I'm just going to say it it keeps

1414

01:24:11,660 --> 01:24:08,970

the hoaxing out of it right scientific

1415

01:24:12,050 --> 01:24:11,670

value in it that's right that's exactly

1416

01:24:14,170 --> 01:24:12,060

right

1417

01:24:18,860 --> 01:24:14,180

okay so that's that's number two

1418

01:24:25,360 --> 01:24:18,870

photograph your body number three if you

1419

01:24:29,150 --> 01:24:25,370

have a UV flashlight go into a dark room

1420

01:24:31,490 --> 01:24:29,160

again strip down and examine your body

1421

01:24:34,910 --> 01:24:31,500

with the flashlight to see if you have

1422

01:24:38,030 --> 01:24:34,920

any patterns florescent marks on your

1423

01:24:42,290 --> 01:24:38,040

body now things like oils and soap

1424

01:24:44,480 --> 01:24:42,300

residues can cause fluorescence on your

1425

01:24:47,090 --> 01:24:44,490

body as well but these would be

1426

01:24:52,670 --> 01:24:47,100

patterned marks that you'd be looking

1427

01:24:55,400 --> 01:24:52,680

for and if you see those take your

1428

01:24:59,990 --> 01:24:55,410

camera without a flash and photograph

1429

01:25:02,600 --> 01:25:00,000

those marks and also send those to the

1430

01:25:05,900 --> 01:25:02,610

person on muffins experience or research

1431

01:25:08,450 --> 01:25:05,910

team that you're working with and if you

1432

01:25:11,330 --> 01:25:08,460

don't have a UV flashlight I recommend

1433

01:25:18,350 --> 01:25:11,340

that you get one I was able to pick one

1434

01:25:21,050 --> 01:25:18,360

up at a flea market for five dollars

1435

01:25:25,340 --> 01:25:21,060

I've also have an extremely expensive

1436

01:25:28,210 --> 01:25:25,350

one that doctors use but to begin with

1437

01:25:34,430 --> 01:25:28,220

the five dollar one will work just fine

1438

01:25:37,370 --> 01:25:34,440

number four get an electromagnetic field

1439

01:25:40,760 --> 01:25:37,380

detector or a Trifield meter if you

1440

01:25:43,370 --> 01:25:40,770

really want to get into this but then

1441

01:25:47,000 --> 01:25:43,380

you might get to the point of obsession

1442

01:25:47,930 --> 01:25:47,010

and so it might be dangerous for some

1443

01:25:52,850 --> 01:25:47,940

people

1444

01:25:57,380 --> 01:25:52,860

I know that if you for example have a

1445

01:26:00,350 --> 01:25:57,390

game camera an infrared game camera that

1446

01:26:04,390 --> 01:26:00,360

is motion activated and you set it up in

1447

01:26:08,930 --> 01:26:04,400

your room and you have to check that

1448

01:26:11,150 --> 01:26:08,940

tape every of that disc every morning

1449

01:26:13,760 --> 01:26:11,160

after you think you've had an experience

1450

01:26:16,760 --> 01:26:13,770

you you could become obsessive about it

1451

01:26:21,110 --> 01:26:16,770

so that's probably not really healthy to

1452

01:26:24,140 --> 01:26:21,120

do but if you have an interest you can

1453

01:26:27,290 --> 01:26:24,150

you can certainly purchase those items

1454

01:26:30,620 --> 01:26:27,300

and there they can be more expensive I

1455

01:26:35,000 --> 01:26:30,630

don't know if I want you know I don't

1456

01:26:41,570 --> 01:26:35,010

know if I want to see something happen

1457

01:26:46,400 --> 01:26:41,580

in my room while I'm sleeping serious

1458

01:26:50,810 --> 01:26:46,410

here you know that some things are this

1459

01:26:52,850 --> 01:26:50,820

is me personally I don't know if I want

1460

01:26:55,490 --> 01:26:52,860

to know that because you know what

1461

01:27:00,440 --> 01:26:55,500

happens you know it does but then you go

1462

01:27:04,150 --> 01:27:00,450

and you see it oh no but Jimmy what I

1463

01:27:09,320 --> 01:27:04,160

find is one of two different things

1464

01:27:14,120 --> 01:27:09,330

happens people who are awake and they

1465

01:27:17,710 --> 01:27:14,130

have a cellphone with a camera or a

1466

01:27:21,370 --> 01:27:17,720

smartphone on iPhone have been able to

1467

01:27:25,250 --> 01:27:21,380

capture photographs of nonhumans in

1468

01:27:28,610 --> 01:27:25,260

their room and orbs in their rooms that

1469

01:27:32,690 --> 01:27:28,620

they can see with the naked eye so that

1470

01:27:35,360 --> 01:27:32,700

it is a value in some cases the other

1471

01:27:41,000 --> 01:27:35,370

thing that I have seen happen in cases

1472

01:27:45,470 --> 01:27:41,010

is that the camera shuts down but in one

1473

01:27:48,890 --> 01:27:45,480

of those cases the experiencers were

1474

01:27:51,440 --> 01:27:48,900

back to back this is a couple the man is

1475

01:27:54,800 --> 01:27:51,450

looking in one direction toward the

1476

01:27:57,440 --> 01:27:54,810

bedroom door the woman is looking in the

1477

01:28:00,729 --> 01:27:57,450

other direction out the window they see

1478

01:28:05,100 --> 01:28:00,739

light outside the window

1479

01:28:09,910 --> 01:28:05,110

and then suddenly that camera shuts down

1480

01:28:12,640 --> 01:28:09,920

for two hours and 11 minutes and the

1481

01:28:17,200 --> 01:28:12,650

next thing that you see on that camera

1482

01:28:20,979 --> 01:28:17,210

is the woman is in motion almost as if

1483

01:28:26,500 --> 01:28:20,989

she's being slipped into her bed under

1484

01:28:33,640 --> 01:28:26,510

the covers and the man is now lying down

1485

01:28:36,910 --> 01:28:33,650

on that bed you bring up the sleep

1486

01:28:40,900 --> 01:28:36,920

paralysis aspect of this I think there's

1487

01:28:43,180 --> 01:28:40,910

so many of us go through it I have and I

1488

01:28:45,940 --> 01:28:43,190

want to I want to address that for a

1489

01:28:48,640 --> 01:28:45,950

second you spent some time on this in

1490

01:28:52,080 --> 01:28:48,650

the book too as well what do we do when

1491

01:28:55,990 --> 01:28:52,090

we experience sleep paralysis

1492

01:29:02,709 --> 01:28:56,000

well your body is simply out of sync

1493

01:29:06,280 --> 01:29:02,719

with your REM sleep and so you are

1494

01:29:10,530 --> 01:29:06,290

you're half asleep and and half awake

1495

01:29:16,120 --> 01:29:10,540

but you're still four sleep paralysis

1496

01:29:20,440 --> 01:29:16,130

you can see shadowy figures you can feel

1497

01:29:22,450 --> 01:29:20,450

very very fearful during this experience

1498

01:29:25,500 --> 01:29:22,460

and it's perfectly normal and natural

1499

01:29:29,260 --> 01:29:25,510

many humans have sleep paralysis

1500

01:29:32,170 --> 01:29:29,270

normally if you see something hovering

1501

01:29:35,020 --> 01:29:32,180

above you it's going to be geometric

1502

01:29:39,100 --> 01:29:35,030

shapes or it might be a disembodied head

1503

01:29:43,930 --> 01:29:39,110

or something like that it is not a

1504

01:29:48,370 --> 01:29:43,940

complete experience and in a very short

1505

01:29:52,300 --> 01:29:48,380

period of time your body will catch up

1506

01:29:54,700 --> 01:29:52,310

with your brain and you will be out of

1507

01:29:57,310 --> 01:29:54,710

it but in that time where you're having

1508

01:30:00,070 --> 01:29:57,320

that your urine REM sleep and you're

1509

01:30:07,120 --> 01:30:00,080

still paralyzed you're able to move only

1510

01:30:09,729 --> 01:30:07,130

your eyes and I I went through a couple

1511

01:30:12,430 --> 01:30:09,739

of nights here on the show open lines

1512

01:30:14,950 --> 01:30:12,440

where we discussed

1513

01:30:17,380 --> 01:30:14,960

one phone call after another about sleep

1514

01:30:20,770 --> 01:30:17,390

paralysis and I know what I went through

1515

01:30:25,000 --> 01:30:20,780

it's only happened to me once but I know

1516

01:30:27,010 --> 01:30:25,010

what I went through and I've kept it

1517

01:30:30,160 --> 01:30:27,020

like your photographs right I keep I

1518

01:30:32,680 --> 01:30:30,170

keep my experience to myself and I want

1519

01:30:36,310 --> 01:30:32,690

to hear what others went through so I

1520

01:30:41,050 --> 01:30:36,320

could find out if they are you know if

1521

01:30:46,510 --> 01:30:41,060

it was a real experience or not but is

1522

01:30:50,590 --> 01:30:46,520

there contact experiences where you are

1523

01:30:53,650 --> 01:30:50,600

being held motionless not because of the

1524

01:30:57,040 --> 01:30:53,660

REM sleep but because there is something

1525

01:30:59,860 --> 01:30:57,050

physical there that is that is holding

1526

01:31:05,050 --> 01:30:59,870

you down and is is keeping you from

1527

01:31:07,600 --> 01:31:05,060

reacting yes I certainly and one of the

1528

01:31:11,500 --> 01:31:07,610

questions that we asked on one of our

1529

01:31:13,360 --> 01:31:11,510

research studies was first did have you

1530

01:31:18,310 --> 01:31:13,370

experienced the symptoms with sleep

1531

01:31:21,189 --> 01:31:18,320

paralysis we listed them and 74 percent

1532

01:31:25,090 --> 01:31:21,199

of experiences said yes 90% of our

1533

01:31:29,290 --> 01:31:25,100

abductee group we asked then were you

1534

01:31:31,870 --> 01:31:29,300

awake did you see non-human entities in

1535

01:31:37,630 --> 01:31:31,880

your room and then did you become

1536

01:31:40,330 --> 01:31:37,640

paralyzed in that group 36 percent of

1537

01:31:44,860 --> 01:31:40,340

the experience who said yes sixty

1538

01:31:47,229 --> 01:31:44,870

percent of the abductee group so more of

1539

01:31:51,160 --> 01:31:47,239

the abductee group is having this happen

1540

01:31:54,550 --> 01:31:51,170

where they they actually see that light

1541

01:31:56,890 --> 01:31:54,560

in their room they actually see the

1542

01:32:01,360 --> 01:31:56,900

entities they're awake and then they

1543

01:32:03,340 --> 01:32:01,370

become paralyzed this is some even fight

1544

01:32:05,830 --> 01:32:03,350

against that I wrote about that in the

1545

01:32:10,180 --> 01:32:05,840

alien abduction files and an experience

1546

01:32:12,790 --> 01:32:10,190

that Jenny Henderson had where her

1547

01:32:15,820 --> 01:32:12,800

husband actually got up out of bed when

1548

01:32:19,780 --> 01:32:15,830

this activity was happening in the room

1549

01:32:25,479 --> 01:32:19,790

and they just laid him down and he was

1550

01:32:26,270 --> 01:32:25,489

out cold immediately she was wanted to

1551
01:32:27,790 --> 01:32:26,280
escape

1552
01:32:32,089 --> 01:32:27,800
she was having a fight-or-flight

1553
01:32:36,430 --> 01:32:32,099
response and this paralysis crept

1554
01:32:41,060 --> 01:32:36,440
through her body and then she was

1555
01:32:44,839 --> 01:32:41,070
paralyzed and motionless but she had

1556
01:32:47,049 --> 01:32:44,849
also had something happen where she was

1557
01:32:48,379 --> 01:32:47,059
no longer feeling that fight-or-flight

1558
01:32:53,180 --> 01:32:48,389
response

1559
01:32:58,569 --> 01:32:53,190
she was now comfortable and calm why is

1560
01:33:02,810 --> 01:32:58,579
it that some experiences are terrifying

1561
01:33:06,350 --> 01:33:02,820
some are completely benevolent and and

1562
01:33:11,930 --> 01:33:06,360
peaceful you know is it because it's two

1563
01:33:15,310 --> 01:33:11,940

different extraterrestrial species that

1564

01:33:18,760 --> 01:33:15,320

are doing this is it up to the

1565

01:33:21,859 --> 01:33:18,770

experiencer or the abductee you know

1566

01:33:26,540 --> 01:33:21,869

because the community is divided on this

1567

01:33:30,100 --> 01:33:26,550

issue yes and and you know I have worked

1568

01:33:33,290 --> 01:33:30,110

with an experiencer it was in a multiple

1569

01:33:37,069 --> 01:33:33,300

abduction three people taken at the same

1570

01:33:42,350 --> 01:33:37,079

time out at night looking into the sky

1571

01:33:44,450 --> 01:33:42,360

there's a craft that comes down and so

1572

01:33:47,510 --> 01:33:44,460

quickly that they don't know what's

1573

01:33:49,490 --> 01:33:47,520

happening there's a blue light that's

1574

01:33:52,580 --> 01:33:49,500

coming out of it and the next thing they

1575

01:33:54,560 --> 01:33:52,590

know they're standing on the wet ground

1576

01:33:57,290 --> 01:33:54,570

all of the equipment's they were holding

1577

01:34:01,040 --> 01:33:57,300

is on the ground they go into the house

1578

01:34:03,379 --> 01:34:01,050

and one of the experiences spouses says

1579

01:34:06,160 --> 01:34:03,389

where have you been for the past two

1580

01:34:11,770 --> 01:34:06,170

hours I've been looking for you well

1581

01:34:14,870 --> 01:34:11,780

these people were very distressed yet I

1582

01:34:17,930 --> 01:34:14,880

used quantum healing hypnosis that

1583

01:34:21,290 --> 01:34:17,940

technique on one of them it was the case

1584

01:34:25,939 --> 01:34:21,300

I was investigating and come to find out

1585

01:34:30,109 --> 01:34:25,949

she had been picked up and contacted by

1586

01:34:33,950 --> 01:34:30,119

the benevolent human types but it was

1587

01:34:37,459 --> 01:34:33,960

not knowing what happened that caused

1588

01:34:39,890 --> 01:34:37,469

the trauma I think that you know some

1589

01:34:43,250 --> 01:34:39,900

people if you do remember

1590

01:34:45,560 --> 01:34:43,260

and it's something that is causing a

1591

01:34:49,640 --> 01:34:45,570

great deal of fear I can understand why

1592

01:34:53,650 --> 01:34:49,650

you would be having that traumatic

1593

01:34:57,670 --> 01:34:53,660

experience as well but I think that our

1594

01:35:02,390 --> 01:34:57,680

perception of what is occurring is often

1595

01:35:07,550 --> 01:35:02,400

colored by our emotional reaction to it

1596

01:35:10,340 --> 01:35:07,560

and we know that certainly not all of

1597

01:35:13,820 --> 01:35:10,350

these entities are kind not all of them

1598

01:35:16,130 --> 01:35:13,830

are respectful some of them seem to care

1599

01:35:18,680 --> 01:35:16,140

very little about humans whereas there

1600

01:35:22,550 --> 01:35:18,690

are others who care a great deal

1601
01:35:26,150 --> 01:35:22,560
it doesn't matter if it's Gray's there

1602
01:35:30,290 --> 01:35:26,160
are Gray's who are kind and caring and

1603
01:35:33,650 --> 01:35:30,300
there are Grey's that traumatized people

1604
01:35:37,550 --> 01:35:33,660
I don't know if they're all the same and

1605
01:35:41,690 --> 01:35:37,560
if it's the person's emotional reaction

1606
01:35:45,110 --> 01:35:41,700
to what is occurring or not but you know

1607
01:35:47,540 --> 01:35:45,120
and it's the stage where a person is as

1608
01:35:50,870 --> 01:35:47,550
they're working through this you go

1609
01:35:55,490 --> 01:35:50,880
through stages from and one of those

1610
01:35:57,650 --> 01:35:55,500
stages involves fear and anger and you

1611
01:36:02,570 --> 01:35:57,660
know maybe that's where that person is

1612
01:36:07,970 --> 01:36:02,580
at that point but eventually it seems

1613
01:36:10,160 --> 01:36:07,980

that most people as time goes on become

1614

01:36:13,010 --> 01:36:10,170

less fearful they're accustomed to

1615

01:36:15,860 --> 01:36:13,020

having this happen the more they can

1616

01:36:18,620 --> 01:36:15,870

understand about what has actually

1617

01:36:22,100 --> 01:36:18,630

happened the less fearful

1618

01:36:25,160 --> 01:36:22,110

they become and eventually some of them

1619

01:36:28,550 --> 01:36:25,170

can actually communicate with these

1620

01:36:32,210 --> 01:36:28,560

nonhumans and can ask questions you know

1621

01:36:37,250 --> 01:36:32,220

telepathically and receive answers so

1622

01:36:39,340 --> 01:36:37,260

you know it was funny in our study we

1623

01:36:44,060 --> 01:36:39,350

asked about the demeanor of the

1624

01:36:48,050 --> 01:36:44,070

nonhumans the 48% of the experiencers

1625

01:36:53,300 --> 01:36:48,060

said business-like 65% of the abductee

1626

01:36:57,800 --> 01:36:53,310

group were they evil 11% were they

1627

01:37:03,110 --> 01:36:57,810

Stoller sadistic less than 6% were they

1628

01:37:06,140 --> 01:37:03,120

kind between 20 and 30 percent said they

1629

01:37:09,560 --> 01:37:06,150

were kind they were friendly you know so

1630

01:37:13,040 --> 01:37:09,570

it a lot of it has to do with a human

1631

01:37:17,960 --> 01:37:13,050

perception and with the type of entity

1632

01:37:20,060 --> 01:37:17,970

they encounter I have a list of

1633

01:37:21,920 --> 01:37:20,070

questions here that have come in during

1634

01:37:23,500 --> 01:37:21,930

the show I'm going to get some of these

1635

01:37:26,090 --> 01:37:23,510

out of the way this is from Scott

1636

01:37:29,120 --> 01:37:26,100

speaking on this subject right here he

1637

01:37:32,840 --> 01:37:29,130

says Jimmy did Barney Hill ever find

1638

01:37:39,850 --> 01:37:32,850

peace in the end or was he continuously

1639

01:37:42,910 --> 01:37:39,860

in fear pine Barney did find some peace

1640

01:37:47,330 --> 01:37:42,920

after he saw doctor Benjamin Simon

1641

01:37:52,310 --> 01:37:47,340

underwent hypnotherapy and therapy for a

1642

01:37:55,580 --> 01:37:52,320

period of six months he seemed to feel a

1643

01:37:59,360 --> 01:37:55,590

lot better about what had happened to

1644

01:38:01,610 --> 01:37:59,370

him but this was always to remain

1645

01:38:08,620 --> 01:38:01,620

confidential

1646

01:38:11,060 --> 01:38:08,630

by a friend of Betty's who was a UFO

1647

01:38:13,850 --> 01:38:11,070

investigator that Betty trusted and

1648

01:38:17,030 --> 01:38:13,860

confided in this woman spoke to a

1649

01:38:20,000 --> 01:38:17,040

newspaper reporter it was revealed to

1650

01:38:25,540 --> 01:38:20,010

the public in five newspaper articles in

1651

01:38:27,080 --> 01:38:25,550

the Boston traveler in late October of

1652

01:38:32,710 --> 01:38:27,090

1965

1653

01:38:36,430 --> 01:38:32,720

and when that occurred Barney again

1654

01:38:39,350 --> 01:38:36,440

experienced a new kind of trauma

1655

01:38:42,890 --> 01:38:39,360

Barney was very committed to the civil

1656

01:38:47,270 --> 01:38:42,900

rights movement Barney was a very

1657

01:38:50,090 --> 01:38:47,280

upstanding individual he was active in

1658

01:38:52,910 --> 01:38:50,100

politics we were even invited to Lyndon

1659

01:38:55,490 --> 01:38:52,920

Johnson's inauguration and the three of

1660

01:38:57,740 --> 01:38:55,500

us went together Barney had been

1661

01:39:02,380 --> 01:38:57,750

appointed to the u.s. Commission on

1662

01:39:06,830 --> 01:39:02,390

civil rights as a state state advisory

1663

01:39:10,820 --> 01:39:06,840

committee member all of that changed

1664

01:39:15,470 --> 01:39:10,830

when Barney was revealed to the public

1665

01:39:22,280 --> 01:39:15,480

as an abductee of taken by aliens

1666

01:39:23,690 --> 01:39:22,290

he changed him again and I'm looking at

1667

01:39:26,360 --> 01:39:23,700

the clock we're gonna run out of time

1668

01:39:28,070 --> 01:39:26,370

I've got all these questions can I get

1669

01:39:30,830 --> 01:39:28,080

you to do overtime can we do some

1670

01:39:32,420 --> 01:39:30,840

overtime after the break yes we can

1671

01:39:34,820 --> 01:39:32,430

Thank You Kathleen and you weren't gonna

1672

01:39:40,610 --> 01:39:34,830

say no I knew better than I'm having so

1673

01:39:43,070 --> 01:39:40,620

much fun how can I say is growing up you

1674

01:39:47,360 --> 01:39:43,080

know because obviously you knew your

1675

01:39:49,790 --> 01:39:47,370

aunt and uncle before and after how did

1676

01:39:55,490 --> 01:39:49,800

that affect you to see this change in

1677

01:39:58,460 --> 01:39:55,500

your uncle Barney it I was extremely

1678

01:40:01,700 --> 01:39:58,470

concerned about Barney and you know I

1679

01:40:04,790 --> 01:40:01,710

was 13 when it happened I was a teenager

1680

01:40:08,210 --> 01:40:04,800

mid teens to late teens as they were

1681

01:40:12,340 --> 01:40:08,220

going through all of the the after shock

1682

01:40:14,930 --> 01:40:12,350

of not only finding out what happened

1683

01:40:19,040 --> 01:40:14,940

through hypnosis separate hypnosis

1684

01:40:20,390 --> 01:40:19,050

sessions but also after the violation of

1685

01:40:24,500 --> 01:40:20,400

confidentiality

1686

01:40:28,160 --> 01:40:24,510

it was extremely distressing to watch

1687

01:40:31,580 --> 01:40:28,170

Betty and Barney go through this and as

1688

01:40:34,520 --> 01:40:31,590

a family we attempted to to help them

1689

01:40:36,590 --> 01:40:34,530

when those newspaper articles appeared

1690

01:40:40,510 --> 01:40:36,600

in the Boston traveler Betty and Barney

1691

01:40:44,270 --> 01:40:40,520

drove down to my grandparents home and

1692

01:40:50,420 --> 01:40:44,280

we met as a family to decide what to do

1693

01:40:52,400 --> 01:40:50,430

next and and what did you do we agreed

1694

01:40:55,810 --> 01:40:52,410

that since the cat was out of the bag

1695

01:40:59,300 --> 01:40:55,820

that Betty and Barney should agree to

1696

01:41:03,380 --> 01:40:59,310

speak for the first time to a public

1697

01:41:06,710 --> 01:41:03,390

audience about this they did so at the

1698

01:41:09,980 --> 01:41:06,720

Unitarian Universalist Church in Dover

1699

01:41:14,540 --> 01:41:09,990

New Hampshire and they were introduced

1700

01:41:17,510 --> 01:41:14,550

by the public information officer from

1701

01:41:20,810 --> 01:41:17,520

Pease Air Force Base what

1702

01:41:24,940 --> 01:41:20,820

did you think this is from Dan what are

1703

01:41:29,090 --> 01:41:24,950

your thoughts on Project Blue Book and

1704

01:41:33,920 --> 01:41:29,100

the way that they portrayed Betty as as

1705

01:41:37,520 --> 01:41:33,930

a black woman he's talking about the the

1706

01:41:42,020 --> 01:41:37,530

show on TV that's the last episode of

1707

01:41:44,860 --> 01:41:42,030

Project Blue Book that I watched you

1708

01:41:50,270 --> 01:41:44,870

should watch it again after that episode

1709

01:41:54,680 --> 01:41:50,280

because that program in no way resembled

1710

01:41:56,540 --> 01:41:54,690

Betty's and Barney's experiences Betty

1711

01:42:02,120 --> 01:41:56,550

and Barney

1712

01:42:05,510 --> 01:42:02,130

holding a gun on Allen Hynek and on the

1713

01:42:10,400 --> 01:42:05,520

Air Force officer that I mean it was

1714

01:42:13,520 --> 01:42:10,410

completely absurd ludicrous I think it

1715

01:42:15,890 --> 01:42:13,530

was outrageous and and they had

1716

01:42:21,350 --> 01:42:15,900

contacted me to tell me they were doing

1717

01:42:24,140 --> 01:42:21,360

a segment on Betty and Barney and I said

1718

01:42:26,390 --> 01:42:24,150

I have all of the files I can give you

1719

01:42:28,820 --> 01:42:26,400

anything you want I'm a stickler for

1720

01:42:31,690 --> 01:42:28,830

accuracy I'd be happy to help you out

1721

01:42:36,830 --> 01:42:31,700

and they said oh we don't need any help

1722

01:42:39,530 --> 01:42:36,840

obviously the the way that they went

1723

01:42:44,650 --> 01:42:39,540

about it not only with the Betty and

1724

01:42:49,490 --> 01:42:44,660

Barney case but all of the cases

1725

01:42:53,900 --> 01:42:49,500

everything was given this artistic

1726
01:42:57,650 --> 01:42:53,910
license to go into sensationalism when

1727
01:43:01,160 --> 01:42:57,660
it's in direct contrast to the way that

1728
01:43:03,890 --> 01:43:01,170
they introduced an outro the show these

1729
01:43:06,050 --> 01:43:03,900
are the official case files of Project

1730
01:43:09,050 --> 01:43:06,060
Blue Book everything you are about to

1731
01:43:11,390 --> 01:43:09,060
see is real right and they do all of

1732
01:43:13,910 --> 01:43:11,400
that well the audience out there

1733
01:43:16,550 --> 01:43:13,920
Kathleen you know this that isn't

1734
01:43:18,550 --> 01:43:16,560
familiar with the UFO subject or Betty

1735
01:43:20,960 --> 01:43:18,560
and Barney Hill or any of these cases

1736
01:43:22,060 --> 01:43:20,970
are going to think that that's exactly

1737
01:43:25,640 --> 01:43:22,070
how it went down

1738
01:43:29,330 --> 01:43:25,650

yes and I was wondering is this a new

1739

01:43:31,459 --> 01:43:29,340

form of disinformation right that was my

1740

01:43:34,609 --> 01:43:31,469

first thought it did

1741

01:43:39,560 --> 01:43:34,619

you blow a gasket just tell me the truth

1742

01:43:42,439 --> 01:43:39,570

yes I blew again i watch the video and

1743

01:43:45,560 --> 01:43:42,449

he's firing off rounds on an Air Force

1744

01:43:48,649 --> 01:43:45,570

Base in the office you know now

1745

01:43:51,410 --> 01:43:48,659

surrounded by military police he's now

1746

01:43:54,169 --> 01:43:51,420

kidnapped J Allen Hynek right and

1747

01:43:57,370 --> 01:43:54,179

holding him against his will and I'm

1748

01:44:00,979 --> 01:43:57,380

thinking who is writing this crap but

1749

01:44:03,319 --> 01:44:00,989

people are believing it unfortunately

1750

01:44:06,580 --> 01:44:03,329

and so I guess I have to work even

1751

01:44:10,310 --> 01:44:06,590

harder to inform the public of the truth

1752

01:44:11,899 --> 01:44:10,320

it was a I can't believe and they're

1753

01:44:14,569 --> 01:44:11,909

gonna come out with another season

1754

01:44:21,140 --> 01:44:14,579

they're gonna do another season of that

1755

01:44:24,879 --> 01:44:21,150

crap but yeah yeah if they I'm gonna say

1756

01:44:28,339 --> 01:44:24,889

this I'm gonna say this as an

1757

01:44:30,529 --> 01:44:28,349

entertainment show if they took out the

1758

01:44:32,689 --> 01:44:30,539

front and back you know that this is all

1759

01:44:36,350 --> 01:44:32,699

official I feel sorry for the Hynek

1760

01:44:38,870 --> 01:44:36,360

family too as well I mean they just they

1761

01:44:40,609 --> 01:44:38,880

just took this to so many different

1762

01:44:44,299 --> 01:44:40,619

directions but if it was just

1763

01:44:47,000 --> 01:44:44,309

entertainment value funny haha okay

1764

01:44:51,229 --> 01:44:47,010

alright it's a watchable show but you

1765

01:44:53,359 --> 01:44:51,239

can't represent it as fact and that that

1766

01:44:56,089 --> 01:44:53,369

I think is wrong and is doing a

1767

01:44:58,129 --> 01:44:56,099

disservice n to the historical record

1768

01:45:00,049 --> 01:44:58,139

and the families and and and friends

1769

01:45:01,640 --> 01:45:00,059

that are directly involved with this

1770

01:45:07,009 --> 01:45:01,650

show and that's the part that's uncool

1771

01:45:08,810 --> 01:45:07,019

very uncool let's let's take a break

1772

01:45:10,009 --> 01:45:08,820

right here and we'll come back we'll do

1773

01:45:11,739 --> 01:45:10,019

1795

01:46:15,520 --> 01:46:11,929

ready to go rapid fire I am let let's do

1797

01:46:23,470 --> 01:46:18,829

this okay yeah I'm gonna start from the

1798

01:46:26,640 --> 01:46:23,480

latest they're clicking by here okay has

1799

01:46:30,490 --> 01:46:26,650

anyone noticed that Bob lazarre's

1800

01:46:32,770 --> 01:46:30,500

briefings said that they were from Zeta

1801

01:46:35,950 --> 01:46:32,780

Reticuli and Betty and Barney's

1802

01:46:39,160 --> 01:46:35,960

experience says the same thing is that

1803

01:46:41,160 --> 01:46:39,170

not confirmation has Kathleen made that

1804

01:46:46,629 --> 01:46:41,170

connection and if so what conclusions

1805

01:46:51,330 --> 01:46:46,639

has she drawn from it well I have made

1806

01:46:54,850 --> 01:46:51,340

that connection but Marjorie fish

1807

01:46:58,180 --> 01:46:54,860

identified the two most prominent stars

1808

01:47:05,770 --> 01:46:58,190

on Betty star map as they two Reticuli

1809

01:47:09,220 --> 01:47:05,780

one and two back in 1971 anyone could

1810

01:47:11,140 --> 01:47:09,230

have heard that information and stated

1811

01:47:15,549 --> 01:47:11,150

that they were from Zeta Reticuli

1812

01:47:18,069 --> 01:47:15,559

after that this is a point that gets

1813

01:47:21,430 --> 01:47:18,079

gets kind of forgotten in the Betty and

1814

01:47:23,890 --> 01:47:21,440

Barney Hill story the Marjorie fish the

1815

01:47:28,000 --> 01:47:23,900

star map the aspect of this Marjorie

1816

01:47:30,100 --> 01:47:28,010

fish was a teacher and she took I'll

1817

01:47:32,470 --> 01:47:30,110

never forget this when I had read this

1818

01:47:34,780 --> 01:47:32,480

originally and I was just a kid and I

1819

01:47:37,299 --> 01:47:34,790

was like holy crap okay there's that

1820

01:47:37,870 --> 01:47:37,309

there you go now we've got something

1821

01:47:42,069 --> 01:47:37,880

here

1822

01:47:47,010 --> 01:47:42,079

Marjorie fish took it upon herself to do

1823

01:47:51,580 --> 01:47:47,020

a 3d model of the stars that's it 23:23

1824

01:47:56,709 --> 01:47:51,590

3d mom and she puts us together and she

1825

01:47:58,990 --> 01:47:56,719

goes and somehow gets a copy of Betty's

1826
01:48:00,630 --> 01:47:59,000
star map that she drew I believe under

1827
01:48:03,270 --> 01:48:00,640
hypnosis right

1828
01:48:06,300 --> 01:48:03,280
she drew it as a result of a post

1829
01:48:08,550 --> 01:48:06,310
hypnotic suggestion right that she would

1830
01:48:10,170 --> 01:48:08,560
be able to draw it draw it if she

1831
01:48:13,200 --> 01:48:10,180
remembered it and could draw it

1832
01:48:17,850 --> 01:48:13,210
accurately and it didn't bother her too

1833
01:48:22,440 --> 01:48:17,860
badly and and so which was a star map of

1834
01:48:24,840 --> 01:48:22,450
the trade routes that these beings were

1835
01:48:29,160 --> 01:48:24,850
or we're doing this is where they

1836
01:48:31,560 --> 01:48:29,170
routinely went right that is correct and

1837
01:48:37,680 --> 01:48:31,570
when Betty was on the craft after her

1838
01:48:41,790 --> 01:48:37,690

examination she began to trust and lose

1839

01:48:45,000 --> 01:48:41,800

her fear of the escort who was with her

1840

01:48:48,750 --> 01:48:45,010

because he had taken her pain away when

1841

01:48:51,930 --> 01:48:48,760

a needle was plunged into her navel by

1842

01:48:55,470 --> 01:48:51,940

the examiner and so she was finished

1843

01:49:01,230 --> 01:48:55,480

she's dressed and she starts to look

1844

01:49:04,890 --> 01:49:01,240

around the room and she says to this one

1845

01:49:06,890 --> 01:49:04,900

that she called the leader I know you're

1846

01:49:11,520 --> 01:49:06,900

not from around here

1847

01:49:15,720 --> 01:49:11,530

what where is your home port and so he

1848

01:49:22,110 --> 01:49:15,730

produced a kind of a three-dimensional

1849

01:49:24,330 --> 01:49:22,120

image of this star map with stars that

1850

01:49:26,760 --> 01:49:24,340

were connected and and a few others that

1851
01:49:29,640 --> 01:49:26,770
were not there were many stars in the

1852
01:49:32,070 --> 01:49:29,650
background she said she only put a few

1853
01:49:34,940 --> 01:49:32,080
on the star map when she drew them and

1854
01:49:40,140 --> 01:49:34,950
some of those stars were connected by

1855
01:49:43,080 --> 01:49:40,150
solid lines and there were five of those

1856
01:49:47,660 --> 01:49:43,090
lines connecting Zeta Reticuli 1 and

1857
01:49:50,610 --> 01:49:47,670
Zeta Reticuli 2 and the solid lines

1858
01:49:54,050 --> 01:49:50,620
represented trade routes where as there

1859
01:49:57,000 --> 01:49:54,060
were daughter lines which represented

1860
01:50:00,000 --> 01:49:57,010
expeditions to some of those stars and

1861
01:50:04,110 --> 01:50:00,010
and the point that makes this so

1862
01:50:08,580 --> 01:50:04,120
incredible is that and correct me if I'm

1863
01:50:11,550 --> 01:50:08,590

wrong but Zeta Reticuli at that time

1864

01:50:13,760 --> 01:50:11,560

wasn't no it was behind the Sun we

1865

01:50:17,720 --> 01:50:13,770

hadn't sent out satellites

1866

01:50:21,080 --> 01:50:17,730

yet to to check out that part of the

1867

01:50:25,160 --> 01:50:21,090

Milky Way and Marjorie fish put this

1868

01:50:27,890 --> 01:50:25,170

together almost ten years later and she

1869

01:50:30,230 --> 01:50:27,900

went back to Betty's star map lined it

1870

01:50:33,500 --> 01:50:30,240

up with hers and when she's talking

1871

01:50:36,290 --> 01:50:33,510

about Zeta Reticuli which Betty could

1872

01:50:39,230 --> 01:50:36,300

not have possibly have known about am i

1873

01:50:41,840 --> 01:50:39,240

right about this no yes you are Betty

1874

01:50:44,870 --> 01:50:41,850

couldn't possibly have known about Zeta

1875

01:50:48,170 --> 01:50:44,880

Reticuli it can be observed only from

1876

01:50:52,340 --> 01:50:48,180

the southern hemisphere and it is a very

1877

01:50:57,920 --> 01:50:52,350

very dim star at that it's in the

1878

01:51:00,830 --> 01:50:57,930

constellation the net fascinating though

1879

01:51:03,850 --> 01:51:00,840

fascinating to me is that Marjorie built

1880

01:51:08,600 --> 01:51:03,860

those 23 models she was so persistent

1881

01:51:10,450 --> 01:51:08,610

going to the University copying the

1882

01:51:15,530 --> 01:51:10,460

distance data and all of the

1883

01:51:18,350 --> 01:51:15,540

characteristics of those stars out 5554

1884

01:51:20,960 --> 01:51:18,360

light-years and still didn't find a

1885

01:51:28,250 --> 01:51:20,970

match until there was new distance data

1886

01:51:31,130 --> 01:51:28,260

in the 1971 catalog and she then put

1887

01:51:34,370 --> 01:51:31,140

some stars onto the map that hadn't been

1888

01:51:36,170 --> 01:51:34,380

there previously she rearranged some

1889

01:51:40,550 --> 01:51:36,180

things according to the new distance

1890

01:51:43,820 --> 01:51:40,560

data and there was the match and the

1891

01:51:46,970 --> 01:51:43,830

interesting thing about those is that

1892

01:51:51,650 --> 01:51:46,980

all of them were believed to be sun-like

1893

01:51:54,770 --> 01:51:51,660

stars even though only 5% of the stars

1894

01:51:58,040 --> 01:51:54,780

in that section of our galaxy are

1895

01:52:03,440 --> 01:51:58,050

considered to be sun-like and all of the

1896

01:52:06,080 --> 01:52:03,450

stars on Betty's map bore sun-like next

1897

01:52:08,120 --> 01:52:06,090

question yes it is it is I'm looking at

1898

01:52:10,040 --> 01:52:08,130

the star map here thank you for that

1899

01:52:12,320 --> 01:52:10,050

Brian I'm looking at the original

1900

01:52:13,910 --> 01:52:12,330

picture which still freaks me out to

1901

01:52:17,000 --> 01:52:13,920

this day this is from Eddie Eddie says

1902

01:52:21,230 --> 01:52:17,010

hey JC could you please ask Kathleen

1903

01:52:26,010 --> 01:52:21,240

which case sighting etc she feels is the

1904

01:52:34,410 --> 01:52:31,410

my goodness that there are so many there

1905

01:52:39,840 --> 01:52:34,420

are so many that are very important I

1906

01:52:43,530 --> 01:52:39,850

can't name just one we've learned so

1907

01:52:46,020 --> 01:52:43,540

much from Betty and Barney to Travis

1908

01:52:49,260 --> 01:52:46,030

Walton that was very important Charlie

1909

01:52:52,740 --> 01:52:49,270

Hickson and Calvin Parker there were

1910

01:52:56,300 --> 01:52:52,750

three women in Kentucky where there were

1911

01:53:01,290 --> 01:52:56,310

witnesses and and had an experience that

1912

01:53:04,860 --> 01:53:01,300

was publicized early on there was the

1913

01:53:09,120 --> 01:53:04,870

allagash abduction in the allagash of

1914

01:53:13,710 --> 01:53:09,130

Maine there's the Linda Cortile case

1915

01:53:18,240 --> 01:53:13,720

from New York City and I know her and

1916

01:53:22,020 --> 01:53:18,250

and see her about once a year and I do

1917

01:53:25,260 --> 01:53:22,030

believe that that that is a true case

1918

01:53:29,760 --> 01:53:25,270

even though there has been a concerted

1919

01:53:32,310 --> 01:53:29,770

effort to slander her and debunk that

1920

01:53:35,820 --> 01:53:32,320

was that the case with the United

1921

01:53:41,360 --> 01:53:35,830

Nations yes it is yeah that's her that's

1922

01:53:43,110 --> 01:53:41,370

an amazing amazing case okay this comes

1923

01:53:48,000 --> 01:53:43,120

from

1924

01:53:50,490 --> 01:53:48,010

I can't Planet King in the last contact

1925

01:53:52,790 --> 01:53:50,500

in the desert was Kathleen Martin the

1926

01:53:58,680 --> 01:53:52,800

one doing the little theater room

1927

01:54:01,440 --> 01:53:58,690

conversation that's I attended little

1928

01:54:04,140 --> 01:54:01,450

theater that's what it says doing the

1929

01:54:09,360 --> 01:54:04,150

little theater room conversations I

1930

01:54:14,030 --> 01:54:09,370

attended I I guess I was not because I

1931

01:54:20,070 --> 01:54:14,040

was in the large theater on a panel I

1932

01:54:22,590 --> 01:54:20,080

did a group hypnosis session just to

1933

01:54:26,220 --> 01:54:22,600

give people an idea of what hypnosis you

1934

01:54:30,630 --> 01:54:26,230

did you did a group hypnosis yes I

1935

01:54:33,390 --> 01:54:30,640

wanted to be there for that I'm gonna be

1936

01:54:37,750 --> 01:54:33,400

doing it at the International UFO

1937

01:54:40,030 --> 01:54:37,760

Congress conference - down in Phoenix

1938

01:54:42,610 --> 01:54:40,040

next week yeah next week next week

1939

01:54:44,080 --> 01:54:42,620

you're gonna hypnotize the whole world

1940

01:54:46,090 --> 01:54:44,090

are you gonna bring somebody up on stage

1941

01:54:50,130 --> 01:54:46,100

and make him like bark like a dog

1942

01:54:56,470 --> 01:54:50,140

I don't do that kind of I'm going to

1943

01:54:59,410 --> 01:54:56,480

take them on a regression to a pleasant

1944

01:55:03,280 --> 01:54:59,420

experience in their life and I'm going

1945

01:55:05,560 --> 01:55:03,290

to do a little healing hypnosis session

1946

01:55:08,200 --> 01:55:05,570

with them as well that is so cool and I

1947

01:55:12,810 --> 01:55:08,210

I did that kind of thing you had contact

1948

01:55:15,430 --> 01:55:12,820

in the desert I did a lecture a

1949

01:55:19,479 --> 01:55:15,440

presentation but I didn't sit in a small

1950

01:55:22,180 --> 01:55:19,489

room and talk to people except for at my

1951

01:55:27,780 --> 01:55:22,190

vendor table right so I I really don't

1952

01:55:33,550 --> 01:55:27,790

know I guess I wasn't the one when I was

1953

01:55:35,790 --> 01:55:33,560

Darryl Simms said to me you know with my

1954

01:55:39,070 --> 01:55:35,800

little experience he said you know Jimmy

1955

01:55:41,380 --> 01:55:39,080

you need to do a regression you need to

1956

01:55:44,260 --> 01:55:41,390

go back to that moment something may

1957

01:55:46,000 --> 01:55:44,270

have happened and you should you should

1958

01:55:49,390 --> 01:55:46,010

be aware of it I think you should find

1959

01:55:51,760 --> 01:55:49,400

out and I said it I said no I don't want

1960

01:55:56,500 --> 01:55:51,770

to know I don't want to know the

1961

01:55:58,000 --> 01:55:56,510

experience freaked me out enough and I

1962

01:55:58,750 --> 01:55:58,010

don't want to go back I don't want to

1963

01:56:03,400 --> 01:55:58,760

visit it

1964

01:56:06,310 --> 01:56:03,410

if something happened it happened I just

1965

01:56:09,370 --> 01:56:06,320

don't want to know about it I really

1966

01:56:12,970 --> 01:56:09,380

just want to leave it leave it where it

1967

01:56:16,120 --> 01:56:12,980

is is that okay that is perfectly fine

1968

01:56:18,610 --> 01:56:16,130

and if you do find out and you don't

1969

01:56:21,130 --> 01:56:18,620

really want to find out it could cause

1970

01:56:23,860 --> 01:56:21,140

problems in your life you might become

1971

01:56:25,900 --> 01:56:23,870

fearful you might think that well gee

1972

01:56:28,860 --> 01:56:25,910

this is going to happen again and and

1973

01:56:33,970 --> 01:56:28,870

now I have all of this information and

1974

01:56:37,030 --> 01:56:33,980

I'm fearful now so yeah you you don't

1975

01:56:39,520 --> 01:56:37,040

have to learn about it if you don't want

1976

01:56:40,870 --> 01:56:39,530

to do what feels comfortable to you

1977

01:56:43,630 --> 01:56:40,880

we're all different

1978

01:56:47,979 --> 01:56:43,640

yeah I just want to let it go I do the

1979

01:56:50,860 --> 01:56:47,989

part that I remember that's that's a

1980

01:56:53,860 --> 01:56:50,870

death that's good enough as that's what

1981

01:56:54,700 --> 01:56:53,870

Barney wanted to do Barney wanted to

1982

01:56:59,620 --> 01:56:54,710

forget it

1983

01:57:03,910 --> 01:56:59,630

that's what caused so much trouble for

1984

01:57:08,470 --> 01:57:03,920

him well I don't know if I've told you

1985

01:57:11,590 --> 01:57:08,480

this before but I was living I just

1986

01:57:15,130 --> 01:57:11,600

moved into a house in Pasadena's 1984

1987

01:57:17,950 --> 01:57:15,140

and you know I'm 20 years old 21 years

1988

01:57:19,810 --> 01:57:17,960

old and I'm walking through the house is

1989

01:57:22,570 --> 01:57:19,820

empty no furniture

1990

01:57:26,650 --> 01:57:22,580

I've got suitcases all right that's it

1991

01:57:29,500 --> 01:57:26,660

and it's a five bedroom house and in one

1992

01:57:32,979 --> 01:57:29,510

of the front bedrooms I had kind of

1993

01:57:35,200 --> 01:57:32,989

chosen this back bedroom but in the in

1994

01:57:37,660 --> 01:57:35,210

the front bedroom I'm just walking

1995

01:57:40,479 --> 01:57:37,670

through and I see these on this top

1996

01:57:43,030 --> 01:57:40,489

shelf the house is empty I need to

1997

01:57:45,850 --> 01:57:43,040

emphasize that there's nothing in the

1998

01:57:48,490 --> 01:57:45,860

house I go in this bedroom and on the

1999

01:57:51,640 --> 01:57:48,500

top in the in the closet on the shelf

2000

01:57:53,950 --> 01:57:51,650

are two books on the back of this shelf

2001
01:57:56,440 --> 01:57:53,960
above where you know you hang your

2002
01:58:00,190 --> 01:57:56,450
clothes right there's a shelf and I grab

2003
01:58:05,620 --> 01:58:00,200
the two books one of them an interrupted

2004
01:58:10,270 --> 01:58:05,630
journey and the other one was Betty

2005
01:58:12,970 --> 01:58:10,280
Andreessen right okay so the end recent

2006
01:58:15,340 --> 01:58:12,980
affair and almost like whoa okay this is

2007
01:58:17,110 --> 01:58:15,350
kind of cool I didn't have a TV I didn't

2008
01:58:20,020 --> 01:58:17,120
have a radio but now I got a couple of

2009
01:58:21,700 --> 01:58:20,030
books to read and you know so I go back

2010
01:58:26,290 --> 01:58:21,710
to the house and I started reading an

2011
01:58:29,080 --> 01:58:26,300
interrupted journey and that that that's

2012
01:58:31,920 --> 01:58:29,090
right the the the perfect epiphany story

2013
01:58:37,650 --> 01:58:31,930

right that's the life changing event and

2014

01:58:40,210 --> 01:58:37,660

going through that and reading Barney's

2015

01:58:43,480 --> 01:58:40,220

sessions in the book

2016

01:58:44,760 --> 01:58:43,490

and the way that I know that Fowler

2017

01:58:48,160 --> 01:58:44,770

you know these were direct

2018

01:58:54,160 --> 01:58:48,170

transcriptions and and and you know this

2019

01:58:58,030 --> 01:58:54,170

and it moved me I felt Barney's fear and

2020

01:59:00,940 --> 01:58:58,040

his trauma you know that I think that

2021

01:59:03,460 --> 01:59:00,950

everybody resonated with Barney and and

2022

01:59:08,230 --> 01:59:03,470

what he went through didn't they yes

2023

01:59:10,750 --> 01:59:08,240

they they did and if you listen to the

2024

01:59:15,720 --> 01:59:10,760

hypnosis tapes there there is a little

2025

01:59:20,260 --> 01:59:15,730

bit on youtube of Barney and everyone

2026

01:59:23,020 --> 01:59:20,270

identifies with that and feels sympathy

2027

01:59:25,780 --> 01:59:23,030

it's difficult it's difficult to listen

2028

01:59:28,390 --> 01:59:25,790

to I mean he's a he's a grown man he's

2029

01:59:32,950 --> 01:59:28,400

this isn't a child right or anything

2030

01:59:35,800 --> 01:59:32,960

like that this is a grown man reacting

2031

01:59:38,110 --> 01:59:35,810

this way and I think we all felt for him

2032

01:59:42,070 --> 01:59:38,120

it was a it was traumatic traumatic

2033

01:59:44,620 --> 01:59:42,080

sivan a mild word to use for it this

2034

01:59:48,010 --> 01:59:44,630

question comes in from do sky Jimmy

2035

01:59:52,090 --> 01:59:48,020

please ask Kathleen her take on why the

2036

01:59:54,160 --> 01:59:52,100

powers that shouldn't be it is so

2037

01:59:56,830 --> 01:59:54,170

important and necessary to ridicule to

2038

02:00:00,070 --> 01:59:56,840

trivialize to marginalize and officially

2039

02:00:06,970 --> 02:00:00,080

dismiss experiencers what are they

2040

02:00:09,670 --> 02:00:06,980

afraid of again I I think that the

2041

02:00:13,200 --> 02:00:09,680

reason for this is that there is a

2042

02:00:17,050 --> 02:00:13,210

federal policy a government policy that

2043

02:00:20,710 --> 02:00:17,060

we are not going to address this

2044

02:00:22,030 --> 02:00:20,720

question there's nothing that we can do

2045

02:00:25,660 --> 02:00:22,040

to stop it

2046

02:00:29,620 --> 02:00:25,670

and we can't acknowledge it because

2047

02:00:33,510 --> 02:00:29,630

militarily we are helpless and that

2048

02:00:38,200 --> 02:00:33,520

pertains to every country in this world

2049

02:00:41,740 --> 02:00:38,210

we are all helpless to defend against

2050

02:00:47,530 --> 02:00:41,750

that so what do you do you simply ignore

2051
02:00:51,790 --> 02:00:47,540
it if somebody wanted to this comes from

2052
02:00:52,279 --> 02:00:51,800
Scott about what about if if there are

2053
02:00:57,729 --> 02:00:52,289
more

2054
02:01:03,680 --> 02:00:57,739
on ankles too does that signify anything

2055
02:01:07,839 --> 02:01:03,690
it can there it it varies there I have

2056
02:01:13,689 --> 02:01:07,849
seen marks on ankles of individuals who

2057
02:01:15,649 --> 02:01:13,699
are having in contact with negative

2058
02:01:18,470 --> 02:01:15,659
interdimensional entities from the

2059
02:01:20,899 --> 02:01:18,480
astral realm where there are like claw

2060
02:01:23,740 --> 02:01:20,909
marks on their ankles where they're

2061
02:01:28,359 --> 02:01:23,750
being held upside down and taunted

2062
02:01:33,229 --> 02:01:28,369
tortured that's that's another thing but

2063
02:01:37,040 --> 02:01:33,239

there can be marks on on people's angles

2064

02:01:40,279 --> 02:01:37,050

too you know if they've been taken

2065

02:01:44,990 --> 02:01:40,289

sometimes they use the foot area to

2066

02:01:47,990 --> 02:01:45,000

insert an implant and then they do have

2067

02:01:50,990 --> 02:01:48,000

intelligence and so they can travel up

2068

02:01:54,740 --> 02:01:51,000

the body to wherever they want them to

2069

02:02:00,439 --> 02:01:54,750

be and and rest in that position

2070

02:02:06,649 --> 02:02:00,449

how many experiences what is the ratio

2071

02:02:10,700 --> 02:02:06,659

of men to women it seems and and I asked

2072

02:02:12,859 --> 02:02:10,710

this because we look at some of the you

2073

02:02:15,410 --> 02:02:12,869

know the the more publicized cases

2074

02:02:18,020 --> 02:02:15,420

certainly Calvin Parker and and you have

2075

02:02:21,109 --> 02:02:18,030

Travis yeah Betty and Barney you have

2076

02:02:22,490 --> 02:02:21,119

Rendlesham as a another example of

2077

02:02:25,430 --> 02:02:22,500

contact there's not an abduction

2078

02:02:30,700 --> 02:02:25,440

involved but of course there was direct

2079

02:02:33,740 --> 02:02:30,710

contact what's the ratio it's about

2080

02:02:36,169 --> 02:02:33,750

50/50 according to the research studies

2081

02:02:38,419 --> 02:02:36,179

that I have worked done which is very

2082

02:02:42,979 --> 02:02:38,429

interesting that includes free study of

2083

02:02:47,299 --> 02:02:42,989

4,000 people and MUFON study of 516

2084

02:02:50,060 --> 02:02:47,309

people that's 5050 and when you see

2085

02:02:54,560 --> 02:02:50,070

attendees at conferences and we've been

2086

02:02:56,689 --> 02:02:54,570

discussing this this week the attendees

2087

02:03:01,040 --> 02:02:56,699

at conferences the attendees not the

2088

02:03:03,470 --> 02:03:01,050

speakers the attendees I think I think

2089

02:03:05,990 --> 02:03:03,480

there's more women than men I think it

2090

02:03:09,850 --> 02:03:06,000

might be fit 6040

2091

02:03:15,250 --> 02:03:09,860

Rita says it she thinks it's about 50/50

2092

02:03:20,300 --> 02:03:15,260

it's not a male-dominated subject is it

2093

02:03:23,420 --> 02:03:20,310

well I I have to tell you that the the

2094

02:03:27,080 --> 02:03:23,430

male researchers such as Budd Hopkins

2095

02:03:31,940 --> 02:03:27,090

and David Jacobs believed that there

2096

02:03:34,790 --> 02:03:31,950

were more women being taken but now that

2097

02:03:38,690 --> 02:03:34,800

there are women researchers such as

2098

02:03:42,260 --> 02:03:38,700

myself we're finding that there are many

2099

02:03:46,940 --> 02:03:42,270

many men more men coming to us in fact

2100

02:03:50,390 --> 02:03:46,950

than women so you know maybe it's just a

2101
02:03:52,640 --> 02:03:50,400
matter of who people go to see or who's

2102
02:03:56,390 --> 02:03:52,650
willing to step forward and talk about

2103
02:04:02,120 --> 02:03:56,400
it yeah yeah that's interesting that's

2104
02:04:05,510 --> 02:04:02,130
interesting what's next for you oh well

2105
02:04:09,080 --> 02:04:05,520
I'm this weekend I'm going to be at the

2106
02:04:12,230 --> 02:04:09,090
Exeter UFO festival in Exeter New

2107
02:04:15,160 --> 02:04:12,240
Hampshire where I'll be speaking and

2108
02:04:19,790 --> 02:04:15,170
then on Tuesday I'm flying down to

2109
02:04:23,870 --> 02:04:19,800
Phoenix hopefully barring a hurricane

2110
02:04:27,770 --> 02:04:23,880
preventing me from flying but I'll be

2111
02:04:30,710 --> 02:04:27,780
down there to do experience or support

2112
02:04:34,460 --> 02:04:30,720
groups to do a group hypnosis session

2113
02:04:37,040 --> 02:04:34,470

and to do a workshop for experiencers at

2114

02:04:43,100 --> 02:04:37,050

the International UFO Congress

2115

02:04:45,830 --> 02:04:43,110

conference then in early October I am

2116

02:04:51,650 --> 02:04:45,840

going to be working on a cruise ship and

2117

02:04:53,510 --> 02:04:51,660

you can go to UFO cruise comm to get

2118

02:04:56,090 --> 02:04:53,520

more information about that at least

2119

02:04:58,670 --> 02:04:56,100

from San Diego and I think it's going to

2120

02:05:01,340 --> 02:04:58,680

be a lot of fun we have a lot of great

2121

02:05:04,430 --> 02:05:01,350

speakers who are going to be there and

2122

02:05:07,490 --> 02:05:04,440

if you go and you decide to register

2123

02:05:13,520 --> 02:05:07,500

please mention my name and then we're

2124

02:05:18,020 --> 02:05:13,530

having in November a UFO Expo

2125

02:05:20,000 --> 02:05:18,030

I think it's called UFO Con in Central

2126

02:05:23,500 --> 02:05:20,010

Florida in near our land

2127

02:05:26,150 --> 02:05:23,510

go and I'll be speaking there as well

2128

02:05:28,160 --> 02:05:26,160

fantastic Kathleen thank you so much and

2129

02:05:31,670 --> 02:05:28,170

I look forward to the next book and of

2130

02:05:34,070 --> 02:05:31,680

course hanging out with you what you

2131

02:05:38,030 --> 02:05:34,080

have done for this community and of

2132

02:05:40,400 --> 02:05:38,040

course Staunton too as well and I can't

2133

02:05:42,020 --> 02:05:40,410

let you get away tonight without saying

2134

02:05:44,090 --> 02:05:42,030

thank you to Stanton and and the work

2135

02:05:46,990 --> 02:05:44,100

that you two did together over the years

2136

02:05:50,630 --> 02:05:47,000

too as well we miss them so much and

2137

02:05:52,250 --> 02:05:50,640

yeah keep doing your thing and I look

2138

02:05:55,520 --> 02:05:52,260

forward to our next conversation thank

2139

02:05:57,440 --> 02:05:55,530

you so much I do as well it was such a

2140

02:06:00,290 --> 02:05:57,450

khatai is here and we're gonna be

2153

02:07:15,700 --> 02:07:12,560

discussing the Phoenix lights and this

2154

02:07:19,480 --> 02:07:15,710

is the thing for me about the Phoenix

2155

02:07:24,310 --> 02:07:19,490

lights I was in Phoenix that week and I

2156

02:07:26,670 --> 02:07:24,320

was at the Hard Rock Cafe that night and

2157

02:07:31,120 --> 02:07:26,680

the reason why I remember all of this is

2158

02:07:33,460 --> 02:07:31,130

and we were out on anyway that part of

2159

02:07:37,690 --> 02:07:33,470

it doesn't matter but but I'm in Phoenix

2160

02:07:40,480 --> 02:07:37,700

and on business and I get back

2161

02:07:42,340 --> 02:07:40,490

it was a Friday night and I get back I

2162

02:07:47,050 --> 02:07:42,350

land at Burbank Airport I get home with

2163

02:07:48,760 --> 02:07:47,060

my luggage drop my luggage and I went

2164

02:07:53,410 --> 02:07:48,770

into the living room turned on the TV

2165

02:07:57,220 --> 02:07:53,420

and it was on the news and the news pops

2166

02:08:00,520 --> 02:07:57,230

up and it says UFO sighting last night

2167

02:08:03,010 --> 02:08:00,530

in Phoenix and I'm looking at the screen

2168

02:08:05,530 --> 02:08:03,020

you know it was you know the the the the

2169

02:08:07,240 --> 02:08:05,540

video that were so familiar with you

2170

02:08:09,700 --> 02:08:07,250

know with the with the silhouette of the

2171

02:08:14,770 --> 02:08:09,710

mountains and I'm looking at that and

2172

02:08:18,400 --> 02:08:14,780

I'm like say say what and I had you know

2173

02:08:23,560 --> 02:08:18,410

I just arrived from Phoenix I was there

2174

02:08:26,710 --> 02:08:23,570

I didn't see it and I am so I look back

2175

02:08:29,050 --> 02:08:26,720

and I think about that so much that that

2176

02:08:34,330 --> 02:08:29,060

extraordinary and it was all over the

2177

02:08:40,030 --> 02:08:34,340

city right and I did not see it and I

2178

02:08:42,760 --> 02:08:40,040

don't know why with all the driving and

2179

02:08:44,650 --> 02:08:42,770

everything that I was doing I did not

2180

02:08:47,680 --> 02:08:44,660

see it neither did anybody else that I

2181

02:08:52,540 --> 02:08:47,690

was with but I was there that night and

2182

02:08:55,750 --> 02:08:52,550

I keep replaying it in my mind I know

2183

02:08:58,960 --> 02:08:55,760

exactly where I was and what I was doing

2184

02:09:03,700 --> 02:08:58,970

and how I missed one of the the greatest

2185

02:09:06,640 --> 02:09:03,710

sightings of in history I it still blows

2186

02:09:10,510 --> 02:09:06,650

my mind and and that's why I enjoy

2187

02:09:11,800 --> 02:09:10,520

having dr. Lynn cation with this each

2188

02:09:13,390 --> 02:09:11,810

night to to

2189

02:09:15,640 --> 02:09:13,400

countess I'm not gonna go and repeat

2190

02:09:17,530 --> 02:09:15,650

this again tomorrow night that I was

2191

02:09:18,130 --> 02:09:17,540

there and missed it because it bums me

2192

02:09:20,530 --> 02:09:18,140

out

2193

02:09:24,130 --> 02:09:20,540

so I'm just gonna let you know that now

2194

02:09:27,040 --> 02:09:24,140

I was there I missed it

2195

02:09:30,340 --> 02:09:27,050

I I still can't believe it I remember

2196

02:09:34,390 --> 02:09:30,350

2197

02:09:36,910 --> 02:09:34,400
