fear about cattle mutilations mirages

78

00:04:23,390 --> 00:04:20,579

men which we have discussed many times

79

00:04:25,670 --> 00:04:23,400

on this show based on his book project

80

00:04:28,100 --> 00:04:25,680

beta and the Travel Channel series

81

00:04:30,670 --> 00:04:28,110

mysteries of the national parks and most

82

00:04:33,050 --> 00:04:30,680

recently and History Channel's

83

00:04:34,820 --> 00:04:33,060

unidentified he also served as a

84

00:04:36,830 --> 00:04:34,830

consultant for the tienen series the

85

00:04:39,590 --> 00:04:36,840

conspiracy zone with Kevin Nealon and

86

00:04:42,470 --> 00:04:39,600

for nearly two decades he has lectured

87

00:04:45,710 --> 00:04:42,480

extensively at conferences conventions

88

00:04:46,760 --> 00:04:45,720

from elementary to college students

89

00:04:49,610 --> 00:04:46,770

I would like to welcome for the first

90

00:04:55,400 --> 00:04:49,620

time to fade to black Greg Bishop Greg

91

00:04:59,210 --> 00:04:55,410

it's about time man Greg yeah can you

92

00:05:00,770 --> 00:04:59,220

okay don't scare me like that we've been

93

00:05:03,200 --> 00:05:00,780

waiting for this conversation for so

94

00:05:06,980 --> 00:05:03,210

long and we start off with feedback how

95

00:05:08,720 --> 00:05:06,990

you doing I'm doing good it looks like

96

00:05:09,980 --> 00:05:08,730

my Wi-Fi like took a dump here for half

97

00:05:12,620 --> 00:05:09,990

a second let's see if it's coming back

98

00:05:14,660 --> 00:05:12,630

yeah yeah we're good yeah we're all good

99

00:05:17,120 --> 00:05:14,670

Greg we're all good okay

100

00:05:22,360 --> 00:05:17,130

pretty exciting times right now in

101
00:05:25,390 --> 00:05:22,370
ufology we have never before had

102
00:05:28,850 --> 00:05:25,400
coverage of UFOs in the mainstream media

103
00:05:30,620 --> 00:05:28,860
both on television and in print you've

104
00:05:32,480 --> 00:05:30,630
been researching the subject for a very

105
00:05:36,920 --> 00:05:32,490
long time it's pretty exciting to see

106
00:05:41,000 --> 00:05:36,930
UFOs in the mainstream isn't it yeah and

107
00:05:44,000 --> 00:05:41,010
well the main thing apart from the high

108
00:05:45,530 --> 00:05:44,010
profile UFOs think there's more

109
00:05:47,480 --> 00:05:45,540
scientists academics and people like

110
00:05:49,130 --> 00:05:47,490
that that are less weirded out or

111
00:05:50,780 --> 00:05:49,140
embarrassed or whatever to talk about it

112
00:05:53,960 --> 00:05:50,790
and that to me it's it's pretty amazing

113
00:06:05,030 --> 00:05:53,970

because that means ufology will have a

114

00:06:08,150 --> 00:06:05,040

sister now we have but just to get that

115

00:06:09,800 --> 00:06:08,160

boost yeah I need you to repeat

116

00:06:12,130 --> 00:06:09,810

everything that you just said Greg you

117

00:06:14,570 --> 00:06:12,140

dropped out oh sorry

118

00:06:18,080 --> 00:06:14,580

what's exciting to me is that science

119

00:06:20,450 --> 00:06:18,090

and academia are getting interested and

120

00:06:22,610 --> 00:06:20,460

people that are in those fields are less

121

00:06:25,670 --> 00:06:22,620

embarrassed I guess to talk about it

122

00:06:27,230 --> 00:06:25,680

examine it and maybe can push us into

123

00:06:29,680 --> 00:06:27,240

different areas that we haven't been

124

00:06:31,909 --> 00:06:29,690

able to because of the sort of the

125

00:06:35,330 --> 00:06:31,919

whatchamacallit what would you call it

126
00:06:37,340 --> 00:06:35,340
the the circular nature of UFO research

127
00:06:40,159 --> 00:06:37,350
or Lisa civilian side for the last 50

128
00:06:43,640 --> 00:06:40,169
years yeah it is definitely a circular

129
00:06:46,850 --> 00:06:43,650
nature what's exciting for me is when I

130
00:06:49,610 --> 00:06:46,860
go outside of ufology and I listen to

131
00:06:53,090 --> 00:06:49,620
scientists and physicists openly talk

132
00:06:57,100 --> 00:06:53,100
about et contact and what that would be

133
00:06:59,340 --> 00:06:57,110
like in the search for an et presence

134
00:07:01,140 --> 00:06:59,350
not only outside

135
00:07:04,200 --> 00:07:01,150
of our solar system in the Milky Way but

136
00:07:06,900 --> 00:07:04,210
throughout the universe and that that

137
00:07:11,430 --> 00:07:06,910
includes exoplanets and this constant

138
00:07:13,590 --> 00:07:11,440

search now for an intelligent

139

00:07:16,860 --> 00:07:13,600

civilization out there when I hear that

140

00:07:18,540 --> 00:07:16,870

spoken about with mainstream scientists

141

00:07:21,240 --> 00:07:18,550

and physicists that to me is the most

142

00:07:23,730 --> 00:07:21,250

exciting thing because for them it was

143

00:07:27,530 --> 00:07:23,740

about as taboo as it gets but it seems

144

00:07:32,220 --> 00:07:27,540

like it has finally arrived hasn't it

145

00:07:34,320 --> 00:07:32,230

yeah I mean it's the fact that but I'll

146

00:07:37,160 --> 00:07:34,330

tell you something I was about to

147

00:07:39,900 --> 00:07:37,170

present a paper paper whatever a talk

148

00:07:42,210 --> 00:07:39,910

called it exists what do we do about it

149

00:07:45,060 --> 00:07:42,220

which means you know the this weird

150

00:07:47,340 --> 00:07:45,070

stuff a lot of it is real so what do we

151
00:07:49,980 --> 00:07:47,350
do about it and right before I was gonna

152
00:07:51,480 --> 00:07:49,990
give the talk a friend of mine I was

153
00:07:53,520 --> 00:07:51,490
sitting in her office and she said hey

154
00:07:56,040 --> 00:07:53,530
did you see the newest National

155
00:07:57,720 --> 00:07:56,050
Geographic and from I think was April of

156
00:07:59,790 --> 00:07:57,730
this year it's there was a radio

157
00:08:01,440 --> 00:07:59,800
telescope and the big headline on the

158
00:08:05,280 --> 00:08:01,450
front cover of National Geographic are

159
00:08:06,780 --> 00:08:05,290
is we are not alone so I wondered huh I

160
00:08:09,150 --> 00:08:06,790
wonder if they ever had a cover that

161
00:08:12,120 --> 00:08:09,160
said are we alone and damned if they did

162
00:08:13,980 --> 00:08:12,130
ten years ago in 2009 another cover with

163
00:08:16,140 --> 00:08:13,990

a star field on it it said are we alone

164

00:08:18,150 --> 00:08:16,150

so 10 years apart are we alone we are

165

00:08:19,770 --> 00:08:18,160

not alone and what they're talking about

166

00:08:22,110 --> 00:08:19,780

is what you just said exoplanets which

167

00:08:25,020 --> 00:08:22,120

is what reminded me and there's just so

168

00:08:26,730 --> 00:08:25,030

many of them that they're the the idea

169

00:08:27,990 --> 00:08:26,740

now of course as well god if there's

170

00:08:30,570 --> 00:08:28,000

that many of them there's got to be life

171

00:08:32,670 --> 00:08:30,580

on some of them I mean it's common comp

172

00:08:33,900 --> 00:08:32,680

planet exoplanet that's are common

173

00:08:36,120 --> 00:08:33,910

they're not rare it's people used to

174

00:08:37,230 --> 00:08:36,130

think so that's kind of exciting now as

175

00:08:37,830 --> 00:08:37,240

to whether they can't they've come here

176

00:08:39,719 --> 00:08:37,840

or not

177

00:08:41,070 --> 00:08:39,729

I'm still not sure but you know

178

00:08:43,580 --> 00:08:41,080

something something may walk into my

179

00:08:47,490 --> 00:08:43,590

bedroom tonight and change my mind

180

00:08:49,680 --> 00:08:47,500

Greg what what god ii started in in

181

00:08:52,350 --> 00:08:49,690

ufology and research was that your

182

00:08:55,170 --> 00:08:52,360

parents were they crazy did you have a

183

00:09:00,090 --> 00:08:55,180

sighting when you were young what got

184

00:09:02,280 --> 00:09:00,100

you here I really don't know for some

185

00:09:04,920 --> 00:09:02,290

reason I used to go to the library every

186

00:09:07,080 --> 00:09:04,930

week I mean my dad took us and he said

187

00:09:08,640 --> 00:09:07,090

get three books as many as you want I

188

00:09:10,200 --> 00:09:08,650

guess at least three read them and bring

189

00:09:13,260 --> 00:09:10,210

them back next week for some reason all

190

00:09:16,610 --> 00:09:13,270

I read or at least 90% of what I read

191

00:09:19,260 --> 00:09:16,620

were UFO paranormal ghosts Bigfoot

192

00:09:20,790 --> 00:09:19,270

cryptozoological books Loch Ness monster

193

00:09:23,100 --> 00:09:20,800

I read all those when I was a little kid

194

00:09:24,389 --> 00:09:23,110

and I read them until we went to another

195

00:09:26,510 --> 00:09:24,399

library and I finished off all those

196

00:09:28,650 --> 00:09:26,520

books too so for some reason I was

197

00:09:31,410 --> 00:09:28,660

voraciously interested in the subject

198

00:09:32,910 --> 00:09:31,420

now I don't know if that was because of

199

00:09:34,650 --> 00:09:32,920

some weird experience or something that

200

00:09:36,480 --> 00:09:34,660

I don't remember any I have had a couple

201
00:09:38,579 --> 00:09:36,490
of weird sightings and things since then

202
00:09:40,170 --> 00:09:38,589
but when I was a kid no I just the

203
00:09:41,720 --> 00:09:40,180
interest came out of nowhere so I don't

204
00:09:44,130 --> 00:09:41,730
know maybe it's a previous life I was

205
00:09:46,019 --> 00:09:44,140
affected or I came from another planet I

206
00:09:47,340 --> 00:09:46,029
don't know but it's it seemed to just

207
00:09:48,690 --> 00:09:47,350
come out of nowhere that's all I was

208
00:09:51,420 --> 00:09:48,700
interested in when I was a kid

209
00:09:54,150 --> 00:09:51,430
well I always enjoy asking and I didn't

210
00:09:55,769 --> 00:09:54,160
do the first time guest disclaimer in my

211
00:09:57,030 --> 00:09:55,779
excitement of getting you on the show

212
00:09:59,850 --> 00:09:57,040
might as well get this out of the way

213
00:10:03,210 --> 00:09:59,860

I'm almost tired of seeing it pop up in

214

00:10:05,340 --> 00:10:03,220

Twitter yes I did forget which is Greg

215

00:10:07,530 --> 00:10:05,350

this is just you and I sitting in my

216

00:10:09,540 --> 00:10:07,540

couch having a conversation as friends

217

00:10:11,220 --> 00:10:09,550

and where that conversation starts it

218

00:10:13,290 --> 00:10:11,230

starts where it ends it ends but we're

219

00:10:15,660 --> 00:10:13,300

gonna end his friends there I got it out

220

00:10:16,980 --> 00:10:15,670

of the way the disclaimer is now there

221

00:10:20,190 --> 00:10:16,990

we can move on

222

00:10:22,290 --> 00:10:20,200

that's fine it's just we're just sitting

223

00:10:26,190 --> 00:10:22,300

in a room having a talk well see I

224

00:10:29,780 --> 00:10:26,200

always enjoy asking somebody for the

225

00:10:33,300 --> 00:10:29,790

first time what they have seen because

226

00:10:35,699 --> 00:10:33,310

the the first time you see something

227

00:10:38,490 --> 00:10:35,709

that you can't explain in the sky it is

228

00:10:40,980 --> 00:10:38,500

truly an epiphany it's a life-changing

229

00:10:43,440 --> 00:10:40,990

moment and you've been doing this

230

00:10:46,699 --> 00:10:43,450

research for a very long time what was

231

00:10:50,010 --> 00:10:46,709

the first sighting that you remember

232

00:10:52,079 --> 00:10:50,020

jeez I've only seen maybe three things I

233

00:10:54,510 --> 00:10:52,089

couldn't explain the first one I

234

00:10:56,670 --> 00:10:54,520

remember strangely enough was that

235

00:10:59,490 --> 00:10:56,680

Burning Man and no I wasn't high I

236

00:11:00,870 --> 00:10:59,500

wasn't drunk I wasn't on anything which

237

00:11:03,269 --> 00:11:00,880

is kind of weird being at Burning Man

238

00:11:05,040 --> 00:11:03,279

but I wasn't anyway all I saw were these

239

00:11:08,010 --> 00:11:05,050

lights they could have been a hundred

240

00:11:09,930 --> 00:11:08,020

miles away little faint lights moving in

241

00:11:11,460 --> 00:11:09,940

right angles like they were attached to

242

00:11:13,050 --> 00:11:11,470

an etch-a-sketch I watched that for

243

00:11:14,460 --> 00:11:13,060

about 10 minutes and nothing changed so

244

00:11:16,380 --> 00:11:14,470

I stopped watching and then they went

245

00:11:18,360 --> 00:11:16,390

away later the second one was an

246

00:11:21,360 --> 00:11:18,370

extremely bright light like brighter

247

00:11:22,829 --> 00:11:21,370

than a star that didn't move it didn't

248

00:11:24,960 --> 00:11:22,839

move with the Stars it didn't move at

249

00:11:26,519 --> 00:11:24,970

all it was over Death Valley at 2:00 in

250

00:11:26,940 --> 00:11:26,529

the morning when I drove into Death

251
00:11:28,320 --> 00:11:26,950

Valley

252
00:11:30,000 --> 00:11:28,330

one time at 2:00 in the morning and I

253
00:11:31,620 --> 00:11:30,010

think it was over the mercury test site

254
00:11:34,500 --> 00:11:31,630

which is you know in Nevada where they

255
00:11:36,390 --> 00:11:34,510

used to test nuclear weapons right or

256
00:11:37,950 --> 00:11:36,400

area 51 somewhere in there but it was

257
00:11:40,140 --> 00:11:37,960

far enough away to the east of Death

258
00:11:42,000 --> 00:11:40,150

Valley and it was really really bright I

259
00:11:44,550 --> 00:11:42,010

mean it wasn't a star if it was an

260
00:11:46,020 --> 00:11:44,560

airplane it didn't move and the third

261
00:11:50,460 --> 00:11:46,030

one was the most dramatic that was

262
00:11:50,790 --> 00:11:50,470

probably about mm maybe 9 or 10 years

263
00:11:54,480 --> 00:11:50,800

ago

264

00:11:55,500 --> 00:11:54,490

I was flying in an airplane with a

265

00:11:59,730 --> 00:11:55,510

friend of mine that you know like a

266

00:12:01,290 --> 00:11:59,740

Cessna it got very very turbulent we

267

00:12:02,880 --> 00:12:01,300

went weightless in our seats a few times

268

00:12:06,120 --> 00:12:02,890

and we thought well maybe we were to go

269

00:12:08,310 --> 00:12:06,130

land so we did and as I was leaving the

270

00:12:10,410 --> 00:12:08,320

airport this was in Santa Barbara and

271

00:12:12,480 --> 00:12:10,420

getting on the freeway I looked up and

272

00:12:13,620 --> 00:12:12,490

over the end of one of the runways or at

273

00:12:14,910 --> 00:12:13,630

least what I thought was the end of one

274

00:12:17,640 --> 00:12:14,920

the runway is about a half a mile away

275

00:12:20,490 --> 00:12:17,650

maybe less maybe a quarter-mile not too

276

00:12:24,540 --> 00:12:20,500

far was this black thing that looked

277

00:12:25,830 --> 00:12:24,550

like a six-pointed I don't know what it

278

00:12:27,210 --> 00:12:25,840

would look like I mean it looked like a

279

00:12:29,130 --> 00:12:27,220

wheel without spoke

280

00:12:33,900 --> 00:12:29,140

I mean without a rim but there were a

281

00:12:36,000 --> 00:12:33,910

thick black hexagonal shiny thing with

282

00:12:38,220 --> 00:12:36,010

little rectangles coming out of the side

283

00:12:39,620 --> 00:12:38,230

of it was totally black but it was shiny

284

00:12:41,790 --> 00:12:39,630

because I could see the sunlight

285

00:12:43,590 --> 00:12:41,800

glinting off it from the sunset it was

286

00:12:46,740 --> 00:12:43,600

right at sunset I had see the orange

287

00:12:48,720 --> 00:12:46,750

light reflecting off this black thing

288

00:12:50,400 --> 00:12:48,730

and it did not move I mean it was like

289

00:12:53,850 --> 00:12:50,410

Stockstill and there was a lot of wind

290

00:12:56,220 --> 00:12:53,860

so I don't know what that was and the

291

00:12:59,430 --> 00:12:56,230

weird thing is Jimmy this happens to

292

00:13:01,440 --> 00:12:59,440

people I said that's interesting and I

293

00:13:03,030 --> 00:13:01,450

got in my car and left I could have

294

00:13:06,630 --> 00:13:03,040

driven there in five minutes less than

295

00:13:09,470 --> 00:13:06,640

five minutes right so do you know how

296

00:13:12,030 --> 00:13:09,480

many times I've heard this type of

297

00:13:16,260 --> 00:13:12,040

encounter and I've done the same thing

298

00:13:20,820 --> 00:13:16,270

myself it's you absorb it for the moment

299

00:13:21,120 --> 00:13:20,830

and then you tend to move on how big was

300

00:13:23,940 --> 00:13:21,130

it

301

00:13:27,270 --> 00:13:23,950

I don't know from that distance was

302

00:13:29,220 --> 00:13:27,280

probably a probably uh between 100 and

303

00:13:31,620 --> 00:13:29,230

200 feet high was round it was like a

304

00:13:33,420 --> 00:13:31,630

was like a circle with no you know it

305

00:13:35,070 --> 00:13:33,430

just had these it was an eight-pointed

306

00:13:36,630 --> 00:13:35,080

you know had two two crosses at

307

00:13:39,510 --> 00:13:36,640

90-degree angles and the other ones that

308

00:13:40,950 --> 00:13:39,520

whatever the other crossing those in

309

00:13:43,230 --> 00:13:40,960

between like if you

310

00:13:45,030 --> 00:13:43,240

kind of pizza and eight pieces but it

311

00:13:47,880 --> 00:13:45,040

was they were made up these made of

312

00:13:55,130 --> 00:13:47,890

these black cylinders that were faceted

313

00:13:57,420 --> 00:13:55,140

like pencils or a a quartz crystal

314

00:14:00,480 --> 00:13:57,430

except it was black it was like glossy

315

00:14:03,720 --> 00:14:00,490

black so I have no idea what that what

316

00:14:05,520 --> 00:14:03,730

it that is I called it into the national

317

00:14:07,950 --> 00:14:05,530

UFO Reporting Center they had no idea

318

00:14:09,630 --> 00:14:07,960

what it was I called the airport the

319

00:14:11,100 --> 00:14:09,640

next day and I said did you guys because

320

00:14:13,530 --> 00:14:11,110

it was hanging right over the for runway

321

00:14:16,050 --> 00:14:13,540

we left on runway one-five at Santa

322

00:14:17,220 --> 00:14:16,060

Barbara Airport I said was there

323

00:14:19,200 --> 00:14:17,230

something hanging over the end of one

324

00:14:21,900 --> 00:14:19,210

five over the beach like last night like

325

00:14:23,280 --> 00:14:21,910

a balloon or some weird things like no

326

00:14:25,590 --> 00:14:23,290

nobody said anything we didn't see

327

00:14:27,300 --> 00:14:25,600

anything Jesus was right there was plain

328

00:14:29,490 --> 00:14:27,310

as day but they claimed that they had

329

00:14:33,270 --> 00:14:29,500

seen nothing and you didn't take out

330

00:14:35,040 --> 00:14:33,280

your camera I had an old flip phone with

331

00:14:36,720 --> 00:14:35,050

a camera on it that probably would take

332

00:14:38,010 --> 00:14:36,730

a picture of my hand from four feet away

333

00:14:40,260 --> 00:14:38,020

and you couldn't tell what it was I mean

334

00:14:42,330 --> 00:14:40,270

it was a really bad camera right but I

335

00:14:44,220 --> 00:14:42,340

could have taken a picture and I didn't

336

00:14:45,930 --> 00:14:44,230

that was the other thing too so you know

337

00:14:47,460 --> 00:14:45,940

what is the first thing people say they

338

00:14:50,940 --> 00:14:47,470

say well the aliens told you you should

339

00:14:52,170 --> 00:14:50,950

go away it's like well that could be but

340

00:14:54,570 --> 00:14:52,180

I also think that when you see something

341

00:14:56,220 --> 00:14:54,580

that weird that doesn't make any sense

342

00:14:58,650 --> 00:14:56,230

your mind just kind of goes okay that

343

00:15:00,420 --> 00:14:58,660

doesn't go anywhere so move on I mean

344

00:15:01,800 --> 00:15:00,430

it's just it's a reaction your mind has

345

00:15:03,660 --> 00:15:01,810

because there's nowhere to put that

346

00:15:05,160 --> 00:15:03,670

thing and it's far enough away I mean

347

00:15:06,660 --> 00:15:05,170

thing was right hanging right over me

348

00:15:10,830 --> 00:15:06,670

probably had a totally different

349

00:15:13,320 --> 00:15:10,840

reaction well and this is the the did

350

00:15:16,290 --> 00:15:13,330

you absorb it you know did you take the

351
00:15:18,870 --> 00:15:16,300
moment to just remember it and when you

352
00:15:20,460 --> 00:15:18,880
think about it today is it still crystal

353
00:15:22,260 --> 00:15:20,470
clear yes

354
00:15:24,660 --> 00:15:22,270
totally I mean I stood there for

355
00:15:26,520 --> 00:15:24,670
probably a good maybe two three five

356
00:15:30,180 --> 00:15:26,530
minutes and just stare that saying what

357
00:15:31,740 --> 00:15:30,190
is that it's not moving it's not part of

358
00:15:34,590 --> 00:15:31,750
the airport it wasn't I mean it was

359
00:15:38,630 --> 00:15:34,600
right at the we took off over it that

360
00:15:44,460 --> 00:15:40,950
well you know and this is the other

361
00:15:46,710 --> 00:15:44,470
thing what do you make of when you have

362
00:15:48,090 --> 00:15:46,720
a daylight sighting like that which I

363
00:15:51,330 --> 00:15:48,100

always classifiers

364

00:15:54,210 --> 00:15:51,340

that's a Holy Grail moment because at

365

00:15:54,660 --> 00:15:54,220

night it's lights in the sky you can't

366

00:15:56,160 --> 00:15:54,670

see

367

00:15:58,680 --> 00:15:56,170

the structure of the craft not

368

00:16:01,140 --> 00:15:58,690

necessarily sometimes you can do it but

369

00:16:03,090 --> 00:16:01,150

a daylight sighting is completely

370

00:16:06,540 --> 00:16:03,100

different from a nighttime sighting

371

00:16:08,880 --> 00:16:06,550

isn't it as elementary as that is to say

372

00:16:11,820 --> 00:16:08,890

there's a profound difference between

373

00:16:13,290 --> 00:16:11,830

the two right yeah I would say so I've

374

00:16:14,520 --> 00:16:13,300

never really heard anybody put it that

375

00:16:16,080 --> 00:16:14,530

way but you're right because that's why

376

00:16:19,950 --> 00:16:16,090

they like disks are called daylight

377

00:16:21,830 --> 00:16:19,960

discs I guess just not just UFOs so yeah

378

00:16:24,600 --> 00:16:21,840

and the other thing it's in the daytime

379

00:16:26,070 --> 00:16:24,610

you not only you know there's no lights

380

00:16:27,420 --> 00:16:26,080

I didn't see any lights on it so it

381

00:16:30,750 --> 00:16:27,430

wasn't like these lights zipping around

382

00:16:34,650 --> 00:16:30,760

and it didn't move at all so I didn't

383

00:16:36,900 --> 00:16:34,660

get that but yeah it's a nighttime the

384

00:16:40,530 --> 00:16:36,910

other thing at nighttime is you can't

385

00:16:42,450 --> 00:16:40,540

see anything and your lizard brain is

386

00:16:44,700 --> 00:16:42,460

probably a lot more on high alert like

387

00:16:46,920 --> 00:16:44,710

is it gonna get next to me and do I have

388

00:16:48,990 --> 00:16:46,930

to run what am I gonna do this is crazy

389

00:16:50,280 --> 00:16:49,000

there's nobody around me or whatever but

390

00:16:51,810 --> 00:16:50,290

in the daytime it's like you can see

391

00:16:52,860 --> 00:16:51,820

buildings you see cars you can see other

392

00:16:54,210 --> 00:16:52,870

stuff if you're out in the country you

393

00:16:56,850 --> 00:16:54,220

can see trees and things so you're not

394

00:16:59,220 --> 00:16:56,860

you don't have as much disorientation so

395

00:17:00,930 --> 00:16:59,230

yeah I would say that there is a market

396

00:17:03,180 --> 00:17:00,940

difference between a daylight in the

397

00:17:06,810 --> 00:17:03,190

night time sighting just because of you

398

00:17:08,910 --> 00:17:06,820

know just visual cues yeah now I'm gonna

399

00:17:12,240 --> 00:17:08,920

change gears just a little bit I'm gonna

400

00:17:16,220 --> 00:17:12,250

stay on this path though which is you've

401
00:17:19,440 --> 00:17:16,230
done a lot of research into contactees

402
00:17:21,930 --> 00:17:19,450
abductions your book on ET languages

403
00:17:24,720 --> 00:17:21,940
which we'll discuss in depth later of

404
00:17:26,340 --> 00:17:24,730
course on ET language it's one of the

405
00:17:28,980 --> 00:17:26,350
chapters though but I can talk about it

406
00:17:32,970 --> 00:17:28,990
yet and of course Richard Doty and

407
00:17:38,040 --> 00:17:32,980
Mirage men and with with this massive

408
00:17:40,500 --> 00:17:38,050
amount of contact ease and abduction

409
00:17:45,180 --> 00:17:40,510
experiences and people that recount

410
00:17:48,180 --> 00:17:45,190
their own personal information on this

411
00:17:53,760 --> 00:17:48,190
there's something going on in a very

412
00:17:58,440 --> 00:17:53,770
very wide stroke of the population it

413
00:18:01,110 --> 00:17:58,450

could participant into the millions what

414

00:18:05,010 --> 00:18:01,120

what's your assessment of what is going

415

00:18:06,990 --> 00:18:05,020

on I don't have an assessment of what's

416

00:18:08,640 --> 00:18:07,000

going on except that something is

417

00:18:10,830 --> 00:18:08,650

happening to people and it's not

418

00:18:13,500 --> 00:18:10,840

coming from them I don't know where it's

419

00:18:15,510 --> 00:18:13,510

coming from if I had an experience I

420

00:18:18,750 --> 00:18:15,520

might suddenly collapse my you know my

421

00:18:20,160 --> 00:18:18,760

my my wave form and suddenly decide yes

422

00:18:22,400 --> 00:18:20,170

it's aliens coming from other planets

423

00:18:25,580 --> 00:18:22,410

but I don't like to make that assumption

424

00:18:27,780 --> 00:18:25,590

because we don't have enough you know

425

00:18:29,070 --> 00:18:27,790

objective to me objective evidence for

426

00:18:30,750 --> 00:18:29,080

that we have objected evidence that

427

00:18:33,270 --> 00:18:30,760

something very weird is going on and

428

00:18:34,620 --> 00:18:33,280

it's not people being nuts the other

429

00:18:36,330 --> 00:18:34,630

part of that the reason I do that is

430

00:18:39,210 --> 00:18:36,340

because if I make an assumption about

431

00:18:41,790 --> 00:18:39,220

what it is I closed off all the avenues

432

00:18:43,650 --> 00:18:41,800

to any other idea that it might be right

433

00:18:45,180 --> 00:18:43,660

so I like to keep those options open it

434

00:18:46,610 --> 00:18:45,190

doesn't mean I don't believe in aliens

435

00:18:49,980 --> 00:18:46,620

or whatever I think it's a you know

436

00:18:53,160 --> 00:18:49,990

people say I was anti e th I kinda was I

437

00:18:55,860 --> 00:18:53,170

guess I kinda am sort of but it's it's

438

00:18:57,960 --> 00:18:55,870

not because of you know being a skeptic

439

00:19:00,360 --> 00:18:57,970

and saying this isn't happening it's

440

00:19:03,570 --> 00:19:00,370

because I don't want to collapse my

441

00:19:05,610 --> 00:19:03,580

belief system into one thing because the

442

00:19:06,840 --> 00:19:05,620

minute you do that in ufology and you've

443

00:19:08,430 --> 00:19:06,850

seen this I'm sure over and over

444

00:19:09,840 --> 00:19:08,440

somebody says it's this no it's not it's

445

00:19:12,600 --> 00:19:09,850

this no it's not it's this and they're

446

00:19:14,280 --> 00:19:12,610

all right and they're all wrong you know

447

00:19:17,670 --> 00:19:14,290

you can find evidence for just about

448

00:19:20,550 --> 00:19:17,680

anything in the UFO field and the main

449

00:19:23,370 --> 00:19:20,560

idea is about e th and there's a few

450

00:19:25,170 --> 00:19:23,380

others to those hold up real well but

451

00:19:26,460 --> 00:19:25,180

not always and the other thing is and I

452

00:19:29,880 --> 00:19:26,470

have a t-shirt that says said it's

453

00:19:31,500 --> 00:19:29,890

repeatable but not on demand because

454

00:19:32,580 --> 00:19:31,510

that's what that's what's you know

455

00:19:35,010 --> 00:19:32,590

that's what science demands is

456

00:19:38,450 --> 00:19:35,020

repeatability on demand and you know

457

00:19:42,600 --> 00:19:38,460

UFOs the paranormal ghosts maybe

458

00:19:44,220 --> 00:19:42,610

cryptozoology [h__h] cryptids psychic

459

00:19:45,810 --> 00:19:44,230

functioning those things are repeatable

460

00:19:48,810 --> 00:19:45,820

but you can't do it every single time

461

00:19:50,730 --> 00:19:48,820

which is what makes it difficult for you

462

00:19:53,400 --> 00:19:50,740

know uh Neil deGrasse Tyson to believe

463

00:19:55,230 --> 00:19:53,410

that there's anything there but like I

464

00:19:57,600 --> 00:19:55,240

said as I said the title of my talk it

465

00:19:59,610 --> 00:19:57,610

is is it exists what do we do about it

466

00:20:02,120 --> 00:19:59,620

so I'm still under what do we do about

467

00:20:04,830 --> 00:20:02,130

it part I totally am fine with it exists

468

00:20:08,580 --> 00:20:04,840

yeah and you bring up a great point

469

00:20:11,250 --> 00:20:08,590

because when you have physicists and

470

00:20:14,190 --> 00:20:11,260

scientists you can divide them down the

471

00:20:18,240 --> 00:20:14,200

middle where you have somebody like Neil

472

00:20:20,760 --> 00:20:18,250

deGrasse Tyson that is steadfast in his

473

00:20:21,350 --> 00:20:20,770

in his belief system where you're not

474

00:20:23,930 --> 00:20:21,360

going to ban

475

00:20:26,680 --> 00:20:23,940

him and then you have the other side of

476

00:20:29,930 --> 00:20:26,690

the scientific community that is

477

00:20:34,390 --> 00:20:29,940

fascinated with consciousness and and

478

00:20:38,539 --> 00:20:34,400

what elevates an atom or particle into

479

00:20:42,470 --> 00:20:38,549

combining itself into a sentient being

480

00:20:46,100 --> 00:20:42,480

you and I are made from atoms that don't

481

00:20:48,500 --> 00:20:46,110

have brains right but yet we are able to

482

00:20:52,940 --> 00:20:48,510

make decisions and have laughter and

483

00:20:56,120 --> 00:20:52,950

dream and have identity in an individual

484

00:20:57,740 --> 00:20:56,130

identity and the the scientific

485

00:20:59,450 --> 00:20:57,750

community that is fascinated with that

486

00:21:01,669 --> 00:20:59,460

understands that there could be

487

00:21:03,409 --> 00:21:01,679

something else going on out there that

488

00:21:05,870 --> 00:21:03,419

we don't understand yet and then you

489

00:21:07,820 --> 00:21:05,880

have a guy like Tyson was like that you

490

00:21:09,650 --> 00:21:07,830

know we just die and turn into cosmic

491

00:21:17,090 --> 00:21:09,660

dust there's nothing to see here let's

492

00:21:22,310 --> 00:21:17,100

let's move on that's exactly you know

493

00:21:25,610 --> 00:21:22,320

I'll bring up the a point here and would

494

00:21:32,539 --> 00:21:25,620

love your opinion when you have somebody

495

00:21:36,880 --> 00:21:32,549

who is a staunch atheist right a Dawkins

496

00:21:41,600 --> 00:21:36,890

right where there is absolutely nothing

497

00:21:44,560 --> 00:21:41,610

beyond death that everything here is

498

00:21:47,690 --> 00:21:44,570

chemical everything here is math and

499

00:21:50,120 --> 00:21:47,700

that is it there is nothing and so

500

00:21:53,060 --> 00:21:50,130

you're getting up in age and you're

501
00:21:55,789 --> 00:21:53,070
getting close to you know the

502
00:22:00,140 --> 00:21:55,799
possibility of you departing this planet

503
00:22:02,810 --> 00:22:00,150
and what is it about you at that point

504
00:22:05,539 --> 00:22:02,820
do you care you know you're just like ah

505
00:22:07,880 --> 00:22:05,549
whatever my life is over and and it's

506
00:22:11,539 --> 00:22:07,890
going to be too or you could be on the

507
00:22:13,370 --> 00:22:11,549
other side which is wondering about what

508
00:22:15,230 --> 00:22:13,380
isn't gonna happen after you die what's

509
00:22:17,840 --> 00:22:15,240
gonna happen to your mind what's gonna

510
00:22:20,330 --> 00:22:17,850
happen to your spirit and your being is

511
00:22:22,789 --> 00:22:20,340
there life after death and you want to

512
00:22:25,850 --> 00:22:22,799
go and experience that isn't that a

513
00:22:27,710 --> 00:22:25,860

happier thought than being on the other

514

00:22:31,370 --> 00:22:27,720

side which is whatever

515

00:22:33,980 --> 00:22:31,380

yeah that that to me is just boring it

516

00:22:35,240 --> 00:22:33,990

is and I've talked to a lot of skeptical

517

00:22:37,760 --> 00:22:35,250

people I mean skeptical

518

00:22:39,110 --> 00:22:37,770

groups I almost quit them a few times

519

00:22:43,730 --> 00:22:39,120

just because they pissed me off so much

520

00:22:45,470 --> 00:22:43,740

sometimes but the fact is that a few of

521

00:22:48,740 --> 00:22:45,480

the people I talked to really got down

522

00:22:50,840 --> 00:22:48,750

to brass tacks with them a couple of

523

00:22:52,310 --> 00:22:50,850

them said well you know I just figured

524

00:22:54,890 --> 00:22:52,320

I'm smarter than other people it's like

525

00:22:56,600 --> 00:22:54,900

that's your whole reason for being

526

00:22:59,210 --> 00:22:56,610

skeptical because you want to feel

527

00:23:02,690 --> 00:22:59,220

smarter than other people you know that

528

00:23:05,660 --> 00:23:02,700

I that just seems so depressing to me

529

00:23:08,980 --> 00:23:05,670

just like you just said how why would

530

00:23:11,510 --> 00:23:08,990

you shut down like a whole Vista of

531

00:23:16,130 --> 00:23:11,520

interesting thought

532

00:23:18,020 --> 00:23:16,140

history of spirituality the idea that

533

00:23:19,550 --> 00:23:18,030

science is looking at spirituality now

534

00:23:21,230 --> 00:23:19,560

and seeing that maybe it's not

535

00:23:23,210 --> 00:23:21,240

inconsistent with some of the newest

536

00:23:25,040 --> 00:23:23,220

theories why would you throw all that

537

00:23:25,490 --> 00:23:25,050

away just to feel smarter than somebody

538

00:23:27,890 --> 00:23:25,500

else

539

00:23:32,510 --> 00:23:27,900

yeah and there's been a strange turn

540

00:23:36,530 --> 00:23:32,520

lately in science over the last six

541

00:23:40,310 --> 00:23:36,540

months and it's this that the Big Bang

542

00:23:44,450 --> 00:23:40,320

may not have happened right which is

543

00:23:48,320 --> 00:23:44,460

what Dawkins and Neil deGrasse Tyson all

544

00:23:50,720 --> 00:23:48,330

of those atheist physicists and

545

00:23:53,690 --> 00:23:50,730

scientists you know they they hinge

546

00:23:56,630 --> 00:23:53,700

their careers on the Big Bang that it

547

00:23:59,330 --> 00:23:56,640

was just math it happened boom done that

548

00:24:03,140 --> 00:23:59,340

the Big Bang now may not have happened

549

00:24:06,440 --> 00:24:03,150

that maybe time is infinite that the

550

00:24:10,130 --> 00:24:06,450

universe is infinite and we have now

551
00:24:13,970 --> 00:24:10,140
found a star that is 14 and a half

552
00:24:17,860 --> 00:24:13,980
billion years old it's older than our

553
00:24:21,920 --> 00:24:17,870
universe which is impossible

554
00:24:24,560 --> 00:24:21,930
utterly about but if this star which it

555
00:24:25,310 --> 00:24:24,570
appears that it is 14 and a half billion

556
00:24:28,910 --> 00:24:25,320
years old

557
00:24:33,890 --> 00:24:28,920
then this Big Bang didn't happen

558
00:24:37,610 --> 00:24:33,900
hypothesis is is getting stronger and it

559
00:24:38,690 --> 00:24:37,620
flips all of those guys over and they

560
00:24:43,010 --> 00:24:38,700
have to answer for that

561
00:24:44,720 --> 00:24:43,020
and I am I I welcome it don't you no of

562
00:24:47,570 --> 00:24:44,730
course I do and the thing is that even

563
00:24:48,800 --> 00:24:47,580

if it's proven by you know over and over

564

00:24:49,200 --> 00:24:48,810

and over again they're gonna say well

565

00:24:50,790 --> 00:24:49,210

the dad

566

00:24:52,890 --> 00:24:50,800

wrong or these people that's only one

567

00:24:57,120 --> 00:24:52,900

piece of data and and they're gonna

568

00:24:58,470 --> 00:24:57,130

fight it to the death I'm I am still

569

00:24:59,670 --> 00:24:58,480

reading I've been reading it for two

570

00:25:01,110 --> 00:24:59,680

years because it's one of those books

571

00:25:02,370 --> 00:25:01,120

where I have to read every page two

572

00:25:02,790 --> 00:25:02,380

times they understand what they're

573

00:25:05,820 --> 00:25:02,800

saying

574

00:25:09,060 --> 00:25:05,830

it's called information and in the

575

00:25:10,500 --> 00:25:09,070

nature of reality there's one chapter in

576
00:25:12,330 --> 00:25:10,510
there where they're talking about where

577
00:25:16,910 --> 00:25:12,340
physics came from it most of our physics

578
00:25:20,520 --> 00:25:16,920
chemistry all that stuff and they say

579
00:25:22,740 --> 00:25:20,530
basically that they're the ideas that

580
00:25:25,020 --> 00:25:22,750
that physics are at least older physics

581
00:25:28,440 --> 00:25:25,030
and and most of the sciences have now

582
00:25:31,710 --> 00:25:28,450
come from basically a top-down there's a

583
00:25:34,140 --> 00:25:31,720
boss Christian idea of things and they

584
00:25:36,120 --> 00:25:34,150
can deny it all they want but they said

585
00:25:38,640 --> 00:25:36,130
that's the culture that these ideas came

586
00:25:41,340 --> 00:25:38,650
out of and that's why it's that's why it

587
00:25:43,200 --> 00:25:41,350
works for them and that you know as

588
00:25:44,520 --> 00:25:43,210

people are finding out and more people

589

00:25:45,630 --> 00:25:44,530

are finding out and more people that are

590

00:25:48,270 --> 00:25:45,640

into this are finding out and other

591

00:25:51,120 --> 00:25:48,280

younger people or younger scientists are

592

00:25:53,520 --> 00:25:51,130

finding out none of none of that may

593

00:25:55,590 --> 00:25:53,530

necessarily be true it may be that

594

00:25:57,750 --> 00:25:55,600

things have exist always existed and

595

00:25:59,700 --> 00:25:57,760

always will and we have no we have no

596

00:26:01,260 --> 00:25:59,710

conception of how it was how do you know

597

00:26:03,420 --> 00:26:01,270

we don't we can't conceptualize that

598

00:26:05,640 --> 00:26:03,430

because we're finite our lives are

599

00:26:08,520 --> 00:26:05,650

finite at least our physical lives and

600

00:26:10,920 --> 00:26:08,530

that they say we die at the end of so

601
00:26:12,420 --> 00:26:10,930
it's you know if it you can't even you

602
00:26:15,360 --> 00:26:12,430
know it's it's even stranger than they

603
00:26:17,010 --> 00:26:15,370
can imagine and I want to I imagined

604
00:26:18,660 --> 00:26:17,020
stranger and stranger but whether it's

605
00:26:23,240 --> 00:26:18,670
right or wrong or not just to keep the

606
00:26:29,280 --> 00:26:23,250
options open as I said earlier well I I

607
00:26:34,490 --> 00:26:29,290
would like to think that DNA and life

608
00:26:38,970 --> 00:26:34,500
and what has happened to create that is

609
00:26:41,940 --> 00:26:38,980
beyond chance right beyond chance this

610
00:26:46,530 --> 00:26:41,950
is not a roll of the dice it is it is

611
00:26:50,130 --> 00:26:46,540
beyond chance and that it seems to me

612
00:26:53,460 --> 00:26:50,140
that if life exists here on earth then

613
00:26:56,130 --> 00:26:53,470

certainly it exists throughout the Milky

614

00:26:59,790 --> 00:26:56,140

Way it exists throughout the universe

615

00:27:01,030 --> 00:26:59,800

and what created it billions of years

616

00:27:04,720 --> 00:27:01,040

ago there

617

00:27:07,060 --> 00:27:04,730

quite simply can you can go beyond and

618

00:27:10,750 --> 00:27:07,070

beyond and beyond that backwards in time

619

00:27:12,730 --> 00:27:10,760

to the point where another universe that

620

00:27:17,140 --> 00:27:12,740

was created you know and we're talking

621

00:27:20,620 --> 00:27:17,150

about intelligent life that accumulates

622

00:27:24,070 --> 00:27:20,630

its wisdom over billions and billions of

623

00:27:26,710 --> 00:27:24,080

infinite years to the point where if

624

00:27:29,140 --> 00:27:26,720

that is God if that is what people call

625

00:27:31,390 --> 00:27:29,150

God I don't know if that is the

626

00:27:34,210 --> 00:27:31,400

intelligence of the universe I don't

627

00:27:42,039 --> 00:27:34,220

know but I think that is much more

628

00:27:44,710 --> 00:27:42,049

likely than chance oh I always go back

629

00:27:46,810 --> 00:27:44,720

to this lecture and Alan Watts lecture

630

00:27:49,690 --> 00:27:46,820

the the guy that spoke on Buddhism quite

631

00:27:53,260 --> 00:27:49,700

a bit and he said that basically what he

632

00:27:55,630 --> 00:27:53,270

said was where there he said he tells a

633

00:27:57,700 --> 00:27:55,640

story some aliens come to earth you know

634

00:27:59,890 --> 00:27:57,710

4 billion years ago and they say a bunch

635

00:28:02,680 --> 00:27:59,900

of rocks how boring when I come back you

636

00:28:04,419 --> 00:28:02,690

know 100 million years ago and there's

637

00:28:06,460 --> 00:28:04,429

things crawling around and they come in

638

00:28:07,780 --> 00:28:06,470

and they go wow this is weird and then

639

00:28:09,940 --> 00:28:07,790

they come back around now and there's

640

00:28:12,130 --> 00:28:09,950

like people doing things and going into

641

00:28:14,200 --> 00:28:12,140

space and all that and he says and they

642

00:28:17,650 --> 00:28:14,210

say well excuse me this used to be rocks

643

00:28:20,650 --> 00:28:17,660

and now it's moving around so that may

644

00:28:22,030 --> 00:28:20,660

you can call it intelligent design or

645

00:28:25,659 --> 00:28:22,040

whatever you want I think it's an anthro

646

00:28:28,870 --> 00:28:25,669

form horrifies a ssin of this idea but

647

00:28:31,270 --> 00:28:28,880

his idea was that life and intelligence

648

00:28:34,120 --> 00:28:31,280

and all that is an inherent quality of

649

00:28:37,360 --> 00:28:34,130

matter and given the right conditions it

650

00:28:40,060 --> 00:28:37,370

just happens it's just it's just the way

651

00:28:42,130 --> 00:28:40,070

that matter is made it's made to you

652

00:28:44,200 --> 00:28:42,140

know be anti-entropic to to organize

653

00:28:47,530 --> 00:28:44,210

itself rather than to just be dumb

654

00:28:49,810 --> 00:28:47,540

matter so given enough time apparently

655

00:28:53,650 --> 00:28:49,820

you know with under this idea rocks turn

656

00:28:56,320 --> 00:28:53,660

into people there's nothing wrong with

657

00:28:57,370 --> 00:28:56,330

that and I have said it many times I

658

00:29:01,750 --> 00:28:57,380

need to take a break here

659

00:29:04,840 --> 00:29:01,760

but our universe is a situation where

660

00:29:09,340 --> 00:29:04,850

you cannot stop life right it has been

661

00:29:13,000 --> 00:29:09,350

stopped many times on planet Earth we've

662

00:29:14,140 --> 00:29:13,010

had mass extinction events one after

663

00:29:17,230 --> 00:29:14,150

another

664

00:29:19,720 --> 00:29:17,240

and then a couple of days later life

665

00:29:21,820 --> 00:29:19,730

starts again you know you have a forest

666

00:29:25,420 --> 00:29:21,830

fire you burn everything to cinders and

667

00:29:27,970 --> 00:29:25,430

you go out to that field or forest a

668

00:29:31,120 --> 00:29:27,980

week later and things are growing

669

00:29:32,440 --> 00:29:31,130

you can't stop life and that's just the

670

00:29:34,630 --> 00:29:32,450

way that it is let's take our break

671

00:29:36,940 --> 00:29:34,640

right here our guest tonight Greg Bishop

672

00:29:39,040 --> 00:29:36,950

and when we come back after this break

673

00:29:41,140 --> 00:29:39,050

I'm gonna talk about our UFO community

674

00:29:44,830 --> 00:29:41,150

I'm gonna talk about disinformation

675

00:29:46,840 --> 00:29:44,840

agent of course Mirage men this is fade

676
00:29:48,370 --> 00:29:46,850

[Music]

682
00:30:22,350 --> 00:30:19,419
welcome back fade to black our guest

683
00:30:25,960 --> 00:30:22,360
tonight Greg Bishop excited about this

684
00:30:27,489 --> 00:30:25,970
Greg you need to back me up on this how

685
00:30:30,070 --> 00:30:27,499
many years have we talked about getting

686
00:30:32,980 --> 00:30:30,080
you on the show not sure can hear me

687
00:30:34,720 --> 00:30:32,990
okay Greg this is live radio you never

688
00:30:40,090 --> 00:30:34,730

say that okay

689

00:30:42,070 --> 00:30:40,100

I switched headphones oh good good how

690

00:30:43,210 --> 00:30:42,080

long how many years have we talked about

691

00:30:46,989 --> 00:30:43,220

getting you on fade to black

692

00:30:52,509 --> 00:30:46,999

Oh God three or four or something I'm

693

00:30:53,950 --> 00:30:52,519

not sure I mean man all right it's so

694

00:30:57,340 --> 00:30:53,960

good to have finally have you here I

695

00:30:59,259 --> 00:30:57,350

want to uh I want to talk about Mirage

696

00:31:01,210 --> 00:30:59,269

men and we'll talk about the production

697

00:31:01,869 --> 00:31:01,220

of it and your involvement and how it

698

00:31:05,399 --> 00:31:01,879

came about

699

00:31:09,039 --> 00:31:05,409

we'll get to all of that but last year

700

00:31:13,509 --> 00:31:09,049

Richard Doty called into the show

701
00:31:16,119 --> 00:31:13,519
on an open lines night you know D on the

702
00:31:19,090 --> 00:31:16,129
air and I've never had him on him as a

703
00:31:21,789 --> 00:31:19,100
guest but we had about a 45-minute

704
00:31:24,759 --> 00:31:21,799
conversation that night on the show and

705
00:31:29,560 --> 00:31:24,769
it was an interesting conversation but

706
00:31:31,509 --> 00:31:29,570
one of the points that he did say was

707
00:31:35,499 --> 00:31:31,519
this and I don't know if you're familiar

708
00:31:42,129 --> 00:31:35,509
with this but his comments on the show

709
00:31:46,060 --> 00:31:42,139
but he said that there were two speakers

710
00:31:49,299 --> 00:31:46,070
a list speakers on the circuit on the

711
00:31:53,409 --> 00:31:49,309
UFO circuit that were currently disinfo

712
00:31:55,539 --> 00:31:53,419
agents right now of course the alarm

713
00:31:58,749 --> 00:31:55,549

bells went off who could he be talking

714

00:32:04,930 --> 00:31:58,759

about I immediately made a bunch of

715

00:32:06,700 --> 00:32:04,940

phone calls the next day to to those who

716

00:32:07,629 --> 00:32:06,710

I consider to be at the top top top

717

00:32:13,629 --> 00:32:07,639

right

718

00:32:18,600 --> 00:32:13,639

you know and and I know I wasn't one of

719

00:32:22,450 --> 00:32:18,610

them but it caused people to look at

720

00:32:24,970 --> 00:32:22,460

others and and wonder who was richer

721

00:32:27,759 --> 00:32:24,980

talking about now and the other side of

722

00:32:30,700 --> 00:32:27,769

it is was Richard even telling us the

723

00:32:33,600 --> 00:32:30,710

truth right is he just tried

724

00:32:37,630 --> 00:32:33,610

freak us out is he just being his old

725

00:32:41,139 --> 00:32:37,640

disinfo agent self I'm not so sure but

726

00:32:44,289 --> 00:32:41,149

the comment was there now when I say

727

00:32:47,049 --> 00:32:44,299

that to you and this is this is verbatim

728

00:32:50,230 --> 00:32:47,059

this is word-for-word from Richard

729

00:32:51,730 --> 00:32:50,240

Dodie's mouth when when you hear me say

730

00:32:56,169 --> 00:32:51,740

that what goes through your mind

731

00:32:57,730 --> 00:32:56,179

considering Richards background what

732

00:33:00,730 --> 00:32:57,740

goes through my mind when you say that

733

00:33:03,810 --> 00:33:00,740

is I really don't care if he said that

734

00:33:07,149 --> 00:33:03,820

because if there is somebody doing that

735

00:33:10,510 --> 00:33:07,159

there is so much junk being thrown in

736

00:33:12,850 --> 00:33:10,520

the UFO arena still that it doesn't

737

00:33:16,840 --> 00:33:12,860

really matter that's spreading disinfo

738

00:33:18,430 --> 00:33:16,850

and if they are it's you know it's I

739

00:33:19,990 --> 00:33:18,440

don't know if it's a good for a good

740

00:33:21,490 --> 00:33:20,000

reason or a bad but they're not gonna do

741

00:33:23,649 --> 00:33:21,500

it just to mess with people are gonna do

742

00:33:25,930 --> 00:33:23,659

it for some reason I would not know what

743

00:33:28,029 --> 00:33:25,940

that reason is but the thing is whatever

744

00:33:29,830 --> 00:33:28,039

you're interested in if you let the

745

00:33:31,779 --> 00:33:29,840

paranoia of somebody thinking you know

746

00:33:33,850 --> 00:33:31,789

of thinking somebody is lying to you or

747

00:33:35,590 --> 00:33:33,860

spreading dissent and disinformation is

748

00:33:39,549 --> 00:33:35,600

it all lies it's you know a bunch of

749

00:33:41,740 --> 00:33:39,559

truth with tiny little lies in it but if

750

00:33:44,889 --> 00:33:41,750

you let yourself be carried away by that

751
00:33:47,230 --> 00:33:44,899
thought then you're kind of lost I mean

752
00:33:48,460 --> 00:33:47,240
you know you should be able to you know

753
00:33:50,889 --> 00:33:48,470
what and I went through a horrible

754
00:33:53,260 --> 00:33:50,899
period of paranoia Jimmy so this is kind

755
00:33:55,480 --> 00:33:53,270
of where this comes from years ago and

756
00:33:57,250 --> 00:33:55,490
it wasn't from Richard odious from some

757
00:33:59,519 --> 00:33:57,260
totally different person and reason but

758
00:34:02,889 --> 00:33:59,529
the thing is if you let that take over

759
00:34:05,049 --> 00:34:02,899
you you've basically effectively lost

760
00:34:06,760 --> 00:34:05,059
your ability to take in any good

761
00:34:09,070 --> 00:34:06,770
information any information really

762
00:34:11,139 --> 00:34:09,080
because you you're you're suspicious of

763
00:34:12,730 --> 00:34:11,149

everything and then there's a firm you

764

00:34:14,500 --> 00:34:12,740

know and it just it never goes away

765

00:34:15,970 --> 00:34:14,510

until you finally make a decision it's

766

00:34:17,260 --> 00:34:15,980

like you know what I wanted this is why

767

00:34:19,960 --> 00:34:17,270

I did that's like I'm gonna stop feeling

768

00:34:23,070 --> 00:34:19,970

paranoid because I hate it well then the

769

00:34:25,690 --> 00:34:23,080

disinformation has done its job then

770

00:34:27,820 --> 00:34:25,700

right well if the f it freaks you out

771

00:34:29,290 --> 00:34:27,830

it's partially done its job yes that's

772

00:34:31,480 --> 00:34:29,300

another reason why I say well then don't

773

00:34:33,070 --> 00:34:31,490

care it's just ignore it go ahead with

774

00:34:35,320 --> 00:34:33,080

your stuff and if something seems right

775

00:34:36,849 --> 00:34:35,330

to you feels right and doesn't make you

776

00:34:38,829 --> 00:34:36,859

feel like you want to go you know jump

777

00:34:40,930 --> 00:34:38,839

out a window or whatever unless you like

778

00:34:43,780 --> 00:34:40,940

that if you like feeling scared then

779

00:34:44,590 --> 00:34:43,790

more power to you but if you can keep

780

00:34:48,280 --> 00:34:44,600

that kind

781

00:34:50,080 --> 00:34:48,290

paranoia at bay then you know if things

782

00:34:54,430 --> 00:34:50,090

open up quite a bit you know you know

783

00:34:58,060 --> 00:34:54,440

who Paul Krassner was yes yeah I talked

784

00:34:59,350 --> 00:34:58,070

to him once a long time ago we were

785

00:35:01,300 --> 00:34:59,360

friends for a while and then we kind of

786

00:35:03,130 --> 00:35:01,310

drifted apart he's a total hero of mine

787

00:35:05,050 --> 00:35:03,140

he's one of the Yippies he was one of

788

00:35:07,750 --> 00:35:05,060

the Chicago seven he was one of the

789

00:35:10,000 --> 00:35:07,760

people that you know tried to raise the

790

00:35:11,740 --> 00:35:10,010

Pentagon but levitate the Pentagon and

791

00:35:15,190 --> 00:35:11,750

put up a pig for president and all kinds

792

00:35:17,380 --> 00:35:15,200

of grass right that's right but what he

793

00:35:19,690 --> 00:35:17,390

one of the things he told me was I told

794

00:35:20,890 --> 00:35:19,700

him about my paranoia and he said well

795

00:35:22,510 --> 00:35:20,900

I'll tell you what happened to me

796

00:35:23,920 --> 00:35:22,520

because he did a he was obsessed with

797

00:35:25,960 --> 00:35:23,930

the Kennedy assassination for a while

798

00:35:28,300 --> 00:35:25,970

which has driven a lot of people quite

799

00:35:30,010 --> 00:35:28,310

paranoid and he said at one point I was

800

00:35:32,770 --> 00:35:30,020

in Golden Gate Park and I just bought a

801
00:35:33,940 --> 00:35:32,780
big bag of pot like it cost him a lot of

802
00:35:36,820 --> 00:35:33,950
money because I guess this was in the

803
00:35:38,710 --> 00:35:36,830
70s or late 60s or something and he said

804
00:35:40,060 --> 00:35:38,720
I saw a policeman on the other side of

805
00:35:42,730 --> 00:35:40,070
the park in Golden Gate Park like a

806
00:35:44,020 --> 00:35:42,740
police car just driving by and I freaked

807
00:35:45,640 --> 00:35:44,030
out even though he couldn't see the bag

808
00:35:47,440 --> 00:35:45,650
it was in my pocket I freaked out ran

809
00:35:49,150 --> 00:35:47,450
over and hid it in a tree and ran away I

810
00:35:50,950 --> 00:35:49,160
thought I was gonna be arrested and

811
00:35:52,450 --> 00:35:50,960
somebody was following me I went back he

812
00:35:53,920 --> 00:35:52,460
said an hour later it was gone somebody

813
00:35:55,690 --> 00:35:53,930

took it he said at that point I realized

814

00:35:58,090 --> 00:35:55,700

my paranoia had taken over so much that

815

00:36:01,060 --> 00:35:58,100

I was doing really stupid things and I

816

00:36:03,370 --> 00:36:01,070

said well what made you stop and he said

817

00:36:04,930 --> 00:36:03,380

well what made you stop I said I got

818

00:36:07,240 --> 00:36:04,940

tired of it and he said it gets old

819

00:36:09,340 --> 00:36:07,250

doesn't it and that's basically my idea

820

00:36:11,260 --> 00:36:09,350

about being scared when somebody says

821

00:36:13,360 --> 00:36:11,270

something like that I'll take it under

822

00:36:14,920 --> 00:36:13,370

advisement but I'm not gonna let it rule

823

00:36:16,930 --> 00:36:14,930

my like is this person telling truth is

824

00:36:18,400 --> 00:36:16,940

this person is this person I kind of

825

00:36:20,020 --> 00:36:18,410

don't care if they got a piece of

826

00:36:21,850 --> 00:36:20,030

information that I think is important

827

00:36:23,950 --> 00:36:21,860

and useful to me and answer some of my

828

00:36:25,330 --> 00:36:23,960

questions I'm gonna take it in if it's

829

00:36:28,860 --> 00:36:25,340

disinformation I'll find out eventually

830

00:36:31,240 --> 00:36:28,870

and if I don't well so what you know

831

00:36:36,040 --> 00:36:31,250

that's that's a really good point

832

00:36:37,840 --> 00:36:36,050

and I went through a phase about and I

833

00:36:40,990 --> 00:36:37,850

want your opinion on this about five

834

00:36:44,650 --> 00:36:41,000

years ago and this happened over about a

835

00:36:48,310 --> 00:36:44,660

three or four month period where I was

836

00:36:50,520 --> 00:36:48,320

in conversations with different people

837

00:36:55,390 --> 00:36:50,530

of you know stature of the UFO community

838

00:36:56,220 --> 00:36:55,400

and every every one of them was warning

839

00:37:02,849 --> 00:36:56,230

me

840

00:37:06,300 --> 00:37:02,859

be careful this person is probably CIA

841

00:37:08,730 --> 00:37:06,310

and and I know this is a fax so you just

842

00:37:12,450 --> 00:37:08,740

need to be careful and then a week later

843

00:37:14,790 --> 00:37:12,460

I would have that person that this

844

00:37:17,820 --> 00:37:14,800

person has warned me about warn me about

845

00:37:21,530 --> 00:37:17,830

somebody else right and it got to the

846

00:37:24,570 --> 00:37:21,540

point where it all went full circle

847

00:37:29,070 --> 00:37:24,580

where I went through like 20 or 30

848

00:37:31,650 --> 00:37:29,080

people of one after another warning me

849

00:37:33,630 --> 00:37:31,660

about this next person till it came back

850

00:37:37,230 --> 00:37:33,640

I was like they gained telephone right

851

00:37:42,020 --> 00:37:37,240

yeah and everything just started to

852

00:37:44,640 --> 00:37:42,030

overlap and the the paranoia and the

853

00:37:48,710 --> 00:37:44,650

positioning of different people inside

854

00:37:53,730 --> 00:37:48,720

of the UFO community was alarming to me

855

00:37:55,830 --> 00:37:53,740

that I thought that for my experience in

856

00:37:58,560 --> 00:37:55,840

the UFO community was that everybody got

857

00:37:59,880 --> 00:37:58,570

along and everybody listened to

858

00:38:04,380 --> 00:37:59,890

everybody else

859

00:38:07,070 --> 00:38:04,390

and they were after the same goals and

860

00:38:10,859 --> 00:38:07,080

it's it's not that kind of party is it

861

00:38:12,630 --> 00:38:10,869

no no I mean it's just a everybody and

862

00:38:14,099 --> 00:38:12,640

every group has factions and people

863

00:38:16,590 --> 00:38:14,109

fighting each other and distrust and all

864

00:38:18,720 --> 00:38:16,600

that the fact that the UFO community is

865

00:38:20,430 --> 00:38:18,730

unregulated and not peer-reviewed or

866

00:38:22,230 --> 00:38:20,440

whatever you want to call it that just

867

00:38:24,650 --> 00:38:22,240

makes it even worse so it's not like the

868

00:38:26,609 --> 00:38:24,660

UFO community is a I don't think it's a

869

00:38:29,340 --> 00:38:26,619

aberration that's just the way people

870

00:38:30,930 --> 00:38:29,350

act and if there's no check on it like

871

00:38:32,340 --> 00:38:30,940

somebody you know a bunch of people

872

00:38:34,500 --> 00:38:32,350

saying wait a second this you know

873

00:38:36,270 --> 00:38:34,510

according to our standards this is this

874

00:38:39,540 --> 00:38:36,280

is not how you act or this is BS or

875

00:38:41,400 --> 00:38:39,550

whatever we don't have that so it can go

876

00:38:43,560 --> 00:38:41,410

in any direction and get as crazy as at

877

00:38:44,970 --> 00:38:43,570

once and it does which actually makes it

878

00:38:47,609 --> 00:38:44,980

makes it fun and interesting but also

879

00:38:50,820 --> 00:38:47,619

makes a toxic and rude and irritating at

880

00:38:52,650 --> 00:38:50,830

times - so do you think to me that's a

881

00:38:54,990 --> 00:38:52,660

fun ride it's more fun ride than sitting

882

00:38:56,670 --> 00:38:55,000

still in a in a quiet car you know do

883

00:39:03,660 --> 00:38:56,680

you think

884

00:39:05,550 --> 00:39:03,670

infiltration in ufology and I'm talking

885

00:39:09,540 --> 00:39:05,560

about a direct you know from the Air

886

00:39:11,510 --> 00:39:09,550

Force from the Navy from the CIA you

887

00:39:14,750 --> 00:39:11,520

know that are that are in the background

888

00:39:18,720 --> 00:39:14,760

attending conferences taking notes and

889

00:39:23,910 --> 00:39:18,730

and and and having the job of a Doty

890

00:39:27,540 --> 00:39:23,920

today probably and then I hate to add

891

00:39:28,980 --> 00:39:27,550

but so what I mean you don't really need

892

00:39:31,260 --> 00:39:28,990

that anymore you can just look on the

893

00:39:32,700 --> 00:39:31,270

internet twenty thirty years ago you had

894

00:39:34,770 --> 00:39:32,710

to go do those things now you have to do

895

00:39:37,320 --> 00:39:34,780

is look at people's emails and look at

896

00:39:38,940 --> 00:39:37,330

their Facebook or whatever so probably

897

00:39:40,980 --> 00:39:38,950

but the thing is I think what they're

898

00:39:42,630 --> 00:39:40,990

mostly interested in is not keeping this

899

00:39:45,090 --> 00:39:42,640

you know keeping the secret from the

900

00:39:46,680 --> 00:39:45,100

public they're more interested in who's

901
00:39:48,720 --> 00:39:46,690
talking about something that might be

902
00:39:51,660 --> 00:39:48,730
relevant one to the national defense

903
00:39:53,700 --> 00:39:51,670
like you know secrets and to maybe

904
00:39:55,230 --> 00:39:53,710
something useful like tea tsa says

905
00:39:56,580 --> 00:39:55,240
they're doing you know maybe maybe

906
00:39:58,740 --> 00:39:56,590
there's something actionable out of this

907
00:40:00,210 --> 00:39:58,750
maybe we can figure out maybe somebody

908
00:40:01,740 --> 00:40:00,220
in the civilian UFO community has

909
00:40:03,810 --> 00:40:01,750
figured out something about the UFOs

910
00:40:06,030 --> 00:40:03,820
that can be useful to national defense

911
00:40:08,370 --> 00:40:06,040
or or private companies or whatever

912
00:40:11,130 --> 00:40:08,380
which is a whole nother kettle of you

913
00:40:13,200 --> 00:40:11,140

know fish but I think that's the reason

914

00:40:15,840 --> 00:40:13,210

they'd be listening not to not to make

915

00:40:18,480 --> 00:40:15,850

people crazy or to make UFO UFO research

916

00:40:21,900 --> 00:40:18,490

look bad or anything like that UFO

917

00:40:25,500 --> 00:40:21,910

research does that fine on its own so

918

00:40:26,610 --> 00:40:25,510

it's like I said if it is well then so

919

00:40:29,130 --> 00:40:26,620

what it does I don't think it really

920

00:40:30,600 --> 00:40:29,140

affects what people think about or what

921

00:40:32,010 --> 00:40:30,610

they how they talk about things or

922

00:40:33,870 --> 00:40:32,020

whatever I don't I really don't think

923

00:40:36,300 --> 00:40:33,880

that happens it's fractured and

924

00:40:37,530 --> 00:40:36,310

factional enough as it is that only does

925

00:40:40,620 --> 00:40:37,540

doesn't need to be somebody in there

926
00:40:43,830 --> 00:40:40,630
saying you know directing people

927
00:40:45,570 --> 00:40:43,840
anywhere and I don't think that you know

928
00:40:46,860 --> 00:40:45,580
and that's the other thing about you're

929
00:40:49,380 --> 00:40:46,870
gonna get me on a rant but about the

930
00:40:51,360 --> 00:40:49,390
disclosure movement I've said this a few

931
00:40:53,280 --> 00:40:51,370
other places but to me the disclosure

932
00:40:55,590 --> 00:40:53,290
movement is like asking the parent that

933
00:40:57,750 --> 00:40:55,600
always lies to you to suddenly tell you

934
00:40:59,310 --> 00:40:57,760
the absolute truth but you're only going

935
00:41:02,700 --> 00:40:59,320
to accept it if it's if it's what you

936
00:41:08,430 --> 00:41:02,710
already know anyway I would say that

937
00:41:10,580 --> 00:41:08,440
that is pretty accurate yeah you can't

938
00:41:13,140 --> 00:41:10,590

you can't answer your own question with

939

00:41:14,610 --> 00:41:13,150

question it just doesn't work that way I

940

00:41:16,650 --> 00:41:14,620

think it's far whatever the government

941

00:41:18,600 --> 00:41:16,660

knows is far more complicated than what

942

00:41:20,940 --> 00:41:18,610

we think and it's probably not even what

943

00:41:23,100 --> 00:41:20,950

we think it is they might be just as

944

00:41:25,350 --> 00:41:23,110

confused as us but have you know various

945

00:41:26,910 --> 00:41:25,360

factions have better information may

946

00:41:28,500 --> 00:41:26,920

what to know what to do about it may

947

00:41:32,070 --> 00:41:28,510

have artifacts they don't know what to

948

00:41:34,260 --> 00:41:32,080

do with yet I do not know but I don't

949

00:41:37,560 --> 00:41:34,270

think they're a whole hell a lot further

950

00:41:40,830 --> 00:41:37,570

ahead than us on what it is they may be

951
00:41:43,910 --> 00:41:40,840
furthering about on a further on than we

952
00:41:47,610 --> 00:41:43,920
are about what what can be done about it

953
00:41:49,110 --> 00:41:47,620
well we'll get a look at deeper into

954
00:41:54,690 --> 00:41:49,120
that and in just a minute

955
00:42:00,300 --> 00:41:54,700
back to Dodi when I think most people

956
00:42:06,360 --> 00:42:00,310
that watch mirages men their takeaway

957
00:42:10,590 --> 00:42:06,370
from that is that Dodi was an apologetic

958
00:42:13,470 --> 00:42:10,600
and and Dodi didn't feel bad about his

959
00:42:17,870 --> 00:42:13,480
situation with Paul bennewitz and I

960
00:42:20,550 --> 00:42:17,880
think that for most where I think he was

961
00:42:25,290 --> 00:42:20,560
trying to I think the way that people

962
00:42:27,660 --> 00:42:25,300
look at it was he was trying to show his

963
00:42:29,850 --> 00:42:27,670

side of it and that it was just okay he

964

00:42:32,660 --> 00:42:29,860

was just a guy taking orders right he

965

00:42:37,730 --> 00:42:32,670

was just a guy in the Air Force and

966

00:42:41,550 --> 00:42:37,740

didn't show any any sympathy or empathy

967

00:42:43,560 --> 00:42:41,560

to to bennewitz or any negative effects

968

00:42:48,090 --> 00:42:43,570

that he may have had on people and

969

00:42:50,580 --> 00:42:48,100

that's the takeaway of Miraj men I think

970

00:42:54,140 --> 00:42:50,590

that's a general assessment when you

971

00:42:56,070 --> 00:42:54,150

hear that what goes through your mind

972

00:42:58,590 --> 00:42:56,080

well the first thing goes through my

973

00:42:59,940 --> 00:42:58,600

mind is he was with me when I talked to

974

00:43:02,190 --> 00:42:59,950

him about it when I was doing interviews

975

00:43:04,290 --> 00:43:02,200

for the book he was actually quite

976
00:43:06,450 --> 00:43:04,300
contrite he said look I considered Paul

977
00:43:08,040 --> 00:43:06,460
a friend and I kind of felt bad about

978
00:43:09,870 --> 00:43:08,050
what was being done to him what I was

979
00:43:12,600 --> 00:43:09,880
doing to him and I really don't think

980
00:43:13,800 --> 00:43:12,610
I'd do it again and I feel bad about it

981
00:43:16,230 --> 00:43:13,810
I wish I hadn't happened the way it

982
00:43:17,310 --> 00:43:16,240
happened now I don't think he's I think

983
00:43:21,000 --> 00:43:17,320
he had more control over the situation

984
00:43:23,250 --> 00:43:21,010
than he might let on but to my mind he

985
00:43:24,390 --> 00:43:23,260
seemed like you know at least he

986
00:43:26,009 --> 00:43:24,400
presented to me as

987
00:43:28,170 --> 00:43:26,019
buddy that felt bad about what he did I

988
00:43:30,120 --> 00:43:28,180

don't know if he did or not but he tried

989

00:43:34,160 --> 00:43:30,130

to make that impression with me now as

990

00:43:37,170 --> 00:43:34,170

far as Mirage Minh is concerned you know

991

00:43:38,789 --> 00:43:37,180

documentaries are show you a side of

992

00:43:40,620 --> 00:43:38,799

things that the filmmaker want to show

993

00:43:42,450 --> 00:43:40,630

you I don't know if Richard Doty

994

00:43:45,120 --> 00:43:42,460

actually apologized or said anything

995

00:43:46,589 --> 00:43:45,130

like that and they just cut it out or

996

00:43:48,269 --> 00:43:46,599

didn't use it because I think it what

997

00:43:49,710 --> 00:43:48,279

didn't think it was important or they

998

00:43:51,539 --> 00:43:49,720

wanted to make him look like somebody

999

00:43:53,519 --> 00:43:51,549

that didn't wasn't sorry for it I do not

1000

00:43:56,970 --> 00:43:53,529

know I've never asked the director or

1001
00:43:59,549 --> 00:43:56,980
the producer those questions but like I

1002
00:44:03,150 --> 00:43:59,559
said I don't know if he was just

1003
00:44:04,769 --> 00:44:03,160
presenting that face to me and he

1004
00:44:07,799 --> 00:44:04,779
presents another face to other people or

1005
00:44:10,499 --> 00:44:07,809
what but as far as I'm concerned he at

1006
00:44:12,749 --> 00:44:10,509
least tried to feel like he tried to try

1007
00:44:15,089 --> 00:44:12,759
to make the impression that he felt bad

1008
00:44:17,039 --> 00:44:15,099
about that period so take that for what

1009
00:44:22,170 --> 00:44:17,049
you will well do you think that he's a

1010
00:44:23,759 --> 00:44:22,180
professional liar and I think that that

1011
00:44:28,499 --> 00:44:23,769
was this job I mean I think he enjoys

1012
00:44:30,029 --> 00:44:28,509
doing it I think he enjoys like I tell

1013
00:44:31,829 --> 00:44:30,039

people you know other people enjoy like

1014

00:44:34,440 --> 00:44:31,839

you know collecting stamps or bottle

1015

00:44:36,630 --> 00:44:34,450

caps the Dodie enjoys messing with

1016

00:44:38,339 --> 00:44:36,640

people I think that's just what he

1017

00:44:39,960 --> 00:44:38,349

enjoys doing if he's listening it's

1018

00:44:42,299 --> 00:44:39,970

probably you know getting angry with me

1019

00:44:44,400 --> 00:44:42,309

but he said he wouldn't talk to me years

1020

00:44:45,989 --> 00:44:44,410

ago so it doesn't matter and I'm kind of

1021

00:44:49,710 --> 00:44:45,999

sorry for it I mean I like talking to

1022

00:44:53,880 --> 00:44:49,720

him but I I think he that that was his

1023

00:44:55,349 --> 00:44:53,890

job and he's he was or is good at it or

1024

00:44:58,589 --> 00:44:55,359

fairly good at it which is why he

1025

00:45:00,509 --> 00:44:58,599

enjoyed his work do you think well by

1026

00:45:03,479 --> 00:45:00,519

hearing you say that and I'm almost

1027

00:45:05,759 --> 00:45:03,489

uncomfortable right now in my anger but

1028

00:45:09,059 --> 00:45:05,769

not with what you have said I'm talking

1029

00:45:13,430 --> 00:45:09,069

about Dodie specifically do you think

1030

00:45:16,370 --> 00:45:13,440

that he was misleading you in his

1031

00:45:17,789 --> 00:45:16,380

apologetic stance about Paul bennewitz I

1032

00:45:19,799 --> 00:45:17,799

don't know

1033

00:45:21,930 --> 00:45:19,809

you know I it could be that he truly

1034

00:45:23,460 --> 00:45:21,940

felt I'm bad about it when I was talking

1035

00:45:27,690 --> 00:45:23,470

you know we talked a lot we thought you

1036

00:45:31,049 --> 00:45:27,700

know I talked to him a bunch by email

1037

00:45:33,749 --> 00:45:31,059

and one in one mammoth for our session

1038

00:45:35,160 --> 00:45:33,759

that he did not let me record we just

1039

00:45:38,849 --> 00:45:35,170

went to a Denny's and sat down and

1040

00:45:41,340 --> 00:45:38,859

talked but

1041

00:45:42,990 --> 00:45:41,350

like I said when he was talking to me I

1042

00:45:44,670 --> 00:45:43,000

thought well at least he kind of feels

1043

00:45:46,680 --> 00:45:44,680

bad about it I mean that left that's

1044

00:45:48,720 --> 00:45:46,690

good I suppose it doesn't make it right

1045

00:45:52,200 --> 00:45:48,730

it doesn't make it you know it doesn't

1046

00:45:55,140 --> 00:45:52,210

change anything but I thought well at

1047

00:45:56,849 --> 00:45:55,150

least he said that so that's fine what

1048

00:45:59,310 --> 00:45:56,859

he was talking to me he seemed sincere

1049

00:46:02,490 --> 00:45:59,320

to me well that's what I was getting at

1050

00:46:05,040 --> 00:46:02,500

by hearing you say that isn't that the

1051
00:46:07,070 --> 00:46:05,050
art of the deal for a disinformation

1052
00:46:10,500 --> 00:46:07,080
agent for a counterintelligence

1053
00:46:13,440 --> 00:46:10,510
professional to gain your trust and find

1054
00:46:16,890 --> 00:46:13,450
your weakness and maybe he was striking

1055
00:46:18,150 --> 00:46:16,900
right at it I suppose but you know what

1056
00:46:20,310 --> 00:46:18,160
so what I mean what am I going to do

1057
00:46:21,780 --> 00:46:20,320
about it besides whether he's sorry or

1058
00:46:23,670 --> 00:46:21,790
not really makes no difference that the

1059
00:46:25,790 --> 00:46:23,680
deal is done the milk is spilled Paul

1060
00:46:29,220 --> 00:46:25,800
bennewitz was affected very badly by it

1061
00:46:31,020 --> 00:46:29,230
and I hasten to add and people say this

1062
00:46:33,630 --> 00:46:31,030
all the time he was driven crazy by the

1063
00:46:35,640 --> 00:46:33,640

Air Force no he wasn't he was helped

1064

00:46:36,990 --> 00:46:35,650

along he was already well on the way

1065

00:46:40,980 --> 00:46:37,000

there before the Air Force even got

1066

00:46:42,150 --> 00:46:40,990

involved so it's not like they plucked

1067

00:46:44,250 --> 00:46:42,160

him out of nowhere and started making

1068

00:46:45,870 --> 00:46:44,260

him paranoid he was paranoid before he

1069

00:46:49,970 --> 00:46:45,880

even talked to the Air Force and I

1070

00:46:52,980 --> 00:46:49,980

learned this from a UFO researcher a

1071

00:46:55,650 --> 00:46:52,990

Leonard not Leonard Stringfield who's

1072

00:47:00,000 --> 00:46:55,660

the the much older guy that does

1073

00:47:01,290 --> 00:47:00,010

abduction regressions oh I can't

1074

00:47:05,609 --> 00:47:01,300

remember his name something wrong with

1075

00:47:08,010 --> 00:47:05,619

me anyway he talked to Paul at least a

1076
00:47:09,630 --> 00:47:08,020
few months maybe a year before he even

1077
00:47:11,550 --> 00:47:09,640
called the Air Force and he said that

1078
00:47:13,349 --> 00:47:11,560
when he came to the door to talk to him

1079
00:47:15,090 --> 00:47:13,359
he came to the bennewitz came to the

1080
00:47:17,040 --> 00:47:15,100
door with a rifle and a pistol and said

1081
00:47:19,680 --> 00:47:17,050
getting here the aliens are coming it's

1082
00:47:21,630 --> 00:47:19,690
like whoa and this like I said I will

1083
00:47:25,080 --> 00:47:21,640
emphasize this is before he even met

1084
00:47:28,050 --> 00:47:25,090
Dodi as far as I can tell and see and

1085
00:47:30,780 --> 00:47:28,060
this is where and I know that Richard

1086
00:47:34,310 --> 00:47:30,790
said something very similar during our

1087
00:47:36,480 --> 00:47:34,320
conversation it doesn't excuse any

1088
00:47:39,780 --> 00:47:36,490

perspective that's right there is no

1089

00:47:42,750 --> 00:47:39,790

excuse for that and at some point you

1090

00:47:43,590 --> 00:47:42,760

would think that Dodi or somebody else

1091

00:47:46,410 --> 00:47:43,600

would go you know what this guy's

1092

00:47:49,890 --> 00:47:46,420

unstable we're taking advantage of

1093

00:47:51,690 --> 00:47:49,900

somebody that is is you know doesn't

1094

00:47:54,900 --> 00:47:51,700

have their feet on the ground and that's

1095

00:47:56,730 --> 00:47:54,910

cool but instead they looked at it like

1096

00:47:59,460 --> 00:47:56,740

okay here's a guy that's unstable we can

1097

00:48:02,280 --> 00:47:59,470

take advantage of this and that's where

1098

00:48:04,140 --> 00:48:02,290

I think the ethics lines are crossed I

1099

00:48:05,430 --> 00:48:04,150

don't think they said here's a guy

1100

00:48:07,230 --> 00:48:05,440

that's unstable we could take advantage

1101
00:48:10,140 --> 00:48:07,240
of it that I don't really think that

1102
00:48:11,339 --> 00:48:10,150
entered into it what it was was he has

1103
00:48:14,819 --> 00:48:11,349
figured stuff out

1104
00:48:17,339 --> 00:48:14,829
he sort of can see what we're doing on

1105
00:48:20,010 --> 00:48:17,349
the base and he's sort of getting an

1106
00:48:22,319 --> 00:48:20,020
idea about what's going on now we could

1107
00:48:23,880 --> 00:48:22,329
tell him to cease and desist and be a

1108
00:48:25,500 --> 00:48:23,890
good American which he was he was in the

1109
00:48:27,089 --> 00:48:25,510
Coast Guard in World War two he was as

1110
00:48:31,170 --> 00:48:27,099
far as I could tell a fairly patriotic

1111
00:48:33,539 --> 00:48:31,180
they actually played on that but the but

1112
00:48:35,849 --> 00:48:33,549
the fact was that he was figuring things

1113
00:48:37,920 --> 00:48:35,859

out and they had just put in you know

1114

00:48:40,410 --> 00:48:37,930

years months whatever of research and

1115

00:48:43,200 --> 00:48:40,420

money and everything effort into

1116

00:48:44,640 --> 00:48:43,210

creating these you know radio burst

1117

00:48:47,039 --> 00:48:44,650

signals and a few other things that he

1118

00:48:48,870 --> 00:48:47,049

was seeing thinking that had something

1119

00:48:50,970 --> 00:48:48,880

to do with aliens and it was just their

1120

00:48:52,260 --> 00:48:50,980

project so instead of telling him to

1121

00:48:55,200 --> 00:48:52,270

stop they thought well let's figure out

1122

00:48:57,660 --> 00:48:55,210

how he's doing it one to control who

1123

00:48:59,069 --> 00:48:57,670

he's talking to about it and three find

1124

00:49:01,230 --> 00:48:59,079

out who's trying to talk to him to

1125

00:49:03,599 --> 00:49:01,240

figure out which foreign you know

1126
00:49:05,280 --> 00:49:03,609
agencies are trying to get through him

1127
00:49:07,349 --> 00:49:05,290
and through the UFO community to find

1128
00:49:09,240 --> 00:49:07,359
out national security secrets they

1129
00:49:10,410 --> 00:49:09,250
figured it was more useful to talk to

1130
00:49:11,910 --> 00:49:10,420
him and keep him in their confidence

1131
00:49:14,430 --> 00:49:11,920
than it was just tell him to cut it out

1132
00:49:16,859 --> 00:49:14,440
now after a while when he started

1133
00:49:18,450 --> 00:49:16,869
getting more and more unstable they just

1134
00:49:20,280 --> 00:49:18,460
you know I guess Dodie and others just

1135
00:49:22,020 --> 00:49:20,290
figured well look we're still it's still

1136
00:49:24,770 --> 00:49:22,030
useful to do what we're doing so we'll

1137
00:49:27,420 --> 00:49:24,780
just let him continue the way he is and

1138
00:49:29,280 --> 00:49:27,430

I think they gave him one piece of

1139

00:49:32,640 --> 00:49:29,290

disinformation through Bill Moore and

1140

00:49:35,190 --> 00:49:32,650

Bill told me I told Paul to take it with

1141

00:49:36,539 --> 00:49:35,200

a grain of salt and not to not to take

1142

00:49:38,339 --> 00:49:36,549

it too seriously and he said well

1143

00:49:40,260 --> 00:49:38,349

bennewitz was called the aquarius

1144

00:49:43,920 --> 00:49:40,270

document and he said he locked it in his

1145

00:49:47,160 --> 00:49:43,930

safe at work and at Thunder Scientific

1146

00:49:48,839 --> 00:49:47,170

and never referred to it again which I

1147

00:49:50,309 --> 00:49:48,849

suppose is something but the thing is it

1148

00:49:52,380 --> 00:49:50,319

affected I'm sure it affected its

1149

00:49:54,089 --> 00:49:52,390

thinking you know just like everything

1150

00:49:55,680 --> 00:49:54,099

else that was of course him he'd come up

1151

00:49:57,390 --> 00:49:55,690

with stuff and say well this is going on

1152

00:49:58,980 --> 00:49:57,400

and dodi whoever would say well that's

1153

00:50:01,470 --> 00:49:58,990

very interesting Paul please tell us

1154

00:50:03,150 --> 00:50:01,480

more and then they started according to

1155

00:50:05,190 --> 00:50:03,160

game valdez and a couple of the people I

1156

00:50:05,640 --> 00:50:05,200

talked to that at his place somebody was

1157

00:50:09,480 --> 00:50:05,650

beaming

1158

00:50:11,609 --> 00:50:09,490

like pictures of alien-looking things

1159

00:50:15,779 --> 00:50:11,619

and dinosaurs and all kinds of wacky

1160

00:50:18,029 --> 00:50:15,789

stuff into his into his house on it was

1161

00:50:20,279 --> 00:50:18,039

listening equipment on a little CR

1162

00:50:24,509 --> 00:50:20,289

careful cathode ray screen that he had

1163

00:50:28,140 --> 00:50:24,519

in his in his lab just to just to freak

1164

00:50:29,670 --> 00:50:28,150

him out he actually keep his attention

1165

00:50:32,220 --> 00:50:29,680

away from the base and more on this

1166

00:50:34,769 --> 00:50:32,230

weird on this noise that made no

1167

00:50:38,039 --> 00:50:34,779

difference and going into his house and

1168

00:50:39,960 --> 00:50:38,049

moving his furniture around yeah that's

1169

00:50:42,210 --> 00:50:39,970

what Dodi claimed that they did oh yeah

1170

00:50:44,970 --> 00:50:42,220

no I did not hear that from anybody else

1171

00:50:46,650 --> 00:50:44,980

that I can remember I think maybe Gabe

1172

00:50:48,089 --> 00:50:46,660

Valdez told me that see one thing I

1173

00:50:49,829 --> 00:50:48,099

people you know they make a mistake

1174

00:50:51,599 --> 00:50:49,839

saying you know you trusted Odie and

1175

00:50:55,140 --> 00:50:51,609

Bill more and a few other people and

1176

00:50:57,029 --> 00:50:55,150

spooks with all it's like no I I tried

1177

00:50:59,220 --> 00:50:57,039

to check as many places I could and if I

1178

00:51:00,930 --> 00:50:59,230

it was only coming from one source or a

1179

00:51:02,759 --> 00:51:00,940

couple sources I couldn't be sure him I

1180

00:51:04,859 --> 00:51:02,769

would try to say that in the book unless

1181

00:51:06,420 --> 00:51:04,869

was inconsequential like who did you

1182

00:51:08,759 --> 00:51:06,430

know he went to the store that day or

1183

00:51:11,099 --> 00:51:08,769

something but important stuff like you

1184

00:51:12,390 --> 00:51:11,109

know he said bennewitz said he injection

1185

00:51:14,579 --> 00:51:12,400

marks on his arms and he didn't know

1186

00:51:16,710 --> 00:51:14,589

where they came from that's really scary

1187

00:51:21,630 --> 00:51:16,720

Dodi claimed to know nothing about this

1188

00:51:24,089 --> 00:51:21,640

but Moore said he saw them I think Gabe

1189

00:51:25,979 --> 00:51:24,099

said he saw him the thing is if I heard

1190

00:51:28,710 --> 00:51:25,989

it from UFO researchers and law

1191

00:51:31,019 --> 00:51:28,720

enforcement like Gabe outside of the UFO

1192

00:51:33,269 --> 00:51:31,029

outside of the government I tend to

1193

00:51:34,380 --> 00:51:33,279

think that it had some weight weight you

1194

00:51:40,259 --> 00:51:34,390

know because it wasn't just somebody

1195

00:51:43,190 --> 00:51:40,269

that had some bad that had a motivation

1196

00:51:45,779 --> 00:51:43,200

to try and you know lead me to lie to me

1197

00:51:47,519 --> 00:51:45,789

so I tried to treat it that way if I

1198

00:51:49,499 --> 00:51:47,529

could get people inside and outside the

1199

00:51:52,410 --> 00:51:49,509

situation both telling me the same thing

1200

00:51:54,509 --> 00:51:52,420

then I wouldn't really reference it but

1201
00:51:56,910 --> 00:51:54,519
if only one or two people told me I

1202
00:51:59,400 --> 00:51:56,920
tried to say you know allegedly or this

1203
00:52:00,450 --> 00:51:59,410
person said or whatever to put the story

1204
00:52:02,460 --> 00:52:00,460
together because you know the whole

1205
00:52:04,259 --> 00:52:02,470
story can't be told by one person or

1206
00:52:06,420 --> 00:52:04,269
even a couple people I had to talk to

1207
00:52:08,759 --> 00:52:06,430
you know ten fifteen twenty people to

1208
00:52:10,349 --> 00:52:08,769
put this story together in addition to

1209
00:52:12,180 --> 00:52:10,359
you know looking through news clippings

1210
00:52:14,309 --> 00:52:12,190
and you know and government documents

1211
00:52:16,410 --> 00:52:14,319
and all the other things that I I look

1212
00:52:18,390 --> 00:52:16,420
through to put the story together yeah

1213
00:52:19,590 --> 00:52:18,400

and well we'll continue this

1214

00:52:21,240 --> 00:52:19,600

conversation

1215

00:52:24,120 --> 00:52:21,250

right after the short break and there's

1216

00:52:27,260 --> 00:52:24,130

one other part about this because we can

1217

00:52:30,660 --> 00:52:27,270

talk about Paul bennewitz the bill more

1218

00:52:32,490 --> 00:52:30,670

part of it is something that gets even

1219

00:52:35,160 --> 00:52:32,500

stinkier and we'll talk about that but

1220

00:52:37,950 --> 00:52:35,170

then they're you know dealing with Paul

1221

00:52:40,950 --> 00:52:37,960

bennewitz as one thing but but Doty

1222

00:52:43,680 --> 00:52:40,960

pulled in Linda Moulton Howe and brought

1223

00:52:47,070 --> 00:52:43,690

her on to Kirkland too as well and and

1224

00:52:48,780 --> 00:52:47,080

continued the disinformation and will do

1225

00:52:50,940 --> 00:52:48,790

all of that when we come back after this

1226

00:52:53,310 --> 00:52:50,950

short break our guest tonight Greg

1227

00:52:55,290 --> 00:52:53,320

Bishop this is fade to black I'm yours

1228

00:52:58,760 --> 00:52:55,300

Jimmy Church we'll be right back after

1229

00:52:58,770 --> 00:53:37,280

[Music]

1230

00:53:43,080 --> 00:53:39,420

welcome back fade to black our guest

1231

00:53:45,180 --> 00:53:43,090

tonight Greg Bishop years in the making

1232

00:53:48,300 --> 00:53:45,190

we finally got it done

1233

00:53:53,000 --> 00:53:48,310

and we're talking about Richard Doty and

1234

00:53:55,980 --> 00:53:53,010

Mirage men and very few people out there

1235

00:53:57,630 --> 00:53:55,990

Greg have interfaced directly with

1236

00:54:03,540 --> 00:53:57,640

Richard I know you haven't talked to him

1237

00:54:06,570 --> 00:54:03,550

in a very long time but his his his

1238

00:54:09,750 --> 00:54:06,580

position in the UFO community and and

1239

00:54:12,390 --> 00:54:09,760

the damage that was done with Bill more

1240

00:54:15,480 --> 00:54:12,400

I I don't think it can really be

1241

00:54:18,300 --> 00:54:15,490

measured today and we can always talk

1242

00:54:22,620 --> 00:54:18,310

about Paul bennewitz and but there it

1243

00:54:25,380 --> 00:54:22,630

went much further than Paul and it was

1244

00:54:28,650 --> 00:54:25,390

it was very effective to the point where

1245

00:54:32,100 --> 00:54:28,660

they even brought in Linda Moulton Howe

1246

00:54:34,880 --> 00:54:32,110

brought her onto the base into an office

1247

00:54:38,490 --> 00:54:34,890

and started to show her documents and

1248

00:54:40,470 --> 00:54:38,500

documents that were fictitious and or

1249

00:54:43,590 --> 00:54:40,480

you know maybe some of them were real

1250

00:54:45,540 --> 00:54:43,600

that's part of disinformation but you

1251
00:54:49,130 --> 00:54:45,550
know bringing in a leading researcher

1252
00:54:52,350 --> 00:54:49,140
like that is a pretty bold move isn't it

1253
00:54:54,360 --> 00:54:52,360
yeah it is I think that they wanted to

1254
00:54:57,570 --> 00:54:54,370
figure out you know who was talking to

1255
00:55:02,490 --> 00:54:57,580
whom so you know and all in the

1256
00:55:06,270 --> 00:55:02,500
furtherance of a you know a intelligence

1257
00:55:08,970 --> 00:55:06,280
operation counterintelligence and there

1258
00:55:12,410 --> 00:55:08,980
I've talked to people who have been in

1259
00:55:16,110 --> 00:55:12,420
Air Force intelligence after Doty and

1260
00:55:18,810 --> 00:55:16,120
they said that the the Doty and other

1261
00:55:22,830 --> 00:55:18,820
people in the in the who were working on

1262
00:55:25,230 --> 00:55:22,840
the operation actually to their mind

1263
00:55:30,060 --> 00:55:25,240

broke a lot of laws about interacting

1264

00:55:31,770 --> 00:55:30,070

with with American citizens and things

1265

00:55:35,120 --> 00:55:31,780

you're not supposed to do to or with

1266

00:55:37,980 --> 00:55:35,130

American citizens and those things were

1267

00:55:39,690 --> 00:55:37,990

codified before that happened and we're

1268

00:55:42,090 --> 00:55:39,700

strengthened afterwards partially I

1269

00:55:46,950 --> 00:55:42,100

believe because of what happened at Paul

1270

00:55:48,680 --> 00:55:46,960

bennewitz the the atmosphere at that

1271

00:55:52,880 --> 00:55:48,690

time

1272

00:55:55,099 --> 00:55:52,890

doing her her investigative journalism

1273

00:55:57,859 --> 00:55:55,109

into cattle mutilations and of course

1274

00:56:02,839 --> 00:55:57,869

the UFO subject and she was right in the

1275

00:56:05,620 --> 00:56:02,849

middle of production with HBO at the

1276

00:56:10,010 --> 00:56:05,630

time and things were getting ready to

1277

00:56:14,210 --> 00:56:10,020

really blow up and and they knew that

1278

00:56:16,160 --> 00:56:14,220

and and Bill Moore doing the things that

1279

00:56:18,859 --> 00:56:16,170

he was doing I'm not even so sure now

1280

00:56:21,589 --> 00:56:18,869

that anything that Bill Moore had

1281

00:56:25,280 --> 00:56:21,599

revealed and that includes going back to

1282

00:56:27,559 --> 00:56:25,290

Roswell and the things that Richard Doty

1283

00:56:32,240 --> 00:56:27,569

said on this program about Roswell

1284

00:56:37,190 --> 00:56:32,250

pretty alarming things that they they

1285

00:56:39,829 --> 00:56:37,200

really looked at Linda as as a tool for

1286

00:56:42,920 --> 00:56:39,839

this disinformation and this was going

1287

00:56:45,109 --> 00:56:42,930

on inside of the UFO community in real

1288

00:56:47,240 --> 00:56:45,119

time it was an active program and to

1289

00:56:50,380 --> 00:56:47,250

think that things like this couldn't go

1290

00:56:52,670 --> 00:56:50,390

on well they actually did didn't they

1291

00:56:54,920 --> 00:56:52,680

well to some extent but the thing is

1292

00:56:56,450 --> 00:56:54,930

that you know oh god I've been talking

1293

00:56:57,770 --> 00:56:56,460

about this for so many years and I don't

1294

00:56:59,180 --> 00:56:57,780

know how many times I say things and

1295

00:57:04,880 --> 00:56:59,190

people don't believe me so I kind of

1296

00:57:07,160 --> 00:57:04,890

give up but what happened was Moore was

1297

00:57:10,400 --> 00:57:07,170

contacted because they thought he could

1298

00:57:12,200 --> 00:57:10,410

be useful by basically reporting on

1299

00:57:14,559 --> 00:57:12,210

people in the UFO community and what

1300

00:57:17,120 --> 00:57:14,569

they were talking about mainly because

1301
00:57:19,460 --> 00:57:17,130
mainly only because they wanted to know

1302
00:57:22,640 --> 00:57:19,470
how it affected national security is

1303
00:57:24,050 --> 00:57:22,650
anybody looking at anything that can

1304
00:57:25,940 --> 00:57:24,060
give a hint to the Russians of the

1305
00:57:28,609 --> 00:57:25,950
Chinese or whoever about what we're

1306
00:57:32,569 --> 00:57:28,619
doing so what they told bill Moore was

1307
00:57:35,270 --> 00:57:32,579
and it was if you tell us what people

1308
00:57:37,730 --> 00:57:35,280
are talking about and who's telling you

1309
00:57:40,720 --> 00:57:37,740
who did what to whom as far as you can

1310
00:57:42,620 --> 00:57:40,730
tell we will give you documents

1311
00:57:45,319 --> 00:57:42,630
documents having to do with the UFO

1312
00:57:50,390 --> 00:57:45,329
subject and they gave him tons of them

1313
00:57:53,059 --> 00:57:50,400

reams of them I have some of them and as

1314

00:57:56,000 --> 00:57:53,069

far as he could tell one a lot of it was

1315

00:57:58,520 --> 00:57:56,010

disinfo or close to it and a lot of it

1316

00:58:02,540 --> 00:57:58,530

was just useless and he said I said well

1317

00:58:04,220 --> 00:58:02,550

so after all this you know I'm still

1318

00:58:05,870 --> 00:58:04,230

with him so this is why I get kind of

1319

00:58:07,370 --> 00:58:05,880

like Bill Moore is evil and he made you

1320

00:58:10,850 --> 00:58:07,380

know he drove Paul bennewitz nuts II

1321

00:58:13,130 --> 00:58:10,860

know he had a deal and it he said it's

1322

00:58:14,630 --> 00:58:13,140

like when you're when somebody comes up

1323

00:58:16,370 --> 00:58:14,640

to you and says hey why don't you watch

1324

00:58:17,930 --> 00:58:16,380

this corner and it tell us anybody comes

1325

00:58:19,670 --> 00:58:17,940

by and then suddenly like a week later

1326

00:58:22,070 --> 00:58:19,680

you're dumping dead bodies you're like I

1327

00:58:24,680 --> 00:58:22,080

didn't sign up for this

1328

00:58:26,180 --> 00:58:24,690

not that he was dumping dead bodies but

1329

00:58:28,310 --> 00:58:26,190

he said look you know I had this

1330

00:58:32,200 --> 00:58:28,320

cut-and-dried deal and then suddenly I

1331

00:58:34,400 --> 00:58:32,210

was doing other things but such as

1332

00:58:36,020 --> 00:58:34,410

watching Paul bennewitz and making you

1333

00:58:37,550 --> 00:58:36,030

know seeing what he was doing and seeing

1334

00:58:43,370 --> 00:58:37,560

who he was talking to and talking to him

1335

00:58:45,290 --> 00:58:43,380

himself so he was complicit in it but

1336

00:58:47,180 --> 00:58:45,300

I'm not exactly sure if he knew exactly

1337

00:58:49,820 --> 00:58:47,190

what was going on he did see Paul

1338

00:58:51,710 --> 00:58:49,830

getting worse and worse and worse and as

1339

00:58:56,210 --> 00:58:51,720

far you know and Bill's my friend I've

1340

00:59:00,380 --> 00:58:56,220

known him for notum since 1987 and he's

1341

00:59:03,770 --> 00:59:00,390

never lied to me yet that I can tell but

1342

00:59:05,870 --> 00:59:03,780

what he said was I warned Paul over and

1343

00:59:08,480 --> 00:59:05,880

over to top stop taking this stuff so

1344

00:59:09,800 --> 00:59:08,490

seriously back off of it it's affecting

1345

00:59:12,680 --> 00:59:09,810

your health it's affecting your business

1346

00:59:15,530 --> 00:59:12,690

it's affecting your family just slow

1347

00:59:17,210 --> 00:59:15,540

down he could see it happening he knew

1348

00:59:19,460 --> 00:59:17,220

worse you know he knew it was being

1349

00:59:21,320 --> 00:59:19,470

encouraged but he couldn't tell Paul

1350

00:59:24,700 --> 00:59:21,330

that but he would he could tell him was

1351
00:59:27,260 --> 00:59:24,710
like you know slow down dude you know

1352
00:59:28,760 --> 00:59:27,270
and he said Paul really didn't listen to

1353
00:59:30,290 --> 00:59:28,770
him he was very obsessed there was

1354
00:59:31,490 --> 00:59:30,300
nothing you could do about it and there

1355
00:59:33,740 --> 00:59:31,500
was nothing bill could do about it

1356
00:59:35,150 --> 00:59:33,750
because he wasn't supposed to he

1357
00:59:38,390 --> 00:59:35,160
couldn't say anything his hands were

1358
00:59:40,730 --> 00:59:38,400
tied so he did what he could like I said

1359
00:59:43,400 --> 00:59:40,740
after all this it does not make it right

1360
00:59:45,230 --> 00:59:43,410
it doesn't make it morally right but

1361
00:59:48,190 --> 00:59:45,240
there are there are circumstances in

1362
00:59:50,750 --> 00:59:48,200
here that people don't know about and

1363
00:59:52,250 --> 00:59:50,760

it's still wrong he says he regrets it

1364

00:59:53,360 --> 00:59:52,260

he wouldn't do the same way over again

1365

00:59:59,210 --> 00:59:53,370

and he felt like he was a little bit

1366

01:00:01,370 --> 00:59:59,220

arrogant and and he was but it was it

1367

01:00:03,490 --> 01:00:01,380

was a continuum of different

1368

01:00:06,470 --> 01:00:03,500

circumstances that were going on and

1369

01:00:08,840 --> 01:00:06,480

it's better to have a perspective of it

1370

01:00:11,900 --> 01:00:08,850

see what was going on and why this could

1371

01:00:14,000 --> 01:00:11,910

have happened I don't think it's

1372

01:00:15,560 --> 01:00:14,010

happening now I don't know if it ever

1373

01:00:17,510 --> 01:00:15,570

happened again if it did nobody's

1374

01:00:20,510 --> 01:00:17,520

admitted to it

1375

01:00:22,160 --> 01:00:20,520

but you know it's that that that's the

1376

01:00:24,080 --> 01:00:22,170

history of it from from his perspective

1377

01:00:25,370 --> 01:00:24,090

or from my perspective and all and I

1378

01:00:27,020 --> 01:00:25,380

said at the end of this I mean did you

1379

01:00:28,580 --> 01:00:27,030

ever get anything that was useful that

1380

01:00:30,410 --> 01:00:28,590

you know broke it open for you he said

1381

01:00:32,210 --> 01:00:30,420

no and that's the terrible part it

1382

01:00:33,710 --> 01:00:32,220

seemed like it was a complete waste of

1383

01:00:35,720 --> 01:00:33,720

time

1384

01:00:37,250 --> 01:00:35,730

and the other part of this is that I

1385

01:00:38,630 --> 01:00:37,260

said this is the book not only was he

1386

01:00:40,220 --> 01:00:38,640

doing this stuff with bennewitz he was

1387

01:00:42,980 --> 01:00:40,230

also doing things like getting letters

1388

01:00:45,320 --> 01:00:42,990

from Russia from UFO researchers

1389

01:00:46,280 --> 01:00:45,330

quote-unquote that just said you know hi

1390

01:00:47,720 --> 01:00:46,290

my name is so-and-so

1391

01:00:49,580 --> 01:00:47,730

I would really like to know about your

1392

01:00:51,350 --> 01:00:49,590

research we have some really cool stuff

1393

01:00:53,150 --> 01:00:51,360

here in Russia I'd like detect you talk

1394

01:00:55,790 --> 01:00:53,160

to you about have you heard of you know

1395

01:00:59,570 --> 01:00:55,800

the Voronezh case or whatever but the

1396

01:01:01,160 --> 01:00:59,580

thing was what he had to do was take

1397

01:01:04,760 --> 01:01:01,170

these letters from Russia when they came

1398

01:01:06,650 --> 01:01:04,770

from certain redresses and call a

1399

01:01:09,790 --> 01:01:06,660

certain number and it was a different

1400

01:01:13,070 --> 01:01:09,800

number every time and read the postcard

1401

01:01:17,240 --> 01:01:13,080

word-for-word all spelling errors all

1402

01:01:19,040 --> 01:01:17,250

the punctuation everything then put the

1403

01:01:21,140 --> 01:01:19,050

letter in another envelope and take it

1404

01:01:23,030 --> 01:01:21,150

to another PO take it to a post office a

1405

01:01:24,470 --> 01:01:23,040

specific post office sometimes out in

1406

01:01:27,440 --> 01:01:24,480

the middle of nowhere and mail it on

1407

01:01:30,080 --> 01:01:27,450

from there so he was doing all kinds of

1408

01:01:31,790 --> 01:01:30,090

you know somebody had stolen a bunch of

1409

01:01:33,980 --> 01:01:31,800

money from the Air Force and and and

1410

01:01:35,690 --> 01:01:33,990

went AWOL so they actually had him run

1411

01:01:37,700 --> 01:01:35,700

through bars in a certain area of LA

1412

01:01:39,590 --> 01:01:37,710

looking asking for the guy that was

1413

01:01:41,810 --> 01:01:39,600

another thing he did so it wasn't just

1414

01:01:43,370 --> 01:01:41,820

you know he went to drive Paul bennewitz

1415

01:01:45,560 --> 01:01:43,380

nuts it's like no there was a lot of

1416

01:01:47,510 --> 01:01:45,570

stuff going on at the same time and he

1417

01:01:49,040 --> 01:01:47,520

says he never took a penny for it and I

1418

01:01:50,990 --> 01:01:49,050

still believe I mean because when he was

1419

01:01:53,060 --> 01:01:51,000

doing this he was he wasn't living in

1420

01:01:54,590 --> 01:01:53,070

the lap of luxury he never has as far as

1421

01:01:57,050 --> 01:01:54,600

Ivan as long as I've known him you're

1422

01:02:00,590 --> 01:01:57,060

talking about still more about more yeah

1423

01:02:03,140 --> 01:02:00,600

yeah now this is a lot more complicated

1424

01:02:04,910 --> 01:02:03,150

story than most people you know get in

1425

01:02:06,140 --> 01:02:04,920

you know give it credit or get into

1426

01:02:10,790 --> 01:02:06,150

because it's a lot easier to pass

1427

01:02:15,520 --> 01:02:10,800

judgment and then move on there's Dodi

1428

01:02:17,510 --> 01:02:15,530

has said two conflicting statements one

1429

01:02:19,730 --> 01:02:17,520

and this is on the record

1430

01:02:21,800 --> 01:02:19,740

that he walked around with the briefcase

1431

01:02:25,580 --> 01:02:21,810

and a duffel bag full of cash and he was

1432

01:02:28,640 --> 01:02:25,590

doling out money everywhere and then he

1433

01:02:30,080 --> 01:02:28,650

then says the exact opposite that was

1434

01:02:32,570 --> 01:02:30,090

Bill Moore he was giving

1435

01:02:36,760 --> 01:02:32,580

gas money you know that there wasn't any

1436

01:02:40,640 --> 01:02:36,770

any real influence there with bill now

1437

01:02:43,190 --> 01:02:40,650

it's it's too you can't have it both

1438

01:02:45,680 --> 01:02:43,200

ways I'm talking about Dodie one in two

1439

01:02:49,310 --> 01:02:45,690

polarized statements like that but on

1440

01:02:53,270 --> 01:02:49,320

the flip side why would Bill Moore sell

1441

01:02:54,560 --> 01:02:53,280

his soul for gas money that doesn't make

1442

01:02:56,750 --> 01:02:54,570

any sense and you just said it yourself

1443

01:02:59,660 --> 01:02:56,760

right there that he was even doing this

1444

01:03:02,900 --> 01:02:59,670

at some at some points for nothing why

1445

01:03:05,150 --> 01:03:02,910

why do that at all points for nothing by

1446

01:03:07,220 --> 01:03:05,160

it by his account to me because he

1447

01:03:08,600 --> 01:03:07,230

wanted to find out what was going on

1448

01:03:10,070 --> 01:03:08,610

with the government and UFOs and he

1449

01:03:11,300 --> 01:03:10,080

figured okay if I cooperated one

1450

01:03:13,250 --> 01:03:11,310

handshake to the other and maybe they'll

1451
01:03:16,760 --> 01:03:13,260
give me some clue as to what's going on

1452
01:03:18,590 --> 01:03:16,770
here I I you know i I've got it in here

1453
01:03:20,360 --> 01:03:18,600
that nobody else has and I'm going to

1454
01:03:22,280 --> 01:03:20,370
exploit it that that was his idea

1455
01:03:24,730 --> 01:03:22,290
and what happened was he never really

1456
01:03:28,220 --> 01:03:24,740
found out anything that useful

1457
01:03:33,610 --> 01:03:28,230
okay and then there's another part of

1458
01:03:36,110 --> 01:03:33,620
this that I find strange and that is

1459
01:03:37,670 --> 01:03:36,120
putting Roswell aside and we're going to

1460
01:03:40,580 --> 01:03:37,680
come back to that subject here in a

1461
01:03:43,790 --> 01:03:40,590
second when it comes to Dodi puttin

1462
01:03:47,390 --> 01:03:43,800
Roswell aside everything around bill

1463
01:03:51,140 --> 01:03:47,400

Moore I don't know what part of it is

1464

01:03:53,780 --> 01:03:51,150

real anymore such as the the mj-12

1465

01:03:56,000 --> 01:03:53,790

documents and the story behind that and

1466

01:03:58,490 --> 01:03:56,010

the way that him in shandur a and of

1467

01:04:01,970 --> 01:03:58,500

course Stan Friedman was pulled into

1468

01:04:04,910 --> 01:04:01,980

this too as well again probably part of

1469

01:04:08,660 --> 01:04:04,920

the disinformation but what part of that

1470

01:04:12,140 --> 01:04:08,670

is is real to this day and did Bill know

1471

01:04:15,020 --> 01:04:12,150

that the mj-12 documents were all a hoax

1472

01:04:18,260 --> 01:04:15,030

and did he just write along with it

1473

01:04:20,180 --> 01:04:18,270

for fame and money and and didn't care

1474

01:04:25,010 --> 01:04:20,190

about the effects on the public were

1475

01:04:28,850 --> 01:04:25,020

today mj-12 was still talked about in in

1476

01:04:33,380 --> 01:04:28,860

in 2019 isn't there some culpability or

1477

01:04:35,000 --> 01:04:33,390

responsibility involved well he believed

1478

01:04:37,520 --> 01:04:35,010

it when it came out as he said as far as

1479

01:04:39,410 --> 01:04:37,530

he could tell it was real I don't think

1480

01:04:41,060 --> 01:04:39,420

he was in on it I think the story is as

1481

01:04:41,920 --> 01:04:41,070

what I've never heard anybody tell a

1482

01:04:43,609 --> 01:04:41,930

different story

1483

01:04:45,499 --> 01:04:43,619

I've never heard him

1484

01:04:46,640 --> 01:04:45,509

say this came from somewhere else or you

1485

01:04:48,799 --> 01:04:46,650

know some different story as to how

1486

01:04:50,509 --> 01:04:48,809

Jamie Shandra got that roll of film with

1487

01:04:55,579 --> 01:04:50,519

the original Eisenhower briefing

1488

01:04:57,200 --> 01:04:55,589

document on it so I believe him and I

1489

01:04:59,989 --> 01:04:57,210

believe that he believed that it was

1490

01:05:02,089 --> 01:04:59,999

real until he looked at over a few years

1491

01:05:04,069 --> 01:05:02,099

he got a lot of documents there's a book

1492

01:05:07,900 --> 01:05:04,079

called the mj-12 documents that he put

1493

01:05:10,339 --> 01:05:07,910

out with Jamie in which they basically

1494

01:05:14,420 --> 01:05:10,349

said that most of the documents they got

1495

01:05:16,910 --> 01:05:14,430

were either false or inconclusive a few

1496

01:05:18,829 --> 01:05:16,920

of them were said possibly real and the

1497

01:05:20,469 --> 01:05:18,839

Eisenhower briefing document which is

1498

01:05:23,059 --> 01:05:20,479

the one we're talking about here I think

1499

01:05:26,299 --> 01:05:23,069

with the list of all the mj-12 members

1500

01:05:28,640 --> 01:05:26,309

he said that was probably real as time

1501

01:05:30,469 --> 01:05:28,650

went on for whatever reason at this

1502

01:05:32,870 --> 01:05:30,479

point now he thinks it's it was false

1503

01:05:34,339 --> 01:05:32,880

and it was just planted to mess with him

1504

01:05:37,039 --> 01:05:34,349

and lead people astray and see how

1505

01:05:39,950 --> 01:05:37,049

people reacted and you know see who was

1506

01:05:42,410 --> 01:05:39,960

interested and where these threads lead

1507

01:05:43,880 --> 01:05:42,420

it was basically chumming the water I

1508

01:05:46,370 --> 01:05:43,890

think to see who was interested in what

1509

01:05:48,170 --> 01:05:46,380

would happen but bill did not know that

1510

01:05:50,959 --> 01:05:48,180

at the time and I'm pretty sure he

1511

01:05:52,969 --> 01:05:50,969

didn't I I don't know why people think

1512

01:05:54,229 --> 01:05:52,979

that you know what's this thing about

1513

01:05:55,999 --> 01:05:54,239

well I don't know what to trust anything

1514

01:05:58,759 --> 01:05:56,009

that comes out of its mouth anyway it's

1515

01:06:00,789 --> 01:05:58,769

like no he was being played he didn't

1516

01:06:03,469 --> 01:06:00,799

know it at the time he had a suspicion

1517

01:06:05,450 --> 01:06:03,479

but he didn't know it for sure I mean it

1518

01:06:06,620 --> 01:06:05,460

was you know if you're a researcher and

1519

01:06:08,209 --> 01:06:06,630

somebody says look keep an eye on a

1520

01:06:10,339 --> 01:06:08,219

couple people and you get documents that

1521

01:06:12,349 --> 01:06:10,349

nobody ever got that show that the US

1522

01:06:13,549 --> 01:06:12,359

government knows about UFOs and is known

1523

01:06:16,969 --> 01:06:13,559

about it for a long time

1524

01:06:18,950 --> 01:06:16,979

most people go sure all right until they

1525

01:06:21,200 --> 01:06:18,960

you know some things get worse and worse

1526

01:06:23,120 --> 01:06:21,210

and worse and you finally say I don't

1527

01:06:26,539 --> 01:06:23,130

know if I signed up for this but you're

1528

01:06:29,749 --> 01:06:26,549

still getting the documents something I

1529

01:06:32,900 --> 01:06:29,759

have suggested for years I've never

1530

01:06:35,569 --> 01:06:32,910

really bent on this but that the source

1531

01:06:39,019 --> 01:06:35,579

of those documents was probably Doty and

1532

01:06:41,900 --> 01:06:39,029

the same team that was creating the fake

1533

01:06:43,819 --> 01:06:41,910

documents at Kirtland that presented

1534

01:06:47,539 --> 01:06:43,829

stuff to bennewitz and to Linda Moulton

1535

01:06:49,849 --> 01:06:47,549

Howe were the same creators that did the

1536

01:06:52,749 --> 01:06:49,859

mj-12 documents that sent them to build

1537

01:06:54,709 --> 01:06:52,759

more and and Jane they're created in

1538

01:06:56,059 --> 01:06:54,719

Albuquerque they could have be created

1539

01:06:57,270 --> 01:06:56,069
in Washington or at a think-tank

1540

01:06:59,850 --> 01:06:57,280
somewhere whatever

1541

01:07:00,270 --> 01:06:59,860
right well that's if that's exactly my

1542

01:07:02,220 --> 01:07:00,280
point

1543

01:07:05,010 --> 01:07:02,230
and they're just passed along that's

1544

01:07:06,750 --> 01:07:05,020
right the mj-12 document that was sent

1545

01:07:08,790 --> 01:07:06,760
to Jaime Shandra the Brys in our

1546

01:07:11,190 --> 01:07:08,800
briefing document that had a postmark

1547

01:07:14,100 --> 01:07:11,200
from Albuquerque that's right yeah

1548

01:07:20,760 --> 01:07:14,110
yeah and it was sent to him in Burbank

1549

01:07:22,170 --> 01:07:20,770
so is shandur a still alive I believe so

1550

01:07:24,330 --> 01:07:22,180
I haven't heard anything from him for

1551
01:07:26,610 --> 01:07:24,340
years yeah I've tried to chase him down

1552
01:07:29,370 --> 01:07:26,620
and you know you know we're in Burbank

1553
01:07:31,110 --> 01:07:29,380
and he doesn't live in Burbank anywhere

1554
01:07:34,380 --> 01:07:31,120
he left a long time ago okay

1555
01:07:38,790 --> 01:07:34,390
like in 2000 I think but going back to

1556
01:07:43,380 --> 01:07:38,800
this it seems that Bill Moore and and

1557
01:07:46,470 --> 01:07:43,390
Dodie Kirkland Albuquerque that was the

1558
01:07:48,870 --> 01:07:46,480
source of the all of that disinformation

1559
01:07:54,690 --> 01:07:48,880
all of the fake documents everything

1560
01:07:56,760 --> 01:07:54,700
came from that same circle and no why

1561
01:07:58,740 --> 01:07:56,770
not some some of it came from other

1562
01:08:00,690 --> 01:07:58,750
other sources and other places for

1563
01:08:02,340 --> 01:08:00,700

instance one time bill was told get on a

1564

01:08:04,380 --> 01:08:02,350

plane go to this place meet this person

1565

01:08:06,300 --> 01:08:04,390

at the airport they went to a hotel and

1566

01:08:08,010 --> 01:08:06,310

whoever was there pulled out this

1567

01:08:09,960 --> 01:08:08,020

envelope and this was like in the East

1568

01:08:11,670 --> 01:08:09,970

somewhere rolled out an envelope and

1569

01:08:13,170 --> 01:08:11,680

said and this has been written up and

1570

01:08:15,840 --> 01:08:13,180

he's talked about it pulled out an

1571

01:08:16,950 --> 01:08:15,850

envelope put it and said you can do

1572

01:08:19,110 --> 01:08:16,960

whatever you want with these documents

1573

01:08:21,690 --> 01:08:19,120

and you've got 20 minutes or whatever

1574

01:08:24,450 --> 01:08:21,700

and I'm just gonna wait outside

1575

01:08:25,860 --> 01:08:24,460

so he he I think some cases he took

1576

01:08:28,170 --> 01:08:25,870

pictures of him in some cases he was

1577

01:08:31,079 --> 01:08:28,180

only allowed to take notes I don't know

1578

01:08:32,789 --> 01:08:31,089

what but he was given the runaround for

1579

01:08:36,690 --> 01:08:32,799

a lot of these documents and dodt was

1580

01:08:38,130 --> 01:08:36,700

sometimes maybe even a you know more

1581

01:08:39,780 --> 01:08:38,140

than more than half the time not

1582

01:08:41,190 --> 01:08:39,790

involved in fact I don't know how much

1583

01:08:43,280 --> 01:08:41,200

dough D was involved with giving

1584

01:08:45,930 --> 01:08:43,290

documents directly to Bill at all I

1585

01:08:47,880 --> 01:08:45,940

don't know if that ever happened but

1586

01:08:51,780 --> 01:08:47,890

yeah the source of them some of them

1587

01:08:53,610 --> 01:08:51,790

were from from from AFOs I probably fos

1588

01:08:55,230 --> 01:08:53,620

I at Kirtland it's not gonna say that

1589

01:08:57,440 --> 01:08:55,240

this is for me off oh sorry Kirtland

1590

01:09:00,210 --> 01:08:57,450

it's just gonna have a postmark

1591

01:09:01,680 --> 01:09:00,220

but yeah it's he got them in different

1592

01:09:03,870 --> 01:09:01,690

ways some were mailed some were showed

1593

01:09:06,329 --> 01:09:03,880

to him some were you know so it wasn't

1594

01:09:07,890 --> 01:09:06,339

like you know Dodi just kept handing or

1595

01:09:09,720 --> 01:09:07,900

somebody Kirtland kept handing him

1596

01:09:10,140 --> 01:09:09,730

documents that's not how it works well

1597

01:09:14,160 --> 01:09:10,150

no

1598

01:09:16,200 --> 01:09:14,170

certainly suggesting that the the the

1599

01:09:20,610 --> 01:09:16,210

parties that are in play here are always

1600

01:09:23,520 --> 01:09:20,620

the same ones and the and I'm talking

1601
01:09:27,120 --> 01:09:23,530
about shandur a bill more and and of

1602
01:09:29,520 --> 01:09:27,130
course Dodie and the Office of Special

1603
01:09:33,600 --> 01:09:29,530
Investigations with the Air Force but

1604
01:09:37,260 --> 01:09:33,610
the story about the delivery and flying

1605
01:09:39,660 --> 01:09:37,270
to and going to the motel and and and

1606
01:09:42,150 --> 01:09:39,670
handed the envelope and he took pictures

1607
01:09:43,770 --> 01:09:42,160
he wasn't allowed oh yeah that that came

1608
01:09:45,360 --> 01:09:43,780
from Bill and there's you know who the

1609
01:09:47,310 --> 01:09:45,370
hell else is gonna tell me that so I

1610
01:09:48,420 --> 01:09:47,320
gotta take his word for I'm so you're

1611
01:09:51,780 --> 01:09:48,430
right I don't know

1612
01:09:55,320 --> 01:09:51,790
yeah and my but my point even back when

1613
01:09:57,210 --> 01:09:55,330

I had read that story and the full

1614

01:09:58,980 --> 01:09:57,220

account of all of it Greg

1615

01:10:01,460 --> 01:09:58,990

I just went okay you know what this is

1616

01:10:04,140 --> 01:10:01,470

Hollywood scripted made up stuff that

1617

01:10:07,200 --> 01:10:04,150

nothing at that you know what I mean

1618

01:10:10,860 --> 01:10:07,210

there wasn't anything at at a motel this

1619

01:10:13,650 --> 01:10:10,870

is just however he got the documents

1620

01:10:16,350 --> 01:10:13,660

this is the story behind it to

1621

01:10:19,800 --> 01:10:16,360

sensationalize it that there wasn't this

1622

01:10:23,400 --> 01:10:19,810

cloak-and-dagger thing all over the

1623

01:10:26,070 --> 01:10:23,410

United States say that till years later

1624

01:10:27,990 --> 01:10:26,080

I don't think he you know until until

1625

01:10:30,300 --> 01:10:28,000

after he'd seen the documents digested

1626

01:10:31,590 --> 01:10:30,310

them and talked about him a little bit I

1627

01:10:35,280 --> 01:10:31,600

don't even know if he told these stories

1628

01:10:36,870 --> 01:10:35,290

yet Oh in the mj-12 document yes where

1629

01:10:38,370 --> 01:10:36,880

they examine the documents said

1630

01:10:39,810 --> 01:10:38,380

somewhere in our some might be good

1631

01:10:40,980 --> 01:10:39,820

somewhere it wasn't like you put out

1632

01:10:42,150 --> 01:10:40,990

this thing and said this is all great

1633

01:10:43,620 --> 01:10:42,160

stuff and you should you should all

1634

01:10:46,620 --> 01:10:43,630

believe this and this is incredible like

1635

01:10:48,480 --> 01:10:46,630

a bill Cooper to me it sounded like

1636

01:10:50,100 --> 01:10:48,490

exactly what he said it was I got a

1637

01:10:52,290 --> 01:10:50,110

bunch of stuff I didn't know if was real

1638

01:10:54,600 --> 01:10:52,300

or not I checked up on it some of it

1639

01:10:57,150 --> 01:10:54,610

checked out most of it didn't we don't

1640

01:10:59,280 --> 01:10:57,160

really don't know now and and that's

1641

01:11:02,010 --> 01:10:59,290

that's the bill more side of it I

1642

01:11:04,580 --> 01:11:02,020

understand that you guys are friends but

1643

01:11:08,850 --> 01:11:04,590

yeah but now hindsight here we are in

1644

01:11:11,880 --> 01:11:08,860

2019 and we look back into the nineties

1645

01:11:15,750 --> 01:11:11,890

and into the 80s with all of this crazy

1646

01:11:18,390 --> 01:11:15,760

I mean the most insane Hollywood stuff

1647

01:11:20,880 --> 01:11:18,400

that you could ever imagine how much if

1648

01:11:22,890 --> 01:11:20,890

it actually was true how much of it do

1649

01:11:23,569 --> 01:11:22,900

you really believe or was it just all

1650

01:11:29,200 --> 01:11:23,579

made up

1651

01:11:34,609 --> 01:11:32,479

I don't think I think the documents for

1652

01:11:36,290 --> 01:11:34,619

a large part were made up but as far as

1653

01:11:38,450 --> 01:11:36,300

I can tell bill hasn't lied to me

1654

01:11:40,609 --> 01:11:38,460

Dody I don't know I don't know him that

1655

01:11:41,660 --> 01:11:40,619

well and even some of the stuff he told

1656

01:11:43,819 --> 01:11:41,670

me in the interview I knew immediately

1657

01:11:46,160 --> 01:11:43,829

wasn't true but that's fine you know

1658

01:11:47,959 --> 01:11:46,170

what I've got a you've got a you know

1659

01:11:49,459 --> 01:11:47,969

you play the game we could get nothing

1660

01:11:52,399 --> 01:11:49,469

which is the title of the first chapter

1661

01:11:57,260 --> 01:11:52,409

in one of my books that's exactly it and

1662

01:12:00,290 --> 01:11:57,270

when when bill did his famous speech

1663

01:12:04,819 --> 01:12:00,300

right in Las Vegas and and walked away

1664

01:12:06,439 --> 01:12:04,829

from the UFO community and I don't know

1665

01:12:08,720 --> 01:12:06,449

where bill is today I've heard stories

1666

01:12:13,580 --> 01:12:08,730

you can maybe tell us where he is today

1667

01:12:17,030 --> 01:12:13,590

but how does Bill feel now I mean is

1668

01:12:18,770 --> 01:12:17,040

there a point where maybe he should step

1669

01:12:21,260 --> 01:12:18,780

forward and go you know what I need to

1670

01:12:23,479 --> 01:12:21,270

talk about this now and and let's put

1671

01:12:26,750 --> 01:12:23,489

all of this clean what where is he today

1672

01:12:28,160 --> 01:12:26,760

where's his mind today not thinking

1673

01:12:30,049 --> 01:12:28,170

about any of this at all whatsoever

1674

01:12:33,950 --> 01:12:30,059

anymore in fact when I bring it up when

1675

01:12:35,359 --> 01:12:33,960

I do see him every once in a while he

1676

01:12:41,839 --> 01:12:35,369

doesn't want to talk about it which is

1677

01:12:44,030 --> 01:12:41,849

fine sick of it yeah yeah does he does

1678

01:12:46,819 --> 01:12:44,040

he have responsibilities is he is he

1679

01:12:49,040 --> 01:12:46,829

okay with saying you know I I shouldn't

1680

01:12:52,189 --> 01:12:49,050

have done it I regret it it was it was a

1681

01:12:58,280 --> 01:12:52,199

big mistake or is he just sweeping it

1682

01:13:00,830 --> 01:12:58,290

under the rug I don't think he's happy

1683

01:13:03,770 --> 01:13:00,840

about it and I think he regrets it but I

1684

01:13:04,370 --> 01:13:03,780

also I am I really don't want to speak

1685

01:13:07,129 --> 01:13:04,380

for him

1686

01:13:08,899 --> 01:13:07,139

I really don't right do you think you

1687

01:13:11,120 --> 01:13:08,909

know I mean because no matter what

1688

01:13:12,740 --> 01:13:11,130

people say I've said stuff in interviews

1689

01:13:14,000 --> 01:13:12,750

a hundred times and then people come

1690

01:13:16,399 --> 01:13:14,010

back and tell me something that I've

1691

01:13:18,410 --> 01:13:16,409

already said and contradicted a hundred

1692

01:13:20,629 --> 01:13:18,420

times which is why I usually talk about

1693

01:13:23,359 --> 01:13:20,639

it and I can see why bill doesn't like

1694

01:13:28,790 --> 01:13:23,369

to anymore but yes I mean he's he he

1695

01:13:30,560 --> 01:13:28,800

regrets parts of it and other parts not

1696

01:13:32,149 --> 01:13:30,570

I mean where people are hurt obviously

1697

01:13:35,140 --> 01:13:32,159

and the guy has a conscience of course

1698

01:13:37,699 --> 01:13:35,150

he feels bad about what happened to Paul

1699

01:13:39,979 --> 01:13:37,709

and what you know and

1700

01:13:43,219 --> 01:13:39,989

to some people in the UFO community but

1701

01:13:44,779 --> 01:13:43,229

he you know he doesn't regret being able

1702

01:13:47,089 --> 01:13:44,789

to find out what he did and he doesn't

1703

01:13:48,500 --> 01:13:47,099

regret being involved in something that

1704

01:13:49,969 --> 01:13:48,510

was kind of exciting for a while I mean

1705

01:13:50,929 --> 01:13:49,979

anybody involved in that would have said

1706

01:13:52,729 --> 01:13:50,939

this is kind of exciting

1707

01:13:57,699 --> 01:13:52,739

the other thing people have to realize

1708

01:13:59,959 --> 01:13:57,709

is that the Benowitz thing was 1% of a

1709

01:14:01,819 --> 01:13:59,969

giant giant counterintelligence

1710

01:14:03,350 --> 01:14:01,829

operation because people in the UFO

1711

01:14:06,229 --> 01:14:03,360

community look at it's like oh this big

1712

01:14:08,810 --> 01:14:06,239

thing in did you lead UFOs researchers

1713

01:14:11,959 --> 01:14:08,820

astray it's like no no it was a tiny

1714

01:14:14,179 --> 01:14:11,969

tiny tiny little detail it we think it's

1715

01:14:17,390 --> 01:14:14,189

big because we you know we see it in all

1716

01:14:20,029 --> 01:14:17,400

of its its history but there's there is

1717

01:14:22,399 --> 01:14:20,039

99% of that story that's never been told

1718

01:14:25,069 --> 01:14:22,409

I don't know it I mean I'm not saying

1719

01:14:26,660 --> 01:14:25,079

that but this you know more Morris said

1720

01:14:29,060 --> 01:14:26,670

this other people have said this it's

1721

01:14:31,759 --> 01:14:29,070

like the the it wasn't even that

1722

01:14:34,219 --> 01:14:31,769

important in the in the whole operation

1723

01:14:36,469 --> 01:14:34,229

but it was an integral part of the

1724

01:14:39,949 --> 01:14:36,479

clockwork of the operation against the

1725

01:14:44,949 --> 01:14:39,959

Russians that that that is probably true

1726

01:14:49,219 --> 01:14:44,959

the other part of it is the impact of

1727

01:14:51,259 --> 01:14:49,229

the mj-12 documents and its continuing

1728

01:14:57,199 --> 01:14:51,269

impact on this community cannot be

1729

01:14:58,969 --> 01:14:57,209

measured it cannot and to this day we we

1730

01:15:02,479 --> 01:14:58,979

are we're discussing it right now Greg

1731

01:15:05,929 --> 01:15:02,489

right it was and and serpo you throw

1732

01:15:07,310 --> 01:15:05,939

serpo into the mix and its impact on

1733

01:15:09,439 --> 01:15:07,320

this community and there are people

1734

01:15:15,169 --> 01:15:09,449

today that still talk about serpo as

1735

01:15:18,859 --> 01:15:15,179

being real and if if what Dody is said

1736

01:15:21,739 --> 01:15:18,869

and and who the aviary was and who was

1737

01:15:23,449 --> 01:15:21,749

at the top of the aviary the area was

1738

01:15:25,399 --> 01:15:23,459

not official it was just a bunch of

1739

01:15:26,660 --> 01:15:25,409

people interested in UFO stuff some of

1740

01:15:28,339 --> 01:15:26,670

whom were in the government and some of

1741

01:15:31,250 --> 01:15:28,349

them weren't people think aviary was

1742

01:15:33,589 --> 01:15:31,260

some official UFO thing it wasn't it was

1743

01:15:35,239 --> 01:15:33,599

a bunch of people that that wanted to

1744

01:15:36,259 --> 01:15:35,249

find out what Bill wanted to find out

1745

01:15:37,219 --> 01:15:36,269

except some of them were in the

1746

01:15:40,219 --> 01:15:37,229

government and they thought they could

1747

01:15:42,410 --> 01:15:40,229

use that as leverage to try and find out

1748

01:15:43,910 --> 01:15:42,420

more about the UFO subject how much the

1749

01:15:45,979 --> 01:15:43,920

government knew about it and they ended

1750

01:15:48,649 --> 01:15:45,989

up finding out nothing more than than

1751

01:15:51,470 --> 01:15:48,659

you and I so as far as I can tell was it

1752

01:15:53,300 --> 01:15:51,480

just a big letdown yeah a very was was

1753

01:15:57,020 --> 01:15:53,310

just away from shandur a and more to

1754

01:15:58,220 --> 01:15:57,030

refer to a group of people so they could

1755

01:16:01,010 --> 01:15:58,230

talk about them on the phone like you

1756

01:16:03,200 --> 01:16:01,020

know the owl is doing this and Seagal is

1757

01:16:04,250 --> 01:16:03,210

doing this and you know and so people

1758

01:16:05,530 --> 01:16:04,260

wouldn't know what their names are it

1759

01:16:09,260 --> 01:16:05,540

wasn't you know it's like

1760

01:16:10,820 --> 01:16:09,270

cloak-and-dagger spy stuff play but it

1761

01:16:12,440 --> 01:16:10,830

still was it was serving a purpose they

1762

01:16:14,450 --> 01:16:12,450

wanted to be able to talk with these

1763

01:16:15,650 --> 01:16:14,460

people and talk to them and communicate

1764

01:16:18,440 --> 01:16:15,660

with each other because they were on the

1765

01:16:20,090 --> 01:16:18,450

outside they could access things that

1766

01:16:24,470 --> 01:16:20,100

people and the government couldn't and

1767

01:16:27,530 --> 01:16:24,480

vice versa do you think that the entire

1768

01:16:31,940 --> 01:16:27,540

serpo program and I'm talking about the

1769

01:16:35,180 --> 01:16:31,950

website the disclosures the the constant

1770

01:16:36,920 --> 01:16:35,190

waiting for another release and I was on

1771

01:16:39,620 --> 01:16:36,930

that website every single day for years

1772

01:16:43,820 --> 01:16:39,630

man like you know like everybody got the

1773

01:16:47,540 --> 01:16:43,830

emails I got alright exactly that that

1774

01:16:50,210 --> 01:16:47,550

that entire thing what was it a

1775

01:16:53,540 --> 01:16:50,220

government operation do you think it was

1776

01:17:00,940 --> 01:16:53,550

like a CIA project Mockingbird website

1777

01:17:03,560 --> 01:17:00,950

or or was it just just made up know what

1778

01:17:05,420 --> 01:17:03,570

it was just made up but it was made up

1779

01:17:08,090 --> 01:17:05,430

for a purpose it was made up I think to

1780

01:17:10,490 --> 01:17:08,100

pass messages and the thing is that the

1781

01:17:13,220 --> 01:17:10,500

you can tell this this is you know kind

1782

01:17:15,140 --> 01:17:13,230

of kind of how I guessed and had some

1783

01:17:17,540 --> 01:17:15,150

conversations with more and other people

1784

01:17:19,490 --> 01:17:17,550

I kind of guessed what was going on and

1785

01:17:21,460 --> 01:17:19,500

they did because the original guy I

1786

01:17:23,600 --> 01:17:21,470

don't think I'm getting this story wrong

1787

01:17:25,400 --> 01:17:23,610

Victor Martinez who was my substitute

1788

01:17:26,960 --> 01:17:25,410

teacher in the LA area was getting all

1789

01:17:28,640 --> 01:17:26,970

this information and pumping it back out

1790

01:17:29,720 --> 01:17:28,650

on its website and sending out emails to

1791

01:17:31,070 --> 01:17:29,730

a lot of people I don't know how many

1792

01:17:34,100 --> 01:17:31,080

hundred people were on that email list

1793

01:17:35,510 --> 01:17:34,110

right and it's a certain point he was

1794

01:17:36,880 --> 01:17:35,520

getting these emails and he was starting

1795

01:17:38,900 --> 01:17:36,890

to correct the grammar and the

1796

01:17:43,729 --> 01:17:38,910

punctuation and everything they said

1797

01:17:45,470 --> 01:17:43,739

don't do that leave it the way it is and

1798

01:17:47,360 --> 01:17:45,480

he still did it so they they got rid of

1799

01:17:49,640 --> 01:17:47,370

him and this is how I remember got rid

1800

01:17:53,450 --> 01:17:49,650

of him and Bill Ryan got on it I became

1801

01:17:54,950 --> 01:17:53,460

a spokesman but if you think about that

1802

01:17:56,540 --> 01:17:54,960

it's like why would they care if

1803

01:17:58,550 --> 01:17:56,550

somebody was changing the language or

1804

01:18:01,209 --> 01:17:58,560

the punctuation or whatever it's because

1805

01:18:03,620 --> 01:18:01,219

something was encoded in those messages

1806

01:18:04,940 --> 01:18:03,630

there's there's no other to me there's

1807

01:18:05,330 --> 01:18:04,950

no other answer for that something

1808

01:18:07,160 --> 01:18:05,340

wasn't

1809

01:18:10,880 --> 01:18:07,170

and those messages for somebody to read

1810

01:18:12,650 --> 01:18:10,890

and you know if you extrapolate this you

1811

01:18:14,630 --> 01:18:12,660

think about it's like well if you can

1812

01:18:16,370 --> 01:18:14,640

figure out what's in those messages and

1813

01:18:18,710 --> 01:18:16,380

you start doing something about it

1814

01:18:20,210 --> 01:18:18,720

whether it's true or not you know who

1815

01:18:22,850 --> 01:18:20,220

figured out how to do the messages

1816

01:18:24,470 --> 01:18:22,860

figure out what the code is and if you

1817

01:18:26,210 --> 01:18:24,480

figure out the who knows who that what

1818

01:18:27,620 --> 01:18:26,220

the code is what they're interested in

1819

01:18:30,020 --> 01:18:27,630

and what they're doing about it you can

1820

01:18:31,280 --> 01:18:30,030

figure out who is making noise about

1821

01:18:32,210 --> 01:18:31,290

something they're not supposed to are

1822

01:18:33,890 --> 01:18:32,220

not supposed to know

1823

01:18:35,270 --> 01:18:33,900

well this email came from this person

1824

01:18:37,640 --> 01:18:35,280

and they're sending it to you know this

1825

01:18:39,020 --> 01:18:37,650

person in Iran and saying that the u.s.

1826

01:18:40,910 --> 01:18:39,030

is working on so-and-so because he

1827

01:18:43,100 --> 01:18:40,920

figured out from this message right and

1828

01:18:45,260 --> 01:18:43,110

the message are probably complete BS or

1829

01:18:47,810 --> 01:18:45,270

at least mostly BS like referring to

1830

01:18:49,790 --> 01:18:47,820

some this this is just you know this all

1831

01:18:52,610 --> 01:18:49,800

guesswork on my part but referring to

1832

01:18:54,530 --> 01:18:52,620

something that is going on that people

1833

01:18:56,630 --> 01:18:54,540

know about but not that much or

1834

01:18:58,940 --> 01:18:56,640

intelligence people know about but want

1835

01:19:00,680 --> 01:18:58,950

to know more so if they if they do want

1836

01:19:02,660 --> 01:19:00,690

to know more about it they're you know

1837

01:19:04,370 --> 01:19:02,670

they create some chatter and they say

1838

01:19:06,170 --> 01:19:04,380

it's whatever whatever program it's like

1839

01:19:08,240 --> 01:19:06,180

okay we know that one's fake so we know

1840

01:19:10,100 --> 01:19:08,250

you saw that serpo message or somebody

1841

01:19:13,310 --> 01:19:10,110

passed along that circle message to you

1842

01:19:17,060 --> 01:19:13,320

and you knew how to decode it I read

1843

01:19:20,360 --> 01:19:17,070

just like you right I read over and over

1844

01:19:23,300 --> 01:19:20,370

again and and serpo got really big I

1845

01:19:25,100 --> 01:19:23,310

mean that was yeah I was just insane the

1846

01:19:27,530 --> 01:19:25,110

amount of information that was there

1847

01:19:29,090 --> 01:19:27,540

yeah went on coast and Dodie appeared

1848

01:19:30,920 --> 01:19:29,100

for the only other time he's ever been

1849

01:19:35,990 --> 01:19:30,930

on coast besides when he was on with me

1850

01:19:37,880 --> 01:19:36,000

and I I read it and I I i almost got

1851
01:19:39,620 --> 01:19:37,890
nervous like i thought somebody was

1852
01:19:41,900 --> 01:19:39,630
gonna kick down my front door because I

1853
01:19:45,890 --> 01:19:41,910
was on that website and I thought that

1854
01:19:48,170 --> 01:19:45,900
the information was just so so huge

1855
01:19:51,980 --> 01:19:48,180
right and I was trying to figure it out

1856
01:19:54,410 --> 01:19:51,990
and it was so complex and then and I've

1857
01:19:57,890 --> 01:19:54,420
got a head towards a break and then one

1858
01:20:01,040 --> 01:19:57,900
day Greg I went you know what this is

1859
01:20:04,130 --> 01:20:01,050
science fiction right this is this is

1860
01:20:06,200 --> 01:20:04,140
this is creation alright I don't think

1861
01:20:07,820 --> 01:20:06,210
it has anything to do with the you if I

1862
01:20:09,890 --> 01:20:07,830
don't think that there was anything to

1863
01:20:14,210 --> 01:20:09,900

write this is my own personal assessment

1864

01:20:16,880 --> 01:20:14,220

and I had this weight you know taken off

1865

01:20:18,229 --> 01:20:16,890

of me because I thought it was so huge

1866

01:20:21,229 --> 01:20:18,239

and so big

1867

01:20:23,840 --> 01:20:21,239

and and the real deal and then one day I

1868

01:20:26,840 --> 01:20:23,850

just went you know what no I think it's

1869

01:20:29,270 --> 01:20:26,850

science fiction yeah that's that or my

1870

01:20:30,950 --> 01:20:29,280

mindset determines exactly how you deal

1871

01:20:33,110 --> 01:20:30,960

with stuff and if you don't if you

1872

01:20:37,430 --> 01:20:33,120

decide to be zen-like and not panic

1873

01:20:41,030 --> 01:20:37,440

about stuff so many vistas open up my

1874

01:20:42,950 --> 01:20:41,040

fist is opened up that day it really did

1875

01:20:44,959 --> 01:20:42,960

let's let's take a break right here I

1876

01:20:46,220 --> 01:20:44,969

guess tonight is Greg Bishop but we're

1877

01:20:48,920 --> 01:20:46,230

gonna continue what a great conversation

1878

01:20:50,720 --> 01:20:48,930

all of this when we come back after this

1879

01:20:53,060 --> 01:20:50,730

short break this is fade to black I'm

1880

01:20:56,630 --> 01:20:53,070

yours Jimmy Church I'm the game changer

1881

01:20:59,300 --> 01:20:56,640

network and kg RA the planet Twitter is

1882

01:21:01,530 --> 01:20:59,310

blowing up I'm watching you guys we'll

1883

01:21:17,870 --> 01:21:01,540

be right back stay with us

1884

01:21:19,760 --> 01:21:17,880

[Music]

1885

01:21:23,570 --> 01:21:19,770

welcome back fade to black I'm your host

1886

01:21:29,000 --> 01:21:23,580

Jimmy church tonight Greg Bishop what a

1887

01:21:31,280 --> 01:21:29,010

conversation and I'm okay I'm gonna go

1888

01:21:33,050 --> 01:21:31,290

here I'm gonna go here next Greg there's

1889

01:21:37,280 --> 01:21:33,060

a couple of I can already see that we're

1890

01:21:39,050 --> 01:21:37,290

gonna go into overtime and let's just do

1891

01:21:40,760 --> 01:21:39,060

this

1892

01:21:44,980 --> 01:21:40,770

I want to go back to something that

1893

01:21:50,150 --> 01:21:44,990

Dodie had said on this program he said

1894

01:21:53,410 --> 01:21:50,160

that he was taken into a room with a

1895

01:21:57,710 --> 01:21:53,420

bunch of other recruits into this

1896

01:21:59,960 --> 01:21:57,720

airforce agent disinfo program there was

1897

01:22:02,420 --> 01:21:59,970

I forget how many he said was in the

1898

01:22:04,520 --> 01:22:02,430

room with him but it was a roomful 4050

1899

01:22:07,820 --> 01:22:04,530

other agents and he guessed that there

1900

01:22:10,520 --> 01:22:07,830

was about 200 in the United States that

1901

01:22:14,960 --> 01:22:10,530

were involved in this program along with

1902

01:22:19,630 --> 01:22:14,970

him and that they were shown Roswell

1903

01:22:24,250 --> 01:22:19,640

film footage of the crash retrieval of

1904

01:22:26,420 --> 01:22:24,260

the ETS and were given the full

1905

01:22:31,550 --> 01:22:26,430

debriefing on Roswell

1906

01:22:33,890 --> 01:22:31,560

and that Roswell was real now that's

1907

01:22:37,850 --> 01:22:33,900

what he said on this program did he ever

1908

01:22:39,980 --> 01:22:37,860

talk to you about Roswell and if he did

1909

01:22:42,770 --> 01:22:39,990

was it the same as what he presented

1910

01:22:47,540 --> 01:22:42,780

here in this program and is he telling

1911

01:22:49,610 --> 01:22:47,550

us the truth if you ask any time is Dodi

1912

01:22:52,520 --> 01:22:49,620

telling us the truth you're already just

1913

01:22:55,820 --> 01:22:52,530

lost I know right okay did he discuss

1914

01:22:58,100 --> 01:22:55,830

Roswell with you no he talked about

1915

01:22:59,840 --> 01:22:58,110

working at area 51 which he claims he

1916

01:23:02,960 --> 01:22:59,850

did which I don't know if that happened

1917

01:23:04,880 --> 01:23:02,970

or not but he says he did and said he

1918

01:23:06,830 --> 01:23:04,890

saw stuff that Bob Lazar saw at least

1919

01:23:08,210 --> 01:23:06,840

earlier versions of it I don't know how

1920

01:23:10,790 --> 01:23:08,220

to check that out there's no way for me

1921

01:23:13,460 --> 01:23:10,800

to check out what he said about Roswell

1922

01:23:15,250 --> 01:23:13,470

there's no no no way to cross-check it

1923

01:23:17,300 --> 01:23:15,260

unless somebody else comes up and says I

1924

01:23:18,710 --> 01:23:17,310

was in the room with Dodie and this is

1925

01:23:20,330 --> 01:23:18,720

what we saw this is what we said and he

1926
01:23:21,680 --> 01:23:20,340
says the same thing independently well

1927
01:23:24,290 --> 01:23:21,690
then they could be in cahoots with each

1928
01:23:26,560 --> 01:23:24,300
other but that would be a step so you

1929
01:23:29,690 --> 01:23:26,570
know like you'd say whatever he wants

1930
01:23:31,790 --> 01:23:29,700
but if it's you play the game you get

1931
01:23:33,530 --> 01:23:31,800
nothing if it's something useful that he

1932
01:23:35,120 --> 01:23:33,540
says that's useful to you and seems to

1933
01:23:36,980 --> 01:23:35,130
make sense and you can want to follow

1934
01:23:38,900 --> 01:23:36,990
that thread that's great

1935
01:23:40,760 --> 01:23:38,910
and if you choose to think it's all lies

1936
01:23:43,460 --> 01:23:40,770
or whatever that's great too you don't

1937
01:23:46,100 --> 01:23:43,470
sound you don't sound surprised in what

1938
01:23:49,130 --> 01:23:46,110

I just said oh no I'm not surprised at

1939

01:23:50,630 --> 01:23:49,140

all I mean I think you know I don't you

1940

01:23:52,700 --> 01:23:50,640

know I don't dislike the man I think

1941

01:23:54,230 --> 01:23:52,710

he's a fascinating character

1942

01:23:56,030 --> 01:23:54,240

I'm sorry he doesn't talk to me anymore

1943

01:23:57,710 --> 01:23:56,040

you got he got mad when I said something

1944

01:24:00,350 --> 01:23:57,720

about serpo being what we just talked

1945

01:24:01,580 --> 01:24:00,360

about and said he didn't want to talk to

1946

01:24:03,500 --> 01:24:01,590

me anymore which is you know it's

1947

01:24:05,540 --> 01:24:03,510

unfortunate but you know it's fine I

1948

01:24:09,890 --> 01:24:05,550

don't I don't feel bad I hope I didn't

1949

01:24:14,630 --> 01:24:09,900

insult him or anything but it's you know

1950

01:24:18,080 --> 01:24:14,640

you can't you can't take anything he

1951

01:24:19,610 --> 01:24:18,090

says really that seriously unless it's

1952

01:24:21,350 --> 01:24:19,620

something you think is interesting and

1953

01:24:22,790 --> 01:24:21,360

you can follow up on and there's

1954

01:24:25,070 --> 01:24:22,800

certainly things that he says that are

1955

01:24:26,750 --> 01:24:25,080

interesting that you can follow up on so

1956

01:24:28,730 --> 01:24:26,760

and I can't think of any right now I did

1957

01:24:30,230 --> 01:24:28,740

a bunch for the book and some of them

1958

01:24:33,530 --> 01:24:30,240

panned out and some of them didn't and

1959

01:24:35,360 --> 01:24:33,540

some of them I didn't care so you know I

1960

01:24:37,640 --> 01:24:35,370

mean he'd tell me something and then you

1961

01:24:40,730 --> 01:24:37,650

know Leonard not Leonard Stringfield but

1962

01:24:42,320 --> 01:24:40,740

like another guy from the NSA that he I

1963

01:24:44,780 --> 01:24:42,330

don't think ever met would tell me the

1964

01:24:45,350 --> 01:24:44,790

same thing and then like you know tom

1965

01:24:50,120 --> 01:24:45,360

dooley

1966

01:24:51,560 --> 01:24:50,130

NSA or tom adams the offer for the

1967

01:24:52,820 --> 01:24:51,570

cattle mutilation the researcher he

1968

01:24:54,650 --> 01:24:52,830

might tell me the same thing it's like

1969

01:24:56,870 --> 01:24:54,660

okay there's something i can hook onto

1970

01:24:59,840 --> 01:24:56,880

here but the point is when I was talking

1971

01:25:01,700 --> 01:24:59,850

to him I listened to everything and he

1972

01:25:03,440 --> 01:25:01,710

wouldn't let me take note to record it

1973

01:25:05,920 --> 01:25:03,450

so what I did is I drove back to my

1974

01:25:09,770 --> 01:25:05,930

hotel really quick and wrote it all down

1975

01:25:11,240 --> 01:25:09,780

but the point is here that you listen to

1976

01:25:13,310 --> 01:25:11,250

it all and if there's something

1977

01:25:15,290 --> 01:25:13,320

interesting in there you follow up on it

1978

01:25:16,640 --> 01:25:15,300

but if you start immediately going oh my

1979

01:25:19,340 --> 01:25:16,650

god is that true or is that false oh

1980

01:25:21,140 --> 01:25:19,350

it's like you you your emotions take

1981

01:25:23,690 --> 01:25:21,150

over and you're already filtering and

1982

01:25:25,370 --> 01:25:23,700

you're lost you kind of have to be Zen

1983

01:25:26,870 --> 01:25:25,380

about it and kind of like you know I'm

1984

01:25:28,880 --> 01:25:26,880

not gonna pass judgment let me just

1985

01:25:30,740 --> 01:25:28,890

listen to everything and not care about

1986

01:25:32,480 --> 01:25:30,750

what's coming out of its mouth just

1987

01:25:34,400 --> 01:25:32,490

listen to it all because there's some

1988

01:25:36,250 --> 01:25:34,410

useful stuff in here I don't know where

1989

01:25:41,120 --> 01:25:36,260

it is yet but it's in there

1990

01:25:44,720 --> 01:25:41,130

what and and speaking about this the you

1991

01:25:45,530 --> 01:25:44,730

know the government influence and the

1992

01:25:47,510 --> 01:25:45,540

UFO side

1993

01:25:50,630 --> 01:25:47,520

certainly were in the middle of it right

1994

01:25:55,220 --> 01:25:50,640

now and what has gone on since December

1995

01:26:01,190 --> 01:25:55,230

of 2017 but the New York Times and and

1996

01:26:03,380 --> 01:26:01,200

so forth how much of this do we trust is

1997

01:26:08,510 --> 01:26:03,390

the Pentagon right now suddenly our

1998

01:26:11,150 --> 01:26:08,520

friend I don't think so you know the

1999

01:26:13,280 --> 01:26:11,160

thing is it's I think when this first

2000

01:26:15,230 --> 01:26:13,290

started happening I put something up on

2001

01:26:17,510 --> 01:26:15,240

my website or on my Facebook page or

2002

01:26:19,370 --> 01:26:17,520

something for the show and I said beware

2003

01:26:20,900 --> 01:26:19,380

of messages when you agree with

2004

01:26:22,700 --> 01:26:20,910

everything somebody's saying if

2005

01:26:25,220 --> 01:26:22,710

somebody's just saying everything you

2006

01:26:28,610 --> 01:26:25,230

want to hear that's a warning sign I

2007

01:26:31,310 --> 01:26:28,620

think not a warning sign to not listen

2008

01:26:32,840 --> 01:26:31,320

or that you know they're they're totally

2009

01:26:35,300 --> 01:26:32,850

telling the truth or lying or whatever

2010

01:26:36,890 --> 01:26:35,310

the point is that you are all your

2011

01:26:39,260 --> 01:26:36,900

buttons are being pushed if all your

2012

01:26:40,550 --> 01:26:39,270

buttons are being pushed either the most

2013

01:26:43,670 --> 01:26:40,560

wonderful thing in the world is

2014

01:26:45,650 --> 01:26:43,680

happening disclosure or somebody's doing

2015

01:26:47,870 --> 01:26:45,660

something for a specific purpose which

2016

01:26:50,240 --> 01:26:47,880

may not be what you think it is I mean

2017

01:26:51,500 --> 01:26:50,250

that the the fallout from it is what we

2018

01:26:53,360 --> 01:26:51,510

were just talking about at the beginning

2019

01:26:54,800 --> 01:26:53,370

of the show more people take it

2020

01:26:56,810 --> 01:26:54,810

seriously journalist journalists aren't

2021

01:26:58,460 --> 01:26:56,820

laughing at it so much academics and

2022

01:27:01,640 --> 01:26:58,470

scientists are taking it more seriously

2023

01:27:03,860 --> 01:27:01,650

that's great I think that's wonderful

2024

01:27:06,620 --> 01:27:03,870

but I don't you know I don't think this

2025

01:27:09,710 --> 01:27:06,630

is like the be-all end-all of disclosure

2026

01:27:11,420 --> 01:27:09,720

I don't think that at all but you know

2027

01:27:13,130 --> 01:27:11,430

like I said I'm not sitting here going

2028

01:27:16,160 --> 01:27:13,140

as I throughs I not true is that true is

2029

01:27:18,830 --> 01:27:16,170

not true you know I just can't operate

2030

01:27:20,270 --> 01:27:18,840

that way all right you know I get I get

2031

01:27:21,950 --> 01:27:20,280

burned out I'm getting burned out just

2032

01:27:24,380 --> 01:27:21,960

listening what what people are saying

2033

01:27:25,940 --> 01:27:24,390

online I had to back off of it I I'm

2034

01:27:28,520 --> 01:27:25,950

kinda at the point where I don't care if

2035

01:27:31,850 --> 01:27:28,530

it's true or not I'm just listening I'm

2036

01:27:34,940 --> 01:27:31,860

at the same point and and and you're

2037

01:27:38,090 --> 01:27:34,950

absolutely right you have to there is no

2038

01:27:41,240 --> 01:27:38,100

other way to deal with this but to

2039

01:27:43,250 --> 01:27:41,250

listen to everything one thing you have

2040

01:27:44,540 --> 01:27:43,260

to and if there's a grain of something

2041

01:27:45,950 --> 01:27:44,550

there that resonates with you and

2042

01:27:49,310 --> 01:27:45,960

something that can help you take things

2043

01:27:52,250 --> 01:27:49,320

further then then great if you don't if

2044

01:27:55,370 --> 01:27:52,260

you don't absorb any of it great too as

2045

01:27:58,529 --> 01:27:55,380

well but but the other part of it which

2046

01:28:01,889 --> 01:27:58,539

I think is is is very dangerous

2047

01:28:05,129 --> 01:28:01,899

that there is a reason for the timing I

2048

01:28:09,479 --> 01:28:05,139

don't know what that reason is Greg but

2049

01:28:12,750 --> 01:28:09,489

it seems to be every it's like at every

2050

01:28:17,459 --> 01:28:12,760

turn every mainstream outlet has got

2051

01:28:21,059 --> 01:28:17,469

some UFOs story today why is that

2052

01:28:23,729 --> 01:28:21,069

happening what why now are they trying

2053

01:28:25,979 --> 01:28:23,739

to get out in front of something that

2054

01:28:28,229 --> 01:28:25,989

they can't control and they know that

2055

01:28:30,989 --> 01:28:28,239

something is coming and they need to

2056

01:28:34,109 --> 01:28:30,999

acclimate the world to this subject is

2057

01:28:36,419 --> 01:28:34,119

it that you know I I'm not so sure why

2058

01:28:38,879 --> 01:28:36,429

maybe yeah well that's my question to

2059

01:28:41,429 --> 01:28:38,889

you why do you think the timing of this

2060

01:28:44,939 --> 01:28:41,439

is now you've been doing this for a very

2061

01:28:47,909 --> 01:28:44,949

very long time and you know it's never

2062

01:28:49,949 --> 01:28:47,919

been like this before you know yeah and

2063

01:28:51,689 --> 01:28:49,959

I know you I don't know I don't know the

2064

01:28:54,629 --> 01:28:51,699

reason for it really Jimmy I really

2065

01:28:58,369 --> 01:28:54,639

don't there's a lot of ideas yours was

2066

01:29:02,279 --> 01:29:00,659

disinformation especially against other

2067

01:29:04,109 --> 01:29:02,289

governments you know and I see some of

2068

01:29:06,059 --> 01:29:04,119

this stuff I'm thinking you know oh

2069

01:29:07,739 --> 01:29:06,069

these things are flying by our ships we

2070

01:29:09,629 --> 01:29:07,749

don't know what they are you know maybe

2071

01:29:11,549 --> 01:29:09,639

somebody in China are like we you know

2072

01:29:15,929 --> 01:29:11,559

exactly what that is you guys have that

2073

01:29:19,679 --> 01:29:15,939

oh no because it's I think somebody I

2074

01:29:24,719 --> 01:29:19,689

was talking to that was related or you

2075

01:29:27,719 --> 01:29:24,729

know within with TSA or at least think

2076

01:29:29,189 --> 01:29:27,729

they are whatever they said if some if

2077

01:29:32,189 --> 01:29:29,199

this is something that somebody knows

2078

01:29:33,179 --> 01:29:32,199

how to do right now if those things that

2079

01:29:34,949 --> 01:29:33,189

are flying around that we're flying

2080

01:29:36,419 --> 01:29:34,959

around the Nimitz and around the carrier

2081

01:29:40,169 --> 01:29:36,429

groups in the east and the East Coast

2082

01:29:43,139 --> 01:29:40,179

and in the Persian Gulf if that's all

2083

01:29:46,259 --> 01:29:43,149

true whoever's controlling that they

2084

01:29:51,059 --> 01:29:46,269

don't have to answer to anybody if so if

2085

01:29:53,459 --> 01:29:51,069

that's an earthly technology either one

2086

01:29:55,529 --> 01:29:53,469

it's not an earthly technology and and

2087

01:29:57,270 --> 01:29:55,539

it's some other intelligence doing

2088

01:29:59,609 --> 01:29:57,280

something which is totally possible or

2089

01:30:02,250 --> 01:29:59,619

it is an earthly intelligence and they

2090

01:30:04,439 --> 01:30:02,260

are saying we don't have to answer to

2091

01:30:07,799 --> 01:30:04,449

anybody because we can do this in fact

2092

01:30:10,859 --> 01:30:07,809

you know if if we choose to the entire

2093

01:30:12,450 --> 01:30:10,869

world will have no choice except to be

2094

01:30:14,550 --> 01:30:12,460

you know run by whoever has

2095

01:30:16,560 --> 01:30:14,560

technology that that's that's basically

2096

01:30:21,959 --> 01:30:16,570

game over technology if somebody has

2097

01:30:23,970 --> 01:30:21,969

that so even the even the idea that

2098

01:30:25,290 --> 01:30:23,980

that's possible can be used for for

2099

01:30:28,380 --> 01:30:25,300

disinfo or propaganda or

2100

01:30:31,110 --> 01:30:28,390

counterintelligence purposes that

2101
01:30:37,260 --> 01:30:31,120
certainly can be what's going on that to

2102
01:30:38,790 --> 01:30:37,270
me is scarier than if it's just et I'm

2103
01:30:40,320 --> 01:30:38,800
saying that's a possibility and

2104
01:30:41,760 --> 01:30:40,330
somebody's listening to say oh that's

2105
01:30:45,750 --> 01:30:41,770
what he says it is he's figured out like

2106
01:30:47,310 --> 01:30:45,760
no that's a possibility and it's one I

2107
01:30:50,370 --> 01:30:47,320
ever really haven't really heard too

2108
01:30:52,320 --> 01:30:50,380
much but it's it's a it's an intriguing

2109
01:30:53,580 --> 01:30:52,330
possibility and like yeah yeah and like

2110
01:30:55,709 --> 01:30:53,590
you said it's kind of a frightening

2111
01:30:57,870 --> 01:30:55,719
possibility you know who has that

2112
01:31:02,580 --> 01:30:57,880
technology and I hope it's somebody

2113
01:31:05,790 --> 01:31:02,590

that's friendly to us but maybe not I

2114

01:31:07,500 --> 01:31:05,800

don't know I have no idea the fact is if

2115

01:31:09,000 --> 01:31:07,510

it was it was another country that was

2116

01:31:11,100 --> 01:31:09,010

doing it and we didn't have the

2117

01:31:12,570 --> 01:31:11,110

technology I don't think anybody would

2118

01:31:13,680 --> 01:31:12,580

say anything about it in the press in

2119

01:31:16,020 --> 01:31:13,690

the United States so I think they

2120

01:31:17,520 --> 01:31:16,030

figured out either it's something else

2121

01:31:18,930 --> 01:31:17,530

or it's something they want us they want

2122

01:31:22,140 --> 01:31:18,940

people to think that we have control

2123

01:31:23,070 --> 01:31:22,150

over or you know no control over and

2124

01:31:23,490 --> 01:31:23,080

what the hell are we going to do about

2125

01:31:26,070 --> 01:31:23,500

it

2126
01:31:27,870 --> 01:31:26,080
I have no idea and I really don't know

2127
01:31:29,520 --> 01:31:27,880
about the timing maybe it has something

2128
01:31:33,479 --> 01:31:29,530
to do with you know saber-rattling in

2129
01:31:35,250 --> 01:31:33,489
China and India sending up rockets now

2130
01:31:36,810 --> 01:31:35,260
out of the moon and India and Pakistan

2131
01:31:39,209 --> 01:31:36,820
getting all pissed off at each other and

2132
01:31:41,610 --> 01:31:39,219
they both have nuclear weapons right now

2133
01:31:44,520 --> 01:31:41,620
you know saber-rattling with Iran I have

2134
01:31:46,830 --> 01:31:44,530
no idea but you know there's so many

2135
01:31:49,050 --> 01:31:46,840
different scenarios for this to be to

2136
01:31:52,890 --> 01:31:49,060
have to interact interface with this

2137
01:31:55,140 --> 01:31:52,900
phenomenon at this particular time and I

2138
01:31:57,900 --> 01:31:55,150

don't think anybody's got it right yet

2139

01:31:59,910 --> 01:31:57,910

no no guesses are right yet but I think

2140

01:32:01,229 --> 01:31:59,920

that a lot of guesses are right none of

2141

01:32:03,180 --> 01:32:01,239

them at the same time if you know what I

2142

01:32:04,830 --> 01:32:03,190

mean it could be any of those things or

2143

01:32:06,330 --> 01:32:04,840

it could be little bits and pieces of

2144

01:32:10,610 --> 01:32:06,340

all these things put together which

2145

01:32:15,360 --> 01:32:10,620

which is what I favor I did a rundown of

2146

01:32:18,930 --> 01:32:15,370

the staff at TSA and yeah where you have

2147

01:32:23,930 --> 01:32:18,940

nine of the twelve staff there are

2148

01:32:30,750 --> 01:32:28,050

counterintelligence agents and some

2149

01:32:34,649 --> 01:32:30,760

affiliation of some kind with the

2150

01:32:35,820 --> 01:32:34,659

Department of Defense exactly yeah a lot

2151
01:32:38,310 --> 01:32:35,830
of people notice that right off the bat

2152
01:32:42,360 --> 01:32:38,320
they're like whoa wait a second is it

2153
01:32:44,370 --> 01:32:42,370
well did you do oh wait a second yeah I

2154
01:32:45,990 --> 01:32:44,380
did right away I just said wow these

2155
01:32:48,030 --> 01:32:46,000
people it's like a lot of the same

2156
01:32:49,830 --> 01:32:48,040
players that were now the same players

2157
01:32:52,350 --> 01:32:49,840
but the same ideas and some of the same

2158
01:32:54,030 --> 01:32:52,360
players that were involved at least how

2159
01:32:57,120 --> 01:32:54,040
put off he was he was in the aviary I

2160
01:32:58,530 --> 01:32:57,130
think pretty sure these people have been

2161
01:33:00,930 --> 01:32:58,540
trying to figure out what this thing is

2162
01:33:02,939 --> 01:33:00,940
for a long time and I think some of the

2163
01:33:04,950 --> 01:33:02,949

people in the group think they're gonna

2164

01:33:07,740 --> 01:33:04,960

find out what what the UFO thing is

2165

01:33:09,870 --> 01:33:07,750

finally and some of them are using it

2166

01:33:12,149 --> 01:33:09,880

for you know some intelligence thing and

2167

01:33:13,560 --> 01:33:12,159

some of them think that there's

2168

01:33:16,740 --> 01:33:13,570

something exploitable in there where

2169

01:33:18,750 --> 01:33:16,750

they can they can they can make you know

2170

01:33:20,490 --> 01:33:18,760

they can scale the technology or copy

2171

01:33:22,500 --> 01:33:20,500

the technology to something that they

2172

01:33:24,149 --> 01:33:22,510

can that can be used I think there's all

2173

01:33:25,740 --> 01:33:24,159

those ideas and then on top of you know

2174

01:33:27,240 --> 01:33:25,750

on top of this all is you know what

2175

01:33:30,689 --> 01:33:27,250

you're suggesting here is they all have

2176

01:33:32,129 --> 01:33:30,699

intelligence backgrounds to I don't know

2177

01:33:34,560 --> 01:33:32,139

if that means it's an intelligent

2178

01:33:36,240 --> 01:33:34,570

intelligent operation but that's that

2179

01:33:40,290 --> 01:33:36,250

would certainly be within the foul poles

2180

01:33:43,919 --> 01:33:40,300

yes it would be right there and this is

2181

01:33:46,530 --> 01:33:43,929

this is what is crazy to me if Tom

2182

01:33:49,140 --> 01:33:46,540

DeLonge steps down as CEO because he's

2183

01:33:53,430 --> 01:33:49,150

listed as interim CEO right now right

2184

01:33:55,470 --> 01:33:53,440

yeah yeah and so let's say he's you know

2185

01:33:58,200 --> 01:33:55,480

he steps aside he goes back to blink 182

2186

01:34:02,340 --> 01:33:58,210

or angels on the airwaves and he goes

2187

01:34:07,530 --> 01:34:02,350

back to music and like semi van steps in

2188

01:34:09,660 --> 01:34:07,540

as CEO are we looking at an actual CIA

2189

01:34:11,990 --> 01:34:09,670

front company at that point because

2190

01:34:16,620 --> 01:34:12,000

there isn't anybody else that is staffed

2191

01:34:20,580 --> 01:34:16,630

except for intelligence of personnel it

2192

01:34:24,060 --> 01:34:20,590

is is that a red flag no yeah well of

2193

01:34:25,950 --> 01:34:24,070

course it is but my attitude from the

2194

01:34:27,870 --> 01:34:25,960

beginning has been I am neither for nor

2195

01:34:29,600 --> 01:34:27,880

against what they're doing but I am

2196

01:34:31,800 --> 01:34:29,610

interested so I'm gonna pay attention

2197

01:34:33,750 --> 01:34:31,810

but I'm not gonna make an assumption

2198

01:34:34,950 --> 01:34:33,760

about things I've been sitting here for

2199

01:34:36,480 --> 01:34:34,960

the last 20 minutes with you making

2200

01:34:40,230 --> 01:34:36,490

assumptions I have

2201

01:34:41,910 --> 01:34:40,240

no idea really what see but I'm gonna

2202

01:34:44,010 --> 01:34:41,920

I'm gonna keep watching and listening

2203

01:34:45,630 --> 01:34:44,020

and seeing what they do and you know

2204

01:34:47,730 --> 01:34:45,640

what yeah what does that app to my mind

2205

01:34:50,520 --> 01:34:47,740

and maybe at some point if I'm watching

2206

01:34:53,280 --> 01:34:50,530

and listening something I heard 10 or 15

2207

01:34:54,060 --> 01:34:53,290

or 20 years ago I'm gonna go oh wait a

2208

01:34:59,070 --> 01:34:54,070

second

2209

01:35:00,720 --> 01:34:59,080

and I'll either run down to you know run

2210

01:35:03,810 --> 01:35:00,730

down there or send them a message and

2211

01:35:06,600 --> 01:35:03,820

say what's going on or you know somebody

2212

01:35:08,280 --> 01:35:06,610

that knows them or that won't happen and

2213

01:35:11,670 --> 01:35:08,290

I'll just be in the dark forever I've

2214

01:35:13,140 --> 01:35:11,680

got an idea that you know unless there's

2215

01:35:16,280 --> 01:35:13,150

some kind of disclosure or something

2216

01:35:18,990 --> 01:35:16,290

like that the end game here I think that

2217

01:35:21,780 --> 01:35:19,000

this thing will have a it will it has a

2218

01:35:23,160 --> 01:35:21,790

lifespan and it will run its course and

2219

01:35:26,310 --> 01:35:23,170

whatever they're doing they'll either

2220

01:35:27,780 --> 01:35:26,320

accomplish it or they won't and they

2221

01:35:29,400 --> 01:35:27,790

will move on I mean that's how

2222

01:35:30,600 --> 01:35:29,410

everything works and at that point we

2223

01:35:31,110 --> 01:35:30,610

here won't you're anything from them

2224

01:35:32,970 --> 01:35:31,120

anymore

2225

01:35:35,190 --> 01:35:32,980

and I hope it's after we figure some

2226

01:35:36,960 --> 01:35:35,200

stuff out based on what they say or some

2227

01:35:38,430 --> 01:35:36,970

kind of revelation or some kind of you

2228

01:35:41,310 --> 01:35:38,440

know something useful that helps all of

2229

01:35:43,520 --> 01:35:41,320

us I would love that to happen but I

2230

01:35:46,380 --> 01:35:43,530

don't know it might it might am I not

2231

01:35:48,690 --> 01:35:46,390

but but for the meantime it's it's the

2232

01:35:53,370 --> 01:35:48,700

you know it's one of its one of the best

2233

01:35:55,850 --> 01:35:53,380

shows in town it is and my take is this

2234

01:35:59,970 --> 01:35:55,860

this is what I've asked everybody to do

2235

01:36:03,380 --> 01:35:59,980

right now don't trust anybody just write

2236

01:36:05,880 --> 01:36:03,390

on that because that's the safe zone

2237

01:36:07,500 --> 01:36:05,890

that's your cell for your friends you're

2238

01:36:09,180 --> 01:36:07,510

yourself and your friends are the power

2239

01:36:11,130 --> 01:36:09,190

elite and the kind of conspiracy not

2240

01:36:13,500 --> 01:36:11,140

other people I know that's a funny thing

2241

01:36:15,450 --> 01:36:13,510

to say but governor Wilson said that

2242

01:36:17,730 --> 01:36:15,460

once and I love that know that's that's

2243

01:36:20,250 --> 01:36:17,740

the that's the safe bet you know that's

2244

01:36:24,150 --> 01:36:20,260

the Las Vegas bet that's the safe play

2245

01:36:28,110 --> 01:36:24,160

and in two years you know we'll give

2246

01:36:32,520 --> 01:36:28,120

this a like a two-year run and if what T

2247

01:36:36,480 --> 01:36:32,530

TSA is is doing is correct then we can

2248

01:36:40,110 --> 01:36:36,490

establish some trust here and then you

2249

01:36:42,540 --> 01:36:40,120

know we can maybe take a chance and roll

2250

01:36:45,330 --> 01:36:42,550

the dice and get into the trust zone the

2251

01:36:46,980 --> 01:36:45,340

friend zone but until then let's just

2252

01:36:49,400 --> 01:36:46,990

write this out it is the best show in

2253

01:36:52,640 --> 01:36:49,410

town I totally agree with you

2254

01:36:55,400 --> 01:36:52,650

no I mean I don't I am like I said I'm

2255

01:36:56,930 --> 01:36:55,410

neither foreigner against them and I

2256

01:36:58,550 --> 01:36:56,940

think what they're doing is exciting and

2257

01:37:01,400 --> 01:36:58,560

I think it's done some great it's had

2258

01:37:02,720 --> 01:37:01,410

some great effects I mean it's wonderful

2259

01:37:05,600 --> 01:37:02,730

some of the effects we already talked

2260

01:37:08,660 --> 01:37:05,610

about but we'll see what happens you

2261

01:37:09,860 --> 01:37:08,670

know I the the the fallout will take it

2262

01:37:11,450 --> 01:37:09,870

will be years I mean they'll still be

2263

01:37:13,340 --> 01:37:11,460

academics in scientists interested in

2264

01:37:14,630 --> 01:37:13,350

this weird stuff after that they just

2265

01:37:16,430 --> 01:37:14,640

kind of opened the door a little said

2266

01:37:18,320 --> 01:37:16,440

hey you know maybe it's okay to talk

2267

01:37:20,330 --> 01:37:18,330

about this stuff and I think that's part

2268

01:37:22,730 --> 01:37:20,340

of their plan that was definitely part

2269

01:37:25,220 --> 01:37:22,740

of their plan well I did that's that's

2270

01:37:27,080 --> 01:37:25,230

the bonus right that's the bonus play I

2271

01:37:28,580 --> 01:37:27,090

wanted to ask you this before we head to

2272

01:37:31,370 --> 01:37:28,590

the break and can I get you to hang out

2273

01:37:35,180 --> 01:37:31,380

for some overtime yes sure okay

2274

01:37:38,570 --> 01:37:35,190

we'll do that I wanted to ask you this

2275

01:37:41,000 --> 01:37:38,580

the three videos the the gimbal and the

2276

01:37:42,830 --> 01:37:41,010

tic tac and the go-fast you've been

2277

01:37:44,480 --> 01:37:42,840

looking at evidence you've been writing

2278

01:37:49,600 --> 01:37:44,490

books you've been doing all of this

2279

01:37:53,890 --> 01:37:49,610

stuff for so long what was your first

2280

01:37:56,960 --> 01:37:53,900

reaction to the videos when you saw them

2281

01:37:58,630 --> 01:37:56,970

that they're authentic lead unidentified

2282

01:38:02,120 --> 01:37:58,640

objects that were picked up by

2283

01:38:04,010 --> 01:38:02,130

sophisticated camera equipment I'm fine

2284

01:38:06,830 --> 01:38:04,020

you know what we have tons of those

2285

01:38:08,780 --> 01:38:06,840

tons but we have we have quite a few you

2286

01:38:17,810 --> 01:38:08,790

should run for politics man that was a

2287

01:38:20,690 --> 01:38:17,820

good political answer okay that's that

2288

01:38:24,530 --> 01:38:20,700

was my take okay that was my original

2289

01:38:26,750 --> 01:38:24,540

take now when I look at them

2290

01:38:28,700 --> 01:38:26,760

I don't have the same reaction that I

2291

01:38:31,400 --> 01:38:28,710

did originally I mean I fought tooth and

2292

01:38:33,830 --> 01:38:31,410

nail the people that were saying it's

2293

01:38:36,350 --> 01:38:33,840

nothing and I was like no no no no no no

2294

01:38:40,130 --> 01:38:36,360

no these these are the real deal now

2295

01:38:43,280 --> 01:38:40,140

when I look at them I don't have the

2296

01:38:44,930 --> 01:38:43,290

same reaction like the go-fast video I

2297

01:38:46,460 --> 01:38:44,940

don't even see anything moving

2298

01:38:50,180 --> 01:38:46,470

I think the go-fast video is a

2299

01:38:52,880 --> 01:38:50,190

stationary object that's just I look at

2300

01:38:56,150 --> 01:38:52,890

it now and I Durst there's been really

2301

01:38:58,400 --> 01:38:56,160

good skeptical viewpoints of this

2302

01:39:00,290 --> 01:38:58,410

especially by what's a meta bunk yeah

2303

01:39:02,240 --> 01:39:00,300

and those people are great I like those

2304

01:39:02,900 --> 01:39:02,250

people because I've been on their forums

2305

01:39:05,000 --> 01:39:02,910

and they

2306

01:39:06,410 --> 01:39:05,010

don't make fun of people they don't say

2307

01:39:08,450 --> 01:39:06,420

this idiot or anything like that they

2308

01:39:10,640 --> 01:39:08,460

just say let's look at the evidence and

2309

01:39:11,690 --> 01:39:10,650

see how it holds up now I may not agree

2310

01:39:13,910 --> 01:39:11,700

with them all the time but they're

2311

01:39:15,410 --> 01:39:13,920

they're a good skeptical organization

2312

01:39:17,450 --> 01:39:15,420

and they've made some great arguments

2313

01:39:18,920 --> 01:39:17,460

against them being authentic and you

2314

01:39:21,080 --> 01:39:18,930

said what was my first reaction that was

2315

01:39:23,120 --> 01:39:21,090

my first reaction now one I'm not sure

2316

01:39:24,710 --> 01:39:23,130

and two I don't really think it makes

2317

01:39:26,360 --> 01:39:24,720

any difference because there's so much

2318

01:39:28,370 --> 01:39:26,370

other film and video of this stuff and

2319

01:39:30,410 --> 01:39:28,380

there's so many you know eyewitness

2320

01:39:32,090 --> 01:39:30,420

testimony and all that if it was made up

2321

01:39:34,370 --> 01:39:32,100

it's just supporting stuff that's

2322

01:39:36,740 --> 01:39:34,380

basically out there anyway right right

2323

01:39:38,870 --> 01:39:36,750

yeah I don't have to say it doesn't it

2324

01:39:42,430 --> 01:39:38,880

doesn't it doesn't affect me like it did

2325

01:39:46,000 --> 01:39:42,440

before part of it is Mehta bunk

2326

01:39:50,000 --> 01:39:46,010

centering me right pulling me back in

2327

01:39:52,730 --> 01:39:50,010

into the sensible zone yes they're good

2328

01:39:54,620 --> 01:39:52,740

at that I've interacted with some of

2329

01:39:55,610 --> 01:39:54,630

them and they're all really I mean they

2330

01:39:57,230 --> 01:39:55,620

didn't know who I was and they've

2331

01:40:00,080 --> 01:39:57,240

accepted me and said I said look I'm a

2332

01:40:01,520 --> 01:40:00,090

pilot and I've got this you know idea

2333

01:40:03,560 --> 01:40:01,530

about it they said oh wow really okay

2334

01:40:05,090 --> 01:40:03,570

and you know something they hadn't

2335

01:40:06,740 --> 01:40:05,100

thought of whatever it was with the

2336

01:40:08,570 --> 01:40:06,750

chelate one of the the Chilean video

2337

01:40:10,220 --> 01:40:08,580

would the thing in the sky that looked

2338

01:40:14,810 --> 01:40:10,230

like a contrail that turned off and back

2339

01:40:17,480 --> 01:40:14,820

on again that that I followed that very

2340

01:40:20,180 --> 01:40:17,490

closely because they were going through

2341

01:40:22,040 --> 01:40:20,190

a lot of things as a private pilot that

2342

01:40:24,230 --> 01:40:22,050

I learned about flying in direction and

2343

01:40:26,480 --> 01:40:24,240

and radar and all that other stuff and

2344

01:40:28,220 --> 01:40:26,490

they were right all I mean I went

2345

01:40:31,850 --> 01:40:28,230

through it with a fine-tooth comb sorted

2346

01:40:33,710 --> 01:40:31,860

I hired a and I could find no fault with

2347

01:40:35,180 --> 01:40:33,720

their reasoning I thought hey they

2348

01:40:36,920 --> 01:40:35,190

figure it out this is great I mean the

2349

01:40:38,570 --> 01:40:36,930

last thing was well how does a contrail

2350

01:40:39,860 --> 01:40:38,580

disappear well that's very easy I should

2351

01:40:41,930 --> 01:40:39,870

have known this

2352

01:40:44,210 --> 01:40:41,940

I'm paragliding and suddenly I'm in like

2353

01:40:45,560 --> 01:40:44,220

completely different feeling air well

2354

01:40:47,540 --> 01:40:45,570

that means the air has changed

2355

01:40:49,070 --> 01:40:47,550

temperature if the air change changes

2356

01:40:50,600 --> 01:40:49,080

temperature in the middle of the sky

2357

01:40:53,150 --> 01:40:50,610

somewhere it means that the the

2358

01:40:55,670 --> 01:40:53,160

conditions for vapor to form of a

2359

01:40:57,140 --> 01:40:55,680

contrail have changed so we'll stop when

2360

01:40:59,090 --> 01:40:57,150

it's in that piece of air so it's

2361

01:41:02,120 --> 01:40:59,100

perfectly easy for a contrail to turn

2362

01:41:05,300 --> 01:41:02,130

off and on very very suddenly so you

2363

01:41:06,860 --> 01:41:05,310

know it took a while but it was really

2364

01:41:09,290 --> 01:41:06,870

interesting to follow their logic it

2365

01:41:10,940 --> 01:41:09,300

just takes a little bit of work there

2366

01:41:12,410 --> 01:41:10,950

was one other I want to ask you this

2367

01:41:14,060 --> 01:41:12,420

really quick before we get to the break

2368

01:41:16,290 --> 01:41:14,070

and when we come back I want to get to

2369

01:41:19,589 --> 01:41:16,300

et writing

2370

01:41:22,379 --> 01:41:19,599

and your your research into that I think

2371

01:41:25,799 --> 01:41:22,389

it's fascinating but before we get there

2372

01:41:33,530 --> 01:41:25,809

one thing I was taken aback about was

2373

01:41:37,370 --> 01:41:33,540

the artistic license that any networks

2374

01:41:40,770 --> 01:41:37,380

and History Channel did with the gimbal

2375

01:41:43,290 --> 01:41:40,780

image where they changed it and altered

2376

01:41:46,350 --> 01:41:43,300

it to make it look like a UFO with the

2377

01:41:52,260 --> 01:41:46,360

dome on the top and I thought that was

2378

01:41:53,459 --> 01:41:52,270

pretty belligerent right did stuff like

2379

01:41:56,399 --> 01:41:53,469

that bother you

2380

01:41:59,399 --> 01:41:56,409

or is it okay for for that type of

2381

01:42:00,990 --> 01:41:59,409

artistic license to sell a program it

2382

01:42:03,000 --> 01:42:01,000

bothers me but there's nothing you can

2383

01:42:04,890 --> 01:42:03,010

do about it because it's TV I don't know

2384

01:42:07,379 --> 01:42:04,900

how much I really don't know how much

2385

01:42:09,629 --> 01:42:07,389

control t TSA has over the production

2386

01:42:11,370 --> 01:42:09,639

company I you know they might have a lot

2387

01:42:13,799 --> 01:42:11,380

they might not have any I really don't

2388

01:42:17,399 --> 01:42:13,809

know so it may not have been their

2389

01:42:19,319 --> 01:42:17,409

decision I really don't know I was in

2390

01:42:20,760 --> 01:42:19,329

that show one and they had me in to talk

2391

01:42:22,169 --> 01:42:20,770

about being it's like these people are

2392

01:42:25,229 --> 01:42:22,179

all intelligent so you better watch out

2393

01:42:26,729 --> 01:42:25,239

and all they said was afterwards like

2394

01:42:28,049 --> 01:42:26,739

yeah we know we're intelligence but

2395

01:42:29,910 --> 01:42:28,059

we're not doing that we're not pulling a

2396

01:42:32,609 --> 01:42:29,920

bennewitz we promise and that was the

2397

01:42:35,430 --> 01:42:32,619

end of it yeah if you're dealing with a

2398

01:42:37,950 --> 01:42:35,440

TV show you I know you've dealt with

2399

01:42:39,270 --> 01:42:37,960

them you can't say anything that can be

2400

01:42:40,799 --> 01:42:39,280

construed that's some other way because

2401

01:42:44,160 --> 01:42:40,809

it'll probably be construed that other

2402

01:42:45,899 --> 01:42:44,170

way and that's all TV is about as making

2403

01:42:47,580 --> 01:42:45,909

people believe things and and being

2404

01:42:49,859 --> 01:42:47,590

flashy and all that and they're gonna do

2405

01:42:53,490 --> 01:42:49,869

that and it sucks and I don't like it I

2406

01:42:55,680 --> 01:42:53,500

wish it wasn't done but it is and I know

2407

01:42:59,490 --> 01:42:55,690

why they do it yeah I know I know just

2408

01:43:01,530 --> 01:42:59,500

like I wanted your take on on Project

2409

01:43:03,330 --> 01:43:01,540

Blue Book too as well because I know

2410

01:43:05,760 --> 01:43:03,340

you're familiar with all of the cases

2411

01:43:08,520 --> 01:43:05,770

that were presented in the series and

2412

01:43:12,000 --> 01:43:08,530

they took artistic license to a whole

2413

01:43:14,580 --> 01:43:12,010

nother level to the point where it was

2414

01:43:16,620 --> 01:43:14,590

almost offensive but the audience that

2415

01:43:18,870 --> 01:43:16,630

doesn't know anything about Project Blue

2416

01:43:22,620 --> 01:43:18,880

Book or the cases specifically that are

2417

01:43:27,689 --> 01:43:22,630

discussed here they take it as being

2418

01:43:31,420 --> 01:43:27,699

factual and true again is is that okay

2419

01:43:35,150 --> 01:43:31,430

to do or is it just entertain

2420

01:43:41,180 --> 01:43:35,160

well I will answer that by in in a short

2421

01:43:44,240 --> 01:43:41,190

answer the people that make if TV made

2422

01:43:45,950 --> 01:43:44,250

UFO documentaries or dramatic series the

2423

01:43:51,710 --> 01:43:45,960

way that UFO people wanted the made

2424

01:43:53,840 --> 01:43:51,720

you'd never see them is that and that's

2425

01:43:55,310 --> 01:43:53,850

not that that's that sucks and it's

2426

01:43:58,340 --> 01:43:55,320

terrible but that's just the way it's

2427

01:44:00,020 --> 01:43:58,350

harsh reality is what it is yeah I don't

2428

01:44:01,820 --> 01:44:00,030

like it but you know if I had control

2429

01:44:03,140 --> 01:44:01,830

over it I might do it differently but

2430

01:44:04,640 --> 01:44:03,150

it's also collaborative and there's

2431

01:44:06,110 --> 01:44:04,650

somebody at the top they can just say no

2432

01:44:06,860 --> 01:44:06,120

you're doing it this way or you don't

2433

01:44:10,190 --> 01:44:06,870

get paid

2434

01:44:11,540 --> 01:44:10,200

yeah you know so it's it's not you know

2435

01:44:12,710 --> 01:44:11,550

just info or anything it's just like I

2436

01:44:14,930 --> 01:44:12,720

don't think the audience is gonna like

2437

01:44:16,760 --> 01:44:14,940

that thing but that's not what happened

2438

01:44:19,100 --> 01:44:16,770

no we need advertising dollars and

2439

01:44:21,260 --> 01:44:19,110

people need to keep watching and so

2440

01:44:21,950 --> 01:44:21,270

that's why they do those things and it's

2441

01:44:23,450 --> 01:44:21,960

terrible

2442

01:44:25,490 --> 01:44:23,460

and maybe this stuff shouldn't be

2443

01:44:26,840 --> 01:44:25,500

presented as entertainment there's got

2444

01:44:30,200 --> 01:44:26,850

to be a way to do it in an entertaining

2445

01:44:34,910 --> 01:44:30,210

way without twisting the truth my friend

2446

01:44:36,920 --> 01:44:34,920

Paul Kimball did one called the I think

2447

01:44:39,290 --> 01:44:36,930

it was called the 10 best UFO cases he

2448

01:44:41,240 --> 01:44:39,300

did a film about and he was not

2449

01:44:44,000 --> 01:44:41,250

sensationalizing it at all very good

2450

01:44:45,590 --> 01:44:44,010

documentary but most documentaries yeah

2451

01:44:48,080 --> 01:44:45,600

there's there's a lot of license taken

2452

01:44:49,550 --> 01:44:48,090

so because people figure they have to I

2453

01:44:51,530 --> 01:44:49,560

don't know why they figure that I know

2454

01:44:54,290 --> 01:44:51,540

they're probably right you know this is

2455

01:44:55,520 --> 01:44:54,300

this is what's really funny and I was

2456

01:44:57,140 --> 01:44:55,530

called best evidence that's the

2457

01:45:00,260 --> 01:44:57,150

neighbors yeah that's a that's a great

2458

01:45:02,840 --> 01:45:00,270

documentary is that when I was watching

2459

01:45:05,900 --> 01:45:02,850

and I watched the whole series project

2460

01:45:08,450 --> 01:45:05,910

Bluebook there was a part of me because

2461

01:45:11,450 --> 01:45:08,460

I knew too much right I'm just like

2462

01:45:13,220 --> 01:45:11,460

picking it apart and then another part

2463

01:45:14,660 --> 01:45:13,230

of me and I was getting angry it's like

2464

01:45:17,000 --> 01:45:14,670

how can they do this how can they that

2465

01:45:19,550 --> 01:45:17,010

there's another part that was just going

2466

01:45:23,630 --> 01:45:19,560

you know what this is friggin good TV

2467

01:45:26,780 --> 01:45:23,640

I'm actually digging this and I watched

2468

01:45:29,570 --> 01:45:26,790

every episode and I had to disconnect

2469

01:45:30,650 --> 01:45:29,580

myself if I disconnected myself it was

2470

01:45:34,790 --> 01:45:30,660

good entertainment

2471

01:45:37,860 --> 01:45:34,800

the only thing that I found

2472

01:45:38,310 --> 01:45:37,870

offensive was the intro and outro to the

2473

01:45:42,090 --> 01:45:38,320

show

2474

01:45:44,010 --> 01:45:42,100

you know the the case you are about to

2475

01:45:46,580 --> 01:45:44,020

have come straight from Project Blue

2476

01:45:49,050 --> 01:45:46,590

Book the you know and that this is all

2477

01:45:51,090 --> 01:45:49,060

factual and that's the part that's

2478

01:45:53,790 --> 01:45:51,100

misleading if they took out the front in

2479

01:45:56,040 --> 01:45:53,800

the end and just ran it as a TV show

2480

01:45:58,770 --> 01:45:56,050

then it's no harm no foul

2481

01:46:00,030 --> 01:45:58,780

in my opinion yeah yeah TV shows are

2482

01:46:01,530 --> 01:46:00,040

just to get people interested in the

2483

01:46:03,390 --> 01:46:01,540

subject and interested the thing it is

2484

01:46:05,790 --> 01:46:03,400

sell advertising dollars and if it gets

2485

01:46:08,100 --> 01:46:05,800

two or three you know sharp people in to

2486

01:46:09,390 --> 01:46:08,110

add to the conversation great somebody

2487

01:46:11,720 --> 01:46:09,400

that wasn't interested before eventually

2488

01:46:14,970 --> 01:46:11,730

they go oh that was BS I'm still

2489

01:46:16,470 --> 01:46:14,980

interested though but so it's it's

2490

01:46:18,000 --> 01:46:16,480

partly recruitment but also you know

2491

01:46:19,950 --> 01:46:18,010

it's just it's like watching the talk

2492

01:46:22,560 --> 01:46:19,960

show or you know a cartoon or something

2493

01:46:24,570 --> 01:46:22,570

it's just there to entertain this is why

2494

01:46:26,790 --> 01:46:24,580

Greg Bishop is on fade to black right

2495

01:46:27,959 --> 01:46:26,800

now what a great conversation Greg stay

2496

01:46:28,470 --> 01:46:27,969

right there we're gonna go do some

2497

01:46:31,050 --> 01:46:28,480

overtime

2498

01:46:33,330 --> 01:46:31,060

this is fade to black I am your host

2499

01:46:35,240 --> 01:46:33,340

Jimmy Church we'll be right back after

2500

01:46:48,020 --> 01:46:35,250

this short break stay with us

2501
01:46:52,820 --> 01:46:50,250
welcome back fade to black our guests I

2502
01:46:55,980 --> 01:46:52,830
Greg Bishop we're going into overtime I

2503
01:46:57,630 --> 01:46:55,990
wanted to I didn't get a chance to

2504
01:46:58,470 --> 01:46:57,640
mention this before the show that over

2505
01:47:04,050 --> 01:46:58,480
the weekend

2506
01:47:07,110 --> 01:47:04,060
Rita and I binge the Dark Crystal Age of

2507
01:47:11,040 --> 01:47:07,120
resistance it is out on Netflix it's a

2508
01:47:15,450 --> 01:47:11,050
10 part series it's like 10 movies ok

2509
01:47:18,990 --> 01:47:15,460
it's 10 movies a huge investment of your

2510
01:47:20,670 --> 01:47:19,000
binge-watching time but if you're a fan

2511
01:47:24,150 --> 01:47:20,680
of the original Dark Crystal

2512
01:47:24,990 --> 01:47:24,160
like I think we all are this is gonna

2513
01:47:26,580 --> 01:47:25,000

blow your mind

2514

01:47:29,520 --> 01:47:26,590

Greg have you checked it out yet have

2515

01:47:32,580 --> 01:47:29,530

you heard about this I've heard about it

2516

01:47:35,880 --> 01:47:32,590

but I don't I don't the last thing I

2517

01:47:38,670 --> 01:47:35,890

binge watch was wild country which is

2518

01:47:40,530 --> 01:47:38,680

mind-blowing yes

2519

01:47:42,060 --> 01:47:40,540

so yeah it's really hard to get me to

2520

01:47:44,850 --> 01:47:42,070

watch TV because I worked in

2521

01:47:50,600 --> 01:47:44,860

post-production for like 25 years and 95

2522

01:47:55,830 --> 01:47:53,280

plus I'm always like doing something I

2523

01:47:57,720 --> 01:47:55,840

figured like I should I'm sitting here

2524

01:47:59,040 --> 01:47:57,730

it's watching TV I should be producing I

2525

01:48:01,170 --> 01:47:59,050

should be producing something like my

2526
01:48:02,460 --> 01:48:01,180
show or writing something or whatever I

2527
01:48:04,710 --> 01:48:02,470
always feel like I should be doing

2528
01:48:06,390 --> 01:48:04,720
something besides sitting there so it's

2529
01:48:09,120 --> 01:48:06,400
hard to get me watching but I'll check

2530
01:48:11,190 --> 01:48:09,130
that one out yeah and you know the

2531
01:48:13,530 --> 01:48:11,200
original Dark Crystal right how great it

2532
01:48:16,740 --> 01:48:13,540
was and labyrinth too as well all that

2533
01:48:19,500 --> 01:48:16,750
early Jim Henson stuff was so good but

2534
01:48:25,310 --> 01:48:19,510
oh yeah it's a made this series all the

2535
01:48:30,480 --> 01:48:25,320
original designers the the painstakingly

2536
01:48:33,030 --> 01:48:30,490
produced but I'm I'm a because I do so

2537
01:48:35,850 --> 01:48:33,040
much radio and so much television and

2538
01:48:38,130 --> 01:48:35,860

I'm always in production that I need to

2539

01:48:41,100 --> 01:48:38,140

disconnect all right I have to stop

2540

01:48:43,590 --> 01:48:41,110

working and that's and this is well

2541

01:48:45,270 --> 01:48:43,600

worth it man I'm telling you you built

2542

01:48:47,250 --> 01:48:45,280

your train and it is dragging you along

2543

01:48:50,190 --> 01:48:47,260

you got to jump off every once in a

2544

01:48:50,580 --> 01:48:50,200

while it is it is crazy but it's so much

2545

01:48:53,940 --> 01:48:50,590

fun

2546

01:48:58,720 --> 01:48:53,950

I want to get into the alien writing

2547

01:49:01,660 --> 01:48:58,730

aspect of your research and the reason

2548

01:49:04,150 --> 01:49:01,670

I want to discuss this first off we

2549

01:49:07,510 --> 01:49:04,160

don't spend too much time talking about

2550

01:49:10,660 --> 01:49:07,520

this other than people's experiences

2551

01:49:13,150 --> 01:49:10,670

with it but the research side of it we

2552

01:49:14,680 --> 01:49:13,160

don't get a chance to dive into so I

2553

01:49:18,640 --> 01:49:14,690

want to do that now and there's another

2554

01:49:20,530 --> 01:49:18,650

part of this that I find fascinating and

2555

01:49:25,360 --> 01:49:20,540

that is whether you want to call a

2556

01:49:29,050 --> 01:49:25,370

channeling or telepathy or downloads or

2557

01:49:33,910 --> 01:49:29,060

what however you want to approach this

2558

01:49:36,100 --> 01:49:33,920

that there is a lot of similarities from

2559

01:49:37,870 --> 01:49:36,110

all around the globe across cultures

2560

01:49:39,700 --> 01:49:37,880

where somebody's getting information

2561

01:49:42,220 --> 01:49:39,710

from somewhere I don't know if there's

2562

01:49:45,100 --> 01:49:42,230

some crazy entanglement particle

2563

01:49:46,960 --> 01:49:45,110

entanglement I don't know how this

2564

01:49:50,350 --> 01:49:46,970

communication happens but it certainly

2565

01:49:53,260 --> 01:49:50,360

does and there's a lot of similarity to

2566

01:49:55,900 --> 01:49:53,270

it so I don't know if we want to call it

2567

01:50:01,720 --> 01:49:55,910

a phenomenon but it is it's it's

2568

01:50:04,180 --> 01:50:01,730

occurring isn't it yeah you know the

2569

01:50:05,860 --> 01:50:04,190

genesis of my interest and I'm not you

2570

01:50:08,140 --> 01:50:05,870

know I haven't written books on it I

2571

01:50:11,700 --> 01:50:08,150

haven't gone out and active like grabbed

2572

01:50:14,940 --> 01:50:11,710

people and collected this kind of stuff

2573

01:50:17,950 --> 01:50:14,950

but I'm interested in it and I wrote

2574

01:50:22,180 --> 01:50:17,960

basically a biography which appeared one

2575

01:50:25,300 --> 01:50:22,190

of the daily Grail dark dark dark lore I

2576

01:50:28,000 --> 01:50:25,310

think they're called collections a few

2577

01:50:30,040 --> 01:50:28,010

years ago was a biography of this guy

2578

01:50:31,480 --> 01:50:30,050

that I interviewed years ago I don't

2579

01:50:34,270 --> 01:50:31,490

know if you heard of his name was Mario

2580

01:50:37,990 --> 01:50:34,280

pot Cellini mm-hmm you have heard of him

2581

01:50:40,510 --> 01:50:38,000

yes yes he was a clinical psychology

2582

01:50:47,670 --> 01:50:40,520

died in 1999 he was a clinical

2583

01:50:53,800 --> 01:50:52,300

what was it called messages oh wow I

2584

01:50:55,840 --> 01:50:53,810

can't remember the name of the book as

2585

01:50:58,450 --> 01:50:55,850

symbolic messages right right right

2586

01:51:00,910 --> 01:50:58,460

right self-published book Bob Girard

2587

01:51:04,270 --> 01:51:00,920

from our tourists used to sell it our

2588

01:51:09,520 --> 01:51:04,280

tourist books but I saw an interview

2589

01:51:11,049 --> 01:51:09,530

with him in one of the anomalous

2590

01:51:12,970 --> 01:51:11,059

collections that used to come out

2591

01:51:16,510 --> 01:51:12,980

90s I think they may still be coming out

2592

01:51:18,580 --> 01:51:16,520

from Patrick weed and he interviewed

2593

01:51:21,310 --> 01:51:18,590

Mario I read this thing and I said wow

2594

01:51:23,890 --> 01:51:21,320

this guy's like he actively looks for

2595

01:51:25,979 --> 01:51:23,900

people that have had either been on UFOs

2596

01:51:29,890 --> 01:51:25,989

or said they have had an abduction

2597

01:51:33,129 --> 01:51:29,900

channeled otherwise received what they

2598

01:51:35,080 --> 01:51:33,139

say is written language from some other

2599

01:51:36,850 --> 01:51:35,090

thing that's not human being aliens or

2600

01:51:41,140 --> 01:51:36,860

angels or elves or whatever you want to

2601

01:51:43,479 --> 01:51:41,150

call it and he put them together in this

2602

01:51:45,490 --> 01:51:43,489

book I read the I read the interview and

2603

01:51:46,930 --> 01:51:45,500

I thought god that's fascinating I

2604

01:51:49,299 --> 01:51:46,940

wonder how I can get in touch with this

2605

01:51:53,589 --> 01:51:49,309

guy this is in the 90s and I barely had

2606

01:51:56,740 --> 01:51:53,599

internet right within a week a package

2607

01:51:59,700 --> 01:51:56,750

appeared in the Pele box for excluded

2608

01:52:02,080 --> 01:51:59,710

middle my magazine and it was from Mario

2609

01:52:06,609 --> 01:52:02,090

and he sent me a letter with his book

2610

01:52:08,680 --> 01:52:06,619

for free and said I liked your magazine

2611

01:52:10,330 --> 01:52:08,690

here's something I think you you I think

2612

01:52:13,089 --> 01:52:10,340

you know I I said I knew you needed to

2613

01:52:16,390 --> 01:52:13,099

see it that was what he said and he was

2614

01:52:18,370 --> 01:52:16,400

right I mean the guy was in practice as

2615

01:52:20,140 --> 01:52:18,380

a clinical psychologist he had trained

2616

01:52:23,140 --> 01:52:20,150

to be a physicist that then changed his

2617

01:52:27,250 --> 01:52:23,150

psychology and he was a really sharp guy

2618

01:52:31,120 --> 01:52:27,260

like scary scary smart guy he had helped

2619

01:52:34,569 --> 01:52:31,130

run the bad trip tent at at Woodstock

2620

01:52:36,879 --> 01:52:34,579

right so he'd been around for a while I

2621

01:52:40,959 --> 01:52:36,889

remember so all of this I remember all

2622

01:52:42,700 --> 01:52:40,969

of this continued yeah and at some point

2623

01:52:44,410 --> 01:52:42,710

in his life he decided you know what I'm

2624

01:52:46,120 --> 01:52:44,420

gonna start studying this and the reason

2625

01:52:48,729 --> 01:52:46,130

that you know I I thought it was because

2626
01:52:51,069 --> 01:52:48,739
he just decided to start studying so one

2627
01:52:52,450 --> 01:52:51,079
of the examples in the book was like

2628
01:52:53,799 --> 01:52:52,460
these little these things look like

2629
01:52:55,209 --> 01:52:53,809
tinker toys there were sticks with

2630
01:52:56,799 --> 01:52:55,219
circles but they just looked like a

2631
01:52:58,689 --> 01:52:56,809
bunch of sticks with circles on little

2632
01:53:01,000 --> 01:52:58,699
circles at the ends of them and what the

2633
01:53:03,760 --> 01:53:01,010
caption was angelic writing from child

2634
01:53:05,500 --> 01:53:03,770
aged four to five years I said well I

2635
01:53:07,029 --> 01:53:05,510
guess that's interesting he told me

2636
01:53:08,740 --> 01:53:07,039
after I'd known him for about a year and

2637
01:53:10,029 --> 01:53:08,750
a half after I got his trust that that

2638
01:53:13,180 --> 01:53:10,039

was his writing when he was four or five

2639

01:53:15,399 --> 01:53:13,190

years old so he had been channeling this

2640

01:53:16,810 --> 01:53:15,409

weird writing and his mother asked him

2641

01:53:18,879 --> 01:53:16,820

what it was and he says it was the

2642

01:53:20,430 --> 01:53:18,889

angels writing said the angels are

2643

01:53:22,720 --> 01:53:20,440

talking to be and this is how they write

2644

01:53:24,220 --> 01:53:22,730

and I asked him you know well how did

2645

01:53:24,850 --> 01:53:24,230

you get you know how did it appear he

2646

01:53:26,500 --> 01:53:24,860

goes I just started

2647

01:53:28,390 --> 01:53:26,510

writing it I didn't know where it came

2648

01:53:30,310 --> 01:53:28,400

from so I figured it was angels and they

2649

01:53:32,910 --> 01:53:30,320

were Catholic so that was the model that

2650

01:53:36,729 --> 01:53:32,920

he had his his mother was from Italy

2651
01:53:38,680 --> 01:53:36,739
pots of gleaning right but he had had

2652
01:53:40,240 --> 01:53:38,690
sightings of things growing up he's one

2653
01:53:42,520 --> 01:53:40,250
of those academics we're talking about

2654
01:53:43,959 --> 01:53:42,530
that it had weird stuff happened and he

2655
01:53:46,990 --> 01:53:43,969
was trying to figure out how you know

2656
01:53:49,479 --> 01:53:47,000
what it was and his inroad into this was

2657
01:53:53,229 --> 01:53:49,489
this writing that's the strange he

2658
01:53:56,109 --> 01:53:53,239
called them received scripts and so he

2659
01:53:57,879 --> 01:53:56,119
started you know talking people going

2660
01:54:00,160 --> 01:53:57,889
out actively seeking this he got a bunch

2661
01:54:03,129 --> 01:54:00,170
of stuff from Betty Andreasen there's a

2662
01:54:04,570 --> 01:54:03,139
bit advanced examples in his book from

2663
01:54:09,189 --> 01:54:04,580

the Andreasen affair which most people

2664

01:54:11,350 --> 01:54:09,199

listening probably know about he and

2665

01:54:14,200 --> 01:54:11,360

then he decided he tried to figure out

2666

01:54:15,820 --> 01:54:14,210

how does you know how does this compare

2667

01:54:18,729 --> 01:54:15,830

to regular types of writing earthly

2668

01:54:20,530 --> 01:54:18,739

types of writing because there are

2669

01:54:22,959 --> 01:54:20,540

there's three different kinds of writing

2670

01:54:26,140 --> 01:54:22,969

there's there's alphabetic like we have

2671

01:54:30,100 --> 01:54:26,150

video graphic which I believe is you

2672

01:54:31,720 --> 01:54:30,110

know like like Chinese or Japanese

2673

01:54:33,160 --> 01:54:31,730

something like that and there's

2674

01:54:37,689 --> 01:54:33,170

pictographic which is like you know

2675

01:54:39,790 --> 01:54:37,699

hieroglyphs and he said that the the

2676

01:54:42,910 --> 01:54:39,800

writing basically broke down into these

2677

01:54:44,379 --> 01:54:42,920

three main categories there were some

2678

01:54:46,840 --> 01:54:44,389

that weren't like that some of them like

2679

01:54:49,689 --> 01:54:46,850

look like geometric shapes with patterns

2680

01:54:51,310 --> 01:54:49,699

on them but I said well how do you tell

2681

01:54:53,200 --> 01:54:51,320

if it's real or not quote-unquote he

2682

01:54:54,609 --> 01:54:53,210

goes well the stuff that tends to be

2683

01:54:56,229 --> 01:54:54,619

made up and somebody knows they're

2684

01:54:58,810 --> 01:54:56,239

making up have a one-to-one relationship

2685

01:55:01,300 --> 01:54:58,820

with the means native speakers written

2686

01:55:03,459 --> 01:55:01,310

language like a is this symbol and B is

2687

01:55:04,689 --> 01:55:03,469

this symbol and C as a symbol but then

2688

01:55:07,930 --> 01:55:04,699

you get into things that make no sense

2689

01:55:09,310 --> 01:55:07,940

whatsoever he said I said well what give

2690

01:55:11,530 --> 01:55:09,320

me an example he said well Betty and

2691

01:55:14,379 --> 01:55:11,540

Reyes and stuff it looks like nothing

2692

01:55:15,820 --> 01:55:14,389

else I've ever seen and I said well what

2693

01:55:18,580 --> 01:55:15,830

do you make of it he goes I tried to I

2694

01:55:20,830 --> 01:55:18,590

tried to translate it once so well how

2695

01:55:23,229 --> 01:55:20,840

do you do that he says well like I kind

2696

01:55:26,200 --> 01:55:23,239

of put myself in a trance state and

2697

01:55:27,790 --> 01:55:26,210

asked what it should what it meant and

2698

01:55:29,200 --> 01:55:27,800

he said I got an answer back said well

2699

01:55:30,820 --> 01:55:29,210

what does it look like and he said well

2700

01:55:33,220 --> 01:55:30,830

sort of like how chemical symbols and

2701
01:55:35,859 --> 01:55:33,230
then whatever he was talking to you said

2702
01:55:37,450 --> 01:55:35,869
well try that and he tried it and he

2703
01:55:38,870 --> 01:55:37,460
said the only phrase used ever to get

2704
01:55:40,850 --> 01:55:38,880
out of it which i think is the coolest

2705
01:55:46,070 --> 01:55:40,860
thing ever was if you want to make light

2706
01:55:54,649 --> 01:55:46,080
solid show it to the moon what does that

2707
01:55:56,629 --> 01:55:54,659
mean no but it's really great so you

2708
01:55:58,669 --> 01:55:56,639
know these people that get these

2709
01:56:00,229 --> 01:55:58,679
received scripts it's it's their way of

2710
01:56:02,450 --> 01:56:00,239
dealing with whatever it is that's being

2711
01:56:04,370 --> 01:56:02,460
said to them and being communicated to

2712
01:56:06,379 --> 01:56:04,380
them and it's how they process their

2713
01:56:08,270 --> 01:56:06,389

experience and some of them they never

2714

01:56:10,220 --> 01:56:08,280

show it to anybody it's a secret and

2715

01:56:11,629 --> 01:56:10,230

they don't mind and other people maybe

2716

01:56:13,970 --> 01:56:11,639

share it with friends and some people

2717

01:56:18,020 --> 01:56:13,980

publish whole books there's one called

2718

01:56:20,979 --> 01:56:18,030

the language of ah Hui a UI by John wild

2719

01:56:23,780 --> 01:56:20,989

guard I think his name is that's a whole

2720

01:56:26,120 --> 01:56:23,790

received language it has no relationship

2721

01:56:29,870 --> 01:56:26,130

to you know a specific language at all I

2722

01:56:34,459 --> 01:56:29,880

believe but there's so many examples of

2723

01:56:36,500 --> 01:56:34,469

this and I you know I asked I've

2724

01:56:38,660 --> 01:56:36,510

actually asked Mario I was like well are

2725

01:56:40,850 --> 01:56:38,670

people making this up from somewhere in

2726
01:56:43,100 --> 01:56:40,860
their subconscious and he said I don't

2727
01:56:43,610 --> 01:56:43,110
think so in a lot of these cases well

2728
01:56:46,850 --> 01:56:43,620
why not

2729
01:56:49,790 --> 01:56:46,860
he said they get information there is no

2730
01:56:54,260 --> 01:56:49,800
way they should know about it and a lot

2731
01:56:57,530 --> 01:56:54,270
of my cases like scientific information

2732
01:56:59,240 --> 01:56:57,540
or musical notations or pieces of I

2733
01:57:01,100 --> 01:56:59,250
don't know languages they don't know

2734
01:57:02,840 --> 01:57:01,110
about that suddenly they can speak

2735
01:57:04,580 --> 01:57:02,850
things like that he says it a lot of

2736
01:57:06,020 --> 01:57:04,590
these you know is I think the true ones

2737
01:57:10,040 --> 01:57:06,030
one don't have a relationship to the

2738
01:57:11,750 --> 01:57:10,050

speaker's native language and two they

2739

01:57:13,910 --> 01:57:11,760

may have some information or truths in

2740

01:57:15,379 --> 01:57:13,920

there that the the speaker has no way of

2741

01:57:19,310 --> 01:57:15,389

knowing or it's not sophisticated enough

2742

01:57:20,959 --> 01:57:19,320

to know so that to me is fascinating I

2743

01:57:23,030 --> 01:57:20,969

mean I think it's an ongoing thing I

2744

01:57:25,040 --> 01:57:23,040

still every once in a while I will see

2745

01:57:30,470 --> 01:57:25,050

examples of what is called alien writing

2746

01:57:34,430 --> 01:57:30,480

and that it I I would like to look into

2747

01:57:36,500 --> 01:57:34,440

it more and talk to people but you talk

2748

01:57:38,209 --> 01:57:36,510

to anybody that has received alien or a

2749

01:57:39,709 --> 01:57:38,219

few people informally I've talked to

2750

01:57:41,090 --> 01:57:39,719

them about it and what they've told me

2751

01:57:42,530 --> 01:57:41,100

is just what I told you it's like look

2752

01:57:44,360 --> 01:57:42,540

it comes to me I don't know where it

2753

01:57:45,770 --> 01:57:44,370

comes from or some people say it comes

2754

01:57:47,590 --> 01:57:45,780

from these people in this galaxy and

2755

01:57:50,320 --> 01:57:47,600

this you know and they're very specific

2756

01:57:52,160 --> 01:57:50,330

have you been able to cross-reference

2757

01:57:59,360 --> 01:57:52,170

some of

2758

01:58:02,390 --> 01:57:59,370

the symbols specific symbols from not

2759

01:58:06,460 --> 01:58:02,400

only petroglyphs or even Egyptian or

2760

01:58:09,620 --> 01:58:06,470

other ancient texts but through

2761

01:58:12,410 --> 01:58:09,630

different experiences that have done

2762

01:58:15,710 --> 01:58:12,420

this and got back and cross-referenced

2763

01:58:18,260 --> 01:58:15,720

where there is no way that the exact

2764

01:58:22,280 --> 01:58:18,270

symbol could have been repeated not only

2765

01:58:25,700 --> 01:58:22,290

over time but over distances too as well

2766

01:58:29,450 --> 01:58:25,710

were you able to hit the the holy the

2767

01:58:31,960 --> 01:58:29,460

you know the the holy grail of cross

2768

01:58:35,780 --> 01:58:31,970

referencing something that shouldn't be

2769

01:58:37,820 --> 01:58:35,790

not really I'm sorry to say it all the

2770

01:58:40,280 --> 01:58:37,830

things that looked real to Mario and

2771

01:58:41,990 --> 01:58:40,290

that I've seen are things that don't

2772

01:58:44,030 --> 01:58:42,000

seem to have any reference to anything

2773

01:58:45,860 --> 01:58:44,040

else except just by you know maybe

2774

01:58:47,270 --> 01:58:45,870

chance where you know there's a couple

2775

01:58:48,890 --> 01:58:47,280

symbols that sort of look like higher

2776

01:58:52,130 --> 01:58:48,900

Attic Egyptian or something like that

2777

01:58:53,660 --> 01:58:52,140

right but you know that doesn't mean

2778

01:58:55,730 --> 01:58:53,670

anything it just means you know it's a

2779

01:58:58,400 --> 01:58:55,740

pattern that either they happened upon

2780

01:59:00,860 --> 01:58:58,410

just by accident or that's the way the

2781

01:59:02,330 --> 01:59:00,870

human mind works and that's you know and

2782

01:59:04,190 --> 01:59:02,340

it sees things in certain you know that

2783

01:59:07,580 --> 01:59:04,200

there's a whole theory about art and

2784

01:59:11,210 --> 01:59:07,590

ends and and symbology and all that has

2785

01:59:12,410 --> 01:59:11,220

to do with human perception and how it

2786

01:59:13,840 --> 01:59:12,420

perceives things and how it you know

2787

01:59:16,880 --> 01:59:13,850

artists deal with this all the time

2788

01:59:19,160 --> 01:59:16,890

there's a I know people that are

2789

01:59:21,560 --> 01:59:19,170

obsessed is what symbols are and how how

2790

01:59:23,590 --> 01:59:21,570

your subconscious and how your even down

2791

01:59:26,420 --> 01:59:23,600

here you know your culture and your DNA

2792

01:59:28,160 --> 01:59:26,430

comes up with that kind of symbol

2793

01:59:30,350 --> 01:59:28,170

I'm sorry can't be more specific than

2794

01:59:32,090 --> 01:59:30,360

that there's also a phenomenon called a

2795

01:59:34,040 --> 01:59:32,100

semuc writing which is a type which is a

2796

01:59:36,800 --> 01:59:34,050

type of artwork which are things that

2797

01:59:38,360 --> 01:59:36,810

look like writing but they aren't which

2798

01:59:39,710 --> 01:59:38,370

are also fascinating I mean they're just

2799

01:59:41,300 --> 01:59:39,720

beautiful and they're almost like you

2800

01:59:43,010 --> 01:59:41,310

know they're abstract art and they can

2801
01:59:45,140 --> 01:59:43,020
give you a certain sense or a feeling or

2802
01:59:47,090 --> 01:59:45,150
whatever and that just because of my

2803
01:59:49,910 --> 01:59:47,100
that alien writing back I'm really

2804
01:59:51,950 --> 01:59:49,920
interested in that s emic ASEM I see

2805
01:59:53,360 --> 01:59:51,960
there's a group for it on Facebook and

2806
01:59:59,360 --> 01:59:53,370
you'd find a bunch of it online

2807
02:00:01,580 --> 01:59:59,370
what about peniston's symbols that he

2808
02:00:06,020 --> 02:00:01,590
recounted that he saw you know at

2809
02:00:07,760 --> 02:00:06,030
Rendlesham i've never really looked real

2810
02:00:09,590 --> 02:00:07,770
the symbols but I've never really looked

2811
02:00:11,000 --> 02:00:09,600
closely I would be fascinated to know if

2812
02:00:12,740 --> 02:00:11,010
somebody has ever found out if there

2813
02:00:14,300 --> 02:00:12,750

does he claim that there's a wandering

2814

02:00:15,830 --> 02:00:14,310

relationship with English or does he

2815

02:00:17,330 --> 02:00:15,840

even know what they mean no there's a

2816

02:00:19,400 --> 02:00:17,340

lot of the people I've talked to in

2817

02:00:21,560 --> 02:00:19,410

mario talk to tell me look I know what

2818

02:00:24,980 --> 02:00:21,570

they mean and they make sense to me and

2819

02:00:27,530 --> 02:00:24,990

they and they they help me understand

2820

02:00:29,600 --> 02:00:27,540

what's being communicated to me but

2821

02:00:32,840 --> 02:00:29,610

they're not useful to other people

2822

02:00:35,750 --> 02:00:32,850

oh that's interesting they're very

2823

02:00:39,410 --> 02:00:35,760

personal not almost emotion like it's a

2824

02:00:40,880 --> 02:00:39,420

it's an emotion or it's a color or

2825

02:00:42,860 --> 02:00:40,890

something like that's like when I see

2826

02:00:45,170 --> 02:00:42,870

this I understand what whatever it is

2827

02:00:48,080 --> 02:00:45,180

the alien or the elf for the angel or

2828

02:00:51,140 --> 02:00:48,090

the whatever it is is trying to say to

2829

02:00:52,760 --> 02:00:51,150

me but it's just me if I show it to you

2830

02:00:58,070 --> 02:00:52,770

it makes no sense to you unless you know

2831

02:01:01,310 --> 02:00:58,080

that that alien elf or an angel or extra

2832

02:01:05,660 --> 02:01:01,320

human being thing well would I this is

2833

02:01:08,390 --> 02:01:05,670

what this is to my untrained eye but

2834

02:01:13,640 --> 02:01:08,400

when I was looking at some of the stuff

2835

02:01:16,490 --> 02:01:13,650

from Pat Cellini back then because a few

2836

02:01:18,620 --> 02:01:16,500

things happen at the same time one there

2837

02:01:20,420 --> 02:01:18,630

were some pretty interesting crop

2838

02:01:25,630 --> 02:01:20,430

circles that were popping up over in

2839

02:01:28,790 --> 02:01:25,640

England I was looking at his text

2840

02:01:32,090 --> 02:01:28,800

Jackson guitars came out with a guitar

2841

02:01:34,160 --> 02:01:32,100

at the time that had these symbols on

2842

02:01:40,900 --> 02:01:34,170

the neck of the guitar was called the

2843

02:01:44,600 --> 02:01:40,910

Roswell guitar and and I was seeing

2844

02:01:46,730 --> 02:01:44,610

North American petroglyphs I was seeing

2845

02:01:48,620 --> 02:01:46,740

the same stuff on this Roswell guitar I

2846

02:01:53,150 --> 02:01:48,630

was seeing the same stuff coming up in

2847

02:01:55,760 --> 02:01:53,160

England and it all was kind of gelling

2848

02:01:58,490 --> 02:01:55,770

at the same time and all I could say to

2849

02:02:02,420 --> 02:01:58,500

myself was there's a similarity here

2850

02:02:03,920 --> 02:02:02,430

people are getting downloads that I'm

2851

02:02:08,030 --> 02:02:03,930

not so sure if they're researching

2852

02:02:11,810 --> 02:02:08,040

petroglyphs in in the American West and

2853

02:02:14,420 --> 02:02:11,820

and recreating those in in fields in

2854

02:02:16,790 --> 02:02:14,430

England and then turn on located ones or

2855

02:02:17,760 --> 02:02:16,800

like simple ones like spirals you know

2856

02:02:22,320 --> 02:02:17,770

what I always

2857

02:02:25,860 --> 02:02:22,330

looked at it like I think you even just

2858

02:02:29,120 --> 02:02:25,870

said this Tinkertoys right where I was

2859

02:02:33,810 --> 02:02:29,130

you know you see the concentric circles

2860

02:02:36,090 --> 02:02:33,820

with the sticks coming out of it and and

2861

02:02:38,820 --> 02:02:36,100

then join together you know remember how

2862

02:02:42,360 --> 02:02:38,830

you could join tinker toys with a short

2863

02:02:46,500 --> 02:02:42,370

stick in between the two and and then

2864

02:02:48,720 --> 02:02:46,510

and you know it was like that but we

2865

02:02:50,370 --> 02:02:48,730

have to look at the ages of the

2866

02:02:53,490 --> 02:02:50,380

petroglyphs in the American Southwest

2867

02:02:56,700 --> 02:02:53,500

what were they seeing how is the

2868

02:02:59,070 --> 02:02:56,710

connection happening in in England with

2869

02:03:01,530 --> 02:02:59,080

these crop circles and then popping up

2870

02:03:05,670 --> 02:03:01,540

on the Roswell guitar neck I just

2871

02:03:09,060 --> 02:03:05,680

thought maybe it was a synchronicity for

2872

02:03:11,070 --> 02:03:09,070

you well could be but I was certainly

2873

02:03:14,280 --> 02:03:11,080

senior you're the connecting link there

2874

02:03:20,010 --> 02:03:14,290

yeah I would like yeah that would be

2875

02:03:25,500 --> 02:03:20,020

fascinating but the the the the

2876

02:03:27,900 --> 02:03:25,510

symbolism of its simplicity I think is

2877

02:03:31,350 --> 02:03:27,910

the right word right that I'm looking

2878

02:03:33,060 --> 02:03:31,360

for here but the synchronicity of all of

2879

02:03:36,090 --> 02:03:33,070

this happening at the same time I found

2880

02:03:37,620 --> 02:03:36,100

very very strange where is it was

2881

02:03:40,230 --> 02:03:37,630

something that was supposed to be very

2882

02:03:43,530 --> 02:03:40,240

significant to you personally I think

2883

02:03:46,500 --> 02:03:43,540

what you should do after the show

2884

02:03:49,680 --> 02:03:46,510

tonight look up the Roswell guitar from

2885

02:03:53,190 --> 02:03:49,690

Jackson let look at look at what's

2886

02:03:57,750 --> 02:03:53,200

what's on the neck go look at Paisley

2887

02:03:59,790 --> 02:03:57,760

knees symbols that are gellick writing

2888

02:04:02,640 --> 02:03:59,800

and write and and go and check that out

2889

02:04:04,800 --> 02:04:02,650

and see if it doesn't resonate that if

2890

02:04:06,720 --> 02:04:04,810

I'm not too far off the mark here yeah

2891

02:04:09,240 --> 02:04:06,730

I'd like to there's something called int

2892

02:04:10,800 --> 02:04:09,250

optic phenomena too is like patterns you

2893

02:04:12,330 --> 02:04:10,810

see when your eyes are closed or when

2894

02:04:15,960 --> 02:04:12,340

you press on your eyeballs or whatever

2895

02:04:18,270 --> 02:04:15,970

those show up also in petroglyphs

2896

02:04:20,820 --> 02:04:18,280

another thing that was pointed at Mario

2897

02:04:23,040 --> 02:04:20,830

told me this and other people have sort

2898

02:04:24,720 --> 02:04:23,050

of confirmed it is a lot of places where

2899

02:04:27,480 --> 02:04:24,730

petroglyphs show up have radioactivity

2900

02:04:28,500 --> 02:04:27,490

radioactive elements of the rocks you

2901

02:04:30,900 --> 02:04:28,510

know not enough that's going to hurt

2902

02:04:31,680 --> 02:04:30,910

anybody or anything like that but they

2903

02:04:35,580 --> 02:04:31,690

seem to think

2904

02:04:41,100 --> 02:04:35,590

connection with that too as Mario still

2905

02:04:43,680 --> 02:04:41,110

alive no he died of cancer in 1999 1999

2906

02:04:45,450 --> 02:04:43,690

I just got there I'd only known him for

2907

02:04:47,910 --> 02:04:45,460

like four or five years we saw each

2908

02:04:49,410 --> 02:04:47,920

other at Roswell in 97 and we hung out

2909

02:04:51,360 --> 02:04:49,420

sigh there's only time I actually got to

2910

02:04:53,310 --> 02:04:51,370

hung out hang out and talk with him and

2911

02:04:55,770 --> 02:04:53,320

we went thrift store shopping as we were

2912

02:04:56,790 --> 02:04:55,780

bored with the with the lectures I said

2913

02:04:58,830 --> 02:04:56,800

Mario you want to go to any lecture she

2914

02:05:01,320 --> 02:04:58,840

said no he said do you want to go thrift

2915

02:05:03,030 --> 02:05:01,330

store shopping I think yeah so we went

2916

02:05:07,260 --> 02:05:03,040

and we've you know what a violet ray

2917

02:05:09,810 --> 02:05:07,270

machine is no it is a quack medical

2918

02:05:14,220 --> 02:05:09,820

device from the 19th teens 20s something

2919

02:05:17,310 --> 02:05:14,230

like that that was basically a a glass

2920

02:05:18,840 --> 02:05:17,320

tube that you could apply had a little

2921

02:05:21,660 --> 02:05:18,850

wand you could attach it to and it would

2922

02:05:23,070 --> 02:05:21,670

apply power electricity to it and what

2923

02:05:24,420 --> 02:05:23,080

there was I think I can't remember what

2924

02:05:26,580 --> 02:05:24,430

kind of gas in it but it was good it

2925

02:05:27,960 --> 02:05:26,590

would glow purple violet you're supposed

2926

02:05:29,910 --> 02:05:27,970

to run it over your arms and stuff

2927

02:05:31,560 --> 02:05:29,920

anyway we're walking through a thrift

2928

02:05:33,000 --> 02:05:31,570

store in Roswell and he points at the

2929

02:05:35,970 --> 02:05:33,010

floor and says oh a violet ray machine

2930

02:05:37,800 --> 02:05:35,980

and it's a it's a it's an old wooden box

2931

02:05:39,330 --> 02:05:37,810

with leather wrap down around it it's

2932

02:05:41,970 --> 02:05:39,340

like oh you don't know what that is

2933

02:05:43,740 --> 02:05:41,980

Marya does I collect them it's like well

2934

02:05:46,470 --> 02:05:43,750

luckily because he already had one so I

2935

02:05:48,750 --> 02:05:46,480

bought it I still have it doesn't does

2936

02:05:51,780 --> 02:05:48,760

it work yeah it works it makes a very

2937

02:05:53,400 --> 02:05:51,790

funny bar and when you run it over your

2938

02:05:55,830 --> 02:05:53,410

skin it gives you tiny little electric

2939

02:05:57,420 --> 02:05:55,840

shocks and it glows purple you're

2940

02:05:59,220 --> 02:05:57,430

supposed to like you know stimulate hair

2941

02:06:04,590 --> 02:05:59,230

growth and get your blood flowing and

2942

02:06:07,290 --> 02:06:04,600

all that your arms gonna fall off well

2943

02:06:10,860 --> 02:06:07,300

with all of your research and I want to

2944

02:06:12,750 --> 02:06:10,870

thank you for an absolutely mind

2945

02:06:14,670 --> 02:06:12,760

expanding conversation tonight I

2946

02:06:17,520 --> 02:06:14,680

expected it but I want to thank you for

2947

02:06:20,610 --> 02:06:17,530

that but if you were as if you're a

2948

02:06:26,040 --> 02:06:20,620

betting man Gregg and you had the one

2949

02:06:28,110 --> 02:06:26,050

case that that you were sure about right

2950

02:06:32,130 --> 02:06:28,120

you're in court and you're gonna present

2951

02:06:35,220 --> 02:06:32,140

the evidence of the one case the one UFO

2952

02:06:40,260 --> 02:06:35,230

situation what case is that

2953

02:06:42,210 --> 02:06:40,270

I really don't know I have favorites

2954

02:06:45,540 --> 02:06:42,220

probably my favorite it's been four

2955

02:06:48,920 --> 02:06:45,550

years you can see it on my my avatar is

2956

02:06:51,000 --> 02:06:48,930

goula yeah that's that's a strong one I

2957

02:06:54,770 --> 02:06:51,010

always thought it was a strong one no

2958

02:07:00,540 --> 02:06:57,810

Cal I mean Calvin Parker still alive if

2959

02:07:02,490 --> 02:07:00,550

you had him on no we almost had him on

2960

02:07:05,190 --> 02:07:02,500

last year we went back and forth and we

2961

02:07:09,300 --> 02:07:05,200

just couldn't work out okay but it's

2962

02:07:12,450 --> 02:07:09,310

I'll wrote a book co-wrote it with a I

2963

02:07:14,340 --> 02:07:12,460

think I named Mendes I believe anyway he

2964

02:07:16,080 --> 02:07:14,350

wrote a book about his experiences and

2965

02:07:17,970 --> 02:07:16,090

he was a repeater he had other stuff

2966

02:07:19,920 --> 02:07:17,980

happened to him which you know used to

2967

02:07:22,290 --> 02:07:19,930

be a NASA months ago he's making it up

2968

02:07:25,020 --> 02:07:22,300

but I think it strengthens his case and

2969

02:07:27,990 --> 02:07:25,030

one of the cases was they saw like a

2970

02:07:30,420 --> 02:07:28,000

giant glowing saucer-shaped thing with

2971

02:07:34,140 --> 02:07:30,430

lights hanging over a highway and rural

2972

02:07:39,210 --> 02:07:34,150

I think it is Louisiana his whole family

2973

02:07:40,860 --> 02:07:39,220

like six people in the car and that that

2974

02:07:42,390 --> 02:07:40,870

to me is fascinating which makes the

2975

02:07:44,010 --> 02:07:42,400

case even more rich for me and then I

2976

02:07:45,180 --> 02:07:44,020

guess recently they've had people to

2977

02:07:46,830 --> 02:07:45,190

come forward and said they saw other

2978

02:07:49,890 --> 02:07:46,840

stuff either in the same area at the

2979

02:07:54,120 --> 02:07:49,900

same time or whatever as as Hickson and

2980

02:07:57,960 --> 02:07:54,130

Parker did at Pascagoula yeah I'm with

2981

02:08:00,930 --> 02:07:57,970

you on that when that case broke I was I

2982

02:08:04,770 --> 02:08:00,940

was very young but it made the headlines

2983

02:08:06,510 --> 02:08:04,780

and it was it was front-page news

2984

02:08:09,600 --> 02:08:06,520

everybody was talking about it all

2985

02:08:13,020 --> 02:08:09,610

around the country and at that age where

2986

02:08:15,480 --> 02:08:13,030

I was so into the UFO subject it is

2987

02:08:20,730 --> 02:08:15,490

something that has stuck with me over

2988

02:08:23,700 --> 02:08:20,740

the years and yeah and Calvin I hold him

2989

02:08:25,470 --> 02:08:23,710

up there right next to Travis Walton and

2990

02:08:29,310 --> 02:08:25,480

I think you know that both of those

2991

02:08:33,060 --> 02:08:29,320

cases are very very very very strong

2992

02:08:35,610 --> 02:08:33,070

Calvin's case is is about as fascinating

2993

02:08:37,710 --> 02:08:35,620

as as it gets I'm with you on that I'm

2994

02:08:41,250 --> 02:08:37,720

with you on that yeah and maybe Socorro

2995

02:08:43,950 --> 02:08:41,260

too you know what that's it you're right

2996

02:08:50,370 --> 02:08:43,960

you and I think right along the same

2997

02:08:53,640 --> 02:08:50,380

path I think Socorro Zamora I think is

2998

02:08:56,400 --> 02:08:53,650

one of the more how do I want to say

2999

02:08:58,770 --> 02:08:56,410

this because of his law enforcement

3000

02:09:01,500 --> 02:08:58,780

background and who

3001

02:09:04,800 --> 02:09:01,510

is recollection and the facts of the

3002

02:09:08,460 --> 02:09:04,810

case and how he is able to to present it

3003

02:09:11,010 --> 02:09:08,470

from that mindset is something that we

3004

02:09:13,410 --> 02:09:11,020

need to honestly seriously take a look

3005

02:09:15,300 --> 02:09:13,420

at and there were multiple witnesses and

3006

02:09:17,640 --> 02:09:15,310

that means to a family saw it floating

3007

02:09:20,850 --> 02:09:17,650

over the highway yep and you're talking

3008

02:09:22,560 --> 02:09:20,860

about at the gas station yeah yeah the

3009

02:09:25,650 --> 02:09:22,570

gas station part of it and then you have

3010

02:09:29,010 --> 02:09:25,660

the J Allen Hynek aspect to the case too

3011

02:09:30,060 --> 02:09:29,020

as well yeah fan race Stanford who went

3012

02:09:31,680 --> 02:09:30,070

out there and wrote a whole book about

3013

02:09:33,030 --> 02:09:31,690

it he was there before the air force no

3014

02:09:36,270 --> 02:09:33,040

he was right after the air force but

3015

02:09:38,040 --> 02:09:36,280

before or right out I can't remember

3016

02:09:39,300 --> 02:09:38,050

Minh tennety got out there before him

3017

02:09:41,520 --> 02:09:39,310

but he got out there before Hynek

3018

02:09:45,440 --> 02:09:41,530

actually by like a day there's a couple

3019

02:09:49,440 --> 02:09:45,450

of photographs and I think ray took one

3020

02:09:52,950 --> 02:09:49,450

and you can see in the background what

3021

02:09:54,930 --> 02:09:52,960

what looks like and it's way off in the

3022

02:09:57,870 --> 02:09:54,940

distance but it looks like an egg shaped

3023

02:09:59,460 --> 02:09:57,880

craft with legs coming off of it yeah

3024

02:10:00,360 --> 02:09:59,470

I've seen that image okay I don't know

3025

02:10:02,370 --> 02:10:00,370

what to make of it it's kind of

3026

02:10:04,020 --> 02:10:02,380

fascinating and it's like I said did it

3027

02:10:06,330 --> 02:10:04,030

and I was thinking to show up in other

3028

02:10:07,710 --> 02:10:06,340

pictures but I think that's a no I think

3029

02:10:08,910 --> 02:10:07,720

he has multiple pictures and that's the

3030

02:10:10,950 --> 02:10:08,920

only one that that kind of stuff shows

3031

02:10:13,710 --> 02:10:10,960

up in which is it on the film

3032

02:10:15,600 --> 02:10:13,720

sorry dirt on the film yeah or whatever

3033

02:10:16,680 --> 02:10:15,610

but it's it's kind of fascinating I

3034

02:10:18,600 --> 02:10:16,690

don't know what to make of it you know

3035

02:10:20,670 --> 02:10:18,610

you start thinking like things like ted

3036

02:10:22,740 --> 02:10:20,680

serios and and doing this stuff we're

3037

02:10:25,470 --> 02:10:22,750

putting you know images on film just by

3038

02:10:28,340 --> 02:10:25,480

thinking about it so who knows so what's

3039

02:10:32,390 --> 02:10:28,350

next for you are you heading to Phoenix

3040

02:10:34,590 --> 02:10:32,400

yeah I'm gonna go to actually go to a

3041

02:10:38,010 --> 02:10:34,600

UFO Congress yeah because I've got

3042

02:10:39,330 --> 02:10:38,020

friends speaking there and it's it's

3043

02:10:41,190 --> 02:10:39,340

just always good to get together with

3044

02:10:43,530 --> 02:10:41,200

people and talk and might might some

3045

02:10:45,300 --> 02:10:43,540

I've got friends from all over the

3046

02:10:46,890 --> 02:10:45,310

belief spectrum and I like it that way

3047

02:10:51,410 --> 02:10:46,900

some of my friends don't even like each

3048

02:10:54,840 --> 02:10:51,420

other and that's wonderful aren't you

3049

02:10:58,430 --> 02:10:54,850

presenting there this year no no no I

3050

02:11:01,020 --> 02:10:58,440

don't have the last thing I spoke at was

3051
02:11:04,370 --> 02:11:01,030
Utah UFO fest and then there was a small

3052
02:11:07,410 --> 02:11:04,380
meeting out in Joshua Tree that I I

3053
02:11:10,410 --> 02:11:07,420
spoke at but there's nothing on the

3054
02:11:11,880 --> 02:11:10,420
horizon right now not yet I mean I've

3055
02:11:12,660 --> 02:11:11,890
got some I've got people that have

3056
02:11:15,300 --> 02:11:12,670
called me

3057
02:11:16,920 --> 02:11:15,310
it's nothing is settled yet so no I'm

3058
02:11:18,870 --> 02:11:16,930
not speaking this time I've spoken I

3059
02:11:20,790 --> 02:11:18,880
spoke at two UFO congress's when Bob

3060
02:11:24,180 --> 02:11:20,800
Brown was running them and one since

3061
02:11:26,820 --> 02:11:24,190
alejandro rojas has taken over thank you

3062
02:11:30,600 --> 02:11:26,830
so much Greg and your research is

3063
02:11:33,900 --> 02:11:30,610

phenomenal and how often do you release

3064

02:11:35,220 --> 02:11:33,910

a new podcast what I feel like if

3065

02:11:40,590 --> 02:11:35,230

there's one coming up in the next week

3066

02:11:42,840 --> 02:11:40,600

3067

02:11:45,000 --> 02:11:42,850

3068

02:11:49,650 --> 02:11:45,010

people talking about okay I talk about

3071

02:11:55,350 --> 02:11:54,040

whatever I want to on my show and I

3072

02:11:56,910 --> 02:11:55,360

don't really care if somebody's popular

3073

02:11:58,830 --> 02:11:56,920

or not I talked to them about what I

3074

02:12:01,800 --> 02:11:58,840

want to talk about with that person like

3075

02:12:03,660 --> 02:12:01,810
