43

00:03:00,759 --> 00:02:55,040

Twitter and email in front of me on

44

00:03:06,430 --> 00:03:00,769

45

00:03:09,490 --> 00:03:06,440

right at right at exactly at 7:00 you

46

00:03:13,119 --> 00:03:09,500

48

00:03:19,780 --> 00:03:16,459

spinning so I have I have no show notes

49

00:03:23,559 --> 00:03:19,790

Norway France Switzerland the

126  
00:07:30,140 --> 00:07:26,670  
Netherlands Yugoslavia Turkey Ethiopia

127  
00:07:32,060 --> 00:07:30,150  
Kenya Egypt Australia Japan Canada

128  
00:07:33,890 --> 00:07:32,070  
Mexico the Yucatan and Puerto Rico

129  
00:07:35,870 --> 00:07:33,900

couple of more countries to that list I

131  
00:07:40,070 --> 00:07:37,470  
would like to welcome back to fade to

132  
00:07:42,860 --> 00:07:40,080  
black Linda Moulton Howe land a good

133  
00:07:44,960 --> 00:07:42,870  
evening how are you hey Jimmy it is

134  
00:07:47,960 --> 00:07:44,970  
great to be back with you and a country

135  
00:07:51,410 --> 00:07:47,970  
I would love to add is Antarctica

136  
00:07:54,290 --> 00:07:51,420  
you know that's right I would really

137  
00:07:59,240 --> 00:07:54,300  
like to go there I would really like to

138  
00:08:03,890 --> 00:07:59,250

go to the Admiralty Mountains where just

139

00:08:06,430 --> 00:08:03,900

recently this huge head a half mile long

140

00:08:09,390 --> 00:08:06,440

has been apparently

141

00:08:11,249 --> 00:08:09,400

emerging out of melt

142

00:08:15,390 --> 00:08:11,259

and you and I were talking about this

143

00:08:18,779 --> 00:08:15,400

earlier tonight that I work with a US

144

00:08:21,659 --> 00:08:18,789

Navy captain who when I originally was

145

00:08:26,670 --> 00:08:21,669

sent those images and I sent them to him

146

00:08:30,570 --> 00:08:26,680

I always let him go through his analysis

147

00:08:33,540 --> 00:08:30,580

and it is to me something that is really

148

00:08:36,120 --> 00:08:33,550

more important and I when I wondered if

149

00:08:39,089 --> 00:08:36,130

you felt the same way that this should

150

00:08:42,810 --> 00:08:39,099

have been on the six o'clock news on the

151  
00:08:45,900 --> 00:08:42,820  
networks in addition to what was coming

152  
00:08:49,410 --> 00:08:45,910  
around the web because the Navy captain

153  
00:08:52,050 --> 00:08:49,420  
who took the Google map it is at

154  
00:08:57,930 --> 00:08:52,060  
earthfiles right now it's a report I did

155  
00:09:01,430 --> 00:08:57,940  
on August 30th he was able to rack back

156  
00:09:05,850 --> 00:09:01,440  
in time the Google Images and Google

157  
00:09:10,110 --> 00:09:05,860  
started in 2001 and he found three years

158  
00:09:12,990 --> 00:09:10,120  
later 2004 in the Admiralty peak where

159  
00:09:17,190 --> 00:09:13,000  
this big huge half mile long faces it

160  
00:09:22,079 --> 00:09:17,200  
was still there it was in the 2004

161  
00:09:23,960 --> 00:09:22,089  
Google aerial photograph and when when

162  
00:09:28,110 --> 00:09:23,970  
you have somebody who has an avian

163  
00:09:30,420 --> 00:09:28,120

analyst background and they then go and

164

00:09:33,300 --> 00:09:30,430

study the latitude and longitude and

165

00:09:37,370 --> 00:09:33,310

they go back through Google I'm here to

166

00:09:39,720 --> 00:09:37,380

tell you this is not something that is

167

00:09:42,390 --> 00:09:39,730

dismissible this is something that

168

00:09:46,460 --> 00:09:42,400

deserves the world's attention and I

169

00:09:50,510 --> 00:09:46,470

personally am surprised the CNN MSNBC

170

00:09:53,220 --> 00:09:50,520

ABC CBS and on and on haven't done a

171

00:09:55,019 --> 00:09:53,230

report about this what I find

172

00:09:57,780 --> 00:09:55,029

interesting about that is when you have

173

00:09:59,340 --> 00:09:57,790

the the bunkers and the skeptics surface

174

00:10:02,220 --> 00:09:59,350

and with a story like this of course

175

00:10:04,110 --> 00:10:02,230

they will and and want to say that it's

176

00:10:08,190 --> 00:10:04,120

our imagination and you know have fun

177

00:10:13,110 --> 00:10:08,200

with that I my response in this case in

178

00:10:15,300 --> 00:10:13,120

this particular case that is a face you

179

00:10:18,180 --> 00:10:15,310

don't have to squint your eyes you don't

180

00:10:20,910 --> 00:10:18,190

have to let your imagination go it's a

181

00:10:23,460 --> 00:10:20,920

it's a bleep and face Lynda on the side

182

00:10:26,730 --> 00:10:23,470

of that mountain and yeah and the

183

00:10:32,040 --> 00:10:26,740

one that was floated around that we

184

00:10:36,300 --> 00:10:32,050

began with was 2012 date and so it went

185

00:10:38,670 --> 00:10:36,310

back and at my article that is updated

186

00:10:41,100 --> 00:10:38,680

with audio and video the mountain-sized

187

00:10:46,320 --> 00:10:41,110

alien grayface discovered in Antarctica

188

00:10:50,460 --> 00:10:46,330

I go through that going back in time and

189

00:10:52,470 --> 00:10:50,470

showing how the Navy captain was able to

190

00:10:56,910 --> 00:10:52,480

take exactly the latitude and longitude

191

00:11:00,650 --> 00:10:56,920

that was originally released and it was

192

00:11:03,870 --> 00:11:00,660

an Instagram from UFO Scandinavia and

193

00:11:06,870 --> 00:11:03,880

they put it out saying take a look at

194

00:11:09,540 --> 00:11:06,880

this and give us your feedback and then

195

00:11:12,810 --> 00:11:09,550

the Navy captain that I have worked with

196

00:11:15,660 --> 00:11:12,820

for 10 years he took that latitude

197

00:11:19,680 --> 00:11:15,670

longitude and he went back in Google

198

00:11:25,410 --> 00:11:19,690

Earth and the years are very clear there

199

00:11:29,370 --> 00:11:25,420

is the September 28 2012 and then it

200

00:11:32,940 --> 00:11:29,380

goes there's two with September 28th and

201  
00:11:40,710 --> 00:11:32,950  
then it goes back so that you're going

202  
00:11:44,580 --> 00:11:40,720  
from 2012 back through the years to 2004

203  
00:11:47,460 --> 00:11:44,590  
and that's these numbers of photographs

204  
00:11:52,610 --> 00:11:47,470  
that the Navy captain was able to find

205  
00:11:55,800 --> 00:11:52,620  
that still have that impression of that

206  
00:12:01,980 --> 00:11:55,810  
I'm looking at it here at Earth files

207  
00:12:05,640 --> 00:12:01,990  
and the 2004 shot that it's the same

208  
00:12:08,550 --> 00:12:05,650  
face and you know there's let me ask you

209  
00:12:11,990 --> 00:12:08,560  
this you've been researching for so long

210  
00:12:15,260 --> 00:12:12,000  
when you see this and then you but

211  
00:12:18,900 --> 00:12:15,270  
everywhere you expect to find something

212  
00:12:23,130 --> 00:12:18,910  
anatomically like the ear there's a the

213  
00:12:25,760 --> 00:12:23,140

ear is there right the opening the the

214

00:12:28,410 --> 00:12:25,770

face is symmetrical it's not

215

00:12:32,640 --> 00:12:28,420

asymmetrical it is completely

216

00:12:35,940 --> 00:12:32,650

symmetrical that in a natural sense how

217

00:12:36,990 --> 00:12:35,950

much of that could be coincidence in

218

00:12:39,509 --> 00:12:37,000

your opinion

219

00:12:41,850 --> 00:12:39,519

well I don't think we're dealing with

220

00:12:44,850 --> 00:12:41,860

anything that is coincidence and neither

221

00:12:47,610 --> 00:12:44,860

does the Navy captain retired Navy

222

00:12:49,710 --> 00:12:47,620

captain because he did measurements you

223

00:12:52,920 --> 00:12:49,720

know how you can measure in Google Earth

224

00:12:57,929 --> 00:12:52,930

and he did measurements on the clear

225

00:13:02,819 --> 00:12:57,939

mouth the nose the left eye is totally

226

00:13:05,069 --> 00:13:02,829

open and and then you do anatomical

227

00:13:09,119 --> 00:13:05,079

ratios you can study what are some of

228

00:13:12,689 --> 00:13:09,129

the ratios on faces and these looks like

229

00:13:15,929 --> 00:13:12,699

an oriental type of face and the

230

00:13:19,530 --> 00:13:15,939

measurements were consistent with if you

231

00:13:22,769 --> 00:13:19,540

had facial designs for wear eyes and a

232

00:13:25,679 --> 00:13:22,779

human and nose and a mouth now the issue

233

00:13:29,009 --> 00:13:25,689

is is this supposed to be a half-mile

234

00:13:32,480 --> 00:13:29,019

and remember that it is not small this

235

00:13:34,800 --> 00:13:32,490

is a half mile from the bottom of the

236

00:13:37,129 --> 00:13:34,810

pointed chin to the bottom of the

237

00:13:40,829 --> 00:13:37,139

pointed head or top of the pointed head

238

00:13:43,679 --> 00:13:40,839

so it's a half mile carving we are

239

00:13:48,030 --> 00:13:43,689

getting into the issues of something

240

00:13:52,860 --> 00:13:48,040

like on the inside oneááá on Mars right

241

00:13:57,299 --> 00:13:52,870

that huge of two mile long plateau that

242

00:14:00,540 --> 00:13:57,309

I have seen that face on a highly

243

00:14:03,139 --> 00:14:00,550

sophisticated computer screen at the

244

00:14:06,059 --> 00:14:03,149

analytical sciences corporation back in

245

00:14:09,420 --> 00:14:06,069

1982 and that's when I first contacted

246

00:14:12,420 --> 00:14:09,430

dr. mark Carlotto who was there working

247

00:14:15,360 --> 00:14:12,430

north of Boston separating tanks from

248

00:14:17,519 --> 00:14:15,370

trees for the Pentagon and it is dr.

249

00:14:22,100 --> 00:14:17,529

mark Carlotta who took a great deal of

250

00:14:25,559 --> 00:14:22,110

interest in that Viking photo that NASA

251

00:14:27,990 --> 00:14:25,569

dismissed it as quote a trick of light

252

00:14:32,189 --> 00:14:28,000

and shadow close quote

253

00:14:35,189 --> 00:14:32,199

right but dr. mark Carlotto and several

254

00:14:37,619 --> 00:14:35,199

others back in the early 80s they

255

00:14:40,350 --> 00:14:37,629

disagreed and they did a tremendous

256

00:14:42,600 --> 00:14:40,360

amount of Investigation and Mark

257

00:14:43,740 --> 00:14:42,610

Carlotto and I talked on the phone and I

258

00:14:45,840 --> 00:14:43,750

told him I would like to do a

259

00:14:47,699 --> 00:14:45,850

documentary because I felt that we were

260

00:14:49,940 --> 00:14:47,709

really truly looking at monumental

261

00:14:52,660 --> 00:14:49,950

architecture on Mars and he

262

00:14:55,670 --> 00:14:52,670

greenie he said I'd like you to come to

263

00:14:58,880 --> 00:14:55,680

where I can show you in my office on a

264

00:15:03,500 --> 00:14:58,890

large screen that we use what this idiom

265

00:15:08,180 --> 00:15:03,510

the full impact of this image is and so

266

00:15:10,370 --> 00:15:08,190

I flew back to Boston rented a car went

267

00:15:12,140 --> 00:15:10,380

north to the analytical sciences

268

00:15:14,780 --> 00:15:12,150

corporation it was one of those

269

00:15:17,180 --> 00:15:14,790

situations where you a guard has to take

270

00:15:19,370 --> 00:15:17,190

you to the elevator and you have to have

271

00:15:21,200 --> 00:15:19,380

a guard that goes up and you have

272

00:15:24,260 --> 00:15:21,210

somebody who is a guard that gets out

273

00:15:28,880 --> 00:15:24,270

and you go into a bank of offices and

274

00:15:32,150 --> 00:15:28,890

each each this is hard for the the white

275

00:15:35,000 --> 00:15:32,160

world to comprehend in facilities

276

00:15:37,760 --> 00:15:35,010

serving the black world it is very

277

00:15:41,090 --> 00:15:37,770

common for there to be red or green

278

00:15:44,080 --> 00:15:41,100

turning lights outside of each office

279

00:15:47,570 --> 00:15:44,090

door which means it's compartmentalized

280

00:15:51,290 --> 00:15:47,580

that much and this was an office that

281

00:15:54,380 --> 00:15:51,300

had those lights outside of a bank of

282

00:15:57,890 --> 00:15:54,390

doors so I go to his office I'm allowed

283

00:16:00,830 --> 00:15:57,900

only to go with him into the lab where

284

00:16:04,250 --> 00:16:00,840

they had to clear off every scrap of

285

00:16:07,460 --> 00:16:04,260

paper everything in that room and he

286

00:16:11,180 --> 00:16:07,470

takes me in and he said it's a big

287

00:16:16,130 --> 00:16:11,190

screen this was 1982 and I was sitting

288

00:16:20,840 --> 00:16:16,140

in front of a I I would estimate two and

289

00:16:24,680 --> 00:16:20,850

a half feet 2 and 3/4 feet by 2 feet

290

00:16:27,170 --> 00:16:24,690

height which was big for me as a

291

00:16:32,000 --> 00:16:27,180

civilian coming from the white world to

292

00:16:35,720 --> 00:16:32,010

see a monitor like this and he said I'm

293

00:16:38,780 --> 00:16:35,730

going to activate it and he said you're

294

00:16:42,080 --> 00:16:38,790

going to see a white dot of light will

295

00:16:45,470 --> 00:16:42,090

move across the screen relatively

296

00:16:47,540 --> 00:16:45,480

rapidly and then the image will form he

297

00:16:50,690 --> 00:16:47,550

said I would just be really curious what

298

00:16:54,590 --> 00:16:50,700

your very first reaction is to the

299

00:17:00,350 --> 00:16:54,600

high-resolution image so the dot of

300

00:17:03,680 --> 00:17:00,360

light starts and I'm not I'm not having

301  
00:17:06,740 --> 00:17:03,690  
any expectation I've already seen

302  
00:17:12,050 --> 00:17:06,750  
one of the smaller photos by them that

303  
00:17:16,370 --> 00:17:12,060  
had been in the news but when the screen

304  
00:17:22,940 --> 00:17:16,380  
went from the moving god of light to the

305  
00:17:25,190 --> 00:17:22,950  
full face it was it was startling it

306  
00:17:28,520 --> 00:17:25,200  
actually had an impact that was

307  
00:17:30,500 --> 00:17:28,530  
startling and he asked me he said what

308  
00:17:32,950 --> 00:17:30,510  
is your reaction and I said immediately

309  
00:17:36,530 --> 00:17:32,960  
it looks like I'm looking at a frozen

310  
00:17:40,250 --> 00:17:36,540  
scream there was something about seeing

311  
00:17:42,590 --> 00:17:40,260  
this huge head that there was no

312  
00:17:45,710 --> 00:17:42,600  
illusion about it being a trick of light

313  
00:17:49,580 --> 00:17:45,720

and shadow and I'll tell you in a second

314

00:17:53,090 --> 00:17:49,590

but when I said that to him it it's like

315

00:17:54,800 --> 00:17:53,100

a frozen scream he his eyebrows I

316

00:17:56,690 --> 00:17:54,810

remember raised up he said well you're

317

00:18:00,830 --> 00:17:56,700

not the first person who said that to me

318

00:18:04,310 --> 00:18:00,840

and the reason frozen scream at that

319

00:18:07,160 --> 00:18:04,320

high resolution and and everything I'm

320

00:18:10,910 --> 00:18:07,170

saying think about the oriental face a

321

00:18:12,920 --> 00:18:10,920

half mile long in Antarctica if it were

322

00:18:17,690 --> 00:18:12,930

completely cleared of all the snow and

323

00:18:21,680 --> 00:18:17,700

ice that you would be seeing a huge very

324

00:18:27,640 --> 00:18:21,690

detailed head in this case I'm now back

325

00:18:31,790 --> 00:18:27,650

to Mars and on that screen you could see

326  
00:18:34,630 --> 00:18:31,800  
horizontal bands coming off of the head

327  
00:18:37,670 --> 00:18:34,640  
think of hot cheap suit time in Egypt

328  
00:18:41,420 --> 00:18:37,680  
when it was dark and black black and

329  
00:18:45,350 --> 00:18:41,430  
gold like stripes coming out across the

330  
00:18:47,840 --> 00:18:45,360  
forehead It was as if and and market

331  
00:18:51,350 --> 00:18:47,850  
didn't know I didn't know it they were

332  
00:18:54,950 --> 00:18:51,360  
thin lines that crossed in the middle of

333  
00:18:58,370 --> 00:18:54,960  
the forehead and we said is that holding

334  
00:19:01,550 --> 00:18:58,380  
on some sort of a headdress what are

335  
00:19:04,310 --> 00:19:01,560  
these lines crossing in the forehead

336  
00:19:07,330 --> 00:19:04,320  
that you don't see in the so-called NASA

337  
00:19:11,210 --> 00:19:07,340  
trick of light and shadow images at all

338  
00:19:14,990 --> 00:19:11,220

coming down to the eyes for people who

339

00:19:16,570 --> 00:19:15,000

are familiar they'd left side of the

340

00:19:21,159 --> 00:19:16,580

face on Mars there

341

00:19:24,070 --> 00:19:21,169

then some sort of a landfall a cave-in

342

00:19:24,639 --> 00:19:24,080

who knows what had happened but it

343

00:19:27,759 --> 00:19:24,649

didn't

344

00:19:30,370 --> 00:19:27,769

obliterate all of the features the right

345

00:19:33,880 --> 00:19:30,380

side of the face is very clear and you

346

00:19:37,049 --> 00:19:33,890

still can see a lot of the left side of

347

00:19:43,029 --> 00:19:37,059

the face but I'm going to the right side

348

00:19:47,830 --> 00:19:43,039

the eye you can see like an iris with a

349

00:19:50,470 --> 00:19:47,840

pupil in the middle eyelids and the nose

350

00:19:52,480 --> 00:19:50,480

came down and just like you were looking

351

00:19:56,019 --> 00:19:52,490

at a real nose that would go into

352

00:19:58,419 --> 00:19:56,029

nostrils there was nothing about it that

353

00:20:02,680 --> 00:19:58,429

was interpretive this was like clear

354

00:20:05,320 --> 00:20:02,690

sculpture and came down to lips and the

355

00:20:08,259 --> 00:20:05,330

lips were extremely clear and this is

356

00:20:10,720 --> 00:20:08,269

the part I have never forgotten because

357

00:20:13,720 --> 00:20:10,730

I remember turning him said my god mark

358

00:20:14,169 --> 00:20:13,730

those are teeth you said I know that's

359

00:20:18,129 --> 00:20:14,179

right

360

00:20:22,629 --> 00:20:18,139

and when I say that in the in the less

361

00:20:24,700 --> 00:20:22,639

high-res you don't see the lines the

362

00:20:26,320 --> 00:20:24,710

demarcations that we would see when you

363

00:20:31,990 --> 00:20:26,330

think of looking at a mouth that has

364

00:20:35,680 --> 00:20:32,000

peas this had teeth like separate teeth

365

00:20:39,700 --> 00:20:35,690

that you could see and the mouth was

366

00:20:41,649 --> 00:20:39,710

partially wide open and that was the

367

00:20:46,480 --> 00:20:41,659

part that gave the impression of

368

00:20:51,210 --> 00:20:46,490

something screaming now that's how clear

369

00:20:55,120 --> 00:20:51,220

the face on Mars in Cydonia is on a

370

00:20:57,639 --> 00:20:55,130

high-end high-resolution screen that the

371

00:21:01,450 --> 00:20:57,649

Pentagon hires companies to separate

372

00:21:06,070 --> 00:21:01,460

tanks from trees at satellite so now

373

00:21:10,600 --> 00:21:06,080

jump to this photo that just emerged in

374

00:21:13,210 --> 00:21:10,610

August and the the image that was first

375

00:21:16,389 --> 00:21:13,220

sent out was dated in the Google Earth

376

00:21:18,730 --> 00:21:16,399

of September 28 2012 and as we just

377

00:21:21,970 --> 00:21:18,740

talked the Navy captain could take it

378

00:21:26,110 --> 00:21:21,980

back in Google to 2004 that means that

379

00:21:30,190 --> 00:21:26,120

this same face was there and there was

380

00:21:32,260 --> 00:21:30,200

more ice and snow it looks like on it

381

00:21:34,780 --> 00:21:32,270

I think clearly anybody would have agree

382

00:21:38,190 --> 00:21:34,790

in the 2004 and what has been happening

383

00:21:43,300 --> 00:21:38,200

in Antarctica it things are melting and

384

00:21:46,720 --> 00:21:43,310

that this is perhaps a process that is

385

00:21:49,650 --> 00:21:46,730

now inevitable that whatever huge

386

00:21:53,470 --> 00:21:49,660

monolithic structures are there

387

00:21:55,780 --> 00:21:53,480

somewhere on the surface of Antarctica

388

00:21:58,810 --> 00:21:55,790

under the snow that they're going to

389

00:22:01,510 --> 00:21:58,820

start emerging and one of the

390

00:22:05,140 --> 00:22:01,520

interesting things is is how this may or

391

00:22:09,400 --> 00:22:05,150

may not tie - what Spartan won the Navy

392

00:22:13,330 --> 00:22:09,410

SEAL whistleblower has with his own eyes

393

00:22:18,790 --> 00:22:13,340

walk in these vast halls nine-acre rooms

394

00:22:22,180 --> 00:22:18,800

two miles down where it's it's structure

395

00:22:25,450 --> 00:22:22,190

that we're talking nothing interpretive

396

00:22:29,230 --> 00:22:25,460

we're talking huge gigantic structured

397

00:22:31,720 --> 00:22:29,240

hallways and what did he say he was told

398

00:22:35,830 --> 00:22:31,730

that all of it was made out of it was

399

00:22:39,670 --> 00:22:35,840

made out of black basalt jump to this

400

00:22:43,060 --> 00:22:39,680

photo here of the huge oriental type

401  
00:22:47,260 --> 00:22:43,070  
face or gray face or whatever you want

402  
00:22:50,920 --> 00:22:47,270  
to college it is a half mile long and at

403  
00:22:54,910 --> 00:22:50,930  
least in the photos when you go to the

404  
00:22:58,360 --> 00:22:54,920  
ice and the snow part you can see that

405  
00:23:02,200 --> 00:22:58,370  
it is black rock there's no question it

406  
00:23:04,660 --> 00:23:02,210  
is black rock now there's another puzzle

407  
00:23:09,340 --> 00:23:04,670  
about what Google did when you look at

408  
00:23:14,740 --> 00:23:09,350  
the 2012 image it is a golden pan or

409  
00:23:19,480 --> 00:23:14,750  
goldish of color yes and I asked captain

410  
00:23:22,690 --> 00:23:19,490  
would why would we go back through and

411  
00:23:26,200 --> 00:23:22,700  
down through all of these images that he

412  
00:23:27,880 --> 00:23:26,210  
went through why if you for example if

413  
00:23:31,660 --> 00:23:27,890

you go to earth files.com

414

00:23:35,400 --> 00:23:31,670

and you go into my earthfiles dot-com

415

00:23:39,340 --> 00:23:35,410

report which is entitled August 30th

416

00:23:42,450 --> 00:23:39,350

2019 that's only two weeks ago and this

417

00:23:44,050 --> 00:23:42,460

is mountain-sized alien grayface

418

00:23:48,220 --> 00:23:44,060

discovered in

419

00:23:53,530 --> 00:23:48,230

Antarctica and you scroll down through

420

00:23:56,650 --> 00:23:53,540

several of the images you come to this

421

00:24:01,360 --> 00:23:56,660

is a Google Earth map that has sections

422

00:24:04,630 --> 00:24:01,370

gold color overlay green overlay blue

423

00:24:10,180 --> 00:24:04,640

overlay white overlay and it even has

424

00:24:14,080 --> 00:24:10,190

some pink and why is this the truth was

425

00:24:16,780 --> 00:24:14,090

that captain would said that the only

426  
00:24:19,780 --> 00:24:16,790  
information that he could gather about

427  
00:24:22,810 --> 00:24:19,790  
why this one particular area that it

428  
00:24:25,780 --> 00:24:22,820  
contains this big head would have all of

429  
00:24:29,680 --> 00:24:25,790  
these colors they that Google would

430  
00:24:34,450 --> 00:24:29,690  
explain it as places where they have

431  
00:24:38,170 --> 00:24:34,460  
come in and done high resolutions but

432  
00:24:40,750 --> 00:24:38,180  
they don't explain exactly why all the

433  
00:24:44,410 --> 00:24:40,760  
different colors different at the same

434  
00:24:47,050 --> 00:24:44,420  
patch now when you look at this if

435  
00:24:51,010 --> 00:24:47,060  
you're looking at that face in snow and

436  
00:24:55,600 --> 00:24:51,020  
ice it's all white why did they choose

437  
00:24:59,530 --> 00:24:55,610  
the kind of goldish beige color for

438  
00:25:01,540 --> 00:24:59,540

where this faces you can't help but ask

439

00:25:06,310 --> 00:25:01,550

that question no I'm looking at it now

440

00:25:08,200 --> 00:25:06,320

and there's it's interesting how when

441

00:25:09,820 --> 00:25:08,210

you go back you have a set of images

442

00:25:12,310 --> 00:25:09,830

here I invite everybody head over to

443

00:25:14,470 --> 00:25:12,320

Earth files and and see how Linda has

444

00:25:17,470 --> 00:25:14,480

this laid out the research is excellent

445

00:25:21,250 --> 00:25:17,480

and when you look at going back to the

446

00:25:24,100 --> 00:25:21,260

2004 December 2004 image that's what you

447

00:25:27,610 --> 00:25:24,110

would expect it to be right the color

448

00:25:30,190 --> 00:25:27,620

wise and then you have a October 2009

449

00:25:32,110 --> 00:25:30,200

image I'm cool with that too

450

00:25:34,990 --> 00:25:32,120

it looks like snow and ice the colors

451  
00:25:38,770 --> 00:25:35,000  
but when you get to the 2009 image

452  
00:25:41,890 --> 00:25:38,780  
clearly it's identical that the features

453  
00:25:45,310 --> 00:25:41,900  
have not changed in ten years you know

454  
00:25:49,510 --> 00:25:45,320  
and and so you go to the 2010 image it

455  
00:25:54,850 --> 00:25:49,520  
is it it's it's exactly the way that it

456  
00:25:55,640 --> 00:25:54,860  
appears today which is apparently I

457  
00:25:59,180 --> 00:25:55,650  
don't understand

458  
00:26:02,750 --> 00:25:59,190  
right right yeah now I wanted to ask you

459  
00:26:05,840 --> 00:26:02,760  
let's go back to the we've got about

460  
00:26:08,299 --> 00:26:05,850  
five minutes here before the break the

461  
00:26:11,690 --> 00:26:08,309  
to the basalt comments because when you

462  
00:26:14,660 --> 00:26:11,700  
look at all of the openings here all of

463  
00:26:15,380 --> 00:26:14,670

the features the eyes the nostrils the

464

00:26:17,840 --> 00:26:15,390

ears

465

00:26:20,000 --> 00:26:17,850

certainly the mouth and icy teeth there

466

00:26:22,790 --> 00:26:20,010

too by the way in my opinion there

467

00:26:24,620 --> 00:26:22,800

definitely is a mouth with something

468

00:26:28,820 --> 00:26:24,630

there whether isn't whether it is

469

00:26:31,669 --> 00:26:28,830

depicted as gum tongue teeth it is as if

470

00:26:34,549 --> 00:26:31,679

a structure had been carved in the mouth

471

00:26:37,460 --> 00:26:34,559

as we would see teeth between lips it

472

00:26:39,140 --> 00:26:37,470

looks so is is there do you think that

473

00:26:43,280 --> 00:26:39,150

this is basalt as well

474

00:26:47,360 --> 00:26:43,290

a giant basalt face well I would love to

475

00:26:49,310 --> 00:26:47,370

know what this is made out of and but

476

00:26:53,930 --> 00:26:49,320

this is part of what I am actually

477

00:26:58,010 --> 00:26:53,940

working on now for updates the Admiralty

478

00:27:01,520 --> 00:26:58,020

Mountains what is the geophysics of the

479

00:27:06,190 --> 00:27:01,530

Admiralty Mountains I know that there

480

00:27:11,150 --> 00:27:06,200

are a lot of volcanoes in Antarctica and

481

00:27:15,650 --> 00:27:11,160

that's what basalt is black basalt comes

482

00:27:19,130 --> 00:27:15,660

from the lava of volcanoes so is it

483

00:27:22,190 --> 00:27:19,140

possible that this particular face on

484

00:27:24,590 --> 00:27:22,200

this particular peak that it was carved

485

00:27:26,960 --> 00:27:24,600

there because there was black basalt and

486

00:27:29,630 --> 00:27:26,970

right now tonight I don't have that

487

00:27:32,270 --> 00:27:29,640

specific answer but I'm trying to get

488

00:27:37,070 --> 00:27:32,280

the geophysics of the mountains worked

489

00:27:38,480 --> 00:27:37,080

out so that I can relate them in another

490

00:27:42,110 --> 00:27:38,490

report

491

00:27:46,790 --> 00:27:42,120

what is the Admiralty mountain history

492

00:27:50,510 --> 00:27:46,800

and then where exactly are all of the

493

00:27:53,990 --> 00:27:50,520

volcanoes that we know are in the

494

00:27:57,200 --> 00:27:54,000

landmass of Antarctica which is two

495

00:28:00,560 --> 00:27:57,210

miles up to three miles below the

496

00:28:04,310 --> 00:28:00,570

surface of the ice on Antarctica today

497

00:28:07,550 --> 00:28:04,320

and that those volcanoes have been a

498

00:28:09,379 --> 00:28:07,560

target of research just in the last year

499

00:28:11,719 --> 00:28:09,389

- because they are

500

00:28:16,129 --> 00:28:11,729

years to be evidence that some of the

501  
00:28:18,349 --> 00:28:16,139  
volcanoes may be hot and that could be

502  
00:28:21,949 --> 00:28:18,359  
contributing to the melting of the ice

503  
00:28:25,519 --> 00:28:21,959  
in Antarctica it's another question so

504  
00:28:28,430 --> 00:28:25,529  
you've got the ingredients that when

505  
00:28:30,769 --> 00:28:28,440  
Martin one says that he was told that

506  
00:28:32,899 --> 00:28:30,779  
all those black hallways and those black

507  
00:28:36,769 --> 00:28:32,909  
walls with the hieroglyphs and the

508  
00:28:39,799 --> 00:28:36,779  
symbols were black basalt that would

509  
00:28:44,209 --> 00:28:39,809  
have been a material you could find in

510  
00:28:48,079 --> 00:28:44,219  
Antarctica because 34 million years ago

511  
00:28:51,619 --> 00:28:48,089  
it was a roundish continent it is as

512  
00:28:54,109 --> 00:28:51,629  
wide as the United States sometimes

513  
00:28:59,509 --> 00:28:54,119

people forget that it's a huge continent

514

00:29:02,599 --> 00:28:59,519

and it had been originally in what is

515

00:29:05,959 --> 00:29:02,609

known as Pangaea that's when the land

516

00:29:09,799 --> 00:29:05,969

masses of this particular planet were

517

00:29:12,039 --> 00:29:09,809

together and Africa was sort of at the

518

00:29:14,899 --> 00:29:12,049

center and the others were around it and

519

00:29:18,259 --> 00:29:14,909

starting about a hundred and seventy 180

520

00:29:21,379 --> 00:29:18,269

million years ago whatever was the

521

00:29:23,539 --> 00:29:21,389

geophysical reason happening from inside

522

00:29:25,009 --> 00:29:23,549

the core of the earth expanding the

523

00:29:27,979 --> 00:29:25,019

earth whatever happened

524

00:29:31,430 --> 00:29:27,989

that's when Pangaea the big landmass

525

00:29:35,119 --> 00:29:31,440

began to break up and this roundish mass

526  
00:29:38,239 --> 00:29:35,129  
at what would be sort of in a computer

527  
00:29:41,389 --> 00:29:38,249  
simulation at the tip of the African

528  
00:29:44,869 --> 00:29:41,399  
continent that roundish Antarctica and

529  
00:29:48,829 --> 00:29:44,879  
other pieces of land Antarctica started

530  
00:29:53,329 --> 00:29:48,839  
going down down down down for a hundred

531  
00:29:56,629 --> 00:29:53,339  
million years at least to ending up in

532  
00:29:59,889 --> 00:29:56,639  
the South Pole and here is a fact based

533  
00:30:04,039 --> 00:29:59,899  
on the pollen examinations and other

534  
00:30:06,680 --> 00:30:04,049  
looking at stratified layers in certain

535  
00:30:10,819 --> 00:30:06,690  
parts of Antarctica they concluded that

536  
00:30:15,190 --> 00:30:10,829  
up until 34 million years ago it was hot

537  
00:30:18,769 --> 00:30:15,200  
in tropical and it was hot in tropical

538  
00:30:21,559 --> 00:30:18,779

for there's 80 90 million years

539

00:30:22,880 --> 00:30:21,569

depending upon where you start the

540

00:30:26,780 --> 00:30:22,890

separation of

541

00:30:29,420 --> 00:30:26,790

Pangea and it being tropical and then

542

00:30:33,350 --> 00:30:29,430

comes the mystery well what happened

543

00:30:36,260 --> 00:30:33,360

34 million years ago that it would

544

00:30:38,900 --> 00:30:36,270

suddenly start building up ice which is

545

00:30:42,110 --> 00:30:38,910

the consensus of geophysicist right

546

00:30:45,410 --> 00:30:42,120

nothing else was building up ice but

547

00:30:51,920 --> 00:30:45,420

Antarctica was building up ice and then

548

00:30:57,400 --> 00:30:51,930

by 33 million years ago the ice was in

549

00:31:01,820 --> 00:30:57,410

that mile to mild depth and never ever

550

00:31:05,690 --> 00:31:01,830

left that path in the last 32 million

551  
00:31:09,530 --> 00:31:05,700  
years of losing this deep deep deep ice

552  
00:31:12,680 --> 00:31:09,540  
except for a question mark 14 million

553  
00:31:14,480 --> 00:31:12,690  
years ago and at 14 million years ago

554  
00:31:16,970 --> 00:31:14,490  
there seems to be some evidence that

555  
00:31:20,570 --> 00:31:16,980  
something happened and there might have

556  
00:31:23,390 --> 00:31:20,580  
been a brief period where it began

557  
00:31:27,260 --> 00:31:23,400  
warming and things melting a bit and

558  
00:31:31,280 --> 00:31:27,270  
then it slammed right back to the two to

559  
00:31:33,770 --> 00:31:31,290  
three mile deep ice it is a very strange

560  
00:31:37,370 --> 00:31:33,780  
history the more you study it the

561  
00:31:41,890 --> 00:31:37,380  
weirder it becomes and now we're in a

562  
00:31:45,200 --> 00:31:41,900  
whole planet that is warming and that

563  
00:31:47,210 --> 00:31:45,210

we're getting measurements and getting

564

00:31:50,090 --> 00:31:47,220

news reports all the time about

565

00:31:54,740 --> 00:31:50,100

Greenland and Arctic and especially West

566

00:31:58,040 --> 00:31:54,750

Antarctica melting at increasingly rapid

567

00:32:01,910 --> 00:31:58,050

rate now if that is important to keep in

568

00:32:05,180 --> 00:32:01,920

mind that Western Antarctica that's like

569

00:32:08,540 --> 00:32:05,190

one environment Eastern Antarctica which

570

00:32:13,690 --> 00:32:08,550

is the biggest part of Antarctica it

571

00:32:17,990 --> 00:32:13,700

includes if you go down too well on maps

572

00:32:19,430 --> 00:32:18,000

you know how a straw or Antarctica from

573

00:32:22,640 --> 00:32:19,440

a certain point of view looks a bit like

574

00:32:26,360 --> 00:32:22,650

it has a elephant nose coming out yes

575

00:32:29,540 --> 00:32:26,370

yes and we're what we want to do

576

00:32:32,150 --> 00:32:29,550

whenever you see that elephant nose

577

00:32:36,470 --> 00:32:32,160

because people place Antarctica and

578

00:32:39,860 --> 00:32:36,480

every conceivable position in maps

579

00:32:43,340 --> 00:32:39,870

and the one that the military people I

580

00:32:47,450 --> 00:32:43,350

work with that they prefer the most is

581

00:32:49,790 --> 00:32:47,460

when McMurdo our base the US base is at

582

00:32:53,150 --> 00:32:49,800

the bottom of the map and that's where

583

00:32:56,960 --> 00:32:53,160

the Ross Sea is well if you are looking

584

00:33:02,990 --> 00:32:56,970

at Australia with Rossi and McMurdo our

585

00:33:05,480 --> 00:33:03,000

base at the bottom if you go your where

586

00:33:09,070 --> 00:33:05,490

your right hand would be from looking at

587

00:33:13,550 --> 00:33:09,080

McMurdo you are going into East

588

00:33:19,370 --> 00:33:13,560

## Antarctica and the Admiralty Mountains

589

00:33:23,840 --> 00:33:19,380

are about 460 miles from McMurdo that's

590

00:33:26,600 --> 00:33:23,850

where that huge oriental black faces if

591

00:33:30,950 --> 00:33:26,610

you continue with your right hand just

592

00:33:36,710 --> 00:33:30,960

sweeping around the bottom of Antarctica

593

00:33:41,720 --> 00:33:36,720

you come to Wilkes land Wilkes land has

594

00:33:45,080 --> 00:33:41,730

the greatest magnetic anomaly known to

595

00:33:51,580 --> 00:33:45,090

geophysicist on earth they call it the

596

00:33:55,820 --> 00:33:51,590

Wilkes land magnetic anomaly now this is

597

00:33:58,550 --> 00:33:55,830

fascinating because the we'll call it

598

00:34:03,020 --> 00:33:58,560

the public geophysics explanation is

599

00:34:07,990 --> 00:34:03,030

that it must be a metal rich magnetic

600

00:34:12,230 --> 00:34:08,000

metal rich asteroid that crashed into

601  
00:34:16,070 --> 00:34:12,240  
Antarctica several million years ago and

602  
00:34:17,630 --> 00:34:16,080  
that has to explain the Wilkes magnetic

603  
00:34:19,490 --> 00:34:17,640  
anomalies I got to take a break right

604  
00:34:21,320 --> 00:34:19,500  
here let me jump in I got to take a

605  
00:34:22,990 --> 00:34:21,330  
break our guest tonight Linda Moulton

606  
00:34:29,000 --> 00:34:23,000  
Howe we're talking about the face mm

607  
00:34:31,280 --> 00:34:29,010  
Antarctica we'll do that when we come

608  
00:34:32,240 --> 00:34:31,290  
back because it's Linda Moulton Howe I'm

609  
00:34:34,340 --> 00:34:32,250  
your host Jimmy church

610  
00:34:38,150 --> 00:34:34,350  
this is fade to black on the GameChanger

611  
00:34:39,890 --> 00:34:38,160  
network and kg RA the planet stay with

612  
00:34:53,800 --> 00:34:39,900  
us

613  
00:34:57,890 --> 00:34:56,210

welcome back fade to black I am your

614

00:35:00,080 --> 00:34:57,900

host Amy Church tonight Linda Moulton

615

00:35:01,850 --> 00:35:00,090

Howe is with this I want to remind

616

00:35:03,470 --> 00:35:01,860

everybody about the week we have coming

617

00:35:06,560 --> 00:35:03,480

up on fade to black tomorrow night

618

00:35:09,080 --> 00:35:06,570

Adam Apollo is here for the first time

619

00:35:12,620 --> 00:35:09,090

than the Wednesday night actor comedian

620

00:35:14,810 --> 00:35:12,630

researcher Rhys Darby it's gonna be a

621

00:35:16,820 --> 00:35:14,820

great week here on the show tonight it's

622

00:35:18,740 --> 00:35:16,830

London moment Linda you got a chance to

623

00:35:20,120 --> 00:35:18,750

hang out with reset contact in the

624

00:35:23,330 --> 00:35:20,130

desert that was pretty fun wasn't it

625

00:35:27,290 --> 00:35:23,340

yeah absolutely I love contact in the

626

00:35:30,590 --> 00:35:27,300

desert yeah you you did a recent podcast

627

00:35:34,100 --> 00:35:30,600

right yeah and yes I did and it was fun

628

00:35:36,380 --> 00:35:34,110

what do you make you know he's a very

629

00:35:38,930 --> 00:35:36,390

successful comedian and actor and all of

630

00:35:41,840 --> 00:35:38,940

that but his knowledge his knowledge is

631

00:35:47,300 --> 00:35:41,850

right there isn't it it was current

632

00:35:49,970 --> 00:35:47,310

sharp smart and sometimes we need comedy

633

00:35:53,300 --> 00:35:49,980

and the ability to laugh in order to

634

00:35:55,820 --> 00:35:53,310

keep going and we were talking all over

635

00:35:58,190 --> 00:35:55,830

the map on and he asks excellent

636

00:36:00,230 --> 00:35:58,200

questions I really really enjoyed that I

637

00:36:03,200 --> 00:36:00,240

hope they have him back again yeah he's

638

00:36:04,670 --> 00:36:03,210

he's really cool so we've got I got him

639

00:36:07,220 --> 00:36:04,680

for a full two and a half hours on

640

00:36:10,100 --> 00:36:07,230

Wednesday night so it's gonna be this is

641

00:36:11,840 --> 00:36:10,110

gonna be really cool that now just

642

00:36:13,730 --> 00:36:11,850

before the break just to finish out that

643

00:36:15,860 --> 00:36:13,740

round when I was talking about Wilkes

644

00:36:18,260 --> 00:36:15,870

land and the fact that the Wilkes land

645

00:36:21,860 --> 00:36:18,270

magnetic anomaly is the greatest one on

646

00:36:24,320 --> 00:36:21,870

the planet when I was doing the

647

00:36:26,720 --> 00:36:24,330

videotape was part of one in Spartan 2

648

00:36:31,970 --> 00:36:26,730

for my for whistleblower videos and

649

00:36:34,850 --> 00:36:31,980

Spartan one is a Navy SEAL commander was

650

00:36:42,140 --> 00:36:34,860

a lieutenant commander when he was there

651  
00:36:45,710 --> 00:36:42,150  
in 2004 in August 2003 sorry 2003 in

652  
00:36:48,020 --> 00:36:45,720  
August and he walked the big

653  
00:36:50,270 --> 00:36:48,030  
architecture he was there to extract a

654  
00:36:52,700 --> 00:36:50,280  
scientist who had been there for a long

655  
00:36:56,140 --> 00:36:52,710  
time trying to analyze the hieroglyphs

656  
00:36:58,940 --> 00:36:56,150  
and the symbols carved seven centimeters

657  
00:37:04,400 --> 00:36:58,950  
everything was carved seven centimeters

658  
00:37:06,880 --> 00:37:04,410  
into this hard black dark stone that

659  
00:37:10,819 --> 00:37:06,890  
that was a technological

660  
00:37:14,630 --> 00:37:10,829  
astounding and that was when Spartan won

661  
00:37:17,269 --> 00:37:14,640  
learned about the Wilkes land magnetic

662  
00:37:20,179 --> 00:37:17,279  
anomaly you can google it and I've done

663  
00:37:23,870 --> 00:37:20,189

work about it and it's in my videos and

664

00:37:27,410 --> 00:37:23,880

you will find that geophysicist will say

665

00:37:30,949 --> 00:37:27,420

that it is probably a metal rich

666

00:37:34,599 --> 00:37:30,959

meteorite that is magnetic what Martin

667

00:37:38,949 --> 00:37:34,609

one was told is that the Wilkes land

668

00:37:43,370 --> 00:37:38,959

magnetic anomaly is actually other

669

00:37:48,439 --> 00:37:43,380

intelligence technology deep under that

670

00:37:50,599 --> 00:37:48,449

ice so there is something that we can

671

00:37:54,919 --> 00:37:50,609

physically measure on the surface in

672

00:37:58,519 --> 00:37:54,929

terms of magnetic field but the white

673

00:38:02,679 --> 00:37:58,529

world explanation is that it is an

674

00:38:07,640 --> 00:38:02,689

asteroid the black world is that it is

675

00:38:10,029 --> 00:38:07,650

non-human technology the other part

676

00:38:14,929 --> 00:38:10,039

about this that I find so fascinating is

677

00:38:19,099 --> 00:38:14,939

the the face in on the side of the the

678

00:38:22,370 --> 00:38:19,109

mountain is 200 miles from the zoo

679

00:38:26,120 --> 00:38:22,380

Shelly station and 400 miles from

680

00:38:29,120 --> 00:38:26,130

McMurdo right they have the opportunity

681

00:38:31,699 --> 00:38:29,130

to go and explore there and I think that

682

00:38:35,150 --> 00:38:31,709

they already have I don't know if you've

683

00:38:39,799 --> 00:38:35,160

noticed I've gotten email or anything

684

00:38:43,609 --> 00:38:39,809

from any of your audience but when I

685

00:38:46,189 --> 00:38:43,619

presented this I got about a dozen or so

686

00:38:50,109 --> 00:38:46,199

emails from people that were searching

687

00:38:52,819 --> 00:38:50,119

the area around the face and they found

688

00:38:54,949 --> 00:38:52,829

multiple people sent me the same thing I

689

00:38:59,660 --> 00:38:54,959

had to go back and look it looks like a

690

00:39:02,959 --> 00:38:59,670

little white square certainly not

691

00:39:05,150 --> 00:39:02,969

natural like a little monolith off of

692

00:39:08,059 --> 00:39:05,160

the left side of the face out in the

693

00:39:12,109 --> 00:39:08,069

snow the snow's perfectly smooth and you

694

00:39:14,209 --> 00:39:12,119

have this that looks like some type of

695

00:39:17,660 --> 00:39:14,219

monitoring device or something that

696

00:39:19,009 --> 00:39:17,670

could be you know from McMurdo or Zoo

697

00:39:19,630 --> 00:39:19,019

Shelly and I think that they know that

698

00:39:24,550 --> 00:39:19,640

that face

699

00:39:28,120 --> 00:39:24,560

is there oh absolutely I'm sure and then

700

00:39:32,170 --> 00:39:28,130

they issued to me is is it because they

701

00:39:37,270 --> 00:39:32,180

can't control melt and that it is

702

00:39:39,460 --> 00:39:37,280

melting fast is that why the that if

703

00:39:42,400 --> 00:39:39,470

they could they would have taken a snow

704

00:39:44,700 --> 00:39:42,410

blower and kept it covered up and that

705

00:39:48,280 --> 00:39:44,710

we're now at a time on earth where

706

00:39:53,440 --> 00:39:48,290

melting ice is going to reveal more and

707

00:39:55,840 --> 00:39:53,450

more structures that to me is something

708

00:39:58,210 --> 00:39:55,850

that seems possible and that in this

709

00:40:00,790 --> 00:39:58,220

case this huge head

710

00:40:03,220 --> 00:40:00,800

somebody must have known that it was

711

00:40:07,600 --> 00:40:03,230

peeking through that ice and snow back

712

00:40:09,670 --> 00:40:07,610

in 2004 and that was 15 years ago it

713

00:40:11,620 --> 00:40:09,680

what do you make of I wanted to ask you

714

00:40:16,600 --> 00:40:11,630

this I'm looking at my collection of

715

00:40:21,010 --> 00:40:16,610

images here of it and it looks to me

716

00:40:23,440 --> 00:40:21,020

Linda that the eyebrows and the ridges

717

00:40:27,340 --> 00:40:23,450

for you know the skull the the ridges

718

00:40:29,980 --> 00:40:27,350

for your eyebrows are there and it's

719

00:40:34,570 --> 00:40:29,990

symmetrical on the left side and there

720

00:40:37,000 --> 00:40:34,580

is another eye they're identical and

721

00:40:39,490 --> 00:40:37,010

symmetrical to the right side of the

722

00:40:44,500 --> 00:40:39,500

face what do you make of that are those

723

00:40:48,880 --> 00:40:44,510

ridges identical well I think and so did

724

00:40:52,300 --> 00:40:48,890

the Navy captain they the face is a face

725

00:40:55,780 --> 00:40:52,310

because the features are balanced right

726

00:40:58,030 --> 00:40:55,790

I see two eyebrows I clearly see two

727

00:41:00,730 --> 00:40:58,040

eyebrows there and I see two ears I

728

00:41:04,840 --> 00:41:00,740

wanted to ask you one last question on

729

00:41:07,960 --> 00:41:04,850

this too it looks like on the left side

730

00:41:12,100 --> 00:41:07,970

of the nose looks like two entrances

731

00:41:14,130 --> 00:41:12,110

they're two doorways have you do you

732

00:41:18,460 --> 00:41:14,140

have any opinion on what we're seeing I

733

00:41:23,080 --> 00:41:18,470

have tried not to go into interpretation

734

00:41:26,170 --> 00:41:23,090

oh and and I talked with Mark Wood I

735

00:41:28,930 --> 00:41:26,180

said what about if if a group of us said

736

00:41:31,600 --> 00:41:28,940

let's go let's get some geophysicist and

737

00:41:33,100 --> 00:41:31,610

let's go down there would we be able to

738

00:41:38,890 --> 00:41:33,110

go to the abbe morality

739

00:41:42,640 --> 00:41:38,900

and explore and he said it's so tightly

740

00:41:44,080 --> 00:41:42,650

controlled that even the you know if you

741

00:41:47,350 --> 00:41:44,090

have a cruise that will go to the

742

00:41:50,640 --> 00:41:47,360

Antarctic it's all controlled and

743

00:41:53,440 --> 00:41:50,650

therefore we're in an ironic situation

744

00:41:57,150 --> 00:41:53,450

where there's this massive continent

745

00:41:59,590 --> 00:41:57,160

which is being increasingly linked to

746

00:42:02,800 --> 00:41:59,600

architecture deep under the ice

747

00:42:06,820 --> 00:42:02,810

a half-mile carved head in the Admiralty

748

00:42:12,630 --> 00:42:06,830

Mountains where the rest of us on the

749

00:42:16,660 --> 00:42:12,640

planet won't be allowed to go the

750

00:42:19,930 --> 00:42:16,670

McMurdo is 400 miles away and I would

751

00:42:21,400 --> 00:42:19,940

think that they have an airstrip there

752

00:42:24,190 --> 00:42:21,410

and that you would be able to at least

753

00:42:27,190 --> 00:42:24,200

fly over it but I don't know how you

754

00:42:29,080 --> 00:42:27,200

would arrange that but it's so close out

755

00:42:32,220 --> 00:42:29,090

of all of the bases that are there right

756

00:42:35,680 --> 00:42:32,230

you have two celli and you have McMurdo

757

00:42:38,470 --> 00:42:35,690

virtually in the backyard of this face

758

00:42:40,870 --> 00:42:38,480

and so it says to me like I said they

759

00:42:43,780 --> 00:42:40,880

know it's there would they allow us

760

00:42:46,540 --> 00:42:43,790

would they allow civilian access to it

761

00:42:50,200 --> 00:42:46,550

well that's that's what Mark and I

762

00:42:51,970 --> 00:42:50,210

talked about and I had a recording of

763

00:42:55,090 --> 00:42:51,980

him in my earthfiles YouTube broadcast

764

00:42:58,090 --> 00:42:55,100

that I do every Wednesday night and it

765

00:43:00,100 --> 00:42:58,100

was very interesting to hear him

766

00:43:02,950 --> 00:43:00,110

speaking as somebody who is familiar

767

00:43:05,560 --> 00:43:02,960

with military rules and knowing

768

00:43:08,920 --> 00:43:05,570

something about Antarctica and when I

769

00:43:10,630 --> 00:43:08,930

said it could we as Americans could we

770

00:43:13,120 --> 00:43:10,640

just say we're going to go to Antarctica

771

00:43:16,900 --> 00:43:13,130

we want to go see this face what would

772

00:43:18,790 --> 00:43:16,910

happen and he basically said you're not

773

00:43:22,330 --> 00:43:18,800

going to get there under the current

774

00:43:24,400 --> 00:43:22,340

rules and that is something that we all

775

00:43:27,730 --> 00:43:24,410

have to face that we are now on a world

776

00:43:31,450 --> 00:43:27,740

where even if there is archaeology that

777

00:43:33,730 --> 00:43:31,460

could go back 34 million years to the

778

00:43:36,780 --> 00:43:33,740

last time that Antarctica was free of

779

00:43:40,480 --> 00:43:36,790

ice and that it could be covering as

780

00:43:45,550 --> 00:43:40,490

Spartan one says those are 62 acres

781

00:43:46,790 --> 00:43:45,560

sites that he was in all carved and that

782

00:43:51,200 --> 00:43:46,800

each of the

783

00:43:53,870 --> 00:43:51,210

six of them 662 acre sites where he was

784

00:43:56,720 --> 00:43:53,880

and his understanding was that there

785

00:43:59,330 --> 00:43:56,730

were many more vast all of this two

786

00:44:01,130 --> 00:43:59,340

miles down now I would like to bring up

787

00:44:03,680 --> 00:44:01,140

something that I got a lot of emails

788

00:44:06,770 --> 00:44:03,690

from people saying God been in the Navy

789

00:44:08,780 --> 00:44:06,780

I've been military and I know there is

790

00:44:13,760 --> 00:44:08,790

no such thing as a sub that can go down

791

00:44:21,830 --> 00:44:13,770

two miles well I took some of those

792

00:44:25,550 --> 00:44:21,840

emails to a military source who is in

793

00:44:28,370 --> 00:44:25,560

the black world and I said and he's been

794

00:44:31,340 --> 00:44:28,380

to Antarctica and he's been where these

795

00:44:34,780 --> 00:44:31,350

other structures are where he knows that

796

00:44:39,710 --> 00:44:34,790

spar someone is telling the truth and

797

00:44:43,400 --> 00:44:39,720

but he's not on video or audio and the

798

00:44:47,090 --> 00:44:43,410

communication is not by phone or email

799

00:44:50,000 --> 00:44:47,100

or anything like that but I have been

800

00:44:51,980 --> 00:44:50,010

able to get reality checks with this

801  
00:44:54,160 --> 00:44:51,990  
source over the past three years and

802  
00:44:57,830 --> 00:44:54,170  
he's been absolutely correct about

803  
00:45:02,810 --> 00:44:57,840  
everything so I got to him there's a

804  
00:45:05,420 --> 00:45:02,820  
question that that some people have been

805  
00:45:07,370 --> 00:45:05,430  
emailing from engineers and military

806  
00:45:10,360 --> 00:45:07,380  
people who say it is impossible to

807  
00:45:13,510 --> 00:45:10,370  
submarine down two miles to access a

808  
00:45:18,490 --> 00:45:13,520  
submarine docking facility as described

809  
00:45:20,840 --> 00:45:18,500  
by Spartan one and others because the

810  
00:45:22,640 --> 00:45:20,850  
argument has been that we don't have

811  
00:45:26,080 --> 00:45:22,650  
materials to build subs that could

812  
00:45:31,790 --> 00:45:26,090  
sustain those pressures here is an

813  
00:45:35,260 --> 00:45:31,800

answer from a confidential naval

814

00:45:39,680 --> 00:45:35,270

military source who's been to Antarctica

815

00:45:44,320 --> 00:45:39,690

who has been at the was what they called

816

00:45:47,480 --> 00:45:44,330

the submarine docking facility quote I

817

00:45:49,400 --> 00:45:47,490

know that terahertz frequencies that

818

00:45:52,940 --> 00:45:49,410

comes up in the business magnesium zinc

819

00:45:55,100 --> 00:45:52,950

research that is allegedly of metal

820

00:45:58,460 --> 00:45:55,110

pulled off the bottom of wedge-shaped

821

00:45:59,810 --> 00:45:58,470

craft going back to the 40s that doctor

822

00:46:00,560 --> 00:45:59,820

helped put off and others have been

823

00:46:03,710 --> 00:46:00,570

trying to say

824

00:46:07,070 --> 00:46:03,720

for a long time terahertz frequencies

825

00:46:09,230 --> 00:46:07,080

come up in the John Burroughs case so

826

00:46:12,950 --> 00:46:09,240

this is coming from this military source

827

00:46:17,270 --> 00:46:12,960

terahertz frequencies can penetrate the

828

00:46:21,080 --> 00:46:17,280

Earth's crust about two miles down in

829

00:46:24,770 --> 00:46:21,090

the white world otherwise in the black

830

00:46:29,270 --> 00:46:24,780

world the depth is classified

831

00:46:33,650 --> 00:46:29,280

our current black sub fleet can easily

832

00:46:35,960 --> 00:46:33,660

reach well beyond two miles deep our

833

00:46:39,410 --> 00:46:35,970

ability to deep dive has been

834

00:46:41,930 --> 00:46:39,420

revolutionized by incredible science and

835

00:46:43,460 --> 00:46:41,940

when he says incredible science he means

836

00:46:47,720 --> 00:46:43,470

the back-engineering

837

00:46:49,670 --> 00:46:47,730

of other intelligence technology has

838

00:46:52,190 --> 00:46:49,680

been revolutionized by incredible

839

00:46:55,330 --> 00:46:52,200

science in the black world that includes

840

00:47:01,150 --> 00:46:55,340

materials applied in theoretical physics

841

00:47:04,670 --> 00:47:01,160

time travel portals cyborgs robotics

842

00:47:08,570 --> 00:47:04,680

computing and so on we can go to

843

00:47:11,990 --> 00:47:08,580

incredible classified depth for white

844

00:47:15,010 --> 00:47:12,000

world engineers and scientists their

845

00:47:18,740 --> 00:47:15,020

exposure to this knowledge is limited

846

00:47:23,030 --> 00:47:18,750

given the fact that all access is

847

00:47:25,100 --> 00:47:23,040

severely limited close quote what do we

848

00:47:30,110 --> 00:47:25,110

and I think that sums up our planet

849

00:47:32,810 --> 00:47:30,120

today yeah yeah yeah did the at that

850

00:47:35,360 --> 00:47:32,820

depth I think what they normally talk

851  
00:47:37,760 --> 00:47:35,370  
about and I'm talking about the United

852  
00:47:40,250 --> 00:47:37,770  
States Navy they always throw around the

853  
00:47:43,100 --> 00:47:40,260  
number 500 feet right that that's crush

854  
00:47:45,730 --> 00:47:43,110  
depth that's it our nuclear submarines

855  
00:47:48,650 --> 00:47:45,740  
that's as far as they go what we know

856  
00:47:51,350 --> 00:47:48,660  
that's right that's right well we know

857  
00:47:53,840 --> 00:47:51,360  
that but they they don't want anybody

858  
00:47:58,370 --> 00:47:53,850  
else to think that we can go past 500

859  
00:48:01,430 --> 00:47:58,380  
feet well you are just making another

860  
00:48:08,120 --> 00:48:01,440  
metaphor for all of us that we we are

861  
00:48:10,850 --> 00:48:08,130  
treated as a civilization of 5.7 billion

862  
00:48:14,440 --> 00:48:10,860  
Homo sapiens sapiens standing up

863  
00:48:17,290 --> 00:48:14,450

primates we are treated by

864

00:48:20,859 --> 00:48:17,300

so-called elite power brokers as if we

865

00:48:24,040 --> 00:48:20,869

are truly idiots and that being able to

866

00:48:28,839 --> 00:48:24,050

manipulate counterintelligence has field

867

00:48:32,609 --> 00:48:28,849

days that that we are treated as if we

868

00:48:36,910 --> 00:48:32,619

are so stupid that all of these strange

869

00:48:39,310 --> 00:48:36,920

bizarre things that are floated as no it

870

00:48:40,990 --> 00:48:39,320

this can't happen because this can't and

871

00:48:46,329 --> 00:48:41,000

so forth

872

00:48:49,870 --> 00:48:46,339

is a kind of an insult to and an abuse

873

00:48:53,640 --> 00:48:49,880

in a way of the general human family

874

00:48:57,900 --> 00:48:53,650

because it means that it isn't just

875

00:49:02,980 --> 00:48:57,910

racial divisions it isn't just religious

876

00:49:07,569 --> 00:49:02,990

divisions it isn't just money divisions

877

00:49:14,770 --> 00:49:07,579

on this planet it is a complete and

878

00:49:17,560 --> 00:49:14,780

total disdain an attitude of disdain by

879

00:49:20,309 --> 00:49:17,570

the power brokers whoever they are one

880

00:49:24,400 --> 00:49:20,319

half of one half of one percent a

881

00:49:27,069 --> 00:49:24,410

complete disdain for the rest of us so

882

00:49:29,740 --> 00:49:27,079

our fellow humans and I think that's why

883

00:49:32,920 --> 00:49:29,750

I work as hard as I do is that I

884

00:49:37,720 --> 00:49:32,930

actually really feel in my heart and my

885

00:49:42,250 --> 00:49:37,730

soul that we as a human family are on a

886

00:49:45,520 --> 00:49:42,260

planet that is not run for humans it is

887

00:49:48,250 --> 00:49:45,530

run for other purposes if it were run

888

00:49:51,280 --> 00:49:48,260

for humans they were not would not be

889

00:49:54,430 --> 00:49:51,290

millions of children that are starving

890

00:49:56,620 --> 00:49:54,440

tonight and the hundreds of thousands

891

00:49:58,809 --> 00:49:56,630

that are dying all the time there is

892

00:50:02,440 --> 00:49:58,819

something really wrong with this picture

893

00:50:04,420 --> 00:50:02,450

on earth don't they understand that we

894

00:50:07,270 --> 00:50:04,430

now have the ability to freely

895

00:50:12,400 --> 00:50:07,280

communicate all around the world and

896

00:50:15,010 --> 00:50:12,410

that we not only can share information

897

00:50:16,859 --> 00:50:15,020

but we can make friendships around the

898

00:50:19,569 --> 00:50:16,869

world where we can freely share

899

00:50:20,859 --> 00:50:19,579

information and images and video that

900

00:50:22,780 --> 00:50:20,869

they don't have the control of

901  
00:50:25,859 --> 00:50:22,790  
communication that they did in the past

902  
00:50:28,120 --> 00:50:25,869  
and their numbers going to get called

903  
00:50:30,310 --> 00:50:28,130  
that's that you know I underst

904  
00:50:31,570 --> 00:50:30,320  
and the disdain part but it's also going

905  
00:50:34,240 --> 00:50:31,580  
to spin out of control

906  
00:50:38,080 --> 00:50:34,250  
you remember though would you understand

907  
00:50:41,560 --> 00:50:38,090  
the disdain yeah you know how would you

908  
00:50:45,040 --> 00:50:41,570  
Jimmy jerk how do you define and

909  
00:50:48,280 --> 00:50:45,050  
understand disdain by the power brokers

910  
00:50:51,880 --> 00:50:48,290  
to all the rest of the human family why

911  
00:50:54,700 --> 00:50:51,890  
is there such disdain because I have

912  
00:50:58,470 --> 00:50:54,710  
found out like so many others the big

913  
00:51:01,540 --> 00:50:58,480

lie and the big lie Linda to me is that

914

00:51:04,390 --> 00:51:01,550

nothing that we are told is the truth

915

00:51:07,870 --> 00:51:04,400

everything is sent through a filter and

916

00:51:11,380 --> 00:51:07,880

all you have to do is take the time

917

00:51:13,960 --> 00:51:11,390

to dig into any story any fact any piece

918

00:51:17,530 --> 00:51:13,970

of history any of it and just find out

919

00:51:20,200 --> 00:51:17,540

that we've been misled and that that is

920

00:51:25,750 --> 00:51:20,210

that is disdained that it is a total

921

00:51:29,500 --> 00:51:25,760

lack of gut and compassion is the wrong

922

00:51:31,570 --> 00:51:29,510

word of Kings are there fodder that's

923

00:51:34,930 --> 00:51:31,580

right that's right and that's that's how

924

00:51:37,750 --> 00:51:34,940

I feel and I think we're all waking up

925

00:51:39,760 --> 00:51:37,760

to that now because we have you know not

926

00:51:42,010 --> 00:51:39,770

only people like you but we have

927

00:51:44,620 --> 00:51:42,020

information resources now like never

928

00:51:47,560 --> 00:51:44,630

before 20 years ago they could still

929

00:51:50,920 --> 00:51:47,570

control it they can't do that today you

930

00:51:53,560 --> 00:51:50,930

know yet and yet we know that Google

931

00:51:56,050 --> 00:51:53,570

takes marching orders from the CIA it's

932

00:52:00,340 --> 00:51:56,060

been printed about that they they have

933

00:52:04,080 --> 00:52:00,350

they made deals I and so the whole

934

00:52:07,930 --> 00:52:04,090

internet the whole digital world 5g

935

00:52:12,520 --> 00:52:07,940

coming upon us so fast and they say that

936

00:52:14,200 --> 00:52:12,530

the the sweetheart sex appeal of 5g that

937

00:52:15,880 --> 00:52:14,210

they've tried to push is that we're

938

00:52:18,600 --> 00:52:15,890

going to be able to download to our

939

00:52:23,020 --> 00:52:18,610

movies in two seconds or something

940

00:52:25,660 --> 00:52:23,030

meanwhile there is great dispute there's

941

00:52:28,810 --> 00:52:25,670

nothing settled that I know about the

942

00:52:32,830 --> 00:52:28,820

impact that the 5g frequency is going to

943

00:52:35,500 --> 00:52:32,840

have on earth life for a matter of fact

944

00:52:38,910 --> 00:52:35,510

it's my understanding that in some

945

00:52:42,070 --> 00:52:38,920

places where 5g has been operating trees

946

00:52:46,690 --> 00:52:42,080

for X number of yards tree

947

00:52:49,570 --> 00:52:46,700

have died where the 5g is but but here

948

00:52:51,310 --> 00:52:49,580

that makes the back to this point that

949

00:52:54,010 --> 00:52:51,320

we're on a planet in which it's not

950

00:52:58,330 --> 00:52:54,020

being run at all for our health and for

951  
00:53:02,770 --> 00:52:58,340  
us is if 5g were dangerous

952  
00:53:08,010 --> 00:53:02,780  
there is a corporate or power broker

953  
00:53:11,740 --> 00:53:08,020  
mindset that 5g must now be installed

954  
00:53:14,620 --> 00:53:11,750  
and come hell or high water and it

955  
00:53:17,950 --> 00:53:14,630  
doesn't matter what the data says about

956  
00:53:21,150 --> 00:53:17,960  
its impact on earth life that is what I

957  
00:53:24,820 --> 00:53:21,160  
mean about we're on a planet now and

958  
00:53:28,030 --> 00:53:24,830  
we're being decisions and laws and

959  
00:53:32,710 --> 00:53:28,040  
motion of money and power are being

960  
00:53:35,380 --> 00:53:32,720  
moved for the 1/2 of 1/2 of 1% and not

961  
00:53:40,270 --> 00:53:35,390  
for all the rest of the billions of us I

962  
00:53:43,240 --> 00:53:40,280  
haven't seen any medical studies on 5g

963  
00:53:44,830 --> 00:53:43,250

it's like they bypassed all of it we

964

00:53:47,440 --> 00:53:44,840

don't need to do that we're just going

965

00:53:49,750 --> 00:53:47,450

to play physicist they will tell you

966

00:53:52,410 --> 00:53:49,760

there can be a big danger that's right

967

00:53:56,110 --> 00:53:52,420

and I have heard something else that

968

00:53:59,700 --> 00:53:56,120

where 5g towers have been installed like

969

00:54:03,040 --> 00:53:59,710

no butterflies no bees no action

970

00:54:06,160 --> 00:54:03,050

yeah like the note the trees died right

971

00:54:09,190 --> 00:54:06,170

so what what is going to happen and why

972

00:54:11,620 --> 00:54:09,200

is it how is it that we have reached

973

00:54:14,020 --> 00:54:11,630

this point at the beginning as well bees

974

00:54:17,650 --> 00:54:14,030

they I started to say the beginning of

975

00:54:23,220 --> 00:54:17,660

the 20s but let's say the middle of the

976  
00:54:28,120 --> 00:54:23,230  
21st century that we as a human family

977  
00:54:31,750 --> 00:54:28,130  
have lost all impact on all of the big

978  
00:54:35,080 --> 00:54:31,760  
forces that are running the earth you

979  
00:54:37,600 --> 00:54:35,090  
know I used to write now 98% I read it

980  
00:54:40,600 --> 00:54:37,610  
today in the New York Times ninety-eight

981  
00:54:42,280 --> 00:54:40,610  
percent of something like that I'm

982  
00:54:46,840 --> 00:54:42,290  
pretty sure it was it was a huge number

983  
00:54:51,310 --> 00:54:46,850  
of Americans want to have background

984  
00:54:54,060 --> 00:54:51,320  
checks increased on weapons and yet

985  
00:54:55,960 --> 00:54:54,070  
nothing happens in the so-called

986  
00:54:59,830 --> 00:54:55,970  
representative government

987  
00:55:02,650 --> 00:54:59,840  
I I remember and I know that you do I

988  
00:55:05,980 --> 00:55:02,660

remember growing up butterflies were

989

00:55:09,280 --> 00:55:05,990

everywhere good okay butterfly today

990

00:55:13,990 --> 00:55:09,290

Linda if I see one monarch I jump up and

991

00:55:16,450 --> 00:55:14,000

down in excitement it's it's bizarre to

992

00:55:18,970 --> 00:55:16,460

me it's like where did everything go

993

00:55:23,290 --> 00:55:18,980

where did all the bees go where did all

994

00:55:26,530 --> 00:55:23,300

of this of this natural existence that

995

00:55:29,290 --> 00:55:26,540

will where did it all go oh and it was

996

00:55:32,470 --> 00:55:29,300

the huge foot was they estimated half a

997

00:55:35,080 --> 00:55:32,480

billion bees I died where they had

998

00:55:38,950 --> 00:55:35,090

turned on 5g towers that's right I had

999

00:55:43,590 --> 00:55:38,960

just read that yeah and and so it's as

1000

00:55:46,620 --> 00:55:43,600

if something is getting priorities on a

1001

00:55:49,780 --> 00:55:46,630

certain kind of superstructure of

1002

00:55:52,930 --> 00:55:49,790

Technology on this planet that is

1003

00:55:56,290 --> 00:55:52,940

completely the priority is completely

1004

00:56:00,760 --> 00:55:56,300

disconnected from the impact on earth

1005

00:56:04,930 --> 00:56:00,770

life what is happening in Brazil now the

1006

00:56:06,760 --> 00:56:04,940

Amazon is and always has been since

1007

00:56:09,610 --> 00:56:06,770

humans have understood the way the earth

1008

00:56:12,330 --> 00:56:09,620

works that has been the lungs of the

1009

00:56:16,990 --> 00:56:12,340

earth and that was not an idle phrase

1010

00:56:19,200 --> 00:56:17,000

they oxygen coming from the Amazon

1011

00:56:22,570 --> 00:56:19,210

I believe it something like provides

1012

00:56:25,870 --> 00:56:22,580

20-25 percent of the oxygen for earth

1013

00:56:30,670 --> 00:56:25,880

life to breathe that one place if you

1014

00:56:32,650 --> 00:56:30,680

take out the Amazon rainforest I'm not

1015

00:56:36,370 --> 00:56:32,660

really sure what the consequences would

1016

00:56:38,530 --> 00:56:36,380

be on the atmosphere balance of oxygen

1017

00:56:43,270 --> 00:56:38,540

and nitrogen and carbon dioxide and

1018

00:56:47,490 --> 00:56:43,280

stuff that we breathe when does the take

1019

00:56:50,410 --> 00:56:47,500

down of nature like the Amazon and

1020

00:56:52,840 --> 00:56:50,420

Brazil and then there is another one in

1021

00:56:55,600 --> 00:56:52,850

Africa that is called the second lungs

1022

00:56:59,260 --> 00:56:55,610

it's burning this year as well

1023

00:57:02,620 --> 00:56:59,270

if those two lungs of the earth were

1024

00:57:06,310 --> 00:57:02,630

completely decimated what would happen

1025

00:57:09,610 --> 00:57:06,320

to the atmospheric balance of gases on

1026

00:57:11,320 --> 00:57:09,620

the earth and these now the the

1027

00:57:15,970 --> 00:57:11,330

that these questions are being raised

1028

00:57:20,890 --> 00:57:15,980

means that the forces at work are so

1029

00:57:25,050 --> 00:57:20,900

huge and having planetary impact that we

1030

00:57:28,030 --> 00:57:25,060

humans individually and as a collective

1031

00:57:31,330 --> 00:57:28,040

we are even what it's like we're not

1032

00:57:34,780 --> 00:57:31,340

even being considered the balance of

1033

00:57:38,460 --> 00:57:34,790

when you look at the the the circulation

1034

00:57:41,290 --> 00:57:38,470

of air around the around the world where

1035

00:57:46,150 --> 00:57:41,300

everything goes in balance off of the

1036

00:57:48,610 --> 00:57:46,160

Sahara from Africa up into the

1037

00:57:51,670 --> 00:57:48,620

atmosphere down into the ocean feeding

1038

00:57:54,460 --> 00:57:51,680

the algae across the Atlantic back out

1039

00:57:57,160 --> 00:57:54,470

of the water into Brazil into the

1040

00:57:59,320 --> 00:57:57,170

rainforest and what that creates not

1041

00:58:01,110 --> 00:57:59,330

only oxygen but other things that go

1042

00:58:04,120 --> 00:58:01,120

into the atmosphere

1043

00:58:07,510 --> 00:58:04,130

lots of action going on back into the

1044

00:58:15,400 --> 00:58:07,520

ocean and back out you take away any of

1045

00:58:18,370 --> 00:58:15,410

that and the chain breaks we go now in

1046

00:58:22,300 --> 00:58:18,380

the past I believe it's the past 15

1047

00:58:24,330 --> 00:58:22,310

years 15 to 20 but growth the warming

1048

00:58:27,850 --> 00:58:24,340

the global warming temperature

1049

00:58:32,290 --> 00:58:27,860

approximately 95% of the heat has been

1050

00:58:35,860 --> 00:58:32,300

absorbed by the oceans to date when does

1051

00:58:38,740 --> 00:58:35,870

a certain saturation hit there and then

1052

00:58:40,360 --> 00:58:38,750

there would be an acceleration in warmth

1053

00:58:42,820 --> 00:58:40,370

meaning the oceans have helped us

1054

00:58:45,520 --> 00:58:42,830

they've helped us tremendously because

1055

00:58:48,250 --> 00:58:45,530

they've been absorbing a lot of the heat

1056

00:58:50,800 --> 00:58:48,260

that has been being accelerated by the

1057

00:58:56,050 --> 00:58:50,810

blanket of co2 and methane that's been

1058

00:58:59,440 --> 00:58:56,060

building up and and now there are real

1059

00:59:02,800 --> 00:58:59,450

studies about what happens going forward

1060

00:59:05,710 --> 00:59:02,810

to the rest of the century because how

1061

00:59:08,500 --> 00:59:05,720

much more can the oceans absorb from the

1062

00:59:10,330 --> 00:59:08,510

of the heat yeah at one point we got to

1063

00:59:11,860 --> 00:59:10,340

take a break right here and when we come

1064

00:59:14,740 --> 00:59:11,870

back we're gonna talk about cattle

1065

00:59:16,330 --> 00:59:14,750

mutilations but yeah but this is this is

1066

00:59:18,550 --> 00:59:16,340

the thing at one point

1067

00:59:21,880 --> 00:59:18,560

Linda we all know it mother earth is

1068

00:59:23,430 --> 00:59:21,890

gonna burp right it's gonna hit it it's

1069

00:59:25,620 --> 00:59:23,440

not going to take much

1070

00:59:28,349 --> 00:59:25,630

to tip and when it happens it's going to

1071

00:59:30,960 --> 00:59:28,359

be nothing but bad news we need to fix

1072

00:59:33,359 --> 00:59:30,970

it now that's all we just need to fix it

1073

00:59:35,670 --> 00:59:33,369

now and and and make sure that our

1074

00:59:38,400 --> 00:59:35,680

children and grandchildren and everybody

1075

00:59:40,230 --> 00:59:38,410

else has got something to live on and

1076  
00:59:41,520 --> 00:59:40,240  
that's where we're at today there's no

1077  
00:59:44,130 --> 00:59:41,530  
question about it our guest tonight

1078  
00:59:48,809 --> 00:59:44,140  
Linda Moulton Howe hi Meryl Jimmy Church

1079  
00:59:52,049 --> 00:59:48,819  
this story broke back in August cattle

1080  
00:59:53,220 --> 00:59:52,059  
mutilations once again are surfacing

1081  
00:59:54,960 --> 00:59:53,230  
we're going to discuss all this with

1082  
00:59:56,880 --> 00:59:54,970  
Linda when we come back after this short

1083  
01:00:00,029 --> 00:59:56,890  
break I'm your host Jimmy church you can

1089

01:00:58,370 --> 01:00:54,960

Jimmy Church I guess tonight Linda

1090

01:00:59,570 --> 01:00:58,380

Moulton Howe always a great conversation

1091

01:01:02,930 --> 01:00:59,580

tomorrow night

1092

01:01:03,680 --> 01:01:02,940

Adam Apollo is here Wednesday night Rhys

1093

01:01:05,780 --> 01:01:03,690

Darby

1094

01:01:07,610 --> 01:01:05,790

Thursday night Fator night open lines

1095

01:01:10,460 --> 01:01:07,620

all night long tonight it's Linda

1096

01:01:14,990 --> 01:01:10,470

Moulton Howe and this story which broke

1097

01:01:19,280 --> 01:01:15,000

back on August 7th 2019 about these

1098

01:01:23,180 --> 01:01:19,290

cattle mutilations up at the Malheur

1099

01:01:27,170 --> 01:01:23,190

National Forest which is about 20 miles

1100

01:01:28,970 --> 01:01:27,180

from Burns Oregon when you when you got

1101

01:01:33,020 --> 01:01:28,980

wind of this Linda what went through

1102

01:01:37,220 --> 01:01:33,030

your mind first the very first headline

1103

01:01:41,960 --> 01:01:37,230

five Bulls bloodlessly mutilated in

1104

01:01:44,120 --> 01:01:41,970

Harney County Oregon and no bullets this

1105

01:01:47,510 --> 01:01:44,130

was the most important part of the first

1106

01:01:50,540 --> 01:01:47,520

story that I read because some people

1107

01:01:53,720 --> 01:01:50,550

were reporting that these were five

1108

01:01:56,480 --> 01:01:53,730

Bulls that had been killed with bullets

1109

01:01:58,970 --> 01:01:56,490

to be harvested for meat what I've

1110

01:02:01,340 --> 01:01:58,980

learned over the last 40 years where I

1111

01:02:04,880 --> 01:02:01,350

began my investigations of mutilations

1112

01:02:09,350 --> 01:02:04,890

back in September of 79 exactly 40 years

1113

01:02:12,610 --> 01:02:09,360

ago is that counterintelligence whether

1114

01:02:14,660 --> 01:02:12,620

they're working for the CIA NSA dia or

1115

01:02:18,530 --> 01:02:14,670

sheriff's that have been told this is

1116

01:02:21,200 --> 01:02:18,540

what you say they will immediately jump

1117

01:02:23,860 --> 01:02:21,210

into mutilation stories and say that

1118

01:02:26,690 --> 01:02:23,870

there were bullets or that it was

1119

01:02:30,050 --> 01:02:26,700

something having to do with people who

1120

01:02:34,040 --> 01:02:30,060

were getting the killing the animals for

1121

01:02:37,580 --> 01:02:34,050

meat and it's not true so this was so

1122

01:02:39,860 --> 01:02:37,590

important to read and I put this as my

1123

01:02:40,850 --> 01:02:39,870

top quote in my August 4th birth

1124

01:02:44,840 --> 01:02:40,860

files.com

1125

01:02:47,300 --> 01:02:44,850

it is Colby Marshall the vice president

1126  
01:02:49,310 --> 01:02:47,310  
of the Sylvie's Valley Ranch where these

1127  
01:02:52,040 --> 01:02:49,320  
five bulls were found bloodlessly

1128  
01:02:55,130 --> 01:02:52,050  
mutilated in Harney County Oregon and

1129  
01:02:59,000 --> 01:02:55,140  
here's what he said quote there are no

1130  
01:03:02,840 --> 01:02:59,010  
entry wounds a metal detector revealed

1131  
01:03:04,310 --> 01:03:02,850  
no bullets there were no outward signs

1132  
01:03:07,630 --> 01:03:04,320  
of a straw

1133  
01:03:11,390 --> 01:03:07,640  
no rope burns on trees now scattered

1134  
01:03:11,960 --> 01:03:11,400  
hoofprints nouse triangulation marks the

1135  
01:03:15,200 --> 01:03:11,970  
Bulls

1136  
01:03:20,060 --> 01:03:15,210  
look like they simply fell over and died

1137  
01:03:24,380 --> 01:03:20,070  
close quote and as I was looking at this

1138  
01:03:27,050 --> 01:03:24,390

article if you went to my first

1139

01:03:29,570 --> 01:03:27,060

documentary that was broadcast on the

1140

01:03:35,090 --> 01:03:29,580

CBS station in Denver Colorado on May

1141

01:03:38,660 --> 01:03:35,100

25th 1980 and you saw all of the animals

1142

01:03:43,010 --> 01:03:38,670

that I photographed for that documentary

1143

01:03:48,980 --> 01:03:43,020

back in that year and then if you jump

1144

01:03:53,510 --> 01:03:48,990

to 1989 and you look at the all of the

1145

01:03:57,850 --> 01:03:53,520

photographs in my 465 page book an alien

1146

01:03:59,780 --> 01:03:57,860

harvest it is full of photographs

1147

01:04:04,910 --> 01:03:59,790

there's no blood

1148

01:04:08,170 --> 01:04:04,920

and that the lack of blood is where I

1149

01:04:12,260 --> 01:04:08,180

had some of my most I would say

1150

01:04:15,770 --> 01:04:12,270

intriguing pathology examinations when I

1151  
01:04:18,320 --> 01:04:15,780  
work with a pathologist and we I would

1152  
01:04:22,060 --> 01:04:18,330  
go and get excision I've personally gone

1153  
01:04:24,650 --> 01:04:22,070  
into pastures 30 of these animals

1154  
01:04:28,070 --> 01:04:24,660  
carrying formal and solution and

1155  
01:04:31,550 --> 01:04:28,080  
scissors or a scalpel with the kinds of

1156  
01:04:35,800 --> 01:04:31,560  
tags that you put on I would put here is

1157  
01:04:38,620 --> 01:04:35,810  
the sheriff cut often with scissors

1158  
01:04:42,440 --> 01:04:38,630  
jagged here is the mutilators cut

1159  
01:04:44,330 --> 01:04:42,450  
usually very perfect harder than the

1160  
01:04:47,240 --> 01:04:44,340  
rest of the tissue and then there would

1161  
01:04:49,280 --> 01:04:47,250  
be my cut around both of those if you

1162  
01:04:52,160 --> 01:04:49,290  
can imagine that in your mind's eye and

1163  
01:04:55,490 --> 01:04:52,170

that so the pathologist would know who

1164

01:04:58,910 --> 01:04:55,500

which cut with which cut and over and

1165

01:05:00,800 --> 01:04:58,920

over again on these bloodless animals we

1166

01:05:03,099 --> 01:05:00,810

would find that the collagen had been

1167

01:05:07,250 --> 01:05:03,109

cooked the hemoglobin had been cooked

1168

01:05:09,609 --> 01:05:07,260

this was informal pathology reports that

1169

01:05:12,349 --> 01:05:09,619

would explain why there was no blood

1170

01:05:15,560 --> 01:05:12,359

coming from any of the excisions and

1171

01:05:17,560 --> 01:05:15,570

that in these photographs in my books

1172

01:05:21,970 --> 01:05:17,570

and in the documentaries that I

1173

01:05:24,490 --> 01:05:21,980

done that if you look at this bull one

1174

01:05:28,450 --> 01:05:24,500

is a five that came out in the August

1175

01:05:31,690 --> 01:05:28,460

2nd Capitol press in Oregon you will

1176

01:05:33,970 --> 01:05:31,700

find images in my work going back 40

1177

01:05:38,260 --> 01:05:33,980

years that look like this mm-hmm

1178

01:05:43,180 --> 01:05:38,270

so nothing changes the animals looked

1179

01:05:44,970 --> 01:05:43,190

the same and I tell you so that people

1180

01:05:47,650 --> 01:05:44,980

will understand that law enforcement

1181

01:05:50,440 --> 01:05:47,660

right from the beginning going all the

1182

01:05:54,610 --> 01:05:50,450

way back to the early 60s at least if

1183

01:05:58,900 --> 01:05:54,620

not before they started looking to the

1184

01:06:00,480 --> 01:05:58,910

sky themselves 70 years ago 60 years ago

1185

01:06:04,180 --> 01:06:00,490

50 years ago

1186

01:06:07,210 --> 01:06:04,190

because here's here's a classic case

1187

01:06:13,600 --> 01:06:07,220

that sums up the eerie places that I

1188

01:06:16,450 --> 01:06:13,610

have been this was a 1700 pounds deer it

1189

01:06:18,520 --> 01:06:16,460

was in Logan County in northern Colorado

1190

01:06:21,550 --> 01:06:18,530

where they had oh in an 18-month period

1191

01:06:24,120 --> 01:06:21,560

they had 200 and some mutilations I saw

1192

01:06:28,630 --> 01:06:24,130

every one of those files and this was

1193

01:06:31,660 --> 01:06:28,640

that particular timeline with between 74

1194

01:06:37,450 --> 01:06:31,670

and 76 they had many more but that I was

1195

01:06:40,300 --> 01:06:37,460

picking years and the sheriff was text

1196

01:06:44,350 --> 01:06:40,310

graves and he and his deputy were called

1197

01:06:47,020 --> 01:06:44,360

out to take a look at this steer by the

1198

01:06:52,480 --> 01:06:47,030

rancher who couldn't comprehend what had

1199

01:06:55,420 --> 01:06:52,490

happened and the rancher had not locked

1200

01:06:57,970 --> 01:06:55,430

on to the dust around that mutilated

1201  
01:07:01,270 --> 01:06:57,980  
deer on purpose because he wanted the

1202  
01:07:05,710 --> 01:07:01,280  
sheriff and the deputy to see here is

1203  
01:07:09,310 --> 01:07:05,720  
the 17 pound 17 hundred pound steer

1204  
01:07:13,330 --> 01:07:09,320  
lying on its right side the front legs

1205  
01:07:17,440 --> 01:07:13,340  
are perfectly parallel the back legs are

1206  
01:07:21,000 --> 01:07:17,450  
perfectly parallel they the animal is

1207  
01:07:24,700 --> 01:07:21,010  
lying in a large well call it a pool of

1208  
01:07:28,330 --> 01:07:24,710  
dust as Colorado and New Mexico and it's

1209  
01:07:30,520 --> 01:07:28,340  
dry no grass will even grow and these

1210  
01:07:31,299 --> 01:07:30,530  
are some of the sights that these bodies

1211  
01:07:35,380 --> 01:07:31,309  
are found

1212  
01:07:39,159 --> 01:07:35,390  
so you would be able to see you would

1213  
01:07:42,159 --> 01:07:39,169

think the animals own tracks walking up

1214

01:07:45,759 --> 01:07:42,169

to the site and they aren't there you

1215

01:07:48,009 --> 01:07:45,769

would assume that whatever it is that

1216

01:07:51,269 --> 01:07:48,019

took the animal down there would be some

1217

01:07:55,179 --> 01:07:51,279

signs of something or signs of struggle

1218

01:07:58,870 --> 01:07:55,189

even where the animals own legs are out

1219

01:08:01,509 --> 01:07:58,880

there so parallel nothing and Sharaf

1220

01:08:06,999 --> 01:08:01,519

text grave said he and the deputy upon

1221

01:08:10,029 --> 01:08:07,009

arriving they said let's go out 1215

1222

01:08:13,569 --> 01:08:10,039

feet and let's take photos all the way

1223

01:08:15,849 --> 01:08:13,579

around this animal before our feet go on

1224

01:08:19,180 --> 01:08:15,859

to this dust quantity you can see that

1225

01:08:24,220 --> 01:08:19,190

there's no prints and I have those

1226

01:08:29,519 --> 01:08:24,230

Polaroids and copies and then the

1227

01:08:33,879 --> 01:08:29,529

sheriff said when I got up to the body

1228

01:08:37,479 --> 01:08:33,889

I'm looking at your missing eye tongue

1229

01:08:40,329 --> 01:08:37,489

jaw flesh genitals rectum cored out like

1230

01:08:42,309 --> 01:08:40,339

it's the classic in all of the thousands

1231

01:08:45,129 --> 01:08:42,319

and thousands of mutilations around this

1232

01:08:47,079 --> 01:08:45,139

planet going all the way back to the I

1233

01:08:51,309 --> 01:08:47,089

think to the first half of the 20th

1234

01:08:55,799 --> 01:08:51,319

century at least he said we could see

1235

01:08:59,499 --> 01:08:55,809

that the head itself was in a hole and

1236

01:09:01,809 --> 01:08:59,509

he carried one of those plastic things

1237

01:09:04,660 --> 01:09:01,819

like Engineers do in his left pocket and

1238

01:09:07,510 --> 01:09:04,670

he always had a ruler in there and pens

1239

01:09:09,579 --> 01:09:07,520

and he took out his ruler and he put it

1240

01:09:13,450 --> 01:09:09,589

down in that hole and went down in the

1241

01:09:18,309 --> 01:09:13,460

report eight inch deep hole and he said

1242

01:09:20,200 --> 01:09:18,319

the deputy and I concluded the only

1243

01:09:23,410 --> 01:09:20,210

thing that we could figure out had

1244

01:09:27,939 --> 01:09:23,420

happened that something had the ability

1245

01:09:31,680 --> 01:09:27,949

to paralyze hold in place the 1700

1246

01:09:37,959 --> 01:09:31,690

pounds tear on all of that dusty ground

1247

01:09:40,660 --> 01:09:37,969

and leave only its head to move and that

1248

01:09:43,870 --> 01:09:40,670

all of the excisions were bloodlessly

1249

01:09:45,130 --> 01:09:43,880

removed and whatever that animal was

1250

01:09:46,720 --> 01:09:45,140

feeling

1251

01:09:50,260 --> 01:09:46,730

the only thing it could move was its

1252

01:09:53,110 --> 01:09:50,270

head and in its agony it dug the 8 inch

1253

01:09:55,510 --> 01:09:53,120

hole with its head members down in the

1254

01:09:59,350 --> 01:09:55,520

hole while the rest of the body was on

1255

01:10:01,510 --> 01:09:59,360

the flat ground and sheriff said whether

1256

01:10:04,630 --> 01:10:01,520

that was one of the cases that left me

1257

01:10:07,870 --> 01:10:04,640

with nightmares because he said the only

1258

01:10:12,250 --> 01:10:07,880

thing that we can conclude when you are

1259

01:10:16,180 --> 01:10:12,260

looking at precise surgery no blood no

1260

01:10:19,930 --> 01:10:16,190

tracks anywhere around a body you have

1261

01:10:23,680 --> 01:10:19,940

to conclude if 2 plus 2 equals 4 this

1262

01:10:27,820 --> 01:10:23,690

animal was lifted up somehow taken

1263

01:10:30,820 --> 01:10:27,830

someplace the surgery was done and then

1264

01:10:31,900 --> 01:10:30,830

it was returned but even when we said

1265

01:10:34,660 --> 01:10:31,910

that to each other

1266

01:10:38,740 --> 01:10:34,670

this animal hot must have been taken

1267

01:10:41,260 --> 01:10:38,750

away the deputy said but how did it dig

1268

01:10:44,860 --> 01:10:41,270

that hole and he said at that point I

1269

01:10:47,800 --> 01:10:44,870

the sheriff I I could understand that

1270

01:10:49,840 --> 01:10:47,810

our logic applied to the bodies where

1271

01:10:53,380 --> 01:10:49,850

the heads were not in 8 inch holes and

1272

01:10:57,730 --> 01:10:53,390

that this case in Logan County of that

1273

01:10:59,380 --> 01:10:57,740

steer broke all the rules and that for

1274

01:11:01,780 --> 01:10:59,390

sheriff Tech's graves

1275

01:11:03,640 --> 01:11:01,790

this was another benchmark that they

1276

01:11:07,420 --> 01:11:03,650

were dealing with something that was

1277

01:11:10,330 --> 01:11:07,430

intelligent purposeful could control the

1278

01:11:13,990 --> 01:11:10,340

animal and leave the head maybe as an

1279

01:11:18,130 --> 01:11:14,000

experiment to move everything that you

1280

01:11:21,220 --> 01:11:18,140

just described here applies to what just

1281

01:11:23,920 --> 01:11:21,230

happened in Oregon you know I've looked

1282

01:11:25,510 --> 01:11:23,930

at all of the pictures I looked for

1283

01:11:27,610 --> 01:11:25,520

disturbance in the ground

1284

01:11:30,250 --> 01:11:27,620

I see no footprints I don't see anything

1285

01:11:33,340 --> 01:11:30,260

- the cows are just simply on their side

1286

01:11:36,970 --> 01:11:33,350

with their legs parallel the incision

1287

01:11:39,160 --> 01:11:36,980

marks there is no discoloration there

1288

01:11:44,140 --> 01:11:39,170

you know in the in the in the ground

1289

01:11:46,720 --> 01:11:44,150

there's no blood nothing but a carcass

1290

01:11:51,010 --> 01:11:46,730

with these incisions no meat removed

1291

01:11:53,200 --> 01:11:51,020

there isn't any of that there they they

1292

01:11:55,150 --> 01:11:53,210

went over everything with metal

1293

01:11:57,820 --> 01:11:55,160

detectors there's nothing metal there's

1294

01:12:01,430 --> 01:11:57,830

no bullets involved

1295

01:12:04,970 --> 01:12:01,440

it's it's it's about it's textbook as it

1296

01:12:08,360 --> 01:12:04,980

gets from all of your reporting yeah

1297

01:12:11,180 --> 01:12:08,370

and now add to this the eyewitnesses who

1298

01:12:12,770 --> 01:12:11,190

have seen beams of light come down in

1299

01:12:16,040 --> 01:12:12,780

their pastures I talked with

1300

01:12:18,110 --> 01:12:16,050

half-a-dozen ranchers back in 79 to 80

1301  
01:12:20,840 --> 01:12:18,120  
when I was producing a strange harvest

1302  
01:12:23,690 --> 01:12:20,850  
and they told me that they had seen with

1303  
01:12:25,520 --> 01:12:23,700  
their own eyes beams come down out of

1304  
01:12:28,160 --> 01:12:25,530  
the sky and had either seen an animal

1305  
01:12:30,950 --> 01:12:28,170  
rise in a beam or lowered and that they

1306  
01:12:34,250 --> 01:12:30,960  
were terrified and that they would not

1307  
01:12:36,320 --> 01:12:34,260  
stand in front of my camera and say what

1308  
01:12:38,270 --> 01:12:36,330  
they had seen because they didn't want

1309  
01:12:41,150 --> 01:12:38,280  
their fellow human beings to tell them

1310  
01:12:45,320 --> 01:12:41,160  
that they were crazy jump to about ten

1311  
01:12:47,480 --> 01:12:45,330  
years ago down in this was I think Sara

1312  
01:12:52,370 --> 01:12:47,490  
was at this case that I'm thinking of

1313  
01:12:55,370 --> 01:12:52,380

was in Brazil and I still can remember

1314

01:12:59,240 --> 01:12:55,380

this vividly two men in a fishing boat

1315

01:13:04,250 --> 01:12:59,250

on a river and I think it was dusk and

1316

01:13:06,620 --> 01:13:04,260

they see a round object in the sky and

1317

01:13:11,110 --> 01:13:06,630

they see the round disc

1318

01:13:14,240 --> 01:13:11,120

it could put a beam down into the river

1319

01:13:17,210 --> 01:13:14,250

they couldn't see what was going up in

1320

01:13:20,690 --> 01:13:17,220

the beam but they saw something rising

1321

01:13:22,970 --> 01:13:20,700

in the beam at exactly that same time

1322

01:13:24,980 --> 01:13:22,980

that those fishermen reported this round

1323

01:13:28,310 --> 01:13:24,990

object putting this down into the

1324

01:13:32,270 --> 01:13:28,320

river animal mutilations were being

1325

01:13:36,680 --> 01:13:32,280

reported all over Brazil and Argentina

1326

01:13:39,470 --> 01:13:36,690

and that area have had well I remembered

1327

01:13:42,250 --> 01:13:39,480

that there was one estimate bison atha

1328

01:13:47,000 --> 01:13:42,260

which is a department of agriculture in

1329

01:13:49,670 --> 01:13:47,010

Brazil an Argentine in that area and

1330

01:13:51,980 --> 01:13:49,680

they reported that they thought within a

1331

01:13:54,760 --> 01:13:51,990

think it was four or five years that

1332

01:13:57,530 --> 01:13:54,770

they'd had three thousand cases of

1333

01:13:59,690 --> 01:13:57,540

mutilated animals reported to their

1334

01:14:02,440 --> 01:13:59,700

version of the Department of Agriculture

1335

01:14:05,660 --> 01:14:02,450

and there's a story about that at

1336

01:14:09,859 --> 01:14:05,670

earthfiles going back somewhere to

1337

01:14:12,979 --> 01:14:09,869

around the 2002 2004 period

1338

01:14:15,649 --> 01:14:12,989

when you realize it's ongoing its

1339

01:14:18,639 --> 01:14:15,659

ongoing now as we are seeing another

1340

01:14:22,750 --> 01:14:18,649

cycle of these bloodless mutilations in

1341

01:14:26,060 --> 01:14:22,760

Oregon there are reports in Brazil in

1342

01:14:28,869 --> 01:14:26,070

Argentina and half-caste

1343

01:14:33,589 --> 01:14:28,879

half cats are being reported in

1344

01:14:36,889 --> 01:14:33,599

Washington in Oregon in more a more

1345

01:14:38,330 --> 01:14:36,899

around of the London area maybe a lot of

1346

01:14:42,250 --> 01:14:38,340

people listening don't realize that

1347

01:14:45,819 --> 01:14:42,260

going back to the fall of 2015 to date

1348

01:14:48,619 --> 01:14:45,829

officially there have been fun they say

1349

01:14:51,889 --> 01:14:48,629

five hundred plus I believe is the way

1350

01:14:57,259 --> 01:14:51,899

the UK puts it five hundred plus cases

1351

01:15:02,929 --> 01:14:57,269

of half cats and mutilated small animals

1352

01:15:05,479 --> 01:15:02,939

in a region between Croydon and London

1353

01:15:07,609 --> 01:15:05,489

and London going north about the same

1354

01:15:10,339 --> 01:15:07,619

distance to Croydon Croydon is a suburb

1355

01:15:12,109 --> 01:15:10,349

of London to the south and so if you go

1356

01:15:14,270 --> 01:15:12,119

into downtown London and then you went

1357

01:15:19,429 --> 01:15:14,280

north about that same distance and you

1358

01:15:24,109 --> 01:15:19,439

drew a circle around London 550 some

1359

01:15:25,790 --> 01:15:24,119

cats no blood cut in half front half

1360

01:15:30,379 --> 01:15:25,800

left back half left

1361

01:15:33,409 --> 01:15:30,389

sometimes legs cut off no blood ever not

1362

01:15:37,009 --> 01:15:33,419

on the fur not on the ground all all

1363

01:15:39,639 --> 01:15:37,019

with clean cuts yeah yeah and the

1364

01:15:43,040 --> 01:15:39,649

sheriff up in Oregon

1365

01:15:46,310 --> 01:15:43,050

once again this is sheriff Jenkins this

1366

01:15:50,659 --> 01:15:46,320

is the sheriff who is investigating this

1367

01:15:53,000 --> 01:15:50,669

case said that only a few parts of the

1368

01:15:55,279 --> 01:15:53,010

carcass were removed from each of these

1369

01:15:58,009 --> 01:15:55,289

bulls they anus or scrotum testicles and

1370

01:16:01,879 --> 01:15:58,019

tongues and then he goes on to say that

1371

01:16:04,069 --> 01:16:01,889

none of this was chewed he is quoted

1372

01:16:06,739 --> 01:16:04,079

right here he says everything was a

1373

01:16:09,020 --> 01:16:06,749

clean cut I'm quoting he says the parts

1374

01:16:14,839 --> 01:16:09,030

were definitely cut out with a sharp

1375

01:16:16,819 --> 01:16:14,849

blade yeah exactly and it's you can see

1376

01:16:21,529 --> 01:16:16,829

that it's like Groundhog's Day for me

1377

01:16:23,360 --> 01:16:21,539

right 40 years right I have been dealing

1378

01:16:26,680 --> 01:16:23,370

with the same

1379

01:16:28,700 --> 01:16:26,690

types of cases in a world in which

1380

01:16:31,310 --> 01:16:28,710

counterintelligence working for

1381

01:16:34,550 --> 01:16:31,320

governments works overtime to tell

1382

01:16:36,980 --> 01:16:34,560

everybody that the large animal

1383

01:16:40,090 --> 01:16:36,990

mutilations the small animal mutilations

1384

01:16:45,140 --> 01:16:40,100

are justin misses their mantra predator

1385

01:16:48,320 --> 01:16:45,150

disease or satanic cult and when i think

1386

01:16:51,590 --> 01:16:48,330

back at all of the avenues that i

1387

01:16:55,240 --> 01:16:51,600

researched and i am a person who likes

1388

01:16:59,150 --> 01:16:55,250

to get way down in the weeds in details

1389

01:17:02,180 --> 01:16:59,160

to me exploring every detail that is a

1390

01:17:05,470 --> 01:17:02,190

possible is often where you get some of

1391

01:17:09,020 --> 01:17:05,480

your best insights and information and

1392

01:17:11,900 --> 01:17:09,030

that when you realize that the same

1393

01:17:15,110 --> 01:17:11,910

types of mantra that were used on the

1394

01:17:18,050 --> 01:17:15,120

public in the media in the 60s when the

1395

01:17:19,730 --> 01:17:18,060

first cases were making it public and it

1396

01:17:22,070 --> 01:17:19,740

probably went on to the beginning of the

1397

01:17:26,890 --> 01:17:22,080

20th century if not back a thousand

1398

01:17:29,540 --> 01:17:26,900

years right but the the same type of

1399

01:17:30,830 --> 01:17:29,550

makes the public in the media go away

1400

01:17:33,440 --> 01:17:30,840

there's nothing here

1401

01:17:36,860 --> 01:17:33,450

it's predator disease or satanic cults

1402

01:17:40,130 --> 01:17:36,870

and you can easily dismiss predator

1403

01:17:42,520 --> 01:17:40,140

disease and satanic cults in 24 hours of

1404

01:17:47,780 --> 01:17:42,530

investigating the files on these animals

1405

01:17:53,930 --> 01:17:47,790

so it's global it's ongoing today and

1406

01:17:57,410 --> 01:17:53,940

now why let's say text graves on my very

1407

01:18:00,950 --> 01:17:57,420

first meeting with him up in logan

1408

01:18:03,320 --> 01:18:00,960

county and sterling that's when he

1409

01:18:05,660 --> 01:18:03,330

looked at me and he said linda i'll save

1410

01:18:07,370 --> 01:18:05,670

you some time the perpetrators of these

1411

01:18:10,010 --> 01:18:07,380

animal mutilations are creatures from

1412

01:18:12,650 --> 01:18:10,020

outer space and I've told you that

1413

01:18:15,350 --> 01:18:12,660

before Jimmy and that I felt like an

1414

01:18:19,400 --> 01:18:15,360

electric shock hit me when he said those

1415

01:18:23,750 --> 01:18:19,410

words and then he guided me through the

1416

01:18:25,790 --> 01:18:23,760

ranchers to fellow reporters to a lot of

1417

01:18:29,660 --> 01:18:25,800

people to go and talk to I talked with

1418

01:18:32,990 --> 01:18:29,670

hundreds of people and we got on in

1419

01:18:35,600 --> 01:18:33,000

front of our camera many people willing

1420

01:18:37,009 --> 01:18:35,610

even then to talk about the situation

1421

01:18:38,569 --> 01:18:37,019

and

1422

01:18:42,229 --> 01:18:38,579

I remember there was one reporter

1423

01:18:44,930 --> 01:18:42,239

working for a newspaper that he had

1424

01:18:48,020 --> 01:18:44,940

gotten so many calls at their newspaper

1425

01:18:51,739 --> 01:18:48,030

desk about this white light that would

1426

01:18:54,129 --> 01:18:51,749

emit small white lights out over Logan

1427

01:18:57,470 --> 01:18:54,139

County in that area of Colorado

1428

01:19:00,049 --> 01:18:57,480

that's proceeding that's proceeding 79

1429

01:19:04,149 --> 01:19:00,059

this is going back into the early 70s

1430

01:19:08,120 --> 01:19:04,159

and the 60s and the reporter had done

1431

01:19:10,520 --> 01:19:08,130

where you would do like a long exposure

1432

01:19:13,250 --> 01:19:10,530

of the sky and you could see the motion

1433

01:19:15,020 --> 01:19:13,260

in those photos I have in an alien

1434

01:19:18,220 --> 01:19:15,030

harvest and I have in my second book

1435

01:19:22,970 --> 01:19:18,230

glimpses of other realities Volume one

1436

01:19:25,700 --> 01:19:22,980

these are photos taken by the sheriff by

1437

01:19:30,799 --> 01:19:25,710

reporters working for their newspapers

1438

01:19:34,009 --> 01:19:30,809

the cover of my book an alien or an

1439

01:19:37,549 --> 01:19:34,019

alien harvest the first book it looks

1440

01:19:41,419 --> 01:19:37,559

like a 92 coming down a 90-degree angle

1441

01:19:44,479 --> 01:19:41,429

at another 90-degree angle it is a

1442

01:19:49,189 --> 01:19:44,489

time-lapse photo taken by the editor of

1443

01:19:52,459 --> 01:19:49,199

a newspaper in Arkansas his camera was

1444

01:19:55,339 --> 01:19:52,469

on a tripod he was a professional he

1445

01:19:58,189 --> 01:19:55,349

gets this object and why were they out

1446

01:20:01,489 --> 01:19:58,199

trying to do time-lapse because of all

1447

01:20:03,919 --> 01:20:01,499

of the animal mutilations in that

1448

01:20:06,709 --> 01:20:03,929

Arkansas County and he is the editor of

1449

01:20:09,979 --> 01:20:06,719

the newspaper decided to stay up at

1450

01:20:14,209 --> 01:20:09,989

night with a camera on a tripod and he

1451

01:20:17,870 --> 01:20:14,219

got this object in the sky coming doing

1452

01:20:20,359 --> 01:20:17,880

a 90 degree angle coming on second 90

1453

01:20:23,450 --> 01:20:20,369

degree angle and that is on the cover of

1454

01:20:26,270 --> 01:20:23,460

my first book an alien harvest there's

1455

01:20:30,549 --> 01:20:26,280

no retouching there's nothing this is

1456

01:20:33,770 --> 01:20:30,559

what came on that editors camera and

1457

01:20:36,049 --> 01:20:33,780

when when you realize that there were so

1458

01:20:39,739 --> 01:20:36,059

many people in so many different states

1459

01:20:41,870 --> 01:20:39,749

and provinces and countries who knew

1460

01:20:44,120 --> 01:20:41,880

that they were not dealing with

1461

01:20:47,390 --> 01:20:44,130

quote-unquote predators disease or

1462

01:20:49,310 --> 01:20:47,400

satanic cults you you can dismiss

1463

01:20:50,659 --> 01:20:49,320

satanic cults immediately because

1464

01:20:55,159 --> 01:20:50,669

satanic cult just

1465

01:20:56,029 --> 01:20:55,169

and any priest who works on exorcisms or

1466

01:20:57,889 --> 01:20:56,039

works

1467

01:21:00,020 --> 01:20:57,899

having to do with satanic cults and they

1468

01:21:02,270 --> 01:21:00,030

will tell you when they look at animal

1469

01:21:04,729 --> 01:21:02,280

mutilation photos that has nothing to do

1470

01:21:07,520 --> 01:21:04,739

with what we are dealing with Linda

1471

01:21:08,330 --> 01:21:07,530

satanic cults deal with blood blood

1472

01:21:11,649 --> 01:21:08,340

everywhere

1473

01:21:14,469 --> 01:21:11,659

are you are you prepared for another

1474

01:21:17,089 --> 01:21:14,479

harvest you know another season of

1475

01:21:18,679 --> 01:21:17,099

something like this going down or do you

1476

01:21:22,250 --> 01:21:18,689

think that this hopefully just maybe

1477

01:21:25,370 --> 01:21:22,260

isolated oh no this is absolutely

1478

01:21:29,839 --> 01:21:25,380

consistent with going back to the 60s

1479

01:21:33,370 --> 01:21:29,849

today cycles cycles of large and small

1480

01:21:37,580 --> 01:21:33,380

animal mutilations they come in cycles

1481

01:21:39,080 --> 01:21:37,590

in this particular area in Oregon you

1482

01:21:42,290 --> 01:21:39,090

can go back and there have been

1483

01:21:45,109 --> 01:21:42,300

mutilations there before and in Oregon

1484

01:21:47,089 --> 01:21:45,119

in my book and alien harvest that's

1485

01:21:51,049 --> 01:21:47,099

where the book is so valuable it's like

1486

01:21:54,259 --> 01:21:51,059

a huge archive of what places with what

1487

01:21:58,790 --> 01:21:54,269

photos with what forensic evidence was

1488

01:22:01,100 --> 01:21:58,800

being found of where the sick I start

1489

01:22:05,540 --> 01:22:01,110

with 67 the horse in southern Colorado

1490

01:22:09,500 --> 01:22:05,550

so an alien harvest starts with the 67

1491

01:22:13,069 --> 01:22:09,510

mutilations and went up to 89 and then

1492

01:22:19,399 --> 01:22:13,079

subsequently glimpses vol 1 picks up and

1493

01:22:22,429 --> 01:22:19,409

goes from 89 to 94 and as my work has

1494

01:22:26,839 --> 01:22:22,439

evolved I have done it I didn't start

1495

01:22:29,569 --> 01:22:26,849

earthfiles until nineteen end of 1998 so

1496

01:22:31,580 --> 01:22:29,579

I have been putting my animal mutilation

1497

01:22:35,149 --> 01:22:31,590

reports of which I don't know there's

1498

01:22:36,889 --> 01:22:35,159

probably 200 in there now over the over

1499

01:22:40,580 --> 01:22:36,899

the period of time of doing earth wells

1500

01:22:45,739 --> 01:22:40,590

so you go back to the 60s and the

1501  
01:22:47,949 --> 01:22:45,749  
evolution has always been let's say that

1502  
01:22:51,169 --> 01:22:47,959  
we are talking about Logan County and

1503  
01:22:54,759 --> 01:22:51,179  
they measured that before over an

1504  
01:23:01,489 --> 01:22:54,769  
18-month period it was something like

1505  
01:23:04,960 --> 01:23:01,499  
198 or 200 and some a cattle horse goat

1506  
01:23:10,520 --> 01:23:04,970  
sheep Pig

1507  
01:23:12,260 --> 01:23:10,530  
rabbits there's a big range of all sort

1508  
01:23:14,180 --> 01:23:12,270  
of domestic animals that had been

1509  
01:23:18,830 --> 01:23:14,190  
mutilated you hear about cattle more

1510  
01:23:21,650 --> 01:23:18,840  
than anything the truth is in 67 the

1511  
01:23:24,290 --> 01:23:21,660  
first animal mutilation that went

1512  
01:23:26,690 --> 01:23:24,300  
worldwide was the horse in southern

1513  
01:23:29,630 --> 01:23:26,700

Colorado the reporter got the name and

1514

01:23:32,990 --> 01:23:29,640

the sex wrong it went out in to the

1515

01:23:34,790 --> 01:23:33,000

newspapers in the news world snippy and

1516

01:23:38,240 --> 01:23:34,800

they called it a gelding

1517

01:23:40,729 --> 01:23:38,250

I personally interviewed burl Lewis the

1518

01:23:42,800 --> 01:23:40,739

owner and he laughed he said the

1519

01:23:46,640 --> 01:23:42,810

reporter got the sex in the name wrong

1520

01:23:50,930 --> 01:23:46,650

it was a female and her name was lady

1521

01:23:54,380 --> 01:23:50,940

and she was an Appaloosa so from that

1522

01:23:56,510 --> 01:23:54,390

period the first horse that made

1523

01:23:58,520 --> 01:23:56,520

international or the first animal that

1524

01:24:02,470 --> 01:23:58,530

made international headlines was a horse

1525

01:24:08,030 --> 01:24:02,480

what was going on before September of

1526

01:24:10,580 --> 01:24:08,040

1967 in Canada horse relations people

1527

01:24:15,320 --> 01:24:10,590

don't realize that horses were what were

1528

01:24:19,460 --> 01:24:15,330

being reported first mutilated then came

1529

01:24:21,080 --> 01:24:19,470

all of the cattle cases and today you

1530

01:24:23,690 --> 01:24:21,090

hear people talk about cattle

1531

01:24:25,850 --> 01:24:23,700

mutilations well it has always been

1532

01:24:28,270 --> 01:24:25,860

every domestic animal that you can think

1533

01:24:31,790 --> 01:24:28,280

of and then jump over to wild animals

1534

01:24:34,820 --> 01:24:31,800

the u.s. Forest Service I have looked at

1535

01:24:38,750 --> 01:24:34,830

the classic same ear eye tongue jaw

1536

01:24:42,280 --> 01:24:38,760

genitals rectum cord out in Deer in elk

1537

01:24:44,810 --> 01:24:42,290

and then you find out that reindeer in

1538

01:24:48,560 --> 01:24:44,820

northern Europe they've been affected

1539

01:24:54,290 --> 01:24:48,570

exactly the same way a marmot in Aspen

1540

01:24:59,150 --> 01:24:54,300

was mutilated the same way foxes are

1541

01:25:03,590 --> 01:24:59,160

found mutilated more like the cats I

1542

01:25:08,240 --> 01:25:03,600

don't know why the Fox is a wild

1543

01:25:11,390 --> 01:25:08,250

creature a cat is domestic but you will

1544

01:25:13,700 --> 01:25:11,400

find that the foxes can be cut up like

1545

01:25:16,130 --> 01:25:13,710

the cats for whatever is the reason and

1546

01:25:17,990 --> 01:25:16,140

you know people say why Linda do you

1547

01:25:22,160 --> 01:25:18,000

think cats

1548

01:25:23,600 --> 01:25:22,170

cut in half and I'll throw this out to

1549

01:25:26,650 --> 01:25:23,610

you and your audience

1550

01:25:30,050 --> 01:25:26,660

it's a speculation of mine for some time

1551  
01:25:32,360 --> 01:25:30,060  
because just like the cycles in time of

1552  
01:25:34,910 --> 01:25:32,370  
the large animals that keep repeating

1553  
01:25:37,160 --> 01:25:34,920  
and repeating geographically there are

1554  
01:25:39,820 --> 01:25:37,170  
areas that I just expect that there will

1555  
01:25:42,920 --> 01:25:39,830  
be mutilations over a 10-year period

1556  
01:25:46,940 --> 01:25:42,930  
maybe a couple of times or sometimes

1557  
01:25:50,620 --> 01:25:46,950  
three times well one of those areas for

1558  
01:25:53,650 --> 01:25:50,630  
the half cats is Falls Church Virginia

1559  
01:25:56,720 --> 01:25:53,660  
who lives in Falls Church Virginia

1560  
01:26:00,740 --> 01:25:56,730  
you're going to a lot of people who work

1561  
01:26:05,270 --> 01:26:00,750  
for the government right a lot of people

1562  
01:26:08,480 --> 01:26:05,280  
who work for the CIA NSA dia Falls

1563  
01:26:11,650 --> 01:26:08,490

Church has been one of the repeating

1564

01:26:14,540 --> 01:26:11,660

areas for mutilations like Austin Texas

1565

01:26:17,090 --> 01:26:14,550

Tustin California you can go around

1566

01:26:19,730 --> 01:26:17,100

state-by-state and there will be places

1567

01:26:22,130 --> 01:26:19,740

where half cats have happened over and

1568

01:26:26,240 --> 01:26:22,140

over again and it began I thought I

1569

01:26:28,820 --> 01:26:26,250

wonder since the New York Times did an

1570

01:26:30,860 --> 01:26:28,830

article about a hunt I think was a

1571

01:26:33,770 --> 01:26:30,870

hundred and sixty nine cases of half

1572

01:26:37,850 --> 01:26:33,780

cats in Tustin California

1573

01:26:42,170 --> 01:26:37,860

and Toronto Canada and they did that New

1574

01:26:45,260 --> 01:26:42,180

York Times article in 1989 they there

1575

01:26:49,160 --> 01:26:45,270

seem to be a kind of beginning in the

1576

01:26:52,640 --> 01:26:49,170

80s of the half cats and I wondered is

1577

01:26:55,030 --> 01:26:52,650

it possible that our government and

1578

01:26:58,490 --> 01:26:55,040

other governments have tried to make

1579

01:27:00,890 --> 01:26:58,500

agreements perhaps or that we have

1580

01:27:03,620 --> 01:27:00,900

fought some of the intelligences

1581

01:27:05,720 --> 01:27:03,630

interacting with our planet and that

1582

01:27:09,340 --> 01:27:05,730

maybe there was some sort of an

1583

01:27:14,840 --> 01:27:09,350

agreement and it got broken and that cat

1584

01:27:18,050 --> 01:27:14,850

that we humans love cats that maybe it

1585

01:27:21,650 --> 01:27:18,060

was retaliation at an a personal level

1586

01:27:25,930 --> 01:27:21,660

and that maybe that's why it has cycled

1587

01:27:30,770 --> 01:27:25,940

where it has that there is a retaliation

1588

01:27:31,790 --> 01:27:30,780

component to focusing on something like

1589

01:27:35,330 --> 01:27:31,800

a cat that peep

1590

01:27:35,870 --> 01:27:35,340

with love right and maybe to do with the

1591

01:27:40,040 --> 01:27:35,880

government

1592

01:27:41,450 --> 01:27:40,050

now that is speculation yeah I gotta

1593

01:27:44,930 --> 01:27:41,460

jump in and take our break right here

1594

01:27:48,200 --> 01:27:44,940

Linda and that's a frightening thought

1595

01:27:51,050 --> 01:27:48,210

isn't it this is weak well we have to

1596

01:27:52,970 --> 01:27:51,060

face up to all of it I just don't think

1597

01:27:54,890 --> 01:27:52,980

we should be coddled I think we all need

1598

01:27:56,780 --> 01:27:54,900

to know everything that's happening

1599

01:27:59,180 --> 01:27:56,790

this is fade to black our guest tonight

1600

01:28:00,780 --> 01:27:59,190

Linda Moulton Howe we'll be right back

1601  
01:28:12,700 --> 01:28:00,790  
after this short break stay with us

1602  
01:28:17,610 --> 01:28:15,230  
welcome back 50 black Camaro signatures

1603  
01:28:19,660 --> 01:28:17,620  
tonight Linda Moulton Howes back with us

1604  
01:28:21,980 --> 01:28:19,670  
[Music]

1605  
01:28:24,530 --> 01:28:21,990  
can follow me on Twitter I see a church

1606  
01:28:26,870 --> 01:28:24,540  
radio the conversation is hashtag F to

1607  
01:28:28,940 --> 01:28:26,880  
be a couple of thousand tweets already

1608  
01:28:31,010 --> 01:28:28,950  
tonight but it's Linda and we expect

1609  
01:28:34,390 --> 01:28:31,020  
that you can also follow Linda on

1610  
01:28:37,730 --> 01:28:34,400  
Twitter at earthfiles Linda I want to

1611  
01:28:40,270 --> 01:28:37,740  
one tough talk disclosure a little bit

1612  
01:28:42,310 --> 01:28:40,280  
and you and I through all of the

1613  
01:28:46,040 --> 01:28:42,320

conversations we've had over the years

1614

01:28:48,290 --> 01:28:46,050

we haven't been able to enjoy ourselves

1615

01:28:51,440 --> 01:28:48,300

like we are right now when it comes to

1616

01:28:54,310 --> 01:28:51,450

disclosure is is is the door cracking

1617

01:28:58,010 --> 01:28:54,320

open finally how do you feel oh

1618

01:29:02,570 --> 01:28:58,020

absolutely I think that quote unquote

1619

01:29:05,570 --> 01:29:02,580

disclosure happened long ago with all of

1620

01:29:09,260 --> 01:29:05,580

the hundreds of reports that have

1621

01:29:12,170 --> 01:29:09,270

reached the public about technologies

1622

01:29:16,040 --> 01:29:12,180

doing things that we humans could not do

1623

01:29:19,730 --> 01:29:16,050

and the best example of that is December

1624

01:29:23,350 --> 01:29:19,740

16 2017 that Saturday morning I got to

1625

01:29:26,480 --> 01:29:23,360

my office and the phone started ringing

1626

01:29:30,770 --> 01:29:26,490

Linda go to the New York Times and

1627

01:29:36,940 --> 01:29:30,780

they're in the top of the headline above

1628

01:29:40,430 --> 01:29:36,950

the fold was that big headline about Ora

1629

01:29:43,040 --> 01:29:40,440

remember it was glowing auras and black

1630

01:29:46,900 --> 01:29:43,050

money the Pentagon's mysterious UFO

1631

01:29:50,750 --> 01:29:46,910

program and this was about Navy pilots

1632

01:29:54,830 --> 01:29:50,760

operating infrared one of them American

1633

01:29:58,880 --> 01:29:54,840

Navy pilot David flavor and that they

1634

01:30:03,640 --> 01:29:58,890

were quoted in articles in The New York

1635

01:30:06,530 --> 01:30:03,650

Times in Politico in the Washington Post

1636

01:30:09,710 --> 01:30:06,540

sponsored or put together by to the

1637

01:30:13,640 --> 01:30:09,720

stars Tom DeLonge and that group who

1638

01:30:18,020 --> 01:30:13,650

were working with those pilots and so

1639

01:30:21,580 --> 01:30:18,030

they make a huge it's a big media impact

1640

01:30:24,260 --> 01:30:21,590

I think that we're talking about

1641

01:30:25,880 --> 01:30:24,270

confirmation comfort

1642

01:30:28,010 --> 01:30:25,890

nation we that was the kind of

1643

01:30:30,760 --> 01:30:28,020

disclosure we've had these waves of

1644

01:30:34,660 --> 01:30:30,770

disclosure now what we're asking for is

1645

01:30:38,420 --> 01:30:34,670

official government around the world

1646

01:30:43,250 --> 01:30:38,430

confirming and let's go back to for

1647

01:30:47,450 --> 01:30:43,260

example I have in front of me an article

1648

01:30:50,030 --> 01:30:47,460

that I did at Earth bias.com in January

1649

01:30:54,140 --> 01:30:50,040

4th 2018 only a couple of weeks after

1650

01:30:57,340 --> 01:30:54,150

the big New York Times article and I

1651

01:31:00,680 --> 01:30:57,350

used the phrase the juvenile taboo

1652

01:31:03,350 --> 01:31:00,690

against telling truth about an alien

1653

01:31:06,110 --> 01:31:03,360

presence and I go into the fact that

1654

01:31:10,160 --> 01:31:06,120

Robert Bigelow owner of Bigelow

1655

01:31:13,040 --> 01:31:10,170

Aerospace in Las Vegas Nevada who is got

1656

01:31:15,500 --> 01:31:13,050

contracts with NASA for these blow up

1657

01:31:21,200 --> 01:31:15,510

buildings that may be on the Moon and

1658

01:31:27,770 --> 01:31:21,210

Mars and all over the place said that in

1659

01:31:31,400 --> 01:31:27,780

his in his world and he ended up talking

1660

01:31:35,090 --> 01:31:31,410

about this on 60 minutes on May 28th

1661

01:31:38,750 --> 01:31:35,100

2017 he said I am quote absolutely

1662

01:31:41,480 --> 01:31:38,760

convinced that aliens exist the alien

1663

01:31:44,630 --> 01:31:41,490

presence is just like right under

1664

01:31:47,390 --> 01:31:44,640

people's noses close quote and you can't

1665

01:31:49,760 --> 01:31:47,400

infer anything else but he means it's

1666

01:31:54,590 --> 01:31:49,770

not just the air it's below land its

1667

01:31:59,450 --> 01:31:54,600

water it's ice it's around us and to me

1668

01:32:03,050 --> 01:31:59,460

he was saying it's confirmed I'm I'm

1669

01:32:05,840 --> 01:32:03,060

asserting confirmation that alien

1670

01:32:08,480 --> 01:32:05,850

intelligences are here and they are

1671

01:32:11,300 --> 01:32:08,490

under our noses whether we see them

1672

01:32:14,260 --> 01:32:11,310

recognize them or not and that the

1673

01:32:18,070 --> 01:32:14,270

policies of denial since World War two

1674

01:32:21,950 --> 01:32:18,080

very sophisticated Lee and well

1675

01:32:24,230 --> 01:32:21,960

organized by counter Intel has kept the

1676

01:32:27,290 --> 01:32:24,240

public in the media at an arm's length

1677

01:32:30,320 --> 01:32:27,300

distance from truths that have been

1678

01:32:33,830 --> 01:32:30,330

reported all over the place by pilots

1679

01:32:36,950 --> 01:32:33,840

and others and I think that Robert

1680

01:32:37,729 --> 01:32:36,960

Bigelow is basically saying but it's

1681

01:32:40,910 --> 01:32:37,739

there here

1682

01:32:45,020 --> 01:32:40,920

we just need confirmation so that to me

1683

01:32:47,060 --> 01:32:45,030

is what I am hoping will happen that

1684

01:32:49,459 --> 01:32:47,070

they will take what already has been

1685

01:32:52,520 --> 01:32:49,469

reported and that there will be the

1686

01:32:55,820 --> 01:32:52,530

press conference of all centuries around

1687

01:32:58,820 --> 01:32:55,830

the world at the same time in all time

1688

01:33:03,740 --> 01:32:58,830

zones at the same time a huge global

1689

01:33:06,130 --> 01:33:03,750

event saying now we can tell you the

1690

01:33:09,260 --> 01:33:06,140

truth we are not alone in this universe

1691

01:33:12,440 --> 01:33:09,270

there are all kinds of intelligences

1692

01:33:16,040 --> 01:33:12,450

some are friendly to us some are hostile

1693

01:33:19,370 --> 01:33:16,050

to us some are neutral to us and with

1694

01:33:21,770 --> 01:33:19,380

the allies we want to assure you that

1695

01:33:27,010 --> 01:33:21,780

world you have nothing to be afraid of

1696

01:33:31,160 --> 01:33:27,020

because we have allies and I think any

1697

01:33:33,200 --> 01:33:31,170

any day I would like to see that kind of

1698

01:33:35,450 --> 01:33:33,210

a press conference announcing the truth

1699

01:33:37,580 --> 01:33:35,460

to the world could occur on any day I

1700

01:33:41,390 --> 01:33:37,590

just hope it happens sooner than later

1701

01:33:44,090 --> 01:33:41,400

because we are weakened when we are kept

1702

01:33:46,690 --> 01:33:44,100

in a state of ignorance on purpose by

1703

01:33:50,090 --> 01:33:46,700

government policies of denial and lies

1704

01:33:52,370 --> 01:33:50,100

we humans it's like what we were talking

1705

01:33:54,740 --> 01:33:52,380

about in global climate change and all

1706

01:33:57,709 --> 01:33:54,750

of the other things that we humans are

1707

01:34:01,490 --> 01:33:57,719

not given the respect that we could take

1708

01:34:04,490 --> 01:34:01,500

truth even if it completely and totally

1709

01:34:09,560 --> 01:34:04,500

up ends and revolutionizes all of our

1710

01:34:12,380 --> 01:34:09,570

history all of political science going

1711

01:34:15,860 --> 01:34:12,390

back for centuries it needs to be done

1712

01:34:18,130 --> 01:34:15,870

because the truth is this is a planet

1713

01:34:20,450 --> 01:34:18,140

that that defense intelligence agency

1714

01:34:23,390 --> 01:34:20,460

man that I've talked to you and others

1715

01:34:25,700 --> 01:34:23,400

about back in December of 1999 told me

1716

01:34:29,470 --> 01:34:25,710

our government has proof and he used the

1717

01:34:32,560 --> 01:34:29,480

word proof that three competing

1718

01:34:35,060 --> 01:34:32,570

extraterrestrial civilizations have been

1719

01:34:38,390 --> 01:34:35,070

manipulating and terraforming this

1720

01:34:43,720 --> 01:34:38,400

planet earth for at least 270 million

1721

01:34:46,880 --> 01:34:43,730

years I remember the reaction that

1722

01:34:49,670 --> 01:34:46,890

reactions I have gotten over the years

1723

01:34:51,860 --> 01:34:49,680

when I said I don't need disclosure I've

1724

01:34:54,890 --> 01:34:51,870

seen what I've seen I

1725

01:34:58,070 --> 01:34:54,900

I've witnessed things I've discussed

1726  
01:34:59,060 --> 01:34:58,080  
things I've seen the documents I'm I'm

1727  
01:35:02,360 --> 01:34:59,070  
okay with it

1728  
01:35:05,209 --> 01:35:02,370  
and the reaction I get for this I get

1729  
01:35:08,419 --> 01:35:05,219  
booed they they want what you are

1730  
01:35:11,689 --> 01:35:08,429  
describing there they want that live

1731  
01:35:13,220 --> 01:35:11,699  
televised that's disclosure for them

1732  
01:35:17,570 --> 01:35:13,230  
they're not going to settle for anything

1733  
01:35:20,390 --> 01:35:17,580  
less will they nation show the power

1734  
01:35:23,780 --> 01:35:20,400  
brokers it would be but I think that

1735  
01:35:25,939 --> 01:35:23,790  
we've all been sharing pieces of truth

1736  
01:35:29,240 --> 01:35:25,949  
and how many people I must have a

1737  
01:35:32,090 --> 01:35:29,250  
thousand letters currently in reply to

1738  
01:35:34,729 --> 01:35:32,100

my earthfiles youtube channel broadcast

1739

01:35:38,270 --> 01:35:34,739

that I do on Wednesday night where I put

1740

01:35:41,240 --> 01:35:38,280

out certain questions and at least a

1741

01:35:44,689 --> 01:35:41,250

thousand letters that begin I've never

1742

01:35:47,450 --> 01:35:44,699

told anyone this before and you realize

1743

01:35:50,209 --> 01:35:47,460

that there is this huge interstitial

1744

01:35:53,300 --> 01:35:50,219

plain of civilization of humans that

1745

01:35:54,979 --> 01:35:53,310

they have either been abducted they've

1746

01:35:58,250 --> 01:35:54,989

been up in a beam they've been on a

1747

01:36:00,470 --> 01:35:58,260

craft they've been in a field with

1748

01:36:04,700 --> 01:36:00,480

nonhumans around them they have been

1749

01:36:07,160 --> 01:36:04,710

underground they have been in all sorts

1750

01:36:10,810 --> 01:36:07,170

of situations with things that would

1751

01:36:13,340 --> 01:36:10,820

fall into the category of other

1752

01:36:16,700 --> 01:36:13,350

intelligences that will and let why do I

1753

01:36:19,430 --> 01:36:16,710

stress that because I do I'm now

1754

01:36:23,500 --> 01:36:19,440

personally convinced that we are dealing

1755

01:36:26,030 --> 01:36:23,510

with intelligences from other dimensions

1756

01:36:29,030 --> 01:36:26,040

that we're dealing with intelligences

1757

01:36:31,870 --> 01:36:29,040

from other timelines that we're dealing

1758

01:36:35,689 --> 01:36:31,880

with intelligences from other universes

1759

01:36:38,330 --> 01:36:35,699

not just life in this one particular

1760

01:36:40,880 --> 01:36:38,340

universe I am convinced of that now I

1761

01:36:43,550 --> 01:36:40,890

think that the playing field is that big

1762

01:36:45,459 --> 01:36:43,560

and once you start getting into the

1763

01:36:49,459 --> 01:36:45,469

questions about interdimensional

1764

01:36:52,399 --> 01:36:49,469

penetrations by technologies and portals

1765

01:36:54,910 --> 01:36:52,409

and other intelligences the questions

1766

01:36:58,280 --> 01:36:54,920

that used to be asked about

1767

01:37:02,810 --> 01:36:58,290

quote-unquote extraterrestrials they

1768

01:37:05,000 --> 01:37:02,820

that those questions seem too simple now

1769

01:37:08,510 --> 01:37:05,010

for how complex the whole situation

1770

01:37:12,620 --> 01:37:08,520

yes right and in many ways my friend and

1771

01:37:16,160 --> 01:37:12,630

colleague Jacque Iolei was there first

1772

01:37:20,240 --> 01:37:16,170

with his anatomy of a phenomena that

1773

01:37:22,910 --> 01:37:20,250

went to into looking at mythology's and

1774

01:37:26,540 --> 01:37:22,920

dimensions is one book it's very

1775

01:37:30,320 --> 01:37:26,550

important this entitled dimensions and I

1776

01:37:32,780 --> 01:37:30,330

remember once in a discussion with filet

1777

01:37:35,240 --> 01:37:32,790

and he was saying Linda if we were

1778

01:37:39,470 --> 01:37:35,250

dealing strictly with extraterrestrials

1779

01:37:43,070 --> 01:37:39,480

from this universe we wouldn't have 2000

1780

01:37:45,980 --> 01:37:43,080

sightings a year meaning that he was

1781

01:37:48,710 --> 01:37:45,990

saying they're ever present ok

1782

01:37:52,310 --> 01:37:48,720

the part that was left out of most of

1783

01:37:56,030 --> 01:37:52,320

our discussions back in for me and not

1784

01:38:00,950 --> 01:37:56,040

starting before 79 jacques Valais was

1785

01:38:03,710 --> 01:38:00,960

working in the 60s what is left out was

1786

01:38:06,230 --> 01:38:03,720

the concept that is emerging more and

1787

01:38:09,980 --> 01:38:06,240

more that comes from government

1788

01:38:12,320 --> 01:38:09,990

whistleblowers and others if we have had

1789

01:38:14,420 --> 01:38:12,330

other intelligences that have competed

1790

01:38:17,270 --> 01:38:14,430

with each other over this laboratory

1791

01:38:21,140 --> 01:38:17,280

earth maybe fought each other and that

1792

01:38:25,580 --> 01:38:21,150

there were three that there has been a

1793

01:38:27,710 --> 01:38:25,590

cohabitation in this big huge planet

1794

01:38:31,180 --> 01:38:27,720

that is eight thousand miles in diameter

1795

01:38:36,590 --> 01:38:31,190

25 thousand miles in circumference and

1796

01:38:39,920 --> 01:38:36,600

that surface life you me everybody who

1797

01:38:42,940 --> 01:38:39,930

lives on land on the planet is living on

1798

01:38:45,650 --> 01:38:42,950

this really thin rind of crust of land

1799

01:38:49,880 --> 01:38:45,660

two-thirds of the planet is water and

1800

01:38:52,610 --> 01:38:49,890

that if you have alien intelligences who

1801

01:38:54,890 --> 01:38:52,620

know how to go into matter they know how

1802

01:38:58,430 --> 01:38:54,900

to penetrate matter they're working at

1803

01:39:04,520 --> 01:38:58,440

atomic levels they would just create

1804

01:39:07,400 --> 01:39:04,530

their bases maybe 25 miles down in the

1805

01:39:09,890 --> 01:39:07,410

crap in the crust and that they could it

1806

01:39:13,190 --> 01:39:09,900

would be like a two-story apartment

1807

01:39:15,380 --> 01:39:13,200

building we're on the top right and they

1808

01:39:18,140 --> 01:39:15,390

occupy a tremendous amount of area

1809

01:39:18,800 --> 01:39:18,150

wherever the heck they want to because

1810

01:39:20,630 --> 01:39:18,810

they've got the

1811

01:39:23,200 --> 01:39:20,640

technology and they would do this not

1812

01:39:26,090 --> 01:39:23,210

just on earth they'd be doing this on

1813

01:39:28,970 --> 01:39:26,100

planetary bodies and Moon throughout the

1814

01:39:32,540 --> 01:39:28,980

Milky Way galaxy and that suddenly you

1815

01:39:37,420 --> 01:39:32,550

realize you could have exactly as Robert

1816

01:39:41,720 --> 01:39:37,430

Bigelow said that the nonhumans are

1817

01:39:45,410 --> 01:39:41,730

under our nose figuratively and

1818

01:39:49,370 --> 01:39:45,420

literally and that we have got to begin

1819

01:39:52,040 --> 01:39:49,380

to understand we have never been alone

1820

01:39:55,460 --> 01:39:52,050

in this universe and that defense

1821

01:39:57,200 --> 01:39:55,470

intelligence agencies analysts telling

1822

01:40:00,440 --> 01:39:57,210

me that our government has proof that's

1823

01:40:02,120 --> 01:40:00,450

three competing non-human civilizations

1824

01:40:06,380 --> 01:40:02,130

have been using this planet for at least

1825

01:40:08,570 --> 01:40:06,390

270 million years well homo erectus and

1826

01:40:12,500 --> 01:40:08,580

our current model is only two million

1827

01:40:15,650 --> 01:40:12,510

years old that would mean that waves of

1828

01:40:21,050 --> 01:40:15,660

other intelligences have been using this

1829

01:40:23,390 --> 01:40:21,060

earth for 268 million years beyond the

1830

01:40:25,880 --> 01:40:23,400

first primate that stood up in Africa

1831

01:40:27,770 --> 01:40:25,890

that's right and once once you start

1832

01:40:32,480 --> 01:40:27,780

looking at things in this perspective

1833

01:40:38,150 --> 01:40:32,490

you a whole bunch of other things begin

1834

01:40:40,460 --> 01:40:38,160

to make sense in terms of pyramids the

1835

01:40:43,130 --> 01:40:40,470

concept that there have been pyramid

1836

01:40:47,030 --> 01:40:43,140

builders all throughout this Milky Way

1837

01:40:50,960 --> 01:40:47,040

galaxy goes to a abductee that I talked

1838

01:40:52,520 --> 01:40:50,970

to down in Perth Australia and Sydney

1839

01:40:55,390 --> 01:40:52,530

Australia in that area when I was

1840

01:40:58,370 --> 01:40:55,400

speaking a few years back for Nexus and

1841

01:41:00,680 --> 01:40:58,380

he had written a book was extremely

1842

01:41:03,260 --> 01:41:00,690

articulate and he said that he was

1843

01:41:06,220 --> 01:41:03,270

consciously taken to another planet in

1844

01:41:10,550 --> 01:41:06,230

another system and there were pyramids

1845

01:41:12,560 --> 01:41:10,560

big huge pyramids and he began to

1846

01:41:17,740 --> 01:41:12,570

understand that the pyramids were used

1847

01:41:22,700 --> 01:41:17,750

for too big I'm gonna say technologies

1848

01:41:24,950 --> 01:41:22,710

energy that if the energy was provided

1849

01:41:27,980 --> 01:41:24,960

by the pyramids for the entire planet

1850

01:41:29,810 --> 01:41:27,990

and communication and energy and

1851  
01:41:32,270 --> 01:41:29,820  
communication by pyramids has been

1852  
01:41:35,510 --> 01:41:32,280  
implied as the reason that there were

1853  
01:41:39,500 --> 01:41:35,520  
pyramids on this planet but what are we

1854  
01:41:44,720 --> 01:41:39,510  
fed through the centuries that that

1855  
01:41:49,460 --> 01:41:44,730  
appear Kia was a king's burial chamber

1856  
01:41:52,040 --> 01:41:49,470  
no those pyramids in Egypt were built

1857  
01:41:55,610 --> 01:41:52,050  
for reasons that I think had to do with

1858  
01:42:00,190 --> 01:41:55,620  
energy and you know technology and

1859  
01:42:01,880 --> 01:42:00,200  
communication I was reminded I want to

1860  
01:42:05,150 --> 01:42:01,890  
get back to it

1861  
01:42:08,870 --> 01:42:05,160  
jacques valet for a second I want to

1862  
01:42:12,650 --> 01:42:08,880  
make this very brief I was I was with

1863  
01:42:14,240 --> 01:42:12,660

Jacques for about 30 minutes at contact

1864

01:42:16,340 --> 01:42:14,250

in the desert backstage I was going to

1865

01:42:18,140 --> 01:42:16,350

introduce him and he got there early I

1866

01:42:21,170 --> 01:42:18,150

got there early and so we sat down and

1867

01:42:23,960 --> 01:42:21,180

and talked and at the end of that I'm

1868

01:42:26,330 --> 01:42:23,970

getting ready to go out on stage and

1869

01:42:28,040 --> 01:42:26,340

introduce him and at the end of our

1870

01:42:30,050 --> 01:42:28,050

little conversation I did I said okay

1871

01:42:32,510 --> 01:42:30,060

Jacques I know I know you know what's

1872

01:42:34,700 --> 01:42:32,520

going on just just share it with me

1873

01:42:36,430 --> 01:42:34,710

right now he said Jimmy you know how

1874

01:42:41,120 --> 01:42:36,440

tall he is right he's looking down at me

1875

01:42:43,310 --> 01:42:41,130

and he says if everyone looks at the

1876

01:42:50,210 --> 01:42:43,320

interdimensional aspect they will find

1877

01:42:52,340 --> 01:42:50,220

the answers they seek and it was like a

1878

01:42:54,260 --> 01:42:52,350

lightning bolt in the forehead right and

1879

01:42:56,480 --> 01:42:54,270

now I've got Linda I've got to turn

1880

01:42:57,650 --> 01:42:56,490

around and walk out on stage and

1881

01:43:04,190 --> 01:42:57,660

introduce him I couldn't even

1882

01:43:07,130 --> 01:43:04,200

concentrate it was just you know and I

1883

01:43:09,740 --> 01:43:07,140

think yeah the last week's on my

1884

01:43:13,550 --> 01:43:09,750

earthfiles youtube channel broadcasts I

1885

01:43:17,060 --> 01:43:13,560

have had fascinating stories from people

1886

01:43:19,100 --> 01:43:17,070

who I interview and then put some of

1887

01:43:23,780 --> 01:43:19,110

their stories in my earthfiles youtube

1888

01:43:27,140 --> 01:43:23,790

channel and one on September 11th was

1889

01:43:31,190 --> 01:43:27,150

with a navy military person he sent me

1890

01:43:35,090 --> 01:43:31,200

his DD 214 learned a lot about his

1891

01:43:42,200 --> 01:43:35,100

background and he said that going back

1892

01:43:44,909 --> 01:43:42,210

to 1975 76 . he was on a ship in the

1893

01:43:48,659 --> 01:43:44,919

Bermuda Triangle

1894

01:43:52,409 --> 01:43:48,669

he said all of a sudden clear out of a

1895

01:43:56,219 --> 01:43:52,419

completely clear sky came what looked

1896

01:43:59,129 --> 01:43:56,229

like a purple and green tornado that

1897

01:44:01,379 --> 01:43:59,139

went down on its side when he said that

1898

01:44:04,500 --> 01:44:01,389

I asked him to draw it for me because I

1899

01:44:06,929 --> 01:44:04,510

didn't quite understand so think of a

1900

01:44:08,459 --> 01:44:06,939

purple and green tornado as you have

1901

01:44:13,020 --> 01:44:08,469

seen them in photographs

1902

01:44:16,319 --> 01:44:13,030

and then instead of the tornado rising

1903

01:44:18,569 --> 01:44:16,329

up into the sky right put it down put it

1904

01:44:20,790 --> 01:44:18,579

down on the like like it's hovering

1905

01:44:22,620 --> 01:44:20,800

above the water and that's what he meant

1906

01:44:23,219 --> 01:44:22,630

but they had never seen anything like

1907

01:44:29,250 --> 01:44:23,229

this

1908

01:44:32,669 --> 01:44:29,260

and it was swirling violent there was

1909

01:44:40,009 --> 01:44:32,679

wind associated with this thing

1910

01:44:44,219 --> 01:44:40,019

it was horrendous and then it leaves and

1911

01:44:49,679 --> 01:44:44,229

there on the water in front of our US

1912

01:44:54,000 --> 01:44:49,689

Navy ship is a yacht Oh what he was one

1913

01:44:57,959 --> 01:44:54,010

of the men asked to get in some kind of

1914

01:45:01,169 --> 01:44:57,969

a the air water vehicle and go over to

1915

01:45:01,919 --> 01:45:01,179

the yacht and and board it where did

1916

01:45:05,699 --> 01:45:01,929

this come from

1917

01:45:08,699 --> 01:45:05,709

what in heck was this green and purple

1918

01:45:11,909 --> 01:45:08,709

tornado and they are in the Bermuda

1919

01:45:15,389 --> 01:45:11,919

Triangle this is where they are so he

1920

01:45:18,029 --> 01:45:15,399

had the personal experience of going on

1921

01:45:20,520 --> 01:45:18,039

with some other men onto this yacht that

1922

01:45:27,419 --> 01:45:20,530

just merged out of this purple and green

1923

01:45:30,959 --> 01:45:27,429

tornado and find a 1958 logbook the last

1924

01:45:35,879 --> 01:45:30,969

date with in 1958 it was being written

1925

01:45:39,779 --> 01:45:35,889

by the husband of a family that aboard

1926

01:45:42,229 --> 01:45:39,789

were a husband wife and children that he

1927

01:45:47,159 --> 01:45:42,239

was describing this beautiful calm

1928

01:45:49,290 --> 01:45:47,169

gorgeous day what they had cooked for

1929

01:45:52,679 --> 01:45:49,300

breakfast this is in this nineteen and

1930

01:45:56,850 --> 01:45:52,689

with Ares all these dates 1958 right so

1931

01:45:59,750 --> 01:45:56,860

he says they go back they report it's a

1932

01:46:04,170 --> 01:45:59,760

1958 logbook

1933

01:46:08,550 --> 01:46:04,180

communication is made to some place who

1934

01:46:14,220 --> 01:46:08,560

knows but let's assume Washington and an

1935

01:46:18,120 --> 01:46:14,230

order comes back blow up the yacht blow

1936

01:46:20,040 --> 01:46:18,130

up the yacht now and he heard his

1937

01:46:23,070 --> 01:46:20,050

superior officer tried to say but the

1938

01:46:28,410 --> 01:46:23,080

Serbs it's a perfect craft we could do

1939

01:46:32,840 --> 01:46:28,420

but blow up the yacht now and they all

1940

01:46:38,640 --> 01:46:32,850

watched as they torpedoed this miracle

1941

01:46:42,210 --> 01:46:38,650

this beautiful shiny yacht in the

1942

01:46:44,700 --> 01:46:42,220

Bermuda Triangle and I said to him when

1943

01:46:46,140 --> 01:46:44,710

you were blowing it up assuming this is

1944

01:46:48,750 --> 01:46:46,150

a dimensional rift

1945

01:46:51,810 --> 01:46:48,760

what happened whatever this storm was it

1946

01:46:52,710 --> 01:46:51,820

was about a one of these cracks between

1947

01:46:58,080 --> 01:46:52,720

time and space

1948

01:47:03,510 --> 01:46:58,090

a crack that emerged this 1958 brand new

1949

01:47:11,730 --> 01:47:10,020

a naval ship and what might have

1950

01:47:14,790 --> 01:47:11,740

happened if you're blowing it up what

1951

01:47:18,270 --> 01:47:14,800

happened he said it just blew up Linda

1952

01:47:21,690 --> 01:47:18,280

but he said all of us on the crew we

1953

01:47:27,420 --> 01:47:21,700

were all saying why are they having us

1954

01:47:30,240 --> 01:47:27,430

blow up this beautiful yacht well what

1955

01:47:33,450 --> 01:47:30,250

does our government know about cracks in

1956

01:47:37,170 --> 01:47:33,460

space and time and what comes through

1957

01:47:42,350 --> 01:47:37,180

those cracks it could have an impact in

1958

01:47:44,880 --> 01:47:42,360

what we call our current time line I

1959

01:47:47,040 --> 01:47:44,890

don't know the answer I'm raising the

1960

01:47:53,340 --> 01:47:47,050

question sure is that why they blew it

1961

01:47:56,460 --> 01:47:53,350

up I had okay Linda I'm gonna give you

1962

01:47:57,780 --> 01:47:56,470

the option we've got a we've got a break

1963

01:47:59,520 --> 01:47:57,790

here do you wanna do you want to

1964

01:48:02,790 --> 01:47:59,530

continue this conversation after the

1965

01:48:05,400 --> 01:48:02,800

break okay I see that's that's that's

1966

01:48:07,380 --> 01:48:05,410

why you Linda Malta now that's why

1967

01:48:10,350 --> 01:48:07,390

you're Linda Moulton ow check this out

1968

01:48:11,870 --> 01:48:10,360

I'm gonna I got to tell you the short

1969

01:48:14,700 --> 01:48:11,880

version of the

1970

01:48:18,000 --> 01:48:14,710

experience and then I want your comment

1971

01:48:21,510 --> 01:48:18,010

when we come back 1972

1972

01:48:24,900 --> 01:48:21,520

I'm nine years old I walk out in front

1973

01:48:27,930 --> 01:48:24,910

of our house into the playground on the

1974

01:48:31,320 --> 01:48:27,940

school across the street and I look up

1975

01:48:34,650 --> 01:48:31,330

in the sky and I see what looks like the

1976

01:48:36,900 --> 01:48:34,660

Hindenburg a rigid airship with the ribs

1977

01:48:40,350 --> 01:48:36,910

you know the whole thing right okay and

1978

01:48:44,280 --> 01:48:40,360

I see it and and I chase it across the

1979

01:48:45,810 --> 01:48:44,290

field and it's really low and I know

1980

01:48:47,610 --> 01:48:45,820

what that I'm nine years old I know what

1981

01:48:49,920 --> 01:48:47,620

the Hindenburg looks like it's not the

1982

01:48:53,670 --> 01:48:49,930

Goodyear blimp right this is you know a

1983

01:48:56,190 --> 01:48:53,680

rigid you know dirt Zeppelin it's a

1984

01:48:57,840 --> 01:48:56,200

Zeppelin and I chased it across the

1985

01:49:00,090 --> 01:48:57,850

field until it disappears in the trees

1986

01:49:01,860 --> 01:49:00,100

about six months ago

1987

01:49:04,970 --> 01:49:01,870

and I never forgot this right now I had

1988

01:49:08,100 --> 01:49:04,980

drawn it and as a young kid and and

1989

01:49:11,730 --> 01:49:08,110

everything about six months ago

1990

01:49:15,960 --> 01:49:11,740

I just remembered it so I jumped on the

1991

01:49:20,370 --> 01:49:15,970

internet to find what Navy Zeppelin was

1992

01:49:22,440 --> 01:49:20,380

in Chicago in 1972 hoping I could find

1993

01:49:26,250 --> 01:49:22,450

out which one it was and and you know

1994

01:49:29,990 --> 01:49:26,260

and I find out six months ago that there

1995

01:49:38,040 --> 01:49:30,000

has not been a rigid Zeppelin airship

1996

01:49:39,720 --> 01:49:38,050

anywhere in the world since 1939 like

1997

01:49:43,860 --> 01:49:39,730

that yacht coming through a dimensional

1998

01:49:46,980 --> 01:49:43,870

time crack and what is the physics how

1999

01:49:51,690 --> 01:49:46,990

does it work and the haunting question

2000

01:49:54,660 --> 01:49:51,700

to me where are all of these things when

2001

01:49:57,750 --> 01:49:54,670

they disappear from our timeline our

2002

01:50:01,620 --> 01:49:57,760

dimension where do they go and how do

2003

01:50:04,650 --> 01:50:01,630

they pop back from 58 to 75 and be in

2004

01:50:10,590 --> 01:50:04,660

perfect condition yeah and when when I

2005

01:50:12,870 --> 01:50:10,600

found out my my brain didn't work it

2006

01:50:14,790 --> 01:50:12,880

didn't function when I found out that

2007

01:50:19,220 --> 01:50:14,800

there wasn't anything in the United

2008

01:50:22,290 --> 01:50:19,230

States anywhere in the world since 1939

2009

01:50:23,890 --> 01:50:22,300

now I've got an issue here because I saw

2010

01:50:28,270 --> 01:50:23,900

what I saw

2011

01:50:31,210 --> 01:50:28,280

yeah I can't explain it I have a very

2012

01:50:34,390 --> 01:50:31,220

difficult time with this even admitting

2013

01:50:36,040 --> 01:50:34,400

and telling the story and trying to have

2014

01:50:37,330 --> 01:50:36,050

people understand that I'm just telling

2015

01:50:40,780 --> 01:50:37,340

you the truth I'm telling you the

2016

01:50:43,750 --> 01:50:40,790

experience it's too crazy and then we

2017

01:50:47,560 --> 01:50:43,760

get to the whole big question of are we

2018

01:50:50,470 --> 01:50:47,570

really in a holographic universe that

2019

01:50:55,660 --> 01:50:50,480

Michael Talbot wrote a book about and he

2020

01:50:58,900 --> 01:50:55,670

was an abductee secretly a person that

2021

01:51:02,110 --> 01:50:58,910

Budd Hopkins was working with Talbots

2022

01:51:05,290 --> 01:51:02,120

book it was the holographic universe

2023

01:51:08,560 --> 01:51:05,300

came out I think it was 1992 or 93 it

2024

01:51:12,240 --> 01:51:08,570

was a huge sensation and it was Budd

2025

01:51:18,060 --> 01:51:12,250

Hopkins we told me after how that died

2026

01:51:22,480 --> 01:51:18,070

that the secret was that Michael Talbot

2027

01:51:25,120 --> 01:51:22,490

told bud that the whole book had been

2028

01:51:28,150 --> 01:51:25,130

downloaded from the extraterrestrials

2029

01:51:30,400 --> 01:51:28,160

that he was dealing with the holographic

2030

01:51:33,580 --> 01:51:30,410

universe what if it's a holographic

2031

01:51:36,580 --> 01:51:33,590

universe Jimmy it has to be being

2032

01:51:39,970 --> 01:51:36,590

projected from another dimension

2033

01:51:43,360 --> 01:51:39,980

you can't have the projector in the

2034

01:51:46,840 --> 01:51:43,370

projection so if it's if this universe

2035

01:51:51,340 --> 01:51:46,850

were being projected as a hologram from

2036

01:51:55,510 --> 01:51:51,350

another universe how big is this

2037

01:51:57,070 --> 01:51:55,520

creation story and the dimensionality of

2038

01:52:00,310 --> 01:51:57,080

it I got to take a break right here but

2039

01:52:04,450 --> 01:52:00,320

they did another dimension another world

2040

01:52:07,450 --> 01:52:04,460

is something that fits in string theory

2041

01:52:11,470 --> 01:52:07,460

and it's it's how do I say this

2042

01:52:15,970 --> 01:52:11,480

it's a sliver in width but once you are

2043

01:52:18,850 --> 01:52:15,980

there it is just like here and physics

2044

01:52:21,130 --> 01:52:18,860

and string theory say that and the only

2045

01:52:24,130 --> 01:52:21,140

way that that math works is if these

2046

01:52:26,050 --> 01:52:24,140

extra dimensions actually exist our

2047

01:52:27,370 --> 01:52:26,060

guest tonight is Linda Moulton Howe

2048

01:52:28,900 --> 01:52:27,380

we're going to do some overtime with

2049

01:52:30,730 --> 01:52:28,910

Linda we'll be right back after this

2050

01:52:32,890 --> 01:52:30,740

short break stay with us

2051  
01:52:34,420 --> 01:52:32,900  
fade to black on the GameChanger network

2052  
01:52:38,050 --> 01:52:34,430  
in kg ra the

2053  
01:52:39,970 --> 01:52:38,060  
again follow me on twitter at JD oh and

2054  
01:52:42,520 --> 01:52:39,980  
you can follow Linda on Twitter at

2055  
01:52:42,800 --> 01:52:42,530  
earthfiles we'll be right back stay with

2056  
01:52:54,080 --> 01:52:42,810  
us

2057  
01:52:57,810 --> 01:52:56,460  
welcome back fade to black I'm your host

2058  
01:53:01,010 --> 01:52:57,820  
Jimmy Church our guest tonight Linda

2059  
01:53:04,280 --> 01:53:01,020  
Moulton Howe we are doing some overtime

2060  
01:53:08,400 --> 01:53:04,290  
conversation was not ready to stop and

2061  
01:53:12,410 --> 01:53:08,410  
okay Linda Linda I'm gonna ask you this

2062  
01:53:16,980 --> 01:53:12,420  
question okay I've just here we go

2063  
01:53:21,420 --> 01:53:16,990

flying saucer a craft lands at the at

2064

01:53:23,580 --> 01:53:21,430

the Moulton Howe estate right backyard

2065

01:53:30,060 --> 01:53:23,590

you go out and check it out and they go

2066

01:53:31,830 --> 01:53:30,070

Linda come with us do you go it's a

2067

01:53:35,340 --> 01:53:31,840

really good question

2068

01:53:38,520 --> 01:53:35,350

and I guess the only way I can honestly

2069

01:53:43,140 --> 01:53:38,530

answer it is I have lived my entire life

2070

01:53:45,360 --> 01:53:43,150

by my gut and that whatever I was

2071

01:53:48,590 --> 01:53:45,370

feeling at that moment and whatever I

2072

01:53:53,850 --> 01:53:48,600

was looking at and what ever the

2073

01:53:58,380 --> 01:53:53,860

frequencies were that I would want to be

2074

01:54:01,940 --> 01:53:58,390

able I've always wanted to have that

2075

01:54:04,670 --> 01:54:01,950

experience where I would be with allies

2076  
01:54:08,970 --> 01:54:04,680  
that knew everything about the universe

2077  
01:54:12,270 --> 01:54:08,980  
go on a craft see everything learn

2078  
01:54:14,340 --> 01:54:12,280  
everything that's that that's what makes

2079  
01:54:16,200 --> 01:54:14,350  
me tick in many ways I'm so curious

2080  
01:54:20,570 --> 01:54:16,210  
about the whole universe and I would

2081  
01:54:23,190 --> 01:54:20,580  
love to have a safe friendly

2082  
01:54:26,640 --> 01:54:23,200  
extraterrestrial with the craft show me

2083  
01:54:29,220 --> 01:54:26,650  
the universe but I'm also realistic as

2084  
01:54:32,360 --> 01:54:29,230  
the remote viewers and others in the

2085  
01:54:37,590 --> 01:54:32,370  
military say not everything is friendly

2086  
01:54:40,500 --> 01:54:37,600  
so it's just like earth with people some

2087  
01:54:42,630 --> 01:54:40,510  
you could maybe go with and some you

2088  
01:54:44,880 --> 01:54:42,640

wouldn't want to go with and how are we

2089

01:54:47,490 --> 01:54:44,890

going to be educated and taught the

2090

01:54:50,160 --> 01:54:47,500

difference that's what this probably the

2091

01:54:52,920 --> 01:54:50,170

whole rest of this century is going to

2092

01:54:57,300 --> 01:54:52,930

be about in addition to we have the

2093

01:54:59,150 --> 01:54:57,310

threat of global weather change we're

2094

01:55:03,540 --> 01:54:59,160

going to be introduced to these other

2095

01:55:07,200 --> 01:55:03,550

intelligences how will humanity know

2096

01:55:10,530 --> 01:55:07,210

what to trust that is a big issue

2097

01:55:13,620 --> 01:55:10,540

we've been lied to for millennia so the

2098

01:55:16,860 --> 01:55:13,630

answer is yes then you would go I would

2099

01:55:19,560 --> 01:55:16,870

if I felt the frequencies were right my

2100

01:55:22,050 --> 01:55:19,570

gut was right I would love to go

2101  
01:55:24,420 --> 01:55:22,060  
wouldn't you love to go with somebody

2102  
01:55:27,090 --> 01:55:24,430  
who had a vast intelligence and could

2103  
01:55:29,340 --> 01:55:27,100  
take you around the universe and teach

2104  
01:55:31,830 --> 01:55:29,350  
you all sorts of things and show oh my

2105  
01:55:37,650 --> 01:55:31,840  
lord I would go in a second my only

2106  
01:55:40,320 --> 01:55:37,660  
question would be though the food it

2107  
01:55:43,590 --> 01:55:40,330  
would be a really it would be a really

2108  
01:55:46,710 --> 01:55:43,600  
bad experience if it was bad food for

2109  
01:55:53,190 --> 01:55:46,720  
for a while it's probably not food at

2110  
01:55:55,080 --> 01:55:53,200  
all that would be my only question now

2111  
01:55:57,030 --> 01:55:55,090  
over the weekend I want to get back to

2112  
01:55:58,410 --> 01:55:57,040  
the interdimensional aspect of this but

2113  
01:56:02,400 --> 01:55:58,420

over the weekend I was hosting coasts

2114

01:56:05,700 --> 01:56:02,410

and I had a I had John Greenwald on and

2115

01:56:08,760 --> 01:56:05,710

I asked him this question that I would

2116

01:56:11,640 --> 01:56:08,770

like to ask you which is you went

2117

01:56:16,290 --> 01:56:11,650

through and so did I but you went

2118

01:56:20,550 --> 01:56:16,300

through the the early to mid-90s of some

2119

01:56:24,300 --> 01:56:20,560

pretty exciting ufology times right you

2120

01:56:27,000 --> 01:56:24,310

had Roswell mj-12 and Lazar your

2121

01:56:32,700 --> 01:56:27,010

research and the other things that were

2122

01:56:36,210 --> 01:56:32,710

just exploding out into ufology those

2123

01:56:39,090 --> 01:56:36,220

are actually you have to go back into 83

2124

01:56:43,950 --> 01:56:39,100

is when we got the Eisenhower document

2125

01:56:49,380 --> 01:56:43,960

and then the mj-12 some of the material

2126  
01:56:52,680 --> 01:56:49,390  
about mj-12 the 80s were where it felt I

2127  
01:56:59,610 --> 01:56:52,690  
don't know more ominous and by the early

2128  
01:57:02,940 --> 01:56:59,620  
90s when Bob would when we got the some

2129  
01:57:05,850 --> 01:57:02,950  
of them like Psalm Psalm 101 I remember

2130  
01:57:08,310 --> 01:57:05,860  
that is being pivotal I think it is the

2131  
01:57:11,430 --> 01:57:08,320  
single most important document release

2132  
01:57:14,340 --> 01:57:11,440  
and that Psalm 101 document that Bob

2133  
01:57:16,250 --> 01:57:14,350  
wood blew up from its thirty

2134  
01:57:19,950 --> 01:57:16,260  
five-millimeter and this was a

2135  
01:57:22,770 --> 01:57:19,960  
35-millimeter negative and he made

2136  
01:57:25,620 --> 01:57:22,780  
eight and a half by eleven or eight by

2137  
01:57:27,600 --> 01:57:25,630  
tens from and then I remember there was

2138  
01:57:30,270 --> 01:57:27,610

a group of us half a dozen of us who got

2139

01:57:35,010 --> 01:57:30,280

together at around that time that Bob

2140

01:57:37,170 --> 01:57:35,020

had gotten the film from Don Berliner to

2141

01:57:40,500 --> 01:57:37,180

Stanton Friedman and Stanton called Bob

2142

01:57:43,229 --> 01:57:40,510

and I still remember when there were

2143

01:57:45,930 --> 01:57:43,239

those guys and I were at a conference

2144

01:57:48,030 --> 01:57:45,940

and Bob wanted us to see what he was

2145

01:57:51,180 --> 01:57:48,040

getting from those 35 millimeters so I

2146

01:57:54,120 --> 01:57:51,190

was one of the first people to see the

2147

01:57:56,940 --> 01:57:54,130

content and the psalm 101 training

2148

01:58:00,750 --> 01:57:56,950

manual is about extraterrestrial

2149

01:58:04,229 --> 01:58:00,760

entities and their technology and its

2150

01:58:08,370 --> 01:58:04,239

how to recover and what to do and that

2151

01:58:11,130 --> 01:58:08,380

was at the period then especially 88

2152

01:58:14,340 --> 01:58:11,140

coming into the early 90s it was all

2153

01:58:22,800 --> 01:58:14,350

becoming much harder meaning harder

2154

01:58:25,680 --> 01:58:22,810

evidence and that by 93 1993 was a year

2155

01:58:31,140 --> 01:58:25,690

that if Churchill and Eisenhower had

2156

01:58:35,280 --> 01:58:31,150

agreed with Truman back in the end of

2157

01:58:37,500 --> 01:58:35,290

the World War two that in 50 years they

2158

01:58:40,190 --> 01:58:37,510

would tell the truth that they would

2159

01:58:43,650 --> 01:58:40,200

release the story that was one of the

2160

01:58:47,120 --> 01:58:43,660

apocryphal kind of tales that went

2161

01:58:51,510 --> 01:58:47,130

around that Churchill and Eisenhower and

2162

01:58:54,300 --> 01:58:51,520

Truman had agreed in 50 years and the

2163

01:58:58,620 --> 01:58:54,310

war ended it depends on which year you

2164

01:59:02,459 --> 01:58:58,630

add that 52 but 1993 had been discussed

2165

01:59:04,020 --> 01:59:02,469

as the year when confirmation that we

2166

01:59:09,709 --> 01:59:04,030

were not alone in the universe would

2167

01:59:14,459 --> 01:59:09,719

occur 1993 there was just one amazing

2168

01:59:17,280 --> 01:59:14,469

crack after another but it was also the

2169

01:59:19,709 --> 01:59:17,290

time when there were the political chaos

2170

01:59:24,090 --> 01:59:19,719

around Clinton Bill Clinton remember

2171

01:59:26,670 --> 01:59:24,100

that yes and so whatever might have been

2172

01:59:28,560 --> 01:59:26,680

planned might have been usurped and

2173

01:59:33,540 --> 01:59:28,570

turned upside down because of what was

2174

01:59:36,810 --> 01:59:33,550

happening politically and then the one

2175

01:59:44,010 --> 01:59:36,820

the things from when you go to March

2176  
01:59:48,660 --> 01:59:44,020  
13th 1997 four years after 1993 was the

2177  
01:59:52,230 --> 01:59:48,670  
huge flyover by multiple objects in the

2178  
01:59:55,560 --> 01:59:52,240  
state of Arizona and the most important

2179  
01:59:59,160 --> 01:59:55,570  
thing there was the two-mile long

2180  
02:00:01,830 --> 01:59:59,170  
triangular craft that was seen and

2181  
02:00:05,690 --> 02:00:01,840  
estimates made by real estate people

2182  
02:00:08,040 --> 02:00:05,700  
people on a freeway and that 2 mile long

2183  
02:00:11,730 --> 02:00:08,050  
triangle has been described before and

2184  
02:00:15,030 --> 02:00:11,740  
there's nobody making 2 mile long aerial

2185  
02:00:18,030 --> 02:00:15,040  
triangles in human factories anywhere on

2186  
02:00:23,340 --> 02:00:18,040  
the planet and that was truly the most

2187  
02:00:28,730 --> 02:00:23,350  
important part of March 13th 1997 but

2188  
02:00:32,700 --> 02:00:28,740

the press in Phoenix they put out that

2189

02:00:35,160 --> 02:00:32,710

we'll call it the bow of light and the

2190

02:00:38,790 --> 02:00:35,170

bow of lights are what went out to the

2191

02:00:41,580 --> 02:00:38,800

world and it was probably calculated by

2192

02:00:44,250 --> 02:00:41,590

counter-intel we'll take the bulla of

2193

02:00:47,340 --> 02:00:44,260

light which was only a tiny part of what

2194

02:00:49,620 --> 02:00:47,350

happened in Arizona on that night the

2195

02:00:52,500 --> 02:00:49,630

triangle being the most important and

2196

02:00:54,900 --> 02:00:52,510

orange Globes over Luke Air Force Base

2197

02:00:57,450 --> 02:00:54,910

was another huge phenomena that was not

2198

02:00:59,760 --> 02:00:57,460

very well known to the public everybody

2199

02:01:03,300 --> 02:00:59,770

was thinking about that arc of those

2200

02:01:06,390 --> 02:01:03,310

lights and what happens within was it a

2201  
02:01:11,550 --> 02:01:06,400  
week two weeks Luke Air Force Base said

2202  
02:01:12,960 --> 02:01:11,560  
that they were flares well there I went

2203  
02:01:16,650 --> 02:01:12,970  
down to Phoenix

2204  
02:01:20,910 --> 02:01:16,660  
to interview people we were it was art

2205  
02:01:23,550 --> 02:01:20,920  
Bell and me and we were doing coast and

2206  
02:01:27,570 --> 02:01:23,560  
and dreamland at that time and I went to

2207  
02:01:31,920 --> 02:01:27,580  
Phoenix to interview people and got to

2208  
02:01:33,600 --> 02:01:31,930  
go up on to one of the houses in fact it

2209  
02:01:37,110 --> 02:01:33,610  
was the house that had the original

2210  
02:01:38,610 --> 02:01:37,120  
video that you saw throughout the United

2211  
02:01:42,990 --> 02:01:38,620  
States and the world of that arc of

2212  
02:01:45,120 --> 02:01:43,000  
light the and they I got to go and they

2213  
02:01:46,980 --> 02:01:45,130

set up the tripod and they set up the

2214

02:01:50,460 --> 02:01:46,990

camera on the terrace

2215

02:01:54,780 --> 02:01:50,470

and they pointed it and now it's I'm

2216

02:01:57,600 --> 02:01:54,790

looking and Sun bright sunlight and it

2217

02:02:02,540 --> 02:01:57,610

is pointed right down to the town of

2218

02:02:06,480 --> 02:02:02,550

Phoenix at downtown there were other

2219

02:02:08,370 --> 02:02:06,490

calculations that argued that the ball

2220

02:02:11,550 --> 02:02:08,380

of lights was over the Estrella

2221

02:02:14,090 --> 02:02:11,560

mountains to the west of Phoenix why

2222

02:02:17,640 --> 02:02:14,100

were those kind of confusing

2223

02:02:20,670 --> 02:02:17,650

measurements in something that the the

2224

02:02:23,130 --> 02:02:20,680

people with the cameras knew exactly

2225

02:02:26,850 --> 02:02:23,140

where they had the camera and where they

2226

02:02:30,360 --> 02:02:26,860

were looking so I think that some of

2227

02:02:34,050 --> 02:02:30,370

that around the arc of light flares all

2228

02:02:37,050 --> 02:02:34,060

of it that that came in as confusion and

2229

02:02:40,290 --> 02:02:37,060

counterintelligence after the major

2230

02:02:42,870 --> 02:02:40,300

event of that two-mile-long triangle and

2231

02:02:47,550 --> 02:02:42,880

these strange orange globes and here's

2232

02:02:54,660 --> 02:02:47,560

one other piece I was I think it was

2233

02:02:58,890 --> 02:02:54,670

within a day or two after the March 1997

2234

02:03:00,920 --> 02:02:58,900

event that I got a phone call from a man

2235

02:03:06,710 --> 02:03:00,930

back east in New Jersey

2236

02:03:11,450 --> 02:03:06,720

he ran a boutique computer kind of a lab

2237

02:03:13,740 --> 02:03:11,460

company and they did boutique by

2238

02:03:15,420 --> 02:03:13,750

specifications for the Department of

2239

02:03:21,210 --> 02:03:15,430

Defense but the Pentagon they made

2240

02:03:23,850 --> 02:03:21,220

special computers and art Bell and I had

2241

02:03:27,840 --> 02:03:23,860

known of this man and had talked with

2242

02:03:31,080 --> 02:03:27,850

him before what happened in Phoenix so

2243

02:03:33,390 --> 02:03:31,090

he was a known quantity and we had

2244

02:03:35,690 --> 02:03:33,400

talked to him because of certain things

2245

02:03:38,660 --> 02:03:35,700

that he had learned in relationship to

2246

02:03:41,190 --> 02:03:38,670

UFOs the Department of Defense and

2247

02:03:44,100 --> 02:03:41,200

computers and satellites and then we had

2248

02:03:47,130 --> 02:03:44,110

a background with this guy so after the

2249

02:03:49,710 --> 02:03:47,140

March 13th event I think it was the very

2250

02:03:53,250 --> 02:03:49,720

next night he called me and he said

2251  
02:03:58,920 --> 02:03:53,260  
Linda just want you to know whatever

2252  
02:04:00,930 --> 02:03:58,930  
that was that came over Arizona last

2253  
02:04:03,330 --> 02:04:00,940  
night it took out

2254  
02:04:09,020 --> 02:04:03,340  
one of our most valuable Department of

2255  
02:04:12,420 --> 02:04:09,030  
Defense satellites now there's no proof

2256  
02:04:15,120 --> 02:04:12,430  
but we're back when when you get a call

2257  
02:04:18,570 --> 02:04:15,130  
like that you say what is the chess game

2258  
02:04:20,660 --> 02:04:18,580  
that is being played here what was the

2259  
02:04:24,180 --> 02:04:20,670  
relationship between the two-mile-long

2260  
02:04:29,970 --> 02:04:24,190  
triangle the big orange lights over Luke

2261  
02:04:32,580 --> 02:04:29,980  
Air Force Base the arc of Lights either

2262  
02:04:36,810 --> 02:04:32,590  
over downtown Phoenix or the Estrella

2263  
02:04:39,630 --> 02:04:36,820

mountains or both and a report from

2264

02:04:41,550 --> 02:04:39,640

somebody who was a known quantity that

2265

02:04:44,490 --> 02:04:41,560

they had gotten confidential information

2266

02:04:47,040 --> 02:04:44,500

that at the same time that this was

2267

02:04:49,500 --> 02:04:47,050

happening over Arizona that one of our

2268

02:04:54,689 --> 02:04:49,510

most valuable satellites was taken out

2269

02:04:59,790 --> 02:04:54,699

by something not from here this is why

2270

02:05:03,689 --> 02:04:59,800

to me beginning having confirmation and

2271

02:05:06,900 --> 02:05:03,699

then being told honestly we have allies

2272

02:05:10,320 --> 02:05:06,910

we have hostiles and there are neutrals

2273

02:05:14,790 --> 02:05:10,330

that we the human family we deserve to

2274

02:05:19,740 --> 02:05:14,800

be told the whole truth do you think

2275

02:05:21,660 --> 02:05:19,750

that's why the the the space force is

2276

02:05:25,740 --> 02:05:21,670

suddenly in the space command has been

2277

02:05:30,030 --> 02:05:25,750

formed and this conversation about you

2278

02:05:32,520 --> 02:05:30,040

know the the the defense not only and

2279

02:05:36,110 --> 02:05:32,530

the wording that came out last week from

2280

02:05:39,320 --> 02:05:36,120

the Air Force about this that both

2281

02:05:43,410 --> 02:05:39,330

offensive and defensive capabilities

2282

02:05:47,100 --> 02:05:43,420

need to be in space now I read that and

2283

02:05:49,320 --> 02:05:47,110

underline that sentence I hear it let me

2284

02:05:54,360 --> 02:05:49,330

give you the context of what I think is

2285

02:05:57,990 --> 02:05:54,370

the real truth Spartan one the Navy SEAL

2286

02:06:00,600 --> 02:05:58,000

that I was able to work with back

2287

02:06:05,160 --> 02:06:00,610

lighted and voice altered in my video

2288

02:06:08,910 --> 02:06:05,170

about Antarctica and Spartan to the

2289

02:06:13,890 --> 02:06:08,920

Marines they both had knowledge that

2290

02:06:14,790 --> 02:06:13,900

since the 1970s we have had interstellar

2291

02:06:18,300 --> 02:06:14,800

trade

2292

02:06:21,060 --> 02:06:18,310

with the help of some ally non-human and

2293

02:06:23,070 --> 02:06:21,070

that in the interstellar trade route we

2294

02:06:26,270 --> 02:06:23,080

have been getting rare metals and

2295

02:06:30,570 --> 02:06:26,280

various things and that would mean that

2296

02:06:35,400 --> 02:06:30,580

we would have an ally ship ally ally

2297

02:06:38,220 --> 02:06:35,410

ship a friend helping us in the United

2298

02:06:41,130 --> 02:06:38,230

States and China may have such a thing

2299

02:06:43,820 --> 02:06:41,140

Russia may have such a thing but that we

2300

02:06:50,150 --> 02:06:43,830

had had in ur cellar trade routes and

2301

02:06:53,430 --> 02:06:50,160

this would mean that our relationship

2302

02:06:56,880 --> 02:06:53,440

going back to the 70s and probably into

2303

02:06:59,520 --> 02:06:56,890

the 60s in the Apollo program is where

2304

02:07:01,970 --> 02:06:59,530

we began having some kind of

2305

02:07:05,340 --> 02:07:01,980

relationships with non-human

2306

02:07:09,300 --> 02:07:05,350

intelligences for reasons that are not

2307

02:07:12,720 --> 02:07:09,310

exactly clear but that there as a

2308

02:07:16,050 --> 02:07:12,730

Spartan one said with I've been told

2309

02:07:21,410 --> 02:07:16,060

that without those allies we may not be

2310

02:07:26,190 --> 02:07:21,420

here so there has been all of these

2311

02:07:28,110 --> 02:07:26,200

below the surface the black but makes

2312

02:07:31,710 --> 02:07:28,120

talk about the black world versus the

2313

02:07:34,230 --> 02:07:31,720

white world that the knowledge and the

2314

02:07:37,020 --> 02:07:34,240

sophistication and the relationships

2315

02:07:39,840 --> 02:07:37,030

that have been going on apparently to

2316

02:07:41,970 --> 02:07:39,850

some degree with advanced intelligences

2317

02:07:48,510 --> 02:07:41,980

that have helped us have been going on

2318

02:07:53,160 --> 02:07:48,520

since the 70s and who comes in and would

2319

02:07:55,970 --> 02:07:53,170

melt a satellite who is that and then

2320

02:07:59,880 --> 02:07:55,980

are there subsequent subsequent wars

2321

02:08:02,820 --> 02:07:59,890

between non humans and nonhumans the

2322

02:08:04,560 --> 02:08:02,830

Allies and the hostiles I don't know the

2323

02:08:08,370 --> 02:08:04,570

answers to those questions but I know

2324

02:08:12,360 --> 02:08:08,380

that it is implied that we have been

2325

02:08:13,140 --> 02:08:12,370

working with nonhumans for a very very

2326

02:08:17,190 --> 02:08:13,150

long time

2327

02:08:20,820 --> 02:08:17,200

when you have all of the over the last

2328

02:08:23,820 --> 02:08:20,830

couple of months the the Senate and you

2329

02:08:26,060 --> 02:08:23,830

know Capitol Hill being briefed on you

2330

02:08:28,280 --> 02:08:26,070

APs and the

2331

02:08:30,970 --> 02:08:28,290

involved and last week the the Navy

2332

02:08:34,339 --> 02:08:30,980

announcing that for the first time using

2333

02:08:37,040 --> 02:08:34,349

UAP to describe the three videos that

2334

02:08:42,280 --> 02:08:37,050

were released last year President Trump

2335

02:08:44,959 --> 02:08:42,290

talking UFOs write a national television

2336

02:08:48,649 --> 02:08:44,969

they're implying that they're trying to

2337

02:08:50,510 --> 02:08:48,659

seek answers I think you and I and most

2338

02:08:53,330 --> 02:08:50,520

would agree that they already have those

2339

02:08:59,080 --> 02:08:53,340

answers but we're you know it's like

2340

02:09:02,930 --> 02:09:01,100

communication between the rest of the

2341

02:09:06,080 --> 02:09:02,940

world and actually what is going on what

2342

02:09:09,379 --> 02:09:06,090

do you make of that the sudden me yeah I

2343

02:09:13,669 --> 02:09:09,389

think the metaphor is wallpaper they are

2344

02:09:17,060 --> 02:09:13,679

trying to wallpaper the white world and

2345

02:09:20,600 --> 02:09:17,070

the black world so that people will not

2346

02:09:23,540 --> 02:09:20,610

see what the black world has done and

2347

02:09:26,510 --> 02:09:23,550

they want the white world and the black

2348

02:09:28,550 --> 02:09:26,520

world to sort of be covered over that

2349

02:09:31,339 --> 02:09:28,560

they're making bridges that the the

2350

02:09:34,850 --> 02:09:31,349

space force my point was if we have had

2351  
02:09:36,740 --> 02:09:34,860  
interstellar trade since the 1970s then

2352  
02:09:40,370 --> 02:09:36,750  
the discussion of a brand-new space

2353  
02:09:43,459 --> 02:09:40,380  
force today that's that's just it's

2354  
02:09:46,660 --> 02:09:43,469  
window dressing it's sloppy bring over

2355  
02:09:51,680 --> 02:09:46,670  
the reality and what they need so badly

2356  
02:09:54,649 --> 02:09:51,690  
they need a public trip that establishes

2357  
02:09:56,600 --> 02:09:54,659  
quote-unquote a public base on Mars

2358  
02:09:58,790 --> 02:09:56,610  
which I understand that they have been

2359  
02:10:02,089 --> 02:09:58,800  
going to Mars and a base there since the

2360  
02:10:05,359 --> 02:10:02,099  
70s as well they need something that

2361  
02:10:07,339 --> 02:10:05,369  
would explain to the general world this

2362  
02:10:09,740 --> 02:10:07,349  
Oh a light on Mars

2363  
02:10:13,700 --> 02:10:09,750

oh well that's Elon Musk out lighting a

2364

02:10:17,149 --> 02:10:13,710

cigarette right I'm just silly but

2365

02:10:19,760 --> 02:10:17,159

they've got to have or when I say

2366

02:10:23,600 --> 02:10:19,770

they've got what I mean is they want to

2367

02:10:25,760 --> 02:10:23,610

be able to cover up everything that they

2368

02:10:29,959 --> 02:10:25,770

are doing on the Moon and Mars and

2369

02:10:32,390 --> 02:10:29,969

probably beyond now in this as we move

2370

02:10:34,520 --> 02:10:32,400

to the middle of the 21st century

2371

02:10:37,040 --> 02:10:34,530

they've got to have things that will

2372

02:10:39,620 --> 02:10:37,050

cover up what they're already doing and

2373

02:10:43,070 --> 02:10:39,630

so I think that the space

2374

02:10:47,210 --> 02:10:43,080

fourth is another one of those wallpaper

2375

02:10:50,740 --> 02:10:47,220

efforts the space force will then become

2376

02:10:55,100 --> 02:10:50,750

what the media and the public at large

2377

02:10:59,030 --> 02:10:55,110

get sort of I don't know what would you

2378

02:11:02,270 --> 02:10:59,040

call it that they the space force will

2379

02:11:05,710 --> 02:11:02,280

become the hallway through which they

2380

02:11:09,650 --> 02:11:05,720

will take the public in the media into

2381

02:11:11,750 --> 02:11:09,660

we we're going to now have a space force

2382

02:11:13,850 --> 02:11:11,760

that will be offensive and defensive

2383

02:11:16,820 --> 02:11:13,860

they've already had it they already have

2384

02:11:20,720 --> 02:11:16,830

it but they want to have this wallpaper

2385

02:11:23,360 --> 02:11:20,730

so that they can do it in a transition

2386

02:11:25,940 --> 02:11:23,370

that quote unquote won't be shocking to

2387

02:11:30,440 --> 02:11:25,950

the world but what I said before that

2388

02:11:33,710 --> 02:11:30,450

last break I do not think that humans on

2389

02:11:36,040 --> 02:11:33,720

this planet should be coddled I think we

2390

02:11:39,500 --> 02:11:36,050

deserve to know absolutely everything

2391

02:11:42,200 --> 02:11:39,510

that the so-called powers Abid know and

2392

02:11:44,090 --> 02:11:42,210

that that's the only way that humans are

2393

02:11:46,610 --> 02:11:44,100

going to grow up and it may be the only

2394

02:11:50,270 --> 02:11:46,620

way that humans will stop fighting and

2395

02:11:52,880 --> 02:11:50,280

killing each other it's when they are

2396

02:11:56,560 --> 02:11:52,890

not cuddled and they are told the whole

2397

02:12:00,710 --> 02:11:56,570

truth about interdimensional realities

2398

02:12:04,610 --> 02:12:00,720

timeline manipulation of all kinds of

2399

02:12:09,380 --> 02:12:04,620

things that would then make humans look

2400

02:12:13,040 --> 02:12:09,390

at each other perhaps as allies of a

2401

02:12:14,960 --> 02:12:13,050

species in a universe that is so far

2402

02:12:17,900 --> 02:12:14,970

different than what we've been taught

2403

02:12:21,560 --> 02:12:17,910

and that's where I think that

2404

02:12:23,720 --> 02:12:21,570

confirmation that it's all other

2405

02:12:26,270 --> 02:12:23,730

intelligences they're all there and

2406

02:12:29,360 --> 02:12:26,280

there is good and there's bad and

2407

02:12:33,380 --> 02:12:29,370

there's neutral and just like on earth

2408

02:12:37,310 --> 02:12:33,390

and if we are taught the truth about is

2409

02:12:41,420 --> 02:12:37,320

this a holographic universe is it being

2410

02:12:44,390 --> 02:12:41,430

projected if it is why are we in it and

2411

02:12:48,290 --> 02:12:44,400

why is what in the holographic universe

2412

02:12:51,320 --> 02:12:48,300

there I don't find any of this scary I

2413

02:12:53,430 --> 02:12:51,330

find it exciting I want to know

2414

02:12:55,890 --> 02:12:53,440

everything I can possibly

2415

02:12:58,770 --> 02:12:55,900

we know about the universe we are in and

2416

02:13:01,290 --> 02:12:58,780

the cosmos that we are in and when I

2417

02:13:05,400 --> 02:13:01,300

talk with roger penrose last year

2418

02:13:10,950 --> 02:13:05,410

brilliant man about his book cycle of

2419

02:13:14,520 --> 02:13:10,960

time he is personally convinced that

2420

02:13:20,189 --> 02:13:14,530

there really isn't a singularity that it

2421

02:13:24,630 --> 02:13:20,199

is almost like infinite cycles of phases

2422

02:13:29,189 --> 02:13:24,640

of universes and dimensions and when you

2423

02:13:35,040 --> 02:13:29,199

start having your mind stretched to

2424

02:13:38,939 --> 02:13:35,050

think that infinity a cosmos

2425

02:13:42,780 --> 02:13:38,949

a divine field that has no beginning and

2426  
02:13:49,010 --> 02:13:42,790  
no end right and that every single thing

2427  
02:13:54,959 --> 02:13:49,020  
in it is constantly cycling recycling

2428  
02:13:58,229 --> 02:13:54,969  
evolving changing and we are alive on

2429  
02:14:01,110 --> 02:13:58,239  
this magnificent earth I think this

2430  
02:14:05,990 --> 02:14:01,120  
earth is incredible - we just give it a

2431  
02:14:12,060 --> 02:14:06,000  
chance that you have had the experience

2432  
02:14:14,640 --> 02:14:12,070  
of being alive on this amazing earth at

2433  
02:14:17,010 --> 02:14:14,650  
the time that where a lot of us were

2434  
02:14:19,439 --> 02:14:17,020  
able to have the excitement of knowing

2435  
02:14:23,400 --> 02:14:19,449  
the Apollo program watching live

2436  
02:14:26,000 --> 02:14:23,410  
television at the Armstrong landing of

2437  
02:14:29,790 --> 02:14:26,010  
the evolution to where we are now

2438  
02:14:31,439 --> 02:14:29,800

knowing in my case the many military

2439

02:14:34,800 --> 02:14:31,449

people have talked to me about their

2440

02:14:36,750 --> 02:14:34,810

face to face with nonhumans not that

2441

02:14:41,130 --> 02:14:36,760

they don't beat around the bush but

2442

02:14:44,520 --> 02:14:41,140

they've worked with nonhumans and when

2443

02:14:48,300 --> 02:14:44,530

you say why can't the whole planet be

2444

02:14:53,280 --> 02:14:48,310

told this the vast majority of those

2445

02:14:57,689 --> 02:14:53,290

people say we don't know so Paul has a

2446

02:15:03,240 --> 02:14:57,699

vested interest in keeping Homo sapiens

2447

02:15:05,280 --> 02:15:03,250

sapiens dumb and blind who has a vested

2448

02:15:08,970 --> 02:15:05,290

interest in

2449

02:15:12,610 --> 02:15:08,980

those that profit off of it that's who

2450

02:15:15,760 --> 02:15:12,620

that's the sad part about it yeah it's

2451

02:15:19,450 --> 02:15:15,770

those that those that profit off of it

2452

02:15:22,780 --> 02:15:19,460

Linda incredible conversation young lady

2453

02:15:24,730 --> 02:15:22,790

thank you so much and really quick it's

2454

02:15:27,820 --> 02:15:24,740

always fun talking with you and I think

2455

02:15:30,970 --> 02:15:27,830

it's because we know our audiences now

2456

02:15:34,650 --> 02:15:30,980

are they've evolved they have grown I

2457

02:15:38,440 --> 02:15:34,660

get the most amazing letters and

2458

02:15:41,590 --> 02:15:38,450

experiences and people are way way

2459

02:15:44,560 --> 02:15:41,600

beyond asking anything about are we

2460

02:15:48,010 --> 02:15:44,570

going to have a space force I am an

2461

02:15:50,650 --> 02:15:48,020

event that my fellow human beings I'm

2462

02:15:53,050 --> 02:15:50,660

more than ready for the truth that were

2463

02:15:57,100 --> 02:15:53,060

not alone in this universe and that it

2464

02:16:00,430 --> 02:15:57,110

is high time in 2019 or 2020 that we get

2465

02:16:03,250 --> 02:16:00,440

confirmation that were not alone

2466

02:16:06,790 --> 02:16:03,260

tell us about your YouTube live that you

2467

02:16:11,070 --> 02:16:06,800

do each Wednesday night well it's really

2468

02:16:14,370 --> 02:16:11,080

fun and I go from 7:30 to 8:30 p.m.

2469

02:16:20,140 --> 02:16:14,380

mountain time and in all time zones and

2470

02:16:23,700 --> 02:16:20,150

I they don't over program I try to stay

2471

02:16:27,700 --> 02:16:23,710

with what are the exciting headlines and

2472

02:16:30,910 --> 02:16:27,710

I'm delving into all of these masses of

2473

02:16:34,270 --> 02:16:30,920

letters that I'm get getting with people

2474

02:16:36,760 --> 02:16:34,280

saying Linda I have never told anyone

2475

02:16:39,100 --> 02:16:36,770

X Y or Z it could be out-of-body it

2476

02:16:40,720 --> 02:16:39,110

could be straightforward discussions

2477

02:16:43,780 --> 02:16:40,730

with something that seems to be an

2478

02:16:45,970 --> 02:16:43,790

extraterrestrial it could be in dreams

2479

02:16:49,000 --> 02:16:45,980

about a future in which there may be

2480

02:16:53,080 --> 02:16:49,010

some kind of an apocalyptic event on the

2481

02:16:56,530 --> 02:16:53,090

planet it could be having to do have you

2482

02:16:58,360 --> 02:16:56,540

been someplace and you've seen what you

2483

02:17:00,640 --> 02:16:58,370

thought was a person in front of you and

2484

02:17:03,460 --> 02:17:00,650

they disappear it's amazing how many

2485

02:17:06,460 --> 02:17:03,470

people have had that experience and if

2486

02:17:08,980 --> 02:17:06,470

people all over the planet have had

2487

02:17:12,460 --> 02:17:08,990

experiences of seeing what they thought

2488

02:17:16,300 --> 02:17:12,470

were humans popped right out in front of

2489

02:17:18,070 --> 02:17:16,310

them is that related directly to what

2490

02:17:21,040 --> 02:17:18,080

jock Bolle when he wrote

2491

02:17:22,950 --> 02:17:21,050

dimensions when he says inner dimensions

2492

02:17:26,650 --> 02:17:22,960

and dimensions is the key to all of this

2493

02:17:30,280 --> 02:17:26,660

but there are intelligences that are

2494

02:17:33,490 --> 02:17:30,290

popping in and out of our matter world

2495

02:17:35,950 --> 02:17:33,500

frequency in this specific dimensional

2496

02:17:40,290 --> 02:17:35,960

frequency because they have the

2497

02:17:43,180 --> 02:17:40,300

technology to move frequencies

2498

02:17:45,760 --> 02:17:43,190

dimensions the way we would play notes

2499

02:17:49,120 --> 02:17:45,770

on a piano and I think that there's

2500

02:17:52,000 --> 02:17:49,130

something very close to that and then is

2501  
02:17:55,510 --> 02:17:52,010  
the excitement and we get into this on

2502  
02:17:59,860 --> 02:17:55,520  
my earthfiles youtube channel when I go

2503  
02:18:03,100 --> 02:17:59,870  
into exciting news headlines I usually

2504  
02:18:07,900 --> 02:18:03,110  
have a theme that I then go into and

2505  
02:18:12,010 --> 02:18:07,910  
talk about and the chats have some of

2506  
02:18:14,350 --> 02:18:12,020  
the most amazing communication and so I

2507  
02:18:16,060 --> 02:18:14,360  
feel like that what's happening in my

2508  
02:18:19,720 --> 02:18:16,070  
earthfiles YouTube channel on Wednesday

2509  
02:18:22,780 --> 02:18:19,730  
night is that I am having a dialog with

2510  
02:18:26,770 --> 02:18:22,790  
the world I'm getting letters from all

2511  
02:18:30,459 --> 02:18:26,780  
over the world a lot of people can write

2512  
02:18:32,860 --> 02:18:30,469  
in English coming from Korea or from

2513  
02:18:35,740 --> 02:18:32,870

another country or they get somebody to

2514

02:18:38,770 --> 02:18:35,750

write to me in English and then in

2515

02:18:42,280 --> 02:18:38,780

emails I get from all over the world and

2516

02:18:45,100 --> 02:18:42,290

they can do translations so I'm

2517

02:18:47,550 --> 02:18:45,110

beginning to feel like I have an

2518

02:18:51,730 --> 02:18:47,560

audience it's growing growing growing

2519

02:18:54,490 --> 02:18:51,740

that is global and that the people who

2520

02:18:57,790 --> 02:18:54,500

are beginning to talk about subjects

2521

02:19:01,629 --> 02:18:57,800

they have never opened up before I feel

2522

02:19:06,300 --> 02:19:01,639

that kind of excitement when I click in

2523

02:19:09,270 --> 02:19:06,310

live at 7:30 p.m. not knowing exactly

2524

02:19:12,220 --> 02:19:09,280

what I'm going to learn from my audience

2525

02:19:16,390 --> 02:19:12,230

by the end of that hour in the chats

2526

02:19:21,669 --> 02:19:16,400

that come later and so it's sort of like

2527

02:19:22,480 --> 02:19:21,679

a live event in which anything could

2528

02:19:25,810 --> 02:19:22,490

happen

2529

02:19:29,020 --> 02:19:25,820

leading right up to 7:30 p.m. and I may

2530

02:19:31,060 --> 02:19:29,030

have had one breaking news headline I

2531

02:19:31,929 --> 02:19:31,070

was going to lead with and something

2532

02:19:35,439 --> 02:19:31,939

else comes in

2533

02:19:38,910 --> 02:19:35,449

and I go live with whatever is the most

2534

02:19:42,160 --> 02:19:38,920

interesting and exciting to start so I

2535

02:19:47,559 --> 02:19:42,170

want to say to all of you who are coming

2536

02:19:50,080 --> 02:19:47,569

that I love this interaction with an

2537

02:19:52,830 --> 02:19:50,090

audience about it's everything

2538

02:19:55,899 --> 02:19:52,840

it isn't just UFOs and other

2539

02:19:59,340 --> 02:19:55,909

intelligences it has a lot to do with

2540

02:20:02,590 --> 02:19:59,350

what is the nature of the soul we've had

2541

02:20:05,649 --> 02:20:02,600

penetrating profound programs on that

2542

02:20:09,729 --> 02:20:05,659

and the letters that I have gotten from

2543

02:20:12,279 --> 02:20:09,739

people who have had experiences with say

2544

02:20:15,429 --> 02:20:12,289

they're dying parent and are convinced

2545

02:20:19,239 --> 02:20:15,439

that the soul of their parent came back

2546

02:20:26,349 --> 02:20:19,249

to them or whatever it is that our our

2547

02:20:30,580 --> 02:20:26,359

body our organic body is not all that we

2548

02:20:35,170 --> 02:20:30,590

are and that that animating force that

2549

02:20:38,170 --> 02:20:35,180

word soul it comes up in the abductions

2550

02:20:41,469 --> 02:20:38,180

where the people in abductions will get

2551  
02:20:44,410 --> 02:20:41,479  
a telepathic impression from whatever

2552  
02:20:46,750 --> 02:20:44,420  
entity is in front of them that refers

2553  
02:20:51,250 --> 02:20:46,760  
to their entity this has happened in

2554  
02:20:57,189 --> 02:20:51,260  
many cases as if there is great interest

2555  
02:21:00,969 --> 02:20:57,199  
in the sole entity that gives thee I

2556  
02:21:04,420 --> 02:21:00,979  
think it's the life force to the life of

2557  
02:21:06,849 --> 02:21:04,430  
humans and that ultimately one of the

2558  
02:21:10,830 --> 02:21:06,859  
most interesting shows I did was a

2559  
02:21:14,500 --> 02:21:10,840  
discussion about what is the true

2560  
02:21:18,639 --> 02:21:14,510  
special force of the human soul and

2561  
02:21:22,210 --> 02:21:18,649  
maybe if we knew the whole truth of this

2562  
02:21:26,080 --> 02:21:22,220  
whole universe other universes other

2563  
02:21:28,960 --> 02:21:26,090

dimensions other timelines that we would

2564

02:21:31,920 --> 02:21:28,970

know that the divine field may be pulled

2565

02:21:35,620 --> 02:21:31,930

the rug out from under from under

2566

02:21:39,760 --> 02:21:35,630

manipulating intelligences and placed a

2567

02:21:42,849 --> 02:21:39,770

strong vibrant unique soul in evolving

2568

02:21:45,430 --> 02:21:42,859

primates on earth and that's the power

2569

02:21:50,790 --> 02:21:45,440

of the human soul

2570

02:21:54,960 --> 02:21:50,800

is longed for an envied by the

2571

02:21:57,580 --> 02:21:54,970

artificial intelligences and the other

2572

02:22:00,490 --> 02:21:57,590

intelligences that interact with us and

2573

02:22:04,870 --> 02:22:00,500

that if we knew that truth and we lived

2574

02:22:07,560 --> 02:22:04,880

that truth how could Homo Sapien sapien

2575

02:22:11,470 --> 02:22:07,570

ever kill each other again
