[Music]

2
00:00:20,080 --> 00:00:16,970

this hope radio for the masses headliner

3
00:00:21,700 --> 00:00:20,090

the food variety might be a felony the

4
00:00:24,040 --> 00:00:21,710

Army Air Force has announced that a

5
00:00:26,620 --> 00:00:24,050

flying death has been found and is now

6
00:00:30,179 --> 00:00:26,630

in the possession of the army the babies

7
00:00:33,000 --> 00:00:30,189

would change the game game changer I

8
00:00:37,329 --> 00:00:33,010

occasionally think how quickly our

9
00:00:39,850 --> 00:00:37,339

differences worldwide would vanish if we

10
00:00:43,210 --> 00:00:39,860

were facing an alien threat from outside

11
00:00:48,419 --> 00:00:45,689

[Applause]

12
00:00:51,389 --> 00:00:48,429

this is fade to black with your host

13
00:00:54,840 --> 00:00:51,399

Jimmy Church on the game changer radio

14

00:00:58,520 --> 00:00:54,850

network and K GRA

15

00:00:58,530 --> 00:01:03,580

your help to get to the year nineteen

16

00:01:09,440 --> 00:01:07,280

[Music]

17

00:01:12,370 --> 00:01:09,450

you're listening to fade to black with

18

00:01:21,539 --> 00:01:12,380

Jimmy judge on the game-changing network

19

00:01:25,470 --> 00:01:21,549

[Music]

20

00:01:37,990 --> 00:01:33,960

the spoke radio for the bat says a shite

21

00:01:42,280 --> 00:01:38,000

high in doing hey done today's Monday

22

00:01:44,940 --> 00:01:42,290

September 20 30 2019 267 days into the

23

00:01:51,140 --> 00:01:44,950

new year just 98 days left

24

00:01:54,470 --> 00:01:51,150

[Music]

25

00:01:55,790 --> 00:01:54,480

we are live from a bunker somewhere in

26
00:01:57,740 --> 00:01:55,800
the middle of beautiful downtown Burbank

27
00:01:59,540 --> 00:01:57,750
California and I would like to welcome

28
00:02:05,270 --> 00:01:59,550
everybody listening all around the world

29
00:02:08,420 --> 00:02:05,280
all across the United States hither and

30
00:02:10,880 --> 00:02:08,430
thither to and fro back and forth up and

31
00:02:12,760 --> 00:02:10,890
down east and west north and south far

32
00:02:15,890 --> 00:02:12,770
and near

33
00:02:18,500 --> 00:02:15,900
this is fade to black for kjc are the

34
00:02:20,480 --> 00:02:18,510
game changer network in kg ra the planet

35
00:02:22,130 --> 00:02:20,490
I am your host Jimmy Church what is

36
00:02:31,990 --> 00:02:22,140
cracking everybody how you doing it's

37
00:02:38,330 --> 00:02:35,690
tonight very special guests Whitley

38
00:02:40,130 --> 00:02:38,340

Strieber is here will be night tonight

39

00:02:42,140 --> 00:02:40,140

are gonna have a very open conversation

40

00:02:45,590 --> 00:02:42,150

about et you opposed what's going on

41

00:02:47,210 --> 00:02:45,600

today yeah

42

00:02:51,170 --> 00:02:47,220

I'm gonna spin it around a little bit I

43

00:02:52,880 --> 00:02:51,180

want Whitley's opinion on everything of

44

00:02:56,030 --> 00:02:52,890

course the author of the communion

45

00:02:57,620 --> 00:02:56,040

series of books and many novels ranging

46

00:03:00,770 --> 00:02:57,630

from the Wolfman to the hunger to the

47

00:03:03,350 --> 00:03:00,780

greys and his exciting Alien Hunter

48

00:03:05,690 --> 00:03:03,360

series communion the wolf and the hunger

49

00:03:08,240 --> 00:03:05,700

and superstorm have all been made into

50

00:03:10,780 --> 00:03:08,250

movies super storm as the day after

51
00:03:13,370 --> 00:03:10,790
tomorrow I actually watched that last

52
00:03:15,110 --> 00:03:13,380
week tonight we're gonna have a very

53
00:03:17,479 --> 00:03:15,120
open conversation on the current state

54
00:03:20,960 --> 00:03:17,489
of UFOs did he contact our government

55
00:03:22,970 --> 00:03:20,970
community and dive deep in with someone

56
00:03:25,010 --> 00:03:22,980
who has been researching the subject for

57
00:03:26,390 --> 00:03:25,020
the last four decades and I would like

58
00:03:28,250 --> 00:03:26,400
to welcome back to fade to black our

59
00:03:33,100 --> 00:03:28,260
good friend Whitley Strieber Whitley

60
00:03:37,910 --> 00:03:33,110
good evening how are you man Oh Whitley

61
00:03:41,410 --> 00:03:37,920
dropped right as I said Whitley oh let

62
00:03:45,170 --> 00:03:41,420
me pull him back up here was bizarre

63
00:03:48,470 --> 00:03:45,180

whit Whitley Whitley good evening good

64

00:03:51,560 --> 00:03:48,480

evening oh that was that was bizarre you

65

00:03:54,199 --> 00:03:51,570

dropped as I said good evening yeah it

66

00:03:55,310 --> 00:03:54,209

was very strange yeah I was here and

67

00:03:57,290 --> 00:03:55,320

then you weren't

68

00:04:00,319 --> 00:03:57,300

you're anymore you know you know what's

69

00:04:03,080 --> 00:04:00,329

funny Whitley let's let's start off here

70

00:04:04,290 --> 00:04:03,090

actually I just mentioned you know

71

00:04:06,540 --> 00:04:04,300

you've been doing this for

72

00:04:09,960 --> 00:04:06,550

you know for decades right it's pretty

73

00:04:13,470 --> 00:04:09,970

crazy to think about God but at any

74

00:04:16,740 --> 00:04:13,480

point I I don't freak out anymore when

75

00:04:20,400 --> 00:04:16,750

it comes to interference or technical

76

00:04:23,460 --> 00:04:20,410

difficulties it's just it's just part of

77

00:04:24,120 --> 00:04:23,470

the game isn't it do things affect you

78

00:04:27,900 --> 00:04:24,130

anymore

79

00:04:30,690 --> 00:04:27,910

oh listen dreamland hardly a week passes

80

00:04:34,020 --> 00:04:30,700

that weird stuff doesn't happen a couple

81

00:04:37,350 --> 00:04:34,030

shows ago I forget which one it was we

82

00:04:40,560 --> 00:04:37,360

had someone else on the line oh yeah it

83

00:04:45,240 --> 00:04:40,570

the show hasn't aired yet it's with a

84

00:04:48,360 --> 00:04:45,250

guy named Alan Steinfeld mmm-hmm

85

00:04:51,330 --> 00:04:48,370

interesting guy mm-hmm and a lot of

86

00:04:54,360 --> 00:04:51,340

experiences and the really bright guy

87

00:04:56,340 --> 00:04:54,370

anyway you could hear and it's

88

00:04:58,050 --> 00:04:56,350

especially true when I talked to close

89

00:05:01,110 --> 00:04:58,060

encounter witnesses and abdic T's you

90

00:05:03,210 --> 00:05:01,120

could hear someone picking up the phone

91

00:05:05,400 --> 00:05:03,220

and putting it down again and breathing

92

00:05:07,380 --> 00:05:05,410

into the line and stuff and that's just

93

00:05:09,090 --> 00:05:07,390

sort of par for the course it happens

94

00:05:12,030 --> 00:05:09,100

all the time it is used to it my

95

00:05:16,920 --> 00:05:12,040

listeners are too yeah yeah it is when I

96

00:05:17,280 --> 00:05:16,930

used to I did sports casting before fade

97

00:05:19,820 --> 00:05:17,290

to black

98

00:05:23,130 --> 00:05:19,830

right many years ago ten years ago and

99

00:05:24,930 --> 00:05:23,140

never a technical issue you know what

100

00:05:28,230 --> 00:05:24,940

Whitley I'm gonna go on the record right

101
00:05:31,550 --> 00:05:28,240
now and say that the three years that I

102
00:05:36,690 --> 00:05:31,560
did sports casting not one single

103
00:05:40,080 --> 00:05:36,700
technical hiccup not a one start doing

104
00:05:42,480 --> 00:05:40,090
this stuff at the beginning I would get

105
00:05:44,580 --> 00:05:42,490
so angry because I wasn't used to it but

106
00:05:46,440 --> 00:05:44,590
but now it just it's just whatever I

107
00:05:47,820 --> 00:05:46,450
just laugh water off a duck's back I

108
00:05:50,430 --> 00:05:47,830
mean you know you say you're gonna call

109
00:05:55,200 --> 00:05:50,440
me at 7:28 I'm sitting here I answer the

110
00:05:56,820 --> 00:05:55,210
phone and you're gone perfect right

111
00:05:59,580 --> 00:05:56,830
perfect

112
00:06:05,960 --> 00:05:59,590
let's let's go in this direction too I

113
00:06:09,990 --> 00:06:05,970

kick things off with with the mass media

114

00:06:13,110 --> 00:06:10,000

jumping on board where we are today

115

00:06:18,589 --> 00:06:13,120

did you did you anticipate

116

00:06:21,959 --> 00:06:18,599

a day an era where the UFOs would be

117

00:06:24,119 --> 00:06:21,969

okay to talk about in public both with

118

00:06:25,589 --> 00:06:24,129

the mass media and with people on the

119

00:06:28,830 --> 00:06:25,599

street did you think that this day would

120

00:06:30,629 --> 00:06:28,840

arrive like it has oh yeah I've known

121

00:06:32,369 --> 00:06:30,639

it for a long time because I have the

122

00:06:35,129 --> 00:06:32,379

visitors in my life and you know they

123

00:06:36,719 --> 00:06:35,139

they're very clear about timelines and

124

00:06:41,369 --> 00:06:36,729

what's happening and they're never wrong

125

00:06:46,580 --> 00:06:41,379

and years ago they said that this would

126

00:06:48,570 --> 00:06:46,590

become come into focus as the planet

127

00:06:52,170 --> 00:06:48,580

environment fell apart around our ears

128

00:06:53,519 --> 00:06:52,180

and that's what's happening and that why

129

00:06:58,469 --> 00:06:53,529

it's coming into focus as far as I'm

130

00:07:00,659 --> 00:06:58,479

concerned now I I read the news

131

00:07:02,730 --> 00:07:00,669

Whitley I don't watch it okay there's a

132

00:07:05,399 --> 00:07:02,740

distinct difference there i reaiiy don't

133

00:07:07,709 --> 00:07:05,409

wanna do the same thing I agree yeah it

134

00:07:14,279 --> 00:07:07,719

and and when did you start to make that

135

00:07:16,230 --> 00:07:14,289

shift oh listen the first I made the

136

00:07:18,600 --> 00:07:16,240

shift before even you the visitors were

137

00:07:22,320 --> 00:07:18,610

in my life and maybe maybe they were

138

00:07:24,749 --> 00:07:22,330

there and I didn't know it or maybe they

139

00:07:28,140 --> 00:07:24,759

came into my life because of it I'm not

140

00:07:32,010 --> 00:07:28,150

sure but back when I wrote nature's end

141

00:07:34,980 --> 00:07:32,020

it was published in 85 mm-hmm

142

00:07:37,320 --> 00:07:34,990

you know there's a huge chapter in there

143

00:07:41,399 --> 00:07:37,330

about a gigantic forest fire in the

144

00:07:46,439 --> 00:07:41,409

Amazon and the sink the book is set in

145

00:07:49,290 --> 00:07:46,449

2025 so you know I'm five years early I

146

00:07:51,240 --> 00:07:49,300

mean this is five years early great and

147

00:07:54,059 --> 00:07:51,250

if there's a book full of all kinds of

148

00:07:57,209 --> 00:07:54,069

stuff like that there's it's even gets

149

00:08:00,300 --> 00:07:57,219

into the level of weirdness because

150

00:08:02,309 --> 00:08:00,310

there's an automobile brand in the in

151

00:08:06,809 --> 00:08:02,319

the book called the hunyadi

152

00:08:10,230 --> 00:08:06,819

and a few years later the Hyundai shows

153

00:08:12,089 --> 00:08:10,240

up and you know it's kind of weird and

154

00:08:15,269 --> 00:08:12,099

but I can assure you though

155

00:08:17,999 --> 00:08:15,279

you don't want to be a prophet it's very

156

00:08:21,689 --> 00:08:18,009

very very bad for your pocketbook well

157

00:08:23,159 --> 00:08:21,699

you did it and I watched superstorm

158

00:08:25,869 --> 00:08:23,169

earth

159

00:08:29,649 --> 00:08:25,879

I'm sorry super sedan tomorrow

160

00:08:31,659 --> 00:08:29,659

I watched it last week and I watched it

161

00:08:34,930 --> 00:08:31,669

from beginning to end I've seen it many

162

00:08:39,249 --> 00:08:34,940

times so many of us have but I started

163

00:08:43,410 --> 00:08:39,259

to just think to myself how far ahead of

164

00:08:47,499 --> 00:08:43,420

the curve you were and and this movie

165

00:08:49,930 --> 00:08:47,509

compared to where we are today again a

166

00:08:51,699 --> 00:08:49,940

pretty accurate vision of the future

167

00:08:54,249 --> 00:08:51,709

where did that come from

168

00:08:56,710 --> 00:08:54,259

well I don't know art and I well I do

169

00:08:59,230 --> 00:08:56,720

know actually I can explain that art and

170

00:09:01,300 --> 00:08:59,240

I published superstorm the book that

171

00:09:03,819 --> 00:09:01,310

After Tomorrow is based on you wouldn't

172

00:09:06,280 --> 00:09:03,829

know it because the Hollywood being

173

00:09:07,900 --> 00:09:06,290

Hollywood they very trickly managed to

174

00:09:10,629 --> 00:09:07,910

put our credit at the end of the movie

175

00:09:12,970 --> 00:09:10,639

rather than at the beginning so you know

176

00:09:16,660 --> 00:09:12,980

there was not much didn't juice the book

177

00:09:22,689 --> 00:09:16,670

very much but in any case we wrote

178

00:09:26,139 --> 00:09:22,699

superstorm in 1997 and 98 and it was

179

00:09:31,800 --> 00:09:26,149

published in 99 now the reason that

180

00:09:36,970 --> 00:09:31,810

happened was that I had an experience in

181

00:09:41,550 --> 00:09:36,980

98 with this man I call the master of

182

00:09:43,749 --> 00:09:41,560

the key mm-hmm who said a lot of

183

00:09:45,280 --> 00:09:43,759

extraordinary things there's a little

184

00:09:47,499 --> 00:09:45,290

book out people probably know about it

185

00:09:49,360 --> 00:09:47,509

called the key which if you read it it's

186

00:09:51,069 --> 00:09:49,370

like reading the future you remember how

187

00:09:53,999 --> 00:09:51,079

could this have been written and in

188

00:09:58,629 --> 00:09:54,009

those years anyway

189

00:10:01,090 --> 00:09:58,639

we I was telling art about this if the

190

00:10:02,920 --> 00:10:01,100

key hadn't been published yet this stuff

191

00:10:04,929 --> 00:10:02,930

and we're trying to figure out what to

192

00:10:07,689 --> 00:10:04,939

do with it and the next thing I knew we

193

00:10:12,309 --> 00:10:07,699

were talking about doing a book about it

194

00:10:15,160 --> 00:10:12,319

and so we did and we used the material

195

00:10:17,379 --> 00:10:15,170

that I had learned from him and you know

196

00:10:20,610 --> 00:10:17,389

what I did was I I took things from him

197

00:10:24,280 --> 00:10:20,620

and I began to dig around in the

198

00:10:27,300 --> 00:10:24,290

scientific record of those days and when

199

00:10:30,819 --> 00:10:27,310

you look deeply enough you could find

200

00:10:36,879 --> 00:10:30,829

these ideas about these huge storms that

201
00:10:38,949 --> 00:10:36,889
had been existing in the past and so

202
00:10:39,730 --> 00:10:38,959
that that was the genesis of the book

203
00:10:41,200 --> 00:10:39,740
and you know

204
00:10:44,020 --> 00:10:41,210
brought the key out pretty much at the

205
00:10:45,670 --> 00:10:44,030
same time and I hope I'm getting my

206
00:10:49,030 --> 00:10:45,680
dates right I sometimes I get them mixed

207
00:10:53,830 --> 00:10:49,040
up but anyway it's all about the same

208
00:10:56,950 --> 00:10:53,840
time and whoever he was it's a it's a

209
00:10:59,290 --> 00:10:56,960
real mystery I mean I was in a hotel in

210
00:11:01,540 --> 00:10:59,300
Toronto as the last night of what would

211
00:11:07,830 --> 00:11:01,550
turn out to be the last author to her I

212
00:11:10,930 --> 00:11:07,840
would ever do and I was sleeping and

213
00:11:13,150 --> 00:11:10,940

someone knocked on the door I woke up

214

00:11:15,010 --> 00:11:13,160

and saw the room service tray still

215

00:11:16,330 --> 00:11:15,020

sitting on the little desk in the room

216

00:11:17,530 --> 00:11:16,340

and I figured out it's a room service

217

00:11:19,510 --> 00:11:17,540

waiter I didn't realize it was two

218

00:11:23,170 --> 00:11:19,520

o'clock in the morning mm-hmm so open

219

00:11:27,040 --> 00:11:23,180

the door and this man comes in and he

220

00:11:28,540 --> 00:11:27,050

walks right past the tray and goes over

221

00:11:32,290 --> 00:11:28,550

to the window turns around and starts

222

00:11:34,680 --> 00:11:32,300

walking and initially I think I had

223

00:11:37,870 --> 00:11:34,690

better try to throw this guy out because

224

00:11:42,790 --> 00:11:37,880

yeah this is not good I've had I'd had a

225

00:11:45,040 --> 00:11:42,800

situation here in a hotel in Chicago and

226

00:11:50,620 --> 00:11:45,050

I come into the room after my day of

227

00:11:55,570 --> 00:11:50,630

travails and work and flop down closet

228

00:11:58,000 --> 00:11:55,580

door opens and a woman comes out so she

229

00:11:59,530 --> 00:11:58,010

paid off some weight some room service

230

00:12:02,770 --> 00:11:59,540

car something I've been on TV and radio

231

00:12:05,470 --> 00:12:02,780

that day and she'd wanted to get in my

232

00:12:09,880 --> 00:12:05,480

room and I suppose into my bed and her

233

00:12:12,370 --> 00:12:09,890

methodology was unfortunate in that way

234

00:12:15,460 --> 00:12:12,380

because I immediately I ran out of the

235

00:12:17,590 --> 00:12:15,470

room actually and went downstairs and

236

00:12:19,900 --> 00:12:17,600

got a security guard and you know they

237

00:12:21,430 --> 00:12:19,910

got rid of her that way she was seemed

238

00:12:24,730 --> 00:12:21,440

like a perfectly nice person but she

239

00:12:27,310 --> 00:12:24,740

just had a bad idea about how to get in

240

00:12:29,080 --> 00:12:27,320

you know touch with me anyway I'm

241

00:12:31,090 --> 00:12:29,090

married and I was married then and I

242

00:12:32,530 --> 00:12:31,100

don't I'm not a fool around her so I

243

00:12:36,400 --> 00:12:32,540

wouldn't wasn't ever gonna happen anyway

244

00:12:38,830 --> 00:12:36,410

okay so that had happened and now this

245

00:12:41,560 --> 00:12:38,840

guy comes in it's too real I realize

246

00:12:43,330 --> 00:12:41,570

it's really late I know I'm not sure

247

00:12:45,880 --> 00:12:43,340

exactly what time it is at that point

248

00:12:48,760 --> 00:12:45,890

and he's not the room service waiter

249

00:12:51,400 --> 00:12:48,770

he's trying to talk to me it can't be

250

00:12:53,600 --> 00:12:51,410

good no one who comes into your room

251

00:12:57,889 --> 00:12:53,610

hotel room unannounced

252

00:13:00,500 --> 00:12:57,899

after midnight is good period that

253

00:13:03,620 --> 00:13:00,510

person has got to be gotten out of there

254

00:13:05,470 --> 00:13:03,630

quickly or you have to run like hell

255

00:13:11,060 --> 00:13:05,480

take your choice yeah it's pretty creepy

256

00:13:13,280 --> 00:13:11,070

right so I started to he was not big he

257

00:13:16,060 --> 00:13:13,290

was slight and he didn't look armed in

258

00:13:22,220 --> 00:13:16,070

fact he was wearing a close-fitting

259

00:13:23,150 --> 00:13:22,230

gray crew neck as I recall and in darker

260

00:13:24,920 --> 00:13:23,160

gray pants

261

00:13:26,690 --> 00:13:24,930

so I could see there was nothing there

262

00:13:29,540 --> 00:13:26,700

and then there's no bulge of a pistol or

263

00:13:32,680 --> 00:13:29,550

any kind of a weapon so I started to go

264

00:13:36,620 --> 00:13:32,690

after him and he starts talking about

265

00:13:38,180 --> 00:13:36,630

the Holocaust and he proceeds to say

266

00:13:43,400 --> 00:13:38,190

something that's just sort of stopped me

267

00:13:50,300 --> 00:13:43,410

in my shoes because he says if the child

268

00:13:52,130 --> 00:13:50,310

the unborn child if an unsung I'm you

269

00:13:54,800 --> 00:13:52,140

can read the key and and it's right

270

00:13:56,210 --> 00:13:54,810

there but to the effect I'm not I have

271

00:13:59,090 --> 00:13:56,220

to paraphrase it because I haven't got

272

00:14:01,639 --> 00:13:59,100

the book in front of me the if this

273

00:14:05,960 --> 00:14:01,649

child who was unborn when his parents

274

00:14:09,009 --> 00:14:05,970

were gassed had been born he would have

275

00:14:13,689 --> 00:14:09,019

solved the riddle of gravity and freed

276

00:14:18,139 --> 00:14:13,699

mankind from the bounds of Earth and

277

00:14:21,050 --> 00:14:18,149

because he died we are chained to the

278

00:14:25,130 --> 00:14:21,060

earth hmm and you hear something like

279

00:14:28,460 --> 00:14:25,140

that unlike any words anyone had ever

280

00:14:32,060 --> 00:14:28,470

spoken to me before in my life right

281

00:14:37,579 --> 00:14:32,070

right that are also mind-bending and

282

00:14:39,410 --> 00:14:37,589

terrifying you suddenly you change from

283

00:14:42,019 --> 00:14:39,420

a guy who wants to throw a nut out of

284

00:14:43,880 --> 00:14:42,029

his room to someone who wants to listen

285

00:14:46,850 --> 00:14:43,890

to this person yeah you were fully awake

286

00:14:48,430 --> 00:14:46,860

at that point I would have so yeah I was

287

00:14:53,810 --> 00:14:48,440

way away

288

00:14:56,630 --> 00:14:53,820

do do you look at you know speaking that

289

00:15:00,380 --> 00:14:56,640

and looking to the future and you think

290

00:15:03,319 --> 00:15:00,390

of super storm today I need your opinion

291

00:15:05,820 --> 00:15:03,329

of what's going on with with global

292

00:15:08,370 --> 00:15:05,830

warming and this climate change

293

00:15:12,510 --> 00:15:08,380

is this the earth is this something

294

00:15:14,910 --> 00:15:12,520

natural is this solar or is this created

295

00:15:19,440 --> 00:15:14,920

by us where are you on this

296

00:15:22,110 --> 00:15:19,450

well interglacials lasts between ten and

297

00:15:24,810 --> 00:15:22,120

fifteen thousand years we've met our

298

00:15:27,420 --> 00:15:24,820

planet has been an estate where it has

299

00:15:31,290 --> 00:15:27,430

been moving back and forth between

300

00:15:34,680 --> 00:15:31,300

glacial glaciations and temperate

301
00:15:40,260 --> 00:15:34,690
interglacials for nearly three million

302
00:15:42,990 --> 00:15:40,270
years and the end of the last glacial

303
00:15:44,370 --> 00:15:43,000
age he's speaking of gobekli tepe which

304
00:15:50,820 --> 00:15:44,380
i think your listeners have heard

305
00:15:54,570 --> 00:15:50,830
something about before that was created

306
00:15:56,310 --> 00:15:54,580
during the upheaval that that followed

307
00:15:57,630 --> 00:15:56,320
the end of the Ice Age that was the

308
00:16:02,460 --> 00:15:57,640
beginning of the current interglacial

309
00:16:06,330 --> 00:16:02,470
right it's about what 9,000 BC so 12,000

310
00:16:10,190 --> 00:16:06,340
years ago now that means that we don't

311
00:16:13,830 --> 00:16:10,200
really understand what causes this

312
00:16:16,260 --> 00:16:13,840
change we think it has something to do

313
00:16:18,030 --> 00:16:16,270

with the planets orbit but the planet

314

00:16:20,010 --> 00:16:18,040

right now isn't in an orbit that would

315

00:16:24,260 --> 00:16:20,020

suggest that it's going to go into an

316

00:16:29,670 --> 00:16:24,270

ice age what has happened on the earth

317

00:16:33,840 --> 00:16:29,680

since we started like lighten up let me

318

00:16:36,540 --> 00:16:33,850

put it that way is that an enormous

319

00:16:39,180 --> 00:16:36,550

amount of carbon dioxide has gone into

320

00:16:41,640 --> 00:16:39,190

the atmosphere in the past this happened

321

00:16:44,490 --> 00:16:41,650

because of volcanoes where there would

322

00:16:45,990 --> 00:16:44,500

be periods of volcanism and huge amounts

323

00:16:48,990 --> 00:16:46,000

of carbon dioxide would go into the

324

00:16:52,290 --> 00:16:49,000

atmosphere the planet would warm to an

325

00:16:55,050 --> 00:16:52,300

extremely high level and all everything

326

00:16:57,480 --> 00:16:55,060

would die out and then it would slowly

327

00:16:59,520 --> 00:16:57,490

come back again and that's happened time

328

00:17:03,360 --> 00:16:59,530

and time again it's a pattern on planet

329

00:17:06,890 --> 00:17:03,370

Earth but right now we are the volcano

330

00:17:09,960 --> 00:17:06,900

it's as simple as that and people will

331

00:17:12,930 --> 00:17:09,970

you know flip over backwards trying to

332

00:17:15,270 --> 00:17:12,940

say it's not us but that ain't true

333

00:17:17,400 --> 00:17:15,280

there's nobody else doing it there's no

334

00:17:19,740 --> 00:17:17,410

other there's no other place it's coming

335

00:17:25,740 --> 00:17:19,750

from so yeah it is

336

00:17:27,689 --> 00:17:25,750

and you know I'm personally I'm very

337

00:17:29,580 --> 00:17:27,699

close at this point in my life to the

338

00:17:33,529 --> 00:17:29,590

visitors I'm well I'm not gonna be coy

339

00:17:37,799 --> 00:17:33,539

about it anymore I'm close and this is

340

00:17:41,490 --> 00:17:37,809

this is they this is their belief and

341

00:17:43,890 --> 00:17:41,500

their knowledge and I I would never turn

342

00:17:45,779 --> 00:17:43,900

away from that because I've never known

343

00:17:47,039 --> 00:17:45,789

them to be wrong about anything in my

344

00:17:49,560 --> 00:17:47,049

life

345

00:17:51,810 --> 00:17:49,570

they're they know what they are talking

346

00:17:55,049 --> 00:17:51,820

about and I'll tell you nothing

347

00:17:58,230 --> 00:17:55,059

they're desperate they are desperate to

348

00:18:00,659 --> 00:17:58,240

get this thing working they want to come

349

00:18:03,149 --> 00:18:00,669

out they want to get into communication

350

00:18:05,610 --> 00:18:03,159

but right now because of the situation

351

00:18:08,220 --> 00:18:05,620

we are in they can't because

352

00:18:12,779 --> 00:18:08,230

communicating with them is nothing

353

00:18:16,680 --> 00:18:12,789

whatsoever like anything anybody may

354

00:18:18,600 --> 00:18:16,690

think or imagine right now and there are

355

00:18:20,820 --> 00:18:18,610

a lot of reasons for that I have

356

00:18:23,039 --> 00:18:20,830

finished a book which I'm gonna have out

357

00:18:24,360 --> 00:18:23,049

in October I hope I would like to

358

00:18:27,240 --> 00:18:24,370

publish it with a publisher but they're

359

00:18:30,960 --> 00:18:27,250

saying no sir you get it out there right

360

00:18:34,350 --> 00:18:30,970

now right now it's that urgent that will

361

00:18:36,180 --> 00:18:34,360

give mm not how to about how to

362

00:18:38,760 --> 00:18:36,190

communicate with them but a description

363

00:18:41,070 --> 00:18:38,770

of how I have succeeded in doing this

364

00:18:42,750 --> 00:18:41,080

over the years and it is it's not

365

00:18:45,149 --> 00:18:42,760

something I can just sit down and say oh

366

00:18:47,640 --> 00:18:45,159

well I did this and this and this it's

367

00:18:50,370 --> 00:18:47,650

much deeper and more complex than that

368

00:18:52,020 --> 00:18:50,380

because they whatever they are and I'm

369

00:18:53,960 --> 00:18:52,030

not even saying they're aliens I don't

370

00:18:58,370 --> 00:18:53,970

know what they are whatever they are

371

00:19:00,870 --> 00:18:58,380

they are really really different from us

372

00:19:05,060 --> 00:19:00,880

really different what do we do about

373

00:19:07,560 --> 00:19:05,070

this climate change then is there some

374

00:19:11,310 --> 00:19:07,570

emergency and well I'm is there one

375

00:19:15,840 --> 00:19:11,320

specific you know is there one thing

376

00:19:18,240 --> 00:19:15,850

that is is doing it or is it too much

377

00:19:22,980 --> 00:19:18,250

we're burning too much oil and too much

378

00:19:25,710 --> 00:19:22,990

a China is trying at least to cut down

379

00:19:28,770 --> 00:19:25,720

its carbon emissions but it won't be

380

00:19:31,110 --> 00:19:28,780

until next year that they are even

381

00:19:32,760 --> 00:19:31,120

getting to the point where they're not

382

00:19:33,980 --> 00:19:32,770

emitting more and more every year

383

00:19:37,850 --> 00:19:33,990

because China

384

00:19:39,560 --> 00:19:37,860

zon Cole it runs on coal it does there

385

00:19:42,169 --> 00:19:39,570

there was a period of time during

386

00:19:44,570 --> 00:19:42,179

China's major industrialization in the

387

00:19:48,110 --> 00:19:44,580

80s and 90s that they were putting up a

388

00:19:51,200 --> 00:19:48,120

new coal plant power plant every week

389

00:19:53,419 --> 00:19:51,210

they're doing that now I was with this

390

00:19:58,870 --> 00:19:53,429

is about ten years ago I'm with an

391

00:20:01,430 --> 00:19:58,880

engineer from back town right and uh

392

00:20:05,299 --> 00:20:01,440

anyway I'm not gonna get into specifics

393

00:20:08,299 --> 00:20:05,309

but he told me write direct he goes yeah

394

00:20:11,149 --> 00:20:08,309

well you know we've got 50 contracts

395

00:20:15,919 --> 00:20:11,159

right now building coal electric plans

396

00:20:18,200 --> 00:20:15,929

in China then the Germans did the French

397

00:20:25,730 --> 00:20:18,210

did everybody did the English had not

398

00:20:28,730 --> 00:20:25,740

one not two fifty yeah so you know if

399

00:20:30,769 --> 00:20:28,740

the problem is that you know basically

400

00:20:32,799 --> 00:20:30,779

if every Chinese gets to drink beer

401
00:20:36,860 --> 00:20:32,809
there is no beer left in the world and

402
00:20:38,840 --> 00:20:36,870
you have a situation where and this is

403
00:20:40,539 --> 00:20:38,850
the NE here's the visitors perspective

404
00:20:43,850 --> 00:20:40,549
by the way it's completely different

405
00:20:47,149 --> 00:20:43,860
they don't see this they don't even see

406
00:20:50,029 --> 00:20:47,159
our wars as having political issues they

407
00:20:53,060 --> 00:20:50,039
see this all as having to do with a

408
00:20:54,680 --> 00:20:53,070
population that expanded too fast they

409
00:20:56,419 --> 00:20:54,690
don't think of it it they don't blame

410
00:21:00,139 --> 00:20:56,429
anybody they don't think of it as being

411
00:21:02,120 --> 00:21:00,149
anybody's fault they think only totally

412
00:21:04,070 --> 00:21:02,130
objectively that there are simply too

413
00:21:08,810 --> 00:21:04,080

many human beings right and their

414

00:21:13,510 --> 00:21:08,820

concept is that we can build better and

415

00:21:17,480 --> 00:21:13,520

better technologies that then the more

416

00:21:20,240 --> 00:21:17,490

technologies we build in effect the

417

00:21:24,049 --> 00:21:20,250

smaller each individual's emissions

418

00:21:28,070 --> 00:21:24,059

become in other words right now the

419

00:21:31,610 --> 00:21:28,080

emission profile of a given Chinese

420

00:21:34,940 --> 00:21:31,620

might be ten feet tall but if they were

421

00:21:37,070 --> 00:21:34,950

to get that huge solar array in the Gobi

422

00:21:40,100 --> 00:21:37,080

Desert going and begin to close down

423

00:21:41,630 --> 00:21:40,110

their power plants that emission profile

424

00:21:44,029 --> 00:21:41,640

is going to go down to eight feet tall

425

00:21:47,420 --> 00:21:44,039

then six feet tall then three feet tall

426
00:21:49,250 --> 00:21:47,430
finally the Chinese emission Pro

427
00:21:52,130 --> 00:21:49,260
a chinese individual Chinese submission

428
00:21:53,660 --> 00:21:52,140
profile is going to be tiny and the same

429
00:21:56,900 --> 00:21:53,670
thing is true anywhere in the world so

430
00:21:59,870 --> 00:21:56,910
we can make the planet bigger with

431
00:22:03,320 --> 00:21:59,880
technology we can give ourselves a

432
00:22:05,180 --> 00:22:03,330
bigger atmosphere with technology but we

433
00:22:08,570 --> 00:22:05,190
don't actually think that way at all

434
00:22:10,700 --> 00:22:08,580
they think that way but not us like the

435
00:22:12,470 --> 00:22:10,710
wars the terrible Wars of the 20th

436
00:22:16,100 --> 00:22:12,480
century and this is also a warning from

437
00:22:18,680 --> 00:22:16,110
them folks those wars had nothing to do

438
00:22:20,180 --> 00:22:18,690

as or they don't even care about

439

00:22:24,140 --> 00:22:20,190

politics they don't know anything about

440

00:22:26,810 --> 00:22:24,150

it at all they see this only as an

441

00:22:29,240 --> 00:22:26,820

instinctive reaction to population

442

00:22:31,580 --> 00:22:29,250

pressure and apparently it's something

443

00:22:35,390 --> 00:22:31,590

that I would guess happens all the time

444

00:22:38,150 --> 00:22:35,400

a species like ours not not really fully

445

00:22:40,070 --> 00:22:38,160

conscious of itself yet gets to be

446

00:22:44,240 --> 00:22:40,080

overpopulated and if you look at the

447

00:22:46,610 --> 00:22:44,250

history of world world wars in in in

448

00:22:48,340 --> 00:22:46,620

20th century they were all caused by the

449

00:22:52,030 --> 00:22:48,350

same thing

450

00:22:54,430 --> 00:22:52,040

small very highly evolved

451
00:22:58,220 --> 00:22:54,440
technologically advanced countries

452
00:23:00,590 --> 00:22:58,230
feeling trapped in their space the

453
00:23:04,940 --> 00:23:00,600
Germans wanted what Hitler called

454
00:23:07,490 --> 00:23:04,950
leoben's from and in the in the First

455
00:23:09,860 --> 00:23:07,500
World War it was different that was they

456
00:23:17,570 --> 00:23:09,870
regard that as not a war but as a murder

457
00:23:20,090 --> 00:23:17,580
as a what did they I'm something like a

458
00:23:25,060 --> 00:23:20,100
I can't get the word but it's something

459
00:23:31,700 --> 00:23:25,070
like a seizure of a murderer where older

460
00:23:35,210 --> 00:23:31,710
men who are the alpha males murdered all

461
00:23:40,670 --> 00:23:35,220
of the younger ones because the younger

462
00:23:43,340 --> 00:23:40,680
ones were too numerous and if you look

463
00:23:45,410 --> 00:23:43,350

in nature the older alpha males will

464

00:23:47,590 --> 00:23:45,420

kill the younger a younger males any

465

00:23:50,180 --> 00:23:47,600

chance they get in many many species

466

00:23:50,840 --> 00:23:50,190

what we didn't realize is that's true of

467

00:23:52,340 --> 00:23:50,850

us too

468

00:23:54,380 --> 00:23:52,350

but they do know it because they know

469

00:23:57,350 --> 00:23:54,390

where we came from they know they know

470

00:23:59,450 --> 00:23:57,360

our instincts better than we do way

471

00:24:03,230 --> 00:23:59,460

better do

472

00:24:06,260 --> 00:24:03,240

you think I'm gonna get your opinions on

473

00:24:10,130 --> 00:24:06,270

a bunch of different subjects tonight

474

00:24:13,370 --> 00:24:10,140

one of them briefly and we can pick this

475

00:24:16,070 --> 00:24:13,380

up after the break is is evolution

476
00:24:18,799 --> 00:24:16,080
because we're talking about these cycles

477
00:24:22,190 --> 00:24:18,809
that this planet goes through and we

478
00:24:24,019 --> 00:24:22,200
look at everything here whether Darwin

479
00:24:25,580 --> 00:24:24,029
was right or wrong he was wrong but

480
00:24:32,870 --> 00:24:25,590
whether he was right or wrong

481
00:24:36,799 --> 00:24:32,880
isn't as big of an outlook as the US

482
00:24:39,860 --> 00:24:36,809
homo sapien sapien where we you and i

483
00:24:43,250 --> 00:24:39,870
and our families have been around for

484
00:24:46,460 --> 00:24:43,260
about 200,000 years which we didn't have

485
00:24:49,340 --> 00:24:46,470
time to evolve all the other species on

486
00:24:51,139 --> 00:24:49,350
this planet seemed to be in stasis I

487
00:24:54,230 --> 00:24:51,149
don't see evolution going on with

488
00:24:56,330 --> 00:24:54,240

monkeys and apes and and and sharks and

489

00:24:59,110 --> 00:24:56,340

dolphins and elephants and whatever it

490

00:25:02,149 --> 00:24:59,120

does it doesn't really matter is is

491

00:25:04,490 --> 00:25:02,159

where we an accident or were we

492

00:25:10,070 --> 00:25:04,500

deposited here where we you know we're

493

00:25:12,710 --> 00:25:10,080

recreated you know I have tried to get a

494

00:25:17,240 --> 00:25:12,720

straight answer out of them for that for

495

00:25:22,279 --> 00:25:17,250

a long long time and I only get ideas

496

00:25:26,870 --> 00:25:22,289

I'm if we were created and we are

497

00:25:32,690 --> 00:25:26,880

looking at our creators then they made

498

00:25:34,909 --> 00:25:32,700

some kind of mistake here I think what

499

00:25:37,940 --> 00:25:34,919

exactly what the mistake is okay the

500

00:25:42,049 --> 00:25:37,950

mistake is a they gave us very big

501
00:25:45,409 --> 00:25:42,059
brains with good memories they took off

502
00:25:47,539 --> 00:25:45,419
all of our hair and fur they moved our

503
00:25:53,200 --> 00:25:47,549
genitals from beneath our bodies to the

504
00:25:59,000 --> 00:25:53,210
front and they eliminated seasonality

505
00:26:01,490 --> 00:25:59,010
meaning that we have sexual desire 24

506
00:26:06,110 --> 00:26:01,500
hours a day seven days a week the

507
00:26:08,990 --> 00:26:06,120
year-round we are very fixated on

508
00:26:11,690 --> 00:26:09,000
sexuality because we're more naked than

509
00:26:12,670 --> 00:26:11,700
any other creature on earth we have very

510
00:26:20,650 --> 00:26:12,680
prominent

511
00:26:23,670 --> 00:26:20,660
I mean any guy you to any guy is gonna

512
00:26:27,130 --> 00:26:23,680
be sexual is gonna definitely be able to

513
00:26:29,110 --> 00:26:27,140

vividly visualize any woman he sees that

514

00:26:34,390 --> 00:26:29,120

he is attracted to how she might look

515

00:26:36,430 --> 00:26:34,400

naked and that nakedness is one of the

516

00:26:39,850 --> 00:26:36,440

things that has caused us to have so

517

00:26:43,630 --> 00:26:39,860

many babies now the other thing is our

518

00:26:46,690 --> 00:26:43,640

brains are exquisitely supplied with

519

00:26:51,520 --> 00:26:46,700

memory so we remember the pleasures of

520

00:26:54,210 --> 00:26:51,530

sex tremendously detail and we want more

521

00:26:58,810 --> 00:26:54,220

of course we want more everybody does

522

00:27:01,560 --> 00:26:58,820

but also we end up in a situation in a

523

00:27:05,080 --> 00:27:01,570

situation where these brilliant minds

524

00:27:07,960 --> 00:27:05,090

can do things like survive an Ice Age a

525

00:27:11,110 --> 00:27:07,970

hundred thousand years ago when the Ice

526

00:27:14,200 --> 00:27:11,120

Age started we were basically running

527

00:27:17,320 --> 00:27:14,210

around naked we didn't have any tribes

528

00:27:20,590 --> 00:27:17,330

we were just there was nothing to us we

529

00:27:22,900 --> 00:27:20,600

were forest creatures but by the time

530

00:27:25,660 --> 00:27:22,910

that Ice Age ended we were organized

531

00:27:29,800 --> 00:27:25,670

into tribes we were wearing clothing

532

00:27:34,180 --> 00:27:29,810

made from other animal skins we had

533

00:27:38,080 --> 00:27:34,190

survived a situation that would have

534

00:27:43,450 --> 00:27:38,090

been impossible to survive without a big

535

00:27:45,340 --> 00:27:43,460

brain and but unlike the animals we had

536

00:27:49,240 --> 00:27:45,350

to survive it we had to fight for our

537

00:27:52,150 --> 00:27:49,250

lives because we had no fur how does a

538

00:27:55,150 --> 00:27:52,160

creature evolve in a world where

539

00:27:57,610 --> 00:27:55,160

everything obviously has fur and needs

540

00:28:00,190 --> 00:27:57,620

because it needs fur to live how does

541

00:28:05,530 --> 00:28:00,200

this one creature end up with no fur

542

00:28:07,660 --> 00:28:05,540

there's a practical joke or what I think

543

00:28:10,780 --> 00:28:07,670

we might have been designed I'm I'm not

544

00:28:12,550 --> 00:28:10,790

at all adverse to that idea I do have an

545

00:28:15,820 --> 00:28:12,560

uncle with a lot of hair on his back

546

00:28:17,890 --> 00:28:15,830

though you have what I don't go with a

547

00:28:19,960 --> 00:28:17,900

lot of hair on his back and that you see

548

00:28:21,670 --> 00:28:19,970

I you I knew a guy who had a huge amount

549

00:28:23,620 --> 00:28:21,680

of here and girls used to piss him off

550

00:28:25,680 --> 00:28:23,630

by setting this hair on lake here on the

551
00:28:27,269 --> 00:28:25,690
fire

552
00:28:29,549 --> 00:28:27,279
take anyway yeah let's take a break

553
00:28:32,310 --> 00:28:29,559
right here it's a good spot to do it our

554
00:28:33,840 --> 00:28:32,320
guest tonight Whitley Strieber this is

555
00:28:36,119 --> 00:28:33,850
fade to black I'm arrows Timmy Terps

556
00:28:38,190 --> 00:28:36,129
we've got an amazing week tonight which

557
00:28:40,080 --> 00:28:38,200
starts tonight with Whitley tomorrow

558
00:28:41,940 --> 00:28:40,090
night Nick Redfern Wednesday night

559
00:28:44,159 --> 00:28:41,950
Richard Dolan Thursday night is open

560
00:28:45,570 --> 00:28:44,169
lines all night long more with Whitley

561
00:28:46,710 --> 00:28:45,580
Strieber right after this short break

562
00:29:02,090 --> 00:28:46,720
stay with us

563
00:29:09,220 --> 00:29:06,540

[Music]

564

00:29:11,530 --> 00:29:09,230

welcome back fade to black I am your

565

00:29:13,600 --> 00:29:11,540

host Jimmy Church our guest tonight

566

00:29:16,090 --> 00:29:13,610

Whitley streamer you can follow us right

567

00:29:18,150 --> 00:29:16,100

now on twitter at jay turks radio you

568

00:29:20,590 --> 00:29:18,160

can follow whitley at whitley strieber

569

00:29:22,330 --> 00:29:20,600

the links are right there in twitter

570

00:29:24,460 --> 00:29:22,340

engaged in the conversation we're gonna

571

00:29:26,050 --> 00:29:24,470

go through two or three thousand tweets

572

00:29:28,510 --> 00:29:26,060

tonight during the show and it's already

573

00:29:30,400 --> 00:29:28,520

fired up pretty good and I do have some

574

00:29:32,620 --> 00:29:30,410

questions from the listeners too Whitley

575

00:29:38,320 --> 00:29:32,630

that are starting to stack up but I

576

00:29:43,690 --> 00:29:38,330

wanted to I I've compiled a mental list

577

00:29:47,530 --> 00:29:43,700

on significant UFO and ET events over

578

00:29:50,620 --> 00:29:47,540

the last 70 years and I've never heard

579

00:29:52,780 --> 00:29:50,630

you address these I've heard you speak

580

00:29:56,080 --> 00:29:52,790

about them but directly and what your

581

00:29:58,120 --> 00:29:56,090

opinions are on them and and I'm just

582

00:30:01,390 --> 00:29:58,130

curious I'm just curious

583

00:30:06,520 --> 00:30:01,400

and I want to start with 1947 and

584

00:30:09,730 --> 00:30:06,530

Roswell Edie and without without

585

00:30:14,860 --> 00:30:09,740

pre-empting the question what do you

586

00:30:16,180 --> 00:30:14,870

think happened at Roswell okay I'll tell

587

00:30:20,620 --> 00:30:16,190

you exactly what I think happened at

588

00:30:24,430 --> 00:30:20,630

Roswell it was a first of all it's one

589

00:30:30,580 --> 00:30:24,440

of the more most complicated events that

590

00:30:34,990 --> 00:30:30,590

has happened in human history a object

591

00:30:40,770 --> 00:30:35,000

from an unknown source containing beings

592

00:30:45,670 --> 00:30:40,780

of an unknown kind crashed or was

593

00:30:48,580 --> 00:30:45,680

intentionally dropped 30 miles from the

594

00:30:54,960 --> 00:30:48,590

most secure military facility in the

595

00:30:57,820 --> 00:30:54,970

Western world now the 509th Bomb Wing

596

00:31:01,890 --> 00:30:57,830

but stationed at the Roswell Army Air

597

00:31:05,620 --> 00:31:01,900

Force Air at the base was the only

598

00:31:10,780 --> 00:31:05,630

operational atomic bomber wing on planet

599

00:31:14,170 --> 00:31:10,790

earth at that time spread across Europe

600

00:31:16,480 --> 00:31:14,180

at the border between Eastern and

601
00:31:19,779 --> 00:31:16,490
Western Europe for four and a half

602
00:31:22,149 --> 00:31:19,789
million Russian soldiers

603
00:31:27,159 --> 00:31:22,159
who had just finished wiping out the

604
00:31:30,930 --> 00:31:27,169
Germans were fantastically equipped in a

605
00:31:37,090 --> 00:31:30,940
state of extraordinary readiness and

606
00:31:40,090 --> 00:31:37,100
high morale and allied estimates were

607
00:31:44,019 --> 00:31:40,100
that they could reach the English

608
00:31:47,349 --> 00:31:44,029
Channel within six weeks and probably

609
00:31:51,789 --> 00:31:47,359
succeed in crossing it the only thing

610
00:31:56,139 --> 00:31:51,799
holding them back was not the relatively

611
00:31:58,599 --> 00:31:56,149
small remaining Allied forces in in

612
00:32:00,009 --> 00:31:58,609
Western Europe because we're democracies

613
00:32:01,539 --> 00:32:00,019

and as soon as the war was over we

614

00:32:03,310 --> 00:32:01,549

started sending everybody home of course

615

00:32:07,029 --> 00:32:03,320

and they did not mm-hmm

616

00:32:12,279 --> 00:32:07,039

it was those bombers and here's the

617

00:32:14,859 --> 00:32:12,289

kicker and I can't prove this because if

618

00:32:17,560 --> 00:32:14,869

it's true it's secret but it doesn't

619

00:32:19,989 --> 00:32:17,570

really matter it may be that we didn't

620

00:32:22,930 --> 00:32:19,999

actually have enough nuclear warheads

621

00:32:25,060 --> 00:32:22,940

there to do the job to get to actually

622

00:32:29,769 --> 00:32:25,070

destroy Moscow which is what Stalin

623

00:32:34,539 --> 00:32:29,779

feared would happen but in any case the

624

00:32:41,430 --> 00:32:34,549

arrival of an unknown aircraft within 30

625

00:32:45,489 --> 00:32:41,440

miles of that base was a huge huge

626

00:32:49,200 --> 00:32:45,499

threat and that's before they even no

627

00:32:54,549 --> 00:32:49,210

one knew what the hell it was when the

628

00:32:58,210 --> 00:32:54,559

when the the lid was dropped by by the

629

00:33:01,599 --> 00:32:58,220

Pentagon one on it all they knew was an

630

00:33:04,119 --> 00:33:01,609

unknown craft had landed or crashed

631

00:33:07,419 --> 00:33:04,129

within 30 miles of the base now what

632

00:33:12,330 --> 00:33:07,429

made this so dangerous was that if that

633

00:33:16,599 --> 00:33:12,340

craft had contained the correct types of

634

00:33:19,299 --> 00:33:16,609

nuclear detection equipment it could

635

00:33:23,109 --> 00:33:19,309

have determined how much nuclear

636

00:33:25,299 --> 00:33:23,119

material was present on that airbase and

637

00:33:27,639 --> 00:33:25,309

therefore how dangerous those planes

638

00:33:29,619 --> 00:33:27,649

actually work so you know you were

639

00:33:31,930 --> 00:33:29,629

looking Truman suddenly found himself

640

00:33:33,019 --> 00:33:31,940

looking at a threat to the freedom of

641

00:33:36,259 --> 00:33:33,029

the entire West

642

00:33:40,549 --> 00:33:36,269

world and that's why it initially became

643

00:33:44,569 --> 00:33:40,559

secret then comes then what happened was

644

00:33:48,739 --> 00:33:44,579

this the debris and the bodies and there

645

00:33:52,519 --> 00:33:48,749

were bodies were gathered up and taken

646

00:33:54,289 --> 00:33:52,529

first to Dallas and then on to where

647

00:33:57,439 --> 00:33:54,299

they plane basically stopped and

648

00:34:03,429 --> 00:33:57,449

refueled and then on to Dayton Ohio to

649

00:34:07,219 --> 00:34:03,439

the army air to the air material command

650

00:34:10,309 --> 00:34:07,229

which was at at Wright Field then it was

651
00:34:14,899 --> 00:34:10,319
then called Wright Field where it was

652
00:34:16,789 --> 00:34:14,909
examined now as it happens one of the

653
00:34:19,519 --> 00:34:16,799
people examining it was my uncle

654
00:34:22,419 --> 00:34:19,529
one of my uncle's hmm one of the other

655
00:34:28,549 --> 00:34:22,429
people examining it was his close friend

656
00:34:30,190 --> 00:34:28,559
now fast forward quite a few years 1988

657
00:34:34,369 --> 00:34:30,200
I published communion

658
00:34:37,639 --> 00:34:34,379
my uncle telephones me about six weeks

659
00:34:41,869 --> 00:34:37,649
later from where he lives in Lackland

660
00:34:45,259 --> 00:34:41,879
Air Force Base retirement unit at

661
00:34:47,059 --> 00:34:45,269
Lackland and says would you like to come

662
00:34:49,490 --> 00:34:47,069
down I have some things I would like to

663
00:34:52,309 --> 00:34:49,500

talk to you about your book and the

664

00:34:53,809 --> 00:34:52,319

Roswell incident now I knew about the

665

00:34:55,249 --> 00:34:53,819

Roswell incident cuz by that time I'd

666

00:34:58,730 --> 00:34:55,259

read a lot of stuff and inside read

667

00:34:59,960 --> 00:34:58,740

Berlitz in bill Moore's book and so I

668

00:35:01,999 --> 00:34:59,970

said sure I'd love to

669

00:35:03,680 --> 00:35:02,009

I never I had understand my uncle was

670

00:35:06,019 --> 00:35:03,690

one of the most secretive people on the

671

00:35:10,579 --> 00:35:06,029

planet and unless my father was more so

672

00:35:14,960 --> 00:35:10,589

I don't know that anyway he never told

673

00:35:17,660 --> 00:35:14,970

any me at all about what he did except

674

00:35:20,390 --> 00:35:17,670

we all knew it was very very secret I

675

00:35:23,569 --> 00:35:20,400

don't know that he worked on this the

676

00:35:25,670 --> 00:35:23,579

entire time he was in in in the Air

677

00:35:29,299 --> 00:35:25,680

Force I've no know what he worked on

678

00:35:33,519 --> 00:35:29,309

okay so I go down there and he and his

679

00:35:38,210 --> 00:35:33,529

wife take me to lunch and me and Ann and

680

00:35:41,299 --> 00:35:38,220

he tells me that he helped to examine

681

00:35:46,390 --> 00:35:41,309

the materials and he describes them to

682

00:35:49,360 --> 00:35:46,400

me and he then says that I should

683

00:35:52,030 --> 00:35:49,370

to art xyn his close friend they'd been

684

00:35:55,270 --> 00:35:52,040

lifelong friends by that time who knows

685

00:35:57,730 --> 00:35:55,280

more and would like to talk to me and I

686

00:36:01,150 --> 00:35:57,740

said to him you know you're telling me

687

00:36:03,340 --> 00:36:01,160

things that are obviously classified and

688

00:36:06,820 --> 00:36:03,350

I know that and you know that and he

689

00:36:10,300 --> 00:36:06,830

said no we have the instructions to do

690

00:36:13,390 --> 00:36:10,310

this and this is not illegal and when he

691

00:36:14,860 --> 00:36:13,400

said that he meant that because he did

692

00:36:16,840 --> 00:36:14,870

not do things that were against the law

693

00:36:19,830 --> 00:36:16,850

he's not a so-called whistleblower or

694

00:36:24,340 --> 00:36:19,840

anything like that so I thought wow

695

00:36:27,760 --> 00:36:24,350

incredible so I got home and I called

696

00:36:29,740 --> 00:36:27,770

the general xyn and he proceeds to tell

697

00:36:33,040 --> 00:36:29,750

me quite a bit of stuff we talked for

698

00:36:36,360 --> 00:36:33,050

quite a while he tells me about the fact

699

00:36:39,370 --> 00:36:36,370

that there were bodies he says to me

700

00:36:41,320 --> 00:36:39,380

everyone from Truman on down knew that

701
00:36:44,140 --> 00:36:41,330
what we had found was not of this world

702
00:36:47,170 --> 00:36:44,150
within 24 hours of our finding it he

703
00:36:49,570 --> 00:36:47,180
also said it was a relief because they

704
00:36:50,350 --> 00:36:49,580
were so scared that this was something

705
00:36:54,700 --> 00:36:50,360
from the Russians

706
00:36:57,490 --> 00:36:54,710
mmm-hmm but then I believe Curtis LeMay

707
00:37:00,760 --> 00:36:57,500
or one of those generals offered the

708
00:37:02,710 --> 00:37:00,770
opinion that it might be a scoutship

709
00:37:06,670 --> 00:37:02,720
from an invasion force from another

710
00:37:11,070 --> 00:37:06,680
world and somehow there got worked into

711
00:37:14,290 --> 00:37:11,080
there the idea that they might be demons

712
00:37:16,270 --> 00:37:14,300
because remember in those days we didn't

713
00:37:21,100 --> 00:37:16,280

know much of anything about outer space

714

00:37:24,220 --> 00:37:21,110

very little so the idea of planets and

715

00:37:26,290 --> 00:37:24,230

you know it was a known thing but these

716

00:37:28,060 --> 00:37:26,300

were people like general LeMay was a

717

00:37:30,370 --> 00:37:28,070

fundamentalist Christian and you know

718

00:37:34,210 --> 00:37:30,380

they they looked to what they believed

719

00:37:42,130 --> 00:37:34,220

for an explanation of this strange thing

720

00:37:45,220 --> 00:37:42,140

and so now subsequently a I have seen

721

00:37:49,990 --> 00:37:45,230

the materials with my own eyes they are

722

00:37:54,220 --> 00:37:50,000

real and they have been studied and are

723

00:37:56,230 --> 00:37:54,230

being studied and a lot of of

724

00:37:57,790 --> 00:37:56,240

discoveries that are may have been made

725

00:37:59,620 --> 00:37:57,800

from those materials and you can read

726

00:38:00,400 --> 00:37:59,630

about this and Diana for sokka's book

727

00:38:04,299 --> 00:38:00,410

American

728

00:38:07,120 --> 00:38:04,309

have been bled out into the public I'm

729

00:38:11,079 --> 00:38:07,130

wearing a knee an artificial knee in my

730

00:38:14,650 --> 00:38:11,089

left knee that is as hard as it is in

731

00:38:19,690 --> 00:38:14,660

part because of things we have learned

732

00:38:22,420 --> 00:38:19,700

from these materials now so this is part

733

00:38:25,390 --> 00:38:22,430

of what I know about Roswell the other

734

00:38:28,180 --> 00:38:25,400

side of this coin is why was it put down

735

00:38:30,819 --> 00:38:28,190

in that particular place why was it a

736

00:38:33,759 --> 00:38:30,829

crash and not just a landing in some

737

00:38:37,359 --> 00:38:33,769

very prominent place where people get

738

00:38:40,720 --> 00:38:37,369

out of the thing and help us in a

739

00:38:42,730 --> 00:38:40,730

straightforward way the answer that

740

00:38:47,079 --> 00:38:42,740

question is really fairly complicated

741

00:38:52,150 --> 00:38:47,089

but let me just do it first of all the

742

00:38:54,880 --> 00:38:52,160

gap between us is huge it has to be

743

00:38:57,490 --> 00:38:54,890

narrowed and it can only be narrowed by

744

00:39:00,910 --> 00:38:57,500

us making discoveries that bring us

745

00:39:04,900 --> 00:39:00,920

closer to their level if that doesn't

746

00:39:10,049 --> 00:39:04,910

happen then when they show up we become

747

00:39:14,349 --> 00:39:10,059

like beggars supplicants it's like when

748

00:39:16,900 --> 00:39:14,359

the British showed up in a on and on and

749

00:39:18,759 --> 00:39:16,910

on an island in the Pacific that where

750

00:39:21,460 --> 00:39:18,769

people had never seen her better the

751
00:39:23,890 --> 00:39:21,470
Americans did in World War two showed up

752
00:39:25,779 --> 00:39:23,900
on these little islands you know people

753
00:39:28,799 --> 00:39:25,789
had never seen anything like an airplane

754
00:39:32,829 --> 00:39:28,809
or anything like the wealth that these

755
00:39:37,140 --> 00:39:32,839
gi's and airmen brought with them they

756
00:39:40,029 --> 00:39:37,150
were completely disempowered they felt

757
00:39:42,759 --> 00:39:40,039
useless and purposeless and like idiots

758
00:39:44,440 --> 00:39:42,769
when they saw what these people who had

759
00:39:46,390 --> 00:39:44,450
nothing whatsoever to do with their

760
00:39:48,809 --> 00:39:46,400
beliefs their gods their religion or

761
00:39:52,329 --> 00:39:48,819
anything they understood about the world

762
00:39:56,430 --> 00:39:52,339
what they actually had and could do they

763
00:39:59,410 --> 00:39:56,440

were terribly diminished now back in

764

00:40:03,609 --> 00:39:59,420

1977 a little article was published in

765

00:40:07,180 --> 00:40:03,619

the April issue of science magazine by

766

00:40:09,849 --> 00:40:07,190

DBH Kuiper and Mark Morris - signed to

767

00:40:12,759 --> 00:40:09,859

physicists I believe they were both

768

00:40:14,170 --> 00:40:12,769

physicists and no one of those

769

00:40:16,120 --> 00:40:14,180

astrophysicists Kuiper's

770

00:40:19,200 --> 00:40:16,130

discovered the Kuiper belt and so forth

771

00:40:23,110 --> 00:40:19,210

anyway they published this speculation

772

00:40:26,170 --> 00:40:23,120

about why alien as if they showed up

773

00:40:28,630 --> 00:40:26,180

here would be secretive and the reason

774

00:40:30,940 --> 00:40:28,640

was that they would only be interested

775

00:40:34,420 --> 00:40:30,950

in finding things that were new because

776

00:40:37,300 --> 00:40:34,430

they would know so much that anything

777

00:40:42,730 --> 00:40:37,310

new would be incredibly precious to them

778

00:40:45,760 --> 00:40:42,740

and therefore the visitors hung back and

779

00:40:48,930 --> 00:40:45,770

still hang back while donating

780

00:40:52,020 --> 00:40:48,940

apparently with these accidents

781

00:40:55,870 --> 00:40:52,030

materials to us that are enabling us to

782

00:40:57,940 --> 00:40:55,880

move ahead now I don't know whether they

783

00:41:01,960 --> 00:40:57,950

understood this or not they probably did

784

00:41:06,670 --> 00:41:01,970

knowing them and that we would hide our

785

00:41:09,700 --> 00:41:06,680

discoveries out of fear that there is a

786

00:41:11,980 --> 00:41:09,710

that our enemies would get wind of it

787

00:41:14,680 --> 00:41:11,990

both and figure things out before we

788

00:41:17,470 --> 00:41:14,690

could right now for example I am aware

789

00:41:19,990 --> 00:41:17,480

of the fact and I can't go into why but

790

00:41:22,360 --> 00:41:20,000

I am aware of the fact that the United

791

00:41:26,170 --> 00:41:22,370

States Russia and China are in a real

792

00:41:29,350 --> 00:41:26,180

tussle about the secret of gravity that

793

00:41:31,420 --> 00:41:29,360

someone is going to get that and the

794

00:41:36,100 --> 00:41:31,430

power that gets that is going to of

795

00:41:38,470 --> 00:41:36,110

course be very prompt very dominant but

796

00:41:41,680 --> 00:41:38,480

we need to get past all of that it's too

797

00:41:45,160 --> 00:41:41,690

late it's too late for the secrecy you

798

00:41:47,440 --> 00:41:45,170

know the the march on area 51 was a sort

799

00:41:49,930 --> 00:41:47,450

of total bust as we talked about and

800

00:41:51,700 --> 00:41:49,940

we'll talk about mm-hmm and which is

801
00:41:55,120 --> 00:41:51,710
fine I mean I didn't expect it to be

802
00:41:57,550 --> 00:41:55,130
anything else but it is a little rumble

803
00:42:01,150 --> 00:41:57,560
of thunder distant lightning on the

804
00:42:03,220 --> 00:42:01,160
horizon because you take a situation

805
00:42:05,800 --> 00:42:03,230
that could be happening within a few

806
00:42:08,530 --> 00:42:05,810
years where a whole lot of people are

807
00:42:11,710 --> 00:42:08,540
starving in this country or don't have

808
00:42:13,960 --> 00:42:11,720
water or things are really really really

809
00:42:16,270 --> 00:42:13,970
coming apart at the seams and all these

810
00:42:20,440 --> 00:42:16,280
people who were believers and followers

811
00:42:24,400 --> 00:42:20,450
and yeah global warming is nonsense it's

812
00:42:27,070 --> 00:42:24,410
all rubbish they are suffering and

813
00:42:28,250 --> 00:42:27,080

watching their kids suffer they are

814

00:42:31,859 --> 00:42:28,260

going to be

815

00:42:34,319 --> 00:42:31,869

everywhere for information for some kind

816

00:42:37,769 --> 00:42:34,329

of salvation and when the first places

817

00:42:40,500 --> 00:42:37,779

they're gonna look is inside the hidden

818

00:42:44,069 --> 00:42:40,510

community that studies this stuff and

819

00:42:46,620 --> 00:42:44,079

I'm telling you the French aristocrats

820

00:42:49,140 --> 00:42:46,630

thought that they owned the world it

821

00:42:50,579 --> 00:42:49,150

right before the French Revolution a few

822

00:42:54,120 --> 00:42:50,589

years later their heads were all going

823

00:42:57,180 --> 00:42:54,130

off these people are our aristocrats

824

00:43:00,329 --> 00:42:57,190

they're not the billionaires these

825

00:43:03,450 --> 00:43:00,339

people who really know this stuff and

826

00:43:05,819 --> 00:43:03,460

really understand it they are the ones

827

00:43:08,579 --> 00:43:05,829

at the absolute top of the food chain

828

00:43:11,430 --> 00:43:08,589

and I'm warning them and I'm

829

00:43:13,829 --> 00:43:11,440

guaranteeing to you they will be dragged

830

00:43:17,190 --> 00:43:13,839

out of the places where they are and

831

00:43:22,529 --> 00:43:17,200

their secrets will be extracted from

832

00:43:27,930 --> 00:43:22,539

them but it won't help it won't help

833

00:43:31,710 --> 00:43:27,940

that's not going to work so I am hoping

834

00:43:33,990 --> 00:43:31,720

that we get into a situation soon where

835

00:43:35,670 --> 00:43:34,000

there can be coherent communication

836

00:43:38,760 --> 00:43:35,680

between us and the visitors because

837

00:43:39,900 --> 00:43:38,770

right now we have not got a clue about

838

00:43:42,630 --> 00:43:39,910

how to do that

839

00:43:48,750 --> 00:43:42,640

not a clue and there's nobody helping us

840

00:43:52,140 --> 00:43:48,760

and speaking of the visitors in those

841

00:43:56,370 --> 00:43:52,150

terms like Roswell I wanted to ask you

842

00:44:00,089 --> 00:43:56,380

in the exact same mindset with

843

00:44:02,789 --> 00:44:00,099

Rendlesham where now we've got a

844

00:44:06,870 --> 00:44:02,799

military encounter that has gone very

845

00:44:08,700 --> 00:44:06,880

very public but were the visitors well

846

00:44:11,400 --> 00:44:08,710

what's your opinion on that was that us

847

00:44:13,890 --> 00:44:11,410

from the future was that something else

848

00:44:16,410 --> 00:44:13,900

was it a test what's your opinion on

849

00:44:20,120 --> 00:44:16,420

Rendlesham well you know I don't I don't

850

00:44:22,710 --> 00:44:20,130

understand what time travel would be

851
00:44:25,170 --> 00:44:22,720
because you know we have we know of

852
00:44:29,279 --> 00:44:25,180
certain forces in the universe there is

853
00:44:32,010 --> 00:44:29,289
no force called time what we see when we

854
00:44:37,319 --> 00:44:32,020
see time is entropy the the slow change

855
00:44:39,059 --> 00:44:37,329
that is the caused caused by alterations

856
00:44:40,650 --> 00:44:39,069
in the energy levels of everything in

857
00:44:41,910 --> 00:44:40,660
the world around us that's what causes

858
00:44:44,550 --> 00:44:41,920
Tom

859
00:44:48,270 --> 00:44:44,560
time is a kind of illusion so how can

860
00:44:50,910 --> 00:44:48,280
you go back in an illusion I have some

861
00:44:52,860 --> 00:44:50,920
fascinating interest in information from

862
00:44:54,810 --> 00:44:52,870
the visitors about this from a long time

863
00:44:57,900 --> 00:44:54,820

ago when I did ask them this question

864

00:45:00,150 --> 00:44:57,910

and the answer this is back when I have

865

00:45:03,960 --> 00:45:00,160

gosh when we lived in our beloved little

866

00:45:05,610 --> 00:45:03,970

old cabin in upstate New York I asked

867

00:45:09,290 --> 00:45:05,620

them this and they said the future is

868

00:45:12,570 --> 00:45:09,300

like water the present is a compressor

869

00:45:16,950 --> 00:45:12,580

that compresses it and the past is like

870

00:45:20,220 --> 00:45:16,960

ice you can't do much to change the past

871

00:45:24,150 --> 00:45:20,230

but you can find bubbles here in there

872

00:45:24,780 --> 00:45:24,160

and go in those bubbles and when you do

873

00:45:28,050 --> 00:45:24,790

that

874

00:45:30,960 --> 00:45:28,060

you can see the past and I thought to

875

00:45:34,140 --> 00:45:30,970

myself at the time maybe also the past

876

00:45:39,180 --> 00:45:34,150

can see you and maybe they know that and

877

00:45:41,010 --> 00:45:39,190

maybe that somehow can echo forward into

878

00:45:43,200 --> 00:45:41,020

the present in the future because we

879

00:45:45,900 --> 00:45:43,210

physics tells us that there's no

880

00:45:49,770 --> 00:45:45,910

particular reason that the paths that

881

00:45:51,420 --> 00:45:49,780

the time flows in the direction it does

882

00:45:56,400 --> 00:45:51,430

it could flow in any direction it can

883

00:45:58,320 --> 00:45:56,410

flow in the future or the past so yeah I

884

00:46:00,570 --> 00:45:58,330

think there's something there in the

885

00:46:02,850 --> 00:46:00,580

time travel thing but if that's it it's

886

00:46:04,830 --> 00:46:02,860

a very limited something that they that

887

00:46:07,500 --> 00:46:04,840

they may have done that has maybe a

888

00:46:10,770 --> 00:46:07,510

rather limited effect but they are so

889

00:46:14,340 --> 00:46:10,780

knowledgeable they may have picked just

890

00:46:16,530 --> 00:46:14,350

the right point to where that limited

891

00:46:19,950 --> 00:46:16,540

effect would resonate and resonate and

892

00:46:23,600 --> 00:46:19,960

resonate until finally it changes its

893

00:46:26,790 --> 00:46:23,610

own future which is an extraordinary

894

00:46:29,130 --> 00:46:26,800

breathtakingly dramatic capability I

895

00:46:31,740 --> 00:46:29,140

don't think it's completely out of the

896

00:46:34,680 --> 00:46:31,750

question but I would be really surprised

897

00:46:36,810 --> 00:46:34,690

if that was the actual answer do you do

898

00:46:39,030 --> 00:46:36,820

you remember when our Penniston Jim

899

00:46:44,040 --> 00:46:39,040

Penniston said that when he touched the

900

00:46:48,660 --> 00:46:44,050

object he got a download and that it

901
00:46:51,690 --> 00:46:48,670
wasn't that they were us right and

902
00:46:54,800 --> 00:46:51,700
that's that's what he was told and I

903
00:46:57,800 --> 00:46:54,810
always found that very very interesting

904
00:47:00,500 --> 00:46:57,810
if he was yeah well if he was making it

905
00:47:02,570 --> 00:47:00,510
up right and he could have gone

906
00:47:06,950 --> 00:47:02,580
certainly more fantastical and more

907
00:47:10,990 --> 00:47:06,960
dramatic than that saying that they are

908
00:47:14,390 --> 00:47:11,000
us that puts a whole nother spin on this

909
00:47:19,460 --> 00:47:14,400
well you know when Annie saw that years

910
00:47:22,310 --> 00:47:19,470
ago she said oh what happened to us very

911
00:47:26,900 --> 00:47:22,320
funny answer I thought but there there's

912
00:47:33,040 --> 00:47:26,910
another thing there and that's this if

913
00:47:39,280 --> 00:47:33,050

it is possible to somehow enter this

914

00:47:49,120 --> 00:47:43,880

if you wanted to change it the one thing

915

00:47:53,030 --> 00:47:49,130

you could not do would be to cause the

916

00:47:56,180 --> 00:47:53,040

grandfather paradox to be enacted that

917

00:47:58,849 --> 00:47:56,190

is to say that you we know from having

918

00:48:01,190 --> 00:47:58,859

sent photons back into their own pasts

919

00:48:03,710 --> 00:48:01,200

that the grandfather paradox is real

920

00:48:07,250 --> 00:48:03,720

they will never touch their past past

921

00:48:08,900 --> 00:48:07,260

versions of themselves now I mean and

922

00:48:12,950 --> 00:48:08,910

this is theoretical it's not never been

923

00:48:15,020 --> 00:48:12,960

done physically I I hasten to add so I'm

924

00:48:17,599 --> 00:48:15,030

just talking about math here mm-hmm

925

00:48:20,120 --> 00:48:17,609

right but math is math is the beginning

926

00:48:25,160 --> 00:48:20,130

of everything so it's probably true in

927

00:48:29,320 --> 00:48:25,170

any case if you could do that the one

928

00:48:35,000 --> 00:48:29,330

thing you would have to do would be to

929

00:48:37,940 --> 00:48:35,010

avoid seeming or appearing like

930

00:48:40,670 --> 00:48:37,950

something that was real because if you

931

00:48:45,940 --> 00:48:40,680

seemed to be something that was real you

932

00:48:48,260 --> 00:48:45,950

could not trick the past into not

933

00:48:49,609 --> 00:48:48,270

activating the grandfather paradox it

934

00:48:53,599 --> 00:48:49,619

would activate immediately and

935

00:48:56,030 --> 00:48:53,609

automatically then you're saying the

936

00:48:59,510 --> 00:48:56,040

grandfather paradox would be prevented

937

00:49:01,670 --> 00:48:59,520

there would be the grandfather yep you

938

00:49:04,040 --> 00:49:01,680

you would be prevented from doing

939

00:49:07,670 --> 00:49:04,050

anything to change the past cause of the

940

00:49:10,430 --> 00:49:07,680

grandfather paradox right unless you

941

00:49:14,480 --> 00:49:10,440

appeared to be something that wasn't

942

00:49:16,220 --> 00:49:14,490

real at all and in fact were something

943

00:49:20,930 --> 00:49:16,230

that was unreal you were an invention

944

00:49:25,190 --> 00:49:20,940

and therefore the grandfather paradox

945

00:49:27,380 --> 00:49:25,200

might not be activated because it

946

00:49:29,480 --> 00:49:27,390

wouldn't there wouldn't be any reference

947

00:49:32,089 --> 00:49:29,490

point for it to activate it right right

948

00:49:34,370 --> 00:49:32,099

this is just a theoretical right right

949

00:49:35,870 --> 00:49:34,380

that's very interesting so wine so that

950

00:49:37,400 --> 00:49:35,880

might be why they look like they do

951
00:49:39,650 --> 00:49:37,410
because that's not what they really are

952
00:49:41,660 --> 00:49:39,660
maybe it's just really us right right

953
00:49:44,510 --> 00:49:41,670
right right and if you're gonna go back

954
00:49:47,240 --> 00:49:44,520
in time and show up in Rendlesham forest

955
00:49:50,990 --> 00:49:47,250
outside of an Air Force Base look like a

956
00:49:53,240 --> 00:49:51,000
flying saucer right looks like something

957
00:49:57,710 --> 00:49:53,250
that doesn't exist right right then then

958
00:49:59,210 --> 00:49:57,720
you can do more than you would if you

959
00:50:03,290 --> 00:49:59,220
looked like something that did exist

960
00:50:05,620 --> 00:50:03,300
it's so for you and looking at this

961
00:50:10,460 --> 00:50:05,630
maybe the visitors have mentioned this

962
00:50:14,180 --> 00:50:10,470
ultimately what was Rendlesham well you

963
00:50:17,599 --> 00:50:14,190

know I am a person who doesn't I live by

964

00:50:20,300 --> 00:50:17,609

certain things a lot of which I learned

965

00:50:24,470 --> 00:50:20,310

learn from an one of the things she used

966

00:50:27,320 --> 00:50:24,480

to say and said is the human species is

967

00:50:30,589 --> 00:50:27,330

too young to have beliefs what we need

968

00:50:31,130 --> 00:50:30,599

are the good questions and I live by

969

00:50:33,560 --> 00:50:31,140

that

970

00:50:36,320 --> 00:50:33,570

so I can't tell you what I think

971

00:50:38,420 --> 00:50:36,330

Rendlesham was I'm not going to say I

972

00:50:41,120 --> 00:50:38,430

believe this or I've concluded that or

973

00:50:44,060 --> 00:50:41,130

based on this in this in this piece of

974

00:50:47,390 --> 00:50:44,070

evidence I think that this is true and

975

00:50:51,079 --> 00:50:47,400

the reason is that we don't have a

976

00:50:55,250 --> 00:50:51,089

ground of truth we don't have any basic

977

00:50:57,800 --> 00:50:55,260

ground that we know is true and why do I

978

00:51:00,980 --> 00:50:57,810

say that I say that for two reasons

979

00:51:05,120 --> 00:51:00,990

first when you get down to the smallest

980

00:51:07,940 --> 00:51:05,130

most basic fundamental parts of the

981

00:51:11,240 --> 00:51:07,950

universe what you have is indeterminacy

982

00:51:14,060 --> 00:51:11,250

they're not anywhere they're not

983

00:51:16,730 --> 00:51:14,070

anywhere you know that the number of

984

00:51:20,210 --> 00:51:16,740

atoms compared to the number amount of

985

00:51:21,550 --> 00:51:20,220

of empty space and a piece of steel is

986

00:51:24,640 --> 00:51:21,560

literally

987

00:51:30,250 --> 00:51:24,650

infinitesimal yep a piece of steel

988

00:51:34,640 --> 00:51:30,260

everything it's not 99% empty space it's

989

00:51:37,760 --> 00:51:34,650

99% to the nth power empty space right

990

00:51:38,570 --> 00:51:37,770

this doesn't exist it's not here it's

991

00:51:42,710 --> 00:51:38,580

something else

992

00:51:45,080 --> 00:51:42,720

and these are we you what I believe

993

00:51:47,690 --> 00:51:45,090

because I don't believe anything I don't

994

00:51:50,210 --> 00:51:47,700

know there you go that's a that's a

995

00:51:54,740 --> 00:51:50,220

really really really really solid point

996

00:51:56,930 --> 00:51:54,750

and the the idea behind all of that

997

00:52:00,710 --> 00:51:56,940

especially when you listen to physicists

998

00:52:02,960 --> 00:52:00,720

speak about this directly the amount of

999

00:52:07,180 --> 00:52:02,970

emptiness around us we don't have a

1000

00:52:10,340 --> 00:52:07,190

concept we feel things and we understand

1001
00:52:13,340 --> 00:52:10,350
with that tactile side of things that

1002
00:52:16,070 --> 00:52:13,350
things are solid and this is our reality

1003
00:52:20,060 --> 00:52:16,080
but we don't understand we can't have we

1004
00:52:23,200 --> 00:52:20,070
don't we don't grasp the emptiness we

1005
00:52:26,420 --> 00:52:23,210
don't we don't understand it nobody

1006
00:52:28,880 --> 00:52:26,430
understands the emptiness of everything

1007
00:52:31,130 --> 00:52:28,890
and you know you know what Einstein said

1008
00:52:34,460 --> 00:52:31,140
I sign said matter his energy slowed

1009
00:52:36,350 --> 00:52:34,470
down so that's that this is all energy

1010
00:52:38,420 --> 00:52:36,360
that's all this is about there isn't

1011
00:52:42,400 --> 00:52:38,430
there isn't matter versus energy there's

1012
00:52:45,680 --> 00:52:42,410
just different forms of energy that's it

1013
00:52:48,710 --> 00:52:45,690

and and and the equation goes backwards

1014

00:52:50,690 --> 00:52:48,720

and forwards equals mc-squared energy is

1015

00:52:53,480 --> 00:52:50,700

mass mass is energy and that's the end

1016

00:52:55,220 --> 00:52:53,490

of the story dance that's right let's

1017

00:52:56,150 --> 00:52:55,230

say let's take our break right here this

1018

00:52:58,790 --> 00:52:56,160

is fade to black

1019

00:53:01,520 --> 00:52:58,800

I am your host Jimmy church tonight

1020

00:53:04,310 --> 00:53:01,530

whitley strieber Ravin a very open

1021

00:53:06,530 --> 00:53:04,320

conversation on all things ET and UFO

1022

00:53:11,000 --> 00:53:06,540

and other stuff we'll be right back up

1023

00:53:48,490 --> 00:53:45,670

[Music]

1024

00:53:50,960 --> 00:53:48,500

[Applause]

1025

00:53:52,580 --> 00:53:50,970

welcome back fade to black I am your

1026
00:53:54,890 --> 00:53:52,590
host Jimmy Church if you want to join in

1027
00:53:58,580 --> 00:53:54,900
on the conversation tonight on Twitter

1028
00:54:00,500 --> 00:53:58,590
hashtag f2 B is the sandbox any

1029
00:54:04,580 --> 00:54:00,510
questions for myself will Whitley

1030
00:54:07,130 --> 00:54:04,590
tonight hashtag f2b q and of course both

1031
00:54:09,560 --> 00:54:07,140
of our chat rooms are open at Spreaker

1032
00:54:10,430 --> 00:54:09,570
and over AKG RA the planet our guest

1033
00:54:13,790 --> 00:54:10,440
tonight Whitley Strieber

1034
00:54:17,990 --> 00:54:13,800
and Whitley continuing on this is

1035
00:54:21,440 --> 00:54:18,000
specifically about the military and and

1036
00:54:23,750 --> 00:54:21,450
what may be going on of course we have

1037
00:54:24,740 --> 00:54:23,760
all of the stories about today we'll get

1038
00:54:27,860 --> 00:54:24,750

to that later

1039

00:54:30,800 --> 00:54:27,870

but we have Malmstrom Air Force Base and

1040

00:54:33,920 --> 00:54:30,810

with you ApS and and the Navy in the

1041

00:54:36,440 --> 00:54:33,930

airforce being the subject today we have

1042

00:54:39,320 --> 00:54:36,450

Malmstrom Air Force Base where it

1043

00:54:44,330 --> 00:54:39,330

appeared that somebody was running

1044

00:54:47,000 --> 00:54:44,340

interference over our missiles was this

1045

00:54:52,070 --> 00:54:47,010

the visitors does the government

1046

00:54:53,330 --> 00:54:52,080

understand what is going on I you know I

1047

00:54:55,610 --> 00:54:53,340

don't think the government does

1048

00:54:57,320 --> 00:54:55,620

understand what's going on I think if

1049

00:54:59,540 --> 00:54:57,330

they understood what what's going on

1050

00:55:03,620 --> 00:54:59,550

things would be different and I'll tell

1051
00:55:10,490 --> 00:55:03,630
you why back when the National Security

1052
00:55:15,020 --> 00:55:10,500
Act of 1947 was passed the the the Act

1053
00:55:21,230 --> 00:55:15,030
mandated that when the military engaged

1054
00:55:24,020 --> 00:55:21,240
with something the potential hostility

1055
00:55:26,480 --> 00:55:24,030
or danger of which was unknown it was to

1056
00:55:29,540 --> 00:55:26,490
keep that secret and this I think

1057
00:55:31,400 --> 00:55:29,550
probably was put in there because of the

1058
00:55:33,230 --> 00:55:31,410
Roswell incident and possibly other

1059
00:55:35,510 --> 00:55:33,240
things where they were dealing with

1060
00:55:37,960 --> 00:55:35,520
unknown unknowns and they wanted to be

1061
00:55:41,000 --> 00:55:37,970
sure that those unknowns didn't slip out

1062
00:55:43,120 --> 00:55:41,010
into the public into the public simply

1063
00:55:47,840 --> 00:55:43,130

because they didn't know what they were

1064

00:55:51,860 --> 00:55:47,850

now 70 years later a few things are

1065

00:55:54,590 --> 00:55:51,870

pretty obvious one it's not an invasion

1066

00:55:57,080 --> 00:55:54,600

of any kind that we would expect because

1067

00:55:58,610 --> 00:55:57,090

that would be over by now they're not

1068

00:56:00,830 --> 00:55:58,620

trying to take over our planet they're

1069

00:56:01,819 --> 00:56:00,840

obviously not eating us if they were

1070

00:56:07,089 --> 00:56:01,829

eating us probably

1071

00:56:11,509 --> 00:56:07,099

wouldn't have global warming they're not

1072

00:56:14,930 --> 00:56:11,519

they're a benign presence as far as we

1073

00:56:17,690 --> 00:56:14,940

can see so now the secrets are being

1074

00:56:21,140 --> 00:56:17,700

kept not for that reason but because of

1075

00:56:26,059 --> 00:56:21,150

the possibility that weapons may be

1076
00:56:30,079 --> 00:56:26,069
devised out of what we have and what we

1077
00:56:34,099 --> 00:56:30,089
are learning so the result of this is

1078
00:56:37,190 --> 00:56:34,109
that the reason the original reason if

1079
00:56:41,180 --> 00:56:37,200
you read the more recent acts you'll

1080
00:56:44,029 --> 00:56:41,190
find that this mandate for keeping

1081
00:56:47,959 --> 00:56:44,039
things top-secret has altered in order

1082
00:56:50,239 --> 00:56:47,969
to include things that may impinge on

1083
00:56:53,269 --> 00:56:50,249
the national security if they are

1084
00:56:56,599 --> 00:56:53,279
revealed in other words processes and so

1085
00:56:58,249 --> 00:56:56,609
forth that could that could be picked up

1086
00:57:02,569 --> 00:56:58,259
by an enemy and turned into weapons

1087
00:57:06,109 --> 00:57:02,579
against us so the secrecy continues so

1088
00:57:11,989 --> 00:57:06,119

you get into a situation like that and

1089

00:57:14,120 --> 00:57:11,999

you have to ask yourself do if if they

1090

00:57:17,689 --> 00:57:14,130

really fully understood what was going

1091

00:57:20,900 --> 00:57:17,699

on would it be necessary to continue to

1092

00:57:22,430 --> 00:57:20,910

hide it like it they do and unless they

1093

00:57:24,650 --> 00:57:22,440

are being forced to hide it by the

1094

00:57:27,170 --> 00:57:24,660

visitors who were very clever in the

1095

00:57:30,380 --> 00:57:27,180

beginning they created a situation by

1096

00:57:33,439 --> 00:57:30,390

showing up next door to that incredibly

1097

00:57:36,849 --> 00:57:33,449

secure base where we would hide it and

1098

00:57:39,289 --> 00:57:36,859

as I pointed out earlier they did that

1099

00:57:41,089 --> 00:57:39,299

so that we could get a hold of the

1100

00:57:43,699 --> 00:57:41,099

technology and give us a chance to catch

1101

00:57:46,640 --> 00:57:43,709

up so that we would not be supplicants

1102

00:57:49,609 --> 00:57:46,650

but we would rather be partners when we

1103

00:57:54,529 --> 00:57:49,619

eventually came together in a in in an

1104

00:57:56,989 --> 00:57:54,539

open way now something is wrong here

1105

00:58:00,439 --> 00:57:56,999

I think the secrets have been kept for

1106

00:58:03,859 --> 00:58:00,449

too long I think it's probably somewhere

1107

00:58:06,049 --> 00:58:03,869

back in the 80s or even earlier this

1108

00:58:07,219 --> 00:58:06,059

should have become started to get out

1109

00:58:09,259 --> 00:58:07,229

into the public in a much more

1110

00:58:10,939 --> 00:58:09,269

straightforward way and as I said

1111

00:58:15,420 --> 00:58:10,949

earlier the result of this is going to

1112

00:58:17,010 --> 00:58:15,430

be an explosion of anger eventually and

1113

00:58:19,079 --> 00:58:17,020

intelligence community will be taken

1114

00:58:21,630 --> 00:58:19,089

down by it almost certainly because

1115

00:58:23,790 --> 00:58:21,640

there's there'll be a revolution sir not

1116

00:58:25,980 --> 00:58:23,800

just here but in all kinds of places all

1117

00:58:30,329 --> 00:58:25,990

over the world because you know people

1118

00:58:31,980 --> 00:58:30,339

get hungry and they get mad so I can't

1119

00:58:33,480 --> 00:58:31,990

answer the question directly I don't

1120

00:58:37,260 --> 00:58:33,490

know specifically what might have

1121

00:58:38,910 --> 00:58:37,270

happened there but what I can say is the

1122

00:58:40,950 --> 00:58:38,920

way it looks

1123

00:58:47,220 --> 00:58:40,960

somebody was trying very hard to hide

1124

00:58:50,030 --> 00:58:47,230

something today where we have I am of

1125

00:58:54,270 --> 00:58:50,040

the opinion I don't know specifically

1126

00:58:56,490 --> 00:58:54,280

but I'm I'm of the opinion that with

1127

00:58:59,040 --> 00:58:56,500

everything that is happening in such

1128

00:59:00,569 --> 00:58:59,050

rapid fire over the last year year and a

1129

00:59:05,010 --> 00:59:00,579

half when it comes to the UFO question

1130

00:59:07,049 --> 00:59:05,020

all the way up to the storm area51 event

1131

00:59:10,500 --> 00:59:07,059

actually the way that this has been

1132

00:59:12,390 --> 00:59:10,510

covered up covered in the media it seems

1133

00:59:14,579 --> 00:59:12,400

that they may be trying to get out in

1134

00:59:17,549 --> 00:59:14,589

front of something of which I don't know

1135

00:59:21,510 --> 00:59:17,559

but I think that there are places on

1136

00:59:23,839 --> 00:59:21,520

this planet that may be revealed and

1137

00:59:27,960 --> 00:59:23,849

that would be out of their control and

1138

00:59:31,650 --> 00:59:27,970

specifically this face in and arctica

1139

00:59:33,319 --> 00:59:31,660

that you know I pushed out there and and

1140

00:59:36,410 --> 00:59:33,329

others did over the last couple of weeks

1141

00:59:39,270 --> 00:59:36,420

this face in Antarctica which obviously

1142

00:59:42,690 --> 00:59:39,280

people think of Cydonia and Mars and and

1143

00:59:45,839 --> 00:59:42,700

so forth but this is a very interesting

1144

00:59:47,280 --> 00:59:45,849

I don't know what it is but it's

1145

00:59:49,349 --> 00:59:47,290

certainly a face I don't know if it's

1146

00:59:51,900 --> 00:59:49,359

natural or man-made that part I don't

1147

00:59:54,870 --> 00:59:51,910

know but if something like that reveals

1148

00:59:58,440 --> 00:59:54,880

itself like the face in Antarctica and

1149

01:00:00,569 --> 00:59:58,450

goes worldwide then the government would

1150

01:00:04,500 --> 01:00:00,579

be state actors around the world faced

1151

01:00:06,510 --> 01:00:04,510

with that dilemma right and maybe this

1152

01:00:10,859 --> 01:00:06,520

is part of getting out in front of the

1153

01:00:13,109 --> 01:00:10,869

story you know spreading UFO around the

1154

01:00:14,430 --> 01:00:13,119

world and getting everybody acclimated

1155

01:00:19,500 --> 01:00:14,440

what did you make of the face in

1156

01:00:23,520 --> 01:00:19,510

Antarctica you know my problem is this

1157

01:00:25,319 --> 01:00:23,530

we are so good now with manipulating

1158

01:00:27,750 --> 01:00:25,329

video I don't know what to make of it

1159

01:00:29,490 --> 01:00:27,760

there's not enough information there you

1160

01:00:33,120 --> 01:00:29,500

can't you know with

1161

01:00:35,700 --> 01:00:33,130

having somebody I knew personally to be

1162

01:00:38,030 --> 01:00:35,710

honest go out there and take pictures of

1163

01:00:40,980 --> 01:00:38,040

the face I just don't know what it is I

1164

01:00:42,630 --> 01:00:40,990

don't know if it's fake or real yeah I

1165

01:00:44,340 --> 01:00:42,640

think we're gonna run with your quote

1166

01:00:51,480 --> 01:00:44,350

here

1167

01:00:55,380 --> 01:00:51,490

and Twitter and and I'm scrolling back

1168

01:00:58,500 --> 01:00:55,390

for it for what you just said I died

1169

01:01:01,980 --> 01:00:58,510

what oh I've lost it

1170

01:01:03,690 --> 01:01:01,990

I don't know what I don't know what was

1171

01:01:08,130 --> 01:01:03,700

your quote right before the break

1172

01:01:11,430 --> 01:01:08,140

Oh No what it was was what Anne used to

1173

01:01:12,510 --> 01:01:11,440

say is that the human species is too

1174

01:01:15,630 --> 01:01:12,520

young to have beliefs

1175

01:01:18,300 --> 01:01:15,640

I don't eat questions I don't believe

1176

01:01:21,210 --> 01:01:18,310

anything I don't know yeah that's

1177

01:01:23,790 --> 01:01:21,220

exactly yeah I don't believe I don't

1178

01:01:25,470 --> 01:01:23,800

know and if I don't know why should I

1179

01:01:26,910 --> 01:01:25,480

believe it I'm not gonna believe

1180

01:01:29,130 --> 01:01:26,920

something because somebody tells me it's

1181

01:01:32,750 --> 01:01:29,140

true I'm you know I've been there and

1182

01:01:39,630 --> 01:01:32,760

done that and that is not a good idea

1183

01:01:42,300 --> 01:01:39,640

but I am going to say that let me put

1184

01:01:47,390 --> 01:01:42,310

this another way the Antarctic is an

1185

01:01:51,840 --> 01:01:47,400

ideal place or it was an ideal place to

1186

01:01:53,310 --> 01:01:51,850

hide someone if you had a big large

1187

01:01:56,040 --> 01:01:53,320

thing going on and I'll tell you

1188

01:01:59,160 --> 01:01:56,050

something I know about this back in the

1189

01:02:02,370 --> 01:01:59,170

communion days and I believe it was 89 I

1190

01:02:05,100 --> 01:02:02,380

went on a world tour world author tour

1191

01:02:07,770 --> 01:02:05,110

which included New Zealand and I was in

1192

01:02:11,400 --> 01:02:07,780

Auckland and at night the hotel

1193

01:02:15,360 --> 01:02:11,410

overlooked the airport that there were

1194

01:02:19,200 --> 01:02:15,370

planes coming and going coming and going

1195

01:02:21,420 --> 01:02:19,210

coming and going at night and the

1196

01:02:22,440 --> 01:02:21,430

newspapers were full of this that it was

1197

01:02:25,530 --> 01:02:22,450

a US Air Force

1198

01:02:28,650 --> 01:02:25,540

it was driving people crazy because

1199

01:02:31,770 --> 01:02:28,660

these planes were blasting through the

1200

01:02:34,380 --> 01:02:31,780

quiet skies of Auckland New Zealand at

1201

01:02:36,750 --> 01:02:34,390

night and driving people nuts and this

1202

01:02:38,700 --> 01:02:36,760

was literally at 24 you saw him during

1203

01:02:40,620 --> 01:02:38,710

the day - it was just going on and on

1204

01:02:42,960 --> 01:02:40,630

and on and they were all going to

1205

01:02:45,510 --> 01:02:42,970

Antarctica and

1206

01:02:47,160 --> 01:02:45,520

the New Zealand government would not put

1207

01:02:50,460 --> 01:02:47,170

a stop to it and would not tell the

1208

01:02:54,240 --> 01:02:50,470

public why and people were furious so

1209

01:02:57,839 --> 01:02:54,250

even back then something very big was

1210

01:03:00,660 --> 01:02:57,849

being built in Antarctica very big and

1211

01:03:04,620 --> 01:03:00,670

here's the interesting thing you don't

1212

01:03:05,660 --> 01:03:04,630

see anything down there now it's that

1213

01:03:10,760 --> 01:03:05,670

big

1214

01:03:14,040 --> 01:03:10,770

therefore what was being built is secret

1215

01:03:17,730 --> 01:03:14,050

see where I'm coming from I do yeah

1216

01:03:19,800 --> 01:03:17,740

so but what is it I don't know I I won't

1217

01:03:22,740 --> 01:03:19,810

make the net I won't take the next step

1218

01:03:24,750 --> 01:03:22,750

I saw the planes I figured out very

1219

01:03:26,970 --> 01:03:24,760

quickly from reading the papers and

1220

01:03:28,140 --> 01:03:26,980

talking to people just how many planes

1221

01:03:30,030 --> 01:03:28,150

would have been involved because they've

1222

01:03:33,960 --> 01:03:30,040

been it's been going on for a year when

1223

01:03:38,480 --> 01:03:33,970

I was there and it was so therefore

1224

01:03:43,530 --> 01:03:38,490

whatever was being done was gigantic and

1225

01:03:47,010 --> 01:03:43,540

it ain't there so it is there when we

1226

01:03:48,690 --> 01:03:47,020

can see it and I want to I want to talk

1227

01:03:53,670 --> 01:03:48,700

about abductions too

1228

01:03:56,339 --> 01:03:53,680

this is something that has always as you

1229

01:03:59,010 --> 01:03:56,349

know it's been there it's been discussed

1230

01:04:03,030 --> 01:03:59,020

but it's never really been out front of

1231

01:04:05,490 --> 01:04:03,040

course Travis Walton and and his his his

1232

01:04:09,180 --> 01:04:05,500

case but going back to Betty and Barney

1233

01:04:14,220 --> 01:04:09,190

Hill of course you and communion

1234

01:04:17,069 --> 01:04:14,230

although you weren't officially do you

1235

01:04:19,130 --> 01:04:17,079

put yourselves abducted mama do you put

1236

01:04:21,450 --> 01:04:19,140

yourself in that category

1237

01:04:25,559 --> 01:04:21,460

anywhere else I mean I wake up in the

1238

01:04:28,230 --> 01:04:25,569

middle of the night with in a room full

1239

01:04:30,329 --> 01:04:28,240

of aliens it's not my bedroom I didn't

1240

01:04:32,730 --> 01:04:30,339

go there nobody took me I mean nobody

1241

01:04:37,079 --> 01:04:32,740

nobody said oh come with us right so I

1242

01:04:39,470 --> 01:04:37,089

was kidnapped and today if we look at

1243

01:04:45,510 --> 01:04:39,480

the numbers and and the recent polling

1244

01:04:48,559 --> 01:04:45,520

that that has gone down where where are

1245

01:04:52,230 --> 01:04:48,569

we on the abduction side of things is

1246

01:04:55,530 --> 01:04:52,240

this something that the government knows

1247

01:04:56,760 --> 01:04:55,540

about doesn't know about and when we are

1248

01:04:59,550 --> 01:04:56,770

dealing with

1249

01:05:03,840 --> 01:04:59,560

millions of people around the world with

1250

01:05:07,170 --> 01:05:03,850

these same experiences whether it's it's

1251

01:05:08,580 --> 01:05:07,180

it's missing time or missing from their

1252

01:05:11,460 --> 01:05:08,590

own home

1253

01:05:15,030 --> 01:05:11,470

that this is something that has to be

1254

01:05:17,040 --> 01:05:15,040

dealt with where are we today it seems

1255

01:05:19,320 --> 01:05:17,050

like now it's okay to talk about

1256

01:05:22,500 --> 01:05:19,330

abductions and more people are coming

1257

01:05:24,780 --> 01:05:22,510

forward people are beginning to be able

1258

01:05:27,270 --> 01:05:24,790

to talk about this because it's a very

1259

01:05:28,170 --> 01:05:27,280

scary thing somebody is here from

1260

01:05:30,870 --> 01:05:28,180

somewhere else

1261

01:05:33,690 --> 01:05:30,880

they're pretty fierce pretty scary and

1262

01:05:35,100 --> 01:05:33,700

very powerful and they are grabbing us

1263

01:05:37,230 --> 01:05:35,110

out of our bedrooms in the middle of the

1264

01:05:40,500 --> 01:05:37,240

night and screwing with us in weird ways

1265

01:05:42,810 --> 01:05:40,510

and hopefully sending us back but that's

1266

01:05:44,930 --> 01:05:42,820

not entire no one's absolutely certain

1267

01:05:48,510 --> 01:05:44,940

of that that happens that way every time

1268

01:05:51,480 --> 01:05:48,520

so that's that's scary it's scary it's

1269

01:05:54,720 --> 01:05:51,490

very scary and talking about it though

1270

01:05:57,270 --> 01:05:54,730

look the the major media right now is

1271

01:06:00,000 --> 01:05:57,280

talking about the you ApS that they're

1272

01:06:02,390 --> 01:06:00,010

not calling you you ApS I mean you know

1273

01:06:06,270 --> 01:06:02,400

I'm going back to flying saucers I'm

1274

01:06:08,580 --> 01:06:06,280

forget UFOs and you IPS they're flying

1275

01:06:10,650 --> 01:06:08,590

saucers that's what they are that's what

1276

01:06:14,160 --> 01:06:10,660

they've always been let's face it then

1277

01:06:16,710 --> 01:06:14,170

in any case they're talking about all

1278

01:06:18,800 --> 01:06:16,720

that no one ever talks about what's

1279

01:06:23,520 --> 01:06:18,810

coming out of them and what's happening

1280

01:06:26,580 --> 01:06:23,530

but look at Rice University right now

1281

01:06:29,520 --> 01:06:26,590

the entire communion letters archive

1282

01:06:32,580 --> 01:06:29,530

that Anne saved thousands of letters is

1283

01:06:38,400 --> 01:06:32,590

they're being archived and catalogued

1284

01:06:42,120 --> 01:06:38,410

and that material has to be addressed at

1285

01:06:43,770 --> 01:06:42,130

some point but the this has got to be

1286

01:06:46,350 --> 01:06:43,780

another big reason for the secrecy I

1287

01:06:51,200 --> 01:06:46,360

don't think the government can do one

1288

01:06:54,270 --> 01:06:51,210

damn thing about it nothing at all I

1289

01:06:59,190 --> 01:06:54,280

think that the government is helpless

1290

01:07:02,370 --> 01:06:59,200

and what are we gonna do say yes there

1291

01:07:03,870 --> 01:07:02,380

are aliens here and they come into your

1292

01:07:05,970 --> 01:07:03,880

bedrooms and into your children's

1293

01:07:07,890 --> 01:07:05,980

bedrooms all the time and do weird

1294

01:07:10,620 --> 01:07:07,900

things to you that nobody understands

1295

01:07:13,829 --> 01:07:10,630

and we can't do a thing about it

1296

01:07:16,279 --> 01:07:13,839

have a nice day haha I don't think

1297

01:07:20,730 --> 01:07:16,289

they're gonna say that I think they will

1298

01:07:23,039 --> 01:07:20,740

die die die before they say that

1299

01:07:25,109 --> 01:07:23,049

disclosure is not going to happen from

1300

01:07:26,849 --> 01:07:25,119

us it's going to happen from the other

1301

01:07:28,980 --> 01:07:26,859

direction the visitors are gonna be the

1302

01:07:34,730 --> 01:07:28,990

ones who disclose and that's going to

1303

01:07:40,789 --> 01:07:34,740

happen when we can take it not before

1304

01:07:44,910 --> 01:07:40,799

the are you surprised with all of the

1305

01:07:47,339 --> 01:07:44,920

coverage in the mainstream media I mean

1306

01:07:50,099 --> 01:07:47,349

we can't ask for more right now right

1307

01:07:53,249 --> 01:07:50,109

they've been doing a pretty good job in

1308

01:07:55,950 --> 01:07:53,259

covering the UFO question right now but

1309

01:07:58,890 --> 01:07:55,960

the world hasn't collapsed right you

1310

01:08:01,620 --> 01:07:58,900

brought up entropy earlier right we and

1311

01:08:05,279 --> 01:08:01,630

yet has elapsed yet we haven't

1312

01:08:08,130 --> 01:08:05,289

completely fallen apart not yet but you

1313

01:08:09,990 --> 01:08:08,140

know what I was just talking about is a

1314

01:08:11,309 --> 01:08:10,000

serious thing and there's deeper stuff

1315

01:08:12,749 --> 01:08:11,319

there that hasn't been revealed that I

1316

01:08:15,690 --> 01:08:12,759

don't have any intention of talking

1317

01:08:18,570 --> 01:08:15,700

about because I can't prove it but I

1318

01:08:20,220 --> 01:08:18,580

think that it could be that there's a

1319

01:08:22,950 --> 01:08:20,230

lot of stuff here that's really scary

1320

01:08:25,349 --> 01:08:22,960

and that the government is not in

1321

01:08:27,240 --> 01:08:25,359

control of it and that they're not going

1322

01:08:29,640 --> 01:08:27,250

to reveal it because of until they

1323

01:08:31,320 --> 01:08:29,650

absolutely have to and then when they do

1324

01:08:33,390 --> 01:08:31,330

finally reveal it people are going to be

1325

01:08:37,530 --> 01:08:33,400

terrified I'm very afraid that's going

1326

01:08:41,459 --> 01:08:37,540

to be the case why hasn't the religion

1327

01:08:45,149 --> 01:08:41,469

aspect of this is there and you look at

1328

01:08:50,220 --> 01:08:45,159

the size of Christianity on this planet

1329

01:08:54,570 --> 01:08:50,230

in Islam and and other religions the the

1330

01:08:57,180 --> 01:08:54,580

official stance hasn't been taken from

1331

01:08:59,849 --> 01:08:57,190

any of the large religions around the

1332

01:09:02,910 --> 01:08:59,859

world and that part I've been waiting

1333

01:09:06,120 --> 01:09:02,920

for - I don't quite understand the

1334

01:09:09,360 --> 01:09:06,130

silence there when they they read the

1335

01:09:11,760 --> 01:09:09,370

papers that right they watch CNN and and

1336

01:09:15,300 --> 01:09:11,770

Fox News they understand what's going on

1337

01:09:17,990 --> 01:09:15,310

right now and there has been a definite

1338

01:09:20,820 --> 01:09:18,000

silence but I haven't also seen

1339

01:09:23,610 --> 01:09:20,830

religions collapse and I find that

1340

01:09:24,860 --> 01:09:23,620

interesting - it seems to be stable I

1341

01:09:32,760 --> 01:09:24,870

don't see

1342

01:09:35,250 --> 01:09:32,770

or the entropy because people don't know

1343

01:09:36,450 --> 01:09:35,260

enough yet they'll they'll figure it out

1344

01:09:40,910 --> 01:09:36,460

eventually and then it'll all come

1345

01:09:43,650 --> 01:09:40,920

unglued probably I would think I'm not a

1346

01:09:47,539 --> 01:09:43,660

I'm not very optimistic about all that

1347

01:09:50,039 --> 01:09:47,549

stuff I I don't think that I think that

1348

01:09:53,490 --> 01:09:50,049

this we don't know what we're dealing

1349

01:09:55,850 --> 01:09:53,500

with yet and those of us who do deal

1350

01:10:00,200 --> 01:09:55,860

with it have a very hard time it's rough

1351

01:10:04,710 --> 01:10:00,210

I've had a hard time for many years and

1352

01:10:06,240 --> 01:10:04,720

I I don't now now it's great it's

1353

01:10:09,660 --> 01:10:06,250

wonderful it's the best thing that ever

1354

01:10:12,300 --> 01:10:09,670

happened to me but at first it was

1355

01:10:14,340 --> 01:10:12,310

really hard and that's why this book is

1356

01:10:16,380 --> 01:10:14,350

I'm writing this book and I'm trying to

1357

01:10:20,120 --> 01:10:16,390

get it out as fast as I can because it

1358

01:10:22,410 --> 01:10:20,130

chronicles how that occurred and

1359

01:10:24,900 --> 01:10:22,420

nobody's eating me I mean I've been here

1360

01:10:28,350 --> 01:10:24,910

been with them in my life for 30 years

1361

01:10:30,360 --> 01:10:28,360

I've slept in and listened it just last

1362

01:10:33,660 --> 01:10:30,370

February I was alone in a house in the

1363

01:10:36,270 --> 01:10:33,670

country with them absolutely no one near

1364

01:10:39,480 --> 01:10:36,280

no one could help me I couldn't get away

1365

01:10:42,870 --> 01:10:39,490

and I wasn't scared at all and it was a

1366

01:10:44,790 --> 01:10:42,880

good meeting a very important meeting it

1367

01:10:46,410 --> 01:10:44,800

wasn't like we sat down at a table

1368

01:10:48,750 --> 01:10:46,420

because that's not how this works

1369

01:10:52,290 --> 01:10:48,760

they're not ever going to be sitting

1370

01:10:54,840 --> 01:10:52,300

down to the table but it was really

1371

01:10:57,240 --> 01:10:54,850

informative and really helpful and it

1372

01:10:59,610 --> 01:10:57,250

helped me tremendously with the book was

1373

01:11:03,120 --> 01:10:59,620

it so that was it physical was it

1374

01:11:06,000 --> 01:11:03,130

physical yeah to a degree but they they

1375

01:11:08,850 --> 01:11:06,010

won't when I say to a degree I could

1376

01:11:09,270 --> 01:11:08,860

hear them I could see them to some

1377

01:11:12,360 --> 01:11:09,280

extent

1378

01:11:14,670 --> 01:11:12,370

I could smell them and but what I

1379

01:11:19,020 --> 01:11:14,680

couldn't do was come face to face with

1380

01:11:21,210 --> 01:11:19,030

them and that is rare in my life and you

1381

01:11:23,220 --> 01:11:21,220

know I tell you another thing that

1382

01:11:26,580 --> 01:11:23,230

happens and give you an idea of why this

1383

01:11:29,280 --> 01:11:26,590

is like this I was at the Esalen

1384

01:11:31,770 --> 01:11:29,290

Institute in Northern California which

1385

01:11:34,800 --> 01:11:31,780

where there are meetings held private

1386

01:11:37,779 --> 01:11:34,810

meetings from time to time that discuss

1387

01:11:40,770 --> 01:11:37,789

this stuff and my co-author of

1388

01:11:44,439 --> 01:11:40,780

supernatural Jeff Krol was there and

1389

01:11:46,180 --> 01:11:44,449

people are always sort of eager kind of

1390

01:11:48,069 --> 01:11:46,190

scared to stay in the room with me

1391

01:11:50,200 --> 01:11:48,079

because we double up in in this thing

1392

01:11:53,950 --> 01:11:50,210

because very often the visitors will

1393

01:11:57,220 --> 01:11:53,960

show up well if been there and yeah it

1394

01:12:00,819 --> 01:11:57,230

can be it can be very intimidating and

1395

01:12:04,060 --> 01:12:00,829

so if what happened was this in the

1396

01:12:09,029 --> 01:12:04,070

middle of the night one of them shows up

1397

01:12:11,169 --> 01:12:09,039

in the room I am lying facing a window

1398

01:12:13,540 --> 01:12:11,179

but to make it easier for them to come

1399

01:12:16,020 --> 01:12:13,550

to me because they're gonna be really

1400

01:12:21,850 --> 01:12:16,030

shy when someone else is in the room and

1401

01:12:23,830 --> 01:12:21,860

I'm facing the window it blows my head

1402

01:12:26,049 --> 01:12:23,840

is to the right facing the window it

1403

01:12:28,660 --> 01:12:26,059

blows on my left hand the back of my

1404

01:12:31,450 --> 01:12:28,670

left hand and I immediately turned my

1405

01:12:34,209 --> 01:12:31,460

head away from it as I turned my head

1406

01:12:39,750 --> 01:12:34,219

away from it I see it for just a second

1407

01:12:45,689 --> 01:12:39,760

and it is absolutely devastating Jeff

1408

01:12:49,810 --> 01:12:45,699

doesn't see it but he hears like a

1409

01:12:52,390 --> 01:12:49,820

cascading something crashing down like

1410

01:12:55,240 --> 01:12:52,400

everything is falling apart and this is

1411

01:12:58,299 --> 01:12:55,250

his unconscious reacting to the to the

1412

01:13:01,779 --> 01:12:58,309

power of this presence and he hears his

1413

01:13:05,830 --> 01:13:01,789

voice a voice that is his voice inside

1414

01:13:08,439 --> 01:13:05,840

himself say oh my god and he feels like

1415

01:13:11,549 --> 01:13:08,449

the whole world is collapsing around him

1416

01:13:16,529 --> 01:13:11,559

hmm now let me explain why this is

1417

01:13:19,930 --> 01:13:16,539

here's why it is they have a different

1418

01:13:23,500 --> 01:13:19,940

completely different vision of reality

1419

01:13:27,240 --> 01:13:23,510

than we do they don't see a narrow

1420

01:13:31,779 --> 01:13:27,250

spectrum of time like we do they see a

1421

01:13:35,109 --> 01:13:31,789

whole wide spectrum of time if we lose

1422

01:13:37,689 --> 01:13:35,119

that narrow spectrum of time our reason

1423

01:13:39,339 --> 01:13:37,699

for existence is over because I know

1424

01:13:41,529 --> 01:13:39,349

people don't think about their souls

1425

01:13:43,060 --> 01:13:41,539

we're soul we've been anesthetized to

1426

01:13:45,069 --> 01:13:43,070

the soul we've gone solve line because

1427

01:13:47,709 --> 01:13:45,079

of all the material in the world but

1428

01:13:50,229 --> 01:13:47,719

it's still the only thing about us that

1429

01:13:52,300 --> 01:13:50,239

really matters and it is the only thing

1430

01:13:55,720 --> 01:13:52,310

about us they're actually in

1431

01:13:58,540 --> 01:13:55,730

but in any case if you don't have a

1432

01:14:04,150 --> 01:13:58,550

continuous flow of spontaneous

1433

01:14:08,920 --> 01:14:04,160

experience your soul can't grow here and

1434

01:14:14,250 --> 01:14:08,930

your life is worthless they showed me

1435

01:14:17,260 --> 01:14:14,260

what this meant a couple of years ago I

1436

01:14:19,300 --> 01:14:17,270

had figured this out and I was sitting I

1437

01:14:20,560 --> 01:14:19,310

do these meditations at 3 o'clock in the

1438

01:14:24,130 --> 01:14:20,570

morning and it can be very productive

1439

01:14:28,870 --> 01:14:24,140

and I said I know this is true I want to

1440

01:14:31,750 --> 01:14:28,880

know what it's like and all of a sudden

1441

01:14:33,190 --> 01:14:31,760

there was a big crack in the room which

1442

01:14:37,660 --> 01:14:33,200

is always a signal that they have

1443

01:14:41,350 --> 01:14:37,670

arrived and I didn't see anyone but I

1444

01:14:42,700 --> 01:14:41,360

became like robotic I knew everything

1445

01:14:45,010 --> 01:14:42,710

that would happen for the next few

1446

01:14:47,380 --> 01:14:45,020

minutes it would and it wasn't like oh

1447

01:14:50,620 --> 01:14:47,390

he knows the future how cool

1448

01:14:55,900 --> 01:14:50,630

it was horrifying it was like being a

1449

01:14:58,810 --> 01:14:55,910

robot and then it was over and I thought

1450

01:15:01,180 --> 01:14:58,820

to myself no wonder we're scared of this

1451

01:15:05,350 --> 01:15:01,190

because this is like the end of your

1452

01:15:08,650 --> 01:15:05,360

life it's worse than death to lose your

1453

01:15:11,170 --> 01:15:08,660

spontaneity in your will and we may not

1454

01:15:14,110 --> 01:15:11,180

have free will we may not actually be

1455

01:15:18,090 --> 01:15:14,120

spontaneous but because that's how we

1456

01:15:21,640 --> 01:15:18,100

feel and that's how life feels to us it

1457

01:15:24,910 --> 01:15:21,650

impacts our souls in the most wonderful

1458

01:15:28,690 --> 01:15:24,920

way it's a wonderful thing to be the way

1459

01:15:31,030 --> 01:15:28,700

we are and to have to be like them it's

1460

01:15:33,160 --> 01:15:31,040

no wonder they're here they would like

1461

01:15:36,570 --> 01:15:33,170

to live inside us and with us and

1462

01:15:41,650 --> 01:15:36,580

experience this exquisite sweetness -

1463

01:15:46,750 --> 01:15:41,660

did they evolve did they go through the

1464

01:15:49,710 --> 01:15:46,760

same experiences that we have here right

1465

01:15:52,150 --> 01:15:49,720

I did did they evolve the very same way

1466

01:15:54,490 --> 01:15:52,160

you take one look at him and you think

1467

01:16:01,120 --> 01:15:54,500

to yourself oh that's somebody with a

1468

01:16:03,880 --> 01:16:01,130

history I had some of the dark blue guys

1469

01:16:05,290 --> 01:16:03,890

show up in my condo in Texas in San

1470

01:16:10,450 --> 01:16:05,300

Antonio

1471

01:16:14,560 --> 01:16:10,460

probably in 98 or 99 nice we're still

1472

01:16:17,230 --> 01:16:14,570

living in that condo then and aha

1473

01:16:20,920 --> 01:16:17,240

they were there in their little dark

1474

01:16:22,720 --> 01:16:20,930

blue uniforms and and and I they were

1475

01:16:26,380 --> 01:16:22,730

three of them in the line in the living

1476

01:16:29,530 --> 01:16:26,390

room and I sat in front of them and was

1477

01:16:31,990 --> 01:16:29,540

gonna meditate with them I looked at

1478

01:16:33,490 --> 01:16:32,000

these faces and I said you have a

1479

01:16:42,720 --> 01:16:33,500

history that's for sure

1480

01:16:47,080 --> 01:16:42,730

and they looked at me with uh like uh

1481

01:16:50,050 --> 01:16:47,090

like right through me like I'm you by

1482

01:16:54,940 --> 01:16:50,060

their faces that they had a history but

1483

01:16:58,330 --> 01:16:54,950

they knew me and my history all the way

1484

01:17:01,600 --> 01:16:58,340

back to wherever it begins better than I

1485

01:17:04,420 --> 01:17:01,610

did and I felt that I felt that from my

1486

01:17:06,910 --> 01:17:04,430

core and it was hard to keep my eyes

1487

01:17:08,890 --> 01:17:06,920

open then I'm telling you and this is

1488

01:17:10,330 --> 01:17:08,900

another reason no one expects this they

1489

01:17:12,540 --> 01:17:10,340

don't expect it will be like this they

1490

01:17:16,210 --> 01:17:12,550

think of all the white house along and

1491

01:17:18,370 --> 01:17:16,220

handing you know cool super cool cell

1492

01:17:22,300 --> 01:17:18,380

phones that you can eat or whatever the

1493

01:17:24,160 --> 01:17:22,310

hell they think wonderful stories all of

1494

01:17:25,720 --> 01:17:24,170

it's so fascinating and with a nice

1495

01:17:26,700 --> 01:17:25,730

modicum of fear to make it more

1496

01:17:29,650 --> 01:17:26,710

interesting

1497

01:17:31,180 --> 01:17:29,660

man this is the change of the world this

1498

01:17:34,900 --> 01:17:31,190

is the change of everything that's

1499

01:17:37,780 --> 01:17:34,910

coming this has change pure total

1500

01:17:41,320 --> 01:17:37,790

complete change and I'll tell you how to

1501

01:17:44,260 --> 01:17:41,330

sum it up and very simply mankind is

1502

01:17:46,990 --> 01:17:44,270

becoming conscious back in the day I

1503

01:17:49,330 --> 01:17:47,000

said this is what evolution looks like

1504

01:17:50,920 --> 01:17:49,340

when it's applied to a conscious mind

1505

01:17:53,020 --> 01:17:50,930

and you're right about Darwin he didn't

1506

01:17:55,570 --> 01:17:53,030

know much about evolution but he did

1507

01:17:58,360 --> 01:17:55,580

know this that it means change and

1508

01:18:00,310 --> 01:17:58,370

that's what's coming and that's exactly

1509

01:18:02,800 --> 01:18:00,320

what's happening to the human mind the

1510

01:18:05,380 --> 01:18:02,810

human mind is about to explode and it's

1511

01:18:07,780 --> 01:18:05,390

gonna be hard but in the end it's also

1512

01:18:12,580 --> 01:18:07,790

going to be wonderful because it is a

1513

01:18:15,310 --> 01:18:12,590

new future for us did past civilizations

1514

01:18:18,469 --> 01:18:15,320

not reverencing et I'm going back to

1515

01:18:23,540 --> 01:18:18,479

like the Sumerians and the Egyptians

1516

01:18:27,709 --> 01:18:23,550

5,000 years ago where before amnesia set

1517

01:18:29,629 --> 01:18:27,719

in right for us did they understand what

1518

01:18:33,770 --> 01:18:29,639

the soul was did they understand the

1519

01:18:36,259 --> 01:18:33,780

power of of us and being individuals you

1520

01:18:37,850 --> 01:18:36,269

know did they have a full grasp of that

1521

01:18:41,209 --> 01:18:37,860

and then somewhere along the line we

1522

01:18:43,819 --> 01:18:41,219

just let it go with materialism the

1523

01:18:46,969 --> 01:18:43,829

earliest the earliest religious document

1524

01:18:50,750 --> 01:18:46,979

in the world is the Pyramid Texts in the

1525

01:18:51,830 --> 01:18:50,760

pyramid of unas in Egypt huh a wonderful

1526

01:18:53,870 --> 01:18:51,840

like I don't know if you've been to

1527

01:18:57,439 --> 01:18:53,880

Egypt if you haven't been in there then

1528

01:19:02,959 --> 01:18:57,449

you know it is an incredible intricate

1529

01:19:05,419 --> 01:19:02,969

vast hieroglyph painted all around and

1530

01:19:08,509 --> 01:19:05,429

carved all around the walls of this -

1531

01:19:10,339 --> 01:19:08,519

this pyramid and you go you see that and

1532

01:19:12,529 --> 01:19:10,349

you think to yourself now I've never

1533

01:19:14,629 --> 01:19:12,539

been there but I've seen very very good

1534

01:19:16,429 --> 01:19:14,639

pictures of it I I don't travel well

1535

01:19:18,709 --> 01:19:16,439

especially not in third-world countries

1536

01:19:23,149 --> 01:19:18,719

so I've never been able to get myself to

1537

01:19:26,830 --> 01:19:23,159

go to Egypt anyway I wish I could I

1538

01:19:31,659 --> 01:19:26,840

should but it is an absolutely

1539

01:19:36,770 --> 01:19:31,669

incredibly intricate intricate intricate

1540

01:19:39,679 --> 01:19:36,780

hieroglyph highly sophisticated created

1541

01:19:41,959 --> 01:19:39,689

by a very sophisticated mind and people

1542

01:19:43,640 --> 01:19:41,969

who think oh well that was the old days

1543

01:19:46,489 --> 01:19:43,650

they were really you know just a bunch

1544

01:19:51,259 --> 01:19:46,499

of slopeheads and forget it they were

1545

01:19:56,179 --> 01:19:51,269

highly brilliant people okay in that

1546

01:19:59,359 --> 01:19:56,189

text there is a there are a series of

1547

01:20:02,299 --> 01:19:59,369

hieroglyphs about the spine and about

1548

01:20:05,989 --> 01:20:02,309

the seven which is referred to as a

1549

01:20:11,620 --> 01:20:05,999

serpent and about the seven smaller

1550

01:20:16,839 --> 01:20:11,630

serpents that surrounded and that feed

1551
01:20:20,600 --> 01:20:16,849
in impressions from gathered by the body

1552
01:20:22,219 --> 01:20:20,610
into the spine and therefore into the

1553
01:20:28,069 --> 01:20:22,229
second body or what we would call the

1554
01:20:30,220 --> 01:20:28,079
soul seven and they are called law

1555
01:20:32,740 --> 01:20:30,230
knitter now

1556
01:20:35,800 --> 01:20:32,750
any scholar of Tantra will say oh well

1557
01:20:37,270 --> 01:20:35,810
it didn't start way back then yes it did

1558
01:20:41,740 --> 01:20:37,280
we just forgot

1559
01:20:44,620 --> 01:20:41,750
they knew way back then because I am

1560
01:20:47,590 --> 01:20:44,630
talking to you not about a religion at

1561
01:20:50,680 --> 01:20:47,600
all I am talking to you about a science

1562
01:20:54,850 --> 01:20:50,690
of the soul and the way it relates to

1563
01:20:57,820 --> 01:20:54,860

the body and the way impressions come in

1564

01:21:03,910 --> 01:20:57,830

and if you look at the laws of Mott ma

1565

01:21:06,310 --> 01:21:03,920

80 you will see 42 different laws which

1566

01:21:09,820 --> 01:21:06,320

are all designed to take you in the same

1567

01:21:12,790 --> 01:21:09,830

place to let you live a good life and

1568

01:21:15,220 --> 01:21:12,800

die without regrets because then when

1569

01:21:17,590 --> 01:21:15,230

your weight and we are all weighed we

1570

01:21:19,270 --> 01:21:17,600

weigh ourselves when we die so I'd

1571

01:21:24,550 --> 01:21:19,280

happen with a knee

1572

01:21:27,310 --> 01:21:24,560

it is literally how light are you how

1573

01:21:30,130 --> 01:21:27,320

able are you to ascend and the fewer

1574

01:21:33,760 --> 01:21:30,140

regrets you you have the more there is

1575

01:21:36,190 --> 01:21:33,770

for you in the next life and that's what

1576

01:21:38,260 --> 01:21:36,200

this whole thing is about it's what it's

1577

01:21:40,960 --> 01:21:38,270

about we need to take so rake right here

1578

01:21:43,180 --> 01:21:40,970

hold on Whitley stay right there we'll

1579

01:21:45,010 --> 01:21:43,190

pick this up when we come back awesome

1580

01:21:46,990 --> 01:21:45,020

conversation tonight Whitley Strieber is

1581

01:21:51,250 --> 01:21:47,000

our guest our meals tribute church this

1582

01:21:51,260 --> 01:22:01,550

[Music]

1583

01:22:05,010 --> 01:22:03,720

welcome back fade to black coming up to

1584

01:22:07,070 --> 01:22:05,020

me Church I guess tonight Whitley

1585

01:22:10,470 --> 01:22:07,080

Strieber tomorrow night Nick Redfern

1586

01:22:12,360 --> 01:22:10,480

Wednesday night Richard Dolan Thursday

1587

01:22:13,550 --> 01:22:12,370

night Fator night open lines all night

1588

01:22:15,960 --> 01:22:13,560

long

1589

01:22:18,090 --> 01:22:15,970

Titans Whitley Strieber and Whitley

1590

01:22:20,010 --> 01:22:18,100

right before the break you know talking

1591

01:22:20,910 --> 01:22:20,020

about the Pyramid Texts and I totally

1592

01:22:25,470 --> 01:22:20,920

agree with you

1593

01:22:30,120 --> 01:22:25,480

complex incredible I have to what's your

1594

01:22:34,110 --> 01:22:30,130

opinion of how it is possible that a

1595

01:22:36,750 --> 01:22:34,120

civilization like not only the Egyptians

1596

01:22:39,990 --> 01:22:36,760

at 3,000 BC but certainly the Sumerian

1597

01:22:42,750 --> 01:22:40,000

culture too over Mesopotamia at the very

1598

01:22:46,530 --> 01:22:42,760

same time suddenly rose out of nowhere

1599

01:22:48,660 --> 01:22:46,540

perfectly upright with everything right

1600

01:22:51,650 --> 01:22:48,670

science and agriculture government

1601

01:22:55,610 --> 01:22:51,660

religion music schools roads

1602

01:22:58,770 --> 01:22:55,620

infrastructure knowledge the cosmos math

1603

01:23:01,500 --> 01:22:58,780

right they were completely upright and

1604

01:23:04,620 --> 01:23:01,510

functional and then of course entropy

1605

01:23:07,680 --> 01:23:04,630

kicked in everything unraveled but how

1606

01:23:09,150 --> 01:23:07,690

is that possible that a civilization can

1607

01:23:14,220 --> 01:23:09,160

rise out of the desert like that

1608

01:23:21,440 --> 01:23:14,230

complete well probably because that's

1609

01:23:24,540 --> 01:23:21,450

not what happened there there is something

1610

01:23:27,600 --> 01:23:24,550

wrong with the conventional

1611

01:23:31,890 --> 01:23:27,610

understanding of the past something

1612

01:23:34,440 --> 01:23:31,900

wrong and your listeners must know just

1613

01:23:38,160 --> 01:23:34,450

like I do that if you go around the

1614

01:23:42,600 --> 01:23:38,170

world you look at and mohenjo-daro if

1615

01:23:44,880 --> 01:23:42,610

you look at the the things that Graham

1616

01:23:49,890 --> 01:23:44,890

Hancock found under the ocean around

1617

01:23:55,100 --> 01:23:49,900

Japan if you look at that I say Mahindra

1618

01:23:59,460 --> 01:23:55,110

Dharma now I'm a doll if you look at the

1619

01:24:02,700 --> 01:23:59,470

huge at the what went on it sucks a

1620

01:24:05,100 --> 01:24:02,710

womman is what's left there in Peru if

1621

01:24:07,830 --> 01:24:05,110

you look at the platform at Baalbek at

1622

01:24:11,910 --> 01:24:07,840

the Great Pyramid it's so many different

1623

01:24:17,600 --> 01:24:11,920

things in this world what you see

1624

01:24:21,330 --> 01:24:17,610

is the remains of a highly capable

1625

01:24:24,600 --> 01:24:21,340

engineering that we can't do now in fact

1626
01:24:27,240 --> 01:24:24,610
and that's inescapable we can pretend

1627
01:24:30,330 --> 01:24:27,250
it's not true but pretending something

1628
01:24:34,410 --> 01:24:30,340
isn't true has nothing to do whatsoever

1629
01:24:36,990 --> 01:24:34,420
with science science is facing the

1630
01:24:39,360 --> 01:24:37,000
unknown and that's what's not happening

1631
01:24:43,560 --> 01:24:39,370
in the conventional scientific community

1632
01:24:47,189 --> 01:24:43,570
with regard to the past and there here's

1633
01:24:52,189 --> 01:24:47,199
another thing there's a website out

1634
01:24:55,620 --> 01:24:52,199
there called I think it's a geodesy

1635
01:24:58,740 --> 01:24:55,630
website I let me as we talk I'll look at

1636
01:25:02,040 --> 01:24:58,750
my links in my on my website and see if

1637
01:25:05,130 --> 01:25:02,050
I can find it anyway on this website it

1638
01:25:08,700 --> 01:25:05,140

shows that there is a geodesic line

1639

01:25:12,840 --> 01:25:08,710

around the world that connects over a

1640

01:25:17,640 --> 01:25:12,850

dozen ancient sacred sites only this

1641

01:25:22,380 --> 01:25:17,650

line doesn't point at the physical North

1642

01:25:26,880 --> 01:25:22,390

Pole and in the past such sites were

1643

01:25:30,959 --> 01:25:26,890

usually oriented toward the pole or the

1644

01:25:32,430 --> 01:25:30,969

pole star it points 1,000 I think it's

1645

01:25:35,640 --> 01:25:32,440

one thousand four hundred fifty miles

1646

01:25:38,100 --> 01:25:35,650

west of that meaning that at some point

1647

01:25:42,689 --> 01:25:38,110

in the distant past that's where the

1648

01:25:45,660 --> 01:25:42,699

pole actually probably was and if there

1649

01:25:46,700 --> 01:25:45,670

is such a thing as crustal shift and I

1650

01:25:50,160 --> 01:25:46,710

think there's a very good possibility

1651
01:25:51,570 --> 01:25:50,170
that that is true and I mean we're gonna

1652
01:25:56,280 --> 01:25:51,580
talk in a second of it if you want to

1653
01:25:59,450 --> 01:25:56,290
about why it probably happens then it is

1654
01:26:02,610 --> 01:25:59,460
deep so deep that it doesn't change the

1655
01:26:05,459 --> 01:26:02,620
geology of the surface but it changes

1656
01:26:09,240 --> 01:26:05,469
the position of everything and causes

1657
01:26:15,510 --> 01:26:09,250
the the oceans to really really get very

1658
01:26:18,240 --> 01:26:15,520
very dangerous for a while and I think

1659
01:26:23,970 --> 01:26:18,250
if something like that happened in the

1660
01:26:25,800 --> 01:26:23,980
distant past then it could be that a

1661
01:26:29,610 --> 01:26:25,810
great civilization that had

1662
01:26:31,740 --> 01:26:29,620
entirely different way of addressing

1663
01:26:33,570 --> 01:26:31,750

reality and a different an entirely

1664

01:26:38,400 --> 01:26:33,580

different understanding of physics and

1665

01:26:41,370 --> 01:26:38,410

so forth was was destroyed leaving only

1666

01:26:46,550 --> 01:26:41,380

the things that were in the highlands at

1667

01:26:49,530 --> 01:26:46,560

the time so that could have happened and

1668

01:26:52,890 --> 01:26:49,540

why would it have happened it would have

1669

01:26:55,290 --> 01:26:52,900

happened because the weight of the of

1670

01:26:58,170 --> 01:26:55,300

the water on the surface changed

1671

01:27:01,080 --> 01:26:58,180

position when did that happen

1672

01:27:03,990 --> 01:27:01,090

the end of the last ice age when the

1673

01:27:06,450 --> 01:27:04,000

poles melted the glaciers melted and

1674

01:27:10,910 --> 01:27:06,460

suddenly all of that water which had

1675

01:27:16,340 --> 01:27:10,920

been trapped in the glaciers on the on

1676

01:27:21,680 --> 01:27:16,350

the two poles was taken by currents down

1677

01:27:24,810 --> 01:27:21,690

into the mid latitudes until the the

1678

01:27:28,170 --> 01:27:24,820

planet literally shifted on its crust in

1679

01:27:33,860 --> 01:27:28,180

order to compensate for the change in

1680

01:27:38,070 --> 01:27:33,870

balance do you think that that there is

1681

01:27:41,400 --> 01:27:38,080

a depository somewhere of this knowledge

1682

01:27:43,530 --> 01:27:41,410

of previous civilizations arriving real

1683

01:27:45,720 --> 01:27:43,540

intelligent civilizations that could go

1684

01:27:48,300 --> 01:27:45,730

back you know whatever millions of years

1685

01:27:50,580 --> 01:27:48,310

you know tens of thousands of years and

1686

01:27:55,290 --> 01:27:50,590

I have no idea well but my question is

1687

01:27:58,650 --> 01:27:55,300

this is that the the dogma that we have

1688

01:28:01,410 --> 01:27:58,660

been living with through our educational

1689

01:28:04,470 --> 01:28:01,420

system that would be something as

1690

01:28:07,680 --> 01:28:04,480

difficult to answer by world governments

1691

01:28:09,990 --> 01:28:07,690

and religions as much as the et question

1692

01:28:12,660 --> 01:28:10,000

would be and having an answer to that

1693

01:28:14,430 --> 01:28:12,670

too as well is that the interest in

1694

01:28:17,880 --> 01:28:14,440

keeping all of this hidden because that

1695

01:28:19,140 --> 01:28:17,890

would keep they they know that and

1696

01:28:21,600 --> 01:28:19,150

they're keeping it hidden because it

1697

01:28:24,120 --> 01:28:21,610

leads inevitably to the revelation of

1698

01:28:26,400 --> 01:28:24,130

the et presence sure I I but I mean I

1699

01:28:28,050 --> 01:28:26,410

would think that maybe that's part of

1700

01:28:31,650 --> 01:28:28,060

the reason there's so much weird stuff

1701

01:28:33,000 --> 01:28:31,660

going on around Antarctica right now and

1702

01:28:34,650 --> 01:28:33,010

you know there's some Linda's keeps

1703

01:28:37,230 --> 01:28:34,660

finding these strange things you talked

1704

01:28:39,040 --> 01:28:37,240

about that face and I said my truth

1705

01:28:42,820 --> 01:28:39,050

which is I don't know

1706

01:28:46,570 --> 01:28:42,830

but if it is there then what the heck is

1707

01:28:48,400 --> 01:28:46,580

going on because that makes no sense it

1708

01:28:52,260 --> 01:28:48,410

reminds me of the face on Mars which

1709

01:28:57,460 --> 01:28:52,270

when dick Hoagland showed it to me in

1710

01:29:00,430 --> 01:28:57,470

September of 1985 in the apartment of

1711

01:29:03,160 --> 01:29:00,440

Margot Adler and John Gladman in New

1712

01:29:05,710 --> 01:29:03,170

York City I stood there and looked at it

1713

01:29:12,390 --> 01:29:05,720

and I thought my god how extraordinary

1714

01:29:17,490 --> 01:29:12,400

and I arranged for Mark Carlotto

1715

01:29:21,550 --> 01:29:17,500

to do a study of that face he was a

1716

01:29:24,520 --> 01:29:21,560

specialist in he worked for NASA at the

1717

01:29:27,720 --> 01:29:24,530

NSA at the time as a contractor and he

1718

01:29:30,070 --> 01:29:27,730

was an imaging specialist with highly

1719

01:29:32,830 --> 01:29:30,080

developed equipment for that time in

1720

01:29:35,200 --> 01:29:32,840

fact equipment that would sill be if it

1721

01:29:38,770 --> 01:29:35,210

was in the public sector probably pretty

1722

01:29:41,410 --> 01:29:38,780

advanced now for all I know anyway he

1723

01:29:49,360 --> 01:29:41,420

proved very conclusively that the face

1724

01:29:53,350 --> 01:29:49,370

was a real thing but then we come to the

1725

01:29:55,840 --> 01:29:53,360

closer flyby and lo and behold it looks

1726

01:29:59,350 --> 01:29:55,850

just like what NASA said it was a pile

1727

01:30:01,480 --> 01:29:59,360

of rocks and Mark immediately got he got

1728

01:30:04,180 --> 01:30:01,490

no publicity but he showed very clearly

1729

01:30:07,780 --> 01:30:04,190

how it had been changed

1730

01:30:09,610 --> 01:30:07,790

someone had changed it now what does

1731

01:30:11,170 --> 01:30:09,620

that tell you you'll be talking to

1732

01:30:13,870 --> 01:30:11,180

Richard Dolan tomorrow night why don't

1733

01:30:15,970 --> 01:30:13,880

you ask him that question is there a

1734

01:30:18,730 --> 01:30:15,980

breakaway civilization powerful enough

1735

01:30:22,530 --> 01:30:18,740

to be on Mars is there some truth in

1736

01:30:26,530 --> 01:30:22,540

that and if not then who changed it

1737

01:30:29,260 --> 01:30:26,540

because it was changed and now we go

1738

01:30:33,220 --> 01:30:29,270

back to the face in the Antarctic which

1739

01:30:37,120 --> 01:30:33,230

looks eerily similar it does so what the

1740

01:30:40,150 --> 01:30:37,130

heck is all about why build these faces

1741

01:30:45,550 --> 01:30:40,160

in the first place what do they mean

1742

01:30:52,520 --> 01:30:45,560

if they are real what is the what mind

1743

01:30:54,980 --> 01:30:52,530

is behind them in other words

1744

01:30:58,250 --> 01:30:54,990

what kind of what why would that matter

1745

01:30:59,720 --> 01:30:58,260

so much to someone that they would build

1746

01:31:01,940 --> 01:30:59,730

something like that but that's for that

1747

01:31:04,790 --> 01:31:01,950

matter why would somebody build gobekli

1748

01:31:07,070 --> 01:31:04,800

tepe which it took probably over a

1749

01:31:10,820 --> 01:31:07,080

thousand years to build and then over a

1750

01:31:12,440 --> 01:31:10,830

thousand years to bury bury it yeah

1751

01:31:17,570 --> 01:31:12,450

because you look at this

1752

01:31:20,000 --> 01:31:17,580

our civilization dates from about just

1753

01:31:22,610 --> 01:31:20,010

about 600 BC is when it really started

1754

01:31:25,370 --> 01:31:22,620

when Judaism became became organized

1755

01:31:28,130 --> 01:31:25,380

around a single God and the Greek

1756

01:31:29,560 --> 01:31:28,140

intellectual world started up that's

1757

01:31:35,210 --> 01:31:29,570

kind of where we're from

1758

01:31:38,350 --> 01:31:35,220

so that's 2,600 years we have no project

1759

01:31:41,870 --> 01:31:38,360

in our civilization that has gone on

1760

01:31:44,480 --> 01:31:41,880

anywhere close to a thousand years or

1761

01:31:44,900 --> 01:31:44,490

even 500 years that's right we can't do

1762

01:31:48,290 --> 01:31:44,910

that

1763

01:31:51,380 --> 01:31:48,300

or look at look at Stonehenge stonehenge

1764

01:31:53,660 --> 01:31:51,390

took we know this and this is this is

1765

01:31:56,720 --> 01:31:53,670

not speculative this is established

1766

01:32:01,100 --> 01:31:56,730

archaeology it took 500 years to build

1767

01:32:03,880 --> 01:32:01,110

Stonehenge in other words the people who

1768

01:32:07,490 --> 01:32:03,890

worked on it were working on something

1769

01:32:09,800 --> 01:32:07,500

that they themselves couldn't even I

1770

01:32:12,200 --> 01:32:09,810

mean who were your ancestors 500 years

1771

01:32:16,520 --> 01:32:12,210

ago do you have any idea no the answer

1772

01:32:24,350 --> 01:32:16,530

is you don't you don't but they kept at

1773

01:32:27,890 --> 01:32:24,360

it with a single goal for 500 years now

1774

01:32:34,210 --> 01:32:27,900

those are powerful civilisations they

1775

01:32:36,980 --> 01:32:34,220

may not have SUVs and skyscrapers but a

1776

01:32:39,200 --> 01:32:36,990

civilization is something that lives not

1777

01:32:41,870 --> 01:32:39,210

in the in the world only in the world

1778

01:32:43,550 --> 01:32:41,880

around us it lives in the mind and the

1779

01:32:47,000 --> 01:32:43,560

civilization that lived in those

1780

01:32:47,570 --> 01:32:47,010

people's minds was far more powerful in

1781

01:32:53,180 --> 01:32:47,580

ours

1782

01:32:54,650 --> 01:32:53,190

far more how many man I hate to do this

1783

01:32:57,200 --> 01:32:54,660

to you but we're gonna be going to

1784

01:32:59,780 --> 01:32:57,210

overtime tonight Whitley so just pour

1785

01:33:03,200 --> 01:32:59,790

another cup of coffee we're not anywhere

1786

01:33:05,280 --> 01:33:03,210

close to wrapping this conversation you

1787

01:33:08,340 --> 01:33:05,290

told me two hours man

1788

01:33:12,450 --> 01:33:08,350

oh man okay I'll go an extra half-hour

1789

01:33:14,760 --> 01:33:12,460

but I'm I'm old I'm an old fart you're

1790

01:33:17,250 --> 01:33:14,770

not old you're not old that's yet that's

1791

01:33:19,980 --> 01:33:17,260

it we've got a lot to do not not not in

1792

01:33:23,730 --> 01:33:19,990

not in the places that count we've got a

1793

01:33:26,850 --> 01:33:23,740

lot to do yet in this life too much more

1794

01:33:31,950 --> 01:33:26,860

to discover is is this somebody just

1795

01:33:36,150 --> 01:33:31,960

posted up here have Jimmy have you told

1796

01:33:39,660 --> 01:33:36,160

Whitley about your your visit that you

1797

01:33:41,670 --> 01:33:39,670

had and I don't believe that I have now

1798

01:33:43,650 --> 01:33:41,680

I'm gonna make this very brief because I

1799

01:33:46,920 --> 01:33:43,660

need to get to the other side of this

1800

01:33:50,580 --> 01:33:46,930

this visitation with you but back in

1801

01:33:53,520 --> 01:33:50,590

1995 I'm living by myself

1802

01:33:56,130 --> 01:33:53,530

in Sherman Oaks California got a condo

1803

01:34:00,990 --> 01:33:56,140

south of the boulevard you know the area

1804

01:34:05,190 --> 01:34:01,000

and three o'clock in the morning I wake

1805

01:34:09,060 --> 01:34:05,200

up I I think there's a burglar okay

1806

01:34:10,850 --> 01:34:09,070

that's what I think is going on I'm not

1807

01:34:16,140 --> 01:34:10,860

going to get into the details of

1808

01:34:19,200 --> 01:34:16,150

everything but I look down at the foot

1809

01:34:21,750 --> 01:34:19,210

of my bed and there was a sliding glass

1810

01:34:25,050 --> 01:34:21,760

doors in my bedroom that went out to the

1811

01:34:28,730 --> 01:34:25,060

balcony and the the blinds were open so

1812

01:34:31,320 --> 01:34:28,740

the star lights kind of coming in and

1813

01:34:36,060 --> 01:34:31,330

standing in front of the sliding glass

1814

01:34:41,010 --> 01:34:36,070

doors to my right is a dude and he's

1815

01:34:43,110 --> 01:34:41,020

he's about about four feet tall not

1816

01:34:45,420 --> 01:34:43,120

short not at all about four feet tall

1817

01:34:47,690 --> 01:34:45,430

but we have a staredown that goes down

1818

01:34:50,790 --> 01:34:47,700

for about 15 minutes

1819

01:34:54,000 --> 01:34:50,800

blinking eyes this thing and I was

1820

01:34:56,130 --> 01:34:54,010

pretty angry right well I was waiting I

1821

01:34:59,490 --> 01:34:56,140

wanted some butt kicking to go down but

1822

01:35:02,790 --> 01:34:59,500

I couldn't move the end of the this is

1823

01:35:08,030 --> 01:35:02,800

this is what happened eventually

1824

01:35:11,580 --> 01:35:08,040

I can I can move and I turn on my lamp

1825

01:35:14,520 --> 01:35:11,590

to my left and I spin around for some

1826
01:35:17,510 --> 01:35:14,530
Bruce Lee action right that's what was

1827
01:35:22,340 --> 01:35:17,520
that's what I anticipate and he's gone

1828
01:35:25,310 --> 01:35:22,350
and now this experience that I'm

1829
01:35:26,480 --> 01:35:25,320
relaying to you is one thing and I want

1830
01:35:30,440 --> 01:35:26,490
your opinion on that

1831
01:35:32,180 --> 01:35:30,450
because later many years later I slept

1832
01:35:35,120 --> 01:35:32,190
with the lights on for 10 years after

1833
01:35:39,710 --> 01:35:35,130
that and the TV by the way many years

1834
01:35:45,760 --> 01:35:39,720
later I heard you talk about the blue

1835
01:35:49,340 --> 01:35:45,770
guys and that you laid out this idea

1836
01:35:54,170 --> 01:35:49,350
about possibly them being from the other

1837
01:35:57,800 --> 01:35:54,180
side and maybe even death or there could

1838
01:36:00,140 --> 01:35:57,810

be I'm paraphrasing here because you're

1839

01:36:02,630 --> 01:36:00,150

very detailed in that but with my

1840

01:36:04,670 --> 01:36:02,640

experience that I just told you about

1841

01:36:09,350 --> 01:36:04,680

and what you have gone through and the

1842

01:36:11,810 --> 01:36:09,360

blue guys what do you make of that when

1843

01:36:14,150 --> 01:36:11,820

somebody brings you an experience of

1844

01:36:16,670 --> 01:36:14,160

contact like I just did right now what's

1845

01:36:18,890 --> 01:36:16,680

your comment on that now it was with the

1846

01:36:21,680 --> 01:36:18,900

blue guys they were you guys no no and

1847

01:36:23,600 --> 01:36:21,690

I've never revealed the shade of the

1848

01:36:26,180 --> 01:36:23,610

skin I want to keep that private I'll

1849

01:36:27,770 --> 01:36:26,190

tell you about that off of the air okay

1850

01:36:31,490 --> 01:36:27,780

well I can tell you about the blue guys

1851

01:36:34,910 --> 01:36:31,500

but because I'm I don't know basically

1852

01:36:35,840 --> 01:36:34,920

what is going on with you know in other

1853

01:36:42,560 --> 01:36:35,850

words I don't know what your experience

1854

01:36:44,750 --> 01:36:42,570

is I can't address it directly so you

1855

01:36:46,820 --> 01:36:44,760

know you you had something going on

1856

01:36:49,760 --> 01:36:46,830

obviously because you wouldn't have been

1857

01:36:52,630 --> 01:36:49,770

experiencing the it wouldn't have been

1858

01:36:54,740 --> 01:36:52,640

like that if it was a normal experience

1859

01:36:56,060 --> 01:36:54,750

but I can tell you about the blue guys

1860

01:36:58,250 --> 01:36:56,070

entirely a lot about the blue guys

1861

01:37:03,020 --> 01:36:58,260

they've been in my life since I was a

1862

01:37:04,180 --> 01:37:03,030

boy the only memory I have from my

1863

01:37:07,310 --> 01:37:04,190

childhood

1864

01:37:11,990 --> 01:37:07,320

that has always been there you know I

1865

01:37:14,690 --> 01:37:12,000

went through a long period of not having

1866

01:37:18,200 --> 01:37:14,700

any real memories about my childhood it

1867

01:37:23,420 --> 01:37:18,210

wasn't until Don Klein during the second

1868

01:37:26,090 --> 01:37:23,430

hypnosis session in 1987 noticed that I

1869

01:37:31,950 --> 01:37:26,100

had spontaneously regress to the age of

1870

01:37:38,230 --> 01:37:34,660

began to think in terms of my child

1871

01:37:39,970 --> 01:37:38,240

inand a whole huge whole huge amount of

1872

01:37:43,120 --> 01:37:39,980

memory came up which I wrote the secret

1873

01:37:46,300 --> 01:37:43,130

school about but this memory has been

1874

01:37:47,920 --> 01:37:46,310

there always before that I just didn't

1875

01:37:50,890 --> 01:37:47,930

know what it was I thought it was sort

1876

01:37:53,410 --> 01:37:50,900

of a zit some sort of a dream but what

1877

01:37:56,710 --> 01:37:53,420

it was is this the blue guys they were

1878

01:38:01,900 --> 01:37:56,720

around my in my life a lot in those days

1879

01:38:04,450 --> 01:38:01,910

and they used to take me and other

1880

01:38:09,460 --> 01:38:04,460

children I don't remember who the other

1881

01:38:13,770 --> 01:38:09,470

children were on a kind of raft they

1882

01:38:21,850 --> 01:38:17,140

you could lean out over the sides of it

1883

01:38:24,130 --> 01:38:21,860

and look down and see the neighborhood

1884

01:38:27,880 --> 01:38:24,140

down below and it was really really fun

1885

01:38:30,730 --> 01:38:27,890

and they used to get all nervous and run

1886

01:38:33,370 --> 01:38:30,740

around clapping their hands and gasping

1887

01:38:34,840 --> 01:38:33,380

when we leaned too far out because they

1888

01:38:37,990 --> 01:38:34,850

were afraid we would fall off but they

1889

01:38:41,680 --> 01:38:38,000

would never touch us and I remembered

1890

01:38:43,270 --> 01:38:41,690

that and is a dream until the Don Klein

1891

01:38:44,620 --> 01:38:43,280

thing happened I began to recover so

1892

01:38:46,270 --> 01:38:44,630

many other memories I thought to myself

1893

01:38:47,740 --> 01:38:46,280

my god that's never been a dream that

1894

01:38:50,290 --> 01:38:47,750

was actually something that happened

1895

01:38:53,740 --> 01:38:50,300

okay that's number one with the blue

1896

01:38:55,780 --> 01:38:53,750

guys mm-hmm we're gonna this is gonna

1897

01:38:58,450 --> 01:38:55,790

take a while so just be patient when I'm

1898

01:39:04,300 --> 01:38:58,460

patient okay number two with the blue

1899

01:39:07,960 --> 01:39:04,310

guys this is the second experience with

1900

01:39:11,440 --> 01:39:07,970

the blue guys and and I used to live on

1901

01:39:14,170 --> 01:39:11,450

West 55th Street in Manhattan and we

1902

01:39:16,360 --> 01:39:14,180

would walk down 55th Street across

1903

01:39:19,000 --> 01:39:16,370

eighth Avenue across seventh Avenue and

1904

01:39:20,860 --> 01:39:19,010

Broadway to Fifth Avenue where there

1905

01:39:23,970 --> 01:39:20,870

were a lot of bookstores in those days

1906

01:39:27,810 --> 01:39:23,980

Doubledays bookstore and there was a

1907

01:39:30,790 --> 01:39:27,820

brentano's big brentano's bookstore and

1908

01:39:35,140 --> 01:39:30,800

scriveners it was wonderful I love books

1909

01:39:36,820 --> 01:39:35,150

and I my life is deeply tragic now

1910

01:39:38,620 --> 01:39:36,830

because most of the book stores have

1911

01:39:42,040 --> 01:39:38,630

closed it's something I never dreamed

1912

01:39:44,800 --> 01:39:42,050

would happen but anyway we would go to

1913

01:39:45,140 --> 01:39:44,810

the bookstores and when we went past a

1914

01:39:48,590 --> 01:39:45,150

sir

1915

01:39:50,710 --> 01:39:48,600

kind of dark little part of 55th Street

1916

01:39:54,370 --> 01:39:50,720

I believe it was between 7th and 8th

1917

01:39:57,290 --> 01:39:54,380

there was a little storefront in there

1918

01:40:00,220 --> 01:39:57,300

where it's just a little storefront it

1919

01:40:02,150 --> 01:40:00,230

was always empty there was a curtain and

1920

01:40:04,640 --> 01:40:02,160

in front of the curtain there was a

1921

01:40:06,980 --> 01:40:04,650

chair and every once in a while there

1922

01:40:10,900 --> 01:40:06,990

would be a girl sitting in the chair who

1923

01:40:14,180 --> 01:40:10,910

looked like frankly you know a

1924

01:40:16,010 --> 01:40:14,190

prostitute only you know this being

1925

01:40:17,090 --> 01:40:16,020

America not Amsterdam there was no red

1926

01:40:20,800 --> 01:40:17,100

light or anything it was all very

1927

01:40:23,030 --> 01:40:20,810

discreet one night were going home and

1928

01:40:24,790 --> 01:40:23,040

there's something going on in the horse

1929

01:40:27,860 --> 01:40:24,800

store we used to call it the horse store

1930

01:40:29,420 --> 01:40:27,870

huh the chair is on its side the

1931

01:40:34,190 --> 01:40:29,430

curtains flapping back and forth like

1932

01:40:36,710 --> 01:40:34,200

crazy and this man in a suit is trying

1933

01:40:38,090 --> 01:40:36,720

to get out and little blue dwarfs are

1934

01:40:40,570 --> 01:40:38,100

coming out from behind the curtain and

1935

01:40:43,460 --> 01:40:40,580

grabbing him and dragging him back and

1936

01:40:45,770 --> 01:40:43,470

we see this we watch it for a couple

1937

01:40:47,720 --> 01:40:45,780

seconds and he says let's get out of

1938

01:40:49,850 --> 01:40:47,730

here and we go home we've run home

1939

01:40:51,950 --> 01:40:49,860

actually and so we're gonna call the

1940

01:40:54,440 --> 01:40:51,960

police to tell them that this is

1941

01:40:56,660 --> 01:40:54,450

happening and I pick up the phone and

1942

01:40:58,460 --> 01:40:56,670

there was no 9-1-1 in those days I'm

1943

01:41:01,460 --> 01:40:58,470

looking looking up the police phone

1944

01:41:04,340 --> 01:41:01,470

number and we look at each other I say

1945

01:41:06,950 --> 01:41:04,350

what am I gonna say you know this is New

1946

01:41:09,740 --> 01:41:06,960

York I mean I can't say that a bunch of

1947

01:41:12,140 --> 01:41:09,750

Blue Dwarfs were trying to kidnap a man

1948

01:41:13,460 --> 01:41:12,150

out of a storefront to the New York City

1949

01:41:16,940 --> 01:41:13,470

Police Department and have anything

1950

01:41:19,850 --> 01:41:16,950

happen except a guffaw or possibly they

1951

01:41:21,350 --> 01:41:19,860

send someone over with a net so we

1952

01:41:21,980 --> 01:41:21,360

didn't call police we didn't know what

1953

01:41:24,170 --> 01:41:21,990

to say

1954

01:41:27,680 --> 01:41:24,180

but I'm telling you this we never went

1955

01:41:32,060 --> 01:41:27,690

past the horse store again second little

1956

01:41:34,850 --> 01:41:32,070

blue guys third little blue guys and I'm

1957

01:41:36,020 --> 01:41:34,860

getting to the end of this and you're

1958

01:41:37,520 --> 01:41:36,030

gonna know something about the little

1959

01:41:40,960 --> 01:41:37,530

blue guys it's gonna surprise you in a

1960

01:41:47,090 --> 01:41:40,970

few minutes the third little blue guys I

1961

01:41:49,340 --> 01:41:47,100

have an incredibly vivid dream I am NOT

1962

01:41:51,470 --> 01:41:49,350

in this world I am in another world this

1963

01:41:54,260 --> 01:41:51,480

is still in the 70s long before the

1964

01:41:58,979 --> 01:41:54,270

community experience or anything I am

1965

01:42:01,709 --> 01:41:58,989

there's a sort of a path very nicely

1966

01:42:04,770 --> 01:42:01,719

sort of paved path very pretty very

1967

01:42:07,739 --> 01:42:04,780

curved and very nice-looking and an Arch

1968

01:42:10,709 --> 01:42:07,749

of Triumph is there and off in the

1969

01:42:13,319 --> 01:42:10,719

distance to my left to my right is a

1970

01:42:17,279 --> 01:42:13,329

hill and Cedars like Cedars of Lebanon

1971

01:42:20,459 --> 01:42:17,289

er on the hill and to my to my left and

1972

01:42:24,660 --> 01:42:20,469

down on the side of a bluff which looks

1973

01:42:27,750 --> 01:42:24,670

out over a huge expanse of what looks

1974

01:42:32,040 --> 01:42:27,760

like desert is a dark blue round

1975

01:42:35,970 --> 01:42:32,050

building that's all tumbled down that

1976

01:42:39,120 --> 01:42:35,980

they tell me is a university and I

1977

01:42:42,060 --> 01:42:39,130

wanted to go to that University and they

1978

01:42:44,850 --> 01:42:42,070

were ready for me to go so I start

1979

01:42:46,890 --> 01:42:44,860

walking toward the university and as you

1980

01:42:48,870 --> 01:42:46,900

get closer to it it's really tumbled

1981

01:42:51,000 --> 01:42:48,880

down and I say to one of them why is it

1982

01:42:53,129 --> 01:42:51,010

such a mess it looks like it's in ruins

1983

01:42:54,629 --> 01:42:53,139

and he says well it's a million years

1984

01:42:59,189 --> 01:42:54,639

old and the scholars aren't very good at

1985

01:43:02,520 --> 01:42:59,199

maintenance so did he say that in jest

1986

01:43:03,930 --> 01:43:02,530

or oh it was just you know they're very

1987

01:43:10,950 --> 01:43:03,940

they have a sense of humor and

1988

01:43:14,430 --> 01:43:10,960

everything I don't right okay and so as

1989

01:43:17,069 --> 01:43:14,440

I get closer to it the strange grey

1990

01:43:19,620 --> 01:43:17,079

taller gray figures with great big black

1991

01:43:23,700 --> 01:43:19,630

eye eyes show up they're not gonna let

1992

01:43:26,399 --> 01:43:23,710

me join enter because I'm not ready I'm

1993

01:43:29,759 --> 01:43:26,409

not ready I'm terribly disappointed

1994

01:43:33,479 --> 01:43:29,769

I wake up abruptly and I am devastated

1995

01:43:37,470 --> 01:43:33,489

it is I'm just devastated I wanted to go

1996

01:43:42,209 --> 01:43:37,480

in there so badly and now I know the

1997

01:43:45,239 --> 01:43:42,219

truth of it when I went there and wanted

1998

01:43:46,169 --> 01:43:45,249

to go in so badly and they wouldn't let

1999

01:43:48,120 --> 01:43:46,179

me was win

2000

01:43:50,669 --> 01:43:48,130

iemon trick you lated I've been in that

2001
01:43:53,810 --> 01:43:50,679
university ever since I understand that

2002
01:43:57,509 --> 01:43:53,820
now I sure didn't then but in any case

2003
01:44:01,290 --> 01:43:57,519
that's the third now we're gonna get to

2004
01:44:05,129 --> 01:44:01,300
another level of this Lori Barnes was an

2005
01:44:10,140 --> 01:44:05,139
secretary for 15 years Lori and found

2006
01:44:11,609 --> 01:44:10,150
Lori by reading she's reading letter

2007
01:44:12,820 --> 01:44:11,619
after letter after letter and she was

2008
01:44:14,680 --> 01:44:12,830
saying I need a secretary

2009
01:44:17,230 --> 01:44:14,690
well we'll call manpower and she said

2010
01:44:18,640 --> 01:44:17,240
I'll find someone in the letters she she

2011
01:44:20,770 --> 01:44:18,650
found people in the letters who she

2012
01:44:22,240 --> 01:44:20,780
would pick up a letter and say she's

2013
01:44:24,070 --> 01:44:22,250

gonna see the visitors or he's gonna

2014

01:44:25,480 --> 01:44:24,080

have a contact experience at the cabin

2015

01:44:27,190 --> 01:44:25,490

put the letter aside and invite him up

2016

01:44:30,070 --> 01:44:27,200

and it happened she was absolutely

2017

01:44:33,910 --> 01:44:30,080

amazing and she even herself never had

2018

01:44:35,800 --> 01:44:33,920

any experiences so anyway she soon she

2019

01:44:37,810 --> 01:44:35,810

says here's our secretary and she hands

2020

01:44:40,720 --> 01:44:37,820

me this letter it's very nicely written

2021

01:44:42,970 --> 01:44:40,730

handwriting and I read the letter and I

2022

01:44:45,100 --> 01:44:42,980

said well this says that she's a singer

2023

01:44:47,560 --> 01:44:45,110

and an actress she says have you ever

2024

01:44:49,120 --> 01:44:47,570

heard of her I said no well look at that

2025

01:44:51,880 --> 01:44:49,130

handwriting that's the handwriting over

2026

01:44:53,800 --> 01:44:51,890

professional she's a secretary so she

2027

01:44:57,520 --> 01:44:53,810

calls her up she turns out to live a

2028

01:44:59,860 --> 01:44:57,530

half a block from us in Manhattan and I

2029

01:45:01,030 --> 01:44:59,870

hear and say oh good well okay well why

2030

01:45:02,980 --> 01:45:01,040

don't you come over right now and get

2031

01:45:05,440 --> 01:45:02,990

started I need you like I could use you

2032

01:45:07,750 --> 01:45:05,450

right this second that was the beginning

2033

01:45:10,600 --> 01:45:07,760

of a 15 year period where she was our

2034

01:45:12,310 --> 01:45:10,610

secretary and she was a close encounter

2035

01:45:17,980 --> 01:45:12,320

witness sister so the letter was all

2036

01:45:21,100 --> 01:45:17,990

about a course so here is her story 1954

2037

01:45:23,290 --> 01:45:21,110

she's lying in bed at 11 o'clock at

2038

01:45:26,260 --> 01:45:23,300

night her husband is a pianist it's out

2039

01:45:29,470 --> 01:45:26,270

on a gig and she notices movement she's

2040

01:45:31,810 --> 01:45:29,480

reading and she looks down at the side

2041

01:45:34,390 --> 01:45:31,820

of the bed and there is this long row of

2042

01:45:40,470 --> 01:45:34,400

these little terrifying looking a little

2043

01:45:45,310 --> 01:45:40,480

blue man and she recoils in horror

2044

01:45:46,750 --> 01:45:45,320

because it's 1954 you don't you know you

2045

01:45:50,680 --> 01:45:46,760

know you're not expecting that Larry but

2046

01:45:53,980 --> 01:45:50,690

at that one and you see how human

2047

01:45:56,530 --> 01:45:53,990

consciousness is changing 1954 he had no

2048

01:45:59,560 --> 01:45:56,540

idea now we're talking about it on the

2049

01:46:04,180 --> 01:45:59,570

radio with insight as you will see in

2050

01:46:07,330 --> 01:46:04,190

any case she she recoils and he says do

2051

01:46:09,640 --> 01:46:07,340

not fear us no do not be afraid we're

2052

01:46:11,200 --> 01:46:09,650

not here for you we're interested in the

2053

01:46:12,670 --> 01:46:11,210

girl child you're carrying which of

2054

01:46:14,500 --> 01:46:12,680

course she goes totally apeshit then

2055

01:46:16,270 --> 01:46:14,510

right because she is pregnant in fact

2056

01:46:18,400 --> 01:46:16,280

and it turned out it was a girl who's a

2057

01:46:19,960 --> 01:46:18,410

very nice was a very nice is still a

2058

01:46:22,150 --> 01:46:19,970

very nice woman and there's no

2059

01:46:23,590 --> 01:46:22,160

connection mysterious connection that we

2060

01:46:25,890 --> 01:46:23,600

can tell between her and the visitors at

2061

01:46:31,800 --> 01:46:25,900

all in any case

2062

01:46:35,580 --> 01:46:31,810

he then puts his hand on her wrist and

2063

01:46:39,000 --> 01:46:35,590

says why do you fear us so and she says

2064

01:46:40,740 --> 01:46:39,010

because you're so ugly and then he says

2065

01:46:43,260 --> 01:46:40,750

something that I think is probably

2066

01:46:48,500 --> 01:46:43,270

really important he says one day my dear

2067

01:46:52,470 --> 01:46:48,510

you will look just like us right and

2068

01:46:54,540 --> 01:46:52,480

because they are human right where the

2069

01:46:59,250 --> 01:46:54,550

tadpoles they're the frogs and they look

2070

01:47:00,840 --> 01:46:59,260

like frogs - I'm anyway yeah kick

2071

01:47:03,630 --> 01:47:00,850

continue I just wanted to interject

2072

01:47:06,090 --> 01:47:03,640

since I remember the the first time I

2073

01:47:09,420 --> 01:47:06,100

heard these references from you about

2074

01:47:12,120 --> 01:47:09,430

them I was I thought about my own

2075

01:47:15,840 --> 01:47:12,130

experiences and I'm gonna say well I was

2076

01:47:17,640 --> 01:47:15,850

I was uncomfortable it was yeah because

2077

01:47:19,140 --> 01:47:17,650

they can do things to you that are very

2078

01:47:23,360 --> 01:47:19,150

uncomfortable and I'll tell you how what

2079

01:47:26,490 --> 01:47:23,370

they are in a minute continue okay

2080

01:47:29,040 --> 01:47:26,500

flash forward for many years we're

2081

01:47:32,850 --> 01:47:29,050

living now in San Antonio dear friend is

2082

01:47:34,560 --> 01:47:32,860

in a hospital he's in emergency heart

2083

01:47:38,940 --> 01:47:34,570

surgery he's not expected to come out

2084

01:47:39,660 --> 01:47:38,950

alive we could air with his family I see

2085

01:47:41,340 --> 01:47:39,670

dead people

2086

01:47:43,860 --> 01:47:41,350

I mean I'm I'll be frank about it I've

2087

01:47:45,570 --> 01:47:43,870

seen him for most of my life a lot of

2088

01:47:47,970 --> 01:47:45,580

times I didn't know it but now I do and

2089

01:47:49,380 --> 01:47:47,980

by that time I was well aware of it so

2090

01:47:51,810 --> 01:47:49,390

he comes walking out of the operating

2091

01:47:53,250 --> 01:47:51,820

room and I immediately turned to an and

2092

01:47:56,970 --> 01:47:53,260

say he just died

2093

01:48:01,230 --> 01:47:56,980

and a second later the surgeon comes out

2094

01:48:03,840 --> 01:48:01,240

and gives his wife the bad news then I

2095

01:48:07,530 --> 01:48:03,850

see in my mind's eye two of the blue

2096

01:48:10,200 --> 01:48:07,540

guys and they have him and they they are

2097

01:48:14,690 --> 01:48:10,210

taking him and they're putting him into

2098

01:48:18,450 --> 01:48:14,700

a newborn baby in India little girl and

2099

01:48:21,000 --> 01:48:18,460

a soul someone comes out of it I'm not I

2100

01:48:23,520 --> 01:48:21,010

can't explain that but it was like a

2101

01:48:27,270 --> 01:48:23,530

shift of some sort that took place and

2102

01:48:29,730 --> 01:48:27,280

here's why he was not a really good man

2103

01:48:31,950 --> 01:48:29,740

he did some good things in the world and

2104

01:48:34,470 --> 01:48:31,960

he had a fine family created a fine

2105

01:48:38,460 --> 01:48:34,480

family but he did also some real dark

2106

01:48:39,650 --> 01:48:38,470

things and if he had looked at the dark

2107

01:48:42,230 --> 01:48:39,660

stuff

2108

01:48:45,350 --> 01:48:42,240

he would have gone he would have been

2109

01:48:48,170 --> 01:48:45,360

lost they rescued him by whipping him

2110

01:48:50,300 --> 01:48:48,180

into a body so fast that he didn't get a

2111

01:48:54,380 --> 01:48:50,310

chance to see himself but did get a

2112

01:48:56,960 --> 01:48:54,390

chance to get to experience the life

2113

01:49:01,490 --> 01:48:56,970

that he will is experiencing now of

2114

01:49:04,310 --> 01:49:01,500

poverty and enforced humility as a woman

2115

01:49:06,710 --> 01:49:04,320

in a in a culture and that's very poor

2116

01:49:09,020 --> 01:49:06,720

where women are not very well respected

2117

01:49:11,990 --> 01:49:09,030

and he's experiencing that so it's

2118

01:49:14,900 --> 01:49:12,000

balances karma is balancing out you know

2119

01:49:15,650 --> 01:49:14,910

who they are they call themselves they

2120

01:49:19,910 --> 01:49:15,660

told Laurie

2121

01:49:23,270 --> 01:49:19,920

we're soul tanks right they mean they

2122

01:49:26,150 --> 01:49:23,280

are the managers of our souls and you

2123

01:49:28,670 --> 01:49:26,160

remember the movie ghost whoever wrote

2124

01:49:31,070 --> 01:49:28,680

that intuited this or knew it because

2125

01:49:36,430 --> 01:49:31,080

those creatures that come up groaning up

2126
01:49:39,110 --> 01:49:36,440
out of the dark that's them that's them

2127
01:49:42,080 --> 01:49:39,120
dan Mohler stuff is so wonderfully

2128
01:49:43,940 --> 01:49:42,090
fascinating to you some of it is true -

2129
01:49:47,660 --> 01:49:43,950
I believe it is do you remember the

2130
01:49:48,380 --> 01:49:47,670
movie phantasm no I dunno okay I never

2131
01:49:54,440 --> 01:49:48,390
saw okay

2132
01:49:57,980 --> 01:49:54,450
b-movie horror movie alright but so well

2133
01:50:00,200 --> 01:49:57,990
done so Whitley I'm serious I'm serious

2134
01:50:03,340 --> 01:50:00,210
- forget about the B movie aspect and

2135
01:50:07,400 --> 01:50:03,350
all of that and the horror side of it

2136
01:50:08,960 --> 01:50:07,410
watch it because they're size and we'll

2137
01:50:11,360 --> 01:50:08,970
watch it I'm fascinated by a good horror

2138
01:50:14,150 --> 01:50:11,370

movie yeah it's less it's not too gory

2139

01:50:15,860 --> 01:50:14,160

all right there no no no and you know

2140

01:50:21,200 --> 01:50:15,870

what there's some funny moments too as

2141

01:50:24,560 --> 01:50:21,210

well okay but just the entire soul

2142

01:50:27,500 --> 01:50:24,570

aspect of this and the physicality of

2143

01:50:30,260 --> 01:50:27,510

these little guys just just watch the

2144

01:50:31,700 --> 01:50:30,270

movie watch the movie hey I'm sure

2145

01:50:33,230 --> 01:50:31,710

Twitter's about to light up right now

2146

01:50:41,860 --> 01:50:33,240

Church you're right you're right you're

2147

01:50:47,450 --> 01:50:44,750

and I've I've thought about this with

2148

01:50:50,810 --> 01:50:47,460

you for so for so many years now is this

2149

01:50:54,800 --> 01:50:50,820

something that we would expect to

2150

01:50:57,600 --> 01:50:54,810

experience when we do pass Oh

2151
01:50:59,070 --> 01:50:57,610
yeah I think that's quite possible and

2152
01:51:04,890 --> 01:50:59,080
it might even be that you're gonna come

2153
01:51:07,290 --> 01:51:04,900
face-to-face with Lori Barnes or me or

2154
01:51:10,560 --> 01:51:07,300
whoever I mean because I think that's a

2155
01:51:11,910 --> 01:51:10,570
level some of us graduate to I don't

2156
01:51:14,100 --> 01:51:11,920
think it happened to an interestingly

2157
01:51:16,950 --> 01:51:14,110
enough because I saw Ann after she died

2158
01:51:19,080 --> 01:51:16,960
and she was not in that form at all she

2159
01:51:21,090 --> 01:51:19,090
was she was very different she was just

2160
01:51:26,729 --> 01:51:21,100
a very very beautiful version of herself

2161
01:51:29,939 --> 01:51:26,739
and I've seen a lot of souls and not all

2162
01:51:33,270 --> 01:51:29,949
of them have been like that at all and I

2163
01:51:35,220 --> 01:51:33,280

think that maybe one one level I think

2164

01:51:37,290 --> 01:51:35,230

you know I think we're part of something

2165

01:51:39,780 --> 01:51:37,300

that is really old and really complex

2166

01:51:41,209 --> 01:51:39,790

and you know what Annie said after one

2167

01:51:44,820 --> 01:51:41,219

of the things she said after she died

2168

01:51:47,430 --> 01:51:44,830

was well first of all as she died she

2169

01:51:48,720 --> 01:51:47,440

left a book open on the bookshelf here

2170

01:51:50,490 --> 01:51:48,730

in this room I probably told this story

2171

01:51:52,020 --> 01:51:50,500

on your show yeah you did you did yeah

2172

01:51:53,640 --> 01:51:52,030

yeah well we don't want to go through it

2173

01:51:57,300 --> 01:51:53,650

again but anyway she left the book open

2174

01:51:59,550 --> 01:51:57,310

on a place that said that the universe

2175

01:52:04,260 --> 01:51:59,560

began out of a single primordial quest

2176
01:52:08,040 --> 01:52:04,270
for knowledge and that she said after

2177
01:52:12,479 --> 01:52:08,050
she died that before underneath gravity

2178
01:52:15,660 --> 01:52:12,489
all reality is based on a yearning there

2179
01:52:19,050 --> 01:52:15,670
is something yearning for something and

2180
01:52:20,729 --> 01:52:19,060
that's why we exist it's the love of God

2181
01:52:25,950 --> 01:52:20,739
is what she's talking about

2182
01:52:28,560 --> 01:52:25,960
that's what's there and they're part of

2183
01:52:32,040 --> 01:52:28,570
it we're part of it we're all a part of

2184
01:52:34,979 --> 01:52:32,050
it and they're they're manipulating

2185
01:52:39,300 --> 01:52:34,989
moving people around and giving trying

2186
01:52:41,669 --> 01:52:39,310
to give people chances to better their

2187
01:52:43,740 --> 01:52:41,679
souls into because this ultimately

2188
01:52:45,750 --> 01:52:43,750

always has always been the same thing

2189

01:52:46,320 --> 01:52:45,760

from the very first moment it came into

2190

01:52:49,229 --> 01:52:46,330

being

2191

01:52:50,910 --> 01:52:49,239

it's a journey to tour to ecstasy that's

2192

01:52:52,770 --> 01:52:50,920

what the universe is it's what life is

2193

01:52:55,680 --> 01:52:52,780

that's what all of this is a journey

2194

01:52:58,859 --> 01:52:55,690

toward ecstasy it's why Ann said again

2195

01:53:00,359 --> 01:52:58,869

after she died she said enlightenment is

2196

01:53:05,700 --> 01:53:00,369

what happens when there's nothing left

2197

01:53:07,080 --> 01:53:05,710

of us but love and you know we're all

2198

01:53:07,620 --> 01:53:07,090

trying to get there

2199

01:53:11,340 --> 01:53:07,630

we're

2200

01:53:13,560 --> 01:53:11,350

don't wear clothes I mean I am I I can

2201
01:53:17,340 --> 01:53:13,570
tell you this I am enlightened I am

2202
01:53:20,250 --> 01:53:17,350
loved itself until I get in my car and

2203
01:53:24,479 --> 01:53:20,260
drive in the streets of Los Angeles then

2204
01:53:30,780 --> 01:53:24,489
I'm a caveman oh man not only that I

2205
01:53:32,040 --> 01:53:30,790
love it we we all okay okay that's a

2206
01:53:35,070 --> 01:53:32,050
whole nother show but you're absolutely

2207
01:53:37,439 --> 01:53:35,080
right I go through all of my faults come

2208
01:53:41,930 --> 01:53:37,449
out when I Drive for sure

2209
01:53:48,030 --> 01:53:41,940
mine too ain't it fun I just I feel good

2210
01:53:50,399 --> 01:53:48,040
I was watching the the astronomer that

2211
01:53:54,000 --> 01:53:50,409
discovered the first exoplanet my or

2212
01:53:57,090 --> 01:53:54,010
back in Switzerland in 1995 so watching

2213
01:53:59,189 --> 01:53:57,100

an interview with him it's a it's about

2214

01:54:02,280 --> 01:53:59,199

a year old and he's out in his backyard

2215

01:54:04,260 --> 01:54:02,290

and he's looking up at the Milky Way

2216

01:54:05,459 --> 01:54:04,270

incredible right all the stars and he

2217

01:54:09,540 --> 01:54:05,469

looks at the camera

2218

01:54:11,910 --> 01:54:09,550

and he says this he goes every star that

2219

01:54:14,370 --> 01:54:11,920

you can see he said with my bad vision

2220

01:54:16,350 --> 01:54:14,380

I'm looking at three to five thousand

2221

01:54:19,050 --> 01:54:16,360

stars with good vision you can see more

2222

01:54:22,169 --> 01:54:19,060

but all of those stars up there I

2223

01:54:26,459 --> 01:54:22,179

discovered the first exoplanet in in

2224

01:54:30,510 --> 01:54:26,469

1995 but now I know that every fifth

2225

01:54:34,200 --> 01:54:30,520

star that we look at has a planet

2226

01:54:38,820 --> 01:54:34,210

identical to Earth right and full five

2227

01:54:42,629 --> 01:54:38,830

right what a powerful powerful statement

2228

01:54:45,149 --> 01:54:42,639

you know 1995 there were none now you

2229

01:54:48,740 --> 01:54:45,159

know him of all people says every fifth

2230

01:54:51,270 --> 01:54:48,750

star has a planet identical to Earth

2231

01:54:53,129 --> 01:54:51,280

right the rest of my gassy Giants and

2232

01:54:55,910 --> 01:54:53,139

everything but that's that's a big

2233

01:55:02,220 --> 01:54:55,920

number when we talk about the Milky Way

2234

01:55:06,810 --> 01:55:02,230

talking about 200 billion earths how

2235

01:55:09,810 --> 01:55:06,820

many how many of those planets are aware

2236

01:55:16,669 --> 01:55:09,820

of us you know is it it's just an

2237

01:55:21,540 --> 01:55:19,290

you know I've thought that maybe this is

2238

01:55:23,970 --> 01:55:21,550

a school that everybody uses

2239

01:55:25,919 --> 01:55:23,980

and that all of us are from different

2240

01:55:29,879 --> 01:55:25,929

worlds and that this is a place that

2241

01:55:33,450 --> 01:55:29,889

that that you you get into kind of you

2242

01:55:37,350 --> 01:55:33,460

know like Harvard or hopefully not

2243

01:55:39,629 --> 01:55:37,360

singing but right I think is that that

2244

01:55:41,850 --> 01:55:39,639

that it's a place of because it's such a

2245

01:55:46,379 --> 01:55:41,860

an incredible learning experience to be

2246

01:55:48,419 --> 01:55:46,389

here and it's extraordinary and I've

2247

01:55:50,819 --> 01:55:48,429

often wondered if maybe that's what this

2248

01:55:53,339 --> 01:55:50,829

is and that's that it's that it's

2249

01:55:54,930 --> 01:55:53,349

because it's not peaceful and it is wild

2250

01:55:56,609 --> 01:55:54,940

and it is crazy and all kinds of

2251
01:55:58,200 --> 01:55:56,619
horrible things can happen here and you

2252
01:56:01,910 --> 01:55:58,210
can do wonderful things and do horrible

2253
01:56:04,979 --> 01:56:01,920
things and you can you can die after an

2254
01:56:07,830 --> 01:56:04,989
absolutely marvelous

2255
01:56:09,330 --> 01:56:07,840
beautiful life or you can die having

2256
01:56:12,330 --> 01:56:09,340
really screwed up

2257
01:56:15,359 --> 01:56:12,340
you can mondai having just not cared

2258
01:56:19,020 --> 01:56:15,369
enough and I wonder if it's like that

2259
01:56:21,839 --> 01:56:19,030
everywhere if this is not a kind of you

2260
01:56:27,930 --> 01:56:21,849
know if the university that the blue guy

2261
01:56:30,569 --> 01:56:27,940
showed me was not just a little little

2262
01:56:33,870 --> 01:56:30,579
dark blue building on the side of a

2263
01:56:36,780 --> 01:56:33,880

cliff but this is it this is it I think

2264

01:56:40,620 --> 01:56:36,790

I think this is the University this is

2265

01:56:44,180 --> 01:56:40,630

where we are here and we're here to

2266

01:56:46,530 --> 01:56:44,190

learn and to have a get an education

2267

01:56:49,410 --> 01:56:46,540

when the first things Annie said after

2268

01:56:50,189 --> 01:56:49,420

she died was it's a game it's all a game

2269

01:56:52,620 --> 01:56:50,199

whittling

2270

01:56:54,870 --> 01:56:52,630

but I didn't get the impression that it

2271

01:56:57,359 --> 01:56:54,880

was it was a silly game I thought too

2272

01:57:02,819 --> 01:56:57,369

the way she said it it sounded like it

2273

01:57:08,669 --> 01:57:02,829

was a really serious game but by saying

2274

01:57:14,549 --> 01:57:08,679

that I'm wondering right right I'm

2275

01:57:18,120 --> 01:57:14,559

wondering if she hmm wow that just that

2276

01:57:24,390 --> 01:57:18,130

expands my my brain somewhat what do you

2277

01:57:27,990 --> 01:57:24,400

think she was referencing Wow and that's

2278

01:57:32,669 --> 01:57:28,000

what did she mean Whitley what she meant

2279

01:57:35,480 --> 01:57:32,679

was that we are we are engaged well you

2280

01:57:41,630 --> 01:57:35,490

know there were games in this world and

2281

01:57:44,000 --> 01:57:41,640

past which were really serious games the

2282

01:57:45,860 --> 01:57:44,010

gladiatorial games before Rome became

2283

01:57:47,750 --> 01:57:45,870

decadent became just a form of

2284

01:57:51,380 --> 01:57:47,760

entertainment were a religious ritual

2285

01:57:54,260 --> 01:57:51,390

the ball game played by the Maya was a

2286

01:57:56,420 --> 01:57:54,270

very serious game it's a serious

2287

01:57:58,520 --> 01:57:56,430

religious ritual I'm not saying those

2288

01:57:59,900 --> 01:57:58,530

games are good I know I don't think they

2289

01:58:03,410 --> 01:57:59,910

were good I think they're very brutal

2290

01:58:05,990 --> 01:58:03,420

and foolish but this game of life is

2291

01:58:09,200 --> 01:58:06,000

very serious because you could come out

2292

01:58:12,850 --> 01:58:09,210

of this game an ascended soul you could

2293

01:58:17,360 --> 01:58:12,860

ascend into ecstasy from from doing this

2294

01:58:20,050 --> 01:58:17,370

so wow is this a big deal this game why

2295

01:58:22,760 --> 01:58:20,060

keeps yeah why keep it hidden

2296

01:58:23,330 --> 01:58:22,770

don't keep it hidden if you don't keep

2297

01:58:25,760 --> 01:58:23,340

it hidden

2298

01:58:27,440 --> 01:58:25,770

then everyone knows it's just a game

2299

01:58:31,370 --> 01:58:27,450

then it loses its force and its

2300

01:58:35,350 --> 01:58:31,380

intensity but we have when we have the

2301

01:58:39,110 --> 01:58:35,360

status quo completely blind to

2302

01:58:42,560 --> 01:58:39,120

imagination completely blind to the

2303

01:58:46,070 --> 01:58:42,570

wonderment of everything that is and so

2304

01:58:49,030 --> 01:58:46,080

fixated on life death taxes and in a

2305

01:58:52,520 --> 01:58:49,040

mortgage right and and not not even

2306

01:58:55,790 --> 01:58:52,530

considering or pondering the wonder of

2307

01:58:58,730 --> 01:58:55,800

it all why keep that part hidden if

2308

01:59:07,030 --> 01:58:58,740

we're gonna advance shouldn't shouldn't

2309

01:59:09,860 --> 01:59:07,040

the masses be aware I'm not even sure

2310

01:59:13,070 --> 01:59:09,870

that this is the only place the game is

2311

01:59:16,130 --> 01:59:13,080

being played it might be being played in

2312

01:59:19,190 --> 01:59:16,140

a lot of places and the amount of time

2313

01:59:22,010 --> 01:59:19,200

involved might be far greater than we

2314

01:59:23,750 --> 01:59:22,020

can possibly imagine it might not be

2315

01:59:26,290 --> 01:59:23,760

that you can you know you remember five

2316

01:59:28,760 --> 01:59:26,300

or six I remember five or six past lives

2317

01:59:30,470 --> 01:59:28,770

it might be that you didn't have five or

2318

01:59:32,780 --> 01:59:30,480

six past lives you may have had millions

2319

01:59:35,210 --> 01:59:32,790

of past lives on many many different

2320

01:59:38,660 --> 01:59:35,220

planets because the journey this journey

2321

01:59:42,170 --> 01:59:38,670

toward ecstasy might be something which

2322

01:59:45,760 --> 01:59:42,180

the accretion of it is literally photon

2323

01:59:48,439 --> 01:59:45,770

by excited photon over billions of years

2324

01:59:50,870 --> 01:59:48,449

we don't know what we are

2325

01:59:54,909 --> 01:59:50,880

we only know we're here now passing

2326

01:59:57,889 --> 01:59:54,919

through this life but it could be that

2327

02:00:00,350 --> 01:59:57,899

this is not the only place the game is

2328

02:00:03,589 --> 02:00:00,360

played it might be a much bigger deal

2329

02:00:05,839 --> 02:00:03,599

than we think and we also might be many

2330

02:00:09,949 --> 02:00:05,849

of us or maybe all of us much much older

2331

02:00:12,259 --> 02:00:09,959

than we would dare to imagine I wanted

2332

02:00:13,790 --> 02:00:12,269

to ask you we've got past this earlier I

2333

02:00:18,699 --> 02:00:13,800

want to get this in before I say good

2334

02:00:23,359 --> 02:00:18,709

night I have interviewed many channelers

2335

02:00:26,299 --> 02:00:23,369

there is a lot of what I think is a

2336

02:00:30,350 --> 02:00:26,309

pretty solid consistent information from

2337

02:00:34,100 --> 02:00:30,360

around the planet it's it's not singular

2338

02:00:36,889 --> 02:00:34,110

is this communication something that you

2339

02:00:41,870 --> 02:00:36,899

pay attention to and and the messages

2340

02:00:45,529 --> 02:00:41,880

that are received I don't know I can

2341

02:00:47,770 --> 02:00:45,539

receive messages from Annie and I think

2342

02:00:52,479 --> 02:00:47,780

some of those messages might be real

2343

02:00:54,919 --> 02:00:52,489

that might genuinely have come from her

2344

02:00:56,689 --> 02:00:54,929

mainly because some of the ideas are too

2345

02:00:59,120 --> 02:00:56,699

good they're better than the kind of

2346

02:01:03,469 --> 02:00:59,130

stuff I come up with like the things I

2347

02:01:05,959 --> 02:01:03,479

talked about tonight mm-hmm but you know

2348

02:01:10,609 --> 02:01:05,969

when I see these long complicated

2349

02:01:13,879 --> 02:01:10,619

channel things that seem like they're

2350

02:01:18,889 --> 02:01:13,889

basically versions of this world kind of

2351
02:01:21,020 --> 02:01:18,899
restated and when I actually live trying

2352
02:01:25,129 --> 02:01:21,030
to live with the visitors and they're so

2353
02:01:27,080 --> 02:01:25,139
different I just have to wonder if it's

2354
02:01:32,750 --> 02:01:27,090
channeling your imagination for the most

2355
02:01:34,759 --> 02:01:32,760
part I don't I don't know with you with

2356
02:01:38,479 --> 02:01:34,769
me what do you mean is it imagination

2357
02:01:40,339 --> 02:01:38,489
with you I don't know I could be yeah I

2358
02:01:42,020 --> 02:01:40,349
don't I don't think it is though in my

2359
02:01:45,949 --> 02:01:42,030
case because you know I have certain

2360
02:01:48,290 --> 02:01:45,959
certain certain things that are kind of

2361
02:01:52,040 --> 02:01:48,300
anchors like the implant in my ear right

2362
02:01:54,020 --> 02:01:52,050
it's there it's real it's in fact I it's

2363
02:01:56,779 --> 02:01:54,030

it's there's a lot going on with it

2364

02:01:58,939 --> 02:01:56,789

right now because it moved from the

2365

02:02:01,970 --> 02:01:58,949

place the place where it's been for

2366

02:02:05,540 --> 02:02:01,980

years up in the top part of my ear

2367

02:02:07,010 --> 02:02:05,550

your opinion of my ear down about half

2368

02:02:09,140 --> 02:02:07,020

an inch all of a sudden about three

2369

02:02:12,260 --> 02:02:09,150

weeks ago and now I keep having these

2370

02:02:14,060 --> 02:02:12,270

periods where I have these kinds of pins

2371

02:02:18,110 --> 02:02:14,070

and needles going through the side of my

2372

02:02:20,030 --> 02:02:18,120

head and and when I'm meditating that

2373

02:02:24,710 --> 02:02:20,040

part that the place where the implant is

2374

02:02:28,820 --> 02:02:24,720

tingles so that's real I mean that's

2375

02:02:31,400 --> 02:02:28,830

physical stuff so it you know I can't

2376
02:02:34,310 --> 02:02:31,410
say that everything about my experience

2377
02:02:36,650 --> 02:02:34,320
is imagination I think a lot of it might

2378
02:02:39,230 --> 02:02:36,660
be misinterpreted simply because I

2379
02:02:42,890 --> 02:02:39,240
simply don't have enough ground of truth

2380
02:02:45,950 --> 02:02:42,900
as it were to interpret it correctly but

2381
02:02:50,090 --> 02:02:45,960
no not all of it is imagination or that

2382
02:02:53,000 --> 02:02:50,100
thing wouldn't be there I have had so

2383
02:02:55,580 --> 02:02:53,010
many physical experiences and sightings

2384
02:02:58,730 --> 02:02:55,590
and and things like that and and that

2385
02:03:01,550 --> 02:02:58,740
that's great that's amazing and and but

2386
02:03:04,940 --> 02:03:01,560
you put that stuff aside if I didn't

2387
02:03:07,100 --> 02:03:04,950
have any sightings or anything you know

2388
02:03:09,230 --> 02:03:07,110

the real physical experiences there's

2389

02:03:12,490 --> 02:03:09,240

the other part that I don't have answers

2390

02:03:18,040 --> 02:03:12,500

for and that's things like deja vu crazy

2391

02:03:22,510 --> 02:03:18,050

synchronicities you just in explainable

2392

02:03:24,890 --> 02:03:22,520

intangible untouchable experiences that

2393

02:03:28,430 --> 02:03:24,900

there is something going on where there

2394

02:03:31,610 --> 02:03:28,440

this universe is electric and connected

2395

02:03:33,560 --> 02:03:31,620

and multi-dimensional that's the only

2396

02:03:36,650 --> 02:03:33,570

thing that I can explain and I'm waiting

2397

02:03:38,240 --> 02:03:36,660

for science to catch up and and help me

2398

02:03:41,170 --> 02:03:38,250

understand and the rest of the world

2399

02:03:44,450 --> 02:03:41,180

what is going on with these experiences

2400

02:03:48,860 --> 02:03:44,460

well you know I there the implant works

2401
02:03:50,480 --> 02:03:48,870
in two ways one is and I'm get I'm this

2402
02:03:51,770 --> 02:03:50,490
is actually a direct response to your

2403
02:03:54,920 --> 02:03:51,780
question it just sounds a little bit

2404
02:03:57,410 --> 02:03:54,930
roundabout her to your statement one is

2405
02:04:00,530 --> 02:03:57,420
that a little slit opens up in my right

2406
02:04:05,140 --> 02:04:00,540
eye and I see words typed and courier

2407
02:04:09,110 --> 02:04:05,150
racing through and those words are

2408
02:04:10,610 --> 02:04:09,120
related to what I am thinking about and

2409
02:04:14,540 --> 02:04:10,620
working on but it's not like a thesaurus

2410
02:04:15,500 --> 02:04:14,550
it's like like more distantly connected

2411
02:04:16,820 --> 02:04:15,510
words that

2412
02:04:19,430 --> 02:04:16,830
cause they're like it's like having a

2413
02:04:21,530 --> 02:04:19,440

muse in your head because it causes all

2414

02:04:23,510 --> 02:04:21,540

kinds of unexpected connections and

2415

02:04:25,910 --> 02:04:23,520

makes your ideas very big it's like an

2416

02:04:29,780 --> 02:04:25,920

amplifier mm-hmm the other thing it does

2417

02:04:32,780 --> 02:04:29,790

is when I ask it a question a direct

2418

02:04:36,220 --> 02:04:32,790

question I don't always get an answer at

2419

02:04:40,340 --> 02:04:36,230

all I have to say but sometimes I do and

2420

02:04:42,979 --> 02:04:40,350

the answer is always comes out of a

2421

02:04:46,280 --> 02:04:42,989

synchronicity that's how it works

2422

02:04:48,680 --> 02:04:46,290

and I literally use synchronicity as a

2423

02:04:51,110 --> 02:04:48,690

research tool because of this because

2424

02:04:52,940 --> 02:04:51,120

it's so consistent I would say eight out

2425

02:04:54,890 --> 02:04:52,950

of ten of the questions I asked or

2426

02:04:58,940 --> 02:04:54,900

answered in one way or another and

2427

02:05:00,320 --> 02:04:58,950

maddeningly I know I may be 10 out of 10

2428

02:05:04,610 --> 02:05:00,330

are answered I just don't get it

2429

02:05:06,680 --> 02:05:04,620

sometimes but it has been it's in it's

2430

02:05:09,460 --> 02:05:06,690

an incredibly valuable research tool and

2431

02:05:12,410 --> 02:05:09,470

I'm very worried now because of these

2432

02:05:14,090 --> 02:05:12,420

sensations I'm getting in my head if it

2433

02:05:17,270 --> 02:05:14,100

you know I is there some kind a

2434

02:05:19,310 --> 02:05:17,280

radiation connected with it that is is

2435

02:05:21,860 --> 02:05:19,320

damaging to me and you know I'm gonna

2436

02:05:23,750 --> 02:05:21,870

have a CT scan of it shortly and there

2437

02:05:24,820 --> 02:05:23,760

gonna be some studies done to see what's

2438

02:05:28,100 --> 02:05:24,830

going on there because something

2439

02:05:31,310 --> 02:05:28,110

something is house not the way it used

2440

02:05:34,340 --> 02:05:31,320

to be right and how do you encourage I

2441

02:05:38,630 --> 02:05:34,350

try to do it I try to do it Whitley to

2442

02:05:40,640 --> 02:05:38,640

open people up at least a little bit how

2443

02:05:44,720 --> 02:05:40,650

do you incur to encourage people to pay

2444

02:05:48,220 --> 02:05:44,730

attention to synchronicities I don't

2445

02:05:52,900 --> 02:05:48,230

know how much in my life I've ignored

2446

02:05:56,210 --> 02:05:52,910

but but I don't anymore and and I

2447

02:05:58,370 --> 02:05:56,220

definitely pay attention when it happens

2448

02:06:01,550 --> 02:05:58,380

how do you encourage people to to stop

2449

02:06:03,590 --> 02:06:01,560

ignoring synchronicities you tell me I

2450

02:06:05,750 --> 02:06:03,600

ignore the darn things all with him that

2451

02:06:07,370 --> 02:06:05,760

frustrates the hell out of me you know

2452

02:06:09,350 --> 02:06:07,380

you overlook them because they're

2453

02:06:12,020 --> 02:06:09,360

they're not in the stream of ordinary

2454

02:06:15,560 --> 02:06:12,030

life right like like I have prophetic

2455

02:06:17,930 --> 02:06:15,570

moments that I overlook and there's

2456

02:06:19,970 --> 02:06:17,940

always the same reason like when the

2457

02:06:22,820 --> 02:06:19,980

Huracan was coming up a couple of weeks

2458

02:06:27,400 --> 02:06:22,830

ago to cross through my mind a thought

2459

02:06:29,570 --> 02:06:27,410

oh the Bahamas will be okay that is a

2460

02:06:32,570 --> 02:06:29,580

prophetic thought that the

2461

02:06:35,780 --> 02:06:32,580

Bahamas will not be okay I've had those

2462

02:06:37,820 --> 02:06:35,790

all of my life where as soon as I think

2463

02:06:40,010 --> 02:06:37,830

something like that it's it that's

2464

02:06:41,840 --> 02:06:40,020

actually a warning it I think the

2465

02:06:43,160 --> 02:06:41,850

opposite of what's actually going to

2466

02:06:45,950 --> 02:06:43,170

happen because I don't want to face what

2467

02:06:47,480 --> 02:06:45,960

is going to happen and so but this time

2468

02:06:48,860 --> 02:06:47,490

I thought oh my god my hormones are

2469

02:06:50,660 --> 02:06:48,870

gonna be destroyed as soon as that

2470

02:06:54,260 --> 02:06:50,670

thought pass through my mind and they

2471

02:06:56,870 --> 02:06:54,270

weren't so there's synchronicities and

2472

02:07:00,710 --> 02:06:56,880

there's other things like that that that

2473

02:07:03,980 --> 02:07:00,720

are just very hard to catch very hard to

2474

02:07:06,110 --> 02:07:03,990

catch on to maybe in a sense we're sort

2475

02:07:09,230 --> 02:07:06,120

of we feel like we're not supposed to do

2476

02:07:12,110 --> 02:07:09,240

that I don't know although I love

2477

02:07:12,770 --> 02:07:12,120

synchronicities I do I do I respond to

2478

02:07:14,720 --> 02:07:12,780

them now

2479

02:07:17,360 --> 02:07:14,730

well you're right though there's so many

2480

02:07:19,580 --> 02:07:17,370

of them we like we just enjoy it and let

2481

02:07:21,860 --> 02:07:19,590

it go right and we don't respond to it

2482

02:07:24,530 --> 02:07:21,870

you know I've had this crazy I brought

2483

02:07:29,600 --> 02:07:24,540

it up a couple of months ago on the show

2484

02:07:35,120 --> 02:07:29,610

but over the last year or so I keep

2485

02:07:39,080 --> 02:07:35,130

having this repetitive vision that I

2486

02:07:41,480 --> 02:07:39,090

look up at the moon and it's like

2487

02:07:43,370 --> 02:07:41,490

smoking right that there's something

2488

02:07:46,730 --> 02:07:43,380

going on something is hit the moon or

2489

02:07:49,640 --> 02:07:46,740

it's cracked and now no I know and now I

2490

02:07:51,650 --> 02:07:49,650

constantly every time I get the chat

2491

02:07:54,080 --> 02:07:51,660

like at the moon in and I'm wondering if

2492

02:07:57,260 --> 02:07:54,090

that's the moment and I brought it up on

2493

02:08:00,710 --> 02:07:57,270

the air only because I couldn't let it

2494

02:08:03,500 --> 02:08:00,720

go and I do it now I did it last night I

2495

02:08:06,650 --> 02:08:03,510

can't seem to let it go but I felt that

2496

02:08:09,710 --> 02:08:06,660

I needed to mention it just just just in

2497

02:08:11,300 --> 02:08:09,720

case right but I mean let me tell you

2498

02:08:15,040 --> 02:08:11,310

something I can't let it go you know you

2499

02:08:20,420 --> 02:08:15,050

you obviously don't know this the first

2500

02:08:22,690 --> 02:08:20,430

really intense warning I ever got from

2501

02:08:25,490 --> 02:08:22,700

the visitors was this incredible thing

2502

02:08:28,880 --> 02:08:25,500

where I looked out the window in a hotel

2503

02:08:31,940 --> 02:08:28,890

in Colorado as I recall and the moon was

2504

02:08:37,610 --> 02:08:31,950

exploding real pieces were flying off of

2505

02:08:40,550 --> 02:08:37,620

it this was 25 years ago now we have a

2506

02:08:43,400 --> 02:08:40,560

situation where more and more asteroids

2507

02:08:46,610 --> 02:08:43,410

right are coming through this

2508

02:08:48,320 --> 02:08:46,620

this solar system and they just a couple

2509

02:08:50,090 --> 02:08:48,330

days ago one passed within a few hundred

2510

02:08:51,410 --> 02:08:50,100

thousands of miles of earth we didn't

2511

02:08:53,720 --> 02:08:51,420

even see coming nope

2512

02:08:55,970 --> 02:08:53,730

and you know you look at the moon why is

2513

02:08:57,500 --> 02:08:55,980

it so covered with craters it's covered

2514

02:09:00,410 --> 02:08:57,510

with craters because the moon is a

2515

02:09:03,890 --> 02:09:00,420

protective it's protective it protects

2516

02:09:06,380 --> 02:09:03,900

us but not completely Jupiter also

2517

02:09:08,540 --> 02:09:06,390

protects the inner planet so because big

2518

02:09:11,930 --> 02:09:08,550

stuff gets pulled in by Jupiter's

2519

02:09:15,380 --> 02:09:11,940

gravity well it doesn't talk to all the

2520

02:09:19,840 --> 02:09:15,390

time all the time yes and the moon

2521

02:09:24,470 --> 02:09:19,850

protects Earth this thing by the way

2522

02:09:27,470 --> 02:09:24,480

earth is exactly within about fifty

2523

02:09:31,160 --> 02:09:27,480

thousand of fifty thousand mile envelope

2524

02:09:33,320 --> 02:09:31,170

of the perfect place for it to be for

2525

02:09:36,350 --> 02:09:33,330

everything in terms of water and so

2526
02:09:38,990 --> 02:09:36,360
forth to be in balance without the moon

2527
02:09:41,330 --> 02:09:39,000
the orbital winds would be too fat to

2528
02:09:45,370 --> 02:09:41,340
[h__h] them the orbital winds would be

2529
02:09:49,030 --> 02:09:45,380
too fast for anything big to grow the

2530
02:09:52,610 --> 02:09:49,040
outer planets protect the inner planets

2531
02:09:54,530 --> 02:09:52,620
the moon protects us there's no other

2532
02:10:00,260 --> 02:09:54,540
planet in the solar system with a moon

2533
02:10:05,120 --> 02:10:00,270
like ours and we are rolling along

2534
02:10:09,530 --> 02:10:05,130
behind a star that is perfectly suited

2535
02:10:13,910 --> 02:10:09,540
for long-term stability whereas most

2536
02:10:15,860 --> 02:10:13,920
white dwarfs are very unstable and I

2537
02:10:17,300 --> 02:10:15,870
have to ask you we talked about well

2538
02:10:19,880 --> 02:10:17,310

maybe there was an ancient civilization

2539

02:10:22,550 --> 02:10:19,890

here maybe the aliens came maybe it's

2540

02:10:27,140 --> 02:10:22,560

even bigger than that maybe someone

2541

02:10:32,330 --> 02:10:27,150

designed this as a life generating

2542

02:10:34,760 --> 02:10:32,340

machine so when we look into the eyes of

2543

02:10:36,740 --> 02:10:34,770

the visitors we might be looking into

2544

02:10:41,000 --> 02:10:36,750

the eyes of someone who is even older

2545

02:10:44,500 --> 02:10:41,010

than we could possibly imagine and has

2546

02:10:47,090 --> 02:10:44,510

done more than we can possibly believe

2547

02:10:48,230 --> 02:10:47,100

thank you so much Whitley what a great

2548

02:10:51,130 --> 02:10:48,240

conversation tonight

2549

02:10:55,060 --> 02:10:51,140

tell us about unknown country and

2550

02:10:56,680 --> 02:10:55,070

dreamland and how often you get the

2551
02:10:59,650 --> 02:10:56,690
new interviews up and where everybody

2552
02:11:02,200 --> 02:10:59,660
can go and check you out okay unknown

2553
02:11:05,830 --> 02:11:02,210
country first of all it's the site is

2554
02:11:08,200 --> 02:11:05,840
finally new and it's not being screwed

2555
02:11:12,070 --> 02:11:08,210
with all the time it's pretty secure

2556
02:11:14,620 --> 02:11:12,080
I hope and a dream land comes every week

2557
02:11:17,440 --> 02:11:14,630
on Fridays it comes up on Fridays and

2558
02:11:20,680 --> 02:11:17,450
you can listen to it on Alexa just say

2559
02:11:22,690 --> 02:11:20,690
Alexa play Dream Land it's on Apple

2560
02:11:27,370 --> 02:11:22,700
podcasts I guess you can therefore get

2561
02:11:30,520 --> 02:11:27,380
it on iTunes you can get it on iTunes

2562
02:11:33,100 --> 02:11:30,530
radio you can get it I think you play it

2563
02:11:34,090 --> 02:11:33,110

midnight on Saturday nights here that's

2564

02:11:37,990 --> 02:11:34,100

Ronnie on yours

2565

02:11:39,670 --> 02:11:38,000

okay thn yes yeah so it's around but and

2566

02:11:44,530 --> 02:11:39,680

and and it's also on my youtube channel

2567

02:11:46,840 --> 02:11:44,540

w streamer users dot user W streamer but

2568

02:11:49,690 --> 02:11:46,850

basically the place to go for is unknown

2569

02:11:52,000 --> 02:11:49,700

country comm and the sites got great

2570

02:11:54,970 --> 02:11:52,010

news it's really excellent news site

2571

02:12:00,220 --> 02:11:54,980

news of the edge but it's not none of

2572

02:12:01,720 --> 02:12:00,230

its fake it's all real and a huge

2573

02:12:03,370 --> 02:12:01,730

archive for people who are really

2574

02:12:05,380 --> 02:12:03,380

interested we're having some trouble

2575

02:12:07,600 --> 02:12:05,390

getting the whole archive up because

2576

02:12:09,100 --> 02:12:07,610

there was so much it was screwed with so

2577

02:12:11,080 --> 02:12:09,110

much over the years in the old website

2578

02:12:14,020 --> 02:12:11,090

but we're getting there and it's and

2579

02:12:16,390 --> 02:12:14,030

it's a marvelous big archive of all

2580

02:12:18,340 --> 02:12:16,400

kinds of fascinating stuff so it's worth

2581

02:12:21,750 --> 02:12:18,350

subscribing and worth going to and worth

2582

02:12:24,730 --> 02:12:21,760

having fun with Whitley and I'm there

2583

02:12:27,490 --> 02:12:24,740

thank you so much Whitley I look forward

2584

02:12:30,270 --> 02:12:27,500

to our next conversation keep doing what

2585

02:12:33,640 --> 02:12:30,280

you're doing you're just absolutely

2586

02:12:36,250 --> 02:12:33,650

unbelievable I just want to think I just

2587

02:12:40,300 --> 02:12:36,260

want to thank you for everything and and

2588

02:12:42,550 --> 02:12:40,310

not only our friendship but the fader

2589

02:12:45,430 --> 02:12:42,560

nots and our community here and of

2590

02:12:47,770 --> 02:12:45,440

course going back and what you have

2591

02:12:49,330 --> 02:12:47,780

meant to this community just thank you

2592

02:12:52,330 --> 02:12:49,340

so much keep doing what you're doing

2593

02:12:55,150 --> 02:12:52,340

Whitley well thanks Jimmy you do the

2594

02:12:58,900 --> 02:12:55,160

same thing and enjoy the rest of your

2595

02:13:00,910 --> 02:12:58,910

night off you too it's not your night

2596

02:13:03,430 --> 02:13:00,920

off but it will be soon you'll just I

2597

02:13:05,950 --> 02:13:03,440

think you showed what goes to 10:30 no

2598

02:13:08,310 --> 02:13:05,960

no I've got five minutes to dinner

2599

02:13:09,930 --> 02:13:08,320

Oh have a

2600

02:13:13,080 --> 02:13:09,940

dinner and thank you so much Whitley

2601

02:13:16,050 --> 02:13:13,090

good night Whitley Strieber unknown

2602

02:13:19,350 --> 02:13:16,060

country dot-com is right there the links

2603

02:13:22,800 --> 02:13:19,360

are at Jimmy Church radio.com go and

2604

02:13:24,900 --> 02:13:22,810

click and dreamland not only that but

2605

02:13:29,010 --> 02:13:24,910

Whitley's got all of his blogs there

2606

02:13:33,510 --> 02:13:29,020

he's got all of Annie stuff and a

2607

02:13:36,660 --> 02:13:33,520

decade's worth of archives of articles

2608

02:13:39,390 --> 02:13:36,670

and links and and blogs and videos and

2609

02:13:40,770 --> 02:13:39,400

interviews absolutely incredible unknown

2610

02:13:44,880 --> 02:13:40,780

country I've been going on in own

2611

02:13:46,550 --> 02:13:44,890

country I can't even think the first

2612

02:13:49,050 --> 02:13:46,560

time that I spent time over there

2613

02:13:51,680 --> 02:13:49,060

alright thank you so much Whitley great

2614

02:13:54,390 --> 02:13:51,690

conversation and there there might be a

2615

02:13:56,670 --> 02:13:54,400

Jimmy Church surprise coming up on

2616

02:13:58,620 --> 02:13:56,680

dreamland here in the next couple of

2617

02:14:01,530 --> 02:13:58,630

weeks I'm not gonna say anything but

2618

02:14:05,370 --> 02:14:01,540

just stay on top of unknown country and

2619

02:14:09,240 --> 02:14:05,380

go over and help support unknown country

2620

02:14:12,540 --> 02:14:09,250

calm with that we've got a very very

2621

02:14:16,080 --> 02:14:12,550

very busy week here on fade to black

2622

02:14:17,460 --> 02:14:16,090

tomorrow night is Nick Redfern he's got

2623

02:14:20,160 --> 02:14:17,470

two books that he has just released

2624

02:14:22,830 --> 02:14:20,170

nearly back-to-back that we're going to

2625

02:14:25,350 --> 02:14:22,840

be discussing tomorrow night one is the

2626

02:14:28,370 --> 02:14:25,360

alien book a guide to extraterrestrial

2627

02:14:31,620 --> 02:14:28,380

beings here on earth and the second book

2628

02:14:33,150 --> 02:14:31,630

flying saucers from the Kremlin that is

2629

02:14:35,760 --> 02:14:33,160

going to surprise you

2630

02:14:37,710 --> 02:14:35,770

so we're gonna go deep into both of

2631

02:14:41,130 --> 02:14:37,720

these books tomorrow night with Nick

2632

02:14:46,620 --> 02:14:41,140

Redfern on Wednesday it is Richard Dolan

2633

02:14:48,690 --> 02:14:46,630

now Richards livestream and information

2634

02:14:50,250 --> 02:14:48,700

that he has been releasing over the last

2635

02:14:53,460 --> 02:14:50,260

couple of months have been pretty

2636

02:14:56,730 --> 02:14:53,470

intense so we're gonna try to get caught

2637

02:14:58,590 --> 02:14:56,740

up on all of that on Wednesday night

2638

02:15:02,310 --> 02:14:58,600

with Richard he just got back from

2639

02:15:04,590 --> 02:15:02,320

Toronto from the conference that went

2640

02:15:06,000 --> 02:15:04,600

down up there and I heard it was just

2641

02:15:08,850 --> 02:15:06,010

amazing so we'll talk a little bit about

2642

02:15:10,940 --> 02:15:08,860

that too as well what that what went

2643

02:15:13,260 --> 02:15:10,950

down in Toronto this past weekend

2644

02:15:16,260 --> 02:15:13,270

Thursday night is another Fator night

2645

02:15:19,320 --> 02:15:16,270

with open lines all night long my point

2646

02:15:22,080 --> 02:15:19,330

to the show tonight before I get out of

2647

02:15:25,260 --> 02:15:22,090

here is that Friday

2648

02:15:27,680 --> 02:15:25,270

nothing happened we were all on pins and

2649

02:15:30,780 --> 02:15:27,690

needles I was very nervous about

2650

02:15:32,939 --> 02:15:30,790

something getting out of control when

2651
02:15:37,859 --> 02:15:32,949
you go to I'm talking about the storm

2652
02:15:41,010 --> 02:15:37,869
area 51 event the the the the phenomena

2653
02:15:42,750 --> 02:15:41,020
that is flash mobs and suddenly you see

2654
02:15:45,330 --> 02:15:42,760
five hundred there were a thousand

2655
02:15:48,000 --> 02:15:45,340
people break into dance into a town

2656
02:15:50,459 --> 02:15:48,010
square that ten seconds before we're

2657
02:15:54,060 --> 02:15:50,469
just walking around acting normal that's

2658
02:15:58,530 --> 02:15:54,070
the part that I thought may materialize

2659
02:16:01,169 --> 02:15:58,540
out there north of Las Vegas I'm just

2660
02:16:04,950 --> 02:16:01,179
glad that that didn't go down and they

2661
02:16:06,600 --> 02:16:04,960
were ready they were ready but we got

2662
02:16:07,500 --> 02:16:06,610
through it it's another week it's

2663
02:16:09,750 --> 02:16:07,510

amazing

2664

02:16:13,109 --> 02:16:09,760

tonight whitley strieber thank you so

2665

02:16:14,760 --> 02:16:13,119

much unknown country dot-com tomorrow

2666

02:16:17,520 --> 02:16:14,770

night Nick Redfern Wednesday night

2667

02:16:20,129 --> 02:16:17,530

Richard Dolan Thursday night open lines

2668

02:16:22,830 --> 02:16:20,139

all night long because it is fate or

2669

02:16:25,970 --> 02:16:22,840

night fated blacks executive - oh I got

2670

02:16:29,160 --> 02:16:25,980

to give a big shout-out to Suzie Q

2671

02:16:34,799 --> 02:16:29,170

that's right Suzie cute Franky four

2672

02:16:36,330 --> 02:16:34,809

fingers playing Canasta with me on the

2673

02:16:38,009 --> 02:16:36,340

table it's pretty cool

2674

02:16:39,450 --> 02:16:38,019

hey the blacks executive producers

2675
