1  
00:00:16,670 --> 00:00:12,760

[Music]

2  
00:00:20,509 --> 00:00:16,680

this hope radio for the masses Atlanta

3  
00:00:22,880 --> 00:00:20,519

believe July 3 1947 the Army Air Forces

4  
00:00:24,890 --> 00:00:22,890

has announced on applying the - found

5  
00:00:26,570 --> 00:00:24,900

under now in the possession of the army

6  
00:00:30,740 --> 00:00:26,580

the game is rigged

7  
00:00:33,590 --> 00:00:30,750

changed the game changer I occasionally

8  
00:00:37,279 --> 00:00:33,600

think how quickly our differences

9  
00:00:42,740 --> 00:00:37,289

worldwide would vanish if we were facing

10  
00:00:47,990 --> 00:00:45,260

[Applause]

11  
00:00:50,990 --> 00:00:48,000

this is fade to black with your host

12  
00:00:53,960 --> 00:00:51,000

Ginny Church on the game changer radio

13  
00:00:58,029 --> 00:00:53,970

network and kera the Global Radio

14

00:01:03,160 --> 00:01:00,779

we need your help to get to the year

15

00:01:07,870 --> 00:01:03,170

1985

16

00:01:10,270 --> 00:01:07,880

[Music]

17

00:01:11,950 --> 00:01:10,280

to fade to black with Jimmy touch only

18

00:01:22,309 --> 00:01:11,960

game change in network

19

00:01:29,429 --> 00:01:22,319

[Music]

20

00:01:39,209 --> 00:01:29,439

good evening fade to black

21

00:01:43,160 --> 00:01:39,219

- spoke radio for the masses how you

22

00:01:44,280 --> 00:01:43,170

doing today's Tuesday September 24th

23

00:01:46,150 --> 00:01:44,290

2019

24

00:01:46,740 --> 00:01:46,160

[Music]

25

00:01:53,890 --> 00:01:46,750

[Applause]

26

00:01:58,100 --> 00:01:53,900

[Music]

27

00:02:00,800 --> 00:01:58,110

268 days into the new year just 97 days

28

00:02:03,240 --> 00:02:00,810

left we're live from a bunker somewhere

29

00:02:06,300 --> 00:02:03,250

in the middle of downtown

30

00:02:07,830 --> 00:02:06,310

Burbank California

31

00:02:09,570 --> 00:02:07,840

and I would like to welcome everybody

32

00:02:13,350 --> 00:02:09,580

listening all around the world all

33

00:02:16,290 --> 00:02:13,360

across the United States hither and

34

00:02:19,949 --> 00:02:16,300

thither to and fro back and forth up and

35

00:02:22,010 --> 00:02:19,959

down east and west north and south far

36

00:02:25,080 --> 00:02:22,020

and near

37

00:02:27,270 --> 00:02:25,090

this is fade to black for kjc are the

38

00:02:31,199 --> 00:02:27,280

game changer Network and K GRA the

39

00:02:35,550 --> 00:02:31,209

planet I am your host Amy Church what is

40

00:02:40,080 --> 00:02:35,560

crack and everybody how you doing how

41

00:02:43,140 --> 00:02:40,090

you doing all right yeah just opened it

42

00:02:48,360 --> 00:02:43,150

up live on the air this is Shawn

43

00:02:54,229 --> 00:02:48,370

Patrick's new album nice note here Thank

44

00:02:58,640 --> 00:02:54,239

You Shawn and be rocking this tomorrow I

45

00:03:00,960 --> 00:02:58,650

went through his Sean Patrick phase a

46

00:03:03,660 --> 00:03:00,970

couple of years ago we became friends

47

00:03:07,979 --> 00:03:03,670

and and I listened to his stuff for like

48

00:03:13,380 --> 00:03:07,989

a week straight and and I cannot wait

49

00:03:14,729 --> 00:03:13,390

once more hate me the new CD the rocking

50

00:03:16,770 --> 00:03:14,739

this tomorrow thank you so much Shawn

51  
00:03:18,390 --> 00:03:16,780  
and I know you're probably listening

52  
00:03:21,840 --> 00:03:18,400  
right now pop something up in Twitter

53  
00:03:25,920 --> 00:03:21,850  
and go dude right on right on

54  
00:03:27,840 --> 00:03:25,930  
okay big night tonight Nick Redfern is

55  
00:03:29,789 --> 00:03:27,850  
here we're going to talk about his two

56  
00:03:32,000 --> 00:03:29,799  
latest books the alien book a guide to

57  
00:03:34,949 --> 00:03:32,010  
extraterrestrial beings on earth and

58  
00:03:36,599 --> 00:03:34,959  
flying saucers from the Kremlin I would

59  
00:03:38,880 --> 00:03:36,609  
like to welcome back to fade to black

60  
00:03:42,210 --> 00:03:38,890  
Nick Redfern Nick good evening how are

61  
00:03:44,400 --> 00:03:42,220  
you hey Jimmy I'm good thanks how's it

62  
00:03:46,380 --> 00:03:44,410  
going I just want to know what's what

63  
00:03:49,830 --> 00:03:46,390

rock-and-roll shirt you have on right

64

00:03:51,750 --> 00:03:49,840

now you must have ESP I've actually got

65

00:03:54,270 --> 00:03:51,760

one on I've got a Motorhead eyes of an

66

00:03:55,650 --> 00:03:54,280

ace of spades oh that's what I'm talking

67

00:03:59,130 --> 00:03:55,660

about have you been to the rain have you

68

00:04:03,030 --> 00:03:59,140

been to the rainbow in Hollywood I have

69

00:04:05,400 --> 00:04:03,040

explained at least eight nine years ago

70

00:04:08,539 --> 00:04:05,410

something like that oh well they have

71

00:04:11,759 --> 00:04:08,549

put up you need to go again this year

72

00:04:13,860 --> 00:04:11,769

four we had our company party there last

73

00:04:15,119 --> 00:04:13,870

year we booked the whole Club by the way

74

00:04:18,270 --> 00:04:15,129

can you imagine that

75

00:04:19,340 --> 00:04:18,280

fade to black Christmas party at the

76

00:04:20,930 --> 00:04:19,350

rainbow

77

00:04:23,600 --> 00:04:20,940

we're gonna do it again this year you

78

00:04:27,020 --> 00:04:23,610

should come out because they have a

79

00:04:29,750 --> 00:04:27,030

Lemmy statue there yeah I've seen that

80

00:04:33,740 --> 00:04:29,760

actually funnily enough I've got it like

81

00:04:36,230 --> 00:04:33,750

a really cool photo of the statue with

82

00:04:39,800 --> 00:04:36,240

the light excuse me

83

00:04:42,830 --> 00:04:39,810

Rose me ellen guiley and who passed away

84

00:04:44,780 --> 00:04:42,840

just recently yes I think it was about

85

00:04:47,210 --> 00:04:44,790

four or five months ago she sent me a

86

00:04:49,220 --> 00:04:47,220

picture of her actually standing next to

87

00:04:51,020 --> 00:04:49,230

the the Lambie statue which was really

88

00:04:54,080 --> 00:04:51,030

cool well I want to take a picture of

89

00:04:56,630 --> 00:04:54,090

you standing next to the lemony statue

90

00:05:01,160 --> 00:04:56,640

all right yeah yeah do it let's do it

91

00:05:03,230 --> 00:05:01,170

the invitation is official so alright

92

00:05:05,090 --> 00:05:03,240

gotta fix my chair my chair keeps

93

00:05:07,670 --> 00:05:05,100

shrinking visit you know what we're

94

00:05:12,230 --> 00:05:07,680

gonna start off here a little bit

95

00:05:14,080 --> 00:05:12,240

strange tonight before this show not

96

00:05:16,670 --> 00:05:14,090

before the show before you came on I

97

00:05:22,030 --> 00:05:16,680

listed as somebody asked me for my

98

00:05:25,460 --> 00:05:22,040

favorite my top 10 list of UFO ET

99

00:05:27,410 --> 00:05:25,470

science fiction space films right okay

100

00:05:31,640 --> 00:05:27,420

my top 10 list and I couldn't put 10

101  
00:05:34,970 --> 00:05:31,650  
together I got 30 together before I get

102  
00:05:36,890 --> 00:05:34,980  
back to that a debate started here on

103  
00:05:40,850 --> 00:05:36,900  
Twitter a few minutes ago because I

104  
00:05:43,580 --> 00:05:40,860  
listed my number one film as 2001 a

105  
00:05:45,170 --> 00:05:43,590  
Space Odyssey and which I think

106  
00:05:47,630 --> 00:05:45,180  
qualifies as science fiction

107  
00:05:50,840 --> 00:05:47,640  
it could even qualify as a lean and or

108  
00:05:54,530 --> 00:05:50,850  
et but somebody tweeted mark out there

109  
00:05:59,720 --> 00:05:54,540  
in Australia said 2001 doesn't have

110  
00:06:01,340 --> 00:05:59,730  
aliens in it I'm like it doesn't so wait

111  
00:06:03,920 --> 00:06:01,350  
a minute here that's what the film is

112  
00:06:08,230 --> 00:06:03,930  
about I'm gonna throw that over to you

113  
00:06:14,870 --> 00:06:08,240

NIC is 2001 a Space Odyssey a film about

114

00:06:16,970 --> 00:06:14,880

contact with et well I mean ironically

115

00:06:19,910 --> 00:06:16,980

um through all the writing I do I'm not

116

00:06:23,990 --> 00:06:19,920

a big fan of size I really I like I love

117

00:06:26,540 --> 00:06:24,000

horror movies but but as far as 2001 is

118

00:06:28,820 --> 00:06:26,550

concerned I mean I thought that you know

119

00:06:31,520 --> 00:06:28,830

the beginning of the movie the whole

120

00:06:33,230 --> 00:06:31,530

point is is like this extraterrestrial

121

00:06:37,730 --> 00:06:33,240

monolith

122

00:06:41,090 --> 00:06:37,740

peers and sort of gives the primitive

123

00:06:44,420 --> 00:06:41,100

Apes some sort of advanced intelligence

124

00:06:47,900 --> 00:06:44,430

you know to allow for us to sign finally

125

00:06:51,290 --> 00:06:47,910

kind of start to create civilization you

126  
00:06:55,850 --> 00:06:51,300  
know so but yes I mean nobody's talking

127  
00:06:58,309 --> 00:06:55,860  
about Nick Redfern has spoken that's it

128  
00:07:00,890 --> 00:06:58,319  
that's it now when and I just want to

129  
00:07:02,480 --> 00:07:00,900  
throw this out there at you we were

130  
00:07:05,469 --> 00:07:02,490  
talking about this earlier today I've

131  
00:07:13,070 --> 00:07:05,479  
seen what appears to be a pretty massive

132  
00:07:16,810 --> 00:07:13,080  
dvd/cd collection in your home yeah it's

133  
00:07:22,189 --> 00:07:16,820  
an entire wall but you're a media guy

134  
00:07:24,140 --> 00:07:22,199  
well when you think of et alien type

135  
00:07:26,990 --> 00:07:24,150  
films and you're a writer this is what

136  
00:07:29,810 --> 00:07:27,000  
you do right you're journalists what

137  
00:07:37,189 --> 00:07:29,820  
would be the number-one film about

138  
00:07:40,040 --> 00:07:37,199

aliens or et for you oh wow you really

139

00:07:42,140 --> 00:07:40,050

put me on the spot now I'll tell you one

140

00:07:46,730 --> 00:07:42,150

that I did like and I don't think he's

141

00:07:48,860 --> 00:07:46,740

actually a massive movie was they lived

142

00:07:51,100 --> 00:07:48,870

John Carpenter's movie which was kind of

143

00:07:53,870 --> 00:07:51,110

like a satire on present-day society

144

00:07:55,730 --> 00:07:53,880

where you could only see the aliens if

145

00:07:57,499 --> 00:07:55,740

you're wearing these special sunglasses

146

00:08:02,659 --> 00:07:57,509

do you remember that one that came in it

147

00:08:08,689 --> 00:08:02,669

mine that's my number eight absolutely I

148

00:08:10,040 --> 00:08:08,699

think it's a documentary myself spot on

149

00:08:13,360 --> 00:08:10,050

the money I love it

150

00:08:17,810 --> 00:08:13,370

the soundtrack right the bass guitar

151  
00:08:21,409 --> 00:08:17,820  
Doonan doomed doomed right that's it so

152  
00:08:23,959 --> 00:08:21,419  
cool all the way through the whole movie

153  
00:08:26,240 --> 00:08:23,969  
I hope that guy got a good royalty check

154  
00:08:27,939 --> 00:08:26,250  
whoever played that bass part but yeah

155  
00:08:31,520 --> 00:08:27,949  
I'm with you on that they live is a

156  
00:08:34,490 --> 00:08:31,530  
rowdy roddy piper man it's just an

157  
00:08:37,279 --> 00:08:34,500  
incredible movie incredible so I'm with

158  
00:08:39,319 --> 00:08:37,289  
you on that my number my number three

159  
00:08:42,649 --> 00:08:39,329  
two and one

160  
00:08:46,970 --> 00:08:42,659  
my number three was Mars Attacks you

161  
00:08:49,910 --> 00:08:46,980  
know and a you know comedy but I really

162  
00:08:54,259 --> 00:08:49,920  
enjoyed it and my number two was

163  
00:08:57,110 --> 00:08:54,269

Forbidden Planet and yeah yeah it's just

164

00:09:00,110 --> 00:08:57,120

an incredible film so there you go all

165

00:09:02,240 --> 00:09:00,120

right so let's yeah go after say that

166

00:09:05,090 --> 00:09:02,250

probably right near the top of mine

167

00:09:08,720 --> 00:09:05,100

would be the the original Planet of the

168

00:09:10,939 --> 00:09:08,730

Apes a lot of that 100 Z I forgot that

169

00:09:12,860 --> 00:09:10,949

and you know what else you know what

170

00:09:15,560 --> 00:09:12,870

else I forgot on my list there are so

171

00:09:18,009 --> 00:09:15,570

many great films right but I started

172

00:09:21,590 --> 00:09:18,019

thinking about this after I was done

173

00:09:26,180 --> 00:09:21,600

silent running remember that with Bruce

174

00:09:27,889 --> 00:09:26,190

Dern from like 1972 I do but I don't

175

00:09:29,750 --> 00:09:27,899

think of actually saying it since I was

176

00:09:32,920 --> 00:09:29,760

a kid I honestly don't really remember

177

00:09:34,759 --> 00:09:32,930

it much okay okay yeah fair enough a

178

00:09:38,780 --> 00:09:34,769

great movie though

179

00:09:43,220 --> 00:09:38,790

great movie I think the soundtrack the

180

00:09:46,639 --> 00:09:43,230

hit song from that probably won an Oscar

181

00:09:49,129 --> 00:09:46,649

it's got to be the morning after was the

182

00:09:52,000 --> 00:09:49,139

the song from that I can't remember who

183

00:09:54,019 --> 00:09:52,010

sang that but it was a number one hit

184

00:09:58,220 --> 00:09:54,029

somebody will pop it up here in Twitter

185

00:10:01,430 --> 00:09:58,230

shortly now let's get let's kind of get

186

00:10:04,850 --> 00:10:01,440

straight to it before we get to the

187

00:10:07,460 --> 00:10:04,860

books I want to talk about the craziness

188

00:10:11,090 --> 00:10:07,470

that has been the last couple of months

189

00:10:17,540 --> 00:10:11,100

in the UFO community all the way through

190

00:10:21,530 --> 00:10:17,550

to from the the Navy saying that

191

00:10:23,960 --> 00:10:21,540

unidentified aerial phenomena is what is

192

00:10:26,150 --> 00:10:23,970

in these three videos that were released

193

00:10:28,910 --> 00:10:26,160

this year that was huge news

194

00:10:31,280 --> 00:10:28,920

for anybody that's in the UFO community

195

00:10:34,309 --> 00:10:31,290

to have the government step forward

196

00:10:36,860 --> 00:10:34,319

they didn't say UFOs but they didn't say

197

00:10:40,550 --> 00:10:36,870

you a piece that was big and then this

198

00:10:44,780 --> 00:10:40,560

craziness that was the storm area51

199

00:10:46,519 --> 00:10:44,790

event out there in at area 51 with a

200

00:10:49,579 --> 00:10:46,529

three million people signed up but

201  
00:10:52,400 --> 00:10:49,589  
nobody showed up for it but it was all

202  
00:10:55,519 --> 00:10:52,410  
over the media right what do you think

203  
00:10:59,689 --> 00:10:55,529  
about UFOs in the last couple of months

204  
00:11:00,860 --> 00:10:59,699  
in popular culture pretty exciting well

205  
00:11:04,430 --> 00:11:00,870  
I mean in terms

206  
00:11:06,680 --> 00:11:04,440  
the whole area 51 thing I think I don't

207  
00:11:08,390 --> 00:11:06,690  
if my views might be quite different to

208  
00:11:10,910 --> 00:11:08,400  
a lot of other people but I'll tell you

209  
00:11:12,890 --> 00:11:10,920  
what they are I mean from my perspective

210  
00:11:16,130 --> 00:11:12,900  
you know you can find a lot of

211  
00:11:19,700 --> 00:11:16,140  
information on area 51 you know on the

212  
00:11:21,620 --> 00:11:19,710  
internet in books etc you can track down

213  
00:11:24,920 --> 00:11:21,630

old-timers who work there and spoke to

214

00:11:27,350 --> 00:11:24,930

them and you know get a good picture of

215

00:11:30,470 --> 00:11:27,360

what was going on and what possibly is

216

00:11:34,010 --> 00:11:30,480

still going on but I have to say that

217

00:11:37,760 --> 00:11:34,020

personally I think encouraging people to

218

00:11:41,630 --> 00:11:37,770

storm US military bases is not the way

219

00:11:44,500 --> 00:11:41,640

to go my view is that you know if

220

00:11:47,000 --> 00:11:44,510

somebody said well let's get a you know

221

00:11:49,550 --> 00:11:47,010

something together where we a million

222

00:11:53,630 --> 00:11:49,560

people will try and storm the Pentagon

223

00:11:56,450 --> 00:11:53,640

you know people will be outraged and and

224

00:11:58,519 --> 00:11:56,460

quite rightly if somebody claims if

225

00:12:00,890 --> 00:11:58,529

somebody said they wanted to do that and

226

00:12:03,410 --> 00:12:00,900

let's get it going and I kind of view it

227

00:12:06,350 --> 00:12:03,420

just like that I mean just because area

228

00:12:10,280 --> 00:12:06,360

51 has this sort of cool mysterious UFO

229

00:12:15,050 --> 00:12:10,290

angle to it I don't believe at all that

230

00:12:18,829 --> 00:12:15,060

anyone should be trying to get people

231

00:12:20,990 --> 00:12:18,839

all enthused to storm a US military

232

00:12:24,730 --> 00:12:21,000

installation I mean that's just asking

233

00:12:28,880 --> 00:12:24,740

for major trouble you know I know and

234

00:12:32,180 --> 00:12:28,890

the do you and let's suppose and I

235

00:12:35,060 --> 00:12:32,190

totally agree you're spot on let's

236

00:12:38,210 --> 00:12:35,070

suppose 10,000 20,000 30,000 people you

237

00:12:40,610 --> 00:12:38,220

know did show up and and and attempted

238

00:12:43,310 --> 00:12:40,620

you know to storm those gates do you

239

00:12:46,340 --> 00:12:43,320

think that the Air Force the military

240

00:12:51,070 --> 00:12:46,350

police would have shot at American

241

00:12:53,900 --> 00:12:51,080

citizens inside of our nation's borders

242

00:12:55,940 --> 00:12:53,910

well I mean I don't know what it's hard

243

00:12:57,320 --> 00:12:55,950

to say but I mean one of the things I

244

00:13:00,440 --> 00:12:57,330

would say when you said you know we're

245

00:13:01,850 --> 00:13:00,450

shooting American citizens I mean I

246

00:13:03,800 --> 00:13:01,860

think probably one of the legitimate

247

00:13:05,930 --> 00:13:03,810

concerns that the government would have

248

00:13:08,690 --> 00:13:05,940

had is that well what if some of the

249

00:13:12,140 --> 00:13:08,700

people in that huge crowd

250

00:13:14,000 --> 00:13:12,150

we were actually inserted from foreign

251  
00:13:14,780 --> 00:13:14,010  
nations or whatever that might sound a

252  
00:13:17,150 --> 00:13:14,790  
bit paranoid

253  
00:13:19,250 --> 00:13:17,160  
but it's not over-the-top or impossible

254  
00:13:22,670 --> 00:13:19,260  
that there could have been you know

255  
00:13:25,970 --> 00:13:22,680  
people from some other nation seeded in

256  
00:13:28,040 --> 00:13:25,980  
you know playing the role of ufologists

257  
00:13:31,550 --> 00:13:28,050  
I mean that's something you know

258  
00:13:34,850 --> 00:13:31,560  
interesting and disturbing to to think

259  
00:13:37,100 --> 00:13:34,860  
about but I mean I just don't know what

260  
00:13:40,340 --> 00:13:37,110  
the response would be but I mean what I

261  
00:13:41,180 --> 00:13:40,350  
can say is that I mean if you go out to

262  
00:13:43,550 --> 00:13:41,190  
area 51

263  
00:13:46,010 --> 00:13:43,560

and you get just about as far as you can

264

00:13:48,440 --> 00:13:46,020

you know before the guards come along

265

00:13:50,720 --> 00:13:48,450

and turn you around I mean it makes it

266

00:13:53,540 --> 00:13:50,730

very clear that they have you know Chris

267

00:13:57,350 --> 00:13:53,550

skews me that they have the right to use

268

00:13:59,570 --> 00:13:57,360

deadly force and you know for the most

269

00:14:03,890 --> 00:13:59,580

part I'm sure they're thinking of one or

270

00:14:06,440 --> 00:14:03,900

two people at a time if you know figures

271

00:14:09,710 --> 00:14:06,450

in say five ten thousands of people

272

00:14:12,800 --> 00:14:09,720

really did try and storm the base I mean

273

00:14:15,470 --> 00:14:12,810

I shudder to think what the response

274

00:14:17,270 --> 00:14:15,480

would have been but all I would say for

275

00:14:19,090 --> 00:14:17,280

sure is that you know they have the

276

00:14:22,550 --> 00:14:19,100

right to shoot to kill

277

00:14:24,800 --> 00:14:22,560

so yeah well if you and I were out there

278

00:14:33,830 --> 00:14:24,810

you and a misfits shirt me and a van

279

00:14:36,440 --> 00:14:33,840

Halen shirt it that has a bad ending you

280

00:14:39,020 --> 00:14:36,450

know and I've teased about it over the

281

00:14:41,450 --> 00:14:39,030

years way before this store Mary fifty

282

00:14:42,800 --> 00:14:41,460

one thing and I used to joke with Rita

283

00:14:44,210 --> 00:14:42,810

you know I would like to go out there

284

00:14:46,510 --> 00:14:44,220

and get arrested and take one for the

285

00:14:48,860 --> 00:14:46,520

team and see how far I could get inside

286

00:14:51,140 --> 00:14:48,870

you know that they wouldn't do anything

287

00:14:54,230 --> 00:14:51,150

but you know I say that kind of stuff in

288

00:14:56,240 --> 00:14:54,240

jest I'm just joking around the signs

289

00:14:59,540 --> 00:14:56,250  
are clearly posted I have one right here

290

00:15:00,770 --> 00:14:59,550  
in the studio right from area 51 I know

291

00:15:04,160 --> 00:15:00,780  
hold it up to the camera

292

00:15:07,730 --> 00:15:04,170  
and it says use of deadly force right

293

00:15:10,340 --> 00:15:07,740  
right there I mean so they've done their

294

00:15:12,920 --> 00:15:10,350  
part they've warned you and if you're

295

00:15:15,620 --> 00:15:12,930  
you know if you're not smart enough to

296

00:15:19,370 --> 00:15:15,630  
read and you walk past this sign well

297

00:15:21,290 --> 00:15:19,380  
it's on you it's on you yeah yeah I

298

00:15:23,150 --> 00:15:21,300  
think the other angle which is like

299

00:15:28,280 --> 00:15:23,160  
almost like more like a pop-culture

300

00:15:31,550 --> 00:15:28,290  
angle is that you know area 51 you

301

00:15:33,769 --> 00:15:31,560

don't have to be involved in ufology to

302

00:15:36,410 --> 00:15:33,779

know what area 51 is I mean you could

303

00:15:38,509 --> 00:15:36,420

ask somebody the guy down the street who

304

00:15:40,610 --> 00:15:38,519

might have no interest in UFOs

305

00:15:42,769 --> 00:15:40,620

whatsoever knows nothing about this

306

00:15:45,470 --> 00:15:42,779

object but if you were to say to him

307

00:15:47,480 --> 00:15:45,480

what's area 51 he would say oh that's

308

00:15:50,420 --> 00:15:47,490

that place out in the in the desert

309

00:15:54,199 --> 00:15:50,430

where the UFOs are everybody knows about

310

00:15:57,410 --> 00:15:54,209

it so in other words certainly in the

311

00:16:01,160 --> 00:15:57,420

last year or two area 51 has become part

312

00:16:04,819 --> 00:16:01,170

of or like a block a piece of Americana

313

00:16:08,600 --> 00:16:04,829

almost you know it's become a little bit

314

00:16:10,730 --> 00:16:08,610

of not just American history but but

315

00:16:14,689 --> 00:16:10,740

like pop culture itself quite literally

316

00:16:17,059 --> 00:16:14,699

and you know I find that intriguing that

317

00:16:20,689 --> 00:16:17,069

aspects of the UFO phenomena are now

318

00:16:23,870 --> 00:16:20,699

kind of seeping into the regular world

319

00:16:25,879 --> 00:16:23,880

outside of ufology and I think that's

320

00:16:28,509 --> 00:16:25,889

also the case you know with the whole

321

00:16:31,610 --> 00:16:28,519

issue when you brought up about the Navy

322

00:16:35,569 --> 00:16:31,620

I mean you know we were told

323

00:16:38,329 --> 00:16:35,579

up until the least late 2017 when the

324

00:16:40,579 --> 00:16:38,339

story broke about a tip and you know the

325

00:16:43,879 --> 00:16:40,589

secret investigations into UFOs which

326

00:16:46,519 --> 00:16:43,889

appeared in the New York Times you know

327

00:16:50,000 --> 00:16:46,529

up until that point we've been told the

328

00:16:53,150 --> 00:16:50,010

UFO research has been shut down in 1969

329

00:16:56,090 --> 00:16:53,160

when Project Blue Book was cancelled and

330

00:16:57,290 --> 00:16:56,100

the debunkers and the skeptics said see

331

00:16:59,750 --> 00:16:57,300

there's you know they're not doing any

332

00:17:02,300 --> 00:16:59,760

research there's no more projects or

333

00:17:05,539 --> 00:17:02,310

programs or operations going on and then

334

00:17:09,020 --> 00:17:05,549

we suddenly found like 2017 there

335

00:17:10,549 --> 00:17:09,030

actually was a highly classified program

336

00:17:14,120 --> 00:17:10,559

which was doing all sorts of

337

00:17:15,890 --> 00:17:14,130

extraordinary research and so this is

338

00:17:20,199 --> 00:17:15,900

another example kind of similar to the

339

00:17:24,169 --> 00:17:20,209

area 51 thing where the media the press

340

00:17:29,360 --> 00:17:24,179

and the public sat up and took notice of

341

00:17:32,510 --> 00:17:29,370

this sudden revelation that yes there is

342

00:17:34,669 --> 00:17:32,520

an ongoing UFO program so what I'm

343

00:17:40,520 --> 00:17:34,679

finding is something really interesting

344

00:17:41,770 --> 00:17:40,530

is ufology is being expanded by in

345

00:17:43,780 --> 00:17:41,780

innovation

346

00:17:46,470 --> 00:17:43,790

by the Navy you know the Navy are

347

00:17:49,390 --> 00:17:46,480

bringing attention to this phenomena and

348

00:17:53,260 --> 00:17:49,400

more and more people outside of our

349

00:17:57,100 --> 00:17:53,270

field are listening and watching so you

350

00:17:59,770 --> 00:17:57,110

know it demonstrates that those things

351

00:18:01,840 --> 00:17:59,780

are going on that I think we're not

352

00:18:05,680 --> 00:18:01,850

seeing the full picture you know I think

353

00:18:06,820 --> 00:18:05,690

what we're getting when the Navy you

354

00:18:09,160 --> 00:18:06,830

know know a tip and all these

355

00:18:12,910 --> 00:18:09,170

revelations are coming out now I'm not

356

00:18:15,550 --> 00:18:12,920

saying it's full-blown disclosure but I

357

00:18:17,920 --> 00:18:15,560

think at least I just have a vibe of

358

00:18:19,990 --> 00:18:17,930

failing that this particular group and

359

00:18:22,540 --> 00:18:20,000

possibly other groups as well they're

360

00:18:24,220 --> 00:18:22,550

investigating the subjects are not just

361

00:18:26,290 --> 00:18:24,230

putting this information out because

362

00:18:30,550 --> 00:18:26,300

they feel it's in the public's interest

363

00:18:33,220 --> 00:18:30,560

but I think they're also addressing and

364

00:18:35,530 --> 00:18:33,230  
trying to gauge how the public is

365

00:18:39,280 --> 00:18:35,540  
responding to all this and other media's

366

00:18:41,980 --> 00:18:39,290  
responding and maybe you know that does

367

00:18:44,440 --> 00:18:41,990  
have a bearing on disclosure you know

368

00:18:45,940 --> 00:18:44,450  
the idea of well let's put a little bit

369

00:18:48,970 --> 00:18:45,950  
more out for them to say a little bit

370

00:18:51,730 --> 00:18:48,980  
more and see how the public listens and

371

00:18:54,550 --> 00:18:51,740  
sees and what they think about it so I

372

00:18:56,950 --> 00:18:54,560  
think there's an agenda that goes beyond

373

00:19:00,340 --> 00:18:56,960  
just investigating UFOs I think part of

374

00:19:03,100 --> 00:19:00,350  
it is is to figure out how everybody's

375

00:19:05,890 --> 00:19:03,110  
thinking about it you know well okay I

376

00:19:10,030 --> 00:19:05,900

don't say this ingest I say this because

377

00:19:14,950 --> 00:19:10,040

this is who you are you are somebody

378

00:19:18,520 --> 00:19:14,960

that would wear a DRI or misfit shirt

379

00:19:23,470 --> 00:19:18,530

right that you are part of a culture

380

00:19:26,290 --> 00:19:23,480

that is anti-establishment and certainly

381

00:19:30,310 --> 00:19:26,300

doesn't trust the man right that's

382

00:19:32,200 --> 00:19:30,320

that's that's it in your opinion are you

383

00:19:35,020 --> 00:19:32,210

saying that we should trust the man

384

00:19:39,220 --> 00:19:35,030

right now the Navy and the Pentagon to a

385

00:19:44,500 --> 00:19:39,230

certain degree or you know I want to be

386

00:19:47,530 --> 00:19:44,510

really clear here well my view actually

387

00:19:50,380 --> 00:19:47,540

is that someone on the inside or an

388

00:19:52,930 --> 00:19:50,390

agency or a think tank of a group inside

389

00:19:55,600 --> 00:19:52,940

government or the intelligence community

390

00:19:58,740 --> 00:19:55,610

I I was never really a big

391

00:20:02,140 --> 00:19:58,750

supporter of disclosure I'll just

392

00:20:04,120 --> 00:20:02,150

paraphrase this first because I was I

393

00:20:06,220 --> 00:20:04,130

got sick and tired of hearing certain

394

00:20:08,260 --> 00:20:06,230

people into the disclosure movement

395

00:20:11,110 --> 00:20:08,270

saying you know I've been told by

396

00:20:13,000 --> 00:20:11,120

high-ranking source the disclosures

397

00:20:15,789 --> 00:20:13,010

coming next month or three months down

398

00:20:18,820 --> 00:20:15,799

the line or I've been told it's coming

399

00:20:20,860 --> 00:20:18,830

you know nine months from now or you

400

00:20:22,780 --> 00:20:20,870

know it's coming at 3:30 or next

401  
00:20:24,460 --> 00:20:22,790  
thursday afternoon that kind of thing

402  
00:20:26,970 --> 00:20:24,470  
you know right I got sick and tired of

403  
00:20:29,230 --> 00:20:26,980  
the whole kind of the boy who cried wolf

404  
00:20:31,930 --> 00:20:29,240  
scenario you know he cries too many

405  
00:20:34,830 --> 00:20:31,940  
times and the wolf doesn't you know

406  
00:20:38,470 --> 00:20:34,840  
nobody comes and then the wolf kills him

407  
00:20:40,450 --> 00:20:38,480  
so but now I won't say my views have

408  
00:20:44,409 --> 00:20:40,460  
changed on disclosure but what I would

409  
00:20:47,740 --> 00:20:44,419  
say is that I do think now or at least I

410  
00:20:50,049 --> 00:20:47,750  
suspect that there is a genuine group

411  
00:20:55,120 --> 00:20:50,059  
within government's think-tank like I

412  
00:20:57,730 --> 00:20:55,130  
said whatever that is assessing how the

413  
00:21:01,210 --> 00:20:57,740

public are of themselves assessing all

414

00:21:05,140 --> 00:21:01,220

this and how much information should be

415

00:21:06,900 --> 00:21:05,150

put out and so I think I think what

416

00:21:10,780 --> 00:21:06,910

we've seen is like a very mature

417

00:21:13,630 --> 00:21:10,790

psychological based operation to try and

418

00:21:17,440 --> 00:21:13,640

and see where this can all lead and I

419

00:21:20,799 --> 00:21:17,450

think possibly there is a good a good

420

00:21:23,799 --> 00:21:20,809

possibility that somebody might be

421

00:21:28,690 --> 00:21:23,809

thinking about revealing something

422

00:21:33,360 --> 00:21:28,700

really powerful or a major speed is

423

00:21:37,330 --> 00:21:33,370

designed to you know sort of make it a

424

00:21:38,860 --> 00:21:37,340

hoax and you know yearnings collapse you

425

00:21:41,799 --> 00:21:38,870

know it could go the other way but I

426  
00:21:43,780 --> 00:21:41,809  
don't think it's just about UFO research

427  
00:21:46,510 --> 00:21:43,790  
I think a lot of it as like a

428  
00:21:50,460 --> 00:21:46,520  
sociological kind of aspect to it as

429  
00:21:52,240 --> 00:21:50,470  
well do you with all of your

430  
00:21:56,320 --> 00:21:52,250  
presentations you've been a part of the

431  
00:22:00,940 --> 00:21:56,330  
UFO community for a very long time with

432  
00:22:06,400 --> 00:22:00,950  
your interactions and your knowledge do

433  
00:22:08,490 --> 00:22:06,410  
you think that there may be some missing

434  
00:22:12,630 --> 00:22:08,500  
foe or disinfo

435  
00:22:15,210 --> 00:22:12,640  
that is going on from inside of the UFO

436  
00:22:17,730 --> 00:22:15,220  
community and that what is going on

437  
00:22:22,049 --> 00:22:17,740  
right now the psychological test may be

438  
00:22:24,750 --> 00:22:22,059

a part of it well yeah I mean I think

439

00:22:27,620 --> 00:22:24,760

within the UFO community I mean we're

440

00:22:29,880 --> 00:22:27,630

always you know in a position where

441

00:22:33,299 --> 00:22:29,890

somebody might feed us something

442

00:22:35,039 --> 00:22:33,309

disinformation you know lies twisted

443

00:22:36,840 --> 00:22:35,049

stories you know to push us down a

444

00:22:42,630 --> 00:22:36,850

different path I mean that's gone on

445

00:22:45,210 --> 00:22:42,640

since 1947 you know uh so it wouldn't

446

00:22:48,899 --> 00:22:45,220

surprise me if there is something like

447

00:22:51,840 --> 00:22:48,909

that going a lying you know you know in

448

00:22:55,649 --> 00:22:51,850

terms of stories that may not be true

449

00:22:58,200 --> 00:22:55,659

rumors that may not be true and you know

450

00:22:59,789 --> 00:22:58,210

we're forced to try and figure out you

451

00:23:02,640 --> 00:22:59,799

know where the truth and the

452

00:23:05,490 --> 00:23:02,650

misinformation kind of pass and blend

453

00:23:08,750 --> 00:23:05,500

together possibly even and I think very

454

00:23:11,640 --> 00:23:08,760

often people in ufology is sometimes

455

00:23:13,260 --> 00:23:11,650

guilty I've just seen it as black and

456

00:23:16,740 --> 00:23:13,270

white that yes the government's

457

00:23:19,620 --> 00:23:16,750

investigating UFOs and we now know that

458

00:23:21,630 --> 00:23:19,630

we did that they're doing it but the

459

00:23:24,299 --> 00:23:21,640

more you look into it you know there are

460

00:23:27,240 --> 00:23:24,309

a lot of other aspects to it as well and

461

00:23:29,820 --> 00:23:27,250

I think very often the the weird and

462

00:23:32,850 --> 00:23:29,830

more manipulative side of the subject is

463

00:23:37,190 --> 00:23:32,860

very often overlooked or people don't

464

00:23:41,909 --> 00:23:37,200

necessarily even understand what it is

465

00:23:44,130 --> 00:23:41,919

so yeah you know I'll think everything

466

00:23:47,010 --> 00:23:44,140

that's going on right now in ufology is

467

00:23:49,730 --> 00:23:47,020

sort of shrouded in uncertainty whether

468

00:23:52,350 --> 00:23:49,740

it's the area 51 thing you know which

469

00:23:55,260 --> 00:23:52,360

which was like unheard or have you know

470

00:23:58,049 --> 00:23:55,270

this young guy just you know posted this

471

00:24:01,200 --> 00:23:58,059

thing and then everybody wants to storm

472

00:24:03,899 --> 00:24:01,210

the base you know and and then we've got

473

00:24:06,240 --> 00:24:03,909

like a tip you know all these amazing

474

00:24:09,029 --> 00:24:06,250

revelations and footage and we're in an

475

00:24:11,029 --> 00:24:09,039

era of ufology which we've never really

476

00:24:15,480 --> 00:24:11,039

seen it like this before I don't think

477

00:24:17,880 --> 00:24:15,490

it's it's been a pretty fun ride this

478

00:24:21,570 --> 00:24:17,890

last couple of years and the reason why

479

00:24:22,280 --> 00:24:21,580

I take that position is that because all

480

00:24:25,710 --> 00:24:22,290

of us

481

00:24:28,320 --> 00:24:25,720

yourself included have been chasing the

482

00:24:32,790 --> 00:24:28,330

UFO question for a very long time and

483

00:24:35,550 --> 00:24:32,800

trying to get two answers and it was

484

00:24:38,130 --> 00:24:35,560

always just over there like you said

485

00:24:40,830 --> 00:24:38,140

right three months six months three

486

00:24:42,570 --> 00:24:40,840

months next year but it's coming where

487

00:24:45,570 --> 00:24:42,580

it we're close and then all of the

488

00:24:49,740 --> 00:24:45,580

sudden this this last couple of years

489

00:24:52,080 --> 00:24:49,750

it's been very very easy to sit back and

490

00:24:55,650 --> 00:24:52,090

go okay it you know it's like a relief

491

00:24:59,070 --> 00:24:55,660

that this is this time this time around

492

00:25:01,410 --> 00:24:59,080

Nick it's nearly tangible right I think

493

00:25:03,360 --> 00:25:01,420

we can all feel some movement going

494

00:25:08,220 --> 00:25:03,370

forward do you feel the same thing I'm

495

00:25:11,490 --> 00:25:08,230

talking about oh yeah I think all that

496

00:25:13,800 --> 00:25:11,500

we're saying now is going it's going

497

00:25:16,710 --> 00:25:13,810

ahead with a purpose mm-hmm you know and

498

00:25:18,810 --> 00:25:16,720

there's gonna be you know a final points

499

00:25:21,990 --> 00:25:18,820

of what's going down you know but the

500

00:25:24,660 --> 00:25:22,000

big question is well what is these of

501  
00:25:29,070 --> 00:25:24,670  
the modus operandi you know what is the

502  
00:25:33,510 --> 00:25:29,080  
ultimate goal is it to confuse confuse

503  
00:25:38,310 --> 00:25:33,520  
security confuse us even more is it to

504  
00:25:39,810 --> 00:25:38,320  
give us disclosure or is it to possibly

505  
00:25:42,510 --> 00:25:39,820  
even this might sound a little bit

506  
00:25:45,720 --> 00:25:42,520  
paranoid but you know if there's some

507  
00:25:49,410 --> 00:25:45,730  
sort of rogue organization that make one

508  
00:25:51,750 --> 00:25:49,420  
a stage UFO events you know as possibly

509  
00:25:54,180 --> 00:25:51,760  
as a means to sort of create more and

510  
00:25:59,090 --> 00:25:54,190  
more fear in the world you know I mean

511  
00:26:01,770 --> 00:25:59,100  
the idea of a bogus you know a faked

512  
00:26:04,860 --> 00:26:01,780  
alien event that kind of thing another

513  
00:26:07,830 --> 00:26:04,870

you know another way to take away a few

514

00:26:10,200 --> 00:26:07,840

of our rights etc well anything is

515

00:26:14,190 --> 00:26:10,210

possible right one thing I have learned

516

00:26:16,650 --> 00:26:14,200

I will never be surprised when it comes

517

00:26:20,520 --> 00:26:16,660

to the UFO question anything is possible

518

00:26:22,470 --> 00:26:20,530

and I don't know how it is going to

519

00:26:24,990 --> 00:26:22,480

continue to play out but I also know

520

00:26:28,260 --> 00:26:25,000

that the United States isn't the only

521

00:26:31,890 --> 00:26:28,270

player here this is a global thing there

522

00:26:33,600 --> 00:26:31,900

are plenty of state actors here and when

523

00:26:34,940 --> 00:26:33,610

we come back we're going to talk about

524

00:26:37,370 --> 00:26:34,950

your new book

525

00:26:38,899 --> 00:26:37,380

flying saucers from the Kremlin because

526

00:26:43,580 --> 00:26:38,909

he bring up a couple of points in this

527

00:26:46,340 --> 00:26:43,590

book that even for me with an open mind

528

00:26:48,620 --> 00:26:46,350

didn't consider and I had to step back

529

00:26:50,480 --> 00:26:48,630

and go Nick Nick may be on to something

530

00:26:52,789 --> 00:26:50,490

here and it's not the first time that

531

00:26:56,299 --> 00:26:52,799

you've done this to me by the way it's

532

00:27:01,700 --> 00:26:56,309

not the first time I remember I remember

533

00:27:04,070 --> 00:27:01,710

five years ago you were I was hosting a

534

00:27:06,740 --> 00:27:04,080

panel you were on it and I turned to the

535

00:27:07,789 --> 00:27:06,750

crowd when I introduced you I don't know

536

00:27:10,220 --> 00:27:07,799

if you remember this boat but I

537

00:27:12,529 --> 00:27:10,230

introduced you I made a confession and I

538

00:27:16,279 --> 00:27:12,539

said Nick is where I get all of my new

539

00:27:18,769 --> 00:27:16,289

stuff from I go and I and I read Nick

540

00:27:22,430 --> 00:27:18,779

stuff and I've got things to talk about

541

00:27:25,580 --> 00:27:22,440

and and do you remember that moment when

542

00:27:28,490 --> 00:27:25,590

I said that was that when we were in the

543

00:27:30,889 --> 00:27:28,500

desert they may have been yes yeah I

544

00:27:33,049 --> 00:27:30,899

remember because I remember it was

545

00:27:39,430 --> 00:27:33,059

roasting and like people were dropping

546

00:27:42,169 --> 00:27:39,440

like flies in the audience laughing yeah

547

00:27:44,210 --> 00:27:42,179

and you did it once again in this book

548

00:27:46,190 --> 00:27:44,220

and we will talk about it when we come

549

00:27:48,620 --> 00:27:46,200

back after this short break our guest

550

00:27:49,460 --> 00:27:48,630

tonight Nick Redfern I am your host

551  
00:27:51,409 --> 00:27:49,470  
Jimmy Church

552  
00:27:53,360 --> 00:27:51,419  
this is fade to black now you can follow

553  
00:27:56,870 --> 00:27:53,370  
me on twitter IG a church radio Nick

554  
00:27:59,779 --> 00:27:56,880  
what's your Twitter Nick Redfern UFO

555  
00:28:01,159 --> 00:27:59,789  
Nick Redfern UFO I just wanted to hear

556  
00:28:02,509 --> 00:28:01,169  
you say it we've got it up there on

557  
00:28:04,250 --> 00:28:02,519  
Twitter right now we'll be right back

558  
00:28:15,350 --> 00:28:04,260  
after this short break stay with us

559  
00:28:26,460 --> 00:28:24,200  
[Music]

560  
00:28:28,670 --> 00:28:26,470  
welcome back fade to black our mystery

561  
00:28:32,250 --> 00:28:28,680  
Church our guest tonight Nick Redfern

562  
00:28:34,440 --> 00:28:32,260  
there's two latest books the alien book

563  
00:28:36,240 --> 00:28:34,450

a guide to extraterrestrial beings on

564

00:28:38,130 --> 00:28:36,250

earth and flying saucers from the

565

00:28:40,410 --> 00:28:38,140

Kremlin of the subject of this show

566

00:28:43,350 --> 00:28:40,420

tonight we're gonna start with flying

567

00:28:44,910 --> 00:28:43,360

saucers from the Kremlin and I was

568

00:28:49,410 --> 00:28:44,920

actually thinking about flipping it

569

00:28:50,700 --> 00:28:49,420

around but and starting with the alien

570

00:28:54,260 --> 00:28:50,710

book but we're gonna start with the

571

00:28:59,160 --> 00:28:54,270

Kremlin and the reason for that Nick is

572

00:29:01,170 --> 00:28:59,170

after reading the book I thought that we

573

00:29:02,910 --> 00:29:01,180

had crazy town here in the United States

574

00:29:08,250 --> 00:29:02,920

when it came to the Hyuga folk question

575

00:29:10,710 --> 00:29:08,260

right I really did and it seems I want

576

00:29:13,310 --> 00:29:10,720

your to start with your opinion and and

577

00:29:17,160 --> 00:29:13,320

why you chose to write this book because

578

00:29:21,390 --> 00:29:17,170

they've got the same issues if not more

579

00:29:25,770 --> 00:29:21,400

than what goes on here with UFO research

580

00:29:28,560 --> 00:29:25,780

in the United States right well yeah the

581

00:29:30,960 --> 00:29:28,570

book it's probably probably the most

582

00:29:34,620 --> 00:29:30,970

well one of the most controversial books

583

00:29:37,560 --> 00:29:34,630

I've written and basically it's a study

584

00:29:41,190 --> 00:29:37,570

of how throughout the entire Cold War

585

00:29:43,980 --> 00:29:41,200

the Russians tried to use the UFO

586

00:29:46,980 --> 00:29:43,990

subject as a means of like psychological

587

00:29:51,060 --> 00:29:46,990

warfare and to sort of create hysteria

588

00:29:52,800 --> 00:29:51,070

and paranoia in the United States and of

589

00:29:55,700 --> 00:29:52,810

course the big question is you know what

590

00:29:58,380 --> 00:29:55,710

prompted this and how did they decide to

591

00:29:59,100 --> 00:29:58,390

sort of hijack if you like a real

592

00:30:01,260 --> 00:29:59,110

phenomenon

593

00:30:02,220 --> 00:30:01,270

you know the genuine UFO phenomena which

594

00:30:05,460 --> 00:30:02,230

we know exists

595

00:30:08,790 --> 00:30:05,470

but the Russians hijacked if you like

596

00:30:12,860 --> 00:30:08,800

the phenomenon and used it as sort of a

597

00:30:15,330 --> 00:30:12,870

tool of psychological warfare and

598

00:30:17,420 --> 00:30:15,340

destabilization I'll give you a sort of

599

00:30:20,040 --> 00:30:17,430

classic example of what I mean by this

600

00:30:23,310 --> 00:30:20,050

one of the earliest things I talk about

601  
00:30:26,790 --> 00:30:23,320  
in the book is the saga of George

602  
00:30:29,670 --> 00:30:26,800  
Adamski now Adamski as you know was one

603  
00:30:32,160 --> 00:30:29,680  
of the early so-called contactees you

604  
00:30:35,310 --> 00:30:32,170  
know we hear a lot about the abductees

605  
00:30:37,170 --> 00:30:35,320  
today but back in the early 50s it was

606  
00:30:39,840 --> 00:30:37,180  
the contactees people

607  
00:30:42,600 --> 00:30:39,850  
who claimed that they'd been contacted

608  
00:30:45,660 --> 00:30:42,610  
by very human looking aliens out in

609  
00:30:51,390 --> 00:30:45,670  
desert locations like Utah New Mexico

610  
00:30:53,910 --> 00:30:51,400  
California and so on and typically these

611  
00:30:56,370 --> 00:30:53,920  
people who were sort of targeted by the

612  
00:30:58,560 --> 00:30:56,380  
aliens were told you know you're going

613  
00:31:00,600 --> 00:30:58,570

to be sort of one of our disciples

614

00:31:03,720 --> 00:31:00,610

almost if you like and we want you to go

615

00:31:06,060 --> 00:31:03,730

out and spread the word but you know you

616

00:31:08,220 --> 00:31:06,070

need to the earth needs to lay down its

617

00:31:11,730 --> 00:31:08,230

atomic weapons and everybody needs to

618

00:31:15,810 --> 00:31:11,740

live in peace now George Adamski sort of

619

00:31:19,710 --> 00:31:15,820

really embraced that scenario and wrote

620

00:31:21,960 --> 00:31:19,720

a book called flying saucers what was he

621

00:31:27,960 --> 00:31:21,970

called now flight sources have handed

622

00:31:31,350 --> 00:31:27,970

and Adamski his book co-written with

623

00:31:34,080 --> 00:31:31,360

with a colleague basically the the sales

624

00:31:37,770 --> 00:31:34,090

went through the roof in no time at all

625

00:31:40,100 --> 00:31:37,780

it's sold 125,000 copies now at the time

626

00:31:43,020 --> 00:31:40,110

when he was lecturing about his book

627

00:31:45,960 --> 00:31:43,030

Adamski was telling the audience that

628

00:31:49,590 --> 00:31:45,970

the space brothers which were these

629

00:31:52,170 --> 00:31:49,600

which was the title for these very human

630

00:31:54,690 --> 00:31:52,180

looking aliens the space brothers

631

00:31:57,120 --> 00:31:54,700

according to Adamski were were

632

00:32:00,570 --> 00:31:57,130

communists or they had a government very

633

00:32:03,720 --> 00:32:00,580

similar to communism and he also spoke

634

00:32:06,840 --> 00:32:03,730

on the lecture circuit quite visibly and

635

00:32:10,380 --> 00:32:06,850

openly saying that the the Russians

636

00:32:13,200 --> 00:32:10,390

would basically defeat the West and then

637

00:32:14,910 --> 00:32:13,210

to be to quote from him a thousand years

638

00:32:19,550 --> 00:32:14,920

of peace a lot of people don't realize

639

00:32:23,430 --> 00:32:19,560

how strongly Adamski bought into

640

00:32:26,750 --> 00:32:23,440

communism and now the FBI got very

641

00:32:28,830 --> 00:32:26,760

interested and very concerned about

642

00:32:30,780 --> 00:32:28,840

Adamski's lectures and how he was

643

00:32:33,300 --> 00:32:30,790

putting this communist slant on it and

644

00:32:35,910 --> 00:32:33,310

what he did ask him what the FBI did was

645

00:32:39,810 --> 00:32:35,920

to open a file on him and just to give

646

00:32:43,800 --> 00:32:39,820

you an idea of how deeply and widely the

647

00:32:46,080 --> 00:32:43,810

FBI kept an eye on Adamski

648

00:32:48,780 --> 00:32:46,090

not too long ago they finally released

649

00:32:50,880 --> 00:32:48,790

every single page they have on a damn

650

00:32:53,580 --> 00:32:50,890

ski surveillance files

651

00:32:57,289 --> 00:32:53,590

and it turned out it was just over 400

652

00:33:00,060 --> 00:32:57,299

pages of FBI surveillance documents on

653

00:33:03,270 --> 00:33:00,070

Adamski that demonstrates just how much

654

00:33:05,370 --> 00:33:03,280

they watched him now if Adamski had just

655

00:33:07,830 --> 00:33:05,380

been lecturing so shall we say on a

656

00:33:09,960 --> 00:33:07,840

Sunday afternoon in a local library and

657

00:33:12,690 --> 00:33:09,970

there was five people and somebody's dog

658

00:33:14,370 --> 00:33:12,700

and cat in the audience you know the FBI

659

00:33:16,350 --> 00:33:14,380

wouldn't have wouldn't have bothered

660

00:33:18,960 --> 00:33:16,360

they wouldn't have cared but the fact

661

00:33:20,460 --> 00:33:18,970

that this man was selling his book in a

662

00:33:23,549 --> 00:33:20,470

hundred and twenty five thousand copies

663

00:33:27,150 --> 00:33:23,559

and was saying that communism was good

664

00:33:30,539 --> 00:33:27,160

the aliens are communists the FBI came

665

00:33:33,530 --> 00:33:30,549

around to the suspicion the Adamski had

666

00:33:36,390 --> 00:33:33,540

been sort of recruited to in effect

667

00:33:39,419 --> 00:33:36,400

spread communism in the United States

668

00:33:40,110 --> 00:33:39,429

but to do it under the banner of the UFO

669

00:33:46,409 --> 00:33:40,120

subject

670

00:33:50,610 --> 00:33:46,419

ouch-ouch especially back then oh right

671

00:33:52,440 --> 00:33:50,620

and and it wasn't it wasn't just one

672

00:33:56,400 --> 00:33:52,450

specific thing with the damn ski either

673

00:33:59,010 --> 00:33:56,410

he was popular in Europe he allegedly

674

00:34:00,240 --> 00:33:59,020

didn't he meet the Pope right or he says

675

00:34:03,030 --> 00:34:00,250

he did well yeah

676

00:34:05,430 --> 00:34:03,040

allegedly he met the Pope and he made a

677

00:34:08,280 --> 00:34:05,440

lot of sort of grand claims and things

678

00:34:11,010 --> 00:34:08,290

like this but the important thing to

679

00:34:13,950 --> 00:34:11,020

know you know is that how how

680

00:34:17,070 --> 00:34:13,960

influential the whole space brother

681

00:34:19,770 --> 00:34:17,080

contactee movement was at that time I

682

00:34:21,359 --> 00:34:19,780

mean give you a good example in case you

683

00:34:24,090 --> 00:34:21,369

know for the listeners who may not know

684

00:34:26,490 --> 00:34:24,100

I mean you probably agree with me that

685

00:34:28,169 --> 00:34:26,500

most UFO conferences you get in audience

686

00:34:30,389 --> 00:34:28,179

roundabouts use about four to five

687

00:34:33,840 --> 00:34:30,399

hundred something like that

688

00:34:35,609 --> 00:34:33,850

well back in the early 1950s one of the

689

00:34:39,030 --> 00:34:35,619

other contactees

690

00:34:41,669 --> 00:34:39,040

George Van Tassel put on a regular UFO

691

00:34:44,730 --> 00:34:41,679

conference out in the California desert

692

00:34:47,070 --> 00:34:44,740

just outside the town of Landers and at

693

00:34:49,919 --> 00:34:47,080

its height that conference was getting

694

00:34:52,680 --> 00:34:49,929

audiences of around about 11 to 12

695

00:34:55,710 --> 00:34:52,690

thousand the trifle that's right which

696

00:34:57,960 --> 00:34:55,720

he so that was the FBI's be concerned

697

00:34:59,970 --> 00:34:57,970

that because of danske and some of these

698

00:35:03,359 --> 00:34:59,980

other contactees were subtly and

699

00:35:04,860 --> 00:35:03,369

sometimes far less and subtly trying to

700

00:35:07,530 --> 00:35:04,870

play the calm

701  
00:35:10,140 --> 00:35:07,540  
his card so to speak that's why the FBI

702  
00:35:12,210 --> 00:35:10,150  
got so concerned that they were

703  
00:35:16,830 --> 00:35:12,220  
wondering well does he is illegitimate

704  
00:35:18,330 --> 00:35:16,840  
about Sandy's medallions or is he just

705  
00:35:21,480 --> 00:35:18,340  
trying to reel people into his

706  
00:35:23,970 --> 00:35:21,490  
conferences and lectures and then subtly

707  
00:35:26,100 --> 00:35:23,980  
stop talking about communism and by the

708  
00:35:28,080 --> 00:35:26,110  
end of the lecture you know a

709  
00:35:29,640 --> 00:35:28,090  
significant percentage of the author of

710  
00:35:32,340 --> 00:35:29,650  
the audience might be thinking well

711  
00:35:35,160 --> 00:35:32,350  
maybe communism isn't so bad after all

712  
00:35:37,980 --> 00:35:35,170  
that's what the FBI is big fear was and

713  
00:35:39,870 --> 00:35:37,990

and as the years progressed the FBI and

714

00:35:42,240 --> 00:35:39,880

other intelligence agencies in the u.s.

715

00:35:47,550 --> 00:35:42,250

had to deal with more and more of this

716

00:35:50,100 --> 00:35:47,560

sort of created or expanded upon Russian

717

00:35:53,040 --> 00:35:50,110

propaganda did you find a direct

718

00:35:57,330 --> 00:35:53,050

connection between Adamski and the

719

00:35:59,220 --> 00:35:57,340

Kremlin well what I did find is that in

720

00:36:02,220 --> 00:35:59,230

one of the documents the official

721

00:36:04,740 --> 00:36:02,230

documents it talks about one of the

722

00:36:07,800 --> 00:36:04,750

primary reasons why Adamski was watched

723

00:36:11,730 --> 00:36:07,810

was because on one occasion he was seen

724

00:36:14,790 --> 00:36:11,740

talking you know in a cafe or outside of

725

00:36:17,670 --> 00:36:14,800

the cafe I should say with four or five

726

00:36:21,270 --> 00:36:17,680

people who actually speaking to him in

727

00:36:25,140 --> 00:36:21,280

Russian which is like a really bizarre

728

00:36:28,500 --> 00:36:25,150

and sort of eye-opening scenario you

729

00:36:32,490 --> 00:36:28,510

know following Adam skiing downtown Los

730

00:36:34,950 --> 00:36:32,500

Angeles and finding out that he actually

731

00:36:40,170 --> 00:36:34,960

really did have connections did he so

732

00:36:42,450 --> 00:36:40,180

person did he speak Russian well not as

733

00:36:45,960 --> 00:36:42,460

far as I know but how many easily spoke

734

00:36:49,800 --> 00:36:45,970

fluent Polish politics from right right

735

00:36:51,720 --> 00:36:49,810

yeah yes so you know I mean we don't

736

00:36:54,870 --> 00:36:51,730

know the problem is you know we don't

737

00:36:58,260 --> 00:36:54,880

know the full story and I don't think

738

00:37:01,890 --> 00:36:58,270

the FBI ever really fully resolved it

739

00:37:05,010 --> 00:37:01,900

all to their satisfaction but but that

740

00:37:06,050 --> 00:37:05,020

was really one of the primary sort of

741

00:37:09,240 --> 00:37:06,060

psychological warfare

742

00:37:13,470 --> 00:37:09,250

counterintelligence operations that the

743

00:37:16,110 --> 00:37:13,480

Russians fired against the United States

744

00:37:18,810 --> 00:37:16,120

if you like as a means like another

745

00:37:22,670 --> 00:37:18,820

means to sort of try and find

746

00:37:26,130 --> 00:37:22,680

ways to like to make people if you like

747

00:37:29,550 --> 00:37:26,140

be open at least to the idea of

748

00:37:33,960 --> 00:37:29,560

communism and Roswell

749

00:37:36,270 --> 00:37:33,970

Annie Jacobson pointed out in her book

750

00:37:43,370 --> 00:37:36,280

secrets of area 51 I think that's what

751  
00:37:50,150 --> 00:37:43,380  
it was called that Roswell may have been

752  
00:37:53,430 --> 00:37:50,160  
an aircraft from either Russia or a Nazi

753  
00:37:56,610 --> 00:37:53,440  
experimental craft that not not craft

754  
00:37:58,320 --> 00:37:56,620  
but plane and that Russia got their

755  
00:38:00,480 --> 00:37:58,330  
hands on it and that's what crashed in

756  
00:38:04,230 --> 00:38:00,490  
Roswell to scare the crap out of us and

757  
00:38:09,360 --> 00:38:04,240  
use the UFO side of things against us

758  
00:38:11,580 --> 00:38:09,370  
any any truth to that well I mean this

759  
00:38:15,180 --> 00:38:11,590  
is a really controversial story as you

760  
00:38:19,380 --> 00:38:15,190  
said it's surfaced in Annie Jacobson's

761  
00:38:22,170 --> 00:38:19,390  
2011 book on area 51 and it tells a very

762  
00:38:24,330 --> 00:38:22,180  
controversial story which came from a

763  
00:38:27,030 --> 00:38:24,340

guy named Alfred O'Donnell who actually

764

00:38:30,800 --> 00:38:27,040

spent time in the intelligence community

765

00:38:35,880 --> 00:38:30,810

and spent time working at area 51 and

766

00:38:40,140 --> 00:38:35,890

the claim that he made - excuse me -

767

00:38:43,380 --> 00:38:40,150

Annie Jacobson was that the Roswell

768

00:38:47,700 --> 00:38:43,390

crash didn't involve aliens but revolved

769

00:38:51,950 --> 00:38:47,710

around an advanced aircraft built and

770

00:38:54,540 --> 00:38:51,960

flown as a result of research undertaken

771

00:38:57,750 --> 00:38:54,550

by the Nazis in the Second World War

772

00:39:00,690 --> 00:38:57,760

which supposedly to save the Soviet

773

00:39:04,890 --> 00:39:00,700

premier Joseph Stalin got his hands on

774

00:39:09,540 --> 00:39:04,900

and the story is that the the plan was

775

00:39:12,120 --> 00:39:09,550

to have this futuristic looking aircraft

776  
00:39:13,920 --> 00:39:12,130  
fly from Russia to the United States and

777  
00:39:15,810 --> 00:39:13,930  
land and because it would look so

778  
00:39:18,270 --> 00:39:15,820  
futuristic people would think it was a

779  
00:39:21,780 --> 00:39:18,280  
spacecraft from another world and just

780  
00:39:26,730 --> 00:39:21,790  
to expand the story even further

781  
00:39:30,150 --> 00:39:26,740  
supposedly Stalin scientists and again

782  
00:39:32,190 --> 00:39:30,160  
allegedly genetically altered or

783  
00:39:32,660 --> 00:39:32,200  
physically altered a number of children

784  
00:39:37,130 --> 00:39:32,670  
to my

785  
00:39:39,530 --> 00:39:37,140  
them look alien like if you like and so

786  
00:39:40,760 --> 00:39:39,540  
that when they when the craft landed and

787  
00:39:42,620 --> 00:39:40,770  
the doors opened

788  
00:39:44,720 --> 00:39:42,630

you know the people would say the

789

00:39:47,690 --> 00:39:44,730

strange craft and these bizarre looking

790

00:39:50,420 --> 00:39:47,700

children who they would assume were as

791

00:39:53,030 --> 00:39:50,430

there were children's now from my

792

00:39:57,380 --> 00:39:53,040

perspective I find all of this a little

793

00:40:00,559 --> 00:39:57,390

bit too to create it if you like you

794

00:40:02,420 --> 00:40:00,569

know too much staged in terms of exactly

795

00:40:05,150 --> 00:40:02,430

what was going down and there are so

796

00:40:07,819 --> 00:40:05,160

many aspects to this particular story

797

00:40:09,349 --> 00:40:07,829

that don't hold up that lets me to

798

00:40:12,490 --> 00:40:09,359

believe that

799

00:40:14,930 --> 00:40:12,500

Annie Jacobson was fed this story

800

00:40:17,049 --> 00:40:14,940

deliberately now if you read her book

801  
00:40:20,089 --> 00:40:17,059  
it's actually very very good Balkan

802  
00:40:23,270 --> 00:40:20,099  
welcome yeah yeah and it's filled with

803  
00:40:26,270 --> 00:40:23,280  
all sorts of you know really interesting

804  
00:40:29,510 --> 00:40:26,280  
information on area 51 but what I think

805  
00:40:32,150 --> 00:40:29,520  
happened is that when her book came out

806  
00:40:34,520 --> 00:40:32,160  
and this is just my opinion or my

807  
00:40:36,079 --> 00:40:34,530  
suspicions what I think is that when the

808  
00:40:38,420 --> 00:40:36,089  
book came out there were people on the

809  
00:40:41,690 --> 00:40:38,430  
inside who said look you know this is a

810  
00:40:44,510 --> 00:40:41,700  
bit too close you know to what we don't

811  
00:40:47,299 --> 00:40:44,520  
want getting out there so I think she

812  
00:40:51,819 --> 00:40:47,309  
may have been fed this Roswell story

813  
00:40:54,859 --> 00:40:51,829

this Russian Roswell story as a means to

814

00:40:59,000 --> 00:40:54,869

essentially sensationalize the book and

815

00:41:01,849 --> 00:40:59,010

keep the story of Roswell in the media's

816

00:41:04,339 --> 00:41:01,859

mind while the actual the real good

817

00:41:06,289 --> 00:41:04,349

material was not picked up on by the

818

00:41:09,049 --> 00:41:06,299

media and for the most part that's what

819

00:41:11,210 --> 00:41:09,059

happened most of the media was a lot of

820

00:41:13,280 --> 00:41:11,220

the media that interviewed Annie

821

00:41:15,109 --> 00:41:13,290

Jacobson for her book a lot of it you

822

00:41:17,569 --> 00:41:15,119

know did revolve around the Roswell

823

00:41:21,710 --> 00:41:17,579

story that was in her book so I

824

00:41:24,319 --> 00:41:21,720

sometimes wonder that this the whole

825

00:41:29,839 --> 00:41:24,329

Roswell thing may have been given to her

826

00:41:32,150 --> 00:41:29,849

and inserted as a means to the voice of

827

00:41:35,359 --> 00:41:32,160

the bay da focusing too much on the

828

00:41:36,859 --> 00:41:35,369

really good material she stands by she

829

00:41:39,740 --> 00:41:36,869

stands by the ending in the book though

830

00:41:42,170 --> 00:41:39,750

she does I had her on the show again

831

00:41:43,680 --> 00:41:42,180

she's been on many times I enter on last

832

00:41:46,859 --> 00:41:43,690

month

833

00:41:49,170 --> 00:41:46,869

and that question came up again because

834

00:41:52,260 --> 00:41:49,180

of what's going down at Hillary 51 right

835

00:41:54,030 --> 00:41:52,270

now and that came up but she said you

836

00:41:59,730 --> 00:41:54,040

know I stand by it

837

00:42:02,910 --> 00:41:59,740

I I stand by what I wrote no oh yeah I

838

00:42:04,559 --> 00:42:02,920

mean don't get me wrong I mean you know

839

00:42:06,480 --> 00:42:04,569

there's no doubt that she was given this

840

00:42:08,910 --> 00:42:06,490

story you know by this elderly guy who

841

00:42:13,470 --> 00:42:08,920

worked in the intelligence community I

842

00:42:15,930 --> 00:42:13,480

don't dispute that at all where is Annie

843

00:42:18,690 --> 00:42:15,940

you know he's inclined I think to think

844

00:42:22,230 --> 00:42:18,700

it's the real answer to Roswell I think

845

00:42:25,800 --> 00:42:22,240

it was a bogus story designed to ensure

846

00:42:27,900 --> 00:42:25,810

that that's Annie's book was when the

847

00:42:32,069 --> 00:42:27,910

media came along they would focus on the

848

00:42:34,349 --> 00:42:32,079

Roswell story and the the real area 51

849

00:42:40,079 --> 00:42:34,359

Secrets would be sort of glossed over by

850

00:42:43,349 --> 00:42:40,089

the media now the let's just go let's go

851

00:42:45,809 --> 00:42:43,359

straight at it there's a chapter in the

852

00:42:49,349 --> 00:42:45,819

book maybe a little more than that about

853

00:42:52,079 --> 00:42:49,359

the mj-12 documents and before we get

854

00:42:55,230 --> 00:42:52,089

into that because I can see is talking

855

00:43:00,390 --> 00:42:55,240

about this for quite a while the mj-12

856

00:43:05,460 --> 00:43:00,400

documents for me except for maybe one

857

00:43:08,190 --> 00:43:05,470

page of all of it I think that they were

858

00:43:11,400 --> 00:43:08,200

fictitious okay that that's my take but

859

00:43:13,980 --> 00:43:11,410

it had such an impact on the UFO

860

00:43:16,260 --> 00:43:13,990

community there are stuffs we're talking

861

00:43:22,740 --> 00:43:16,270

about it now right still spoken about

862

00:43:25,050 --> 00:43:22,750

today it was a huge huge story in the

863

00:43:27,059 --> 00:43:25,060

UFO community when that broke I mean I

864

00:43:28,740 --> 00:43:27,069

could it was like every single day right

865

00:43:31,319 --> 00:43:28,750

you remember that every day there was

866

00:43:35,040 --> 00:43:31,329

some other some other piece of the pie

867

00:43:38,099 --> 00:43:35,050

and it was it was fun that was a good

868

00:43:39,930 --> 00:43:38,109

ride but today I look back and go well

869

00:43:43,260 --> 00:43:39,940

okay it was interesting it was fun it

870

00:43:45,990 --> 00:43:43,270

was cool but it was bogus I don't know

871

00:43:51,720 --> 00:43:46,000

and I don't think anybody else does to

872

00:43:54,540 --> 00:43:51,730

this day with a concrete fashion know

873

00:43:56,450 --> 00:43:54,550

who what when and where created the

874

00:44:00,579 --> 00:43:56,460

mj-12 documents

875

00:44:03,370 --> 00:44:00,589

that's where we are at and once again

876

00:44:07,790 --> 00:44:03,380

you-you-you put something out there that

877

00:44:10,160 --> 00:44:07,800

I never considered I never did so let's

878

00:44:16,760 --> 00:44:10,170

let's actually start there you've got me

879

00:44:20,329 --> 00:44:16,770

thinking again Nick okay well basically

880

00:44:23,780 --> 00:44:20,339

for people who may not be fully familiar

881

00:44:26,380 --> 00:44:23,790

with mj-12 or majestic 12 it was

882

00:44:28,400 --> 00:44:26,390

essentially allegedly a group

883

00:44:32,120 --> 00:44:28,410

established in the wake of the Roswell

884

00:44:35,390 --> 00:44:32,130

crash in the summer of 1947 to create

885

00:44:38,660 --> 00:44:35,400

this super secret organization called

886

00:44:41,390 --> 00:44:38,670

majestic 12 that would be deeply buried

887

00:44:44,810 --> 00:44:41,400

within the heart of the US intelligence

888

00:44:48,589 --> 00:44:44,820

community and its goal would be to hide

889

00:44:51,620 --> 00:44:48,599

the real sensational UFO data Roswell

890

00:44:52,220 --> 00:44:51,630

alien bodies alien autopsies that kind

891

00:44:55,720 --> 00:44:52,230

of thing

892

00:44:59,200 --> 00:44:55,730

and the story sort of began in the early

893

00:45:01,520 --> 00:44:59,210

1980s when Bill Moore who co-wrote with

894

00:45:04,250 --> 00:45:01,530

Charles Berlitz the book the Roswell

895

00:45:06,770 --> 00:45:04,260

incident bought the more that Moore who

896

00:45:09,170 --> 00:45:06,780

looked into this he started to be

897

00:45:13,910 --> 00:45:09,180

contacted by sort of whistleblowers

898

00:45:16,099 --> 00:45:13,920

insiders who would hand over to him what

899

00:45:18,980 --> 00:45:16,109

was perceived to be at least highly

900

00:45:21,800 --> 00:45:18,990

classified documents on this majestic 12

901  
00:45:24,589 --> 00:45:21,810  
group and the work they were doing in

902  
00:45:28,670 --> 00:45:24,599  
relation to Roswell and crashed UFOs and

903  
00:45:31,730 --> 00:45:28,680  
the whole thing now the the whole thing

904  
00:45:34,460 --> 00:45:31,740  
really came to a head in December 1984

905  
00:45:39,470 --> 00:45:34,470  
when a colleague and friend of more

906  
00:45:41,960 --> 00:45:39,480  
named Jeremy Chandra received a role a

907  
00:45:44,810 --> 00:45:41,970  
trail of film that showed a number of

908  
00:45:48,710 --> 00:45:44,820  
these documents and they they printed

909  
00:45:50,240 --> 00:45:48,720  
them off and and that's when the whole

910  
00:45:52,940 --> 00:45:50,250  
thing really kicked off and Stan

911  
00:45:55,670 --> 00:45:52,950  
Freedman became the without doubt you

912  
00:45:59,359 --> 00:45:55,680  
know the foremost expert and also

913  
00:46:01,099 --> 00:45:59,369

champion of the mj-12 documents stand to

914

00:46:03,460 --> 00:46:01,109

his dying day believed that you know

915

00:46:05,450 --> 00:46:03,470

these mj-12 documents were real

916

00:46:09,569 --> 00:46:05,460

documents and there and there was a

917

00:46:12,359 --> 00:46:09,579

genuine majestic 12 group as well

918

00:46:15,510 --> 00:46:12,369

now I kind of have a very different

919

00:46:19,020 --> 00:46:15,520

approach to this which fears away from

920

00:46:21,599 --> 00:46:19,030

the angle of real dead aliens and real

921

00:46:24,690 --> 00:46:21,609

crushed UFOs but again to something that

922

00:46:29,670 --> 00:46:24,700

a lot of people may not think about but

923

00:46:32,309 --> 00:46:29,680

which again had a deep effect if you

924

00:46:34,950 --> 00:46:32,319

like on us intelligence and interesting

925

00:46:37,950 --> 00:46:34,960

Leela particularly not just the Air

926  
00:46:41,400 --> 00:46:37,960  
Force but also the FBI again who were

927  
00:46:44,700 --> 00:46:41,410  
heavily involved with Adamski now the

928  
00:46:47,250 --> 00:46:44,710  
FBI looked at various theories as to

929  
00:46:50,339 --> 00:46:47,260  
what the mj-12 documents were because if

930  
00:46:52,799 --> 00:46:50,349  
they were the real thing then someone

931  
00:46:54,720 --> 00:46:52,809  
had leaked highly classified US

932  
00:46:56,730 --> 00:46:54,730  
government documents you know so what it

933  
00:47:00,390 --> 00:46:56,740  
was almost like perceived almost like a

934  
00:47:02,970 --> 00:47:00,400  
an earlier edward snowden type situation

935  
00:47:06,599 --> 00:47:02,980  
you know somebody leaking out highly

936  
00:47:09,480 --> 00:47:06,609  
classified material but over time the

937  
00:47:12,000 --> 00:47:09,490  
FBI came to believe that the documents

938  
00:47:14,460 --> 00:47:12,010

were not real but they also didn't

939

00:47:16,760 --> 00:47:14,470

believe he was just like some you know

940

00:47:19,260 --> 00:47:16,770

some guy in his basement just

941

00:47:21,960 --> 00:47:19,270

fabricating them for the fun of it what

942

00:47:24,150 --> 00:47:21,970

the FBI believed was that the documents

943

00:47:26,460 --> 00:47:24,160

rich or suspected I should say they

944

00:47:30,240 --> 00:47:26,470

suspected that the documents may have

945

00:47:32,609 --> 00:47:30,250

been created by the KGB in Russia and

946

00:47:35,250 --> 00:47:32,619

the reason being and animation to get

947

00:47:37,819 --> 00:47:35,260

some official documentation on this in

948

00:47:40,250 --> 00:47:37,829

the same time that bill Moore and Stan

949

00:47:44,099 --> 00:47:40,260

were looking into the mj-12 documents

950

00:47:46,380 --> 00:47:44,109

the FBI was very concerned because there

951  
00:47:53,010 --> 00:47:46,390  
were a number of people working in the

952  
00:47:55,620 --> 00:47:53,020  
US intelligence aerospace angle and the

953  
00:47:57,930 --> 00:47:55,630  
FBI was concerned that some of these

954  
00:48:01,260 --> 00:47:57,940  
people had either been turned by the

955  
00:48:03,960 --> 00:48:01,270  
Russians or were in the in the process

956  
00:48:08,549 --> 00:48:03,970  
of being turned by the Russians and the

957  
00:48:10,500 --> 00:48:08,559  
FBI's concern was that the let's say for

958  
00:48:13,049 --> 00:48:10,510  
example you've got John Smith working at

959  
00:48:15,030 --> 00:48:13,059  
one particular air chrous classified

960  
00:48:18,390 --> 00:48:15,040  
aircraft program and he suddenly

961  
00:48:20,430 --> 00:48:18,400  
approached by a guy named Ivan who says

962  
00:48:22,450 --> 00:48:20,440  
you know if you tell us all about this

963  
00:48:25,300 --> 00:48:22,460

new aircraft program you

964

00:48:27,849 --> 00:48:25,310

working on will give you some classified

965

00:48:30,220 --> 00:48:27,859

US government files and UFOs which we've

966

00:48:33,460 --> 00:48:30,230

managed together our hands on in the

967

00:48:35,620 --> 00:48:33,470

Kremlin and you share what what you've

968

00:48:38,680 --> 00:48:35,630

got and we'll share what you've got and

969

00:48:41,829 --> 00:48:38,690

the FBI was also concerned that some of

970

00:48:44,170 --> 00:48:41,839

these UFO races researchers who worked

971

00:48:48,310 --> 00:48:44,180

in the intelligence community would not

972

00:48:52,000 --> 00:48:48,320

be able to avoid the the lure so to

973

00:48:54,700 --> 00:48:52,010

speak the dangling carrot and so the FBI

974

00:48:56,560 --> 00:48:54,710

started to keep a look on a lot of

975

00:48:58,180 --> 00:48:56,570

people who worked in the intelligence

976

00:49:01,510 --> 00:48:58,190

community and who had a personal

977

00:49:03,370 --> 00:49:01,520

interest in UFOs and and even more and

978

00:49:07,390 --> 00:49:03,380

more then they came around to the idea

979

00:49:10,060 --> 00:49:07,400

that the Russians had created the mj-12

980

00:49:13,660 --> 00:49:10,070

documents as I said like as a dangling

981

00:49:15,849 --> 00:49:13,670

carrot and saying you give us something

982

00:49:19,030 --> 00:49:15,859

we'll give you something and the fear of

983

00:49:21,940 --> 00:49:19,040

the FBI was that the Russians would get

984

00:49:24,599 --> 00:49:21,950

some really good legitimate stuff from

985

00:49:27,250 --> 00:49:24,609

the people in America who they turned

986

00:49:31,750 --> 00:49:27,260

whereas in return they just get these

987

00:49:36,250 --> 00:49:31,760

bogus mj-12 documents and so you know

988

00:49:40,329 --> 00:49:36,260

again we're seeing a picture of mj-12

989

00:49:42,760 --> 00:49:40,339

that largely has not been shown or

990

00:49:45,700 --> 00:49:42,770

demonstrated before everybody's either

991

00:49:48,099 --> 00:49:45,710

said these documents are bogus they're

992

00:49:50,740 --> 00:49:48,109

just hoaxes by you know some guys got

993

00:49:53,230 --> 00:49:50,750

nothing else to do with his time or

994

00:49:54,940 --> 00:49:53,240

they're the real thing nobody up until

995

00:49:59,349 --> 00:49:54,950

now has really given much thought to the

996

00:50:02,820 --> 00:49:59,359

idea that the Russians the KGB actually

997

00:50:06,520 --> 00:50:02,830

created these documents as a means to

998

00:50:12,220 --> 00:50:06,530

secure a highly classified material from

999

00:50:13,930 --> 00:50:12,230

US intelligence where would the we'll

1000

00:50:17,829 --> 00:50:13,940

pick this up right after the break

1001

00:50:21,220 --> 00:50:17,839

but the into the intricacies of the

1002

00:50:23,079 --> 00:50:21,230

mj-12 documents the research that was

1003

00:50:25,750 --> 00:50:23,089

put in behind them the names the places

1004

00:50:27,940 --> 00:50:25,760

the dates that's a pretty difficult

1005

00:50:30,040 --> 00:50:27,950

thing I've always thought to put

1006

00:50:32,530 --> 00:50:30,050

together but I do believe that they're

1007

00:50:36,069 --> 00:50:32,540

fake you know they're hoax documents but

1008

00:50:40,390 --> 00:50:36,079

it had to have come from somebody

1009

00:50:44,169 --> 00:50:40,400

in the know so would a state actor like

1010

00:50:46,359 --> 00:50:44,179

Moscow have all of the information to

1011

00:50:48,459 --> 00:50:46,369

make sure that their Ducks are in a row

1012

00:50:51,999 --> 00:50:48,469

so that the documents are blown out

1013

00:50:54,910 --> 00:50:52,009

immediately as being bogus because of a

1014

00:50:57,339 --> 00:50:54,920

bunch of general mistakes does Russia

1015

00:50:59,169 --> 00:50:57,349

have that kind of knowledge on the dates

1016

00:51:03,279 --> 00:50:59,179

and places and names of the

1017

00:51:05,650 --> 00:51:03,289

infrastructure here oh yeah I mean that

1018

00:51:09,039 --> 00:51:05,660

there's no doubt about that at all you

1019

00:51:11,140 --> 00:51:09,049

know I mean it's like for example I mean

1020

00:51:13,449 --> 00:51:11,150

so slightly different subjects but I

1021

00:51:16,749 --> 00:51:13,459

mean you know the Russians have spy

1022

00:51:20,439 --> 00:51:16,759

satellites circling the globe 24/7 they

1023

00:51:22,900 --> 00:51:20,449

know exactly where our missile silos are

1024

00:51:24,880 --> 00:51:22,910

you know and nuclear missiles and vice

1025

00:51:26,679 --> 00:51:24,890

versa you know we know where all of

1026

00:51:29,650 --> 00:51:26,689

theirs are and the reason we know is

1027

00:51:31,779 --> 00:51:29,660

because if those silos are ever open you

1028

00:51:33,729 --> 00:51:31,789

know and somebody decides to launch all

1029

00:51:38,849 --> 00:51:33,739

that those Sciences excuse me those

1030

00:51:41,919 --> 00:51:38,859

satellites can actually detect the heat

1031

00:51:45,819 --> 00:51:41,929

sensor as the missiles are getting

1032

00:51:47,199 --> 00:51:45,829

primed for liftoff right that's why one

1033

00:51:50,019 --> 00:51:47,209

of the good reasons why we haven't had a

1034

00:51:51,939 --> 00:51:50,029

nuclear war because both sides know

1035

00:51:54,370 --> 00:51:51,949

exactly when the other side is getting

1036

00:51:56,349 --> 00:51:54,380

ready to to launch so that's what you

1037

00:51:59,589 --> 00:51:56,359

know what we we're still here and we're

1038

00:52:03,640 --> 00:51:59,599

not sort of Freud he'd know so you know

1039

00:52:06,569 --> 00:52:03,650

both sides have intricate and deep data

1040

00:52:09,999 --> 00:52:06,579

on you know what the other side is doing

1041

00:52:13,539 --> 00:52:10,009

but sometimes you know the the reality

1042

00:52:16,390 --> 00:52:13,549

is actually a fictional and a created

1043

00:52:19,239 --> 00:52:16,400

reality and I think that's what we've

1044

00:52:23,469 --> 00:52:19,249

seen in a lot of these sort of Russian

1045

00:52:27,819 --> 00:52:23,479

operations you know creating bizarre

1046

00:52:33,009 --> 00:52:27,829

hoaxed issues and phenomena as a means

1047

00:52:34,419 --> 00:52:33,019

to gain something in return and in most

1048

00:52:37,150 --> 00:52:34,429

of these cases I talked about in the

1049

00:52:40,179 --> 00:52:37,160

book they began in return was

1050

00:52:43,660 --> 00:52:40,189

intelligence data buy from people who

1051  
00:52:46,419 --> 00:52:43,670  
just could not you know walk away and

1052  
00:52:48,339 --> 00:52:46,429  
had to sort of hand something over just

1053  
00:52:49,810 --> 00:52:48,349  
so they could get you know these mj-12

1054  
00:52:52,750 --> 00:52:49,820  
documents in return

1055  
00:52:54,670 --> 00:52:52,760  
it's certainly an interesting twist in

1056  
00:52:56,410 --> 00:52:54,680  
all of this Nick and we'll continue this

1057  
00:52:59,110 --> 00:52:56,420  
when we come back after this break

1058  
00:53:01,420 --> 00:52:59,120  
Nick Redfern our guest talking about his

1059  
00:53:02,740 --> 00:53:01,430  
new book flying saucers from the Kremlin

1060  
00:53:03,160 --> 00:53:02,750  
we'll be right back up to this short

1061  
00:53:08,260 --> 00:53:03,170  
break

1062  
00:53:45,910 --> 00:53:42,940  
[Music]

1063  
00:53:47,930 --> 00:53:45,920

[Applause]

1064

00:53:49,280 --> 00:53:47,940

welcome back fade to black I'm here

1065

00:53:51,650 --> 00:53:49,290

Jimmy Church so I guess tonight Nick

1066

00:53:54,500 --> 00:53:51,660

Redfern it's got two new books out and

1067

00:53:56,480 --> 00:53:54,510

one of them is called the alien book a

1068

00:53:58,490 --> 00:53:56,490

guide to extraterrestrial beings on

1069

00:54:01,340 --> 00:53:58,500

earth we'll get to that at the top of

1070

00:54:03,890 --> 00:54:01,350

the hour talking about his other book

1071

00:54:07,460 --> 00:54:03,900

just released flying saucers from the

1072

00:54:10,150 --> 00:54:07,470

Kremlin and Nick's website which is Nick

1073

00:54:12,740 --> 00:54:10,160

Nick Redford 40 and dot blog spot.com

1074

00:54:15,350 --> 00:54:12,750

it's easy to get to just click on the

1075

00:54:18,140 --> 00:54:15,360

links over at a Jimmy Church radio now

1076

00:54:20,510 --> 00:54:18,150

Nick okay let's let's flip this around a

1077

00:54:24,410 --> 00:54:20,520

little bit on these mj-12 documents I

1078

00:54:26,900 --> 00:54:24,420

just brought up it seems to me that a

1079

00:54:28,460 --> 00:54:26,910

state actor would have to be involved in

1080

00:54:31,490 --> 00:54:28,470

creating these documents I've never

1081

00:54:33,320 --> 00:54:31,500

considered some somebody just creating

1082

00:54:36,710 --> 00:54:33,330

them for fun too much work and too

1083

00:54:39,890 --> 00:54:36,720

detailed to fooled a lot of people I've

1084

00:54:43,820 --> 00:54:39,900

always considered their source being

1085

00:54:47,660 --> 00:54:43,830

perc 'In air force base right there Dodi

1086

00:54:49,730 --> 00:54:47,670

and the crew they were they were gifted

1087

00:54:52,280 --> 00:54:49,740

at creating fake documents and

1088

00:54:55,190 --> 00:54:52,290

distributing those and that's where I

1089

00:54:58,400 --> 00:54:55,200

think the source has always been that

1090

00:55:01,820 --> 00:54:58,410

being said a state actor like Moscow

1091

00:55:05,570 --> 00:55:01,830

also would have the ability to create

1092

00:55:08,270 --> 00:55:05,580

such detailed documents and that is an

1093

00:55:12,109 --> 00:55:08,280

interesting take so if we go with that

1094

00:55:17,810 --> 00:55:12,119

for a second do you think that Shandor a

1095

00:55:23,330 --> 00:55:17,820

and Bill Moore if they did source out of

1096

00:55:27,620 --> 00:55:23,340

Moscow that they knew no I actually

1097

00:55:30,200 --> 00:55:27,630

don't I think they were innocent parties

1098

00:55:32,720 --> 00:55:30,210

in this who got involved purely and

1099

00:55:34,820 --> 00:55:32,730

simply because they were you know

1100

00:55:37,820 --> 00:55:34,830

getting really close and closer and

1101  
00:55:40,820 --> 00:55:37,830  
closer to to this you know the Roswell

1102  
00:55:43,040 --> 00:55:40,830  
story because what happened was you know

1103  
00:55:46,490 --> 00:55:43,050  
the Roswell incident that Bill Moore

1104  
00:55:48,380 --> 00:55:46,500  
co-wrote was published in 1980 you know

1105  
00:55:50,210 --> 00:55:48,390  
and I can tell you having written you

1106  
00:55:54,080 --> 00:55:50,220  
know a lot of books myself when I have a

1107  
00:55:56,090 --> 00:55:54,090  
book out within weeks afterwards you

1108  
00:55:57,650 --> 00:55:56,100  
know people contact me and said I read

1109  
00:55:58,030 --> 00:55:57,660  
the book you know and I know something

1110  
00:56:00,760 --> 00:55:58,040  
about

1111  
00:56:02,110 --> 00:56:00,770  
story and I think you know that that's

1112  
00:56:04,780 --> 00:56:02,120  
basically what happened

1113  
00:56:07,210 --> 00:56:04,790

with more and Berlitz and they're more

1114

00:56:09,550 --> 00:56:07,220

in shandur a and then with Stan Friedman

1115

00:56:12,400 --> 00:56:09,560

as well but the more you write about

1116

00:56:14,620 --> 00:56:12,410

this and the radio shows and TV people

1117

00:56:18,040 --> 00:56:14,630

contact you more and more so I think I

1118

00:56:22,090 --> 00:56:18,050

think Bill Moore and Shonda and Stan

1119

00:56:23,980 --> 00:56:22,100

with totally innocent in all this when

1120

00:56:27,700 --> 00:56:23,990

they were fed these highly classified

1121

00:56:31,000 --> 00:56:27,710

and highly controversial documents on

1122

00:56:32,800 --> 00:56:31,010

dead aliens crashed UFOs and so on but

1123

00:56:35,620 --> 00:56:32,810

yeah I mean you're right I mean there's

1124

00:56:38,560 --> 00:56:35,630

no doubt but you know Kirtland Air Force

1125

00:56:41,860 --> 00:56:38,570

Base does seem to play a significant

1126

00:56:43,930 --> 00:56:41,870

role in all of this but I mean I think

1127

00:56:46,890 --> 00:56:43,940

one of the things to keep in mind or the

1128

00:56:50,860 --> 00:56:46,900

possibilities to keep in mind is that

1129

00:56:53,110 --> 00:56:50,870

it's entirely possible you know that US

1130

00:56:55,390 --> 00:56:53,120

intelligence was aware of what Russian

1131

00:56:59,500 --> 00:56:55,400

intelligence was doing maybe they even

1132

00:57:01,870 --> 00:56:59,510

created their own mj-12 documents to

1133

00:57:05,050 --> 00:57:01,880

really complement complicate things so

1134

00:57:08,320 --> 00:57:05,060

you know I think when you start looking

1135

00:57:11,620 --> 00:57:08,330

into you know these people are really

1136

00:57:15,310 --> 00:57:11,630

skilled at creating fake documents and

1137

00:57:17,680 --> 00:57:15,320

fake scenarios and seeding them into

1138

00:57:20,650 --> 00:57:17,690

this community or that community it

1139

00:57:23,290 --> 00:57:20,660

becomes extremely difficult to know who

1140

00:57:25,930 --> 00:57:23,300

is actually pulling the strings in which

1141

00:57:28,600 --> 00:57:25,940

side is that you know or both sides

1142

00:57:31,270 --> 00:57:28,610

trying to do it to try and complicate

1143

00:57:33,550 --> 00:57:31,280

things even more you know you know who I

1144

00:57:36,210 --> 00:57:33,560

feel bad for this if they did source out

1145

00:57:40,570 --> 00:57:36,220

of the Kremlin you know I feel bad for

1146

00:57:44,350 --> 00:57:40,580

Richard Doty Richard Doty because you

1147

00:57:46,300 --> 00:57:44,360

know Doty and his ego he probably looked

1148

00:57:51,130 --> 00:57:46,310

at those that goes oh hold on a minute

1149

00:57:56,560 --> 00:57:51,140

hold on I didn't do these somebody is

1150

00:57:58,840 --> 00:57:56,570

coming into my gain here do you if they

1151

00:58:04,120 --> 00:57:58,850

did source out of the Kremlin do you

1152

00:58:06,820 --> 00:58:04,130

think Doty was aware of it well I don't

1153

00:58:09,130 --> 00:58:06,830

know you know I can't say if he knew or

1154

00:58:11,800 --> 00:58:09,140

not but what I can say with 100%

1155

00:58:15,880 --> 00:58:11,810

certainty is that the FBI

1156

00:58:18,280 --> 00:58:15,890

I actually was genuinely concerned that

1157

00:58:21,700 --> 00:58:18,290

the Russians had created the mj-12

1158

00:58:23,530 --> 00:58:21,710

documents now the amount of documents of

1159

00:58:25,440 --> 00:58:23,540

the that have surfaced through the

1160

00:58:28,450 --> 00:58:25,450

Freedom Information Act on this issue

1161

00:58:33,400 --> 00:58:28,460

he's a handful it's about 40 or 50 pages

1162

00:58:36,820 --> 00:58:33,410

and portions of bill Moore's FBI file

1163

00:58:39,790 --> 00:58:36,830

have been released as well and what we

1164

00:58:42,190 --> 00:58:39,800

know from the FBI's investigation of the

1165

00:58:45,820 --> 00:58:42,200

documents themselves specifically is

1166

00:58:49,480 --> 00:58:45,830

that that was one of the the primary

1167

00:58:52,450 --> 00:58:49,490

theories they had that the the Russians

1168

00:58:55,330 --> 00:58:52,460

had created these documents solely as a

1169

00:58:58,690 --> 00:58:55,340

means to reel in people who were working

1170

00:59:00,280 --> 00:58:58,700

on these classified programs and you

1171

00:59:03,280 --> 00:59:00,290

give us something we'll give you

1172

00:59:05,770 --> 00:59:03,290

something and and I mean that scenario

1173

00:59:08,860 --> 00:59:05,780

makes common sense if you look at it

1174

00:59:10,990 --> 00:59:08,870

from the perspective of the fact that US

1175

00:59:14,620 --> 00:59:11,000

intelligence was worried at that time

1176

00:59:16,620 --> 00:59:14,630

that there were people in the aviation

1177

00:59:20,650 --> 00:59:16,630

industry and the intelligence community

1178

00:59:25,270 --> 00:59:20,660

who may have been open to the idea of

1179

00:59:29,410 --> 00:59:25,280

doing a deal with the Russians the the

1180

00:59:31,690 --> 00:59:29,420

other part of this if if these did

1181

00:59:34,030 --> 00:59:31,700

source out of the Kremlin which I think

1182

00:59:37,720 --> 00:59:34,040

this should be discussed if these were

1183

00:59:40,990 --> 00:59:37,730

sourced out of the Kremlin what else was

1184

00:59:46,030 --> 00:59:41,000

the Kremlin sending this way and to whom

1185

00:59:48,340 --> 00:59:46,040

and does it continue to this day oh yeah

1186

00:59:51,670 --> 00:59:48,350

I mean there's no doubt about this at

1187

00:59:53,830 --> 00:59:51,680

all you know I mean you can go back in

1188

00:59:57,130 --> 00:59:53,840

time and forward in time I mean just

1189

01:00:00,610 --> 00:59:57,140

sort of give you a classic example from

1190

01:00:03,610 --> 01:00:00,620

the 1960s which revolves around the

1191

01:00:06,460 --> 01:00:03,620

atheria Society novia Theory Society was

1192

01:00:09,270 --> 01:00:06,470

a group created in the UK but which now

1193

01:00:14,890 --> 01:00:09,280

has its headquarters in Los Angeles and

1194

01:00:16,540 --> 01:00:14,900

it's basically an organization that sort

1195

01:00:19,960 --> 01:00:16,550

of buys into the whole space for the

1196

01:00:21,370 --> 01:00:19,970

contactee movement now in the late 50s

1197

01:00:24,849 --> 01:00:21,380

and through the 60s the Aetherius

1198

01:00:28,449 --> 01:00:24,859

Society was a very influential and

1199

01:00:29,199 --> 01:00:28,459

organization had a lot of membership to

1200

01:00:32,559 --> 01:00:29,209

it as well

1201

01:00:34,359 --> 01:00:32,569

now there's an organization or an

1202

01:00:36,430 --> 01:00:34,369

intelligence solvent the British police

1203

01:00:39,219 --> 01:00:36,440

force called Special Branch and they get

1204

01:00:41,259 --> 01:00:39,229

involved in terrorist investigations and

1205

01:00:44,410 --> 01:00:41,269

counterintelligence and things like that

1206

01:00:47,170 --> 01:00:44,420

and they opened a file on the atheria

1207

01:00:49,089 --> 01:00:47,180

Society which I got through v terms of

1208

01:00:53,259 --> 01:00:49,099

the UK freedom Freedom of Information

1209

01:00:56,410 --> 01:00:53,269

Act and the Special Branch of watching

1210

01:00:59,170 --> 01:00:56,420

them because the Aetherius Society was

1211

01:01:01,870 --> 01:00:59,180

very vocal on the fact that they felt

1212

01:01:04,870 --> 01:01:01,880

that the UK needed to get rid of all its

1213

01:01:07,180 --> 01:01:04,880

atomic weapons and part of the reason

1214

01:01:10,089 --> 01:01:07,190

was because the aliens have told them to

1215

01:01:11,859 --> 01:01:10,099

get rid of them and Special Branch was

1216

01:01:14,259 --> 01:01:11,869

very concerned that regardless of

1217

01:01:19,839 --> 01:01:14,269

whether or not the Aetherius society

1218

01:01:22,390 --> 01:01:19,849

were legitimate or or not the Special

1219

01:01:25,420 --> 01:01:22,400

Branch was concerned that the Russians

1220

01:01:29,380 --> 01:01:25,430

might have been using their me almost

1221

01:01:33,130 --> 01:01:29,390

like a puppet type situation and getting

1222

01:01:36,160 --> 01:01:33,140

these via theory society to we put more

1223

01:01:38,469 --> 01:01:36,170

interest in the UK for getting rid of

1224

01:01:42,699 --> 01:01:38,479

nuclear weapons because the alien said

1225

01:01:45,459 --> 01:01:42,709

so and so Special Branch came again like

1226

01:01:48,130 --> 01:01:45,469

with the FBI in the u.s. came to suspect

1227

01:01:52,180 --> 01:01:48,140

that the atheria Society was possibly

1228

01:01:58,420 --> 01:01:52,190

being dictated by and used by Russian

1229

01:02:00,999 --> 01:01:58,430

intelligence as a way to allow us allow

1230

01:02:03,249 --> 01:02:01,009

the English people if you like to decide

1231

01:02:06,069 --> 01:02:03,259

yes we want the nukes gone we don't want

1232

01:02:09,400 --> 01:02:06,079

any part of them and when you put all

1233

01:02:13,479 --> 01:02:09,410

that picture together what you see is

1234

01:02:17,319 --> 01:02:13,489

again manipulation by the Russians using

1235

01:02:22,269 --> 01:02:17,329

atomic weapons as a tool of fear and to

1236

01:02:24,819 --> 01:02:22,279

try and find ways to encourage the

1237

01:02:28,689 --> 01:02:24,829

British people to get rid of their nukes

1238

01:02:31,749 --> 01:02:28,699

and do it under the banner of something

1239

01:02:33,699 --> 01:02:31,759

like the Aetherius society where more

1240

01:02:35,920 --> 01:02:33,709

and more people might think well you

1241

01:02:38,360 --> 01:02:35,930

know this groups talking some sense and

1242

01:02:41,780 --> 01:02:38,370

so again it was very similar to

1243

01:02:44,420 --> 01:02:41,790

the Adamski situation and the FBI and

1244

01:02:46,220 --> 01:02:44,430

and he also demonstrates how you know

1245

01:02:48,650 --> 01:02:46,230

expand the globe it wasn't just in the

1246

01:02:52,310 --> 01:02:48,660

US and the Russians doing it was Europe

1247

01:02:55,010 --> 01:02:52,320

the UK and Australia as well I used to

1248

01:02:58,990 --> 01:02:55,020

live Terp on this Nick I used to live a

1249

01:03:02,090 --> 01:02:59,000

couple of blocks away from atheria and

1250

01:03:03,980 --> 01:03:02,100

years ago I was a kid all right I was a

1251

01:03:07,280 --> 01:03:03,990

kid I was in my 20s and I'm with

1252

01:03:09,050 --> 01:03:07,290

somebody we're going down like fountain

1253

01:03:12,140 --> 01:03:09,060

you know one of the streets in Hollywood

1254

01:03:14,780 --> 01:03:12,150

and my friend points out hey man that's

1255

01:03:17,300 --> 01:03:14,790

the UFO group right there and he points

1256

01:03:19,760 --> 01:03:17,310

at the house and it was just a trippy

1257

01:03:24,350 --> 01:03:19,770

look in place and I

1258

01:03:26,480 --> 01:03:24,360

I never I never once took my eyes off of

1259

01:03:27,620 --> 01:03:26,490

it when I drove up I can't remember the

1260

01:03:30,050 --> 01:03:27,630

street that it was honest like El

1261

01:03:32,570 --> 01:03:30,060

Central or something and fountain and

1262

01:03:34,190 --> 01:03:32,580

and would look at it and would look for

1263

01:03:36,200 --> 01:03:34,200

people walking around outside and you

1264

01:03:39,410 --> 01:03:36,210

would see him from time to time but that

1265

01:03:41,180 --> 01:03:39,420

was a huge organization at one point I

1266

01:03:43,310 --> 01:03:41,190

don't know what the membership is today

1267

01:03:47,120 --> 01:03:43,320

but they were very influential for a

1268

01:03:49,220 --> 01:03:47,130

long time yeah they were and the the

1269

01:03:53,420 --> 01:03:49,230

file that I got from Special Branch in

1270

01:03:56,270 --> 01:03:53,430

the UK runs to about 75 pages and it

1271

01:03:58,190 --> 01:03:56,280

shows how Special Branch would sit in

1272

01:04:01,880 --> 01:03:58,200

the audience and some of the lectures

1273

01:04:03,980 --> 01:04:01,890

that the theory society put on and they

1274

01:04:07,520 --> 01:04:03,990

put a number of anti-nuclear

1275

01:04:09,920 --> 01:04:07,530

demonstrations on in Trafalgar Square in

1276

01:04:12,640 --> 01:04:09,930

London England and again Special Branch

1277

01:04:15,890 --> 01:04:12,650

had its agents seated in the audience

1278

01:04:18,110 --> 01:04:15,900

just listening as to how you know the

1279

01:04:20,450 --> 01:04:18,120

ethereal Society was saying you know

1280

01:04:24,140 --> 01:04:20,460

let's get rid of our nukes and and again

1281

01:04:27,530 --> 01:04:24,150

it was sort of behind the banner of UFOs

1282

01:04:31,190 --> 01:04:27,540

and and it's a fascinating but also

1283

01:04:34,130 --> 01:04:31,200

weird piece of Cold War history you know

1284

01:04:36,620 --> 01:04:34,140

when you see that the Russians may have

1285

01:04:41,360 --> 01:04:36,630

been trying to influence the British

1286

01:04:45,740 --> 01:04:41,370

public to get rid of their nukes but

1287

01:04:48,050 --> 01:04:45,750

doing so using UFOs and aliens so you

1288

01:04:50,390 --> 01:04:48,060

know as the whole scenario the whole

1289

01:04:51,630 --> 01:04:50,400

saga of that period from the late

1290

01:04:53,940 --> 01:04:51,640

forties

1291

01:04:56,730 --> 01:04:53,950

the present-day still you know he's a

1292

01:04:59,760 --> 01:04:56,740

very odd and weird one and it's kind of

1293

01:05:02,460 --> 01:04:59,770

one of those to look too good to be true

1294

01:05:03,720 --> 01:05:02,470

stories but ironically it actually

1295

01:05:05,820 --> 01:05:03,730

really is true

1296

01:05:07,350 --> 01:05:05,830

well okay and you mentioned earlier

1297

01:05:10,980 --> 01:05:07,360

about you know people that reach out

1298

01:05:16,160 --> 01:05:10,990

after they read the book has anybody cut

1299

01:05:18,990 --> 01:05:16,170

what is the reaction been to this mj-12

1300

01:05:21,090 --> 01:05:19,000

idea I don't want to say theory because

1301

01:05:23,160 --> 01:05:21,100

I think it's as concrete as anything

1302

01:05:26,630 --> 01:05:23,170

has anybody reached out to you about

1303

01:05:29,840 --> 01:05:26,640

that saying hey I know something here

1304

01:05:31,860 --> 01:05:29,850

well not exactly on the mj-12 documents

1305

01:05:34,320 --> 01:05:31,870

but I've got one really interesting

1306

01:05:35,790 --> 01:05:34,330

story which you know he won't her to

1307

01:05:37,800 --> 01:05:35,800

sort of mention it because it may bring

1308

01:05:40,980 --> 01:05:37,810

other people in who knows something

1309

01:05:43,260 --> 01:05:40,990

about it but I actually got a story from

1310

01:05:45,600 --> 01:05:43,270

a woman who who said her grandfather

1311

01:05:50,280 --> 01:05:45,610

kind of did something the other way

1312

01:05:53,910 --> 01:05:50,290

around which was basically feeding data

1313

01:05:57,060 --> 01:05:53,920

and fake documentation to the Russians

1314

01:06:00,240 --> 01:05:57,070

as a means to try and destabilize the

1315

01:06:02,190 --> 01:06:00,250

Russians by doing exactly the the mirror

1316

01:06:05,280 --> 01:06:02,200

image opposite of what the Russians were

1317

01:06:08,250 --> 01:06:05,290

doing this guy reportedly worked for the

1318

01:06:12,660 --> 01:06:08,260

Defense Intelligence Agency and his job

1319

01:06:15,930 --> 01:06:12,670

was to fabricate documents that would

1320

01:06:17,610 --> 01:06:15,940

had the Russians going on like running

1321

01:06:21,510 --> 01:06:17,620

around like headless chickens you know

1322

01:06:23,610 --> 01:06:21,520

chasing down fabricated stories and she

1323

01:06:26,100 --> 01:06:23,620

said that she knew for sure there are at

1324

01:06:30,180 --> 01:06:26,110

least three or four occasions he had

1325

01:06:33,360 --> 01:06:30,190

been tasked with creating fabricated UFO

1326

01:06:35,910 --> 01:06:33,370

documents so you know this demonstrates

1327

01:06:38,250 --> 01:06:35,920

another aspect where it wasn't just the

1328

01:06:40,680 --> 01:06:38,260

Russians doing it to us you know we were

1329

01:06:41,970 --> 01:06:40,690

trying to manipulate the Russians as

1330

01:06:44,100 --> 01:06:41,980

well which is you know you could

1331

01:06:46,230 --> 01:06:44,110

perfectly understandable because this

1332

01:06:48,960 --> 01:06:46,240

was the height of the Cold War when the

1333

01:06:50,940 --> 01:06:48,970

Russians had nuclear missiles

1334

01:06:54,110 --> 01:06:50,950

you know pointed right at us as they do

1335

01:06:56,970 --> 01:06:54,120

right now so you know I often get little

1336

01:06:59,700 --> 01:06:56,980

bits of data like this or people who

1337

01:07:01,320 --> 01:06:59,710

want to share stories who you know read

1338

01:07:03,810 --> 01:07:01,330

the books or heard me on a radio show

1339

01:07:05,550 --> 01:07:03,820

and I'm encouraged and when people do

1340

01:07:08,460 --> 01:07:05,560

come forward because it's

1341

01:07:11,250 --> 01:07:08,470

sort of further legitimizes the stories

1342

01:07:16,140 --> 01:07:11,260

and and adds to that the body of data

1343

01:07:19,650 --> 01:07:16,150

that we've got well and the Washington

1344

01:07:22,110 --> 01:07:19,660

was okay with UFO reports here in the

1345

01:07:25,470 --> 01:07:22,120

United States because if it was secret

1346

01:07:29,640 --> 01:07:25,480

aircraft or missile tests or anything

1347

01:07:31,680 --> 01:07:29,650

that was a black type project then you

1348

01:07:34,500 --> 01:07:31,690

could throw you a follow on it and the

1349

01:07:38,460 --> 01:07:34,510

and the Russians would be you know sent

1350

01:07:41,270 --> 01:07:38,470

off of the sent if you will would the

1351

01:07:45,480 --> 01:07:41,280

same thing have been going on in Russia

1352

01:07:47,550 --> 01:07:45,490

right if if the you if the reports were

1353

01:07:50,460 --> 01:07:47,560

UFOs in Russia then it would throw us

1354

01:07:53,480 --> 01:07:50,470

off of the trail of the technology that

1355

01:07:56,970 --> 01:07:53,490

they would have been working on right

1356

01:07:59,810 --> 01:07:56,980

well yeah this is where things get sort

1357

01:08:02,460 --> 01:07:59,820

of really complicated where you know

1358

01:08:04,610 --> 01:08:02,470

which door is a real you know whose

1359

01:08:08,730 --> 01:08:04,620

versions whose documents are real

1360

01:08:10,560 --> 01:08:08,740

Hosemann material is fabricated and you

1361

01:08:14,100 --> 01:08:10,570

know who's doing this and why are they

1362

01:08:16,530 --> 01:08:14,110

doing it but I mean one interesting

1363

01:08:21,150 --> 01:08:16,540

aside is that was he related to Russia

1364

01:08:24,390 --> 01:08:21,160

and the United States is that I'm sure

1365

01:08:27,480 --> 01:08:24,400

most of you listeners have heard of the

1366

01:08:30,420 --> 01:08:27,490

story of serpo and the serpo documents

1367

01:08:32,130 --> 01:08:30,430

surfaced a number of years ago yeah well

1368

01:08:34,230 --> 01:08:32,140

when I was doing the research and I've

1369

01:08:37,770 --> 01:08:34,240

got an entire section in the book on

1370

01:08:40,920 --> 01:08:37,780

this but one figure came forward guy

1371

01:08:43,410 --> 01:08:40,930

came forward stating that the documents

1372

01:08:48,390 --> 01:08:43,420

were real in the sense that they were

1373

01:08:50,820 --> 01:08:48,400

created by government agents but he said

1374

01:08:53,640 --> 01:08:50,830

that they weren't real and he said

1375

01:08:57,390 --> 01:08:53,650

basically they were designed again to

1376

01:08:58,980 --> 01:08:57,400

try and make the Russians think that we

1377

01:09:01,500 --> 01:08:58,990

had had some sort of like an alien

1378

01:09:04,890 --> 01:09:01,510

liaison we'd had close encounters with

1379

01:09:07,410 --> 01:09:04,900

aliens and possibly we even had alien

1380

01:09:10,710 --> 01:09:07,420

technology now this particular source

1381

01:09:12,720 --> 01:09:10,720

said the documents were not real in the

1382

01:09:15,090 --> 01:09:12,730

sense that they were you know official

1383

01:09:17,340 --> 01:09:15,100

documents but they were created by

1384

01:09:19,320 --> 01:09:17,350

people in government's and the source

1385

01:09:21,990 --> 01:09:19,330

said that the

1386

01:09:25,290 --> 01:09:22,000

who wrote these documents was a woman

1387

01:09:27,540 --> 01:09:25,300

named Alice Bradley Sheldon now if you

1388

01:09:29,820 --> 01:09:27,550

look up Alice Bradley Sheldon you'll

1389

01:09:34,740 --> 01:09:29,830

find some interesting information she

1390

01:09:38,100 --> 01:09:34,750

was actually a CIA intelligence officer

1391

01:09:40,380 --> 01:09:38,110

in the 1950s and she was also someone

1392

01:09:43,110 --> 01:09:40,390

who wrote science fiction alien based

1393

01:09:46,770 --> 01:09:43,120

science fiction under the alias of a

1394

01:09:50,460 --> 01:09:46,780

man's name James Tiptree and Alex

1395

01:09:53,700 --> 01:09:50,470

Bradley Sheldon would arguably have been

1396

01:09:55,470 --> 01:09:53,710

the perfect person to create fabricated

1397

01:09:57,870 --> 01:09:55,480

documents aimed at the Russians because

1398

01:10:00,510 --> 01:09:57,880

as I said she was a CIA intelligence

1399

01:10:03,840 --> 01:10:00,520

officer and she wrote extraterrestrial

1400

01:10:06,360 --> 01:10:03,850

based sci-fi novels so you know that you

1401

01:10:10,440 --> 01:10:06,370

put those two aspects together UFOs a

1402

01:10:13,590 --> 01:10:10,450

skilled author and you know the CIA and

1403

01:10:16,650 --> 01:10:13,600

fabricated documents that I think he's

1404

01:10:18,330 --> 01:10:16,660

an interesting angle that needs pursuing

1405

01:10:21,060 --> 01:10:18,340

further I've gone about as far as I can

1406

01:10:23,700 --> 01:10:21,070

and that's why I put it in the book in

1407

01:10:25,590 --> 01:10:23,710

the hope that you know other people will

1408

01:10:28,280 --> 01:10:25,600

be able to add to it you may know

1409

01:10:32,010 --> 01:10:28,290

something about it but again you know if

1410

01:10:34,650 --> 01:10:32,020

mj-12 the documents and the serpo

1411

01:10:37,290 --> 01:10:34,660

documents can have been shown to have

1412

01:10:40,800 --> 01:10:37,300

been fabricated that of course begs the

1413

01:10:43,910 --> 01:10:40,810

question well how many of these lists so

1414

01:10:46,980 --> 01:10:43,920

called leaked documents have also been

1415

01:10:49,980 --> 01:10:46,990

created by counterintelligence people

1416

01:10:52,440 --> 01:10:49,990

disinformation experts you know it makes

1417

01:10:54,930 --> 01:10:52,450

you wonder or all of these leaked

1418

01:10:57,570 --> 01:10:54,940

documents you know they not the real

1419

01:11:00,960 --> 01:10:57,580

deal you know there's something designed

1420

01:11:05,490 --> 01:11:00,970

to push us down different avenues and so

1421

01:11:08,640 --> 01:11:05,500

on you know it clearly opens up you know

1422

01:11:12,270 --> 01:11:08,650

a lot of questions that took place much

1423

01:11:14,250 --> 01:11:12,280

of ufology in a way or in an angle if

1424

01:11:17,010 --> 01:11:14,260

you like very different to what was

1425

01:11:20,220 --> 01:11:17,020

perceived in the 80s and 90s not to get

1426

01:11:22,050 --> 01:11:20,230

off of the your book but staying on

1427

01:11:27,840 --> 01:11:22,060

serpo because i'm glad you brought that

1428

01:11:30,590 --> 01:11:27,850

up I I spent I think at one point Nick I

1429

01:11:33,860 --> 01:11:30,600

had read every single war

1430

01:11:38,600 --> 01:11:33,870

bird of the serpo documents which took

1431

01:11:43,940 --> 01:11:38,610

me months okay that was a very complex

1432

01:11:48,010 --> 01:11:43,950

deep massive project and I had always

1433

01:11:51,530 --> 01:11:48,020

thought from the beginning that this was

1434

01:11:54,140 --> 01:11:51,540

government whether it was a real story

1435

01:11:57,410 --> 01:11:54,150

I hate whether the exchange program and

1436

01:12:03,190 --> 01:11:57,420

the Jeep's and whatever that part of it

1437

01:12:08,090 --> 01:12:03,200

but that it was too complex too deep too

1438

01:12:09,590 --> 01:12:08,100

technical and and when I say complex I

1439

01:12:15,470 --> 01:12:09,600

don't think there's anything out there

1440

01:12:19,400 --> 01:12:15,480

like serpo right i it was and I've

1441

01:12:22,580 --> 01:12:19,410

always felt that it was CIA and I think

1442

01:12:25,160 --> 01:12:22,590

today I think we're pretty solid on that

1443

01:12:28,310 --> 01:12:25,170

that serpo may have been just come a

1444

01:12:31,730 --> 01:12:28,320

complete CIA Mockingbird type of

1445

01:12:34,010 --> 01:12:31,740

operation what do you think oh yeah I

1446

01:12:35,720 --> 01:12:34,020

mean I don't dispute that at all I mean

1447

01:12:38,060 --> 01:12:35,730

that's actually the scenario pretty much

1448

01:12:41,090 --> 01:12:38,070

that I talk about in the book that the

1449

01:12:44,060 --> 01:12:41,100

serpo documents were created by US

1450

01:12:46,880 --> 01:12:44,070

intelligence and written by Alice

1451

01:12:50,720 --> 01:12:46,890

Bradley Sheldon work for the CIA sci-fi

1452

01:12:53,330 --> 01:12:50,730

author and as someone who had the time

1453

01:12:57,470 --> 01:12:53,340

because it was her job you know to put

1454

01:12:59,990 --> 01:12:57,480

together all of these documents and then

1455

01:13:03,140 --> 01:13:00,000

have someone like a courier hand them

1456

01:13:06,680 --> 01:13:03,150

over to somebody Moscow and then Moscow

1457

01:13:09,550 --> 01:13:06,690

things oh my god you know the US has got

1458

01:13:13,220 --> 01:13:09,560

their hands on highly classified and

1459

01:13:15,650 --> 01:13:13,230

highly advanced alien technology they've

1460

01:13:17,810 --> 01:13:15,660

even met aliens and I think that was

1461

01:13:19,220 --> 01:13:17,820

probably the goal you know you have a

1462

01:13:22,790 --> 01:13:19,230

bunch of people sitting around in the

1463

01:13:26,810 --> 01:13:22,800

Kremlin panicking that you know the US

1464

01:13:29,030 --> 01:13:26,820

has got alien technology and so on but

1465

01:13:31,700 --> 01:13:29,040

what a some of these kind of interesting

1466

01:13:35,270 --> 01:13:31,710

and a little bit weird as well is that

1467

01:13:38,150 --> 01:13:35,280

the the mj-12 documents that famous

1468

01:13:40,820 --> 01:13:38,160

batch of about eight pages you know with

1469

01:13:44,630 --> 01:13:40,830

the with the truman signature on that

1470

01:13:48,980 --> 01:13:44,640

bill more Stan Freeman and Jamie Chandra

1471

01:13:51,920 --> 01:13:48,990

well they were first publicly made

1472

01:13:55,610 --> 01:13:51,930

available on in the newspapers and books

1473

01:13:58,070 --> 01:13:55,620

and so on in May 1987 the in terms of

1474

01:14:01,060 --> 01:13:58,080

books they the first reference was in

1475

01:14:04,450 --> 01:14:01,070

Tim Goods may 1987 book above top secret

1476

01:14:07,870 --> 01:14:04,460

now it just so happens in just days

1477

01:14:10,670 --> 01:14:07,880

around when the documents went public

1478

01:14:12,500 --> 01:14:10,680

Alex Bradley Sheldon actually shot her

1479

01:14:15,260 --> 01:14:12,510

husband and killed him and then shot

1480

01:14:17,770 --> 01:14:15,270

herself and killed herself which is kind

1481

01:14:20,630 --> 01:14:17,780

of like a really weird timing you know

1482

01:14:23,720 --> 01:14:20,640

what do you we've got a couple of

1483

01:14:26,600 --> 01:14:23,730

minutes to the break the other people

1484

01:14:29,990 --> 01:14:26,610

that were around serpo like Victor

1485

01:14:36,050 --> 01:14:30,000

Victor Martinez I'll say it out loud

1486

01:14:39,230 --> 01:14:36,060

bill Ryan Dodi for example to as well do

1487

01:14:44,510 --> 01:14:39,240

you think that they were aware you know

1488

01:14:47,390 --> 01:14:44,520

like Victor Martinez that this was not

1489

01:14:50,890 --> 01:14:47,400

what it seems that this could be you

1490

01:14:53,990 --> 01:14:50,900

know a government disinformation program

1491

01:14:56,270 --> 01:14:54,000

well they certainly knew the rumors but

1492

01:14:59,600 --> 01:14:56,280

the reason I personally though I don't

1493

01:15:01,910 --> 01:14:59,610

think they were in a position where they

1494

01:15:04,520 --> 01:15:01,920

thought this was disinformation you know

1495

01:15:07,130 --> 01:15:04,530

fabricated documents and I think one of

1496

01:15:09,500 --> 01:15:07,140

the main reasons why so many people

1497

01:15:11,650 --> 01:15:09,510

bought into it was because of the sheer

1498

01:15:14,510 --> 01:15:11,660

number of pages as you as you well know

1499

01:15:15,800 --> 01:15:14,520

you know put out yourself you know how

1500

01:15:18,440 --> 01:15:15,810

long it took you to read all this

1501  
01:15:21,110 --> 01:15:18,450  
material you know I think most people

1502  
01:15:24,650 --> 01:15:21,120  
would take the view with so much

1503  
01:15:28,160 --> 01:15:24,660  
material on serpo there's just no way

1504  
01:15:30,800 --> 01:15:28,170  
someone could take the time to fabricate

1505  
01:15:33,890 --> 01:15:30,810  
it or actually to have the tie him to do

1506  
01:15:36,230 --> 01:15:33,900  
it you know so but somebody like Alice

1507  
01:15:38,870 --> 01:15:36,240  
Bradley Sheldon would be the perfect

1508  
01:15:41,720 --> 01:15:38,880  
person because it wasn't something she'd

1509  
01:15:43,220 --> 01:15:41,730  
be doing you know hoaxing in a basement

1510  
01:15:46,190 --> 01:15:43,230  
you know after work

1511  
01:15:49,070 --> 01:15:46,200  
the her job was you know creating and

1512  
01:15:50,960 --> 01:15:49,080  
crafting things like this so you know

1513  
01:15:52,610 --> 01:15:50,970

when people said well this can't be a

1514

01:15:55,700 --> 01:15:52,620

hoax because there's just so much

1515

01:15:57,510 --> 01:15:55,710

material and no one could fake all this

1516

01:15:59,160 --> 01:15:57,520

well the answer is yes

1517

01:16:01,320 --> 01:15:59,170

somebody actually could do it you know

1518

01:16:05,580 --> 01:16:01,330

if they were working 9:00 to 5:00 Monday

1519

01:16:09,570 --> 01:16:05,590

to Friday in the CIA concocting bogus

1520

01:16:11,610 --> 01:16:09,580

UFO stories to to worry the Soviets

1521

01:16:20,940 --> 01:16:11,620

you know you're breaking hearts right

1522

01:16:23,280 --> 01:16:20,950

now there are I'm I'm yeah I mean I can

1523

01:16:25,830 --> 01:16:23,290

only say it as I see it you know I mean

1524

01:16:28,920 --> 01:16:25,840

I'm someone who he's a full-on believer

1525

01:16:30,600 --> 01:16:28,930

in the UFO phenomenon you know my the

1526

01:16:34,110 --> 01:16:30,610

reason I got involved in interesting

1527

01:16:36,360 --> 01:16:34,120

because my dad was a radar mechanic in

1528

01:16:38,370 --> 01:16:36,370

the Royal Air Force in the UK and he was

1529

01:16:40,530 --> 01:16:38,380

actually involved in several UFO

1530

01:16:43,410 --> 01:16:40,540

incidents and there's no doubt in my

1531

01:16:48,170 --> 01:16:43,420

mind that the UFO phenomenon is real

1532

01:16:50,640 --> 01:16:48,180

100% now whether it's extraterrestrial

1533

01:16:53,550 --> 01:16:50,650

multi-dimensional who knows what they

1534

01:16:56,700 --> 01:16:53,560

are but they they are interacting with

1535

01:16:59,870 --> 01:16:56,710

us and they're real however that hasn't

1536

01:17:03,530 --> 01:16:59,880

stopped intelligence agencies from

1537

01:17:06,930 --> 01:17:03,540

manipulating what is a genuine really

1538

01:17:08,990 --> 01:17:06,940

mystifying phenomenon and so that's

1539

01:17:10,920 --> 01:17:09,000

where things get more and more

1540

01:17:13,350 --> 01:17:10,930

controversial you know you've got the

1541

01:17:15,150 --> 01:17:13,360

real UFO phenomenon then you've got

1542

01:17:18,320 --> 01:17:15,160

people in the intelligence communities

1543

01:17:21,890 --> 01:17:18,330

of the east and west fabricating stories

1544

01:17:25,830 --> 01:17:21,900

based around what may have been real

1545

01:17:28,650 --> 01:17:25,840

actions and activity so you know it's

1546

01:17:31,310 --> 01:17:28,660

the story that I tell in the book is

1547

01:17:35,340 --> 01:17:31,320

very much more sort of like a tale of

1548

01:17:37,560 --> 01:17:35,350

espionage meets UFOs rather than a

1549

01:17:39,840 --> 01:17:37,570

straightforward UFO book and I don't

1550

01:17:42,000 --> 01:17:39,850

think really even though I say so myself

1551

01:17:45,270 --> 01:17:42,010

I don't really think anybody's sort of

1552

01:17:48,630 --> 01:17:45,280

really gone deeply down that path of how

1553

01:17:50,180 --> 01:17:48,640

and why the UFO subject has been the

1554

01:17:52,980 --> 01:17:50,190

tool of disinformation

1555

01:17:56,160 --> 01:17:52,990

counterintelligence psychological

1556

01:17:59,130 --> 01:17:56,170

warfare but but we now have the evidence

1557

01:18:03,420 --> 01:17:59,140

you know that that this phenomenon the

1558

01:18:07,650 --> 01:18:03,430

real phenomenon is being used as a means

1559

01:18:10,290 --> 01:18:07,660

to confuse the the potential enemy so to

1560

01:18:13,740 --> 01:18:10,300

speak yeah I couldn't wait to get

1561

01:18:16,620 --> 01:18:13,750

and and check the Serpa website to see a

1562

01:18:20,520 --> 01:18:16,630

victor posted an update all right I mean

1563

01:18:24,479 --> 01:18:20,530

it was like it consumed me it consumed

1564

01:18:28,560 --> 01:18:24,489

me and and at one point the point yeah

1565

01:18:30,649 --> 01:18:28,570

it consumed me and I felt that it was an

1566

01:18:34,410 --> 01:18:30,659

authentic government source

1567

01:18:37,350 --> 01:18:34,420

disinformation real not real I'd buy

1568

01:18:39,629 --> 01:18:37,360

that part didn't play into it for me but

1569

01:18:41,939 --> 01:18:39,639

I felt that this was real government

1570

01:18:45,060 --> 01:18:41,949

stuff going down I felt it in my bones

1571

01:18:48,720 --> 01:18:45,070

that today I can look back and say I was

1572

01:18:52,229 --> 01:18:48,730

right but that being said at a recent

1573

01:18:54,540 --> 01:18:52,239

UFO conference I'm walking I was with a

1574

01:18:57,930 --> 01:18:54,550

group of people and somebody came up

1575

01:18:59,520 --> 01:18:57,940

behind me and whispered in my ear Nick

1576

01:19:03,030 --> 01:18:59,530

I'm not making this up somebody

1577

01:19:05,819 --> 01:19:03,040

whispered in my ear serpo is real I have

1578

01:19:07,709 --> 01:19:05,829

info right and I turned on the light and

1579

01:19:15,180 --> 01:19:07,719

this person's walking away and I and and

1580

01:19:18,540 --> 01:19:15,190

I didn't care I didn't care people today

1581

01:19:21,569 --> 01:19:18,550

are still believers in the story they

1582

01:19:23,930 --> 01:19:21,579

are they can't let it go they can't well

1583

01:19:27,720 --> 01:19:23,940

I mean when you said you know about

1584

01:19:29,160 --> 01:19:27,730

breaking hearts but well maybe I am but

1585

01:19:31,680 --> 01:19:29,170

that's just the way I look it that's

1586

01:19:34,459 --> 01:19:31,690

just that's just too bad because you

1587

01:19:37,740 --> 01:19:34,469

know I think there's no point just

1588

01:19:40,709 --> 01:19:37,750

upholding cool stories because they're

1589

01:19:43,709 --> 01:19:40,719

cool and exciting you know we have to

1590

01:19:46,649 --> 01:19:43,719

get to the heart of what the phenomenon

1591

01:19:50,459 --> 01:19:46,659

is and who's doing all this manipulation

1592

01:19:52,620 --> 01:19:50,469

and if some cases turn out to be 100%

1593

01:19:55,740 --> 01:19:52,630

genuine as you as we always thought well

1594

01:19:58,220 --> 01:19:55,750

that's great if some of the but on the

1595

01:20:01,530 --> 01:19:58,230

other hand if some of these central

1596

01:20:04,950 --> 01:20:01,540

points if you like in ufology like mj-12

1597

01:20:07,319 --> 01:20:04,960

come crashing down well and we prove

1598

01:20:09,600 --> 01:20:07,329

that you know this was some sort of

1599

01:20:13,049 --> 01:20:09,610

counterintelligence program and not real

1600

01:20:15,030 --> 01:20:13,059

documents then you know that the only

1601

01:20:17,280 --> 01:20:15,040

thing I can say well that that is just

1602

01:20:19,379 --> 01:20:17,290

too bad and people are just going to

1603

01:20:21,240 --> 01:20:19,389

have to deal with it and get on with the

1604

01:20:23,130 --> 01:20:21,250

lies and get on with the UFO research

1605

01:20:28,260 --> 01:20:23,140

and

1606

01:20:30,000 --> 01:20:28,270

live in the past of you know oh I wish

1607

01:20:33,200 --> 01:20:30,010

those documents were real because that's

1608

01:20:37,140 --> 01:20:33,210

sort of a just such a weak pathetic

1609

01:20:39,750 --> 01:20:37,150

approach to take you know we've got to

1610

01:20:43,050 --> 01:20:39,760

focus on getting answers and whatever

1611

01:20:45,420 --> 01:20:43,060

the answers are we should go with them

1612

01:20:47,280 --> 01:20:45,430

if we get the solid answers let's go

1613

01:20:48,960 --> 01:20:47,290

with them even if it's not we want to

1614

01:20:52,280 --> 01:20:48,970

hear and if it is what we want to hear

1615

01:20:54,840 --> 01:20:52,290

well that's perfect Mick Redfern

1616

01:20:57,090 --> 01:20:54,850

bringing his a-game Nick stay right

1617

01:20:59,790 --> 01:20:57,100

there we'll take our break and when we

1618

01:21:01,980 --> 01:20:59,800

come back we'll talk about the alien

1619

01:21:04,770 --> 01:21:01,990

book a guide from extraterrestrial

1620

01:21:06,510 --> 01:21:04,780

beings here on earth I'm Errol Chevy

1621

01:21:10,850 --> 01:21:06,520

Church more of Nick Redfern after this

1622

01:21:23,760 --> 01:21:21,380

[Music]

1623

01:21:28,680 --> 01:21:23,770

welcome back fade to black i'm your host

1624

01:21:30,420 --> 01:21:28,690

jimmy church Nick Redfern is our guest

1625

01:21:33,330 --> 01:21:30,430

talking about his two new books and

1626  
01:21:35,910 --> 01:21:33,340  
we're gonna switch gears the alien book

1627  
01:21:38,700 --> 01:21:35,920  
a guide to extra-terrestrial beings here

1628  
01:21:41,880 --> 01:21:38,710  
on earth or on earth and Nick's check

1629  
01:21:43,950 --> 01:21:41,890  
this out I got today in the mail some to

1630  
01:21:46,050 --> 01:21:43,960  
me from David Icke his new book right

1631  
01:21:50,630 --> 01:21:46,060  
it's called the trigger

1632  
01:21:53,550 --> 01:21:50,640  
it's about 9/11 have you seen it yet no

1633  
01:22:03,450 --> 01:21:53,560  
it just got released but are you ready

1634  
01:22:07,020 --> 01:22:03,460  
are you ready 900 pages a very very very

1635  
01:22:09,120 --> 01:22:07,030  
small type and I'm looking at I'm so

1636  
01:22:12,840 --> 01:22:09,130  
intimidated but I got to read it you

1637  
01:22:15,150 --> 01:22:12,850  
know but 900 it's it's like bigger than

1638  
01:22:18,950 --> 01:22:15,160

the King James Bible man of weighs like

1639

01:22:22,140 --> 01:22:18,960

5 pounds I don't know how he does it

1640

01:22:29,640 --> 01:22:22,150

seriously now you write a 900-page book

1641

01:22:33,480 --> 01:22:29,650

this is it it's a lot of trees read and

1642

01:22:36,540 --> 01:22:33,490

this is a second 900-page book this year

1643

01:22:40,110 --> 01:22:36,550

man it's just this is crazy

1644

01:22:42,060 --> 01:22:40,120

ok just wanted to freak you out you know

1645

01:22:43,680 --> 01:22:42,070

what it's like you know you know what

1646

01:22:46,380 --> 01:22:43,690

it's like to write a book it's it's a

1647

01:22:48,750 --> 01:22:46,390

lot of work and a lot of research and to

1648

01:22:58,040 --> 01:22:48,760

crank out 900 pages how'd you like to be

1649

01:23:02,550 --> 01:22:58,050

the editor on this you know all right

1650

01:23:05,370 --> 01:23:02,560

now why hasn't somebody written a guide

1651

01:23:07,680 --> 01:23:05,380

to extraterrestrial beings yet you know

1652

01:23:14,460 --> 01:23:07,690

why you know why hasn't this book been

1653

01:23:18,510 --> 01:23:14,470

done what I would say is you know I mean

1654

01:23:20,190 --> 01:23:18,520

I think it's important as an author that

1655

01:23:23,130 --> 01:23:20,200

you know you you want to be able to give

1656

01:23:25,980 --> 01:23:23,140

the Raiders something new each time and

1657

01:23:29,250 --> 01:23:25,990

you know all together so far I've done

1658

01:23:31,200 --> 01:23:29,260

I think it's 54 or 55 books and it's

1659

01:23:32,750 --> 01:23:31,210

around about at that point anyway even

1660

01:23:35,450 --> 01:23:32,760

I've kind of lost

1661

01:23:38,810 --> 01:23:35,460

a little bit up weathermen is actually

1662

01:23:41,360 --> 01:23:38,820

is but anyway but I always think it's

1663

01:23:43,070 --> 01:23:41,370

important to be able to give you know

1664

01:23:46,070 --> 01:23:43,080

the reader something know whether it's a

1665

01:23:48,260 --> 01:23:46,080

new slant on an old case or you know

1666

01:23:51,500 --> 01:23:48,270

something that's just a totally new

1667

01:23:54,170 --> 01:23:51,510

period you know so I spend a lot of time

1668

01:23:56,060 --> 01:23:54,180

usually trying to figure out what should

1669

01:23:58,370 --> 01:23:56,070

I do is for the next book you know you

1670

01:24:00,410 --> 01:23:58,380

don't just want to go over our ground

1671

01:24:02,000 --> 01:24:00,420

which is why I did the flying sources

1672

01:24:05,990 --> 01:24:02,010

from the Kremlin book because he hadn't

1673

01:24:08,300 --> 01:24:06,000

really been done before and but the the

1674

01:24:10,000 --> 01:24:08,310

other one you're talking about the alien

1675

01:24:12,229 --> 01:24:10,010

book it's just actually just

1676

01:24:14,870 --> 01:24:12,239

coincidental that the two books have

1677

01:24:17,000 --> 01:24:14,880

come out together because once come out

1678

01:24:19,700 --> 01:24:17,010

the the alien books come out from

1679

01:24:22,280 --> 01:24:19,710

visible ink press and the Kremlin book

1680

01:24:27,200 --> 01:24:22,290

has come out from Lisa Hagin books

1681

01:24:29,210 --> 01:24:27,210

Lisa's my agents and the the company

1682

01:24:31,760 --> 01:24:29,220

visible in press that is the alien book

1683

01:24:33,520 --> 01:24:31,770

they all their books are basically the

1684

01:24:37,880 --> 01:24:33,530

same they're like four hundred pages

1685

01:24:41,380 --> 01:24:37,890

which is about my limit four hundred

1686

01:24:44,450 --> 01:24:41,390

pages long about 120 photographs and

1687

01:24:47,300 --> 01:24:44,460

they're typically done in like an A to Z

1688

01:24:50,270 --> 01:24:47,310

style so you can you know you can dive

1689

01:24:52,700 --> 01:24:50,280

in to various portions of the book

1690

01:24:54,350 --> 01:24:52,710

without having to you know think oh my

1691

01:24:57,680 --> 01:24:54,360

god you know I've got to wade through

1692

01:24:59,750 --> 01:24:57,690

400 pages from 1 to 400 you don't have

1693

01:25:02,720 --> 01:24:59,760

to do it you know you can look at a

1694

01:25:05,930 --> 01:25:02,730

chapter or a section on the black-eyed

1695

01:25:08,420 --> 01:25:05,940

children or the reptilians and just you

1696

01:25:11,210 --> 01:25:08,430

know go through it as you like and so I

1697

01:25:13,130 --> 01:25:11,220

spoke to the publishers when they said

1698

01:25:15,440 --> 01:25:13,140

you know have you got any new ideas Nick

1699

01:25:17,540 --> 01:25:15,450

and I said well what about a book that

1700

01:25:19,300 --> 01:25:17,550

kind of looks at all the different types

1701  
01:25:24,530 --> 01:25:19,310  
of aliens that people have reported

1702  
01:25:27,440 --> 01:25:24,540  
between 1947 and right now and they like

1703  
01:25:29,630 --> 01:25:27,450  
the idea of you know not just the greys

1704  
01:25:31,340 --> 01:25:29,640  
or not just the space brothers or not

1705  
01:25:34,750 --> 01:25:31,350  
just the reptilians but some really

1706  
01:25:39,200 --> 01:25:34,760  
weird and obscure cases as well so

1707  
01:25:40,460 --> 01:25:39,210  
that's basically the the way the book

1708  
01:25:43,729 --> 01:25:40,470  
came together but it was just

1709  
01:25:45,920 --> 01:25:43,739  
coincidence that the two books with two

1710  
01:25:46,340 --> 01:25:45,930  
different publishers decided to put them

1711  
01:25:47,870 --> 01:25:46,350  
out

1712  
01:25:50,950 --> 01:25:47,880  
pretty much at the same time as each

1713  
01:25:53,960 --> 01:25:50,960

other but you know there was no kind of

1714

01:25:56,060 --> 01:25:53,970

infighting it was just like okay well

1715

01:25:58,880 --> 01:25:56,070

both the books are different so neither

1716

01:26:00,950 --> 01:25:58,890

publisher really cared that much how did

1717

01:26:02,780 --> 01:26:00,960

you how did you compile the research

1718

01:26:05,030 --> 01:26:02,790

because you just stated the obvious

1719

01:26:07,670 --> 01:26:05,040

right we have grays and Nordics and

1720

01:26:10,010 --> 01:26:07,680

mantis beings and and reptilians

1721

01:26:13,400 --> 01:26:10,020

there's subgroups for each one of those

1722

01:26:16,010 --> 01:26:13,410

two as well but then there's everything

1723

01:26:22,790 --> 01:26:16,020

else how did you how did you base your

1724

01:26:25,490 --> 01:26:22,800

research by country by time it was I

1725

01:26:28,700 --> 01:26:25,500

guess time had allotted played into it a

1726

01:26:30,440 --> 01:26:28,710

lot I think more than anything else you

1727

01:26:33,290 --> 01:26:30,450

know I like to sort of take what I

1728

01:26:36,140 --> 01:26:33,300

consider like a journalistic approach to

1729

01:26:38,920 --> 01:26:36,150

what I do you know so you you sort of

1730

01:26:42,290 --> 01:26:38,930

seek out stories and witnesses and

1731

01:26:44,030 --> 01:26:42,300

government documents and if there are

1732

01:26:45,620 --> 01:26:44,040

cases from the past you know where

1733

01:26:48,950 --> 01:26:45,630

somebody had a really strange encounter

1734

01:26:51,350 --> 01:26:48,960

with a bizarre creature well you know

1735

01:26:53,630 --> 01:26:51,360

you try and find the person who it was

1736

01:26:56,210 --> 01:26:53,640

and if they're no longer around but

1737

01:26:57,920 --> 01:26:56,220

their grandchildren are you know I do

1738

01:27:00,710 --> 01:26:57,930

the proactive approach I track down

1739

01:27:02,120 --> 01:27:00,720

track him down and fouled him up you

1740

01:27:05,030 --> 01:27:02,130

know and say hey you know my name's Nick

1741

01:27:07,190 --> 01:27:05,040

Redfern etc writing a book on this would

1742

01:27:10,730 --> 01:27:07,200

be interested in sharing your

1743

01:27:12,920 --> 01:27:10,740

grandfather's and council back in 1921

1744

01:27:14,300 --> 01:27:12,930

or whatever you know I don't sort of

1745

01:27:18,020 --> 01:27:14,310

shyam not what these people shied away

1746

01:27:19,970 --> 01:27:18,030

from taking a proactive approach you

1747

01:27:23,120 --> 01:27:19,980

know I'll knock on doors and use the

1748

01:27:25,730 --> 01:27:23,130

Freedom of Information Act and you know

1749

01:27:28,430 --> 01:27:25,740

track down people who might have some

1750

01:27:30,290 --> 01:27:28,440

knowledge and in the same way you know

1751

01:27:32,120 --> 01:27:30,300

if you're a journalist living in a

1752

01:27:34,430 --> 01:27:32,130

little town and you're investigating a

1753

01:27:37,430 --> 01:27:34,440

local murder you know you get you put

1754

01:27:39,470 --> 01:27:37,440

all the pieces together and and track

1755

01:27:41,720 --> 01:27:39,480

down anyone who knows about it and

1756

01:27:45,410 --> 01:27:41,730

that's that's what I do you know I take

1757

01:27:49,250 --> 01:27:45,420

that approach to so compiling each

1758

01:27:50,300 --> 01:27:49,260

chapter in the book how many I want two

1759

01:27:53,680 --> 01:27:50,310

numbers from you

1760

01:27:56,990 --> 01:27:53,690

the first one is how many different

1761

01:27:57,899 --> 01:27:57,000

types of beings did you think you were

1762

01:28:01,140 --> 01:27:57,909

gonna write about

1763

01:28:04,709 --> 01:28:01,150

and then ultimately how many made it in

1764

01:28:06,810 --> 01:28:04,719

the book well that's a good point

1765

01:28:09,450 --> 01:28:06,820

because I initially I thought it

1766

01:28:11,399 --> 01:28:09,460

probably would be round about twenty

1767

01:28:13,589 --> 01:28:11,409

twenty-five because admittedly most

1768

01:28:16,589 --> 01:28:13,599

people do think about the space brothers

1769

01:28:19,740 --> 01:28:16,599

the greys the reptilians and then a few

1770

01:28:22,649 --> 01:28:19,750

kind of offshoots but when the book was

1771

01:28:25,470 --> 01:28:22,659

completed there's actually close to

1772

01:28:29,790 --> 01:28:25,480

fifty different chapters in the book on

1773

01:28:31,859 --> 01:28:29,800

different types of aliens alien

1774

01:28:34,319 --> 01:28:31,869

creatures that have been seen over the

1775

01:28:37,140 --> 01:28:34,329

years and and it sort of crosses

1776

01:28:39,240 --> 01:28:37,150

everything from those three obviously

1777

01:28:41,790 --> 01:28:39,250

the work the most well known types of

1778

01:28:44,189 --> 01:28:41,800

entities that have been seen but then

1779

01:28:46,680 --> 01:28:44,199

again you you know you've got some some

1780

01:28:48,390 --> 01:28:46,690

creatures that just pops at once like

1781

01:28:51,180 --> 01:28:48,400

the famous story of the flatwoods

1782

01:28:54,089 --> 01:28:51,190

monster or West Virginia right with this

1783

01:28:55,410 --> 01:28:54,099

yeah I mean that's like a including that

1784

01:28:59,310 --> 01:28:55,420

in the book not just because it was a

1785

01:29:00,479 --> 01:28:59,320

fascinating story but also because he

1786

01:29:02,669 --> 01:29:00,489

was like a one-off thing

1787

01:29:07,490 --> 01:29:02,679

nothing like the flatwoods monster was

1788

01:29:09,839 --> 01:29:07,500

ever seen again and then you've got more

1789

01:29:11,580 --> 01:29:09,849

modern-day stuff like the black-eyed

1790

01:29:14,370 --> 01:29:11,590

children which I've got a lengthy

1791

01:29:16,979 --> 01:29:14,380

chapter on the under black-eyed children

1792

01:29:21,540 --> 01:29:16,989

you know these sort of pale faced

1793

01:29:23,790 --> 01:29:21,550

black-eyed hybrid human alien creatures

1794

01:29:27,120 --> 01:29:23,800

have you want to term them and also got

1795

01:29:30,720 --> 01:29:27,130

some sort of ancient astronaut stories

1796

01:29:33,330 --> 01:29:30,730

like for example you know if you look

1797

01:29:36,510 --> 01:29:33,340

back into the distant past like quetzal

1798

01:29:39,479 --> 01:29:36,520

Kotal you know that has been perceived

1799

01:29:42,089 --> 01:29:39,489

by ancient astronaut researchers as a

1800

01:29:44,459 --> 01:29:42,099

some sort of extraterrestrials so you

1801  
01:29:47,550 --> 01:29:44,469  
know I really try and split it up and

1802  
01:29:51,720 --> 01:29:47,560  
also you know creatures like the

1803  
01:29:53,640 --> 01:29:51,730  
chupacabra and also cases where Bigfoot

1804  
01:29:57,030 --> 01:29:53,650  
creatures have been seen at the same

1805  
01:30:00,569 --> 01:29:57,040  
time and location as UFOs suggesting a

1806  
01:30:05,270 --> 01:30:00,579  
potential UFO link to Bigfoot so there's

1807  
01:30:08,640 --> 01:30:05,280  
like a lot of variation in terms of the

1808  
01:30:11,220 --> 01:30:08,650  
potential creatures or aliens but you

1809  
01:30:14,400 --> 01:30:11,230  
know I've looked into what was the

1810  
01:30:18,890 --> 01:30:14,410  
one I mean for even Nick Redfern where

1811  
01:30:22,260 --> 01:30:18,900  
you want okay now this is interesting

1812  
01:30:25,740 --> 01:30:22,270  
yeah what's the one that stood out but

1813  
01:30:30,510 --> 01:30:25,750

you didn't know before mmm yeah that you

1814

01:30:33,870 --> 01:30:30,520

didn't know of before well I mean one of

1815

01:30:35,960 --> 01:30:33,880

the sort of more disturbing ones but

1816

01:30:38,990 --> 01:30:35,970

sort of I guess to a degree

1817

01:30:42,030 --> 01:30:39,000

sensationalized as well is the issue of

1818

01:30:45,570 --> 01:30:42,040

people who've died allegedly at the

1819

01:30:49,140 --> 01:30:45,580

hands of extraterrestrials there's some

1820

01:30:52,800 --> 01:30:49,150

really weird and sinister stories that I

1821

01:30:54,960 --> 01:30:52,810

include in the book in one in relation

1822

01:30:57,740 --> 01:30:54,970

to the Bigfoot stories where they've

1823

01:31:00,960 --> 01:30:57,750

been sightings of Bigfoots and UFOs and

1824

01:31:03,390 --> 01:31:00,970

people have gone missing and there been

1825

01:31:06,060 --> 01:31:03,400

stories of people bodies being found

1826

01:31:11,040 --> 01:31:06,070

sort of torn to pieces you know by these

1827

01:31:13,430 --> 01:31:11,050

creatures and and also where people for

1828

01:31:16,979 --> 01:31:13,440

example event pilots you know

1829

01:31:19,950 --> 01:31:16,989

encountered UFOs and gone missing a

1830

01:31:24,630 --> 01:31:19,960

famous one from 1953 the Kinross case

1831

01:31:29,040 --> 01:31:24,640

where a military pilot was pursuing a

1832

01:31:32,070 --> 01:31:29,050

UFO over Michigan Lake Michigan and the

1833

01:31:34,560 --> 01:31:32,080

plane vanished and the UFO vanished so

1834

01:31:38,550 --> 01:31:34,570

that's one of the sort of one of the

1835

01:31:41,490 --> 01:31:38,560

more oh I guess sort of like a you know

1836

01:31:43,590 --> 01:31:41,500

it's complete completely out of the you

1837

01:31:46,080 --> 01:31:43,600

know the charts so to speak when you're

1838

01:31:49,350 --> 01:31:46,090

talking about aliens that may actually

1839

01:31:52,320 --> 01:31:49,360

be using us as a food source you know so

1840

01:31:55,650 --> 01:31:52,330

it gets into some controversial areas

1841

01:31:57,840 --> 01:31:55,660

that go you know far beyond just talking

1842

01:32:00,590 --> 01:31:57,850

about well this alien looks like this or

1843

01:32:05,670 --> 01:32:00,600

this alien looks like that you know and

1844

01:32:07,229 --> 01:32:05,680

there's been a lot of talk lately and

1845

01:32:09,180 --> 01:32:07,239

certainly the film was just released

1846

01:32:14,840 --> 01:32:09,190

about this to extraordinary this eating

1847

01:32:18,680 --> 01:32:14,850

about hybrids and hybrid children

1848

01:32:20,510 --> 01:32:18,690

may be here they may also you know and

1849

01:32:24,350 --> 01:32:20,520

take an off planet and live somewhere

1850

01:32:27,320 --> 01:32:24,360

else but that this seating program is is

1851  
01:32:29,540 --> 01:32:27,330  
worldwide you know there are potentially

1852  
01:32:33,530 --> 01:32:29,550  
millions of people that are involved in

1853  
01:32:36,170 --> 01:32:33,540  
this in which case it could be aliens

1854  
01:32:39,380 --> 01:32:36,180  
among us you know daily and we don't

1855  
01:32:41,420 --> 01:32:39,390  
even know about it well yeah that's a

1856  
01:32:45,340 --> 01:32:41,430  
good point because I actually do I've

1857  
01:32:49,030 --> 01:32:45,350  
got several chapters within the book

1858  
01:32:51,800 --> 01:32:49,040  
which deal with aliens that must

1859  
01:32:54,320 --> 01:32:51,810  
potentially at least may be able to

1860  
01:32:58,160 --> 01:32:54,330  
maneuver among us purely and simply

1861  
01:33:00,920 --> 01:32:58,170  
because they look so much just like us I

1862  
01:33:03,530 --> 01:33:00,930  
mean certainly you know you can go back

1863  
01:33:06,410 --> 01:33:03,540

to the early 50s with a damn ski and Van

1864

01:33:09,350 --> 01:33:06,420

Tassel and people like that all of those

1865

01:33:12,470 --> 01:33:09,360

people then you know reportedly aliens

1866

01:33:15,110 --> 01:33:12,480

and looking extremely eerily you know

1867

01:33:17,090 --> 01:33:15,120

similar to us and the only differences

1868

01:33:20,000 --> 01:33:17,100

were that they had sort of you know

1869

01:33:21,470 --> 01:33:20,010

really long hair which the guys didn't

1870

01:33:24,350 --> 01:33:21,480

have you know but hanging there like

1871

01:33:26,660 --> 01:33:24,360

forties and fifties nobody above women

1872

01:33:28,910 --> 01:33:26,670

you know had long hair and I said I did

1873

01:33:31,190 --> 01:33:28,920

stand out and the other aspect being

1874

01:33:34,400 --> 01:33:31,200

that they were very often extremely tall

1875

01:33:37,340 --> 01:33:34,410

like six or eight six foot nine but I

1876

01:33:41,750 --> 01:33:37,350

would say for sure that in the modern

1877

01:33:43,750 --> 01:33:41,760

era at least the the entities that are

1878

01:33:46,910 --> 01:33:43,760

sort of perceived as you know

1879

01:33:49,190 --> 01:33:46,920

human-alien hybrids would be the

1880

01:33:52,220 --> 01:33:49,200

black-eyed children and you know

1881

01:33:54,440 --> 01:33:52,230

typically they're described as knocking

1882

01:33:57,200 --> 01:33:54,450

on people's doors late at night and

1883

01:33:59,630 --> 01:33:57,210

trying to find a way to be invited into

1884

01:34:02,450 --> 01:33:59,640

the house which very much parallels the

1885

01:34:04,250 --> 01:34:02,460

old legends of how vampires had to be

1886

01:34:07,970 --> 01:34:04,260

invited into the home before they could

1887

01:34:10,940 --> 01:34:07,980

cross the threshold so to speak and most

1888

01:34:13,730 --> 01:34:10,950

people describe the black-eyed children

1889

01:34:16,220 --> 01:34:13,740

as wearing black hoodies with the hood

1890

01:34:18,230 --> 01:34:16,230

pulled right down as far as it can go so

1891

01:34:20,600 --> 01:34:18,240

people don't actually get to see their

1892

01:34:23,960 --> 01:34:20,610

faces very well but the skin is

1893

01:34:27,660 --> 01:34:23,970

described as being very pale and almost

1894

01:34:30,620 --> 01:34:27,670

plastic light and and as well

1895

01:34:34,050 --> 01:34:30,630

that there kind of had this hypnotic

1896

01:34:36,510 --> 01:34:34,060

ability where people have said that they

1897

01:34:39,689 --> 01:34:36,520

got a really weird and creepy vibe from

1898

01:34:41,939 --> 01:34:39,699

the black-eyed children and they knew

1899

01:34:44,520 --> 01:34:41,949

they shouldn't open the door but they

1900

01:34:46,860 --> 01:34:44,530

they could see their hand going towards

1901

01:34:50,189 --> 01:34:46,870

the door as if something was actually

1902

01:34:51,689 --> 01:34:50,199

controlling their mind and forcing them

1903

01:34:54,930 --> 01:34:51,699

to open the door now

1904

01:34:56,580 --> 01:34:54,940

of the very few people who have said the

1905

01:35:00,660 --> 01:34:56,590

black-eyed children have actually

1906

01:35:02,910 --> 01:35:00,670

managed to get inside the home just

1907

01:35:05,729 --> 01:35:02,920

about all of them have said that within

1908

01:35:08,010 --> 01:35:05,739

quite literally seconds of being in the

1909

01:35:11,340 --> 01:35:08,020

presence of the black-eyed children they

1910

01:35:14,729 --> 01:35:11,350

started to feel weak and tired kind of

1911

01:35:16,800 --> 01:35:14,739

like as one explained it kind of like if

1912

01:35:20,340 --> 01:35:16,810

a diabetic was crashing you know they'd

1913

01:35:22,229 --> 01:35:20,350

miss breakfast miss lunch and then it

1914

01:35:24,540 --> 01:35:22,239

was like 11 o'clock at night they've got

1915

01:35:27,510 --> 01:35:24,550

a major case of the shakes and they feel

1916

01:35:29,280 --> 01:35:27,520

really ill and sweaty and cold that's

1917

01:35:31,229 --> 01:35:29,290

how people have described it when the

1918

01:35:33,650 --> 01:35:31,239

black-eyed children get in the house

1919

01:35:37,470 --> 01:35:33,660

it's like they're like a supernatural

1920

01:35:40,950 --> 01:35:37,480

parasite you know and their their goal

1921

01:35:42,780 --> 01:35:40,960

may literally be to sort of drain us of

1922

01:35:45,390 --> 01:35:42,790

our life force in that sense there would

1923

01:35:47,790 --> 01:35:45,400

be like an extraterrestrial vampire

1924

01:35:50,550 --> 01:35:47,800

almost if you like and that's that's one

1925

01:35:52,229 --> 01:35:50,560

of the angles that I talked about in one

1926

01:35:55,410 --> 01:35:52,239

of the specific chapters in the book

1927

01:35:59,160 --> 01:35:55,420

with Van Tassel you brought this up a

1928

01:36:02,850 --> 01:35:59,170

few times tonight and Van Tassel was

1929

01:36:05,040 --> 01:36:02,860

somebody that I've reached I've taken it

1930

01:36:07,680 --> 01:36:05,050

about as far as I can go right with a

1931

01:36:12,630 --> 01:36:07,690

George Van Tassel and him in Adamski

1932

01:36:18,750 --> 01:36:12,640

talking about their contact with with

1933

01:36:20,760 --> 01:36:18,760

the venetians Venusians they the

1934

01:36:23,760 --> 01:36:20,770

research that we had on Venus back in

1935

01:36:26,729 --> 01:36:23,770

the 50s was very incomplete then we

1936

01:36:29,669 --> 01:36:26,739

found out more about Venus and certainly

1937

01:36:31,680 --> 01:36:29,679

sent probes out to Venus and found out

1938

01:36:35,250 --> 01:36:31,690

that you know the temperature and what

1939

01:36:37,709 --> 01:36:35,260

Venus actually was changed our views

1940

01:36:38,540 --> 01:36:37,719

about the possibility of life being

1941

01:36:40,790 --> 01:36:38,550

there

1942

01:36:42,919 --> 01:36:40,800

then two days ago I don't know if you

1943

01:36:46,700 --> 01:36:42,929

read this but I'll just let you know you

1944

01:36:50,240 --> 01:36:46,710

can check it out this report in the

1945

01:36:55,100 --> 01:36:50,250

journal science was just released that

1946

01:36:58,609 --> 01:36:55,110

Venus was moderate temperatures until

1947

01:37:01,160 --> 01:36:58,619

700 million years ago and had all of the

1948

01:37:05,959 --> 01:37:01,170

water and everything that was needed an

1949

01:37:09,169 --> 01:37:05,969

oxygen for three billion years only

1950

01:37:11,780 --> 01:37:09,179

until recently has the temperatures

1951

01:37:14,720 --> 01:37:11,790

risen there and you know turning it into

1952

01:37:18,229 --> 01:37:14,730

the hellhole that it is today but it

1953

01:37:21,339 --> 01:37:18,239

makes you wonder now about Van Tassel

1954

01:37:24,470 --> 01:37:21,349

and what others were talking about I

1955

01:37:26,359 --> 01:37:24,480

after reading that report Nick I just

1956

01:37:29,149 --> 01:37:26,369

thought maybe they're underground maybe

1957

01:37:32,569 --> 01:37:29,159

there was something really to what

1958

01:37:34,339 --> 01:37:32,579

George Van Tassel had to say what did

1959

01:37:37,490 --> 01:37:34,349

you get a chance to read that report or

1960

01:37:40,010 --> 01:37:37,500

zine in the news I actually haven't seen

1961

01:37:42,530 --> 01:37:40,020

that report but I will but there's

1962

01:37:44,089 --> 01:37:42,540

several things you you said actually

1963

01:37:46,160 --> 01:37:44,099

stand out

1964

01:37:47,839 --> 01:37:46,170

I mean you point out you know the fact

1965

01:37:50,839 --> 01:37:47,849

that in the distant past

1966

01:37:53,569 --> 01:37:50,849

you know Venus may have been hospitable

1967

01:37:56,209 --> 01:37:53,579

and you know had a good climate and

1968

01:37:58,760 --> 01:37:56,219

oxygen I mean that's actually not too

1969

01:38:00,950 --> 01:37:58,770

dissimilar for what we know from NASA's

1970

01:38:04,459 --> 01:38:00,960

probes that have been sent to Mars you

1971

01:38:06,350 --> 01:38:04,469

know where it's very clear but you know

1972

01:38:10,069 --> 01:38:06,360

in the distant past that Mars had

1973

01:38:11,629 --> 01:38:10,079

abundant amounts of water you know and

1974

01:38:14,660 --> 01:38:11,639

we're not talking about just at the

1975

01:38:16,490 --> 01:38:14,670

polar ice caps in the form of ice but

1976

01:38:18,709 --> 01:38:16,500

you know sort of massive lakes and

1977

01:38:22,280 --> 01:38:18,719

possibly it's been theorized you know

1978

01:38:24,979 --> 01:38:22,290

oceans on Mars now a friend of mine did

1979

01:38:27,950 --> 01:38:24,989

the light Mac Tony's he he died young at

1980

01:38:30,470 --> 01:38:27,960

34 of heart disease but before he died

1981

01:38:33,350 --> 01:38:30,480

Mac wrote a book called the crypto

1982

01:38:36,439 --> 01:38:33,360

terrestrials which looked at the idea of

1983

01:38:38,270 --> 01:38:36,449

an ancient race which could either have

1984

01:38:41,870 --> 01:38:38,280

being an ancient human race or now

1985

01:38:45,979 --> 01:38:41,880

ancient extraterrestrial race the putz

1986

01:38:48,350 --> 01:38:45,989

came to the earth and actually decided

1987

01:38:51,740 --> 01:38:48,360

that the best way to live on our planet

1988

01:38:52,370 --> 01:38:51,750

and to avoid this warlike race called

1989

01:38:57,260 --> 01:38:52,380

the human

1990

01:38:59,060 --> 01:38:57,270

would be to live underground and and

1991

01:39:02,270 --> 01:38:59,070

although his book was written in a very

1992

01:39:05,300 --> 01:39:02,280

sort of hypothetical way he did sort of

1993

01:39:08,330 --> 01:39:05,310

address those those actual points the

1994

01:39:11,690 --> 01:39:08,340

idea of you know say a faraway world

1995

01:39:14,540 --> 01:39:11,700

that was destroyed or that was on the

1996

01:39:18,230 --> 01:39:14,550

brink of destruction and they sort of

1997

01:39:20,750 --> 01:39:18,240

migrated to the earth and decided to

1998

01:39:24,380 --> 01:39:20,760

keep away from us and could have been

1999

01:39:28,250 --> 01:39:24,390

responsible you know for today's you UFO

2000

01:39:30,470 --> 01:39:28,260

encounters but possibly the idea that

2001

01:39:33,380 --> 01:39:30,480

you know they don't they've never gone

2002

01:39:36,530 --> 01:39:33,390

home to their home planets but may well

2003

01:39:41,060 --> 01:39:36,540

sort of be hidden parties on our own

2004

01:39:44,660 --> 01:39:41,070

world I have I've said this many times

2005

01:39:47,660 --> 01:39:44,670

there are two people there's many but

2006

01:39:49,640 --> 01:39:47,670

they're two that stand out that I I will

2007

01:39:53,420 --> 01:39:49,650

never get a chance to interview and and

2008

01:39:57,890 --> 01:39:53,430

didn't one being Lloyd Pye and the other

2009

01:40:02,690 --> 01:39:57,900

one Mac Mac Tony's and yeah he died at

2010

01:40:05,900 --> 01:40:02,700

thirty-four what was he like well Mac

2011

01:40:08,480 --> 01:40:05,910

was a good guy he died unfortunately of

2012

01:40:10,160 --> 01:40:08,490

heart disease you know it's just one of

2013

01:40:13,040 --> 01:40:10,170

those things that unfortunately happens

2014

01:40:14,870 --> 01:40:13,050

that sometimes a young person gets heart

2015

01:40:19,130 --> 01:40:14,880

disease and that that's what happened

2016

01:40:22,040 --> 01:40:19,140

with Mac but he's two books he wrote two

2017

01:40:25,430 --> 01:40:22,050

non-fiction books both of which kind of

2018

01:40:27,890 --> 01:40:25,440

melted into each other one was called

2019

01:40:29,510 --> 01:40:27,900

after the Martian apocalypse and the

2020

01:40:32,830 --> 01:40:29,520

other one was his book the Krypto

2021

01:40:37,810 --> 01:40:32,840

terrestrials now after the Martian

2022

01:40:41,570 --> 01:40:37,820

apocalypse was a very good solid and

2023

01:40:43,940 --> 01:40:41,580

largely free of speculation in relation

2024

01:40:45,530 --> 01:40:43,950

to things like the face on Mars and you

2025

01:40:48,680 --> 01:40:45,540

know these pyramid structures that

2026

01:40:51,290 --> 01:40:48,690

people talk about and the rest riyals

2027

01:40:54,310 --> 01:40:51,300

look to the side here believe an ancient

2028

01:40:57,260 --> 01:40:54,320

human or an ancient extraterrestrial

2029

01:40:59,960 --> 01:40:57,270

civilization possibly very enforced to

2030

01:41:02,120 --> 01:40:59,970

go from their world to here and as it

2031

01:41:04,580 --> 01:41:02,130

said sort of borrowing you know

2032

01:41:05,810 --> 01:41:04,590

thousands of feet under the earth and

2033

01:41:08,750 --> 01:41:05,820

living there and just

2034

01:41:11,420 --> 01:41:08,760

now and again surfacing but Mac Mac was

2035

01:41:13,490 --> 01:41:11,430

someone he sort of ups and portrayed is

2036

01:41:15,140 --> 01:41:13,500

like a very intense sort of type

2037

01:41:18,230 --> 01:41:15,150

character but he wasn't he was just

2038

01:41:20,840 --> 01:41:18,240

someone who was very driven by what he

2039

01:41:23,540 --> 01:41:20,850

liked to do but also you know in a very

2040

01:41:28,040 --> 01:41:23,550

good sense of humor and you know a good

2041

01:41:30,110 --> 01:41:28,050

social life and you know he other words

2042

01:41:34,640 --> 01:41:30,120

he was someone but he was someone I

2043

01:41:36,980 --> 01:41:34,650

should say who was very driven in terms

2044

01:41:39,200 --> 01:41:36,990

of fact that his beta you know he wasn't

2045

01:41:41,780 --> 01:41:39,210

someone who speculated a great day and

2046

01:41:44,090 --> 01:41:41,790

he was just just the facts plays that

2047

01:41:45,950 --> 01:41:44,100

kind of thing working everybody I want

2048

01:41:48,440 --> 01:41:45,960

to thank you Nick what a great

2049

01:41:51,260 --> 01:41:48,450

conversation tonight just amazing

2050

01:41:58,940 --> 01:41:51,270

where can everybody go and find out all

2051  
01:42:00,770 --> 01:41:58,950  
of your books I think that 40% of them

2052  
01:42:01,580 --> 01:42:00,780  
you can get off the shelves in Barnes

2053  
01:42:04,100 --> 01:42:01,590  
and Noble

2054  
01:42:08,000 --> 01:42:04,110  
if you want to concept me Nick Redfern

2055  
01:42:10,210 --> 01:42:08,010  
ufo's my Twitter accounts I blog world

2056  
01:42:12,350 --> 01:42:10,220  
of whatever you can reach me there and

2057  
01:42:14,480 --> 01:42:12,360  
Facebook as well there's a bunch inning

2058  
01:42:16,700 --> 01:42:14,490  
Redferns but scroll down and you'll see

2059  
01:42:20,030 --> 01:42:16,710  
me so thank you so much are you speaking

2060  
01:42:22,640 --> 01:42:20,040  
anywhere what are you doing yeah

2061  
01:42:25,940 --> 01:42:22,650  
actually roughly this time next month

2062  
01:42:27,980 --> 01:42:25,950  
are they at the Texas Bigfoot conference

2063  
01:42:31,040 --> 01:42:27,990

in Jefferson Texas and then the

2064

01:42:33,440 --> 01:42:31,050

following week also in Texas I'll be at

2065

01:42:37,790 --> 01:42:33,450

the goal and festival which are my other

2066

01:42:40,820 --> 01:42:37,800

big interests cryptozoology and then in

2067

01:42:42,800 --> 01:42:40,830

early November I'll be speaking at the

2068

01:42:45,260 --> 01:42:42,810

conference of the unexplained in

2069

01:42:50,120 --> 01:42:45,270

Pennsylvania thank you so much Nick

2070

01:42:53,660 --> 01:42:50,130

enjoy the rest of your night Nick

2071

01:42:55,550 --> 01:42:53,670

Redfern and Nick's links are right there

2072

01:42:58,310 --> 01:42:55,560

at Jimmy Church radio.com

2073

01:43:00,650 --> 01:42:58,320

you can go and click Nick Redfern 14

2074

01:43:03,950 --> 01:43:00,660

blogspot.com right there to me Church

2075

01:43:05,860 --> 01:43:03,960

radio and everything you need is right

2076  
01:43:08,360 --> 01:43:05,870  
there I'm gonna take a quick break and

2077  
01:43:11,300 --> 01:43:08,370  
I'll be back and I'm gonna open up the

2078  
01:43:14,810 --> 01:43:11,310  
phone lines let's go open lines for the

2079  
01:43:17,180 --> 01:43:14,820  
next half hour like we always do seven

2080  
01:43:18,040 --> 01:43:17,190  
four seven two two eight two zero five

2081  
01:43:22,770 --> 01:43:18,050  
one I'll be right

2082  
01:43:22,780 --> 01:43:32,199  
[Music]

2083  
01:43:39,109 --> 01:43:34,310  
welcome back fade to black I'm real

2084  
01:43:42,589 --> 01:43:39,119  
super Church Thank You Nick Redfern Wow

2085  
01:43:43,250 --> 01:43:42,599  
Oh great conversation both books are

2086  
01:43:44,869 --> 01:43:43,260  
amazing

2087  
01:43:49,609 --> 01:43:44,879  
and you can just head over to Nick's

2088  
01:43:52,699 --> 01:43:49,619

site and and pick them up the they're

2089

01:43:54,379 --> 01:43:52,709

both amazing he mentioned oh by the way

2090

01:43:57,439 --> 01:43:54,389

phone lines are open seven four seven

2091

01:43:59,959 --> 01:43:57,449

two two eight two zero five one will go

2092

01:44:03,799 --> 01:43:59,969

open lines for this last segment

2093

01:44:07,250 --> 01:44:03,809

he mentioned fifty five books and I've

2094

01:44:10,819 --> 01:44:07,260

got like a Nick Redfern shelf it's all I

2095

01:44:13,819 --> 01:44:10,829

could say and I just enjoyed reading

2096

01:44:18,139 --> 01:44:13,829

them all seven four seven two two eight

2097

01:44:19,520 --> 01:44:18,149

two zero five one open lines right now

2098

01:44:20,779 --> 01:44:19,530

let's go straight to the phones hi

2099

01:44:22,569 --> 01:44:20,789

you're live on fade to black who's

2100

01:44:26,419 --> 01:44:22,579

calling

2101

01:44:29,149 --> 01:44:26,429

Nathan oh hi oh hey Nathan in Ohio how

2102

01:44:33,080 --> 01:44:29,159

are you I'm good

2103

01:44:38,270 --> 01:44:33,090

hi first thing ever request as a fan of

2104

01:44:42,169 --> 01:44:38,280

the show that you do some Q&A is with

2105

01:44:45,529 --> 01:44:42,179

some people soon q and A's isn't that

2106

01:44:49,639 --> 01:44:45,539

what I do every night Nathan well I mean

2107

01:44:53,049 --> 01:44:49,649

I guess but see I'm not I guess I like

2108

01:44:57,589 --> 01:44:53,059

being able to call and ask a question oh

2109

01:44:59,929 --> 01:44:57,599

I see you want you want to be able to

2110

01:45:04,939 --> 01:44:59,939

call in and speak to the guests yeah we

2111

01:45:09,889 --> 01:45:04,949

can do that I mean yeah sure anybody's

2112

01:45:13,489 --> 01:45:09,899

specific that you have in mind well you

2113

01:45:15,379 --> 01:45:13,499

know the thought that I had about it was

2114

01:45:17,750 --> 01:45:15,389

this see I was one of the one of the

2115

01:45:21,229 --> 01:45:17,760

left I was one of the last people to I

2116

01:45:24,109 --> 01:45:21,239

was on the show that was Jim Martha's

2117

01:45:26,629 --> 01:45:24,119

last shell uh-huh and that's what kind

2118

01:45:31,669 --> 01:45:26,639

of inspired this thought in my mind the

2119

01:45:34,219 --> 01:45:31,679

other day and it's all about a specific

2120

01:45:40,219 --> 01:45:34,229

person but you might focus on people

2121

01:45:43,429 --> 01:45:40,229

that you know really have vast knowledge

2122

01:45:44,660 --> 01:45:43,439

on maybe pick a specific subject each

2123

01:45:50,840 --> 01:45:44,670

night

2124

01:45:53,600 --> 01:45:50,850

and do one that pick somebody that knows

2125

01:45:59,540 --> 01:45:53,610

that subject well enough to answer the

2126

01:46:03,440 --> 01:45:59,550

questions you know yeah and we the there

2127

01:46:07,430 --> 01:46:03,450

isn't any reason why I don't go to open

2128

01:46:11,480 --> 01:46:07,440

lines one thing that I have found and

2129

01:46:15,380 --> 01:46:11,490

this is just me that when I have two

2130

01:46:21,800 --> 01:46:15,390

hours with a guest each night

2131

01:46:24,110 --> 01:46:21,810

I don't have time to to go to open lines

2132

01:46:26,900 --> 01:46:24,120

because we're always me deep in it like

2133

01:46:30,470 --> 01:46:26,910

tonight with Nick right there was just

2134

01:46:34,370 --> 01:46:30,480

so much stuff to cover and going to open

2135

01:46:36,770 --> 01:46:34,380

lines would take away from my time with

2136

01:46:39,860 --> 01:46:36,780

him and I know that's being a little bit

2137

01:46:43,550 --> 01:46:39,870

selfish in some regards but it's just

2138

01:46:46,550 --> 01:46:43,560

that I always run out of time and when I

2139

01:46:50,300 --> 01:46:46,560

have and this is another way to look at

2140

01:46:54,110 --> 01:46:50,310

it most some guests are from the west

2141

01:46:55,970 --> 01:46:54,120

coast most are not right there on a

2142

01:46:57,920 --> 01:46:55,980

different time zone they're in a

2143

01:47:01,070 --> 01:46:57,930

different time zone so if I have

2144

01:47:03,590 --> 01:47:01,080

somebody from New York or from Chicago

2145

01:47:08,720 --> 01:47:03,600

or from Florida or whatever like Nick is

2146

01:47:13,550 --> 01:47:08,730

in Texas he's two hours ahead so right

2147

01:47:16,250 --> 01:47:13,560

now for Nick it's 11:30 at night right

2148

01:47:18,380 --> 01:47:16,260

and I and I have to respect that part of

2149

01:47:21,260 --> 01:47:18,390

it too and and and that's it I don't

2150

01:47:24,710 --> 01:47:21,270

have a specific reason other than it's a

2151  
01:47:29,420 --> 01:47:24,720  
time thing but I'm bringing on somebody

2152  
01:47:32,180 --> 01:47:29,430  
specifically to do a Q&A like an AMA

2153  
01:47:33,530 --> 01:47:32,190  
type Q&A and just do a broadcast like

2154  
01:47:35,690 --> 01:47:33,540  
that I think that's a great idea

2155  
01:47:37,610 --> 01:47:35,700  
you know that's why I was asking you did

2156  
01:47:40,880 --> 01:47:37,620  
you have somebody's specific like for

2157  
01:47:47,080 --> 01:47:40,890  
Nick tonight right for Nick tonight what

2158  
01:47:49,880 --> 01:47:47,090  
would you have asked him well honestly I

2159  
01:47:52,370 --> 01:47:49,890  
would ask about if you notice anything

2160  
01:47:54,170 --> 01:47:52,380  
about individuality with some different

2161  
01:47:56,560 --> 01:47:54,180  
types of aliens I know that came up

2162  
01:47:58,580 --> 01:47:56,570  
latest at towards the end of the show

2163  
01:48:02,510 --> 01:47:58,590

but I know

2164

01:48:05,480 --> 01:48:02,520

he hears reports beyond probably even

2165

01:48:08,120 --> 01:48:05,490

your average ufologist just because he

2166

01:48:10,310 --> 01:48:08,130

kind of he's around for a long time he

2167

01:48:12,340 --> 01:48:10,320

covers a lot of different high

2168

01:48:15,050 --> 01:48:12,350

strangeness

2169

01:48:17,450 --> 01:48:15,060

so he's people are probably totally

2170

01:48:21,050 --> 01:48:17,460

Linda people are comfortable to go to

2171

01:48:22,490 --> 01:48:21,060

Linda about things right I wanted to ask

2172

01:48:27,920 --> 01:48:22,500

you

2173

01:48:30,980 --> 01:48:27,930

that it's written it's very interesting

2174

01:48:35,540 --> 01:48:30,990

and he you know he hit with the number

2175

01:48:39,910 --> 01:48:35,550

of around fifty right fifty eighty

2176

01:48:46,100 --> 01:48:39,920

different types of ETS visiting earth I

2177

01:48:48,290 --> 01:48:46,110

I would put the number in the thousands

2178

01:48:52,310 --> 01:48:48,300

right now that would be a nearly

2179

01:48:55,460 --> 01:48:52,320

impossible book to write be very and

2180

01:48:58,370 --> 01:48:55,470

like David Icke you would have one page

2181

01:49:00,880 --> 01:48:58,380

per alien and come up with a 900-page

2182

01:49:03,530 --> 01:49:00,890

book how many different types of

2183

01:49:07,640 --> 01:49:03,540

different ETS do you think are visiting

2184

01:49:09,260 --> 01:49:07,650

earth how many of you seen well I come

2185

01:49:11,060 --> 01:49:09,270

from the perspective of somebody who's

2186

01:49:12,590 --> 01:49:11,070

better than that back there feels way

2187

01:49:13,100 --> 01:49:12,600

better than a black teen their whole

2188

01:49:15,970 --> 01:49:13,110

life

2189

01:49:20,810 --> 01:49:15,980

mmm-hmm like I would identify that way

2190

01:49:23,420 --> 01:49:20,820

so I've seen about fifteen but in that

2191

01:49:26,630 --> 01:49:23,430

group of fifteen they're all individual

2192

01:49:29,900 --> 01:49:26,640

species and I don't see a lot of

2193

01:49:35,500 --> 01:49:29,910

individual individuality within their

2194

01:49:40,490 --> 01:49:35,510

culture that I've noticed so it's like

2195

01:49:43,610 --> 01:49:40,500

are they interested maybe were even he

2196

01:49:49,610 --> 01:49:43,620

and I think we're here to experience

2197

01:49:52,940 --> 01:49:49,620

individuality that's interesting when if

2198

01:49:57,950 --> 01:49:52,950

we if we flip this around a little bit

2199

01:50:01,820 --> 01:49:57,960

and let's say that you and I and twenty

2200

01:50:04,940 --> 01:50:01,830

other people write our friends or

2201  
01:50:07,490 --> 01:50:04,950  
buddies it doesn't matter twenty we go

2202  
01:50:10,880 --> 01:50:07,500  
we go to Zeta Reticuli

2203  
01:50:12,410 --> 01:50:10,890  
right you know we go to serpo for

2204  
01:50:16,220 --> 01:50:12,420  
instance and we land

2205  
01:50:19,490 --> 01:50:16,230  
and we get off the ship now we know the

2206  
01:50:22,729 --> 01:50:19,500  
individuality that is here on earth but

2207  
01:50:25,840 --> 01:50:22,739  
we also know everybody is human but

2208  
01:50:32,570 --> 01:50:25,850  
we've got every color every height every

2209  
01:50:36,050 --> 01:50:32,580  
weight right if every and would they

2210  
01:50:39,020 --> 01:50:36,060  
perceive us not as being earthlings

2211  
01:50:41,840 --> 01:50:39,030  
right that not being homo sapien sapien

2212  
01:50:44,450 --> 01:50:41,850  
that they would think by at first glance

2213  
01:50:47,300 --> 01:50:44,460

that quite possibly who that we were

2214

01:50:51,830 --> 01:50:47,310

from different planets do you think that

2215

01:50:53,750 --> 01:50:51,840

well yeah you know what I mean well I

2216

01:50:56,300 --> 01:50:53,760

just know that they were interested it

2217

01:51:02,419 --> 01:50:56,310

they've been interested in us for a very

2218

01:51:07,459 --> 01:51:02,429

long time and it's not just study us sir

2219

01:51:11,530 --> 01:51:07,469

they'd be gone by now so they think

2220

01:51:16,370 --> 01:51:11,540

we're important for some reason well

2221

01:51:18,709 --> 01:51:16,380

last night with Whitley Whitley said

2222

01:51:21,470 --> 01:51:18,719

last night I don't know if he caught the

2223

01:51:25,760 --> 01:51:21,480

show but he said one thing you did okay

2224

01:51:29,990 --> 01:51:25,770

he said they were interested in our

2225

01:51:33,380 --> 01:51:30,000

souls not necessarily the planet do you

2226

01:51:35,630 --> 01:51:33,390

agree with them I do I do at least one

2227

01:51:38,689 --> 01:51:35,640

of my favorite I'm a regular dream

2228

01:51:40,820 --> 01:51:38,699

lander you know what Whitley is one of

2229

01:51:44,350 --> 01:51:40,830

my favorite people that was a great

2230

01:51:47,270 --> 01:51:44,360

conversation last night with Whitley

2231

01:51:50,030 --> 01:51:47,280

with them yeah the perspective not

2232

01:51:52,010 --> 01:51:50,040

everybody gets to share but I think a

2233

01:51:54,160 --> 01:51:52,020

lot of people agree with him that aren't

2234

01:51:58,610 --> 01:51:54,170

necessarily in the position to speak it

2235

01:52:01,130 --> 01:51:58,620

well one we okay and so staying on this

2236

01:52:04,180 --> 01:52:01,140

I want I want to know what you've seen

2237

01:52:08,080 --> 01:52:04,190

when you say you don't see individuality

2238

01:52:11,360 --> 01:52:08,090

in the same species what do you say that

2239

01:52:13,270 --> 01:52:11,370

they're identical are they almost like

2240

01:52:16,250 --> 01:52:13,280

clones of each other

2241

01:52:20,020 --> 01:52:16,260

it does seem that way even the Nordics

2242

01:52:25,400 --> 01:52:20,030

which appear to be the most human to me

2243

01:52:26,270 --> 01:52:25,410

right there they're almost two I mean

2244

01:52:28,669 --> 01:52:26,280

they're like looking

2245

01:52:31,700 --> 01:52:28,679

data they're like that's how pale they

2246

01:52:37,370 --> 01:52:31,710

are but they're ignored it but they have

2247

01:52:42,709 --> 01:52:37,380

blonde hair and it's it's like they're

2248

01:52:44,169 --> 01:52:42,719

obviously not human but it's not that

2249

01:52:49,640 --> 01:52:44,179

they're unattractive

2250

01:52:52,250 --> 01:52:49,650

it's just that they all appear the same

2251  
01:52:53,930 --> 01:52:52,260  
because they have genetically altered

2252  
01:52:54,560 --> 01:52:53,940  
themselves to the point where they all

2253  
01:52:57,620 --> 01:52:54,570  
look the same

2254  
01:52:59,660 --> 01:52:57,630  
anyway there's a there's I mean

2255  
01:53:03,410 --> 01:52:59,670  
everything kind of seems to serve its

2256  
01:53:09,189 --> 01:53:03,420  
purpose out there and we kind of choose

2257  
01:53:14,839 --> 01:53:09,199  
our own purpose here and what and the

2258  
01:53:17,510 --> 01:53:14,849  
the individuality part of it when it

2259  
01:53:22,069 --> 01:53:17,520  
comes to you know the Mantis being

2260  
01:53:28,609 --> 01:53:22,079  
specifically and these reptilian races I

2261  
01:53:33,379 --> 01:53:28,619  
don't know if if I had if I had seen a

2262  
01:53:36,350 --> 01:53:33,389  
snake right a snake and in a couple of

2263  
01:53:40,069 --> 01:53:36,360

weeks later I see the same species of

2264

01:53:42,919 --> 01:53:40,079

snake but I wouldn't be able to tell if

2265

01:53:45,859 --> 01:53:42,929

it was two different snakes or if it was

2266

01:53:47,930 --> 01:53:45,869

the same one which is do we have the

2267

01:53:50,149 --> 01:53:47,940

same issues with and like what the

2268

01:53:52,640 --> 01:53:50,159

Mantis beings all right I wouldn't have

2269

01:53:56,270 --> 01:53:52,650

I don't know if I would be able to tell

2270

01:53:58,310 --> 01:53:56,280

the difference well first of all I can

2271

01:53:59,740 --> 01:53:58,320

speak from the if it wasn't for the fact

2272

01:54:03,169 --> 01:53:59,750

that they're controlling your mind

2273

01:54:04,609 --> 01:54:03,179

because when I step away from them you

2274

01:54:06,470 --> 01:54:04,619

know because in the moment you're not

2275

01:54:09,010 --> 01:54:06,480

terrified by them because they're kind

2276

01:54:12,049 --> 01:54:09,020

of controlling your mind

2277

01:54:14,089 --> 01:54:12,059

but what's you're away from the

2278

01:54:17,089 --> 01:54:14,099

situation and you're trying to process

2279

01:54:20,149 --> 01:54:17,099

having been in the situation where there

2280

01:54:23,540 --> 01:54:20,159

was a seven-foot-tall mantis being it

2281

01:54:26,990 --> 01:54:23,550

does become hard to tell you know one

2282

01:54:30,669 --> 01:54:27,000

from another one but they don't seem

2283

01:54:33,049 --> 01:54:30,679

like they're any more they may have

2284

01:54:35,600 --> 01:54:33,059

managerial status but I don't think

2285

01:54:38,120 --> 01:54:35,610

they're in charge of anything they seem

2286

01:54:40,160 --> 01:54:38,130

to answer to some higher cause to them

2287

01:54:44,830 --> 01:54:40,170

even

2288

01:54:47,450 --> 01:54:44,840

interesting and I have heard many times

2289

01:54:48,979 --> 01:54:47,460

but if I came face to face with the

2290

01:54:52,790 --> 01:54:48,989

mantas being I think I would be

2291

01:54:57,850 --> 01:54:52,800

terrified and I have heard so many times

2292

01:55:01,910 --> 01:54:57,860

that it was the Mantis beings that were

2293

01:55:04,550 --> 01:55:01,920

the kindest right they were the gentlest

2294

01:55:07,910 --> 01:55:04,560

they were the nicest and and the most

2295

01:55:10,630 --> 01:55:07,920

intelligence do you get the same

2296

01:55:15,560 --> 01:55:10,640

impressions uh

2297

01:55:17,360 --> 01:55:15,570

you know I think everything there's a

2298

01:55:20,660 --> 01:55:17,370

real strong chance that a lot of these

2299

01:55:23,330 --> 01:55:20,670

things have to they have to adapt to our

2300

01:55:25,820 --> 01:55:23,340

individuality it's like that's why

2301

01:55:29,570 --> 01:55:25,830

there's like a whole group of beings

2302

01:55:31,400 --> 01:55:29,580

involved in abducting one person you

2303

01:55:33,490 --> 01:55:31,410

know I mean human beings are so

2304

01:55:36,490 --> 01:55:33,500

unpredictable

2305

01:55:39,140 --> 01:55:36,500

so a lot of it is that I mean they just

2306

01:55:42,770 --> 01:55:39,150

they're it's like Willy was saying these

2307

01:55:47,810 --> 01:55:42,780

things are so so different from us that

2308

01:55:50,120 --> 01:55:47,820

it's it's not like it's the opposite of

2309

01:55:53,600 --> 01:55:50,130

the relationship you have with your dogs

2310

01:55:56,510 --> 01:55:53,610

yeah I know a mantis being can scare to

2311

01:56:02,050 --> 01:55:56,520

your eyes and make you feel whatever

2312

01:56:07,310 --> 01:56:02,060

emotion it wants you to feel it's like I

2313

01:56:11,360 --> 01:56:07,320

I call it the love affair mm-hm and it's

2314

01:56:14,120 --> 01:56:11,370

like they'll flood you with this emotion

2315

01:56:16,340 --> 01:56:14,130

of like love and you can even feel like

2316

01:56:18,580 --> 01:56:16,350

you're in love with that being some

2317

01:56:23,150 --> 01:56:18,590

degree because of the what they're pump

2318

01:56:25,340 --> 01:56:23,160

making suggesting into your mind but

2319

01:56:27,080 --> 01:56:25,350

then when you're away from it you

2320

01:56:30,919 --> 01:56:27,090

realize they're doing the same types of

2321

01:56:35,720 --> 01:56:30,929

manipulation that any other being is

2322

01:56:42,410 --> 01:56:35,730

doing is that are you speaking from

2323

01:56:44,570 --> 01:56:42,420

experience yeah yeah the the I didn't

2324

01:56:47,419 --> 01:56:44,580

get a chance to get into this with Nick

2325

01:56:49,070 --> 01:56:47,429

tonight and I meant to by the way it

2326

01:56:51,080 --> 01:56:49,080

just it got away from me

2327

01:56:54,350 --> 01:56:51,090

but the

2328

01:56:56,540 --> 01:56:54,360

blue guys that Whitley has written about

2329

01:56:58,910 --> 01:56:56,550

spoken about for years we were talking

2330

01:57:03,620 --> 01:56:58,920

about him last night have you

2331

01:57:05,750 --> 01:57:03,630

encountered them I have I've encountered

2332

01:57:09,830 --> 01:57:05,760

in fact I encountered them from the

2333

01:57:13,550 --> 01:57:09,840

point of my early childhood into the I'm

2334

01:57:17,359 --> 01:57:13,560

35 now I haven't seen anything that was

2335

01:57:20,060 --> 01:57:17,369

alien and about since about 2011

2336

01:57:22,310 --> 01:57:20,070

wouldn't my wife split up I don't know

2337

01:57:25,970 --> 01:57:22,320

why around that time it ended but it

2338

01:57:27,830 --> 01:57:25,980

seemed to end around that time in kind

2339

01:57:32,060 --> 01:57:27,840

of changed direction and become more

2340

01:57:33,770 --> 01:57:32,070

like dream oriented and astral but I

2341

01:57:35,950 --> 01:57:33,780

definitely had a lot of physical

2342

01:57:39,560 --> 01:57:35,960

experiences starting from an early age

2343

01:57:43,220 --> 01:57:39,570

all right we're the the blue beings as

2344

01:57:46,339 --> 01:57:43,230

whitley has described them I haven't I

2345

01:57:48,770 --> 01:57:46,349

haven't encountered them so I I really

2346

01:57:51,830 --> 01:57:48,780

don't have well you know I've seen it

2347

01:57:55,370 --> 01:57:51,840

I've read communion and I've seen the

2348

01:57:57,290 --> 01:57:55,380

communion movie and he tries to depict

2349

01:57:59,899 --> 01:57:57,300

they tried to depict him in the movie

2350

01:58:04,430 --> 01:57:59,909

but they're not perfect I think the

2351

01:58:07,580 --> 01:58:04,440

ghost description is pretty close you

2352

01:58:11,419 --> 01:58:07,590

know for whatever reason I see them in

2353

01:58:14,120 --> 01:58:11,429

twos he said threes but I've always seen

2354

01:58:16,310 --> 01:58:14,130

them in pairs and I've always thought

2355

01:58:22,070 --> 01:58:16,320

they were possibly the same beings every

2356

01:58:25,609 --> 01:58:22,080

time with them did you know that Rita

2357

01:58:27,500 --> 01:58:25,619

and I tried to watch communion a couple

2358

01:58:30,770 --> 01:58:27,510

of weeks ago can't find it it doesn't

2359

01:58:34,100 --> 01:58:30,780

stream and it's not available for for

2360

01:58:38,120 --> 01:58:34,110

purchase to view either to rent or to

2361

01:58:41,000 --> 01:58:38,130

purchase online that's crazy I mean I

2362

01:58:42,950 --> 01:58:41,010

it's not the best I don't know how it

2363

01:58:45,680 --> 01:58:42,960

holds up but it is kind of a good litmus

2364

01:58:47,390 --> 01:58:45,690

test for yourself I think that movie

2365

01:58:54,890 --> 01:58:47,400

scared the crap out of me the book

2366

01:59:01,140 --> 01:58:54,900

scared me too as well it scared me in

2367

01:59:04,140 --> 01:59:01,150

that it felt to me that these were

2368

01:59:07,290 --> 01:59:04,150

real experiences that were documented in

2369

01:59:10,410 --> 01:59:07,300

the book and and that's that right that

2370

01:59:13,020 --> 01:59:10,420

the the book is absolutely nonfiction

2371

01:59:17,790 --> 01:59:13,030

it's a historical record that's why it

2372

01:59:22,470 --> 01:59:17,800

scared me the way that Christopher

2373

01:59:24,060 --> 01:59:22,480

Walken is so scared in the movie and

2374

01:59:26,310 --> 01:59:24,070

with these little guys running around

2375

01:59:28,320 --> 01:59:26,320

and the way that they were depicted that

2376

01:59:31,620 --> 01:59:28,330

scared the crap out of me it really did

2377

01:59:33,240 --> 01:59:31,630

it terrified me yeah especially the

2378

01:59:37,400 --> 01:59:33,250

scene when he gets on the bus and you

2379

01:59:40,680 --> 01:59:37,410

see all the Mantis beings yes yes yes

2380

01:59:43,170 --> 01:59:40,690

it's images like that that really brings

2381

01:59:45,000 --> 01:59:43,180

memories back to me and the that was a

2382

01:59:46,950 --> 01:59:45,010

big part of me coming to terms with a

2383

01:59:51,180 --> 01:59:46,960

lot of this stuff now I wanted to get

2384

01:59:53,220 --> 01:59:51,190

back to the little blue guys did you

2385

01:59:58,470 --> 01:59:53,230

have interaction with them but you did

2386

02:00:02,760 --> 01:59:58,480

you speak with them hey you know it's

2387

02:00:06,300 --> 02:00:02,770

like they would appear anytime something

2388

02:00:11,150 --> 02:00:06,310

else wanted to oh just me and it was

2389

02:00:14,280 --> 02:00:11,160

like in order to abducts me they had to

2390

02:00:17,640 --> 02:00:14,290

interact with them in some way and they

2391

02:00:21,750 --> 02:00:17,650

always had this wand I call it a wand it

2392

02:00:24,330 --> 02:00:21,760

looked almost like a little toy but it

2393

02:00:26,310 --> 02:00:24,340

was like it was just this thing they

2394

02:00:28,860 --> 02:00:26,320

held in their hand and they and they

2395

02:00:30,720 --> 02:00:28,870

would touch me with it and I would feel

2396

02:00:35,190 --> 02:00:30,730

like an electrical current run through

2397

02:00:37,170 --> 02:00:35,200

my body and then whatever beings of that

2398

02:00:40,590 --> 02:00:37,180

but then my abduction experience would

2399

02:00:44,490 --> 02:00:40,600

happen from that point forward so if

2400

02:00:45,390 --> 02:00:44,500

they were they were first almost always

2401

02:00:48,870 --> 02:00:45,400

yes

2402

02:00:51,210 --> 02:00:48,880

and says it would just be them but night

2403

02:00:53,700 --> 02:00:51,220

every time something else was there they

2404

02:00:57,960 --> 02:00:53,710

were always there now

2405

02:01:00,300 --> 02:00:57,970

Whitley and you know you've been a dream

2406

02:01:03,510 --> 02:01:00,310

Lander so even following Whitley for a

2407

02:01:10,840 --> 02:01:03,520

while and yeah and I talked to him about

2408

02:01:13,810 --> 02:01:10,850

this briefly last night he then said

2409

02:01:21,460 --> 02:01:13,820

that they said that he understood that

2410

02:01:24,070 --> 02:01:21,470

they were us but almost like for from

2411

02:01:26,950 --> 02:01:24,080

fright you know representing death I

2412

02:01:31,540 --> 02:01:26,960

guess is the best way that I could put

2413

02:01:33,340 --> 02:01:31,550

it that I definitely believe there's

2414

02:01:34,360 --> 02:01:33,350  
some type of thing almost like a

2415

02:01:36,130 --> 02:01:34,370  
psychopath

2416

02:01:38,770 --> 02:01:36,140  
they haven't worried do with us here on

2417

02:01:41,250 --> 02:01:38,780  
earth right then they specifically do

2418

02:01:45,070 --> 02:01:41,260  
have to do something in outer space

2419

02:01:46,960 --> 02:01:45,080  
but something from outer space comes it

2420

02:01:50,290 --> 02:01:46,970  
has to have their permission to enter

2421

02:01:52,870 --> 02:01:50,300  
into I mean it's they're like I wouldn't

2422

02:01:54,880 --> 02:01:52,880  
call you get oh I never thought of them

2423

02:01:56,710 --> 02:01:54,890  
as maybe possibly being jinn or

2424

02:02:01,240 --> 02:01:56,720  
something like that right

2425

02:02:04,330 --> 02:02:01,250  
blue right that's the other part that's

2426

02:02:07,330 --> 02:02:04,340

the other part about this now the the

2427

02:02:12,700 --> 02:02:07,340

reason why I was so freaked out about

2428

02:02:18,660 --> 02:02:12,710

that is because history over and over

2429

02:02:22,780 --> 02:02:18,670

again has made reference to you know

2430

02:02:25,480 --> 02:02:22,790

things like these little blue guys and

2431

02:02:27,400 --> 02:02:25,490

it doesn't matter what culture what part

2432

02:02:30,160 --> 02:02:27,410

of the world you just brought up the

2433

02:02:33,820 --> 02:02:30,170

jinn we can talk about leprechauns for

2434

02:02:36,010 --> 02:02:33,830

that matter or fairies originally

2435

02:02:40,090 --> 02:02:36,020

started quickly started calling them at

2436

02:02:44,410 --> 02:02:40,100

first yes that's right and so you know

2437

02:02:47,950 --> 02:02:44,420

when we die is you know are they from

2438

02:02:53,020 --> 02:02:47,960

the world that we ascend to or cross

2439

02:02:56,080 --> 02:02:53,030

over to and I remember this is many here

2440

02:03:00,370 --> 02:02:56,090

and this is a long time ago and I

2441

02:03:04,300 --> 02:03:00,380

remember Whitley this is probably late

2442

02:03:08,200 --> 02:03:04,310

90s somewhere in there and I'm listening

2443

02:03:14,620 --> 02:03:08,210

to Whitley talk about this and in the

2444

02:03:19,080 --> 02:03:14,630

dark of all things right and it made

2445

02:03:22,180 --> 02:03:19,090

sense it's just made sense that this was

2446

02:03:23,260 --> 02:03:22,190

an interdimensional you know from

2447

02:03:25,390 --> 02:03:23,270

another parallel

2448

02:03:29,140 --> 02:03:25,400

world coming in two hours interfacing

2449

02:03:32,590 --> 02:03:29,150

with us and they were us this this is on

2450

02:03:35,070 --> 02:03:32,600

our planet this is an off planet this is

2451  
02:03:38,530 --> 02:03:35,080  
just what exists in another dimension

2452  
02:03:41,170 --> 02:03:38,540  
that we don't see that they cross over

2453  
02:03:44,770 --> 02:03:41,180  
to and then we are able to inter

2454  
02:03:47,830 --> 02:03:44,780  
interact with them and it's it was like

2455  
02:03:53,400 --> 02:03:47,840  
a terrifying but what's the word i

2456  
02:03:59,770 --> 02:03:56,830  
perfect for that all the time well so

2457  
02:04:03,010 --> 02:03:59,780  
that's my question to you did they did

2458  
02:04:06,250 --> 02:04:03,020  
they did they tell you that that's who

2459  
02:04:08,800 --> 02:04:06,260  
they were yeah I don't get a lot of

2460  
02:04:11,290 --> 02:04:08,810  
answers things but a lot of the times I

2461  
02:04:15,430 --> 02:04:11,300  
react with fear was Whitley even though

2462  
02:04:17,410 --> 02:04:15,440  
he's terrified he enters into it in a

2463  
02:04:21,730 --> 02:04:17,420

way where he's just letting it be an

2464

02:04:23,650 --> 02:04:21,740

experience I was I I kind of take a

2465

02:04:28,440 --> 02:04:23,660

negative stance there's a lot of it but

2466

02:04:33,640 --> 02:04:31,930

and and I understand that and you and I

2467

02:04:35,770 --> 02:04:33,650

have talked about this before Ben you're

2468

02:04:39,030 --> 02:04:35,780

almost like a guest right now and I just

2469

02:04:44,260 --> 02:04:39,040

don't want this conversation to end the

2470

02:04:48,310 --> 02:04:44,270

but the negative aspect of it you were

2471

02:04:50,160 --> 02:04:48,320

never harmed were you not to a degree

2472

02:04:55,870 --> 02:04:50,170

where I can prove it no but

2473

02:04:57,610 --> 02:04:55,880

psychologically maybe but not many kinds

2474

02:05:01,450 --> 02:04:57,620

of physical way right

2475

02:05:03,670 --> 02:05:01,460

so the the fear that I'm talking about

2476  
02:05:08,380 --> 02:05:03,680  
when I say that you know I was scared

2477  
02:05:10,150 --> 02:05:08,390  
and the references scared me

2478  
02:05:12,370 --> 02:05:10,160  
now Whitley certainly had physical

2479  
02:05:14,290 --> 02:05:12,380  
things go down with him and he has a

2480  
02:05:17,140 --> 02:05:14,300  
reason to say that this is terrifying

2481  
02:05:20,010 --> 02:05:17,150  
and it's not cool I get that part of it

2482  
02:05:24,280 --> 02:05:20,020  
but I've never been physically harmed

2483  
02:05:27,430 --> 02:05:24,290  
you know I am the roughest abduction I

2484  
02:05:32,560 --> 02:05:27,440  
ever had was people pretending to be

2485  
02:05:36,880 --> 02:05:32,570  
aliens that were abducting me like like

2486  
02:05:39,370 --> 02:05:36,890  
like a my lab my lab I yes and

2487  
02:05:42,160 --> 02:05:39,380  
they were pretending how did you know

2488  
02:05:45,790 --> 02:05:42,170

that they were pretending well because

2489

02:05:49,300 --> 02:05:45,800

they had like special gear on like I

2490

02:05:53,950 --> 02:05:49,310

could tell they were human because of

2491

02:05:58,450 --> 02:05:53,960

the whale or moving however you that was

2492

02:06:03,690 --> 02:05:58,460

my last abduction that was in 2013 about

2493

02:06:06,990 --> 02:06:03,700

Thanksgiving Thanksgiving of 2013 when

2494

02:06:09,670 --> 02:06:07,000

when did you first call into the show

2495

02:06:11,530 --> 02:06:09,680

right around them right around in that

2496

02:06:17,320 --> 02:06:11,540

time that's called for quite a few years

2497

02:06:19,030 --> 02:06:17,330

now yeah right and you said that the the

2498

02:06:21,240 --> 02:06:19,040

reason why I'm asking when it wasn't how

2499

02:06:24,130 --> 02:06:21,250

old were you because you would know

2500

02:06:25,630 --> 02:06:24,140

human movement he would understand that

2501  
02:06:27,670 --> 02:06:25,640  
that's what you were looking at that it

2502  
02:06:30,510 --> 02:06:27,680  
would be somebody in costume right we

2503  
02:06:33,520 --> 02:06:30,520  
know what when we see it on TV all right

2504  
02:06:36,250 --> 02:06:33,530  
when somebody is dressed up and and it's

2505  
02:06:41,590 --> 02:06:36,260  
not real and that's the vibe that you

2506  
02:06:44,890 --> 02:06:41,600  
got whoa who would have done it was it

2507  
02:06:48,460 --> 02:06:44,900  
the government why this happened right

2508  
02:06:53,320 --> 02:06:48,470  
it should be Richard Dolan breakaway

2509  
02:06:58,720 --> 02:06:53,330  
civilization to be should be just the

2510  
02:07:01,180 --> 02:06:58,730  
government but uh I I don't know I just

2511  
02:07:05,620 --> 02:07:01,190  
know it happens where did they take you

2512  
02:07:09,520 --> 02:07:05,630  
to well it was really crazy it was like

2513  
02:07:15,010 --> 02:07:09,530

I was in my room and we'll in one sense

2514

02:07:19,990 --> 02:07:15,020

and almost like it was superimposed over

2515

02:07:21,730 --> 02:07:20,000

my reality was like another route like I

2516

02:07:24,250 --> 02:07:21,740

was in another room that I couldn't

2517

02:07:26,920 --> 02:07:24,260

quite make out but they were right on

2518

02:07:31,150 --> 02:07:26,930

top of me and there were four of them

2519

02:07:36,910 --> 02:07:31,160

and they were looking down on me I was

2520

02:07:38,830 --> 02:07:36,920

on a table and they wrote me over I

2521

02:07:40,720 --> 02:07:38,840

could hear twist and shout playing in

2522

02:07:44,080 --> 02:07:40,730

the background which was important to me

2523

02:07:45,490 --> 02:07:44,090

because of a big Beatles fan and they

2524

02:07:49,060 --> 02:07:45,500

wrote me over and they showed me a

2525

02:07:51,640 --> 02:07:49,070

stereo that was a stereo that I'd had

2526

02:07:57,290 --> 02:07:51,650

when I was young

2527

02:07:59,240 --> 02:07:57,300

and down to like a paint spot there I go

2528

02:08:01,340 --> 02:07:59,250

a little boombox that add layer even

2529

02:08:02,990 --> 02:08:01,350

like a white paint spots for where we

2530

02:08:06,770 --> 02:08:03,000

were using it once when we painted the

2531

02:08:09,950 --> 02:08:06,780

house stuff like that it was just it was

2532

02:08:11,420 --> 02:08:09,960

they but I could tell they were human by

2533

02:08:17,690 --> 02:08:11,430

the way they were moving and I could

2534

02:08:21,290 --> 02:08:17,700

tell it was there was this huge weight

2535

02:08:23,330 --> 02:08:21,300

in the room and everything just seemed

2536

02:08:26,870 --> 02:08:23,340

like two realities superimposed over

2537

02:08:29,810 --> 02:08:26,880

each other they wrote me over on my side

2538

02:08:33,350 --> 02:08:29,820

and I could feel them doing it and and

2539

02:08:36,350 --> 02:08:33,360

this was physical this is physical yes

2540

02:08:40,640 --> 02:08:36,360

and when you say I've only got two

2541

02:08:42,740 --> 02:08:40,650

minutes left and and I do have to sign

2542

02:08:47,210 --> 02:08:42,750

off at a network so before we get there

2543

02:08:50,420 --> 02:08:47,220

were they wearing masks like et mask and

2544

02:08:53,420 --> 02:08:50,430

makeup no what they were wearing we're

2545

02:08:55,070 --> 02:08:53,430

like almost like scuba gear except that

2546

02:08:59,690 --> 02:08:55,080

they had this headgear around their eyes

2547

02:09:01,820 --> 02:08:59,700

that made light light so it was like

2548

02:09:03,820 --> 02:09:01,830

bright light shining down at me coming

2549

02:09:08,380 --> 02:09:03,830

from both their eyes ciphered sockets

2550

02:09:11,240 --> 02:09:08,390

hmm and everything else was blacked out

2551

02:09:15,920 --> 02:09:11,250

but they look like some kind of

2552

02:09:19,700 --> 02:09:15,930

clandestine military unit to me hmm hmm

2553

02:09:21,760 --> 02:09:19,710

very interesting Nathan and but you

2554

02:09:24,620 --> 02:09:21,770

weren't harmed

2555

02:09:26,870 --> 02:09:24,630

no just terrified yeah of course you

2556

02:09:29,210 --> 02:09:26,880

were terrified I'm terrified sitting

2557

02:09:32,600 --> 02:09:29,220

here listening to you tell us about it

2558

02:09:34,970 --> 02:09:32,610

that's a horrible experience that nobody

2559

02:09:39,500 --> 02:09:34,980

should ever go through Wow

2560

02:09:41,720 --> 02:09:39,510

well Nathan thank you for for you know

2561

02:09:44,030 --> 02:09:41,730

and everybody that was on hold I'm sure

2562

02:09:46,160 --> 02:09:44,040

they're gonna understand why they were

2563

02:09:49,010 --> 02:09:46,170

left on hold I just didn't want to I

2564

02:09:51,410 --> 02:09:49,020

didn't want to cut this conversation

2565

02:09:54,170 --> 02:09:51,420

short so thank you for that and we'll

2566

02:09:56,270 --> 02:09:54,180

see you you know just be safe out there

2567

02:09:59,360 --> 02:09:56,280

and we'll see you tomorrow night with

2568

02:10:01,430 --> 02:09:59,370

Richard Dolan all right thank you and

2569

02:10:04,100 --> 02:10:01,440

yes with all the time right on Nathan

2570

02:10:08,360 --> 02:10:04,110

behave now okay

2571

02:10:09,860 --> 02:10:08,370

I'll talk to you and he you know

2572

02:10:13,520 --> 02:10:09,870

listening to Nathan right there he's

2573

02:10:15,170 --> 02:10:13,530

prey you know he brought up so many

2574

02:10:19,660 --> 02:10:15,180

interesting points and when we're

2575

02:10:23,540 --> 02:10:19,670

talking about different species for me

2576

02:10:27,200 --> 02:10:23,550

although I've heard so many different I

2577

02:10:32,150 --> 02:10:27,210

witness accounts about the descriptions

2578

02:10:35,000 --> 02:10:32,160

of them how would we be able to tell

2579

02:10:36,770 --> 02:10:35,010

them apart would they be able to tell

2580

02:10:40,960 --> 02:10:36,780

you know it's it's it's a weird

2581

02:10:43,190 --> 02:10:40,970

situation but until you are there and

2582

02:10:45,860 --> 02:10:43,200

experiencing it yourself

2583

02:10:48,310 --> 02:10:45,870

like Nathan has I don't have I don't

2584

02:10:52,760 --> 02:10:48,320

have a barometer I don't have a way to

2585

02:10:54,680 --> 02:10:52,770

to think about it I don't because I I

2586

02:10:57,380 --> 02:10:54,690

can't tell things apart I could tell my

2587

02:11:00,050 --> 02:10:57,390

dogs apart but that's different right

2588

02:11:01,100 --> 02:11:00,060

they're different colors and they're you

2589

02:11:06,230 --> 02:11:01,110

know but when we're dealing with

2590

02:11:14,380 --> 02:11:06,240

identical situations I think that there

2591

02:11:16,520 --> 02:11:14,390

is probably a cloning bio-hybrid Android

2592

02:11:19,310 --> 02:11:16,530

situation that you would have to have

2593

02:11:22,060 --> 02:11:19,320

when you're out there traveling the

2594

02:11:25,760 --> 02:11:22,070

universe and and between star systems

2595

02:11:27,950 --> 02:11:25,770

that that that's my take because that

2596

02:11:30,830 --> 02:11:27,960

would be an easy solution for us to turn

2597

02:11:32,840 --> 02:11:30,840

around and do the same thing and that is

2598

02:11:37,460 --> 02:11:32,850

of course basing everything on you know

2599

02:11:39,500 --> 02:11:37,470

long long journeys you know of space

2600

02:11:42,110 --> 02:11:39,510

travel if they're not doing it in

2601  
02:11:44,390 --> 02:11:42,120  
minutes or seconds but there you go all

2602  
02:11:47,120 --> 02:11:44,400  
right what a great show tonight

2603  
02:11:49,850 --> 02:11:47,130  
I do want to thank Nick Redfern for

2604  
02:11:52,280 --> 02:11:49,860  
coming in his links are over at Jimmy

2605  
02:11:54,590 --> 02:11:52,290  
Church radio.com the two new books the

2606  
02:11:57,260 --> 02:11:54,600  
alien book a guy to extraterrestrial

2607  
02:12:00,380 --> 02:11:57,270  
beings on earth and flying saucers from

2608  
02:12:03,800 --> 02:12:00,390  
the Kremlin you can go to Nick Redfern

2609  
02:12:06,050 --> 02:12:03,810  
for tea and dot blog spot.com the links

2610  
02:12:07,220 --> 02:12:06,060  
are at Jimmy Church radio calm tomorrow

2611  
02:12:11,060 --> 02:12:07,230  
night right here

2612  
02:12:13,340 --> 02:12:11,070  
Richard bleepin Dolan on fade to black

2613  
02:12:15,650 --> 02:12:13,350

fade the blacks executive producer is

2614

02:12:16,510 --> 02:12:15,660

ritika Murray on show is produced by

2615

02:12:19,180 --> 02:12:16,520

Hilton Jay Paul

2616
