98

00:05:08,279 --> 00:05:05,160

the latest news about the US Navy

99

00:05:10,560 --> 00:05:08,289

statements regarding new ApS and all of

100

00:05:12,510 --> 00:05:10,570

the latest developments in the UFO world

101  
00:05:14,310 --> 00:05:12,520  
and Richards been at the center of it

102  
00:05:15,719 --> 00:05:14,320  
especially the last couple of months I'd

103  
00:05:18,270 --> 00:05:15,729  
like to welcome back to faith ablack I

104  
00:05:25,890 --> 00:05:18,280  
got it all out Richard Dolan Richard how

105  
00:05:31,230 --> 00:05:25,900  
hard was it man and I actually yeah so

106  
00:05:34,230 --> 00:05:31,240  
we're correct I was laughing see you

107  
00:05:34,969 --> 00:05:34,240  
know what Rita Rita instructed me before

108  
00:05:37,950 --> 00:05:34,979  
the show tonight

109  
00:05:41,100 --> 00:05:37,960  
she said no Jimmy and Richard bro fest

110  
00:05:48,240 --> 00:05:41,110  
just be professionals so let's just be

111  
00:05:50,340 --> 00:05:48,250  
professionals I know I'm gonna get so

112  
00:05:52,560 --> 00:05:50,350  
much grief tonight after the show for

113  
00:05:55,920 --> 00:05:52,570

saying that but but Rita's right you

114

00:05:58,260 --> 00:05:55,930

know because one of the things before I

115

00:06:01,260 --> 00:05:58,270

asked you about the last thing that you

116

00:06:04,010 --> 00:06:01,270

listened to today a piece of music

117

00:06:07,589 --> 00:06:04,020

that the truth is very simple when you

118

00:06:09,180 --> 00:06:07,599

when you start out broadcasting and for

119

00:06:12,749 --> 00:06:09,190

me you know it's been a long time ago

120

00:06:14,879 --> 00:06:12,759

and and you and I had our first

121

00:06:17,279 --> 00:06:14,889

interview together we were feeling each

122

00:06:20,100 --> 00:06:17,289

other out you know a couple of jabs and

123

00:06:23,490 --> 00:06:20,110

you know figuring you know your opponent

124

00:06:24,719 --> 00:06:23,500

Alec right and but the next interview

125

00:06:27,600 --> 00:06:24,729

and the next in the next and the next

126

00:06:29,820 --> 00:06:27,610

you get past all of those those

127

00:06:32,939 --> 00:06:29,830

questions you get asked all the time and

128

00:06:35,219 --> 00:06:32,949

you and I are now at another level where

129

00:06:37,559 --> 00:06:35,229

we have conversations now about real

130

00:06:40,050 --> 00:06:37,569

issues from two people that trust each

131

00:06:41,730 --> 00:06:40,060

other and and that the audience will

132

00:06:42,870 --> 00:06:41,740

always get that from you and I we were

133

00:06:45,839 --> 00:06:42,880

talking about that earlier today

134

00:06:51,029 --> 00:06:45,849

actually yeah that's absolutely true and

135

00:06:52,469 --> 00:06:51,039

and honestly I I tend to complain to you

136

00:06:56,580 --> 00:06:52,479

on the air more than I complain to

137

00:06:57,960 --> 00:06:56,590

anybody else you get more complaints on

138

00:07:00,689 --> 00:06:57,970

the air than I get - Tracy and I give

139

00:07:03,379 --> 00:07:00,699

her a lot but I give more to you and I

140

00:07:06,120 --> 00:07:03,389

have to ask myself why that's so Jimmy

141

00:07:08,100 --> 00:07:06,130

yet you get more of the real me than

142

00:07:09,810 --> 00:07:08,110

most people who interview medium well

143

00:07:12,180 --> 00:07:09,820

and and and vice versa

144

00:07:13,860 --> 00:07:12,190

so and the audience knows that man they

145

00:07:15,360 --> 00:07:13,870

really really did I mean look I just

146

00:07:17,580 --> 00:07:15,370

have to say I have

147

00:07:19,740 --> 00:07:17,590

I do enjoy these interviews with you and

148

00:07:22,159 --> 00:07:19,750

I didn't want it to sound like a bro

149

00:07:25,469 --> 00:07:22,169

I just feel like we we tend to get along

150

00:07:27,839 --> 00:07:25,479

you ask me questions that are generally

151  
00:07:30,240 --> 00:07:27,849  
very interesting to me and you have this

152  
00:07:33,420 --> 00:07:30,250  
way you get things out of me that a lot

153  
00:07:35,129 --> 00:07:33,430  
of interviewers do not so I have to give

154  
00:07:37,740 --> 00:07:35,139  
you credit okay what we're gonna do it

155  
00:07:39,480 --> 00:07:37,750  
tonight we're gonna do tonight let's uh

156  
00:07:40,860 --> 00:07:39,490  
let's get the the basics out of the way

157  
00:07:42,600 --> 00:07:40,870  
what was the last song you listened to

158  
00:07:44,430 --> 00:07:42,610  
today my friend this was an easy one

159  
00:07:47,700 --> 00:07:44,440  
whose can't touch this by MC Hammer oh

160  
00:07:51,209 --> 00:07:47,710  
did you really yeah we were we were just

161  
00:07:55,439 --> 00:07:51,219  
watching the documentary on Elizabeth

162  
00:07:57,719 --> 00:07:55,449  
Holmes they did she had the company

163  
00:08:02,070 --> 00:07:57,729

Farah knows and there's a very very fine

164

00:08:03,959 --> 00:08:02,080

documentary about her her fraud against

165

00:08:07,129 --> 00:08:03,969

the entire world basically about her

166

00:08:09,959 --> 00:08:07,139

product and it was called the inventor

167

00:08:12,750 --> 00:08:09,969

out for blood in Silicon Valley and we

168

00:08:13,890 --> 00:08:12,760

just watched it it ended with the MC

169

00:08:16,980 --> 00:08:13,900

Hammer clip

170

00:08:20,330 --> 00:08:16,990

now the you know I haven't seen it yet

171

00:08:24,000 --> 00:08:20,340

but and I've heard it's just like

172

00:08:28,460 --> 00:08:24,010

jaw-dropping right where'd the money go

173

00:08:30,720 --> 00:08:28,470

I mean that we're talking we're talking

174

00:08:32,670 --> 00:08:30,730

astronomical amounts of dollars here

175

00:08:34,050 --> 00:08:32,680

millions billions of dollars hundreds

176

00:08:36,780 --> 00:08:34,060

and millions of investment dollars I

177

00:08:38,670 --> 00:08:36,790

don't know how she was evaluated at 4.5

178

00:08:41,370 --> 00:08:38,680

billion dollars run point on it right

179

00:08:44,520 --> 00:08:41,380

back 15 she's at less than 0 now right

180

00:08:48,270 --> 00:08:44,530

beside unaware oh when I do know that at

181

00:08:50,490 --> 00:08:48,280

least I learned that she lost all of

182

00:08:52,860 --> 00:08:50,500

that money having to repay back

183

00:08:54,630 --> 00:08:52,870

defrauded investors many people in the

184

00:08:58,230 --> 00:08:54,640

state of Arizona she had a deal with

185

00:09:03,480 --> 00:08:58,240

Walgreens in Arizona to do this blood

186

00:09:05,820 --> 00:09:03,490

test system that was in no way ever ever

187

00:09:08,100 --> 00:09:05,830

going to work and it's just astonishing

188

00:09:10,770 --> 00:09:08,110

that someone could lie in such a

189

00:09:12,450 --> 00:09:10,780

bald-faced way to convince all the

190

00:09:15,480 --> 00:09:12,460

regulators convince all the investors

191

00:09:17,490 --> 00:09:15,490

that she had this machine that was able

192

00:09:19,080 --> 00:09:17,500

to do all the things that she said it

193

00:09:21,930 --> 00:09:19,090

could do when it the science was not

194

00:09:23,310 --> 00:09:21,940

even remotely there in fact according to

195

00:09:25,320 --> 00:09:23,320

the people it's like physically

196

00:09:27,030 --> 00:09:25,330

impossible beep you know you can't

197

00:09:29,370 --> 00:09:27,040

defeat the laws of thermodynamics

198

00:09:32,850 --> 00:09:29,380

she had this small little box that was

199

00:09:34,560 --> 00:09:32,860

supposedly able to do a blood test for

200

00:09:38,850 --> 00:09:34,570

you comprehensive type of blood test

201  
00:09:40,260 --> 00:09:38,860  
based on like a drop of blood and the

202  
00:09:42,000 --> 00:09:40,270  
answer is no she did not

203  
00:09:44,670 --> 00:09:42,010  
and she just lied and lied and lied

204  
00:09:48,030 --> 00:09:44,680  
about it it's incredible story the same

205  
00:09:50,190 --> 00:09:48,040  
thing when when you wonder about this

206  
00:09:52,230 --> 00:09:50,200  
you know how can people pull that off

207  
00:09:55,230 --> 00:09:52,240  
right how can people pull off

208  
00:09:58,470 --> 00:09:55,240  
Oh fraud and technically hoax too but

209  
00:10:00,600 --> 00:09:58,480  
you know and deal with in our field

210  
00:10:04,140 --> 00:10:00,610  
that's research where I'm going well not

211  
00:10:06,330 --> 00:10:04,150  
really sort of and that is there was

212  
00:10:13,380 --> 00:10:06,340  
another it's a fantastic book it's

213  
00:10:16,620 --> 00:10:13,390

called bre-x BRE - X and I I got the

214

00:10:18,210 --> 00:10:16,630

book somebody gave me the book ended up

215

00:10:22,470 --> 00:10:18,220

getting a second one started to read

216

00:10:24,030 --> 00:10:22,480

about it and bre-x was a Canadian

217

00:10:31,199 --> 00:10:24,040

company

218

00:10:35,160 --> 00:10:31,209

to get into the details but it was so

219

00:10:41,340 --> 00:10:35,170

they head out to Bo sang you know how in

220

00:10:44,670 --> 00:10:41,350

in the South Pacific and they find gold

221

00:10:46,769 --> 00:10:44,680

deposits and through drilling and the

222

00:10:49,829 --> 00:10:46,779

course and the court said that this was

223

00:10:51,990 --> 00:10:49,839

the largest gold deposit gold vein at

224

00:10:55,189 --> 00:10:52,000

the surface of the earth right there in

225

00:10:57,629 --> 00:10:55,199

the history of the known universe right

226

00:10:59,040 --> 00:10:57,639

the the amount of gold that was there

227

00:11:02,389 --> 00:10:59,050

that was coming up with these core

228

00:11:06,629 --> 00:11:02,399

samples well the stock price of reacts

229

00:11:11,069 --> 00:11:06,639

went from a penny stock to like 300

230

00:11:16,769 --> 00:11:11,079

dollars a share in like the year if it's

231

00:11:20,309 --> 00:11:16,779

like 1990 91 92 93 94 a BRE X went from

232

00:11:23,670 --> 00:11:20,319

the Canadian stock exchange to Nasdaq to

233

00:11:28,199 --> 00:11:23,680

the New York Stock Exchange and it was

234

00:11:32,460 --> 00:11:28,209

all a fraud this dude was taking gold

235

00:11:38,629 --> 00:11:32,470

flakes aged gold flakes and dropping him

236

00:11:44,579 --> 00:11:41,970

nice canady and it was it's one of the

237

00:11:47,550 --> 00:11:44,589

biggest and and and now we are talking

238

00:11:52,650 --> 00:11:47,560

about when this thing imploded it's

239

00:11:54,809 --> 00:11:52,660

amazing right we need bre-x bre-x is

240

00:12:01,579 --> 00:11:54,819

quite incredible now this is the the

241

00:12:06,269 --> 00:12:01,589

thing all of Canada was in stocks

242

00:12:10,500 --> 00:12:06,279

retirement funds right everybody loaded

243

00:12:12,990 --> 00:12:10,510

up and this stock went \$2 \$4 \$8 you know

244

00:12:14,970 --> 00:12:13,000

telleth it's up to 300 bucks everybody's

245

00:12:17,879 --> 00:12:14,980

rich everybody's happy

246

00:12:20,759 --> 00:12:17,889

it was just incredible New York Stock

247

00:12:25,949 --> 00:12:20,769

Exchange for ringing the bell the whole

248

00:12:28,920 --> 00:12:25,959

shot and then they got busted and it's

249

00:12:31,769 --> 00:12:28,930

incredible and it lasted for I'm gonna

250

00:12:33,269 --> 00:12:31,779

say it was about a five six-year run and

251

00:12:37,290 --> 00:12:33,279

then the guy that did the gold

252

00:12:37,810 --> 00:12:37,300

sprinkling right yes it fell out of a

253

00:12:48,850 --> 00:12:37,820

helicopter

254

00:12:51,880 --> 00:12:48,860

after accidentally yeah one of the money

255

00:12:52,810 --> 00:12:51,890

that you saw Scarface you know you know

256

00:12:54,730 --> 00:12:52,820

you know the drill

257

00:12:57,130 --> 00:12:54,740

alls accidentally out of helicopter

258

00:13:00,280 --> 00:12:57,140

seriously a guy that does a five billion

259

00:13:03,340 --> 00:13:00,290

dollar fraud the country of Canada home

260

00:13:05,320 --> 00:13:03,350

yeah never want his body never fight in

261

00:13:07,180 --> 00:13:05,330

our world yeah yeah

262

00:13:08,910 --> 00:13:07,190

okay I'm gonna lay this out to you

263

00:13:12,000 --> 00:13:08,920

Richard we got a lot to talk about

264

00:13:17,290 --> 00:13:15,040

I'm gonna lay this out please I'm

265

00:13:20,910 --> 00:13:17,300

waiting for you to lay it out there are

266

00:13:25,750 --> 00:13:20,920

it must be laid out there are more stars

267

00:13:29,530 --> 00:13:25,760

in our universe then grains of sand on

268

00:13:35,290 --> 00:13:29,540

all of the beaches in all of the deserts

269

00:13:41,650 --> 00:13:35,300

on planet earth today each one of those

270

00:13:45,400 --> 00:13:41,660

stars is thought to have a planet what

271

00:13:48,550 --> 00:13:45,410

goes through your mind I haven't been to

272

00:13:51,010 --> 00:13:48,560

the beach in ages that's what I'm

273

00:13:52,720 --> 00:13:51,020

thinking that's the first thought you

274

00:13:56,170 --> 00:13:52,730

know all this sand I haven't gone to the

275

00:13:58,840 --> 00:13:56,180

beach almost all summer second thought

276

00:14:01,600 --> 00:13:58,850

that's a lot of planets that's a lot of

277

00:14:03,430 --> 00:14:01,610

people have I lost a Jimmy are you no

278

00:14:05,650 --> 00:14:03,440

I'm listening to you and that's the

279

00:14:08,860 --> 00:14:05,660

reaction you should have because you

280

00:14:10,750 --> 00:14:08,870

can't even wrap your mind around I you

281

00:14:13,540 --> 00:14:10,760

know you you're not the first person to

282

00:14:15,850 --> 00:14:13,550

say this to me that the amount of stars

283

00:14:20,080 --> 00:14:15,860

is just beyond the amount of grains of

284

00:14:22,480 --> 00:14:20,090

sand so that is a lot that is an

285

00:14:25,090 --> 00:14:22,490

unbelievable amount in fact it's it's

286

00:14:29,500 --> 00:14:25,100

beyond fathoming it's beyond that I

287

00:14:33,400 --> 00:14:29,510

can't I can't imagine it in 1995 the

288

00:14:38,070 --> 00:14:33,410

first exoplanet was discovered 1995 men

289

00:14:41,230 --> 00:14:38,080

24 years ago and before 1995 we

290

00:14:42,760 --> 00:14:41,240

postulated we thought that there may be

291

00:14:46,840 --> 00:14:42,770

other planets outside of our solar

292

00:14:49,810 --> 00:14:46,850

system 1995 right and the first

293

00:14:54,010 --> 00:14:49,820

exoplanet discovered in 1995

294

00:14:56,170 --> 00:14:54,020

today with we know that there's 10,000

295

00:14:59,080 --> 00:14:56,180

you know catalogued exoplanets and we're

296

00:15:02,410 --> 00:14:59,090

finding you know a new exoplanet every

297

00:15:05,230 --> 00:15:02,420

single day one out of five stars

298

00:15:08,620 --> 00:15:05,240

that is each grain of sand on this

299

00:15:11,380 --> 00:15:08,630

planet right each grain of sand on all

300

00:15:15,430 --> 00:15:11,390

the beaches in all the deserts one out

301  
00:15:19,960 --> 00:15:15,440  
of five grains of sand has an earth-like

302  
00:15:22,780 --> 00:15:19,970  
planet you know think about that's crazy

303  
00:15:23,470 --> 00:15:22,790  
isn't it it's just unbelievable where we

304  
00:15:28,330 --> 00:15:23,480  
are today

305  
00:15:31,600 --> 00:15:28,340  
a little over 200 years ago geologists

306  
00:15:35,920 --> 00:15:31,610  
were making the argument really for the

307  
00:15:37,200 --> 00:15:35,930  
first time of this principle of gosh I

308  
00:15:39,490 --> 00:15:37,210  
wish I could remember this like

309  
00:15:43,600 --> 00:15:39,500  
universalism in other words the

310  
00:15:50,140 --> 00:15:43,610  
principles of the earth and of the

311  
00:15:53,430 --> 00:15:50,150  
formation of you know land masses today

312  
00:15:55,540 --> 00:15:53,440  
is theirs it's not that there was some

313  
00:15:58,570 --> 00:15:55,550

cataclysmic change it was they

314

00:16:01,150 --> 00:15:58,580

postulated that the earth has been in

315

00:16:03,190 --> 00:16:01,160

this steady state for a very very very

316

00:16:05,800 --> 00:16:03,200

long time and it turned out to be

317

00:16:07,480 --> 00:16:05,810

correct based on their thoughts they

318

00:16:10,270 --> 00:16:07,490

revised the age of the earth from

319

00:16:12,610 --> 00:16:10,280

several thousands of years of age to

320

00:16:14,350 --> 00:16:12,620

what was then you know thought to be an

321

00:16:17,020 --> 00:16:14,360

amazing amount of millions of years of

322

00:16:19,870 --> 00:16:17,030

aging now of course it's billions but

323

00:16:23,590 --> 00:16:19,880

the idea is that the principles that we

324

00:16:25,720 --> 00:16:23,600

see around us today it might just be

325

00:16:28,780 --> 00:16:25,730

very logical to extrapolate out and

326

00:16:31,420 --> 00:16:28,790

assume that these are logical universal

327

00:16:33,700 --> 00:16:31,430

principles wherever you go and and I

328

00:16:38,820 --> 00:16:33,710

think maybe what we're starting to see

329

00:16:41,710 --> 00:16:38,830

slowly is a revolution in exoplanetary

330

00:16:43,180 --> 00:16:41,720

and the ideas of life XO life I guess

331

00:16:45,100 --> 00:16:43,190

you could say so in other words we're

332

00:16:49,270 --> 00:16:45,110

you know we're as scientists have always

333

00:16:51,100 --> 00:16:49,280

said that life on Earth is this unique

334

00:16:54,040 --> 00:16:51,110

thing and it's it only happened because

335

00:16:57,550 --> 00:16:54,050

of all of these you know really rare

336

00:17:00,970 --> 00:16:57,560

unique occurrences perhaps perhaps

337

00:17:03,670 --> 00:17:00,980

that's really really incredibly wrong

338

00:17:07,360 --> 00:17:03,680

perhaps we should expect

339

00:17:09,189 --> 00:17:07,370

the kinds of the you know the incredible

340

00:17:12,010 --> 00:17:09,199

amount of diversity of life that we have

341

00:17:15,610 --> 00:17:12,020

on this planet maybe it's actually not

342

00:17:16,510 --> 00:17:15,620

that outrageous to expect that there's a

343

00:17:20,020 --> 00:17:16,520

lot of it elsewhere

344

00:17:23,829 --> 00:17:20,030

and indeed other biological creatures

345

00:17:26,020 --> 00:17:23,839

that are that can live on oxygen oxygen

346

00:17:29,410 --> 00:17:26,030

nitrogen and nitrogen the way that we do

347

00:17:31,060 --> 00:17:29,420

and that you know biological creatures

348

00:17:34,210 --> 00:17:31,070

and maybe even something like mammals

349

00:17:36,610 --> 00:17:34,220

and things like reptiles after all the

350

00:17:39,700 --> 00:17:36,620

elements that comprise the universe

351  
00:17:41,500 --> 00:17:39,710  
seem to be universal you know hydrogen

352  
00:17:43,840 --> 00:17:41,510  
and everything that follows it and so

353  
00:17:48,610 --> 00:17:43,850  
you've got the basic building blocks so

354  
00:17:50,410 --> 00:17:48,620  
why shouldn't life be organic at least

355  
00:17:54,790 --> 00:17:50,420  
in some way that would be comprehensible

356  
00:17:58,690 --> 00:17:54,800  
to us why shouldn't creatures be born

357  
00:18:01,440 --> 00:17:58,700  
grow reproduce and die and and if that's

358  
00:18:05,530 --> 00:18:01,450  
the case if that's actually extremely

359  
00:18:08,650 --> 00:18:05,540  
universal and if all of those grains of

360  
00:18:12,299 --> 00:18:08,660  
sand or at least one out of five of them

361  
00:18:19,930 --> 00:18:12,309  
or a certain percentage have life then

362  
00:18:21,850 --> 00:18:19,940  
well yeah we are one yeah we're just one

363  
00:18:24,730 --> 00:18:21,860

and this is the other fascinating part

364

00:18:28,600 --> 00:18:24,740

when we when we start to look at it with

365

00:18:31,900 --> 00:18:28,610

these glasses on is that we are truly

366

00:18:34,510 --> 00:18:31,910

you know our little grain of sand you

367

00:18:37,210 --> 00:18:34,520

know our Sun our little grain of sand in

368

00:18:40,240 --> 00:18:37,220

the vastness of everything yeah I get

369

00:18:43,510 --> 00:18:40,250

that we're such a tiny small part of

370

00:18:46,000 --> 00:18:43,520

everything that there is but on this

371

00:18:46,540 --> 00:18:46,010

little you know beautiful blue planet of

372

00:18:51,640 --> 00:18:46,550

ours

373

00:18:54,970 --> 00:18:51,650

we have now the ability to discuss it

374

00:18:57,850 --> 00:18:54,980

that we have grown up and you and I are

375

00:18:59,919 --> 00:18:57,860

discussing the size of the universe and

376

00:19:00,730 --> 00:18:59,929

well right now like that has become

377

00:19:03,130 --> 00:19:00,740

conscious

378

00:19:04,390 --> 00:19:03,140

that's very credible that level of

379

00:19:07,360 --> 00:19:04,400

understanding that we're able to turn

380

00:19:08,799 --> 00:19:07,370

that thought process toward the universe

381

00:19:12,010 --> 00:19:08,809

and that is that is the incredible thing

382

00:19:13,750 --> 00:19:12,020

indeed it is aside from the fact that I

383

00:19:14,950 --> 00:19:13,760

do actually now want to go back to the

384

00:19:16,870 --> 00:19:14,960

beach since you brought this whole thing

385

00:19:19,960 --> 00:19:16,880

up but you really made me think

386

00:19:23,650 --> 00:19:19,970

I was Adam I was at a beach about a year

387

00:19:26,650 --> 00:19:23,660

ago and I just remembered thinking I was

388

00:19:30,760 --> 00:19:26,660

looking at the Setting Sun it was kind

389

00:19:32,890 --> 00:19:30,770

of an idyllic setting and and I did have

390

00:19:35,530 --> 00:19:32,900

that moment like you always once in a

391

00:19:38,290 --> 00:19:35,540

while have this moment of looking out at

392

00:19:42,280 --> 00:19:38,300

the sky and looking beyond beyond the

393

00:19:46,090 --> 00:19:42,290

sky as it were and and knowing that in

394

00:19:48,610 --> 00:19:46,100

the direction that you look there there

395

00:19:51,250 --> 00:19:48,620

is someone out there and you know

396

00:19:53,430 --> 00:19:51,260

wondering what they are like and how

397

00:19:55,630 --> 00:19:53,440

many of them are there and so forth and

398

00:19:57,520 --> 00:19:55,640

I'm glad that every now and then I can

399

00:19:59,800 --> 00:19:57,530

still get that that feeling of

400

00:20:02,080 --> 00:19:59,810

inspiration when I look up and look out

401  
00:20:04,300 --> 00:20:02,090  
there hopefully you know yeah and

402  
00:20:07,300 --> 00:20:04,310  
hopefully it never goes away I don't

403  
00:20:09,670 --> 00:20:07,310  
think it will for me and and or for

404  
00:20:12,100 --> 00:20:09,680  
anybody else you know you need to you

405  
00:20:13,870 --> 00:20:12,110  
need to stay a kid you know you don't

406  
00:20:15,640 --> 00:20:13,880  
you don't need to grow up you need to

407  
00:20:18,490 --> 00:20:15,650  
you need to keep asking questions say

408  
00:20:20,620 --> 00:20:18,500  
why why say why as much as you can

409  
00:20:23,950 --> 00:20:20,630  
absolutely that's it

410  
00:20:27,790 --> 00:20:23,960  
and I wanted to ask you this let's let's

411  
00:20:32,080 --> 00:20:27,800  
go out-of-bounds a little bit today not

412  
00:20:35,440 --> 00:20:32,090  
not necessarily in the UFO subject but

413  
00:20:37,420 --> 00:20:35,450

the answer could be this is a square as

414

00:20:42,760 --> 00:20:37,430

a rectangle rectangle isn't a square

415

00:20:45,060 --> 00:20:42,770

type of question what what concerns you

416

00:20:49,750 --> 00:20:45,070

most about this planet today

417

00:20:52,210 --> 00:20:49,760

what what what honestly where where do

418

00:20:55,270 --> 00:20:52,220

you spend most of your mind time with

419

00:20:58,330 --> 00:20:55,280

concern well if I'm worried if I want to

420

00:20:59,770 --> 00:20:58,340

have long term worries it's maybe not so

421

00:21:03,100 --> 00:20:59,780

much about the planet but it is about

422

00:21:05,530 --> 00:21:03,110

the human species and I guess I would

423

00:21:08,170 --> 00:21:05,540

say that I look at us as a big spike on

424

00:21:09,370 --> 00:21:08,180

the history of the planet you know the

425

00:21:11,980 --> 00:21:09,380

planets been around for four-and-a-half

426

00:21:15,940 --> 00:21:11,990

billion years and earth earth will find

427

00:21:20,160 --> 00:21:15,950

a way to survive humanity like it really

428

00:21:23,200 --> 00:21:20,170

well even if even if we destroy the

429

00:21:24,820 --> 00:21:23,210

world and toxified for the next period

430

00:21:26,590 --> 00:21:24,830

of time it probably won't be more than a

431

00:21:28,750 --> 00:21:26,600

million years and year it's going to be

432

00:21:32,260 --> 00:21:28,760

around for many billion of years

433

00:21:35,860 --> 00:21:32,270

after that earth will recover but the

434

00:21:38,620 --> 00:21:35,870

fate of humanity where we're not a

435

00:21:42,789 --> 00:21:38,630

stable species I mean I think anyone can

436

00:21:46,210 --> 00:21:42,799

understand that we something something

437

00:21:48,700 --> 00:21:46,220

very odd has you know best occurred to

438

00:21:52,930 --> 00:21:48,710

humanity I mean think of it this way for

439

00:21:56,350 --> 00:21:52,940

about 250,000 years as far as we can

440

00:22:00,280 --> 00:21:56,360

tell we existed as homo sapiens sapiens

441

00:22:01,960 --> 00:22:00,290

as human beings just as we are mostly in

442

00:22:06,730 --> 00:22:01,970

africa and then eventually we moved out

443

00:22:12,100 --> 00:22:06,740

and only in the last you know let's say

444

00:22:15,070 --> 00:22:12,110

10,000 years have we really completely

445

00:22:18,850 --> 00:22:15,080

transformed who we are so we were very

446

00:22:20,680 --> 00:22:18,860

stable as a species for nearly all the

447

00:22:22,659 --> 00:22:20,690

time that we have been a species and in

448

00:22:25,120 --> 00:22:22,669

the last 10,000 years we discovered a

449

00:22:27,789 --> 00:22:25,130

number of things primarily sedentary

450

00:22:29,710 --> 00:22:27,799

agriculture settled societies we

451  
00:22:34,090 --> 00:22:29,720  
transformed our diet we transformed the

452  
00:22:35,880 --> 00:22:34,100  
way that we exist as a society and we

453  
00:22:39,850 --> 00:22:35,890  
actually transformed ourselves

454  
00:22:43,980 --> 00:22:39,860  
physiologically as we now know and that

455  
00:22:46,510 --> 00:22:43,990  
process has led I'd have to say

456  
00:22:48,850 --> 00:22:46,520  
inextricably to eventually as we

457  
00:22:52,510 --> 00:22:48,860  
discovered science discovered how to

458  
00:22:55,000 --> 00:22:52,520  
harness nature and how to harness the

459  
00:22:56,740 --> 00:22:55,010  
elements and we we are transforming

460  
00:22:59,260 --> 00:22:56,750  
ourselves more and more rapidly and at

461  
00:23:02,620 --> 00:22:59,270  
the same time giving ourselves more and

462  
00:23:05,919 --> 00:23:02,630  
more power vastly more power even when

463  
00:23:07,720 --> 00:23:05,929

we settled into small communities a few

464

00:23:10,060 --> 00:23:07,730

thousand years ago that gave us a lot of

465

00:23:13,270 --> 00:23:10,070

power much more than other animals have

466

00:23:16,000 --> 00:23:13,280

had and now it's just we're developing

467

00:23:20,289 --> 00:23:16,010

the power of what we saw in the ancient

468

00:23:22,419 --> 00:23:20,299

gods we're about to modify our genetic

469

00:23:24,310 --> 00:23:22,429

code we're about to create artificial

470

00:23:28,180 --> 00:23:24,320

intelligence we're about to create all

471

00:23:30,730 --> 00:23:28,190

of these completely new Sciences so I

472

00:23:35,200 --> 00:23:30,740

think what's happening is that we're

473

00:23:37,539 --> 00:23:35,210

about to say goodbye to humanity as we

474

00:23:39,909 --> 00:23:37,549

have understood it and we are about to

475

00:23:42,610 --> 00:23:39,919

walk into something very very new and

476

00:23:44,049 --> 00:23:42,620

different and I'm not sure that I like

477

00:23:45,670 --> 00:23:44,059

that to be honest with you there are

478

00:23:48,820 --> 00:23:45,680

people who are gung-ho

479

00:23:49,510 --> 00:23:48,830

pedal-to-the-metal futurists I am NOT

480

00:23:52,990 --> 00:23:49,520

one of them

481

00:23:56,549 --> 00:23:53,000

I have a lot of reservations about that

482

00:24:00,220 --> 00:23:56,559

degree of rapid change and I just think

483

00:24:02,230 --> 00:24:00,230

this does not bode well I don't like the

484

00:24:04,870 --> 00:24:02,240

fact that we're looking at transforming

485

00:24:08,140 --> 00:24:04,880

our fundamental humanities so rapidly in

486

00:24:16,480 --> 00:24:08,150

such a short period of time it's kind of

487

00:24:18,490 --> 00:24:16,490

a redundancy so I do I'm concerned about

488

00:24:21,490 --> 00:24:18,500

that and I just bad things are gonna

489

00:24:25,330 --> 00:24:21,500

come out of them we I look back and

490

00:24:31,090 --> 00:24:25,340

you're absolutely right and if you look

491

00:24:35,799 --> 00:24:31,100

back to I think the key year was 1995

492

00:24:39,760 --> 00:24:35,809

and what happened between 1995 and the

493

00:24:42,669 --> 00:24:39,770

year 2000 was too much too quick too

494

00:24:45,940 --> 00:24:42,679

fast and we didn't know how to deal with

495

00:24:50,980 --> 00:24:45,950

it and if you think about what happened

496

00:24:52,990 --> 00:24:50,990

between 1995 and 2000 not only the way

497

00:24:57,340 --> 00:24:53,000

we really got the web during that period

498

00:25:00,520 --> 00:24:57,350

of the web is is front and center and we

499

00:25:03,400 --> 00:25:00,530

didn't even know what the web was when

500

00:25:05,080 --> 00:25:03,410

it kicked off and and and today it's

501  
00:25:07,810 --> 00:25:05,090  
everything right it's everything it's

502  
00:25:10,990 --> 00:25:07,820  
electricity its water it's food delivery

503  
00:25:15,930 --> 00:25:11,000  
it's it's GPS it's sad it's it's it's

504  
00:25:18,220 --> 00:25:15,940  
your watch to your house it's yeah it's

505  
00:25:20,320 --> 00:25:18,230  
Ellen system it's it's everything it's

506  
00:25:23,169 --> 00:25:20,330  
everything so there's that part but you

507  
00:25:26,410 --> 00:25:23,179  
know what else happened between 1995 and

508  
00:25:31,740 --> 00:25:26,420  
2000 cell phones happened didn't have

509  
00:25:35,710 --> 00:25:31,750  
that before flat-screen TVs by the time

510  
00:25:40,930 --> 00:25:35,720  
2000 rolled around to televisions techno

511  
00:25:44,230 --> 00:25:40,940  
the technology that overtook us between

512  
00:25:46,600 --> 00:25:44,240  
1995 and 2000 I made up a list one time

513  
00:25:49,810 --> 00:25:46,610

it was like 30 different significant

514

00:25:52,810 --> 00:25:49,820

technical leaps and it was too much too

515

00:25:56,220 --> 00:25:52,820

fast and we just didn't by the time 2000

516

00:26:00,149 --> 00:25:56,230

world around we were a different species

517

00:26:02,490 --> 00:26:00,159

we had completely translated yeah I

518

00:26:04,070 --> 00:26:02,500

agree with you and it's only gone even

519

00:26:06,419 --> 00:26:04,080

faster now in the last 20 years

520

00:26:09,690 --> 00:26:06,429

protection was almost 20 years ago

521

00:26:13,620 --> 00:26:09,700

it's incredible what I think we've seen

522

00:26:15,870 --> 00:26:13,630

now is a is that the society and

523

00:26:17,970 --> 00:26:15,880

subsequent generations have reacted to

524

00:26:19,320 --> 00:26:17,980

that transformation so you've had the

525

00:26:21,659 --> 00:26:19,330

new generation of people have grown up

526

00:26:24,480 --> 00:26:21,669

in that world you and I did you and I

527

00:26:27,360 --> 00:26:24,490

did not grow up in that world but our

528

00:26:29,730 --> 00:26:27,370

kids you know anyone under 20 they have

529

00:26:32,250 --> 00:26:29,740

grown up in this new world and it

530

00:26:34,560 --> 00:26:32,260

creates a different psychology and in

531

00:26:37,879 --> 00:26:34,570

certain ways it's a DNA change I'm

532

00:26:40,710 --> 00:26:37,889

telling you right now there's definitely

533

00:26:42,000 --> 00:26:40,720

some things that were modified you know

534

00:26:44,159 --> 00:26:42,010

there's a new science they call it

535

00:26:46,320 --> 00:26:44,169

epigenetics and it's it's a genuine

536

00:26:49,110 --> 00:26:46,330

valid science and it talks about how our

537

00:26:51,269 --> 00:26:49,120

genetics are and this is like Lamarck's

538

00:26:53,930 --> 00:26:51,279

Revenge if any you know anyone studied

539

00:26:56,580 --> 00:26:53,940

biological history history of biology

540

00:26:58,710 --> 00:26:56,590

Gustav Lamarck back in the nineteenth

541

00:27:01,409 --> 00:26:58,720

century said yeah you know evolution

542

00:27:03,330 --> 00:27:01,419

happens because I think the example was

543

00:27:05,090 --> 00:27:03,340

the giraffe is trying to reach those

544

00:27:07,680 --> 00:27:05,100

tall leaves and got a long neck and

545

00:27:09,330 --> 00:27:07,690

later biologists would laugh at that

546

00:27:12,480 --> 00:27:09,340

miss and that's silly it's only on

547

00:27:14,730 --> 00:27:12,490

genetic mutation and the mutations at

548

00:27:16,680 --> 00:27:14,740

work are the ones that survive but what

549

00:27:18,899 --> 00:27:16,690

we now our understanding is that no

550

00:27:22,560 --> 00:27:18,909

actually Lamarck had a fundamentally

551

00:27:24,840 --> 00:27:22,570

correct point and that we are deeply

552

00:27:28,200 --> 00:27:24,850

affected genetically by the environment

553

00:27:30,450 --> 00:27:28,210

around us and so when you look at it

554

00:27:35,930 --> 00:27:30,460

that way you can see we've transformed

555

00:27:38,519 --> 00:27:35,940

our environment so dramatically even

556

00:27:41,250 --> 00:27:38,529

even by human standards which has always

557

00:27:43,289 --> 00:27:41,260

been a lot just in the last 20 years so

558

00:27:43,769 --> 00:27:43,299

it's doing things and we are changing

559

00:27:46,259 --> 00:27:43,779

ourselves

560

00:27:48,509 --> 00:27:46,269

have you seen kids have you seen kids a

561

00:27:51,480 --> 00:27:48,519

15 year old have you seen a 15 year old

562

00:27:57,570 --> 00:27:51,490

text on a smartphone you tell me that

563

00:28:00,210 --> 00:27:57,580

that's not genetic modification right

564

00:28:01,919 --> 00:28:00,220

it sounds like an Uzi on steroids

565

00:28:07,919 --> 00:28:01,929

there's no quicker way to make me feel

566

00:28:08,630 --> 00:28:07,929

old and to watch a teenager text I'm

567

00:28:10,820 --> 00:28:08,640

very high

568

00:28:13,130 --> 00:28:10,830

be with I'm just gonna say this I know

569

00:28:15,049 --> 00:28:13,140

we're gonna jump into UFOs one of the

570

00:28:17,750 --> 00:28:15,059

very important things that I do in my

571

00:28:19,580 --> 00:28:17,760

life and Tracy and I are very are

572

00:28:22,460 --> 00:28:19,590

usually really good about this is we

573

00:28:25,789 --> 00:28:22,470

unplug after a certain time of day and

574

00:28:29,660 --> 00:28:25,799

it frustrates some of our friends but

575

00:28:33,140 --> 00:28:29,670

for me I have to tell you I firmly

576

00:28:36,770 --> 00:28:33,150

believe that being plugged in it's not

577

00:28:39,530 --> 00:28:36,780

simply unhealthy for us psychologically

578

00:28:41,000 --> 00:28:39,540

but I actually think it makes us just

579

00:28:41,750 --> 00:28:41,010

brace yourself I think it makes us less

580

00:28:45,710 --> 00:28:41,760

intelligent

581

00:28:48,560 --> 00:28:45,720

I think the way our minds work what is

582

00:28:52,310 --> 00:28:48,570

what is intelligence but well partly the

583

00:28:54,140 --> 00:28:52,320

ability to focus concentrate on

584

00:28:56,180 --> 00:28:54,150

something for an extended period of time

585

00:28:57,860 --> 00:28:56,190

without dealing with interruptions so

586

00:28:59,630 --> 00:28:57,870

you push out other things and you

587

00:29:01,580 --> 00:28:59,640

problem-solve and you create and you do

588

00:29:03,680 --> 00:29:01,590

whatever but you have to do that in some

589

00:29:05,630 --> 00:29:03,690

kind of isolation and the problem with

590

00:29:07,970 --> 00:29:05,640

the connectivity of the world that we

591

00:29:10,490 --> 00:29:07,980

have today one of the problems is that

592

00:29:12,620 --> 00:29:10,500

we're constantly being bombarded ding

593

00:29:15,620 --> 00:29:12,630

ding notification here and email there

594

00:29:18,320 --> 00:29:15,630

and message here and so you you really

595

00:29:21,500 --> 00:29:18,330

don't it's very hard for a lot of people

596

00:29:24,590 --> 00:29:21,510

to get into that zone of creation or

597

00:29:25,909 --> 00:29:24,600

that zone of problem-solving and it's

598

00:29:27,320 --> 00:29:25,919

going to get worse not better you know

599

00:29:28,820 --> 00:29:27,330

when people want their little cognitive

600

00:29:30,650 --> 00:29:28,830

implants to connect themselves to the

601  
00:29:31,970 --> 00:29:30,660  
cloud or the web they'll have a little

602  
00:29:34,610 --> 00:29:31,980  
it's like putting your cell phone in

603  
00:29:37,850 --> 00:29:34,620  
your brain but what I like to do is I

604  
00:29:40,580 --> 00:29:37,860  
need to keep it out and this is how we

605  
00:29:42,520 --> 00:29:40,590  
are as human beings were designed we're

606  
00:29:46,010 --> 00:29:42,530  
not designed to be interrupted by

607  
00:29:48,620 --> 00:29:46,020  
facebook notifications every two minutes

608  
00:29:50,630 --> 00:29:48,630  
we are designed actually to be able we

609  
00:29:53,169 --> 00:29:50,640  
have to be able to unplug I think for

610  
00:29:57,590 --> 00:29:53,179  
our psychological health and for our

611  
00:30:00,380 --> 00:29:57,600  
intellectual capabilities so for me when

612  
00:30:02,270 --> 00:30:00,390  
I see these not just young people but

613  
00:30:03,440 --> 00:30:02,280

anyone like people just glued to their

614

00:30:07,669 --> 00:30:03,450

phone looking at their phone all the

615

00:30:11,240 --> 00:30:07,679

time it's addictive and it's very you

616

00:30:13,610 --> 00:30:11,250

know it's seductive but man it's like it

617

00:30:16,310 --> 00:30:13,620

is very much like a drug which is also

618

00:30:18,549 --> 00:30:16,320

seductive and addictive and also can

619

00:30:22,040 --> 00:30:18,559

damage you in the long term so for me

620

00:30:22,490 --> 00:30:22,050

you know the big challenge of my life is

621

00:30:29,420 --> 00:30:22,500

to

622

00:30:30,590 --> 00:30:29,430

I'm a public person and I have a message

623

00:30:32,630 --> 00:30:30,600

that I put out to the world

624

00:30:36,290 --> 00:30:32,640

and I need to use that technology but I

625

00:30:39,410 --> 00:30:36,300

got I have to continue to find a way not

626  
00:30:40,970 --> 00:30:39,420  
to be owned by that technology it's it's

627  
00:30:43,130 --> 00:30:40,980  
not healthy and I don't want it I don't

628  
00:30:44,870 --> 00:30:43,140  
want to live a life like that No and we

629  
00:30:50,030 --> 00:30:44,880  
need to take a break right here but the

630  
00:30:53,630 --> 00:30:50,040  
the brain needs exercise and getting

631  
00:30:56,270 --> 00:30:53,640  
your answers from Google instead of

632  
00:30:59,900 --> 00:30:56,280  
thinking about it right oh now your

633  
00:31:01,910 --> 00:30:59,910  
brain isn't working anymore and that it

634  
00:31:04,460 --> 00:31:01,920  
needs its exercise it needs its

635  
00:31:06,860 --> 00:31:04,470  
treadmill it does it needs its treadmill

636  
00:31:09,920 --> 00:31:06,870  
oh I got a treadmill by the way at the

637  
00:31:12,350 --> 00:31:09,930  
necesitan that thing is Satan Reid is

638  
00:31:14,180 --> 00:31:12,360

doing good me not so much this is fade

639

00:31:16,310 --> 00:31:14,190

to black I am your host Jimmy Church I

640

00:31:18,320 --> 00:31:16,320

guess tonight Richard Dolan we're gonna

641

00:31:19,610 --> 00:31:18,330

take a quick break and when we come back

642

00:31:22,850 --> 00:31:19,620

you know what it is

643

00:31:23,570 --> 00:31:22,860

it's UFOs we'll be right back stay with

644

00:31:45,960 --> 00:31:23,580

us

645

00:31:47,070 --> 00:31:45,970

welcome back fade to black I'm your host

646

00:31:49,500 --> 00:31:47,080

Jimmy Church you can follow me on

647

00:31:52,200 --> 00:31:49,510

Twitter at JDI you can follow

648

00:31:55,590 --> 00:31:52,210

richard at rich dolan right there on

649

00:31:58,530 --> 00:31:55,600

twitter the links are up and open

650

00:32:01,380 --> 00:31:58,540

conversation tonight and you know what

651  
00:32:03,030 --> 00:32:01,390  
it's been a couple of months richard

652  
00:32:05,040 --> 00:32:03,040  
since you and I last spoke I don't know

653  
00:32:08,540 --> 00:32:05,050  
if it was on coast to coast or here on

654  
00:32:11,280 --> 00:32:08,550  
fade to black but nonetheless lots of

655  
00:32:13,200 --> 00:32:11,290  
craziness that has gone down over the

656  
00:32:15,270 --> 00:32:13,210  
last couple of months and I want to go

657  
00:32:17,610 --> 00:32:15,280  
down through the headlines and get where

658  
00:32:21,510 --> 00:32:17,620  
your head is at on this and your

659  
00:32:24,120 --> 00:32:21,520  
research and I want to start here

660  
00:32:27,690 --> 00:32:24,130  
John greenwalt of the black vault back

661  
00:32:30,570 --> 00:32:27,700  
on September 10th and 11th released a

662  
00:32:33,870 --> 00:32:30,580  
couple of articles I took him over the

663  
00:32:36,360 --> 00:32:33,880

coast to coast and that Saturday which

664

00:32:38,640 --> 00:32:36,370

was the 14th and broke the news there on

665

00:32:41,400 --> 00:32:38,650

Monday all hell broke loose with the

666

00:32:46,140 --> 00:32:41,410

mainstream media and this of course was

667

00:32:50,790 --> 00:32:46,150

the Navy acknowledging you ap's were in

668

00:32:54,780 --> 00:32:50,800

those three videos picked up worldwide

669

00:32:58,110 --> 00:32:54,790

and it it was a pretty amazing to watch

670

00:33:01,170 --> 00:32:58,120

now what was your first thoughts as you

671

00:33:04,410 --> 00:33:01,180

start to see this story break I was very

672

00:33:07,020 --> 00:33:04,420

pleased and really proud that John

673

00:33:08,850 --> 00:33:07,030

Greenwald made that scoop I've known

674

00:33:11,220 --> 00:33:08,860

John a long time and I've always had a

675

00:33:13,620 --> 00:33:11,230

very high level of respect for him and I

676

00:33:16,680 --> 00:33:13,630

just think this is a great victory by

677

00:33:20,160 --> 00:33:16,690

him for those of us who care about the

678

00:33:24,930 --> 00:33:20,170

truth and John you know to his credit he

679

00:33:31,230 --> 00:33:24,940

he was very open about his own reaction

680

00:33:33,090 --> 00:33:31,240

to what the Navy acknowledged and he you

681

00:33:35,910 --> 00:33:33,100

know said something like I was expecting

682

00:33:37,380 --> 00:33:35,920

them to use language like calling these

683

00:33:38,970 --> 00:33:37,390

drones or balloons and whatnot and he

684

00:33:41,190 --> 00:33:38,980

said they didn't do that they went on

685

00:33:42,450 --> 00:33:41,200

the record calling this phenomena and

686

00:33:46,230 --> 00:33:42,460

saying that they were unknown or

687

00:33:47,730 --> 00:33:46,240

unidentified and he he stated that he

688

00:33:49,950 --> 00:33:47,740

was genuinely surprised and excited

689

00:33:53,850 --> 00:33:49,960

about it and I was just glad to see that

690

00:33:56,310 --> 00:33:53,860

reaction as well by John for me you know

691

00:34:00,029 --> 00:33:56,320

getting that piece of confer

692

00:34:03,419 --> 00:34:00,039

by the Navy it's really a situation of

693

00:34:07,889 --> 00:34:03,429

the other shoe dropping I mean I think

694

00:34:12,889 --> 00:34:07,899

most folks have been working under the

695

00:34:18,059 --> 00:34:12,899

assumption since December 2017 all right

696

00:34:22,980 --> 00:34:18,069

that those videos are genuine US Navy

697

00:34:24,690 --> 00:34:22,990

videos now the New York Times you know

698

00:34:27,000 --> 00:34:24,700

is the one that that came out with that

699

00:34:29,280 --> 00:34:27,010

statement initially and the New York

700

00:34:32,309 --> 00:34:29,290

Times is not always a truthful

701

00:34:35,040 --> 00:34:32,319

publication but they are always the

702

00:34:37,710 --> 00:34:35,050

voice of the establishment and when they

703

00:34:39,800 --> 00:34:37,720

come out with something you do want to

704

00:34:43,169 --> 00:34:39,810

pay attention and find out what they're

705

00:34:48,300 --> 00:34:43,179

you know what's going on there over the

706

00:34:51,809 --> 00:34:48,310

last two years since then it seems to me

707

00:34:54,510 --> 00:34:51,819

that the smart money has always been on

708

00:34:58,319 --> 00:34:54,520

the fact that these videos are legit but

709

00:35:00,569 --> 00:34:58,329

it is definitely a an important moment

710

00:35:03,770 --> 00:35:00,579

when the US Navy acknowledges them and

711

00:35:05,940 --> 00:35:03,780

acknowledges them as unidentified

712

00:35:08,040 --> 00:35:05,950

phenomena that they just don't know what

713

00:35:11,599 --> 00:35:08,050

they are so really you're getting this

714

00:35:15,240 --> 00:35:11,609

confirmation in a roundabout way of the

715

00:35:17,819 --> 00:35:15,250

really what even happened in November

716

00:35:19,530 --> 00:35:17,829

2004 with the US Navy's tick-tack UFO

717

00:35:23,370 --> 00:35:19,540

encounter I mean for the record the Navy

718

00:35:25,410 --> 00:35:23,380

hasn't explicitly talked about that and

719

00:35:29,520 --> 00:35:25,420

countered the way I mean people like

720

00:35:31,140 --> 00:35:29,530

david flavor have and kevin day have you

721

00:35:32,880 --> 00:35:31,150

know Navy personnel have talked about it

722

00:35:35,819 --> 00:35:32,890

but the Navy as an institution hasn't

723

00:35:37,290 --> 00:35:35,829

but they've got at least a significant

724

00:35:41,819 --> 00:35:37,300

step toward that by acknowledging these

725

00:35:43,260 --> 00:35:41,829

videos as legit and as on known or

726

00:35:47,849 --> 00:35:43,270

unidentified so I think that's very

727

00:35:51,329 --> 00:35:47,859

important the impact overall it is it is

728

00:35:54,990 --> 00:35:51,339

a smoking gun status is it elevated to

729

00:35:59,370 --> 00:35:55,000

that level to have the Navy say

730

00:36:01,559 --> 00:35:59,380

something like UAP well they've been

731

00:36:03,900 --> 00:36:01,569

very explicit about saying we're not

732

00:36:05,670 --> 00:36:03,910

saying it's aliens so they've gone they

733

00:36:07,650 --> 00:36:05,680

bent over backwards to say we're not

734

00:36:10,089 --> 00:36:07,660

talking about aliens necessarily of

735

00:36:11,739 --> 00:36:10,099

course they're not offering any idea

736

00:36:14,650 --> 00:36:11,749

as to what these things could be either

737

00:36:17,589 --> 00:36:14,660

so there's that I think the reaction

738

00:36:20,499 --> 00:36:17,599

time for all of these is it's never

739

00:36:24,999 --> 00:36:20,509

going to be immediate it's not going to

740

00:36:28,359 --> 00:36:25,009

be immediate you know when I co-authored

741

00:36:31,719 --> 00:36:28,369

ad after disclosure about a decade ago

742

00:36:33,339 --> 00:36:31,729

actually and you know when we were when

743

00:36:36,130 --> 00:36:33,349

when Bryce is able and I were writing

744

00:36:38,680 --> 00:36:36,140

that book we were envisioning how how a

745

00:36:41,979 --> 00:36:38,690

disclosure might happened and I think

746

00:36:44,799 --> 00:36:41,989

that we like most people had this idea

747

00:36:47,460 --> 00:36:44,809

that a disclosure could happen with like

748

00:36:50,349 --> 00:36:47,470

a significant announcement a significant

749

00:36:53,680 --> 00:36:50,359

truth bomb being dropped as it were and

750

00:36:56,920 --> 00:36:53,690

changing things overnight and I think

751  
00:36:57,999 --> 00:36:56,930  
that's actually what's not happening now

752  
00:36:59,469 --> 00:36:58,009  
there are other things we wrote about

753  
00:37:02,140 --> 00:36:59,479  
that I think actually we're really on

754  
00:37:04,650 --> 00:37:02,150  
point but but this this is a significant

755  
00:37:09,390 --> 00:37:04,660  
thing that we're seeing which is that

756  
00:37:12,700 --> 00:37:09,400  
the public does not uniformly react

757  
00:37:16,569 --> 00:37:12,710  
immediately to all of this news but it

758  
00:37:21,160 --> 00:37:16,579  
is having shockwaves so we are seeing an

759  
00:37:24,069 --> 00:37:21,170  
effect when you you know when you look

760  
00:37:27,430 --> 00:37:24,079  
at everything preceding this Navy

761  
00:37:29,859 --> 00:37:27,440  
announcement right you can see how the

762  
00:37:32,709 --> 00:37:29,869  
the corporate established the power

763  
00:37:35,559 --> 00:37:32,719

media as it were everyone from CNN to

764

00:37:38,940 --> 00:37:35,569

MSNBC to Fox and the New York Times and

765

00:37:41,140 --> 00:37:38,950

the rest their take on UFOs has

766

00:37:44,170 --> 00:37:41,150

dramatically changed over the last two

767

00:37:47,289 --> 00:37:44,180

years so they don't instinctively

768

00:37:48,910 --> 00:37:47,299

snarkily laugh them off usually there's

769

00:37:52,089 --> 00:37:48,920

still some bad journalism out there for

770

00:37:53,799 --> 00:37:52,099

sure that they're definitely handling

771

00:37:56,650 --> 00:37:53,809

the subject differently but it's it's

772

00:37:58,630 --> 00:37:56,660

not overnight it's not overnight and I

773

00:38:02,979 --> 00:37:58,640

think with this Navy announcement this

774

00:38:06,819 --> 00:38:02,989

Navy recognition I think it will you

775

00:38:09,940 --> 00:38:06,829

know it'll be another movement but it I

776

00:38:12,640 --> 00:38:09,950

don't think we should yet expect this

777

00:38:15,880 --> 00:38:12,650

overnight everyone being on the same

778

00:38:17,019 --> 00:38:15,890

page with it opinions some opinions on

779

00:38:19,569 --> 00:38:17,029

this are going to be very very

780

00:38:21,069 --> 00:38:19,579

entrenched for a long time and I think

781

00:38:22,970 --> 00:38:21,079

for some people they'll never change

782

00:38:25,960 --> 00:38:22,980

their opinions no matter how much

783

00:38:30,020 --> 00:38:25,970

evidence might be presented to them so

784

00:38:33,339 --> 00:38:30,030

it'll be by degrees and until there is

785

00:38:36,109 --> 00:38:33,349

an actual official announcement from a

786

00:38:38,420 --> 00:38:36,119

major political institution and at this

787

00:38:42,640 --> 00:38:38,430

point I don't even know what political

788

00:38:46,819 --> 00:38:42,650

person or institution would have enough

789

00:38:48,849 --> 00:38:46,829

status to be able to convince the world

790

00:38:50,960 --> 00:38:48,859

of this certainly not president Trump

791

00:38:52,790 --> 00:38:50,970

could you imagine if he were to give a

792

00:38:54,800 --> 00:38:52,800

disclosure statement half the country

793

00:38:57,109 --> 00:38:54,810

automatically wouldn't would not believe

794

00:38:58,609 --> 00:38:57,119

him and you know any other world leader

795

00:39:00,940 --> 00:38:58,619

I don't know if they would easily be

796

00:39:03,349 --> 00:39:00,950

believed we're at that kind of a point

797

00:39:05,810 --> 00:39:03,359

so I think this is going to take a

798

00:39:08,120 --> 00:39:05,820

longer time than many of us have

799

00:39:13,329 --> 00:39:08,130

realized but that the other side of it

800

00:39:17,359 --> 00:39:13,339

is this each new revelation is prompting

801  
00:39:18,800 --> 00:39:17,369  
more questions and more pressure that

802  
00:39:21,849 --> 00:39:18,810  
you can definitely see that there's a

803  
00:39:25,420 --> 00:39:21,859  
traction happening here and there's a

804  
00:39:27,950 --> 00:39:25,430  
kind of a feedback that's now happening

805  
00:39:30,349 --> 00:39:27,960  
so that all of these revelations are

806  
00:39:32,450 --> 00:39:30,359  
prompting more and more people to pry a

807  
00:39:35,300 --> 00:39:32,460  
little bit more information out and the

808  
00:39:37,940 --> 00:39:35,310  
last thing I guess I would just say is a

809  
00:39:40,520 --> 00:39:37,950  
great deal of this really the lion's

810  
00:39:44,180 --> 00:39:40,530  
share of this has to come go down to T

811  
00:39:45,440 --> 00:39:44,190  
TSA and I mean I know they have their

812  
00:39:47,240 --> 00:39:45,450  
detractors and they've got their

813  
00:39:50,540 --> 00:39:47,250

supporters with a lot of detractors but

814

00:39:52,970 --> 00:39:50,550

I I can't even imagine like that we

815

00:39:54,849 --> 00:39:52,980

would be anywhere near where we are

816

00:39:57,050 --> 00:39:54,859

without the efforts of that group that

817

00:39:59,089 --> 00:39:57,060

organization and I just think that has

818

00:40:01,220 --> 00:39:59,099

to be acknowledged yeah well there's

819

00:40:02,990 --> 00:40:01,230

there's that side of it the the other

820

00:40:08,180 --> 00:40:03,000

part of it now I want to move on we have

821

00:40:09,890 --> 00:40:08,190

so much to discuss tonight but the it's

822

00:40:13,010 --> 00:40:09,900

it's really funny

823

00:40:17,120 --> 00:40:13,020

irony is a strange word right and you

824

00:40:21,230 --> 00:40:17,130

need to be careful of avoiding irony

825

00:40:24,950 --> 00:40:21,240

when you can because in this case you

826

00:40:26,660 --> 00:40:24,960

know Greenwald looking into T TSA as we

827

00:40:31,640 --> 00:40:26,670

all know he's been doing that for a

828

00:40:33,920 --> 00:40:31,650

couple of years accidentally backed over

829

00:40:36,829 --> 00:40:33,930

this right he's backing up his car and

830

00:40:41,440 --> 00:40:36,839

he runs over the US Navy with this you

831

00:40:45,259 --> 00:40:41,450

B's story and and that's that's about as

832

00:40:50,089 --> 00:40:45,269

ironic of a situation as you can have in

833

00:40:53,089 --> 00:40:50,099

that it wasn't TTS a that got the Navy

834

00:40:55,549 --> 00:40:53,099

to disclose this it wasn't Elizondo that

835

00:40:59,660 --> 00:40:55,559

got the Navy to do this it was John

836

00:41:02,299 --> 00:40:59,670

Greenwald looking into T TSA that got

837

00:41:08,120 --> 00:41:02,309

the Navy to do this and that's the part

838

00:41:09,650 --> 00:41:08,130

about this whole thing that I think was

839

00:41:12,200 --> 00:41:09,660

the other way sure go ahead

840

00:41:15,489 --> 00:41:12,210

this is John wanting you know John has

841

00:41:19,309 --> 00:41:15,499

been extremely critical of T TSA and

842

00:41:21,859 --> 00:41:19,319

really you know in inferring that

843

00:41:24,769 --> 00:41:21,869

they're disinformation I outfit and

844

00:41:26,690 --> 00:41:24,779

things of this particular sword and but

845

00:41:29,329 --> 00:41:26,700

in fact by getting this acknowledgement

846

00:41:31,849 --> 00:41:29,339

from the Navy I would I think one could

847

00:41:37,729 --> 00:41:31,859

at least argue provides a level of

848

00:41:42,170 --> 00:41:37,739

support no I'm agreeing with you yes

849

00:41:46,190 --> 00:41:44,200

but as I say to his credit like John

850

00:41:49,219 --> 00:41:46,200

John's a good guy and he's a great

851  
00:41:51,709 --> 00:41:49,229  
researcher and he's got integrity and I

852  
00:41:53,150 --> 00:41:51,719  
haven't really agreed with everything

853  
00:41:55,160 --> 00:41:53,160  
that he's said about them up till now

854  
00:41:58,459 --> 00:41:55,170  
but that doesn't stop me from respecting

855  
00:42:00,319 --> 00:41:58,469  
him and I just thought very well of him

856  
00:42:07,009 --> 00:42:00,329  
when I read his statement yeah there you

857  
00:42:10,519 --> 00:42:07,019  
go all right now storm area51 storm area

858  
00:42:12,739 --> 00:42:10,529  
51 and practice you're not Ruto style

859  
00:42:20,799 --> 00:42:12,749  
running i did you didn't see me on the

860  
00:42:23,490 --> 00:42:20,809  
video on my treadmill on my treadmill

861  
00:42:26,309 --> 00:42:23,500  
going back

862  
00:42:28,799 --> 00:42:26,319  
I'm gonna get a bunch of your your

863  
00:42:30,900 --> 00:42:28,809

thoughts on this let's go back two weeks

864

00:42:32,279 --> 00:42:30,910

ago just two weeks ago simple two

865

00:42:36,480 --> 00:42:32,289

weeks ago

866

00:42:38,220 --> 00:42:36,490

did you ever contemplate going to to

867

00:42:40,140 --> 00:42:38,230

maybe check it out or did you think it

868

00:42:43,829 --> 00:42:40,150

was just a bad idea from the word go

869

00:42:45,120 --> 00:42:43,839

I never contemplated to go no I mean I

870

00:42:47,490 --> 00:42:45,130

had other things to do I was in Toronto

871

00:42:51,539 --> 00:42:47,500

with Tracey this weekend we did a event

872

00:42:53,609 --> 00:42:51,549

there a significant event that mufon

873

00:42:55,349 --> 00:42:53,619

Canada has organized for a number of

874

00:43:00,690 --> 00:42:55,359

years and we just did that that's the

875

00:43:02,880 --> 00:43:00,700

alien cosmic Expo ace which you know

876

00:43:04,650 --> 00:43:02,890

it's close to where we live and the

877

00:43:06,120 --> 00:43:04,660

exact same weekend so there was really

878

00:43:15,140 --> 00:43:06,130

never a chance that I was going to do

879

00:43:24,720 --> 00:43:19,640

there's no way I would I would ever even

880

00:43:26,640 --> 00:43:24,730

contemplate going to it putting on in

881

00:43:29,039 --> 00:43:26,650

the event how many people actually went

882

00:43:32,430 --> 00:43:29,049

there okay see that's where I was going

883

00:43:34,529 --> 00:43:32,440

next this is the the interesting part

884

00:43:36,809 --> 00:43:34,539

right we had three million people you

885

00:43:38,549 --> 00:43:36,819

know confirm on Facebook you know

886

00:43:40,529 --> 00:43:38,559

whatever you know it's three million

887

00:43:43,460 --> 00:43:40,539

people how many what percentage of that

888

00:43:48,990 --> 00:43:43,470

would actually show up well it turns out

889

00:43:51,420 --> 00:43:49,000

in Rachel Nevada home of the alien they

890

00:43:53,880 --> 00:43:51,430

had alien stock and they had between two

891

00:43:57,559 --> 00:43:53,890

and three thousand people show up for a

892

00:44:00,480 --> 00:43:57,569

three-day music event fantastic cool

893

00:44:04,200 --> 00:44:00,490

text from Jeremy Korbelt earlier today

894

00:44:06,390 --> 00:44:04,210

and he said close to 3,000 people I was

895

00:44:08,039 --> 00:44:06,400

very surprised so I just wanted to make

896

00:44:12,930 --> 00:44:08,049

sure I haven't haven't talked to Jeremy

897

00:44:20,640 --> 00:44:12,940

know his even know his event got

898

00:44:22,589 --> 00:44:20,650

canceled he canceled but no no three

899

00:44:27,210 --> 00:44:22,599

thousand people showed up and Rachel his

900

00:44:30,029 --> 00:44:27,220

event the first night on Friday had a

901  
00:44:32,910 --> 00:44:30,039  
couple of dozen people and then they

902  
00:44:34,710 --> 00:44:32,920  
cancelled it altogether the next day so

903  
00:44:37,109 --> 00:44:34,720  
they shut and they he shut his thing

904  
00:44:39,990 --> 00:44:37,119  
down Rachel had 3,000 people that's

905  
00:44:43,260 --> 00:44:40,000  
folks will man that's a lot of folks for

906  
00:44:48,539 --> 00:44:43,270  
Rachel Nevada it's a music event it was

907  
00:44:52,109 --> 00:44:48,549  
three days of music yep yep and now the

908  
00:44:55,230 --> 00:44:52,119  
the people when you go for three days of

909  
00:44:58,650 --> 00:44:55,240  
music and Rachel Nevada is that a fun

910  
00:45:02,010 --> 00:44:58,660  
thing to do I have I might go next year

911  
00:45:06,029 --> 00:45:02,020  
next year that's it next year you Tracy

912  
00:45:15,650 --> 00:45:06,039  
Rita and I let's go to Rachel that's on

913  
00:45:17,910 --> 00:45:15,660

that yeah Tracy they have really nice

914

00:45:22,319 --> 00:45:17,920

accommodations and Rachel's you won't be

915

00:45:25,859 --> 00:45:22,329

disappointed they have a day spa there

916

00:45:26,690 --> 00:45:25,869

Tracy you'll love it okay I'll let her

917

00:45:30,990 --> 00:45:26,700

know

918

00:45:34,230 --> 00:45:31,000

see the thing the thing for me that I

919

00:45:38,549 --> 00:45:34,240

was most concerned about is that you're

920

00:45:43,440 --> 00:45:38,559

gonna have that the possibility of

921

00:45:47,220 --> 00:45:43,450

having an influx of maybe thousands that

922

00:45:49,500 --> 00:45:47,230

are actually there to storm those gates

923

00:45:52,650 --> 00:45:49,510

go across the desert get to the back

924

00:45:55,380 --> 00:45:52,660

gate storm the gates and get into a lot

925

00:45:57,210 --> 00:45:55,390

of trouble that's the part that I was

926

00:46:00,569 --> 00:45:57,220

really freaking out on I didn't want

927

00:46:03,000 --> 00:46:00,579

anybody this is not America no one in

928

00:46:04,559 --> 00:46:03,010

this country very few people I guess I

929

00:46:06,420 --> 00:46:04,569

should say are capable of doing that

930

00:46:11,460 --> 00:46:06,430

this isn't the pioneer days anymore

931

00:46:15,029 --> 00:46:11,470

wasn't 1880 shape and able to deal with

932

00:46:17,490 --> 00:46:15,039

the elements like seriously I know those

933

00:46:19,200 --> 00:46:17,500

days are gone you know a couple of kids

934

00:46:22,319 --> 00:46:19,210

you know a couple of thousand kids with

935

00:46:27,089 --> 00:46:22,329

juice boxes you know you know heading

936

00:46:30,240 --> 00:46:27,099

across the desert it's sad to say yeah

937

00:46:33,269 --> 00:46:30,250

if this were a different era you might

938

00:46:34,440 --> 00:46:33,279

wonder about it seriously America today

939

00:46:36,329 --> 00:46:34,450

not happening

940

00:46:37,859 --> 00:46:36,339

now like all knew it was not going to

941

00:46:40,770 --> 00:46:37,869

happen no one was going to storm

942

00:46:45,750 --> 00:46:40,780

anything did the

943

00:46:48,330 --> 00:46:45,760

exposure that area51 got from the mass

944

00:46:51,570 --> 00:46:48,340

media and you know three million people

945

00:46:53,640 --> 00:46:51,580

clicking on that does that lift the

946

00:46:56,670 --> 00:46:53,650

awareness though and allow people to

947

00:46:59,190 --> 00:46:56,680

start asking questions about area 51 is

948

00:47:04,200 --> 00:46:59,200

that the positive side of this I think I

949

00:47:06,840 --> 00:47:04,210

think it's the sign that that the UFO

950

00:47:09,990 --> 00:47:06,850

subject is it's a significant subject

951  
00:47:12,180 --> 00:47:10,000  
and you can look at it a couple of ways

952  
00:47:15,000 --> 00:47:12,190  
you can look at it as you know this

953  
00:47:17,430 --> 00:47:15,010  
subject really because of the web

954  
00:47:21,030 --> 00:47:17,440  
because of the last 25 years of our

955  
00:47:23,880 --> 00:47:21,040  
ability to communicate in this manner it

956  
00:47:26,550 --> 00:47:23,890  
has lifted the UFO subject to a very

957  
00:47:29,090 --> 00:47:26,560  
high level of consciousness so that you

958  
00:47:31,860 --> 00:47:29,100  
can have three million people or so

959  
00:47:32,310 --> 00:47:31,870  
clicking and interest in going to area

960  
00:47:37,170 --> 00:47:32,320  
51

961  
00:47:39,480 --> 00:47:37,180  
yeah and perhaps it is it is helped to

962  
00:47:42,000 --> 00:47:39,490  
raise some consciousness as a result as

963  
00:47:45,630 --> 00:47:42,010

well but what you can definitely see

964

00:47:50,040 --> 00:47:45,640

excuse me is that the UFO subject in

965

00:47:52,920 --> 00:47:50,050

terms of global media is this is good

966

00:47:54,780 --> 00:47:52,930

and bad is basically just another brand

967

00:47:59,840 --> 00:47:54,790

it's another brand it's another product

968

00:48:04,200 --> 00:47:59,850

in other words it's it's a legitimate

969

00:48:06,300 --> 00:48:04,210

product that people around the world are

970

00:48:09,450 --> 00:48:06,310

interested in like a whole bunch of

971

00:48:12,900 --> 00:48:09,460

other products both physical and

972

00:48:14,910 --> 00:48:12,910

intellectual the UFO subject is is a

973

00:48:16,800 --> 00:48:14,920

serious significant subject that's why

974

00:48:21,330 --> 00:48:16,810

we see it everywhere in our popular

975

00:48:25,500 --> 00:48:21,340

culture seldom handled well by Hollywood

976

00:48:28,280 --> 00:48:25,510

but it's it's all around us anyway so I

977

00:48:31,290 --> 00:48:28,290

think that's a significant thing like

978

00:48:33,090 --> 00:48:31,300

you know if you remember back in 2008

979

00:48:36,930 --> 00:48:33,100

when US presidential candidate Dennis

980

00:48:39,090 --> 00:48:36,940

Kucinich had his candidacy ruined mm-hmm

981

00:48:41,340 --> 00:48:39,100

by the fact that it came out that he had

982

00:48:43,890 --> 00:48:41,350

witnessed a UFO with two other people no

983

00:48:46,440 --> 00:48:43,900

less back in the 1980s those two other

984

00:48:47,730 --> 00:48:46,450

people who also came out in 2008 and

985

00:48:49,860 --> 00:48:47,740

said oh yeah we were there and we saw

986

00:48:52,140 --> 00:48:49,870

the same thing didn't matter to destroy

987

00:48:55,009 --> 00:48:52,150

this presidential run and we go from

988

00:48:56,870 --> 00:48:55,019

that to eight years later

989

00:49:00,019 --> 00:48:56,880

Hilary Clinton being on the Jimmy Kimmel

990

00:49:02,210 --> 00:49:00,029

show talking about UFOs getting coverage

991

00:49:05,239 --> 00:49:02,220

in the New York Times about UFOs and not

992

00:49:08,420 --> 00:49:05,249

getting you know getting destroyed by it

993

00:49:10,999 --> 00:49:08,430

not at all so within less than a decade

994

00:49:12,380 --> 00:49:11,009

in the United States the UFO subject

995

00:49:15,470 --> 00:49:12,390

went through a kind of cultural

996

00:49:19,489 --> 00:49:15,480

transformation I got that really as it

997

00:49:23,029 --> 00:49:19,499

has happened so well let me jump in if

998

00:49:25,190 --> 00:49:23,039

you remember if you remember the look on

999

00:49:27,620 --> 00:49:25,200

Dennis Kucinich his face at that moment

1000

00:49:30,650 --> 00:49:27,630

the way that the other candidates in

1001

00:49:34,269 --> 00:49:30,660

that debate jumped on this like a

1002

00:49:36,710 --> 00:49:34,279

feeding frenzy they smelled blood

1003

00:49:38,779 --> 00:49:36,720

absolutely destroyed them at that moment

1004

00:49:42,380 --> 00:49:38,789

and and today it's not that kind of

1005

00:49:44,839 --> 00:49:42,390

party the the last two months Richard if

1006

00:49:49,339 --> 00:49:44,849

we go back to months ago we've got the

1007

00:49:51,799 --> 00:49:49,349

Davis Wilson Doc's right we've got the

1008

00:49:55,849 --> 00:49:51,809

Senate and in capitol hill getting

1009

00:49:59,690 --> 00:49:55,859

briefed on the subject of you ApS you've

1010

00:50:02,660 --> 00:49:59,700

got Tucker Carlson and President Trump

1011

00:50:04,910 --> 00:50:02,670

you've got the area 51 event you've got

1012

00:50:07,839 --> 00:50:04,920

the recent revelations with John

1013

00:50:11,089 --> 00:50:07,849

## Greenwald in the US Navy

1014

00:50:12,950 --> 00:50:11,099

Tucker Carlson Louisa Elizondo statement

1015

00:50:15,859 --> 00:50:12,960

from May 31st of this year where

1016

00:50:18,680 --> 00:50:15,869

Elizondo actually acknowledged the

1017

00:50:20,440 --> 00:50:18,690

recovery of crash UFOs at the very end

1018

00:50:23,680 --> 00:50:20,450

of that interview that was astonishing

1019

00:50:28,640 --> 00:50:23,690

anything else yeah it is been a

1020

00:50:30,979 --> 00:50:28,650

whirlwind and it doesn't seem to me now

1021

00:50:35,390 --> 00:50:30,989

I'm not going down a rabbit hole

1022

00:50:38,239 --> 00:50:35,400

completely but the area 51 event came

1023

00:50:42,170 --> 00:50:38,249

out of nowhere right in the middle of

1024

00:50:43,700 --> 00:50:42,180

all of this other stuff and I just

1025

00:50:45,019 --> 00:50:43,710

stepped back in the government you know

1026  
00:50:47,210 --> 00:50:45,029  
what it could have been any other month

1027  
00:50:49,430 --> 00:50:47,220  
could have been any other year but it

1028  
00:50:53,299 --> 00:50:49,440  
was now when everything else is

1029  
00:50:56,059 --> 00:50:53,309  
happening at the same time is is that is

1030  
00:50:57,890 --> 00:50:56,069  
that coincidence I'm not so sure

1031  
00:51:00,859 --> 00:50:57,900  
everything is happening at the same

1032  
00:51:03,890 --> 00:51:00,869  
thing speculation I don't think that

1033  
00:51:06,110 --> 00:51:03,900  
it's by design I don't think that it was

1034  
00:51:08,560 --> 00:51:06,120  
this kid was I think Maddie Roberts I

1035  
00:51:10,400 --> 00:51:08,570  
think his name was I never got the

1036  
00:51:14,200 --> 00:51:10,410  
reason to think that he was doing

1037  
00:51:16,730 --> 00:51:14,210  
anything other than just having some fun

1038  
00:51:18,500 --> 00:51:16,740

no I mean look we're at a point in our I

1039

00:51:20,450 --> 00:51:18,510

think it's a cultural phenomenon and

1040

00:51:26,120 --> 00:51:20,460

that just happened to have happened to

1041

00:51:30,110 --> 00:51:26,130

happen and you know where our social

1042

00:51:33,200 --> 00:51:30,120

media is has primed us to respond in

1043

00:51:35,210 --> 00:51:33,210

this kind of manic form to all kinds of

1044

00:51:37,760 --> 00:51:35,220

things you know we got the so-called

1045

00:51:40,460 --> 00:51:37,770

outrage mobs and the and everything else

1046

00:51:43,010 --> 00:51:40,470

that's going on where people just kind

1047

00:51:44,960 --> 00:51:43,020

of flame up instantly over all these

1048

00:51:48,050 --> 00:51:44,970

kinds of issues and in a sense what you

1049

00:51:50,840 --> 00:51:48,060

can see with the area 51 the storm area

1050

00:51:53,410 --> 00:51:50,850

51 thing is a similar aspect of that

1051  
00:51:56,290 --> 00:51:53,420  
phenomenon where through social media

1052  
00:52:00,590 --> 00:51:56,300  
you have this kind of instant

1053  
00:52:02,860 --> 00:52:00,600  
acceleration of ideas and instant

1054  
00:52:06,320 --> 00:52:02,870  
acceleration of emotions as well and

1055  
00:52:09,830 --> 00:52:06,330  
it's just I think just went viral at the

1056  
00:52:14,090 --> 00:52:09,840  
right time yeah yeah and the whole flash

1057  
00:52:15,920 --> 00:52:14,100  
mob phenomenon that's the aspect you

1058  
00:52:17,930 --> 00:52:15,930  
because you just don't know right you

1059  
00:52:20,540 --> 00:52:17,940  
don't know until the moment that it

1060  
00:52:23,660 --> 00:52:20,550  
happens and that's the part of the storm

1061  
00:52:26,690 --> 00:52:23,670  
area51 event for me where I was a little

1062  
00:52:29,800 --> 00:52:26,700  
bit uneasy I mean what if three million

1063  
00:52:33,080 --> 00:52:29,810

people showed up and Rachel Nevada

1064

00:52:35,330 --> 00:52:33,090

in in our book ad after disclosure I

1065

00:52:37,430 --> 00:52:35,340

mean we wrote this ten years ago one of

1066

00:52:40,220 --> 00:52:37,440

the things that I remembered speculating

1067

00:52:45,140 --> 00:52:40,230

about and we got it into the book was in

1068

00:52:46,820 --> 00:52:45,150

a disclosure type of scenario you know

1069

00:52:50,540 --> 00:52:46,830

we were this was in the aftermath of the

1070

00:52:52,520 --> 00:52:50,550

Occupy movement in the revised edition

1071

00:52:55,100 --> 00:52:52,530

of the book after occupy came out I

1072

00:52:56,480 --> 00:52:55,110

thought you know wouldn't there be the

1073

00:52:59,210 --> 00:52:56,490

possibility of people getting really

1074

00:53:02,060 --> 00:52:59,220

worked up and and saying let's occupy

1075

00:53:03,710 --> 00:53:02,070

area 51 or occupy wright-patterson Air

1076  
00:53:06,770 --> 00:53:03,720  
Force Base so we actually thought about

1077  
00:53:10,910 --> 00:53:06,780  
this as a possibility nearly a decade

1078  
00:53:14,600 --> 00:53:10,920  
ago and so when this was kind of in the

1079  
00:53:17,300 --> 00:53:14,610  
works this summer I actively thought

1080  
00:53:18,920 --> 00:53:17,310  
about that but I really have never

1081  
00:53:22,700 --> 00:53:18,930  
never thought that this would ever

1082  
00:53:26,890 --> 00:53:22,710  
amount to anything should we organize

1083  
00:53:31,940 --> 00:53:26,900  
talk to Tracy about this should we do a

1084  
00:53:35,390 --> 00:53:31,950  
UFO disclosure occupy event at the

1085  
00:53:38,420 --> 00:53:35,400  
Lincoln Memorial Capitol Hill it's an

1086  
00:53:40,100 --> 00:53:38,430  
interesting question um you know we

1087  
00:53:42,260 --> 00:53:40,110  
there have been attempts to do this

1088  
00:53:43,760 --> 00:53:42,270

before I mean you've got all the press

1089

00:53:46,220 --> 00:53:43,770

conferences that happen in the first

1090

00:53:49,070 --> 00:53:46,230

decade and more of the 20th first

1091

00:53:51,410 --> 00:53:49,080

century even back in the 90s there was a

1092

00:53:55,030 --> 00:53:51,420

little-known protest group called

1093

00:53:57,590 --> 00:53:55,040

Operation right - no they were a UFO

1094

00:53:59,840 --> 00:53:57,600

disclosure group that picketed outside

1095

00:54:01,400 --> 00:53:59,850

the White House I remember the t-shirts

1096

00:54:08,510 --> 00:54:01,410

I remember the t-shirts I remember that

1097

00:54:09,980 --> 00:54:08,520

they actually had protest signs I don't

1098

00:54:11,450 --> 00:54:09,990

have any there were but they had some

1099

00:54:13,850 --> 00:54:11,460

pictures taken they were in the MUFON

1100

00:54:16,990 --> 00:54:13,860

Journal and it's something like that

1101  
00:54:25,700 --> 00:54:19,760  
man it would you'd really want to make

1102  
00:54:29,930 --> 00:54:25,710  
sure it it's done with some rationality

1103  
00:54:34,940 --> 00:54:29,940  
I would like to think and and not a lot

1104  
00:54:36,170 --> 00:54:34,950  
of histrionics I mean you want it's a

1105  
00:54:39,520 --> 00:54:36,180  
tough thing because on the one hand for

1106  
00:54:41,570 --> 00:54:39,530  
a public movement you want to get people

1107  
00:54:44,300 --> 00:54:41,580  
emotionally invested so there's got to

1108  
00:54:46,190 --> 00:54:44,310  
be some of that but it always seems to

1109  
00:54:48,290 --> 00:54:46,200  
me at any time these protest movements

1110  
00:54:51,190 --> 00:54:48,300  
happen they they don't go anywhere

1111  
00:54:53,990 --> 00:54:51,200  
because there's really not a proper

1112  
00:54:58,970 --> 00:54:54,000  
intellectual focus so if there were to

1113  
00:55:02,270 --> 00:54:58,980

be a proper disclosure movement I would

1114

00:55:06,140 --> 00:55:02,280

like to see it well thought out before

1115

00:55:08,960 --> 00:55:06,150

it anything happens just not hearing

1116

00:55:12,650 --> 00:55:08,970

myself yes we need you as a spokesman

1117

00:55:14,720 --> 00:55:12,660

Jimmy Jimmy church radio calm or you can

1140

00:56:45,930 --> 00:56:42,849

email Richard Dolan he does take my

1141

00:56:49,500 --> 00:56:45,940

emails to him as well and he replies to

1142

00:56:56,310 --> 00:56:49,510

all of my emails Richard yes sir KITT

1143

00:57:03,140 --> 00:56:56,320

green now KITT green when the news view

1144

00:57:05,550 --> 00:57:03,150

broke about conversations with KITT the

1145

00:57:07,079 --> 00:57:05,560

the email that I got the phone

1146

00:57:08,670 --> 00:57:07,089

conversations that I had with people

1147

00:57:11,700 --> 00:57:08,680

going okay Jimmy you've got to get

1148

00:57:14,059 --> 00:57:11,710

Richard on the show you you're the guy

1149

00:57:18,000 --> 00:57:14,069

to do this and you and I did actually

1150

00:57:19,319 --> 00:57:18,010

speak about timing of the possibility of

1151  
00:57:25,829 --> 00:57:19,329  
speaking about Kate green well the

1152  
00:57:27,390 --> 00:57:25,839  
moment is here no we have not

1153  
00:57:30,630 --> 00:57:27,400  
oh wow yeah we need to get into this

1154  
00:57:34,020 --> 00:57:30,640  
yeah let's get into this now a two

1155  
00:57:38,160 --> 00:57:34,030  
minute historical perspective about what

1156  
00:57:42,599 --> 00:57:38,170  
prompted you reaching out to KITT which

1157  
00:57:46,470 --> 00:57:42,609  
was the the Davis Wilson docks that and

1158  
00:57:50,640 --> 00:57:46,480  
also the 11 page alien autopsy email

1159  
00:57:52,829 --> 00:57:50,650  
thread right both both were leaked from

1160  
00:57:55,920 --> 00:57:52,839  
the same source and that source it must

1161  
00:57:59,130 --> 00:57:55,930  
be emphasized where the papers of the

1162  
00:58:03,390 --> 00:57:59,140  
late astronaut dr. Edgar Mitchell who

1163  
00:58:05,460 --> 00:58:03,400

died in January of 2017 and as a number

1164

00:58:06,750 --> 00:58:05,470

of us I'm not the only one who is aware

1165

00:58:08,400 --> 00:58:06,760

of how this whole thing has happened

1166

00:58:13,770 --> 00:58:08,410

grant Cameron's talked a lot about this

1167

00:58:16,109 --> 00:58:13,780

too but after Mitchell died a number of

1168

00:58:17,250 --> 00:58:16,119

his papers were not necessarily going to

1169

00:58:19,680 --> 00:58:17,260

be preserved

1170

00:58:23,400 --> 00:58:19,690

alright and they were preserved by

1171

00:58:24,840 --> 00:58:23,410

someone who altruistically I think it

1172

00:58:27,810 --> 00:58:24,850

has to be said knew that this would be a

1173

00:58:29,910 --> 00:58:27,820

travesty and was allowed above board

1174

00:58:32,730 --> 00:58:29,920

with permission to take a certain number

1175

00:58:35,310 --> 00:58:32,740

of these papers out and I do not know

1176

00:58:37,230 --> 00:58:35,320

how many I don't know the full extent I

1177

00:58:39,480 --> 00:58:37,240

don't know if they're all of great

1178

00:58:41,940 --> 00:58:39,490

importance or trivial I don't know that

1179

00:58:44,130 --> 00:58:41,950

but I do know that one of those

1180

00:58:46,170 --> 00:58:44,140

documents was a 15 page document that

1181

00:58:48,540 --> 00:58:46,180

we've been calling the Wilson document

1182

00:58:51,270 --> 00:58:48,550

the Eric Davis notes another is the 11

1183

00:58:54,090 --> 00:58:51,280

page email thread dealing with the alien

1184

00:58:59,060 --> 00:58:54,100

autopsy whole discussion in 2001 on the

1185

00:59:02,010 --> 00:58:59,070

Ray Santilli film and and there's more

1186

00:59:03,990 --> 00:59:02,020

grant Cameron released another one page

1187

00:59:05,970 --> 00:59:04,000

or two-page memo from Robert Bigelow to

1188

00:59:08,040 --> 00:59:05,980

Edgar Mitchell it's not as important but

1189

00:59:10,609 --> 00:59:08,050

it does show these are all from Edgar

1190

00:59:14,099 --> 00:59:10,619

Mitchell's files anyway so that came out

1191

00:59:18,120 --> 00:59:14,109

the the alien autopsy thread and then

1192

00:59:21,570 --> 00:59:18,130

the Wilson notes came out in the first

1193

00:59:22,980 --> 00:59:21,580

week of June of this year 2019 and in

1194

00:59:25,080 --> 00:59:22,990

fact the I think was the alien autopsy

1195

00:59:27,390 --> 00:59:25,090

email thread that came out like one day

1196

00:59:29,910 --> 00:59:27,400

earlier and when that came out that that

1197

00:59:31,440 --> 00:59:29,920

was actually quite interesting too not

1198

00:59:34,260 --> 00:59:31,450

as interesting in my opinion as the

1199

00:59:36,840 --> 00:59:34,270

Wilson document but still what you have

1200

00:59:38,460 --> 00:59:36,850

in 2001 or a group of scientists working

1201  
00:59:40,170 --> 00:59:38,470  
for the National Institute of discovery

1202  
00:59:43,200 --> 00:59:40,180  
science for needs that is for Robert

1203  
00:59:46,620 --> 00:59:43,210  
Bigelow high-level people how put off

1204  
00:59:50,599 --> 00:59:46,630  
dr. Kate green dr. Eric Davis dr. Colm

1205  
00:59:54,240 --> 00:59:50,609  
Kelleher these are very high-level very

1206  
00:59:55,260 --> 00:59:54,250  
intelligent scientists all with security

1207  
00:59:58,800 --> 00:59:55,270  
clearances high-level security

1208  
01:00:00,420 --> 00:59:58,810  
clearances as well and even in 2001 and

1209  
01:00:03,900 --> 01:00:00,430  
when most of the UFO world had already

1210  
01:00:04,530 --> 01:00:03,910  
decided the alien autopsy video was fake

1211  
01:00:06,750 --> 01:00:04,540  
or hoax

1212  
01:00:09,680 --> 01:00:06,760  
these gentlemen are talking about it

1213  
01:00:12,810 --> 01:00:09,690

amongst themselves very quietly and

1214

01:00:17,310 --> 01:00:12,820

asking mainly asking kit green who's

1215

01:00:20,460 --> 01:00:17,320

that medical expert why he believes it

1216

01:00:23,190 --> 01:00:20,470

was authentic that's it that's

1217

01:00:24,930 --> 01:00:23,200

interesting now that was interesting but

1218

01:00:27,300 --> 01:00:24,940

you could just say well kid Queen no

1219

01:00:29,360 --> 01:00:27,310

matter how well educated or smart he was

1220

01:00:30,980 --> 01:00:29,370

could still be wrong

1221

01:00:32,990 --> 01:00:30,990

you know wouldn't necessarily be

1222

01:00:34,880 --> 01:00:33,000

noteworthy but what made those emails

1223

01:00:36,800 --> 01:00:34,890

that email thread noteworthy was the

1224

01:00:40,250 --> 01:00:36,810

fact that Green said yeah the videos

1225

01:00:43,390 --> 01:00:40,260

authentic because I was briefed in 1987

1226

01:00:46,880 --> 01:00:43,400

or 88 at the Pentagon and shown alien

1227

01:00:49,400 --> 01:00:46,890

autopsy images and alien autopsy reports

1228

01:00:51,080 --> 01:00:49,410

and the images were identical to the

1229

01:00:53,530 --> 01:00:51,090

Santilli film that's what got my

1230

01:00:59,320 --> 01:00:53,540

attention yeah got my attention too but

1231

01:01:03,500 --> 01:00:59,330

we're gonna pause here Richard do you

1232

01:01:09,680 --> 01:01:03,510

think that the alien autopsy film is

1233

01:01:12,290 --> 01:01:09,690

authentic you Richard Dolan know under

1234

01:01:16,490 --> 01:01:12,300

the best circumstances all right

1235

01:01:19,730 --> 01:01:16,500

what scintilla T has said is that they

1236

01:01:26,080 --> 01:01:19,740

had an original that they got it was

1237

01:01:34,280 --> 01:01:29,690

that you have to say that no it's not

1238

01:01:35,780 --> 01:01:34,290

it's not the real deal but to me the

1239

01:01:37,990 --> 01:01:35,790

interesting question isn't that and this

1240

01:01:40,520 --> 01:01:38,000

is what everyone seems to be focusing on

1241

01:01:42,680 --> 01:01:40,530

if some of the people have researched

1242

01:01:44,180 --> 01:01:42,690

the alien autopsy thing in there it's

1243

01:01:45,470 --> 01:01:44,190

like they've got this tunnel vision and

1244

01:01:47,780 --> 01:01:45,480

it is the only question that they have

1245

01:01:49,550 --> 01:01:47,790

on their mind and I think what some more

1246

01:01:52,700 --> 01:01:49,560

interesting questions to ask why KITT

1247

01:01:55,940 --> 01:01:52,710

green that's my point something that he

1248

01:01:58,490 --> 01:01:55,950

claimed was identical to these two parts

1249

01:02:02,060 --> 01:01:58,500

of the Santilli film and by the way so I

1250

01:02:04,300 --> 01:02:02,070

wrote to him immediately that day and I

1251

01:02:07,040 --> 01:02:04,310

can just say like he was not happy that

1252

01:02:08,390 --> 01:02:07,050

that this had come out he was very

1253

01:02:10,850 --> 01:02:08,400

unhappy and he broke back and said look

1254

01:02:13,400 --> 01:02:10,860

that's old news that's 2001 I no longer

1255

01:02:15,260 --> 01:02:13,410

believe that that thing is authentic I

1256

01:02:18,200 --> 01:02:15,270

said I'm not interested in that I'm

1257

01:02:19,370 --> 01:02:18,210

interested in this 1987 a Pentagon

1258

01:02:21,950 --> 01:02:19,380

briefing that you heard about

1259

01:02:23,750 --> 01:02:21,960

and he wrote eventually later that day

1260

01:02:26,510 --> 01:02:23,760

said well I was hoaxed by the Pentagon

1261

01:02:28,280 --> 01:02:26,520

and my act my attitude was what like I

1262

01:02:30,770 --> 01:02:28,290

don't understand this you work for the

1263

01:02:33,020 --> 01:02:30,780

CIA for 20 years you've had high-level

1264

01:02:34,100 --> 01:02:33,030

very high-level security clearances in

1265

01:02:36,860 --> 01:02:34,110

your retirement while you're with

1266

01:02:38,600 --> 01:02:36,870

General Motors and you're deeply

1267

01:02:40,700 --> 01:02:38,610

invested in knowledgeable of the UFO

1268

01:02:42,180 --> 01:02:40,710

subject you know you've probably done

1269

01:02:44,010 --> 01:02:42,190

hundreds of autopsies

1270

01:02:46,820 --> 01:02:44,020

he's an expert in that and you're saying

1271

01:02:49,950 --> 01:02:46,830

to me the Pentagon hoaxed you on this

1272

01:02:51,570 --> 01:02:49,960

little explanation please and so some

1273

01:02:53,340 --> 01:02:51,580

time went by and eventually I did an

1274

01:02:56,190 --> 01:02:53,350

interview with him in the middle of July

1275

01:02:59,910 --> 01:02:56,200

of this year it took me a while to get

1276

01:03:03,000 --> 01:02:59,920

that interview transcribed and then to

1277

01:03:06,690 --> 01:03:03,010

write an article about it and he said

1278

01:03:10,200 --> 01:03:06,700

don't release the the interview well

1279

01:03:12,780 --> 01:03:10,210

yeah and look this is in this is not his

1280

01:03:14,640 --> 01:03:12,790

fault so when we did the interview I

1281

01:03:16,530 --> 01:03:14,650

think we each had a slightly different

1282

01:03:18,480 --> 01:03:16,540

idea of what was going to happen and I

1283

01:03:21,270 --> 01:03:18,490

did have the idea that I would release a

1284

01:03:22,710 --> 01:03:21,280

full transcript this was never his idea

1285

01:03:25,230 --> 01:03:22,720

because some of the things he did tell

1286

01:03:27,030 --> 01:03:25,240

me in that interview were off-the-record

1287

01:03:31,770 --> 01:03:27,040

and they were properly off-the-record

1288

01:03:34,980 --> 01:03:31,780

and glowing what it isn't entirely clear

1289

01:03:37,470 --> 01:03:34,990

until I was about to publish the whole

1290

01:03:39,780 --> 01:03:37,480

thing like I was this close to doing it

1291

01:03:41,700 --> 01:03:39,790

and I did him the courtesy of telling

1292

01:03:42,690 --> 01:03:41,710

him that and he just said no no no

1293

01:03:45,120 --> 01:03:42,700

absolutely not

1294

01:03:49,350 --> 01:03:45,130

What did he say that was awful What did

1295

01:03:50,520 --> 01:03:49,360

he say that was off the record well I'll

1296

01:03:54,540 --> 01:03:50,530

tell you one thing he said that was off

1297

01:03:55,530 --> 01:03:54,550

the record we talked the very end of the

1298

01:03:58,350 --> 01:03:55,540

interview we talked about the Wilson

1299

01:04:00,480 --> 01:03:58,360

document so the first thing I'll tell

1300

01:04:02,730 --> 01:04:00,490

you I asked him is the alien autopsy

1301  
01:04:05,190 --> 01:04:02,740  
thread authentic and the only reason I

1302  
01:04:06,930 --> 01:04:05,200  
even asked that is because some very I

1303  
01:04:08,670 --> 01:04:06,940  
think ignorant people were claiming that

1304  
01:04:10,920 --> 01:04:08,680  
the whole thing was a hoax and I just

1305  
01:04:12,150 --> 01:04:10,930  
wanted to get his statement and the

1306  
01:04:14,070 --> 01:04:12,160  
first thing you said about the alien

1307  
01:04:16,140 --> 01:04:14,080  
autopsy email thread is that yes it's

1308  
01:04:18,540 --> 01:04:16,150  
absolutely authentic completely genuine

1309  
01:04:21,600 --> 01:04:18,550  
we had a long conversation about that

1310  
01:04:23,730 --> 01:04:21,610  
which I don't even know if I'll have

1311  
01:04:25,260 --> 01:04:23,740  
enough time to get into all of that but

1312  
01:04:28,050 --> 01:04:25,270  
then I asked him at the very end about

1313  
01:04:31,520 --> 01:04:28,060

the Wilson document and I wanted to know

1314

01:04:37,320 --> 01:04:31,530

his thoughts on that so he gave me a a

1315

01:04:40,620 --> 01:04:37,330

very interesting statement and I'm

1316

01:04:45,000 --> 01:04:40,630

actually scrolling to it and he says

1317

01:04:47,400 --> 01:04:45,010

golly where is it here we go here we go

1318

01:04:50,210 --> 01:04:47,410

he gave me an on-the-record and an

1319

01:04:52,830 --> 01:04:50,220

off-the-record statement on the record

1320

01:04:54,450 --> 01:04:52,840

this is verbatim he said on the record I

1321

01:04:55,990 --> 01:04:54,460

have agreed on the record that I have no

1322

01:04:57,910 --> 01:04:56,000

authority to confirm

1323

01:04:59,859 --> 01:04:57,920

that it is a legitimate memo because in

1324

01:05:01,599 --> 01:04:59,869

fact the fact that I've seen it the fact

1325

01:05:03,580 --> 01:05:01,609

that I think one thing doesn't give me

1326

01:05:05,770 --> 01:05:03,590

the authority to declare its provenance

1327

01:05:09,460 --> 01:05:05,780

as legitimate I can't do that so I won't

1328

01:05:11,380 --> 01:05:09,470

say that that's the stake and I thinking

1329

01:05:13,240 --> 01:05:11,390

thank you for that that's a very clear

1330

01:05:15,880 --> 01:05:13,250

statement to me and then he gave me an

1331

01:05:17,500 --> 01:05:15,890

off-the-record statement and I I'm not

1332

01:05:20,020 --> 01:05:17,510

going to tell you I can't tell you what

1333

01:05:21,310 --> 01:05:20,030

it was but I asked him can I tell the

1334

01:05:23,650 --> 01:05:21,320

world that you gave me an off-the-record

1335

01:05:25,660 --> 01:05:23,660

statement and he said yes and I will

1336

01:05:29,440 --> 01:05:25,670

certainly add that his off-the-record

1337

01:05:33,130 --> 01:05:29,450

statement was very lengthy he and I had

1338

01:05:37,140 --> 01:05:33,140

a very long conversation about that

1339

01:05:41,470 --> 01:05:37,150

document which he knew extremely well

1340

01:05:46,870 --> 01:05:41,480

sorry off the record he said that the

1341

01:05:54,430 --> 01:05:46,880

document was was authentic no on the

1342

01:05:57,190 --> 01:05:54,440

record he said good job here I'm gonna

1343

01:06:00,430 --> 01:05:57,200

say this after my extensive conversation

1344

01:06:03,670 --> 01:06:00,440

with him off the record my opinion of

1345

01:06:06,370 --> 01:06:03,680

the Wilson documents authenticity was

1346

01:06:09,910 --> 01:06:06,380

certainly solidified right I'll say that

1347

01:06:11,920 --> 01:06:09,920

and I'm trying to do him that's fine I

1348

01:06:14,440 --> 01:06:11,930

don't wanna I don't want to I don't want

1349

01:06:17,109 --> 01:06:14,450

to I don't want to offend kit but we had

1350

01:06:19,089 --> 01:06:17,119

we had a look he told me that I could

1351  
01:06:21,849 --> 01:06:19,099  
say he gave me an off-the-record and I

1352  
01:06:24,579 --> 01:06:21,859  
was very grateful for that and yes I'm

1353  
01:06:26,829 --> 01:06:24,589  
just adding that it was a very detailed

1354  
01:06:28,900 --> 01:06:26,839  
lengthy conversation off the record

1355  
01:06:30,910 --> 01:06:28,910  
about the Wilson memo the Wilson

1356  
01:06:33,520 --> 01:06:30,920  
document by Eric Davis absolutely and

1357  
01:06:35,589 --> 01:06:33,530  
and he gave me a couple of quote

1358  
01:06:38,320 --> 01:06:35,599  
hypotheticals about Admiral Wilson on

1359  
01:06:40,210 --> 01:06:38,330  
that document he said the generic

1360  
01:06:42,370 --> 01:06:40,220  
discussion in the document generic

1361  
01:06:45,880 --> 01:06:42,380  
discussion again he's distancing himself

1362  
01:06:48,099 --> 01:06:45,890  
he said was exceptionally familiar to

1363  
01:06:51,210 --> 01:06:48,109

him his words right so if you go through

1364

01:06:54,730 --> 01:06:51,220

the incredible amount of detail in that

1365

01:06:56,589 --> 01:06:54,740

15 page document about the Admiral

1366

01:06:58,620 --> 01:06:56,599

Wilson leak and if someone that is not

1367

01:07:01,900 --> 01:06:58,630

familiar with this and we apologize but

1368

01:07:03,370 --> 01:07:01,910

just I wrote articles on this is on my

1369

01:07:04,900 --> 01:07:03,380

website they're free of charge you can

1370

01:07:07,089 --> 01:07:04,910

just go find the articles You Tube

1371

01:07:09,850 --> 01:07:07,099

things on this get up to speed this is

1372

01:07:13,240 --> 01:07:09,860

important stuff so Green said that was a

1373

01:07:16,420 --> 01:07:13,250

exceptionally familiar to him and also

1374

01:07:19,630 --> 01:07:16,430

he said Wilson's reaction his anger at

1375

01:07:22,840 --> 01:07:19,640

being locked out of the program his

1376

01:07:24,760 --> 01:07:22,850

basic statement was look yeah a guy like

1377

01:07:27,640 --> 01:07:24,770

that in his position would have thought

1378

01:07:30,400 --> 01:07:27,650

he would have the ability to monitor a

1379

01:07:32,140 --> 01:07:30,410

reverse engineered alien tech program

1380

01:07:33,610 --> 01:07:32,150

but he said but no he wouldn't have this

1381

01:07:35,350 --> 01:07:33,620

whole things become so privatized

1382

01:07:39,160 --> 01:07:35,360

mmm-hmm the whole thing has become

1383

01:07:41,410 --> 01:07:39,170

privatized he said you know one of the

1384

01:07:45,340 --> 01:07:41,420

things he pointed out to me is in his

1385

01:07:47,410 --> 01:07:45,350

own career and and everyone else is that

1386

01:07:52,030 --> 01:07:47,420

he knows he said the rule is that when

1387

01:07:53,380 --> 01:07:52,040

you leave federal employee and you go

1388

01:07:55,150 --> 01:07:53,390

off to work in private industry that's

1389

01:07:57,340 --> 01:07:55,160

when your security clearances actually

1390

01:07:57,880 --> 01:07:57,350

improve and become better and more more

1391

01:07:59,860 --> 01:07:57,890

numerous

1392

01:08:02,050 --> 01:07:59,870

he said that happened to him when he

1393

01:08:05,290 --> 01:08:02,060

left the CIA he'd been at the CIA for 20

1394

01:08:07,780 --> 01:08:05,300

years he leaves the CIA and got better

1395

01:08:10,150 --> 01:08:07,790

clearances as an executive with General

1396

01:08:12,070 --> 01:08:10,160

Motors and I just said well why does

1397

01:08:13,600 --> 01:08:12,080

that happen he said well because it's in

1398

01:08:15,100 --> 01:08:13,610

private industry where all the action is

1399

01:08:18,130 --> 01:08:15,110

is where private industries where all

1400

01:08:20,830 --> 01:08:18,140

the brainpower is where all the where

1401

01:08:23,710 --> 01:08:20,840

everything is happening all the money is

1402

01:08:27,490 --> 01:08:23,720

in private industry so when there's

1403

01:08:30,250 --> 01:08:27,500

anything that has to be done to deal

1404

01:08:32,410 --> 01:08:30,260

with this type of a phenomenon all right

1405

01:08:35,020 --> 01:08:32,420

it's in private industry and so that's

1406

01:08:37,480 --> 01:08:35,030

when you need more and better security

1407

01:08:39,100 --> 01:08:37,490

clearances now and that's that was an

1408

01:08:44,710 --> 01:08:39,110

interesting insight I thought and and

1409

01:08:46,320 --> 01:08:44,720

going back to him being hoaxed by the

1410

01:08:50,050 --> 01:08:46,330

Department of Defense

1411

01:08:52,060 --> 01:08:50,060

okay so yet two or three points and

1412

01:08:58,270 --> 01:08:52,070

let's let's bang it out right away one

1413

01:09:04,150 --> 01:08:58,280

it appears in the leaked thread that he

1414

01:09:07,300 --> 01:09:04,160

believed in 2001 that the Santilli film

1415

01:09:12,720 --> 01:09:07,310

was authentic the alien autopsy that's

1416

01:09:16,630 --> 01:09:12,730

the way that I read it he did okay so

1417

01:09:19,210 --> 01:09:16,640

how does he explain that away today not

1418

01:09:21,190 --> 01:09:19,220

explain it away but his change of heart

1419

01:09:22,930 --> 01:09:21,200

that he says now that the film is not

1420

01:09:25,150 --> 01:09:22,940

authentic and that the Pentagon

1421

01:09:27,789 --> 01:09:25,160

hoaxed him all right let's get some

1422

01:09:29,110 --> 01:09:27,799

clarity honest and say you know I mean I

1423

01:09:31,180 --> 01:09:29,120

respect him every respect his

1424

01:09:33,939 --> 01:09:31,190

intelligence but I wasn't even now I'm

1425

01:09:36,490 --> 01:09:33,949

not fully satisfied with his explanation

1426

01:09:38,769 --> 01:09:36,500

at all but one of the things he said to

1427

01:09:42,070 --> 01:09:38,779

me is that during the 80s and 90s and

1428

01:09:46,590 --> 01:09:42,080

early 2000s he received at his doorstep

1429

01:09:48,970 --> 01:09:46,600

at his home anonymously a dozen or more

1430

01:09:51,689 --> 01:09:48,980

alien autopsy videos

1431

01:09:54,729 --> 01:09:51,699

can you imagine mm-hmm more than a dozen

1432

01:10:00,160 --> 01:09:54,739

not all had documentation with them but

1433

01:10:04,510 --> 01:10:00,170

some did and you know and and at the

1434

01:10:06,459 --> 01:10:04,520

same time he had two mentors over a

1435

01:10:12,040 --> 01:10:06,469

period of time over a period of like 25

1436

01:10:16,150 --> 01:10:12,050

years who had said to him there is a UFO

1437

01:10:18,160 --> 01:10:16,160

alien program and I'm I want to get you

1438

01:10:20,860 --> 01:10:18,170

cleared to be in it because we need

1439

01:10:23,260 --> 01:10:20,870

someone of your particular background so

1440

01:10:25,570 --> 01:10:23,270

through the 1982 while he was still with

1441

01:10:29,250 --> 01:10:25,580

CIA this was going on and he was

1442

01:10:32,380 --> 01:10:29,260

expecting it to happen and in fact that

1443

01:10:35,830 --> 01:10:32,390

that was the situation in 1987 or 88

1444

01:10:38,020 --> 01:10:35,840

whenever this was that he got it was was

1445

01:10:40,840 --> 01:10:38,030

summoned to the Pentagon for this

1446

01:10:42,610 --> 01:10:40,850

briefing he assumed he said to me that

1447

01:10:44,950 --> 01:10:42,620

this was going to be the briefing where

1448

01:10:47,470 --> 01:10:44,960

they laid out her everything and showed

1449

01:10:49,420 --> 01:10:47,480

him alien autopsy film and said

1450

01:10:51,490 --> 01:10:49,430

everything and in fact what they did was

1451

01:10:53,350 --> 01:10:51,500

they didn't show him a film which he was

1452

01:10:57,459 --> 01:10:53,360

expecting they showed him some still

1453

01:11:00,010 --> 01:10:57,469

glossies and some autopsy reports with

1454

01:11:02,020 --> 01:11:00,020

not much other explanation involved

1455

01:11:04,360 --> 01:11:02,030

there he said am I getting anything else

1456

01:11:07,390 --> 01:11:04,370

in the briefing officer said you will

1457

01:11:09,189 --> 01:11:07,400

not and that was it and according to

1458

01:11:12,580 --> 01:11:09,199

Green he never really got a proper

1459

01:11:14,530 --> 01:11:12,590

follow-up or any follow-up from that

1460

01:11:18,340 --> 01:11:14,540

briefing and so he became suspicious of

1461

01:11:20,439 --> 01:11:18,350

it through the 2000s he his original

1462

01:11:23,080 --> 01:11:20,449

mentor died eventually in the 90s and he

1463

01:11:25,330 --> 01:11:23,090

had a second mentor these are high-level

1464

01:11:27,939 --> 01:11:25,340

people in the world of special access

1465

01:11:29,650 --> 01:11:27,949

programs and the second one also said

1466

01:11:31,660 --> 01:11:29,660

I'm going to get you cleared for this

1467

01:11:33,580 --> 01:11:31,670

program we need you so this he went

1468

01:11:36,280 --> 01:11:33,590

through this merry-go-round a second

1469

01:11:38,350 --> 01:11:36,290

time which lasted for years

1470

01:11:40,930 --> 01:11:38,360

and it was like the carrot being dangled

1471

01:11:42,790 --> 01:11:40,940

but it never it never materialized for

1472

01:11:45,790 --> 01:11:42,800

him so I think what happened with kid

1473

01:11:48,010 --> 01:11:45,800

green is that over the years he became

1474

01:11:50,170 --> 01:11:48,020

much more skeptical of the

1475

01:11:52,990 --> 01:11:50,180

extra-terrestrial explanation for UFOs

1476

01:11:56,680 --> 01:11:53,000

he seems to believe in UFOs but I don't

1477

01:11:59,560 --> 01:11:56,690

I don't know that he goes so far today

1478

01:12:01,750 --> 01:11:59,570

to say that it's alien bodies alien

1479

01:12:04,390 --> 01:12:01,760

autopsies in any of that and he believes

1480

01:12:06,040 --> 01:12:04,400

that he was that I guess the victim of

1481

01:12:09,280 --> 01:12:06,050

what he called what is called an active

1482

01:12:11,110 --> 01:12:09,290

measures program and this is a very big

1483

01:12:12,220 --> 01:12:11,120

thing within the intelligence community

1484

01:12:14,580 --> 01:12:12,230

and the idea of an active measures

1485

01:12:17,770 --> 01:12:14,590

program is he explaining to me also is

1486

01:12:19,540 --> 01:12:17,780

you take you know even a high-level

1487

01:12:21,250 --> 01:12:19,550

expert in a field you given them a

1488

01:12:23,830 --> 01:12:21,260

certain man of disinformation to make

1489

01:12:26,410 --> 01:12:23,840

them believe that and it's really a test

1490

01:12:30,010 --> 01:12:26,420

to see how good your disinformation can

1491

01:12:31,990 --> 01:12:30,020

be he says this is very common I have to

1492

01:12:34,300 --> 01:12:32,000

take him for what he say I don't know

1493

01:12:36,070 --> 01:12:34,310

how common these are but he says that

1494

01:12:39,220 --> 01:12:36,080

they're quite common so they used to

1495

01:12:41,080 --> 01:12:39,230

have are you saying I just want to be

1496

01:12:44,950 --> 01:12:41,090

clear here are you saying that he

1497

01:12:48,490 --> 01:12:44,960

suggested that they were testing their

1498

01:12:51,190 --> 01:12:48,500

disinformation capabilities on him and

1499

01:12:53,580 --> 01:12:51,200

that's how he was hoaxed right do you

1500

01:12:57,370 --> 01:12:53,590

borrow he doesn't approve for it so yeah

1501

01:13:00,130 --> 01:12:57,380

as I said seriously like that's taking a

1502

01:13:03,010 --> 01:13:00,140

heck of a big risk this is someone who

1503

01:13:05,260 --> 01:13:03,020

is high-level expertise right right in

1504

01:13:07,570 --> 01:13:05,270

every aspect of medicine biology and

1505

01:13:09,580 --> 01:13:07,580

genetics and every related science that

1506

01:13:11,710 --> 01:13:09,590

you can imagine he really knows that

1507

01:13:13,410 --> 01:13:11,720

he's top of the game and there's been

1508

01:13:17,590 --> 01:13:13,420

that for his whole professional life

1509

01:13:20,050 --> 01:13:17,600

plus he's got this strong foundation of

1510

01:13:22,510 --> 01:13:20,060

knowledge of the UFO phenomenon in

1511

01:13:24,220 --> 01:13:22,520

general I would think even the Pentagon

1512

01:13:25,930 --> 01:13:24,230

trying to hoax him in an active measures

1513

01:13:28,600 --> 01:13:25,940

program that's taking a heck of a risk

1514

01:13:30,340 --> 01:13:28,610

for someone like him and so I was very

1515

01:13:33,700 --> 01:13:30,350

dubious about it they could have Paul

1516

01:13:34,990 --> 01:13:33,710

the ben'll wisdom you know what I mean

1517

01:13:37,720 --> 01:13:35,000

they could have Paul Bennett what if

1518

01:13:40,090 --> 01:13:37,730

they messed with his very psyche with

1519

01:13:42,430 --> 01:13:40,100

his very professional mind trained

1520

01:13:45,250 --> 01:13:42,440

learning guy and then you go and you

1521

01:13:47,620 --> 01:13:45,260

spin that on him right right right

1522

01:13:49,990 --> 01:13:47,630

and then you have the whole situation of

1523

01:13:52,690 --> 01:13:50,000

these these alien autopsies

1524

01:13:56,620 --> 01:13:52,700

landed mysteriously at his doorstep over

1525

01:14:01,720 --> 01:13:56,630

a period of years on one occasion at

1526

01:14:04,180 --> 01:14:01,730

least he took this to a highly respected

1527

01:14:08,110 --> 01:14:04,190

expert colleague of his who brought it

1528

01:14:10,690 --> 01:14:08,120

to to his colleagues so it was a film

1529

01:14:12,970 --> 01:14:10,700

and with documentation and they studied

1530

01:14:15,220 --> 01:14:12,980

the documentation and it was the opinion

1531

01:14:17,010 --> 01:14:15,230

of this expert that this was an

1532

01:14:23,470 --> 01:14:17,020

elaborate hoax

1533

01:14:27,280 --> 01:14:23,480

now I can't I don't know how to judge

1534

01:14:30,760 --> 01:14:27,290

that as a hoax or not right and we'll

1535

01:14:33,550 --> 01:14:30,770

see if it if it was to the standard

1536

01:14:36,400 --> 01:14:33,560

right to the level of standard for

1537

01:14:39,540 --> 01:14:36,410

somebody like kit Green who has cut open

1538

01:14:42,520 --> 01:14:39,550

more dead bodies than you and I have

1539

01:14:44,380 --> 01:14:42,530

that if it love if it rises to that

1540

01:14:47,380 --> 01:14:44,390

level of standard where he's comfortable

1541

01:14:50,680 --> 01:14:47,390

enough to take it to colleagues around

1542

01:14:52,390 --> 01:14:50,690

him for their opinion how good was this

1543

01:14:54,580 --> 01:14:52,400

really with with the high level

1544

01:14:57,060 --> 01:14:54,590

clearances as well he's right right is

1545

01:15:01,810 --> 01:14:57,070

he very very high professional types a

1546

01:15:03,910 --> 01:15:01,820

very high level how good was the film it

1547

01:15:08,980 --> 01:15:03,920

wasn't Santa Lee's film I can tell you

1548

01:15:12,940 --> 01:15:08,990

that the film that he took to them was

1549

01:15:17,170 --> 01:15:12,950

an alien autopsy type film that that

1550

01:15:19,300 --> 01:15:17,180

they determined was a genuine autopsy of

1551

01:15:20,710 --> 01:15:19,310

a being that looked like an alien but

1552

01:15:23,050 --> 01:15:20,720

they determined through their own

1553

01:15:28,810 --> 01:15:23,060

expertise was a pro Jarek that is

1554

01:15:31,650 --> 01:15:28,820

someone of rapid onset aging progeria so

1555

01:15:35,380 --> 01:15:31,660

not not an alien that was their

1556

01:15:37,480 --> 01:15:35,390

conclusion in that particular case but

1557

01:15:38,980 --> 01:15:37,490

the thing is this this was a carrot

1558

01:15:41,200 --> 01:15:38,990

these were a series of carrots that

1559

01:15:44,710 --> 01:15:41,210

dangled in front of him for a long

1560

01:15:46,810 --> 01:15:44,720

period of time and you know the question

1561

01:15:50,080 --> 01:15:46,820

arises who did this he doesn't know who

1562

01:15:52,800 --> 01:15:50,090

did it his suspicion is that some of the

1563

01:15:56,260 --> 01:15:52,810

alien autopsy videos might have been

1564

01:15:57,880 --> 01:15:56,270

created by private industry within the

1565

01:15:58,690 --> 01:15:57,890

classified world and I said well why

1566

01:16:02,980 --> 01:15:58,700

would that be

1567

01:16:06,010 --> 01:16:02,990

and there

1568

01:16:08,530 --> 01:16:06,020

I'm trying to remember exactly here this

1569

01:16:09,730 --> 01:16:08,540

is a quote that he has he says I've

1570

01:16:11,260 --> 01:16:09,740

never been able to let go of that

1571

01:16:13,000 --> 01:16:11,270

document this is the one I was just

1572

01:16:14,440 --> 01:16:13,010

telling you about some of the words in

1573

01:16:16,020 --> 01:16:14,450

the document referring to some of the

1574

01:16:19,210 --> 01:16:16,030

techniques to do the reverse

1575

01:16:23,080 --> 01:16:19,220

transcriptase subtests were not invented

1576

01:16:25,960 --> 01:16:23,090

yet they were invented 15 years later

1577

01:16:28,540 --> 01:16:25,970

just in the last five years and my only

1578

01:16:31,240 --> 01:16:28,550

conclusion he says it's my hypothesis

1579

01:16:33,790 --> 01:16:31,250

this is not a proof is the hoax was

1580

01:16:35,710 --> 01:16:33,800

developed at the top by the people who

1581

01:16:38,800 --> 01:16:35,720

subsequently in the classified

1582

01:16:41,590 --> 01:16:38,810

biological programs went on to patent

1583

01:16:43,960 --> 01:16:41,600

the technologies six seven eight ten

1584

01:16:47,950 --> 01:16:43,970

years later and that still doesn't

1585

01:16:52,590 --> 01:16:47,960

really answer the question like why hoax

1586

01:16:56,080 --> 01:16:52,600

kit green on these I mean I don't get it

1587

01:16:58,750 --> 01:16:56,090

that's if they were hoaxing him that's

1588

01:17:01,000 --> 01:16:58,760

they were hosting him the fact is we

1589

01:17:04,390 --> 01:17:01,010

don't I don't know when you don't know

1590

01:17:06,280 --> 01:17:04,400

and kid green says he knows but does he

1591

01:17:07,720 --> 01:17:06,290

really know what what these things were

1592

01:17:12,160 --> 01:17:07,730

I mean this is his opinion is that he

1593

01:17:15,910 --> 01:17:12,170

was hoaxed his is kit at a position now

1594

01:17:18,760 --> 01:17:15,920

where he's thought about this you know

1595

01:17:20,650 --> 01:17:18,770

you're getting you know and the other

1596

01:17:22,870 --> 01:17:20,660

stages of your life you know you're in

1597

01:17:25,570 --> 01:17:22,880

the fourth quarter is he interested in

1598

01:17:28,210 --> 01:17:25,580

just you know clearing this up and going

1599

01:17:30,640 --> 01:17:28,220

public and and speaking about this I

1600

01:17:32,410 --> 01:17:30,650

think that's why he spoke with me this

1601

01:17:34,870 --> 01:17:32,420

summer to be honest with you he doesn't

1602

01:17:37,660 --> 01:17:34,880

I can tell you he doesn't relish the

1603

01:17:41,470 --> 01:17:37,670

idea of being in the public eye about

1604

01:17:43,330 --> 01:17:41,480

this right you know he came to me

1605

01:17:47,140 --> 01:17:43,340

basically because I approached him first

1606

01:17:50,650 --> 01:17:47,150

about the email thread and I think he

1607

01:17:53,080 --> 01:17:50,660

probably knew that I wasn't going to let

1608

01:17:54,700 --> 01:17:53,090

it go immediately and I think he just

1609

01:17:56,860 --> 01:17:54,710

thought he'll come out and talk to me

1610

01:17:59,350 --> 01:17:56,870

in his opinion I think he has come out

1611

01:18:02,020 --> 01:17:59,360

in the sense of like one thing he said

1612

01:18:02,230 --> 01:18:02,030

to me was you know I was right where you

1613

01:18:07,020 --> 01:18:02,240

are

1614

01:18:09,250 --> 01:18:07,030

now 10 15 years ago like 15 years ago

1615

01:18:11,590 --> 01:18:09,260

and he said I just don't believe that

1616

01:18:14,859 --> 01:18:11,600

anymore I don't believe that we're

1617

01:18:16,660 --> 01:18:14,869

dealing with you

1618

01:18:19,660 --> 01:18:16,670

beings from Zeta Reticuli coming to

1619

01:18:21,339 --> 01:18:19,670

earth I think as he put in something was

1620

01:18:23,979 --> 01:18:21,349

not very clear what he did believe

1621

01:18:28,810 --> 01:18:23,989

though and what is surprising to me is

1622

01:18:31,450 --> 01:18:28,820

the amount of people and researchers

1623

01:18:33,339 --> 01:18:31,460

that I know in respect that have come

1624

01:18:36,700 --> 01:18:33,349

out and said see I told you the film was

1625

01:18:39,939 --> 01:18:36,710

real and I'm just like wait a minute

1626

01:18:43,540 --> 01:18:39,949

here that's the other effect that that

1627

01:18:46,660 --> 01:18:43,550

leaked document Eve 2001 but that's

1628

01:18:49,959 --> 01:18:46,670

that's the weight of kid green and and

1629

01:18:51,939 --> 01:18:49,969

now it's and let me just mention this

1630

01:18:56,790 --> 01:18:51,949

this is really important to state this

1631

01:19:01,600 --> 01:18:56,800

because even now after all these years

1632

01:19:05,560 --> 01:19:01,610

he continues to maintain that some of

1633

01:19:08,020 --> 01:19:05,570

the elements that he was shown in in the

1634

01:19:10,359 --> 01:19:08,030

Pentagon were identical and I'm gonna

1635

01:19:12,399 --> 01:19:10,369

read this so I mean just to be clear

1636

01:19:14,050 --> 01:19:12,409

though in his view the film and the

1637

01:19:20,339 --> 01:19:14,060

briefing were both hoaxes so the

1638

01:19:23,350 --> 01:19:20,349

Santilli film was a hoax and also the

1639

01:19:24,580 --> 01:19:23,360

briefing was a hoax but I just want to

1640

01:19:27,760 --> 01:19:24,590

read this is a statement he broke

1641

01:19:30,310 --> 01:19:27,770

several let me repeat several shots from

1642

01:19:32,530 --> 01:19:30,320

the pictures I was shown then later

1643

01:19:36,550 --> 01:19:32,540

appeared in what he calls the grainy

1644

01:19:40,030 --> 01:19:36,560

Santilli film not the body I never said

1645

01:19:42,609 --> 01:19:40,040

it was the body it was the face still it

1646

01:19:46,660 --> 01:19:42,619

was the shot of the subject

1647

01:19:49,359 --> 01:19:46,670

it was the shot of the wall it was the

1648

01:19:52,359 --> 01:19:49,369

shot of the table it was the shot of a

1649

01:19:54,250 --> 01:19:52,369

part of a foot it was not the shot that

1650

01:19:56,740 --> 01:19:54,260

I could say was the same body so he's

1651  
01:19:58,689 --> 01:19:56,750  
trying to qualify saying no not the body

1652  
01:20:00,970 --> 01:19:58,699  
the body is different but he's saying

1653  
01:20:04,270 --> 01:20:00,980  
the face was the same and a number of

1654  
01:20:07,570 --> 01:20:04,280  
other things from the Santilli film were

1655  
01:20:10,570 --> 01:20:07,580  
the same as what he claims have been

1656  
01:20:13,629 --> 01:20:10,580  
shown and he actually I think he said

1657  
01:20:15,580 --> 01:20:13,639  
something like Santilli may have made up

1658  
01:20:18,070 --> 01:20:15,590  
some of it but he couldn't have made up

1659  
01:20:18,729 --> 01:20:18,080  
all of it because almost exactly how he

1660  
01:20:22,390 --> 01:20:18,739  
said it to me

1661  
01:20:25,830 --> 01:20:22,400  
so there's something that he will

1662  
01:20:27,130 --> 01:20:25,840  
maintain that he maintains to this day

1663  
01:20:32,560 --> 01:20:27,140

that

1664

01:20:33,850 --> 01:20:32,570  
was identical or virtually let's say I

1665

01:20:35,980 --> 01:20:33,860  
mean how can you really know if it's

1666

01:20:38,080 --> 01:20:35,990  
identical one is a 1987 then you've got

1667

01:20:40,480 --> 01:20:38,090  
you know seven eight years later you see

1668

01:20:43,030 --> 01:20:40,490  
the film how good is his memory but

1669

01:20:44,770 --> 01:20:43,040  
let's assume it's good enough that he

1670

01:20:47,230 --> 01:20:44,780  
felt very strongly that this thing was

1671

01:20:49,060 --> 01:20:47,240  
at least if not identical then very

1672

01:20:51,190 --> 01:20:49,070  
close that to me is the interesting

1673

01:20:54,210 --> 01:20:51,200  
thing and what does that say to us right

1674

01:20:57,160 --> 01:20:54,220  
what does that say what if that is true

1675

01:20:59,020 --> 01:20:57,170  
you know I don't want to actually is the

1676

01:21:01,230 --> 01:20:59,030

case I mean here we you know it's like

1677

01:21:04,030 --> 01:21:01,240

here we go you know here we go again

1678

01:21:08,740 --> 01:21:04,040

where we have to wait or there's one

1679

01:21:11,110 --> 01:21:08,750

thing hold on let me say this Richard I

1680

01:21:14,200 --> 01:21:11,120

need to take a break in 30 seconds you

1681

01:21:16,570 --> 01:21:14,210

are on vacation right now and you have

1682

01:21:18,430 --> 01:21:16,580

to be up in the morning do you want to

1683

01:21:23,920 --> 01:21:18,440

continue this conversation after this

1684

01:21:25,780 --> 01:21:23,930

break look at Tracy all right we're

1685

01:21:29,640 --> 01:21:25,790

1686

01:21:34,960 --> 01:21:32,740

we're gonna go for the two let's go okay

1687

01:21:36,940 --> 01:21:34,970

1688

01:21:38,860 --> 01:21:36,950

let's do it I'm gonna take our break our

1689

01:21:42,220 --> 01:21:38,870

1690

01:21:43,630 --> 01:21:42,230

1691

01:21:45,700 --> 01:21:43,640

thank you so much stay right there we'll

1692

01:21:48,140 --> 01:21:45,710

be right back up to the chambre this is

1693

01:21:58,859 --> 01:21:48,150

fake to black Thank You Tracy

1694

01:22:04,240 --> 01:22:00,939

welcome back fade to black

1695

01:22:06,520 --> 01:22:04,250

our guest tonight Richard Dolan if you

1696

01:22:10,450 --> 01:22:06,530

follow Richard right there on Twitter at

1697

01:22:15,310 --> 01:22:10,460

rich Dolan and of course at rich your

1698

01:22:17,919 --> 01:22:15,320

rich your YouTube channel what's the

1699

01:22:20,919 --> 01:22:17,929

name of the channel it's just to Dolan I

1700

01:22:23,680 --> 01:22:20,929

think it's actually YouTube / Richard M

1701

01:22:25,270 --> 01:22:23,690

Dolan but if you just go to youtube and

1702

01:22:26,950 --> 01:22:25,280

type in my name I think you'll get to my

1703

01:22:32,439 --> 01:22:26,960

channel pretty easily what is it what

1704

01:22:34,720 --> 01:22:32,449

does M stand for Michael okay I was

1705

01:22:38,379 --> 01:22:34,730

gonna say it stands for BM f you know

1706

01:22:43,810 --> 01:22:38,389

but I have you know you remember the BM

1707

01:22:47,140 --> 01:22:43,820

f wallet in Pulp Fiction right oh wow

1708

01:22:49,570 --> 01:22:47,150

yeah my memory is gone gone far far away

1709

01:22:51,280 --> 01:22:49,580

you know what the acronym stands for we

1710

01:22:58,359 --> 01:22:51,290

don't need to say it publicly but yes

1711

01:23:00,459 --> 01:22:58,369

exactly it does I have a BM f wallet so

1712

01:23:02,560 --> 01:23:00,469

yeah somebody sent it than I am

1713

01:23:05,140 --> 01:23:02,570

yeah there you go okay so where'd we

1714

01:23:07,419 --> 01:23:05,150

leave off KITT Greene right we were

1715

01:23:08,709 --> 01:23:07,429

getting his yeah I'm actually it's as

1716

01:23:11,459 --> 01:23:08,719

good that we're talking about this

1717

01:23:14,589 --> 01:23:11,469

because I haven't done many interviews

1718

01:23:19,470 --> 01:23:14,599

about this I'm trying to do justice to

1719

01:23:23,080 --> 01:23:19,480

him you know he he was very he was very

1720

01:23:26,229 --> 01:23:23,090

careful and saying the things that he

1721

01:23:27,640 --> 01:23:26,239

said he's a very precise man he's a very

1722

01:23:32,320 --> 01:23:27,650

precise person this is a man who worked

1723

01:23:35,919 --> 01:23:32,330

20 years at the CIA he's got he is an

1724

01:23:37,750 --> 01:23:35,929

intelligence officer with high-level

1725

01:23:42,129 --> 01:23:37,760

expertise in the biological medical

1726

01:23:45,280 --> 01:23:42,139

sciences and and is well known for his

1727

01:23:47,589 --> 01:23:45,290

interest in UFOs and I'm running the so

1728

01:23:49,149 --> 01:23:47,599

called weird desk at the CIA which in

1729

01:23:52,510 --> 01:23:49,159

fact we talked a little bit about that -

1730

01:23:54,729 --> 01:23:52,520

mm-hmm which he really downplayed he

1731

01:23:56,410 --> 01:23:54,739

said look look my job at the CIA almost

1732

01:23:59,560 --> 01:23:56,420

had nothing very little to do with

1733

01:24:02,229 --> 01:23:59,570

phenomena paranormal UFOs a little bit

1734

01:24:04,419 --> 01:24:02,239

he said most of it did not he said most

1735

01:24:06,580 --> 01:24:04,429

of his UFO stuff came in his downtime

1736

01:24:08,240 --> 01:24:06,590

when he would go to s RI and hang out

1737

01:24:11,090 --> 01:24:08,250

with people like he'll put off

1738

01:24:14,090 --> 01:24:11,100

some yeah he's definitely interested in

1739

01:24:16,370 --> 01:24:14,100

the the release of the film

1740

01:24:18,800 --> 01:24:16,380

talking about Santilli now Santilli is

1741

01:24:22,460 --> 01:24:18,810

you know he's now back in the public and

1742

01:24:24,860 --> 01:24:22,470

his co-producer of the film the the

1743

01:24:25,400 --> 01:24:24,870

release of the film we knew it was

1744

01:24:29,020 --> 01:24:25,410

coming

1745

01:24:31,820 --> 01:24:29,030

and I ordered it from at our video and

1746

01:24:34,190 --> 01:24:31,830

couldn't wait for it I paid my 60 bucks

1747

01:24:37,370 --> 01:24:34,200

or 70 bucks whatever I paid for that

1748

01:24:41,000 --> 01:24:37,380

video back then was it was a lot of dosh

1749

01:24:44,390 --> 01:24:41,010

and I had a I had a viewing party yeah

1750

01:24:45,800 --> 01:24:44,400

at my place and maybe four or five of my

1751

01:24:47,570 --> 01:24:45,810

friends all came over we were all

1752

01:24:52,820 --> 01:24:47,580

excited about it and we pop it in the

1753

01:24:55,640 --> 01:24:52,830

VCR and we knew it was bogus just like

1754

01:24:59,360 --> 01:24:55,650

out of the gate and we got to the end of

1755

01:25:05,000 --> 01:24:59,370

it just like you know we got snowed I

1756

01:25:06,470 --> 01:25:05,010

got taken I feel bad for Winston for him

1757

01:25:09,230 --> 01:25:06,480

to go on the record at the end of that

1758

01:25:12,680 --> 01:25:09,240

film and the / that's right the FX

1759

01:25:14,330 --> 01:25:12,690

experts - Stan Winston and the

1760

01:25:19,210 --> 01:25:14,340

pathologist I can't think of his name

1761

01:25:21,470 --> 01:25:19,220

right now yes zero whack the famous

1762

01:25:24,830 --> 01:25:21,480

Cyril Wecht going on the record

1763

01:25:27,380 --> 01:25:24,840

and I just I just felt that it was

1764

01:25:31,220 --> 01:25:27,390

completely bogus that that has been my

1765

01:25:34,970 --> 01:25:31,230

attitude sense I have gotten into some

1766

01:25:37,340 --> 01:25:34,980

pretty heated arguments with some people

1767

01:25:41,090 --> 01:25:37,350

of note about this that that have always

1768

01:25:42,620 --> 01:25:41,100

maintained the film's authenticity and I

1769

01:25:45,620 --> 01:25:42,630

just don't understand what people what

1770

01:25:48,530 --> 01:25:45,630

people see is it that they see what they

1771

01:25:50,180 --> 01:25:48,540

want to see and and they are completely

1772

01:25:51,920 --> 01:25:50,190

convinced and you're never gonna change

1773

01:25:56,090 --> 01:25:51,930

their mind I don't understand that

1774

01:25:57,710 --> 01:25:56,100

aspect of it you're asking me to comment

1775

01:26:03,770 --> 01:25:57,720

on this I I'm trying to think what I

1776

01:26:05,990 --> 01:26:03,780

want to say here I am I am only aware

1777

01:26:10,520 --> 01:26:06,000

that there are there are studies being

1778

01:26:12,140 --> 01:26:10,530

done on this like right now and I don't

1779

01:26:14,690 --> 01:26:12,150

know when they will be released

1780

01:26:18,980 --> 01:26:14,700

I don't know when as in analyses you

1781

01:26:26,180 --> 01:26:21,530

Santee Lee's film possibly this is the

1782

01:26:28,700 --> 01:26:26,190

word what could be possibly be analyzed

1783

01:26:31,010 --> 01:26:28,710

immuno Sam till he's gone on the record

1784

01:26:31,790 --> 01:26:31,020

san till he's gone on the record many

1785

01:26:36,770 --> 01:26:31,800

times going

1786

01:26:38,930 --> 01:26:36,780

it's fake we stayed I read a statement

1787

01:26:40,610 --> 01:26:38,940

on Grant Cameron's web page Facebook

1788

01:26:43,940 --> 01:26:40,620

page which I'm guessing you saw as well

1789

01:26:45,530 --> 01:26:43,950

yes and he even quite say fake if you

1790

01:26:47,450 --> 01:26:45,540

recall he said something different I'm

1791

01:26:49,760 --> 01:26:47,460

not saying he's right I'm just saying

1792

01:26:53,390 --> 01:26:49,770

this is his claim is not the same as

1793

01:26:55,490 --> 01:26:53,400

fake right his claim is that they tried

1794

01:26:57,340 --> 01:26:55,500

to recreate something so that's his

1795

01:27:02,030 --> 01:26:57,350

claim you don't have to believe it

1796

01:27:07,790 --> 01:27:02,040

no the recreation part right right right

1797

01:27:10,430 --> 01:27:07,800

so the the analysis is authentic it's

1798

01:27:11,870 --> 01:27:10,440

not a genuine what so a genuine

1799

01:27:15,830 --> 01:27:11,880

authentic it's not authentic

1800

01:27:19,430 --> 01:27:15,840

it's not the stop saying I think we can

1801  
01:27:22,070 --> 01:27:19,440  
agree on that for sure okay and that I

1802  
01:27:24,470 --> 01:27:22,080  
mean what he has maintained is there

1803  
01:27:28,670 --> 01:27:24,480  
there may be a couple of frames of film

1804  
01:27:30,200 --> 01:27:28,680  
I know that Philip mantel posted some

1805  
01:27:34,970 --> 01:27:30,210  
pictures I don't know if he caught this

1806  
01:27:37,400 --> 01:27:34,980  
a couple of weeks ago he went through

1807  
01:27:40,640 --> 01:27:37,410  
his belongings filled a couple of weeks

1808  
01:27:43,490 --> 01:27:40,650  
ago and found a couple of canisters from

1809  
01:27:47,150 --> 01:27:43,500  
Ray Santilli and in one of those

1810  
01:27:50,360 --> 01:27:47,160  
canisters was a couple of frames of the

1811  
01:27:51,800 --> 01:27:50,370  
alien autopsy film and he posted them on

1812  
01:27:54,020 --> 01:27:51,810  
Facebook they're right there and he's

1813  
01:27:56,360 --> 01:27:54,030

got the two film canisters the film

1814

01:27:59,300 --> 01:27:56,370

canisters are you're like you know six

1815

01:28:01,100 --> 01:27:59,310

inch eight inch you know film canisters

1816

01:28:04,630 --> 01:28:01,110

are not you know really big 16

1817

01:28:06,860 --> 01:28:04,640

millimeter cans of the small ones but

1818

01:28:09,200 --> 01:28:06,870

I'm wondering if those are the two

1819

01:28:15,280 --> 01:28:09,210

frames of film that Santilli is always

1820

01:28:20,510 --> 01:28:18,620

recreation as we call it and that day I

1821

01:28:24,160 --> 01:28:20,520

think that's a position that Santilli is

1822

01:28:26,480 --> 01:28:24,170

has maintained but the film itself being

1823

01:28:30,320 --> 01:28:26,490

for those out there that think that it

1824

01:28:31,310 --> 01:28:30,330

is the film of a real alien autopsy it

1825

01:28:32,780 --> 01:28:31,320

is not I

1826

01:28:35,860 --> 01:28:32,790

I don't know what other people want to

1827

01:28:38,540 --> 01:28:35,870

believe or why they want to maintain

1828

01:28:39,860 --> 01:28:38,550

copyright I'm sure you're right all I

1829

01:28:44,180 --> 01:28:39,870

know is that there's something being

1830

01:28:47,600 --> 01:28:44,190

done on it now a deep analysis of it

1831

01:28:49,400 --> 01:28:47,610

from what I've heard not even sure by

1832

01:28:52,880 --> 01:28:49,410

whom this is only the word that I've

1833

01:28:54,200 --> 01:28:52,890

been told so hopefully it would be

1834

01:28:56,510 --> 01:28:54,210

interesting to see if something like

1835

01:28:58,610 --> 01:28:56,520

that were to come out now with

1836

01:29:00,560 --> 01:28:58,620

everything now let's uh let's get to the

1837

01:29:03,200 --> 01:29:00,570

nuts and bolts of this with everything

1838

01:29:06,490 --> 01:29:03,210

that has busted out over the last few

1839

01:29:10,550 --> 01:29:06,500

months and it has been a whirlwind I

1840

01:29:14,120 --> 01:29:10,560

asked you this is a few years ago I

1841

01:29:16,430 --> 01:29:14,130

asked you in an opening question I said

1842

01:29:18,890 --> 01:29:16,440

you know Richard you're you're respected

1843

01:29:20,960 --> 01:29:18,900

and and you're the face of ufology and

1844

01:29:24,830 --> 01:29:20,970

we love you for that do you have to

1845

01:29:26,930 --> 01:29:24,840

watch the words that you speak and your

1846

01:29:30,980 --> 01:29:26,940

answer was yes I do

1847

01:29:34,030 --> 01:29:30,990

actually I do yes all the time today

1848

01:29:39,200 --> 01:29:34,040

often don't don't do it well enough well

1849

01:29:44,600 --> 01:29:39,210

which is which is the question today

1850

01:29:48,620 --> 01:29:44,610

where your continued to get yourself

1851

01:29:53,300 --> 01:29:48,630

more solidified in your respect that

1852

01:29:56,270 --> 01:29:53,310

does that open the door to more freedom

1853

01:29:58,880 --> 01:29:56,280

of opinion where you're not you're not

1854

01:30:01,070 --> 01:29:58,890

as careful with your words anymore that

1855

01:30:02,630 --> 01:30:01,080

that you're just gonna lay it out there

1856

01:30:05,600 --> 01:30:02,640

the way that you really think that it

1857

01:30:08,090 --> 01:30:05,610

needs to be said has it changed for you

1858

01:30:13,490 --> 01:30:08,100

over the years what the only thing

1859

01:30:15,710 --> 01:30:13,500

that's changed that is is age so as I it

1860

01:30:18,260 --> 01:30:15,720

has nothing to do with my perceived

1861

01:30:19,580 --> 01:30:18,270

status in this field or not I think it

1862

01:30:21,890 --> 01:30:19,590

actually has to do with just the fact

1863

01:30:28,580 --> 01:30:21,900

that I'm a bit older now mm-hmm

1864

01:30:31,630 --> 01:30:28,590

and and so when I was you know earlier

1865

01:30:36,710 --> 01:30:31,640

on in my career in this I was very

1866

01:30:40,370 --> 01:30:36,720

explicitly conservative in my expression

1867

01:30:42,740 --> 01:30:40,380

of certain you know opinions I had about

1868

01:30:44,030 --> 01:30:42,750

the nature of the UFO phenomenon and so

1869

01:30:47,390 --> 01:30:44,040

on

1870

01:30:49,460 --> 01:30:47,400

but a little bit more than I am now I

1871

01:30:51,620 --> 01:30:49,470

think as I've gotten a little older I I

1872

01:30:53,510 --> 01:30:51,630

feel a little more comfortable in my

1873

01:30:57,350 --> 01:30:53,520

skin talking about this and even talking

1874

01:31:00,320 --> 01:30:57,360

off the cuff so I think that I'm a

1875

01:31:02,720 --> 01:31:00,330

little bit more free to to talk about

1876

01:31:06,020 --> 01:31:02,730

things see I have to be really careful

1877

01:31:08,180 --> 01:31:06,030

I've got to be not just me but anyone is

1878

01:31:12,860 --> 01:31:08,190

a public person you have to be careful

1879

01:31:15,800 --> 01:31:12,870

because a you can easily say the wrong

1880

01:31:18,080 --> 01:31:15,810

thing and in this era it is so easy for

1881

01:31:20,810 --> 01:31:18,090

people to take things you say and take

1882

01:31:22,370 --> 01:31:20,820

them out of context and and really harm

1883

01:31:24,290 --> 01:31:22,380

you with it so you've got to be very

1884

01:31:27,740 --> 01:31:24,300

careful in a way that wasn't the case a

1885

01:31:31,310 --> 01:31:27,750

generation ago and and also there's just

1886

01:31:32,990 --> 01:31:31,320

the responsibility like I I try to be

1887

01:31:35,690 --> 01:31:33,000

very careful with what I say because

1888

01:31:39,050 --> 01:31:35,700

there's there are people out there who

1889

01:31:42,260 --> 01:31:39,060

are new to this subject they don't know

1890

01:31:43,940 --> 01:31:42,270

a lot and they're instinctively they're

1891

01:31:45,770 --> 01:31:43,950

they're going to look for someone that

1892

01:31:48,500 --> 01:31:45,780

they see as an authority and and if they

1893

01:31:51,500 --> 01:31:48,510

see me as an authority I have to be very

1894

01:31:53,810 --> 01:31:51,510

careful and I don't want to abuse that

1895

01:31:56,090 --> 01:31:53,820

trust so I do try to be very careful

1896

01:32:00,470 --> 01:31:56,100

yeah it sounds like you're being careful

1897

01:32:02,630 --> 01:32:00,480

now with what you're trying to say it's

1898

01:32:05,120 --> 01:32:02,640

it's that important I am actually yes

1899

01:32:08,090 --> 01:32:05,130

I'm always trying to be careful I tried

1900

01:32:11,540 --> 01:32:08,100

you know it's just a matter of saying

1901

01:32:14,180 --> 01:32:11,550

what exactly I believe so I try not to

1902

01:32:17,840 --> 01:32:14,190

speak in metaphor that much I try not to

1903

01:32:22,130 --> 01:32:17,850

speak in imagery I try to speak exactly

1904

01:32:23,810 --> 01:32:22,140

what my meaning is and so I'm always

1905

01:32:26,990 --> 01:32:23,820

trying to choose my words carefully am i

1906

01:32:29,030 --> 01:32:27,000

writing and in my speech good day can we

1907

01:32:31,460 --> 01:32:29,040

look forward to the day where your

1908

01:32:35,510 --> 01:32:31,470

cranky old dude and you don't care

1909

01:32:37,340 --> 01:32:35,520

anymore I'm getting there I can assure

1910

01:32:40,630 --> 01:32:37,350

you but even even if I get to be a

1911

01:32:43,970 --> 01:32:40,640

cranky old dude I hope that I'll be

1912

01:32:46,700 --> 01:32:43,980

clear with my meaning and I hope that

1913

01:32:49,280 --> 01:32:46,710

I'll be I'll be precise with what I'm

1914

01:32:51,470 --> 01:32:49,290

trying to say there was a great series

1915

01:32:53,450 --> 01:32:51,480

of articles I'm a big Orwell fan like a

1916

01:32:56,390 --> 01:32:53,460

lot of people are fans of George Orwell

1917

01:32:57,420 --> 01:32:56,400

I'm a huge fan of George Orwell and in

1918

01:33:00,780 --> 01:32:57,430

one of the

1919

01:33:02,700 --> 01:33:00,790

very best essays which is called

1920

01:33:04,680 --> 01:33:02,710

politics and the English language which

1921

01:33:06,750 --> 01:33:04,690

I recommend to everyone who cares about

1922

01:33:09,210 --> 01:33:06,760

clear writing it's a classic

1923

01:33:11,960 --> 01:33:09,220

but one thing Orwell pointed out is is

1924

01:33:15,330 --> 01:33:11,970

like when you're when you're speaking

1925

01:33:18,110 --> 01:33:15,340

you it really helps for you to see

1926

01:33:21,270 --> 01:33:18,120

visually in your head what you're saying

1927

01:33:23,130 --> 01:33:21,280

so because all too often we we use

1928

01:33:25,710 --> 01:33:23,140

prepackaged words and prepackaged

1929

01:33:28,800 --> 01:33:25,720

phrases that are out there to do our

1930

01:33:30,690 --> 01:33:28,810

thinking for us cliches that are just

1931

01:33:32,750 --> 01:33:30,700

readily available and just sort of pick

1932

01:33:34,950 --> 01:33:32,760

them out of the air as it were and and

1933

01:33:36,390 --> 01:33:34,960

you know you said it's almost remarkable

1934

01:33:39,690 --> 01:33:36,400

you can go through an entire sentence

1935

01:33:40,950 --> 01:33:39,700

paragraph page chapter without doing any

1936

01:33:42,960 --> 01:33:40,960

thinking on your own you can just pull

1937

01:33:45,570 --> 01:33:42,970

these phrases out of the air he says the

1938

01:33:48,510 --> 01:33:45,580

real key is to know what you are saying

1939

01:33:51,120 --> 01:33:48,520

at all times to see what you're saying

1940

01:33:53,670 --> 01:33:51,130

and I really I took that to heart so

1941

01:33:55,590 --> 01:33:53,680

that's sometimes why I will be very

1942

01:33:57,660 --> 01:33:55,600

careful with what I'm saying especially

1943

01:33:59,910 --> 01:33:57,670

in something that's important because I

1944

01:34:03,440 --> 01:33:59,920

really want to make sure that what I'm

1945

01:34:06,630 --> 01:34:03,450

saying is exactly what I mean

1946

01:34:08,580 --> 01:34:06,640

that forces me to think about well what

1947

01:34:09,510 --> 01:34:08,590

is it that I mean like I've got it I

1948

01:34:11,430 --> 01:34:09,520

gotta think it through

1949

01:34:14,790 --> 01:34:11,440

and sometimes I don't know what it is

1950

01:34:18,300 --> 01:34:14,800

until I actually stop and and think and

1951

01:34:21,930 --> 01:34:18,310

then I can I can try to explain it in on

1952

01:34:26,820 --> 01:34:21,940

page 15 of the Davis Wilson Docs where

1953

01:34:28,530 --> 01:34:26,830

the the statement is made that came from

1954

01:34:33,060 --> 01:34:28,540

somebody else but nonetheless the

1955

01:34:37,740 --> 01:34:33,070

statement there UFOs are real abductions

1956

01:34:40,590 --> 01:34:37,750

are not what does that statement do and

1957

01:34:42,540 --> 01:34:40,600

what is your opinion on the abduction

1958

01:34:44,640 --> 01:34:42,550

phenomenon you know where we have

1959

01:34:48,870 --> 01:34:44,650

millions of people around the world that

1960

01:34:52,350 --> 01:34:48,880

have had these experiences and you go

1961

01:34:57,570 --> 01:34:52,360

and you read that it seems to conflict

1962

01:35:00,240 --> 01:34:57,580

with with direct experiences and

1963

01:35:03,660 --> 01:35:00,250

testimony of I can't even put a number

1964

01:35:07,950 --> 01:35:03,670

on on how many people well we have to

1965

01:35:10,149 --> 01:35:07,960

remember what that memo is so it's 15

1966

01:35:12,459 --> 01:35:10,159

pages actually 13 pages of notes

1967

01:35:14,949 --> 01:35:12,469

Eric Davis and then a two-page letter

1968

01:35:17,739 --> 01:35:14,959

that he inserted in there so it's

1969

01:35:20,290 --> 01:35:17,749

Davis's notes based on what Wilson

1970

01:35:22,120 --> 01:35:20,300

apparently told him while they were

1971

01:35:25,569 --> 01:35:22,130

sitting in a car for a little over an

1972

01:35:27,580 --> 01:35:25,579

hour and so this is Wilson's information

1973

01:35:29,620 --> 01:35:27,590

as he's getting it from someone else

1974

01:35:32,620 --> 01:35:29,630

high up in the Pentagon who told him

1975

01:35:34,330 --> 01:35:32,630

this that abductions aren't real so

1976

01:35:35,169 --> 01:35:34,340

that's the statement and you can take it

1977

01:35:37,600 --> 01:35:35,179

for what it's worth

1978

01:35:40,569 --> 01:35:37,610

does that mean it's true well it may not

1979

01:35:42,219 --> 01:35:40,579

be true you and I both looked into the

1980

01:35:44,739 --> 01:35:42,229

phenomenon of alien abduction I've

1981

01:35:46,719 --> 01:35:44,749

looked into it and I tend to think that

1982

01:35:49,359 --> 01:35:46,729

it is a true thing that there are

1983

01:35:52,989 --> 01:35:49,369

abductions in fact I would say that I

1984

01:35:55,959 --> 01:35:52,999

believe that you know with a pretty high

1985

01:35:58,270 --> 01:35:55,969

degree of probability so when I read

1986

01:36:00,699 --> 01:35:58,280

that I thought hmm why would why would

1987

01:36:04,600 --> 01:36:00,709

such and such a person say that to

1988

01:36:06,399 --> 01:36:04,610

Admiral Thomas Wilson well maybe he knew

1989

01:36:07,750 --> 01:36:06,409

what he was talking about maybe he

1990

01:36:09,399 --> 01:36:07,760

didn't know what he was talking about if

1991

01:36:11,469 --> 01:36:09,409

he knew what he was talking about maybe

1992

01:36:13,479 --> 01:36:11,479

he was only getting his information from

1993

01:36:15,640 --> 01:36:13,489

a very limited source where did he get

1994

01:36:17,709 --> 01:36:15,650

his information from we have no idea in

1995

01:36:20,439 --> 01:36:17,719

that document in those notes we just

1996

01:36:22,120 --> 01:36:20,449

don't know so I mean for me I could just

1997

01:36:26,699 --> 01:36:22,130

take it as a statement that some guy

1998

01:36:29,169 --> 01:36:26,709

said maybe he's got some backing for it

1999

01:36:30,699 --> 01:36:29,179

and maybe not or maybe he was telling

2000

01:36:33,819 --> 01:36:30,709

Wilson what he wanted Wilson to think

2001

01:36:37,439 --> 01:36:33,829

who knows I don't know and we don't know

2002

01:36:39,790 --> 01:36:37,449

so I I tend not to put a whole lot of

2003

01:36:44,199 --> 01:36:39,800

emphasis on that particular statement

2004

01:36:45,459 --> 01:36:44,209

now what I do you I mean we could say

2005

01:36:47,500 --> 01:36:45,469

the same thing about almost everything

2006

01:36:49,899 --> 01:36:47,510

that's in that document frankly you

2007

01:36:51,879 --> 01:36:49,909

could say that the the guys in the

2008

01:36:55,270 --> 01:36:51,889

private access special access program

2009

01:36:57,580 --> 01:36:55,280

you talked to Wilson were just selling

2010

01:36:59,350 --> 01:36:57,590

Wilson you know some more snake oil and

2011

01:37:01,569 --> 01:36:59,360

just telling him what they wanted to

2012

01:37:02,799 --> 01:37:01,579

think it's entirely possible I mean you

2013

01:37:04,929 --> 01:37:02,809

could you could theorize that they were

2014

01:37:08,020 --> 01:37:04,939

lying to him when they said that they

2015

01:37:11,049 --> 01:37:08,030

had an intact craft that was not from

2016

01:37:13,810 --> 01:37:11,059

any nation on earth not made by human

2017

01:37:16,509 --> 01:37:13,820

hands you know according to the notes

2018

01:37:18,129 --> 01:37:16,519

that's what they told him now you could

2019

01:37:19,089 --> 01:37:18,139

say maybe that's truthful maybe that

2020

01:37:21,159 --> 01:37:19,099

isn't truthful they could have been

2021

01:37:22,600 --> 01:37:21,169

lying to him I tend to think that that

2022

01:37:23,750 --> 01:37:22,610

part was truthful and the reason I think

2023

01:37:28,000 --> 01:37:23,760

so

2024

01:37:30,560 --> 01:37:28,010

meeting with them looking over the

2025

01:37:32,630 --> 01:37:30,570

according to the notes he actually was

2026

01:37:33,860 --> 01:37:32,640

able to look at at least some of the

2027

01:37:35,780 --> 01:37:33,870

lists of the people who were cleared to

2028

01:37:38,510 --> 01:37:35,790

be in the program they apparently had a

2029

01:37:40,910 --> 01:37:38,520

long conversation about this and indeed

2030

01:37:45,110 --> 01:37:40,920

the program excuse me the meeting was

2031

01:37:48,740 --> 01:37:45,120

explicitly prompted by Wilson's belief

2032

01:37:52,100 --> 01:37:48,750

that this was about some kind of et tech

2033

01:37:53,330 --> 01:37:52,110

program so maybe they told him that just

2034

01:37:55,880 --> 01:37:53,340

to get him off their back

2035

01:37:57,650 --> 01:37:55,890

he wasn't cleared to being knowledgeable

2036

01:37:59,810 --> 01:37:57,660

about the program but he was high enough

2037

01:38:01,760 --> 01:37:59,820

that maybe they thought they would throw

2038

01:38:06,820 --> 01:38:01,770

in this bone I don't really know like

2039

01:38:09,860 --> 01:38:06,830

maybe that and that was an interesting

2040

01:38:14,480 --> 01:38:09,870

takeaway for me too in this document in

2041

01:38:16,670 --> 01:38:14,490

that everywhere that Wilson went every

2042

01:38:19,970 --> 01:38:16,680

phone call every conversation he got

2043

01:38:21,500 --> 01:38:19,980

shut down you know and only in the

2044

01:38:23,720 --> 01:38:21,510

aftermath what was interesting in the

2045

01:38:26,480 --> 01:38:23,730

early parts of the notes you know

2046

01:38:29,150 --> 01:38:26,490

Wilson's talking to Secretary of Defense

2047

01:38:30,770 --> 01:38:29,160

William Perry were actually recent

2048

01:38:33,110 --> 01:38:30,780

Secretary of Defense he had just retired

2049

01:38:34,970 --> 01:38:33,120

from that Willie Perry is a he's still

2050

01:38:38,420 --> 01:38:34,980

alive Perry is still alive I think he's

2051  
01:38:42,200 --> 01:38:38,430  
95 years old now William Perry was and

2052  
01:38:43,850 --> 01:38:42,210  
is a very impressive man and ran Bill

2053  
01:38:45,500 --> 01:38:43,860  
Clinton's Defense Department for the

2054  
01:38:49,040 --> 01:38:45,510  
first couple of years of the Clinton

2055  
01:38:50,900 --> 01:38:49,050  
White House and did a reorg and this is

2056  
01:38:54,220 --> 01:38:50,910  
actually according to kid green did a

2057  
01:38:57,470 --> 01:38:54,230  
reorg of how the special access programs

2058  
01:38:59,240 --> 01:38:57,480  
were being managed within the Defense

2059  
01:39:01,880 --> 01:38:59,250  
Department and giving them much much

2060  
01:39:04,550 --> 01:39:01,890  
greater deeper levels of secrecy and so

2061  
01:39:07,130 --> 01:39:04,560  
when Wilson I think about midway through

2062  
01:39:10,640 --> 01:39:07,140  
the document he's asking around for

2063  
01:39:13,520 --> 01:39:10,650

advice on how to find this theoretical

2064

01:39:15,980 --> 01:39:13,530

si P the special access program dealing

2065

01:39:19,280 --> 01:39:15,990

with alien technology and Kerry helped

2066

01:39:21,440 --> 01:39:19,290

him in the notes that he said parrot

2067

01:39:23,810 --> 01:39:21,450

William Perry helped me look in the

2068

01:39:27,470 --> 01:39:23,820

right places that was really interesting

2069

01:39:29,900 --> 01:39:27,480

to me and then once he found out yeah he

2070

01:39:34,490 --> 01:39:29,910

was shut down shut down shut down over

2071

01:39:35,860 --> 01:39:34,500

and over again as we as we move forward

2072

01:39:39,610 --> 01:39:35,870

in this

2073

01:39:42,100 --> 01:39:39,620

what appears to me to be disclosure I

2074

01:39:44,760 --> 01:39:42,110

mean I hate to use that word now but

2075

01:39:48,100 --> 01:39:44,770

certainly I feel pretty comfortable

2076

01:39:50,560 --> 01:39:48,110

better now than I ever have in the UFO

2077

01:39:54,880 --> 01:39:50,570

subject and as we move forward then we

2078

01:39:58,780 --> 01:39:54,890

have this other aspect of it where we

2079

01:40:03,430 --> 01:39:58,790

have hybrids and seating programs and a

2080

01:40:06,130 --> 01:40:03,440

worldwide et influence that is you know

2081

01:40:08,080 --> 01:40:06,140

it's it's widely talked about and you

2082

01:40:10,000 --> 01:40:08,090

think about all of the experiencers that

2083

01:40:13,060 --> 01:40:10,010

get together in groups and speak about

2084

01:40:16,570 --> 01:40:13,070

this if this disclosure thing moves

2085

01:40:19,450 --> 01:40:16,580

forward what does that do with all of

2086

01:40:23,440 --> 01:40:19,460

these experiences and seating programs

2087

01:40:26,200 --> 01:40:23,450

and hybrid children stuff does that get

2088

01:40:29,380 --> 01:40:26,210

validated does that does that do those

2089

01:40:30,850 --> 01:40:29,390

people rise up and go see I told you and

2090

01:40:33,940 --> 01:40:30,860

that's a whole nother part of this that

2091

01:40:34,840 --> 01:40:33,950

needs to be talked about and and brought

2092

01:40:37,240 --> 01:40:34,850

out into the open

2093

01:40:39,210 --> 01:40:37,250

I don't I don't know it's a really good

2094

01:40:40,990 --> 01:40:39,220

question it's an important question

2095

01:40:42,610 --> 01:40:41,000

we're at a point where we've got

2096

01:40:45,460 --> 01:40:42,620

different tendencies going on right now

2097

01:40:49,750 --> 01:40:45,470

so and one is you've got you've got the

2098

01:40:52,120 --> 01:40:49,760

folks in TTS a which I have long seen as

2099

01:40:55,030 --> 01:40:52,130

not as a CIA operation I think that's

2100

01:40:57,070 --> 01:40:55,040

totally wrong totally wrong I see them

2101  
01:40:58,510 --> 01:40:57,080  
as a faction that has connections with

2102  
01:41:00,370 --> 01:40:58,520  
the intelligence community military

2103  
01:41:01,660 --> 01:41:00,380  
community and they've got their allies

2104  
01:41:03,130 --> 01:41:01,670  
in the media they've got their allies in

2105  
01:41:04,960 --> 01:41:03,140  
Congress and they let their allies

2106  
01:41:06,820 --> 01:41:04,970  
elsewhere and they're getting a

2107  
01:41:09,130 --> 01:41:06,830  
disclosure narrative out there for their

2108  
01:41:11,650 --> 01:41:09,140  
own purposes which we can get into some

2109  
01:41:14,080 --> 01:41:11,660  
time and they're pushing this forward

2110  
01:41:16,300 --> 01:41:14,090  
and they're making some progress there

2111  
01:41:19,630 --> 01:41:16,310  
at the same time there are cultural

2112  
01:41:23,770 --> 01:41:19,640  
things going on in terms of the ability

2113  
01:41:25,780 --> 01:41:23,780

to share information our global

2114

01:41:28,410 --> 01:41:25,790

connectivity and that's what led to the

2115

01:41:30,790 --> 01:41:28,420

leak of some of Edgar Mitchell's papers

2116

01:41:34,720 --> 01:41:30,800

so these are pushing things in a certain

2117

01:41:36,640 --> 01:41:34,730

direction and I I wondered if there

2118

01:41:39,070 --> 01:41:36,650

might be a rollback of that but I don't

2119

01:41:40,480 --> 01:41:39,080

think so I think we're moving forward

2120

01:41:42,520 --> 01:41:40,490

now I think there's some traction here

2121

01:41:44,620 --> 01:41:42,530

and there's a feedback loop going on

2122

01:41:48,070 --> 01:41:44,630

with all this information coming on at

2123

01:41:49,429 --> 01:41:48,080

the same time however when you think

2124

01:41:51,709 --> 01:41:49,439

about the UFO secret

2125

01:41:53,810 --> 01:41:51,719

you're seeing something that's deeply

2126

01:41:56,770 --> 01:41:53,820

deeply privatized something that I've

2127

01:41:59,899 --> 01:41:56,780

been recently calling legal illegalities

2128

01:42:01,790 --> 01:41:59,909

in other words you know look at the

2129

01:42:06,319 --> 01:42:01,800

example within the Wilson document the

2130

01:42:07,580 --> 01:42:06,329

Wilson notes where he's he's deputy head

2131

01:42:10,009 --> 01:42:07,590

of intelligence for the Joint Chiefs of

2132

01:42:12,199 --> 01:42:10,019

Staff he believed he had the ability at

2133

01:42:15,500 --> 01:42:12,209

least to monitor this program and he was

2134

01:42:18,259 --> 01:42:15,510

not at all and in fact it turns out like

2135

01:42:19,580 --> 01:42:18,269

a very very few people seem to have any

2136

01:42:22,909 --> 01:42:19,590

authority over that at all it's all

2137

01:42:24,830 --> 01:42:22,919

private contractors all US government is

2138

01:42:26,929 --> 01:42:24,840

basically providing money and

2139

01:42:29,029 --> 01:42:26,939

infrastructure from major private

2140

01:42:32,029 --> 01:42:29,039

defense contractors to reverse-engineer

2141

01:42:33,919 --> 01:42:32,039

and study this stuff and does the US

2142

01:42:35,929 --> 01:42:33,929

government even does the US military

2143

01:42:38,120 --> 01:42:35,939

ever benefit from it is a really

2144

01:42:42,830 --> 01:42:38,130

important question to ask and the answer

2145

01:42:44,659 --> 01:42:42,840

is possibly not it's possibly it very

2146

01:42:46,429 --> 01:42:44,669

possibly for all we know stays within

2147

01:42:49,399 --> 01:42:46,439

the private world that's an interesting

2148

01:42:52,279 --> 01:42:49,409

thing so on the one hand informations

2149

01:42:55,159 --> 01:42:52,289

coming out but on the other hand how

2150

01:42:57,830 --> 01:42:55,169

much knowledge does even a United States

2151  
01:43:01,129 --> 01:42:57,840  
President or a Secretary of Defense or

2152  
01:43:04,159 --> 01:43:01,139  
CIA director have about this the answer

2153  
01:43:06,830 --> 01:43:04,169  
is we don't know we don't know how much

2154  
01:43:09,409 --> 01:43:06,840  
they know and how much their authority

2155  
01:43:10,969 --> 01:43:09,419  
is legally at least officially you could

2156  
01:43:12,379 --> 01:43:10,979  
say the United States president would

2157  
01:43:14,270 --> 01:43:12,389  
have the authority to issue executive

2158  
01:43:17,929 --> 01:43:14,280  
orders and get this out but is that

2159  
01:43:19,699 --> 01:43:17,939  
really the case is it really true you

2160  
01:43:22,729 --> 01:43:19,709  
know I interviewed a man over a decade

2161  
01:43:26,179 --> 01:43:22,739  
ago retired Air Force high-level officer

2162  
01:43:29,509 --> 01:43:26,189  
PhD smart man who was all over this

2163  
01:43:32,060 --> 01:43:29,519

subject of UFOs and told me that he on

2164

01:43:34,939 --> 01:43:32,070

one occasion interviewed a dying man who

2165

01:43:37,189 --> 01:43:34,949

had been at Roswell in a house in a

2166

01:43:39,560 --> 01:43:37,199

military hospital in a secure facility

2167

01:43:42,109 --> 01:43:39,570

accompanied by Air Force police and he

2168

01:43:44,029 --> 01:43:42,119

interviewed this man and this man had

2169

01:43:46,219 --> 01:43:44,039

been at Roswell and in and the

2170

01:43:47,959 --> 01:43:46,229

high-level officer said to me I believed

2171

01:43:50,299 --> 01:43:47,969

him I mean everything seemed to check

2172

01:43:52,669 --> 01:43:50,309

out and and he said at the end of our

2173

01:43:54,739 --> 01:43:52,679

conversation I I just offered the

2174

01:43:56,029 --> 01:43:54,749

opinion to this man and I said it's

2175

01:43:57,560 --> 01:43:56,039

really too bad that the world doesn't

2176

01:43:59,509 --> 01:43:57,570

know about all that you did it's heroic

2177

01:44:00,889 --> 01:43:59,519

and it's an amazing part of our history

2178

01:44:02,850 --> 01:44:00,899

and they'll never know wouldn't it be

2179

01:44:04,620 --> 01:44:02,860

great if there was a

2180

01:44:06,750 --> 01:44:04,630

residential executive order that would

2181

01:44:08,879 --> 01:44:06,760

liberate you from your secrecy oath and

2182

01:44:10,680 --> 01:44:08,889

he said the man scoffed and chuckled he

2183

01:44:13,680 --> 01:44:10,690

said huh it would take a hell of a lot

2184

01:44:16,620 --> 01:44:13,690

more than a presidential executive order

2185

01:44:19,439 --> 01:44:16,630

to liberate me from my secrecy oath

2186

01:44:21,629 --> 01:44:19,449

that's what this guy said when I asked I

2187

01:44:23,310 --> 01:44:21,639

asked the airforce officer

2188

01:44:24,689 --> 01:44:23,320

well what do you think he meant he said

2189

01:44:26,430 --> 01:44:24,699

what do you think he meant and we both

2190

01:44:28,080 --> 01:44:26,440

talked and we thought well you know

2191

01:44:29,220 --> 01:44:28,090

there's people like the Bilderberg Group

2192

01:44:31,859 --> 01:44:29,230

and there's people who are behind the

2193

01:44:34,140 --> 01:44:31,869

u.s. presidents and we both assume that

2194

01:44:37,350 --> 01:44:34,150

that's what we're talking about this

2195

01:44:40,100 --> 01:44:37,360

this secret I firmly believe goes beyond

2196

01:44:42,510 --> 01:44:40,110

our formal political and institutional

2197

01:44:44,729 --> 01:44:42,520

authorities and it's it's gone into

2198

01:44:45,330 --> 01:44:44,739

places that we we don't know how to get

2199

01:44:48,359 --> 01:44:45,340

back at it

2200

01:44:49,950 --> 01:44:48,369

there's there are legal issues we have

2201

01:44:51,629 --> 01:44:49,960

to resolve here we've got to be able to

2202

01:44:54,870 --> 01:44:51,639

find a way to get through the special

2203

01:44:56,430 --> 01:44:54,880

access programs to get access to the

2204

01:45:00,090 --> 01:44:56,440

information that's in there and right

2205

01:45:02,850 --> 01:45:00,100

now it seems to me we just don't we just

2206

01:45:04,470 --> 01:45:02,860

don't and and so in the white hand

2207

01:45:06,629 --> 01:45:04,480

you've got this cultural movement toward

2208

01:45:09,540 --> 01:45:06,639

let's call it a disclosure or let's call

2209

01:45:11,550 --> 01:45:09,550

it an openness of some sort about UFOs

2210

01:45:14,720 --> 01:45:11,560

sure I think we can see that on the

2211

01:45:17,129 --> 01:45:14,730

other hand we're in an era of you know

2212

01:45:19,020 --> 01:45:17,139

fake democracy we don't really have

2213

01:45:22,140 --> 01:45:19,030

democracy haven't had that for who knows

2214

01:45:24,479 --> 01:45:22,150

how long we have an oligarchy obviously

2215

01:45:26,910 --> 01:45:24,489

in which a very small group of people

2216

01:45:29,729 --> 01:45:26,920

are running things and not only that

2217

01:45:31,260 --> 01:45:29,739

they're operating by and large outside

2218

01:45:33,060 --> 01:45:31,270

the governmental system with

2219

01:45:34,050 --> 01:45:33,070

governmental military protection and

2220

01:45:36,810 --> 01:45:34,060

with our money

2221

01:45:40,010 --> 01:45:36,820

to help fund them how do you get of

2222

01:45:42,300 --> 01:45:40,020

these people like that's the question so

2223

01:45:43,950 --> 01:45:42,310

on the one hand yet we're getting more

2224

01:45:45,660 --> 01:45:43,960

information out but on the other hand it

2225

01:45:48,570 --> 01:45:45,670

doesn't look to me that we've got a good

2226

01:45:51,030 --> 01:45:48,580

way to grab hold of this and understand

2227

01:45:56,160 --> 01:45:51,040

and then the whole issue of abductions

2228

01:46:01,250 --> 01:45:56,170

encounters experiences like we need a

2229

01:46:04,530 --> 01:46:01,260

serious level of leaks whistleblowers

2230

01:46:07,140 --> 01:46:04,540

credible whistleblowers not the non

2231

01:46:11,160 --> 01:46:07,150

credible kind we need genuinely credible

2232

01:46:13,080 --> 01:46:11,170

whistleblowers and genuine leaks of the

2233

01:46:15,270 --> 01:46:13,090

kind that we're starting to get and we

2234

01:46:16,439 --> 01:46:15,280

just need a lot more of them until we

2235

01:46:19,740 --> 01:46:16,449

get some kind of critical mass

2236

01:46:21,689 --> 01:46:19,750

and then what will happen well then

2237

01:46:24,240 --> 01:46:21,699

we're going to get to a collision of

2238

01:46:31,560 --> 01:46:24,250

some sort within our greater Society of

2239

01:46:34,439 --> 01:46:31,570

this truth that will be forming in the

2240

01:46:39,030 --> 01:46:34,449

public mind and the reality that we

2241

01:46:40,620 --> 01:46:39,040

don't have access to it and I fear the

2242

01:46:46,110 --> 01:46:40,630

results of that collision to be

2243

01:46:48,300 --> 01:46:46,120

perfectly honest with you but I want to

2244

01:46:52,470 --> 01:46:48,310

go back to your point on TTS a which is

2245

01:46:55,380 --> 01:46:52,480

yeah if if Tom DeLonge steps to the side

2246

01:46:56,880 --> 01:46:55,390

right he goes out angel in airwaves he

2247

01:46:59,850 --> 01:46:56,890

goes back to blink-182

2248

01:47:06,320 --> 01:46:59,860

and he's any soonest thing and Jim semi

2249

01:47:11,610 --> 01:47:06,330

van takes it over they are nearly a 100%

2250

01:47:14,939 --> 01:47:11,620

CIA counterintelligence staffed company

2251

01:47:16,740 --> 01:47:14,949

at that point do you still trust the

2252

01:47:20,939 --> 01:47:16,750

narrative and the message coming out of

2253

01:47:23,520 --> 01:47:20,949

TTS a if you don't even have a say it's

2254

01:47:25,140 --> 01:47:23,530

you've got it the first order of

2255

01:47:27,390 --> 01:47:25,150

business is to listen to what they're

2256

01:47:30,330 --> 01:47:27,400

saying and to look at the information

2257

01:47:31,860 --> 01:47:30,340

and to judge the data right all right so

2258

01:47:33,510 --> 01:47:31,870

if we're not doing that then we're doing

2259

01:47:34,890 --> 01:47:33,520

it all wrong so we have to understand

2260

01:47:38,490 --> 01:47:34,900

what are they saying what is their

2261

01:47:41,430 --> 01:47:38,500

information and can we analyze judge

2262

01:47:44,250 --> 01:47:41,440

that information before 82 then then

2263

01:47:45,810 --> 01:47:44,260

fine then talk right the fact is there's

2264

01:47:46,890 --> 01:47:45,820

always gonna be people inside the

2265

01:47:48,959 --> 01:47:46,900

intelligence community and there's

2266

01:47:51,090 --> 01:47:48,969

always gonna be different angles and

2267

01:47:52,770 --> 01:47:51,100

different they're not all the same it's

2268

01:47:54,060 --> 01:47:52,780

not all a monolithic community no one

2269

01:47:55,800 --> 01:47:54,070

believes that

2270

01:47:58,500 --> 01:47:55,810

how could anyone possibly that you got

2271

01:48:00,450 --> 01:47:58,510

CIA and NSA they're competitors the FBI

2272

01:48:02,640 --> 01:48:00,460

is a competitor they compete with each

2273

01:48:04,220 --> 01:48:02,650

other for money and for prestige they're

2274

01:48:06,390 --> 01:48:04,230

all going against each other frequently

2275

01:48:10,229 --> 01:48:06,400

so obviously there's going to be

2276

01:48:13,979 --> 01:48:10,239

different agendas within that so I have

2277

01:48:16,770 --> 01:48:13,989

to say this too to dismiss automatically

2278

01:48:18,510 --> 01:48:16,780

in knee-jerk fashion someone because you

2279

01:48:20,370 --> 01:48:18,520

don't like the organization they're from

2280

01:48:24,900 --> 01:48:20,380

that's a really big mistake we do that

2281

01:48:27,140 --> 01:48:24,910

too much in our society already we're

2282

01:48:29,270 --> 01:48:27,150

not talking about Ford or General

2283

01:48:32,959 --> 01:48:29,280

Motors okay we're talking about the CIA

2284

01:48:35,930 --> 01:48:32,969

and always comes down to the same thing

2285

01:48:39,910 --> 01:48:35,940

what are they saying can we can we judge

2286

01:48:42,320 --> 01:48:39,920

can we can we test their information

2287

01:48:44,930 --> 01:48:42,330

alright and if we're able to then I

2288

01:48:47,890 --> 01:48:44,940

would just say keep talking is that

2289

01:48:50,780 --> 01:48:47,900

simple well if there was a company a

2290

01:48:54,229 --> 01:48:50,790

film production company here in

2291

01:48:58,160 --> 01:48:54,239

Hollywood that was staffed with the very

2292

01:49:02,660 --> 01:48:58,170

same people right and they're cranking

2293

01:49:04,899 --> 01:49:02,670

out films with a message and we would

2294

01:49:09,640 --> 01:49:04,909

step back and go come on

2295

01:49:12,680 --> 01:49:09,650

well it's the same thing with TTS a

2296

01:49:14,300 --> 01:49:12,690

don't don't judge their spin I'm not

2297

01:49:16,370 --> 01:49:14,310

saying don't analyze their spin I do it

2298

01:49:18,290 --> 01:49:16,380

all the time they have a spin they've

2299

01:49:22,040 --> 01:49:18,300

got a very definite take on this and

2300

01:49:24,709 --> 01:49:22,050

it's very carefully manicured right it's

2301  
01:49:27,590 --> 01:49:24,719  
a very carefully manicured message so

2302  
01:49:31,100 --> 01:49:27,600  
we're allowed to critique that but we're

2303  
01:49:32,840 --> 01:49:31,110  
also foolish if we don't look at the

2304  
01:49:35,000 --> 01:49:32,850  
information they provide with us that is

2305  
01:49:37,130 --> 01:49:35,010  
and you know information on the tic-tac

2306  
01:49:41,030 --> 01:49:37,140  
UFO encounter information on the USS

2307  
01:49:44,479 --> 01:49:41,040  
Roosevelt encounters insights into crash

2308  
01:49:47,209 --> 01:49:44,489  
retrievals and secrecy and metamaterials

2309  
01:49:49,640 --> 01:49:47,219  
all those are worth our attention and I

2310  
01:49:51,860 --> 01:49:49,650  
just maintain that we are foolish if we

2311  
01:49:53,810 --> 01:49:51,870  
ignore that at the expense of saying oh

2312  
01:49:55,310 --> 01:49:53,820  
they're CIA so let's not listen to them

2313  
01:49:55,729 --> 01:49:55,320

to me that's just going about it the

2314

01:49:58,729 --> 01:49:55,739

wrong way

2315

01:50:01,250 --> 01:49:58,739

no I'm saying a trust then verify that's

2316

01:50:03,740 --> 01:50:01,260

my thing I I mean to say that I say

2317

01:50:09,770 --> 01:50:03,750

analyze the information and then make up

2318

01:50:12,979 --> 01:50:09,780

a decision and the you know what Richard

2319

01:50:14,630 --> 01:50:12,989

we could just keep on going and and and

2320

01:50:18,350 --> 01:50:14,640

I won't do that to you my friend I

2321

01:50:21,350 --> 01:50:18,360

really won't enjoy the rest of your

2322

01:50:22,880 --> 01:50:21,360

vacation and and hang out hang out with

2323

01:50:23,510 --> 01:50:22,890

Tracy and have a great time thank you so

2324

01:50:26,229 --> 01:50:23,520

much

2325

01:50:30,169 --> 01:50:26,239

and really quick when is your next

2326

01:50:31,760 --> 01:50:30,179

livestream can you announce that yeah I

2327

01:50:33,860 --> 01:50:31,770

think Tuesday I think Tracy and I are

2328

01:50:35,450 --> 01:50:33,870

our vacation ends tomorrow we're gonna

2330

01:50:40,750 --> 01:50:37,249

be driving back but

2331

01:50:42,520 --> 01:50:40,760

I'll probably do a livestream with Tracy

2332

01:50:44,560 --> 01:50:42,530

on Tuesday and that's on our YouTube

2333

01:50:46,120 --> 01:50:44,570

2346

01:51:15,310 --> 01:51:13,429

Jimmy Choo radio calm I'm going to take

2347

01:51:17,529 --> 01:51:15,320

a break and come back and open up the

2348

01:51:19,779 --> 01:51:17,539

phone lines I know everybody's got

2349

01:51:22,359 --> 01:51:19,789

something to say about this conversation

2350

01:51:26,630 --> 01:51:22,369

tonight it was good I'll be right back

2351

01:51:26,640 --> 01:51:36,689

[Music]

2352

01:51:42,669 --> 01:51:38,830

welcome back fade to black

2353

01:51:47,040 --> 01:51:42,679

thank you Richard bleep indolence that

2354

01:51:49,959 --> 01:51:47,050

was a great conversation perfect really

2355

01:51:54,009 --> 01:51:49,969

phone lines are open seven four seven

2356

01:51:55,779 --> 01:51:54,019

two two eight two zero five one seven

2357

01:51:56,080 --> 01:51:55,789

four seven two two eight two zero five

2358

01:51:58,810 --> 01:51:56,090

one

2359

01:52:02,169 --> 01:51:58,820

lots of takeaways I've got on this I

2360

01:52:07,089 --> 01:52:02,179

want to I want your opinions and what

2361

01:52:11,529 --> 01:52:07,099

was just discussed KITT Green was very

2362

01:52:17,109 --> 01:52:11,539

very interesting the United States Navy

2363

01:52:19,750 --> 01:52:17,119

and you ApS very very interesting alien

2364

01:52:21,549 --> 01:52:19,760

hybrids and seeding programs very very

2365

01:52:27,100 --> 01:52:21,559

interesting great way to close out the

2366

01:52:30,339 --> 01:52:27,110

show abductions disclosure and and where

2367

01:52:36,939 --> 01:52:30,349

we are headed and I thought all of that

2368

01:52:42,549 --> 01:52:36,949

was a spot on spot on I I you know and

2369

01:52:45,720 --> 01:52:42,559

TTS a right the the the point as we

2370

01:52:48,549 --> 01:52:45,730

close out the show speaking about TTS a

2371

01:52:51,339 --> 01:52:48,559

again seven four seven two two eight two

2372

01:52:53,770 --> 01:52:51,349

zero five one all of the phone lines are

2373

01:52:56,140 --> 01:52:53,780

open right now seven four seven two two

2374

01:52:58,899 --> 01:52:56,150

eight two zero five one and normally

2375

01:53:03,160 --> 01:52:58,909

after a Richard Dolan design the

2376

01:53:05,220 --> 01:53:03,170

switchboard here is jammed and it's it

2377

01:53:07,779 --> 01:53:05,230

is not right now I'm in Turin

2378

01:53:11,529 --> 01:53:07,789

that's a pretty interesting take away

2379

01:53:13,750 --> 01:53:11,539

are you guys okay seven four seven two

2380

01:53:18,220 --> 01:53:13,760

two eight two zero five one see whenever

2381

01:53:22,060 --> 01:53:18,230

that happens I always think it's me all

2382

01:53:24,549 --> 01:53:22,070

right let's go back to TTS a I brought

2383

01:53:31,410 --> 01:53:24,559

up the point and it's a real one it's a

2384

01:53:36,879 --> 01:53:31,420

real point if Tom DeLonge walks away and

2385

01:53:42,800 --> 01:53:36,889

Jim semi van takes over right if Jim

2386

01:53:50,100 --> 01:53:42,810

semi van walks in and now it is suddenly

2387

01:53:53,910 --> 01:53:50,110

a CIA staffed how do I say this

2388

01:53:57,630 --> 01:53:53,920

counterintelligence staffed DoD staffed

2389

01:54:01,170 --> 01:53:57,640

company if if that doesn't raise alarms

2390

01:54:03,960 --> 01:54:01,180

the same thing if a Hollywood production

2391

01:54:07,020 --> 01:54:03,970

company a film company had the same type

2392

01:54:11,520 --> 01:54:07,030

of staff with the same layout of

2393

01:54:14,250 --> 01:54:11,530

everybody top to bottom what would we do

2394

01:54:16,260 --> 01:54:14,260

with their films how would we consider

2395

01:54:18,780 --> 01:54:16,270

that all right

2396

01:54:20,910 --> 01:54:18,790

it would just be looking yeah you know I

2397

01:54:23,880 --> 01:54:20,920

don't know I don't know very very

2398

01:54:26,040 --> 01:54:23,890

slanted the other thing that I wanted to

2399

01:54:29,100 --> 01:54:26,050

get to Richard and everybody that is on

2400

01:54:30,270 --> 01:54:29,110

hold stay right there Scott I see you

2401  
01:54:39,900 --> 01:54:30,280  
I'm gonna put you on hold you're going

2402  
01:54:43,340 --> 01:54:39,910  
to be up next is if I just want to

2403  
01:54:51,950 --> 01:54:43,350  
say this in the in the kindest gentlest

2404  
01:54:56,460 --> 01:54:51,960  
way if you are wrestling a narrative and

2405  
01:54:58,200 --> 01:54:56,470  
your spin on a subject in this case it's

2406  
01:54:59,940 --> 01:54:58,210  
UFOs but it could be anything it could

2407  
01:55:00,300 --> 01:54:59,950  
be religion it could be science it could

2408  
01:55:03,150 --> 01:55:00,310  
be

2409  
01:55:07,920 --> 01:55:03,160  
car tires it doesn't matter where you

2410  
01:55:09,750 --> 01:55:07,930  
want to be the de facto monopoly on the

2411  
01:55:12,420 --> 01:55:09,760  
information and nothing else is

2412  
01:55:15,660 --> 01:55:12,430  
considered right only you are right

2413  
01:55:19,980 --> 01:55:15,670

everybody else is wrong and only listen

2414

01:55:22,800 --> 01:55:19,990

to us that is where that's that's that's

2415

01:55:25,050 --> 01:55:22,810

where I throw up the red flags I mean

2416

01:55:28,140 --> 01:55:25,060

there isn't any consideration for

2417

01:55:30,150 --> 01:55:28,150

anything else so there you go all right

2418

01:55:34,170 --> 01:55:30,160

let's go to the phones what's up Scott

2419

01:55:36,660 --> 01:55:34,180

how you doing Jimmy you debar baby how

2420

01:55:40,440 --> 01:55:36,670

you doing I know that I'm doing all

2421

01:55:42,450 --> 01:55:40,450

right man I know listen

2422

01:55:45,480 --> 01:55:42,460

I gotta throw this one out for the

2423

01:55:49,490 --> 01:55:45,490

Hoosiers okay okay there's too many damn

2424

01:55:56,419 --> 01:55:54,660

secrets with what well behind the gates

2425

01:55:58,009 --> 01:55:56,429

we got UFOs

2426  
01:56:00,529 --> 01:55:58,019  
everywhere and I think our government

2427  
01:56:02,929 --> 01:56:00,539  
knows exactly who these people are but

2428  
01:56:03,890 --> 01:56:02,939  
they're not telling anyone and like a

2429  
01:56:06,979 --> 01:56:03,900  
bunch of puppets

2430  
01:56:09,199 --> 01:56:06,989  
what is this dip that this information

2431  
01:56:09,709 --> 01:56:09,209  
like the knick Redford's talked about

2432  
01:56:12,080 --> 01:56:09,719  
the other night

2433  
01:56:13,729 --> 01:56:12,090  
but do you think it's by the Russians

2434  
01:56:16,549 --> 01:56:13,739  
that are trying to flow us off with all

2435  
01:56:18,679 --> 01:56:16,559  
the impose while we're doing the same

2436  
01:56:21,469 --> 01:56:18,689  
things with the Russians too as well and

2437  
01:56:25,339 --> 01:56:21,479  
the rest of the plan of course yeah not

2438  
01:56:30,799 --> 01:56:25,349

only with UFOs but with anything it's a

2439

01:56:33,169 --> 01:56:30,809

constant when you look at all of the

2440

01:56:36,649 --> 01:56:33,179

media government-run or allegedly

2441

01:56:39,799 --> 01:56:36,659

privately run it doesn't matter

2442

01:56:43,069 --> 01:56:39,809

that you are running everything through

2443

01:56:44,779 --> 01:56:43,079

a filter every press conference every

2444

01:56:47,290 --> 01:56:44,789

release every statement from the

2445

01:56:50,390 --> 01:56:47,300

Department of Defense or the energy

2446

01:56:52,279 --> 01:56:50,400

industry pharmaceutical it doesn't

2447

01:56:55,189 --> 01:56:52,289

matter whether right it doesn't matter

2448

01:56:57,859 --> 01:56:55,199

science and education everything has got

2449

01:57:00,649 --> 01:56:57,869

to be run through a filter to see where

2450

01:57:05,839 --> 01:57:00,659

the real truth is because you want

2451  
01:57:09,169 --> 01:57:05,849  
anybody else out there to get thrown off

2452  
01:57:10,669 --> 01:57:09,179  
that the the the real truth you know

2453  
01:57:13,640 --> 01:57:10,679  
throwing off the scent throwing off the

2454  
01:57:17,060 --> 01:57:13,650  
trail that's that's a fact you know so

2455  
01:57:19,009 --> 01:57:17,070  
what this about life against light

2456  
01:57:20,989 --> 01:57:19,019  
countries against countries or is this

2457  
01:57:23,060 --> 01:57:20,999  
something else that we have to hide

2458  
01:57:27,080 --> 01:57:23,070  
ourselves from other entities coming in

2459  
01:57:31,370 --> 01:57:27,090  
well okay all right look at it this way

2460  
01:57:34,250 --> 01:57:31,380  
Scott and I I talked about this so much

2461  
01:57:37,399 --> 01:57:34,260  
for so long that I thought that

2462  
01:57:40,910 --> 01:57:37,409  
everybody understood what I was trying

2463  
01:57:43,129 --> 01:57:40,920

to say but if we go back okay let's it

2464

01:57:47,689 --> 01:57:43,139

let's go back for a second and and and

2465

01:57:49,370 --> 01:57:47,699

analyze this for real the banking system

2466

01:57:52,600 --> 01:57:49,380

I don't want to sound like David Icke I

2467

01:57:55,969 --> 01:57:52,610

don't want to sound like monetary Jones

2468

01:57:59,810 --> 01:57:55,979

Alex Jones I don't want to go there I

2469

01:58:04,580 --> 01:57:59,820

just want to state the facts and there

2470

01:58:06,799 --> 01:58:04,590

are a couple of banking families it

2471

01:58:09,109 --> 01:58:06,809

doesn't matter the names in fact a

2472

01:58:09,670 --> 01:58:09,119

couple of you don't even know no no no

2473

01:58:12,850 --> 01:58:09,680

well

2474

01:58:15,040 --> 01:58:12,860

possibly I mean that yes but that that's

2475

01:58:17,440 --> 01:58:15,050

easy but there are other names out there

2476  
01:58:22,260 --> 01:58:17,450  
that you've never even heard of okay all

2477  
01:58:26,440 --> 01:58:22,270  
right so that being said those banking

2478  
01:58:29,860 --> 01:58:26,450  
families have investments through

2479  
01:58:33,970 --> 01:58:29,870  
corporate entities and investment funds

2480  
01:58:38,340 --> 01:58:33,980  
around the world that are very old that

2481  
01:58:43,560 --> 01:58:38,350  
quite frankly have bought up everything

2482  
01:58:52,590 --> 01:58:43,570  
so when you look at something like

2483  
01:58:57,910 --> 01:58:52,600  
Reuters API right United Press right

2484  
01:59:04,570 --> 01:58:57,920  
they are owned by one company now that

2485  
01:59:13,240 --> 01:59:04,580  
one company that one now owns the major

2486  
01:59:18,570 --> 01:59:13,250  
news wires that feed RT BBC Sky News Fox

2487  
01:59:23,560 --> 01:59:18,580  
MSNBC CNN all are fed the same

2488  
01:59:24,630 --> 01:59:23,570

information from the same source so that

2489

01:59:29,380 --> 01:59:24,640

part of it

2490

01:59:32,680 --> 01:59:29,390

that it's a it's a genuine monopoly so

2491

01:59:36,460 --> 01:59:32,690

that news is fed around the world and is

2492

01:59:41,350 --> 01:59:36,470

controlled by somebody well above and

2493

01:59:43,570 --> 01:59:41,360

well outside of the White House and what

2494

01:59:46,030 --> 01:59:43,580

web do we leave what I'm trying to

2495

01:59:48,160 --> 01:59:46,040

suggest to you is this what we need to

2496

01:59:51,340 --> 01:59:48,170

fully understand this is not a

2497

01:59:54,850 --> 01:59:51,350

conspiracy thing this is an one world

2498

01:59:55,630 --> 01:59:54,860

order new world order Illuminati crazy

2499

02:00:00,010 --> 01:59:55,640

talk

2500

02:00:04,390 --> 02:00:00,020

this is the facts this is black and

2501

02:00:05,800 --> 02:00:04,400

white all right this isn't I'm not Alex

2502

02:00:07,870 --> 02:00:05,810

Jones that's not what I'm suggesting

2503

02:00:13,420 --> 02:00:07,880

here what I'm telling you is your facts

2504

02:00:18,580 --> 02:00:13,430

so when you have the news taken over by

2505

02:00:23,170 --> 02:00:18,590

one company and their motivation which

2506

02:00:23,850 --> 02:00:23,180

is obviously money and and the

2507

02:00:27,720 --> 02:00:23,860

domination

2508

02:00:29,760 --> 02:00:27,730

of world markets that is well beyond and

2509

02:00:32,220 --> 02:00:29,770

outside of everything that you can

2510

02:00:34,920 --> 02:00:32,230

conceive up outside of hedge funds

2511

02:00:38,070 --> 02:00:34,930

outside of the stock market outside of

2512

02:00:40,680 --> 02:00:38,080

all its above all of that that is the

2513

02:00:46,410 --> 02:00:40,690

money that is moved around the world

2514

02:00:50,070 --> 02:00:46,420

period and if they they directly own the

2515

02:00:53,970 --> 02:00:50,080

news then the news that they feed only

2516

02:00:58,140 --> 02:00:53,980

benefits them and that same news that

2517

02:01:02,310 --> 02:00:58,150

they are control of feeds Moscow feeds

2518

02:01:04,260 --> 02:01:02,320

the United States feeds and that's

2519

02:01:06,120 --> 02:01:04,270

that's the but that's it

2520

02:01:13,290 --> 02:01:06,130

that's it there isn't anything else to

2521

02:01:16,520 --> 02:01:13,300

discuss so the the that money that very

2522

02:01:20,940 --> 02:01:16,530

money that I'm talking about also

2523

02:01:22,980 --> 02:01:20,950

through industry not only controls the

2524

02:01:26,040 --> 02:01:22,990

petroleum and energy markets but they

2525

02:01:28,050 --> 02:01:26,050

control the health markets and the

2526

02:01:31,080 --> 02:01:28,060

pharmaceuticals all of this is owned by

2527

02:01:33,870 --> 02:01:31,090

somebody else and and when you filter

2528

02:01:36,240 --> 02:01:33,880

down through that then it comes down to

2529

02:01:39,090 --> 02:01:36,250

bullets and missiles and shipbuilding

2530

02:01:42,660 --> 02:01:39,100

and arming and armies and wars and

2531

02:01:45,480 --> 02:01:42,670

everything else and a war goes off they

2532

02:01:49,170 --> 02:01:45,490

are selling bullets literally to both

2533

02:01:51,390 --> 02:01:49,180

armies the more bullets fired yeah the

2534

02:01:54,300 --> 02:01:51,400

more profit that they make how is this

2535

02:01:57,180 --> 02:01:54,310

motivated and and how is it instigated

2536

02:01:59,460 --> 02:01:57,190

well they control the news and they're

2537

02:02:03,030 --> 02:01:59,470

flaming out both sides and the red

2538

02:02:07,560 --> 02:02:03,040

pillaging everybody and that that that is

2539

02:02:11,640 --> 02:02:07,570

way above the the Oval Office it's way

2540

02:02:15,060 --> 02:02:11,650

above any monarchy that that is out

2541

02:02:22,920 --> 02:02:15,070

there or the Kremlin or Beijing or Hong

2542

02:02:26,160 --> 02:02:22,930

Kong or Tokyo Johannesburg oh what a

2543

02:02:28,500 --> 02:02:26,170

sick and demented world that we live in

2544

02:02:31,209 --> 02:02:28,510

and you have no wonder why these

2545

02:02:38,020 --> 02:02:31,219

entities are coming down here well see

2546

02:02:39,729 --> 02:02:38,030

this is the the other side of of this

2547

02:02:45,640 --> 02:02:39,739

that we have to take a serious look at

2548

02:02:48,459 --> 02:02:45,650

is that these families that have been

2549

02:02:51,250 --> 02:02:48,469

established for you know hundreds and

2550

02:02:53,380 --> 02:02:51,260

hundreds and hundreds of years and the

2551  
02:02:55,959 --> 02:02:53,390  
trading in the banking system and the

2552  
02:02:58,300 --> 02:02:55,969  
manufacturing and and the farms and the

2553  
02:03:01,750 --> 02:02:58,310  
feeding of the world all of everything

2554  
02:03:06,040 --> 02:03:01,760  
that is the loans and and stuff this

2555  
02:03:08,290 --> 02:03:06,050  
goes back a long long ways so these guys

2556  
02:03:11,020 --> 02:03:08,300  
that brought humanity well these guys

2557  
02:03:14,410 --> 02:03:11,030  
that egotistical to shut us down

2558  
02:03:20,620 --> 02:03:14,420  
it's Scott Scott we're getting ahead of

2559  
02:03:23,650 --> 02:03:20,630  
our skis the influences and the the

2560  
02:03:26,890 --> 02:03:23,660  
motivation and the belief system that

2561  
02:03:28,660 --> 02:03:26,900  
was established for them goes back

2562  
02:03:31,689 --> 02:03:28,670  
hundreds and hundreds and hundreds of

2563  
02:03:35,740 --> 02:03:31,699

years is it is it a religious decision

2564

02:03:39,610 --> 02:03:35,750

is it is it an off planet influence is

2565

02:03:44,439 --> 02:03:39,620

it something else is it is it some kind

2566

02:03:47,020 --> 02:03:44,449

of a cult alchemical the thing you know

2567

02:03:50,110 --> 02:03:47,030

I don't have those answers and the

2568

02:03:54,490 --> 02:03:50,120

reason why we will probably never have

2569

02:03:58,180 --> 02:03:54,500

those answers these are people that none

2570

02:04:01,300 --> 02:03:58,190

of us will ever know we will never meet

2571

02:04:03,600 --> 02:04:01,310

it is from a world that we don't

2572

02:04:08,290 --> 02:04:03,610

understand and we're never exposed to

2573

02:04:13,060 --> 02:04:08,300

the very bizarre look when you when you

2574

02:04:18,790 --> 02:04:13,070

when you look at when you look at the

2575

02:04:21,310 --> 02:04:18,800

port at Monaco and you look at 50 ships

2576

02:04:25,600 --> 02:04:21,320

that are called yachts but their ships

2577

02:04:27,939 --> 02:04:25,610

right and they're docked there and 300

2578

02:04:35,110 --> 02:04:27,949

million right now

2579

02:04:37,630 --> 02:04:35,120

now who who can buy that now I'm not

2580

02:04:39,550 --> 02:04:37,640

talking about I'm not talking about a

2581

02:04:40,840 --> 02:04:39,560

billionaire somebody with the billion

2582

02:04:44,320 --> 02:04:40,850

dollars in the bank you're not gonna

2583

02:04:44,800 --> 02:04:44,330

spend half of your wealth on a 300

2584

02:04:48,940 --> 02:04:44,810

million

2585

02:04:51,700 --> 02:04:48,950

dollar yacht this is money that and when

2586

02:04:54,670 --> 02:04:51,710

we are talking about you know you're

2587

02:04:57,520 --> 02:04:54,680

talking about Sam Walton or or Bill

2588

02:04:59,230 --> 02:04:57,530

Gates or Zuckerberg and you're you know

2589

02:05:02,050 --> 02:04:59,240

Bezos and you're talking about that

2590

02:05:05,260 --> 02:05:02,060

money there are families out there with

2591

02:05:07,930 --> 02:05:05,270

a lot more money we're talking about you

2592

02:05:09,550 --> 02:05:07,940

know accumulated wealth of a trillion

2593

02:05:12,760 --> 02:05:09,560

dollars or more

2594

02:05:15,070 --> 02:05:12,770

and never mentioned you know and that

2595

02:05:20,830 --> 02:05:15,080

that that's you know and they look at

2596

02:05:23,140 --> 02:05:20,840

they look at somebody you know look at a

2597

02:05:25,420 --> 02:05:23,150

Bezos like yeah he's got some power you

2598

02:05:28,030 --> 02:05:25,430

know he's got an Amazon but you know he

2599

02:05:29,020 --> 02:05:28,040

doesn't have that much money that's what

2600

02:05:31,450 --> 02:05:29,030

I'm talking about

2601

02:05:34,480 --> 02:05:31,460

and it's it so it's a world that you

2602

02:05:36,340 --> 02:05:34,490

will never ever be exposed to and

2603

02:05:40,240 --> 02:05:36,350

neither will you know some guy like

2604

02:05:42,250 --> 02:05:40,250

President Trump who is you know he might

2605

02:05:46,060 --> 02:05:42,260

have a few billion dollars of

2606

02:05:49,660 --> 02:05:46,070

accumulated wealth right I he's not a

2607

02:05:52,870 --> 02:05:49,670

player he's not a player in this picture

2608

02:05:55,030 --> 02:05:52,880

you know he's died you know Tom Cruise

2609

02:05:59,170 --> 02:05:55,040

he's worth what five hundred million

2610

02:06:05,130 --> 02:05:59,180

dollars that's nothing to these families

2611

02:06:10,210 --> 02:06:05,140

of real accumulated wealth that can

2612

02:06:12,040 --> 02:06:10,220

Vantage of humanity well you know I yeah

2613

02:06:14,380 --> 02:06:12,050

of course that's the obvious statement

2614

02:06:16,330 --> 02:06:14,390

you know that's a view statement and and

2615

02:06:20,590 --> 02:06:16,340

I understand that that's the obvious

2616

02:06:24,820 --> 02:06:20,600

thing to say but it is is it it's of a

2617

02:06:25,780 --> 02:06:24,830

world and a belief system that goes back

2618

02:06:27,850 --> 02:06:25,790

hundreds of years

2619

02:06:30,310 --> 02:06:27,860

that we quite frankly don't don't

2620

02:06:32,170 --> 02:06:30,320

understand you know it's the I get it I

2621

02:06:35,860 --> 02:06:32,180

get it that it's just that but that's

2622

02:06:40,480 --> 02:06:35,870

absolutely insanity right there well

2623

02:06:45,360 --> 02:06:40,490

look I I don't understand and I've got

2624

02:06:49,360 --> 02:06:45,370

everybody on hold but this is a good is

2625

02:06:54,610 --> 02:06:49,370

what I don't understand is that there

2626

02:06:57,700 --> 02:06:54,620

are hundreds of people hundreds of

2627

02:06:58,390 --> 02:06:57,710

individuals on this planet that could

2628

02:07:04,089 --> 02:06:58,400

let

2629

02:07:07,839 --> 02:07:04,099

of 1% of their wealth 1% and everybody

2630

02:07:11,859 --> 02:07:07,849

on this planet is healthy educated and

2631

02:07:15,879 --> 02:07:11,869

living correctly and fed that's it why

2632

02:07:19,959 --> 02:07:15,889

doesn't that happen why we simply put

2633

02:07:23,339 --> 02:07:19,969

why doesn't that happen that is a great

2634

02:07:27,820 --> 02:07:23,349

question I don't know you know if you

2635

02:07:30,790 --> 02:07:27,830

Scott if you had if you I did the math

2636

02:07:33,609 --> 02:07:30,800

on this once if you had a billion

2637

02:07:37,209 --> 02:07:33,619

dollars how old are you how old are you

2638

02:07:41,280 --> 02:07:37,219

I am gonna juice we got to see this

2639

02:07:45,609 --> 02:07:41,290

you're on the test and I'm under 657

2640

02:07:48,520 --> 02:07:45,619

okay let's say you're a billionaire at

2641

02:07:51,729 --> 02:07:48,530

the age of 57 and you live 13 more years

2642

02:07:55,870 --> 02:07:51,739

you make it to the age of 70 okay right

2643

02:07:58,240 --> 02:07:55,880

that 365 days times 13 right do the math

2644

02:08:01,800 --> 02:07:58,250

do the math it's not much just 3,000

2645

02:08:07,240 --> 02:08:01,810

days right 3,500 days left that means

2646

02:08:11,680 --> 02:08:07,250

you would have to spend a half a million

2647

02:08:14,850 --> 02:08:11,690

dollars a day every day for the rest of

2648

02:08:18,070 --> 02:08:14,860

your life to blow through that money a

2649

02:08:23,050 --> 02:08:18,080

million dollars a day how much jewelry

2650

02:08:27,850 --> 02:08:23,060

homes real estate and hookers and blow

2651

02:08:31,149 --> 02:08:27,860

you know so what looking at how much

2652

02:08:33,250 --> 02:08:31,159

money is too much how much my is

2653

02:08:35,350 --> 02:08:33,260

knowledge how much money is enough

2654

02:08:37,510 --> 02:08:35,360

where'd where do you reach the point

2655

02:08:39,550 --> 02:08:37,520

where you go you know what I think I can

2656

02:08:43,959 --> 02:08:39,560

live on a hundred grand a day

2657

02:08:45,550 --> 02:08:43,969

all right I'll tighten the bags up and

2658

02:08:48,189 --> 02:08:45,560

I'm gonna give the rest of it away

2659

02:08:50,830 --> 02:08:48,199

right right right I've got a Down

2660

02:08:52,780 --> 02:08:50,840

syndrome sister and I donate a lot of

2661

02:08:56,260 --> 02:08:52,790

money to my downs with some sister every

2662

02:08:58,750 --> 02:08:56,270

year and I don't make a ton of money but

2663

02:09:01,600 --> 02:08:58,760

I get my donations to wherever I can

2664

02:09:03,850 --> 02:09:01,610

but you're right I I look at these

2665

02:09:06,160 --> 02:09:03,860

people that are filthy rich how much

2666

02:09:06,580 --> 02:09:06,170

money do they really need I need some

2667

02:09:08,530 --> 02:09:06,590

money

2668

02:09:11,090 --> 02:09:08,540

you can give to the Jimmy Church poor

2669

02:09:14,930 --> 02:09:11,100

boy fund

2670

02:09:17,090 --> 02:09:14,940

okay talk to you Scott have a great

2671

02:09:18,830 --> 02:09:17,100

night man we'll see you my brother

2672

02:09:20,000 --> 02:09:18,840

we'll see you love doctor with you man

2673

02:09:21,680 --> 02:09:20,010

well I don't doubt we'll see you

2674

02:09:23,840 --> 02:09:21,690

tomorrow night on fader night I'm gonna

2675

02:09:28,010 --> 02:09:23,850

get Scott to donate to the Jimmy Church

2676

02:09:29,840 --> 02:09:28,020

poor boy fund you know I'm Paul I'm Pope

2677

02:09:33,200 --> 02:09:29,850

hi you're live on fade to black who's

2678

02:09:35,440 --> 02:09:33,210

calling I'm Jimmy of Stefan Sacramento

2679

02:09:39,100 --> 02:09:35,450

right Deb from Sacramento how are you

2680

02:09:43,640 --> 02:09:39,110

good hey great show tonight darling

2681

02:09:46,400 --> 02:09:43,650

expect that can you imagine how how bad

2682

02:09:50,660 --> 02:09:46,410

of a host would you have to be to screw

2683

02:09:52,100 --> 02:09:50,670

up a Richard Dolan interview you can

2684

02:09:53,480 --> 02:09:52,110

just mute your mic and let them go

2685

02:09:56,960 --> 02:09:53,490

that's it

2686

02:10:00,530 --> 02:09:56,970

I said you drink coffee interject a

2687

02:10:03,200 --> 02:10:00,540

couple of times and just press play

2688

02:10:05,030 --> 02:10:03,210

yeah just press play Andolan but yeah

2689

02:10:10,360 --> 02:10:05,040

what a great conversation what stands

2690

02:10:13,190 --> 02:10:10,370

out yeah oh boy okay the topic of TTS a

2691

02:10:15,950 --> 02:10:13,200

you know I don't make a habit after or

2692

02:10:17,630 --> 02:10:15,960

what Joe Rogan did to Tom DeLonge with

2693

02:10:19,550 --> 02:10:17,640

that interview of listening to Joe Rogan

2694

02:10:21,470 --> 02:10:19,560

anymore but there was a clip on YouTube

2695

02:10:23,150 --> 02:10:21,480

there was a short clip that got my

2696

02:10:24,980 --> 02:10:23,160

attention not too long ago and so I

2697

02:10:26,720 --> 02:10:24,990

listened to it and it was a guy asking

2698

02:10:29,540 --> 02:10:26,730

me Joe Rogan hey used to totally be into

2699

02:10:31,580 --> 02:10:29,550

this UFO stuff and Bigfoot oh wait and

2700

02:10:33,350 --> 02:10:31,590

now you just kind of you know flip the

2701

02:10:35,330 --> 02:10:33,360

script and it's like you just think it's

2702

02:10:38,180 --> 02:10:35,340

all you know bogus what happened to you

2703

02:10:40,070 --> 02:10:38,190

he says you know what I was really into

2704

02:10:41,480 --> 02:10:40,080

all of it and I'm not saying there is

2705

02:10:43,610 --> 02:10:41,490

another life in the universe and all he

2706

02:10:45,350 --> 02:10:43,620

goes but I did the show on you know I

2707

02:10:47,420 --> 02:10:45,360

forget what the show was you know but he

2708

02:10:49,130 --> 02:10:47,430

did this little show where it was like

2709

02:10:52,070 --> 02:10:49,140

an investigative series they're like

2710

02:10:53,540 --> 02:10:52,080

Joel I think that Joe Rogan faces the

2711

02:10:56,240 --> 02:10:53,550

world or something like that

2712

02:10:57,770 --> 02:10:56,250

thank you yeah and and so he talked

2713

02:10:59,980 --> 02:10:57,780

about that Neeson and in all those

2714

02:11:02,720 --> 02:10:59,990

investigations and doing that show I

2715

02:11:05,720 --> 02:11:02,730

discovered you know what it's a business

2716

02:11:07,640 --> 02:11:05,730

it's about money a lot of these people

2717

02:11:09,620 --> 02:11:07,650

are just out there doing it for the

2718

02:11:11,330 --> 02:11:09,630

money and to get interest you know

2719

02:11:13,490 --> 02:11:11,340

people's interest because life's boring

2720

02:11:16,280 --> 02:11:13,500

without this stuff it's all about the

2721

02:11:18,590 --> 02:11:16,290

money follow the dollars now I think in

2722

02:11:21,980 --> 02:11:18,600

a sense that may be true a lot of people

2723

02:11:23,660 --> 02:11:21,990

are in the UFO topics to make money but

2724

02:11:24,950 --> 02:11:23,670

there's a lot of serious researchers out

2725

02:11:26,990 --> 02:11:24,960

there like Richard

2726

02:11:31,070 --> 02:11:27,000

but then when I started taking that vein

2727

02:11:34,130 --> 02:11:31,080

of thinking I followed it to TTS a well

2728

02:11:35,660 --> 02:11:34,140

who props up TTS a as far as you know

2729

02:11:37,160 --> 02:11:35,670

this recent thing with Greenwald I

2730

02:11:38,750 --> 02:11:37,170

watched those clips on all the major

2731

02:11:41,990 --> 02:11:38,760

news channels and when they reference

2732

02:11:44,180 --> 02:11:42,000

those videos they kept referencing TTS a

2733

02:11:45,740 --> 02:11:44,190

I never heard John Greenwald's name

2734

02:11:47,990 --> 02:11:45,750

mentioned so they're doing the

2735

02:11:48,800 --> 02:11:48,000

credibility in the credit and you talked

2736

02:11:53,360 --> 02:11:48,810

about this the other night

2737

02:11:54,890 --> 02:11:53,370

TTS a and so they're propping them up so

2738

02:11:57,800 --> 02:11:54,900

that the public will look at them as a

2739

02:11:59,480 --> 02:11:57,810

credible resource from you know the

2740

02:12:01,940 --> 02:11:59,490

Pentagon or the government they want you

2741

02:12:03,470 --> 02:12:01,950

to make that connection in your mind so

2742

02:12:05,210 --> 02:12:03,480

that the more they're propped up maybe

2743

02:12:07,550 --> 02:12:05,220

over time people more people will invest

2744

02:12:09,860 --> 02:12:07,560

follow the dollars these are the credit

2745

02:12:12,200 --> 02:12:09,870

people people to trust these are the

2746

02:12:14,690 --> 02:12:12,210

people to watch well Allah forget about

2747

02:12:17,600 --> 02:12:14,700

the UFO community and in the same sense

2748

02:12:19,310 --> 02:12:17,610

Tom DeLonge used your platform and Coast

2749

02:12:21,830 --> 02:12:19,320

Coast and all these other platforms to

2750

02:12:23,300 --> 02:12:21,840

launch his company but now that they're

2751

02:12:25,220 --> 02:12:23,310

launched and they're putting all this

2752

02:12:27,110 --> 02:12:25,230

stuff out there which a lot of it they

2753

02:12:29,510 --> 02:12:27,120

won't even answer questions to the curb

2754

02:12:31,360 --> 02:12:29,520

the important questions you know Jimmy

2755

02:12:34,220 --> 02:12:31,370

we've got this the whole bit it's like

2756

02:12:35,870 --> 02:12:34,230

what respect is he giving back to us so

2757

02:12:38,660 --> 02:12:35,880

why shouldn't we give him respect and

2758

02:12:41,840 --> 02:12:38,670

trust them when they can't even come

2759

02:12:44,570 --> 02:12:41,850

back on a show and answer some important

2760

02:12:50,090 --> 02:12:44,580

questions and you know clean up their

2761

02:12:53,900 --> 02:12:50,100

mess basically and so does it just agree

2762

02:12:58,670 --> 02:12:53,910

with everything at this point I don't

2763

02:13:00,230 --> 02:12:58,680

care about having you know Tom back on

2764

02:13:01,820 --> 02:13:00,240

the show I think everything that they

2765

02:13:04,160 --> 02:13:01,830

have done that you know they've they've

2766

02:13:05,720 --> 02:13:04,170

answered the questions by not answering

2767

02:13:08,900 --> 02:13:05,730

the questions that's number one number

2768

02:13:11,090 --> 02:13:08,910

two I did speak to Tom a couple of

2769

02:13:14,000 --> 02:13:11,100

months ago had a conversation may it was

2770

02:13:16,310 --> 02:13:14,010

maybe 15 minutes long on the phone and

2771

02:13:18,320 --> 02:13:16,320

he said yeah man oh I'll come on fade to

2772

02:13:20,450 --> 02:13:18,330

black it'd be great but I'm only gonna

2773

02:13:21,890 --> 02:13:20,460

talk about unidentified and I'm only

2774

02:13:24,140 --> 02:13:21,900

gonna promote the show I'm not gonna

2775

02:13:26,270 --> 02:13:24,150

talk about anything that the community

2776

02:13:27,620 --> 02:13:26,280

is concerned about and I was like well I

2777

02:13:30,680 --> 02:13:27,630

guess you're not coming out fade to

2778

02:13:32,990 --> 02:13:30,690

black then so there's that part and

2779

02:13:35,600 --> 02:13:33,000

addressing I've got 15 seconds then I

2780

02:13:40,100 --> 02:13:35,610

gotta fly Joe Rogan who

2781

02:13:42,260 --> 02:13:40,110

walked away from this UFO thing and he's

2782

02:13:45,379 --> 02:13:42,270

certainly right back in it now you know

2783

02:13:47,899 --> 02:13:45,389

he just did the Lazar interview he just

2784

02:13:50,240 --> 02:13:47,909

had on dan Aykroyd he's been talking

2785

02:13:53,359 --> 02:13:50,250

UFOs a lot lately because he enjoys

2786

02:13:55,729 --> 02:13:53,369

those clicks and he knows it apparently

2787

02:13:58,850 --> 02:13:55,739

is pretty good business for him too

2788

02:14:00,080 --> 02:13:58,860

with that Deb enjoy the rest of your

2789

02:14:02,810 --> 02:14:00,090

night and we'll see you tomorrow night

2790

02:14:03,950 --> 02:14:02,820

on fader night thank you so much Jimmy

2791

02:14:06,410 --> 02:14:03,960

take care thank you

2792

02:14:08,330 --> 02:14:06,420

great call from Deb and and thank you

2793

02:14:11,260 --> 02:14:08,340

Scott for that I've got to get out of

2794

02:14:13,580 --> 02:14:11,270

here we went uh wall to wall tonight and

2795

02:14:17,660 --> 02:14:13,590
