

OCTOBER 1, 2019 **LIVE**
10:00PM EST | 08:00PM MST | 07:00PM PST

SPECIAL GUEST
CALVIN PARKER

PASCAGOULA-
THE CLOSEST ENCOUNTER

F2B

with Jimmy Church

Ep. 1117

copyright 2019 fade to black www.jimmychurchradio.com Game Changer Network, Inc.

1
00:00:15,930 --> 00:00:12,980

[Music]

2
00:00:19,470 --> 00:00:15,940

this hope radiates for the masses

3
00:00:21,840 --> 00:00:19,480

headliner between July 8 1947

4
00:00:24,180 --> 00:00:21,850

the Air Force has announced on applying

5
00:00:27,600 --> 00:00:24,190

there has been found under now in the

6
00:00:31,650 --> 00:00:27,610

possession of the RA then we change the

7
00:00:34,860 --> 00:00:31,660

game changer I occasionally think how

8
00:00:38,639 --> 00:00:34,870

quickly our differences worldwide would

9
00:00:43,000 --> 00:00:38,649

vanish if we were facing an alien threat

10
00:00:43,010 --> 00:00:46,620

[Applause]

11
00:00:51,720 --> 00:00:48,900

fade to black with your host Jimmy

12
00:00:58,270 --> 00:00:51,730

church on the game-changer Radio Network

13
00:01:03,400 --> 00:01:00,160

we need your help to get to the year

14

00:01:08,800 --> 00:01:07,090

[Music]

15

00:01:11,260 --> 00:01:08,810

you are listening to thank you black

16

00:01:12,200 --> 00:01:11,270

with Jimmy judge on the game change in

17

00:01:19,410 --> 00:01:12,210

that word

18

00:01:29,060 --> 00:01:23,850

good evening how are you doing

19

00:01:34,830 --> 00:01:29,070

fade to black is back

20

00:01:39,930 --> 00:01:34,840

it is truly bespoke radio for the masses

21

00:01:49,070 --> 00:01:39,940

today's Tuesday October 1st 2019 275

22

00:01:52,550 --> 00:01:51,290

and we are live from a bunker somewhere

23

00:01:55,250 --> 00:01:52,560

in the middle of beautiful downtown

24

00:01:56,900 --> 00:01:55,260

Burbank California I would like to

25

00:02:00,010 --> 00:01:56,910

welcome everybody listening all around

26
00:02:03,590 --> 00:02:00,020
the world all across the United States

27
00:02:05,330 --> 00:02:03,600
hither and thither to and fro back and

28
00:02:07,960 --> 00:02:05,340
forth up and down east and west north

29
00:02:11,930 --> 00:02:07,970
and south far and near

30
00:02:14,690 --> 00:02:11,940
this is fade to black for kjc are the

31
00:02:18,560 --> 00:02:14,700
game changer Network and K GRA the

32
00:02:23,600 --> 00:02:18,570
planets I am your host Jimmy Church what

33
00:02:24,400 --> 00:02:23,610
is crack and everybody how you do it how

34
00:02:26,870 --> 00:02:24,410
you do

35
00:02:33,220 --> 00:02:26,880
[Music]

36
00:02:38,979 --> 00:02:35,229
we went out to Palm Springs for the

37
00:02:42,940 --> 00:02:38,989
weekend and hung out with our friends

38
00:02:46,869 --> 00:02:42,950

and have a little birthday party for

39

00:02:51,370 --> 00:02:46,879

Rita it was an amazing weekend but just

40

00:02:56,320 --> 00:02:51,380

amazing a holic all counts and I was

41

00:02:58,420 --> 00:02:56,330

gifted this while we all work the

42

00:03:08,710 --> 00:02:58,430

official Church of whoo

43

00:03:11,800 --> 00:03:08,720

coffee mug the Church of whoo Man River

44

00:03:14,890 --> 00:03:11,810

Moon coffee tastes extra special out of

45

00:03:17,110 --> 00:03:14,900

that mug all right so yeah we took

46

00:03:25,210 --> 00:03:17,120

yesterday off we had to we traveled back

47

00:03:27,069 --> 00:03:25,220

from Palm Springs yesterday and let me

48

00:03:30,759 --> 00:03:27,079

just say this that was the best night's

49

00:03:32,770 --> 00:03:30,769

sleep I had last night oh man so but

50

00:03:36,430 --> 00:03:32,780

here we are we're back we've got a great

51
00:03:40,900 --> 00:03:36,440
week lined up tonight Calvin Parker is

52
00:03:48,190 --> 00:03:40,910
here the Pascagoula incidents I cannot

53
00:03:53,039 --> 00:03:48,200
wait there are there are many many many

54
00:03:56,770 --> 00:03:53,049
seminal huge events in UFO history and

55
00:04:00,309 --> 00:03:56,780
Pascagoula is right there with all of

56
00:04:03,720 --> 00:04:00,319
them and I am talking about Roswell

57
00:04:07,150 --> 00:04:03,730
Betty and Barney Hill Travis Walton

58
00:04:10,479 --> 00:04:07,160
Rendlesham these are you know in

59
00:04:13,180 --> 00:04:10,489
Pascagoula right these are you know the

60
00:04:18,009 --> 00:04:13,190
Lubbock lights the Phoenix lights very

61
00:04:24,240 --> 00:04:18,019
huge events and Pascagoula is is there

62
00:04:27,219 --> 00:04:24,250
and tonight Calvin Parker on October 11

63
00:04:30,070 --> 00:04:27,229

1973 19-year old Calvin Parker and his

64

00:04:32,170 --> 00:04:30,080

friend 42 year old Charles Hickson were

65

00:04:34,300 --> 00:04:32,180

fishing on the Pascagoula River in

66

00:04:36,370 --> 00:04:34,310

Mississippi in the early evening both

67

00:04:38,560 --> 00:04:36,380

men were startled to witness a strange

68

00:04:41,469 --> 00:04:38,570

craft ascend and hover a few yards away

69

00:04:44,940 --> 00:04:41,479

and this became one of the biggest Close

70

00:04:47,790 --> 00:04:44,950

Encounters in history the Pasco

71

00:04:49,950 --> 00:04:47,800

goula incident Calvin Parker seriously

72

00:04:51,870 --> 00:04:49,960

disturbed by these events has largely

73

00:04:53,790 --> 00:04:51,880

remained in the background without ever

74

00:04:55,950 --> 00:04:53,800

detailing the full account of what

75

00:04:57,600 --> 00:04:55,960

happened that night how it affected him

76

00:05:00,240 --> 00:04:57,610

in his life and other close encounters

77

00:05:02,460 --> 00:05:00,250

he has experienced down the years but as

78

00:05:04,230 --> 00:05:02,470

recently decided to come out into the

79

00:05:06,600 --> 00:05:04,240

public which he has been doing over the

80

00:05:08,820 --> 00:05:06,610

last month month and a half to tell his

81

00:05:10,800 --> 00:05:08,830

story and tonight he's gonna do it in

82

00:05:13,230 --> 00:05:10,810

full tonight on fade to black

83

00:05:15,330 --> 00:05:13,240

there you go I'm gonna welcome for the

84

00:05:17,870 --> 00:05:15,340

first time to fade to black mr. Calvin

85

00:05:20,820 --> 00:05:17,880

Parker Calvin good evening how are you

86

00:05:23,430 --> 00:05:20,830

doing great how are y'all do it that's

87

00:05:25,200 --> 00:05:23,440

what I'm talking about Calvin now okay

88

00:05:25,890 --> 00:05:25,210

before we get started this is the this

89

00:05:28,440 --> 00:05:25,900

is the good stuff

90

00:05:31,770 --> 00:05:28,450

Calvin you get the first-time guests

91

00:05:32,520 --> 00:05:31,780

disclaimer okay so this is okay yeah

92

00:05:35,280 --> 00:05:32,530

this is it

93

00:05:37,560 --> 00:05:35,290

Calvin it's just you and I sitting on my

94

00:05:39,900 --> 00:05:37,570

couch having a conversation as friends

95

00:05:41,460 --> 00:05:39,910

where the conversation starts it starts

96

00:05:43,890 --> 00:05:41,470

where it ends it ends but we're gonna

97

00:05:49,920 --> 00:05:43,900

end his friends there you go you ready

98

00:05:54,990 --> 00:05:49,930

I'm ready you know Calvin I am 56 years

99

00:05:56,850 --> 00:05:55,000

old and in 19 now and second the part of

100

00:06:00,870 --> 00:05:56,860

that statement is my birthday is October

101

00:06:04,500 --> 00:06:00,880

10th by the way so the day after my

102

00:06:10,530 --> 00:06:04,510

birthday October 11th 1973 I would have

103

00:06:13,410 --> 00:06:10,540

turned 10 years old I was caught up in

104

00:06:15,780 --> 00:06:13,420

this just like everybody else was around

105

00:06:18,300 --> 00:06:15,790

the world this wasn't a local

106

00:06:20,460 --> 00:06:18,310

Mississippi thing or a United States

107

00:06:24,210 --> 00:06:20,470

thing this was an international news

108

00:06:27,750 --> 00:06:24,220

story that broke and it broke fast and I

109

00:06:30,960 --> 00:06:27,760

was witness to it I'm glad that I was 10

110

00:06:34,470 --> 00:06:30,970

years old I was very interested in the

111

00:06:39,390 --> 00:06:34,480

subject at that time but I watched this

112

00:06:41,880 --> 00:06:39,400

and you overtake the world I kind of

113

00:06:46,560 --> 00:06:41,890

want to start there before we get to the

114

00:06:48,960 --> 00:06:46,570

event ok on that day October 11th your

115

00:06:54,240 --> 00:06:48,970

life is one thing right you're in

116

00:06:57,230 --> 00:06:54,250

control of it until yeah that evening

117

00:06:59,629 --> 00:06:57,240

yeah yeah and then

118

00:07:01,879 --> 00:06:59,639

I don't have another way to put it

119

00:07:06,710 --> 00:07:01,889

except for all hell broke loose didn't

120

00:07:09,550 --> 00:07:06,720

it I mean and when it did it did and it

121

00:07:12,110 --> 00:07:09,560

wasn't no stopping it I ever since

122

00:07:17,540 --> 00:07:12,120

October 11th that ADA and there's been a

123

00:07:21,350 --> 00:07:17,550

whirlwind for the last 45 years the the

124

00:07:24,439 --> 00:07:21,360

change that had to occur in your life

125

00:07:27,080 --> 00:07:24,449

of course you personally but you've got

126

00:07:30,409 --> 00:07:27,090

your friends you've got your family and

127

00:07:34,790 --> 00:07:30,419

everybody around you is also affected by

128

00:07:37,430 --> 00:07:34,800

this right yeah the biggest reason they

129

00:07:38,029 --> 00:07:37,440

were affected is though I never talked

130

00:07:40,460 --> 00:07:38,039

about it

131

00:07:43,550 --> 00:07:40,470

until I decided to sit down last year

132

00:07:46,219 --> 00:07:43,560

and do this book right and I'm glad I

133

00:07:48,170 --> 00:07:46,229

waited for 45 years to do it because I

134

00:07:54,529 --> 00:07:48,180

couldn't have stood the rush of all this

135

00:07:59,270 --> 00:07:54,539

you know very long at a time the the way

136

00:08:02,510 --> 00:07:59,280

that the story broke out and wouldn't

137

00:08:04,790 --> 00:08:02,520

you have as with anybody where you have

138

00:08:07,279 --> 00:08:04,800

your own little bubble your own little

139

00:08:09,170 --> 00:08:07,289

world your job you know your family you

140

00:08:12,230 --> 00:08:09,180

you know you're set in your ways and

141

00:08:14,000 --> 00:08:12,240

then something like this comes along you

142

00:08:18,620 --> 00:08:14,010

this is something that you didn't ask

143

00:08:20,839 --> 00:08:18,630

for and you are forced into a change a

144

00:08:23,960 --> 00:08:20,849

change in your mind a change in the way

145

00:08:25,730 --> 00:08:23,970

that you look at the world a lot of

146

00:08:28,010 --> 00:08:25,740

questions were answered for you that

147

00:08:30,589 --> 00:08:28,020

some people don't ever get answered and

148

00:08:35,540 --> 00:08:30,599

it's overwhelming how did you manage to

149

00:08:38,089 --> 00:08:35,550

deal with it you know I actually didn't

150

00:08:40,550 --> 00:08:38,099

deal with it I don't guess I just kind

151

00:08:44,449 --> 00:08:40,560

of faded off I've been a recluse for

152

00:08:47,240 --> 00:08:44,459

forty five years I never talked to my

153

00:08:49,250 --> 00:08:47,250

family about it and all my friends now

154

00:08:52,519 --> 00:08:49,260

they knew about it but they never asked

155

00:08:54,889 --> 00:08:52,529

me about anything until I got pressured

156

00:08:58,040 --> 00:08:54,899

by my wife and Phillip mantle into

157

00:09:00,440 --> 00:08:58,050

writing this book you know that if it

158

00:09:02,810 --> 00:09:00,450

hadn't been for that I still wouldn't be

159

00:09:06,650 --> 00:09:02,820

saying nothing well the pressure from a

160

00:09:08,780 --> 00:09:06,660

wife is all you need that's all you need

161

00:09:12,260 --> 00:09:08,790

gosh

162

00:09:14,660 --> 00:09:12,270

and how long have you been married 45

163

00:09:19,250 --> 00:09:14,670

years hold the phone

164

00:09:25,600 --> 00:09:19,260

shut the front door I got married

165

00:09:28,820 --> 00:09:25,610

November the 9th of that same year 1973

166

00:09:31,490 --> 00:09:28,830

so here we're coming up on November the

167

00:09:32,630 --> 00:09:31,500

9th again so I'd be 46 years I believe

168

00:09:37,220 --> 00:09:32,640

that's incredible

169

00:09:39,050 --> 00:09:37,230

oldest statement in the world is at you

170

00:09:42,530 --> 00:09:39,060

know beside every man is a great woman

171

00:09:44,840 --> 00:09:42,540

and and she stood by your side for the

172

00:09:45,920 --> 00:09:44,850

last 45 years congratulations that's him

173

00:09:48,980 --> 00:09:45,930

that's incredible

174

00:09:51,620 --> 00:09:48,990

thank you but it had been easy I mean

175

00:09:54,320 --> 00:09:51,630

we've had our road bumps you know

176
00:09:56,630 --> 00:09:54,330
through the years now and I hadn't been

177
00:10:00,380 --> 00:09:56,640
the best husband in the world I just be

178
00:10:02,180 --> 00:10:00,390
honestly you know yet to deal with

179
00:10:06,320 --> 00:10:02,190
making a living and then I was dealing

180
00:10:08,870 --> 00:10:06,330
with all this along with it and the news

181
00:10:11,870 --> 00:10:08,880
media just about drove us crazy because

182
00:10:13,370 --> 00:10:11,880
every time we'd move that track us down

183
00:10:16,250 --> 00:10:13,380
and hunters like vultures

184
00:10:18,560 --> 00:10:16,260
right right right and it was always the

185
00:10:21,890 --> 00:10:18,570
same questions to probably that you've

186
00:10:25,880 --> 00:10:21,900
answered that so many times before the

187
00:10:27,500 --> 00:10:25,890
same ones but just because you answer

188
00:10:29,330 --> 00:10:27,510

them a certain way don't mean they gonna

189

00:10:32,090 --> 00:10:29,340

come out in the press a certain way

190

00:10:36,080 --> 00:10:32,100

they're bad about changing things a lot

191

00:10:38,300 --> 00:10:36,090

of the press was and that was part of

192

00:10:42,920 --> 00:10:38,310

the reason for me y'all sitting down

193

00:10:45,410 --> 00:10:42,930

doing a book was because Phillip told me

194

00:10:47,960 --> 00:10:45,420

when he contacted me about the book

195

00:10:50,600 --> 00:10:47,970

I wouldn't him plan me that one why

196

00:10:53,420 --> 00:10:50,610

don't you put it in black and white then

197

00:10:55,400 --> 00:10:53,430

nobody can change this there and you

198

00:10:59,120 --> 00:10:55,410

know he was right about that I had to

199

00:11:01,580 --> 00:10:59,130

say hey it opened up another chapter in

200

00:11:04,250 --> 00:11:01,590

my life but uh you know at least

201
00:11:06,500 --> 00:11:04,260
nobody's trying to change the story well

202
00:11:08,900 --> 00:11:06,510
you know where all of this when it comes

203
00:11:14,540 --> 00:11:08,910
to Pascagoula and in my opening

204
00:11:19,040 --> 00:11:14,550
statements in the show there are a few

205
00:11:22,080 --> 00:11:19,050
maybe a half dozen real seminal I mean

206
00:11:25,890 --> 00:11:22,090
with force cases

207
00:11:29,390 --> 00:11:25,900
in in ufology that we look back to and

208
00:11:32,400 --> 00:11:29,400
quote from and and remember and

209
00:11:34,290 --> 00:11:32,410
Pascagoula is one of them you know when

210
00:11:37,770 --> 00:11:34,300
you have Roswell or Betty and Barney

211
00:11:40,650 --> 00:11:37,780
Hill or Travis Walton or a Rendlesham

212
00:11:43,860 --> 00:11:40,660
and Pascagoula it's it's mentioned in

213
00:11:45,600 --> 00:11:43,870

the same statement and it is very

214

00:11:47,340 --> 00:11:45,610

important to all of us

215

00:11:50,160 --> 00:11:47,350

to not only get this book out that

216

00:11:51,840 --> 00:11:50,170

you've just published and get it on the

217

00:11:54,750 --> 00:11:51,850

record but it's a case that we don't

218

00:11:57,600 --> 00:11:54,760

know a whole lot about because of your

219

00:11:59,610 --> 00:11:57,610

silence and and I want to thank you for

220

00:12:03,450 --> 00:11:59,620

writing the book and and taking the time

221

00:12:05,460 --> 00:12:03,460

to do that you know when I started this

222

00:12:09,480 --> 00:12:05,470

book that's like I told everybody I

223

00:12:11,880 --> 00:12:09,490

don't have much education but the deal I

224

00:12:14,730 --> 00:12:11,890

made with uh the publisher Phillip

225

00:12:16,520 --> 00:12:14,740

mantle in the UK I told him I said you

226

00:12:19,740 --> 00:12:16,530

know Phillip I don't have an education

227

00:12:23,430 --> 00:12:19,750

but the only way I'm gonna do a book I

228

00:12:25,970 --> 00:12:23,440

don't want a word corrected that I do I

229

00:12:28,920 --> 00:12:25,980

don't want a punctuation mark put in I

230

00:12:31,290 --> 00:12:28,930

wanted just like I tell it like it is

231

00:12:34,079 --> 00:12:31,300

and as far as I know he didn't change

232

00:12:36,180 --> 00:12:34,089

but one word in the book and that was

233

00:12:39,210 --> 00:12:36,190

kind of funny we'll get into that act

234

00:12:43,110 --> 00:12:39,220

why I so want to know what was the word

235

00:12:45,300 --> 00:12:43,120

cause and how wrong I was eating a

236

00:12:48,480 --> 00:12:45,310

bologna sandwich one day while I was

237

00:12:52,410 --> 00:12:48,490

fishing right and he called it a blondie

238

00:12:54,900 --> 00:12:52,420

sandwich and I guess that's what they

239

00:12:56,790 --> 00:12:54,910

eat in the UK I don't know what its kind

240

00:13:00,660 --> 00:12:56,800

of foreign food I guess they eat over

241

00:13:02,070 --> 00:13:00,670

there I was supposed to make a trip and

242

00:13:04,079 --> 00:13:02,080

I said you know fill up my little

243

00:13:05,370 --> 00:13:04,089

redneck cell it's not gonna make it good

244

00:13:09,990 --> 00:13:05,380

over there I don't speak y'all's

245

00:13:12,960 --> 00:13:10,000

language because I don't understand your

246

00:13:17,880 --> 00:13:12,970

language in English too good and I sure

247

00:13:20,550 --> 00:13:17,890

don't eat the same foods y'all do that

248

00:13:23,490 --> 00:13:20,560

is you know that is about is honest of a

249

00:13:25,530 --> 00:13:23,500

statement as has ever been presented on

250

00:13:27,450 --> 00:13:25,540

fade to black they do have fish and

251
00:13:30,000 --> 00:13:27,460
chips though they do that fish and chips

252
00:13:32,670 --> 00:13:30,010
so now that's that's what he said they

253
00:13:35,400 --> 00:13:32,680
had and you know that's pretty normal

254
00:13:36,420 --> 00:13:35,410
food there I guess is it's pretty

255
00:13:39,329 --> 00:13:36,430
normally

256
00:13:43,379 --> 00:13:39,339
yeah I have it as often as I can

257
00:13:47,370 --> 00:13:43,389
well let's let's let's do this

258
00:13:49,379 --> 00:13:47,380
I I have never spoken with you before

259
00:13:53,069 --> 00:13:49,389
well I did earlier today but I've never

260
00:13:55,259 --> 00:13:53,079
spoken with you before and this is my

261
00:13:56,610 --> 00:13:55,269
opportunity like I said this is you and

262
00:13:59,519 --> 00:13:56,620
I sitting on my couch so if you're

263
00:14:02,160 --> 00:13:59,529

sitting on my couch the first thing that

264

00:14:06,629 --> 00:14:02,170

I'm gonna say to you besides would you

265

00:14:10,680 --> 00:14:06,639

like to have a cold drink would be what

266

00:14:13,740 --> 00:14:10,690

happened that day so because I want to

267

00:14:17,069 --> 00:14:13,750

hear this from you directly and so when

268

00:14:19,379 --> 00:14:17,079

we go back to that day and you've had

269

00:14:22,050 --> 00:14:19,389

plenty of time to just think this over

270

00:14:24,360 --> 00:14:22,060

and certainly writing the book did the

271

00:14:28,259 --> 00:14:24,370

morning of October 11th feel any

272

00:14:30,509 --> 00:14:28,269

different than any other day absolutely

273

00:14:35,280 --> 00:14:30,519

not let's go back the day before when I

274

00:14:37,290 --> 00:14:35,290

got to the coast sure what happened I

275

00:14:40,650 --> 00:14:37,300

was working in the oil field in Laurel

276

00:14:42,540 --> 00:14:40,660

Mississippi putting in about 16 hours a

277

00:14:45,480 --> 00:14:42,550

day seven days a week that's just the

278

00:14:48,960 --> 00:14:45,490

way the old Phil was back then I got

279

00:14:51,240 --> 00:14:48,970

tired of that so I called a friend of my

280

00:14:53,879 --> 00:14:51,250

father's which is Charles Hickson and

281

00:14:55,889 --> 00:14:53,889

they asked him if he needed some help

282

00:15:00,509 --> 00:14:55,899

that I was fixing to get married in

283

00:15:02,910 --> 00:15:00,519

November and he said yeah so he said

284

00:15:06,329 --> 00:15:02,920

come on down if this is October the 10th

285

00:15:11,550 --> 00:15:06,339

I went down rented a room from Charley

286

00:15:14,340 --> 00:15:11,560

and so this was actually my first day

287

00:15:17,670 --> 00:15:14,350

there was October the 10th mm-hmm I took

288

00:15:23,069 --> 00:15:17,680

my physical everything and then October

289

00:15:26,100 --> 00:15:23,079

11th the day started us going to work we

290

00:15:28,800 --> 00:15:26,110

all got to the shipyard probably at 6

291

00:15:30,960 --> 00:15:28,810

o'clock of course they don't have time

292

00:15:32,999 --> 00:15:30,970

clocks at these factories and shipyards

293

00:15:36,480 --> 00:15:33,009

down here they give you a piece of brass

294

00:15:38,939 --> 00:15:36,490

with a number on it and you hand it back

295

00:15:40,920 --> 00:15:38,949

to them and you know you pick it up

296

00:15:44,280 --> 00:15:40,930

that's your time card they write it down

297

00:15:47,370 --> 00:15:44,290

when you do that so we pulled up to the

298

00:15:49,889 --> 00:15:47,380

shipyard now brass tin and everything

299

00:15:53,340 --> 00:15:49,899

looked to be going good for

300

00:15:56,639 --> 00:15:53,350

it was pretty warm still for an october

301

00:16:01,740 --> 00:15:56,649

down here it's probably in the 80s 88

302

00:16:03,660 --> 00:16:01,750

degrees then and we worked all day we

303

00:16:07,050 --> 00:16:03,670

got ready to get off work and Charlie

304

00:16:11,759 --> 00:16:07,060

said blues why don't we go fishing this

305

00:16:14,069 --> 00:16:11,769

evening I said well okay I said but

306

00:16:16,139 --> 00:16:14,079

Charlie I didn't bring my fishing

307

00:16:19,949 --> 00:16:16,149

equipment with me I wasn't planning on

308

00:16:22,319 --> 00:16:19,959

fishing he said look I got some young

309

00:16:27,000 --> 00:16:22,329

news and we'll go by my house and pick

310

00:16:28,949 --> 00:16:27,010

it up now in the south you don't borrow

311

00:16:32,280 --> 00:16:28,959

your man's fishing equipment you just

312

00:16:34,170 --> 00:16:32,290

soon take his firstborn right instead of

313

00:16:37,460 --> 00:16:34,180

getting this fishing equipment I said

314

00:16:41,310 --> 00:16:37,470

well I don't know but yeah let's do it

315

00:16:44,250 --> 00:16:41,320

it'll be nine so we went to got off work

316

00:16:47,129 --> 00:16:44,260

we rode to all his house and picked up

317

00:16:49,470 --> 00:16:47,139

sufficient equipment and about 15

318

00:16:52,590 --> 00:16:49,480

minutes before he lives in Pascagoula

319

00:16:55,410 --> 00:16:52,600

Mississippi we took a little ride - what

320

00:16:58,079 --> 00:16:55,420

- call the drunk grain elevator where

321

00:16:59,819 --> 00:16:58,089

they unload this grain off his ships and

322

00:17:03,030 --> 00:16:59,829

it falls off in the water and the fish

323

00:17:06,299 --> 00:17:03,040

come up meet the grain but that night

324

00:17:09,600 --> 00:17:06,309

the bugs was so bad till you just

325

00:17:11,579 --> 00:17:09,610

couldn't stay Oh unless anybody's from

326

00:17:14,490 --> 00:17:11,589

the coast down here or lose the end they

327

00:17:16,409 --> 00:17:14,500

got what to call them no Simms you can't

328

00:17:19,049 --> 00:17:16,419

see them but they got a mouth the size

329

00:17:23,220 --> 00:17:19,059

of a fruit jar that's right and they

330

00:17:24,809 --> 00:17:23,230

terrible so we was fighting the bugs off

331

00:17:27,480 --> 00:17:24,819

he said you know I know some word

332

00:17:30,210 --> 00:17:27,490

there's not not even lights and things

333

00:17:32,280 --> 00:17:30,220

to draw these things out here let's go

334

00:17:35,250 --> 00:17:32,290

over to this old abandoned shipyard the

335

00:17:38,460 --> 00:17:35,260

salt peter shipyard and try to do a

336

00:17:40,200 --> 00:17:38,470

little fishing I said well that sounds

337

00:17:42,990 --> 00:17:40,210

good I said you know it's getting late

338

00:17:44,820 --> 00:17:43,000

and I can go on the bed right now

339

00:17:47,669 --> 00:17:44,830

because I had travelled down the day

340

00:17:49,919 --> 00:17:47,679

before still and rested up he said well

341

00:17:52,620 --> 00:17:49,929

let's go try them a little bit there so

342

00:17:55,200 --> 00:17:52,630

we did we left and we got to this place

343

00:17:58,080 --> 00:17:55,210

come to sharp hitter shipyard and it was

344

00:18:00,060 --> 00:17:58,090

an old abandoned shipyard the first

345

00:18:03,270 --> 00:18:00,070

thing I noticed when we got there was a

346

00:18:05,640 --> 00:18:03,280

no trespassing sign I said Charlie with

347

00:18:10,650 --> 00:18:05,650

this here will be trespassing we don't

348

00:18:12,510 --> 00:18:10,660

need to go and mess up like that they

349

00:18:15,600 --> 00:18:12,520

said we don't worry about it I come here

350

00:18:16,440 --> 00:18:15,610

all the time and there's no security or

351

00:18:19,310 --> 00:18:16,450

nothing here

352

00:18:22,320 --> 00:18:19,320

I said well next thing I won't know

353

00:18:25,950 --> 00:18:22,330

don't they ever place this place up or

354

00:18:29,400 --> 00:18:25,960

pick up anything of this trash cuz it

355

00:18:30,900 --> 00:18:29,410

was trash laying all over the shipyard

356

00:18:33,960 --> 00:18:30,910

he said now let me tell you what's

357

00:18:36,900 --> 00:18:33,970

happened the tide comes in and the water

358

00:18:38,990 --> 00:18:36,910

gets high in the deposits and stuff up

359

00:18:42,570 --> 00:18:39,000

here then when it goes out it leaves it

360

00:18:45,810 --> 00:18:42,580

so we had quite a mess to walk through

361

00:18:47,820 --> 00:18:45,820

just to get to the pier we was probably

362

00:18:51,410 --> 00:18:47,830

a couple of hundred foot from the pier

363

00:18:54,150 --> 00:18:51,420

but it took a good 15 minutes to well

364

00:18:56,850 --> 00:18:54,160

get in through there for going over the

365

00:19:00,120 --> 00:18:56,860

marsh grass and debris that was laying

366

00:19:02,460 --> 00:19:00,130

around break rain so we got to the pier

367

00:19:06,210 --> 00:19:02,470

and there was no log and we pulled it up

368

00:19:08,790 --> 00:19:06,220

and we were sat down and I casted cast

369

00:19:12,470 --> 00:19:08,800

it out and he was getting ready and I'm

370

00:19:16,260 --> 00:19:12,480

done meant out and I was looking across

371

00:19:19,080 --> 00:19:16,270

the river and there was an old Coast

372

00:19:21,570 --> 00:19:19,090

Guard ship or maybe a NOAA shield or

373

00:19:23,160 --> 00:19:21,580

something that was on and in my mind I

374

00:19:24,900 --> 00:19:23,170

was thinking you know I just went to

375

00:19:27,330 --> 00:19:24,910

work at the shipyard I've been handling

376

00:19:32,060 --> 00:19:27,340

this steel all day long and it's those

377

00:19:35,400 --> 00:19:32,070

heavy how does a steel ship float right

378

00:19:38,550 --> 00:19:35,410

so that's what that's where my mindset

379

00:19:42,120 --> 00:19:38,560

was right then what time was this this

380

00:19:45,090 --> 00:19:42,130

was getting known let's see probably

381

00:19:48,990 --> 00:19:45,100

about six o'clock in the evening okay

382

00:19:51,000 --> 00:19:49,000

and the Sun was already down but the

383

00:19:54,420 --> 00:19:51,010

moon was bright one of the brightest

384

00:19:56,700 --> 00:19:54,430

moons I've ever seen around here and I

385

00:19:59,790 --> 00:19:56,710

was sitting there watching this ship and

386

00:20:02,130 --> 00:19:59,800

I noticed some blue lights coming from

387

00:20:05,630 --> 00:20:02,140

behind us reflecting out across the

388

00:20:10,560 --> 00:20:05,640

water so they got my attention because

389

00:20:12,660 --> 00:20:10,570

we I thought we was all trespassing and

390

00:20:15,330 --> 00:20:12,670

the law was coming David Runners awful

391

00:20:17,160 --> 00:20:15,340

lockers up and I turned and looked at

392

00:20:20,160 --> 00:20:17,170

Charlie of course he looked at me

393

00:20:22,590 --> 00:20:20,170

same time I said if I go to jail you

394

00:20:24,120 --> 00:20:22,600

gonna have to pay to get me out I'm you

395

00:20:28,200 --> 00:20:24,130

know I didn't want to come here to start

396

00:20:32,010 --> 00:20:28,210

with he said well don't worry about it

397

00:20:34,830 --> 00:20:32,020

it ain't slow so we turned and looked at

398

00:20:38,580 --> 00:20:34,840

the same time and that's when his hazy

399

00:20:40,530 --> 00:20:38,590

blue lights was reflecting out behind us

400

00:20:44,850 --> 00:20:40,540

a probably a couple of hundred feet and

401
00:20:47,850 --> 00:20:44,860
all of a sudden it just got Brad it's

402
00:20:49,620 --> 00:20:47,860
like a big spotlight came down on ya the

403
00:20:50,430 --> 00:20:49,630
one of the brightest lights I've ever

404
00:20:54,840 --> 00:20:50,440
seen in my life

405
00:20:57,600 --> 00:20:54,850
and what that was was the door of this

406
00:20:59,340 --> 00:20:57,610
craft opened it up in this life look

407
00:21:03,120 --> 00:20:59,350
like it was coming from inside this

408
00:21:07,380 --> 00:21:03,130
craft so it kinda it was kind of

409
00:21:09,330 --> 00:21:07,390
blinding now I noticed or something

410
00:21:13,530 --> 00:21:09,340
coming toward us but I really couldn't

411
00:21:16,440 --> 00:21:13,540
make it out and I didn't know what to do

412
00:21:19,500 --> 00:21:16,450
actually I was trying to want me to get

413
00:21:22,320 --> 00:21:19,510

out of there and I said thank you to

414

00:21:25,680 --> 00:21:22,330

myself when I when they got a little

415

00:21:28,490 --> 00:21:25,690

closer these old three robotic looking

416

00:21:32,670 --> 00:21:28,500

beings was floating in toward us and

417

00:21:35,280 --> 00:21:32,680

they was probably five foot tall bulky

418

00:21:38,730 --> 00:21:35,290

they didn't have an air in their head

419

00:21:40,740 --> 00:21:38,740

just sat down on the shoulders and my

420

00:21:43,290 --> 00:21:40,750

first thought was just oh Charlie after

421

00:21:46,760 --> 00:21:43,300

our tooling Hall bud that was it that's

422

00:21:48,930 --> 00:21:46,770

what you thought now really quick Calvin

423

00:21:53,460 --> 00:21:48,940

you were 19

424

00:21:55,110 --> 00:21:53,470

how old was Charles Charles was 42 years

425

00:21:56,790 --> 00:21:55,120

old man now you're supposed to have

426
00:21:59,430 --> 00:21:56,800
respect for your elders man you're not

427
00:22:09,210 --> 00:21:59,440
supposed to throw I would have put it

428
00:22:12,630 --> 00:22:09,220
back okay okay so you could see okay a

429
00:22:16,920 --> 00:22:12,640
couple of really quick questions did you

430
00:22:18,570 --> 00:22:16,930
get an idea of how big the craft was I

431
00:22:21,360 --> 00:22:18,580
know that the lights coming at you right

432
00:22:23,550 --> 00:22:21,370
so then it would darken everything

433
00:22:28,680 --> 00:22:23,560
behind it but did you get did you get a

434
00:22:31,470 --> 00:22:28,690
view of what you know was there you know

435
00:22:34,080 --> 00:22:31,480
I didn't get to view until they got

436
00:22:36,540 --> 00:22:34,090
ready to leave right and then it looked

437
00:22:39,690 --> 00:22:36,550
about a hundred ninety to a hundred foot

438
00:22:42,900 --> 00:22:39,700

long so it was pretty big it was big and

439

00:22:45,300 --> 00:22:42,910

it was and it was already there and in

440

00:22:47,550 --> 00:22:45,310

other words you didn't see it land it

441

00:22:51,000 --> 00:22:47,560

this all happened behind you the blue

442

00:22:54,660 --> 00:22:51,010

light was the door opening right so it's

443

00:22:57,570 --> 00:22:54,670

it snuck in didn't it it just kind of

444

00:23:00,480 --> 00:22:57,580

slipped up on us and no actually I don't

445

00:23:02,700 --> 00:23:00,490

understand you know as bad as that

446

00:23:03,990 --> 00:23:02,710

debris was it might even been sitting

447

00:23:06,660 --> 00:23:04,000

there well we got there but I don't

448

00:23:10,650 --> 00:23:06,670

think so right because I parked I pulled

449

00:23:14,940 --> 00:23:10,660

my car up where I was part was about 50

450

00:23:20,580 --> 00:23:14,950

75 foot for where it was setting Incred

451
00:23:23,790 --> 00:23:20,590
incredible incredible and so now but

452
00:23:26,340 --> 00:23:23,800
this happened so fast in that now the

453
00:23:29,370 --> 00:23:26,350
doors open this bright you know blinding

454
00:23:33,020 --> 00:23:29,380
blue light is facing you and through the

455
00:23:35,880 --> 00:23:33,030
blue light these three beings show up

456
00:23:38,370 --> 00:23:35,890
you have described them and I've seen

457
00:23:41,550 --> 00:23:38,380
the the drawings we'll get to that in

458
00:23:45,630 --> 00:23:41,560
just a bit but you've always described

459
00:23:48,750 --> 00:23:45,640
them as robotic and what is that what

460
00:23:54,450 --> 00:23:48,760
you were thinking at that time or has

461
00:23:58,110 --> 00:23:54,460
this thought come in over time well they

462
00:24:00,690 --> 00:23:58,120
move mechanical like at the time mm-hmm

463
00:24:03,180 --> 00:24:00,700

and you know I've always thought they

464

00:24:04,740 --> 00:24:03,190

was probably robotic to be honest I

465

00:24:07,110 --> 00:24:04,750

thought maybe something bunch of old

466

00:24:09,030 --> 00:24:07,120

rednecks was out drinking mm-hmm and

467

00:24:10,800 --> 00:24:09,040

they was doing experiment at the

468

00:24:13,470 --> 00:24:10,810

shipyard and they stole something from

469

00:24:16,110 --> 00:24:13,480

there because they build all kind of

470

00:24:18,570 --> 00:24:16,120

craft on this right right and they was

471

00:24:19,850 --> 00:24:18,580

just gonna have some fun with us so what

472

00:24:24,240 --> 00:24:19,860

happened next

473

00:24:27,270 --> 00:24:24,250

well these beans come up well we was

474

00:24:30,090 --> 00:24:27,280

both turning around looking and by then

475

00:24:32,460 --> 00:24:30,100

and two of them got ahold of Charlie and

476

00:24:35,310 --> 00:24:32,470

one of them got ahold of myself well

477

00:24:39,500 --> 00:24:35,320

immediately when he reached and grabbed

478

00:24:40,899 --> 00:24:39,510

my left arm I heard a little rush of air

479

00:24:44,889 --> 00:24:40,909

kind of

480

00:24:48,279 --> 00:24:44,899

like real quick it was not loud just

481

00:24:50,859 --> 00:24:48,289

that and I felt an injection in my arm

482

00:24:53,950 --> 00:24:50,869

well I'm kind of glad of that because

483

00:24:57,070 --> 00:24:53,960

that injection seemed to settle me down

484

00:25:00,430 --> 00:24:57,080

and later this was proven in blood

485

00:25:04,599 --> 00:25:00,440

working on by dr. Bosco here to Jackson

486

00:25:08,379 --> 00:25:04,609

County Hospital so when he injected that

487

00:25:11,909 --> 00:25:08,389

stuff he more or less paralyzed me now I

488

00:25:14,830 --> 00:25:11,919

could see I could smell I could hear I

489

00:25:17,649 --> 00:25:14,840

can roll my head a little bit and roll

490

00:25:19,539 --> 00:25:17,659

my eyes a little but I couldn't move I

491

00:25:23,080 --> 00:25:19,549

could you know I couldn't resist they

492

00:25:25,629 --> 00:25:23,090

were wanting to but it's one of them I

493

00:25:28,089 --> 00:25:25,639

don't give it name shots you know

494

00:25:30,969 --> 00:25:28,099

because I didn't care at that moment

495

00:25:33,399 --> 00:25:30,979

what they're done with me that's just

496

00:25:35,229 --> 00:25:33,409

the effect had right right I went

497

00:25:37,210 --> 00:25:35,239

through that this weekend at a party in

498

00:25:39,519 --> 00:25:37,220

Palm Springs but that's another story

499

00:25:44,259 --> 00:25:39,529

for another time

500

00:25:47,950 --> 00:25:44,269

I told Lee get it now you were relaxed

501
00:25:49,719 --> 00:25:47,960
but on the inside were you having you

502
00:25:52,839 --> 00:25:49,729
know like a holy crap moment

503
00:25:56,680 --> 00:25:52,849
we were you realizing you know how

504
00:26:00,039 --> 00:25:56,690
frightening this really could be yeah in

505
00:26:00,940 --> 00:26:00,049
modern terms I figured I'd done messed

506
00:26:05,249 --> 00:26:00,950
up real bad

507
00:26:10,119 --> 00:26:05,259
right and to be honest you know come

508
00:26:14,349 --> 00:26:10,129
coming from Mississippi and the cotton

509
00:26:17,379 --> 00:26:14,359
fields and all I never heard of UFOs or

510
00:26:20,919 --> 00:26:17,389
aliens or nothing and the only thing I

511
00:26:25,419 --> 00:26:20,929
heard we had three channels on TV NBC

512
00:26:27,700 --> 00:26:25,429
ABC and CBS at the time and I would kept

513
00:26:30,999 --> 00:26:27,710

up with Apollo missions because you had

514

00:26:33,639 --> 00:26:31,009

to Eva that was on or the president was

515

00:26:36,669 --> 00:26:33,649

talking you know watch out on all three

516

00:26:41,469 --> 00:26:36,679

channels right and I noticed that when

517

00:26:43,719 --> 00:26:41,479

these those astronauts landed the big

518

00:26:49,359 --> 00:26:43,729

thing that was in my mind at the time to

519

00:26:50,769 --> 00:26:49,369

set the mindset they are they isolated

520

00:26:52,629 --> 00:26:50,779

them they wouldn't even let their

521

00:26:54,020 --> 00:26:52,639

families in there to see them for seven

522

00:26:57,220 --> 00:26:54,030

days

523

00:27:00,160 --> 00:26:57,230

and I knew something bad was going on

524

00:27:03,620 --> 00:27:00,170

but it was nothing I could do about it

525

00:27:06,920 --> 00:27:03,630

so this thing got ahold of my arm

526

00:27:09,110 --> 00:27:06,930

did the injection floated me up to the

527

00:27:11,420 --> 00:27:09,120

door and the first thing I was thinking

528

00:27:15,580 --> 00:27:11,430

when we got to the door and I didn't see

529

00:27:18,380 --> 00:27:15,590

Charlie anymore till we got back out I

530

00:27:21,650 --> 00:27:18,390

was wondering what his lights was coming

531

00:27:25,520 --> 00:27:21,660

from so I kind of looked up a little bit

532

00:27:27,530 --> 00:27:25,530

looked around you know we've all my eyes

533

00:27:30,140 --> 00:27:27,540

just kind of rolled in we look around

534

00:27:31,520 --> 00:27:30,150

row my head then look like I was just

535

00:27:35,600 --> 00:27:31,530

coming out of the paint in the walls

536

00:27:37,610 --> 00:27:35,610

that you know and and it could have been

537

00:27:39,440 --> 00:27:37,620

some kind of optical illusion or

538

00:27:42,470 --> 00:27:39,450

something I don't know just but I didn't

539

00:27:45,080 --> 00:27:42,480

see any kind of light fixtures mm-hmm so

540

00:27:49,280 --> 00:27:45,090

this thing got me to the door and he

541

00:27:52,340 --> 00:27:49,290

turned left and we went down a hallway

542

00:27:54,860 --> 00:27:52,350

and I don't know how far but it didn't

543

00:27:59,330 --> 00:27:54,870

seem like it took long and then he made

544

00:28:02,060 --> 00:27:59,340

a right turn and there was this room it

545

00:28:04,880 --> 00:28:02,070

had one of the prettiest tables I've

546

00:28:06,980 --> 00:28:04,890

ever seen in my life in there and when I

547

00:28:10,400 --> 00:28:06,990

say that I'm talking an examination

548

00:28:13,510 --> 00:28:10,410

table mm-hmm and it was clear it was

549

00:28:15,950 --> 00:28:13,520

like glass and you know I was almost

550

00:28:18,890 --> 00:28:15,960

afraid when he laid me on it it was

551
00:28:21,950 --> 00:28:18,900
gonna break or something and this thing

552
00:28:25,790 --> 00:28:21,960
skidded me over and he'd laid me on this

553
00:28:30,140 --> 00:28:25,800
table at about a 45 degree angle around

554
00:28:32,870 --> 00:28:30,150
a 16 to a 45 degree angle and this big

555
00:28:35,480 --> 00:28:32,880
ugly thing just backed up by the way and

556
00:28:38,210 --> 00:28:35,490
went to the wall and just stood by the

557
00:28:42,490 --> 00:28:38,220
wall emotionally and that was another

558
00:28:45,230 --> 00:28:42,500
thing I decided that it was all robotic

559
00:28:49,430 --> 00:28:45,240
because it just went over and just shut

560
00:28:52,670 --> 00:28:49,440
down and I could see my role of my head

561
00:28:54,650 --> 00:28:52,680
a little bit what it was but when I was

562
00:28:57,110 --> 00:28:54,660
on this table I was looking straight up

563
00:28:59,660 --> 00:28:57,120

at the ceiling for a second

564

00:29:04,640 --> 00:28:59,670

and there's something about the size of

565

00:29:07,220 --> 00:29:04,650

a deck of cards that uh that came out

566

00:29:07,880 --> 00:29:07,230

from the ceiling and come down stalked

567

00:29:11,570 --> 00:29:07,890

about a

568

00:29:14,150 --> 00:29:11,580

a foot and a half from my head and it

569

00:29:18,050 --> 00:29:14,160

started going around my head and it was

570

00:29:20,900 --> 00:29:18,060

clicking and go click click click click

571

00:29:23,480 --> 00:29:20,910

then it when it got to one spot in front

572

00:29:27,560 --> 00:29:23,490

it stopped and then it just shot back up

573

00:29:29,840 --> 00:29:27,570

into the ceiling let's stop right there

574

00:29:33,500 --> 00:29:29,850

Calvin we need to take our commercial

575

00:29:35,240 --> 00:29:33,510

break and we will continue from right

576

00:29:36,920 --> 00:29:35,250

where we're leaving off when we come

577

00:29:40,190 --> 00:29:36,930

back after this short break our guest

578

00:29:42,260 --> 00:29:40,200

tonight Calvin Parker this is fade to

579

00:29:45,380 --> 00:29:42,270

black I am your host Jimmy Church you

580

00:29:47,930 --> 00:29:45,390

can follow me on twitter at JDO all of

581

00:29:50,090 --> 00:29:47,940

the links for calvin are over at jimmy

582

00:29:52,760 --> 00:29:50,100

church radio calm you can go and click

583

00:29:55,010 --> 00:29:52,770

right there and we'll be right back to

584

00:29:56,660 --> 00:29:55,020

continue this conversation after this

585

00:30:16,750 --> 00:29:56,670

short break stay with us

586

00:30:18,980 --> 00:30:16,760

[Music]

587

00:30:20,299 --> 00:30:18,990

welcome back pay the black our meals to

588

00:30:24,080 --> 00:30:20,309

me Church our guest tonight Calvin

589

00:30:25,610 --> 00:30:24,090

Parker his new book you can go and click

590

00:30:27,649 --> 00:30:25,620

on the links over at Jimmy Church radio

591

00:30:30,710 --> 00:30:27,659

calm it'll take you straight there I do

592

00:30:33,019 --> 00:30:30,720

want to thank Philip mantle for all of

593

00:30:36,889 --> 00:30:33,029

his hard work in setting up tonight's

594

00:30:39,799 --> 00:30:36,899

show Calvin right before the break where

595

00:30:41,899 --> 00:30:39,809

we left off you're you're in this well I

596

00:30:43,690 --> 00:30:41,909

guess we can call it an examination room

597

00:30:46,519 --> 00:30:43,700

we don't have another word for it but

598

00:30:49,129 --> 00:30:46,529

this this object comes down from the

599

00:30:51,680 --> 00:30:49,139

ceiling about the size of a deck of

600

00:30:53,750 --> 00:30:51,690

cards sounds like it was taking pictures

601
00:30:56,629 --> 00:30:53,760
or something right clicking around your

602
00:31:01,399 --> 00:30:56,639
head or examining you and it was going

603
00:31:05,360 --> 00:31:01,409
click click click what uh and you

604
00:31:08,120 --> 00:31:05,370
described one of the guys that was there

605
00:31:11,180 --> 00:31:08,130
that stepped up against the wall and

606
00:31:12,470 --> 00:31:11,190
like shut down like a robot right and

607
00:31:14,840 --> 00:31:12,480
now he's in position

608
00:31:18,769 --> 00:31:14,850
am i described eyes is is this about

609
00:31:22,220 --> 00:31:18,779
right you're exactly right and I was

610
00:31:25,490 --> 00:31:22,230
called a robot Oh big ugly one because

611
00:31:29,480 --> 00:31:25,500
we fix a the pretty one come out here in

612
00:31:33,289 --> 00:31:29,490
a minute okay and the the drawings that

613
00:31:36,529 --> 00:31:33,299

I have seen over the years I I don't

614

00:31:39,710 --> 00:31:36,539

know how to best describe them I think I

615

00:31:43,610 --> 00:31:39,720

should let you do it but it looks like

616

00:31:45,620 --> 00:31:43,620

they're it's almost like strings of rope

617

00:31:48,139 --> 00:31:45,630

or something like toothpaste out of a

618

00:31:52,070 --> 00:31:48,149

tube you know I don't know how to

619

00:31:54,950 --> 00:31:52,080

explain the skin or what would be on the

620

00:31:55,850 --> 00:31:54,960

outside of it it's stringy I don't know

621

00:31:59,840 --> 00:31:55,860

how to explain it

622

00:32:02,899 --> 00:31:59,850

can you describe it well yeah described

623

00:32:05,450 --> 00:32:02,909

it several times though big ugly one now

624

00:32:08,930 --> 00:32:05,460

has skimmed kind of like an elephant or

625

00:32:12,889 --> 00:32:08,940

a manatee okay you know they just kind

626
00:32:15,080 --> 00:32:12,899
of wrinkled and pulled down and I'm not

627
00:32:17,450 --> 00:32:15,090
for sure that was a suit on this thing

628
00:32:20,450 --> 00:32:17,460
or what it was but I figured it's some

629
00:32:22,490 --> 00:32:20,460
kind of protective clothing for some

630
00:32:26,659 --> 00:32:22,500
reason I really believe from the bottom

631
00:32:28,940 --> 00:32:26,669
of my heart that these old robotic

632
00:32:29,779 --> 00:32:28,950
working creatures was the one doing all

633
00:32:31,669 --> 00:32:29,789
the work

634
00:32:34,039 --> 00:32:31,679
no one doing this but they had a

635
00:32:35,810 --> 00:32:34,049
mastermind behind all this and she's

636
00:32:42,769 --> 00:32:35,820
fixing to come out of the picture here

637
00:32:45,049 --> 00:32:42,779
too many right so we all we read the

638
00:32:48,109 --> 00:32:45,059

deck of cards that went back up into the

639

00:32:50,330 --> 00:32:48,119

ceiling that cleared well I was laying

640

00:32:54,799 --> 00:32:50,340

there and I just kind of glanced over

641

00:32:56,359 --> 00:32:54,809

and I noticed kind of a figure coming

642

00:32:59,810 --> 00:32:56,369

out but I couldn't really make it out

643

00:33:01,820 --> 00:32:59,820

because I still couldn't move and she

644

00:33:06,139 --> 00:33:01,830

got a little closer and I called her she

645

00:33:08,749 --> 00:33:06,149

I don't know that it was a she it was

646

00:33:12,289 --> 00:33:08,759

built smaller than the big ugly when it

647

00:33:15,619 --> 00:33:12,299

looked like a yo female to me and really

648

00:33:18,769 --> 00:33:15,629

not a bad-looking no not a bad-looking

649

00:33:21,259 --> 00:33:18,779

woman if it was it's kind of like I

650

00:33:23,330 --> 00:33:21,269

explained to somebody before if I was in

651
00:33:26,419 --> 00:33:23,340
a bar and had enough to drink I'd asked

652
00:33:28,339 --> 00:33:26,429
around on a date and you know that's how

653
00:33:31,339 --> 00:33:28,349
normal she kind of looked if you can

654
00:33:37,039 --> 00:33:31,349
call that normal I've seen weirder in

655
00:33:43,940 --> 00:33:37,049
bars but uh she come out and she was

656
00:33:48,080 --> 00:33:43,950
small-featured and kind of walked up to

657
00:33:50,060 --> 00:33:48,090
me and I really couldn't see enough you

658
00:33:53,710 --> 00:33:50,070
know I was trying to blow my head and

659
00:33:56,960 --> 00:33:53,720
look at her and she grabbed me by the

660
00:33:59,749 --> 00:33:56,970
cheek with one of her hands and her

661
00:34:02,690 --> 00:33:59,759
hands look normal they had fingers and

662
00:34:09,079 --> 00:34:02,700
everything else and she looked kind of

663
00:34:11,030 --> 00:34:09,089

normal but uh I could sense any kind of

664

00:34:15,139 --> 00:34:11,040

warmth or any kind of feeling in her

665

00:34:18,470 --> 00:34:15,149

fingertips hmm so when she got through

666

00:34:21,319 --> 00:34:18,480

that she took her left hand she laid up

667

00:34:24,950 --> 00:34:21,329

one of her fingers across my chin and

668

00:34:28,280 --> 00:34:24,960

she pushed it down now this is when it

669

00:34:30,289 --> 00:34:28,290

got really bad for me this she run two

670

00:34:33,559 --> 00:34:30,299

of her fingers and they was a little bit

671

00:34:35,629 --> 00:34:33,569

longer than normal down my throat and

672

00:34:37,309 --> 00:34:35,639

we're trying to you know that little

673

00:34:40,280 --> 00:34:37,319

thing that hangs down in the back you

674

00:34:40,940 --> 00:34:40,290

throat yep she she was trying to come up

675

00:34:44,180 --> 00:34:40,950

behind

676

00:34:46,250 --> 00:34:44,190

did into my nasal cavities I guess and I

677

00:34:49,359 --> 00:34:46,260

started choking and my nose started

678

00:34:52,040 --> 00:34:49,369

bleeding but uh you know at this time

679

00:34:55,930 --> 00:34:52,050

wherever she was compassionate about it

680

00:34:58,099 --> 00:34:55,940

or not she did pull her hand out and

681

00:35:01,910 --> 00:34:58,109

give me a chance to kind of breathe

682

00:35:03,380 --> 00:35:01,920

again so I don't think intensely they

683

00:35:06,800 --> 00:35:03,390

really meant to hurt me

684

00:35:09,710 --> 00:35:06,810

now later on I think they might have but

685

00:35:11,870 --> 00:35:09,720

right right at this moment she didn't

686

00:35:14,690 --> 00:35:11,880

intentionally want it was more like an

687

00:35:17,569 --> 00:35:14,700

exam and somebody said well she might

688

00:35:19,370 --> 00:35:17,579

have put an implant in well I don't want

689

00:35:23,569 --> 00:35:19,380

to speculate on all that because I don't

690

00:35:25,760 --> 00:35:23,579

know for sure you know I never never got

691

00:35:28,550 --> 00:35:25,770

an x-ray or nothing that showed one but

692

00:35:31,310 --> 00:35:28,560

it could have possibly been that you had

693

00:35:33,609 --> 00:35:31,320

mentioned earlier at Kelvin that you

694

00:35:37,250 --> 00:35:33,619

could you could see and you could smell

695

00:35:39,680 --> 00:35:37,260

what were you smelling at this point and

696

00:35:42,859 --> 00:35:39,690

and how was your breathing was was that

697

00:35:44,720 --> 00:35:42,869

okay well you know with the binders

698

00:35:47,390 --> 00:35:44,730

there you thought you know brave new and

699

00:35:50,599 --> 00:35:47,400

you don't know you don't and as far as

700

00:35:52,790 --> 00:35:50,609

the smile now anybody's ever been to

701
00:35:55,550 --> 00:35:52,800
passport girl of Mississippi or Jackson

702
00:35:58,579 --> 00:35:55,560
County they have pokey plants and they

703
00:36:01,490 --> 00:35:58,589
cook these pogies and there's dead fish

704
00:36:03,829 --> 00:36:01,500
up on the banks sometime and it smells

705
00:36:06,530 --> 00:36:03,839
really bad at times and that was one of

706
00:36:08,390 --> 00:36:06,540
these nights where the humidity was low

707
00:36:10,300 --> 00:36:08,400
so you really couldn't scent to anything

708
00:36:13,730 --> 00:36:10,310
but a dead fish when you're smelling

709
00:36:18,710 --> 00:36:13,740
mm-hmm and that was coming in from the

710
00:36:21,500 --> 00:36:18,720
outside and I've often wondered you know

711
00:36:24,230 --> 00:36:21,510
if I could have sensed anything else

712
00:36:25,880 --> 00:36:24,240
course I wouldn't want decisions and I

713
00:36:29,059 --> 00:36:25,890

just want to get up and leave and I

714

00:36:32,089 --> 00:36:29,069

couldn't do it right right well when you

715

00:36:34,970 --> 00:36:32,099

looked around the room was there

716

00:36:36,349 --> 00:36:34,980

anything that stood out for you of that

717

00:36:38,240 --> 00:36:36,359

you know we're their windows were their

718

00:36:40,970 --> 00:36:38,250

pictures on the wall you know what I

719

00:36:44,200 --> 00:36:40,980

mean what did you see an electronic

720

00:36:47,660 --> 00:36:44,210

equipment do what what did you remember

721

00:36:49,460 --> 00:36:47,670

the only electronic equipment I remember

722

00:36:52,099 --> 00:36:49,470

seeing was that deck of cards that come

723

00:36:52,970 --> 00:36:52,109

out of the salient right now when I rode

724

00:36:57,470 --> 00:36:52,980

my head

725

00:37:00,880 --> 00:36:57,480

for she came out of it seemed like it

726

00:37:04,190 --> 00:37:00,890

could have been when desire or maybe

727

00:37:06,170 --> 00:37:04,200

something they could see through and I

728

00:37:08,540 --> 00:37:06,180

just had the feeling you know that

729

00:37:10,400 --> 00:37:08,550

somebody was standing back behind I

730

00:37:12,920 --> 00:37:10,410

didn't see this I couldn't tell it for

731

00:37:14,750 --> 00:37:12,930

sure but but it felt like somebody was

732

00:37:17,870 --> 00:37:14,760

sent just staring itch and you know you

733

00:37:22,370 --> 00:37:17,880

get to EBG be faithlyn some mm-hmm and

734

00:37:24,800 --> 00:37:22,380

that was the feeling I had in the in the

735

00:37:27,680 --> 00:37:24,810

in the room with you we have we have the

736

00:37:30,770 --> 00:37:27,690

big ugly robot guy we have her was there

737

00:37:33,980 --> 00:37:30,780

anybody else in there nobody that I

738

00:37:36,680 --> 00:37:33,990

could say right or tail and I had no

739

00:37:39,130 --> 00:37:36,690

idea where that buddy of mine was I mean

740

00:37:41,870 --> 00:37:39,140

oh really he wasn't a friend of mine but

741

00:37:43,609 --> 00:37:41,880

the guy that was with me you know they

742

00:37:46,310 --> 00:37:43,619

might have took him to a different place

743

00:37:49,420 --> 00:37:46,320

or something but he sure wasn't around

744

00:37:54,859 --> 00:37:49,430

and I will mean right right right and

745

00:37:57,590 --> 00:37:54,869

well before I say what happened next I

746

00:37:59,330 --> 00:37:57,600

wanted your quote you're still clothed

747

00:38:05,930 --> 00:37:59,340

you still have your clothes on

748

00:38:10,040 --> 00:38:05,940

oh yes sir okay so word were you cold

749

00:38:11,570 --> 00:38:10,050

you know what was the the the

750

00:38:14,840 --> 00:38:11,580

environment in there were you

751

00:38:20,560 --> 00:38:14,850

uncomfortable I was all very

752

00:38:24,170 --> 00:38:20,570

uncomfortable it was all colder than Oh

753

00:38:26,200 --> 00:38:24,180

an act additional blowing on it by like

754

00:38:28,580 --> 00:38:26,210

walking into a yo

755

00:38:30,950 --> 00:38:28,590

emergency room in the hospital you know

756

00:38:32,990 --> 00:38:30,960

they keep in place is cold right right

757

00:38:35,599 --> 00:38:33,000

yeah and you know you're really

758

00:38:37,609 --> 00:38:35,609

uncomfortable and chilled in there now

759

00:38:42,500 --> 00:38:37,619

and one last thing about your

760

00:38:45,230 --> 00:38:42,510

environment what what did you hear the

761

00:38:51,130 --> 00:38:45,240

clicking was the only thing I heard from

762

00:38:52,340 --> 00:38:51,140

that deal until law she made a comment

763

00:38:55,670 --> 00:38:52,350

telepathy

764

00:39:00,470 --> 00:38:55,680

to me and it sounded just like a normal

765

00:39:03,020 --> 00:39:00,480

voice oh and it was in redneck language

766

00:39:06,890 --> 00:39:03,030

and I'm sure that they probably studied

767

00:39:10,610 --> 00:39:06,900

Oh the language and now you

768

00:39:13,880 --> 00:39:10,620

to keep it for being so well fearful

769

00:39:17,750 --> 00:39:13,890

great they probably programmed her too

770

00:39:21,020 --> 00:39:17,760

well to send her thoughts in in this

771

00:39:24,430 --> 00:39:21,030

language now it was just like talking to

772

00:39:28,010 --> 00:39:24,440

her right now Calvin I have to ask you

773

00:39:30,740 --> 00:39:28,020

in redneck language these are your words

774

00:39:32,690 --> 00:39:30,750

right but right but I've been all over

775

00:39:34,910 --> 00:39:32,700

the United States I lived in Memphis

776

00:39:37,100 --> 00:39:34,920

I've been all over the south I totally

777

00:39:42,770 --> 00:39:37,110

am picking up what you're putting down

778

00:39:48,200 --> 00:39:42,780

right now okay what did she say in

779

00:39:51,470 --> 00:39:48,210

redneck well she just did a plain voice

780

00:39:54,080 --> 00:39:51,480

and her lips didn't move that she had

781

00:39:59,240 --> 00:39:54,090

facial features like what we do here's

782

00:40:03,860 --> 00:39:59,250

eyes nose mouth right but she said that

783

00:40:06,560 --> 00:40:03,870

oh we're not going to harm you and I

784

00:40:09,260 --> 00:40:06,570

thought it's a little too late for that

785

00:40:10,010 --> 00:40:09,270

you know you know took me against my

786

00:40:13,220 --> 00:40:10,020

will

787

00:40:16,880 --> 00:40:13,230

now this is me thinking back just want

788

00:40:19,250 --> 00:40:16,890

them really slammer if I could you don't

789

00:40:21,200 --> 00:40:19,260

took me against my will you run a finger

790

00:40:23,990 --> 00:40:21,210

that was six inches long down my throat

791

00:40:27,950 --> 00:40:24,000

you come up behind my little Google vein

792

00:40:30,650 --> 00:40:27,960

back there and I was bleeding bad my

793

00:40:34,150 --> 00:40:30,660

nose was bleeding I had on a white

794

00:40:38,420 --> 00:40:34,160

t-shirt you know it was soaked in blood

795

00:40:40,610 --> 00:40:38,430

by then and you know the strange part

796

00:40:44,510 --> 00:40:40,620

about it ever since I happened I've had

797

00:40:47,750 --> 00:40:44,520

frequent nosebleeds and I don't

798

00:40:49,490 --> 00:40:47,760

understand why but she communicated with

799

00:40:52,190 --> 00:40:49,500

me she said we're not gonna hurt you

800

00:40:53,420 --> 00:40:52,200

we're not gonna harm you and then I was

801

00:40:55,820 --> 00:40:53,430

getting a little restless

802

00:40:59,990 --> 00:40:55,830

and she made a little grumbling from the

803

00:41:02,270 --> 00:41:00,000

bottom of her throat now somebody asked

804

00:41:05,990 --> 00:41:02,280

me to describe at the closest way I

805

00:41:07,910 --> 00:41:06,000

could describe it and y'all a lot of

806

00:41:11,240 --> 00:41:07,920

people probably won't know what this is

807

00:41:14,720 --> 00:41:11,250

but alligator started a mating call and

808

00:41:16,940 --> 00:41:14,730

it goes out it's just a lone root like

809

00:41:20,320 --> 00:41:16,950

that and then you can hear it for miles

810

00:41:24,160 --> 00:41:20,330

and it's kind of like that

811

00:41:25,840 --> 00:41:24,170

if she did that and though this big ugly

812

00:41:28,300 --> 00:41:25,850

thing that was sitting in the corner he

813

00:41:30,310 --> 00:41:28,310

just popped up and come alive and he

814

00:41:33,700 --> 00:41:30,320

come over there and they reached and

815

00:41:37,960 --> 00:41:33,710

grabbed me by the arm again and I felt

816

00:41:40,090 --> 00:41:37,970

another injection well after that little

817

00:41:44,050 --> 00:41:40,100

injection there I just really didn't

818

00:41:46,630 --> 00:41:44,060

care what went on not too much but you

819

00:41:55,410 --> 00:41:46,640

know I can still see I had my senses my

820

00:42:00,790 --> 00:41:55,420

eyes hearing taste I had all this and I

821

00:42:03,550 --> 00:42:00,800

thought and now I thought us had a

822

00:42:06,040 --> 00:42:03,560

little sense of smell of ammonia but I'm

823

00:42:07,900 --> 00:42:06,050

not for sure about that it might have

824

00:42:11,200 --> 00:42:07,910

been just something that I thought that

825

00:42:15,570 --> 00:42:11,210

I dreamed up mm-hmm and I try to stay as

826

00:42:18,850 --> 00:42:15,580

accurate as I can well no I'm doing this

827

00:42:23,230 --> 00:42:18,860

if this thing put another injection on

828

00:42:25,720 --> 00:42:23,240

me and she kind of backed up against the

829

00:42:29,770 --> 00:42:25,730

wall then or just backed up a little bit

830

00:42:34,690 --> 00:42:29,780

and he snatched me up off that table and

831

00:42:37,180 --> 00:42:34,700

went to the door and floated floated me

832

00:42:40,390 --> 00:42:37,190

back out to where he had picked me up on

833

00:42:42,430 --> 00:42:40,400

the riverbank and set me down my arms

834

00:42:45,460 --> 00:42:42,440

was outstretched in about the same place

835

00:42:49,530 --> 00:42:45,470

I was facing the river of my arms

836

00:42:52,450 --> 00:42:49,540

outstretched and this is when I heard Oh

837

00:42:56,950 --> 00:42:52,460

Charlie said Calvin Calvin you okay son

838

00:42:59,230 --> 00:42:56,960

I thought well no I'm not okay you know

839

00:43:01,390 --> 00:42:59,240

mmm and we turned around about the same

840

00:43:03,250 --> 00:43:01,400

time and looked I turned around Charlie

841

00:43:07,480 --> 00:43:03,260

was getting up off the ground he was at

842

00:43:11,530 --> 00:43:07,490

the Ola Graham then we looked and this

843

00:43:14,320 --> 00:43:11,540

thing the lights just kinda went off and

844

00:43:17,200 --> 00:43:14,330

I heard just a little bit of a zipping

845

00:43:20,350 --> 00:43:17,210

noise I like that and it wasn't real

846

00:43:22,210 --> 00:43:20,360

loud and harsh and it just took up and

847

00:43:26,140 --> 00:43:22,220

more or less disappeared into the sky

848

00:43:28,990 --> 00:43:26,150

that's how fast it was now this is just

849

00:43:29,260 --> 00:43:29,000

when the story starts I know I know I

850

00:43:33,130 --> 00:43:29,270

know

851
00:43:36,730 --> 00:43:33,140
and how much time do

852
00:43:39,339 --> 00:43:36,740
you think actually went by from when you

853
00:43:42,970 --> 00:43:39,349
were casting out when he saw the blue

854
00:43:44,859 --> 00:43:42,980
light on the water to you seeing Charles

855
00:43:50,380 --> 00:43:44,869
again lying down on the ground how much

856
00:43:52,410 --> 00:43:50,390
time went by I'm saying probably about

857
00:43:55,809 --> 00:43:52,420
four hours whoa

858
00:44:00,210 --> 00:43:55,819
well because we got there about 6:30

859
00:44:02,920 --> 00:44:00,220
right we got to the Shelf Department

860
00:44:05,349 --> 00:44:02,930
about 11:00 so no it wouldn't have quite

861
00:44:08,140 --> 00:44:05,359
been four hours they would get a surf

862
00:44:12,720 --> 00:44:08,150
department an hour so do will get us

863
00:44:18,549 --> 00:44:12,730

probably three hours right right now

864

00:44:21,220 --> 00:44:18,559

before we move on when when this did you

865

00:44:24,460 --> 00:44:21,230

get a good look at the ship the second

866

00:44:28,660 --> 00:44:24,470

time how did would you got a better look

867

00:44:30,910 --> 00:44:28,670

at it because it the lights went off and

868

00:44:33,880 --> 00:44:30,920

you can more or less see the outline

869

00:44:36,480 --> 00:44:33,890

shape of it right and like I say it was

870

00:44:41,230 --> 00:44:36,490

a fool it was a harvest moon that night

871

00:44:43,450 --> 00:44:41,240

so it was a good full moon and I can

872

00:44:46,299 --> 00:44:43,460

make it out the shape of it

873

00:44:49,210 --> 00:44:46,309

not so much of color but the shape and

874

00:44:52,480 --> 00:44:49,220

it was shaped like a football to me mmm

875

00:44:54,819 --> 00:44:52,490

a hundred-foot football that's about

876

00:45:00,690 --> 00:44:54,829

what it is you know you just want to go

877

00:45:04,180 --> 00:45:00,700

kick it after that right no kidding

878

00:45:06,309 --> 00:45:04,190

when you said it was just like gone you

879

00:45:08,950 --> 00:45:06,319

know just like that are we talking about

880

00:45:12,430 --> 00:45:08,960

a second two seconds three seconds and

881

00:45:13,839 --> 00:45:12,440

that was it I would say four or five

882

00:45:17,259 --> 00:45:13,849

seconds at the most

883

00:45:20,140 --> 00:45:17,269

right brain when they got up when it got

884

00:45:22,120 --> 00:45:20,150

up in the air about 50 foot it was just

885

00:45:25,569 --> 00:45:22,130

like a streak of Lightning coming down

886

00:45:29,259 --> 00:45:25,579

right and you can kind of see all the

887

00:45:31,539 --> 00:45:29,269

glow of it leaving you know and a lot of

888

00:45:33,849 --> 00:45:31,549

people witnessed it leaving and that's

889

00:45:37,450 --> 00:45:33,859

where this new book comes in on all that

890

00:45:39,490 --> 00:45:37,460

yeah yeah and and so many people have

891

00:45:43,630 --> 00:45:39,500

come forward well we'll get into that in

892

00:45:45,690 --> 00:45:43,640

just a bit which is absolutely some of

893

00:45:48,329 --> 00:45:45,700

the most fascinating parts of

894

00:45:49,440 --> 00:45:48,339

all of this and like you said this is

895

00:45:54,599 --> 00:45:49,450

just getting started

896

00:45:57,059 --> 00:45:54,609

right oh yes sir so okay now this is

897

00:46:00,450 --> 00:45:57,069

just me and you I'm asking the dumbest

898

00:46:03,960 --> 00:46:00,460

question ever right now you turn to

899

00:46:07,220 --> 00:46:03,970

Calvin or you turn to Charles what rocks

900

00:46:10,770 --> 00:46:07,230

you say I mean What did he say to you

901
00:46:13,349 --> 00:46:10,780
Charlie said well we need to well call

902
00:46:17,520 --> 00:46:13,359
somebody and tell them I said I don't

903
00:46:20,220 --> 00:46:17,530
know no we don't call nobody this didn't

904
00:46:20,730 --> 00:46:20,230
happen I didn't say nothin Charlie did

905
00:46:24,660 --> 00:46:20,740
you

906
00:46:29,910 --> 00:46:24,670
he said we got to call somebody and tell

907
00:46:32,220 --> 00:46:29,920
him I said no huh no we're gonna get up

908
00:46:34,700 --> 00:46:32,230
in the morning to go to work and I

909
00:46:37,410 --> 00:46:34,710
thought being him it came to that old

910
00:46:41,220 --> 00:46:37,420
conclusion that we just wasn't gonna

911
00:46:43,650 --> 00:46:41,230
tell nobody we was gonna getting up the

912
00:46:46,460 --> 00:46:43,660
next morning and go to work but he had a

913
00:46:49,260 --> 00:46:46,470

different outlook on things than I did

914

00:46:51,539 --> 00:46:49,270

so we sit there and talk just a few

915

00:46:54,359 --> 00:46:51,549

minutes not about what happened we were

916

00:46:56,339 --> 00:46:54,369

just kind of in a daze we started

917

00:46:59,970 --> 00:46:56,349

working away back to the car

918

00:47:03,870 --> 00:46:59,980

now keep in mind I had a brand new car

919

00:47:06,780 --> 00:47:03,880

in 1973 RAM real horny less than five or

920

00:47:09,539 --> 00:47:06,790

ten thousand miles only I had a 73

921

00:47:12,510 --> 00:47:09,549

Rambler hornet oh I loved that little

922

00:47:14,849 --> 00:47:12,520

car loved that car loved that car it was

923

00:47:18,630 --> 00:47:14,859

pretty fast too mine had a straight-6 in

924

00:47:20,420 --> 00:47:18,640

it that's what this one had any and it

925

00:47:23,250 --> 00:47:20,430

got good gas mileage

926

00:47:25,620 --> 00:47:23,260

you know I enjoyed riding around it

927

00:47:27,990 --> 00:47:25,630

first new car I ever had and it would go

928

00:47:30,900 --> 00:47:28,000

to that little Street six would go

929

00:47:33,480 --> 00:47:30,910

it's a scat little scat little scatter

930

00:47:35,280 --> 00:47:33,490

you know they made race cars out of them

931

00:47:38,730 --> 00:47:35,290

know was if I was there I would have

932

00:47:39,240 --> 00:47:38,740

souped up his horn it's a race car out

933

00:47:41,880 --> 00:47:39,250

of them

934

00:47:44,730 --> 00:47:41,890

I miss my Hornet man I really do I drove

935

00:47:48,569 --> 00:47:44,740

the life out of that car okay so you

936

00:47:51,480 --> 00:47:48,579

guys make it back to your car and at

937

00:47:53,940 --> 00:47:51,490

that point I know you said that you

938

00:47:58,160 --> 00:47:53,950

haven't really discussed what happened

939

00:48:01,490 --> 00:47:58,170

but certainly do you remember

940

00:48:05,210 --> 00:48:01,500

everything oh yeah and and the same

941

00:48:07,190 --> 00:48:05,220

thing for for Charles right oh yeah he

942

00:48:10,550 --> 00:48:07,200

must have cuz he talked about it he

943

00:48:13,580 --> 00:48:10,560

certainly did yeah I mean Charlie he

944

00:48:17,330 --> 00:48:13,590

went national with everything well we

945

00:48:19,130 --> 00:48:17,340

got to the car of course we didn't have

946

00:48:21,830 --> 00:48:19,140

it long Oh

947

00:48:24,650 --> 00:48:21,840

I walked over to the driver's side and

948

00:48:27,560 --> 00:48:24,660

he was on the passenger side and I

949

00:48:29,750 --> 00:48:27,570

noticed the window looked different but

950

00:48:33,320 --> 00:48:29,760

it was shattered in place the two

951
00:48:36,920 --> 00:48:33,330
passenger side windows was led up and I

952
00:48:38,570 --> 00:48:36,930
was shattered in place and then when he

953
00:48:42,290 --> 00:48:38,580
opened the door that's when the glass

954
00:48:44,030 --> 00:48:42,300
just fell out dying somebody how come it

955
00:48:46,970 --> 00:48:44,040
to shatter like that and I said well a

956
00:48:49,490 --> 00:48:46,980
safety glass and they put that in there

957
00:48:52,280 --> 00:48:49,500
where it won't all fracture and come in

958
00:48:55,970 --> 00:48:52,290
to you and it just shatters and it's

959
00:48:58,010 --> 00:48:55,980
plastic you know that's what it was but

960
00:49:01,640 --> 00:48:58,020
when he opened the door the glass fell

961
00:49:03,890 --> 00:49:01,650
out we got in the car and I tried to

962
00:49:07,610 --> 00:49:03,900
crank it I must have wound up on that

963
00:49:10,070 --> 00:49:07,620

thing for 15 minutes and I kept thinking

964

00:49:12,880 --> 00:49:10,080

the battery would go dead but the

965

00:49:15,640 --> 00:49:12,890

battery never went dead or nothing and

966

00:49:18,380 --> 00:49:15,650

eventually it cranked up a little bit

967

00:49:19,970 --> 00:49:18,390

but it run a little rough like it was

968

00:49:23,030 --> 00:49:19,980

kind of missing over a couple of

969

00:49:25,100 --> 00:49:23,040

cylinders mm-hmm but I was ready to get

970

00:49:27,560 --> 00:49:25,110

out I didn't care if it was missing or

971

00:49:31,760 --> 00:49:27,570

not I was fixing us take off and go

972

00:49:34,190 --> 00:49:31,770

anyhow so we got it busted off and

973

00:49:38,630 --> 00:49:34,200

headed back to his apartment and there

974

00:49:40,430 --> 00:49:38,640

was a store there now after 6 o'clock in

975

00:49:43,700 --> 00:49:40,440

the state of Mississippi back then and

976

00:49:47,540 --> 00:49:43,710

they had the blue laws so the stores

977

00:49:50,810 --> 00:49:47,550

were pretty much shut down after about 6

978

00:49:55,700 --> 00:49:50,820

and you couldn't get in and no too much

979

00:49:57,860 --> 00:49:55,710

get anything but we had good phones

980

00:49:59,810 --> 00:49:57,870

because they had payphones that hung on

981

00:50:02,210 --> 00:49:59,820

the wall it's not like it is these days

982

00:50:02,830 --> 00:50:02,220

well you got everybody's got a cell

983

00:50:10,610 --> 00:50:02,840

phone

984

00:50:12,100 --> 00:50:10,620

nickel and a dime or a dime so well he

985

00:50:16,300 --> 00:50:12,110

said pull over here

986

00:50:18,280 --> 00:50:16,310

I need to use the phone now in my mind I

987

00:50:20,920 --> 00:50:18,290

thought he was gonna call his wife and

988

00:50:22,900 --> 00:50:20,930

tell her we'd be home in just a little

989

00:50:26,460 --> 00:50:22,910

bit because she was expecting us a

990

00:50:30,790 --> 00:50:26,470

little earlier to come home and he ate

991

00:50:32,650 --> 00:50:30,800

well neither one of us had any changed

992

00:50:35,950 --> 00:50:32,660

and I remember digging under the seat

993

00:50:37,720 --> 00:50:35,960

and we eventually found some change it

994

00:50:40,210 --> 00:50:37,730

fell out of the people's pockets you

995

00:50:42,130 --> 00:50:40,220

know when they said now mm-hmm and he

996

00:50:46,030 --> 00:50:42,140

got that and he went to the phone I

997

00:50:47,830 --> 00:50:46,040

heard him talking and he come back to

998

00:50:51,640 --> 00:50:47,840

the car he said well I said call the

999

00:50:54,160 --> 00:50:51,650

local law enforcement local world chef

1000

00:50:57,010 --> 00:50:54,170

Department or something so who said that

1001
00:51:00,730 --> 00:50:57,020
Charlie he said I was Keesler Air Force

1002
00:51:03,670 --> 00:51:00,740
Base out of Biloxi Mississippi and they

1003
00:51:06,310 --> 00:51:03,680
said they didn't deal with his UFOs or

1004
00:51:07,200 --> 00:51:06,320
nothing anymore to call the local law

1005
00:51:11,140 --> 00:51:07,210
enforcement

1006
00:51:13,630 --> 00:51:11,150
he said I made another dime and I was

1007
00:51:15,580 --> 00:51:13,640
thinking you know they gonna come thinks

1008
00:51:18,580 --> 00:51:15,590
he's a idiot and throw him in jail this

1009
00:51:19,630 --> 00:51:18,590
in the back of my mind that's what they

1010
00:51:22,450 --> 00:51:19,640
was gonna think

1011
00:51:25,330 --> 00:51:22,460
so he went he called the Jackson County

1012
00:51:27,940 --> 00:51:25,340
Sheriff's Department and they said look

1013
00:51:31,260 --> 00:51:27,950

fellers y'all just stay right there will

1014

00:51:34,020 --> 00:51:31,270

y'all we got a patrol car and headed out

1015

00:51:38,350 --> 00:51:34,030

Co in just a minute

1016

00:51:41,140 --> 00:51:38,360

well I didn't I didn't leave that your

1017

00:51:43,330 --> 00:51:41,150

Charlie told me what they said but in

1018

00:51:46,090 --> 00:51:43,340

the back of my mind the reason they said

1019

00:51:48,670 --> 00:51:46,100

for Sustaita I know they thought we was

1020

00:51:52,200 --> 00:51:48,680

probably drunk or drinking and they

1021

00:51:55,150 --> 00:51:52,210

didn't want us on the road so they all

1022

00:51:57,430 --> 00:51:55,160

it was just a few minutes and a patrol

1023

00:51:58,620 --> 00:51:57,440

car pulled up to where we was parked at

1024

00:52:02,320 --> 00:51:58,630

the store

1025

00:52:04,030 --> 00:52:02,330

well they got out of the car now they

1026
00:52:06,070 --> 00:52:04,040
didn't go over there on his side of the

1027
00:52:09,160 --> 00:52:06,080
car mess with him I was the one driving

1028
00:52:12,490 --> 00:52:09,170
right walked over and asked me to see my

1029
00:52:15,970 --> 00:52:12,500
driver's license I said well you know I

1030
00:52:19,180 --> 00:52:15,980
got him but I don't know him well we did

1031
00:52:21,550 --> 00:52:19,190
see him Friday you know and he said if

1032
00:52:25,300 --> 00:52:21,560
you would step out of the car so I

1033
00:52:28,780 --> 00:52:25,310
stepped out of the car he said now look

1034
00:52:31,390 --> 00:52:28,790
follow this light forward with your eyes

1035
00:52:34,210 --> 00:52:31,400
no I kind of followed it there a little

1036
00:52:38,830 --> 00:52:34,220
bit played along with you and said now

1037
00:52:41,400 --> 00:52:38,840
what I want you to do stand on one leg I

1038
00:52:45,670 --> 00:52:41,410

want you to bend your head back close

1039

00:52:48,490 --> 00:52:45,680

your eyes touch your nose jump up and

1040

00:52:50,920 --> 00:52:48,500

down on your left foot and it count from

1041

00:52:53,100 --> 00:52:50,930

100 backwards I said man I can't do that

1042

00:52:56,380 --> 00:52:53,110

sober much less have I've been drinking

1043

00:52:59,970 --> 00:52:56,390

he said that's the point we want you to

1044

00:53:02,500 --> 00:52:59,980

see so I did all of his little sobriety

1045

00:53:06,070 --> 00:53:02,510

checklist things that they normally do I

1046

00:53:11,140 --> 00:53:06,080

guess and he said follow us to the

1047

00:53:14,950 --> 00:53:11,150

chef's department you can drive and my

1048

00:53:17,800 --> 00:53:14,960

intentions were to do that so we did we

1049

00:53:19,780 --> 00:53:17,810

followed them well when we got to the

1050

00:53:23,080 --> 00:53:19,790

Shelf Department they took Charlie into

1051
00:53:26,080 --> 00:53:23,090
one room and took me into another room

1052
00:53:28,660 --> 00:53:26,090
and I guess they interrogated us both

1053
00:53:30,880 --> 00:53:28,670
and they asked me what had happened I

1054
00:53:34,200 --> 00:53:30,890
said I don't know what y'all talking

1055
00:53:37,810 --> 00:53:34,210
about what had happened he said well

1056
00:53:42,790 --> 00:53:37,820
your friend told us that Joe got

1057
00:53:45,460 --> 00:53:42,800
abducted by some I said I y'all can't

1058
00:53:48,430 --> 00:53:45,470
pay no attention to him so I don't know

1059
00:53:50,950 --> 00:53:48,440
what happened just let me go home that's

1060
00:53:54,660 --> 00:53:50,960
what I wanted to do but little did I

1061
00:53:56,950 --> 00:53:54,670
know them they had another little

1062
00:53:59,200 --> 00:53:56,960
interrogation room and they slipped it

1063
00:54:02,860 --> 00:53:59,210

on he put a tape recorder into this room

1064

00:54:05,020 --> 00:54:02,870

and they brought me out and they brought

1065

00:54:06,490 --> 00:54:05,030

him out and they put us in the same room

1066

00:54:10,120 --> 00:54:06,500

together so they could take her

1067

00:54:12,040 --> 00:54:10,130

conversation and that's not knowing well

1068

00:54:14,410 --> 00:54:12,050

where I messed up if we're the world

1069

00:54:18,100 --> 00:54:14,420

found out about this I talked to Charlie

1070

00:54:20,470 --> 00:54:18,110

about a little bit then you know you

1071

00:54:22,450 --> 00:54:20,480

could hear me on the tape and I just

1072

00:54:25,780 --> 00:54:22,460

heard the tape last year for the first

1073

00:54:28,960 --> 00:54:25,790

time but uh you could hear us talking a

1074

00:54:33,580 --> 00:54:28,970

little bit on it and they kind of pray

1075

00:54:35,560 --> 00:54:33,590

in lieu and they come in the room they

1076
00:54:38,030 --> 00:54:35,570
got to take me quarter and by that time

1077
00:54:40,370 --> 00:54:38,040
the sheriff was there that

1078
00:54:43,310 --> 00:54:40,380
this was a big deal to rednecks getting

1079
00:54:45,950 --> 00:54:43,320
abducted by a UFO by labor so yeah the

1080
00:54:51,400 --> 00:54:45,960
serfs don't come so he can get his last

1081
00:54:53,750 --> 00:54:51,410
two but he listened to that tape and I

1082
00:54:56,360 --> 00:54:53,760
couldn't hear the tape that I could see

1083
00:54:58,100 --> 00:54:56,370
him listening to it then well let's take

1084
00:55:00,680 --> 00:54:58,110
a break right here I got to take my

1085
00:55:03,170 --> 00:55:00,690
break Calvin perfect about to do it and

1086
00:55:04,670 --> 00:55:03,180
we'll just pick up right where we're

1087
00:55:05,960 --> 00:55:04,680
leaving off right now our guest tonight

1088
00:55:08,480 --> 00:55:05,970

it's Calvin Parker

1089

00:55:11,410 --> 00:55:08,490

this is fade to black we're talking

1090

00:55:14,570 --> 00:55:11,420

about the Pascagoula incident

1091

00:55:17,090 --> 00:55:14,580

unbelievable unbelievabl Calvin this is

1092

00:55:19,310 --> 00:55:17,100

a just an amazing amazing event tonight

1093

00:55:24,060 --> 00:55:19,320

on the show we'll pick up or relieve it

1094

00:56:02,370 --> 00:55:59,170

[Music]

1095

00:56:07,060 --> 00:56:04,540

welcome back fade to black I'm real

1096

00:56:09,300 --> 00:56:07,070

Jimmy Church and follow me on Twitter at

1097

00:56:12,940 --> 00:56:09,310

J Turks radio TweetDeck is down tonight

1098

00:56:15,780 --> 00:56:12,950

but I'm kind of trying to stay up on

1099

00:56:19,090 --> 00:56:15,790

Twitter I know you guys are going crazy

1100

00:56:20,859 --> 00:56:19,100

but I don't have tweet deck and our

1101

00:56:23,200 --> 00:56:20,869

guest tonight is Calvin Parker talking

1102

00:56:25,720 --> 00:56:23,210

about the Pascagoula incident that

1103

00:56:30,850 --> 00:56:25,730

happened back in 1973 with Charles

1104

00:56:32,890 --> 00:56:30,860

Hickson and you guys are now at the

1105

00:56:36,730 --> 00:56:32,900

Sheriff's Department Jackson County

1106

00:56:41,230 --> 00:56:36,740

right right and now the sheriff comes in

1107

00:56:45,760 --> 00:56:41,240

and they taped you and Charles talking

1108

00:56:47,770 --> 00:56:45,770

and you guys were separated up until

1109

00:56:49,090 --> 00:56:47,780

this point but they they happen to get

1110

00:56:51,340 --> 00:56:49,100

you guys in a room they run a tape

1111

00:56:54,460 --> 00:56:51,350

recorder you guys are talking about what

1112

00:56:56,920 --> 00:56:54,470

had happened and now the sheriff has

1113

00:56:59,650 --> 00:56:56,930

listened to this tape he walks in the

1114

00:57:03,100 --> 00:56:59,660

room right have I have I got everything

1115

00:57:06,640 --> 00:57:03,110

kind of in line you got it exactly right

1116

00:57:09,000 --> 00:57:06,650

now this sheriff was all known to be a

1117

00:57:12,160 --> 00:57:09,010

hard-nosed Sheriff I mean he was

1118

00:57:15,760 --> 00:57:12,170

strictly by the book and he didn't play

1119

00:57:18,340 --> 00:57:15,770

around any but I seen a soft spot in him

1120

00:57:21,040 --> 00:57:18,350

that night because he actually walked

1121

00:57:23,980 --> 00:57:21,050

over and just kind of put his hand on my

1122

00:57:27,160 --> 00:57:23,990

shoulder and looked like he felt really

1123

00:57:31,210 --> 00:57:27,170

sorry for me I guess I was 18 years old

1124

00:57:34,270 --> 00:57:31,220

and upset and just wanting to get out

1125

00:57:38,200 --> 00:57:34,280

and go home let me let me jump in Calvin

1126
00:57:40,390 --> 00:57:38,210
I wanted to ask you about the you know

1127
00:57:42,430 --> 00:57:40,400
the now famous photograph of you and

1128
00:57:43,690 --> 00:57:42,440
Charles and you guys are sitting next to

1129
00:57:45,849 --> 00:57:43,700
each other

1130
00:57:48,520 --> 00:57:45,859
the black-and-white photograph that you

1131
00:57:51,580 --> 00:57:48,530
know went out across the media

1132
00:57:54,900 --> 00:57:51,590
Charles is one thing but your face in

1133
00:57:59,680 --> 00:57:54,910
that picture you were not happy were you

1134
00:58:03,540 --> 00:57:59,690
no I sure wasn't number one I don't I

1135
00:58:06,880 --> 00:58:03,550
didn't like all the attention number two

1136
00:58:08,890 --> 00:58:06,890
that was a as far as I was concerned a

1137
00:58:11,650 --> 00:58:08,900
crime that was committed against us

1138
00:58:14,859 --> 00:58:11,660

right I was like a home-invasion except

1139

00:58:17,200 --> 00:58:14,869

it was a evasion off the fishing bank

1140

00:58:18,700 --> 00:58:17,210

I've explained it like if you're sitting

1141

00:58:21,400 --> 00:58:18,710

in your living room watch the TV

1142

00:58:24,150 --> 00:58:21,410

somebody kicked the door down come in

1143

00:58:27,579 --> 00:58:24,160

and get you and takes you to a band and

1144

00:58:29,589 --> 00:58:27,589

examines you and throws yet I mean

1145

00:58:30,609 --> 00:58:29,599

they'd go to jail if I could find them

1146

00:58:34,509 --> 00:58:30,619

that's right

1147

00:58:36,099 --> 00:58:34,519

but uh the one thing I got against the

1148

00:58:39,160 --> 00:58:36,109

law they don't know how to treat

1149

00:58:41,079 --> 00:58:39,170

something like this the same when this

1150

00:58:42,609 --> 00:58:41,089

happens should have been taped off and

1151
00:58:45,489 --> 00:58:42,619
they already had somebody out there

1152
00:58:50,469 --> 00:58:45,499
until they could have gotten all experts

1153
00:58:52,509 --> 00:58:50,479
out to look at the crime scene so and

1154
00:58:55,019 --> 00:58:52,519
you know I think all that's changing

1155
00:58:58,420 --> 00:58:55,029
there where they do right right right

1156
00:59:03,910 --> 00:58:58,430
but incredible incredible okay so the

1157
00:59:06,430 --> 00:59:03,920
sheriff feels you know a little bit of

1158
00:59:08,940 --> 00:59:06,440
empathy for you at this moment what

1159
00:59:13,420 --> 00:59:08,950
happens yeah what happens next

1160
00:59:15,849 --> 00:59:13,430
ways and look ya'll was y'all going back

1161
00:59:16,450 --> 00:59:15,859
home get some rest and I'll see y'all

1162
00:59:19,690 --> 00:59:16,460
tomorrow

1163
00:59:22,150 --> 00:59:19,700

I thought oh Lord we're gonna go through

1164

00:59:25,839 --> 00:59:22,160

this again the mall but we went out got

1165

00:59:29,079 --> 00:59:25,849

in the car and we drove home endo went

1166

00:59:30,519 --> 00:59:29,089

in the house and of course his wife was

1167

00:59:33,549 --> 00:59:30,529

sitting there and offered me something

1168

00:59:35,979 --> 00:59:33,559

need I said I don't believe you no I'm

1169

00:59:38,950 --> 00:59:35,989

too hungry I think I'm gonna go to bed I

1170

00:59:41,650 --> 00:59:38,960

didn't say a word what was happening so

1171

00:59:43,509 --> 00:59:41,660

when I got into the room that I was

1172

00:59:46,660 --> 00:59:43,519

written from and there was a bathroom in

1173

00:59:50,920 --> 00:59:46,670

that room and there was a gallon of

1174

00:59:53,920 --> 00:59:50,930

bleach sitting on the bathtub and I

1175

00:59:56,349 --> 00:59:53,930

remember as a child my mother would wash

1176

00:59:59,049 --> 00:59:56,359

us in Bleach if we gotten poison ivy or

1177

01:00:01,509 --> 00:59:59,059

something mm-hmm and that same that

1178

01:00:02,079 --> 01:00:01,519

black girl used to cure everything you

1179

01:00:06,099 --> 01:00:02,089

had

1180

01:00:09,849 --> 01:00:06,109

so well I got in the shower and I took

1181

01:00:11,499 --> 01:00:09,859

all my clothes off my shoes and climbed

1182

01:00:14,200 --> 01:00:11,509

in the shot and I poured this bleach

1183

01:00:18,839 --> 01:00:14,210

over the top of my head just rubbed it

1184

01:00:21,759 --> 01:00:18,849

in then I washed it off cuz in my mind I

1185

01:00:24,789 --> 01:00:21,769

was still thinking about these Apollo

1186

01:00:27,549 --> 01:00:24,799

POW that Apollo mission where they

1187

01:00:28,130 --> 01:00:27,559

quarantined the whole crew for seven

1188

01:00:30,680 --> 01:00:28,140

days

1189

01:00:33,890 --> 01:00:30,690

so and I didn't want to give nobody

1190

01:00:36,980 --> 01:00:33,900

nothing I didn't want to share whatever

1191

01:00:38,870 --> 01:00:36,990

they might have done to me with him so

1192

01:00:42,050 --> 01:00:38,880

then when I got out of the shower shower

1193

01:00:45,380 --> 01:00:42,060

we had paper bags back in and not

1194

01:00:47,780 --> 01:00:45,390

plastic ones I went got a paper bag and

1195

01:00:50,450 --> 01:00:47,790

I put all my clothes and there even my

1196

01:00:54,410 --> 01:00:50,460

shoes that everything in there and I

1197

01:00:56,870 --> 01:00:54,420

carried them to the dumpster outside and

1198

01:01:00,050 --> 01:00:56,880

I throw them in that dumpster well I

1199

01:01:02,660 --> 01:01:00,060

went back in and laid down and thought I

1200

01:01:05,060 --> 01:01:02,670

was gonna try to sleep some but I

1201
01:01:08,120 --> 01:01:05,070
couldn't sleep you know I was just keyed

1202
01:01:11,600 --> 01:01:08,130
up from wanting to happen trying to

1203
01:01:14,540 --> 01:01:11,610
figure out what did happen and because

1204
01:01:17,360 --> 01:01:14,550
that the moment you know somebody told

1205
01:01:19,550 --> 01:01:17,370
me aliens come down and dust me I would

1206
01:01:21,290 --> 01:01:19,560
I would have laughed at them you know I

1207
01:01:25,760 --> 01:01:21,300
wouldn't tell them now that that ain't

1208
01:01:29,780 --> 01:01:25,770
what happened but you know something did

1209
01:01:35,270 --> 01:01:29,790
happen and we got up the next morning

1210
01:01:37,670 --> 01:01:35,280
early and then Charlie left going to

1211
01:01:39,200 --> 01:01:37,680
work with old car was still running a

1212
01:01:42,530 --> 01:01:39,210
little bit rough you know because I

1213
01:01:46,010 --> 01:01:42,540

hadn't fixed it from that night and we

1214

01:01:48,710 --> 01:01:46,020

got to the shipyard not take it for

1215

01:01:51,620 --> 01:01:48,720

granted this is just my second day there

1216

01:01:53,600 --> 01:01:51,630

so I don't I didn't have no idea how

1217

01:01:56,780 --> 01:01:53,610

many cars was supposed to be at the

1218

01:01:59,060 --> 01:01:56,790

shipyard but it was hunters and the

1219

01:02:01,790 --> 01:01:59,070

roads was even blocked going into this

1220

01:02:04,940 --> 01:02:01,800

place and I thought dang they got a lot

1221

01:02:07,970 --> 01:02:04,950

of people working here right what we got

1222

01:02:10,520 --> 01:02:07,980

out and brass tin went to old

1223

01:02:12,680 --> 01:02:10,530

workstations and then we heard her names

1224

01:02:17,900 --> 01:02:12,690

called on the intercom to come to the

1225

01:02:20,980 --> 01:02:17,910

office well of course I didn't know what

1226

01:02:23,840 --> 01:02:20,990

was going on but we did we went to vo

1227

01:02:27,110 --> 01:02:23,850

walked up went into the office and the

1228

01:02:31,700 --> 01:02:27,120

owner of the shipyard was there he said

1229

01:02:34,130 --> 01:02:31,710

y'all had to do something I said I was

1230

01:02:36,500 --> 01:02:34,140

trying to work what in the world you

1231

01:02:40,220 --> 01:02:36,510

want us to do he said y'all got to do a

1232

01:02:42,230 --> 01:02:40,230

press release because we can't use our

1233

01:02:46,610 --> 01:02:42,240

phones we can't conduct me

1234

01:02:49,070 --> 01:02:46,620

they've got my business shut down I said

1235

01:02:52,220 --> 01:02:49,080

that who is they he said to press from

1236

01:02:54,530 --> 01:02:52,230

whatever happened to y'all I have an

1237

01:02:57,590 --> 01:02:54,540

attorney it's what he said for the

1238

01:03:00,500 --> 01:02:57,600

shipyard I'm calling him right now I

1239

01:03:03,710 --> 01:03:00,510

want y'all to sit down and talk to him

1240

01:03:05,990 --> 01:03:03,720

we'll work up a press release and give

1241

01:03:07,790 --> 01:03:06,000

it to this guy and he's gonna give a

1242

01:03:12,020 --> 01:03:07,800

press release and get these people off

1243

01:03:16,940 --> 01:03:12,030

our back so he called his attorney in

1244

01:03:19,310 --> 01:03:16,950

and Charlie talk to him I still will

1245

01:03:21,470 --> 01:03:19,320

stay with my story I didn't say nothing

1246

01:03:23,000 --> 01:03:21,480

right right you know I figured if

1247

01:03:24,650 --> 01:03:23,010

everybody was gonna be an idiot that's

1248

01:03:30,740 --> 01:03:24,660

gonna make Charlie look like I did

1249

01:03:33,050 --> 01:03:30,750

mmm-hmm so uh any how they worked up a

1250

01:03:37,390 --> 01:03:33,060

press release well about that time the

1251

01:03:42,350 --> 01:03:37,400

sheriff showed up he said look guys I

1252

01:03:44,720 --> 01:03:42,360

got thinking about what you said and I

1253

01:03:48,110 --> 01:03:44,730

must have said this in this tape I was

1254

01:03:49,850 --> 01:03:48,120

concerned about when I was talking to

1255

01:03:52,400 --> 01:03:49,860

Charlie under this tape

1256

01:03:56,840 --> 01:03:52,410

you know I was kind of concerned about

1257

01:03:59,210 --> 01:03:56,850

everybody getting bacterial infection

1258

01:04:01,340 --> 01:03:59,220

you know he said I think we need to take

1259

01:04:04,220 --> 01:04:01,350

out to the emergency room get you

1260

01:04:05,140 --> 01:04:04,230

examined I'll get you a clean bill of

1261

01:04:08,540 --> 01:04:05,150

health

1262

01:04:11,870 --> 01:04:08,550

well we've loaded up with a sheriff you

1263

01:04:14,350 --> 01:04:11,880

know one of his deputies they drove was

1264

01:04:18,620 --> 01:04:14,360

to the Jackson County Oh

1265

01:04:20,630 --> 01:04:18,630

Sandeen River Hospital and I won't never

1266

01:04:23,090 --> 01:04:20,640

forget that day because actually I was

1267

01:04:27,440 --> 01:04:23,100

glad to be in a hospital for a little

1268

01:04:31,100 --> 01:04:27,450

bit and dr. Bosco was the doctor to come

1269

01:04:34,520 --> 01:04:31,110

out he examined our arms where these

1270

01:04:38,480 --> 01:04:34,530

puncher wounds was he did blood work he

1271

01:04:40,370 --> 01:04:38,490

did all I guess forensic stuff scraped

1272

01:04:43,520 --> 01:04:40,380

their skin and things like that

1273

01:04:46,850 --> 01:04:43,530

they said y'all safe to go it's a

1274

01:04:50,180 --> 01:04:46,860

younger one we walk back out and got

1275

01:04:51,830 --> 01:04:50,190

into the car and he said now we're going

1276

01:04:55,070 --> 01:04:51,840

to kiss or two just y'all check for

1277

01:04:55,370 --> 01:04:55,080

radiation Keesler Air Force bases and

1278

01:04:58,099 --> 01:04:55,380

below

1279

01:05:01,370 --> 01:04:58,109

to Mississippi and that was the only

1280

01:05:05,990 --> 01:05:01,380

place I guess they could check us so

1281

01:05:09,289 --> 01:05:06,000

wolde we we was driving it's about 30

1282

01:05:11,450 --> 01:05:09,299

minutes from all the world this car

1283

01:05:12,910 --> 01:05:11,460

turned on the blue lights and buddy he

1284

01:05:16,249 --> 01:05:12,920

was going hmm

1285

01:05:19,759 --> 01:05:16,259

and I had him kind of worried and I said

1286

01:05:21,319 --> 01:05:19,769

you know my father used to work when I

1287

01:05:24,529 --> 01:05:21,329

found out was going to get checked for

1288

01:05:26,809 --> 01:05:24,539

radiation endo I said my father work for

1289

01:05:27,440 --> 01:05:26,819

the Atomic Energy Commission out at

1290

01:05:30,680 --> 01:05:27,450

Groom Lake

1291

01:05:34,249 --> 01:05:30,690

that's area 51 they exploded these

1292

01:05:37,130 --> 01:05:34,259

nuclear bombs underground and I remember

1293

01:05:39,200 --> 01:05:37,140

him having to wear a badge and they

1294

01:05:43,759 --> 01:05:39,210

would come in our house every night and

1295

01:05:45,980 --> 01:05:43,769

check us also as as a kid for radiation

1296

01:05:47,960 --> 01:05:45,990

I said you know that's some bad stuff

1297

01:05:48,620 --> 01:05:47,970

it'd probably kill everybody around it

1298

01:05:50,900 --> 01:05:48,630

immensely

1299

01:05:54,710 --> 01:05:50,910

well that just kind of scared that

1300

01:05:58,339 --> 01:05:54,720

deputy and he zoomed oh man right right

1301

01:06:00,140 --> 01:05:58,349

was that Calvin let me stop you right

1302

01:06:02,779 --> 01:06:00,150

there for a second when you when you

1303

01:06:04,400 --> 01:06:02,789

first got to the shipyard you said that

1304

01:06:06,829 --> 01:06:04,410

there was a whole lot of cut was that

1305

01:06:09,499 --> 01:06:06,839

the press was that what was at the

1306

01:06:12,079 --> 01:06:09,509

shipyard was that action you know from

1307

01:06:15,230 --> 01:06:12,089

the press and the media that was the

1308

01:06:16,279 --> 01:06:15,240

preyas and I've never seen something go

1309

01:06:18,049 --> 01:06:16,289

out that fast

1310

01:06:21,680 --> 01:06:18,059

Wow now I don't know how they got the

1311

01:06:24,589 --> 01:06:21,690

story melted yeah who leaked it well I

1312

01:06:26,390 --> 01:06:24,599

eventually figured it out later on the

1313

01:06:28,730 --> 01:06:26,400

sheriff said he didn't tell nobody

1314

01:06:31,339 --> 01:06:28,740

and for years I thought Charlie didn't I

1315

01:06:35,059 --> 01:06:31,349

wouldn't he talked to Charlie after this

1316

01:06:38,120 --> 01:06:35,069

bud back in the seventies everybody was

1317

01:06:40,130 --> 01:06:38,130

nosy and they had these scanners will

1318

01:06:43,220 --> 01:06:40,140

handheld scanners they'd carry around

1319

01:06:45,380 --> 01:06:43,230

and then monitor the police department

1320

01:06:48,230 --> 01:06:45,390

and then monitor fire department in the

1321

01:06:50,269 --> 01:06:48,240

ambulances because I just pure dozy and

1322

01:06:52,460 --> 01:06:50,279

I'm sure that one day Oh shucks

1323

01:06:54,289 --> 01:06:52,470

Department called that in somebody

1324

01:06:56,720 --> 01:06:54,299

probably picked it up on one of those

1325

01:07:00,349 --> 01:06:56,730

scanners so you'd think that over the

1326

01:07:04,670 --> 01:07:00,359

scanners somebody said alien abduction

1327

01:07:08,299 --> 01:07:04,680

at Shaw's shipyard yes sir that's what I

1328

01:07:09,360 --> 01:07:08,309

think happened and when they did they

1329

01:07:11,340 --> 01:07:09,370

got

1330

01:07:14,730 --> 01:07:11,350

and you know how the prayer see as they

1331

01:07:17,250 --> 01:07:14,740

like magnets to a piece of metal when

1332

01:07:22,170 --> 01:07:17,260

you when one of them gets on something

1333

01:07:24,210 --> 01:07:22,180

they y'all on it and and I just figured

1334

01:07:25,980 --> 01:07:24,220

that that's what happened now I don't

1335

01:07:29,340 --> 01:07:25,990

know for sure that's the way I got laid

1336

01:07:32,310 --> 01:07:29,350

out but I don't think you Sheriff didn't

1337

01:07:35,510 --> 01:07:32,320

you know and I blame Charlie for a long

1338

01:07:38,040 --> 01:07:35,520

time for even telling colonists all

1339

01:07:39,480 --> 01:07:38,050

Keesler and Sheriff Department right

1340

01:07:43,350 --> 01:07:39,490

right right well see them the other

1341

01:07:45,300 --> 01:07:43,360

thing you know you know the local

1342

01:07:47,910 --> 01:07:45,310

newspapers and television stations

1343

01:07:50,790 --> 01:07:47,920

there's always somebody listening to the

1344

01:07:54,000 --> 01:07:50,800

police counters right and so once the

1345

01:07:56,220 --> 01:07:54,010

media even got a whiff of it it that's

1346

01:07:57,900 --> 01:07:56,230

it it's just gonna go crazy from there

1347

01:08:01,650 --> 01:07:57,910

and that's exactly what happened wasn't

1348

01:08:03,840 --> 01:08:01,660

it that's exactly what happened but you

1349

01:08:06,990 --> 01:08:03,850

know I feared it was kinda like Oh

1350

01:08:09,270 --> 01:08:07,000

anything else you know everybody wants

1351
01:08:12,060 --> 01:08:09,280
to five minutes and then it's over with

1352
01:08:15,600 --> 01:08:12,070
you never hear about it again write this

1353
01:08:18,960 --> 01:08:15,610
story live it's still alive after 46

1354
01:08:21,059 --> 01:08:18,970
year 45 years and it just keeps getting

1355
01:08:22,740 --> 01:08:21,069
bigger and bigger and bigger but now

1356
01:08:26,040 --> 01:08:22,750
that it's getting bigger it's my fault

1357
01:08:27,960 --> 01:08:26,050
that it is you use I'm not attention to

1358
01:08:31,110 --> 01:08:27,970
it what you needed to tell your story

1359
01:08:33,240 --> 01:08:31,120
man you needed to do it and and speaking

1360
01:08:35,960 --> 01:08:33,250
of that let's get back into the car okay

1361
01:08:39,300 --> 01:08:35,970
so you guys are heading over to Biloxi

1362
01:08:41,960 --> 01:08:39,310
we went right in they never even stopped

1363
01:08:45,980 --> 01:08:41,970

when we got to the gates occasionally

1364

01:08:50,610 --> 01:08:45,990

they had an LPS cortisone to the back

1365

01:08:53,160 --> 01:08:50,620

and though I noticed the six men sitting

1366

01:08:56,250 --> 01:08:53,170

that turned hands medicine soon excuse

1367

01:08:59,370 --> 01:08:56,260

me we pulled up and they were some guys

1368

01:09:02,790 --> 01:08:59,380

in hazmat suits back there and they

1369

01:09:04,590 --> 01:09:02,800

motioned just get out of car and the

1370

01:09:06,540 --> 01:09:04,600

sheriff and the deputy was gonna get

1371

01:09:11,160 --> 01:09:06,550

also get out of the car they pushed them

1372

01:09:14,099 --> 01:09:11,170

back in it got us up on the loading ramp

1373

01:09:15,870 --> 01:09:14,109

like at a warehouse and they started

1374

01:09:17,970 --> 01:09:15,880

running things around her body and

1375

01:09:22,840 --> 01:09:17,980

checking us then I heard one of them say

1376

01:09:24,520 --> 01:09:22,850

y'all clear and they also

1377

01:09:27,720 --> 01:09:24,530

be pulling their suits off and they said

1378

01:09:30,280 --> 01:09:27,730

now look they want to talk to you

1379

01:09:33,040 --> 01:09:30,290

there's a conference room in the back of

1380

01:09:37,150 --> 01:09:33,050

this hall and they want to see y'all

1381

01:09:40,480 --> 01:09:37,160

back there now when they said in the

1382

01:09:42,780 --> 01:09:40,490

back of the hall I got a lot of exercise

1383

01:09:46,780 --> 01:09:42,790

that night walking it was the longest

1384

01:09:48,580 --> 01:09:46,790

haul I've ever seen in my life and we

1385

01:09:54,690 --> 01:09:48,590

got back there and there was a big

1386

01:09:58,000 --> 01:09:54,700

conference room and it was full of all

1387

01:10:00,040 --> 01:09:58,010

officials military officials they had

1388

01:10:03,910 --> 01:10:00,050

all the mayor's in the local three

1389

01:10:05,470 --> 01:10:03,920

counties you know cities they had the

1390

01:10:07,210 --> 01:10:05,480

police departments and Sheriff

1391

01:10:11,110 --> 01:10:07,220

department's from each County

1392

01:10:13,780 --> 01:10:11,120

and it was full and they started

1393

01:10:15,790 --> 01:10:13,790

interrogating us are not really an

1394

01:10:18,970 --> 01:10:15,800

interrogation wanting to know what had

1395

01:10:21,220 --> 01:10:18,980

happened and they asked me I said well

1396

01:10:24,340 --> 01:10:21,230

y'all better talk to Charlie this is his

1397

01:10:31,320 --> 01:10:24,350

baby down you know I don't know anything

1398

01:10:34,870 --> 01:10:31,330

and ice tried to stay by the story so

1399

01:10:38,020 --> 01:10:34,880

Charlie told him what happened and they

1400

01:10:41,880 --> 01:10:38,030

was really nice I said well thank y'all

1401

01:10:45,580 --> 01:10:41,890

and we'll see you later

1402

01:10:49,150 --> 01:10:45,590

so y'all can go and we left and we went

1403

01:10:52,990 --> 01:10:49,160

back to the ship yard now by the time we

1404

01:10:56,680 --> 01:10:53,000

got back to the ship yard dr. John Allen

1405

01:10:59,890 --> 01:10:56,690

Hynek and dr. Harley was there and I

1406

01:11:02,350 --> 01:10:59,900

asked his son Paul the other day I seen

1407

01:11:06,070 --> 01:11:02,360

him at a conference in no faintings

1408

01:11:08,920 --> 01:11:06,080

I said do you know how that man got to

1409

01:11:13,990 --> 01:11:08,930

will we work that fast I said you not to

1410

01:11:16,150 --> 01:11:14,000

have a rocket in order to get back then

1411

01:11:21,340 --> 01:11:16,160

from wherever y'all lived he said

1412

01:11:24,250 --> 01:11:21,350

California to all who we are now I said

1413

01:11:27,160 --> 01:11:24,260

that's amazing to me how he got there

1414

01:11:29,340 --> 01:11:27,170

that fast he said well he had to be some

1415

01:11:32,170 --> 01:11:29,350

world without working but you know

1416

01:11:35,080 --> 01:11:32,180

Project Blue Book was already over with

1417

01:11:35,910 --> 01:11:35,090

right and he he flew down on his own

1418

01:11:39,900 --> 01:11:35,920

dime

1419

01:11:43,229 --> 01:11:39,910

him and dr. John Island harder so well

1420

01:11:45,600 --> 01:11:43,239

we got back to the shipyard he said I

1421

01:11:48,620 --> 01:11:45,610

know y'all tired I want you to have a

1422

01:11:51,150 --> 01:11:48,630

clear mind exactly where did this happen

1423

01:11:53,580 --> 01:11:51,160

I'm going out to look at the side

1424

01:11:55,530 --> 01:11:53,590

tonight and I want to talk to y'all

1425

01:11:57,870 --> 01:11:55,540

we're in the morning now my plans

1426

01:12:02,040 --> 01:11:57,880

wanting to talk to nobody and I had no

1427

01:12:05,760 --> 01:12:02,050

idea who he was right and hold on four

1428

01:12:07,590 --> 01:12:05,770

let's pump the brakes for a second this

1429

01:12:09,720 --> 01:12:07,600

is a whole lot for me to take in let

1430

01:12:13,530 --> 01:12:09,730

alone for you at the age of 18 right

1431

01:12:18,840 --> 01:12:13,540

this is this is this is a lot of events

1432

01:12:21,030 --> 01:12:18,850

unfolding the night before you this

1433

01:12:23,490 --> 01:12:21,040

abduction happened this is the next day

1434

01:12:24,810 --> 01:12:23,500

you wake up you go to work the press are

1435

01:12:28,650 --> 01:12:24,820

there you got to make a press release

1436

01:12:30,780 --> 01:12:28,660

with this attorney then you guys go to

1437

01:12:33,630 --> 01:12:30,790

the hospital then you guys make it over

1438

01:12:36,090 --> 01:12:33,640

to Biloxi now you get back to the

1439

01:12:38,939 --> 01:12:36,100

shipyard this is all the next day and

1440

01:12:39,330 --> 01:12:38,949

and and J Allen Hynek is there to meet

1441

01:12:42,450 --> 01:12:39,340

you

1442

01:12:46,439 --> 01:12:42,460

the very next day I mean he's there in

1443

01:12:49,050 --> 01:12:46,449

person holy mackerel and like I say I

1444

01:12:51,390 --> 01:12:49,060

saved his son I thought hey Micah tell

1445

01:12:53,280 --> 01:12:51,400

me you you know how you got there that

1446

01:12:55,800 --> 01:12:53,290

quick but he didn't know Wow

1447

01:12:58,709 --> 01:12:55,810

so this is all the next day and and and

1448

01:13:02,850 --> 01:12:58,719

looking back now you know who J Allen

1449

01:13:06,150 --> 01:13:02,860

Hynek is so now you know how remarkable

1450

01:13:08,390 --> 01:13:06,160

and important this is if he's at he's

1451
01:13:10,650 --> 01:13:08,400
already there to greet you guys was he

1452
01:13:14,760 --> 01:13:10,660
he's pretty cool wasn't he

1453
01:13:17,070 --> 01:13:14,770
oh I like dr. honey and that's like I

1454
01:13:20,880 --> 01:13:17,080
told that summer's day there's did he

1455
01:13:22,950 --> 01:13:20,890
ever just put his hands under his chin

1456
01:13:26,580 --> 01:13:22,960
and set there stare at you like he was

1457
01:13:32,340 --> 01:13:26,590
looking through you and he said well

1458
01:13:34,680 --> 01:13:32,350
that's pretty typical so uh you know hey

1459
01:13:36,209 --> 01:13:34,690
and he told us he said I want to go out

1460
01:13:41,419 --> 01:13:36,219
and look at the site and I made talked

1461
01:13:44,880 --> 01:13:41,429
to some people and the sheriff actually

1462
01:13:46,470 --> 01:13:44,890
agreed to we'll take him out to where

1463
01:13:48,939 --> 01:13:46,480

everything was because he knew right

1464

01:13:53,500 --> 01:13:48,949

where everything was now

1465

01:13:55,360 --> 01:13:53,510

and showing the side he told us to be

1466

01:13:59,890 --> 01:13:55,370

nice just to go home and get some rest

1467

01:14:02,050 --> 01:13:59,900

that he wanted just rest it up so we did

1468

01:14:04,689 --> 01:14:02,060

that while he went to look at the side

1469

01:14:09,070 --> 01:14:04,699

we went home and I tried to get some

1470

01:14:11,620 --> 01:14:09,080

rest but at this time you know I was had

1471

01:14:15,189 --> 01:14:11,630

my family because I knew the news media

1472

01:14:18,790 --> 01:14:15,199

was there I had them to worry about and

1473

01:14:21,130 --> 01:14:18,800

I didn't call them I had all I was

1474

01:14:25,120 --> 01:14:21,140

engaged to get married make the next

1475

01:14:26,800 --> 01:14:25,130

month I didn't tell her I was just

1476

01:14:28,959 --> 01:14:26,810

sitting there waiting everything out

1477

01:14:31,689 --> 01:14:28,969

because what did you say to somebody

1478

01:14:35,020 --> 01:14:31,699

when you get him on the phone the reason

1479

01:14:37,840 --> 01:14:35,030

I didn't call was because I didn't want

1480

01:14:39,550 --> 01:14:37,850

to alarm him and I figured I thought as

1481

01:14:42,780 --> 01:14:39,560

long as they didn't hear from me that

1482

01:14:48,850 --> 01:14:42,790

would wouldn't be much said about it

1483

01:14:51,810 --> 01:14:48,860

but uh we went home and supposedly out I

1484

01:14:55,300 --> 01:14:51,820

did try to set them made a little bit

1485

01:14:58,030 --> 01:14:55,310

Charlie's wife had something cool got up

1486

01:15:01,479 --> 01:14:58,040

the next morning and I told my bag in

1487

01:15:04,330 --> 01:15:01,489

the trunk of my car and on the way into

1488

01:15:06,310 --> 01:15:04,340

work they had a little auto parts store

1489

01:15:10,979 --> 01:15:06,320

open I stopped and got some plug wires

1490

01:15:13,959 --> 01:15:10,989

and put on my car before I got to work

1491

01:15:17,169 --> 01:15:13,969

so we left pretty early and they opened

1492

01:15:19,840 --> 01:15:17,179

early so well we got there and sure

1493

01:15:24,370 --> 01:15:19,850

enough dr. Allen Hynek and dr. James

1494

01:15:26,680 --> 01:15:24,380

Horner was there and he pulled us in for

1495

01:15:29,260 --> 01:15:26,690

the interview and he was one of the

1496

01:15:32,740 --> 01:15:29,270

nicest man I've ever met you know I felt

1497

01:15:35,770 --> 01:15:32,750

comfortable talking to him because he

1498

01:15:39,400 --> 01:15:35,780

didn't try to rush you for questions or

1499

01:15:41,650 --> 01:15:39,410

anything he just just like set down like

1500

01:15:45,640 --> 01:15:41,660

you say we sat down on the couch talking

1501

01:15:48,189 --> 01:15:45,650

right and yeah I've had people described

1502

01:15:50,169 --> 01:15:48,199

a book that we've done it's like sitting

1503

01:15:52,390 --> 01:15:50,179

in a race not like a book it's like

1504

01:15:55,870 --> 01:15:52,400

sitting in the room and you tell us the

1505

01:15:59,380 --> 01:15:55,880

story so and that's kind of like it was

1506

01:16:01,180 --> 01:15:59,390

what about dr. Hynek so dr. Hynek

1507

01:16:02,620 --> 01:16:01,190

interviewed me first and we sit there

1508

01:16:05,080 --> 01:16:02,630

talk

1509

01:16:07,300 --> 01:16:05,090

a couple of hours probably and while he

1510

01:16:11,290 --> 01:16:07,310

was doing that dr. harder was in the bag

1511

01:16:14,110 --> 01:16:11,300

we're both Charlie giving him an exam

1512

01:16:18,640 --> 01:16:14,120

and then we just traded places Charlie

1513

01:16:20,500 --> 01:16:18,650

came up to see dr. Hynek and oh I went

1514

01:16:23,200 --> 01:16:20,510

back to see dr. harder and he checked

1515

01:16:26,710 --> 01:16:23,210

the injection sites where we got the

1516

01:16:31,960 --> 01:16:26,720

shots and all that then we got through

1517

01:16:34,810 --> 01:16:31,970

and he he asked me dr. Hynek did and the

1518

01:16:38,920 --> 01:16:34,820

sheriff's are watching them too I says

1519

01:16:42,910 --> 01:16:38,930

well I'm going back home I said this is

1520

01:16:45,640 --> 01:16:42,920

the first first day on the job I got

1521

01:16:47,950 --> 01:16:45,650

hired fired got a physical all in one

1522

01:16:50,650 --> 01:16:47,960

day right they don't they don't want us

1523

01:16:52,900 --> 01:16:50,660

here because we're too interrupting

1524

01:16:58,420 --> 01:16:52,910

their business cycle and I don't blame

1525

01:17:00,460 --> 01:16:58,430

them right so anyhow I had my clothes in

1526

01:17:03,220 --> 01:17:00,470

the car and I dropped Charlie off by his

1527

01:17:08,590 --> 01:17:03,230

house and I shagged out and went back in

1528

01:17:11,440 --> 01:17:08,600

the law and that's where I did and I

1529

01:17:13,240 --> 01:17:11,450

didn't talk to my family I didn't want

1530

01:17:15,760 --> 01:17:13,250

to say a word to him about it

1531

01:17:20,560 --> 01:17:15,770

they'd never asked me about it they knew

1532

01:17:24,370 --> 01:17:20,570

something was wrong but uh my mother and

1533

01:17:27,430 --> 01:17:24,380

my brother did called the sheriff and he

1534

01:17:32,650 --> 01:17:27,440

had told him that I was fine and kind of

1535

01:17:38,070 --> 01:17:32,660

what was going on so you know and he

1536

01:17:41,170 --> 01:17:38,080

didn't tell me they'd call but they all

1537

01:17:45,190 --> 01:17:41,180

they told me that he you know they had

1538

01:17:47,920 --> 01:17:45,200

told him so anyhow I got home I didn't

1539

01:17:52,240 --> 01:17:47,930

talk about this nobody tried to proceed

1540

01:17:54,430 --> 01:17:52,250

with a normal life well it was like the

1541

01:17:56,850 --> 01:17:54,440

press turned around turned over a bunch

1542

01:18:00,550 --> 01:17:56,860

of bloodhound dogs to hunt me down

1543

01:18:03,730 --> 01:18:00,560

because where I live then it was hard to

1544

01:18:06,340 --> 01:18:03,740

find I mean we was stuffed in the back

1545

01:18:08,800 --> 01:18:06,350

wheels Shack back home 200 acres laying

1546

01:18:13,600 --> 01:18:08,810

back there if we're nobody

1547

01:18:15,669 --> 01:18:13,610

rocking lost some time going in sure but

1548

01:18:22,120 --> 01:18:15,679

they hunted me down

1549

01:18:25,549 --> 01:18:22,130

so whoa I wouldn't talk to him and I

1550

01:18:27,469 --> 01:18:25,559

just couldn't bring myself you know to

1551

01:18:30,199 --> 01:18:27,479

talk to the press I didn't want nobody

1552

01:18:32,359 --> 01:18:30,209

to know because I was having a hard

1553

01:18:34,819 --> 01:18:32,369

enough time then dealing with everything

1554

01:18:37,069 --> 01:18:34,829

so I really didn't want nobody to know

1555

01:18:39,379 --> 01:18:37,079

what was going on I didn't want my

1556

01:18:42,319 --> 01:18:39,389

family to know why that won't my few

1557

01:18:44,709 --> 01:18:42,329

little friends that I had to know I mean

1558

01:18:48,529 --> 01:18:44,719

I just kind of kept it to myself

1559

01:18:50,870 --> 01:18:48,539

Calvin before we head to a break which

1560

01:18:53,929 --> 01:18:50,880

we got to do here in two minutes the bag

1561

01:18:56,899 --> 01:18:53,939

of clothes right that you put in the

1562

01:19:00,890 --> 01:18:56,909

paper bag and put in the dumpster yes

1563

01:19:02,509 --> 01:19:00,900

what what happened to those I guess the

1564

01:19:05,120 --> 01:19:02,519

trash man must have hauled them off

1565

01:19:07,100 --> 01:19:05,130

because I would have loved the head you

1566

01:19:10,399 --> 01:19:07,110

know back then they didn't have DNA but

1567

01:19:12,379 --> 01:19:10,409

now they have D and they right and I

1568

01:19:15,290 --> 01:19:12,389

would have loved to have them examined

1569

01:19:16,879 --> 01:19:15,300

by a true forensic scientist and they

1570

01:19:20,140 --> 01:19:16,889

might could have picked up something

1571

01:19:22,669 --> 01:19:20,150

yeah dr. Hynek should have should have

1572

01:19:26,750 --> 01:19:22,679

you didn't tell dr. Hynek where you put

1573

01:19:29,660 --> 01:19:26,760

the clothes no he's more interested in

1574

01:19:32,660 --> 01:19:29,670

what happened he actually went out to

1575

01:19:34,790 --> 01:19:32,670

the site that night talked to the bridge

1576

01:19:37,850 --> 01:19:34,800

tender when I got him awake now that

1577

01:19:42,979 --> 01:19:37,860

bridge tender he sits in a recliner we

1578

01:19:45,109 --> 01:19:42,989

was back to the Oh away from us and he

1579

01:19:47,629 --> 01:19:45,119

they had to wake him up to talk to him

1580

01:19:49,939 --> 01:19:47,639

as he beats anything because he had to

1581

01:19:53,540 --> 01:19:49,949

have the Border's job in the world so he

1582

01:19:55,279 --> 01:19:53,550

had a little TV in there sure and he was

1583

01:19:56,929 --> 01:19:55,289

sitting there watching it and they

1584

01:20:00,859 --> 01:19:56,939

weren't paying no attention to what was

1585

01:20:02,839 --> 01:20:00,869

going on behind and he more or less say

1586

01:20:04,879 --> 01:20:02,849

that we'll look you know I'll lay up

1587

01:20:07,790 --> 01:20:04,889

here and I take a nap some time and

1588

01:20:10,939 --> 01:20:07,800

they're called me on the radio or blow a

1589

01:20:14,859 --> 01:20:10,949

siren you know let the brilliant you let

1590

01:20:18,620 --> 01:20:14,869

everybody get by and then though

1591

01:20:20,500 --> 01:20:18,630

somebody said well a reporter for The

1592

01:20:24,500 --> 01:20:20,510

Rolling Stones says whoa

1593

01:20:27,199 --> 01:20:24,510

they got this shipyards they said they

1594

01:20:28,820 --> 01:20:27,209

didn't see nothing on the cameras I said

1595

01:20:30,740 --> 01:20:28,830

when you idiot they did

1596

01:20:33,590 --> 01:20:30,750

have cameras back in that was an

1597

01:20:35,390 --> 01:20:33,600

abandoned shipyard no they didn't see

1598

01:20:37,700 --> 01:20:35,400

nothing they don't even have electricity

1599

01:20:40,220 --> 01:20:37,710

in it right right

1600

01:20:42,680 --> 01:20:40,230

all it was was a little Shack out there

1601
01:20:44,960 --> 01:20:42,690
and you know it's just people reaching

1602
01:20:48,230 --> 01:20:44,970
their own conclusions about things and

1603
01:20:50,480 --> 01:20:48,240
to make kind of a long story short

1604
01:20:52,970 --> 01:20:50,490
that's what really turned me off to

1605
01:20:55,940 --> 01:20:52,980
talking about it if I could have got up

1606
01:20:58,790 --> 01:20:55,950
and told the story of one time and them

1607
01:21:02,330 --> 01:20:58,800
not changed nothing up or not trying to

1608
01:21:06,260 --> 01:21:02,340
back then they really tried to ridicule

1609
01:21:08,480 --> 01:21:06,270
pretty bad right I mean nowadays they

1610
01:21:11,750 --> 01:21:08,490
hammering you on Facebook pretty bad I

1611
01:21:15,620 --> 01:21:11,760
just don't say nothing most people those

1612
01:21:18,920 --> 01:21:15,630
pretty nice but you get some at all and

1613
01:21:20,930 --> 01:21:18,930

like I was there with you and say you

1614

01:21:23,480 --> 01:21:20,940

was home no for drinking and everything

1615

01:21:25,910 --> 01:21:23,490

else telling people don't no way from

1616

01:21:26,480 --> 01:21:25,920

nobody else they don't know what I was

1617

01:21:28,670 --> 01:21:26,490

doing

1618

01:21:31,010 --> 01:21:28,680

that's right that's right and and Calvin

1619

01:21:33,010 --> 01:21:31,020

stay right there let's take our next to

1620

01:21:36,020 --> 01:21:33,020

break our guest tonight Calvin Parker

1621

01:21:38,270 --> 01:21:36,030

whoo man I'm trying to take it all in

1622

01:21:41,840 --> 01:21:38,280

Calvin and we got we got a lot more to

1623

01:21:42,560 --> 01:21:41,850

talk about he'll continue all of it yeah

1624

01:21:44,090 --> 01:21:42,570

we do

1625

01:21:45,370 --> 01:21:44,100

right after this short break stay with

1626

01:22:03,740 --> 01:21:45,380

us

1627

01:22:06,330 --> 01:22:05,010

welcome back

1628

01:22:11,250 --> 01:22:06,340

fade to black I am your host Jimmy

1629

01:22:15,510 --> 01:22:11,260

Church amazing conversation tonight with

1630

01:22:20,520 --> 01:22:15,520

Calvin Parker amazing amazing and now

1631

01:22:21,810 --> 01:22:20,530

Calvin looking back you know for me you

1632

01:22:24,959 --> 01:22:21,820

know like I said I was about 10 years

1633

01:22:29,189 --> 01:22:24,969

old when I was exactly 10 it was my

1634

01:22:33,510 --> 01:22:29,199

birthday and this this unrolled and when

1635

01:22:35,790 --> 01:22:33,520

it did it was on the news every night

1636

01:22:37,050 --> 01:22:35,800

nationally I can't speak for around the

1637

01:22:40,680 --> 01:22:37,060

world but it was the same situation

1638

01:22:43,260 --> 01:22:40,690

going on every night for what seemed to

1639

01:22:45,060 --> 01:22:43,270

be months and of course Charles he's

1640

01:22:48,510 --> 01:22:45,070

doing I think he did The Tonight Show

1641

01:22:51,600 --> 01:22:48,520

didn't he he did with Johnny Carson he

1642

01:22:54,030 --> 01:22:51,610

certainly did and you were watching this

1643

01:22:56,520 --> 01:22:54,040

start to unfold right in front of you

1644

01:22:58,649 --> 01:22:56,530

the press finds your place you just

1645

01:23:03,510 --> 01:22:58,659

described it at the back of 200 acres

1646

01:23:07,640 --> 01:23:03,520

they start to converge how how did how

1647

01:23:11,250 --> 01:23:07,650

did it happen take me through it well

1648

01:23:13,590 --> 01:23:11,260

you know I was out of a job so I had to

1649

01:23:16,830 --> 01:23:13,600

find another job and the only thing I

1650

01:23:18,810 --> 01:23:16,840

knew besides that was the whole field so

1651

01:23:21,000 --> 01:23:18,820

I had some connections that go back to

1652

01:23:24,090 --> 01:23:21,010

work in the whole field and a good thing

1653

01:23:26,130 --> 01:23:24,100

about that you had to travel some time

1654

01:23:29,430 --> 01:23:26,140

and I was one of them and just

1655

01:23:34,229 --> 01:23:29,440

volunteered to travel so I just took my

1656

01:23:36,930 --> 01:23:34,239

little family up and went to work and we

1657

01:23:39,840 --> 01:23:36,940

worked all over the United States we

1658

01:23:42,930 --> 01:23:39,850

traveled a lot but they always seem to

1659

01:23:45,600 --> 01:23:42,940

show up and when they would you know I

1660

01:23:48,030 --> 01:23:45,610

changed jobs ain't no telling how many

1661

01:23:52,800 --> 01:23:48,040

different types of jobs I had there in

1662

01:23:58,500 --> 01:23:52,810

the past all I wanted to do was get

1663

01:24:02,640 --> 01:23:58,510

married have a family have grandchildren

1664

01:24:04,530 --> 01:24:02,650

buy a house and retire and that's all I

1665

01:24:08,520 --> 01:24:04,540

wanted that life I didn't want all this

1666

01:24:10,080 --> 01:24:08,530

extra burden around me and this worked

1667

01:24:13,220 --> 01:24:10,090

out pretty good

1668

01:24:15,540 --> 01:24:13,230

cuz I never talked about it to my family

1669

01:24:19,669 --> 01:24:15,550

not my wife not my

1670

01:24:24,479 --> 01:24:19,679

daughter not my friends and then one day

1671

01:24:28,500 --> 01:24:24,489

we were at the house and we bought a

1672

01:24:31,620 --> 01:24:28,510

house you know right right down for past

1673

01:24:34,830 --> 01:24:31,630

Magilla and live in a subdivision and

1674

01:24:36,209 --> 01:24:34,840

the people in the subdivision didn't

1675

01:24:38,990 --> 01:24:36,219

even know my real name because I

1676
01:24:43,770 --> 01:24:39,000
wouldn't never tell them you know they

1677
01:24:46,589 --> 01:24:43,780
I've heard so many how used until but

1678
01:24:48,780 --> 01:24:46,599
I've never told anybody my real name I

1679
01:24:53,310 --> 01:24:48,790
just kind of went by my middle name you

1680
01:24:59,640 --> 01:24:53,320
know and one day we had a neighbor dive

1681
01:25:03,899 --> 01:24:59,650
and out of compassion for his wife and

1682
01:25:05,520 --> 01:25:03,909
child we went to the wake and I signed a

1683
01:25:11,089 --> 01:25:05,530
register at the wake

1684
01:25:14,720 --> 01:25:11,099
with my real name so when I done that I

1685
01:25:17,729 --> 01:25:14,730
thought ah maybe nobody notice it

1686
01:25:19,260 --> 01:25:17,739
everybody had two or three people come

1687
01:25:22,399 --> 01:25:19,270
up that was they're from Texas

1688
01:25:25,169 --> 01:25:22,409

they said are you they Calvin Parker I

1689

01:25:28,500 --> 01:25:25,179

said they Calvin Parker I guess that's

1690

01:25:32,280 --> 01:25:28,510

my name why well we want to hear about

1691

01:25:33,540 --> 01:25:32,290

it with him when one or two got to

1692

01:25:36,930 --> 01:25:33,550

coming around now

1693

01:25:38,970 --> 01:25:36,940

Benton talked about it I said well you

1694

01:25:43,740 --> 01:25:38,980

know look this sitting a place to do

1695

01:25:45,870 --> 01:25:43,750

nothing like this tell my wife go get in

1696

01:25:49,229 --> 01:25:45,880

the truck we're gonna leave and go back

1697

01:25:52,080 --> 01:25:49,239

home because I don't want to draw

1698

01:25:55,200 --> 01:25:52,090

attention to us and his wife and

1699

01:25:57,629 --> 01:25:55,210

daughter and they're grieving right so

1700

01:26:03,049 --> 01:25:57,639

on the way home my wife says you know

1701
01:26:07,799 --> 01:26:03,059
now this was just last year you know I

1702
01:26:11,729 --> 01:26:07,809
forget what month it was but uh she said

1703
01:26:15,450 --> 01:26:11,739
why don't you write a book I said I

1704
01:26:18,000 --> 01:26:15,460
don't have an education I'm not gonna

1705
01:26:19,979 --> 01:26:18,010
write no book on this I've run from it

1706
01:26:23,459 --> 01:26:19,989
all my life and I don't need to be

1707
01:26:26,819 --> 01:26:23,469
writing the book then she mentioned it

1708
01:26:28,979 --> 01:26:26,829
again I said look you get a ghostwriter

1709
01:26:33,299 --> 01:26:28,989
and you won't tell them what to write

1710
01:26:34,979 --> 01:26:33,309
go ahead rowdy so wha but I knew that

1711
01:26:38,419 --> 01:26:34,989
one don't happen I'm just telling her

1712
01:26:40,410 --> 01:26:38,429
anything I could to get her to shut up

1713
01:26:43,620 --> 01:26:40,420

what's your wife's name

1714

01:26:45,569 --> 01:26:43,630

why are you no don't Dorothy wanted that

1715

01:26:47,120 --> 01:26:45,579

but we call her why me you call her why

1716

01:26:51,660 --> 01:26:47,130

not okay

1717

01:26:53,669 --> 01:26:51,670

did you through those 45 years did you

1718

01:26:56,189 --> 01:26:53,679

did you ever tell her the whole story

1719

01:26:59,370 --> 01:26:56,199

from beginning to end just sit down and

1720

01:27:02,549 --> 01:26:59,380

go okay this is what happened no never

1721

01:27:04,410 --> 01:27:02,559

did they ever mention it it costs a lot

1722

01:27:08,220 --> 01:27:04,420

of hard feelings because I wouldn't talk

1723

01:27:14,339 --> 01:27:08,230

about it but back then I when we got

1724

01:27:16,439 --> 01:27:14,349

married I was 18 she was 16 mm-hmm you

1725

01:27:19,200 --> 01:27:16,449

know her daily pretty much a basket case

1726

01:27:21,000 --> 01:27:19,210

when it came to me anyway so I didn't

1727

01:27:22,979 --> 01:27:21,010

feel like I needed to expose her to

1728

01:27:26,220 --> 01:27:22,989

anything that she didn't need to be

1729

01:27:29,580 --> 01:27:26,230

exposed to but she didn't know she just

1730

01:27:32,339 --> 01:27:29,590

didn't ask she didn't know she did out

1731

01:27:35,100 --> 01:27:32,349

of respect for me what I found out she

1732

01:27:38,700 --> 01:27:35,110

you know she just didn't ask about it

1733

01:27:42,479 --> 01:27:38,710

now what about okay but you had to deal

1734

01:27:44,609 --> 01:27:42,489

with with Charles right Charles is out

1735

01:27:47,220 --> 01:27:44,619

there soon TV shows he's doing press

1736

01:27:49,739 --> 01:27:47,230

he's doing the news he's he's in the

1737

01:27:51,689 --> 01:27:49,749

paper he's on the cover of The Enquirer

1738

01:27:52,109 --> 01:27:51,699

for a couple of years you know what I

1739

01:27:54,600 --> 01:27:52,119

mean

1740

01:27:55,919 --> 01:27:54,610

that must have gone everywhere for you

1741

01:28:00,870 --> 01:27:55,929

every time he turned around there was

1742

01:28:05,220 --> 01:28:00,880

Charles Hickson yeah I know he oh and

1743

01:28:07,020 --> 01:28:05,230

that really that really maybe man cuz he

1744

01:28:11,819 --> 01:28:07,030

was the one that actually kept this

1745

01:28:13,680 --> 01:28:11,829

thing alive for a long time and me and

1746

01:28:16,529 --> 01:28:13,690

Charlie had a falling out over this

1747

01:28:19,140 --> 01:28:16,539

whole deal because I didn't feel like it

1748

01:28:23,700 --> 01:28:19,150

was nobody else's business at at that

1749

01:28:25,830 --> 01:28:23,710

time and he wanted to talk about it but

1750

01:28:30,390 --> 01:28:25,840

I guess different people handle things a

1751
01:28:32,310 --> 01:28:30,400
little different and you know he handled

1752
01:28:35,189 --> 01:28:32,320
it by going out into the public and

1753
01:28:38,129 --> 01:28:35,199
talking and now that he did it I'm glad

1754
01:28:41,129 --> 01:28:38,139
he did you know I could understand

1755
01:28:42,280 --> 01:28:41,139
because he did kind of keep it alive and

1756
01:28:46,050 --> 01:28:42,290
I'm at a point in my

1757
01:28:52,510 --> 01:28:46,060
life to deal with it a little better the

1758
01:28:55,420 --> 01:28:52,520
the story that he went out and I want to

1759
01:28:59,380 --> 01:28:55,430
get to today that's so we'll do that in

1760
01:29:03,640 --> 01:28:59,390
just a second but the way that he retold

1761
01:29:05,860 --> 01:29:03,650
it and recounted it do you feel was it

1762
01:29:08,380 --> 01:29:05,870
was he accurate did he embellish did he

1763
01:29:12,630 --> 01:29:08,390

change it or or was it pretty much

1764

01:29:15,730 --> 01:29:12,640

exactly how it went down well you know I

1765

01:29:16,300 --> 01:29:15,740

had this conversation with Phil at one

1766

01:29:18,790 --> 01:29:16,310

time

1767

01:29:21,580 --> 01:29:18,800

he's pretty accurate with the way it

1768

01:29:24,370 --> 01:29:21,590

went down but he kind of embellished it

1769

01:29:27,820 --> 01:29:24,380

a little bit and you know he said he

1770

01:29:30,220 --> 01:29:27,830

found a rock that he rubbed and anytime

1771

01:29:34,360 --> 01:29:30,230

he wanted to do or talk to me they would

1772

01:29:36,280 --> 01:29:34,370

come and talk to him and you know he did

1773

01:29:38,140 --> 01:29:36,290

find the rock but I was with him when he

1774

01:29:40,120 --> 01:29:38,150

found that rock it was just a pretty

1775

01:29:42,580 --> 01:29:40,130

rock laying on the ground I found a

1776

01:29:45,430 --> 01:29:42,590

riverbed and he picked it up in this

1777

01:29:48,790 --> 01:29:45,440

pocket so he embellished a little bit of

1778

01:29:51,430 --> 01:29:48,800

it and I don't know it was starting to

1779

01:29:53,650 --> 01:29:51,440

go to his head or what it was but he

1780

01:29:57,640 --> 01:29:53,660

stayed pretty honest to what really

1781

01:30:01,440 --> 01:29:57,650

happened and and now how about you let's

1782

01:30:05,560 --> 01:30:01,450

talk about you over these last 45 years

1783

01:30:08,110 --> 01:30:05,570

did you ever make contact again I did

1784

01:30:13,650 --> 01:30:08,120

what happened when did it happen with

1785

01:30:18,040 --> 01:30:13,660

the first time 1993 ninety three twenty

1786

01:30:25,930 --> 01:30:18,050

twenty years later okay hey oh my this

1787

01:30:29,260 --> 01:30:25,940

was all May in 93 and actually what had

1788

01:30:32,260 --> 01:30:29,270

happened I got up and told my wife I

1789

01:30:35,860 --> 01:30:32,270

said look I'm gonna go fishing I'll be

1790

01:30:37,930 --> 01:30:35,870

back before dark cuz you know since 73 I

1791

01:30:40,450 --> 01:30:37,940

didn't stay out there not too much by

1792

01:30:42,330 --> 01:30:40,460

myself no I start going to the islands

1793

01:30:45,580 --> 01:30:42,340

and I'll be back before dark

1794

01:30:49,180 --> 01:30:45,590

well I scooted off it's about a six mile

1795

01:30:50,950 --> 01:30:49,190

run to the island and when I turn I was

1796

01:30:52,840 --> 01:30:50,960

getting ready to fish now this is where

1797

01:30:55,000 --> 01:30:52,850

the baloney sandwich comes in that I

1798

01:30:59,380 --> 01:30:55,010

told you change to a blondie sandwich

1799

01:31:02,910 --> 01:30:59,390

right right and I was waiting on the

1800

01:31:06,270 --> 01:31:02,920

time so I got my lunch out and I laid it

1801
01:31:09,130 --> 01:31:06,280
for some reason I laid it down by me and

1802
01:31:11,200 --> 01:31:09,140
this is kind of funny he had come up I

1803
01:31:15,250 --> 01:31:11,210
just had recently had a hypnosis session

1804
01:31:18,460 --> 01:31:15,260
and you know it pulled some memories of

1805
01:31:21,760 --> 01:31:18,470
that lunch back out and I laid it there

1806
01:31:26,760 --> 01:31:21,770
and though I was laying on my back

1807
01:31:29,770 --> 01:31:26,770
looking up and there was a big cloud and

1808
01:31:32,460 --> 01:31:29,780
but you could see under this cloud the

1809
01:31:35,770 --> 01:31:32,470
bottom of what appeared to be a

1810
01:31:40,090 --> 01:31:35,780
spaceship and they sent me into this

1811
01:31:43,180 --> 01:31:40,100
thing and now at the time that this all

1812
01:31:44,250 --> 01:31:43,190
happened I didn't know where the time

1813
01:31:49,510 --> 01:31:44,260

went

1814

01:31:52,390 --> 01:31:49,520

and they pulled me up into this thing

1815

01:31:56,590 --> 01:31:52,400

and pretty much almost the same thing

1816

01:31:58,900 --> 01:31:56,600

and the same ones happened but I didn't

1817

01:32:01,030 --> 01:31:58,910

couldn't account for time from 11

1818

01:32:04,780 --> 01:32:01,040

o'clock that day to 3 o'clock the next

1819

01:32:07,930 --> 01:32:04,790

morning I got in the boat when I woke up

1820

01:32:10,570 --> 01:32:07,940

it was dark and I thought maybe I just

1821

01:32:13,120 --> 01:32:10,580

fell asleep but I didn't sleep from 11

1822

01:32:15,880 --> 01:32:13,130

o'clock that day to 3 the next morning I

1823

01:32:19,750 --> 01:32:15,890

run into my truck and when I took my

1824

01:32:23,470 --> 01:32:19,760

time it was 3 and I was bloody again I

1825

01:32:25,990 --> 01:32:23,480

had blood all over me well I was

1826

01:32:31,810 --> 01:32:26,000

bothering me so I had told a friend in

1827

01:32:35,979 --> 01:32:31,820

blue I got some time that I can't

1828

01:32:39,250 --> 01:32:35,989

account for while I was fishing and he

1829

01:32:41,580 --> 01:32:39,260

kept up he kind of kept up with Charlie

1830

01:32:44,140 --> 01:32:41,590

and his conferences and things like that

1831

01:32:47,680 --> 01:32:44,150

he said there's a man I want you to talk

1832

01:32:49,210 --> 01:32:47,690

to he wrote a book on missing time and I

1833

01:32:51,040 --> 01:32:49,220

said well who was that

1834

01:32:52,900 --> 01:32:51,050

he said Budd Hopkins well I didn't know

1835

01:32:55,630 --> 01:32:52,910

but Hawkins for me anybody

1836

01:32:58,840 --> 01:32:55,640

mmm-hmm he said he's speaking in Tampa

1837

01:33:01,229 --> 01:32:58,850

at a conference let's let's go over

1838

01:33:07,450 --> 01:33:01,239

there it's not a 12 hour ride let's go

1839

01:33:08,680 --> 01:33:07,460

so we went to Tampa Florida and got

1840

01:33:11,979 --> 01:33:08,690

there they went

1841

01:33:13,900 --> 01:33:11,989

his room I mean they went to the

1842

01:33:15,430 --> 01:33:13,910

conference I wouldn't go into conference

1843

01:33:18,459 --> 01:33:15,440

I didn't want to be recognized to

1844

01:33:23,050 --> 01:33:18,469

nothing it said that Calvin Parker wants

1845

01:33:25,360 --> 01:33:23,060

to talk to you and course bud he must

1846

01:33:28,900 --> 01:33:25,370

just lit up he's and here's my room key

1847

01:33:32,620 --> 01:33:28,910

I'll be done here in a few minutes so

1848

01:33:35,709 --> 01:33:32,630

Budd Hopkins told us to go to his room

1849

01:33:37,570 --> 01:33:35,719

we just wait on him and when he got to

1850

01:33:40,600 --> 01:33:37,580

the room of course I introduced myself

1851

01:33:43,600 --> 01:33:40,610

he introduced he is and again he was

1852

01:33:46,030 --> 01:33:43,610

kind of like dr. John Allen Hynek you

1853

01:33:49,300 --> 01:33:46,040

know I didn't know him from anybody nice

1854

01:33:50,610 --> 01:33:49,310

guy though Oh bugs a great guy buds a

1855

01:33:56,110 --> 01:33:50,620

great guy

1856

01:33:59,620 --> 01:33:56,120

and he said look Kevin can i hypnotize

1857

01:34:03,790 --> 01:33:59,630

you so well I don't know if you can or

1858

01:34:07,000 --> 01:34:03,800

not but uh why he said I want to see if

1859

01:34:10,180 --> 01:34:07,010

I could pull some details out pull some

1860

01:34:13,450 --> 01:34:10,190

bags out I said look there's only one

1861

01:34:15,610 --> 01:34:13,460

way I'm gonna agreed to this you don't

1862

01:34:17,860 --> 01:34:15,620

make an idiot out of me right I've been

1863

01:34:22,209 --> 01:34:17,870

to Las Vegas and I send these floors

1864

01:34:23,920 --> 01:34:22,219

shows you know where they hypnotize the

1865

01:34:26,110 --> 01:34:23,930

first three or four rows and they make

1866

01:34:27,250 --> 01:34:26,120

them do all kind of state making a bark

1867

01:34:29,290 --> 01:34:27,260

like a dog

1868

01:34:31,630 --> 01:34:29,300

yeah yeah yeah you don't want to do any

1869

01:34:33,520 --> 01:34:31,640

of that hey I had the same thing when it

1870

01:34:36,370 --> 01:34:33,530

comes to that kind of stuff Cal I'm

1871

01:34:40,120 --> 01:34:36,380

right with you I'm I was right there so

1872

01:34:42,490 --> 01:34:40,130

it was a so buds cool you know is and so

1873

01:34:46,240 --> 01:34:42,500

what happened right there in the room

1874

01:34:48,729 --> 01:34:46,250

huh oh right in the room so I agreed I

1875

01:34:51,820 --> 01:34:48,739

said no look but here's the deal there's

1876

01:34:54,340 --> 01:34:51,830

a ball back the trunk of my car and if

1877

01:34:56,709 --> 01:34:54,350

you make me do something stupid I'm

1878

01:34:58,330 --> 01:34:56,719

gonna tell this guy now I've never been

1879

01:35:00,880 --> 01:34:58,340

hypnotized I didn't know what it was

1880

01:35:02,950 --> 01:35:00,890

about I'm gonna get this guy to get this

1881

01:35:04,990 --> 01:35:02,960

ball back beat your brains out if he

1882

01:35:08,620 --> 01:35:05,000

didn't just hand it to me when I get up

1883

01:35:10,689 --> 01:35:08,630

and I'm gonna take the blame well that

1884

01:35:12,100 --> 01:35:10,699

kind of giggled and laughed a little bit

1885

01:35:15,930 --> 01:35:12,110

he said you don't have to worry about

1886

01:35:19,840 --> 01:35:15,940

nothing right on now what I didn't know

1887

01:35:23,010 --> 01:35:19,850

up until the day I wrote a book this was

1888

01:35:26,910 --> 01:35:23,020

a two-hour session over

1889

01:35:30,000 --> 01:35:26,920

and he had put a posthypnotic suggestion

1890

01:35:34,020 --> 01:35:30,010

in my head that I would remember this

1891

01:35:36,690 --> 01:35:34,030

until it was time to remember it now I

1892

01:35:39,150 --> 01:35:36,700

always thought being hypnotized was a

1893

01:35:41,730 --> 01:35:39,160

bunch of bull but it you know I was

1894

01:35:44,490 --> 01:35:41,740

actually hypnotized and when I did the

1895

01:35:44,850 --> 01:35:44,500

book I kind of mentioned to Philip you

1896

01:35:47,520 --> 01:35:44,860

know

1897

01:35:50,790 --> 01:35:47,530

well Budd Hopkins I meant but he said I

1898

01:35:53,040 --> 01:35:50,800

know but he's a personal friend I said

1899

01:35:55,980 --> 01:35:53,050

well he tried to hypnotize him he said

1900

01:35:59,730 --> 01:35:55,990

he did he said let me see if I could

1901

01:36:03,240 --> 01:35:59,740

find that tape so he called dr. Jacobs

1902

01:36:05,220 --> 01:36:03,250

of course Budd was dead then right dr.

1903

01:36:07,620 --> 01:36:05,230

Jacobs called me and asked if he could

1904

01:36:10,700 --> 01:36:07,630

send a tape I said sure is nothing on in

1905

01:36:18,720 --> 01:36:10,710

anyway you know I never was hypnotized

1906

01:36:21,930 --> 01:36:18,730

that's what you thought oh man okay so

1907

01:36:23,760 --> 01:36:21,940

David Jacobs sends you the tape yeah

1908

01:36:25,620 --> 01:36:23,770

well he said it straight into wall

1909

01:36:31,710 --> 01:36:25,630

Philip mantel right

1910

01:36:35,010 --> 01:36:31,720

well Philip started transcribing the

1911

01:36:37,770 --> 01:36:35,020

tape out writing it all down and it took

1912

01:36:41,550 --> 01:36:37,780

a while because I spoke a little softer

1913

01:36:45,150 --> 01:36:41,560

so dear bud when he emailed me a copy of

1914

01:36:46,920 --> 01:36:45,160

the transcripts by the computer and then

1915

01:36:52,530 --> 01:36:46,930

asked me to look at them to see if I

1916

01:36:55,500 --> 01:36:52,540

remember them I got into all the first

1917

01:36:57,000 --> 01:36:55,510

paragraph or two and then my memory

1918

01:36:59,310 --> 01:36:57,010

started coming back and I stopped

1919

01:37:03,240 --> 01:36:59,320

reading them because I didn't want

1920

01:37:05,460 --> 01:37:03,250

something in my mind that I didn't

1921

01:37:08,520 --> 01:37:05,470

remember happening or that wasn't there

1922

01:37:11,550 --> 01:37:08,530

and again like I say I met Burt Hawkins

1923

01:37:14,070 --> 01:37:11,560

one time he did this hypnosis session so

1924

01:37:19,440 --> 01:37:14,080

I didn't know the man I didn't trust the

1925

01:37:21,480 --> 01:37:19,450

man and start with but uh anyhow I

1926

01:37:24,870 --> 01:37:21,490

stopped reading it I went on the porch I

1927

01:37:26,400 --> 01:37:24,880

told my wife I said you know I wouldn't

1928

01:37:28,260 --> 01:37:26,410

let you come in a room over there

1929

01:37:30,600 --> 01:37:28,270

because I was trying to protect you I

1930

01:37:32,910 --> 01:37:30,610

said but now that we're doing this book

1931

01:37:37,140 --> 01:37:32,920

I want you to go back and read that and

1932

01:37:41,830 --> 01:37:37,150

as I remember something I'm going to

1933

01:37:45,189 --> 01:37:41,840

tell you about it and you tell me if

1934

01:37:45,990 --> 01:37:45,199

it's true or not I said I just want the

1935

01:37:50,680 --> 01:37:46,000

facts

1936

01:37:53,740 --> 01:37:50,690

so she came back she and she was back in

1937

01:37:56,680 --> 01:37:53,750

the ring quite a while in my office and

1938

01:38:00,790 --> 01:37:56,690

ready and come back up that she was

1939

01:38:03,399 --> 01:38:00,800

crying oh man yeah and she was really

1940

01:38:05,109 --> 01:38:03,409

upset about all of it was she kind of

1941

01:38:05,830 --> 01:38:05,119

shut down you know wouldn't talk about

1942

01:38:10,899 --> 01:38:05,840

it

1943

01:38:13,479 --> 01:38:10,909

had happened I had actually got into a

1944

01:38:14,020 --> 01:38:13,489

oh well I didn't read it my memory

1945

01:38:16,660 --> 01:38:14,030

started

1946

01:38:19,959 --> 01:38:16,670

Linda Moulton Howe did an interview with

1947

01:38:26,290 --> 01:38:19,969

me and she is a tough investigative

1948

01:38:28,209 --> 01:38:26,300

reporter and she pulled out stuff and

1949

01:38:32,709 --> 01:38:28,219

she jogged my memory with some things

1950

01:38:35,819 --> 01:38:32,719

that she was saying and it started

1951

01:38:39,010 --> 01:38:35,829

coming back just like watching the film

1952

01:38:40,930 --> 01:38:39,020

and trying to find out when I did get

1953

01:38:42,939 --> 01:38:40,940

down when I remembered as much as I

1954

01:38:45,040 --> 01:38:42,949

could remember and I read the

1955

01:38:48,069 --> 01:38:45,050

transcripts it was just like bud did

1956

01:38:50,740 --> 01:38:48,079

with a posthypnotic suggestion that when

1957

01:38:55,089 --> 01:38:50,750

I could handle it and could remember it

1958

01:38:57,339 --> 01:38:55,099

then my memory would come back and when

1959

01:39:02,470 --> 01:38:57,349

it started coming back as when I started

1960

01:39:04,990 --> 01:39:02,480

writing the book I said I'm Philip had

1961

01:39:08,200 --> 01:39:05,000

called me when my wife was on the writer

1962

01:39:09,819 --> 01:39:08,210

book and he said well you know you know

1963

01:39:12,669 --> 01:39:09,829

the press changes everything

1964

01:39:15,399 --> 01:39:12,679

one and he made a lot of sense when he

1965

01:39:16,060 --> 01:39:15,409

said this why don't you all put it in

1966

01:39:20,729 --> 01:39:16,070

black and white

1967

01:39:23,770 --> 01:39:20,739

and I can't change it that's your legacy

1968

01:39:29,020 --> 01:39:23,780

mm-hmm well that made a lot of sense

1969

01:39:30,879 --> 01:39:29,030

because the UFO subject was getting

1970

01:39:32,410 --> 01:39:30,889

pretty popular known I didn't figure

1971

01:39:35,350 --> 01:39:32,420

anybody think I was crazy

1972

01:39:39,040 --> 01:39:35,360

I was thinking that I didn't have too

1973

01:39:41,859 --> 01:39:39,050

much longer to live and I owed it to the

1974

01:39:44,770 --> 01:39:41,869

people in the community where I lived in

1975

01:39:47,799 --> 01:39:44,780

Jackson County past madula the Gulf

1976

01:39:49,990 --> 01:39:47,809

Coast and to my family to do a book I

1977

01:39:50,529 --> 01:39:50,000

said and I was thinking myself well what

1978

01:39:54,099 --> 01:39:50,539

harm

1979

01:39:56,919 --> 01:39:54,109

Kennedy do so I told Phillip I said look

1980

01:40:01,750 --> 01:39:56,929

Phillip I don't have the education to do

1981

01:40:03,789 --> 01:40:01,760

a book and if I do do one I don't want

1982

01:40:06,520 --> 01:40:03,799

nothing changed it I don't want the

1983

01:40:09,909 --> 01:40:06,530

spelling corrected I don't want a

1984

01:40:13,539 --> 01:40:09,919

punctuation mark put in I want it to be

1985

01:40:15,609 --> 01:40:13,549

me I want it to be in my words and he

1986

01:40:18,099 --> 01:40:15,619

agreed to do that and the man has stood

1987

01:40:20,259 --> 01:40:18,109

a hundred percent by his words yeah yeah

1988

01:40:24,549 --> 01:40:20,269

Philip is great and the book is great

1989

01:40:28,270 --> 01:40:24,559

it's a it's a great read and everybody

1990

01:40:29,679 --> 01:40:28,280

can just go to click on computer 2002 I

1991

01:40:32,579 --> 01:40:29,689

come right there with Calvin Parker and

1992

01:40:38,589 --> 01:40:32,589

go over and get yourself a copy of this

1993

01:40:42,369 --> 01:40:38,599

what I did want to ask you though and

1994

01:40:43,989 --> 01:40:42,379

now I it got away from me Calvin my next

1995

01:40:49,149 --> 01:40:43,999

question was the best one of the night

1996

01:40:58,359 --> 01:40:49,159

and it's now gone it just got away from

1997

01:41:02,109 --> 01:40:58,369

me but is oh oh oh okay so versus what

1998

01:41:05,770 --> 01:41:02,119

your wife read you know with Budd

1999

01:41:09,250 --> 01:41:05,780

Hopkins and your memory and this book

2000

01:41:15,489 --> 01:41:09,260

did you go back and and read buds

2001

01:41:18,759 --> 01:41:15,499

transcript yeah it was just because that

2002

01:41:23,289 --> 01:41:18,769

what making much sense to me when I did

2003

01:41:26,429 --> 01:41:23,299

read it but he had two separate events

2004

01:41:30,389 --> 01:41:26,439

put into one and it was rambled together

2005

01:41:35,099 --> 01:41:30,399

so that's when oh we got Kathleen

2006

01:41:38,139 --> 01:41:35,109

Kathleen Martin right to come down she

2007

01:41:41,139 --> 01:41:38,149

she just left here just for we did the

2008

01:41:46,239 --> 01:41:41,149

book and she did a three-hour hypnosis

2009

01:41:48,699 --> 01:41:46,249

session on me and try to unravel some of

2010

01:41:52,779 --> 01:41:48,709

the things that was rivaled in my memory

2011

01:41:56,349 --> 01:41:52,789

there so she separated dance dance and

2012

01:41:59,409 --> 01:41:56,359

she but it's been 73 and the one in 93

2013

01:42:02,169 --> 01:41:59,419

two different categories and she's

2014

01:42:03,860 --> 01:42:02,179

separating them all out and made

2015

01:42:08,000 --> 01:42:03,870

everything clear and

2016

01:42:08,990 --> 01:42:08,010

we found a lot of fact we did a lot of

2017

01:42:11,510 --> 01:42:09,000

fact hunting

2018

01:42:15,650 --> 01:42:11,520

she wouldn't lead you into a question

2019

01:42:18,260 --> 01:42:15,660

she would just say in what else or

2020

01:42:20,810 --> 01:42:18,270

something like that and she was great I

2021

01:42:23,930 --> 01:42:20,820

mean she took her time and did a great

2022

01:42:27,040 --> 01:42:23,940

job and really professional about it you

2023

01:42:31,250 --> 01:42:27,050

know and the only reason I would let her

2024

01:42:33,950 --> 01:42:31,260

even do that I met her at UFO Congress

2025

01:42:36,710 --> 01:42:33,960

in Phoenix Arizona mm-hmm we had a

2026
01:42:39,050 --> 01:42:36,720
little booth set up out together and we

2027
01:42:42,140 --> 01:42:39,060
got pretty close I got to talking to her

2028
01:42:45,860 --> 01:42:42,150
and then Philip thought I might need

2029
01:42:48,350 --> 01:42:45,870
hypnotizing again and I said well you

2030
01:42:50,950 --> 01:42:48,360
know Kathleen does this she's a

2031
01:42:55,970 --> 01:42:50,960
professional she does it for a living

2032
01:42:57,740 --> 01:42:55,980
let's get her to see if we do it so when

2033
01:43:00,440 --> 01:42:57,750
I first called her she said you know I

2034
01:43:03,620 --> 01:43:00,450
have a really busy schedule and I don't

2035
01:43:05,290 --> 01:43:03,630
have time and then the next thing I knew

2036
01:43:12,080 --> 01:43:05,300
she called she said I'll be there

2037
01:43:16,370 --> 01:43:12,090
tomorrow morning we so she flew down the

2038
01:43:19,630 --> 01:43:16,380

next day and we went through this

2039

01:43:22,790 --> 01:43:19,640

hypnosis session at the house here and

2040

01:43:26,420 --> 01:43:22,800

she was here she spent three days with

2041

01:43:29,590 --> 01:43:26,430

me and you know we did a lot of fact

2042

01:43:33,340 --> 01:43:29,600

hunting because that's like I told her

2043

01:43:37,520 --> 01:43:33,350

all I'm trying to do after all this time

2044

01:43:39,890 --> 01:43:37,530

is figure out what really did happen it

2045

01:43:41,680 --> 01:43:39,900

don't matter to me what happening it's

2046

01:43:45,860 --> 01:43:41,690

figuring out what really did happen

2047

01:43:48,350 --> 01:43:45,870

mm-hmm and I don't think we really

2048

01:43:51,140 --> 01:43:48,360

figured out exactly what all happened

2049

01:43:54,830 --> 01:43:51,150

but all her hypnosis thing is in this

2050

01:43:56,780 --> 01:43:54,840

new book and we're gonna talk let's uh

2051

01:43:59,300 --> 01:43:56,790

Calvin can I get you to hang on for some

2052

01:44:01,850 --> 01:43:59,310

overtime I told you earlier sir we're

2053

01:44:04,010 --> 01:44:01,860

gonna run out of time right and inviter

2054

01:44:08,900 --> 01:44:04,020

enough we're right there I need to take

2055

01:44:11,250 --> 01:44:08,910

a break and there's so much more that

2056

01:44:13,380 --> 01:44:11,260

has happened since

2057

01:44:16,320 --> 01:44:13,390

well since you started the new book the

2058

01:44:18,930 --> 01:44:16,330

new book has been the the first book has

2059

01:44:21,240 --> 01:44:18,940

been released now all of this new

2060

01:44:23,010 --> 01:44:21,250

information is coming out that is going

2061

01:44:26,370 --> 01:44:23,020

to be in the new book and I actually

2062

01:44:29,040 --> 01:44:26,380

want to go back and and touch on some of

2063

01:44:32,220 --> 01:44:29,050

these points that that ended up

2064

01:44:33,900 --> 01:44:32,230
happening since the release of the first

2065

01:44:38,160 --> 01:44:33,910
book which seems like that was just

2066

01:44:41,400 --> 01:44:38,170
yesterday right and and here we are with

2067

01:44:44,910 --> 01:44:41,410
the new book when is it going to be

2068

01:44:47,729 --> 01:44:44,920
finished you have any idea oh it hit the

2069

01:44:49,520 --> 01:44:47,739
market today oh it did I thought it was

2070

01:44:51,780 --> 01:44:49,530
next week

2071

01:44:53,610 --> 01:44:51,790
October the 1st you can order through

2072

01:44:56,580 --> 01:44:53,620
Amazon No

2073

01:45:01,979 --> 01:44:56,590
okay well I haven't got the new book yet

2074

01:45:05,340 --> 01:45:01,989
how did that happen hey you know I sat

2075

01:45:07,770 --> 01:45:05,350
down you know I just got mine also and I

2076

01:45:10,680 --> 01:45:07,780

sat down and read it and to be honest

2077

01:45:13,140 --> 01:45:10,690

with you oh I ain't Joe it a lot more

2078

01:45:14,820 --> 01:45:13,150

than I did the first full well we'll

2079

01:45:16,490 --> 01:45:14,830

talk about that when we come back let's

2080

01:45:19,710 --> 01:45:16,500

go ahead and take our break right here

2081

01:45:23,010 --> 01:45:19,720

everybody is yelling for overtime well

2082

01:45:24,870 --> 01:45:23,020

they got it Calvin so let's take a quick

2083

01:45:26,370 --> 01:45:24,880

break this is fade to black our guest

2084

01:45:29,280 --> 01:45:26,380

tonight Calvin Parker we're talking

2085

01:45:31,830 --> 01:45:29,290

about the Pascagoula incident what a

2086

01:45:33,330 --> 01:45:31,840

conversation overtime is next this is

2087

01:45:36,360 --> 01:45:33,340

fade to black in the game changer

2088

01:45:40,230 --> 01:45:36,370

network and kgr a the planet stay with

2089

01:45:40,240 --> 01:45:48,200

[Music]

2090

01:45:52,920 --> 01:45:49,950

welcome back fade to black

2091

01:45:55,440 --> 01:45:52,930

I am your host Jimmy Church the links

2092

01:45:57,990 --> 01:45:55,450

for Calvin right there at Jimmy Church

2093

01:46:01,290 --> 01:45:58,000

radio calm the new books just got

2094

01:46:03,630 --> 01:46:01,300

released today and you can go and get

2095

01:46:06,900 --> 01:46:03,640

both of yours right now by clicking and

2096

01:46:09,600 --> 01:46:06,910

now Calvin this is what I want to get

2097

01:46:12,500 --> 01:46:09,610

into some of these new revelations but

2098

01:46:16,760 --> 01:46:12,510

the other part is you've been you know

2099

01:46:21,750 --> 01:46:16,770

staying in the background for 45 years

2100

01:46:25,070 --> 01:46:21,760

what the support that you have now you

2101
01:46:29,070 --> 01:46:25,080
know when you go to a conference and

2102
01:46:30,510 --> 01:46:29,080
everybody is there to to say welcome you

2103
01:46:32,460 --> 01:46:30,520
know you know you're part of us that's

2104
01:46:37,410 --> 01:46:32,470
that's pretty cool isn't it I mean the

2105
01:46:40,830 --> 01:46:37,420
UFO community is is very warm oh I love

2106
01:46:43,830 --> 01:46:40,840
it and you know I I really didn't think

2107
01:46:46,020 --> 01:46:43,840
I would when I started these conferences

2108
01:46:48,810 --> 01:46:46,030
I told Phillip you know the book came

2109
01:46:52,440 --> 01:46:48,820
out last you lie he's supposed to come

2110
01:46:56,340 --> 01:46:52,450
out in September but we released it a

2111
01:46:58,710 --> 01:46:56,350
little early and he said well you need

2112
01:47:00,990 --> 01:46:58,720
to make a few conferences and you know

2113
01:47:03,240 --> 01:47:01,000

talk about the book to be honest I

2114

01:47:05,910 --> 01:47:03,250

didn't figure I'd sell 10 copies and I'd

2115

01:47:07,980 --> 01:47:05,920

had to buy them and I was gonna get one

2116

01:47:11,070 --> 01:47:07,990

day's one of my family members so I went

2117

01:47:13,680 --> 01:47:11,080

that set and tell them story but gosh

2118

01:47:17,160 --> 01:47:13,690

this book is well over the limits that's

2119

01:47:20,280 --> 01:47:17,170

that's uh that and it should and it

2120

01:47:24,300 --> 01:47:20,290

should but that's that's the beautiful

2121

01:47:27,780 --> 01:47:24,310

thing Calvin about our community is you

2122

01:47:29,220 --> 01:47:27,790

can go and just be Calvin Parker you

2123

01:47:32,430 --> 01:47:29,230

know just be yourself

2124

01:47:33,990 --> 01:47:32,440

it's all good to just you know just come

2125

01:47:35,060 --> 01:47:34,000

on out and hang out with us that's all

2126

01:47:38,460 --> 01:47:35,070

it is isn't it

2127

01:47:41,310 --> 01:47:38,470

that's it and if these comforters I

2128

01:47:43,680 --> 01:47:41,320

didn't figure out like them but ever

2129

01:47:48,420 --> 01:47:43,690

conference I went to I have thoroughly

2130

01:47:52,260 --> 01:47:48,430

enjoyed and the last one was there in

2131

01:47:55,380 --> 01:47:52,270

Phoenix and gosh I would get up I'd stay

2132

01:47:58,830 --> 01:47:55,390

up until one o'clock in the morning you

2133

01:48:00,380 --> 01:47:58,840

know and just visit with the people that

2134

01:48:03,680 --> 01:48:00,390

come by I want to talk

2135

01:48:07,490 --> 01:48:03,690

set up a table and I should have took a

2136

01:48:10,490 --> 01:48:07,500

hundred books cuz you know I sold

2137

01:48:13,850 --> 01:48:10,500

everything I had the first hire we was

2138

01:48:15,350 --> 01:48:13,860

there but I met some great people I got

2139

01:48:18,620 --> 01:48:15,360

to spend time with Oh

2140

01:48:23,570 --> 01:48:18,630

Paul honey that's January john allen

2141

01:48:27,440 --> 01:48:23,580

hynek's our son kathleen martin Travis

2142

01:48:29,180 --> 01:48:27,450

Walton and the story goes on I I was

2143

01:48:32,510 --> 01:48:29,190

watching all the pictures of you I'm

2144

01:48:34,160 --> 01:48:32,520

like check Calvin out Calvin's a rock

2145

01:48:35,930 --> 01:48:34,170

star and you didn't even know it you

2146

01:48:40,820 --> 01:48:35,940

didn't even know and that's what I'm

2147

01:48:43,190 --> 01:48:40,830

trying to say we have been talking about

2148

01:48:47,150 --> 01:48:43,200

you and and and what you went through

2149

01:48:49,460 --> 01:48:47,160

and this extraordinary encounter for

2150

01:48:53,300 --> 01:48:49,470

years and now I've had the chance to sit

2151

01:48:58,400 --> 01:48:53,310

and talk to you about it now Travis

2152

01:49:00,920 --> 01:48:58,410

Walton now he's a great friend III just

2153

01:49:03,140 --> 01:49:00,930

hold I just hold him dear right

2154

01:49:06,290 --> 01:49:03,150

Travis is amazing did you get a chance

2155

01:49:09,980 --> 01:49:06,300

to sit down and talk to Travis we did

2156

01:49:11,810 --> 01:49:09,990

now I've known of Travis because you

2157

01:49:14,210 --> 01:49:11,820

know his thing happened pretty close to

2158

01:49:16,310 --> 01:49:14,220

the same time ours did and then I even

2159

01:49:19,280 --> 01:49:16,320

went to the movie to watch this movie

2160

01:49:21,350 --> 01:49:19,290

fire in the sky and I I actually been

2161

01:49:24,320 --> 01:49:21,360

wanting to talk to Travis so when I met

2162

01:49:25,820 --> 01:49:24,330

him at the conference his table was

2163

01:49:29,960 --> 01:49:25,830

right back behind ours

2164

01:49:32,030 --> 01:49:29,970

my wife had some old cheap jewelry made

2165

01:49:35,300 --> 01:49:32,040

up trying to sell it there now you know

2166

01:49:37,630 --> 01:49:35,310

just how something to do so I'd go back

2167

01:49:43,430 --> 01:49:37,640

and sit and talk with Travis and gosh

2168

01:49:47,210 --> 01:49:43,440

he's amazing he's just a warming person

2169

01:49:49,040 --> 01:49:47,220

and he's quiet and you know he's not out

2170

01:49:53,090 --> 01:49:49,050

for the publicity or nothing he's just

2171

01:49:56,030 --> 01:49:53,100

just out there he just to everyday quiet

2172

01:50:00,410 --> 01:49:56,040

good going persons you know I got one

2173

01:50:03,140 --> 01:50:00,420

word for Travis cool exactly he's like

2174

01:50:05,300 --> 01:50:03,150

the cool side of the pillow and he had

2175

01:50:07,730 --> 01:50:05,310

his guitar with him and then they went

2176

01:50:09,470 --> 01:50:07,740

up and had a little sang alone I was

2177

01:50:11,870 --> 01:50:09,480

actually gonna go up and join them on

2178

01:50:14,240 --> 01:50:11,880

the top stairs but I got feeling bad

2179

01:50:19,190 --> 01:50:14,250

that night

2180

01:50:23,150 --> 01:50:19,200

oh but you know what Travis and I as a

2181

01:50:24,920 --> 01:50:23,160

couple of months ago we sat down and and

2182

01:50:28,150 --> 01:50:24,930

played some guitar and you know what we

2183

01:50:30,830 --> 01:50:28,160

sang you know what I sang no totally I

2184

01:50:35,180 --> 01:50:30,840

sang I saying

2185

01:50:42,680 --> 01:50:35,190

Lucille bike oh yeah my god

2186

01:50:45,500 --> 01:50:42,690

George no Kenny Kenny Rogers Kenny

2187

01:50:47,240 --> 01:50:45,510

Rogers I had to sign a seal I sang

2188

01:50:52,430 --> 01:50:47,250

Lucille with a man don't make me do it

2189

01:50:54,410 --> 01:50:52,440

now but I did it then now so - Travis

2190

01:50:57,380 --> 01:50:54,420

ask you any questions I know it's

2191

01:51:00,110 --> 01:50:57,390

private conversation but the both of you

2192

01:51:03,140 --> 01:51:00,120

had two extraordinary abduction

2193

01:51:06,230 --> 01:51:03,150

experiences did you compare notes a

2194

01:51:09,590 --> 01:51:06,240

little bit now we really didn't we

2195

01:51:11,840 --> 01:51:09,600

mostly talked about all the people that

2196

01:51:16,280 --> 01:51:11,850

we meant since this has happened mm-hmm

2197

01:51:19,340 --> 01:51:16,290

and you know both of us I've met some

2198

01:51:21,980 --> 01:51:19,350

fantastic people I've got out and got

2199

01:51:24,920 --> 01:51:21,990

friends now you know all through this

2200

01:51:27,590 --> 01:51:24,930

community that I just love to death and

2201
01:51:31,370 --> 01:51:27,600
we stay in touch you know my book is

2202
01:51:33,610 --> 01:51:31,380
open I got on everybody get the social

2203
01:51:36,530 --> 01:51:33,620
media stuff keeps everybody in touch

2204
01:51:40,090 --> 01:51:36,540
most everybody's got my phone number I

2205
01:51:44,090 --> 01:51:40,100
just got a call from all like Paul today

2206
01:51:47,530 --> 01:51:44,100
George now you know people like that

2207
01:51:51,320 --> 01:51:47,540
and they'll just want to say hi sometime

2208
01:51:54,020 --> 01:51:51,330
and and it's great because I'm not a

2209
01:51:57,020 --> 01:51:54,030
people person but they make me feel like

2210
01:51:59,330 --> 01:51:57,030
a people person and I like that feeling

2211
01:52:02,210 --> 01:51:59,340
for a change cuz you know I'm getting

2212
01:52:04,340 --> 01:52:02,220
older mmm and as I told everybody I got

2213
01:52:05,870 --> 01:52:04,350

an expiration date on my head you know

2214

01:52:09,260 --> 01:52:05,880

everybody does mhm

2215

01:52:13,000 --> 01:52:09,270

so you know I'm glad I I'm glad this has

2216

01:52:17,110 --> 01:52:13,010

happened now the

2217

01:52:20,820 --> 01:52:17,120

some of some of the witnesses that were

2218

01:52:24,090 --> 01:52:20,830

around have started to come forward and

2219

01:52:27,430 --> 01:52:24,100

that's got to make you feel pretty good

2220

01:52:29,530 --> 01:52:27,440

take us through that who who who

2221

01:52:32,110 --> 01:52:29,540

approached did they do it through you

2222

01:52:33,840 --> 01:52:32,120

through Philip through social media and

2223

01:52:39,310 --> 01:52:33,850

how did this happen

2224

01:52:42,640 --> 01:52:39,320

actually Philip is the one that all they

2225

01:52:44,800 --> 01:52:42,650

go to because I I've been so busy going

2226

01:52:46,960 --> 01:52:44,810

here and there but Philips like a

2227

01:52:52,840 --> 01:52:46,970

bloodhound when he gets on the track I

2228

01:52:54,850 --> 01:52:52,850

did 18 news with Fox News and somebody

2229

01:52:57,330 --> 01:52:54,860

put it under there the first one that

2230

01:52:59,710 --> 01:52:57,340

came forward they put up under the O

2231

01:53:03,640 --> 01:52:59,720

caption you know will you write a remark

2232

01:53:06,280 --> 01:53:03,650

well my mother seen them the night that

2233

01:53:08,140 --> 01:53:06,290

it happened but she has never talked

2234

01:53:13,150 --> 01:53:08,150

about it but she wants to make mr.

2235

01:53:14,860 --> 01:53:13,160

Parker well that will the lady that did

2236

01:53:18,010 --> 01:53:14,870

it that was Marie Blair that was her

2237

01:53:20,620 --> 01:53:18,020

daughter well it took forever Philip got

2238

01:53:22,720 --> 01:53:20,630

on it like a bloodhound didn't know he

2239

01:53:25,680 --> 01:53:22,730

found trace Blair which was her daughter

2240

01:53:28,600 --> 01:53:25,690

and begged her for Maria's phone number

2241

01:53:29,950 --> 01:53:28,610

and eventually she gave it up and that's

2242

01:53:33,850 --> 01:53:29,960

where it all got started

2243

01:53:35,620 --> 01:53:33,860

so Maria everybody criticized her said

2244

01:53:38,440 --> 01:53:35,630

oh she just wants the attention and

2245

01:53:42,460 --> 01:53:38,450

won't won't certify me that ain't the

2246

01:53:43,450 --> 01:53:42,470

case Maria didn't know come to us we

2247

01:53:45,940 --> 01:53:43,460

went to her

2248

01:53:49,870 --> 01:53:45,950

and she said and told the story now

2249

01:53:52,720 --> 01:53:49,880

recently her husband was in there and

2250

01:53:55,060 --> 01:53:52,730

I'm talking about two weeks ago and he

2251

01:53:59,860 --> 01:53:55,070

always said don't tell nobody that

2252

01:54:03,100 --> 01:53:59,870

people thank you crazy and he he's never

2253

01:54:08,890 --> 01:54:03,110

admitted to see anything but the man was

2254

01:54:10,570 --> 01:54:08,900

in kind on his deathbed and he got told

2255

01:54:13,510 --> 01:54:10,580

him to get the camera out and he wanted

2256

01:54:18,250 --> 01:54:13,520

to say something and he sent Philip an

2257

01:54:20,680 --> 01:54:18,260

hour video of that that did happen at

2258

01:54:22,660 --> 01:54:20,690

night and he also seen it and he just

2259

01:54:24,640 --> 01:54:22,670

wanted to clear the air because he

2260

01:54:26,570 --> 01:54:24,650

didn't want his wife to be the only one

2261

01:54:29,270 --> 01:54:26,580

to walk

2262

01:54:29,870 --> 01:54:29,280

you know little lie she was crazy or

2263

01:54:34,070 --> 01:54:29,880

something

2264

01:54:37,340 --> 01:54:34,080

what did Maria see she sent her craft

2265

01:54:44,240 --> 01:54:37,350

when it landed and then she actually

2266

01:54:46,700 --> 01:54:44,250

seen one of the one of the aliens from

2267

01:54:49,730 --> 01:54:46,710

the craft but this one was in the water

2268

01:54:52,130 --> 01:54:49,740

when she seen it and you know that's

2269

01:54:56,690 --> 01:54:52,140

kind of strange and it correspond it

2270

01:54:58,940 --> 01:54:56,700

will the co-star report because two days

2271

01:55:01,190 --> 01:54:58,950

after that happened the Coast Guard was

2272

01:55:05,960 --> 01:55:01,200

called out and that's all documented in

2273

01:55:08,900 --> 01:55:05,970

the book hmm to report in the guise the

2274

01:55:11,630 --> 01:55:08,910

crew came on five different crew members

2275

01:55:13,910 --> 01:55:11,640

seen something under the water and they

2276

01:55:16,370 --> 01:55:13,920

actually took something something they

2277

01:55:19,340 --> 01:55:16,380

grabbed and bumped it under the water

2278

01:55:21,740 --> 01:55:19,350

and it was the UFO and that's documented

2279

01:55:24,560 --> 01:55:21,750

in government files right there and

2280

01:55:27,650 --> 01:55:24,570

that's all in the book that's some some

2281

01:55:30,560 --> 01:55:27,660

of the people that was you know talking

2282

01:55:33,740 --> 01:55:30,570

about it and then there was a crane

2283

01:55:36,830 --> 01:55:33,750

operator that was working across the

2284

01:55:39,200 --> 01:55:36,840

river running a crane well on his gantry

2285

01:55:42,140 --> 01:55:39,210

cranes you you know you set up real high

2286

01:55:45,110 --> 01:55:42,150

and he seemed to thing when it landed

2287

01:55:46,910 --> 01:55:45,120

they was busy working so he couldn't set

2288

01:55:49,580 --> 01:55:46,920

their study and he didn't know what it

2289

01:55:52,790 --> 01:55:49,590

was but he actually physically said it

2290

01:55:56,960 --> 01:55:52,800

when it landed then we got a probation

2291

01:55:59,510 --> 01:55:56,970

officer and a preacher the probation

2292

01:56:02,540 --> 01:55:59,520

officer was driving on highway 90 across

2293

01:56:04,760 --> 01:56:02,550

the bridge and he seen it you know and

2294

01:56:10,790 --> 01:56:04,770

that's law enforcement there right right

2295

01:56:13,400 --> 01:56:10,800

and then a preacher Oh witnessed the

2296

01:56:16,310 --> 01:56:13,410

whole thing he was on him he was down

2297

01:56:19,010 --> 01:56:16,320

here doing a revival and for a preacher

2298

01:56:21,080 --> 01:56:19,020

to come out with something like that you

2299

01:56:24,140 --> 01:56:21,090

know that's got to be serious

2300

01:56:27,020 --> 01:56:24,150

it was two or three other ladies in here

2301
01:56:29,360 --> 01:56:27,030
and they all and every one times in the

2302
01:56:32,000 --> 01:56:29,370
new book in their testimony

2303
01:56:34,730 --> 01:56:32,010
matter of fact Irene Scott did the

2304
01:56:36,890 --> 01:56:34,740
interview will and she's a good writer

2305
01:56:39,460 --> 01:56:36,900
and wrote down all their testimonies and

2306
01:56:42,970 --> 01:56:39,470
now while Philip worked on

2307
01:56:44,980 --> 01:56:42,980
of things but it's a lot of good

2308
01:56:47,980 --> 01:56:44,990
information that came out of this book

2309
01:56:50,830 --> 01:56:47,990
and some of it I didn't mean know about

2310
01:56:55,750 --> 01:56:50,840
like I knew about the witnesses because

2311
01:56:58,540 --> 01:56:55,760
we all got together and you don't had a

2312
01:57:00,670 --> 01:56:58,550
little interview over that together and

2313
01:57:02,740 --> 01:57:00,680

the knees did a clip on them

2314

01:57:05,500 --> 01:57:02,750

when we had that and I did a book

2315

01:57:08,110 --> 01:57:05,510

signing and they all came to that and we

2316

01:57:12,370 --> 01:57:08,120

all got to sit out at all they good

2317

01:57:14,490 --> 01:57:12,380

credible people and they not they not

2318

01:57:17,680 --> 01:57:14,500

there for the fame or nothing like that

2319

01:57:19,660 --> 01:57:17,690

they just wanted to tell their story and

2320

01:57:22,690 --> 01:57:19,670

they felt like it was time to tell it

2321

01:57:24,850 --> 01:57:22,700

and I believed it you never want them

2322

01:57:27,340 --> 01:57:24,860

and if I didn't I'd be the first one to

2323

01:57:28,510 --> 01:57:27,350

say well you know they didn't say that

2324

01:57:33,640 --> 01:57:28,520

right right

2325

01:57:35,560 --> 01:57:33,650

and the I'm so happy that that all of

2326

01:57:37,960 --> 01:57:35,570

this has happened I mean you need it I

2327

01:57:40,120 --> 01:57:37,970

mean you need it personally you know you

2328

01:57:41,760 --> 01:57:40,130

yeah there's got to be times where you

2329

01:57:45,250 --> 01:57:41,770

go man I thought maybe I'm just crazy

2330

01:57:48,700 --> 01:57:45,260

and and I get that thought you know and

2331

01:57:50,890 --> 01:57:48,710

and you need the support from those

2332

01:57:53,140 --> 01:57:50,900

witnesses and I think and this is the

2333

01:57:56,860 --> 01:57:53,150

question I think that one of the reasons

2334

01:57:59,500 --> 01:57:56,870

why some but so many are okay with

2335

01:58:02,170 --> 01:57:59,510

talking about it is what has happened in

2336

01:58:06,840 --> 01:58:02,180

the last two years with the UFO subject

2337

01:58:12,730 --> 01:58:06,850

in the media it wasn't like this in 1973

2338

01:58:15,280 --> 01:58:12,740

today right today it's okay right yeah I

2339

01:58:19,780 --> 01:58:15,290

mean look at the History Channel that'll

2340

01:58:22,060 --> 01:58:19,790

H it alien you know things like that you

2341

01:58:25,270 --> 01:58:22,070

yummy and it actually the government

2342

01:58:29,200 --> 01:58:25,280

starting to come out a little bit and I

2343

01:58:29,890 --> 01:58:29,210

know if president trunk same one he

2344

01:58:31,810 --> 01:58:29,900

would all

2345

01:58:35,350 --> 01:58:31,820

tweet about it cuz he tweets about

2346

01:58:38,530 --> 01:58:35,360

everything that said the same thing he'd

2347

01:58:40,540 --> 01:58:38,540

be the first person to tweet yeah so I

2348

01:58:44,290 --> 01:58:40,550

watch his tweets pretty regular

2349

01:58:47,920 --> 01:58:44,300

sometimes he's his own worst enemy at

2350

01:58:51,700 --> 01:58:47,930

times would easy so what do you think

2351
01:58:52,930 --> 01:58:51,710
about you know the Navy talking about

2352
01:58:54,580 --> 01:58:52,940
this and the Senate

2353
01:58:57,340 --> 01:58:54,590
getting briefed on it and of course

2354
01:58:59,830 --> 01:58:57,350
Tucker Carlson talking to President

2355
01:59:03,310 --> 01:58:59,840
Trump about UFOs it's never been this

2356
01:59:05,770 --> 01:59:03,320
kind of party no it hadn't been and it's

2357
01:59:09,189 --> 01:59:05,780
coming up actually I was on water

2358
01:59:11,650 --> 01:59:09,199
swirled on Fox News mm-hmm and I was

2359
01:59:15,220 --> 01:59:11,660
treated with a lot of great respect from

2360
01:59:18,670 --> 01:59:15,230
Jesse Watters that does that show right

2361
01:59:20,080 --> 01:59:18,680
yeah he told me we we got into it and he

2362
01:59:21,459 --> 01:59:20,090
said well we're gonna have to cut you

2363
01:59:24,189 --> 01:59:21,469

short a little bit we got some breaking

2364

01:59:28,810 --> 01:59:24,199

news and I figured something bad might

2365

01:59:30,760 --> 01:59:28,820

happen somewhere and he said no Ernie

2366

01:59:34,840 --> 01:59:30,770

and Bernie come out of the closet on

2367

01:59:37,060 --> 01:59:34,850

Sesame Street my son he told me that I

2368

01:59:40,810 --> 01:59:37,070

looked at his camera man I said don't

2369

01:59:44,890 --> 01:59:43,270

I'll get you fired if you do I'm gonna

2370

01:59:48,700 --> 01:59:44,900

finish my interview I didn't come this

2371

01:59:51,729 --> 01:59:48,710

far and fly this far not to finish what

2372

01:59:53,830 --> 01:59:51,739

I started here but you know Jesse heard

2373

01:59:56,380 --> 01:59:53,840

me when I was talking to him and they

2374

01:59:58,150 --> 01:59:56,390

told him just keep the breaking news can

2375

02:00:01,689 --> 01:59:58,160

wait a little bit yeah Bernie and Ernie

2376

02:00:05,050 --> 02:00:01,699

can wait yeah I believe they can too I

2377

02:00:07,180 --> 02:00:05,060

didn't he know that was in the closet

2378

02:00:09,040 --> 02:00:07,190

I thought they slept in separate beds

2379

02:00:12,310 --> 02:00:09,050

I'm kind of freaking out right now okay

2380

02:00:15,939 --> 02:00:12,320

yeah but that was the breaking news and

2381

02:00:17,950 --> 02:00:15,949

no it was actually kind of highest my

2382

02:00:20,320 --> 02:00:17,960

daughter uh she did you know Bernie and

2383

02:00:28,240 --> 02:00:20,330

Ernie was in the cloud who is a

2384

02:00:29,680 --> 02:00:28,250

attentive Sesame Street oh man I okay

2385

02:00:33,820 --> 02:00:29,690

all right let's see let's get back on

2386

02:00:35,800 --> 02:00:33,830

track here Bernie and Ernie that they

2387

02:00:37,570 --> 02:00:35,810

did freak me out when I was a kid I kind

2388

02:00:39,459 --> 02:00:37,580

of wondered about that a little bit you

2389

02:00:41,350 --> 02:00:39,469

know I didn't know it was in that

2390

02:00:45,850 --> 02:00:41,360

direction but I did feel a little funky

2391

02:00:50,729 --> 02:00:45,860

about Bernie and Ernie yeah now but the

2392

02:00:54,160 --> 02:00:50,739

other the other part of about this we're

2393

02:00:56,770 --> 02:00:54,170

down in down in Mississippi I mean it's

2394

02:00:58,360 --> 02:00:56,780

the same same everywhere in the South

2395

02:01:00,670 --> 02:00:58,370

you know Texas Arkansas Louisiana

2396

02:01:03,189 --> 02:01:00,680

Mississippi

2397

02:01:06,459 --> 02:01:03,199

you know Tennessee Kentucky Georgia

2398

02:01:09,840 --> 02:01:06,469

Alabama certainly Florida

2399

02:01:13,510 --> 02:01:09,850

you keep the family business at home

2400

02:01:16,540 --> 02:01:13,520

that rock that that no matter what goes

2401
02:01:17,320 --> 02:01:16,550
on out there what goes on here stays

2402
02:01:19,450 --> 02:01:17,330
here

2403
02:01:20,709 --> 02:01:19,460
and for those witnesses that you're

2404
02:01:22,990 --> 02:01:20,719
talking about right now the crane

2405
02:01:26,590 --> 02:01:23,000
operator or in law enforcement or the

2406
02:01:30,390 --> 02:01:26,600
the preacher the this stuff they you

2407
02:01:33,310 --> 02:01:30,400
keep that stuff you know inside now

2408
02:01:35,530 --> 02:01:33,320
because of the way the media is starting

2409
02:01:37,990 --> 02:01:35,540
to treat this and Fox and CNN and the

2410
02:01:42,220 --> 02:01:38,000
newspapers now people are a little more

2411
02:01:44,290 --> 02:01:42,230
comfortable in coming forward and that's

2412
02:01:47,109 --> 02:01:44,300
what we can be really thankful for right

2413
02:01:50,260 --> 02:01:47,119

because they didn't come forward in 1973

2414

02:01:53,080 --> 02:01:50,270

did they know and if you had mentioned

2415

02:01:54,310 --> 02:01:53,090

it in 1973 special are down here on the

2416

02:01:56,620 --> 02:01:54,320

staff you might have found yourself

2417

02:01:59,320 --> 02:01:56,630

hanging from a tree somewhere that's

2418

02:02:01,450 --> 02:01:59,330

right that's right well I mean she was

2419

02:02:03,609 --> 02:02:01,460

crazy yeah yeah yeah kind of joke about

2420

02:02:06,910 --> 02:02:03,619

it but I get what you're saying there

2421

02:02:10,810 --> 02:02:06,920

and then the other part I wanted to ask

2422

02:02:13,270 --> 02:02:10,820

you about this earlier with Charles

2423

02:02:16,930 --> 02:02:13,280

going out there you know on The Tonight

2424

02:02:20,020 --> 02:02:16,940

Show and all over the news now comedians

2425

02:02:22,330 --> 02:02:20,030

were making fun of you guys right and in

2426

02:02:25,870 --> 02:02:22,340

all of those jokes you know and that's

2427

02:02:28,090 --> 02:02:25,880

exactly why people don't talk because

2428

02:02:29,620 --> 02:02:28,100

you don't want to be you know you don't

2429

02:02:32,200 --> 02:02:29,630

want to be the subject of somebody's

2430

02:02:33,790 --> 02:02:32,210

jokes and that went on for a long time

2431

02:02:38,470 --> 02:02:33,800

didn't it must have been hard to listen

2432

02:02:41,830 --> 02:02:38,480

to you know the bad part about it this

2433

02:02:43,990 --> 02:02:41,840

is to me and a lot of other people this

2434

02:02:48,600 --> 02:02:44,000

is no joke to me I mean it's something

2435

02:02:52,209 --> 02:02:48,610

real serious and I'm still in the quest

2436

02:02:54,459 --> 02:02:52,219

to find answers that's all I want and

2437

02:02:59,709 --> 02:02:54,469

when I find him I go ahead and retire

2438

02:03:01,629 --> 02:02:59,719

and go back to fishing right well let's

2439

02:03:02,919 --> 02:03:01,639

hope you get those answers I'm still

2440

02:03:07,629 --> 02:03:02,929

trying to find him myself

2441

02:03:10,020 --> 02:03:07,639

the the puncture wounds yeah I I wrote

2442

02:03:13,780 --> 02:03:10,030

that down here the puncture wounds did

2443

02:03:17,050 --> 02:03:13,790

did the the drugs or whatever was

2444

02:03:17,730 --> 02:03:17,060

injected in you did the blood ever come

2445

02:03:22,650 --> 02:03:17,740

back and

2446

02:03:26,280 --> 02:03:22,660

show what that was they kept all dr.

2447

02:03:29,190 --> 02:03:26,290

Bosco had the records and all that and

2448

02:03:34,860 --> 02:03:29,200

he was fixed an eternal loose with my

2449

02:03:36,720 --> 02:03:34,870

permission and I wanted to copy ever now

2450

02:03:40,500 --> 02:03:36,730

this is before I was even thinking about

2451

02:03:44,280 --> 02:03:40,510

the bull right and then tamil' came

2452

02:03:46,380 --> 02:03:44,290

through in about 80% of the coast head I

2453

02:03:50,690 --> 02:03:46,390

know we had eight foot of water in our

2454

02:03:54,540 --> 02:03:50,700

house and back then and they didn't know

2455

02:03:56,850 --> 02:03:54,550

put some records on electronics on a

2456

02:04:01,170 --> 02:03:56,860

hard drive or nothing it was all hand

2457

02:04:04,740 --> 02:04:01,180

records see that was from 73 so they and

2458

02:04:07,020 --> 02:04:04,750

Camille came in 2005 and they was in the

2459

02:04:09,780 --> 02:04:07,030

process of transfer and everything all

2460

02:04:13,200 --> 02:04:09,790

the records over to all computers and

2461

02:04:16,820 --> 02:04:13,210

they got destroyed before then so it's

2462

02:04:21,360 --> 02:04:16,830

just been one thing right after another

2463

02:04:22,680 --> 02:04:21,370

Wow are they dying for Bosco's 95 now

2464

02:04:26,940 --> 02:04:22,690

and he's still alive

2465

02:04:29,400 --> 02:04:26,950

and he comes to the he sent his grandson

2466

02:04:32,970 --> 02:04:29,410

to the book signing for me to sign a

2467

02:04:36,060 --> 02:04:32,980

copy for him and his grandson is also a

2468

02:04:39,030 --> 02:04:36,070

doctor now and he asked me this was just

2469

02:04:42,510 --> 02:04:39,040

recently a couple of days ago if I would

2470

02:04:52,140 --> 02:04:42,520

get my I see him and I'm making plans to

2471

02:04:57,240 --> 02:04:52,150

go see him now the the the closing part

2472

02:04:59,220 --> 02:04:57,250

of this for you how are you today and I

2473

02:05:04,740 --> 02:04:59,230

know we've kind of discussed it a little

2474

02:05:09,230 --> 02:05:04,750

bit but if if the opportunity happened

2475

02:05:12,710 --> 02:05:09,240

again right another craft another being

2476

02:05:17,460 --> 02:05:12,720

how would you be okay with it

2477

02:05:19,710 --> 02:05:17,470

now either way I mean it would be a

2478

02:05:22,740 --> 02:05:19,720

little different if they would come and

2479

02:05:25,740 --> 02:05:22,750

ask my permission right you know I might

2480

02:05:28,760 --> 02:05:25,750

sit down and talk to them but I've

2481

02:05:31,649 --> 02:05:28,770

accepted what has happened now and

2482

02:05:35,280 --> 02:05:31,659

actually it's been good

2483

02:05:38,370 --> 02:05:35,290

for me it's been good from a while one

2484

02:05:40,950 --> 02:05:38,380

thing you know I set her down when she

2485

02:05:43,350 --> 02:05:40,960

heard a lot of these shows and all been

2486

02:05:45,090 --> 02:05:43,360

said through news interviews and she's

2487

02:05:47,490 --> 02:05:45,100

been right there by my side through the

2488

02:05:50,010 --> 02:05:47,500

whole thing and I set her down and we

2489

02:05:53,310 --> 02:05:50,020

covered the detail so that opened up the

2490

02:05:54,870 --> 02:05:53,320

honesty thing for 45 years you know you

2491

02:05:57,060 --> 02:05:54,880

don't tell them one with something they

2492

02:06:00,800 --> 02:05:57,070

get kind of scorn at you that's right

2493

02:06:04,740 --> 02:06:00,810

and we never really took a vacation and

2494

02:06:07,709 --> 02:06:04,750

to us these old conferences is like

2495

02:06:09,899 --> 02:06:07,719

going on vacation somewhere you know you

2496

02:06:13,620 --> 02:06:09,909

know I pay her plane taking their way

2497

02:06:15,720 --> 02:06:13,630

and they pay mine you know how that goes

2498

02:06:17,580 --> 02:06:15,730

and you got get a little thing to speak

2499

02:06:21,090 --> 02:06:17,590

and they'll give us money to get out and

2500

02:06:24,390 --> 02:06:21,100

go somewhere so we got to spend time

2501
02:06:27,240 --> 02:06:24,400
together than we normally hadn't spent

2502
02:06:31,160 --> 02:06:27,250
together I know we went to Laughlin

2503
02:06:35,220 --> 02:06:31,170
Nevada to Mack Allen Texas too well

2504
02:06:39,570 --> 02:06:35,230
Ozark Mountains and some of these places

2505
02:06:41,700 --> 02:06:39,580
we drive and then to Phoenix and they

2506
02:06:50,419 --> 02:06:41,710
just continue and I was supposed to go

2507
02:06:54,209 --> 02:06:50,429
to the UK and I got sick the the wire

2508
02:06:56,129 --> 02:06:54,219
why'd you I mean that's the that's the

2509
02:06:58,350 --> 02:06:56,139
ultimate question right you know I'm

2510
02:07:02,970 --> 02:06:58,360
sure you've asked yourself that you know

2511
02:07:06,180 --> 02:07:02,980
why yeah why you and that's the first

2512
02:07:07,050 --> 02:07:06,190
question and the second one is what what

2513
02:07:10,620 --> 02:07:07,060

do they want

2514

02:07:16,669 --> 02:07:10,630

Calvin well you know I've thought a lot

2515

02:07:21,959 --> 02:07:16,679

about this and I'm thinking you know how

2516

02:07:25,740 --> 02:07:21,969

we used to or not not me but they used

2517

02:07:29,300 --> 02:07:25,750

to experiment with animals too Oh for

2518

02:07:32,700 --> 02:07:29,310

medical reasons and things like this and

2519

02:07:36,209 --> 02:07:32,710

I think that maybe we just a medical

2520

02:07:38,419 --> 02:07:36,219

experiment to him and to see him they

2521

02:07:41,910 --> 02:07:38,429

might can adapt right here on earth

2522

02:07:46,260 --> 02:07:41,920

because I'm not sure that they could if

2523

02:07:48,600 --> 02:07:46,270

they came Brian did you in Charles

2524

02:07:52,890 --> 02:07:48,610

get a chance to you know bury the

2525

02:07:56,580 --> 02:07:52,900

hatchet no last time I sent Charles

2526

02:08:01,640 --> 02:07:56,590

Hickson he'd let his stuff just throw

2527

02:08:04,979 --> 02:08:01,650

him into bankruptcy more or less and I

2528

02:08:07,050 --> 02:08:04,989

seen him one time his son called and

2529

02:08:08,790 --> 02:08:07,060

said they turned electricity off at the

2530

02:08:12,360 --> 02:08:08,800

house window but I had the money to pay

2531

02:08:17,580 --> 02:08:12,370

yet and I did let him have it

2532

02:08:20,430 --> 02:08:17,590

and you know I didn't see Charlie no

2533

02:08:23,370 --> 02:08:20,440

more after that he died just shortly

2534

02:08:27,560 --> 02:08:23,380

what year was that what what year did

2535

02:08:31,950 --> 02:08:27,570

his electricity get shut off that was

2536

02:08:33,780 --> 02:08:31,960

just before he died I was trying to

2537

02:08:36,660 --> 02:08:33,790

think of the day he died he's been dead

2538

02:08:39,330 --> 02:08:36,670

seven eight years right but but he let

2539

02:08:42,720 --> 02:08:39,340

this stuff you know he went from a

2540

02:08:44,250 --> 02:08:42,730

productive human being to follow him and

2541

02:08:47,610 --> 02:08:44,260

everybody to tell you the same thing

2542

02:08:50,399 --> 02:08:47,620

it's no money and writing books about

2543

02:08:53,970 --> 02:08:50,409

the subject nope or admin or anything

2544

02:08:54,780 --> 02:08:53,980

and that's like me I didn't do this for

2545

02:08:57,000 --> 02:08:54,790

the money

2546

02:08:59,760 --> 02:08:57,010

what a little bit of money that we get

2547

02:09:02,700 --> 02:08:59,770

from our book sales and stuff I mostly

2548

02:09:05,700 --> 02:09:02,710

go back to charities and then I donate

2549

02:09:08,550 --> 02:09:05,710

to my community where I live them and

2550

02:09:12,000 --> 02:09:08,560

the Jackson County and then you know I

2551

02:09:14,610 --> 02:09:12,010

try to give the st. Jude's so I want him

2552

02:09:19,320 --> 02:09:14,620

you know it's not the money thing I

2553

02:09:21,419 --> 02:09:19,330

already had my living made so I think

2554

02:09:24,000 --> 02:09:21,429

it's good just donate that a little bit

2555

02:09:26,669 --> 02:09:24,010

and have a clear conscience about it and

2556

02:09:28,260 --> 02:09:26,679

you just never got a chance to do you

2557

02:09:31,860 --> 02:09:28,270

wish you could kind of go back in time

2558

02:09:35,100 --> 02:09:31,870

and and and straighten you know Charles

2559

02:09:39,240 --> 02:09:35,110

out and maybe you know put all the stuff

2560

02:09:43,770 --> 02:09:39,250

behind you I do every day right I regret

2561

02:09:46,290 --> 02:09:43,780

not setting down and speaking to Charlie

2562

02:09:49,919 --> 02:09:46,300

you know us having a conversation kind

2563

02:09:52,290 --> 02:09:49,929

of like we having tonight because after

2564

02:09:53,910 --> 02:09:52,300

that day and I thought he was the one

2565

02:09:57,930 --> 02:09:53,920

that broke the story that pretty well

2566

02:09:58,860 --> 02:09:57,940

just wound us uh mm-hmm now me and

2567

02:10:01,650 --> 02:09:58,870

Charlie never

2568

02:10:05,640 --> 02:10:01,660

was friends but he was friends my father

2569

02:10:08,370 --> 02:10:05,650

and back before he even moved to pass

2570

02:10:11,220 --> 02:10:08,380

but you live before I came down we used

2571

02:10:14,460 --> 02:10:11,230

to all being his children was all real

2572

02:10:16,530 --> 02:10:14,470

close and we would all go fishing on

2573

02:10:20,160 --> 02:10:16,540

camping trips together on a regular

2574

02:10:24,780 --> 02:10:20,170

basis and you know it was a lot of fun

2575

02:10:25,470 --> 02:10:24,790

all that stopped all that stopped that

2576

02:10:32,760 --> 02:10:25,480

ain't right

2577

02:10:35,010 --> 02:10:32,770

the new book is out finally we get to

2578

02:10:37,560 --> 02:10:35,020

hear from you Calvin and this was just a

2579

02:10:40,250 --> 02:10:37,570

wonderful wonderful conversation tonight

2580

02:10:43,080 --> 02:10:40,260

I look forward to not only meeting you

2581

02:10:45,690 --> 02:10:43,090

and hanging out and break some bread but

2582

02:10:47,430 --> 02:10:45,700

get you back on the show and let's have

2583

02:10:49,230 --> 02:10:47,440

another conversation you down for that

2584

02:10:52,260 --> 02:10:49,240

I'm down for that

2585

02:10:54,390 --> 02:10:52,270

by then the other book could be kind of

2586

02:10:56,130 --> 02:10:54,400

circulating around a little bit I can't

2587

02:10:58,460 --> 02:10:56,140

wait to get it I can't wait to get it

2588

02:11:00,990 --> 02:10:58,470

and do me a favor

2589

02:11:04,560 --> 02:11:01,000

tell-tell why not thank you for letting

2590

02:11:08,540 --> 02:11:04,570

you stay up late oh I will I think she's

2591

02:11:16,020 --> 02:11:12,630

Calvin you are amazing and this is uh

2592

02:11:18,990 --> 02:11:16,030

this has just been very special not only

2593

02:11:21,090 --> 02:11:19,000

for myself tonight but for our entire

2594

02:11:22,920 --> 02:11:21,100

audience keep doing what you're doing

2595

02:11:25,830 --> 02:11:22,930

your feet are on the ground man don't

2596

02:11:27,600 --> 02:11:25,840

change and I look forward to the next

2597

02:11:29,820 --> 02:11:27,610

time thank you so much Calvin oh I'm

2598

02:11:31,560 --> 02:11:29,830

looking forward just any time you get

2599

02:11:33,180 --> 02:11:31,570

ready to get you booked rate it and

2600

02:11:36,570 --> 02:11:33,190

figure out what you want to ask and we'd

2601

02:11:39,630 --> 02:11:36,580

do this again because I thoroughly enjoy

2602

02:11:41,700 --> 02:11:39,640

this thank you so much man and you know

2603

02:11:43,890 --> 02:11:41,710

what I knew it was gonna be like this

2604

02:11:46,500 --> 02:11:43,900

Calvin you know I knew that but let's

2605

02:11:48,390 --> 02:11:46,510

let's let's pull it back a little bit so

2606

02:11:51,570 --> 02:11:48,400

we can save some for the next

2607

02:11:53,520 --> 02:11:51,580

conversation there you go Calvin Parker

2608

02:11:54,210 --> 02:11:53,530

thank you so much Calvin enjoy the rest

2609

02:11:58,200 --> 02:11:54,220

of your evening

2610

02:12:01,470 --> 02:11:58,210

thank you ba-ba-ba-ba Calvin Parker now

2611

02:12:03,600 --> 02:12:01,480

the the links are right there at Jimmy

2612

02:12:06,330 --> 02:12:03,610

Church radio.com it'll take you straight

2613

02:12:08,730 --> 02:12:06,340

to flying disc press and I do want to

2614

02:12:10,810 --> 02:12:08,740

thank mr. Philip mantel over in the UK

2615

02:12:12,700 --> 02:12:10,820

not only for

2616

02:12:16,300 --> 02:12:12,710

getting Calvin on the show but

2617

02:12:18,610 --> 02:12:16,310

publishing the books and bringing all of

2618

02:12:22,930 --> 02:12:18,620

this stuff forward it is very important

2619

02:12:25,210 --> 02:12:22,940

for us and the community and again the

2620

02:12:27,880 --> 02:12:25,220

links are over at Jimmy Church radio.com

2621

02:12:31,180 --> 02:12:27,890

wow what a conversation tonight I don't

2622

02:12:34,390 --> 02:12:31,190

even know where to start I need to

2623

02:12:35,920 --> 02:12:34,400

digest this and and get through it all

2624

02:12:37,510 --> 02:12:35,930

but that was just an amazing

2625

02:12:40,600 --> 02:12:37,520

conversation what a great guy right

2626

02:12:43,570 --> 02:12:40,610

Calvin Parker made me laugh too many

2627

02:12:46,630 --> 02:12:43,580

times very serious subject but just made

2628

02:12:49,720 --> 02:12:46,640

me laugh he is he is alright Calvin

2629

02:12:54,370 --> 02:12:49,730

Parker tomorrow night Tony topping is

2630

02:12:57,730 --> 02:12:54,380

here live from the UK full life of

2631

02:13:01,770 --> 02:12:57,740

contact experiences and I'm going to

2632

02:13:04,330 --> 02:13:01,780

save the details of all of that for our

2633

02:13:07,210 --> 02:13:04,340

conversation tomorrow night but all the

2634

02:13:08,800 --> 02:13:07,220

links for Tony are right there at Jimmy

2635

02:13:11,380 --> 02:13:08,810

Church radio.com so we have two

2636

02:13:14,560 --> 02:13:11,390

first-time guests this week then of

2637

02:13:16,780 --> 02:13:14,570

course Thursday night is another Fator

2638

02:13:18,960 --> 02:13:16,790

night with open lines all night long

2639

02:13:22,660 --> 02:13:18,970

with that I'm gonna get out of here

2640

02:13:26,890 --> 02:13:22,670

great night back after our weekend in

2641

02:13:29,680 --> 02:13:26,900

Palm Springs Calvin Parker

2642

02:13:31,720 --> 02:13:29,690

betablox executive producer is Rita

2643

02:13:34,480 --> 02:13:31,730

Kumari on shows produced by Hill J palm

2644

02:13:35,500 --> 02:13:34,490

Renee Dennison Bob announcers are Steve

2645

02:13:38,980 --> 02:13:35,510

harder Jean Patou

2646

02:13:41,580 --> 02:13:38,990

mark D Koba webmaster is Drew the geek

2647

02:13:44,680 --> 02:13:41,590

music doug aldrich intros space boy

2648

02:13:46,690 --> 02:13:44,690

space boy music calm theta black is

2649

02:13:50,590 --> 02:13:46,700

produced by kjsurya the game changer

2650

02:13:53,620 --> 02:13:50,600

network syndication is kgr a the planet

2651
02:13:55,000 --> 02:13:53,630
is broadcast on the copyright of 2019 by
