Air Force Base

85

00:04:54,740 --> 00:04:52,740

the most notable assignment though began

86

00:04:56,510 --> 00:04:54,750

in 1979 when he was assigned as a

87

00:05:00,590 --> 00:04:56,520

security police law enforcement

88

00:05:02,600 --> 00:05:00,600

patrolman at RAF Bentwaters in England

89

00:05:04,010 --> 00:05:02,610  
we all know what happened next because

90

00:05:07,430 --> 00:05:04,020  
in the early morning hours of December

91

00:05:10,310 --> 00:05:07,440  
26 1980 while working law enforcement

92

00:05:13,220 --> 00:05:10,320  
patrol at RAF Woodbridge he had a

93

00:05:16,610 --> 00:05:13,230  
life-changing event which has now been

94

00:05:18,290 --> 00:05:16,620  
called Rendlesham it has become one of

95

00:05:20,360 --> 00:05:18,300  
the most documented and witnessed

96

00:05:22,940 --> 00:05:20,370  
sightings by the United States military

97

00:05:24,080 --> 00:05:22,950  
in known history I would like to welcome

98

00:05:27,050 --> 00:05:24,090  
back to fade to black

99

00:05:28,850 --> 00:05:27,060  
John Burroughs John how are you good

100

00:05:32,600 --> 00:05:28,860  
Jimmy thanks for having me back you know

101

00:05:37,160 --> 00:05:32,610

John I've kind of made light of this

102

00:05:39,500 --> 00:05:37,170

that is this is the return the return of

103

00:05:42,140 --> 00:05:39,510

John Burroughs I

104

00:05:43,700 --> 00:05:42,150

I want to thank you ok before we get

105

00:05:47,629 --> 00:05:43,710

started tonight for this conversation

106

00:05:50,240 --> 00:05:47,639

and I know that over the last

107

00:05:52,939 --> 00:05:50,250

it's been a year it's probably been

108

00:05:56,330 --> 00:05:52,949

close to that you wanted to back up a

109

00:05:58,119 --> 00:05:56,340

little bit off of and out of the UFO

110

00:06:01,790 --> 00:05:58,129

community and just leave it to others to

111

00:06:04,879 --> 00:06:01,800

research but tonight's show was just too

112

00:06:07,249 --> 00:06:04,889

important and you decided to come out of

113

00:06:09,920 --> 00:06:07,259

hectic retirement it's kind of like I

114

00:06:12,409 --> 00:06:09,930

look at it like this John it's like when

115

00:06:13,969 --> 00:06:12,419

Michael Jordan retired and he came back

116

00:06:17,209 --> 00:06:13,979

and played a couple of games for like

117

00:06:19,879 --> 00:06:17,219

the Washington Senators right let's look

118

00:06:20,360 --> 00:06:19,889

at it that way okay are you cool with

119

00:06:22,850 --> 00:06:20,370

that

120

00:06:24,939 --> 00:06:22,860

no I'm fair enough in actuality I'm

121

00:06:28,969 --> 00:06:24,949

doing some more stuff behind the scenes

122

00:06:31,820 --> 00:06:28,979

with Reis Hobbs too because it just it's

123

00:06:34,550 --> 00:06:31,830

like you want to walk away but then you

124

00:06:36,800 --> 00:06:34,560

can't totally know it's like The

125

00:06:40,610 --> 00:06:36,810

Godfather man it's like The Godfather

126

00:06:45,200 --> 00:06:40,620

yeah they keep pulling me back in but we

127

00:06:49,219 --> 00:06:45,210

need you and I had said in my intro on

128

00:06:51,769 --> 00:06:49,229

this show that you and I have had many

129

00:06:55,519 --> 00:06:51,779

many interviews over the years and every

130

00:06:57,680 --> 00:06:55,529

each show just ratcheted itself up and

131

00:07:00,980 --> 00:06:57,690

they got they just got better and better

132

00:07:03,260 --> 00:07:00,990

and and the conversations were not only

133

00:07:05,570 --> 00:07:03,270

revealing about you and a personal side

134

00:07:10,339 --> 00:07:05,580

but but the other research that you have

135

00:07:13,790 --> 00:07:10,349

done over the years has made each show

136

00:07:16,399 --> 00:07:13,800

better than the last and I look forward

137

00:07:19,879 --> 00:07:16,409

to that and this is my first question

138

00:07:21,920 --> 00:07:19,889

one of the reasons why those shows are

139

00:07:25,459 --> 00:07:21,930

so great and you are who you are is

140

00:07:28,399 --> 00:07:25,469

because you fight for integrity and and

141

00:07:31,369 --> 00:07:28,409

being honest with with a moral character

142

00:07:38,839 --> 00:07:31,379

in play as well that's a very difficult

143

00:07:41,689 --> 00:07:38,849

path right well yeah I mean okay look my

144

00:07:45,200 --> 00:07:41,699

this probably will start right off not

145

00:07:47,570 --> 00:07:45,210

making some people happy but ufology is

146

00:07:49,820 --> 00:07:47,580

basically you have people that are

147

00:07:51,860 --> 00:07:49,830

trying to understand different things

148

00:07:54,619 --> 00:07:51,870

that have happened to them then you have

149

00:07:57,499 --> 00:07:54,629

some people that you know seen something

150

00:08:00,019 --> 00:07:57,509

in the sky or have some interest in it

151  
00:08:01,340 --> 00:08:00,029  
but ultimately so many of the people

152  
00:08:03,710 --> 00:08:01,350  
that

153  
00:08:09,499 --> 00:08:03,720  
they turn to their out there to make a

154  
00:08:11,960 --> 00:08:09,509  
living and as I got involved in this you

155  
00:08:13,520 --> 00:08:11,970  
know and then late like 2008 where I

156  
00:08:15,740 --> 00:08:13,530  
started really getting into it

157  
00:08:17,779 --> 00:08:15,750  
based on the 30th anniversary and stuff

158  
00:08:19,939 --> 00:08:17,789  
where it's just so many more people

159  
00:08:21,740 --> 00:08:19,949  
jumped on and since to the Stars went

160  
00:08:23,960 --> 00:08:21,750  
public two years ago there's even more

161  
00:08:25,790 --> 00:08:23,970  
and then you have all these shows and

162  
00:08:28,270 --> 00:08:25,800  
everything else going on and there's

163  
00:08:31,189 --> 00:08:28,280

really the bone isn't that big and

164

00:08:33,740 --> 00:08:31,199

everybody's fighting for their piece of

165

00:08:37,940 --> 00:08:33,750

meat on the bone mm-hmm and there's just

166

00:08:39,440 --> 00:08:37,950

not enough meat and so they you've got

167

00:08:41,990 --> 00:08:39,450

some of these guys out there making

168

00:08:44,269 --> 00:08:42,000

these will brash statements and stuff

169

00:08:47,210 --> 00:08:44,279

like that and it's it's sad it's sad

170

00:08:49,760 --> 00:08:47,220

when when in fact you need to know the

171

00:08:52,760 --> 00:08:49,770

history of this going back way back in

172

00:08:55,519 --> 00:08:52,770

time before you can even really start to

173

00:08:58,130 --> 00:08:55,529

really understand how this has evolved

174

00:08:59,960 --> 00:08:58,140

and what's going on and then you have to

175

00:09:01,460 --> 00:08:59,970

want to go where the truth takes you not

176

00:09:04,269 --> 00:09:01,470

where you want it to to keep your

177

00:09:07,730 --> 00:09:04,279

website and everything else going and

178

00:09:10,010 --> 00:09:07,740

the next question which is probably the

179

00:09:11,150 --> 00:09:10,020

most important one to establish things

180

00:09:16,370 --> 00:09:11,160

for tonight

181

00:09:21,199 --> 00:09:16,380

is why why does fade to black have you

182

00:09:26,300 --> 00:09:21,209

on tonight discussing to the Stars what

183

00:09:29,060 --> 00:09:26,310

what direct or indirect contact do you

184

00:09:33,110 --> 00:09:29,070

have with to the Stars and the cast of

185

00:09:35,780 --> 00:09:33,120

characters surrounding Tom DeLonge well

186

00:09:38,000 --> 00:09:35,790

it started with the fact that back

187

00:09:39,110 --> 00:09:38,010

around the 30th anniversary I started

188

00:09:41,390 --> 00:09:39,120

trying to get stuff together for

189

00:09:43,670 --> 00:09:41,400

Rendell's home and then I got sick and

190

00:09:47,240 --> 00:09:43,680

and I'd had some issues prior but not

191

00:09:48,890 --> 00:09:47,250

life-threatening issues so I started to

192

00:09:52,220 --> 00:09:48,900

work with trying to get medical records

193

00:09:55,150 --> 00:09:52,230

and and my personnel files and get a va

194

00:09:57,590 --> 00:09:55,160

claim going and get in the VA system and

195

00:10:01,100 --> 00:09:57,600

every step of the way I ran into a wall

196

00:10:02,720 --> 00:10:01,110

um they altered they said I wasn't in

197

00:10:05,630 --> 00:10:02,730

the Air Force when the incident took

198

00:10:07,820 --> 00:10:05,640

place when I was injured they denied me

199

00:10:11,480 --> 00:10:07,830

access to my medical records and so on

200

00:10:13,880 --> 00:10:11,490

um so as this was all going on I went to

201  
00:10:14,370 --> 00:10:13,890  
that Steve Bassett conference what was

202  
00:10:16,770 --> 00:10:14,380  
it called

203  
00:10:19,650 --> 00:10:16,780  
do you know all the time citizens of

204  
00:10:23,820 --> 00:10:19,660  
disclosure yeah right right I went to

205  
00:10:27,150 --> 00:10:23,830  
that now I put Steve on the spot because

206  
00:10:28,890 --> 00:10:27,160  
I wasn't really keen on going because it

207  
00:10:31,200 --> 00:10:28,900  
was just gonna be the same stuff and

208  
00:10:33,180 --> 00:10:31,210  
don't get me wrong I understand you've

209  
00:10:35,550 --> 00:10:33,190  
gotta put stuff out there talk about

210  
00:10:37,860 --> 00:10:35,560  
documents talk about military citizen

211  
00:10:39,600 --> 00:10:37,870  
stuff but but it was just the same stuff

212  
00:10:41,340 --> 00:10:39,610  
you're rehashing the same material it's

213  
00:10:44,100 --> 00:10:41,350

been on and on and there were any of

214

00:10:46,440 --> 00:10:44,110

these ex members of Congress so I sat

215

00:10:48,540 --> 00:10:46,450

and thought well if I'm gonna go I'm

216

00:10:50,040 --> 00:10:48,550

gonna do it differently I'm going to

217

00:10:52,140 --> 00:10:50,050

first of all Steve you got all of me

218

00:10:54,600 --> 00:10:52,150

Burrell later which he didn't know I had

219

00:10:56,280 --> 00:10:54,610

one and we're gonna sit there and

220

00:10:58,920 --> 00:10:56,290

they're going to talk to us like they

221

00:11:01,140 --> 00:10:58,930

would like a real incident that happened

222

00:11:03,020 --> 00:11:01,150

with inside the military you know what I

223

00:11:05,970 --> 00:11:03,030

mean doesn't Washington in an event and

224

00:11:08,820 --> 00:11:05,980

we brought the documents to support the

225

00:11:10,950 --> 00:11:08,830

fact that my records have been messed

226  
00:11:12,420 --> 00:11:10,960  
with I was being denied medical records

227  
00:11:14,430 --> 00:11:12,430  
and all this other stuff and it was all

228  
00:11:18,060 --> 00:11:14,440  
laid out in front of him and they were

229  
00:11:19,620 --> 00:11:18,070  
just taken aback and they when they went

230  
00:11:21,630 --> 00:11:19,630  
on break the game I started making

231  
00:11:23,360 --> 00:11:21,640  
phone calls and they came back and a lot

232  
00:11:25,740 --> 00:11:23,370  
of them didn't even know about the

233  
00:11:27,690 --> 00:11:25,750  
classified record section for medical

234  
00:11:30,060 --> 00:11:27,700  
records that if you're involved in a

235  
00:11:32,160 --> 00:11:30,070  
classified operation your records are

236  
00:11:35,190 --> 00:11:32,170  
classified and you can't really get

237  
00:11:37,020 --> 00:11:35,200  
access to him and why these guys that

238  
00:11:40,200 --> 00:11:37,030

were retired didn't even know this now

239

00:11:42,270 --> 00:11:40,210

one of the two of them did that gravel

240

00:11:45,240 --> 00:11:42,280

the guy that was involved in senator

241

00:11:46,920 --> 00:11:45,250

gravel yes yes oh yeah and he actually

242

00:11:49,530 --> 00:11:46,930

grilled us a little bit going what are

243

00:11:51,690 --> 00:11:49,540

you still holding back on us and you

244

00:11:53,340 --> 00:11:51,700

have you have immunity if you tell us

245

00:11:55,290 --> 00:11:53,350

and they all jumped in and said no you

246

00:11:57,990 --> 00:11:55,300

don't you don't have the immunity we

247

00:12:00,030 --> 00:11:58,000

have so that was interesting and then

248

00:12:01,320 --> 00:12:00,040

there was a Senate or a congressman and

249

00:12:05,580 --> 00:12:01,330

I can't remember his name is an older

250

00:12:07,620 --> 00:12:05,590

guy his district was DC and he knew

251  
00:12:10,770 --> 00:12:07,630  
exactly what I was talking about and on

252  
00:12:12,540 --> 00:12:10,780  
the break his he was retired but he

253  
00:12:14,400 --> 00:12:12,550  
still had a staffer that he did some

254  
00:12:16,830 --> 00:12:14,410  
work for me she approached me through

255  
00:12:19,200 --> 00:12:16,840  
him and came out to me and said no we we

256  
00:12:20,750 --> 00:12:19,210  
know what you're saying is true and the

257  
00:12:23,310 --> 00:12:20,760  
documentation you've presented is true

258  
00:12:26,130 --> 00:12:23,320  
because we deal with this all the time

259  
00:12:27,570 --> 00:12:26,140  
or we did because what's there Langley

260  
00:12:29,550 --> 00:12:27,580  
and everything else

261  
00:12:31,530 --> 00:12:29,560  
and all these guys that were working in

262  
00:12:34,350 --> 00:12:31,540  
these operations would get injured and

263  
00:12:37,530 --> 00:12:34,360

then they didn't have access to their

264

00:12:39,330 --> 00:12:37,540

records so they were giving denied

265

00:12:41,520 --> 00:12:39,340

treatment and the proper things they

266

00:12:43,890 --> 00:12:41,530

were supposed to get so she actually

267

00:12:45,930 --> 00:12:43,900

ended up helping senator McCain's aid

268

00:12:48,660 --> 00:12:45,940

with some of this stuff too but what

269

00:12:51,720 --> 00:12:48,670

happened was after we did the event and

270

00:12:53,790 --> 00:12:51,730

they wrote out a letter sent to

271

00:12:56,400 --> 00:12:53,800

President Obama and to the head of the

272

00:12:59,310 --> 00:12:56,410

VA at the time and it was interesting

273

00:13:02,310 --> 00:12:59,320

because when I finally did get someone

274

00:13:04,200 --> 00:13:02,320

on my case file I've had I forced it

275

00:13:07,350 --> 00:13:04,210

through the VA to get it out the letter

276

00:13:13,020 --> 00:13:07,360

from Obama was in there and it was

277

00:13:15,210 --> 00:13:13,030

signed off by Podesta hmm so Obama and

278

00:13:17,160 --> 00:13:15,220

Podesta were aware of the incident and

279

00:13:19,380 --> 00:13:17,170

so I don't forget to talk about this

280

00:13:21,090 --> 00:13:19,390

later and one of the things I found out

281

00:13:24,810 --> 00:13:21,100

later was the Department of Justice got

282

00:13:27,480 --> 00:13:24,820

in the middle of all this so but what

283

00:13:29,130 --> 00:13:27,490

happened was after we came back about

284

00:13:30,810 --> 00:13:29,140

two weeks later my attorney Pat force

285

00:13:34,320 --> 00:13:30,820

Konya got a phone call from a CIA agent

286

00:13:36,720 --> 00:13:34,330

or a retired / whatever you want to call

287

00:13:37,680 --> 00:13:36,730

him he was still a contractor working

288

00:13:39,720 --> 00:13:37,690

for the government and all this other

289

00:13:42,360 --> 00:13:39,730

stuff and he wanted to meet with him and

290

00:13:44,730 --> 00:13:42,370

then me and go over some stuff because

291

00:13:49,530 --> 00:13:44,740

he had some interest and it was that

292

00:13:53,130 --> 00:13:49,540

kick ring okay so the list starts okay

293

00:13:55,200 --> 00:13:53,140

so kit green is is up to bat first got

294

00:13:58,380 --> 00:13:55,210

it right he's up to bat first visits the

295

00:14:01,500 --> 00:13:58,390

attorney in Jackson and then blows him

296

00:14:03,300 --> 00:14:01,510

away I mean it was like here he is you

297

00:14:05,670 --> 00:14:03,310

know one minute he's in Jackson

298

00:14:07,380 --> 00:14:05,680

Mississippi and he does this UFO

299

00:14:08,970 --> 00:14:07,390

conference and he meets me and he agrees

300

00:14:10,500 --> 00:14:08,980

to help me and we start FOIA and we

301

00:14:12,810 --> 00:14:10,510

start all this stuff and we were

302

00:14:14,250 --> 00:14:12,820

actually in the process at the time we

303

00:14:16,560 --> 00:14:14,260

were already sending out notifications

304

00:14:18,930 --> 00:14:16,570

to witnesses to include the command

305

00:14:21,540 --> 00:14:18,940

within Bentwaters would you do an

306

00:14:22,590 --> 00:14:21,550

interview and leave subpoena because we

307

00:14:24,840 --> 00:14:22,600

were going to file a federal lawsuit

308

00:14:26,610 --> 00:14:24,850

against the federal government having to

309

00:14:27,990 --> 00:14:26,620

do with my records and why why are they

310

00:14:32,850 --> 00:14:28,000

classified why are they being held back

311

00:14:36,750 --> 00:14:32,860

so he shows up meets with Pat says let

312

00:14:41,540 --> 00:14:36,760

me let me jump in so this was 2010 this

313

00:14:44,300 --> 00:14:41,550

would have been in 2011 2001 well or 12

314

00:14:48,170 --> 00:14:44,310

like a glue strike cuz the conference

315

00:14:49,940 --> 00:14:48,180

was in ten we came back and eleven did I

316

00:14:53,390 --> 00:14:49,950

think it was twelve if I remember right

317

00:14:55,160 --> 00:14:53,400

whenever was ever the whenever they had

318

00:14:56,810 --> 00:14:55,170

the Bassett conference it was right

319

00:14:59,510 --> 00:14:56,820

after the conference that kid green

320

00:15:01,430 --> 00:14:59,520

showed up got it so it may have been

321

00:15:03,320 --> 00:15:01,440

eleven twelve I you know I'd have to go

322

00:15:06,380 --> 00:15:03,330

back over my notes but so he shows up

323

00:15:07,280 --> 00:15:06,390

he's with Pat then comes out to me when

324

00:15:11,570 --> 00:15:07,290

me and Sedona

325

00:15:14,390 --> 00:15:11,580

okay so he gives Pat a generalization of

326

00:15:17,540 --> 00:15:14,400

what he was interested in what he wanted

327

00:15:21,080 --> 00:15:17,550

to do and and he also said that what was

328

00:15:23,180 --> 00:15:21,090

being done to me was wrong and he knew

329

00:15:24,590 --> 00:15:23,190

about a lot about what was going on

330

00:15:27,260 --> 00:15:24,600

which we thought was strange because we

331

00:15:30,230 --> 00:15:27,270

had doctor but he said he was willing to

332

00:15:33,140 --> 00:15:30,240

testify he would be willing to testify

333

00:15:35,990 --> 00:15:33,150

in our favor on the whole thing that was

334

00:15:38,840 --> 00:15:36,000

going on so okay so I met with them and

335

00:15:41,120 --> 00:15:38,850

when he approached me he checked me out

336

00:15:43,970 --> 00:15:41,130

and I didn't know this at the time but

337

00:15:45,920 --> 00:15:43,980

he told Pat on off the side he says we

338

00:15:46,760 --> 00:15:45,930

got to get this expedited he don't have

339

00:15:50,090 --> 00:15:46,770

much time left

340

00:15:51,740 --> 00:15:50,100

his heart's really failing so so he

341

00:15:57,050 --> 00:15:51,750

meets with me and then he lays out his

342

00:16:00,230 --> 00:15:57,060

spiel and he wants to draw DNA through

343

00:16:03,830 --> 00:16:00,240

Gary Nolan who it was on to the Stars

344

00:16:08,600 --> 00:16:03,840

for a while and Kelleher who was on two

345

00:16:11,480 --> 00:16:08,610

stars and they want to do a DNA sample

346

00:16:15,050 --> 00:16:11,490

and put it in a testing pool and then

347

00:16:18,140 --> 00:16:15,060

they also want to do an MRI um on my on

348

00:16:20,330 --> 00:16:18,150

my brain to identify certain features

349

00:16:22,910 --> 00:16:20,340

which you know it's kind of complicated

350

00:16:24,890 --> 00:16:22,920

but it all ties in to the DNA and

351

00:16:26,390 --> 00:16:24,900

everything in the encounters you may

352

00:16:29,480 --> 00:16:26,400

have had or what its affected you and

353

00:16:34,340 --> 00:16:29,490

all that other stuff so we did our spiel

354

00:16:36,320 --> 00:16:34,350

and I'm military I've been investigated

355

00:16:39,530 --> 00:16:36,330

background and stuff and and just like I

356

00:16:40,970 --> 00:16:39,540

look at him and I'm like this is kind of

357

00:16:42,920 --> 00:16:40,980

unreal in the first place but I'm like

358

00:16:45,200 --> 00:16:42,930

no I'm not just gonna give you my stuff

359

00:16:47,240 --> 00:16:45,210

said what's what am I gonna get out of

360

00:16:49,250 --> 00:16:47,250

it I'm sick I'm getting stonewalled by

361

00:16:51,020 --> 00:16:49,260

the government they're not helping me

362

00:16:53,210 --> 00:16:51,030

with my records they're not releasing

363

00:16:54,860 --> 00:16:53,220

stuff they've denied my claim because

364

00:16:57,140 --> 00:16:54,870

they said I wasn't even in

365

00:16:58,760 --> 00:16:57,150

and all the stuff is going on what a mic

366

00:17:00,820 --> 00:16:58,770

what what do you want it's just not

367

00:17:03,860 --> 00:17:00,830

gonna happen and I said on top of it all

368

00:17:05,420 --> 00:17:03,870

how am I gonna be able to back up or how

369

00:17:07,490 --> 00:17:05,430

are you gonna prove to me whatever you

370

00:17:08,900 --> 00:17:07,500

do when you come back because one of the

371

00:17:11,809 --> 00:17:08,910

things you just told me it was this DNA

372

00:17:13,880 --> 00:17:11,819

testing can only be done two places and

373

00:17:15,110 --> 00:17:13,890

not many people know about it so how am

374

00:17:17,380 --> 00:17:15,120

I even gonna know what you tell me and

375

00:17:21,140 --> 00:17:17,390

what's going on so I told him no I

376

00:17:22,640 --> 00:17:21,150

didn't he was leaving and then when he

377

00:17:24,439 --> 00:17:22,650

was leaving he made a phone call back to

378

00:17:26,900 --> 00:17:24,449

Phoenix and said well I'm gonna we're

379

00:17:32,660 --> 00:17:26,910

gonna fly in knowing and co her tomorrow

380

00:17:34,040 --> 00:17:32,670

Flagstaff Arizona and so they flew him

381

00:17:36,260 --> 00:17:34,050

in they brought him actually they flew

382

00:17:38,390 --> 00:17:36,270

TV through no one into Vegas they drove

383

00:17:39,830 --> 00:17:38,400

down from Vegas to Flagstaff and they

384

00:17:41,660 --> 00:17:39,840

met with me and they did a full-court

385

00:17:45,650 --> 00:17:41,670

press to try to get my DNA and I told

386

00:17:49,940 --> 00:17:45,660

him no and what did they yeah what did

387

00:17:52,040 --> 00:17:49,950

they reveal to you at that point you

388

00:17:55,100 --> 00:17:52,050

know was it a general interest in UFOs

389

00:17:57,380 --> 00:17:55,110

or over they looking out for the best

390

00:17:58,790 --> 00:17:57,390

interest of John Burroughs were they

391

00:18:01,640 --> 00:17:58,800

trying to be your friend

392

00:18:05,060 --> 00:18:01,650

it was at the time I know a lot more now

393

00:18:07,450 --> 00:18:05,070

because it's all kind of evolved but at

394

00:18:10,430 --> 00:18:07,460

the time it was very vague it was simply

395

00:18:12,620 --> 00:18:10,440

we're doing a study on the effects of

396

00:18:15,110 --> 00:18:12,630

DNA on people who have had incidents

397

00:18:17,090 --> 00:18:15,120

like yours there's been quite a few of

398

00:18:19,010 --> 00:18:17,100

them they said most of them had never

399

00:18:21,169 --> 00:18:19,020

seen the light of day yours just did it

400

00:18:22,580 --> 00:18:21,179

got Declassified and Green had told us

401  
00:18:24,350 --> 00:18:22,590  
the day before that it was a mistake

402  
00:18:27,470 --> 00:18:24,360  
that it ever got out it never shouldn't

403  
00:18:30,500 --> 00:18:27,480  
gone out and in a lot of different

404  
00:18:32,120 --> 00:18:30,510  
events that went on were never I've

405  
00:18:35,090 --> 00:18:32,130  
never gotten out and people were injured

406  
00:18:37,880 --> 00:18:35,100  
you know and had issues like me and that

407  
00:18:41,960 --> 00:18:37,890  
they were trying to understand what it

408  
00:18:44,180 --> 00:18:41,970  
was that you know injured us and how it

409  
00:18:46,880 --> 00:18:44,190  
affected us that was the big part of it

410  
00:18:49,669 --> 00:18:46,890  
now what I didn't know at the time but

411  
00:18:51,740 --> 00:18:49,679  
it became apparent later was so I don't

412  
00:18:54,890 --> 00:18:51,750  
forget this later when you had all that

413  
00:18:56,330 --> 00:18:54,900

stuff the document don't buy map and

414

00:18:58,580 --> 00:18:56,340

stuff about all the stuff that went on

415

00:19:01,310 --> 00:18:58,590

and you know the funding and everything

416

00:19:03,080 --> 00:19:01,320

one of the things that came out was is

417

00:19:05,270 --> 00:19:03,090

that when they were doing the work at

418

00:19:07,840 --> 00:19:05,280

the skinwalker ranch

419

00:19:12,289 --> 00:19:07,850

they brought in own Special Ops forces

420

00:19:15,919 --> 00:19:12,299

who had an encounter at the ranch with

421

00:19:18,740 --> 00:19:15,929

the phenomenon that's there and some of

422

00:19:20,539 --> 00:19:18,750

them a more injured by it was this part

423

00:19:23,480 --> 00:19:20,549

of ok I don't want to get too far ahead

424

00:19:26,390 --> 00:19:23,490

of our skis but bringing in Special Ops

425

00:19:28,940 --> 00:19:26,400

guys up to skinwalker to do some testing

426

00:19:31,310 --> 00:19:28,950

you know guys that have had experiences

427

00:19:34,390 --> 00:19:31,320

you know to bring them up to skinwalker

428

00:19:36,500 --> 00:19:34,400

was that part was that government-funded

429

00:19:38,419 --> 00:19:36,510

yeah it was part of the Harry Reid

430

00:19:40,399 --> 00:19:38,429

program that's the thing that they

431

00:19:42,470 --> 00:19:40,409

that's what I mean with this if you read

432

00:19:44,810 --> 00:19:42,480

the documents right go back in and look

433

00:19:46,340 --> 00:19:44,820

at these documents and they skim over

434

00:19:49,190 --> 00:19:46,350

them and a lot of people pick out what

435

00:19:50,630 --> 00:19:49,200

they want within it and when I had my

436

00:19:52,370 --> 00:19:50,640

show with Lynn him on the how phenomenal

437

00:19:55,520 --> 00:19:52,380

radio we had Knapp come on and he talked

438

00:19:57,289 --> 00:19:55,530

about it okay and what was funny was we

439

00:19:59,000 --> 00:19:57,299

knew quite a bit about it because I'd

440

00:20:01,159 --> 00:19:59,010

done some research and we talked to

441

00:20:03,620 --> 00:20:01,169

Korbel he's right before we talked to

442

00:20:05,510 --> 00:20:03,630

him and Korbel drops some information on

443

00:20:08,539 --> 00:20:05,520

our show prior to that about all this

444

00:20:10,789 --> 00:20:08,549

and yeah they actually brought these

445

00:20:13,100 --> 00:20:10,799

special operations to pond to have an

446

00:20:18,740 --> 00:20:13,110

encounter with this phenomenon and they

447

00:20:22,880 --> 00:20:18,750

did now going back to this period with a

448

00:20:25,370 --> 00:20:22,890

Nolan and Kelleher and kid Green was

449

00:20:30,020 --> 00:20:25,380

there any conversation back then about

450

00:20:31,640 --> 00:20:30,030

Bigelow or bass or or because that was

451

00:20:33,470 --> 00:20:31,650

one of the things one of my first

452

00:20:35,149 --> 00:20:33,480

questions was who's funding this wars is

453

00:20:38,060 --> 00:20:35,159

coming from we won't relieve our sources

454

00:20:41,210 --> 00:20:38,070

he was just so vague and I said no so

455

00:20:43,700 --> 00:20:41,220

what happened was Pat got a very

456

00:20:45,350 --> 00:20:43,710

scathing phone call back from Green was

457

00:20:46,310 --> 00:20:45,360

very upset to drop a lot of money they

458

00:20:50,419 --> 00:20:46,320

didn't get what they wanted

459

00:20:52,640 --> 00:20:50,429

and so I went he went back to Detroit

460

00:20:56,060 --> 00:20:52,650

and these guys went back to their home

461

00:20:59,750 --> 00:20:56,070

base and so but we're gonna keep a touch

462

00:21:01,399 --> 00:20:59,760

Tito Pat so what happened was they kept

463

00:21:05,299 --> 00:21:01,409

pushing me for stuff and I kept telling

464

00:21:08,000 --> 00:21:05,309

them hey check this out when you do

465

00:21:09,740 --> 00:21:08,010

something for me and that is do

466

00:21:12,580 --> 00:21:09,750

something with inside the government to

467

00:21:16,970 --> 00:21:12,590

get this rolling we'll talk afterwards

468

00:21:18,320 --> 00:21:16,980

so magically within about three weeks a

469

00:21:22,520 --> 00:21:18,330

letter comes

470

00:21:26,390 --> 00:21:22,530

through Greenwich he's a doctor to the

471

00:21:31,100 --> 00:21:26,400

attorney so it's doctor attorney and I'm

472

00:21:34,250 --> 00:21:31,110

a patient privilege spelling out why I

473

00:21:36,380 --> 00:21:34,260

was injured or what was wrong with me so

474

00:21:40,340 --> 00:21:36,390

you couldn't get to the bottom of it

475

00:21:43,190 --> 00:21:40,350

right you were struggling and your stuff

476  
00:21:46,760 --> 00:21:43,200  
was sealed but kid green managed to pull

477  
00:21:49,120 --> 00:21:46,770  
that off he knew exactly what to put in

478  
00:21:53,240 --> 00:21:49,130  
that letter and so what he said was

479  
00:21:55,160 --> 00:21:53,250  
because McCain had got me in viola got

480  
00:21:56,840 --> 00:21:55,170  
me in the VA to start listening because

481  
00:21:58,670 --> 00:21:56,850  
he did some threatening with all the

482  
00:22:01,160 --> 00:21:58,680  
stuff that was going on and I was going

483  
00:22:03,590 --> 00:22:01,170  
in to see the VA doctors you know to

484  
00:22:05,030 --> 00:22:03,600  
start with some of what was going on and

485  
00:22:07,070 --> 00:22:05,040  
everything because I'd already been

486  
00:22:08,660 --> 00:22:07,080  
denied the first time when I saw the

487  
00:22:10,040 --> 00:22:08,670  
doctors because they said well the

488  
00:22:11,600 --> 00:22:10,050

injuries that you said happened didn't

489

00:22:12,410 --> 00:22:11,610

even happen to you or couldn't have

490

00:22:14,210 --> 00:22:12,420

happen to you you weren't in the

491

00:22:16,640 --> 00:22:14,220

military and that was a big mess so I'm

492

00:22:19,780 --> 00:22:16,650

going in so I get this letter you know

493

00:22:24,640 --> 00:22:19,790

and it's got classified stuff in it and

494

00:22:26,990 --> 00:22:24,650

so I take the letter to my VA doctor and

495

00:22:29,810 --> 00:22:27,000

he looks at that letter and he leaves

496

00:22:31,970 --> 00:22:29,820

the room and he said I'll be back and he

497

00:22:33,260 --> 00:22:31,980

was gone for a good 30 minutes and he's

498

00:22:35,630 --> 00:22:33,270

on the phone you can hear him in the

499

00:22:38,120 --> 00:22:35,640

next office over on the phone comes back

500

00:22:40,940 --> 00:22:38,130

in and he says we're getting you down

501  
00:22:42,410 --> 00:22:40,950  
into cardiologist from Prescott within

502  
00:22:44,480 --> 00:22:42,420  
the next 48 hours you begin the phone

503  
00:22:48,470 --> 00:22:44,490  
call and we're gonna take it from there

504  
00:22:51,230 --> 00:22:48,480  
so I'm like whoa this just everything

505  
00:22:54,830 --> 00:22:51,240  
just changed so I'm in the cardiologists

506  
00:22:56,780 --> 00:22:54,840  
office like two days later he got the

507  
00:22:59,930 --> 00:22:56,790  
letter he's looking at me checks me over

508  
00:23:02,090 --> 00:22:59,940  
does an echo and says you're gonna be

509  
00:23:04,760 --> 00:23:02,100  
going down to Tucson within the next

510  
00:23:07,940 --> 00:23:04,770  
week for evaluation for surgery and I'm

511  
00:23:09,800 --> 00:23:07,950  
like surgery he goes yeah he goes yeah

512  
00:23:13,100 --> 00:23:09,810  
this is bad he goes you've got to get in

513  
00:23:15,170 --> 00:23:13,110

there right away so I'm like okay so

514

00:23:16,580 --> 00:23:15,180

they sent me to Tucson now one of the

515

00:23:18,740 --> 00:23:16,590

first things I picked up right away

516

00:23:20,330 --> 00:23:18,750

which was interesting was you know how

517

00:23:22,040 --> 00:23:20,340

when you go and see a doctor the doctor

518

00:23:24,500 --> 00:23:22,050

cause you and your surgeon and stuff

519

00:23:25,580 --> 00:23:24,510

right right well when I get there early

520

00:23:27,980 --> 00:23:25,590

because this was a long drive from

521

00:23:30,590 --> 00:23:27,990

Sedona davis-monthan hour down to Tucson

522

00:23:31,250 --> 00:23:30,600

the VA so I left early I got there quite

523

00:23:33,380 --> 00:23:31,260

a bit early

524

00:23:35,510 --> 00:23:33,390

45 minutes early so I'm sitting in there

525

00:23:37,070 --> 00:23:35,520

and I'm watching this surgeon come out

526  
00:23:39,320 --> 00:23:37,080  
or appears to be the surgeon because

527  
00:23:42,260 --> 00:23:39,330  
he's calling in to patients when it's my

528  
00:23:45,080 --> 00:23:42,270  
turn a different doctor comes out calls

529  
00:23:49,580 --> 00:23:45,090  
me in takes me in the back office and we

530  
00:23:50,900 --> 00:23:49,590  
started a negotiation and he starts to

531  
00:23:52,190 --> 00:23:50,910  
talk to me about they want to do this

532  
00:23:53,810 --> 00:23:52,200  
and that that day and all that and I

533  
00:23:55,490 --> 00:23:53,820  
said no no that's gonna happen today I

534  
00:23:57,289 --> 00:23:55,500  
go I gotta be back at Sedona my son's

535  
00:23:59,870 --> 00:23:57,299  
got a football game and tonight and

536  
00:24:01,580 --> 00:23:59,880  
notice was laid out to me I said I came

537  
00:24:04,100 --> 00:24:01,590  
down here for an evaluation for surgery

538  
00:24:05,870 --> 00:24:04,110

so you if you're gonna do all this other

539

00:24:07,460 --> 00:24:05,880

stuff you're gonna it's going to be done

540

00:24:10,100 --> 00:24:07,470

differently than this and he wasn't

541

00:24:12,710 --> 00:24:10,110

happy had me go back and sit in the room

542

00:24:14,600 --> 00:24:12,720

come back brought me back in started

543

00:24:16,430 --> 00:24:14,610

talking to me some more looked at my

544

00:24:18,289 --> 00:24:16,440

echo and said we've got to take you back

545

00:24:19,700 --> 00:24:18,299

downstairs right now and they bumped me

546

00:24:23,750 --> 00:24:19,710

in front of a whole bunch of patients

547

00:24:25,520 --> 00:24:23,760

did another echo and bam next thing I

548

00:24:27,919 --> 00:24:25,530

know I'm back upstairs I see the surgeon

549

00:24:29,930 --> 00:24:27,929

and everything goes forward and I get

550

00:24:32,900 --> 00:24:29,940

surgery I don't really quick everything

551  
00:24:35,960 --> 00:24:32,910  
just went just like that after Green got

552  
00:24:38,060 --> 00:24:35,970  
into the middle of it now and and who

553  
00:24:41,960 --> 00:24:38,070  
did you meet next from the camp was it

554  
00:24:44,870 --> 00:24:41,970  
was it put off yeah what happened next

555  
00:24:46,340 --> 00:24:44,880  
was now I'm in touch with no one I'm

556  
00:24:48,440 --> 00:24:46,350  
going back and forth with no one because

557  
00:24:51,260 --> 00:24:48,450  
they're still working me on the DNA um

558  
00:24:53,690 --> 00:24:51,270  
Green's in the middle of it and then

559  
00:24:57,200 --> 00:24:53,700  
next up is put off now here's a very

560  
00:25:00,289 --> 00:24:57,210  
interesting story okay that it can be

561  
00:25:01,730 --> 00:25:00,299  
verified real easy okay it's very

562  
00:25:03,799 --> 00:25:01,740  
interesting how this all broke out

563  
00:25:06,200 --> 00:25:03,809

because one of the things that we were

564

00:25:08,750 --> 00:25:06,210

putting gonna put out a book call in

565

00:25:12,470 --> 00:25:08,760

Encounters of Rendlesham forest right it

566

00:25:14,289 --> 00:25:12,480

was due out in the spring of 14 and one

567

00:25:18,110 --> 00:25:14,299

of the things that no one knew about

568

00:25:20,330 --> 00:25:18,120

except the select few in the UK was that

569

00:25:22,549 --> 00:25:20,340

within project condign

570

00:25:25,820 --> 00:25:22,559

there was a paragraph in there talking

571

00:25:27,460 --> 00:25:25,830

about UAP radiation affecting observers

572

00:25:30,890 --> 00:25:27,470

in Rendlesham forest isn't it

573

00:25:32,720 --> 00:25:30,900

now that was all being kept quiet

574

00:25:34,130 --> 00:25:32,730

because it was going to be in our book

575

00:25:35,960 --> 00:25:34,140

and it was going to kind of be one of

576  
00:25:38,690 --> 00:25:35,970  
those BAM you're not gonna believe this

577  
00:25:42,560 --> 00:25:38,700  
right and what happens was right before

578  
00:25:44,140 --> 00:25:42,570  
my surgery they fly Pat and Linda into

579  
00:25:47,019 --> 00:25:44,150  
Austin

580  
00:25:49,060 --> 00:25:47,029  
take them through the facility and he

581  
00:25:51,940 --> 00:25:49,070  
presents Linda with some documents that

582  
00:25:54,010 --> 00:25:51,950  
back up terahertz radiation now I'm

583  
00:25:56,350 --> 00:25:54,020  
gonna tell you because he made a public

584  
00:25:58,510 --> 00:25:56,360  
later what affected me which is Tara

585  
00:26:02,289 --> 00:25:58,520  
hurts radiation okay what caused the

586  
00:26:05,440 --> 00:26:02,299  
damage in and in effect gives Linda a

587  
00:26:07,630 --> 00:26:05,450  
bunch of stuff okay she goes public with

588  
00:26:10,870 --> 00:26:07,640

it right away and I didn't even know she

589

00:26:15,159 --> 00:26:10,880

had it and blows the cover of the book

590

00:26:17,230 --> 00:26:15,169

and and so when I found out she did

591

00:26:19,539 --> 00:26:17,240

Whitley show on I got on her says please

592

00:26:21,070 --> 00:26:19,549

don't do coast in two weeks said this is

593

00:26:22,779 --> 00:26:21,080

not going well with the publisher and

594

00:26:23,950 --> 00:26:22,789

everything and she goes so news story I

595

00:26:26,560 --> 00:26:23,960

have to do at bah-bah-bah

596

00:26:28,240 --> 00:26:26,570

so she spilled the beans about all part

597

00:26:31,000 --> 00:26:28,250

one of the better parts of our book on

598

00:26:33,789 --> 00:26:31,010

coast coast the night after I had my

599

00:26:38,320 --> 00:26:33,799

major surgery and put off and green made

600

00:26:40,029 --> 00:26:38,330

sure she did that and it was set in the

601  
00:26:42,370 --> 00:26:40,039  
table for to the stars already at that

602  
00:26:44,200 --> 00:26:42,380  
point right right right

603  
00:26:47,710 --> 00:26:44,210  
and I'm looking at the clock here before

604  
00:26:51,760 --> 00:26:47,720  
we hit the break so put off comes in the

605  
00:26:53,950 --> 00:26:51,770  
picture and this was around 2013 when

606  
00:26:55,930 --> 00:26:53,960  
they met with Linda and Pat now I then

607  
00:26:57,669 --> 00:26:55,940  
got brought down and he put off later we

608  
00:27:01,000 --> 00:26:57,679  
can go into that after the break okay

609  
00:27:05,169 --> 00:27:01,010  
we'll do that after the break and what

610  
00:27:06,539 --> 00:27:05,179  
about Jim semi van never met Jim semi

611  
00:27:10,779 --> 00:27:06,549  
van

612  
00:27:12,730 --> 00:27:10,789  
Elizondo yeah I met with him he came to

613  
00:27:14,399 --> 00:27:12,740

Bloomington Normal and he did a shoot

614

00:27:16,750 --> 00:27:14,409

for the I believe it's called

615

00:27:19,060 --> 00:27:16,760

unidentified which they included

616

00:27:21,970 --> 00:27:19,070

Rendell's from in that and they did

617

00:27:23,529 --> 00:27:21,980

briefly touch on condign in my or I

618

00:27:25,630 --> 00:27:23,539

don't know if they did kind of a but my

619

00:27:27,340 --> 00:27:25,640

medical stuff within it and they brought

620

00:27:29,950 --> 00:27:27,350

the lady that worked in McCain's office

621

00:27:31,690 --> 00:27:29,960

in on all that and that was a very

622

00:27:32,950 --> 00:27:31,700

interesting interview with her because

623

00:27:35,200 --> 00:27:32,960

there were things that I didn't even

624

00:27:37,960 --> 00:27:35,210

know that she revealed on unidentified

625

00:27:40,210 --> 00:27:37,970

about the whole thing what about a melon

626

00:27:44,740 --> 00:27:40,220

have you met Chris melon nope never met

627

00:27:48,279 --> 00:27:44,750

melon what about a norm Khan or a Paul

628

00:27:52,990 --> 00:27:48,289

rap the two other doctors no okay

629

00:27:54,279 --> 00:27:53,000

and Tom DeLonge I know and I was kind of

630

00:27:55,900 --> 00:27:54,289

hints that I couldn't I didn't want to

631

00:27:58,270 --> 00:27:55,910

meet him okay

632

00:27:59,440 --> 00:27:58,280

he's a joke to me and I've said this all

633

00:28:02,110 --> 00:27:59,450

along so I'm not pulling any punches

634

00:28:04,210 --> 00:28:02,120

this is not the type of way you're going

635

00:28:05,830 --> 00:28:04,220

to try to expose the American public to

636

00:28:08,710 --> 00:28:05,840

this whatever we're dealing with on

637

00:28:11,500 --> 00:28:08,720

what's going on and to have this guy be

638

00:28:13,120 --> 00:28:11,510

the figurehead for it and have his

639

00:28:14,650 --> 00:28:13,130

company which is the entertainment

640

00:28:17,230 --> 00:28:14,660

company which is a joke to me in the

641

00:28:18,909 --> 00:28:17,240

first place run all this I don't want

642

00:28:23,770 --> 00:28:18,919

nothing to do with that end of it period

643

00:28:26,279 --> 00:28:23,780

now they shot four of unidentified and

644

00:28:29,289 --> 00:28:26,289

and you did you appear in the series

645

00:28:31,360 --> 00:28:29,299

yeah yeah it was episode six of I

646

00:28:35,260 --> 00:28:31,370

remember right right five it was either

647

00:28:37,180 --> 00:28:35,270

five or six I can't remember and I just

648

00:28:39,970 --> 00:28:37,190

have to ask you if they came at you to

649

00:28:42,070 --> 00:28:39,980

do season two or have you shot season 2

650

00:28:43,779 --> 00:28:42,080

no I haven't shot season 2 but they

651  
00:28:45,039 --> 00:28:43,789  
approached me on some stuff for season 2

652  
00:28:49,180 --> 00:28:45,049  
and I told him to take a flying leap

653  
00:28:51,130 --> 00:28:49,190  
there you go ok all right so but that's

654  
00:28:54,460 --> 00:28:51,140  
the establishment right there when we

655  
00:28:57,539 --> 00:28:54,470  
come back I want to get back to how put

656  
00:29:00,669 --> 00:28:57,549  
off and we've got to jump we got to go

657  
00:29:02,500 --> 00:29:00,679  
backwards to go forwards we're gonna go

658  
00:29:05,380 --> 00:29:02,510  
back and talk a little bit of bass and

659  
00:29:07,240 --> 00:29:05,390  
and and Bigelow and put off and then

660  
00:29:10,210 --> 00:29:07,250  
we'll start to move forward our guest

661  
00:29:12,610 --> 00:29:10,220  
tonight is John Burroughs we're gonna do

662  
00:29:15,399 --> 00:29:12,620  
it all tonight we're gonna discuss TTS a

663  
00:29:17,710 --> 00:29:15,409

the ATI program a SAP the cast of

664

00:29:20,049 --> 00:29:17,720

characters are the surrounding towns

665

00:29:22,870 --> 00:29:20,059

along what the real agenda is and of

666

00:29:24,640 --> 00:29:22,880

course tic-tac for good measure

667

00:29:26,560 --> 00:29:24,650

this is fade to black our meals Timmy

668

00:29:27,980 --> 00:29:26,570

Church stay with us we'll be right back

669

00:29:47,610 --> 00:29:27,990

after this short break

670

00:29:51,670 --> 00:29:49,810

welcome back fade to black I'm your host

671

00:29:54,640 --> 00:29:51,680

Amy church tonight our guest John

672

00:29:56,380 --> 00:29:54,650

Burroughs tomorrow night's fainter night

673

00:29:59,260 --> 00:29:56,390

open lines all night long tonight with

674

00:30:01,360 --> 00:29:59,270

John we're discussing to the stars a tip

675

00:30:04,660 --> 00:30:01,370

the cast of characters surrounding it

676

00:30:08,800 --> 00:30:04,670

what it is and what is actually going on

677

00:30:11,350 --> 00:30:08,810

and now John right before the break we

678

00:30:14,860 --> 00:30:11,360

started to get into a tip and I want to

679

00:30:19,330 --> 00:30:14,870

establish what a tip may or may not be

680

00:30:20,920 --> 00:30:19,340

and with that the public impression laid

681

00:30:23,710 --> 00:30:20,930

out from the beginning

682

00:30:25,780 --> 00:30:23,720

going back to December of 2017 in the

683

00:30:29,170 --> 00:30:25,790

New York Times article which started

684

00:30:31,870 --> 00:30:29,180

this explosion was that the government

685

00:30:35,380 --> 00:30:31,880

the Pentagon had a secret UFO program

686

00:30:37,380 --> 00:30:35,390

and again the perception of the public

687

00:30:41,110 --> 00:30:37,390

and the way that they read through this

688

00:30:43,090 --> 00:30:41,120

was that there was this secret UFO

689

00:30:47,590 --> 00:30:43,100

program inside of the Pentagon headed by

690

00:30:52,600 --> 00:30:47,600

Lewis Elizondo and they were deeply

691

00:30:56,740 --> 00:30:52,610

involved in the study of UFOs and the

692

00:30:59,350 --> 00:30:56,750

implication is that Lewis Elizondo had

693

00:31:01,960 --> 00:30:59,360

had a tenth maybe offices inside of the

694

00:31:04,780 --> 00:31:01,970

Pentagon and they're looking at UFO

695

00:31:09,730 --> 00:31:04,790

events crashes crash retrievals video

696

00:31:13,090 --> 00:31:09,740

and and they they they are studying this

697

00:31:16,180 --> 00:31:13,100

and it appears today that that is

698

00:31:18,700 --> 00:31:16,190

entirely not the case and what a tip is

699

00:31:25,060 --> 00:31:18,710

whether it's aviation or aerospace that

700

00:31:26,680 --> 00:31:25,070

can be debated but what is a tip well

701  
00:31:30,370 --> 00:31:26,690  
okay let's break some of this down

702  
00:31:32,860 --> 00:31:30,380  
because as soon as this came out they

703  
00:31:35,050 --> 00:31:32,870  
were doing this and I said it before the

704  
00:31:37,360 --> 00:31:35,060  
break I couldn't believe DeLong was the

705  
00:31:38,740 --> 00:31:37,370  
figurehead I mean it's just like first

706  
00:31:40,450 --> 00:31:38,750  
of all that was a strike one for me

707  
00:31:43,330 --> 00:31:40,460  
because it's like this can't be serious

708  
00:31:46,030 --> 00:31:43,340  
and I and they stand by it just it's not

709  
00:31:48,460 --> 00:31:46,040  
what you're if you're trying to get the

710  
00:31:50,530 --> 00:31:48,470  
general population to get behind you and

711  
00:31:52,300 --> 00:31:50,540  
support you that's not going to do it

712  
00:31:52,870 --> 00:31:52,310  
now if you want these young kids running

713  
00:31:55,720 --> 00:31:52,880

around

714

00:31:57,490 --> 00:31:55,730

head-banging kids to support you what's

715

00:31:59,049 --> 00:31:57,500

that going to do for you anyway the

716

00:32:01,149 --> 00:31:59,059

money comes from the middle

717

00:32:03,940 --> 00:32:01,159

class middle generation and are working

718

00:32:08,169 --> 00:32:03,950

and Congress listens to them they don't

719

00:32:08,980 --> 00:32:08,179

listen to these kids okay but okay one

720

00:32:12,180 --> 00:32:08,990

of the things that caught my attention

721

00:32:17,110 --> 00:32:12,190

first off was that and I did meet Lou

722

00:32:20,379 --> 00:32:17,120

was I don't want to throw mud on it but

723

00:32:22,360 --> 00:32:20,389

why would you fund something and then

724

00:32:25,720 --> 00:32:22,370

kick it to these scientists to review it

725

00:32:27,879 --> 00:32:25,730

if he was the one analyzing the tapes

726

00:32:31,450 --> 00:32:27,889

does that make sense to you Jimmy no it

727

00:32:33,909 --> 00:32:31,460

doesn't okay so if if he was the leader

728

00:32:35,529 --> 00:32:33,919

of this group which again they were

729

00:32:37,330 --> 00:32:35,539

vague on that and I never get an answer

730

00:32:39,850 --> 00:32:37,340

from him behind the scenes you know

731

00:32:42,310 --> 00:32:39,860

Mullins job was they created that job

732

00:32:44,710 --> 00:32:42,320

after 9/11 and he was third in command

733

00:32:46,600 --> 00:32:44,720

in the Pentagon for intelligence that's

734

00:32:49,720 --> 00:32:46,610

the kind of person that would run the

735

00:32:52,060 --> 00:32:49,730

program I understand what I mean I do I

736

00:32:54,129 --> 00:32:52,070

do that would be the Deputy Director of

737

00:32:56,320 --> 00:32:54,139

Intel would be in charge of it because

738

00:32:57,310 --> 00:32:56,330

of the because of the ramifications you

739

00:33:00,879 --> 00:32:57,320

had they had in the Senate

740

00:33:03,129 --> 00:33:00,889

supposedly want this done get the money

741

00:33:04,960 --> 00:33:03,139

out and everything else that would be

742

00:33:07,330 --> 00:33:04,970

who this would be reported somebody like

743

00:33:09,009 --> 00:33:07,340

that not saying it was the guy so don't

744

00:33:10,720 --> 00:33:09,019

run around tomorrow say bro said it was

745

00:33:13,450 --> 00:33:10,730

this guy I'm just saying that's the

746

00:33:15,909 --> 00:33:13,460

level of control of the program when I

747

00:33:17,950 --> 00:33:15,919

have you know what I mean now what was

748

00:33:20,200 --> 00:33:17,960

interesting was first thing Reed said

749

00:33:23,139 --> 00:33:20,210

was in these letters that Knapp released

750

00:33:25,149 --> 00:33:23,149

was that they wanted it to be an S AP

751  
00:33:27,519 --> 00:33:25,159  
program okay

752  
00:33:29,230 --> 00:33:27,529  
so here you had a guy that now comes out

753  
00:33:32,320 --> 00:33:29,240  
and says he doesn't like the way the

754  
00:33:34,210 --> 00:33:32,330  
government's doing this thinks we should

755  
00:33:36,639 --> 00:33:34,220  
be more and more disclosure on all this

756  
00:33:38,649 --> 00:33:36,649  
and move forward this but when he was in

757  
00:33:40,419 --> 00:33:38,659  
position in the Senate they had the

758  
00:33:41,980 --> 00:33:40,429  
investigation done what's the first

759  
00:33:45,789 --> 00:33:41,990  
thing he wanted to do when it started

760  
00:33:47,350 --> 00:33:45,799  
happening fund well no he wanted to put

761  
00:33:49,930 --> 00:33:47,360  
it in an S AP program which is the

762  
00:33:51,639 --> 00:33:49,940  
highest classification of um that you

763  
00:33:53,980 --> 00:33:51,649

programs you could put it in he wanted

764

00:33:56,139 --> 00:33:53,990

to bury what they were working on that's

765

00:34:00,489 --> 00:33:56,149

right now I want you to believe he wants

766

00:34:03,340 --> 00:34:00,499

it out and the the program itself a tip

767

00:34:05,649 --> 00:34:03,350

and Ill need clarification this is for

768

00:34:07,570 --> 00:34:05,659

me to get an understanding because I've

769

00:34:10,240 --> 00:34:07,580

looked at this so much and I get more

770

00:34:12,430 --> 00:34:10,250

confused the more that I look at it a

771

00:34:15,010 --> 00:34:12,440

tip itself was

772

00:34:18,460 --> 00:34:15,020

outside of the pro was outside of the

773

00:34:22,300 --> 00:34:18,470

Pentagon and was actually based out of

774

00:34:26,530 --> 00:34:22,310

Las Vegas right this was this is a gas

775

00:34:28,599 --> 00:34:26,540

program bass got the contract yeah that

776

00:34:30,369 --> 00:34:28,609

was what and when you led in with the

777

00:34:33,309 --> 00:34:30,379

show you said was it and people right

778

00:34:35,050 --> 00:34:33,319

away within a matter of days after New

779

00:34:36,069 --> 00:34:35,060

York Times story broke that was one of

780

00:34:39,069 --> 00:34:36,079

the first things people were saying was

781

00:34:42,159 --> 00:34:39,079

just was this just read who Bigelow is a

782

00:34:44,470 --> 00:34:42,169

big-time player in that area was he just

783

00:34:45,639 --> 00:34:44,480

a reward I'm a contract wolf I don't

784

00:34:47,020 --> 00:34:45,649

agree with that Jimmy and I'll tell you

785

00:34:51,339 --> 00:34:47,030

why it will get into this in the first

786

00:34:53,290 --> 00:34:51,349

place is Bigelow bought out a project

787

00:34:55,300 --> 00:34:53,300

from NASA which is now on the space

788

00:34:57,760 --> 00:34:55,310

station which is now going to be part of

789

00:35:01,089 --> 00:34:57,770

the trip to the moon into Mars so this

790

00:35:05,559 --> 00:35:01,099

guy already has supporting these inside

791

00:35:07,030 --> 00:35:05,569

the DoD so 22 million to him is is chump

792

00:35:10,420 --> 00:35:07,040

change do you know what I mean

793

00:35:14,470 --> 00:35:10,430

it is he's a billionaire so it wasn't a

794

00:35:17,349 --> 00:35:14,480

little sweet deal for Bigelow on top of

795

00:35:20,290 --> 00:35:17,359

the fact that what a lot of people it's

796

00:35:23,950 --> 00:35:20,300

got lost in the thing Bigelow had a son

797

00:35:26,050 --> 00:35:23,960

who died and one of the things that he

798

00:35:27,880 --> 00:35:26,060

wanted to do was try to figure out if he

799

00:35:30,520 --> 00:35:27,890

could reach out to him or whatever you

800

00:35:32,559 --> 00:35:30,530

know beyond the dead and all this other

801  
00:35:34,240 --> 00:35:32,569  
stuff so that was part of the reason why

802  
00:35:36,730 --> 00:35:34,250  
he got drawn into some of the stuff in

803  
00:35:39,849 --> 00:35:36,740  
the first place nevermind what else was

804  
00:35:42,640 --> 00:35:39,859  
going on so he had a genuine interest in

805  
00:35:44,410 --> 00:35:42,650  
it he had guys like Edgar Mitchell you

806  
00:35:46,510 --> 00:35:44,420  
know and they had mids at first and bass

807  
00:35:50,410 --> 00:35:46,520  
so I don't think this was a little kick

808  
00:35:52,930 --> 00:35:50,420  
back to Bigelow there was something

809  
00:35:55,480 --> 00:35:52,940  
going on and if you want to say what was

810  
00:35:57,700 --> 00:35:55,490  
a reward for it would be to get more

811  
00:35:59,290 --> 00:35:57,710  
research to get more funding for

812  
00:36:03,069 --> 00:35:59,300  
whatever they want to work on technology

813  
00:36:04,750 --> 00:36:03,079

wise not just a sweet little here's

814

00:36:05,740 --> 00:36:04,760

twenty two million have fun with it you

815

00:36:10,839 --> 00:36:05,750

know what I mean right

816

00:36:13,450 --> 00:36:10,849

and was a tip after the funding came in

817

00:36:15,460 --> 00:36:13,460

and and they and and Bigelow gets the

818

00:36:17,890 --> 00:36:15,470

contract this was the the twenty two

819

00:36:22,800 --> 00:36:17,900

million dollar contract that they

820

00:36:26,170 --> 00:36:22,810

disclosed right right was a tip

821

00:36:30,250 --> 00:36:26,180

researching the phenomena NATO

822

00:36:33,569 --> 00:36:30,260

specific UFO cases and videotape or were

823

00:36:36,609 --> 00:36:33,579

they just funding research and

824

00:36:39,130 --> 00:36:36,619

theoretical papers to be generated to

825

00:36:41,950 --> 00:36:39,140

look into different aspects of this

826

00:36:46,750 --> 00:36:41,960

whether it's time travel or propulsion

827

00:36:50,710 --> 00:36:46,760

systems or the the the stuff that hal

828

00:36:52,750 --> 00:36:50,720

was working on as well as you know was

829

00:36:55,180 --> 00:36:52,760

it was it that you know was it Eric

830

00:36:58,450 --> 00:36:55,190

Davis and a bunch of theoretical

831

00:37:00,339 --> 00:36:58,460

research that was getting funded well

832

00:37:03,160 --> 00:37:00,349

what I could grasp on the interviews I

833

00:37:06,789 --> 00:37:03,170

did with Davis talking behind the scenes

834

00:37:09,339 --> 00:37:06,799

would put off in green and and in it no

835

00:37:11,380 --> 00:37:09,349

one and stuff there was it it seems to

836

00:37:13,150 --> 00:37:11,390

be in the papers it naps released and

837

00:37:15,309 --> 00:37:13,160

you know I'd have to I looked at him

838

00:37:16,510 --> 00:37:15,319

this was a year or two ago so I don't

839

00:37:20,980 --> 00:37:16,520

have him in front of me and it's not

840

00:37:23,140 --> 00:37:20,990

fresh but it appears based on what they

841

00:37:28,210 --> 00:37:23,150

said in Knapp did an interview with us

842

00:37:30,819 --> 00:37:28,220

in Carmel a percentage of it did go for

843

00:37:34,089 --> 00:37:30,829

an evaluation of these tapes and some of

844

00:37:38,349 --> 00:37:34,099

this other stuff but it looks like a lot

845

00:37:40,859 --> 00:37:38,359

of it went to the ranch to skinwalker

846

00:37:43,900 --> 00:37:40,869

and the investigation of the ranch right

847

00:37:47,319 --> 00:37:43,910

and what they were doing there and and

848

00:37:49,420 --> 00:37:47,329

then bass was a program that was

849

00:37:51,970 --> 00:37:49,430

involved with the overall picture

850

00:37:54,370 --> 00:37:51,980

including what knids was and it was a

851  
00:37:56,109 --> 00:37:54,380  
forward of needs and and all that and

852  
00:37:58,240 --> 00:37:56,119  
and and I don't want to try to get too

853  
00:37:59,440 --> 00:37:58,250  
technical because I read a lot of this

854  
00:38:01,779 --> 00:37:59,450  
stuff before and it caught my attention

855  
00:38:04,390 --> 00:38:01,789  
but I don't it's been him over a year

856  
00:38:07,000 --> 00:38:04,400  
but what I can tell you is I think a lot

857  
00:38:09,309 --> 00:38:07,010  
of it went based on the interviews I

858  
00:38:12,579 --> 00:38:09,319  
listen to and stuff a lot of it went to

859  
00:38:15,190 --> 00:38:12,589  
skinwalker and what the first thing that

860  
00:38:16,960 --> 00:38:15,200  
caught my attention and I and that's

861  
00:38:19,720 --> 00:38:16,970  
what I wanted to verify it through Knapp

862  
00:38:22,569 --> 00:38:19,730  
and Carmel was you're telling me the

863  
00:38:24,960 --> 00:38:22,579

government sent in sanctioned Special

864

00:38:30,279 --> 00:38:24,970

Operations troops to the ranch

865

00:38:33,309 --> 00:38:30,289

yeah about that yeah he fought in our

866

00:38:34,089 --> 00:38:33,319

Special Ops troops to investigate the

867

00:38:37,600 --> 00:38:34,099

phenomenon

868

00:38:41,050 --> 00:38:37,610

what were the Special Ops troops

869

00:38:43,120 --> 00:38:41,060

guinea pigs or were they observers well

870

00:38:45,280 --> 00:38:43,130

if you go to Kelleher announce book

871

00:38:47,620 --> 00:38:45,290

they're worse guinea pigs there was

872

00:38:49,240 --> 00:38:47,630

stuff done and matter-of-fact Knapp was

873

00:38:53,290 --> 00:38:49,250

supposedly a guinea pig at one point he

874

00:38:55,750 --> 00:38:53,300

sat in a chair but what I got out of the

875

00:38:57,160 --> 00:38:55,760

interviews and this is why I always beat

876

00:38:58,810 --> 00:38:57,170

my head with these guys and when I got

877

00:39:00,340 --> 00:38:58,820

so fed up with them is I'll say one

878

00:39:00,940 --> 00:39:00,350

thing one time no oh oh he didn't really

879

00:39:03,460 --> 00:39:00,950

mean it that way

880

00:39:05,650 --> 00:39:03,470

but what I got out of them was these

881

00:39:08,260 --> 00:39:05,660

guys came in to go in because their

882

00:39:09,670 --> 00:39:08,270

training and to go back into the area of

883

00:39:11,530 --> 00:39:09,680

the ranch where the stuff was going on

884

00:39:12,940 --> 00:39:11,540

and see what they could dig up and

885

00:39:15,700 --> 00:39:12,950

encounter and what it what happened if

886

00:39:19,330 --> 00:39:15,710

they had an encounter and when you look

887

00:39:22,840 --> 00:39:19,340

at you know a advanced aviation you know

888

00:39:26,320 --> 00:39:22,850

threat identification program what would

889

00:39:29,050 --> 00:39:26,330

that or a vr aerospace whatever you want

890

00:39:33,730 --> 00:39:29,060

to use with a tip what would that have

891

00:39:36,990 --> 00:39:33,740

to do directly with skinwalker because

892

00:39:38,170 --> 00:39:37,000

skinwalker was more of a paranormal

893

00:39:41,080 --> 00:39:38,180

situation

894

00:39:43,060 --> 00:39:41,090

or do I have this wrong well that's a

895

00:39:46,660 --> 00:39:43,070

good question and and the interesting

896

00:39:50,200 --> 00:39:46,670

thing is is it all goes back to en

897

00:39:52,630 --> 00:39:50,210

frequencies frequency fields and and

898

00:39:56,350 --> 00:39:52,640

different things like that and and then

899

00:39:58,000 --> 00:39:56,360

obviously the the the DNA testing they

900

00:40:00,250 --> 00:39:58,010

were doing which is interesting too

901  
00:40:02,590 --> 00:40:00,260  
because kid green just did an interview

902  
00:40:04,690 --> 00:40:02,600  
which blew me away that he did it but

903  
00:40:07,330 --> 00:40:04,700  
then he's never fought script like he

904  
00:40:09,040 --> 00:40:07,340  
says he does privately he did that they

905  
00:40:12,280 --> 00:40:09,050  
did that interview for Jacobson's book

906  
00:40:15,040 --> 00:40:12,290  
and they spilled the beans on the DNA

907  
00:40:16,390 --> 00:40:15,050  
stuff and and then he turned around and

908  
00:40:17,770 --> 00:40:16,400  
just did an interview with Richard Dolan

909  
00:40:19,330 --> 00:40:17,780  
which you and I had a private

910  
00:40:20,890 --> 00:40:19,340  
conversation a few weeks back that you

911  
00:40:23,440 --> 00:40:20,900  
need to get Dolan on to talk about the

912  
00:40:25,870 --> 00:40:23,450  
interviewer what's burning yeah I had

913  
00:40:28,450 --> 00:40:25,880

him on two weeks ago talking about the

914

00:40:31,270 --> 00:40:28,460

kicker in their interview and so before

915

00:40:32,740 --> 00:40:31,280

I go into what you just asked me what

916

00:40:36,430 --> 00:40:32,750

did you learn from that interview about

917

00:40:36,910 --> 00:40:36,440

what Greene had to say right what did

918

00:40:42,730 --> 00:40:36,920

you learn

919

00:40:46,720 --> 00:40:42,740

well I but the thing that stuck out for

920

00:40:50,960 --> 00:40:46,730

me with kick green was the alien autopsy

921

00:40:52,520 --> 00:40:50,970

stuff where he felt that

922

00:40:56,089 --> 00:40:52,530

I don't know you want to say that he

923

00:40:58,849 --> 00:40:56,099

felt that he directly said that he was

924

00:41:01,160 --> 00:40:58,859

hoaxed right that he was shown certain

925

00:41:03,920 --> 00:41:01,170

things and was told something else he

926  
00:41:06,370 --> 00:41:03,930  
was you know that the alien autopsy film

927  
00:41:09,559 --> 00:41:06,380  
was real and then he felt that it wasn't

928  
00:41:12,050 --> 00:41:09,569  
but that's that's the one thing that

929  
00:41:14,930 --> 00:41:12,060  
stuck out for me about kid green was

930  
00:41:17,599 --> 00:41:14,940  
that he felt that he was lied to

931  
00:41:20,210 --> 00:41:17,609  
right well what well a lot of people

932  
00:41:22,640 --> 00:41:20,220  
didn't zero in on is what he said to

933  
00:41:25,190 --> 00:41:22,650  
dawn and I tried to pin him down on this

934  
00:41:27,710 --> 00:41:25,200  
and he supposedly gonna visit me to talk

935  
00:41:31,309 --> 00:41:27,720  
more about this privately was I said

936  
00:41:34,040 --> 00:41:31,319  
made a statement that based on all his

937  
00:41:35,270 --> 00:41:34,050  
analysis of the injuries that happened

938  
00:41:37,940 --> 00:41:35,280

to the different people have had the

939

00:41:39,530 --> 00:41:37,950

encounters which I can't get an answer

940

00:41:41,540 --> 00:41:39,540

from him but you would have to assume

941

00:41:43,130 --> 00:41:41,550

that some of the DNA studies have come

942

00:41:45,890 --> 00:41:43,140

back now because it's been more than a

943

00:41:47,660 --> 00:41:45,900

couple of years that any everything that

944

00:41:50,410 --> 00:41:47,670

they've been able to analyze the

945

00:41:53,180 --> 00:41:50,420

injuries that have happened were not

946

00:41:58,450 --> 00:41:53,190

consistent with ET but were consistent

947

00:42:01,040 --> 00:41:58,460

with terrestrial ie our technology so

948

00:42:03,260 --> 00:42:01,050

the military guys that have been injured

949

00:42:05,540 --> 00:42:03,270

and he didn't see military guys but he

950

00:42:07,609 --> 00:42:05,550

said this the the people that he's dealt

951  
00:42:09,470 --> 00:42:07,619  
with and he talks about his patients and

952  
00:42:12,859 --> 00:42:09,480  
all this other stuff the injuries that

953  
00:42:16,700 --> 00:42:12,869  
they've sustained are not et they're

954  
00:42:22,099 --> 00:42:16,710  
terrestrial and sold that's pretty

955  
00:42:27,710 --> 00:42:22,109  
eye-opening why why what what's the

956  
00:42:32,210 --> 00:42:27,720  
reason to create a tip well that's one

957  
00:42:35,559 --> 00:42:32,220  
of the things that you never okay that

958  
00:42:38,150 --> 00:42:35,569  
that goes into this okay the problem

959  
00:42:39,290 --> 00:42:38,160  
okay like I was shocked when you called

960  
00:42:41,870 --> 00:42:39,300  
me and wanted to do this show because

961  
00:42:43,280 --> 00:42:41,880  
majority of people that do this stuff

962  
00:42:45,020 --> 00:42:43,290  
want to tippy-toe around these guys

963  
00:42:47,089 --> 00:42:45,030

they're rock stars you know what I mean

964

00:42:49,069 --> 00:42:47,099

right there they got the New York Times

965

00:42:51,109 --> 00:42:49,079

to do something with it which how could

966

00:42:52,790 --> 00:42:51,119

they not when you bring these tapes and

967

00:42:54,220 --> 00:42:52,800

you know these different things up and

968

00:42:56,780 --> 00:42:54,230

I'm not saying that was the wrong thing

969

00:42:58,430 --> 00:42:56,790

okay but they got the New York Times to

970

00:43:00,380 --> 00:42:58,440

do some stuff they did get mainstream

971

00:43:02,120 --> 00:43:00,390

news to briefly talk about it but that's

972

00:43:04,160 --> 00:43:02,130

there's nothing against that they didn't

973

00:43:04,790 --> 00:43:04,170

continue with it on and on because they

974

00:43:06,770 --> 00:43:04,800

don't continue

975

00:43:08,660 --> 00:43:06,780

anything you know what I mean whatever

976

00:43:10,130 --> 00:43:08,670

is this weak flavor of the month you

977

00:43:12,530 --> 00:43:10,140

don't ever hear about it again unless

978

00:43:14,300 --> 00:43:12,540

there's a political reason behind it so

979

00:43:15,890 --> 00:43:14,310

that's not surprising but they're rock

980

00:43:17,240 --> 00:43:15,900

stars so all these guys want them into

981

00:43:19,550 --> 00:43:17,250

conferences they want them on the radio

982

00:43:23,020 --> 00:43:19,560

shows they want them in their blogs so

983

00:43:24,680 --> 00:43:23,030

no one asked some tough questions

984

00:43:28,820 --> 00:43:24,690

no they won't

985

00:43:32,390 --> 00:43:28,830

they won't and the the the team that is

986

00:43:34,340 --> 00:43:32,400

there at at to the stars and when you

987

00:43:36,320 --> 00:43:34,350

look down the list and and their history

988

00:43:40,850 --> 00:43:36,330

and and their CVs

989

00:43:43,040 --> 00:43:40,860

and and their qualifications everything

990

00:43:44,060 --> 00:43:43,050

goes back to the Department of Defense

991

00:43:47,030 --> 00:43:44,070

or the Pentagon of the

992

00:43:51,050 --> 00:43:47,040

military-industrial complex in one way

993

00:43:55,480 --> 00:43:51,060

or another and the recent announcement

994

00:43:58,630 --> 00:43:55,490

of the crater agreement with the army

995

00:44:01,820 --> 00:43:58,640

which is which is where I'm going now

996

00:44:04,790 --> 00:44:01,830

that to the stars was supposed to be

997

00:44:07,550 --> 00:44:04,800

about disclosure and and bringing this

998

00:44:10,480 --> 00:44:07,560

out finally into the public in and

999

00:44:14,270 --> 00:44:10,490

getting this UFO question answered and

1000

00:44:18,230 --> 00:44:14,280

it has now taken a couple of interesting

1001  
00:44:20,330 --> 00:44:18,240  
turns where it seems that with the with

1002  
00:44:23,180 --> 00:44:20,340  
the metamaterials this agreement with

1003  
00:44:27,650 --> 00:44:23,190  
the United States Army and also the Navy

1004  
00:44:29,870 --> 00:44:27,660  
is involved who as well that this is now

1005  
00:44:33,530 --> 00:44:29,880  
folding back from and away from the

1006  
00:44:35,840 --> 00:44:33,540  
public and back to funding and bringing

1007  
00:44:38,390 --> 00:44:35,850  
it back to the Department of Defense and

1008  
00:44:41,090 --> 00:44:38,400  
then has nothing to do with the public

1009  
00:44:44,420 --> 00:44:41,100  
or the betterment of the world well

1010  
00:44:47,540 --> 00:44:44,430  
number one okay but before we I'll go in

1011  
00:44:50,180 --> 00:44:47,550  
the Bigelow but number one the the to

1012  
00:44:51,920 --> 00:44:50,190  
the stars that's disingenuous to the

1013  
00:44:53,180 --> 00:44:51,930

stars did not sign a contract with

1014

00:44:56,750 --> 00:44:53,190

Department of Defense they're an

1015

00:44:59,750 --> 00:44:56,760

entertainment organization Tom DeLonge I

1016

00:45:02,290 --> 00:44:59,760

want him he runs his mouth all the time

1017

00:45:05,090 --> 00:45:02,300

prove to me that you've been read in

1018

00:45:06,650 --> 00:45:05,100

show me where you've been read in show

1019

00:45:08,750 --> 00:45:06,660

me where you have a security clearance

1020

00:45:11,000 --> 00:45:08,760

because if you don't have a security

1021

00:45:13,550 --> 00:45:11,010

clearance you don't get squat do you

1022

00:45:15,290 --> 00:45:13,560

understand what I mean I do and he runs

1023

00:45:17,900 --> 00:45:15,300

around shooting his mouth off like he

1024

00:45:19,070 --> 00:45:17,910

knows all this crap and they are not and

1025

00:45:21,620 --> 00:45:19,080

I know this much

1026  
00:45:24,890 --> 00:45:21,630  
melon and and put off and green they're

1027  
00:45:27,740 --> 00:45:24,900  
not gonna give you stuff a outsider like

1028  
00:45:29,120 --> 00:45:27,750  
the long anything that's gonna violate

1029  
00:45:31,640 --> 00:45:29,130  
nice little security they're not gonna

1030  
00:45:32,420 --> 00:45:31,650  
violate their oath okay so that's the

1031  
00:45:34,550 --> 00:45:32,430  
first problem

1032  
00:45:36,500 --> 00:45:34,560  
the second thing is if you go back to

1033  
00:45:38,300 --> 00:45:36,510  
how this all got kicked off with napping

1034  
00:45:41,180 --> 00:45:38,310  
Bigelow there was an interview that he

1035  
00:45:43,160 --> 00:45:41,190  
did on coast to coast with nap and they

1036  
00:45:44,990 --> 00:45:43,170  
went into the sing and I went around and

1037  
00:45:46,550 --> 00:45:45,000  
did some conferences and talked about

1038  
00:45:49,610 --> 00:45:46,560

this and I've talked about this on the

1039

00:45:50,810 --> 00:45:49,620

radio show Bigelow stated we're not

1040

00:45:53,840 --> 00:45:50,820

going to get disclosure we're going to

1041

00:45:55,850 --> 00:45:53,850

get confirmation and confirmation is

1042

00:45:57,710 --> 00:45:55,860

there there there's something going on

1043

00:45:58,970 --> 00:45:57,720

and we're gonna stop right there right

1044

00:46:01,640 --> 00:45:58,980

now and we're not gonna go any deeper

1045

00:46:03,950 --> 00:46:01,650

into what it is and that's what's going

1046

00:46:05,300 --> 00:46:03,960

on Navy finally said yeah well we're

1047

00:46:07,490 --> 00:46:05,310

gonna make it easy for the pilots to

1048

00:46:09,530 --> 00:46:07,500

report it and we're gonna look into it

1049

00:46:11,150 --> 00:46:09,540

but we're not going to tell you what we

1050

00:46:13,490 --> 00:46:11,160

find out you get these members of

1051

00:46:15,020 --> 00:46:13,500

Congress that they got on film a little

1052

00:46:16,190 --> 00:46:15,030

bit early on and it's broken they came

1053

00:46:18,980 --> 00:46:16,200

out said yeah I was in the classified

1054

00:46:21,110 --> 00:46:18,990

briefing I can't talk about it what were

1055

00:46:24,620 --> 00:46:21,120

you able to how much time did you spend

1056

00:46:27,050 --> 00:46:24,630

with Lou Elizondo I was with him on a

1057

00:46:31,670 --> 00:46:27,060

Friday afternoon and all day on Saturday

1058

00:46:35,660 --> 00:46:31,680

so a day and a half yeah what what did

1059

00:46:38,450 --> 00:46:35,670

you ask him well I'll give away a trade

1060

00:46:43,010 --> 00:46:38,460

secrets I don't necessarily ask a lot I

1061

00:46:45,860 --> 00:46:43,020

let them talk okay I'm reading them I'm

1062

00:46:48,650 --> 00:46:45,870

not I'm not dirty

1063

00:46:50,450 --> 00:46:48,660

I've never the the only guy there's two

1064

00:46:52,610 --> 00:46:50,460

guys that have impressed me in this and

1065

00:46:54,410 --> 00:46:52,620

and I and I can't say that the other

1066

00:46:58,610 --> 00:46:54,420

ones wooden because I'd ever met Mellon

1067

00:47:00,770 --> 00:46:58,620

but Gary knowing is is a good nice guy

1068

00:47:02,420 --> 00:47:00,780

but he's a scientist and you know what

1069

00:47:05,780 --> 00:47:02,430

that one going worth that he's a good

1070

00:47:08,120 --> 00:47:05,790

guy but he's not real world you know

1071

00:47:12,740 --> 00:47:08,130

savvy street fight type of guy

1072

00:47:15,980 --> 00:47:12,750

um Green is slick put offs a nice very

1073

00:47:18,350 --> 00:47:15,990

intelligent man very very you know boom

1074

00:47:20,840 --> 00:47:18,360

you know he's the man and and he's

1075

00:47:23,150 --> 00:47:20,850

running this and he's running this whole

1076

00:47:25,520 --> 00:47:23,160

thing and and and and then you have

1077

00:47:28,430 --> 00:47:25,530

Mellon who you don't get where he was

1078

00:47:30,200 --> 00:47:28,440

you know with in the Senate and then

1079

00:47:31,900 --> 00:47:30,210

number three in the Pentagon and

1080

00:47:33,880 --> 00:47:31,910

intelligence without not having you

1081

00:47:35,500 --> 00:47:33,890

together and that and then the dream

1082

00:47:36,579 --> 00:47:35,510

team has finished off with sleep justice

1083

00:47:38,380 --> 00:47:36,589

to rant skunkworks

1084

00:47:40,960 --> 00:47:38,390

think about that what's his background

1085

00:47:42,970 --> 00:47:40,970

technology getting funding through the

1086

00:47:45,460 --> 00:47:42,980

government and everything else and and

1087

00:47:50,109 --> 00:47:45,470

then delivering the product and then

1088

00:47:52,240 --> 00:47:50,119

there's Elizondo right and he never if

1089

00:47:59,349 --> 00:47:52,250

you're gonna ask me he came off like a

1090

00:48:03,460 --> 00:47:59,359

guy that was a foot soldier did did you

1091

00:48:08,109 --> 00:48:03,470

guys discuss his role in a tip about him

1092

00:48:09,460 --> 00:48:08,119

on the direct Amy yes we did in in and

1093

00:48:10,630 --> 00:48:09,470

this is where you probably get mad at me

1094

00:48:12,490 --> 00:48:10,640

and people in the eyes will get mad at

1095

00:48:15,279 --> 00:48:12,500

me when I give my word I get my word and

1096

00:48:18,039 --> 00:48:15,289

he laid out some stuff to me and a

1097

00:48:20,829 --> 00:48:18,049

little bit of it did get revealed in

1098

00:48:23,799 --> 00:48:20,839

this last series but he laid out some

1099

00:48:28,000 --> 00:48:23,809

stuff to me and everything else but what

1100

00:48:29,200 --> 00:48:28,010

he didn't impress me on is he's not what

1101

00:48:31,960 --> 00:48:29,210

they're saying he is and what I mean by

1102

00:48:33,760 --> 00:48:31,970

that is he's not a technical guy he's

1103

00:48:35,260 --> 00:48:33,770

not the guy that's gonna analyze his

1104

00:48:37,269 --> 00:48:35,270

stuff he's not the guy that's going to

1105

00:48:37,660 --> 00:48:37,279

understand how it works do you know what

1106

00:48:39,730 --> 00:48:37,670

I mean

1107

00:48:43,000 --> 00:48:39,740

right might be able to go out and gather

1108

00:48:45,549 --> 00:48:43,010

Intel from we've something's there what

1109

00:48:47,380 --> 00:48:45,559

is it and stuff but he's not he's not a

1110

00:48:49,900 --> 00:48:47,390

physicist he's not you know one of these

1111

00:48:52,870 --> 00:48:49,910

guys he's not even he's a counter-intel

1112

00:48:54,370 --> 00:48:52,880

guy where Green was an Intel guy and

1113

00:48:54,700 --> 00:48:54,380

there's a difference do you know what I

1114

00:49:00,370 --> 00:48:54,710

mean

1115

00:49:04,029 --> 00:49:00,380

well I I think I do in that Intel

1116

00:49:06,279 --> 00:49:04,039

analyst and that's not what Lou was if I

1117

00:49:08,049 --> 00:49:06,289

had some information on terrorists that

1118

00:49:11,470 --> 00:49:08,059

we're about to pull something off I

1119

00:49:14,200 --> 00:49:11,480

would go to a guy like Elizondo he's

1120

00:49:16,299 --> 00:49:14,210

gonna go with his team and and figure

1121

00:49:19,000 --> 00:49:16,309

out what's going on right right right

1122

00:49:20,740 --> 00:49:19,010

but wait and then he's also gonna be a

1123

00:49:23,829 --> 00:49:20,750

guy to get were dropped inside behind

1124

00:49:25,990 --> 00:49:23,839

enemy lines spread disinformation he

1125

00:49:29,549 --> 00:49:26,000

looks like he would be dropped behind

1126

00:49:32,319 --> 00:49:29,559

enemy lines right he's an intimidating

1127

00:49:34,599 --> 00:49:32,329

looking guy well he doesn't come off

1128

00:49:37,750 --> 00:49:34,609

that way he's a nice guy but I'm just

1129

00:49:39,670 --> 00:49:37,760

saying he's not what the way he's been

1130

00:49:42,519 --> 00:49:39,680

spun up he's

1131

00:49:44,079 --> 00:49:42,529

that wasn't my impression of him and the

1132

00:49:45,550 --> 00:49:44,089

other thing that was my impression of

1133

00:49:48,100 --> 00:49:45,560

them and it could be cuz

1134

00:49:49,900 --> 00:49:48,110

counter-intel he and but he's made

1135

00:49:51,970 --> 00:49:49,910

mistakes when he's done these speeches

1136

00:49:54,040 --> 00:49:51,980

and stuff is he doesn't have a thorough

1137

00:49:57,100 --> 00:49:54,050

background and a lot of this stuff on

1138

00:49:59,680 --> 00:49:57,110

UFOs and technology yeah and some of the

1139

00:50:01,420 --> 00:49:59,690

technology because what what I told you

1140

00:50:03,910 --> 00:50:01,430

earlier on was I said they approached me

1141

00:50:05,950 --> 00:50:03,920

for the second season well one of the

1142

00:50:09,460 --> 00:50:05,960

things that I did how much time do we

1143

00:50:11,980 --> 00:50:09,470

got three minutes yes okay I did FOIA

1144

00:50:13,930 --> 00:50:11,990

through the mo D I went after him on

1145

00:50:17,800 --> 00:50:13,940

condign technology and everything else

1146

00:50:20,410 --> 00:50:17,810

and I got a foia back that is national

1147

00:50:21,880 --> 00:50:20,420

security based it really is I got the

1148

00:50:23,680 --> 00:50:21,890

kitchen sink thrown at me of why they

1149

00:50:26,590 --> 00:50:23,690

wouldn't release most of it and how

1150

00:50:28,600 --> 00:50:26,600

important it is not to get out and in it

1151

00:50:30,430 --> 00:50:28,610

they've black they've blacked out most

1152

00:50:32,800 --> 00:50:30,440

of the stuff but they left open a

1153

00:50:36,250 --> 00:50:32,810

competition or company that builds tanks

1154

00:50:38,020 --> 00:50:36,260

and so I was able to start background

1155

00:50:41,590 --> 00:50:38,030

checking this company and working on

1156

00:50:42,880 --> 00:50:41,600

that in but I brought that up and he act

1157

00:50:46,180 --> 00:50:42,890

like he didn't know anything about it

1158

00:50:48,190 --> 00:50:46,190

whoa just recently they contacted me

1159

00:50:49,570 --> 00:50:48,200

about those documents one to know some

1160

00:50:50,890 --> 00:50:49,580

more stuff and I told him no I'm not

1161

00:50:52,840 --> 00:50:50,900

working with you you screwed up the last

1162

00:50:55,350 --> 00:50:52,850

one I'm not doing this next one who

1163

00:50:58,540 --> 00:50:55,360

contacted you the producer of the show

1164

00:51:00,580 --> 00:50:58,550

directly that didn't identify what I

1165

00:51:00,880 --> 00:51:00,590

meant last year and she contacted me

1166

00:51:02,950 --> 00:51:00,890

again

1167

00:51:04,990 --> 00:51:02,960

and she wanted these documents and

1168

00:51:06,790 --> 00:51:05,000

wanted me to talk about it and I didn't

1169

00:51:08,350 --> 00:51:06,800

know about the contract with an army yet

1170

00:51:11,050 --> 00:51:08,360

and then their contract from the Army

1171

00:51:14,380 --> 00:51:11,060

comes out well here's the thing when I

1172

00:51:15,880 --> 00:51:14,390

did my research and I did some of it and

1173

00:51:18,160 --> 00:51:15,890

there's a guy in England that does a lot

1174

00:51:18,640 --> 00:51:18,170

of really good research his name's James

1175

00:51:20,230 --> 00:51:18,650

Worrell

1176

00:51:23,260 --> 00:51:20,240

and he's great and I know he's listening

1177

00:51:26,320 --> 00:51:23,270

tonight so James you're the you're the

1178

00:51:28,240 --> 00:51:26,330

man we did some back checking and he did

1179

00:51:31,360 --> 00:51:28,250

some back checking and what we found out

1180

00:51:35,560 --> 00:51:31,370

and through an engineer is that they are

1181

00:51:38,650 --> 00:51:35,570

able to cloak tanks and this was

1182

00:51:41,500 --> 00:51:38,660

revealed in in a Freedom of Information

1183

00:51:44,560 --> 00:51:41,510

Act document from the Ministry of

1184

00:51:46,990 --> 00:51:44,570

Defense well the the device that makes

1185

00:51:49,810 --> 00:51:47,000

them be able to do it was was what

1186

00:51:52,120 --> 00:51:49,820

revealed right and in this document it

1187

00:51:57,190 --> 00:51:52,130

mentioned tanks in a particular company

1188

00:51:57,900 --> 00:51:57,200

I'm not asking what they forgot to black

1189

00:51:59,940 --> 00:51:57,910

that out

1190

00:52:02,579 --> 00:51:59,950

okay and they also we were able to back

1191

00:52:05,849 --> 00:52:02,589

up the age systems in England and they

1192

00:52:07,680 --> 00:52:05,859

are able to cloak tanks yeah they've

1193

00:52:10,319 --> 00:52:07,690

actually put that out on the Internet

1194

00:52:11,579 --> 00:52:10,329

that that zumwalt-class destroyer which

1195

00:52:13,620 --> 00:52:11,589

is interesting I didn't know the Navy

1196

00:52:16,529 --> 00:52:13,630

was involved in this the zumwalt-class

1197

00:52:17,640 --> 00:52:16,539

destroyer they're working they show

1198

00:52:20,970 --> 00:52:17,650

pictures where they can make it

1199

00:52:23,609 --> 00:52:20,980

disappear and the tanks they're working

1200

00:52:26,190 --> 00:52:23,619

on that and it involves material and

1201  
00:52:29,190 --> 00:52:26,200  
certain technology but the issue they're

1202  
00:52:31,319 --> 00:52:29,200  
having and it goes back to the to the

1203  
00:52:33,270 --> 00:52:31,329  
DIA paper that there was released to

1204  
00:52:35,990 --> 00:52:33,280  
McCain's office to McCain's committee

1205  
00:52:39,539 --> 00:52:36,000  
that has to do with the metric taser

1206  
00:52:42,180 --> 00:52:39,549  
paper that put off row okay hmm

1207  
00:52:43,650 --> 00:52:42,190  
the the issue they're having is the tank

1208  
00:52:45,480 --> 00:52:43,660  
is supposed to go from A to B and it

1209  
00:52:47,670 --> 00:52:45,490  
shows up somewhere else completely when

1210  
00:52:49,829 --> 00:52:47,680  
it D clogs well but like the

1211  
00:52:51,569 --> 00:52:49,839  
Philadelphia Experiment like the elders

1212  
00:52:54,240 --> 00:52:51,579  
that's the closest thing you can yeah

1213  
00:52:57,870 --> 00:52:54,250

now now we're getting into real science

1214

00:53:02,760 --> 00:52:57,880

fiction here but the the fact that this

1215

00:53:06,809 --> 00:53:02,770

was mentioned in this Ministry of

1216

00:53:09,539 --> 00:53:06,819

Defense document would imply that they

1217

00:53:12,240 --> 00:53:09,549

have a cloaking ability that's one thing

1218

00:53:14,940 --> 00:53:12,250

to make something you know invisible to

1219

00:53:16,829 --> 00:53:14,950

the human eye you know that's uh that

1220

00:53:19,970 --> 00:53:16,839

that could be some type of advanced

1221

00:53:23,099 --> 00:53:19,980

parlor trick or are we talking about

1222

00:53:27,960 --> 00:53:23,109

making something physically disappear

1223

00:53:31,289 --> 00:53:27,970

and appear somewhere else it's that's

1224

00:53:32,819 --> 00:53:31,299

the second one really yep you know

1225

00:53:35,609 --> 00:53:32,829

that's that's that's going to be a lot

1226

00:53:39,890 --> 00:53:35,619

for people to digest here and and is

1227

00:53:43,049 --> 00:53:39,900

this is is this what put off and

1228

00:53:45,690 --> 00:53:43,059

terahertz frequencies is is involved

1229

00:53:48,359 --> 00:53:45,700

with with the metamaterials yeah and it

1230

00:53:51,510 --> 00:53:48,369

has to do with the iam generator the

1231

00:53:54,329 --> 00:53:51,520

power source the computing all that it

1232

00:53:57,900 --> 00:53:54,339

all ties into the whole thing and if

1233

00:54:00,720 --> 00:53:57,910

that is the case then is this an

1234

00:54:03,480 --> 00:54:00,730

offworld technology or is this something

1235

00:54:05,279 --> 00:54:03,490

of this earth well here's the

1236

00:54:07,950 --> 00:54:05,289

interesting thing and I talked to James

1237

00:54:10,500 --> 00:54:07,960

today he tracked down some documents

1238

00:54:11,880 --> 00:54:10,510

where the Navy was working with certain

1239

00:54:15,960 --> 00:54:11,890

technology

1240

00:54:18,150 --> 00:54:15,970

they were trying to patch up a Holland

1241

00:54:21,479 --> 00:54:18,160

chip and and they would use this laser

1242

00:54:24,029 --> 00:54:21,489

in frequency technology right and things

1243

00:54:25,680 --> 00:54:24,039

were not when they were you doing it

1244

00:54:29,039 --> 00:54:25,690

things were ending up somewhere else

1245

00:54:30,630 --> 00:54:29,049

like the Philadelphia Experiment okay

1246

00:54:32,460 --> 00:54:30,640

let's take a break right here we got to

1247

00:54:34,829 --> 00:54:32,470

continue this when we come back it says

1248

00:54:37,650 --> 00:54:34,839

this is getting to be pretty deep and

1249

00:54:39,809 --> 00:54:37,660

the the other part about this though

1250

00:54:45,150 --> 00:54:39,819

John which we're going to discuss after

1251

00:54:49,319 --> 00:54:45,160

the break is this what the crater deal

1252

00:54:51,569 --> 00:54:49,329

with the Army is dealing with I find

1253

00:54:53,910 --> 00:54:51,579

that very very interesting and why would

1254

00:54:57,029 --> 00:54:53,920

they go through an entertainment company

1255

00:54:59,130 --> 00:54:57,039

to get to this technology this is fade

1256

00:55:01,049 --> 00:54:59,140

to black I'm here Jimmy Church our guest

1257

00:55:05,070 --> 00:55:01,059

tonight John Burroughs stay with us

1258

00:55:05,080 --> 00:55:43,220

[Music]

1259

00:55:47,670 --> 00:55:45,330

welcome back feed the black I'm used to

1260

00:55:49,910 --> 00:55:47,680

be Church I guess tonight John burrows

1261

00:55:54,560 --> 00:55:49,920

we're talking about to the stars a tip

1262

00:55:56,760 --> 00:55:54,570

the cast of characters that is involved

1263

00:55:59,220 --> 00:55:56,770

incredible conversation tomorrow night's

1264

00:56:02,849 --> 00:55:59,230

Fator night with open lines all night

1265

00:56:06,030 --> 00:56:02,859

long okay John these are pretty big

1266

00:56:08,609 --> 00:56:06,040

revelations and I understand you know

1267

00:56:12,840 --> 00:56:08,619

cloaking and technology and active

1268

00:56:15,900 --> 00:56:12,850

surfaces and the ability to mimic your

1269

00:56:18,630 --> 00:56:15,910

surroundings and I get that part of it

1270

00:56:21,030 --> 00:56:18,640

but when we are going to another level

1271

00:56:25,160 --> 00:56:21,040

of using focused

1272

00:56:29,490 --> 00:56:25,170

eeehm energies to make something

1273

00:56:31,680 --> 00:56:29,500

disappear and appear somewhere else that

1274

00:56:35,400 --> 00:56:31,690

that is something altogether different

1275

00:56:39,000 --> 00:56:35,410

and what does this any of this have to

1276

00:56:42,720 --> 00:56:39,010

do with disclosure and to the stars and

1277

00:56:45,030 --> 00:56:42,730

in an entertainment company and and UFOs

1278

00:56:48,210 --> 00:56:45,040

well let me backtrack a little bit okay

1279

00:56:50,910 --> 00:56:48,220

when when I entered when I when when

1280

00:56:53,040 --> 00:56:50,920

green showed up and we went through all

1281

00:56:55,320 --> 00:56:53,050

this the original senator was helping

1282

00:56:56,790 --> 00:56:55,330

with Senator Kyl and his aide was the

1283

00:56:59,609 --> 00:56:56,800

one that found out my stuff was

1284

00:57:00,359 --> 00:56:59,619

classified then he retired he didn't run

1285

00:57:03,150 --> 00:57:00,369

for reelection

1286

00:57:06,150 --> 00:57:03,160

and McCain took over and what happened

1287

00:57:09,840 --> 00:57:06,160

was that when the bombshell came back

1288

00:57:11,550 --> 00:57:09,850

where they denied me my disability and

1289

00:57:12,960 --> 00:57:11,560

everything based on the fact I wasn't

1290

00:57:14,960 --> 00:57:12,970

even in the military and there was

1291

00:57:17,400 --> 00:57:14,970

clearly plenty of proof that I was

1292

00:57:19,290 --> 00:57:17,410

that's when things got ugly and he got

1293

00:57:21,000 --> 00:57:19,300

really into it personally

1294

00:57:23,400 --> 00:57:21,010

right and Department of Justice got

1295

00:57:26,220 --> 00:57:23,410

brought into this but what's interesting

1296

00:57:29,790 --> 00:57:26,230

about this Jimmy which most people again

1297

00:57:32,160 --> 00:57:29,800

it goes right over heads is that who did

1298

00:57:36,510 --> 00:57:32,170

they go after what committee did they go

1299

00:57:38,430 --> 00:57:36,520

after when they went to DC they went

1300

00:57:41,580 --> 00:57:38,440

after McCain's committee before he died

1301

00:57:45,660 --> 00:57:41,590

and what is his committee military

1302

00:57:49,980 --> 00:57:45,670

technology appropriations and the DIA

1303

00:57:53,720 --> 00:57:49,990

which putt-off worked for came in and

1304

00:57:57,590 --> 00:57:53,730

gave papers that Knapp released

1305

00:57:59,420 --> 00:57:57,600

which they're not what they gave out was

1306

00:58:01,160 --> 00:57:59,430

stuff that you could find on the net so

1307

00:58:03,290 --> 00:58:01,170

the decline this was this was the

1308

00:58:05,690 --> 00:58:03,300

Declassified version not the classified

1309

00:58:07,340 --> 00:58:05,700

briefings that took place with McCain

1310

00:58:10,510 --> 00:58:07,350

and his committee but they went to

1311

00:58:14,300 --> 00:58:10,520

McCain to get money for technology and

1312

00:58:17,540 --> 00:58:14,310

McCain knew if he didn't already know

1313

00:58:20,270 --> 00:58:17,550

when before my incident but once it got

1314

00:58:22,130 --> 00:58:20,280

ugly of mine he found out some stuff

1315

00:58:23,450 --> 00:58:22,140

that he wasn't happy with I met with him

1316

00:58:27,410 --> 00:58:23,460

personally and we talked about some of

1317

00:58:28,790 --> 00:58:27,420

it and so who do they go to afterwards

1318

00:58:30,080 --> 00:58:28,800

when they found out first of all McCain

1319

00:58:32,510 --> 00:58:30,090

was handling my case they went straight

1320

00:58:33,740 --> 00:58:32,520

to McCain in appropriations why would

1321

00:58:38,570 --> 00:58:33,750

you do that if you were looking for

1322

00:58:42,080 --> 00:58:38,580

disclosure yeah let's let's continue

1323

00:58:45,020 --> 00:58:42,090

let's put this together right so now you

1324

00:58:47,720 --> 00:58:45,030

have McCain and and I've tried to tell

1325

00:58:52,490 --> 00:58:47,730

these people look at the the research

1326

00:58:54,170 --> 00:58:52,500

papers and look at what was being

1327

00:58:57,830 --> 00:58:54,180

discussed in him and where they're going

1328

00:58:59,900 --> 00:58:57,840

and then well they run into debt in the

1329

00:59:01,940 --> 00:58:59,910

guy that wrote it won't tell me well

1330

00:59:03,560 --> 00:59:01,950

there is a trail you just got to know

1331

00:59:06,200 --> 00:59:03,570

how to go backpack it's just like how I

1332

00:59:08,690 --> 00:59:06,210

got to the mo D the way I did you have

1333

00:59:11,740 --> 00:59:08,700

to start looking at documents and what's

1334

00:59:13,970 --> 00:59:11,750

in them and and there's a guy who was an

1335

00:59:16,970 --> 00:59:13,980

arch-nemesis of mine for a long time and

1336

00:59:19,310 --> 00:59:16,980

then I've come to gain some respect for

1337

00:59:22,010 --> 00:59:19,320

him and stuff his name's David Clarke in

1338

00:59:25,670 --> 00:59:22,020

the UK and he goes after the mo D

1339

00:59:28,070 --> 00:59:25,680

viciously on technology and stuff like

1340

00:59:29,660 --> 00:59:28,080

that and he's come to believe now

1341

00:59:33,320 --> 00:59:29,670

they're hiding something he's just not

1342

00:59:36,320 --> 00:59:33,330

sure what but the thing is when you go

1343

00:59:38,120 --> 00:59:36,330

through documents they slip up they give

1344

00:59:41,780 --> 00:59:38,130

little pieces of information it's just

1345

00:59:43,340 --> 00:59:41,790

like the one I got VA a systems and the

1346

00:59:45,170 --> 00:59:43,350

tank company and then you start

1347

00:59:47,210 --> 00:59:45,180

researching the companies and you start

1348

00:59:49,520 --> 00:59:47,220

researching the patents and you start

1349

00:59:51,440 --> 00:59:49,530

doing this and you do more FOIAs you

1350

00:59:54,590 --> 00:59:51,450

know what I mean and you start finding

1351  
00:59:57,530 --> 00:59:54,600  
out the technology and James whorls

1352  
01:00:00,470 --> 00:59:57,540  
great at doing that and then you start

1353  
01:00:02,150 --> 01:00:00,480  
finding stuff out like well the Navy was

1354  
01:00:04,130 --> 01:00:02,160  
doing some of this stuff and they had

1355  
01:00:06,040 --> 01:00:04,140  
Philadelphia experiment type incidents

1356  
01:00:07,820 --> 01:00:06,050  
that are real and declassified documents

1357  
01:00:09,710 --> 01:00:07,830  
but

1358  
01:00:11,750 --> 01:00:09,720  
was it the Philadelphia Experiment or

1359  
01:00:13,010 --> 01:00:11,760  
was that just a cover story to cover for

1360  
01:00:16,220 --> 01:00:13,020  
the stuff that they're learning as they

1361  
01:00:20,180 --> 01:00:16,230  
go along it's just like with do you know

1362  
01:00:27,350 --> 01:00:20,190  
how radar was discovered well the if we

1363  
01:00:29,480 --> 01:00:27,360

stay on this John the the ability to to

1364

01:00:32,770 --> 01:00:29,490

do this with the tank or with the Zim

1365

01:00:37,040 --> 01:00:32,780

Walt you know class ships with the Navy

1366

01:00:41,390 --> 01:00:37,050

then the materials to do this are

1367

01:00:43,580 --> 01:00:41,400

already in play was this because of how

1368

01:00:50,720 --> 01:00:43,590

put off bringing these meta materials

1369

01:00:55,220 --> 01:00:50,730

already to the DoD or you know why go

1370

01:00:57,080 --> 01:00:55,230

back and fund research into these meta

1371

01:01:00,590 --> 01:00:57,090

materials if they've already made the

1372

01:01:01,100 --> 01:01:00,600

progress with disappearing ships and

1373

01:01:04,190 --> 01:01:01,110

tanks

1374

01:01:06,020 --> 01:01:04,200

well for starters you'd have to bring

1375

01:01:09,110 --> 01:01:06,030

somebody inside that would be willing to

1376

01:01:13,070 --> 01:01:09,120

talk in the DoD how aren't he's done and

1377

01:01:15,110 --> 01:01:13,080

how projects can like get taken partly

1378

01:01:16,490 --> 01:01:15,120

developed to put on the shelf like for

1379

01:01:18,290 --> 01:01:16,500

example one of the things that's being

1380

01:01:20,090 --> 01:01:18,300

discussed now to take us into space is

1381

01:01:22,280 --> 01:01:20,100

the technology I've had for 25 years

1382

01:01:25,460 --> 01:01:22,290

involves nuclear propulsion and some

1383

01:01:27,290 --> 01:01:25,470

other stuff right magnetic stuff well

1384

01:01:30,530 --> 01:01:27,300

that was developed and in Scheldt

1385

01:01:33,140 --> 01:01:30,540

because of cost okay and look at the y22

1386

01:01:35,210 --> 01:01:33,150

that air the stealth plane right right

1387

01:01:36,920 --> 01:01:35,220

they were gonna build well I'm just

1388

01:01:39,200 --> 01:01:36,930

gonna give you a number I don't know 500

1389

01:01:42,110 --> 01:01:39,210

and the cost was pretty prohibitive and

1390

01:01:44,420 --> 01:01:42,120

they only built 250 and then later the

1391

01:01:46,130 --> 01:01:44,430

f-35 came in which is gonna be double

1392

01:01:47,900 --> 01:01:46,140

what he's white going to and they said

1393

01:01:51,350 --> 01:01:47,910

oh my god if we just would have built

1394

01:01:54,500 --> 01:01:51,360

the 500 y 22s and then kept building

1395

01:01:56,510 --> 01:01:54,510

them the y22 is actually good more than

1396

01:01:57,950 --> 01:01:56,520

do what we need even though the f-35

1397

01:02:00,550 --> 01:01:57,960

will eventually be a better airplane

1398

01:02:05,120 --> 01:02:00,560

based on the helmet so it's all about

1399

01:02:07,580 --> 01:02:05,130

R&D funding and viability and one of the

1400

01:02:09,050 --> 01:02:07,590

guys that was an investigative reporter

1401

01:02:11,630 --> 01:02:09,060

and ended up working inside the Pentagon

1402

01:02:13,850 --> 01:02:11,640

for Andy Marshall who goes by Yoda who

1403

01:02:15,500 --> 01:02:13,860

got booted out in Obama and is now back

1404

01:02:17,450 --> 01:02:15,510

under Trump is

1405

01:02:19,190 --> 01:02:17,460

advanced technologies cost a lot of

1406

01:02:21,320 --> 01:02:19,200

money not only to develop but to

1407

01:02:24,740 --> 01:02:21,330

implement you know look at the cost of

1408

01:02:25,430 --> 01:02:24,750

the f-35 compared to the f-16 and the 15

1409

01:02:29,840 --> 01:02:25,440

you know what I mean

1410

01:02:32,390 --> 01:02:29,850

and the f-18 so there's always a

1411

01:02:33,980 --> 01:02:32,400

hesitant on funding and stuff well what

1412

01:02:36,830 --> 01:02:33,990

was one of the things that they did and

1413

01:02:39,650 --> 01:02:36,840

he does in this in a series and they've

1414

01:02:42,500 --> 01:02:39,660

done this publicly well you know we

1415

01:02:46,130 --> 01:02:42,510

don't really can't say for sure what did

1416

01:02:48,590 --> 01:02:46,140

mellon say not Mellon but justice well I

1417

01:02:49,580 --> 01:02:48,600

can't say it isn't our technology but I

1418

01:02:52,070 --> 01:02:49,590

can't say it is and I definitely

1419

01:02:54,710 --> 01:02:52,080

couldn't if it was and then you know you

1420

01:02:57,680 --> 01:02:54,720

have Mellon side step in Allah's Ando

1421

01:03:00,080 --> 01:02:57,690

leave it is well whatever it is it's a

1422

01:03:02,720 --> 01:03:00,090

threat and if it is from somewhere else

1423

01:03:04,100 --> 01:03:02,730

or it's another country has it or is

1424

01:03:04,400 --> 01:03:04,110

trying to get it we got to beat them to

1425

01:03:07,070 --> 01:03:04,410

it

1426

01:03:09,050 --> 01:03:07,080

so what's that go back to the industrial

1427

01:03:11,450 --> 01:03:09,060

military complex and getting funding and

1428

01:03:13,520 --> 01:03:11,460

you can't go to Congress and get funding

1429

01:03:14,990 --> 01:03:13,530

on a whim you know what I mean you got

1430

01:03:19,400 --> 01:03:15,000

to have a reason and you got to have a

1431

01:03:22,940 --> 01:03:19,410

threat well okay so then what would the

1432

01:03:26,330 --> 01:03:22,950

Pentagon want to do with this technology

1433

01:03:28,610 --> 01:03:26,340

in that we could have invisible tanks

1434

01:03:30,770 --> 01:03:28,620

and ships we could save a lot of money

1435

01:03:32,270 --> 01:03:30,780

build less of them because they're going

1436

01:03:34,520 --> 01:03:32,280

to be invisible nobody's going to be

1437

01:03:38,900 --> 01:03:34,530

able to shoot at them or see them or

1438

01:03:42,140 --> 01:03:38,910

build a billion more tanks that is a

1439

01:03:44,630 --> 01:03:42,150

proven technology and we understand that

1440

01:03:46,340 --> 01:03:44,640

you know with the Carl said there's

1441

01:03:48,560 --> 01:03:46,350

always a battle and that's the

1442

01:03:50,690 --> 01:03:48,570

interesting part that kind of caught my

1443

01:03:53,210 --> 01:03:50,700

attention they say there's a battle in

1444

01:03:55,190 --> 01:03:53,220

sight on the hard right Christians you

1445

01:03:57,260 --> 01:03:55,200

know as far as stopping this I don't

1446

01:03:59,210 --> 01:03:57,270

think that's what's going on here I

1447

01:04:01,610 --> 01:03:59,220

think there's a hardcore battle on

1448

01:04:02,990 --> 01:04:01,620

funding and you know it's no different

1449

01:04:05,300 --> 01:04:03,000

than what happened when they wanted to

1450

01:04:06,980 --> 01:04:05,310

create space force you know why do we

1451

01:04:09,440 --> 01:04:06,990

need to space for us we have the Air

1452

01:04:11,690 --> 01:04:09,450

Force and it can just be a branched off

1453

01:04:13,820 --> 01:04:11,700

but they want to separate it for

1454

01:04:15,110 --> 01:04:13,830

whatever reason there's always a battle

1455

01:04:17,600 --> 01:04:15,120

for funding every year

1456

01:04:20,480 --> 01:04:17,610

each service goes in with their toys and

1457

01:04:23,510 --> 01:04:20,490

what they want and and then it's

1458

01:04:25,190 --> 01:04:23,520

viability like you said I can build you

1459

01:04:27,230 --> 01:04:25,200

know Trump himself came out and said

1460

01:04:29,180 --> 01:04:27,240

well why don't we needed f-35 for when

1461

01:04:31,280 --> 01:04:29,190

we got the 1516 and

1462

01:04:33,680 --> 01:04:31,290

you know 18 and there's nothing that can

1463

01:04:35,150 --> 01:04:33,690

counter that right now on top of he l

1464

01:04:37,400 --> 01:04:35,160

remember how he went crazy about that

1465

01:04:39,500 --> 01:04:37,410

new catapult on that Ford it didn't work

1466

01:04:42,260 --> 01:04:39,510

why did we change it when it didn't work

1467

01:04:43,790 --> 01:04:42,270

why do we spend this kind of money when

1468

01:04:45,680 --> 01:04:43,800

the technology we had just could be

1469

01:04:47,450 --> 01:04:45,690

modified and work for years to come

1470

01:04:49,010 --> 01:04:47,460

you know what I mean so there's a

1471

01:04:53,510 --> 01:04:49,020

constant battle for funding

1472

01:04:54,970 --> 01:04:53,520

yeah and how with you know TTS a

1473

01:04:57,020 --> 01:04:54,980

just-released Bob lazarre's

1474

01:04:59,059 --> 01:04:57,030

autobiography I'm not sure Bob actually

1475

01:05:01,819 --> 01:04:59,069

wrote the book but nonetheless that was

1476

01:05:07,520 --> 01:05:01,829

just released it's all about UFOs UFOs

1477

01:05:11,319 --> 01:05:07,530

unidentified how did we suddenly twist

1478

01:05:14,960 --> 01:05:11,329

this company from being an entertainment

1479

01:05:18,140 --> 01:05:14,970

paranormal supernatural UFO company into

1480

01:05:20,480 --> 01:05:18,150

what appears to be a defense contractor

1481

01:05:22,370 --> 01:05:20,490

and was that was that the intention from

1482

01:05:24,950 --> 01:05:22,380

the beginning DS okay here's here's

1483

01:05:26,420 --> 01:05:24,960

where I really when you said I walked

1484

01:05:29,089 --> 01:05:26,430

away from this weather I really got

1485

01:05:33,589 --> 01:05:29,099

disgusted and it's kind of a two-prong

1486

01:05:36,020 --> 01:05:33,599

thing number one I got to be careful

1487

01:05:37,700 --> 01:05:36,030

what I say but I had privy inside

1488

01:05:40,160 --> 01:05:37,710

information that other people didn't get

1489

01:05:41,870 --> 01:05:40,170

and some of it had to do with Linda too

1490

01:05:43,880 --> 01:05:41,880

at the time because she was working with

1491

01:05:45,980 --> 01:05:43,890

the bhisma and I guess she's going to do

1492

01:05:49,790 --> 01:05:45,990

a tell-all coming up here in the next

1493

01:05:52,849 --> 01:05:49,800

week or two with Greenwald but the thing

1494

01:05:55,790 --> 01:05:52,859

was is that they claimed they thought

1495

01:05:58,700 --> 01:05:55,800

they could fund this throughput issuing

1496

01:06:00,140 --> 01:05:58,710

stocks and bonds and you know books and

1497

01:06:02,690 --> 01:06:00,150

all this other stuff and that's why they

1498

01:06:04,130 --> 01:06:02,700

made the entertainment and I was on the

1499

01:06:06,410 --> 01:06:04,140

horn and I wasn't going to tell you who

1500

01:06:08,000 --> 01:06:06,420

inside the organization but we got into

1501

01:06:10,670 --> 01:06:08,010

a pretty heavy and I said are you

1502

01:06:12,559 --> 01:06:10,680

kidding me I said the money you raised

1503

01:06:14,750 --> 01:06:12,569

or could raise this way wouldn't even

1504

01:06:17,870 --> 01:06:14,760

fund the building and a year's worth of

1505

01:06:19,309 --> 01:06:17,880

research let alone that you're don't try

1506

01:06:22,309 --> 01:06:19,319

to sell me the fact that you really

1507

01:06:26,200 --> 01:06:22,319

thought that you know what who's the

1508

01:06:29,660 --> 01:06:26,210

author that wrote the book with dough on

1509

01:06:30,079 --> 01:06:29,670

which one I mean there's Peter Levin de

1510

01:06:32,000 --> 01:06:30,089

Rodes

1511

01:06:34,670 --> 01:06:32,010

defended stuff right not seeing that

1512

01:06:37,339 --> 01:06:34,680

they did crappy work but there's no way

1513

01:06:41,059 --> 01:06:37,349

that this guy based on his background

1514

01:06:42,560 --> 01:06:41,069

and he ran a major defense program so

1515

01:06:45,290 --> 01:06:42,570

most people figure I don't talk

1516

01:06:46,250 --> 01:06:45,300

about and he's gonna try and sell me the

1517

01:06:48,250 --> 01:06:46,260

bill of goods they thought they were

1518

01:06:52,070 --> 01:06:48,260

gonna fund this and everything through

1519

01:06:54,800 --> 01:06:52,080

private enterprise they were looking for

1520

01:06:57,140 --> 01:06:54,810

DoD contracts and and and and if it

1521

01:06:58,850 --> 01:06:57,150

didn't if I didn't believe it then when

1522

01:07:00,860 --> 01:06:58,860

I found out about the documents that

1523

01:07:03,890 --> 01:07:00,870

they went to McCain right away in his

1524

01:07:07,940 --> 01:07:03,900

committee that come on that's that's all

1525

01:07:11,200 --> 01:07:07,950

about technology funding just like your

1526  
01:07:15,620 --> 01:07:11,210  
Freedom of Information Act mo D Doc's

1527  
01:07:17,930 --> 01:07:15,630  
right right right at BAE Systems one of

1528  
01:07:22,720 --> 01:07:17,940  
the things that is out there now is they

1529  
01:07:31,040 --> 01:07:27,790  
and staying on this and and kind of

1530  
01:07:34,880 --> 01:07:31,050  
sidestepping a little bit into the

1531  
01:07:38,060 --> 01:07:34,890  
tic-tac videos what's your what's your

1532  
01:07:41,090 --> 01:07:38,070  
take on that is is what was seen out

1533  
01:07:43,610 --> 01:07:41,100  
there was that was that man made was

1534  
01:07:45,430 --> 01:07:43,620  
that terrestrial well let me let me

1535  
01:07:49,370 --> 01:07:45,440  
backtrack to our incident okay

1536  
01:07:52,090 --> 01:07:49,380  
when our incident took place I mean it

1537  
01:07:54,770 --> 01:07:52,100  
was much simpler times and the whole

1538  
01:07:58,550 --> 01:07:54,780

state of Technology was different than

1539

01:08:00,860 --> 01:07:58,560

that we knew of and you and no clue this

1540

01:08:03,170 --> 01:08:00,870

it was an emphasis stage of you know

1541

01:08:05,450 --> 01:08:03,180

radars had been around since the 40s but

1542

01:08:07,760 --> 01:08:05,460

all this stuff you just you didn't have

1543

01:08:09,590 --> 01:08:07,770

the Internet in all this so when we saw

1544

01:08:12,170 --> 01:08:09,600

the stuff that we did and the encounters

1545

01:08:14,960 --> 01:08:12,180

that we had we walked away like no way

1546

01:08:16,250 --> 01:08:14,970

there is no way and you know besides the

1547

01:08:18,320 --> 01:08:16,260

fact they tried to sell this the

1548

01:08:20,720 --> 01:08:18,330

lighthouse but I never told you this

1549

01:08:23,329 --> 01:08:20,730

Jimmy but through research through James

1550

01:08:26,030 --> 01:08:23,339

Worrell guess what the lighthouse may

1551

01:08:29,060 --> 01:08:26,040

have played a factor in the Rendlesham

1552

01:08:31,550 --> 01:08:29,070

case and you know why why because they

1553

01:08:33,710 --> 01:08:31,560

had it wired up to an e/m technology

1554

01:08:36,980 --> 01:08:33,720

generating technology and it was pulsing

1555

01:08:40,180 --> 01:08:36,990

e/m technology generation pulses into

1556

01:08:41,390 --> 01:08:40,190

into the forest area where we work ok

1557

01:08:44,060 --> 01:08:41,400

sorry

1558

01:08:46,460 --> 01:08:44,070

already they were working on this stuff

1559

01:08:48,349 --> 01:08:46,470

Marconi was which ended up being bought

1560

01:08:51,620 --> 01:08:48,359

up by BAE Systems in General Electric

1561

01:08:53,840 --> 01:08:51,630

they were working on AM technology and

1562

01:08:56,180 --> 01:08:53,850

stealth and everything right back then

1563

01:08:58,820 --> 01:08:56,190

okay but

1564

01:09:01,070 --> 01:08:58,830

we didn't know any of that and neither

1565

01:09:02,899 --> 01:09:01,080

did the majority of the people at the

1566

01:09:04,729 --> 01:09:02,909

base you know maybe the Wing Commander

1567

01:09:06,349 --> 01:09:04,739

Williams did and I can talk a little bit

1568

01:09:08,530 --> 01:09:06,359

about him in a minute it'll blow your

1569

01:09:11,899 --> 01:09:08,540

mind what I found out about him later on

1570

01:09:13,729 --> 01:09:11,909

fright from him directly but the thing

1571

01:09:16,099 --> 01:09:13,739

was is that we walked away saying

1572

01:09:18,379 --> 01:09:16,109

there's no way do not insult our

1573

01:09:21,620 --> 01:09:18,389

integrity or unsought our intelligence

1574

01:09:26,660 --> 01:09:21,630

that this was us do you know what I mean

1575

01:09:29,030 --> 01:09:26,670

and possible like 30 years later all

1576

01:09:31,010 --> 01:09:29,040

these documents were Declassified and by

1577

01:09:32,660 --> 01:09:31,020

golly you can pretty much explain just

1578

01:09:34,910 --> 01:09:32,670

about everything that happened to us why

1579

01:09:36,410 --> 01:09:34,920

it happened through technology we were

1580

01:09:38,629 --> 01:09:36,420

working on right outside the back gate

1581

01:09:41,720 --> 01:09:38,639

at that time would that explain the

1582

01:09:43,939 --> 01:09:41,730

object in the forest though maybe that

1583

01:09:46,789 --> 01:09:43,949

because well first of all the blue

1584

01:09:49,640 --> 01:09:46,799

lights in the sky they were working on

1585

01:09:53,749 --> 01:09:49,650

lasers and tracking plasmas which tie

1586

01:09:55,610 --> 01:09:53,759

into all this later that um that they

1587

01:09:57,890 --> 01:09:55,620

could direct with the lasers what did

1588

01:10:00,080 --> 01:09:57,900

Paul say saw beams of light coming down

1589

01:10:02,600 --> 01:10:00,090

and these things flying around mm-hmm

1590

01:10:04,100 --> 01:10:02,610

well at that point we don't have that

1591

01:10:05,870 --> 01:10:04,110

kind of technology there's no way it is

1592

01:10:08,090 --> 01:10:05,880

yeah well we actually did and we were

1593

01:10:10,760 --> 01:10:08,100

working on it oh and they were actually

1594

01:10:12,169 --> 01:10:10,770

using it to to track Soviet satellites

1595

01:10:14,899 --> 01:10:12,179

and one of them may have been brought

1596

01:10:16,520 --> 01:10:14,909

down during the entire event which would

1597

01:10:17,810 --> 01:10:16,530

halt even-handed way back could have

1598

01:10:19,310 --> 01:10:17,820

been international in sand on top of

1599

01:10:23,680 --> 01:10:19,320

everything else now here's the

1600

01:10:26,870 --> 01:10:23,690

interesting thing about a craft what

1601  
01:10:28,820 --> 01:10:26,880  
Penniston claims it was a crap but when

1602  
01:10:30,439 --> 01:10:28,830  
you get close to ian's frequencies and

1603  
01:10:32,510 --> 01:10:30,449  
stuff like that and if you go into

1604  
01:10:34,040 --> 01:10:32,520  
condign it tells you that when you get

1605  
01:10:35,330 --> 01:10:34,050  
close to something like that it alters

1606  
01:10:36,410 --> 01:10:35,340  
your perception what you think you're

1607  
01:10:39,680 --> 01:10:36,420  
seeing what you're doing what then

1608  
01:10:40,939 --> 01:10:39,690  
what's going on okay I could and

1609  
01:10:42,470 --> 01:10:40,949  
certainly with the peniston's

1610  
01:10:44,300 --> 01:10:42,480  
description but he also had that

1611  
01:10:47,390 --> 01:10:44,310  
interesting download about time

1612  
01:10:49,580 --> 01:10:47,400  
travelers from the future well let's

1613  
01:10:52,160 --> 01:10:49,590

don't go into that tonight but let's not

1614

01:10:54,050 --> 01:10:52,170

go into it's completely discredited in a

1615

01:10:55,879 --> 01:10:54,060

lot of ways I know I realize that I

1616

01:10:58,220 --> 01:10:55,889

don't know and what I'm getting at is

1617

01:11:02,540 --> 01:10:58,230

I'm trying to focus in on technology and

1618

01:11:02,990 --> 01:11:02,550

so did is flavor being lying most likely

1619

01:11:04,939 --> 01:11:03,000

not

1620

01:11:09,500 --> 01:11:04,949

could he know it's our technology

1621

01:11:11,930 --> 01:11:09,510

possibly but I doubt it um and one

1622

01:11:13,370 --> 01:11:11,940

the excuses is which I just did a show a

1623

01:11:16,490 --> 01:11:13,380

Kevin day in a couple of the other guys

1624

01:11:18,290 --> 01:11:16,500

were involved and we kind of kind of got

1625

01:11:20,979 --> 01:11:18,300

them thinking a little bit about why it

1626

01:11:24,109 --> 01:11:20,989

could have been a test but ultimately

1627

01:11:27,290 --> 01:11:24,119

they're going to have to test this on

1628

01:11:28,970 --> 01:11:27,300

real live equipment they claim none of

1629

01:11:30,740 --> 01:11:28,980

them or debrief but they wanted all the

1630

01:11:32,000 --> 01:11:30,750

data which is sensors and everything

1631

01:11:33,439 --> 01:11:32,010

else right mm-hmm

1632

01:11:35,569 --> 01:11:33,449

it took place for this and both

1633

01:11:37,359 --> 01:11:35,579

incidents right but the interesting

1634

01:11:42,470 --> 01:11:37,369

thing which no one wants to talk about

1635

01:11:45,560 --> 01:11:42,480

what a wonder the pilots say in that was

1636

01:11:48,620 --> 01:11:45,570

released it's a fleet of drones ranked

1637

01:11:50,540 --> 01:11:48,630

fleet of them right right but no one

1638

01:11:52,339 --> 01:11:50,550

wants to talk about that oh wait a

1639

01:11:54,740 --> 01:11:52,349

minute let's let's go back in time a

1640

01:11:58,520 --> 01:11:54,750

little bit well well what did you say

1641

01:12:00,379 --> 01:11:58,530

what was the guy the other day um Rogan

1642

01:12:03,589 --> 01:12:00,389

said well I believe now because the

1643

01:12:05,750 --> 01:12:03,599

pilots saw something right right but

1644

01:12:07,750 --> 01:12:05,760

wait a minute the pilots one of them

1645

01:12:10,520 --> 01:12:07,760

said it was drones well I just

1646

01:12:12,169 --> 01:12:10,530

misidentified him it wasn't drones well

1647

01:12:15,470 --> 01:12:12,179

no one followed up on it

1648

01:12:18,830 --> 01:12:15,480

number one you know and why did he think

1649

01:12:22,430 --> 01:12:18,840

they were drones so there was a clue

1650

01:12:24,350 --> 01:12:22,440

right there that well maybe it was our

1651  
01:12:27,709 --> 01:12:24,360  
technology do you understand what I mean

1652  
01:12:30,020 --> 01:12:27,719  
I do and no one wants to acknowledge

1653  
01:12:32,390 --> 01:12:30,030  
that because all the people that get

1654  
01:12:33,979 --> 01:12:32,400  
behind us just believe that they just

1655  
01:12:36,080 --> 01:12:33,989  
saved us because we're gonna get

1656  
01:12:39,350 --> 01:12:36,090  
disclosure from this group that most

1657  
01:12:40,879 --> 01:12:39,360  
show me where they've done anything to

1658  
01:12:43,729 --> 01:12:40,889  
further disclosure what I mean by

1659  
01:12:45,649 --> 01:12:43,739  
disclosure is is have they identified

1660  
01:12:48,799 --> 01:12:45,659  
what it is or anything like that and

1661  
01:12:51,560 --> 01:12:48,809  
have they done anything with Congress to

1662  
01:12:54,020 --> 01:12:51,570  
get them to openly tell you what we're

1663  
01:12:56,089 --> 01:12:54,030

dealing with no everybody that they've

1664

01:12:57,470 --> 01:12:56,099

interviewed said it's classified they're

1665

01:12:58,850 --> 01:12:57,480

not going to talk about the Navy says

1666

01:13:00,890 --> 01:12:58,860

we're not gonna talk about it the Army's

1667

01:13:02,689 --> 01:13:00,900

not going to talk about it and whether

1668

01:13:05,770 --> 01:13:02,699

you like the president or not he came

1669

01:13:08,479 --> 01:13:05,780

back and gave a clear uh-uh

1670

01:13:10,459 --> 01:13:08,489

interview that he basically said he's

1671

01:13:12,350 --> 01:13:10,469

not disputing the pilots but he's saying

1672

01:13:15,899 --> 01:13:12,360

it isn't what people think it is yeah

1673

01:13:22,290 --> 01:13:15,909

it's not UFOs right the

1674

01:13:25,439 --> 01:13:22,300

the the consistency of this happening

1675

01:13:27,870 --> 01:13:25,449

during naval exercises on both coasts

1676

01:13:32,100 --> 01:13:27,880

right and two different incidents and

1677

01:13:34,770 --> 01:13:32,110

then I had somebody that reached out to

1678

01:13:37,410 --> 01:13:34,780

this program you know about it to

1679

01:13:38,220 --> 01:13:37,420

everybody knows about it now who was in

1680

01:13:42,229 --> 01:13:38,230

the Coast Guard

1681

01:13:45,780 --> 01:13:42,239

a year before the 2004 Tic Tac incident

1682

01:13:48,300 --> 01:13:45,790

was asked by the captain of his ship

1683

01:13:51,899 --> 01:13:48,310

that he was on the for the crew to go up

1684

01:13:55,080 --> 01:13:51,909

above deck and look to the skies and and

1685

01:13:56,819 --> 01:13:55,090

observe what was about to happen and it

1686

01:13:59,069 --> 01:13:56,829

was a high flying craft they they

1687

01:13:59,939 --> 01:13:59,079

thought it might have been an sr-71 it

1688

01:14:04,830 --> 01:13:59,949

was up really high

1689

01:14:08,939 --> 01:14:04,840

dropped a white drone down from 60,000

1690

01:14:13,830 --> 01:14:08,949

feet and it came down above was a level

1691

01:14:17,129 --> 01:14:13,840

this was 2003 okay and so that this was

1692

01:14:19,859 --> 01:14:17,139

not a UFO this was dropped from one of

1693

01:14:26,160 --> 01:14:19,869

our aircraft and they watched it being

1694

01:14:28,770 --> 01:14:26,170

tested and could this be another version

1695

01:14:32,069 --> 01:14:28,780

or the say it doesn't matter of what the

1696

01:14:37,010 --> 01:14:32,079

tic-tac was and that it this has nothing

1697

01:14:40,169 --> 01:14:37,020

to do with with et or off world

1698

01:14:42,540 --> 01:14:40,179

technology or civilizations but that all

1699

01:14:46,290 --> 01:14:42,550

of this folds back to and comes back

1700

01:14:49,010 --> 01:14:46,300

around with what is going on with TTS a

1701

01:14:52,200 --> 01:14:49,020

today which is government contracts

1702

01:14:55,229 --> 01:14:52,210

disappearing ships and tanks and an

1703

01:14:58,740 --> 01:14:55,239

advanced technology and and terahertz

1704

01:15:00,720 --> 01:14:58,750

radiation affecting different materials

1705

01:15:03,750 --> 01:15:00,730

it seems like that's what we're dealing

1706

01:15:06,450 --> 01:15:03,760

with here John well yeah no doubt and if

1707

01:15:09,030 --> 01:15:06,460

you go back if you do any if you do any

1708

01:15:11,310 --> 01:15:09,040

research at all terahertz didn't even

1709

01:15:13,890 --> 01:15:11,320

come onto the picture until basically

1710

01:15:14,550 --> 01:15:13,900

when put off and green well we knew

1711

01:15:18,600 --> 01:15:14,560

about it

1712

01:15:22,410 --> 01:15:18,610

so they brought Linda Moulton Howe down

1713

01:15:26,399 --> 01:15:22,420

to Austin and then she devotes that in

1714

01:15:27,420 --> 01:15:26,409

on her while Whitley and then coast to

1715

01:15:29,760 --> 01:15:27,430

coast mm-hmm

1716

01:15:31,800 --> 01:15:29,770

and they wanted a terahertz out and then

1717

01:15:35,520 --> 01:15:31,810

they went further with this and Jacobson

1718

01:15:37,290 --> 01:15:35,530

and then Greene who it was just amazing

1719

01:15:39,480 --> 01:15:37,300

because I was kind of led to believe

1720

01:15:41,790 --> 01:15:39,490

this was all supposed to be quiet and I

1721

01:15:43,110 --> 01:15:41,800

never said much about it because first

1722

01:15:46,050 --> 01:15:43,120

of all who's gonna believe me in the

1723

01:15:47,820 --> 01:15:46,060

first place but second of all um I was

1724

01:15:49,500 --> 01:15:47,830

asked to keep quiet and then they devote

1725

01:15:51,540 --> 01:15:49,510

some of the stuff that Jacobson and

1726

01:15:54,120 --> 01:15:51,550

Danny turns around it goes on a dub top

1727

01:15:56,610 --> 01:15:54,130

secret which everybody you know in the

1728

01:15:59,010 --> 01:15:56,620

UFO world says it's a debunking site but

1729

01:16:00,450 --> 01:15:59,020

he comes on and they're debating after

1730

01:16:02,640 --> 01:16:00,460

we announced my settlement with the

1731

01:16:04,140 --> 01:16:02,650

government which they did say I was

1732

01:16:05,670 --> 01:16:04,150

injured in the line of duty in the

1733

01:16:08,610 --> 01:16:05,680

forest during the Rendlesham incident

1734

01:16:11,310 --> 01:16:08,620

but they've never clarified what injured

1735

01:16:11,640 --> 01:16:11,320

me but he comes on and says yeah that's

1736

01:16:15,330 --> 01:16:11,650

right

1737

01:16:18,960 --> 01:16:15,340

and he laid out a spiel on what what

1738

01:16:22,140 --> 01:16:18,970

injured me that they there is there's

1739

01:16:24,150 --> 01:16:22,150

proof that it's there and that you know

1740

01:16:27,690 --> 01:16:24,160

when I went through the whole spill so

1741

01:16:32,130 --> 01:16:27,700

this is a definitely they're moving

1742

01:16:34,740 --> 01:16:32,140

forward with a program that I think has

1743

01:16:36,330 --> 01:16:34,750

very little to do with disclosure okay

1744

01:16:39,420 --> 01:16:36,340

and it has more to do with technology

1745

01:16:40,800 --> 01:16:39,430

that's my personal opinion now I'll have

1746

01:16:44,220 --> 01:16:40,810

the haters coming after me and say I'm

1747

01:16:46,650 --> 01:16:44,230

full of crap but ultimately um I bet

1748

01:16:48,240 --> 01:16:46,660

Linda twice already in both years I said

1749

01:16:49,560 --> 01:16:48,250

there won't be disclosed and all these

1750

01:16:51,450 --> 01:16:49,570

people said there's gonna be disclosure

1751

01:16:52,800 --> 01:16:51,460

in eighteen and it didn't happen where

1752

01:16:53,220 --> 01:16:52,810

at the end of nineteen it's not gonna

1753

01:16:55,260 --> 01:16:53,230

happen

1754

01:16:57,930 --> 01:16:55,270

we're not gonna see disclosure and in

1755

01:16:59,820 --> 01:16:57,940

fact without revealing who inside or

1756

01:17:01,800 --> 01:16:59,830

more than one inside they've even told

1757

01:17:03,900 --> 01:17:01,810

me that don't even think about any of

1758

01:17:07,050 --> 01:17:03,910

that even coming close to even getting

1759

01:17:11,820 --> 01:17:07,060

on on the radar for another seven to ten

1760

01:17:15,690 --> 01:17:11,830

years for whatever reason what okay so

1761

01:17:17,520 --> 01:17:15,700

ultimately what do you think we will

1762

01:17:21,720 --> 01:17:17,530

continue this of course after the break

1763

01:17:28,860 --> 01:17:21,730

but ultimately what are we dealing with

1764

01:17:33,360 --> 01:17:28,870

here is is T TSA a government project

1765

01:17:37,050 --> 01:17:33,370

that is done outside of the Pentagon

1766

01:17:40,800 --> 01:17:37,060

where it is disguised as a public

1767

01:17:43,380 --> 01:17:40,810

benefit corporation but yet it is

1768

01:17:46,200 --> 01:17:43,390

aft by ex-cia and DOD and

1769

01:17:49,050 --> 01:17:46,210

counterintelligence professionals

1770

01:17:54,120 --> 01:17:49,060

career professionals and that is

1771

01:17:56,010 --> 01:17:54,130

actually what is going on well okay

1772

01:17:58,950 --> 01:17:56,020

you can't get through the veil of

1773

01:18:00,990 --> 01:17:58,960

secrecy with these guys like little

1774

01:18:03,870 --> 01:18:01,000

crack a joke like well I don't know if I

1775

01:18:06,600 --> 01:18:03,880

sell my clearance or not well if you've

1776

01:18:08,550 --> 01:18:06,610

left Department of Defense and you're

1777

01:18:10,170 --> 01:18:08,560

not actively working with them or they

1778

01:18:13,170 --> 01:18:10,180

have any intentions of bringing you back

1779

01:18:15,750 --> 01:18:13,180

your clearance is deactivated and after

1780

01:18:18,360 --> 01:18:15,760

two years your decertified but he would

1781

01:18:22,020 --> 01:18:18,370

know that but he makes it look like he

1782

01:18:24,870 --> 01:18:22,030

doesn't know and I can't tell you today

1783

01:18:27,660 --> 01:18:24,880

the status of melon and put off and

1784

01:18:32,100 --> 01:18:27,670

green but I know when I was dealing with

1785

01:18:34,500 --> 01:18:32,110

put off and green back in 2010 to about

1786

01:18:38,550 --> 01:18:34,510

15 they were actively working inside the

1787

01:18:41,220 --> 01:18:38,560

government well the last in the last few

1788

01:18:43,500 --> 01:18:41,230

months when I wrote those guys to ask

1789

01:18:47,220 --> 01:18:43,510

the you know for comment or to come on

1790

01:18:49,410 --> 01:18:47,230

the show they had both said nearly

1791

01:18:51,360 --> 01:18:49,420

identical by the way word for word like

1792

01:18:53,850 --> 01:18:51,370

it was a cut and paste response a little

1793

01:18:59,070 --> 01:18:53,860

bit different but they said that they

1794

01:19:00,150 --> 01:18:59,080

both have security oaths with the United

1795

01:19:03,390 --> 01:19:00,160

States and they're not going to break

1796

01:19:07,650 --> 01:19:03,400

those right and you have to look at this

1797

01:19:09,240 --> 01:19:07,660

those guys got okay this is just as

1798

01:19:11,310 --> 01:19:09,250

probably gonna tick people off again too

1799

01:19:13,050 --> 01:19:11,320

but I wish I just had a little bit of

1800

01:19:17,970 --> 01:19:13,060

the money Bassets wasted over the years

1801

01:19:18,990 --> 01:19:17,980

and and and the the other people that

1802

01:19:20,760 --> 01:19:19,000

think they're going to go up and get

1803

01:19:22,770 --> 01:19:20,770

register as lobbyists they're going to

1804

01:19:24,900 --> 01:19:22,780

get somewhere with this or not you

1805

01:19:26,700 --> 01:19:24,910

you're gonna get to an aid okay and if

1806

01:19:29,580 --> 01:19:26,710

you're lucky and it won't be a senior

1807

01:19:31,680 --> 01:19:29,590

aide most of the time and but these guys

1808

01:19:33,630 --> 01:19:31,690

can walk up there and get in the front

1809

01:19:37,140 --> 01:19:33,640

door and meet directly with these

1810

01:19:39,360 --> 01:19:37,150

Congress people okay and what's that

1811

01:19:41,070 --> 01:19:39,370

tell you you don't get in to these

1812

01:19:43,200 --> 01:19:41,080

committees you don't meet with McCain

1813

01:19:45,310 --> 01:19:43,210

you don't get these briefings unless you

1814

01:19:47,110 --> 01:19:45,320

stole it security Clarence

1815

01:19:49,060 --> 01:19:47,120

when so that means they're still

1816

01:19:53,470 --> 01:19:49,070

actively working inside the government

1817

01:19:56,050 --> 01:19:53,480

well and somebody got the Navy to to

1818

01:19:58,480 --> 01:19:56,060

come out and say that the objects in

1819

01:20:01,840 --> 01:19:58,490

those three videos are unidentified

1820

01:20:04,840 --> 01:20:01,850

aerial phenomenon when when you read

1821

01:20:08,730 --> 01:20:04,850

that news what what went through your

1822

01:20:11,140 --> 01:20:08,740

mind are we are they saying UFOs or

1823

01:20:13,480 --> 01:20:11,150

robots where you go back to condign what

1824

01:20:17,680 --> 01:20:13,490

is a UAP number one and the second thing

1825

01:20:18,790 --> 01:20:17,690

is which is is it Valley within what you

1826

01:20:21,130 --> 01:20:18,800

can read through it

1827

01:20:24,460 --> 01:20:21,140

besides the FOIA I did is that it has to

1828

01:20:27,100 --> 01:20:24,470

do with plasmas in frequencies and an

1829

01:20:29,080 --> 01:20:27,110

energy field but ultimately the Navy had

1830

01:20:31,450 --> 01:20:29,090

no choice now whether or not they were

1831

01:20:33,400 --> 01:20:31,460

the Navy was just going to do this to

1832

01:20:35,260 --> 01:20:33,410

get funding so let's say they've got

1833

01:20:36,640 --> 01:20:35,270

people inside these military services

1834

01:20:39,190 --> 01:20:36,650

and said we got to have this technology

1835

01:20:41,680 --> 01:20:39,200

for whatever reason then they could be

1836

01:20:44,080 --> 01:20:41,690

playing along or it could be the other

1837

01:20:47,980 --> 01:20:44,090

way where these guys want they've got

1838

01:20:49,750 --> 01:20:47,990

these stuff prototypes Rd papers

1839

01:20:51,700 --> 01:20:49,760

everything else and they know it's gonna

1840

01:20:54,640 --> 01:20:51,710

work and they're having trouble getting

1841

01:20:56,470 --> 01:20:54,650

the money and and so they're they forced

1842

01:20:58,900 --> 01:20:56,480

some things because it was interesting

1843

01:21:01,030 --> 01:20:58,910

when the Navy said well we didn't say

1844

01:21:02,820 --> 01:21:01,040

these dot these videos were classified

1845

01:21:06,670 --> 01:21:02,830

these weren't cleared for release

1846

01:21:08,500 --> 01:21:06,680

let's take oh go ahead so they put the

1847

01:21:10,390 --> 01:21:08,510

Navy on the spot if they weren't already

1848

01:21:12,100 --> 01:21:10,400

if they weren't playing along where they

1849

01:21:13,720 --> 01:21:12,110

had to say something well that's right

1850

01:21:15,550 --> 01:21:13,730

that's what they got the Congress people

1851  
01:21:17,530 --> 01:21:15,560  
starting to get briefings on it yeah

1852  
01:21:19,150 --> 01:21:17,540  
absolutely and we're gonna continue this

1853  
01:21:21,700 --> 01:21:19,160  
when we come back our guest tonight John

1854  
01:21:24,580 --> 01:21:21,710  
Burroughs we're discussing to the Stars

1855  
01:21:27,850 --> 01:21:24,590  
Academy a tip and the group of

1856  
01:21:29,710 --> 01:21:27,860  
individuals that is staffing the to the

1857  
01:21:30,420 --> 01:21:29,720  
Stars Academy we'll be right back after

1858  
01:21:34,500 --> 01:21:30,430  
this short

1859  
01:21:45,060 --> 01:21:42,950  
[Music]

1860  
01:21:47,850 --> 01:21:45,070  
welcome back fade to black our guest

1861  
01:21:50,310 --> 01:21:47,860  
tonight John Burroughs we just put up a

1862  
01:21:51,930 --> 01:21:50,320  
poll reader put up a poll that's in

1863  
01:21:54,689 --> 01:21:51,940

Twitter about the best show of the week

1864

01:21:56,430 --> 01:21:54,699

and that has never happened before

1865

01:22:01,260 --> 01:21:56,440

because we've had three amazing shows

1866

01:22:03,979 --> 01:22:01,270

this week and John you're up you're up

1867

01:22:06,600 --> 01:22:03,989

in this poll and the shows not even done

1868

01:22:09,180 --> 01:22:06,610

yeah that's pretty cool now okay you

1869

01:22:12,439 --> 01:22:09,190

brought up a point tonight a few times

1870

01:22:18,930 --> 01:22:12,449

that we need to visit if we go back to

1871

01:22:21,209 --> 01:22:18,940

December 17th of 2017 and the days of

1872

01:22:24,030 --> 01:22:21,219

disclosure as that was called and it was

1873

01:22:30,359 --> 01:22:24,040

such a big deal and here we are we're

1874

01:22:34,350 --> 01:22:30,369

closing in now on 2020 and nothing has

1875

01:22:41,609 --> 01:22:34,360

happened since and it is my position

1876

01:22:44,479 --> 01:22:41,619

that it's it's zero its zilch everything

1877

01:22:48,439 --> 01:22:44,489

that happened happened back then and

1878

01:22:51,810 --> 01:22:48,449

today we've gotten nowhere but the

1879

01:22:53,729 --> 01:22:51,820

counter-argument to that is despite

1880

01:22:56,189 --> 01:22:53,739

everything and all the issues that are

1881

01:22:58,109 --> 01:22:56,199

out there with Elizondo and and to the

1882

01:23:00,810 --> 01:22:58,119

stars and and everything else and the

1883

01:23:02,850 --> 01:23:00,820

mistakes that have been made that the

1884

01:23:05,669 --> 01:23:02,860

counter-argument is but but we're

1885

01:23:09,990 --> 01:23:05,679

talking about UFOs so nothing else

1886

01:23:14,189 --> 01:23:10,000

matters wait how do you deal with that

1887

01:23:16,520 --> 01:23:14,199

well for me okay I look at it through a

1888

01:23:19,140 --> 01:23:16,530

little bit different perspective okay

1889

01:23:20,939 --> 01:23:19,150

alright if you just want to talk about

1890

01:23:22,890 --> 01:23:20,949

UFOs great you're right there's more

1891

01:23:26,069 --> 01:23:22,900

there's more to it they're talking about

1892

01:23:27,959 --> 01:23:26,079

it more but it's the quality there's

1893

01:23:31,080 --> 01:23:27,969

quantity but there's not quality and

1894

01:23:33,720 --> 01:23:31,090

what I mean by quality is is that you

1895

01:23:35,760 --> 01:23:33,730

you can go any network and they've got a

1896

01:23:39,200 --> 01:23:35,770

panel of experts on a lot of different

1897

01:23:42,810 --> 01:23:39,210

things but there's nobody to this day

1898

01:23:44,819 --> 01:23:42,820

that they you know there's no panel and

1899

01:23:46,500 --> 01:23:44,829

I'm not talking about guys like Dolan

1900

01:23:47,669 --> 01:23:46,510

and I'm not trying to jam on them but

1901

01:23:49,919 --> 01:23:47,679

they're not experts I'm talk about

1902

01:23:52,200 --> 01:23:49,929

scientists stuff so no this is being

1903

01:23:54,209 --> 01:23:52,210

moved forward with these guys talking

1904

01:23:55,950 --> 01:23:54,219

about the possibilities of whatever's

1905

01:23:58,500 --> 01:23:55,960

going on technology you

1906

01:24:00,270 --> 01:23:58,510

go on sixty minutes and they're

1907

01:24:01,650 --> 01:24:00,280

interviewing Nevada's contract with the

1908

01:24:03,900 --> 01:24:01,660

government and he drops the bombshell

1909

01:24:05,790 --> 01:24:03,910

that I thought was pretty impressive and

1910

01:24:07,650 --> 01:24:05,800

pretty gutsy for a guy there's still in

1911

01:24:08,940 --> 01:24:07,660

the Department of Defense you know and

1912

01:24:11,910 --> 01:24:08,950

everything else to say yeah they're here

1913

01:24:15,660 --> 01:24:11,920

deal with it but ultimately the 60

1914

01:24:19,020 --> 01:24:15,670

minutes follow up on it no and they

1915

01:24:20,820 --> 01:24:19,030

didn't follow up on it after after the

1916

01:24:22,350 --> 01:24:20,830

you know New York Times story and stuff

1917

01:24:24,660 --> 01:24:22,360

you would think they would at least do a

1918

01:24:26,220 --> 01:24:24,670

piece on what where we are technology

1919

01:24:29,130 --> 01:24:26,230

wise today and where did we get it and

1920

01:24:31,770 --> 01:24:29,140

how we've advanced and why would Bigelow

1921

01:24:35,880 --> 01:24:31,780

say that no so you're not getting the

1922

01:24:37,979 --> 01:24:35,890

serious news and that unidentified they

1923

01:24:39,540 --> 01:24:37,989

made these bold promises to me even that

1924

01:24:41,930 --> 01:24:39,550

they were going to do differently it was

1925

01:24:44,940 --> 01:24:41,940

just another version of ancient aliens

1926

01:24:47,070 --> 01:24:44,950

so it's all entertainment and it's all

1927

01:24:49,650 --> 01:24:47,080

based on people making money off of it

1928

01:24:51,209 --> 01:24:49,660

and that's not what I'm about I want to

1929

01:24:52,620 --> 01:24:51,219

know what the hell is going on I want to

1930

01:24:55,950 --> 01:24:52,630

know what happened to me within reason

1931

01:24:57,750 --> 01:24:55,960

on national security whatever you want

1932

01:24:58,560 --> 01:24:57,760

to justify that ass do you understand

1933

01:25:02,040 --> 01:24:58,570

what I mean I do

1934

01:25:05,280 --> 01:25:02,050

and because of the way that everything

1935

01:25:08,729 --> 01:25:05,290

was handled and I'm talking about the

1936

01:25:10,650 --> 01:25:08,739

the three videos whether they were

1937

01:25:12,930 --> 01:25:10,660

released by the Pentagon or not whether

1938

01:25:15,300 --> 01:25:12,940

Elizondo had anything to do with it or

1939

01:25:17,209 --> 01:25:15,310

not the fact that two of them were

1940

01:25:20,400 --> 01:25:17,219

already out in the public domain

1941

01:25:22,979 --> 01:25:20,410

beforehand anyway but does that mean

1942

01:25:25,260 --> 01:25:22,989

we're not going to see anything coming

1943

01:25:28,740 --> 01:25:25,270

out of the Pentagon when it comes to

1944

01:25:30,720 --> 01:25:28,750

videos in the future well you just have

1945

01:25:34,950 --> 01:25:30,730

to go by what the Navy said what did

1946

01:25:37,320 --> 01:25:34,960

they say they said we're gonna make it

1947

01:25:39,390 --> 01:25:37,330

easier for the pilot report it and we're

1948

01:25:42,209 --> 01:25:39,400

gonna investigate it but and they made a

1949

01:25:44,729 --> 01:25:42,219

big deal they did this celebration you

1950

01:25:45,959 --> 01:25:44,739

know uh none identify know that but but

1951

01:25:49,320 --> 01:25:45,969

oh wait a minute

1952

01:25:53,910 --> 01:25:49,330

when I tell you what we find out well

1953

01:25:56,030 --> 01:25:53,920

what was for me the and I think the

1954

01:26:00,630 --> 01:25:56,040

public grabbed onto this pretty quickly

1955

01:26:05,520 --> 01:26:00,640

it wasn't to the stars that got the Navy

1956

01:26:06,690 --> 01:26:05,530

to admit or use the the term UAP it was

1957

01:26:08,650 --> 01:26:06,700

john greenwald

1958

01:26:10,660 --> 01:26:08,660

and with with this

1959

01:26:12,370 --> 01:26:10,670

that is there and you just mentioned it

1960

01:26:14,490 --> 01:26:12,380

they these guys can go and open up all

1961

01:26:16,690 --> 01:26:14,500

the doors that they need to open

1962

01:26:19,300 --> 01:26:16,700

directly you don't need a lobbyist or

1963

01:26:21,310 --> 01:26:19,310

somebody else but it wasn't them that

1964

01:26:24,100 --> 01:26:21,320

did the big revelation about the Navy

1965

01:26:27,250 --> 01:26:24,110

and you ApS and those videos it was John

1966

01:26:30,130 --> 01:26:27,260

Greenwald and it was actually stumbled

1967

01:26:32,410 --> 01:26:30,140

upon it was an accidental that happened

1968

01:26:34,000 --> 01:26:32,420

but it was John that revealed that it

1969

01:26:36,400 --> 01:26:34,010

wasn't to the stars that brought that

1970

01:26:38,380 --> 01:26:36,410

forward even though they acted like it

1971

01:26:40,300 --> 01:26:38,390

was a big deal and they did make a big

1972

01:26:43,270 --> 01:26:40,310

deal out of it it didn't come from to

1973

01:26:44,800 --> 01:26:43,280

the stars right okay that's fair but I

1974

01:26:47,740 --> 01:26:44,810

don't think it was an accident by

1975

01:26:49,960 --> 01:26:47,750

greenwall he's doing some some of the

1976

01:26:53,290 --> 01:26:49,970

same things and I'm not trying to say

1977

01:26:56,170 --> 01:26:53,300

that he's emulating me you know he's

1978

01:26:58,630 --> 01:26:56,180

doing his own thing but he's doing the

1979

01:27:00,640 --> 01:26:58,640

kind of stuff that I support believe in

1980

01:27:02,470 --> 01:27:00,650

he's going after documents Paul Dean

1981

01:27:04,900 --> 01:27:02,480

does a good job of that too and they're

1982

01:27:06,070 --> 01:27:04,910

going after documents and then they're

1983

01:27:07,480 --> 01:27:06,080

trying to learn what they learned from

1984

01:27:10,360 --> 01:27:07,490

that document go off to the next

1985

01:27:12,760 --> 01:27:10,370

document and wasn't an accident I don't

1986

01:27:15,400 --> 01:27:12,770

know why would the why did they give it

1987

01:27:18,010 --> 01:27:15,410

away I mean that's the interesting thing

1988

01:27:20,650 --> 01:27:18,020

did they they didn't have to do that so

1989

01:27:22,240 --> 01:27:20,660

he did due diligence and he got them to

1990

01:27:23,710 --> 01:27:22,250

admit stuff and then and then you've got

1991

01:27:26,320 --> 01:27:23,720

people saying well he's just part of the

1992

01:27:27,790 --> 01:27:26,330

whole thing well I don't think so I mean

1993

01:27:30,130 --> 01:27:27,800

there was a backstory to why the

1994

01:27:31,660 --> 01:27:30,140

government released it and could it be

1995

01:27:33,340 --> 01:27:31,670

somewhat because of the pressure that

1996

01:27:35,740 --> 01:27:33,350

was going on within Congress I don't

1997

01:27:38,140 --> 01:27:35,750

know that's a good question but he's

1998

01:27:40,950 --> 01:27:38,150

doing stuff that should be done and I

1999

01:27:44,350 --> 01:27:40,960

know he catches flak and he's not um

2000

01:27:49,330 --> 01:27:44,360

he's not a DeLong supporter and neither

2001  
01:27:52,390 --> 01:27:49,340  
am i because this is serious and I don't

2002  
01:27:54,220 --> 01:27:52,400  
want a rockstar with the way he does

2003  
01:27:58,360 --> 01:27:54,230  
these things and why he talks and acts

2004  
01:27:59,650 --> 01:27:58,370  
and the lack of things people trying to

2005  
01:28:01,900 --> 01:27:59,660  
get things done behind the scenes that

2006  
01:28:04,240 --> 01:28:01,910  
have been blown off or not followed up

2007  
01:28:06,010 --> 01:28:04,250  
with that isn't who I want representing

2008  
01:28:07,930 --> 01:28:06,020  
what happened to me and everything else

2009  
01:28:09,610 --> 01:28:07,940  
and I if that pisses them all off I

2010  
01:28:11,140 --> 01:28:09,620  
don't care and that's the difference

2011  
01:28:15,820 --> 01:28:11,150  
between me and Dolan and those guys I

2012  
01:28:18,140 --> 01:28:15,830  
don't care the speaking about the future

2013  
01:28:20,899 --> 01:28:18,150

when

2014

01:28:23,959 --> 01:28:20,909

I think all of us assumed and I was very

2015

01:28:26,060 --> 01:28:23,969

excited that to the Stars was about

2016

01:28:28,580 --> 01:28:26,070

disclosure and supporting this community

2017

01:28:30,169 --> 01:28:28,590

but let me ask you was it about this

2018

01:28:31,790 --> 01:28:30,179

culture who said it was about disclosure

2019

01:28:35,359 --> 01:28:31,800

within to the Stars other than go on

2020

01:28:39,260 --> 01:28:35,369

well I was just going to say I was going

2021

01:28:43,430 --> 01:28:39,270

to reference this statement that Tom had

2022

01:28:46,910 --> 01:28:43,440

me read on the air for coast to coast

2023

01:28:48,589 --> 01:28:46,920

and in that statement I'm looking

2024

01:28:52,700 --> 01:28:48,599

forward here

2025

01:28:57,740 --> 01:28:52,710

Papapa Papapa in that statement here it

2026

01:29:02,810 --> 01:28:57,750

is this is he says this was now check

2027

01:29:06,080 --> 01:29:02,820

this out John this is December 29th this

2028

01:29:10,939 --> 01:29:06,090

is my New Year's Eve weekend show at

2029

01:29:14,209 --> 01:29:10,949

coast to coast 2017 statement from Tom

2030

01:29:16,700 --> 01:29:14,219

DeLonge it says I'd like to thank you

2031

01:29:19,430 --> 01:29:16,710

I'd like to say for all of your support

2032

01:29:22,339 --> 01:29:19,440

I want to thank you and as you know I

2033

01:29:24,530 --> 01:29:22,349

created a vehicle that my team was able

2034

01:29:26,870 --> 01:29:24,540

to supercharge and get the Pentagon to

2035

01:29:29,570 --> 01:29:26,880

officially acknowledge the existence of

2036

01:29:31,609 --> 01:29:29,580

unidentified aerial phenomena Senator

2037

01:29:33,560 --> 01:29:31,619

Harry Reid the former Majority Leader

2038

01:29:36,169 --> 01:29:33,570

went on the record as well

2039

01:29:38,419 --> 01:29:36,179

Congress has ignited and briefings will

2040

01:29:40,700 --> 01:29:38,429

be starting soon of all goes well so

2041

01:29:44,390 --> 01:29:40,710

bear with me as we start talking about

2042

01:29:47,330 --> 01:29:44,400

more gun camera footage Hardware in even

2043

01:29:49,520 --> 01:29:47,340

more expansive military encounters it's

2044

01:29:52,609 --> 01:29:49,530

all coming but it's going to trickle out

2045

01:29:55,640 --> 01:29:52,619

over the months ahead I want to thank

2046

01:30:00,280 --> 01:29:55,650

all of you again I am one of you I am a

2047

01:30:05,750 --> 01:30:00,290

truth seeker Tom DeLonge 12 29 2017

2048

01:30:07,970 --> 01:30:05,760

that's two years ago right and and and

2049

01:30:11,859 --> 01:30:07,980

and here we are today talking about the

2050

01:30:16,280 --> 01:30:11,869

future once again chasing our tails and

2051  
01:30:19,939 --> 01:30:16,290  
the last thing that has happened with to

2052  
01:30:23,570 --> 01:30:19,949  
the Stars is a defense agreement with

2053  
01:30:26,479 --> 01:30:23,580  
the army to look at metamaterials and

2054  
01:30:30,560 --> 01:30:26,489  
the army whatever they discover from

2055  
01:30:31,800 --> 01:30:30,570  
that gets to keep the tech well why and

2056  
01:30:33,570 --> 01:30:31,810  
that was one of my other

2057  
01:30:37,470 --> 01:30:33,580  
questions that I've brought up before

2058  
01:30:39,960 --> 01:30:37,480  
first of all whatever technology listen

2059  
01:30:41,760 --> 01:30:39,970  
people and anybody's been inside the

2060  
01:30:43,440 --> 01:30:41,770  
government knows this if there's

2061  
01:30:47,790 --> 01:30:43,450  
something out there the military wants

2062  
01:30:50,820 --> 01:30:47,800  
they're gonna take it so that's just

2063  
01:30:53,550 --> 01:30:50,830

another reinforcement that put off and

2064

01:30:56,370 --> 01:30:53,560

some of these other guys are working

2065

01:31:00,060 --> 01:30:56,380

hand in hand with the DoD for technology

2066

01:31:01,410 --> 01:31:00,070

and that they are patriots what they

2067

01:31:05,250 --> 01:31:01,420

told you they're not going to disclose

2068

01:31:08,280 --> 01:31:05,260

classified material so they're not in

2069

01:31:10,500 --> 01:31:08,290

this for disclosure they're in this the

2070

01:31:13,260 --> 01:31:10,510

further technology and is that the wrong

2071

01:31:16,650 --> 01:31:13,270

thing if they developed a starship and

2072

01:31:19,200 --> 01:31:16,660

they go to the stars like they want I

2073

01:31:22,470 --> 01:31:19,210

don't have a problem with that okay the

2074

01:31:24,360 --> 01:31:22,480

problem I have is don't mislead okay and

2075

01:31:26,640 --> 01:31:24,370

some of it is the general public's fall

2076

01:31:28,170 --> 01:31:26,650

or the people within ufology just

2077

01:31:30,360 --> 01:31:28,180

because New York Times wrote an article

2078

01:31:32,580 --> 01:31:30,370

and just because we talk about it more

2079

01:31:35,070 --> 01:31:32,590

that's not a bad thing but that ain't

2080

01:31:36,660 --> 01:31:35,080

disclosure folks and Bigelow said we're

2081

01:31:40,290 --> 01:31:36,670

not gonna have disclosure for a long

2082

01:31:42,510 --> 01:31:40,300

time if we have it and ultimately this

2083

01:31:45,000 --> 01:31:42,520

is all going to continue to be buried

2084

01:31:47,790 --> 01:31:45,010

inside the secret deep state world or

2085

01:31:50,910 --> 01:31:47,800

whatever Bassett calls it because they

2086

01:31:52,650 --> 01:31:50,920

are not going to divulge military

2087

01:31:54,330 --> 01:31:52,660

technology secrets that's going to

2088

01:31:57,390 --> 01:31:54,340

benefit anybody else other than the

2089

01:31:58,830 --> 01:31:57,400

United States government where when

2090

01:32:02,040 --> 01:31:58,840

Chris Mellon stepped up to the

2091

01:32:04,410 --> 01:32:02,050

microphone back in October of 2017 you

2092

01:32:06,450 --> 01:32:04,420

know the famous mylar balloon photograph

2093

01:32:09,270 --> 01:32:06,460

you know and he steps up to the mic and

2094

01:32:11,190 --> 01:32:09,280

says and I'm quoting here this is

2095

01:32:14,220 --> 01:32:11,200

word-for-word it says clearly this is

2096

01:32:15,390 --> 01:32:14,230

not an experimental US aircraft but

2097

01:32:18,750 --> 01:32:15,400

whose is it

2098

01:32:22,260 --> 01:32:18,760

well that was Chris Mellon statement he

2099

01:32:25,500 --> 01:32:22,270

was talking about a mylar balloon and at

2100

01:32:29,010 --> 01:32:25,510

that point on that very day they started

2101  
01:32:32,010 --> 01:32:29,020  
to sell stock to the general public and

2102  
01:32:34,560 --> 01:32:32,020  
for to the Stars Academy and they were

2103  
01:32:38,250 --> 01:32:34,570  
using that mylar balloon along with this

2104  
01:32:42,180 --> 01:32:38,260  
statement from Chris Mellon to sell that

2105  
01:32:43,690 --> 01:32:42,190  
stock and get to the bottom line of UFO

2106  
01:32:46,210 --> 01:32:43,700  
technology

2107  
01:32:48,940 --> 01:32:46,220  
and here we are today we're at the exact

2108  
01:32:50,320 --> 01:32:48,950  
opposite of what the mission statement

2109  
01:32:53,200 --> 01:32:50,330  
was back then

2110  
01:32:56,230 --> 01:32:53,210  
versus now today and what to the Stars

2111  
01:32:58,930 --> 01:32:56,240  
is doing right right and you could say

2112  
01:33:01,810 --> 01:32:58,940  
that they may be trying to educate the

2113  
01:33:04,900 --> 01:33:01,820

public whoever they is and what I mean

2114

01:33:07,210 --> 01:33:04,910

is obviously you know that the melon and

2115

01:33:09,280 --> 01:33:07,220

put off and those guys are involved with

2116

01:33:11,620 --> 01:33:09,290

this with the long and the entertainment

2117

01:33:15,490 --> 01:33:11,630

in is is to re-educate the public on

2118

01:33:17,530 --> 01:33:15,500

what it is whatever that is and I can't

2119

01:33:19,510 --> 01:33:17,540

tell you what it is myself I have a

2120

01:33:22,090 --> 01:33:19,520

better understanding of some things

2121

01:33:24,460 --> 01:33:22,100

through documents and reading and stuff

2122

01:33:27,790 --> 01:33:24,470

but ultimately that ain't going to

2123

01:33:29,890 --> 01:33:27,800

happen anytime soon and the ultimate

2124

01:33:31,840 --> 01:33:29,900

thing is I get tired of hearing people

2125

01:33:33,840 --> 01:33:31,850

say well next month's disclosure and

2126

01:33:36,220 --> 01:33:33,850

they're going to do it well I don't

2127

01:33:38,830 --> 01:33:36,230

believe for one minute they're going to

2128

01:33:42,970 --> 01:33:38,840

do it just for the national security

2129

01:33:46,480 --> 01:33:42,980

reason alone and and and if we ever

2130

01:33:48,970 --> 01:33:46,490

admit that were were there's something

2131

01:33:51,250 --> 01:33:48,980

else out there they've kind of done that

2132

01:33:53,830 --> 01:33:51,260

anyway so you can't tonight there's

2133

01:33:56,440 --> 01:33:53,840

something going on but they're not going

2134

01:33:57,670 --> 01:33:56,450

to clarify what it is you know you

2135

01:33:59,740 --> 01:33:57,680

understand what I'm saying are you

2136

01:34:01,960 --> 01:33:59,750

saying to the stars or the Department of

2137

01:34:04,540 --> 01:34:01,970

Defense well that I was one of your

2138

01:34:06,190 --> 01:34:04,550

questions is to the Stars just an arm or

2139

01:34:07,210 --> 01:34:06,200

an extension of the Department of

2140

01:34:10,480 --> 01:34:07,220

Defense that's right

2141

01:34:12,370 --> 01:34:10,490

and I would say based on what's going on

2142

01:34:18,580 --> 01:34:12,380

if they weren't when they started they

2143

01:34:24,580 --> 01:34:18,590

are now do you expect the clarification

2144

01:34:28,570 --> 01:34:24,590

of Lewis Elizondo and what his what his

2145

01:34:30,940 --> 01:34:28,580

job actually was and a full document

2146

01:34:33,400 --> 01:34:30,950

disclosure so that part of this mess

2147

01:34:37,930 --> 01:34:33,410

could be put to bed can we expect that

2148

01:34:40,030 --> 01:34:37,940

as anybody asked look he's he's he's

2149

01:34:43,660 --> 01:34:40,040

certainly probably listening right now I

2150

01:34:45,970 --> 01:34:43,670

have yes I have written to the stars and

2151  
01:34:48,760 --> 01:34:45,980  
and gave them a list of questions about

2152  
01:34:51,310 --> 01:34:48,770  
this right but I mean that's my point I

2153  
01:34:52,840 --> 01:34:51,320  
mean do I expect it well I would have

2154  
01:34:56,290 --> 01:34:52,850  
thought as soon as he came under attack

2155  
01:34:57,050 --> 01:34:56,300  
they would have done it say that again

2156  
01:34:59,690 --> 01:34:57,060  
well

2157  
01:35:02,840 --> 01:34:59,700  
okay I'll give you example when when I

2158  
01:35:06,520 --> 01:35:02,850  
announced to the world that I was got my

2159  
01:35:08,780 --> 01:35:06,530  
settlement right mm-hmm I proved it and

2160  
01:35:11,630 --> 01:35:08,790  
not only did I prove it I want to

2161  
01:35:13,730 --> 01:35:11,640  
reporter Billy Cox who verified the

2162  
01:35:16,580 --> 01:35:13,740  
documents the wrong story on it right

2163  
01:35:18,410 --> 01:35:16,590

so I proved it and then kicked greenback

2164

01:35:20,810 --> 01:35:18,420

that up with more information

2165

01:35:22,280 --> 01:35:20,820

why hasn't why have they done that I

2166

01:35:25,790 --> 01:35:22,290

don't know

2167

01:35:28,790 --> 01:35:25,800

is it because let's see this is there's

2168

01:35:31,850 --> 01:35:28,800

another aspect to this though John when

2169

01:35:33,680 --> 01:35:31,860

you have CNN Fox New York Times

2170

01:35:36,080 --> 01:35:33,690

Washington Post and every other media

2171

01:35:39,080 --> 01:35:36,090

outlet mainstream media that is reported

2172

01:35:42,710 --> 01:35:39,090

on this story has introduced Lou

2173

01:35:47,240 --> 01:35:42,720

Elizondo in print and in live video as

2174

01:35:51,800 --> 01:35:47,250

being the director of a tip well dude

2175

01:35:55,970 --> 01:35:51,810

are where are the retractions and you

2176  
01:35:58,850 --> 01:35:55,980  
know why the the the question has been

2177  
01:36:02,750 --> 01:35:58,860  
raised does does mainstream media go

2178  
01:36:05,720 --> 01:36:02,760  
back and and and correct the past you

2179  
01:36:07,580 --> 01:36:05,730  
know is that why to the stars is not

2180  
01:36:10,610 --> 01:36:07,590  
coming forward to clear this up because

2181  
01:36:15,260 --> 01:36:10,620  
you have the entire last two years that

2182  
01:36:17,600 --> 01:36:15,270  
is going to have to be redacted well I

2183  
01:36:19,700 --> 01:36:17,610  
guess you could say that and what I mean

2184  
01:36:21,140 --> 01:36:19,710  
is is that well they lied about that or

2185  
01:36:23,090 --> 01:36:21,150  
weren't truthful about that what can you

2186  
01:36:25,160 --> 01:36:23,100  
believe at anything they're saying and

2187  
01:36:26,540 --> 01:36:25,170  
I'm gonna bring up another person's name

2188  
01:36:27,950 --> 01:36:26,550

that you've had on the show and I've

2189

01:36:30,170 --> 01:36:27,960

dealt with and I wrote a book with the

2190

01:36:33,800 --> 01:36:30,180

Nick Pope he came out and said you know

2191

01:36:35,000 --> 01:36:33,810

he ran the UFO desk at the mo D and then

2192

01:36:36,530 --> 01:36:35,010

there's been other people saying well

2193

01:36:39,230 --> 01:36:36,540

wait a minute all you did was a clerk

2194

01:36:41,660 --> 01:36:39,240

well then some documents just came out

2195

01:36:43,190 --> 01:36:41,670

in this last document dump to basically

2196

01:36:45,950 --> 01:36:43,200

verified what people were saying he was

2197

01:36:47,600 --> 01:36:45,960

just basically a clerk inside the mo D

2198

01:36:49,700 --> 01:36:47,610

and he really had very little of any

2199

01:36:52,010 --> 01:36:49,710

knowledge on what went on and those are

2200

01:36:54,470 --> 01:36:52,020

declassified documents from the mo D and

2201

01:36:56,840 --> 01:36:54,480

Nick tried to spin his way out of it but

2202

01:36:59,090 --> 01:36:56,850

they're true and then the last thing is

2203

01:37:00,620 --> 01:36:59,100

a last heave-ho just like what they've

2204

01:37:02,560 --> 01:37:00,630

done now with Lewis well they're just

2205

01:37:06,200 --> 01:37:02,570

trying to discredit him for what he is

2206

01:37:09,560 --> 01:37:06,210

well wait a minute if you really are

2207

01:37:12,170 --> 01:37:09,570

what you say you are just show the proof

2208

01:37:14,540 --> 01:37:12,180

it would be easy you know the emails how

2209

01:37:19,040 --> 01:37:14,550

about a business card how about a

2210

01:37:22,130 --> 01:37:19,050

schedule of events anything there must

2211

01:37:25,550 --> 01:37:22,140

be John it's very simple if you did this

2212

01:37:28,070 --> 01:37:25,560

for years then you are sitting on a pile

2213

01:37:31,760 --> 01:37:28,080

of stuff and if you are going to a

2214

01:37:34,340 --> 01:37:31,770

company and asking to be hired then you

2215

01:37:36,770 --> 01:37:34,350

have the documents to back up which you

2216

01:37:39,650 --> 01:37:36,780

are saying on your resume it's very

2217

01:37:41,510 --> 01:37:39,660

simple well right but see they've kind

2218

01:37:42,140 --> 01:37:41,520

of spun him out as a technical guy and

2219

01:37:44,260 --> 01:37:42,150

he's not

2220

01:37:47,120 --> 01:37:44,270

where's his background in technology I

2221

01:37:48,800 --> 01:37:47,130

mean analyzing and technology and stuff

2222

01:37:51,380 --> 01:37:48,810

you have to get degrees in that and they

2223

01:37:53,690 --> 01:37:51,390

use different specializations so but

2224

01:37:55,370 --> 01:37:53,700

here's the thing that's the problem with

2225

01:37:58,400 --> 01:37:55,380

some of this the ones and zeros you call

2226

01:38:00,920 --> 01:37:58,410

it you know or the technicalities loulou

2227

01:38:03,320 --> 01:38:00,930

and does he have some knowledge and

2228

01:38:06,320 --> 01:38:03,330

probably worked inside some of this no

2229

01:38:08,750 --> 01:38:06,330

doubt um have they made him bigger than

2230

01:38:12,160 --> 01:38:08,760

life possibly could that backfire on him

2231

01:38:14,990 --> 01:38:12,170

maybe or did they do that purposely

2232

01:38:18,170 --> 01:38:15,000

because eventually what I'm waiting to

2233

01:38:20,840 --> 01:38:18,180

see is does this all fade away do you

2234

01:38:22,820 --> 01:38:20,850

think that he it feels like that could

2235

01:38:24,260 --> 01:38:22,830

be a real possibility well when they

2236

01:38:26,630 --> 01:38:24,270

came out and said they were about to go

2237

01:38:29,150 --> 01:38:26,640

broke about a year ago on the financials

2238

01:38:30,860 --> 01:38:29,160

right then then it was all paid upfront

2239

01:38:33,230 --> 01:38:30,870

and we're about to go broke and it could

2240

01:38:35,150 --> 01:38:33,240

all run out of funding that limit made

2241

01:38:36,740 --> 01:38:35,160

me believe like well my first comment

2242

01:38:38,750 --> 01:38:36,750

was well it's entertainment so they

2243

01:38:39,560 --> 01:38:38,760

covered there but at that end and all

2244

01:38:40,460 --> 01:38:39,570

they're going to do is when they get

2245

01:38:43,130 --> 01:38:40,470

these contracts

2246

01:38:44,360 --> 01:38:43,140

what company that did they form or do

2247

01:38:46,250 --> 01:38:44,370

they already have which would be earth

2248

01:38:48,140 --> 01:38:46,260

tech that's going to get the contract

2249

01:38:50,780 --> 01:38:48,150

and that's that would be what if I was

2250

01:38:53,600 --> 01:38:50,790

green wall if I was cuz if I was gonna

2251

01:38:57,860 --> 01:38:53,610

do it I'd like to find out I do the FOIA

2252

01:39:02,870 --> 01:38:57,870

on what who got the contract when you're

2253

01:39:05,600 --> 01:39:02,880

well what company got it oh inside of at

2254

01:39:07,400 --> 01:39:05,610

ETS a yeah I don't TT essays

2255

01:39:09,620 --> 01:39:07,410

entertainment you're not gonna they did

2256

01:39:11,720 --> 01:39:09,630

not get the government contract they did

2257

01:39:13,880 --> 01:39:11,730

not the United States Army did not award

2258

01:39:16,190 --> 01:39:13,890

a contract to an entertainment company

2259

01:39:19,790 --> 01:39:16,200

think about that for a minute right

2260

01:39:21,920 --> 01:39:19,800

right right now the people on NTSA are

2261

01:39:22,550 --> 01:39:21,930

involved in the contract but what

2262

01:39:29,120 --> 01:39:22,560

company

2263

01:39:30,890 --> 01:39:29,130

got the contract why why there's another

2264

01:39:34,670 --> 01:39:30,900

aspect of this too as well well we're

2265

01:39:37,250 --> 01:39:34,680

always trying to get everybody's

2266

01:39:40,160 --> 01:39:37,260

collective experiences together and

2267

01:39:42,320 --> 01:39:40,170

let's you know let's put you know these

2268

01:39:44,570 --> 01:39:42,330

different situations together and try to

2269

01:39:50,720 --> 01:39:44,580

figure out what's going on but when it

2270

01:39:53,180 --> 01:39:50,730

comes to TTS a they want to control the

2271

01:39:55,070 --> 01:39:53,190

the narrative now when it comes to the

2272

01:39:58,130 --> 01:39:55,080

UFO question that everybody else is

2273

01:40:00,710 --> 01:39:58,140

wrong the community is wrong we've got

2274

01:40:03,440 --> 01:40:00,720

it completely off kilter and that they

2275

01:40:06,980 --> 01:40:03,450

are sitting on this information and it's

2276

01:40:09,920 --> 01:40:06,990

their their story and that's how we move

2277

01:40:13,130 --> 01:40:09,930

forward is that dangerous well yeah

2278

01:40:15,710 --> 01:40:13,140

because well it depends see you've got

2279

01:40:17,360 --> 01:40:15,720

guys with inside this organization that

2280

01:40:18,950 --> 01:40:17,370

know how to profile people and what's

2281

01:40:20,870 --> 01:40:18,960

the first thing they did lavinda came

2282

01:40:23,420 --> 01:40:20,880

out and said we don't care about the UFO

2283

01:40:25,310 --> 01:40:23,430

field well all that did was fire up the

2284

01:40:28,760 --> 01:40:25,320

euro fulfilled to get more involved you

2285

01:40:30,680 --> 01:40:28,770

know in in it and some people did turn

2286

01:40:32,660 --> 01:40:30,690

against them but they slowly came back

2287

01:40:34,370 --> 01:40:32,670

and they bought people off as they want

2288

01:40:37,040 --> 01:40:34,380

I don't want with different projects and

2289

01:40:38,750 --> 01:40:37,050

different things but ultimately um yeah

2290

01:40:40,850 --> 01:40:38,760

they want to be king of the hill and in

2291

01:40:42,290 --> 01:40:40,860

theory they are because they did get to

2292

01:40:44,870 --> 01:40:42,300

New York Times to do it and they have

2293

01:40:46,700 --> 01:40:44,880

gotten they can get in side the halls of

2294

01:40:50,930 --> 01:40:46,710

Congress and they can do all that and

2295

01:40:53,750 --> 01:40:50,940

that's great but ultimately where I draw

2296

01:40:55,670 --> 01:40:53,760

the line me personally is okay don't

2297

01:40:58,630 --> 01:40:55,680

sell me a bill of goods that you're

2298

01:41:01,100 --> 01:40:58,640

gonna benefit the country as far as

2299

01:41:03,470 --> 01:41:01,110

disclosure and all that other stuff when

2300

01:41:07,820 --> 01:41:03,480

that's not really what's taking place no

2301  
01:41:10,400 --> 01:41:07,830  
and here we are two years later and I

2302  
01:41:14,180 --> 01:41:10,410  
would I would definitely if I was a

2303  
01:41:17,780 --> 01:41:14,190  
betting man I would say that a year and

2304  
01:41:21,050 --> 01:41:17,790  
ten months has gone by with with no

2305  
01:41:24,650 --> 01:41:21,060  
revelations and I don't know what they

2306  
01:41:26,840 --> 01:41:24,660  
could do now to announce or make

2307  
01:41:29,780 --> 01:41:26,850  
something else another statement or

2308  
01:41:31,490 --> 01:41:29,790  
prove well here's what's got to me this

2309  
01:41:34,730 --> 01:41:31,500  
is what I'll have to happen you know

2310  
01:41:36,080 --> 01:41:34,740  
it'll either be like a contact scenario

2311  
01:41:38,600 --> 01:41:36,090  
the movie contact you

2312  
01:41:40,460 --> 01:41:38,610  
doing I mean where you know they come

2313  
01:41:42,380 --> 01:41:40,470

out they pick up the signal and they've

2314

01:41:45,020 --> 01:41:42,390

been hitting it that now for what two

2315

01:41:47,240 --> 01:41:45,030

years yes it they're analyzing that so

2316

01:41:48,950 --> 01:41:47,250

that could be the way they do it subtly

2317

01:41:51,140 --> 01:41:48,960

that there's a signal out there and it's

2318

01:41:53,240 --> 01:41:51,150

light-years away and but there seems to

2319

01:41:54,920 --> 01:41:53,250

be intelligence behind it and we're

2320

01:41:58,670 --> 01:41:54,930

gonna work on that that could be a safe

2321

01:42:02,390 --> 01:41:58,680

way to do it or the other way is what I

2322

01:42:05,120 --> 01:42:02,400

really for just a brief moment and I'm

2323

01:42:07,010 --> 01:42:05,130

not I don't I don't why I really wonder

2324

01:42:12,680 --> 01:42:07,020

what Trump was going to do when he went

2325

01:42:15,170 --> 01:42:12,690

on Tucker and the president whoever that

2326  
01:42:17,270 --> 01:42:15,180  
will be you know the next four years or

2327  
01:42:19,400 --> 01:42:17,280  
whenever they decide I still think

2328  
01:42:22,340 --> 01:42:19,410  
probably will be the one that will be

2329  
01:42:24,320 --> 01:42:22,350  
the driving force I don't know how it'll

2330  
01:42:27,950 --> 01:42:24,330  
come down but he'll be the one that

2331  
01:42:31,820 --> 01:42:27,960  
allows to the world that were not alone

2332  
01:42:35,390 --> 01:42:31,830  
I was checking my phone and the internet

2333  
01:42:39,920 --> 01:42:35,400  
like every 30 seconds when when that was

2334  
01:42:41,690 --> 01:42:39,930  
eminent and I was I was I was let down

2335  
01:42:44,060 --> 01:42:41,700  
and the reason why I was let down as

2336  
01:42:46,400 --> 01:42:44,070  
they held it off all the way to the end

2337  
01:42:47,780 --> 01:42:46,410  
of Tucker right playing it up like Homer

2338  
01:42:50,030 --> 01:42:47,790

shalls' playing it up and thinking oh so

2339

01:42:53,150 --> 01:42:50,040

another and then it turned out to be 15

2340

01:42:57,350 --> 01:42:53,160

seconds of nothing at the end of the

2341

01:43:00,380 --> 01:42:57,360

show which shows you that Fox knows what

2342

01:43:02,240 --> 01:43:00,390

is driving advertising sales right the

2343

01:43:04,160 --> 01:43:02,250

UFO right it's entertainment and it's

2344

01:43:05,720 --> 01:43:04,170

bringing the money and that's what I

2345

01:43:08,540 --> 01:43:05,730

mean with there's there's been no

2346

01:43:09,950 --> 01:43:08,550

serious serious there's been no panel's

2347

01:43:13,760 --> 01:43:09,960

put together there's been no follow-up

2348

01:43:15,590 --> 01:43:13,770

you know anything like along the Sagan

2349

01:43:17,870 --> 01:43:15,600

type of thing what he did you know when

2350

01:43:20,360 --> 01:43:17,880

he did his documentaries there's been no

2351

01:43:22,370 --> 01:43:20,370

60 minutes you would think some news

2352

01:43:24,320 --> 01:43:22,380

organization went at least to do it to

2353

01:43:26,030 --> 01:43:24,330

our special you know I mean on the

2354

01:43:28,160 --> 01:43:26,040

one-year anniversary let alone the two

2355

01:43:31,160 --> 01:43:28,170

on what does this mean and what does it

2356

01:43:33,920 --> 01:43:31,170

mean going forward and and I mean and I

2357

01:43:36,170 --> 01:43:33,930

don't just like Tucker Carlson but that

2358

01:43:38,090 --> 01:43:36,180

that whole thing was Tucker has no clue

2359

01:43:40,910 --> 01:43:38,100

to what he was just asking a question

2360

01:43:42,740 --> 01:43:40,920

that his staff put together well again

2361

01:43:44,390 --> 01:43:42,750

it was a couple potential follow-up

2362

01:43:49,370 --> 01:43:44,400

questions that he didn't do

2363

01:43:51,589 --> 01:43:49,380

the the the question is though and let's

2364

01:43:55,810 --> 01:43:51,599

let's wrap with this I mean the question

2365

01:43:59,089 --> 01:43:55,820

that everybody wants an answer to is

2366

01:44:01,850 --> 01:43:59,099

does the Pentagon or any of the

2367

01:44:07,570 --> 01:44:01,860

three-letter agencies are they in

2368

01:44:11,270 --> 01:44:07,580

possession of a crashed or given donated

2369

01:44:12,830 --> 01:44:11,280

alien ET craft form off of this planet

2370

01:44:14,660 --> 01:44:12,840

that's the question

2371

01:44:18,229 --> 01:44:14,670

it's not about contact or if we are

2372

01:44:22,040 --> 01:44:18,239

alone but do they have this technology

2373

01:44:25,310 --> 01:44:22,050

in their possession well I agree but the

2374

01:44:28,010 --> 01:44:25,320

biggest question is our advancements in

2375

01:44:30,890 --> 01:44:28,020

technology I think can be traced back

2376

01:44:33,260 --> 01:44:30,900

words if you do it right and there's

2377

01:44:35,839 --> 01:44:33,270

going to be some gaps and I think that

2378

01:44:38,720 --> 01:44:35,849

what did they learn and where is it from

2379

01:44:43,250 --> 01:44:38,730

and and people say that condign is not

2380

01:44:45,260 --> 01:44:43,260

important as a document in is it a

2381

01:44:47,359 --> 01:44:45,270

defining document no but there's a lot

2382

01:44:50,589 --> 01:44:47,369

of good stuff in there and there's a lot

2383

01:44:54,080 --> 01:44:50,599

of stuff that's still classified and a

2384

01:44:56,270 --> 01:44:54,090

it was the one that used the UAP first

2385

01:44:58,700 --> 01:44:56,280

and then clinton took off with her

2386

01:45:01,189 --> 01:44:58,710

little interviews and Podesta and all

2387

01:45:03,020 --> 01:45:01,199

that but ultimately there's something to

2388

01:45:05,570 --> 01:45:03,030

do what there's some kind of

2389

01:45:08,479 --> 01:45:05,580

intelligence there and the question is

2390

01:45:09,979 --> 01:45:08,489

is is it we were where did it come from

2391

01:45:11,930 --> 01:45:09,989

and one of the things that we can close

2392

01:45:15,979 --> 01:45:11,940

on is Eric Davis when he did our show

2393

01:45:18,160 --> 01:45:15,989

said we any and and it was right at the

2394

01:45:21,379 --> 01:45:18,170

end so I didn't get a chance to really

2395

01:45:24,080 --> 01:45:21,389

visit it when I wanted to he said look

2396

01:45:27,700 --> 01:45:24,090

at it this way he said we visited the

2397

01:45:30,830 --> 01:45:27,710

moon and left technology behind he goes

2398

01:45:32,570 --> 01:45:30,840

he implied it probably what some of

2399

01:45:34,250 --> 01:45:32,580

what's going on is there was left behind

2400

01:45:38,120 --> 01:45:34,260

technology at some point in the history

2401

01:45:39,709 --> 01:45:38,130

of the earth on the moon well no like

2402

01:45:42,620 --> 01:45:39,719

what we left in the mood some kind of

2403

01:45:44,689 --> 01:45:42,630

civilization left something oh oh here

2404

01:45:46,430 --> 01:45:44,699

on planet Earth and we hope that doesn't

2405

01:45:48,350 --> 01:45:46,440

he didn't say they just visited our

2406

01:45:51,229 --> 01:45:48,360

visiting now he just said there's been

2407

01:45:53,180 --> 01:45:51,239

there's you can look at it was there's a

2408

01:45:54,800 --> 01:45:53,190

good chance of what we're looking at how

2409

01:45:56,540 --> 01:45:54,810

we left technology behind on the moon

2410

01:45:57,750 --> 01:45:56,550

some kind of civilization at some point

2411

01:46:01,370 --> 01:45:57,760

left technology

2412

01:46:03,990 --> 01:46:01,380

and you know I can I can already tell

2413

01:46:08,880 --> 01:46:04,000

and I didn't think that we would do this

2414

01:46:12,150 --> 01:46:08,890

back in 2017 but here we are at the end

2415

01:46:15,000 --> 01:46:12,160

of a 2019 and we're gonna start hearing

2416

01:46:19,110 --> 01:46:15,010

well you know what we're gonna we're

2417

01:46:20,940 --> 01:46:19,120

gonna reveal next year it'll be 2020 do

2418

01:46:24,000 --> 01:46:20,950

anything during the elections well it

2419

01:46:24,840 --> 01:46:24,010

but it 2020 is gonna roll by and we're

2420

01:46:29,960 --> 01:46:24,850

gonna hear it

2421

01:46:34,320 --> 01:46:29,970

it'll be 2021 and then it'll be 2022

2422

01:46:36,690 --> 01:46:34,330

from John first insight sources that I

2423

01:46:40,200 --> 01:46:36,700

can't reveal said don't look for

2424

01:46:42,150 --> 01:46:40,210

anything until 2024 2025 there you go

2425

01:46:44,160 --> 01:46:42,160

John okay so what's up next I know

2426

01:46:46,200 --> 01:46:44,170

you're you're gonna be a contact in the

2427

01:46:48,270 --> 01:46:46,210

desert right yep gonna do the contact in

2428

01:46:49,440 --> 01:46:48,280

the desert they kept I was supposed to

2429

01:46:51,720 --> 01:46:49,450

go last year and they have family

2430

01:46:53,490 --> 01:46:51,730

emergency couldn't go gonna go and we're

2431

01:46:55,800 --> 01:46:53,500

gonna do a presentation it's 40 years

2432

01:46:57,600 --> 01:46:55,810

for Rendell's from next year and we're

2433

01:46:59,580 --> 01:46:57,610

also going to the attorney that helped

2434

01:47:02,280 --> 01:46:59,590

me with all this is going to going to be

2435

01:47:04,410 --> 01:47:02,290

there so we'll do a workshop and I'm I

2436

01:47:05,760 --> 01:47:04,420

still haven't gotten a hold of her yet

2437

01:47:07,740 --> 01:47:05,770

but I'm gonna try to Cheryl those

2438

01:47:08,960 --> 01:47:07,750

clothes by the lady that work with the

2439

01:47:11,160 --> 01:47:08,970

McCain's office and was unidentified

2440

01:47:14,250 --> 01:47:11,170

tried to get her to come up and talk a

2441

01:47:17,190 --> 01:47:14,260

little bit about her work in it and just

2442

01:47:18,960 --> 01:47:17,200

to show that there is something going on

2443

01:47:21,660 --> 01:47:18,970

because United States government I'm one

2444

01:47:23,220 --> 01:47:21,670

of the few that publicly has been

2445

01:47:24,660 --> 01:47:23,230

admitted to and there's one other guy

2446

01:47:26,100 --> 01:47:24,670

inside Reynolds from that's gotten a

2447

01:47:28,770 --> 01:47:26,110

settlement from the government for

2448

01:47:30,540 --> 01:47:28,780

injuries sustained during the event

2449

01:47:32,130 --> 01:47:30,550

so we encountered something and

2450

01:47:34,740 --> 01:47:32,140

according to the British it was you AP

2451
