00:05:12,390 --> 00:05:10,090

first time to fade to black

98

00:05:16,260 --> 00:05:12,400

Jeffery Mishlove Jeffery good evening

99

00:05:18,390 --> 00:05:16,270

good evening and we're gonna start we

100

00:05:22,530 --> 00:05:18,400

actually we're gonna start with the

101
00:05:26,190 --> 00:05:22,540
first time guess disclaimer are you ready

102
00:05:27,810 --> 00:05:26,200
for that okay which is this Jeffrey it

103
00:05:29,820 --> 00:05:27,820
is just you and I sitting on my couch

104
00:05:32,190 --> 00:05:29,830
having a conversation as friends and

105
00:05:33,840 --> 00:05:32,200
where that conversation starts it starts

106
00:05:36,000 --> 00:05:33,850
and where it ends it ends but we're

107
00:05:41,340 --> 00:05:36,010
gonna end his friends there you go you

108
00:05:44,880 --> 00:05:41,350
ready okay this is a can I'm gonna start

109
00:05:45,629 --> 00:05:44,890
with a confessional and I need I need a

110
00:05:49,589 --> 00:05:45,639
moment

111
00:05:53,899 --> 00:05:49,599
of your time to say this that over the

112
00:05:56,730 --> 00:05:53,909
years many times on this broadcast I

113
00:06:00,149 --> 00:05:56,740

would reference any time

114

00:06:06,300 --> 00:06:00,159

Jacque Valley's name came up I would

115

00:06:11,100 --> 00:06:06,310

crack a little joke about him appearing

116

00:06:15,719 --> 00:06:11,110

to be an alien because of his eyes that

117

00:06:21,659 --> 00:06:15,729

were captured on thinking aloud and I

118

00:06:25,890 --> 00:06:21,669

made this reference and because of well

119

00:06:28,589 --> 00:06:25,900

it was 1986 but that the way that he

120

00:06:32,309 --> 00:06:28,599

would look the way that you captured him

121

00:06:35,159 --> 00:06:32,319

in that show was just unbelievable and

122

00:06:39,529 --> 00:06:35,169

it stayed with me all of these years so

123

00:06:42,059 --> 00:06:39,539

out of guilt last year I'm with Jacques

124

00:06:44,909 --> 00:06:42,069

and I said hey man I just got to tell

125

00:06:47,489 --> 00:06:44,919

you I'm sorry for making the little

126

00:06:51,600 --> 00:06:47,499

jokes about you you know looking alien

127

00:06:53,550 --> 00:06:51,610

like in Geoffrey mob show and you could

128

00:06:55,439 --> 00:06:53,560

see I heard about that and I don't worry

129

00:06:58,860 --> 00:06:55,449

about it it's kind of funny and he said

130

00:07:01,230 --> 00:06:58,870

but that interview was one of my best

131

00:07:03,149 --> 00:07:01,240

and people still talk about it today and

132

00:07:05,159 --> 00:07:03,159

we are talking about it right now and

133

00:07:07,050 --> 00:07:05,169

that was a special show for me and I

134

00:07:10,469 --> 00:07:07,060

said so we're cool and he said we're

135

00:07:13,139 --> 00:07:10,479

cool so Geoffrey I'm apologizing to you

136

00:07:15,300 --> 00:07:13,149

for the cracks over the years because

137

00:07:18,929 --> 00:07:15,310

the show just stuck with me and it's

138

00:07:21,420 --> 00:07:18,939

influenced so much of of what I do and I

139

00:07:25,079 --> 00:07:21,430

thank you for that so can we move on now

140

00:07:28,230 --> 00:07:25,089

I feel bad we can't yes I'm happy that

141

00:07:30,839 --> 00:07:28,240

the show touched you that way did and

142

00:07:36,360 --> 00:07:30,849

speaking of that let's actually start

143

00:07:39,300 --> 00:07:36,370

right there have you looked back and and

144

00:07:42,149 --> 00:07:39,310

thought about the influence that

145

00:07:44,519 --> 00:07:42,159

thinking aloud has had and the impact

146

00:07:49,619 --> 00:07:44,529

that it has had over the years with this

147

00:07:51,899 --> 00:07:49,629

community well interestingly these days

148

00:07:53,969 --> 00:07:51,909

on the new thinking aloud YouTube

149

00:07:57,269 --> 00:07:53,979

channel one of my very most popular

150

00:07:58,959 --> 00:07:57,279

guest is a young philosopher named Jason

151

00:08:01,899 --> 00:07:58,969

residue Johnny

152

00:08:06,219 --> 00:08:01,909

very controversial figure but the

153

00:08:09,519 --> 00:08:06,229

audience loves him and interestingly he

154

00:08:12,489 --> 00:08:09,529

tells me that as a 14 year old teenager

155

00:08:15,399 --> 00:08:12,499

he started watching thinking aloud and

156

00:08:17,949 --> 00:08:15,409

it had a big influence on his career so

157

00:08:20,619 --> 00:08:17,959

yeah I could look back since I've been

158

00:08:23,859 --> 00:08:20,629

doing this for so many decades and and

159

00:08:26,889 --> 00:08:23,869

see that it really has had an effect on

160

00:08:29,559 --> 00:08:26,899

people's careers which is honestly it's

161

00:08:31,869 --> 00:08:29,569

very gratifying now you said to me

162

00:08:34,449 --> 00:08:31,879

earlier today which I didn't know about

163

00:08:39,509 --> 00:08:34,459

but you started in radio all the way

164

00:08:42,730 --> 00:08:39,519

back in 1972 new thinking aloud was 1986

165

00:08:45,480 --> 00:08:42,740

but your broadcast career started back

166

00:08:49,749 --> 00:08:45,490

in 1972 were you discussing these issues

167

00:08:55,139 --> 00:08:49,759

in 72 and then thinking aloud just was a

168

00:08:59,470 --> 00:08:55,149

genesis of that that's right in 1972 I

169

00:09:03,610 --> 00:08:59,480

had the opportunity to host a program

170

00:09:06,129 --> 00:09:03,620

called the Minds year on KPFA pacifica

171

00:09:07,960 --> 00:09:06,139

radio and in Berkeley California

172

00:09:10,840 --> 00:09:07,970

and there's an interesting story behind

173

00:09:16,319 --> 00:09:10,850

that because I was guided to do that by

174

00:09:19,449 --> 00:09:16,329

a dream that I had and synchronicities

175

00:09:22,299 --> 00:09:19,459

for all of us I mentioned this in my

176

00:09:25,480 --> 00:09:22,309

opening of the show are things that need

177

00:09:28,299 --> 00:09:25,490

to be recognized so many don't right

178

00:09:31,569 --> 00:09:28,309

they they let these things just blow

179

00:09:35,860 --> 00:09:31,579

past them for me new thing can allow

180

00:09:38,319 --> 00:09:35,870

back in 1986 and and me getting wrapped

181

00:09:41,379 --> 00:09:38,329

up in that show and following it amongst

182

00:09:45,429 --> 00:09:41,389

other things that I was researching here

183

00:09:47,499 --> 00:09:45,439

we are in 2019 sitting down together and

184

00:09:49,660 --> 00:09:47,509

those are synchronicities that you just

185

00:09:53,730 --> 00:09:49,670

can't ignore there's something always

186

00:09:56,759 --> 00:09:53,740

driving your reality right mm-hmm

187

00:10:01,749 --> 00:09:56,769

well in in my case

188

00:10:04,030 --> 00:10:01,759

Jimmy I started out in in 1972 I was a

189

00:10:07,749 --> 00:10:04,040

graduate student at Berkeley in the

190

00:10:10,179 --> 00:10:07,759

field of criminology I was doing group

191

00:10:12,290 --> 00:10:10,189

therapy with murderers and rapists at

192

00:10:17,780 --> 00:10:12,300

San Quentin prison

193

00:10:20,240 --> 00:10:17,790

and I knew that I loved the study of

194

00:10:23,090 --> 00:10:20,250

human deviance but I wanted to switch

195

00:10:26,600 --> 00:10:23,100

from negative forms of human deviance to

196

00:10:28,970 --> 00:10:26,610

positive I really wanted to rather than

197

00:10:31,940 --> 00:10:28,980

just study in crime and psychopathology

198

00:10:38,090 --> 00:10:31,950

I wanted to study mysticism intuition

199

00:10:40,280 --> 00:10:38,100

creativity psychic functioning and I /

200

00:10:43,250 --> 00:10:40,290

that for months and months I had no idea

201
00:10:45,440 --> 00:10:43,260
how I was going to do it because at that

202
00:10:48,440 --> 00:10:45,450
time at the University of California

203
00:10:51,890 --> 00:10:48,450
they didn't have any programs of that

204
00:10:58,720 --> 00:10:51,900
sort were you aware of what was going on

205
00:11:01,880 --> 00:10:58,730
over at SR I at that time I became aware

206
00:11:05,990 --> 00:11:01,890
around that time yes because I actually

207
00:11:10,130 --> 00:11:06,000
back in 72 shortly after I started on

208
00:11:12,730 --> 00:11:10,140
KPFA I sponsored a large public event on

209
00:11:15,830 --> 00:11:12,740
the Berkeley campus with regal ER

210
00:11:18,200 --> 00:11:15,840
we filled Zellerbach auditorium over

211
00:11:21,050 --> 00:11:18,210
2,000 people it was Erie Geller's first

212
00:11:25,280 --> 00:11:21,060
public appearance in the United States

213
00:11:27,110 --> 00:11:25,290

before a large audience and it was

214

00:11:30,560 --> 00:11:27,120

around then that I learned he was also

215

00:11:33,650 --> 00:11:30,570

being tested by help put off in Russell

216

00:11:37,280 --> 00:11:33,660

target SR I did you have a chance to

217

00:11:40,130 --> 00:11:37,290

those must have I cannot imagine how

218

00:11:43,370 --> 00:11:40,140

electric the community would have been

219

00:11:46,160 --> 00:11:43,380

back then you know with Russell and and

220

00:11:47,800 --> 00:11:46,170

how and of course URI and what was going

221

00:11:50,180 --> 00:11:47,810

on over at SSRI

222

00:11:53,240 --> 00:11:50,190

because they were they were certainly

223

00:11:55,970 --> 00:11:53,250

breaking down fences and walls it was a

224

00:11:59,060 --> 00:11:55,980

very exciting time and you you know you

225

00:12:02,420 --> 00:11:59,070

mentioned Jack valet he of course was

226

00:12:04,730 --> 00:12:02,430

part of that whole scene back then in a

227

00:12:07,670 --> 00:12:04,740

very interesting way because he was one

228

00:12:10,190 --> 00:12:07,680

of the developers software developers of

229

00:12:13,040 --> 00:12:10,200

what was then called the ARPANET later

230

00:12:15,740 --> 00:12:13,050

on became the Internet and he was also

231

00:12:20,960 --> 00:12:15,750

engaged in as you know in UFO research

232

00:12:24,200 --> 00:12:20,970

and in parapsychology and he believed at

233

00:12:25,700 --> 00:12:24,210

the time that both of these areas the

234

00:12:28,340 --> 00:12:25,710

paranormal and the

235

00:12:32,300 --> 00:12:28,350

that had enormous potential to

236

00:12:33,890 --> 00:12:32,310

revolutionize society and I think all of

237

00:12:36,620 --> 00:12:33,900

us back then thought that there was

238

00:12:40,340 --> 00:12:36,630

going to be a major psychic revolution

239

00:12:42,560 --> 00:12:40,350

now looking back you know nearly half a

240

00:12:45,970 --> 00:12:42,570

century later we can say yes the

241

00:12:50,660 --> 00:12:45,980

internet did revolutionize society but

242

00:12:51,620 --> 00:12:50,670

parapsychology and UFO research has yet

243

00:12:55,700 --> 00:12:51,630

to do so

244

00:12:57,860 --> 00:12:55,710

and it's kind of strange to me I would

245

00:13:02,960 --> 00:12:57,870

love to hear your opinion on this where

246

00:13:05,570 --> 00:13:02,970

certain things have flip-flopped versus

247

00:13:10,340 --> 00:13:05,580

like you just mentioned parapsychology

248

00:13:15,380 --> 00:13:10,350

and and what was the future of it back

249

00:13:17,690 --> 00:13:15,390

in 1972 today is considered more pseudo

250

00:13:21,490 --> 00:13:17,700

and fringe as opposed to what the way it

251
00:13:26,300 --> 00:13:21,500
was perceived back then and and today

252
00:13:29,330 --> 00:13:26,310
UFOs and quantum mechanics and

253
00:13:32,120 --> 00:13:29,340
entanglement these are accepted norms

254
00:13:35,270 --> 00:13:32,130
today were back then that was fringe and

255
00:13:36,860 --> 00:13:35,280
ensued oh it's kind of weird isn't it

256
00:13:40,700 --> 00:13:36,870
how things have flip-flopped over the

257
00:13:44,210 --> 00:13:40,710
last 40 years yeah there's all sorts of

258
00:13:46,840 --> 00:13:44,220
social up and downs that occur I think

259
00:13:49,580 --> 00:13:46,850
actually the potential for

260
00:13:51,980 --> 00:13:49,590
parapsychology to revolutionize society

261
00:13:56,210 --> 00:13:51,990
is still there it's just going to be a

262
00:13:58,780 --> 00:13:56,220
slower process and you know also I

263
00:14:02,360 --> 00:13:58,790

should point out that there was a

264

00:14:04,180 --> 00:14:02,370

milestone that occurred about a year ago

265

00:14:07,030 --> 00:14:04,190

when the American Psychological

266

00:14:10,640 --> 00:14:07,040

Association which has always been

267

00:14:13,790 --> 00:14:10,650

skeptical of parapsychology and even

268

00:14:15,980 --> 00:14:13,800

hostile published a a major article in

269

00:14:22,060 --> 00:14:15,990

their flagship journal the American

270

00:14:25,400 --> 00:14:22,070

psychologist of a survey of about 1,400

271

00:14:28,250 --> 00:14:25,410

parapsychology experiments that had if

272

00:14:31,550 --> 00:14:28,260

you combine them together overwhelming

273

00:14:35,780 --> 00:14:31,560

statistical support for the existence of

274

00:14:39,140 --> 00:14:35,790

telepathy and psychokinesis so

275

00:14:42,670 --> 00:14:39,150

that it'll take a while for that sort of

276

00:14:46,340 --> 00:14:42,680

data to seep into public awareness but

277

00:14:49,210 --> 00:14:46,350

the psychologist can no longer be such

278

00:14:52,580 --> 00:14:49,220

scoffers as they used to be since their

279

00:14:54,410 --> 00:14:52,590

leading journal has now acknowledged the

280

00:14:58,100 --> 00:14:54,420

existence of this phenomenon

281

00:14:59,860 --> 00:14:58,110

did you did you have a gift did you have

282

00:15:03,010 --> 00:14:59,870

something that you were pursuing

283

00:15:06,850 --> 00:15:03,020

personally through this research

284

00:15:11,930 --> 00:15:06,860

well I suppose back then in the early

285

00:15:15,500 --> 00:15:11,940

1970s when I had just started school at

286

00:15:18,770 --> 00:15:15,510

Berkeley I had a series of precognitive

287

00:15:20,930 --> 00:15:18,780

dreams and or other forms of psychic

288

00:15:23,660 --> 00:15:20,940

dreams and one of them a great-uncle

289

00:15:26,210 --> 00:15:23,670

appeared to me in a dream and I woke up

290

00:15:28,520 --> 00:15:26,220

I was singing and crying at the same

291

00:15:31,970 --> 00:15:28,530

time which has only happened to me that

292

00:15:35,930 --> 00:15:31,980

one time it was because he my great

293

00:15:38,270 --> 00:15:35,940

uncle Harry had touched me so deeply in

294

00:15:41,540 --> 00:15:38,280

some way in that dream and I wrote home

295

00:15:43,640 --> 00:15:41,550

and said how's Uncle Harry had a dream

296

00:15:45,710 --> 00:15:43,650

about him and my mother called me

297

00:15:50,780 --> 00:15:45,720

immediately and said how did you know

298

00:15:53,480 --> 00:15:50,790

uncle Harry just died I began asking my

299

00:15:55,730 --> 00:15:53,490

professors at Berkeley you know what did

300

00:15:58,400 --> 00:15:55,740

they have to say about such a thing and

301
00:16:00,560 --> 00:15:58,410
I quickly learned they had now none of

302
00:16:03,380 --> 00:16:00,570
them had anything intelligent to say

303
00:16:05,780 --> 00:16:03,390
about it whatsoever and I think it was

304
00:16:07,750 --> 00:16:05,790
then that I resolved that this was very

305
00:16:09,470 --> 00:16:07,760
important as one of the most powerful

306
00:16:13,400 --> 00:16:09,480
experiences of my life

307
00:16:15,890 --> 00:16:13,410
and if I was going to understand it I

308
00:16:18,740 --> 00:16:15,900
would have to become my own expert and

309
00:16:21,340 --> 00:16:18,750
so what is that's an interesting thing

310
00:16:26,500 --> 00:16:21,350
because you are you are a teacher your

311
00:16:30,500 --> 00:16:26,510
professional academic and you look at

312
00:16:32,300 --> 00:16:30,510
Orthodox academia where you now if

313
00:16:34,880 --> 00:16:32,310

you're gonna pursue this now you have to

314

00:16:37,610 --> 00:16:34,890

fight this system does that force you

315

00:16:41,390 --> 00:16:37,620

into becoming a rebel or at some points

316

00:16:44,600 --> 00:16:41,400

do you have to conform well I did my

317

00:16:47,300 --> 00:16:44,610

best to conform in fact I had a mentor

318

00:16:49,550 --> 00:16:47,310

while I was in graduate school Arthur M

319

00:16:52,040 --> 00:16:49,560

Young who invented the Bell Helicopter

320

00:16:54,230 --> 00:16:52,050

Durand founded the Institute for the

321

00:16:56,570 --> 00:16:54,240

study of consciousness and Berkeley and

322

00:16:59,360 --> 00:16:56,580

invited me to live with him and after I

323

00:17:02,450 --> 00:16:59,370

got my doctoral degree I came to visit

324

00:17:04,850 --> 00:17:02,460

him I was so proud and I talked to him

325

00:17:07,400 --> 00:17:04,860

and he he was an astrologer and he

326

00:17:10,010 --> 00:17:07,410

pulled out his ephemeris and began

327

00:17:12,380 --> 00:17:10,020

looking at the dates and the planets and

328

00:17:14,949 --> 00:17:12,390

and he asked me he said well how long

329

00:17:19,520 --> 00:17:14,959

did it take you to get this degree and I

330

00:17:22,400 --> 00:17:19,530

said well since I started working on it

331

00:17:25,550 --> 00:17:22,410

it was seven years he says well it'll

332

00:17:30,770 --> 00:17:25,560

take you another seven years to undo all

333

00:17:34,790 --> 00:17:30,780

the damage the University your

334

00:17:38,930 --> 00:17:34,800

interviews with him let's talk about

335

00:17:43,670 --> 00:17:38,940

this for a second you have a developed

336

00:17:47,650 --> 00:17:43,680

style and your your style and the way

337

00:17:52,730 --> 00:17:47,660

that you have approached certain guests

338

00:17:57,080 --> 00:17:52,740

has enabled the and now I want to say

339

00:18:01,150 --> 00:17:57,090

this in the correct way to have the real

340

00:18:04,100 --> 00:18:01,160

guests appear as opposed to going down

341

00:18:06,350 --> 00:18:04,110

generic questions that they are you know

342

00:18:10,060 --> 00:18:06,360

that they systematically answer over and

343

00:18:13,760 --> 00:18:10,070

over again you have developed this

344

00:18:16,520 --> 00:18:13,770

conversational approach to getting to

345

00:18:18,590 --> 00:18:16,530

the real guests like their personalities

346

00:18:19,160 --> 00:18:18,600

you know what you did with Terence

347

00:18:22,750 --> 00:18:19,170

Mckenna

348

00:18:25,340 --> 00:18:22,760

it's this was probably his his greatest

349

00:18:27,169 --> 00:18:25,350

conversation he's ever had including he

350

00:18:34,340 --> 00:18:27,179

did how many times did you interview

351

00:18:37,310 --> 00:18:34,350

Arthur Young yeah right and and your

352

00:18:40,900 --> 00:18:37,320

ability to do that it was that something

353

00:18:45,230 --> 00:18:40,910

that you were consciously doing the

354

00:18:47,570 --> 00:18:45,240

conversational style well I noticed that

355

00:18:49,669 --> 00:18:47,580

you work the very same way Jimmy you

356

00:18:52,610 --> 00:18:49,679

don't work from prepared questions

357

00:18:56,150 --> 00:18:52,620

everything is sort of spontaneous and in

358

00:18:58,520 --> 00:18:56,160

the moment and I think it just works

359

00:18:59,710 --> 00:18:58,530

well I've never used prepared questions

360

00:19:04,620 --> 00:18:59,720

and

361

00:19:07,560 --> 00:19:04,630

I'll tell you when I was a teenager I

362

00:19:09,909 --> 00:19:07,570

there's a bellhop at a resort in

363

00:19:12,460 --> 00:19:09,919

Wisconsin where I lived at Elkhart Lake

364

00:19:15,250 --> 00:19:12,470

Wisconsin and I noticed at the time

365

00:19:18,789 --> 00:19:15,260

there was another bellhop there who was

366

00:19:21,669 --> 00:19:18,799

really popular everybody loved this guy

367

00:19:24,190 --> 00:19:21,679

especially the women and I'm so I

368

00:19:26,470 --> 00:19:24,200

started watching what he was doing and I

369

00:19:29,110 --> 00:19:26,480

noticed that he was a very good listener

370

00:19:31,360 --> 00:19:29,120

he listened carefully to people and he

371

00:19:34,659 --> 00:19:31,370

asked them lots of questions and I I

372

00:19:38,200 --> 00:19:34,669

realized people love that and I think

373

00:19:43,210 --> 00:19:38,210

that was sort of the beginning for me I

374

00:19:44,860 --> 00:19:43,220

it is one of the things that I I really

375

00:19:48,310 --> 00:19:44,870

feel because of the way that I've

376

00:19:51,460 --> 00:19:48,320

reacted to it it's what engages the

377

00:19:54,700 --> 00:19:51,470

audience they they want to feel like

378

00:19:57,010 --> 00:19:54,710

they are part of the conversation as

379

00:19:59,140 --> 00:19:57,020

opposed to something generic that

380

00:20:02,110 --> 00:19:59,150

they're gonna maybe have already heard

381

00:20:04,090 --> 00:20:02,120

before and will hear again and I think

382

00:20:10,860 --> 00:20:04,100

that's the way to always to try to

383

00:20:15,039 --> 00:20:10,870

approach it the let's back up again

384

00:20:21,669 --> 00:20:15,049

before what was the idea take me back to

385

00:20:26,169 --> 00:20:21,679

85 86 the idea for thinking aloud how

386

00:20:30,039 --> 00:20:26,179

did that come about okay well I got my

387

00:20:33,549 --> 00:20:30,049

doctoral degree in parapsychology at

388

00:20:38,409 --> 00:20:33,559

Berkeley in 1980 and shortly after

389

00:20:41,680 --> 00:20:38,419

getting the degree I was libeled and I

390

00:20:43,930 --> 00:20:41,690

fought a libel suit Psychology Today ran

391

00:20:45,970 --> 00:20:43,940

this article saying you know Mishlove

392

00:20:48,070 --> 00:20:45,980

probably didn't even get the degree and

393

00:20:51,430 --> 00:20:48,080

if he did get it he certainly didn't

394

00:20:54,700 --> 00:20:51,440

deserve it and it was I was mortified

395

00:20:57,549 --> 00:20:54,710

and spent six years fighting that libel

396

00:20:59,789 --> 00:20:57,559

suit and and when it ended I I felt like

397

00:21:03,490 --> 00:20:59,799

well I was ready to kind of become a

398

00:21:06,029 --> 00:21:03,500

public personality again because there

399

00:21:09,640 --> 00:21:06,039

was a very painful six year period

400

00:21:12,100 --> 00:21:09,650

people you know it's hard to face the

401
00:21:13,350 --> 00:21:12,110
public when when you've had you know a

402
00:21:16,170 --> 00:21:13,360
major public

403
00:21:23,280 --> 00:21:16,180
say nasty things about you and I was

404
00:21:25,800 --> 00:21:23,290
embarrassed and so on but in 1986 when

405
00:21:30,660 --> 00:21:25,810
the law the law suit had been settled

406
00:21:34,620 --> 00:21:30,670
favorably for me I reached out to a

407
00:21:37,350 --> 00:21:34,630
fellow named Arthur Bloch who was like

408
00:21:39,840 --> 00:21:37,360
me he was sort of very devoted to Arthur

409
00:21:42,690 --> 00:21:39,850
M young and the Institute for the Study

410
00:21:46,590 --> 00:21:42,700
of consciousness and he had gotten a

411
00:21:49,410 --> 00:21:46,600
degree in video at the University of

412
00:21:51,870 --> 00:21:49,420
California Santa Cruz and and I proposed

413
00:21:55,380 --> 00:21:51,880

to him that we launched this TV show we

414

00:21:58,500 --> 00:21:55,390

did it we started out on public access

415

00:22:01,350 --> 00:21:58,510

cable TV we did like a dozen shows and

416

00:22:03,360 --> 00:22:01,360

took after that they said well that's

417

00:22:06,570 --> 00:22:03,370

all you get to do and so we went to a

418

00:22:09,210 --> 00:22:06,580

local PBS station and showed them what

419

00:22:10,260 --> 00:22:09,220

we had done and they said well we'll put

420

00:22:13,440 --> 00:22:10,270

you on prime-time

421

00:22:15,270 --> 00:22:13,450

once a week and we did that for a year

422

00:22:18,270 --> 00:22:15,280

and then they said we'll sponsor you for

423

00:22:20,130 --> 00:22:18,280

satellite uplink and the next thing I

424

00:22:22,710 --> 00:22:20,140

knew we were being carried by about a

425

00:22:27,210 --> 00:22:22,720

hundred public TV stations all across

426

00:22:29,700 --> 00:22:27,220

North America and the approach to it

427

00:22:32,850 --> 00:22:29,710

because and I'm talking about the

428

00:22:38,660 --> 00:22:32,860

subject matter where you are going to go

429

00:22:42,240 --> 00:22:38,670

into areas that nobody else would

430

00:22:47,430 --> 00:22:42,250

necessarily in primetime to cover these

431

00:22:49,160 --> 00:22:47,440

and do you have to tiptoe or did PBS say

432

00:22:53,160 --> 00:22:49,170

you know what just do your thing

433

00:22:55,320 --> 00:22:53,170

well it wasn't PBS I'll start out by

434

00:22:58,260 --> 00:22:55,330

saying that and it wasn't the major

435

00:23:02,850 --> 00:22:58,270

public television stations either it was

436

00:23:04,860 --> 00:23:02,860

the smaller ones but and we had a lot of

437

00:23:06,870 --> 00:23:04,870

trouble I remember when we first went

438

00:23:09,540 --> 00:23:06,880

out on the satellite there was a station

439

00:23:12,900 --> 00:23:09,550

in Memphis Tennessee and and they

440

00:23:15,360 --> 00:23:12,910

consulted a psychologist in their area

441

00:23:18,150 --> 00:23:15,370

to say should we carry this program and

442

00:23:19,980 --> 00:23:18,160

he told them and they reported back to

443

00:23:21,800 --> 00:23:19,990

us he says the people of Tennessee are

444

00:23:27,260 --> 00:23:21,810

not ready for this

445

00:23:28,730 --> 00:23:27,270

exactly so did that force you into

446

00:23:31,410 --> 00:23:28,740

[Music]

447

00:23:34,710 --> 00:23:31,420

emotionally in your own you know mind's

448

00:23:37,080 --> 00:23:34,720

eye you don't want to change who you are

449

00:23:40,650 --> 00:23:37,090

but you also want to get the message out

450

00:23:44,100 --> 00:23:40,660

you're kind of stuck right well you know

451

00:23:47,100 --> 00:23:44,110

in the original thinking aloud series it

452

00:23:50,160 --> 00:23:47,110

was we called it psychology philosophy

453

00:23:53,070 --> 00:23:50,170

health science and spirituality we

454

00:23:54,150 --> 00:23:53,080

didn't emphasize parapsychology as much

455

00:23:58,260 --> 00:23:54,160

as I do now

456

00:24:00,960 --> 00:23:58,270

and you on YouTube I have I think an

457

00:24:04,830 --> 00:24:00,970

even greater sense of freedom yeah

458

00:24:08,299 --> 00:24:04,840

YouTube gives that and one of one of the

459

00:24:12,960 --> 00:24:08,309

things that I really enjoy is how you

460

00:24:15,419 --> 00:24:12,970

you are able to with your guests get

461

00:24:18,210 --> 00:24:15,429

into some pretty heavy physics heavy

462

00:24:20,100 --> 00:24:18,220

science sometimes it's it's time travel

463

00:24:24,360 --> 00:24:20,110

or it's parapsychology or it's

464

00:24:26,669 --> 00:24:24,370

spirituality but everything is there how

465

00:24:29,010 --> 00:24:26,679

are you able to tap into the knowledge

466

00:24:31,980 --> 00:24:29,020

of physics or is this something that you

467

00:24:34,890 --> 00:24:31,990

study or or you know quantum mechanics

468

00:24:38,940 --> 00:24:34,900

and and time-travel and spirituality and

469

00:24:43,410 --> 00:24:38,950

get that all together I'm so impressed

470

00:24:46,350 --> 00:24:43,420

with it well yeah you know I have never

471

00:24:51,060 --> 00:24:46,360

actually in my entire life taken a

472

00:24:53,100 --> 00:24:51,070

course in physics but when I lived with

473

00:24:55,830 --> 00:24:53,110

Arthur Young at the Institute for the

474

00:24:57,840 --> 00:24:55,840

Study of consciousness he was an

475

00:25:00,930 --> 00:24:57,850

engineer and my roommate there who's

476

00:25:03,810 --> 00:25:00,940

been a dear friend of mine for over 40

477

00:25:07,169 --> 00:25:03,820

years saw Paul SOG is written a book on

478

00:25:09,450 --> 00:25:07,179

physics and mathematics and Saul Paul

479

00:25:12,540 --> 00:25:09,460

was a college dropout who has had his

480

00:25:15,120 --> 00:25:12,550

physics papers published in nature which

481

00:25:18,930 --> 00:25:15,130

a lot of professional physicists never

482

00:25:21,480 --> 00:25:18,940

get to do so I've just been surrounded

483

00:25:23,970 --> 00:25:21,490

by these people and I don't know if

484

00:25:27,810 --> 00:25:23,980

you've seen my first book was published

485

00:25:32,760 --> 00:25:27,820

in 1975 the roots of consciousness and I

486

00:25:37,090 --> 00:25:32,770

just seemed to have a talent for kind of

487

00:25:41,080 --> 00:25:37,100

an encyclopedia coverage of these things

488

00:25:43,690 --> 00:25:41,090

it it served me very well on radio and

489

00:25:45,760 --> 00:25:43,700

television now when we come back after

490

00:25:48,580 --> 00:25:45,770

the break I'm going to get into some

491

00:25:51,400 --> 00:25:48,590

specific subjects and kind of leading

492

00:25:56,950 --> 00:25:51,410

into that I want and I want to ask you

493

00:25:58,900 --> 00:25:56,960

this how has your opinions changed over

494

00:26:02,560 --> 00:25:58,910

the last 40 years on these different

495

00:26:04,840 --> 00:26:02,570

subjects after you have interviewed you

496

00:26:08,200 --> 00:26:04,850

know so many important guests you end up

497

00:26:12,100 --> 00:26:08,210

learning and acquiring knowledge and

498

00:26:13,540 --> 00:26:12,110

with that has has it changed to you is

499

00:26:21,010 --> 00:26:13,550

there something that is different today

500

00:26:23,290 --> 00:26:21,020

then than it was in 1972 or 86 okay well

501
00:26:30,730 --> 00:26:23,300
we're gonna do that after no no I'm

502
00:26:34,630 --> 00:26:30,740
asking now you know when I was a younger

503
00:26:37,420 --> 00:26:34,640
man I suppose I was very ambitious and I

504
00:26:39,820 --> 00:26:37,430
was thinking about my career and what I

505
00:26:42,610 --> 00:26:39,830
could accomplish in life and I wanted to

506
00:26:45,820 --> 00:26:42,620
do this and do that and at this point

507
00:26:48,100 --> 00:26:45,830
and I'm in my life I am doing probably

508
00:26:51,370 --> 00:26:48,110
much more than I've ever done even

509
00:26:54,340 --> 00:26:51,380
though I'm in my 70s now and but I don't

510
00:26:57,490 --> 00:26:54,350
feel ambitious about it all I feel like

511
00:26:59,470 --> 00:26:57,500
I can just relax and let things flow and

512
00:27:02,470 --> 00:26:59,480
and I don't need to get anything back

513
00:27:05,140 --> 00:27:02,480

anymore I feel like I've had a good life

514

00:27:09,400 --> 00:27:05,150

and and this is a time just to

515

00:27:13,240 --> 00:27:09,410

contribute did you expect you know if

516

00:27:18,100 --> 00:27:13,250

you go back to like the Jacques Vallee

517

00:27:25,480 --> 00:27:18,110

interview in 1986 did you expect the UFO

518

00:27:29,620 --> 00:27:25,490

subject to have been answered today yes

519

00:27:32,620 --> 00:27:29,630

I I would say that I did and and one of

520

00:27:34,750 --> 00:27:32,630

the reasons was my own research you know

521

00:27:38,710 --> 00:27:34,760

I published a book called the peak a man

522

00:27:41,650 --> 00:27:38,720

and in which I did spend 10 years

523

00:27:44,530 --> 00:27:41,660

studying this fellow named Ted Owens who

524

00:27:47,800 --> 00:27:44,540

claimed to be in telepathic contact with

525

00:27:50,200 --> 00:27:47,810

aliens and he could produce UFOs and

526
00:27:53,920 --> 00:27:50,210
other extraordinary phenomena

527
00:27:56,710 --> 00:27:53,930
on demand and he produced many many

528
00:28:00,730 --> 00:27:56,720
dozens of demonstrations of this sort

529
00:28:04,300 --> 00:28:00,740
that were well documented so at the time

530
00:28:07,090 --> 00:28:04,310
I I think right from the very outset you

531
00:28:09,550 --> 00:28:07,100
know even including my early connections

532
00:28:11,800 --> 00:28:09,560
with irregular who reported that his

533
00:28:14,800 --> 00:28:11,810
psychokinetic abilities were also

534
00:28:17,560 --> 00:28:14,810
related to UFOs I felt that there was a

535
00:28:19,660 --> 00:28:17,570
connection and it seemed pretty

536
00:28:23,140 --> 00:28:19,670
self-evident and there were you know

537
00:28:26,550 --> 00:28:23,150
many many dramatic UFO sightings then

538
00:28:32,200 --> 00:28:26,560

and of course there still are today so I

539

00:28:34,330 --> 00:28:32,210

back then I was very hopeful that things

540

00:28:37,060 --> 00:28:34,340

were going to change immediately around

541

00:28:40,000 --> 00:28:37,070

these topics I I did not appreciate the

542

00:28:43,600 --> 00:28:40,010

enormous social resistance and what

543

00:28:46,780 --> 00:28:43,610

about we've got about 60 seconds with

544

00:28:49,600 --> 00:28:46,790

today with the mass media and the

545

00:28:52,690 --> 00:28:49,610

reporting of UFOs and the subject of

546

00:28:54,760 --> 00:28:52,700

aliens and of course the Navy and pilots

547

00:28:58,150 --> 00:28:54,770

coming forward in the New York Times and

548

00:29:01,720 --> 00:28:58,160

and CNN and Fox and president Trump

549

00:29:04,000 --> 00:29:01,730

talking about UFOs yeah it's it's it's

550

00:29:05,160 --> 00:29:04,010

never been like this before does that

551
00:29:08,350 --> 00:29:05,170
surprise you

552
00:29:13,660 --> 00:29:08,360
well Ronald Reagan talked about UFOs

553
00:29:15,070 --> 00:29:13,670
Jimmy Carter talked about UFOs so I I

554
00:29:18,270 --> 00:29:15,080
think you know they've always been

555
00:29:22,380 --> 00:29:18,280
around they haven't gone away but slowly

556
00:29:24,580 --> 00:29:22,390
very very slowly I think the

557
00:29:28,780 --> 00:29:24,590
acknowledgment of this phenomenon is

558
00:29:31,240 --> 00:29:28,790
creeping into more mainstream awareness

559
00:29:34,030 --> 00:29:31,250
they the hostile skeptics have always

560
00:29:38,830 --> 00:29:34,040
used the horse laughs and that's not

561
00:29:42,760 --> 00:29:38,840
working so well anymore no no I and I am

562
00:29:46,150 --> 00:29:42,770
so happy that I could be in a checkout

563
00:29:48,790 --> 00:29:46,160

stand talking to a cashier and if UFOs

564

00:29:51,100 --> 00:29:48,800

came up nobody's gonna laugh you know or

565

00:29:53,860 --> 00:29:51,110

down the street or with my family or

566

00:29:55,480 --> 00:29:53,870

friends that that today it's it's a

567

00:29:57,730 --> 00:29:55,490

different party and you're absolutely

568

00:30:00,220 --> 00:29:57,740

right about that let's take our break

569

00:30:01,510 --> 00:30:00,230

right here this is fade to black I am

570

00:30:03,120 --> 00:30:01,520

welcome back fade to black our meal

583

00:30:50,389 --> 00:30:47,249

signature tonight our guests Jeffrey

584

00:30:53,389 --> 00:30:50,399

Mishlove head over to new guard head

585

00:30:56,599 --> 00:30:53,399

over to thinking aloud Hakam and his

586

00:30:59,389 --> 00:30:56,609

YouTube channel new thinking aloud great

587

00:31:02,690 --> 00:30:59,399

clips and of course all of his new shows

588

00:31:04,639 --> 00:31:02,700

are right there and what I wanted to do

589

00:31:06,139 --> 00:31:04,649

Jeffrey we're all in a pursuit of

590

00:31:10,310 --> 00:31:06,149

knowledge and you've been doing this for

591

00:31:12,830 --> 00:31:10,320

a very long time and today as I follow

592

00:31:15,080 --> 00:31:12,840

the science community and I'm talking

593

00:31:17,659 --> 00:31:15,090

about the hardcore physicists out there

594

00:31:19,580 --> 00:31:17,669

in the theoretical physicists and even

595

00:31:22,489 --> 00:31:19,590

cosmologists the question of

596

00:31:26,450 --> 00:31:22,499

consciousness consciousness now comes up

597

00:31:28,849 --> 00:31:26,460

more than ever and what it is for you

598

00:31:32,629 --> 00:31:28,859

what is that definition what is

599

00:31:34,849 --> 00:31:32,639

consciousness I think there are two ways

600

00:31:37,940 --> 00:31:34,859

to look at it one is you know my

601
00:31:40,310 --> 00:31:37,950
personal consciousness which is just

602
00:31:43,609 --> 00:31:40,320
like experience what is it like to be

603
00:31:46,369 --> 00:31:43,619
alive what is it like to be Jimmy church

604
00:31:49,149 --> 00:31:46,379
or Jeffrey Mishlove or each and every

605
00:31:51,379 --> 00:31:49,159
one of your listeners so there's that

606
00:31:54,169 --> 00:31:51,389
individual consciousness but then

607
00:31:56,960 --> 00:31:54,179
there's also this larger consciousness

608
00:31:59,930 --> 00:31:56,970
you might say it's like a universal

609
00:32:03,999 --> 00:31:59,940
consciousness and in which we're all

610
00:32:08,029 --> 00:32:04,009
embedded and that's that's very

611
00:32:10,879 --> 00:32:08,039
mysterious you know some people would

612
00:32:13,940 --> 00:32:10,889
say that everything exists within that

613
00:32:16,339 --> 00:32:13,950

universal consciousness but it's very

614

00:32:19,279 --> 00:32:16,349

hard to define some people would call it

615

00:32:22,239 --> 00:32:19,289

God and other people might just say it's

616

00:32:27,229 --> 00:32:22,249

you know it's just some kind of a

617

00:32:30,919 --> 00:32:27,239

principle in nature how do you how do

618

00:32:32,419 --> 00:32:30,929

you how do you resolve because I've been

619

00:32:35,869 --> 00:32:32,429

trying to do this I've been trying to

620

00:32:39,349 --> 00:32:35,879

figure this out how do you resolve you

621

00:32:42,859 --> 00:32:39,359

know atoms and and particles and things

622

00:32:45,859 --> 00:32:42,869

that don't have consciousness suddenly

623

00:32:48,950 --> 00:32:45,869

assemble into these beautiful beings

624

00:32:51,220 --> 00:32:48,960

that we call us where we can laugh and

625

00:32:53,860 --> 00:32:51,230

think and ponder the

626

00:32:55,870 --> 00:32:53,870

a transition that happens there we go

627

00:32:59,260 --> 00:32:55,880

from something that doesn't have a brain

628

00:33:01,150 --> 00:32:59,270

and it assembles into this and suddenly

629

00:33:03,880 --> 00:33:01,160

we have consciousness where does that

630

00:33:06,100 --> 00:33:03,890

transition happen when you're talking

631

00:33:09,370 --> 00:33:06,110

about the classic mind-body problem

632

00:33:12,430 --> 00:33:09,380

which has been an issue for philosophers

633

00:33:16,810 --> 00:33:12,440

for centuries but it's the way you

634

00:33:18,940 --> 00:33:16,820

phrased the question in has certain

635

00:33:21,669 --> 00:33:18,950

assumptions embedded in it like that

636

00:33:24,280 --> 00:33:21,679

matter isn't conscious at all and that

637

00:33:28,780 --> 00:33:24,290

that somehow consciousness evolves out

638

00:33:32,289 --> 00:33:28,790

of this inner dead matter it could be

639

00:33:34,750 --> 00:33:32,299

the other way around completely for all

640

00:33:38,860 --> 00:33:34,760

we know many great philosophers have

641

00:33:41,680 --> 00:33:38,870

have suggested that if if you start with

642

00:33:44,080 --> 00:33:41,690

what what we know everything we know is

643

00:33:47,230 --> 00:33:44,090

because we're conscious we don't know

644

00:33:49,450 --> 00:33:47,240

anything except that we're conscious of

645

00:33:52,539 --> 00:33:49,460

it so maybe consciousness came first

646

00:33:55,390 --> 00:33:52,549

which is the you know the basis of many

647

00:33:59,350 --> 00:33:55,400

religious traditions and Asian

648

00:34:01,270 --> 00:33:59,360

philosophies particularly Vedanta for

649

00:34:03,909 --> 00:34:01,280

example they would suggest that

650

00:34:07,240 --> 00:34:03,919

consciousness came first and then

651
00:34:09,520 --> 00:34:07,250
everything we think of as you know the

652
00:34:13,750 --> 00:34:09,530
physical universe emerged out of

653
00:34:19,330 --> 00:34:13,760
consciousness so it's not necessarily

654
00:34:23,710 --> 00:34:19,340
just inert and dead at all is is is the

655
00:34:26,560 --> 00:34:23,720
is the universe full of consciousness

656
00:34:30,879 --> 00:34:26,570
and I mean it like this when we look at

657
00:34:33,609 --> 00:34:30,889
the numbers of people that have lived

658
00:34:36,220 --> 00:34:33,619
and died in the history of this planet

659
00:34:38,859 --> 00:34:36,230
and it's it's a it's an astronomically

660
00:34:41,320 --> 00:34:38,869
large number there are seven billion

661
00:34:43,840 --> 00:34:41,330
people on this planet today so there's

662
00:34:47,290 --> 00:34:43,850
extra consciousness out there somewhere

663
00:34:49,570 --> 00:34:47,300

that hasn't reincarnated back into

664

00:34:53,290 --> 00:34:49,580

another body if you want to look at it

665

00:34:55,149 --> 00:34:53,300

that way right and to make matters even

666

00:34:59,980 --> 00:34:55,159

more complicated there are probably

667

00:35:01,750 --> 00:34:59,990

trillions of other planets and okay yeah

668

00:35:04,500 --> 00:35:01,760

I like the way that you're thinking I

669

00:35:09,750 --> 00:35:04,510

was going to go there earlier

670

00:35:12,270 --> 00:35:09,760

that must be very exciting for you to

671

00:35:16,740 --> 00:35:12,280

see this development happen in science

672

00:35:19,980 --> 00:35:16,750

we're not very long ago just go back to

673

00:35:22,800 --> 00:35:19,990

1995 there was the first exoplanet was

674

00:35:24,930 --> 00:35:22,810

discovered and we were wondering how

675

00:35:28,050 --> 00:35:24,940

many planets could there be out there

676

00:35:31,440 --> 00:35:28,060

where today the discussion is in the

677

00:35:33,750 --> 00:35:31,450

trillions in our own Milky Way and that

678

00:35:37,680 --> 00:35:33,760

does change that does change the big

679

00:35:41,190 --> 00:35:37,690

picture doesn't it yeah yeah I mean the

680

00:35:43,500 --> 00:35:41,200

universe is very likely full of I mean

681

00:35:46,230 --> 00:35:43,510

there could be billions and billions of

682

00:35:50,099 --> 00:35:46,240

galaxies and each galaxy has billions

683

00:35:52,230 --> 00:35:50,109

and millions of stars and each star may

684

00:35:54,990 --> 00:35:52,240

have many planets it seems normal now

685

00:35:57,390 --> 00:35:55,000

for that stars do have planets around

686

00:35:59,640 --> 00:35:57,400

them and so surely there's there's

687

00:36:03,420 --> 00:35:59,650

conscious life throughout the universe

688

00:36:06,990 --> 00:36:03,430

but but whether it's correct to say that

689

00:36:09,930 --> 00:36:07,000

a consciousness exists in the universe

690

00:36:13,470 --> 00:36:09,940

or the universe exists within

691

00:36:15,839 --> 00:36:13,480

consciousness I don't think that

692

00:36:18,599 --> 00:36:15,849

question has been resolved at all or

693

00:36:21,210 --> 00:36:18,609

there are very intelligent thinkers

694

00:36:25,559 --> 00:36:21,220

philosophers and on all sides of this

695

00:36:27,359 --> 00:36:25,569

issue and Brian Greene who I just think

696

00:36:31,010 --> 00:36:27,369

is a brilliant physicist but not only

697

00:36:35,099 --> 00:36:31,020

that in his work in string theory but he

698

00:36:37,500 --> 00:36:35,109

contemplates these subjects and he

699

00:36:40,829 --> 00:36:37,510

approaches them he's a great orator he's

700

00:36:43,319 --> 00:36:40,839

able to get those complex math equations

701
00:36:46,559 --> 00:36:43,329
into something that we understand and he

702
00:36:48,960 --> 00:36:46,569
can explain it and he says that one of

703
00:36:53,160 --> 00:36:48,970
the things that that he spends his time

704
00:36:56,250 --> 00:36:53,170
on thinking about is just this where

705
00:36:59,849 --> 00:36:56,260
this transition happens and what what

706
00:37:03,990 --> 00:36:59,859
came first and that that he needs to get

707
00:37:06,450 --> 00:37:04,000
this answered and it's where science and

708
00:37:08,130 --> 00:37:06,460
in our community are starting to overlap

709
00:37:11,309 --> 00:37:08,140
these days I think that's where it's

710
00:37:13,950 --> 00:37:11,319
going and you know many of the great

711
00:37:17,730 --> 00:37:13,960
founders of quantum physics people like

712
00:37:20,970 --> 00:37:17,740
Max Planck and Irvin Schrodinger

713
00:37:22,760 --> 00:37:20,980

felt that consciousness was fundamental

714

00:37:25,620 --> 00:37:22,770

that you can't get underneath

715

00:37:28,680 --> 00:37:25,630

consciousness it's the reality doesn't

716

00:37:32,070 --> 00:37:28,690

start with atoms and molecules or quarks

717

00:37:33,890 --> 00:37:32,080

it starts with consciousness and when we

718

00:37:37,980 --> 00:37:33,900

when we start to dive into this

719

00:37:41,520 --> 00:37:37,990

certainly with ESP and telekinesis and

720

00:37:44,730 --> 00:37:41,530

parapsychology are we now starting to

721

00:37:48,720 --> 00:37:44,740

get into the realm of entanglement and

722

00:37:50,190 --> 00:37:48,730

that's where these foundations are when

723

00:37:51,960 --> 00:37:50,200

it when it comes to the power of the

724

00:37:55,170 --> 00:37:51,970

mind

725

00:37:57,270 --> 00:37:55,180

you know back in 1975 when I published

726

00:37:59,670 --> 00:37:57,280

my first book the roots of consciousness

727

00:38:03,000 --> 00:37:59,680

that we had a chapter on physics and

728

00:38:05,370 --> 00:38:03,010

consciousness it was written for me by a

729

00:38:07,770 --> 00:38:05,380

physicist back then a fellow you may

730

00:38:13,080 --> 00:38:07,780

have heard of named Jack Sarfati who

731

00:38:17,220 --> 00:38:13,090

claimed to have had UFO contacts and is

732

00:38:19,680 --> 00:38:17,230

is that if we if we start to resolve

733

00:38:22,290 --> 00:38:19,690

some of these things like like

734

00:38:28,110 --> 00:38:22,300

entanglement did the dominoes start to

735

00:38:31,740 --> 00:38:28,120

fall well you know that metaphor the

736

00:38:34,170 --> 00:38:31,750

dominoes starting to fall sort of

737

00:38:36,600 --> 00:38:34,180

implies that there's a mechanism that

738

00:38:40,440 --> 00:38:36,610

one Domino pushes the next one pushes

739

00:38:42,720 --> 00:38:40,450

the next one pushes the next one and I'm

740

00:38:45,390 --> 00:38:42,730

kind of inclined to think Jimmy that

741

00:38:47,880 --> 00:38:45,400

that ultimately the universe doesn't

742

00:38:51,420 --> 00:38:47,890

operate like a mechanism like a great

743

00:38:57,690 --> 00:38:51,430

big machine I think the universe

744

00:38:59,820 --> 00:38:57,700

probably operates more like a well one

745

00:39:04,470 --> 00:38:59,830

physicists said it's more like a great

746

00:39:08,450 --> 00:39:04,480

story than a great machine and and that

747

00:39:13,500 --> 00:39:08,460

that could be when we talk about

748

00:39:17,520 --> 00:39:13,510

consciousness the afterlife other realms

749

00:39:20,190 --> 00:39:17,530

that these are all parts of a reality

750

00:39:25,290 --> 00:39:20,200

that that is rooted in science and if

751

00:39:27,330 --> 00:39:25,300

one thing is proven then all our all of

752

00:39:28,680 --> 00:39:27,340

our great questions answered at that

753

00:39:32,170 --> 00:39:28,690

point because it's all going to be

754

00:39:39,170 --> 00:39:35,780

yeah at the end of time make me it'll

755

00:39:42,020 --> 00:39:39,180

all make well and and see this is the

756

00:39:43,130 --> 00:39:42,030

thing you've been asking and this is

757

00:39:45,530 --> 00:39:43,140

what's great about this conversation

758

00:39:49,070 --> 00:39:45,540

that we're having you've been asking

759

00:39:50,210 --> 00:39:49,080

these same questions of these great

760

00:39:51,860 --> 00:39:50,220

guests of yours

761

00:39:54,590 --> 00:39:51,870

you've been asking the same questions

762

00:39:56,780 --> 00:39:54,600

and now the tables have turned a little

763

00:40:01,190 --> 00:39:56,790

bit I'm asking these questions of you

764

00:40:05,260 --> 00:40:01,200

and do you feel that you are getting

765

00:40:09,020 --> 00:40:05,270

closer because of what you have learned

766

00:40:11,240 --> 00:40:09,030

not really no I don't necessarily feel

767

00:40:14,510 --> 00:40:11,250

like I'm getting closer ironically you

768

00:40:17,680 --> 00:40:14,520

know it's like sure my brain is filled

769

00:40:20,840 --> 00:40:17,690

with many many many more ideas and

770

00:40:23,120 --> 00:40:20,850

concepts and knowledge but I don't know

771

00:40:25,160 --> 00:40:23,130

that having more knowledge means that

772

00:40:30,310 --> 00:40:25,170

you're really closer to the ultimate

773

00:40:34,610 --> 00:40:30,320

answers it's almost like for me Jimmy

774

00:40:37,790 --> 00:40:34,620

it's part of a conversation that we're

775

00:40:39,830 --> 00:40:37,800

having and maybe ten thousand years from

776

00:40:41,990 --> 00:40:39,840

now I'll run into you a different it

777

00:40:44,060 --> 00:40:42,000

will pick up the same conversation where

778

00:40:49,550 --> 00:40:44,070

we leave off and find out that we've

779

00:40:53,900 --> 00:40:49,560

always been wrong but the conversation

780

00:40:56,900 --> 00:40:53,910

itself is is the message the the

781

00:41:01,420 --> 00:40:56,910

converse I want to talk about Terence

782

00:41:05,380 --> 00:41:01,430

Mckenna for a second your conversation I

783

00:41:09,170 --> 00:41:05,390

can say that plural with Terence Mckenna

784

00:41:12,530 --> 00:41:09,180

he was closer to the mark than I and I

785

00:41:17,390 --> 00:41:12,540

think he even realized he was right on

786

00:41:21,020 --> 00:41:17,400

the brink of some breakout stuff and he

787

00:41:24,290 --> 00:41:21,030

tried to tell the world and today these

788

00:41:26,780 --> 00:41:24,300

conversations about ayahuasca and DMT

789

00:41:33,050 --> 00:41:26,790

and parallel worlds and connections to

790

00:41:35,240 --> 00:41:33,060

two other spirit beings is is very

791

00:41:37,730 --> 00:41:35,250

important and we're starting to unlock

792

00:41:39,220 --> 00:41:37,740

that Terence was was onto something

793

00:41:42,640 --> 00:41:39,230

wasn't he

794

00:41:45,730 --> 00:41:42,650

Oh Terence was amazing I loved how

795

00:41:49,780 --> 00:41:45,740

articulate he was he the words just

796

00:41:52,300 --> 00:41:49,790

flowed out of his mouth and like poetry

797

00:41:55,210 --> 00:41:52,310

but you know I think he had a lot of

798

00:41:58,410 --> 00:41:55,220

ideas that were kind of wacky I loved

799

00:42:03,490 --> 00:41:58,420

them because they were very very

800

00:42:08,620 --> 00:42:03,500

stimulating but I don't know that that

801
00:42:11,589 --> 00:42:08,630
he really got to you know ultimate

802
00:42:14,079 --> 00:42:11,599
answers if I was looking for ultimate

803
00:42:18,250 --> 00:42:14,089
answers I'd probably think more of

804
00:42:21,160 --> 00:42:18,260
someone like Rob does well with with

805
00:42:23,920 --> 00:42:21,170
Terence and going back to your

806
00:42:27,819 --> 00:42:23,930
conversations with him he was and you're

807
00:42:31,089 --> 00:42:27,829
right articulate is is is a definition

808
00:42:34,990 --> 00:42:31,099
for him he was able to speak about his

809
00:42:37,089 --> 00:42:35,000
experiences and what he was learning was

810
00:42:40,480 --> 00:42:37,099
that because of the questions that you

811
00:42:42,880 --> 00:42:40,490
were asking that you were able to pull

812
00:42:44,770 --> 00:42:42,890
that out of him and and I hope you

813
00:42:47,319 --> 00:42:44,780

appreciate what I'm saying here because

814

00:42:50,290 --> 00:42:47,329

he was a difficult interview for a lot

815

00:42:54,849 --> 00:42:50,300

of people but for you it was a it was a

816

00:42:58,660 --> 00:42:54,859

different kind of a setting I did you

817

00:43:00,940 --> 00:42:58,670

know I would have assumed that he was

818

00:43:06,910 --> 00:43:00,950

that way all the time I just figured the

819

00:43:09,069 --> 00:43:06,920

man is a genius but I have to admit I

820

00:43:13,420 --> 00:43:09,079

haven't probably listened to other

821

00:43:16,059 --> 00:43:13,430

interviews right right well and the the

822

00:43:21,130 --> 00:43:16,069

reason why I think it's so important is

823

00:43:23,410 --> 00:43:21,140

that on this show I have I think you

824

00:43:25,630 --> 00:43:23,420

know I've done probably close to 2,000

825

00:43:28,030 --> 00:43:25,640

interviews at this point right now a lot

826

00:43:31,420 --> 00:43:28,040

of shows have have accumulated and

827

00:43:33,640 --> 00:43:31,430

there's an ebb and flow with researchers

828

00:43:38,620 --> 00:43:33,650

and you can see where trends are going

829

00:43:41,829 --> 00:43:38,630

and ayahuasca has been brought up on

830

00:43:44,550 --> 00:43:41,839

this show so many times and the the

831

00:43:47,020 --> 00:43:44,560

fascinating part about it is the

832

00:43:49,590 --> 00:43:47,030

similarities that I have from guest to

833

00:43:51,780 --> 00:43:49,600

guest and and what

834

00:43:53,850 --> 00:43:51,790

they are experiencing and they don't

835

00:43:56,070 --> 00:43:53,860

know each other right they they haven't

836

00:43:58,740 --> 00:43:56,080

listened to past interviews there's a

837

00:44:01,050 --> 00:43:58,750

consistency to the phenomenon that is

838

00:44:03,660 --> 00:44:01,060

there and I do believe that there are

839

00:44:07,170 --> 00:44:03,670

they are tapping I haven't done it by

840

00:44:12,060 --> 00:44:07,180

the way okay so I have I haven't done it

841

00:44:15,930 --> 00:44:12,070

but there is a reality to this parallel

842

00:44:18,780 --> 00:44:15,940

world that Terence was referencing back

843

00:44:21,060 --> 00:44:18,790

then and I think Sciences get should

844

00:44:23,310 --> 00:44:21,070

investigate what is happening here

845

00:44:27,150 --> 00:44:23,320

because I think that reality is a real

846

00:44:30,660 --> 00:44:27,160

one well I remember the very first time

847

00:44:34,170 --> 00:44:30,670

I used a psychedelic drug and I saw

848

00:44:35,730 --> 00:44:34,180

these wonderful visual images and you

849

00:44:37,710 --> 00:44:35,740

know when you're having that experience

850

00:44:40,500 --> 00:44:37,720

there's no doubt they're real because

851
00:44:43,140 --> 00:44:40,510
you're there experiencing it and whether

852
00:44:47,760 --> 00:44:43,150
you want to call it a hallucination or a

853
00:44:52,050 --> 00:44:47,770
psychotic mimic or an alternative

854
00:44:54,000 --> 00:44:52,060
reality it's a real experience and I I

855
00:44:56,850 --> 00:44:54,010
would agree with you it is very

856
00:45:01,950 --> 00:44:56,860
important to get to the essence of you

857
00:45:08,190 --> 00:45:01,960
know what's going on and how how is it

858
00:45:13,110 --> 00:45:08,200
possible that the chemistry of ayahuasca

859
00:45:19,050 --> 00:45:13,120
and other medicines that the chemistry

860
00:45:20,730 --> 00:45:19,060
was developed so long ago without the

861
00:45:23,100 --> 00:45:20,740
knowledge of chemistry that they were

862
00:45:25,470 --> 00:45:23,110
able to get the root of one plant and

863
00:45:29,940 --> 00:45:25,480

and and another plant get those to react

864

00:45:32,820 --> 00:45:29,950

in our body chemistry in our stomach to

865

00:45:36,510 --> 00:45:32,830

turn around and access these higher

866

00:45:40,200 --> 00:45:36,520

dimensions did that information come

867

00:45:44,070 --> 00:45:40,210

from another consciousness and and was

868

00:45:46,110 --> 00:45:44,080

given to them to to you know get this

869

00:45:47,610 --> 00:45:46,120

magical combination I still don't

870

00:45:50,640 --> 00:45:47,620

understand how that happened so many

871

00:45:54,270 --> 00:45:50,650

probably over a thousand years ago well

872

00:45:57,330 --> 00:45:54,280

if you talk to shamans they basically

873

00:46:00,930 --> 00:45:57,340

are pretty consistent in saying that the

874

00:46:03,090 --> 00:46:00,940

plant talks to them they listen to the

875

00:46:03,480 --> 00:46:03,100

plants and the plants tell them what to

876

00:46:05,880 --> 00:46:03,490

do

877

00:46:15,300 --> 00:46:05,890

well what came first it's the chicken or

878

00:46:21,020 --> 00:46:15,310

the egg and the the the other part of

879

00:46:23,040 --> 00:46:21,030

this when when shamans are talking to

880

00:46:25,380 --> 00:46:23,050

something you know they're getting their

881

00:46:27,240 --> 00:46:25,390

information however you want to look at

882

00:46:29,850 --> 00:46:27,250

it but they are getting it from

883

00:46:31,920 --> 00:46:29,860

somewhere and the questions of

884

00:46:34,650 --> 00:46:31,930

entanglement for me come in and come

885

00:46:37,050 --> 00:46:34,660

into play and and consciousness outside

886

00:46:39,890 --> 00:46:37,060

in the electric universe that this is

887

00:46:43,320 --> 00:46:39,900

something that has been going on forever

888

00:46:46,740 --> 00:46:43,330

it it has been and when you use the term

889

00:46:50,160 --> 00:46:46,750

entanglement to me what entanglement

890

00:46:52,020 --> 00:46:50,170

really means is is very fundamental it

891

00:46:55,890 --> 00:46:52,030

means you know everybody goes through

892

00:46:58,800 --> 00:46:55,900

life with the idea that there's an

893

00:47:00,660 --> 00:46:58,810

inside of me and an outside and you know

894

00:47:02,400 --> 00:47:00,670

there's an internal consciousness and

895

00:47:04,950 --> 00:47:02,410

then there's the world out there and

896

00:47:09,080 --> 00:47:04,960

what entanglement is saying is that

897

00:47:12,750 --> 00:47:09,090

that's an artificial distinction how so

898

00:47:17,700 --> 00:47:12,760

because everything is interconnected we

899

00:47:23,610 --> 00:47:17,710

the inside and the outside are all part

900

00:47:27,540 --> 00:47:23,620

of one single system when when we when

901
00:47:32,640 --> 00:47:27,550
you refer it in that way I immediately

902
00:47:35,130 --> 00:47:32,650
go to a larger number of people that

903
00:47:38,460 --> 00:47:35,140
that make contact and have communication

904
00:47:42,540 --> 00:47:38,470
with offworld beings and they're getting

905
00:47:47,850 --> 00:47:42,550
that information coming through is that

906
00:47:50,040 --> 00:47:47,860
is that what is happening well it might

907
00:47:52,230 --> 00:47:50,050
be I'm certainly open to that

908
00:47:54,660 --> 00:47:52,240
possibility you know the work I did with

909
00:47:58,320 --> 00:47:54,670
Ted oh and seem very dramatic he said he

910
00:48:00,570 --> 00:47:58,330
was in touch with invisible space aliens

911
00:48:04,410 --> 00:48:00,580
he called them the space intelligences

912
00:48:07,380 --> 00:48:04,420
and and he would say they gave him the

913
00:48:11,400 --> 00:48:07,390

ability to produce phenomena that he

914

00:48:13,860 --> 00:48:11,410

could produce regularly with with good

915

00:48:16,560 --> 00:48:13,870

reliability roughly two-thirds of the

916

00:48:17,349 --> 00:48:16,570

time he said he would produce some

917

00:48:19,599 --> 00:48:17,359

demonstrate

918

00:48:23,739 --> 00:48:19,609

they worked out the way he said they

919

00:48:28,210 --> 00:48:23,749

would so I've seen it happen but I have

920

00:48:30,609 --> 00:48:28,220

to say this that Ted Owens and it was a

921

00:48:33,370 --> 00:48:30,619

rare person of all the people who claim

922

00:48:37,420 --> 00:48:33,380

that they're channeling alien

923

00:48:40,870 --> 00:48:37,430

consciousness very few of them produced

924

00:48:44,680 --> 00:48:40,880

demonstrations on a regular basis the

925

00:48:46,720 --> 00:48:44,690

way Ted Owens was able to do and so so

926

00:48:51,120 --> 00:48:46,730

there's always the risk that you know

927

00:48:55,829 --> 00:48:51,130

people also have everybody has I think a

928

00:48:58,630 --> 00:48:55,839

creative mind and probably most people

929

00:49:00,450 --> 00:48:58,640

at least that they're unconscious level

930

00:49:03,940 --> 00:49:00,460

are capable of writing science fiction

931

00:49:09,249 --> 00:49:03,950

stories so a lot of what people call

932

00:49:13,329 --> 00:49:09,259

alien communications could well be a

933

00:49:17,140 --> 00:49:13,339

fantasy or a product of their own inner

934

00:49:19,599 --> 00:49:17,150

creativity what Ted Owens case I have to

935

00:49:23,380 --> 00:49:19,609

say it was more than that yes exactly

936

00:49:25,180 --> 00:49:23,390

and when I have done the same thing that

937

00:49:26,799 --> 00:49:25,190

you have done I've gone out I've done

938

00:49:29,470 --> 00:49:26,809

the summoning I've done the Night Watch

939

00:49:32,140 --> 00:49:29,480

and the sky watches and you know

940

00:49:33,729 --> 00:49:32,150

night-vision goggles I've seen some

941

00:49:38,049 --> 00:49:33,739

pretty amazing things that I can't

942

00:49:42,039 --> 00:49:38,059

explain and when we witness that is it

943

00:49:44,559 --> 00:49:42,049

is it manifesting or do do you think

944

00:49:46,150 --> 00:49:44,569

that this is something much more

945

00:49:48,460 --> 00:49:46,160

physical and I know that you and Jacques

946

00:49:51,339 --> 00:49:48,470

Vallee had a pretty deep conversation

947

00:49:54,630 --> 00:49:51,349

about this too as well but is is it is

948

00:49:56,789 --> 00:49:54,640

it physical or is it something else more

949

00:49:59,650 --> 00:49:56,799

interdimensional including your

950

00:50:02,259 --> 00:49:59,660

experiences I think it's much more than

951
00:50:05,049 --> 00:50:02,269
physical I think if we look at physical

952
00:50:07,539 --> 00:50:05,059
science today even cutting-edge physical

953
00:50:10,029 --> 00:50:07,549
science such as brian greene who you

954
00:50:13,019 --> 00:50:10,039
spoke of earlier i don't think they go

955
00:50:17,440 --> 00:50:13,029
quite far enough i think Jacques Vallee

956
00:50:21,220 --> 00:50:17,450
has a deeper vision of these things I

957
00:50:26,130 --> 00:50:21,230
mean what we call physical maybe just

958
00:50:28,660 --> 00:50:26,140
the tiniest portion of reality itself

959
00:50:30,800 --> 00:50:28,670
let me give you an example what sure

960
00:50:33,400 --> 00:50:30,810
when Ted Owen said he would produce

961
00:50:37,340 --> 00:50:33,410
the UFO you didn't need night goggles

962
00:50:40,220 --> 00:50:37,350
necessarily in in the sky to see them he

963
00:50:42,920 --> 00:50:40,230

would on one occasion he told me I'm

964

00:50:44,960 --> 00:50:42,930

gonna produce a UFO and it's going to be

965

00:50:47,090 --> 00:50:44,970

seen by hundreds of people it'll be

966

00:50:49,760 --> 00:50:47,100

photographed in a photograph of it will

967

00:50:51,860 --> 00:50:49,770

be published in the front page of one of

968

00:50:54,740 --> 00:50:51,870

your local newspapers in the San

969

00:50:59,210 --> 00:50:54,750

Francisco Bay Area and that happened

970

00:51:01,790 --> 00:50:59,220

three days later and what do you do with

971

00:51:03,440 --> 00:51:01,800

that you personally I mean what do you

972

00:51:05,840 --> 00:51:03,450

do you know it was very difficult

973

00:51:08,950 --> 00:51:05,850

because I was a graduate student at the

974

00:51:11,890 --> 00:51:08,960

time and I reported it to my professors

975

00:51:14,150 --> 00:51:11,900

and one of them a very prominent

976

00:51:17,780 --> 00:51:14,160

parapsychologists immediately resigned

977

00:51:22,010 --> 00:51:17,790

from my doctoral committee when he heard

978

00:51:25,190 --> 00:51:22,020

that this had occurred and it did he did

979

00:51:27,440 --> 00:51:25,200

he resign because the phenomenon was

980

00:51:32,090 --> 00:51:27,450

real or that he didn't want to be

981

00:51:36,710 --> 00:51:32,100

associated with it I suspect it was a

982

00:51:39,200 --> 00:51:36,720

second yeah but that's the battle that

983

00:51:43,460 --> 00:51:39,210

we fight right there that's the battle

984

00:51:48,800 --> 00:51:43,470

that we fight the going back to Jacques

985

00:51:52,790 --> 00:51:48,810

de la for a second you and Jacques had a

986

00:51:55,010 --> 00:51:52,800

conversation about things in 1986 that I

987

00:51:57,950 --> 00:51:55,020

thought was pretty groundbreaking at the

988

00:52:00,560 --> 00:51:57,960

time but it was also a solid vision of

989

00:52:03,370 --> 00:52:00,570

the future here we are in 2019 and those

990

00:52:07,340 --> 00:52:03,380

things that Jacque was talking about

991

00:52:14,170 --> 00:52:07,350

were very solid do you think that Jacque

992

00:52:17,720 --> 00:52:14,180

knows more than he is actually revealing

993

00:52:22,360 --> 00:52:17,730

well I'm sure he knows a lot Jacque is a

994

00:52:27,740 --> 00:52:22,370

very very smart man a very deep thinker

995

00:52:29,600 --> 00:52:27,750

about things and he's also a wise person

996

00:52:32,210 --> 00:52:29,610

he's in fact he's been a venture

997

00:52:36,200 --> 00:52:32,220

capitalist he understands business and

998

00:52:39,860 --> 00:52:36,210

he understands society very well so it's

999

00:52:41,730 --> 00:52:39,870

quite possible that he like Carl Jung or

1000

00:52:44,760 --> 00:52:41,740

like many other

1001
00:52:47,700 --> 00:52:44,770
thinkers realizes that people are only

1002
00:52:50,280 --> 00:52:47,710
capable of absorbing so much and it does

1003
00:52:52,650 --> 00:52:50,290
no good to try and give people

1004
00:52:55,620 --> 00:52:52,660
information that they're not ready to

1005
00:52:57,480 --> 00:52:55,630
receive what do we do I want to stay on

1006
00:52:59,700 --> 00:52:57,490
the subject if you don't mind I'm

1007
00:53:04,310 --> 00:52:59,710
looking at the clock we can pick up when

1008
00:53:08,880 --> 00:53:04,320
we come back but when you have so many

1009
00:53:10,859 --> 00:53:08,890
witnesses and experiencers and abductees

1010
00:53:14,750 --> 00:53:10,869
by which the numbers are probably in the

1011
00:53:18,510 --> 00:53:14,760
millions sharing these experiences of

1012
00:53:21,660 --> 00:53:18,520
abduction and contact is this part of

1013
00:53:23,880 --> 00:53:21,670

reality or is this something else going

1014

00:53:30,030 --> 00:53:23,890

on in mass consciousness where they're

1015

00:53:35,060 --> 00:53:30,040

sharing these experiences oh that's an

1016

00:53:40,650 --> 00:53:38,070

what we're really encountering in a way

1017

00:53:43,050 --> 00:53:40,660

is ourselves because as I say the inside

1018

00:53:46,050 --> 00:53:43,060

and the outside are not separate from

1019

00:53:52,470 --> 00:53:46,060

each other and we have a lot to learn

1020

00:53:56,400 --> 00:53:52,480

about the depths of who we are yeah yeah

1021

00:54:00,180 --> 00:53:56,410

yeah yeah and everybody can't be crazy

1022

00:54:04,320 --> 00:54:00,190

right it can't be that well let's hope

1023

00:54:06,000 --> 00:54:04,330

not it can't be some crazy psychosis but

1024

00:54:07,260 --> 00:54:06,010

there's got to be something else to the

1025

00:54:10,079 --> 00:54:07,270

phenomenon there has to be an

1026

00:54:13,250 --> 00:54:10,089

explanation I'm sure there is an

1027

00:54:17,670 --> 00:54:13,260

explanation and I'm sure it's not

1028

00:54:23,280 --> 00:54:17,680

psychosis but I think ultimately it's

1029

00:54:25,140 --> 00:54:23,290

more about who I mean see if I can put

1030

00:54:28,500 --> 00:54:25,150

this into the right language for you

1031

00:54:30,990 --> 00:54:28,510

it's not an explanation that we are

1032

00:54:34,560 --> 00:54:31,000

necessarily going to put into words and

1033

00:54:37,710 --> 00:54:34,570

language even mathematics and the

1034

00:54:40,740 --> 00:54:37,720

language of science it's more that when

1035

00:54:43,589 --> 00:54:40,750

we understand what's really going on we

1036

00:54:46,829 --> 00:54:43,599

will become larger beings and that will

1037

00:54:50,849 --> 00:54:46,839

be the answer and how close how close

1038

00:54:53,220 --> 00:54:50,859

are we I I said this last week on the

1039

00:54:54,970 --> 00:54:53,230

air I said I think we're we're like

1040

00:54:57,099 --> 00:54:54,980

seniors in the heist

1041

00:54:59,380 --> 00:54:57,109

that are about to graduate that's where

1042

00:55:03,720 --> 00:54:59,390

we are in our maturity we haven't gone

1043

00:55:07,329 --> 00:55:03,730

past that yet my mentor Arthur young

1044

00:55:09,550 --> 00:55:07,339

developed a wonderful cosmology he wrote

1045

00:55:11,170 --> 00:55:09,560

about it in a book called the root not

1046

00:55:14,410 --> 00:55:11,180

the roots of consciousness that's my

1047

00:55:17,710 --> 00:55:14,420

book his book was the reflexive universe

1048

00:55:20,980 --> 00:55:17,720

and and he had a periodic table of

1049

00:55:23,890 --> 00:55:20,990

everything and he would say that modern

1050

00:55:27,460 --> 00:55:23,900

human beings such as ourselves stand in

1051
00:55:33,870 --> 00:55:27,470
relationship to the potential of what we

1052
00:55:36,970 --> 00:55:33,880
can be roughly parallel to where a clam

1053
00:55:40,180 --> 00:55:36,980
would be in relationship to the entire

1054
00:55:41,530 --> 00:55:40,190
animal kingdom let's take a break right

1055
00:55:45,280 --> 00:55:41,540
here when we come back I want to talk

1056
00:55:47,890 --> 00:55:45,290
some more about Arthur Young absolutely

1057
00:55:50,560 --> 00:55:47,900
fascinating individual on on every

1058
00:55:52,180 --> 00:55:50,570
measure and let's do that let's take our

1059
00:55:54,430 --> 00:55:52,190
break right here this is fade to black

1060
00:55:56,589 --> 00:55:54,440
I'm your host Jimmy Church our guest

1061
00:55:58,900 --> 00:55:56,599
tonight Jeffrey Mitchell oh this is fade

1062
00:56:04,340 --> 00:55:58,910
to black on the GameChanger Network and

1063
00:56:41,959 --> 00:56:38,960

[Music]

1064

00:56:44,249 --> 00:56:41,969

[Applause]

1065

00:56:45,809 --> 00:56:44,259

welcome back fade to black I am your

1066

00:56:49,019 --> 00:56:45,819

host Jimmy Church tonight our guest

1067

00:56:50,789 --> 00:56:49,029

Jeffrey Mitchell of tomorrow night ed

1068

00:56:53,880 --> 00:56:50,799

nightingale is here we're gonna be

1069

00:56:56,640 --> 00:56:53,890

talking about Leonardo da Vinci and the

1070

00:56:58,199 --> 00:56:56,650

Giza temple Thursday night is another

1071

00:57:00,449 --> 00:56:58,209

fader night with open lines all night

1072

00:57:02,670 --> 00:57:00,459

long you can get to Geoffrey's website

1073

00:57:05,489 --> 00:57:02,680

thinking aloud calm the links are over

1074

00:57:08,819 --> 00:57:05,499

at a 2 meter radio calm as well as new

1075

00:57:12,120 --> 00:57:08,829

thinking aloud Jeffrey's new YouTube

1076
00:57:14,219 --> 00:57:12,130
channel and the new version of thinking

1077
00:57:19,769 --> 00:57:14,229
aloud I want to want to go back to

1078
00:57:21,239 --> 00:57:19,779
Arthur M young and the relationship and

1079
00:57:24,239 --> 00:57:21,249
the interviews that you have done with

1080
00:57:28,380 --> 00:57:24,249
him over the years has just been

1081
00:57:33,689 --> 00:57:28,390
incredible but there is also the Arthur

1082
00:57:35,609 --> 00:57:33,699
Young and the seance and and the 9 did

1083
00:57:39,059 --> 00:57:35,619
you have conversations with Arthur about

1084
00:57:45,410 --> 00:57:39,069
that yeah we discussed it a few times

1085
00:57:51,029 --> 00:57:45,420
you can't stop there Geoffrey well

1086
00:57:53,459 --> 00:57:51,039
Arthur was involved with Andre apart who

1087
00:57:55,709 --> 00:57:53,469
was the person who wrote the book about

1088
00:57:59,150 --> 00:57:55,719

Erie Geller and really introduced her

1089

00:58:02,009 --> 00:57:59,160

regular to the scientific world but I

1090

00:58:04,799 --> 00:58:02,019

mean we could talk about Andrea for a

1091

00:58:08,699 --> 00:58:04,809

long absolutely wrote a book called the

1092

00:58:10,469 --> 00:58:08,709

sacred mushroom and about psychedelic

1093

00:58:13,609 --> 00:58:10,479

mushrooms but it was published I think

1094

00:58:15,929 --> 00:58:13,619

back in about 1960 but he had an

1095

00:58:19,380 --> 00:58:15,939

organization called the round table

1096

00:58:23,370 --> 00:58:19,390

Foundation as I recall and it was based

1097

00:58:25,919 --> 00:58:23,380

in Maine and Arthur Young who would you

1098

00:58:28,199 --> 00:58:25,929

know become wealthy and famous by

1099

00:58:31,939 --> 00:58:28,209

inventing the first commercially

1100

00:58:36,089 --> 00:58:31,949

licensed helicopter the Bell Helicopter

1101
00:58:41,359 --> 00:58:36,099
was very interested in anything exotic

1102
00:58:43,620 --> 00:58:41,369
he he loved ideas that people found

1103
00:58:45,959 --> 00:58:43,630
outrageous and offensive the more

1104
00:58:49,589 --> 00:58:45,969
outrageous it was the more he liked it

1105
00:58:54,749 --> 00:58:49,599
so he was into astrology and alchemy and

1106
00:58:59,249 --> 00:58:54,759
UFOs and these these things and he

1107
00:59:03,529 --> 00:58:59,259
helped finance all kinds of exotic forms

1108
00:59:06,569 --> 00:59:03,539
of research so so he was part of the

1109
00:59:09,079 --> 00:59:06,579
sessions that were held at the

1110
00:59:11,849 --> 00:59:09,089
roundtable foundation which often

1111
00:59:16,549 --> 00:59:11,859
involved the communication with entities

1112
00:59:20,099 --> 00:59:16,559
that refer to themselves as the nine and

1113
00:59:22,429 --> 00:59:20,109

in in fact I'll tell you a little known

1114

00:59:25,589 --> 00:59:22,439

story about all of that there was a

1115

00:59:30,650 --> 00:59:25,599

famous book published in the as I recall

1116

00:59:32,999 --> 00:59:30,660

in the 1950s by Leon Festinger who was a

1117

00:59:36,299 --> 00:59:33,009

sociologist and the name of the book was

1118

00:59:41,519 --> 00:59:36,309

when prophecy fails and it was a study

1119

00:59:43,319 --> 00:59:41,529

of a UFO cult based in Minnesota and in

1120

00:59:45,900 --> 00:59:43,329

which they were predicting the end of

1121

00:59:48,120 --> 00:59:45,910

the world and and so Festinger as a

1122

00:59:52,859 --> 00:59:48,130

sociologist was interested in what

1123

00:59:54,959 --> 00:59:52,869

happens when the predictions made didn't

1124

00:59:56,699 --> 00:59:54,969

come true the world didn't end on the

1125

00:59:58,679 --> 00:59:56,709

day that this UFO cult

1126

01:00:00,929 --> 00:59:58,689

said it would so he began to look at

1127

01:00:03,539 --> 01:00:00,939

well what did these cult members do and

1128

01:00:05,759 --> 01:00:03,549

he noted many of them said you know they

1129

01:00:09,809 --> 01:00:05,769

found ways of justifying that their

1130

01:00:12,719 --> 01:00:09,819

prophet was real well but what wasn't

1131

01:00:15,839 --> 01:00:12,729

known is because he didn't met published

1132

01:00:18,630 --> 01:00:15,849

names in that book that this same UFO

1133

01:00:21,630 --> 01:00:18,640

cult and based in Minneapolis as I

1134

01:00:26,130 --> 01:00:21,640

recall was in contact with aundrea

1135

01:00:28,589 --> 01:00:26,140

Paresh in Maine and and the contact was

1136

01:00:30,900 --> 01:00:28,599

based on synchronicities and you know

1137

01:00:33,449 --> 01:00:30,910

who Irish was getting messages to show

1138

01:00:38,400 --> 01:00:33,459

up at certain locations and meet these

1139

01:00:41,939 --> 01:00:38,410

people also who Harwich was getting

1140

01:00:45,509 --> 01:00:41,949

messages that that he had to travel to

1141

01:00:47,609 --> 01:00:45,519

to various exotic locations just get on

1142

01:00:52,829 --> 01:00:47,619

an airplane show up at the airport at a

1143

01:00:55,140 --> 01:00:52,839

certain day in time in order to it's

1144

01:00:57,029 --> 01:00:55,150

hard to say exactly what he did but you

1145

01:00:57,510 --> 01:00:57,039

know it was like he was being guided by

1146

01:01:01,070 --> 01:00:57,520

the

1147

01:01:04,020 --> 01:01:01,080

Denine and various mediums were

1148

01:01:06,260 --> 01:01:04,030

communicating in trance States I have to

1149

01:01:09,660 --> 01:01:06,270

say at the end of the day a lot of it

1150

01:01:13,020 --> 01:01:09,670

amounted to nothing at all at least

1151

01:01:15,090 --> 01:01:13,030

nothing tangible I think these people

1152

01:01:17,850 --> 01:01:15,100

thought that they were they were going

1153

01:01:21,180 --> 01:01:17,860

to do you know marvelous things and and

1154

01:01:24,690 --> 01:01:21,190

surely Andre of who was a marvelous

1155

01:01:27,930 --> 01:01:24,700

person he did many things in his life

1156

01:01:34,140 --> 01:01:27,940

but now that I think back about it is

1157

01:01:37,770 --> 01:01:34,150

his life ended rather sadly he had the

1158

01:01:40,580 --> 01:01:37,780

ability to surround himself with with a

1159

01:01:42,960 --> 01:01:40,590

group of pretty magical characters and

1160

01:01:46,550 --> 01:01:42,970

that was the other thing I can only

1161

01:01:50,010 --> 01:01:46,560

imagine how strong as a personality was

1162

01:01:52,140 --> 01:01:50,020

yeah he was a wonderful person he was

1163

01:01:56,970 --> 01:01:52,150

very helpful and inspirational to me

1164

01:01:59,910 --> 01:01:56,980

early in my career and Arthur Young who

1165

01:02:03,630 --> 01:01:59,920

I lived with for a period of time and

1166

01:02:06,780 --> 01:02:03,640

Berkeley back in the early 1970s was

1167

01:02:12,050 --> 01:02:06,790

very close to him so what happened at

1168

01:02:14,370 --> 01:02:12,060

the the well now very famous seance

1169

01:02:16,470 --> 01:02:14,380

there was a you know a pretty strong

1170

01:02:18,720 --> 01:02:16,480

group of people that were there

1171

01:02:20,970 --> 01:02:18,730

including Arthur's wife Ruth I

1172

01:02:23,310 --> 01:02:20,980

understand was there too as well and

1173

01:02:25,440 --> 01:02:23,320

they were gonna do the seance and

1174

01:02:30,140 --> 01:02:25,450

communicate with the nine well let's

1175

01:02:33,960 --> 01:02:30,150

start there who were the nine well I

1176

01:02:36,630 --> 01:02:33,970

can't say that I ever had a clear

1177

01:02:39,920 --> 01:02:36,640

understanding of that is it one entity

1178

01:02:43,860 --> 01:02:39,930

that called itself the nine or was it a

1179

01:02:47,280 --> 01:02:43,870

collective was this like the Galactic

1180

01:02:50,010 --> 01:02:47,290

Council or something of that sort it was

1181

01:02:52,440 --> 01:02:50,020

it was never clear to me and I don't

1182

01:02:55,260 --> 01:02:52,450

think actually the you know Arthur

1183

01:02:57,480 --> 01:02:55,270

didn't stick with that he moved on to

1184

01:02:59,310 --> 01:02:57,490

other things it was at the end of the

1185

01:03:01,620 --> 01:02:59,320

day much more important to him to

1186

01:03:04,560 --> 01:03:01,630

develop his own theoretical work than

1187

01:03:07,230 --> 01:03:04,570

than to continue to participate in in

1188

01:03:08,670 --> 01:03:07,240

this activity yeah did he did he feel

1189

01:03:14,600 --> 01:03:08,680

that the

1190

01:03:17,190 --> 01:03:14,610

was a real communication with this

1191

01:03:19,140 --> 01:03:17,200

collection of beings that are off planet

1192

01:03:22,430 --> 01:03:19,150

you know known as the nine did did he

1193

01:03:25,800 --> 01:03:22,440

think that that actually went down I

1194

01:03:31,860 --> 01:03:25,810

think he was very open to that

1195

01:03:34,500 --> 01:03:31,870

possibility I I know at one time he he

1196

01:03:37,380 --> 01:03:34,510

said when I knew him he was you know

1197

01:03:43,460 --> 01:03:37,390

quite elderly I met him when he was I

1198

01:03:52,740 --> 01:03:48,300

was about 1995 as I recall and he died

1199

01:04:02,370 --> 01:03:52,750

so he was about 90 so I knew him for

1200

01:04:04,370 --> 01:04:02,380

about 20 years and during that time I he

1201

01:04:07,710 --> 01:04:04,380

would tell me that if he could do things

1202

01:04:10,440 --> 01:04:07,720

over again and he would like to build

1203

01:04:13,020 --> 01:04:10,450

UFOs himself he's a nominee you know

1204

01:04:15,120 --> 01:04:13,030

invented the helicopters he thought the

1205

01:04:17,370 --> 01:04:15,130

next thing would be to build space

1206

01:04:20,190 --> 01:04:17,380

vehicles he wished that he was younger

1207

01:04:22,650 --> 01:04:20,200

and could do that so I think he took it

1208

01:04:24,870 --> 01:04:22,660

seriously but I don't think he felt it

1209

01:04:27,960 --> 01:04:24,880

was the most important thing he was

1210

01:04:30,780 --> 01:04:27,970

doing what and and speaking about

1211

01:04:34,680 --> 01:04:30,790

construction of UFOs going back to how

1212

01:04:37,350 --> 01:04:34,690

put off and an SR I how was it haleh's

1213

01:04:43,680 --> 01:04:37,360

in the news lately I hate what he's got

1214

01:04:46,230 --> 01:04:43,690

these metamaterials the claims about

1215

01:04:48,890 --> 01:04:46,240

where they came from and and what they

1216

01:04:54,200 --> 01:04:48,900

may or may not do are pretty sensational

1217

01:04:57,900 --> 01:04:54,210

but now the US Army is involved and and

1218

01:05:02,790 --> 01:04:57,910

the possibility that they may be not

1219

01:05:05,040 --> 01:05:02,800

only off planet but these materials may

1220

01:05:07,710 --> 01:05:05,050

be used here and there's something to

1221

01:05:09,480 --> 01:05:07,720

take advantage of what do you think is

1222

01:05:12,900 --> 01:05:09,490

was going on what do you think is

1223

01:05:19,230 --> 01:05:12,910

actually going on I honestly don't know

1224

01:05:21,140 --> 01:05:19,240

I I haven't kept up with that I have

1225

01:05:23,839 --> 01:05:21,150

heard the same rumors

1226

01:05:27,799 --> 01:05:23,849

that you're describing but but I don't

1227

01:05:35,660 --> 01:05:27,809

have any hard core information about

1228

01:05:39,529 --> 01:05:35,670

that I'm sorry yeah well I can't really

1229

01:05:42,019 --> 01:05:39,539

comment intelligently well when we when

1230

01:05:45,380 --> 01:05:42,029

we get to those parts of things you know

1231

01:05:47,990 --> 01:05:45,390

crashed retrievals of you know of alien

1232

01:05:50,900 --> 01:05:48,000

craft and what the government may be in

1233

01:05:53,990 --> 01:05:50,910

possession of and that we've got

1234

01:05:57,680 --> 01:05:54,000

evidence you know actual physical

1235

01:06:01,690 --> 01:05:57,690

evidence and and these meta materials um

1236

01:06:05,000 --> 01:06:01,700

hal is a very smart guy and he knows

1237

01:06:07,339 --> 01:06:05,010

what he is doing and that's that's the

1238

01:06:09,799 --> 01:06:07,349

part of this that i think that the

1239

01:06:12,710 --> 01:06:09,809

community and the news and the media is

1240

01:06:15,109 --> 01:06:12,720

grabbing hold of that of hal is involved

1241

01:06:18,230 --> 01:06:15,119

and there must be something to this and

1242

01:06:21,279 --> 01:06:18,240

now the US army is going to apply their

1243

01:06:24,349 --> 01:06:21,289

laboratories to these materials that Hal

1244

01:06:26,839 --> 01:06:24,359

has been researching for years it seems

1245

01:06:29,180 --> 01:06:26,849

to be something is about to break well

1246

01:06:32,240 --> 01:06:29,190

maybe so but you know to my knowledge

1247

01:06:35,349 --> 01:06:32,250

there have has hasn't yet been any

1248

01:06:39,230 --> 01:06:35,359

public pronouncements from Hale about

1249

01:06:44,180 --> 01:06:39,240

what he has yeah it's a it's very

1250

01:06:46,460 --> 01:06:44,190

interesting to me and to have the s RI

1251

01:06:49,339 --> 01:06:46,470

and this is there's another part to this

1252

01:06:53,510 --> 01:06:49,349

too that I think is about to break and

1253

01:06:57,049 --> 01:06:53,520

that is with remote viewing what how and

1254

01:07:01,480 --> 01:06:57,059

everybody else in Russell has been

1255

01:07:04,339 --> 01:07:01,490

working on that this part of

1256

01:07:07,609 --> 01:07:04,349

parapsychology and remote viewing is a

1257

01:07:10,450 --> 01:07:07,619

part of reality this isn't this isn't

1258

01:07:15,589 --> 01:07:10,460

science fiction anymore is it

1259

01:07:17,690 --> 01:07:15,599

what depends on who you talk to there

1260

01:07:21,859 --> 01:07:17,700

there are still people out there who

1261

01:07:24,010 --> 01:07:21,869

think it's all bunk and in fact they'll

1262

01:07:27,279 --> 01:07:24,020

tell you that the mainstream scientific

1263

01:07:31,279 --> 01:07:27,289

community has yet to accept any of it

1264

01:07:34,130 --> 01:07:31,289

however you and I both know that there

1265

01:07:37,609 --> 01:07:34,140

have been dozens if not hundreds

1266

01:07:40,519 --> 01:07:37,619

of reports by credible witnesses and I

1267

01:07:45,440 --> 01:07:40,529

was first exposed to the idea of

1268

01:07:47,450 --> 01:07:45,450

physical materials back in the 1970s one

1269

01:07:50,930 --> 01:07:47,460

of my professors at the time James

1270

01:07:52,789 --> 01:07:50,940

harder was the research director for an

1271

01:07:56,000 --> 01:07:52,799

organization called the aerial

1272

01:07:59,390 --> 01:07:56,010

phenomenon research organization or afro

1273

01:08:04,579 --> 01:07:59,400

which back in those days was the leading

1274

01:08:09,470 --> 01:08:04,589

UFO research organization the sorry I I

1275

01:08:12,589 --> 01:08:09,480

sneezed I had to get my cough button but

1276

01:08:14,900 --> 01:08:12,599

and you gotta love live radio for stuff

1277

01:08:17,660 --> 01:08:14,910

like that it happens at the moment when

1278

01:08:20,660 --> 01:08:17,670

you don't need it to happen like like

1279

01:08:24,229 --> 01:08:20,670

right now but we are moving forward in

1280

01:08:28,760 --> 01:08:24,239

in this direction though and when the

1281

01:08:31,129 --> 01:08:28,770

the question of UFOs and contact and

1282

01:08:36,110 --> 01:08:31,139

offworld contact and what the government

1283

01:08:40,490 --> 01:08:36,120

knows versus what witnesses and yourself

1284

01:08:46,280 --> 01:08:40,500

and myself how close are we going to be

1285

01:08:48,950 --> 01:08:46,290

to to actually knowing in that the

1286

01:08:51,769 --> 01:08:48,960

question is this what I think is going

1287

01:08:52,999 --> 01:08:51,779

on and what is really going on are going

1288

01:08:54,559 --> 01:08:53,009

to be two different things

1289

01:08:58,599 --> 01:08:54,569

I don't think that I'm going to be

1290

01:09:02,840 --> 01:08:58,609

really close to to having the answers I

1291

01:09:05,899 --> 01:09:02,850

think you have to appreciate when I

1292

01:09:12,649 --> 01:09:05,909

would call the trickster archetype all

1293

01:09:16,459 --> 01:09:12,659

of these phenomena have a characteristic

1294

01:09:19,129 --> 01:09:16,469

which is like it's a game and we haven't

1295

01:09:20,870 --> 01:09:19,139

figured out what the game is entirely

1296

01:09:22,879 --> 01:09:20,880

about yet

1297

01:09:24,079 --> 01:09:22,889

but it reminds me a bit of

1298

01:09:26,149 --> 01:09:24,089

hide-and-go-seek

1299

01:09:28,970 --> 01:09:26,159

you know all children in every culture

1300

01:09:32,870 --> 01:09:28,980

play hide-and-go-seek and I think this

1301

01:09:36,490 --> 01:09:32,880

phenomenon the UFOs and many other forms

1302

01:09:40,840 --> 01:09:36,500

of spiritual and psychic manifestations

1303

01:09:45,040 --> 01:09:40,850

ectoplasm mediumship materializations of

1304

01:09:51,080 --> 01:09:45,050

various kinds airports UFOs

1305

01:09:55,580 --> 01:09:51,090

they all seem to be enticing us but but

1306

01:09:57,710 --> 01:09:55,590

in a funny way it's it's like as soon as

1307

01:10:00,110 --> 01:09:57,720

you think you've got a handle on it and

1308

01:10:03,500 --> 01:10:00,120

you understand what this phenomenon is

1309

01:10:09,740 --> 01:10:03,510

it changes can we handle the truth

1310

01:10:12,080 --> 01:10:09,750

though well ultimately as I've been

1311

01:10:15,050 --> 01:10:12,090

trying to suggest the truth is us that's

1312

01:10:18,380 --> 01:10:15,060

we have to handle who we are what our

1313

01:10:19,520 --> 01:10:18,390

nature is we think we're these you know

1314

01:10:23,630 --> 01:10:19,530

human being

1315

01:10:26,030 --> 01:10:23,640

animals part of the primate family and

1316

01:10:29,510 --> 01:10:26,040

that's probably just the tiniest sliver

1317

01:10:34,700 --> 01:10:29,520

of who we are well in I mean could we

1318

01:10:37,370 --> 01:10:34,710

even understand the what we're dealing

1319

01:10:41,120 --> 01:10:37,380

with I mean what would the conversation

1320

01:10:45,820 --> 01:10:41,130

even be about right I mean it would have

1321

01:10:49,310 --> 01:10:45,830

to be a civilization more advanced

1322

01:10:52,700 --> 01:10:49,320

because they got here we didn't go there

1323

01:10:56,510 --> 01:10:52,710

right so the ability and the technology

1324

01:10:58,700 --> 01:10:56,520

to arrive here would suggest an

1325

01:11:01,550 --> 01:10:58,710

intelligence way beyond our

1326

01:11:04,330 --> 01:11:01,560

comprehension and plenty of people who

1327

01:11:06,170 --> 01:11:04,340

think that they came from other planets

1328

01:11:09,050 --> 01:11:06,180

you bet

1329

01:11:12,740 --> 01:11:09,060

I'd be willing to bet you that a high

1330

01:11:15,380 --> 01:11:12,750

percentage of your listeners sincerely

1331

01:11:19,190 --> 01:11:15,390

believe that they have had past lives on

1332

01:11:22,550 --> 01:11:19,200

other planets and okay let's go there

1333

01:11:25,640 --> 01:11:22,560

have you you know no I don't have any

1334

01:11:28,490 --> 01:11:25,650

such memories myself and although it's

1335

01:11:32,870 --> 01:11:28,500

tantalizing and I think about it I

1336

01:11:36,320 --> 01:11:32,880

wonder I don't really have very strong

1337

01:11:38,630 --> 01:11:36,330

past life memories of you know every now

1338

01:11:41,930 --> 01:11:38,640

and then I get it kind of maybe a

1339

01:11:45,860 --> 01:11:41,940

momentary flash of something but not

1340

01:11:48,380 --> 01:11:45,870

enough to really hang on - yeah my fear

1341

01:11:50,990 --> 01:11:48,390

with past life and past life regressions

1342

01:11:53,980 --> 01:11:51,000

is I'm just going to be some some guy

1343

01:11:56,850 --> 01:11:53,990

rolling in the mud begging for change

1344

01:11:59,580 --> 01:11:56,860

during the Renaissance

1345

01:12:04,530 --> 01:11:59,590

human history there's a high probability

1346

01:12:07,350 --> 01:12:04,540

that that's the case and and when let's

1347

01:12:10,050 --> 01:12:07,360

stay right here with with regression

1348

01:12:14,040 --> 01:12:10,060

therapy and with hypnosis is that

1349

01:12:17,459 --> 01:12:14,050

something that we can depend on no

1350

01:12:20,700 --> 01:12:17,469

certainly not I wouldn't I wouldn't

1351

01:12:24,300 --> 01:12:20,710

depend on it at all because amongst

1352

01:12:28,140 --> 01:12:24,310

other things the hypnotist has the

1353

01:12:31,979 --> 01:12:28,150

ability even telepathically to implant

1354

01:12:35,459 --> 01:12:31,989

ideas and and so there's enormous

1355

01:12:38,550 --> 01:12:35,469

potential for contamination and that a

1356

01:12:40,320 --> 01:12:38,560

person under hypnosis will want to come

1357

01:12:43,470 --> 01:12:40,330

up with something that's going to please

1358

01:12:46,740 --> 01:12:43,480

the hypnotist have you have you been

1359

01:12:50,340 --> 01:12:46,750

regressed not many times and I've also

1360

01:12:52,890 --> 01:12:50,350

done regressions many times I think it's

1361

01:12:58,379 --> 01:12:52,900

from a therapeutic point of view it can

1362

01:13:01,080 --> 01:12:58,389

be very valuable I think emotionally the

1363

01:13:04,680 --> 01:13:01,090

the kind of scenarios that come up in

1364

01:13:08,459 --> 01:13:04,690

hypnotic regression are true in in

1365

01:13:10,470 --> 01:13:08,469

the sense that they represent emotional

1366

01:13:13,410 --> 01:13:10,480

truths for each person but I would not

1367

01:13:16,729 --> 01:13:13,420

necessarily take them literally although

1368

01:13:20,879 --> 01:13:16,739

I do think that on occasion

1369

01:13:23,250 --> 01:13:20,889

there's evidence that that a literal

1370

01:13:26,760 --> 01:13:23,260

interpretation is the appropriate one

1371

01:13:30,270 --> 01:13:26,770

when somebody has a missing time

1372

01:13:32,879 --> 01:13:30,280

experience and I can specifically talk

1373

01:13:36,390 --> 01:13:32,889

about myself personally I have not been

1374

01:13:39,240 --> 01:13:36,400

requests in Jeffery so I can say that

1375

01:13:40,590 --> 01:13:39,250

there's reasons why I won't do it but

1376

01:13:43,830 --> 01:13:40,600

when somebody has an abduction

1377

01:13:47,550 --> 01:13:43,840

experience or a missing time experience

1378

01:13:49,859 --> 01:13:47,560

and they go back and and have this

1379

01:13:52,560 --> 01:13:49,869

information revealed and they revealed

1380

01:13:55,439 --> 01:13:52,570

it are we getting into a danger zone

1381

01:13:57,810 --> 01:13:55,449

there or would you have the ability to

1382

01:14:00,570 --> 01:13:57,820

go back and into a gap in somebody's

1383

01:14:05,970 --> 01:14:00,580

memory and retrieve what actually

1384

01:14:08,939 --> 01:14:05,980

happened well I I think it's possible to

1385

01:14:10,320 --> 01:14:08,949

do that but I I don't think we can ever

1386

01:14:13,580 --> 01:14:10,330

be certain

1387

01:14:16,800 --> 01:14:13,590

that when somebody comes up with a

1388

01:14:19,440 --> 01:14:16,810

particular memory that that it's a valid

1389

01:14:21,450 --> 01:14:19,450

memory and not something well you you

1390

01:14:26,700 --> 01:14:21,460

I'm sure you've heard of what people

1391

01:14:29,490 --> 01:14:26,710

call false memories so we just don't

1392

01:14:31,770 --> 01:14:29,500

know for sure and unless there's you

1393

01:14:35,240 --> 01:14:31,780

know what parapsychologists are always

1394

01:14:40,290 --> 01:14:35,250

looking for is independent confirmation

1395

01:14:45,060 --> 01:14:40,300

the the experiences that I have had I've

1396

01:14:47,340 --> 01:14:45,070

had quite a few therapists suggested me

1397

01:14:50,940 --> 01:14:47,350

to go back and and find out what

1398

01:14:53,460 --> 01:14:50,950

happened and my answer is you know quite

1399

01:14:57,180 --> 01:14:53,470

honestly I don't want to know let's just

1400

01:14:59,430 --> 01:14:57,190

let's just leave that alone I don't need

1401
01:15:02,010 --> 01:14:59,440
to know and I'm okay with myself right

1402
01:15:04,770 --> 01:15:02,020
now but there's also something

1403
01:15:06,540 --> 01:15:04,780
suggesting to me that if I went to

1404
01:15:09,750 --> 01:15:06,550
different therapists that I would get

1405
01:15:13,650 --> 01:15:09,760
different answers right that that that

1406
01:15:16,740 --> 01:15:13,660
quite possibly the the the truth the

1407
01:15:19,350 --> 01:15:16,750
actuality is not what is going to be

1408
01:15:23,220 --> 01:15:19,360
found out it's going to be with the

1409
01:15:27,060 --> 01:15:23,230
therapist there there's good reason to

1410
01:15:30,720 --> 01:15:27,070
think that that's the case one of my old

1411
01:15:33,180 --> 01:15:30,730
friends dr. Edith Fiore was doing

1412
01:15:36,210 --> 01:15:33,190
conventional behavior therapy using

1413
01:15:38,190 --> 01:15:36,220

hypnosis and then she began discovering

1414

01:15:40,830 --> 01:15:38,200

you know that some of her patients had

1415

01:15:43,590 --> 01:15:40,840

had past life memories and those

1416

01:15:46,440 --> 01:15:43,600

memories were often very significant in

1417

01:15:50,400 --> 01:15:46,450

terms of their cure of various

1418

01:15:54,810 --> 01:15:50,410

conditions particularly phobias then she

1419

01:15:58,110 --> 01:15:54,820

got involved in the idea of possession

1420

01:16:00,600 --> 01:15:58,120

possession by deceased beings and all of

1421

01:16:04,560 --> 01:16:00,610

a sudden all of her patients began

1422

01:16:07,700 --> 01:16:04,570

having possession experiences and then

1423

01:16:10,530 --> 01:16:07,710

she got involved in the idea of alien

1424

01:16:12,870 --> 01:16:10,540

entities from other planets and once

1425

01:16:16,080 --> 01:16:12,880

again all of her patients kept producing

1426

01:16:19,320 --> 01:16:16,090

those symptoms and what what was her

1427

01:16:21,510 --> 01:16:19,330

conclusion that it was her I mean that's

1428

01:16:23,930 --> 01:16:21,520

what that's what I'm hearing you know

1429

01:16:27,260 --> 01:16:23,940

she was caught up in it she wrote

1430

01:16:30,250 --> 01:16:27,270

books each time she went through one of

1431

01:16:33,080 --> 01:16:30,260

these phases and the book sold well I

1432

01:16:36,620 --> 01:16:33,090

unfortunately at one point the state of

1433

01:16:39,830 --> 01:16:36,630

California took her license away because

1434

01:16:43,340 --> 01:16:39,840

of complaints but I I don't know that

1435

01:16:45,920 --> 01:16:43,350

she reached a conclusion she took each

1436

01:16:50,120 --> 01:16:45,930

through each phase that she went through

1437

01:16:52,729 --> 01:16:50,130

she took the statements made by her

1438

01:16:55,459 --> 01:16:52,739

patients under hypnosis said at face

1439

01:16:58,040 --> 01:16:55,469

value and I think it's a terrible

1440

01:17:00,770 --> 01:16:58,050

mistake to do that I think people who

1441

01:17:03,650 --> 01:17:00,780

practice hypnosis are often unaware of

1442

01:17:06,229 --> 01:17:03,660

the extraordinary influence that they

1443

01:17:08,840 --> 01:17:06,239

have over the people who are being

1444

01:17:14,540 --> 01:17:08,850

hypnotized by them it's it's a very

1445

01:17:17,180 --> 01:17:14,550

powerful tool and it's a it you you you

1446

01:17:19,430 --> 01:17:17,190

have a tremendous amount of power you

1447

01:17:22,610 --> 01:17:19,440

know when and when you acknowledge the

1448

01:17:24,860 --> 01:17:22,620

possibility of telepathic contact and

1449

01:17:29,360 --> 01:17:24,870

communication so even if the hypnotist

1450

01:17:32,090 --> 01:17:29,370

is being really careful not to verbally

1451

01:17:34,280 --> 01:17:32,100

let on you know what their hypothesis is

1452

01:17:36,860 --> 01:17:34,290

where they think things are going a

1453

01:17:41,120 --> 01:17:36,870

patient will pick up on it anyway and

1454

01:17:43,700 --> 01:17:41,130

and with the that part of it and I'm

1455

01:17:46,400 --> 01:17:43,710

talking about alien contact there are a

1456

01:17:50,140 --> 01:17:46,410

lot of there I know a lot of them

1457

01:17:53,030 --> 01:17:50,150

personally that are very very careful

1458

01:17:55,100 --> 01:17:53,040

that they feel that the only way to

1459

01:17:58,760 --> 01:17:55,110

professionally look at this is not to

1460

01:18:00,680 --> 01:17:58,770

suggest anything yeah and and they want

1461

01:18:02,420 --> 01:18:00,690

to have a witness there there's somebody

1462

01:18:07,370 --> 01:18:02,430

else in the room they're gonna videotape

1463

01:18:10,580 --> 01:18:07,380

there's no leading anything going on but

1464

01:18:14,140 --> 01:18:10,590

there are others out there that don't do

1465

01:18:17,300 --> 01:18:14,150

it that way and is it something that is

1466

01:18:19,729 --> 01:18:17,310

ultimately damaging the people that are

1467

01:18:23,180 --> 01:18:19,739

emotionally reaching out for these

1468

01:18:25,400 --> 01:18:23,190

answers right and and in the end it's

1469

01:18:28,670 --> 01:18:25,410

it's it's going to be worse than before

1470

01:18:31,360 --> 01:18:28,680

the session even happened well and as I

1471

01:18:36,129 --> 01:18:31,370

point out there's no way you can prevent

1472

01:18:38,200 --> 01:18:36,139

potential telepathic suggestions and

1473

01:18:41,470 --> 01:18:38,210

I'm looking at your don't have a block

1474

01:18:44,189 --> 01:18:41,480

right right and and then there's the

1475

01:18:48,310 --> 01:18:44,199

other part about removing blockages

1476

01:18:51,160 --> 01:18:48,320

right you go and and that is there's

1477

01:18:53,740 --> 01:18:51,170

something blocking this memory so we

1478

01:18:57,419 --> 01:18:53,750

need to remove what has been placed

1479

01:19:01,390 --> 01:18:57,429

there to block this memory is that

1480

01:19:05,320 --> 01:19:01,400

already leading a suggestion going into

1481

01:19:08,680 --> 01:19:05,330

this you know we talked earlier about

1482

01:19:11,140 --> 01:19:08,690

Terence Mckenna and one thing he used to

1483

01:19:13,260 --> 01:19:11,150

say about all of this which I tend to

1484

01:19:16,419 --> 01:19:13,270

think is right on is that we are so

1485

01:19:18,689 --> 01:19:16,429

alienated from ourselves that when we

1486

01:19:22,120 --> 01:19:18,699

have a deep encounter with our own

1487

01:19:24,280 --> 01:19:22,130

depths we think it's an alien being from

1488

01:19:25,740 --> 01:19:24,290

another planet there's nothing wrong

1489

01:19:28,660 --> 01:19:25,750

with that

1490

01:19:29,260 --> 01:19:28,670

fortunately there's there's nothing

1491

01:19:32,649 --> 01:19:29,270

wrong with that

1492

01:19:36,340 --> 01:19:32,659

and there's there's there's one other

1493

01:19:39,459 --> 01:19:36,350

thing that I'm always shocked

1494

01:19:41,830 --> 01:19:39,469

I'm completely conscious about is that

1495

01:19:44,950 --> 01:19:41,840

I've had my own strange experiences

1496

01:19:48,070 --> 01:19:44,960

right I've had things that I cannot

1497

01:19:51,879 --> 01:19:48,080

explain Jeffrey and when somebody wants

1498

01:19:55,590 --> 01:19:51,889

to share their experiences with me I I

1499

01:19:57,959 --> 01:19:55,600

have to listen because I have

1500

01:20:01,810 --> 01:19:57,969

experienced things that are completely

1501
01:20:04,810 --> 01:20:01,820
unbelievable and when I when I share

1502
01:20:06,939 --> 01:20:04,820
these experiences I'm asking everybody

1503
01:20:10,959 --> 01:20:06,949
else to believe what I am saying because

1504
01:20:13,750 --> 01:20:10,969
I think it's real right that it is part

1505
01:20:16,890 --> 01:20:13,760
of my reality and that's that it's

1506
01:20:24,129 --> 01:20:16,900
almost like I'm in a paradox position I

1507
01:20:27,760 --> 01:20:24,139
know the feeling you know and that's the

1508
01:20:30,370 --> 01:20:27,770
thing I can't I can't be or you you

1509
01:20:34,990 --> 01:20:30,380
can't be judging jury right we have to

1510
01:20:36,879 --> 01:20:35,000
listen yeah I because I realize that a

1511
01:20:39,790 --> 01:20:36,889
lot of people will come to me with

1512
01:20:42,220 --> 01:20:39,800
stories that I find unbelievable but so

1513
01:20:45,640 --> 01:20:42,230

I have my stories that other people find

1514

01:20:47,359 --> 01:20:45,650

um unbelievable as well yeah and we're

1515

01:20:49,220 --> 01:20:47,369

going to venture into that when we come

1516

01:20:51,979 --> 01:20:49,230

after the break fascinating conversation

1517

01:20:55,359 --> 01:20:51,989

tonight our guest is Geoffrey Mishlove

1518

01:20:58,399 --> 01:20:55,369

and again over at Jimmy Church radio.com

[Music]

1524

01:21:22,070 --> 01:21:20,630

welcome back pain to black homegirl

1525

01:21:23,720 --> 01:21:22,080

shimmy Church our guest tonight Jeffrey

1526

01:21:27,320 --> 01:21:23,730

Mitchell ah what a great conversation

1527

01:21:29,270 --> 01:21:27,330

tonight and this is what we're gonna do

1528

01:21:31,730 --> 01:21:29,280

next this is what we're gonna do next

1529

01:21:34,130 --> 01:21:31,740

Jeff I've got a bunch of questions that

1530

01:21:37,370 --> 01:21:34,140

have been sent in from the audience I

1531

01:21:40,880 --> 01:21:37,380

want to try to get some of these in but

1532

01:21:44,090 --> 01:21:40,890

I want to ask you this I made a decision

1533

01:21:47,300 --> 01:21:44,100

when I was very young I was at the age

1534

01:21:52,430 --> 01:21:47,310

of 22 where I read some inconsistencies

1535

01:21:54,080 --> 01:21:52,440

in religious upbringing that forced me

1536

01:21:56,240 --> 01:21:54,090

into questioning everything at that

1537

01:21:59,540 --> 01:21:56,250

point and I felt that I was lied to

1538

01:22:02,540 --> 01:21:59,550

and that my own spiritual path was going

1539

01:22:05,690 --> 01:22:02,550

to be my own and that I wasn't going to

1540

01:22:11,120 --> 01:22:05,700

listen to anybody else is that a safe

1541

01:22:14,410 --> 01:22:11,130

zone to go into yes yeah it's a it's a

1542

01:22:17,570 --> 01:22:14,420

very healthy safe to go and do in my

1543

01:22:21,470 --> 01:22:17,580

estimation it means that you're becoming

1544

01:22:25,670 --> 01:22:21,480

a free thinker and with that and that

1545

01:22:27,080 --> 01:22:25,680

wasn't a softball question this is

1546

01:22:31,870 --> 01:22:27,090

something that you have been discussing

1547

01:22:36,320 --> 01:22:31,880

and pursuing for a very long time and in

1548

01:22:38,660 --> 01:22:36,330

2019 spirituality and what it means may

1549

01:22:41,750 --> 01:22:38,670

not be the same as it was 10 years ago

1550

01:22:45,850 --> 01:22:41,760

or 20 years ago or 30 years ago has it

1551

01:22:48,350 --> 01:22:45,860

evolved well I would say that the

1552

01:22:51,110 --> 01:22:48,360

fastest-growing segment of our

1553

01:22:56,050 --> 01:22:51,120

population right now as best I can tell

1554

01:23:00,080 --> 01:22:56,060

are people who consider themselves

1555

01:23:02,810 --> 01:23:00,090

spiritual but not within an organized

1556

01:23:06,560 --> 01:23:02,820

religion but spiritual and secular at

1557

01:23:09,230 --> 01:23:06,570

the same time and and then we have you

1558

01:23:15,380 --> 01:23:09,240

know characters out there like Richard

1559

01:23:18,980 --> 01:23:15,390

Dawkins and the the staunch real atheist

1560

01:23:21,110 --> 01:23:18,990

right and and that these are you know

1561

01:23:24,470 --> 01:23:21,120

very educated you know in some cases a

1562

01:23:26,570 --> 01:23:24,480

physicists and scientists biologists and

1563

01:23:28,250 --> 01:23:26,580

they they look at the universe and they

1564

01:23:30,470 --> 01:23:28,260

go back you know what it's it's just

1565

01:23:32,270 --> 01:23:30,480

chemicals you know there's there's

1566

01:23:34,430 --> 01:23:32,280

nothing else to it

1567

01:23:37,250 --> 01:23:34,440

and it reminds me the old foxhole

1568

01:23:39,530 --> 01:23:37,260

mentality right well what's can happen

1569

01:23:42,950 --> 01:23:39,540

when one one of these guys faces death

1570

01:23:45,170 --> 01:23:42,960

are they suddenly spiritual right and

1571

01:23:49,300 --> 01:23:45,180

what are they gonna get when they see

1572

01:23:52,850 --> 01:23:49,310

the other side will they actually change

1573

01:23:54,950 --> 01:23:52,860

well there have been instances of that

1574

01:23:57,590 --> 01:23:54,960

there was a philosopher named Anthony

1575

01:24:00,830 --> 01:23:57,600

flue who was a very well-known atheist

1576

01:24:04,930 --> 01:24:00,840

and who toward the end of his life

1577

01:24:08,180 --> 01:24:04,940

changed his mind about it completely so

1578

01:24:11,630 --> 01:24:08,190

it certainly can happen anybody who has

1579

01:24:16,580 --> 01:24:11,640

had a near-death experience comes back

1580

01:24:21,110 --> 01:24:16,590

with a profound unshakable belief and in

1581

01:24:23,680 --> 01:24:21,120

survival after death and we have so many

1582

01:24:26,090 --> 01:24:23,690

unanswered questions and one of them is

1583

01:24:29,030 --> 01:24:26,100

not only life after death and what

1584

01:24:31,550 --> 01:24:29,040

happens are we alone in the universe why

1585

01:24:34,460 --> 01:24:31,560

are we here where are we going these are

1586

01:24:36,590 --> 01:24:34,470

profound questions but I think one of

1587

01:24:39,890 --> 01:24:36,600

the most fundamental ones is the

1588

01:24:42,880 --> 01:24:39,900

creation of the universe what do you

1589

01:24:47,360 --> 01:24:42,890

think ultimately is there was there a

1590

01:24:48,920 --> 01:24:47,370

supreme spiritual entity that created

1591

01:24:51,980 --> 01:24:48,930

everything that has created other

1592

01:24:57,470 --> 01:24:51,990

universes out there or that it was just

1593

01:25:00,590 --> 01:24:57,480

some accident with with chemistry well

1594

01:25:03,800 --> 01:25:00,600

I'm I'm kind of leaning towards the

1595

01:25:06,590 --> 01:25:03,810

hide-and-go-seek theory about the

1596

01:25:10,700 --> 01:25:06,600

creation of the universe that this that

1597

01:25:12,020 --> 01:25:10,710

maybe you created it Jimmy and but

1598

01:25:14,270 --> 01:25:12,030

you're playing a game of

1599

01:25:18,460 --> 01:25:14,280

hide-and-go-seek with yourself so that

1600

01:25:22,190 --> 01:25:18,470

you're pretending to be a human being on

1601
01:25:25,790 --> 01:25:22,200
planet earth and inside of a primate

1602
01:25:27,650 --> 01:25:25,800
body and in the game in order to make

1603
01:25:30,560 --> 01:25:27,660
the game really interesting you've

1604
01:25:32,810 --> 01:25:30,570
forgotten that you're the creator of the

1605
01:25:33,260 --> 01:25:32,820
whole game to begin with so that's the

1606
01:25:36,500 --> 01:25:33,270
answer

1607
01:25:39,590 --> 01:25:36,510
it was Jeffrey Mishlove that created the

1608
01:25:44,000 --> 01:25:39,600
universe really well played well played

1609
01:25:47,989 --> 01:25:44,010
well played what playing

1610
01:25:49,430 --> 01:25:47,999
well played and I want to get to some of

1611
01:25:52,370 --> 01:25:49,440
these questions really quick and then

1612
01:25:54,739 --> 01:25:52,380
I'm actually going to morph this into

1613
01:25:58,759 --> 01:25:54,749

time travel we're gonna get to that

1614

01:26:00,319 --> 01:25:58,769

before I let you go tonight but this

1615

01:26:02,989 --> 01:26:00,329

question comes in from Wendy and she

1616

01:26:06,379 --> 01:26:02,999

says I would love to know which guests

1617

01:26:11,060 --> 01:26:06,389

have most affected Jeffry personally and

1618

01:26:14,509 --> 01:26:11,070

in what way oh boy

1619

01:26:17,060 --> 01:26:14,519

yep that's a tough one because usually

1620

01:26:19,250 --> 01:26:17,070

the the guest that affects me the most

1621

01:26:21,739 --> 01:26:19,260

is the one I'm with at any given moment

1622

01:26:24,430 --> 01:26:21,749

right now you're the one who's affecting

1623

01:26:27,799 --> 01:26:24,440

me the most personally even even though

1624

01:26:34,930 --> 01:26:27,809

I'm not interviewing you but but as I

1625

01:26:40,509 --> 01:26:34,940

look back I say one of the most profound

1626

01:26:43,160 --> 01:26:40,519

guests that I've ever had was a

1627

01:26:45,379 --> 01:26:43,170

philosopher a psychologist named ralo

1628

01:26:50,390 --> 01:26:45,389

Mae a person with whom I had some

1629

01:26:52,850 --> 01:26:50,400

profound disagreements but I thought he

1630

01:26:57,049 --> 01:26:52,860

wrote about depression he you know who's

1631

01:26:59,089 --> 01:26:57,059

very famous psychologist and IRA's you

1632

01:27:02,689 --> 01:26:59,099

know I think he died about 20-30 years

1633

01:27:05,959 --> 01:27:02,699

ago but he he wrote about depression and

1634

01:27:09,830 --> 01:27:05,969

in such a powerful way that just reading

1635

01:27:12,890 --> 01:27:09,840

his book I began crying it broke into

1636

01:27:16,370 --> 01:27:12,900

tears when I finished his book because

1637

01:27:22,520 --> 01:27:16,380

it seemed as if he he he had written

1638

01:27:25,640 --> 01:27:22,530

about the importance of being depressed

1639

01:27:27,949 --> 01:27:25,650

that that that's a perspective when you

1640

01:27:32,060 --> 01:27:27,959

feel depressed you're getting in touch

1641

01:27:35,779 --> 01:27:32,070

with a kind of an aspect of reality that

1642

01:27:37,879 --> 01:27:35,789

most of us hide from it's it's the I

1643

01:27:39,830 --> 01:27:37,889

think that all of us and myself

1644

01:27:44,140 --> 01:27:39,840

personally would agree with that in that

1645

01:27:47,239 --> 01:27:44,150

when you go through a certain darkness

1646

01:27:53,060 --> 01:27:47,249

you always come out of the other side

1647

01:27:55,850 --> 01:27:53,070

sma'da you you you you you go somewhere

1648

01:27:57,780 --> 01:27:55,860

and it is about personal discovery but

1649

01:28:04,510 --> 01:27:57,790

you come out

1650

01:28:06,729 --> 01:28:04,520

you just got with it and it reminds me

1651

01:28:08,050 --> 01:28:06,739

actually of a guest I've recently

1652

01:28:09,879 --> 01:28:08,060

interviewed they haven't even been

1653

01:28:13,810 --> 01:28:09,889

released yet they won't be released

1654

01:28:17,200 --> 01:28:13,820

until next month but one of my oldest

1655

01:28:19,780 --> 01:28:17,210

friends I'm first met him in 1971 a

1656

01:28:22,750 --> 01:28:19,790

fellow named Daryl shoot he ended up

1657

01:28:26,169 --> 01:28:22,760

spending six years in prison for seven

1658

01:28:29,229 --> 01:28:26,179

years on a ten year sentence and he came

1659

01:28:32,080 --> 01:28:29,239

out of it you know I can have to say now

1660

01:28:34,629 --> 01:28:32,090

stronger and better than ever but I know

1661

01:28:40,120 --> 01:28:34,639

he suffered enormous Lee during that

1662

01:28:42,189 --> 01:28:40,130

period the this next question I hope you

1663

01:28:43,750 --> 01:28:42,199

understand it or you know what this is

1664

01:28:48,070 --> 01:28:43,760

about because it's pretty interesting

1665

01:28:51,030 --> 01:28:48,080

this is from a woke does Geoffrey

1666

01:28:54,760 --> 01:28:51,040

remember the 2018 psychotronics

1667

01:28:56,979 --> 01:28:54,770

conference middle of the power outage at

1668

01:28:59,350 --> 01:28:56,989

a hotel myself and other guests

1669

01:29:01,689 --> 01:28:59,360

experience paranormal activity including

1670

01:29:04,720 --> 01:29:01,699

strange sounds and visitors non-human

1671

01:29:09,939 --> 01:29:04,730

does he have any insight regarding that

1672

01:29:12,399 --> 01:29:09,949

night no I was at the conference if he's

1673

01:29:17,680 --> 01:29:12,409

talking about the one and it was in

1674

01:29:22,570 --> 01:29:17,690

Chicago as I recall but I don't recall

1675

01:29:26,200 --> 01:29:22,580

the power outage at all man so you were

1676

01:29:31,510 --> 01:29:26,210

there I was I was hoping this was gonna

1677

01:29:34,570 --> 01:29:31,520

go somewhere else that I wanted to also

1678

01:29:36,820 --> 01:29:34,580

get some telekinesis in and some

1679

01:29:41,620 --> 01:29:36,830

telepathy questions I want to try to

1680

01:29:45,310 --> 01:29:41,630

remember to get those in Sabrina wants

1681

01:29:57,339 --> 01:29:45,320

to know have you experienced channeling

1682

01:30:00,970 --> 01:29:57,349

of angels there's like three or four

1683

01:30:02,439 --> 01:30:00,980

questions from different from different

1684

01:30:06,510 --> 01:30:02,449

listeners right now that have all

1685

01:30:09,660 --> 01:30:06,520

brought up channeling have you channeled

1686

01:30:10,170 --> 01:30:09,670

and Indies do you think that this is

1687

01:30:15,570 --> 01:30:10,180

real

1688

01:30:18,060 --> 01:30:15,580

I have never channeled myself however I

1689

01:30:21,540 --> 01:30:18,070

have a very close friend who's a famous

1690

01:30:25,020 --> 01:30:21,550

channel Kevin Ryerson who was featured

1691

01:30:27,840 --> 01:30:25,030

in Shirley MacLaine's famous TV series

1692

01:30:30,270 --> 01:30:27,850

out on a limb and and in her book he was

1693

01:30:32,760 --> 01:30:30,280

one of the big inspirations behind the

1694

01:30:35,730 --> 01:30:32,770

major transformation that Shirley

1695

01:30:39,300 --> 01:30:35,740

MacLaine went through and Kevin has been

1696

01:30:42,240 --> 01:30:39,310

a dear friend of mine for decades I've

1697

01:30:45,020 --> 01:30:42,250

traveled with him to Egypt I've traveled

1698

01:30:49,890 --> 01:30:45,030

with him to Peru the man is absolutely

1699

01:30:52,560 --> 01:30:49,900

amazing now as a parapsychologist I

1700

01:30:54,960 --> 01:30:52,570

don't know whether the entities that

1701

01:31:00,270 --> 01:30:54,970

come through him when he's channeling

1702

01:31:04,640 --> 01:31:00,280

are real autonomous entities figures

1703

01:31:10,010 --> 01:31:04,650

from previous eras as they purport to be

1704

01:31:13,310 --> 01:31:10,020

but I can say that regardless the

1705

01:31:16,590 --> 01:31:13,320

information that comes through and the

1706

01:31:22,650 --> 01:31:16,600

impact that it has on people is very

1707

01:31:29,010 --> 01:31:22,660

very profound so I say that channeling

1708

01:31:31,620 --> 01:31:29,020

is definitely a phenomenon that deserves

1709

01:31:34,620 --> 01:31:31,630

to be taken seriously yeah what did you

1710

01:31:39,210 --> 01:31:34,630

make of Jane Roberts and and Seth speaks

1711

01:31:42,780 --> 01:31:39,220

I think Jane Roberts was a very talented

1712

01:31:47,280 --> 01:31:42,790

writer and that the material that comes

1713

01:31:51,990 --> 01:31:47,290

through in the Seth channellings has

1714

01:31:54,210 --> 01:31:52,000

been very inspirational for people at a

1715

01:31:58,400 --> 01:31:54,220

metaphysical level it seems to be

1716

01:32:04,410 --> 01:31:58,410

consistent and coherent and thoughtful

1717

01:32:08,670 --> 01:32:04,420

and it inspires me to think more deeply

1718

01:32:11,220 --> 01:32:08,680

about these things but whether Seth is a

1719

01:32:16,650 --> 01:32:11,230

real entity or just a figment of Jane

1720

01:32:19,440 --> 01:32:16,660

Roberts mind I I have no idea and some

1721

01:32:20,210 --> 01:32:19,450

quick questions before I do want to get

1722

01:32:26,270 --> 01:32:20,220

to telecommute

1723

01:32:29,040 --> 01:32:26,280

and time travel but what about astronomy

1724

01:32:33,000 --> 01:32:29,050

astronomers and and looking to the stars

1725

01:32:36,180 --> 01:32:33,010

for answers I love astronomy I have a

1726

01:32:38,640 --> 01:32:36,190

telescope I spend as much time as I can

1727

01:32:44,030 --> 01:32:38,650

outdoors at night looking up into the

1728

01:32:46,680 --> 01:32:44,040

sky with telescope binoculars naked-eye

1729

01:32:49,110 --> 01:32:46,690

ever since I've been a child I've been

1730

01:32:52,860 --> 01:32:49,120

fascinated by astronomy I think it's a

1731

01:32:54,780 --> 01:32:52,870

wonderful science one of the things that

1732

01:32:59,400 --> 01:32:54,790

fascinates me the most with astronomy

1733

01:33:00,930 --> 01:32:59,410

today is that we've all like you just

1734

01:33:03,360 --> 01:33:00,940

said right we've all looked to the stars

1735

01:33:06,390 --> 01:33:03,370

since we were kids you just walk outside

1736

01:33:10,080 --> 01:33:06,400

at night you you look up that's what we

1737

01:33:12,450 --> 01:33:10,090

all do but that every single star now

1738

01:33:16,140 --> 01:33:12,460

every single one in the night sky that

1739

01:33:18,060 --> 01:33:16,150

you can see has a planet that's pretty

1740

01:33:21,750 --> 01:33:18,070

nuts isn't it I mean isn't that just

1741

01:33:24,650 --> 01:33:21,760

mind-blowing I imagine there might be

1742

01:33:27,450 --> 01:33:24,660

some stars that don't have planets but

1743

01:33:30,300 --> 01:33:27,460

it is mind-blowing when you think about

1744

01:33:33,960 --> 01:33:30,310

the vastness of the universe and I think

1745

01:33:37,170 --> 01:33:33,970

about that a lot because it seems to me

1746

01:33:40,050 --> 01:33:37,180

that in in some ways the human body with

1747

01:33:43,680 --> 01:33:40,060

its trillions of cells is like a whole

1748

01:33:48,020 --> 01:33:43,690

universe and that I sometimes think that

1749

01:33:51,090 --> 01:33:48,030

if I were God aware of all the planets

1750

01:33:53,790 --> 01:33:51,100

simultaneously what would that be like

1751
01:33:55,950 --> 01:33:53,800
would it be the same as being human and

1752
01:33:59,340 --> 01:33:55,960
and being aware of all the cells in your

1753
01:34:02,910 --> 01:33:59,350
body at one time some of your new shows

1754
01:34:05,030 --> 01:34:02,920
in the new version of thinking aloud

1755
01:34:09,210 --> 01:34:05,040
which is called new thinking allowed

1756
01:34:14,490 --> 01:34:09,220
you're you've dipped your toes into time

1757
01:34:16,770 --> 01:34:14,500
travel and is this because you're

1758
01:34:21,690 --> 01:34:16,780
fascinated with it or do you believe

1759
01:34:25,410 --> 01:34:21,700
that time travel is is a reality well I

1760
01:34:28,490 --> 01:34:25,420
I certainly know that precognition is is

1761
01:34:30,690 --> 01:34:28,500
a reality there the scientific data that

1762
01:34:33,070 --> 01:34:30,700
parapsychologists have accumulated about

1763
01:34:36,750 --> 01:34:33,080

our ability to know

1764

01:34:42,120 --> 01:34:36,760

events in the future is very strong and

1765

01:34:48,520 --> 01:34:42,130

I've experienced myself and witnessed it

1766

01:34:50,830 --> 01:34:48,530

numerous occasions so time travel though

1767

01:34:54,190 --> 01:34:50,840

can we actually like in the HD Welles

1768

01:34:57,880 --> 01:34:54,200

movie travel back and forth in in time I

1769

01:35:03,700 --> 01:34:57,890

think it's a fascinating idea I have no

1770

01:35:05,050 --> 01:35:03,710

reason to think that it's possible and I

1771

01:35:08,770 --> 01:35:05,060

have no reason to think it's not

1772

01:35:10,990 --> 01:35:08,780

possible actually in terms of some sort

1773

01:35:14,320 --> 01:35:11,000

of a physical machine that could travel

1774

01:35:18,459 --> 01:35:14,330

through time well how do we how do we

1775

01:35:21,550 --> 01:35:18,469

resolve Precog and and deja vu

1776

01:35:24,850 --> 01:35:21,560

right there there's no way to know the

1777

01:35:28,780 --> 01:35:24,860

future unless something else is going on

1778

01:35:31,750 --> 01:35:28,790

with this reality and it would certainly

1779

01:35:33,970 --> 01:35:31,760

suggest that somebody has read your book

1780

01:35:36,070 --> 01:35:33,980

of the future and has given you that

1781

01:35:39,130 --> 01:35:36,080

information right whether it is through

1782

01:35:42,070 --> 01:35:39,140

dreams or visions or or deja vu for

1783

01:35:44,530 --> 01:35:42,080

instance yeah parapsychologists have

1784

01:35:47,260 --> 01:35:44,540

different theories some people talk

1785

01:35:50,860 --> 01:35:47,270

about information traveling backwards

1786

01:35:55,030 --> 01:35:50,870

through time retro causation which is a

1787

01:35:58,450 --> 01:35:55,040

hot topic now and in physics others talk

1788

01:36:00,970 --> 01:35:58,460

about what they call the block universe

1789

01:36:04,600 --> 01:36:00,980

which is an idea that actually comes out

1790

01:36:07,420 --> 01:36:04,610

of Einstein that actually all time

1791

01:36:10,020 --> 01:36:07,430

exists already past present and future

1792

01:36:13,959 --> 01:36:10,030

but we we don't see it because we're

1793

01:36:16,390 --> 01:36:13,969

like traveling down the river of time

1794

01:36:21,160 --> 01:36:16,400

but if we were up in the air we'd see

1795

01:36:23,380 --> 01:36:21,170

the whole river so to speak and that's

1796

01:36:26,110 --> 01:36:23,390

another way of thinking about time other

1797

01:36:29,860 --> 01:36:26,120

people suggest that time doesn't exist

1798

01:36:32,470 --> 01:36:29,870

at all that it's it's secondary that all

1799

01:36:36,190 --> 01:36:32,480

that really exists is matter and energy

1800

01:36:38,910 --> 01:36:36,200

and consciousness and the movement of

1801

01:36:41,250 --> 01:36:38,920

matter creates the illusion

1802

01:36:46,830 --> 01:36:41,260

of time but where there's only the

1803

01:36:49,500 --> 01:36:46,840

present moment really so I I think you

1804

01:36:51,270 --> 01:36:49,510

know these are big questions and and

1805

01:36:52,980 --> 01:36:51,280

there are dozens and dozens of big

1806

01:36:55,530 --> 01:36:52,990

questions like this that are just

1807

01:36:58,710 --> 01:36:55,540

unsettled and the best we can do right

1808

01:37:01,260 --> 01:36:58,720

now is is sort of collect the different

1809

01:37:03,870 --> 01:37:01,270

theories and and weigh and balance them

1810

01:37:05,880 --> 01:37:03,880

against each other and against the

1811

01:37:08,070 --> 01:37:05,890

evidence that we have it may take

1812

01:37:12,720 --> 01:37:08,080

centuries to resolve some of these

1813

01:37:17,360 --> 01:37:12,730

questions but if we if we respond to a

1814

01:37:21,330 --> 01:37:17,370

Precog are we then changing the future

1815

01:37:24,300 --> 01:37:21,340

but yet the future was just given to us

1816

01:37:26,100 --> 01:37:24,310

and that Precog and that would then

1817

01:37:29,160 --> 01:37:26,110

create a paradox and it would be

1818

01:37:32,330 --> 01:37:29,170

impossible to do right well there's a

1819

01:37:35,910 --> 01:37:32,340

classic case in the literature of

1820

01:37:39,960 --> 01:37:35,920

parapsychology of a woman who had a

1821

01:37:43,500 --> 01:37:39,970

dream that the chandelier in the room

1822

01:37:47,280 --> 01:37:43,510

where her baby's crib was was gonna fall

1823

01:37:48,840 --> 01:37:47,290

and land on the baby so she got up in

1824

01:37:53,010 --> 01:37:48,850

the middle of the night and moved the

1825

01:37:55,230 --> 01:37:53,020

crib and then the chandelier fell as she

1826

01:37:59,520 --> 01:37:55,240

had dreamt but it didn't land on the

1827

01:38:05,520 --> 01:37:59,530

baby it does suggest that pre cognitions

1828

01:38:07,680 --> 01:38:05,530

can be used to change the future so the

1829

01:38:12,120 --> 01:38:07,690

world didn't end then a black hole

1830

01:38:14,910 --> 01:38:12,130

wasn't created right and and now is

1831

01:38:21,060 --> 01:38:14,920

Precog in deja vu are these the same

1832

01:38:23,010 --> 01:38:21,070

things certainly some deja Vu's could be

1833

01:38:25,800 --> 01:38:23,020

explained that way yes but I

1834

01:38:29,490 --> 01:38:25,810

I think deja vu is a larger topic there

1835

01:38:31,860 --> 01:38:29,500

I did an interview with an expert on

1836

01:38:35,370 --> 01:38:31,870

deja vu Vernon nepi who talked about

1837

01:38:37,890 --> 01:38:35,380

five different kinds of deja vu and only

1838

01:38:42,710 --> 01:38:37,900

one of them was related to precognition

1839

01:38:47,670 --> 01:38:42,720

well I I have I haven't had Precog

1840

01:38:49,770 --> 01:38:47,680

Precog right I haven't but deja vu there

1841

01:38:52,620 --> 01:38:49,780

was a period in my life where that was

1842

01:38:55,350 --> 01:38:52,630

happening like multiple times a day

1843

01:39:00,209 --> 01:38:55,360

and some of them were very long and I

1844

01:39:02,790 --> 01:39:00,219

started to enjoy it where I would just

1845

01:39:05,399 --> 01:39:02,800

freeze it okay here we go all right I

1846

01:39:09,050 --> 01:39:05,409

know what's you know I know what's this

1847

01:39:11,939 --> 01:39:09,060

is strange it hasn't happened lately and

1848

01:39:14,399 --> 01:39:11,949

and I'm kind of missing the deja vu

1849

01:39:18,180 --> 01:39:14,409

experience ultimately what do you what

1850

01:39:20,370 --> 01:39:18,190

do you think deja vu is well as I said

1851

01:39:23,459 --> 01:39:20,380

it could be five different kinds of deja

1852

01:39:25,439 --> 01:39:23,469

vu I remember when I was in graduate

1853

01:39:27,540 --> 01:39:25,449

school there was a professor of

1854

01:39:30,209 --> 01:39:27,550

psychology who said that what's really

1855

01:39:35,640 --> 01:39:30,219

going on is there's a certain loop in

1856

01:39:38,669 --> 01:39:35,650

your brain that occurs so so when you

1857

01:39:40,680 --> 01:39:38,679

think you've experienced an event before

1858

01:39:42,840 --> 01:39:40,690

that you're living through now it's

1859

01:39:45,180 --> 01:39:42,850

because you did experience it like a

1860

01:39:48,450 --> 01:39:45,190

moment before and it's circulating in

1861

01:39:52,399 --> 01:39:48,460

your brain to make you have that feeling

1862

01:39:54,660 --> 01:39:52,409

of deja vu so that would be one

1863

01:39:57,810 --> 01:39:54,670

potential explanation another

1864

01:39:59,879 --> 01:39:57,820

explanation is that it's something

1865

01:40:02,459 --> 01:39:59,889

that reminds you of a dream other

1866

01:40:04,800 --> 01:40:02,469

people's would say no it's a past life

1867

01:40:06,450 --> 01:40:04,810

that you're getting in touch with and

1868

01:40:10,919 --> 01:40:06,460

then as you point out there's the

1869

01:40:14,340 --> 01:40:10,929

question of precognition I had a strong

1870

01:40:16,410 --> 01:40:14,350

experience of that on one occasion I was

1871

01:40:20,250 --> 01:40:16,420

visiting a place I had never been before

1872

01:40:24,030 --> 01:40:20,260

and the island of coast off the coast of

1873

01:40:25,740 --> 01:40:24,040

Turkey and it's a Greek island but it's

1874

01:40:28,950 --> 01:40:25,750

off the coast of Turkey there's an

1875

01:40:32,129 --> 01:40:28,960

ancient temple there called an escapee

1876
01:40:34,379 --> 01:40:32,139
on a sleep temple a healing temple that

1877
01:40:39,149 --> 01:40:34,389
where Hippocrates got his training and

1878
01:40:43,020 --> 01:40:39,159
when I was there I knew instantly that I

1879
01:40:46,530 --> 01:40:43,030
had been there that there was a trail a

1880
01:40:49,169 --> 01:40:46,540
path that went up into the hills behind

1881
01:40:51,840 --> 01:40:49,179
the temple and and so I walked back

1882
01:40:57,330 --> 01:40:51,850
there and found the path just as I knew

1883
01:41:00,629 --> 01:40:57,340
it was going to be so I have to think

1884
01:41:06,140 --> 01:41:00,639
that past lives could certainly account

1885
01:41:10,530 --> 01:41:08,790
that because it was you know we're

1886
01:41:14,370 --> 01:41:10,540
talking about another country right it's

1887
01:41:18,419 --> 01:41:14,380
in the Mediterranean never right this is

1888
01:41:20,580 --> 01:41:18,429

not something that skeptics would say

1889

01:41:22,379 --> 01:41:20,590

that it was just an experience that you

1890

01:41:25,260 --> 01:41:22,389

had in the past and you're relating that

1891

01:41:27,180 --> 01:41:25,270

to that but we're talking about foreign

1892

01:41:30,419 --> 01:41:27,190

soil here and that kind of removes that

1893

01:41:34,040 --> 01:41:30,429

argument I would think well skeptics

1894

01:41:37,709 --> 01:41:34,050

will stick to their guns anyway but yeah

1895

01:41:41,840 --> 01:41:37,719

yeah I mean I'm you know I don't have

1896

01:41:44,010 --> 01:41:41,850

any specific memories of that location

1897

01:41:48,120 --> 01:41:44,020

although I did have a hypnotic

1898

01:41:51,240 --> 01:41:48,130

regression on now that I think about it

1899

01:41:56,490 --> 01:41:51,250

the let's let's get to telekinesis

1900

01:42:00,870 --> 01:41:56,500

really quick and the I like Dean

1901

01:42:04,910 --> 01:42:00,880

Raiden's explanation or possibility or

1902

01:42:09,290 --> 01:42:04,920

his theory about what is going on there

1903

01:42:12,720 --> 01:42:09,300

we have so many different examples of it

1904

01:42:15,450 --> 01:42:12,730

some of it I think is like sleight of

1905

01:42:17,370 --> 01:42:15,460

hand or parlor tricks but then there's

1906

01:42:18,959 --> 01:42:17,380

the other part of it that there was

1907

01:42:21,660 --> 01:42:18,969

something going on at the atomic level

1908

01:42:25,530 --> 01:42:21,670

and that there there was real change

1909

01:42:29,040 --> 01:42:25,540

happening is is telekinesis is something

1910

01:42:31,830 --> 01:42:29,050

that we need to take serious yeah I have

1911

01:42:35,129 --> 01:42:31,840

published a book about it the PK man I

1912

01:42:38,310 --> 01:42:35,139

mentioned Ted Owens who I studied for 10

1913

01:42:41,010 --> 01:42:38,320

years he called himself the PK man TK

1914

01:42:44,220 --> 01:42:41,020

for psychokinesis which is just another

1915

01:42:47,340 --> 01:42:44,230

word for telekinesis he felt that it's

1916

01:42:50,250 --> 01:42:47,350

just as easy for a person who has this

1917

01:42:54,209 --> 01:42:50,260

ability to influence large scale events

1918

01:42:58,530 --> 01:42:54,219

like hurricanes tornadoes heat spells

1919

01:43:01,649 --> 01:42:58,540

ending droughts massive power blackouts

1920

01:43:05,399 --> 01:43:01,659

and the like and athletic events as it

1921

01:43:08,840 --> 01:43:05,409

is to what has been demonstrated now in

1922

01:43:12,990 --> 01:43:08,850

the laboratory to influence as tiny

1923

01:43:14,469 --> 01:43:13,000

systems even microscopic systems at

1924

01:43:19,120 --> 01:43:14,479

times

1925

01:43:22,390 --> 01:43:19,130

for you when if you were to have to

1926

01:43:24,939 --> 01:43:22,400

present some evidence and and you were

1927

01:43:29,279 --> 01:43:24,949

gonna push that evidence across the

1928

01:43:31,509 --> 01:43:29,289

table as the best laboratory proof of

1929

01:43:36,430 --> 01:43:31,519

telekinesis and the reality what would

1930

01:43:38,709 --> 01:43:36,440

that be well I'll give you one that

1931

01:43:42,310 --> 01:43:38,719

comes right to the top of my head

1932

01:43:44,529 --> 01:43:42,320

it was Ingo Swann a very famous psychic

1933

01:43:47,500 --> 01:43:44,539

did some studies in New York with

1934

01:43:50,560 --> 01:43:47,510

Gertrude smiler and it was very simple

1935

01:43:53,529 --> 01:43:50,570

she took ice water inside of a thermos

1936

01:43:55,120 --> 01:43:53,539

bottle and it had a thermistor attached

1937

01:43:58,120 --> 01:43:55,130

to it so she could measure the

1938

01:44:00,209 --> 01:43:58,130

temperature and because ice water is

1939

01:44:03,819 --> 01:44:00,219

pretty stable

1940

01:44:07,959 --> 01:44:03,829

you know Isis water freezes at 32

1941

01:44:10,270 --> 01:44:07,969

degrees so when you have ice in the

1942

01:44:13,870 --> 01:44:10,280

water it's very close to that and she

1943

01:44:17,169 --> 01:44:13,880

asked him to use his telekinetic

1944

01:44:21,129 --> 01:44:17,179

abilities to influence the temperature

1945

01:44:24,489 --> 01:44:21,139

inside the thermos bottle and he he was

1946

01:44:28,359 --> 01:44:24,499

able to do it very dramatically so

1947

01:44:32,169 --> 01:44:28,369

that's a simple example of a experiment

1948

01:44:35,049 --> 01:44:32,179

and in telekinesis or psychokinesis that

1949

01:44:36,969 --> 01:44:35,059

produce good results I want to thank you

1950

01:44:39,580 --> 01:44:36,979

not only for this conversation tonight

1951

01:44:41,500 --> 01:44:39,590

but everything that you have done for

1952

01:44:43,270 --> 01:44:41,510

this community over the years it's just

1953

01:44:45,969 --> 01:44:43,280

a tremendous body of work and your

1954

01:44:47,680 --> 01:44:45,979

influence on me personally as been

1955

01:44:51,819 --> 01:44:47,690

profound and I want to thank you for

1956

01:44:55,390 --> 01:44:51,829

this conversation tonight when new

1957

01:44:58,629 --> 01:44:55,400

thinking aloud is released how often do

1958

01:45:01,719 --> 01:44:58,639

you do it every Monday Wednesday and

1959

01:45:06,339 --> 01:45:01,729

Friday you're doing it right three three

1960

01:45:08,439 --> 01:45:06,349

days a week yeah and okay so Monday

1961

01:45:13,209 --> 01:45:08,449

Wednesday Friday is when the release has

1962

01:45:16,330 --> 01:45:13,219

happened so this Monday a new release

1963

01:45:19,479 --> 01:45:16,340

this Friday some a new episode is

1964

01:45:22,169 --> 01:45:19,489

released yet tomorrow morning at 1:00

1965

01:45:24,910 --> 01:45:22,179

a.m. Pacific time I'm releasing a

1966

01:45:28,310 --> 01:45:24,920

fascinating interview with a healer

1967

01:45:31,040 --> 01:45:28,320

named Joyce Hawkes who was also a

1968

01:45:35,030 --> 01:45:31,050

cellular biologist work with the

1969

01:45:37,760 --> 01:45:35,040

electron microscope looking into the

1970

01:45:40,310 --> 01:45:37,770

interior of cells and then she became a

1971

01:45:42,410 --> 01:45:40,320

spiritual healer and talks about how

1972

01:45:46,910 --> 01:45:42,420

healing works at the cellular level

1973

01:45:49,819 --> 01:45:46,920

where do you guys tape at I have a video

1974

01:45:51,979 --> 01:45:49,829

studio now here in my house in

1975

01:45:53,419 --> 01:45:51,989

Albuquerque no I got to I got to I

1976

01:45:55,839 --> 01:45:53,429

thought you were still up in San

1977

01:45:58,939 --> 01:45:55,849

Francisco I didn't realize you were now

1978

01:46:02,750 --> 01:45:58,949

no I moved from San Francisco from the

1979

01:46:06,680 --> 01:46:02,760

Bay Area to Las Vegas in 2001 and then

1980

01:46:09,350 --> 01:46:06,690

from Las Vegas to Albuquerque in 2018

1981

01:46:10,729 --> 01:46:09,360

thank you so much Jeffrey and I look

1982

01:46:13,040 --> 01:46:10,739
