1
00:00:17,660 --> 00:00:09,660

[Music]

2
00:00:21,470 --> 00:00:17,670

this hope radio for the masses headliner

3
00:00:23,630 --> 00:00:21,480

between July 8 1947 the Army Air Force

4
00:00:25,550 --> 00:00:23,640

has announced on applying there has been

5
00:00:28,489 --> 00:00:25,560

found and is now in the possession of

6
00:00:32,210 --> 00:00:28,499

the army the game is rigged change the

7
00:00:35,090 --> 00:00:32,220

game game changer I occasionally think

8
00:00:39,049 --> 00:00:35,100

how quickly our differences worldwide

9
00:00:41,970 --> 00:00:39,059

would vanish if we were facing an alien

10
00:00:43,910 --> 00:00:41,980

threat from outside this way

11
00:00:46,389 --> 00:00:43,920

[Music]

12
00:00:49,150 --> 00:00:46,399

[Applause]

13
00:00:52,090 --> 00:00:49,160

this is fade to black with your host

14

00:00:54,189 --> 00:00:52,100

Jimmy Church on the game changer radio

15

00:00:59,160 --> 00:00:54,199

network and kgraney

16

00:01:08,030 --> 00:01:04,280

I need your help to get to the year 1985

17

00:01:10,160 --> 00:01:08,040

[Music]

18

00:01:12,320 --> 00:01:10,170

you are listening to fade to black with

19

00:01:13,110 --> 00:01:12,330

Jimmy judge only Game Change in that

20

00:01:18,010 --> 00:01:13,120

word

21

00:01:25,770 --> 00:01:18,020

[Music]

22

00:01:25,780 --> 00:01:32,929

the spoke radio for

23

00:01:32,939 --> 00:01:37,570

matt says

24

00:01:44,530 --> 00:01:40,990

how you do and how do you do it today's

25

00:01:46,030 --> 00:01:44,540

Tuesday November 19th 2019 three hundred

26
00:01:51,190 --> 00:01:46,040
and twenty three days into the new year

27
00:01:52,450 --> 00:01:51,200
just 42 days left we are live from a

28
00:01:56,220 --> 00:01:52,460
bunker somewhere in the middle of

29
00:02:01,080 --> 00:01:58,510
and I would like to welcome everybody

30
00:02:04,630 --> 00:02:01,090
listening all around the world all

31
00:02:06,899 --> 00:02:04,640
across the United States

32
00:02:09,300 --> 00:02:06,909
[Music]

33
00:02:11,940 --> 00:02:09,310
hither and thither to and fro back and

34
00:02:17,990 --> 00:02:11,950
forth up and down east and west north

35
00:02:21,180 --> 00:02:18,000
and south far and near

36
00:02:23,550 --> 00:02:21,190
this is fade to black for KJ CR the game

37
00:02:26,930 --> 00:02:23,560
changer Network and K GRA the planet I

38
00:02:38,820 --> 00:02:29,309

what is crack and everybody how you

39

00:02:41,789 --> 00:02:38,830

doing all right this is night two of our

40

00:02:43,589 --> 00:02:41,799

open lines week here on fade to black

41

00:02:44,910 --> 00:02:43,599

four straight nights of your calls and

42

00:02:49,289 --> 00:02:44,920

questions with some of the best and

43

00:02:54,050 --> 00:02:49,299

brightest minds of our community tonight

44

00:02:58,530 --> 00:02:54,060

we welcome Travis Walton tomorrow night

45

00:03:04,920 --> 00:02:58,540

Whitney's stre burr right here Thursday

46

00:03:07,770 --> 00:03:04,930

night Richard Dolan that's a week that's

47

00:03:09,330 --> 00:03:07,780

a full week right there Travis Walton is

48

00:03:14,870 --> 00:03:09,340

back with us tonight very excited about

49

00:03:20,360 --> 00:03:18,710

okay welcome back fade to black I'm your

50

00:03:23,810 --> 00:03:20,370

host Jimmy Church you can follow me on

51
00:03:26,360 --> 00:03:23,820
twitter at JD o hashtag f2 B is the

52
00:03:29,180 --> 00:03:26,370
sandbox who can engage right there any

53
00:03:31,760 --> 00:03:29,190
questions or comments hashtag f2 b q on

54
00:03:34,010 --> 00:03:31,770
twitter email is jimmy at jimmy turns

55
00:03:37,820 --> 00:03:34,020
radio calm got to chat rooms open when

56
00:03:40,580 --> 00:03:37,830
it's Spreaker one over at kg ra the

57
00:03:42,140 --> 00:03:40,590
planet this is night two of our open

58
00:03:43,430 --> 00:03:42,150
lines week here on fade to black for

59
00:03:46,160 --> 00:03:43,440
straight nights of your calls and

60
00:03:48,260 --> 00:03:46,170
questions some of the best and brightest

61
00:03:52,700 --> 00:03:48,270
minds of our community tonight Travis

62
00:03:56,780 --> 00:03:52,710
Walton Travis Travis Waltons life

63
00:03:58,220 --> 00:03:56,790

changed on November 5th 1975 while

64

00:04:00,530 --> 00:03:58,230

working with the logging crew in the

65

00:04:02,810 --> 00:04:00,540

apache-sitgreaves National Forest in

66

00:04:04,910 --> 00:04:02,820

Arizona the Walton case received

67

00:04:06,920 --> 00:04:04,920

mainstream publicity and remains one of

68

00:04:09,500 --> 00:04:06,930

the best-known instances of alien

69

00:04:11,960 --> 00:04:09,510

abduction it is one of the very few

70

00:04:13,940 --> 00:04:11,970

alien abduction cases with cooperative

71

00:04:16,970 --> 00:04:13,950

witnesses and one of the few abduction

72

00:04:19,280 --> 00:04:16,980

cases where the entire time allegedly

73

00:04:22,580 --> 00:04:19,290

spent in the custody of aliens plays a

74

00:04:25,970 --> 00:04:22,590

rather minor role in the overall account

75

00:04:29,020 --> 00:04:25,980

what has Travis learned over the last 45

76

00:04:32,690 --> 00:04:29,030

years and what are his opinions about

77

00:04:35,810 --> 00:04:32,700

UFOs our government ET our community

78

00:04:37,760 --> 00:04:35,820

abduction all of this tonight we're

79

00:04:39,380 --> 00:04:37,770

gonna get those answers in much more and

80

00:04:39,860 --> 00:04:39,390

I would like to welcome back to fade to

81

00:04:42,110 --> 00:04:39,870

black

82

00:04:46,100 --> 00:04:42,120

Travis Walton Travis good evening man

83

00:04:48,290 --> 00:04:46,110

how are you I'm fine it's great to hear

84

00:04:49,460 --> 00:04:48,300

your voice I you know I had to say that

85

00:04:52,820 --> 00:04:49,470

it's just great to hear your voice

86

00:04:55,300 --> 00:04:52,830

everything good out there yeah well it

87

00:04:57,500 --> 00:04:55,310

started raining today but that's okay

88

00:05:01,130 --> 00:04:57,510

gotta have a little water now and then

89

00:05:04,160 --> 00:05:01,140

to sent some of it our way

90

00:05:06,290 --> 00:05:04,170

you know here's other California you

91

00:05:09,410 --> 00:05:06,300

know everything is on fire right now and

92

00:05:13,100 --> 00:05:09,420

the one that the one thing right if we

93

00:05:14,990 --> 00:05:13,110

needed chemtrails if we needed if we

94

00:05:17,270 --> 00:05:15,000

needed some weather manipulation we need

95

00:05:21,250 --> 00:05:17,280

some rain right now so send it our way

96

00:05:23,510 --> 00:05:21,260

we can always use it but that being said

97

00:05:25,790 --> 00:05:23,520

we're heading into the holidays is

98

00:05:27,620 --> 00:05:25,800

starting to you know starting to chill

99

00:05:28,290 --> 00:05:27,630

out a little bit is it getting cooler

100

00:05:31,860 --> 00:05:28,300

out there

101

00:05:36,120 --> 00:05:31,870

oh yeah quite a dramatic temperature

102

00:05:38,940 --> 00:05:36,130

drop its was up in the 70s and is going

103

00:05:40,920 --> 00:05:38,950

down into the 40s that's definitely a

104

00:05:43,020 --> 00:05:40,930

sign that this not always coming yeah

105

00:05:44,700 --> 00:05:43,030

you guys and where you're at even though

106

00:05:47,130 --> 00:05:44,710

it's you know it's snowflake and it's

107

00:05:51,720 --> 00:05:47,140

Arizona are you guys you guys get

108

00:05:54,060 --> 00:05:51,730

seasons don't you yes we do and I just

109

00:05:56,100 --> 00:05:54,070

have to know when you guys get snow how

110

00:06:00,450 --> 00:05:56,110

much do you get I mean do you get

111

00:06:05,010 --> 00:06:00,460

snowman material yeah yeah we have we

112

00:06:08,640 --> 00:06:05,020

get enough snow to make us snowman or

113

00:06:10,680 --> 00:06:08,650

snow angels or or toboggan runs or that

114

00:06:12,980 --> 00:06:10,690

kind of stuff but yeah you know it's not

115

00:06:15,780 --> 00:06:12,990

not the whole winter but definitely

116

00:06:17,490 --> 00:06:15,790

sometimes you know it'll snow and it'll

117

00:06:19,980 --> 00:06:17,500

be gone in a couple of days you know it

118

00:06:23,370 --> 00:06:19,990

just doesn't hang in as much as some

119

00:06:27,870 --> 00:06:23,380

places now I'm gonna jump straight into

120

00:06:30,000 --> 00:06:27,880

it and Travis because now we we get a

121

00:06:33,420 --> 00:06:30,010

chance to hang out at conferences all

122

00:06:35,160 --> 00:06:33,430

year long and and our conversations are

123

00:06:39,540 --> 00:06:35,170

always fun and it's great to hang out

124

00:06:41,220 --> 00:06:39,550

but and we do it so often you probably

125

00:06:44,210 --> 00:06:41,230

forget some of the conversations we've

126
00:06:47,040 --> 00:06:44,220
had over the years but this past year at

127
00:06:51,300 --> 00:06:47,050
the MUFON symposium which was held here

128
00:06:55,640 --> 00:06:51,310
in Los Angeles we had the opportunity to

129
00:06:58,950 --> 00:06:55,650
sit down with a group of our friends in

130
00:07:02,190 --> 00:06:58,960
and at the restaurant and we sat and we

131
00:07:05,790 --> 00:07:02,200
talked and and it was this that struck

132
00:07:07,410 --> 00:07:05,800
me about our conversation which which

133
00:07:11,580 --> 00:07:07,420
you know I don't know if you remember

134
00:07:14,880 --> 00:07:11,590
but nonetheless you opened up and I

135
00:07:17,280 --> 00:07:14,890
forget the question that I asked I don't

136
00:07:21,990 --> 00:07:17,290
remember exactly what it was but you

137
00:07:24,780 --> 00:07:22,000
immediately opened up and were very

138
00:07:26,820 --> 00:07:24,790

passionate on subjects that not only

139

00:07:30,720 --> 00:07:26,830

myself but everybody at the table had

140

00:07:33,000 --> 00:07:30,730

never heard you discuss before and it

141

00:07:36,450 --> 00:07:33,010

got to the point where I almost couldn't

142

00:07:38,519 --> 00:07:36,460

stop you so I asked more questions that

143

00:07:42,059 --> 00:07:38,529

thought devised though

144

00:07:47,399 --> 00:07:42,069

this is something that the people need

145

00:07:50,700 --> 00:07:47,409

to hear from you and so by setting this

146

00:07:53,519 --> 00:07:50,710

up in that way do you feel that you've

147

00:07:56,189 --> 00:07:53,529

never really had the chance or the forum

148

00:07:58,589 --> 00:07:56,199

to to just be yourself and discuss

149

00:08:00,629 --> 00:07:58,599

things that you may have very valid

150

00:08:03,959 --> 00:08:00,639

opinions not completely you know I've

151

00:08:05,939 --> 00:08:03,969

really tried to just the facts just the

152

00:08:08,189 --> 00:08:05,949

facts sir you know right and you know

153

00:08:09,899 --> 00:08:08,199

stick with things that I can prove and

154

00:08:12,119 --> 00:08:09,909

there's even some really interesting

155

00:08:14,399 --> 00:08:12,129

things that have happened that I don't

156

00:08:16,170 --> 00:08:14,409

bring up just because I don't have the

157

00:08:20,689 --> 00:08:16,180

kind of documentation I have for

158

00:08:23,429 --> 00:08:20,699

everything else but I think some of the

159

00:08:29,610 --> 00:08:23,439

insight that I've gained in the last 44

160

00:08:32,040 --> 00:08:29,620

years is Robin and I you know I'll stick

161

00:08:37,769 --> 00:08:32,050

with the labeling it my opinion but

162

00:08:39,360 --> 00:08:37,779

still it's not just picking it out of

163

00:08:43,409 --> 00:08:39,370

the thin air you know this is something

164

00:08:45,210 --> 00:08:43,419

I conclusions I've made from observing

165

00:08:47,460 --> 00:08:45,220

and thinking pretty deeply on this

166

00:08:52,319 --> 00:08:47,470

subject well let's let's start here

167

00:08:54,660 --> 00:08:52,329

let's start with today certainly with

168

00:08:57,389 --> 00:08:54,670

with the mainstream media and the

169

00:09:01,680 --> 00:08:57,399

efforts of different groups out there

170

00:09:04,829 --> 00:09:01,690

certainly TTS a comes to mind as well

171

00:09:10,620 --> 00:09:04,839

but the last two years has been a pretty

172

00:09:15,150 --> 00:09:10,630

fluid exposure nearly daily of the UFO

173

00:09:19,740 --> 00:09:15,160

subject have you thought why this is

174

00:09:23,100 --> 00:09:19,750

happening now well I think you know that

175

00:09:27,210 --> 00:09:23,110

the government as wisely shifted

176

00:09:30,360 --> 00:09:27,220

position they're realizing that tamping

177

00:09:33,329 --> 00:09:30,370

it down by ridiculing those who report

178

00:09:35,960 --> 00:09:33,339

it isn't working anymore it's not

179

00:09:38,040 --> 00:09:35,970

damaging the reporting person's

180

00:09:41,250 --> 00:09:38,050

credibility it's damaging the

181

00:09:44,490 --> 00:09:41,260

government's credibility so they've

182

00:09:47,610 --> 00:09:44,500

decided to shift gears and go ahead and

183

00:09:48,900 --> 00:09:47,620

acknowledge certain things you know I'm

184

00:09:51,000 --> 00:09:48,910

sure they're not going to open up and

185

00:09:51,590 --> 00:09:51,010

tell us everything they know but there

186

00:09:54,920 --> 00:09:51,600

is quite

187

00:09:58,819 --> 00:09:54,930

that they know that the average person

188

00:10:02,720 --> 00:09:58,829

doesn't know and but I don't I don't

189

00:10:05,780 --> 00:10:02,730

agree with a lot of the people who you

190

00:10:08,150 --> 00:10:05,790

know ascribe to the government every

191

00:10:11,300 --> 00:10:08,160

single motive is something sinister and

192

00:10:12,650 --> 00:10:11,310

contrary to our interests I don't agree

193

00:10:14,329 --> 00:10:12,660

with that I think that there's probably

194

00:10:22,759 --> 00:10:14,339

some good reasons for some of this

195

00:10:25,430 --> 00:10:22,769

secrecy and obviously if the government

196

00:10:28,189 --> 00:10:25,440

were to respond to the demands of the

197

00:10:31,069 --> 00:10:28,199

population please throw up on the books

198

00:10:33,650 --> 00:10:31,079

but make everything known that you know

199

00:10:36,670 --> 00:10:33,660

they're not just sharing with American

200

00:10:41,240 --> 00:10:36,680

citizens they're sharing with our

201
00:10:44,059 --> 00:10:41,250
enemies in the world and that's not

202
00:10:46,430 --> 00:10:44,069
that's not necessarily a good idea

203
00:10:49,759 --> 00:10:46,440
these other countries you know they have

204
00:10:56,540 --> 00:10:49,769
their inside information to a certain

205
00:10:58,100 --> 00:10:56,550
degree but we don't want them to know

206
00:11:01,400 --> 00:10:58,110
where they don't want us to know just

207
00:11:04,639 --> 00:11:01,410
how much they do know it's it's

208
00:11:07,960 --> 00:11:04,649
important to maintain the secret of how

209
00:11:11,509 --> 00:11:07,970
much we know because it implies a

210
00:11:14,449 --> 00:11:11,519
technological advantage in the event of

211
00:11:16,790 --> 00:11:14,459
a conflict so yeah why would it be in

212
00:11:20,090 --> 00:11:16,800
our interest to tell them everything we

213
00:11:24,439 --> 00:11:20,100

know so that they can judge whether they

214

00:11:27,559 --> 00:11:24,449

have harvested a bit more technology

215

00:11:31,610 --> 00:11:27,569

than we have well you certainly have had

216

00:11:36,350 --> 00:11:31,620

your share of ridicule and and people

217

00:11:40,939 --> 00:11:36,360

coming after you challenging your story

218

00:11:43,579 --> 00:11:40,949

and the community has experienced much

219

00:11:46,579 --> 00:11:43,589

the same and especially the community as

220

00:11:47,389 --> 00:11:46,589

a whole much of that has come out of

221

00:11:52,069 --> 00:11:47,399

Washington

222

00:11:56,090 --> 00:11:52,079

and and the Pentagon at this point how

223

00:11:58,550 --> 00:11:56,100

how much should we trust what is is

224

00:11:59,329 --> 00:11:58,560

happening because it seems to be an

225

00:12:02,420 --> 00:11:59,339

about-face

226

00:12:04,570 --> 00:12:02,430

so do we a trust and do we trust the

227

00:12:08,650 --> 00:12:04,580

about-face too as well

228

00:12:10,870 --> 00:12:08,660

well I think you know that the most of

229

00:12:13,660 --> 00:12:10,880

the people in our government they live

230

00:12:17,470 --> 00:12:13,670

here they have children here and I think

231

00:12:19,810 --> 00:12:17,480

most I would like to see America survive

232

00:12:22,300 --> 00:12:19,820

and do well and be safe and it doesn't

233

00:12:25,840 --> 00:12:22,310

make sense to me that they would align

234

00:12:30,579 --> 00:12:25,850

themselves with some evil group or

235

00:12:33,120 --> 00:12:30,589

nefarious plan on their plot because

236

00:12:36,910 --> 00:12:33,130

it's contrary to their own interests and

237

00:12:40,150 --> 00:12:36,920

I kind I really do think that there's

238

00:12:43,470 --> 00:12:40,160

until we find out otherwise and I'm sure

239

00:12:46,780 --> 00:12:43,480

there's plenty people are well hasten to

240

00:12:50,079 --> 00:12:46,790

enlighten me about just how evil they

241

00:12:54,759 --> 00:12:50,089

all are and how Alba the plot to take

242

00:12:56,860 --> 00:12:54,769

over the world is imminent but I don't

243

00:13:01,840 --> 00:12:56,870

agree you know it's just simple

244

00:13:04,840 --> 00:13:01,850

reasoning to say look these entities

245

00:13:07,930 --> 00:13:04,850

have been coming here for a very very

246

00:13:12,280 --> 00:13:07,940

long time there's a record of it going

247

00:13:15,850 --> 00:13:12,290

back into the past a long long time

248

00:13:18,910 --> 00:13:15,860

hundreds of years you know primitive

249

00:13:20,949 --> 00:13:18,920

people have recorded encounters and

250

00:13:25,120 --> 00:13:20,959

things that can only be understood in

251
00:13:28,540 --> 00:13:25,130
terms of the sort of visitor so my

252
00:13:33,910 --> 00:13:28,550
thinking is that if they wanted this

253
00:13:35,500 --> 00:13:33,920
planet exclusive of humans you know that

254
00:13:37,510 --> 00:13:35,510
we'd never know what hit us

255
00:13:38,889 --> 00:13:37,520
it'd already be done you know they've

256
00:13:41,350 --> 00:13:38,899
been here for so long and the

257
00:13:45,190 --> 00:13:41,360
technological advantage that they have

258
00:13:47,380 --> 00:13:45,200
over us is so great that you explain to

259
00:13:50,319 --> 00:13:47,390
me why what would they be holding back

260
00:13:53,380 --> 00:13:50,329
for you know they're going to drop the

261
00:13:55,540 --> 00:13:53,390
bomb the the big the big boom someday

262
00:13:57,639 --> 00:13:55,550
soon in it but that would mean while

263
00:14:00,579 --> 00:13:57,649

they're staying hidden I don't agree

264

00:14:02,650 --> 00:14:00,589

well it's a simple thing to say that if

265

00:14:09,540 --> 00:14:02,660

that was the agenda you and I wouldn't

266

00:14:14,760 --> 00:14:09,550

be talking right now and as far as any

267

00:14:17,730 --> 00:14:14,770

overt definite you know we don't have

268

00:14:21,210 --> 00:14:17,740

cases of these craft

269

00:14:24,480 --> 00:14:21,220

Dean destructive rays and or in any way

270

00:14:28,500 --> 00:14:24,490

you know doing any kind of overt an

271

00:14:32,790 --> 00:14:28,510

incontrovertible example of attempt

272

00:14:36,020 --> 00:14:32,800

stone to harm us sometimes things get

273

00:14:39,560 --> 00:14:36,030

misunderstood that that you know heck I

274

00:14:43,920 --> 00:14:39,570

initially I subscribed to the

275

00:14:48,120 --> 00:14:43,930

terminology of abduction and I thought

276

00:14:52,200 --> 00:14:48,130

of the the ray of energy that hit me as

277

00:14:54,360 --> 00:14:52,210

a deliberate attack but over the years

278

00:14:56,730 --> 00:14:54,370

it just took me a long time to figure

279

00:15:00,750 --> 00:14:56,740

out that that was probably not the case

280

00:15:03,540 --> 00:15:00,760

there was more compassion yeah I mean

281

00:15:06,750 --> 00:15:03,550

yeah rained I did something very risky

282

00:15:11,850 --> 00:15:06,760

very unexpected and and got myself hurt

283

00:15:15,030 --> 00:15:11,860

and the only entity in in a position to

284

00:15:18,900 --> 00:15:15,040

help me or rescue me was them Dara's

285

00:15:21,810 --> 00:15:18,910

hospital was an hour away the then

286

00:15:25,050 --> 00:15:21,820

there's another element to this and and

287

00:15:28,560 --> 00:15:25,060

although that I agree with much of what

288

00:15:31,460 --> 00:15:28,570

you're saying right now but there's this

289

00:15:34,790 --> 00:15:31,470

other message that seems to be

290

00:15:40,920 --> 00:15:34,800

underlying over the last couple of years

291

00:15:44,660 --> 00:15:40,930

on CNN and on Fox and in television and

292

00:15:48,180 --> 00:15:44,670

so forth from the Pentagon that it's

293

00:15:51,630 --> 00:15:48,190

it's a threat it's a threat we need to

294

00:15:56,940 --> 00:15:51,640

concern ourselves with that and in that

295

00:15:59,940 --> 00:15:56,950

word threat has been the prevailing vibe

296

00:16:03,210 --> 00:15:59,950

that has been projected why and you know

297

00:16:05,790 --> 00:16:03,220

why if you're trying to get tax dollars

298

00:16:08,850 --> 00:16:05,800

to go somewhere got a scare people I

299

00:16:11,250 --> 00:16:08,860

mean if he just says let's let's just

300

00:16:14,520 --> 00:16:11,260

look into this thing because it's a it's

301

00:16:17,820 --> 00:16:14,530

an intriguing curiosity you're not gonna

302

00:16:20,160 --> 00:16:17,830

get cooperation nearly as much as if you

303

00:16:23,490 --> 00:16:20,170

scare people and tell them look you know

304

00:16:28,550 --> 00:16:23,500

they're getting ready to take us all

305

00:16:30,620 --> 00:16:28,560

over and would would your message be

306

00:16:34,760 --> 00:16:30,630

over all that

307

00:16:38,120 --> 00:16:34,770

we don't have anything to fear well I

308

00:16:40,100 --> 00:16:38,130

see no evidence for it yet if somebody

309

00:16:42,380 --> 00:16:40,110

can show me real real evidence real

310

00:16:45,710 --> 00:16:42,390

evidence not just know I heard this

311

00:16:49,520 --> 00:16:45,720

story about this guy you know you know

312

00:16:51,920 --> 00:16:49,530

something that is documental I'm open to

313

00:16:53,300 --> 00:16:51,930

hear it you know just initially the

314

00:16:55,820 --> 00:16:53,310

description of what happened to me

315

00:16:58,130 --> 00:16:55,830

through sounded like an attack but it

316

00:17:03,800 --> 00:16:58,140

just took a while to figure out the

317

00:17:07,880 --> 00:17:03,810

situation we had a unique in whether you

318

00:17:14,449 --> 00:17:07,890

slash geological feature with the area

319

00:17:17,240 --> 00:17:14,459

there as being a place that has the

320

00:17:20,199 --> 00:17:17,250

highest frequency of lightning strikes

321

00:17:22,880 --> 00:17:20,209

over land any place in the United States

322

00:17:25,069 --> 00:17:22,890

now these things are recorded by

323

00:17:29,330 --> 00:17:25,079

satellite and so they they they can

324

00:17:33,800 --> 00:17:29,340

count them technologically and we have a

325

00:17:36,110 --> 00:17:33,810

very high rate of of lightning strikes

326

00:17:39,250 --> 00:17:36,120

here on this million rim it's just the

327

00:17:41,660 --> 00:17:39,260

way the upthrust of land there and the

328

00:17:45,890 --> 00:17:41,670

way the summer rain storms come across

329

00:17:49,940 --> 00:17:45,900

there but even the movie title fire in

330

00:17:58,100 --> 00:17:49,950

the sky is linked to this idea of the

331

00:18:00,500 --> 00:17:58,110

lightning strikes at a few months before

332

00:18:02,450 --> 00:18:00,510

this incident happened we were on our

333

00:18:04,640 --> 00:18:02,460

way to work and then we come across a

334

00:18:07,750 --> 00:18:04,650

tree they didn't hit by lightning the

335

00:18:10,370 --> 00:18:07,760

night before and it was on fire up high

336

00:18:12,860 --> 00:18:10,380

so that was one of the possibilities

337

00:18:14,870 --> 00:18:12,870

that we considered when we were

338

00:18:17,630 --> 00:18:14,880

approaching this glow coming through the

339

00:18:21,500 --> 00:18:17,640

trees could it have been another such

340

00:18:26,870 --> 00:18:21,510

lightning strike fire up there above

341

00:18:30,590 --> 00:18:26,880

above ground level and it's also relates

342

00:18:34,190 --> 00:18:30,600

to what were the aliens doing there in

343

00:18:35,990 --> 00:18:34,200

the first place you know the theory of

344

00:18:38,570 --> 00:18:36,000

some even some of the guys on the crew

345

00:18:39,320 --> 00:18:38,580

that this was some kind of a plot on

346

00:18:43,520 --> 00:18:39,330

their part

347

00:18:46,789 --> 00:18:43,530

to set a trap for one of us to capture

348

00:18:48,289 --> 00:18:46,799

doesn't really hold up if you look at

349

00:18:56,620 --> 00:18:48,299

the other possibility

350

00:19:00,140 --> 00:18:56,630

I did a an interview for with Rob Lowe

351
00:19:02,510 --> 00:19:00,150
for a TV show by him and his sons were

352
00:19:07,100 --> 00:19:02,520
out investigating various paranormal

353
00:19:12,470 --> 00:19:07,110
activities around the country and it was

354
00:19:16,250 --> 00:19:12,480
a two-part show and the second half of

355
00:19:18,649 --> 00:19:16,260
the show was about a lady that deals in

356
00:19:21,430 --> 00:19:18,659
crystals canola teen sells and buys

357
00:19:25,760 --> 00:19:21,440
these things and at these gem shows and

358
00:19:31,220 --> 00:19:25,770
various UFO conferences and stuff and

359
00:19:32,570 --> 00:19:31,230
the the thing that Rob Lowe said kind of

360
00:19:36,140 --> 00:19:32,580
caught me by surprise

361
00:19:37,779 --> 00:19:36,150
he said Travis says that the aliens were

362
00:19:42,020 --> 00:19:37,789
in the area

363
00:19:43,610 --> 00:19:42,030

hunting for fog you're right in Essen

364

00:19:46,730 --> 00:19:43,620

totally shocked me because I didn't even

365

00:19:49,820 --> 00:19:46,740

know what foggy right was right yeah but

366

00:19:54,320 --> 00:19:49,830

I went and looked it up online and photo

367

00:19:56,870 --> 00:19:54,330

right are crystals that are formed when

368

00:19:58,850 --> 00:19:56,880

lightning strikes the earth you've got

369

00:20:02,299 --> 00:19:58,860

millions of degrees and millions of

370

00:20:04,730 --> 00:20:02,309

volts of energy that are forming

371

00:20:09,110 --> 00:20:04,740

crystals that aren't formed geologically

372

00:20:12,380 --> 00:20:09,120

and have they claimed unique properties

373

00:20:14,750 --> 00:20:12,390

and had even less in the in the book

374

00:20:17,299 --> 00:20:14,760

about crystals that fulgurite is

375

00:20:19,789 --> 00:20:17,309

supposed to have some special properties

376

00:20:22,490 --> 00:20:19,799

in regard to enter dimensional matters

377

00:20:24,470 --> 00:20:22,500

and I'd like to research that a little

378

00:20:28,220 --> 00:20:24,480

further and figure out what do they mean

379

00:20:30,529 --> 00:20:28,230

by that but still it it answered the

380

00:20:33,080 --> 00:20:30,539

question that I've had for so long about

381

00:20:35,720 --> 00:20:33,090

what were they doing there we had looked

382

00:20:38,289 --> 00:20:35,730

into underground water supplies there

383

00:20:40,659 --> 00:20:38,299

Turkey Springs the water was down on the

384

00:20:46,490 --> 00:20:40,669

lower end of the contract

385

00:20:50,299 --> 00:20:46,500

no various mineral deposits the the rim

386

00:20:54,289 --> 00:20:50,309

itself is a giant fault line plate

387

00:20:56,810 --> 00:20:54,299

tectonics that was one of the

388

00:21:00,080 --> 00:20:56,820

alternative explanations

389

00:21:02,810 --> 00:21:00,090

the a guy named dr. Persinger and came

390

00:21:04,610 --> 00:21:02,820

up with that well Travis can pass a

391

00:21:06,220 --> 00:21:04,620

lie-detector test because he believes it

392

00:21:09,260 --> 00:21:06,230

happened but he was hallucinating

393

00:21:11,300 --> 00:21:09,270

because these this blasts of energy came

394

00:21:13,160 --> 00:21:11,310

out of the ground there was plate

395

00:21:16,280 --> 00:21:13,170

tectonics on what they call earthquake

396

00:21:19,640 --> 00:21:16,290

lights which electrocuted his brain in a

397

00:21:22,250 --> 00:21:19,650

way that made him listening but well

398

00:21:25,070 --> 00:21:22,260

there was no seismic correlation with

399

00:21:28,340 --> 00:21:25,080

any sort of sensors that are scattered

400

00:21:31,400 --> 00:21:28,350

over the area and on top of that we had

401
00:21:35,450 --> 00:21:31,410
six other men nearby that saw the same

402
00:21:40,070 --> 00:21:35,460
thing and didn't experience this blast

403
00:21:43,580 --> 00:21:40,080
of energy the the other part of this

404
00:21:46,760 --> 00:21:43,590
where we are talking about you know

405
00:21:49,130 --> 00:21:46,770
these these videos that the Navy pilots

406
00:21:52,700 --> 00:21:49,140
have seen certainly the high witness

407
00:21:53,960 --> 00:21:52,710
accounts I have seen enough stuff you

408
00:21:59,090 --> 00:21:53,970
and I have talked about I've seen enough

409
00:22:00,650 --> 00:21:59,100
stuff that I can explain is this when

410
00:22:03,830 --> 00:22:00,660
we're talking about these whether it's

411
00:22:08,990 --> 00:22:03,840
plasma balls or physical craft or black

412
00:22:12,260 --> 00:22:09,000
triangles whatever it may be is this a

413
00:22:15,110 --> 00:22:12,270

visitation that is happening right now I

414

00:22:18,920 --> 00:22:15,120

mean as you and I are speaking are we

415

00:22:20,740 --> 00:22:18,930

being visited on this planet I believe

416

00:22:23,540 --> 00:22:20,750

they are I believe we are yes and

417

00:22:26,480 --> 00:22:23,550

there's been a number of incidents and

418

00:22:30,620 --> 00:22:26,490

things that I've been privy to and heard

419

00:22:34,870 --> 00:22:30,630

from people about and but by the same

420

00:22:44,150 --> 00:22:39,160

acknowledge that not everything you hear

421

00:22:45,830 --> 00:22:44,160

in UFO conferences or whatever is of the

422

00:22:50,300 --> 00:22:45,840

same nature I think there's some things

423

00:22:52,640 --> 00:22:50,310

that you know it's not all through I'm

424

00:22:54,260 --> 00:22:52,650

sorry but you know that's the way it is

425

00:22:57,650 --> 00:22:54,270

there there's a lot of good solid

426
00:23:01,070 --> 00:22:57,660
evidence out there and I think some of

427
00:23:04,460 --> 00:23:01,080
the stuff that's not sort of detracts

428
00:23:06,380 --> 00:23:04,470
from the value in the eyes of many

429
00:23:08,450 --> 00:23:06,390
people when they they sort of dismiss

430
00:23:10,790 --> 00:23:08,460
the whole thing if they can point to any

431
00:23:13,730 --> 00:23:10,800
story that's just totally outright

432
00:23:17,180 --> 00:23:13,740
rageous you know there are skyscrapers

433
00:23:19,040 --> 00:23:17,190
on Venus or something you know and then

434
00:23:22,970 --> 00:23:19,050
they just laugh the whole subject off

435
00:23:26,180 --> 00:23:22,980
and so they're doing a basic truth a

436
00:23:30,500 --> 00:23:26,190
huge disservice by coming forward these

437
00:23:31,880 --> 00:23:30,510
kind of stories there's so there's some

438
00:23:35,210 --> 00:23:31,890

stories you know I'm not saying

439

00:23:39,110 --> 00:23:35,220

everybody that tells a story that isn't

440

00:23:43,460 --> 00:23:39,120

true is is fabricating it I think in

441

00:23:46,760 --> 00:23:43,470

there are times when people experience

442

00:23:48,799 --> 00:23:46,770

something perhaps in a extremely vivid

443

00:23:50,750 --> 00:23:48,809

dream or some old altered state of

444

00:23:55,190 --> 00:23:50,760

consciousness that they sincerely

445

00:23:59,600 --> 00:23:55,200

believe is real but we really need to

446

00:24:02,540 --> 00:23:59,610

look for some sort of verifiable

447

00:24:05,480 --> 00:24:02,550

connection some sort of evidence to to

448

00:24:08,120 --> 00:24:05,490

back it up now and well we're going to

449

00:24:10,100 --> 00:24:08,130

be heading to a break I want to get one

450

00:24:11,750 --> 00:24:10,110

more question before we get to the top

451
00:24:15,020 --> 00:24:11,760
of the hour we come back we'll open up

452
00:24:18,110 --> 00:24:15,030
the phone lines but when we talk about

453
00:24:21,380 --> 00:24:18,120
you know real contact and the

454
00:24:24,590 --> 00:24:21,390
possibility of abduction and and you

455
00:24:28,640 --> 00:24:24,600
know face-to-face encounters there are

456
00:24:30,230 --> 00:24:28,650
so many as probably millions of people

457
00:24:33,650 --> 00:24:30,240
that have spoken about this I don't know

458
00:24:35,210 --> 00:24:33,660
how big the number is but what I'm sure

459
00:24:37,280 --> 00:24:35,220
you've thought about this and have

460
00:24:41,750 --> 00:24:37,290
looked into it because of your own

461
00:24:45,940 --> 00:24:41,760
experience what do we do with that is is

462
00:24:50,419 --> 00:24:45,950
it some kind of crazy mass psychosis

463
00:24:52,669 --> 00:24:50,429

shared dreams well not necessarily I I

464

00:24:56,500 --> 00:24:52,679

think there could be a core reality here

465

00:24:59,510 --> 00:24:56,510

that I'll explain when we come back but

466

00:25:00,980 --> 00:24:59,520

the other side of the coin about you

467

00:25:02,630 --> 00:25:00,990

know look for look for something

468

00:25:05,840 --> 00:25:02,640

verifiable look for something to write

469

00:25:08,120 --> 00:25:05,850

it right you know the other side of that

470

00:25:10,669 --> 00:25:08,130

coin is absence of evidence is not

471

00:25:12,140 --> 00:25:10,679

evidence of absence you know just

472

00:25:14,450 --> 00:25:12,150

because you can't prove it doesn't prove

473

00:25:17,299 --> 00:25:14,460

that it's not true it's just that in

474

00:25:19,460 --> 00:25:17,309

order to impress our fellow man that

475

00:25:22,040 --> 00:25:19,470

this is something needs to be taken

476

00:25:24,129 --> 00:25:22,050

serious well let's just stick to the

477

00:25:27,499 --> 00:25:24,139

stuff we can show them has good

478

00:25:30,979 --> 00:25:27,509

backings basis for it and I think

479

00:25:32,539 --> 00:25:30,989

that'll be in everybody's best interest

480

00:25:34,519 --> 00:25:32,549

and that doesn't mean the ones that

481

00:25:39,139 --> 00:25:34,529

can't produce that kind of hard core

482

00:25:41,869 --> 00:25:39,149

evidence are not real events I'm just

483

00:25:46,789 --> 00:25:41,879

saying let's look for the ones that you

484

00:25:49,129 --> 00:25:46,799

can document to get the general public

485

00:25:51,799 --> 00:25:49,139

to take it more seriously and you know

486

00:25:53,810 --> 00:25:51,809

it always comes down to that one you

487

00:25:56,629 --> 00:25:53,820

know basic question about evidence and

488

00:26:00,619 --> 00:25:56,639

and what somebody can prove and this is

489

00:26:04,669 --> 00:26:00,629

what's strange to me somewhere out there

490

00:26:08,539 --> 00:26:04,679

there is a planet with a spacecraft that

491

00:26:10,970 --> 00:26:08,549

arrived and they got off and went so

492

00:26:17,739 --> 00:26:10,980

check it out we got Travis Waltons shirt

493

00:26:23,779 --> 00:26:21,139

well I'll tell you I'll tell you yeah

494

00:26:27,469 --> 00:26:23,789

you know and that's that's the that's

495

00:26:29,269 --> 00:26:27,479

the one thing that you know skeptics or

496

00:26:30,769 --> 00:26:29,279

debunkers or whatever will always come

497

00:26:34,849 --> 00:26:30,779

forward and say well what have you got

498

00:26:37,430 --> 00:26:34,859

what were you able to what was and that

499

00:26:40,639 --> 00:26:37,440

that question when it comes to me it

500

00:26:42,440 --> 00:26:40,649

doesn't change my experience Travis yeah

501
00:26:44,930 --> 00:26:42,450
well here's the thing you know these are

502
00:26:46,519 --> 00:26:44,940
people act like this is absolute this is

503
00:26:48,139 --> 00:26:46,529
what I have to have in order to believe

504
00:26:51,409 --> 00:26:48,149
something now wait a minute

505
00:26:55,430 --> 00:26:51,419
you know dr. harder pointed out that if

506
00:26:56,329 --> 00:26:55,440
you had six people saying that they had

507
00:26:57,950 --> 00:26:56,339
witnessed murder

508
00:26:59,509 --> 00:26:57,960
you know that was one of the sheriff's

509
00:27:03,499 --> 00:26:59,519
of initial theories if they had come in

510
00:27:05,599 --> 00:27:03,509
and said yeah yeah we saw Alan kill

511
00:27:07,489 --> 00:27:05,609
Travis out there you know that's an

512
00:27:11,450 --> 00:27:07,499
open-and-shut case if you've got six

513
00:27:14,239 --> 00:27:11,460

witnesses testifying to that and you're

514

00:27:16,599 --> 00:27:14,249

not in the absence of polygraph test but

515

00:27:20,959 --> 00:27:16,609

you know six witnesses and pass

516

00:27:23,269 --> 00:27:20,969

lie-detector tests on top of that didn't

517

00:27:24,950 --> 00:27:23,279

it would be accepted if you were

518

00:27:26,359 --> 00:27:24,960

discussing murder I mean this is a death

519

00:27:28,729 --> 00:27:26,369

penalty case you're gonna put somebody

520

00:27:31,879 --> 00:27:28,739

to death on the basis of the testimony

521

00:27:34,099 --> 00:27:31,889

of six witnesses and then suddenly if it

522

00:27:36,649 --> 00:27:34,109

involves aliens oh now we got all these

523

00:27:38,150 --> 00:27:36,659

elements of doubt that with me we just

524

00:27:40,760 --> 00:27:38,160

have to consider you

525

00:27:44,560 --> 00:27:40,770

would any of these debunkers like to

526

00:27:47,180 --> 00:27:44,570

stand trial by a group of their peers

527

00:27:51,080 --> 00:27:47,190

with those kind of standards you know

528

00:27:53,930 --> 00:27:51,090

all we got to do right is yeah no you're

529

00:27:58,550 --> 00:27:53,940

absolutely right and that was the one

530

00:28:01,180 --> 00:27:58,560

thing about the way the way that it

531

00:28:04,820 --> 00:28:01,190

played out on that first night and and

532

00:28:09,290 --> 00:28:04,830

the interrogations that were going down

533

00:28:12,890 --> 00:28:09,300

at the at the bar that as soon as they

534

00:28:15,760 --> 00:28:12,900

brought up flying saucers right that

535

00:28:18,320 --> 00:28:15,770

changed the dynamic of everything and

536

00:28:20,900 --> 00:28:18,330

you're you're you're absolutely right

537

00:28:23,600 --> 00:28:20,910

about that part of it and what if see

538

00:28:27,110 --> 00:28:23,610

this is the thing what if you didn't

539

00:28:29,650 --> 00:28:27,120

come back well I think somebody would

540

00:28:32,060 --> 00:28:29,660

have been under suspicion murder for

541

00:28:35,030 --> 00:28:32,070

maybe even gone down for it I don't

542

00:28:37,910 --> 00:28:35,040

write you know these they might need a

543

00:28:40,580 --> 00:28:37,920

body but you know all they'd have to do

544

00:28:42,590 --> 00:28:40,590

is get one of the crudest you point a

545

00:28:47,210 --> 00:28:42,600

finger and one of the others too just to

546

00:28:49,910 --> 00:28:47,220

get get the harassment off is back but

547

00:28:52,490 --> 00:28:49,920

the the standard of evidence needs to be

548

00:28:55,760 --> 00:28:52,500

sort of more uniform in what we consider

549

00:28:57,890 --> 00:28:55,770

you know we need tremendously greater

550

00:29:01,430 --> 00:28:57,900

standard of evidence for something

551
00:29:06,280 --> 00:29:01,440
involving life under the world let's

552
00:29:08,120 --> 00:29:06,290
take on that we would take to you know

553
00:29:10,190 --> 00:29:08,130
convict someone of murder

554
00:29:12,350 --> 00:29:10,200
yeah and we're getting very possibly

555
00:29:14,540 --> 00:29:12,360
execute yeah we're getting closer to it

556
00:29:16,520 --> 00:29:14,550
too that's the other part and we'll talk

557
00:29:18,920 --> 00:29:16,530
about all of this when we come back our

558
00:29:21,800 --> 00:29:18,930
guest tonight is Travis Walton this is

559
00:29:23,240 --> 00:29:21,810
night two of our open lines night so I'm

560
00:29:27,380 --> 00:29:23,250
going to open up the phone lines now

561
00:29:29,900 --> 00:29:27,390
seven four seven two two eight two zero

562
00:29:31,310 --> 00:29:29,910
five one seven four seven two two eight

563
00:29:33,290 --> 00:29:31,320

two zero five one our guest tonight

564

00:29:35,240 --> 00:29:33,300

Travis Walton I'm your host Jimmy Church

565

00:29:39,020 --> 00:29:35,250

this is fade to black I'm the game

566

00:29:40,020 --> 00:29:39,030

changer network and kgr a the planet

567

00:29:59,670 --> 00:29:40,030

stay with us

568

00:30:01,890 --> 00:29:59,680

[Music]

569

00:30:04,290 --> 00:30:01,900

all right welcome back fade to black I'm

570

00:30:06,200 --> 00:30:04,300

Remy church tonight is night two of our

571

00:30:08,760 --> 00:30:06,210

open lines week here on fade to black

572

00:30:11,730 --> 00:30:08,770

tonight Travis Walton tomorrow night

573

00:30:14,640 --> 00:30:11,740

witnessed Reaver Thursday night Richard

574

00:30:17,850 --> 00:30:14,650

Dolan an amazing week here on fade to

575

00:30:19,380 --> 00:30:17,860

black tonight it's Travis and Travis

576

00:30:22,920 --> 00:30:19,390

right before the break we started to

577

00:30:27,210 --> 00:30:22,930

talk about abductions and in direct

578

00:30:30,930 --> 00:30:27,220

contact with all of these accounts and

579

00:30:33,510 --> 00:30:30,940

you said you had you had a theory yeah

580

00:30:37,110 --> 00:30:33,520

well you know one of the first things

581

00:30:38,970 --> 00:30:37,120

that skeptics ask is is why don't they

582

00:30:41,520 --> 00:30:38,980

just land on the White House lawn and

583

00:30:45,840 --> 00:30:41,530

say here we are mr. president well

584

00:30:48,870 --> 00:30:45,850

there's a good reason not to and here's

585

00:30:50,640 --> 00:30:48,880

the deal they could do that what do you

586

00:30:53,130 --> 00:30:50,650

think the consequences would be

587

00:30:55,110 --> 00:30:53,140

we've already had examples where these

588

00:30:57,690 --> 00:30:55,120

you know sightings near the White House

589

00:31:01,890 --> 00:30:57,700

or military installations provoked some

590

00:31:06,210 --> 00:31:01,900

rather panicked reactions violent

591

00:31:08,280 --> 00:31:06,220

response actually but I don't think it's

592

00:31:15,870 --> 00:31:08,290

they really have anything to fear from

593

00:31:19,560 --> 00:31:15,880

us I think their avoidance of giving us

594

00:31:23,550 --> 00:31:19,570

anything conclusively proof of their

595

00:31:25,560 --> 00:31:23,560

presence is part of the plan it's for

596

00:31:27,300 --> 00:31:25,570

our own good though they're not it's not

597

00:31:29,010 --> 00:31:27,310

nefarious it's not like they're hiding

598

00:31:31,950 --> 00:31:29,020

from us because they have some sinister

599

00:31:34,260 --> 00:31:31,960

plan to take over the earth I think it's

600

00:31:37,380 --> 00:31:34,270

very similar to what those science

601
00:31:40,640 --> 00:31:37,390
fiction created with the so-called prime

602
00:31:45,150 --> 00:31:40,650
directive or non-interference directive

603
00:31:47,460 --> 00:31:45,160
you know it's analogous to the early

604
00:31:50,130 --> 00:31:47,470
explorers sailing across the ocean blue

605
00:31:52,560 --> 00:31:50,140
in almost every case where a more

606
00:31:55,470 --> 00:31:52,570
advanced culture encountered a less

607
00:31:57,570 --> 00:31:55,480
advanced one it amounted to the

608
00:32:02,520 --> 00:31:57,580
destruction of the less advanced culture

609
00:32:05,070 --> 00:32:02,530
and it's not helpful as much as we would

610
00:32:12,260 --> 00:32:05,080
love the idea free energy or some cool

611
00:32:15,210 --> 00:32:12,270
new technology it's it's not to our

612
00:32:18,120 --> 00:32:15,220
to our benefit for that to happen that

613
00:32:19,740 --> 00:32:18,130

kind of technology can easily backfire

614

00:32:21,960 --> 00:32:19,750

you know it's the equivalent of the

615

00:32:24,870 --> 00:32:21,970

alien saying here's a brand new box of

616

00:32:27,510 --> 00:32:24,880

matches now go play right um you know we

617

00:32:29,640 --> 00:32:27,520

haven't handled as some of the

618

00:32:32,970 --> 00:32:29,650

technology that we have is a little bit

619

00:32:35,280 --> 00:32:32,980

ahead of our wisdom and that's what I

620

00:32:39,330 --> 00:32:35,290

think the aliens are waiting on wisdom

621

00:32:42,690 --> 00:32:39,340

some common sense and development that

622

00:32:46,410 --> 00:32:42,700

we you know at any moment if we chose to

623

00:32:49,890 --> 00:32:46,420

display that to them that we do have the

624

00:32:52,200 --> 00:32:49,900

ability to treat each other better treat

625

00:32:58,320 --> 00:32:52,210

the planet better those kinds of things

626
00:33:01,320 --> 00:32:58,330
that that we you know so unimpressed

627
00:33:03,510 --> 00:33:01,330
about by going to the other direction

628
00:33:06,660 --> 00:33:03,520
certainly and that's the one message

629
00:33:08,720 --> 00:33:06,670
that we could understand right that

630
00:33:14,790 --> 00:33:08,730
that's something that we absolutely

631
00:33:18,330 --> 00:33:14,800
could relate to a technology or the

632
00:33:21,090 --> 00:33:18,340
answer of life or the the universe our

633
00:33:24,660 --> 00:33:21,100
technologies and an understanding that

634
00:33:26,610 --> 00:33:24,670
would be completely beyond us and yeah

635
00:33:29,640 --> 00:33:26,620
well you know astro physicist Michio

636
00:33:32,430 --> 00:33:29,650
Kaku made a remark doing an interview

637
00:33:34,350 --> 00:33:32,440
saying no people keep imagining that

638
00:33:36,090 --> 00:33:34,360

these civilizations might be a few

639

00:33:37,890 --> 00:33:36,100

hundred years ahead of us but they could

640

00:33:39,810 --> 00:33:37,900

literally be hundreds of thousands or

641

00:33:41,490 --> 00:33:39,820

millions of years out of us right right

642

00:33:43,970 --> 00:33:41,500

and when you think about that in terms

643

00:33:47,130 --> 00:33:43,980

of just about everything

644

00:33:50,130 --> 00:33:47,140

technological that humans have is a few

645

00:33:57,660 --> 00:33:50,140

hundred years old prior to that the best

646

00:34:00,960 --> 00:33:57,670

we had was fire and so and then the

647

00:34:02,820 --> 00:34:00,970

technology that we've developed in the

648

00:34:05,130 --> 00:34:02,830

last few hundred years has been very

649

00:34:10,050 --> 00:34:05,140

destructive of the planet of each other

650

00:34:13,080 --> 00:34:10,060

and certainly it's not their idea of

651
00:34:17,070 --> 00:34:13,090
helping us to give us better ways to

652
00:34:19,470 --> 00:34:17,080
harm each other or the planet I wanted

653
00:34:21,149 --> 00:34:19,480
to ask you this before we get to the

654
00:34:24,010 --> 00:34:21,159
phones and everybody that's on hold stay

655
00:34:29,700 --> 00:34:24,020
right there we'll get to everybody

656
00:34:35,440 --> 00:34:29,710
is is this you did encounter an advanced

657
00:34:37,690 --> 00:34:35,450
culture did you did you relate to what

658
00:34:41,129 --> 00:34:37,700
you were seeing I mean or was it just

659
00:34:43,780 --> 00:34:41,139
totally just beyond your comprehension

660
00:34:45,700 --> 00:34:43,790
well at the time it was beyond my

661
00:34:47,740 --> 00:34:45,710
understanding because I interpreted the

662
00:34:49,810 --> 00:34:47,750
whole thing is totally threatening you

663
00:34:52,030 --> 00:34:49,820

know I'm in the in the clutches of

664

00:34:54,190 --> 00:34:52,040

monsters and all this pain and this

665

00:34:55,030 --> 00:34:54,200

feeling of injury is due to them it's

666

00:34:58,240 --> 00:34:55,040

all their fault

667

00:35:00,190 --> 00:34:58,250

and I was incorrectly blaming them for

668

00:35:03,430 --> 00:35:00,200

something that I was actually in my own

669

00:35:06,880 --> 00:35:03,440

fault and they were actually trying to

670

00:35:09,280 --> 00:35:06,890

help and I was doing my best ik keeping

671

00:35:12,310 --> 00:35:09,290

from from being successful that helping

672

00:35:16,630 --> 00:35:12,320

me yeah and I think it was arthur c

673

00:35:19,690 --> 00:35:16,640

clarke that said it or somebody you know

674

00:35:24,060 --> 00:35:19,700

a technology way more advanced than our

675

00:35:27,579 --> 00:35:24,070

own would seem like magic and would

676

00:35:30,220 --> 00:35:27,589

would you say that that's quite possibly

677

00:35:33,630 --> 00:35:30,230

what as you looked around and we're

678

00:35:36,940 --> 00:35:33,640

trying to understand this was stuff that

679

00:35:39,609 --> 00:35:36,950

obviously you've never seen before did

680

00:35:42,490 --> 00:35:39,619

it seem you know a little magical to you

681

00:35:45,130 --> 00:35:42,500

are you that incomprehensible certainly

682

00:35:48,060 --> 00:35:45,140

you know i couldn't interpret it in

683

00:35:50,440 --> 00:35:48,070

terms of you know I wasn't completely

684

00:35:52,180 --> 00:35:50,450

technologically ignorant you know as far

685

00:35:54,280 --> 00:35:52,190

as earth and human technology is

686

00:35:56,859 --> 00:35:54,290

concerned but right this was new stuff

687

00:35:58,870 --> 00:35:56,869

that I didn't really understand so I can

688

00:36:02,320 --> 00:35:58,880

only speculate about what it actually

689

00:36:06,310 --> 00:36:02,330

meant right but it did take me years to

690

00:36:08,800 --> 00:36:06,320

figure out that hey it wasn't correct

691

00:36:10,870 --> 00:36:08,810

that I was assuming that this pain this

692

00:36:12,700 --> 00:36:10,880

may injured feelings you know I felt

693

00:36:16,089 --> 00:36:12,710

mortally wounded I felt like I was dying

694

00:36:18,250 --> 00:36:16,099

that was their fault you know it took me

695

00:36:23,880 --> 00:36:18,260

a while to realize it was my fault you

696

00:36:27,990 --> 00:36:23,890

ready to start taking some calls Travis

697

00:36:30,490 --> 00:36:28,000

yeah ready to start taking some calls

698

00:36:32,890 --> 00:36:30,500

okay let's do it we didn't even talk

699

00:36:33,550 --> 00:36:32,900

ATAR we're gonna talk ATAR before the

700

00:36:36,099 --> 00:36:33,560

end of the show

701

00:36:38,630 --> 00:36:36,109

hi hi you're live i'm fade to black

702

00:36:41,940 --> 00:36:38,640

who's calling

703

00:36:44,520 --> 00:36:41,950

your life hey this is Bob Payton's Bob

704

00:36:47,550 --> 00:36:44,530

from Alabama hey Bob from Alabama say hi

705

00:36:49,080 --> 00:36:47,560

to Travis hey Travis thank you so much

706

00:36:51,330 --> 00:36:49,090

for taking my call and Jimmy what a

707

00:36:53,940 --> 00:36:51,340

great Lee you've got going Travis you

708

00:36:55,800 --> 00:36:53,950

know I've loved DB sweeney and Robert

709

00:36:57,630 --> 00:36:55,810

Patrick and James Garner and all those

710

00:37:00,810 --> 00:36:57,640

guys in the movies but I've often

711

00:37:03,600 --> 00:37:00,820

wondered surely there's one piece of

712

00:37:06,660 --> 00:37:03,610

that movie that really sticks in your

713

00:37:11,940 --> 00:37:06,670

craw as they got it completely wrong

714

00:37:14,580 --> 00:37:11,950

I wondered what yeah yeah and you know

715

00:37:16,470 --> 00:37:14,590

overall I have to be grateful that a

716

00:37:21,510 --> 00:37:16,480

movie was made it got people interested

717

00:37:23,190 --> 00:37:21,520

in looking for the real truth but you

718

00:37:26,270 --> 00:37:23,200

know there were minor changes things

719

00:37:28,890 --> 00:37:26,280

that didn't really materially affect

720

00:37:30,810 --> 00:37:28,900

what the basic story like for instance

721

00:37:34,200 --> 00:37:30,820

reducing the number of crewmen from

722

00:37:35,280 --> 00:37:34,210

seven you know that doesn't really you

723

00:37:38,700 --> 00:37:35,290

know that's certainly not an

724

00:37:42,030 --> 00:37:38,710

embellishment but the one thing aboard

725

00:37:47,220 --> 00:37:42,040

the craft where the aliens were depicted

726
00:37:51,420 --> 00:37:47,230
as you know monsters was pushing you

727
00:37:55,440 --> 00:37:51,430
know my take on it at the time to the

728
00:37:57,570 --> 00:37:55,450
very highest degree that that's one

729
00:38:00,540 --> 00:37:57,580
thing Hollywood does when the aliens

730
00:38:03,870 --> 00:38:00,550
were depicted without clothing it's much

731
00:38:07,290 --> 00:38:03,880
easier to display them as monsters you

732
00:38:10,080 --> 00:38:07,300
know they're beasts you know if they

733
00:38:13,710 --> 00:38:10,090
were wearing suits and they might be you

734
00:38:16,430 --> 00:38:13,720
know civilized but a lot of stuff went

735
00:38:20,010 --> 00:38:16,440
on there there was one one

736
00:38:21,750 --> 00:38:20,020
fictionalization in that sequence aboard

737
00:38:23,670 --> 00:38:21,760
the craft that was actually an

738
00:38:25,980 --> 00:38:23,680

improvement even though it didn't happen

739

00:38:29,010 --> 00:38:25,990

and that was the scene where the

740

00:38:30,660 --> 00:38:29,020

membrane is over DB Sweeney's face he's

741

00:38:32,370 --> 00:38:30,670

struggling to scream through it

742

00:38:35,280 --> 00:38:32,380

struggling to breathe through it the

743

00:38:37,440 --> 00:38:35,290

feeling of suffocation generates a panic

744

00:38:40,530 --> 00:38:37,450

that's beyond comprehension

745

00:38:43,170 --> 00:38:40,540

well there was no membrane but I did

746

00:38:46,290 --> 00:38:43,180

experience that feeling of suffocation I

747

00:38:48,930 --> 00:38:46,300

couldn't get enough air and the panic

748

00:38:50,880 --> 00:38:48,940

that came about was so intense people

749

00:38:51,269 --> 00:38:50,890

were saying oh I wouldn't be that scared

750

00:38:56,599 --> 00:38:51,279

you know

751

00:38:59,069 --> 00:38:56,609

degree of fear that I felt

752

00:39:01,859 --> 00:38:59,079

there you go Bob Bob thank you for the

753

00:39:07,499 --> 00:39:01,869

phone call man Thank You Jimmy have a

754

00:39:10,409 --> 00:39:07,509

great night I wanted to ask you I never

755

00:39:16,109 --> 00:39:10,419

asked you about this before do you ever

756

00:39:16,649 --> 00:39:16,119

get a chance lately since to talk to DB

757

00:39:19,789 --> 00:39:16,659

sweeney

758

00:39:22,919 --> 00:39:19,799

and hang out and talk about the movie I

759

00:39:24,779 --> 00:39:22,929

have on occasion but not real recently

760

00:39:26,489 --> 00:39:24,789

probably the most recent encounter has

761

00:39:29,579 --> 00:39:26,499

been with some of the other actors but

762

00:39:32,189 --> 00:39:29,589

you know it was it was pretty cool you

763

00:39:36,349 --> 00:39:32,199

know encountering James Garner he was he

764

00:39:40,979 --> 00:39:36,359

was really cool you know called me aside

765

00:39:42,839 --> 00:39:40,989

and wanted to tell me that look I

766

00:39:44,549 --> 00:39:42,849

haven't playing the part of a skeptic

767

00:39:46,789 --> 00:39:44,559

but I just wanted to let you know that I

768

00:39:50,640 --> 00:39:46,799

do believe you guys yeah and what about

769

00:39:55,079 --> 00:39:50,650

let's give the same thing about DB how

770

00:39:57,839 --> 00:39:55,089

had did the movie affect him and did he

771

00:40:01,199 --> 00:39:57,849

have any opinions on the UFO question

772

00:40:03,779 --> 00:40:01,209

well I haven't really questioned him

773

00:40:05,849 --> 00:40:03,789

that much they all of them in interviews

774

00:40:08,789 --> 00:40:05,859

have been pressed well what do you think

775

00:40:10,819 --> 00:40:08,799

you know right and that all they do is

776

00:40:13,499 --> 00:40:10,829

quote the evidence there's plenty of

777

00:40:16,289 --> 00:40:13,509

reports and this it's something they say

778

00:40:17,849 --> 00:40:16,299

well why not right let's go back to the

779

00:40:20,789 --> 00:40:17,859

phones hi you're live on fade to black

780

00:40:23,249 --> 00:40:20,799

who's calling hi Jimmy it's Dave from

781

00:40:26,399 --> 00:40:23,259

Sacramento hi Deb how are you say hi to

782

00:40:28,109 --> 00:40:26,409

say how to Travis I am honored Travis to

783

00:40:30,269 --> 00:40:28,119

be able to actually speak to you you

784

00:40:32,429 --> 00:40:30,279

know and I even hear the words Travis

785

00:40:35,159 --> 00:40:32,439

Walton three words come to my mind and

786

00:40:38,130 --> 00:40:35,169

that is compassion integrity and honesty

787

00:40:41,370 --> 00:40:38,140

so it is an honor to speak with you well

788

00:40:45,239 --> 00:40:41,380

thank you very much what you got Damle

789

00:40:47,159 --> 00:40:45,249

well my question is after Eurex well all

790

00:40:48,269 --> 00:40:47,169

these years since your experience and

791

00:40:50,999 --> 00:40:48,279

everything that you know and you've

792

00:40:55,169 --> 00:40:51,009

learned did that experience change your

793

00:40:57,200 --> 00:40:55,179

worldview on God and what happens to us

794

00:41:00,260 --> 00:40:57,210

after we die

795

00:41:03,070 --> 00:41:00,270

well I think that's an a question that I

796

00:41:06,370 --> 00:41:03,080

have encountered quite a number of times

797

00:41:09,100 --> 00:41:06,380

so many people assume that just

798

00:41:12,050 --> 00:41:09,110

acknowledging for certain that there is

799

00:41:14,090 --> 00:41:12,060

more advanced technology out there that

800

00:41:17,450 --> 00:41:14,100

it would somehow call into question the

801
00:41:22,640 --> 00:41:17,460
existence of God and I say no so what we

802
00:41:25,960 --> 00:41:22,650
got you know and you know you're selling

803
00:41:29,600 --> 00:41:25,970
God short right you know creation is is

804
00:41:32,360 --> 00:41:29,610
infinite the word infinite is used in

805
00:41:34,670 --> 00:41:32,370
the Bible and if you think it only you

806
00:41:37,190 --> 00:41:34,680
know all of creation is encompassed in

807
00:41:38,750 --> 00:41:37,200
just earth and that if it's not

808
00:41:41,210 --> 00:41:38,760
mentioned in the Bible it doesn't exist

809
00:41:43,240 --> 00:41:41,220
I I think you you know you need to

810
00:41:45,350 --> 00:41:43,250
broaden your horizons a bit you know

811
00:41:47,960 --> 00:41:45,360
American Indians are mentioned in the

812
00:41:51,440 --> 00:41:47,970
Bible Antarctica's not mentioned in the

813
00:41:53,330 --> 00:41:51,450

Bible you know just figure something not

814

00:41:57,130 --> 00:41:53,340

in there doesn't mean that it's a false

815

00:42:02,510 --> 00:41:57,140

document or anything like that I have

816

00:42:08,570 --> 00:42:02,520

actually shown a video of a song by a

817

00:42:11,630 --> 00:42:08,580

group called Hillsong called 100 billion

818

00:42:13,820 --> 00:42:11,640

ex and it's basically you know a praise

819

00:42:17,960 --> 00:42:13,830

God sort of thing and that's referring

820

00:42:22,510 --> 00:42:17,970

to the vastness creation and the idea

821

00:42:27,680 --> 00:42:22,520

that creation in encompass planets and

822

00:42:30,530 --> 00:42:27,690

galaxies and such things and so just to

823

00:42:35,600 --> 00:42:30,540

help people understand that that in no

824

00:42:38,390 --> 00:42:35,610

way detracts from that but I know that

825

00:42:41,420 --> 00:42:38,400

you've followed and dead stay right

826

00:42:44,090 --> 00:42:41,430

there I know that you you know follow

827

00:42:51,040 --> 00:42:44,100

what's going on out there and Tom

828

00:42:54,560 --> 00:42:51,050

DeLonge on this program Travis quite

829

00:43:01,100 --> 00:42:54,570

stressed that there was a religious

830

00:43:04,780 --> 00:43:01,110

component to ET and for everyone to be

831

00:43:08,570 --> 00:43:04,790

careful about this and that there are

832

00:43:10,670 --> 00:43:08,580

those in the Pentagon in the military

833

00:43:13,160 --> 00:43:10,680

that understand this

834

00:43:16,550 --> 00:43:13,170

their own Christianity and their own

835

00:43:19,660 --> 00:43:16,560

religious side of them comes into play

836

00:43:21,970 --> 00:43:19,670

when those kinds of statements are made

837

00:43:24,470 --> 00:43:21,980

through your own experience certainly

838

00:43:30,350 --> 00:43:24,480

what do you make of that is there a

839

00:43:31,970 --> 00:43:30,360

religious component to to UFOs and ET of

840

00:43:33,770 --> 00:43:31,980

course you know I'm not saying that

841

00:43:35,210 --> 00:43:33,780

they're totally separate and distinct

842

00:43:38,090 --> 00:43:35,220

and if you think of one you can't think

843

00:43:39,590 --> 00:43:38,100

of the other I think guys was just

844

00:43:43,610 --> 00:43:39,600

saying you know people are limiting

845

00:43:50,150 --> 00:43:43,620

their thinking but my own personal

846

00:43:54,520 --> 00:43:50,160

belief is that the actual truth of the

847

00:44:01,720 --> 00:43:54,530

almighty whatever spiritual powers exist

848

00:44:07,610 --> 00:44:05,450

individual sects I mean if the various

849

00:44:11,180 --> 00:44:07,620

religions on earth don't have things in

850

00:44:14,330 --> 00:44:11,190

common then what are we talking about

851
00:44:17,090 --> 00:44:14,340
here you know right stuff the separation

852
00:44:20,230 --> 00:44:17,100
and the division is not constructive its

853
00:44:22,790 --> 00:44:20,240
destructive and is that the root of much

854
00:44:27,460 --> 00:44:22,800
violence in the world today well what

855
00:44:30,830 --> 00:44:27,470
about the the flipside of that you and I

856
00:44:34,430 --> 00:44:30,840
we we hitch a ride right on some

857
00:44:36,980 --> 00:44:34,440
starship right we take off and we visit

858
00:44:39,200 --> 00:44:36,990
their planet and we step off and say

859
00:44:43,130 --> 00:44:39,210
hello to everybody I mean are we gonna

860
00:44:46,540 --> 00:44:43,140
see a church right you know to be is

861
00:44:51,230 --> 00:44:46,550
there going to be the God Jesus

862
00:44:53,300 --> 00:44:51,240
component throughout the universe well

863
00:44:56,720 --> 00:44:53,310

I'm sure there are some people would say

864

00:45:00,680 --> 00:44:56,730

heck yeah but I would say I don't know

865

00:45:06,830 --> 00:45:00,690

you know just how this the truth about

866

00:45:09,470 --> 00:45:06,840

creation and the whole giant picture all

867

00:45:12,620 --> 00:45:09,480

fits together is something that I think

868

00:45:14,210 --> 00:45:12,630

we don't know yet and probably because

869

00:45:21,350 --> 00:45:14,220

we're not ready for it

870

00:45:24,770 --> 00:45:21,360

and we need to be worthy of larger

871

00:45:27,500 --> 00:45:24,780

truths and and capable of handle

872

00:45:30,110 --> 00:45:27,510

yeah yeah I'll tell you people are gonna

873

00:45:32,330 --> 00:45:30,120

be so resistant to anything other than

874

00:45:33,580 --> 00:45:32,340

what they already think Deb thank you

875

00:45:36,530 --> 00:45:33,590

for the phone call

876

00:45:39,590 --> 00:45:36,540

thank you thanks guys thank you so much

877

00:45:41,510 --> 00:45:39,600

Travis thank you yeah great phone call

878

00:45:46,010 --> 00:45:41,520

right there and Travis you know you

879

00:45:48,740 --> 00:45:46,020

bring up you know the it said so much

880

00:45:50,450 --> 00:45:48,750

and I hate saying it but the the you

881

00:45:54,460 --> 00:45:50,460

know the flying saucer on the White House

882

00:45:59,330 --> 00:45:54,470

lawn but let's say it does happen and

883

00:46:02,000 --> 00:45:59,340

the stair steps fold down and we're all

884

00:46:04,910 --> 00:46:02,010

watching and it's live on TV and then we

885

00:46:07,070 --> 00:46:04,920

see the beans feet and then we start to

886

00:46:10,130 --> 00:46:07,080

see his torso and he's coming down the

887

00:46:15,080 --> 00:46:10,140

stairs and then we see his face and it's

888

00:46:18,800 --> 00:46:15,090

Jesus what did we do with that you know

889

00:46:22,820 --> 00:46:18,810

and and my and I've often thought about

890

00:46:25,190 --> 00:46:22,830

that and wouldn't that be the first

891

00:46:28,130 --> 00:46:25,200

series of questions because certainly

892

00:46:32,300 --> 00:46:28,140

the Vatican is on board with this right

893

00:46:34,370 --> 00:46:32,310

now yeah yeah the Vatican did finally

894

00:46:36,320 --> 00:46:34,380

come forward you know you remember that

895

00:46:38,450 --> 00:46:36,330

with the history of Galileo he was

896

00:46:41,270 --> 00:46:38,460

actually you know under severe

897

00:46:43,190 --> 00:46:41,280

condemnation from the church for saying

898

00:46:47,480 --> 00:46:43,200

that there were even planets out there

899

00:46:49,610 --> 00:46:47,490

and I'm house-arrest all kinds of

900

00:46:52,060 --> 00:46:49,620

serious consequences but eventually they

901
00:46:57,590 --> 00:46:52,070
came around to apologizing for that and

902
00:47:02,630 --> 00:46:57,600
it wasn't always been a few years but my

903
00:47:05,000 --> 00:47:02,640
son was dating a Catholic girl and her

904
00:47:08,210 --> 00:47:05,010
priest called her aside and said you got

905
00:47:11,270 --> 00:47:08,220
to get away from that boy his father has

906
00:47:12,500 --> 00:47:11,280
been consorting with demons and so she

907
00:47:15,530 --> 00:47:12,510
broke up with him and that was the end

908
00:47:18,500 --> 00:47:15,540
of that relationship no really it was

909
00:47:20,660 --> 00:47:18,510
only a matter of weeks or months after

910
00:47:23,750 --> 00:47:20,670
that that the Vatican came out and said

911
00:47:25,130 --> 00:47:23,760
there's absolutely no sin whatsoever in

912
00:47:27,470 --> 00:47:25,140
believing that there's life on other

913
00:47:31,150 --> 00:47:27,480

worlds and did they even say that they

914

00:47:34,700 --> 00:47:31,160

would baptize ET right there's something

915

00:47:36,329 --> 00:47:34,710

some comment like that ET deserves to

916

00:47:38,279 --> 00:47:36,339

have a baptism too

917

00:47:40,349 --> 00:47:38,289

and we would welcome that it was some

918

00:47:43,170 --> 00:47:40,359

comment like that I thought it seems

919

00:47:45,299 --> 00:47:43,180

like they know something seems like they

920

00:47:48,180 --> 00:47:45,309

know much of this stuff is speculative

921

00:47:51,390 --> 00:47:48,190

and unproven and you know even if they

922

00:47:54,150 --> 00:47:51,400

have inside information how do we verify

923

00:47:56,489 --> 00:47:54,160

it you know yeah you're right after

924

00:47:58,529 --> 00:47:56,499

everything they did to Galileo and now

925

00:47:58,979 --> 00:47:58,539

they own observatories all over the

926
00:48:01,799 --> 00:47:58,989
world

927
00:48:03,569 --> 00:48:01,809
right it's let's go back to the phones

928
00:48:06,599 --> 00:48:03,579
hi you're live on fade to black who's

929
00:48:11,880 --> 00:48:06,609
calling this is Walter

930
00:48:14,609 --> 00:48:11,890
hey hey Walt Walton Travis Walton all

931
00:48:20,489 --> 00:48:14,619
right I got some history I got some news

932
00:48:24,569 --> 00:48:20,499
for you Travis yeah yeah I told you

933
00:48:27,029 --> 00:48:24,579
about you know what that word very hate

934
00:48:29,039 --> 00:48:27,039
you about the helicopter thing and you

935
00:48:31,349 --> 00:48:29,049
kind of change your idea around what

936
00:48:36,630 --> 00:48:31,359
happened but here's some news for you 9

937
00:48:39,959 --> 00:48:36,640
kinks 1955 and 1965 two things in my

938
00:48:43,049 --> 00:48:39,969

life that were really unlike 35 I was

939

00:48:46,680 --> 00:48:43,059

abducted I saw two types of aliens a

940

00:48:48,450 --> 00:48:46,690

tall and too short and I can describe

941

00:48:48,900 --> 00:48:48,460

them to this day and something you never

942

00:48:53,370 --> 00:48:48,910

forget

943

00:48:56,069 --> 00:48:53,380

in 1965 I had a teacher that was the

944

00:48:59,729 --> 00:48:56,079

brother-in-law of Phil Corso I was

945

00:49:01,700 --> 00:48:59,739

friends with his nephew and I was

946

00:49:05,670 --> 00:49:01,710

clearing the second information back in

947

00:49:08,009 --> 00:49:05,680

1965 that took also live in his book and

948

00:49:11,279 --> 00:49:08,019

a lot of people like standing for men

949

00:49:13,979 --> 00:49:11,289

used to them and said it was all funny

950

00:49:17,640 --> 00:49:13,989

though it was funny why did I get the

951
00:49:25,739 --> 00:49:17,650
same information back in 65 that he will

952
00:49:28,049 --> 00:49:25,749
in 1997 well Stan Freeman was a great

953
00:49:33,239 --> 00:49:28,059
friend of mine and I feel his loss

954
00:49:36,269 --> 00:49:33,249
deeply and he did a great deal of good

955
00:49:38,130 --> 00:49:36,279
for the field of ufology but I didn't

956
00:49:41,819 --> 00:49:38,140
agree with him on every single point you

957
00:49:45,209 --> 00:49:41,829
know there was a few places where I

958
00:49:46,969 --> 00:49:45,219
didn't agree but that's neither here nor

959
00:49:50,200 --> 00:49:46,979
there it doesn't have to be 100 percent

960
00:49:52,690 --> 00:49:50,210
to be quite beneficial that he didn't

961
00:49:55,300 --> 00:49:52,700
good work yeah I couldn't agree with you

962
00:49:58,300 --> 00:49:55,310
more Travis and I butted heads with him

963
00:50:01,570 --> 00:49:58,310

I look so much respect he was so much

964

00:50:06,220 --> 00:50:01,580

fun to hang out with and and just a

965

00:50:08,589 --> 00:50:06,230

genuine guy and he could be insanely

966

00:50:11,109 --> 00:50:08,599

funny as well he had a great sense of

967

00:50:14,109 --> 00:50:11,119

humor but I butted heads with him too

968

00:50:20,410 --> 00:50:14,119

and I was so intimidated I chickened out

969

00:50:22,510 --> 00:50:20,420

Travis you know I give him lots of

970

00:50:24,880 --> 00:50:22,520

credit for you know he was one of the

971

00:50:27,370 --> 00:50:24,890

few researchers who actually came to

972

00:50:30,310 --> 00:50:27,380

snowflake before passing any kind of

973

00:50:33,339 --> 00:50:30,320

judgment visited me in my home visited

974

00:50:38,070 --> 00:50:33,349

the site spoke with all the crewmen did

975

00:50:41,380 --> 00:50:38,080

physical examination of things and

976
00:50:44,560 --> 00:50:41,390
further you know the various theories of

977
00:50:47,890 --> 00:50:44,570
the debunkers throughout there he dug up

978
00:50:49,720 --> 00:50:47,900
evidence that showed them to be a raving

979
00:50:54,790 --> 00:50:49,730
maniac some idiots and fools you know

980
00:50:56,079 --> 00:50:54,800
because m'as verifiable data that they

981
00:50:58,599 --> 00:50:56,089
should have uncovered if they were

982
00:51:00,810 --> 00:50:58,609
seriously investigating this rather than

983
00:51:03,270 --> 00:51:00,820
just coming up with a conclusion and

984
00:51:05,410 --> 00:51:03,280
scrambling for looking for some way to

985
00:51:08,320 --> 00:51:05,420
justify it right

986
00:51:12,010 --> 00:51:08,330
well Walt thank you for the thank you

987
00:51:16,839 --> 00:51:12,020
for the phone call yeah listen it's

988
00:51:20,170 --> 00:51:16,849

Freeman say say that again I wasn't

989

00:51:22,660 --> 00:51:20,180
trying to marginalize demolish or

990

00:51:24,700 --> 00:51:22,670
discredit the man and its work I I do

991

00:51:27,630 --> 00:51:24,710
like what he did he did a lot of good I

992

00:51:30,310 --> 00:51:27,640
was just upset when he criticized

993

00:51:33,400 --> 00:51:30,320
information that I got first and many

994

00:51:36,550 --> 00:51:33,410
years earlier and anything Travis they

995

00:51:39,880 --> 00:51:36,560
look at they look what the aliens look

996

00:51:41,500 --> 00:51:39,890
like I can still describe it I don't

997

00:51:43,660 --> 00:51:41,510
know if you have ever done that or not

998

00:51:45,940 --> 00:51:43,670
but I can tell you exactly what the

999

00:51:49,150 --> 00:51:45,950
little nuts look like and the big ones

1000

00:51:51,130 --> 00:51:49,160
I wasn't sure well there's probably far

1001
00:51:52,960 --> 00:51:51,140
more species than anybody you know some

1002
00:51:55,030 --> 00:51:52,970
people say oh they 15 species in

1003
00:51:56,890 --> 00:51:55,040
visiting the earth no they're 27 species

1004
00:51:59,290 --> 00:51:56,900
how would anybody know such a thing

1005
00:52:01,960 --> 00:51:59,300
right they're visitations are so

1006
00:52:03,600 --> 00:52:01,970
clandestine that you know I don't think

1007
00:52:06,150 --> 00:52:03,610
anybody knows the total

1008
00:52:08,220 --> 00:52:06,160
and it probably changes day to day I

1009
00:52:10,950 --> 00:52:08,230
think that's kind of an irrelevant point

1010
00:52:13,860 --> 00:52:10,960
but one thing I disagreed was Stan about

1011
00:52:15,360 --> 00:52:13,870
was he was basically saying this guy

1012
00:52:17,700 --> 00:52:15,370
can't be telling the truth because he

1013
00:52:20,520 --> 00:52:17,710

wasn't in the phone book the government

1014

00:52:22,530 --> 00:52:20,530

phone book and I know wait a minute

1015

00:52:24,330 --> 00:52:22,540

absence of evidence is not evidence of

1016

00:52:26,970 --> 00:52:24,340

absence you know if they wanted to keep

1017

00:52:29,130 --> 00:52:26,980

somebody's employment secret they one of

1018

00:52:31,470 --> 00:52:29,140

the first things you do is not publish a

1019

00:52:34,020 --> 00:52:31,480

phone book with their name in it yeah

1020

00:52:35,900 --> 00:52:34,030

we've got to take a break hey Walt thank

1021

00:52:38,880 --> 00:52:35,910

you for the phone call

1022

00:52:41,790 --> 00:52:38,890

thank you yeah thank you

1023

00:52:44,340 --> 00:52:41,800

and you bring up I've got I've got about

1024

00:52:47,550 --> 00:52:44,350

30 45 seconds but you bring that but one

1025

00:52:50,250 --> 00:52:47,560

of my favorite points Travis that there

1026
00:52:54,000 --> 00:52:50,260
are a trillion stars in our Milky Way

1027
00:52:58,320 --> 00:52:54,010
right there just a trillion a trillion

1028
00:53:01,140 --> 00:52:58,330
planets which says to me just to just

1029
00:53:05,040 --> 00:53:01,150
don't with that crazy number there are

1030
00:53:08,550 --> 00:53:05,050
millions of civilizations out there and

1031
00:53:12,480 --> 00:53:08,560
probably and a large chunk of that knows

1032
00:53:15,270 --> 00:53:12,490
about planet Earth yes now you know I've

1033
00:53:19,410 --> 00:53:15,280
often brought up the point that not all

1034
00:53:22,860 --> 00:53:19,420
of these civilizations are older than us

1035
00:53:25,400 --> 00:53:22,870
a lot more like cave aliens but those

1036
00:53:28,830 --> 00:53:25,410
aren't the ones that are coming here

1037
00:53:32,030 --> 00:53:28,840
there every range of development from

1038
00:53:34,620 --> 00:53:32,040

very primitive to extremely advanced

1039

00:53:37,050 --> 00:53:34,630

with technology and science and

1040

00:53:39,360 --> 00:53:37,060

knowledge and intelligence far beyond

1041

00:53:42,300 --> 00:53:39,370

anything we can even imagine yeah and if

1042

00:53:45,090 --> 00:53:42,310

we had the opportunity you know to go

1043

00:53:50,670 --> 00:53:45,100

interstellar and and go to a planet that

1044

00:53:53,910 --> 00:53:50,680

is in that evolutionary stage what are

1045

00:53:58,460 --> 00:53:53,920

we gonna suddenly show them what a smart

1046

00:54:01,350 --> 00:53:58,470

phone is and how to build computers no

1047

00:54:02,670 --> 00:54:01,360

it's not gonna happen let's take our

1048

00:54:06,300 --> 00:54:02,680

break right here our guest tonight

1049

00:54:08,640 --> 00:54:06,310

Travis Walton this is night two of our

1050

00:54:10,560 --> 00:54:08,650

call in week here on fade to black

1051
00:54:13,080 --> 00:54:10,570
tonight Travis Walton tomorrow night

1052
00:54:14,940 --> 00:54:13,090
Whitley Strieber Thursday night Richard

1053
00:54:16,190 --> 00:54:14,950
Dolan we'll be right back after this

1054
00:54:20,080 --> 00:54:16,200
short break with more of your

1055
00:54:57,759 --> 00:54:55,190
[Music]

1056
00:55:00,079 --> 00:54:57,769
[Applause]

1057
00:55:01,669 --> 00:55:00,089
welcome back pay the black I'm gonna be

1058
00:55:04,759 --> 00:55:01,679
Church our guest tonight Travis Walton

1059
00:55:06,819 --> 00:55:04,769
open lines all night long seven four

1060
00:55:10,269 --> 00:55:06,829
seven two two eight two zero five one

1061
00:55:15,469 --> 00:55:10,279
seven four seven two two eight two zero

1062
00:55:18,499 --> 00:55:15,479
five one and Travis before we get back

1063
00:55:21,639 --> 00:55:18,509

to the phones I want to ask you that I

1064

00:55:25,249 --> 00:55:21,649

don't want you to be uncomfortable but

1065

00:55:30,589 --> 00:55:25,259

here's an uncomfortable question do you

1066

00:55:34,729 --> 00:55:30,599

do you feel that you are monitored does

1067

00:55:38,659 --> 00:55:34,739

et know where you are now do you think

1068

00:55:41,479 --> 00:55:38,669

they followed you since 1975 I used to

1069

00:55:44,029 --> 00:55:41,489

be adamant no no this was just a random

1070

00:55:46,429 --> 00:55:44,039

act and it was just you know I can

1071

00:55:49,279 --> 00:55:46,439

walked away and you know if I stay away

1072

00:55:51,469 --> 00:55:49,289

from things that I see I'm perfectly

1073

00:55:53,989 --> 00:55:51,479

safe but I actually I think the opposite

1074

00:55:56,359 --> 00:55:53,999

now not only am i monitor I think we all

1075

00:55:58,729 --> 00:55:56,369

are and you might say how is that

1076

00:56:00,469 --> 00:55:58,739

possible well you know I'm looking at

1077

00:56:02,589 --> 00:56:00,479

this little cell phone in my hand and

1078

00:56:05,499 --> 00:56:02,599

thinking about the Utah data center

1079

00:56:08,289 --> 00:56:05,509

where the United States government

1080

00:56:11,719 --> 00:56:08,299

comparitively millions of years perhaps

1081

00:56:14,419 --> 00:56:11,729

less developed than the alien culture is

1082

00:56:16,459 --> 00:56:14,429

capable of recording every single

1083

00:56:19,179 --> 00:56:16,469

electronic communication on the face of

1084

00:56:21,859 --> 00:56:19,189

the earth right now if our primitive

1085

00:56:24,439 --> 00:56:21,869

technology can handle that certainly

1086

00:56:27,620 --> 00:56:24,449

they can handle keeping track of

1087

00:56:30,559 --> 00:56:27,630

individuals I I actually think contrary

1088

00:56:33,259 --> 00:56:30,569

to what I used to think that if you saw

1089

00:56:35,649 --> 00:56:33,269

one as a child and you see one as an

1090

00:56:38,749 --> 00:56:35,659

adult or they know what you and they

1091

00:56:42,679 --> 00:56:38,759

know about the connection do you do you

1092

00:56:45,379 --> 00:56:42,689

think that you have possibly

1093

00:56:49,729 --> 00:56:45,389

communicated or or that they are

1094

00:56:51,589 --> 00:56:49,739

understanding your frame of mine yep but

1095

00:56:52,939 --> 00:56:51,599

I can't prove it so you know I can say

1096

00:56:56,120 --> 00:56:52,949

all kinds of things I'll tell you what I

1097

00:56:59,870 --> 00:56:56,130

am absolutely certain of their presence

1098

00:57:00,319 --> 00:56:59,880

in a variety of forms but I can't prove

1099

00:57:04,159 --> 00:57:00,329

it

1100

00:57:06,079 --> 00:57:04,169

and I actually sort of hid that the

1101
00:57:08,479 --> 00:57:06,089
inquiry was have you ever seen one

1102
00:57:10,189 --> 00:57:08,489
before even at a pro at the time the

1103
00:57:11,420 --> 00:57:10,199
aerial phenomena research organization

1104
00:57:14,020 --> 00:57:11,430
right called anybody

1105
00:57:15,799 --> 00:57:14,030
had more than one experience a

1106
00:57:19,430 --> 00:57:15,809
quote-unquote repeater

1107
00:57:21,890 --> 00:57:19,440
and cast huge doubt on that on their

1108
00:57:25,250 --> 00:57:21,900
report because they thought they had

1109
00:57:30,440 --> 00:57:25,260
eggs against such a sighting or an

1110
00:57:32,089 --> 00:57:30,450
encounter were so vastly a tiny that if

1111
00:57:34,280 --> 00:57:32,099
you had more than one that had defied

1112
00:57:38,030 --> 00:57:34,290
the odds well I don't think that's true

1113
00:57:40,670 --> 00:57:38,040

at all I think that more than one

1114

00:57:43,370 --> 00:57:40,680

sighting or experiences probably

1115

00:57:45,980 --> 00:57:43,380

experienced pretty commonly across the

1116

00:57:52,040 --> 00:57:45,990

planet you know why don't they come

1117

00:57:54,260 --> 00:57:52,050

forward and say you know hi Jimmy good

1118

00:57:56,109 --> 00:57:54,270

to see you again and you know that thing

1119

00:58:01,069 --> 00:57:56,119

we did when you were six years old

1120

00:58:04,730 --> 00:58:01,079

forgiveness for that really I think the

1121

00:58:07,700 --> 00:58:04,740

connection is there and they don't need

1122

00:58:11,319 --> 00:58:07,710

to make us aware of it but but I think

1123

00:58:15,079 --> 00:58:11,329

they are aware of it and it's not that

1124

00:58:17,569 --> 00:58:15,089

it's just data right huge amounts of

1125

00:58:19,339 --> 00:58:17,579

information and that would be probably

1126

00:58:21,829 --> 00:58:19,349

the first thing that they would master

1127

00:58:24,609 --> 00:58:21,839

do you ever do you ever go out look up

1128

00:58:28,400 --> 00:58:24,619

at the stars and go okay

1129

00:58:32,349 --> 00:58:28,410

come on back I've got questions now we

1130

00:58:34,400 --> 00:58:32,359

didn't finish the first time around I

1131

00:58:36,289 --> 00:58:34,410

definitely think there's some unfinished

1132

00:58:39,920 --> 00:58:36,299

business here but I don't think I can

1133

00:58:46,549 --> 00:58:39,930

summon them I think they are keeping an

1134

00:58:49,700 --> 00:58:46,559

eye on things and they're going to yeah

1135

00:58:51,829 --> 00:58:49,710

look the thing that people say is how

1136

00:58:55,099 --> 00:58:51,839

come all of these experiences that

1137

00:58:57,549 --> 00:58:55,109

people have are always just short of

1138

00:59:01,099 --> 00:58:57,559

absolute proof how come we don't have

1139

00:59:03,950 --> 00:59:01,109

you know real clear photographs of them

1140

00:59:05,809 --> 00:59:03,960

or you know that sort of thing well

1141

00:59:07,549 --> 00:59:05,819

because they're in control of that

1142

00:59:09,799 --> 00:59:07,559

they're not stupid they're extremely

1143

00:59:13,069 --> 00:59:09,809

intelligent and the degree of proven

1144

00:59:16,700 --> 00:59:13,079

ability that humans are allowed is just

1145

00:59:18,770 --> 00:59:16,710

deliberately just shy of anything that's

1146

00:59:21,349 --> 00:59:18,780

going to create that kind of huge

1147

00:59:24,799 --> 00:59:21,359

disruption even even the gun camera

1148

00:59:25,400 --> 00:59:24,809

footage the Navy pilots a god it's just

1149

00:59:26,900 --> 00:59:25,410

shy

1150

00:59:29,420 --> 00:59:26,910

something that you know at that point

1151
00:59:31,520 --> 00:59:29,430
all they can say is well this is

1152
00:59:35,270 --> 00:59:31,530
something that can behave in ways that

1153
00:59:37,670 --> 00:59:35,280
nothing we know Afghan you know it's

1154
00:59:39,770 --> 00:59:37,680
nothing like hey we got a good clear

1155
00:59:41,600 --> 00:59:39,780
shot of alien speaking out the window or

1156
00:59:44,920 --> 00:59:41,610
something that's it's not gonna be like

1157
00:59:48,890 --> 00:59:44,930
that and I don't expect it to be I think

1158
00:59:52,880 --> 00:59:48,900
these glimpses are not a case where the

1159
00:59:56,600 --> 00:59:52,890
these mains are slapping their forehead

1160
00:59:57,950 --> 00:59:56,610
and saying oops damn Oh humans spotted

1161
00:59:59,000 --> 00:59:57,960
me again I guess I better be more

1162
01:00:01,460 --> 00:59:59,010
careful next time

1163
01:00:03,830 --> 01:00:01,470

right not at all I think that they're

1164

01:00:05,690 --> 01:00:03,840

smart enough and have the technology

1165

01:00:06,940 --> 01:00:05,700

where they could do everything they're

1166

01:00:09,800 --> 01:00:06,950

doing here and remain completely

1167

01:00:12,890 --> 01:00:09,810

undetected I think the glimpses that

1168

01:00:15,890 --> 01:00:12,900

people are getting are nudging us

1169

01:00:18,770 --> 01:00:15,900

towards a an acceptance of a reality

1170

01:00:21,380 --> 01:00:18,780

that we need to be aware of but not in

1171

01:00:24,050 --> 01:00:21,390

such an abrupt way is to create a panic

1172

01:00:25,640 --> 01:00:24,060

or worldwide economic collapse or

1173

01:00:27,790 --> 01:00:25,650

something you know the tens of bad

1174

01:00:31,220 --> 01:00:27,800

consequences that could happen if they

1175

01:00:34,310 --> 01:00:31,230

rushed it yeah and and we didn't

1176
01:00:35,960 --> 01:00:34,320
collapse two years ago in 2017 for sure

1177
01:00:38,810 --> 01:00:35,970
let's go back to the phones hi you're

1178
01:00:40,790 --> 01:00:38,820
live on fade to black who's calling hi

1179
01:00:51,080 --> 01:00:40,800
Jimmy it's Andy in Dallas

1180
01:00:52,760 --> 01:00:51,090
hi sandy say hi to Travis Walton right

1181
01:00:55,490 --> 01:00:52,770
on sandy what have you got for Travis

1182
01:01:00,200 --> 01:00:55,500
tonight all right I'm gonna change it up

1183
01:01:03,550 --> 01:01:00,210
hey Travis do you know yeah I'm

1184
01:01:14,450 --> 01:01:03,560
listening what was the question

1185
01:01:18,940 --> 01:01:14,460
do you know Q are you following okay so

1186
01:01:24,590 --> 01:01:18,950
what sandy is referencing is there is

1187
01:01:27,650 --> 01:01:24,600
this person or group it's not really

1188
01:01:31,460 --> 01:01:27,660

known for sure that has been posting out

1189

01:01:34,520 --> 01:01:31,470

there on a few different forums that

1190

01:01:37,820 --> 01:01:34,530

goes by the name Q well the latter part

1191

01:01:39,410 --> 01:01:37,830

of the show is Q and a so they had me

1192

01:01:42,970 --> 01:01:39,420

there for a second

1193

01:01:45,950 --> 01:01:42,980

have you been following this queue stuff

1194

01:01:48,050 --> 01:01:45,960

okay well there's your answer sandy so

1195

01:01:52,820 --> 01:01:48,060

sandy I'll give you one do you have a

1196

01:01:56,540 --> 01:01:52,830

second question for Travis all right

1197

01:02:01,220 --> 01:01:56,550

sandy enjoy the rest of your night here

1198

01:02:04,820 --> 01:02:01,230

I've really got my hands full keep up

1199

01:02:07,880 --> 01:02:04,830

with everything yeah and there is

1200

01:02:11,450 --> 01:02:07,890

I'll send you some info tomorrow over

1201

01:02:16,280 --> 01:02:11,460

the last couple of weeks there's been

1202

01:02:19,970 --> 01:02:16,290

this data drop of images and video and

1203

01:02:23,120 --> 01:02:19,980

text that was allegedly found on a USB

1204

01:02:25,790 --> 01:02:23,130

Drive over in Germany we've got the

1205

01:02:29,870 --> 01:02:25,800

files now and some of the videos have

1206

01:02:33,140 --> 01:02:29,880

been posted and it's it's very

1207

01:02:36,079 --> 01:02:33,150

interesting that's all I can say is this

1208

01:02:38,240 --> 01:02:36,089

is this the biggest UFO story of the

1209

01:02:40,040 --> 01:02:38,250

century I don't know is this a game

1210

01:02:42,980 --> 01:02:40,050

that's being played I don't know but

1211

01:02:44,870 --> 01:02:42,990

there's a lot of a data that we're going

1212

01:02:47,420 --> 01:02:44,880

through now send you some more on that

1213

01:02:48,589 --> 01:02:47,430

tomorrow let's go back to the phones hi

1214

01:02:57,339 --> 01:02:48,599

you're live on fade to black who's

1215

01:03:01,790 --> 01:02:57,349

calling you're live Oh me yes yes you

1216

01:03:04,880 --> 01:03:01,800

know rubbish Oh buddy how you doing hi

1217

01:03:06,470 --> 01:03:04,890

neo how are you tonight oh man I've been

1218

01:03:08,510 --> 01:03:06,480

working on the elements you know I'm a

1219

01:03:12,140 --> 01:03:08,520

doing that scientific research I found

1220

01:03:17,300 --> 01:03:12,150

out some stuff about cotton cotton seeds

1221

01:03:20,030 --> 01:03:17,310

and coffee coffee works like salt man

1222

01:03:22,880 --> 01:03:20,040

you pour that stuff around your car and

1223

01:03:25,760 --> 01:03:22,890

stuff then burn spirits can't stand it

1224

01:03:27,620 --> 01:03:25,770

dude okay Neal well I drink a lot of

1225

01:03:32,540 --> 01:03:27,630

coffee so I'm always in the safe zone

1226
01:03:40,790 --> 01:03:32,550
what do you have for Travis tonight well

1227
01:03:46,339 --> 01:03:40,800
a UFO guy Travis Walton yeah Neil Neil

1228
01:03:48,410 --> 01:03:46,349
you need to get some sleep all right I

1229
01:03:50,550 --> 01:03:48,420
just called in I saw his freak calls and

1230
01:03:52,800 --> 01:03:50,560
I wanted to talk to the guy but

1231
01:03:56,190 --> 01:03:52,810
I'm sorry I don't know much about him

1232
01:03:57,870 --> 01:03:56,200
you know that's okay but but I'm doing

1233
01:04:00,510 --> 01:03:57,880
the open eye project I'm the one that

1234
01:04:05,370 --> 01:04:00,520
sees invisible dimensions maybe I could

1235
01:04:08,070 --> 01:04:05,380
ask him a question about why why am I

1236
01:04:09,870 --> 01:04:08,080
the only one doing this research it

1237
01:04:12,240 --> 01:04:09,880
seems like there should be more of us

1238
01:04:15,540 --> 01:04:12,250

doing it well you're not the only one

1239

01:04:17,970 --> 01:04:15,550

there's lots of people doing it and and

1240

01:04:19,830 --> 01:04:17,980

there are many people who make fun of us

1241

01:04:21,860 --> 01:04:19,840

who are doing this kind of research but

1242

01:04:25,380 --> 01:04:21,870

you know it comes with the territory so

1243

01:04:28,740 --> 01:04:25,390

you know roll with the punches yeah yeah

1244

01:04:32,130 --> 01:04:28,750

yeah you know you gotta go with what you

1245

01:04:34,380 --> 01:04:32,140

believe in man and never stop I'm

1246

01:04:37,850 --> 01:04:34,390

fighting look I figured out I bind I

1247

01:04:41,100 --> 01:04:37,860

binded demons all the way to Mars dude I

1248

01:04:44,100 --> 01:04:41,110

this Halloween I found some demon and I

1249

01:04:46,050 --> 01:04:44,110

tied them up behind their back dude I'm

1250

01:04:48,890 --> 01:04:46,060

fighting a war and look they got this

1251

01:04:52,770 --> 01:04:48,900

darkness I want to talk to you about it

1252

01:04:55,860 --> 01:04:52,780

the elements I was working with when I

1253

01:04:57,840 --> 01:04:55,870

started burning the darkness the spirit

1254

01:05:00,420 --> 01:04:57,850

started saying in the dimension it says

1255

01:05:02,730 --> 01:05:00,430

the darkness is burning in the bunch of

1256

01:05:04,620 --> 01:05:02,740

them sort of saying burn burn keep on

1257

01:05:06,750 --> 01:05:04,630

burning the darkness so with my

1258

01:05:09,540 --> 01:05:06,760

consciousness and I was using the

1259

01:05:14,840 --> 01:05:09,550

element I figured a way to burn this

1260

01:05:17,760 --> 01:05:14,850

darkness okay and it's working okay well

1261

01:05:18,560 --> 01:05:17,770

I'd like to talk to you about it another

1262

01:05:23,580 --> 01:05:18,570

time

1263

01:05:25,320 --> 01:05:23,590

absolutely Neil yeah I was talking to

1264

01:05:27,690 --> 01:05:25,330

Eric I said Darren Eric

1265

01:05:29,940 --> 01:05:27,700

I was hoping Eric would try to get me on

1266

01:05:32,250 --> 01:05:29,950

your show you know be a guest or

1267

01:05:34,470 --> 01:05:32,260

whatever because look I found out some

1268

01:05:37,440 --> 01:05:34,480

great stuff and I'm fighting a battle

1269

01:05:39,780 --> 01:05:37,450

dude all right yeah well tonight it's

1270

01:05:43,110 --> 01:05:39,790

about Travis Walton so I'll let you go

1271

01:05:46,530 --> 01:05:43,120

for now but the next Fator night Colin

1272

01:05:51,990 --> 01:05:46,540

and we'll have a longer chat okay yeah

1273

01:05:53,790 --> 01:05:52,000

thank you so much Neil and goes right

1274

01:05:56,100 --> 01:05:53,800

back to what we were just talking about

1275

01:05:59,040 --> 01:05:56,110

earlier though Travis the religious

1276

01:06:02,830 --> 01:05:59,050

component of this is something that we

1277

01:06:05,920 --> 01:06:02,840

can't we can't ignore but for me it's

1278

01:06:10,270 --> 01:06:05,930

not necessarily directly what Neal was

1279

01:06:13,660 --> 01:06:10,280

referring to I'm referring to ancient

1280

01:06:15,610 --> 01:06:13,670

history and religion and and angels and

1281

01:06:17,740 --> 01:06:15,620

communication to the stars and

1282

01:06:21,210 --> 01:06:17,750

information coming from the stars and

1283

01:06:25,570 --> 01:06:21,220

and you know somebody has spoken to us

1284

01:06:28,720 --> 01:06:25,580

I've always felt that that if you

1285

01:06:30,730 --> 01:06:28,730

exchange don't want that's I don't wanna

1286

01:06:35,470 --> 01:06:30,740

sound like some heretic but if you

1287

01:06:38,470 --> 01:06:35,480

exchange angels in the Bible with aliens

1288

01:06:40,990 --> 01:06:38,480

or et you've got a pretty solid story

1289

01:06:43,870 --> 01:06:41,000

there what that makes a lot of sense

1290

01:06:45,790 --> 01:06:43,880

that can sometimes be interchangeable in

1291

01:06:48,490 --> 01:06:45,800

people's interpretation of things they

1292

01:06:51,220 --> 01:06:48,500

just didn't know how else to describe it

1293

01:06:54,040 --> 01:06:51,230

you know even even the early Native

1294

01:06:55,840 --> 01:06:54,050

Americans didn't call them aliens they

1295

01:07:00,940 --> 01:06:55,850

call them the sky people and it's just

1296

01:07:02,830 --> 01:07:00,950

you know what what you have to figure it

1297

01:07:05,050 --> 01:07:02,840

in terms of what you know yeah because

1298

01:07:07,330 --> 01:07:05,060

you know two three thousand years ago

1299

01:07:10,780 --> 01:07:07,340

two thousand years ago if you're in

1300

01:07:13,540 --> 01:07:10,790

communication with something like that

1301

01:07:16,540 --> 01:07:13,550

some et being you're not going to go

1302

01:07:20,140 --> 01:07:16,550

back to the village and try to explain

1303

01:07:23,890 --> 01:07:20,150

to them et might be burned at the stake

1304

01:07:28,240 --> 01:07:23,900

right if you got to go with God I just

1305

01:07:29,890 --> 01:07:28,250

met with God and he said well okay then

1306

01:07:31,390 --> 01:07:29,900

there won't be any panic in the streets

1307

01:07:36,490 --> 01:07:31,400

let's go back to the phones how your

1308

01:07:39,400 --> 01:07:36,500

live on fade to black who's calling hey

1309

01:07:42,780 --> 01:07:39,410

Eric how are you say how to Travis hello

1310

01:07:44,980 --> 01:07:42,790

mr. Walton how are you sir I'm thank you

1311

01:07:47,050 --> 01:07:44,990

we've had the opportunity to meet a few

1312

01:07:48,730 --> 01:07:47,060

times you probably recognize me if I sit

1313

01:07:50,860 --> 01:07:48,740

you saw me but I want to ask you two

1314

01:07:54,190 --> 01:07:50,870

questions take your time with the answer

1315

01:07:57,160 --> 01:07:54,200

the first question is in that moment

1316

01:07:59,560 --> 01:07:57,170

that going back to nineteen I believe 74

1317

01:08:02,730 --> 01:07:59,570

or 75 when when you got out of the truck

1318

01:08:07,150 --> 01:08:02,740

and and this I'm just going to call it

1319

01:08:08,590 --> 01:08:07,160

this energy that came from this source

1320

01:08:12,010 --> 01:08:08,600

where there was a craft or whatever it

1321

01:08:15,130 --> 01:08:12,020

came and it knocked you back yeah okay

1322

01:08:16,479 --> 01:08:15,140

now looking looking back now you have

1323

01:08:18,669 --> 01:08:16,489

the the discernment

1324

01:08:20,709 --> 01:08:18,679

and the hindsight and everything that

1325

01:08:23,140 --> 01:08:20,719

you've been able learn why do you think

1326

01:08:25,120 --> 01:08:23,150

that why do you think that those that

1327

01:08:27,609 --> 01:08:25,130

that was a conscious source that seems

1328

01:08:30,009 --> 01:08:27,619

to beat it whatever it was that fired

1329

01:08:31,539 --> 01:08:30,019

that energy at you I don't know fired is

1330

01:08:33,819 --> 01:08:31,549

the right word but directed that energy

1331

01:08:36,089 --> 01:08:33,829

yet you it was conscious and it did that

1332

01:08:40,299 --> 01:08:36,099

for a reason why do you think that was

1333

01:08:42,399 --> 01:08:40,309

well that's a leap that I made it first

1334

01:08:45,399 --> 01:08:42,409

but I no longer go there you know I

1335

01:08:48,009 --> 01:08:45,409

think that this energy discharge could

1336

01:08:53,349 --> 01:08:48,019

have had something to do with me getting

1337

01:08:56,109 --> 01:08:53,359

too close and just being something that

1338

01:09:00,430 --> 01:08:56,119

would ground the energy now earlier in

1339

01:09:03,039 --> 01:09:00,440

the show I described the high frequency

1340

01:09:07,059 --> 01:09:03,049

of lightning strikes in the rim area

1341

01:09:08,379 --> 01:09:07,069

there well this this high-energy I mean

1342

01:09:11,470 --> 01:09:08,389

it's it's been so high that I've

1343

01:09:13,079 --> 01:09:11,480

actually seen what looked like lightning

1344

01:09:17,109 --> 01:09:13,089

coming out of a clear blue sky I mean

1345

01:09:22,660 --> 01:09:17,119

it's it's a charge that's there now now

1346

01:09:25,149 --> 01:09:22,670

just what if the craft itself generated

1347

01:09:29,649 --> 01:09:25,159

some sort of an electromagnetic field

1348

01:09:33,069 --> 01:09:29,659

that triggered a strike and the this

1349

01:09:36,099 --> 01:09:33,079

blast of just simple lightning hit the

1350

01:09:39,309 --> 01:09:36,109

craft and me being the next closest

1351

01:09:42,370 --> 01:09:39,319

thing to ground was the secondary

1352

01:09:46,959 --> 01:09:42,380

discharge so some kind of a freak

1353

01:09:52,209 --> 01:09:46,969

accident possibly injuring or killing me

1354

01:09:54,009 --> 01:09:52,219

and nobody can fix it but them nearest

1355

01:09:57,430 --> 01:09:54,019

hospitals and honking away none of the

1356

01:10:00,580 --> 01:09:57,440

crew know CPR and it was more of a

1357

01:10:03,370 --> 01:10:00,590

rescue than an attack that's the

1358

01:10:05,379 --> 01:10:03,380

impression I got and I mean I've been

1359

01:10:07,029 --> 01:10:05,389

researching for about four years and I

1360

01:10:08,229 --> 01:10:07,039

mean and this is I'm not going to tell

1361

01:10:10,509 --> 01:10:08,239

you this because I'm trying to make you

1362

01:10:13,359 --> 01:10:10,519

feel good but I honestly haven't met

1363

01:10:15,189 --> 01:10:13,369

anyone that's come close to is this as

1364

01:10:17,350 --> 01:10:15,199

believable as you are not even in the

1365

01:10:22,089 --> 01:10:17,360

same ballpark but and what I wanted to

1366

01:10:23,410 --> 01:10:22,099

ask you is may May 3rd 2018 I was

1367

01:10:25,419 --> 01:10:23,420

listening to you talk on a radio show

1368

01:10:27,850 --> 01:10:25,429

was about 6:30 at night I was driving

1369

01:10:29,500 --> 01:10:27,860

from Arizona to California we're going

1370

01:10:29,979 --> 01:10:29,510

to go to Joshua Tree this is going to

1371

01:10:32,049 --> 01:10:29,989

real quick

1372

01:10:35,529 --> 01:10:32,059

story took a ride on Kel Becca rode

1373

01:10:38,319 --> 01:10:35,539

women to the mojave dunes near Kelso and

1374

01:10:40,149 --> 01:10:38,329

I pulled over seven miles in because I

1375

01:10:43,120 --> 01:10:40,159

was losing cell service that I wanted to

1376

01:10:46,209 --> 01:10:43,130

hear what you were saying and I saw this

1377

01:10:47,830 --> 01:10:46,219

object if Jimmy knows this story I'm

1378

01:10:49,419 --> 01:10:47,840

gonna say was about 40 feet around it

1379

01:10:51,910 --> 01:10:49,429

was about a hundred yards away in the

1380

01:10:55,060 --> 01:10:51,920

sky it was still gonna walk it was

1381

01:10:56,290 --> 01:10:55,070

reflective I look Crone to me but the

1382

01:10:59,529 --> 01:10:56,300

reason why I even tell you the story is

1383

01:11:02,350 --> 01:10:59,539

because I saw that in the daylight I

1384

01:11:04,660 --> 01:11:02,360

became convinced that the phenomena was

1385

01:11:06,879 --> 01:11:04,670

real that's what it took for me to get

1386

01:11:10,270 --> 01:11:06,889

to the point where I wasn't did I didn't

1387

01:11:12,669 --> 01:11:10,280

have any time but I became a believer so

1388

01:11:16,000 --> 01:11:12,679

I was on a research tear I came across

1389

01:11:18,640 --> 01:11:16,010

this Eric Mitchell and I got to talk to

1390

01:11:20,080 --> 01:11:18,650

him quite a bit on Facebook he allowed

1391

01:11:22,600 --> 01:11:20,090

me to interview him and he did mention

1392

01:11:24,279 --> 01:11:22,610

that he spent some time with you and I'm

1393

01:11:26,439 --> 01:11:24,289

wearing are you comfortable talking all

1394

01:11:27,759 --> 01:11:26,449

about that experience your time that you

1395

01:11:30,430 --> 01:11:27,769

spent with him and what you thought

1396

01:11:32,350 --> 01:11:30,440

about his story seems like a lot of

1397

01:11:35,669 --> 01:11:32,360

people don't know much about him but I

1398

01:11:38,379 --> 01:11:35,679

think his story to me feels very genuine

1399

01:11:42,430 --> 01:11:38,389

yeah yeah yeah and you know he's had

1400

01:11:43,930 --> 01:11:42,440

some lasting effects that really ought

1401
01:11:46,330 --> 01:11:43,940
to be checked out I mean it's right

1402
01:11:49,330 --> 01:11:46,340
there researchers can see it for

1403
01:11:52,000 --> 01:11:49,340
themselves so I think his cases are

1404
01:11:56,709 --> 01:11:52,010
particularly interesting but you know

1405
01:11:59,939 --> 01:11:56,719
I've seen things a number of times going

1406
01:12:03,160 --> 01:11:59,949
back to my childhood that make me

1407
01:12:05,529 --> 01:12:03,170
absolutely certain that the phenomena is

1408
01:12:07,330 --> 01:12:05,539
real now it's not impossible for

1409
01:12:11,939 --> 01:12:07,340
somebody to convince me that it's not

1410
01:12:18,729 --> 01:12:14,739
pretending to be aliens that's not

1411
01:12:20,830 --> 01:12:18,739
impossible highly highly unlikely that

1412
01:12:23,770 --> 01:12:20,840
we possess that kind of technology and

1413
01:12:29,049 --> 01:12:23,780

keep it a secret I mean how many secrets

1414

01:12:31,060 --> 01:12:29,059

get kept you know but well if somebody

1415

01:12:33,700 --> 01:12:31,070

can give me evidence that gives me a

1416

01:12:36,759 --> 01:12:33,710

reason to believe it's something other

1417

01:12:38,529 --> 01:12:36,769

than what I think it is right all this I

1418

01:12:40,719 --> 01:12:38,539

don't begin with a conclusion that's

1419

01:12:43,689 --> 01:12:40,729

what the debunkers do they start with a

1420

01:12:48,520 --> 01:12:43,699

conclusion and look for ways to

1421

01:12:53,530 --> 01:12:48,530

and justify it and mustaine on this

1422

01:12:55,930 --> 01:12:53,540

where you know the the my lab phenomenon

1423

01:12:59,919 --> 01:12:55,940

that is out there so many people have

1424

01:13:03,189 --> 01:12:59,929

shared these experiences and I think

1425

01:13:08,590 --> 01:13:03,199

about that some type of staged you know

1426

01:13:11,200 --> 01:13:08,600

alien abduction to maybe plant memories

1427

01:13:14,770 --> 01:13:11,210

or ideas or to cover up an actual

1428

01:13:18,220 --> 01:13:14,780

sighting that may be in the area there's

1429

01:13:20,169 --> 01:13:18,230

that part of it there's that's right

1430

01:13:24,000 --> 01:13:20,179

that's right and then there's this other

1431

01:13:28,919 --> 01:13:24,010

part of it where there have been so many

1432

01:13:33,070 --> 01:13:28,929

abduction experiences that have had

1433

01:13:37,149 --> 01:13:33,080

military in uniform people standing in

1434

01:13:40,120 --> 01:13:37,159

the background almost as observers not

1435

01:13:43,540 --> 01:13:40,130

part of the abduction but they seem to

1436

01:13:46,330 --> 01:13:43,550

be involved for some reason unless

1437

01:13:51,160 --> 01:13:46,340

they're impersonators or imposters you

1438

01:13:53,260 --> 01:13:51,170

know who knows and if there is some sort

1439

01:13:56,020 --> 01:13:53,270
of a thing that's created by the

1440

01:13:57,910 --> 01:13:56,030
government it doesn't a remove the

1441

01:14:00,370 --> 01:13:57,920
possibility that there's another real

1442

01:14:02,590 --> 01:14:00,380
phenomena totally aside from them it

1443

01:14:05,919 --> 01:14:02,600
doesn't have to be one or the other just

1444

01:14:07,720 --> 01:14:05,929
like many of the explanations you know

1445

01:14:09,850 --> 01:14:07,730
sometimes even some of the explanations

1446

01:14:11,560 --> 01:14:09,860
the debunkers grab a hold of but they

1447

01:14:14,830 --> 01:14:11,570
act like well I've solved the entire

1448

01:14:18,430 --> 01:14:14,840
mystery if I can prove any one case is

1449

01:14:22,930 --> 01:14:18,440
really a meteor or satellite falling

1450

01:14:25,270 --> 01:14:22,940
from the sky or whatever each case

1451

01:14:27,160 --> 01:14:25,280

stands on its own and you don't judge

1452

01:14:29,890 --> 01:14:27,170

the entire phenomenon on the basis of

1453

01:14:35,050 --> 01:14:29,900

any single case well while I have Eric

1454

01:14:39,580 --> 01:14:35,060

on the line let me ask you this is there

1455

01:14:42,970 --> 01:14:39,590

a case out there that even for you you

1456

01:14:45,550 --> 01:14:42,980

raise an eyebrow and go okay you've got

1457

01:14:49,240 --> 01:14:45,560

my attention is there is there one that

1458

01:14:53,589 --> 01:14:49,250

stands out for you oh yeah yeah but I

1459

01:14:55,419 --> 01:14:53,599

can't go down the line and start picking

1460

01:14:56,770 --> 01:14:55,429

and choosing I said well how about this

1461

01:14:58,629 --> 01:14:56,780

one how about that one and then

1462

01:15:01,720 --> 01:14:58,639

you know the ones that I don't say yes

1463

01:15:03,189 --> 01:15:01,730

to then I just well you know it gets

1464

01:15:05,379 --> 01:15:03,199

kind of complicated I've tried to stay

1465

01:15:07,810 --> 01:15:05,389

away from passing judgment on cases that

1466

01:15:11,589 --> 01:15:07,820

I haven't investigated personally and

1467

01:15:13,330 --> 01:15:11,599

that's all of them I haven't I've been

1468

01:15:16,479 --> 01:15:13,340

so involved in trying to you know

1469

01:15:18,549 --> 01:15:16,489

research and do regards to my own case

1470

01:15:21,040 --> 01:15:18,559

that you know I've really gotten my

1471

01:15:23,080 --> 01:15:21,050

hands full there's some really

1472

01:15:24,279 --> 01:15:23,090

exceptional cases and there's some

1473

01:15:26,109 --> 01:15:24,289

really bad ones

1474

01:15:30,129 --> 01:15:26,119

let me tell you about some of the bad

1475

01:15:32,919 --> 01:15:30,139

ones only specifically identifying

1476

01:15:36,760 --> 01:15:32,929

individuals but but there's two or three

1477

01:15:40,029 --> 01:15:36,770

individuals who are coming out and all

1478

01:15:41,830 --> 01:15:40,039

sudden they're saying I was inside the

1479

01:15:43,959 --> 01:15:41,840

government I knew the whole damn thing

1480

01:15:46,799 --> 01:15:43,969

and here's here I'm laying it all out

1481

01:15:50,200 --> 01:15:46,809

there section this column this

1482

01:15:52,660 --> 01:15:50,210

organization this alphabet soup labels

1483

01:15:54,879 --> 01:15:52,670

but you know these three or four

1484

01:15:58,779 --> 01:15:54,889

different people that know the whole

1485

01:16:03,790 --> 01:15:58,789

story not one detail is the same for

1486

01:16:06,729 --> 01:16:03,800

each of them so I know okay maybe maybe

1487

01:16:10,720 --> 01:16:06,739

they're all true but it certainly

1488

01:16:13,660 --> 01:16:10,730

doesn't add support for people to be

1489

01:16:16,870 --> 01:16:13,670

saying that you know I was inside I knew

1490

01:16:21,629 --> 01:16:16,880

all this I had I was privy to the to the

1491

01:16:24,939 --> 01:16:21,639

details of the you know which which

1492

01:16:27,399 --> 01:16:24,949

department was in charge here which

1493

01:16:29,470 --> 01:16:27,409

authority ruled this all this kind of

1494

01:16:34,439 --> 01:16:29,480

stuff and they don't agree with each

1495

01:16:38,890 --> 01:16:34,449

other it's just a question well is there

1496

01:16:44,830 --> 01:16:38,900

before we head to the break for you I am

1497

01:16:47,260 --> 01:16:44,840

sure that there are details still with

1498

01:16:49,120 --> 01:16:47,270

your own experience that you haven't

1499

01:16:52,390 --> 01:16:49,130

shared and I understand that I'm not

1500

01:16:53,740 --> 01:16:52,400

asking for those details but people come

1501

01:16:56,799 --> 01:16:53,750

up to you all the time and share their

1502

01:17:00,459 --> 01:16:56,809

experiences have you had that moment

1503

01:17:03,010 --> 01:17:00,469

where somebody is telling you about what

1504

01:17:06,370 --> 01:17:03,020

has happened and they say something that

1505

01:17:09,189 --> 01:17:06,380

only you know where you pump the brakes

1506

01:17:09,709 --> 01:17:09,199

and go oh holy crap okay we need to pay

1507

01:17:12,020 --> 01:17:09,719

attention

1508

01:17:13,700 --> 01:17:12,030

here as that happened yeah yeah there

1509

01:17:15,950 --> 01:17:13,710

are cases like that you know that uh

1510

01:17:17,990 --> 01:17:15,960

well I guess you'd call it ringing a

1511

01:17:20,990 --> 01:17:18,000

bell but you know there are cases were

1512

01:17:24,590 --> 01:17:21,000

ringing the true with things that are

1513

01:17:26,870 --> 01:17:24,600

familiar and but like I say I'm not

1514

01:17:30,670 --> 01:17:26,880

gonna list them in chapter verse I got a

1515

01:17:34,850 --> 01:17:30,680

whole litany of descriptions on belief

1516

01:17:36,890 --> 01:17:34,860

not belief and disbelief you know we

1517

01:17:38,959 --> 01:17:36,900

have to define our terms here if I

1518

01:17:42,170 --> 01:17:38,969

believe acts that means I I hold it to

1519

01:17:43,760 --> 01:17:42,180

be true if you ask me if I do believe it

1520

01:17:44,930 --> 01:17:43,770

and I say no that doesn't mean I

1521

01:17:47,000 --> 01:17:44,940

disbelieve it

1522

01:17:49,400 --> 01:17:47,010

I just haven't put it in the category of

1523

01:17:51,020 --> 01:17:49,410

one that I know to be true a lot of

1524

01:17:53,780 --> 01:17:51,030

people don't understand that at all they

1525

01:17:56,360 --> 01:17:53,790

think wow you're splitting hairs here

1526

01:17:58,610 --> 01:17:56,370

it's kind of like like a court verdict

1527

01:18:02,780 --> 01:17:58,620

you know where they say this this guy's

1528

01:18:04,910 --> 01:18:02,790

verdict was innocent well this guy's

1529

01:18:06,560 --> 01:18:04,920

verdict over here is not guilty now

1530

01:18:07,570 --> 01:18:06,570

what's the difference well there is a

1531

01:18:10,010 --> 01:18:07,580

huge difference

1532

01:18:11,720 --> 01:18:10,020

innocent means the government found out

1533

01:18:14,330 --> 01:18:11,730

that you couldn't have done it you were

1534

01:18:16,400 --> 01:18:14,340

in another state or somebody else did it

1535

01:18:19,430 --> 01:18:16,410

whatever or the crime never occurred

1536

01:18:22,100 --> 01:18:19,440

whatever you know that's innocent but

1537

01:18:26,860 --> 01:18:22,110

not guilty means that the state was

1538

01:18:29,570 --> 01:18:26,870

unable to have sufficient evidence to

1539

01:18:32,209 --> 01:18:29,580

reach the level of something that you'd

1540

01:18:34,729 --> 01:18:32,219

call proof and it's a whole different

1541

01:18:37,160 --> 01:18:34,739

thing and in either case the person

1542

01:18:39,380 --> 01:18:37,170

walks free but they're two different

1543

01:18:40,939 --> 01:18:39,390

things altogether so when people say do

1544

01:18:43,070 --> 01:18:40,949

you believe that and I say no that

1545

01:18:47,030 --> 01:18:43,080

doesn't mean I'm just believing it just

1546

01:18:49,189 --> 01:18:47,040

means I haven't you know adopted into

1547

01:18:51,979 --> 01:18:49,199

the the truth box it's a different box

1548

01:18:54,320 --> 01:18:51,989

right right I wanted to ask you this

1549

01:18:57,800 --> 01:18:54,330

I've been looking forward to this

1550

01:19:02,810 --> 01:18:57,810

conversation we recently had a Calvin

1551
01:19:04,459 --> 01:19:02,820
Parker on the show and I do I say it out

1552
01:19:07,070 --> 01:19:04,469
of the gate what a great guy what a

1553
01:19:10,100 --> 01:19:07,080
great personality his feet are on the

1554
01:19:14,140 --> 01:19:10,110
ground and I think he's a very honest

1555
01:19:19,010 --> 01:19:14,150
and genuine his his particular

1556
01:19:21,479 --> 01:19:19,020
experience was brief and doesn't have

1557
01:19:23,790 --> 01:19:21,489
the hallmarks of

1558
01:19:26,729 --> 01:19:23,800
spectacular and fantastical which is

1559
01:19:29,669 --> 01:19:26,739
very brief and and it happened and he's

1560
01:19:31,739 --> 01:19:29,679
laid it out there and I'm sure you

1561
01:19:34,890 --> 01:19:31,749
you're very familiar with Calvin but

1562
01:19:36,810 --> 01:19:34,900
what do you what do you make of Calvin

1563
01:19:38,569 --> 01:19:36,820

and his experience and how he came out

1564

01:19:44,310 --> 01:19:38,579

of the other side

1565

01:19:47,399 --> 01:19:44,320

well he's handled the media storm very

1566

01:19:50,549 --> 01:19:47,409

well and I have not investigated his

1567

01:19:52,859 --> 01:19:50,559

case so my personal impression of him as

1568

01:19:55,439 --> 01:19:52,869

a person was positive but I haven't

1569

01:19:57,359 --> 01:19:55,449

investigated this case so I that's

1570

01:20:01,549 --> 01:19:57,369

another one I'm not gonna pass judgment

1571

01:20:04,109 --> 01:20:01,559

on these of other famous cases yeah that

1572

01:20:07,830 --> 01:20:04,119

Calvin and the way that he has described

1573

01:20:13,080 --> 01:20:07,840

it and we just had a fantastic show with

1574

01:20:16,919 --> 01:20:13,090

him that that happened the way the I

1575

01:20:21,390 --> 01:20:16,929

believe it happened exactly as he said

1576

01:20:24,120 --> 01:20:21,400

it did I truly do I Travis I'm telling

1577

01:20:25,350 --> 01:20:24,130

you it is just an unbelievably great

1578

01:20:28,939 --> 01:20:25,360

story we gotta take a break right here

1579

01:20:32,129 --> 01:20:28,949

Eric thank you and and by the way Travis

1580

01:20:33,569 --> 01:20:32,139

Eric is my apprentice in about three or

1581

01:20:36,060 --> 01:20:33,579

four years he's going to have his own

1582

01:20:38,580 --> 01:20:36,070

show thank you so much Eric enjoy enjoy

1583

01:20:43,350 --> 01:20:38,590

the rest of your week man thank you so

1584

01:20:45,600 --> 01:20:43,360

much you too thank you so much and our

1585

01:20:48,239 --> 01:20:45,610

guest tonight is Travis Walton this is

1586

01:20:49,979 --> 01:20:48,249

fade to black it's night 2 of call in

1587

01:20:51,270 --> 01:20:49,989

week here on fader block tonight Travis

1588

01:20:53,700 --> 01:20:51,280

tomorrow night Whitley Strieber

1589

01:20:55,830 --> 01:20:53,710

Thursday night Richard Dolan of course

1590

01:20:58,140 --> 01:20:55,840

we had a Billy Carson yesterday on

1591

01:20:59,609 --> 01:20:58,150

Monday this is fade to black more Travis

1592

01:21:02,800 --> 01:20:59,619

in your phone calls when we come back

1593

01:21:02,810 --> 01:21:13,200

[Music]

1594

01:21:17,399 --> 01:21:15,580

all right welcome back

1595

01:21:20,560 --> 01:21:17,409

fade to black I'm Neil Jimmy Church

1596

01:21:22,149 --> 01:21:20,570

tonight Travis Walton open lines all

1597

01:21:24,640 --> 01:21:22,159

night long seven four seven two two

1598

01:21:29,109 --> 01:21:24,650

eight two zero five one got one segment

1599

01:21:34,720 --> 01:21:29,119

left and Travis I wanted to throw this

1600

01:21:37,390 --> 01:21:34,730

how do you feel do you feel chosen oh no

1601

01:21:40,810 --> 01:21:37,400

I I don't think of myself as special at

1602

01:21:44,890 --> 01:21:40,820

all and or chosen or singled out or

1603

01:21:48,359 --> 01:21:44,900

anything I'm just the guy that got to

1604

01:21:52,770 --> 01:21:48,369

close just the guy that got too close

1605

01:21:55,030 --> 01:21:52,780

yeah I would say that that is the case

1606

01:21:56,800 --> 01:21:55,040

let's go back to the phones I want to

1607

01:21:59,620 --> 01:21:56,810

stay on that thought though hi you're

1608

01:22:03,970 --> 01:21:59,630

live on fade to black who's calling hi

1609

01:22:06,430 --> 01:22:03,980

this is ward hi ward hey listen I get me

1610

01:22:10,510 --> 01:22:06,440

hide Travis I've had a couple quick

1611

01:22:12,010 --> 01:22:10,520

questions um Charles when you're up with

1612

01:22:15,100 --> 01:22:12,020

the aliens did you have a sense that

1613

01:22:16,750 --> 01:22:15,110

they had a hierarchy and also do you

1614

01:22:21,240 --> 01:22:16,760

think did you get a feeling that they

1615

01:22:24,550 --> 01:22:21,250

had different sexes I did not perceive

1616

01:22:28,260 --> 01:22:24,560

any hierarchy anything involving

1617

01:22:35,709 --> 01:22:28,270

authority the the greys seemed to act in

1618

01:22:41,260 --> 01:22:35,719

unison very simultaneous sort of emotion

1619

01:22:44,260 --> 01:22:41,270

the humans look to be typically male or

1620

01:22:49,810 --> 01:22:44,270

female but I didn't detect any sort of

1621

01:22:51,430 --> 01:22:49,820

insignia or the depicting rank or any of

1622

01:22:54,300 --> 01:22:51,440

that sort of things and I didn't see

1623

01:22:56,830 --> 01:22:54,310

anything that would suggest to me

1624

01:22:59,379 --> 01:22:56,840

authority but not to say it didn't

1625

01:23:03,850 --> 01:22:59,389

didn't exist I just didn't see it and

1626

01:23:08,010 --> 01:23:03,860

but there was a female that you've

1627

01:23:12,669 --> 01:23:08,020

described many times in the past yeah

1628

01:23:14,250 --> 01:23:12,679

people were physically attractive great

1629

01:23:18,520 --> 01:23:14,260

physical shape

1630

01:23:20,400 --> 01:23:18,530

there you go ward thank you so much yeah

1631

01:23:26,240 --> 01:23:20,410

absolutely

1632

01:23:30,930 --> 01:23:26,250

and I remember I remember asking you if

1633

01:23:34,380 --> 01:23:30,940

if the female had more in makeup or

1634

01:23:38,760 --> 01:23:34,390

perfume or you know any feminine side to

1635

01:23:41,670 --> 01:23:38,770

her at all what do you remember that

1636

01:23:42,990 --> 01:23:41,680

question and can you answer my god you

1637

01:23:46,050 --> 01:23:43,000

might have asked the question but I

1638

01:23:48,630 --> 01:23:46,060

really don't remember being able to tell

1639

01:23:53,040 --> 01:23:48,640

the difference right it's not anything

1640

01:23:56,370 --> 01:23:53,050

I'm skilled at finding she could have

1641

01:23:59,280 --> 01:23:56,380

been without such enhancements or if she

1642

01:24:03,510 --> 01:23:59,290

had him they were not so overdone that I

1643

01:24:07,500 --> 01:24:03,520

would have noticed but sorry I was in

1644

01:24:11,180 --> 01:24:07,510

too big of a panic you know beside

1645

01:24:15,210 --> 01:24:11,190

myself with fear to be minutely

1646

01:24:18,450 --> 01:24:15,220

examining their parents yeah and the the

1647

01:24:21,150 --> 01:24:18,460

the female identification part was it

1648

01:24:28,380 --> 01:24:21,160

was it because of her facial features

1649

01:24:32,310 --> 01:24:28,390

hair body feminine body parts what yes

1650

01:24:35,160 --> 01:24:32,320

all of the typical human society signals

1651

01:24:36,690 --> 01:24:35,170

were there gotcha let's go back to the

1652

01:24:40,860 --> 01:24:36,700

phones hi you're live on fade to black

1653

01:24:45,000 --> 01:24:40,870

who's calling hey this is Jason from hey

1654

01:24:46,920 --> 01:24:45,010

Jason say hi to Travis hey Travis thanks

1655

01:24:48,510 --> 01:24:46,930

for doing the show it's a pleasure to

1656

01:24:54,360 --> 01:24:48,520

get to talk to you instead of hole yeah

1657

01:24:56,280 --> 01:24:54,370

right now I just wanted to know what

1658

01:24:56,880 --> 01:24:56,290

your thoughts being with everything

1659

01:25:00,900 --> 01:24:56,890

you've gone through

1660

01:25:03,000 --> 01:25:00,910

on the simulation hypothesis and if you

1661

01:25:05,160 --> 01:25:03,010

believe that's true where do you think

1662

01:25:07,530 --> 01:25:05,170

these these thoughts would play into

1663

01:25:09,630 --> 01:25:07,540

that if it's all right I would actually

1664

01:25:10,890 --> 01:25:09,640

pop back out there cuz it's about 419

1665

01:25:12,840 --> 01:25:10,900

and I would love to listen to the show

1666

01:25:14,820 --> 01:25:12,850

live on the radio but sorry you guys

1667

01:25:15,560 --> 01:25:14,830

yeah there you go thank you so much

1668

01:25:20,880 --> 01:25:15,570

Jason

1669

01:25:23,060 --> 01:25:20,890

they absolutely Travis the simulation

1670

01:25:26,840 --> 01:25:23,070

you know that we're living in a

1671

01:25:32,580 --> 01:25:26,850

holographic binary computer-generated

1672

01:25:34,110 --> 01:25:32,590

electronic right as a simulation what do

1673

01:25:37,170 --> 01:25:34,120

you think it's so much talked about

1674

01:25:39,600 --> 01:25:37,180

these days well you know if it's so

1675

01:25:43,320 --> 01:25:39,610

perfect that we can't tell then I don't

1676
01:25:45,030 --> 01:25:43,330
know I don't believe that's the case but

1677
01:25:47,370 --> 01:25:45,040
that doesn't mean I disbelieve it it

1678
01:25:49,830 --> 01:25:47,380
just means I I don't really see anything

1679
01:25:52,350 --> 01:25:49,840
compelling to tell me that this is all

1680
01:25:54,960 --> 01:25:52,360
an illusion or that we're on a flat

1681
01:25:57,630 --> 01:25:54,970
earth or that it's Hollow or there's a

1682
01:25:59,160 --> 01:25:57,640
number of things that well if you really

1683
01:26:01,140 --> 01:25:59,170
go what about this what about this what

1684
01:26:03,420 --> 01:26:01,150
about this you know you could maybe

1685
01:26:07,770 --> 01:26:03,430
build the case for something but why

1686
01:26:10,440 --> 01:26:07,780
would I put that over the beliefs that I

1687
01:26:13,890 --> 01:26:10,450
already hold I mean why is that would

1688
01:26:15,440 --> 01:26:13,900

you be okay with it though I mean you're

1689

01:26:19,110 --> 01:26:15,450

right if you can't tell the difference

1690

01:26:20,910 --> 01:26:19,120

whatever is is right the problem so many

1691

01:26:23,100 --> 01:26:20,920

of these skeptics and debunkers are

1692

01:26:24,630 --> 01:26:23,110

they're upset like as if you're if

1693

01:26:26,700 --> 01:26:24,640

you're mad enough about something you

1694

01:26:30,740 --> 01:26:26,710

can make it go away no you can't

1695

01:26:33,900 --> 01:26:30,750

whatever is is you know and you you know

1696

01:26:36,510 --> 01:26:33,910

your acceptance or rejection of it has

1697

01:26:38,340 --> 01:26:36,520

nothing to do with its reality well that

1698

01:26:39,450 --> 01:26:38,350

needs to be pursued on its own merits

1699

01:26:43,350 --> 01:26:39,460

yeah that's right

1700

01:26:46,350 --> 01:26:43,360

and you know aliens and et and us being

1701

01:26:49,860 --> 01:26:46,360

alone or not in the universe that's a

1702

01:26:51,780 --> 01:26:49,870

fundamental question and I I have an

1703

01:26:54,630 --> 01:26:51,790

open mind with just about everything

1704

01:26:56,250 --> 01:26:54,640

drivers but well if just looking at from

1705

01:26:59,160 --> 01:26:56,260

the outside you know I keep bringing up

1706

01:27:01,470 --> 01:26:59,170

the example of people saying well if you

1707

01:27:03,570 --> 01:27:01,480

think that it's so far outside the

1708

01:27:06,150 --> 01:27:03,580

mainstream that you're a kook I say no

1709

01:27:10,410 --> 01:27:06,160

actually if you think we're alone in the

1710

01:27:12,360 --> 01:27:10,420

universe that makes you the coop you

1711

01:27:15,630 --> 01:27:12,370

know you're holding firm to a belief you

1712

01:27:17,370 --> 01:27:15,640

have no justification you can't in any

1713

01:27:19,350 --> 01:27:17,380

way prove to me that we're alone in the

1714

01:27:22,380 --> 01:27:19,360

universe but you cling to that so

1715

01:27:24,930 --> 01:27:22,390

rapidly that's irrational you're the

1716

01:27:28,110 --> 01:27:24,940

cook and if you just examine the science

1717

01:27:30,510 --> 01:27:28,120

behind it you know a galaxy you have

1718

01:27:33,660 --> 01:27:30,520

trillions of stars trillions of planets

1719

01:27:35,280 --> 01:27:33,670

and many of them far older than us and

1720

01:27:37,980 --> 01:27:35,290

you're going to sit there and say well

1721

01:27:39,780 --> 01:27:37,990

they might exist but they just they just

1722

01:27:42,930 --> 01:27:39,790

don't come here well how do you how do

1723

01:27:44,970 --> 01:27:42,940

you know that so certain of that is Flat

1724

01:27:47,490 --> 01:27:44,980

Earth taking it just a bit too far

1725

01:27:50,450 --> 01:27:47,500

though yeah

1726

01:27:53,490 --> 01:27:50,460

I think that's taking it a bit too far

1727

01:27:56,820 --> 01:27:53,500

what do you make of what do you make of

1728

01:27:58,980 --> 01:27:56,830

the flat earthers out there are they

1729

01:28:02,820 --> 01:27:58,990

doing it just because they want a debate

1730

01:28:05,220 --> 01:28:02,830

for sport but they know yeah maybe it's

1731

01:28:07,470 --> 01:28:05,230

vast conspiracies that everything we

1732

01:28:10,230 --> 01:28:07,480

think we know is all false and it's all

1733

01:28:12,420 --> 01:28:10,240

created just to fool us well there would

1734

01:28:16,170 --> 01:28:12,430

we have to be one heck of a lot of

1735

01:28:18,840 --> 01:28:16,180

people in on this conspiracy and why

1736

01:28:22,740 --> 01:28:18,850

would yeah half of the planet would be

1737

01:28:24,600 --> 01:28:22,750

in on the conspiracy why would why would

1738

01:28:29,100 --> 01:28:24,610

they participate in such a thing you

1739

01:28:31,380 --> 01:28:29,110

know what's the motive I just think they

1740

01:28:33,330 --> 01:28:31,390

want a debate they just you know some

1741

01:28:35,850 --> 01:28:33,340

people just like to argue you've you've

1742

01:28:38,850 --> 01:28:35,860

got friends that no matter what you say

1743

01:28:40,890 --> 01:28:38,860

you know I love peach pie all peach pie

1744

01:28:44,070 --> 01:28:40,900

socks let me tell you what a great great

1745

01:28:46,130 --> 01:28:44,080

a stir let's go back to the phones how

1746

01:28:48,750 --> 01:28:46,140

you live on fade to black who's calling

1747

01:28:51,180 --> 01:28:48,760

Jim this is Ron from Chicago and I do

1748

01:28:55,470 --> 01:28:51,190

have to say this you have got the best

1749

01:28:58,650 --> 01:28:55,480

radio station ever you are number one to

1750

01:29:01,470 --> 01:28:58,660

me in Chicago we listen to you we love

1751
01:29:04,430 --> 01:29:01,480
you we love your program and I'm telling

1752
01:29:07,740 --> 01:29:04,440
you but you're the best you are the best

1753
01:29:09,330 --> 01:29:07,750
Travis there are just two things I

1754
01:29:12,240 --> 01:29:09,340
wanted to ask you and please bear with

1755
01:29:15,090 --> 01:29:12,250
me when you were you were inside that

1756
01:29:18,930 --> 01:29:15,100
craft okay you were inside their craft

1757
01:29:20,430 --> 01:29:18,940
and you woke up I wanted to ask you was

1758
01:29:23,670 --> 01:29:20,440
there how did you breathe with the

1759
01:29:25,740 --> 01:29:23,680
oxygen so was the oxygen as same as it

1760
01:29:28,710 --> 01:29:25,750
was let's say when you were outside of

1761
01:29:30,210 --> 01:29:28,720
the craft and I'm not sure about that

1762
01:29:31,970 --> 01:29:30,220
let me just answer that question first

1763
01:29:34,860 --> 01:29:31,980

you know the feeling of suffocation

1764

01:29:36,450 --> 01:29:34,870

could have been due to the injury of

1765

01:29:42,630 --> 01:29:36,460

being struck by that blast of energy

1766

01:29:44,430 --> 01:29:42,640

that alone could explain it or the

1767

01:29:46,350 --> 01:29:44,440

atmosphere in there was not quite

1768

01:29:49,440 --> 01:29:46,360

correct for humans it's one of the other

1769

01:29:51,810 --> 01:29:49,450

you know and how would I love it and the

1770

01:29:55,950 --> 01:29:51,820

second question I wanted to ask you is

1771

01:29:57,810 --> 01:29:55,960

this and please bear with me what makes

1772

01:30:00,320 --> 01:29:57,820

us think they're from outer space or

1773

01:30:02,870 --> 01:30:00,330

from another planet what if their acts

1774

01:30:04,550 --> 01:30:02,880

we hear somewhere on earth and now that

1775

01:30:09,980 --> 01:30:04,560

and the question that when he asked you

1776

01:30:14,900 --> 01:30:09,990

was they look like us well some of them

1777

01:30:16,520 --> 01:30:14,910

did but wait you know some people have

1778

01:30:18,710 --> 01:30:16,530

said well maybe they didn't come from

1779

01:30:21,950 --> 01:30:18,720

another planet maybe they come from our

1780

01:30:25,100 --> 01:30:21,960

past or our future you know well so let

1781

01:30:28,940 --> 01:30:25,110

me you so so I was like we were talking

1782

01:30:31,180 --> 01:30:28,950

earlier you know you can grab explain

1783

01:30:33,800 --> 01:30:31,190

everything you see with this other

1784

01:30:35,750 --> 01:30:33,810

explanation but you have to have a

1785

01:30:38,810 --> 01:30:35,760

justification to prefer that one over

1786

01:30:40,370 --> 01:30:38,820

the current understanding and Travis the

1787

01:30:41,960 --> 01:30:40,380

last question I wanted to ask you

1788

01:30:44,690 --> 01:30:41,970

because there are some questions that I

1789

01:30:49,520 --> 01:30:44,700

want to I'm trying to is there a female

1790

01:30:52,340 --> 01:30:49,530

and a male if they look like us well I

1791

01:30:55,730 --> 01:30:52,350

think the human looking ones before

1792

01:30:57,890 --> 01:30:55,740

probably chosen or perhaps even created

1793

01:31:01,280 --> 01:30:57,900

simulated I don't know just because I

1794

01:31:03,320 --> 01:31:01,290

was so combative with the the ones that

1795

01:31:09,710 --> 01:31:03,330

were non-human that I was not going to

1796

01:31:12,530 --> 01:31:09,720

cooperate and mmin to die and so I would

1797

01:31:15,260 --> 01:31:12,540

trust more than them and whether it's

1798

01:31:17,000 --> 01:31:15,270

another species that looks like us or

1799

01:31:18,890 --> 01:31:17,010

they created something that would just

1800

01:31:21,710 --> 01:31:18,900

inspire confidence in me

1801
01:31:23,960 --> 01:31:21,720
I don't know but okay Rob you gotta like

1802
01:31:27,110 --> 01:31:23,970
you gotta let Travis finish talking okay

1803
01:31:29,180 --> 01:31:27,120
okay I'm sorry okay but the humanoids

1804
01:31:30,440 --> 01:31:29,190
were very good to you right they didn't

1805
01:31:34,820 --> 01:31:30,450
hurt you today

1806
01:31:37,220 --> 01:31:34,830
well let's define the word humanoid a

1807
01:31:39,220 --> 01:31:37,230
humanoid is something with two arms two

1808
01:31:43,010 --> 01:31:39,230
legs a head on top eyes in the front

1809
01:31:45,470 --> 01:31:43,020
human looking being is you know could

1810
01:31:51,080 --> 01:31:45,480
pass on a crowd even the greys are

1811
01:31:52,430 --> 01:31:51,090
humanoid Bigfoot is humanoid that's the

1812
01:31:54,890 --> 01:31:52,440
goal description still a man-like

1813
01:31:56,600 --> 01:31:54,900

creature you know Hollywood you know any

1814

01:31:58,940 --> 01:31:56,610

any of the monsters most of the monsters

1815

01:32:02,150 --> 01:31:58,950

in Hollywood or could be a man in a suit

1816

01:32:04,850 --> 01:32:02,160

and those are all humanoid because the

1817

01:32:08,990 --> 01:32:04,860

general outline of the being is kind of

1818

01:32:11,900 --> 01:32:09,000

like human yeah Rob before I let you go

1819

01:32:13,500 --> 01:32:11,910

why are you asking these questions so

1820

01:32:18,630 --> 01:32:13,510

specifically have you made

1821

01:32:21,480 --> 01:32:18,640

contact yourself God you know Jim I

1822

01:32:24,630 --> 01:32:21,490

called you once about a crap that I seen

1823

01:32:30,120 --> 01:32:24,640

and I really what I see was it was

1824

01:32:32,850 --> 01:32:30,130

phenomenal and yes I have um and you

1825

01:32:34,710 --> 01:32:32,860

know I was I'm an engineer I also work

1826

01:32:37,320 --> 01:32:34,720

for the government and I worked in

1827

01:32:39,600 --> 01:32:37,330

Chicago and I was told not to say much

1828

01:32:42,390 --> 01:32:39,610

of anything because if you do it may

1829

01:32:46,650 --> 01:32:42,400

backfire but here's what I see now

1830

01:32:48,360 --> 01:32:46,660

Travis you as I recall years ago I was

1831

01:32:51,710 --> 01:32:48,370

listening to you and I think you said

1832

01:32:54,360 --> 01:32:51,720

you saw a screen inside the ship like a

1833

01:32:54,930 --> 01:32:54,370

viewing screen and my correct or am I

1834

01:32:57,540 --> 01:32:54,940

wrong

1835

01:33:00,090 --> 01:32:57,550

well that's an analogy but basically I

1836

01:33:03,150 --> 01:33:00,100

think it was either the using the entire

1837

01:33:06,990 --> 01:33:03,160

surface of the interior of this one room

1838

01:33:09,450 --> 01:33:07,000

as a screen or there was some technology

1839

01:33:11,780 --> 01:33:09,460

that allowed the surroundings to be

1840

01:33:14,580 --> 01:33:11,790

viewed through the walls of the craft

1841

01:33:16,440 --> 01:33:14,590

well I never you know this is the honest

1842

01:33:18,390 --> 01:33:16,450

truth believe me or not but I am telling

1843

01:33:20,610 --> 01:33:18,400

you the truth because I do take drug

1844

01:33:23,100 --> 01:33:20,620

testing every two months of my job they

1845

01:33:25,800 --> 01:33:23,110

for drugs and what have you so I do get

1846

01:33:28,140 --> 01:33:25,810

tested and I don't drink alcohol I don't

1847

01:33:32,610 --> 01:33:28,150

take drugs or what-have-you but I will

1848

01:33:37,170 --> 01:33:32,620

tell you this when I went up when I seen

1849

01:33:38,790 --> 01:33:37,180

at this craft I also saw a ring like if

1850

01:33:42,660 --> 01:33:38,800

you're going to a movie theater but a

1851

01:33:47,400 --> 01:33:42,670

very big screen in the ear of a woman

1852

01:33:51,450 --> 01:33:47,410

looking at me and a clothing were very

1853

01:33:54,180 --> 01:33:51,460

very how do I say Roman ish like from

1854

01:33:56,900 --> 01:33:54,190

Rome you know back in those days and I

1855

01:34:00,090 --> 01:33:56,910

went to the Art Institute to try to

1856

01:34:02,310 --> 01:34:00,100

define what kind of century it was of

1857

01:34:06,120 --> 01:34:02,320

the way she was dressed but I noticed

1858

01:34:08,310 --> 01:34:06,130

that she was she she looked like us and

1859

01:34:10,830 --> 01:34:08,320

that's the reason why I'm asking you if

1860

01:34:13,290 --> 01:34:10,840

they were as human looking thank you for

1861

01:34:18,420 --> 01:34:13,300

taking my call yeah absolutely Rob and

1862

01:34:23,250 --> 01:34:18,430

and and thank you for that the that part

1863

01:34:25,180 --> 01:34:23,260

of it Travis I've got I actually cleared

1864

01:34:27,760 --> 01:34:25,190

out the phone lines so I've got

1865

01:34:32,170 --> 01:34:27,770

I can maybe squeeze in one more call 7 4

1866

01:34:38,530 --> 01:34:32,180

7 2 2 a 2 0 5 1 but is is this

1867

01:34:40,810 --> 01:34:38,540

if et is observing this planet no matter

1868

01:34:43,330 --> 01:34:40,820

what the civilization is they certainly

1869

01:34:46,620 --> 01:34:43,340

know all about us we give them enough

1870

01:34:49,240 --> 01:34:46,630

information with our bad radio and TV

1871

01:34:51,640 --> 01:34:49,250

signals going out there but they have

1872

01:34:53,410 --> 01:34:51,650

the opportunity to observe they know our

1873

01:34:56,230 --> 01:34:53,420

history they've been here for a long

1874

01:34:58,570 --> 01:34:56,240

time checking us out and if they're

1875

01:35:00,910 --> 01:34:58,580

gonna come down here and interface with

1876
01:35:03,820 --> 01:35:00,920
us and they're not going to freak us out

1877
01:35:06,580 --> 01:35:03,830
they're gonna send a representation of

1878
01:35:09,700 --> 01:35:06,590
something that we could relate to right

1879
01:35:12,340 --> 01:35:09,710
just as you're describing it would be if

1880
01:35:14,860 --> 01:35:12,350
they have other species that ever happen

1881
01:35:16,840 --> 01:35:14,870
to you know out of the hundreds or maybe

1882
01:35:19,510 --> 01:35:16,850
thousands of species that happen to look

1883
01:35:22,420 --> 01:35:19,520
a whole lot more like us or some people

1884
01:35:25,000 --> 01:35:22,430
have the theory that we were seated here

1885
01:35:27,820 --> 01:35:25,010
by a group and that's the reason we look

1886
01:35:29,470 --> 01:35:27,830
like them but whatever reason that

1887
01:35:31,210 --> 01:35:29,480
though that would be the best choice for

1888
01:35:33,940 --> 01:35:31,220

an emissary you know somebody that looks

1889

01:35:36,670 --> 01:35:33,950

like us but see that's our big failing

1890

01:35:39,010 --> 01:35:36,680

you know the aliens see how we treat

1891

01:35:40,780 --> 01:35:39,020

each other and mistreat each other on

1892

01:35:43,720 --> 01:35:40,790

the basis of some really superficial

1893

01:35:48,730 --> 01:35:43,730

differences in appearance and customs

1894

01:35:51,670 --> 01:35:48,740

and whatnot and if we behave like that

1895

01:35:54,330 --> 01:35:51,680

towards each other other humans just on

1896

01:35:57,160 --> 01:35:54,340

the basis of a difference in appearance

1897

01:35:59,260 --> 01:35:57,170

well how do you think they're gonna get

1898

01:36:02,620 --> 01:35:59,270

along walking amongst us you know you

1899

01:36:05,490 --> 01:36:02,630

see greys walking around you would not I

1900

01:36:09,270 --> 01:36:05,500

I know what would happen the the

1901
01:36:11,530 --> 01:36:09,280
conspiracy theories and paranoid

1902
01:36:13,090 --> 01:36:11,540
illusions about what the greys were

1903
01:36:15,880 --> 01:36:13,100
really up to and all this sort of thing

1904
01:36:17,920 --> 01:36:15,890
it's already started as mad fact just

1905
01:36:21,580 --> 01:36:17,930
the fact that they're telepathic makes

1906
01:36:24,670 --> 01:36:21,590
them not use facial expression and a lot

1907
01:36:27,610 --> 01:36:24,680
of people just duh you know they call

1908
01:36:29,320 --> 01:36:27,620
these people the greys robotic they've

1909
01:36:32,490 --> 01:36:29,330
lost touch with in the ocean and they

1910
01:36:36,040 --> 01:36:32,500
can't feel anymore no when you become

1911
01:36:36,500 --> 01:36:36,050
telepathic then you don't need a frown

1912
01:36:41,720 --> 01:36:36,510
or

1913
01:36:43,910 --> 01:36:41,730

anything to add to your expression you

1914

01:36:49,490 --> 01:36:43,920

know the telepathic communication is far

1915

01:36:52,100 --> 01:36:49,500

richer not dead and wooden so already

1916

01:36:55,100 --> 01:36:52,110

we're creating myths about them about

1917

01:36:59,510 --> 01:36:55,110

how they can't feel in their heart

1918

01:37:02,600 --> 01:36:59,520

listen you know machine heads and I

1919

01:37:03,230 --> 01:37:02,610

don't believe that's warranted men in

1920

01:37:13,490 --> 01:37:03,240

black

1921

01:37:17,030 --> 01:37:13,500

two simple questions have you had

1922

01:37:20,960 --> 01:37:17,040

contact with what you feel could be men

1923

01:37:23,240 --> 01:37:20,970

and black and if you haven't do you

1924

01:37:27,560 --> 01:37:23,250

think that the reports of men and black

1925

01:37:30,320 --> 01:37:27,570

are are credible yeah I think they are

1926

01:37:34,550 --> 01:37:30,330

because one of our crew reported seeing

1927

01:37:36,560 --> 01:37:34,560

them sitting in a sedan with a

1928

01:37:39,500 --> 01:37:36,570

government license plate watching his

1929

01:37:41,210 --> 01:37:39,510

house you know so you know we had some

1930

01:37:42,650 --> 01:37:41,220

evidence that you know the government

1931

01:37:44,780 --> 01:37:42,660

was monitoring things for a while I

1932

01:37:48,770 --> 01:37:44,790

don't know that they still are but it

1933

01:37:52,310 --> 01:37:48,780

was very curious that there was nothing

1934

01:37:55,010 --> 01:37:52,320

directed my way and you know I'm the the

1935

01:37:58,220 --> 01:37:55,020

center point of this story and yet even

1936

01:38:01,220 --> 01:37:58,230

the debunkers made no attempt to contact

1937

01:38:04,160 --> 01:38:01,230

me directly not one letter not one phone

1938

01:38:08,560 --> 01:38:04,170

number a phone call and and yet you know

1939

01:38:12,650 --> 01:38:08,570

Mike was deluged with such attempt to

1940

01:38:15,260 --> 01:38:12,660

communicate going quote and why why why

1941

01:38:20,180 --> 01:38:15,270

do you think it was not only with class

1942

01:38:24,460 --> 01:38:20,190

but with others that absolutely wanted

1943

01:38:27,200 --> 01:38:24,470

to mess with you mess with you mentally

1944

01:38:30,770 --> 01:38:27,210

physically the biggest threat to their

1945

01:38:33,410 --> 01:38:30,780

ideology that they so dearly held that

1946

01:38:36,470 --> 01:38:33,420

they had ever come along but bottom line

1947

01:38:39,320 --> 01:38:36,480

is every single theory that they threw

1948

01:38:41,090 --> 01:38:39,330

out there was disproved in waste where

1949

01:38:44,120 --> 01:38:41,100

most of them may actually involve

1950

01:38:46,310 --> 01:38:44,130

deception on the part of these so-called

1951

01:38:49,839 --> 01:38:46,320

debunkers they're actually lying in

1952

01:38:54,520 --> 01:38:49,849

order to create a false narrative

1953

01:38:56,679 --> 01:38:54,530

about the falseness of our report you

1954

01:38:58,149 --> 01:38:56,689

know basically trying to claim all sorts

1955

01:38:58,869 --> 01:38:58,159

of things that were disproved by the

1956

01:39:01,359 --> 01:38:58,879

evidence

1957

01:39:04,330 --> 01:39:01,369

you know Oh Travis was out hallucinating

1958

01:39:06,069 --> 01:39:04,340

on drugs right I had blood and urine put

1959

01:39:07,929 --> 01:39:06,079

through the county medical examiner's

1960

01:39:10,419 --> 01:39:07,939

drug screen that's a law enforcement

1961

01:39:13,179 --> 01:39:10,429

entity and yet this this drug

1962

01:39:15,009 --> 01:39:13,189

hallucination theory can still be found

1963

01:39:17,319 --> 01:39:15,019

floating around out there because if you

1964

01:39:19,839 --> 01:39:17,329

really want to disbelieve something you

1965

01:39:25,359 --> 01:39:19,849

don't find a way to justify it how did

1966

01:39:27,189 --> 01:39:25,369

you find the survival instincts too I

1967

01:39:33,069 --> 01:39:27,199

mean because they tried to crack you

1968

01:39:37,000 --> 01:39:33,079

right have you literally tried to you

1969

01:39:39,369 --> 01:39:37,010

know I did some pretty I was brought to

1970

01:39:41,139 --> 01:39:39,379

my knees almost in a way you know I was

1971

01:39:44,560 --> 01:39:41,149

looking for people who would accept me

1972

01:39:45,819 --> 01:39:44,570

I almost got sucked into some cults you

1973

01:39:49,179 --> 01:39:45,829

know you talk about the confusion

1974

01:39:50,859 --> 01:39:49,189

between ufology and religions well there

1975

01:39:53,229 --> 01:39:50,869

were some cults that were turned out to

1976

01:39:59,139 --> 01:39:53,239

be quite dangerous that tried to get me

1977

01:40:03,609 --> 01:39:59,149

and going and like I kind of want to end

1978

01:40:06,580 --> 01:40:03,619

on this because of your experience over

1979

01:40:13,330 --> 01:40:06,590

the last 45 years

1980

01:40:16,449 --> 01:40:13,340

is this the infiltration of ethology you

1981

01:40:22,779 --> 01:40:16,459

know the richard Dodi's of the world and

1982

01:40:25,989 --> 01:40:22,789

that nefarious dark side of what may be

1983

01:40:27,849 --> 01:40:25,999

happening is that something that we need

1984

01:40:31,649 --> 01:40:27,859

to be concerned with and have you

1985

01:40:34,359 --> 01:40:31,659

experienced that where you have raised

1986

01:40:37,929 --> 01:40:34,369

an eyebrow looking at somebody and

1987

01:40:40,389 --> 01:40:37,939

wondering if they were you know not only

1988

01:40:43,899 --> 01:40:40,399

part of the government but to spread

1989

01:40:46,060 --> 01:40:43,909

this info well yeah I believe that's

1990

01:40:50,709 --> 01:40:46,070

certainly very possible that such a

1991

01:40:53,109 --> 01:40:50,719

thing has happened and maybe a lot of

1992

01:40:54,339 --> 01:40:53,119

this stuff strongly resembles that and

1993

01:40:59,020 --> 01:40:54,349

here's the deal

1994

01:41:03,040 --> 01:40:59,030

in many cases I comes down to this I say

1995

01:41:03,580 --> 01:41:03,050

to them how do you know this it seems

1996

01:41:06,939 --> 01:41:03,590

like a very

1997

01:41:09,640 --> 01:41:06,949

simple question and say what verifiable

1998

01:41:12,100 --> 01:41:09,650

facts can you point me to where I'll be

1999

01:41:14,320 --> 01:41:12,110

a certain of that as you are and that's

2000

01:41:16,689 --> 01:41:14,330

where they stutter and stammer and can't

2001
01:41:19,959 --> 01:41:16,699
really answer and and it comes down to

2002
01:41:22,870 --> 01:41:19,969
that the people who are trying to spread

2003
01:41:26,709 --> 01:41:22,880
false ideas can't back it up it all

2004
01:41:29,770 --> 01:41:26,719
comes down to facts and reasoning are

2005
01:41:32,050 --> 01:41:29,780
your facts true and complete and as your

2006
01:41:34,120 --> 01:41:32,060
reasoning valid according to basic

2007
01:41:36,640 --> 01:41:34,130
principles of logic that have been in

2008
01:41:38,470 --> 01:41:36,650
existence for hundreds of years one last

2009
01:41:41,320 --> 01:41:38,480
phone call hi you're live on fade to

2010
01:41:45,520 --> 01:41:41,330
black who's calling hey Jimmy it's good

2011
01:41:48,760 --> 01:41:45,530
hey Scott say hi to Travis hi Travis hey

2012
01:41:50,140 --> 01:41:48,770
Scott got a question for you and I've

2013
01:41:52,240 --> 01:41:50,150

always wanted to ask you this and every

2014

01:41:56,020 --> 01:41:52,250

time I see I just forget about to ask

2015

01:41:59,320 --> 01:41:56,030

you when you were on that ship and you

2016

01:42:01,330 --> 01:41:59,330

woke up what details did you see did you

2017

01:42:03,910 --> 01:42:01,340

see textures I mean did you see patterns

2018

01:42:05,609 --> 01:42:03,920

on the floor I mean on the walls on the

2019

01:42:07,660 --> 01:42:05,619

ceiling did you see anything that was

2020

01:42:10,990 --> 01:42:07,670

detail enough where you could look at

2021

01:42:13,859 --> 01:42:11,000

like screens or any type of metal I mean

2022

01:42:17,020 --> 01:42:13,869

was it all just clear oh yeah yeah yeah

2023

01:42:20,649 --> 01:42:17,030

as best I could describe those surfaces

2024

01:42:22,810 --> 01:42:20,659

and in my book but you know it was not

2025

01:42:25,959 --> 01:42:22,820

really all that significant to go into

2026

01:42:28,540 --> 01:42:25,969

here but you know nothing that you could

2027

01:42:30,970 --> 01:42:28,550

say aha that is definitely an alien

2028

01:42:35,140 --> 01:42:30,980

texture or that's definitely a human

2029

01:42:39,760 --> 01:42:35,150

earth source tech you know I couldn't

2030

01:42:41,859 --> 01:42:39,770

say one way the other one yeah and Scott

2031

01:42:46,120 --> 01:42:41,869

thank you for the phone call and the

2032

01:42:50,080 --> 01:42:46,130

question and and absolutely and that's a

2033

01:42:51,939 --> 01:42:50,090

question that I'm sure you get asked

2034

01:42:53,919 --> 01:42:51,949

nearly every single day right there's no

2035

01:42:57,070 --> 01:42:53,929

question about it but it's it's it's

2036

01:42:59,709 --> 01:42:57,080

what people wonder about you know that's

2037

01:43:02,640 --> 01:42:59,719

it when you're on the ship when you woke

2038

01:43:05,680 --> 01:43:02,650

up I mean that's the leading question

2039

01:43:07,629 --> 01:43:05,690

yeah well I go what they say what was

2040

01:43:10,629 --> 01:43:07,639

that like and I describe it as best I

2041

01:43:14,859 --> 01:43:10,639

can but you know I don't think that the

2042

01:43:17,430 --> 01:43:14,869

description is really so outside of

2043

01:43:19,500 --> 01:43:17,440

anything recognizable

2044

01:43:21,810 --> 01:43:19,510

that they're gonna that I'm going to be

2045

01:43:23,939 --> 01:43:21,820

able you know create for them a visual

2046

01:43:25,950 --> 01:43:23,949

image of something that you just

2047

01:43:27,620 --> 01:43:25,960

couldn't imagine you know it's it

2048

01:43:31,290 --> 01:43:27,630

they're all just you know

2049

01:43:35,430 --> 01:43:31,300

did I hear a guitar are you yeah you

2050

01:43:37,890 --> 01:43:35,440

have you talking about

2051

01:43:39,900 --> 01:43:37,900

okay before I let you go the question

2052

01:43:45,390 --> 01:43:39,910

that's on everybody's mind there's been

2053

01:43:49,020 --> 01:43:45,400

some chatter the possibility of a remake

2054

01:43:52,439 --> 01:43:49,030

or another version of fire in the sky

2055

01:43:54,600 --> 01:43:52,449

any truth to these rumors yes there's

2056

01:43:56,640 --> 01:43:54,610

quite a bit of truth to these rumors and

2057

01:44:01,860 --> 01:43:56,650

there's actually a number of entities

2058

01:44:05,729 --> 01:44:01,870

that are interested and it's all up in

2059

01:44:07,979 --> 01:44:05,739

the air okay so to coin a phrase well

2060

01:44:11,870 --> 01:44:07,989

right on for that and where are we gonna

2061

01:44:15,180 --> 01:44:11,880

see you next well I'm just gonna be at

2062

01:44:19,110 --> 01:44:15,190

phoenix MUFON in December December 7th

2063

01:44:20,870 --> 01:44:19,120

that's my next thing okay then you know

2064

01:44:26,070 --> 01:44:20,880

the season kind of slows down during

2065

01:44:28,410 --> 01:44:26,080

winter and then 2020 are you you're

2066

01:44:30,600 --> 01:44:28,420

going to be out there all year yeah yeah

2067

01:44:32,310 --> 01:44:30,610

I got lots of stuff lined up and a lot

2068

01:44:37,470 --> 01:44:32,320

of invitations but to which I haven't

2069

01:44:41,189 --> 01:44:37,480

replied so the place to check it out is

2070

01:44:46,800 --> 01:44:41,199

at Travis Walton calm my web site try to

2071

01:44:48,810 --> 01:44:46,810

keep my schedule oh yeah we've got the

2072

01:44:52,979 --> 01:44:48,820

links right there to Richard's radio.com

2073

01:44:54,180 --> 01:44:52,989

it's Travis - Walton dot-com but we've

2074

01:44:55,080 --> 01:44:54,190

got the links right there - miniature

2075

01:44:57,570 --> 01:44:55,090

radio com

2076
01:44:59,250 --> 01:44:57,580
Travis great conversation tonight thank

2077
01:45:03,510 --> 01:44:59,260
you for hanging out with this audience

2078
01:45:06,060 --> 01:45:03,520
and again for everything that you have

2079
01:45:09,209 --> 01:45:06,070
done for for myself personally and this

2080
01:45:11,550 --> 01:45:09,219
community we all thank you thank you

2081
01:45:13,320 --> 01:45:11,560
Travis oh thank you thanks for having me

2082
01:45:14,400 --> 01:45:13,330
you know there's dozens of documentaries

2083
01:45:17,790 --> 01:45:14,410
out there some of them are quite

2084
01:45:18,750 --> 01:45:17,800
exceptional and of course my book you

2085
01:45:19,140 --> 01:45:18,760
know you can order that through my

2086
01:45:21,810 --> 01:45:19,150
website

2087
01:45:25,860 --> 01:45:21,820
yeah and and

2088
01:45:28,110 --> 01:45:25,870

Jennifer's documentary to this day was

2089

01:45:31,770 --> 01:45:28,120

so well done and being able to pull

2090

01:45:33,690 --> 01:45:31,780

everybody together it's it's just

2091

01:45:35,990 --> 01:45:33,700

tremendous and and yeah an

2092

01:45:38,550 --> 01:45:36,000

hour-and-a-half very exceptional

2093

01:45:44,700 --> 01:45:38,560

interviewing everybody all of the crew

2094

01:45:46,050 --> 01:45:44,710

the sheriff actors a lot of them you

2095

01:45:49,200 --> 01:45:46,060

know just a whole lot of detail that

2096

01:45:52,140 --> 01:45:49,210

nobody else had know and to see it you

2097

01:45:54,690 --> 01:45:52,150

know finally you know all compiled but

2098

01:45:56,070 --> 01:45:54,700

it's it's the way that her direction and

2099

01:45:58,650 --> 01:45:56,080

the way that it was put together it's

2100

01:45:59,310 --> 01:45:58,660

one of the best documentaries out there

2101
01:46:02,430 --> 01:45:59,320
period

2102
01:46:04,140 --> 01:46:02,440
so she was lucky that she was doing the

2103
01:46:06,300 --> 01:46:04,150
thinking and didn't have anybody pulling

2104
01:46:08,880 --> 01:46:06,310
her strings and it turned out very very

2105
01:46:10,830 --> 01:46:08,890
exceptional gender for stein and that's

2106
01:46:12,330 --> 01:46:10,840
what you get right you just hand it off

2107
01:46:16,080 --> 01:46:12,340
and let her do her thing

2108
01:46:18,240 --> 01:46:16,090
oh yeah yeah absolutely it's the

2109
01:46:20,600 --> 01:46:18,250
Travis's ronita I would never name it

2110
01:46:22,800 --> 01:46:20,610
myself but she deal I'll give her that

2111
01:46:25,020 --> 01:46:22,810
Travis is the name of the documentary

2112
01:46:28,560 --> 01:46:25,030
and it's on wings productions you can

2113
01:46:30,390 --> 01:46:28,570

order her thank you so much Travis enjoy

2114

01:46:34,200 --> 01:46:30,400

the rest of your night go and play some

2115

01:46:37,680 --> 01:46:34,210

guitar all right Thank You Travis

2116

01:46:39,990 --> 01:46:37,690

yeah Travis Walton what a great

2117

01:46:42,450 --> 01:46:40,000

conversation and again the links over

2118

01:46:44,820 --> 01:46:42,460

Travis's site Travis Walton comma right

2119

01:46:46,640 --> 01:46:44,830

there to me Church radio.com his book

2120

01:46:49,860 --> 01:46:46,650

and certainly Jennifer Stein's

2121

01:46:52,500 --> 01:46:49,870

documentary Travis is a tremendous

2122

01:46:54,000 --> 01:46:52,510

viewing and highly recommended this is

2123

01:46:56,460 --> 01:46:54,010

fade to black i'm your host jimmy church

2124

01:46:56,910 --> 01:46:56,470

i'm gonna swing back after this short
