1
00:00:12,400 --> 00:00:07,920

[Music]

2
00:00:18,910 --> 00:00:12,410

I'll ride welcome fade to black

3
00:00:23,320 --> 00:00:18,920

the spoke radio for Masse's today's

4
00:00:27,670 --> 00:00:23,330

Monday December 23rd 2019 357 days into

5
00:00:29,859 --> 00:00:27,680

the new year just eight days left and we

6
00:00:31,089 --> 00:00:29,869

are live from a bunker somewhere in the

7
00:00:32,560 --> 00:00:31,099

middle of beautiful downtown Burbank

8
00:00:34,150 --> 00:00:32,570

California

9
00:00:35,920 --> 00:00:34,160

and I would like to welcome everybody

10
00:00:39,340 --> 00:00:35,930

listening all around the world all

11
00:00:42,940 --> 00:00:39,350

across the United States

12
00:00:44,920 --> 00:00:42,950

hither and thither to and fro back and

13
00:00:47,410 --> 00:00:44,930

forth up and down east and west north

14

00:00:51,760 --> 00:00:47,420

and south far and near

15

00:00:57,369 --> 00:00:51,770

this is fade to black and tonight is our

16

00:01:04,200 --> 00:00:57,379

merry quickness special got a lot to say

17

00:01:11,820 --> 00:01:09,700

over the last couple of weeks over the

18

00:01:14,770 --> 00:01:11,830

last couple of weeks I've talked about

19

00:01:19,330 --> 00:01:14,780

losing interest in a couple of big UFO

20

00:01:23,350 --> 00:01:19,340

subjects Bob Lazar and Tom DeLong's

21

00:01:25,139 --> 00:01:23,360

to the stars Academy Lazar and titi si

22

00:01:29,200 --> 00:01:25,149

are not the first to attain this type of

23

00:01:31,450 --> 00:01:29,210

status with me it's happened many times

24

00:01:34,570 --> 00:01:31,460

over the years and the first time a

25

00:01:37,570 --> 00:01:34,580

subject was crowned with the I've lost

26

00:01:41,859 --> 00:01:37,580

interest banner was with Billy Meyer

27

00:01:43,060 --> 00:01:41,869

back in 1986 1987 right in there and I

28

00:01:45,010 --> 00:01:43,070

understand that there are still many

29

00:01:47,800 --> 00:01:45,020

people out there who believe in Billy's

30

00:01:53,289 --> 00:01:47,810

story his images his video that's fine

31

00:01:56,350 --> 00:01:53,299

but how I arrived you know to thee I've

32

00:01:59,620 --> 00:01:56,360

lost interest position with Billy Meyer

33

00:02:02,980 --> 00:01:59,630

is a curious one considering it was

34

00:02:06,520 --> 00:02:02,990

Billy who helped bring me into ufology

35

00:02:10,389 --> 00:02:06,530

in the first place so let me explain it

36

00:02:13,030 --> 00:02:10,399

was 1985 and I was visiting the brother

37

00:02:16,000 --> 00:02:13,040

of a close friend of mine Dale down in

38

00:02:19,060 --> 00:02:16,010

Orange County California when I walked

39

00:02:21,160 --> 00:02:19,070

through his house and saw a book on a

40

00:02:22,960 --> 00:02:21,170

coffee table with a full-color

41

00:02:26,110 --> 00:02:22,970

photograph on the cover and it was Billy

42

00:02:29,009 --> 00:02:26,120

Myers I picked it up flipped through its

43

00:02:32,170 --> 00:02:29,019

pages looked at the UFO picks in

44

00:02:33,490 --> 00:02:32,180

amazement I really couldn't believe what

45

00:02:37,600 --> 00:02:33,500

I was seeing and later

46

00:02:41,800 --> 00:02:37,610

Dale's brother filled me in on all

47

00:02:44,370 --> 00:02:41,810

things Billy Meyer gave me the full

48

00:02:48,400 --> 00:02:44,380

rundown and I was off to the races

49

00:02:50,439 --> 00:02:48,410

during this period of the mid-80s it was

50

00:02:51,760 --> 00:02:50,449

a very busy time for me in my UFO

51

00:02:54,430 --> 00:02:51,770

research things

52

00:02:58,000 --> 00:02:54,440

were happening quickly and I just didn't

53

00:03:00,150 --> 00:02:58,010

have enough time to read and watch

54

00:03:03,430 --> 00:03:00,160

everything while you know I was working

55

00:03:06,730 --> 00:03:03,440

all right I'm paying the rent playing

56

00:03:09,580 --> 00:03:06,740

gigs with my band living life right but

57

00:03:13,060 --> 00:03:09,590

I was committed to the billy meier story

58

00:03:15,420 --> 00:03:13,070

and then it happened someone told me

59

00:03:19,900 --> 00:03:15,430

that Billy Meyer had hoaxed everything

60

00:03:21,510 --> 00:03:19,910

his pictures his story and his video and

61

00:03:25,320 --> 00:03:21,520

I was stunned

62

00:03:30,220 --> 00:03:25,330

crushed maybe a better word actually and

63

00:03:32,830 --> 00:03:30,230

I looked at the hoax evidence and I

64

00:03:35,500 --> 00:03:32,840

looked at his original material and I

65

00:03:40,510 --> 00:03:35,510

came to the conclusion that well

66

00:03:43,390 --> 00:03:40,520

although his story may be true I didn't

67

00:03:44,950 --> 00:03:43,400

have the time to pursue it I didn't have

68

00:03:49,150 --> 00:03:44,960

the time to pursue it with the same

69

00:03:53,980 --> 00:03:49,160

energy as before you see I had lost

70

00:03:55,810 --> 00:03:53,990

interest I would let others chase the

71

00:04:00,940 --> 00:03:55,820

good the bad and the ugly about Maier

72

00:04:04,530 --> 00:04:00,950

but me personally I checked out now it's

73

00:04:07,540 --> 00:04:04,540

very simple how this happened so quickly

74

00:04:10,770 --> 00:04:07,550

how I could just pull the plug on

75

00:04:15,070 --> 00:04:10,780

something as big as the Maier story I

76

00:04:17,800 --> 00:04:15,080

had learned over 35 years ago how to

77

00:04:20,050 --> 00:04:17,810

utilize my time when it comes to

78

00:04:23,080 --> 00:04:20,060

researching the UFO subject and of

79

00:04:27,450 --> 00:04:23,090

course you know life in general when a

80

00:04:31,480 --> 00:04:27,460

UFO when a UFO person of interest or an

81

00:04:35,740 --> 00:04:31,490

organization wavers just a bit right but

82

00:04:38,680 --> 00:04:35,750

it wavers I'm out my time is too

83

00:04:40,870 --> 00:04:38,690

valuable and there isn't enough of it

84

00:04:43,120 --> 00:04:40,880

available to dive into everything anyway

85

00:04:47,440 --> 00:04:43,130

you know to go in full speed ahead both

86

00:04:50,040 --> 00:04:47,450

guns blazing all day every day it's just

87

00:04:54,460 --> 00:04:50,050

the way that it is you get the point

88

00:04:58,659 --> 00:04:54,470

this of course brings us to today's

89

00:05:00,700 --> 00:04:58,669

subject Bob Lazar and belongs to the

90

00:05:05,530 --> 00:05:00,710

stars Academy and how they've been

91

00:05:10,420 --> 00:05:05,540

blessed with the I have lost interest

92

00:05:13,360 --> 00:05:10,430

golden crown the news media and the

93

00:05:16,560 --> 00:05:13,370

internet have forced us into thinking

94

00:05:20,890 --> 00:05:16,570

that we should be concerned about

95

00:05:24,400 --> 00:05:20,900

everything everything and it's not just

96

00:05:27,910 --> 00:05:24,410

politics or sports I mean every little

97

00:05:30,520 --> 00:05:27,920

tiny subcategory of anything that you

98

00:05:34,810 --> 00:05:30,530

can think of plastic straws sugar

99

00:05:39,100 --> 00:05:34,820

chicken sandwich Wars to diet or not to

100

00:05:42,070 --> 00:05:39,110

diet vaping guns unruly flying

101
00:05:45,340 --> 00:05:42,080
passengers electric cars the weather the

102
00:05:50,350 --> 00:05:45,350
planet dogs and cats and bad cops good

103
00:05:53,770 --> 00:05:50,360
cops shark attacks Banksy Saturday Night

104
00:05:57,670 --> 00:05:53,780
Live Apple streaming services 5g

105
00:06:00,850 --> 00:05:57,680
Weinstein Epstein Star Wars Bitcoin the

106
00:06:03,940 --> 00:06:00,860
homeless the Kardashians it's just on

107
00:06:07,780 --> 00:06:03,950
and on and on and on and on and I didn't

108
00:06:10,660 --> 00:06:07,790
even mention Russia China brexit Ukraine

109
00:06:13,540 --> 00:06:10,670
Canada Mexico or Hong Kong and the

110
00:06:17,710 --> 00:06:13,550
million subcategories and I really do

111
00:06:20,560 --> 00:06:17,720
mean million the million subcategories

112
00:06:24,220 --> 00:06:20,570
that are reported on with everything

113
00:06:29,890 --> 00:06:24,230

that I just mentioned all minutes all

114

00:06:33,130 --> 00:06:29,900

day long it has become too much we are

115

00:06:41,410 --> 00:06:33,140

expected to read watch and be interested

116

00:06:46,870 --> 00:06:41,420

in everything which is how I learned to

117

00:06:49,390 --> 00:06:46,880

say I've lost interest it's really that

118

00:06:55,060 --> 00:06:49,400

simple I've lost interest

119

00:06:59,770 --> 00:06:55,070

I can't possibly apply my brain to

120

00:07:03,550 --> 00:06:59,780

everything all day long I can't do it so

121

00:07:05,800 --> 00:07:03,560

I've chosen when to check out right

122

00:07:09,010 --> 00:07:05,810

because for me the most important

123

00:07:14,409 --> 00:07:09,020

question and issue for all of us is as a

124

00:07:19,269 --> 00:07:14,419

planet it's a simple one are we alone in

125

00:07:23,319 --> 00:07:19,279

the universe that's what is important

126

00:07:27,479 --> 00:07:23,329

and the pursuit of the answer to that

127

00:07:30,579 --> 00:07:27,489

question will always have my interest

128

00:07:37,209 --> 00:07:30,589

but and there's always a butt right I

129

00:07:40,209 --> 00:07:37,219

get that but there is way too much to

130

00:07:42,429 --> 00:07:40,219

study and go after each day with the

131

00:07:45,279 --> 00:07:42,439

vigor that it deserves and sometimes I

132

00:07:50,169 --> 00:07:45,289

will have to pull back when I know it's

133

00:07:52,839 --> 00:07:50,179

not going to go anywhere that's right

134

00:07:56,739 --> 00:07:52,849

and this is what happened recently with

135

00:08:01,299 --> 00:07:56,749

Bob Lazar someone who I kept the faith

136

00:08:03,369 --> 00:08:01,309

with for the past 29 years I just can't

137

00:08:06,189 --> 00:08:03,379

keep the same level of interest that I

138

00:08:10,719 --> 00:08:06,199

once had and the reasons are both many

139

00:08:14,799 --> 00:08:10,729

and simple until there was a major

140

00:08:18,429 --> 00:08:14,809

breakthrough with Lazar concerning his

141

00:08:21,189 --> 00:08:18,439

possession of element 115 his education

142

00:08:25,989 --> 00:08:21,199

his classmates his professors and his

143

00:08:26,999 --> 00:08:25,999

employment well I'm out I'm out I

144

00:08:29,439 --> 00:08:27,009

checked out

145

00:08:32,860 --> 00:08:29,449

it was the recent story that was

146

00:08:34,959 --> 00:08:32,870

published about the FBI raid at his home

147

00:08:37,179 --> 00:08:34,969

a raid that had nothing to do with

148

00:08:38,889 --> 00:08:37,189

element 115 of the sport model and

149

00:08:40,689 --> 00:08:38,899

everything to do with a murder

150

00:08:45,160 --> 00:08:40,699

investigation that was being conducted

151
00:08:47,769 --> 00:08:45,170
and Bob knew this but he decided to go

152
00:08:53,199 --> 00:08:47,779
along with the made-up story about it

153
00:09:00,360 --> 00:08:53,209
being about Bob Lazar and UFOs and it

154
00:09:04,030 --> 00:09:00,370
was not so I'm out I've lost interest I

155
00:09:08,340 --> 00:09:04,040
spent enough time on the Lazar saga and

156
00:09:12,730 --> 00:09:08,350
my energy is now focused elsewhere

157
00:09:15,519 --> 00:09:12,740
that's right and the very same thing has

158
00:09:19,360 --> 00:09:15,529
happened with the longs to the Stars

159
00:09:24,840 --> 00:09:19,370
Academy too many unanswered questions

160
00:09:27,549 --> 00:09:24,850
linger in fact for me it's way too many

161
00:09:31,299 --> 00:09:27,559
the second and most recent pentagon

162
00:09:32,420 --> 00:09:31,309
release the second about Lois Elizondo

163
00:09:34,570 --> 00:09:32,430

not having any

164

00:09:36,950 --> 00:09:34,580

signed duties to the a tip program

165

00:09:38,990 --> 00:09:36,960

coupled with the Pentagon saying that a

166

00:09:41,450 --> 00:09:39,000

tip had nothing to do with UFOs and

167

00:09:44,780 --> 00:09:41,460

everything to do with well you know

168

00:09:47,480 --> 00:09:44,790

reports studies about aviation and

169

00:09:52,310 --> 00:09:47,490

aerospace technology over the next forty

170

00:09:55,940 --> 00:09:52,320

years and that's it there were no UFOs

171

00:09:57,070 --> 00:09:55,950

mentioned in the a tip reports so who do

172

00:10:00,680 --> 00:09:57,080

you believe

173

00:10:04,389 --> 00:10:00,690

alright because by the Pentagon saying

174

00:10:09,019 --> 00:10:04,399

the way that they said it it's the truth

175

00:10:12,829 --> 00:10:09,029

because the a tip reports back up the

176

00:10:17,240 --> 00:10:12,839

Pentagon statements fact they say the

177

00:10:19,460 --> 00:10:17,250

same thing so I like everyone else in

178

00:10:22,070 --> 00:10:19,470

the UFO community have spent the last

179

00:10:24,350 --> 00:10:22,080

two years researching reading and

180

00:10:28,460 --> 00:10:24,360

watching everything that has involved T

181

00:10:30,740 --> 00:10:28,470

TSA a huge amount of time invested and

182

00:10:33,320 --> 00:10:30,750

with the Pentagon making these kinds of

183

00:10:36,019 --> 00:10:33,330

statements statements that go completely

184

00:10:39,260 --> 00:10:36,029

against the grain of what both Elizondo

185

00:10:44,440 --> 00:10:39,270

and T TSA have said I'm forced to back

186

00:10:46,699 --> 00:10:44,450

up and stop the car pump the brakes

187

00:10:49,570 --> 00:10:46,709

pump the brakes turn off the ignition

188

00:10:55,310 --> 00:10:49,580

key and get out to stretch my legs

189

00:10:57,949 --> 00:10:55,320

that's right Matt I've lost interest now

190

00:11:03,590 --> 00:10:57,959

like the issues that continue to haunt

191

00:11:06,440 --> 00:11:03,600

Lazar until TTS a and Elizondo clean up

192

00:11:09,500 --> 00:11:06,450

the mess surrounding them the public

193

00:11:13,310 --> 00:11:09,510

like myself will move on to things that

194

00:11:16,420 --> 00:11:13,320

deserve their valuable time well things

195

00:11:19,790 --> 00:11:16,430

change for Lazard along and Elizondo

196

00:11:24,470 --> 00:11:19,800

anything is possible but I'll leave it

197

00:11:26,360 --> 00:11:24,480

to others to pursue for now there are

198

00:11:29,139 --> 00:11:26,370

much more important issues besides the

199

00:11:34,819 --> 00:11:29,149

Lazar and T TSA that deserve my focus

200

00:11:38,810 --> 00:11:34,829

like Banksy and plastic straws and I

201
00:11:41,510 --> 00:11:38,820
suggest you do the same pick and choose

202
00:11:45,830 --> 00:11:41,520
what do you want to research and invest

203
00:11:49,550 --> 00:11:45,840
in for the new year 2020 kicks off

204
00:11:52,460 --> 00:11:49,560
in just seven days and you need to get

205
00:11:53,470 --> 00:11:52,470
rid of the things that are not going

206
00:11:56,720 --> 00:11:53,480
anywhere

207
00:12:00,790 --> 00:11:56,730
leave it to others who are probably

208
00:12:03,020 --> 00:12:00,800
wasting their time not yours

209
00:12:05,500 --> 00:12:03,030
this is fade to black

210
00:12:11,320 --> 00:12:05,510
I am your host Jimmy church tonight is

211
00:12:13,670 --> 00:12:11,330
our merry quit miss special that's right

212
00:12:16,190 --> 00:12:13,680
get ready I'm gonna come back after this

213
00:12:17,690 --> 00:12:16,200

break with Jason quit live from Toronto

214

00:12:20,740 --> 00:12:17,700

we're gonna do it all tonight we're

215

00:12:24,050 --> 00:12:20,750

gonna go down the history of Christmas

216

00:12:26,840 --> 00:12:24,060

that's right and it may or may not be

217

00:12:32,360 --> 00:12:26,850

what you think it is we're gonna get

218

00:12:34,580 --> 00:12:32,370

into Santa Claus his reindeer we're

219

00:12:36,680 --> 00:12:34,590

gonna do it all tonight since his fade

220

00:12:39,080 --> 00:12:36,690

to black I'm your host Jimmy Church on

221

00:12:41,960 --> 00:12:39,090

the game change your network and kgr a

222

00:12:44,680 --> 00:12:41,970

the planet I'll be right back after this

223

00:12:46,350 --> 00:12:44,690

short break with our guest Jason quit
