copyright 2019 fade to black www.jimmychurchradio.com Game Changer Network, Inc.

1
00:00:13,879 --> 00:00:06,530
all right welcome fade to black

2
00:00:18,260 --> 00:00:13,889
the spoke radio for the masses today's

3
00:00:19,070 --> 00:00:18,270
Monday December 23rd 2019 357 days into

4
00:00:23,029 --> 00:00:19,080
the new year

5
00:00:25,099 --> 00:00:23,039
just eight days left and we are live

6
00:00:27,070 --> 00:00:25,109
from a bunker somewhere in the middle of

7
00:00:29,089 --> 00:00:27,080
beautiful downtown Burbank California

8
00:00:30,859 --> 00:00:29,099
and I would like to welcome everybody

9
00:00:35,299 --> 00:00:30,869
listening all around the world all

10
00:00:38,600 --> 00:00:35,309
across the United States hither and

11
00:00:40,940 --> 00:00:38,610
thither to and fro back and forth up and

12
00:00:44,750 --> 00:00:40,950
down east and west north and south far

13
00:00:50,380 --> 00:00:44,760

and near this is fade to black and

14

00:00:53,779 --> 00:00:50,390

tonight is our merry quit miss special

15

00:00:56,060 --> 00:00:53,789

for KJ CR the game changer Network and K

16

00:00:59,569 --> 00:00:56,070

GRA the planet I am your host Jimmy

17

00:01:02,779 --> 00:00:59,579

Church tonight our guest is Jason quit

18

00:01:06,429 --> 00:01:02,789

and we're gonna take the next two nights

19

00:01:09,620 --> 00:01:06,439

off for quit miss Eve and quit miss day

20

00:01:12,200 --> 00:01:09,630

and then on Thursday we're taking the

21

00:01:14,539 --> 00:01:12,210

night off for our annual holiday party

22

00:01:19,149 --> 00:01:14,549

at the rainbow Bar & Grill so

23

00:01:22,399 --> 00:01:19,159

technically we're working right right

24

00:01:25,190 --> 00:01:22,409

there you go that's our week here I want

25

00:01:27,800 --> 00:01:25,200

everybody to celebrate with friends and

26
00:01:29,420 --> 00:01:27,810
family and we're gonna have a great time

27
00:01:33,319 --> 00:01:29,430
tonight with Jason quick we're gonna go

28
00:01:34,850 --> 00:01:33,329
through the history of Christmas we're

29
00:01:37,370 --> 00:01:34,860
gonna do all of that tonight and we're

30
00:01:39,200 --> 00:01:37,380
gonna we're gonna partake in a few

31
00:01:41,690 --> 00:01:39,210
things we've got some lists that we're

32
00:01:44,480 --> 00:01:41,700
gonna put together and talk about the

33
00:01:47,920 --> 00:01:44,490
things that we're doing here with our

34
00:01:52,850 --> 00:01:47,930
family here in Burbank and and what

35
00:01:55,370 --> 00:01:52,860
Jason could do to celebrate Christmas up

36
00:01:57,139 --> 00:01:55,380
there in Toronto they've got a few ways

37
00:01:58,760 --> 00:01:57,149
that they have to do it too as well and

38
00:02:01,700 --> 00:01:58,770

we do the same thing here in Burbank so

39

00:02:03,469 --> 00:02:01,710

we'll be doing all of that tonight we're

40

00:02:07,389 --> 00:02:03,479

gonna have a great time so just kick

41

00:02:11,720 --> 00:02:07,399

back and if you're here to spend your

42

00:02:12,530 --> 00:02:11,730

holiday time with us just enjoy yourself

43

00:02:13,970 --> 00:02:12,540

we're going to have a

44

00:02:17,209 --> 00:02:13,980

we're just gonna have an amazing show

45

00:02:19,610 --> 00:02:17,219

tonight so enjoy all of it okay now you

46

00:02:22,490 --> 00:02:19,620

can follow me on Twitter at Jay Church

47

00:02:27,170 --> 00:02:22,500

radio which is simple follow me on Jay

48

00:02:29,210 --> 00:02:27,180

Church radio hashtag f2 B is the sandbox

49

00:02:31,460 --> 00:02:29,220

hashtag if to be you can jump in on the

50

00:02:33,949 --> 00:02:31,470

conversation over there

51
00:02:36,140 --> 00:02:33,959
we will post tonight I am sure a few

52
00:02:38,089 --> 00:02:36,150
thousand tweets will be happening with

53
00:02:41,300 --> 00:02:38,099
all of the fate or notes we also have to

54
00:02:44,780 --> 00:02:41,310
chatrooms open one over at a Spreaker

55
00:02:49,280 --> 00:02:44,790
and one over at K GRA the planet and you

56
00:02:50,449 --> 00:02:49,290
can chat room your night away there too

57
00:02:52,429 --> 00:02:50,459
as well

58
00:02:55,039 --> 00:02:52,439
now you can email throughout the show

59
00:02:59,599 --> 00:02:55,049
Jimmy at Jimmy Church radio.com and any

60
00:03:03,110 --> 00:02:59,609
questions or comments you can post it

61
00:03:07,520 --> 00:03:03,120
right there on Twitter hashtag f2b

62
00:03:10,280 --> 00:03:07,530
q okay alright email did I just do that

63
00:03:12,979 --> 00:03:10,290

Jimmy at Jimmy church radio calm and I

64

00:03:16,339 --> 00:03:12,989

just mentioned this Thursday the day

65

00:03:19,460 --> 00:03:16,349

after Christmas is our fade to black

66

00:03:21,589 --> 00:03:19,470

holiday party at the rainbow Bar and

67

00:03:24,830 --> 00:03:21,599

Grill in Hollywood California it's

68

00:03:27,469 --> 00:03:24,840

totally free just come and hang out I

69

00:03:30,379 --> 00:03:27,479

would like everybody to go and RSVP over

70

00:03:32,149 --> 00:03:30,389

on Facebook so we can get a rough head

71

00:03:36,020 --> 00:03:32,159

count we'd like to see how many people

72

00:03:37,550 --> 00:03:36,030

are attending and we have lots of gifts

73

00:03:39,110 --> 00:03:37,560

and things that we're giving away from

74

00:03:40,420 --> 00:03:39,120

our sponsors and I do want to thank

75

00:03:44,420 --> 00:03:40,430

River moon coffee

76
00:03:46,670 --> 00:03:44,430
for what they have sent out to the fader

77
00:03:51,080 --> 00:03:46,680
nots absolutely incredible Ronnie

78
00:03:53,780 --> 00:03:51,090
McMullen of life changed he also saw sir

79
00:03:56,559 --> 00:03:53,790
is going to be there and David salcedo

80
00:03:59,449 --> 00:03:56,569
and the rest of the family from saucer

81
00:04:02,420 --> 00:03:59,459
sportswear and they're going to be there

82
00:04:03,800 --> 00:04:02,430
too as well and so just come and hang

83
00:04:06,110 --> 00:04:03,810
out with all of this

84
00:04:08,330 --> 00:04:06,120
lots of a special guests are going to be

85
00:04:10,640 --> 00:04:08,340
stopping by and of course all of you

86
00:04:14,390 --> 00:04:10,650
fade or knots from around the country so

87
00:04:16,339 --> 00:04:14,400
that'll be Thursday December 26th the

88
00:04:18,649 --> 00:04:16,349

day after Christmas at the rainbow Bar &

89

00:04:21,360 --> 00:04:18,659

Grill still time to go and RSVP and

90

00:04:26,090 --> 00:04:21,370

we'll see everybody there

91

00:04:30,270 --> 00:04:26,100

and coming up now we've got our holiday

92

00:04:32,670 --> 00:04:30,280

schedule all finished and we've got a

93

00:04:35,460 --> 00:04:32,680

couple of things that we need to worry

94

00:04:37,379 --> 00:04:35,470

about we've got obviously Christmas Eve

95

00:04:40,290 --> 00:04:37,389

Christmas Day we have New Year's Eve and

96

00:04:45,300 --> 00:04:40,300

New Year's Day we'll be taking those

97

00:04:46,710 --> 00:04:45,310

nights off but the day after okay so

98

00:04:48,450 --> 00:04:46,720

we've got a special show that we're

99

00:04:48,960 --> 00:04:48,460

doing with Billy Carson a week from

100

00:04:52,110 --> 00:04:48,970

today

101
00:04:54,000 --> 00:04:52,120
and that will be on December 30th

102
00:04:56,550 --> 00:04:54,010
that'll be next Monday Tuesday and

103
00:04:59,820 --> 00:04:56,560
Wednesday we're taking off Chris for New

104
00:05:02,879 --> 00:04:59,830
Year's Eve in New Year's Day but when we

105
00:05:05,250 --> 00:05:02,889
return on January 2nd

106
00:05:06,990 --> 00:05:05,260
we've got a very special show that we

107
00:05:10,350 --> 00:05:07,000
are going to be doing with dannion

108
00:05:14,909 --> 00:05:10,360
brinkley and we will get all of those up

109
00:05:16,830 --> 00:05:14,919
and the replays will be happening every

110
00:05:18,650 --> 00:05:16,840
single night so if you want to come and

111
00:05:21,900 --> 00:05:18,660
hang out there'll be a really cool

112
00:05:23,909 --> 00:05:21,910
replay that I'm going to select from

113
00:05:25,200 --> 00:05:23,919

years past that we'll be playing each

114

00:05:28,290 --> 00:05:25,210

night so you're not going to be left

115

00:05:30,810 --> 00:05:28,300

alone they're still gonna be programming

116

00:05:36,000 --> 00:05:30,820

all right and remember we're still

117

00:05:38,100 --> 00:05:36,010

working to as well oh man but the next

118

00:05:42,120 --> 00:05:38,110

14 days are gonna be incredible okay all

119

00:05:48,089 --> 00:05:42,130

right that's where we are at and tonight

120

00:05:50,670 --> 00:05:48,099

I have decided to do no breaking news no

121

00:05:53,810 --> 00:05:50,680

no breaking news tonight not going to do

122

00:05:56,909 --> 00:05:53,820

it because this is our very quickness

123

00:05:59,760 --> 00:05:56,919

special event subscribe to our podcast

124

00:06:01,589 --> 00:05:59,770

it is just two dollars per month go to

125

00:06:03,719 --> 00:06:01,599

Jimmy Turks radio.com click on that

126

00:06:06,990 --> 00:06:03,729

podcast banner it is there there is a

127

00:06:09,930 --> 00:06:07,000

podcast banner on our home page click on

128

00:06:11,700 --> 00:06:09,940

it head over get our podcast it's just

129

00:06:14,520 --> 00:06:11,710

two dollars per month if you ever miss a

130

00:06:16,379 --> 00:06:14,530

live show can't be here in the evenings

131

00:06:18,469 --> 00:06:16,389

totally understand that we have

132

00:06:21,390 --> 00:06:18,479

listeners from all around the world

133

00:06:23,879 --> 00:06:21,400

can't be here for a live show then get

134

00:06:27,480 --> 00:06:23,889

the podcast because right after the

135

00:06:30,029 --> 00:06:27,490

broadcast is finished we upload to our

136

00:06:32,430 --> 00:06:30,039

podcast and you can always have it there

137

00:06:34,290 --> 00:06:32,440

okay so it's just two dollars per month

138

00:06:34,930 --> 00:06:34,300

we have over eleven hundred and sixty

139

00:06:37,450 --> 00:06:34,940

archive

140

00:06:40,060 --> 00:06:37,460

right there okay and also become a fade

141

00:06:42,750 --> 00:06:40,070

or not over at our membership section at

142

00:06:45,250 --> 00:06:42,760

Jimmy Torrio comm you can now gift

143

00:06:46,920 --> 00:06:45,260

memberships and you can find out all

144

00:06:51,610 --> 00:06:46,930

about that in our membership section

145

00:06:53,820 --> 00:06:51,620

over at Jimmy Church radio.com skip the

146

00:07:01,090 --> 00:06:53,830

show crack and happy birthday to today

147

00:07:05,470 --> 00:07:01,100

Eddie Vetter is 55 Derek smalls bass

148

00:07:08,080 --> 00:07:05,480

player for spinal tap today is 75 years

149

00:07:12,940 --> 00:07:08,090

old of course I'm speaking about harry

150

00:07:19,710 --> 00:07:12,950

shearer guitar god adrian belew today is

151
00:07:22,900 --> 00:07:19,720
70 and iron maidens dave murray today is

152
00:07:27,660 --> 00:07:22,910
63 our dead guys birthday today is corey

153
00:07:30,760 --> 00:07:27,670
haim 1971 to 2010 died at the age of 38

154
00:07:32,880 --> 00:07:30,770
great and very funny actor who started

155
00:07:36,400 --> 00:07:32,890
in two of my all-time favorite movies

156
00:07:38,890 --> 00:07:36,410
licensed to drive and lost boys both

157
00:07:42,610 --> 00:07:38,900
with Corey Feldman who became known as

158
00:07:44,770 --> 00:07:42,620
the two Coreys Cory's early success led

159
00:07:46,360 --> 00:07:44,780
to a lot of money and fame he had

160
00:07:48,520 --> 00:07:46,370
difficulties breaking away from his

161
00:07:50,590 --> 00:07:48,530
experience as a teen actor and was

162
00:07:53,020 --> 00:07:50,600
troubled by drug addiction throughout

163
00:07:57,250 --> 00:07:53,030

his later career he died of pneumonia a

164

00:07:59,560 --> 00:07:57,260

March 10th 2010 Hames neighbor at the

165

00:08:02,080 --> 00:07:59,570

Oakwood apartments right down the street

166

00:08:04,570 --> 00:08:02,090

from us here in Burbank said that Haim

167

00:08:06,580 --> 00:08:04,580

could be seen wandering around the

168

00:08:09,300 --> 00:08:06,590

apartment complex looking for

169

00:08:12,250 --> 00:08:09,310

companionship and looking for friends

170

00:08:14,440 --> 00:08:12,260

very very sad but I'll be listening

171

00:08:19,060 --> 00:08:14,450

because we love him happy birthday

172

00:08:22,210 --> 00:08:19,070

Corey Haim on this day in history 1986

173

00:08:23,040 --> 00:08:22,220

after nine days and four minutes in the

174

00:08:26,320 --> 00:08:23,050

sky

175

00:08:28,450 --> 00:08:26,330

Voyager lands at Edwards Air Force Base

176
00:08:32,950 --> 00:08:28,460
in California completing the first

177
00:08:38,850 --> 00:08:32,960
nonstop flight around the globe on one

178
00:08:41,650 --> 00:08:38,860
load of fuel fader fact every quickness

179
00:08:45,100 --> 00:08:41,660
the United States Air Force performs

180
00:08:47,050 --> 00:08:45,110
operation quickness drop air dropping

181
00:08:47,550 --> 00:08:47,060
toys another presents to children who

182
00:08:50,370 --> 00:08:47,560
live on

183
00:08:52,650 --> 00:08:50,380
remote Pacific Islands it's the

184
00:08:55,730 --> 00:08:52,660
longest-running US Department of Defense

185
00:08:58,620 --> 00:08:55,740
mission in full operation and the

186
00:09:03,750 --> 00:08:58,630
longest-running humanitarian airlift in

187
00:09:06,990 --> 00:09:03,760
the world each year over 140 boxes to 59

188
00:09:09,780 --> 00:09:07,000

Islands are dropped by c-130 Hercules

189

00:09:13,680 --> 00:09:09,790

aircraft bet you didn't know that and

190

00:09:17,790 --> 00:09:13,690

that is your fader fact tonight is our

191

00:09:19,950 --> 00:09:17,800

merry quit miss special with Jason quit

192

00:09:22,980 --> 00:09:19,960

and we're going to be taking the next

193

00:09:26,790 --> 00:09:22,990

two nights off quit miss Eve and quit

194

00:09:28,560 --> 00:09:26,800

miss day and then Thursday is our annual

195

00:09:30,450 --> 00:09:28,570

holiday party at the rainbow Bar & Grill

196

00:09:32,250 --> 00:09:30,460

so we're gonna take that night off too

197

00:09:34,170 --> 00:09:32,260

but technically we're still working all

198

00:09:36,810 --> 00:09:34,180

right don't forget that we never stop

199

00:09:39,680 --> 00:09:36,820

here now I wanted to get to this I don't

200

00:09:42,300 --> 00:09:39,690

want to thank River moon coffee for the

201
00:09:48,510 --> 00:09:42,310
fade to black blend it's absolutely

202
00:09:51,350 --> 00:09:48,520
amazing I'm gonna hit it now go to River

203
00:09:55,410 --> 00:09:51,360
moon coffee calm and use the promo code

204
00:09:59,400 --> 00:09:55,420
f2b blend that's f the number to be

205
00:10:03,720 --> 00:09:59,410
blend F to be blend you will get 15% off

206
00:10:07,560 --> 00:10:03,730
of your order today all right all right

207
00:10:14,880 --> 00:10:07,570
now got a lot to say I'm gonna have to

208
00:10:19,710 --> 00:10:14,890
hit this coffee again over the last

209
00:10:22,620 --> 00:10:19,720
couple of weeks over the last couple of

210
00:10:25,980 --> 00:10:22,630
weeks I've talked about losing interest

211
00:10:28,740 --> 00:10:25,990
in a couple of big UFO subjects Bob

212
00:10:32,940 --> 00:10:28,750
Lazar and Tom DeLong's

213
00:10:34,710 --> 00:10:32,950

to the Stars Academy Lazar and TT si are

214

00:10:38,430 --> 00:10:34,720

not the first to attain this type of

215

00:10:40,890 --> 00:10:38,440

status with me it's happened many times

216

00:10:43,980 --> 00:10:40,900

over the years and the first time a

217

00:10:46,980 --> 00:10:43,990

subject was crowned with the I've lost

218

00:10:51,300 --> 00:10:46,990

interest banner was with Billy Meyer

219

00:10:52,650 --> 00:10:51,310

back in 1986 1987 right in there and I

220

00:10:54,449 --> 00:10:52,660

understand that there are still many

221

00:10:57,240 --> 00:10:54,459

people out there who believe in Billy's

222

00:11:01,140 --> 00:10:57,250

story his images his video that's fine

223

00:11:03,480 --> 00:11:01,150

but how I arrived

224

00:11:06,900 --> 00:11:03,490

you know to thee I've lost interest

225

00:11:11,130 --> 00:11:06,910

position with billy meier is a curious

226
00:11:13,560 --> 00:11:11,140
one considering it was Billy who helped

227
00:11:18,600 --> 00:11:13,570
bring me into ufology in the first place

228
00:11:20,580 --> 00:11:18,610
so let me explain it was 1985 and I was

229
00:11:22,980 --> 00:11:20,590
visiting the brother of a close friend

230
00:11:26,820 --> 00:11:22,990
of mine Gayle down in Orange County

231
00:11:29,040 --> 00:11:26,830
California when I walked through his

232
00:11:31,380 --> 00:11:29,050
house and saw a book on a coffee table

233
00:11:34,410 --> 00:11:31,390
with a full-color photograph on the

234
00:11:36,810 --> 00:11:34,420
cover and it was Billy Myers I picked it

235
00:11:41,010 --> 00:11:36,820
up flipped through its pages looked at

236
00:11:42,330 --> 00:11:41,020
the UFO pics in amazement I really

237
00:11:42,900 --> 00:11:42,340
couldn't believe what I was seeing and

238
00:11:46,950 --> 00:11:42,910

later

239

00:11:51,240 --> 00:11:46,960

Dale's brother filled me in on all

240

00:11:53,630 --> 00:11:51,250

things billy meier gave me the full

241

00:11:57,840 --> 00:11:53,640

rundown and I was off to the races

242

00:11:59,850 --> 00:11:57,850

during this period of the mid-80s it was

243

00:12:02,610 --> 00:11:59,860

a very busy time for me in my UFO

244

00:12:06,390 --> 00:12:02,620

research things were happening quickly

245

00:12:08,790 --> 00:12:06,400

and I just didn't have enough time to

246

00:12:12,060 --> 00:12:08,800

read and watch everything well you know

247

00:12:15,000 --> 00:12:12,070

I was working I am paying the rent

248

00:12:18,150 --> 00:12:15,010

playing gigs with my band living life

249

00:12:21,990 --> 00:12:18,160

right but I was committed to the billy

250

00:12:24,270 --> 00:12:22,000

meier story and then it happened someone

251

00:12:28,050 --> 00:12:24,280

told me that Billy Meyer had hoaxed

252

00:12:30,950 --> 00:12:28,060

everything his pictures his story and

253

00:12:34,730 --> 00:12:30,960

his video and I was stunned

254

00:12:39,630 --> 00:12:34,740

crushed maybe a better word actually and

255

00:12:42,270 --> 00:12:39,640

I looked at the hoax evidence I and I

256

00:12:44,910 --> 00:12:42,280

looked at his original material and I

257

00:12:49,920 --> 00:12:44,920

came to the conclusion that well

258

00:12:52,830 --> 00:12:49,930

although his story may be true I didn't

259

00:12:54,360 --> 00:12:52,840

have the time to pursue it I didn't have

260

00:12:58,530 --> 00:12:54,370

the time to pursue it with the same

261

00:13:03,390 --> 00:12:58,540

energy as before you see I had lost

262

00:13:05,220 --> 00:13:03,400

interest I would let others chase the

263

00:13:10,350 --> 00:13:05,230

good the bad and the ugly about Maier

264

00:13:13,950 --> 00:13:10,360

but me personally I checked out now it's

265

00:13:16,930 --> 00:13:13,960

very simple how this happened

266

00:13:21,190 --> 00:13:16,940

how I could just pull the plug on

267

00:13:25,120 --> 00:13:21,200

something as big as the mire story I had

268

00:13:28,210 --> 00:13:25,130

learned over 35 years ago how to utilize

269

00:13:30,430 --> 00:13:28,220

my time when it comes to researching the

270

00:13:35,260 --> 00:13:30,440

UFO subject and of course you know life

271

00:13:38,670 --> 00:13:35,270

in general when a UFO when a UFO person

272

00:13:43,350 --> 00:13:38,680

of interest or an organization wavers

273

00:13:47,290 --> 00:13:43,360

just a bit right but it wavers I'm out

274

00:13:49,390 --> 00:13:47,300

my time is too valuable and there isn't

275

00:13:51,640 --> 00:13:49,400

enough of it available to dive into

276
00:13:53,980 --> 00:13:51,650
everything anyway you know to go in full

277
00:13:57,670 --> 00:13:53,990
speed ahead both guns blazing all day

278
00:13:59,490 --> 00:13:57,680
every day it's just the way that it is

279
00:14:03,850 --> 00:13:59,500
you get the point

280
00:14:08,080 --> 00:14:03,860
this of course brings us to today's

281
00:14:10,120 --> 00:14:08,090
subject Bob Lazar and belongs to the

282
00:14:14,550 --> 00:14:10,130
Stars Academy and how they've been

283
00:14:19,840 --> 00:14:14,560
blessed with the I have lost interest

284
00:14:22,540 --> 00:14:19,850
golden crown the news media and the

285
00:14:25,680 --> 00:14:22,550
internet have forced us into thinking

286
00:14:30,310 --> 00:14:25,690
that we should be concerned about

287
00:14:34,360 --> 00:14:30,320
everything everything and it's not just

288
00:14:37,300 --> 00:14:34,370

politics or sports I mean every little

289

00:14:39,940 --> 00:14:37,310

tiny subcategory of anything that you

290

00:14:44,230 --> 00:14:39,950

can think of plastic straws sugar

291

00:14:48,520 --> 00:14:44,240

chicken sandwich Wars to diet or not to

292

00:14:51,460 --> 00:14:48,530

diet vaping guns unruly flying

293

00:14:54,730 --> 00:14:51,470

passengers electric cars the weather the

294

00:14:59,770 --> 00:14:54,740

planet dogs and cats and bad cops good

295

00:15:03,160 --> 00:14:59,780

cops shark attacks Banksy Saturday Night

296

00:15:07,030 --> 00:15:03,170

Live Apple streaming services 5 T

297

00:15:10,240 --> 00:15:07,040

Weinstein Epstein Star Wars Bitcoin the

298

00:15:13,360 --> 00:15:10,250

homeless the Kardashians it's just on

299

00:15:17,200 --> 00:15:13,370

and on and on and on and on and I didn't

300

00:15:20,080 --> 00:15:17,210

even mention Russia China brexit Ukraine

301
00:15:22,930 --> 00:15:20,090
Canada Mexico or Hong Kong and the

302
00:15:27,190 --> 00:15:22,940
million subcategories and I really do

303
00:15:29,950 --> 00:15:27,200
mean million the million sub category

304
00:15:33,910 --> 00:15:29,960
that are reported on with everything

305
00:15:39,310 --> 00:15:33,920
that I just mentioned all minutes all

306
00:15:42,910 --> 00:15:39,320
day long it has become too much we are

307
00:15:50,710 --> 00:15:42,920
expected to read watch and be interested

308
00:15:56,290 --> 00:15:50,720
in everything which is how I learned to

309
00:15:58,930 --> 00:15:56,300
say I've lost interest it's really that

310
00:16:04,480 --> 00:15:58,940
simple I've lost interest

311
00:16:09,190 --> 00:16:04,490
I can't possibly apply my brain to

312
00:16:13,000 --> 00:16:09,200
everything all day long I can't do it so

313
00:16:15,190 --> 00:16:13,010

I've chosen when to check out right

314

00:16:18,430 --> 00:16:15,200

because for me the most important

315

00:16:23,800 --> 00:16:18,440

question and issue for all of us is as a

316

00:16:29,520 --> 00:16:23,810

planet it's a simple one are we alone in

317

00:16:32,740 --> 00:16:29,530

the universe that's what is important

318

00:16:36,900 --> 00:16:32,750

the pursuit of the answer to that

319

00:16:40,000 --> 00:16:36,910

question will always have my interest

320

00:16:46,750 --> 00:16:40,010

but and there's always a butt right I

321

00:16:49,630 --> 00:16:46,760

get that but there is way too much to

322

00:16:51,850 --> 00:16:49,640

study and go after each day with the

323

00:16:54,730 --> 00:16:51,860

vigor that it deserves and sometimes I

324

00:16:59,590 --> 00:16:54,740

will have to pull back when I know it's

325

00:17:02,230 --> 00:16:59,600

not going to go anywhere that's right

326

00:17:06,160 --> 00:17:02,240

and this is what happened recently with

327

00:17:10,689 --> 00:17:06,170

Bob Lazar someone who I kept the faith

328

00:17:12,760 --> 00:17:10,699

with for the past 29 years I just can't

329

00:17:15,610 --> 00:17:12,770

keep the same level of interest that I

330

00:17:20,140 --> 00:17:15,620

once had and the reasons are both many

331

00:17:24,220 --> 00:17:20,150

and simple until there was a major

332

00:17:27,850 --> 00:17:24,230

breakthrough with Lazar concerning his

333

00:17:30,580 --> 00:17:27,860

possession of element 115 his education

334

00:17:35,410 --> 00:17:30,590

his classmates his professors and his

335

00:17:36,450 --> 00:17:35,420

employment well I'm out I'm out I

336

00:17:38,830 --> 00:17:36,460

checked out

337

00:17:41,110 --> 00:17:38,840

it was the recent story that was

338

00:17:44,080 --> 00:17:41,120

published about the FBI

339

00:17:46,060 --> 00:17:44,090

raid at his home a raid that had nothing

340

00:17:48,310 --> 00:17:46,070

to do with element 115 of the sport

341

00:17:50,290 --> 00:17:48,320

model and everything to do with a murder

342

00:17:54,730 --> 00:17:50,300

investigation that was being conducted

343

00:17:57,190 --> 00:17:54,740

and Bob knew this that he decided to go

344

00:18:02,740 --> 00:17:57,200

along with the made-up story about it

345

00:18:09,750 --> 00:18:02,750

being about Bob Lazar and UFOs and it

346

00:18:13,450 --> 00:18:09,760

was not so I'm out I've lost interest I

347

00:18:17,669 --> 00:18:13,460

spent enough time on the Lazar saga and

348

00:18:22,150 --> 00:18:17,679

my energy is now focused elsewhere

349

00:18:24,910 --> 00:18:22,160

that's right and the very same thing has

350

00:18:29,200 --> 00:18:24,920

happened with the longs to the Stars

351

00:18:34,260 --> 00:18:29,210

Academy too many unanswered questions

352

00:18:36,970 --> 00:18:34,270

linger in fact for me it's way too many

353

00:18:40,720 --> 00:18:36,980

the second and most recent pentagon

354

00:18:42,910 --> 00:18:40,730

release the second about louis Elizondo

355

00:18:45,790 --> 00:18:42,920

not having any assigned duties to the a

356

00:18:47,440 --> 00:18:45,800

tip program coupled with the pentagon

357

00:18:50,710 --> 00:18:47,450

saying that a tip had nothing to do with

358

00:18:54,190 --> 00:18:50,720

UFOs and everything to do with well you

359

00:18:56,890 --> 00:18:54,200

know reports studies about aviation and

360

00:19:01,720 --> 00:18:56,900

aerospace technology over the next 40

361

00:19:05,350 --> 00:19:01,730

years and that's it there were no UFOs

362

00:19:08,980 --> 00:19:05,360

mentioned in the a tip reports so who do

363

00:19:11,680 --> 00:19:08,990

you believe all right because by the

364

00:19:15,880 --> 00:19:11,690

pentagon saying the way that they said

365

00:19:19,960 --> 00:19:15,890

it it's the truth because the a tip

366

00:19:25,690 --> 00:19:19,970

reports back up the pentagon statements

367

00:19:28,270 --> 00:19:25,700

fact they say the same thing so i like

368

00:19:30,430 --> 00:19:28,280

everyone else in the UFO community have

369

00:19:33,040 --> 00:19:30,440

spent the last two years researching

370

00:19:36,940 --> 00:19:33,050

reading and watching everything that has

371

00:19:39,400 --> 00:19:36,950

involved tts a a huge amount of time

372

00:19:41,799 --> 00:19:39,410

invested and with the pentagon making

373

00:19:44,020 --> 00:19:41,809

these kinds of statements statements

374

00:19:46,780 --> 00:19:44,030

that go completely against the grain of

375

00:19:51,780 --> 00:19:46,790

what both Elizondo and t TSA have said

376

00:19:54,080 --> 00:19:51,790

i'm forced to back up and stop the car

377

00:19:58,989 --> 00:19:54,090

pump the brakes

378

00:20:04,729 --> 00:19:58,999

key and get out to stretch my legs

379

00:20:07,369 --> 00:20:04,739

that's right Matt I've lost interest now

380

00:20:13,009 --> 00:20:07,379

like the issues that continue to haunt

381

00:20:15,589 --> 00:20:13,019

Lazar until TTS a and Elizondo clean up

382

00:20:18,739 --> 00:20:15,599

the mess surrounding them the public

383

00:20:22,700 --> 00:20:18,749

like myself will move on to things that

384

00:20:25,839 --> 00:20:22,710

deserve their valuable time well things

385

00:20:29,209 --> 00:20:25,849

change for Lazard along and Elizondo

386

00:20:33,859 --> 00:20:29,219

anything is possible but I'll leave it

387

00:20:35,779 --> 00:20:33,869

to others to pursue for now there are

388

00:20:38,529 --> 00:20:35,789

much more important issues besides the

389

00:20:44,209 --> 00:20:38,539

Lazar and TTS a that deserve my focus

390

00:20:48,200 --> 00:20:44,219

like Banksy and plastic straws and I

391

00:20:50,899 --> 00:20:48,210

suggest you do the same pick and choose

392

00:20:55,310 --> 00:20:50,909

what do you want to research and invest

393

00:20:59,239 --> 00:20:55,320

in for the new year 2020 kicks off in

394

00:21:01,879 --> 00:20:59,249

just seven days and you need to get rid

395

00:21:02,859 --> 00:21:01,889

of the things that are not going

396

00:21:05,779 --> 00:21:02,869

anywhere

397

00:21:10,209 --> 00:21:05,789

leave it to others who are probably

398

00:21:13,190 --> 00:21:10,219

wasting their time not yours

399

00:21:18,139 --> 00:21:13,200

this is fade to black I am your host

400

00:21:22,190 --> 00:21:18,149

Jimmy Church tonight is our merry quit

401
00:21:23,570 --> 00:21:22,200
miss special that's right get ready I'm

402
00:21:26,239 --> 00:21:23,580
gonna come back after this break with

403
00:21:27,589 --> 00:21:26,249
Jason quit live from Toronto we're gonna

404
00:21:31,909 --> 00:21:27,599
do it all tonight we're gonna go down

405
00:21:33,979 --> 00:21:31,919
the history of Christmas that's right

406
00:21:38,889 --> 00:21:33,989
and it may or may not be what you think

407
00:21:42,409 --> 00:21:38,899
it is we're gonna get into Santa Claus

408
00:21:42,799 --> 00:21:42,419
his reindeer we're gonna do it all

409
00:21:44,810 --> 00:21:42,809
tonight

410
00:21:46,820 --> 00:21:44,820
this is fade to black I'm your host

411
00:21:50,419 --> 00:21:46,830
Jimmy Church on the game change your

412
00:21:52,099 --> 00:21:50,429
network and kgr a the planet I'll be

413
00:22:10,650 --> 00:21:52,109

right back after this short break with

414

00:22:13,970 --> 00:22:11,979

[Music]

415

00:22:15,350 --> 00:22:13,980

all right welcome back

416

00:22:19,549 --> 00:22:15,360

fade to black I'm your semi church

417

00:22:23,899 --> 00:22:19,559

tonight is our Mary quickness special

418

00:22:26,810 --> 00:22:23,909

event with Jason quit now as we kick off

419

00:22:29,359 --> 00:22:26,820

the holiday season celebrate quit miss

420

00:22:31,190 --> 00:22:29,369

with us tonight as we take a look at the

421

00:22:33,529 --> 00:22:31,200

history the science and the conspiracy

422

00:22:36,200 --> 00:22:33,539

that has made this one of the funnest

423

00:22:39,009 --> 00:22:36,210

weeks of the year and one of the most

424

00:22:41,090 --> 00:22:39,019

popular holidays in the entire world

425

00:22:43,279 --> 00:22:41,100

Jason quit is a graduate of the

426

00:22:45,440 --> 00:22:43,289

Institute of energy wellness a student

427

00:22:46,909 --> 00:22:45,450

of the Algonquin shamanism and has been

428

00:22:49,340 --> 00:22:46,919

training and working with many teachers

429

00:22:51,499 --> 00:22:49,350

shamans and traditional healers from all

430

00:22:53,749 --> 00:22:51,509

around the world he's also the author of

431

00:22:56,090 --> 00:22:53,759

forbid knowledge revelations of a

432

00:22:58,759 --> 00:22:56,100

multi-dimensional time travel the

433

00:23:01,789 --> 00:22:58,769

Egyptian postures of power ancient ki

434

00:23:04,820 --> 00:23:01,799

Gong system and the use of codes sacred

435

00:23:06,889 --> 00:23:04,830

geometry mandalas his website is the

436

00:23:08,210 --> 00:23:06,899

crystal sun.com the links are Jimmy

437

00:23:09,470 --> 00:23:08,220

Turks radio and I would like to welcome

438

00:23:12,769 --> 00:23:09,480

back to fade to black the one and only

439

00:23:18,440 --> 00:23:12,779

Jason quit Jason Mary quit miss man and

440

00:23:23,060 --> 00:23:18,450

a merry Christmas to you oh I want fork

441

00:23:24,859 --> 00:23:23,070

witnesses my two front teeth yeah yeah

442

00:23:27,109 --> 00:23:24,869

we've been having too much fun these

443

00:23:30,049 --> 00:23:27,119

past couple of days yeah you know it

444

00:23:32,330 --> 00:23:30,059

it's it's so much fun and this is

445

00:23:36,049 --> 00:23:32,340

certainly you know from Thanksgiving

446

00:23:37,759 --> 00:23:36,059

until after New Year's this is my

447

00:23:41,659 --> 00:23:37,769

favorite time of the year and it kicks

448

00:23:45,529 --> 00:23:41,669

off for Thanksgiving which rivals for me

449

00:23:49,070 --> 00:23:45,539

rivals Halloween that's a big day for us

450

00:23:50,989 --> 00:23:49,080

I love that but Thanksgiving is it's

451
00:23:53,269 --> 00:23:50,999
just so wonderful and then heading into

452
00:23:54,619 --> 00:23:53,279
this time of the year it's just it's

453
00:23:56,960 --> 00:23:54,629
special and it goes back to our

454
00:24:00,649 --> 00:23:56,970
childhood and I'm sure it's the same for

455
00:24:03,499 --> 00:24:00,659
you right absolutely it's one of my most

456
00:24:05,570 --> 00:24:03,509
favorite times of the year and Halloween

457
00:24:09,499 --> 00:24:05,580
is up there and Thanksgiving but

458
00:24:13,820 --> 00:24:09,509
Christmas is a very special time now how

459
00:24:17,060 --> 00:24:13,830
do you guys you're in Toronto so you get

460
00:24:19,279 --> 00:24:17,070
a pretty good wallop of Christmas you

461
00:24:22,399 --> 00:24:19,289
get you get snow you get the cold you

462
00:24:23,220 --> 00:24:22,409
get the vibe right the Christmas lights

463
00:24:26,100 --> 00:24:23,230

and

464

00:24:28,950 --> 00:24:26,110

downtown with everything supposedly

465

00:24:32,760 --> 00:24:28,960

snowy white and I hope that it is you

466

00:24:34,320 --> 00:24:32,770

guys get to to enjoy a real version of

467

00:24:37,770 --> 00:24:34,330

Christmas as opposed to us out here

468

00:24:40,370 --> 00:24:37,780

where we have palm trees and sand yes

469

00:24:43,350 --> 00:24:40,380

it's completely snowed over here and

470

00:24:45,900 --> 00:24:43,360

I've been shoveling almost since the end

471

00:24:48,840 --> 00:24:45,910

of November so there's plenty of snow

472

00:24:51,720 --> 00:24:48,850

here and we actually set up our

473

00:24:54,570 --> 00:24:51,730

Christmas tree in mid-november so we

474

00:24:56,760 --> 00:24:54,580

started really early and we have lights

475

00:24:59,580 --> 00:24:56,770

on in the house so it's very festive

476

00:25:02,580 --> 00:24:59,590

here and how do you guys how do you guys

477

00:25:07,070 --> 00:25:02,590

choose to celebrate Christmas I mean how

478

00:25:10,980 --> 00:25:07,080

many do you do we do two Christmases and

479

00:25:13,530 --> 00:25:10,990

one is the normal Christmas and then one

480

00:25:16,350 --> 00:25:13,540

is a Ukrainian Christmas which is

481

00:25:18,810 --> 00:25:16,360

actually January the 7th which goes on

482

00:25:20,430 --> 00:25:18,820

the the Julian calendar so that's why

483

00:25:27,450 --> 00:25:20,440

it's a little different what do you do

484

00:25:27,930 --> 00:25:27,460

do you impeach your in-laws you know

485

00:25:30,570 --> 00:25:27,940

what

486

00:25:33,390 --> 00:25:30,580

the food that's all I got to say if for

487

00:25:36,419 --> 00:25:33,400

me Christmas is really about the food

488

00:25:41,070 --> 00:25:36,429

you can't go wrong and I married into a

489

00:25:45,680 --> 00:25:41,080

Catholic polish Ukrainian family so for

490

00:25:47,280 --> 00:25:45,690

Christmas we get pierogies schnitzel Oh

491

00:25:50,760 --> 00:25:47,290

what is it

492

00:25:53,820 --> 00:25:50,770

croqueta which is like how do I explain

493

00:25:55,950 --> 00:25:53,830

it it's like a pancake pancake wrapped

494

00:25:59,100 --> 00:25:55,960

with like mushrooms inside a mushroom

495

00:26:01,470 --> 00:25:59,110

gravy ridiculously good yeah we do all

496

00:26:04,350 --> 00:26:01,480

the same stuff here man it's just so

497

00:26:07,860 --> 00:26:04,360

good and we're over at a Rita's parents

498

00:26:11,669 --> 00:26:07,870

house yesterday and we left with a huge

499

00:26:14,460 --> 00:26:11,679

pan of frozen things that pretty much

500

00:26:16,919 --> 00:26:14,470

everything that you just list and you

501
00:26:20,360 --> 00:26:16,929
know her mom and her aunt is sit around

502
00:26:23,400 --> 00:26:20,370
and and do nothing but bake and cook and

503
00:26:27,330 --> 00:26:23,410
and get ready and we got sent home with

504
00:26:30,600 --> 00:26:27,340
the good stuff yesterday man oh so good

505
00:26:33,390 --> 00:26:30,610
it's so good now and what about you your

506
00:26:35,720 --> 00:26:33,400
background is what my background

507
00:26:36,780 --> 00:26:35,730
actually I was born into a Jewish family

508
00:26:42,030 --> 00:26:36,790
so

509
00:26:44,850 --> 00:26:42,040
it's now we have Hanukkah going on which

510
00:26:46,770 --> 00:26:44,860
started on the 22nd of December and it

511
00:26:49,590 --> 00:26:46,780
goes up until December 30th where we

512
00:26:51,390 --> 00:26:49,600
light the candles each day so it's like

513
00:26:53,760 --> 00:26:51,400

you get the best of both worlds you

514

00:26:55,580 --> 00:26:53,770

celebrate Hanukkah you get Christmas you

515

00:27:01,440 --> 00:26:55,590

know Wow can't go wrong

516

00:27:03,120 --> 00:27:01,450

Wow okay and and for you okay let me let

517

00:27:05,010 --> 00:27:03,130

me ask a couple of questions everybody's

518

00:27:08,550 --> 00:27:05,020

wondering the same thing right now right

519

00:27:11,550 --> 00:27:08,560

as you say these things marrying into a

520

00:27:16,620 --> 00:27:11,560

Catholic family what about the baby

521

00:27:20,850 --> 00:27:16,630

Jesus how is that dealt with at the quit

522

00:27:25,230 --> 00:27:20,860

house it's a good question we actually

523

00:27:28,650 --> 00:27:25,240

do not have baby Jesus here in fact we

524

00:27:31,860 --> 00:27:28,660

don't really have any religious items in

525

00:27:33,960 --> 00:27:31,870

our house this is actually the first

526

00:27:37,290 --> 00:27:33,970

year that we put together a Christmas

527

00:27:39,780 --> 00:27:37,300

tree but I think Monica has been asking

528

00:27:42,180 --> 00:27:39,790

for a Christmas tree the moment we got

529

00:27:44,040 --> 00:27:42,190

married so what's known about for years

530

00:27:48,780 --> 00:27:44,050

no no that's not what I'm talking about

531

00:27:50,450 --> 00:27:48,790

okay that's fine yeah what about when

532

00:27:53,070 --> 00:27:50,460

you're over at Monica's parents house

533

00:27:57,930 --> 00:27:53,080

the do mom and dad bring up the baby

534

00:28:02,460 --> 00:27:57,940

Jesus does dad go so Jason what about

535

00:28:03,210 --> 00:28:02,470

the baby Jesus I you know what they

536

00:28:04,950 --> 00:28:03,220

don't do that

537

00:28:07,740 --> 00:28:04,960

they're told they're totally cool with

538

00:28:09,690 --> 00:28:07,750

me and when they do their prayers it's

539

00:28:13,710 --> 00:28:09,700

in another language I think it's in

540

00:28:15,450 --> 00:28:13,720

Polish or Ukrainian so you know I just

541

00:28:18,750 --> 00:28:15,460

sit there and and copy what they're

542

00:28:20,340 --> 00:28:18,760

doing and be very respectful obviously

543

00:28:23,760 --> 00:28:20,350

and you know everybody has their own

544

00:28:25,290 --> 00:28:23,770

beliefs and traditions and it's kind of

545

00:28:28,530 --> 00:28:25,300

cool in the family there's not really

546

00:28:30,570 --> 00:28:28,540

like that much at the table except

547

00:28:34,170 --> 00:28:30,580

everybody just enjoying each other's

548

00:28:36,180 --> 00:28:34,180

company and enjoying the food okay wait

549

00:28:38,760 --> 00:28:36,190

okay so you guys so what you're saying

550

00:28:49,230 --> 00:28:38,770

is you guys are avoiding the

551

00:28:50,190 --> 00:28:49,240

confrontation and it kind of goes both

552

00:28:54,450 --> 00:28:50,200

ways

553

00:28:57,900 --> 00:28:54,460

I mean you could bring it up to yeah but

554

00:29:00,600 --> 00:28:57,910

if I bring it up I'm gonna bring up the

555

00:29:04,070 --> 00:29:00,610

version of the baby Jesus that we're

556

00:29:07,500 --> 00:29:04,080

going to talk about tonight I've always

557

00:29:13,170 --> 00:29:07,510

I've been fascinated with this subject

558

00:29:14,850 --> 00:29:13,180

when I was old enough to understand the

559

00:29:17,340 --> 00:29:14,860

different religions around the world

560

00:29:22,260 --> 00:29:17,350

right and the differences between them

561

00:29:26,460 --> 00:29:22,270

and I was always confused and interested

562

00:29:31,560 --> 00:29:26,470

in the two versions of the Bible which

563

00:29:34,800 --> 00:29:31,570

are similar like probably 80% 80% the

564

00:29:37,860 --> 00:29:34,810

things cross over and and are good but

565

00:29:44,400 --> 00:29:37,870

then there is the obvious and that's the

566

00:29:47,040 --> 00:29:44,410

baby Jesus it's just like how can how

567

00:29:50,610 --> 00:29:47,050

can I talk about this how can I talk

568

00:29:54,570 --> 00:29:50,620

about this without offending everybody

569

00:29:56,970 --> 00:29:54,580

because it's there and nobody else

570

00:30:00,450 --> 00:29:56,980

really wants to tell me the truth or

571

00:30:03,120 --> 00:30:00,460

tell me really what's going on to get

572

00:30:05,790 --> 00:30:03,130

rid of the confusion right it's it's

573

00:30:10,950 --> 00:30:05,800

it's it's it's pretty funny if you think

574

00:30:15,000 --> 00:30:10,960

about it well you know growing up in a

575

00:30:18,510 --> 00:30:15,010

Jewish household we had cousins that

576

00:30:20,760 --> 00:30:18,520

also married into Catholic families so

577

00:30:22,680 --> 00:30:20,770

even growing up I would go over to my

578

00:30:24,480 --> 00:30:22,690

cousins and we would celebrate Christmas

579

00:30:27,630 --> 00:30:24,490

and you know they would have the baby

580

00:30:29,640 --> 00:30:27,640

Jesus there they would have the manger

581

00:30:32,760 --> 00:30:29,650

scene and all these things set up around

582

00:30:35,460 --> 00:30:32,770

the house and I loved it it's like my

583

00:30:37,500 --> 00:30:35,470

family loved going over to their house

584

00:30:39,800 --> 00:30:37,510

for Christmas because it's just an other

585

00:30:42,180 --> 00:30:39,810

thing to enjoy time with your family

586

00:30:44,100 --> 00:30:42,190

regardless of what they believe we

587

00:30:46,560 --> 00:30:44,110

respect it all we know it's a belief

588

00:30:50,630 --> 00:30:46,570

system it's know we know it they believe

589

00:30:53,850 --> 00:30:50,640

in that and but no one really discussed

590

00:30:55,680 --> 00:30:53,860

the tradition to me it was something I

591

00:30:59,400 --> 00:30:55,690

had to kind of learn about later once I

592

00:31:00,990 --> 00:30:59,410

started to research this and it was part

593

00:31:02,909 --> 00:31:01,000

of the awakening process as well to

594

00:31:06,029 --> 00:31:02,919

learn about shamanism and the world

595

00:31:09,149 --> 00:31:06,039

around us and I did the very same thing

596

00:31:10,950 --> 00:31:09,159

and left to my own right to go and

597

00:31:13,830 --> 00:31:10,960

figure all of this stuff out and then

598

00:31:16,799 --> 00:31:13,840

you kind of start to put the pieces

599

00:31:20,249 --> 00:31:16,809

together and you figure out that things

600

00:31:22,349 --> 00:31:20,259

are not what they seem and there's a and

601
00:31:24,149 --> 00:31:22,359
and we're gonna start getting into this

602
00:31:27,659 --> 00:31:24,159
pretty heavily here in just a second

603
00:31:30,989 --> 00:31:27,669
but there's another part of Christmas

604
00:31:32,340 --> 00:31:30,999
for me that I will never let go of no

605
00:31:34,259 --> 00:31:32,350
matter what I find out no matter what

606
00:31:36,479 --> 00:31:34,269
the conspiracies are no matter what the

607
00:31:41,609 --> 00:31:36,489
religions our politics or commercialism

608
00:31:45,029 --> 00:31:41,619
get into play and that is the way that I

609
00:31:49,109 --> 00:31:45,039
was brought up with with Christmas trees

610
00:31:52,979 --> 00:31:49,119
with Santa Claus with the holiday movies

611
00:31:56,580 --> 00:31:52,989
and in the celebration that to me is

612
00:31:59,840 --> 00:31:56,590
what Christmas is did whatever the

613
00:32:03,659 --> 00:31:59,850

mythology the folklore the history the

614

00:32:07,619 --> 00:32:03,669

conspiracy the paganism whatever the

615

00:32:11,549 --> 00:32:07,629

ships in history part of this it's not

616

00:32:13,970 --> 00:32:11,559

going to tarnish my memories and and

617

00:32:17,310 --> 00:32:13,980

that's that's where I'm at with us and

618

00:32:18,509 --> 00:32:17,320

before we kick this off because we've

619

00:32:22,349 --> 00:32:18,519

got a lot to discuss

620

00:32:27,779 --> 00:32:22,359

tonight I wanted to do this because

621

00:32:32,639 --> 00:32:27,789

speaking of you know me me personally I

622

00:32:35,729 --> 00:32:32,649

just posted up on social media my top 10

623

00:32:38,239 --> 00:32:35,739

Christmas movies and I went through this

624

00:32:42,440 --> 00:32:38,249

I put a lot of time into this today and

625

00:32:45,090 --> 00:32:42,450

it may not be what most would think and

626

00:32:47,340 --> 00:32:45,100

not everything is honor this is my list

627

00:32:49,379 --> 00:32:47,350

okay and then we're gonna go over your

628

00:32:52,049 --> 00:32:49,389

list in just a second and I'm gonna do

629

00:32:54,629 --> 00:32:52,059

this really quick my top 10 Christmas

630

00:32:57,720 --> 00:32:54,639

movie starting at number 10 How the

631

00:33:02,070 --> 00:32:57,730

Grinch Stole Christmas which is the

632

00:33:05,729 --> 00:33:02,080

original version from 1966 with Chuck

633

00:33:07,320 --> 00:33:05,739

Jones as the artist that's a that's

634

00:33:10,729 --> 00:33:07,330

amazing I asked my number 10 my number

635

00:33:13,320 --> 00:33:10,739

nine is Trading Places and that's from

636

00:33:15,029 --> 00:33:13,330

1983 and there's a reason why I'm

637

00:33:16,739 --> 00:33:15,039

mentioning these dates and that's from

638

00:33:19,470 --> 00:33:16,749

1983

639

00:33:22,710 --> 00:33:19,480

The Nightmare Before Christmas that

640

00:33:25,529 --> 00:33:22,720

didn't come out until 1993 but I've

641

00:33:29,310 --> 00:33:25,539

watched it so many times and my kids

642

00:33:31,080 --> 00:33:29,320

love the movie and it's just really cool

643

00:33:33,029 --> 00:33:31,090

so that came into my number eight my

644

00:33:37,440 --> 00:33:33,039

number seven It's a Wonderful Life

645

00:33:43,229 --> 00:33:37,450

that's right the original 1946 and then

646

00:33:45,629 --> 00:33:43,239

my number six is Scrooged 1988 with Bill

647

00:33:47,599 --> 00:33:45,639

Murray and it's absolutely hands-down

648

00:33:49,349 --> 00:33:47,609

one of my favorite Christmas movies

649

00:33:55,289 --> 00:33:49,359

number five

650

00:33:57,659 --> 00:33:55,299

Bad Santa from 2003 yes that is one of

651
00:34:01,590 --> 00:33:57,669
my all-time favorite Christmas movies my

652
00:34:03,720 --> 00:34:01,600
number four and and I'm surprised I

653
00:34:07,159 --> 00:34:03,730
think this should have been higher

654
00:34:12,240 --> 00:34:07,169
on most people's list but it's die hard

655
00:34:16,799 --> 00:34:12,250
from 1988 with Bruce Willis and then my

656
00:34:18,419 --> 00:34:16,809
top three my three two and one for me

657
00:34:21,539 --> 00:34:18,429
number three is a strange one number

658
00:34:24,329 --> 00:34:21,549
three because it's from 1974 and that's

659
00:34:26,849 --> 00:34:24,339
the year without Santa Claus and that's

660
00:34:29,190 --> 00:34:26,859
the one with heat miser right he's

661
00:34:32,520 --> 00:34:29,200
mister heat miser

662
00:34:35,129 --> 00:34:32,530
he's mr. Sun right and that that would

663
00:34:37,919 --> 00:34:35,139

that came out of 1974 most people think

664

00:34:40,470 --> 00:34:37,929

it's older but it's not my number two is

665

00:34:46,500 --> 00:34:40,480

Rudolph the red-nosed reindeer the

666

00:34:49,980 --> 00:34:46,510

original claymation 1964 and stop

667

00:34:54,030 --> 00:34:49,990

animation and my number one a Charlie

668

00:34:55,859 --> 00:34:54,040

Brown Christmas 1965 the original with

669

00:34:59,099 --> 00:34:55,869

Charlie Brown so that's my top 10

670

00:35:00,569 --> 00:34:59,109

Christmas movies what are yours okay

671

00:35:02,789 --> 00:35:00,579

I'll start with number 10 and actually a

672

00:35:04,799 --> 00:35:02,799

couple of them you've already said so

673

00:35:07,260 --> 00:35:04,809

number 10 is not actually a Christmas

674

00:35:09,230 --> 00:35:07,270

movie but Ghostbusters you always liked

675

00:35:13,230 --> 00:35:09,240

watching ghostbusters around these times

676
00:35:14,640 --> 00:35:13,240
my number 9 is trading places it's

677
00:35:16,230 --> 00:35:14,650
actually your number 92

678
00:35:17,970 --> 00:35:16,240
which I found pretty interesting I love

679
00:35:20,370 --> 00:35:17,980
that movie mmm

680
00:35:23,039 --> 00:35:20,380
then we got jingle all the way with

681
00:35:25,530 --> 00:35:23,049
Arnold Schwarzenegger not bad then we

682
00:35:28,200 --> 00:35:25,540
have seven which is elf not bad

683
00:35:30,360 --> 00:35:28,210
six we have tim and eric' chrimbus

684
00:35:32,160 --> 00:35:30,370
special and I know many

685
00:35:34,140 --> 00:35:32,170
people don't know what that what that is

686
00:35:35,670 --> 00:35:34,150
I'll just say it's the most ridiculous

687
00:35:38,790 --> 00:35:35,680
thing if you could actually get through

688
00:35:41,700 --> 00:35:38,800

it then you have plane trains an

689

00:35:43,740 --> 00:35:41,710

automobile which is classic and then

690

00:35:45,150 --> 00:35:43,750

this gets into like the 90s here where I

691

00:35:47,610 --> 00:35:45,160

kind of grew up and watch this stuff

692

00:35:49,200 --> 00:35:47,620

which is Ernest saves Christmas oh

693

00:35:51,930 --> 00:35:49,210

that's a great one

694

00:35:53,340 --> 00:35:51,940

yes awesome yeah and then and then the

695

00:35:56,280 --> 00:35:53,350

gremlins you can't have Christmas

696

00:35:58,560 --> 00:35:56,290

without gremlins and then we have

697

00:36:00,810 --> 00:35:58,570

National Lampoon's Christmas and my

698

00:36:02,850 --> 00:36:00,820

personal number one movie that I think

699

00:36:06,450 --> 00:36:02,860

I've seen every single Christmas since I

700

00:36:09,540 --> 00:36:06,460

was like a child is Scrooged with Bill

701
00:36:10,920 --> 00:36:09,550
Murray yep yep that's a great list you

702
00:36:12,480 --> 00:36:10,930
know that's a great list that's a great

703
00:36:15,390 --> 00:36:12,490
list can't argue with any of that and

704
00:36:17,130 --> 00:36:15,400
you can see the generational parts of

705
00:36:20,040 --> 00:36:17,140
that too as well be the difference

706
00:36:22,110 --> 00:36:20,050
between you and I like elf which is a

707
00:36:24,900 --> 00:36:22,120
great movie I you know it's great it

708
00:36:27,690 --> 00:36:24,910
doesn't doesn't pull up my heartstrings

709
00:36:32,610 --> 00:36:27,700
you know like Bad Santa does I don't

710
00:36:34,500 --> 00:36:32,620
know but but and that's all part of it

711
00:36:38,940 --> 00:36:34,510
see that's what that's what Christmas is

712
00:36:41,490 --> 00:36:38,950
and when you go back and look into the

713
00:36:45,420 --> 00:36:41,500

real history of things because you and I

714

00:36:48,720 --> 00:36:45,430

are both students of history it's what

715

00:36:51,780 --> 00:36:48,730

we are doing constantly and when you're

716

00:36:54,570 --> 00:36:51,790

a true student of history like we are

717

00:36:57,420 --> 00:36:54,580

you find out stuff every single day that

718

00:37:01,380 --> 00:36:57,430

you didn't know and it just you get

719

00:37:04,140 --> 00:37:01,390

these little paradigm shifts right these

720

00:37:08,250 --> 00:37:04,150

little things that cause you to go back

721

00:37:11,550 --> 00:37:08,260

and go wow okay really and it doesn't

722

00:37:13,140 --> 00:37:11,560

get any bigger than the foundations of

723

00:37:19,020 --> 00:37:13,150

what Christmas is about

724

00:37:21,090 --> 00:37:19,030

and where all of that came from and one

725

00:37:24,390 --> 00:37:21,100

of the first things I want to start at

726

00:37:30,480 --> 00:37:24,400

one single point and I may be right I

727

00:37:32,220 --> 00:37:30,490

may be wrong here but is Horace and and

728

00:37:36,930 --> 00:37:32,230

I want to start there because most

729

00:37:40,080 --> 00:37:36,940

people don't know they they may know the

730

00:37:42,060 --> 00:37:40,090

Horace as an Egyptian god that's it

731

00:37:43,820 --> 00:37:42,070

they don't know the real history of

732

00:37:47,720 --> 00:37:43,830

Horace and if you go back and

733

00:37:49,700 --> 00:37:47,730

and read all of the mythology and the

734

00:37:54,320 --> 00:37:49,710

stories that have been handed down and

735

00:37:57,470 --> 00:37:54,330

repeated and written for thousands of

736

00:38:01,250 --> 00:37:57,480

years you don't know the real history of

737

00:38:05,690 --> 00:38:01,260

Horace but if we stop and think about

738

00:38:07,730 --> 00:38:05,700

the true Praja nadir of Christmas does

739

00:38:11,300 --> 00:38:07,740

it start with Horace because Horace in

740

00:38:17,030 --> 00:38:11,310

the mythology was born on December 25th

741

00:38:20,600 --> 00:38:17,040

of the Virgin Isis Mary it's one of the

742

00:38:24,770 --> 00:38:20,610

earliest stories that we have that has

743

00:38:28,070 --> 00:38:24,780

this creation myth with this December

744

00:38:30,050 --> 00:38:28,080

25th date but we don't actually know

745

00:38:31,490 --> 00:38:30,060

where this originally came from this

746

00:38:33,440 --> 00:38:31,500

could have this story could have come

747

00:38:36,500 --> 00:38:33,450

thousands of years even before the story

748

00:38:39,920 --> 00:38:36,510

of Horace so it's a very very ancient

749

00:38:44,510 --> 00:38:39,930

story but yes Horace was born of the

750

00:38:46,100 --> 00:38:44,520

Virgin Isis you know all these amazing

751

00:38:50,620 --> 00:38:46,110

things and it's not just Horace there is

752

00:38:53,750 --> 00:38:50,630

about 30 plus deities from ancient times

753

00:38:57,020 --> 00:38:53,760

that have that same birth date of

754

00:39:00,770 --> 00:38:57,030

December 25th and it almost has the

755

00:39:04,670 --> 00:39:00,780

exact same story that we know today and

756

00:39:09,230 --> 00:39:04,680

as in who who are those all right well

757

00:39:10,070 --> 00:39:09,240

one of them is Mithra and we have

758

00:39:12,260 --> 00:39:10,080

Krishna

759

00:39:17,300 --> 00:39:12,270

well myth right let's stay right there

760

00:39:22,130 --> 00:39:17,310

Mithra was also born on December 25th

761

00:39:26,660 --> 00:39:22,140

right born a virgin father a carpenter

762

00:39:29,750 --> 00:39:26,670

had 12 disciples before miracles died

763

00:39:32,930 --> 00:39:29,760

who was resurrected same with Krishna

764

00:39:37,430 --> 00:39:32,940

even pre-christian the story of Krishna

765

00:39:40,850 --> 00:39:37,440

was also the anointed one called the

766

00:39:43,610 --> 00:39:40,860

Christ performed miracles born of a

767

00:39:46,520 --> 00:39:43,620

virgin born December 25th these are the

768

00:39:49,940 --> 00:39:46,530

same stories given are the same

769

00:39:51,950 --> 00:39:49,950

attributes given to these deities or

770

00:39:54,060 --> 00:39:51,960

these stories what's a Krishna

771

00:40:02,110 --> 00:39:54,070

resurrected as well

772

00:40:05,020 --> 00:40:02,120

yes yes and what about addis thatis it's

773

00:40:09,070 --> 00:40:05,030

the exact same story and these are all

774

00:40:12,700 --> 00:40:09,080

basically solar deities that tell a

775

00:40:18,220 --> 00:40:12,710

story of this kind of solar creation are

776

00:40:23,350 --> 00:40:18,230

the sons of God and Addis and Krishna

777

00:40:26,770 --> 00:40:23,360

Mithra sol invictus and also Jesus they

778

00:40:29,470 --> 00:40:26,780

all follow the same template yeah yeah

779

00:40:32,500 --> 00:40:29,480

Addis born December 25th crucified

780

00:40:34,420 --> 00:40:32,510

placed in a tomb after three days was

781

00:40:38,260 --> 00:40:34,430

resurrected

782

00:40:40,090 --> 00:40:38,270

you have Dionysus of Greece of Greece

783

00:40:41,050 --> 00:40:40,100

right now what you know we're going

784

00:40:48,520 --> 00:40:41,060

we've got

785

00:40:52,540 --> 00:40:48,530

and and Greece because Dionysus was also

786

00:40:55,510 --> 00:40:52,550

born of a virgin December 25th he was

787

00:40:59,890 --> 00:40:55,520

known as the King of Kings the Alpha and

788

00:41:03,340 --> 00:40:59,900

the Omega and the same situation where

789

00:41:08,160 --> 00:41:03,350

he was upon his death he was also

790

00:41:10,810 --> 00:41:08,170

resurrected but all of these figures

791

00:41:12,640 --> 00:41:10,820

around the world from different cultures

792

00:41:14,920 --> 00:41:12,650

different continents right you would

793

00:41:20,110 --> 00:41:14,930

almost have to be transoceanic to share

794

00:41:23,230 --> 00:41:20,120

these hmm but they all seem to have the

795

00:41:26,260 --> 00:41:23,240

same origin stories and you have to go

796

00:41:30,400 --> 00:41:26,270

back and and try to figure out what was

797

00:41:35,920 --> 00:41:30,410

everybody basing you know this this idea

798

00:41:39,880 --> 00:41:35,930

on for each one of these gods and the

799

00:41:43,840 --> 00:41:39,890

messengers that they revered right all

800

00:41:46,900 --> 00:41:43,850

December 25th and all had died and most

801
00:41:48,820 --> 00:41:46,910
were resurrected all born of a virgin if

802
00:41:50,920 --> 00:41:48,830
everything is consistent across the

803
00:41:54,940 --> 00:41:50,930
board and before I feel like I'm going

804
00:41:58,900 --> 00:41:54,950
to be struck by lightning right what

805
00:42:02,020 --> 00:41:58,910
what what was the source of this what

806
00:42:06,960 --> 00:42:02,030
was everybody seeing okay well you have

807
00:42:11,300 --> 00:42:06,970
to first think about ancient human

808
00:42:14,880 --> 00:42:11,310
and before religion before beliefs

809
00:42:18,420 --> 00:42:14,890
ancient humanity always needed to know

810
00:42:21,300 --> 00:42:18,430
where they were in in the world they

811
00:42:24,300 --> 00:42:21,310
needed to know about the environment

812
00:42:27,480 --> 00:42:24,310
they lived in the nature of the earth

813
00:42:29,790 --> 00:42:27,490

the cycles the stars the harvest where

814

00:42:33,870 --> 00:42:29,800

the animals are going they needed to

815

00:42:36,420 --> 00:42:33,880

know about these ecosystems and for

816

00:42:40,800 --> 00:42:36,430

ancient humans that knowledge itself was

817

00:42:43,910 --> 00:42:40,810

life and death so the ancient human mind

818

00:42:46,410 --> 00:42:43,920

saw themselves as this kind of divine

819

00:42:48,390 --> 00:42:46,420

reflection of the laws around them and

820

00:42:50,940 --> 00:42:48,400

this is the basis of gnosis it's the

821

00:42:54,030 --> 00:42:50,950

basis of religion it's the basis of our

822

00:42:56,460 --> 00:42:54,040

traditions came all the way back to

823

00:42:59,490 --> 00:42:56,470

these ancient minds that started to look

824

00:43:03,530 --> 00:42:59,500

at the world around them and it's from

825

00:43:05,580 --> 00:43:03,540

these cycles that they created calendars

826

00:43:08,130 --> 00:43:05,590

archetypes they learned about the laws

827

00:43:10,800 --> 00:43:08,140

that govern themselves and it was

828

00:43:16,140 --> 00:43:10,810

basically like the microcosm of the

829

00:43:19,980 --> 00:43:16,150

macrocosm so basically what I'll say

830

00:43:23,910 --> 00:43:19,990

right now is that the religions and the

831

00:43:26,880 --> 00:43:23,920

traditions that we practice today they

832

00:43:29,820 --> 00:43:26,890

really do come out of these cycles of

833

00:43:33,150 --> 00:43:29,830

time and I'll say this again these

834

00:43:35,640 --> 00:43:33,160

cycles of time are encoded in all of our

835

00:43:40,370 --> 00:43:35,650

religious texts that we practice today

836

00:43:44,790 --> 00:43:40,380

but it is kind of hidden in allegory and

837

00:43:47,030 --> 00:43:44,800

we can call this Astro theology and it's

838

00:43:50,580 --> 00:43:47,040

the study of the movement of the stars

839

00:43:52,650 --> 00:43:50,590

where the Sun is in the sky and the

840

00:43:56,130 --> 00:43:52,660

different seasons of the solstices and

841

00:43:57,900 --> 00:43:56,140

the equinoxes this is the basis of our

842

00:44:01,080 --> 00:43:57,910

religious texts and this is where all

843

00:44:03,740 --> 00:44:01,090

these stories and myths sprout out from

844

00:44:07,950 --> 00:44:03,750

this knowledge well that would explain

845

00:44:10,680 --> 00:44:07,960

the consistency across countries

846

00:44:14,040 --> 00:44:10,690

continents and cultures that they were

847

00:44:17,310 --> 00:44:14,050

all seeing the same things in the sky in

848

00:44:19,970 --> 00:44:17,320

the stars and that was the origin of

849

00:44:23,030 --> 00:44:19,980

these stories and leading up to

850

00:44:25,880 --> 00:44:23,040

we'll pick up with all of this after the

851

00:44:28,700 --> 00:44:25,890

break but it has nothing to do with a

852

00:44:31,580 --> 00:44:28,710

manger right and three dudes you know

853

00:44:35,170 --> 00:44:31,590

going across the desert chasing the Star

854

00:44:39,160 --> 00:44:35,180

of Bethlehem to find the location of

855

00:44:43,940 --> 00:44:39,170

this birth it had nothing to do with

856

00:44:45,650 --> 00:44:43,950

physical events taking place it had to

857

00:44:48,020 --> 00:44:45,660

do with the stars above am i

858

00:44:50,450 --> 00:44:48,030

understanding you correctly well this is

859

00:44:51,920 --> 00:44:50,460

the biggest change in perception that

860

00:44:57,200 --> 00:44:51,930

we're going to talk about because it

861

00:44:59,570 --> 00:44:57,210

goes from this historical story of a

862

00:45:02,570 --> 00:44:59,580

child being born of a virgin in a manger

863

00:45:05,810 --> 00:45:02,580

which is the beginning of Christian

864

00:45:07,070 --> 00:45:05,820

religion and what we're going to be

865

00:45:13,490 --> 00:45:07,080

talking about tonight

866

00:45:16,250 --> 00:45:13,500

is that that scene that story may just

867

00:45:18,620 --> 00:45:16,260

be a story and I don't want to offend

868

00:45:20,630 --> 00:45:18,630

anybody but when we start talking about

869

00:45:22,760 --> 00:45:20,640

this you're going to start to see what

870

00:45:25,160 --> 00:45:22,770

we're trying to say here

871

00:45:27,320 --> 00:45:25,170

it doesn't change Rudolph the red-nosed

872

00:45:30,500 --> 00:45:27,330

reindeer for me ain't going to do that

873

00:45:33,440 --> 00:45:30,510

it's it Frosty the Snowman is still near

874

00:45:37,940 --> 00:45:33,450

and dear in my heart but what this is

875

00:45:40,460 --> 00:45:37,950

part of looking at history and trying to

876

00:45:44,000 --> 00:45:40,470

figure out what is real and what is not

877

00:45:45,920 --> 00:45:44,010

and that's okay and we you and I I may

878

00:45:48,230 --> 00:45:45,930

be wrong we may be wrong we may be right

879

00:45:50,900 --> 00:45:48,240

it doesn't matter but it's really fun to

880

00:45:53,599 --> 00:45:50,910

go in research and you start to look at

881

00:45:57,200 --> 00:45:53,609

all of these names the gods the stars

882

00:45:59,480 --> 00:45:57,210

the constellations the timing of all of

883

00:46:03,470 --> 00:45:59,490

this and it starts to make a lot of

884

00:46:05,740 --> 00:46:03,480

sense doesn't it it does and also remind

885

00:46:10,849 --> 00:46:05,750

me closer to the end of the show why is

886

00:46:12,620 --> 00:46:10,859

Rudolph's nose red that's what I'm

887

00:46:13,190 --> 00:46:12,630

talking about right there that's what

888

00:46:16,099 --> 00:46:13,200

I'm talking about

889

00:46:18,000 --> 00:46:16,109

all right let's let's uh we're gonna

890

00:46:22,080 --> 00:46:18,010

take a little break right here

891

00:46:22,390 --> 00:46:22,090

[Music]

892

00:46:37,710 --> 00:46:22,400

[Applause]

893

00:46:42,030 --> 00:46:37,720

[Music]

894

00:46:44,700 --> 00:46:42,040

all right welcome back it's our fade to

895

00:46:49,200 --> 00:46:44,710

black marry quickness special event with

896

00:46:52,440 --> 00:46:49,210

Jason quit live from the great snowy

897

00:46:56,940 --> 00:46:52,450

white north of Toronto and we're going

898

00:47:02,370 --> 00:46:56,950

over the foundations of what Christmas

899

00:47:05,910 --> 00:47:02,380

is and it gets it to Jason and gets into

900

00:47:09,690 --> 00:47:05,920

some very very bizarre things here and

901
00:47:12,030 --> 00:47:09,700
one of them let's get into now is

902
00:47:15,960 --> 00:47:12,040
something that has always confused me is

903
00:47:20,400 --> 00:47:15,970
a virgin birth right now wait wait a

904
00:47:22,530 --> 00:47:20,410
minute here and it's been explained to

905
00:47:26,220 --> 00:47:22,540
me over the years I've never understood

906
00:47:29,550 --> 00:47:26,230
it but we have to ask ourselves these

907
00:47:31,050 --> 00:47:29,560
basic questions you know why the virgin

908
00:47:34,770 --> 00:47:31,060
birth on December 25th

909
00:47:36,600 --> 00:47:34,780
why dead for three days and the

910
00:47:40,680 --> 00:47:36,610
inevitable resurrection

911
00:47:42,450 --> 00:47:40,690
why'd 12 disciples or followers and

912
00:47:44,520 --> 00:47:42,460
let's start with the virgin birth on

913
00:47:48,960 --> 00:47:44,530

December 25th what are the foundations

914

00:47:51,360 --> 00:47:48,970

of that Oh Jimmy to understand that you

915

00:47:53,910 --> 00:47:51,370

have to look at the the story of

916

00:47:57,540 --> 00:47:53,920

Christmas from an astrological solar

917

00:47:59,220 --> 00:47:57,550

point of perspective alright and this is

918

00:48:02,190 --> 00:47:59,230

why all these deities are born on

919

00:48:04,200 --> 00:48:02,200

December 25th so I'd have to kind of

920

00:48:05,580 --> 00:48:04,210

explain it first so people understand

921

00:48:10,230 --> 00:48:05,590

and that we don't get a little off track

922

00:48:12,840 --> 00:48:10,240

but remember our earth alright we have

923

00:48:15,480 --> 00:48:12,850

seasons and that's caused by the Sun

924

00:48:18,510 --> 00:48:15,490

going from the northern hemisphere to

925

00:48:22,500 --> 00:48:18,520

the southern hemisphere and you know

926
00:48:25,320 --> 00:48:22,510
summer solstice June 21st the Sun is the

927
00:48:28,620 --> 00:48:25,330
closest it gets to the northern

928
00:48:30,840 --> 00:48:28,630
hemisphere so it's the longest day of

929
00:48:33,110 --> 00:48:30,850
sunshine we have the longest days it's

930
00:48:38,190 --> 00:48:33,120
the warmest the Sun is the strongest and

931
00:48:41,040 --> 00:48:38,200
then from that solstice of June 21st the

932
00:48:44,520 --> 00:48:41,050
sun's strength and position in the sky

933
00:48:48,630 --> 00:48:44,530
starts to move south and it gets weaker

934
00:48:51,240 --> 00:48:48,640
and weaker if we looked at it from the

935
00:48:51,720 --> 00:48:51,250
northern hemisphere so from June 21st

936
00:48:53,910 --> 00:48:51,730
the

937
00:48:55,859 --> 00:48:53,920
gets weaker and weaker and smaller and

938
00:48:58,470 --> 00:48:55,869

smaller moving south

939

00:49:00,319 --> 00:48:58,480

in the sky all right and then on

940

00:49:04,650 --> 00:49:00,329

December 21st

941

00:49:09,300 --> 00:49:04,660

you have the winter solstice and that is

942

00:49:12,510 --> 00:49:09,310

when the Sun is basically the lowest in

943

00:49:14,609 --> 00:49:12,520

the southern hemisphere as possible so

944

00:49:21,210 --> 00:49:14,619

this is why we have the longest day of

945

00:49:23,839 --> 00:49:21,220

night on December 21st solstice now this

946

00:49:27,750 --> 00:49:23,849

is where it gets really really

947

00:49:33,120 --> 00:49:27,760

interesting Jimmy is that after December

948

00:49:36,690 --> 00:49:33,130

21st December 22nd 23rd and 24th the Sun

949

00:49:40,410 --> 00:49:36,700

remains in the lowest position it's

950

00:49:44,280 --> 00:49:40,420

almost like the Sun dies it doesn't come

951
00:49:47,250 --> 00:49:44,290
back into the northern hemisphere and in

952
00:49:50,310 --> 00:49:47,260
ancient times the Sun was actually seen

953
00:49:52,230 --> 00:49:50,320
below the horizon it would not rise the

954
00:49:54,930 --> 00:49:52,240
way it usually does for three full days

955
00:49:57,809 --> 00:49:54,940
so in ancient times they would say that

956
00:50:01,079 --> 00:49:57,819
the Sun is dead is the literal death of

957
00:50:07,319 --> 00:50:01,089
the Sun for three days and then on

958
00:50:09,510 --> 00:50:07,329
December 25th the Sun is resurrected

959
00:50:11,339 --> 00:50:09,520
again it Rhett is resurrected from the

960
00:50:14,990 --> 00:50:11,349
cross of the equator of the Cross of the

961
00:50:18,329 --> 00:50:15,000
horizon and the Sun then moves back into

962
00:50:20,550 --> 00:50:18,339
the northern hemisphere so they say the

963
00:50:24,089 --> 00:50:20,560

Sun is born it's that it's a new life

964

00:50:27,240 --> 00:50:24,099

the Sun is born again it's resurrected

965

00:50:30,839 --> 00:50:27,250

and on December 25th the son of god the

966

00:50:36,000 --> 00:50:30,849

king of kings is born so we start from

967

00:50:40,410 --> 00:50:36,010

that now well we talked about the manger

968

00:50:42,270 --> 00:50:40,420

for example the manger was also like the

969

00:50:45,780 --> 00:50:42,280

symbol and ancient times from Egypt of

970

00:50:49,559 --> 00:50:45,790

the ancient mounds and you know in the

971

00:50:51,780 --> 00:50:49,569

creation story the Sun came up from the

972

00:50:54,960 --> 00:50:51,790

ancient mound and that's what brought

973

00:50:57,900 --> 00:50:54,970

life in creation and light into this

974

00:51:01,109 --> 00:50:57,910

world so you have these kind of

975

00:51:03,980 --> 00:51:01,119

parallels now another interesting fact

976

00:51:05,460 --> 00:51:03,990

with this whole manger story is that

977

00:51:15,870 --> 00:51:05,470

Jesus

978

00:51:17,910 --> 00:51:15,880

about three wise men all right who we

979

00:51:22,710 --> 00:51:17,920

get into the three wise men oh yeah yeah

980

00:51:27,510 --> 00:51:22,720

and we'll see all of this is is tied

981

00:51:30,780 --> 00:51:27,520

into the same adventure and timing of

982

00:51:34,680 --> 00:51:30,790

days right so we have the three days we

983

00:51:38,310 --> 00:51:34,690

have the resurrection the and and then

984

00:51:44,010 --> 00:51:38,320

the birth on September our on December

985

00:51:45,390 --> 00:51:44,020

20 on December 25th and the the virgin

986

00:51:48,630 --> 00:51:45,400

part of this which we're going to get

987

00:51:50,540 --> 00:51:48,640

into in just a second all plays in to

988

00:51:53,849 --> 00:51:50,550

the same thing in the three wise men

989

00:51:58,020 --> 00:51:53,859

have to fit into this story as well and

990

00:52:01,220 --> 00:51:58,030

it all happens at the same time so with

991

00:52:05,790 --> 00:52:01,230

the three wise men what's their origins

992

00:52:08,670 --> 00:52:05,800

in ancient times the three wise men was

993

00:52:11,790 --> 00:52:08,680

known as the three stars of the Orion's

994

00:52:13,500 --> 00:52:11,800

belt and that's what it was called in

995

00:52:16,950 --> 00:52:13,510

ancient times was the three wise men

996

00:52:19,740 --> 00:52:16,960

now there's something very special that

997

00:52:21,089 --> 00:52:19,750

happens in the night of December 21st

998

00:52:26,359 --> 00:52:21,099

whether you mean the early morning of

999

00:52:31,320 --> 00:52:26,369

December 25th what happens is is that

1000

00:52:34,410 --> 00:52:31,330

Orion's belt points perfectly vertical

1001
00:52:37,380 --> 00:52:34,420
down facing the earth to the brightest

1002
00:52:39,810 --> 00:52:37,390
star in the sky which is serious at that

1003
00:52:42,599 --> 00:52:39,820
time is pointing straight down to Sirius

1004
00:52:45,780 --> 00:52:42,609
which was actually called the Star of

1005
00:52:48,290 --> 00:52:45,790
Bethlehem in ancient times so you

1006
00:52:51,780 --> 00:52:48,300
remember the three wise men followed the

1007
00:52:54,420 --> 00:52:51,790
Star of Bethlehem to where the Sun is

1008
00:52:58,320 --> 00:52:54,430
being born okay this is very very

1009
00:53:00,359 --> 00:52:58,330
important language so on one night out

1010
00:53:02,640 --> 00:53:00,369
of the whole year the only night

1011
00:53:06,420 --> 00:53:02,650
December 25th or the early morning

1012
00:53:09,260 --> 00:53:06,430
December 25th is the only time where

1013
00:53:12,750 --> 00:53:09,270

Orion's belt will align perfectly

1014

00:53:16,800 --> 00:53:12,760

vertical to the Earth's horizon with

1015

00:53:19,230 --> 00:53:16,810

Sirius star facing the east perfectly

1016

00:53:23,010 --> 00:53:19,240

and on that morning

1017

00:53:27,720 --> 00:53:23,020

December 25th morning the Sun will rise

1018

00:53:30,630 --> 00:53:27,730

over the horizon at the exact location

1019

00:53:33,600 --> 00:53:30,640

of where the star of the East serious

1020

00:53:36,240 --> 00:53:33,610

and Orion's belt the three wise men are

1021

00:53:39,860 --> 00:53:36,250

pointing directly to the Sun rising on

1022

00:53:43,170 --> 00:53:39,870

December 25th to be born again so the

1023

00:53:46,380 --> 00:53:43,180

three wise men the Three Magi or the

1024

00:53:49,110 --> 00:53:46,390

three kings are those three stars in

1025

00:53:52,200 --> 00:53:49,120

Orion's belt which are directly in line

1026
00:53:54,390 --> 00:53:52,210
with Sirius the star of the east which

1027
00:53:57,690 --> 00:53:54,400
is the brightest star in the sky all

1028
00:54:01,260 --> 00:53:57,700
this happens on December 25th when the

1029
00:54:03,300 --> 00:54:01,270
Sun finally is back and is born right

1030
00:54:05,850 --> 00:54:03,310
when the when the Sun finally is

1031
00:54:11,130 --> 00:54:05,860
resurrected after three days of death

1032
00:54:14,940 --> 00:54:11,140
yes yes and what's also interesting is

1033
00:54:19,230 --> 00:54:14,950
if you look at ancient artwork of the

1034
00:54:24,000 --> 00:54:19,240
baby Jesus you'll see you'll see that

1035
00:54:27,150 --> 00:54:24,010
there's a halo around his head and above

1036
00:54:29,460 --> 00:54:27,160
his head is the star and this is showing

1037
00:54:33,690 --> 00:54:29,470
you the Star of Bethlehem which is

1038
00:54:38,040 --> 00:54:33,700

serious and he is the son the son of God

1039

00:54:41,250 --> 00:54:38,050

is risen again this is the allegory of

1040

00:54:46,620 --> 00:54:41,260

these paintings what's also interesting

1041

00:54:51,120 --> 00:54:46,630

is that Jesus is born between a horse

1042

00:54:54,590 --> 00:54:51,130

and a goat it's kind of weird right but

1043

00:54:59,730 --> 00:54:54,600

the horse and the goat is actually

1044

00:55:02,520 --> 00:54:59,740

Capricorn and Sagittarius astrologically

1045

00:55:06,210 --> 00:55:02,530

speaking and if you were born on

1046

00:55:08,820 --> 00:55:06,220

December 25th your astrological signs

1047

00:55:11,550 --> 00:55:08,830

would be a cusp of Capricorn and

1048

00:55:15,480 --> 00:55:11,560

Sagittarius so you see how there's

1049

00:55:19,130 --> 00:55:15,490

mixing the understanding of astrology

1050

00:55:22,080 --> 00:55:19,140

and constellations into these stories

1051
00:55:25,650 --> 00:55:22,090
because the Sun is born between those

1052
00:55:27,630 --> 00:55:25,660
two things now another interesting point

1053
00:55:30,960 --> 00:55:27,640
is where you bring up the virgin birth

1054
00:55:32,020 --> 00:55:30,970
well Virg it the virgin going back into

1055
00:55:36,080 --> 00:55:32,030
ancient times

1056
00:55:39,920 --> 00:55:36,090
was Virgo the constellation Virgo which

1057
00:55:42,590 --> 00:55:39,930
translates to also virgin all right

1058
00:55:47,410 --> 00:55:42,600
where was okay so it at this moment

1059
00:55:52,040 --> 00:55:47,420
where we've got the Three Magi right all

1060
00:55:54,320 --> 00:55:52,050
following the star which is what they

1061
00:55:57,140 --> 00:55:54,330
were doing heading towards Bethlem but

1062
00:56:00,620 --> 00:55:57,150
it's Orion's belt but the three kings

1063
00:56:04,370 --> 00:56:00,630

are following serious the star Bethlem

1064

00:56:08,410 --> 00:56:04,380

the star in the east and all of this is

1065

00:56:12,290 --> 00:56:08,420

to locate Jesus or the birth of the Sun

1066

00:56:14,930 --> 00:56:12,300

which is happening on December 25th

1067

00:56:18,080 --> 00:56:14,940

right now all of that makes sense and

1068

00:56:20,450 --> 00:56:18,090

you can see where the allegory comes

1069

00:56:24,650 --> 00:56:20,460

into play here certainly across cultures

1070

00:56:28,599 --> 00:56:24,660

but where is Virgo in the in the night

1071

00:56:35,120 --> 00:56:28,609

sky when all of this is taking place

1072

00:56:37,490 --> 00:56:35,130

remember the Sun is born from the virgin

1073

00:56:42,740 --> 00:56:37,500

okay this is this an important saying

1074

00:56:43,700 --> 00:56:42,750

it's born of the virgin right the

1075

00:56:49,910 --> 00:56:43,710

equinox

1076
00:56:52,880 --> 00:56:49,920
of September 22nd is in the sign of

1077
00:56:57,080 --> 00:56:52,890
Virgo the virgin and this is the time of

1078
00:57:01,510 --> 00:56:57,090
the year that the Sun or the day and the

1079
00:57:06,230 --> 00:57:01,520
night is completely equal so after

1080
00:57:09,890 --> 00:57:06,240
December sorry after September 22nd this

1081
00:57:14,620 --> 00:57:09,900
is when the Sun descends into the

1082
00:57:18,770 --> 00:57:14,630
underworld so this is the coming back up

1083
00:57:22,970 --> 00:57:18,780
after December 25th

1084
00:57:25,099 --> 00:57:22,980
so it's born the actual Sun starts to go

1085
00:57:28,940 --> 00:57:25,109
below the date or the nights become

1086
00:57:31,250 --> 00:57:28,950
longer after September 22nd Virgo born a

1087
00:57:34,250 --> 00:57:31,260
virgin and then it starts to rise up

1088
00:57:37,970 --> 00:57:34,260

again after December 25th and this is

1089

00:57:41,150 --> 00:57:37,980

how the connection of the Virgin plays

1090

00:57:43,220 --> 00:57:41,160

into the birth of the Sun now when we

1091

00:57:45,130 --> 00:57:43,230

look back that we brought up Horus we

1092

00:57:48,190 --> 00:57:45,140

talked about had a son Krishna

1093

00:57:53,920 --> 00:57:48,200

and Dionysus and mithra and and others

1094

00:57:56,560 --> 00:57:53,930

right there there are around 30 of these

1095

00:58:01,920 --> 00:57:56,570

figures that cross cultures and

1096

00:58:04,900 --> 00:58:01,930

civilizations do each one of these

1097

00:58:10,770 --> 00:58:04,910

stories let's just let's just go with

1098

00:58:13,780 --> 00:58:10,780

that does each one of these stories fit

1099

00:58:16,980 --> 00:58:13,790

the constellations in serious and

1100

00:58:22,080 --> 00:58:16,990

Orion's belt and and the Virgin Mary

1101
00:58:25,600 --> 00:58:22,090
Virgo is this what everybody was seeing

1102
00:58:29,110 --> 00:58:25,610
from what I've been researching this is

1103
00:58:32,170 --> 00:58:29,120
exactly it it's cross-cultural talking

1104
00:58:34,330 --> 00:58:32,180
about solar ancient solar religions and

1105
00:58:36,930 --> 00:58:34,340
the reason why the solar religions were

1106
00:58:39,310 --> 00:58:36,940
so important again it was life and death

1107
00:58:41,350 --> 00:58:39,320
for these ancient people they needed to

1108
00:58:45,400 --> 00:58:41,360
know the cycles when to plant the seeds

1109
00:58:48,790 --> 00:58:45,410
went to harvest it was all tied into

1110
00:58:52,390 --> 00:58:48,800
these dates and they they knew that they

1111
00:58:53,950 --> 00:58:52,400
could mark the sky and this is why you

1112
00:58:55,750 --> 00:58:53,960
have a lot of stone circles in ancient

1113
00:58:58,150 --> 00:58:55,760

periods as they were marking the

1114

00:59:00,160 --> 00:58:58,160

calendar of the sky so they could know

1115

00:59:03,850 --> 00:59:00,170

about the precession of the equinoxes

1116

00:59:07,630 --> 00:59:03,860

and the procession of the solstices so

1117

00:59:10,450 --> 00:59:07,640

that all of these things would keep

1118

00:59:12,970 --> 00:59:10,460

society moving forward because without

1119

00:59:15,670 --> 00:59:12,980

that knowledge they would basically

1120

00:59:20,250 --> 00:59:15,680

starve to death and that's what Sun

1121

00:59:23,380 --> 00:59:20,260

worship actually was right it's the Sun

1122

00:59:25,810 --> 00:59:23,390

through the summer fall spring it

1123

00:59:29,350 --> 00:59:25,820

doesn't matter when the Sun is up in the

1124

00:59:31,930 --> 00:59:29,360

sky there is life right and you know

1125

00:59:33,760 --> 00:59:31,940

that you can exist for another day you

1126

00:59:37,360 --> 00:59:33,770

have to get through the night

1127

00:59:39,730 --> 00:59:37,370

alright the darkness and and get to the

1128

00:59:43,750 --> 00:59:39,740

next day where the Sun is back and

1129

00:59:46,150 --> 00:59:43,760

everybody is safe that's that's the

1130

00:59:49,510 --> 00:59:46,160

bottom line here yeah that is actually

1131

00:59:52,180 --> 00:59:49,520

the most important thing because we had

1132

00:59:54,940 --> 00:59:52,190

to explain it in the terms of life and

1133

00:59:58,000 --> 00:59:54,950

death and when we look at the Sun going

1134

00:59:58,670 --> 00:59:58,010

to the underground we had stories back

1135

01:00:01,430 --> 00:59:58,680

in Egypt

1136

01:00:04,700 --> 01:00:01,440

of basically Horace and Osiris going

1137

01:00:07,360 --> 01:00:04,710

into the underworld you know battling

1138

01:00:10,430 --> 01:00:07,370

set and all these other things and

1139

01:00:12,500 --> 01:00:10,440

basically it was a Knightly thing so the

1140

01:00:15,470 --> 01:00:12,510

the battle of light and dark was won

1141

01:00:18,860 --> 01:00:15,480

every single morning when that sunrise

1142

01:00:22,400 --> 01:00:18,870

again it was like the beginning of the

1143

01:00:24,380 --> 01:00:22,410

world and at night it was the end of the

1144

01:00:26,930 --> 01:00:24,390

world so they struggled to say will the

1145

01:00:30,800 --> 01:00:26,940

Sun come back up because if the Sun

1146

01:00:33,280 --> 01:00:30,810

actually never comes back up everything

1147

01:00:37,850 --> 01:00:33,290

will be lost all life would be lost here

1148

01:00:41,210 --> 01:00:37,860

so this is why the Sun is the main I

1149

01:00:44,270 --> 01:00:41,220

would say the main Godhead of worship in

1150

01:00:46,790 --> 01:00:44,280

ancient times because it literally kept

1151

01:00:49,490 --> 01:00:46,800

everybody alive and this is also where

1152

01:00:54,920 --> 01:00:49,500

we get the stories and myths of the

1153

01:00:56,810 --> 01:00:54,930

light versus the dark and the the one of

1154

01:01:01,370 --> 01:00:56,820

the crucial things here because we're

1155

01:01:06,020 --> 01:01:01,380

looking at our language of today and and

1156

01:01:09,860 --> 01:01:06,030

the word Sun not only with the Sun that

1157

01:01:12,920 --> 01:01:09,870

is at the center of our solar system but

1158

01:01:16,850 --> 01:01:12,930

of our children and the pronunciation of

1159

01:01:20,120 --> 01:01:16,860

it and that the way that we say Sun and

1160

01:01:24,620 --> 01:01:20,130

the birth of the Sun we are now using

1161

01:01:29,720 --> 01:01:24,630

that word in relation to Jesus right and

1162

01:01:33,350 --> 01:01:29,730

and the Sun being born on this day is

1163

01:01:36,290 --> 01:01:33,360

there any any incorrectness

1164

01:01:40,250 --> 01:01:36,300

about this with the word Sun over the

1165

01:01:43,040 --> 01:01:40,260

years or what I'm getting at is back in

1166

01:01:45,290 --> 01:01:43,050

ancient times certainly through

1167

01:01:47,470 --> 01:01:45,300

throughout ancient Egypt and Persia and

1168

01:01:51,860 --> 01:01:47,480

an Asia and around the world in India

1169

01:01:58,550 --> 01:01:51,870

the was the word that was used for Sun

1170

01:02:01,790 --> 01:01:58,560

also used for a male Sun your child yeah

1171

01:02:05,090 --> 01:02:01,800

and also you have to remember in the

1172

01:02:06,650 --> 01:02:05,100

Bible they actually use the word

1173

01:02:09,110 --> 01:02:06,660

entertain they use the word

1174

01:02:12,320 --> 01:02:09,120

interchangeably so sometimes they'll use

1175

01:02:15,860 --> 01:02:12,330

it s UN to explain the Son of God

1176

01:02:17,000 --> 01:02:15,870

or they will have it s o n but also you

1177

01:02:19,450 --> 01:02:17,010

have to remember this

1178

01:02:23,810 --> 01:02:19,460

the ancient Bible like that came from

1179

01:02:26,420 --> 01:02:23,820

Roman times was called Helio Biblia all

1180

01:02:29,690 --> 01:02:26,430

right and later you know in art language

1181

01:02:32,890 --> 01:02:29,700

we call it holy bible so Helio biblia is

1182

01:02:38,600 --> 01:02:32,900

the original term for the Holy Bible and

1183

01:02:41,860 --> 01:02:38,610

Helio his son has the word son so it's

1184

01:02:45,350 --> 01:02:41,870

the son Bible that's the actual ancient

1185

01:02:50,000 --> 01:02:45,360

translation to the book and what do we

1186

01:02:52,220 --> 01:02:50,010

do with the the pagan side of all of

1187

01:02:56,120 --> 01:02:52,230

this certainly we've talked about Egypt

1188

01:02:59,320 --> 01:02:56,130

and Persia and Greece and and what was

1189

01:03:02,810 --> 01:02:59,330

going down in Bethlehem and Jerusalem

1190

01:03:05,660 --> 01:03:02,820

but but what about the pagan side of

1191

01:03:09,230 --> 01:03:05,670

these rituals because we have Stonehenge

1192

01:03:12,980 --> 01:03:09,240

that is lined up on these very same

1193

01:03:16,970 --> 01:03:12,990

dates is is there cross-pollination

1194

01:03:19,760 --> 01:03:16,980

there too as well well I would say that

1195

01:03:22,880 --> 01:03:19,770

the Christmas that we celebrate today is

1196

01:03:25,040 --> 01:03:22,890

a coming together of traditions from all

1197

01:03:27,670 --> 01:03:25,050

over the world because when people get

1198

01:03:30,080 --> 01:03:27,680

together it's kind of like this hybrid

1199

01:03:32,390 --> 01:03:30,090

tradition that we just call kind of all

1200

01:03:35,210 --> 01:03:32,400

except and this is what's happened with

1201

01:03:38,090 --> 01:03:35,220

Christmas because how do you get Santa

1202

01:03:40,240 --> 01:03:38,100

how do you get the reindeers how do you

1203

01:03:44,120 --> 01:03:40,250

get the tree how do you give presents

1204

01:03:46,160 --> 01:03:44,130

from the original story of the manger

1205

01:03:50,540 --> 01:03:46,170

and baby Jesus how where is that

1206

01:03:55,730 --> 01:03:50,550

connection from Christmas to that now

1207

01:04:00,260 --> 01:03:55,740

and going back to a Horus and the story

1208

01:04:05,900 --> 01:04:00,270

behind Horus there is so much of it that

1209

01:04:08,630 --> 01:04:05,910

is exactly the same as the Jesus story

1210

01:04:12,130 --> 01:04:08,640

the baby Jesus story now we understand

1211

01:04:15,080 --> 01:04:12,140

that it's probably

1212

01:04:15,980 --> 01:04:15,090

astrologically based right which makes a

1213

01:04:20,390 --> 01:04:15,990

lot of sense

1214

01:04:22,310 --> 01:04:20,400

but if if Christians or other religions

1215

01:04:25,730 --> 01:04:22,320

around the world look at the story of

1216

01:04:28,280 --> 01:04:25,740

Horus and see the similarities

1217

01:04:31,570 --> 01:04:28,290

why isn't anybody talking about this and

1218

01:04:35,450 --> 01:04:31,580

and and presenting this as the origin

1219

01:04:38,660 --> 01:04:35,460

for for everything and not only a you

1220

01:04:41,480 --> 01:04:38,670

know with the Stars but with Horace's

1221

01:04:45,920 --> 01:04:41,490

story which goes back three four five

1222

01:04:48,170 --> 01:04:45,930

six seven eight thousand years well

1223

01:04:52,190 --> 01:04:48,180

you've had guests on the show quite

1224

01:04:53,750 --> 01:04:52,200

recently that even verified that most of

1225

01:04:55,910 --> 01:04:53,760

the religions today especially the

1226

01:05:00,609 --> 01:04:55,920

judeo-christian religion actually came

1227

01:05:03,290 --> 01:05:00,619

out of Egyptian stories in religion and

1228

01:05:08,450 --> 01:05:03,300

this is from what I've research is

1229

01:05:09,589 --> 01:05:08,460

completely accurate and this is why well

1230

01:05:12,650 --> 01:05:09,599

I'll just say this is from my own

1231

01:05:15,230 --> 01:05:12,660

experience is you know growing up Jewish

1232

01:05:17,329 --> 01:05:15,240

we have Passover and you know if in

1233

01:05:21,290 --> 01:05:17,339

Christianity Passover is the Last Supper

1234

01:05:24,589 --> 01:05:21,300

of Jesus it's the same holiday and in

1235

01:05:28,520 --> 01:05:24,599

Passover we read a book that basically

1236

01:05:33,500 --> 01:05:28,530

tells you how evil Egypt is and that we

1237

01:05:35,450 --> 01:05:33,510

never should research Egypt we should

1238

01:05:37,700 --> 01:05:35,460

never look into Egypt because it was

1239

01:05:42,320 --> 01:05:37,710

evil we were slaves and we got out of

1240

01:05:45,670 --> 01:05:42,330

there and basically in judeo-christian

1241

01:05:48,470 --> 01:05:45,680

religion it's it's kind of naughty

1242

01:05:51,970 --> 01:05:48,480

Christmas terms it's kind of naughty to

1243

01:05:56,120 --> 01:05:51,980

actually look back into ancient Egyptian

1244

01:06:00,079 --> 01:05:56,130

anything not one of those well ok bed

1245

01:06:03,290 --> 01:06:00,089

before we hit this next break the twelve

1246

01:06:04,450 --> 01:06:03,300

disciples or followers where did this

1247

01:06:09,650 --> 01:06:04,460

come from

1248

01:06:14,060 --> 01:06:09,660

it's the twelve constellations no and

1249

01:06:17,530 --> 01:06:14,070

yes in fact in ancient artwork with

1250

01:06:21,620 --> 01:06:17,540

Mithra in ancient artwork with Jesus

1251

01:06:24,829 --> 01:06:21,630

he's usually in the center of the zodiac

1252

01:06:28,520 --> 01:06:24,839

with the twelve disciples around him

1253

01:06:30,589 --> 01:06:28,530

which are sometimes there are the

1254

01:06:33,380 --> 01:06:30,599

animals of the constellations sometimes

1255

01:06:35,540 --> 01:06:33,390

they are people and even the Last Supper

1256

01:06:38,970 --> 01:06:35,550

of Jesus the painting from Leonardo da

1257

01:06:43,019 --> 01:06:38,980

Vinci shows the 12 disciples and

1258

01:06:46,170 --> 01:06:43,029

the son of God Jesus in the center again

1259

01:06:47,519 --> 01:06:46,180

of the constellations going around the

1260

01:06:51,329 --> 01:06:47,529

precession of the equinoxes

1261

01:06:54,569 --> 01:06:51,339

now for some is this heresy right is

1262

01:06:58,500 --> 01:06:54,579

this blasphemous is this just going down

1263

01:07:04,319 --> 01:06:58,510

the wrong road probably a hundred

1264

01:07:08,099 --> 01:07:04,329

percent but I mean it doesn't negate the

1265

01:07:11,940 --> 01:07:08,109

fact that these astronomical alignments

1266

01:07:14,730 --> 01:07:11,950

and these stories go beyond Christianity

1267

01:07:18,120 --> 01:07:14,740

and was there before Christianity and it

1268

01:07:21,509 --> 01:07:18,130

will be there after Christianity it's

1269

01:07:24,599 --> 01:07:21,519

just the way that it is you know and

1270

01:07:27,289 --> 01:07:24,609

that's we have to look at it that way

1271

01:07:30,359 --> 01:07:27,299

there isn't any other way to do it and

1272

01:07:32,759 --> 01:07:30,369

so with that let's take let's take

1273

01:07:35,370 --> 01:07:32,769

another break right here this is fade to

1274

01:07:37,650 --> 01:07:35,380

black tonight is our merry quit miss

1275

01:07:42,110 --> 01:07:37,660

especially then when we come back we're

1276

01:08:19,390 --> 01:08:16,690

[Music]

1277

01:08:22,400 --> 01:08:19,400

[Applause]

1278

01:08:26,390 --> 01:08:22,410

all right welcome back fade to black

1279

01:08:29,360 --> 01:08:26,400

I am your host Jimmy Church tonight is

1280

01:08:31,940 --> 01:08:29,370

our Mary quickness special event with

1281

01:08:37,610 --> 01:08:31,950

Jason quit live from the great white

1282

01:08:40,789 --> 01:08:37,620

north of Toronto and Jason this is all

1283

01:08:43,240 --> 01:08:40,799

this is all great and I know for a lot

1284

01:08:45,770 --> 01:08:43,250

of folks out there it's a it's a it's

1285

01:08:48,260 --> 01:08:45,780

truly a revelation and they hear this

1286

01:08:50,570 --> 01:08:48,270

kind of stuff and and they go well it

1287

01:08:52,910 --> 01:08:50,580

can't be it can't be you know and that's

1288

01:08:55,970 --> 01:08:52,920

that's what's great it's knowledge go

1289

01:08:58,550 --> 01:08:55,980

and research it and and see what you

1290

01:09:00,320 --> 01:08:58,560

find out on your own and and I think

1291

01:09:04,309 --> 01:09:00,330

that's the funnest part about doing this

1292

01:09:07,099 --> 01:09:04,319

show like this yes and it's not actually

1293

01:09:09,050 --> 01:09:07,109

to negate the Bible at all it's actually

1294

01:09:11,140 --> 01:09:09,060

showing that there's an incredible

1295

01:09:15,050 --> 01:09:11,150

amount of wealth and knowledge in that

1296

01:09:16,610 --> 01:09:15,060

text that huge amount I know it's there

1297

01:09:19,880 --> 01:09:16,620

I couldn't agree with you more

1298

01:09:28,660 --> 01:09:19,890

and now let's let's shift gears a little

1299

01:09:31,610 --> 01:09:28,670

bit let's get into Santa Claus now I I

1300

01:09:33,410 --> 01:09:31,620

remember I'm gonna what I'm about to say

1301

01:09:36,890 --> 01:09:33,420

everybody has gone through the exact

1302

01:09:40,280 --> 01:09:36,900

same thing I'm not I'm not discovering

1303

01:09:42,349 --> 01:09:40,290

anything here but I remember when I was

1304

01:09:47,570 --> 01:09:42,359

first told that Santa Claus wasn't real

1305

01:09:51,950 --> 01:09:47,580

I was crushed I was crushed I used to

1306

01:09:54,620 --> 01:09:51,960

look at our fireplaces right with the

1307

01:09:57,860 --> 01:09:54,630

stockings hanging on it and would just

1308

01:10:00,910 --> 01:09:57,870

sit and wonder how Santa Claus got down

1309

01:10:04,070 --> 01:10:00,920

the chimney and and into our living room

1310

01:10:07,310 --> 01:10:04,080

how he would do all of this in one night

1311

01:10:09,140 --> 01:10:07,320

how he would go all around the world and

1312

01:10:12,650 --> 01:10:09,150

I would think about this at the age of

1313

01:10:15,920 --> 01:10:12,660

two three four and five and six and and

1314

01:10:20,780 --> 01:10:15,930

I was okay with it I was I questioned it

1315

01:10:22,670 --> 01:10:20,790

but but that was cool with it too at the

1316

01:10:26,150 --> 01:10:22,680

same time and did you go through the

1317

01:10:28,280 --> 01:10:26,160

same things as a kid no because growing

1318

01:10:33,080 --> 01:10:28,290

up we always knew that Santa wasn't real

1319

01:10:35,899 --> 01:10:33,090

just imaginary but I also

1320

01:10:36,890 --> 01:10:35,909

of going to get pictures taken with the

1321

01:10:39,740 --> 01:10:36,900

mall Santa

1322

01:10:43,760 --> 01:10:39,750

I love doing that and I loved receiving

1323

01:10:47,180 --> 01:10:43,770

presents so for me I didn't really I

1324

01:10:49,220 --> 01:10:47,190

didn't really think deep at all about

1325

01:10:51,680 --> 01:10:49,230

Santa Claus I just always knew it was a

1326

01:10:53,240 --> 01:10:51,690

guy with a beat with a fake beer or real

1327

01:10:55,430 --> 01:10:53,250

beard but not real are you suggesting

1328

01:10:57,169 --> 01:10:55,440

that you were going around at the age of

1329

01:11:00,500 --> 01:10:57,179

five to all of your five-year-old

1330

01:11:05,979 --> 01:11:00,510

friends and going Santa's not real of

1331

01:11:08,839 --> 01:11:05,989

course I know you were breaking hearts I

1332

01:11:11,209 --> 01:11:08,849

was always you want to know what reality

1333

01:11:17,169 --> 01:11:11,219

is you're not in it that Santa Claus is

1334

01:11:20,390 --> 01:11:17,179

not real buddy man man I am I remember

1335

01:11:23,510 --> 01:11:20,400

and Rita's gonna have to remind me of

1336

01:11:26,720 --> 01:11:23,520

this I don't know which one of our

1337

01:11:30,470 --> 01:11:26,730

daughters told the other one first I do

1338

01:11:33,109 --> 01:11:30,480

remember one of them Rita you need to

1339

01:11:38,570 --> 01:11:33,119

remind me one of them came running into

1340

01:11:40,520 --> 01:11:38,580

the living room so so just said Santa

1341

01:11:45,169 --> 01:11:40,530

wasn't real and I'm talking about a

1342

01:11:47,810 --> 01:11:45,179

broken heart it was a harsh day for us

1343

01:11:49,570 --> 01:11:47,820

to go through his parents and and I

1344

01:11:53,330 --> 01:11:49,580

didn't want I knew it was gonna happen

1345

01:11:55,490 --> 01:11:53,340

the living vicariously through our kids

1346

01:11:57,470 --> 01:11:55,500

living through Christmas and the

1347

01:11:59,660 --> 01:11:57,480

stockings and the trees and the and the

1348

01:12:02,060 --> 01:11:59,670

presents and all of that was one of the

1349

01:12:04,760 --> 01:12:02,070

funnest times for me as a parent going

1350

01:12:07,899 --> 01:12:04,770

through that and then having to address

1351

01:12:10,100 --> 01:12:07,909

the Santa is indeed not real

1352

01:12:12,859 --> 01:12:10,110

conversation with our kids it was it was

1353

01:12:15,200 --> 01:12:12,869

heartbreaking to go through I don't know

1354

01:12:16,700 --> 01:12:15,210

why they do that because it is

1355

01:12:19,010 --> 01:12:16,710

heartbreaking and it's almost like a

1356

01:12:20,589 --> 01:12:19,020

loss when you find out something is not

1357

01:12:23,540 --> 01:12:20,599

real it's like you've been lied to

1358

01:12:26,379 --> 01:12:23,550

I don't think that's fair to a child oh

1359

01:12:30,169 --> 01:12:26,389

no oh I think it's totally fair

1360

01:12:36,379 --> 01:12:30,179

absolutely I do and let me tell you why

1361

01:12:40,310 --> 01:12:36,389

because I enjoyed that magic I did I

1362

01:12:43,310 --> 01:12:40,320

enjoyed it finding out that Santa wasn't

1363

01:12:45,800 --> 01:12:43,320

real although I was crushed it doesn't

1364

01:12:46,310 --> 01:12:45,810

negate all those warm Christmases that I

1365

01:12:48,800 --> 01:12:46,320

had me

1366

01:12:52,100 --> 01:12:48,810

or that and I wanted to make sure that I

1367

01:12:56,630 --> 01:12:52,110

instilled in my children and I did that

1368

01:12:58,820 --> 01:12:56,640

very same magic and and and that one day

1369

01:13:01,670 --> 01:12:58,830

I would have to have the Santa is not

1370

01:13:03,860 --> 01:13:01,680

real conversation but that's okay

1371

01:13:06,200 --> 01:13:03,870

because it's such a warm part of my

1372

01:13:08,690 --> 01:13:06,210

childhood and I think that at most would

1373

01:13:14,000 --> 01:13:08,700

agree with me humbug

1374

01:13:17,990 --> 01:13:14,010

Jason quit miss what I'm saying is this

1375

01:13:20,390 --> 01:13:18,000

is that yes the tradition of Christmas

1376

01:13:22,100 --> 01:13:20,400

is actually is absolutely magical and

1377

01:13:25,520 --> 01:13:22,110

absolutely you should spend it with the

1378

01:13:27,320 --> 01:13:25,530

children and go through that but you

1379

01:13:29,330 --> 01:13:27,330

know to then go through the loss of

1380

01:13:32,330 --> 01:13:29,340

saying that it's not real I mean why

1381

01:13:34,370 --> 01:13:32,340

have that aspect in that I know I know I

1382

01:13:37,580 --> 01:13:34,380

know it's part of growing up

1383

01:13:39,020 --> 01:13:37,590

now I agree I and and I would say that

1384

01:13:41,690 --> 01:13:39,030

for the most part it's not going to

1385

01:13:44,810 --> 01:13:41,700

change it you know I think these

1386

01:13:48,530 --> 01:13:44,820

traditions are so strong and they're fun

1387

01:13:51,410 --> 01:13:48,540

oh yeah you know they are fun that

1388

01:13:55,640 --> 01:13:51,420

there's nothing cooler than going

1389

01:13:59,390 --> 01:13:55,650

through a toy store or or anything in

1390

01:14:01,940 --> 01:13:59,400

the middle of summer and having to say

1391

01:14:04,580 --> 01:14:01,950

to your two-year-old a three-year-old

1392

01:14:06,170 --> 01:14:04,590

your for you know okay put it on your

1393

01:14:09,470 --> 01:14:06,180

Christmas list and maybe Santa will

1394

01:14:12,650 --> 01:14:09,480

bring it to you you know and keeping

1395

01:14:16,490 --> 01:14:12,660

your children in line so there you go

1396

01:14:18,860 --> 01:14:16,500

that's my taking a stick it to it now

1397

01:14:22,280 --> 01:14:18,870

let's get to Santa Claus known as father

1398

01:14:27,410 --> 01:14:22,290

Christmas Saint Nicholas st. Nick Kris

1399

01:14:29,810 --> 01:14:27,420

Kringle or simply Santa the origins of

1400

01:14:32,210 --> 01:14:29,820

all of this what have you found out I've

1401

01:14:37,250 --> 01:14:32,220

got I've got my side of the story that

1402

01:14:39,740 --> 01:14:37,260

that I'll reveal okay so we've been

1403

01:14:41,810 --> 01:14:39,750

talking some pretty crazy things that a

1404

01:14:43,820 --> 01:14:41,820

lot of people haven't heard yet so now

1405

01:14:48,850 --> 01:14:43,830

we're really gonna go off the deep end

1406

01:14:53,180 --> 01:14:48,860

okay so everybody bear with me on these

1407

01:14:56,690 --> 01:14:53,190

route yeah just bear with me anyways we

1408

01:15:00,089 --> 01:14:56,700

Santa Clauses supposedly based off of

1409

01:15:04,620 --> 01:15:00,099

st. Nicholas who was a

1410

01:15:06,629 --> 01:15:04,630

what is modern-day turkey but he

1411

01:15:08,819 --> 01:15:06,639

interests like Santa Claus he's just

1412

01:15:12,120 --> 01:15:08,829

known as being very joyous and generous

1413

01:15:16,470 --> 01:15:12,130

and happy and very charitable that's

1414

01:15:19,470 --> 01:15:16,480

what st. Nicholas is known for but I

1415

01:15:22,200 --> 01:15:19,480

think the true story of Santa Claus and

1416

01:15:24,300 --> 01:15:22,210

the Santa Claus that we're accustomed to

1417

01:15:26,700 --> 01:15:24,310

the vision and the depiction of Santa

1418

01:15:29,879 --> 01:15:26,710

Claus is from the North Pole and these

1419

01:15:33,839 --> 01:15:29,889

these ideas actually come from northern

1420

01:15:37,560 --> 01:15:33,849

shamanic traditions of tribes that lived

1421

01:15:42,120 --> 01:15:37,570

and populated around Siberia which is

1422

01:15:44,669 --> 01:15:42,130

Russia and northern Europe no honey okay

1423

01:15:47,879 --> 01:15:44,679

keep going keep going I need to start

1424

01:15:50,459 --> 01:15:47,889

taking some notes because remember what

1425

01:15:53,370 --> 01:15:50,469

I said is that like as we start to merge

1426

01:15:56,160 --> 01:15:53,380

traditions we get these overlays as

1427

01:15:58,560 --> 01:15:56,170

hybrid tradition from different cultures

1428

01:16:01,950 --> 01:15:58,570

that are coming together and many people

1429

01:16:04,950 --> 01:16:01,960

in North America and in Europe they they

1430

01:16:06,300 --> 01:16:04,960

came from Europe they came from Europe

1431

01:16:10,370 --> 01:16:06,310

they brought those traditions from

1432

01:16:13,770 --> 01:16:10,380

different places like Germany and Poland

1433

01:16:17,780 --> 01:16:13,780

Britain they came with these stories or

1434

01:16:22,290 --> 01:16:17,790

these traditions so if you look at the

1435

01:16:25,890 --> 01:16:22,300

shamans from Siberia they actually

1436

01:16:30,470 --> 01:16:25,900

dressed in the same garb as what Santa

1437

01:16:33,510 --> 01:16:30,480

Claus where's that red type of uniform I

1438

01:16:37,080 --> 01:16:33,520

looked at I looked at the oldest picture

1439

01:16:39,149 --> 01:16:37,090

of Saint Nick that I could find and he

1440

01:16:41,580 --> 01:16:39,159

was dressed in red and white and he also

1441

01:16:46,740 --> 01:16:41,590

had a little gray beard going on too as

1442

01:16:50,129 --> 01:16:46,750

well no I'm being serious now yeah but

1443

01:16:57,839 --> 01:16:50,139

he was also skinny right he's not the

1444

01:17:01,050 --> 01:16:57,849

jolly rotund Saint Nick that we know

1445

01:17:04,530 --> 01:17:01,060

today but you can look at it you could

1446

01:17:07,290 --> 01:17:04,540

see the foundations of where the imagery

1447

01:17:09,450 --> 01:17:07,300

would come for father Christmas today

1448

01:17:10,320 --> 01:17:09,460

because it was red and white and he did

1449

01:17:14,400 --> 01:17:10,330

have a

1450

01:17:16,800 --> 01:17:14,410

a very definite white beard and I want

1451

01:17:22,770 --> 01:17:16,810

you to remember those colors red and

1452

01:17:27,410 --> 01:17:22,780

white you're gonna hate okay so not only

1453

01:17:30,150 --> 01:17:27,420

did those shamans wear similar clothing

1454

01:17:35,190 --> 01:17:30,160

but they also heard it and worked with

1455

01:17:38,190 --> 01:17:35,200

reindeer now okay hold on for a second

1456

01:17:41,730 --> 01:17:38,200

did you say this st. Nick was from

1457

01:17:44,400 --> 01:17:41,740

Turkey yes it was from Turkey okay yeah

1458

01:17:46,530 --> 01:17:44,410

st. from Turkey okay widget but well

1459

01:17:51,090 --> 01:17:46,540

that was before Turkey obviously so

1460

01:17:54,390 --> 01:17:51,100

Armenia okay oh there's another twist

1461

01:18:00,030 --> 01:17:54,400

because this was fourth century right

1462

01:18:04,770 --> 01:18:00,040

then we're talking 16 17 maybe 18

1463

01:18:09,000 --> 01:18:04,780

hundred years ago yes this was pre

1464

01:18:12,180 --> 01:18:09,010

Turkey wow that's very interesting Rita

1465

01:18:14,850 --> 01:18:12,190

just leaned forward and went I didn't

1466

01:18:16,740 --> 01:18:14,860

know that and then she's gonna wrap this

1467

01:18:20,040 --> 01:18:16,750

up with everything started in Armenia

1468

01:18:24,030 --> 01:18:20,050

including Santa Claus but yeah I didn't

1469

01:18:25,650 --> 01:18:24,040

know this okay and let me just describe

1470

01:18:27,360 --> 01:18:25,660

a little bit of what shamanism is

1471

01:18:30,450 --> 01:18:27,370

because it's also part of my background

1472

01:18:33,650 --> 01:18:30,460

and shamanism is a way of life that

1473

01:18:36,720 --> 01:18:33,660

looks at nature as part of oneself and

1474

01:18:38,970 --> 01:18:36,730

the shaman uses nature through rituals

1475

01:18:39,720 --> 01:18:38,980

and techniques to discover the God

1476

01:18:42,300 --> 01:18:39,730

within

1477

01:18:44,400 --> 01:18:42,310

right and the unbreakable connection to

1478

01:18:50,760 --> 01:18:44,410

the universe around them so that's what

1479

01:18:52,340 --> 01:18:50,770

a shaman is basically and okay so now

1480

01:18:56,550 --> 01:18:52,350

we're gonna get into other symbology

1481

01:18:59,850 --> 01:18:56,560

which is the trees why the trees and why

1482

01:19:02,060 --> 01:18:59,860

why presents under the tree is where do

1483

01:19:05,370 --> 01:19:02,070

we get this tradition of a tree and

1484

01:19:10,050 --> 01:19:05,380

presence where do we get the tradition

1485

01:19:14,910 --> 01:19:10,060

of the tree in presence Jason okay well

1486

01:19:18,030 --> 01:19:14,920

these these shamans would send their

1487

01:19:22,000 --> 01:19:18,040

children out into the woods to look

1488

01:19:25,690 --> 01:19:22,010

under coniferous trees for prez

1489

01:19:28,570 --> 01:19:25,700

and what are these presents what grows

1490

01:19:32,320 --> 01:19:28,580

under these trees is a type of mushroom

1491

01:19:34,960 --> 01:19:32,330

that is red and white shadow and it's

1492

01:19:37,540 --> 01:19:34,970

called the Amenti a mascara or the fly a

1493

01:19:39,850 --> 01:19:37,550

gret and every single person listening

1494

01:19:42,910 --> 01:19:39,860

knows what I'm talking about because

1495

01:19:45,190 --> 01:19:42,920

this mushroom is featured in almost all

1496

01:19:48,310 --> 01:19:45,200

your Christmas cards that's right and in

1497

01:19:51,340 --> 01:19:48,320

all the fairy tale pictures they always

1498

01:19:54,190 --> 01:19:51,350

place these mushrooms it's a bright red

1499

01:19:57,010 --> 01:19:54,200

cap mushroom and it has these kind of

1500

01:19:59,440 --> 01:19:57,020

like white horns or spots on the top of

1501

01:20:02,760 --> 01:19:59,450

it I always thought it was just festive

1502

01:20:06,670 --> 01:20:02,770

looking and that it was artistic license

1503

01:20:09,190 --> 01:20:06,680

but this is all found this is this is

1504

01:20:09,820 --> 01:20:09,200

part of a you know nature this actually

1505

01:20:12,550 --> 01:20:09,830

happened

1506

01:20:14,170 --> 01:20:12,560

it's actually happens and this is where

1507

01:20:16,890 --> 01:20:14,180

you find these mushrooms because these

1508

01:20:20,110 --> 01:20:16,900

mushrooms have a symbiotic relationship

1509

01:20:23,260 --> 01:20:20,120

to these coniferous trees like pine

1510

01:20:27,190 --> 01:20:23,270

trees so they need the root system of

1511

01:20:29,770 --> 01:20:27,200

pinetrees to actually grow and another thing

1512

01:20:31,960 --> 01:20:29,780

you know I'll just say it what a

1513

01:20:33,850 --> 01:20:31,970

mushroom is is actually the sex organ of

1514

01:20:38,380 --> 01:20:33,860

mycelium which is under the ground

1515

01:20:40,330 --> 01:20:38,390

so you're basically looking at the sex a

1516

01:20:46,540 --> 01:20:40,340

mushroom is the sex organ of the

1517

01:20:52,270 --> 01:20:46,550

mushroom so so the traditional Christmas

1518

01:20:54,520 --> 01:20:52,280

colors right the capitalistic the

1519

01:20:57,780 --> 01:20:54,530

Christmas cards the colors the houses

1520

01:21:01,180 --> 01:20:57,790

the lights the red and white everywhere

1521

01:21:04,810 --> 01:21:01,190

is because of mushrooms that were found

1522

01:21:06,610 --> 01:21:04,820

under pine trees in Siberia it's not

1523

01:21:08,830 --> 01:21:06,620

just Siberia it's the northern

1524

01:21:11,050 --> 01:21:08,840

hemisphere right right right right

1525

01:21:14,160 --> 01:21:11,060

so this is you could even find it here

1526

01:21:18,460 --> 01:21:14,170

in Canada and obviously in the US and

1527

01:21:23,050 --> 01:21:18,470

another amazing point is these mushrooms

1528

01:21:24,850 --> 01:21:23,060

are a delicacy for reindeers we're gonna

1529

01:21:28,080 --> 01:21:24,860

get to we're gonna get to the reindeer

1530

01:21:33,310 --> 01:21:28,090

in a second this is fascinating and the

1531

01:21:34,850 --> 01:21:33,320

the the how do I say this the

1532

01:21:38,680 --> 01:21:34,860

cross-pollination

1533

01:21:41,870 --> 01:21:38,690

of Santa Claus or modern Santa Claus

1534

01:21:44,479 --> 01:21:41,880

which all of it came from the tradition

1535

01:21:51,740 --> 01:21:44,489

surrounding the historical st. Nick

1536

01:21:53,959 --> 01:21:51,750

right from Armenia that that went over

1537

01:21:57,379 --> 01:21:53,969

to the British figure of father

1538

01:22:02,720 --> 01:21:57,389

Christmas and then we have the Dutch

1539

01:22:07,240 --> 01:22:02,730

version which is Sinterklaas based

1540

01:22:10,100 --> 01:22:07,250

directly on st. Nicholas himself the

1541

01:22:13,939 --> 01:22:10,110

father Christmas the British version

1542

01:22:16,580 --> 01:22:13,949

dates as far back as the 16th century in

1543

01:22:20,720 --> 01:22:16,590

England during the reign of King Henry

1544

01:22:25,220 --> 01:22:20,730

the 8th and back then he was pictured as

1545

01:22:27,200 --> 01:22:25,230

this is where the change came he started

1546

01:22:30,290 --> 01:22:27,210

to become big you know a little bit

1547

01:22:32,990 --> 01:22:30,300

overweight little you know well-fed but

1548

01:22:36,140 --> 01:22:33,000

he was dressed in green why was that

1549

01:22:37,250 --> 01:22:36,150

version of st. Nick father Christmas

1550

01:22:41,450 --> 01:22:37,260

Santa Claus

1551

01:22:44,419 --> 01:22:41,460

why was he dressed in green it might be

1552

01:22:47,299 --> 01:22:44,429

to represent the evergreen hmm which is

1553

01:22:50,299 --> 01:22:47,309

the promise forever left everlasting

1554

01:22:53,540 --> 01:22:50,309

life now if you and I'll just stick with

1555

01:22:58,720 --> 01:22:53,550

this saw right here if you're looking

1556

01:23:02,000 --> 01:22:58,730

into symbols the symbols of eternal life

1557

01:23:05,990 --> 01:23:02,010

it's all over ancient times

1558

01:23:08,990 --> 01:23:06,000

even back in Sumeria you would have the

1559

01:23:11,750 --> 01:23:09,000

Tree of Life which was the symbol of

1560

01:23:14,209 --> 01:23:11,760

eternal life and even in Sumeria you see

1561

01:23:17,120 --> 01:23:14,219

these guys with like holding pine cones

1562

01:23:20,000 --> 01:23:17,130

and they had these water vessels and

1563

01:23:24,410 --> 01:23:20,010

these are ancient symbols of fertility

1564

01:23:26,720 --> 01:23:24,420

and everlasting life it had because the

1565

01:23:28,970 --> 01:23:26,730

reason why these trees were so important

1566

01:23:30,609 --> 01:23:28,980

not only did they have these presence

1567

01:23:35,209 --> 01:23:30,619

and and these things growing

1568

01:23:39,049 --> 01:23:35,219

symbiotically with these trees but these

1569

01:23:42,169 --> 01:23:39,059

trees survived all the seasons where all

1570

01:23:43,930 --> 01:23:42,179

the other tree's have like a life and a

1571

01:23:48,229 --> 01:23:43,940

death where the leaves fall off right

1572

01:23:48,710 --> 01:23:48,239

this tree survives everything so it was

1573

01:23:52,570 --> 01:23:48,720

given

1574

01:23:55,730 --> 01:23:52,580

symbol of the symbol of eternal life and

1575

01:23:58,760 --> 01:23:55,740

even in Christianity if you look at the

1576

01:24:01,510 --> 01:23:58,770

Pope's staff if you look at the statues

1577

01:24:06,020 --> 01:24:01,520

and even the paintings at the Vatican

1578

01:24:10,280 --> 01:24:06,030

there is lots of pinecones depicted in

1579

01:24:13,190 --> 01:24:10,290

these scenes at the Vatican and many

1580

01:24:15,830 --> 01:24:13,200

people believe they talk about the the

1581

01:24:19,250 --> 01:24:15,840

pinecone is the third eye right which is

1582

01:24:21,560 --> 01:24:19,260

possible but it's also a symbol of

1583

01:24:24,200 --> 01:24:21,570

eternal life it's always it's all it's a

1584

01:24:27,140 --> 01:24:24,210

symbol of this tree of life which is

1585

01:24:30,470 --> 01:24:27,150

this color green and this is why we have

1586

01:24:32,720 --> 01:24:30,480

green red and white and what about the

1587

01:24:35,930 --> 01:24:32,730

some of these other traditions that

1588

01:24:38,180 --> 01:24:35,940

started back then when all of this was

1589

01:24:41,060 --> 01:24:38,190

kicking off we're talking hundreds and

1590

01:24:44,860 --> 01:24:41,070

hundreds of years ago and it was the

1591

01:24:49,400 --> 01:24:44,870

aspect for children you have a choice

1592

01:24:52,400 --> 01:24:49,410

naughty or nice right and and somebody

1593

01:24:54,470 --> 01:24:52,410

out there and I always related this back

1594

01:24:55,820 --> 01:24:54,480

to God right God knows everything he

1595

01:24:57,500 --> 01:24:55,830

knows when you've been good he knows

1596

01:24:57,830 --> 01:24:57,510

when you've been bad he's always taking

1597

01:24:59,570 --> 01:24:57,840

notes

1598

01:25:01,700 --> 01:24:59,580

he knows everything there's nothing you

1599

01:25:05,240 --> 01:25:01,710

can't do where you you're not gonna get

1600

01:25:09,830 --> 01:25:05,250

caught so you got to behave this same

1601
01:25:11,900 --> 01:25:09,840
thing spilled over into Christmas with

1602
01:25:16,190 --> 01:25:11,910
children and you have a choice to be

1603
01:25:20,930 --> 01:25:16,200
naughty or nice and was this put into

1604
01:25:23,150 --> 01:25:20,940
place - just like the masses all right

1605
01:25:26,120 --> 01:25:23,160
with the rest of the world to keep your

1606
01:25:29,990 --> 01:25:26,130
children in order right

1607
01:25:32,810 --> 01:25:30,000
when did these traditions start I don't

1608
01:25:36,020 --> 01:25:32,820
know exactly the time that they started

1609
01:25:38,510 --> 01:25:36,030
but it is kind of in a sense programming

1610
01:25:40,400 --> 01:25:38,520
for the future I would say you know play

1611
01:25:44,210 --> 01:25:40,410
by the rules or you're not going to get

1612
01:25:47,930 --> 01:25:44,220
benefits but then when you get into like

1613
01:25:51,170 --> 01:25:47,940

the European northern hemisphere of

1614

01:25:53,950 --> 01:25:51,180

these traditions then you start getting

1615

01:25:57,080 --> 01:25:53,960

these other strange things like Krampus

1616

01:25:58,490 --> 01:25:57,090

you know if you're naughty Krampus is

1617

01:26:01,640 --> 01:25:58,500

gonna come and taste you which is a

1618

01:26:02,479 --> 01:26:01,650

brief frightening thing to tell your

1619

01:26:07,610 --> 01:26:02,489

children right

1620

01:26:12,490 --> 01:26:07,620

well there was another which is schmaltz

1621

01:26:17,990 --> 01:26:12,500

Lee schmaltz Lee was Santa Clauses

1622

01:26:22,940 --> 01:26:18,000

assistant in in the swiss-german region

1623

01:26:25,570 --> 01:26:22,950

of Europe and and he would he was you

1624

01:26:30,979 --> 01:26:25,580

know he was the number one elf right

1625

01:26:35,870 --> 01:26:30,989

mostly and this cat would carry a twig

1626

01:26:39,290 --> 01:26:35,880

broom with him to spank the the naughty

1627

01:26:42,490 --> 01:26:39,300

children with and and the depictions of

1628

01:26:45,920 --> 01:26:42,500

this this is this is entrenched

1629

01:26:50,420 --> 01:26:45,930

Christmas tradition and the threat of

1630

01:26:53,930 --> 01:26:50,430

you know small Snee smacking your kids

1631

01:26:57,350 --> 01:26:53,940

around with the with a broom and this

1632

01:27:00,080 --> 01:26:57,360

this goes back again to the 16th 15th

1633

01:27:01,940 --> 01:27:00,090

century Jason do you know much you know

1634

01:27:13,790 --> 01:27:01,950

what that translates to what's the hat

1635

01:27:15,830 --> 01:27:13,800

that mostly translates to fatty the this

1636

01:27:20,990 --> 01:27:15,840

is this is what else this is very

1637

01:27:23,030 --> 01:27:21,000

fascinating that Santa Claus in this

1638

01:27:27,410 --> 01:27:23,040

region during this time period was

1639

01:27:33,229 --> 01:27:27,420

called sammich Claus sammich like

1640

01:27:37,340 --> 01:27:33,239

sandwich sammich Claus Santa Claus were

1641

01:27:41,870 --> 01:27:37,350

wasn't used officially for the first

1642

01:27:45,650 --> 01:27:41,880

time until 1773 that's the earliest I

1643

01:27:50,209 --> 01:27:45,660

can find any references to it in the

1644

01:27:52,760 --> 01:27:50,219

American press but 1773 was the the

1645

01:27:54,550 --> 01:27:52,770

first use of Santa Claus here in the

1646

01:27:59,410 --> 01:27:54,560

United States

1647

01:28:03,320 --> 01:27:59,420

Wow and again it's like does everything

1648

01:28:05,810 --> 01:28:03,330

stem from the story of the manger and

1649

01:28:08,300 --> 01:28:05,820

baby Jesus or does it stem from st.

1650

01:28:09,770 --> 01:28:08,310

Nicholas or is it a combination of all

1651

01:28:12,979 --> 01:28:09,780

these other traditions that came from

1652

01:28:14,820 --> 01:28:12,989

northern Europe plus the culture that

1653

01:28:17,250 --> 01:28:14,830

came out of meso a

1654

01:28:19,580 --> 01:28:17,260

came out of the ancient worlds I wanted

1655

01:28:24,210 --> 01:28:19,590

to ask you you spent a lot of time in in

1656

01:28:25,710 --> 01:28:24,220

the Far East and specifically Japan do

1657

01:28:29,760 --> 01:28:25,720

they celebrate Christmas do they have

1658

01:28:31,650 --> 01:28:29,770

Santa Claus in Japan oh they love it but

1659

01:28:34,050 --> 01:28:31,660

and the thing that I love about Japanese

1660

01:28:39,090 --> 01:28:34,060

Christmas which I have been a couple

1661

01:28:41,960 --> 01:28:39,100

times is it's very much based on the

1662

01:28:45,180 --> 01:28:41,970

traditions of the German version of

1663

01:28:47,760 --> 01:28:45,190

Christmas so it's like a very German

1664

01:28:50,220 --> 01:28:47,770

Christmas and they have these like

1665

01:28:51,960 --> 01:28:50,230

pop-up beer so it's like you're go out

1666

01:28:56,130 --> 01:28:51,970

in the middle of the the park and they

1667

01:29:00,110 --> 01:28:56,140

have these literally like beer markets

1668

01:29:02,190 --> 01:29:00,120

with the traditional German beer and

1669

01:29:05,400 --> 01:29:02,200

pretzels

1670

01:29:07,200 --> 01:29:05,410

it's it's crazy like that but yes it's

1671

01:29:10,710 --> 01:29:07,210

they have Santa they have they love

1672

01:29:13,410 --> 01:29:10,720

Christmas let's let's take our break

1673

01:29:20,670 --> 01:29:13,420

right here and I'm gonna keep our

1674

01:29:20,680 --> 01:29:28,000

[Music]

1675

01:29:33,100 --> 01:29:30,910

all right welcome back fade to black

1676

01:29:39,770 --> 01:29:33,110

[Music]

1677

01:29:44,390 --> 01:29:39,780

but I just have to say this Christmas

1678

01:29:46,000 --> 01:29:44,400

songs the chord changes the chord

1679

01:29:48,860 --> 01:29:46,010

changes that are there

1680

01:29:52,310 --> 01:29:48,870

it works with heavy metal doesn't a

1681

01:30:00,680 --> 01:29:52,320

Jason it just works it fits absolutely

1682

01:30:03,200 --> 01:30:00,690

why not cool man man man okay all right

1683

01:30:05,260 --> 01:30:03,210

and all of these selections I'm playing

1684

01:30:09,620 --> 01:30:05,270

tonight are from Twisted Sisters a

1685

01:30:13,280 --> 01:30:09,630

Christmas album and it's it's it's it's

1686

01:30:15,830 --> 01:30:13,290

now a classic today but you can go and

1687

01:30:18,920 --> 01:30:15,840

check out everything over on youtube

1688

01:30:25,040 --> 01:30:18,930

it's all over the place just so good so

1689

01:30:28,390 --> 01:30:25,050

good the the version of oh come all ye

1690

01:30:30,740 --> 01:30:28,400

faithful and the way that they do it

1691

01:30:35,300 --> 01:30:30,750

we're not going to take it right there

1692

01:30:37,430 --> 01:30:35,310

hit it is it fits it's just so good all

1693

01:30:41,980 --> 01:30:37,440

right I'm just so heavy metal doubt

1694

01:30:45,560 --> 01:30:41,990

right now back to Santa Claus okay so

1695

01:30:49,580 --> 01:30:45,570

this is when you dive into the history

1696

01:30:51,920 --> 01:30:49,590

of Santa Claus and you find out you know

1697

01:30:53,450 --> 01:30:51,930

these things like samich Claus and and

1698

01:30:58,910 --> 01:30:53,460

somebody just posted that I'm just

1699

01:31:02,060 --> 01:30:58,920

making stuff up now I'm not mostly is

1700

01:31:04,610 --> 01:31:02,070

real I mean and and you brought up

1701

01:31:06,700 --> 01:31:04,620

Krampus which is something I want to

1702

01:31:09,980 --> 01:31:06,710

actually discuss a little bit further

1703

01:31:12,500 --> 01:31:09,990

most don't know what Krampus is is all

1704

01:31:14,120 --> 01:31:12,510

about me get back into that but I

1705

01:31:16,130 --> 01:31:14,130

mentioned right before the break that

1706

01:31:19,180 --> 01:31:16,140

Santa Claus was first used in the

1707

01:31:24,380 --> 01:31:19,190

American press back in 1773

1708

01:31:27,380 --> 01:31:24,390

Santa Claus Santa Claus like the correct

1709

01:31:32,810 --> 01:31:27,390

version of it was found in Washington

1710

01:31:36,290 --> 01:31:32,820

Irving's history of New York in 1809

1711

01:31:38,899 --> 01:31:36,300

and again I'm researching this over the

1712

01:31:42,229 --> 01:31:38,909

last week which I haven't spent a lot of

1713

01:31:47,720 --> 01:31:42,239

time with this in the past but I had

1714

01:31:52,550 --> 01:31:47,730

always thought that it was Santa Claus

1715

01:31:55,100 --> 01:31:52,560

was a product of commercialization right

1716

01:31:57,350 --> 01:31:55,110

that it was part of that and I thought

1717

01:31:59,899 --> 01:31:57,360

it was a much more modern I knew about

1718

01:32:03,439 --> 01:31:59,909

Saint Nick and things but as far as

1719

01:32:05,450 --> 01:32:03,449

Santa Claus and everything behind that I

1720

01:32:06,140 --> 01:32:05,460

was thinking this was something more

1721

01:32:10,370 --> 01:32:06,150

modern

1722

01:32:14,000 --> 01:32:10,380

you know Macy's and in department stores

1723

01:32:16,100 --> 01:32:14,010

and and a way to commercialize Christmas

1724

01:32:19,580 --> 01:32:16,110

and as it turns out you know I am just

1725

01:32:23,780 --> 01:32:19,590

completely wrong going back to 1809 and

1726

01:32:27,290 --> 01:32:23,790

then in 1821 the book a New Year's

1727

01:32:30,260 --> 01:32:27,300

present two little ones from five to

1728

01:32:33,260 --> 01:32:30,270

twelve that's the title of the book was

1729

01:32:36,620 --> 01:32:33,270

published in New York in 1821 and it

1730

01:32:39,620 --> 01:32:36,630

contained old Santa Claus with much

1731

01:32:42,229 --> 01:32:39,630

delight which was in an anonymous poem

1732

01:32:45,520 --> 01:32:42,239

describing Santa Claus on a reindeer

1733

01:32:50,810 --> 01:32:45,530

sleigh bringing presents to children and

1734

01:32:52,839 --> 01:32:50,820

that is going back to 1821 and then two

1735

01:32:55,790 --> 01:32:52,849

years later check this out

1736

01:32:58,220 --> 01:32:55,800

two years later this is where we're

1737

01:33:01,040 --> 01:32:58,230

gonna get into the reindeer a night

1738

01:33:04,250 --> 01:33:01,050

before Christmas was published in Troy

1739

01:33:07,160 --> 01:33:04,260

New York in their newspaper called The

1740

01:33:11,359 --> 01:33:07,170

Sentinel and that was on December 23rd

1741

01:33:16,280 --> 01:33:11,369

in 1823 to the day right today is

1742

01:33:21,050 --> 01:33:16,290

December 23rd in this the reindeer were

1743

01:33:28,490 --> 01:33:21,060

named Dasher dancer Prancer vixen comet

1744

01:33:32,540 --> 01:33:28,500

Cupid dunder and blixem with a B dunder

1745

01:33:35,839 --> 01:33:32,550

and blixem came from the old Dutch words

1746

01:33:38,569 --> 01:33:35,849

for thunder and lightning and they were

1747

01:33:42,799 --> 01:33:38,579

changed later to the more German

1748

01:33:47,440 --> 01:33:42,809

sounding Donner and Blitzen and that's

1749

01:33:53,600 --> 01:33:52,070

it's very good and like I said is it

1750

01:33:56,780 --> 01:33:53,610

commercial I think it's being

1751

01:33:59,600 --> 01:33:56,790

commercialized but I think that there is

1752

01:34:02,180 --> 01:33:59,610

a very hidden meaning a very deep

1753

01:34:05,570 --> 01:34:02,190

meaning to all these stories it's not

1754

01:34:10,880 --> 01:34:05,580

just random and when you're talking

1755

01:34:13,940 --> 01:34:10,890

about Krampus in ancient times even up

1756

01:34:17,630 --> 01:34:13,950

to modern times even when they were

1757

01:34:22,880 --> 01:34:17,640

coming over in the ships from overseas

1758

01:34:26,450 --> 01:34:22,890

to to North America there is an epidemic

1759

01:34:29,000 --> 01:34:26,460

of children going missing I don't know

1760

01:34:32,180 --> 01:34:29,010

if you've ever looked into that oh man

1761

01:34:38,630 --> 01:34:32,190

okay let's okay Debbie Downer okay let's

1762

01:34:40,580 --> 01:34:38,640

go on our equipment special all right so

1763

01:34:42,860 --> 01:34:40,590

what I'm saying is that if you've read

1764

01:34:44,930 --> 01:34:42,870

these ancient texts or if you read these

1765

01:34:46,700 --> 01:34:44,940

ancient news reporting some of them

1766

01:34:49,310 --> 01:34:46,710

actually say that a lot of these

1767

01:34:54,560 --> 01:34:49,320

children go missing and they're actually

1768

01:34:56,990 --> 01:34:54,570

blaming fairies right right so a lot of

1769

01:34:59,420 --> 01:34:57,000

these cases or where you even hear these

1770

01:35:02,540 --> 01:34:59,430

stories of changelings of these you know

1771

01:35:04,790 --> 01:35:02,550

these enchanted children coming back and

1772

01:35:08,060 --> 01:35:04,800

replacing the real children like many

1773

01:35:09,470 --> 01:35:08,070

people really believed in this in their

1774

01:35:13,640 --> 01:35:09,480

traditions and where they grew up

1775

01:35:15,710 --> 01:35:13,650

especially in northern Europe and again

1776

01:35:18,860 --> 01:35:15,720

when we were saying these children used

1777

01:35:23,170 --> 01:35:18,870

to go out into the forests to find these

1778

01:35:27,680 --> 01:35:23,180

presents under these trees some of the

1779

01:35:29,450 --> 01:35:27,690

you know it was a rare occurrence but

1780

01:35:34,730 --> 01:35:29,460

some of those children never return back

1781

01:35:36,320 --> 01:35:34,740

home so there was this kind of this is

1782

01:35:39,260 --> 01:35:36,330

where I personally believe this

1783

01:35:40,910 --> 01:35:39,270

tradition of Krampus started was when

1784

01:35:44,440 --> 01:35:40,920

these children would go out into the

1785

01:35:47,360 --> 01:35:44,450

woods just like Red Riding Hood you know

1786

01:35:50,150 --> 01:35:47,370

you know red again they're going out

1787

01:35:52,340 --> 01:35:50,160

into the wood to face a danger and if

1788

01:35:54,350 --> 01:35:52,350

they're naughty or nice that's just kind

1789

01:35:56,900 --> 01:35:54,360

of a way of saying well that child was

1790

01:35:59,420 --> 01:35:56,910

kind of taken by Krampus because it was

1791

01:36:01,990 --> 01:35:59,430

naughty but

1792

01:36:04,100 --> 01:36:02,000

I'm thinking with my conspiracy brain

1793

01:36:05,780 --> 01:36:04,110

and we've actually talked about this

1794

01:36:10,630 --> 01:36:05,790

before with you know the whole missing

1795

01:36:14,330 --> 01:36:10,640

911 is that it's very possible that

1796

01:36:16,610 --> 01:36:14,340

people can easily disappear in these

1797

01:36:18,950 --> 01:36:16,620

forests and I think that the beginning

1798

01:36:20,360 --> 01:36:18,960

of these stories with Krampus started

1799

01:36:21,980 --> 01:36:20,370

out with those disappearances of

1800

01:36:26,330 --> 01:36:21,990

children who would go out into these

1801

01:36:28,100 --> 01:36:26,340

forests now if we have if we have I was

1802

01:36:31,400 --> 01:36:28,110

always confused about this when I was a

1803

01:36:33,970 --> 01:36:31,410

kid and I need this part of our history

1804

01:36:39,280 --> 01:36:33,980

cleared up we've got eight reindeer

1805

01:36:44,230 --> 01:36:39,290

identified and named in 1823 right but

1806

01:36:46,790 --> 01:36:44,240

Rudolph is number nine now our history

1807

01:36:48,530 --> 01:36:46,800

has never been gone back and been

1808

01:36:50,390 --> 01:36:48,540

corrected here that there were nine

1809

01:36:53,810 --> 01:36:50,400

reindeer it's always eight always eighth

1810

01:36:55,580 --> 01:36:53,820

always eight Rudolph comes along and and

1811

01:37:00,590 --> 01:36:55,590

it's number nine where did Rudolph come

1812

01:37:03,260 --> 01:37:00,600

come from well I have a theory about

1813

01:37:05,630 --> 01:37:03,270

Rudolph and I'll say it's my theory

1814

01:37:10,060 --> 01:37:05,640

because I haven't really read this it's

1815

01:37:13,610 --> 01:37:10,070

just but I told you before that

1816

01:37:16,310 --> 01:37:13,620

reindeers have a delicacy under these

1817

01:37:20,510 --> 01:37:16,320

trees which is these red mushrooms

1818

01:37:22,670 --> 01:37:20,520

mm-hmm so I would say Rudolph is the

1819

01:37:29,150 --> 01:37:22,680

reindeer that ate the most mushrooms and

1820

01:37:31,310 --> 01:37:29,160

his nose is red is that wait a minute I

1821

01:37:33,860 --> 01:37:31,320

don't remember that from the Christmas

1822

01:37:38,000 --> 01:37:33,870

special I don't think it would be in the

1823

01:37:40,970 --> 01:37:38,010

Christmas special but let me describe a

1824

01:37:46,150 --> 01:37:40,980

little here and I'll go full in if you

1825

01:37:49,940 --> 01:37:46,160

all allow me but basically in these

1826

01:37:53,870 --> 01:37:49,950

shamanic traditions of Siberia the

1827

01:37:57,350 --> 01:37:53,880

Siberian shamans what they would do is

1828

01:37:59,540 --> 01:37:57,360

they would allow these reindeer to go

1829

01:38:02,450 --> 01:37:59,550

out and forage underneath these trees

1830

01:38:06,470 --> 01:38:02,460

and just basically gorge themselves on

1831

01:38:09,020 --> 01:38:06,480

these red and white mushrooms and then

1832

01:38:12,890 --> 01:38:09,030

what these shamans would do is collect

1833

01:38:15,770 --> 01:38:12,900

the urine from these reindeer

1834

01:38:18,800 --> 01:38:15,780

because there is an alchemical process

1835

01:38:21,650 --> 01:38:18,810

that happens in the digestion through

1836

01:38:25,940 --> 01:38:21,660

the liver of the reindeer which takes

1837

01:38:31,570 --> 01:38:25,950

out the toxins the poisons out of the

1838

01:38:35,480 --> 01:38:31,580

mushroom and Adi carboxylates these

1839

01:38:38,840 --> 01:38:35,490

special psychoactive elements in these

1840

01:38:44,180 --> 01:38:38,850

mushrooms and these shamans would do

1841

01:38:45,470 --> 01:38:44,190

rituals and drink the urine and when

1842

01:38:47,780 --> 01:38:45,480

they would drink the urine they would

1843

01:38:51,200 --> 01:38:47,790

have out-of-body experiences and they

1844

01:38:54,260 --> 01:38:51,210

would travel to the upper world so when

1845

01:38:58,460 --> 01:38:54,270

I hear that story what what do I think

1846

01:39:02,480 --> 01:38:58,470

of in my mind I think of Santa flying

1847

01:39:04,550 --> 01:39:02,490

magically in the sky with his reindeers

1848

01:39:06,890 --> 01:39:04,560

that's what I think when I hear those

1849

01:39:09,410 --> 01:39:06,900

stories it's like a shamanic story and

1850

01:39:10,790 --> 01:39:09,420

another very interesting thing well how

1851

01:39:11,660 --> 01:39:10,800

can you tell that story to a

1852

01:39:15,860 --> 01:39:11,670

four-year-old

1853

01:39:18,040 --> 01:39:15,870

I wouldn't okay who's good this is late

1854

01:39:20,780 --> 01:39:18,050

night radio Jimmy I'm telling it's

1855

01:39:25,340 --> 01:39:20,790

adults can you imagine if that was in

1856

01:39:29,380 --> 01:39:25,350

the original 1964 stop animation Rudolph

1857

01:39:36,260 --> 01:39:31,190

well we would have a completely

1858

01:39:39,500 --> 01:39:36,270

different society I know that I mean I

1859

01:39:44,290 --> 01:39:39,510

had I had a hard enough time dealing

1860

01:39:49,540 --> 01:39:47,000

that was that was hard enough for me to

1861

01:39:53,000 --> 01:39:49,550

deal with but if it was taking this

1862

01:39:55,070 --> 01:39:53,010

shamanic twist I find that very

1863

01:39:58,520 --> 01:39:55,080

interesting somebody just posted up in

1864

01:40:03,380 --> 01:39:58,530

Twitter that Rudolph was a Montgomery

1865

01:40:05,030 --> 01:40:03,390

Ward creation right so I I should have

1866

01:40:07,130 --> 01:40:05,040

done this earlier but I just you know

1867

01:40:08,420 --> 01:40:07,140

Wikipedia this and there it is right

1868

01:40:10,670 --> 01:40:08,430

there Rudolph the red-nosed reindeer

1869

01:40:14,000 --> 01:40:10,680

fictional reindeer created by Robert

1870

01:40:16,100 --> 01:40:14,010

Lewis Mae Rudolph is usually depicted as

1871

01:40:18,140 --> 01:40:16,110

the ninth and youngest of Santa Claus's

1872

01:40:20,630 --> 01:40:18,150

reindeer using his luminous red nose to

1873

01:40:22,100 --> 01:40:20,640

lead the reindeer team and guide Santa's

1874

01:40:26,130 --> 01:40:22,110

sleigh and Christmas Eve

1875

01:40:28,320 --> 01:40:26,140

Rudolph first appeared in a 1939

1876

01:40:33,140 --> 01:40:28,330

[h__\h] written by Robert May and published

1877

01:40:34,470 --> 01:40:33,150

by Montgomery Ward the department store

1878

01:40:36,330 --> 01:40:34,480

hmm

1879

01:40:38,360 --> 01:40:36,340

so we haven't we had to wait all the way

1880

01:40:41,610 --> 01:40:38,370

to Rudolf to get to the

1881

01:40:45,600 --> 01:40:41,620

commercialization of Christmas which you

1882

01:40:48,360 --> 01:40:45,610

know what I feel a lot better that Kriss

1883

01:40:50,970 --> 01:40:48,370

Kringle was left out of the play and it

1884

01:40:57,420 --> 01:40:50,980

was it was it didn't happen until Rudolf

1885

01:41:01,620 --> 01:40:57,430

in 1939 like I said we have all these

1886

01:41:03,570 --> 01:41:01,630

different elements building this hybrid

1887

01:41:06,000 --> 01:41:03,580

traditional story of many cultures

1888

01:41:10,230 --> 01:41:06,010

coming together and I believe it will

1889

01:41:15,000 --> 01:41:10,240

change over time and what we see now may

1890

01:41:17,190 --> 01:41:15,010

we may not see 50 years from now so you

1891

01:41:19,950 --> 01:41:17,200

know it will always shift and change is

1892

01:41:25,680 --> 01:41:19,960

what I believe did you know there was

1893

01:41:31,560 --> 01:41:25,690

Leroy the redneck reindeer no but now I

1894

01:41:38,520 --> 01:41:31,570

can't stop trying to visualize now let's

1895

01:41:40,230 --> 01:41:38,530

go to the North Pole and that is you

1896

01:41:44,070 --> 01:41:40,240

mentioned this earlier coming out of

1897

01:41:49,860 --> 01:41:44,080

traditions from Siberia and and the

1898

01:41:52,980 --> 01:41:49,870

northern part of Asia and the the

1899

01:41:55,590 --> 01:41:52,990

original text that I could find was

1900

01:42:01,260 --> 01:41:55,600

Santa Claus living at the North Pole was

1901

01:42:04,910 --> 01:42:01,270

from Thomas Nast publication his

1902

01:42:11,610 --> 01:42:04,920

Christmas image in the Harper's issue of

1903

01:42:14,760 --> 01:42:11,620

Harper dated December 29th 1866 was a

1904

01:42:18,980 --> 01:42:14,770

collage of engravings titled Santa Claus

1905

01:42:23,160 --> 01:42:18,990

and his works which included the caption

1906

01:42:26,340 --> 01:42:23,170

Santa Claus Ville North Pole

1907

01:42:29,880 --> 01:42:26,350

and that's the first I could find it in

1908

01:42:32,160 --> 01:42:29,890

in American literature the first

1909

01:42:32,730 --> 01:42:32,170

references to the North Pole what did

1910

01:42:35,550 --> 01:42:32,740

you find

1911

01:42:38,160 --> 01:42:35,560

well it has its it goes hand in hand

1912

01:42:40,320 --> 01:42:38,170

with the adventurers of that time

1913

01:42:42,780 --> 01:42:40,330

you know it's like that was in the news

1914

01:42:45,270 --> 01:42:42,790

constantly of people trying to go to the

1915

01:42:46,260 --> 01:42:45,280

North Pole it was like the the last

1916

01:42:48,630 --> 01:42:46,270

frontier

1917

01:42:50,430 --> 01:42:48,640

so yet of explorers going to the North

1918

01:42:52,530 --> 01:42:50,440

Pole and it was very exciting there was

1919

01:42:55,530 --> 01:42:52,540

a lot of newspaper articles about this

1920

01:42:58,260 --> 01:42:55,540

so if someone is bringing that kind of

1921

01:43:00,240 --> 01:42:58,270

storyline into it we already have the

1922

01:43:05,030 --> 01:43:00,250

vision of Christmas being a snowy winter

1923

01:43:08,100 --> 01:43:05,040

place and because of the hype around

1924

01:43:10,620 --> 01:43:08,110

these adventurers seeking out the North

1925

01:43:12,510 --> 01:43:10,630

Pole I think it would be a perfect match

1926

01:43:14,450 --> 01:43:12,520

at that time period for them to

1927

01:43:21,479 --> 01:43:14,460

incorporate that in some type of

1928

01:43:26,760 --> 01:43:21,489

mythology now the the other part which

1929

01:43:32,160 --> 01:43:26,770

is Mrs. Claus I find this very strange

1930

01:43:34,979 --> 01:43:32,170

that Santa was single right that you

1931

01:43:38,490 --> 01:43:34,989

know going back to St. Nick St. Nicholas

1932

01:43:44,160 --> 01:43:38,500

all the way up to modern history there

1933

01:43:46,500 --> 01:43:44,170

was never a Mrs. Claus and I find that

1934

01:43:50,250 --> 01:43:46,510

part very very very interesting because

1935

01:43:52,110 --> 01:43:50,260

you would think that Santa would have

1936

01:43:55,200 --> 01:43:52,120

always had a Mrs. Claus so if there was

1937

01:43:58,410 --> 01:43:55,210

a Mrs. Claus a part of this and I want

1938

01:44:02,370 --> 01:43:58,420

to get to the elves as well but mrs.

1939

01:44:07,640 --> 01:44:02,380

Claus is another creation that surfaced

1940

01:44:11,070 --> 01:44:07,650

in 1889 by poet Katherine Lee Bates and

1941

01:44:13,020 --> 01:44:11,080

she called out mrs. Claus in the poem

1942

01:44:16,979 --> 01:44:13,030

and I'm not making this up the poem was

1943

01:44:22,860 --> 01:44:16,989

titled goody Santa Claus on a sleigh

1944

01:44:25,169 --> 01:44:22,870

ride so wholesome yeah you could read

1945

01:44:28,169 --> 01:44:25,179

into that what you want you can read

1946

01:44:31,140 --> 01:44:28,179

into that what you want but that was the

1947

01:44:33,439 --> 01:44:31,150

first thing and that this is what I

1948

01:44:35,459 --> 01:44:33,449

really love about the Internet is that

1949

01:44:39,870 --> 01:44:35,469

searching out this kind of information

1950

01:44:42,390 --> 01:44:39,880

and and googling these questions right

1951

01:44:44,459 --> 01:44:42,400

the origin of Mrs. Claus

1952

01:44:46,110 --> 01:44:44,469

what Mrs. Claus first appear in

1953

01:44:49,220 --> 01:44:46,120

literature you know and you go and you

1954

01:44:52,340 --> 01:44:49,230

can search this knowledge now the na

1955

01:44:55,250 --> 01:44:52,350

of everything is at our fingertips and

1956

01:44:57,439 --> 01:44:55,260

now we can find out the origin stories

1957

01:45:00,080 --> 01:44:57,449

of everything from Mrs. Claus of Santa

1958

01:45:04,130 --> 01:45:00,090

Claus to the reindeer all the way back

1959

01:45:07,120 --> 01:45:04,140

to Christmas and the baby Jesus is this

1960

01:45:09,890 --> 01:45:07,130

gonna be the unglue egg right of

1961

01:45:11,990 --> 01:45:09,900

Christmas traditions when when these

1962

01:45:14,750 --> 01:45:12,000

things are easily accessible by

1963

01:45:17,750 --> 01:45:14,760

everybody and I'm and I'm talking about

1964

01:45:20,330 --> 01:45:17,760

children as well I think the age of

1965

01:45:22,490 --> 01:45:20,340

information is here and someone who

1966

01:45:24,950 --> 01:45:22,500

knows the right questions to ask and

1967

01:45:28,060 --> 01:45:24,960

what to search for will definitely come

1968

01:45:31,370 --> 01:45:28,070

and find these different stories

1969

01:45:34,910 --> 01:45:31,380

throughout history absolutely

1970

01:45:42,370 --> 01:45:34,920

now what about elves when did they come

1971

01:45:45,890 --> 01:45:42,380

into the mix okay so okay let's just say

1972

01:45:49,280 --> 01:45:45,900

that elves will just look traditionally

1973

01:45:51,709 --> 01:45:49,290

right now what are elves jobs an elves

1974

01:45:53,600 --> 01:45:51,719

job is to prepare the presence right

1975

01:45:56,950 --> 01:45:53,610

there they're Santa's workers they're

1976

01:46:01,150 --> 01:45:56,960

preparing the presence for the children

1977

01:46:03,800 --> 01:46:01,160

so I'll just go back into the shamanic

1978

01:46:07,100 --> 01:46:03,810

knowledge of this is that the elves are

1979

01:46:10,850 --> 01:46:07,110

part of the Otherworld and their job is

1980

01:46:14,060 --> 01:46:10,860

to make sure that everything that we

1981

01:46:16,640 --> 01:46:14,070

have as in like the trees the plants the

1982

01:46:19,130 --> 01:46:16,650

flowers the fruit everything follows the

1983

01:46:23,270 --> 01:46:19,140

perfect cycle so their job is to keep

1984

01:46:25,070 --> 01:46:23,280

everything moving for the world you know

1985

01:46:28,040 --> 01:46:25,080

so that we could have these presents we

1986

01:46:29,150 --> 01:46:28,050

can have these things now take it a

1987

01:46:32,810 --> 01:46:29,160

little step further with the whole

1988

01:46:36,320 --> 01:46:32,820

shamanic thing and plant medicines is if

1989

01:46:39,770 --> 01:46:36,330

you read into the culture right now of

1990

01:46:43,250 --> 01:46:39,780

people doing plant medicines we're

1991

01:46:46,360 --> 01:46:43,260

talking about like psychedelics DMT

1992

01:46:49,070 --> 01:46:46,370

psilocybin different things like this

1993

01:46:51,830 --> 01:46:49,080

they come in contact with an

1994

01:46:54,590 --> 01:46:51,840

intelligence in these out-of-body States

1995

01:46:58,280 --> 01:46:54,600

and the way that it's described in our

1996

01:47:01,649 --> 01:46:58,290

time period is the Machine elves have

1997

01:47:05,760 --> 01:47:01,659

you ever heard those terms no I have not

1998

01:47:08,220 --> 01:47:05,770

now you've surprised me Jimmy well I'm a

1999

01:47:10,740 --> 01:47:08,230

little distracted mark Twan over in

2000

01:47:13,439 --> 01:47:10,750

Australia just tweeted out I'm sure you

2001
01:47:15,350 --> 01:47:13,449
just saw this a minute ago so Santa is

2002
01:47:18,450 --> 01:47:15,360
actually a figment of the imagination

2003
01:47:23,310 --> 01:47:18,460
conjured by drinking shroom infused

2004
01:47:25,620 --> 01:47:23,320
reindeer pee this is what you've got

2005
01:47:28,800 --> 01:47:25,630
what you've received from this radio

2006
01:47:36,689 --> 01:47:35,070
oh my word have you seen I oh okay I'm

2007
01:47:39,240 --> 01:47:36,699
just gonna let everybody know this last

2008
01:47:40,740 --> 01:47:39,250
segment when we come back after the

2009
01:47:43,890 --> 01:47:40,750
break I'm gonna open up the phone lines

2010
01:47:45,450 --> 01:47:43,900
I meant to do this earlier but I'm gonna

2011
01:47:47,280 --> 01:47:45,460
open up the phone lines to all of you

2012
01:47:50,720 --> 01:47:47,290
seven four seven two two eight two zero

2013
01:47:55,729 --> 01:47:50,730

five one and we'll take your Mary

2014

01:47:58,919 --> 01:47:55,739

witness phone calls Jason have you seen

2015

01:48:03,870 --> 01:47:58,929

the new series on Netflix called

2016

01:48:05,820 --> 01:48:03,880

The Witcher unfortunately I haven't been

2017

01:48:06,419 --> 01:48:05,830

watching TV over the past couple of

2018

01:48:09,120 --> 01:48:06,429

months

2019

01:48:12,240 --> 01:48:09,130

so I haven't unfortunate okay you need

2020

01:48:14,640 --> 01:48:12,250

to I'm just going to say this to

2021

01:48:18,360 --> 01:48:14,650

everybody certainly through this holiday

2022

01:48:22,379 --> 01:48:18,370

season check out the new series The

2023

01:48:25,410 --> 01:48:22,389

Witcher and there's a lot of reasons to

2024

01:48:28,620 --> 01:48:25,420

watch it first off cinematically the

2025

01:48:31,169 --> 01:48:28,630

impact is just as incredible as Game of

2026

01:48:33,780 --> 01:48:31,179

Thrones and that's pretty lofty for me

2027

01:48:37,140 --> 01:48:33,790

to say something like this but it is

2028

01:48:40,320 --> 01:48:37,150

certainly up there with that kind of

2029

01:48:44,610 --> 01:48:40,330

production but the the other reason to

2030

01:48:49,080 --> 01:48:44,620

watch it is the the storyline completely

2031

01:48:54,080 --> 01:48:49,090

original and and very very cool but

2032

01:48:56,729 --> 01:48:54,090

dealing with magic and Magi like they do

2033

01:48:59,070 --> 01:48:56,739

in The Witcher is one thing but there's

2034

01:49:01,800 --> 01:48:59,080

another element of this which is

2035

01:49:04,410 --> 01:49:01,810

different than anything else that I've

2036

01:49:09,330 --> 01:49:04,420

seen and you just spoke about this which

2037

01:49:11,160 --> 01:49:09,340

are the elves and this is what reminded

2038

01:49:14,260 --> 01:49:11,170

me of the witcher's the way that they

2039

01:49:17,380 --> 01:49:14,270

deal with elves here is much is

2040

01:49:20,230 --> 01:49:17,390

much like you are describing to us and

2041

01:49:23,680 --> 01:49:20,240

you have not seen the TV series and I

2042

01:49:27,760 --> 01:49:23,690

think that elves although we talk about

2043

01:49:29,800 --> 01:49:27,770

fairly tales today and and folklore when

2044

01:49:33,100 --> 01:49:29,810

it comes to elves that I think that

2045

01:49:36,550 --> 01:49:33,110

there are something much stronger behind

2046

01:49:40,740 --> 01:49:36,560

the story telling of what elves are and

2047

01:49:44,410 --> 01:49:40,750

that they quite possibly could could be

2048

01:49:51,040 --> 01:49:44,420

an ancient race that existed on this

2049

01:49:54,850 --> 01:49:51,050

planet yes and you know people that have

2050

01:49:56,680 --> 01:49:54,860

experienced these beings they're highly

2051
01:50:00,340 --> 01:49:56,690
connected to nature they're like a

2052
01:50:03,010 --> 01:50:00,350
nature spirit and elemental and you have

2053
01:50:05,730 --> 01:50:03,020
to treat them very well with respect or

2054
01:50:09,400 --> 01:50:05,740
else they could be dangerous towards you

2055
01:50:11,230 --> 01:50:09,410
but they're there to make sure that the

2056
01:50:13,410 --> 01:50:11,240
harvest is ready they're there to make

2057
01:50:15,940 --> 01:50:13,420
sure that plants bloom in the right time

2058
01:50:18,430 --> 01:50:15,950
so it's almost like you have this

2059
01:50:20,920 --> 01:50:18,440
intelligence behind nature which we will

2060
01:50:23,680 --> 01:50:20,930
call the elves that make sure all the

2061
01:50:27,130 --> 01:50:23,690
presents are ready for Santa to give to

2062
01:50:28,990 --> 01:50:27,140
the children we need to take another

2063
01:50:31,000 --> 01:50:29,000

break we're going to do this here and

2064

01:50:34,150 --> 01:50:31,010

when we come back after the break of

2065

01:50:37,450 --> 01:50:34,160

course I will open up the phone lines

2066

01:50:39,790 --> 01:50:37,460

and let's take some phone calls from The

2067

01:50:44,260 --> 01:50:39,800

Fader nuts and this will be by the way

2068

01:50:46,360 --> 01:50:44,270

tonight is our last broadcast of 2019

2069

01:50:48,160 --> 01:50:46,370

and everything after tonight will be

2070

01:50:51,370 --> 01:50:48,170

replays because we're gonna go celebrate

2071

01:50:54,760 --> 01:50:51,380

Christmas and we won't be back with

2072

01:50:57,370 --> 01:50:54,770

another live broadcast until 2020 so

2073

01:50:58,840 --> 01:50:57,380

it'll be the last opportunity to hear

2074

01:51:01,990 --> 01:50:58,850

from all of you and it's pretty cool

2075

01:51:05,230 --> 01:51:02,000

that we'll do it on Christmas with our

2076

01:51:07,920 --> 01:51:05,240

marry quickness a special event and with

2077

01:51:19,569 --> 01:51:07,930

that let's go to the next tune

2078

01:51:27,140 --> 01:51:23,930

all right welcome back it's our Mary

2079

01:51:30,979 --> 01:51:27,150

quickness special with Jason quit live

2080

01:51:33,200 --> 01:51:30,989

from Canada great conversation tonight

2081

01:51:36,709 --> 01:51:33,210

the history of Christmas the foundation

2082

01:51:38,959 --> 01:51:36,719

approximator of everything was was gone

2083

01:51:40,970 --> 01:51:38,969

through tonight and like you know you

2084

01:51:43,520 --> 01:51:40,980

said it well Jason we're not here to

2085

01:51:45,709 --> 01:51:43,530

break hearts just here to lay it out

2086

01:51:48,589 --> 01:51:45,719

there you know let's put the stuff out

2087

01:51:50,839 --> 01:51:48,599

you guys go and do your own research and

2088

01:51:53,750 --> 01:51:50,849

and see what falls from the tree that's

2089

01:51:56,060 --> 01:51:53,760

all you got to do right oh yeah

2090

01:51:58,850 --> 01:51:56,070

deep dive into Christmas it's quite a

2091

01:52:01,459 --> 01:51:58,860

journey I remember when I first started

2092

01:52:04,580 --> 01:52:01,469

finding out that this stuff and it was

2093

01:52:10,250 --> 01:52:04,590

about it was almost 20 years ago now and

2094

01:52:12,229 --> 01:52:10,260

I started to go piece by piece right and

2095

01:52:15,589 --> 01:52:12,239

and look into this I was like oh this is

2096

01:52:18,709 --> 01:52:15,599

just not this is gonna shake up

2097

01:52:21,080 --> 01:52:18,719

everything you know and and I'm gonna

2098

01:52:23,419 --> 01:52:21,090

say that there are hundreds of millions

2099

01:52:25,280 --> 01:52:23,429

of people around this planet right now

2100

01:52:26,120 --> 01:52:25,290

that have the same knowledge of what we

2101

01:52:28,609 --> 01:52:26,130

laid out tonight

2102

01:52:30,229 --> 01:52:28,619

and people have gotten and looked into

2103

01:52:33,800 --> 01:52:30,239

this and you know what the Sun still

2104

01:52:35,950 --> 01:52:33,810

came up no pun intended right it wasn't

2105

01:52:38,419 --> 01:52:35,960

it wasn't earth-shattering to people I

2106

01:52:41,660 --> 01:52:38,429

think that they just understand that

2107

01:52:45,069 --> 01:52:41,670

there's origins to everything but it

2108

01:52:47,830 --> 01:52:45,079

doesn't change where we are today and

2109

01:52:50,689 --> 01:52:47,840

civilization didn't collapse did it

2110

01:52:53,270 --> 01:52:50,699

absolutely not I mean I celebrate

2111

01:52:55,819 --> 01:52:53,280

Christmas I love Christmas you know I'm

2112

01:52:57,709 --> 01:52:55,829

so hyped about this this knowledge or

2113

01:52:59,830 --> 01:52:57,719

this information that I've gathered it's

2114

01:53:00,979 --> 01:52:59,840

only enhanced my love of Christmas

2115

01:53:03,740 --> 01:53:00,989

absolutely

2116

01:53:05,870 --> 01:53:03,750

and with that you want to take some

2117

01:53:08,260 --> 01:53:05,880

phone calls absolutely

2118

01:53:10,669 --> 01:53:08,270

all right everybody turn your radio down

2119

01:53:11,979 --> 01:53:10,679

here we go hi you're live on fade to

2120

01:53:16,189 --> 01:53:11,989

black who's calling

2121

01:53:18,709 --> 01:53:16,199

hi Jimmy it's Andy and Allen hi Sandy

2122

01:53:23,290 --> 01:53:18,719

how are you Mary quit miss say hi to

2123

01:53:27,490 --> 01:53:23,300

Jason Mary rockin quit

2124

01:53:29,089 --> 01:53:27,500

their equipment back to you that's

2125

01:53:33,130 --> 01:53:29,099

awesome

2126
01:53:36,560 --> 01:53:33,140
in there cool isn't it

2127
01:53:41,840 --> 01:53:36,570
is it is beyond cool and thank you for

2128
01:53:44,210 --> 01:53:41,850
that you know this show sandy is is

2129
01:53:48,710 --> 01:53:44,220
about all things fun and the things that

2130
01:53:50,270 --> 01:53:48,720
I enjoy and Jason and I are both

2131
01:53:52,940 --> 01:53:50,280
musicians and we love talking about

2132
01:53:55,910 --> 01:53:52,950
music and stuff and and before the show

2133
01:53:57,980 --> 01:53:55,920
I played them you know the tracks that I

2134
01:54:00,470 --> 01:53:57,990
was going to use tonight and we did did

2135
01:54:05,870 --> 01:54:00,480
nothing but laugh you know it's just so

2136
01:54:09,860 --> 01:54:05,880
cool I and and what year did that come

2137
01:54:13,130 --> 01:54:09,870
out oh geez

2138
01:54:14,320 --> 01:54:13,140

I've been listening to them is probably

2139

01:54:18,050 --> 01:54:14,330

20 years old

2140

01:54:20,240 --> 01:54:18,060

alright because diesel still

2141

01:54:23,930 --> 01:54:20,250

recognizable yeah yeah I've seen some

2142

01:54:28,100 --> 01:54:23,940

live versions of these cuts that that

2143

01:54:30,530 --> 01:54:28,110

are very recent you know you know five

2144

01:54:32,600 --> 01:54:30,540

years ten years old and his voice is

2145

01:54:34,970 --> 01:54:32,610

still there he's what you know he's one

2146

01:54:38,240 --> 01:54:34,980

of the great singers in the history of

2147

01:54:40,520 --> 01:54:38,250

rock and roll that in the entire band is

2148

01:54:44,540 --> 01:54:40,530

is really great but that that doesn't

2149

01:54:48,230 --> 01:54:44,550

get you know they don't speak about Dee

2150

01:54:51,020 --> 01:54:48,240

Snider as often as they speak about say

2151

01:54:54,530 --> 01:54:51,030

you know Ronnie James Dio or Rober plan

2152

01:54:55,100 --> 01:54:54,540

or Rob Halford or Jeff Tate you know

2153

01:54:57,860 --> 01:54:55,110

they don't

2154

01:55:00,680 --> 01:54:57,870

DD's not in that conversation and he

2155

01:55:02,660 --> 01:55:00,690

should be for sure well he he took it to

2156

01:55:05,870 --> 01:55:02,670

the he took it to the Congress that one

2157

01:55:07,880 --> 01:55:05,880

day well and you don't want the the let

2158

01:55:10,900 --> 01:55:07,890

me say this about Dee Snider if there's

2159

01:55:14,360 --> 01:55:10,910

one thing that came out about that guy

2160

01:55:19,040 --> 01:55:14,370

over the years down to earth

2161

01:55:22,400 --> 01:55:19,050

cool honest in a real human being that I

2162

01:55:27,140 --> 01:55:22,410

just think his personality is is just

2163

01:55:29,090 --> 01:55:27,150

just extraordinary yeah yeah no doubt

2164

01:55:31,220 --> 01:55:29,100

about it so what do you do Jason I got a

2165

01:55:35,120 --> 01:55:31,230

I got a I got a thank you for coming on

2166

01:55:37,940 --> 01:55:35,130

the show I'm very overwhelmed but

2167

01:55:43,060 --> 01:55:37,950

interested I got a comment you were

2168

01:55:46,550 --> 01:55:43,070

talking before the break about elves yes

2169

01:55:49,850 --> 01:55:46,560

now can we go a little further with the

2170

01:55:56,960 --> 01:55:49,860

very thing cuz Tooth Fairy was always so

2171

01:56:03,590 --> 01:55:56,970

cool to me okay like because something I

2172

01:56:11,990 --> 01:56:03,600

produce made money and you sure it

2173

01:56:15,170 --> 01:56:12,000

wasn't your parents well yes yeah I

2174

01:56:19,610 --> 01:56:15,180

wanted to pull out my own teeth to make

2175

01:56:21,170 --> 01:56:19,620

a couple of bucks well what we are

2176

01:56:23,000 --> 01:56:21,180

talking about fairies in the fairy

2177

01:56:25,250 --> 01:56:23,010

world's there are different fairies they

2178

01:56:28,010 --> 01:56:25,260

have different personalities and they

2179

01:56:30,980 --> 01:56:28,020

would like different things and many

2180

01:56:34,220 --> 01:56:30,990

people in ancient times would actually

2181

01:56:37,580 --> 01:56:34,230

make offerings to the fairy world in

2182

01:56:40,870 --> 01:56:37,590

exchange for gifts so let's just you

2183

01:56:44,960 --> 01:56:40,880

know be simple and say you know you give

2184

01:56:47,840 --> 01:56:44,970

candy or liquor or something to the

2185

01:56:49,850 --> 01:56:47,850

fairy world in hopes that your crops

2186

01:56:51,860 --> 01:56:49,860

grow better so basically you're giving

2187

01:56:54,890 --> 01:56:51,870

incentive to the fairies to do something

2188

01:56:58,940 --> 01:56:54,900

good for you and offering a tooth imeem

2189

01:57:02,360 --> 01:56:58,950

that's I don't know exactly where that

2190

01:57:06,680 --> 01:57:02,370

started to me it sounds quite

2191

01:57:08,570 --> 01:57:06,690

frightening actually but to offer up a

2192

01:57:11,360 --> 01:57:08,580

tooth is that's a that's a very

2193

01:57:13,520 --> 01:57:11,370

important piece of who you are to the

2194

01:57:15,290 --> 01:57:13,530

fairy in exchange for some type of good

2195

01:57:17,600 --> 01:57:15,300

so it might just be that tradition of

2196

01:57:21,380 --> 01:57:17,610

learning how to give to the fairy world

2197

01:57:22,910 --> 01:57:21,390

to receive a gift and you know what

2198

01:57:26,540 --> 01:57:22,920

there's a there's another part to this

2199

01:57:29,210 --> 01:57:26,550

though that my sandy bringing this up I

2200

01:57:32,980 --> 01:57:29,220

don't I don't know if she realizes but

2201

01:57:36,140 --> 01:57:32,990

we would do the same thing as children

2202

01:57:39,590 --> 01:57:36,150

leaving out milk and cookies for Santa

2203

01:57:43,370 --> 01:57:39,600

you know is that is that bribery right

2204

01:57:47,690 --> 01:57:43,380

you know what I mean was that is that to

2205

01:57:51,980 --> 01:57:47,700

make sure that you were going to get the

2206

01:57:53,770 --> 01:57:51,990

gifts that you know by rewarding Santa

2207

01:57:57,200 --> 01:57:53,780

you don't want to leave Santa bad

2208

01:57:59,810 --> 01:57:57,210

chocolate chip cookies right you had to

2209

01:58:00,570 --> 01:57:59,820

leave her good ones and and then when he

2210

01:58:03,120 --> 01:58:00,580

got up and they

2211

01:58:08,250 --> 01:58:03,130

were gone and they were eaten you felt

2212

01:58:12,420 --> 01:58:08,260

as a kid that the trade off the counter

2213

01:58:14,940 --> 01:58:12,430

offer in the deal was completed because

2214

01:58:17,100 --> 01:58:14,950

Santa ate the cookies kind of the same

2215

01:58:19,890 --> 01:58:17,110

trade off like you were doing with your

2216

01:58:21,540 --> 01:58:19,900

tooth with the fairies you're doing with

2217

01:58:24,810 --> 01:58:21,550

the milk and cookies and Santa it's

2218

01:58:29,010 --> 01:58:24,820

almost the same story isn't it it's also

2219

01:58:31,920 --> 01:58:29,020

same story in Judaism we're on Passover

2220

01:58:35,400 --> 01:58:31,930

you leave a glass of wine for a yahoo

2221

01:58:38,910 --> 01:58:35,410

and it's the offering to like bring this

2222

01:58:41,130 --> 01:58:38,920

imaginary force as this being into your

2223

01:58:44,970 --> 01:58:41,140

dinner party right allow him to offer

2224

01:58:47,310 --> 01:58:44,980

this wine so it's it's it's deep in our

2225

01:58:49,820 --> 01:58:47,320

traditions to give offerings to this

2226

01:58:52,320 --> 01:58:49,830

spirit world of the fairies and elves

2227

01:58:54,810 --> 01:58:52,330

yeah the story is much deeper than we

2228

01:58:57,330 --> 01:58:54,820

think it's milk and cookies but there's

2229

01:59:00,060 --> 01:58:57,340

something more to it sandy thank you so

2230

01:59:03,690 --> 01:59:00,070

much for the phone call and enjoy your

2231

01:59:04,770 --> 01:59:03,700

Christmas holiday you guys - you guys -

2232

01:59:06,990 --> 01:59:04,780

appreciate it

2233

01:59:11,850 --> 01:59:07,000

Happy New Year Happy New Year a Happy

2234

01:59:13,010 --> 01:59:11,860

Holidays Mary quickness thank you so

2235

01:59:16,260 --> 01:59:13,020

much

2236

01:59:18,810 --> 01:59:16,270

it's kind of funny when she brings it up

2237

01:59:22,830 --> 01:59:18,820

and then you start to think about the

2238

01:59:25,020 --> 01:59:22,840

parallels that are there with with Santa

2239

01:59:27,930 --> 01:59:25,030

Claus and it seems all harmless right

2240

01:59:30,270 --> 01:59:27,940

it's it's milk and cookies but it's

2241

01:59:33,600 --> 01:59:30,280

there's something much deeper in the

2242

01:59:36,150 --> 01:59:33,610

meaning isn't it I really believe so and

2243

01:59:38,280 --> 01:59:36,160

it goes back to this whole offering to

2244

01:59:42,030 --> 01:59:38,290

the spirit world so that you will be

2245

01:59:44,460 --> 01:59:42,040

blessed in the in the fruit of the world

2246

01:59:47,790 --> 01:59:44,470

basically I had said before the break

2247

01:59:49,800 --> 01:59:47,800

Rita came running in the bunker we've

2248

01:59:51,660 --> 01:59:49,810

got one more show before the end of the

2249

01:59:54,300 --> 01:59:51,670

year and it's with Billy Carson next

2250

01:59:57,120 --> 01:59:54,310

Monday you made a mistake and I did I

2251

01:59:59,460 --> 01:59:57,130

did I mentioned it earlier when we

2252

02:00:02,730 --> 01:59:59,470

opened up the show but yes we'll be back

2253

02:00:06,450 --> 02:00:02,740

on Monday week from today December 30th

2254

02:00:07,710 --> 02:00:06,460

with Billy Carson and let's go back to

2255

02:00:10,980 --> 02:00:07,720

the phones hi you're live on fade to

2256

02:00:14,490 --> 02:00:10,990

black who's calling my jimmies did from

2257

02:00:18,230 --> 02:00:14,500

Sacramento Mary quit miss

2258

02:00:21,450 --> 02:00:18,240

quit this hi Jason hi how are you doing

2259

02:00:22,950 --> 02:00:21,460

terrific you know it's funny because I

2260

02:00:26,040 --> 02:00:22,960

was raised the you know in a Christian

2261

02:00:28,860 --> 02:00:26,050

Church of the traditions of you know the

2262

02:00:30,780 --> 02:00:28,870

Jesus story and you know his birth and

2263

02:00:33,750 --> 02:00:30,790

all the religious significance but I

2264

02:00:35,580 --> 02:00:33,760

really like I don't want to call an

2265

02:00:38,850 --> 02:00:35,590

interpretation but the knowledge that

2266

02:00:41,070 --> 02:00:38,860

you presented about how it's related to

2267

02:00:45,360 --> 02:00:41,080

astrology and I like it because it

2268

02:00:47,630 --> 02:00:45,370

really makes sense I think it's

2269

02:00:50,630 --> 02:00:47,640

something that should be taught actually

2270

02:00:53,280 --> 02:00:50,640

in addition to you know the Bible story

2271

02:00:57,540 --> 02:00:53,290

but I did have a question for you

2272

02:01:00,240 --> 02:00:57,550

sure is there any significance in your

2273

02:01:06,060 --> 02:01:00,250

opinion to the kings of the Orient

2274

02:01:08,160 --> 02:01:06,070

bringing gifts to Jesus well yeah you

2275

02:01:11,790 --> 02:01:08,170

know I was gonna ask you about this

2276

02:01:15,060 --> 02:01:11,800

earlier Jason which is the part of it

2277

02:01:18,660 --> 02:01:15,070

which you know frankincense and myrrh or

2278

02:01:20,940 --> 02:01:18,670

silver and and you know the different

2279

02:01:26,310 --> 02:01:20,950

things that were brought in it was

2280

02:01:29,820 --> 02:01:26,320

frankincense myrrh and gold right yes

2281

02:01:31,260 --> 02:01:29,830

yes and and what was the third was

2282

02:01:33,990 --> 02:01:31,270

frankincense myrrh and gold

2283

02:01:36,810 --> 02:01:34,000

those were the three okay so one of the

2284

02:01:39,860 --> 02:01:36,820

wise men had frankincense one of them

2285

02:01:43,980 --> 02:01:39,870

had myrrh and the the other one had gold

2286

02:01:47,160 --> 02:01:43,990

yes and there is some confusion many

2287

02:01:49,500 --> 02:01:47,170

people or many scholars they don't

2288

02:01:51,690 --> 02:01:49,510

really know if it was a actual gold or

2289

02:01:54,450 --> 02:01:51,700

was the manna that they talked about in

2290

02:01:56,790 --> 02:01:54,460

ancient times but remember Fred what is

2291

02:01:59,040 --> 02:01:56,800

frankincense and myrrh Frank it's and

2292

02:02:01,080 --> 02:01:59,050

myrrh is holy incense that was burned in

2293

02:02:03,300 --> 02:02:01,090

the temples especially in Egypt with

2294

02:02:06,540 --> 02:02:03,310

frankincense and myrrh they would use

2295

02:02:08,610 --> 02:02:06,550

myrrh in embalming they would use they

2296

02:02:12,600 --> 02:02:08,620

would burn frankincense in the temples

2297

02:02:14,640 --> 02:02:12,610

to uplift the spirits and they also come

2298

02:02:18,390 --> 02:02:14,650

from these resinous turn if it these

2299

02:02:20,550 --> 02:02:18,400

these coniferous trees you know so then

2300

02:02:24,510 --> 02:02:20,560

it goes back to this whole connection

2301

02:02:27,330 --> 02:02:24,520

with trees the tree of light and the

2302

02:02:27,700 --> 02:02:27,340

gold the gold is knowledge the gold is

2303

02:02:39,550 --> 02:02:27,710

the

2304

02:02:42,520 --> 02:02:39,560

Sun I was told when I was a very very

2305

02:02:46,150 --> 02:02:42,530

young but when I brought that up you

2306

02:02:49,300 --> 02:02:46,160

know what why why incense you know I

2307

02:02:51,310 --> 02:02:49,310

mean gold why not diamonds or something

2308

02:02:55,180 --> 02:02:51,320

and I was told very young that

2309

02:02:58,270 --> 02:02:55,190

frankincense and myrrh were more

2310

02:03:03,420 --> 02:02:58,280

valuable than gold and traded that way

2311

02:03:07,090 --> 02:03:03,430

too as well these were very very prized

2312

02:03:08,740 --> 02:03:07,100

possessions that were traded oh it was

2313

02:03:11,229 --> 02:03:08,750

even in the tombs of the Egyptian

2314

02:03:14,140 --> 02:03:11,239

pharaohs it was one of the they actually

2315

02:03:17,459 --> 02:03:14,150

had more frankincense and myrrh than

2316

02:03:20,380 --> 02:03:17,469

gold right you know so it was extremely

2317

02:03:24,970 --> 02:03:20,390

important and it was used in rituals it

2318

02:03:27,550 --> 02:03:24,980

was used in basically I want to say

2319

02:03:30,760 --> 02:03:27,560

out-of-body experiences and clearing

2320

02:03:33,250 --> 02:03:30,770

space so frankincense and myrrh have

2321

02:03:37,930 --> 02:03:33,260

always been wrapped into spiritual

2322

02:03:41,250 --> 02:03:37,940

experience and the and Deb are you guys

2323

02:03:43,720 --> 02:03:41,260

doing anything special for Christmas oh

2324

02:03:45,220 --> 02:03:43,730

yeah I'm going to my family's house

2325

02:03:47,080 --> 02:03:45,230

tomorrow night for Christmas Eve and

2326

02:03:49,780 --> 02:03:47,090

then to another family thing on

2327

02:03:51,459 --> 02:03:49,790

Christmas Day okay but I'm not taking

2328

02:03:56,620 --> 02:03:51,469

any gold frankincense and myrrh I'm

2329

02:03:58,900 --> 02:03:56,630

taking was on you Rita Rita just tweeted

2330

02:03:59,830 --> 02:03:58,910

tweeted out she's on a campaign to get

2331

02:04:04,510 --> 02:03:59,840

you on Twitter

2332

02:04:06,250 --> 02:04:04,520

oh okay well I will look into it over

2333

02:04:08,590 --> 02:04:06,260

the holiday and try to get signed up on

2334

02:04:13,150 --> 02:04:08,600

it yeah quit playing around okay quit

2335

02:04:19,720 --> 02:04:13,160

goofing off all right Rita the boss so

2336

02:04:22,570 --> 02:04:19,730

now I gotta follow yes she just texted

2337

02:04:25,959 --> 02:04:22,580

me right now too as well so I did my

2338

02:04:33,310 --> 02:04:25,969

part okay good I have a great Christmas

2339

02:04:35,580 --> 02:04:33,320

you guys merry quit miss Deb go back

2340

02:04:37,200 --> 02:04:35,590

late Appy thanks so much

2341

02:04:40,740 --> 02:04:37,210

the

2342

02:04:43,380 --> 02:04:40,750

let me let me juggle some stuff around

2343

02:04:45,210 --> 02:04:43,390

here I've got some people on hold but

2344

02:04:47,970 --> 02:04:45,220

somebody just called it and I'm going to

2345

02:04:49,410 --> 02:04:47,980

bring in first and I'm gonna try to

2346

02:04:51,090 --> 02:04:49,420

squeeze all of this in I've only got

2347

02:04:54,000 --> 02:04:51,100

five minutes left because I got one more

2348

02:04:56,970 --> 02:04:54,010

song I'm gonna play too as well and I

2349

02:04:59,340 --> 02:04:56,980

like playing late-night DJ I've always

2350

02:05:01,680 --> 02:04:59,350

wanted to do that too to be the late

2351
02:05:04,680 --> 02:05:01,690
night DJ dude hi you're live on fade to

2352
02:05:07,260 --> 02:05:04,690
black who's calling hello gentlemen

2353
02:05:07,950 --> 02:05:07,270
merry Christmas to you all hey Eric how

2354
02:05:10,410 --> 02:05:07,960
are you

2355
02:05:13,230 --> 02:05:10,420
Merry Christmas here in a great show I

2356
02:05:16,530 --> 02:05:13,240
just want to thank you for having Jason

2357
02:05:18,230 --> 02:05:16,540
on again but I mean I gotta say I don't

2358
02:05:21,810 --> 02:05:18,240
think there's a guest that you have on

2359
02:05:23,820 --> 02:05:21,820
that that brings more knowledge and you

2360
02:05:25,320 --> 02:05:23,830
know education and more research

2361
02:05:27,690 --> 02:05:25,330
material than Jason and I'm not just

2362
02:05:30,120 --> 02:05:27,700
saying that it's pretty cool

2363
02:05:33,150 --> 02:05:30,130

Yeah right on we appreciate that Eric

2364

02:05:35,460 --> 02:05:33,160

and thank you thank you for that yeah do

2365

02:05:36,960 --> 02:05:35,470

you have a question for Jason I do have

2366

02:05:40,740 --> 02:05:36,970

a question for Jason so I've been

2367

02:05:42,750 --> 02:05:40,750

waiting all night for the Yahweh alien

2368

02:05:45,390 --> 02:05:42,760

party get there so out there at all

2369

02:05:47,820 --> 02:05:45,400

Colin so this all that's called a theory

2370

02:05:51,000 --> 02:05:47,830

the Jason has really sound like a theory

2371

02:05:54,710 --> 02:05:51,010

if the dots do add up so I think the

2372

02:05:58,200 --> 02:05:54,720

research but let's go with Jason the

2373

02:06:00,750 --> 02:05:58,210

idea of the alien God and Jesus being

2374

02:06:04,350 --> 02:06:00,760

you know like a hybrid implant does that

2375

02:06:09,360 --> 02:06:04,360

fit into this whole thing when it comes

2376

02:06:11,820 --> 02:06:09,370

to the Astro theology aspect of it no it

2377

02:06:18,230 --> 02:06:11,830

does not it does not fit into this type

2378

02:06:22,950 --> 02:06:18,240

of story but at the point you know

2379

02:06:26,280 --> 02:06:22,960

because well my theory of these things

2380

02:06:29,400 --> 02:06:26,290

have changed over time and I believe

2381

02:06:32,840 --> 02:06:29,410

that there are interdimensional higher

2382

02:06:35,940 --> 02:06:32,850

intelligence beings that can actually

2383

02:06:40,350 --> 02:06:35,950

speak through people or incarnate

2384

02:06:42,300 --> 02:06:40,360

through certain individuals that will

2385

02:06:48,150 --> 02:06:42,310

bring information and knowledge to this

2386

02:06:51,090 --> 02:06:48,160

world okay so these gods that the top

2387

02:06:55,350 --> 02:06:51,100

ten God for example the disease these

2388

02:06:57,090 --> 02:06:55,360

Ben you know non-human entities is that

2389

02:06:59,550 --> 02:06:57,100

what we're talking about well let me let

2390

02:07:02,280 --> 02:06:59,560

me just start off from like I'll but to

2391

02:07:04,650 --> 02:07:02,290

make it really really fast okay okay

2392

02:07:07,350 --> 02:07:04,660

when the first humans came and this is

2393

02:07:08,730 --> 02:07:07,360

just my opinion obviously when the first

2394

02:07:11,100 --> 02:07:08,740

humans came in started to learn things

2395

02:07:13,350 --> 02:07:11,110

are learning the laws of nature so it's

2396

02:07:16,220 --> 02:07:13,360

all the universal laws they came up with

2397

02:07:19,860 --> 02:07:16,230

this thing there there is one source of

2398

02:07:23,100 --> 02:07:19,870

creation and through that source there

2399

02:07:26,490 --> 02:07:23,110

they divided it up into 72 archetypes or

2400

02:07:28,440 --> 02:07:26,500

72 deities that would hold each and

2401

02:07:33,450 --> 02:07:28,450

individual law personality and identity

2402

02:07:35,730 --> 02:07:33,460

and then as people would let's say have

2403

02:07:37,200 --> 02:07:35,740

spiritual experiences they would

2404

02:07:39,840 --> 02:07:37,210

experience an archetype they would

2405

02:07:42,300 --> 02:07:39,850

experience these universal laws which

2406

02:07:46,710 --> 02:07:42,310

would be kind of like embodying these

2407

02:07:51,960 --> 02:07:46,720

higher consciousness Azure or deities as

2408

02:07:54,990 --> 02:07:51,970

time went on I truly believe that people

2409

02:07:56,340 --> 02:07:55,000

started to connect with these different

2410

02:07:58,830 --> 02:07:56,350

archetypes and gods and different

2411

02:08:03,180 --> 02:07:58,840

interdimensional beings did speak to

2412

02:08:05,220 --> 02:08:03,190

people so I haven't I don't have the

2413

02:08:08,010 --> 02:08:05,230

answer yet is the final answer I don't

2414

02:08:11,600 --> 02:08:08,020

have the answer but I think that there

2415

02:08:14,370 --> 02:08:11,610

is a type of interaction between

2416

02:08:17,520 --> 02:08:14,380

non-physical intelligence and humans

2417

02:08:17,940 --> 02:08:17,530

growing in this world awesome thanks

2418

02:08:20,580 --> 02:08:17,950

Jason

2419

02:08:23,070 --> 02:08:20,590

there you go every go and have a great

2420

02:08:30,210 --> 02:08:23,080

you guys in a few days absolutely and

2421

02:08:34,350 --> 02:08:30,220

have a great safe Mary quickness right

2422

02:08:36,090 --> 02:08:34,360

on Eric and we'll see Eric this Thursday

2423

02:08:37,380 --> 02:08:36,100

at the rainbow Bar & Grill right there

2424

02:08:39,390 --> 02:08:37,390

in Hollywood and I do want to remind

2425

02:08:43,080 --> 02:08:39,400

everybody that's going down December

2426

02:08:45,300 --> 02:08:43,090

26th on Thursday in a couple of days the

2427

02:08:49,910 --> 02:08:45,310

day after Christmas and you can go to

2428

02:08:53,220 --> 02:08:49,920

our Facebook page for that event and

2429

02:08:55,470 --> 02:08:53,230

RSVP right there I've got time for one

2430

02:08:58,370 --> 02:08:55,480

last quick phone call hi you're live I'm

2431

02:09:02,340 --> 02:08:58,380

fade to black who's calling oh my god

2432

02:09:05,160 --> 02:09:02,350

another last phone call there you go

2433

02:09:10,590 --> 02:09:05,170

there you go Fran Mary

2434

02:09:14,459 --> 02:09:10,600

marry quickness yeah no kidding I so

2435

02:09:21,270 --> 02:09:14,469

love watching or listening to all of

2436

02:09:27,270 --> 02:09:21,280

this I was enthralled just going oh my

2437

02:09:35,280 --> 02:09:27,280

god everything he said was making sense

2438

02:09:38,580 --> 02:09:35,290

to me are you okay with it yes yeah it's

2439

02:09:44,370 --> 02:09:38,590

really not that big of a deal but no

2440

02:09:47,550 --> 02:09:44,380

it's not it was easy yeah the whole the

2441

02:09:50,130 --> 02:09:47,560

whole Orion's belt the three kings the

2442

02:09:54,720 --> 02:09:50,140

Star of Bethlehem being serious you know

2443

02:09:58,919 --> 02:09:54,730

the East star the star in the East the

2444

02:10:04,770 --> 02:09:58,929

Virgo constellation which is virgin the

2445

02:10:10,229 --> 02:10:04,780

Sun rising on December 25th all of this

2446

02:10:12,870 --> 02:10:10,239

it it fits not only from the

2447

02:10:17,010 --> 02:10:12,880

astrological side of things but it fits

2448

02:10:19,370 --> 02:10:17,020

the stories that have been there for

2449

02:10:23,600 --> 02:10:19,380

thousands of years with every

2450

02:10:28,050 --> 02:10:23,610

civilization every every continent on

2451

02:10:30,870 --> 02:10:28,060

this planet and it's okay it's okay it's

2452

02:10:38,010 --> 02:10:30,880

all right it's all right out here every

2453

02:10:41,220 --> 02:10:38,020

time I hear this I just go yeah oh I'm

2454

02:10:44,540 --> 02:10:41,230

good do you have a question for you do

2455

02:10:48,780 --> 02:10:44,550

you have a question for Jason real quick

2456

02:10:54,150 --> 02:10:48,790

how did he get so I asked him that all

2457

02:10:56,360 --> 02:10:54,160

the time well when I started to go

2458

02:11:00,990 --> 02:10:56,370

through my awakening in my early 20s

2459

02:11:03,919 --> 02:11:01,000

this was pre YouTube so most of the

2460

02:11:07,740 --> 02:11:03,929

information I was I got I actually

2461

02:11:10,979 --> 02:11:07,750

ordered books and got books right from

2462

02:11:12,840 --> 02:11:10,989

the library and even today I think I

2463

02:11:14,340 --> 02:11:12,850

have like three four five hundred books

2464

02:11:17,820 --> 02:11:14,350

I don't even know how much I have and

2465

02:11:19,620 --> 02:11:17,830

I've read pretty much all of them and

2466

02:11:21,630 --> 02:11:19,630

that's what really helped me

2467

02:11:25,500 --> 02:11:21,640

through my awakening process a lot of

2468

02:11:30,780 --> 02:11:25,510

like esoteric stuff you name it it's in

2469

02:11:35,180 --> 02:11:30,790

the library I I totally get that when I

2470

02:11:39,900 --> 02:11:35,190

was a little kid my home away from home

2471

02:11:42,690 --> 02:11:39,910

was the library I grabbed every book

2472

02:11:50,340 --> 02:11:42,700

that I could read on anything

2473

02:11:54,830 --> 02:11:50,350

I still do that I do that tonight

2474

02:12:05,580 --> 02:12:01,230

Rita and I went to a library of two

2475

02:12:08,550 --> 02:12:05,590

months ago and we had to do because of a

2476

02:12:10,560 --> 02:12:08,560

government situation okay it's it's a

2477

02:12:13,380 --> 02:12:10,570

long story but it's a community center

2478

02:12:15,920 --> 02:12:13,390

and we had an appointment and but anyway

2479

02:12:19,650 --> 02:12:15,930

so we're sitting in the library and

2480

02:12:22,830 --> 02:12:19,660

there is a power there is a majesty

2481

02:12:24,420 --> 02:12:22,840

there's a thing about a library because

2482

02:12:25,620 --> 02:12:24,430

you're looking around slightly it's it's

2483

02:12:33,660 --> 02:12:25,630

like the Internet

2484

02:12:36,450 --> 02:12:33,670

but for real yeah and we were watching

2485

02:12:38,640 --> 02:12:36,460

we were watching the kids run around and

2486

02:12:42,000 --> 02:12:38,650

grab books and go and sit at tables and

2487

02:12:45,630 --> 02:12:42,010

and there's just something about a

2488

02:12:48,750 --> 02:12:45,640

library that that I enjoy today that has

2489

02:12:51,660 --> 02:12:48,760

never gone away from me from the first

2490

02:12:53,730 --> 02:12:51,670

time I was I remember walking into a

2491

02:12:56,070 --> 02:12:53,740

library for the for like the first time

2492

02:13:02,390 --> 02:12:56,080

and you know and they lay this on you

2493

02:13:07,170 --> 02:13:02,400

you can check out any book you want but

2494

02:13:09,840 --> 02:13:07,180

really but you know and yeah yeah that's

2495

02:13:17,220 --> 02:13:09,850

why I always had the problem of going

2496

02:13:21,270 --> 02:13:17,230

and going oh I want this one yeah I know

2497

02:13:24,680 --> 02:13:21,280

usually mechanics I would go to cars

2498

02:13:27,170 --> 02:13:24,690

yeah what was the

2499

02:13:30,740 --> 02:13:27,180

the car the library card system the

2500

02:13:32,720 --> 02:13:30,750

Dewey Decimal System URI right and and I

2501

02:13:36,050 --> 02:13:32,730

would go and pull that thing open and go

2502

02:13:38,689 --> 02:13:36,060

straight to UFO as soon as I could spell

2503

02:13:41,150 --> 02:13:38,699

the UFO as soon as I could spell it I'm

2504

02:13:43,430 --> 02:13:41,160

talking about young right seven eight

2505

02:13:48,020 --> 02:13:43,440

years old that's what I did when I went

2506

02:13:54,650 --> 02:13:48,030

into a library hey Fran enjoy and have a

2507

02:13:59,300 --> 02:13:54,660

great fun safe meri quickness okay thank

2508

02:14:02,390 --> 02:13:59,310

you so much friend luggage absolutely

2509

02:14:07,189 --> 02:14:02,400

what a great show tonight Jason thank

2510

02:14:10,459 --> 02:14:07,199

you so much and now you get to go and

2511

02:14:13,130 --> 02:14:10,469

spend your time with your family and

2512

02:14:14,870 --> 02:14:13,140

friends and and kick off Christmas and

2513

02:14:16,970 --> 02:14:14,880

I've only got a minute left I've got

2514

02:14:17,450 --> 02:14:16,980

less than that what are you guys doing

2515

02:14:21,680 --> 02:14:17,460

tomorrow

2516

02:14:24,260 --> 02:14:21,690

or do you wait till Christmas Day we're

2517

02:14:26,990 --> 02:14:24,270

gonna open them tomorrow before we leave

2518

02:14:28,520 --> 02:14:27,000

to Monica's parents place for Christmas

2519

02:14:31,070 --> 02:14:28,530

Eve yeah there you go

2520

02:14:33,650 --> 02:14:31,080

well safe travels give our best to

2521

02:14:37,700 --> 02:14:33,660

Monica and you guys have a great quick

2522

02:14:39,310 --> 02:14:37,710

miss Eve tomorrow night and go spend it

2523

02:14:42,320 --> 02:14:39,320

with your family and have a great time

2524

02:14:44,540 --> 02:14:42,330

thank you again for having me on and it

2525

02:14:47,360 --> 02:14:44,550

was so much fun thank you so much Jason

2526

02:14:51,439 --> 02:14:47,370

behave and be well and Jason's website

2527

02:14:55,370 --> 02:14:51,449

is the crystal Sun calm and it's right

2528

02:14:57,620 --> 02:14:55,380

there at Jimmy Church radio.com and with

2529

02:15:00,890 --> 02:14:57,630

that I'm gonna leave you with one more

2530

02:15:04,610 --> 02:15:00,900

very special track here we go this has

2531

02:15:08,300 --> 02:15:04,620

been our Mary quickness especially vent

2532

02:15:11,270 --> 02:15:08,310

with Jason quit I want everybody to go

2533

02:15:13,970 --> 02:15:11,280

out and enjoy the next two days spend it

2534

02:15:14,890 --> 02:15:13,980

with family and friends I am your host

2535

02:15:16,360 --> 02:15:14,900

Jimmy church

2536

02:15:19,430 --> 02:15:16,370

[Music]

2537
