differences worldwide would vanish if we

10
00:00:41,380 --> 00:00:40,079

were facing an alien threat from outside

all of you and I would like to welcome

89

00:04:22,710 --> 00:04:18,670

back to faith black Linda Moulton Howe

90

00:04:26,220 --> 00:04:22,720

Linda Happy New Year happy New Year to

91

00:04:29,940 --> 00:04:26,230

you Jimmy and this is a year that seems

92

00:04:33,420 --> 00:04:29,950

to be blasting out with mysteries in

93

00:04:36,900 --> 00:04:33,430

some directions the sadness in Australia

94

00:04:38,910 --> 00:04:36,910

with the fires the terror of what was

95

00:04:42,240 --> 00:04:38,920

going to happen in the Middle East all

96

00:04:45,000 --> 00:04:42,250

coming together in a week a week and a

97

00:04:48,240 --> 00:04:45,010

half time period and I keep wondering if

98

00:04:51,090 --> 00:04:48,250

that is the sign that we're going to be

99

00:04:54,090 --> 00:04:51,100

in a twenty twenty year that will truly

100

00:04:56,640 --> 00:04:54,100

be revolutionary and will we get that

101
00:04:59,310 --> 00:04:56,650
headline that you and I and others have

102
00:05:01,020 --> 00:04:59,320
been impatiently waiting for which is

103
00:05:03,570 --> 00:05:01,030
the truth that we're not alone in this

104
00:05:07,260 --> 00:05:03,580
universe I hope it happens this year

105
00:05:09,930 --> 00:05:07,270
well if we spin it all back and and

106
00:05:12,600 --> 00:05:09,940
speaking to you like this it's such an

107
00:05:15,240 --> 00:05:12,610
honor for me to even to be able to ask

108
00:05:18,000 --> 00:05:15,250
this question but spinning all the way

109
00:05:20,640 --> 00:05:18,010
back to like before strange harvest

110
00:05:23,610 --> 00:05:20,650
right spin I mean going back all the way

111
00:05:28,170 --> 00:05:23,620
to today we are now firmly planted Linda

112
00:05:31,950 --> 00:05:28,180
in 2020 a lot has happened since but

113
00:05:33,600 --> 00:05:31,960

it's not quite enough is it do you think

114

00:05:34,350 --> 00:05:33,610

that we're finally closer than we've

115

00:05:39,510 --> 00:05:34,360

ever been

116

00:05:42,060 --> 00:05:39,520

yes absolutely and right now the whole

117

00:05:44,400 --> 00:05:42,070

year now it may have a tone that has

118

00:05:46,950 --> 00:05:44,410

been set off by the mystery drones in

119

00:05:50,940 --> 00:05:46,960

Colorado and Nebraska and I bring this

120

00:05:55,140 --> 00:05:50,950

up because it really truly is a strange

121

00:05:57,600 --> 00:05:55,150

mystery at earth files.com I have a part

122

00:06:01,680 --> 00:05:57,610

one and a part two on this have been

123

00:06:05,220 --> 00:06:01,690

doing a lot of work have a Alex Peterson

124

00:06:08,330 --> 00:06:05,230

he is an Angus razor in Haigler Nebraska

125

00:06:10,500 --> 00:06:08,340

and I had worked with him in the past on

126
00:06:13,110 --> 00:06:10,510
mutilations that were bloodless

127
00:06:16,620 --> 00:06:13,120
trackless and highly strange at his

128
00:06:19,680 --> 00:06:16,630
ranch way down in the sub south western

129
00:06:22,710 --> 00:06:19,690
corner where Nebraska and Colorado in

130
00:06:25,200 --> 00:06:22,720
Kansas meet that's where he is well he

131
00:06:29,040 --> 00:06:25,210
has been personally seeing

132
00:06:33,330 --> 00:06:29,050
and recording what he says it's got to

133
00:06:35,460 --> 00:06:33,340
be either drones or something that is on

134
00:06:38,820 --> 00:06:35,470
some kind of a pattern because it has

135
00:06:41,909 --> 00:06:38,830
been coming every night since I first

136
00:06:45,059 --> 00:06:41,919
talked to him about ten days ago he has

137
00:06:47,790 --> 00:06:45,069
been going out with his rifle scope

138
00:06:51,200 --> 00:06:47,800

which it works on thermal frequencies

139

00:06:54,420 --> 00:06:51,210

and he has been getting very unusual

140

00:06:57,689 --> 00:06:54,430

patterns and lights in the sky and I

141

00:07:01,110 --> 00:06:57,699

have a fascinating comparison that he

142

00:07:04,740 --> 00:07:01,120

did when I asked him I said can you take

143

00:07:08,070 --> 00:07:04,750

your rifle scope and if you all

144

00:07:10,680 --> 00:07:08,080

listening go to secret government task

145

00:07:14,640 --> 00:07:10,690

force about mystery drones in Colorado

146

00:07:18,300 --> 00:07:14,650

and Nebraska no explanations really to

147

00:07:20,939 --> 00:07:18,310

date and you scroll down you will come

148

00:07:24,600 --> 00:07:20,949

to a series that starts with a

149

00:07:29,520 --> 00:07:24,610

photograph of the Angus ranchers site

150

00:07:32,279 --> 00:07:29,530

mark and it is a rifle scope that he has

151
00:07:36,060 --> 00:07:32,289
been using mostly in four point five

152
00:07:38,730 --> 00:07:36,070
power trying nine power on some but I

153
00:07:42,659 --> 00:07:38,740
told him to be consistent and that we

154
00:07:44,909 --> 00:07:42,669
needed a baseline pointed at Venus and

155
00:07:48,089 --> 00:07:44,919
run that so that we could see what would

156
00:07:53,159 --> 00:07:48,099
happen on a known quantity and if you go

157
00:07:57,060 --> 00:07:53,169
down to his January 2nd 2020 thermal

158
00:08:04,439 --> 00:07:57,070
rifle scope there are three for

159
00:08:09,390 --> 00:08:04,449
comparison and in the last one the the

160
00:08:13,770 --> 00:08:09,400
object that he compared with Venus it is

161
00:08:18,510 --> 00:08:13,780
moving almost like vibrating and he had

162
00:08:23,810 --> 00:08:18,520
his scope on a on a tripod on the ground

163
00:08:27,270 --> 00:08:23,820

so it was well-established and then on

164

00:08:30,270 --> 00:08:27,280

January 7 five days later he did the

165

00:08:34,019 --> 00:08:30,280

same exact thing trying to make sure

166

00:08:37,319 --> 00:08:34,029

that everything was held down and when

167

00:08:38,790 --> 00:08:37,329

you look at these videos something

168

00:08:43,350 --> 00:08:38,800

really strange happened

169

00:08:46,979 --> 00:08:43,360

they the light the drone the whatever is

170

00:08:49,739 --> 00:08:46,989

in the sky that has been flashing and

171

00:08:54,509 --> 00:08:49,749

pulsing which is what most people have

172

00:08:58,109 --> 00:08:54,519

been seeing it does a swoop and turns in

173

00:09:00,989 --> 00:08:58,119

to three like triangle triangle

174

00:09:04,710 --> 00:09:00,999

positions of white lights totally

175

00:09:08,780 --> 00:09:04,720

unexpected and then as you look at his

176

00:09:11,970 --> 00:09:08,790

crosshair in the rifle scope you can see

177

00:09:14,369 --> 00:09:11,980

exactly how they ended up at the end of

178

00:09:17,009 --> 00:09:14,379

his video starting out as flashing

179

00:09:19,229 --> 00:09:17,019

lights that he thought were drone and he

180

00:09:22,710 --> 00:09:19,239

said what are we talking about here how

181

00:09:25,259 --> 00:09:22,720

how are they changing from one thing

182

00:09:28,889 --> 00:09:25,269

that is flashing to something that

183

00:09:32,340 --> 00:09:28,899

suddenly becomes three well he got that

184

00:09:36,600 --> 00:09:32,350

video sent it to me and on January 7th

185

00:09:39,720 --> 00:09:36,610

later that night his sister-in-law she

186

00:09:43,949 --> 00:09:39,730

saw a light moving in the sky she got

187

00:09:48,119 --> 00:09:43,959

her iPhone out and then the video that

188

00:09:50,129 --> 00:09:48,129

is here is to compare with Alex's it is

189

00:09:53,280 --> 00:09:50,139

the same kind of thing it's a flashing

190

00:09:57,269 --> 00:09:53,290

light and suddenly it does a swoop and

191

00:10:02,669 --> 00:09:57,279

it ends up with morphing into this like

192

00:10:06,720 --> 00:10:02,679

a three leaf clover and as you look at

193

00:10:09,480 --> 00:10:06,730

the floods of emails that I have been

194

00:10:12,179 --> 00:10:09,490

getting there was a very interesting one

195

00:10:15,780 --> 00:10:12,189

that came today through the help of the

196

00:10:19,889 --> 00:10:15,790

rancher and this is from a man who lives

197

00:10:24,449 --> 00:10:19,899

in the Nebraska and Colorado area

198

00:10:27,329 --> 00:10:24,459

he writes quote I first saw these things

199

00:10:29,280 --> 00:10:27,339

this past summer it was at around 11

200

00:10:32,549 --> 00:10:29,290

p.m. or midnight and they were flying

201
00:10:34,859 --> 00:10:32,559
all over the eastern Denver metro area

202
00:10:37,350 --> 00:10:34,869
they were in groups of seven and they

203
00:10:39,329 --> 00:10:37,360
would fly a strange pattern they would

204
00:10:42,389 --> 00:10:39,339
hover and then one would replace the

205
00:10:45,600 --> 00:10:42,399
next one and then that one would move on

206
00:10:49,079 --> 00:10:45,610
to the next one in a huge oval pattern

207
00:10:52,140 --> 00:10:49,089
I've seen them in over Aurora as well

208
00:10:55,620 --> 00:10:52,150
and now if this is

209
00:10:59,820 --> 00:10:55,630
correct this didn't start in

210
00:11:00,900 --> 00:10:59,830
mid-december and if it didn't start in

211
00:11:04,170 --> 00:11:00,910
mid-december

212
00:11:06,300 --> 00:11:04,180
what happened that suddenly we started

213
00:11:10,140 --> 00:11:06,310

getting headlines coming out of the

214

00:11:14,040 --> 00:11:10,150

Denver Post and other media about the

215

00:11:17,030 --> 00:11:14,050

appearance and the Facebook that began

216

00:11:20,430 --> 00:11:17,040

to be having to do the Colorado Nebraska

217

00:11:23,130 --> 00:11:20,440

chasing drones it opened up and there

218

00:11:25,230 --> 00:11:23,140

started to be an increasing flood of

219

00:11:28,579 --> 00:11:25,240

people posting their own sightings their

220

00:11:34,769 --> 00:11:28,589

own photographs their own videos and

221

00:11:39,180 --> 00:11:34,779

adding to this is the mystery of all of

222

00:11:42,810 --> 00:11:39,190

what's been being reported is generally

223

00:11:47,430 --> 00:11:42,820

flying at night sometimes people are

224

00:11:50,550 --> 00:11:47,440

seeing swarms of lights some up to 20 or

225

00:11:54,150 --> 00:11:50,560

30 there is a photograph that I have at

226

00:11:58,920 --> 00:11:54,160

earth files that came with a US Air

227

00:12:02,790 --> 00:11:58,930

Force photo like this is who took this

228

00:12:05,130 --> 00:12:02,800

photo right so that the drones are

229

00:12:07,260 --> 00:12:05,140

flying at night they sometimes fly in

230

00:12:09,630 --> 00:12:07,270

these coordinated swarms that that US

231

00:12:12,930 --> 00:12:09,640

Air Force photo shows they fly

232

00:12:16,170 --> 00:12:12,940

significant distances Alex

233

00:12:18,690 --> 00:12:16,180

himself he said in the one video that is

234

00:12:23,460 --> 00:12:18,700

at Earth files and you can hear he said

235

00:12:28,910 --> 00:12:23,470

I had that scope my rifle scope on one

236

00:12:32,310 --> 00:12:28,920

of these lights for two solid hours well

237

00:12:35,040 --> 00:12:32,320

if the drones are as big as people have

238

00:12:38,130 --> 00:12:35,050

said and some of them they have been

239

00:12:41,190 --> 00:12:38,140

compared to an eight-sided stop sign one

240

00:12:44,519 --> 00:12:41,200

of the big octa copters right they they

241

00:12:47,850 --> 00:12:44,529

can only stay in the air for a charge of

242

00:12:51,120 --> 00:12:47,860

about 19 minutes then they have to come

243

00:12:56,699 --> 00:12:51,130

down and be recharged so what in the

244

00:12:59,040 --> 00:12:56,709

world is to a smart angus rancher who

245

00:13:01,260 --> 00:12:59,050

says I have seen one of these things

246

00:13:03,810 --> 00:13:01,270

through my scope it looked like an

247

00:13:05,940 --> 00:13:03,820

eight-sided stop sign I think it was one

248

00:13:09,540 --> 00:13:05,950

of those big octa copters

249

00:13:11,069 --> 00:13:09,550

but Linda is stayed up for two hours how

250

00:13:16,290 --> 00:13:11,079

is that possible

251
00:13:19,560 --> 00:13:16,300
why what is this aerial thing well then

252
00:13:21,660 --> 00:13:19,570
you get to if you're flying a drone at

253
00:13:27,629 --> 00:13:21,670
night whether it's a big eight or

254
00:13:30,540 --> 00:13:27,639
something else by law for the FAA they

255
00:13:33,540 --> 00:13:30,550
have two sets of records for commercial

256
00:13:36,870 --> 00:13:33,550
drone fliers and one of them is called

257
00:13:39,509 --> 00:13:36,880
part 107 and that is the one that is the

258
00:13:42,800 --> 00:13:39,519
most common and if you're going to do

259
00:13:45,960 --> 00:13:42,810
any of those categories of night flying

260
00:13:49,170 --> 00:13:45,970
coordinating with other drones let's say

261
00:13:53,699 --> 00:13:49,180
in a swarm or going long distances you

262
00:13:57,240 --> 00:13:53,709
have to get waivers on your part 107 if

263
00:13:58,769 --> 00:13:57,250

you are checking in with the FAA which

264

00:14:01,110 --> 00:13:58,779

is what you're supposed to do

265

00:14:04,500 --> 00:14:01,120

well aren't you let me let me jump in

266

00:14:08,430 --> 00:14:04,510

that's a really good point you have to

267

00:14:11,880 --> 00:14:08,440

get certified by the FAA and and that's

268

00:14:14,689 --> 00:14:11,890

it and there is software that is

269

00:14:18,389 --> 00:14:14,699

embedded and until you get certified

270

00:14:22,259 --> 00:14:18,399

those drones don't even fly so they have

271

00:14:25,920 --> 00:14:22,269

the records right and and and to

272

00:14:28,380 --> 00:14:25,930

circumvent this how how would they get

273

00:14:31,620 --> 00:14:28,390

around the FAA s regulations it seems

274

00:14:35,160 --> 00:14:31,630

like the FAA would know that there are

275

00:14:37,949 --> 00:14:35,170

swarms of drones flying in patterns and

276

00:14:40,470 --> 00:14:37,959

everybody's in denial I I don't get that

277

00:14:44,310 --> 00:14:40,480

part that's the whole reason is certify

278

00:14:47,970 --> 00:14:44,320

everybody so this doesn't pass weekend

279

00:14:50,280 --> 00:14:47,980

Jeff wise who works for the war zone he

280

00:14:52,620 --> 00:14:50,290

did an excellent article who is behind

281

00:14:57,870 --> 00:14:52,630

the mystery drone swarms and he was

282

00:15:02,160 --> 00:14:57,880

looking at this FAA permission and he

283

00:15:04,079 --> 00:15:02,170

says that the FAA which I also am very

284

00:15:07,050 --> 00:15:04,089

aware because I've tried to get some

285

00:15:09,990 --> 00:15:07,060

comments the FAA is being silent

286

00:15:13,290 --> 00:15:10,000

homeland security is being silent I

287

00:15:16,259 --> 00:15:13,300

thought that they probably one of the

288

00:15:19,650 --> 00:15:16,269

best comments that has come from anybody

289

00:15:22,470 --> 00:15:19,660

in authority was last Monday a week

290

00:15:25,200 --> 00:15:22,480

go when they had the meeting they met

291

00:15:27,600 --> 00:15:25,210

the FBI and Homeland Security and FAA

292

00:15:30,990 --> 00:15:27,610

and sheriffs and law enforcement and

293

00:15:33,930 --> 00:15:31,000

they all met in brush Colorado and the

294

00:15:36,630 --> 00:15:33,940

idea was that they were supposed to come

295

00:15:41,250 --> 00:15:36,640

up with a task force to try to get on

296

00:15:45,480 --> 00:15:41,260

top of what is happening and one of the

297

00:15:47,310 --> 00:15:45,490

quotes that came before the meeting was

298

00:15:49,470 --> 00:15:47,320

from Captain Michael yellow at the

299

00:15:53,690 --> 00:15:49,480

Lincoln County Sheriff's Office left in

300

00:15:57,090 --> 00:15:53,700

Hugo and he said quote we are

301
00:15:58,980 --> 00:15:57,100
desperately trying to figure out what is

302
00:16:00,810 --> 00:15:58,990
going on close quote

303
00:16:03,480 --> 00:16:00,820
I thought that was the most honest

304
00:16:06,060 --> 00:16:03,490
heartfelt statement coming from somebody

305
00:16:09,450 --> 00:16:06,070
who is in authority from all the people

306
00:16:11,730 --> 00:16:09,460
who are asking for answers and the fact

307
00:16:13,620 --> 00:16:11,740
that they said that they didn't want the

308
00:16:17,130 --> 00:16:13,630
public and they really didn't want the

309
00:16:19,590 --> 00:16:17,140
media at the January 6 meeting said a

310
00:16:22,890 --> 00:16:19,600
lot about the fact that they don't know

311
00:16:25,410 --> 00:16:22,900
what is going on and after that meeting

312
00:16:27,090 --> 00:16:25,420
something else really strange happened

313
00:16:30,780 --> 00:16:27,100

what happened there were there were

314

00:16:32,880 --> 00:16:30,790

announcements that said that local law

315

00:16:36,570 --> 00:16:32,890

enforcement agencies and the feds

316

00:16:39,510 --> 00:16:36,580

Homeland Security the FBI the FAA were

317

00:16:44,160 --> 00:16:39,520

creating a task force to unravel this

318

00:16:45,930 --> 00:16:44,170

Colorado drone mystery and afterward the

319

00:16:48,870 --> 00:16:45,940

Phillips County Sheriff's Office in

320

00:16:52,380 --> 00:16:48,880

Holyoke in Colorado they posted a

321

00:16:54,990 --> 00:16:52,390

statement on Facebook that said that

322

00:16:55,670 --> 00:16:55,000

they were looking for help from the

323

00:16:59,220 --> 00:16:55,680

public

324

00:17:01,560 --> 00:16:59,230

specifically and in fact I have what

325

00:17:04,740 --> 00:17:01,570

they put out on Facebook right in front

326

00:17:06,840 --> 00:17:04,750

of me and they said that they were

327

00:17:10,320 --> 00:17:06,850

hoping that they could get help from the

328

00:17:13,320 --> 00:17:10,330

public or any direction to have this

329

00:17:18,090 --> 00:17:13,330

task force that has been organized to

330

00:17:19,740 --> 00:17:18,100

look for the command vehicle this is

331

00:17:22,980 --> 00:17:19,750

rough from their facebook meaning the

332

00:17:25,740 --> 00:17:22,990

command vehicle in control of all these

333

00:17:30,660 --> 00:17:25,750

mystery drones and that we are looking

334

00:17:33,180 --> 00:17:30,670

for a closed box trailer with antennas

335

00:17:36,420 --> 00:17:33,190

or a large van

336

00:17:38,790 --> 00:17:36,430

does not belong in the area if you see

337

00:17:41,250 --> 00:17:38,800

anything that resembles this description

338

00:17:42,870 --> 00:17:41,260

please call the Phillips County

339

00:17:47,700 --> 00:17:42,880

Sheriff's Office and they gave a phone

340

00:17:51,120 --> 00:17:47,710

number now it was only two days later

341

00:17:54,900 --> 00:17:51,130

and here is the Phillips County Sheriff's

342

00:17:57,000 --> 00:17:54,910

Office they put this out on Facebook the

343

00:17:59,100 --> 00:17:57,010

information that the Phillips County

344

00:18:01,170 --> 00:17:59,110

Sheriff's Office previously posted

345

00:18:04,350 --> 00:18:01,180

requesting the public's assistance in

346

00:18:06,890 --> 00:18:04,360

locating command vehicles associated

347

00:18:11,010 --> 00:18:06,900

with the drone issue is no longer

348

00:18:13,590 --> 00:18:11,020

pertinent or relevant the Phillips

349

00:18:16,520 --> 00:18:13,600

County Sheriff's Office is not the task

350

00:18:20,490 --> 00:18:16,530

force and our jurisdiction does not

351
00:18:23,550 --> 00:18:20,500
extend past Phillips County Colorado we

352
00:18:25,800 --> 00:18:23,560
will no longer be making any statements

353
00:18:29,070 --> 00:18:25,810
or press releases about the drone

354
00:18:33,240 --> 00:18:29,080
incident what is the world happened

355
00:18:36,090 --> 00:18:33,250
between January 6 when the headlines

356
00:18:38,280 --> 00:18:36,100
went out were covered by CNN even about

357
00:18:41,820 --> 00:18:38,290
the fact that this task force was

358
00:18:44,580 --> 00:18:41,830
looking for a command vehicle and two

359
00:18:47,400 --> 00:18:44,590
days later on January 8th the Denver

360
00:18:50,010 --> 00:18:47,410
Post and all of the media carried that

361
00:18:52,440 --> 00:18:50,020
Phillips was going public and saying

362
00:18:56,850 --> 00:18:52,450
that they were no longer looking for

363
00:19:00,000 --> 00:18:56,860

this what happened and who in the silent

364

00:19:04,170 --> 00:19:00,010

FAA and the silent homeland security

365

00:19:06,690 --> 00:19:04,180

offices what do they know why are we not

366

00:19:09,680 --> 00:19:06,700

in this time of national security

367

00:19:15,270 --> 00:19:09,690

concerns heightened by the middle east

368

00:19:19,320 --> 00:19:15,280

why is no one officially talking about

369

00:19:23,280 --> 00:19:19,330

the fact that in two states in hundreds

370

00:19:26,580 --> 00:19:23,290

of eyewitness reports covering south

371

00:19:31,410 --> 00:19:26,590

eastern colorado to north western

372

00:19:32,940 --> 00:19:31,420

nebraska why is nobody going on the

373

00:19:35,010 --> 00:19:32,950

record it seemed like the Phillips

374

00:19:37,320 --> 00:19:35,020

County Sheriff's Office that they were

375

00:19:40,560 --> 00:19:37,330

trying to do the right thing what

376

00:19:43,050 --> 00:19:40,570

interfered and Jimmie based on the

377

00:19:46,980 --> 00:19:43,060

emails that I have been receiving today

378

00:19:49,919 --> 00:19:46,990

from the two parts that I posted and did

379

00:19:54,210 --> 00:19:49,929

a special drone report on Wednesday

380

00:19:58,440 --> 00:19:54,220

January 8 people are saying that they

381

00:20:03,780 --> 00:19:58,450

are still seeing all kinds of activity

382

00:20:08,310 --> 00:20:03,790

in the sky the rancher Alex Peterson he

383

00:20:10,860 --> 00:20:08,320

has sent me tonight fresh videos that

384

00:20:13,230 --> 00:20:10,870

people are contacting him because he was

385

00:20:17,310 --> 00:20:13,240

on my show and people know he's out

386

00:20:21,210 --> 00:20:17,320

looking so what in the world do you

387

00:20:26,100 --> 00:20:21,220

think if you go to speculations about

388

00:20:29,190 --> 00:20:26,110

military activities there was one sorry

389

00:20:33,600 --> 00:20:29,200

one email that I received today from

390

00:20:38,760 --> 00:20:33,610

Alex Peterson who said people around me

391

00:20:42,690 --> 00:20:38,770

are posting that in the Sydney sorry in

392

00:20:46,500 --> 00:20:42,700

the Sydney and potter' area of Colorado

393

00:20:49,230 --> 00:20:46,510

which if you go up to sterling and then

394

00:20:51,570 --> 00:20:49,240

you go north a little northeast you come

395

00:20:53,790 --> 00:20:51,580

to Sydney and putter in that area and

396

00:20:57,480 --> 00:20:53,800

this is the quote they are seeing

397

00:20:59,880 --> 00:20:57,490

massive amounts of military activity do

398

00:21:02,910 --> 00:20:59,890

you think that they are moving something

399

00:21:06,060 --> 00:21:02,920

for some reason well so I put this out

400

00:21:08,460 --> 00:21:06,070

to you and your audience if there's

401
00:21:12,480 --> 00:21:08,470
anybody listening who lives in the

402
00:21:16,220 --> 00:21:12,490
Sterling Sidney and Potter region is

403
00:21:21,000 --> 00:21:16,230
there any quote unquote massive military

404
00:21:25,799 --> 00:21:21,010
activity what could be being hidden that

405
00:21:28,320 --> 00:21:25,809
seems to be big and coordinated behind

406
00:21:31,140 --> 00:21:28,330
all these individual sightings and

407
00:21:33,810 --> 00:21:31,150
headlines Jimmy it has the sense that

408
00:21:37,010 --> 00:21:33,820
there is something huge that is

409
00:21:41,549 --> 00:21:37,020
happening and that it's being deflected

410
00:21:45,540 --> 00:21:41,559
totally deflected by things that are not

411
00:21:48,000 --> 00:21:45,550
are not what is happening it's we're

412
00:21:50,910 --> 00:21:48,010
being deflected by what seems to be

413
00:21:54,990 --> 00:21:50,920

being hidden and I don't know what that

414

00:21:56,970 --> 00:21:55,000

means now is there okay I've got I've

415

00:21:58,750 --> 00:21:56,980

got a hundred questions let's get to a

416

00:22:00,880 --> 00:21:58,760

couple of basic ones

417

00:22:05,710 --> 00:22:00,890

this part of the country and certainly

418

00:22:07,000 --> 00:22:05,720

this area of Nebraska and Wyoming and

419

00:22:09,039 --> 00:22:07,010

Colorado

420

00:22:12,520 --> 00:22:09,049

you know from Fort Collins up to Sydney

421

00:22:15,490 --> 00:22:12,530

and over you know Stapleton that whole

422

00:22:19,020 --> 00:22:15,500

area it's covered with Minutemen missile

423

00:22:22,870 --> 00:22:19,030

silos right and is that is that what I

424

00:22:26,680 --> 00:22:22,880

understand once upon a time it was more

425

00:22:30,850 --> 00:22:26,690

that I try to straighten this out in my

426

00:22:34,380 --> 00:22:30,860

earthfiles I have a map in part two it

427

00:22:38,710 --> 00:22:34,390

is the current map of some four hundred

428

00:22:40,840 --> 00:22:38,720

LGM 30-minute man freeze these are

429

00:22:44,230 --> 00:22:40,850

American nuclear missiles and they are

430

00:22:47,230 --> 00:22:44,240

distributed this big map shows that they

431

00:22:48,909 --> 00:22:47,240

are in underground silos at Francis II

432

00:22:52,630 --> 00:22:48,919

Warren Air Force Base in Cheyenne

433

00:22:55,590 --> 00:22:52,640

Wyoming they are at Malmstrom Air Force

434

00:22:58,480 --> 00:22:55,600

Base in Great Falls Montana and Minot

435

00:23:03,280 --> 00:22:58,490

Air Force Base in Minot North Dakota

436

00:23:06,850 --> 00:23:03,290

right where they used to be in many

437

00:23:10,120 --> 00:23:06,860

other areas sometimes not even known to

438

00:23:12,640 --> 00:23:10,130

the public they were they were much more

439

00:23:15,730 --> 00:23:12,650

widespread once upon a time and they

440

00:23:17,169 --> 00:23:15,740

were there were some in the Sterling

441

00:23:20,470 --> 00:23:17,179

Colorado region

442

00:23:24,070 --> 00:23:20,480

my understanding is today unless we're

443

00:23:27,010 --> 00:23:24,080

being lied to on that as well that they

444

00:23:30,400 --> 00:23:27,020

don't exist anymore but the question

445

00:23:33,159 --> 00:23:30,410

came up that some of the first drone

446

00:23:36,909 --> 00:23:33,169

sightings in mid-december seemed to be

447

00:23:39,430 --> 00:23:36,919

in the Sterling area and that Washington

448

00:23:41,409 --> 00:23:39,440

and Yuma counties in Colorado those

449

00:23:44,710 --> 00:23:41,419

sheriff's were the first ones dealing

450

00:23:47,230 --> 00:23:44,720

with the drone reports and that's when

451
00:23:50,890 --> 00:23:47,240
people said well maybe it has something

452
00:23:54,610 --> 00:23:50,900
to do with the old patterns of where the

453
00:23:57,930 --> 00:23:54,620
missile silos were but I think myself

454
00:24:01,000 --> 00:23:57,940
I'm not I'm not certain that that is

455
00:24:02,980 --> 00:24:01,010
logical given the fact that the

456
00:24:07,659 --> 00:24:02,990
concentration of the missiles are only

457
00:24:11,940 --> 00:24:07,669
in a triangular pattern between north

458
00:24:15,870 --> 00:24:11,950
eastern Colorado up to the western

459
00:24:18,930 --> 00:24:15,880
of Montana and up to the western side of

460
00:24:22,289 --> 00:24:18,940
North Dakota and we're talking about the

461
00:24:25,080 --> 00:24:22,299
drone activity moved from Yuma and

462
00:24:28,259 --> 00:24:25,090
Washington counties in Colorado moving

463
00:24:31,830 --> 00:24:28,269

easterly from the middle of December and

464

00:24:34,799 --> 00:24:31,840

ever since state New Year's it has

465

00:24:38,220 --> 00:24:34,809

seemingly been more and more in Nebraska

466

00:24:40,529 --> 00:24:38,230

now some people have said is it going to

467

00:24:42,539 --> 00:24:40,539

go out of the borders of Nebraska well

468

00:24:46,289 --> 00:24:42,549

this morning I got an email from

469

00:24:49,169 --> 00:24:46,299

somebody in Connecticut and they said I

470

00:24:51,120 --> 00:24:49,179

watched your show I've been looking at

471

00:24:53,430 --> 00:24:51,130

your earth files I'm looking at the

472

00:24:56,970 --> 00:24:53,440

photographs I'm looking at the videos

473

00:25:00,000 --> 00:24:56,980

and Linda I think that's what we've been

474

00:25:03,240 --> 00:25:00,010

seeing over Hartford Connecticut

475

00:25:06,570 --> 00:25:03,250

this past summer and suddenly a tow and

476

00:25:10,259 --> 00:25:06,580

they said in the email but you know it's

477

00:25:13,049 --> 00:25:10,269

not easy to call up anybody and say are

478

00:25:15,960 --> 00:25:13,059

you seeing lights above your house and

479

00:25:18,269 --> 00:25:15,970

that hit me for the first time that a

480

00:25:21,240 --> 00:25:18,279

lot of things could be going on and

481

00:25:24,090 --> 00:25:21,250

people do not want to be criticized they

482

00:25:27,419 --> 00:25:24,100

don't want to hear sarcasm about looking

483

00:25:31,830 --> 00:25:27,429

for lights in the sky so maybe something

484

00:25:34,320 --> 00:25:31,840

else this is a bigger G in terms of

485

00:25:37,080 --> 00:25:34,330

geophysical geographic area maybe it's

486

00:25:40,379 --> 00:25:37,090

been going on since the summer of 2019

487

00:25:44,330 --> 00:25:40,389

in different places and that the whole

488

00:25:48,960 --> 00:25:44,340

big reason for whatever is happening is

489

00:25:52,740 --> 00:25:48,970

being deflected by the headlines having

490

00:25:55,350 --> 00:25:52,750

to do with drones drone operations

491

00:25:59,310 --> 00:25:55,360

drones that people would be flying

492

00:26:03,659 --> 00:25:59,320

legally or illegally but here is another

493

00:26:06,389 --> 00:26:03,669

period on that question they a lot of

494

00:26:11,399 --> 00:26:06,399

people were saying having to do with Fe

495

00:26:15,299 --> 00:26:11,409

warn that maybe they are responsible for

496

00:26:17,460 --> 00:26:15,309

putting out secret drones because of

497

00:26:20,009 --> 00:26:17,470

national security reasons and they don't

498

00:26:23,519 --> 00:26:20,019

want anybody to know it's military well

499

00:26:24,760 --> 00:26:23,529

the war zone took that at the warren and

500

00:26:27,520 --> 00:26:24,770

they got a real

501
00:26:31,330 --> 00:26:27,530
we strong denial saying we have nothing

502
00:26:35,830 --> 00:26:31,340
to do with this light activity and you

503
00:26:38,350 --> 00:26:35,840
add all this up and this is like one of

504
00:26:42,550 --> 00:26:38,360
those events that everybody thought was

505
00:26:46,210 --> 00:26:42,560
going to be solved each day and now it's

506
00:26:49,900 --> 00:26:46,220
coming up to a month and I don't see any

507
00:26:53,770 --> 00:26:49,910
answers this could be something much

508
00:26:55,030 --> 00:26:53,780
bigger than just drones lights and

509
00:26:58,750 --> 00:26:55,040
something in the sky

510
00:26:59,980 --> 00:26:58,760
I heard reports right before Showtime I

511
00:27:03,190 --> 00:26:59,990
didn't get a chance to mention this to

512
00:27:07,320 --> 00:27:03,200
you but I've heard about reports now

513
00:27:11,440 --> 00:27:07,330

coming in as far east as South Carolina

514

00:27:13,720 --> 00:27:11,450

well see that would fit in to Hartford

515

00:27:17,200 --> 00:27:13,730

Connecticut be right along the east

516

00:27:19,240 --> 00:27:17,210

coast very interesting now how long I

517

00:27:22,900 --> 00:27:19,250

want to continue this conversation after

518

00:27:26,080 --> 00:27:22,910

the break but how long is it going to be

519

00:27:27,970 --> 00:27:26,090

Linda before these ranchers start to

520

00:27:29,770 --> 00:27:27,980

take this matter into their own hands

521

00:27:32,400 --> 00:27:29,780

and start plucking these things out of

522

00:27:37,540 --> 00:27:32,410

the sky they've all got guns well I

523

00:27:42,040 --> 00:27:37,550

asked Alex Peterson who is a very smart

524

00:27:45,520 --> 00:27:42,050

very very successful angus rancher in

525

00:27:47,680 --> 00:27:45,530

Haigler I said what is the tone what is

526

00:27:51,220 --> 00:27:47,690

the feeling among your fellow ranchers

527

00:27:55,510 --> 00:27:51,230

about this and here is his answer he

528

00:27:57,850 --> 00:27:55,520

said everybody is afraid of anybody

529

00:28:01,480 --> 00:27:57,860

trying to shoot down one of these drones

530

00:28:05,710 --> 00:28:01,490

because that is a you'll end up in jail

531

00:28:08,740 --> 00:28:05,720

and that that that is one thing that the

532

00:28:11,350 --> 00:28:08,750

FAA has tried to make clear if they

533

00:28:14,590 --> 00:28:11,360

don't have answers for what's in the sky

534

00:28:17,410 --> 00:28:14,600

they have made it very clear anybody who

535

00:28:22,240 --> 00:28:17,420

tries to shoot down anything and then it

536

00:28:27,490 --> 00:28:22,250

lands they will be jailed private

537

00:28:29,470 --> 00:28:27,500

property well that the rule is if you

538

00:28:31,210 --> 00:28:29,480

shoot down a drone you're gonna go to

539

00:28:34,780 --> 00:28:31,220

jail and then you're going to be in

540

00:28:36,610 --> 00:28:34,790

court so I would not advise anybody and

541

00:28:38,590 --> 00:28:36,620

I know that the ranchers are saying that

542

00:28:42,430 --> 00:28:38,600

to each other do not try to

543

00:28:46,240 --> 00:28:42,440

shoot down one of these and and then on

544

00:28:49,150 --> 00:28:46,250

the flipside is even if the ranchers and

545

00:28:52,590 --> 00:28:49,160

residents are talking logically don't

546

00:28:56,860 --> 00:28:52,600

try to shoot down one of these things

547

00:29:00,880 --> 00:28:56,870

why is it that we are getting so much

548

00:29:04,330 --> 00:29:00,890

silence from everybody from the

549

00:29:07,810 --> 00:29:04,340

sheriff's offices to the FAA to homeland

550

00:29:11,580 --> 00:29:07,820

security to the FBI why are we really

551
00:29:15,850 --> 00:29:11,590
getting nothing but silence and that one

552
00:29:19,450 --> 00:29:15,860
captains we are desperately trying to

553
00:29:22,960 --> 00:29:19,460
find answers yeah and and that and that

554
00:29:27,549 --> 00:29:22,970
Facebook post by the way to say it to

555
00:29:29,380 --> 00:29:27,559
follow it up with thank you right you

556
00:29:33,279 --> 00:29:29,390
look at that policies are wait a minute

557
00:29:35,710 --> 00:29:33,289
that the public is wondering what is

558
00:29:40,890 --> 00:29:35,720
going on you are on our side now you're

559
00:29:44,680 --> 00:29:40,900
backing out and saying thank you why

560
00:29:47,380 --> 00:29:44,690
what what happened what a story that

561
00:29:51,640 --> 00:29:47,390
would be that the Phillips Sheriff's

562
00:29:54,730 --> 00:29:51,650
Office in just 48 hours rescinded turned

563
00:29:57,640 --> 00:29:54,740

everything around what in the world is

564

00:30:00,789 --> 00:29:57,650

going on behind the scenes that none of

565

00:30:03,730 --> 00:30:00,799

us know anything about and and the

566

00:30:06,730 --> 00:30:03,740

public of all of the people they should

567

00:30:09,340 --> 00:30:06,740

be told straightforwardly if there is

568

00:30:11,710 --> 00:30:09,350

some kind of concern and they are

569

00:30:14,020 --> 00:30:11,720

looking for something they're looking

570

00:30:16,870 --> 00:30:14,030

for a missing nuke they're looking for

571

00:30:19,450 --> 00:30:16,880

some something that has fallen out of an

572

00:30:22,960 --> 00:30:19,460

airplane the best thing they could ever

573

00:30:26,529 --> 00:30:22,970

have done a month ago is just tell this

574

00:30:30,370 --> 00:30:26,539

is what it is you're going to see these

575

00:30:32,560 --> 00:30:30,380

grid lines were searching and whatever

576
00:30:34,600 --> 00:30:32,570
they would need to say about whether or

577
00:30:38,289 --> 00:30:34,610
not they thought that it was explosive

578
00:30:41,980 --> 00:30:38,299
or it was inert but to have all of this

579
00:30:45,460 --> 00:30:41,990
silence and leaving only the people who

580
00:30:48,100 --> 00:30:45,470
are seeing the objects in the sky and

581
00:30:52,029 --> 00:30:48,110
all of these strange contradictory

582
00:30:54,279 --> 00:30:52,039
reports one of which silence

583
00:30:57,009 --> 00:30:54,289
how many people I have now interviewed

584
00:31:00,310 --> 00:30:57,019
who said they thought that one of these

585
00:31:04,180 --> 00:31:00,320
lighted drones was 400 they estimate 400

586
00:31:09,369 --> 00:31:04,190
feet above their place and they can't

587
00:31:14,019 --> 00:31:09,379
hear anything now I do think it is fair

588
00:31:17,710 --> 00:31:14,029

to say that for most people with normal

589

00:31:20,859 --> 00:31:17,720

hearing standing in their yard if there

590

00:31:25,149 --> 00:31:20,869

were a eight sided drone an octocopter

591

00:31:28,029 --> 00:31:25,159

or even a smaller drone 400 feet above I

592

00:31:28,539 --> 00:31:28,039

think anybody with normal hearing wait

593

00:31:31,359 --> 00:31:28,549

here

594

00:31:32,889 --> 00:31:31,369

oh it's loud it's loud Linda I got a

613
00:32:32,930 --> 00:32:30,690

Expo com

614

00:32:34,250 --> 00:32:32,940

Linda Moulton Howe is going to be there

you excited we're going to be breaking

616

00:32:38,960 --> 00:32:35,970

bread land in three weeks here in Los

617

00:32:41,000 --> 00:32:38,970

Angeles right oh I always love conscious

618

00:32:45,020 --> 00:32:41,010

life Expo it's one of the most fun

619

00:32:47,630 --> 00:32:45,030

conferences it's you know it my trip

620

00:32:50,030 --> 00:32:47,640

that I enjoy so much about that when you

621

00:32:53,000 --> 00:32:50,040

pull up the second you walk into the

622

00:32:54,950 --> 00:32:53,010

hilton the electricity just flies right

623

00:32:58,460 --> 00:32:54,960

up your leg it's nothing but good vibes

624

00:33:00,490 --> 00:32:58,470

yeah yeah people come running and you

625

00:33:03,500 --> 00:33:00,500

are in great conversations

626

00:33:07,010 --> 00:33:03,510

instantly and because it's vertical in

627

00:33:09,650 --> 00:33:07,020

the LAX Hilton Hotel meaning you're

628

00:33:12,050 --> 00:33:09,660

staying up but you're meeting everybody

629

00:33:14,000 --> 00:33:12,060

down on the floors for the conference

630

00:33:17,780 --> 00:33:14,010

and having dinner and everything and it

631

00:33:19,700 --> 00:33:17,790

just is compressed fun it is it is and

632

00:33:21,950 --> 00:33:19,710

we really look forward to seeing you

633

00:33:26,390 --> 00:33:21,960

once again and of course you're going to

634

00:33:28,760 --> 00:33:26,400

be once again helping me out with the

635

00:33:31,160 --> 00:33:28,770

ancient secrets panel this year and it's

636

00:33:35,450 --> 00:33:31,170

a great way to kick off everything on

637

00:33:38,300 --> 00:33:35,460

Friday night cool cool and I think that

638

00:33:40,850 --> 00:33:38,310

more and more people are beginning to

639

00:33:44,540 --> 00:33:40,860

realize no matter what governments do or

640

00:33:47,720 --> 00:33:44,550

do not say is that the ancient history

641

00:33:50,810 --> 00:33:47,730

of the Middle East has to do with

642

00:33:53,690 --> 00:33:50,820

full-blood extraterrestrials and it's

643

00:33:57,170 --> 00:33:53,700

becoming more and more a subject that

644

00:34:00,460 --> 00:33:57,180

once upon a time people would fear from

645

00:34:03,830 --> 00:34:00,470

and now I think the Anunnaki and the

646

00:34:05,870 --> 00:34:03,840

Sumerians and that entire swath the

647

00:34:08,720 --> 00:34:05,880

zecharia sitchin used to be one of the

648

00:34:12,200 --> 00:34:08,730

few on the planet addressing hundreds

649

00:34:14,600 --> 00:34:12,210

hundreds of magazine articles and books

650

00:34:20,210 --> 00:34:14,610

are beginning to come out and I think it

651
00:34:25,369 --> 00:34:20,220
means ancient aliens our dear friend von

652
00:34:26,750 --> 00:34:25,379
Daniken he was the path breaker making

653
00:34:29,260 --> 00:34:26,760
people look at the

654
00:34:31,790 --> 00:34:29,270
the Chariots of the Gods were other

655
00:34:36,530 --> 00:34:31,800
intelligences working on this planet

656
00:34:39,530 --> 00:34:36,540
when humans were just an evolutionary

657
00:34:43,639 --> 00:34:39,540
species and that's what makes ancient

658
00:34:46,280 --> 00:34:43,649
aliens so exciting it is the truth we

659
00:34:51,169 --> 00:34:46,290
just need to get the whole world up on

660
00:34:53,450 --> 00:34:51,179
that same concept Rita and I this is a

661
00:34:58,190 --> 00:34:53,460
couple of months ago we went back and

662
00:35:01,910 --> 00:34:58,200
watched Chariots of the Gods and I'm

663
00:35:05,300 --> 00:35:01,920

sitting there thinking to myself as old

664

00:35:07,580 --> 00:35:05,310

as that is right 40 years ago right 45

665

00:35:10,160 --> 00:35:07,590

years ago and I'm watching it and I'm

666

00:35:16,970 --> 00:35:10,170

thinking to myself this is as relevant

667

00:35:19,960 --> 00:35:16,980

today as anything out there oh I mean

668

00:35:23,270 --> 00:35:19,970

watch it today watch it today its impact

669

00:35:27,740 --> 00:35:23,280

yeah Jimmy is like the future caught up

670

00:35:29,810 --> 00:35:27,750

with the pack with so much fun watching

671

00:35:32,780 --> 00:35:29,820

it and you know I thought I was just

672

00:35:35,480 --> 00:35:32,790

gonna go okay you know let's get but it

673

00:35:38,750 --> 00:35:35,490

was just one thing after another and

674

00:35:40,220 --> 00:35:38,760

it's a fresh reminder of how

675

00:35:42,860 --> 00:35:40,230

forward-thinking

676

00:35:44,540 --> 00:35:42,870

Eric was in not only writing the book

677

00:35:49,220 --> 00:35:44,550

but putting that documentary together

678

00:35:51,350 --> 00:35:49,230

and the kind of legs that is has had it

679

00:35:54,500 --> 00:35:51,360

is a tremendous film tremendous

680

00:35:56,960 --> 00:35:54,510

tremendously groundbreaking yes he was

681

00:36:00,170 --> 00:35:56,970

ahead of his time and that's what I mean

682

00:36:02,240 --> 00:36:00,180

the future caught up with the past and

683

00:36:07,010 --> 00:36:02,250

he will go down in history

684

00:36:08,840 --> 00:36:07,020

the groundbreaker on the big truth that

685

00:36:11,630 --> 00:36:08,850

this is a planet in which other

686

00:36:14,090 --> 00:36:11,640

intelligences have manipulated DNA and

687

00:36:16,250 --> 00:36:14,100

already evolving primates to create a

688

00:36:21,140 --> 00:36:16,260

whole series of humanoids of which we

689

00:36:24,620 --> 00:36:21,150

are one and that there is a huge huge

690

00:36:27,410 --> 00:36:24,630

truth yet to unfold about what really is

691

00:36:30,980 --> 00:36:27,420

in this big universe that relates

692

00:36:33,920 --> 00:36:30,990

directly to what happens on this planet

693

00:36:36,230 --> 00:36:33,930

that's the part until we get that big

694

00:36:38,840 --> 00:36:36,240

headline out there with government and

695

00:36:40,030 --> 00:36:38,850

political forces backing it up we're not

696

00:36:43,780 --> 00:36:40,040

alone in this universe

697

00:36:45,850 --> 00:36:43,790

we deserve to be introduced to which are

698

00:36:49,330 --> 00:36:45,860

friendly which are neutral which are

699

00:36:53,110 --> 00:36:49,340

hostile and the reasons why and then

700

00:36:55,480 --> 00:36:53,120

baby humans will finally start growing

701
00:36:57,880 --> 00:36:55,490
up and until that happens until the

702
00:37:00,730 --> 00:36:57,890
headline until this world lose to the

703
00:37:04,810 --> 00:37:00,740
truth we are babies that are kind of

704
00:37:08,290 --> 00:37:04,820
abused by lies in denial well just like

705
00:37:10,540 --> 00:37:08,300
not to go back to the drones but using

706
00:37:15,430 --> 00:37:10,550
the drones right now as an example of

707
00:37:17,550 --> 00:37:15,440
real-time knowledge we all know that the

708
00:37:20,200 --> 00:37:17,560
FAA and the government and the military

709
00:37:21,760 --> 00:37:20,210
knows exactly what's going out with

710
00:37:23,770 --> 00:37:21,770
those drones they're just not telling

711
00:37:26,860 --> 00:37:23,780
yes I think so too

712
00:37:29,650 --> 00:37:26,870
Jimmy and and here there's one really

713
00:37:32,980 --> 00:37:29,660

important point that we should add and

714

00:37:36,400 --> 00:37:32,990

that is that on January 2nd the New York

715

00:37:38,920 --> 00:37:36,410

Times on the front page did a story

716

00:37:41,950 --> 00:37:38,930

about all of this and make their

717

00:37:46,530 --> 00:37:41,960

headline was it's creepy unexplained

718

00:37:49,300 --> 00:37:46,540

drones swarm by night over Prairie an

719

00:37:51,400 --> 00:37:49,310

indica that went from the front page to

720

00:37:54,880 --> 00:37:51,410

a whole nother page in the New York

721

00:37:57,820 --> 00:37:54,890

Times there is a paragraph about what

722

00:38:00,580 --> 00:37:57,830

Alex Peterson the Angus Rancher also

723

00:38:04,030 --> 00:38:00,590

told me and that is that some people

724

00:38:07,360 --> 00:38:04,040

have been seeing and I have a photograph

725

00:38:10,300 --> 00:38:07,370

it's in my earthfiles comm report right

726

00:38:14,500 --> 00:38:10,310

now I'm looking at it it is a photograph

727

00:38:18,550 --> 00:38:14,510

of an all-white fixed-wing plane sort of

728

00:38:22,450 --> 00:38:18,560

like a Cessna shape and through

729

00:38:25,320 --> 00:38:22,460

binoculars through Alex's rifle scope

730

00:38:29,890 --> 00:38:25,330

all of it there is not a single letter

731

00:38:32,110 --> 00:38:29,900

number pattern there's nothing on this

732

00:38:37,450 --> 00:38:32,120

plane and others that people have seen

733

00:38:39,940 --> 00:38:37,460

it's all white that also violates FAA

734

00:38:44,190 --> 00:38:39,950

rules that there should be letter number

735

00:38:48,670 --> 00:38:44,200

identification on all civilian of planes

736

00:38:51,280 --> 00:38:48,680

so why would anything whether it's

737

00:38:53,740 --> 00:38:51,290

military whatever it is that is behind

738

00:38:56,860 --> 00:38:53,750

it why would they almost

739

00:39:00,280 --> 00:38:56,870

want in daylight because these have been

740

00:39:04,300 --> 00:39:00,290

seen in daylight in the Sun why would

741

00:39:07,960 --> 00:39:04,310

somebody be flaunting all white sasnett

742

00:39:12,010 --> 00:39:07,970

explain looking shapes in the blue skies

743

00:39:14,800 --> 00:39:12,020

of Colorado and Nebraska you know what

744

00:39:17,170 --> 00:39:14,810

would be the bigger issue the bigger

745

00:39:21,780 --> 00:39:17,180

issue is if they don't know what's going

746

00:39:29,020 --> 00:39:26,770

I mean seriously in today's world of

747

00:39:34,180 --> 00:39:29,030

technology where everything is tracked

748

00:39:36,520 --> 00:39:34,190

followed monitored listened to we know

749

00:39:40,060 --> 00:39:36,530

that this is going on and to have right

750

00:39:44,040 --> 00:39:40,070

in the middle of our country swarms of

751

00:39:48,010 --> 00:39:44,050

drones flying over ranch land in fixed

752

00:39:50,980 --> 00:39:48,020

patterns over a grid and nobody

753

00:39:53,320 --> 00:39:50,990

apparently knows who what when or where

754

00:39:56,410 --> 00:39:53,330

that just doesn't make any sense to me

755

00:39:59,410 --> 00:39:56,420

and if they've truly don't know then we

756

00:40:01,840 --> 00:39:59,420

do have a problem right and you're

757

00:40:05,560 --> 00:40:01,850

making a really excellent point on the

758

00:40:08,200 --> 00:40:05,570

one hand we're saying that they know and

759

00:40:11,560 --> 00:40:08,210

that's why they are silent but if it is

760

00:40:16,120 --> 00:40:11,570

in the flip side which is they don't

761

00:40:19,660 --> 00:40:16,130

know then it's an even bigger bigger

762

00:40:22,000 --> 00:40:19,670

issue because if they don't know what

763

00:40:25,750 --> 00:40:22,010

are we up against and that's when it

764

00:40:28,900 --> 00:40:25,760

becomes really really eerie i somebody

765

00:40:32,230 --> 00:40:28,910

sent me a video that they shot of two

766

00:40:34,720 --> 00:40:32,240

drones and it's just like all the other

767

00:40:37,480 --> 00:40:34,730

you know videos that we've been watching

768

00:40:40,540 --> 00:40:37,490

but I'm listening to everybody's

769

00:40:43,270 --> 00:40:40,550

reactions in this video and and I'm

770

00:40:46,840 --> 00:40:43,280

looking at it I blew it up on my

771

00:40:49,870 --> 00:40:46,850

computer screens and looked at it really

772

00:40:53,860 --> 00:40:49,880

close and froze the frame it is it's

773

00:40:57,160 --> 00:40:53,870

loud you can hear it but it is big and

774

00:41:00,100 --> 00:40:57,170

the other the other part and the one

775

00:41:02,770 --> 00:41:00,110

that I was looking at you could see at

776
00:41:05,819 --> 00:41:02,780
some type of fuselage only for a second

777
00:41:08,999 --> 00:41:05,829
going down the middle but this thing is

778
00:41:10,859 --> 00:41:09,009
lit up all around and it it doesn't look

779
00:41:13,880 --> 00:41:10,869
like it's six feet or eight feet this

780
00:41:17,370 --> 00:41:13,890
looks like a pretty substantial size

781
00:41:20,370 --> 00:41:17,380
drone and then there's but it kind of

782
00:41:22,680 --> 00:41:20,380
had a triangle lighting on it like it

783
00:41:27,089 --> 00:41:22,690
was made to look like it was something

784
00:41:30,420 --> 00:41:27,099
else and right behind it was another one

785
00:41:34,519 --> 00:41:30,430
and I'm watching this and it's the

786
00:41:38,239 --> 00:41:34,529
craziest creepy thing to see it looks l

787
00:41:41,400 --> 00:41:38,249
don't know it looks it looks it feels

788
00:41:44,459 --> 00:41:41,410

military to me and the other thing is

789

00:41:48,089 --> 00:41:44,469

Linda I'm gonna be honest if they just

790

00:41:50,400 --> 00:41:48,099

came out and said look it's secret drone

791

00:41:53,339 --> 00:41:50,410

stuff we're testing it we've got Air

792

00:41:55,529 --> 00:41:53,349

Force bases in the area that that's all

793

00:41:58,920 --> 00:41:55,539

it is nothing to see here you know what

794

00:41:59,339 --> 00:41:58,930

everybody would relax okay all right we

795

00:42:02,309 --> 00:41:59,349

get it

796

00:42:04,289 --> 00:42:02,319

go do your thing military okay all right

797

00:42:07,140 --> 00:42:04,299

but to come at us with we don't know

798

00:42:10,650 --> 00:42:07,150

what's going on from the FBI in the FAA

799

00:42:12,779 --> 00:42:10,660

the Air Force bases and and and no

800

00:42:15,150 --> 00:42:12,789

civilians have been busted or nobody's

801
00:42:17,009 --> 00:42:15,160
come forward we've got a mystery here

802
00:42:19,349 --> 00:42:17,019
and the public needs to feel a little

803
00:42:23,849 --> 00:42:19,359
more secure than what we're being fed

804
00:42:25,920 --> 00:42:23,859
right now silence silence is extremely

805
00:42:29,640 --> 00:42:25,930
peculiar in a time where national

806
00:42:33,209 --> 00:42:29,650
security is of such a big big force and

807
00:42:35,729 --> 00:42:33,219
I want you to hear something that Alex

808
00:42:38,609 --> 00:42:35,739
Peterson told me in my videotaped

809
00:42:41,759 --> 00:42:38,619
interview that I used my January 8

810
00:42:45,529 --> 00:42:41,769
versus livestream now let me tell me

811
00:42:48,390 --> 00:42:45,539
jump in real quick everybody I posted

812
00:42:49,829 --> 00:42:48,400
Linda's links to the report and

813
00:42:52,920 --> 00:42:49,839

everything that you need to see it's

814

00:42:55,410 --> 00:42:52,930

right there in Twitter so there you go

815

00:42:59,130 --> 00:42:55,420

continue Linda great great Thank You

816

00:43:02,609 --> 00:42:59,140

Jimmy this is from Alex Peterson he is

817

00:43:05,189 --> 00:43:02,619

the Angus Rancher down in the South far

818

00:43:14,370 --> 00:43:05,199

southwestern corner of Haigler Nebraska

819

00:43:17,219 --> 00:43:14,380

he said do we as a space force now have

820

00:43:19,140 --> 00:43:17,229

technology that the average public has

821

00:43:23,099 --> 00:43:19,150

no clue about

822

00:43:26,370 --> 00:43:23,109

but what I'm getting to is there is

823

00:43:30,390 --> 00:43:26,380

nobody who seems to find where these

824

00:43:33,930 --> 00:43:30,400

things take off nobody can seem to find

825

00:43:37,349 --> 00:43:33,940

out where they are landing two hours in

826

00:43:41,400 --> 00:43:37,359

the air they just show up are they being

827

00:43:43,680 --> 00:43:41,410

launched from 50,000 or 60,000 feet from

828

00:43:46,109 --> 00:43:43,690

let's say a floating aircraft carrier

829

00:43:49,349 --> 00:43:46,119

high up in the atmosphere and they're

830

00:43:51,480 --> 00:43:49,359

coming down is that why nobody can seem

831

00:43:55,349 --> 00:43:51,490

to find out where they are launching

832

00:43:57,329 --> 00:43:55,359

from or landing and then he said I know

833

00:43:58,980 --> 00:43:57,339

there are millions and millions and

834

00:44:02,039 --> 00:43:58,990

billions of planets out there and

835

00:44:04,349 --> 00:44:02,049

possibly there is other life and they

836

00:44:06,809 --> 00:44:04,359

are here the government doesn't know

837

00:44:09,269 --> 00:44:06,819

what to do they would explain the

838

00:44:12,989 --> 00:44:09,279

secrecy to this whole thing but the

839

00:44:15,900 --> 00:44:12,999

amount of drones and the amount of money

840

00:44:18,930 --> 00:44:15,910

that each one of those drones would cost

841

00:44:20,999 --> 00:44:18,940

to be able to we're talking fifty

842

00:44:23,700 --> 00:44:21,009

thousand to a hundred and fifty thousand

843

00:44:28,170 --> 00:44:23,710

dollar drones to be able to stay

844

00:44:32,519 --> 00:44:28,180

airborne the number of hours to fly 500

845

00:44:35,819 --> 00:44:32,529

or 600 miles circles I mean there isn't

846

00:44:37,200 --> 00:44:35,829

anything even closely available to the

847

00:44:39,210 --> 00:44:37,210

public right now

848

00:44:42,680 --> 00:44:39,220

close quote I thought that was one of

849

00:44:47,759 --> 00:44:42,690

the best summaries that I've heard race

850

00:44:47,999 --> 00:44:47,769

just sent me this a couple of minutes

851

00:44:50,729 --> 00:44:48,009

ago

852

00:44:56,309 --> 00:44:50,739

he said there are reports that the

853

00:44:59,370 --> 00:44:56,319

University there in Boulder has a permit

854

00:45:03,569 --> 00:44:59,380

to fly multiple drones from one central

855

00:45:05,370 --> 00:45:03,579

location and I find that interesting if

856

00:45:06,930 --> 00:45:05,380

that if that is indeed the case I'm sure

857

00:45:08,849 --> 00:45:06,940

that they do it's University and they're

858

00:45:10,529 --> 00:45:08,859

doing this kind of research but with all

859

00:45:12,329 --> 00:45:10,539

of this publicity wouldn't the

860

00:45:15,170 --> 00:45:12,339

university come forward and say hey

861

00:45:20,249 --> 00:45:15,180

nothing to see here it's just us

862

00:45:25,559 --> 00:45:20,259

well Boulder Colorado and Denver really

863

00:45:28,200 --> 00:45:25,569

are not where the will say the masses of

864

00:45:31,089 --> 00:45:28,210

drones that were swarming that started

865

00:45:34,630 --> 00:45:31,099

remember in Yuma and Washington

866

00:45:37,989 --> 00:45:34,640

and that was a month ago in middle

867

00:45:41,289 --> 00:45:37,999

December and then the reports just kept

868

00:45:45,519 --> 00:45:41,299

moving like in waves going to the East

869

00:45:50,739 --> 00:45:45,529

into Nebraska so even if the University

870

00:45:55,120 --> 00:45:50,749

of Colorado in Boulder had FAA okay's

871

00:45:56,829 --> 00:45:55,130

certificates at 1:07 to fly drones for

872

00:45:59,469 --> 00:45:56,839

whatever they might be doing at the

873

00:46:01,359 --> 00:45:59,479

University that wouldn't be the center

874

00:46:03,880 --> 00:46:01,369

point from which everybody started

875

00:46:06,549 --> 00:46:03,890

seeing the swarm yeah yeah it goes all

876

00:46:09,729 --> 00:46:06,559

the way from Fort Collins nearly to

877

00:46:12,549 --> 00:46:09,739

Lincoln it goes halfway across Nebraska

878

00:46:15,069 --> 00:46:12,559

in both directions to its it covers this

879

00:46:17,710 --> 00:46:15,079

half of the state north and south and

880

00:46:20,859 --> 00:46:17,720

over half of the state east and west

881

00:46:24,249 --> 00:46:20,869

it's a huge huge geographic chunk of

882

00:46:26,289 --> 00:46:24,259

land and everybody kind of that I had

883

00:46:29,279 --> 00:46:26,299

been interviewing I did a lot of phone

884

00:46:32,559 --> 00:46:29,289

interviews with people that were in

885

00:46:35,859 --> 00:46:32,569

Nebraska and Colorado about a week and a

886

00:46:39,219 --> 00:46:35,869

half ago and everybody kept expecting

887

00:46:42,519 --> 00:46:39,229

that it was going to either end or move

888

00:46:47,370 --> 00:46:42,529

over into Kansas and going further east

889

00:46:50,979 --> 00:46:47,380

and it has not so why is there a

890

00:46:55,499 --> 00:46:50,989

concentration in southeastern Colorado

891

00:46:57,339 --> 00:46:55,509

and southwestern Nebraska now ultimately

892

00:46:59,170 --> 00:46:57,349

you know it's the million-dollar

893

00:47:05,559 --> 00:46:59,180

question Linda what do you think is

894

00:47:09,420 --> 00:47:05,569

going on well I sense in my gut that

895

00:47:13,059 --> 00:47:09,430

there is something that is way bigger

896

00:47:16,209 --> 00:47:13,069

than all of these little pieces like a

897

00:47:19,809 --> 00:47:16,219

plot to leave my painting the plant of

898

00:47:22,959 --> 00:47:19,819

yzma painting in France is made up of a

899

00:47:25,809 --> 00:47:22,969

million dots of different color and you

900

00:47:28,120 --> 00:47:25,819

have to get back a hundred feet 50 feet

901
00:47:30,190 --> 00:47:28,130
in a museum to see plant ELISA my

902
00:47:33,309 --> 00:47:30,200
painting because when you're up close

903
00:47:36,640 --> 00:47:33,319
all you see are the white black blue

904
00:47:39,249 --> 00:47:36,650
green yellow dots but when you start

905
00:47:42,309 --> 00:47:39,259
backing off and you get off 50 or 60 or

906
00:47:45,010 --> 00:47:42,319
100 feet you can see these magnificent

907
00:47:50,800 --> 00:47:45,020
images in a way this whole

908
00:47:54,370 --> 00:47:50,810
swarm drone story has hit me as we're in

909
00:47:56,200 --> 00:47:54,380
a plant ELISA and right now tonight

910
00:47:59,740 --> 00:47:56,210
we're talking about the details which

911
00:48:02,410 --> 00:47:59,750
would be the dots with a feeling that if

912
00:48:05,620 --> 00:48:02,420
we could back up far enough get more

913
00:48:08,590 --> 00:48:05,630

information we would see the big picture

914

00:48:11,770 --> 00:48:08,600

that just seems to be right on the other

915

00:48:18,640 --> 00:48:11,780

side of everything we're saying is it

916

00:48:21,670 --> 00:48:18,650

related to new technology is it that the

917

00:48:27,250 --> 00:48:21,680

new space force wants to do something

918

00:48:29,320 --> 00:48:27,260

about grid search for example what if

919

00:48:32,290 --> 00:48:29,330

they didn't want to tell us that they

920

00:48:34,060 --> 00:48:32,300

were looking for missing nuke and that

921

00:48:38,680 --> 00:48:34,070

the missing nukes weren't going to be

922

00:48:40,240 --> 00:48:38,690

lying on the ground maybe they are doing

923

00:48:43,930 --> 00:48:40,250

something that would be deep

924

00:48:47,590 --> 00:48:43,940

ground-penetrating radar some new brand

925

00:48:50,740 --> 00:48:47,600

new kind of technology and that they are

926
00:48:55,240 --> 00:48:50,750
looking for things underground that

927
00:48:58,690 --> 00:48:55,250
would be a whole new step and there is

928
00:49:02,470 --> 00:48:58,700
something about those first comments

929
00:49:05,130 --> 00:49:02,480
that started surging in Colorado back in

930
00:49:09,520 --> 00:49:05,140
mid-december people were using the term

931
00:49:12,400 --> 00:49:09,530
grid that they were watching things that

932
00:49:13,900 --> 00:49:12,410
they thought were drones moving in

933
00:49:16,000 --> 00:49:13,910
straight lines

934
00:49:19,380 --> 00:49:16,010
the New York Times talked about that in

935
00:49:24,940 --> 00:49:19,390
the January 2nd article straight lines

936
00:49:27,310 --> 00:49:24,950
later on as we moved into Nebraska Alex

937
00:49:28,540 --> 00:49:27,320
Peterson and some of his friends and

938
00:49:32,640 --> 00:49:28,550

colleagues they haven't been talking

939

00:49:35,770 --> 00:49:32,650

about things flying a grid as much as

940

00:49:36,900 --> 00:49:35,780

I'll give you a classic alex has seen

941

00:49:41,820 --> 00:49:36,910

this more than once

942

00:49:46,180 --> 00:49:41,830

there would be maybe half a dozen

943

00:49:48,430 --> 00:49:46,190

objects maybe at 400 feet definitely he

944

00:49:51,340 --> 00:49:48,440

thought not higher than 800 feet and

945

00:49:55,870 --> 00:49:51,350

there's several of them and each one is

946

00:49:58,740 --> 00:49:55,880

flashing red green and white lights but

947

00:50:01,530 --> 00:49:58,750

not like a civilian

948

00:50:04,230 --> 00:50:01,540

and fixed-wing airplane that the rhythm

949

00:50:06,180 --> 00:50:04,240

of the flashing is very different from

950

00:50:08,600 --> 00:50:06,190

what people would be seeing if it were

951
00:50:13,790 --> 00:50:08,610
assassin or a Piper Cub or something and

952
00:50:17,880 --> 00:50:13,800
that he became aware as he was trying to

953
00:50:21,750 --> 00:50:17,890
focus in on some of these flashing

954
00:50:26,670 --> 00:50:21,760
smaller drones about 400 feet he became

955
00:50:29,940 --> 00:50:26,680
aware that higher was a steady solid red

956
00:50:33,570 --> 00:50:29,950
light and he estimated it was at least a

957
00:50:35,180 --> 00:50:33,580
thousand feet as if it were above and

958
00:50:38,670 --> 00:50:35,190
that's the question

959
00:50:41,640 --> 00:50:38,680
controlling the lower drones right right

960
00:50:44,490 --> 00:50:41,650
mohnish yeah monitoring the lower drones

961
00:50:46,830 --> 00:50:44,500
what's the relationship between the

962
00:50:50,340 --> 00:50:46,840
steady red lights that people have seen

963
00:50:52,800 --> 00:50:50,350

high and the lower that they think are

964

00:50:56,460 --> 00:50:52,810

drones but with this strange pattern

965

00:50:59,730 --> 00:50:56,470

that is flashing differently but has the

966

00:51:01,860 --> 00:50:59,740

same color almost and and he raised it

967

00:51:06,180 --> 00:51:01,870

he said it's almost like something is

968

00:51:09,060 --> 00:51:06,190

mimicking trying to camouflage itself as

969

00:51:12,000 --> 00:51:09,070

what we would think of as a normal

970

00:51:14,040 --> 00:51:12,010

civilian small plane that's what I saw

971

00:51:20,280 --> 00:51:14,050

but yes I agree with it that's what I

972

00:51:24,870 --> 00:51:20,290

saw yes and before we hit this break

973

00:51:28,680 --> 00:51:24,880

i l've also heard and read many reports

974

00:51:32,850 --> 00:51:28,690

for my witnesses saying that group they

975

00:51:36,120 --> 00:51:32,860

they would watch a couple maybe three

976
00:51:39,960 --> 00:51:36,130
that would stay confined in a certain

977
00:51:42,090 --> 00:51:39,970
theater right and that they were staying

978
00:51:44,880 --> 00:51:42,100
inside of this grid pattern while other

979
00:51:47,310 --> 00:51:44,890
groups were in another area but they

980
00:51:50,960 --> 00:51:47,320
wouldn't go outside of that area and

981
00:51:54,090 --> 00:51:50,970
that to talk about creepy it's it's very

982
00:51:56,280 --> 00:51:54,100
organized well and it means that

983
00:51:59,670 --> 00:51:56,290
something is programmed there were a l

984
00:52:02,610 --> 00:51:59,680
write that they are very programmed and

985
00:52:05,460 --> 00:52:02,620
then if you add the possibility that

986
00:52:08,550 --> 00:52:05,470
they are a new technology that has the

987
00:52:12,310 --> 00:52:08,560
ability to move in grid patterns moving

988
00:52:14,650 --> 00:52:12,320

as a group under the brain of some

989

00:52:16,540 --> 00:52:14,660

like the steady red light and that what

990

00:52:18,400 --> 00:52:16,550

they are looking for and that they have

991

00:52:21,340 --> 00:52:18,410

a technology for deep ground-penetrating

992

00:52:23,670 --> 00:52:21,350

radar this would mean that they could go

993

00:52:27,970 --> 00:52:23,680

over the state of Colorado and Nebraska

994

00:52:31,210 --> 00:52:27,980

looking for a nuke that's underground or

995

00:52:32,910 --> 00:52:31,220

anything that's underground in a way

996

00:52:36,550 --> 00:52:32,920

that we've never heard of before

997

00:52:39,460 --> 00:52:36,560

something like that might be happening

998

00:52:42,730 --> 00:52:39,470

it gets it starts feeling to me a little

999

00:52:46,150 --> 00:52:42,740

closer to the sense this gut sense that

1000

00:52:47,320 --> 00:52:46,160

something much bigger is what's behind

1001
00:52:50,110 --> 00:52:47,330
all of this

1002
00:52:53,320 --> 00:52:50,120
but we're deflected by all the pontal

1003
00:52:56,350 --> 00:52:53,330
easement dots that are what we see and

1004
00:52:59,620 --> 00:52:56,360
hear and we're concentrating on and they

1005
00:53:03,040 --> 00:52:59,630
are a symptom of whatever it is that's

1006
00:53:08,020 --> 00:53:03,050
going on and and you know Jimmy if this

1007
00:53:11,470 --> 00:53:08,030
man could sent me this email talking

1008
00:53:15,670 --> 00:53:11,480
about that he was seeing these kinds of

1009
00:53:18,040 --> 00:53:15,680
things in the summer in Colorado what

1010
00:53:20,740 --> 00:53:18,050
would it mean that had been going on

1011
00:53:24,640 --> 00:53:20,750
from the summer to mid-december without

1012
00:53:27,640 --> 00:53:24,650
anybody having any awareness until

1013
00:53:29,860 --> 00:53:27,650

December and the the the part that

1014

00:53:31,930 --> 00:53:29,870

freaks me out just a little bit I mean a

1015

00:53:33,640 --> 00:53:31,940

lot of it freaks me out but when you

1016

00:53:36,520 --> 00:53:33,650

have this kind of media coverage and

1017

00:53:38,590 --> 00:53:36,530

public awareness now out in front you

1018

00:53:41,920 --> 00:53:38,600

would think that that would force and

1019

00:53:45,040 --> 00:53:41,930

tip the hand of the government and those

1020

00:53:48,580 --> 00:53:45,050

agencies to come clean and they are

1021

00:53:50,710 --> 00:53:48,590

ignoring the media coverage and and the

1022

00:53:51,910 --> 00:53:50,720

public's outrage about what's going on

1023

00:53:53,880 --> 00:53:51,920

and that's that's pretty frightening

1024

00:53:58,150 --> 00:53:53,890

that's Big Brother stuff right there

1025

00:54:02,320 --> 00:53:58,160

well it is like flooding in our face

1026

00:54:05,890 --> 00:54:02,330

right that no no matter how many

1027

00:54:08,080 --> 00:54:05,900

meetings and agencies are bringing

1028

00:54:10,000 --> 00:54:08,090

themselves together to say that they're

1029

00:54:12,310 --> 00:54:10,010

going to have a task were security to

1030

00:54:15,430 --> 00:54:12,320

solve this and then they end up

1031

00:54:18,400 --> 00:54:15,440

contradicting that by rescinding

1032

00:54:21,640 --> 00:54:18,410

everything that they had said leaving to

1033

00:54:26,200 --> 00:54:21,650

me the sense that they thought they were

1034

00:54:28,510 --> 00:54:26,210

going to be able to do X and within 40

1035

00:54:30,940 --> 00:54:28,520

eight hours it had become clear to

1036

00:54:34,990 --> 00:54:30,950

everyone that they were not going to be

1037

00:54:37,599 --> 00:54:35,000

able to do X so what is it that they're

1038

00:54:39,940 --> 00:54:37,609

coping with and that's what you and I

1039

00:54:43,359 --> 00:54:39,950

and a bunch of us that's what I'm trying

1040

00:54:47,320 --> 00:54:43,369

to find out I put out on my Wednesday

1041

00:54:50,349 --> 00:54:47,330

January 8th earthfiles livestream I put

1042

00:54:52,450 --> 00:54:50,359

out a request anybody who would be in

1043

00:54:55,660 --> 00:54:52,460

The Whistleblower category to

1044

00:54:59,470 --> 00:54:55,670

communicate privately confidentially

1045

00:55:01,960 --> 00:54:59,480

through mail or protonmail or FedEx if

1046

00:55:05,140 --> 00:55:01,970

they have any information and I would

1047

00:55:05,829 --> 00:55:05,150

like to extend the same thing on fade to

1048

00:55:09,070 --> 00:55:05,839

black

1049

00:55:12,430 --> 00:55:09,080

that if there's anybody listening who

1050

00:55:16,150 --> 00:55:12,440

has any hard information they can get it

1051
00:55:19,990 --> 00:55:16,160
to me to Linda Moulton Howe you can go

1052
00:55:23,170 --> 00:55:20,000
to my earthfiles dot-com site and know

1053
00:55:24,849 --> 00:55:23,180
that you can establish communication

1054
00:55:28,000 --> 00:55:24,859
with me through earthfiles at our

1055
00:55:31,660 --> 00:55:28,010
files.com my normal email but then we

1056
00:55:34,780 --> 00:55:31,670
can switch to protonmail or FedEx or

1057
00:55:37,150 --> 00:55:34,790
hard mail given the fact that in this

1058
00:55:40,990 --> 00:55:37,160
world now in the United States or

1059
00:55:43,180 --> 00:55:41,000
anywhere we are phones might as well be

1060
00:55:46,599 --> 00:55:43,190
megaphone to governments and agencies

1061
00:55:48,760 --> 00:55:46,609
yes no doubt about it let's take our

1062
00:55:50,230 --> 00:55:48,770

years of reports do you have over 800

1087
00:57:40,170 --> 00:57:36,150
files about 3,000 now in depth and those

1088
00:57:45,809 --> 00:57:40,180

3,000 represent something like 60,000

1089

00:57:50,160 --> 00:57:45,819

images maps illustrations and I use it

1090

00:57:57,799 --> 00:57:50,170

so much in my work going back into the

1091

00:58:01,970 --> 00:57:57,809

last well its 28c 1998 to 2020 now and

1092

00:58:06,989 --> 00:58:01,980

that I find myself remembering oh I

1093

00:58:10,079 --> 00:58:06,999

interviewed that scientist and then I go

1094

00:58:14,009 --> 00:58:10,089

and I do a search and I find that report

1095

00:58:17,729 --> 00:58:14,019

on that whole huge depth and a lot of my

1096

00:58:20,069 --> 00:58:17,739

reports have mp3s that are embedded that

1097

00:58:23,220 --> 00:58:20,079

of all of the radio broadcasts I have

1098

00:58:26,609 --> 00:58:23,230

done with art and with George on coast

1099

00:58:29,130 --> 00:58:26,619

to coast and dreamland and work that I

1100

00:58:32,640 --> 00:58:29,140

have done so there's a lot of embedded

1101

00:58:36,720 --> 00:58:32,650

audio and it becomes so valuable it is

1102

00:58:39,839 --> 00:58:36,730

now for me like a living archive of my

1103

00:58:43,079 --> 00:58:39,849

own work it's amazing I can't believe

1104

00:58:46,140 --> 00:58:43,089

that much time has gone by I it's a blur

1105

00:58:49,729 --> 00:58:46,150

to me I wanted to ask you this we were

1106

00:58:55,589 --> 00:58:49,739

talking about the blur of 2019 but in my

1107

00:58:58,109 --> 00:58:55,599

opening rant tonight I about this and

1108

00:59:01,230 --> 00:58:58,119

I've been holding off on this Linda for

1109

00:59:03,269 --> 00:59:01,240

a while now but check this out

1110

00:59:06,140 --> 00:59:03,279

we all know about the Great Pyramid and

1111

00:59:09,150 --> 00:59:06,150

it was built you know between 25 80 and

1112

00:59:11,309 --> 00:59:09,160

2560 BC and the two and a half million

1113

00:59:12,809 --> 00:59:11,319

stone blocks you know blah blah blah

1114

00:59:16,349 --> 00:59:12,819

we've all heard that over and over again

1115

00:59:20,700 --> 00:59:16,359

but what most people don't realize is

1116

00:59:24,509 --> 00:59:20,710

that coffre and Khufu those two pyramids

1117

00:59:27,390 --> 00:59:24,519

were built at the exact same time and

1118

00:59:33,749 --> 00:59:27,400

it's not two and a half million blocks

1119

00:59:37,140 --> 00:59:33,759

it's five million blocks and that that's

1120

00:59:39,660 --> 00:59:37,150

the part that nobody wants us to know

1121

00:59:42,120 --> 00:59:39,670

because it's hard enough to digest at

1122

00:59:44,759 --> 00:59:42,130

that period pyramid was built in twenty

1123

00:59:49,230 --> 00:59:44,769

years with two and a half million blocks

1124

00:59:51,180 --> 00:59:49,240

but if we were now told that it was two

1125

00:59:54,299 --> 00:59:51,190

pyramids and it was five million blocks

1126

01:00:00,319 --> 00:59:54,309

and it was this nobody would buy into it

1127

01:00:05,670 --> 01:00:03,319

archaeology and historians and

1128

01:00:09,509 --> 01:00:05,680

Egyptologists don't want to talk about

1129

01:00:12,749 --> 01:00:09,519

it what else are they holding back right

1130

01:00:18,299 --> 01:00:12,759

I mean it is isn't it what else do we do

1131

01:00:21,739 --> 01:00:18,309

from it well the truth is threatening to

1132

01:00:24,660 --> 01:00:21,749

careers that have been locked in by

1133

01:00:27,359 --> 01:00:24,670

being on a planet for five thousand

1134

01:00:31,019 --> 01:00:27,369

years we have been lied to by power

1135

01:00:33,930 --> 01:00:31,029

brokers and that all of the history and

1136

01:00:36,329 --> 01:00:33,940

the so-called ancient history and the

1137

01:00:40,499 --> 01:00:36,339

way we have interpreted the evolution of

1138

01:00:42,359 --> 01:00:40,509

humans and what happened in Egypt and

1139

01:00:46,019 --> 01:00:42,369

the Middle East all of it has been

1140

01:00:49,440 --> 01:00:46,029

concocted and remember John Anthony West

1141

01:00:52,559 --> 01:00:49,450

god bless his soul wherever he is now in

1142

01:00:56,549 --> 01:00:52,569

all of the vast dimensions it was at

1143

01:00:59,160 --> 01:00:56,559

contact in the desert about five four

1144

01:01:03,359 --> 01:00:59,170

years five years ago was about a year

1145

01:01:05,549 --> 01:01:03,369

before he passed and he me and Robert

1146

01:01:08,190 --> 01:01:05,559

Schoch and I had spent a lot of time

1147

01:01:10,140 --> 01:01:08,200

talking about what really is the true

1148

01:01:11,520 --> 01:01:10,150

age of the Sphinx

1149

01:01:14,580 --> 01:01:11,530

because when

1150

01:01:16,500 --> 01:01:14,590

they broke ground John Anthony West and

1151

01:01:18,660 --> 01:01:16,510

Robert Schoch all the way back in the

1152

01:01:21,540 --> 01:01:18,670

early 90s they held a press conference I

1153

01:01:24,960 --> 01:01:21,550

think it was in New York made the press

1154

01:01:28,760 --> 01:01:24,970

everywhere that they had done a trip so

1155

01:01:33,180 --> 01:01:28,770

that Robert Schoch Yale PhD in geology

1156

01:01:35,880 --> 01:01:33,190

could examine what John Anthony West had

1157

01:01:39,420 --> 01:01:35,890

always said was water weathering on the

1158

01:01:42,450 --> 01:01:39,430

Sphinx and Robert Schoch agreed and

1159

01:01:45,780 --> 01:01:42,460

estimated at that time back in the early

1160

01:01:48,270 --> 01:01:45,790

90s that the water weathering meant that

1161

01:01:52,320 --> 01:01:48,280

the Sphinx must be about fourteen

1162

01:01:53,520 --> 01:01:52,330

thousand years old and that was more

1163

01:01:56,760 --> 01:01:53,530

than gobekli tepe

1164

01:01:59,790 --> 01:01:56,770

that was twice what had been the

1165

01:02:03,390 --> 01:01:59,800

accepted age right that five thousand

1166

01:02:07,050 --> 01:02:03,400

years ago is when civil civilization

1167

01:02:11,580 --> 01:02:07,060

just suddenly popped out in humanity and

1168

01:02:13,800 --> 01:02:11,590

that John and Robert Schoch they both

1169

01:02:16,350 --> 01:02:13,810

said you know this it makes no sense and

1170

01:02:19,020 --> 01:02:16,360

the water weathering on the Sphinx when

1171

01:02:21,480 --> 01:02:19,030

they did history and went back and when

1172

01:02:24,930 --> 01:02:21,490

there would be patterns of Nile flooding

1173

01:02:27,360 --> 01:02:24,940

and rain they found only one time period

1174

01:02:29,670 --> 01:02:27,370

that could possibly match what they were

1175

01:02:33,510 --> 01:02:29,680

calculating and it was 14,000 years ago

1176

01:02:37,890 --> 01:02:33,520

well at contact four or five years ago

1177

01:02:39,510 --> 01:02:37,900

John came up to me and he took a hold of

1178

01:02:42,930 --> 01:02:39,520

my arm and he looked and he said you

1179

01:02:44,700 --> 01:02:42,940

know what Bob and I Robert Schoch and I

1180

01:02:49,470 --> 01:02:44,710

have come to the conclusion that the

1181

01:02:52,430 --> 01:02:49,480

Sphinx is at least 40,000 years old now

1182

01:02:57,450 --> 01:02:52,440

so that was four or five years ago in

1183

01:02:59,610 --> 01:02:57,460

2018 August is when I was able to do the

1184

01:03:05,040 --> 01:02:59,620

videotaping with a Spartan one in

1185

01:03:09,180 --> 01:03:05,050

Spartan two whistleblowers one a retired

1186

01:03:12,390 --> 01:03:09,190

as a commander Navy SEAL and has been to

1187

01:03:17,030 --> 01:03:12,400

Antarctica and has walked these long

1188

01:03:22,740 --> 01:03:17,040

hauls and been in the 62 acre rooms and

1189

01:03:25,290 --> 01:03:22,750

he had missions not only in Antarctica

1190

01:03:29,250 --> 01:03:25,300

but with another one in Egypt where

1191

01:03:32,010 --> 01:03:29,260

Oh often our Navy SEALs are used to go

1192

01:03:34,350 --> 01:03:32,020

in and let's say it's a scientist and

1193

01:03:37,830 --> 01:03:34,360

they will quote unquote extract a

1194

01:03:40,890 --> 01:03:37,840

scientist from a mission whether it's in

1195

01:03:43,920 --> 01:03:40,900

Egypt or Antarctic or wherever it is and

1196

01:03:46,980 --> 01:03:43,930

on that one particular mission that was

1197

01:03:51,360 --> 01:03:46,990

involved with Egypt he was talking with

1198

01:03:54,720 --> 01:03:51,370

an archeologist as a Navy SEAL and that

1199

01:03:57,080 --> 01:03:54,730

the archeologist said to him and he said

1200

01:04:00,900 --> 01:03:57,090

to me when I was doing the interview

1201

01:04:04,950 --> 01:04:00,910

that archeologist said that the Sphinx

1202

01:04:09,240 --> 01:04:04,960

is at least 40,000 years old 35,000 to

1203

01:04:13,290 --> 01:04:09,250

40,000 years right there are beginning

1204

01:04:17,280 --> 01:04:13,300

to emerge cracks in the old will call

1205

01:04:20,910 --> 01:04:17,290

them strict rules that humanity was not

1206

01:04:24,810 --> 01:04:20,920

civilized until 5,000 years ago and that

1207

01:04:27,390 --> 01:04:24,820

the preceding civilizations that if Eric

1208

01:04:30,810 --> 01:04:27,400

were talking with us right now he would

1209

01:04:33,270 --> 01:04:30,820

say the chariots of the gods are the

1210

01:04:36,380 --> 01:04:33,280

extraterrestrials who have been

1211

01:04:40,140 --> 01:04:36,390

interacting with this planet long before

1212

01:04:43,830 --> 01:04:40,150

Homo sapiens sapiens current model and

1213

01:04:46,560 --> 01:04:43,840

that it whether they were Anunnaki from

1214

01:04:50,430 --> 01:04:46,570

Zeta Reticuli one and two which is one

1215

01:04:53,760 --> 01:04:50,440

of the hypotheses that they had come

1216

01:04:57,420 --> 01:04:53,770

here maybe a million years ago two

1217

01:04:59,490 --> 01:04:57,430

million years ago or as one of the most

1218

01:05:01,500 --> 01:04:59,500

important discussions that I ever had

1219

01:05:03,360 --> 01:05:01,510

with anybody who proved to me they had

1220

01:05:04,470 --> 01:05:03,370

worked for the government they have

1221

01:05:10,110 --> 01:05:04,480

worked for the Defense Intelligence

1222

01:05:14,730 --> 01:05:10,120

Agency and wanted to talk with me as he

1223

01:05:18,030 --> 01:05:14,740

was retiring and said to me this quote

1224

01:05:21,350 --> 01:05:18,040

that I've never forgotten Linda our

1225

01:05:27,750 --> 01:05:21,360

government has proof that three

1226

01:05:30,620 --> 01:05:27,760

competing in conflict civilizations from

1227

01:05:34,260 --> 01:05:30,630

other places in the Milky Way galaxy

1228

01:05:37,710 --> 01:05:34,270

have been terraforming and harvesting

1229

01:05:39,069 --> 01:05:37,720

genetic material from this planet that

1230

01:05:43,630 --> 01:05:39,079

they consider to be a

1231

01:05:48,099 --> 01:05:43,640

laboratory for at least 270 million

1232

01:05:50,890 --> 01:05:48,109

years now assuming that that is a

1233

01:05:54,069 --> 01:05:50,900

correct statement and I do think that it

1234

01:05:57,880 --> 01:05:54,079

is but how do we prove it until the

1235

01:06:01,349 --> 01:05:57,890

government stop lying if it is 270

1236

01:06:03,969 --> 01:06:01,359

million years that's three competing

1237

01:06:06,870 --> 01:06:03,979

extraterrestrial civilizations have

1238

01:06:11,049 --> 01:06:06,880

competed for genetic harvests have

1239

01:06:12,910 --> 01:06:11,059

competed to extract gold and other rare

1240

01:06:15,809 --> 01:06:12,920

metals from the earth through beam

1241

01:06:20,859 --> 01:06:15,819

technology that they can do by molecular

1242

01:06:24,430 --> 01:06:20,869

extraction if all of that has been the

1243

01:06:26,499 --> 01:06:24,440

big truth and we've all been kept in the

1244

01:06:34,059 --> 01:06:26,509

dark on purpose for reasons that are not

1245

01:06:37,329 --> 01:06:34,069

exactly clear then 270 million years now

1246

01:06:40,209 --> 01:06:37,339

you have to come down to where forty

1247

01:06:43,059 --> 01:06:40,219

five thousand over two hundred and

1248

01:06:45,699 --> 01:06:43,069

seventy million for the consciousness of

1249

01:06:48,430 --> 01:06:45,709

homo sapiens sapiens our current model

1250

01:06:52,140 --> 01:06:48,440

or if you want to go back to homo

1251

01:06:55,809 --> 01:06:52,150

erectus the first primate that stood up

1252

01:06:59,589 --> 01:06:55,819

allegedly homo erectus was in South

1253

01:07:01,900 --> 01:06:59,599

Africa or Africa two million so

1254

01:07:03,819 --> 01:07:01,910

somewhere between forty five thousand

1255

01:07:06,299 --> 01:07:03,829

years ago when Neanderthal and

1256

01:07:08,259 --> 01:07:06,309

cro-magnon homo sapiens sapiens did a

1257

01:07:11,949 --> 01:07:08,269

crossfade with each other

1258

01:07:15,549 --> 01:07:11,959

two million homo erectus with Denis

1259

01:07:18,309 --> 01:07:15,559

Sivan and so many others in between put

1260

01:07:21,430 --> 01:07:18,319

that fraction in your mind or on a piece

1261

01:07:24,339 --> 01:07:21,440

of paper right two million over two

1262

01:07:28,479 --> 01:07:24,349

hundred and seventy million right as a

1263

01:07:34,420 --> 01:07:28,489

fraction right and that to me brings in

1264

01:07:39,959 --> 01:07:34,430

too tight clear focus we we humans Homo

1265

01:07:43,479 --> 01:07:39,969

sapiens sapiens we don't have even the

1266

01:07:46,019 --> 01:07:43,489

thinnest idea of everything that

1267

01:07:49,719 --> 01:07:46,029

happened on this planet before our

1268

01:07:52,440 --> 01:07:49,729

particular species became conscious let

1269

01:07:55,170 --> 01:07:52,450

alone homo erectus

1270

01:07:57,030 --> 01:07:55,180

a mammal in which they briefing paper

1271

01:08:02,940 --> 01:07:57,040

that I was shown at Kirtland Air Force

1272

01:08:07,290 --> 01:08:02,950

Base in 1983 said these extraterrestrial

1273

01:08:12,240 --> 01:08:07,300

biological entities manipulated DNA in

1274

01:08:16,079 --> 01:08:12,250

already evolving primates to create Homo

1275

01:08:19,829 --> 01:08:16,089

Sapien and all questions and mysteries

1276

01:08:23,490 --> 01:08:19,839

about the evolution of Homo Sapien on

1277

01:08:27,570 --> 01:08:23,500

this planet have been answered and this

1278

01:08:30,150 --> 01:08:27,580

project is closed and the name of that

1279

01:08:35,160 --> 01:08:30,160

project in that briefing paper that I

1280

01:08:39,240 --> 01:08:35,170

was shown was project garnet all cats GA

1281

01:08:41,849 --> 01:08:39,250

are any T I was not to see that those

1282

01:08:44,160 --> 01:08:41,859

two words put together for a decade or

1283

01:08:47,789 --> 01:08:44,170

so after that meeting at Kirtland but I

1284

01:08:51,209 --> 01:08:47,799

never forgot because my birthday is in

1285

01:08:54,150 --> 01:08:51,219

January and my birthstone was garnet and

1286

01:08:56,519 --> 01:08:54,160

when I read project garnet all questions

1287

01:08:59,640 --> 01:08:56,529

and mysteries about the evolution of

1288

01:09:02,249 --> 01:08:59,650

Homo Sapien have been answered if I

1289

01:09:07,019 --> 01:09:02,259

remembered it was project garnet later

1290

01:09:11,849 --> 01:09:07,029

on at least a decade or so later I was

1291

01:09:14,039 --> 01:09:11,859

to learn that various projects have been

1292

01:09:17,849 --> 01:09:14,049

floated which is the way counter-intel

1293

01:09:21,959 --> 01:09:17,859

and Intel's work you put out a bunch of

1294

01:09:24,510 --> 01:09:21,969

Pro words you put out a bunch of project

1295

01:09:26,760 --> 01:09:24,520

names and then everybody gets in a

1296

01:09:29,940 --> 01:09:26,770

muddle you can put out truth but you

1297

01:09:33,360 --> 01:09:29,950

can't you can't do chain of custody you

1298

01:09:35,999 --> 01:09:33,370

can't trace back a name to the original

1299

01:09:40,140 --> 01:09:36,009

file and they do that on purpose as a

1300

01:09:43,590 --> 01:09:40,150

cloud as a fog well later on I was to

1301

01:09:46,289 --> 01:09:43,600

find what I think was or was given a

1302

01:09:49,349 --> 01:09:46,299

document that showed that particular

1303

01:09:52,860 --> 01:09:49,359

project about studying the evolution of

1304

01:09:54,600 --> 01:09:52,870

Homo Sapien and relating it to all of

1305

01:09:58,530 --> 01:09:54,610

the mysteries having been answered

1306

01:10:01,800 --> 01:09:58,540

because extraterrestrials made humanity

1307

01:10:05,430 --> 01:10:01,810

that that was project garnet so you do

1308

01:10:06,149 --> 01:10:05,440

get reinforcements sometimes in this

1309

01:10:09,840 --> 01:10:06,159

Rick

1310

01:10:12,770 --> 01:10:09,850

landscape of razor blades trying to

1311

01:10:16,560 --> 01:10:12,780

always keep us from the truth but I

1312

01:10:19,229 --> 01:10:16,570

myself I have not one question Jimmy

1313

01:10:22,500 --> 01:10:19,239

that those statements that I read on

1314

01:10:24,500 --> 01:10:22,510

April 9 1983 at Kirtland Air Force Base

1315

01:10:27,540 --> 01:10:24,510

when I was working on a home box office

1316

01:10:29,760 --> 01:10:27,550

documentary that those were true and

1317

01:10:33,570 --> 01:10:29,770

that I am not offended

1318

01:10:36,840 --> 01:10:33,580

I'm not scared it doesn't make me want

1319

01:10:40,140 --> 01:10:36,850

to fall down on the floor to face what

1320

01:10:43,129 --> 01:10:40,150

seems like a logical statement that

1321

01:10:47,189 --> 01:10:43,139

other advanced intelligences in this

1322

01:10:49,530 --> 01:10:47,199

evolving universe would end up in this

1323

01:10:51,750 --> 01:10:49,540

arm this little arm in the Milky Way

1324

01:10:52,320 --> 01:10:51,760

galaxy where there was this magnificent

1325

01:10:55,890 --> 01:10:52,330

planet

1326

01:10:59,100 --> 01:10:55,900

that probably is quite unique with 2/3

1327

01:11:02,189 --> 01:10:59,110

of it in deep ocean perfect laboratory

1328

01:11:05,780 --> 01:11:02,199

for all kinds of life experiments and

1329

01:11:08,760 --> 01:11:05,790

that that would be the big box and

1330

01:11:12,870 --> 01:11:08,770

another thing that I was told in the

1331

01:11:16,470 --> 01:11:12,880

last 10 years is that our government is

1332

01:11:18,689 --> 01:11:16,480

puzzled about the fact that they know

1333

01:11:22,169 --> 01:11:18,699

and that must be because they've had

1334

01:11:24,689 --> 01:11:22,179

interstellar travel since the 70s that

1335

01:11:27,810 --> 01:11:24,699

they know that other planets around

1336

01:11:30,840 --> 01:11:27,820

other Suns in other solar systems also

1337

01:11:33,390 --> 01:11:30,850

have pyramids and that the implication

1338

01:11:37,350 --> 01:11:33,400

is that there have been pyramids built

1339

01:11:40,800 --> 01:11:37,360

on tremendous numbers of planets by a

1340

01:11:46,709 --> 01:11:40,810

very advanced civilization where is that

1341

01:11:50,040 --> 01:11:46,719

civilization today and why why this is

1342

01:11:58,290 --> 01:11:50,050

this what is so puzzling to me what is

1343

01:12:00,030 --> 01:11:58,300

the big deal just talk about it just 10

1344

01:12:07,649 --> 01:12:00,040

let's have a conversation

1345

01:12:09,240 --> 01:12:07,659

let's what's the big deal by well I'll

1346

01:12:12,600 --> 01:12:09,250

tell you what the most the biggest

1347

01:12:16,110 --> 01:12:12,610

argument that has been given is that it

1348

01:12:18,470 --> 01:12:16,120

would up and religions God would be

1349

01:12:19,950 --> 01:12:18,480

replaced by extraterrestrial biological

1350

01:12:23,220 --> 01:12:19,960

entities

1351

01:12:26,280 --> 01:12:23,230

and that that was the truth and I can

1352

01:12:29,510 --> 01:12:26,290

say from living a life in which the

1353

01:12:32,090 --> 01:12:29,520

evolution from being a child and

1354

01:12:34,680 --> 01:12:32,100

interactions that I have had with

1355

01:12:35,370 --> 01:12:34,690

blazing white crosses that have saved my

1356

01:12:38,850 --> 01:12:35,380

life

1357

01:12:41,160 --> 01:12:38,860

that I am convinced that there is a

1358

01:12:43,770 --> 01:12:41,170

divine field that's what I call it and

1359

01:12:47,900 --> 01:12:43,780

that all matter universes I don't care

1360

01:12:51,030 --> 01:12:47,910

if they're infinite that they are an

1361

01:12:53,400 --> 01:12:51,040

evolution out of the divine field and

1362

01:12:57,360 --> 01:12:53,410

that if you have a soul which I think

1363

01:13:00,830 --> 01:12:57,370

humanity does that soul can call out and

1364

01:13:04,860 --> 01:13:00,840

interact with that divine field and what

1365

01:13:08,160 --> 01:13:04,870

you feel that and live it which I have

1366

01:13:10,260 --> 01:13:08,170

in my life I am here because of it I

1367

01:13:12,870 --> 01:13:10,270

have been protected

1368

01:13:16,380 --> 01:13:12,880

I have literally gone from a mortal

1369

01:13:19,440 --> 01:13:16,390

situation to being alive because of this

1370

01:13:24,110 --> 01:13:19,450

interaction these blazing white crosses

1371

01:13:27,180 --> 01:13:24,120

that save me right then the

1372

01:13:29,880 --> 01:13:27,190

extraterrestrial biological entities I

1373

01:13:33,150 --> 01:13:29,890

don't care if there are a billion

1374

01:13:34,950 --> 01:13:33,160

trillion civilizations in this universe

1375

01:13:39,350 --> 01:13:34,960

and that there's an infinite number of

1376

01:13:43,920 --> 01:13:39,360

universes and dimensions and timelines

1377

01:13:47,040 --> 01:13:43,930

they all have a relationship I think of

1378

01:13:51,720 --> 01:13:47,050

source in what I call the divine field

1379

01:13:55,229 --> 01:13:51,730

and that to me is the real relationship

1380

01:13:59,250 --> 01:13:55,239

between that force that animus that is

1381

01:14:03,240 --> 01:13:59,260

in each human body container is in my

1382

01:14:06,720 --> 01:14:03,250

fluffy and chocolate cats it is in life

1383

01:14:10,560 --> 01:14:06,730

that's what life is about this animation

1384

01:14:15,840 --> 01:14:10,570

of a field of a force that we call soul

1385

01:14:18,720 --> 01:14:15,850

and that whether or not we ended up in

1386

01:14:22,320 --> 01:14:18,730

the container bodies that we have right

1387

01:14:25,820 --> 01:14:22,330

now because of genetic manipulation by

1388

01:14:28,260 --> 01:14:25,830

extraterrestrial biological entities

1389

01:14:33,870 --> 01:14:28,270

experimenting on this planet and many

1390

01:14:37,830 --> 01:14:33,880

others it doesn't matter what the spark

1391

01:14:41,520 --> 01:14:37,840

that turned into this genetic form that

1392

01:14:43,440 --> 01:14:41,530

became humanity the part to me that is

1393

01:14:45,390 --> 01:14:43,450

really important and that we must never

1394

01:14:49,740 --> 01:14:45,400

lose sight of is that there is a

1395

01:14:54,210 --> 01:14:49,750

relationship to a divine field to all

1396

01:14:58,620 --> 01:14:54,220

souls in all matter and once you live

1397

01:15:03,420 --> 01:14:58,630

that feel it know it you don't need a

1398

01:15:08,160 --> 01:15:03,430

box religion and that's where the old

1399

01:15:10,860 --> 01:15:08,170

past was boxes of religion and that's

1400

01:15:13,680 --> 01:15:10,870

why to me that argument that the

1401

01:15:16,440 --> 01:15:13,690

government say you can't tell anybody

1402

01:15:19,380 --> 01:15:16,450

the truth because civilization will

1403

01:15:24,660 --> 01:15:19,390

collapse religions will fall apart the

1404

01:15:27,990 --> 01:15:24,670

stock market will fall apart if we know

1405

01:15:33,030 --> 01:15:28,000

and learn the whole truth as I have in

1406

01:15:36,510 --> 01:15:33,040

my life something wanted me to have this

1407

01:15:39,240 --> 01:15:36,520

I guess this evolutionary insight and

1408

01:15:42,210 --> 01:15:39,250

this feeling of a tremendous connection

1409

01:15:44,550 --> 01:15:42,220

to a divine field and that I would wish

1410

01:15:49,500 --> 01:15:44,560

this for all of humanity and that we

1411

01:15:54,000 --> 01:15:49,510

don't need box names when you look at

1412

01:15:56,070 --> 01:15:54,010

how many wars in the last five to ten

1413

01:15:59,670 --> 01:15:56,080

thousand years have been fought on this

1414

01:16:03,600 --> 01:15:59,680

planet over whose God is superior to

1415

01:16:06,510 --> 01:16:03,610

another it puts it into perspective for

1416

01:16:09,390 --> 01:16:06,520

me that's right that we should we should

1417

01:16:13,640 --> 01:16:09,400

not be fighting each other or warring

1418

01:16:19,050 --> 01:16:13,650

with each other over some kind of

1419

01:16:23,180 --> 01:16:19,060

manipulated boxes when every single one

1420

01:16:27,090 --> 01:16:23,190

of us should have one common denominator

1421

01:16:30,540 --> 01:16:27,100

our souls and the relationship of the

1422

01:16:33,960 --> 01:16:30,550

souls to the divine field fighting over

1423

01:16:36,390 --> 01:16:33,970

imaginary borders right and and see and

1424

01:16:39,270 --> 01:16:36,400

and this is the thing and this is the

1425

01:16:43,860 --> 01:16:39,280

truth this is the bottom line the

1426

01:16:46,660 --> 01:16:43,870

knowledge of that we are not alone in

1427

01:16:49,600 --> 01:16:46,670

our galaxy or

1428

01:16:51,850 --> 01:16:49,610

the universe is exactly the

1429

01:16:56,520 --> 01:16:51,860

pressure-relief valve that and we need

1430

01:16:59,709 --> 01:16:56,530

to flip on this planet it will alleviate

1431

01:17:01,750 --> 01:16:59,719

everything and we would have a reason to

1432

01:17:03,970 --> 01:17:01,760

live we would have a reason to clean up

1433

01:17:07,120 --> 01:17:03,980

this planet Linda we would have a reason

1434

01:17:09,580 --> 01:17:07,130

to make friends we would have a hope for

1435

01:17:15,189 --> 01:17:09,590

the future you want to burn this planet

1436

01:17:19,060 --> 01:17:15,199

down tell everybody were alone you are

1437

01:17:24,490 --> 01:17:19,070

can you and your audience right now feel

1438

01:17:27,540 --> 01:17:24,500

the kind of pain a nausea that may be

1439

01:17:31,709 --> 01:17:27,550

between a half billion and a billion

1440

01:17:35,800 --> 01:17:31,719

creatures in Australia I know I know

1441

01:17:37,840 --> 01:17:35,810

that first time I saw that headline come

1442

01:17:40,570 --> 01:17:37,850

across and it was one scientist said

1443

01:17:43,150 --> 01:17:40,580

that he was estimating a billion I just

1444

01:17:46,439 --> 01:17:43,160

suddenly felt like I wanted to vomit yes

1445

01:17:51,100 --> 01:17:46,449

there is something about the fact that

1446

01:17:54,520 --> 01:17:51,110

life recognizing other life should

1447

01:17:57,430 --> 01:17:54,530

cherish it not want to kill it that's

1448

01:18:01,120 --> 01:17:57,440

right and that that what we are doing to

1449

01:18:05,410 --> 01:18:01,130

the whole planet if we don't get on top

1450

01:18:08,709 --> 01:18:05,420

of the carbon dioxide and methane then

1451

01:18:11,200 --> 01:18:08,719

we are going to have not just Australia

1452

01:18:14,169 --> 01:18:11,210

burning up we already have California

1453

01:18:19,390 --> 01:18:14,179

going through terrible periods and other

1454

01:18:24,520 --> 01:18:19,400

parts that just out of sheer love for

1455

01:18:29,050 --> 01:18:24,530

other life for all of the cats all of

1456

01:18:33,250 --> 01:18:29,060

the creatures for humans to say we are

1457

01:18:36,660 --> 01:18:33,260

going to do everything we can to just

1458

01:18:39,729 --> 01:18:36,670

help life survive on this planet and not

1459

01:18:43,750 --> 01:18:39,739

everything needs to come down to money

1460

01:18:49,709 --> 01:18:43,760

and profit and power brokers

1461

01:18:53,709 --> 01:18:49,719

I saw the when I first saw the image

1462

01:18:57,280 --> 01:18:53,719

that NASA put out of Australia and I'm

1463

01:18:58,440 --> 01:18:57,290

look at the entire country the entire

1464

01:19:02,880 --> 01:18:58,450

country

1465

01:19:07,710 --> 01:19:02,890

his glowing orange I know I wish I could

1466

01:19:11,100 --> 01:19:07,720

not buy I received some emails from some

1467

01:19:13,230 --> 01:19:11,110

people in Australia who like to come to

1468

01:19:17,550 --> 01:19:13,240

my earthfiles livestream on Wednesday

1469

01:19:20,700 --> 01:19:17,560

night and one of the person said I they

1470

01:19:23,190 --> 01:19:20,710

were down there was member when

1471

01:19:24,450 --> 01:19:23,200

everybody had to get to the beach just

1472

01:19:26,790 --> 01:19:24,460

to save their lives

1473

01:19:29,610 --> 01:19:26,800

it didn't whether they had clothes food

1474

01:19:32,160 --> 01:19:29,620

or water ever that was the only thing

1475

01:19:35,550 --> 01:19:32,170

the strip of beach and the fire was

1476

01:19:39,090 --> 01:19:35,560

coming right up to the sand and one of

1477

01:19:42,510 --> 01:19:39,100

the email said I was standing on the

1478

01:19:47,000 --> 01:19:42,520

porch of my house looking at all of the

1479

01:19:51,240 --> 01:19:47,010

red down at the beach and realizing I

1480

01:19:55,260 --> 01:19:51,250

did not know how but all of those people

1481

01:19:59,130 --> 01:19:55,270

on the beach we're going to need as much

1482

01:20:01,830 --> 01:19:59,140

help as they could get because all they

1483

01:20:05,460 --> 01:20:01,840

had was each other they had nothing else

1484

01:20:07,530 --> 01:20:05,470

just the strip of sand I was incredible

1485

01:20:11,160 --> 01:20:07,540

our our thoughts and prayers are with

1486

01:20:13,470 --> 01:20:11,170

everybody in Australia and I I can only

1487

01:20:16,380 --> 01:20:13,480

hope that everything is going to take

1488

01:20:20,070 --> 01:20:16,390

the turn that it needs to take but the

1489

01:20:23,040 --> 01:20:20,080

the creatures the you know the the

1490

01:20:27,990 --> 01:20:23,050

wildlife humans we can jump in a car

1491

01:20:31,320 --> 01:20:28,000

make a break for it we we have we have a

1492

01:20:33,930 --> 01:20:31,330

glimmer of hope they don't they don't

1493

01:20:36,810 --> 01:20:33,940

know what's going on third I'm Jimmy

1494

01:20:40,110 --> 01:20:36,820

yeah in one more thought from an

1495

01:20:42,270 --> 01:20:40,120

astronaut I used to go to the lunar and

1496

01:20:45,060 --> 01:20:42,280

planetary conference down in Houston

1497

01:20:48,390 --> 01:20:45,070

just about every year and I heard one of

1498

01:20:51,330 --> 01:20:48,400

the astronauts do a keynote one time

1499

01:20:54,300 --> 01:20:51,340

probably back about 80 1518 years ago

1500

01:20:56,070 --> 01:20:54,310

but it means he was thinking and NASA

1501

01:21:00,330 --> 01:20:56,080

was thinking and they were all thinking

1502

01:21:04,980 --> 01:21:00,340

about this and the whole keynote was we

1503

01:21:08,640 --> 01:21:04,990

must get a base on the moon we must work

1504

01:21:11,310 --> 01:21:08,650

to get a base on Mars because earth is

1505

01:21:12,040 --> 01:21:11,320

an unstable planet as beautiful and

1506

01:21:15,370 --> 01:21:12,050

wondrous

1507

01:21:18,670 --> 01:21:15,380

it is and it has been eight I see

1508

01:21:21,340 --> 01:21:18,680

snowball at least two or three times it

1509

01:21:23,410 --> 01:21:21,350

goes through patterns of dramatic

1510

01:21:29,440 --> 01:21:23,420

temperature changes and all kinds of

1511

01:21:32,530 --> 01:21:29,450

things and that humans have to now see

1512

01:21:35,940 --> 01:21:32,540

that getting to Mars however it's going

1513

01:21:40,750 --> 01:21:35,950

to be done getting a base on the moon

1514

01:21:42,970 --> 01:21:40,760

moving out further maybe the secret

1515

01:21:44,950 --> 01:21:42,980

space force that allegedly has been

1516

01:21:50,530 --> 01:21:44,960

there since the 70s and interstellar

1517

01:21:54,990 --> 01:21:50,540

trade that humanity will survive if we

1518

01:22:00,690 --> 01:21:55,000

can get ourselves based beyond the earth

1519

01:22:04,180 --> 01:22:00,700

but earth is going to take a whole new

1520

01:22:07,690 --> 01:22:04,190

relationship between humans going

1521

01:22:10,840 --> 01:22:07,700

forward or humanity will not survive

1522

01:22:14,140 --> 01:22:10,850

it's not a dramatic statement it is a

1523

01:22:17,110 --> 01:22:14,150

statement of fact we're coming up to 10

1524

01:22:21,430 --> 01:22:17,120

billion people estimated in another 10

1525

01:22:25,150 --> 01:22:21,440

or 15 years the earth right now is

1526

01:22:30,160 --> 01:22:25,160

showing us with fires and floods and

1527

01:22:32,350 --> 01:22:30,170

seismic events we can't go another 10 to

1528

01:22:36,730 --> 01:22:32,360

15 years and get to 10 billion people

1529

01:22:40,660 --> 01:22:36,740

and survive if we don't change our

1530

01:22:43,960 --> 01:22:40,670

entire relationship with the earth and

1531

01:22:47,020 --> 01:22:43,970

waste and hot what we're doing for

1532

01:22:50,050 --> 01:22:47,030

energy and how we cohabit with this

1533

01:22:53,710 --> 01:22:50,060

planet and that right now that may be

1534

01:22:56,590 --> 01:22:53,720

one of the big big consciousness changes

1535

01:23:01,060 --> 01:22:56,600

that begins to really take hold in this

1536

01:23:05,850 --> 01:23:01,070

new year I hope so and I honor the girl

1537

01:23:11,860 --> 01:23:05,860

in the in over in the visit Finland and

1538

01:23:15,220 --> 01:23:11,870

the her peers the young teenagers of

1539

01:23:17,680 --> 01:23:15,230

this planet who are everywhere they are

1540

01:23:21,280 --> 01:23:17,690

speaking out that we must help this

1541

01:23:22,960 --> 01:23:21,290

earth to help us to survive let's take

1542

01:23:24,379 --> 01:23:22,970

our break right here our guest tonight

1543

01:23:27,199 --> 01:23:24,389

Linda

1544

01:23:29,569 --> 01:23:27,209

and how now we started to get there and

1545

01:23:32,029 --> 01:23:29,579

we're gonna do when we come back we're

1546

01:23:34,459 --> 01:23:32,039

gonna talk about physics and are we

1547

01:23:36,229 --> 01:23:34,469

living in a simulation that's right

1548

01:23:37,459 --> 01:23:36,239

Linda Moulton Howe this is fade to black

1549

01:23:42,380 --> 01:23:37,469

I'm yours Jimmy Church

1550

01:23:52,670 --> 01:23:50,200

[Music]

1551

01:23:54,710 --> 01:23:52,680

welcome back fade to black

1552

01:23:57,380 --> 01:23:54,720

hi Marisa mature Chi can become an

1553

01:23:59,210 --> 01:23:57,390

official fade or not by going to our

1554

01:24:00,620 --> 01:23:59,220

membership section at Jimmy Church radio

1555

01:24:02,540 --> 01:24:00,630

calm click right there

1556

01:24:05,480 --> 01:24:02,550

get yourself one of those autographed

1557

01:24:07,370 --> 01:24:05,490

fade to black hats Linda Moulton Howes

1558

01:24:09,350 --> 01:24:07,380

got an autograph fade to black hat she

1559

01:24:10,610 --> 01:24:09,360

wears it all the time I've seen her do

1560

01:24:13,010 --> 01:24:10,620

it Linda

1561

01:24:17,420 --> 01:24:13,020

now this is the thing this is the thing

1562

01:24:20,810 --> 01:24:17,430

when I talked to physicists I've had

1563

01:24:23,060 --> 01:24:20,820

many on this show where I listened to

1564

01:24:25,130 --> 01:24:23,070

physicists like Brian green or Sean

1565

01:24:28,220 --> 01:24:25,140

Carroll we're gonna have Sean on this

1566

01:24:32,300 --> 01:24:28,230

show very excited about that and the and

1567

01:24:34,040 --> 01:24:32,310

you listen to what they are looking at

1568

01:24:36,080 --> 01:24:34,050

one they've got the equations they've

1569

01:24:38,720 --> 01:24:36,090

got the math and they've they're slowly

1570

01:24:43,160 --> 01:24:38,730

figuring things out and and and they're

1571

01:24:45,440 --> 01:24:43,170

cool with that what now the research the

1572

01:24:48,110 --> 01:24:45,450

one question mark for them is its

1573

01:24:49,760 --> 01:24:48,120

consciousness our soul where the heck

1574

01:24:52,420 --> 01:24:49,770

does that come from and can that be

1575

01:24:56,750 --> 01:24:52,430

turned into an equation by the way so

1576

01:25:01,100 --> 01:24:56,760

because that would certainly fill a lot

1577

01:25:03,470 --> 01:25:01,110

of holes in the puzzle but they know

1578

01:25:06,830 --> 01:25:03,480

that there is something else going on

1579

01:25:11,420 --> 01:25:06,840

here and what makes the transition you

1580

01:25:15,140 --> 01:25:11,430

know from atoms that everything is built

1581

01:25:17,090 --> 01:25:15,150

on in this universe to us being able to

1582

01:25:18,440 --> 01:25:17,100

think and talk like you and I are doing

1583

01:25:21,710 --> 01:25:18,450

right now on this show

1584

01:25:25,340 --> 01:25:21,720

what is consciousness and then they push

1585

01:25:28,160 --> 01:25:25,350

it one step further which is the multi

1586

01:25:32,300 --> 01:25:28,170

world theory multiple dimensions

1587

01:25:35,120 --> 01:25:32,310

parallel worlds entanglement and what is

1588

01:25:37,040 --> 01:25:35,130

involved with that and it may sound like

1589

01:25:39,440 --> 01:25:37,050

science fiction but this is where the

1590

01:25:44,020 --> 01:25:39,450

research is going now I'm not suggesting

1591

01:25:46,550 --> 01:25:44,030

something divine but I'm definitely not

1592

01:25:49,730 --> 01:25:46,560

suggesting that it's all by chance that

1593

01:25:53,240 --> 01:25:49,740

it's just the way things were and we

1594

01:25:56,600 --> 01:25:53,250

just are I'm not I'm not going there and

1595

01:25:59,000 --> 01:25:56,610

that's where the simulation or multi

1596

01:26:01,390 --> 01:25:59,010

world idea starts to come into play that

1597

01:26:05,350 --> 01:26:01,400

we may be living in

1598

01:26:09,520 --> 01:26:05,360

simulation are you okay with that yes

1599

01:26:14,890 --> 01:26:09,530

and I think that it is almost logical in

1600

01:26:19,000 --> 01:26:14,900

a strange way in December just about two

1601
01:26:23,640 --> 01:26:19,010
weeks ago I reposted a series that I did

1602
01:26:27,160 --> 01:26:23,650
is our universe also a 3d hologram and

1603
01:26:31,840 --> 01:26:27,170
one of the quotes at the top of part one

1604
01:26:34,990 --> 01:26:31,850
is by a man named Jason Padgett he is

1605
01:26:39,130 --> 01:26:35,000
co-author of a book from a few years ago

1606
01:26:41,260 --> 01:26:39,140
called the struck by genius and the

1607
01:26:48,330 --> 01:26:41,270
short story is that he had been at a

1608
01:26:51,700 --> 01:26:48,340
karaoke club somewhere and he out in the

1609
01:26:56,290 --> 01:26:51,710
the parking lot I'm seeing it right now

1610
01:26:59,380 --> 01:26:56,300
it was December 13th 2002 and he had

1611
01:27:03,310 --> 01:26:59,390
walked out of the karaoke club and some

1612
01:27:06,430 --> 01:27:03,320
people men who were there in Tacoma

1613
01:27:10,149 --> 01:27:06,440

Washington beat him up and they beat him

1614

01:27:13,020 --> 01:27:10,159

up so badly and including his head that

1615

01:27:17,380 --> 01:27:13,030

his skull and his brain were damaged

1616

01:27:18,970 --> 01:27:17,390

when he finally woke up and I did an

1617

01:27:22,930 --> 01:27:18,980

interview with him and I asked him about

1618

01:27:24,910 --> 01:27:22,940

that moment that he became conscious and

1619

01:27:28,419 --> 01:27:24,920

he'd been in the hospital for quite a

1620

01:27:31,540 --> 01:27:28,429

while that when he opened his eyes for

1621

01:27:34,709 --> 01:27:31,550

the first time everything around him he

1622

01:27:40,180 --> 01:27:34,719

said look like moving film strips of

1623

01:27:43,209 --> 01:27:40,190

images inside of frames and then he

1624

01:27:45,880 --> 01:27:43,219

began to see patterns after pattern

1625

01:27:49,060 --> 01:27:45,890

after pattern and they were in different

1626
01:27:52,780 --> 01:27:49,070
colors and then he realized that he was

1627
01:27:56,649 --> 01:27:52,790
seeing these patterns which we would

1628
01:27:59,830 --> 01:27:56,659
call fractals in everything no matter

1629
01:28:02,919 --> 01:27:59,840
what he was looking at it was as if he

1630
01:28:05,709 --> 01:28:02,929
was seeing somehow the energy pattern

1631
01:28:08,979 --> 01:28:05,719
that everything that was matter was made

1632
01:28:11,709 --> 01:28:08,989
up of and he said this very interesting

1633
01:28:15,520 --> 01:28:11,719
sentence to me that I put at the top of

1634
01:28:18,310 --> 01:28:15,530
my December 27 2019 report

1635
01:28:21,700 --> 01:28:18,320
is our universe also in 3d hologram and

1636
01:28:23,460 --> 01:28:21,710
he said I learned it doesn't seem like

1637
01:28:28,180 --> 01:28:23,470
the universe cares so much about

1638
01:28:32,680 --> 01:28:28,190

fairness as it does care that all things

1639

01:28:37,690 --> 01:28:32,690

that can happen do and there are

1640

01:28:40,420 --> 01:28:37,700

mathematical formulas and hypotheses

1641

01:28:44,560 --> 01:28:40,430

that have been emerging like the block

1642

01:28:48,420 --> 01:28:44,570

universe in which everything that has

1643

01:28:52,000 --> 01:28:48,430

ever happened could ever happen from

1644

01:28:56,020 --> 01:28:52,010

through infinity is in the block

1645

01:28:57,640 --> 01:28:56,030

universe it's a whole other concept

1646

01:29:01,690 --> 01:28:57,650

that's being taught down in the

1647

01:29:05,650 --> 01:29:01,700

Institute of time that is in Australia

1648

01:29:09,130 --> 01:29:05,660

they have an Institute of time well when

1649

01:29:13,420 --> 01:29:09,140

you get into these kinds of discussions

1650

01:29:16,300 --> 01:29:13,430

and talking with a Jason Padgett about

1651
01:29:20,680 --> 01:29:16,310
how he sees things since his brain was

1652
01:29:24,130 --> 01:29:20,690
hurt and that it's always fractals we

1653
01:29:27,400 --> 01:29:24,140
got into a discussion about the this

1654
01:29:30,820 --> 01:29:27,410
concept that's been around since but

1655
01:29:33,940 --> 01:29:30,830
Hopkins abductee human abductee Michael

1656
01:29:36,490 --> 01:29:33,950
Talbot released a book in the early 90s

1657
01:29:39,850 --> 01:29:36,500
called our holographic universe that's

1658
01:29:42,670 --> 01:29:39,860
right and it was only within a year and

1659
01:29:46,930 --> 01:29:42,680
a half after Michael Talbot had that

1660
01:29:50,860 --> 01:29:46,940
book published that he died and because

1661
01:29:53,670 --> 01:29:50,870
he had died on a conference airline trip

1662
01:29:57,610 --> 01:29:53,680
but Hopkins was sitting next to me and

1663
01:30:00,250 --> 01:29:57,620

the book had become a sensation and Budd

1664

01:30:03,720 --> 01:30:00,260

said I want to tell you something he

1665

01:30:06,550 --> 01:30:03,730

said Michael Talbot has been one of my

1666

01:30:09,430 --> 01:30:06,560

abductees that I have worked with with

1667

01:30:13,140 --> 01:30:09,440

missing time and all and he told me

1668

01:30:17,500 --> 01:30:13,150

about his book our holographic universe

1669

01:30:20,140 --> 01:30:17,510

was like a big download from the ETS

1670

01:30:24,580 --> 01:30:20,150

that Michael Talbot was dealing with

1671

01:30:28,150 --> 01:30:24,590

when he was alive and that our universe

1672

01:30:29,410 --> 01:30:28,160

is a hologram and I remember at the time

1673

01:30:31,540 --> 01:30:29,420

being confused

1674

01:30:34,000 --> 01:30:31,550

by that not understanding what that

1675

01:30:40,209 --> 01:30:34,010

meant well in the last four or five

1676
01:30:43,600 --> 01:30:40,219
years in discussions with physicists who

1677
01:30:46,229 --> 01:30:43,610
are working on these kinds of projects

1678
01:30:48,459 --> 01:30:46,239
there was one I talked with some

1679
01:30:51,939 --> 01:30:48,469
scientists who were at the University of

1680
01:30:54,790 --> 01:30:51,949
Southampton in the UK University of

1681
01:30:56,350 --> 01:30:54,800
Waterloo in and in Canada they were

1682
01:30:58,770 --> 01:30:56,360
working together

1683
01:31:04,110 --> 01:30:58,780
with Italian scientists all three

1684
01:31:06,280 --> 01:31:04,120
countries on this question of is there

1685
01:31:08,050 --> 01:31:06,290
substantial evidence that we're living

1686
01:31:11,760 --> 01:31:08,060
in a holographic universe and they

1687
01:31:15,990 --> 01:31:11,770
published a paper in January 30th of

1688
01:31:18,550 --> 01:31:16,000

2017 two years ago in which they are

1689

01:31:21,990 --> 01:31:18,560

putting forth that they think that there

1690

01:31:27,959 --> 01:31:22,000

is quite a bit of evidence that we are

1691

01:31:31,720 --> 01:31:27,969

well if this is a holographic universe

1692

01:31:35,530 --> 01:31:31,730

everybody seems to agree you could not

1693

01:31:37,270 --> 01:31:35,540

have the projector of the hologram

1694

01:31:40,630 --> 01:31:37,280

inside the universe

1695

01:31:43,840 --> 01:31:40,640

it must be outside and likely in a

1696

01:31:48,070 --> 01:31:43,850

completely different dimension when you

1697

01:31:50,830 --> 01:31:48,080

get to those sentences you say well if

1698

01:31:52,959 --> 01:31:50,840

this is a universe that is projected

1699

01:31:56,080 --> 01:31:52,969

from another dimension and that there

1700

01:31:59,110 --> 01:31:56,090

are mathematics in papers that are now

1701

01:32:00,180 --> 01:31:59,120

being done that seem to be pointing in

1702

01:32:05,430 --> 01:32:00,190

that direction

1703

01:32:08,890 --> 01:32:05,440

who what would be in another dimension

1704

01:32:15,700 --> 01:32:08,900

projecting the hologram that is our

1705

01:32:18,939 --> 01:32:15,710

universe how why who is it one and the

1706

01:32:24,520 --> 01:32:18,949

same as our discussion before the break

1707

01:32:26,970 --> 01:32:24,530

about the divine field right or is it

1708

01:32:32,290 --> 01:32:26,980

like Jerry wills

1709

01:32:35,410 --> 01:32:32,300

he is a man his wife is Cathy they have

1710

01:32:38,560 --> 01:32:35,420

been taking groups down to Peru for two

1711

01:32:40,870 --> 01:32:38,570

three decades the year they got married

1712

01:32:42,430 --> 01:32:40,880

and he was there I this is another

1713

01:32:44,140 --> 01:32:42,440

series that I have it or

1714

01:32:48,160 --> 01:32:44,150

files about Jerry wills and his

1715

01:32:52,450 --> 01:32:48,170

incredible interactions with a blonde et

1716

01:32:54,729 --> 01:32:52,460

and the blonde et may or may not have

1717

01:32:58,689 --> 01:32:54,739

been responsible for what happened to

1718

01:33:02,800 --> 01:32:58,699

Jerry in Peru but the short form is that

1719

01:33:05,250 --> 01:33:02,810

there was a huge red rock wall that had

1720

01:33:07,479 --> 01:33:05,260

a carved door and he was always

1721

01:33:12,490 --> 01:33:07,489

fascinated by why would there be a

1722

01:33:16,150 --> 01:33:12,500

carved door in red rock in Peru any

1723

01:33:19,959 --> 01:33:16,160

matter Shaymin who told him that through

1724

01:33:23,680 --> 01:33:19,969

centuries the Incas had always talked

1725

01:33:27,760 --> 01:33:23,690

about the gods or the other visitors

1726

01:33:31,870 --> 01:33:27,770

that would periodically come from inside

1727

01:33:36,189 --> 01:33:31,880

the rock out through the big carved door

1728

01:33:38,770 --> 01:33:36,199

and that there was also a way that you

1729

01:33:41,709 --> 01:33:38,780

could learn and the Shaymin told Jerry

1730

01:33:45,220 --> 01:33:41,719

he could teach him how you could stand

1731

01:33:49,689 --> 01:33:45,230

at the door or kneel at the rock door

1732

01:33:52,660 --> 01:33:49,699

and get in and Jerry wills studied it

1733

01:33:55,950 --> 01:33:52,670

and he said it was a frequency and he's

1734

01:33:59,700 --> 01:33:55,960

never given out the frequency but I

1735

01:34:04,050 --> 01:33:59,710

understand what the concept and Jerry

1736

01:34:07,870 --> 01:34:04,060

one is on this day with his new bride

1737

01:34:12,010 --> 01:34:07,880

watching Kathy was watching and saw her

1738

01:34:14,920 --> 01:34:12,020

husband disappear into the rock Jerry

1739

01:34:17,350 --> 01:34:14,930

point of view was that he was kneeling

1740

01:34:20,770 --> 01:34:17,360

trying to concentrate on this very

1741

01:34:24,250 --> 01:34:20,780

specific frequency that they Shaymin had

1742

01:34:27,310 --> 01:34:24,260

given him about moving into the door

1743

01:34:31,090 --> 01:34:27,320

that other dimensional's come through

1744

01:34:35,040 --> 01:34:31,100

the rock out into the earth what

1745

01:34:38,080 --> 01:34:35,050

happened is that Jerry found himself

1746

01:34:41,560 --> 01:34:38,090

moving rapidly and what he said was like

1747

01:34:43,830 --> 01:34:41,570

being inside of a pearl something that

1748

01:34:46,990 --> 01:34:43,840

was spherical but not a craft and that

1749

01:34:53,619 --> 01:34:47,000

he ends up moving to the universe at a

1750

01:35:03,750 --> 01:34:59,259

he ends up on an all-white whether you

1751

01:35:09,099 --> 01:35:03,760

want to call it a planet something and

1752

01:35:14,679 --> 01:35:09,109

Jerry feels like that he is surrounded

1753

01:35:17,409 --> 01:35:14,689

by something observing and he can't see

1754

01:35:20,379 --> 01:35:17,419

it he doesn't know what it is and then a

1755

01:35:26,439 --> 01:35:20,389

voice begins to speak in his mind

1756

01:35:29,919 --> 01:35:26,449

outside of him and the voice when it the

1757

01:35:33,310 --> 01:35:29,929

voice asks where did you come from and

1758

01:35:41,699 --> 01:35:33,320

Jerry says from Earth and this voice

1759

01:35:46,179 --> 01:35:41,709

says all earth oh yes we know it well

1760

01:35:49,689 --> 01:35:46,189

we are the ones who experimented with

1761

01:35:50,770 --> 01:35:49,699

creating a universe that you are now in

1762

01:35:55,779 --> 01:35:50,780

Wow

1763

01:35:59,649 --> 01:35:55,789

and takes Jerry somehow Jerry is still

1764

01:36:01,929 --> 01:35:59,659

not sure was it was he was he in his

1765

01:36:04,779 --> 01:36:01,939

mind the whole time or was he physically

1766

01:36:08,379 --> 01:36:04,789

being transported to see from another

1767

01:36:11,469 --> 01:36:08,389

point of view the universe that we live

1768

01:36:17,889 --> 01:36:11,479

in and we think is 13.8 billion light

1769

01:36:22,469 --> 01:36:17,899

years and the voice said we wanted to do

1770

01:36:28,629 --> 01:36:22,479

an experiment to see if we could find

1771

01:36:32,169 --> 01:36:28,639

the original source of life what a

1772

01:36:37,779 --> 01:36:32,179

concept that if could we find the

1773

01:36:44,439 --> 01:36:37,789

original source of life and we made your

1774

01:36:46,299 --> 01:36:44,449

universe and he said the problem is we

1775

01:36:49,569 --> 01:36:46,309

were going to make it of a certain

1776

01:36:53,139 --> 01:36:49,579

finite size so that we could experiment

1777

01:36:56,770 --> 01:36:53,149

with it but we have never been able to

1778

01:37:00,699 --> 01:36:56,780

stop its growing and you're in the

1779

01:37:06,279 --> 01:37:00,709

universe that we made to find how does

1780

01:37:07,570 --> 01:37:06,289

life begin well Jerry said I'm reporting

1781

01:37:11,790 --> 01:37:07,580

to you Linda what

1782

01:37:15,910 --> 01:37:11,800

exactly what I remember and in the end

1783

01:37:19,360 --> 01:37:15,920

whatever the reality of it is I I think

1784

01:37:22,360 --> 01:37:19,370

about Jerry wills experience in Peru at

1785

01:37:25,330 --> 01:37:22,370

that rock door and going out probably

1786

01:37:28,780 --> 01:37:25,340

two or three times a week and then the

1787

01:37:31,270 --> 01:37:28,790

reason is more and more things like all

1788

01:37:32,620 --> 01:37:31,280

these papers that keep coming forth that

1789

01:37:34,590 --> 01:37:32,630

there's more and more evidence that

1790

01:37:38,170 --> 01:37:34,600

we're in a holographic universe and

1791

01:37:41,530 --> 01:37:38,180

suddenly I remember one day I think it

1792

01:37:44,800 --> 01:37:41,540

was last summer it just hit me it was

1793

01:37:47,170 --> 01:37:44,810

like it was like my mind it just did

1794

01:37:50,920 --> 01:37:47,180

some kind of a like I walked into

1795

01:37:55,570 --> 01:37:50,930

another dimension in my own mind feeling

1796

01:37:59,590 --> 01:37:55,580

the truth that we are like in a video

1797

01:38:03,250 --> 01:37:59,600

game and we are the video players and it

1798

01:38:07,390 --> 01:38:03,260

is a metaphor like the matrix the can-do

1799

01:38:10,690 --> 01:38:07,400

Reeves matrix that the reality of this

1800

01:38:13,240 --> 01:38:10,700

universe could very well be that we are

1801

01:38:16,630 --> 01:38:13,250

the players in a video game

1802

01:38:20,910 --> 01:38:16,640

does that make the discussion about a

1803

01:38:25,330 --> 01:38:20,920

divine field and souls any less no it's

1804

01:38:28,780 --> 01:38:25,340

not at all it does the opposite yes it

1805

01:38:31,420 --> 01:38:28,790

means exactly thank you it means that

1806

01:38:35,770 --> 01:38:31,430

our consciousness which is where you

1807

01:38:40,500 --> 01:38:35,780

started this our consciousness is a

1808

01:38:43,510 --> 01:38:40,510

source linked to all that has ever

1809

01:38:47,500 --> 01:38:43,520

experimented that continues to evolve

1810

01:38:52,230 --> 01:38:47,510

that infinity we are related to it and

1811

01:38:55,630 --> 01:38:52,240

that consciousness consciousness where

1812

01:38:58,990 --> 01:38:55,640

everything at any given moment is

1813

01:39:01,390 --> 01:38:59,000

connected that's how remote viewers can

1814

01:39:05,010 --> 01:39:01,400

go to the ends of the universe or go to

1815

01:39:08,650 --> 01:39:05,020

Jupiter and that if we were all taught

1816

01:39:13,170 --> 01:39:08,660

that we had the ability in very special

1817

01:39:16,780 --> 01:39:13,180

brains to be able to relate to infinity

1818

01:39:20,410 --> 01:39:16,790

that we have a soul

1819

01:39:21,240 --> 01:39:20,420

that is eternal and was made eternally

1820

01:39:28,170 --> 01:39:21,250

in

1821

01:39:30,330 --> 01:39:28,180

everybody would as exactly as you said

1822

01:39:33,830 --> 01:39:30,340

there would be more reason to get up in

1823

01:39:38,430 --> 01:39:33,840

the morning and to live life without

1824

01:39:41,790 --> 01:39:38,440

abuse to ourselves and to others and

1825

01:39:46,970 --> 01:39:41,800

that we would feel like we were somehow

1826

01:39:50,780 --> 01:39:46,980

all part of some kind of a grand design

1827

01:39:55,310 --> 01:39:50,790

a grand design that is real and that

1828

01:39:58,980 --> 01:39:55,320

Jason Padgett being beaten up by Suggs

1829

01:40:02,280 --> 01:39:58,990

outside of a karaoke club I'm waking up

1830

01:40:05,760 --> 01:40:02,290

in a hospital and never ever again being

1831

01:40:09,690 --> 01:40:05,770

able to see anything without seeing the

1832

01:40:12,960 --> 01:40:09,700

fractal patterns of the energy from the

1833

01:40:17,730 --> 01:40:12,970

atomic molecular level up it's like he's

1834

01:40:22,530 --> 01:40:17,740

like a gracenote given to all of us he

1835

01:40:25,530 --> 01:40:22,540

is seeing the reality and we are living

1836

01:40:28,920 --> 01:40:25,540

the video players in the video game and

1837

01:40:31,800 --> 01:40:28,930

I find that exciting I don't find that

1838

01:40:35,430 --> 01:40:31,810

as being anything that would be

1839

01:40:39,240 --> 01:40:35,440
destructive to the history or religions

1840

01:40:42,470 --> 01:40:39,250
or philosophy of our planet that it is

1841

01:40:47,480 --> 01:40:42,480
time that we grow up and learn exactly

1842

01:40:52,140 --> 01:40:47,490
what this universe is what I find so

1843

01:40:53,580 --> 01:40:52,150
interesting is when we and I'm gonna

1844

01:40:56,000 --> 01:40:53,590
make this quick because I want your

1845

01:40:58,680 --> 01:40:56,010
response and I'm looking at the clock is

1846

01:41:01,190 --> 01:40:58,690
when we talk about entanglement and I've

1847

01:41:03,150 --> 01:41:01,200
talked to physicists about this rather a

1848

01:41:05,550 --> 01:41:03,160
communication with entanglement it's

1849

01:41:07,500 --> 01:41:05,560
just one atom at a time it's you know

1850

01:41:08,880 --> 01:41:07,510
the rotation of one and it could be

1851
01:41:10,530 --> 01:41:08,890
entangled with something on the other

1852
01:41:13,740 --> 01:41:10,540
side of the universe but it's a small

1853
01:41:18,540 --> 01:41:13,750
tiny bit of information they got it all

1854
01:41:21,510 --> 01:41:18,550
wrong if an advanced species an advanced

1855
01:41:25,620 --> 01:41:21,520
civilization and not only understands

1856
01:41:31,050 --> 01:41:25,630
physics and entanglement but and the

1857
01:41:32,680 --> 01:41:31,060
ability to entangle their brain with

1858
01:41:36,850 --> 01:41:32,690
mine Oh

1859
01:41:41,410 --> 01:41:36,860
of the atoms of their brain with all of

1860
01:41:45,490 --> 01:41:41,420
the atoms in my brain now we have not

1861
01:41:47,800 --> 01:41:45,500
only a communication but a network that

1862
01:41:50,860 --> 01:41:47,810
would entangle the entire universe and

1863
01:41:54,070 --> 01:41:50,870

the ability to do that is not only

1864

01:41:59,200 --> 01:41:54,080

communication but sharing of information

1865

01:42:02,709 --> 01:41:59,210

and visions of and downloads of and and

1866

01:42:06,250 --> 01:42:02,719

all that would encompass and that's

1867

01:42:09,790 --> 01:42:06,260

physics says an Einstein all the way

1868

01:42:13,180 --> 01:42:09,800

back that entanglement is real it has

1869

01:42:17,170 --> 01:42:13,190

been proven and published within the

1870

01:42:18,970 --> 01:42:17,180

last month about entanglement but is it

1871

01:42:24,310 --> 01:42:18,980

the answer to everything

1872

01:42:27,130 --> 01:42:24,320

I wrote a prologue in my glimpses of

1873

01:42:30,459 --> 01:42:27,140

other realities vol 2 it's my third of

1874

01:42:34,740 --> 01:42:30,469

four books and I wrote the prologue

1875

01:42:38,470 --> 01:42:34,750

because it was the single most profound

1876

01:42:42,280 --> 01:42:38,480

event in my life when I was about 21

1877

01:42:45,070 --> 01:42:42,290

years old and I was in the mountains and

1878

01:42:48,520 --> 01:42:45,080

I have talked about this at my

1879

01:42:52,380 --> 01:42:48,530

earthfiles YouTube broadcast and it is

1880

01:42:59,189 --> 01:42:52,390

in my book but it is worth dying that I

1881

01:43:03,580 --> 01:42:59,199

had this extraordinary experience of

1882

01:43:05,290 --> 01:43:03,590

seeing and feeling everything in a

1883

01:43:08,170 --> 01:43:05,300

mountain the trees the flowers

1884

01:43:11,290 --> 01:43:08,180

everything around me turned in to

1885

01:43:15,820 --> 01:43:11,300

pulsing orchid and white light how old

1886

01:43:20,250 --> 01:43:15,830

were you I was about 20 21 somewhere

1887

01:43:23,320 --> 01:43:20,260

right there okay and that as this

1888

01:43:27,270 --> 01:43:23,330

unfolded with seeing everything in

1889

01:43:30,939 --> 01:43:27,280

pulsing light and then having this

1890

01:43:33,189 --> 01:43:30,949

feeling of warm jello I wasn't me

1891

01:43:35,260 --> 01:43:33,199

wasn't my muscles or my nerves that did

1892

01:43:38,860 --> 01:43:35,270

this it was something outside me but

1893

01:43:43,060 --> 01:43:38,870

that I think is entanglement it's what

1894

01:43:46,430 --> 01:43:43,070

I'm heading for this warm jello feeling

1895

01:43:49,510 --> 01:43:46,440

as I stood there in complete and total

1896

01:43:52,210 --> 01:43:49,520

ah on a path on this mountain with

1897

01:43:56,090 --> 01:43:52,220

everything pulsing orchid white light

1898

01:43:59,000 --> 01:43:56,100

from this warm yellow lifted up my own

1899

01:44:00,950 --> 01:43:59,010

hands I would be I was totally conscious

1900

01:44:02,930 --> 01:44:00,960

I was totally aware but it was like

1901

01:44:05,680 --> 01:44:02,940

having multiple multiple multiple

1902

01:44:09,500 --> 01:44:05,690

consciousness all at the same time

1903

01:44:12,290 --> 01:44:09,510

entangled with the light and as my hands

1904

01:44:15,980 --> 01:44:12,300

came up being pulled up or pushed up

1905

01:44:18,380 --> 01:44:15,990

gently by this warm yellow feeling I'm

1906

01:44:20,660 --> 01:44:18,390

looking at my own hands in front of my

1907

01:44:23,720 --> 01:44:20,670

eyes and this thought voice has been

1908

01:44:26,750 --> 01:44:23,730

with me since I was a child said you are

1909

01:44:29,750 --> 01:44:26,760

one with the light the light is one with

1910

01:44:34,910 --> 01:44:29,760

you and you are in the hands of God

1911

01:44:39,050 --> 01:44:34,920

forever and then all of the pulsing

1912

01:44:41,960 --> 01:44:39,060

light slowly like a rheostat the

1913

01:44:45,260 --> 01:44:41,970

brightness of it started going down like

1914

01:44:47,990 --> 01:44:45,270

an account of ten as I'm standing there

1915

01:44:50,720 --> 01:44:48,000

looking at my eyes or looking at my

1916

01:44:55,250 --> 01:44:50,730

hands with my eyes with those words in

1917

01:45:00,700 --> 01:44:55,260

my mind and this thought voice also

1918

01:45:05,900 --> 01:45:00,710

further said basically this is the truth

1919

01:45:11,590 --> 01:45:05,910

this is what you are the earth is the

1920

01:45:18,140 --> 01:45:11,600

universe this pulsing light later on I

1921

01:45:20,030 --> 01:45:18,150

would have an experience like maybe only

1922

01:45:24,620 --> 01:45:20,040

it was only about five or seven years

1923

01:45:27,920 --> 01:45:24,630

ago where I had always had meditation

1924

01:45:30,170 --> 01:45:27,930

and I had always loved being out in the

1925

01:45:32,330 --> 01:45:30,180

Sun where most people don't like being

1926

01:45:36,350 --> 01:45:32,340

in the Sun I love being in the Sun I've

1927

01:45:39,860 --> 01:45:36,360

always felt energized by it and on this

1928

01:45:44,230 --> 01:45:39,870

one particular morning when I pulled a

1929

01:45:48,290 --> 01:45:44,240

shade up and the Sun came in on me

1930

01:45:51,680 --> 01:45:48,300

it felt suddenly again like that

1931

01:45:53,540 --> 01:45:51,690

pressure like that warm jello pressure

1932

01:45:54,920 --> 01:45:53,550

all the way back and they Idaho

1933

01:45:57,290 --> 01:45:54,930

mountains but this was here in

1934

01:46:00,200 --> 01:45:57,300

Albuquerque in my house pulling up a

1935

01:46:05,030 --> 01:46:00,210

shade and as I felt that

1936

01:46:12,020 --> 01:46:05,040

it was two things happen simultaneously

1937

01:46:17,600 --> 01:46:12,030

I felt hugged literally hugged by the

1938

01:46:22,970 --> 01:46:17,610

light it was the most wonderful agape

1939

01:46:28,870 --> 01:46:22,980

love oh my lord and simultaneously that

1940

01:46:33,610 --> 01:46:28,880

thought voice think entangling your soul

1941

01:46:38,930 --> 01:46:33,620

your molecules your atoms think

1942

01:46:41,930 --> 01:46:38,940

entangling all of you in this right at

1943

01:46:44,810 --> 01:46:41,940

this moment which is the sunlight coming

1944

01:46:49,250 --> 01:46:44,820

through the window which is entangling

1945

01:46:51,890 --> 01:46:49,260

with photons and Jimmy it was absolutely

1946

01:46:55,670 --> 01:46:51,900

one of the most glorious things outside

1947

01:46:58,820 --> 01:46:55,680

of Idaho was glorious this hug by the

1948

01:47:03,350 --> 01:46:58,830

light was glorious and I have now been

1949

01:47:06,380 --> 01:47:03,360

able to have that sort of dialogue or

1950

01:47:08,810 --> 01:47:06,390

that feeling that when I opened up the

1951

01:47:12,650 --> 01:47:08,820

shade every morning I have that feeling

1952

01:47:17,930 --> 01:47:12,660

of the hug and the entanglement and I

1953

01:47:23,090 --> 01:47:17,940

think that if we humans could be one and

1954

01:47:26,660 --> 01:47:23,100

we were taught how to entangle how to be

1955

01:47:30,950 --> 01:47:26,670

hugged by light that how could we ever

1956

01:47:33,440 --> 01:47:30,960

kill each other how could we ever paint

1957

01:47:38,480 --> 01:47:33,450

each other and that there is something

1958

01:47:41,510 --> 01:47:38,490

that seems to be moving us to become

1959

01:47:44,570 --> 01:47:41,520

aware of the holographic universe to

1960

01:47:47,450 --> 01:47:44,580

become aware that there is a profound

1961

01:47:52,250 --> 01:47:47,460

relationship that each of us can have

1962

01:47:55,580 --> 01:47:52,260

with light and that with light you begin

1963

01:48:01,490 --> 01:47:55,590

to feel something pushing your very soul

1964

01:48:06,260 --> 01:48:01,500

and once you begin to do that all of the

1965

01:48:10,730 --> 01:48:06,270

petty stuff seems to fall away and that

1966

01:48:14,270 --> 01:48:10,740

there is a kind of gloriousness about

1967

01:48:21,680 --> 01:48:18,750

physicists this is this is I think this

1968

01:48:27,450 --> 01:48:21,690

is where we're at right now in that

1969

01:48:32,130 --> 01:48:27,460

physicists have been trying to organize

1970

01:48:34,590 --> 01:48:32,140

all that there is into math so we can

1971

01:48:38,250 --> 01:48:34,600

understand right that it that has been

1972

01:48:40,320 --> 01:48:38,260

the goal to just get this down so we can

1973

01:48:43,230 --> 01:48:40,330

make sense of everything and we can

1974

01:48:46,340 --> 01:48:43,240

start to move forward and in that

1975

01:48:50,190 --> 01:48:46,350

pragmatic black-and-white world of

1976

01:48:55,380 --> 01:48:50,200

equations they are finding out as they

1977

01:48:58,050 --> 01:48:55,390

move along that this is not something

1978

01:49:01,050 --> 01:48:58,060

that was created by lightning you know

1979

01:49:03,900 --> 01:49:01,060

on a bunch of em amino acids on a

1980

01:49:08,690 --> 01:49:03,910

crystal in a riverbank right and that

1981

01:49:14,460 --> 01:49:08,700

DNA just appeared that they are now

1982

01:49:17,190 --> 01:49:14,470

taking a very hard look at to what this

1983

01:49:20,450 --> 01:49:17,200

electronic universe and pro you just

1984

01:49:23,730 --> 01:49:20,460

brought up protons right and light

1985

01:49:26,340 --> 01:49:23,740

photons are the particles of light and

1986

01:49:28,140 --> 01:49:26,350

they and Jimmy this is the what do you

1987

01:49:31,320 --> 01:49:28,150

call it the magic of the universe that's

1988

01:49:34,350 --> 01:49:31,330

right that if we entangled photons we

1989

01:49:36,630 --> 01:49:34,360

could have instantaneous communication

1990

01:49:38,730 --> 01:49:36,640

from one end of the universe to another

1991

01:49:40,920 --> 01:49:38,740

which is what the Chinese are now doing

1992

01:49:42,990 --> 01:49:40,930

with entangled photons on the moon

1993

01:49:46,290 --> 01:49:43,000

that's right they have the largest okay

1994

01:49:48,840 --> 01:49:46,300

and what does that mean because the

1995

01:49:52,110 --> 01:49:48,850

other side of many things that we hear

1996

01:49:54,930 --> 01:49:52,120

is Einstein said that there was a limit

1997

01:49:57,510 --> 01:49:54,940

to the speed of light 186,000 miles a

1998

01:50:00,840 --> 01:49:57,520

second and it takes eight minutes to get

1999

01:50:03,150 --> 01:50:00,850

light from the earth to Mars and so when

2000

01:50:06,090 --> 01:50:03,160

we finally have a base there we're going

2001
01:50:09,570 --> 01:50:06,100
to have an eight minute delay on getting

2002
01:50:13,050 --> 01:50:09,580
news from Mars but we will be getting it

2003
01:50:16,850 --> 01:50:13,060
eventually well if we could get into

2004
01:50:20,850 --> 01:50:16,860
this entanglement with photons this

2005
01:50:24,140 --> 01:50:20,860
magical magical incredible ingredient of

2006
01:50:26,939 --> 01:50:24,150
this universe we could have

2007
01:50:31,040 --> 01:50:26,949
instantaneous communication

2008
01:50:34,680 --> 01:50:31,050
and maybe eventually instantaneous

2009
01:50:37,919 --> 01:50:34,690
entangled travel that's where we might

2010
01:50:42,120 --> 01:50:37,929
get into portals but that entanglement

2011
01:50:45,240 --> 01:50:42,130
of photons seems like a completely

2012
01:50:47,729 --> 01:50:45,250
different physics from the hundred and

2013
01:50:52,620 --> 01:50:47,739

eighty-six thousand miles a second as a

2014

01:50:55,410 --> 01:50:52,630

law entanglement is outside of that

2015

01:50:58,350 --> 01:50:55,420

speed of light it's instantaneous its

2016

01:51:02,010 --> 01:50:58,360

instantaneous and there is no question

2017

01:51:04,169 --> 01:51:02,020

and linden but you know and for the

2018

01:51:07,020 --> 01:51:04,179

entire audience listening to me

2019

01:51:11,580 --> 01:51:07,030

I'm about to preach but this is this is

2020

01:51:15,689 --> 01:51:11,590

the reality of it every star above our

2021

01:51:18,900 --> 01:51:15,699

heads every star in the Milky Way every

2022

01:51:22,800 --> 01:51:18,910

star in every galaxy every star

2023

01:51:27,270 --> 01:51:22,810

everywhere has a friggin planet there

2024

01:51:27,930 --> 01:51:27,280

are 200 billion earth-like planets in

2025

01:51:32,220 --> 01:51:27,940

the Milky Way

2026

01:51:36,900 --> 01:51:32,230

200 billion the amount of life infinite

2027

01:51:40,560 --> 01:51:36,910

it's infinite it's infinite but those

2028

01:51:42,260 --> 01:51:40,570

species that are traveling a thousand

2029

01:51:46,950 --> 01:51:42,270

light years away from their home planet

2030

01:51:50,400 --> 01:51:46,960

are not waiting 2,000 years for a return

2031

01:51:54,990 --> 01:51:50,410

phone call it doesn't work that way

2032

01:51:57,209 --> 01:51:55,000

Linda I think it's very clear from

2033

01:52:01,350 --> 01:51:57,219

whistleblowers who know that we have

2034

01:52:04,590 --> 01:52:01,360

already been moving point-to-point we do

2035

01:52:08,189 --> 01:52:04,600

have physics that is whether it's in

2036

01:52:11,459 --> 01:52:08,199

collaboration with ETS the truth is that

2037

01:52:13,919 --> 01:52:11,469

we do have scientists we do have

2038

01:52:15,540 --> 01:52:13,929

military people who have moved to point

2039

01:52:18,870 --> 01:52:15,550

to point

2040

01:52:21,270 --> 01:52:18,880

which means portal and portal it is

2041

01:52:24,810 --> 01:52:21,280

where you are manipulating magnetic

2042

01:52:27,720 --> 01:52:24,820

fields and that you could go from as

2043

01:52:33,150 --> 01:52:27,730

Spartan one says in my documentary you

2044

01:52:35,370 --> 01:52:33,160

can walk in a step from Gakona Alaska to

2045

01:52:38,100 --> 01:52:35,380

a place in Hawaii because they've been

2046

01:52:40,770 --> 01:52:38,110

able to make those portals and the same

2047

01:52:44,160 --> 01:52:40,780

thing would apply going out into the

2048

01:52:47,850 --> 01:52:44,170

Milky Way galaxy that the nonhumans are

2049

01:52:51,359 --> 01:52:47,860

using portal technology to move they're

2050

01:52:53,399 --> 01:52:51,369

not doing Euclidean geometry traveling a

2051

01:52:57,959 --> 01:52:53,409

billion light years for a billion years

2052

01:53:02,129 --> 01:52:57,969

and this is where the excitement for me

2053

01:53:05,399 --> 01:53:02,139

where we if we could get past all the

2054

01:53:08,549 --> 01:53:05,409

geopolitical power broker stuff if we

2055

01:53:10,470 --> 01:53:08,559

could get past that money is the most

2056

01:53:14,189 --> 01:53:10,480

important thing in the universe and it's

2057

01:53:16,410 --> 01:53:14,199

not that life and being able to live

2058

01:53:19,470 --> 01:53:16,420

your heart and your soul is the most

2059

01:53:23,879 --> 01:53:19,480

important thing we could end up possibly

2060

01:53:28,919 --> 01:53:23,889

on an earth in which a vast number of

2061

01:53:31,740 --> 01:53:28,929

people would no joy what a concept right

2062

01:53:38,580 --> 01:53:31,750

well humans yes getting up and knowing

2063

01:53:40,470 --> 01:53:38,590

joy the the answer I I said this a few I

2064

01:53:42,120 --> 01:53:40,480

was probably a few years ago now a

2065

01:53:44,879 --> 01:53:42,130

couple of years ago probably after I

2066

01:53:50,549 --> 01:53:44,889

talked to you and I plagiarized but

2067

01:53:54,330 --> 01:53:50,559

enough of that is this Linda if if there

2068

01:53:58,950 --> 01:53:54,340

was one thing that would alleviate the

2069

01:54:00,959 --> 01:53:58,960

pressure on this planet is to get

2070

01:54:03,330 --> 01:54:00,969

together and I'm not talking about some

2071

01:54:08,040 --> 01:54:03,340

kumbaya thing I'm not I'm not going

2072

01:54:12,439 --> 01:54:08,050

there but to get together and build and

2073

01:54:17,580 --> 01:54:12,449

have a goal build us an interstellar

2074

01:54:21,660 --> 01:54:17,590

starship out in in orbit get the thing

2075

01:54:25,770 --> 01:54:21,670

built throw a few thousand people on it

2076

01:54:28,709 --> 01:54:25,780

and take off that's a goal it's a goal

2077

01:54:31,470 --> 01:54:28,719

it would unite the planet everybody

2078

01:54:34,609 --> 01:54:31,480

would would come together and understand

2079

01:54:37,620 --> 01:54:34,619

that this is our next stage in evolution

2080

01:54:41,459 --> 01:54:37,630

this is what we have to do and if that

2081

01:54:43,189 --> 01:54:41,469

had add one more lens on this that I

2082

01:54:46,319 --> 01:54:43,199

think we've already been doing that in

2083

01:54:49,470 --> 01:54:46,329

collaboration with friendly ETS since

2084

01:54:51,479 --> 01:54:49,480

the 70s more than one source has told me

2085

01:54:53,759 --> 01:54:51,489

that we have been in interstellar trade

2086

01:54:54,330 --> 01:54:53,769

that there have been humans who have

2087

01:54:57,270 --> 01:54:54,340

gone

2088

01:54:59,280 --> 01:54:57,280

on these big interstellar missions so

2089

01:55:01,590 --> 01:54:59,290

that means that we have had humans go to

2090

01:55:04,680 --> 01:55:01,600

other parts of the Milky Way galaxy that

2091

01:55:08,790 --> 01:55:04,690

doesn't surprise all but what I'm saying

2092

01:55:13,020 --> 01:55:08,800

is what I'm saying is go public go

2093

01:55:16,560 --> 01:55:13,030

public with this and settle this planet

2094

01:55:20,610 --> 01:55:16,570

down I mean you wouldn't want to go to

2095

01:55:23,340 --> 01:55:20,620

war if you know that we were doing that

2096

01:55:26,820 --> 01:55:23,350

and that's my point I think that would

2097

01:55:29,220 --> 01:55:26,830

just unify the planet yeah I just would

2098

01:55:33,120 --> 01:55:29,230

like all of the power brokers and

2099

01:55:36,330 --> 01:55:33,130

geopolitical systems to finally tell all

2100

01:55:39,570 --> 01:55:36,340

of the truth and that we would move from

2101

01:55:42,920 --> 01:55:39,580

a planet that has been lied to and is

2102

01:55:45,990 --> 01:55:42,930

lying and manipulated to one in which

2103

01:55:50,190 --> 01:55:46,000

everybody was getting the truth and that

2104

01:55:53,880 --> 01:55:50,200

when we went out into space that it was

2105

01:55:57,450 --> 01:55:53,890

a mission on behalf of humanity and the

2106

01:56:01,140 --> 01:55:57,460

earth to get a backup planet and it

2107

01:56:04,890 --> 01:56:01,150

might be one that within the 19 there's

2108

01:56:08,400 --> 01:56:04,900

I think there's 19 yellow Sun sort of

2109

01:56:11,040 --> 01:56:08,410

similar to our Sun between here and Zeta

2110

01:56:16,290 --> 01:56:11,050

Reticuli 1 and 2 which is about 40

2111

01:56:19,680 --> 01:56:16,300

light-years that if we felt like we were

2112

01:56:23,340 --> 01:56:19,690

on a planet in which there wasn't China

2113

01:56:26,700 --> 01:56:23,350

and Russia and the United States and the

2114

01:56:29,190 --> 01:56:26,710

Koreas and all against each other what

2115

01:56:32,310 --> 01:56:29,200

would it be like in which we weren't

2116

01:56:34,820 --> 01:56:32,320

worrying about attacks or attacking at a

2117

01:56:39,930 --> 01:56:34,830

geopolitical level on earth that

2118

01:56:45,480 --> 01:56:39,940

everything was going to get us as a

2119

01:56:49,230 --> 01:56:45,490

world into space to survive do you feel

2120

01:56:52,560 --> 01:56:49,240

that it is in our DNA something that we

2121

01:56:55,710 --> 01:56:52,570

could fix of course but do you think

2122

01:56:59,370 --> 01:56:55,720

it's in our DNA to eventually have

2123

01:57:02,580 --> 01:56:59,380

conflict do you remember an Arthur C

2124

01:57:04,729 --> 01:57:02,590

Clark's book in the Rama's series where

2125

01:57:06,020 --> 01:57:04,739

they you know they put you know I

2126

01:57:10,250 --> 01:57:06,030

forget the number of us like five

2127

01:57:12,379 --> 01:57:10,260

thousand humans on this ship and there

2128

01:57:15,470 --> 01:57:12,389

they take off right to leave the solar

2129

01:57:19,700 --> 01:57:15,480

system and all is good in the beginning

2130

01:57:24,129 --> 01:57:19,710

but eventually we have black markets we

2131

01:57:28,160 --> 01:57:24,139

have trades we have gangs we have

2132

01:57:32,140 --> 01:57:28,170

struggles for leadership and it was a

2133

01:57:35,540 --> 01:57:32,150

the micro version of the macro earth

2134

01:57:38,629 --> 01:57:35,550

right that no matter what inevitably

2135

01:57:40,669 --> 01:57:38,639

we're gonna go down that road do you

2136

01:57:44,330 --> 01:57:40,679

think we would take it to another planet

2137

01:57:48,620 --> 01:57:44,340

where it wouldn't be perfect that it's

2138

01:57:51,109 --> 01:57:48,630

just in our DNA to have conflict I think

2139

01:57:54,919 --> 01:57:51,119

you are hitting something that is a

2140

01:57:56,859 --> 01:57:54,929

truth that we were manipulated that that

2141

01:57:59,060 --> 01:57:56,869

sentence in that document said

2142

01:58:01,669 --> 01:57:59,070

extraterrestrial biological entities

2143

01:58:05,629 --> 01:58:01,679

manipulated DNA in already evolving

2144

01:58:08,989 --> 01:58:05,639

primates to create this series of humans

2145

01:58:15,140 --> 01:58:08,999

and I think that there is something in

2146

01:58:19,220 --> 01:58:15,150

the human DNA that's territorial that

2147

01:58:22,279 --> 01:58:19,230

competes and that all of those

2148

01:58:25,370 --> 01:58:22,289

ingredients they work two sides of the

2149

01:58:29,089 --> 01:58:25,380

street some of it is what gives people

2150

01:58:32,899 --> 01:58:29,099

the energy and the happiness to get out

2151
01:58:35,569 --> 01:58:32,909
into the world and make things and build

2152
01:58:38,390 --> 01:58:35,579
things and do things and have goals and

2153
01:58:40,910 --> 01:58:38,400
then there is the other part of that

2154
01:58:44,209 --> 01:58:40,920
same energy which is self-destructive

2155
01:58:47,149 --> 01:58:44,219
and they kind of are on two sides of the

2156
01:58:51,319 --> 01:58:47,159
same coin so you're making a really good

2157
01:58:56,270 --> 01:58:51,329
point and then the next to me then the

2158
01:59:00,439 --> 01:58:56,280
next thing is humans can learn and they

2159
01:59:02,989 --> 01:59:00,449
can grow and they can evolve and that we

2160
01:59:05,439 --> 01:59:02,999
maybe that is where we ultimately are

2161
01:59:10,100 --> 01:59:05,449
headed if we're going to survive is

2162
01:59:13,620 --> 01:59:10,110
entanglement with light the in the new

2163
01:59:18,570 --> 01:59:13,630

TV series Mars which is excellent

2164

01:59:20,580 --> 01:59:18,580

I'm waiting for season 3 now it it it

2165

01:59:23,820 --> 01:59:20,590

touches upon everything that we are

2166

01:59:26,100 --> 01:59:23,830

talking about here in that we establish

2167

01:59:29,220 --> 01:59:26,110

a colony on Mars and there was a second

2168

01:59:32,790 --> 01:59:29,230

colony on Mars and the two of them are

2169

01:59:36,090 --> 01:59:32,800

now one controls water one is you know

2170

01:59:38,880 --> 01:59:36,100

has electricity they're sharing it but

2171

01:59:41,910 --> 01:59:38,890

eventually what happens right power

2172

01:59:44,910 --> 01:59:41,920

struggle conflict and it we're just

2173

01:59:47,750 --> 01:59:44,920

talking about a few thousand people on

2174

01:59:52,140 --> 01:59:47,760

Mars the next thing you know it's

2175

01:59:54,990 --> 01:59:52,150

exactly what went down between Egypt and

2176
01:59:57,990 --> 01:59:55,000
or whatever in Jerusalem and Sarah all

2177
02:00:02,070 --> 01:59:58,000
of the classic conflicts throughout time

2178
02:00:04,920 --> 02:00:02,080
Rome are now happening on Mars is there

2179
02:00:10,620 --> 02:00:04,930
a way like with CRISPR technology right

2180
02:00:15,120 --> 02:00:10,630
to go in and do this snip snip on the

2181
02:00:16,560 --> 02:00:15,130
angst genes right the contact genes see

2182
02:00:18,990 --> 02:00:16,570
this is one of the most difficult

2183
02:00:22,590 --> 02:00:19,000
subjects in the history of the world

2184
02:00:26,960 --> 02:00:22,600
it's called eugenics the concept that

2185
02:00:31,110 --> 02:00:26,970
you would then somebody the you the they

2186
02:00:34,590 --> 02:00:31,120
would say we need humans that are all

2187
02:00:39,390 --> 02:00:34,600
like this right and genetically we will

2188
02:00:42,530 --> 02:00:39,400

make them well from everything that I

2189

02:00:45,710 --> 02:00:42,540

feel about the planet and I've traveled

2190

02:00:49,170 --> 02:00:45,720

everywhere on the earth except in

2191

02:00:53,790 --> 02:00:49,180

communist countries and stuff like that

2192

02:00:56,340 --> 02:00:53,800

it is the excitement of the unknown it

2193

02:01:00,750 --> 02:00:56,350

is the excitement of the differences it

2194

02:01:04,830 --> 02:01:00,760

is the richness of being with minds that

2195

02:01:08,910 --> 02:01:04,840

are not like yours that bodies that are

2196

02:01:12,030 --> 02:01:08,920

different and it seems to me that if we

2197

02:01:15,410 --> 02:01:12,040

were on a planet where every single

2198

02:01:19,080 --> 02:01:15,420

person had exactly the same IQ with

2199

02:01:23,490 --> 02:01:19,090

exactly the same shape exactly the same

2200

02:01:27,280 --> 02:01:23,500

everything it wouldn't be the vibrance

2201

02:01:29,470 --> 02:01:27,290

of Earth and there may be something at

2202

02:01:32,740 --> 02:01:29,480

out this experiment and I accept

2203

02:01:36,070 --> 02:01:32,750

completely that we are an experiment and

2204

02:01:39,550 --> 02:01:36,080

that the evolutionary models that went

2205

02:01:43,060 --> 02:01:39,560

through from Homo erectus and Denis

2206

02:01:45,760 --> 02:01:43,070

Sivan and Neanderthal and cro-magnon and

2207

02:01:48,190 --> 02:01:45,770

on and on and that there may be a lot of

2208

02:01:50,710 --> 02:01:48,200

hybrids on this planet right now which

2209

02:01:54,000 --> 02:01:50,720

is what Barbara lamb is convinced and

2210

02:01:57,430 --> 02:01:54,010

that the hybrids are an effort to

2211

02:02:01,420 --> 02:01:57,440

manipulate somehow the evolution of

2212

02:02:06,100 --> 02:02:01,430

consciousness on earth I accept all of

2213

02:02:11,380 --> 02:02:06,110

it because I really do think that there

2214

02:02:16,120 --> 02:02:11,390

is this divine field and want all of the

2215

02:02:18,790 --> 02:02:16,130

souls ultimately to choose to return to

2216

02:02:23,290 --> 02:02:18,800

the divine field and at the biggest

2217

02:02:26,970 --> 02:02:23,300

level then you would automatically in a

2218

02:02:29,590 --> 02:02:26,980

variety of all that is earth with

2219

02:02:33,310 --> 02:02:29,600

powerbrokers always trying to have more

2220

02:02:39,390 --> 02:02:33,320

than everybody else that something is at

2221

02:02:43,630 --> 02:02:39,400

work in which the power broking doesn't

2222

02:02:46,270 --> 02:02:43,640

answer all of the problems and that

2223

02:02:49,420 --> 02:02:46,280

humans are beginning to find within

2224

02:02:53,170 --> 02:02:49,430

themselves having to do with race having

2225

02:02:58,180 --> 02:02:53,180

to do with the sexual problems all of it

2226

02:03:00,700 --> 02:02:58,190

that if we could grow up more and we

2227

02:03:04,480 --> 02:03:00,710

would look at each other the way that

2228

02:03:11,110 --> 02:03:04,490

beautiful concept in Greece the agape

2229

02:03:15,180 --> 02:03:11,120

love agape love it's you look at a baby

2230

02:03:19,300 --> 02:03:15,190

or you look at a kitten or you look at a

2231

02:03:21,400 --> 02:03:19,310

precious life and you feel pressure in

2232

02:03:23,980 --> 02:03:21,410

your soul you feel pressure in your

2233

02:03:27,370 --> 02:03:23,990

chest looking at something that you

2234

02:03:32,440 --> 02:03:27,380

truly love and an agape level can bring

2235

02:03:35,950 --> 02:03:32,450

tears to me that is the level that all

2236

02:03:39,820 --> 02:03:35,960

humans really want everybody wants to be

2237

02:03:40,810 --> 02:03:39,830

happy and to know love and security

2238

02:03:42,819 --> 02:03:40,820

that's

2239

02:03:45,879 --> 02:03:42,829

really what everybody wants no matter

2240

02:03:48,600 --> 02:03:45,889

how they play it out and that this could

2241

02:03:52,709 --> 02:03:48,610

be that we as we go into space

2242

02:03:56,470 --> 02:03:52,719

ironically the cold difficult

2243

02:04:01,180 --> 02:03:56,480

challenging space trying to get a base

2244

02:04:03,850 --> 02:04:01,190

on Mars and the moon it could be that

2245

02:04:09,390 --> 02:04:03,860

that will be the beginning of when

2246

02:04:12,129 --> 02:04:09,400

humans on this earth began to understand

2247

02:04:15,850 --> 02:04:12,139

agape love with each other

2248

02:04:20,919 --> 02:04:15,860

if that happens we might survive as a

2249

02:04:23,169 --> 02:04:20,929

species yeah because when you it must be

2250

02:04:25,540 --> 02:04:23,179

this way I haven't traveled a space I

2251

02:04:30,300 --> 02:04:25,550

don't know if you have Linda but I

2252

02:04:34,319 --> 02:04:30,310

haven't traveled to space but certainly

2253

02:04:37,600 --> 02:04:34,329

listening to other astronauts that have

2254

02:04:41,649 --> 02:04:37,610

observed the planet from up there the

2255

02:04:43,959 --> 02:04:41,659

only conclusion that is consistent with

2256

02:04:47,680 --> 02:04:43,969

everybody that has had that opportunity

2257

02:04:54,580 --> 02:04:47,690

is that they look back at Earth seeing

2258

02:04:59,830 --> 02:04:54,590

it as nothing but fragile it is not what

2259

02:05:03,129 --> 02:04:59,840

you think it is right and that's we we

2260

02:05:04,510 --> 02:05:03,139

everybody needs that lesson right but we

2261

02:05:06,939 --> 02:05:04,520

can't do it everybody can't be an

2262

02:05:09,790 --> 02:05:06,949

astronaut but how do we convey that

2263

02:05:13,149 --> 02:05:09,800

thought to everybody on this planet and

2264

02:05:15,580 --> 02:05:13,159

certainly it would help and Jimmy that

2265

02:05:19,750 --> 02:05:15,590

is coming right back to how I felt when

2266

02:05:22,629 --> 02:05:19,760

I saw that headline half a billion to a

2267

02:05:25,240 --> 02:05:22,639

billion life forms in the last two weeks

2268

02:05:27,939 --> 02:05:25,250

and Australia may have died because of

2269

02:05:30,010 --> 02:05:27,949

all the fires and there was that feeling

2270

02:05:33,550 --> 02:05:30,020

of wanting to vomit and then there was

2271

02:05:37,240 --> 02:05:33,560

that feeling of wanting to cry with all

2272

02:05:40,629 --> 02:05:37,250

of that all of those animals all of

2273

02:05:44,229 --> 02:05:40,639

those species and all of the humans that

2274

02:05:48,280 --> 02:05:44,239

are there and when you feel that that to

2275

02:05:52,720 --> 02:05:48,290

me is the center core of our best that

2276

02:05:54,459 --> 02:05:52,730

we have that it is like entanglement we

2277

02:05:57,370 --> 02:05:54,469

are entangled

2278

02:06:00,580 --> 02:05:57,380

other life and when we feel it and when

2279

02:06:03,520 --> 02:06:00,590

we feel their agony then to me we are

2280

02:06:07,149 --> 02:06:03,530

beginning to grow up and evolve and we

2281

02:06:11,229 --> 02:06:07,159

are on a planet that is fragile and it

2282

02:06:15,540 --> 02:06:11,239

is unstable we may go through a lot more

2283

02:06:19,870 --> 02:06:15,550

volcanoes and earthquakes and floods and

2284

02:06:22,149 --> 02:06:19,880

whatever this experiment is about and I

2285

02:06:24,850 --> 02:06:22,159

think it is an experiment for at least

2286

02:06:29,950 --> 02:06:24,860

two million years from Homo erectus to

2287

02:06:31,959 --> 02:06:29,960

now there has been evidence and I've

2288

02:06:36,989 --> 02:06:31,969

talked with military whistleblowers who

2289

02:06:42,489 --> 02:06:36,999

have said we do have allies and they are

2290

02:06:44,890 --> 02:06:42,499

concerned about us and if those allies

2291

02:06:47,469 --> 02:06:44,900

out there that are not homo sapien

2292

02:06:51,700 --> 02:06:47,479

sapien but made the experiment on earth

2293

02:06:55,629 --> 02:06:51,710

and that some of the whistleblowers and

2294

02:06:59,229 --> 02:06:55,639

remo viewers feel strongly that we have

2295

02:07:03,549 --> 02:06:59,239

allies and they have concern that maybe

2296

02:07:05,950 --> 02:07:03,559

part of the experiment is exactly what

2297

02:07:08,979 --> 02:07:05,960

we are all living through and if we make

2298

02:07:11,049 --> 02:07:08,989

it and we get a base on Mars and the

2299

02:07:13,180 --> 02:07:11,059

moon and we finally get that headline

2300

02:07:16,359 --> 02:07:13,190

we're not alone in this universe and we

2301
02:07:18,609 --> 02:07:16,369
are finally introduced to the friendlies

2302
02:07:25,350 --> 02:07:18,619
and the neutrals and we learn about the

2303
02:07:28,629 --> 02:07:25,360
hostiles that when Jimmy entanglement

2304
02:07:35,830 --> 02:07:28,639
holographic universe other dimensions

2305
02:07:40,600 --> 02:07:35,840
other timelines all of it it won't be

2306
02:07:45,640 --> 02:07:40,610
words in a book it will be an entire

2307
02:07:49,680 --> 02:07:45,650
species that evolved for 2 million years

2308
02:07:54,549 --> 02:07:49,690
through everything it's been through and

2309
02:07:58,029 --> 02:07:54,559
comes out being able to travel in our

2310
02:08:01,020 --> 02:07:58,039
own solar system in the galaxy with

2311
02:08:05,799 --> 02:08:01,030
concepts of other dimensions other

2312
02:08:08,499 --> 02:08:05,809
timelines portals and then they will

2313
02:08:10,869 --> 02:08:08,509

start living it and maybe that's what

2314

02:08:13,989 --> 02:08:10,879

the experiment is about yeah because

2315

02:08:15,999 --> 02:08:13,999

when you know a simulation theory and

2316

02:08:18,419 --> 02:08:16,009

quantum mechanics and quantum theory and

2317

02:08:22,689 --> 02:08:18,429

theoretical physics and all of these

2318

02:08:25,419 --> 02:08:22,699

aspects of the equations come into play

2319

02:08:27,939 --> 02:08:25,429

because once one thing Falls everything

2320

02:08:30,699 --> 02:08:27,949

falls right and when that happens I

2321

02:08:33,579 --> 02:08:30,709

would say the majority of this planet

2322

02:08:34,569 --> 02:08:33,589

educated or not is gonna go well it

2323

02:08:37,619 --> 02:08:34,579

makes sense

2324

02:08:41,259 --> 02:08:37,629

because there had to be something more

2325

02:08:44,109 --> 02:08:41,269

this couldn't be all that there is and

2326

02:08:47,189 --> 02:08:44,119

then we move forward and I'm okay with

2327

02:08:50,109 --> 02:08:47,199

that Linda I really am I don't think

2328

02:08:52,749 --> 02:08:50,119

people are gonna go into shock

2329

02:08:54,099 --> 02:08:52,759

like were led to believe and there's one

2330

02:08:57,009 --> 02:08:54,109

last thing we were talking about

2331

02:09:00,689 --> 02:08:57,019

religion great conversation tonight by

2332

02:09:05,049 --> 02:09:00,699

the way thank you if there is a

2333

02:09:08,129 --> 02:09:05,059

depository of known fact on this planet

2334

02:09:11,229 --> 02:09:08,139

if there is truly a collection of

2335

02:09:13,059 --> 02:09:11,239

knowledge it resides underneath the

2336

02:09:15,129 --> 02:09:13,069

Vatican right they've been de they been

2337

02:09:21,849 --> 02:09:15,139

collecting this stuff for a very long

2338

02:09:24,759 --> 02:09:21,859

time is there a way to not necessarily

2339

02:09:28,539 --> 02:09:24,769

get at the information that could be

2340

02:09:30,609 --> 02:09:28,549

nearly impossible but to get the Vatican

2341

02:09:32,019 --> 02:09:30,619

to finally come out and address this

2342

02:09:35,249 --> 02:09:32,029

directly if we don't get it out of

2343

02:09:37,929 --> 02:09:35,259

Washington or another state actor

2344

02:09:40,449 --> 02:09:37,939

certainly the Vatican is in possession

2345

02:09:45,219 --> 02:09:40,459

of this information and they know what's

2346

02:09:48,399 --> 02:09:45,229

going on and sadly that whole evolution

2347

02:09:49,299 --> 02:09:48,409

was always one of power and competition

2348

02:09:53,469 --> 02:09:49,309

that's right

2349

02:09:58,239 --> 02:09:53,479

it's the biggest paradox it is truly a

2350

02:10:02,169 --> 02:09:58,249

paradox and when there is power and

2351

02:10:07,029 --> 02:10:02,179

competition the last thing that power

2352

02:10:12,299 --> 02:10:07,039

and competition wants is to reveal to

2353

02:10:16,989 --> 02:10:12,309

the world that there may be other truths

2354

02:10:20,049 --> 02:10:16,999

so it's strange we have military and

2355

02:10:22,510 --> 02:10:20,059

government power groups that they want

2356

02:10:25,900 --> 02:10:22,520

to control all of the knowledge because

2357

02:10:29,860 --> 02:10:25,910

that gives them the power and we the

2358

02:10:35,100 --> 02:10:29,870

people left in the dark and abused with

2359

02:10:39,100 --> 02:10:35,110

wise are something to get money from and

2360

02:10:41,530 --> 02:10:39,110

we are not considered to be an important

2361

02:10:44,020 --> 02:10:41,540

part of the equation and then strangely

2362

02:10:47,500 --> 02:10:44,030

when you come to some of the large

2363

02:10:49,570 --> 02:10:47,510

forces such as what has been behind the

2364

02:10:53,260 --> 02:10:49,580
evolution of the Vatican it's very

2365

02:10:55,780 --> 02:10:53,270
similar it's it's truly a similar the

2366

02:11:00,820 --> 02:10:55,790
military government and what has been

2367

02:11:04,210 --> 02:11:00,830
behind the Vatican so to get all of that

2368

02:11:06,930 --> 02:11:04,220
material that would be in those vaults

2369

02:11:10,870 --> 02:11:06,940
of the Vatican that would possibly

2370

02:11:18,040 --> 02:11:10,880
contradict some of the they will call it

2371

02:11:22,000 --> 02:11:18,050
the the knowledge does that make sense

2372

02:11:25,570 --> 02:11:22,010
of boxed knowledge the dogma the dog box

2373

02:11:28,930 --> 02:11:25,580
in in very certain rules and may not

2374

02:11:32,110 --> 02:11:28,940
have anything to do with truth right box

2375

02:11:35,860 --> 02:11:32,120
knowledge wants to protect its box

2376

02:11:38,230 --> 02:11:35,870

knowledge and whether it's military

2377

02:11:40,920 --> 02:11:38,240

whether it's government whether it's

2378

02:11:44,920 --> 02:11:40,930

billionaires whether it's box knowledge

2379

02:11:50,050 --> 02:11:44,930

the one constant challenge on this

2380

02:11:54,880 --> 02:11:50,060

planet is how do we burst open the facts

2381

02:11:57,340 --> 02:11:54,890

and the truth when there are power

2382

02:12:00,910 --> 02:11:57,350

brokers who consider that a threat and

2383

02:12:04,510 --> 02:12:00,920

that to me is what this next big

2384

02:12:07,450 --> 02:12:04,520

revolution has to be about we have to

2385

02:12:08,050 --> 02:12:07,460

break open all of the box knowledge is

2386

02:12:11,440 --> 02:12:08,060

and power

2387

02:12:16,360 --> 02:12:11,450

broken to something that begins to

2388

02:12:22,870 --> 02:12:16,370

resemble what the real truth is and how

2389

02:12:25,930 --> 02:12:22,880

it happened I think that sometimes in

2390

02:12:28,060 --> 02:12:25,940

your own life have you ever had

2391

02:12:31,600 --> 02:12:28,070

something happen that was just so

2392

02:12:33,190 --> 02:12:31,610

stunning and so shocking and you

2393

02:12:35,780 --> 02:12:33,200

couldn't have prepared for it you

2394

02:12:38,180 --> 02:12:35,790

couldn't have created it and

2395

02:12:40,670 --> 02:12:38,190

how something in your life just explodes

2396

02:12:45,920 --> 02:12:40,680

and you go a completely different

2397

02:12:48,410 --> 02:12:45,930

direction that to me is the sign of the

2398

02:12:51,410 --> 02:12:48,420

divine field interacting with this

2399

02:12:54,980 --> 02:12:51,420

creation and that may be what it's going

2400

02:12:59,060 --> 02:12:54,990

to take on this planet and it may Jimmy

2401

02:13:04,070 --> 02:12:59,070

it may come through all of this we'll

2402

02:13:06,500 --> 02:13:04,080

call it the unstable struggle that we

2403

02:13:09,890 --> 02:13:06,510

are all going to have with a planet that

2404

02:13:13,610 --> 02:13:09,900

is going through warming and instability

2405

02:13:19,730 --> 02:13:13,620

and then what happens to the surface

2406

02:13:21,740 --> 02:13:19,740

life here here Linda Moulton Howe what a

2407

02:13:25,220 --> 02:13:21,750

great conversation tonight and we didn't

2408

02:13:26,930 --> 02:13:25,230

even get into we'll do it next time we

2409

02:13:29,510 --> 02:13:26,940

didn't talk about climate change and

2410

02:13:30,710 --> 02:13:29,520

that's a whole show in itself anyway but

2411

02:13:33,020 --> 02:13:30,720

you're going to be out here with this

2412

02:13:36,050 --> 02:13:33,030

February 7th and 10th conscious life

2413

02:13:42,320 --> 02:13:36,060

Expo what are you going to be presenting

2414

02:13:46,790 --> 02:13:42,330

this year I am doing two updates one on

2415

02:13:49,670 --> 02:13:46,800

all my business magnesium zinc work that

2416

02:13:54,530 --> 02:13:49,680

people have heard about through my books

2417

02:13:56,600 --> 02:13:54,540

and through earth files and PTSA but I

2418

02:13:59,050 --> 02:13:56,610

have something I think that's going to

2419

02:14:02,630 --> 02:13:59,060

be very special to share with people

2420

02:14:05,330 --> 02:14:02,640

about why this layered metal might be

2421

02:14:07,730 --> 02:14:05,340

really important and then I'm going to

2422

02:14:10,700 --> 02:14:07,740

be doing an update on all of my

2423

02:14:14,030 --> 02:14:10,710

Antarctica work because I've done the

2424

02:14:16,520 --> 02:14:14,040

film that is out and I have talked to

2425

02:14:19,610 --> 02:14:16,530

everybody about Spartan 1 and 2 well I

2426
02:14:22,460 --> 02:14:19,620
have been getting other whistleblowers

2427
02:14:25,280 --> 02:14:22,470
with other information even other

2428
02:14:28,990 --> 02:14:25,290
photographs and I'm going to be doing an

2429
02:14:32,090 --> 02:14:29,000
update from whistleblowers on Antarctica

2430
02:14:35,570 --> 02:14:32,100
architecture that is definitely there at

2431
02:14:37,670 --> 02:14:35,580
least two miles under ice and ask Barton

2432
02:14:42,920 --> 02:14:37,680
one said to me the first time we met and

2433
02:14:45,590 --> 02:14:42,930
talked what right does any power broker

2434
02:14:49,910 --> 02:14:45,600
on the earth this century or any other

2435
02:14:52,580 --> 02:14:49,920
century has to keep human

2436
02:14:56,570 --> 02:14:52,590
from knowing that there are huge

2437
02:14:58,610 --> 02:14:56,580
structures not made by humans deep under

2438
02:15:00,350 --> 02:14:58,620

the ice of Antarctica and they could be

2439

02:15:04,880 --> 02:15:00,360

thirty four million years old

2440

02:15:07,430 --> 02:15:04,890

why do we all not have a right to know

2441

02:15:10,760 --> 02:15:07,440

everything that is there what right do

2442

02:15:12,979 --> 02:15:10,770

they have the answer is none Linda

2443

02:15:15,620 --> 02:15:12,989
