

JULY 2, 2020 **LIVE**

10:00 PM ET | 08:00 PM MT | 07:00 PM PT

RICHARD DOLAN
UFO/UAP NEWS

F2B
with Jimmy Church

#F2B_jimmychurchradio.com

1
00:00:04,970 --> 00:00:04,340
and our lunch as the eating parts was

2
00:00:13,039 --> 00:00:04,980
over

3
00:00:15,320 --> 00:00:13,049
Rita you know I love you but I just

4
00:00:18,890 --> 00:00:15,330
gotta I gotta tell the whole story

5
00:00:24,470 --> 00:00:18,900
Rita leans over into my ear and goes we

6
00:00:29,120 --> 00:00:24,480
gotta go if we don't leave now we're

7
00:00:38,090 --> 00:00:34,520
she was right I mean it was full-on it

8
00:00:40,760 --> 00:00:38,100
was going down and the passion of this

9
00:00:44,240 --> 00:00:40,770
conversation was right out front nobody

10
00:00:48,500 --> 00:00:44,250
was hiding anything and all it said to

11
00:00:50,000 --> 00:00:48,510
me said - Rita - you know as we're

12
00:00:54,680 --> 00:00:50,010
leaning back and we're listening to this

13
00:00:59,060 --> 00:00:54,690

this is what people are thinking and

14

00:01:00,410 --> 00:00:59,070

talking about this is what's going on in

15

00:01:04,609 --> 00:01:00,420

society today

16

00:01:06,410 --> 00:01:04,619

now I'm not sure I didn't ask I'm not

17

00:01:08,630 --> 00:01:06,420

sure everybody was getting their

18

00:01:10,640 --> 00:01:08,640

information they don't listen to fade to

19

00:01:12,440 --> 00:01:10,650

black as a matter of fact a couple of

20

00:01:14,060 --> 00:01:12,450

people at the table were like so uh what

21

00:01:18,350 --> 00:01:14,070

have you been up to in the last eight

22

00:01:20,990 --> 00:01:18,360

years well you know oh really oh that's

23

00:01:24,649 --> 00:01:21,000

interesting they didn't know they didn't

24

00:01:28,210 --> 00:01:24,659

have any idea now they don't listen to

25

00:01:32,870 --> 00:01:28,220

fade to black but all of them were very

26

00:01:36,980 --> 00:01:32,880

educated in conspiracy theory now

27

00:01:40,149 --> 00:01:36,990

picture this for a second one was an

28

00:01:44,499 --> 00:01:40,159

artist is an artist talented artist

29

00:01:49,880 --> 00:01:44,509

talented another one works in an office

30

00:01:52,130 --> 00:01:49,890

another is a truck driver owns a fleet

31

00:01:55,730 --> 00:01:52,140

of trucks and another owns his own

32

00:02:00,980 --> 00:01:55,740

logistics company all of them all of

33

00:02:04,060 --> 00:02:00,990

them met for the first time so then I

34

00:02:07,310 --> 00:02:04,070

turn to the table and I asked would

35

00:02:13,550 --> 00:02:07,320

would anybody here get the colvett

36

00:02:18,260 --> 00:02:13,560

vaccine and the entire table

37

00:02:21,260 --> 00:02:18,270

said no at the same time and I reacted I

38

00:02:23,770 --> 00:02:21,270

kind of laughed out loud it copied by

39

00:02:26,660 --> 00:02:23,780

surprise but it was just a chorus right

40

00:02:30,250 --> 00:02:26,670

now at that point I sit back and I

41

00:02:32,900 --> 00:02:30,260

listen to their reasons why all of them

42

00:02:35,390 --> 00:02:32,910

all of the reasons we have heard before

43

00:02:38,059 --> 00:02:35,400

it was like listening to the Dell big

44

00:02:43,250 --> 00:02:38,069

tree show actually but it just wasn't

45

00:02:45,979 --> 00:02:43,260

Dell these are your average people that

46

00:02:49,880 --> 00:02:45,989

are just walking around the streets

47

00:02:51,770 --> 00:02:49,890

right now but they have investigated

48

00:02:55,009 --> 00:02:51,780

they have research they have listened to

49

00:02:58,160 --> 00:02:55,019

they are very well informed and have

50

00:03:02,720 --> 00:02:58,170

come to their own conclusions based on

51
00:03:05,360 --> 00:03:02,730
data from both sides I listen to this I

52
00:03:08,960 --> 00:03:05,370
couldn't believe it they get it they

53
00:03:12,970 --> 00:03:08,970
understand at that point I threw this

54
00:03:16,520 --> 00:03:12,980
out there I said isn't it strange that

55
00:03:20,060 --> 00:03:16,530
all of these conspiracy theories used to

56
00:03:23,090 --> 00:03:20,070
be considered way out there right that

57
00:03:26,360 --> 00:03:23,100
all of this stuff was was was left

58
00:03:29,120 --> 00:03:26,370
before the crazy people and here we are

59
00:03:30,229 --> 00:03:29,130
right now discussing it out of the open

60
00:03:34,699 --> 00:03:30,239
right

61
00:03:37,309 --> 00:03:34,709
and Andy sitting to my left he says this

62
00:03:45,559 --> 00:03:37,319
has always been the plan man they've

63
00:03:49,099 --> 00:03:45,569

been working on it for decades oh man

64
00:03:51,620 --> 00:03:49,109
and somebody from across the table comes

65
00:03:54,110 --> 00:03:51,630
back with I know right you know this has

66
00:03:57,289 --> 00:03:54,120
been in the works for a long time they

67
00:04:00,199 --> 00:03:57,299
start in on this conversation

68
00:04:06,949 --> 00:04:00,209
Rita leans over whispers in my ear and

69
00:04:11,199 --> 00:04:06,959
she's like okay Church let's go we got

70
00:04:15,949 --> 00:04:11,209
up set our good-byes and and we left and

71
00:04:19,310 --> 00:04:15,959
once we got out to the car I turned to

72
00:04:21,020 --> 00:04:19,320
Rita and it was it was it was nuts man

73
00:04:23,480 --> 00:04:21,030
it was crazy and I turned to wrist start

74
00:04:26,330 --> 00:04:23,490
at the car and like put it in Drive and

75
00:04:26,860 --> 00:04:26,340
I turned to read I go I swear I didn't

76

00:04:33,159 --> 00:04:26,870

start the

77

00:04:36,909 --> 00:04:33,169

conversation she we laughed and and on

78

00:04:43,900 --> 00:04:36,919

the way home Rita said conspiracy is the

79

00:04:47,320 --> 00:04:43,910

new normal and it really is it this

80

00:04:52,750 --> 00:04:47,330

conversation went on for it was about an

81

00:04:56,080 --> 00:04:52,760

hour hour and a half I I know what

82

00:04:56,980 --> 00:04:56,090

you're thinking and in any other

83

00:04:59,230 --> 00:04:56,990

environment

84

00:05:01,450 --> 00:04:59,240

I'm the instigator here and I and I am

85

00:05:03,120 --> 00:05:01,460

and I can dig that you know you want to

86

00:05:08,740 --> 00:05:03,130

get the conversation going and things

87

00:05:12,400 --> 00:05:08,750

this this time around it wasn't me and I

88

00:05:15,279 --> 00:05:12,410

am I am I was most impressed with this

89

00:05:17,710 --> 00:05:15,289

and I guess this is this is my point to

90

00:05:20,860 --> 00:05:17,720

all of this I was most impressed with

91

00:05:25,210 --> 00:05:20,870

the knowledge but the knowledge because

92

00:05:27,340 --> 00:05:25,220

every time and all of the convey

93

00:05:30,159 --> 00:05:27,350

everything was discussed but but they

94

00:05:35,050 --> 00:05:30,169

got into details and they're flying back

95

00:05:36,310 --> 00:05:35,060

and forth with this and and in in any of

96

00:05:38,860 --> 00:05:36,320

their situation I'm kind of

97

00:05:40,900 --> 00:05:38,870

kick-starting it or adding on tidbits or

98

00:05:43,180 --> 00:05:40,910

that's where this this is where that

99

00:05:47,320 --> 00:05:43,190

came from it is who said that I didn't

100

00:05:49,330 --> 00:05:47,330

have to do any of it and and oh oh I do

101
00:05:53,830 --> 00:05:49,340
want to stress this they didn't quote

102
00:05:56,230 --> 00:05:53,840
anybody he didn't quote anybody like I I

103
00:05:58,779 --> 00:05:56,240
saw this out of YouTube channel I heard

104
00:06:01,450 --> 00:05:58,789
this on Alex Jones I saw this on Fox

105
00:06:05,589 --> 00:06:01,460
News I read this on CNN they didn't say

106
00:06:09,339 --> 00:06:05,599
anything like that very well researched

107
00:06:14,200 --> 00:06:09,349
it was impressive and scary at the same

108
00:06:17,640 --> 00:06:14,210
time but the good news is it's world UFO

109
00:06:20,290 --> 00:06:17,650
day and tonight here on fade to black

110
00:06:24,490 --> 00:06:20,300
Richard but take a quick break and when

111
00:06:25,950 --> 00:06:24,500
I come back it's UFOs and you AP's all

112
00:06:28,510 --> 00:06:25,960
day long

113
00:06:31,670 --> 00:06:28,520

yes and I'll be right back after this

114

00:06:36,570 --> 00:06:31,680

short break by the way I'm good

115

00:06:38,340 --> 00:06:36,580

yeah it's nice in here I'll be right

116

00:07:08,920 --> 00:06:38,350

back stay with us

117

00:07:11,409 --> 00:07:08,930

[Music]

118

00:07:13,450 --> 00:07:11,419

this is Nicole Church daughter of

119

00:07:15,430 --> 00:07:13,460

you-know-who and you're listening to

120

00:07:20,620 --> 00:07:15,440

fade to black on Jimmy Church radio.com

121

00:07:25,790 --> 00:07:20,630

and the GameChanger network you're

122

00:07:25,800 --> 00:07:33,360

[Music]

123

00:07:42,939 --> 00:07:40,659

are a radio when you take the beams from

124

00:07:45,460 --> 00:07:42,949

Central America with dashes of

125

00:07:47,890 --> 00:07:45,470

Indonesian and African mixed in and then

126

00:07:50,740 --> 00:07:47,900

roast it to the dark side of fade to

127

00:07:53,890 --> 00:07:50,750

black you create the ultimate brew of

128

00:07:57,640 --> 00:07:53,900

Fringe introducing the fade to black

129

00:08:00,250 --> 00:07:57,650

blend from River moon coffee yes River

130

00:08:01,900 --> 00:08:00,260

moons darkest customized roast was

131

00:08:05,529 --> 00:08:01,910

created for the love of

132

00:08:08,080 --> 00:08:05,539

fade to black the alchemy of masterful

133

00:08:11,320 --> 00:08:08,090

roasting and smoking the beans is in

134

00:08:15,520 --> 00:08:11,330

every sip of this full-bodied dark Java

135

00:08:17,830 --> 00:08:15,530

I need my coffee dog deep with distinct

136

00:08:20,560 --> 00:08:17,840

bittersweet chocolate highlights just

137

00:08:22,990 --> 00:08:20,570

like the bunker leaning further into the

138

00:08:26,260 --> 00:08:23,000

darkness of the roast is fade to black

139

00:08:27,939 --> 00:08:26,270

blend from river moon coffee just click

140

00:08:31,240 --> 00:08:27,949

on the banner at Jimmy Church radio.com

141

00:08:36,180 --> 00:08:31,250

and use the promo code F to B blend for

142

00:08:38,440 --> 00:08:36,190

15% off of your order today gobekli tepe

143

00:08:41,949 --> 00:08:38,450

this is Jimmy Church of fade to black

144

00:08:44,260 --> 00:08:41,959

and you can get our podcast for just \$2

145

00:08:46,780 --> 00:08:44,270

per month all you have to do is click on

146

00:08:51,519 --> 00:08:46,790

the podcast banner over at Jimmy Church

147

00:08:53,890 --> 00:08:51,529

radio.com hi folks its trembling x and

148

00:08:56,230 --> 00:08:53,900

fear is pushing emotions which in turn

149

00:08:57,910 --> 00:08:56,240

pushes health the wrong direction do you

150

00:09:00,880 --> 00:08:57,920

ever get an ache because life is uneasy

151

00:09:02,680 --> 00:09:00,890

try life change t get the t.com life

152

00:09:04,630 --> 00:09:02,690

change t works on your digestive tract

153

00:09:07,000 --> 00:09:04,640

helping to move food through quicker and

154

00:09:09,100 --> 00:09:07,010

comfortably so your health is spot on

155

00:09:11,170 --> 00:09:09,110

life changed he may not help with world

156

00:09:13,750 --> 00:09:11,180

issues but it will help with your

157

00:09:16,870 --> 00:09:13,760

digestive issues a glass a day helps

158

00:09:17,530 --> 00:09:16,880

keep the intruders away so change your

159

00:09:20,699 --> 00:09:17,540

life today

160

00:09:22,809 --> 00:09:20,709

log on to get the t.com that's get the

161

00:09:25,599 --> 00:09:22,819

t.com if your health

162

00:09:28,239 --> 00:09:25,609

is off get on by ordering life change t

163

00:09:30,609 --> 00:09:28,249

get the t.com and while you're on our

164

00:09:32,619 --> 00:09:30,619

site look around at the great non-gmo

165

00:09:35,469 --> 00:09:32,629

organic supplements and if you're a sale

166

00:09:37,269 --> 00:09:35,479

shopper go to our specials page and see

167

00:09:39,400 --> 00:09:37,279

what's for you I've been drinking the

168

00:09:41,889 --> 00:09:39,410

tea for 12 years and I'm sure glad for

169

00:09:46,509 --> 00:09:41,899

its health benefits again that's get the

170

00:09:52,529 --> 00:09:46,519

t-dot-com get the t.com the Teta makes

171

00:09:54,759 --> 00:09:52,539

you go 9 out of 10 geneticists agreed

172

00:10:00,129 --> 00:09:54,769

fade to black

173

00:10:03,509 --> 00:10:00,139

is not your father's radio show on the

174

00:10:08,409 --> 00:10:03,519

game changer of Radio Network and K GRA

175

00:10:10,269 --> 00:10:08,419

the planets hi this is Rob Reiner from

176

00:10:20,510 --> 00:10:10,279

Apple and you're listening to Jimmy

177

00:10:36,650 --> 00:10:28,660

[Music]

178

00:10:37,430 --> 00:10:36,660

all right welcome back beta-blocker male

179

00:10:39,860 --> 00:10:37,440

shimmy Church

180

00:10:45,020 --> 00:10:39,870

I'm the game changer networking KCRA the

181

00:10:47,540 --> 00:10:45,030

planets it's world UFO day and tonight

182

00:10:49,460 --> 00:10:47,550

our guest is Richard Dolan Richard is

183

00:10:51,980 --> 00:10:49,470

one of the world's leading researchers

184

00:10:54,080 --> 00:10:51,990

and writers on the subject of UFOs and

185

00:10:57,860 --> 00:10:54,090

believes they constitute the greatest

186

00:10:59,630 --> 00:10:57,870

mystery of our time Richard completed

187

00:11:01,700 --> 00:10:59,640

his graduate work at the University of

188

00:11:03,890 --> 00:11:01,710

Rochester where he studied the US cold

189

00:11:06,860 --> 00:11:03,900

war strategy the European history and

190

00:11:09,830 --> 00:11:06,870

international diplomacy ghusl study bird

191

00:11:12,380 --> 00:11:09,840

he is the author of UFOs in the national

192

00:11:14,990 --> 00:11:12,390

security state he co-authored with Bryce

193

00:11:17,300 --> 00:11:15,000

Abel ad after disclosure in his latest

194

00:11:19,820 --> 00:11:17,310

book of courses UFOs in the 21st century

195

00:11:23,060 --> 00:11:19,830

mine Kelso hosts his weekly radio show

196

00:11:24,740 --> 00:11:23,070

the Richard Dolan show on KCRA and he's

197

00:11:26,420 --> 00:11:24,750

currently featured on several television

198

00:11:29,120 --> 00:11:26,430

series and documentaries including

199

00:11:31,550 --> 00:11:29,130

ancient aliens and hangar one the UFO

200

00:11:33,110 --> 00:11:31,560

FILES and Close Encounters in addition

201
00:11:35,840 --> 00:11:33,120
to his research his company Richard

202
00:11:37,790 --> 00:11:35,850
Dolan press publishes innovative books

203
00:11:40,820 --> 00:11:37,800
by authors from around the world and he

204
00:11:43,850 --> 00:11:40,830
hosts his weekly live stream on YouTube

205
00:11:46,100 --> 00:11:43,860
is website is Richard Dolan press it is

206
00:11:47,840 --> 00:11:46,110
over at Jimmy Church radio comm where

207
00:11:49,210 --> 00:11:47,850
you can just click on the links I would

208
00:11:51,800 --> 00:11:49,220
like to welcome back to fade to black

209
00:11:54,800 --> 00:11:51,810
Richard bleep and Dolan Richard good

210
00:11:57,350 --> 00:11:54,810
evening man and happy birthday oh hi

211
00:11:59,390 --> 00:11:57,360
Jimmy thank you I'm feeling good [h__h]

212
00:12:03,860 --> 00:11:59,400
being on here did you guys uh did you

213
00:12:06,830 --> 00:12:03,870

guys Throwdown last night we I did a lot

214

00:12:08,570 --> 00:12:06,840

of yard work which is just right up my

215

00:12:10,370 --> 00:12:08,580

alley for my birthday I enjoy being

216

00:12:12,590 --> 00:12:10,380

outside it's about one of the only

217

00:12:14,420 --> 00:12:12,600

things we can do these days I like being

218

00:12:15,800 --> 00:12:14,430

in my little yard doing my little

219

00:12:18,110 --> 00:12:15,810

gardening and puttering around and that

220

00:12:22,160 --> 00:12:18,120

was just enough for me it's your

221

00:12:25,240 --> 00:12:22,170

birthday man don't you okay alright you

222

00:12:29,050 --> 00:12:25,250

know what you did it your way and

223

00:12:32,860 --> 00:12:29,060

and happy birthday and isn't it

224

00:12:34,750 --> 00:12:32,870

you know irony is just a funny word with

225

00:12:39,010 --> 00:12:34,760

a lot of different definitions but

226

00:12:40,900 --> 00:12:39,020

today's world UFO day and we adjusted

227

00:12:43,690 --> 00:12:40,910

the schedule this week because of your

228

00:12:44,560 --> 00:12:43,700

birthday you didn't realize Wednesday

229

00:12:47,620 --> 00:12:44,570

was your birthday

230

00:12:50,680 --> 00:12:47,630

and when we reschedule for Thursday we

231

00:12:52,960 --> 00:12:50,690

didn't realize it was world UFO day so I

232

00:12:55,960 --> 00:12:52,970

think the universe just kind of fixed

233

00:12:57,370 --> 00:12:55,970

things for us it made sure that this

234

00:12:59,110 --> 00:12:57,380

happened when it did that's sort of

235

00:13:01,930 --> 00:12:59,120

that's what I'm gonna say now let's say

236

00:13:04,630 --> 00:13:01,940

okay a hold on hold on we got to do this

237

00:13:07,030 --> 00:13:04,640

traditions have to be held what was the

238

00:13:08,620 --> 00:13:07,040

last song that you listened to today you

239

00:13:10,510 --> 00:13:08,630

know I I actually thought about that

240

00:13:13,170 --> 00:13:10,520

before we went on because I don't know

241

00:13:16,840 --> 00:13:13,180

if I listened to any song all day today

242

00:13:21,070 --> 00:13:16,850

however the last song I remember hearing

243

00:13:23,470 --> 00:13:21,080

was yesterday and it was a song by one

244

00:13:26,260 --> 00:13:23,480

of my very very still Hidan and it was

245

00:13:28,150 --> 00:13:26,270

from their comeback album from around I

246

00:13:30,010 --> 00:13:28,160

think 2000 or so and it was a song

247

00:13:32,200 --> 00:13:30,020

called the Jack of Speed great song

248

00:13:37,090 --> 00:13:32,210

yeah right on right on you know I

249

00:13:42,850 --> 00:13:37,100

actually I had the opportunity this was

250

00:13:48,550 --> 00:13:42,860

19 I'm gonna go nyeeehhh right in there

251

00:13:53,829 --> 00:13:48,560

I got to see Steely Dan at the Irvine

252

00:13:58,540 --> 00:13:53,839

Meadows amphitheater outdoors floor

253

00:14:01,780 --> 00:13:58,550

seats I'm gonna say row 20 or so in the

254

00:14:05,650 --> 00:14:01,790

center and it was absolutely

255

00:14:07,840 --> 00:14:05,660

mind-blowing Lee you know well they're

256

00:14:10,300 --> 00:14:07,850

beautiful and I think that might have

257

00:14:13,360 --> 00:14:10,310

been beginning of their comeback period

258

00:14:15,250 --> 00:14:13,370

if I'm not mistaken I would call the hey

259

00:14:17,650 --> 00:14:15,260

yeah they did they did I would call that

260

00:14:20,860 --> 00:14:17,660

the comeback period what was really

261

00:14:23,590 --> 00:14:20,870

great about that is if you think about

262

00:14:29,220 --> 00:14:23,600

is 25 years ago now right 27 years ago

263

00:14:32,650 --> 00:14:29,230

yeah they were still kids you know I was

264

00:14:34,570 --> 00:14:32,660

and speaking about that this that I had

265

00:14:36,670 --> 00:14:34,580

this weird thought last night I'm gonna

266

00:14:38,380 --> 00:14:36,680

run this by you for a second you and I

267

00:14:45,250 --> 00:14:38,390

are the same age

268

00:14:47,650 --> 00:14:45,260

if you go back to 1985 it's just in your

269

00:14:50,079 --> 00:14:47,660

mind just you know just go back to 1985

270

00:14:52,000 --> 00:14:50,089

in what you were doing in 85 and then

271

00:14:57,610 --> 00:14:52,010

the world's greatest mullet where is it

272

00:15:00,790 --> 00:14:57,620

so did I and so between 85 in in 1990 to

273

00:15:03,550 --> 00:15:00,800

1995 a lot of things happened around the

274

00:15:07,030 --> 00:15:03,560

world technology took off and things

275

00:15:10,090 --> 00:15:07,040

like that but it was only a little 10

276

00:15:13,150 --> 00:15:10,100

year span like between the the

277

00:15:16,000 --> 00:15:13,160

difference between 85 in 1990 were

278

00:15:22,600 --> 00:15:16,010

tremendous but it's such a short period

279

00:15:27,130 --> 00:15:22,610

of time and to go from that to me the

280

00:15:29,829 --> 00:15:27,140

year 2000 to 2020 was the blink of an

281

00:15:32,620 --> 00:15:29,839

eye that I can't believe what you know

282

00:15:35,259 --> 00:15:32,630

when I look back at 1995 and what I was

283

00:15:37,710 --> 00:15:35,269

doing like seeing Steely Dan the 80s

284

00:15:41,290 --> 00:15:37,720

were just a couple of weeks before that

285

00:15:43,329 --> 00:15:41,300

and and where we mentioned the the rate

286

00:15:45,850 --> 00:15:43,339

of change I don't know what made you

287

00:15:49,360 --> 00:15:45,860

think of that but a couple of years ago

288

00:15:51,310 --> 00:15:49,370

I was just sort of wandering in my mind

289

00:15:53,980 --> 00:15:51,320

as it were just thinking what were the

290

00:15:55,329 --> 00:15:53,990

decades of greatest change in the 20th

291

00:15:59,430 --> 00:15:55,339

century and I really wanted to think

292

00:16:04,300 --> 00:15:59,440

about that mm-hmm and I decided that

293

00:16:08,410 --> 00:16:04,310

possibly number one was from like let's

294

00:16:09,340 --> 00:16:08,420

say 1913 in 1923 we can I mean if you

295

00:16:12,519 --> 00:16:09,350

really wanna get until we could talk

296

00:16:16,480 --> 00:16:12,529

about but then the second one was 19 I

297

00:16:18,759 --> 00:16:16,490

picked 1984 to 1994 yep and because

298

00:16:21,280 --> 00:16:18,769

you've got the end of the Cold War

299

00:16:23,860 --> 00:16:21,290

geopolitically you've got the real

300

00:16:25,840 --> 00:16:23,870

development of the computer age for the

301
00:16:27,579 --> 00:16:25,850
first time right right right beginning

302
00:16:31,810 --> 00:16:27,589
of interconnectivity it was just a

303
00:16:33,730 --> 00:16:31,820
massive change culturally it didn't seem

304
00:16:37,139 --> 00:16:33,740
as much like a great change that's the

305
00:16:39,340 --> 00:16:37,149
only thing but it was a tremendous

306
00:16:42,810 --> 00:16:39,350
unbelievable upside down and now we're

307
00:16:48,280 --> 00:16:42,820
in an era where everything is changing

308
00:16:50,710 --> 00:16:48,290
so rapidly 24-hour cycles it's just so

309
00:16:54,309 --> 00:16:50,720
fast yeah III actually

310
00:16:57,220 --> 00:16:54,319
we made some pretty pretty thick

311
00:16:59,769 --> 00:16:57,230
comments on this very subject over the

312
00:17:05,230 --> 00:16:59,779
last couple of years but I keep pointing

313
00:17:08,470 --> 00:17:05,240

out to everybody for me it was 1995 to

314

00:17:12,309 --> 00:17:08,480

the year 2000 though I think that those

315

00:17:15,250 --> 00:17:12,319

five years a lot of things happened at

316

00:17:17,649 --> 00:17:15,260

that point cell phones with the Internet

317

00:17:20,169 --> 00:17:17,659

of the world well before that everyone

318

00:17:22,000 --> 00:17:20,179

was online with like bulletin boards and

319

00:17:23,710 --> 00:17:22,010

that's why I think but in the late

320

00:17:24,850 --> 00:17:23,720

nineties you start getting the WYSIWYG

321

00:17:27,819 --> 00:17:24,860

what you see is what you get the

322

00:17:30,430 --> 00:17:27,829

graphical user interface and that that

323

00:17:33,039 --> 00:17:30,440

really in America online remember a

324

00:17:36,700 --> 00:17:33,049

million of those totally totally totally

325

00:17:38,890 --> 00:17:36,710

and and then and then if we stop and

326

00:17:43,539 --> 00:17:38,900

just pause for a second and think about

327

00:17:46,779 --> 00:17:43,549

we went from in 95 to 2000 we made the

328

00:17:49,299 --> 00:17:46,789

leap from tube televisions to flat

329

00:17:53,289 --> 00:17:49,309

screens yeah that also happened in that

330

00:17:55,210 --> 00:17:53,299

period yeah of course cell phones but

331

00:17:59,320 --> 00:17:55,220

then you know what else happened in that

332

00:18:03,250 --> 00:17:59,330

period that was I mean huge nineties VHS

333

00:18:06,310 --> 00:18:03,260

to DVD that happened then DVD players

334

00:18:09,460 --> 00:18:06,320

not enough so right yeah for me it was

335

00:18:12,220 --> 00:18:09,470

like 95 to 2000 we almost couldn't you

336

00:18:16,149 --> 00:18:12,230

know it was GPS in our cars and all

337

00:18:18,850 --> 00:18:16,159

these things happen from 95 to 2000 and

338

00:18:22,330 --> 00:18:18,860

I don't think that we really understood

339

00:18:25,510 --> 00:18:22,340

how much technology was changing and how

340

00:18:28,510 --> 00:18:25,520

we were going to manage it in a

341

00:18:30,430 --> 00:18:28,520

responsible way and here we are in 2020

342

00:18:32,230 --> 00:18:30,440

we don't know what the eff is going on

343

00:18:34,840 --> 00:18:32,240

well what happened I'm just gonna offer

344

00:18:37,029 --> 00:18:34,850

my own suggestion is that with the birth

345

00:18:39,789 --> 00:18:37,039

of interconnectivity and the web

346

00:18:43,149 --> 00:18:39,799

basically in the 90s it was an

347

00:18:45,220 --> 00:18:43,159

unprecedented development of human

348

00:18:47,470 --> 00:18:45,230

freedom that had never existed before

349

00:18:49,299 --> 00:18:47,480

him so people could communicate with

350

00:18:51,700 --> 00:18:49,309

each other literally on the other side

351
00:18:53,680 --> 00:18:51,710
of the world instantaneously and learn

352
00:18:55,779 --> 00:18:53,690
even if you couldn't yet do video

353
00:18:59,460 --> 00:18:55,789
conferencing the amount of deformation

354
00:19:02,020 --> 00:18:59,470
going digitally was unprecedented and it

355
00:19:04,390 --> 00:19:02,030
it created the alternative community

356
00:19:07,170 --> 00:19:04,400
that we have but what we've now seen

357
00:19:10,300 --> 00:19:07,180
is in the last five years especially is

358
00:19:12,300 --> 00:19:10,310
the Empire Strikes Back as it were so

359
00:19:15,130 --> 00:19:12,310
what we're seeing is essentially a

360
00:19:17,530 --> 00:19:15,140
consolidation by the established

361
00:19:21,580 --> 00:19:17,540
corporate hierarchy I guess you could

362
00:19:24,820 --> 00:19:21,590
say to control that Wild West of the

363
00:19:27,130 --> 00:19:24,830

internet and to detainment and if not

364

00:19:29,280 --> 00:19:27,140

turn it back into the TV of the 1980s

365

00:19:31,690 --> 00:19:29,290

then something as close to that as I can

366

00:19:36,670 --> 00:19:31,700

attain so what we're seeing is

367

00:19:39,700 --> 00:19:36,680

essentially a an attempt to control that

368

00:19:41,650 --> 00:19:39,710

whole amount of freedom actually and

369

00:19:45,390 --> 00:19:41,660

just roll it back and contain it so it's

370

00:19:49,660 --> 00:19:45,400

safer for them well that reminds me of

371

00:19:52,390 --> 00:19:49,670

six years ago the first time I had you

372

00:19:54,190 --> 00:19:52,400

on coast to coast okay you've been on

373

00:19:55,510 --> 00:19:54,200

fade to black and all that stuff but six

374

00:19:58,810 --> 00:19:55,520

years ago the first time you were on

375

00:20:02,380 --> 00:19:58,820

coast to coast the first question I

376

00:20:05,920 --> 00:20:02,390

asked you out of the gate was Richard

377

00:20:07,330 --> 00:20:05,930

you're respected you're known do you

378

00:20:10,210 --> 00:20:07,340

have to watch what you say

379

00:20:12,790 --> 00:20:10,220

and I remember remember that yeah yeah

380

00:20:16,270 --> 00:20:12,800

and what would I do remember was your

381

00:20:19,120 --> 00:20:16,280

answer was okay Church that's the first

382

00:20:21,250 --> 00:20:19,130

time I've ever been asked that but the

383

00:20:23,830 --> 00:20:21,260

answer is yes okay then you gave you

384

00:20:26,050 --> 00:20:23,840

your reasons why but after what you just

385

00:20:28,300 --> 00:20:26,060

said now you know concerning these last

386

00:20:31,690 --> 00:20:28,310

five years I asked you that question six

387

00:20:36,210 --> 00:20:31,700

years ago so here we are today in this

388

00:20:40,150 --> 00:20:36,220

environment of 20/20 do you continue to

389

00:20:43,660 --> 00:20:40,160

worry about or think about or are you

390

00:20:46,390 --> 00:20:43,670

concerned about what you say is your

391

00:20:48,100 --> 00:20:46,400

answer different from six years ago well

392

00:20:51,930 --> 00:20:48,110

it's it's more I'm gonna say it's more

393

00:20:56,140 --> 00:20:51,940

refined so first of all the one thing

394

00:21:00,670 --> 00:20:56,150

that I remind myself of every single day

395

00:21:02,980 --> 00:21:00,680

is I have a I have a commitment and the

396

00:21:04,900 --> 00:21:02,990

commitment is to be true and to speak to

397

00:21:07,180 --> 00:21:04,910

truth and it doesn't mean to have all

398

00:21:10,240 --> 00:21:07,190

the answers because I don't it doesn't

399

00:21:12,880 --> 00:21:10,250

mean to to tell people what to think

400

00:21:15,970 --> 00:21:12,890

either but I have a commitment to be

401
00:21:17,770 --> 00:21:15,980
true to myself and and to speak the

402
00:21:19,910 --> 00:21:17,780
truth

403
00:21:21,980 --> 00:21:19,920
every time that I have the opportunity

404
00:21:26,510 --> 00:21:21,990
you know in any kind of public forum to

405
00:21:32,480 --> 00:21:26,520
do so however I am constantly aware more

406
00:21:36,190 --> 00:21:32,490
than ever now that my words can at any

407
00:21:39,230 --> 00:21:36,200
time be used against me by people who

408
00:21:41,150 --> 00:21:39,240
don't like what I about or what I have

409
00:21:42,260 --> 00:21:41,160
to say and that could be that could be

410
00:21:44,830 --> 00:21:42,270
anything that could be a government

411
00:21:46,790 --> 00:21:44,840
group that could be a corporation or

412
00:21:50,870 --> 00:21:46,800
that could be a group of people who

413
00:21:52,640 --> 00:21:50,880

don't like me so when when I'm in any

414

00:21:56,890 --> 00:21:52,650

kind of public setting including this or

415

00:21:59,900 --> 00:21:56,900

anything else yeah like I have to I

416

00:22:02,720 --> 00:21:59,910

speak the truth but I really try to

417

00:22:05,360 --> 00:22:02,730

measure carefully everything that I say

418

00:22:07,310 --> 00:22:05,370

because I do think that our time is this

419

00:22:09,410 --> 00:22:07,320

is more dangerous now than ever before

420

00:22:11,540 --> 00:22:09,420

it sounds like hearing it sounds like

421

00:22:17,270 --> 00:22:11,550

you're actually cautious and in your

422

00:22:19,490 --> 00:22:17,280

answer I'm trying to be accurate I'm

423

00:22:22,370 --> 00:22:19,500

trying to be as precise as I can be I

424

00:22:25,490 --> 00:22:22,380

mean maybe that's caution but I just I'm

425

00:22:27,380 --> 00:22:25,500

trying to be accurate this is it's it's

426
00:22:29,750 --> 00:22:27,390
concerning like I'm very concerned about

427
00:22:32,270 --> 00:22:29,760
what's going on in our culture I feel

428
00:22:35,030 --> 00:22:32,280
like there's we've been through a kind

429
00:22:39,530 --> 00:22:35,040
of reboot of a cultural revolution in

430
00:22:42,620 --> 00:22:39,540
the last five 10 whatever years and you

431
00:22:45,260 --> 00:22:42,630
know yeah and I'm watching when you

432
00:22:48,590 --> 00:22:45,270
think about you know what just happened

433
00:22:52,580 --> 00:22:48,600
to Jimmy Kimmel right or or others out

434
00:22:54,860 --> 00:22:52,590
there these these youtube stars with 20

435
00:22:57,740 --> 00:22:54,870
million subscribers that did something

436
00:22:59,600 --> 00:22:57,750
10 years ago and and they're walking

437
00:23:01,130 --> 00:22:59,610
away from YouTube and they're in the

438
00:23:04,280 --> 00:23:01,140

middle of this cancel culture and

439

00:23:06,050 --> 00:23:04,290

they're having to apologize that's their

440

00:23:09,260 --> 00:23:06,060

biggest mistake right there right right

441

00:23:09,620 --> 00:23:09,270

and Jimmy Jimmy Kimmel taking the summer

442

00:23:15,020 --> 00:23:09,630

off

443

00:23:16,070 --> 00:23:15,030

well I it's forced me to go okay what

444

00:23:21,290 --> 00:23:16,080

did I say

445

00:23:24,830 --> 00:23:21,300

did I what did I post but luckily I've

446

00:23:27,120 --> 00:23:24,840

run pretty clean have is it forcing you

447

00:23:29,220 --> 00:23:27,130

to also do a little bit of reef

448

00:23:33,660 --> 00:23:29,230

election to think about something that

449

00:23:36,870 --> 00:23:33,670

you may have said or heard or do you

450

00:23:40,260 --> 00:23:36,880

think that you've run clean I don't

451
00:23:42,150 --> 00:23:40,270
actually have I mean I don't think that

452
00:23:45,090 --> 00:23:42,160
I've said anything in my career that I

453
00:23:47,730 --> 00:23:45,100
would be embarrassed about today so well

454
00:23:49,380 --> 00:23:47,740
if I did I wouldn't apologize when we

455
00:23:51,420 --> 00:23:49,390
asked to apologize over all kinds of

456
00:23:55,410 --> 00:23:51,430
things that the people haven't liked and

457
00:23:57,210 --> 00:23:55,420
I'm my attitude is up yours like well

458
00:23:59,820 --> 00:23:57,220
it's never ever going to happen and just

459
00:24:02,580 --> 00:23:59,830
be you know I used to say well no I

460
00:24:04,470 --> 00:24:02,590
actually still say this that the UFO

461
00:24:07,530 --> 00:24:04,480
community and certainly the fade to

462
00:24:09,630 --> 00:24:07,540
black community we're like the the

463
00:24:11,850 --> 00:24:09,640

Colors of Benetton right we're the

464

00:24:12,720 --> 00:24:11,860

rainbow coalition here everybody's

465

00:24:15,030 --> 00:24:12,730

welcome

466

00:24:17,790 --> 00:24:15,040

whatever your experiences are whatever

467

00:24:20,580 --> 00:24:17,800

your background is whoever you are come

468

00:24:23,550 --> 00:24:20,590

on in hang out tell us your story

469

00:24:26,730 --> 00:24:23,560

and and we're all good and I thought

470

00:24:29,100 --> 00:24:26,740

that and I don't want to sound like I'm

471

00:24:35,490 --> 00:24:29,110

naive or innocent but I thought that the

472

00:24:38,970 --> 00:24:35,500

UFO community was was not racist or was

473

00:24:41,700 --> 00:24:38,980

not concerned about religion or

474

00:24:43,230 --> 00:24:41,710

political backgrounds and things you

475

00:24:45,090 --> 00:24:43,240

know I thought that all of that was put

476

00:24:47,280 --> 00:24:45,100

to the side we're trying to figure out

477

00:24:50,130 --> 00:24:47,290

the UFO story all that other stuff

478

00:24:52,170 --> 00:24:50,140

doesn't matter and then you look at what

479

00:24:54,750 --> 00:24:52,180

some of the things that MUFON is going

480

00:24:57,690 --> 00:24:54,760

through and and the things that they

481

00:24:59,970 --> 00:24:57,700

were accused of or members of MUFON I

482

00:25:03,120 --> 00:24:59,980

should say yes I'm not sure what you're

483

00:25:05,400 --> 00:25:03,130

referring to explicitly well okay but

484

00:25:09,360 --> 00:25:05,410

that part doesn't even really matter

485

00:25:12,660 --> 00:25:09,370

what I'm saying is that even the UFO

486

00:25:15,720 --> 00:25:12,670

community is a reflection of what is

487

00:25:21,570 --> 00:25:15,730

going on globally on this planet where

488

00:25:25,950 --> 00:25:21,580

people are concerned about not only race

489

00:25:29,310 --> 00:25:25,960

and religion and politics but to to run

490

00:25:33,300 --> 00:25:29,320

clean and and to accept everybody as who

491

00:25:34,890 --> 00:25:33,310

they are and it's a weird culture that

492

00:25:37,590 --> 00:25:34,900

we find when we thought that we had

493

00:25:38,430 --> 00:25:37,600

moved past this and that's what we were

494

00:25:40,680 --> 00:25:38,440

doing

495

00:25:42,510 --> 00:25:40,690

right what what with is forgotten in

496

00:25:45,000 --> 00:25:42,520

today's conversation is what people are

497

00:25:46,290 --> 00:25:45,010

is their ideas like that's the single

498

00:25:49,860 --> 00:25:46,300

most important thing about what we are

499

00:25:52,470 --> 00:25:49,870

is what we say and what we do and what

500

00:25:55,710 --> 00:25:52,480

is inside our mind it's not the color of

501

00:25:58,920 --> 00:25:55,720

our skin it's not our ethnicity it's not

502

00:26:02,790 --> 00:25:58,930

our gender it's what do we bring to the

503

00:26:05,730 --> 00:26:02,800

table in this field to add insight and

504

00:26:07,740 --> 00:26:05,740

depth and wisdom so that is who we are

505

00:26:09,600 --> 00:26:07,750

and that comes down to each individual

506

00:26:12,570 --> 00:26:09,610

and that that is why actually Western

507

00:26:14,520 --> 00:26:12,580

liberalism is probably the greatest gift

508

00:26:18,060 --> 00:26:14,530

that humanities ever gotten in the last

509

00:26:19,740 --> 00:26:18,070

500 years because it recognizes that the

510

00:26:23,490 --> 00:26:19,750

ultimate minority is the individual

511

00:26:26,700 --> 00:26:23,500

we're all unique and and what makes us

512

00:26:28,710 --> 00:26:26,710

or breaks us is our performance and our

513

00:26:32,490 --> 00:26:28,720

integrity and our ethics and it's not

514

00:26:35,400 --> 00:26:32,500

our cultural identity so each one of us

515

00:26:37,860 --> 00:26:35,410

comes into this field ufo's in this case

516

00:26:40,890 --> 00:26:37,870

mm-hmm with an interest and a passion

517

00:26:43,740 --> 00:26:40,900

and a desire to seek the truth and you

518

00:26:44,460 --> 00:26:43,750

know some of us but what we all go as

519

00:26:46,590 --> 00:26:44,470

far as we go

520

00:26:48,630 --> 00:26:46,600

and and that's the beauty of it so we

521

00:26:50,670 --> 00:26:48,640

all can contribute and that's what

522

00:26:53,640 --> 00:26:50,680

brings value right that's what brings

523

00:26:57,450 --> 00:26:53,650

value it's the ideas why how did we get

524

00:27:01,410 --> 00:26:57,460

away from that right now now it seems

525

00:27:04,290 --> 00:27:01,420

that if you are different right then

526
00:27:07,560 --> 00:27:04,300
you're out of the box which is the exact

527
00:27:09,690 --> 00:27:07,570
opposite of the foundations of a free

528
00:27:12,510 --> 00:27:09,700
world and certainly the United States

529
00:27:15,450 --> 00:27:12,520
was that being different was what you

530
00:27:17,910 --> 00:27:15,460
want it to be and collectively we are

531
00:27:20,160 --> 00:27:17,920
who we are and we're gonna get to where

532
00:27:23,040 --> 00:27:20,170
we want to go because we have different

533
00:27:24,630 --> 00:27:23,050
ideas we throw it all in we stir it up

534
00:27:27,150 --> 00:27:24,640
and we come up with something in the end

535
00:27:31,080 --> 00:27:27,160
that that that works for everybody but

536
00:27:34,650 --> 00:27:31,090
now if you're different you're forced

537
00:27:40,320 --> 00:27:34,660
into defending yourself or or or being

538
00:27:42,210 --> 00:27:40,330

hated or hated upon it's weird it's why

539

00:27:44,370 --> 00:27:42,220

I mentioned Cultural Revolution not by

540

00:27:46,560 --> 00:27:44,380

accident you know under Mao in the 60s

541

00:27:48,930 --> 00:27:46,570

which that's a whole horrible story

542

00:27:51,210 --> 00:27:48,940

right there I was just I wrote a little

543

00:27:52,770 --> 00:27:51,220

piece about this for my site Richard all

544

00:27:54,660 --> 00:27:52,780

the members

545

00:27:57,630 --> 00:27:54,670

I think we're seeing a little bit of a

546

00:28:00,150 --> 00:27:57,640

reboot in that in in the sense of kind

547

00:28:01,800 --> 00:28:00,160

of mob justice and it demand for

548

00:28:03,930 --> 00:28:01,810

conformity to certain ideas and there's

549

00:28:07,530 --> 00:28:03,940

a just like with MAO there's a kind of

550

00:28:10,350 --> 00:28:07,540

religiosity to what we're seeing and I'm

551

00:28:13,290 --> 00:28:10,360

sure it will pass I just would like to

552

00:28:17,430 --> 00:28:13,300

see it passed sooner than later but yeah

553

00:28:22,100 --> 00:28:17,440

it's it's very disturbing and I don't

554

00:28:25,230 --> 00:28:22,110

know I think we're we're looking at

555

00:28:27,780 --> 00:28:25,240

definite it's a just a definite decline

556

00:28:30,420 --> 00:28:27,790

and intellectual thoughtfulness when we

557

00:28:32,130 --> 00:28:30,430

are simply demanding you know kind of

558

00:28:33,810 --> 00:28:32,140

rigid ideological conformity out of

559

00:28:36,180 --> 00:28:33,820

people I haven't seen it much in the UFO

560

00:28:38,790 --> 00:28:36,190

field to be honest with you there's a

561

00:28:41,790 --> 00:28:38,800

different kind of stubbornness and a

562

00:28:44,250 --> 00:28:41,800

different type of intransigence among a

563

00:28:46,910 --> 00:28:44,260

lot of researchers we argue over other

564

00:28:49,710 --> 00:28:46,920

things I haven't seen a whole lot of

565

00:28:51,240 --> 00:28:49,720

like identity politics in the UFO field

566

00:28:55,920 --> 00:28:51,250

maybe I'm just oblivious maybe I'm

567

00:28:57,930 --> 00:28:55,930

missing it so I mean we have you know

568

00:29:00,030 --> 00:28:57,940

there's a wide variety of people and

569

00:29:01,890 --> 00:29:00,040

thinkers who contribute to the study of

570

00:29:04,950 --> 00:29:01,900

UFOs and we my goodness we are

571

00:29:07,320 --> 00:29:04,960

absolutely lucky to have all the people

572

00:29:09,270 --> 00:29:07,330

who do that contributing and the one

573

00:29:11,040 --> 00:29:09,280

thing I'll just say about what's

574

00:29:14,640 --> 00:29:11,050

unfortunate about the cult the current

575

00:29:17,640 --> 00:29:14,650

attitude is we we thrive by disagreement

576

00:29:18,870 --> 00:29:17,650

we thrive by listening to people whose

577

00:29:21,510 --> 00:29:18,880

ideas are different from ours because

578

00:29:24,780 --> 00:29:21,520

frankly sometimes they're right like

579

00:29:25,800 --> 00:29:24,790

sometimes the other side whatever

580

00:29:27,900 --> 00:29:25,810

whether that's liberals or conservatives

581

00:29:30,720 --> 00:29:27,910

or whatever like sometimes the other

582

00:29:32,660 --> 00:29:30,730

side is right or the skeptics in this

583

00:29:37,200 --> 00:29:32,670

case right they are right sometimes

584

00:29:40,920 --> 00:29:37,210

sometimes the skeptics are wrong and we

585

00:29:43,080 --> 00:29:40,930

have to listen to each other without the

586

00:29:47,010 --> 00:29:43,090

mind of a fanatic like we've got to

587

00:29:47,820 --> 00:29:47,020

recognize that we can be wrong it's one

588

00:29:48,900 --> 00:29:47,830

thing to have the strength of your

589

00:29:50,370 --> 00:29:48,910

convictions it's another thing they have

590

00:29:52,530 --> 00:29:50,380

the strength to be allowed to be

591

00:29:54,390 --> 00:29:52,540

challenged in your convictions that's

592

00:29:56,850 --> 00:29:54,400

real strength and so to recognize that

593

00:30:00,120 --> 00:29:56,860

you can be wrong and then to admit when

594

00:30:01,410 --> 00:30:00,130

you're wrong is really strange and but

595

00:30:03,210 --> 00:30:01,420

that's what makes us grow because like

596

00:30:05,340 --> 00:30:03,220

it's not about the ego it's about

597

00:30:07,860 --> 00:30:05,350

finding out what is true and

598

00:30:11,190 --> 00:30:07,870

and as long as we set aside our personal

599

00:30:13,020 --> 00:30:11,200

egos and our our vindictiveness and and

600

00:30:15,180 --> 00:30:13,030

thoughts of revenge and and all because

601
00:30:17,610 --> 00:30:15,190
it's all in the field we set that aside

602
00:30:19,560 --> 00:30:17,620
and just adhere the truth we're so much

603
00:30:22,980 --> 00:30:19,570
better for that yeah you know what's

604
00:30:25,799 --> 00:30:22,990
really funny is that the audience

605
00:30:30,090 --> 00:30:25,809
Richard that is listening right now if

606
00:30:32,840 --> 00:30:30,100
they had any idea of our phone

607
00:30:40,789 --> 00:30:32,850
conversation that we had last week

608
00:30:48,840 --> 00:30:45,360
Richard and I it got it got colorful and

609
00:30:52,649 --> 00:30:48,850
the point is that kind of passionate

610
00:30:56,970 --> 00:30:52,659
conversation right and and and and

611
00:31:00,330 --> 00:30:56,980
letting it out there is is is is healthy

612
00:31:03,020 --> 00:31:00,340
yes it's healthy that's right I after

613
00:31:05,730 --> 00:31:03,030

after I hung up the phone with you

614

00:31:07,730 --> 00:31:05,740

it was great everybody have to

615

00:31:09,720 --> 00:31:07,740

understand that Richard and I have our

616

00:31:11,399 --> 00:31:09,730

thoughts and our beliefs and our

617

00:31:13,200 --> 00:31:11,409

opinions and our research and everything

618

00:31:15,870 --> 00:31:13,210

and our strong disagreements like it's

619

00:31:18,840 --> 00:31:15,880

strong strong and right but but it's

620

00:31:20,630 --> 00:31:18,850

healthy and I couldn't wait for this

621

00:31:23,130 --> 00:31:20,640

show tonight because you're my friend

622

00:31:24,990 --> 00:31:23,140

and as a matter of fact Richard goes

623

00:31:27,180 --> 00:31:25,000

Jimmy I'm going to use some colorful

624

00:31:29,520 --> 00:31:27,190

language right now but before I do you

625

00:31:33,060 --> 00:31:29,530

can quote me and I'm just gonna say

626

00:31:36,210 --> 00:31:33,070

you're my friend laid into me and the

627

00:31:39,840 --> 00:31:36,220

point but the point that that's okay and

628

00:31:42,240 --> 00:31:39,850

the UFO community at times doesn't

629

00:31:45,240 --> 00:31:42,250

understand that you can be as passionate

630

00:31:47,360 --> 00:31:45,250

as you want somehow you guys everybody

631

00:31:50,520 --> 00:31:47,370

is going to meet in the middle somewhere

632

00:31:52,260 --> 00:31:50,530

none of us really have the answers we're

633

00:31:54,539 --> 00:31:52,270

just trying to get to the end of the

634

00:31:57,000 --> 00:31:54,549

road here you know and that and that's

635

00:32:00,149 --> 00:31:57,010

what's most important and and we lose

636

00:32:02,820 --> 00:32:00,159

sight of that don't we yeah I won't tell

637

00:32:04,860 --> 00:32:02,830

you I I appreciate the fact that we can

638

00:32:08,100 --> 00:32:04,870

have very very frank private

639

00:32:10,320 --> 00:32:08,110

conversations and still come back so I I

640

00:32:13,409 --> 00:32:10,330

like that that's something that I really

641

00:32:14,940 --> 00:32:13,419

appreciate about you and for me it's

642

00:32:17,039 --> 00:32:14,950

it's never really been essential that

643

00:32:19,500 --> 00:32:17,049

like my friends agree with everything

644

00:32:21,630 --> 00:32:19,510

that I think and say that's ridiculous

645

00:32:24,120 --> 00:32:21,640

in the course of a long enough life we

646

00:32:25,830 --> 00:32:24,130

live to be wrong about many many many

647

00:32:28,200 --> 00:32:25,840

things and to think that we're always

648

00:32:31,110 --> 00:32:28,210

right is ridiculous it's foolish

649

00:32:33,990 --> 00:32:31,120

I mean who actually thinks that so when

650

00:32:36,269 --> 00:32:34,000

when someone disagrees with us yeah like

651
00:32:38,130 --> 00:32:36,279
our instinct is to sometimes push back

652
00:32:41,610 --> 00:32:38,140
or get even get mad depending on the

653
00:32:44,639 --> 00:32:41,620
subject but we're really better off if

654
00:32:46,950 --> 00:32:44,649
we try to understand why the other

655
00:32:48,899 --> 00:32:46,960
person thinks what they do and and that

656
00:32:52,409 --> 00:32:48,909
means listening and it doesn't mean we

657
00:32:55,860 --> 00:32:52,419
have to agree but my god like we we're

658
00:32:57,690 --> 00:32:55,870
so foolish if we condemn those simply

659
00:32:58,110 --> 00:32:57,700
because they think differently than we

660
00:33:02,730 --> 00:32:58,120
do

661
00:33:04,830 --> 00:33:02,740
at some level or another well and when

662
00:33:06,299 --> 00:33:04,840
we come back after the break you know

663
00:33:07,950 --> 00:33:06,309

we're gonna swing this around to some

664

00:33:11,310 --> 00:33:07,960

specifics and there's been a lot of

665

00:33:13,560 --> 00:33:11,320

breaking news then has gone on over the

666

00:33:15,810 --> 00:33:13,570

last couple of weeks and one of the

667

00:33:18,840 --> 00:33:15,820

things that I want to get to right after

668

00:33:21,060 --> 00:33:18,850

the break that there's a lot of

669

00:33:24,060 --> 00:33:21,070

excitement out there in the UFO

670

00:33:29,789 --> 00:33:24,070

community mainstream media picked up on

671

00:33:33,269 --> 00:33:29,799

it which was that Cruz is getting the

672

00:33:35,399 --> 00:33:33,279

Senate Intelligence Committee to commit

673

00:33:39,450 --> 00:33:35,409

to go into the Navy ins of the Pentagon

674

00:33:43,019 --> 00:33:39,460

to get full information about what is

675

00:33:44,340 --> 00:33:43,029

going on and and that was pretty

676
00:33:47,580 --> 00:33:44,350
interesting to me

677
00:33:50,940 --> 00:33:47,590
but I didn't read it Richard as

678
00:33:53,039 --> 00:33:50,950
specifically as having anything to do

679
00:33:57,210 --> 00:33:53,049
with UFOs had everything to do with

680
00:34:01,289 --> 00:33:57,220
national security and you ApS but it

681
00:34:04,769 --> 00:34:01,299
seemed that and that's my opinion but

682
00:34:07,430 --> 00:34:04,779
the UFO community grabbed parts of it

683
00:34:10,250 --> 00:34:07,440
grabbed onto it that this was a UFO

684
00:34:14,129 --> 00:34:10,260
aliens from off-planet

685
00:34:18,710 --> 00:34:14,139
situation with the Senate when when the

686
00:34:22,829 --> 00:34:18,720
news broke which way did you read it

687
00:34:24,869 --> 00:34:22,839
well I read it that there is a definite

688
00:34:29,280 --> 00:34:24,879

break with the recent past this is the

689

00:34:32,169 --> 00:34:29,290

first time that any US government agency

690

00:34:33,549 --> 00:34:32,179

has at least I mean that the it's just

691

00:34:36,069 --> 00:34:33,559

Bill's or hasn't passed yet but if it

692

00:34:38,319 --> 00:34:36,079

were passed it would be the first time

693

00:34:40,980 --> 00:34:38,329

that we have a US government agency that

694

00:34:44,770 --> 00:34:40,990

is actually responsible to the public

695

00:34:47,260 --> 00:34:44,780

for discussing certain UFO sightings

696

00:34:50,109 --> 00:34:47,270

they call them UAP but it's UFOs since

697

00:34:53,079 --> 00:34:50,119

Project Blue Book actually because part

698

00:34:56,680 --> 00:34:53,089

of the bill requires that there actually

699

00:34:59,559 --> 00:34:56,690

be an interface an actual human with a

700

00:35:02,319 --> 00:34:59,569

name who is responsible for informing

701
00:35:05,829 --> 00:35:02,329
the Senate therefore the public because

702
00:35:08,109 --> 00:35:05,839
the reports at least in the bill are I

703
00:35:11,530 --> 00:35:08,119
think they wanted them unclassified

704
00:35:13,480 --> 00:35:11,540
phrase that they wanted so that's quite

705
00:35:14,770 --> 00:35:13,490
significant that doesn't mean that we're

706
00:35:18,069 --> 00:35:14,780
actually going to get everything that we

707
00:35:19,480 --> 00:35:18,079
we the public want I mean we're talking

708
00:35:21,940 --> 00:35:19,490
about the US Senate we're talking about

709
00:35:23,230 --> 00:35:21,950
the military complex and I have a

710
00:35:26,049 --> 00:35:23,240
feeling they're gonna find a lot of ways

711
00:35:28,170 --> 00:35:26,059
to all these little thousand cuts of

712
00:35:30,940 --> 00:35:28,180
disappointment will probably happen but

713
00:35:32,260 --> 00:35:30,950

it is definitely new it's significant

714

00:35:35,740 --> 00:35:32,270

and we haven't had anything like this

715

00:35:39,339 --> 00:35:35,750

and there's a kind of implicit /

716

00:35:42,339 --> 00:35:39,349

explicit acknowledgment that these UAP

717

00:35:43,780 --> 00:35:42,349

are real that is quite interesting I

718

00:35:47,079 --> 00:35:43,790

mean you just think where we've come in

719

00:35:48,490 --> 00:35:47,089

the last couple of years where you know

720

00:35:49,870 --> 00:35:48,500

it was only a decade ago that there was

721

00:35:52,480 --> 00:35:49,880

the petition to get the Obama

722

00:35:54,579 --> 00:35:52,490

administration to acknowledge the

723

00:35:55,900 --> 00:35:54,589

reality of UFOs if you remember Steve

724

00:35:57,609 --> 00:35:55,910

Bassett had that mm-hmm

725

00:36:00,569 --> 00:35:57,619

and there he was able to get an answer

726
00:36:02,559 --> 00:36:00,579
and it was the most lame phony-baloney

727
00:36:05,020 --> 00:36:02,569
nonsensical answer in fact it was a lie

728
00:36:08,170 --> 00:36:05,030
because at the very time that the answer

729
00:36:10,960 --> 00:36:08,180
came there was in fact a secret program

730
00:36:13,390 --> 00:36:10,970
a tip to study UFOs and the public

731
00:36:16,420 --> 00:36:13,400
wasn't even told about that so we're

732
00:36:20,640 --> 00:36:16,430
we're definitely ahead of that and we've

733
00:36:23,559 --> 00:36:20,650
moved it's actually kind of a large

734
00:36:26,109 --> 00:36:23,569
giant step in a very short period of

735
00:36:27,970 --> 00:36:26,119
time so we have a long long long way to

736
00:36:29,319 --> 00:36:27,980
go before the public and those of us

737
00:36:31,780 --> 00:36:29,329
interested in the subject get what we

738
00:36:34,150 --> 00:36:31,790

want but yeah I thought it was a

739

00:36:35,770 --> 00:36:34,160

significant development let's take our

740

00:36:38,890 --> 00:36:35,780

break right here or guess tonight

741

00:36:42,130 --> 00:36:38,900

Richard Dolan this is fade to black here

742

00:36:43,050 --> 00:36:42,140

with us on world UFO day I'm your Jimmy

743

00:36:46,740 --> 00:36:43,060

Church

744

00:36:49,560 --> 00:36:46,750

can follow me on Twitter and open it

745

00:36:51,360 --> 00:36:49,570

mine isn't important what is important

746

00:36:53,430 --> 00:36:51,370

is you follow Richard Dolan at rich

747

00:36:55,470 --> 00:36:53,440

Dolan we've got everything out there and

748

00:36:59,090 --> 00:36:55,480

Twitter we will be right back after this

749

00:36:59,100 --> 00:37:16,749

[Music]

750

00:37:20,719 --> 00:37:18,829

this is fade to black

751
00:37:21,829 --> 00:37:20,729
with Jimmy Church on the game changer

752
00:37:27,229 --> 00:37:21,839
radio network

753
00:37:30,079 --> 00:37:27,239
and K GRA the global radio alliance this

754
00:37:34,359 --> 00:37:30,089
is kera digital broadcasting station

755
00:37:37,039 --> 00:37:34,369
Salt Lake City Utah Van Buren Arkansas

756
00:37:38,450 --> 00:37:37,049
hello my name is Billy Carson and I'm a

757
00:37:41,029 --> 00:37:38,460
best-selling author and the founder of

758
00:37:42,859 --> 00:37:41,039
forbidden knowledge TV together with my

759
00:37:45,079 --> 00:37:42,869
team we have built a all new conscious

760
00:37:46,999 --> 00:37:45,089
dreamy TV platform designed with heavy

761
00:37:48,620 --> 00:37:47,009
family member in mind if you have ever

762
00:37:49,999 --> 00:37:48,630
wanted to travel the world and attend

763
00:37:51,890 --> 00:37:50,009

lectures and workshops from your

764

00:37:52,569 --> 00:37:51,900

favorite speakers we were able to look

765

00:37:55,309 --> 00:37:52,579

no further

766

00:37:57,259 --> 00:37:55,319

forbidden knowledge dot TV there are

767

00:37:59,150 --> 00:37:57,269

dozens of workshops and lectures from

768

00:38:01,219 --> 00:37:59,160

speakers you know and love we have also

769

00:38:03,079 --> 00:38:01,229

included amazing categories to assure

770

00:38:05,539 --> 00:38:03,089

that your consciousness is entertained

771

00:38:07,759 --> 00:38:05,549

and elevating on a daily basis amazing

772

00:38:10,279 --> 00:38:07,769

interviews ancient history essential

773

00:38:12,710 --> 00:38:10,289

knowledge wisdom teachings documentaries

774

00:38:15,079 --> 00:38:12,720

conspiracies mysteries health and

775

00:38:17,479 --> 00:38:15,089

fitness conscious cooking meditations

776

00:38:19,640 --> 00:38:17,489

finance yoga and so much more to start

777

00:38:21,609 --> 00:38:19,650

your free trial on any mobile device or

778

00:38:24,650 --> 00:38:21,619

computer surf their forbidden knowledge

779

00:38:27,229 --> 00:38:24,660

TV that's forbidden knowledge with the

780

00:38:32,920 --> 00:38:27,239

number-four forbidden knowledge dot TV

781

00:38:38,509 --> 00:38:35,709

introducing the new surfer music app

782

00:38:42,049 --> 00:38:38,519

listen fate or not you know I love my

783

00:38:44,959 --> 00:38:42,059

music this is my go-to for all things

784

00:38:47,269 --> 00:38:44,969

notes the surfer app is a brand new

785

00:38:49,339 --> 00:38:47,279

concept of music listening surfer is

786

00:38:51,259 --> 00:38:49,349

free providing unlimited access to

787

00:38:53,569 --> 00:38:51,269

thousands of live streaming radio

788

00:38:55,309 --> 00:38:53,579

stations surfer is an exciting

789

00:38:57,950 --> 00:38:55,319

interactive listening experience

790

00:39:00,829 --> 00:38:57,960

discovery and surprise of built right

791

00:39:03,560 --> 00:39:00,839

surfer is your destination to discover

792

00:39:06,079 --> 00:39:03,570

and rediscover great live streaming

793

00:39:08,329 --> 00:39:06,089

music it features high quality audio

794

00:39:10,070 --> 00:39:08,339

streams free access to music from

795

00:39:12,770 --> 00:39:10,080

thousands of live streaming radio

796

00:39:15,260 --> 00:39:12,780

stations unlimited listening unlimited

797

00:39:17,150 --> 00:39:15,270

skipping to get a music visualizer and

798

00:39:19,609 --> 00:39:17,160

you can also select your favorite

799

00:39:20,599 --> 00:39:19,619

channels get it at the Apple App Store

800

00:39:23,900 --> 00:39:20,609

or Google Play

801
00:39:25,900 --> 00:39:23,910
just search surfer music or click on the

802
00:39:30,210 --> 00:39:25,910
surfer banner at Jimmy Church radio.com

803
00:39:35,140 --> 00:39:32,890
okay nurse let's get this man to the ER

804
00:39:37,960 --> 00:39:35,150
stat right away doctor we see this every

805
00:39:40,390 --> 00:39:37,970
day heart attack or angina pain due to

806
00:39:42,760 --> 00:39:40,400
blocked and clogged arteries chelation

807
00:39:44,920 --> 00:39:42,770
can remove obstructions or blockages

808
00:39:46,060 --> 00:39:44,930
from arteries and help avoid painful and

809
00:39:48,280 --> 00:39:46,070
expensive surgery

810
00:39:50,200 --> 00:39:48,290
now there's angio prim it's a liquid

811
00:39:52,150 --> 00:39:50,210
oral chelation product that you take

812
00:39:54,700 --> 00:39:52,160
with juice you start to feel the results

813
00:39:56,680 --> 00:39:54,710

fast angio primm increases blood flow

814

00:39:58,810 --> 00:39:56,690

all over the body and that means more

815

00:40:01,540 --> 00:39:58,820

energy and strength to take on the day

816

00:40:03,580 --> 00:40:01,550

with less aches and pains 60 years of

817

00:40:06,700 --> 00:40:03,590

research has gone into chelation and

818

00:40:08,950 --> 00:40:06,710

angiogram is the result a safe and easy

819

00:40:11,110 --> 00:40:08,960

way to unblock your veins and arteries

820

00:40:15,640 --> 00:40:11,120

from buildup that slow circulation

821

00:40:20,410 --> 00:40:15,650

shaping dr. Jones log on now to angio

822

00:40:22,450 --> 00:40:20,420

prim calm that's ang IO PR I am calm or

823

00:40:24,640 --> 00:40:22,460

to speak with a trained consultant give

824

00:40:26,650 --> 00:40:24,650

angio prima call at nine fifty four

825

00:40:28,690 --> 00:40:26,660

eight eight to seventy two twenty one

826

00:40:39,100 --> 00:40:28,700

that's nine fifty four eight eight to

827

00:40:40,630 --> 00:40:39,110

seventy two twenty one this is Rea sobs

828

00:40:43,060 --> 00:40:40,640

here reppin the planet and you're

829

00:40:44,650 --> 00:40:43,070

listening to my good friend Jimmy Church

830

00:40:46,990 --> 00:40:44,660

fade to black

831

00:40:51,430 --> 00:40:47,000

on the GameChanger network and the kg

832

00:40:53,590 --> 00:40:51,440

are a digital broadcast station this is

833

00:40:55,380 --> 00:40:53,600

Toby Kebbell you're listening to Jimmy

834

00:41:05,000 --> 00:40:55,390

Church radio.com

835

00:41:10,610 --> 00:41:07,570

[Music]

836

00:41:14,060 --> 00:41:10,620

the honey brothers and you're listening

837

00:41:15,620 --> 00:41:14,070

to the Jimmy Church revolution this is

838

00:41:17,840 --> 00:41:15,630

Jimmy Church of fade to black and you

839

00:41:21,050 --> 00:41:17,850

can become an official fader not by just

840

00:41:23,230 --> 00:41:21,060

going to our membership section at Jimmy

841

00:41:25,820 --> 00:41:23,240

Church radio.com

842

00:41:28,070 --> 00:41:25,830

hello this is Serena right kayla from

843

00:41:30,620 --> 00:41:28,080

conscious life Expo and you're listening

844

00:41:32,840 --> 00:41:30,630

to fade to black with Jimmy Church who

845

00:41:37,630 --> 00:41:32,850

holds the Lucky Pony record for the best

846

00:41:40,130 --> 00:41:37,640

astrological chart since 1963 true story

847

00:41:41,720 --> 00:41:40,140

this is Micah Hank's of the gray lien

848

00:41:43,130 --> 00:41:41,730

report and you're listening to Jimmy

849

00:41:44,600 --> 00:41:43,140

church on fade to black

850

00:41:47,570 --> 00:41:44,610

across the globe on the GameChanger

851
00:41:49,370 --> 00:41:47,580
radio network and the one and only kgr a

852
00:42:05,810 --> 00:41:49,380
radio the planet

853
00:42:10,940 --> 00:42:07,730
[Music]

854
00:42:13,040 --> 00:42:10,950
welcome back fade to black I'm yours to

855
00:42:16,960 --> 00:42:13,050
meet Church world UFO day our guest

856
00:42:19,490 --> 00:42:16,970
tonight Richard bleep and Dolan yeah

857
00:42:22,579 --> 00:42:19,500
okay I can already see the emails coming

858
00:42:24,800 --> 00:42:22,589
in men that's disrespectful man you

859
00:42:25,250 --> 00:42:24,810
can't call them bleep and you can't do

860
00:42:30,680 --> 00:42:25,260
it

861
00:42:35,660 --> 00:42:30,690
what the bleeping stands for yeah they

862
00:42:39,140 --> 00:42:35,670
don't know maybe they don't now let me

863
00:42:42,380 --> 00:42:39,150

ask you this question it's a very direct

864

00:42:44,720 --> 00:42:42,390

question let's say I'm a journalist

865

00:42:47,839 --> 00:42:44,730

right and I get one of these senators

866

00:42:50,450 --> 00:42:47,849

from the Intelligence Committee and and

867

00:42:53,930 --> 00:42:50,460

I go to them and and ask them this

868

00:42:58,790 --> 00:42:53,940

question so this insert into the bill in

869

00:43:02,270 --> 00:42:58,800

the defense budget about finding out

870

00:43:05,750 --> 00:43:02,280

what's going on with extraterrestrials

871

00:43:08,210 --> 00:43:05,760

and UFOs coming from other planets here

872

00:43:13,760 --> 00:43:08,220

and invading our airspace this is a

873

00:43:18,550 --> 00:43:13,770

concern do you do you think that the

874

00:43:22,660 --> 00:43:18,560

senator would then correct me and say

875

00:43:26,120 --> 00:43:22,670

it's not about UFOs it's not about et

876

00:43:29,420 --> 00:43:26,130

extraterrestrials this is about you ApS

877

00:43:33,320 --> 00:43:29,430

and what other foreign governments may

878

00:43:35,510 --> 00:43:33,330

possess here and technology that we

879

00:43:39,290 --> 00:43:35,520

don't know about that's what this bill

880

00:43:41,030 --> 00:43:39,300

is has nothing to do with UFOs do you

881

00:43:43,940 --> 00:43:41,040

think that they might they would

882

00:43:46,579 --> 00:43:43,950

probably they would definitely say the

883

00:43:48,170 --> 00:43:46,589

the part about ET I mean because there's

884

00:43:50,770 --> 00:43:48,180

nothing about extraterrestrial obviously

885

00:43:53,570 --> 00:43:50,780

in the bill and any senator would

886

00:43:55,640 --> 00:43:53,580

obviously say well we're not talking

887

00:44:01,030 --> 00:43:55,650

about ET here so just slow down like

888

00:44:04,960 --> 00:44:01,040

that obviously Sarris with the UAP part

889

00:44:09,320 --> 00:44:04,970

there hasn't at least publicly been any

890

00:44:12,589 --> 00:44:09,330

conversation in you know Congress Senate

891

00:44:15,170 --> 00:44:12,599

or the house dealing with you ap in the

892

00:44:16,430 --> 00:44:15,180

kind of way that the world has been

893

00:44:19,720 --> 00:44:16,440

talking about in other words the

894

00:44:23,650 --> 00:44:19,730

tick-tack UFO incident for example where

895

00:44:26,800 --> 00:44:23,660

a huge number of other UFO military

896

00:44:31,060 --> 00:44:26,810

encounters right so no one's talking

897

00:44:33,370 --> 00:44:31,070

like that but I don't know I don't I

898

00:44:35,770 --> 00:44:33,380

mean what they're what you hear like

899

00:44:39,040 --> 00:44:35,780

when Lou Elizondo over T TSA has been

900

00:44:43,000 --> 00:44:39,050

talking about these you ap he generally

901
00:44:45,700 --> 00:44:43,010
is or Christopher Mellon you hear them

902
00:44:47,500 --> 00:44:45,710
saying things like well we don't know

903
00:44:49,930 --> 00:44:47,510
what they are they could be anything and

904
00:44:51,670 --> 00:44:49,940
I mean you know some of elizondo's

905
00:44:55,180 --> 00:44:51,680
earlier statements he's like well you

906
00:44:58,349 --> 00:44:55,190
know Russians Chinese and in fact I I

907
00:45:00,970 --> 00:44:58,359
think no one probably believes that but

908
00:45:02,440 --> 00:45:00,980
this is how they're entering the the

909
00:45:04,090 --> 00:45:02,450
conversation and the public domain

910
00:45:06,130 --> 00:45:04,100
because they have to do it very very

911
00:45:08,140 --> 00:45:06,140
very carefully we live in a world of all

912
00:45:09,670 --> 00:45:08,150
kinds of enforced fictions that we're

913
00:45:11,440 --> 00:45:09,680

supposed to believe and that no one

914

00:45:12,910 --> 00:45:11,450

actually does believe but we have to

915

00:45:14,770 --> 00:45:12,920

pretend to believe them and the whole

916

00:45:16,060 --> 00:45:14,780

UFO thing is one of them now where we

917

00:45:16,540 --> 00:45:16,070

have to pretend well we don't know what

918

00:45:20,650 --> 00:45:16,550

they are

919

00:45:23,950 --> 00:45:20,660

so what's amazing is that this got into

920

00:45:25,870 --> 00:45:23,960

the Senate bill at all but it's very

921

00:45:27,400 --> 00:45:25,880

obvious really you don't have to be a

922

00:45:29,280 --> 00:45:27,410

rocket scientist to scientist to realize

923

00:45:31,780 --> 00:45:29,290

that probably Christopher Mellon had a

924

00:45:36,460 --> 00:45:31,790

tremendous amount to do with the

925

00:45:39,340 --> 00:45:36,470

crafting of that language you know I

926
00:45:42,790 --> 00:45:39,350
think he was connected in his career to

927
00:45:46,060 --> 00:45:42,800
the Senate Intelligence Committee in

928
00:45:47,920 --> 00:45:46,070
fact I'm pretty sure he was so I'm sure

929
00:45:50,640 --> 00:45:47,930
he knows a lot of those people and you

930
00:45:53,440 --> 00:45:50,650
know we know that Mellon and

931
00:45:54,820 --> 00:45:53,450
specifically maybe other people in T TSA

932
00:45:58,660 --> 00:45:54,830
have probably been talking having

933
00:46:01,599 --> 00:45:58,670
political conversations and I have a

934
00:46:04,180 --> 00:46:01,609
feeling and I think I'm not the only one

935
00:46:07,390 --> 00:46:04,190
to think that this is really the result

936
00:46:10,720 --> 00:46:07,400
of it so it's an interesting sort of

937
00:46:12,730 --> 00:46:10,730
entry point into the Senate's language

938
00:46:14,470 --> 00:46:12,740

to have something like this I don't know

939

00:46:16,540 --> 00:46:14,480

if any money is being dedicated to this

940

00:46:19,840 --> 00:46:16,550

by the way I'm looking at some tweets by

941

00:46:22,410 --> 00:46:19,850

Brian bender over at Politico and the

942

00:46:26,740 --> 00:46:22,420

impression I'm getting is that there I

943

00:46:28,090 --> 00:46:26,750

don't know if there's money explicitly

944

00:46:32,920 --> 00:46:28,100

attached to that so that might make it

945

00:46:33,760 --> 00:46:32,930

actually easier to approve but yeah you

946

00:46:35,980 --> 00:46:33,770

know I could imagine

947

00:46:38,950 --> 00:46:35,990

senator just being pretty wishy-washy on

948

00:46:40,120 --> 00:46:38,960

what you were you APR you know we're not

949

00:46:41,890 --> 00:46:40,130

talking about aliens we're just talking

950

00:46:44,020 --> 00:46:41,900

about unknown objects we don't know what

951
00:46:46,660 --> 00:46:44,030
they aren't right and and and and let's

952
00:46:51,940 --> 00:46:46,670
take it a step further do you think the

953
00:46:55,600 --> 00:46:51,950
Senators have been spoken to with that

954
00:46:59,560 --> 00:46:55,610
kind of language right okay you ap maybe

955
00:47:02,590 --> 00:46:59,570
the vernacular that is as public but do

956
00:47:07,720 --> 00:47:02,600
you think that the language to them has

957
00:47:10,840 --> 00:47:07,730
been about specifically UFOs not you ApS

958
00:47:14,830 --> 00:47:10,850
we're talking over the alien kind that

959
00:47:16,870 --> 00:47:14,840
this is the understanding for them which

960
00:47:18,460 --> 00:47:16,880
is what this is about do you think that

961
00:47:21,940 --> 00:47:18,470
conversation has happened

962
00:47:23,500 --> 00:47:21,950
depends on how private it is so I mean

963
00:47:26,290 --> 00:47:23,510

I'm just guessing here but I would say

964

00:47:30,460 --> 00:47:26,300

the more private the conversation is the

965

00:47:34,480 --> 00:47:30,470

more senators are actually able to have

966

00:47:37,120 --> 00:47:34,490

a frank candid conversation about this I

967

00:47:39,940 --> 00:47:37,130

would have a feeling that I think the

968

00:47:41,410 --> 00:47:39,950

gloves would come off I mean senator is

969

00:47:43,570 --> 00:47:41,420

you know they're corrupt they're bought

970

00:47:47,770 --> 00:47:43,580

off and all of apathy also human beings

971

00:47:52,540 --> 00:47:47,780

and when they're confronted with UAP in

972

00:47:54,880 --> 00:47:52,550

a bill for the first time in fifty more

973

00:47:56,980 --> 00:47:54,890

of North and fifty years they're

974

00:47:58,900 --> 00:47:56,990

probably going to be curious and I could

975

00:48:00,970 --> 00:47:58,910

easily imagine that there would be some

976

00:48:02,620 --> 00:48:00,980

frank questions about it like what are

977

00:48:05,680 --> 00:48:02,630

you talking about what what is this like

978

00:48:07,630 --> 00:48:05,690

that type of thing and you know don't be

979

00:48:08,770 --> 00:48:07,640

asked me that's not a thing so I could

980

00:48:12,550 --> 00:48:08,780

imagine that there would be some frame

981

00:48:15,040 --> 00:48:12,560

conversations yeah the the other part of

982

00:48:18,940 --> 00:48:15,050

this where we're we've got a lot of

983

00:48:22,030 --> 00:48:18,950

conversations that are going on right

984

00:48:23,890 --> 00:48:22,040

now that have up well let's actually say

985

00:48:26,320 --> 00:48:23,900

this has actually gone on for 70 years

986

00:48:29,710 --> 00:48:26,330

this isn't the first time these things

987

00:48:34,720 --> 00:48:29,720

have happened but do you think that

988

00:48:38,010 --> 00:48:34,730

there is somebody right now that is that

989

00:48:43,739 --> 00:48:38,020

is on the public side of the fence that

990

00:48:54,179 --> 00:48:49,089

maybe with the UFO television show or in

991

00:49:00,489 --> 00:48:54,189

any way communicating to the public that

992

00:49:04,719 --> 00:49:00,499

has the information the secret stuff be

993

00:49:06,819 --> 00:49:04,729

the real deal I don't think tom knows

994

00:49:09,009 --> 00:49:06,829

anything well I mean I assume that's

995

00:49:12,459 --> 00:49:09,019

what you were hinting no no no not at

996

00:49:15,239 --> 00:49:12,469

all no no no no I'm saying across the

997

00:49:18,339 --> 00:49:15,249

board across the board I've been that

998

00:49:20,709 --> 00:49:18,349

you could even say a name like Richard

999

00:49:23,409 --> 00:49:20,719

Doty it doesn't matter to me what I'm

1000

00:49:26,799 --> 00:49:23,419

saying is is there any do you think that

1001
00:49:30,400 --> 00:49:26,809
there is somebody out there right now on

1002
00:49:35,439 --> 00:49:30,410
the public side of the fence that has

1003
00:49:39,609 --> 00:49:35,449
the the real info on UFOs the tops the

1004
00:49:41,439 --> 00:49:39,619
real diamond that the the end all is

1005
00:49:49,839 --> 00:49:41,449
that person out there and are they

1006
00:49:53,529 --> 00:49:49,849
talking yes it's a good question no I

1007
00:49:58,019 --> 00:49:53,539
don't I don't think so I think that some

1008
00:50:03,729 --> 00:49:58,029
people drop little hints here and there

1009
00:50:05,799 --> 00:50:03,739
things that they know and I think DeLong

1010
00:50:08,849 --> 00:50:05,809
is actually one of them in a couple of

1011
00:50:11,259 --> 00:50:08,859
his tweets over the last year or more

1012
00:50:14,289 --> 00:50:11,269
and people you know laugh because well

1013
00:50:23,380 --> 00:50:14,299

he had that experience on Joe Rogan

1014

00:50:27,669 --> 00:50:23,390

which Wow yeah but he's also in a select

1015

00:50:29,529 --> 00:50:27,679

group of people who have who are they're

1016

00:50:32,620 --> 00:50:29,539

navigating their way through the

1017

00:50:35,229 --> 00:50:32,630

labyrinth that's really what they are

1018

00:50:36,669 --> 00:50:35,239

and he knows them and they know him so

1019

00:50:40,630 --> 00:50:36,679

it's it's pretty obvious that he's

1020

00:50:44,679 --> 00:50:40,640

gained a fair amount of relevant

1021

00:50:46,659 --> 00:50:44,689

insights to the situation and you know

1022

00:50:49,839 --> 00:50:46,669

for like a year ago when he I think he

1023

00:50:51,219 --> 00:50:49,849

put out a tweet that said you know if

1024

00:50:52,719 --> 00:50:51,229

you want to change this you really have

1025

00:50:55,569 --> 00:50:52,729

to make legal changes of the system

1026

00:50:56,829 --> 00:50:55,579

because this is not coming out

1027

00:50:58,660 --> 00:50:56,839

and then also hinting that the a tip

1028

00:51:00,759 --> 00:50:58,670

program was only a tiny drop in the

1029

00:51:03,459 --> 00:51:00,769

bucket of what was being spent like I

1030

00:51:05,680 --> 00:51:03,469

don't think he was just you know naively

1031

00:51:08,979 --> 00:51:05,690

speculating or just taking a guess I

1032

00:51:10,779 --> 00:51:08,989

think he had some information there but

1033

00:51:14,319 --> 00:51:10,789

you know the question is how far does

1034

00:51:15,910 --> 00:51:14,329

that information go and probably not far

1035

00:51:22,329 --> 00:51:15,920

enough I mean I don't think that there's

1036

00:51:25,900 --> 00:51:22,339

any public UFO person out there who's

1037

00:51:27,870 --> 00:51:25,910

got who's you know at the Holy Grail as

1038

00:51:30,779 --> 00:51:27,880

it were I just don't think so not even

1039

00:51:33,640 --> 00:51:30,789

not even something like help cutoff or

1040

00:51:36,759 --> 00:51:33,650

you know some of the older folks with

1041

00:51:38,170 --> 00:51:36,769

security clearances like KITT green or I

1042

00:51:41,410 --> 00:51:38,180

mean I've spoken to both of them a

1043

00:51:44,920 --> 00:51:41,420

number of times I think people like them

1044

00:51:47,829 --> 00:51:44,930

have gotten closer in terms of security

1045

00:51:49,359 --> 00:51:47,839

clearances then most of us will ever get

1046

00:51:52,150 --> 00:51:49,369

but I don't think they've been at the

1047

00:51:54,969 --> 00:51:52,160

center of the circle either and by the

1048

00:51:58,380 --> 00:51:54,979

way those those two don't talk anyway so

1049

00:52:00,370 --> 00:51:58,390

right hardly ever I guess we could say

1050

00:52:02,579 --> 00:52:00,380

so you know I don't I don't think

1051
00:52:08,049 --> 00:52:02,589
there's one person who's really got that

1052
00:52:12,279 --> 00:52:08,059
if you were given the Holy Grail right

1053
00:52:16,449 --> 00:52:12,289
the the Holy Grail I mean you if do you

1054
00:52:19,359 --> 00:52:16,459
do you go public do you go straight

1055
00:52:21,699 --> 00:52:19,369
there do you not you know don't pass go

1056
00:52:24,069 --> 00:52:21,709
don't collect \$200 right just go

1057
00:52:25,719 --> 00:52:24,079
straight to jail well it's the key the

1058
00:52:28,539 --> 00:52:25,729
Holy Grail is that it has to be publicly

1059
00:52:32,739 --> 00:52:28,549
confirmable well that's what I'm saying

1060
00:52:34,749 --> 00:52:32,749
the the thing all of that it's all it's

1061
00:52:38,549 --> 00:52:34,759
all confirmed it's all vetted it's all

1062
00:52:41,229 --> 00:52:38,559
real it's it's it's it's it's the UFOs

1063
00:52:43,749 --> 00:52:41,239

because we've had a couple of truth

1064

00:52:46,209 --> 00:52:43,759

truth bombs drop over the last year or

1065

00:52:48,910 --> 00:52:46,219

more and you know what we've seen is

1066

00:52:50,680 --> 00:52:48,920

there's a whole array of cement headed

1067

00:52:52,839 --> 00:52:50,690

obstinate people who call themselves

1068

00:52:57,459 --> 00:52:52,849

researchers who just will deny deny deny

1069

00:53:02,949 --> 00:52:57,469

deny so you have to come at them with

1070

00:53:05,859 --> 00:53:02,959

something that is beyond any kind of you

1071

00:53:08,430 --> 00:53:05,869

know doubt and and rather than using

1072

00:53:10,830 --> 00:53:08,440

powers of logic and inference and

1073

00:53:12,030 --> 00:53:10,840

you know deduction which you'd think

1074

00:53:14,880 --> 00:53:12,040

that some of these people would be able

1075

00:53:17,730 --> 00:53:14,890

to do but surprise surprise so you have

1076
00:53:20,790 --> 00:53:17,740
to have something that is and and the

1077
00:53:24,960 --> 00:53:20,800
fact is that I or any ordinary citizen

1078
00:53:27,660 --> 00:53:24,970
would never have enough documentary

1079
00:53:30,300 --> 00:53:27,670
power to just show the world like you

1080
00:53:32,250 --> 00:53:30,310
could show them a document signed by any

1081
00:53:34,800 --> 00:53:32,260
number of US presidents and people would

1082
00:53:36,930 --> 00:53:34,810
say well that's a hoax right so so

1083
00:53:41,220 --> 00:53:36,940
that's the problem so I mean if I had

1084
00:53:42,330 --> 00:53:41,230
the ability to do what you're saying the

1085
00:53:45,150 --> 00:53:42,340
answer is yes I would

1086
00:53:46,650 --> 00:53:45,160
you're given you're given that's why

1087
00:53:50,550 --> 00:53:46,660
they'll probably never give it to go

1088
00:53:53,790 --> 00:53:50,560

right you're given a film canister

1089

00:53:57,510 --> 00:53:53,800

you're given 16 millimeter film a

1090

00:53:59,880 --> 00:53:57,520

complete reel of eisenhower shaking

1091

00:54:03,150 --> 00:53:59,890

hands with the grey at Holloman Air

1092

00:54:06,480 --> 00:54:03,160

Force Base you're given that piece of

1093

00:54:10,140 --> 00:54:06,490

and it's it's all real it's there boom

1094

00:54:14,610 --> 00:54:10,150

do you go public yeah what yes probably

1095

00:54:17,190 --> 00:54:14,620

I mean what you do is you you go as

1096

00:54:19,590 --> 00:54:17,200

public and as open as you can possibly

1097

00:54:22,650 --> 00:54:19,600

go and you have that piece of evidence

1098

00:54:24,990 --> 00:54:22,660

subjected to as much scientific scrutiny

1099

00:54:26,580 --> 00:54:25,000

as possible and and that's what you do I

1100

00:54:29,490 --> 00:54:26,590

would do it too

1101

00:54:31,350 --> 00:54:29,500

yeah I definitely would I would do it

1102

00:54:33,600 --> 00:54:31,360

that's that's why we will never be given

1103

00:54:38,250 --> 00:54:33,610

that information because the other side

1104

00:54:40,050 --> 00:54:38,260

of it is that the reality of this

1105

00:54:42,060 --> 00:54:40,060

phenomenon and we really always have to

1106

00:54:45,570 --> 00:54:42,070

keep coming back to it you know there's

1107

00:54:48,450 --> 00:54:45,580

community fights and egos and all that

1108

00:54:52,050 --> 00:54:48,460

stuff but but it all comes down to the

1109

00:54:55,020 --> 00:54:52,060

reality of that some intelligence or

1110

00:54:57,870 --> 00:54:55,030

intelligences are is here and they are

1111

00:54:59,340 --> 00:54:57,880

interacting with us and and we have to

1112

00:55:03,600 --> 00:54:59,350

keep reminding ourselves like that is a

1113

00:55:05,010 --> 00:55:03,610

very disruptive thing to bring up and so

1114

00:55:08,610 --> 00:55:05,020

we really don't want to undertake it

1115

00:55:11,640 --> 00:55:08,620

lightly and the reality is that this

1116

00:55:13,230 --> 00:55:11,650

truth was something that the powers that

1117

00:55:17,700 --> 00:55:13,240

be were confronted with back in the

1118

00:55:18,780 --> 00:55:17,710

1940s and they chose not to reveal it

1119

00:55:22,290 --> 00:55:18,790

now and we can say well they're just

1120

00:55:24,420 --> 00:55:22,300

evil power-hungry you know despot

1121

00:55:26,280 --> 00:55:24,430

but I'm you know reality is always more

1122

00:55:28,650 --> 00:55:26,290

complicated than that I mean that's

1123

00:55:31,020 --> 00:55:28,660

cartoon version of history and the real

1124

00:55:32,640 --> 00:55:31,030

version of history is that there are a

1125

00:55:35,490 --> 00:55:32,650

lot of considerations for those people

1126

00:55:38,550 --> 00:55:35,500

like one is if you allow the world to

1127

00:55:40,470 --> 00:55:38,560

know that this is real and also that you

1128

00:55:42,900 --> 00:55:40,480

got some of their technology then it

1129

00:55:44,550 --> 00:55:42,910

becomes very difficult not to share that

1130

00:55:46,500 --> 00:55:44,560

technology with with the rest of the

1131

00:55:50,340 --> 00:55:46,510

world including your enemies including

1132

00:55:53,010 --> 00:55:50,350

adversaries and including just everyone

1133

00:55:54,240 --> 00:55:53,020

if that's disruptive technology that can

1134

00:55:57,060 --> 00:55:54,250

actually cause a lot of problems that

1135

00:55:59,220 --> 00:55:57,070

you don't know how to control so that's

1136

00:56:01,230 --> 00:55:59,230

part of it were they right or wrong to

1137

00:56:03,360 --> 00:56:01,240

keep secrecy over that well we can

1138

00:56:04,890 --> 00:56:03,370

debate that but it's not like you can

1139

00:56:07,340 --> 00:56:04,900

just say oh yeah well they were totally

1140

00:56:11,090 --> 00:56:07,350

wrong like they had their reasons and

1141

00:56:13,830 --> 00:56:11,100

then of course as secrecy continues

1142

00:56:17,520 --> 00:56:13,840

opening up that secret often becomes

1143

00:56:18,960 --> 00:56:17,530

even much more problematic and you know

1144

00:56:19,740 --> 00:56:18,970

where you get to the point where a lot

1145

00:56:22,110 --> 00:56:19,750

of heads are gonna roll

1146

00:56:23,880 --> 00:56:22,120

if the secret truly comes out that's

1147

00:56:25,770 --> 00:56:23,890

when when Bryce is able and I wrote ad

1148

00:56:29,250 --> 00:56:25,780

after disclosure ten years ago we were

1149

00:56:33,540 --> 00:56:29,260

you know we realized that the end of UFO

1150

00:56:35,580 --> 00:56:33,550

secrecy is a genuinely revolutionary act

1151
00:56:37,880 --> 00:56:35,590
we talk about revolution here but that

1152
00:56:42,600 --> 00:56:37,890
really can cause a cascade of

1153
00:56:45,840 --> 00:56:42,610
revolutionary acts in its wake and yeah

1154
00:56:49,110 --> 00:56:45,850
you can argue that we we're in such a

1155
00:56:52,530 --> 00:56:49,120
state in our civilization we're fed lies

1156
00:56:56,210 --> 00:56:52,540
after lie after lie after lie that we

1157
00:56:58,950 --> 00:56:56,220
probably require something this big to

1158
00:57:02,900 --> 00:56:58,960
blow the lid off of the system so that

1159
00:57:05,430 --> 00:57:02,910
we can hopefully get some truth yes but

1160
00:57:07,050 --> 00:57:05,440
it's not that there isn't a downside to

1161
00:57:09,960 --> 00:57:07,060
it I mean even ten years ago when we

1162
00:57:11,370 --> 00:57:09,970
wrote ad it was very obvious that there

1163
00:57:13,710 --> 00:57:11,380

was going to be a lot of disruption and

1164

00:57:16,580 --> 00:57:13,720

it wasn't just going to bring utopia or

1165

00:57:18,510 --> 00:57:16,590

nirvana like no way it could probably

1166

00:57:20,880 --> 00:57:18,520

accelerate and accentuate the

1167

00:57:23,490 --> 00:57:20,890

differences and arguments that we

1168

00:57:24,870 --> 00:57:23,500

already have the culture wars even you

1169

00:57:27,780 --> 00:57:24,880

know you could have disclosure and that

1170

00:57:30,540 --> 00:57:27,790

then the arguments begin over are these

1171

00:57:33,180 --> 00:57:30,550

ETS good or evil like how do you resolve

1172

00:57:35,180 --> 00:57:33,190

that like so it's not going to solve

1173

00:57:37,970 --> 00:57:35,190

every problem

1174

00:57:41,960 --> 00:57:37,980

and the technology also is going to be a

1175

00:57:44,839 --> 00:57:41,970

disruptor for probably for positive and

1176

00:57:47,059 --> 00:57:44,849

negative things so it's a huge thing to

1177

00:57:50,780 --> 00:57:47,069

undertake I still say yes though because

1178

00:57:53,480 --> 00:57:50,790

I mean honestly it really comes down to

1179

00:57:57,020 --> 00:57:53,490

a philosophical position which is I just

1180

00:57:58,880 --> 00:57:57,030

can't believe in the lies and I've got

1181

00:57:59,839 --> 00:57:58,890

to trust the truth like I don't know how

1182

00:58:02,210 --> 00:57:59,849

else to put it

1183

00:58:04,430 --> 00:58:02,220

you've got to have faith and true then

1184

00:58:06,079 --> 00:58:04,440

if you can't have faith and truth and

1185

00:58:09,010 --> 00:58:06,089

what the hell are you doing in this

1186

00:58:12,470 --> 00:58:09,020

world that's right and wouldn't wouldn't

1187

00:58:15,050 --> 00:58:12,480

and I know everybody wants disclosure it

1188

00:58:18,260 --> 00:58:15,060

whatever disclosure means to them right

1189

00:58:21,950 --> 00:58:18,270

that they want to push this forward and

1190

00:58:24,740 --> 00:58:21,960

an ad after disclosure presented a lot

1191

00:58:28,040 --> 00:58:24,750

of it's one of my favourite books and

1192

00:58:30,910 --> 00:58:28,050

and well not going back to that let's

1193

00:58:35,359 --> 00:58:30,920

move forward but my point being that

1194

00:58:39,770 --> 00:58:35,369

disclosure means a lot with the upheaval

1195

00:58:43,880 --> 00:58:39,780

and the unstable nasaw and it's not just

1196

00:58:47,960 --> 00:58:43,890

the United States wouldn't disclosure of

1197

00:58:49,880 --> 00:58:47,970

the et kind help maybe stabilize things

1198

00:58:54,680 --> 00:58:49,890

and that take things into the other

1199

00:58:56,950 --> 00:58:54,690

direction I'm not sure what exactly you

1200

00:59:01,160 --> 00:58:56,960

mean by the other direction but it's

1201
00:59:04,730 --> 00:59:01,170
absolutely possible that a genuine open

1202
00:59:07,280 --> 00:59:04,740
honest disclosure of this reality could

1203
00:59:11,240 --> 00:59:07,290
be a kind of positive wake up because

1204
00:59:13,099 --> 00:59:11,250
stabilizing of yes yes all right now a

1205
00:59:18,550 --> 00:59:13,109
lot of it depends on what the truth

1206
00:59:21,470 --> 00:59:18,560
actually is like that's really important

1207
00:59:24,620 --> 00:59:21,480
one of the things that has come to me

1208
00:59:26,559 --> 00:59:24,630
you know I recently did I did my own

1209
00:59:28,940 --> 00:59:26,569
online conference about a month ago and

1210
00:59:32,599 --> 00:59:28,950
I'm really glad I did it I can't I did a

1211
00:59:36,319 --> 00:59:32,609
couple of unique new lectures for it and

1212
00:59:39,319 --> 00:59:36,329
one of them was just me trying to figure

1213
00:59:41,930 --> 00:59:39,329

out what the alien agenda is plural were

1214

00:59:43,400 --> 00:59:41,940

and what they aren't in preparation for

1215

00:59:48,230 --> 00:59:43,410

that I spent actually a couple of months

1216

00:59:49,039 --> 00:59:48,240

really revisiting a lot of old cases UFO

1217

00:59:53,109 --> 00:59:49,049

cases and look

1218

00:59:56,539 --> 00:59:53,119

and one thing came to me loud and clear

1219

00:59:59,449 --> 00:59:56,549

which is something that as a researcher

1220

01:00:01,849 --> 00:59:59,459

I think many UFO researchers try to

1221

01:00:04,609 --> 01:00:01,859

overlook and I include myself here which

1222

01:00:07,939 --> 01:00:04,619

is that there are an abundance of cases

1223

01:00:12,649 --> 01:00:07,949

of completely human looking occupants of

1224

01:00:16,339 --> 01:00:12,659

these craft and there are so many of

1225

01:00:19,069 --> 01:00:16,349

these accounts that it occurred to me

1226

01:00:21,130 --> 01:00:19,079

that I I mean I would I would was being

1227

01:00:23,569 --> 01:00:21,140

intellectually dishonest by not

1228

01:00:26,239 --> 01:00:23,579

acknowledging that you know the in the

1229

01:00:28,489 --> 01:00:26,249

inference with all of UFOs that we think

1230

01:00:29,749 --> 01:00:28,499

well they're gray aliens are they're

1231

01:00:31,279 --> 01:00:29,759

reptilian or whatever they are but

1232

01:00:33,229 --> 01:00:31,289

they're not human because they're from

1233

01:00:37,009 --> 01:00:33,239

another planet and they therefore it

1234

01:00:39,549 --> 01:00:37,019

can't possibly look human and you know I

1235

01:00:42,979 --> 01:00:39,559

would agree with that except that the

1236

01:00:45,169 --> 01:00:42,989

fact is that an enormous number of

1237

01:00:49,399 --> 01:00:45,179

reports that I personally would consider

1238

01:00:51,409 --> 01:00:49,409

credible reports too many include human

1239

01:00:54,559 --> 01:00:51,419

looking occupants now if that is true

1240

01:00:55,969 --> 01:00:54,569

and I think it is true I think there's a

1241

01:00:57,799 --> 01:00:55,979

certain number of them that look like us

1242

01:01:01,489 --> 01:00:57,809

so then the question is what does that

1243

01:01:03,949 --> 01:01:01,499

mean and are they here among us and it's

1244

01:01:05,929 --> 01:01:03,959

an uncomfortable question to ask and it

1245

01:01:07,189 --> 01:01:05,939

sounds really bizarre science fictiony

1246

01:01:10,849 --> 01:01:07,199

the invasion of the body snatchers any

1247

01:01:14,499 --> 01:01:10,859

of that but the fact is like we really

1248

01:01:17,689 --> 01:01:14,509

are obligated to ask that question and

1249

01:01:20,559 --> 01:01:17,699

by asking that question now you're

1250

01:01:24,199 --> 01:01:20,569

opening up a whole new can of worms

1251

01:01:25,729 --> 01:01:24,209

because if this is real and if some of

1252

01:01:27,319 --> 01:01:25,739

them look like us I mean even the Travis

1253

01:01:29,319 --> 01:01:27,329

Walton case which way everyone talks

1254

01:01:32,419 --> 01:01:29,329

about there were human and non-human

1255

01:01:34,999 --> 01:01:32,429

occupants that we're all seeing yeah and

1256

01:01:38,749 --> 01:01:35,009

it's not just Travis's case it's lots of

1257

01:01:40,549 --> 01:01:38,759

them so if that is so are they here and

1258

01:01:43,339 --> 01:01:40,559

if that is the case then now you're

1259

01:01:45,199 --> 01:01:43,349

looking witch-hunt but not only that

1260

01:01:47,779 --> 01:01:45,209

that's that's one side of it the other

1261

01:01:50,959 --> 01:01:47,789

side is are they here and have they

1262

01:01:53,839 --> 01:01:50,969

actually created a Fifth Column like you

1263

01:01:56,499 --> 01:01:53,849

have to ask that and and then the

1264

01:01:58,870 --> 01:01:56,509

question is how the hell do you

1265

01:02:01,729 --> 01:01:58,880

determine who is who

1266

01:02:03,600 --> 01:02:01,739

I'd 23andme is that gonna do it I don't

1267

01:02:07,810 --> 01:02:03,610

know

1268

01:02:10,690 --> 01:02:07,820

do it right well Richard really like

1269

01:02:12,760 --> 01:02:10,700

sticky situation it is is because if you

1270

01:02:15,700 --> 01:02:12,770

and I if you and I landed on another

1271

01:02:16,840 --> 01:02:15,710

planet then we climb down the flying

1272

01:02:19,240 --> 01:02:16,850

saucers

1273

01:02:21,070 --> 01:02:19,250

you know stairs right and we descend

1274

01:02:23,830 --> 01:02:21,080

them we're greeted they're gonna look at

1275

01:02:27,190 --> 01:02:23,840

the two of us and they're gonna think

1276

01:02:30,430 --> 01:02:27,200

you and I are from different planets you

1277

01:02:32,890 --> 01:02:30,440

know that you know what I mean we we

1278

01:02:36,430 --> 01:02:32,900

look completely different what if what

1279

01:02:41,740 --> 01:02:36,440

if what if one of this was black or or

1280

01:02:46,120 --> 01:02:41,750

or right short short and fat and tall

1281

01:02:50,590 --> 01:02:46,130

and skinny and just here on this planet

1282

01:02:52,840 --> 01:02:50,600

we look completely different and we do

1283

01:02:56,230 --> 01:02:52,850

except we do look like the same species

1284

01:02:58,120 --> 01:02:56,240

like you know what race I mean we sell

1285

01:03:01,660 --> 01:02:58,130

the same exact body plan we still have

1286

01:03:03,250 --> 01:03:01,670

the same fundamental features that that

1287

01:03:05,560 --> 01:03:03,260

actually unites us I mean we all have

1288

01:03:07,770 --> 01:03:05,570

way more in common physiologically than

1289

01:03:09,850 --> 01:03:07,780

we do difference there are there are

1290

01:03:12,970 --> 01:03:09,860

superficial differences skin colors a

1291

01:03:14,380 --> 01:03:12,980

very superficial difference height is a

1292

01:03:19,450 --> 01:03:14,390

little more of a substantial difference

1293

01:03:21,190 --> 01:03:19,460

sure in size yeah but no you have ten

1294

01:03:22,960 --> 01:03:21,200

feet compared with three feet you know

1295

01:03:25,500 --> 01:03:22,970

we don't have that I don't know you've

1296

01:03:27,960 --> 01:03:25,510

got a bigger brain and a bigger cranium

1297

01:03:29,890 --> 01:03:27,970

[Laughter]

1298

01:03:32,260 --> 01:03:29,900

definitely appear to be different but

1299

01:03:35,710 --> 01:03:32,270

you understand what I'm saying yeah yeah

1300

01:03:39,220 --> 01:03:35,720

you know and and I don't know what so

1301

01:03:42,010 --> 01:03:39,230

many people expect when we talk about

1302

01:03:44,580 --> 01:03:42,020

the possibilities of being different but

1303

01:03:47,890 --> 01:03:44,590

the other aspect of looking the same

1304

01:03:51,970 --> 01:03:47,900

amino acids are amino acids right DNA

1305

01:03:54,010 --> 01:03:51,980

and RNA is probably fundamentally the

1306

01:03:56,710 --> 01:03:54,020

same because of amino acids and those

1307

01:03:58,510 --> 01:03:56,720

sugars and an exam mystery throughout

1308

01:04:02,320 --> 01:03:58,520

the universe that the only thing that

1309

01:04:04,780 --> 01:04:02,330

would dictate differences well water or

1310

01:04:07,540 --> 01:04:04,790

carbon in an atmosphere but gravity

1311

01:04:09,400 --> 01:04:07,550

right if we had stronger gravity here

1312

01:04:12,700 --> 01:04:09,410

everybody on this planet would be a foot

1313

01:04:14,710 --> 01:04:12,710

and a half tall and that those are

1314

01:04:15,620 --> 01:04:14,720

fundamental differences that that we

1315

01:04:17,000 --> 01:04:15,630

could expect

1316

01:04:20,750 --> 01:04:17,010

you know from something from another

1317

01:04:24,170 --> 01:04:20,760

planet but but but two hands two feet

1318

01:04:27,260 --> 01:04:24,180

two arms two legs a head stereo vision

1319

01:04:29,630 --> 01:04:27,270

with a pair of ears and a great body

1320

01:04:31,730 --> 01:04:29,640

plan and could very well be a successful

1321

01:04:35,360 --> 01:04:31,740

body plan in countless other place that

1322

01:04:37,610 --> 01:04:35,370

it would work anywhere right so that's

1323

01:04:39,170 --> 01:04:37,620

really successful like having having

1324

01:04:40,310 --> 01:04:39,180

your eyes five to six feet above the

1325

01:04:42,530 --> 01:04:40,320

ground wow that's amazing

1326

01:04:44,780 --> 01:04:42,540

and having grasping any hands with

1327

01:04:48,680 --> 01:04:44,790

thumbs and all of that is actually

1328

01:04:51,650 --> 01:04:48,690

really useful and you know when you

1329

01:04:55,340 --> 01:04:51,660

consider how life is constantly forced

1330

01:04:58,400 --> 01:04:55,350

to adapt to changing environments this

1331

01:05:00,050 --> 01:04:58,410

type of a body plan is a really good

1332

01:05:01,490 --> 01:05:00,060

example of something that could be very

1333

01:05:05,240 --> 01:05:01,500

successful and also of something that

1334

01:05:06,010 --> 01:05:05,250

could be technological because actually

1335

01:05:10,130 --> 01:05:06,020

of our hands

1336

01:05:12,770 --> 01:05:10,140

you know panspermia is a reality and and

1337

01:05:15,470 --> 01:05:12,780

having something like that deposited

1338

01:05:18,590 --> 01:05:15,480

here I'm talking about DNA interstellar

1339

01:05:21,620 --> 01:05:18,600

DNA it's as possible as anything a

1340

01:05:23,870 --> 01:05:21,630

couple of months ago there was his press

1341

01:05:25,220 --> 01:05:23,880

release that came out I read it here on

1342

01:05:28,120 --> 01:05:25,230

fade to black I don't know if you'd

1343

01:05:32,300 --> 01:05:28,130

caught it but it was very interesting

1344

01:05:34,640 --> 01:05:32,310

especially for a UFO guy like myself but

1345

01:05:39,530 --> 01:05:34,650

the press release was a simple one a

1346

01:05:43,190 --> 01:05:39,540

meteorite crashed here on earth a couple

1347

01:05:47,240 --> 01:05:43,200

of months ago was picked up brought back

1348

01:05:51,530 --> 01:05:47,250

to a university and on the meteorite are

1349

01:05:58,580 --> 01:05:51,540

you ready the complex sugars for the

1350

01:06:02,480 --> 01:05:58,590

creation of RNA well now now that talk

1351

01:06:07,850 --> 01:06:02,490

about panspermia right the the basic

1352

01:06:12,950 --> 01:06:07,860

elements of RNA on a meteorite cruising

1353

01:06:15,980 --> 01:06:12,960

around our star system it didn't come

1354

01:06:18,440 --> 01:06:15,990

from here I think we have to recognize

1355

01:06:21,850 --> 01:06:18,450

like life has got to be abundant

1356

01:06:26,480 --> 01:06:21,860

throughout the universe or universes

1357

01:06:29,180 --> 01:06:26,490

whatever and I can't remember the latest

1358

01:06:33,440 --> 01:06:29,190

estimate but I think of Earth

1359

01:06:36,050 --> 01:06:33,450

like planets in the galaxy that our

1360

01:06:39,950 --> 01:06:36,060

galaxy alone it's some ridiculously high

1361

01:06:43,670 --> 01:06:39,960

number one planet alien 28 billion Hertz

1362

01:06:46,160 --> 01:06:43,680

general probable gravity and distance

1363

01:06:49,730 --> 01:06:46,170

from their star and all of that 20

1364

01:06:52,839 --> 01:06:49,740

billion 20 billion you know and in 1995

1365

01:06:58,210 --> 01:06:52,849

Richard do you know how many there were

1366

01:07:03,290 --> 01:06:58,220

yeah yeah yeah early 1995 it was zero

1367

01:07:08,150 --> 01:07:03,300

it's amazing yeah and so yeah I think I

1368

01:07:11,390 --> 01:07:08,160

think a bipedal body plans probably a

1369

01:07:13,880 --> 01:07:11,400

common successful body plan like in

1370

01:07:16,160 --> 01:07:13,890

earlier years you'd hear a lot of

1371

01:07:18,440 --> 01:07:16,170

science is saying well you know life you

1372

01:07:20,690 --> 01:07:18,450

can expect it to be completely bizarre

1373

01:07:23,450 --> 01:07:20,700

and different and but actually I think

1374

01:07:24,740 --> 01:07:23,460

that's probably I mean yes I'm sure

1375

01:07:27,230 --> 01:07:24,750

there's a lot of variation of life

1376

01:07:29,420 --> 01:07:27,240

around in the universe but of successful

1377

01:07:32,059 --> 01:07:29,430

life that develops technology maybe not

1378

01:07:37,309 --> 01:07:32,069

as much of a variation as we might think

1379

01:07:39,770 --> 01:07:37,319

no we need to take a break right here

1380

01:07:42,650 --> 01:07:39,780

Richard so let's get that in but when we

1381

01:07:45,710 --> 01:07:42,660

talk about something like you know life

1382

01:07:48,530 --> 01:07:45,720

on Europa living in the oceans well

1383

01:07:51,040 --> 01:07:48,540

without fire living in water

1384

01:07:54,410 --> 01:07:51,050

you're only gonna take technology so far

1385

01:07:56,089 --> 01:07:54,420

it's suck it would have to be so yeah it

1386

01:07:57,829 --> 01:07:56,099

would have to be above ground with some

1387

01:08:00,200 --> 01:07:57,839

oxygen let's take our break right here

1388

01:08:02,210 --> 01:08:00,210

our guest tonight world UFO day it is

1389

01:08:04,220 --> 01:08:02,220

Richard bleep and Dolan I'm your host

1390

01:08:07,099 --> 01:08:04,230

Jimmy Church follow me on Twitter I che

1391

01:08:09,109 --> 01:08:07,109

searched radio follow rich Dolan on

1392

01:08:10,550 --> 01:08:09,119

Twitter it's right there we'll be right

1393

01:08:20,990 --> 01:08:10,560

back stay with us Richard

1394

01:08:24,169 --> 01:08:21,000

[Music]

1395

01:08:28,200 --> 01:08:24,179

way out here we listen to Jimmy Church

1396

01:08:30,479 --> 01:08:28,210

you're listening to fade to black always

1397

01:08:33,030 --> 01:08:30,489

on the edge of the hottest alternative

1398

01:08:50,820 --> 01:08:33,040

talk chilly church with fade to black

1399

01:08:53,550 --> 01:08:50,830

stay GRA radio.com do you want to be an

1400

01:08:56,309 --> 01:08:53,560

official fade or not of course you do

1401

01:08:58,499 --> 01:08:56,319

this is to mature to fade to black just

1402

01:09:01,939 --> 01:08:58,509

go to our membership section at Jimmy

1403

01:09:07,530 --> 01:09:04,729

introducing the new surfer music app

1404

01:09:11,070 --> 01:09:07,540

listen fade or not you know I love my

1405

01:09:13,979 --> 01:09:11,080

music this is my go-to for all things

1406

01:09:16,289 --> 01:09:13,989

notes the surfer app is a brand new

1407

01:09:18,479 --> 01:09:16,299

concept of music listening surfer is

1408

01:09:20,400 --> 01:09:18,489

free providing unlimited access to

1409

01:09:22,590 --> 01:09:20,410

thousands of live streaming radio

1410

01:09:24,360 --> 01:09:22,600

stations surfer is an exciting

1411

01:09:26,700 --> 01:09:24,370

interactive listening experience

1412

01:09:29,430 --> 01:09:26,710

discovery and surprise are built right

1413

01:09:31,919 --> 01:09:29,440

in surfer is your destination to

1414

01:09:34,950 --> 01:09:31,929

discover and rediscover great live

1415

01:09:37,320 --> 01:09:34,960

streaming music it features high quality

1416

01:09:38,970 --> 01:09:37,330

audio streams free access to music from

1417

01:09:39,980 --> 01:09:38,980

thousands of live streaming radio

1418

01:09:42,350 --> 01:09:39,990

stations

1419

01:09:44,840 --> 01:09:42,360

unlimited listening unlimited skipping

1420

01:09:47,210 --> 01:09:44,850

you get a music visualizer and you can

1421

01:09:49,610 --> 01:09:47,220

also select your favorite channels get

1422

01:09:52,910 --> 01:09:49,620

it at the Apple App Store or Google Play

1423

01:09:54,910 --> 01:09:52,920

just search surfer music or click on the

1424

01:09:59,250 --> 01:09:54,920

surfer banner at Jimmy Church radio.com

1425

01:10:06,370 --> 01:10:02,740

so you love talk radio then you'll love

1426

01:10:09,220 --> 01:10:06,380

talk stream live.com talk stream live is

1427

01:10:11,500 --> 01:10:09,230

always on 24/7 with the best streaming

1428

01:10:13,540 --> 01:10:11,510

talk shows find your favorite talkers

1429

01:10:16,419 --> 01:10:13,550

and discover some new ones it's free

1430

01:10:18,100 --> 01:10:16,429

readily available online or on mobile

1431

01:10:20,140 --> 01:10:18,110

with any smartphone or tablet

1432

01:10:22,209 --> 01:10:20,150

finding your favorite talk shows all in

1433

01:10:25,240 --> 01:10:22,219

one place has gotten a whole lot easier

1434

01:10:27,040 --> 01:10:25,250

just go to talk stream live.com

1435

01:10:31,080 --> 01:10:27,050

be sure to download the free apps from

1436

01:10:35,080 --> 01:10:31,090

Google Play or the iTunes App Store you

1437

01:10:43,240 --> 01:10:35,090

listen to us and we listen to you so

1438

01:10:46,360 --> 01:10:43,250

does the cjgr a radio.com permanent

1439

01:10:48,850 --> 01:10:46,370

industrial glue impossible to remove not

1440

01:10:51,459 --> 01:10:48,860

anymore because handyman formula by dee

1441

01:10:52,990 --> 01:10:51,469

bond is a patented chemical adhesive

1442

01:10:55,000 --> 01:10:53,000

remover it's used in the building and

1443

01:10:58,360 --> 01:10:55,010

home maintenance industry but now it's

1444

01:11:01,660 --> 01:10:58,370

available for your home use for your DIY

1445

01:11:03,850 --> 01:11:01,670

projects unglue stickers silicone rubber

1446

01:11:06,070 --> 01:11:03,860

labels price tags flex tape weather

1447

01:11:10,419 --> 01:11:06,080

stripping carpet glue wood glue liquid

1448

01:11:11,260 --> 01:11:10,429

nails even 3m 5200 and it dissolves

1449

01:11:16,240 --> 01:11:11,270

graffiti

1450

01:11:18,160 --> 01:11:16,250

bond works and it's safe to use on most

1451
01:11:20,709 --> 01:11:18,170
surfaces no need to call a professional

1452
01:11:23,229 --> 01:11:20,719
don't get out the pliers and blowtorch

1453
01:11:25,479 --> 01:11:23,239
just apply a little handyman formula by

1454
01:11:28,060 --> 01:11:25,489
dee bond and wait 90 seconds then

1455
01:11:30,790 --> 01:11:28,070
quickly and easily pull the items apart

1456
01:11:31,750 --> 01:11:30,800
get unstuck visit dee bond handyman

1457
01:11:34,330 --> 01:11:31,760
formula.com

1458
01:11:36,220 --> 01:11:34,340
that's dee bond telepath is a weekly

1459
01:11:38,620 --> 01:11:36,230
digital newsletter filled with the

1460
01:11:40,720 --> 01:11:38,630
latest paranormal news trending topics

1461
01:11:42,729 --> 01:11:40,730
and fresh articles from some of the most

1462
01:11:45,010 --> 01:11:42,739
popular critical thinkers in the

1463
01:11:47,320 --> 01:11:45,020

community today stay informed on your

1464

01:11:49,689 --> 01:11:47,330

favorite paranormal podcasts and live

1465

01:11:51,580 --> 01:11:49,699

streaming talk shows interact with the

1466

01:11:54,189 --> 01:11:51,590

telepath and upload your paranormal

1467

01:11:56,350 --> 01:11:54,199

story or pics it could be featured in an

1468

01:11:58,750 --> 01:11:56,360

upcoming edition sign up right now for

1469

01:12:01,330 --> 01:11:58,760

the free telepath newsletter at

1470

01:12:04,570 --> 01:12:01,340

paranormal dot radio that's paranormal

1471

01:12:06,220 --> 01:12:04,580

dot radio including the network you're

1472

01:12:08,920 --> 01:12:06,230

listening to right now

1473

01:12:14,290 --> 01:12:08,930

paranormal radio app free in google play

1474

01:12:16,600 --> 01:12:14,300

and the iOS app store you are listening

1475

01:12:21,640 --> 01:12:16,610

to fade to black with Jimmy Church on

1476

01:12:24,430 --> 01:12:21,650

the game changer Network hi I'm Lisa

1477

01:12:27,400 --> 01:12:24,440

Vance your listings Jimmy Church this is

1478

01:12:32,970 --> 01:12:27,410

revolution the revolution will not be

1479

01:13:16,990 --> 01:13:13,510

[Music]

1480

01:13:19,150 --> 01:13:17,000

all right welcome back fade to black our

1481

01:13:22,540 --> 01:13:19,160

meals Jimmy Church now today's world

1482

01:13:24,310 --> 01:13:22,550

view of o day we've got richer bleep and

1483

01:13:28,270 --> 01:13:24,320

Dolan here with us it doesn't get any

1484

01:13:33,460 --> 01:13:28,280

better than that does it all right now

1485

01:13:41,710 --> 01:13:33,470

okay Richard here we go you ready let's

1486

01:13:44,710 --> 01:13:41,720

see the document leak of the century do

1487

01:13:45,280 --> 01:13:44,720

you stand by it absolutely you're

1488

01:13:47,710 --> 01:13:45,290

referring to

1489

01:13:50,590 --> 01:13:47,720

Eric Davis's notes from his conversation

1490

01:13:53,770 --> 01:13:50,600

with Admiral Thomas Wilson from 2002

1491

01:13:56,670 --> 01:13:53,780

yeah yeah you were referencing that

1492

01:14:01,210 --> 01:13:56,680

document when he said that but yeah

1493

01:14:04,060 --> 01:14:01,220

heavy words right and and when that went

1494

01:14:07,390 --> 01:14:04,070

down and I want every I went back and

1495

01:14:09,160 --> 01:14:07,400

reviewed the timeline of all of this for

1496

01:14:12,970 --> 01:14:09,170

everybody I want everybody to understand

1497

01:14:15,880 --> 01:14:12,980

one thing that when that happened the

1498

01:14:17,980 --> 01:14:15,890

first two people that talked probably

1499

01:14:19,750 --> 01:14:17,990

about this was Richard and I either the

1500

01:14:22,480 --> 01:14:19,760

phone call happened immediately we both

1501
01:14:24,430 --> 01:14:22,490
had gotten the dock and we started to

1502
01:14:27,340 --> 01:14:24,440
review it I started making my phone

1503
01:14:30,400 --> 01:14:27,350
calls Richard started making his but we

1504
01:14:34,450 --> 01:14:30,410
knew the significant you can feel the

1505
01:14:38,170 --> 01:14:34,460
weight of what what the possibilities

1506
01:14:42,700 --> 01:14:38,180
were at that time and and you went off

1507
01:14:45,850 --> 01:14:42,710
and and did your vetting I went off and

1508
01:14:50,110 --> 01:14:45,860
did mine we ended up doing shows about

1509
01:14:53,560 --> 01:14:50,120
it immediately but from what you found

1510
01:14:56,110 --> 01:14:53,570
out then to where we are today is it

1511
01:14:59,770 --> 01:14:56,120
still the UFO leak of the century or

1512
01:15:03,790 --> 01:14:59,780
what would it take to elevate something

1513
01:15:05,560 --> 01:15:03,800

past that okay well both of those

1514

01:15:07,950 --> 01:15:05,570

questions can be answered so right now

1515

01:15:10,000 --> 01:15:07,960

it remains the UFO leak of the century

1516

01:15:13,480 --> 01:15:10,010

there's there's nothing even that comes

1517

01:15:16,180 --> 01:15:13,490

close to it and we can talk about what

1518

01:15:19,990 --> 01:15:16,190

it means why it is and all of that now

1519

01:15:21,730 --> 01:15:20,000

there's absolutely the potential for

1520

01:15:24,520 --> 01:15:21,740

something else and something better to

1521

01:15:28,240 --> 01:15:24,530

come along because you know this is

1522

01:15:30,280 --> 01:15:28,250

simply this is not a formal government

1523

01:15:34,150 --> 01:15:30,290

document we're talking about here we're

1524

01:15:37,510 --> 01:15:34,160

talking about notes sent by what I often

1525

01:15:39,970 --> 01:15:37,520

call the Bigelow crowd you know one man

1526

01:15:42,310 --> 01:15:39,980

dr. Eric Davis sent by a lot of the

1527

01:15:46,060 --> 01:15:42,320

Associates of Robert Bigelow to meet

1528

01:15:50,250 --> 01:15:46,070

with this recently retired Admiral who

1529

01:15:53,800 --> 01:15:50,260

had just left government service and and

1530

01:15:58,060 --> 01:15:53,810

to get notes on him from a relating to a

1531

01:16:00,190 --> 01:15:58,070

very important event that had happened

1532

01:16:01,900 --> 01:16:00,200

five years earlier and this was their

1533

01:16:04,300 --> 01:16:01,910

first opportunity to do that and they

1534

01:16:06,160 --> 01:16:04,310

were able to make it happen because

1535

01:16:11,260 --> 01:16:06,170

there was a mutual connection who spoke

1536

01:16:12,940 --> 01:16:11,270

on Eric Davis his behalf and and Davis

1537

01:16:15,700 --> 01:16:12,950

basically hit a homerun in the interview

1538

01:16:17,400 --> 01:16:15,710

he met with Wilson talked with him for

1539

01:16:20,020 --> 01:16:17,410

what seems like a little over an hour

1540

01:16:22,530 --> 01:16:20,030

took very very detailed notes which is

1541

01:16:25,810 --> 01:16:22,540

not surprising at all and then went back

1542

01:16:29,200 --> 01:16:25,820

privately to report to his team

1543

01:16:33,010 --> 01:16:29,210

basically it was supposed to go nowhere

1544

01:16:35,380 --> 01:16:33,020

else and for most of the years until dr.

1545

01:16:37,570 --> 01:16:35,390

Edgar Mitchell died it hardly went

1546

01:16:41,740 --> 01:16:37,580

anywhere else one place that went to was

1547

01:16:43,510 --> 01:16:41,750

me in 2006 when I was shown a couple of

1548

01:16:45,820 --> 01:16:43,520

pages of that document and I remember it

1549

01:16:48,940 --> 01:16:45,830

very very clearly indeed by one of the

1550

01:16:52,020 --> 01:16:48,950

people in that crowd mm-hmm oh I have

1551

01:16:55,180 --> 01:16:52,030

never given up that person's identity a

1552

01:16:58,240 --> 01:16:55,190

few people privately know but I've never

1553

01:17:00,550 --> 01:16:58,250

given up and that's the end of that so

1554

01:17:04,390 --> 01:17:00,560

um but anyway the whole thing was simply

1555

01:17:05,950 --> 01:17:04,400

meant to be a private conversation among

1556

01:17:09,000 --> 01:17:05,960

people who have had various classified

1557

01:17:14,050 --> 01:17:09,010

clearances and and Wilson

1558

01:17:15,910 --> 01:17:14,060

allowed himself to trust Eric Davis who

1559

01:17:18,400 --> 01:17:15,920

actually has turned out to be very

1560

01:17:20,200 --> 01:17:18,410

trustworthy actually in fact it wasn't

1561

01:17:20,590 --> 01:17:20,210

Davis who leaked the notes ad wasn't his

1562

01:17:23,860 --> 01:17:20,600

fault

1563

01:17:25,870 --> 01:17:23,870

and they had the conversation Davis

1564

01:17:29,740 --> 01:17:25,880

learned what he learned reported back to

1565

01:17:33,280 --> 01:17:29,750

his colleagues and and one of them was

1566

01:17:36,430 --> 01:17:33,290

dr. Edgar Mitchell of Apollo 14 and when

1567

01:17:38,770 --> 01:17:36,440

Mitchell died in was a 20-17

1568

01:17:45,399 --> 01:17:38,780

I guess

1569

01:17:51,620 --> 01:17:45,409

eventually in his estate several boxes

1570

01:17:56,450 --> 01:17:51,630

relating to his UFO life were preserved

1571

01:17:57,859 --> 01:17:56,460

and were allowed to leave and you know

1572

01:17:59,839 --> 01:17:57,869

it's been a couple of years well it's

1573

01:18:02,209 --> 01:17:59,849

been one full year since this has come

1574

01:18:04,129 --> 01:18:02,219

out and I don't really know where people

1575

01:18:05,330 --> 01:18:04,139

are at in terms of what's what we're

1576

01:18:07,910 --> 01:18:05,340

allowed to say what we're not allowed to

1577

01:18:10,669 --> 01:18:07,920

say in terms of Mitchell's estate so I

1578

01:18:13,189 --> 01:18:10,679

can just say a year ago I was very very

1579

01:18:16,189 --> 01:18:13,199

very careful about not you know giving

1580

01:18:18,470 --> 01:18:16,199

up anyone's identity and I still I still

1581

01:18:20,930 --> 01:18:18,480

don't know the man who who was able to

1582

01:18:24,470 --> 01:18:20,940

get the documents out but I I know the

1583

01:18:26,780 --> 01:18:24,480

one that he stole don't you write which

1584

01:18:29,030 --> 01:18:26,790

is James Rigney who I've you know I've

1585

01:18:30,770 --> 01:18:29,040

spoken with James and in fact I think I

1586

01:18:32,569 --> 01:18:30,780

was the one who who gave up James

1587

01:18:38,060 --> 01:18:32,579

Rigby's name with his permission I

1588

01:18:40,580 --> 01:18:38,070

should add and then from from there the

1589

01:18:43,100 --> 01:18:40,590

document was jpg and circulated very

1590

01:18:47,629 --> 01:18:43,110

quietly among a few other people not me

1591

01:18:53,030 --> 01:18:47,639

not yet and Grant Cameron researcher was

1592

01:18:54,800 --> 01:18:53,040

shown that by James in late 2018 grant

1593

01:18:57,649 --> 01:18:54,810

of course immediately recognized it for

1594

01:18:59,120 --> 01:18:57,659

what it was as well and then spent the

1595

01:19:03,890 --> 01:18:59,130

next few months thinking what do I do is

1596

01:19:06,800 --> 01:19:03,900

this like in in April someone and I

1597

01:19:08,750 --> 01:19:06,810

still don't know exactly who I have a

1598

01:19:11,060 --> 01:19:08,760

vague idea but I don't really know sent

1599

01:19:14,120 --> 01:19:11,070

me the document through a proton mail

1600

01:19:15,530 --> 01:19:14,130

account which was untraceable I was not

1601
01:19:18,109 --> 01:19:15,540
able to get back to him they sent me a

1602
01:19:21,830 --> 01:19:18,119
link from injure where the documents

1603
01:19:25,220 --> 01:19:21,840
were just sitting very quietly and so I

1604
01:19:29,169 --> 01:19:25,230
had the same crisis of conscience that

1605
01:19:31,280 --> 01:19:29,179
Grant had for a few months earlier I

1606
01:19:33,470 --> 01:19:31,290
remember talking with Grant about and

1607
01:19:36,919 --> 01:19:33,480
thinking all right we we can't let this

1608
01:19:39,589 --> 01:19:36,929
sit indefinitely in limbo what someone

1609
01:19:42,649 --> 01:19:39,599
has got to get this out and the only

1610
01:19:46,220 --> 01:19:42,659
thing I remembered saying about that was

1611
01:19:48,350 --> 01:19:46,230
I don't want it to be me but if it came

1612
01:19:49,879 --> 01:19:48,360
down to it I would do it I just wanted

1613
01:19:51,140 --> 01:19:49,889

it to be someone else like I didn't I

1614

01:19:57,439 --> 01:19:51,150

didn't want to

1615

01:20:00,110 --> 01:19:57,449

to release it was because I know one of

1616

01:20:06,050 --> 01:20:00,120

the the individual who showed me that

1617

01:20:08,750 --> 01:20:06,060

document in 2006 did so with the

1618

01:20:10,220 --> 01:20:08,760

expectation of trust and I I didn't want

1619

01:20:14,330 --> 01:20:10,230

to break that trust on the other hand I

1620

01:20:17,630 --> 01:20:14,340

felt this isn't too important to stay in

1621

01:20:20,300 --> 01:20:17,640

limbo so my own personal decision was

1622

01:20:22,640 --> 01:20:20,310

that before the year was out and

1623

01:20:24,260 --> 01:20:22,650

probably before too many months passed I

1624

01:20:25,669 --> 01:20:24,270

was gonna arrange for it to come out I

1625

01:20:27,709 --> 01:20:25,679

didn't really have a plan how because

1626
01:20:29,450 --> 01:20:27,719
that exactly except I'd made a decision

1627
01:20:30,830 --> 01:20:29,460
that I would get it out but I really

1628
01:20:33,830 --> 01:20:30,840
wanted it to be someone else and then it

1629
01:20:37,010 --> 01:20:33,840
was someone put it out and I saw it

1630
01:20:38,630 --> 01:20:37,020
referred to in a private email list but

1631
01:20:40,729 --> 01:20:38,640
it was an email list it wasn't just some

1632
01:20:44,149 --> 01:20:40,739
proton thing and I thought okay it's out

1633
01:20:46,070 --> 01:20:44,159
and that's when I made a youtube video

1634
01:20:48,919 --> 01:20:46,080
to talk about I was really the first

1635
01:20:50,390 --> 01:20:48,929
person publicly to talk about the

1636
01:20:52,850 --> 01:20:50,400
significance of this document and from

1637
01:20:54,620 --> 01:20:52,860
there just all hell broke loose yeah all

1638
01:20:59,330 --> 01:20:54,630

hell broke loose that was a crazy week

1639

01:21:03,890 --> 01:20:59,340

actually when when you know I got the

1640

01:21:07,280 --> 01:21:03,900

same protonmail and yes and what was

1641

01:21:09,290 --> 01:21:07,290

really funny you know what who cares

1642

01:21:10,820 --> 01:21:09,300

might as well just tell everybody kind

1643

01:21:13,580 --> 01:21:10,830

of how it went down it was late at night

1644

01:21:16,189 --> 01:21:13,590

here I had called you it must have was

1645

01:21:19,729 --> 01:21:16,199

probably I know it was dark outside when

1646

01:21:22,850 --> 01:21:19,739

I talked to you that night and do GG

1647

01:21:26,479 --> 01:21:22,860

okay i just got this i got it - pro -

1648

01:21:31,070 --> 01:21:26,489

yes yeah and yeah that confers say the

1649

01:21:31,490 --> 01:21:31,080

next day as as we start doing all of

1650

01:21:34,640 --> 01:21:31,500

this

1651

01:21:36,530 --> 01:21:34,650

i threw caution to the wind and and

1652

01:21:40,250 --> 01:21:36,540

brought steven greer on coast to coast

1653

01:21:42,910 --> 01:21:40,260

that friday and immediately call through

1654

01:21:45,500 --> 01:21:42,920

now this is this is the thing for me is

1655

01:21:49,240 --> 01:21:45,510

when we were going through that panic

1656

01:21:52,040 --> 01:21:49,250

and this is in june i believe right

1657

01:21:55,399 --> 01:21:52,050

because I got the documents actually in

1658

01:21:56,959 --> 01:21:55,409

April so I had them for oh wait a minute

1659

01:21:58,729 --> 01:21:56,969

no wait a minute wait a minute wait a

1660

01:22:02,090 --> 01:21:58,739

minute no you're right you're right hold

1661

01:22:03,290 --> 01:22:02,100

on let's back up we get the protonmail

1662

01:22:07,730 --> 01:22:03,300

that's

1663

01:22:10,190 --> 01:22:07,740

and I called grant you talked to grant

1664

01:22:11,600 --> 01:22:10,200

and grant had told us but man you know

1665

01:22:14,300 --> 01:22:11,610

what we got to back off on this right

1666

01:22:17,510 --> 01:22:14,310

now man he was freaking out

1667

01:22:19,580 --> 01:22:17,520

he had lawyered up right yes and and

1668

01:22:23,660 --> 01:22:19,590

that's what we were going through you're

1669

01:22:25,670 --> 01:22:23,670

right it was about a month later that we

1670

01:22:27,980 --> 01:22:25,680

did we did everything else and then you

1671

01:22:32,200 --> 01:22:27,990

did the video and and I went to coast

1672

01:22:35,380 --> 01:22:32,210

but but okay so back back to this point

1673

01:22:41,360 --> 01:22:35,390

with everything that was in there and

1674

01:22:43,700 --> 01:22:41,370

now today we're sitting on Admiral

1675

01:22:48,380 --> 01:22:43,710

Thomas Wilson Rear Admiral retired

1676

01:22:51,880 --> 01:22:48,390

Thomas Wilson doing a full pupu on this

1677

01:22:54,410 --> 01:22:51,890

saying that it didn't even happen that I

1678

01:22:55,850 --> 01:22:54,420

don't know Eric Davis I wouldn't know

1679

01:22:59,150 --> 01:22:55,860

him if I passed him on the street I

1680

01:23:01,100 --> 01:22:59,160

wasn't in Vegas I wasn't even in the

1681

01:23:03,380 --> 01:23:01,110

military at that time I would have been

1682

01:23:08,660 --> 01:23:03,390

escorted by Nate you know he he mailed

1683

01:23:11,660 --> 01:23:08,670

me a lot of specifics that can be based

1684

01:23:12,410 --> 01:23:11,670

on fact right what I wasn't even in

1685

01:23:14,390 --> 01:23:12,420

Vegas

1686

01:23:16,640 --> 01:23:14,400

you can check I wasn't even there I was

1687

01:23:21,860 --> 01:23:16,650

doing so I was dealing with Kosovo or

1688

01:23:25,730 --> 01:23:21,870

whatever he had said now what do you

1689

01:23:27,830 --> 01:23:25,740

think the reasons for Davis doesn't have

1690

01:23:31,640 --> 01:23:27,840

to say anything it doesn't have to say

1691

01:23:34,060 --> 01:23:31,650

anything why come out and say this and

1692

01:23:37,490 --> 01:23:34,070

and do you think that it is his way of

1693

01:23:41,030 --> 01:23:37,500

distancing himself from this because he

1694

01:23:42,650 --> 01:23:41,040

doesn't have a choice yet well yes now a

1695

01:23:45,230 --> 01:23:42,660

couple of things first of all Erik Davis

1696

01:23:48,260 --> 01:23:45,240

did recently in an arc in an interview

1697

01:23:51,710 --> 01:23:48,270

with the New York Post actually

1698

01:23:54,440 --> 01:23:51,720

officially state that the documents came

1699

01:23:58,250 --> 01:23:54,450

from the estate of dr. Edgar Mitchell so

1700

01:24:00,040 --> 01:23:58,260

that's kind of a big thing and he said

1701
01:24:03,140 --> 01:24:00,050
like I can't say anything more than that

1702
01:24:07,220 --> 01:24:03,150
so like that's a WoW moment

1703
01:24:09,440 --> 01:24:07,230
and I'll also point out that this 15

1704
01:24:11,540 --> 01:24:09,450
page document 13 pages actually have

1705
01:24:14,330 --> 01:24:11,550
notes by dr. Eric Davis and then two

1706
01:24:16,080 --> 01:24:14,340
pages of a letter by command Navy

1707
01:24:18,810 --> 01:24:16,090
commander will Miller

1708
01:24:21,090 --> 01:24:18,820
those 15 pages but that came out along

1709
01:24:22,740 --> 01:24:21,100
with another very interesting leak of

1710
01:24:24,030 --> 01:24:22,750
that time we've really stopped talking

1711
01:24:25,680 --> 01:24:24,040
about it but it's interesting for other

1712
01:24:29,040 --> 01:24:25,690
reasons and that's a so-called

1713
01:24:31,620 --> 01:24:29,050

alien autopsy email thread of 2001 right

1714

01:24:34,550 --> 01:24:31,630

and and the reason that that's important

1715

01:24:37,830 --> 01:24:34,560

in my opinion is because that really

1716

01:24:41,400 --> 01:24:37,840

concerned dr. KITT green formerly of the

1717

01:24:42,650 --> 01:24:41,410

CIA more than anyone else and and people

1718

01:24:45,810 --> 01:24:42,660

were saying well that's a hoax too I

1719

01:24:48,440 --> 01:24:45,820

interviewed kid green about this

1720

01:24:50,820 --> 01:24:48,450

document and I wrote a very long

1721

01:24:53,370 --> 01:24:50,830

analysis of that interview with a lot of

1722

01:24:54,870 --> 01:24:53,380

quotes from kid green and just asking

1723

01:24:57,420 --> 01:24:54,880

for the authenticity of the of the

1724

01:25:00,350 --> 01:24:57,430

document email thread kid green's answer

1725

01:25:03,960 --> 01:25:00,360

was quote absolutely it's authentic

1726

01:25:07,890 --> 01:25:03,970

period end quote so he wasn't denying it

1727

01:25:09,720 --> 01:25:07,900

at all I mean there were people really

1728

01:25:11,820 --> 01:25:09,730

making what I can only call very

1729

01:25:13,590 --> 01:25:11,830

ignorant statements saying that this is

1730

01:25:16,680 --> 01:25:13,600

a hoax and it's a cut-and-paste job and

1731

01:25:18,240 --> 01:25:16,690

all of this it was from the files of

1732

01:25:22,500 --> 01:25:18,250

Edgar Mitchell which all of those people

1733

01:25:25,860 --> 01:25:22,510

had and kid green told me explicitly

1734

01:25:27,380 --> 01:25:25,870

that it was authentic and then you know

1735

01:25:31,470 --> 01:25:27,390

we proceeded to have a detailed

1736

01:25:33,450 --> 01:25:31,480

conversation about everything that was

1737

01:25:34,860 --> 01:25:33,460

in that thread I mean so who's gonna

1738

01:25:38,100 --> 01:25:34,870

argue that's a hoax I mean that's that's

1739

01:25:41,580 --> 01:25:38,110

ridiculous and that document of course

1740

01:25:44,360 --> 01:25:41,590

came out with the with the much more

1741

01:25:49,320 --> 01:25:44,370

important notes by Erik Davis about his

1742

01:25:51,420 --> 01:25:49,330

interview with Thomas Wilson so you know

1743

01:25:55,200 --> 01:25:51,430

and I you people have said well it's

1744

01:25:58,710 --> 01:25:55,210

it's it's fake or it's hoax and like the

1745

01:26:00,840 --> 01:25:58,720

question is how who or is Eric Davis

1746

01:26:04,020 --> 01:26:00,850

just you know spinning a yarn for his

1747

01:26:07,680 --> 01:26:04,030

colleagues I mean if you're doing a

1748

01:26:09,990 --> 01:26:07,690

murder investigation and all of the

1749

01:26:13,620 --> 01:26:10,000

evidence points to one particular

1750

01:26:14,970 --> 01:26:13,630

suspect and you think wow all right this

1751

01:26:17,160 --> 01:26:14,980

is probably the guy but then you

1752

01:26:20,160 --> 01:26:17,170

interview that one suspect and they say

1753

01:26:21,930 --> 01:26:20,170

oh no I wasn't there at all what do you

1754

01:26:23,670 --> 01:26:21,940

do do you just say oh great well thanks

1755

01:26:25,590 --> 01:26:23,680

for your candor we'll just close up our

1756

01:26:28,590 --> 01:26:25,600

investigation and walk away like that's

1757

01:26:29,970 --> 01:26:28,600

those what people expect here I mean

1758

01:26:31,910 --> 01:26:29,980

it's really an absurd

1759

01:26:35,670 --> 01:26:31,920

situation that we find ourselves in that

1760

01:26:37,380 --> 01:26:35,680

because Thomas Wilson denies this that

1761

01:26:38,610 --> 01:26:37,390

there are some people who say oh well he

1762

01:26:41,100 --> 01:26:38,620

must be telling the truth

1763

01:26:41,520 --> 01:26:41,110

and I'm not even trying to impugn Thomas

1764

01:26:43,890 --> 01:26:41,530

Wilson

1765

01:26:47,460 --> 01:26:43,900

I have only respect for this man and in

1766

01:26:49,440 --> 01:26:47,470

fact when you really study the notes you

1767

01:26:52,620 --> 01:26:49,450

see that this is a guy who really was

1768

01:26:53,640 --> 01:26:52,630

stuck you know I mean for the people who

1769

01:26:55,080 --> 01:26:53,650

don't really know what we're talking

1770

01:26:56,280 --> 01:26:55,090

about there's always new people coming

1771

01:27:00,540 --> 01:26:56,290

into the conversation and it's really

1772

01:27:03,360 --> 01:27:00,550

simple back in 1997 in April of that

1773

01:27:05,190 --> 01:27:03,370

year dr. Steven Greer and astronaut

1774

01:27:07,229 --> 01:27:05,200

Edgar Mitchell and a number of other

1775

01:27:09,930 --> 01:27:07,239

people including Navy Commander wil

1776

01:27:14,490 --> 01:27:09,940

Miller who really now we are seeing is

1777

01:27:18,030 --> 01:27:14,500

the guy who organized really all of this

1778

01:27:19,860 --> 01:27:18,040

I just did an interview with UFO Joe a

1779

01:27:22,310 --> 01:27:19,870

man named Jill Maria who actually is

1780

01:27:26,370 --> 01:27:22,320

very friends friendly with will Miller

1781

01:27:30,030 --> 01:27:26,380

we talked a lot about this but the point

1782

01:27:31,680 --> 01:27:30,040

is that they met you know Greer was

1783

01:27:33,300 --> 01:27:31,690

trying to do the rounds in DC to talk

1784

01:27:35,310 --> 01:27:33,310

with anyone who is willing to listen

1785

01:27:37,910 --> 01:27:35,320

about the UFO situation and they got a

1786

01:27:40,290 --> 01:27:37,920

meeting with Wilson who at the time was

1787

01:27:42,660 --> 01:27:40,300

deputy chief of intelligence for the

1788

01:27:45,000 --> 01:27:42,670

Joint Chiefs of Staff a very important

1789

01:27:47,310 --> 01:27:45,010

position known as j2 it's highly

1790

01:27:48,390 --> 01:27:47,320

significant and when you become director

1791

01:27:52,260 --> 01:27:48,400

of intelligence for the Joint Chiefs

1792

01:27:53,850 --> 01:27:52,270

which Wilson shortly thereafter did you

1793

01:27:57,240 --> 01:27:53,860

also become director of the Defense

1794

01:27:59,340 --> 01:27:57,250

Intelligence Agency the DIA so really

1795

01:28:01,320 --> 01:27:59,350

Wilson was very high up there and in

1796

01:28:05,040 --> 01:28:01,330

fact they not just met with Wilson they

1797

01:28:07,140 --> 01:28:05,050

met with his boss General Pat Hughes who

1798

01:28:08,820 --> 01:28:07,150

turns out where I learned I didn't know

1799

01:28:11,880 --> 01:28:08,830

at the time had his own very deep

1800

01:28:12,240 --> 01:28:11,890

interest in UFOs so so this was the

1801
01:28:18,330 --> 01:28:12,250
meeting

1802
01:28:20,340 --> 01:28:18,340
it's fascinating right and so that

1803
01:28:23,280 --> 01:28:20,350
happened and and even Wilson does not

1804
01:28:25,229 --> 01:28:23,290
deny that Wilson has denied that he had

1805
01:28:29,940 --> 01:28:25,239
any interest in UFOs and by the way a

1806
01:28:33,150 --> 01:28:29,950
letter from Will Miller from 1995 two

1807
01:28:35,010 --> 01:28:33,160
years earlier surfaced researcher James

1808
01:28:39,060 --> 01:28:35,020
Ian doli found this on Steven Greer's

1809
01:28:42,600 --> 01:28:39,070
website it was buried dad print but they

1810
01:28:43,860 --> 01:28:42,610
kind of cleaned it up and it's very

1811
01:28:46,320 --> 01:28:43,870
clear Miller's writing

1812
01:28:48,930 --> 01:28:46,330
- Wilson thanking him for their recent

1813
01:28:51,840 --> 01:28:48,940

conversation and he's talking about

1814

01:28:53,820 --> 01:28:51,850

Roswell and Phil Corso jr. and Steven

1815

01:28:55,860 --> 01:28:53,830

Greer it's like UFOs are all over this

1816

01:28:58,500 --> 01:28:55,870

letter mm-hmm it's very obvious that

1817

01:29:00,210 --> 01:28:58,510

those two men were communicating about

1818

01:29:01,680 --> 01:29:00,220

UFOs so when Wilson says well I wasn't

1819

01:29:04,500 --> 01:29:01,690

interested in that that's that's not

1820

01:29:06,570 --> 01:29:04,510

true what wouldn't the next step because

1821

01:29:09,800 --> 01:29:06,580

you just brought this up you know murder

1822

01:29:15,360 --> 01:29:09,810

investigation if we're doing any type of

1823

01:29:17,850 --> 01:29:15,370

research into this well in on page one

1824

01:29:19,560 --> 01:29:17,860

of these you'll have to finish up what

1825

01:29:21,600 --> 01:29:19,570

what the significance is well yeah well

1826

01:29:24,870 --> 01:29:21,610

no this is actually is part of that

1827

01:29:27,920 --> 01:29:24,880

which is the dates here because he says

1828

01:29:30,540 --> 01:29:27,930

10:10 a.m. in the morning the only

1829

01:29:35,360 --> 01:29:30,550

reference date that we have for this

1830

01:29:38,580 --> 01:29:35,370

meeting in the car in Las Vegas is 1016

1831

01:29:41,100 --> 01:29:38,590

mm - now I don't know if that's the date

1832

01:29:44,040 --> 01:29:41,110

of the meeting or that's that's the date

1833

01:29:50,130 --> 01:29:44,050

of the notes right don't know but

1834

01:29:53,820 --> 01:29:50,140

wouldn't the investigation go into for

1835

01:29:57,540 --> 01:29:53,830

positive or negative on this is to find

1836

01:30:01,980 --> 01:29:57,550

out where Admiral Wilson was on planet

1837

01:30:05,460 --> 01:30:01,990

earth in the month of October of 2002

1838

01:30:07,680 --> 01:30:05,470

and and where was he was he was he in

1839

01:30:08,250 --> 01:30:07,690

the European war theater with with

1840

01:30:10,500 --> 01:30:08,260

Kosovo

1841

01:30:13,020 --> 01:30:10,510

was it was he somewhere else for a month

1842

01:30:15,390 --> 01:30:13,030

only part of the investigation the other

1843

01:30:16,740 --> 01:30:15,400

part is to say if it were actually of

1844

01:30:19,200 --> 01:30:16,750

turn out that he wasn't there that it

1845

01:30:21,660 --> 01:30:19,210

was it didn't happen in Vegas then the

1846

01:30:23,280 --> 01:30:21,670

question we should be asking is Oh does

1847

01:30:24,810 --> 01:30:23,290

that just disprove the whole thing or we

1848

01:30:26,790 --> 01:30:24,820

could say well why did Eric Davis put

1849

01:30:29,220 --> 01:30:26,800

that information in there the way he did

1850

01:30:32,400 --> 01:30:29,230

and then create this entire detailed

1851
01:30:33,990 --> 01:30:32,410
conversation for his colleagues like

1852
01:30:36,680 --> 01:30:34,000
that's that's the real question

1853
01:30:40,110 --> 01:30:36,690
all right so if if you think that it's

1854
01:30:44,160 --> 01:30:40,120
realistic for Eric Davis to create a

1855
01:30:45,900 --> 01:30:44,170
work of fiction for Robert Bigelow he'll

1856
01:30:47,220 --> 01:30:45,910
put off kid green comme Kelleher and all

1857
01:30:48,090 --> 01:30:47,230
the other folks it needs back in those

1858
01:30:49,920 --> 01:30:48,100
days mm-hmm

1859
01:30:52,020 --> 01:30:49,930
fine but that doesn't seem very

1860
01:30:53,370 --> 01:30:52,030
plausible to me I don't think it would

1861
01:30:53,880 --> 01:30:53,380
seem plausible to you or most other

1862
01:30:55,660 --> 01:30:53,890
people

1863
01:31:01,330 --> 01:30:55,670

well you thrown away your cut

1864

01:31:01,630 --> 01:31:01,340

but but that's one problem right now we

1865

01:31:03,340 --> 01:31:01,640

don't

1866

01:31:09,010 --> 01:31:03,350

I mean Wilson has said he wasn't there

1867

01:31:11,860 --> 01:31:09,020

and you know that's what he says is it

1868

01:31:14,560 --> 01:31:11,870

true or not today I think it's an easy

1869

01:31:17,140 --> 01:31:14,570

point to just get to the bottom of and

1870

01:31:20,320 --> 01:31:17,150

if he I don't know is it is it

1871

01:31:22,750 --> 01:31:20,330

2002 is not yesterday no no whoa you

1872

01:31:25,510 --> 01:31:22,760

could look the point is you can go and

1873

01:31:30,580 --> 01:31:25,520

research this and and if there are holes

1874

01:31:34,439 --> 01:31:30,590

in Admiral Wilson's timeline where he's

1875

01:31:37,959 --> 01:31:34,449

not accountable for October of or a week

1876

01:31:40,419 --> 01:31:37,969

first week of October then he could have

1877

01:31:44,110 --> 01:31:40,429

been placed in Las Vegas and what he

1878

01:31:47,410 --> 01:31:44,120

just said recently is is untrue

1879

01:31:49,780 --> 01:31:47,420

you know or is that the opposite was he

1880

01:31:51,459 --> 01:31:49,790

deployed in the Middle East or was he

1881

01:31:53,320 --> 01:31:51,469

doing stuff in Washington DC but I

1882

01:31:55,900 --> 01:31:53,330

wouldn't have been deployed I mean he

1883

01:31:58,660 --> 01:31:55,910

was out of the military by then he was

1884

01:32:02,130 --> 01:31:58,670

retired and in October of 2002 from the

1885

01:32:04,270 --> 01:32:02,140

from the military from the Navy okay so

1886

01:32:06,910 --> 01:32:04,280

that's right that's right that if that

1887

01:32:10,630 --> 01:32:06,920

escape mat was referring to his Kosovo

1888

01:32:13,990 --> 01:32:10,640

comments which were the 1997 right that

1889

01:32:17,620 --> 01:32:14,000

was the 97 meeting but there there must

1890

01:32:20,040 --> 01:32:17,630

be a way to do that he's not truthful

1891

01:32:23,050 --> 01:32:20,050

about his lack of interest in UFOs I

1892

01:32:26,050 --> 01:32:23,060

mean just based on the 1995 letter by

1893

01:32:29,290 --> 01:32:26,060

will Miller right so you just keep that

1894

01:32:32,620 --> 01:32:29,300

in mind now you can ask yourself if

1895

01:32:35,410 --> 01:32:32,630

Davis got the time excuse me the

1896

01:32:36,250 --> 01:32:35,420

location wrong would that would not have

1897

01:32:38,280 --> 01:32:36,260

been an accident

1898

01:32:41,140 --> 01:32:38,290

what do you've done that intentionally

1899

01:32:43,660 --> 01:32:41,150

there Davis is a smart man and all these

1900

01:32:45,459 --> 01:32:43,670

people have security clearances is it

1901

01:32:46,810 --> 01:32:45,469

possible and I'm only speculating here

1902

01:32:49,060 --> 01:32:46,820

that he would have put an incorrect

1903

01:32:51,220 --> 01:32:49,070

location down for the specific reason of

1904

01:32:55,540 --> 01:32:51,230

protecting the information if it were to

1905

01:32:58,120 --> 01:32:55,550

come out he's very sophisticated I don't

1906

01:33:01,450 --> 01:32:58,130

know that but I can tell you I do know

1907

01:33:04,720 --> 01:33:01,460

is I sat in a room with someone very

1908

01:33:08,500 --> 01:33:04,730

close to Eric Davis in 2006 who showed

1909

01:33:09,640 --> 01:33:08,510

me those two pages the particular the

1910

01:33:11,350 --> 01:33:09,650

page where Wilson

1911

01:33:16,330 --> 01:33:11,360

talking about the technology not made by

1912

01:33:18,760 --> 01:33:16,340

man not by human hands mhm mhm and I was

1913

01:33:23,500 --> 01:33:18,770

shown that so the document existed in

1914

01:33:24,910 --> 01:33:23,510

2006 and I think it existed in 2002 I'm

1915

01:33:26,500 --> 01:33:24,920

gonna say something else here relating

1916

01:33:30,310 --> 01:33:26,510

to doctor kit green because he went on

1917

01:33:32,020 --> 01:33:30,320

the record with us when I interviewed

1918

01:33:33,850 --> 01:33:32,030

kit green now kid greens very close to

1919

01:33:36,540 --> 01:33:33,860

all of these people as well and I

1920

01:33:40,419 --> 01:33:36,550

interviewed him in July of 2019 and I

1921

01:33:43,740 --> 01:33:40,429

have he gave me an on-the-record and an

1922

01:33:46,000 --> 01:33:43,750

off-the-record statement all right I

1923

01:33:49,149 --> 01:33:46,010

always agreed not to publish his

1924

01:33:50,590 --> 01:33:49,159

off-the-record statement but but we're

1925

01:33:52,590 --> 01:33:50,600

gonna do is on your record statement

1926

01:33:54,820 --> 01:33:52,600

lasted for about thirty minutes so

1927

01:33:57,160 --> 01:33:54,830

between between twenty and thirty

1928

01:33:58,750 --> 01:33:57,170

minutes this is on-the-record statement

1929

01:34:00,130 --> 01:33:58,760

and it's just actually incredible he

1930

01:34:02,890 --> 01:34:00,140

says I've agreed on the record that I

1931

01:34:04,780 --> 01:34:02,900

have no authority to confirm that it is

1932

01:34:06,459 --> 01:34:04,790

a legitimate memo because in fact the

1933

01:34:08,110 --> 01:34:06,469

fact that I've seen it the fact that I

1934

01:34:10,060 --> 01:34:08,120

think one thing doesn't give me the

1935

01:34:12,070 --> 01:34:10,070

authority to declare its provenance as

1936

01:34:14,950 --> 01:34:12,080

legitimate I can't do that so I won't

1937

01:34:17,790 --> 01:34:14,960

say that direct quote I think my

1938

01:34:20,200 --> 01:34:17,800

goodness now then he gave me an

1939

01:34:23,320 --> 01:34:20,210

off-the-record statement which again was

1940

01:34:25,000 --> 01:34:23,330

very very long and you know look I'm

1941

01:34:28,570 --> 01:34:25,010

just gonna respect hit green here but I

1942

01:34:31,410 --> 01:34:28,580

can tell you that after talking with him

1943

01:34:34,870 --> 01:34:31,420

for twenty to thirty minutes about that

1944

01:34:38,050 --> 01:34:34,880

it confirms my opinion so what else can

1945

01:34:40,360 --> 01:34:38,060

I say and you know that's along the no

1946

01:34:41,860 --> 01:34:40,370

comment statement by he'll put off which

1947

01:34:45,010 --> 01:34:41,870

I asked him right out of the gate in

1948

01:34:47,620 --> 01:34:45,020

June and his direct statement to me

1949

01:34:50,520 --> 01:34:47,630

which what is this with regard to

1950

01:34:53,530 --> 01:34:50,530

authenticity we have no comment on the

1951

01:34:55,390 --> 01:34:53,540

documents recently being circulated as

1952

01:34:57,790 --> 01:34:55,400

some of us still retain US government

1953

01:35:00,459 --> 01:34:57,800

security clearances and remain bound by

1954

01:35:02,229 --> 01:35:00,469

the secrecy odes we have taken we

1955

01:35:04,870 --> 01:35:02,239

believe it is in the best interest of

1956

01:35:07,450 --> 01:35:04,880

the US government and ourselves not to

1957

01:35:09,010 --> 01:35:07,460

comment on any documents that purport to

1958

01:35:11,110 --> 01:35:09,020

describe classified US government

1959

01:35:13,209 --> 01:35:11,120

programs or information very very well

1960

01:35:15,040 --> 01:35:13,219

worded he could have just said no

1961

01:35:16,300 --> 01:35:15,050

comment he could have just said nonsense

1962

01:35:18,520 --> 01:35:16,310

he could have just said what number of

1963

01:35:20,770 --> 01:35:18,530

things right but he said that so I

1964

01:35:23,979 --> 01:35:20,780

consider that a bit of a gift

1965

01:35:26,520 --> 01:35:23,989

you know these folks are they give what

1966

01:35:29,049 --> 01:35:26,530

they can give but they they have limits

1967

01:35:32,010 --> 01:35:29,059

because they've they've got security

1968

01:35:34,149 --> 01:35:32,020

clearance they've got you know

1969

01:35:35,620 --> 01:35:34,159

expectations of maintaining their

1970

01:35:38,379 --> 01:35:35,630

security clearances and being bound by

1971

01:35:41,649 --> 01:35:38,389

their secrecy oaths but anyway so

1972

01:35:46,660 --> 01:35:41,659

there's a lot of indications to anyone

1973

01:35:48,510 --> 01:35:46,670

willing to look at the context of these

1974

01:35:51,010 --> 01:35:48,520

documents that they are what they are

1975

01:35:55,089 --> 01:35:51,020

because what happened it's really simple

1976

01:35:57,370 --> 01:35:55,099

you know Greer Wilson meet along with

1977

01:35:59,770 --> 01:35:57,380

Mitchell and wil Miller Miller stays

1978

01:36:01,270 --> 01:35:59,780

behind this is the official version in

1979

01:36:04,180 --> 01:36:01,280

the notes okay so I'm just going to go

1980

01:36:05,680 --> 01:36:04,190

by that stays behind meets with Wilson

1981

01:36:09,490 --> 01:36:05,690

for a couple of hours and they talk

1982

01:36:11,379 --> 01:36:09,500

about UFOs mj-12 all of that Wilson says

1983

01:36:14,140 --> 01:36:11,389

I'm gonna go look for this program that

1984

01:36:18,399 --> 01:36:14,150

that Greer has told us about this

1985

01:36:20,020 --> 01:36:18,409

classified black budget program to study

1986

01:36:23,169 --> 01:36:20,030

alien technology which is what they were

1987

01:36:25,000 --> 01:36:23,179

all talking about and knocks on a bunch

1988

01:36:27,100 --> 01:36:25,010

of doors does his research talks in fact

1989

01:36:28,720 --> 01:36:27,110

among other people to among others with

1990

01:36:30,129 --> 01:36:28,730

bill Perry who had recently retired a

1991

01:36:32,290 --> 01:36:30,139

secretary of defense who had just done a

1992

01:36:40,120 --> 01:36:32,300

whole reorg of the Secretary of Defense

1993

01:36:43,359 --> 01:36:40,130

by the way and gets into the office of

1994

01:36:44,319 --> 01:36:43,369

the undersecretary of Science and and

1995

01:36:49,779 --> 01:36:44,329

acquisitions

1996

01:36:52,479 --> 01:36:49,789

it's called out stat and and hits

1997

01:36:56,709 --> 01:36:52,489

goldmine and within you know finds the

1998

01:37:00,939 --> 01:36:56,719

program calls the corporate attorney for

1999

01:37:02,470 --> 01:37:00,949

the program initially and is blown off

2000

01:37:03,970 --> 01:37:02,480

and then he's able to get a meeting

2001

01:37:07,229 --> 01:37:03,980

because he's making himself into a

2002

01:37:09,310 --> 01:37:07,239

nuisance here he actually found for

2003

01:37:11,529 --> 01:37:09,320

according to the notes classified

2004

01:37:15,010 --> 01:37:11,539

special access programs for this type of

2005

01:37:16,660 --> 01:37:15,020

thing and this is one of them and he was

2006

01:37:18,879 --> 01:37:16,670

able to get a meeting with three

2007

01:37:20,470 --> 01:37:18,889

individuals which he referred to as the

2008

01:37:22,660 --> 01:37:20,480

gatekeepers the corporate attorney the

2009

01:37:26,859 --> 01:37:22,670

program manager and the security manager

2010

01:37:30,399 --> 01:37:26,869

and they met with him seems to me

2011

01:37:31,569 --> 01:37:30,409

because they decided that they've got to

2012

01:37:34,359 --> 01:37:31,579

do something because he's actually

2013

01:37:36,790 --> 01:37:34,369

becoming an annoyance and a nuisance so

2014

01:37:38,319 --> 01:37:36,800

I told him what they told him and

2015

01:37:40,689 --> 01:37:38,329

according to what he said to Davis they

2016

01:37:42,639 --> 01:37:40,699

told him that yeah okay they are in a

2017

01:37:44,619 --> 01:37:42,649

program to reverse-engineer tech that

2018

01:37:47,739 --> 01:37:44,629

doesn't appear to be from our

2019

01:37:49,209 --> 01:37:47,749

civilization and they told him yeah we

2020

01:37:52,089 --> 01:37:49,219

really haven't made much progress with

2021

01:37:53,560 --> 01:37:52,099

it it's been painstakingly slow because

2022

01:37:55,659 --> 01:37:53,570

everything's stove-piped all these

2023

01:37:57,279 --> 01:37:55,669

programs are isolated from each other

2024

01:37:59,589 --> 01:37:57,289

we've only got about 400 people and on

2025

01:38:02,259 --> 01:37:59,599

the on the program and we need more and

2026

01:38:04,209 --> 01:38:02,269

and we don't have more and we you know

2027

01:38:09,399 --> 01:38:04,219

so now is that true what they told them

2028

01:38:11,529 --> 01:38:09,409

or not well I don't know but I blew

2029

01:38:14,259 --> 01:38:11,539

those notes are this is what Wilson told

2030

01:38:17,139 --> 01:38:14,269

Davis yeah it supposed yeah it's close

2031

01:38:20,739 --> 01:38:17,149

to specifics it's about as close as

2032

01:38:22,540 --> 01:38:20,749

we've ever been to specifics which is

2033

01:38:24,939 --> 01:38:22,550

what I was referring to earlier let's

2034

01:38:27,790 --> 01:38:24,949

take our break our guest tonight on

2035

01:38:30,129 --> 01:38:27,800

world UFO day Richard bleep in Dolan

2036

01:38:32,439 --> 01:38:30,139

we're talking about the Eric Davis

2037

01:38:34,509 --> 01:38:32,449

Wilson memo we will continue this

2038

01:38:36,279 --> 01:38:34,519

conversation when we come back lots more

2039

01:38:37,400 --> 01:38:36,289

to talk about stay with us

2040

01:38:45,660 --> 01:38:37,410

this is fade to black

2041

01:38:51,490 --> 01:38:48,939

this is kera digital broadcasting

2042

01:38:54,490 --> 01:38:51,500

station Salt Lake City Utah

2043

01:38:56,410 --> 01:38:54,500

Van Buren Arkansas why is it we're not

2044

01:38:57,550 --> 01:38:56,420

very good with our health regiment until

2045

01:38:59,380 --> 01:38:57,560

it's too late

2046

01:39:01,209 --> 01:38:59,390

we don't put oil in the car until the

2047

01:39:04,000 --> 01:39:01,219

engine blows up when the body's out of

2048

01:39:06,250 --> 01:39:04,010

balance your health is not so good give

2049

01:39:09,250 --> 01:39:06,260

your body some love plug on to get the

2050

01:39:11,020 --> 01:39:09,260

t.com that's get the t-dot-com

2051
01:39:13,930 --> 01:39:11,030
try our life change tea which cleanses

2052
01:39:16,149 --> 01:39:13,940
you from harmful intruders a clean colon

2053
01:39:17,860 --> 01:39:16,159
is one of the ways to bring the body and

2054
01:39:19,810 --> 01:39:17,870
balance we also carry organic

2055
01:39:22,689 --> 01:39:19,820
supplements to help you get where you

2056
01:39:25,209 --> 01:39:22,699
need to go so do your body a favor

2057
01:39:28,870 --> 01:39:25,219
log on to get to t.com that's get the

2058
01:39:31,570 --> 01:39:28,880
tte aecom you can even visit our sales

2059
01:39:33,939 --> 01:39:31,580
page to save some dough does anybody

2060
01:39:35,620 --> 01:39:33,949
call money dough anymore anyway if

2061
01:39:38,200 --> 01:39:35,630
you're looking for short helpful health

2062
01:39:39,640 --> 01:39:38,210
tips go to youtube and punch in health

2063
01:39:47,979 --> 01:39:39,650

matters now

2064

01:39:50,410 --> 01:39:47,989

get the t.com shop get balanced then

2065

01:39:52,060 --> 01:39:50,420

learn some cool tips at health matters

2066

01:39:56,080 --> 01:39:52,070

now you'll be glad you did

2067

01:39:59,439 --> 01:39:56,090

that's get the t-dot-com your contact

2068

01:40:03,310 --> 01:39:59,449

for current news and trending topics are

2069

01:40:05,590 --> 01:40:03,320

a radio.com this is Jimmy Church of fade

2070

01:40:08,709 --> 01:40:05,600

to black and I only drink

2071

01:40:11,229 --> 01:40:08,719

fade to black blend coffee from River

2072

01:40:13,570 --> 01:40:11,239

Moon just click on the Rivermen coffee

2073

01:40:18,280 --> 01:40:13,580

banner at Jimmy Church radio.com

2074

01:40:20,770 --> 01:40:18,290

promo code f2b blend so are you tired of

2075

01:40:23,229 --> 01:40:20,780

being tired well then it's time to get

2076

01:40:25,600 --> 01:40:23,239

the tea hey it's Lisa here to tell you

2077

01:40:27,430 --> 01:40:25,610

about this all-natural all organic tea

2078

01:40:29,050 --> 01:40:27,440

I've been drinking that has had great

2079

01:40:31,990 --> 01:40:29,060

results for over 20 years

2080

01:40:33,820 --> 01:40:32,000

it's called life changed tea and it's

2081

01:40:36,430 --> 01:40:33,830

specially formulated to help detoxify

2082

01:40:39,130 --> 01:40:36,440

and cleanse your kidneys liver colon and

2083

01:40:40,660 --> 01:40:39,140

blood all at once the colon is one of

2084

01:40:43,270 --> 01:40:40,670

the most ignored organs in the human

2085

01:40:45,070 --> 01:40:43,280

body the faster that waste is eliminated

2086

01:40:47,080 --> 01:40:45,080

from the body the less time that way

2087

01:40:49,000 --> 01:40:47,090

sits in our intestines spreading toxins

2088

01:40:50,950 --> 01:40:49,010

to our bloodstream this tea helps

2089

01:40:52,810 --> 01:40:50,960

cleanse chemicals caused by outside

2090

01:40:55,020 --> 01:40:52,820

intruders from our entire digestive

2091

01:40:57,900 --> 01:40:55,030

system and get this weight

2092

01:40:59,790 --> 01:40:57,910

can be a side effect and with continued

2093

01:41:02,070 --> 01:40:59,800

use of the tea you can experience

2094

01:41:04,710 --> 01:41:02,080

clearer healthier younger looking skin

2095

01:41:06,270 --> 01:41:04,720

increased energy and a happier outlook

2096

01:41:07,020 --> 01:41:06,280

on life so if you're tired of being

2097

01:41:09,780 --> 01:41:07,030

tired

2098

01:41:13,650 --> 01:41:09,790

get the life changed tea at get the tea

2099

01:41:16,590 --> 01:41:13,660

calm that's get the tea calm and like me

2100

01:41:18,330 --> 01:41:16,600

you'll be glad you did did you know that

2101

01:41:20,640 --> 01:41:18,340

when you're on the road with limited

2102

01:41:22,560 --> 01:41:20,650

data or Wi-Fi available you can still

2103

01:41:25,320 --> 01:41:22,570

listen to every minute a fade to black

2104

01:41:28,440 --> 01:41:25,330

by just calling six oh five five six two

2105

01:41:30,750 --> 01:41:28,450

four four eight two no smartphone app or

2106

01:41:32,850 --> 01:41:30,760

Internet needed it saves your data plan

2107

01:41:36,300 --> 01:41:32,860

and no extra cost if you have unlimited

2108

01:41:38,760 --> 01:41:36,310

minutes just call six oh five five six

2109

01:41:41,100 --> 01:41:38,770

two four four eight two you can listen

2110

01:41:45,960 --> 01:41:41,110

to me Jimmy Church on any phone anytime

2111

01:41:48,150 --> 01:41:45,970

anywhere gobekli tepe telepath is a

2112

01:41:50,190 --> 01:41:48,160

weekly digital newsletter filled with

01:41:52,530 --> 01:41:50,200

the latest paranormal news trending

2114

01:41:54,570 --> 01:41:52,540

topics and fresh articles from some of

2115

01:41:56,910 --> 01:41:54,580

the most popular critical thinkers in

2116

01:41:59,040 --> 01:41:56,920

the community today stay informed on

2117

01:42:01,650 --> 01:41:59,050

your favorite paranormal podcasts and

2118

01:42:03,630 --> 01:42:01,660

live streaming talk shows interact with

2119

01:42:06,240 --> 01:42:03,640

the telepath and upload your paranormal

2120

01:42:08,820 --> 01:42:06,250

story or pics it could be featured in an

2121

01:42:10,800 --> 01:42:08,830

upcoming edition sign up right now for

2122

01:42:13,410 --> 01:42:10,810

the free telepath newsletter at

2123

01:42:19,290 --> 01:42:13,420

paranormal dot radio that's paranormal

2124

01:42:19,300 --> 01:42:23,320

[Music]

2125

01:42:30,700 --> 01:42:28,070

you wanna know a secret I love ponies I

2126

01:42:33,290 --> 01:42:30,710

really love ponies I'm serious I

2127

01:42:37,370 --> 01:42:33,300

couldn't stay stable without poor mr.

2128

01:42:42,430 --> 01:42:37,380

rush why fade to black because she's

2129

01:42:46,430 --> 01:42:44,510

this is fade to black

2130

01:42:50,120 --> 01:42:46,440

with Jimmy Church on the game changer

2131

01:42:51,730 --> 01:42:50,130

radio network and kgr a the global radio

2132

01:42:57,020 --> 01:42:51,740

alliance

2133

01:43:07,050 --> 01:43:04,100

[Music]

2134

01:43:08,580 --> 01:43:07,060

welcome back fade to black world UFO day

2135

01:43:12,090 --> 01:43:08,590

I'm your host Jimmy Church I guess

2136

01:43:14,760 --> 01:43:12,100

tonight Richard Dolan I didn't say it I

2137

01:43:17,130 --> 01:43:14,770

didn't say believin Bend it can follow

2138

01:43:21,120 --> 01:43:17,140

me on twitter @ JT radio you can follow

2139

01:43:23,880 --> 01:43:21,130

Richard Dolan at rich Dolan on Twitter

2140

01:43:26,310 --> 01:43:23,890

you'll you'll know it's rich because it

2141

01:43:29,790 --> 01:43:26,320

says rich Dolan still don't know why he

2142

01:43:33,960 --> 01:43:29,800

did it Richard but there you go you've

2143

01:43:35,790 --> 01:43:33,970

got your reasons for it the I want to

2144

01:43:39,900 --> 01:43:35,800

Rama correction yes

2145

01:43:42,210 --> 01:43:39,910

yeah it's was spitting out the acronym

2146

01:43:45,450 --> 01:43:42,220

house dad and which is where Wilson

2147

01:43:48,480 --> 01:43:45,460

found was like his entry point into this

2148

01:43:49,290 --> 01:43:48,490

whole maze that he got into an extra

2149

01:43:50,640 --> 01:43:49,300

stance for the office of the

2150

01:43:53,220 --> 01:43:50,650

Undersecretary of defense for

2151
01:43:55,050 --> 01:43:53,230
acquisition and technology and I think

2152
01:43:56,640 --> 01:43:55,060
as its science and acquisition or

2153
01:43:59,910 --> 01:43:56,650
something yeah it's foreign technology

2154
01:44:04,380 --> 01:43:59,920
it's just technology okay a position and

2155
01:44:09,150 --> 01:44:04,390
technology gotcha gotcha why not at this

2156
01:44:11,480 --> 01:44:09,160
point just come out and it's

2157
01:44:16,830 --> 01:44:11,490
specifically a Tara gave us and go look

2158
01:44:18,750 --> 01:44:16,840
okay it I want to put this to bed it the

2159
01:44:22,280 --> 01:44:18,760
documents real it actually happened

2160
01:44:25,680 --> 01:44:22,290
here's my I stayed at the Luxor Hotel

2161
01:44:27,690 --> 01:44:25,690
Las Vegas here's here's my plane tickets

2162
01:44:31,530 --> 01:44:27,700
there's my reservations on this date in

2163
01:44:34,770 --> 01:44:31,540

in October and and and that's it

2164

01:44:38,580 --> 01:44:34,780

why not it's already out the document is

2165

01:44:41,360 --> 01:44:38,590

out it's publicly I thought why not I

2166

01:44:44,820 --> 01:44:41,370

thought that they would just I thought I

2167

01:44:48,480 --> 01:44:44,830

mean honestly when I saw the document in

2168

01:44:50,100 --> 01:44:48,490

April I just I gasped because first of

2169

01:44:52,410 --> 01:44:50,110

all I hadn't had the opportunity to read

2170

01:44:54,450 --> 01:44:52,420

all 15 pages of it so this was that was

2171

01:44:59,130 --> 01:44:54,460

great

2172

01:45:02,150 --> 01:44:59,140

I'd only read two pages and I I thought

2173

01:45:05,610 --> 01:45:02,160

well if this is so obvious there is

2174

01:45:08,010 --> 01:45:05,620

absolutely no way that anyone is going

2175

01:45:09,510 --> 01:45:08,020

to be able to deny this and you know

2176

01:45:10,110 --> 01:45:09,520

Davis would have to just throw up his

2177

01:45:13,620 --> 01:45:10,120

hands and

2178

01:45:14,700 --> 01:45:13,630

well yep you got me like I really did

2179

01:45:17,880 --> 01:45:14,710

believe that that would happen because

2180

01:45:21,420 --> 01:45:17,890

it was like my reasoning was how could

2181

01:45:22,890 --> 01:45:21,430

it possibly be otherwise but they stuck

2182

01:45:26,580 --> 01:45:22,900

to their guns and I say they I mean

2183

01:45:28,650 --> 01:45:26,590

Davis and and his colleagues all of whom

2184

01:45:30,300 --> 01:45:28,660

were close to him they just haven't

2185

01:45:34,290 --> 01:45:30,310

given it up and they're not admitting it

2186

01:45:35,730 --> 01:45:34,300

and you know the intransigence says I

2187

01:45:37,620 --> 01:45:35,740

mean I don't know if you could really

2188

01:45:42,050 --> 01:45:37,630

say it's paying off I mean Eric Davis

2189

01:45:46,440 --> 01:45:42,060

has made a number of very very

2190

01:45:48,990 --> 01:45:46,450

interesting statements but he's never he

2191

01:45:53,040 --> 01:45:49,000

always seems to know exactly how far he

2192

01:45:56,130 --> 01:45:53,050

can go and not an inch further so for

2193

01:46:00,690 --> 01:45:56,140

example about a week before the

2194

01:46:05,480 --> 01:46:00,700

documents leaked so we're talking on May

2195

01:46:10,110 --> 01:46:05,490

31st 2019 right

2196

01:46:11,880 --> 01:46:10,120

he's on Tucker Carlson talking about big

2197

01:46:13,560 --> 01:46:11,890

not Eric Davis I'm sorry I'm getting

2198

01:46:14,760 --> 01:46:13,570

mixed up with a Lew Elizondo

2199

01:46:17,100 --> 01:46:14,770

let me just talk about I was on during

2200

01:46:19,350 --> 01:46:17,110

here as Davis actually comes in with us

2201
01:46:20,850 --> 01:46:19,360
so elizondo's promoting TV show

2202
01:46:23,400 --> 01:46:20,860
unidentified which was about to air on

2203
01:46:25,740 --> 01:46:23,410
the History Channel and he Carlson

2204
01:46:27,720 --> 01:46:25,750
astonishingly asks him about UFO crash

2205
01:46:30,330 --> 01:46:27,730
retrievals I mean can you imagine this

2206
01:46:32,520 --> 01:46:30,340
on national TV in Elizondo essentially

2207
01:46:35,460 --> 01:46:32,530
at first as well my NBA prevents me from

2208
01:46:39,510 --> 01:46:35,470
talking and he says but actually simply

2209
01:46:41,520 --> 01:46:39,520
put yes and cards the interview so I

2210
01:46:43,470 --> 01:46:41,530
mentioned James and Olli earlier he's

2211
01:46:45,090 --> 01:46:43,480
really one of the active young

2212
01:46:47,640 --> 01:46:45,100
researchers involved in a lot of this

2213
01:46:50,400 --> 01:46:47,650

and corresponds with Davis so and only

2214

01:46:52,680 --> 01:46:50,410

watches this on Carlson and he's just

2215

01:46:55,580 --> 01:46:52,690

blown away by it and he writes to Davis

2216

01:46:59,430 --> 01:46:55,590

now keep in mind this is one week before

2217

01:47:01,530 --> 01:46:59,440

the Wilson leak came out right so

2218

01:47:04,500 --> 01:47:01,540

everything's cool everything's like

2219

01:47:05,970 --> 01:47:04,510

nothing's exploding here and the end

2220

01:47:08,520 --> 01:47:05,980

always says well so what's up with

2221

01:47:10,920 --> 01:47:08,530

elizondo's a statement here about crash

2222

01:47:13,650 --> 01:47:10,930

retrievals being year real and Eric

2223

01:47:15,990 --> 01:47:13,660

Davis writes to Indo laces loose

2224

01:47:17,850 --> 01:47:16,000

elizondo's very brief answer to Tucker

2225

01:47:19,860 --> 01:47:17,860

Carlson's question about whether the US

2226

01:47:23,190 --> 01:47:19,870

government is in possession of recovered

2227

01:47:27,000 --> 01:47:23,200

crashed and landed UFO

2228

01:47:29,280 --> 01:47:27,010

technology hardware is 1,000% accurate

2229

01:47:31,440 --> 01:47:29,290

my national-security NDA's prevent me

2230

01:47:34,650 --> 01:47:31,450

from adding any further comment on this

2231

01:47:36,450 --> 01:47:34,660

and quote it's interesting too because

2232

01:47:38,490 --> 01:47:36,460

James said to me that Davis actually

2233

01:47:41,850 --> 01:47:38,500

revised his statement a couple of times

2234

01:47:45,420 --> 01:47:41,860

to add recovered and landed not just

2235

01:47:47,480 --> 01:47:45,430

crashed so now the reason that's

2236

01:47:51,900 --> 01:47:47,490

significant is because that actually is

2237

01:47:56,070 --> 01:47:51,910

directly seen in the notes that he wrote

2238

01:47:58,410 --> 01:47:56,080

back in 2002 where Wilson encounters

2239

01:48:03,900 --> 01:47:58,420

this group that's reverse engineering

2240

01:48:07,500 --> 01:48:03,910

this this craft that is fully intact so

2241

01:48:10,320 --> 01:48:07,510

it's not crashed it's a you know in the

2242

01:48:12,510 --> 01:48:10,330

notes it's a fully intact vehicle which

2243

01:48:15,660 --> 01:48:12,520

they actually speculator believe could

2244

01:48:22,920 --> 01:48:15,670

fly in the air and it under the water

2245

01:48:26,070 --> 01:48:22,930

and in space as well so so it's a direct

2246

01:48:30,510 --> 01:48:26,080

reference to that yeah did Davis say nd

2247

01:48:33,360 --> 01:48:30,520

a yeah not security oath he wrote NBA

2248

01:48:36,300 --> 01:48:33,370

right NDA non-disclosure agreement now

2249

01:48:39,900 --> 01:48:36,310

this is what something happened in the

2250

01:48:43,350 --> 01:48:39,910

courts this week about NDA's that is

2251

01:48:47,730 --> 01:48:43,360

actually relates to this in a very

2252

01:48:50,910 --> 01:48:47,740

strange way president Trump's needs to

2253

01:48:54,650 --> 01:48:50,920

marry Trump as is as is publishing a

2254

01:49:00,180 --> 01:48:57,420

Trump's son took her to court and said

2255

01:49:03,420 --> 01:49:00,190

that she had an NDA with Fred Trump the

2256

01:49:07,110 --> 01:49:03,430

president Trump's father and or a gram

2257

01:49:11,040 --> 01:49:07,120

or whatever the point is NDA right well

2258

01:49:14,310 --> 01:49:11,050

the courts reversed everything today may

2259

01:49:16,950 --> 01:49:14,320

they put a temporary restraining or and

2260

01:49:18,600 --> 01:49:16,960

Junction on the publishing of the book

2261

01:49:21,840 --> 01:49:18,610

that was overturned today in the

2262

01:49:23,400 --> 01:49:21,850

appellate courts and which they said or

2263

01:49:29,030 --> 01:49:23,410

maybe it was yesterday morning but they

2264

01:49:33,840 --> 01:49:29,040
said that an NDA violation is not

2265

01:49:35,860 --> 01:49:33,850
criminal that is a civil no let me

2266

01:49:38,440 --> 01:49:35,870
finish so let me just let me finish

2267

01:49:39,010 --> 01:49:38,450
they they said that an NDA is a civil

2268

01:49:42,370 --> 01:49:39,020
matter

2269

01:49:45,580 --> 01:49:42,380
you can break an NDA anytime you want

2270

01:49:49,870 --> 01:49:45,590
and if somebody feels like they want to

2271

01:49:53,890 --> 01:49:49,880
sue you for money and damages that is

2272

01:49:57,850 --> 01:49:53,900
what the NDA is there for an NDA is not

2273

01:50:00,130 --> 01:49:57,860
a criminal matter this one is because

2274

01:50:05,410 --> 01:50:00,140
what Davis actually said is my National

2275

01:50:06,370 --> 01:50:05,420
Security NDA's plural mmm okay so so I I

2276

01:50:09,070 --> 01:50:06,380

mean I don't know if he was writing

2277

01:50:11,170 --> 01:50:09,080

shorthand to gain doli right if that's

2278

01:50:13,150 --> 01:50:11,180

just the the language he was using I

2279

01:50:14,860 --> 01:50:13,160

mean it was this a if it was like a

2280

01:50:17,200 --> 01:50:14,870

Facebook messaging type thing or some

2281

01:50:20,170 --> 01:50:17,210

kind of like messaging service so I

2282

01:50:22,060 --> 01:50:20,180

think he was using whatever shorthand no

2283

01:50:24,640 --> 01:50:22,070

it's true like an NDA can just be a

2284

01:50:26,110 --> 01:50:24,650

civil legal binding document you're

2285

01:50:28,150 --> 01:50:26,120

right

2286

01:50:30,190 --> 01:50:28,160

but I think what Davis was saying in

2287

01:50:32,620 --> 01:50:30,200

this case he explicitly said my national

2288

01:50:36,460 --> 01:50:32,630

or wrote my national security NDA's

2289

01:50:38,080 --> 01:50:36,470

prevent me so I think we're we're

2290

01:50:42,670 --> 01:50:38,090

dealing with more than just a civil

2291

01:50:45,160 --> 01:50:42,680

matter his note here let me ask you

2292

01:50:46,630 --> 01:50:45,170

really quick as well I'm looking at the

2293

01:50:51,700 --> 01:50:46,640

clock here we've only got so much time I

2294

01:50:55,720 --> 01:50:51,710

wanna move on in that in the in the

2295

01:50:58,480 --> 01:50:55,730

Wilson dock if there was one there must

2296

01:51:00,970 --> 01:50:58,490

be one specific thing I should say for

2297

01:51:02,830 --> 01:51:00,980

you that says you know what I'm not

2298

01:51:05,620 --> 01:51:02,840

gonna bend on this and this is the

2299

01:51:08,650 --> 01:51:05,630

reason why there's a whole list of

2300

01:51:10,180 --> 01:51:08,660

reasons that accumulate and and there's

2301
01:51:12,520 --> 01:51:10,190
a lot of dots that are connected here

2302
01:51:14,980 --> 01:51:12,530
with with references and times and

2303
01:51:16,900 --> 01:51:14,990
people I get that but what's the one

2304
01:51:18,580 --> 01:51:16,910
thing Richard where you're gonna go you

2305
01:51:21,760 --> 01:51:18,590
know what okay all of those points or

2306
01:51:23,620 --> 01:51:21,770
whatever but it's this that says this

2307
01:51:27,280 --> 01:51:23,630
document is real what's that one point

2308
01:51:29,290 --> 01:51:27,290
well I guess for me it's the the page

2309
01:51:32,080 --> 01:51:29,300
that I was originally shown in 2006

2310
01:51:33,310 --> 01:51:32,090
where Wilson is saying the program

2311
01:51:36,580 --> 01:51:33,320
manager said they didn't know where it

2312
01:51:38,350 --> 01:51:36,590
was from they had some ideas on this it

2313
01:51:40,600 --> 01:51:38,360

was technology that was not of this

2314

01:51:43,450 --> 01:51:40,610

earth not made by a man not by human

2315

01:51:45,030 --> 01:51:43,460

hands and by the way the last part of

2316

01:51:48,730 --> 01:51:45,040

that whole phrase was italicized

2317

01:51:49,150 --> 01:51:48,740

presumably this was very important and

2318

01:51:52,470 --> 01:51:49,160

the

2319

01:51:58,950 --> 01:51:52,480

to me that is important is that that

2320

01:52:01,600 --> 01:51:58,960

clearly was taken to be the fundamental

2321

01:52:05,950 --> 01:52:01,610

element of the entire meeting that

2322

01:52:07,390 --> 01:52:05,960

here's Wilson confirming to Davis that

2323

01:52:10,630 --> 01:52:07,400

and it was considered important enough

2324

01:52:14,080 --> 01:52:10,640

for them for one of those members of

2325

01:52:18,040 --> 01:52:14,090

that little very small clique to show me

2326

01:52:20,620 --> 01:52:18,050

back in 2006 and by the way I I know for

2327

01:52:24,060 --> 01:52:20,630

a fact that this document was shown to

2328

01:52:26,620 --> 01:52:24,070

at least one other individual who is

2329

01:52:29,010 --> 01:52:26,630

very well known and I will not give up

2330

01:52:31,990 --> 01:52:29,020

that person because we talked about it

2331

01:52:36,070 --> 01:52:32,000

and who knows you know explicitly knows

2332

01:52:38,710 --> 01:52:36,080

that the documents legit and real so

2333

01:52:41,560 --> 01:52:38,720

yeah for me that's I think that's the

2334

01:52:44,320 --> 01:52:41,570

central point of the document the other

2335

01:52:47,050 --> 01:52:44,330

essential point being that Admiral

2336

01:52:49,450 --> 01:52:47,060

Lawson was denied access you know he was

2337

01:52:51,970 --> 01:52:49,460

a someone who mistakenly thought he had

2338

01:52:54,640 --> 01:52:51,980

clearance to have access to this program

2339

01:52:57,870 --> 01:52:54,650

and he learned to his great chagrin that

2340

01:53:00,550 --> 01:52:57,880

he didn't it was a big mistake

2341

01:53:02,650 --> 01:53:00,560

you know he's complaining to the

2342

01:53:04,180 --> 01:53:02,660

gatekeepers after their they give him

2343

01:53:05,830 --> 01:53:04,190

this little carrot to dangle you know

2344

01:53:06,760 --> 01:53:05,840

like yeah yeah it's this program but you

2345

01:53:09,490 --> 01:53:06,770

you can't be in it

2346

01:53:11,380 --> 01:53:09,500

so private contractors that are involved

2347

01:53:13,210 --> 01:53:11,390

or nearly all and he's like why can't I

2348

01:53:15,130 --> 01:53:13,220

be in well too bad we can't tell you but

2349

01:53:17,260 --> 01:53:15,140

you're not in you all complain they said

2350

01:53:19,300 --> 01:53:17,270

fine complain complain all you wanted

2351
01:53:20,680 --> 01:53:19,310
like they knew that it would do nothing

2352
01:53:23,370 --> 01:53:20,690
and he did complain and he was

2353
01:53:26,020 --> 01:53:23,380
threatened with his career so you've got

2354
01:53:27,640 --> 01:53:26,030
I think one of the things that's very

2355
01:53:30,850 --> 01:53:27,650
interesting about the document is that

2356
01:53:35,560 --> 01:53:30,860
it shows like the number of human beings

2357
01:53:38,890 --> 01:53:35,570
within the government who have any

2358
01:53:40,510 --> 01:53:38,900
authority over that program you could

2359
01:53:42,850 --> 01:53:40,520
probably count on the fingers of one

2360
01:53:47,350 --> 01:53:42,860
hand that's what it appeared to be like

2361
01:53:50,830 --> 01:53:47,360
it's an extremely restricted number of

2362
01:53:55,000 --> 01:53:50,840
people it's not zero but it's very very

2363
01:53:56,710 --> 01:53:55,010

low and and and really in practice what

2364

01:53:59,860 --> 01:53:56,720

you see is this is a program dominated

2365

01:54:01,600 --> 01:53:59,870

by private contractors why hasn't this

2366

01:54:02,830 --> 01:54:01,610

is the one thing this is the perfect

2367

01:54:05,290 --> 01:54:02,840

segue

2368

01:54:16,350 --> 01:54:05,300

or where I wanted to go next which is

2369

01:54:20,770 --> 01:54:16,360

this why why doesn't the UFO agenda have

2370

01:54:22,810 --> 01:54:20,780

the whistleblower if we have crashed

2371

01:54:24,100 --> 01:54:22,820

retreat we've got scientists and

2372

01:54:26,290 --> 01:54:24,110

engineers that are working on these

2373

01:54:29,589 --> 01:54:26,300

these these craft are sitting somewhere

2374

01:54:34,390 --> 01:54:29,599

there are guards standing there these

2375

01:54:38,439 --> 01:54:34,400

build the potential of bodies living and

2376

01:54:42,939 --> 01:54:38,449

dead you know where is that

2377

01:54:44,220 --> 01:54:42,949

whistleblower there has to be thousands

2378

01:54:47,919 --> 01:54:44,230

of people involved in these

2379

01:54:49,810 --> 01:54:47,929

compartmentalized programs where's that

2380

01:54:53,350 --> 01:54:49,820

whistleblower why don't we have an

2381

01:54:56,080 --> 01:54:53,360

Edward Snowden we have a lot of people

2382

01:54:58,780 --> 01:54:56,090

who over the last 50 years have actually

2383

01:55:00,040 --> 01:54:58,790

said a lot of things about this a lot of

2384

01:55:02,080 --> 01:55:00,050

those accounts were collected by the

2385

01:55:05,050 --> 01:55:02,090

late researcher Leonard Stringfield for

2386

01:55:07,959 --> 01:55:05,060

example back in as far back as the 1970s

2387

01:55:11,070 --> 01:55:07,969

and 80s he died in the mid 90s

2388

01:55:14,680 --> 01:55:11,080

Stringfield collected a large number of

2389

01:55:17,740 --> 01:55:14,690

these accounts all partials but like

2390

01:55:20,260 --> 01:55:17,750

really interesting accounts none of

2391

01:55:22,419 --> 01:55:20,270

those people were coming to him as

2392

01:55:24,879 --> 01:55:22,429

whistleblowers per se in the sense that

2393

01:55:26,260 --> 01:55:24,889

we think of someone like Snowden like

2394

01:55:27,280 --> 01:55:26,270

they didn't most of him I don't I don't

2395

01:55:30,040 --> 01:55:27,290

think any of them really wanted

2396

01:55:32,979 --> 01:55:30,050

publicity but they were definitely

2397

01:55:35,890 --> 01:55:32,989

talking there's a lot of that there's

2398

01:55:37,870 --> 01:55:35,900

been lots of people who've talked by the

2399

01:55:40,810 --> 01:55:37,880

way I highly recommend stringfield's

2400

01:55:42,669 --> 01:55:40,820

collected booklets in fact I'm just

2401
01:55:44,560 --> 01:55:42,679
holding it here UFO crash retrievals the

2402
01:55:47,439 --> 01:55:44,570
complete investigation status reports

2403
01:55:52,930 --> 01:55:47,449
one through seven which he wrote from 78

2404
01:55:55,450 --> 01:55:52,940
to 1994 and it's 80 bucks Amazon so

2405
01:55:59,820 --> 01:55:55,460
cheap that's worth it and I say this

2406
01:56:02,919 --> 01:55:59,830
because there's a lot of people that

2407
01:56:04,899 --> 01:56:02,929
that were required to make a book that

2408
01:56:06,520 --> 01:56:04,909
that's this fad I mean he's got this is

2409
01:56:07,720 --> 01:56:06,530
nine by twelve or eight-and-a-half by

2410
01:56:10,300 --> 01:56:07,730
eleven or whatever and it's almost four

2411
01:56:12,160 --> 01:56:10,310
hundred pages there's a lot there and

2412
01:56:13,660 --> 01:56:12,170
that's just Leonard Stringfield there's

2413
01:56:15,640 --> 01:56:13,670

a lot of other whistleblowers who have

2414

01:56:16,299 --> 01:56:15,650

spoken over the years to a lot of

2415

01:56:18,069 --> 01:56:16,309

different

2416

01:56:22,509 --> 01:56:18,079

searchers like they're definitely out

2417

01:56:25,119 --> 01:56:22,519

there but the level of right hi

2418

01:56:27,699 --> 01:56:25,129

you know high-level government official

2419

01:56:29,919 --> 01:56:27,709

areas are where is our whistleblower you

2420

01:56:32,139 --> 01:56:29,929

know why hasn't that happen and you

2421

01:56:37,839 --> 01:56:32,149

would think that here we are in 2020

2422

01:56:40,779 --> 01:56:37,849

with the ability to go and take a 32

2423

01:56:45,520 --> 01:56:40,789

gigabyte drive or a terabyte drive and

2424

01:56:51,089 --> 01:56:45,530

and and just get the stuff and run and

2425

01:56:53,109 --> 01:56:51,099

go and and be an Edward Snowden sort is

2426

01:56:55,989 --> 01:56:53,119

absolutely possible of course it's

2427

01:56:58,000 --> 01:56:55,999

possible and you you know we can ask why

2428

01:57:00,129 --> 01:56:58,010

hasn't happened now and I don't know why

2429

01:57:03,219 --> 01:57:00,139

it hasn't happened up till now I know

2430

01:57:07,089 --> 01:57:03,229

that you know I've practically begged

2431

01:57:09,609 --> 01:57:07,099

some of the people in what I call the

2432

01:57:11,770 --> 01:57:09,619

Bigelow crowd to come forward and say

2433

01:57:14,520 --> 01:57:11,780

look at your legacy you can do this you

2434

01:57:16,839 --> 01:57:14,530

can be you can be a hero to history

2435

01:57:20,379 --> 01:57:16,849

doesn't matter I don't care doesn't

2436

01:57:23,609 --> 01:57:20,389

matter to them that's not their it

2437

01:57:25,839 --> 01:57:23,619

doesn't it's not enough to persuade them

2438

01:57:28,329 --> 01:57:25,849

they know that it's real they know this

2439

01:57:30,849 --> 01:57:28,339

is true they know that a lot of things

2440

01:57:34,239 --> 01:57:30,859

that probably you and I do not know and

2441

01:57:36,129 --> 01:57:34,249

they're they don't feel the need and I

2442

01:57:38,739 --> 01:57:36,139

don't know why and I can't speak for

2443

01:57:41,919 --> 01:57:38,749

them but I can guess at people who have

2444

01:57:43,540 --> 01:57:41,929

had years and decades and generations of

2445

01:57:46,659 --> 01:57:43,550

security clearances as a need to know

2446

01:57:48,819 --> 01:57:46,669

and special access programs sensitive

2447

01:57:55,479 --> 01:57:48,829

compartment and information like they

2448

01:57:58,329 --> 01:57:55,489

are part of a culture that you know from

2449

01:58:00,099 --> 01:57:58,339

I mean I'm not in that culture so it's

2450

01:58:04,599 --> 01:58:00,109

hard for me to appreciate it from the

2451
01:58:06,729 --> 01:58:04,609
inside but I can glean a few things here

2452
01:58:10,479 --> 01:58:06,739
and there and what you definitely get is

2453
01:58:15,069 --> 01:58:10,489
this understanding that they they just

2454
01:58:17,919 --> 01:58:15,079
they do not break their code it takes a

2455
01:58:19,569 --> 01:58:17,929
lot for them to do that Snowden was

2456
01:58:23,189 --> 01:58:19,579
different I mean Edward Snowden was a

2457
01:58:26,799 --> 01:58:23,199
young man he was not even 30 years old

2458
01:58:29,460 --> 01:58:26,809
when he took off with the information

2459
01:58:31,200 --> 01:58:29,470
that he had it was a

2460
01:58:34,380 --> 01:58:31,210
I for one am very glad that he did that

2461
01:58:35,850 --> 01:58:34,390
and Snowden is a very remarkable guy I

2462
01:58:38,280 --> 01:58:35,860
mean he's extremely intelligent

2463
01:58:41,730 --> 01:58:38,290

obviously you listen to him but he was

2464

01:58:43,050 --> 01:58:41,740

also young and I think that that's part

2465

01:58:45,930 --> 01:58:43,060

of it I think that's part of the reason

2466

01:58:47,280 --> 01:58:45,940

we saw that was Snowden and he got lucky

2467

01:58:50,010 --> 01:58:47,290

was very brilliant he got into a

2468

01:58:53,370 --> 01:58:50,020

position and he was able to to do what

2469

01:58:54,930 --> 01:58:53,380

he did I don't know if it works that way

2470

01:58:58,380 --> 01:58:54,940

with a UFO program when you when you

2471

01:59:01,170 --> 01:58:58,390

read Davis's notes for Wilson you you

2472

01:59:02,910 --> 01:59:01,180

can see that everything is so tightly

2473

01:59:06,900 --> 01:59:02,920

stove-piped it's so tightly

2474

01:59:10,410 --> 01:59:06,910

compartmented that in fact it's it's a

2475

01:59:13,350 --> 01:59:10,420

problem because it's so compartmented

2476

01:59:15,090 --> 01:59:13,360

that all of the various groups that work

2477

01:59:18,090 --> 01:59:15,100

on this you get the idea that they're

2478

01:59:20,580 --> 01:59:18,100

not necessarily talking to each other so

2479

01:59:24,540 --> 01:59:20,590

everyone's got a like in a sense that

2480

01:59:26,640 --> 01:59:24,550

it's counterproductive to doing actual

2481

01:59:28,670 --> 01:59:26,650

research and development on this now I

2482

01:59:31,590 --> 01:59:28,680

don't know that that's true because

2483

01:59:33,390 --> 01:59:31,600

we're not in that world but it looks

2484

01:59:35,010 --> 01:59:33,400

like that could be the case and if that

2485

01:59:38,340 --> 01:59:35,020

is the case then what you're dealing

2486

01:59:42,450 --> 01:59:38,350

with is very very compartmented rigidly

2487

01:59:45,360 --> 01:59:42,460

controlled partial datasets and I'll

2488

01:59:48,450 --> 01:59:45,370

tell you this one person many years ago

2489

01:59:51,270 --> 01:59:48,460

closed to all of us just said to me sort

2490

01:59:54,390 --> 01:59:51,280

of casually I said let's just say I had

2491

01:59:57,600 --> 01:59:54,400

a list of top 10 12 15 people in the

2492

01:59:59,310 --> 01:59:57,610

world who knew everything on this what

2493

02:00:00,930 --> 01:59:59,320

do I do with that list do I go to the

2494

02:00:03,870 --> 02:00:00,940

New York Times he actually said this to

2495

02:00:05,220 --> 02:00:03,880

me and what would happen like first of

2496

02:00:08,880 --> 02:00:05,230

all the New York Times probably wouldn't

2497

02:00:11,910 --> 02:00:08,890

publish that list and secondly if they

2498

02:00:13,710 --> 02:00:11,920

did it would be deniable by the people

2499

02:00:16,500 --> 02:00:13,720

listed and then it would probably be

2500

02:00:17,940 --> 02:00:16,510

traced to me and then I'm out of all of

2501
02:00:19,050 --> 02:00:17,950
my security clearances and I'm out of

2502
02:00:20,820 --> 02:00:19,060
the game and I don't want to be out of

2503
02:00:21,900 --> 02:00:20,830
the game I want to I want to get I want

2504
02:00:25,170 --> 02:00:21,910
to get to the goldmine

2505
02:00:27,210 --> 02:00:25,180
like that's the world that they're in so

2506
02:00:30,090 --> 02:00:27,220
they're you know when you learn

2507
02:00:33,150 --> 02:00:30,100
something in that world you're very very

2508
02:00:36,450 --> 02:00:33,160
loath to throw away your hard-earned

2509
02:00:38,790 --> 02:00:36,460
hard-won position but why take it to the

2510
02:00:40,260 --> 02:00:38,800
grave it's a good question I mean that

2511
02:00:42,530 --> 02:00:40,270
just doesn't make any sense

2512
02:00:44,450 --> 02:00:42,540
I mean why take it to the grave and

2513
02:00:46,370 --> 02:00:44,460

so afraid of something else you know I

2514

02:00:50,330 --> 02:00:46,380

corresponded a flee with Edgar Mitchell

2515

02:00:52,070 --> 02:00:50,340

on this exact thing I said you know you

2516

02:00:53,300 --> 02:00:52,080

tell me you like what I do so once you

2517

02:00:55,490 --> 02:00:53,310

throw me a bone and point me in a

2518

02:00:58,970 --> 02:00:55,500

direction I mean for example you said to

2519

02:01:01,040 --> 02:00:58,980

me that you knew of two top top top

2520

02:01:04,010 --> 02:01:01,050

level individuals who confirm to you the

2521

02:01:05,690 --> 02:01:04,020

existence of 80 programs four bodies and

2522

02:01:09,260 --> 02:01:05,700

technology and in fact Edgar Mitchell

2523

02:01:11,600 --> 02:01:09,270

did say that to me explicitly in 2004 in

2524

02:01:14,900 --> 02:01:11,610

a closed room we were in Roswell both

2525

02:01:16,640 --> 02:01:14,910

doing an event the event there and so I

2526

02:01:19,100 --> 02:01:16,650

wrote you know sometime after I said

2527

02:01:21,830 --> 02:01:19,110

just give me something and what he said

2528

02:01:25,790 --> 02:01:21,840

is look the people who came to me did so

2529

02:01:30,710 --> 02:01:25,800

at great risk professionally personally

2530

02:01:32,390 --> 02:01:30,720

and risk to their families exactly what

2531

02:01:35,750 --> 02:01:32,400

he said and and he said as long as

2532

02:01:38,800 --> 02:01:35,760

they're around there's no way I'm gonna

2533

02:01:42,050 --> 02:01:38,810

you know throw them under the bus so

2534

02:01:44,330 --> 02:01:42,060

risk their families looks like that's

2535

02:01:48,320 --> 02:01:44,340

what he said now is he just blowing

2536

02:01:50,510 --> 02:01:48,330

smoke he or not I I mean I believe him I

2537

02:01:53,570 --> 02:01:50,520

don't think he was lying now I think he

2538

02:01:56,270 --> 02:01:53,580

was making that up so I don't know

2539

02:01:58,430 --> 02:01:56,280

there's fear like these people are

2540

02:02:00,770 --> 02:01:58,440

afraid and those of us on the outside

2541

02:02:03,980 --> 02:02:00,780

like we're like well just disclose now

2542

02:02:05,990 --> 02:02:03,990

damn it and I don't really think we

2543

02:02:09,830 --> 02:02:06,000

appreciate this situation and I mean it

2544

02:02:13,610 --> 02:02:09,840

frustrates me too I want them to come

2545

02:02:15,770 --> 02:02:13,620

out and say what I know they know and by

2546

02:02:16,720 --> 02:02:15,780

the way none but actually here's the

2547

02:02:20,630 --> 02:02:16,730

other part of it

2548

02:02:23,060 --> 02:02:20,640

those people close to Erik Davis or

2549

02:02:24,740 --> 02:02:23,070

Davis himself even like you only have to

2550

02:02:27,560 --> 02:02:24,750

do is read Erik Davis's interviews and

2551

02:02:32,090 --> 02:02:27,570

you can tell this guy knows a lot right

2552

02:02:36,200 --> 02:02:32,100

he knows a lot he's extremely perceptive

2553

02:02:39,320 --> 02:02:36,210

and deep and but he's very really smart

2554

02:02:42,110 --> 02:02:39,330

he never goes over the line right but do

2555

02:02:43,550 --> 02:02:42,120

they know everything and if they were to

2556

02:02:46,300 --> 02:02:43,560

go on the record and say yeah this is

2557

02:02:49,250 --> 02:02:46,310

all true what would actually happen

2558

02:02:52,430 --> 02:02:49,260

would the world say oh wow they're

2559

02:02:54,530 --> 02:02:52,440

actually telling the truth or would some

2560

02:02:56,089 --> 02:02:54,540

cement headed skeptics out there who are

2561

02:02:58,250 --> 02:02:56,099

just intransigent because

2562

02:03:00,859 --> 02:02:58,260

that's what they are it's like encoded

2563

02:03:04,369 --> 02:03:00,869

in their DNA I think go after them and

2564

02:03:07,429 --> 02:03:04,379

just trash them publicly which you know

2565

02:03:08,989 --> 02:03:07,439

would happen and so the seed of doubt

2566

02:03:11,119 --> 02:03:08,999

that's all it's necessary it's not

2567

02:03:14,179 --> 02:03:11,129

necessary to debug you just sow the seed

2568

02:03:16,759 --> 02:03:14,189

of doubt and what if these guys can't

2569

02:03:18,319 --> 02:03:16,769

prove every single thing that they want

2570

02:03:21,739 --> 02:03:18,329

to prove because I bet you they can't

2571

02:03:25,580 --> 02:03:21,749

guarantee you they can't they all these

2572

02:03:30,830 --> 02:03:25,590

people know something but very few if

2573

02:03:33,879 --> 02:03:30,840

any know everything it's really crazy

2574

02:03:36,619 --> 02:03:33,889

it's this ultra compartmented situation

2575

02:03:38,779 --> 02:03:36,629

and I don't think anyone in the Bigelow

2576

02:03:40,369 --> 02:03:38,789

crowd really is at the goldmine I don't

2577

02:03:42,020 --> 02:03:40,379

I don't think some you know they were

2578

02:03:44,359 --> 02:03:42,030

ill and they sent it up to the army and

2579

02:03:45,529 --> 02:03:44,369

that's interesting right right that

2580

02:03:49,790 --> 02:03:45,539

might be something but I don't think

2581

02:03:51,529 --> 02:03:49,800

they're at the center now and they if if

2582

02:03:54,770 --> 02:03:51,539

if we don't have a whistle blower

2583

02:03:57,709 --> 02:03:54,780

running around with you know USB drives

2584

02:04:05,540 --> 02:03:57,719

right now then that what that says to me

2585

02:04:08,959 --> 02:04:05,550

that they whoever is exposed to the real

2586

02:04:10,479 --> 02:04:08,969

stuff understands its importance and

2587

02:04:14,089 --> 02:04:10,489

they are not going to cross the line

2588

02:04:16,429 --> 02:04:14,099

even in Edward Snowden's case yeah was

2589

02:04:19,189 --> 02:04:16,439

the NSA it was a highly secretive

2590

02:04:23,270 --> 02:04:19,199

program spying on US citizens right but

2591

02:04:26,029 --> 02:04:23,280

that's not as big as UFOs and aliens and

2592

02:04:28,040 --> 02:04:26,039

ETS actually isn't it's it's not it's

2593

02:04:30,259 --> 02:04:28,050

not I don't want to discount what he

2594

02:04:34,310 --> 02:04:30,269

brought forward I'm not suggesting that

2595

02:04:37,250 --> 02:04:34,320

at all the flip side is if anybody out

2596

02:04:41,000 --> 02:04:37,260

there like an Eric Davis or a help put

2597

02:04:43,819 --> 02:04:41,010

off or a kid green or or shocked valet

2598

02:04:48,020 --> 02:04:43,829

or anybody you know those out there that

2599

02:04:50,899 --> 02:04:48,030

that that we respect they don't have the

2600

02:04:54,319 --> 02:04:50,909

real information because they wouldn't

2601
02:04:57,709 --> 02:04:54,329
be allowed to even at all beyond Tucker

2602
02:05:01,040 --> 02:04:57,719
Carlson or in a UFO documentary or

2603
02:05:03,379 --> 02:05:01,050
coming on fade to black or or whatever

2604
02:05:05,509 --> 02:05:03,389
it just wouldn't happen they don't have

2605
02:05:07,369 --> 02:05:05,519
the real information for the reasons

2606
02:05:09,040 --> 02:05:07,379
that you just pointed out well they they

2607
02:05:12,100 --> 02:05:09,050
have in for me

2608
02:05:14,370 --> 02:05:12,110
like I don't want to dismiss they have a

2609
02:05:18,300 --> 02:05:14,380
lot of information my opinion they

2610
02:05:20,709 --> 02:05:18,310
actually know a lot but they don't know

2611
02:05:24,160 --> 02:05:20,719
everything that they want to know

2612
02:05:25,330 --> 02:05:24,170
probably pretty I mean I shouldn't

2613
02:05:26,790 --> 02:05:25,340

really be speaking for them but I I

2614

02:05:32,830 --> 02:05:26,800

think that's probably true

2615

02:05:34,930 --> 02:05:32,840

and they want to I think I think the

2616

02:05:36,879 --> 02:05:34,940

this group of people are just trying to

2617

02:05:38,709 --> 02:05:36,889

get to the center of the labyrinth and I

2618

02:05:40,810 --> 02:05:38,719

don't know if they'll actually ever do

2619

02:05:42,640 --> 02:05:40,820

it or not but but they've made more

2620

02:05:45,459 --> 02:05:42,650

progress than most people are going to

2621

02:05:46,959 --> 02:05:45,469

make and I just think they don't want to

2622

02:05:49,060 --> 02:05:46,969

risk it they don't want to risk any more

2623

02:05:51,040 --> 02:05:49,070

well and they're all the same they're

2624

02:05:52,209 --> 02:05:51,050

they have different attitudes and sure I

2625

02:05:53,410 --> 02:05:52,219

don't want to put kid green and with

2626

02:05:54,930 --> 02:05:53,420

with Davis and put up because I think

2627

02:06:00,580 --> 02:05:54,940

he's got a different attitude these days

2628

02:06:02,500 --> 02:06:00,590

the fact is this this is let's talk

2629

02:06:07,000 --> 02:06:02,510

about a fact Edward Snowden is still

2630

02:06:10,020 --> 02:06:07,010

alive in Russia or any place of his

2631

02:06:14,649 --> 02:06:10,030

planet Earth yeah he's still alive and

2632

02:06:17,470 --> 02:06:14,659

and and that is with NSA's spying on

2633

02:06:20,379 --> 02:06:17,480

Americans program that that was a bad

2634

02:06:22,990 --> 02:06:20,389

was a big deal well he's alive and at

2635

02:06:25,750 --> 02:06:23,000

liberty only because he's in you know

2636

02:06:27,490 --> 02:06:25,760

got refugee he got but is it the status

2637

02:06:33,010 --> 02:06:27,500

in Russia I mean they're protecting him

2638

02:06:36,160 --> 02:06:33,020

yeah certainly in prison okay so if

2639

02:06:38,439 --> 02:06:36,170

somebody came forward with you know a

2640

02:06:42,070 --> 02:06:38,449

UFO whistleblower and he comes forward

2641

02:06:43,680 --> 02:06:42,080

or she with with the stuff and it gets

2642

02:06:47,020 --> 02:06:43,690

blown out of the water

2643

02:06:48,310 --> 02:06:47,030

there isn't any threat to their family

2644

02:06:51,310 --> 02:06:48,320

you can't

2645

02:06:52,840 --> 02:06:51,320

there isn't any threat of going to jail

2646

02:06:55,360 --> 02:06:52,850

there isn't any threat of any of that

2647

02:06:57,520 --> 02:06:55,370

because now you're a martyr and

2648

02:07:00,879 --> 02:06:57,530

everything that has been presented is

2649

02:07:02,709 --> 02:07:00,889

now truth so you've got to be able to

2650

02:07:05,680 --> 02:07:02,719

hit that home run you have to try no you

2651
02:07:08,260 --> 02:07:05,690
got it right and you can't just have a

2652
02:07:11,350 --> 02:07:08,270
little piece of it and be confident that

2653
02:07:14,379 --> 02:07:11,360
that's going to work when we talk about

2654
02:07:17,200 --> 02:07:14,389
stuff like this which I think there's a

2655
02:07:19,870 --> 02:07:17,210
really good example of getting really

2656
02:07:21,130 --> 02:07:19,880
close to a situation and that is that's

2657
02:07:26,610 --> 02:07:21,140
Gary McKinnon

2658
02:07:29,620 --> 02:07:26,620
and and the reason why that that

2659
02:07:32,920 --> 02:07:29,630
situation that he found himself in we

2660
02:07:36,220 --> 02:07:32,930
got so how do I want to say this so

2661
02:07:38,770 --> 02:07:36,230
close to the mark of being a real

2662
02:07:42,430 --> 02:07:38,780
whistleblower it's a fight that went

2663
02:07:45,640 --> 02:07:42,440

down between the Queen of England and

2664

02:07:50,200 --> 02:07:45,650

Obama like I mean this this was like a

2665

02:07:54,220 --> 02:07:50,210

real-deal situation where we had heads

2666

02:07:57,340 --> 02:07:54,230

of state fighting over this guy and and

2667

02:08:00,070 --> 02:07:57,350

what what was actually revealed and how

2668

02:08:02,980 --> 02:08:00,080

it was revealed

2669

02:08:05,680 --> 02:08:02,990

I found that remarkable is that as close

2670

02:08:07,210 --> 02:08:05,690

to a whistleblower as we have seen me in

2671

02:08:09,190 --> 02:08:07,220

the UFO field

2672

02:08:11,700 --> 02:08:09,200

I consider Gary McKinnon a good friend I

2673

02:08:16,240 --> 02:08:11,710

really like and respect Gary a lot and

2674

02:08:19,450 --> 02:08:16,250

yeah I think his he's a genuine

2675

02:08:22,480 --> 02:08:19,460

whistleblower and he's but he wasn't

2676

02:08:25,600 --> 02:08:22,490

anyone with NDA's he you know he was

2677

02:08:26,740 --> 02:08:25,610

lucky in the sense that he he he had

2678

02:08:29,470 --> 02:08:26,750

everything at the right time it was

2679

02:08:32,320 --> 02:08:29,480

before like massive cybersecurity

2680

02:08:36,400 --> 02:08:32,330

measures were put into place over every

2681

02:08:37,840 --> 02:08:36,410

single area of of the space program and

2682

02:08:42,040 --> 02:08:37,850

even the defense community like he

2683

02:08:43,570 --> 02:08:42,050

actually got in by looking he created up

2684

02:08:47,560 --> 02:08:43,580

I think you'd call a Perl script where

2685

02:08:49,210 --> 02:08:47,570

he found openings where the there was no

2686

02:08:55,420 --> 02:08:49,220

password or the password was password

2687

02:08:57,820 --> 02:08:55,430

yeah admin yeah he got into one area

2688

02:08:59,530 --> 02:08:57,830

where he found what absolutely looked to

2689

02:09:02,050 --> 02:08:59,540

him to be a secret space program and

2690

02:09:04,930 --> 02:09:02,060

it's quite fascinating and and what made

2691

02:09:08,380 --> 02:09:04,940

him legit I think is the fact that the

2692

02:09:10,330 --> 02:09:08,390

US government went after him for more

2693

02:09:13,120 --> 02:09:10,340

than a decade and really tried to

2694

02:09:14,800 --> 02:09:13,130

destroy his life I mean just and then

2695

02:09:16,870 --> 02:09:14,810

lied and said hey is the most expensive

2696

02:09:20,080 --> 02:09:16,880

hacker in history like that's nonsense

2697

02:09:22,180 --> 02:09:20,090

but they were essentially just talking

2698

02:09:23,980 --> 02:09:22,190

up this game to try to justify getting

2699

02:09:26,110 --> 02:09:23,990

him and the other thing interesting

2700

02:09:30,220 --> 02:09:26,120

about McKinnon is that when his story

2701

02:09:32,140 --> 02:09:30,230

first broke in the early 2000s he was

2702

02:09:34,180 --> 02:09:32,150

known as the UFO hacker and what you

2703

02:09:34,899 --> 02:09:34,190

found in the in the media coverage as

2704

02:09:37,720 --> 02:09:34,909

years went

2705

02:09:38,950 --> 02:09:37,730

is the the UFO part just went away it

2706

02:09:40,990 --> 02:09:38,960

was really interesting how that whole

2707

02:09:42,700 --> 02:09:41,000

thing happened we obviously had a very

2708

02:09:46,990 --> 02:09:42,710

controlled media back then just as we do

2709

02:09:49,810 --> 02:09:47,000

now and they obviously agreed to just

2710

02:09:53,320 --> 02:09:49,820

downplay the whole UFO part of it yeah

2711

02:09:56,560 --> 02:09:53,330

he's he's legit and because of the way

2712

02:10:00,280 --> 02:09:56,570

that the government our government I

2713

02:10:04,780 --> 02:10:00,290

should say approached it Milland and the

2714

02:10:06,910 --> 02:10:04,790

UK its kind of ignored the UFO aspect of

2715

02:10:09,160 --> 02:10:06,920

it it was a health issue for them and

2716

02:10:12,010 --> 02:10:09,170

why he wasn't going to be extradited to

2717

02:10:14,430 --> 02:10:12,020

the United States the the the State

2718

02:10:18,669 --> 02:10:14,440

Department through everything they could

2719

02:10:20,649 --> 02:10:18,679

at the UK for a lots of different reason

2720

02:10:22,540 --> 02:10:20,659

one of them was a dollar figure like you

2721

02:10:24,100 --> 02:10:22,550

just said right yeah I mean the UK

2722

02:10:26,229 --> 02:10:24,110

government I'm just gonna say they

2723

02:10:28,689 --> 02:10:26,239

probably begin a rat's ass about him

2724

02:10:29,610 --> 02:10:28,699

actually if there had not been a public

2725

02:10:33,300 --> 02:10:29,620

outcry

2726
02:10:37,330 --> 02:10:33,310
so the fact is that Jeremy cannons case

2727
02:10:39,850 --> 02:10:37,340
became a cause celeb in the UK it got

2728
02:10:42,370 --> 02:10:39,860
out it would be interesting to track

2729
02:10:45,220 --> 02:10:42,380
like how that became what it did but it

2730
02:10:46,660 --> 02:10:45,230
did and and people in the United Kingdom

2731
02:10:49,419 --> 02:10:46,670
thought and you know what he's one of

2732
02:10:51,700 --> 02:10:49,429
ours and the US wants him for what for

2733
02:10:55,840 --> 02:10:51,710
looking for UFOs get out of here and so

2734
02:10:58,570 --> 02:10:55,850
it became a very public issue and the UK

2735
02:11:01,899 --> 02:10:58,580
government was really forced in a

2736
02:11:05,200 --> 02:11:01,909
position of having to defend him and and

2737
02:11:07,750 --> 02:11:05,210
they did and good for them and good for

2738
02:11:09,430 --> 02:11:07,760

Gary because although he's not allowed

2739

02:11:11,260 --> 02:11:09,440

to leave even England he can't go into

2740

02:11:13,750 --> 02:11:11,270

Scotland which is what he is he's

2741

02:11:15,850 --> 02:11:13,760

Scottish his father died in Scotland and

2742

02:11:17,110 --> 02:11:15,860

and Gary said to me like if he had set

2743

02:11:18,810 --> 02:11:17,120

one foot in Scotland he would have been

2744

02:11:22,209 --> 02:11:18,820

in danger being arrested and extradited

2745

02:11:25,959 --> 02:11:22,219

so he's he's free in England

2746

02:11:28,540 --> 02:11:25,969

nowhere else so if the our whistleblower

2747

02:11:33,520 --> 02:11:28,550

our our Snowden

2748

02:11:36,550 --> 02:11:33,530

actually happened would would you expect

2749

02:11:39,340 --> 02:11:36,560

the United States government to to go

2750

02:11:42,250 --> 02:11:39,350

out of their way to prosecute and

2751

02:11:44,649 --> 02:11:42,260

silence oh they have to go the other way

2752

02:11:47,770 --> 02:11:44,659

first what's that I would expect this

2753

02:11:48,430 --> 02:11:47,780

smear job first I think a lot of times

2754

02:11:50,680 --> 02:11:48,440

you know

2755

02:11:55,840 --> 02:11:50,690

smear and deception has really become

2756

02:11:58,000 --> 02:11:55,850

much more effective than then killing

2757

02:12:01,030 --> 02:11:58,010

someone and in that type of thing I

2758

02:12:02,890 --> 02:12:01,040

think you know that's that's the way it

2759

02:12:05,290 --> 02:12:02,900

works now and in fact Snowden is one of

2760

02:12:06,790 --> 02:12:05,300

the reasons that we we see this and you

2761

02:12:10,330 --> 02:12:06,800

know part of his revelations that came

2762

02:12:13,660 --> 02:12:10,340

out with pointing out how GCHQ that's

2763

02:12:15,310 --> 02:12:13,670

Britain's NSA how they do personal false

2764

02:12:17,650 --> 02:12:15,320

flags against people and they smear

2765

02:12:19,840 --> 02:12:17,660

individuals and destroy the reputation

2766

02:12:21,910 --> 02:12:19,850

and create fake victims of fake crimes

2767

02:12:23,709 --> 02:12:21,920

and all of that stuff that was one of

2768

02:12:26,380 --> 02:12:23,719

the things that came out so that's I

2769

02:12:29,709 --> 02:12:26,390

think a very effective means that as

2770

02:12:31,720 --> 02:12:29,719

well as controlling the media which you

2771

02:12:34,990 --> 02:12:31,730

know the mainstream corporate media is

2772

02:12:38,830 --> 02:12:35,000

is it's completely controlled you've got

2773

02:12:40,510 --> 02:12:38,840

a small group of alternative researchers

2774

02:12:44,979 --> 02:12:40,520

that are getting squeezed out more and

2775

02:12:48,370 --> 02:12:44,989

more every week and now Google and in

2776

02:12:50,110 --> 02:12:48,380

Facebook they're part of and you know

2777

02:12:51,280 --> 02:12:50,120

they're part of the legacy media now

2778

02:12:54,630 --> 02:12:51,290

they're part of the establishment me

2779

02:12:56,860 --> 02:12:54,640

they'd come right on in so they're I

2780

02:12:58,870 --> 02:12:56,870

guess so I'm saying is like when you

2781

02:13:01,620 --> 02:12:58,880

control the media and you have the

2782

02:13:04,870 --> 02:13:01,630

ability to smear and destroy reputations

2783

02:13:07,890 --> 02:13:04,880

that's often that's probably enough in

2784

02:13:11,080 --> 02:13:07,900

most cases and it's enough to scare off

2785

02:13:13,360 --> 02:13:11,090

independent researchers academics who

2786

02:13:15,880 --> 02:13:13,370

are basically not a very brave lot to

2787

02:13:20,080 --> 02:13:15,890

begin with like from going into this and

2788

02:13:21,880 --> 02:13:20,090

from touching this further if the tooth

2789

02:13:25,360 --> 02:13:21,890

too much toothpaste gets out of the tube

2790

02:13:28,840 --> 02:13:25,370

then then then we're in a new ballgame

2791

02:13:32,080 --> 02:13:28,850

yeah yeah that's my question I feel like

2792

02:13:34,750 --> 02:13:32,090

we're a half a tube out actually yeah I

2793

02:13:38,350 --> 02:13:34,760

feel pretty good about that but I think

2794

02:13:41,080 --> 02:13:38,360

the cap has been put on back onto the

2795

02:13:44,080 --> 02:13:41,090

tube where we were just cruising along

2796

02:13:47,220 --> 02:13:44,090

look these Senate revelations over the

2797

02:13:50,290 --> 02:13:47,230

last week phenomenal fast radio bursts

2798

02:13:52,050 --> 02:13:50,300

phenomenal 20 billion rocky earths in

2799

02:13:54,580 --> 02:13:52,060

our Milky Way

2800

02:13:57,220 --> 02:13:54,590

probably littered with intelligent

2801
02:14:00,719 --> 02:13:57,230
civilizations and our quest for that the

2802
02:14:03,989 --> 02:14:00,729
the media has not stopped

2803
02:14:07,019 --> 02:14:03,999
alien news that part's been really cool

2804
02:14:10,889 --> 02:14:07,029
but we didn't we thought that we were in

2805
02:14:15,239 --> 02:14:10,899
real disclosure back in 2017 we're about

2806
02:14:17,099 --> 02:14:15,249
to roll into 2021 Richard oh you know

2807
02:14:19,139 --> 02:14:17,109
how do we keep the toothpaste coming out

2808
02:14:20,639 --> 02:14:19,149
a long period of time it's actually not

2809
02:14:23,579 --> 02:14:20,649
a long period of time and and I don't

2810
02:14:26,699 --> 02:14:23,589
think that the cap is back on so I think

2811
02:14:29,999 --> 02:14:26,709
that we can expect more and I it's not

2812
02:14:32,369 --> 02:14:30,009
like I've got inside info on on every

2813
02:14:33,989 --> 02:14:32,379

little thing that's going on but I do

2814

02:14:37,469 --> 02:14:33,999

know that there's a lot of researchers

2815

02:14:39,779 --> 02:14:37,479

who are still digging and a lot of them

2816

02:14:42,149 --> 02:14:39,789

are very optimistic no I think that

2817

02:14:46,499 --> 02:14:42,159

we've we can't expect more to come out I

2818

02:14:49,559 --> 02:14:46,509

do and I don't know how crucial it's

2819

02:14:50,759 --> 02:14:49,569

going to be but I think we're in and

2820

02:14:52,229 --> 02:14:50,769

this is something honestly I'm just

2821

02:14:53,539 --> 02:14:52,239

gonna say I predicted more than ten

2822

02:14:57,419 --> 02:14:53,549

years ago

2823

02:14:59,639 --> 02:14:57,429

might take looking at future Society

2824

02:15:03,149 --> 02:14:59,649

which is like our current society is

2825

02:15:04,889 --> 02:15:03,159

that we're moving into an era where too

2826
02:15:08,549 --> 02:15:04,899
much information is being shared and too

2827
02:15:14,699 --> 02:15:08,559
many points of leakage become possible

2828
02:15:17,909 --> 02:15:14,709
and what I predicted I guess I'd say is

2829
02:15:19,949 --> 02:15:17,919
that there would be a greater prevalence

2830
02:15:22,589 --> 02:15:19,959
of leaks and also a greater and greater

2831
02:15:25,679 --> 02:15:22,599
attempts to control those leaks through

2832
02:15:28,199 --> 02:15:25,689
consolidation of the narrative and in

2833
02:15:30,779 --> 02:15:28,209
fact sadly that is exactly what we are

2834
02:15:32,339 --> 02:15:30,789
seeing so we're seeing leaks coming out

2835
02:15:33,749 --> 02:15:32,349
we're seeing information coming out and

2836
02:15:40,649 --> 02:15:33,759
we're also seeing containment efforts

2837
02:15:43,019 --> 02:15:40,659
through well controlled media and if

2838
02:15:45,029 --> 02:15:43,029

things get to be bad enough I'm sure

2839

02:15:46,739 --> 02:15:45,039

we'll start seeing serious smear jobs

2840

02:15:50,159 --> 02:15:46,749

and the like but it doesn't mean that it

2841

02:15:53,009 --> 02:15:50,169

will they'll succeed like I don't I

2842

02:15:54,329 --> 02:15:53,019

don't know who you'd want to bet on but

2843

02:15:56,909 --> 02:15:54,339

I'm not gonna bet against the people on

2844

02:16:01,469 --> 02:15:56,919

this one I really think that we're in an

2845

02:16:03,479 --> 02:16:01,479

era where we're we're just about to

2846

02:16:06,029 --> 02:16:03,489

develop a critical mass maybe we already

2847

02:16:08,309 --> 02:16:06,039

have four years three years really it's

2848

02:16:11,909 --> 02:16:08,319

let's see December 2017 so it's actually

2849

02:16:13,260 --> 02:16:11,919

less than three years all right since

2850

02:16:15,990 --> 02:16:13,270

the New York Times and

2851
02:16:18,240 --> 02:16:16,000
go pieces came out in December of 2017

2852
02:16:21,330 --> 02:16:18,250
two and a half right years mm-hmm it's

2853
02:16:22,950 --> 02:16:21,340
not long we've seen a lot of change in

2854
02:16:26,490 --> 02:16:22,960
that period of time and I'm not saying

2855
02:16:29,190 --> 02:16:26,500
oh yeah disclosure but I do think we're

2856
02:16:32,850 --> 02:16:29,200
not done now we've got a lot of other

2857
02:16:36,299 --> 02:16:32,860
problems because the disclosure can

2858
02:16:39,780 --> 02:16:36,309
easily happen within the context of a

2859
02:16:41,820 --> 02:16:39,790
global totalitarian quasi what fascist

2860
02:16:43,919 --> 02:16:41,830
type of system I mean I'm gonna use a

2861
02:16:46,620 --> 02:16:43,929
term loosely here but in the sense of

2862
02:16:48,540 --> 02:16:46,630
total information control we're not yet

2863
02:16:51,930 --> 02:16:48,550

in a world where there is total

2864

02:16:52,680 --> 02:16:51,940

information control by the corporate /

2865

02:16:55,080 --> 02:16:52,690

political

2866

02:16:58,500 --> 02:16:55,090

/ intelligence establishment but we're

2867

02:17:02,009 --> 02:16:58,510

getting there that's the scary thing and

2868

02:17:05,640 --> 02:17:02,019

and I I speculated years and years ago

2869

02:17:12,030 --> 02:17:05,650

that we might just be unlucky enough to

2870

02:17:16,709 --> 02:17:12,040

have disclosure only when the global

2871

02:17:20,220 --> 02:17:16,719

narrative is secure enough that those

2872

02:17:22,169 --> 02:17:20,230

secret keepers can be confident that

2873

02:17:23,759 --> 02:17:22,179

they will be able to maintain control of

2874

02:17:27,709 --> 02:17:23,769

a narrative you know we've been dumbed

2875

02:17:29,549 --> 02:17:27,719

down like godlike education levels

2876

02:17:32,549 --> 02:17:29,559

particularly in terms of history are

2877

02:17:34,290 --> 02:17:32,559

just so low now it's horrible

2878

02:17:38,339 --> 02:17:34,300

I mean compared even when I was much

2879

02:17:42,570 --> 02:17:38,349

younger and I just there's it's really

2880

02:17:43,980 --> 02:17:42,580

easy to see how you could toxify a

2881

02:17:47,129 --> 02:17:43,990

population with bad food bad

2882

02:17:48,900 --> 02:17:47,139

entertainment stupid culture you know

2883

02:17:51,299 --> 02:17:48,910

all the other things are going on that

2884

02:17:55,910 --> 02:17:51,309

just dumb people down and make them

2885

02:17:58,560 --> 02:17:55,920

completely incapable of responding to

2886

02:18:00,690 --> 02:17:58,570

the challenge of this of this phenomenon

2887

02:18:02,220 --> 02:18:00,700

and so a disclosure can come out if you

2888

02:18:04,350 --> 02:18:02,230

have a whole mountain of evidence of

2889

02:18:05,970 --> 02:18:04,360

that actually exists and you do

2890

02:18:08,580 --> 02:18:05,980

disclosure just giving up one little

2891

02:18:11,879 --> 02:18:08,590

sliver of that mountain which I could

2892

02:18:14,820 --> 02:18:11,889

easily see happening right that that

2893

02:18:17,970 --> 02:18:14,830

would be ideal for them and you keep a

2894

02:18:19,440 --> 02:18:17,980

secret by pretending to share it if I'm

2895

02:18:21,180 --> 02:18:19,450

not mistaken that was an old saying of

2896

02:18:22,140 --> 02:18:21,190

Allen Dulles former director of the CIA

2897

02:18:26,340 --> 02:18:22,150

that's right

2898

02:18:28,830 --> 02:18:26,350

so that I can see that's

2899

02:18:30,930 --> 02:18:28,840

dangerous and it would be a very

2900

02:18:32,970 --> 02:18:30,940

unfortunate situation I don't know if

2901

02:18:35,520 --> 02:18:32,980

that's where we will end up but it may

2902

02:18:38,160 --> 02:18:35,530

not end up like that this is a foot race

2903

02:18:40,710 --> 02:18:38,170

between the people and the let's call

2904

02:18:41,880 --> 02:18:40,720

them the powers-that-be I guess and I

2905

02:18:43,560 --> 02:18:41,890

don't know who's gonna win that one like

2906

02:18:46,260 --> 02:18:43,570

in other words will they get to the

2907

02:18:50,610 --> 02:18:46,270

finish line first and and lock down the

2908

02:18:53,460 --> 02:18:50,620

whole global system perfectly or will we

2909

02:18:55,500 --> 02:18:53,470

get there first with a revelation a leak

2910

02:18:58,470 --> 02:18:55,510

or something that that they're not yet

2911

02:19:01,740 --> 02:18:58,480

ready or able to contain like that's

2912

02:19:04,230 --> 02:19:01,750

actually the real drama of our era in

2913

02:19:06,090 --> 02:19:04,240

terms of the UFO phenomenon we have a

2914

02:19:09,000 --> 02:19:06,100

lot of dramas going on but that's that's

2915

02:19:10,560 --> 02:19:09,010

our UFO drama and yeah I'm gonna say

2916

02:19:12,720 --> 02:19:10,570

like I called that one well more than

2917

02:19:14,430 --> 02:19:12,730

ten years ago I have old lectures where

2918

02:19:17,160 --> 02:19:14,440

I talked about this I can't remember how

2919

02:19:20,041 --> 02:19:17,170

far back but maybe oh six oh seven at

2920

02:19:22,260 --> 02:19:20,051

least and I think that that actually can

2921

02:19:26,010 --> 02:19:22,270

be true still today I think that we're

2922

02:19:28,650 --> 02:19:26,020

kind of seeing that play out interested

2923

02:19:33,030 --> 02:19:28,660

to see how it ends up the the three

2924

02:19:34,470 --> 02:19:33,040

videos which are all interesting there's

2925

02:19:38,100 --> 02:19:34,480

there's no question about that they're

2926
02:19:43,740 --> 02:19:38,110
interesting but what those three videos

2927
02:19:46,200 --> 02:19:43,750
are not is like the Patterson film all

2928
02:19:50,190 --> 02:19:46,210
right they're cool

2929
02:19:53,551 --> 02:19:50,200
they show something but they don't it's

2930
02:19:58,711 --> 02:19:53,561
it's you know it's not some up close and

2931
02:20:01,501 --> 02:19:58,721
personal shot of the sport model at area

2932
02:20:04,140 --> 02:20:01,511
51 and we're looking at rivets on the

2933
02:20:07,921 --> 02:20:04,150
seats of the craft that's not what those

2934
02:20:09,780 --> 02:20:07,931
videos are and and it's like you just

2935
02:20:14,940 --> 02:20:09,790
said it's been two and a half years is

2936
02:20:18,950 --> 02:20:14,950
there is there further cooperation with

2937
02:20:22,110 --> 02:20:18,960
the Pentagon and whether it's T TSA or

2938
02:20:25,140 --> 02:20:22,120

or the public in general the New York

2939

02:20:27,270 --> 02:20:25,150

Times and Leslie Cain is there is there

2940

02:20:31,980 --> 02:20:27,280

another step here with the Pentagon

2941

02:20:34,080 --> 02:20:31,990

where another video is released and and

2942

02:20:36,810 --> 02:20:34,090

is out there to be discussed for the

2943

02:20:40,470 --> 02:20:36,820

Senate for Capitol Hill

2944

02:20:43,261 --> 02:20:40,480

and and for security reasons and and it

2945

02:20:45,870 --> 02:20:43,271

is is there something else or is that

2946

02:20:48,180 --> 02:20:45,880

door completely closed because of the

2947

02:20:49,801 --> 02:20:48,190

way those three videos were handled yeah

2948

02:20:53,480 --> 02:20:49,811

it's quite possible that it's the latter

2949

02:20:57,001 --> 02:20:53,490

I don't know what's going on you know

2950

02:20:59,310 --> 02:20:57,011

you know if there's any attempt to get

2951
02:21:00,631 --> 02:20:59,320
more videos out what we what it looks

2952
02:21:04,560 --> 02:21:00,641
like I would I would like to interview

2953
02:21:06,240 --> 02:21:04,570
Lu Elizondo on this explicitly but the

2954
02:21:09,381 --> 02:21:06,250
various like the evidence that we have

2955
02:21:14,390 --> 02:21:09,391
of his emails back in 2017 where he was

2956
02:21:19,650 --> 02:21:14,400
working to get those videos Declassified

2957
02:21:21,150 --> 02:21:19,660
it looks to me that he was I wouldn't I

2958
02:21:22,591 --> 02:21:21,160
don't want to say deceptive I don't I

2959
02:21:28,580 --> 02:21:22,601
think that's going too far but he was

2960
02:21:31,560 --> 02:21:28,590
very clever in understating the

2961
02:21:34,801 --> 02:21:31,570
significance of those videos from a UFO

2962
02:21:37,461 --> 02:21:34,811
point of view certainly not by you know

2963
02:21:40,890 --> 02:21:37,471

didn't refer to them as UFOs or UAP even

2964

02:21:43,740 --> 02:21:40,900

and so and also had allies I mean that's

2965

02:21:46,291 --> 02:21:43,750

the thing like there's within the that

2966

02:21:49,020 --> 02:21:46,301

whole system he clearly has friends and

2967

02:21:50,940 --> 02:21:49,030

enemies but he had enough friends and

2968

02:21:53,881 --> 02:21:50,950

they were quiet enough and depth and and

2969

02:21:57,600 --> 02:21:53,891

and smart enough that those three videos

2970

02:21:58,950 --> 02:21:57,610

got Declassified and then obviously the

2971

02:22:00,900 --> 02:21:58,960

Pentagon and the neighbor were like how

2972

02:22:03,930 --> 02:22:00,910

the hell did those get out and they were

2973

02:22:06,660 --> 02:22:03,940

no it was Elizondo who released them not

2974

02:22:09,600 --> 02:22:06,670

the Navy but he released them legally

2975

02:22:11,761 --> 02:22:09,610

because he got them Declassified to him

2976

02:22:14,100 --> 02:22:11,771

so he was allowed to do that the Navy

2977

02:22:16,230 --> 02:22:14,110

didn't have to own up to those videos

2978

02:22:18,511 --> 02:22:16,240

and for a while they didn't and for a

2979

02:22:19,921 --> 02:22:18,521

while you have these skeptics like

2980

02:22:23,640 --> 02:22:19,931

saying all kinds of really foolish

2981

02:22:24,961 --> 02:22:23,650

things about the videos I go to hoax you

2982

02:22:26,820 --> 02:22:24,971

know they even hoax the audio and all

2983

02:22:30,091 --> 02:22:26,830

this nonsense none of that was true I

2984

02:22:32,580 --> 02:22:30,101

mean it just shows you how ideologically

2985

02:22:35,430 --> 02:22:32,590

driven some of these skeptics are you

2986

02:22:38,430 --> 02:22:35,440

know but back to Elizondo what I think

2987

02:22:40,440 --> 02:22:38,440

is and and back to the videos it's first

2988

02:22:41,970 --> 02:22:40,450

of all he has stated that there were

2989

02:22:44,551 --> 02:22:41,980

more than those three and that those

2990

02:22:47,070 --> 02:22:44,561

three actually were longer than they are

2991

02:22:47,820 --> 02:22:47,080

and that what he was able to get with

2992

02:22:51,660 --> 02:22:47,830

those

2993

02:22:54,060 --> 02:22:51,670

brief snippets that were cleared so

2994

02:22:57,060 --> 02:22:54,070

there's more to them and there were more

2995

02:22:59,700 --> 02:22:57,070

videos I don't know how many more

2996

02:23:00,680 --> 02:22:59,710

exactly but so there's more but are they

2997

02:23:03,270 --> 02:23:00,690

going to be released

2998

02:23:06,210 --> 02:23:03,280

I'm gonna guess probably not because I

2999

02:23:08,670 --> 02:23:06,220

think that people in control of those

3000

02:23:10,470 --> 02:23:08,680

videos like fool me once shame on you

3001
02:23:11,270 --> 02:23:10,480
fool me twice shame on me not that's not

3002
02:23:15,090 --> 02:23:11,280
gonna happen

3003
02:23:18,600 --> 02:23:15,100
now whether there are other avenues for

3004
02:23:20,880 --> 02:23:18,610
more videos to come and that's an open

3005
02:23:23,730 --> 02:23:20,890
question I don't know but I'm gonna

3006
02:23:25,500 --> 02:23:23,740
guess at those other ones I think he got

3007
02:23:29,160 --> 02:23:25,510
everything he was able to get and when

3008
02:23:33,570 --> 02:23:29,170
we all look back honestly I think we

3009
02:23:38,190 --> 02:23:33,580
should be extremely grateful to what he

3010
02:23:41,700 --> 02:23:38,200
did by getting those videos Declassified

3011
02:23:44,490 --> 02:23:41,710
we we actually all owe Lou Elizondo a

3012
02:23:48,180 --> 02:23:44,500
serious thanks that was not easy to do

3013
02:23:52,110 --> 02:23:48,190

but he was able to do it and there was a

3014

02:23:55,320 --> 02:23:52,120

backlash against him there was a lot of

3015

02:23:57,600 --> 02:23:55,330

public you know anger and a lot of

3016

02:23:59,190 --> 02:23:57,610

smearing against him I mean oh my god

3017

02:24:04,140 --> 02:23:59,200

the smear campaign against him was

3018

02:24:08,100 --> 02:24:04,150

shameful so yeah I think he did it

3019

02:24:10,110 --> 02:24:08,110

actually did a great thing and I would

3020

02:24:12,150 --> 02:24:10,120

like to see more of that and you know

3021

02:24:13,830 --> 02:24:12,160

the good news from our point of views we

3022

02:24:16,801 --> 02:24:13,840

were just saying like there are more

3023

02:24:20,040 --> 02:24:16,811

opportunities for information to come

3024

02:24:23,640 --> 02:24:20,050

out and I think that we are in an era

3025

02:24:26,610 --> 02:24:23,650

where is that old Elvis Costello song

3026

02:24:28,830 --> 02:24:26,620

accidents will happen and I think that

3027

02:24:32,520 --> 02:24:28,840

they will continue I think we're in an

3028

02:24:35,011 --> 02:24:32,530

era where a lot of accidents can happen

3029

02:24:36,080 --> 02:24:35,021

I want to thank you man happy birthday

3030

02:24:38,850 --> 02:24:36,090

by the way

3031

02:24:43,380 --> 02:24:38,860

thank you I feel great yeah great

3032

02:24:47,310 --> 02:24:43,390

conversation tonight and the the road

3033

02:24:53,190 --> 02:24:47,320

forward I'm not so sure Richard where we

3034

02:24:56,070 --> 02:24:53,200

are today and I want to stay excited I'm

3035

02:24:59,160 --> 02:24:56,080

gonna ride this out until you know until

3036

02:25:00,930 --> 02:24:59,170

I can't anymore I know that you're going

3037

02:25:04,041 --> 02:25:00,940

to do the same thing you know

3038

02:25:08,041 --> 02:25:04,051

I thought that we were on a faster track

3039

02:25:09,480 --> 02:25:08,051

and and I'm just actually are what one

3040

02:25:13,051 --> 02:25:09,490

thing we'll talk about the next time you

3041

02:25:16,921 --> 02:25:13,061

have me on sure I firmly believe that we

3042

02:25:18,900 --> 02:25:16,931

are moving into a new phase of human

3043

02:25:21,180 --> 02:25:18,910

existence I call it the fourth phase of

3044

02:25:23,700 --> 02:25:21,190

humanity you know we started as hunters

3045

02:25:25,650 --> 02:25:23,710

and gatherers for over two hundred

3046

02:25:27,360 --> 02:25:25,660

thousand years then we for about ten

3047

02:25:29,640 --> 02:25:27,370

thousand years were agriculturally based

3048

02:25:31,970 --> 02:25:29,650

you know we invented animal husbandry

3049

02:25:34,171 --> 02:25:31,980

and agriculture and sedentary

3050

02:25:35,610 --> 02:25:34,181

agriculture and developed cities and

3051
02:25:37,711 --> 02:25:35,620
things like that on that basis as well

3052
02:25:40,200 --> 02:25:37,721
and then in the last let's say three

3053
02:25:42,091 --> 02:25:40,210
centuries or so we developed a new form

3054
02:25:44,421 --> 02:25:42,101
of civilization essentially based

3055
02:25:47,070 --> 02:25:44,431
explicitly on science and tech and an

3056
02:25:49,020 --> 02:25:47,080
industry and capitalism where we really

3057
02:25:50,911 --> 02:25:49,030
reinvented the world completely

3058
02:25:53,581 --> 02:25:50,921
reinvented it and we're now moving into

3059
02:25:56,461 --> 02:25:53,591
a fourth phase each of the phases is

3060
02:25:58,560 --> 02:25:56,471
shorter and shorter and I don't have a

3061
02:26:00,661 --> 02:25:58,570
better name for that phase yet than the

3062
02:26:01,770 --> 02:26:00,671
transhumanist phase I think that's what

3063
02:26:03,780 --> 02:26:01,780

we're going to be moving into and

3064

02:26:04,560 --> 02:26:03,790

that'll include strong AI and it'll

3065

02:26:07,581 --> 02:26:04,570

include

3066

02:26:10,341 --> 02:26:07,591

total surveillance 5g implementation

3067

02:26:12,661 --> 02:26:10,351

complete loss of privacy of course and

3068

02:26:15,301 --> 02:26:12,671

lots and lots lots more that will

3069

02:26:16,740 --> 02:26:15,311

transform human civilization

3070

02:26:18,240 --> 02:26:16,750

fundamentally and we're looking at it

3071

02:26:20,850 --> 02:26:18,250

happen like in the blink of an eye

3072

02:26:24,661 --> 02:26:20,860

relatively speaking and the UFO

3073

02:26:27,841 --> 02:26:24,671

disclosure scenario or the UFO

3074

02:26:31,291 --> 02:26:27,851

phenomenon is happening in this greater

3075

02:26:32,791 --> 02:26:31,301

context that is important that is

3076

02:26:36,961 --> 02:26:32,801

significant so it's happening in the

3077

02:26:39,030 --> 02:26:36,971

context of massive civil civilizational

3078

02:26:42,331 --> 02:26:39,040

change not just cultural change it's

3079

02:26:45,541 --> 02:26:42,341

happening at a fundamental level well

3080

02:26:47,251 --> 02:26:45,551

and and and and what we're I would this

3081

02:26:49,801 --> 02:26:47,261

is this is kind of funny this is where

3082

02:26:53,671 --> 02:26:49,811

I'm going to agree with you but it's not

3083

02:27:00,211 --> 02:26:53,681

in the way that you would think and that

3084

02:27:06,020 --> 02:27:00,221

is and that is this I'm not so sure I

3085

02:27:10,200 --> 02:27:06,030

think that the the opera's been sung on

3086

02:27:12,360 --> 02:27:10,210

this version of disclosure I think is

3087

02:27:13,301 --> 02:27:12,370

kind of far as it's gonna go I'm talking

3088

02:27:18,370 --> 02:27:13,311

about

3089

02:27:23,470 --> 02:27:18,380

the Pentagon Navy pilots videos the

3090

02:27:26,261 --> 02:27:23,480

Senate you ApS that that that thing is

3091

02:27:29,291 --> 02:27:26,271

is is is it's it's coming to a

3092

02:27:32,381 --> 02:27:29,301

conclusion curtains being drawn where

3093

02:27:33,940 --> 02:27:32,391

it's going to come from is the element

3094

02:27:37,591 --> 02:27:33,950

that isn't in the government's control

3095

02:27:39,700 --> 02:27:37,601

which is Science and Technology

3096

02:27:44,551 --> 02:27:39,710

something is going to happen out there

3097

02:27:48,100 --> 02:27:44,561

whether it is the the picking up of

3098

02:27:50,680 --> 02:27:48,110

communications the sighting of something

3099

02:27:53,591 --> 02:27:50,690

on a distant star traveling to a planet

3100

02:27:56,921 --> 02:27:53,601

some kind of what is something Dyson

3101
02:27:58,900 --> 02:27:56,931
Sphere something like that is going to

3102
02:28:02,770 --> 02:27:58,910
be completely out of their control

3103
02:28:06,160 --> 02:28:02,780
and it is going to be disclosed via

3104
02:28:09,280 --> 02:28:06,170
science because science wants to know if

3105
02:28:10,541 --> 02:28:09,290
there is life out there you and I want

3106
02:28:15,551 --> 02:28:10,551
to know if there's life out there for

3107
02:28:19,320 --> 02:28:15,561
sure but it's a whole nother matter of a

3108
02:28:23,110 --> 02:28:19,330
global network of radio telescopes and

3109
02:28:24,820 --> 02:28:23,120
astronomers and an astrophysicists out

3110
02:28:27,581 --> 02:28:24,830
there trying to figure out what's going

3111
02:28:28,541 --> 02:28:27,591
on they want those answers and I think

3112
02:28:30,120 --> 02:28:28,551
that's entirely possible

3113
02:28:31,810 --> 02:28:30,130

I think what you're saying actually is

3114

02:28:35,560 --> 02:28:31,820

that makes sense

3115

02:28:38,440 --> 02:28:35,570

that it's not going to be a political or

3116

02:28:40,301 --> 02:28:38,450

cultural phenomenon but it could be an

3117

02:28:42,190 --> 02:28:40,311

inevitability of the progression of our

3118

02:28:44,081 --> 02:28:42,200

scientific knowledge that's right that's

3119

02:28:46,421 --> 02:28:44,091

right and it at a certain point it's

3120

02:28:49,150 --> 02:28:46,431

just it it can't be stopped

3121

02:28:51,220 --> 02:28:49,160

look no secret lasts forever every

3122

02:28:53,530 --> 02:28:51,230

secrets got an expiration date sorry got

3123

02:28:55,841 --> 02:28:53,540

a shelf-life and this one's getting

3124

02:28:59,100 --> 02:28:55,851

stale it's getting old and smelly it

3125

02:29:01,030 --> 02:28:59,110

can't it's not gonna last much longer

3126

02:29:02,620 --> 02:29:01,040

something's gonna take it down that's

3127

02:29:04,780 --> 02:29:02,630

right that's right I think the curtains

3128

02:29:09,910 --> 02:29:04,790

drawn I'm okay with that the science

3129

02:29:11,620 --> 02:29:09,920

part of it is so exciting to me and what

3130

02:29:13,870 --> 02:29:11,630

what a great time if you're an

3131

02:29:16,421 --> 02:29:13,880

astronomer if you're you know what if I

3132

02:29:19,480 --> 02:29:16,431

could back up 20 years and change course

3133

02:29:21,610 --> 02:29:19,490

of my life I would be an astronomer I'd

3134

02:29:24,070 --> 02:29:21,620

be an astrophysicist I'd be out there

3135

02:29:26,240 --> 02:29:24,080

discovering exoplanets because you can

3136

02:29:28,429 --> 02:29:26,250

do it every night of the week

3137

02:29:31,580 --> 02:29:28,439

that's cool but hey the action is not

3138

02:29:35,660 --> 02:29:31,590

out there action is down here

3139

02:29:38,840 --> 02:29:35,670

it's a Rochester man hey listen thank

3140

02:29:40,370 --> 02:29:38,850

you so much and I look forward to the

3141

02:29:43,400 --> 02:29:40,380

next time I don't know when we're gonna

3142

02:29:45,679 --> 02:29:43,410

see each other England just got blown

3143

02:29:47,950 --> 02:29:45,689

out for us we had great plans for

3144

02:29:50,599 --> 02:29:47,960

hanging out at Manchester

3145

02:29:53,660 --> 02:29:50,609

the rest of them in an upside-down world

3146

02:29:55,849 --> 02:29:53,670

know we are we're in bizarro world down

3147

02:29:57,830 --> 02:29:55,859

yeah thank you so much Richard it will

3148

02:30:00,820 --> 02:29:57,840

happen we will get we will get together

3149

02:30:03,229 --> 02:30:00,830

my best ur Traci thank you so much and

3150

02:30:06,170 --> 02:30:03,239

I'll give you call over the weekend and

3151

02:30:07,400 --> 02:30:06,180

we'll have another great fight it's been

3152

02:30:10,130 --> 02:30:07,410

my pleasure my man that's what I'm

3153

02:30:12,080 --> 02:30:10,140

talking about thank you Richard Dolan

3154

02:30:16,550 --> 02:30:12,090

Richard bleep ago happy birthday Richard

3155

02:30:18,920 --> 02:30:16,560

behave and be well man this is fade to

3156

02:30:22,400 --> 02:30:18,930

black I am your host Jimmy Church what a

3157

02:30:24,170 --> 02:30:22,410

great conversation tonight and you know

3158

02:30:27,170 --> 02:30:24,180

what Richard still on the line he

3159

02:30:28,849 --> 02:30:27,180

doesn't realize it but I got an extra 20

3160

02:30:30,679 --> 02:30:28,859

minutes out of him tonight and didn't

3161

02:30:32,990 --> 02:30:30,689

have to ask for it thank you so much

3162

02:30:34,519 --> 02:30:33,000

richer behave and be well I'll be right

3163

02:30:36,020 --> 02:30:34,529

back after this short commercial break

3164

02:30:55,480 --> 02:30:36,030

stay with us

3165

02:30:58,640 --> 02:30:55,490

[Music]

3166

02:31:04,070 --> 02:30:58,650

and you are listen to my boy Jimmy

3167

02:31:07,340 --> 02:31:04,080

Church Oh Jimmy Church radio.com this my

3168

02:31:15,261 --> 02:31:07,350

popular opinion reading a book will not

3169

02:31:17,840 --> 02:31:15,271

make you smarter this is Jimmy Church of

3170

02:31:20,990 --> 02:31:17,850

fade to black and I take life change tea

3171

02:31:24,020 --> 02:31:21,000

supplements every single day it's what I

3172

02:31:29,660 --> 02:31:24,030

do click on their banner at Jimmy Church

3173

02:31:31,850 --> 02:31:29,670

radio.com when you take the beams from

3174

02:31:34,430 --> 02:31:31,860

Central America with dashes of

3175

02:31:36,830 --> 02:31:34,440

indonesian and african mixed in and then

3176

02:31:39,680 --> 02:31:36,840

roasted to the dark side of fade to

3177

02:31:42,830 --> 02:31:39,690

black you create the ultimate brew of

3178

02:31:46,610 --> 02:31:42,840

fringe introducing the fade to black

3179

02:31:49,190 --> 02:31:46,620

blend from river moon coffee yes river

3180

02:31:51,970 --> 02:31:49,200

moon's darkest customized roast was

3181

02:31:55,190 --> 02:31:51,980

created for the love of fade to black

3182

02:31:57,890 --> 02:31:55,200

the alchemy of masterful roasting and

3183

02:32:01,460 --> 02:31:57,900

smoking the beans is in every sip of

3184

02:32:04,460 --> 02:32:01,470

this full-bodied dark Java I need my

3185

02:32:06,800 --> 02:32:04,470

coffee dog deep with distinct

3186

02:32:09,530 --> 02:32:06,810

bittersweet chocolate highlights just

3187

02:32:11,960 --> 02:32:09,540

like the bunker leaning further into the

3188

02:32:15,230 --> 02:32:11,970

darkness of the roast is fade to black

3189

02:32:16,910 --> 02:32:15,240

blend from river moon coffee just click

3190

02:32:21,170 --> 02:32:16,920

on the banner at Jimmy Church radio.com

3191

02:32:26,940 --> 02:32:21,180

and use the promo code f2b blend for 15%

3192

02:32:30,330 --> 02:32:28,679

hello my name is Billy Carson and I'm a

3193

02:32:32,340 --> 02:32:30,340

best-selling author and the founder of

3194

02:32:34,110 --> 02:32:32,350

before bid and knowledge TV together

3195

02:32:36,660 --> 02:32:34,120

with my team we have built a all new

3196

02:32:38,580 --> 02:32:36,670

conscious TV TV platform designed with

3197

02:32:40,050 --> 02:32:38,590

every family member in mind if you have

3198

02:32:41,760 --> 02:32:40,060

ever wanted to travel the world and

3199

02:32:43,650 --> 02:32:41,770

attend lectures and workshops from your

3200

02:32:44,400 --> 02:32:43,660

favorite speakers we were able to look

3201

02:32:47,130 --> 02:32:44,410

no further

3202

02:32:49,020 --> 02:32:47,140

forbidden knowledge dot TV there are

3203

02:32:50,880 --> 02:32:49,030

dozens of workshops and lectures from

3204

02:32:52,980 --> 02:32:50,890

speakers we know and love we have also

3205

02:32:54,840 --> 02:32:52,990

included amazing categories to ensure

3206

02:32:57,300 --> 02:32:54,850

that your consciousness is entertained

3207

02:32:58,800 --> 02:32:57,310

and elevating on a daily basis amazing

3208

TV that's forbidden nones with the

3217

02:33:21,780 --> 02:33:18,400

number 4 forbidden knowledge

3218

02:33:25,560 --> 02:33:21,790

TV again visit forbidden knowledge TV

3219

02:33:28,200 --> 02:33:25,570

today are you intrigued by paranormal

3220

02:33:31,860 --> 02:33:28,210

talk radio you love the new paranormal

3221

02:33:33,600 --> 02:33:31,870

radio app from torque stream live you'll

3222

02:33:36,750 --> 02:33:33,610

find a great selection of talk shows

3223

02:33:39,450 --> 02:33:36,760

covering UFOs ghosts strange phenomena

3224

02:33:41,670 --> 02:33:39,460

and much more download the paranormal

3225

02:33:43,380 --> 02:33:41,680

radio app now and start listening to the

3226

02:33:45,390 --> 02:33:43,390

very best in paranormal talk

3227

02:33:47,160 --> 02:33:45,400

entertainment including the network

3228

02:33:50,070 --> 02:33:47,170

you're listening to right now the

3229

02:33:59,609 --> 02:33:50,080

paranormal radio app free in Google Play

3230

02:34:04,630 --> 02:34:03,309

it's not a lifestyle we chose we were

3231

02:34:15,699 --> 02:34:04,640

born this way

3232

02:34:23,310 --> 02:34:15,709

KCRA radio.com this is KJ cr2 research

3233

02:34:23,320 --> 02:34:27,610

[Music]

3234

02:34:27,620 --> 02:34:30,820

[Applause]

3235

02:34:37,280 --> 02:34:34,130

welcome back fade to black had to get

3236

02:34:40,280 --> 02:34:37,290

that last commercial run in it's paying

3237

02:34:42,320 --> 02:34:40,290

the bills we want to thank Richard Dolan

3238

02:34:45,620 --> 02:34:42,330

tonight what a great conversation one

3239

02:34:47,630 --> 02:34:45,630

hold a bowl and yeah I skip the

3240

02:34:50,210 --> 02:34:47,640

commercial at the bottom of the hour we

3241

02:34:54,110 --> 02:34:50,220

were too too deep into the conversation

3242

02:34:55,940 --> 02:34:54,120

where it couldn't end and and he knew

3243

02:34:59,170 --> 02:34:55,950

that I want to thank Richard for hanging

3244

02:35:01,670 --> 02:34:59,180

on and giving us that extra half hour of

3245

02:35:05,450 --> 02:35:01,680

conversation I want to say this I've got

3246

02:35:07,370 --> 02:35:05,460

a minute left and I wanted to say that

3247

02:35:09,620 --> 02:35:07,380

this is the thing I wanted to say this

3248

02:35:13,309 --> 02:35:09,630

with Richard it just got away from me

3249

02:35:16,929 --> 02:35:13,319

but I want to say this now power the

3250

02:35:24,410 --> 02:35:16,939

power of suggestion with anything is

3251
02:35:32,150 --> 02:35:24,420
strong and I often wonder if those three

3252
02:35:35,450 --> 02:35:32,160
videos if the suggestion that they were

3253
02:35:38,559 --> 02:35:35,460
ET and ufo-related if that wasn't out

3254
02:35:45,410 --> 02:35:38,569
there and the world saw those videos

3255
02:35:49,400 --> 02:35:45,420
would they see something else or is it

3256
02:35:52,389 --> 02:35:49,410
just you know whatever see that's the

3257
02:35:55,309 --> 02:35:52,399
thing with the videos which is what I

3258
02:35:57,440 --> 02:35:55,319
suggested to Richard if another video

3259
02:36:00,099 --> 02:35:57,450
comes out I mean like the Patterson film

3260
02:36:03,250 --> 02:36:00,109
and we have something where it clearly

3261
02:36:07,849 --> 02:36:03,260
there is something there I think we're

3262
02:36:10,519 --> 02:36:07,859
we're into another not only situation

3263
02:36:12,950 --> 02:36:10,529

but something that we would be able to

3264

02:36:15,469 --> 02:36:12,960

especially as a UFO community feel

3265

02:36:18,650 --> 02:36:15,479

pretty good or we could back up and go

3266

02:36:24,290 --> 02:36:18,660

now that is interesting you know the

3267

02:36:26,750 --> 02:36:24,300

three videos were only interesting

3268

02:36:30,920 --> 02:36:26,760

because we were told they had a UFO

3269

02:36:34,219 --> 02:36:30,930

component to them and we made them et we

3270

02:36:37,099 --> 02:36:34,229

made them a UFO video we because of the

3271

02:36:39,200 --> 02:36:37,109

powers of suggestion and that's where

3272

02:36:40,760 --> 02:36:39,210

I'm at with it you know because my

3273

02:36:41,840 --> 02:36:40,770

excitement in the videos in the

3274

02:36:45,019 --> 02:36:41,850

beginning because it was

3275

02:36:47,540 --> 02:36:45,029

UFOs and that's whatever and I watched

3276

02:36:48,979 --> 02:36:47,550

him and I had that planet in my mind I

3277

02:36:54,790 --> 02:36:48,989

went with it

3278

02:36:57,710 --> 02:36:54,800

the more that I look at them today now

3279

02:37:01,849 --> 02:36:57,720

now we need a reset or the curtain is

3280

02:37:04,849 --> 02:37:01,859

drawn the end you know as far as that

3281

02:37:07,460 --> 02:37:04,859

part I think we've pushed it as far as

3282

02:37:09,859 --> 02:37:07,470

we can go and that's where I'm at

3283

02:37:10,939 --> 02:37:09,869

and with that thank you Richard what a

3284

02:37:15,050 --> 02:37:10,949

great show tonight

3285

02:37:17,809 --> 02:37:15,060

it is World UFO today a world UFO day

3286

02:37:19,849 --> 02:37:17,819

and I want to say happy UFO day to

3287

02:37:21,590 --> 02:37:19,859

everybody this is fade to black I am

3288

02:37:23,899 --> 02:37:21,600

your host Jimmy Church I want everybody

3289

02:37:25,939 --> 02:37:23,909

to have a great safe fun and amazing

3290

02:37:27,679 --> 02:37:25,949

weekend fade to black the executive

3291

02:37:29,479 --> 02:37:27,689

producer is Rita Kumari on shows

3292

02:37:31,969 --> 02:37:29,489

produced by whom J Palmer Nate Dennison

3293

02:37:34,280 --> 02:37:31,979

Kevin announcers our Steve Hart or gene

3294

02:37:37,070 --> 02:37:34,290

Vitolo mark D Cove our webmaster is drew

3295

02:37:40,189 --> 02:37:37,080

the geek music doug aldrich intro space

3296

02:37:45,550 --> 02:37:40,199

boys space boy music comm beta black is

3297

02:37:49,939 --> 02:37:48,559

this is podcast on the copyright of 2020

3298

02:37:52,389 --> 02:37:49,949

by paid to block of the game-changer

3299

02:37:54,740 --> 02:37:52,399

Network Inc a cannot be rebroadcast

3300

02:37:56,479 --> 02:37:54,750

downloaded copied or used anywhere in

3301

02:37:58,219 --> 02:37:56,489

the known universe without written

3302

02:38:00,559 --> 02:37:58,229

permission from beta block of the game

3303

02:38:03,290 --> 02:38:00,569

change of network I'll see everybody on

3304

02:38:06,290 --> 02:38:03,300

Saturday over at coast to coast am my

3305

02:38:10,010 --> 02:38:06,300

guest is Scott Wolter I'll see you guys

3306

02:38:12,150 --> 02:38:10,020

there but until then be safe

3307

02:38:29,810 --> 02:38:12,160

and go back Lee tappy
