1
00:00:06,190 --> 00:00:02,810
did you go away in the public because we

2
00:00:09,770 --> 00:00:06,200
had friends you know from aerospace

3
00:00:12,499 --> 00:00:09,780
industry and friends from everywhere

4
00:00:14,749 --> 00:00:12,509
scientists that wanted to study and the

5
00:00:16,760 --> 00:00:14,759
deal was stay away from the UFO world

6
00:00:19,519 --> 00:00:16,770
stay away from the public we want to

7
00:00:22,130 --> 00:00:19,529
work with you see what's going on and so

8
00:00:24,050 --> 00:00:22,140
I just was so happy to be out of the

9
00:00:26,779 --> 00:00:24,060
public I didn't ever want to speak about

10
00:00:30,259 --> 00:00:26,789
it again these people were helping my

11
00:00:33,860 --> 00:00:30,269
children understand and cope with school

12
00:00:36,880 --> 00:00:33,870
and made us feel special and I mean I

13
00:00:42,650 --> 00:00:36,890

just want to thank these folks and so

14

00:00:45,290 --> 00:00:42,660

along about Easter that that night I had

15

00:00:47,750 --> 00:00:45,300

this experience and she said you know

16

00:00:50,720 --> 00:00:47,760

I'm here this is your burden you must

17

00:00:52,580 --> 00:00:50,730

bear and that meant that I was told from

18

00:00:56,180 --> 00:00:52,590

the beginning I had to tell this story

19

00:00:58,610 --> 00:00:56,190

what I knew how I understood it what

20

00:01:02,930 --> 00:00:58,620

happened and that's all they ever wanted

21

00:01:05,420 --> 00:01:02,940

me to tell it so after she came I knew

22

00:01:07,640 --> 00:01:05,430

that was it I had to tell and I was

23

00:01:11,090 --> 00:01:07,650

really willing to tell it but what I

24

00:01:14,510 --> 00:01:11,100

didn't know is dr. Pugh salka which is a

25

00:01:20,359 --> 00:01:14,520

very smart individual I'm telling you

26

00:01:24,440 --> 00:01:20,369

she's she's a genius I would say we just

27

00:01:27,920 --> 00:01:24,450

think a lot of her she she came she had

28

00:01:32,020 --> 00:01:27,930

approached MOOC on early on because in

29

00:01:37,630 --> 00:01:32,030

her religious studies she's very very

30

00:01:41,630 --> 00:01:37,640

well known and people within the Vatican

31

00:01:42,649 --> 00:01:41,640

she went to Berkeley she just you just

32

00:01:45,679 --> 00:01:42,659

study who she is

33

00:01:49,639 --> 00:01:45,689

I mean she's she was like somebody that

34

00:01:51,889 --> 00:01:49,649

could help me with answers but she was

35

00:01:54,170 --> 00:01:51,899

studied she approached MUFON and said I

36

00:01:57,020 --> 00:01:54,180

want to I want to talk to people that

37

00:01:58,280 --> 00:01:57,030

reported angelic encounters they say

38

00:02:00,920 --> 00:01:58,290

well there's a guy right down the street

39

00:02:03,649 --> 00:02:00,930

from you a couple of hours away hour and

40

00:02:08,300 --> 00:02:03,659

a half away that that so they lined it

41

00:02:10,339 --> 00:02:08,310

up they called me and said we have this

42

00:02:14,580 --> 00:02:10,349

person we want you to meet would you be

43

00:02:19,470 --> 00:02:14,590

willing to talk and in two weeks

44

00:02:22,650 --> 00:02:19,480

I was I was at a conference after the

45

00:02:26,040 --> 00:02:22,660

lady come I'm in six hours away I drove

46

00:02:29,340 --> 00:02:26,050

six hours with my youngest son Ryan to

47

00:02:33,180 --> 00:02:29,350

meet this professor and to tell the

48

00:02:36,270 --> 00:02:33,190

story and so I started telling it about

49

00:02:38,100 --> 00:02:36,280

the lady as all I wanted to talk about

50

00:02:41,430 --> 00:02:38,110

because he had just happened two weeks

51
00:02:43,650 --> 00:02:41,440
before I would have never met her if it

52
00:02:47,550 --> 00:02:43,660
hadn't have been for this encounter with

53
00:02:51,690 --> 00:02:47,560
this lady she arranged it so let's fast

54
00:02:53,250 --> 00:02:51,700
forward to June after I didn't even meet

55
00:02:56,820 --> 00:02:53,260
her really that night I just met her

56
00:02:59,880 --> 00:02:56,830
husband and we talked very nice and she

57
00:03:02,610 --> 00:02:59,890
stayed away arm's length away never

58
00:03:05,040 --> 00:03:02,620
spoke to me other than a nod so long

59
00:03:07,200 --> 00:03:05,050
about June Jill I get a call from MUFON

60
00:03:08,910 --> 00:03:07,210
again would you come speak or come to

61
00:03:11,310 --> 00:03:08,920
Wellington we don't want you to speak

62
00:03:14,010 --> 00:03:11,320
the dr. Priscilla is gonna be there we

63
00:03:16,380 --> 00:03:14,020

want you to she wants to spend a few

64

00:03:19,110 --> 00:03:16,390

minutes with you so I drove down Ryan

65

00:03:21,690 --> 00:03:19,120

and I again we go to dinner that evening

66

00:03:23,430 --> 00:03:21,700

the whole group and then we go out on

67

00:03:24,300 --> 00:03:23,440

the beach that night and Diana and I

68

00:03:27,390 --> 00:03:24,310

move down the beach

69

00:03:29,340 --> 00:03:27,400

about 20 or 30 yards from the group they

70

00:03:36,830 --> 00:03:29,350

were sky watching then we began to talk

71

00:03:39,540 --> 00:03:36,840

and she had she just had a big

72

00:03:45,870 --> 00:03:39,550

experience in her life during that time

73

00:03:48,650 --> 00:03:45,880

that that made her be where she is today

74

00:03:54,750 --> 00:03:48,660

you're talking about in a bazooka

75

00:03:57,870 --> 00:03:54,760

yes okay gotcha so here comes the

76
00:03:59,940 --> 00:03:57,880
October and Diana Claus and we've been

77
00:04:01,620 --> 00:03:59,950
talking a little bit from we never

78
00:04:03,210 --> 00:04:01,630
talked from the first time I met her

79
00:04:04,590 --> 00:04:03,220
till June or July and then we talked

80
00:04:07,500 --> 00:04:04,600
some from there too

81
00:04:15,360 --> 00:04:07,510
like very good study partners now we're

82
00:04:19,229 --> 00:04:15,370
getting into it so she calls me and says

83
00:04:23,580 --> 00:04:19,239
Chris I'm here moment inand I'm working

84
00:04:25,020 --> 00:04:23,590
on a television project a movie called

85
00:04:28,680 --> 00:04:25,030
the conjuring very

86
00:04:32,190 --> 00:04:28,690
prominent Horesh she said I'm just being

87
00:04:36,030 --> 00:04:32,200
led to to introduce you to these guys

88
00:04:39,030 --> 00:04:36,040

they want to meet you and I'm like Diana

89

00:04:41,010 --> 00:04:39,040

it would take a miracle for me to meet

90

00:04:43,230 --> 00:04:41,020

anybody in the television industry just

91

00:04:46,290 --> 00:04:43,240

three and a half years ago my life was

92

00:04:48,720 --> 00:04:46,300

nearly destroyed because I went public

93

00:04:50,850 --> 00:04:48,730

and I'd promised myself I'd I said tell

94

00:04:53,520 --> 00:04:50,860

you what I'm I'm gonna asked for a sign

95

00:04:58,620 --> 00:04:53,530

because this lady told me she would

96

00:05:01,200 --> 00:04:58,630

always be there and she would help me to

97

00:05:05,909 --> 00:05:01,210

tell the world to tell my experience

98

00:05:07,590 --> 00:05:05,919

she said I'll guide you so come the this

99

00:05:11,150 --> 00:05:07,600

was like on a Monday when she calls me

100

00:05:13,350 --> 00:05:11,160

long about Thursday she caused me again

101
00:05:16,200 --> 00:05:13,360
called me a couple times that wait but

102
00:05:19,320 --> 00:05:16,210
she wrote me and she said or college she

103
00:05:21,720 --> 00:05:19,330
said have you gotten a sign yet I said

104
00:05:23,520 --> 00:05:21,730
no don't go sign I'm sorry

105
00:05:25,110 --> 00:05:23,530
she said well these guys are leaving

106
00:05:27,780 --> 00:05:25,120
Saturday they're going back to

107
00:05:29,550 --> 00:05:27,790
California and I really wanted you to

108
00:05:33,540 --> 00:05:29,560
meet him I said I'm sorry but I haven't

109
00:05:34,440 --> 00:05:33,550
had a son so on Thursday night I walk

110
00:05:36,990 --> 00:05:34,450
out the back door

111
00:05:41,040 --> 00:05:37,000
this is when I quit smoking by the way

112
00:05:44,400 --> 00:05:41,050
he said 13th of October that brings to

113
00:05:47,190 --> 00:05:44,410

me the day my wife and I were watching

114

00:05:49,409 --> 00:05:47,200

television in my study and I said I'm

115

00:05:51,030 --> 00:05:49,419

gonna go out and smoke some pot pause

116

00:05:53,000 --> 00:05:51,040

the television walked out the back door

117

00:05:56,280 --> 00:05:53,010

had been raining for two days

118

00:06:00,690 --> 00:05:56,290

measured rainfall by an inch or more

119

00:06:03,630 --> 00:06:00,700

rain it was kind of grass was wet I'm

120

00:06:05,730 --> 00:06:03,640

out smoking just off the patio and here

121

00:06:07,440 --> 00:06:05,740

she comes out behind me and when she

122

00:06:10,170 --> 00:06:07,450

looks through the back door she hasn't

123

00:06:12,930 --> 00:06:10,180

even opened it yet these sparks about a

124

00:06:15,330 --> 00:06:12,940

hundred yards of 75 yards out behind our

125

00:06:19,469 --> 00:06:15,340

house back at the back of the property

126

00:06:21,300 --> 00:06:19,479

we see sparks come off this tree and it

127

00:06:23,700 --> 00:06:21,310

was really weird-looking little red

128

00:06:26,010 --> 00:06:23,710

sparks just went in different directions

129

00:06:28,290 --> 00:06:26,020

and she said open the door she said what

130

00:06:32,310 --> 00:06:28,300

in the world is going on with a tree I

131

00:06:33,890 --> 00:06:32,320

said I have no idea so it did it once or

132

00:06:36,480 --> 00:06:33,900

twice more and then all of a sudden

133

00:06:39,000 --> 00:06:36,490

right in front of she and I they rubbed

134

00:06:41,520 --> 00:06:39,010

it into flames 1012 feet

135

00:06:45,180 --> 00:06:41,530

was just bursted out of the side of this

136

00:06:47,220 --> 00:06:45,190

tree burning behind the air well she

137

00:06:50,220 --> 00:06:47,230

freaks out you can hear a voice in the

138

00:06:53,490 --> 00:06:50,230

video Ryan takes the video my mom and

139

00:06:56,730 --> 00:06:53,500

dad and everybody sees it I drag a hose

140

00:07:01,140 --> 00:06:56,740

way back there at a garden near the area

141

00:07:03,210 --> 00:07:01,150

so we had a [h__h] it out so I bring her a

142

00:07:05,970 --> 00:07:03,220

hose pipe it she personally puts this

143

00:07:07,800 --> 00:07:05,980

thing out sticks the hose up in the

144

00:07:11,760 --> 00:07:07,810

trees burned a hole in the side of it

145

00:07:15,000 --> 00:07:11,770

it's really hot and puts it out Ryan

146

00:07:17,070 --> 00:07:15,010

took video of it and putting it out this

147

00:07:19,710 --> 00:07:17,080

was at nine o'clock twelve o'clock that

148

00:07:23,580 --> 00:07:19,720

night everybody was so messed up about

149

00:07:25,380 --> 00:07:23,590

this thing she couldn't sleep so 12

150

00:07:26,760 --> 00:07:25,390

o'clock she looks out the back door we

151

00:07:32,400 --> 00:07:26,770

all do and now this thing's burning

152

00:07:34,560 --> 00:07:32,410

again self back in the plane so same

153

00:07:36,810 --> 00:07:34,570

process she goes out and puts it out

154

00:07:40,290 --> 00:07:36,820

again three o'clock in the morning it

155

00:07:42,330 --> 00:07:40,300

catches on fire the third time well

156

00:07:44,130 --> 00:07:42,340

anyhow the first time it caught a fire

157

00:07:46,230 --> 00:07:44,140

at nine o'clock that night as it's

158

00:07:54,170 --> 00:07:46,240

burning that text died and I said I got

159

00:08:03,210 --> 00:07:59,160

Chris and you're glossing over this just

160

00:08:05,340 --> 00:08:03,220

a bit okay and I respect that but let me

161

00:08:09,810 --> 00:08:05,350

back up here not from watching this

162

00:08:15,030 --> 00:08:09,820

video and and when Chris shot you

163

00:08:18,240 --> 00:08:15,040

couldn't see clearly in the video and I

164

00:08:21,270 --> 00:08:18,250

don't think I misinterpreted this the

165

00:08:27,060 --> 00:08:21,280

flames were coming from inside of the

166

00:08:30,870 --> 00:08:27,070

the tree it wasn't on the site this was

167

00:08:34,260 --> 00:08:30,880

self combusting it's like spontaneous

168

00:08:37,230 --> 00:08:34,270

tree combustion that is happening from

169

00:08:40,710 --> 00:08:37,240

inside of the tree and when you see

170

00:08:42,000 --> 00:08:40,720

something like that how proposing it

171

00:08:44,250 --> 00:08:42,010

down you're putting it out it's just

172

00:08:48,180 --> 00:08:44,260

rain for a couple of days everything is

173

00:08:49,920 --> 00:08:48,190

nothing catches on fire in in nature

174

00:08:51,430 --> 00:08:49,930

when things are going down like this but

175

00:08:55,480 --> 00:08:51,440

this tree

176

00:08:57,940 --> 00:08:55,490

is has decided to self combust

177

00:08:58,810 --> 00:08:57,950

internally what's going through your

178

00:09:00,880 --> 00:08:58,820

mind

179

00:09:03,610 --> 00:09:00,890

I love Chris's reaction on the video by

180

00:09:05,650 --> 00:09:03,620

the way I think his his reaction was

181

00:09:08,940 --> 00:09:05,660

pretty honest what's going through your

182

00:09:14,770 --> 00:09:08,950

mind because this is impossible

183

00:09:17,230 --> 00:09:14,780

right well that changed well it was kind

184

00:09:20,680 --> 00:09:17,240

of I didn't know what to think I just

185

00:09:23,410 --> 00:09:20,690

knew it was a sign because the lady told

186

00:09:25,420 --> 00:09:23,420

me I will help you if you'll do this

187

00:09:29,110 --> 00:09:25,430

I'll help you share with the world well

188

00:09:31,990 --> 00:09:29,120

let me tell you from the time she left

189

00:09:34,780 --> 00:09:32,000

from that point on is when I started

190

00:09:36,670 --> 00:09:34,790

taking all these videos for the first

191

00:09:39,040 --> 00:09:36,680

five years this stuff would be in my

192

00:09:41,260 --> 00:09:39,050

house or over top the kids were seeing

193

00:09:44,200 --> 00:09:41,270

it all others but as soon as I pull out

194

00:09:46,870 --> 00:09:44,210

a telephone or anything to shoot a

195

00:09:50,020 --> 00:09:46,880

picture with it would disappear one time

196

00:09:54,090 --> 00:09:50,030

at Friday camera but after that 2012

197

00:09:58,780 --> 00:09:54,100

event is when I started getting all this

198

00:10:02,710 --> 00:09:58,790

these videos and these and able to share

199

00:10:07,090 --> 00:10:02,720

it with people I mean as as little as

200

00:10:08,800 --> 00:10:07,100

last month a friend of mine he's become

201
00:10:11,710 --> 00:10:08,810
a very good friend now is dr. Bob

202
00:10:14,020 --> 00:10:11,720
McGuire from Virginia Tech called me or

203
00:10:16,840 --> 00:10:14,030
wrote me at Thanksgiving and said cannot

204
00:10:21,160 --> 00:10:16,850
come see I'd like to meet you my wife

205
00:10:23,560 --> 00:10:21,170
and I talked about doing some aerial

206
00:10:25,480 --> 00:10:23,570
tracking see if we can catch some of it

207
00:10:29,110 --> 00:10:25,490
I said sure we're talking about bombers

208
00:10:31,180 --> 00:10:29,120
from from the Hume Center at Virginia

209
00:10:36,430 --> 00:10:31,190
okay all right now you're in the big

210
00:10:38,560 --> 00:10:36,440
leagues so he comes out and right he

211
00:10:40,780 --> 00:10:38,570
writes me at Thanksgiving he comes out

212
00:10:44,770 --> 00:10:40,790
in January / second week of January I

213
00:10:47,230 --> 00:10:44,780

think and it was here on Friday it was

214

00:10:50,710 --> 00:10:47,240

he just got here on Friday so we spent a

215

00:10:52,450 --> 00:10:50,720

lot of time chatting and hidden his wife

216

00:10:54,880 --> 00:10:52,460

we all got to meet each other and it was

217

00:10:57,720 --> 00:10:54,890

cloudy and rainy and then Saturday at

218

00:11:00,850 --> 00:10:57,730

rain and Saturday night it rained and

219

00:11:03,490 --> 00:11:00,860

we're just having a good time of

220

00:11:05,199 --> 00:11:03,500

conversation with Sunday night it

221

00:11:08,189 --> 00:11:05,209

started clearing up and got a

222

00:11:12,369 --> 00:11:08,199

beautiful sky we went out to eat and

223

00:11:17,499 --> 00:11:12,379

long about 8 or 8:30 I guess he would

224

00:11:20,199 --> 00:11:17,509

know we decided we can sky watch so we

225

00:11:22,989 --> 00:11:20,209

go out to my little man cave I have a

226

00:11:25,809 --> 00:11:22,999

little shop in the yard and I spent a

227

00:11:27,939 --> 00:11:25,819

lot of time and just we walk we live on

228

00:11:29,799 --> 00:11:27,949

a cabin on a pond and his private back

229

00:11:32,319 --> 00:11:29,809

in here sewed them back into the pond

230

00:11:35,829 --> 00:11:32,329

it's darker so we walked towards that

231

00:11:41,049 --> 00:11:35,839

way and I just looked up at the heavens

232

00:11:43,629 --> 00:11:41,059

and I asked them I need a sign if I'm

233

00:11:46,449 --> 00:11:43,639

supposed to allow dr. McGuire to work

234

00:11:49,629 --> 00:11:46,459

with me and try to capture some of this

235

00:11:52,299 --> 00:11:49,639

home you know and no longer than I said

236

00:11:55,150 --> 00:11:52,309

it right in front of him he heard me but

237

00:11:57,939 --> 00:11:55,160

then the minute it started appearing and

238

00:12:02,079 --> 00:11:57,949

it appeared for of an hour and he's

239

00:12:04,749 --> 00:12:02,089

already taught public about it and I

240

00:12:07,629 --> 00:12:04,759

mean it was really incredible that they

241

00:12:10,900 --> 00:12:07,639

were appearing in the trees orbs in the

242

00:12:13,179 --> 00:12:10,910

shooting through the trees and you know

243

00:12:18,669 --> 00:12:13,189

he'll tell the story but it changed his

244

00:12:23,489 --> 00:12:18,679

life and then his wife will let him tell

245

00:12:26,619 --> 00:12:23,499

this but she had had a stroke and was

246

00:12:29,619 --> 00:12:26,629

suffering from the consequences of that

247

00:12:32,019 --> 00:12:29,629

and when he goes home he starts having

248

00:12:34,059 --> 00:12:32,029

experiences over the next five or six

249

00:12:38,799 --> 00:12:34,069

days that were or two weeks that were

250

00:12:43,329 --> 00:12:38,809

just incredible and his wife is cysts

251
00:12:47,019 --> 00:12:43,339
being cured from her disability with

252
00:12:50,079 --> 00:12:47,029
this stroke and so you know this is what

253
00:12:52,499 --> 00:12:50,089
is going on through the years and I'll

254
00:12:56,139 --> 00:12:52,509
leave him to tell the rest of it but

255
00:12:59,769 --> 00:12:56,149
that's enough there when you add John

256
00:13:02,470 --> 00:12:59,779
Alexander and chase clusky and some

257
00:13:09,789 --> 00:13:02,480
folks from Raleigh they can all attest

258
00:13:12,579 --> 00:13:09,799
to this ongoing and it hears us and I've

259
00:13:15,819 --> 00:13:12,589
got some pretty amazing evidence to

260
00:13:17,170 --> 00:13:15,829
share some that can't be debunked let's

261
00:13:19,090 --> 00:13:17,180
put it that way sure

262
00:13:23,740 --> 00:13:19,100
yeah in the burning tree videos

263
00:13:26,950 --> 00:13:23,750

incredible and before we start to wind

264

00:13:35,560 --> 00:13:26,960

this down I've got less than ten minutes

265

00:13:40,230 --> 00:13:35,570

left now that do you think it's your

266

00:13:45,370 --> 00:13:40,240

property or do you think it's you right

267

00:13:49,840 --> 00:13:45,380

is this is this a geographical a

268

00:13:53,500 --> 00:13:49,850

situation that is attracting what is

269

00:13:56,590 --> 00:13:53,510

happening or do you think that it is

270

00:13:59,500 --> 00:13:56,600

because of you it's not the property I

271

00:14:03,400 --> 00:13:59,510

can I have plenty of people that were

272

00:14:09,760 --> 00:14:03,410

vouched for it like you know the our

273

00:14:12,690 --> 00:14:09,770

friend that introduced us Laurie she

274

00:14:16,120 --> 00:14:12,700

experienced it in Encinitas I flew out

275

00:14:18,550 --> 00:14:16,130

to meet with a bunch of folks and we

276

00:14:21,400 --> 00:14:18,560

walked right out on the the or we drove

277

00:14:24,910 --> 00:14:21,410

out on the Pacific Highway and right

278

00:14:26,440 --> 00:14:24,920

around Encinitas there I told her

279

00:14:28,900 --> 00:14:26,450

daughter she was going to experience

280

00:14:31,090 --> 00:14:28,910

this stuff I just knew she would that

281

00:14:34,480 --> 00:14:31,100

night and sure enough a few minutes

282

00:14:36,550 --> 00:14:34,490

later we were experiencing it closed up

283

00:14:40,030 --> 00:14:36,560

and it flew right over our head two of

284

00:14:43,900 --> 00:14:40,040

them a couple 300 feet above us and they

285

00:14:46,330 --> 00:14:43,910

joined together like one and just made

286

00:14:48,640 --> 00:14:46,340

one object and shot off to the south so

287

00:14:52,510 --> 00:14:48,650

it doesn't matter it's been here it's

288

00:14:56,380 --> 00:14:52,520

been on anywhere you know it's the same

289

00:14:59,140 --> 00:14:56,390

sky I look up in California and see the

290

00:15:02,950 --> 00:14:59,150

same stars that I see from my home and I

291

00:15:08,470 --> 00:15:02,960

just ask it to come and that listens it

292

00:15:12,130 --> 00:15:08,480

hears me answers this ask for signs I

293

00:15:14,860 --> 00:15:12,140

ask for answers and if they're the piers

294

00:15:18,340 --> 00:15:14,870

then that's a big yes if it doesn't

295

00:15:21,220 --> 00:15:18,350

appear then that's a big no you said to

296

00:15:24,310 --> 00:15:21,230

me earlier tonight I'm just gonna tell

297

00:15:26,410 --> 00:15:24,320

everybody so Chris and I are talking

298

00:15:27,780 --> 00:15:26,420

before the show tonight he goes Jimmy

299

00:15:30,840 --> 00:15:27,790

I'm just gonna let you know

300

00:15:35,819 --> 00:15:30,850

I asked everybody I said so what about

301
00:15:39,480 --> 00:15:35,829
this church guy and they said

302
00:15:42,720 --> 00:15:39,490
affirmative and that makes me that makes

303
00:15:44,879 --> 00:15:42,730
me feel pretty good actually I walked

304
00:15:49,439 --> 00:15:44,889
out an hour before the show and I looked

305
00:15:52,530 --> 00:15:49,449
up at the sky and I asked it that if it

306
00:15:56,189 --> 00:15:52,540
if it was gonna guide me and if it was

307
00:15:57,960 --> 00:15:56,199
what I'm supposed to do tonight and like

308
00:16:00,180 --> 00:15:57,970
I said don't do anything unless I get

309
00:16:03,329 --> 00:16:00,190
signs for it and it answered with the

310
00:16:05,550 --> 00:16:03,339
big glowing orange orb appeared and flew

311
00:16:10,050 --> 00:16:05,560
a piece and disappeared right in front

312
00:16:13,920 --> 00:16:10,060
of me so I knew that I'm in the right

313
00:16:17,939 --> 00:16:13,930

hands and and I appreciate that and and

314

00:16:20,250 --> 00:16:17,949

and so does the audience there's another

315

00:16:25,560 --> 00:16:20,260

part to this when you say it like that

316

00:16:29,490 --> 00:16:25,570

which is now we are getting into the

317

00:16:36,740 --> 00:16:29,500

zone of something spiritual possibly

318

00:16:39,900 --> 00:16:36,750

religious possibly extraterrestrial and

319

00:16:43,019 --> 00:16:39,910

this is where I stop Chris and go you

320

00:16:43,680 --> 00:16:43,029

know what just maybe it's all the same

321

00:16:47,910 --> 00:16:43,690

thing

322

00:16:51,780 --> 00:16:47,920

yeah right I agree 100% is that where

323

00:16:54,600 --> 00:16:51,790

you are today yes sir because the same

324

00:16:57,150 --> 00:16:54,610

orbs you see that I you know everybody

325

00:16:59,970 --> 00:16:57,160

says all he's into or absorbs and I've

326

00:17:02,579 --> 00:16:59,980

been saying orbs because that's what

327

00:17:06,919 --> 00:17:02,589

appeared in those seven but those same

328

00:17:09,720 --> 00:17:06,929

orbs in the daytime or shiny silver disc

329

00:17:13,439 --> 00:17:09,730

and I have a lot of photo at that and

330

00:17:15,750 --> 00:17:13,449

video as well they can be like a metal

331

00:17:19,530 --> 00:17:15,760

metallic object or they can be a big

332

00:17:24,140 --> 00:17:19,540

ball of glowing light so I think it's

333

00:17:27,030 --> 00:17:24,150

all in the same or including ghosts and

334

00:17:29,730 --> 00:17:27,040

you know I have a lot of orb photos of

335

00:17:32,970 --> 00:17:29,740

with people and I'm in dogs in them and

336

00:17:35,070 --> 00:17:32,980

animals in them so and I never could get

337

00:17:38,190 --> 00:17:35,080

any of that until the experience with

338

00:17:40,020 --> 00:17:38,200

the lady nothing I could not take a

339

00:17:41,400 --> 00:17:40,030

photo but after that the floodgates

340

00:17:43,950 --> 00:17:41,410

opened

341

00:17:48,180 --> 00:17:43,960

and then people like chase and her

342

00:17:50,990 --> 00:17:48,190

husband had an experience a major

343

00:17:54,480 --> 00:17:51,000

experience where we lost time then a

344

00:17:56,520 --> 00:17:54,490

scientist from Wake Forest University a

345

00:17:59,090 --> 00:17:56,530

government research scientist

346

00:18:01,380 --> 00:17:59,100

she and her assistant came and

347

00:18:03,390 --> 00:18:01,390

experienced two hours of missing time

348

00:18:06,690 --> 00:18:03,400

and she caught it on camera

349

00:18:08,970 --> 00:18:06,700

she caught audio video of an entity

350

00:18:11,820 --> 00:18:08,980

walking up to the tree

351

00:18:15,390 --> 00:18:11,830

a lot of stuff that I've just never

352

00:18:18,900 --> 00:18:15,400

shared but all these people shared it

353

00:18:21,930 --> 00:18:18,910

with me John Alexander his book reality

354

00:18:25,440 --> 00:18:21,940

denied he came here four five years ago

355

00:18:29,180 --> 00:18:25,450

and my daughter not and his wife

356

00:18:36,000 --> 00:18:29,190

Victoria we went down to the river and

357

00:18:38,070 --> 00:18:36,010

of almost the same time a night it was

358

00:18:42,210 --> 00:18:38,080

just after dark good and the stars came

359

00:18:45,030 --> 00:18:42,220

out and we were standing there against

360

00:18:47,820 --> 00:18:45,040

my car and Emily was in the backseat

361

00:18:50,400 --> 00:18:47,830

with her feet out the door and Victoria

362

00:18:52,230 --> 00:18:50,410

was in the passenger side backseat where

363

00:18:55,920 --> 00:18:52,240

her door closes she didn't get to see it

364

00:18:58,980 --> 00:18:55,930

but Emily saw it clear I'm standing

365

00:19:01,410 --> 00:18:58,990

there with John and all of a sudden I my

366

00:19:04,760 --> 00:19:01,420

hair stood up everywhere I felt it this

367

00:19:07,770 --> 00:19:04,770

this you for a [h__h] Harley breed and

368

00:19:09,690 --> 00:19:07,780

I said John is here it's right above us

369

00:19:12,870 --> 00:19:09,700

and about that time that that's the

370

00:19:16,470 --> 00:19:12,880

crickets even stopped chirping just

371

00:19:18,120 --> 00:19:16,480

completely stopped and ten seconds John

372

00:19:21,120 --> 00:19:18,130

will tell you ten seconds later it

373

00:19:23,220 --> 00:19:21,130

appeared above us and a big pulsating

374

00:19:25,170 --> 00:19:23,230

ball of light it didn't fly over it

375

00:19:28,200 --> 00:19:25,180

wasn't a satellite it was just not very

376

00:19:30,330 --> 00:19:28,210

high above us a thousand feet maybe

377

00:19:32,820 --> 00:19:30,340

above us but it appeared out of thin air

378

00:19:35,070 --> 00:19:32,830

and started pulsing very brightly and

379

00:19:38,420 --> 00:19:35,080

flew off in a hurry to the South and

380

00:19:43,740 --> 00:19:38,430

John put that in his book 2nd chapter

381

00:19:47,610 --> 00:19:43,750

reality denied so you know he's he's a

382

00:19:52,110 --> 00:19:47,620

pretty it pretty much changed his life

383

00:19:54,330 --> 00:19:52,120

that night too if he saw well not only

384

00:19:55,050 --> 00:19:54,340

do I want to thank you you never know

385

00:19:59,760 --> 00:19:55,060

386

00:20:03,750 --> 00:19:59,770

and as you mentioned Bob Maguire he just

387

00:20:05,730 --> 00:20:03,760

tweeted by the way so Bob is listing and

388

00:20:08,160 --> 00:20:05,740

he says it's not the property it follows

389

00:20:10,200 --> 00:20:08,170

Chris around and I said okay here comes

390

00:20:13,410 --> 00:20:10,210

a shout out to Bob so I tweeted that out

391

00:20:15,510 --> 00:20:13,420
