

A man with a goatee and dark hair, wearing a blue and grey baseball-style t-shirt and large black headphones, is smiling and looking towards the left. He is sitting at a desk in a recording studio. In front of him is a large black professional microphone on a boom arm. To his left, a computer monitor displays a software interface with various sliders and buttons. The background is filled with musical equipment and collectibles: several electric guitars (orange, white, and green) are mounted on the wall; a silver mannequin stands on a pedestal; a small Yoda figurine sits on the desk; and a white electric guitar is visible on the right. The lighting is dim, with a blue glow from the monitor and some ambient light from the room.

FADE to BLACK
