

FADE to BLACK

host: Jimmy Church : 747-228-2051

1
00:01:31,590 --> 00:01:29,030
bespoke radio

2
00:01:33,590 --> 00:01:31,600
for the masses headline additional july

3
00:01:35,350 --> 00:01:33,600
8th 1947

4
00:01:37,830 --> 00:01:35,360
the army air force's has announced that

5
00:01:39,990 --> 00:01:37,840
a flying bist has been found and is now

6
00:01:40,950 --> 00:01:40,000
in the possession of the army if the

7
00:01:44,310 --> 00:01:40,960
game is rigged

8
00:01:47,510 --> 00:01:44,320
change the game game changer

9
00:01:49,510 --> 00:01:47,520
i occasionally think how quickly our

10
00:01:52,550 --> 00:01:49,520
differences worldwide

11
00:01:53,270 --> 00:01:52,560
would vanish if we were facing an alien

12
00:01:59,749 --> 00:01:53,280
threat

13
00:02:03,670 --> 00:02:02,550

this is fade to black with your host

14

00:02:06,149 --> 00:02:03,680

jimmy church

15

00:02:07,190 --> 00:02:06,159

on the game changer radio network and

16

00:02:12,070 --> 00:02:07,200

kgra

17

00:02:21,110 --> 00:02:15,070

i need your help to get to the year

18

00:02:38,229 --> 00:02:23,110

you're listening to fate to flag with

19

00:02:47,670 --> 00:02:42,630

good evening yeah man

20

00:02:55,350 --> 00:02:47,680

fade to black bespoke radio

21

00:03:08,790 --> 00:03:04,869

i made it let's do this

22

00:03:12,790 --> 00:03:08,800

today's tuesday january 12th

23

00:03:16,630 --> 00:03:12,800

january 12 2021

24

00:03:19,509 --> 00:03:16,640

12 days into the new year only 353 days

25

00:03:20,550 --> 00:03:19,519

left we are live from a bunker

26

00:03:23,190 --> 00:03:20,560

somewhere in the middle of beautiful

27

00:03:24,550 --> 00:03:23,200

downtown burbank california

28

00:03:26,390 --> 00:03:24,560

and i would like to welcome everybody

29

00:03:29,589 --> 00:03:26,400

listening all around the world all

30

00:03:32,470 --> 00:03:29,599

across the united states

31

00:03:32,949 --> 00:03:32,480

hither and tether to and fro back and

32

00:03:35,030 --> 00:03:32,959

forth

33

00:03:38,149 --> 00:03:35,040

up and down east and west north and

34

00:03:40,869 --> 00:03:38,159

south far and near

35

00:03:45,430 --> 00:03:40,879

this is fade to black for kjccr the game

36

00:03:50,070 --> 00:03:47,990

i'm yours jimmy church what is cracking

37

00:03:56,789 --> 00:03:50,080

everybody how you doing

38

00:04:01,350 --> 00:03:58,789

yeah we got one coming up tonight greg

39

00:04:06,229 --> 00:04:01,360

house is here

40

00:04:10,710 --> 00:04:09,429

big tech in the drama that is taking

41

00:04:13,509 --> 00:04:10,720

over the world right now we're also

42

00:04:17,110 --> 00:04:13,519

going to talk about the parlor hack

43

00:04:21,189 --> 00:04:17,120

hack i'm using air quotes hack

44

00:04:25,909 --> 00:04:22,950

let me tell you about my world let me

45

00:04:29,510 --> 00:04:25,919

tell you about the world of jimmy church

46

00:04:30,150 --> 00:04:29,520

it's it's it's so cool anything goes

47

00:04:31,909 --> 00:04:30,160

down

48

00:04:33,590 --> 00:04:31,919

it doesn't really matter what it is

49

00:04:37,030 --> 00:04:33,600

right it doesn't

50

00:04:39,110 --> 00:04:37,040

i have the ability because i know people

51
00:04:40,790 --> 00:04:39,120
and i can i can pick up the phone i can

52
00:04:44,150 --> 00:04:40,800
go straight to the source

53
00:04:50,390 --> 00:04:44,160
it doesn't matter what the subject is

54
00:04:56,629 --> 00:04:53,510
i call my coming right it doesn't matter

55
00:04:58,950 --> 00:04:56,639
i have the ability to do that and when

56
00:05:00,710 --> 00:04:58,960
it comes down to big tech

57
00:05:02,950 --> 00:05:00,720
and what is happening right now in our

58
00:05:04,550 --> 00:05:02,960
world there is only one person to call

59
00:05:07,670 --> 00:05:04,560
it's greg house

60
00:05:10,790 --> 00:05:07,680
i got that dude on speed dial

61
00:05:14,550 --> 00:05:10,800
speed dial and when we set up this show

62
00:05:17,909 --> 00:05:14,560
um this was before all the drama

63
00:05:20,230 --> 00:05:17,919

kicked off and and there was already you

64

00:05:23,350 --> 00:05:20,240

know some things happening

65

00:05:26,870 --> 00:05:23,360

uh uh back before

66

00:05:30,790 --> 00:05:26,880

january 6th which was a week ago now

67

00:05:34,710 --> 00:05:33,430

there were issues then and you know i

68

00:05:36,950 --> 00:05:34,720

wanted greg on the show

69

00:05:38,390 --> 00:05:36,960

and then look what happened in the last

70

00:05:40,390 --> 00:05:38,400

week

71

00:05:42,790 --> 00:05:40,400

man oh man oh man so we've got greg on

72

00:05:45,670 --> 00:05:42,800

the show oh and by the way

73

00:05:47,590 --> 00:05:45,680

uh last week greg goes hey church can i

74

00:05:50,790 --> 00:05:47,600

get you on my show

75

00:05:53,029 --> 00:05:50,800

right this is you know and uh we gotta

76

00:05:55,350 --> 00:05:53,039

what an honor and a privilege so he's

77

00:05:58,150 --> 00:05:55,360

probably listening right now

78

00:06:01,590 --> 00:05:58,160

greg i can't wait i can't wait for greg

79

00:06:05,990 --> 00:06:04,070

greg house is with us tonight tomorrow

80

00:06:09,029 --> 00:06:06,000

night all the breaking news

81

00:06:11,590 --> 00:06:09,039

uh that went down in the last 24 hours

82

00:06:13,350 --> 00:06:11,600

about the black vault and john greenwald

83

00:06:16,790 --> 00:06:13,360

um all the media

84

00:06:18,950 --> 00:06:16,800

uh media big and small around the world

85

00:06:22,790 --> 00:06:18,960

picked up on the story john greenwald

86

00:06:23,430 --> 00:06:22,800

and all of the cia documents that were

87

00:06:26,629 --> 00:06:23,440

released

88

00:06:29,990 --> 00:06:26,639

to him uh from the beginning

89

00:06:32,950 --> 00:06:30,000

to this very day are now

90

00:06:34,230 --> 00:06:32,960

all up on the black vault available for

91

00:06:37,909 --> 00:06:34,240

you to download

92

00:06:39,430 --> 00:06:37,919

for free i believe i believe so

93

00:06:41,749 --> 00:06:39,440

and all of that's going down and we had

94

00:06:44,070 --> 00:06:41,759

john greenwald here with us

95

00:06:45,430 --> 00:06:44,080

uh uh for tomorrow night again this is

96

00:06:46,629 --> 00:06:45,440

you know these shows are booked a long

97

00:06:49,909 --> 00:06:46,639

time ago

98

00:06:51,430 --> 00:06:49,919

um and he was here to talk about

99

00:06:53,830 --> 00:06:51,440

some other issues like the freedom of

100

00:06:56,950 --> 00:06:53,840

speech the first amendment

101
00:06:58,309 --> 00:06:56,960
private companies his company freedom of

102
00:07:00,469 --> 00:06:58,319
information act and

103
00:07:03,029 --> 00:07:00,479
and all of that so that was uh the show

104
00:07:05,670 --> 00:07:03,039
for tomorrow and then boom

105
00:07:07,110 --> 00:07:05,680
right and uh it was funny because i

106
00:07:07,430 --> 00:07:07,120
think it was this morning it might have

107
00:07:09,990 --> 00:07:07,440
been

108
00:07:11,830 --> 00:07:10,000
yesterday at the crack of dawn i get

109
00:07:12,950 --> 00:07:11,840
this text because john gets up at like 4

110
00:07:15,430 --> 00:07:12,960
a.m

111
00:07:17,189 --> 00:07:15,440
you get this text church check this out

112
00:07:20,150 --> 00:07:17,199
i was like what you know and i'm just

113
00:07:22,870 --> 00:07:20,160

i can't even focus you know i can't

114

00:07:25,430 --> 00:07:22,880

focus i can't see before 12 noon

115

00:07:26,710 --> 00:07:25,440

and i'm like at 8 00 am what what's john

116

00:07:28,309 --> 00:07:26,720

what

117

00:07:30,390 --> 00:07:28,319

and uh and that's when everything

118

00:07:32,550 --> 00:07:30,400

started to break and good for him

119

00:07:35,350 --> 00:07:32,560

so and i know his website has slowed

120

00:07:37,510 --> 00:07:35,360

down tremendously because when you have

121

00:07:39,749 --> 00:07:37,520

every media outlet in the world saying

122

00:07:42,629 --> 00:07:39,759

hey go to this website and download

123

00:07:44,150 --> 00:07:42,639

cia ufo documents that uh it doesn't

124

00:07:45,350 --> 00:07:44,160

matter what your server is it's gonna

125

00:07:48,390 --> 00:07:45,360

get overwhelmed

126

00:07:50,469 --> 00:07:48,400

and um and he's been going through

127

00:07:52,150 --> 00:07:50,479

that uh it'll slow down if you haven't

128

00:07:54,950 --> 00:07:52,160

gone over and done it yet

129

00:07:56,390 --> 00:07:54,960

um uh because of that uh things will

130

00:07:57,830 --> 00:07:56,400

slow down but he'll be with us tomorrow

131

00:07:58,710 --> 00:07:57,840

night and then we'll heat things back up

132

00:08:01,430 --> 00:07:58,720

again

133

00:08:02,309 --> 00:08:01,440

and then thursday is another fader night

134

00:08:04,950 --> 00:08:02,319

with open lines

135

00:08:06,710 --> 00:08:04,960

all night long now i realize today is

136

00:08:11,350 --> 00:08:06,720

tuesday

137

00:08:14,550 --> 00:08:11,360

we all know what is going on tomorrow

138

00:08:17,670 --> 00:08:14,560

today was a relatively

139

00:08:18,629 --> 00:08:17,680

mellow day all things considered not

140

00:08:21,909 --> 00:08:18,639

really

141

00:08:23,270 --> 00:08:21,919

but considering what this last week has

142

00:08:25,589 --> 00:08:23,280

been like

143

00:08:26,309 --> 00:08:25,599

today was just kind of mellow so i'll

144

00:08:27,990 --> 00:08:26,319

talk to you

145

00:08:29,350 --> 00:08:28,000

about all of that in just a minute i've

146

00:08:32,389 --> 00:08:29,360

been having some fun today

147

00:08:34,709 --> 00:08:32,399

and uh there you go okay so

148

00:08:36,469 --> 00:08:34,719

um lots of stuff to discuss tonight greg

149

00:08:38,070 --> 00:08:36,479

house will be with us at the bottom of

150

00:08:39,190 --> 00:08:38,080

the hour so many things are on the table

151
00:08:41,909 --> 00:08:39,200
right now

152
00:08:42,949 --> 00:08:41,919
and uh wow that's kind of weird why is

153
00:08:46,470 --> 00:08:42,959
my

154
00:08:48,070 --> 00:08:46,480
balance off ah yeah check that out

155
00:08:51,590 --> 00:08:48,080
was that has that been off this whole

156
00:08:53,590 --> 00:08:51,600
time that's interesting

157
00:08:54,949 --> 00:08:53,600
looks like i got to clean some pots it's

158
00:09:03,670 --> 00:08:54,959
now

159
00:09:07,350 --> 00:09:03,680
this goes down like that

160
00:09:09,430 --> 00:09:07,360
check check check once in a while

161
00:09:11,750 --> 00:09:09,440
you know it's weird that's weird my

162
00:09:12,949 --> 00:09:11,760
balance is off now is my balance back on

163
00:09:14,630 --> 00:09:12,959

with you

164

00:09:17,269 --> 00:09:14,640

left right center you know what i'm

165

00:09:17,829 --> 00:09:17,279

saying yeah it was off just a little bit

166

00:09:22,470 --> 00:09:17,839

but

167

00:09:23,110 --> 00:09:22,480

myself in my cans all right follow me on

168

00:09:25,590 --> 00:09:23,120

twitter

169

00:09:26,949 --> 00:09:25,600

at jchurchradio everybody out there

170

00:09:29,670 --> 00:09:26,959

that's left on twitter

171

00:09:31,430 --> 00:09:29,680

you can follow me if you can hear me if

172

00:09:34,790 --> 00:09:31,440

you still have a twitter account

173

00:09:37,990 --> 00:09:34,800

at j church radio hashtag f2b

174

00:09:39,430 --> 00:09:38,000

is the sandbox on twitter i want to say

175

00:09:42,870 --> 00:09:39,440

hello to everybody out there

176

00:09:44,070 --> 00:09:42,880

the chat room which is live and open i'm

177

00:09:45,750 --> 00:09:44,080

getting an alarm

178

00:09:47,829 --> 00:09:45,760

going off i don't know if you guys can

179

00:09:50,150 --> 00:09:47,839

hear that um

180

00:09:51,110 --> 00:09:50,160

hello to everybody over in the chat

181

00:09:54,310 --> 00:09:51,120

rooms and of course

182

00:09:56,790 --> 00:09:54,320

over on youtube in the bunker cam and

183

00:09:57,509 --> 00:09:56,800

you you know troublemakers out there

184

00:10:00,550 --> 00:09:57,519

facebook

185

00:10:04,310 --> 00:10:00,560

i know what's going on okay

186

00:10:05,389 --> 00:10:04,320

all right you can also email throughout

187

00:10:10,470 --> 00:10:05,399

the show jimmy

188

00:10:17,509 --> 00:10:14,470

let's get to the breaking news yeah

189

00:10:21,190 --> 00:10:17,519

breaking news parlor

190

00:10:22,949 --> 00:10:21,200

is still down next up

191

00:10:25,430 --> 00:10:22,959

president trump declares a state of

192

00:10:28,389 --> 00:10:25,440

emergency in washington d.c

193

00:10:30,069 --> 00:10:28,399

ahead of biden's inauguration the

194

00:10:31,910 --> 00:10:30,079

emergency declaration comes as

195

00:10:33,670 --> 00:10:31,920

authorities voiced growing concerns over

196

00:10:34,949 --> 00:10:33,680

security for the inauguration that is

197

00:10:39,590 --> 00:10:34,959

taking place on

198

00:10:40,150 --> 00:10:39,600

january 20th all right i saw the iron

199

00:10:41,590 --> 00:10:40,160

demand

200

00:10:43,670 --> 00:10:41,600

they're not playing around they got the

201

00:10:45,750 --> 00:10:43,680

iron up they got the iron up

202

00:10:47,430 --> 00:10:45,760

around the capitol building and

203

00:10:49,590 --> 00:10:47,440

everything else there in washington see

204

00:10:52,230 --> 00:10:49,600

they're not they're not playing around

205

00:10:55,829 --> 00:10:52,240

playing around more breaking news

206

00:10:59,350 --> 00:10:55,839

parlor is still down

207

00:11:02,710 --> 00:10:59,360

next up deutsche bank will not

208

00:11:04,710 --> 00:11:02,720

do any business in the future

209

00:11:05,750 --> 00:11:04,720

with the united states president donald

210

00:11:08,949 --> 00:11:05,760

trump or

211

00:11:11,670 --> 00:11:08,959

his companies deutsche bank is

212

00:11:14,230 --> 00:11:11,680

trump's top biggest lender with about

213

00:11:16,150 --> 00:11:14,240

340 million dollars in loans outstanding

214

00:11:18,870 --> 00:11:16,160

for a golf course in miami in hotels in

215

00:11:21,750 --> 00:11:18,880

washington and chicago

216

00:11:23,670 --> 00:11:21,760

all are to the trump organization the

217

00:11:25,670 --> 00:11:23,680

president's umbrella group that

218

00:11:27,110 --> 00:11:25,680

is currently overseen by his two sons

219

00:11:28,630 --> 00:11:27,120

and all of this according to trump

220

00:11:30,470 --> 00:11:28,640

disclosures with the united states

221

00:11:34,230 --> 00:11:30,480

office of government ethics

222

00:11:35,990 --> 00:11:34,240

dated july 31st last year the move comes

223

00:11:38,550 --> 00:11:36,000

as signature bank

224

00:11:39,670 --> 00:11:38,560

where trump's ethics disclosures show he

225

00:11:42,230 --> 00:11:39,680

has a checking and

226
00:11:43,910 --> 00:11:42,240
money market accounts called for him to

227
00:11:46,470 --> 00:11:43,920
step down

228
00:11:48,470 --> 00:11:46,480
and the quote from signature said the

229
00:11:50,790 --> 00:11:48,480
resignation of the president

230
00:11:52,790 --> 00:11:50,800
is in the best interest of our nation

231
00:11:56,949 --> 00:11:52,800
and the american people

232
00:12:00,230 --> 00:11:56,959
and that was posted bank website

233
00:12:03,350 --> 00:12:00,240
well the good news is though

234
00:12:05,190 --> 00:12:03,360
there's always lending tree or payday

235
00:12:07,990 --> 00:12:05,200
loans dot com

236
00:12:11,190 --> 00:12:08,000
there you go more breaking news parlor

237
00:12:14,310 --> 00:12:11,200
is still down

238
00:12:17,190 --> 00:12:14,320

private messaging app signal

239

00:12:19,829 --> 00:12:17,200

held its position from monday into today

240

00:12:20,629 --> 00:12:19,839

as the number one free app on both the

241

00:12:23,670 --> 00:12:20,639

app store

242

00:12:26,310 --> 00:12:23,680

and google play the app garnered about

243

00:12:29,509 --> 00:12:26,320

1.3 million global downloads

244

00:12:31,590 --> 00:12:29,519

on the app store monday and all of this

245

00:12:33,310 --> 00:12:31,600

according to app data and analytics

246

00:12:37,269 --> 00:12:33,320

website

247

00:12:38,790 --> 00:12:37,279

aptopia signal is an encrypted messaging

248

00:12:40,949 --> 00:12:38,800

app by the way meaning that the company

249

00:12:44,150 --> 00:12:40,959

cannot access any messages or

250

00:12:44,949 --> 00:12:44,160

calls made by users on the app encrypted

251
00:12:47,829 --> 00:12:44,959
messaging

252
00:12:49,750 --> 00:12:47,839
app telegram also surged to the number

253
00:12:53,030 --> 00:12:49,760
two position among free apps

254
00:12:55,350 --> 00:12:53,040
on both google play and the app store

255
00:12:57,670 --> 00:12:55,360
today the apple store all right more

256
00:13:01,509 --> 00:12:57,680
breaking news

257
00:13:07,590 --> 00:13:05,269
coming up next thousands of cia files

258
00:13:07,990 --> 00:13:07,600
about unidentified flying objects are

259
00:13:10,470 --> 00:13:08,000
now

260
00:13:12,310 --> 00:13:10,480
publicly available for download the

261
00:13:13,509 --> 00:13:12,320
agency claims that the trove of

262
00:13:16,310 --> 00:13:13,519
documents contains

263
00:13:17,190 --> 00:13:16,320

all its information on the unexplained

264

00:13:20,790 --> 00:13:17,200

phenomena

265

00:13:23,509 --> 00:13:20,800

through today that's right

266

00:13:25,509 --> 00:13:23,519

the documents were published on the

267

00:13:27,350 --> 00:13:25,519

black vault website which is run by

268

00:13:29,509 --> 00:13:27,360

freedom of information activist john

269

00:13:31,269 --> 00:13:29,519

greenwald who will be joining us

270

00:13:33,350 --> 00:13:31,279

on the show tomorrow night the

271

00:13:35,030 --> 00:13:33,360

downloadable archive is the result of

272

00:13:38,069 --> 00:13:35,040

greenwald submitting 10

273

00:13:39,990 --> 00:13:38,079

000 freedom of information requests over

274

00:13:42,949 --> 00:13:40,000

the years and scanning thousands of

275

00:13:44,550 --> 00:13:42,959

pages by hand more than 2.2 million

276

00:13:47,590 --> 00:13:44,560

pages have been uploaded to

277

00:13:48,069 --> 00:13:47,600

the website all right another breaking

278

00:13:51,430 --> 00:13:48,079

news

279

00:13:54,389 --> 00:13:51,440

this just in parlor

280

00:13:55,189 --> 00:13:54,399

is still down all right let's get this

281

00:13:59,790 --> 00:13:55,199

show cracking

282

00:14:03,990 --> 00:13:59,800

happy birthday to howard stern today

283

00:14:07,030 --> 00:14:04,000

67 years old wow

284

00:14:10,310 --> 00:14:07,040

wow rob zombie

285

00:14:11,910 --> 00:14:10,320

today is 56.

286

00:14:13,509 --> 00:14:11,920

he's insisting he's younger than me

287

00:14:17,829 --> 00:14:13,519

kirsty alley

288

00:14:22,069 --> 00:14:17,839

today is 70.

289

00:14:26,949 --> 00:14:22,079

yeah i'll top that rush limbaugh

290

00:14:29,430 --> 00:14:26,959

today is also 70.

291

00:14:30,230 --> 00:14:29,440

wow our dead guy's birthday today is the

292

00:14:33,509 --> 00:14:30,240

one and only

293

00:14:39,269 --> 00:14:33,519

moment of silence please for george

294

00:14:41,910 --> 00:14:39,279

duke 1946 to 2013 died at the age of 67.

295

00:14:44,310 --> 00:14:41,920

george of course was a keyboardist first

296

00:14:46,310 --> 00:14:44,320

we all know that pianist

297

00:14:47,350 --> 00:14:46,320

but he was also a great composer singer

298

00:14:49,990 --> 00:14:47,360

songwriter and

299

00:14:51,430 --> 00:14:50,000

record producer he first made a name for

300

00:14:54,069 --> 00:14:51,440

himself with the album

301
00:14:56,310 --> 00:14:54,079
the jean-luc ponte experience with the

302
00:14:56,949 --> 00:14:56,320
george duke trio and album that i used

303
00:14:59,910 --> 00:14:56,959
to own

304
00:15:01,110 --> 00:14:59,920
once upon a time great album he was

305
00:15:04,470 --> 00:15:01,120
known primarily for

306
00:15:07,230 --> 00:15:04,480
his 30 odd or so solo albums

307
00:15:08,389 --> 00:15:07,240
of which a brazilian love affair from

308
00:15:11,990 --> 00:15:08,399
1979

309
00:15:14,230 --> 00:15:12,000
was his most popular as well of course

310
00:15:15,590 --> 00:15:14,240
as for his insanely amazing

311
00:15:19,350 --> 00:15:15,600
collaborations

312
00:15:21,509 --> 00:15:19,360
with frank zappa he died on august 5th

313
00:15:23,189 --> 00:15:21,519

2013 right here in los angeles at the

314

00:15:26,629 --> 00:15:23,199

age of 67

315

00:15:31,110 --> 00:15:26,639

from cancer happy birthday george duke

316

00:15:34,310 --> 00:15:31,120

on this day in history otd

317

00:15:37,269 --> 00:15:34,320

1838 to be exact

318

00:15:39,509 --> 00:15:37,279

after his mormon bank fails in the panic

319

00:15:42,710 --> 00:15:39,519

of 1837

320

00:15:43,990 --> 00:15:42,720

joseph smith flees kirtland ohio to

321

00:15:46,550 --> 00:15:44,000

avoid arrest

322

00:15:48,710 --> 00:15:46,560

and heads for missouri to rebuild his

323

00:15:52,230 --> 00:15:48,720

religious community

324

00:15:55,110 --> 00:15:52,240

that's right fader fact

325

00:15:55,990 --> 00:15:55,120

there's this bar the bar is called

326

00:16:05,030 --> 00:15:56,000

patrick's

327

00:16:08,629 --> 00:16:05,040

is located on the border of georgia

328

00:16:13,110 --> 00:16:08,639

and tennessee it is split

329

00:16:17,030 --> 00:16:13,120

between the two states the georgia half

330

00:16:18,470 --> 00:16:17,040

is in a dry county meaning that any

331

00:16:21,670 --> 00:16:18,480

alcohol purchased

332

00:16:21,990 --> 00:16:21,680

at the bar on the tennessee side cannot

333

00:16:24,870 --> 00:16:22,000

be

334

00:16:27,269 --> 00:16:24,880

brought to the georgia side where the

335

00:16:28,710 --> 00:16:27,279

restrooms are

336

00:16:29,990 --> 00:16:28,720

and that's your favorite fact and i know

337

00:16:31,430 --> 00:16:30,000

what you're saying you're saying jimmy

338

00:16:37,269 --> 00:16:31,440

wait a minute here

339

00:16:40,310 --> 00:16:37,279

why don't they just build restrooms

340

00:16:43,670 --> 00:16:40,320

right why don't they build about the

341

00:16:47,910 --> 00:16:43,680

tennessee side that's where the booze is

342

00:16:50,949 --> 00:16:47,920

how can you have a bar serving beer

343

00:16:54,230 --> 00:16:50,959

chilled vodka and no restrooms

344

00:16:55,829 --> 00:16:54,240

i'll go figure it out all right tonight

345

00:16:57,189 --> 00:16:55,839

greg house is here

346

00:16:59,350 --> 00:16:57,199

we're going to be talking about this big

347

00:17:02,870 --> 00:16:59,360

tech drama and the list

348

00:17:04,549 --> 00:17:02,880

is long with all the big tech companies

349

00:17:06,230 --> 00:17:04,559

that are in on it today we're going to

350

00:17:08,069 --> 00:17:06,240

be talking about all of that

351
00:17:10,309 --> 00:17:08,079
and uh tomorrow night john greenwald

352
00:17:12,870 --> 00:17:10,319
joins us right on the heels of all those

353
00:17:16,150 --> 00:17:12,880
breaking news with him in the cia's ufo

354
00:17:17,350 --> 00:17:16,160
files um and a bunch of other stuff that

355
00:17:19,429 --> 00:17:17,360
we're going to be talking about tomorrow

356
00:17:22,309 --> 00:17:19,439
night john greenwald will be here

357
00:17:23,590 --> 00:17:22,319
then of course thursday is another fader

358
00:17:26,309 --> 00:17:23,600
night with open lines

359
00:17:27,829 --> 00:17:26,319
all night long now right now i need it i

360
00:17:29,510 --> 00:17:27,839
need it what a day

361
00:17:32,070 --> 00:17:29,520
what a day i want to tell you about my

362
00:17:34,470 --> 00:17:32,080
day right now as i hit this

363
00:17:35,669 --> 00:17:34,480

river moon coffee kirsty alley thank you

364

00:17:43,669 --> 00:17:35,679

for that karen

365

00:17:46,789 --> 00:17:45,590

indie susan just tweeted she says hey

366

00:17:48,630 --> 00:17:46,799

jimmy

367

00:17:50,070 --> 00:17:48,640

this is a minute ago and she's staying

368

00:17:52,950 --> 00:17:50,080

on top of her game

369

00:17:54,150 --> 00:17:52,960

she says hey jimmy does anyone know if

370

00:17:56,549 --> 00:17:54,160

parlor is still down

371

00:17:57,909 --> 00:17:56,559

she's asking for a friend uh yeah yeah

372

00:18:05,590 --> 00:17:57,919

parlor

373

00:18:10,150 --> 00:18:05,600

all right well as i said before

374

00:18:11,590 --> 00:18:10,160

river moon coffee rivermoonwellness.com

375

00:18:14,070 --> 00:18:11,600

all right you know what to do click on

376

00:18:17,350 --> 00:18:14,080

those links over at jimmychurchradio.com

377

00:18:22,470 --> 00:18:17,360

um i mean i just mentioned you know that

378

00:18:26,310 --> 00:18:22,480

today today day

379

00:18:29,990 --> 00:18:26,320

was relatively normal for the country

380

00:18:32,789 --> 00:18:30,000

it was and

381

00:18:34,310 --> 00:18:32,799

as crazy as today was after everything

382

00:18:37,270 --> 00:18:34,320

that we had been through today was

383

00:18:39,909 --> 00:18:37,280

smooth sailing

384

00:18:40,470 --> 00:18:39,919

we lasted through the day and i'm here

385

00:18:43,190 --> 00:18:40,480

live

386

00:18:45,350 --> 00:18:43,200

on the air so we've made it this far

387

00:18:49,029 --> 00:18:45,360

things are good

388

00:18:50,710 --> 00:18:49,039

night i spent most of the day doing

389

00:18:53,110 --> 00:18:50,720

something i haven't done in a very long

390

00:18:57,190 --> 00:18:55,510

i was basically trolling everyone on

391

00:19:00,310 --> 00:18:57,200

social media

392

00:19:03,830 --> 00:19:00,320

yeah it was great too

393

00:19:04,710 --> 00:19:03,840

trying to start some fires man and uh so

394

00:19:09,190 --> 00:19:04,720

i could spend

395

00:19:12,390 --> 00:19:09,200

the rest of my day blocking people

396

00:19:13,990 --> 00:19:12,400

i did it i did it for sport today i did

397

00:19:16,710 --> 00:19:14,000

i don't even know what the final tally

398

00:19:21,190 --> 00:19:16,720

was but uh it was a lot of fun

399

00:19:24,710 --> 00:19:21,200

it's freaking awesome twitter

400

00:19:27,830 --> 00:19:24,720

for sure has done a lot of the work

401
00:19:29,029 --> 00:19:27,840
for me it would take me days and days of

402
00:19:33,350 --> 00:19:29,039
finding and blocking

403
00:19:35,029 --> 00:19:33,360
trollbot q accounts and to be honest

404
00:19:38,070 --> 00:19:35,039
what is left of my followers at the

405
00:19:40,630 --> 00:19:38,080
moment are those who truly want to be a

406
00:19:45,990 --> 00:19:40,640
part of this community in the show

407
00:19:49,029 --> 00:19:46,000
right twitter's timing

408
00:19:52,230 --> 00:19:49,039
cleansing

409
00:19:54,870 --> 00:19:52,240
and this campaign of theirs is suspect

410
00:19:56,630 --> 00:19:54,880
for sure i get it they should have done

411
00:19:57,669 --> 00:19:56,640
this a long time ago before it got out

412
00:20:00,870 --> 00:19:57,679
of hand but

413
00:20:02,149 --> 00:20:00,880

it's done and they are certainly within

414

00:20:06,390 --> 00:20:02,159

their right to do

415

00:20:09,750 --> 00:20:06,400

whatever they want facebook

416

00:20:12,950 --> 00:20:09,760

is another matter altogether because

417

00:20:16,390 --> 00:20:12,960

my facebook page my personal page

418

00:20:18,310 --> 00:20:16,400

is my own and it was originally set up

419

00:20:20,390 --> 00:20:18,320

to get connected with friends or family

420

00:20:22,149 --> 00:20:20,400

you know people from panama indianapolis

421

00:20:24,870 --> 00:20:22,159

different companies that i've worked for

422

00:20:25,750 --> 00:20:24,880

over the years you know who as we all

423

00:20:28,390 --> 00:20:25,760

know

424

00:20:28,950 --> 00:20:28,400

right we just lose track or have lost

425

00:20:31,270 --> 00:20:28,960

track

426
00:20:31,990 --> 00:20:31,280
of friends and people that we knew over

427
00:20:33,510 --> 00:20:32,000
the years

428
00:20:35,510 --> 00:20:33,520
and at the beginning of facebook it was

429
00:20:37,909 --> 00:20:35,520
cool man going in and finding this and

430
00:20:39,190 --> 00:20:37,919
going down and finding friends in the

431
00:20:41,430 --> 00:20:39,200
company and people and

432
00:20:42,630 --> 00:20:41,440
and clicking and classmates and things

433
00:20:46,310 --> 00:20:42,640
and i was like whoa

434
00:20:47,830 --> 00:20:46,320
man it was awesome so i can go back

435
00:20:49,590 --> 00:20:47,840
you know my friend's list today you know

436
00:20:52,149 --> 00:20:49,600
whatever five thousand people but uh

437
00:20:54,549 --> 00:20:52,159
go back because they're all there

438
00:20:56,789 --> 00:20:54,559

chronologically right you go back to the

439

00:20:58,710 --> 00:20:56,799

in there you know and i can see who i

440

00:21:02,549 --> 00:20:58,720

found on facebook back in whatever

441

00:21:04,950 --> 00:21:02,559

2008 right okay well that's

442

00:21:06,230 --> 00:21:04,960

that's facebook those are people that

443

00:21:10,149 --> 00:21:06,240

i've reached

444

00:21:13,270 --> 00:21:10,159

out to that i know

445

00:21:14,549 --> 00:21:13,280

right and and people that have reached

446

00:21:16,230 --> 00:21:14,559

out to me that knew me

447

00:21:18,149 --> 00:21:16,240

and it was just like an old long lost

448

00:21:20,870 --> 00:21:18,159

friend man how you doing

449

00:21:21,909 --> 00:21:20,880

that was facebook that's my page that's

450

00:21:25,270 --> 00:21:21,919

totally different than

451
00:21:27,510 --> 00:21:25,280
twitter after starting up the radio

452
00:21:28,070 --> 00:21:27,520
thing back in 2010 or so i started to

453
00:21:30,630 --> 00:21:28,080
get

454
00:21:31,110 --> 00:21:30,640
friend requests from people who i've

455
00:21:34,230 --> 00:21:31,120
never

456
00:21:35,909 --> 00:21:34,240
actually met in person

457
00:21:37,590 --> 00:21:35,919
but i let them into my world because

458
00:21:41,029 --> 00:21:37,600
they were reaching out and

459
00:21:44,310 --> 00:21:41,039
this was a an innocent time

460
00:21:48,950 --> 00:21:44,320
2 000 dead you know it was all cool

461
00:21:52,549 --> 00:21:50,710
if someone different from twitter in

462
00:21:54,950 --> 00:21:52,559
facebook if someone posts suggest

463
00:21:55,750 --> 00:21:54,960

jokes or get offensive and i don't

464

00:21:59,110 --> 00:21:55,760

actually

465

00:22:01,029 --> 00:21:59,120

know this person you know met them in

466

00:22:04,549 --> 00:22:01,039

real life

467

00:22:06,070 --> 00:22:04,559

just block them it's what i do i don't

468

00:22:08,390 --> 00:22:06,080

even care

469

00:22:09,510 --> 00:22:08,400

now take note of this if we have never

470

00:22:12,070 --> 00:22:09,520

met

471

00:22:13,350 --> 00:22:12,080

but our friends on facebook playing

472

00:22:15,110 --> 00:22:13,360

bounds man

473

00:22:16,789 --> 00:22:15,120

playing bounds at all times the guy just

474

00:22:18,070 --> 00:22:16,799

got zero patience for it i don't care i

475

00:22:18,630 --> 00:22:18,080

don't want it in my feed i don't want to

476

00:22:21,029 --> 00:22:18,640

see it

477

00:22:22,390 --> 00:22:21,039

it ain't going to be there block done

478

00:22:23,190 --> 00:22:22,400

never have to see or hear from this

479

00:22:25,110 --> 00:22:23,200

person ever again

480

00:22:26,789 --> 00:22:25,120

i've never met him in persons what do i

481

00:22:30,470 --> 00:22:26,799

care right

482

00:22:32,789 --> 00:22:30,480

now here is the real truth

483

00:22:34,549 --> 00:22:32,799

if we are old friends from back in the

484

00:22:36,950 --> 00:22:34,559

day right

485

00:22:37,669 --> 00:22:36,960

or we have met in person and we know

486

00:22:41,830 --> 00:22:37,679

each other

487

00:22:44,549 --> 00:22:41,840

well i'll let the bad stuff fly

488

00:22:45,830 --> 00:22:44,559

right you know or things that i don't

489

00:22:47,990 --> 00:22:45,840

agree with

490

00:22:50,390 --> 00:22:48,000

because that's how it should be in real

491

00:22:52,470 --> 00:22:50,400

life too

492

00:22:54,230 --> 00:22:52,480

right that's that's the way it is

493

00:22:56,549 --> 00:22:54,240

friends are friends

494

00:22:58,870 --> 00:22:56,559

family is family and we are never going

495

00:23:00,149 --> 00:22:58,880

to agree on anything and it's rare when

496

00:23:02,710 --> 00:23:00,159

it happens

497

00:23:03,190 --> 00:23:02,720

it's just a part of life but if we've

498

00:23:06,710 --> 00:23:03,200

never

499

00:23:11,190 --> 00:23:06,720

met and you step out of line

500

00:23:14,310 --> 00:23:11,200

block i don't care i don't care

501
00:23:16,630 --> 00:23:14,320
twitter is the exact opposite

502
00:23:17,990 --> 00:23:16,640
people can follow you whether you like

503
00:23:19,990 --> 00:23:18,000
it or not

504
00:23:21,750 --> 00:23:20,000
and they can say whatever they want as

505
00:23:24,789 --> 00:23:21,760
well

506
00:23:27,909 --> 00:23:24,799
you do not approve your followers

507
00:23:31,350 --> 00:23:27,919
no it's the exact opposite of facebook

508
00:23:32,789 --> 00:23:31,360
therefore you don't have any idea who

509
00:23:35,669 --> 00:23:32,799
your followers are

510
00:23:37,909 --> 00:23:35,679
or what they're like or where they live

511
00:23:40,070 --> 00:23:37,919
you don't know anything in fact

512
00:23:40,950 --> 00:23:40,080
if you haven't met them in person you

513
00:23:44,789 --> 00:23:40,960

know

514

00:23:47,269 --> 00:23:44,799

nothing so yeah i get it

515

00:23:49,750 --> 00:23:47,279

twitter says that they've removed

516

00:23:51,510 --> 00:23:49,760

accounts for whatever reason

517

00:23:54,070 --> 00:23:51,520

and this time around it was all queuing

518

00:23:54,710 --> 00:23:54,080

on well whatever see ya goodbye don't

519

00:24:01,350 --> 00:23:54,720

care

520

00:24:04,470 --> 00:24:01,360

and the other side of the coin is

521

00:24:07,510 --> 00:24:04,480

just as simple if anyone closed

522

00:24:10,630 --> 00:24:07,520

their account for whatever reason

523

00:24:11,750 --> 00:24:10,640

whatever it just doesn't matter i don't

524

00:24:15,590 --> 00:24:11,760

care

525

00:24:20,470 --> 00:24:18,870

i'll never know if things were done in

526

00:24:23,350 --> 00:24:20,480

protest

527

00:24:25,590 --> 00:24:23,360

if they were bot accounts or if someone

528

00:24:27,990 --> 00:24:25,600

violated the terms of service whatever i

529

00:24:31,350 --> 00:24:28,000

don't care i don't care

530

00:24:33,269 --> 00:24:31,360

what i do know is that whatever is left

531

00:24:36,789 --> 00:24:33,279

on my twitter account

532

00:24:38,310 --> 00:24:36,799

is the good stuff those who truly want

533

00:24:39,590 --> 00:24:38,320

to follow fade to black hang out with

534

00:24:41,510 --> 00:24:39,600

the fader knots and be a part of this

535

00:24:46,470 --> 00:24:41,520

family

536

00:24:48,870 --> 00:24:46,480

we can talk we can laugh we can learn

537

00:24:51,830 --> 00:24:48,880

and we can enjoy life

538

00:24:54,390 --> 00:24:51,840

you may not like what i say you may not

539

00:24:56,310 --> 00:24:54,400

agree with me all the time

540

00:24:57,990 --> 00:24:56,320

we all know that i'm the king of

541

00:25:00,070 --> 00:24:58,000

flip-flopping

542

00:25:01,909 --> 00:25:00,080

i changed my mind all day long i'm

543

00:25:04,230 --> 00:25:01,919

always expanding my brain and

544

00:25:05,510 --> 00:25:04,240

learning and that's the best part of

545

00:25:07,990 --> 00:25:05,520

life

546

00:25:09,990 --> 00:25:08,000

so welcome to my paradoxical my

547

00:25:12,549 --> 00:25:10,000

hypocritical world

548

00:25:14,630 --> 00:25:12,559

it's called fade to black for a reason

549

00:25:16,149 --> 00:25:14,640

and if you don't like it let me know

550

00:25:17,990 --> 00:25:16,159

i've always got the block button i've

551
00:25:19,750 --> 00:25:18,000
got a special mouse right here

552
00:25:21,510 --> 00:25:19,760
that is on top of the block button all

553
00:25:23,909 --> 00:25:21,520
the time i can just hit it boom done

554
00:25:25,510 --> 00:25:23,919
gone right it's right there it's got its

555
00:25:28,230 --> 00:25:25,520
very own mouse

556
00:25:29,510 --> 00:25:28,240
unless of course we are friends in the

557
00:25:31,909 --> 00:25:29,520
real world

558
00:25:33,510 --> 00:25:31,919
and then i'll just troll you for the

559
00:25:38,149 --> 00:25:33,520
rest of your life

560
00:25:42,630 --> 00:25:38,159
tempt me quote me dare me

561
00:25:46,710 --> 00:25:42,640
it's 20 21 who's next

562
00:25:49,190 --> 00:25:46,720
now for those of you who like to shout

563
00:25:50,470 --> 00:25:49,200

about the first amendment and who have

564

00:25:54,549 --> 00:25:50,480

probably never

565

00:25:57,990 --> 00:25:54,559

read these words before or heard them

566

00:26:00,149 --> 00:25:58,000

here it is congress

567

00:26:03,029 --> 00:26:00,159

shall make no law respecting an

568

00:26:05,830 --> 00:26:03,039

establishment of religion

569

00:26:06,789 --> 00:26:05,840

or prohibiting the free exercise of

570

00:26:09,990 --> 00:26:06,799

thereof

571

00:26:13,029 --> 00:26:10,000

or abridging the freedom of speech

572

00:26:14,710 --> 00:26:13,039

or of the press or the right of the

573

00:26:17,909 --> 00:26:14,720

people to peaceably

574

00:26:21,990 --> 00:26:17,919

assemble and to petition the government

575

00:26:25,110 --> 00:26:22,000

for a redress of grievances

576

00:26:28,390 --> 00:26:25,120

that's it full stop end quote

577

00:26:30,549 --> 00:26:28,400

that's it that is the entirety

578

00:26:32,630 --> 00:26:30,559

of the constitution's first amendment

579

00:26:35,110 --> 00:26:32,640

that's the whole thing

580

00:26:35,990 --> 00:26:35,120

it is the central tenet of our american

581

00:26:37,830 --> 00:26:36,000

way of life

582

00:26:39,269 --> 00:26:37,840

that gets dragged out every time

583

00:26:42,549 --> 00:26:39,279

someone's banned from

584

00:26:42,870 --> 00:26:42,559

twitter or gets a website taken down by

585

00:26:45,350 --> 00:26:42,880

a

586

00:26:47,750 --> 00:26:45,360

service provider this is one of the

587

00:26:49,350 --> 00:26:47,760

biggest misconceptions people have about

588

00:26:52,470 --> 00:26:49,360

the first amendment

589

00:26:55,909 --> 00:26:52,480

the bottom line it protects

590

00:26:59,110 --> 00:26:55,919

you from the government punishing or

591

00:27:00,630 --> 00:26:59,120

censoring or oppressing your speech

592

00:27:02,630 --> 00:27:00,640

it doesn't apply to private

593

00:27:05,990 --> 00:27:02,640

organizations like twitter

594

00:27:10,310 --> 00:27:06,000

or facebook that's it

595

00:27:11,990 --> 00:27:10,320

nothing more case closed

596

00:27:13,350 --> 00:27:12,000

i'm your host jimmy church tonight greg

597

00:27:14,950 --> 00:27:13,360

house is here

598

00:27:16,710 --> 00:27:14,960

going to be talking about all of that

599

00:27:19,350 --> 00:27:16,720

the big tech drama

600

00:27:21,350 --> 00:27:19,360

that is taking over the world right now

601
00:27:22,789 --> 00:27:21,360
that's right greg house is here he we're

602
00:27:24,070 --> 00:27:22,799
going to set the record straight

603
00:27:26,070 --> 00:27:24,080
we're also going to talk about that

604
00:27:29,029 --> 00:27:26,080
parlor air quotes

605
00:27:30,310 --> 00:27:29,039
hack tomorrow night right here john

606
00:27:31,750 --> 00:27:30,320
greenwald we're going to be talking

607
00:27:34,230 --> 00:27:31,760
about again free speech the first

608
00:27:35,029 --> 00:27:34,240
amendment and of course private

609
00:27:37,669 --> 00:27:35,039
companies

610
00:27:39,190 --> 00:27:37,679
and the right to do what he is doing

611
00:27:43,190 --> 00:27:39,200
freedom of information act

612
00:27:44,789 --> 00:27:43,200
posting documents right there for you

613
00:27:47,190 --> 00:27:44,799

all of that and much more tomorrow night

614

00:27:50,310 --> 00:27:47,200

thursday is another fader night

615

00:27:52,310 --> 00:27:50,320

with open lines all night long i am your

616

00:27:54,149 --> 00:27:52,320

host jimmy church this is fade to black

617

00:27:55,750 --> 00:27:54,159

follow me on twitter there's anybody

618

00:27:58,789 --> 00:27:55,760

left on twitter

619

00:28:00,870 --> 00:27:58,799

follow me at j church radio

620

00:28:02,230 --> 00:28:00,880

you can also follow greg housh that's

621

00:28:04,710 --> 00:28:02,240

greg with

622

00:28:06,070 --> 00:28:04,720

two g's we've got it up there on twitter

623

00:28:09,430 --> 00:28:06,080

and he's got that fancy

624

00:28:12,149 --> 00:28:09,440

little uh verified blue check mark

625

00:28:13,590 --> 00:28:12,159

so you know it's greg just in case our

626
00:28:17,350 --> 00:28:13,600
meals jimmy church on the game changer

627
00:28:18,950 --> 00:28:17,360
network and kgra the planet

628
00:28:21,430 --> 00:28:18,960
this is fade to black we'll be right

629
00:28:28,830 --> 00:28:21,440
back with our guest greg housh

630
00:28:28,840 --> 00:28:48,230
us

631
00:28:52,549 --> 00:28:50,389
this is nicole church daughter of you

632
00:28:54,950 --> 00:28:52,559
know who and you're listening to fade to

633
00:28:58,950 --> 00:28:54,960
black on jimmychurchradio.com and the

634
00:29:01,269 --> 00:28:58,960
game changer network

635
00:29:05,430 --> 00:29:01,279
you're listening to jimmy church fade to

636
00:29:09,909 --> 00:29:07,590
fate to black will now pause for alien

637
00:29:16,950 --> 00:29:09,919
identification

638
00:29:21,110 --> 00:29:19,190

introducing the game changer blend from

639

00:29:23,590 --> 00:29:21,120

river moon coffee that delivers a

640

00:29:24,870 --> 00:29:23,600

customized blend made specifically for

641

00:29:28,149 --> 00:29:24,880

the fader knots

642

00:29:31,110 --> 00:29:28,159

if the game is rigged change the game

643

00:29:31,669 --> 00:29:31,120

it's a boulder cup with some bite game

644

00:29:33,510 --> 00:29:31,679

changer

645

00:29:35,750 --> 00:29:33,520

is the coffee of choice for those that

646

00:29:36,470 --> 00:29:35,760

prefer an organic dark roast that is

647

00:29:39,909 --> 00:29:36,480

slightly

648

00:29:42,549 --> 00:29:39,919

lighter and milder but it's still dark

649

00:29:43,430 --> 00:29:42,559

with wild notes of pecans and chocolate

650

00:29:45,990 --> 00:29:43,440

with a rich

651
00:29:48,070 --> 00:29:46,000
balanced full-bodied cup that is roasted

652
00:29:49,190 --> 00:29:48,080
to perfection for a great coffee to

653
00:29:52,230 --> 00:29:49,200
start your day

654
00:29:53,190 --> 00:29:52,240
as an after dinner coffee or anywhere in

655
00:29:55,190 --> 00:29:53,200
between

656
00:29:58,149 --> 00:29:55,200
artisan small batch roasted to

657
00:30:00,710 --> 00:29:58,159
perfection usda certified organic all

658
00:30:02,549 --> 00:30:00,720
river moon coffee is freshly roasted and

659
00:30:04,710 --> 00:30:02,559
packaged in the usa

660
00:30:05,750 --> 00:30:04,720
just go to rivermooncoffee.com or click

661
00:30:08,789 --> 00:30:05,760
on the banners over

662
00:30:13,470 --> 00:30:08,799
on our site and use the promo code f2b

663
00:30:17,510 --> 00:30:13,480

blend for 15 off of your order today

664

00:30:20,830 --> 00:30:17,520

rivermooncoffee.com go back lee tappy

665

00:30:25,630 --> 00:30:20,840

this is the only way this

666

00:30:27,830 --> 00:30:25,640

is made to black make contact

667

00:30:29,590 --> 00:30:27,840

kgraradio.com

668

00:30:31,990 --> 00:30:29,600

this is jimmy church of fade to black

669

00:30:34,549 --> 00:30:32,000

and you can get our podcast for just

670

00:30:35,990 --> 00:30:34,559

two dollars per month all you have to do

671

00:30:39,909 --> 00:30:36,000

is click on the podcast

672

00:30:42,549 --> 00:30:39,919

banner over at jimmychurchradio.com

673

00:30:43,830 --> 00:30:42,559

hi folks it's trembling times and fear

674

00:30:46,070 --> 00:30:43,840

is pushing emotions

675

00:30:47,510 --> 00:30:46,080

which in turn pushes health the wrong

676

00:30:48,870 --> 00:30:47,520

direction do you ever get an ache

677

00:30:51,269 --> 00:30:48,880

because life is uneasy

678

00:30:53,110 --> 00:30:51,279

try life change tea at get the tea.com

679

00:30:54,149 --> 00:30:53,120

life change tea works on your digestive

680

00:30:56,549 --> 00:30:54,159

tract helping to move

681

00:30:57,590 --> 00:30:56,559

food through quicker and comfortably so

682

00:30:59,509 --> 00:30:57,600

your health is spot

683

00:31:00,870 --> 00:30:59,519

on life change tea may not help with

684

00:31:03,350 --> 00:31:00,880

world issues but

685

00:31:05,350 --> 00:31:03,360

it will help with your digestive issues

686

00:31:06,070 --> 00:31:05,360

a glass a day helps keep the intruders

687

00:31:09,430 --> 00:31:06,080

away

688

00:31:11,830 --> 00:31:09,440

so change your life today log on to get

689

00:31:14,470 --> 00:31:11,840

the tea.com that's get the tea

690

00:31:16,470 --> 00:31:14,480

dot com if your health game is off get

691

00:31:18,950 --> 00:31:16,480

on by ordering life change tea

692

00:31:21,350 --> 00:31:18,960

get the tea.com and while you're on our

693

00:31:23,029 --> 00:31:21,360

site look around at the great non-gmo

694

00:31:25,669 --> 00:31:23,039

organic supplements and if you're a

695

00:31:27,430 --> 00:31:25,679

sales shopper go to our specials page

696

00:31:29,190 --> 00:31:27,440

and see what's for you i've been

697

00:31:31,269 --> 00:31:29,200

drinking the tea for 12 years and i'm

698

00:31:34,149 --> 00:31:31,279

sure glad for its health benefits

699

00:31:34,950 --> 00:31:34,159

again that's get the tea dot com get the

700

00:31:40,549 --> 00:31:34,960

tea

701
00:31:42,389 --> 00:31:40,559
vader knots when you think about the

702
00:31:44,230 --> 00:31:42,399
future of our country and where we're

703
00:31:45,190 --> 00:31:44,240
headed do you wonder about the food

704
00:31:49,350 --> 00:31:45,200
supply

705
00:31:51,430 --> 00:31:49,360
chain could be disastrous

706
00:31:53,750 --> 00:31:51,440
and they usually occur with little

707
00:31:54,789 --> 00:31:53,760
warning that's why the smartest thing

708
00:31:57,909 --> 00:31:54,799
you can do today

709
00:32:00,310 --> 00:31:57,919
is to stockpile emergency food water

710
00:32:00,950 --> 00:32:00,320
and other essentials i personally

711
00:32:03,590 --> 00:32:00,960
recommend

712
00:32:06,070 --> 00:32:03,600
my patriot supply they're the nation's

713
00:32:08,389 --> 00:32:06,080

largest emergency preparedness company

714

00:32:09,430 --> 00:32:08,399

serving millions of customers for more

715

00:32:11,830 --> 00:32:09,440

than a decade

716

00:32:14,470 --> 00:32:11,840

in fact they're the only source my

717

00:32:17,590 --> 00:32:14,480

family trusts for our preparedness plan

718

00:32:20,149 --> 00:32:17,600

you should too right now save 20

719

00:32:21,590 --> 00:32:20,159

off a full four week supply of delicious

720

00:32:25,190 --> 00:32:21,600

meals that provide 2

721

00:32:28,909 --> 00:32:25,200

000 calories a day saving 20 helps too

722

00:32:31,110 --> 00:32:28,919

doesn't it especially now so go to

723

00:32:34,389 --> 00:32:31,120

preparewithjimmy.com and get ready

724

00:32:35,750 --> 00:32:34,399

that's prepare with jimmy.com there's no

725

00:32:38,950 --> 00:32:35,760

time to lose

726

00:32:38,960 --> 00:32:43,990

nine out of ten geneticists agree

727

00:32:51,430 --> 00:32:47,750

fade to black is not

728

00:32:53,110 --> 00:32:51,440

your father's radio show on the game

729

00:32:57,669 --> 00:32:53,120

changer radio network

730

00:32:59,750 --> 00:32:57,679

and kgra the planet

731

00:33:04,310 --> 00:32:59,760

hi this is rob reiner from anvil and

732

00:33:06,070 --> 00:33:04,320

you're listening to jimmychurchradio.com

733

00:33:08,830 --> 00:33:06,080

what's up i'm chris what up this is kyle

734

00:33:25,669 --> 00:33:08,840

matson you're listening to jimmy church

735

00:33:29,990 --> 00:33:27,269

all right welcome back fade to black i'm

736

00:33:33,190 --> 00:33:30,000

yours jimmy church

737

00:33:34,310 --> 00:33:33,200

what an amazing week uh here on fade to

738

00:33:38,310 --> 00:33:34,320

black for sure

739

00:33:39,590 --> 00:33:38,320

uh and throughout this crazy week month

740

00:33:41,590 --> 00:33:39,600

and year

741

00:33:42,950 --> 00:33:41,600

it has been uh for the united states and

742

00:33:44,950 --> 00:33:42,960

the rest of the world

743

00:33:47,350 --> 00:33:44,960

and tomorrow night continuing this will

744

00:33:49,190 --> 00:33:47,360

be john greenwald of the black vault and

745

00:33:51,110 --> 00:33:49,200

his document dump that was

746

00:33:52,470 --> 00:33:51,120

all over all the major media outlets

747

00:33:56,470 --> 00:33:52,480

today uh

748

00:33:58,630 --> 00:33:56,480

he has released everything from the cia

749

00:34:00,149 --> 00:33:58,640

and it is all there for you to download

750

00:34:01,750 --> 00:34:00,159

you can go to the blackvault.com we've

751
00:34:03,509 --> 00:34:01,760
got the links up there

752
00:34:05,590 --> 00:34:03,519
in our twitter feed tonight is greg

753
00:34:08,710 --> 00:34:05,600
house greg house

754
00:34:10,629 --> 00:34:08,720
and we are going to discuss

755
00:34:12,310 --> 00:34:10,639
the big tech companies that are banning

756
00:34:15,589 --> 00:34:12,320
the current potus

757
00:34:17,829 --> 00:34:15,599
and the future of parlor now greg spent

758
00:34:20,149 --> 00:34:17,839
much of his teens and early 20s evading

759
00:34:22,869 --> 00:34:20,159
the fbi task force i

760
00:34:24,550 --> 00:34:22,879
love i love it every time i say this

761
00:34:26,389 --> 00:34:24,560
while helping to operate the internet's

762
00:34:28,230 --> 00:34:26,399
foremost software pirating rings and

763
00:34:30,550 --> 00:34:28,240

otherwise living a life

764

00:34:31,750 --> 00:34:30,560

of a criminal hacker in 2000 though it

765

00:34:33,909 --> 00:34:31,760

all caught up to him

766

00:34:35,510 --> 00:34:33,919

he was arrested the next seven years

767

00:34:37,589 --> 00:34:35,520

were spent in and out of court

768

00:34:40,149 --> 00:34:37,599

until he pled guilty to conspiracy to

769

00:34:43,349 --> 00:34:40,159

violate copyright laws in 2007.

770

00:34:46,389 --> 00:34:43,359

he was incarcerated federal pen

771

00:34:49,510 --> 00:34:46,399

including a 27 day stay

772

00:34:51,589 --> 00:34:49,520

in solitary that's right upon release he

773

00:34:53,270 --> 00:34:51,599

worked a series of computer-related jobs

774

00:34:55,510 --> 00:34:53,280

while continuing to participate in

775

00:34:59,190 --> 00:34:55,520

various online subcultures

776

00:35:00,950 --> 00:34:59,200

and soon after his key role in anonymous

777

00:35:02,790 --> 00:35:00,960

global protest campaign against the

778

00:35:03,910 --> 00:35:02,800

church of scientology was made public in

779

00:35:06,390 --> 00:35:03,920

2008

780

00:35:08,150 --> 00:35:06,400

he began serving as a media interpreter

781

00:35:09,829 --> 00:35:08,160

and interview subject for newspapers

782

00:35:11,430 --> 00:35:09,839

websites radio and television

783

00:35:13,430 --> 00:35:11,440

he has appeared on countless news

784

00:35:16,790 --> 00:35:13,440

programs and quoted in publications

785

00:35:17,750 --> 00:35:16,800

you know just today as yesterday uh i

786

00:35:19,589 --> 00:35:17,760

was reading a

787

00:35:21,510 --> 00:35:19,599

major article out there and there's greg

788

00:35:22,950 --> 00:35:21,520

he's quoted in there i talked to him

789

00:35:25,190 --> 00:35:22,960
about that today we'll get to that

790

00:35:26,310 --> 00:35:25,200
when we bring him on in just a second

791

00:35:28,310 --> 00:35:26,320
and meanwhile

792

00:35:29,990 --> 00:35:28,320
he has continued to work with anonymous

793

00:35:32,390 --> 00:35:30,000
participants on various operations

794

00:35:34,230 --> 00:35:32,400
offering advice and other forms of

795

00:35:35,910 --> 00:35:34,240
support when needed his website of

796

00:35:38,790 --> 00:35:35,920
course is greghouse.com

797

00:35:39,589 --> 00:35:38,800
he's now a major media celebrity and

798

00:35:41,190 --> 00:35:39,599
show host

799

00:35:42,630 --> 00:35:41,200
i would like to welcome back to fade to

800

00:35:45,670 --> 00:35:42,640
black greg house

801
00:35:46,390 --> 00:35:45,680
greg how are you man doing okay how

802
00:35:50,230 --> 00:35:46,400
about you

803
00:35:51,430 --> 00:35:50,240
i am fantastic and uh this is the thing

804
00:35:55,589 --> 00:35:51,440
greg

805
00:35:59,430 --> 00:35:55,599
i can see you our audience can't

806
00:36:01,030 --> 00:35:59,440
and you got the full-on hacker gear on

807
00:36:02,790 --> 00:36:01,040
uh you know there's there's a

808
00:36:03,349 --> 00:36:02,800
comfortable way to be sitting at a desk

809
00:36:06,870 --> 00:36:03,359
all day

810
00:36:08,630 --> 00:36:06,880
man um i remember you and i

811
00:36:10,710 --> 00:36:08,640
uh we're gonna move forward we've got

812
00:36:12,950 --> 00:36:10,720
way too much to talk about tonight but

813
00:36:15,430 --> 00:36:12,960

when you and i were in new york uh for

814

00:36:18,470 --> 00:36:15,440

the hackers on planet earth conference

815

00:36:20,230 --> 00:36:18,480

and i went into a seminar

816

00:36:22,069 --> 00:36:20,240

in the big room there the lights were

817

00:36:25,270 --> 00:36:22,079

down it was dark and

818

00:36:28,310 --> 00:36:25,280

and uh i'm not gonna say specifically

819

00:36:29,349 --> 00:36:28,320

what the presenter but he was giving

820

00:36:31,670 --> 00:36:29,359

instructions on

821

00:36:32,870 --> 00:36:31,680

how to do a specific type of hack right

822

00:36:35,190 --> 00:36:32,880

he was giving the code out

823

00:36:36,630 --> 00:36:35,200

and i was watching the audience they're

824

00:36:39,510 --> 00:36:36,640

all taking notes

825

00:36:39,990 --> 00:36:39,520

right but everybody was dressed like you

826

00:36:43,910 --> 00:36:40,000

are right

827

00:36:45,990 --> 00:36:43,920

now everybody had the hoodie on

828

00:36:47,990 --> 00:36:46,000

everybody was down and hunched over

829

00:36:49,990 --> 00:36:48,000

hiding their faces and

830

00:36:51,190 --> 00:36:50,000

i think you might have been with me uh

831

00:36:53,190 --> 00:36:51,200

during that moment

832

00:36:55,190 --> 00:36:53,200

uh when we were leaning against the wall

833

00:36:57,589 --> 00:36:55,200

right on the left side of the room

834

00:36:59,349 --> 00:36:57,599

that was one of the most intense i i

835

00:37:02,390 --> 00:36:59,359

took it all in man

836

00:37:03,109 --> 00:37:02,400

i could not believe how studious hackers

837

00:37:06,230 --> 00:37:03,119

are

838

00:37:07,990 --> 00:37:06,240

they they were paying attention man it

839

00:37:09,910 --> 00:37:08,000

was uh that was an intense thing that

840

00:37:11,190 --> 00:37:09,920

was an eye-opening experience uh the

841

00:37:15,430 --> 00:37:11,200

hope conference

842

00:37:22,870 --> 00:37:18,870

one week one week in the united states

843

00:37:25,190 --> 00:37:22,880

from january 5th until today

844

00:37:26,150 --> 00:37:25,200

did you ever anticipate anything like

845

00:37:28,150 --> 00:37:26,160

this to

846

00:37:30,230 --> 00:37:28,160

to go down did you see the writing on

847

00:37:33,510 --> 00:37:30,240

the wall

848

00:37:35,430 --> 00:37:33,520

um yes and no i mean i know that's a no

849

00:37:38,870 --> 00:37:35,440

answer but like

850

00:37:40,870 --> 00:37:38,880

we assumed if uh all of the alt-right

851
00:37:43,270 --> 00:37:40,880
proud boy style

852
00:37:45,670 --> 00:37:43,280
uh efforts weren't stopped and they

853
00:37:47,190 --> 00:37:45,680
weren't actually designated a

854
00:37:48,710 --> 00:37:47,200
domestic terrorist group and all the

855
00:37:50,069 --> 00:37:48,720
other things that we've been screaming

856
00:37:51,829 --> 00:37:50,079
for for years

857
00:37:53,430 --> 00:37:51,839
that we would end up here we just had

858
00:37:55,670 --> 00:37:53,440
hoped that um

859
00:37:56,710 --> 00:37:55,680
those actions would be taken and they

860
00:38:00,390 --> 00:37:56,720
would uh

861
00:38:02,550 --> 00:38:00,400
be stopped before we got here now um

862
00:38:04,550 --> 00:38:02,560
and of course q anon and all the other

863
00:38:07,030 --> 00:38:04,560

fun things related to all of this

864

00:38:09,430 --> 00:38:07,040

yes yes yes and uh we have to watch how

865

00:38:12,710 --> 00:38:09,440

many times we say that during the show

866

00:38:14,150 --> 00:38:12,720

you know we'll get scrubbed by youtube

867

00:38:15,349 --> 00:38:14,160

and the next thing you know

868

00:38:17,670 --> 00:38:15,359

they're gonna think that we're part of

869

00:38:20,390 --> 00:38:17,680

that group and that's that's another

870

00:38:22,069 --> 00:38:20,400

that is another part of something that i

871

00:38:25,670 --> 00:38:22,079

want to talk about tonight

872

00:38:26,310 --> 00:38:25,680

which is how even i have to self-censor

873

00:38:29,910 --> 00:38:26,320

now

874

00:38:31,349 --> 00:38:29,920

running and they they don't go and

875

00:38:33,030 --> 00:38:31,359

listen to the show

876

00:38:34,470 --> 00:38:33,040

and the next thing you know i get myself

877

00:38:36,069 --> 00:38:34,480

in trouble when

878

00:38:38,710 --> 00:38:36,079

i could be talking about the exact

879

00:38:40,390 --> 00:38:38,720

opposite and this has happened to a lot

880

00:38:43,589 --> 00:38:40,400

of innocent people out there

881

00:38:44,870 --> 00:38:43,599

today that have had counts accounts uh

882

00:38:46,710 --> 00:38:44,880

taken down

883

00:38:48,710 --> 00:38:46,720

and and removed when they didn't say

884

00:38:50,630 --> 00:38:48,720

anything at all right and

885

00:38:51,910 --> 00:38:50,640

that's a it's a dangerous zone that we

886

00:38:55,030 --> 00:38:51,920

find ourselves in

887

00:38:56,550 --> 00:38:55,040

isn't it i mean you know for the people

888

00:38:58,390 --> 00:38:56,560

who didn't do anything a lot of them are

889

00:39:00,390 --> 00:38:58,400

getting their accounts back like uh the

890

00:39:02,630 --> 00:39:00,400

q anon anonymous account uh that's the

891

00:39:05,510 --> 00:39:02,640

actual like full way you spell it out

892

00:39:06,870 --> 00:39:05,520

um on twitter uh was nuked in the big

893

00:39:09,670 --> 00:39:06,880

you know purge

894

00:39:10,790 --> 00:39:09,680

uh but they're actually an anti-q anon

895

00:39:13,430 --> 00:39:10,800

um

896

00:39:14,390 --> 00:39:13,440

podcast to work to discredit all of the

897

00:39:16,470 --> 00:39:14,400

lies

898

00:39:18,069 --> 00:39:16,480

and so like they shouldn't have been

899

00:39:19,750 --> 00:39:18,079

right uh they had their account back

900

00:39:20,390 --> 00:39:19,760

like six hours later and you know an

901
00:39:22,630 --> 00:39:20,400
apology

902
00:39:24,390 --> 00:39:22,640
uh that the people who kind of you know

903
00:39:26,870 --> 00:39:24,400
didn't are

904
00:39:28,630 --> 00:39:26,880
i think being dealt with fairly yeah

905
00:39:30,870 --> 00:39:28,640
back you know there's accidents you know

906
00:39:33,109 --> 00:39:30,880
they had to kill 70 000 accounts that's

907
00:39:34,390 --> 00:39:33,119
hard to do yeah that is that is and they

908
00:39:37,670 --> 00:39:34,400
saved me a lot of time too

909
00:39:41,430 --> 00:39:37,680
i don't know about you but but uh i lost

910
00:39:43,910 --> 00:39:41,440
5 000 followers in in the last 48 hours

911
00:39:46,150 --> 00:39:43,920
and i was surprised how many of those uh

912
00:39:48,950 --> 00:39:46,160
q anon people were following me i only

913
00:39:51,270 --> 00:39:48,960

lost i think like maybe 2500 or so but

914

00:39:52,069 --> 00:39:51,280

i was very rude to them pretty much

915

00:39:54,470 --> 00:39:52,079

non-stop

916

00:39:55,510 --> 00:39:54,480

uh so uh they didn't stick around with

917

00:39:58,069 --> 00:39:55,520

me too much

918

00:40:00,950 --> 00:39:58,079

yeah i i never talked about them at all

919

00:40:03,430 --> 00:40:00,960

i think i did one q and on show

920

00:40:04,710 --> 00:40:03,440

in the last i don't know two three years

921

00:40:08,150 --> 00:40:04,720

other than that

922

00:40:09,190 --> 00:40:08,160

it's it's really not my my wheelhouse if

923

00:40:12,630 --> 00:40:09,200

you will

924

00:40:14,710 --> 00:40:12,640

and you know because the show deals with

925

00:40:16,470 --> 00:40:14,720

conspiracies and everything else i guess

926
00:40:17,510 --> 00:40:16,480
that's why they were following me in

927
00:40:20,550 --> 00:40:17,520
mass

928
00:40:21,750 --> 00:40:20,560
um yeah yeah yeah it was crazy i i mean

929
00:40:23,349 --> 00:40:21,760
i just couldn't believe it was like what

930
00:40:27,750 --> 00:40:23,359
is going on

931
00:40:29,589 --> 00:40:27,760
and and at first i i looked at it as

932
00:40:31,349 --> 00:40:29,599
well there's this and there's this

933
00:40:32,390 --> 00:40:31,359
reason and this and maybe people just

934
00:40:33,750 --> 00:40:32,400
don't like me

935
00:40:35,270 --> 00:40:33,760
and that's what's going on and then i

936
00:40:36,630 --> 00:40:35,280
thought man there's something else going

937
00:40:39,030 --> 00:40:36,640
on

938
00:40:40,309 --> 00:40:39,040

it's it's too much you know it's three

939

00:40:42,309 --> 00:40:40,319

four five hundred an

940

00:40:44,710 --> 00:40:42,319

hour right yeah you've got the what did

941

00:40:48,470 --> 00:40:44,720

i say and then you start noticing

942

00:40:51,750 --> 00:40:50,950

welcome to the day that we live in well

943

00:40:55,349 --> 00:40:51,760

um

944

00:40:59,190 --> 00:40:55,359

i want to start with parlor

945

00:41:01,750 --> 00:40:59,200

now last year i had

946

00:41:02,470 --> 00:41:01,760

done maybe you read it you're a busy guy

947

00:41:05,510 --> 00:41:02,480

um but i

948

00:41:08,790 --> 00:41:05,520

i had wrote an article back in november

949

00:41:09,589 --> 00:41:08,800

of 20 uh 2020 uh about parlor its

950

00:41:11,270 --> 00:41:09,599

origins

951

00:41:12,950 --> 00:41:11,280

uh the ties going all the way back to

952

00:41:14,670 --> 00:41:12,960

cambridge analytica before that i went

953

00:41:17,829 --> 00:41:14,680

back to 2012

954

00:41:20,390 --> 00:41:17,839

2013 uh with all of this and

955

00:41:21,829 --> 00:41:20,400

and how it advanced through to where we

956

00:41:23,990 --> 00:41:21,839

are today

957

00:41:25,190 --> 00:41:24,000

and obviously parlor was still up and

958

00:41:26,710 --> 00:41:25,200

running back then

959

00:41:28,710 --> 00:41:26,720

but i said to everybody if you were

960

00:41:30,710 --> 00:41:28,720

outraged about cambridge analytica and

961

00:41:33,750 --> 00:41:30,720

you were outraged about data

962

00:41:34,550 --> 00:41:33,760

and mining and what went down with

963

00:41:38,069 --> 00:41:34,560

congress

964

00:41:39,750 --> 00:41:38,079

and and zuckerberg getting grilled uh

965

00:41:41,190 --> 00:41:39,760

by the united states government about

966

00:41:43,349 --> 00:41:41,200

all of these issues and cambridge

967

00:41:46,069 --> 00:41:43,359

analytica and the outrage that was there

968

00:41:46,550 --> 00:41:46,079

then how do you feel today about parlor

969

00:41:50,550 --> 00:41:46,560

and i

970

00:41:53,990 --> 00:41:50,560

outlined everything for them uh there

971

00:41:57,270 --> 00:41:54,000

and i i never felt right about it

972

00:41:59,750 --> 00:41:57,280

um but nonetheless i threw it out there

973

00:42:01,349 --> 00:41:59,760

just so there could be a certain level

974

00:42:03,750 --> 00:42:01,359

of public awareness

975

00:42:05,270 --> 00:42:03,760

because in the future could i say i told

976
00:42:09,430 --> 00:42:05,280
you so i don't i don't want to go

977
00:42:13,030 --> 00:42:09,440
there but um wow

978
00:42:16,150 --> 00:42:13,040
right uh now not only are they gone

979
00:42:18,790 --> 00:42:16,160
but their data is now on hundreds of

980
00:42:22,550 --> 00:42:18,800
hard drives around the world

981
00:42:25,349 --> 00:42:22,560
i mean it's a lot of data

982
00:42:26,710 --> 00:42:25,359
um we're talking terabytes and terabytes

983
00:42:30,309 --> 00:42:26,720
of data so uh

984
00:42:33,270 --> 00:42:30,319
only a few people have full copies yet

985
00:42:34,470 --> 00:42:33,280
77 some are saying 70 terabytes i think

986
00:42:36,630 --> 00:42:34,480
that's the latest

987
00:42:37,589 --> 00:42:36,640
it's 70 terabytes with the 1.1 million

988
00:42:41,109 --> 00:42:37,599

video files

989

00:42:42,069 --> 00:42:41,119

yeah uh with gps locations and longitude

990

00:42:43,990 --> 00:42:42,079

and latitude

991

00:42:45,270 --> 00:42:44,000

we'll get to all of that in a second

992

00:42:48,309 --> 00:42:45,280

absolutely now

993

00:42:51,430 --> 00:42:48,319

it was in the media as

994

00:42:51,990 --> 00:42:51,440

a hack i'm doing air quotes for the

995

00:42:53,670 --> 00:42:52,000

camera

996

00:42:56,150 --> 00:42:53,680

um and when i talked about this

997

00:42:57,510 --> 00:42:56,160

yesterday i did it as deep as i could

998

00:43:00,069 --> 00:42:57,520

and that's when i started to see your

999

00:43:00,870 --> 00:43:00,079

name quoted um in in the media about

1000

00:43:02,710 --> 00:43:00,880

this

1001
00:43:04,309 --> 00:43:02,720
um and you were already booked for the

1002
00:43:07,190 --> 00:43:04,319
show too that's the crazy part

1003
00:43:07,910 --> 00:43:07,200
you just never forget yeah one time but

1004
00:43:10,309 --> 00:43:07,920
um

1005
00:43:11,030 --> 00:43:10,319
uh yeah when you and i were talking last

1006
00:43:13,190 --> 00:43:11,040
week

1007
00:43:14,550 --> 00:43:13,200
this hadn't happened yet so anyway let's

1008
00:43:18,069 --> 00:43:14,560
move forward

1009
00:43:19,349 --> 00:43:18,079
the uh uh it was presented in the media

1010
00:43:22,470 --> 00:43:19,359
as a hack

1011
00:43:24,309 --> 00:43:22,480
as i started to get into this uh and i

1012
00:43:27,829 --> 00:43:24,319
said this yesterday everybody

1013
00:43:31,510 --> 00:43:27,839

hack is the wrong word am i out of line

1014

00:43:31,910 --> 00:43:31,520

and saying it that way no it wasn't the

1015

00:43:35,109 --> 00:43:31,920

hack

1016

00:43:35,670 --> 00:43:35,119

um you know what's funny is you said you

1017

00:43:37,190 --> 00:43:35,680

know

1018

00:43:39,589 --> 00:43:37,200

when we talked a week ago this hadn't

1019

00:43:43,030 --> 00:43:39,599

happened yet but it was in the motions

1020

00:43:45,190 --> 00:43:43,040

yes yes by a week ago i already had 4.4

1021

00:43:47,910 --> 00:43:45,200

million uh parlor profiles backed up

1022

00:43:49,349 --> 00:43:47,920

uh locally here on my hard drives and

1023

00:43:51,990 --> 00:43:49,359

was going for the rest of them

1024

00:43:52,550 --> 00:43:52,000

with my scripts now can you legally

1025

00:43:54,870 --> 00:43:52,560

happen

1026

00:43:56,550 --> 00:43:54,880

just not publicly can you legally say

1027

00:43:59,030 --> 00:43:56,560

this on the air

1028

00:44:00,309 --> 00:43:59,040

yeah because the way the cfa works is uh

1029

00:44:02,390 --> 00:44:00,319

you have to actually bypass

1030

00:44:04,390 --> 00:44:02,400

authentication to trigger it first um

1031

00:44:07,030 --> 00:44:04,400

and i bypassed nothing

1032

00:44:08,309 --> 00:44:07,040

in fact i used open api endpoints that

1033

00:44:10,710 --> 00:44:08,319

anyone can access

1034

00:44:11,589 --> 00:44:10,720

with no password no username no

1035

00:44:13,190 --> 00:44:11,599

encryption

1036

00:44:14,870 --> 00:44:13,200

no nothing to start downloading all of

1037

00:44:16,950 --> 00:44:14,880

this um

1038

00:44:18,950 --> 00:44:16,960

they architected their entire system

1039

00:44:22,150 --> 00:44:18,960

completely wide open

1040

00:44:22,950 --> 00:44:22,160

and then on the most data intensive data

1041

00:44:25,190 --> 00:44:22,960

mining

1042

00:44:27,109 --> 00:44:25,200

we steal every bit of telemetry platform

1043

00:44:29,589 --> 00:44:27,119

you can on aws

1044

00:44:31,349 --> 00:44:29,599

uh so like every time you sneezed while

1045

00:44:33,109 --> 00:44:31,359

you were on parlor aws probably knew

1046

00:44:34,470 --> 00:44:33,119

about it and logged it and then attached

1047

00:44:36,470 --> 00:44:34,480

it to your prime account

1048

00:44:37,589 --> 00:44:36,480

now for everybody out there aws is

1049

00:44:40,710 --> 00:44:37,599

amazon web

1050

00:44:43,190 --> 00:44:40,720

services okay so we'll be you know

1051

00:44:46,630 --> 00:44:43,200

talking about aws a lot tonight

1052

00:44:48,230 --> 00:44:46,640

um okay i can explain to people

1053

00:44:50,309 --> 00:44:48,240

and i'll try and keep it as simple as

1054

00:44:52,950 --> 00:44:50,319

possible but it's a little complicated

1055

00:44:54,230 --> 00:44:52,960

it is um when you when you're talking

1056

00:44:56,230 --> 00:44:54,240

about a hack what you're normally

1057

00:44:58,470 --> 00:44:56,240

talking about is you somehow

1058

00:44:59,829 --> 00:44:58,480

bypassed your way into a place you

1059

00:45:02,309 --> 00:44:59,839

weren't supposed to be

1060

00:45:03,990 --> 00:45:02,319

and that bypass is critical for the

1061

00:45:06,150 --> 00:45:04,000

various laws that uh

1062

00:45:08,230 --> 00:45:06,160

that are used against hackers uh like

1063

00:45:11,430 --> 00:45:08,240

the computer fraud and abuse act

1064

00:45:13,030 --> 00:45:11,440

uh one of the major triggers is the the

1065

00:45:15,349 --> 00:45:13,040

thing that you're accessing

1066

00:45:16,710 --> 00:45:15,359

has to have been inaccessible to the

1067

00:45:20,230 --> 00:45:16,720

general public

1068

00:45:22,309 --> 00:45:20,240

and or

1069

00:45:24,230 --> 00:45:22,319

uh behind a username and password that

1070

00:45:26,710 --> 00:45:24,240

you weren't supposed to have

1071

00:45:28,790 --> 00:45:26,720

so you know there's a lot of pieces to

1072

00:45:31,430 --> 00:45:28,800

it but those are the basics right

1073

00:45:33,349 --> 00:45:31,440

the way parlor built their website is is

1074

00:45:35,430 --> 00:45:33,359

a slightly modern way

1075

00:45:37,910 --> 00:45:35,440

but it's the seven-year-old version of

1076

00:45:40,390 --> 00:45:37,920

that slightly modern way

1077

00:45:42,230 --> 00:45:40,400

and so they built out on a piece of

1078

00:45:44,870 --> 00:45:42,240

software called angular

1079

00:45:45,990 --> 00:45:44,880

and what angular does is instead of

1080

00:45:47,990 --> 00:45:46,000

building the website

1081

00:45:49,829 --> 00:45:48,000

that you're going to see when you load

1082

00:45:52,790 --> 00:45:49,839

up parlor.com

1083

00:45:54,950 --> 00:45:52,800

on their end and then sending it to you

1084

00:45:56,829 --> 00:45:54,960

they send you a bunch of code and your

1085

00:45:59,589 --> 00:45:56,839

web browser

1086

00:46:01,190 --> 00:45:59,599

asksparlor.com for the logo and then

1087

00:46:03,109 --> 00:46:01,200

asks it a second time

1088

00:46:04,309 --> 00:46:03,119

for your username and so it makes all

1089

00:46:06,870 --> 00:46:04,319

these little requests

1090

00:46:07,750 --> 00:46:06,880

as it's loading the page instead of

1091

00:46:09,190 --> 00:46:07,760

their end

1092

00:46:11,190 --> 00:46:09,200

generating and sending you something

1093

00:46:14,870 --> 00:46:11,200

more static right right

1094

00:46:17,990 --> 00:46:14,880

and so all those little pieces of code

1095

00:46:19,270 --> 00:46:18,000

that were asking parlor.com for things

1096

00:46:21,510 --> 00:46:19,280

like your username

1097

00:46:22,710 --> 00:46:21,520

like your graphic like your bio like

1098

00:46:25,270 --> 00:46:22,720

your latest uh

1099

00:46:25,990 --> 00:46:25,280

parlays you know their version of tweets

1100

00:46:28,230 --> 00:46:26,000

um

1101
00:46:29,589 --> 00:46:28,240
were wide open to anyone who was logged

1102
00:46:32,630 --> 00:46:29,599
in so if you

1103
00:46:34,150 --> 00:46:32,640
just looked at the code of that was

1104
00:46:34,550 --> 00:46:34,160
loaded in your web browser which of

1105
00:46:36,150 --> 00:46:34,560
course

1106
00:46:37,910 --> 00:46:36,160
has to be on your computer so your web

1107
00:46:40,150 --> 00:46:37,920
browser can run it

1108
00:46:41,109 --> 00:46:40,160
uh you could see the end points that it

1109
00:46:42,630 --> 00:46:41,119
was accessing

1110
00:46:44,550 --> 00:46:42,640
and then access them yourself and then

1111
00:46:46,309 --> 00:46:44,560
just change the user id

1112
00:46:47,910 --> 00:46:46,319
to someone else's user id and download

1113
00:46:49,030 --> 00:46:47,920

their photo which was fine because

1114

00:46:51,109 --> 00:46:49,040

you're supposed to be able to do that

1115

00:46:52,950 --> 00:46:51,119

when you view their um

1116

00:46:54,230 --> 00:46:52,960

their profile right so you can see it

1117

00:46:56,870 --> 00:46:54,240

right right right

1118

00:46:57,990 --> 00:46:56,880

but every id on this system is

1119

00:46:59,750 --> 00:46:58,000

sequential

1120

00:47:01,510 --> 00:46:59,760

so once you could find a really really

1121

00:47:02,950 --> 00:47:01,520

old one you could just start counting up

1122

00:47:04,630 --> 00:47:02,960

just add one to the end and keep

1123

00:47:07,030 --> 00:47:04,640

grabbing all of the photos

1124

00:47:08,230 --> 00:47:07,040

then all of their bios then all of their

1125

00:47:11,430 --> 00:47:08,240

videos

1126
00:47:11,670 --> 00:47:11,440
and so people started doing that which

1127
00:47:13,510 --> 00:47:11,680
is

1128
00:47:14,790 --> 00:47:13,520
horrible there was no rate limiting

1129
00:47:17,270 --> 00:47:14,800
blocking them

1130
00:47:19,109 --> 00:47:17,280
the only rate limiting that was found by

1131
00:47:20,870 --> 00:47:19,119
the people looking at this was they had

1132
00:47:23,109 --> 00:47:20,880
rate limited how many people you could

1133
00:47:26,790 --> 00:47:23,119
follow and unfollow during the day

1134
00:47:29,030 --> 00:47:26,800
but they like you could grab the list of

1135
00:47:29,990 --> 00:47:29,040
users that say your user account

1136
00:47:31,990 --> 00:47:30,000
followed

1137
00:47:33,750 --> 00:47:32,000
i could grab that for four million

1138
00:47:34,870 --> 00:47:33,760

people in one day and their server would

1139

00:47:37,990 --> 00:47:34,880

keep responding

1140

00:47:39,910 --> 00:47:38,000

no rate limiting of any kind um

1141

00:47:42,069 --> 00:47:39,920

so you could just download all of their

1142

00:47:43,910 --> 00:47:42,079

data with no passwords no usernames no

1143

00:47:46,630 --> 00:47:43,920

logging in

1144

00:47:49,589 --> 00:47:46,640

and then someone got creative and they

1145

00:47:51,430 --> 00:47:49,599

loaded up the parlor app on their phone

1146

00:47:53,510 --> 00:47:51,440

and since it was on their local network

1147

00:47:55,589 --> 00:47:53,520

connected to their wireless

1148

00:47:57,349 --> 00:47:55,599

they could see the traffic going between

1149

00:47:59,270 --> 00:47:57,359

the app and the outside world which

1150

00:48:01,030 --> 00:47:59,280

would get to parlor.com

1151
00:48:03,589 --> 00:48:01,040
and they saw that it was accessing a

1152
00:48:05,589 --> 00:48:03,599
couple different endpoints

1153
00:48:07,190 --> 00:48:05,599
and they were slightly different than

1154
00:48:08,390 --> 00:48:07,200
the ones that your normal web browser

1155
00:48:10,150 --> 00:48:08,400
would access

1156
00:48:12,390 --> 00:48:10,160
so so far still pretty simple right the

1157
00:48:13,510 --> 00:48:12,400
app just has a different way to grab

1158
00:48:16,710 --> 00:48:13,520
that data

1159
00:48:18,790 --> 00:48:16,720
but here's where it got tricky

1160
00:48:19,990 --> 00:48:18,800
because with the web ones that are just

1161
00:48:22,549 --> 00:48:20,000
showing like the list of

1162
00:48:24,150 --> 00:48:22,559
parlays like the list of tweets you know

1163
00:48:26,150 --> 00:48:24,160

um it's got to show you the

1164

00:48:27,190 --> 00:48:26,160

processed video meaning the stuff that's

1165

00:48:29,589 --> 00:48:27,200

been

1166

00:48:30,630 --> 00:48:29,599

compiled down shrunk all the data has

1167

00:48:32,870 --> 00:48:30,640

been stripped like the

1168

00:48:35,750 --> 00:48:32,880

the metadata like the location data

1169

00:48:37,510 --> 00:48:35,760

right um or on the photos like you know

1170

00:48:38,870 --> 00:48:37,520

your location data and the name of your

1171

00:48:40,150 --> 00:48:38,880

camera and stuff like that that is

1172

00:48:42,150 --> 00:48:40,160

attached to every photo

1173

00:48:43,510 --> 00:48:42,160

right um you know all of that gets

1174

00:48:45,349 --> 00:48:43,520

stripped on the one that you see in the

1175

00:48:48,790 --> 00:48:45,359

normal web interface

1176
00:48:50,230 --> 00:48:48,800
but the app was showing us a a thing

1177
00:48:52,230 --> 00:48:50,240
that we could access

1178
00:48:53,589 --> 00:48:52,240
that would instead of giving us the

1179
00:48:55,510 --> 00:48:53,599
stripped version

1180
00:48:57,109 --> 00:48:55,520
it would give us the original version

1181
00:48:58,710 --> 00:48:57,119
that the user had uploaded

1182
00:49:00,630 --> 00:48:58,720
which they still had stored for some

1183
00:49:01,990 --> 00:49:00,640
reason and it would just download it

1184
00:49:03,990 --> 00:49:02,000
again with no username

1185
00:49:05,109 --> 00:49:04,000
no password no authentication of any

1186
00:49:08,309 --> 00:49:05,119
kind and

1187
00:49:09,670 --> 00:49:08,319
again the ids were sequential so start

1188
00:49:11,430 --> 00:49:09,680

from one and go up until you hit the

1189

00:49:14,549 --> 00:49:11,440

first one and just keep going

1190

00:49:16,630 --> 00:49:14,559

and you download uh 1.1 million videos

1191

00:49:18,710 --> 00:49:16,640

that have all of the metadata still

1192

00:49:20,470 --> 00:49:18,720

no hacking was involved it was literally

1193

00:49:23,190 --> 00:49:20,480

just writing little code

1194

00:49:24,069 --> 00:49:23,200

loops that would add one to the end of a

1195

00:49:25,990 --> 00:49:24,079

url

1196

00:49:27,349 --> 00:49:26,000

and then download and then add one and

1197

00:49:28,790 --> 00:49:27,359

then download

1198

00:49:30,549 --> 00:49:28,800

i mean you could have done it in the web

1199

00:49:32,069 --> 00:49:30,559

browser typing if you had the time to

1200

00:49:35,109 --> 00:49:32,079

type a million times

1201

00:49:37,270 --> 00:49:35,119

it sounds almost it's like monty python

1202

00:49:39,589 --> 00:49:37,280

meets spinal tap

1203

00:49:40,870 --> 00:49:39,599

yeah you know what i mean this is almost

1204

00:49:44,150 --> 00:49:40,880

comical

1205

00:49:45,829 --> 00:49:44,160

and so okay this weird spot you know

1206

00:49:47,270 --> 00:49:45,839

everyone knows i'm a lefty right i mean

1207

00:49:49,190 --> 00:49:47,280

everyone knows this about me it's not

1208

00:49:51,430 --> 00:49:49,200

it's not hidden uh i'm i'm very

1209

00:49:53,270 --> 00:49:51,440

out lefty but at the same time i was

1210

00:49:55,109 --> 00:49:53,280

actually on parlor they verified me

1211

00:49:57,190 --> 00:49:55,119

they asked me to come over and join i

1212

00:49:59,190 --> 00:49:57,200

was going to go on john matsey's uh

1213

00:50:01,030 --> 00:49:59,200

podcast next week but now he's a little

1214

00:50:04,549 --> 00:50:01,040

busy um

1215

00:50:05,270 --> 00:50:04,559

you know um and uh so we'll see how that

1216

00:50:07,190 --> 00:50:05,280

goes

1217

00:50:09,190 --> 00:50:07,200

you might also be mad at some of my

1218

00:50:10,470 --> 00:50:09,200

friends so maybe we don't go on i don't

1219

00:50:12,630 --> 00:50:10,480

know we'll see

1220

00:50:14,390 --> 00:50:12,640

but but i'm a far lefty but here i am

1221

00:50:14,710 --> 00:50:14,400

i'm going to say something to the users

1222

00:50:17,670 --> 00:50:14,720

that

1223

00:50:19,750 --> 00:50:17,680

most of my lefty friends won't admit to

1224

00:50:21,589 --> 00:50:19,760

remember back for any of you who are

1225

00:50:23,510 --> 00:50:21,599

old enough to remember back and i know

1226

00:50:25,270 --> 00:50:23,520

it's not that long ago but you might

1227

00:50:26,309 --> 00:50:25,280

have some 20 year old who was eight when

1228

00:50:29,030 --> 00:50:26,319

this happened

1229

00:50:30,069 --> 00:50:29,040

remember back to twitter twitter came

1230

00:50:34,150 --> 00:50:30,079

out in nowhere

1231

00:50:37,190 --> 00:50:34,160

at south by southwest in 07 and 08

1232

00:50:39,510 --> 00:50:37,200

and it just exploded on the scene and

1233

00:50:40,470 --> 00:50:39,520

for the next five years all the way up

1234

00:50:43,589 --> 00:50:40,480

until like late

1235

00:50:43,910 --> 00:50:43,599

2013 what did me and you see jimmy every

1236

00:50:45,750 --> 00:50:43,920

day

1237

00:50:47,430 --> 00:50:45,760

do you remember the fail whale yes do

1238

00:50:50,390 --> 00:50:47,440

you remember the fail whale

1239

00:50:52,069 --> 00:50:50,400

every user of twitter in the first five

1240

00:50:52,870 --> 00:50:52,079

years of its existence saw the fail

1241

00:50:54,069 --> 00:50:52,880

whale

1242

00:50:56,309 --> 00:50:54,079

because they had built out on a

1243

00:50:57,750 --> 00:50:56,319

technology that really didn't scale well

1244

00:51:00,150 --> 00:50:57,760

now they didn't realize this kind of

1245

00:51:00,549 --> 00:51:00,160

user growth was coming so they did the

1246

00:51:02,150 --> 00:51:00,559

work

1247

00:51:03,910 --> 00:51:02,160

and you know by the end of 2013

1248

00:51:04,790 --> 00:51:03,920

beginning of 2014 the feo well kind of

1249

00:51:06,710 --> 00:51:04,800

disappeared

1250

00:51:08,309 --> 00:51:06,720

i haven't seen it you know eight years

1251

00:51:11,030 --> 00:51:08,319

right yeah it's been a while so

1252

00:51:11,510 --> 00:51:11,040

so when you look at parlor like its

1253

00:51:14,390 --> 00:51:11,520

first

1254

00:51:16,390 --> 00:51:14,400

real public heavy use started in uh

1255

00:51:19,510 --> 00:51:16,400

early to mid 2018.

1256

00:51:20,950 --> 00:51:19,520

that's only two years now you can argue

1257

00:51:22,150 --> 00:51:20,960

that it takes a while to get this kind

1258

00:51:25,349 --> 00:51:22,160

of scale right

1259

00:51:28,549 --> 00:51:25,359

but you can also argue that facebook

1260

00:51:29,349 --> 00:51:28,559

instagram pinterest and uh even back to

1261

00:51:31,990 --> 00:51:29,359

myspace

1262

00:51:34,309 --> 00:51:32,000

and twitter of course have all done it

1263

00:51:36,950 --> 00:51:34,319

and what's been cool about them doing it

1264

00:51:37,670 --> 00:51:36,960

not people like zuckerberg who i am not

1265

00:51:39,190 --> 00:51:37,680

a fan of

1266

00:51:40,630 --> 00:51:39,200

but what's been cool about them doing it

1267

00:51:42,470 --> 00:51:40,640

is those companies have allowed their

1268

00:51:44,470 --> 00:51:42,480

engineers to write books

1269

00:51:46,390 --> 00:51:44,480

about how you scale they have released

1270

00:51:47,349 --> 00:51:46,400

open source tool chains that allow you

1271

00:51:50,150 --> 00:51:47,359

to scale

1272

00:51:51,750 --> 00:51:50,160

so if parlor had just used what we now

1273

00:51:54,630 --> 00:51:51,760

call in the programming world

1274

00:51:55,750 --> 00:51:54,640

the patterns the patterns that we know

1275

00:51:56,710 --> 00:51:55,760

scale well

1276

00:51:58,790 --> 00:51:56,720

then they wouldn't have had these

1277

00:52:01,510 --> 00:51:58,800

problems because these are now solved

1278

00:52:02,390 --> 00:52:01,520

things and they had the mercers backing

1279

00:52:04,710 --> 00:52:02,400

them so

1280

00:52:06,950 --> 00:52:04,720

the budget was quite large they could

1281

00:52:08,950 --> 00:52:06,960

have had they could have hired the team

1282

00:52:11,109 --> 00:52:08,960

a team of correct coders and team

1283

00:52:12,870 --> 00:52:11,119

leaders to facilitate

1284

00:52:14,309 --> 00:52:12,880

all of this with the right knowledge on

1285

00:52:16,829 --> 00:52:14,319

how to scale

1286

00:52:17,990 --> 00:52:16,839

i i it blows my mind that these

1287

00:52:21,510 --> 00:52:18,000

weaknesses

1288

00:52:24,470 --> 00:52:21,520

um and the simple side of a parlor was

1289

00:52:25,030 --> 00:52:24,480

allowed to continue to exist including

1290

00:52:28,470 --> 00:52:25,040

uh

1291

00:52:29,750 --> 00:52:28,480

the octa interface to verify and create

1292

00:52:33,030 --> 00:52:29,760

user accounts

1293

00:52:33,670 --> 00:52:33,040

octa and twilio were funny when uh when

1294

00:52:37,910 --> 00:52:33,680

they both

1295

00:52:40,950 --> 00:52:37,920

were pulled that night um they um

1296

00:52:44,150 --> 00:52:40,960

the way parlor verifies everything

1297

00:52:45,829 --> 00:52:44,160

went to default true meaning when i

1298

00:52:46,630 --> 00:52:45,839

tried to log in as you and it wanted the

1299

00:52:48,390 --> 00:52:46,640

two-factor

1300

00:52:50,069 --> 00:52:48,400

verification that i was you that it

1301

00:52:52,790 --> 00:52:50,079

would text to your phone

1302

00:52:55,589 --> 00:52:52,800

and the service provider that parlor

1303

00:52:57,510 --> 00:52:55,599

used to provide that text messaging

1304

00:52:58,630 --> 00:52:57,520

uh failed them because it had been

1305

00:53:01,190 --> 00:52:58,640

turned off

1306

00:53:01,829 --> 00:53:01,200

uh parlor just said ah failure i'm gonna

1307

00:53:04,630 --> 00:53:01,839

let you in

1308

00:53:05,990 --> 00:53:04,640

i'm gonna assume true that is the wrong

1309

00:53:09,109 --> 00:53:06,000

way to fail there

1310

00:53:10,309 --> 00:53:09,119

you you assume false there um and you

1311

00:53:12,069 --> 00:53:10,319

throw up an error

1312

00:53:13,910 --> 00:53:12,079

and then you also have it automatically

1313

00:53:14,309 --> 00:53:13,920

send an email over to your engineers

1314

00:53:17,349 --> 00:53:14,319

saying

1315

00:53:18,549 --> 00:53:17,359

uh holy crap guys you don't just fail

1316

00:53:21,349 --> 00:53:18,559

true and let people in

1317

00:53:23,349 --> 00:53:21,359

i mean i watched people log in as all

1318

00:53:26,630 --> 00:53:23,359

kinds of random users

1319

00:53:28,790 --> 00:53:26,640

uh because the fail true now um and

1320

00:53:30,230 --> 00:53:28,800

we're gonna be headed into a break here

1321

00:53:33,109 --> 00:53:30,240

um i

1322

00:53:34,950 --> 00:53:33,119

in in my deep dive uh yesterday in

1323

00:53:37,589 --> 00:53:34,960

researching all of this

1324

00:53:38,790 --> 00:53:37,599

one of the comments that i read over and

1325

00:53:41,990 --> 00:53:38,800

over again

1326

00:53:45,190 --> 00:53:42,000

um was that it wasn't

1327

00:53:47,990 --> 00:53:45,200

at all a hack that there were open

1328

00:53:49,270 --> 00:53:48,000

doors on the back end on the front end

1329

00:53:52,710 --> 00:53:49,280

all you had to do

1330

00:53:55,109 --> 00:53:52,720

was have the time to go and open one

1331

00:53:56,390 --> 00:53:55,119

it was there were tools on github.com

1332

00:53:57,589 --> 00:53:56,400

that you could literally download one of

1333

00:53:59,030 --> 00:53:57,599

them is called parlance that just

1334

00:54:01,030 --> 00:53:59,040

connected up to the api

1335

00:54:02,710 --> 00:54:01,040

like it was the web front end you just

1336

00:54:04,470 --> 00:54:02,720

go download it still uh just if you want

1337

00:54:06,309 --> 00:54:04,480

to look at it it's just python code

1338

00:54:08,549 --> 00:54:06,319

that would that would connect up and do

1339

00:54:10,549 --> 00:54:08,559

mass things on their api just like the

1340

00:54:12,549 --> 00:54:10,559

front end would um

1341

00:54:14,870 --> 00:54:12,559

and it's just that's totally legit legal

1342

00:54:17,910 --> 00:54:14,880

code there's nothing wrong with it

1343

00:54:20,230 --> 00:54:17,920

now is is uh you know when you have 70

1344

00:54:23,190 --> 00:54:20,240

terabytes of data which

1345

00:54:25,829 --> 00:54:23,200

some are saying you would know this but

1346

00:54:27,589 --> 00:54:25,839

it is nearly in totality

1347

00:54:29,829 --> 00:54:27,599

everything parlor it's everything that

1348

00:54:31,510 --> 00:54:29,839

was deleted it was private messaging it

1349

00:54:33,510 --> 00:54:31,520

was anything else that they consider

1350

00:54:36,549 --> 00:54:33,520

private any communication anything at

1351

00:54:40,150 --> 00:54:36,559

all everything in its entirety now

1352

00:54:42,069 --> 00:54:40,160

has has been copied so most of that is

1353

00:54:43,990 --> 00:54:42,079

what came out through the reddit thread

1354

00:54:48,230 --> 00:54:44,000

where someone was claiming to have

1355

00:54:51,270 --> 00:54:48,240

more knowledge and most of that is

1356

00:54:54,470 --> 00:54:51,280

is halfway true so

1357

00:54:57,030 --> 00:54:54,480

what what is had is um all

1358

00:54:58,789 --> 00:54:57,040

of the videos in their original form

1359

00:55:00,549 --> 00:54:58,799

that were ever uploaded to it meaning

1360

00:55:02,470 --> 00:55:00,559

whatever metadata was on that video

1361

00:55:04,870 --> 00:55:02,480

before you upload it is saved

1362

00:55:06,230 --> 00:55:04,880

so you know latitude longitude for a

1363

00:55:08,549 --> 00:55:06,240

location uh

1364

00:55:10,470 --> 00:55:08,559

name uh if like you if you used you know

1365

00:55:12,150 --> 00:55:10,480

final cut pro or imovie or

1366

00:55:13,990 --> 00:55:12,160

or windows movie maker you know it'll

1367

00:55:15,349 --> 00:55:14,000

put your name in the metadata of the

1368

00:55:16,870 --> 00:55:15,359

video whatever username

1369

00:55:18,950 --> 00:55:16,880

you were signed into your computer with

1370

00:55:19,990 --> 00:55:18,960

when you made the video and so all of

1371

00:55:22,549 --> 00:55:20,000

that is on those video files

1372

00:55:23,349 --> 00:55:22,559

so there's 1.1 million files the next

1373

00:55:26,549 --> 00:55:23,359

thing

1374

00:55:27,589 --> 00:55:26,559

every parlay that was sent uh so these

1375

00:55:30,069 --> 00:55:27,599

are the public

1376
00:55:30,710 --> 00:55:30,079
you posted this you might have deleted

1377
00:55:32,549 --> 00:55:30,720
it but

1378
00:55:33,990 --> 00:55:32,559
nothing's deleted in their database it's

1379
00:55:35,990 --> 00:55:34,000
just marked as deleted with

1380
00:55:37,589 --> 00:55:36,000
a little flag you can still download it

1381
00:55:39,990 --> 00:55:37,599
if you just hit the api for it

1382
00:55:40,710 --> 00:55:40,000
the api didn't stop you from downloading

1383
00:55:44,150 --> 00:55:40,720
what we call

1384
00:55:47,190 --> 00:55:44,160
soft deleted messages um

1385
00:55:50,069 --> 00:55:47,200
you know and so no private

1386
00:55:50,470 --> 00:55:50,079
messages are in that data set no none of

1387
00:55:52,950 --> 00:55:50,480
the

1388
00:55:54,230 --> 00:55:52,960

photo ids that people uploaded to verify

1389

00:55:55,589 --> 00:55:54,240

are in this data set that was

1390

00:55:58,069 --> 00:55:55,599

downloadable

1391

00:55:59,030 --> 00:55:58,079

um the passwords were not in this data

1392

00:56:01,109 --> 00:55:59,040

set um

1393

00:56:02,150 --> 00:56:01,119

it's literally anything you posted

1394

00:56:04,630 --> 00:56:02,160

publicly

1395

00:56:05,589 --> 00:56:04,640

even if you deleted it and the more

1396

00:56:07,430 --> 00:56:05,599

problematic is

1397

00:56:09,270 --> 00:56:07,440

it's not the thing that ended up showing

1398

00:56:10,390 --> 00:56:09,280

up publicly but it's your original

1399

00:56:12,309 --> 00:56:10,400

uploaded file

1400

00:56:13,910 --> 00:56:12,319

now what's metadata what's going to

1401
00:56:15,190 --> 00:56:13,920
happen with and we'll talk about this

1402
00:56:19,030 --> 00:56:15,200
more after the break

1403
00:56:21,910 --> 00:56:19,040
in depth um because octa

1404
00:56:23,910 --> 00:56:21,920
you needed to have access to their

1405
00:56:26,789 --> 00:56:23,920
servers for the database to run

1406
00:56:28,549 --> 00:56:26,799
correctly uh when creating new user

1407
00:56:31,829 --> 00:56:28,559
accounts and verifying their

1408
00:56:36,230 --> 00:56:31,839
data if octa now

1409
00:56:38,870 --> 00:56:36,240
is not in play do they still have

1410
00:56:39,670 --> 00:56:38,880
access to the original database of users

1411
00:56:41,750 --> 00:56:39,680
and can

1412
00:56:44,309 --> 00:56:41,760
it work correctly or does that have to

1413
00:56:46,710 --> 00:56:44,319

be built from the ground up once again

1414

00:56:48,230 --> 00:56:46,720

so they still have the users uh in in

1415

00:56:49,829 --> 00:56:48,240

their database they have your usernames

1416

00:56:51,990 --> 00:56:49,839

they have your email addresses they have

1417

00:56:53,990 --> 00:56:52,000

all of that like um

1418

00:56:55,430 --> 00:56:54,000

the uh even the people who downloaded

1419

00:56:56,630 --> 00:56:55,440

the data they downloaded don't have the

1420

00:56:58,789 --> 00:56:56,640

email addresses like

1421

00:57:00,150 --> 00:56:58,799

none of that was in that that data set

1422

00:57:00,950 --> 00:57:00,160

that was grabbed it was literally

1423

00:57:02,950 --> 00:57:00,960

whatever you

1424

00:57:04,470 --> 00:57:02,960

i mean if you had sent out a parlay with

1425

00:57:06,230 --> 00:57:04,480

your email in it then sure

1426

00:57:08,390 --> 00:57:06,240

but any of you like your your private

1427

00:57:11,109 --> 00:57:08,400

profile data that was just shared for

1428

00:57:12,710 --> 00:57:11,119

communication with parlor only uh isn't

1429

00:57:14,069 --> 00:57:12,720

in the data set that was downloaded

1430

00:57:15,270 --> 00:57:14,079

because again there was no hack it was

1431

00:57:16,470 --> 00:57:15,280

literally whatever could be accessed

1432

00:57:19,670 --> 00:57:16,480

publicly

1433

00:57:20,549 --> 00:57:19,680

uh but um they so so what i'm assuming

1434

00:57:22,309 --> 00:57:20,559

they're gonna do

1435

00:57:24,870 --> 00:57:22,319

being that they lost octa and they lost

1436

00:57:26,390 --> 00:57:24,880

twilio when they get this back up

1437

00:57:28,470 --> 00:57:26,400

i think they're going to probably force

1438

00:57:30,549 --> 00:57:28,480

everyone to do a reset password with

1439

00:57:31,990 --> 00:57:30,559

whatever email was on your account

1440

00:57:33,510 --> 00:57:32,000

something along those lines we've seen

1441

00:57:33,990 --> 00:57:33,520

other services come back from hacks and

1442

00:57:35,589 --> 00:57:34,000

just

1443

00:57:37,510 --> 00:57:35,599

force everyone to change their password

1444

00:57:40,230 --> 00:57:37,520

and then you get back in

1445

00:57:43,190 --> 00:57:40,240

so so but you would have to have another

1446

00:57:45,430 --> 00:57:43,200

verification service like octa

1447

00:57:46,230 --> 00:57:45,440

um built back into the front end and so

1448

00:57:48,549 --> 00:57:46,240

what do you do

1449

00:57:49,349 --> 00:57:48,559

with millions of users is it some kind

1450

00:57:53,349 --> 00:57:49,359

of

1451

00:57:54,950 --> 00:57:53,359

uh excel spreadsheet

1452

00:57:57,589 --> 00:57:54,960

i don't know i'm asking you i mean how

1453

00:58:00,150 --> 00:57:57,599

do you how how do you do that

1454

00:58:02,710 --> 00:58:00,160

um i mean twitter doesn't do anything

1455

00:58:05,910 --> 00:58:02,720

like octa

1456

00:58:08,309 --> 00:58:05,920

yeah interesting interesting and i i

1457

00:58:09,990 --> 00:58:08,319

still don't know why parlor wants my uh

1458

00:58:11,589 --> 00:58:10,000

well they don't want mine because see

1459

00:58:13,270 --> 00:58:11,599

since they invited me they didn't need

1460

00:58:15,990 --> 00:58:13,280

my license to verify me

1461

00:58:17,430 --> 00:58:16,000

and i got a zoom call from them and we

1462

00:58:18,069 --> 00:58:17,440

got to talk and they were like oh it's

1463

00:58:19,829 --> 00:58:18,079

you

1464

00:58:21,030 --> 00:58:19,839

so they didn't get any of my id so even

1465

00:58:22,309 --> 00:58:21,040

if it had been downloaded i wouldn't

1466

00:58:25,190 --> 00:58:22,319

have been in there because

1467

00:58:26,950 --> 00:58:25,200

they are very classist and as long as

1468

00:58:27,510 --> 00:58:26,960

you have a small following somewhere

1469

00:58:29,829 --> 00:58:27,520

else

1470

00:58:31,030 --> 00:58:29,839

it doesn't matter large whatever they

1471

00:58:32,950 --> 00:58:31,040

will let you bypass

1472

00:58:34,470 --> 00:58:32,960

all of their authentication methods all

1473

00:58:35,510 --> 00:58:34,480

of their verification give you all the

1474

00:58:38,870 --> 00:58:35,520

badges

1475

00:58:40,309 --> 00:58:38,880

and uh i've got 15 seconds left so the

1476
00:58:43,510 --> 00:58:40,319
reports of which

1477
00:58:46,630 --> 00:58:43,520
there are many out there

1478
00:58:50,150 --> 00:58:46,640
from different media sources that

1479
00:58:52,230 --> 00:58:50,160
the driver's licenses and those images

1480
00:58:54,069 --> 00:58:52,240
have been accessed you're saying that

1481
00:58:56,309 --> 00:58:54,079
they have not

1482
00:58:57,349 --> 00:58:56,319
when you talk about the 70 terabyte data

1483
00:59:00,069 --> 00:58:57,359
set from the

1484
00:59:00,710 --> 00:59:00,079
the um people who are archiving all of

1485
00:59:06,470 --> 00:59:00,720
that

1486
00:59:08,549 --> 00:59:06,480
you know hacker out there somewhere in

1487
00:59:10,309 --> 00:59:08,559
the world who did get into that

1488
00:59:13,030 --> 00:59:10,319

right but we don't know of any of that i

1489

00:59:15,270 --> 00:59:13,040

have actually found where the person who

1490

00:59:16,549 --> 00:59:15,280

did the original download of the 70

1491

00:59:17,910 --> 00:59:16,559

terabytes is and

1492

00:59:19,990 --> 00:59:17,920

i've talked to them over the last couple

1493

00:59:23,109 --> 00:59:20,000

days and none of that data is in there

1494

00:59:24,470 --> 00:59:23,119

um however someone else might have that

1495

00:59:25,510 --> 00:59:24,480

and so i'm not going to say it's not out

1496

00:59:27,670 --> 00:59:25,520

there i just know

1497

00:59:29,589 --> 00:59:27,680

it wasn't easily accessible by anyone

1498

00:59:31,430 --> 00:59:29,599

that i saw from anything public and

1499

00:59:33,270 --> 00:59:31,440

they were doing their best not to infect

1500

00:59:35,030 --> 00:59:33,280

their data with things that might have

1501
00:59:36,549 --> 00:59:35,040
been problematic to download

1502
00:59:38,230 --> 00:59:36,559
let's take our break right here our

1503
00:59:42,150 --> 00:59:38,240
guest tonight the one and only greg

1504
00:59:45,510 --> 00:59:42,160
housh talking about big data big tech

1505
00:59:47,030 --> 00:59:45,520
big drama it's all going down right now

1506
00:59:48,549 --> 00:59:47,040
more with greg when we come back after

1507
00:59:50,069 --> 00:59:48,559
this short break i'm real jimmy church

1508
00:59:53,030 --> 00:59:50,079
this is fade to black

1509
00:59:54,630 --> 00:59:53,040
on the game changer network and kgra the

1510
00:59:56,710 --> 00:59:54,640
planet you can follow me on twitter

1511
00:59:57,670 --> 00:59:56,720
if there's anybody left on twitter at j

1512
01:00:00,069 --> 00:59:57,680
george radio

1513
01:00:01,109 --> 01:00:00,079

you can follow greg house that's greg

1514

01:00:02,549 --> 01:00:01,119

with two g's

1515

01:00:12,829 --> 01:00:02,559

we've got it up in our twitter feed

1516

01:00:12,839 --> 01:00:19,109

us

1517

01:00:23,589 --> 01:00:21,270

this is fade to black with jimmy church

1518

01:00:28,630 --> 01:00:23,599

on the game changer radio network

1519

01:00:31,109 --> 01:00:28,640

and kgra the global radio alliance

1520

01:00:32,150 --> 01:00:31,119

this is kgra digital broadcasting

1521

01:00:36,549 --> 01:00:32,160

station

1522

01:00:38,549 --> 01:00:36,559

salt lake city utah van buren arkansas

1523

01:00:40,230 --> 01:00:38,559

hello my name is billy carson and i'm a

1524

01:00:42,390 --> 01:00:40,240

best-selling author and the founder of

1525

01:00:44,390 --> 01:00:42,400

forbidden knowledge dot tv together with

1526
01:00:45,829 --> 01:00:44,400
my team we have built a all new contest

1527
01:00:47,430 --> 01:00:45,839
streaming tv platform

1528
01:00:49,349 --> 01:00:47,440
designed with every family member in

1529
01:00:50,630 --> 01:00:49,359
mind if you have ever wanted to travel

1530
01:00:52,150 --> 01:00:50,640
the world and attend lectures and

1531
01:00:53,190 --> 01:00:52,160
workshops from your favorite speakers

1532
01:00:55,910 --> 01:00:53,200
but weren't able to

1533
01:00:56,549 --> 01:00:55,920
look no further forbidden knowledge dot

1534
01:00:58,230 --> 01:00:56,559
tv

1535
01:01:00,150 --> 01:00:58,240
there are dozens of workshops and

1536
01:01:02,230 --> 01:01:00,160
lectures from speakers you know and love

1537
01:01:04,150 --> 01:01:02,240
we have also included amazing categories

1538
01:01:05,910 --> 01:01:04,160

to assure that your consciousness is

1539

01:01:06,549 --> 01:01:05,920

entertained and elevating on a daily

1540

01:01:08,710 --> 01:01:06,559

basis

1541

01:01:11,030 --> 01:01:08,720

amazing interviews ancient history

1542

01:01:13,750 --> 01:01:11,040

ascension knowledge wisdom teachings

1543

01:01:14,789 --> 01:01:13,760

documentaries conspiracies mysteries

1544

01:01:17,190 --> 01:01:14,799

health and fitness

1545

01:01:18,549 --> 01:01:17,200

conscious cooking meditations finance

1546

01:01:20,549 --> 01:01:18,559

yoga and so much more

forbidden knowledge dot tv

1553
01:01:38,150 --> 01:01:35,200
today listen

1554
01:01:40,150 --> 01:01:38,160
i know and you know that you've always

1555
01:01:42,390 --> 01:01:40,160
wanted your first crystal skull

1556
01:01:44,309 --> 01:01:42,400
or maybe you're a collector just like me

1557
01:01:46,950 --> 01:01:44,319
but you just don't know where to go

1558
01:01:49,549 --> 01:01:46,960
to find the real thing then i met

1559
01:01:50,950 --> 01:01:49,559
carolyn ford over at einstein the

1560
01:01:53,430 --> 01:01:50,960
crystalskull.com

1561
01:01:55,430 --> 01:01:53,440
carolyn is the guardian of einstein one

1562
01:01:56,950 --> 01:01:55,440
of the most respected ancient crystal

1563
01:01:58,630 --> 01:01:56,960

skulls in the world

1564

01:02:00,470 --> 01:01:58,640

all of her unique skulls have been

1565

01:02:02,549 --> 01:02:00,480

imprinted sitting with einstein

1566

01:02:05,109 --> 01:02:02,559

in his sacred lodge and are carved from

1567

01:02:07,270 --> 01:02:05,119

the finest gemstone and materials

1568

01:02:09,829 --> 01:02:07,280

imprinting is the process of receiving

1569

01:02:11,349 --> 01:02:09,839

the ancient wisdom from the master skull

1570

01:02:14,390 --> 01:02:11,359

or master computer

1571

01:02:16,150 --> 01:02:14,400

einstein the ancient crystal skull

1572

01:02:18,470 --> 01:02:16,160

to see carolyn's current collection of

1573

01:02:21,190 --> 01:02:18,480

crystal skulls just visit her store at

1574

01:02:23,430 --> 01:02:21,200

your order today

1579

01:02:34,150 --> 01:02:32,480

that's promo code jimmy finding your

1580

01:02:37,390 --> 01:02:34,160

first or next crystal skull

1581

01:02:40,470 --> 01:02:37,400

is easy just visit einstein the

1582

01:02:43,510 --> 01:02:42,630

when you take the beans from central

1583

01:02:45,829 --> 01:02:43,520

america

1584

01:02:46,549 --> 01:02:45,839

with dashes of indonesian and african

1585

01:02:48,789 --> 01:02:46,559

mixed in

1586

01:02:50,150 --> 01:02:48,799

and then roasted to the dark side of

1587

01:02:53,349 --> 01:02:50,160

fade to black

1588

01:02:56,309 --> 01:02:53,359

you create the ultimate brew of fringe

1589

01:02:57,990 --> 01:02:56,319

introducing the fade to black blend from

1590

01:03:01,029 --> 01:02:58,000

river moon coffee

1591

01:03:03,109 --> 01:03:01,039

yes river moon's darkest customized

1592

01:03:06,309 --> 01:03:03,119

roast was created for the love

1593

01:03:09,109 --> 01:03:06,319

of fade to black the alchemy of

1594

01:03:11,750 --> 01:03:09,119

masterful roasting and smoking the beans

1595

01:03:15,430 --> 01:03:11,760

is in every sip of this full-bodied

1596

01:03:17,990 --> 01:03:15,440

dark java i need my coffee doc

1597

01:03:18,950 --> 01:03:18,000

deep with distinct bittersweet chocolate

1598

01:03:21,510 --> 01:03:18,960

highlights

1599

01:03:23,510 --> 01:03:21,520

just like the bunker leaning further

1600

01:03:26,150 --> 01:03:23,520

into the darkness of the roast

1601
01:03:27,029 --> 01:03:26,160
is fade to black blend from river moon

1602
01:03:28,829 --> 01:03:27,039
coffee

1603
01:03:30,789 --> 01:03:28,839
just click on the banner at

1604
01:03:31,190 --> 01:03:30,799
jimmychurchradio.com and use the promo

1605
01:03:35,670 --> 01:03:31,200
code

1606
01:03:42,390 --> 01:03:35,680
f2b blend for 15 off of your order today

1607
01:03:45,829 --> 01:03:42,400
go back lee teppy church

1608
01:03:47,750 --> 01:03:45,839
on jimmy jimmychurchradio.com

1609
01:03:49,670 --> 01:03:47,760
hi this is ray sobbs here repping the

1610
01:03:50,230 --> 01:03:49,680
planet and you're listening to my good

1611
01:03:53,109 --> 01:03:50,240
friend

1612
01:03:55,829 --> 01:03:53,119
jimmy church fade to black on the game

1613
01:03:58,950 --> 01:03:55,839

changer network and the kgra digital

1614

01:04:02,029 --> 01:03:58,960

broadcast station

1615

01:04:03,190 --> 01:04:02,039

this is toby kebble you're listening to

1616

01:04:06,230 --> 01:04:03,200

jimmychurchradio.com

1617

01:04:08,470 --> 01:04:06,240

don't hurt me jimmy i'm only little hey

1618

01:04:13,750 --> 01:04:08,480

i'm adrian grenier and this is ari gold

1619

01:04:16,069 --> 01:04:13,760

we're the honey brothers

1620

01:04:17,750 --> 01:04:16,079

hey i'm adrian grenier and i'm ari gold

1621

01:04:19,990 --> 01:04:17,760

we're the honey brothers

1622

01:04:21,510 --> 01:04:20,000

and you're listening to jimmy church a

1623

01:04:23,190 --> 01:04:21,520

revolution

1624

01:04:25,190 --> 01:04:23,200

this is jimmy church of fade to black

1625

01:04:25,990 --> 01:04:25,200

and you can become an official fate or

1626
01:04:29,549 --> 01:04:26,000
not by just

1627
01:04:31,750 --> 01:04:29,559
going to our membership section at

1628
01:04:33,829 --> 01:04:31,760
jimmychurchradio.com

1629
01:04:35,270 --> 01:04:33,839
hello this is serena wright taylor from

1630
01:04:37,190 --> 01:04:35,280
conscious life expo

1631
01:04:38,309 --> 01:04:37,200
and you're listening to fade to black

1632
01:04:40,549 --> 01:04:38,319
with jimmy church

1633
01:04:42,670 --> 01:04:40,559
who holds the lucky pony record for the

1634
01:04:46,309 --> 01:04:42,680
best astrological chart since

1635
01:04:47,990 --> 01:04:46,319
1963. true story

1636
01:04:49,589 --> 01:04:48,000
this is micah hanks of the ghrelian

1637
01:04:51,109 --> 01:04:49,599
report and you're listening to jimmy

1638
01:04:52,870 --> 01:04:51,119

church on fade to black

1639

01:04:54,789 --> 01:04:52,880

across the globe on the game changer

1640

01:05:16,950 --> 01:04:54,799

radio network and the one and only

1641

01:05:21,029 --> 01:05:18,470

welcome back fade to black i'm nervous

1642

01:05:23,990 --> 01:05:21,039

jimmy church tonight greg house

1643

01:05:25,910 --> 01:05:24,000

the one and only we're talking about big

1644

01:05:29,510 --> 01:05:25,920

tech big drama

1645

01:05:33,670 --> 01:05:29,520

and tonight greg and i

1646

01:05:36,710 --> 01:05:33,680

are going to attempt to explain

1647

01:05:40,069 --> 01:05:36,720

what is actually going on and

1648

01:05:43,510 --> 01:05:40,079

this is uh this is a touchy area uh

1649

01:05:45,349 --> 01:05:43,520

greg for not only our audience but

1650

01:05:46,870 --> 01:05:45,359

the rest of the country and and

1651

01:05:48,950 --> 01:05:46,880

everything else and

1652

01:05:50,069 --> 01:05:48,960

where people are talking about first

1653

01:05:52,470 --> 01:05:50,079

amendment rights

1654

01:05:53,349 --> 01:05:52,480

and and things you've been an activist

1655

01:05:55,829 --> 01:05:53,359

uh for

1656

01:05:56,630 --> 01:05:55,839

a very long time about not only these

1657

01:05:59,750 --> 01:05:56,640

subjects

1658

01:06:02,230 --> 01:05:59,760

but uh the internet and those freedoms

1659

01:06:03,990 --> 01:06:02,240

the glorious freedom that was promised

1660

01:06:06,150 --> 01:06:04,000

to us in the very beginning

1661

01:06:07,910 --> 01:06:06,160

um things have gone off the track and

1662

01:06:09,510 --> 01:06:07,920

gone off the rails a few times we've

1663

01:06:12,950 --> 01:06:09,520

tried to keep things

1664

01:06:15,589 --> 01:06:12,960

uh back on the track but this is

1665

01:06:16,630 --> 01:06:15,599

this is your wheelhouse and for me to be

1666

01:06:18,789 --> 01:06:16,640

able to

1667

01:06:21,270 --> 01:06:18,799

uh bring you on to this show and discuss

1668

01:06:24,390 --> 01:06:21,280

these issues that are very sensitive

1669

01:06:27,829 --> 01:06:24,400

to so many uh the internet uh

1670

01:06:31,750 --> 01:06:27,839

in any form is now uh

1671

01:06:34,710 --> 01:06:31,760

an emotional thing for people and it is

1672

01:06:36,230 --> 01:06:34,720

a part of a daily life this is this is

1673

01:06:39,270 --> 01:06:36,240

what we deal with today

1674

01:06:41,109 --> 01:06:39,280

and and they don't understand a lot of

1675

01:06:44,150 --> 01:06:41,119

the times the complications

1676

01:06:47,349 --> 01:06:44,160

that are running in the background

1677

01:06:50,630 --> 01:06:47,359

and it surprises me to

1678

01:06:51,829 --> 01:06:50,640

see over and over again that uh like the

1679

01:06:54,069 --> 01:06:51,839

issues with parlor

1680

01:06:56,230 --> 01:06:54,079

or or twitter or whatever that first

1681

01:06:57,029 --> 01:06:56,240

amendment is the first thing that people

1682

01:06:59,670 --> 01:06:57,039

bring up

1683

01:07:00,230 --> 01:06:59,680

um how do you combat that and how do you

1684

01:07:04,470 --> 01:07:00,240

take that

1685

01:07:05,990 --> 01:07:04,480

head on well i mean

1686

01:07:07,750 --> 01:07:06,000

it's a weird one because anyone

1687

01:07:09,190 --> 01:07:07,760

screaming that somehow

1688

01:07:11,029 --> 01:07:09,200

being on twitter is their first

1689

01:07:13,349 --> 01:07:11,039

amendment right hasn't

1690

01:07:14,390 --> 01:07:13,359

read the first amendment or seen any

1691

01:07:16,950 --> 01:07:14,400

precedence that

1692

01:07:18,789 --> 01:07:16,960

has actually been set around it the

1693

01:07:21,750 --> 01:07:18,799

first amendment uh protects

1694

01:07:23,029 --> 01:07:21,760

you with free speech in terms of the

1695

01:07:25,910 --> 01:07:23,039

government

1696

01:07:27,029 --> 01:07:25,920

it however does not protect you to use

1697

01:07:30,470 --> 01:07:27,039

any speech you want

1698

01:07:31,750 --> 01:07:30,480

on a private company's platform uh

1699

01:07:34,069 --> 01:07:31,760

they are allowed to use terms of

1700

01:07:35,910 --> 01:07:34,079

services and enforce them on whatever

1701

01:07:39,029 --> 01:07:35,920

speech they choose

1702

01:07:40,309 --> 01:07:39,039

uh so this is uh

1703

01:07:42,230 --> 01:07:40,319

something that they get to do and what

1704

01:07:44,230 --> 01:07:42,240

what's always been weird to me is when

1705

01:07:45,589 --> 01:07:44,240

you see something like parlor go down

1706

01:07:47,430 --> 01:07:45,599

and you start hearing all the free

1707

01:07:51,430 --> 01:07:47,440

speech claims and you hear that

1708

01:07:53,109 --> 01:07:51,440

octa twilio amazon are all backing out

1709

01:07:54,870 --> 01:07:53,119

of contracts with them

1710

01:07:56,870 --> 01:07:54,880

people again are screaming about free

1711

01:07:58,390 --> 01:07:56,880

speech but um

1712

01:08:01,270 --> 01:07:58,400

it's the exact same people who will

1713

01:08:03,430 --> 01:08:01,280

scream at you to let the free market uh

1714

01:08:04,950 --> 01:08:03,440

speaking and let the free market uh dictate

1715

01:08:08,950 --> 01:08:04,960

where things go and uh

1716

01:08:12,309 --> 01:08:08,960

the free market spoke and parlor lost

1717

01:08:14,630 --> 01:08:12,319

the uh the an example

1718

01:08:17,110 --> 01:08:14,640

uh in a very simple form would be

1719

01:08:20,229 --> 01:08:17,120

something like this

1720

01:08:22,550 --> 01:08:20,239

you own a website that talks about

1721

01:08:23,430 --> 01:08:22,560

dogs and you've got a form there and

1722

01:08:25,030 --> 01:08:23,440

you've got people

1723

01:08:26,709 --> 01:08:25,040

and you've got somebody that wants to

1724

01:08:30,070 --> 01:08:26,719

come on and talk about

1725

01:08:30,709 --> 01:08:30,080

cats and you tell them look man you know

1726

01:08:34,149 --> 01:08:30,719

this is

1727

01:08:35,749 --> 01:08:34,159

but but

1728

01:08:37,349 --> 01:08:35,759

we need to keep this about and then it

1729

01:08:41,030 --> 01:08:37,359

it it goes south

1730

01:08:43,829 --> 01:08:41,040

from there and that if i own that

1731

01:08:44,630 --> 01:08:43,839

site i have the right to kick that

1732

01:08:46,950 --> 01:08:44,640

person off

1733

01:08:47,749 --> 01:08:46,960

we don't you know this isn't what we do

1734

01:08:50,470 --> 01:08:47,759

here

1735

01:08:52,070 --> 01:08:50,480

it you can elevate that into any area

1736

01:08:55,349 --> 01:08:52,080

that you want but in its simplest

1737

01:08:57,910 --> 01:08:55,359

form that terms of service is there

1738

01:08:59,430 --> 01:08:57,920

and it's a private company and the line

1739

01:09:02,470 --> 01:08:59,440

in the sand can be drawn

1740

01:09:04,309 --> 01:09:02,480

by the owners of the company right yeah

1741

01:09:06,229 --> 01:09:04,319

absolutely it's it's the world we live

1742

01:09:08,229 --> 01:09:06,239

in now if you want to start arguing

1743

01:09:09,990 --> 01:09:08,239

how enforceable terms of services are

1744

01:09:11,590 --> 01:09:10,000

well i mean it's gone up to the federal

1745

01:09:13,669 --> 01:09:11,600

level and been found to be

1746

01:09:15,030 --> 01:09:13,679

a federal violation to violate terms of

1747

01:09:17,590 --> 01:09:15,040

service knowingly

1748

01:09:19,590 --> 01:09:17,600

uh by by you know by users of these

1749

01:09:21,990 --> 01:09:19,600

companies so um

1750

01:09:24,550 --> 01:09:22,000

so we have more than enough precedence

1751

01:09:27,430 --> 01:09:24,560

showing that it is you know totally

1752

01:09:27,829 --> 01:09:27,440

actionable so they have to remove people

1753

01:09:29,430 --> 01:09:27,839

i mean

1754

01:09:32,829 --> 01:09:29,440

one of the more interesting things is it

1755

01:09:40,550 --> 01:09:32,839

works kind of like copyright law where

1756

01:09:43,430 --> 01:09:41,990

let a bunch of people violate it and

1757

01:09:44,229 --> 01:09:43,440

then you go after one person for

1758

01:09:45,349 --> 01:09:44,239

violating it

1759

01:09:46,870 --> 01:09:45,359

they're gonna look at you and say but

1760

01:09:48,709 --> 01:09:46,880

you let everyone else do it and didn't

1761

01:09:51,030 --> 01:09:48,719

do anything about that so

1762

01:09:52,470 --> 01:09:51,040

this is and you know and you'll you

1763

01:09:53,110 --> 01:09:52,480

won't be able to enforce your trademark

1764

01:09:55,270 --> 01:09:53,120

anymore

1765

01:09:57,030 --> 01:09:55,280

well with terms of services they have to

1766

01:10:01,350 --> 01:09:57,040

enforce them

1767

01:10:04,390 --> 01:10:01,360

equally to everyone or to no one

1768

01:10:08,790 --> 01:10:04,400

right it's really that simple and there

1769

01:10:16,709 --> 01:10:12,950

the the social media platform

1770

01:10:19,990 --> 01:10:16,719

a privilege they are not a right

1771

01:10:23,110 --> 01:10:20,000

you sign up for it you

1772

01:10:26,630 --> 01:10:23,120

are not brought into it

1773

01:10:27,270 --> 01:10:26,640

you volunteer you sign up you create the

1774

01:10:29,510 --> 01:10:27,280

account

1775

01:10:31,270 --> 01:10:29,520

and you click on the terms of service

1776

01:10:33,990 --> 01:10:31,280

and agree to it

1777

01:10:35,270 --> 01:10:34,000

it's as simple as that right cancel your

1778

01:10:42,149 --> 01:10:35,280

account

1779

01:10:43,030 --> 01:10:42,159

right you both have that choice in this

1780

01:10:46,229 --> 01:10:43,040

relationship

1781

01:10:48,390 --> 01:10:46,239

either of you can end

1782

01:10:50,070 --> 01:10:48,400

uh i i forget what they call it here in

1783

01:10:53,270 --> 01:10:50,080

california but

1784

01:10:56,149 --> 01:10:53,280

um uh there there's a uh

1785

01:10:58,870 --> 01:10:56,159

i forget the law the name of the law but

1786

01:11:00,229 --> 01:10:58,880

you can be fired for whatever reason

1787

01:11:02,070 --> 01:11:00,239

in california they don't have to have a

1788

01:11:05,030 --> 01:11:02,080

reason to fire you without cause

1789

01:11:05,750 --> 01:11:05,040

yeah without cause you can quit without

1790

01:11:09,510 --> 01:11:05,760

reason

1791

01:11:12,070 --> 01:11:09,520

right it's it's it's equal on both sides

1792

01:11:13,110 --> 01:11:12,080

um it's a it's a very strange thing okay

1793

01:11:16,790 --> 01:11:13,120

so

1794

01:11:18,870 --> 01:11:16,800

um in terms of uh what parlor

1795

01:11:21,030 --> 01:11:18,880

is is saying now we'll get to twitter in

1796

01:11:24,950 --> 01:11:21,040

a second and and president trump

1797

01:11:28,470 --> 01:11:24,960

um but parlor now is saying

1798

01:11:31,990 --> 01:11:28,480

that aws amazon web services

1799

01:11:33,270 --> 01:11:32,000

that there's a 30-day you know warning

1800

01:11:36,390 --> 01:11:33,280

shot before

1801
01:11:38,310 --> 01:11:36,400
things get pulled off of the servers and

1802
01:11:39,430 --> 01:11:38,320
now they're going back and suing amazon

1803
01:11:42,310 --> 01:11:39,440
is that

1804
01:11:43,510 --> 01:11:42,320
in your i know you're not an attorney

1805
01:11:45,669 --> 01:11:43,520
but

1806
01:11:47,990 --> 01:11:45,679
is there any is there any legal wiggle

1807
01:11:51,510 --> 01:11:48,000
room in something like that

1808
01:11:53,270 --> 01:11:51,520
no uh uh this is i mean this is the last

1809
01:11:55,990 --> 01:11:53,280
throws of something that

1810
01:11:57,830 --> 01:11:56,000
is trying to find a way out of a

1811
01:11:58,870 --> 01:11:57,840
seriously problematic space they've put

1812
01:12:02,550 --> 01:11:58,880
themselves into

1813
01:12:04,550 --> 01:12:02,560

um the the issue for them is

1814

01:12:05,830 --> 01:12:04,560

not that there aren't other platforms

1815

01:12:07,750 --> 01:12:05,840

they can move to

1816

01:12:10,310 --> 01:12:07,760

it's that they wrote their code very

1817

01:12:13,910 --> 01:12:10,320

specifically to work on aws

1818

01:12:17,189 --> 01:12:13,920

and while you can on amazon's cloud

1819

01:12:18,870 --> 01:12:17,199

write code that will work on almost any

1820

01:12:20,470 --> 01:12:18,880

other cloud or any other private server

1821

01:12:21,910 --> 01:12:20,480

if you feel like it

1822

01:12:23,590 --> 01:12:21,920

if you want to take advantage of all

1823

01:12:25,030 --> 01:12:23,600

their cool stuff that lets you scale a

1824

01:12:27,189 --> 01:12:25,040

little better that lets you do

1825

01:12:29,030 --> 01:12:27,199

automated backups and all these other

1826

01:12:29,669 --> 01:12:29,040

little features that are built into aws

1827

01:12:33,270 --> 01:12:29,679

then

1828

01:12:34,709 --> 01:12:33,280

you're programming for aws so a lot of

1829

01:12:37,990 --> 01:12:34,719

parlor's code is written

1830

01:12:39,189 --> 01:12:38,000

and tightly coupled to aws so when they

1831

01:12:40,470 --> 01:12:39,199

move anywhere else they're going to have

1832

01:12:42,310 --> 01:12:40,480

to rewrite

1833

01:12:44,550 --> 01:12:42,320

most of their code and that's what

1834

01:12:46,229 --> 01:12:44,560

they're scared of now so they're filing

1835

01:12:47,669 --> 01:12:46,239

this to try and buy themselves some more

1836

01:12:49,110 --> 01:12:47,679

time to do something like that

1837

01:12:50,950 --> 01:12:49,120

right right and they're trying to get

1838

01:12:53,669 --> 01:12:50,960

into a temporary injunction

1839

01:12:55,110 --> 01:12:53,679

um after bowed mouthing and saying

1840

01:12:57,110 --> 01:12:55,120

everything about amazon now they still

1841

01:12:57,750 --> 01:12:57,120

want back onto their servers to buy some

1842

01:12:59,430 --> 01:12:57,760

time

1843

01:13:01,350 --> 01:12:59,440

i find that there's an irony in all of

1844

01:13:03,270 --> 01:13:01,360

this that you know john mate there

1845

01:13:05,270 --> 01:13:03,280

used to work for aws and helped kind of

1846

01:13:07,430 --> 01:13:05,280

build a lot of what

1847

01:13:08,630 --> 01:13:07,440

what tools he's using now and people

1848

01:13:11,750 --> 01:13:08,640

that he used to work with

1849

01:13:12,790 --> 01:13:11,760

or for um are the ones who did this to

1850

01:13:15,830 --> 01:13:12,800

parlor

1851

01:13:17,030 --> 01:13:15,840

now um the oh i wanted to

1852

01:13:19,030 --> 01:13:17,040

let's back up for a second i want to

1853

01:13:22,630 --> 01:13:19,040

talk about octa

1854

01:13:26,149 --> 01:13:22,640

there the reason why

1855

01:13:29,350 --> 01:13:26,159

uh octa got involved they found out

1856

01:13:32,630 --> 01:13:29,360

that parlor was using

1857

01:13:35,830 --> 01:13:32,640

a trial version of their software now

1858

01:13:37,189 --> 01:13:35,840

can you confirm that uh yeah uh

1859

01:13:38,950 --> 01:13:37,199

they were using a trial version of the

1860

01:13:39,830 --> 01:13:38,960

software and they had found a way to get

1861

01:13:42,630 --> 01:13:39,840

it to

1862

01:13:43,430 --> 01:13:42,640

continue to be a trial at a low enough

1863

01:13:45,350 --> 01:13:43,440

rate

1864

01:13:46,870 --> 01:13:45,360

uh that it wouldn't actually force them

1865

01:13:49,510 --> 01:13:46,880

onto the paid part of the platform

1866

01:13:51,510 --> 01:13:49,520

now with rebecca mercer in play why

1867

01:13:54,390 --> 01:13:51,520

aren't you paying for the real octa

1868

01:13:55,350 --> 01:13:54,400

software i don't know i don't i don't

1869

01:13:58,310 --> 01:13:55,360

understand that and

1870

01:13:59,669 --> 01:13:58,320

it comes up look if you are going to

1871

01:14:02,149 --> 01:13:59,679

this is where i'm gonna

1872

01:14:02,790 --> 01:14:02,159

probably cross a line but if you're

1873

01:14:05,750 --> 01:14:02,800

gonna

1874

01:14:06,470 --> 01:14:05,760

represent yourself as a website that has

1875

01:14:09,750 --> 01:14:06,480

ethics

1876

01:14:10,950 --> 01:14:09,760

and integrity right and freedom of

1877

01:14:13,669 --> 01:14:10,960

speech and all of these

1878

01:14:15,510 --> 01:14:13,679

values that you're gonna tout and which

1879

01:14:17,750 --> 01:14:15,520

every single right-wing website will say

1880

01:14:18,950 --> 01:14:17,760

yes and then you turn around and you're

1881

01:14:21,030 --> 01:14:18,960

using

1882

01:14:22,950 --> 01:14:21,040

a pirated version of trial software that

1883

01:14:24,070 --> 01:14:22,960

you've modified haven't paid for for two

1884

01:14:27,189 --> 01:14:24,080

years

1885

01:14:28,550 --> 01:14:27,199

i've got issues with that i mean you

1886

01:14:30,550 --> 01:14:28,560

know the problem here is is i'm gonna

1887

01:14:32,790 --> 01:14:30,560

say something legally actionable if i go

1888

01:14:34,149 --> 01:14:32,800

too deep into that in in my in terms of

1889

01:14:37,350 --> 01:14:34,159

my opinion

1890

01:14:39,669 --> 01:14:37,360

of uh what the real story is here

1891

01:14:41,270 --> 01:14:39,679

you know well then don't all i will say

1892

01:14:43,750 --> 01:14:41,280

is i i believe a lot of the people

1893

01:14:47,510 --> 01:14:43,760

involved at the highest levels here

1894

01:14:49,510 --> 01:14:47,520

are grifters they saw an opening

1895

01:14:52,149 --> 01:14:49,520

that they could use to extract money

1896

01:14:55,189 --> 01:14:52,159

from rich right-wing investors

1897

01:14:55,510 --> 01:14:55,199

and they saw a vector in which there was

1898

01:14:57,750 --> 01:14:55,520

an

1899

01:14:59,270 --> 01:14:57,760

upset group of people who didn't feel

1900

01:15:01,350 --> 01:14:59,280

like they had a home

1901

01:15:03,110 --> 01:15:01,360

and taking that money and skimming off

1902

01:15:05,430 --> 01:15:03,120

the top they could

1903

01:15:07,510 --> 01:15:05,440

build that home and uh still make

1904

01:15:09,110 --> 01:15:07,520

themselves a lot of cash

1905

01:15:11,110 --> 01:15:09,120

yeah that's not it personally that's

1906

01:15:13,350 --> 01:15:11,120

what i think parlor was yeah

1907

01:15:14,229 --> 01:15:13,360

that's not actionable i think that's uh

1908

01:15:15,830 --> 01:15:14,239

that's a

1909

01:15:18,390 --> 01:15:15,840

that's my personal opinion yeah that's

1910

01:15:21,350 --> 01:15:18,400

an honest theory that's an honest theory

1911

01:15:22,830 --> 01:15:21,360

um okay so now uh moving back in the

1912

01:15:26,310 --> 01:15:22,840

other direction

1913

01:15:28,470 --> 01:15:26,320

um from what i have been

1914

01:15:29,910 --> 01:15:28,480

able to gather from the professionals

1915

01:15:32,630 --> 01:15:29,920

out there i've been reading

1916

01:15:34,550 --> 01:15:32,640

all of the information i can on parlor

1917

01:15:37,270 --> 01:15:34,560

and the migration onto

1918

01:15:38,229 --> 01:15:37,280

another set of servers this is nothing

1919

01:15:40,550 --> 01:15:38,239

easy

1920

01:15:42,390 --> 01:15:40,560

where uh john mate right now is saying

1921

01:15:42,790 --> 01:15:42,400

oh you know a few days maybe about a

1922

01:15:45,189 --> 01:15:42,800

week

1923

01:15:46,870 --> 01:15:45,199

and and we'll be back up and running and

1924

01:15:48,470 --> 01:15:46,880

then others are saying not so fast

1925

01:15:49,910 --> 01:15:48,480

you're talking about months and months

1926

01:15:53,590 --> 01:15:49,920

of code writing

1927

01:15:54,470 --> 01:15:53,600

and then a year or so in the migration

1928

01:15:57,590 --> 01:15:54,480

process to get

1929

01:15:58,709 --> 01:15:57,600

everything smoothed out um which are are

1930

01:16:02,390 --> 01:15:58,719

we somewhere in the middle

1931

01:16:03,669 --> 01:16:02,400

or are we on how much support he gets

1932

01:16:05,990 --> 01:16:03,679

from his new provider

1933

01:16:07,830 --> 01:16:06,000

what actual technology that provider is

1934

01:16:09,350 --> 01:16:07,840

running on and what they provide and it

1935

01:16:11,910 --> 01:16:09,360

also depends on

1936

01:16:13,669 --> 01:16:11,920

the skill set of his programming team

1937

01:16:15,750 --> 01:16:13,679

that are going to do the migration

1938

01:16:17,510 --> 01:16:15,760

uh you know there's a lot a couple

1939

01:16:19,110 --> 01:16:17,520

months is not off the table for this to

1940

01:16:21,189 --> 01:16:19,120

be fully back up and running with the

1941

01:16:22,870 --> 01:16:21,199

right team the right investment

1942

01:16:24,310 --> 01:16:22,880

and the right technology partner for

1943

01:16:28,149 --> 01:16:24,320

your hosting my

1944

01:16:31,270 --> 01:16:28,159

my bigger issues here are um gab

1945

01:16:34,310 --> 01:16:31,280

everyone on the right knowsgab.com um

1946

01:16:35,430 --> 01:16:34,320

and most of us lefties do too um but we

1947

01:16:37,830 --> 01:16:35,440

just don't use it

1948

01:16:38,790 --> 01:16:37,840

uh everyone will notice that they've had

1949

01:16:40,790 --> 01:16:38,800

nothing but trouble

1950

01:16:42,709 --> 01:16:40,800

keeping online for the last week as

1951

01:16:44,310 --> 01:16:42,719

parlor's been on its way down

1952

01:16:46,390 --> 01:16:44,320

and people have been migrating that

1953

01:16:49,270 --> 01:16:46,400

direction for somewhere to be

1954

01:16:50,950 --> 01:16:49,280

um where parlor is probably going to end

1955

01:16:53,910 --> 01:16:50,960

up is the same server's gab

1956

01:16:54,870 --> 01:16:53,920

is and gab at one third the size in

1957

01:16:56,870 --> 01:16:54,880

traffic

1958

01:16:58,310 --> 01:16:56,880

is falling over and failing and unable

1959

01:17:00,630 --> 01:16:58,320

to stay online

1960

01:17:02,790 --> 01:17:00,640

so what is parlor going to do on those

1961

01:17:06,149 --> 01:17:02,800

servers at that same host

1962

01:17:09,510 --> 01:17:06,159

uh that host being epic epik.com

1963

01:17:10,390 --> 01:17:09,520

with an owner named rob monster i am not

1964

01:17:12,550 --> 01:17:10,400

messing with you

1965

01:17:14,149 --> 01:17:12,560

his last name is monster that is his

1966

01:17:17,910 --> 01:17:14,159

real last name

1967

01:17:19,830 --> 01:17:17,920

and uh he uh likes to take people who

1968

01:17:22,149 --> 01:17:19,840

will scream about free speech

1969

01:17:23,510 --> 01:17:22,159

and not moderate their platforms

1970

01:17:26,709 --> 01:17:23,520

allowing

1971

01:17:29,030 --> 01:17:26,719

hate violence threats to just thrive

1972

01:17:31,030 --> 01:17:29,040

uh and put them on his network and and

1973

01:17:34,790 --> 01:17:31,040

shield them from people

1974

01:17:36,950 --> 01:17:34,800

so uh by parlor going over to there

1975

01:17:38,709 --> 01:17:36,960

they're not going to deal with the terms

1976

01:17:41,669 --> 01:17:38,719

of service contract

1977

01:17:42,149 --> 01:17:41,679

like they had with aws they're going to

1978

01:17:44,229 --> 01:17:42,159

have an

1979

01:17:45,830 --> 01:17:44,239

owner of the company that is fully

1980

01:17:47,910 --> 01:17:45,840

behind what they're doing

1981

01:17:49,350 --> 01:17:47,920

if they do end up actually properly

1982

01:17:52,310 --> 01:17:49,360

built out on uh

1983

01:17:54,870 --> 01:17:52,320

epics uh systems but epic is nothing

1984

01:17:56,630 --> 01:17:54,880

compared to aws that's like

1985

01:17:58,070 --> 01:17:56,640

you did you have a do you have a local

1986

01:18:00,149 --> 01:17:58,080

guy near you that you know that's really

1987

01:18:01,110 --> 01:18:00,159

into bicycles that builds his own custom

1988

01:18:03,430 --> 01:18:01,120

bicycles

1989

01:18:04,630 --> 01:18:03,440

that's like comparing that guy to trek

1990

01:18:07,510 --> 01:18:04,640

bicycles

1991

01:18:08,390 --> 01:18:07,520

like it's it's that world of difference

1992

01:18:09,750 --> 01:18:08,400

in hosting

1993

01:18:11,510 --> 01:18:09,760

tools that you're gonna have available

1994

01:18:15,189 --> 01:18:11,520

to you so like

1995

01:18:17,030 --> 01:18:15,199

you know it's if their engineers are

1996

01:18:20,950 --> 01:18:17,040

unbelievably good they could pull

1997

01:18:23,350 --> 01:18:20,960

something off us somewhat a miracle but

1998

01:18:25,350 --> 01:18:23,360

we kind of saw with how easy it was for

1999

01:18:27,669 --> 01:18:25,360

people just to download most of all of

2000

01:18:30,630 --> 01:18:27,679

the data in like two days time

2001
01:18:31,669 --> 01:18:30,640
with no authentications no hacking no

2002
01:18:33,669 --> 01:18:31,679
nothing that

2003
01:18:35,350 --> 01:18:33,679
their engineers might not be up to that

2004
01:18:39,990 --> 01:18:35,360
task at that speed

2005
01:18:43,350 --> 01:18:40,000
now what um

2006
01:18:46,550 --> 01:18:43,360
what is the message that

2007
01:18:47,270 --> 01:18:46,560
twitter facebook um and the other tech

2008
01:18:51,430 --> 01:18:47,280
companies

2009
01:18:54,390 --> 01:18:51,440
uh what if we even say pinterest but um

2010
01:18:56,950 --> 01:18:54,400
and the power that they actually have

2011
01:18:59,830 --> 01:18:56,960
and they are not concerned about

2012
01:19:00,229 --> 01:18:59,840
the president of the united states right

2013
01:19:02,950 --> 01:19:00,239

they

2014

01:19:05,030 --> 01:19:02,960

that these decisions were made about the

2015

01:19:08,149 --> 01:19:05,040

president of the united states

2016

01:19:10,630 --> 01:19:08,159

and it's like they don't give a crap

2017

01:19:11,830 --> 01:19:10,640

is is that the kind of power that we are

2018

01:19:14,229 --> 01:19:11,840

talking about

2019

01:19:15,990 --> 01:19:14,239

uh with twitter and facebook and these

2020

01:19:18,630 --> 01:19:16,000

other social media platforms

2021

01:19:19,590 --> 01:19:18,640

up until a couple weeks before the end

2022

01:19:22,310 --> 01:19:19,600

of his term

2023

01:19:23,270 --> 01:19:22,320

when they should have removed him years

2024

01:19:26,310 --> 01:19:23,280

ago

2025

01:19:30,070 --> 01:19:26,320

for threats of violence attacks

2026

01:19:31,990 --> 01:19:30,080

outright lies false information

2027

01:19:33,750 --> 01:19:32,000

i don't care what your position in the

2028

01:19:34,630 --> 01:19:33,760

world is you shouldn't be allowed to do

2029

01:19:38,550 --> 01:19:34,640

those things

2030

01:19:41,669 --> 01:19:38,560

and he was on average uh hitting three

2031

01:19:44,149 --> 01:19:41,679

outright direct provable

2032

01:19:44,950 --> 01:19:44,159

by simple facts sometimes even simple

2033

01:19:48,070 --> 01:19:44,960

math

2034

01:19:50,709 --> 01:19:48,080

lies on twitter a day that account

2035

01:19:51,350 --> 01:19:50,719

uh was followed by too many people to

2036

01:19:52,870 --> 01:19:51,360

allow

2037

01:19:55,830 --> 01:19:52,880

that amount of information to keep

2038

01:19:57,510 --> 01:19:55,840

flowing now that's obviously not why

2039

01:19:59,990 --> 01:19:57,520

it went down this time this time it's

2040

01:20:01,590 --> 01:20:00,000

because he kept inciting violence

2041

01:20:03,189 --> 01:20:01,600

uh and you can't allow people to incite

2042

01:20:06,629 --> 01:20:03,199

violence people died

2043

01:20:09,669 --> 01:20:06,639

and what blows my mind is is multiple

2044

01:20:11,270 --> 01:20:09,679

cops are dead and every you know every

2045

01:20:13,110 --> 01:20:11,280

back to blue rally i've ever seen has

2046

01:20:15,110 --> 01:20:13,120

been nothing but trump supporters

2047

01:20:17,030 --> 01:20:15,120

do you back the blue or do you murder

2048

01:20:19,830 --> 01:20:17,040

cops

2049

01:20:20,629 --> 01:20:19,840

which one is it right right right right

2050

01:20:24,229 --> 01:20:20,639

and

2051

01:20:25,990 --> 01:20:24,239

it is uh is the power

2052

01:20:27,510 --> 01:20:26,000

i mean the internet is one thing but

2053

01:20:30,550 --> 01:20:27,520

when you look at

2054

01:20:33,189 --> 01:20:30,560

amazon you have the

2055

01:20:34,070 --> 01:20:33,199

commercial side of it right the the

2056

01:20:37,030 --> 01:20:34,080

sales

2057

01:20:37,669 --> 01:20:37,040

then you have the web services section

2058

01:20:40,870 --> 01:20:37,679

which is

2059

01:20:43,270 --> 01:20:40,880

equally as ginormous as the distribution

2060

01:20:46,070 --> 01:20:43,280

and logistics side of amazon

2061

01:20:46,629 --> 01:20:46,080

you look at the what google represents

2062

01:20:49,270 --> 01:20:46,639

which is

2063

01:20:51,590 --> 01:20:49,280

95 of everybody in the world every

2064

01:20:53,030 --> 01:20:51,600

single day is using google period

2065

01:20:55,110 --> 01:20:53,040

we get to the other side of the coin

2066

01:20:55,750 --> 01:20:55,120

right right the the the first side of

2067

01:20:57,990 --> 01:20:55,760

the coin

2068

01:21:00,149 --> 01:20:58,000

is any platform like this has the

2069

01:21:03,030 --> 01:21:00,159

outright right in this country

2070

01:21:04,149 --> 01:21:03,040

to deny anyone service including and up

2071

01:21:07,430 --> 01:21:04,159

to the president

2072

01:21:09,669 --> 01:21:07,440

so and we get these rules thanks to all

2073

01:21:10,870 --> 01:21:09,679

the republicans fighting so hard to make

2074

01:21:13,110 --> 01:21:10,880

sure that bakeries

2075

01:21:14,709 --> 01:21:13,120

don't have to make gay wedding cakes i

2076

01:21:15,590 --> 01:21:14,719

mean if they don't have to make gay

2077

01:21:17,270 --> 01:21:15,600

wedding cakes

2078

01:21:19,189 --> 01:21:17,280

i don't have to let the president on my

2079

01:21:22,870 --> 01:21:19,199

platform simple as that

2080

01:21:24,390 --> 01:21:22,880

it goes both ways but now you have the

2081

01:21:27,270 --> 01:21:24,400

other argument which is

2082

01:21:27,750 --> 01:21:27,280

unrelated the unrelated argument to me

2083

01:21:36,950 --> 01:21:27,760

is

2084

01:21:40,870 --> 01:21:36,960

argument and i say no

2085

01:21:42,790 --> 01:21:40,880

absolutely not um but

2086

01:21:44,550 --> 01:21:42,800

that's where things get really really

2087

01:21:47,270 --> 01:21:44,560

complicated

2088

01:21:48,790 --> 01:21:47,280

because let let me explain this so

2089

01:21:52,550 --> 01:21:48,800

people really understand it

2090

01:21:55,750 --> 01:21:52,560

i was on parlor for about five weeks

2091

01:21:56,310 --> 01:21:55,760

uh and on a daily basis i've received

2092

01:21:59,590 --> 01:21:56,320

between

2093

01:22:02,629 --> 01:21:59,600

three and five uh death threats

2094

01:22:04,229 --> 01:22:02,639

i got doxed six total times and only

2095

01:22:06,229 --> 01:22:04,239

that many weeks like full name home

2096

01:22:08,149 --> 01:22:06,239

address all that um

2097

01:22:09,669 --> 01:22:08,159

i was told all the various things that

2098

01:22:11,110 --> 01:22:09,679

were going to be done to me for being a

2099

01:22:13,510 --> 01:22:11,120

lefty and being

2100

01:22:15,110 --> 01:22:13,520

on their platform it was quite

2101

01:22:17,910 --> 01:22:15,120

disgusting i however

2102

01:22:19,350 --> 01:22:17,920

have literally no fear it's a problem

2103

01:22:20,629 --> 01:22:19,360

honestly and my my sense of self

2104

01:22:23,990 --> 01:22:20,639

preservation is like

2105

01:22:26,390 --> 01:22:24,000

gone so i just i didn't care

2106

01:22:27,830 --> 01:22:26,400

on a personal level but i saw multiple

2107

01:22:29,110 --> 01:22:27,840

other people getting really upset over

2108

01:22:30,149 --> 01:22:29,120

how they were getting treated like that

2109

01:22:34,149 --> 01:22:30,159

over there

2110

01:22:37,189 --> 01:22:34,159

and um parlor did nothing about it

2111

01:22:38,070 --> 01:22:37,199

they didn't even so much as you know say

2112

01:22:39,910 --> 01:22:38,080

stop it

2113

01:22:42,229 --> 01:22:39,920

to the people who were sending literal

2114

01:22:42,870 --> 01:22:42,239

death threats with your home address in

2115

01:22:45,110 --> 01:22:42,880

them

2116

01:22:46,310 --> 01:22:45,120

uh it was hard to get those even those

2117

01:22:48,390 --> 01:22:46,320

parlays to come down

2118

01:22:49,990 --> 01:22:48,400

let alone the accounts to have any kind

2119

01:22:52,550 --> 01:22:50,000

of action taken against it

2120

01:22:53,669 --> 01:22:52,560

so now you're looking at them gone and

2121

01:22:56,470 --> 01:22:53,679

we're looking back over

2122

01:22:58,310 --> 01:22:56,480

at twitter and facebook something that

2123

01:23:01,510 --> 01:22:58,320

people have to understand is that

2124

01:23:02,550 --> 01:23:01,520

moderation at that level at that scale

2125

01:23:06,310 --> 01:23:02,560

to maintain

2126

01:23:09,510 --> 01:23:06,320

uh any form of civil society

2127

01:23:11,910 --> 01:23:09,520

is unbelievably expensive and it

2128

01:23:14,629 --> 01:23:11,920

provides no monetary value

2129

01:23:16,550 --> 01:23:14,639

meaning that facebook has an entire

2130

01:23:17,270 --> 01:23:16,560

building with multiple floors in this

2131

01:23:19,669 --> 01:23:17,280

building

2132

01:23:21,270 --> 01:23:19,679

with hundreds and hundreds of employees

2133

01:23:24,790 --> 01:23:21,280

whose job it is

2134

01:23:26,870 --> 01:23:24,800

to just sit there and moderate all day

2135

01:23:28,390 --> 01:23:26,880

they get paid salaries just to sit there

2136

01:23:30,390 --> 01:23:28,400

and go through this content

2137

01:23:33,030 --> 01:23:30,400

and find horrible things from child

2138

01:23:35,189 --> 01:23:33,040

abuse photos to death threats to

2139

01:23:36,070 --> 01:23:35,199

anything you can imagine these people do

2140

01:23:37,750 --> 01:23:36,080

not last

2141

01:23:39,350 --> 01:23:37,760

some of them don't last more than three

2142

01:23:41,110 --> 01:23:39,360

months before they can't take it

2143

01:23:43,750 --> 01:23:41,120

the trauma of what they've seen trying

2144

01:23:47,270 --> 01:23:43,760

to mod moderate on these platforms

2145

01:23:50,310 --> 01:23:47,280

so now how do you afford

2146

01:23:51,990 --> 01:23:50,320

that building existing those employees

2147

01:23:52,550 --> 01:23:52,000

doing the work it takes to keep us

2148

01:23:55,270 --> 01:23:52,560

having

2149

01:23:56,070 --> 01:23:55,280

some kind of a civil society here

2150

01:23:57,669 --> 01:23:56,080

without

2151
01:23:59,990 --> 01:23:57,679
the company behind them being large

2152
01:24:01,990 --> 01:24:00,000
enough to put

2153
01:24:03,590 --> 01:24:02,000
millions of dollars into that every year

2154
01:24:06,550 --> 01:24:03,600
even though it's just a cost

2155
01:24:08,070 --> 01:24:06,560
and it makes no money you only you only

2156
01:24:09,669 --> 01:24:08,080
afford that as a company like facebook

2157
01:24:12,229 --> 01:24:09,679
if you're as large as they are

2158
01:24:13,350 --> 01:24:12,239
like no no company that only takes one

2159
01:24:16,870 --> 01:24:13,360
little piece of

2160
01:24:18,310 --> 01:24:16,880
can afford to spend that amount of money

2161
01:24:20,950 --> 01:24:18,320
on moderation

2162
01:24:23,669 --> 01:24:20,960
and so we get stuck in this kind of

2163
01:24:26,709 --> 01:24:23,679

paradoxical situation where

2164

01:24:28,229 --> 01:24:26,719

well monopoly bad everything facebook

2165

01:24:29,590 --> 01:24:28,239

twitter and all them are doing in google

2166

01:24:32,709 --> 01:24:29,600

with their monopolies

2167

01:24:35,030 --> 01:24:32,719

bad however no moderation and

2168

01:24:35,830 --> 01:24:35,040

absolute freedom to do whatever you want

2169

01:24:38,310 --> 01:24:35,840

means

2170

01:24:40,149 --> 01:24:38,320

death threats creepers hunting people

2171

01:24:41,990 --> 01:24:40,159

down means people getting doxxed and

2172

01:24:43,910 --> 01:24:42,000

then sexually abused means

2173

01:24:45,110 --> 01:24:43,920

uh child pornography being shared all

2174

01:24:47,350 --> 01:24:45,120

over your platforms

2175

01:24:49,430 --> 01:24:47,360

so like there's got to be a middle

2176
01:24:49,669 --> 01:24:49,440
ground and i don't know where it is but

2177
01:24:54,709 --> 01:24:49,679
it's

2178
01:24:57,910 --> 01:24:54,719
without moderators

2179
01:24:58,550 --> 01:24:57,920
yeah i don't want to be there no no no

2180
01:25:00,550 --> 01:24:58,560
and

2181
01:25:02,229 --> 01:25:00,560
uh with i also don't want them to be a

2182
01:25:04,870 --> 01:25:02,239
monopoly so

2183
01:25:05,430 --> 01:25:04,880
right right right right total paradox

2184
01:25:08,790 --> 01:25:05,440
and

2185
01:25:11,750 --> 01:25:08,800
so with parlor when what i had read

2186
01:25:13,350 --> 01:25:11,760
uh back in november i don't know about

2187
01:25:15,030 --> 01:25:13,360
specifically today

2188
01:25:17,590 --> 01:25:15,040

but i had read back in november there

2189

01:25:20,629 --> 01:25:17,600

was only 25 employees there

2190

01:25:23,830 --> 01:25:20,639

how can you have uh uh

2191

01:25:24,229 --> 01:25:23,840

two or three million people uh accessing

2192

01:25:27,750 --> 01:25:24,239

your

2193

01:25:31,110 --> 01:25:27,760

site and posting in in 30 days

2194

01:25:33,270 --> 01:25:31,120

without a moderation team no matter how

2195

01:25:35,990 --> 01:25:33,280

great your automation systems are

2196

01:25:37,830 --> 01:25:36,000

how is it even possible oh it's not with

2197

01:25:39,270 --> 01:25:37,840

that size and it wasn't happening which

2198

01:25:41,189 --> 01:25:39,280

is why they started to

2199

01:25:42,870 --> 01:25:41,199

lose all of their stuff the the things

2200

01:25:45,189 --> 01:25:42,880

that you could do on that platform and

2201

01:25:48,790 --> 01:25:45,199

just completely get away with were

2202

01:25:50,149 --> 01:25:48,800

disgusting um i i fight for free speech

2203

01:25:52,950 --> 01:25:50,159

i have been in the front line

2204

01:25:54,950 --> 01:25:52,960

and and gotten my head kicked on the way

2205

01:25:57,189 --> 01:25:54,960

down a flight of stairs

2206

01:25:57,990 --> 01:25:57,199

by someone wearing a swastika on their

2207

01:26:00,950 --> 01:25:58,000

armband

2208

01:26:02,709 --> 01:26:00,960

uh defending people's free speech i i am

2209

01:26:05,590 --> 01:26:02,719

here for free speech however

2210

01:26:07,590 --> 01:26:05,600

i am not here for open death threats

2211

01:26:08,870 --> 01:26:07,600

threats of mutilation threats of sexual

2212

01:26:10,550 --> 01:26:08,880

abuse against people

2213

01:26:12,550 --> 01:26:10,560

simply for their political views which

2214

01:26:15,910 --> 01:26:12,560

is what was happening on that platform

2215

01:26:18,870 --> 01:26:15,920

all over the place um so

2216

01:26:20,229 --> 01:26:18,880

it was it was crazy me um a few other

2217

01:26:23,030 --> 01:26:20,239

people like aubrey coddle

2218

01:26:23,990 --> 01:26:23,040

um john jackson like just a bunch of us

2219

01:26:26,950 --> 01:26:24,000

went over there

2220

01:26:27,910 --> 01:26:26,960

um and tried to interact with that

2221

01:26:30,709 --> 01:26:27,920

community in any

2222

01:26:32,310 --> 01:26:30,719

sane way and i mean it was day one that

2223

01:26:34,070 --> 01:26:32,320

the first death threat hit me and day

2224

01:26:35,750 --> 01:26:34,080

two that i was completely doxed on the

2225

01:26:39,270 --> 01:26:35,760

platform

2226

01:26:43,030 --> 01:26:39,280

the uh the moderation

2227

01:26:45,590 --> 01:26:43,040

side moving forward um

2228

01:26:46,390 --> 01:26:45,600

if they are on a server network like

2229

01:26:49,510 --> 01:26:46,400

epic

2230

01:26:51,990 --> 01:26:49,520

that doesn't really care about your

2231

01:26:53,430 --> 01:26:52,000

content what about everything else that

2232

01:26:55,750 --> 01:26:53,440

comes into play here

2233

01:26:58,149 --> 01:26:55,760

um other software other things that are

2234

01:27:00,709 --> 01:26:58,159

needed on the platform to run

2235

01:27:03,430 --> 01:27:00,719

um are there terms of service and and

2236

01:27:05,590 --> 01:27:03,440

ethical standards that come into play

2237

01:27:06,870 --> 01:27:05,600

there are um it's going to be tough for

2238

01:27:09,350 --> 01:27:06,880

them to keep

2239

01:27:10,229 --> 01:27:09,360

a lot of those services alive here uh

2240

01:27:13,030 --> 01:27:10,239

with u.s

2241

01:27:13,669 --> 01:27:13,040

services um you know if you look at like

2242

01:27:15,750 --> 01:27:13,679

uh

2243

01:27:17,669 --> 01:27:15,760

the proud boy type of money raising

2244

01:27:19,110 --> 01:27:17,679

right they were using gofundme for a

2245

01:27:21,110 --> 01:27:19,120

long time to fund like

2246

01:27:22,390 --> 01:27:21,120

i'm going to dc gofundme doesn't allow

2247

01:27:23,110 --> 01:27:22,400

that anymore those things disappear

2248

01:27:24,790 --> 01:27:23,120

quickly

2249

01:27:26,470 --> 01:27:24,800

so we ended up with a right-wing

2250

01:27:28,070 --> 01:27:26,480

platform uh that

2251

01:27:29,350 --> 01:27:28,080

calls itself right-wing and christian

2252

01:27:29,830 --> 01:27:29,360

and all these other things they they're

2253

01:27:32,950 --> 01:27:29,840

really

2254

01:27:36,229 --> 01:27:32,960

targeting kind of the trumpeter crowd um

2255

01:27:38,070 --> 01:27:36,239

uh was a gift send go and um

2256

01:27:39,669 --> 01:27:38,080

and so they all moved there but it's a

2257

01:27:42,229 --> 01:27:39,679

much smaller platform

2258

01:27:44,950 --> 01:27:42,239

and there's there's just only them it's

2259

01:27:48,709 --> 01:27:44,960

a very echo chamber kind of a place

2260

01:27:52,229 --> 01:27:48,719

um but you you have to build your own

2261

01:27:54,709 --> 01:27:52,239

which is exactly how america works

2262

01:27:56,629 --> 01:27:54,719

if if businesses don't want to provide

2263

01:27:59,350 --> 01:27:56,639

you a service then someone

2264

01:28:01,590 --> 01:27:59,360

who agrees with you better have that

2265

01:28:04,950 --> 01:28:01,600

service available or you're in trouble

2266

01:28:06,709 --> 01:28:04,960

this is a free market and that has been

2267

01:28:08,550 --> 01:28:06,719

everything every republican has ever

2268

01:28:10,229 --> 01:28:08,560

told me they wanted was a free market

2269

01:28:11,590 --> 01:28:10,239

and to let the market choose

2270

01:28:12,870 --> 01:28:11,600

well when the market chooses that they

2271

01:28:14,390 --> 01:28:12,880

don't want to serve you you're going to

2272

01:28:16,629 --> 01:28:14,400

have to build it yourself

2273

01:28:17,910 --> 01:28:16,639

now what about nodes what about the

2274

01:28:19,990 --> 01:28:17,920

internet itself

2275

01:28:22,950 --> 01:28:20,000

and running traffic onto the internet

2276

01:28:27,510 --> 01:28:22,960

who controls that

2277

01:28:29,590 --> 01:28:27,520

there are interconnects and there are

2278

01:28:31,030 --> 01:28:29,600

different forms of routing and and

2279

01:28:34,070 --> 01:28:31,040

contracts you have to have

2280

01:28:37,750 --> 01:28:34,080

uh at these big trunks service providers

2281

01:28:40,709 --> 01:28:37,760

uh so there are big bandwidth providers

2282

01:28:41,590 --> 01:28:40,719

like uh level three uh sprint is one of

2283

01:28:43,110 --> 01:28:41,600

the bigger ones

2284

01:28:45,270 --> 01:28:43,120

uh out in the midwest they've got a big

2285

01:28:45,910 --> 01:28:45,280

hub there and the way it works is kind

2286

01:28:48,470 --> 01:28:45,920

of

2287

01:28:49,910 --> 01:28:48,480

you'll connect up with someone uh it's

2288

01:28:51,030 --> 01:28:49,920

kind of like a you know a food chain it

2289

01:28:52,790 --> 01:28:51,040

goes up right you'll connect with

2290

01:28:54,470 --> 01:28:52,800

someone local who has paid

2291

01:28:56,070 --> 01:28:54,480

for this amount of bandwidth to be

2292

01:28:57,030 --> 01:28:56,080

coming into their building where their

2293

01:28:59,030 --> 01:28:57,040

servers are

2294

01:29:00,709 --> 01:28:59,040

from the provider bigger than them from

2295

01:29:03,350 --> 01:29:00,719

the provider bigger than them

2296

01:29:05,510 --> 01:29:03,360

and so on and by the end you're at the

2297

01:29:06,229 --> 01:29:05,520

end of it and that's usually a sprint or

2298

01:29:08,709 --> 01:29:06,239

an 18 t

2299

01:29:09,830 --> 01:29:08,719

or someone of that size uh with that

2300

01:29:11,189 --> 01:29:09,840

that that amount of backbone

2301

01:29:14,070 --> 01:29:11,199

infrastructure

2302

01:29:15,510 --> 01:29:14,080

um so like here locally if i wanted to

2303

01:29:17,669 --> 01:29:15,520

put a server up that was my own hardware

2304

01:29:19,990 --> 01:29:17,679

and i wanted to walk it into a building

2305

01:29:21,430 --> 01:29:20,000

i would contract with level three and

2306

01:29:23,030 --> 01:29:21,440

then they've got a contract for the

2307

01:29:23,990 --> 01:29:23,040

lines coming out of their stuff to

2308

01:29:26,470 --> 01:29:24,000

connect up somewhere

2309

01:29:28,149 --> 01:29:26,480

you know a much bigger company and two

2310

01:29:30,229 --> 01:29:28,159

or three companies up the line

2311

01:29:31,669 --> 01:29:30,239

it's at one of those sprints or att's or

2312

01:29:33,669 --> 01:29:31,679

one of those other large companies

2313

01:29:35,990 --> 01:29:33,679

do they have the ability at that level

2314

01:29:36,550 --> 01:29:36,000

as you climb up the rings to throttle

2315

01:29:40,229 --> 01:29:36,560

traffic

2316

01:29:41,430 --> 01:29:40,239

or to stop it they um well the

2317

01:29:44,470 --> 01:29:41,440

throttling they weren't

2318

01:29:45,830 --> 01:29:44,480

allowed to legally until uh the net

2319

01:29:48,470 --> 01:29:45,840

neutrality uh

2320

01:29:49,430 --> 01:29:48,480

losses we took at the fcc uh thanks to

2321

01:29:53,430 --> 01:29:49,440

ajit pai

2322

01:29:55,510 --> 01:29:53,440

uh being in verizon in comcast's pocket

2323

01:29:58,709 --> 01:29:55,520

and doing whatever they asked of him

2324

01:30:01,590 --> 01:29:58,719

but um now they can um

2325

01:30:03,830 --> 01:30:01,600

however you know you don't get much

2326

01:30:05,669 --> 01:30:03,840

enforcement of that the contracts are

2327

01:30:08,390 --> 01:30:05,679

really clear on what they can and can't

2328

01:30:11,030 --> 01:30:08,400

do usually it's down to the lower level

2329

01:30:12,950 --> 01:30:11,040

one to make a decision it's rare that

2330

01:30:14,550 --> 01:30:12,960

like the provider like say i did put a

2331

01:30:15,990 --> 01:30:14,560

server up in level three here

2332

01:30:17,990 --> 01:30:16,000

you know just one of their co-location

2333

01:30:19,750 --> 01:30:18,000

facilities it's rare that their provider

2334

01:30:19,990 --> 01:30:19,760

would say this one client of yours needs

2335

01:30:23,750 --> 01:30:20,000

to

2336

01:30:25,110 --> 01:30:23,760

go it would take a lot of pressure now

2337

01:30:27,110 --> 01:30:25,120

that's kind of the size of pressure that

2338

01:30:28,790 --> 01:30:27,120

parlor was you know put under so

2339

01:30:31,030 --> 01:30:28,800

maybe it would have happened but that's

2340

01:30:33,189 --> 01:30:31,040

a little rarer more often than not it's

2341

01:30:35,750 --> 01:30:33,199

people who think they're going to lose

2342

01:30:37,110 --> 01:30:35,760

large clients from this and those people

2343

01:30:38,550 --> 01:30:37,120

aren't they aren't going to lose large

2344

01:30:41,110 --> 01:30:38,560

clients their clients are

2345

01:30:42,950 --> 01:30:41,120

comcast you know comcast isn't going to

2346

01:30:44,390 --> 01:30:42,960

pull from the only provider in town who

2347

01:30:46,629 --> 01:30:44,400

can provide that much bandwidth

2348

01:30:48,149 --> 01:30:46,639

they need it and there's only one one

2349

01:30:50,310 --> 01:30:48,159

place they can go

2350

01:30:51,830 --> 01:30:50,320

uh but twilio might lose some big

2351

01:30:53,510 --> 01:30:51,840

accounts um

2352

01:30:55,030 --> 01:30:53,520

if they don't kick parlor because people

2353

01:30:57,189 --> 01:30:55,040

will move because there's three or four

2354

01:30:58,629 --> 01:30:57,199

other services that are just as good

2355

01:31:00,070 --> 01:30:58,639

let's take our break right here our

2356

01:31:00,470 --> 01:31:00,080

guests tonight the one and only greg

2357

01:31:03,590 --> 01:31:00,480

house

2358

01:31:07,110 --> 01:31:03,600

lots to talk about big tech big drama

2359

01:31:09,669 --> 01:31:07,120

i am your host jimmy church this is

2360

01:31:30,950 --> 01:31:09,679

on the game changer network and kgra the

2361

01:31:37,189 --> 01:31:34,070

way out here we listen to jimmy church

2362

01:31:39,030 --> 01:31:37,199

you're listening to fade to black

2363

01:31:40,229 --> 01:31:39,040

always on the edge of the hottest

2364

01:31:56,830 --> 01:31:40,239

alternative talk

2365

01:32:01,110 --> 01:31:59,030

kgraradio.com

2366

01:32:03,110 --> 01:32:01,120

do you want to be an official fate or

2367

01:32:05,189 --> 01:32:03,120

not of course you do

2368

01:32:06,709 --> 01:32:05,199

this is jimmy churchill fade to black

2369

01:32:10,229 --> 01:32:06,719

just go to our membership

2370

01:32:12,229 --> 01:32:10,239

section at jimmychurchradio.com

2371

01:32:14,070 --> 01:32:12,239

fade or not when you think about the

2372

01:32:15,910 --> 01:32:14,080

future of our country and where we're

2373

01:32:16,870 --> 01:32:15,920

headed do you wonder about the food

2374

01:32:21,030 --> 01:32:16,880

supply

2375

01:32:23,189 --> 01:32:21,040

chain could be disastrous

2376

01:32:25,430 --> 01:32:23,199

and they usually occur with little

2377

01:32:25,990 --> 01:32:25,440

warning that's why the smartest thing

2378

01:32:28,950 --> 01:32:26,000

you can do

2379

01:32:29,669 --> 01:32:28,960

today is to stockpile emergency food

2380

01:32:31,990 --> 01:32:29,679

water

2381

01:32:33,110 --> 01:32:32,000

and other essentials i personally

2382

01:32:35,270 --> 01:32:33,120

recommend my

2383

01:32:37,750 --> 01:32:35,280

patriot supply they're the nation's

2384

01:32:40,070 --> 01:32:37,760

largest emergency preparedness company

2385

01:32:41,189 --> 01:32:40,080

serving millions of customers for more

2386

01:32:43,510 --> 01:32:41,199

than a decade

2387

01:32:46,149 --> 01:32:43,520

in fact they're the only source my

2388

01:32:48,870 --> 01:32:46,159

family trusts for our preparedness plan

2389

01:32:50,149 --> 01:32:48,880

you should too right now save twenty

2390

01:32:52,390 --> 01:32:50,159

percent off a full

2391

01:32:53,270 --> 01:32:52,400

four week supply of delicious meals that

2392

01:32:56,870 --> 01:32:53,280

provide 2

2393

01:32:59,830 --> 01:32:56,880

000 calories a day saving 20 helps too

2394

01:33:02,790 --> 01:32:59,840

doesn't it especially now so go to

2395

01:33:06,070 --> 01:33:02,800

prepare with jimmy.com and get ready

2396

01:33:07,430 --> 01:33:06,080

that's prepare with jimmy.com there's no

2397

01:33:10,709 --> 01:33:07,440

time to lose

2398

01:33:17,110 --> 01:33:14,750

so you love talk radio then you'll love

2399

01:33:17,990 --> 01:33:17,120

talkstreamlive.com talk stream live is

2400

01:33:20,790 --> 01:33:18,000

always on

2401
01:33:22,870 --> 01:33:20,800
24 7 with the best streaming talk shows

2402
01:33:23,669 --> 01:33:22,880
find your favorite talkers and discover

2403
01:33:26,709 --> 01:33:23,679
some new ones

2404
01:33:28,790 --> 01:33:26,719
it's free readily available online or on

2405
01:33:30,870 --> 01:33:28,800
mobile with any smartphone or tablet

2406
01:33:33,510 --> 01:33:30,880
finding your favorite talk shows all in

2407
01:33:48,830 --> 01:33:33,520
one place has gotten a whole lot easier

2408
01:33:55,189 --> 01:33:51,470
downl

2409
01:34:02,070 --> 01:33:57,270
you are listening to fate to black with

2410
01:34:05,669 --> 01:34:04,550
hi i'm rhys evans you're listening to

2411
01:34:08,790 --> 01:34:05,679
jimmy church

2412
01:34:10,149 --> 01:34:08,800
this is revolution the revolution will

2413
01:34:16,830 --> 01:34:10,159

not be televised

2414

01:34:16,840 --> 01:34:56,870

ciao

2415

01:34:59,510 --> 01:34:58,229

welcome back feed to black i'm your host

2416

01:35:00,709 --> 01:34:59,520

jimmy church our guest tonight greg

2417

01:35:02,870 --> 01:35:00,719

house more with greg

2418

01:35:05,830 --> 01:35:02,880

in just a minute we're talking about big

2419

01:35:08,390 --> 01:35:05,840

tech big problems big issues

2420

01:35:10,470 --> 01:35:08,400

well right now the best thing that you

2421

01:35:13,350 --> 01:35:10,480

can do is get yourself a vpn

2422

01:35:15,030 --> 01:35:13,360

i use virtual shield vpn there are

2423

01:35:16,950 --> 01:35:15,040

suggestions right now that credit scores

2424

01:35:18,310 --> 01:35:16,960

might be based on our internet history

2425

01:35:20,870 --> 01:35:18,320

in the near future

2426
01:35:21,510 --> 01:35:20,880
this scares me the same way banks use

2427
01:35:23,910 --> 01:35:21,520
data like

2428
01:35:25,030 --> 01:35:23,920
income to judge credit eligibility

2429
01:35:27,510 --> 01:35:25,040
eligibility

2430
01:35:29,109 --> 01:35:27,520
now today is how websites could use

2431
01:35:30,709 --> 01:35:29,119
internet search history

2432
01:35:32,229 --> 01:35:30,719
in the future if you want to prevent

2433
01:35:35,030 --> 01:35:32,239
this from happening to you

2434
01:35:36,550 --> 01:35:35,040
use the very best vpn out there that is

2435
01:35:41,990 --> 01:35:36,560
virtual shield

2436
01:35:43,910 --> 01:35:42,000
forward dot com forward slash fade to

2437
01:35:45,430 --> 01:35:43,920
black takes you straight there you can

2438
01:35:46,229 --> 01:35:45,440

also click on the links over on our

2439

01:35:49,270 --> 01:35:46,239

website

2440

01:35:52,310 --> 01:35:49,280

or click on the video link below in the

2441

01:35:56,870 --> 01:35:52,320

description box virtual shield vpn

2442

01:35:57,750 --> 01:35:56,880

um now greg um the list of tech

2443

01:36:01,109 --> 01:35:57,760

companies

2444

01:36:04,550 --> 01:36:01,119

uh right now uh aside from the banks

2445

01:36:07,109 --> 01:36:04,560

that um have banned trump

2446

01:36:09,109 --> 01:36:07,119

we've got uh president trump we've got

2447

01:36:11,270 --> 01:36:09,119

reddit we've got twitch we've got

2448

01:36:13,189 --> 01:36:11,280

shopify we've got twitter we've got

2449

01:36:15,590 --> 01:36:13,199

google we've got youtube

2450

01:36:16,629 --> 01:36:15,600

we've got facebook we have instagram

2451

01:36:19,990 --> 01:36:16,639

snapchat

2452

01:36:22,790 --> 01:36:20,000

tick tock apple of course discord

2453

01:36:24,790 --> 01:36:22,800

and pinterest i can't i guess he can't

2454

01:36:28,229 --> 01:36:24,800

post any more pictures of the rustic

2455

01:36:31,590 --> 01:36:28,239

kitchen over in the white house but um

2456

01:36:34,629 --> 01:36:31,600

of course uh uh stripe

2457

01:36:37,109 --> 01:36:34,639

is now uh in play uh

2458

01:36:38,709 --> 01:36:37,119

of course octa with parlor and so forth

2459

01:36:41,750 --> 01:36:38,719

and twilio

2460

01:36:43,990 --> 01:36:41,760

um is this a way uh

2461

01:36:44,790 --> 01:36:44,000

to establish somebody like persona non

2462

01:36:46,550 --> 01:36:44,800

grata

2463

01:36:48,790 --> 01:36:46,560

you know to just take them out of

2464

01:36:52,709 --> 01:36:48,800

society is this effectively

2465

01:36:56,390 --> 01:36:52,719

uh uh what could happen

2466

01:36:58,149 --> 01:36:56,400

uh i mean i i don't think it's necessary

2467

01:37:01,030 --> 01:36:58,159

at that level in that

2468

01:37:02,870 --> 01:37:01,040

his own exact words were if i lose this

2469

01:37:04,709 --> 01:37:02,880

uh you'll never see me again

2470

01:37:06,310 --> 01:37:04,719

and i'm really hoping that that comes

2471

01:37:08,629 --> 01:37:06,320

true but uh

2472

01:37:10,229 --> 01:37:08,639

yeah this uh you know again this is the

2473

01:37:12,070 --> 01:37:10,239

free market speaking they've decided

2474

01:37:13,030 --> 01:37:12,080

they don't want his disinformation

2475

01:37:16,629 --> 01:37:13,040

anymore

2476

01:37:19,669 --> 01:37:16,639

is this uh is this dangerous

2477

01:37:23,430 --> 01:37:19,679

uh for everybody and let me let me back

2478

01:37:25,990 --> 01:37:23,440

up yeah i remember uh

2479

01:37:28,149 --> 01:37:26,000

conversations about you know having uh

2480

01:37:30,550 --> 01:37:28,159

your your banking info

2481

01:37:32,149 --> 01:37:30,560

uh embedded in a chip you know in your

2482

01:37:35,109 --> 01:37:32,159

right hand or whatever

2483

01:37:36,870 --> 01:37:35,119

no more cash money cashless society and

2484

01:37:38,310 --> 01:37:36,880

if they wanted to turn you off you know

2485

01:37:40,470 --> 01:37:38,320

it's like the movie uh you know

2486

01:37:41,669 --> 01:37:40,480

like black mirror right they want to

2487

01:37:43,990 --> 01:37:41,679

turn you off

2488

01:37:45,270 --> 01:37:44,000

you're turned off you know you can't

2489

01:37:47,990 --> 01:37:45,280

outrun big tech

2490

01:37:48,629 --> 01:37:48,000

and if if they choose to do that to you

2491

01:37:50,310 --> 01:37:48,639

you can't

2492

01:37:52,870 --> 01:37:50,320

fight back and get the switch turned

2493

01:37:54,550 --> 01:37:52,880

back down because you're angry

2494

01:37:55,910 --> 01:37:54,560

you know it doesn't it doesn't work that

2495

01:37:57,750 --> 01:37:55,920

way um

2496

01:38:00,229 --> 01:37:57,760

if it can happen to president trump it

2497

01:38:03,590 --> 01:38:00,239

can happen to anybody right

2498

01:38:05,590 --> 01:38:03,600

sure i mean but again it takes a hell of

2499

01:38:07,910 --> 01:38:05,600

a lot to get people here it took four

2500

01:38:09,350 --> 01:38:07,920

years of this to get to get them there

2501

01:38:12,390 --> 01:38:09,360

and it took people finally

2502

01:38:15,510 --> 01:38:12,400

storming the capitol building and

2503

01:38:18,229 --> 01:38:15,520

killing cops for uh

2504

01:38:19,350 --> 01:38:18,239

for for this to happen so like unless

2505

01:38:22,550 --> 01:38:19,360

you're at that

2506

01:38:24,229 --> 01:38:22,560

level you shouldn't fear any any fear of

2507

01:38:26,790 --> 01:38:24,239

this happening to you

2508

01:38:27,430 --> 01:38:26,800

uh unless you're at that literal level

2509

01:38:31,270 --> 01:38:27,440

is uh

2510

01:38:35,270 --> 01:38:31,280

undo paranoia and you should seek help

2511

01:38:36,390 --> 01:38:35,280

okay i wish everybody could see greg's

2512

01:38:39,430 --> 01:38:36,400

face

2513

01:38:42,149 --> 01:38:39,440

um but uh

2514

01:38:44,149 --> 01:38:42,159

is this self-importance is a problem in

2515

01:38:46,070 --> 01:38:44,159

our society these days and uh

2516

01:38:47,669 --> 01:38:46,080

you this isn't gonna happen to anyone

2517

01:38:48,390 --> 01:38:47,679

that's not at that level it's just not i

2518

01:38:51,030 --> 01:38:48,400

mean

2519

01:38:53,270 --> 01:38:51,040

it's too much effort and work and pr and

2520

01:38:56,629 --> 01:38:53,280

legal and blah blah blah

2521

01:38:59,990 --> 01:38:56,639

you have to earn this right right

2522

01:39:03,189 --> 01:39:00,000

and um the

2523

01:39:05,510 --> 01:39:03,199

the ability to do this for

2524

01:39:07,830 --> 01:39:05,520

uh somebody like stripe and you know

2525

01:39:10,470 --> 01:39:07,840

today it was a deutsche bank

2526

01:39:11,669 --> 01:39:10,480

uh you know cutting off the money supply

2527

01:39:15,590 --> 01:39:11,679

um

2528

01:39:19,590 --> 01:39:15,600

this this is where it's

2529

01:39:22,470 --> 01:39:19,600

is there no fear right is there no fear

2530

01:39:24,629 --> 01:39:22,480

the the repercussions of of what

2531

01:39:27,189 --> 01:39:24,639

president trump can or cannot do

2532

01:39:30,149 --> 01:39:27,199

right is this not a concern for anybody

2533

01:39:33,590 --> 01:39:31,590

i don't think i fully understand i mean

2534

01:39:35,510 --> 01:39:33,600

it's not a concern for me i i've been

2535

01:39:37,030 --> 01:39:35,520

begging for him to absolutely disappear

2536

01:39:41,990 --> 01:39:37,040

from every platform uh

2537

01:39:44,550 --> 01:39:42,000

since before he was elected so

2538

01:39:45,990 --> 01:39:44,560

um i'm looking at this now i won't tell

2539

01:39:49,430 --> 01:39:46,000

anybody what i'm looking at

2540

01:39:51,109 --> 01:39:49,440

let me see if i can blow it up okay i'll

2541

01:39:55,030 --> 01:39:51,119

examine this later

2542

01:39:58,870 --> 01:39:55,040

yeah yeah so it's it's an interesting uh

2543

01:40:02,390 --> 01:39:58,880

you know archive page there

2544

01:40:05,750 --> 01:40:02,400

i don't know what to say and uh uh

2545

01:40:06,870 --> 01:40:05,760

let's uh let's let's get just continue

2546

01:40:10,470 --> 01:40:06,880

the conversation

2547

01:40:13,990 --> 01:40:10,480

the um the world now

2548

01:40:15,189 --> 01:40:14,000

is fully engaged in what the internet is

2549

01:40:17,830 --> 01:40:15,199

the internet is

2550

01:40:19,430 --> 01:40:17,840

uh way beyond social media platforms

2551

01:40:20,310 --> 01:40:19,440

it's our infrastructure it's our

2552

01:40:22,149 --> 01:40:20,320

electricity

2553

01:40:24,950 --> 01:40:22,159

it's our flight systems it's airplanes

2554

01:40:27,510 --> 01:40:24,960

it's logistics it's trucks it's boats

2555

01:40:27,990 --> 01:40:27,520

uh it's absolutely everything in your

2556

01:40:30,470 --> 01:40:28,000

world

2557

01:40:32,550 --> 01:40:30,480

groceries you listen to your music over

2558

01:40:34,870 --> 01:40:32,560

it you can do your banking over it

2559

01:40:36,149 --> 01:40:34,880

it's it's everything you can do

2560

01:40:37,750 --> 01:40:36,159

everything on the internet and i

2561

01:40:39,910 --> 01:40:37,760

remember when that wasn't possible i've

2562

01:40:40,470 --> 01:40:39,920

i've watched as it grew like this from

2563

01:40:43,270 --> 01:40:40,480

you know

2564

01:40:43,990 --> 01:40:43,280

i i first got on all the way back in 92

2565

01:40:45,750 --> 01:40:44,000

and uh

2566

01:40:47,510 --> 01:40:45,760

so before it even went public and so

2567

01:40:50,790 --> 01:40:47,520

i've gotten to watch it grow

2568

01:40:52,149 --> 01:40:50,800

and uh yeah early on it was just this

2569

01:40:54,550 --> 01:40:52,159

thing off to the side

2570

01:40:55,830 --> 01:40:54,560

now i couldn't live without it and

2571

01:40:58,310 --> 01:40:55,840

nobody could

2572

01:40:59,109 --> 01:40:58,320

i mean that's it every element of your

2573

01:41:01,430 --> 01:40:59,119

life

2574

01:41:02,310 --> 01:41:01,440

from when you wake up until you go to

2575

01:41:04,629 --> 01:41:02,320

bed

2576

01:41:06,470 --> 01:41:04,639

everything every step every minute of

2577

01:41:09,229 --> 01:41:06,480

your day somehow

2578

01:41:10,550 --> 01:41:09,239

is dependent on the internet all of it

2579

01:41:13,270 --> 01:41:10,560

everything

2580

01:41:15,189 --> 01:41:13,280

period most people don't understand that

2581

01:41:17,189 --> 01:41:15,199

i imagine a world where i get to just go

2582

01:41:18,950 --> 01:41:17,199

off and build a log cabin and ignore it

2583

01:41:21,350 --> 01:41:18,960

all but um

2584

01:41:22,310 --> 01:41:21,360

activism seems to be who i am so i just

2585

01:41:25,030 --> 01:41:22,320

can't stop it

2586

01:41:25,990 --> 01:41:25,040

but uh man it would be nice to just walk

2587

01:41:29,990 --> 01:41:26,000

away from it

2588

01:41:32,870 --> 01:41:30,000

now and i bring this up because

2589

01:41:33,510 --> 01:41:32,880

the chatter that is going on out there

2590

01:41:37,350 --> 01:41:33,520

um

2591

01:41:40,629 --> 01:41:37,360

with twitter removing uh

2592

01:41:43,189 --> 01:41:40,639

the real donald trump account caused

2593

01:41:45,109 --> 01:41:43,199

the stock to crash they lost five

2594

01:41:46,550 --> 01:41:45,119

billion dollars some were saying it's 12

2595

01:41:50,149 --> 01:41:46,560

billion dollars

2596

01:41:52,070 --> 01:41:50,159

in the big in the long game does jack

2597

01:41:54,070 --> 01:41:52,080

dorsey care about that

2598

01:41:55,910 --> 01:41:54,080

not at all his other companies like

2599

01:41:56,870 --> 01:41:55,920

square and whatnot are worth so much

2600

01:41:58,790 --> 01:41:56,880

that it just

2601
01:42:00,149 --> 01:41:58,800
it's it's stupid amounts of money it

2602
01:42:01,510 --> 01:42:00,159
just it doesn't like

2603
01:42:03,350 --> 01:42:01,520
matter the only thing that would matter

2604
01:42:04,950 --> 01:42:03,360
to him is if his investors

2605
01:42:06,870 --> 01:42:04,960
his you know the shareholders and

2606
01:42:07,350 --> 01:42:06,880
whatnot came at him for it but they

2607
01:42:10,390 --> 01:42:07,360
didn't

2608
01:42:12,310 --> 01:42:10,400
they they agreed with the banning uh

2609
01:42:14,229 --> 01:42:12,320
so you know in the end remember these

2610
01:42:16,870 --> 01:42:14,239
these types of public companies

2611
01:42:18,070 --> 01:42:16,880
aren't uh aren't there for anything

2612
01:42:19,270 --> 01:42:18,080
other than making money for the

2613
01:42:20,870 --> 01:42:19,280

shareholders so

2614

01:42:22,950 --> 01:42:20,880

if you do something that could be

2615

01:42:25,030 --> 01:42:22,960

considered a mistake the only real

2616

01:42:26,310 --> 01:42:25,040

mistake would be the shareholders then

2617

01:42:27,669 --> 01:42:26,320

coming for your job

2618

01:42:29,430 --> 01:42:27,679

you know and they aren't they aren't

2619

01:42:32,390 --> 01:42:29,440

coming for his job on this one

2620

01:42:32,870 --> 01:42:32,400

and so in the you know a five billion

2621

01:42:36,310 --> 01:42:32,880

dollar

2622

01:42:38,870 --> 01:42:36,320

loss uh to jack he understands that

2623

01:42:39,590 --> 01:42:38,880

he is at a level in in the world of

2624

01:42:42,709 --> 01:42:39,600

money

2625

01:42:45,189 --> 01:42:42,719

that you and i or this audience know

2626
01:42:45,990 --> 01:42:45,199
nothing about right and we never will

2627
01:42:48,629 --> 01:42:46,000
the game of

2628
01:42:49,270 --> 01:42:48,639
capitalism he he is at the top he's he's

2629
01:42:51,430 --> 01:42:49,280
one he

2630
01:42:53,750 --> 01:42:51,440
he he's good at that video game much

2631
01:42:56,470 --> 01:42:53,760
like bezos and a few others it's it's

2632
01:42:57,510 --> 01:42:56,480
for some reason his head works that way

2633
01:43:00,629 --> 01:42:57,520
he doesn't

2634
01:43:03,590 --> 01:43:00,639
the uh that's right um

2635
01:43:04,550 --> 01:43:03,600
uh now i've said this before but i'll

2636
01:43:06,550 --> 01:43:04,560
say this

2637
01:43:08,790 --> 01:43:06,560
you know i've met jack i've hung out

2638
01:43:10,390 --> 01:43:08,800

with jack he follows me on twitter i

2639

01:43:11,669 --> 01:43:10,400

follow him he helped me set up my

2640

01:43:13,910 --> 01:43:11,679

twitter account

2641

01:43:15,030 --> 01:43:13,920

uh back in the day in 2008 i've told you

2642

01:43:18,390 --> 01:43:15,040

about that before

2643

01:43:21,750 --> 01:43:18,400

yep and uh i gotta tell you man

2644

01:43:22,950 --> 01:43:21,760

pretty cool dude i've never had any

2645

01:43:25,270 --> 01:43:22,960

problems with him

2646

01:43:25,990 --> 01:43:25,280

he's a pretty cool guy put the picture

2647

01:43:29,350 --> 01:43:26,000

up

2648

01:43:32,870 --> 01:43:29,360

on the stream

2649

01:43:34,149 --> 01:43:32,880

oh oh i didn't it's gone i did

2650

01:43:36,310 --> 01:43:34,159

no i didn't it was there for a quick

2651

01:43:37,830 --> 01:43:36,320

second no i'm yours

2652

01:43:39,669 --> 01:43:37,840

you can screen capture that that's the

2653

01:43:43,510 --> 01:43:39,679

picture i sent him no that's

2654

01:43:46,149 --> 01:43:43,520

yours only you see that nobody else does

2655

01:43:48,470 --> 01:43:46,159

not on my feed no no no no no this is

2656

01:43:49,990 --> 01:43:48,480

closed circuit bro

2657

01:43:51,590 --> 01:43:50,000

chad did you see it just just tell him

2658

01:43:54,629 --> 01:43:51,600

if you saw it

2659

01:43:56,390 --> 01:43:54,639

impossible i hope not

2660

01:43:57,750 --> 01:43:56,400

yeah yeah impossible i hope so actually

2661

01:44:00,149 --> 01:43:57,760

because i think it's funny

2662

01:44:01,430 --> 01:44:00,159

impossible if anybody knew what we were

2663

01:44:06,229 --> 01:44:01,440

talking about

2664

01:44:08,550 --> 01:44:06,239

um okay is is this uh when we look at uh

2665

01:44:11,350 --> 01:44:08,560

facebook and everything went down with

2666

01:44:12,709 --> 01:44:11,360

with with cambridge and and zuck and

2667

01:44:14,790 --> 01:44:12,719

and the senate and congress and

2668

01:44:18,950 --> 01:44:14,800

everything else and then the

2669

01:44:18,960 --> 01:44:31,990

the person

2670

01:44:37,669 --> 01:44:35,030

one percent of their advertising income

2671

01:44:38,790 --> 01:44:37,679

yeah i mean it didn't hurt them at all

2672

01:44:41,030 --> 01:44:38,800

it was not noticeable

2673

01:44:42,229 --> 01:44:41,040

no no no and it was gained back

2674

01:44:45,510 --> 01:44:42,239

immediately

2675

01:44:46,950 --> 01:44:45,520

right yeah and so this mass exodus as

2676

01:44:47,990 --> 01:44:46,960

some people are saying is occurring

2677

01:44:50,629 --> 01:44:48,000

right now

2678

01:44:52,070 --> 01:44:50,639

with twitter and going elsewhere it is

2679

01:44:53,510 --> 01:44:52,080

nothing that affects the company's

2680

01:44:56,149 --> 01:44:53,520

bottom line in the long run

2681

01:44:57,830 --> 01:44:56,159

right again jack is not enough people i

2682

01:44:59,189 --> 01:44:57,840

mean you've got millions and millions

2683

01:45:02,470 --> 01:44:59,199

and millions of users

2684

01:45:04,790 --> 01:45:02,480

and views every day and 70

2685

01:45:05,590 --> 01:45:04,800

000 people might not come back i have

2686

01:45:07,350 --> 01:45:05,600

tweeted things

2687

01:45:09,990 --> 01:45:07,360

on my own account that have gotten that

2688

01:45:11,109 --> 01:45:10,000

many views in one day from just like my

2689

01:45:13,189 --> 01:45:11,119

followers

2690

01:45:14,830 --> 01:45:13,199

and and retweets like that that is not a

2691

01:45:16,149 --> 01:45:14,840

number that is significant to that

2692

01:45:19,189 --> 01:45:16,159

company um

2693

01:45:21,990 --> 01:45:19,199

at all and it's the same thing with

2694

01:45:22,550 --> 01:45:22,000

stripe it's the same thing with deutsche

2695

01:45:24,229 --> 01:45:22,560

bank

2696

01:45:25,910 --> 01:45:24,239

right it's the same thing with all of

2697

01:45:29,669 --> 01:45:25,920

these in the big play

2698

01:45:31,510 --> 01:45:29,679

in the future by by doing this in this

2699

01:45:33,910 --> 01:45:31,520

type of cancel culture whatever

2700

01:45:36,790 --> 01:45:33,920

you want to talk about it it doesn't

2701

01:45:39,350 --> 01:45:36,800

affect their bottom line

2702

01:45:40,950 --> 01:45:39,360

no not in that way i mean cancer culture

2703

01:45:42,390 --> 01:45:40,960

can be talked about in all kinds of ways

2704

01:45:43,669 --> 01:45:42,400

you know but i i know that's not what

2705

01:45:44,070 --> 01:45:43,679

the episode's about tonight but some

2706

01:45:47,669 --> 01:45:44,080

people

2707

01:45:51,109 --> 01:45:47,679

you know deserve the cancelling you know

2708

01:45:54,310 --> 01:45:51,119

uh the uh uh the next uh

2709

01:45:57,910 --> 01:45:54,320

stage of this conversation is that

2710

01:45:58,870 --> 01:45:57,920

with the way that it is now in our life

2711

01:46:02,229 --> 01:45:58,880

and i'm talking about

2712

01:46:04,709 --> 01:46:02,239

the internet in general when we look at

2713

01:46:06,470 --> 01:46:04,719

uh twitter or facebook or anything else

2714

01:46:09,510 --> 01:46:06,480

the majority

2715

01:46:11,189 --> 01:46:09,520

of the vast amount of users

2716

01:46:13,270 --> 01:46:11,199

are there for entertainment they're

2717

01:46:13,990 --> 01:46:13,280

there for sports they're there for other

2718

01:46:15,669 --> 01:46:14,000

reasons

2719

01:46:17,430 --> 01:46:15,679

and they're not there for politics

2720

01:46:18,070 --> 01:46:17,440

they're not there for this and they're

2721

01:46:21,109 --> 01:46:18,080

not

2722

01:46:22,390 --> 01:46:21,119

they we may be talking about it but most

2723

01:46:24,390 --> 01:46:22,400

people don't even know that this is

2724

01:46:27,270 --> 01:46:24,400

going on

2725

01:46:27,669 --> 01:46:27,280

yeah my family uh you know were i mean

2726

01:46:29,109 --> 01:46:27,679

the

2727

01:46:30,550 --> 01:46:29,119

you know hearing how i talk and

2728

01:46:32,229 --> 01:46:30,560

everything it's funny to say but like my

2729

01:46:32,550 --> 01:46:32,239

whole family down in texas uh where i'm

2730

01:46:34,870 --> 01:46:32,560

from

2731

01:46:36,629 --> 01:46:34,880

uh are trump supporting trump voters who

2732

01:46:38,149 --> 01:46:36,639

voted for him both times

2733

01:46:40,709 --> 01:46:38,159

uh but even they when they're on

2734

01:46:42,629 --> 01:46:40,719

facebook they ignore all political stuff

2735

01:46:44,149 --> 01:46:42,639

they literally are there to

2736

01:46:46,550 --> 01:46:44,159

share pictures of their nieces and

2737

01:46:50,790 --> 01:46:46,560

nephews and interact with each other

2738

01:46:54,470 --> 01:46:50,800

and uh the uh

2739

01:46:56,870 --> 01:46:54,480

the inauguration is uh is on the 20th is

2740

01:46:58,550 --> 01:46:56,880

is there going to be a throttling back

2741

01:47:01,350 --> 01:46:58,560

of this chatter uh

2742

01:47:02,149 --> 01:47:01,360

the reason why i bring this up is

2743

01:47:05,030 --> 01:47:02,159

yesterday

2744

01:47:06,470 --> 01:47:05,040

on on all of the media outlets uh it

2745

01:47:08,470 --> 01:47:06,480

doesn't matter who

2746

01:47:10,629 --> 01:47:08,480

uh talked about the you know armed

2747

01:47:12,870 --> 01:47:10,639

things happening in every state capital

2748

01:47:14,709 --> 01:47:12,880

you know across the united states and i

2749

01:47:17,830 --> 01:47:14,719

look at that as fear

2750

01:47:21,669 --> 01:47:17,840

and now i'm bringing the media back in

2751

01:47:24,310 --> 01:47:21,679

as as i was in a telegram chat just

2752

01:47:26,629 --> 01:47:24,320

yesterday morning that had 265 000

2753

01:47:28,950 --> 01:47:26,639

people in it that ran a poll on whether

2754

01:47:30,709 --> 01:47:28,960

when we do this on the 17th and the 20th

2755

01:47:33,830 --> 01:47:30,719

we should bring our guns or not

2756

01:47:37,830 --> 01:47:33,840

and it got 241 000 votes

2757

01:47:40,550 --> 01:47:37,840

and it was 98 armed and ready

2758

01:47:42,310 --> 01:47:40,560

was the winner the other chat that those

2759

01:47:43,830 --> 01:47:42,320

same people who run that one were

2760

01:47:45,669 --> 01:47:43,840

running on telegram

2761

01:47:47,750 --> 01:47:45,679

uh had about 12 000 people and it was a

2762

01:47:50,870 --> 01:47:47,760

more concentrated organizing chat

2763

01:47:52,470 --> 01:47:50,880

and they put up one um who uh would you

2764

01:47:56,070 --> 01:47:52,480

rather raise your children

2765

01:47:58,790 --> 01:47:56,080

a liberal or a nazi 88

2766

01:48:00,550 --> 01:47:58,800

nazi now uh and this is the same group

2767

01:48:02,790 --> 01:48:00,560

of people who organized

2768

01:48:03,990 --> 01:48:02,800

in the background with people like ali

2769

01:48:06,390 --> 01:48:04,000

and all the others

2770

01:48:08,229 --> 01:48:06,400

the uh the the sixth but they also

2771

01:48:08,950 --> 01:48:08,239

helped organize the stop the steel event

2772

01:48:11,030 --> 01:48:08,960

you know

2773

01:48:12,310 --> 01:48:11,040

uh a month ago that happened down there

2774

01:48:15,030 --> 01:48:12,320

you know uh all

2775

01:48:16,390 --> 01:48:15,040

you know pat king and all them uh these

2776

01:48:18,229 --> 01:48:16,400

are their chat rooms

2777

01:48:19,590 --> 01:48:18,239

uh that they're running uh most of the

2778

01:48:20,070 --> 01:48:19,600

people who left parlor and all that like

2779

01:48:22,950 --> 01:48:20,080

dan

2780

01:48:23,750 --> 01:48:22,960

bondino he'd like all those people

2781

01:48:25,910 --> 01:48:23,760

they've set up

2782

01:48:26,790 --> 01:48:25,920

big there's even an official freaking

2783

01:48:29,910 --> 01:48:26,800

trump uh

2784

01:48:30,390 --> 01:48:29,920

chat room now on on telegram like that

2785

01:48:32,229 --> 01:48:30,400

has like

2786

01:48:33,830 --> 01:48:32,239

300 000 something people like that

2787

01:48:35,350 --> 01:48:33,840

that's where they all went and i was in

2788

01:48:37,590 --> 01:48:35,360

some of their private ones

2789

01:48:39,830 --> 01:48:37,600

uh with one of my uh sock puppets and

2790

01:48:41,669 --> 01:48:39,840

they were

2791

01:48:43,030 --> 01:48:41,679

maybe they don't show up but man were

2792

01:48:46,790 --> 01:48:43,040

they planning it

2793

01:48:47,990 --> 01:48:46,800

the uh uh the divisiveness that is

2794

01:48:51,109 --> 01:48:48,000

happening right now

2795

01:48:54,790 --> 01:48:51,119

i posted up in uh twitter today

2796

01:48:57,510 --> 01:48:54,800

um i said this let me uh let me get the

2797

01:48:58,550 --> 01:48:57,520

wording of it correct i said uh blue

2798

01:49:01,109 --> 01:48:58,560

must hate red

2799

01:49:02,709 --> 01:49:01,119

red must hate blue you are follow you

2800

01:49:05,430 --> 01:49:02,719

are falling for their plan

2801
01:49:07,030 --> 01:49:05,440
and they are laughing at you and and i

2802
01:49:10,149 --> 01:49:07,040
posted that up on twitter and

2803
01:49:12,709 --> 01:49:10,159
and and we are all witnessing

2804
01:49:15,030 --> 01:49:12,719
um people hating their neighbors now

2805
01:49:17,750 --> 01:49:15,040
right this distrust

2806
01:49:19,669 --> 01:49:17,760
um it's fueled by not only social media

2807
01:49:22,149 --> 01:49:19,679
but it's fueled by the media

2808
01:49:23,270 --> 01:49:22,159
themselves where these lines have been

2809
01:49:26,830 --> 01:49:23,280
drawn

2810
01:49:29,910 --> 01:49:26,840
and and suddenly were were a divided

2811
01:49:31,350 --> 01:49:29,920
country is is the mass media just as

2812
01:49:34,709 --> 01:49:31,360
responsible for this as

2813
01:49:36,470 --> 01:49:34,719

as social media absolutely they both

2814

01:49:38,310 --> 01:49:36,480

have the same responsibility in terms of

2815

01:49:41,270 --> 01:49:38,320

um

2816

01:49:42,070 --> 01:49:41,280

driving the narrative for views you know

2817

01:49:44,790 --> 01:49:42,080

when you look at

2818

01:49:46,629 --> 01:49:44,800

uh everything from fox to on to newsmax

2819

01:49:49,030 --> 01:49:46,639

to cnn msnbc

2820

01:49:51,030 --> 01:49:49,040

they need money from their uh

2821

01:49:51,830 --> 01:49:51,040

advertisers those advertisers need to

2822

01:49:54,830 --> 01:49:51,840

see numbers

2823

01:50:09,750 --> 01:49:54,840

the way you get numbers is

2824

01:50:13,750 --> 01:50:12,149

that's all of the uh the uh telegram

2825

01:50:15,430 --> 01:50:13,760

channels that they set up a couple days

2826

01:50:17,189 --> 01:50:15,440

ago to start migrating people so they

2827

01:50:19,990 --> 01:50:17,199

could keep following

2828

01:50:20,390 --> 01:50:20,000

uh and and like i mean like look at that

2829

01:50:24,149 --> 01:50:20,400

yeah

2830

01:50:26,070 --> 01:50:24,159

i'm i'm reading it now that's uh about

2831

01:50:27,990 --> 01:50:26,080

half of those were banned uh last night

2832

01:50:30,550 --> 01:50:28,000

by uh telegram

2833

01:50:31,430 --> 01:50:30,560

very interesting and uh let me take a

2834

01:50:36,629 --> 01:50:31,440

look okay

2835

01:50:39,109 --> 01:50:36,639

so um do you expect or do you

2836

01:50:40,310 --> 01:50:39,119

see in the future for this on the side

2837

01:50:41,990 --> 01:50:40,320

of the media

2838

01:50:43,830 --> 01:50:42,000

and and trying to bring down the

2839

01:50:45,990 --> 01:50:43,840

temperature i think that

2840

01:50:47,910 --> 01:50:46,000

the majority of this country wants to

2841

01:50:48,790 --> 01:50:47,920

move forward and put this stuff behind

2842

01:50:51,990 --> 01:50:48,800

us

2843

01:50:54,390 --> 01:50:52,000

but it's the media that can that

2844

01:50:56,709 --> 01:50:54,400

should help with all of this and and

2845

01:50:59,830 --> 01:50:56,719

coming forward

2846

01:51:02,470 --> 01:50:59,840

has things just gone too far

2847

01:51:03,750 --> 01:51:02,480

yeah way too far uh but no i i don't see

2848

01:51:05,830 --> 01:51:03,760

that happening at all uh

2849

01:51:07,510 --> 01:51:05,840

most of the the media especially things

2850

01:51:07,910 --> 01:51:07,520

like fox news i mean they've been clear

2851
01:51:10,070 --> 01:51:07,920
in

2852
01:51:11,589 --> 01:51:10,080
multiple court cases about the fact that

2853
01:51:14,229 --> 01:51:11,599
they don't have to tell the truth

2854
01:51:14,870 --> 01:51:14,239
literally in in a case uh uh with tucker

2855
01:51:16,310 --> 01:51:14,880
carlson

2856
01:51:17,669 --> 01:51:16,320
they called themselves an entertainment

2857
01:51:19,669 --> 01:51:17,679
company and said that they don't have to

2858
01:51:21,270 --> 01:51:19,679
adhere to any journalistic standards

2859
01:51:22,870 --> 01:51:21,280
that they don't have to tell the truth

2860
01:51:26,550 --> 01:51:22,880
that his entire show is

2861
01:51:28,629 --> 01:51:26,560
entertainment um and they do that

2862
01:51:29,109 --> 01:51:28,639
because they're feeding a narrative that

2863
01:51:30,870 --> 01:51:29,119

their

2864

01:51:32,390 --> 01:51:30,880

you know billionaire backers want them

2865

01:51:34,550 --> 01:51:32,400

to um

2866

01:51:35,830 --> 01:51:34,560

and you know the other side isn't any

2867

01:51:38,950 --> 01:51:35,840

better at that uh

2868

01:51:41,030 --> 01:51:38,960

they're all feeding their narratives um

2869

01:51:42,629 --> 01:51:41,040

and they're all politically minded uh

2870

01:51:43,270 --> 01:51:42,639

they're all aligned with the different

2871

01:51:45,990 --> 01:51:43,280

parties

2872

01:51:46,470 --> 01:51:46,000

and the thing that i will say is that

2873

01:51:48,709 --> 01:51:46,480

you know

2874

01:51:50,390 --> 01:51:48,719

in order for these media companies to

2875

01:51:51,510 --> 01:51:50,400

change in any way that would be positive

2876
01:51:53,830 --> 01:51:51,520
for society

2877
01:51:55,910 --> 01:51:53,840
you would need pressure from politicians

2878
01:51:58,470 --> 01:51:55,920
the politicians don't want that either

2879
01:51:59,430 --> 01:51:58,480
we live in a a society that is a false

2880
01:52:02,950 --> 01:51:59,440
dichotomy

2881
01:52:05,109 --> 01:52:02,960
this duality of red versus blue of

2882
01:52:06,229 --> 01:52:05,119
you know republicans democrats like the

2883
01:52:09,030 --> 01:52:06,239
thing that people

2884
01:52:10,870 --> 01:52:09,040
don't seem to grasp when they just vote

2885
01:52:13,030 --> 01:52:10,880
hard red or hard blue

2886
01:52:14,709 --> 01:52:13,040
is that um when you get to the top of

2887
01:52:17,350 --> 01:52:14,719
those two parties

2888
01:52:18,149 --> 01:52:17,360

they love each other um the the

2889

01:52:21,030 --> 01:52:18,159

republican

2890

01:52:22,470 --> 01:52:21,040

party and the gop itself generates most

2891

01:52:23,910 --> 01:52:22,480

of its donations

2892

01:52:26,629 --> 01:52:23,920

because they get to point at the

2893

01:52:27,350 --> 01:52:26,639

democrats and say you can't let them get

2894

01:52:29,510 --> 01:52:27,360

elected

2895

01:52:32,149 --> 01:52:29,520

because you hate them right and the

2896

01:52:33,589 --> 01:52:32,159

democrats get most of their donations

2897

01:52:35,830 --> 01:52:33,599

because they get to look at their base

2898

01:52:37,350 --> 01:52:35,840

and say you don't want those evil people

2899

01:52:38,470 --> 01:52:37,360

who don't believe in climate change to

2900

01:52:40,310 --> 01:52:38,480

get elected right

2901
01:52:42,149 --> 01:52:40,320
right so the democrats aren't anywhere

2902
01:52:43,750 --> 01:52:42,159
near as powerful as they could be

2903
01:52:45,030 --> 01:52:43,760
if the republicans are destroyed the

2904
01:52:46,229 --> 01:52:45,040
republicans aren't anywhere near as

2905
01:52:47,830 --> 01:52:46,239
powerful as they are

2906
01:52:49,669 --> 01:52:47,840
if the democrats are destroyed so they

2907
01:52:50,390 --> 01:52:49,679
want each other to exist and be just as

2908
01:52:52,709 --> 01:52:50,400
powerful

2909
01:52:54,149 --> 01:52:52,719
as they are so at those top levels where

2910
01:52:56,950 --> 01:52:54,159
decisions could be made

2911
01:52:58,950 --> 01:52:56,960
where power shifts could be pushed where

2912
01:53:00,470 --> 01:52:58,960
media companies could be regulated in

2913
01:53:02,310 --> 01:53:00,480

any way that would convince them to

2914

01:53:04,229 --> 01:53:02,320

start acting for the public good

2915

01:53:05,910 --> 01:53:04,239

it ain't gonna happen that takes away

2916

01:53:07,750 --> 01:53:05,920

the power of the people who would

2917

01:53:09,510 --> 01:53:07,760

be enacting the rules in in the first

2918

01:53:10,470 --> 01:53:09,520

place you have to have a nanny rule

2919

01:53:13,990 --> 01:53:10,480

against themselves

2920

01:53:17,030 --> 01:53:14,000

right right right and what uh

2921

01:53:20,070 --> 01:53:17,040

going back to the censorship issue

2922

01:53:23,669 --> 01:53:20,080

um we have uh

2923

01:53:26,790 --> 01:53:23,679

uh different segments of of

2924

01:53:27,350 --> 01:53:26,800

society that are trying to speak up that

2925

01:53:29,990 --> 01:53:27,360

have been

2926
01:53:31,430 --> 01:53:30,000
removed i'm talking specifically about

2927
01:53:33,669 --> 01:53:31,440
you know dell big tree

2928
01:53:35,430 --> 01:53:33,679
and the anti-vaxxers that are out there

2929
01:53:38,629 --> 01:53:35,440
that are trying to get data out

2930
01:53:40,950 --> 01:53:38,639
if you don't go with the narrative then

2931
01:53:43,430 --> 01:53:40,960
you are spreading disinformation we are

2932
01:53:45,750 --> 01:53:43,440
going to remove your ability

2933
01:53:48,070 --> 01:53:45,760
to communicate they did that with dell

2934
01:53:49,510 --> 01:53:48,080
big tree they did it with david ike

2935
01:53:51,270 --> 01:53:49,520
um whether you're talking about

2936
01:53:51,669 --> 01:53:51,280
spreading things that people die from

2937
01:53:54,709 --> 01:53:51,679
then

2938
01:53:57,430 --> 01:53:54,719

you should be stopped polio would be

2939

01:53:58,950 --> 01:53:57,440

gone 100 on this planet if they allowed

2940

01:54:00,709 --> 01:53:58,960

us to actually vaccinate

2941

01:54:02,629 --> 01:54:00,719

in certain areas polio is one of the

2942

01:54:05,030 --> 01:54:02,639

ones that we got to 99

2943

01:54:06,830 --> 01:54:05,040

eradicated and then conspiracy theories

2944

01:54:09,189 --> 01:54:06,840

convinced people in some countries like

2945

01:54:10,790 --> 01:54:09,199

pakistan that uh that we were doing

2946

01:54:12,229 --> 01:54:10,800

horrible things with these vaccines

2947

01:54:13,910 --> 01:54:12,239

and they stopped allowing the vaccines

2948

01:54:14,470 --> 01:54:13,920

to come and polio is starting to spread

2949

01:54:16,390 --> 01:54:14,480

again

2950

01:54:18,070 --> 01:54:16,400

there are multiple diseases that are

2951
01:54:19,510 --> 01:54:18,080
deadly and painful and horrible for

2952
01:54:21,830 --> 01:54:19,520
children to go through

2953
01:54:24,070 --> 01:54:21,840
that could be gone if these anti-vaxxers

2954
01:54:25,830 --> 01:54:24,080
hadn't started being

2955
01:54:28,310 --> 01:54:25,840
i won't i won't swear up and down on

2956
01:54:30,470 --> 01:54:28,320
your show but who they are in the 90s

2957
01:54:31,750 --> 01:54:30,480
when a grifter started the whole damn

2958
01:54:34,870 --> 01:54:31,760
movement and got

2959
01:54:36,470 --> 01:54:34,880
found out and got fined and was charged

2960
01:54:40,550 --> 01:54:36,480
with fraud

2961
01:54:43,910 --> 01:54:40,560
yes but um is is silencing

2962
01:54:46,950 --> 01:54:43,920
any voice that that is out there

2963
01:54:47,270 --> 01:54:46,960

including your own is is that the way to

2964

01:54:49,589 --> 01:54:47,280

go

2965

01:54:50,390 --> 01:54:49,599

what i was saying was killing children

2966

01:54:54,390 --> 01:54:50,400

then i would hope

2967

01:54:57,510 --> 01:54:54,400

people would silence me right

2968

01:54:59,189 --> 01:54:57,520

yes yes yes yes but

2969

01:55:01,030 --> 01:54:59,199

and i'm trying to play devil's advocate

2970

01:55:04,310 --> 01:55:01,040

here if you

2971

01:55:06,629 --> 01:55:04,320

remove all of this then you're not

2972

01:55:08,790 --> 01:55:06,639

uh able to follow the information that

2973

01:55:11,910 --> 01:55:08,800

is that is incorrect

2974

01:55:13,910 --> 01:55:11,920

yes yeah yeah yeah so you

2975

01:55:17,669 --> 01:55:13,920

as a human being all the studies the

2976

01:55:20,229 --> 01:55:17,679

psychology is very well understood uh

2977

01:55:21,910 --> 01:55:20,239

the more lies and misinformation and

2978

01:55:22,709 --> 01:55:21,920

disinformation you feed into your brain

2979

01:55:25,430 --> 01:55:22,719

the less

2980

01:55:26,229 --> 01:55:25,440

critical thinking capability you have um

2981

01:55:28,790 --> 01:55:26,239

it actually

2982

01:55:30,790 --> 01:55:28,800

does does real physical changes and

2983

01:55:34,149 --> 01:55:30,800

damage to your brain over the years

2984

01:55:34,790 --> 01:55:34,159

um so as a society i mean it is actually

2985

01:55:36,550 --> 01:55:34,800

better

2986

01:55:37,990 --> 01:55:36,560

for the entire society to remove that

2987

01:55:39,830 --> 01:55:38,000

stuff not only for

2988

01:55:41,350 --> 01:55:39,840

like the anti-vaxxers who are literally

2989

01:55:44,229 --> 01:55:41,360

causing people to die

2990

01:55:45,990 --> 01:55:44,239

um but um you know for just

2991

01:55:48,149 --> 01:55:46,000

disinformation in general as it

2992

01:55:49,589 --> 01:55:48,159

is built uh for propaganda there there

2993

01:55:51,189 --> 01:55:49,599

are very few people pushing

2994

01:55:53,910 --> 01:55:51,199

disinformation that aren't profiting off

2995

01:55:55,109 --> 01:55:53,920

of it um and and it is for profit that

2996

01:55:56,550 --> 01:55:55,119

they are doing it um

2997

01:55:58,870 --> 01:55:56,560

again like the guy who started the

2998

01:56:03,430 --> 01:55:58,880

anti-vaxx movement he did it for profit

2999

01:56:05,750 --> 01:56:03,440

uh it's it's

3000

01:56:06,550 --> 01:56:05,760

it's sad and the human brain can't

3001

01:56:09,830 --> 01:56:06,560

withstand

3002

01:56:11,910 --> 01:56:09,840

that amount of cognitive dissonance

3003

01:56:13,109 --> 01:56:11,920

dissonance that happens when it's fed

3004

01:56:14,310 --> 01:56:13,119

that many lies and that much

3005

01:56:15,990 --> 01:56:14,320

disinformation

3006

01:56:18,790 --> 01:56:16,000

it's bad for society you know what you

3007

01:56:21,750 --> 01:56:18,800

end up with 74 million people

3008

01:56:22,310 --> 01:56:21,760

voting for trump again and people riding

3009

01:56:25,750 --> 01:56:22,320

and

3010

01:56:27,430 --> 01:56:25,760

killing cops

3011

01:56:29,510 --> 01:56:27,440

um that's what you end up with when you

3012

01:56:31,910 --> 01:56:29,520

allow disinformation for

3013

01:56:33,830 --> 01:56:31,920

uh to just work as hard as it was not

3014

01:56:35,030 --> 01:56:33,840

only for the last 30 years but for the

3015

01:56:37,750 --> 01:56:35,040

last

3016

01:56:39,030 --> 01:56:37,760

like four years especially before we

3017

01:56:42,470 --> 01:56:39,040

head to the break

3018

01:56:45,589 --> 01:56:42,480

um uh 2020 allowed

3019

01:56:47,510 --> 01:56:45,599

everybody to be locked down uh

3020

01:56:49,109 --> 01:56:47,520

not leaving their houses and spending

3021

01:56:52,629 --> 01:56:49,119

time on the internet

3022

01:56:54,709 --> 01:56:52,639

where where these conspiracy theories

3023

01:56:56,390 --> 01:56:54,719

were allowed to propagate some of them

3024

01:56:59,589 --> 01:56:56,400

had foundation to it

3025

01:57:02,950 --> 01:56:59,599

okay it helped quinon grow a lot

3026

01:57:06,550 --> 01:57:02,960

well and and and the

3027

01:57:10,149 --> 01:57:06,560

the uh well okay

3028

01:57:13,430 --> 01:57:10,159

it it the lockdown nearly changed

3029

01:57:14,310 --> 01:57:13,440

dna and i'm being serious about this

3030

01:57:16,550 --> 01:57:14,320

we're talking about

3031

01:57:17,589 --> 01:57:16,560

covering of faces being locked down in

3032

01:57:20,870 --> 01:57:17,599

your house

3033

01:57:24,310 --> 01:57:20,880

uh being fed information all day long

3034

01:57:28,870 --> 01:57:24,320

um you're not out there right right

3035

01:57:32,310 --> 01:57:28,880

and and that we are today where we are

3036

01:57:34,950 --> 01:57:32,320

where you can't get people to back up on

3037

01:57:37,109 --> 01:57:34,960

on the ideas that they have built up on

3038

01:57:39,270 --> 01:57:37,119

for 12 months

3039

01:57:41,189 --> 01:57:39,280

it's it's hard i mean you find ways to

3040

01:57:44,310 --> 01:57:41,199

cope in tough situations and

3041

01:57:47,750 --> 01:57:44,320

uh a lot of people's coping mechanism

3042

01:57:49,109 --> 01:57:47,760

was going down these rabbit holes and uh

3043

01:57:50,310 --> 01:57:49,119

they'd end up with whatever they

3044

01:57:52,149 --> 01:57:50,320

believed they believed and hey

3045

01:57:53,510 --> 01:57:52,159

you know that that that is how the human

3046

01:57:54,629 --> 01:57:53,520

brain works i have found myself on

3047

01:57:55,350 --> 01:57:54,639

youtube at three in the morning

3048

01:57:56,950 --> 01:57:55,360

wondering

3049

01:57:59,030 --> 01:57:56,960

how this happened because you know it

3050

01:58:00,709 --> 01:57:59,040

was 10 p.m a few minutes ago

3051

01:58:02,310 --> 01:58:00,719

and i just kept clicking on the next

3052

01:58:03,589 --> 01:58:02,320

video i was recommending and i ended up

3053

01:58:05,189 --> 01:58:03,599

somehow watching something

3054

01:58:07,350 --> 01:58:05,199

that i never would have chosen to watch

3055

01:58:09,750 --> 01:58:07,360

myself uh you know and

3056

01:58:11,510 --> 01:58:09,760

uh a lot of us went through that over

3057

01:58:13,109 --> 01:58:11,520

this time period so

3058

01:58:15,030 --> 01:58:13,119

yeah it helped a lot of conspiracy

3059

01:58:15,430 --> 01:58:15,040

theory and a lot of uh other things you

3060

01:58:17,030 --> 01:58:15,440

know

3061

01:58:18,709 --> 01:58:17,040

especially misinformation happen and

3062

01:58:19,750 --> 01:58:18,719

that's not to say that all conspiracy

3063

01:58:21,189 --> 01:58:19,760

theories false we

3064

01:58:23,510 --> 01:58:21,199

we have proven time and time again that

3065

01:58:25,189 --> 01:58:23,520

conspiracy theories can become true

3066

01:58:26,790 --> 01:58:25,199

people were talking about mk ultra

3067

01:58:28,550 --> 01:58:26,800

before we had the proof that it happened

3068

01:58:30,310 --> 01:58:28,560

so i'm not gonna sit here and say

3069

01:58:31,669 --> 01:58:30,320

all conspiracy theory is wrong i'm just

3070

01:58:33,669 --> 01:58:31,679

gonna say that you know

3071

01:58:34,950 --> 01:58:33,679

the majority has been proven false time

3072

01:58:36,470 --> 01:58:34,960

and time again

3073

01:58:38,070 --> 01:58:36,480

let's take our break right here our

3074

01:58:40,870 --> 01:58:38,080

guest tonight the one and only greg

3075

01:58:42,550 --> 01:58:40,880

housh i am your host jimmy church this

3076
01:58:45,030 --> 01:58:42,560
is fade to black on the game changer

3077
01:58:48,149 --> 01:58:45,040
network and kgra

3078
01:58:57,189 --> 01:58:48,159
the planet that's right more this when

3079
01:58:57,199 --> 01:59:04,790
hi everybody this is dot com

3080
01:59:08,390 --> 01:59:07,350
this is kgra digital broadcasting

3081
01:59:12,070 --> 01:59:08,400
station

3082
01:59:13,830 --> 01:59:12,080
salt lake city utah van buren arkansas

3083
01:59:15,990 --> 01:59:13,840
why is it we're not very good with our

3084
01:59:17,350 --> 01:59:16,000
health regiment until it's too late we

3085
01:59:18,870 --> 01:59:17,360
don't put oil in the car

3086
01:59:21,109 --> 01:59:18,880
until the engine blows up when the

3087
01:59:23,589 --> 01:59:21,119
body's out of balance your health

3088
01:59:26,430 --> 01:59:23,599

is not so good give your body some love

3089

01:59:27,589 --> 01:59:26,440

log on to get the tea.com that's get the

3090

01:59:29,589 --> 01:59:27,599

tea.com

3091

01:59:31,510 --> 01:59:29,599

try our life change tea which cleanses

3092

01:59:33,669 --> 01:59:31,520

you from harmful intruders

3093

01:59:35,189 --> 01:59:33,679

a clean colon is one of the ways to

3094

01:59:37,189 --> 01:59:35,199

bring the body in balance

3095

01:59:39,430 --> 01:59:37,199

we also carry organic supplements to

3096

01:59:41,750 --> 01:59:39,440

help you get where you need to go

3097

01:59:45,830 --> 01:59:41,760

so do your body a favor log on to get

3098

01:59:48,070 --> 01:59:45,840

the tea.com that's get the ttea.com

3099

01:59:49,270 --> 01:59:48,080

you can even visit our sales page to

3100

01:59:51,510 --> 01:59:49,280

save some dough

3101
01:59:53,270 --> 01:59:51,520
does anybody call money dough anymore

3102
01:59:54,470 --> 01:59:53,280
anyway if you're looking for short

3103
01:59:56,950 --> 01:59:54,480
helpful health tips

3104
01:59:58,229 --> 01:59:56,960
go to youtube and punch in health

3105
02:00:05,430 --> 01:59:58,239
matters now

3106
02:00:06,070 --> 02:00:05,440
log on to get the tea.com shop get

3107
02:00:08,390 --> 02:00:06,080
balanced

3108
02:00:10,550 --> 02:00:08,400
then learn some cool tips at health

3109
02:00:14,550 --> 02:00:10,560
matters now you'll be glad you did

3110
02:00:18,430 --> 02:00:14,560
that's get the tea.com your contact for

3111
02:00:20,310 --> 02:00:18,440
current news and trending topics

3112
02:00:22,149 --> 02:00:20,320
kgraradio.com

3113
02:00:23,350 --> 02:00:22,159

this is jimmy church of fade to black

3114

02:00:26,390 --> 02:00:23,360

and i only

3115

02:00:29,030 --> 02:00:26,400

drink fade to black blend coffee

3116

02:00:30,910 --> 02:00:29,040

from river moon just click on the river

3117

02:00:32,070 --> 02:00:30,920

moon coffee banner at

3118

02:00:36,070 --> 02:00:32,080

jimmychurchradio.com

3119

02:00:40,149 --> 02:00:36,080

promo code f2b blend

3120

02:00:41,510 --> 02:00:40,159

this is the only way forward this is aid

3121

02:00:50,550 --> 02:00:41,520

to black

3122

02:00:53,669 --> 02:00:52,390

when you're in the house for longer

3123

02:00:56,070 --> 02:00:53,679

periods of time

3124

02:00:57,830 --> 02:00:56,080

you can see them flying or running

3125

02:01:00,870 --> 02:00:57,840

across the floor

3126

02:01:04,070 --> 02:01:00,880

ooh yuck they're unhealthy

3127

02:01:07,109 --> 02:01:04,080

gross and disgusting bugs i

3128

02:01:10,229 --> 02:01:07,119

loathe bugs we keep a clean home

3129

02:01:11,589 --> 02:01:10,239

but occasionally bugs show up well i

3130

02:01:14,550 --> 02:01:11,599

found something that is

3131

02:01:15,430 --> 02:01:14,560

tougher than bugs orange guard on

3132

02:01:18,629 --> 02:01:15,440

contact

3133

02:01:22,229 --> 02:01:18,639

it kills hidden bugs including ants

3134

02:01:24,149 --> 02:01:22,239

roaches and fleas plus orange guard is a

3135

02:01:26,149 --> 02:01:24,159

residual repellent

3136

02:01:27,350 --> 02:01:26,159

all of the ingredients of orange guard

3137

02:01:30,470 --> 02:01:27,360

are on the fda

3138

02:01:32,390 --> 02:01:30,480

generally recognized as safe list orange

3139

02:01:35,430 --> 02:01:32,400

guard may be used around food

3140

02:01:39,430 --> 02:01:35,440

humans and pets it comes with a

3141

02:01:43,109 --> 02:01:39,440

30-day money-back guarantee orange guard

3142

02:01:55,350 --> 02:01:43,119

available at orangeguard.com whole foods

3143

02:02:02,390 --> 02:01:58,550

you want to know a secret i love

3144

02:02:04,550 --> 02:02:02,400

ponies i really love ponies i'm serious

3145

02:02:05,990 --> 02:02:04,560

i couldn't stay sane without pawn mr

3146

02:02:09,189 --> 02:02:06,000

brush

3147

02:02:10,149 --> 02:02:09,199

why fade to black because you never got

3148

02:02:14,470 --> 02:02:10,159

that pony

3149

02:02:19,030 --> 02:02:16,709

this is fade to black with jimmy church

3150

02:02:36,870 --> 02:02:19,040

on the game changer radio network

3151

02:02:39,430 --> 02:02:38,229

welcome back fade to black i'm rarely

3152

02:02:41,030 --> 02:02:39,440

jimmy church our guest tonight greg

3153

02:02:45,430 --> 02:02:41,040

house

3154

02:02:49,270 --> 02:02:45,440

of all of this

3155

02:02:51,109 --> 02:02:49,280

uh for so long and uh we we've toned it

3156

02:02:52,709 --> 02:02:51,119

down somewhat tonight but

3157

02:02:54,310 --> 02:02:52,719

i can tell you this anytime that i i

3158

02:02:55,189 --> 02:02:54,320

contact greg he is somewhere in the

3159

02:02:57,990 --> 02:02:55,199

country

3160

02:02:59,430 --> 02:02:58,000

uh uh in in the middle of it and in the

3161

02:03:00,229 --> 02:02:59,440

thick of things and when you hear greg

3162

02:03:02,310 --> 02:03:00,239

speak

3163

02:03:03,750 --> 02:03:02,320

he's not doing this uh you know from the

3164

02:03:05,750 --> 02:03:03,760

comfort of his living room he's out

3165

02:03:07,990 --> 02:03:05,760

there doing this around the country

3166

02:03:09,189 --> 02:03:08,000

and and speaking out loudly about all of

3167

02:03:11,030 --> 02:03:09,199

these issues

3168

02:03:12,950 --> 02:03:11,040

and certainly the internet is a part of

3169

02:03:16,070 --> 02:03:12,960

your life greg and

3170

02:03:18,229 --> 02:03:16,080

um when the movie social dilemma the

3171

02:03:20,950 --> 02:03:18,239

social dilemma came out

3172

02:03:21,830 --> 02:03:20,960

and i watched it and then i re-watched

3173

02:03:23,750 --> 02:03:21,840

it

3174

02:03:25,589 --> 02:03:23,760

there was a certain part of me that was

3175

02:03:27,589 --> 02:03:25,599

angry and then there was a certain

3176

02:03:28,790 --> 02:03:27,599

part of me that i had to look back at

3177

02:03:31,350 --> 02:03:28,800

myself

3178

02:03:32,070 --> 02:03:31,360

and then look at my internet world and

3179

02:03:35,430 --> 02:03:32,080

consider

3180

02:03:37,030 --> 02:03:35,440

what my news feed was and one of the

3181

02:03:38,709 --> 02:03:37,040

things that is important

3182

02:03:41,270 --> 02:03:38,719

probably the most important thing and

3183

02:03:42,070 --> 02:03:41,280

there's two with a social dilemma is

3184

02:03:45,189 --> 02:03:42,080

that

3185

02:03:48,550 --> 02:03:45,199

everybody's news feed

3186

02:03:52,629 --> 02:03:48,560

is tailor made for them they

3187

02:03:54,870 --> 02:03:52,639

think the world is their news feed

3188

02:03:56,310 --> 02:03:54,880

and they think that everybody else

3189

02:03:59,510 --> 02:03:56,320

around them

3190

02:04:03,430 --> 02:03:59,520

has the same feed and they

3191

02:04:04,149 --> 02:04:03,440

do not down to the most individual

3192

02:04:07,270 --> 02:04:04,159

person

3193

02:04:08,149 --> 02:04:07,280

on the planet and that is a pretty crazy

3194

02:04:10,870 --> 02:04:08,159

algorithm

3195

02:04:11,510 --> 02:04:10,880

and and to think about isn't it it

3196

02:04:13,589 --> 02:04:11,520

really is

3197

02:04:15,510 --> 02:04:13,599

um you know for people who haven't uh

3198

02:04:18,550 --> 02:04:15,520

watched the social dilemma

3199

02:04:21,750 --> 02:04:18,560

you know you should uh it is amazing

3200

02:04:24,470 --> 02:04:21,760

um jeff orlowski does just the best

3201

02:04:25,350 --> 02:04:24,480

freaking work i i i it's it's a

3202

02:04:28,470 --> 02:04:25,360

docudrama

3203

02:04:30,069 --> 02:04:28,480

so it's you know kind of traumatized

3204

02:04:31,669 --> 02:04:30,079

version of a documentary

3205

02:04:33,350 --> 02:04:31,679

but it's a lot of real interviews with

3206

02:04:34,470 --> 02:04:33,360

real people who you know worked at

3207

02:04:37,270 --> 02:04:34,480

places like facebook

3208

02:04:39,109 --> 02:04:37,280

google apple all those uh and they go

3209

02:04:41,430 --> 02:04:39,119

into great detail about the

3210

02:04:42,790 --> 02:04:41,440

uh level of manipulation that's possible

3211

02:04:46,629 --> 02:04:42,800

on platforms like this

3212

02:04:49,910 --> 02:04:46,639

um and how they use it to extract the

3213

02:04:51,990 --> 02:04:49,920

most possible money out of you like um

3214

02:04:54,470 --> 02:04:52,000

there have been experiments where

3215

02:04:57,430 --> 02:04:54,480

facebook thinks it's okay to test

3216

02:04:59,350 --> 02:04:57,440

if uh if we show you ads that are sent

3217

02:05:02,470 --> 02:04:59,360

or if we show you posts

3218

02:05:05,510 --> 02:05:02,480

that our sentiment analysis software

3219

02:05:08,709 --> 02:05:05,520

says we'll put you in x mood

3220

02:05:11,350 --> 02:05:08,719

and then we show you why add

3221

02:05:13,510 --> 02:05:11,360

will you buy it more often and so like

3222

02:05:16,629 --> 02:05:13,520

that level of user manipulation

3223

02:05:17,990 --> 02:05:16,639

uh as at the core of why these

3224

02:05:21,189 --> 02:05:18,000

algorithmic

3225

02:05:22,790 --> 02:05:21,199

news feeds are problematic in the wrong

3226

02:05:25,990 --> 02:05:22,800

hands and will almost

3227

02:05:29,350 --> 02:05:26,000

never end up in the right hands the

3228

02:05:32,470 --> 02:05:29,360

uh the individual user

3229

02:05:35,270 --> 02:05:32,480

is effectively put in a bubble it is

3230

02:05:37,350 --> 02:05:35,280

their world and it's their world that is

3231

02:05:41,350 --> 02:05:37,360

individual that isn't shared with

3232

02:05:43,189 --> 02:05:41,360

anybody else and it's uh we like to joke

3233

02:05:45,430 --> 02:05:43,199

about it being called uh you know the

3234

02:05:47,189 --> 02:05:45,440

skinner box it's the same thing used for

3235

02:05:48,870 --> 02:05:47,199

micro transactions on games when when

3236

02:05:50,550 --> 02:05:48,880

they take over the full screen and they

3237

02:05:52,470 --> 02:05:50,560

they trick you into just one more penny

3238

02:05:54,709 --> 02:05:52,480

just one more penny and you realize

3239

02:05:56,470 --> 02:05:54,719

you know an hour in you've spent fifty

3240

02:05:58,550 --> 02:05:56,480

dollars somehow

3241

02:06:01,430 --> 02:05:58,560

yeah you know the skinner box uh is is

3242

02:06:03,669 --> 02:06:01,440

uh is is the metric for it that's a uh

3243

02:06:05,030 --> 02:06:03,679

it's a the real name for the skinner box

3244

02:06:07,030 --> 02:06:05,040

skinner's just the name of the person

3245

02:06:09,589 --> 02:06:07,040

behind the the psychological uh

3246

02:06:11,589 --> 02:06:09,599

you know method here is an operant

3247

02:06:16,229 --> 02:06:11,599

conditioning chamber

3248

02:06:18,950 --> 02:06:16,239

uh something used in laboratory testing

3249

02:06:20,950 --> 02:06:18,960

where a rat a pigeon any kind of animal

3250

02:06:22,390 --> 02:06:20,960

will be put in a box with almost no

3251
02:06:24,629 --> 02:06:22,400
outside stimulus

3252
02:06:25,990 --> 02:06:24,639
and then be given a trigger that will

3253
02:06:27,589 --> 02:06:26,000
give them something they want

3254
02:06:29,430 --> 02:06:27,599
even if there's multiple and only one

3255
02:06:31,510 --> 02:06:29,440
works uh you know

3256
02:06:33,030 --> 02:06:31,520
they'll use uh little levers that you

3257
02:06:35,750 --> 02:06:33,040
know mice or rats have to hit

3258
02:06:36,950 --> 02:06:35,760
and it gives them food um you know that

3259
02:06:39,189 --> 02:06:36,960
the same

3260
02:06:39,990 --> 02:06:39,199
methodology used to build these skinner

3261
02:06:42,229 --> 02:06:40,000
boxes these

3262
02:06:44,790 --> 02:06:42,239
operant conditioning chambers is the

3263
02:06:46,470 --> 02:06:44,800

same idea behind your news feed

3264

02:06:48,390 --> 02:06:46,480

you are you are stuck looking at this

3265

02:06:50,149 --> 02:06:48,400

screen as if you were in a box you

3266

02:06:50,470 --> 02:06:50,159

aren't averting your eyes from it you

3267

02:06:53,910 --> 02:06:50,480

are

3268

02:06:55,830 --> 02:06:53,920

news feed

3269

02:06:57,350 --> 02:06:55,840

and they are feeding you what it takes

3270

02:06:59,430 --> 02:06:57,360

to get you to give them

3271

02:07:02,550 --> 02:06:59,440

more money and if it's not more money

3272

02:07:05,990 --> 02:07:02,560

it's just as valuable it's more data

3273

02:07:07,270 --> 02:07:06,000

the uh the interviews in the social

3274

02:07:10,629 --> 02:07:07,280

dilemma

3275

02:07:11,990 --> 02:07:10,639

which i think across the board say the

3276

02:07:15,589 --> 02:07:12,000

same thing the same

3277

02:07:18,470 --> 02:07:15,599

message in that they didn't realize

3278

02:07:19,990 --> 02:07:18,480

when they were trying to monetize things

3279

02:07:23,430 --> 02:07:20,000

back in 1995

3280

02:07:24,790 --> 02:07:23,440

96 97 98 that these very simple

3281

02:07:26,709 --> 02:07:24,800

algorithms

3282

02:07:27,830 --> 02:07:26,719

would turn into what they turned in

3283

02:07:30,629 --> 02:07:27,840

today

3284

02:07:32,069 --> 02:07:30,639

and they are out of control and there is

3285

02:07:35,830 --> 02:07:32,079

no way to

3286

02:07:38,390 --> 02:07:35,840

reel them back in and the end result

3287

02:07:40,629 --> 02:07:38,400

is going to be entropy at its finest

3288

02:07:42,629 --> 02:07:40,639

right it is just going to

3289

02:07:44,229 --> 02:07:42,639

come completely unglued and there's

3290

02:07:45,830 --> 02:07:44,239

nothing that they can do about it at

3291

02:07:47,270 --> 02:07:45,840

this point

3292

02:07:49,270 --> 02:07:47,280

no uh you know building up these

3293

02:07:52,069 --> 02:07:49,280

algorithms is interesting when you look

3294

02:07:53,990 --> 02:07:52,079

back at the history of them even down to

3295

02:07:55,189 --> 02:07:54,000

who would see what data like the very

3296

02:07:57,830 --> 02:07:55,199

first time

3297

02:07:59,669 --> 02:07:57,840

that facebook's algorithm really started

3298

02:08:00,790 --> 02:07:59,679

to show users slightly different

3299

02:08:02,229 --> 02:08:00,800

information

3300

02:08:04,149 --> 02:08:02,239

wasn't because they were testing

3301

02:08:04,790 --> 02:08:04,159

anything it was because for scale

3302

02:08:07,030 --> 02:08:04,800

reasons

3303

02:08:07,990 --> 02:08:07,040

they were getting so large that they

3304

02:08:09,910 --> 02:08:08,000

literally couldn't get

3305

02:08:11,030 --> 02:08:09,920

the data around their network fast

3306

02:08:13,430 --> 02:08:11,040

enough that if

3307

02:08:14,629 --> 02:08:13,440

you posted something and me and one

3308

02:08:15,270 --> 02:08:14,639

other of your friends pulled up your

3309

02:08:16,870 --> 02:08:15,280

feed

3310

02:08:19,109 --> 02:08:16,880

that we would both see it at the same

3311

02:08:21,910 --> 02:08:19,119

time so they gave up on

3312

02:08:23,430 --> 02:08:21,920

consistency and they rewrote their data

3313

02:08:26,310 --> 02:08:23,440

back end to something called

3314

02:08:27,109 --> 02:08:26,320

eventually consistent and that was the

3315

02:08:30,310 --> 02:08:27,119

first time

3316

02:08:32,069 --> 02:08:30,320

they touched on the data that users see

3317

02:08:33,669 --> 02:08:32,079

doesn't have to be the exact same data

3318

02:08:36,069 --> 02:08:33,679

at the exact same time

3319

02:08:37,350 --> 02:08:36,079

and from there it gets well wait then

3320

02:08:39,510 --> 02:08:37,360

maybe we could

3321

02:08:41,270 --> 02:08:39,520

and you slowly start building on top of

3322

02:08:42,229 --> 02:08:41,280

that what if we really showed them

3323

02:08:43,750 --> 02:08:42,239

different data

3324

02:08:45,669 --> 02:08:43,760

and what if you know but it's just the

3325

02:08:47,030 --> 02:08:45,679

initial idea was literally

3326

02:08:49,270 --> 02:08:47,040

we're going to show you different data

3327

02:08:50,709 --> 02:08:49,280

because it means we can scale better

3328

02:08:53,030 --> 02:08:50,719

not because we're going to manipulate

3329

02:08:55,189 --> 02:08:53,040

you but like so you can see the

3330

02:08:57,430 --> 02:08:55,199

good intentions behind the very initial

3331

02:08:58,470 --> 02:08:57,440

move and you can see the next initial

3332

02:09:00,550 --> 02:08:58,480

move was well

3333

02:09:01,750 --> 02:09:00,560

but man if we didn't show him this

3334

02:09:03,270 --> 02:09:01,760

user's post

3335

02:09:05,270 --> 02:09:03,280

and we showed him an ad there instead

3336

02:09:06,950 --> 02:09:05,280

and it just it well

3337

02:09:08,550 --> 02:09:06,960

we get to hire two more people to do

3338

02:09:10,069 --> 02:09:08,560

this extra job that we need

3339

02:09:12,229 --> 02:09:10,079

and you can kind of see that's not that

3340

02:09:15,109 --> 02:09:12,239

evil right and it just

3341

02:09:15,750 --> 02:09:15,119

it keeps building until suddenly it's

3342

02:09:18,470 --> 02:09:15,760

all evil

3343

02:09:20,229 --> 02:09:18,480

it's gigantic and it's a monster and if

3344

02:09:23,270 --> 02:09:20,239

you touch the monster

3345

02:09:24,790 --> 02:09:23,280

many people might lose their jobs and

3346

02:09:26,870 --> 02:09:24,800

that's where their mind is right like

3347

02:09:28,310 --> 02:09:26,880

the size of their company the volume of

3348

02:09:30,709 --> 02:09:28,320

money being made

3349

02:09:31,589 --> 02:09:30,719

uh you know mark zuckerberg isn't taking

3350

02:09:34,069 --> 02:09:31,599

a pay cut

3351

02:09:35,510 --> 02:09:34,079

you know there might be less moderators

3352

02:09:36,390 --> 02:09:35,520

next year if that place starts losing

3353

02:09:39,510 --> 02:09:36,400

money

3354

02:09:42,709 --> 02:09:39,520

and there was um another

3355

02:09:43,910 --> 02:09:42,719

nugget in the social dilemma that blew

3356

02:09:47,430 --> 02:09:43,920

my mind

3357

02:09:50,470 --> 02:09:47,440

where they were trying to do good

3358

02:09:53,510 --> 02:09:50,480

for the end user by giving

3359

02:09:54,470 --> 02:09:53,520

them ads that would make sense to them

3360

02:09:56,629 --> 02:09:54,480

you don't want to waste

3361

02:09:58,310 --> 02:09:56,639

ad space on somebody that's it's they're

3362

02:10:00,870 --> 02:09:58,320

just not interested

3363

02:10:02,950 --> 02:10:00,880

in the ad so they they tried to write

3364

02:10:04,629 --> 02:10:02,960

these algorithms so that they could take

3365

02:10:05,669 --> 02:10:04,639

care of the end users where they would

3366

02:10:08,229 --> 02:10:05,679

see

3367

02:10:09,030 --> 02:10:08,239

you know ads that that would interest

3368

02:10:12,149 --> 02:10:09,040

them

3369

02:10:15,990 --> 02:10:12,159

that same algorithm was then used

3370

02:10:18,149 --> 02:10:16,000

for news items right that could come in

3371

02:10:19,350 --> 02:10:18,159

and and be in somebody's news feed

3372

02:10:21,270 --> 02:10:19,360

because

3373

02:10:22,550 --> 02:10:21,280

possibly it would be interesting to them

3374

02:10:26,069 --> 02:10:22,560

and maybe this other news

3375

02:10:29,109 --> 02:10:26,079

isn't and that's what got out of control

3376

02:10:31,510 --> 02:10:29,119

right really yeah i mean you know the

3377

02:10:33,270 --> 02:10:31,520

the first ideas that that especially on

3378

02:10:33,910 --> 02:10:33,280

facebook on their platform that they had

3379

02:10:36,870 --> 02:10:33,920

around

3380

02:10:38,709 --> 02:10:36,880

the ads were people kept reporting and

3381

02:10:42,229 --> 02:10:38,719

complaining about ads that were so

3382

02:10:45,350 --> 02:10:42,239

irrelevant to them uh you know like a

3383

02:10:48,470 --> 02:10:45,360

a 15 year old getting an ad for

3384

02:10:50,950 --> 02:10:48,480

uh you know a new house or uh

3385

02:10:52,870 --> 02:10:50,960

you know a 90 year old getting an ad for

3386

02:10:54,229 --> 02:10:52,880

a brand new motorcycle like these

3387

02:10:57,030 --> 02:10:54,239

weren't things that you know

3388

02:10:58,790 --> 02:10:57,040

right they were ever going to buy so the

3389

02:11:00,390 --> 02:10:58,800

team started figuring out how do we show

3390

02:11:01,189 --> 02:11:00,400

them ads that are going to lead to less

3391

02:11:03,350 --> 02:11:01,199

work for us

3392

02:11:05,990 --> 02:11:03,360

on the reporting and a better experience

3393

02:11:07,910 --> 02:11:06,000

for them i'm sure there were the few

3394

02:11:09,830 --> 02:11:07,920

marketing savvy people there who were

3395

02:11:10,550 --> 02:11:09,840

like and maybe since the ads will be

3396

02:11:12,950 --> 02:11:10,560

better

3397

02:11:14,950 --> 02:11:12,960

they might click on them more but the

3398

02:11:15,270 --> 02:11:14,960

very initial nugget that the first thing

3399

02:11:17,270 --> 02:11:15,280

in

3400

02:11:18,709 --> 02:11:17,280

the first developer's name and and he's

3401

02:11:20,950 --> 02:11:18,719

uh one of the people who

3402

02:11:22,550 --> 02:11:20,960

talks in the in the uh the social

3403

02:11:24,709 --> 02:11:22,560

dilemma talks about it but

3404

02:11:26,310 --> 02:11:24,719

it's it's like the very first nugget was

3405

02:11:27,830 --> 02:11:26,320

can we make the user experience a little

3406

02:11:28,709 --> 02:11:27,840

better so they stop seeing all these ads

3407

02:11:30,709 --> 02:11:28,719

they hate

3408

02:11:31,750 --> 02:11:30,719

and so like a lot of these algorithms

3409

02:11:33,430 --> 02:11:31,760

didn't like

3410

02:11:36,149 --> 02:11:33,440

zuckerberg didn't sit down one day and

3411

02:11:37,030 --> 02:11:36,159

say ha ha i'm going to build a lair and

3412

02:11:40,470 --> 02:11:37,040

we're going to build this

3413

02:11:42,470 --> 02:11:40,480

evil algorithm no it organically grew on

3414

02:11:44,069 --> 02:11:42,480

top of itself over and over and over

3415

02:11:46,229 --> 02:11:44,079

it's just

3416

02:11:47,750 --> 02:11:46,239

this type of data collection necessary

3417

02:11:49,189 --> 02:11:47,760

to build this algorithm

3418

02:11:51,350 --> 02:11:49,199

and then the amount of money they need

3419

02:11:54,709 --> 02:11:51,360

to make to maintain it is

3420

02:11:57,750 --> 02:11:54,719

unmaintainable unless it goes bad

3421

02:12:01,109 --> 02:11:57,760

and dark and evil i think personally and

3422

02:12:02,870 --> 02:12:01,119

and and these algorithms are actually

3423

02:12:05,589 --> 02:12:02,880

very simple

3424

02:12:07,430 --> 02:12:05,599

there weren't this complex thing it was

3425

02:12:10,390 --> 02:12:07,440

that they were taking the user data

3426

02:12:12,229 --> 02:12:10,400

that is there uh your search history

3427

02:12:15,669 --> 02:12:12,239

what you're clicking on and really

3428

02:12:18,870 --> 02:12:15,679

that was it but today the user data

3429

02:12:22,069 --> 02:12:18,880

on each individual is huge

3430

02:12:22,709 --> 02:12:22,079

it's complete they understand you more

3431

02:12:26,709 --> 02:12:22,719

than your

3432

02:12:29,030 --> 02:12:26,719

children do they really are a step ahead

3433

02:12:29,990 --> 02:12:29,040

of of what is going on the data

3434

02:12:33,510 --> 02:12:30,000

collection on

3435

02:12:36,550 --> 02:12:33,520

on the end users is so complete

3436

02:12:38,390 --> 02:12:36,560

that now when when we're talking about a

3437

02:12:41,430 --> 02:12:38,400

tailored news feed

3438

02:12:43,510 --> 02:12:41,440

it isn't it is based on a metric

3439

02:12:45,910 --> 02:12:43,520

that that you would be blown away if you

3440

02:12:49,430 --> 02:12:45,920

knew how much data was there

3441

02:12:50,950 --> 02:12:49,440

so uh you know apple has introduced in

3442

02:12:52,950 --> 02:12:50,960

their new ios the newest

3443

02:12:55,990 --> 02:12:52,960

one anyways not like new now but the

3444

02:13:00,390 --> 02:12:56,000

newest one a lot more privacy features

3445

02:13:03,270 --> 02:13:00,400

and one of them is any app that includes

3446

02:13:04,310 --> 02:13:03,280

another company's code to accomplish

3447

02:13:06,950 --> 02:13:04,320

something

3448

02:13:08,629 --> 02:13:06,960

um if that company's code is going to

3449

02:13:12,709 --> 02:13:08,639

track the user

3450

02:13:15,990 --> 02:13:12,719

and tell such as you're running a game

3451
02:13:17,990 --> 02:13:16,000
and you load up this game and it allows

3452
02:13:19,430 --> 02:13:18,000
you to log into the game to remember

3453
02:13:20,950 --> 02:13:19,440
your high scores

3454
02:13:22,870 --> 02:13:20,960
and go against everyone else in the

3455
02:13:23,830 --> 02:13:22,880
world or log in and play words with

3456
02:13:26,550 --> 02:13:23,840
friends or something

3457
02:13:28,149 --> 02:13:26,560
but allows you to do it with facebook

3458
02:13:31,109 --> 02:13:28,159
now facebook knows

3459
02:13:31,990 --> 02:13:31,119
that you just played words with friends

3460
02:13:35,109 --> 02:13:32,000
on your phone

3461
02:13:36,790 --> 02:13:35,119
in this location at this time and then

3462
02:13:38,709 --> 02:13:36,800
you did it five more times

3463
02:13:39,990 --> 02:13:38,719

at that around that same time they know

3464

02:13:41,589 --> 02:13:40,000

now that that's a little free time

3465

02:13:43,669 --> 02:13:41,599

you've got at that time

3466

02:13:45,030 --> 02:13:43,679

maybe we need to start focusing our ads

3467

02:13:47,990 --> 02:13:45,040

near that right

3468

02:13:49,109 --> 02:13:48,000

so apple released a uh an update that

3469

02:13:51,430 --> 02:13:49,119

any app

3470

02:13:54,229 --> 02:13:51,440

that used tools like facebook's or

3471

02:13:57,189 --> 02:13:54,239

twitters or anyone else's login features

3472

02:13:58,790 --> 02:13:57,199

for their app had to warn the user that

3473

02:14:00,950 --> 02:13:58,800

they were getting tracked by facebook

3474

02:14:03,510 --> 02:14:00,960

and give them the option to turn it off

3475

02:14:05,109 --> 02:14:03,520

this led to an understanding of how

3476

02:14:07,669 --> 02:14:05,119

important that data was

3477

02:14:10,470 --> 02:14:07,679

because facebook took out full page full

3478

02:14:13,830 --> 02:14:10,480

color ads in multiple newspapers

3479

02:14:16,870 --> 02:14:13,840

complaining about this update

3480

02:14:20,149 --> 02:14:16,880

that's incredible to me and

3481

02:14:23,990 --> 02:14:20,159

this data is shared between

3482

02:14:26,550 --> 02:14:24,000

att apple facebook google this is a

3483

02:14:28,390 --> 02:14:26,560

commodity aggregators there's middlemen

3484

02:14:29,189 --> 02:14:28,400

who collect all of this and build giant

3485

02:14:31,510 --> 02:14:29,199

data sets

3486

02:14:32,229 --> 02:14:31,520

so like if you've seen some of the big

3487

02:14:34,629 --> 02:14:32,239

you know where

3488

02:14:35,430 --> 02:14:34,639

300 million people's data was like

3489

02:14:36,790 --> 02:14:35,440

hacked like

3490

02:14:38,790 --> 02:14:36,800

in the last you know decade you know

3491

02:14:40,870 --> 02:14:38,800

when those types of leaks happen

3492

02:14:42,950 --> 02:14:40,880

um and you hear it's from some random

3493

02:14:44,629 --> 02:14:42,960

company innovox data and you've never

3494

02:14:47,510 --> 02:14:44,639

heard of these freaking people

3495

02:14:48,390 --> 02:14:47,520

they're one of those data warehousing

3496

02:14:50,069 --> 02:14:48,400

places

3497

02:14:51,910 --> 02:14:50,079

that take all this data from all these

3498

02:14:54,310 --> 02:14:51,920

companies collate it together

3499

02:14:55,589 --> 02:14:54,320

figure out that this data is one human

3500

02:14:57,430 --> 02:14:55,599

being's data

3501

02:14:59,750 --> 02:14:57,440

and then can feed that back out to

3502

02:15:02,390 --> 02:14:59,760

everyone like facebook and everyone else

3503

02:15:04,069 --> 02:15:02,400

and these data warehouses are just they

3504

02:15:04,550 --> 02:15:04,079

have more data on you than you could

3505

02:15:08,550 --> 02:15:04,560

ever

3506

02:15:11,990 --> 02:15:08,560

imagine now and the data starts from

3507

02:15:12,709 --> 02:15:12,000

especially today uh newborn right baby's

3508

02:15:15,830 --> 02:15:12,719

born

3509

02:15:20,629 --> 02:15:15,840

the file is now start is established

3510

02:15:26,550 --> 02:15:24,149

as crazy as that sounds that's

3511

02:15:28,149 --> 02:15:26,560

like the most valuable data because you

3512

02:15:30,950 --> 02:15:28,159

can start building it

3513

02:15:32,870 --> 02:15:30,960

from the youngest age possible and and

3514

02:15:35,669 --> 02:15:32,880

extend it out

3515

02:15:35,990 --> 02:15:35,679

yeah and uh and you know there's lots of

3516

02:15:37,430 --> 02:15:36,000

legal

3517

02:15:39,109 --> 02:15:37,440

loopholes that you have to go through to

3518

02:15:41,350 --> 02:15:39,119

be able to track any of that so

3519

02:15:43,030 --> 02:15:41,360

a lot of that is tracked through parents

3520

02:15:44,790 --> 02:15:43,040

through guardians things like that

3521

02:15:46,229 --> 02:15:44,800

uh you know kids aren't supposed to have

3522

02:15:47,669 --> 02:15:46,239

a facebook account until they're 13 and

3523

02:15:50,470 --> 02:15:47,679

crap like that right

3524

02:15:51,270 --> 02:15:50,480

um but you can set up you know youtube

3525

02:15:52,870 --> 02:15:51,280

kids accounts

3526

02:15:54,390 --> 02:15:52,880

uh you know and then whenever they're

3527

02:15:56,950 --> 02:15:54,400

watching or or uh

3528

02:15:58,390 --> 02:15:56,960

or netflix kids accounts and so you know

3529

02:16:00,870 --> 02:15:58,400

young children are not watching all this

3530

02:16:03,669 --> 02:16:00,880

that data is being tracked

3531

02:16:05,990 --> 02:16:03,679

now how how important is it for

3532

02:16:07,830 --> 02:16:06,000

everybody that is on social media to

3533

02:16:10,149 --> 02:16:07,840

watch the social dilemma

3534

02:16:11,589 --> 02:16:10,159

should it be you know you sign the tos

3535

02:16:14,229 --> 02:16:11,599

but you have to watch the

3536

02:16:15,510 --> 02:16:14,239

the documentary first yeah i really

3537

02:16:17,109 --> 02:16:15,520

don't care if you read the terms of

3538

02:16:17,510 --> 02:16:17,119

service you kind of know what's in there

3539

02:16:20,390 --> 02:16:17,520

uh

3540

02:16:21,350 --> 02:16:20,400

don't be an ass and we won't ban you as

3541

02:16:23,109 --> 02:16:21,360

kind of the gist

3542

02:16:25,270 --> 02:16:23,119

anything beyond that if you actually

3543

02:16:27,430 --> 02:16:25,280

triggered it you've probably violated

3544

02:16:29,030 --> 02:16:27,440

multiple major other laws so i don't

3545

02:16:30,229 --> 02:16:29,040

think you have to worry about the tos

3546

02:16:32,469 --> 02:16:30,239

but i would say that

3547

02:16:34,549 --> 02:16:32,479

everyone who is skipping past that to us

3548

02:16:37,509 --> 02:16:34,559

should not skip the social dilemma

3549

02:16:39,030 --> 02:16:37,519

it really explains to you just how we've

3550

02:16:40,309 --> 02:16:39,040

gotten to where we are with the amount

3551

02:16:42,950 --> 02:16:40,319
of information that's out there

3552

02:16:45,110 --> 02:16:42,960
but it also explains how the divide has

3553

02:16:46,230 --> 02:16:45,120
gotten so large and how we've been

3554

02:16:48,389 --> 02:16:46,240
divided

3555

02:16:49,429 --> 02:16:48,399
into groups by these large companies and

3556

02:16:52,389 --> 02:16:49,439
these interests

3557

02:16:53,589 --> 02:16:52,399
these rich powerful interests again the

3558

02:16:55,830 --> 02:16:53,599
billionaires have gained

3559

02:16:57,030 --> 02:16:55,840
hundreds of billions of dollars during

3560

02:16:59,190 --> 02:16:57,040
the pandemic

3561

02:17:00,870 --> 02:16:59,200
uh because we've all been at home using

3562

02:17:03,669 --> 02:17:00,880
their tools

3563

02:17:04,629 --> 02:17:03,679

i read the other day uh elon musk

3564

02:17:08,150 --> 02:17:04,639

started out

3565

02:17:09,110 --> 02:17:08,160

2020 worth 29 billion dollars he ended

3566

02:17:13,589 --> 02:17:09,120

2020

3567

02:17:16,549 --> 02:17:13,599

worth 189 billion dollars

3568

02:17:18,389 --> 02:17:16,559

yeah yeah that's uh that's how the

3569

02:17:21,429 --> 02:17:18,399

pandemic went for billionaires

3570

02:17:24,230 --> 02:17:21,439

that's uh crazy to me um and

3571

02:17:25,429 --> 02:17:24,240

the other part uh about the social

3572

02:17:29,669 --> 02:17:25,439

dilemma

3573

02:17:30,950 --> 02:17:29,679

is when you are walking down the hallway

3574

02:17:34,150 --> 02:17:30,960

at work

3575

02:17:36,950 --> 02:17:34,160

and you say good morning to somebody

3576

02:17:37,990 --> 02:17:36,960

and they bite your head off they are

3577

02:17:41,429 --> 02:17:38,000

assuming

3578

02:17:43,669 --> 02:17:41,439

that you read the same stuff in your

3579

02:17:46,870 --> 02:17:43,679

news feed that morning

3580

02:17:50,230 --> 02:17:46,880

that they did and now we have this

3581

02:17:52,629 --> 02:17:50,240

disconnect with everybody because

3582

02:17:54,629 --> 02:17:52,639

nobody is getting the same information

3583

02:17:57,830 --> 02:17:54,639

from the same sources

3584

02:17:59,429 --> 02:17:57,840

and this is now prevalent across not

3585

02:18:00,870 --> 02:17:59,439

only the united states but all around

3586

02:18:02,469 --> 02:18:00,880

the world

3587

02:18:03,990 --> 02:18:02,479

yeah and it's more echo chambers because

3588

02:18:05,509 --> 02:18:04,000

you have the people that only believe

3589

02:18:07,429 --> 02:18:05,519

what fox says the people that only

3590

02:18:09,030 --> 02:18:07,439

believe what msnbc says

3591

02:18:11,030 --> 02:18:09,040

and then the people who think all mass

3592

02:18:11,750 --> 02:18:11,040

media is wrong and they will only listen

3593

02:18:14,950 --> 02:18:11,760

to

3594

02:18:18,230 --> 02:18:14,960

chuck down the streets blog um

3595

02:18:19,429 --> 02:18:18,240

you know and so like it's just ugg

3596

02:18:21,270 --> 02:18:19,439

you know the one thing i have to say

3597

02:18:22,629 --> 02:18:21,280

about chuck down the streets blog though

3598

02:18:24,309 --> 02:18:22,639

is when you look in the footer and you

3599

02:18:25,990 --> 02:18:24,319

go and you find the privacy policy you

3600

02:18:27,190 --> 02:18:26,000

find who's backing it nine times out of

3601
02:18:28,389 --> 02:18:27,200
ten it's a think tank

3602
02:18:30,709 --> 02:18:28,399
yeah trying to spread more

3603
02:18:33,910 --> 02:18:30,719
disinformation now

3604
02:18:37,509 --> 02:18:33,920
if we go back to when uh

3605
02:18:38,549 --> 02:18:37,519
youtube was created and i spent so much

3606
02:18:41,990 --> 02:18:38,559
time on there

3607
02:18:44,150 --> 02:18:42,000
watching and i did this uh watching the

3608
02:18:47,270 --> 02:18:44,160
craziest conspiracy stuff

3609
02:18:49,750 --> 02:18:47,280
and especially you know the 911 videos

3610
02:18:50,790 --> 02:18:49,760
and yeah and everything that that was

3611
02:18:54,389 --> 02:18:50,800
out there

3612
02:18:56,309 --> 02:18:54,399
i viewed it largely as entertainment

3613
02:18:57,509 --> 02:18:56,319

whether it was ufos or ghosts or

3614

02:18:59,669 --> 02:18:57,519

anything just off

3615

02:19:01,349 --> 02:18:59,679

you know and that's what you that's what

3616

02:19:04,309 --> 02:19:01,359

built youtube that's what made

3617

02:19:05,190 --> 02:19:04,319

youtube what it was or or what it is

3618

02:19:08,469 --> 02:19:05,200

today

3619

02:19:11,990 --> 02:19:08,479

but but now we're in a danger zone

3620

02:19:14,150 --> 02:19:12,000

with with censorship that maybe ufos

3621

02:19:15,589 --> 02:19:14,160

uh are something that is against the

3622

02:19:18,870 --> 02:19:15,599

government's

3623

02:19:20,790 --> 02:19:18,880

wishes and and i think on that one we're

3624

02:19:21,110 --> 02:19:20,800

kind of heading in a stranger direction

3625

02:19:23,990 --> 02:19:21,120

where

3626

02:19:25,990 --> 02:19:24,000

like they've released more video that

3627

02:19:27,750 --> 02:19:26,000

they've said we don't know what this is

3628

02:19:29,110 --> 02:19:27,760

in the last year than i've seen them do

3629

02:19:32,629 --> 02:19:29,120

in the last 20 years

3630

02:19:34,950 --> 02:19:32,639

right right right but 911 right or alex

3631

02:19:37,669 --> 02:19:34,960

jones or or any of this other

3632

02:19:41,589 --> 02:19:37,679

alex jones is uh but what i'm saying is

3633

02:19:44,709 --> 02:19:42,950

yeah we're all on the same page with

3634

02:19:45,750 --> 02:19:44,719

alex jones who just came out with a

3635

02:19:48,790 --> 02:19:45,760

video yesterday

3636

02:19:50,469 --> 02:19:48,800

condemning q and on did you see that

3637

02:19:51,830 --> 02:19:50,479

yeah that's only because they were

3638

02:19:53,110 --> 02:19:51,840

eating into his profits he's a

3639

02:19:54,950 --> 02:19:53,120

gryffindor and that's what i said

3640

02:19:58,950 --> 02:19:54,960

yesterday too

3641

02:19:59,670 --> 02:19:58,960

is is um but i don't think that all of

3642

02:20:04,389 --> 02:19:59,680

that

3643

02:20:07,830 --> 02:20:04,399

2008 2009 2010

3644

02:20:10,550 --> 02:20:07,840

uh changed society you know if you

3645

02:20:10,950 --> 02:20:10,560

viewed it as entertainment and and just

3646

02:20:13,670 --> 02:20:10,960

go

3647

02:20:15,190 --> 02:20:13,680

and and watch it that's one thing right

3648

02:20:19,670 --> 02:20:15,200

and i just

3649

02:20:21,190 --> 02:20:19,680

oh look at that only he can see it yeah

3650

02:20:23,349 --> 02:20:21,200

yeah the audience doesn't see me on

3651
02:20:25,110 --> 02:20:23,359
camera they don't they only see no no

3652
02:20:27,270 --> 02:20:25,120
yeah no nobody's oh yeah you can see

3653
02:20:30,469 --> 02:20:27,280
those um

3654
02:20:31,349 --> 02:20:30,479
but is it what what's the difference

3655
02:20:33,910 --> 02:20:31,359
between

3656
02:20:35,429 --> 02:20:33,920
um alex jones being entertainment like

3657
02:20:38,870 --> 02:20:35,439
you had said earlier

3658
02:20:40,150 --> 02:20:38,880
and and and censorship that's that's the

3659
02:20:41,670 --> 02:20:40,160
weird part that

3660
02:20:44,469 --> 02:20:41,680
that i think everybody is concerned

3661
02:20:46,550 --> 02:20:44,479
about not weird for me uh

3662
02:20:47,910 --> 02:20:46,560
he keeps going and doing things like

3663
02:20:51,030 --> 02:20:47,920

working with ali

3664

02:20:53,190 --> 02:20:51,040

alexander who helped organize the coup

3665

02:20:55,670 --> 02:20:53,200

attempt uh the insurrection

3666

02:20:56,710 --> 02:20:55,680

um if you are going to encourage people

3667

02:21:00,550 --> 02:20:56,720

to be violent

3668

02:21:01,270 --> 02:21:00,560

and to uh actually go out and do

3669

02:21:04,710 --> 02:21:01,280

violence

3670

02:21:06,950 --> 02:21:04,720

to other human beings then uh it is not

3671

02:21:07,429 --> 02:21:06,960

censorship hate speech is not protected

3672

02:21:10,950 --> 02:21:07,439

uh

3673

02:21:13,750 --> 02:21:10,960

that's not right he is

3674

02:21:15,670 --> 02:21:13,760

all hate and yelling and anger yeah yeah

3675

02:21:17,670 --> 02:21:15,680

yeah that's another man's face is red

3676

02:21:19,510 --> 02:21:17,680

like all day long from anger

3677

02:21:21,510 --> 02:21:19,520

that's another conversation what i'm

3678

02:21:25,429 --> 02:21:21,520

referring to is

3679

02:21:27,670 --> 02:21:25,439

9 11 conspiracy videos or uh

3680

02:21:28,550 --> 02:21:27,680

any other conspiracy videos out there

3681

02:21:30,230 --> 02:21:28,560

that that are

3682

02:21:32,070 --> 02:21:30,240

somebody's ideas those haven't been

3683

02:21:35,830 --> 02:21:32,080

banned yet

3684

02:21:38,309 --> 02:21:35,840

so what's the difference that's my point

3685

02:21:39,349 --> 02:21:38,319

well the 911 videos aren't currently

3686

02:21:41,670 --> 02:21:39,359

getting people

3687

02:21:42,630 --> 02:21:41,680

killed uh from other storming uh the

3688

02:21:44,790 --> 02:21:42,640

capitol building

3689

02:21:45,910 --> 02:21:44,800

aren't putting us in the streets against

3690

02:21:47,670 --> 02:21:45,920

each other you know when i go out to a

3691

02:21:50,870 --> 02:21:47,680

protest here in boston

3692

02:21:53,429 --> 02:21:50,880

it's it you know i

3693

02:21:54,150 --> 02:21:53,439

i'm chest to chest with people literally

3694

02:21:57,510 --> 02:21:54,160

wearing

3695

02:22:00,469 --> 02:21:57,520

neo-nazi insignias uh you know

3696

02:22:01,349 --> 02:22:00,479

there are people in in this liberal

3697

02:22:03,030 --> 02:22:01,359

state you know

3698

02:22:04,469 --> 02:22:03,040

one of the blue estates in the in the

3699

02:22:07,830 --> 02:22:04,479

union right who

3700

02:22:10,870 --> 02:22:07,840

walk around downtown now carrying rad

3701

02:22:13,550 --> 02:22:10,880

flags which is a nazi symbol and

3702

02:22:15,670 --> 02:22:13,560

wearing their shirts for their group the

3703

02:22:17,830 --> 02:22:15,680

nsc-131 which is the

3704

02:22:19,349 --> 02:22:17,840

uh they're national socialists and they

3705

02:22:21,190 --> 02:22:19,359

admit it it's it's in their name they

3706

02:22:23,830 --> 02:22:21,200

just jokingly call it the national

3707

02:22:24,550 --> 02:22:23,840

social club not the national socialists

3708

02:22:26,870 --> 02:22:24,560

club

3709

02:22:28,469 --> 02:22:26,880

uh but we know who they are and they're

3710

02:22:29,910 --> 02:22:28,479

very clear about it with their 88

3711

02:22:30,950 --> 02:22:29,920

tattoos and their lightning strike

3712

02:22:33,990 --> 02:22:30,960

tattoos

3713

02:22:35,670 --> 02:22:34,000

but um you know so so the 911

3714

02:22:39,270 --> 02:22:35,680
conspiracies aren't fueling

3715

02:22:42,389 --> 02:22:39,280
that whereas the far right

3716

02:22:45,990 --> 02:22:42,399
q anon types are fueling that

3717

02:22:46,790 --> 02:22:46,000
um and so it's it's the difference

3718

02:22:50,230 --> 02:22:46,800
between

3719

02:22:53,030 --> 02:22:50,240
i i've i've never never

3720

02:22:54,630 --> 02:22:53,040
been punched or had a a flagpole swung

3721

02:22:55,110 --> 02:22:54,640
at my head and i'm talking like a big

3722

02:22:58,870 --> 02:22:55,120
like

3723

02:23:01,990 --> 02:22:58,880
swung at my head by someone

3724

02:23:04,469 --> 02:23:02,000
screaming about 911 but i have had

3725

02:23:05,590 --> 02:23:04,479
multiple trump supporters who were q

3726

02:23:07,750 --> 02:23:05,600

anon people

3727

02:23:09,750 --> 02:23:07,760

at protests standing around with people

3728

02:23:11,990 --> 02:23:09,760

literally flying swastikas

3729

02:23:13,510 --> 02:23:12,000

or confederate flags who have swung

3730

02:23:16,710 --> 02:23:13,520

flagpoles at my head

3731

02:23:19,429 --> 02:23:16,720

like one is leading to violent divide

3732

02:23:20,070 --> 02:23:19,439

one is just people disagreeing with each

3733

02:23:22,230 --> 02:23:20,080

other

3734

02:23:23,270 --> 02:23:22,240

that's the difference to me now what do

3735

02:23:27,190 --> 02:23:23,280

you what do you

3736

02:23:30,550 --> 02:23:27,200

see in in in the next six months

3737

02:23:32,630 --> 02:23:30,560

is the country going to go into amnesia

3738

02:23:34,230 --> 02:23:32,640

and forget about the past and we're

3739

02:23:35,830 --> 02:23:34,240

going to move forward and have flowers

3740

02:23:38,230 --> 02:23:35,840

hanging out of our pockets

3741

02:23:42,070 --> 02:23:38,240

or is this going to continue to get out

3742

02:23:46,950 --> 02:23:44,150

you know it's i was having a

3743

02:23:48,150 --> 02:23:46,960

conversation with people on my show for

3744

02:23:49,910 --> 02:23:48,160

everyone watching you know i have my own

3745

02:23:51,910 --> 02:23:49,920

show the greg house show it's on twitch

3746

02:23:55,110 --> 02:23:51,920

live monday wednesday friday

3747

02:23:57,590 --> 02:23:55,120

uh it's 7 p.m but uh we uh we were

3748

02:24:00,710 --> 02:23:57,600

talking about that specifically and

3749

02:24:05,270 --> 02:24:00,720

i don't think the divide is bridgeable

3750

02:24:07,670 --> 02:24:05,280

with um with political terminology with

3751
02:24:09,110 --> 02:24:07,680
debate uh i don't think when you go into

3752
02:24:10,790 --> 02:24:09,120
those debates that anyone's really

3753
02:24:12,550 --> 02:24:10,800
genuine anymore they just want to win

3754
02:24:13,910 --> 02:24:12,560
their side of the debate

3755
02:24:16,230 --> 02:24:13,920
so they'll say what it takes to think

3756
02:24:18,790 --> 02:24:16,240
they've won um so instead

3757
02:24:19,429 --> 02:24:18,800
we need to do stuff that brings people

3758
02:24:28,150 --> 02:24:19,439
uh

3759
02:24:29,750 --> 02:24:28,160
slows everyone down a little bit and

3760
02:24:30,950 --> 02:24:29,760
makes them realize that you know we can

3761
02:24:33,670 --> 02:24:30,960
all live together here

3762
02:24:35,510 --> 02:24:33,680
and i think you know one of the stranger

3763
02:24:37,910 --> 02:24:35,520

things there is

3764

02:24:38,710 --> 02:24:37,920

most of the stuff that is going to make

3765

02:24:41,030 --> 02:24:38,720

your life

3766

02:24:42,469 --> 02:24:41,040

easier where you're not feeling so much

3767

02:24:45,270 --> 02:24:42,479

stress and pain

3768

02:24:46,870 --> 02:24:45,280

are seriously progressive ideas there's

3769

02:24:48,389 --> 02:24:46,880

a reason a lot of those scandinavian

3770

02:24:49,990 --> 02:24:48,399

countries come out at the top of the

3771

02:24:52,230 --> 02:24:50,000

happiness indexes

3772

02:24:53,750 --> 02:24:52,240

and it's their you know health care

3773

02:24:56,469 --> 02:24:53,760

systems it's their

3774

02:24:57,030 --> 02:24:56,479

it's their base pay for people like ubi

3775

02:24:58,710 --> 02:24:57,040

it's

3776
02:25:00,230 --> 02:24:58,720
when you're in finland and you know you

3777
02:25:02,550 --> 02:25:00,240
get pregnant and you're about to have a

3778
02:25:03,110 --> 02:25:02,560
child a box shows up at your house with

3779
02:25:06,469 --> 02:25:03,120
like

3780
02:25:07,990 --> 02:25:06,479
a crib baby clothes the bottles all the

3781
02:25:09,429 --> 02:25:08,000
stuff you need to get started and it

3782
02:25:10,309 --> 02:25:09,439
doesn't matter if you're rich or poor

3783
02:25:13,190 --> 02:25:10,319
you get it

3784
02:25:14,950 --> 02:25:13,200
the car seat like you know if we were to

3785
02:25:16,230 --> 02:25:14,960
get some progressive ideas like a

3786
02:25:18,630 --> 02:25:16,240
universal basic income

3787
02:25:19,830 --> 02:25:18,640
medicare for all uh all these other

3788
02:25:21,910 --> 02:25:19,840

systems in place

3789

02:25:24,150 --> 02:25:21,920

that would make people's lives easier

3790

02:25:26,389 --> 02:25:24,160

and just a little less stressful

3791

02:25:28,389 --> 02:25:26,399

i think they'd calm the [h__h] down now

3792

02:25:31,110 --> 02:25:28,399

here's our problem

3793

02:25:32,150 --> 02:25:31,120

we've elected in joe biden and kampala

3794

02:25:34,950 --> 02:25:32,160

harris

3795

02:25:36,070 --> 02:25:34,960

and we've got a schumer pelosi set up on

3796

02:25:39,590 --> 02:25:36,080

the other side of this

3797

02:25:40,550 --> 02:25:39,600

and none of them in my eyes work for the

3798

02:25:43,110 --> 02:25:40,560

people

3799

02:25:44,469 --> 02:25:43,120

we have you know kamala harris who calls

3800

02:25:47,670 --> 02:25:44,479

herself

3801

02:25:50,950 --> 02:25:47,680

her own words top cop

3802

02:25:53,110 --> 02:25:50,960

um she multiple interviews she said that

3803

02:25:54,870 --> 02:25:53,120

uh while we have uh police killing

3804

02:25:56,790 --> 02:25:54,880

people in the streets and protests all

3805

02:25:59,510 --> 02:25:56,800

over the country because of it

3806

02:26:01,510 --> 02:25:59,520

uh we've elected a top cop and while

3807

02:26:04,790 --> 02:26:01,520

we're trying to worry about you know the

3808

02:26:06,870 --> 02:26:04,800

size of our prison population we elect

3809

02:26:09,990 --> 02:26:06,880

the president as a person who

3810

02:26:11,190 --> 02:26:10,000

um enacted the crime bill who put most

3811

02:26:12,309 --> 02:26:11,200

of them in there

3812

02:26:13,670 --> 02:26:12,319

when we're talking about the

3813

02:26:15,590 --> 02:26:13,680

surveillance state and all the

3814

02:26:17,110 --> 02:26:15,600

censorship we don't want to see

3815

02:26:20,150 --> 02:26:17,120

we're talking about the man who helped

3816

02:26:23,190 --> 02:26:20,160

draft the um patriot act

3817

02:26:24,790 --> 02:26:23,200

um for mass surveillance like we didn't

3818

02:26:26,950 --> 02:26:24,800

elect the people that are going to help

3819

02:26:29,830 --> 02:26:26,960

us get to that comfortable space and

3820

02:26:31,750 --> 02:26:29,840

really heal i don't think personally

3821

02:26:33,590 --> 02:26:31,760

i think someone like a bernie would have

3822

02:26:34,309 --> 02:26:33,600

been someone who was better at bringing

3823

02:26:37,349 --> 02:26:34,319

us together

3824

02:26:39,270 --> 02:26:37,359

simply not by convincing

3825

02:26:41,110 --> 02:26:39,280

any far-right people that he was right

3826

02:26:42,389 --> 02:26:41,120

but simply making their lives a little

3827

02:26:44,309 --> 02:26:42,399

better so

3828

02:26:46,550 --> 02:26:44,319

they didn't have to be fighting against

3829

02:26:48,870 --> 02:26:46,560

whatever was causing their problems

3830

02:26:50,630 --> 02:26:48,880

i think that's our solution here whether

3831

02:26:51,990 --> 02:26:50,640

you politically agree with me or not the

3832

02:26:54,230 --> 02:26:52,000

solution to me is

3833

02:26:56,070 --> 02:26:54,240

if everyone's life was just that little

3834

02:26:58,389 --> 02:26:56,080

better they might not be out on the

3835

02:27:01,110 --> 02:26:58,399

streets protesting all day

3836

02:27:01,990 --> 02:27:01,120

yeah especially after a year of lockdown

3837

02:27:05,110 --> 02:27:02,000

where they've had

3838

02:27:07,590 --> 02:27:05,120

uh way too much time to

3839

02:27:08,630 --> 02:27:07,600

to to worry and right now we don't have

3840

02:27:12,150 --> 02:27:08,640

a plan forward

3841

02:27:16,389 --> 02:27:12,160

i mean every i mean that includes me i

3842

02:27:18,790 --> 02:27:16,399

have no idea what the plan is

3843

02:27:20,309 --> 02:27:18,800

and all we want is some sense of

3844

02:27:22,070 --> 02:27:20,319

stability

3845

02:27:23,830 --> 02:27:22,080

and i don't care where it comes from

3846

02:27:26,870 --> 02:27:23,840

greg i really don't i

3847

02:27:28,870 --> 02:27:26,880

i don't everybody needs that i admit

3848

02:27:30,230 --> 02:27:28,880

i admit that i am totally a progressive

3849

02:27:31,510 --> 02:27:30,240

you know when it comes to all this so i

3850

02:27:33,030 --> 02:27:31,520

want all those things for my own

3851

02:27:34,230 --> 02:27:33,040

political views of course

3852

02:27:37,270 --> 02:27:34,240

but i'm just trying to think through

3853

02:27:38,870 --> 02:27:37,280

this logically like what gets someone to

3854

02:27:40,790 --> 02:27:38,880

the point where they think they need to

3855

02:27:42,790 --> 02:27:40,800

be on the streets and it's because

3856

02:27:44,389 --> 02:27:42,800

they're oppressed it's because they're

3857

02:27:46,230 --> 02:27:44,399

hurting it's because

3858

02:27:47,429 --> 02:27:46,240

they aren't making their bills it's a

3859

02:27:48,870 --> 02:27:47,439

hundred reasons

3860

02:27:50,630 --> 02:27:48,880

that gets someone to a point in their

3861

02:27:52,710 --> 02:27:50,640

head where they need to start acting

3862

02:27:54,389 --> 02:27:52,720

right and and i don't care what your

3863

02:27:55,429 --> 02:27:54,399

reason is i'm not even talking from the

3864

02:27:57,349 --> 02:27:55,439

political side

3865

02:27:59,270 --> 02:27:57,359

if we can make life just that much

3866

02:28:02,469 --> 02:27:59,280

better for those people

3867

02:28:05,030 --> 02:28:02,479

i think we all do better i think

3868

02:28:06,309 --> 02:28:05,040

we calm down i think the divide gets

3869

02:28:07,750 --> 02:28:06,319

slightly bridged

3870

02:28:08,950 --> 02:28:07,760

i don't know that we ever come all the

3871

02:28:10,150 --> 02:28:08,960

way back together there's a lot of

3872

02:28:11,990 --> 02:28:10,160

people that i just

3873

02:28:13,910 --> 02:28:12,000

don't find myself ever agreeing with

3874

02:28:15,270 --> 02:28:13,920

they all seem to think uh

3875

02:28:17,670 --> 02:28:15,280

walking around the capitol with a

3876

02:28:19,429 --> 02:28:17,680

confederate flag is an okay thing to do

3877

02:28:24,630 --> 02:28:19,439

uh even in the civil war that thing

3878

02:28:28,389 --> 02:28:27,349

greg house matt you know and see this is

3879

02:28:31,990 --> 02:28:28,399

i want to thank you

3880

02:28:35,670 --> 02:28:32,000

uh uh for coming on tonight but it it is

3881

02:28:36,550 --> 02:28:35,680

great to talk with somebody who is a an

3882

02:28:38,070 --> 02:28:36,560

activist be

3883

02:28:40,309 --> 02:28:38,080

been through what you've been through

3884

02:28:42,230 --> 02:28:40,319

see your intelligence uh on the

3885

02:28:45,590 --> 02:28:42,240

technical side and everything else

3886

02:28:48,150 --> 02:28:45,600

but you believe in what you say

3887

02:28:50,070 --> 02:28:48,160

and and conviction is is half of the

3888

02:28:52,070 --> 02:28:50,080

battle man it's half of the theatrics

3889

02:28:53,429 --> 02:28:52,080

thank you so much my friend and uh i

3890

02:28:55,110 --> 02:28:53,439

look forward to uh

3891

02:28:56,710 --> 02:28:55,120

coming on your show and lighting

3892

02:28:57,590 --> 02:28:56,720

lighting the fires over there too as

3893

02:29:00,550 --> 02:28:57,600

well

3894

02:29:02,070 --> 02:29:00,560

when whenever you're ready anything

3895

02:29:02,950 --> 02:29:02,080

that's not friday is all yours man you

3896

02:29:06,070 --> 02:29:02,960

want next monday

3897

02:29:09,110 --> 02:29:06,080

are you on uh wednesday

3898

02:29:11,270 --> 02:29:09,120

uh let's uh no friday would be best

3899

02:29:12,550 --> 02:29:11,280

i i i'm not on the i'm not on the air on

3900

02:29:14,389 --> 02:29:12,560

friday

3901
02:29:16,309 --> 02:29:14,399
that's when i have a guest every single

3902
02:29:18,630 --> 02:29:16,319
week same guest every time

3903
02:29:19,750 --> 02:29:18,640
uh well then you know what you're gonna

3904
02:29:21,830 --> 02:29:19,760
boot him

3905
02:29:23,750 --> 02:29:21,840
let's plan let's plan something here uh

3906
02:29:27,349 --> 02:29:23,760
right before the end here

3907
02:29:29,590 --> 02:29:27,359
let's do a joint show video both of us

3908
02:29:31,670 --> 02:29:29,600
you're on mine because mine's video

3909
02:29:35,590 --> 02:29:31,680
right and i'm on yours audio

3910
02:29:37,670 --> 02:29:35,600
right now we can do that we can do that

3911
02:29:39,429 --> 02:29:37,680
let's work on that for not next week so

3912
02:29:40,790 --> 02:29:39,439
we can do it right but the week after

3913
02:29:42,550 --> 02:29:40,800

two weeks from today we're gonna figure

3914

02:29:44,070 --> 02:29:42,560

that out you're the best greg thank you

3915

02:29:46,230 --> 02:29:44,080

so much my friend

3916

02:29:48,309 --> 02:29:46,240

all right thanks man great show great

3917

02:29:50,870 --> 02:29:48,319

show uh greg housh and

3918

02:29:52,150 --> 02:29:50,880

again it's very simple uh you can head

3919

02:29:55,429 --> 02:29:52,160

straight over to

3920

02:29:57,150 --> 02:29:55,439

uh greghoush.com all of his info

3921

02:29:58,469 --> 02:29:57,160

is over there and the links are at

3922

02:29:59,750 --> 02:29:58,479

jimmychurchradio.com

3923

02:30:01,590 --> 02:29:59,760

i'm going to take a quick break thank

3924

02:30:04,070 --> 02:30:01,600

you greg have a great night

3925

02:30:05,429 --> 02:30:04,080

thanks everyone i'm going to take a

3926
02:30:08,429 --> 02:30:05,439
quick break and i'm going to come back

3927
02:30:29,429 --> 02:30:11,110
747-228-2051 this is fade to black stay

3928
02:30:33,750 --> 02:30:31,750
hey what up y'all biblical fox here and

3929
02:30:38,950 --> 02:30:33,760
you are listening to my boy

3930
02:30:46,070 --> 02:30:42,230
despite popular opinion reading a book

3931
02:30:49,510 --> 02:30:46,080
will not make you smarter

3932
02:30:53,270 --> 02:30:51,270
this is jimmy church of fade to black

3933
02:30:56,469 --> 02:30:53,280
and i take life change t

3934
02:30:57,190 --> 02:30:56,479
supplements every single day it's what i

3935
02:30:58,830 --> 02:30:57,200
do

3936
02:31:03,349 --> 02:30:58,840
click on their banner at

3937
02:31:08,150 --> 02:31:05,510
when you take the beans from central

3938
02:31:08,710 --> 02:31:08,160

america with dashes of indonesian and

3939

02:31:10,950 --> 02:31:08,720

african

3940

02:31:13,030 --> 02:31:10,960

mixed in and then roasted to the dark

3941

02:31:16,230 --> 02:31:13,040

side of fade to black

3942

02:31:19,190 --> 02:31:16,240

you create the ultimate brew of fringe

3943

02:31:20,870 --> 02:31:19,200

introducing the fade to black blend from

3944

02:31:23,830 --> 02:31:20,880

river moon coffee

3945

02:31:25,990 --> 02:31:23,840

yes river moon's darkest customized

3946

02:31:29,110 --> 02:31:26,000

roast was created for the love

3947

02:31:31,990 --> 02:31:29,120

of fade to black the alchemy of

3948

02:31:35,270 --> 02:31:32,000

masterful roasting and smoking the beans

3949

02:31:38,870 --> 02:31:35,280

is in every sip of this full-bodied dark

3950

02:31:40,830 --> 02:31:38,880

java i need my coffee doc deep

3951
02:31:43,349 --> 02:31:40,840
with distinct bittersweet chocolate

3952
02:31:45,750 --> 02:31:43,359
highlights just like the bunker

3953
02:31:46,630 --> 02:31:45,760
leaning further into the darkness of the

3954
02:31:49,030 --> 02:31:46,640
roast is

3955
02:31:49,910 --> 02:31:49,040
fade to black blend from river moon

3956
02:31:51,630 --> 02:31:49,920
coffee

3957
02:31:53,670 --> 02:31:51,640
just click on the banner at

3958
02:31:54,070 --> 02:31:53,680
jimmychurchradio.com and use the promo

3959
02:31:58,550 --> 02:31:54,080
code

3960
02:32:02,070 --> 02:31:58,560
f2b blend for 15 off of your order today

3961
02:32:05,670 --> 02:32:04,070
hello my name is billy carson and i'm a

3962
02:32:07,910 --> 02:32:05,680
best-selling author and the founder of

3963
02:32:09,030 --> 02:32:07,920

forbidden knowledge dot tv together with

3964

02:32:11,270 --> 02:32:09,040

my team we have built a

3965

02:32:12,870 --> 02:32:11,280

all new contest streaming tv platform

3966

02:32:13,429 --> 02:32:12,880

designed with every family member in

3967

02:32:14,950 --> 02:32:13,439

mind

3968

02:32:16,630 --> 02:32:14,960

if you have ever wanted to travel the

3969

02:32:18,070 --> 02:32:16,640

world and attend lectures and workshops

3970

02:32:18,710 --> 02:32:18,080

from your favorite speakers who weren't

3971

02:32:21,349 --> 02:32:18,720

able to

3972

02:32:22,070 --> 02:32:21,359

look no further forbidden knowledge dot

3973

02:32:23,750 --> 02:32:22,080

tv

3974

02:32:25,590 --> 02:32:23,760

there are dozens of workshops and

3975

02:32:27,670 --> 02:32:25,600

lectures from speakers you know and love

3976

02:32:29,590 --> 02:32:27,680

we have also included amazing categories

3977

02:32:31,429 --> 02:32:29,600

to assure that your consciousness is

3978

02:32:32,070 --> 02:32:31,439

entertained and elevating on a daily

3979

02:32:34,150 --> 02:32:32,080

basis

3980

02:32:35,349 --> 02:32:34,160

amazing interviews ancient history

3981

02:32:37,349 --> 02:32:35,359

ascension knowledge

3982

02:32:38,469 --> 02:32:37,359

wisdom teachings documentaries

3983

02:32:40,710 --> 02:32:38,479

conspiracies

3984

02:32:43,429 --> 02:32:40,720

mysteries health and fitness conscious

3985

02:32:45,510 --> 02:32:43,439

cooking meditations finance yoga and so

are you intrigued by paranormal talk

3994

02:33:04,230 --> 02:33:03,359

radio you'll love the new paranormal

3995

02:33:07,110 --> 02:33:04,240

radio app

3996

02:33:09,030 --> 02:33:07,120

from talk stream live you'll find a

3997

02:33:10,070 --> 02:33:09,040

great selection of talk shows covering

3998

02:33:13,190 --> 02:33:10,080

ufos

3999

02:33:15,590 --> 02:33:13,200

ghosts strange phenomena and much more

4000

02:33:17,349 --> 02:33:15,600

download the paranormal radio app now

4001
02:33:19,270 --> 02:33:17,359
and start listening to the very best in

4002
02:33:20,790 --> 02:33:19,280
paranormal talk entertainment

4003
02:33:23,670 --> 02:33:20,800
including the network you're listening

4004
02:33:32,830 --> 02:33:23,680
to right now the paranormal radio app

4005
02:33:32,840 --> 02:33:35,910
store

4006
02:33:48,309 --> 02:33:39,030
it's not a lifestyle we chose we were

4007
02:34:06,469 --> 02:33:48,319
born this way kgraradio.com

4008
02:34:09,990 --> 02:34:07,910
welcome back fade to black i'm here

4009
02:34:15,590 --> 02:34:10,000
jimmy church thank you to greg house

4010
02:34:19,590 --> 02:34:15,600
amazing conversation 747-228-2051

4011
02:34:22,790 --> 02:34:19,600
seven four seven two two eight two zero

4012
02:34:24,950 --> 02:34:22,800
five one open lines right now

4013
02:34:26,309 --> 02:34:24,960

and uh hold on i'm gonna send this tweet

4014

02:34:30,070 --> 02:34:26,319

out right now

4015

02:34:33,110 --> 02:34:30,080

um see i'm overgrown if you

4016

02:34:37,830 --> 02:34:33,120

don't listen to

4017

02:34:40,070 --> 02:34:37,840

everyone seriously

4018

02:34:41,670 --> 02:34:40,080

i'll even hashtag this so everybody can

4019

02:34:44,070 --> 02:34:41,680

see it

4020

02:34:45,910 --> 02:34:44,080

that's it boom that is always my

4021

02:34:48,070 --> 02:34:45,920

position

4022

02:34:49,670 --> 02:34:48,080

you need to listen to everyone when i

4023

02:34:51,270 --> 02:34:49,680

was uh i remember

4024

02:34:52,790 --> 02:34:51,280

uh i've said this so many times on the

4025

02:34:57,030 --> 02:34:52,800

air so i'll say it again

4026

02:35:00,469 --> 02:34:57,040

i was a kid i was a kid i was i was

4027

02:35:05,030 --> 02:35:00,479

i was young i was probably eight

4028

02:35:08,070 --> 02:35:05,040

eight nine years old and

4029

02:35:11,429 --> 02:35:08,080

somebody said to me and i forget what i

4030

02:35:14,630 --> 02:35:11,439

said to trigger this but uh

4031

02:35:15,830 --> 02:35:14,640

i said something and this adult looked

4032

02:35:19,830 --> 02:35:15,840

at me and said

4033

02:35:25,110 --> 02:35:19,840

that is the problem with the world

4034

02:35:27,750 --> 02:35:25,120

nobody listens everybody's talking

4035

02:35:30,230 --> 02:35:27,760

you've got to listen to everybody if

4036

02:35:34,309 --> 02:35:30,240

you're gonna grow

4037

02:35:36,309 --> 02:35:34,319

i never forgot that just stuck with me

4038

02:35:37,830 --> 02:35:36,319

my entire life and everybody you know

4039

02:35:39,270 --> 02:35:37,840

i've always had a problem of talking too

4040

02:35:41,510 --> 02:35:39,280

much and talking over people

4041

02:35:43,190 --> 02:35:41,520

and and things you know on the back of

4042

02:35:43,750 --> 02:35:43,200

my report cards i would come home from

4043

02:35:45,349 --> 02:35:43,760

school

4044

02:35:46,950 --> 02:35:45,359

say in the back of the report card jimmy

4045

02:35:49,030 --> 02:35:46,960

talks too much

4046

02:35:51,510 --> 02:35:49,040

right now i have to have my parents sign

4047

02:35:52,790 --> 02:35:51,520

that and uh take it back to school you

4048

02:35:55,030 --> 02:35:52,800

remember that

4049

02:35:56,309 --> 02:35:55,040

and i'm certainly not the only child to

4050

02:35:57,990 --> 02:35:56,319

have that written on the back of the

4051

02:36:01,270 --> 02:35:58,000

report card but i had it

4052

02:36:05,990 --> 02:36:01,280

on every report card in every grade

4053

02:36:09,830 --> 02:36:06,000

but um but those words were spoken to me

4054

02:36:13,750 --> 02:36:09,840

and i listen to everybody

4055

02:36:15,750 --> 02:36:13,760

there is nothing like a spirited debate

4056

02:36:17,190 --> 02:36:15,760

and and and just putting everything on

4057

02:36:20,630 --> 02:36:17,200

the table that's it

4058

02:36:24,630 --> 02:36:20,640

you must listen to everybody you have to

4059

02:36:28,469 --> 02:36:24,640

you have to and one of the most

4060

02:36:29,190 --> 02:36:28,479

things to me when i would listen to talk

4061

02:36:33,110 --> 02:36:29,200

radio

4062

02:36:37,190 --> 02:36:33,120

uh a lot was listening to

4063

02:36:40,389 --> 02:36:37,200

a radio program that i agreed with ah

4064

02:36:43,830 --> 02:36:40,399

i just i i i lose interest

4065

02:36:46,870 --> 02:36:43,840

i zone out i zone out the

4066

02:36:47,910 --> 02:36:46,880

the programming that i listened to was

4067

02:36:51,910 --> 02:36:47,920

the stuff that i didn't

4068

02:36:56,309 --> 02:36:51,920

agree with let me drive in my car ah

4069

02:37:00,150 --> 02:36:56,319

but i couldn't change the dial no

4070

02:37:02,469 --> 02:37:00,160

that's that's what's interesting

4071

02:37:04,630 --> 02:37:02,479

that's what's interesting so always

4072

02:37:05,429 --> 02:37:04,640

think about that so that's why i just

4073

02:37:08,469 --> 02:37:05,439

tweeted

4074

02:37:11,510 --> 02:37:08,479

that out always listen to everybody all

4075

02:37:14,550 --> 02:37:11,520

right 747-228-2051

4076

02:37:18,230 --> 02:37:14,560

also uh tomorrow night uh is

4077

02:37:20,309 --> 02:37:18,240

fader night um or no no tomorrow night's

4078

02:37:22,230 --> 02:37:20,319

john greenwald thursday night is fader

4079

02:37:24,870 --> 02:37:22,240

night tomorrow night's john greenwald

4080

02:37:25,990 --> 02:37:24,880

but tomorrow is a crazy day in this

4081

02:37:28,469 --> 02:37:26,000

country

4082

02:37:29,190 --> 02:37:28,479

i have no idea what we're gonna wake up

4083

02:37:32,070 --> 02:37:29,200

to and

4084

02:37:33,110 --> 02:37:32,080

and and where we're gonna be at at the

4085

02:37:35,190 --> 02:37:33,120

end of uh

4086

02:37:36,230 --> 02:37:35,200

at the end of the day tomorrow it's

4087

02:37:38,309 --> 02:37:36,240

gonna be very

4088

02:37:39,830 --> 02:37:38,319

very interesting okay all right seven

4089

02:37:41,030 --> 02:37:39,840

four seven two two eight two zero five

4090

02:37:42,550 --> 02:37:41,040

one let's go to the phones

4091

02:37:45,030 --> 02:37:42,560

hi you're live on fade to black who's

4092

02:37:45,040 --> 02:37:52,550

oh oh that's my bad

4093

02:37:55,670 --> 02:37:54,950

it always helps to take somebody off of

4094

02:37:59,270 --> 02:37:55,680

hold

4095

02:38:00,630 --> 02:37:59,280

first and uh so there you go all right

4096

02:38:02,950 --> 02:38:00,640

let's try this again hi you're live i'm

4097

02:38:04,870 --> 02:38:02,960

fade to black who's calling

4098

02:38:06,790 --> 02:38:04,880

this is michael vegas hey mike from

4099

02:38:08,550 --> 02:38:06,800

vegas how are you

4100

02:38:10,309 --> 02:38:08,560

i'm doing great thanks jimmy how are you

4101

02:38:11,990 --> 02:38:10,319

i am fantastic

4102

02:38:14,870 --> 02:38:12,000

it's kind of a mellow day in this

4103

02:38:17,830 --> 02:38:14,880

country you know and uh

4104

02:38:19,270 --> 02:38:17,840

for for our change yeah very nice uh

4105

02:38:21,830 --> 02:38:19,280

yeah no news is good news

4106

02:38:22,870 --> 02:38:21,840

what's on your mind um so that was an

4107

02:38:26,309 --> 02:38:22,880

amazing show

4108

02:38:29,349 --> 02:38:26,319

and uh just

4109

02:38:30,630 --> 02:38:29,359

so hard to wrap your mind around all of

4110

02:38:34,309 --> 02:38:30,640

these things because they're not

4111

02:38:35,670 --> 02:38:34,319

easy um and and there's i could go a

4112

02:38:37,110 --> 02:38:35,680

million directions but there was one

4113

02:38:39,429 --> 02:38:37,120

thing

4114

02:38:40,710 --> 02:38:39,439

and i felt like you almost wanted to say

4115

02:38:41,910 --> 02:38:40,720

this but i i

4116

02:38:43,670 --> 02:38:41,920

i love the fact that you're so

4117

02:38:44,469 --> 02:38:43,680

respectful of your guests even when i

4118

02:38:48,550 --> 02:38:44,479

think you might

4119

02:38:51,510 --> 02:38:48,560

disagree with them and

4120

02:38:52,870 --> 02:38:51,520

to me this is the dilemma is is the

4121

02:38:56,630 --> 02:38:52,880

truth

4122

02:38:58,469 --> 02:38:56,640

on the internet and who gets to be the

4123

02:39:02,150 --> 02:38:58,479

gatekeeper

4124

02:39:05,910 --> 02:39:02,160

and if there are 20

4125

02:39:09,510 --> 02:39:05,920

conspiracy theories and 19 of them

4126

02:39:14,150 --> 02:39:09,520

are just total bunk

4127

02:39:16,070 --> 02:39:14,160

but the 20th one is really important

4128

02:39:17,910 --> 02:39:16,080

and somehow we have the gatekeepers that

4129

02:39:20,870 --> 02:39:17,920

wipe all those things out

4130

02:39:22,550 --> 02:39:20,880

is it worth it to listen to all the bunk

4131

02:39:23,910 --> 02:39:22,560

for the one little bit of truth that's

4132

02:39:24,950 --> 02:39:23,920

really going to be important to all of

4133

02:39:27,110 --> 02:39:24,960

us and how do we

4134

02:39:28,710 --> 02:39:27,120

sift through all these things yeah that

4135

02:39:31,670 --> 02:39:28,720

that's the problem

4136

02:39:32,790 --> 02:39:31,680

but that that right there in of itself

4137

02:39:35,990 --> 02:39:32,800

mike that

4138

02:39:39,110 --> 02:39:36,000

that right there you know and

4139

02:39:42,630 --> 02:39:39,120

um first off

4140

02:39:45,110 --> 02:39:42,640

you have to be able to get all of the

4141

02:39:46,710 --> 02:39:45,120

information and if somebody is cutting

4142

02:39:49,990 --> 02:39:46,720

you off from that

4143

02:39:52,790 --> 02:39:50,000

i'm not so sure if that's cool

4144

02:39:53,590 --> 02:39:52,800

okay and and whether you disagree with

4145

02:39:56,710 --> 02:39:53,600

it or not

4146

02:39:57,590 --> 02:39:56,720

but you have to allow everybody to have

4147

02:40:00,870 --> 02:39:57,600

discernment

4148

02:40:03,990 --> 02:40:00,880

the problem is uh

4149

02:40:06,550 --> 02:40:04,000

uh twofold it's twofold one

4150

02:40:08,550 --> 02:40:06,560

and it's i keep saying this over and

4151
02:40:11,750 --> 02:40:08,560
over and over again

4152
02:40:12,950 --> 02:40:11,760
i don't care what the political system

4153
02:40:15,590 --> 02:40:12,960
is i don't care what the

4154
02:40:16,469 --> 02:40:15,600
conspiracy is i don't care what you are

4155
02:40:20,070 --> 02:40:16,479
being fed

4156
02:40:23,429 --> 02:40:20,080
i don't care what no matter what it is

4157
02:40:30,950 --> 02:40:23,439
don't go all in

4158
02:40:32,070 --> 02:40:30,960
you can't you can't because if if it

4159
02:40:38,870 --> 02:40:32,080
turns out to be

4160
02:40:43,030 --> 02:40:38,880
you're stuck and you have to deprogram

4161
02:40:46,469 --> 02:40:43,040
yourself don't go all in

4162
02:40:49,510 --> 02:40:46,479
you can't you just can't do it um

4163
02:40:50,550 --> 02:40:49,520

i i i can repeat it and repeat it and

4164

02:40:53,910 --> 02:40:50,560

repeat it

4165

02:40:57,190 --> 02:40:53,920

but we all do it i do it

4166

02:40:58,550 --> 02:40:57,200

i do i do it i've gone all in on a few

4167

02:41:01,030 --> 02:40:58,560

things where

4168

02:41:01,990 --> 02:41:01,040

you know after 20 years of being all in

4169

02:41:04,150 --> 02:41:02,000

10 years of being

4170

02:41:05,190 --> 02:41:04,160

all in and i have to step back and say

4171

02:41:09,110 --> 02:41:05,200

hey

4172

02:41:12,469 --> 02:41:09,120

i was wrong you know and it's difficult

4173

02:41:15,510 --> 02:41:12,479

you know it's difficult uh for me to

4174

02:41:16,550 --> 02:41:15,520

but but i do it like i said earlier you

4175

02:41:21,750 --> 02:41:16,560

have

4176
02:41:24,070 --> 02:41:21,760
of things which is which is genius and

4177
02:41:25,349 --> 02:41:24,080
i would say most people probably can't

4178
02:41:26,950 --> 02:41:25,359
do that they're just going to paint

4179
02:41:30,230 --> 02:41:26,960
themselves into a corner

4180
02:41:30,870 --> 02:41:30,240
and defend that idea you know till death

4181
02:41:32,630 --> 02:41:30,880
because

4182
02:41:34,630 --> 02:41:32,640
they're just so invested in it that's

4183
02:41:38,070 --> 02:41:34,640
right but and that's it

4184
02:41:41,429 --> 02:41:38,080
i see it um there

4185
02:41:44,469 --> 02:41:41,439
are things that i have communication

4186
02:41:46,790 --> 02:41:44,479
uh privately uh throughout the day with

4187
02:41:49,110 --> 02:41:46,800
with people that i've known for 35 40

4188
02:41:52,469 --> 02:41:49,120

years you know going back to high school

4189

02:41:56,150 --> 02:41:52,479

and and junior high and and

4190

02:41:57,510 --> 02:41:56,160

i spend i spend time talking them off of

4191

02:41:59,910 --> 02:41:57,520

the cliff

4192

02:42:01,190 --> 02:41:59,920

throwing them softballs i'm not throwing

4193

02:42:04,950 --> 02:42:01,200

them fastballs

4194

02:42:08,790 --> 02:42:04,960

you know no you just you can't do that

4195

02:42:11,030 --> 02:42:08,800

but but yes where i know

4196

02:42:11,990 --> 02:42:11,040

i know these people you know i'm talking

4197

02:42:15,750 --> 02:42:12,000

about people that i

4198

02:42:17,990 --> 02:42:15,760

know i mean well uh

4199

02:42:18,950 --> 02:42:18,000

uh not only classmates but maybe even

4200

02:42:21,110 --> 02:42:18,960

roommates

4201

02:42:22,230 --> 02:42:21,120

you know where i i i you know i know

4202

02:42:25,910 --> 02:42:22,240

these people well

4203

02:42:27,910 --> 02:42:25,920

and and all i can do is that is is just

4204

02:42:30,389 --> 02:42:27,920

throw softballs and say man just

4205

02:42:32,469 --> 02:42:30,399

just just back up just a little bit you

4206

02:42:33,830 --> 02:42:32,479

know get out of the deep end of the pool

4207

02:42:35,830 --> 02:42:33,840

just get out of the deep end for a

4208

02:42:38,469 --> 02:42:35,840

little bit and and and

4209

02:42:40,870 --> 02:42:38,479

and observe from the outside you know

4210

02:42:44,070 --> 02:42:40,880

you can thank me for it later

4211

02:42:45,349 --> 02:42:44,080

um it's tough it's tough and today it's

4212

02:42:48,389 --> 02:42:45,359

obvious

4213

02:42:48,870 --> 02:42:48,399

uh with everybody look i i'll i'll say

4214

02:43:00,150 --> 02:42:48,880

it

4215

02:43:03,510 --> 02:43:00,160

right as crazy as that was

4216

02:43:07,750 --> 02:43:03,520

as crazy as it was you've got a guy

4217

02:43:11,349 --> 02:43:07,760

going into comet pizza with a gun

4218

02:43:16,870 --> 02:43:14,230

hold on a minute here that's where you

4219

02:43:20,150 --> 02:43:16,880

know even even for me that but i

4220

02:43:23,030 --> 02:43:20,160

that's how serious people take it

4221

02:43:24,150 --> 02:43:23,040

you know and and that's that's the

4222

02:43:27,590 --> 02:43:24,160

danger

4223

02:43:29,510 --> 02:43:27,600

so what do we do now do we remove all of

4224

02:43:33,429 --> 02:43:29,520

this stuff from the internet

4225

02:43:36,070 --> 02:43:33,439

i i don't know do we teach discernment

4226
02:43:38,309 --> 02:43:36,080
you know and and let people know that

4227
02:43:39,110 --> 02:43:38,319
you know and and have classes in this i

4228
02:43:42,150 --> 02:43:39,120
don't know

4229
02:43:49,830 --> 02:43:42,160
my

4230
02:43:50,230 --> 02:43:49,840
and so we talk about education sometimes

4231
02:44:02,950 --> 02:43:50,240
i

4232
02:44:06,230 --> 02:44:02,960
where there's you know

4233
02:44:09,110 --> 02:44:06,240
hot button issues and you have to talk

4234
02:44:09,670 --> 02:44:09,120
and defend both sides of the issue just

4235
02:44:11,750 --> 02:44:09,680
so you

4236
02:44:12,870 --> 02:44:11,760
understand that the person who disagrees

4237
02:44:15,750 --> 02:44:12,880
with you

4238
02:44:17,670 --> 02:44:15,760

isn't necessarily crazy maybe they have

4239

02:44:18,389 --> 02:44:17,680

some valid points even if you disagree

4240

02:44:21,510 --> 02:44:18,399

with them so

4241

02:44:23,429 --> 02:44:21,520

yeah i think that's i think that is the

4242

02:44:26,230 --> 02:44:23,439

most important thing is teaching people

4243

02:44:27,830 --> 02:44:26,240

to at least understand the other side it

4244

02:44:29,910 --> 02:44:27,840

doesn't mean they agree with it but look

4245

02:44:32,710 --> 02:44:29,920

at that person for a second say

4246

02:44:33,590 --> 02:44:32,720

okay what is what's defensible about

4247

02:44:36,469 --> 02:44:33,600

what they're saying

4248

02:44:37,990 --> 02:44:36,479

and and you know maybe then we can find

4249

02:44:38,870 --> 02:44:38,000

a common ground or at least not hate

4250

02:44:42,870 --> 02:44:38,880

each other

4251

02:44:47,030 --> 02:44:42,880

now um i just

4252

02:44:50,469 --> 02:44:47,040

i just got this and let me uh

4253

02:44:53,510 --> 02:44:50,479

now this is

4254

02:44:56,630 --> 02:44:53,520

this is the new york times uh this

4255

02:45:01,190 --> 02:44:56,640

is uh 30 minutes old

4256

02:45:03,510 --> 02:45:01,200

uh it has just been posted uh

4257

02:45:05,670 --> 02:45:03,520

i mean this is fresh okay everybody i

4258

02:45:07,670 --> 02:45:05,680

haven't vetted this on other news sites

4259

02:45:09,190 --> 02:45:07,680

yet but it is the new york times

4260

02:45:10,790 --> 02:45:09,200

and it's exactly what we're talking

4261

02:45:14,230 --> 02:45:10,800

about right here

4262

02:45:16,230 --> 02:45:14,240

youtube has suspended president trump's

4263

02:45:18,230 --> 02:45:16,240

channel over concern about ongoing

4264

02:45:21,030 --> 02:45:18,240

potential for violence

4265

02:45:21,750 --> 02:45:21,040

and in a tweet on youtube's official

4266

02:45:23,670 --> 02:45:21,760

account

4267

02:45:24,790 --> 02:45:23,680

the google loan video site said it has

4268

02:45:27,349 --> 02:45:24,800

suspended

4269

02:45:29,429 --> 02:45:27,359

mr trump's account after one of his

4270

02:45:30,710 --> 02:45:29,439

recent videos violated its policy

4271

02:45:32,309 --> 02:45:30,720

banning content that spreads

4272

02:45:35,349 --> 02:45:32,319

misinformation

4273

02:45:37,670 --> 02:45:35,359

uh about election fraud youtube said it

4274

02:45:38,950 --> 02:45:37,680

would not be able to upload new content

4275

02:45:41,510 --> 02:45:38,960

uh president trump

4276

02:45:42,389 --> 02:45:41,520

to his channel uh 2.8 million

4277

02:45:45,750 --> 02:45:42,399

subscribers

4278

02:45:48,550 --> 02:45:45,760

for at least seven days youtube has also

4279

02:45:52,710 --> 02:45:48,560

said it is disabling comments

4280

02:45:55,590 --> 02:45:52,720

on his video indefinitely

4281

02:45:57,429 --> 02:45:55,600

it was not immediately it was not

4282

02:45:59,030 --> 02:45:57,439

immediately which video had triggered

4283

02:46:02,389 --> 02:45:59,040

the suspension of his

4284

02:46:06,230 --> 02:46:02,399

account i am now looking at the

4285

02:46:11,110 --> 02:46:06,240

official tweet uh yep and here it is

4286

02:46:14,230 --> 02:46:11,120

uh on on twitter i am looking at it here

4287

02:46:19,750 --> 02:46:18,070

wow i mean this is this is incredible

4288

02:46:21,110 --> 02:46:19,760

this is incredible this is exactly what

4289

02:46:24,550 --> 02:46:21,120

i'm talking about i mean i

4290

02:46:25,349 --> 02:46:24,560

i don't know uh where all of this is

4291

02:46:26,630 --> 02:46:25,359

gonna end

4292

02:46:28,469 --> 02:46:26,640

you know i said this at the beginning

4293

02:46:30,389 --> 02:46:28,479

nobody does these are hard these are

4294

02:46:32,550 --> 02:46:30,399

hard topics they're just

4295

02:46:35,269 --> 02:46:32,560

anybody that has an easy answer i don't

4296

02:46:38,550 --> 02:46:35,279

think they're really grasping

4297

02:46:41,110 --> 02:46:38,560

all the the ramifications all the the

4298

02:46:41,670 --> 02:46:41,120

you know it just it comes up like you

4299

02:46:44,710 --> 02:46:41,680

said in

4300

02:46:46,309 --> 02:46:44,720

every part of our life and and

4301

02:46:47,910 --> 02:46:46,319

i don't think there are easy solutions

4302

02:46:49,750 --> 02:46:47,920

like mostly because we're just humans

4303

02:46:51,269 --> 02:46:49,760

and we're kind of messed up so

4304

02:46:53,269 --> 02:46:51,279

you know we're gonna do the wrong thing

4305

02:46:55,910 --> 02:46:53,279

a lot this kind of

4306

02:46:56,870 --> 02:46:55,920

um uh and i was talking about this with

4307

02:46:59,830 --> 02:46:56,880

greg

4308

02:47:01,910 --> 02:46:59,840

and i i really mean this i am human just

4309

02:47:07,269 --> 02:47:01,920

like everybody else

4310

02:47:09,190 --> 02:47:07,279

this stress i mean this is stress

4311

02:47:10,389 --> 02:47:09,200

i mean just being projected out on

4312

02:47:13,750 --> 02:47:10,399

everybody being

4313

02:47:16,790 --> 02:47:13,760

pummeled with this every minute of

4314

02:47:19,830 --> 02:47:16,800

the day it's just coming in

4315

02:47:22,150 --> 02:47:19,840

and and right now everybody's at home

4316

02:47:23,590 --> 02:47:22,160

and so it's being fed into them just fed

4317

02:47:27,750 --> 02:47:23,600

into them this kind of stuff

4318

02:47:30,070 --> 02:47:27,760

all day long this is stressful

4319

02:47:31,110 --> 02:47:30,080

stressful this is incredible i don't

4320

02:47:34,150 --> 02:47:31,120

even uh i don't

4321

02:47:34,469 --> 02:47:34,160

even know how to uh uh how to look at

4322

02:47:37,190 --> 02:47:34,479

this

4323

02:47:39,429 --> 02:47:37,200

i am literally on the twitter page right

4324

02:47:42,630 --> 02:47:39,439

now the tweet went out

4325

02:47:44,630 --> 02:47:42,640

uh one hour ago of course it is uh

4326

02:47:45,670 --> 02:47:44,640

uh completely viral i don't know what's

4327

02:47:48,230 --> 02:47:45,680

trending and

4328

02:47:49,670 --> 02:47:48,240

and what's happening right now but this

4329

02:47:52,710 --> 02:47:49,680

this is pretty big news

4330

02:47:55,110 --> 02:47:52,720

i said it earlier today i mean it

4331

02:47:56,389 --> 02:47:55,120

there isn't once you are on the bad side

4332

02:47:59,990 --> 02:47:56,399

of tech

4333

02:48:04,630 --> 02:48:00,000

you can't outrun it you can't outrun it

4334

02:48:07,990 --> 02:48:05,910

you've seen all the black bears you know

4335

02:48:09,990 --> 02:48:08,000

that yes this episode like christmas

4336

02:48:11,670 --> 02:48:10,000

yes i i made this show to my brother

4337

02:48:14,550 --> 02:48:11,680

that trump is

4338

02:48:16,550 --> 02:48:14,560

the guy in white christmas you know he's

4339

02:48:19,510 --> 02:48:16,560

walking out and nobody can see him

4340

02:48:20,630 --> 02:48:19,520

he's invisible there are certain

4341

02:48:23,990 --> 02:48:20,640

assumptions

4342

02:48:26,150 --> 02:48:24,000

um uh that people make

4343

02:48:28,230 --> 02:48:26,160

because of the verbiage and the

4344

02:48:31,830 --> 02:48:28,240

terminology and the dogma that is

4345

02:48:33,269 --> 02:48:31,840

in uh in society that the president of

4346

02:48:34,389 --> 02:48:33,279

the united states is the president of

4347

02:48:35,750 --> 02:48:34,399

the free world the president of the

4348

02:48:36,950 --> 02:48:35,760

united states is the most powerful

4349

02:48:37,910 --> 02:48:36,960

person in the world the president of the

4350

02:48:40,710 --> 02:48:37,920

united states

4351
02:48:41,590 --> 02:48:40,720
and and we have heard this over and over

4352
02:48:44,950 --> 02:48:41,600
again since

4353
02:48:48,389 --> 02:48:44,960
you're you're a kid and and

4354
02:48:50,469 --> 02:48:48,399
here we are today with this stuff

4355
02:48:51,830 --> 02:48:50,479
going down and it's like the latest

4356
02:48:52,950 --> 02:48:51,840
breaking news throughout the day

4357
02:48:54,950 --> 02:48:52,960
throughout the day throughout the day

4358
02:49:02,469 --> 02:48:54,960
like i said deutsche bank earlier

4359
02:49:06,630 --> 02:49:05,110
pinterest doesn't care about the

4360
02:49:09,429 --> 02:49:06,640
president of the united states

4361
02:49:09,750 --> 02:49:09,439
and what that title holds and and once

4362
02:49:12,389 --> 02:49:09,760
big

4363
02:49:14,710 --> 02:49:12,399

tech has started flipping these switches

4364

02:49:17,349 --> 02:49:14,720

even the president of the united states

4365

02:49:20,309 --> 02:49:17,359

doesn't have the power to turn around

4366

02:49:22,870 --> 02:49:20,319

and flip that switch back on

4367

02:49:24,230 --> 02:49:22,880

you know i i i don't know i don't know

4368

02:49:27,110 --> 02:49:24,240

what the message is

4369

02:49:28,389 --> 02:49:27,120

i don't know i don't know it's all crazy

4370

02:49:28,950 --> 02:49:28,399

and it's hard to wrap your mind around

4371

02:49:31,429 --> 02:49:28,960

it well

4372

02:49:32,230 --> 02:49:31,439

how are you i mean my like i said i'm

4373

02:49:34,309 --> 02:49:32,240

only human

4374

02:49:35,670 --> 02:49:34,319

but this stress you know i keep talking

4375

02:49:36,950 --> 02:49:35,680

about these headaches that i've gotten

4376

02:49:39,990 --> 02:49:36,960

from kovid

4377

02:49:43,750 --> 02:49:40,000

and i and then there's the other part

4378

02:49:47,190 --> 02:49:43,760

where my brain is forced into

4379

02:49:50,150 --> 02:49:47,200

dealing with all of this emotional news

4380

02:49:50,870 --> 02:49:50,160

that is constantly being flooded in my

4381

02:49:53,269 --> 02:49:50,880

direction

4382

02:49:53,990 --> 02:49:53,279

it's the same thing for everybody else

4383

02:49:57,990 --> 02:49:54,000

right how are

4384

02:49:59,110 --> 02:49:58,000

you coping with it uh well i'm like ej i

4385

02:50:00,630 --> 02:49:59,120

don't know if you remember i

4386

02:50:03,190 --> 02:50:00,640

spoke with you a couple weeks ago and i

4387

02:50:06,389 --> 02:50:03,200

i just got over the code with myself

4388

02:50:09,670 --> 02:50:06,399

and i am ridiculously healthy

4389

02:50:11,830 --> 02:50:09,680

as a rule but i

4390

02:50:13,190 --> 02:50:11,840

feel like yeah i'm stressed out and i

4391

02:50:15,269 --> 02:50:13,200

feel like the stress is

4392

02:50:16,710 --> 02:50:15,279

the reason i got sick i think my body's

4393

02:50:18,790 --> 02:50:16,720

just worn down

4394

02:50:20,309 --> 02:50:18,800

so the the short answer is i'm not

4395

02:50:22,230 --> 02:50:20,319

coping very well

4396

02:50:23,750 --> 02:50:22,240

i mean i hang out with my dogs a lot

4397

02:50:26,550 --> 02:50:23,760

that's that's my big coping

4398

02:50:27,349 --> 02:50:26,560

mechanism but that's that's about it

4399

02:50:31,110 --> 02:50:27,359

yeah i don't know

4400

02:50:32,469 --> 02:50:31,120

if um uh madeline just said not me i

4401

02:50:33,990 --> 02:50:32,479

don't have cable tv

4402

02:50:35,910 --> 02:50:34,000

i'll watch what i want listen to the

4403

02:50:36,870 --> 02:50:35,920

music i enjoy that's that's what i try

4404

02:50:40,070 --> 02:50:36,880

to do

4405

02:50:43,269 --> 02:50:40,080

i unfortunately um

4406

02:50:45,990 --> 02:50:43,279

am a host of uh of a radio program

4407

02:50:47,670 --> 02:50:46,000

where i do have to pay attention uh to

4408

02:50:51,590 --> 02:50:47,680

what's going on in the world

4409

02:50:54,790 --> 02:50:51,600

and i i i pick and choose what

4410

02:50:56,150 --> 02:50:54,800

what i read um but the rest of it is

4411

02:50:58,150 --> 02:50:56,160

just flooding in

4412

02:51:00,070 --> 02:50:58,160

right and it's it's everywhere you can't

4413

02:51:00,389 --> 02:51:00,080

escape it no you can't escape it i don't

4414

02:51:03,990 --> 02:51:00,399

have

4415

02:51:04,950 --> 02:51:04,000

anyway but you just can't escape it it's

4416

02:51:07,269 --> 02:51:04,960

everywhere so it's

4417

02:51:08,070 --> 02:51:07,279

it's there's no hiding it's just the

4418

02:51:11,510 --> 02:51:08,080

world we live in

4419

02:51:14,389 --> 02:51:11,520

now um i want to ask you this it's uh

4420

02:51:15,510 --> 02:51:14,399

probably uh you're gonna have one of the

4421

02:51:17,750 --> 02:51:15,520

most valuable

4422

02:51:19,269 --> 02:51:17,760

answers that you can give me and the

4423

02:51:23,030 --> 02:51:19,279

audience

4424

02:51:26,150 --> 02:51:23,040

is is the

4425

02:51:28,389 --> 02:51:26,160

the closing down from big tech now it's

4426

02:51:29,910 --> 02:51:28,399

it's it's youtube but you know it's

4427

02:51:32,630 --> 02:51:29,920

twitter it's facebook and

4428

02:51:33,910 --> 02:51:32,640

and and the other things uh shutting

4429

02:51:37,269 --> 02:51:33,920

this off

4430

02:51:39,990 --> 02:51:37,279

but we didn't have this

4431

02:51:41,190 --> 02:51:40,000

50 years ago 40 years ago we didn't have

4432

02:51:45,030 --> 02:51:41,200

it

4433

02:51:47,349 --> 02:51:45,040

go on television

4434

02:51:49,030 --> 02:51:47,359

the president still has the oval office

4435

02:51:51,269 --> 02:51:49,040

he has a press room that he can

4436

02:51:54,550 --> 02:51:51,279

broadcast from

4437

02:51:57,110 --> 02:51:54,560

so is the social media side

4438

02:51:58,230 --> 02:51:57,120

of closing him down is it really that

4439

02:52:01,190 --> 02:51:58,240

effective

4440

02:52:02,550 --> 02:52:01,200

or does he still have the ability to

4441

02:52:04,790 --> 02:52:02,560

have a voice

4442

02:52:07,990 --> 02:52:04,800

like all presidents had uh before the

4443

02:52:11,349 --> 02:52:10,070

he does right now but he's not going to

4444

02:52:13,429 --> 02:52:11,359

be president very long

4445

02:52:14,870 --> 02:52:13,439

i i'll be honest i never heard of parlor

4446

02:52:16,389 --> 02:52:14,880

before tonight i'm not really

4447

02:52:18,230 --> 02:52:16,399

it's not really my thing all the the

4448

02:52:20,950 --> 02:52:18,240

social media stuff but

4449

02:52:22,469 --> 02:52:20,960

as i was listening to the interview it

4450

02:52:25,349 --> 02:52:22,479

did occur to me that

4451
02:52:26,389 --> 02:52:25,359
you know there's there will be a market

4452
02:52:27,830 --> 02:52:26,399
for

4453
02:52:29,670 --> 02:52:27,840
somebody to you know if it's not

4454
02:52:30,870 --> 02:52:29,680
parliament you know there's if there is

4455
02:52:33,910 --> 02:52:30,880
a market for

4456
02:52:34,550 --> 02:52:33,920
for a specific kind of social media

4457
02:52:38,150 --> 02:52:34,560
company

4458
02:52:39,429 --> 02:52:38,160
it's gonna come into existence and

4459
02:52:40,870 --> 02:52:39,439
you know the people that want to have a

4460
02:52:42,230 --> 02:52:40,880
voice are gonna have a voice because

4461
02:52:43,269 --> 02:52:42,240
someone's gonna make money off of them

4462
02:52:45,590 --> 02:52:43,279
so i

4463
02:52:46,630 --> 02:52:45,600

i don't anticipate any of this going

4464

02:52:49,190 --> 02:52:46,640

away just because

4465

02:52:49,670 --> 02:52:49,200

you know twitter and facebook shut them

4466

02:52:50,950 --> 02:52:49,680

down

4467

02:52:53,269 --> 02:52:50,960

you know somebody else is gonna open

4468

02:52:54,830 --> 02:52:53,279

something up for them yeah i agree with

4469

02:52:57,429 --> 02:52:54,840

that too as well

4470

02:53:00,790 --> 02:52:57,439

and uh i'm just shocked

4471

02:53:04,070 --> 02:53:00,800

i mean i this is uh

4472

02:53:07,349 --> 02:53:04,080

uh taking on things to uh

4473

02:53:08,389 --> 02:53:07,359

another level it's uh this is the thing

4474

02:53:11,590 --> 02:53:08,399

that uh richard

4475

02:53:13,190 --> 02:53:11,600

well like um okay hold on uh this this

4476

02:53:15,590 --> 02:53:13,200

guess is an example of why

4477

02:53:18,150 --> 02:53:15,600

i am trying to skip this week this is a

4478

02:53:20,710 --> 02:53:18,160

choice but censorship is not

4479

02:53:21,910 --> 02:53:20,720

i listen to you uh to get a break from

4480

02:53:25,510 --> 02:53:21,920

all of this stuff

4481

02:53:26,309 --> 02:53:25,520

right and this is from cameron i totally

4482

02:53:29,590 --> 02:53:26,319

get it

4483

02:53:31,429 --> 02:53:29,600

and just like um this is the thing

4484

02:53:32,630 --> 02:53:31,439

and and richard dolan said this last

4485

02:53:35,349 --> 02:53:32,640

night on the air

4486

02:53:36,070 --> 02:53:35,359

it's gotten to the point where we were

4487

02:53:38,950 --> 02:53:36,080

able to

4488

02:53:39,269 --> 02:53:38,960

always do the dance and avoid politics

4489

02:53:45,830 --> 02:53:39,279

in

4490

02:53:48,710 --> 02:53:45,840

we can't we can't we can't

4491

02:53:49,590 --> 02:53:48,720

ignore the conversation right now it

4492

02:53:53,910 --> 02:53:49,600

it's it's

4493

02:53:57,269 --> 02:53:53,920

the world that we are in

4494

02:53:58,550 --> 02:53:57,279

right now it's it's crazy it is blowing

4495

02:54:00,150 --> 02:53:58,560

my mind

4496

02:54:01,670 --> 02:54:00,160

i don't know i don't know it feels like

4497

02:54:03,269 --> 02:54:01,680

it feels like we're in it feels like

4498

02:54:05,670 --> 02:54:03,279

we're in an episode of black mirror

4499

02:54:06,710 --> 02:54:05,680

some kind of weird thing that just

4500

02:54:09,750 --> 02:54:06,720

doesn't make sense

4501
02:54:10,710 --> 02:54:09,760
and everything feels very surreal well i

4502
02:54:15,990 --> 02:54:10,720
said this

4503
02:54:18,389 --> 02:54:16,000
and then i said it on the air

4504
02:54:20,469 --> 02:54:18,399
and it's just this weird feeling maybe

4505
02:54:23,349 --> 02:54:20,479
it's covered dementia i don't know

4506
02:54:23,750 --> 02:54:23,359
but i said i feel like i'm in the video

4507
02:54:26,790 --> 02:54:23,760
game

4508
02:54:27,269 --> 02:54:26,800
silent hill i mean like physically for

4509
02:54:30,070 --> 02:54:27,279
real

4510
02:54:32,389 --> 02:54:30,080
i'm not saying like i'm in an episode

4511
02:54:35,990 --> 02:54:32,399
you know i'm saying this metaphorically

4512
02:54:39,110 --> 02:54:36,000
i'm saying i'm walking around feeling

4513
02:54:41,990 --> 02:54:39,120

feeling pretty weird like

4514

02:54:43,830 --> 02:54:42,000

things have changed you know like i've

4515

02:54:45,110 --> 02:54:43,840

crossed the street and i went from full

4516

02:54:52,230 --> 02:54:45,120

color

4517

02:54:55,830 --> 02:54:52,240

into sepia tone and everything is just

4518

02:54:59,110 --> 02:54:55,840

a little bit different it's like

4519

02:55:01,990 --> 02:54:59,120

uh a parallel world an alternate

4520

02:55:03,830 --> 02:55:02,000

universe and and i'm saying this like as

4521

02:55:06,150 --> 02:55:03,840

a matter of fact

4522

02:55:08,469 --> 02:55:06,160

this is what the media has done this is

4523

02:55:10,550 --> 02:55:08,479

what social media has done

4524

02:55:12,870 --> 02:55:10,560

and there's no denying the fact mike

4525

02:55:15,269 --> 02:55:12,880

that we have all been locked down

4526

02:55:15,990 --> 02:55:15,279

uh we have all been forced into our

4527

02:55:19,750 --> 02:55:16,000

homes for

4528

02:55:21,750 --> 02:55:19,760

12 months with nothing but bad news

4529

02:55:23,349 --> 02:55:21,760

and then you couple that with everything

4530

02:55:25,990 --> 02:55:23,359

else that is going on

4531

02:55:26,870 --> 02:55:26,000

and and you can't help but feel

4532

02:55:30,309 --> 02:55:26,880

different

4533

02:55:31,670 --> 02:55:30,319

you can't so do you let me ask you do

4534

02:55:33,670 --> 02:55:31,680

you have

4535

02:55:34,790 --> 02:55:33,680

well i'm going to say my opinion on this

4536

02:55:38,309 --> 02:55:34,800

first and i'm going to ask you

4537

02:55:39,269 --> 02:55:38,319

because i i can't wrap my brain around

4538

02:55:41,750 --> 02:55:39,279

this i agree with

4539

02:55:42,870 --> 02:55:41,760

everything you just said and i'm trying

4540

02:55:45,990 --> 02:55:42,880

to figure out

4541

02:55:49,190 --> 02:55:46,000

what this means or if there's some

4542

02:55:51,910 --> 02:55:49,200

great plan or if this this is some great

4543

02:55:53,429 --> 02:55:51,920

sociological experiment or what i i

4544

02:55:53,990 --> 02:55:53,439

can't wrap my mind around it but it

4545

02:55:56,870 --> 02:55:54,000

doesn't

4546

02:55:58,630 --> 02:55:56,880

feel like it's an accident it feels like

4547

02:56:01,830 --> 02:55:58,640

something is happening and

4548

02:56:03,590 --> 02:56:01,840

and i i i can't make any sense of it and

4549

02:56:04,150 --> 02:56:03,600

i don't so i don't even pretend to i

4550

02:56:08,550 --> 02:56:04,160

just

4551
02:56:12,790 --> 02:56:08,560
do it

4552
02:56:17,269 --> 02:56:12,800
yeah and i um i'm hoping

4553
02:56:20,230 --> 02:56:17,279
uh like i always do that

4554
02:56:21,590 --> 02:56:20,240
we're we're gonna get through it right

4555
02:56:23,269 --> 02:56:21,600
we're gonna come through with the fog

4556
02:56:24,469 --> 02:56:23,279
the smoke is gonna clear we're gonna

4557
02:56:25,750 --> 02:56:24,479
come back through it's gonna be

4558
02:56:29,190 --> 02:56:25,760
springtime and

4559
02:56:31,349 --> 02:56:29,200
the hummingbirds and rainbows and and

4560
02:56:32,630 --> 02:56:31,359
and and we're going to get through this

4561
02:56:35,750 --> 02:56:32,640
the the

4562
02:56:39,510 --> 02:56:35,760
the difficult part for me to uh

4563
02:56:41,670 --> 02:56:39,520

to put trust in is that the media which

4564

02:56:44,309 --> 02:56:41,680

has the biggest amount of

4565

02:56:44,790 --> 02:56:44,319

culpability and responsibility in all of

4566

02:56:47,110 --> 02:56:44,800

this

4567

02:56:48,630 --> 02:56:47,120

is going to ratchet down the temperature

4568

02:56:51,590 --> 02:56:48,640

you know and i don't know

4569

02:56:53,110 --> 02:56:51,600

when that is going to happen i i have no

4570

02:56:54,389 --> 02:56:53,120

idea rita just posted

4571

02:56:55,830 --> 02:56:54,399

i think they're making good money i

4572

02:56:56,950 --> 02:56:55,840

think they're making good money off all

4573

02:56:58,870 --> 02:56:56,960

the chaos so i don't

4574

02:57:00,790 --> 02:56:58,880

i don't anticipate that happening

4575

02:57:02,230 --> 02:57:00,800

anytime soon it's i think it's i think

4576

02:57:05,750 --> 02:57:02,240

this is good for ratings for them

4577

02:57:08,389 --> 02:57:05,760

well you know um i had said earlier

4578

02:57:09,269 --> 02:57:08,399

uh this year uh we're only in january

4579

02:57:13,190 --> 02:57:09,279

12th

4580

02:57:16,469 --> 02:57:13,200

but i had said that um i am going to

4581

02:57:19,510 --> 02:57:16,479

reserve all thoughts until

4582

02:57:22,070 --> 02:57:19,520

january 21st i we

4583

02:57:23,110 --> 02:57:22,080

i i just need to get to that point i

4584

02:57:26,950 --> 02:57:23,120

need to get to that point

4585

02:57:30,070 --> 02:57:29,349

right right today's the 12th yeah

4586

02:57:32,230 --> 02:57:30,080

today's the

4587

02:57:33,110 --> 02:57:32,240

12th or 20th that's eight days tomorrow

4588

02:57:35,349 --> 02:57:33,120

will be seven

4589

02:57:37,910 --> 02:57:35,359

so we're a week away and then and

4590

02:57:40,630 --> 02:57:37,920

somehow get to the 21st and let's see

4591

02:57:41,030 --> 02:57:40,640

let's see where we are at you know the

4592

02:57:48,309 --> 02:57:41,040

and

4593

02:57:51,190 --> 02:57:48,319

talking about the status of

4594

02:57:52,070 --> 02:57:51,200

of us that's what i'm talking about you

4595

02:57:53,750 --> 02:57:52,080

know not not

4596

02:57:55,349 --> 02:57:53,760

yeah how do we function in the world how

4597

02:57:55,910 --> 02:57:55,359

do we how do we function without going

4598

02:57:57,510 --> 02:57:55,920

crazy

4599

02:57:59,750 --> 02:57:57,520

you know and that's my concern my

4600

02:58:01,269 --> 02:57:59,760

concern is my family

4601
02:58:02,870 --> 02:58:01,279
this country and the people of this

4602
02:58:06,150 --> 02:58:02,880
country and the people of the world

4603
02:58:08,389 --> 02:58:06,160
that's it that's it that's my concern i

4604
02:58:09,990 --> 02:58:08,399
could give a crap about politics i could

4605
02:58:12,550 --> 02:58:10,000
give a crap but right now

4606
02:58:13,030 --> 02:58:12,560
that's the elephant in the room you know

4607
02:58:29,269 --> 02:58:13,040
and

4608
02:58:31,670 --> 02:58:29,279
about crowds what about restaurants

4609
02:58:33,990 --> 02:58:31,680
theaters i don't know the next time i'm

4610
02:58:35,510 --> 02:58:34,000
gonna see the inside of a theater and

4611
02:58:38,550 --> 02:58:35,520
eat some popcorn

4612
02:58:41,349 --> 02:58:38,560
and drink a frigging black cherry

4613
02:58:43,590 --> 02:58:41,359

coke slurpee with my over buttered

4614

02:58:45,429 --> 02:58:43,600

popcorn

4615

02:58:47,349 --> 02:58:45,439

you know what am i or whatever or

4616

02:58:50,550 --> 02:58:47,359

whatever that butter like substance

4617

02:58:53,190 --> 02:58:50,560

and i i i double up on it but i don't

4618

02:58:55,110 --> 02:58:53,200

know what i'm gonna see that again

4619

02:58:57,269 --> 02:58:55,120

you know i i don't know i don't know

4620

02:58:58,230 --> 02:58:57,279

i've already run to the end of not only

4621

02:59:00,950 --> 02:58:58,240

this show

4622

02:59:02,630 --> 02:59:00,960

but i've run to the end of amazon prime

4623

02:59:04,790 --> 02:59:02,640

and netflix

4624

02:59:07,750 --> 02:59:04,800

i'm out of i've that's it i've seen

4625

02:59:11,429 --> 02:59:10,230

on those servers there's nothing left

4626

02:59:13,110 --> 02:59:11,439

mike i gotta go

4627

02:59:15,030 --> 02:59:13,120

hey jimmy jimmy can i throw something

4628

02:59:16,870 --> 02:59:15,040

out real quick um things that i just

4629

02:59:19,830 --> 02:59:16,880

recovered and i heard something

4630

02:59:21,750 --> 02:59:19,840

yesterday i think uh i signed up with

4631

02:59:24,230 --> 02:59:21,760

the red cross today because they need

4632

02:59:26,550 --> 02:59:24,240

plasma from uh coveted survivors so

4633

02:59:28,550 --> 02:59:26,560

anybody that is a coveted survivor

4634

02:59:30,230 --> 02:59:28,560

uh you know go and give him some blood

4635

02:59:31,590 --> 02:59:30,240

and let him get some plasma

4636

02:59:33,269 --> 02:59:31,600

i'll see you tomorrow night mike thank

4637

02:59:34,790 --> 02:59:33,279

you so much

4638

02:59:37,190 --> 02:59:34,800

thanks jimmy have a good night great

4639

02:59:39,030 --> 02:59:37,200

conversation and uh with that

4640

02:59:41,190 --> 02:59:39,040

uh i am now going to get cut off the

4641

02:59:43,030 --> 02:59:41,200

network here any second

4642

02:59:44,870 --> 02:59:43,040

fade to black's executive producers rita

4643

02:59:46,150 --> 02:59:44,880

kamarian shows produced by hill j palm

4644

02:59:48,070 --> 02:59:46,160
