

THE
OBSERVERS

1
00:00:23,980 --> 00:00:10,970
[Music]

2
00:00:32,860 --> 00:00:23,990
[Applause]

3
00:00:32,870 --> 00:01:03,349
[Music]

4
00:01:03,359 --> 00:01:08,780
so

5
00:02:08,070 --> 00:01:29,830
[Music]

6
00:02:22,229 --> 00:02:10,740
um

7
00:02:25,670 --> 00:02:22,239
[Music]

8
00:02:29,030 --> 00:02:25,680
three words advanced aerial threat

9
00:02:31,509 --> 00:02:29,040
who in the cia nsa dia

10
00:02:33,670 --> 00:02:31,519
tells at least the united states of

11
00:02:35,990 --> 00:02:33,680
america that we're not alone in this

12
00:02:38,869 --> 00:02:36,000
universe we have never been alone in

13
00:02:42,869 --> 00:02:40,869

the us government really has kept that

14

00:02:45,030 --> 00:02:42,879

secret not only from the american people

15

00:02:47,509 --> 00:02:45,040

which is bad enough but even kept it

16

00:02:49,670 --> 00:02:47,519

from itself

17

00:02:51,750 --> 00:02:49,680

the ufo community has been portrayed as

18

00:02:53,190 --> 00:02:51,760

conspiracy theorists and tin foil hats

19

00:02:55,990 --> 00:02:53,200

and we're crazy

20

00:02:58,710 --> 00:02:56,000

and the government is now admitting that

21

00:03:01,589 --> 00:02:58,720

uh ufos are real and disclosure is here

22

00:03:03,910 --> 00:03:01,599

suddenly they're our friend

23

00:03:05,589 --> 00:03:03,920

no america's defense establishment is

24

00:03:08,229 --> 00:03:05,599

finally admitting

25

00:03:09,990 --> 00:03:08,239

some of what it knows

26

00:03:12,149 --> 00:03:10,000

this could have been a chance to say

27

00:03:14,229 --> 00:03:12,159

we're going to collaborate with the

28

00:03:16,790 --> 00:03:14,239

representatives of the people in what is

29

00:03:18,470 --> 00:03:16,800

supposed to be a government of by and

30

00:03:21,509 --> 00:03:18,480

for the people

31

00:03:24,710 --> 00:03:21,519

if what they tell you is the truth

32

00:03:27,030 --> 00:03:24,720

there is no need to withhold it from

33

00:03:29,830 --> 00:03:27,040

public

34

00:03:32,070 --> 00:03:29,840

we've entered a quantum age making a

35

00:03:34,550 --> 00:03:32,080

leap not only in technology but also in

36

00:03:36,550 --> 00:03:34,560

consciousness companies are now creating

37

00:03:38,229 --> 00:03:36,560

non-sentient replacement humans they

38

00:03:39,910 --> 00:03:38,239

look just like you and i

39

00:03:42,390 --> 00:03:39,920

they're intended for customer service

40

00:03:43,830 --> 00:03:42,400

and things such as that but these neons

41

00:03:46,949 --> 00:03:43,840

as they're called could be more

42

00:03:48,869 --> 00:03:46,959

nefarious than that

43

00:03:50,550 --> 00:03:48,879

we're dealing with a fight there are

44

00:03:54,390 --> 00:03:50,560

forces behind the scenes that doesn't

45

00:03:57,030 --> 00:03:54,400

want any of this information to come out

46

00:04:00,470 --> 00:03:57,040

there's still a lot of truth that has

47

00:04:02,309 --> 00:04:00,480

yet to be revealed

48

00:04:04,309 --> 00:04:02,319

it was one of those quote-unquote men in

49

00:04:05,910 --> 00:04:04,319

black but i i realize it's probably

50

00:04:06,630 --> 00:04:05,920

better now to be when there's men in

51
00:04:09,830 --> 00:04:06,640
white

52
00:04:12,070 --> 00:04:09,840
bringing truth to the topic

53
00:04:19,110 --> 00:04:12,080
the problem with the truth is the truth

54
00:04:19,120 --> 00:04:30,550
[Music]

55
00:04:37,110 --> 00:04:34,390
wow good evening everybody how are you

56
00:04:39,350 --> 00:04:37,120
this is an amazing night i'm coming to

57
00:04:40,950 --> 00:04:39,360
you live from the bunker

58
00:04:43,749 --> 00:04:40,960
and uh

59
00:04:45,270 --> 00:04:43,759
tonight is a very very very special

60
00:04:49,510 --> 00:04:45,280
presentation

61
00:04:53,670 --> 00:04:49,520
that we are doing uh for and about

62
00:04:55,030 --> 00:04:53,680
the observers and for all of you who are

63
00:04:57,749 --> 00:04:55,040

observers

64

00:05:01,110 --> 00:04:57,759

and throughout the community

65

00:05:02,550 --> 00:05:01,120

the observers hashtag observer hashtag

66

00:05:03,990 --> 00:05:02,560

observers

67

00:05:07,110 --> 00:05:04,000

get the movement

68

00:05:09,189 --> 00:05:07,120

right now get involved get started the

69

00:05:12,070 --> 00:05:09,199

observers is an amazing film and it's an

70

00:05:14,870 --> 00:05:12,080

honor and a privilege for me

71

00:05:16,629 --> 00:05:14,880

your host of uh fade to black

72

00:05:19,110 --> 00:05:16,639

to have

73

00:05:22,230 --> 00:05:19,120

been brought into the team

74

00:05:23,510 --> 00:05:22,240

to to help in the making of the film as

75

00:05:25,749 --> 00:05:23,520

a producer

76

00:05:29,270 --> 00:05:25,759

and also to get a little bit of face

77

00:05:30,230 --> 00:05:29,280

time to get my thoughts out there uh

78

00:05:32,710 --> 00:05:30,240

that

79

00:05:35,029 --> 00:05:32,720

i've been just yelling and screaming

80

00:05:35,909 --> 00:05:35,039

about to the best of my ability with

81

00:05:38,550 --> 00:05:35,919

these

82

00:05:40,469 --> 00:05:38,560

pipes that i have to get the message out

83

00:05:43,189 --> 00:05:40,479

to the world and this film

84

00:05:45,110 --> 00:05:43,199

it's perfect it's perfect timing it's

85

00:05:49,510 --> 00:05:45,120

got a perfect cast

86

00:05:50,870 --> 00:05:49,520

and a a an amazing director a team

87

00:05:53,590 --> 00:05:50,880

behind it

88

00:05:55,270 --> 00:05:53,600

and we brought together the best and the

89

00:05:57,029 --> 00:05:55,280

brightest uh

90

00:05:59,110 --> 00:05:57,039

that that have been out there and

91

00:06:02,230 --> 00:05:59,120

fighting as an observer

92

00:06:04,469 --> 00:06:02,240

uh for our community for a very very

93

00:06:06,230 --> 00:06:04,479

long time so this is what we're doing

94

00:06:07,990 --> 00:06:06,240

we're streaming on multiple platforms

95

00:06:10,950 --> 00:06:08,000

tonight we're coming to you

96

00:06:11,990 --> 00:06:10,960

also on uh the fade to black facebook

97

00:06:14,950 --> 00:06:12,000

channel

98

00:06:18,230 --> 00:06:14,960

and i i came in tonight and we're going

99

00:06:20,469 --> 00:06:18,240

to be doing a few of these by the way

100

00:06:21,909 --> 00:06:20,479

this is the first uh we've got a great

101
00:06:26,070 --> 00:06:21,919
setup tonight

102
00:06:28,790 --> 00:06:26,080
uh uh chris is engineering uh from the

103
00:06:31,189 --> 00:06:28,800
east coast and is uh is is directing

104
00:06:35,029 --> 00:06:31,199
this entire presentation

105
00:06:37,110 --> 00:06:35,039
um and we've got a different format than

106
00:06:39,749 --> 00:06:37,120
what you're used to here on on fade to

107
00:06:42,629 --> 00:06:39,759
block 2 as well where i've got people

108
00:06:43,830 --> 00:06:42,639
working for me tonight and

109
00:06:46,469 --> 00:06:43,840
it's going to be great it's going to be

110
00:06:49,830 --> 00:06:46,479
visually stunning and it's going to be a

111
00:06:50,950 --> 00:06:49,840
great conversation i'm just the host

112
00:06:53,350 --> 00:06:50,960
okay

113
00:06:55,029 --> 00:06:53,360

i don't i don't i don't have to have a

114

00:06:56,629 --> 00:06:55,039

real job tonight

115

00:06:59,749 --> 00:06:56,639

the real job

116

00:07:02,390 --> 00:06:59,759

is going to be handled by director roger

117

00:07:03,909 --> 00:07:02,400

r richards and i would like to bring in

118

00:07:06,790 --> 00:07:03,919

roger now

119

00:07:11,670 --> 00:07:06,800

and uh and say welcome

120

00:07:12,790 --> 00:07:11,680

and uh roger is going to be sitting down

121

00:07:14,309 --> 00:07:12,800

with

122

00:07:18,390 --> 00:07:14,319

richard dolan

123

00:07:20,790 --> 00:07:18,400

and i get to uh roger welcome how are

124

00:07:23,189 --> 00:07:20,800

you tonight sir i'm doing great jimmy

125

00:07:25,510 --> 00:07:23,199

thanks man it's good to see you brother

126

00:07:27,430 --> 00:07:25,520

and always remember a good director

127

00:07:30,629 --> 00:07:27,440

directs

128

00:07:31,990 --> 00:07:30,639

a great director does more i mean never

129

00:07:36,070 --> 00:07:32,000

forget that

130

00:07:39,189 --> 00:07:36,080

have been leading this charge now you've

131

00:07:41,350 --> 00:07:39,199

been laser focused on all of this for

132

00:07:43,430 --> 00:07:41,360

over 10 years you've been an activist

133

00:07:47,110 --> 00:07:43,440

for much longer than that

134

00:07:50,150 --> 00:07:47,120

but this film this production

135

00:07:51,909 --> 00:07:50,160

this this gathering of mines at this

136

00:07:54,469 --> 00:07:51,919

point in history

137

00:07:55,589 --> 00:07:54,479

the timing just couldn't have been

138

00:07:58,230 --> 00:07:55,599

better

139

00:07:59,990 --> 00:07:58,240

we got it done with your direction we

140

00:08:02,710 --> 00:08:00,000

got it done as a team

141

00:08:04,390 --> 00:08:02,720

it's here and and the movement has

142

00:08:06,469 --> 00:08:04,400

started how do you feel

143

00:08:09,430 --> 00:08:06,479

i think it's incredible to see what came

144

00:08:12,390 --> 00:08:09,440

together at a time where you know this

145

00:08:14,070 --> 00:08:12,400

topic is is really on the forefront of

146

00:08:16,790 --> 00:08:14,080

you know everyone's conversations right

147

00:08:19,189 --> 00:08:16,800

now like the ability for the mainstream

148

00:08:20,950 --> 00:08:19,199

media to be covering this um you know

149

00:08:22,230 --> 00:08:20,960

conversation and haul the types of

150

00:08:24,390 --> 00:08:22,240

things that are coming out in these

151
00:08:26,710 --> 00:08:24,400
reports for example that you know were

152
00:08:28,710 --> 00:08:26,720
happening why we were making this film

153
00:08:30,150 --> 00:08:28,720
it was an exhilarating experience

154
00:08:31,830 --> 00:08:30,160
because none of us really knew where

155
00:08:33,430 --> 00:08:31,840
this was ending up you know we were

156
00:08:35,350 --> 00:08:33,440
right in the the middle of this being

157
00:08:36,630 --> 00:08:35,360
released at the time you know people

158
00:08:38,310 --> 00:08:36,640
were still wondering if we were going to

159
00:08:40,550 --> 00:08:38,320
get the full report at those times you

160
00:08:42,230 --> 00:08:40,560
know the other things were coming out

161
00:08:45,110 --> 00:08:42,240
and so it was a really incredible

162
00:08:47,509 --> 00:08:45,120
experience to just work with you know

163
00:08:49,750 --> 00:08:47,519

some of the most amazing

164

00:08:51,990 --> 00:08:49,760

minds and researchers and experience

165

00:08:54,389 --> 00:08:52,000

kind of ufology world

166

00:08:56,070 --> 00:08:54,399

in the same time when all of this stuff

167

00:08:58,070 --> 00:08:56,080

was happening in the mainstream and then

168

00:09:00,070 --> 00:08:58,080

channeling that into a piece of you know

169

00:09:02,630 --> 00:09:00,080

art that is this film here and what came

170

00:09:04,949 --> 00:09:02,640

out of it and the whole team you know

171

00:09:07,269 --> 00:09:04,959

pouring their hearts in love and you

172

00:09:08,949 --> 00:09:07,279

know connection into this film this this

173

00:09:10,630 --> 00:09:08,959

film is made by people that are

174

00:09:12,389 --> 00:09:10,640

experiences it's made by people that are

175

00:09:15,350 --> 00:09:12,399

researchers it's made by people in this

176

00:09:18,230 --> 00:09:15,360

community and it's part of a direct

177

00:09:20,310 --> 00:09:18,240

action you know movement out there to

178

00:09:22,870 --> 00:09:20,320

raise awareness to bring these things to

179

00:09:24,630 --> 00:09:22,880

the the the top of people's

180

00:09:26,710 --> 00:09:24,640

consciousness and the understanding of

181

00:09:29,110 --> 00:09:26,720

it's not just on fox news it's not just

182

00:09:31,590 --> 00:09:29,120

on cnn that you know these these things

183

00:09:33,590 --> 00:09:31,600

are being acknowledged there is a whole

184

00:09:36,470 --> 00:09:33,600

movement of people that have been having

185

00:09:39,030 --> 00:09:36,480

anomalous experiences observers all over

186

00:09:40,870 --> 00:09:39,040

the world that have seen things out of

187

00:09:43,430 --> 00:09:40,880

place that don't make sense experience

188

00:09:45,910 --> 00:09:43,440

technology in some form or another

189

00:09:47,990 --> 00:09:45,920

beyond what you know is out in the

190

00:09:49,750 --> 00:09:48,000

public and that is what's canonized in

191

00:09:51,350 --> 00:09:49,760

the film and i think all of us really

192

00:09:53,350 --> 00:09:51,360

kind of poured our heart and love into

193

00:09:55,590 --> 00:09:53,360

the community to create that

194

00:09:56,590 --> 00:09:55,600

conversation and make it as relevant as

195

00:09:59,670 --> 00:09:56,600

possible

196

00:10:01,829 --> 00:09:59,680

to the aggregate of all the things that

197

00:10:04,470 --> 00:10:01,839

are now under the umbrella of what is

198

00:10:06,310 --> 00:10:04,480

disclosure and the observer movement

199

00:10:08,790 --> 00:10:06,320

and i want to thank you for for all of

200

00:10:10,230 --> 00:10:08,800

your hard work and the other thing is uh

201
00:10:14,710 --> 00:10:10,240
for me

202
00:10:17,030 --> 00:10:14,720
is i interview that's my job i interview

203
00:10:20,790 --> 00:10:17,040
i'm an interviewer

204
00:10:21,829 --> 00:10:20,800
i interview and i was able to uh sit

205
00:10:24,870 --> 00:10:21,839
back

206
00:10:26,710 --> 00:10:24,880
and watch you uh take over

207
00:10:30,069 --> 00:10:26,720
and and interview and create

208
00:10:32,389 --> 00:10:30,079
conversations with the entire cast and

209
00:10:34,630 --> 00:10:32,399
it was amazing to see your style now

210
00:10:36,310 --> 00:10:34,640
we're gonna bring in

211
00:10:39,190 --> 00:10:36,320
richard dolan

212
00:10:43,590 --> 00:10:39,200
richard now here's the deal

213
00:10:44,829 --> 00:10:43,600

um richard and i have uh

214

00:10:48,389 --> 00:10:44,839

have had

215

00:10:52,230 --> 00:10:48,399

shows uh conversations we've done

216

00:10:54,949 --> 00:10:52,240

conferences we have done numerous panels

217

00:10:57,910 --> 00:10:54,959

we have asked each other and answered

218

00:10:59,430 --> 00:10:57,920

every possible question when it comes to

219

00:11:00,550 --> 00:10:59,440

this subject

220

00:11:01,750 --> 00:11:00,560

and

221

00:11:03,590 --> 00:11:01,760

richard

222

00:11:06,790 --> 00:11:03,600

got to sit down with you and have a

223

00:11:10,870 --> 00:11:06,800

conversation that i was there for

224

00:11:13,590 --> 00:11:10,880

and and i was so proud and impressed

225

00:11:15,670 --> 00:11:13,600

on the way that you two were able to

226

00:11:17,750 --> 00:11:15,680

interact with each other now before i

227

00:11:20,310 --> 00:11:17,760

get out of here because

228

00:11:23,110 --> 00:11:20,320

what i'm referring to now uh our

229

00:11:26,069 --> 00:11:23,120

audience tonight is going to

230

00:11:29,750 --> 00:11:26,079

get to enjoy roger's

231

00:11:33,670 --> 00:11:29,760

interview chops in conversation style uh

232

00:11:36,630 --> 00:11:33,680

once again here with you uh richard

233

00:11:38,949 --> 00:11:36,640

how how great was it to not have me

234

00:11:41,430 --> 00:11:38,959

asking questions for a change and and

235

00:11:42,710 --> 00:11:41,440

you get you get a mind like roger to

236

00:11:45,750 --> 00:11:42,720

come in

237

00:11:47,829 --> 00:11:45,760

and and pull things out of you

238

00:11:49,269 --> 00:11:47,839

yeah hey jimmy and hi roger

239

00:11:51,670 --> 00:11:49,279

great to be here

240

00:11:53,190 --> 00:11:51,680

um yeah the funny thing about that i've

241

00:11:56,389 --> 00:11:53,200

you know you and i have known each other

242

00:11:59,030 --> 00:11:56,399

for almost 10 years now

243

00:12:00,389 --> 00:11:59,040

um roger we had never communicated i'd

244

00:12:02,389 --> 00:12:00,399

never talked to roger never had a

245

00:12:05,110 --> 00:12:02,399

conversation so i didn't really

246

00:12:09,509 --> 00:12:05,120

i truly did not know what to expect

247

00:12:11,670 --> 00:12:09,519

and i'll just say here i was very

248

00:12:15,350 --> 00:12:11,680

i was very impressed by the quality of

249

00:12:16,389 --> 00:12:15,360

the questions that you asked me roger

250

00:12:18,550 --> 00:12:16,399

it was

251
00:12:21,430 --> 00:12:18,560
obvious immediately that you had done a

252
00:12:23,190 --> 00:12:21,440
great deal of thinking about the subject

253
00:12:26,550 --> 00:12:23,200
of ufos in general

254
00:12:28,069 --> 00:12:26,560
and also just about me i i really feel

255
00:12:30,629 --> 00:12:28,079
like you must have done some kind of

256
00:12:32,550 --> 00:12:30,639
background research on my own personal

257
00:12:34,870 --> 00:12:32,560
interests and i think you just you did a

258
00:12:36,629 --> 00:12:34,880
lot of homework beforehand it really

259
00:12:38,949 --> 00:12:36,639
showed and then what i was realizing

260
00:12:40,389 --> 00:12:38,959
even while we were interviewing is

261
00:12:41,509 --> 00:12:40,399
you were obviously doing this with

262
00:12:44,230 --> 00:12:41,519
everyone

263
00:12:45,990 --> 00:12:44,240

and what i was interested in at the time

264

00:12:47,190 --> 00:12:46,000

that we were doing the questions last

265

00:12:48,550 --> 00:12:47,200

summer was

266

00:12:51,670 --> 00:12:48,560

where is this guy going to go with this

267

00:12:53,110 --> 00:12:51,680

like i really didn't know how you would

268

00:12:54,870 --> 00:12:53,120

lay out the direction of this

269

00:12:56,949 --> 00:12:54,880

documentary

270

00:12:58,790 --> 00:12:56,959

not fully so it was interesting when i

271

00:13:00,550 --> 00:12:58,800

finally did get to see a screener i

272

00:13:03,670 --> 00:13:00,560

thought oh wow this is great you

273

00:13:05,750 --> 00:13:03,680

actually had this wonderful way of of

274

00:13:07,190 --> 00:13:05,760

presenting layers of this subject and

275

00:13:08,550 --> 00:13:07,200

you're starting with one layer and then

276

00:13:10,550 --> 00:13:08,560

we go to a deeper layer and then a

277

00:13:11,910 --> 00:13:10,560

deeper layer and then a deeper layer and

278

00:13:12,790 --> 00:13:11,920

then by the time we get to the end of

279

00:13:17,190 --> 00:13:12,800

this

280

00:13:19,509 --> 00:13:17,200

really is what it is

281

00:13:22,470 --> 00:13:19,519

uh you'd gone really deep and it was all

282

00:13:24,710 --> 00:13:22,480

because of the way you had structured

283

00:13:26,310 --> 00:13:24,720

the interviews i think so that was a

284

00:13:28,230 --> 00:13:26,320

real testament to

285

00:13:29,030 --> 00:13:28,240

your vision i think it turned out very

286

00:13:34,550 --> 00:13:29,040

well

287

00:13:37,430 --> 00:13:34,560

i'm gonna back out of here i want to

288

00:13:40,550 --> 00:13:37,440

kick back and enjoy this evening you

289

00:13:43,670 --> 00:13:40,560

guys behave have a great conversation

290

00:13:46,629 --> 00:13:43,680

and i'll circle back and uh wrap things

291

00:13:49,030 --> 00:13:46,639

up when i'm ready to break in and

292

00:13:51,350 --> 00:13:49,040

interrupt when i can't take it anymore

293

00:13:52,230 --> 00:13:51,360

fair enough yes thank you jesus great

294

00:13:54,389 --> 00:13:52,240

jimmy

295

00:13:55,350 --> 00:13:54,399

i'll see you guys in a bit okay later

296

00:13:57,189 --> 00:13:55,360

man

297

00:13:59,430 --> 00:13:57,199

yeah i was just kind of hearing

298

00:14:01,750 --> 00:13:59,440

everything you were saying and um you

299

00:14:03,509 --> 00:14:01,760

know richard like for for me to be able

300

00:14:05,590 --> 00:14:03,519

to go through and understand your work

301
00:14:07,350 --> 00:14:05,600
and to to look at the things that you've

302
00:14:09,189 --> 00:14:07,360
contributed to

303
00:14:10,389 --> 00:14:09,199
this community this movement to the

304
00:14:12,550 --> 00:14:10,399
thought bubble this collective

305
00:14:14,550 --> 00:14:12,560
conversation of people that are trying

306
00:14:16,949 --> 00:14:14,560
to understand things that you know are

307
00:14:20,870 --> 00:14:16,959
at this moment you know unexplainable

308
00:14:22,550 --> 00:14:20,880
and so for me like i i had very similar

309
00:14:24,550 --> 00:14:22,560
you know feelings of you know even

310
00:14:27,509 --> 00:14:24,560
intimidation going up against you know

311
00:14:30,790 --> 00:14:27,519
somebody that has spent uh you know the

312
00:14:34,550 --> 00:14:30,800
majority of their academic adult you

313
00:14:37,509 --> 00:14:34,560

know career into seriously researching

314

00:14:39,829 --> 00:14:37,519

this and taking it seriously um despite

315

00:14:42,389 --> 00:14:39,839

all of the constant you know criticisms

316

00:14:43,750 --> 00:14:42,399

from mainstream and and just all of the

317

00:14:46,629 --> 00:14:43,760

you know the ways they try to downplay

318

00:14:48,389 --> 00:14:46,639

the subject to me like it has so much

319

00:14:50,069 --> 00:14:48,399

integrity to be able to do that and

320

00:14:51,750 --> 00:14:50,079

stick with that and then when i got into

321

00:14:53,269 --> 00:14:51,760

understanding more about

322

00:14:55,269 --> 00:14:53,279

you and and really kind of what that

323

00:14:57,670 --> 00:14:55,279

sack for you as an academic and also in

324

00:15:00,470 --> 00:14:57,680

in your world in that space and the

325

00:15:02,470 --> 00:15:00,480

sacrifice that you made to to step into

326

00:15:04,470 --> 00:15:02,480

that role to to be that archetype in

327

00:15:06,550 --> 00:15:04,480

this moment and now i thought that was

328

00:15:08,389 --> 00:15:06,560

incredibly touching and and one of the

329

00:15:10,870 --> 00:15:08,399

things that um you know that really

330

00:15:12,389 --> 00:15:10,880

stood out too was your your care for the

331

00:15:14,069 --> 00:15:12,399

united states

332

00:15:17,350 --> 00:15:14,079

like your care for this country and

333

00:15:19,670 --> 00:15:17,360

understanding you know how incredibly uh

334

00:15:22,389 --> 00:15:19,680

unique we are in the global stream of

335

00:15:23,829 --> 00:15:22,399

things and why disclosure ties to that

336

00:15:25,750 --> 00:15:23,839

uh those are all things that just

337

00:15:27,030 --> 00:15:25,760

fascinated me and and to be perfectly

338

00:15:28,949 --> 00:15:27,040

honest when i got to the cutting room

339

00:15:30,710 --> 00:15:28,959

floor with all of you guys you know i

340

00:15:33,189 --> 00:15:30,720

had 20 plus hours of footage or

341

00:15:35,829 --> 00:15:33,199

something it was it was a nightmare just

342

00:15:37,670 --> 00:15:35,839

trying to select the the things that

343

00:15:39,670 --> 00:15:37,680

just absolutely needed to be in there

344

00:15:41,110 --> 00:15:39,680

under a time you know restraint because

345

00:15:42,389 --> 00:15:41,120

there was so much stuff and so we've

346

00:15:43,829 --> 00:15:42,399

just been

347

00:15:45,509 --> 00:15:43,839

releasing that to the public you know

348

00:15:47,189 --> 00:15:45,519

chunk and chunks so we can kind of have

349

00:15:48,790 --> 00:15:47,199

the full conversations for anybody

350

00:15:51,110 --> 00:15:48,800

that's you know interested in kind of

351

00:15:53,189 --> 00:15:51,120

getting behind that but i wanted to just

352

00:15:55,110 --> 00:15:53,199

bring that type of conversation that you

353

00:15:57,269 --> 00:15:55,120

and i had there which you know jimmy has

354

00:15:58,870 --> 00:15:57,279

just talked about my style uh i just

355

00:16:00,949 --> 00:15:58,880

wanted to share that with you here

356

00:16:02,949 --> 00:16:00,959

tonight and and just kind of explore the

357

00:16:05,509 --> 00:16:02,959

things that didn't make it into the film

358

00:16:07,030 --> 00:16:05,519

necessarily but um and then also expound

359

00:16:08,710 --> 00:16:07,040

on that and so one of the things like i

360

00:16:11,749 --> 00:16:08,720

kind of wanted to open up the floor with

361

00:16:13,829 --> 00:16:11,759

is you know that there has been

362

00:16:16,310 --> 00:16:13,839

you know every single social justice

363

00:16:18,550 --> 00:16:16,320

movement you know has has come and gone

364

00:16:20,870 --> 00:16:18,560

based off of a crew a collective of

365

00:16:23,269 --> 00:16:20,880

people in a counter culture that's you

366

00:16:25,749 --> 00:16:23,279

know kind of bubbling up in the form of

367

00:16:28,870 --> 00:16:25,759

some type of resistance and the ufo

368

00:16:30,389 --> 00:16:28,880

community and the ufology topic is so uh

369

00:16:32,629 --> 00:16:30,399

powerful in regards to what it could

370

00:16:34,470 --> 00:16:32,639

mean to humanity why do you feel like

371

00:16:37,189 --> 00:16:34,480

there hasn't been a movement really

372

00:16:39,590 --> 00:16:37,199

until now that takes it seriously to try

373

00:16:42,150 --> 00:16:39,600

to push instead of wait for disclosure

374

00:16:44,629 --> 00:16:42,160

but actually pull it out

375

00:16:47,590 --> 00:16:44,639

well there there have been movements in

376

00:16:49,509 --> 00:16:47,600

the past like we're not the first

377

00:16:52,230 --> 00:16:49,519

um i would say

378

00:16:54,069 --> 00:16:52,240

it's gone farther further now than it

379

00:16:55,829 --> 00:16:54,079

has gone in the past but i mean i think

380

00:16:57,829 --> 00:16:55,839

it's worth worth pointing out that even

381

00:17:00,310 --> 00:16:57,839

as early as the 1950s

382

00:17:02,069 --> 00:17:00,320

there were people who were very engaged

383

00:17:03,990 --> 00:17:02,079

in the ufo subject

384

00:17:06,069 --> 00:17:04,000

um you know they were you know the first

385

00:17:08,390 --> 00:17:06,079

ufo or civilian organizations that

386

00:17:10,309 --> 00:17:08,400

started up during that decade uh one of

387

00:17:12,390 --> 00:17:10,319

them in particular known as nycap was

388

00:17:15,429 --> 00:17:12,400

absolutely committed

389

00:17:17,189 --> 00:17:15,439

to ending ufo secrecy at least in the

390

00:17:18,949 --> 00:17:17,199

best way that they could do it they were

391

00:17:21,510 --> 00:17:18,959

all about getting congressional hearings

392

00:17:23,029 --> 00:17:21,520

on ufos and trying to get that in public

393

00:17:25,270 --> 00:17:23,039

uh there was one opportunity in the

394

00:17:27,350 --> 00:17:25,280

early 1960s where it looked like nycap

395

00:17:28,870 --> 00:17:27,360

might be able to do it and then the rug

396

00:17:30,390 --> 00:17:28,880

was pulled out from underneath them at

397

00:17:31,750 --> 00:17:30,400

the 11th hour

398

00:17:33,590 --> 00:17:31,760

they were going up against some very

399

00:17:36,150 --> 00:17:33,600

very difficult opposit opposition

400

00:17:38,310 --> 00:17:36,160

obviously you have the same uh crescendo

401
00:17:41,190 --> 00:17:38,320
that developed in the 1960s where it

402
00:17:43,990 --> 00:17:41,200
looked as though we there might be this

403
00:17:46,470 --> 00:17:44,000
opening for a kind of disclosure people

404
00:17:48,470 --> 00:17:46,480
were not using the word at that time but

405
00:17:50,310 --> 00:17:48,480
an admission by the government that this

406
00:17:52,310 --> 00:17:50,320
subject was real and that ended up in

407
00:17:54,630 --> 00:17:52,320
something called the condon committee

408
00:17:55,909 --> 00:17:54,640
which was a pseudo i would say pseudo

409
00:17:56,950 --> 00:17:55,919
scientific

410
00:17:59,430 --> 00:17:56,960
uh

411
00:18:01,029 --> 00:17:59,440
analysis of the ufo subject that

412
00:18:02,470 --> 00:18:01,039
essentially ended up debunking it in the

413
00:18:03,669 --> 00:18:02,480

late 60s

414

00:18:06,870 --> 00:18:03,679

and then you know there were there were

415

00:18:08,789 --> 00:18:06,880

various assertive types of attempts in

416

00:18:10,070 --> 00:18:08,799

later decades of the 20th century to get

417

00:18:12,230 --> 00:18:10,080

this thing going

418

00:18:15,350 --> 00:18:12,240

none of them really came to much you get

419

00:18:17,830 --> 00:18:15,360

the disclosure movement uh in 2001 that

420

00:18:19,510 --> 00:18:17,840

was led by dr stephen greer

421

00:18:22,630 --> 00:18:19,520

folks like danny sheehan were very much

422

00:18:26,950 --> 00:18:25,029

but and then steve bassett comes along

423

00:18:29,510 --> 00:18:26,960

in you know the early 21st century with

424

00:18:30,470 --> 00:18:29,520

his ex conferences this this movement's

425

00:18:33,669 --> 00:18:30,480

been

426

00:18:36,070 --> 00:18:33,679

attempt

427

00:18:37,909 --> 00:18:36,080

but it's true when you say like it never

428

00:18:39,990 --> 00:18:37,919

got traction

429

00:18:42,870 --> 00:18:40,000

um i've given this a lot of thought

430

00:18:44,470 --> 00:18:42,880

myself as to why and i think what you're

431

00:18:47,750 --> 00:18:44,480

really dealing with is the most

432

00:18:49,990 --> 00:18:47,760

significant cover-up of modern times is

433

00:18:52,310 --> 00:18:50,000

the ufo cover-up i think it comes down

434

00:18:54,710 --> 00:18:52,320

simply to that you've got a situation

435

00:18:56,230 --> 00:18:54,720

starting with the 1940s where the united

436

00:18:59,590 --> 00:18:56,240

states

437

00:19:02,470 --> 00:18:59,600

national security community explicitly

438

00:19:04,230 --> 00:19:02,480

organized with major media

439

00:19:07,430 --> 00:19:04,240

all the media outlets that existed back

440

00:19:10,150 --> 00:19:07,440

then and as they evolved to to ridicule

441

00:19:11,590 --> 00:19:10,160

and to dismiss and debunk this subject

442

00:19:14,789 --> 00:19:11,600

and so that there was just no breathing

443

00:19:16,789 --> 00:19:14,799

space there's no oxygen for ufo research

444

00:19:17,590 --> 00:19:16,799

in a public domain to go anywhere and it

445

00:19:19,430 --> 00:19:17,600

was

446

00:19:21,750 --> 00:19:19,440

relegated to the fringes it couldn't get

447

00:19:22,950 --> 00:19:21,760

into the academic world so there was no

448

00:19:25,909 --> 00:19:22,960

official

449

00:19:29,110 --> 00:19:25,919

uh sanct uh sanctified

450

00:19:30,310 --> 00:19:29,120

uh official stamp of approval there

451
00:19:32,070 --> 00:19:30,320
um

452
00:19:33,510 --> 00:19:32,080
and it didn't get any scientific funding

453
00:19:35,190 --> 00:19:33,520
you can't do science if there's no money

454
00:19:37,669 --> 00:19:35,200
and there's no money for this in that

455
00:19:38,710 --> 00:19:37,679
realm so it just could never get off the

456
00:19:40,070 --> 00:19:38,720
ground

457
00:19:43,029 --> 00:19:40,080
so to speak

458
00:19:44,310 --> 00:19:43,039
and frankly i think it's only has

459
00:19:46,710 --> 00:19:44,320
changed

460
00:19:49,270 --> 00:19:46,720
uh in the last four

461
00:19:50,710 --> 00:19:49,280
years with the efforts of the group tsa

462
00:19:52,710 --> 00:19:50,720
to the stars academy of arts and

463
00:19:54,390 --> 00:19:52,720

sciences we're talking tom delong

464

00:19:55,510 --> 00:19:54,400

christopher mellen lou alzonzo and all

465

00:19:58,070 --> 00:19:55,520

of those folks

466

00:19:59,669 --> 00:19:58,080

uh help off who

467

00:20:00,950 --> 00:19:59,679

you know it still amazes me to this day

468

00:20:03,350 --> 00:20:00,960

how there are people who say that's a

469

00:20:06,470 --> 00:20:03,360

cia disinformation up i'm like are you

470

00:20:08,230 --> 00:20:06,480

kidding me man these people actually

471

00:20:10,789 --> 00:20:08,240

no one else

472

00:20:13,190 --> 00:20:10,799

in the history of ufology was able to

473

00:20:15,830 --> 00:20:13,200

move that needle at all in the public

474

00:20:18,230 --> 00:20:15,840

conversation until they came along

475

00:20:20,549 --> 00:20:18,240

whatever else one says

476

00:20:23,669 --> 00:20:20,559

they got the disclosure conversation

477

00:20:25,750 --> 00:20:23,679

going they were able to get uh three

478

00:20:28,149 --> 00:20:25,760

videos declassified from the pentagon

479

00:20:30,710 --> 00:20:28,159

which was done in a very clever way it

480

00:20:32,390 --> 00:20:30,720

turns out and not without opposition

481

00:20:34,149 --> 00:20:32,400

from within the pentagon

482

00:20:35,510 --> 00:20:34,159

uh they were the ones who were able to

483

00:20:37,270 --> 00:20:35,520

connect with the new york times leslie

484

00:20:39,750 --> 00:20:37,280

klein and ralph blumenthal to get

485

00:20:42,230 --> 00:20:39,760

coverage so so i think what what we were

486

00:20:45,430 --> 00:20:42,240

seeing in the last four years is a

487

00:20:47,350 --> 00:20:45,440

is a breakthrough by genuinely

488

00:20:49,270 --> 00:20:47,360

interested people

489

00:20:51,990 --> 00:20:49,280

who had their own reasons for wanting to

490

00:20:52,710 --> 00:20:52,000

promote some truthfulness on ufos

491

00:20:56,310 --> 00:20:52,720

and

492

00:20:58,630 --> 00:20:56,320

for the rest of the very highly

493

00:21:00,149 --> 00:20:58,640

controlled establishment media which we

494

00:21:01,190 --> 00:21:00,159

are still are still dealing with of

495

00:21:03,830 --> 00:21:01,200

course

496

00:21:06,710 --> 00:21:03,840

uh so we're in a different era but i

497

00:21:07,909 --> 00:21:06,720

would i would hasten to add i do not

498

00:21:10,549 --> 00:21:07,919

believe

499

00:21:12,789 --> 00:21:10,559

that we're out of the woods here uh i do

500

00:21:14,310 --> 00:21:12,799

not believe that there's some inevitable

501
00:21:16,390 --> 00:21:14,320
disclosure that we're going to be

502
00:21:18,789 --> 00:21:16,400
looking at from any kind of government

503
00:21:20,630 --> 00:21:18,799
sources i i don't think so i think if we

504
00:21:22,630 --> 00:21:20,640
ever see anything like that it will be

505
00:21:24,710 --> 00:21:22,640
when they are just they've got no choice

506
00:21:25,990 --> 00:21:24,720
their backs are pushed to the wall and

507
00:21:26,950 --> 00:21:26,000
they are going to be forced to admit

508
00:21:28,710 --> 00:21:26,960
something but right now they haven't

509
00:21:29,990 --> 00:21:28,720
done it

510
00:21:31,510 --> 00:21:30,000
there are several red lines that have

511
00:21:33,590 --> 00:21:31,520
not been crossed and probably the most

512
00:21:35,350 --> 00:21:33,600
important one is that of a real cover-up

513
00:21:36,470 --> 00:21:35,360

a real conspiracy that's not been

514

00:21:38,149 --> 00:21:36,480

acknowledged

515

00:21:40,950 --> 00:21:38,159

um if we can get to a point where

516

00:21:42,470 --> 00:21:40,960

there's an acknowledgement of of actual

517

00:21:45,029 --> 00:21:42,480

technology like flying saucers

518

00:21:47,430 --> 00:21:45,039

technology or bodies

519

00:21:49,350 --> 00:21:47,440

then you go to cover up and that's going

520

00:21:51,110 --> 00:21:49,360

to be a very difficult hurdle for anyone

521

00:21:53,909 --> 00:21:51,120

to want to cross because

522

00:21:56,070 --> 00:21:53,919

we're in an era of a global totalitarian

523

00:21:59,350 --> 00:21:56,080

genuinely fascist digital revolutions

524

00:22:00,950 --> 00:21:59,360

happening all around us and in that area

525

00:22:03,190 --> 00:22:00,960

this new era you're not supposed to

526
00:22:05,350 --> 00:22:03,200
believe in conspiracy theories the ufo

527
00:22:06,870 --> 00:22:05,360
cover-up is the greatest conspiracy

528
00:22:08,630 --> 00:22:06,880
theory of all time

529
00:22:09,990 --> 00:22:08,640
i mean honestly what's bigger than that

530
00:22:12,470 --> 00:22:10,000
so so

531
00:22:15,430 --> 00:22:12,480
for me to wait to imagine that there's

532
00:22:19,350 --> 00:22:17,750
official acknowledgement it's like don't

533
00:22:21,110 --> 00:22:19,360
believe in conspiracy theories well

534
00:22:22,390 --> 00:22:21,120
except the ufo one okay that's true but

535
00:22:23,430 --> 00:22:22,400
none of the other like that's just not

536
00:22:25,669 --> 00:22:23,440
going to happen

537
00:22:28,149 --> 00:22:25,679
i i can't see that voluntarily happening

538
00:22:29,990 --> 00:22:28,159

so i think what we're likely to see is a

539

00:22:32,230 --> 00:22:30,000

continued watering down of the ufo

540

00:22:33,110 --> 00:22:32,240

subject which i think we are seeing

541

00:22:35,270 --> 00:22:33,120

and

542

00:22:37,590 --> 00:22:35,280

as much of a walking back

543

00:22:38,789 --> 00:22:37,600

from the precipice of acknowledgement of

544

00:22:40,470 --> 00:22:38,799

a cover-up

545

00:22:41,990 --> 00:22:40,480

as possible and

546

00:22:44,630 --> 00:22:42,000

it you know it won't be an easy thing to

547

00:22:45,830 --> 00:22:44,640

do because there's been there have been

548

00:22:47,590 --> 00:22:45,840

admissions

549

00:22:48,870 --> 00:22:47,600

that have been made and it's going to be

550

00:22:50,950 --> 00:22:48,880

difficult to walk them all back but

551
00:22:51,830 --> 00:22:50,960
we're in a very controlled media

552
00:22:54,070 --> 00:22:51,840
uh

553
00:22:56,630 --> 00:22:54,080
you know google youtube control things

554
00:22:58,230 --> 00:22:56,640
greater than they've ever done before

555
00:23:01,350 --> 00:22:58,240
i think it's entirely possible that this

556
00:23:02,789 --> 00:23:01,360
can be managed even at this point

557
00:23:03,990 --> 00:23:02,799
i couldn't agree more i don't know if

558
00:23:05,669 --> 00:23:04,000
that answered your question no it

559
00:23:07,029 --> 00:23:05,679
definitely it definitely got into the

560
00:23:09,510 --> 00:23:07,039
conversation that's going to keep on

561
00:23:11,029 --> 00:23:09,520
going around that and um you know the

562
00:23:13,110 --> 00:23:11,039
one of the things too i just kind of

563
00:23:15,110 --> 00:23:13,120

want to highlight is that the the people

564

00:23:17,190 --> 00:23:15,120

that have laid the groundwork like you

565

00:23:20,390 --> 00:23:17,200

had said and highlighted you know going

566

00:23:22,230 --> 00:23:20,400

back to the you know the 1930s 40s 50s

567

00:23:24,470 --> 00:23:22,240

all the way up till today you know

568

00:23:27,590 --> 00:23:24,480

people like dr greer disclosure project

569

00:23:29,990 --> 00:23:27,600

and and you know tom delong etc and tsa

570

00:23:32,390 --> 00:23:30,000

these people have you know laid the way

571

00:23:34,310 --> 00:23:32,400

for kind of where things are evolving

572

00:23:35,990 --> 00:23:34,320

now and then the other side of that is

573

00:23:38,549 --> 00:23:36,000

the movement the grassroots movement of

574

00:23:40,710 --> 00:23:38,559

people experiencers um that are in the

575

00:23:43,350 --> 00:23:40,720

millions around the world have

576

00:23:45,430 --> 00:23:43,360

experienced this exotic technology uh

577

00:23:47,269 --> 00:23:45,440

you know in some form another whether

578

00:23:50,070 --> 00:23:47,279

it's just seeing it in the sky or it's

579

00:23:51,750 --> 00:23:50,080

having you know a close encounter or an

580

00:23:53,830 --> 00:23:51,760

experience with uh you know what they

581

00:23:55,669 --> 00:23:53,840

claim to be extraterrestrial beings or

582

00:23:57,430 --> 00:23:55,679

or beings that are they

583

00:23:59,430 --> 00:23:57,440

they are the important missing pieces of

584

00:24:03,029 --> 00:23:59,440

this puzzle and it's really really good

585

00:24:05,350 --> 00:24:03,039

that you in in the observers

586

00:24:07,029 --> 00:24:05,360

you know brought at least some

587

00:24:08,310 --> 00:24:07,039

reasonable attention to these people

588

00:24:14,630 --> 00:24:08,320

because

589

00:24:16,710 --> 00:24:14,640

ufo uap discussion today is exactly this

590

00:24:18,710 --> 00:24:16,720

element this the really difficult

591

00:24:20,549 --> 00:24:18,720

questions are not being raised at all

592

00:24:22,470 --> 00:24:20,559

we're still at this oh geez there's

593

00:24:24,149 --> 00:24:22,480

something out there are there aliens

594

00:24:27,110 --> 00:24:24,159

like my god we're in the like

595

00:24:29,029 --> 00:24:27,120

pre-kindergarten level of discussion

596

00:24:30,710 --> 00:24:29,039

relating to this subject and what is

597

00:24:32,870 --> 00:24:30,720

actually happening is that

598

00:24:35,029 --> 00:24:32,880

millions and millions of people have

599

00:24:38,070 --> 00:24:35,039

interacted with this phenomenon in many

600

00:24:40,470 --> 00:24:38,080

cases it's been the most extraordinary

601
00:24:42,630 --> 00:24:40,480
sometimes traumatic but sometimes

602
00:24:44,149 --> 00:24:42,640
incredible experience of their lives

603
00:24:45,669 --> 00:24:44,159
and yet they talk to no one about it

604
00:24:48,630 --> 00:24:45,679
because it's like oh you can't talk

605
00:24:50,950 --> 00:24:48,640
about ufos so think about what it does

606
00:24:52,549 --> 00:24:50,960
to a certain someone's personality and

607
00:24:54,149 --> 00:24:52,559
their psychology like this incredible

608
00:24:57,269 --> 00:24:54,159
thing happens to you

609
00:24:59,430 --> 00:24:57,279
and you tell what no one or maybe maybe

610
00:25:01,909 --> 00:24:59,440
a couple of friends i mean it's it's

611
00:25:03,590 --> 00:25:01,919
there's something wrong with that so so

612
00:25:05,190 --> 00:25:03,600
that that's important and then the fact

613
00:25:11,669 --> 00:25:05,200

is

614

00:25:13,830 --> 00:25:11,679

are by some other intelligence and who

615

00:25:16,149 --> 00:25:13,840

the hell are they like we're not asking

616

00:25:17,990 --> 00:25:16,159

that question nearly enough are they

617

00:25:19,510 --> 00:25:18,000

good guys are they not good guys are

618

00:25:21,590 --> 00:25:19,520

they here to help us are they not here

619

00:25:23,590 --> 00:25:21,600

to help us uh sometimes that's difficult

620

00:25:24,950 --> 00:25:23,600

to know but like we need to be asking

621

00:25:26,549 --> 00:25:24,960

and then we want to know like what are

622

00:25:29,269 --> 00:25:26,559

they actually doing

623

00:25:31,990 --> 00:25:29,279

when when people encounter these beings

624

00:25:34,149 --> 00:25:32,000

certain things are clearly happening

625

00:25:35,190 --> 00:25:34,159

and we need to be talking about that and

626
00:25:37,430 --> 00:25:35,200
in fact

627
00:25:39,750 --> 00:25:37,440
i think that element of the ufo

628
00:25:41,269 --> 00:25:39,760
discussion is as

629
00:25:43,269 --> 00:25:41,279
i don't want to say it's disappeared

630
00:25:46,310 --> 00:25:43,279
entirely in the last four years but it's

631
00:25:48,070 --> 00:25:46,320
really gone to the back burner

632
00:25:49,909 --> 00:25:48,080
where we're talking about these military

633
00:25:50,710 --> 00:25:49,919
uap encounters

634
00:25:52,310 --> 00:25:50,720
now

635
00:25:53,830 --> 00:25:52,320
i'm personally very interested in that

636
00:25:55,909 --> 00:25:53,840
that was probably the first thing that

637
00:25:57,190 --> 00:25:55,919
got me engaged with the ufo subject were

638
00:25:59,830 --> 00:25:57,200

military

639

00:26:03,750 --> 00:25:59,840

encounters but the fact is where the

640

00:26:06,390 --> 00:26:03,760

rubber truly hits the road is in person

641

00:26:08,390 --> 00:26:06,400

being to be in contact it's like what's

642

00:26:11,110 --> 00:26:08,400

happening when we're meeting with these

643

00:26:14,310 --> 00:26:11,120

beings and what are they all about

644

00:26:18,230 --> 00:26:16,310

this highly like

645

00:26:19,590 --> 00:26:18,240

deep and artistic treatment i just i

646

00:26:21,510 --> 00:26:19,600

think it is an artistic treatment that

647

00:26:23,430 --> 00:26:21,520

you did here with the observers why

648

00:26:25,830 --> 00:26:23,440

that's important because

649

00:26:28,470 --> 00:26:25,840

you ask a lot of those key questions

650

00:26:29,510 --> 00:26:28,480

this is a subject ufo subject is as a

651
00:26:32,710 --> 00:26:29,520
steep

652
00:26:34,710 --> 00:26:32,720
this is the thing like a lot of

653
00:26:36,870 --> 00:26:34,720
skeptical people especially like the

654
00:26:38,470 --> 00:26:36,880
smart skeptics are the worst the smart

655
00:26:40,950 --> 00:26:38,480
skeptics are actually the dumbest

656
00:26:42,310 --> 00:26:40,960
skeptics that i find honestly and you

657
00:26:43,909 --> 00:26:42,320
know why it's because

658
00:26:45,510 --> 00:26:43,919
they've got a good education and they've

659
00:26:48,549 --> 00:26:45,520
got good scientific training and then

660
00:26:49,909 --> 00:26:48,559
they assume that oh yeah ufos no biggie

661
00:26:51,669 --> 00:26:49,919
i'm going to waltz in here and i've got

662
00:26:53,110 --> 00:26:51,679
it all figured out and they don't get

663
00:26:56,230 --> 00:26:53,120

they don't have it figured out this

664

00:26:58,870 --> 00:26:56,240

subject is vastly more complex than they

665

00:27:00,230 --> 00:26:58,880

have any idea

666

00:27:02,549 --> 00:27:00,240

and so

667

00:27:04,310 --> 00:27:02,559

yeah the learning curve is steep and

668

00:27:05,909 --> 00:27:04,320

don't just think you can waltz in here

669

00:27:07,990 --> 00:27:05,919

and like you're going to master it in a

670

00:27:10,149 --> 00:27:08,000

couple of months i had that fond foolish

671

00:27:12,390 --> 00:27:10,159

idea more than 25 years ago i thought oh

672

00:27:14,149 --> 00:27:12,400

yeah i'll figure this out is this a

673

00:27:15,750 --> 00:27:14,159

thing is this not a thing and the next

674

00:27:17,350 --> 00:27:15,760

thing i knew like i'm you know i'm in

675

00:27:19,269 --> 00:27:17,360

quicksand here this is like this is a

676
00:27:21,350 --> 00:27:19,279
seriously deep subject that has

677
00:27:22,789 --> 00:27:21,360
implications for everything

678
00:27:25,590 --> 00:27:22,799
so um

679
00:27:27,110 --> 00:27:25,600
it's it takes time

680
00:27:32,230 --> 00:27:27,120
to

681
00:27:34,070 --> 00:27:32,240
of what this subject means it prompts us

682
00:27:35,669 --> 00:27:34,080
to ask some of the most important deep

683
00:27:36,950 --> 00:27:35,679
questions of human existence like what

684
00:27:39,669 --> 00:27:36,960
the hell are we

685
00:27:40,950 --> 00:27:39,679
what are we have we been manipulated by

686
00:27:42,789 --> 00:27:40,960
these other beings are we being

687
00:27:44,230 --> 00:27:42,799
manipulated by them now that's a fair

688
00:27:46,950 --> 00:27:44,240

question to ask

689

00:27:48,549 --> 00:27:46,960

and maybe yes it may be no but

690

00:27:51,430 --> 00:27:48,559

one should be asking that question

691

00:27:53,750 --> 00:27:51,440

frankly and then how many of them are

692

00:27:56,389 --> 00:27:53,760

here what's their infrastructure why are

693

00:27:58,630 --> 00:27:56,399

there ships as large as small cities

694

00:27:59,990 --> 00:27:58,640

that are sometimes seen up there and and

695

00:28:01,590 --> 00:28:00,000

what are they doing detaching these

696

00:28:03,350 --> 00:28:01,600

smaller craft what the hell are these

697

00:28:04,870 --> 00:28:03,360

beings doing in these little small

698

00:28:07,430 --> 00:28:04,880

cities that sometimes are being seen

699

00:28:09,110 --> 00:28:07,440

these motherships uh why are they being

700

00:28:09,909 --> 00:28:09,120

seen under the oceans

701

00:28:13,990 --> 00:28:09,919

like

702

00:28:15,669 --> 00:28:14,000

good lord there's so much going on here

703

00:28:17,430 --> 00:28:15,679

and and then what's their mental

704

00:28:19,669 --> 00:28:17,440

capability how are they able to get

705

00:28:22,230 --> 00:28:19,679

inside our heads because they surely do

706

00:28:24,710 --> 00:28:22,240

seem to be able at times to get inside

707

00:28:27,350 --> 00:28:24,720

our heads and to manipulate our emotions

708

00:28:29,350 --> 00:28:27,360

impair or enhance maybe our cognitive

709

00:28:30,789 --> 00:28:29,360

faculties when they wish to do so like

710

00:28:32,470 --> 00:28:30,799

all of this

711

00:28:33,990 --> 00:28:32,480

like these are just some of the most awe

712

00:28:34,789 --> 00:28:34,000

inspiring questions

713

00:28:36,470 --> 00:28:34,799

and

714

00:28:38,630 --> 00:28:36,480

we don't hear any of this

715

00:28:40,549 --> 00:28:38,640

in the you know the

716

00:28:42,149 --> 00:28:40,559

ridiculously low level mainstream

717

00:28:44,070 --> 00:28:42,159

establishment media conversations that

718

00:28:46,630 --> 00:28:44,080

are taking place here and i understand

719

00:28:49,269 --> 00:28:46,640

like you got to do baby steps but

720

00:28:51,269 --> 00:28:49,279

uh this this topic is a lot more serious

721

00:28:53,830 --> 00:28:51,279

than just is the navy encountering

722

00:28:55,909 --> 00:28:53,840

unknown drone uap aircraft most

723

00:28:58,549 --> 00:28:55,919

definitely and i think we'll get into

724

00:29:00,470 --> 00:28:58,559

kind of what this topic encompasses as

725

00:29:02,310 --> 00:29:00,480

far as an umbrella and what falls under

726

00:29:03,590 --> 00:29:02,320

that here you know when we come back for

727

00:29:05,510 --> 00:29:03,600

a break we're going to take a break

728

00:29:07,110 --> 00:29:05,520

right now and then we'll be back here in

729

00:29:21,669 --> 00:29:07,120

five minutes and we'll explore that

730

00:29:27,669 --> 00:29:24,149

about a year later

731

00:29:29,909 --> 00:29:27,679

i was in western pennsylvania

732

00:29:32,549 --> 00:29:29,919

and i was doing a little event there i'm

733

00:29:34,070 --> 00:29:32,559

at my little table selling some books

734

00:29:35,669 --> 00:29:34,080

and this woman and her husband come up

735

00:29:37,350 --> 00:29:35,679

to my table

736

00:29:40,710 --> 00:29:37,360

she was like 60

737

00:29:42,470 --> 00:29:40,720

at the time this is in 2010.

738

00:29:45,110 --> 00:29:42,480

and she said i hope you don't mind i'd

739

00:29:47,990 --> 00:29:45,120

like to tell you a story

740

00:29:50,149 --> 00:29:48,000

and she says when i was 15 years old

741

00:29:52,310 --> 00:29:50,159

i was living in western pennsylvania not

742

00:29:54,789 --> 00:29:52,320

far from where we were

743

00:29:57,750 --> 00:29:54,799

i was in church with my mother

744

00:29:59,590 --> 00:29:57,760

this is 1965.

745

00:30:01,909 --> 00:29:59,600

she said in our town

746

00:30:03,909 --> 00:30:01,919

everyone knew everyone especially in

747

00:30:06,710 --> 00:30:03,919

church catholic mass

748

00:30:09,669 --> 00:30:06,720

where we all knew each other

749

00:30:12,470 --> 00:30:09,679

and i'm with my mom and in front of me

750

00:30:14,470 --> 00:30:12,480

is this blonde couple

751

00:30:18,630 --> 00:30:14,480

super model gorgeous

752

00:30:20,710 --> 00:30:18,640

man and a woman in perfect blue clothing

753

00:30:22,310 --> 00:30:20,720

now she's 15 years old she's studying

754

00:30:25,909 --> 00:30:22,320

their clothing she's totally into it she

755

00:30:27,110 --> 00:30:25,919

says the fabric was unlike anything i'd

756

00:30:29,029 --> 00:30:27,120

ever seen

757

00:30:31,190 --> 00:30:29,039

she said this couple

758

00:30:33,269 --> 00:30:31,200

stood out like a sore thumb like

759

00:30:34,950 --> 00:30:33,279

everyone had to notice them but she said

760

00:30:37,190 --> 00:30:34,960

no one was looking at them i couldn't

761

00:30:39,669 --> 00:30:37,200

believe it she says

762

00:30:41,830 --> 00:30:39,679

so i'm fixated on them during the mass

763

00:30:43,990 --> 00:30:41,840

and she said and then i heard them in my

764

00:30:46,310 --> 00:30:44,000

mind

765

00:30:48,389 --> 00:30:46,320

and what she heard was one

766

00:30:49,990 --> 00:30:48,399

thinking to the other

767

00:30:52,070 --> 00:30:50,000

well we appear to be fitting in pretty

768

00:30:53,430 --> 00:30:52,080

well here

769

00:30:54,549 --> 00:30:53,440

and then the other one

770

00:30:55,430 --> 00:30:54,559

thinks back

771

00:30:56,870 --> 00:30:55,440

yes

772

00:30:58,470 --> 00:30:56,880

except for the girl behind us who can

773

00:31:00,549 --> 00:30:58,480

hear us

774

00:31:01,830 --> 00:31:00,559

is what she said to me

775

00:31:03,590 --> 00:31:01,840

so that's all she could hear from them

776
00:31:06,070 --> 00:31:03,600
for the rest of the mass then mess and

777
00:31:07,269 --> 00:31:06,080
oh by the way she said

778
00:31:08,870 --> 00:31:07,279
yeah they didn't really seem like to

779
00:31:09,830 --> 00:31:08,880
know like they didn't seem to know what

780
00:31:12,389 --> 00:31:09,840
to do

781
00:31:13,830 --> 00:31:12,399
in a catholic mass like sit nail sign of

782
00:31:15,430 --> 00:31:13,840
the cross all of that stuff like they're

783
00:31:18,549 --> 00:31:15,440
looking around they're figuring it out

784
00:31:19,830 --> 00:31:18,559
they they didn't fit in when the mass

785
00:31:21,509 --> 00:31:19,840
ended

786
00:31:25,029 --> 00:31:21,519
they got up and out

787
00:31:27,350 --> 00:31:25,039
so out of the church and she

788
00:31:29,909 --> 00:31:27,360

decides to follow them

789

00:31:30,870 --> 00:31:29,919

mom's oblivious she's like get back here

790

00:31:33,350 --> 00:31:30,880

young lady where do you think you're

791

00:31:35,430 --> 00:31:33,360

going and she just goes

792

00:31:38,230 --> 00:31:35,440

fighting her way through the crowd

793

00:31:40,149 --> 00:31:38,240

she sees this couple leave the church

794

00:31:41,269 --> 00:31:40,159

she sees them going across a parking lot

795

00:31:43,590 --> 00:31:41,279

fast

796

00:31:45,350 --> 00:31:43,600

and she's trotting off after them they

797

00:31:47,350 --> 00:31:45,360

go over this little hill

798

00:31:49,669 --> 00:31:47,360

she gets to the top of the hill and she

799

00:31:53,509 --> 00:31:49,679

sees them going across this green

800

00:31:55,669 --> 00:31:53,519

uh little field toward a wooded area

801
00:31:57,909 --> 00:31:55,679
they're going into woods

802
00:32:00,389 --> 00:31:57,919
not to a parking lot not to their car

803
00:32:02,070 --> 00:32:00,399
they're going into this woods

804
00:32:04,870 --> 00:32:02,080
and she starts down the hill after them

805
00:32:07,430 --> 00:32:04,880
and then she stops dead in her tracks

806
00:32:09,750 --> 00:32:07,440
because she said i saw a third person at

807
00:32:11,750 --> 00:32:09,760
the edge of the woods she said

808
00:32:13,750 --> 00:32:11,760
remember lurch from the addams family he

809
00:32:15,509 --> 00:32:13,760
looked just like that guy

810
00:32:18,389 --> 00:32:15,519
very tall

811
00:32:19,669 --> 00:32:18,399
like a man in black black hat suit

812
00:32:22,149 --> 00:32:19,679
scared her

813
00:32:24,630 --> 00:32:22,159

and she stopped and she saw this

814

00:32:26,710 --> 00:32:24,640

blonde nordic supermodel alien couple

815

00:32:29,430 --> 00:32:26,720

whatever they were go into the woods

816

00:32:30,710 --> 00:32:29,440

lurch turns around follows them in

817

00:32:35,420 --> 00:32:30,720

and that's the end of her story and i'm

818

00:32:51,430 --> 00:32:42,590

[Music]

819

00:32:55,430 --> 00:32:53,430

well that was a great little clip there

820

00:32:57,990 --> 00:32:55,440

um you know just going back and looking

821

00:32:59,750 --> 00:32:58,000

at that stuff it says that the the host

822

00:33:00,950 --> 00:32:59,760

has my mic muted still i don't know if

823

00:33:03,190 --> 00:33:00,960

you guys can hear me out there just

824

00:33:04,870 --> 00:33:03,200

double checking but um if the host wants

825

00:33:07,430 --> 00:33:04,880

to go ahead and unmute me if that is

826

00:33:09,509 --> 00:33:07,440

clear there but anyhow richard uh can

827

00:33:11,509 --> 00:33:09,519

you hear me here are we clear

828

00:33:13,509 --> 00:33:11,519

i i hear you can you hear me yes i've

829

00:33:17,029 --> 00:33:13,519

got you excellent okay great let's see

830

00:33:18,630 --> 00:33:17,039

the same sign yeah totally yeah so uh i

831

00:33:20,230 --> 00:33:18,640

don't know if we're we're muted here

832

00:33:22,389 --> 00:33:20,240

chris or if we're not muted but we're

833

00:33:24,870 --> 00:33:22,399

gonna go ahead and um just kind of get

834

00:33:27,029 --> 00:33:24,880

into the conversation here so looking at

835

00:33:29,029 --> 00:33:27,039

that clip there this was you know this

836

00:33:31,190 --> 00:33:29,039

was so incredible because you know chris

837

00:33:33,029 --> 00:33:31,200

chose that clip here tonight um you know

838

00:33:35,029 --> 00:33:33,039

amongst all the other cutting room floor

839

00:33:37,190 --> 00:33:35,039

stuff you know to be able to kind of put

840

00:33:39,350 --> 00:33:37,200

out there and this is an exact example

841

00:33:40,710 --> 00:33:39,360

of what i was saying at the end when you

842

00:33:42,230 --> 00:33:40,720

know i'm sitting there with all of this

843

00:33:44,230 --> 00:33:42,240

footage with all of you guys and trying

844

00:33:46,070 --> 00:33:44,240

to figure out like oh my gosh like what

845

00:33:48,389 --> 00:33:46,080

what really makes this 90 minute cut

846

00:33:49,990 --> 00:33:48,399

yeah stuff like this that had to go and

847

00:33:52,070 --> 00:33:50,000

so one of the things that stood out to

848

00:33:53,830 --> 00:33:52,080

me about that clip is is you know the

849

00:33:55,590 --> 00:33:53,840

conversation around the implications of

850

00:33:56,950 --> 00:33:55,600

what this means to catholics or what

851
00:33:58,710 --> 00:33:56,960
this means to christian communities or

852
00:34:01,430 --> 00:33:58,720
what this means to you know religious

853
00:34:03,669 --> 00:34:01,440
communities in whole around the world

854
00:34:06,470 --> 00:34:03,679
the idea of making contact with

855
00:34:08,790 --> 00:34:06,480
something outside of of uh you know our

856
00:34:10,629 --> 00:34:08,800
world our known human bodies here what

857
00:34:13,109 --> 00:34:10,639
what what we have you know come to

858
00:34:15,750 --> 00:34:13,119
understand is the only life supposedly

859
00:34:17,909 --> 00:34:15,760
that is here at the at this moment and

860
00:34:19,990 --> 00:34:17,919
you know it was six or so years ago i

861
00:34:21,829 --> 00:34:20,000
think pope francis had you know had said

862
00:34:23,990 --> 00:34:21,839
openly that he was willing to baptize

863
00:34:26,310 --> 00:34:24,000

you know martians at that it was the

864

00:34:27,750 --> 00:34:26,320

term i think that he used and so what it

865

00:34:30,230 --> 00:34:27,760

what are your thoughts around the

866

00:34:32,230 --> 00:34:30,240

religious implications of this as far as

867

00:34:33,829 --> 00:34:32,240

the movement goes if we're out there

868

00:34:36,069 --> 00:34:33,839

pushing to pull this stuff out and

869

00:34:37,750 --> 00:34:36,079

you've got you know your families are

870

00:34:39,510 --> 00:34:37,760

tied to these things and and this type

871

00:34:41,510 --> 00:34:39,520

of stuff could burst their bubbles or

872

00:34:43,030 --> 00:34:41,520

challenge them in certain ways what are

873

00:34:45,030 --> 00:34:43,040

your thoughts on how we can navigate

874

00:34:46,950 --> 00:34:45,040

that as a community or how you navigate

875

00:34:50,470 --> 00:34:46,960

that in your own life in your own family

876

00:34:52,950 --> 00:34:50,480

and world yeah that's a great question

877

00:34:55,190 --> 00:34:52,960

uh i'll answer it first personally by

878

00:34:57,910 --> 00:34:55,200

the way that story i'm just i was

879

00:35:00,230 --> 00:34:57,920

surprised to hear that story uh in clip

880

00:35:02,310 --> 00:35:00,240

form like that and uh

881

00:35:04,470 --> 00:35:02,320

that's not the only such story that's

882

00:35:06,470 --> 00:35:04,480

come to me like that over the years but

883

00:35:07,589 --> 00:35:06,480

anyway yeah that's that was an amazing

884

00:35:09,990 --> 00:35:07,599

thing

885

00:35:13,109 --> 00:35:10,000

uh in terms of like how

886

00:35:14,390 --> 00:35:13,119

the presence of these other beings would

887

00:35:17,109 --> 00:35:14,400

affect

888

00:35:19,109 --> 00:35:17,119

uh our our sense of spirituality or what

889

00:35:21,589 --> 00:35:19,119

we would call religion like i think

890

00:35:24,069 --> 00:35:21,599

about this with me um you know i've

891

00:35:25,349 --> 00:35:24,079

developed my own spiritual beliefs over

892

00:35:27,589 --> 00:35:25,359

the years

893

00:35:30,870 --> 00:35:27,599

um i don't know if the existence of

894

00:35:33,270 --> 00:35:30,880

other beings has much of an impact

895

00:35:35,190 --> 00:35:33,280

on my own sense of spirituality however

896

00:35:37,829 --> 00:35:35,200

so and i and i wonder

897

00:35:39,990 --> 00:35:37,839

if it really would for

898

00:35:42,470 --> 00:35:40,000

um it would for some people yes

899

00:35:44,230 --> 00:35:42,480

absolutely i mean you've got you've got

900

00:35:46,310 --> 00:35:44,240

religious communities whether christian

901
00:35:47,589 --> 00:35:46,320
or non-christian there's muslim

902
00:35:50,069 --> 00:35:47,599
communities there's

903
00:35:52,390 --> 00:35:50,079
orthodox uh jewish communities perhaps

904
00:35:53,270 --> 00:35:52,400
that might you know there's a lot of uh

905
00:35:55,190 --> 00:35:53,280
like

906
00:35:58,310 --> 00:35:55,200
strict religious

907
00:36:00,870 --> 00:35:58,320
communities that at least conceivably

908
00:36:04,069 --> 00:36:00,880
uh one could imagine would would have

909
00:36:05,990 --> 00:36:04,079
some pushback against

910
00:36:07,829 --> 00:36:06,000
accepting

911
00:36:09,510 --> 00:36:07,839
how to accept these other beings i mean

912
00:36:10,950 --> 00:36:09,520
obviously with the christian uh some

913
00:36:13,829 --> 00:36:10,960

christian communities like it's very

914

00:36:16,710 --> 00:36:13,839

obvious there would be a contingent that

915

00:36:19,190 --> 00:36:16,720

would see these beings as demonic

916

00:36:20,630 --> 00:36:19,200

and they would they will never be

917

00:36:22,790 --> 00:36:20,640

reconciled

918

00:36:24,470 --> 00:36:22,800

to the presence of these beings it's

919

00:36:27,030 --> 00:36:24,480

never going to happen and that's that's

920

00:36:29,750 --> 00:36:27,040

going to be an interesting thing um

921

00:36:30,950 --> 00:36:29,760

however that work develops because i

922

00:36:32,230 --> 00:36:30,960

think there's no question that there

923

00:36:34,069 --> 00:36:32,240

will be

924

00:36:35,670 --> 00:36:34,079

a group of humans and they won't all be

925

00:36:36,870 --> 00:36:35,680

religious by the way there will be a

926
00:36:38,950 --> 00:36:36,880
group of humans that will be the

927
00:36:41,109 --> 00:36:38,960
unreconcilables

928
00:36:42,790 --> 00:36:41,119
they will be the new hashtag resistance

929
00:36:44,150 --> 00:36:42,800
if there is any kind of

930
00:36:46,390 --> 00:36:44,160
open

931
00:36:48,310 --> 00:36:46,400
uh acknowledgement and contact with

932
00:36:49,589 --> 00:36:48,320
these other beings

933
00:36:51,270 --> 00:36:49,599
um

934
00:36:52,710 --> 00:36:51,280
there's really i think what you would

935
00:36:55,349 --> 00:36:52,720
find is

936
00:36:57,109 --> 00:36:55,359
uh an expansion of the current

937
00:36:59,589 --> 00:36:57,119
incarnation of the culture wars that

938
00:37:01,349 --> 00:36:59,599

we're seeing in our world today i have a

939

00:37:04,150 --> 00:37:01,359

feeling like there will be

940

00:37:06,069 --> 00:37:04,160

individuals who will be like yes welcome

941

00:37:08,230 --> 00:37:06,079

uh space brothers like this is the

942

00:37:08,950 --> 00:37:08,240

galactic community they are here to help

943

00:37:11,109 --> 00:37:08,960

us

944

00:37:13,589 --> 00:37:11,119

uh become less violent or they're here

945

00:37:16,069 --> 00:37:13,599

to help us

946

00:37:18,069 --> 00:37:16,079

advance and um

947

00:37:21,270 --> 00:37:18,079

raise our frequency you hear some people

948

00:37:23,190 --> 00:37:21,280

saying or or our vibration or

949

00:37:24,150 --> 00:37:23,200

raise our consciousness in one way or

950

00:37:26,069 --> 00:37:24,160

another

951
00:37:28,150 --> 00:37:26,079
obviously you're going to hear that but

952
00:37:29,270 --> 00:37:28,160
there's absolutely going to be a very

953
00:37:31,349 --> 00:37:29,280
large number of people who are going to

954
00:37:32,870 --> 00:37:31,359
see this as this is a

955
00:37:33,910 --> 00:37:32,880
this is a damned invasion and we're

956
00:37:35,750 --> 00:37:33,920
going to fight and we're going to

957
00:37:38,710 --> 00:37:35,760
maintain our sovereignty

958
00:37:41,270 --> 00:37:38,720
that goes beyond religion uh in terms of

959
00:37:44,310 --> 00:37:41,280
how this would affect something like

960
00:37:46,950 --> 00:37:44,320
christianity or

961
00:37:48,870 --> 00:37:46,960
you know other religions um i mean i've

962
00:37:50,390 --> 00:37:48,880
asked myself this question many many

963
00:37:52,630 --> 00:37:50,400

times i wrote a book about it over a

964

00:37:55,349 --> 00:37:52,640

decade ago after disclosure my co-author

965

00:37:57,030 --> 00:37:55,359

and i asked this very question and

966

00:38:00,150 --> 00:37:57,040

even then like like he and i had

967

00:38:02,390 --> 00:38:00,160

different opinions on it i think but i

968

00:38:04,230 --> 00:38:02,400

i still don't know where i stand on this

969

00:38:06,150 --> 00:38:04,240

and then there's there's religious type

970

00:38:09,030 --> 00:38:06,160

philosophies like buddhism

971

00:38:11,349 --> 00:38:09,040

would would would zen would the zen

972

00:38:12,710 --> 00:38:11,359

philosophy be affected by the presence

973

00:38:13,829 --> 00:38:12,720

of other beings here i think the answer

974

00:38:15,349 --> 00:38:13,839

would be no

975

00:38:18,230 --> 00:38:15,359

i don't think so

976

00:38:20,790 --> 00:38:18,240

um and i think would would

977

00:38:23,349 --> 00:38:20,800

a christian

978

00:38:24,950 --> 00:38:23,359

philosophy or christian ethics would

979

00:38:25,910 --> 00:38:24,960

that be affected i think the answer is

980

00:38:27,430 --> 00:38:25,920

no

981

00:38:29,670 --> 00:38:27,440

like those are

982

00:38:31,589 --> 00:38:29,680

those are ethical systems that we have

983

00:38:32,550 --> 00:38:31,599

in place in this world

984

00:38:34,630 --> 00:38:32,560

that

985

00:38:37,510 --> 00:38:34,640

um you know for many people are what

986

00:38:40,230 --> 00:38:37,520

really give the power to the faith

987

00:38:41,589 --> 00:38:40,240

and the religion anyway so i don't i

988

00:38:42,790 --> 00:38:41,599

don't think that's going to change for a

989

00:38:45,910 --> 00:38:42,800

lot of people

990

00:38:47,829 --> 00:38:45,920

um what will change is the cosmology

991

00:38:50,230 --> 00:38:47,839

perhaps and where we think we come from

992

00:38:51,829 --> 00:38:50,240

and what is our place in this universe

993

00:38:53,589 --> 00:38:51,839

but you know we've that's been evolving

994

00:38:55,030 --> 00:38:53,599

all along anyway i mean that's been

995

00:38:56,790 --> 00:38:55,040

happening for the last several hundred

996

00:38:57,990 --> 00:38:56,800

years as it is since we've hit the age

997

00:38:59,030 --> 00:38:58,000

of science

998

00:39:01,510 --> 00:38:59,040

so

999

00:39:05,349 --> 00:39:01,520

i think you know having

1000

00:39:06,470 --> 00:39:05,359

aliens openly acknowledged here

1001
00:39:07,829 --> 00:39:06,480
i don't know if that's going to solve

1002
00:39:10,150 --> 00:39:07,839
anything or change a whole lot there'll

1003
00:39:12,950 --> 00:39:10,160
be the question was jesus an alien and

1004
00:39:14,550 --> 00:39:12,960
that's going to be unsolvable anyway

1005
00:39:16,630 --> 00:39:14,560
i don't know if the aliens were to say

1006
00:39:17,910 --> 00:39:16,640
yeah actually he was one of us uh some

1007
00:39:19,349 --> 00:39:17,920
people would believe that and a lot of

1008
00:39:20,950 --> 00:39:19,359
people be like you're full of it they're

1009
00:39:22,950 --> 00:39:20,960
not gonna believe that so

1010
00:39:25,030 --> 00:39:22,960
uh i don't know how some of these things

1011
00:39:27,030 --> 00:39:25,040
can get resolved and these are things

1012
00:39:29,750 --> 00:39:27,040
that you know this is a part of what a

1013
00:39:31,670 --> 00:39:29,760

movement does is it is it digests its

1014

00:39:33,910 --> 00:39:31,680

understanding as it's going from the

1015

00:39:36,310 --> 00:39:33,920

standpoint of the movement being the

1016

00:39:39,430 --> 00:39:36,320

most important thing around bringing

1017

00:39:41,190 --> 00:39:39,440

unity to get an end goal and the end

1018

00:39:43,109 --> 00:39:41,200

goal that we're all looking for here is

1019

00:39:45,270 --> 00:39:43,119

to pull this out because it's not coming

1020

00:39:47,190 --> 00:39:45,280

out unless we pull it out and that's

1021

00:39:49,910 --> 00:39:47,200

kind of where things are at right now

1022

00:39:51,910 --> 00:39:49,920

from the standpoint of you know the

1023

00:39:53,990 --> 00:39:51,920

internet warfare essentially that's

1024

00:39:56,310 --> 00:39:54,000

going on between these intelligence

1025

00:39:58,710 --> 00:39:56,320

agencies behind the scenes and this

1026

00:40:00,710 --> 00:39:58,720

fight to see who gets to roll it

1027

00:40:02,710 --> 00:40:00,720

out who gets to be the one that you know

1028

00:40:05,030 --> 00:40:02,720

claims there's extraterrestrial life who

1029

00:40:07,750 --> 00:40:05,040

gets the ones to you know roll out this

1030

00:40:09,349 --> 00:40:07,760

technology and in the meantime right the

1031

00:40:10,630 --> 00:40:09,359

world out here is suffering we're going

1032

00:40:12,550 --> 00:40:10,640

through covid we're going through

1033

00:40:14,790 --> 00:40:12,560

lockdowns we're going through you know

1034

00:40:16,550 --> 00:40:14,800

what you've described as you know so

1035

00:40:17,510 --> 00:40:16,560

poetically in the film is you know when

1036

00:40:19,030 --> 00:40:17,520

they knife

1037

00:40:20,950 --> 00:40:19,040

him in the back you know the american

1038

00:40:22,790 --> 00:40:20,960

republic from that standpoint here and

1039

00:40:25,829 --> 00:40:22,800

it means a lot out to the rest of the

1040

00:40:27,349 --> 00:40:25,839

world and so that that idea of you know

1041

00:40:29,990 --> 00:40:27,359

looking at these things from that

1042

00:40:31,190 --> 00:40:30,000

perspective and understanding that it's

1043

00:40:33,270 --> 00:40:31,200

not just about you know

1044

00:40:35,990 --> 00:40:33,280

extraterrestrials and little green men

1045

00:40:38,230 --> 00:40:36,000

from that you know it is a massive thing

1046

00:40:40,069 --> 00:40:38,240

that could be confronting us you know

1047

00:40:42,390 --> 00:40:40,079

around changing all of these belief

1048

00:40:45,349 --> 00:40:42,400

systems overnight but also offering a

1049

00:40:47,910 --> 00:40:45,359

lot of technology that could change the

1050

00:40:50,230 --> 00:40:47,920

way we live so it is a it is this

1051
00:40:52,150 --> 00:40:50,240
constant um you know thing for this

1052
00:40:53,750 --> 00:40:52,160
movement to have to re-identify itself

1053
00:40:55,829 --> 00:40:53,760
because it's constantly in this place of

1054
00:40:57,910 --> 00:40:55,839
discovery you look at the idea of

1055
00:41:00,230 --> 00:40:57,920
mkultra how does that have to do with

1056
00:41:02,630 --> 00:41:00,240
ufos well there's classified projects

1057
00:41:04,950 --> 00:41:02,640
that have been experimenting on american

1058
00:41:06,790 --> 00:41:04,960
citizens and that's public knowledge out

1059
00:41:09,349 --> 00:41:06,800
there you know a lot of these

1060
00:41:11,829 --> 00:41:09,359
experiences a lot of these abductees are

1061
00:41:14,630 --> 00:41:11,839
talking about other military presences

1062
00:41:16,550 --> 00:41:14,640
there does our military have an uh you

1063
00:41:19,109 --> 00:41:16,560

know an involvement in this and if they

1064

00:41:20,950 --> 00:41:19,119

do we're looking at like what whitley is

1065

00:41:22,390 --> 00:41:20,960

talking about you know what happened

1066

00:41:24,550 --> 00:41:22,400

with the nuclear experiment or the

1067

00:41:26,790 --> 00:41:24,560

tuskegee experiments where it's a group

1068

00:41:29,430 --> 00:41:26,800

of people that have been victimized and

1069

00:41:31,430 --> 00:41:29,440

need to have some type of accountability

1070

00:41:34,870 --> 00:41:31,440

so what are your thoughts kind of you

1071

00:41:36,870 --> 00:41:34,880

know moving forward around merging all

1072

00:41:39,270 --> 00:41:36,880

of these different aspects that fall

1073

00:41:41,670 --> 00:41:39,280

into the the you know the community of

1074

00:41:43,430 --> 00:41:41,680

disclosure around these unacknowledged

1075

00:41:45,670 --> 00:41:43,440

programs around the technology that's

1076
00:41:48,550 --> 00:41:45,680
behind them how do we pull ourselves

1077
00:41:50,230 --> 00:41:48,560
together and move forward

1078
00:41:51,750 --> 00:41:50,240
yeah i mean i think what you're what

1079
00:41:53,990 --> 00:41:51,760
sounds to me what you're

1080
00:41:55,670 --> 00:41:54,000
moving toward in this question is like

1081
00:41:57,829 --> 00:41:55,680
getting a sense of what is the what is

1082
00:41:59,670 --> 00:41:57,839
the sum total of this reality that we're

1083
00:42:01,109 --> 00:41:59,680
dealing with so you mentioned military

1084
00:42:04,710 --> 00:42:01,119
involvement i personally believe that

1085
00:42:06,470 --> 00:42:04,720
there is covert military

1086
00:42:07,430 --> 00:42:06,480
it sounds pretty out there but i'm just

1087
00:42:09,430 --> 00:42:07,440
going to tell people this is what i

1088
00:42:11,829 --> 00:42:09,440

believe i believe that there is covert

1089

00:42:12,870 --> 00:42:11,839

military collaboration with non-human

1090

00:42:14,309 --> 00:42:12,880

groups

1091

00:42:16,309 --> 00:42:14,319

i can't say that i know this for sure

1092

00:42:18,550 --> 00:42:16,319

but i think that's probably the case

1093

00:42:19,990 --> 00:42:18,560

i've talked to enough individuals who

1094

00:42:23,030 --> 00:42:20,000

have had

1095

00:42:24,870 --> 00:42:23,040

regression experiences and memories like

1096

00:42:26,550 --> 00:42:24,880

definite memories of being taken to

1097

00:42:28,630 --> 00:42:26,560

underground facilities with human and

1098

00:42:30,710 --> 00:42:28,640

non-human captors

1099

00:42:32,150 --> 00:42:30,720

and the non-human cap the human captors

1100

00:42:33,990 --> 00:42:32,160

being military

1101

00:42:36,150 --> 00:42:34,000

in certain cases and i believe these

1102

00:42:37,510 --> 00:42:36,160

people so i think that that is going on

1103

00:42:39,430 --> 00:42:37,520

and i mean i'm not the only one to get

1104

00:42:41,190 --> 00:42:39,440

these types of stories but what we're

1105

00:42:42,870 --> 00:42:41,200

trying to figure out is like what is

1106

00:42:44,790 --> 00:42:42,880

what is the true

1107

00:42:46,150 --> 00:42:44,800

nature of the entire

1108

00:42:47,910 --> 00:42:46,160

situation that we're dealing with and

1109

00:42:49,910 --> 00:42:47,920

that's very difficult to understand what

1110

00:42:51,670 --> 00:42:49,920

i personally think is happening

1111

00:42:55,190 --> 00:42:51,680

is that

1112

00:42:57,190 --> 00:42:55,200

our species is vaulting into its next

1113

00:42:59,030 --> 00:42:57,200

stage of human existence what i often

1114

00:43:00,710 --> 00:42:59,040

have been calling the fourth stage of

1115

00:43:03,510 --> 00:43:00,720

humanity you know we've been hunters and

1116

00:43:05,990 --> 00:43:03,520

gatherers at stage one agriculture

1117

00:43:07,829 --> 00:43:06,000

uh basically stage two science and

1118

00:43:09,589 --> 00:43:07,839

industry stage three

1119

00:43:12,470 --> 00:43:09,599

and now we're moving into essentially

1120

00:43:14,150 --> 00:43:12,480

let's call it transhumanist stage that's

1121

00:43:15,750 --> 00:43:14,160

a stage that i'm not looking forward to

1122

00:43:16,950 --> 00:43:15,760

at all but who cares what i think this

1123

00:43:19,990 --> 00:43:16,960

is happening

1124

00:43:20,950 --> 00:43:20,000

so we're moving into an era of

1125

00:43:27,910 --> 00:43:20,960

of

1126

00:43:29,510 --> 00:43:27,920

devices that will surveil every single

1127

00:43:32,470 --> 00:43:29,520

thing happening in your world you'll

1128

00:43:35,109 --> 00:43:32,480

have no privacy ever again um

1129

00:43:36,630 --> 00:43:35,119

you know algorithms figuring out your

1130

00:43:38,309 --> 00:43:36,640

predictive modeling of your behavior

1131

00:43:40,150 --> 00:43:38,319

better than you could predict and all of

1132

00:43:41,750 --> 00:43:40,160

that and then the robo-apocalypse

1133

00:43:43,990 --> 00:43:41,760

basically algorithms taking more and

1134

00:43:46,630 --> 00:43:44,000

more human jobs like we're just moving

1135

00:43:49,589 --> 00:43:46,640

into a completely different a radically

1136

00:43:52,230 --> 00:43:49,599

different society like now all at once

1137

00:43:54,630 --> 00:43:52,240

that's happening so in that that's going

1138

00:43:55,670 --> 00:43:54,640

to be disempowering for individuals i

1139

00:43:57,030 --> 00:43:55,680

mean unless you want to become a

1140

00:43:59,349 --> 00:43:57,040

celebrity millionaire in a virtual

1141

00:44:01,430 --> 00:43:59,359

reality find be my guest uh that'll

1142

00:44:03,589 --> 00:44:01,440

happen but in actual reality i think

1143

00:44:06,550 --> 00:44:03,599

people are going to be powerless but as

1144

00:44:07,910 --> 00:44:06,560

a collective as collectives human

1145

00:44:10,550 --> 00:44:07,920

species is going to have tremendous

1146

00:44:12,950 --> 00:44:10,560

amount of power uh scientific military

1147

00:44:15,430 --> 00:44:12,960

power the weapons good lord i mean

1148

00:44:17,030 --> 00:44:15,440

so so any of these other beings that are

1149

00:44:18,550 --> 00:44:17,040

observing us and i think there are

1150

00:44:20,630 --> 00:44:18,560

multiple of them

1151

00:44:22,710 --> 00:44:20,640

uh they they see this

1152

00:44:24,630 --> 00:44:22,720

they see that we're we're leaping into

1153

00:44:25,829 --> 00:44:24,640

their world we don't even realize it but

1154

00:44:28,230 --> 00:44:25,839

we're doing it

1155

00:44:30,069 --> 00:44:28,240

some some members of our civilization do

1156

00:44:31,270 --> 00:44:30,079

realize this but most don't

1157

00:44:32,550 --> 00:44:31,280

so

1158

00:44:34,230 --> 00:44:32,560

it's not like we're just going to be

1159

00:44:35,829 --> 00:44:34,240

powerless forever and ever like we're

1160

00:44:37,829 --> 00:44:35,839

not going to be powerless we're actually

1161

00:44:39,270 --> 00:44:37,839

going to have some ability to annoy a

1162

00:44:41,589 --> 00:44:39,280

number of the people in the local

1163

00:44:43,990 --> 00:44:41,599

community i have a feeling and so they

1164

00:44:45,990 --> 00:44:44,000

are they're watching us and probably

1165

00:44:48,309 --> 00:44:46,000

more than watching us they're probably

1166

00:44:49,430 --> 00:44:48,319

managing us to some extent right now if

1167

00:44:50,630 --> 00:44:49,440

they were smart that's what they would

1168

00:44:52,550 --> 00:44:50,640

be doing

1169

00:44:53,510 --> 00:44:52,560

uh that not necessarily in our best

1170

00:44:55,430 --> 00:44:53,520

interest

1171

00:44:57,750 --> 00:44:55,440

maybe it is but maybe it isn't but it's

1172

00:44:59,430 --> 00:44:57,760

probably in theirs so there's this

1173

00:45:00,230 --> 00:44:59,440

monitoring going on

1174

00:45:01,589 --> 00:45:00,240

uh

1175

00:45:04,230 --> 00:45:01,599

i think that's definitely happening

1176
00:45:05,910 --> 00:45:04,240
there's collaboration at a very covert

1177
00:45:07,670 --> 00:45:05,920
level going on and if that were to be

1178
00:45:09,750 --> 00:45:07,680
let out publicly

1179
00:45:10,870 --> 00:45:09,760
look you know i mean i i

1180
00:45:15,670 --> 00:45:10,880
support

1181
00:45:17,829 --> 00:45:15,680
the truth of ufos but let us not kid

1182
00:45:19,430 --> 00:45:17,839
ourselves there are some truths about

1183
00:45:20,870 --> 00:45:19,440
this that are probably going to be very

1184
00:45:25,990 --> 00:45:20,880
very disturbing

1185
00:45:28,870 --> 00:45:26,000
uh that will not go over well for

1186
00:45:30,630 --> 00:45:28,880
many people i suspect that uh one of the

1187
00:45:33,190 --> 00:45:30,640
disturbing things is probably some form

1188
00:45:34,550 --> 00:45:33,200

of infiltration into our society

1189

00:45:36,470 --> 00:45:34,560

i mean this sounds like invasion of the

1190

00:45:38,390 --> 00:45:36,480

body snatchers or some kind of

1191

00:45:39,910 --> 00:45:38,400

scare them up thing but look i mean

1192

00:45:41,589 --> 00:45:39,920

let's just put our cards on the table

1193

00:45:43,510 --> 00:45:41,599

here and look at this logically all

1194

00:45:45,589 --> 00:45:43,520

right we've got many many stories of

1195

00:45:47,510 --> 00:45:45,599

human looking beings that are not human

1196

00:45:49,589 --> 00:45:47,520

you played one clip of mine there's a

1197

00:45:50,710 --> 00:45:49,599

lot of those uh of these beings they

1198

00:45:52,630 --> 00:45:50,720

look just like us but they're

1199

00:45:55,030 --> 00:45:52,640

telepathically powerful they've got the

1200

00:45:57,190 --> 00:45:55,040

ability to merge within our society to

1201

00:46:00,470 --> 00:45:57,200

some extent and and if you listen to

1202

00:46:02,230 --> 00:46:00,480

people like dave jacobs uh to actually

1203

00:46:04,230 --> 00:46:02,240

neurologically control you and

1204

00:46:06,950 --> 00:46:04,240

manipulate your thoughts and even if you

1205

00:46:08,390 --> 00:46:06,960

don't want to listen to jacobs there's

1206

00:46:09,589 --> 00:46:08,400

just countless other researchers that

1207

00:46:11,670 --> 00:46:09,599

talk about this

1208

00:46:13,270 --> 00:46:11,680

so so there's infiltration that's

1209

00:46:15,990 --> 00:46:13,280

probably happened

1210

00:46:18,390 --> 00:46:16,000

and probably within some seriously

1211

00:46:19,990 --> 00:46:18,400

powerful organizations in the uh film

1212

00:46:21,670 --> 00:46:20,000

you've got linda moulton howe she talks

1213

00:46:24,550 --> 00:46:21,680

about some of her contacts one in

1214

00:46:27,030 --> 00:46:24,560

particular dia retired guy from the dia

1215

00:46:28,550 --> 00:46:27,040

who talked to her in 1999 and talked

1216

00:46:29,750 --> 00:46:28,560

explicitly

1217

00:46:31,510 --> 00:46:29,760

about

1218

00:46:33,829 --> 00:46:31,520

uh

1219

00:46:35,589 --> 00:46:33,839

the fact that any of these the three

1220

00:46:37,510 --> 00:46:35,599

main groups that he knew of could look

1221

00:46:39,990 --> 00:46:37,520

human at any time

1222

00:46:42,470 --> 00:46:40,000

and he said this to her and so now

1223

00:46:45,510 --> 00:46:42,480

that's just another story but it is just

1224

00:46:46,790 --> 00:46:45,520

another story one of many

1225

00:46:50,390 --> 00:46:46,800

so

1226

00:46:52,470 --> 00:46:50,400

big picture here what is actually

1227

00:46:56,230 --> 00:46:52,480

happening are we even in the driver's

1228

00:46:58,630 --> 00:46:56,240

seat of this little civilization of ours

1229

00:47:00,390 --> 00:46:58,640

or are we not and and here's another

1230

00:47:01,589 --> 00:47:00,400

thing to think about

1231

00:47:05,270 --> 00:47:01,599

right now

1232

00:47:07,109 --> 00:47:05,280

we are all in the midst of a global

1233

00:47:08,790 --> 00:47:07,119

let's just say for what it is fascist

1234

00:47:11,670 --> 00:47:08,800

revolution

1235

00:47:12,870 --> 00:47:11,680

all right let's just be real here

1236

00:47:14,390 --> 00:47:12,880

you can call it whatever you want you

1237

00:47:15,829 --> 00:47:14,400

can call it authoritarian you can go

1238

00:47:18,150 --> 00:47:15,839

totalitarian i've called it both of

1239

00:47:20,069 --> 00:47:18,160

those i think fascist works pretty well

1240

00:47:21,990 --> 00:47:20,079

frankly now when people use the word

1241

00:47:24,390 --> 00:47:22,000

fascist they think like mussolini or

1242

00:47:27,510 --> 00:47:24,400

hitler and fists pounding on podiums and

1243

00:47:30,150 --> 00:47:27,520

cult of the leader that's not fascism

1244

00:47:32,870 --> 00:47:30,160

that's 1930s fascism but that's not

1245

00:47:34,790 --> 00:47:32,880

that's not an inherent quality you could

1246

00:47:36,710 --> 00:47:34,800

have a totally bureaucratic technocratic

1247

00:47:37,829 --> 00:47:36,720

boring fascism

1248

00:47:39,670 --> 00:47:37,839

and you don't even have to have a

1249

00:47:41,589 --> 00:47:39,680

violent fascism if you got total digital

1250

00:47:43,829 --> 00:47:41,599

control of populations maybe you don't

1251
00:47:45,829 --> 00:47:43,839
need to round them up with batons and

1252
00:47:47,430 --> 00:47:45,839
guns and beat the hell out of them all

1253
00:47:49,349 --> 00:47:47,440
the time you can just control them

1254
00:47:51,349 --> 00:47:49,359
digitally exactly you need to worry

1255
00:47:53,589 --> 00:47:51,359
about batons when you've got algorithms

1256
00:47:55,430 --> 00:47:53,599
right we're about to kind of wrap up the

1257
00:47:57,349 --> 00:47:55,440
rest of this uh conversation here and

1258
00:47:59,190 --> 00:47:57,359
move it over to orend.tv so i'll just

1259
00:48:00,230 --> 00:47:59,200
let you kind of finish up the last part

1260
00:48:02,150 --> 00:48:00,240
of that and then we'll jump into these

1261
00:48:04,150 --> 00:48:02,160
finishes yeah yes

1262
00:48:06,150 --> 00:48:04,160
the point being this

1263
00:48:09,030 --> 00:48:06,160

we're looking at this global revolution

1264

00:48:11,109 --> 00:48:09,040

happening all around us and it's not fun

1265

00:48:13,349 --> 00:48:11,119

and you've got to ask yourself what is

1266

00:48:15,109 --> 00:48:13,359

the relationship between

1267

00:48:17,109 --> 00:48:15,119

our

1268

00:48:19,190 --> 00:48:17,119

human leadership and whoever these other

1269

00:48:21,109 --> 00:48:19,200

beings are and do they have any say in

1270

00:48:23,190 --> 00:48:21,119

this and are they behind any of this

1271

00:48:24,069 --> 00:48:23,200

whatsoever i don't know the answer to

1272

00:48:28,390 --> 00:48:24,079

this

1273

00:48:33,109 --> 00:48:28,400

fools not to ask

1274

00:48:35,589 --> 00:48:33,119

i couldn't agree more and so you know

1275

00:48:37,030 --> 00:48:35,599

this this movement here as it's you know

1276

00:48:38,950 --> 00:48:37,040

coming together more and more and

1277

00:48:41,750 --> 00:48:38,960

getting traction in regards to the

1278

00:48:44,549 --> 00:48:41,760

mainstream and and the grassroots then

1279

00:48:46,790 --> 00:48:44,559

pushing against that attraction in the

1280

00:48:49,109 --> 00:48:46,800

mainstream that it has right now this is

1281

00:48:52,150 --> 00:48:49,119

a really prime time for anybody that

1282

00:48:55,349 --> 00:48:52,160

does care about this topic to to really

1283

00:48:57,190 --> 00:48:55,359

look at how you can become a force of

1284

00:48:58,950 --> 00:48:57,200

digital direct action we live in a

1285

00:49:00,710 --> 00:48:58,960

digital world right now and so a big

1286

00:49:03,109 --> 00:49:00,720

part of that is understanding how to

1287

00:49:05,750 --> 00:49:03,119

hashtag and group our topics together so

1288

00:49:07,829 --> 00:49:05,760

we can research and observe together and

1289

00:49:11,109 --> 00:49:07,839

watch for anomalies together and the

1290

00:49:13,109 --> 00:49:11,119

observer movement and the idea of if

1291

00:49:15,030 --> 00:49:13,119

you've experienced something if you've

1292

00:49:17,030 --> 00:49:15,040

gone through this and you'd like to kind

1293

00:49:19,990 --> 00:49:17,040

of speak out about it and talk about it

1294

00:49:21,670 --> 00:49:20,000

and feel um you know a part of wanting

1295

00:49:23,910 --> 00:49:21,680

to break this stuff open and pull out

1296

00:49:25,589 --> 00:49:23,920

there use that hashtag the observers

1297

00:49:27,510 --> 00:49:25,599

there the observers movement the

1298

00:49:29,829 --> 00:49:27,520

observers film if you've watched the

1299

00:49:31,349 --> 00:49:29,839

film and you feel connected to the topic

1300

00:49:33,589 --> 00:49:31,359

share about these things share clips

1301

00:49:35,270 --> 00:49:33,599

we've got a lot of great footage um

1302

00:49:36,790 --> 00:49:35,280

that's being put out to all your guys's

1303

00:49:38,549 --> 00:49:36,800

social media of all the great cutting

1304

00:49:41,430 --> 00:49:38,559

room floor stuff and i think we're going

1305

00:49:44,150 --> 00:49:41,440

to head over to the oren.tv here where

1306

00:49:45,750 --> 00:49:44,160

all of the incredible like round table

1307

00:49:48,230 --> 00:49:45,760

interviews that you guys did the

1308

00:49:50,069 --> 00:49:48,240

individual micro exposes those are all

1309

00:49:52,150 --> 00:49:50,079

being available on oren with i think

1310

00:49:54,150 --> 00:49:52,160

only a dollar sign up um right now but

1311

00:49:55,910 --> 00:49:54,160

anyhow i'll pitch it down to jimmy here

1312

00:49:57,270 --> 00:49:55,920

and i'll meet you back over there

1313

00:50:04,549 --> 00:49:57,280

richard

1314

00:50:10,829 --> 00:50:07,829

i think jimmy's muted no that's me that

1315

00:50:13,589 --> 00:50:10,839

i that's my own mute

1316

00:50:15,190 --> 00:50:13,599

button yeah

1317

00:50:18,069 --> 00:50:15,200

that's mine

1318

00:50:20,309 --> 00:50:18,079

it was it was amazing for me uh and

1319

00:50:23,430 --> 00:50:20,319

thank you uh

1320

00:50:25,270 --> 00:50:23,440

richards and richard uh you guys

1321

00:50:28,390 --> 00:50:25,280

that's that's a las vegas thing that's

1322

00:50:29,990 --> 00:50:28,400

like at bally's i can see it richards

1323

00:50:31,589 --> 00:50:30,000

and richard

1324

00:50:34,230 --> 00:50:31,599

this week

1325

00:50:36,630 --> 00:50:34,240

um that was amazing for me to just sit

1326

00:50:38,950 --> 00:50:36,640

back and and and

1327

00:50:40,870 --> 00:50:38,960

listen to you guys just organically let

1328

00:50:43,030 --> 00:50:40,880

that flow

1329

00:50:45,190 --> 00:50:43,040

and i didn't want to jump in

1330

00:50:47,430 --> 00:50:45,200

it was just too good

1331

00:50:50,150 --> 00:50:47,440

lots of great points now i've let

1332

00:50:52,150 --> 00:50:50,160

everybody know uh that

1333

00:50:54,150 --> 00:50:52,160

uh in in the chat room and throughout

1334

00:50:55,990 --> 00:50:54,160

social media that we're going to shift

1335

00:50:59,829 --> 00:50:56,000

gears we're going to take this over to

1336

00:51:01,270 --> 00:50:59,839

oren and for everybody it's a-u-y-r-n

1337

00:51:03,270 --> 00:51:01,280

dot tv

1338

00:51:05,750 --> 00:51:03,280

i've got the links up in social media

1339

00:51:06,870 --> 00:51:05,760

when you head over to oren once we sign

1340

00:51:08,710 --> 00:51:06,880

off here

1341

00:51:10,309 --> 00:51:08,720

then we go live over there if you're

1342

00:51:12,549 --> 00:51:10,319

going over there now there's nothing

1343

00:51:15,670 --> 00:51:12,559

there because we haven't switched over

1344

00:51:18,150 --> 00:51:15,680

um but anyway so when it ends here at

1345

00:51:20,230 --> 00:51:18,160

the top of the page just go all the way

1346

00:51:23,349 --> 00:51:20,240

to top you'll see a little live button

1347

00:51:25,589 --> 00:51:23,359

with a little green antenna right there

1348

00:51:27,030 --> 00:51:25,599

that's the live button click on that

1349

00:51:29,910 --> 00:51:27,040

and now

1350

00:51:32,790 --> 00:51:29,920

as if this wasn't good enough the really

1351

00:51:35,349 --> 00:51:32,800

good secret conversation

1352

00:51:37,910 --> 00:51:35,359

happens over at oran tv so i'll see you

1353

00:51:40,150 --> 00:51:37,920

guys in a couple of minutes over at oren

1354

00:51:41,829 --> 00:51:40,160

thank you so much our murals jimmy

1355

00:51:58,130 --> 00:51:41,839

church fade to black i'm going to sign

1356

00:52:05,990 --> 00:52:03,990

[Music]

1357

00:52:08,230 --> 00:52:06,000

a shocking hard-hitting film exposing

1358

00:52:10,950 --> 00:52:08,240

the darkest secrets of the fbi and cia a

1359

00:52:12,950 --> 00:52:10,960

thousand pieces is a coup being carried

1360

00:52:15,829 --> 00:52:12,960

out

1361

00:52:17,589 --> 00:52:15,839

before our very eyes

1362

00:52:19,829 --> 00:52:17,599

you're allowed to protest millions of

1363

00:52:21,349 --> 00:52:19,839

people on one day in crowds yelling

1364

00:52:22,950 --> 00:52:21,359

screaming but you try to run your

1365

00:52:25,910 --> 00:52:22,960

business you get arrested wall street

1366

00:52:28,710 --> 00:52:25,920

has laundered 100 trillion dollars from

1367

00:52:30,470 --> 00:52:28,720

trafficking in children and drugs the

1368

00:52:32,309 --> 00:52:30,480

agency has dealt drugs throughout this

1369

00:52:34,549 --> 00:52:32,319

country for a long time

1370

00:52:36,390 --> 00:52:34,559

mr secretary is it policy of the u.s

1371

00:52:38,630 --> 00:52:36,400

government to reward companies that

1372

00:52:41,190 --> 00:52:38,640

traffic in women and little girls human

1373

00:52:45,109 --> 00:52:41,200

trafficking has many more victims until

1374

00:52:48,150 --> 00:52:45,119

then the complicity of the cia the fbi

1375

00:52:49,750 --> 00:52:48,160

the justice department

1376

00:52:52,870 --> 00:52:49,760

there's corruption on both sides these

1377

00:52:55,990 --> 00:52:52,880

agencies are facing a time of reckoning

1378

00:52:58,790 --> 00:52:56,000

are we at yet another crossroads

1379

00:53:01,349 --> 00:52:58,800

get ready a thousand pieces

1380

00:53:02,870 --> 00:53:01,359

it was so hard

1381

00:53:03,750 --> 00:53:02,880

to come running out of a hell that

1382

00:53:09,750 --> 00:53:03,760

nobody

1383

00:53:14,390 --> 00:53:11,829

my name is kathy o'brien and i'm a

1384

00:53:17,030 --> 00:53:14,400

survivor of mk ultra

1385

00:53:20,230 --> 00:53:17,040

mind control

1386

00:53:22,390 --> 00:53:20,240

the mk ultra program was to

1387

00:53:25,910 --> 00:53:22,400

ultimately control the minds of the

1388

00:53:32,390 --> 00:53:25,920

population for implementing what adolf

1389

00:53:36,549 --> 00:53:35,270

when girls reached age 30

1390

00:53:38,790 --> 00:53:36,559

they were murdered or they were

1391

00:53:40,870 --> 00:53:38,800

sacrificed

1392

00:53:42,390 --> 00:53:40,880

i was going to be

1393

00:53:45,829 --> 00:53:42,400

killed as well

1394

00:53:47,109 --> 00:53:45,839

i was to go out in a blaze of glory and

1395

00:53:54,230 --> 00:53:47,119

be

1396

00:53:58,870 --> 00:53:57,349

i'm so fortunate

1397

00:54:01,430 --> 00:53:58,880

that

1398

00:54:03,910 --> 00:54:01,440

an intelligence insider

1399

00:54:05,430 --> 00:54:03,920

who saw the kind of corruption that was

1400

00:54:08,230 --> 00:54:05,440

going on in the highest levels of

1401
00:54:10,390 --> 00:54:08,240
government decided to take action

1402
00:54:12,309 --> 00:54:10,400
and rescued me

1403
00:54:13,510 --> 00:54:12,319
and saved my life

1404
00:54:15,190 --> 00:54:13,520
so that

1405
00:54:18,810 --> 00:54:15,200
we could begin

1406
00:54:28,390 --> 00:54:18,820
to expose what was being done

1407
00:54:31,990 --> 00:54:30,069
ancient teachings around the world see

1408
00:54:34,309 --> 00:54:32,000
family and community as containers for

1409
00:54:35,910 --> 00:54:34,319
wisdom the stability and connectivity of

1410
00:54:38,470 --> 00:54:35,920
the family is seen as necessary to

1411
00:54:40,789 --> 00:54:38,480
ensure that information travels intact

1412
00:54:43,030 --> 00:54:40,799
from one's ancestors through the stable

1413
00:54:44,950 --> 00:54:43,040

family and into the community where it's

1414

00:54:46,710 --> 00:54:44,960

bundled and prepared to be sent as far

1415

00:54:49,270 --> 00:54:46,720

into the future as possible

1416

00:54:51,829 --> 00:54:49,280

but for decades a quiet war has been

1417

00:54:54,309 --> 00:54:51,839

waged by globalists communists and

1418

00:54:55,430 --> 00:54:54,319

social engineers with a single target in

1419

00:54:58,230 --> 00:54:55,440

their sights

1420

00:55:00,789 --> 00:54:58,240

the traditional family unit can we

1421

00:55:05,270 --> 00:55:00,799

rediscover this ancient ideal of family

1422

00:55:09,420 --> 00:55:08,150

super organism the family unit coming
