1  
00:00:23,120 --> 00:00:10,120  
[Music]

2  
00:00:31,960 --> 00:00:23,130  
[Applause]

3  
00:00:31,970 --> 00:01:02,709  
[Music]

4  
00:01:02,719 --> 00:01:07,670  
so

5  
00:01:57,590 --> 00:01:26,540  
[Music]

6  
00:02:07,370 --> 00:01:59,450  
foreign

7  
00:02:24,869 --> 00:02:21,430  
[Music]

8  
00:02:28,309 --> 00:02:24,879  
three words advanced aerial threat

9  
00:02:30,710 --> 00:02:28,319  
who in the cia nsa dia

10  
00:02:32,869 --> 00:02:30,720  
tells at least the united states of

11  
00:02:35,190 --> 00:02:32,879  
america that we're not alone in this

12  
00:02:38,150 --> 00:02:35,200  
universe we have never been alone in

13  
00:02:42,070 --> 00:02:40,150

the u.s government really has kept that

14

00:02:44,309 --> 00:02:42,080

secret not only from the american people

15

00:02:46,710 --> 00:02:44,319

which is bad enough but even kept it

16

00:02:48,949 --> 00:02:46,720

from itself

17

00:02:51,030 --> 00:02:48,959

the ufo community has been portrayed as

18

00:02:52,470 --> 00:02:51,040

conspiracy theorists and tin foil hats

19

00:02:55,270 --> 00:02:52,480

and we're crazy

20

00:02:57,910 --> 00:02:55,280

and the government is now admitting that

21

00:02:59,030 --> 00:02:57,920

uh ufos are real and disclosure is here

22

00:03:00,869 --> 00:02:59,040

suddenly

23

00:03:03,110 --> 00:03:00,879

they're our friend

24

00:03:04,790 --> 00:03:03,120

no america's defense establishment is

25

00:03:07,430 --> 00:03:04,800

finally admitting

26

00:03:09,190 --> 00:03:07,440

some of what it knows

27

00:03:11,430 --> 00:03:09,200

this could have been a chance to say

28

00:03:13,509 --> 00:03:11,440

we're going to collaborate with the

29

00:03:16,070 --> 00:03:13,519

representatives of the people in what is

30

00:03:19,270 --> 00:03:16,080

supposed to be a government of by and

31

00:03:20,790 --> 00:03:19,280

for the people if what they tell you is

32

00:03:23,990 --> 00:03:20,800

the truth

33

00:03:26,229 --> 00:03:24,000

there is no need to withhold it from

34

00:03:29,110 --> 00:03:26,239

public

35

00:03:31,350 --> 00:03:29,120

we've entered a quantum age making a

36

00:03:33,750 --> 00:03:31,360

leap not only in technology but also in

37

00:03:35,750 --> 00:03:33,760

consciousness companies are now creating

38

00:03:37,509 --> 00:03:35,760

non-sentient replacement humans they

39

00:03:39,190 --> 00:03:37,519

look just like you and i

40

00:03:41,589 --> 00:03:39,200

they're intended for customer service

41

00:03:43,030 --> 00:03:41,599

and things such as that but these neons

42

00:03:46,149 --> 00:03:43,040

as they're called could be more

43

00:03:48,149 --> 00:03:46,159

nefarious than that

44

00:03:49,830 --> 00:03:48,159

we're dealing with a fight there are

45

00:03:53,670 --> 00:03:49,840

forces behind the scenes that doesn't

46

00:03:56,309 --> 00:03:53,680

want any of this information to come out

47

00:03:59,750 --> 00:03:56,319

there's still a lot of truth that has

48

00:04:03,589 --> 00:04:01,509

it was one of those quote-unquote men in

49

00:04:05,910 --> 00:04:03,599

black but i i realize it's probably

50

00:04:09,030 --> 00:04:05,920

better now to be known as men in white

51

00:04:11,270 --> 00:04:09,040

bringing truth to the topic

52

00:04:18,380 --> 00:04:11,280

the problem with the truth is the truth

53

00:04:30,070 --> 00:04:21,189

[Music]

54

00:04:33,270 --> 00:04:31,270

okay

55

00:04:37,270 --> 00:04:33,280

i'm just waiting until it says um i'm

56

00:04:43,350 --> 00:04:39,990

i think i muted chris it says the host

57

00:04:46,150 --> 00:04:43,360

muted your mic

58

00:04:48,710 --> 00:04:46,160

oh it says i'm good all right

59

00:04:49,749 --> 00:04:48,720

needless to say this is live

60

00:04:52,150 --> 00:04:49,759

and

61

00:04:56,070 --> 00:04:52,160

we're doing a live stream i'm leon isaac

62

00:04:58,070 --> 00:04:56,080

kennedy and it is great to be here with

63

00:05:00,150 --> 00:04:58,080

all of you i want to say first of all

64

00:05:02,310 --> 00:05:00,160

thanks to our great friend

65

00:05:04,950 --> 00:05:02,320

jimmy church he's the one that made this

66

00:05:06,629 --> 00:05:04,960

entire series possible so thank you

67

00:05:08,550 --> 00:05:06,639

jimmy i know that you're traveling today

68

00:05:10,390 --> 00:05:08,560

but thank you so much i want to say

69

00:05:12,870 --> 00:05:10,400

thanks to chris isa

70

00:05:15,430 --> 00:05:12,880

our technical genius for getting

71

00:05:18,150 --> 00:05:15,440

everything put up correctly i want to

72

00:05:21,430 --> 00:05:18,160

say thank you to our adrian youngblood

73

00:05:23,670 --> 00:05:21,440

she was on standby just in case my plane

74

00:05:26,550 --> 00:05:23,680

didn't make it in on time and i want to

75

00:05:29,110 --> 00:05:26,560

say thanks to our ever loving marine for

76

00:05:30,710 --> 00:05:29,120

helping to find the hotel suite and

77

00:05:32,950 --> 00:05:30,720

everything else that we needed to pick

78

00:05:35,270 --> 00:05:32,960

this up because there was no way that i

79

00:05:38,629 --> 00:05:35,280

could get off a plane

80

00:05:39,590 --> 00:05:38,639

and get home on time for this live

81

00:05:42,469 --> 00:05:39,600

interview

82

00:05:44,469 --> 00:05:42,479

uh you know i share everything with our

83

00:05:46,390 --> 00:05:44,479

orange family so let me share what's

84

00:05:49,909 --> 00:05:46,400

been going on behind the scenes last

85

00:05:53,110 --> 00:05:49,919

week i left to go to washington dc

86

00:05:55,830 --> 00:05:53,120

excuse me for the kennedy center honors

87

00:05:58,790 --> 00:05:55,840

and i was there friday saturday sunday

88

00:06:01,270 --> 00:05:58,800

for that it was three days worth of

89  
00:06:03,430 --> 00:06:01,280  
ceremonies and luncheons and dinners and

90  
00:06:04,870 --> 00:06:03,440  
so on so forth at the white house and

91  
00:06:06,550 --> 00:06:04,880  
other places

92  
00:06:09,510 --> 00:06:06,560  
where congress would meet and so on so

93  
00:06:12,550 --> 00:06:09,520  
forth with the kennedy center honorees

94  
00:06:15,830 --> 00:06:12,560  
this year they nominated and that they

95  
00:06:17,510 --> 00:06:15,840  
received bette midler i knew bet before

96  
00:06:20,629 --> 00:06:17,520  
but hadn't seen that in a number of

97  
00:06:21,670 --> 00:06:20,639  
years so the great bette midler was uh

98  
00:06:24,230 --> 00:06:21,680  
awarded

99  
00:06:27,909 --> 00:06:24,240  
um joni mitchell you know she did all

100  
00:06:32,230 --> 00:06:27,919  
the protest folk songs way back in the

101  
00:06:34,629 --> 00:06:32,240  
60s and 70s she was honored a great

102  
00:06:37,749 --> 00:06:34,639  
tenor the pride of puerto rico they call

103  
00:06:41,749 --> 00:06:37,759  
him he's the uh an opera star his name

104  
00:06:43,590 --> 00:06:41,759  
is justin he was honored lauren michaelis

105  
00:06:46,469 --> 00:06:43,600  
who created uh

106  
00:06:48,950 --> 00:06:46,479  
and has been the longtime producer of

107  
00:06:51,270 --> 00:06:48,960  
saturday night live he was honored i

108  
00:06:53,909 --> 00:06:51,280  
knew lauren back when i used to work at

109  
00:06:56,870 --> 00:06:53,919  
nbc when i first came out to los angeles

110  
00:06:58,870 --> 00:06:56,880  
back in the early 1970s

111  
00:07:02,390 --> 00:06:58,880  
and the reason that i was there is

112  
00:07:04,950 --> 00:07:02,400  
because my good friend barry gordy the

113  
00:07:07,830 --> 00:07:04,960

founder of motown records

114

00:07:09,189 --> 00:07:07,840

uh person extraordinaire was honored and

115

00:07:12,309 --> 00:07:09,199

i've known barry

116

00:07:13,909 --> 00:07:12,319

since i've been 15 years old so a long

117

00:07:17,270 --> 00:07:13,919

friendship like that i had to be there

118

00:07:19,270 --> 00:07:17,280

to applaud him as he was honored

119

00:07:22,070 --> 00:07:19,280

and then i was there the rest of the

120

00:07:25,510 --> 00:07:22,080

week for just back-to-back back-to-back

121

00:07:27,670 --> 00:07:25,520

meetings so i had to be here today

122

00:07:31,670 --> 00:07:27,680

because i didn't want to postpone it

123

00:07:33,830 --> 00:07:31,680

because we are with who i call

124

00:07:35,430 --> 00:07:33,840

a renaissance man

125

00:07:38,309 --> 00:07:35,440

um

126

00:07:40,790 --> 00:07:38,319

i met billy carson

127

00:07:43,589 --> 00:07:40,800

oh many years ago

128

00:07:45,430 --> 00:07:43,599

but i've always been so fascinated with

129

00:07:47,430 --> 00:07:45,440

him first of all as i would go to the

130

00:07:49,990 --> 00:07:47,440

various conferences contact in the

131

00:07:51,749 --> 00:07:50,000

desert and so on so forth

132

00:07:53,990 --> 00:07:51,759

um

133

00:07:58,550 --> 00:07:54,000

he would be the only main person of

134

00:07:59,670 --> 00:07:58,560

color that i saw in in this niche

135

00:08:03,510 --> 00:07:59,680

and

136

00:08:05,830 --> 00:08:03,520

i said well this is a fascinating man

137

00:08:07,990 --> 00:08:05,840

and then i would read some of his books

138

00:08:10,790 --> 00:08:08,000

and listen to some of his lectures

139

00:08:11,589 --> 00:08:10,800

and i became more and more fascinated

140

00:08:13,990 --> 00:08:11,599

with

141

00:08:15,029 --> 00:08:14,000

billy carson so

142

00:08:36,550 --> 00:08:15,039

i

143

00:08:39,110 --> 00:08:36,560

but

144

00:08:40,709 --> 00:08:39,120

i did not want to miss this interview

145

00:08:41,670 --> 00:08:40,719

with my good friend

146

00:08:47,430 --> 00:08:41,680

so

147

00:08:49,829 --> 00:08:47,440

welcome welcome welcome

148

00:08:52,389 --> 00:08:49,839

thank you so much what a great way to

149

00:08:53,990 --> 00:08:52,399

introduce me back to the fader knots

150

00:08:55,829 --> 00:08:54,000

what's up to all the fader knights and

151

00:08:57,750 --> 00:08:55,839

thank you mr kennedy i appreciate you

152

00:08:59,590 --> 00:08:57,760

having me on here and i'm glad we were

153

00:09:03,350 --> 00:08:59,600

able to make this happen tonight

154

00:09:06,150 --> 00:09:03,360

well thank you it's indeed uh our honor

155

00:09:08,870 --> 00:09:06,160

you know about two years ago before

156

00:09:11,910 --> 00:09:08,880

covert you were teaching in burbank

157

00:09:13,350 --> 00:09:11,920

yeah and i was there three days in a row

158

00:09:14,230 --> 00:09:13,360

because your teaching was three days in

159

00:09:16,470 --> 00:09:14,240

a row

160

00:09:19,750 --> 00:09:16,480

four hours a day and i was there like an

161

00:09:21,509 --> 00:09:19,760

eager student just absorbing everything

162

00:09:23,750 --> 00:09:21,519

that billy carson was saying and i was

163

00:09:25,110 --> 00:09:23,760

taking notes and so on and so forth and

164

00:09:27,430 --> 00:09:25,120

then you and i would have dinner

165

00:09:29,590 --> 00:09:27,440

afterwards and and discuss it even more

166

00:09:32,550 --> 00:09:29,600

and what a privilege that was and i want

167

00:09:34,550 --> 00:09:32,560

to share some of that uh today uh with

168

00:09:37,110 --> 00:09:34,560

uh the fade to black audience and with

169

00:09:38,870 --> 00:09:37,120

the oren audience and i want to jump

170

00:09:42,630 --> 00:09:38,880

right into what you were teaching which

171

00:09:44,230 --> 00:09:42,640

was on the emerald tablets so

172

00:09:46,389 --> 00:09:44,240

billy

173

00:09:47,990 --> 00:09:46,399

the emerald tablets how long have they

174

00:09:49,269 --> 00:09:48,000

been around

175

00:09:51,350 --> 00:09:49,279

who wrote

176

00:09:53,670 --> 00:09:51,360

yeah there's a little bit of controversy

177

00:09:55,430 --> 00:09:53,680

about the emerald tablets and the where

178

00:09:57,590 --> 00:09:55,440

the confusion comes in is that there's

179

00:09:59,829 --> 00:09:57,600

actually more than one set you have an

180

00:10:02,230 --> 00:09:59,839

emerald tablet singular

181

00:10:05,509 --> 00:10:02,240

and then you also have an emerald tablet

182

00:10:08,870 --> 00:10:05,519

ammo tablets plural okay and so there is

183

00:10:09,750 --> 00:10:08,880

a tablets um and the controversy stems

184

00:10:11,750 --> 00:10:09,760

around

185

00:10:13,509 --> 00:10:11,760

which which author actually were able to

186

00:10:15,590 --> 00:10:13,519

decode them which person was given the

187

00:10:17,269 --> 00:10:15,600

right to actually go and retrieve these

188

00:10:19,230 --> 00:10:17,279

they originally were written in the

189

00:10:22,069 --> 00:10:19,240

ancient land of kim

190

00:10:24,310 --> 00:10:22,079

pre-dynastic era we're talking about 36

191

00:10:26,069 --> 00:10:24,320

000 years ago and they made their way

192

00:10:26,949 --> 00:10:26,079

all the way over to mesoamerica when

193

00:10:29,190 --> 00:10:26,959

thought

194

00:10:31,190 --> 00:10:29,200

uh left out of the land of camp after

195

00:10:32,550 --> 00:10:31,200

ruling over the land they came for 14

196

00:10:34,389 --> 00:10:32,560

000 years

197

00:10:35,829 --> 00:10:34,399

he then left cam and went over to

198

00:10:38,350 --> 00:10:35,839

mesoamerica to kick start the

199

00:10:41,190 --> 00:10:38,360

teotihuacan civilization

200

00:10:42,630 --> 00:10:41,200

pre-mayan pre-mayan he went there with

201  
00:10:44,710 --> 00:10:42,640  
all mix

202  
00:10:46,790 --> 00:10:44,720  
and he built an entire advance super

203  
00:10:48,710 --> 00:10:46,800  
advanced civilization long before the

204  
00:10:51,509 --> 00:10:48,720  
mayans even got there

205  
00:10:53,430 --> 00:10:51,519  
he had the tablets uh with him

206  
00:10:56,550 --> 00:10:53,440  
in the 1920s

207  
00:10:57,910 --> 00:10:56,560  
uh a man was sent over to retrieve these

208  
00:11:00,550 --> 00:10:57,920  
tablets with approval from the great

209  
00:11:02,550 --> 00:11:00,560  
ripe the great white lodge and then

210  
00:11:04,790 --> 00:11:02,560  
brought these tablets back

211  
00:11:06,790 --> 00:11:04,800  
uh in route he was also given the

212  
00:11:09,750 --> 00:11:06,800  
approval uh to create his own

213  
00:11:11,829 --> 00:11:09,760

translation of the tablets which he did

214

00:11:13,269 --> 00:11:11,839

and the emerald tablet of hermes the

215

00:11:15,990 --> 00:11:13,279

singular tablet

216

00:11:18,710 --> 00:11:16,000

was translated by sir isaac newton and

217

00:11:21,190 --> 00:11:18,720

that is located in the cambridge library

218

00:11:23,750 --> 00:11:21,200

uh in england so you can see that tab

219

00:11:25,590 --> 00:11:23,760

but the other tablets plural have made

220

00:11:28,470 --> 00:11:25,600

their way into the vatican archives and

221

00:11:30,069 --> 00:11:28,480

the five mount underground archives

222

00:11:31,500 --> 00:11:30,079

okay so

223

00:11:32,710 --> 00:11:31,510

how did you become

224

00:11:35,030 --> 00:11:32,720

[Music]

225

00:11:37,590 --> 00:11:35,040

this wonderful scholar

226

00:11:39,030 --> 00:11:37,600

on this material

227

00:11:40,949 --> 00:11:39,040

well you know i i came across the

228

00:11:42,389 --> 00:11:40,959

emerald tablets of both and the emerald

229

00:11:44,630 --> 00:11:42,399

tablet of hermes

230

00:11:46,230 --> 00:11:44,640

uh quite some years ago

231

00:11:49,269 --> 00:11:46,240

and i started reading it and the first

232

00:11:50,949 --> 00:11:49,279

time i read it it really did what

233

00:11:52,470 --> 00:11:50,959

exactly what the

234

00:11:54,230 --> 00:11:52,480

you know what the preface said it would

235

00:11:56,389 --> 00:11:54,240

open up different avenues of

236

00:11:59,110 --> 00:11:56,399

enlightenment inside of your mind

237

00:12:00,389 --> 00:11:59,120

and the more i read it the more i

238

00:12:02,150 --> 00:12:00,399

started to see the more i started to

239

00:12:04,310 --> 00:12:02,160

understand like the greater my

240

00:12:05,590 --> 00:12:04,320

consciousness was growing

241

00:12:07,829 --> 00:12:05,600

and so i started

242

00:12:10,069 --> 00:12:07,839

talking about it a little bit and some

243

00:12:11,750 --> 00:12:10,079

people had come across this work and had

244

00:12:13,190 --> 00:12:11,760

been going through it and trying to

245

00:12:14,710 --> 00:12:13,200

understand it

246

00:12:16,310 --> 00:12:14,720

and a lot of the people who were just

247

00:12:18,629 --> 00:12:16,320

understanding uh

248

00:12:20,389 --> 00:12:18,639

some more of the spiritual aspect or

249

00:12:22,310 --> 00:12:20,399

trying to grasp the spiritual aspect but

250

00:12:24,790 --> 00:12:22,320

i saw not just a spiritual

251

00:12:27,350 --> 00:12:24,800

i saw quantum physics i saw quantum

252

00:12:30,230 --> 00:12:27,360

mechanics i saw standard physics and i

253

00:12:32,150 --> 00:12:30,240

also saw advanced technology

254

00:12:34,230 --> 00:12:32,160

and the more people i talked to they

255

00:12:35,910 --> 00:12:34,240

were trying to wrap their heads around

256

00:12:38,389 --> 00:12:35,920

the whole thing but i was able to see

257

00:12:40,550 --> 00:12:38,399

all the different correlations uh with

258

00:12:42,470 --> 00:12:40,560

what we call now the modern era and some

259

00:12:44,710 --> 00:12:42,480

of the rediscoveries i like to call them

260

00:12:46,389 --> 00:12:44,720

that we've got now so i started digging

261

00:12:47,829 --> 00:12:46,399

real deep into the tablets and after

262

00:12:50,069 --> 00:12:47,839

going through the tablets and reading

263

00:12:52,629 --> 00:12:50,079

them well over a hundred times

264

00:12:54,870 --> 00:12:52,639

analyzing every single verse every line

265

00:12:56,870 --> 00:12:54,880

every word breaking everything down and

266

00:12:58,870 --> 00:12:56,880

then making the correlations and you

267

00:13:01,190 --> 00:12:58,880

know in my mind and my notes

268

00:13:03,910 --> 00:13:01,200

to what we what we have now in my in the

269

00:13:06,550 --> 00:13:03,920

modern era i realized i was looking at a

270

00:13:09,910 --> 00:13:06,560

sophisticated piece of work that tied

271

00:13:12,629 --> 00:13:09,920

spirituality to science and also tied

272

00:13:14,310 --> 00:13:12,639

that to advanced technologies

273

00:13:16,310 --> 00:13:14,320

uh you know that that we would think

274

00:13:17,269 --> 00:13:16,320

would be futuristic but happened back

275

00:13:20,550 --> 00:13:17,279

then

276

00:13:22,310 --> 00:13:20,560

uh well yeah billy in in

277

00:13:26,069 --> 00:13:22,320

putting it together

278

00:13:28,310 --> 00:13:26,079

what is their significance for us people

279

00:13:30,069 --> 00:13:28,320

that are living in this era what's the

280

00:13:31,990 --> 00:13:30,079

significance for us

281

00:13:33,990 --> 00:13:32,000

it's a huge significance as i'm glad you

282

00:13:37,110 --> 00:13:34,000

asked that question so the emerald

283

00:13:38,790 --> 00:13:37,120

tablets were written for us right now in

284

00:13:40,790 --> 00:13:38,800

this current day

285

00:13:42,790 --> 00:13:40,800

even though they were written back then

286

00:13:44,870 --> 00:13:42,800

the writer knew that the people

287

00:13:46,949 --> 00:13:44,880

would never be able to grasp the true

288

00:13:49,509 --> 00:13:46,959

meaning and knowledge and wisdom and the

289

00:13:50,949 --> 00:13:49,519

esoteric knowledge in them until the era

290

00:13:53,430 --> 00:13:50,959

that we are in now we've actually

291

00:13:55,670 --> 00:13:53,440

arrived at the moment of time where

292

00:13:57,590 --> 00:13:55,680

we're supposed to be able to to not only

293

00:13:59,350 --> 00:13:57,600

read them understand them digest them

294

00:14:01,110 --> 00:13:59,360

but actually take action on them and

295

00:14:05,110 --> 00:14:01,120

what it means for us

296

00:14:06,310 --> 00:14:05,120

is to understand the dichotomy of of yin

297

00:14:08,310 --> 00:14:06,320

and yang

298

00:14:10,150 --> 00:14:08,320

and that we can't

299

00:14:12,230 --> 00:14:10,160

uh fight evil

300

00:14:13,750 --> 00:14:12,240

because evil exists evil permeates

301

00:14:16,550 --> 00:14:13,760

universe just like

302

00:14:18,389 --> 00:14:16,560

uh good and light permeates the universe

303

00:14:20,150 --> 00:14:18,399

what's interesting although from the

304

00:14:21,750 --> 00:14:20,160

lessons from the animal tablets it

305

00:14:23,110 --> 00:14:21,760

teaches you that instead of fighting

306

00:14:24,790 --> 00:14:23,120

evil you have to learn how to control

307

00:14:28,150 --> 00:14:24,800

evil okay

308

00:14:31,269 --> 00:14:28,160

and it shows you where where over time

309

00:14:33,910 --> 00:14:31,279

things are cyclical and light always

310

00:14:36,150 --> 00:14:33,920

seems to take over the darkness because

311

00:14:37,750 --> 00:14:36,160

right now i'm in a room full of light

312

00:14:40,230 --> 00:14:37,760

and there's no way that i can turn on

313

00:14:42,790 --> 00:14:40,240

something dark to make the light flee

314

00:14:45,189 --> 00:14:42,800

but if i turn this room dark and turn on

315

00:14:49,030 --> 00:14:45,199

a pen light light will fl uh darkness

316

00:14:52,949 --> 00:14:51,189

right exactly sort of showing us he

317

00:14:54,949 --> 00:14:52,959

teaches us to use a light in our

318

00:14:56,230 --> 00:14:54,959

consciousness in our mind that our mind

319

00:14:57,670 --> 00:14:56,240

is a lamp

320

00:14:59,430 --> 00:14:57,680

and through that lamp and through

321

00:15:01,430 --> 00:14:59,440

achieving higher levels of understanding

322

00:15:03,829 --> 00:15:01,440

through the three through these works

323

00:15:05,269 --> 00:15:03,839

unconditional love for everyone being of

324

00:15:07,990 --> 00:15:05,279

service to others

325

00:15:08,790 --> 00:15:08,000

all those kind of incredible uh you know

326

00:15:11,269 --> 00:15:08,800

uh

327

00:15:14,310 --> 00:15:11,279

things and affirmations that we live on

328

00:15:16,710 --> 00:15:14,320

that we act on they will create this new

329

00:15:18,629 --> 00:15:16,720

frequency of consciousness that becomes

330

00:15:21,430 --> 00:15:18,639

a conscious virus and spreads through

331

00:15:23,430 --> 00:15:21,440

everybody and then that ushers mankind

332

00:15:25,750 --> 00:15:23,440

back into a new golden age

333

00:15:27,829 --> 00:15:25,760

now i'm really glad that you're

334

00:15:30,230 --> 00:15:27,839

drilling down on this because the world

335

00:15:31,990 --> 00:15:30,240

certainly needs it now

336

00:15:35,749 --> 00:15:32,000

so first of all it's almost like this

337

00:15:38,870 --> 00:15:35,759

was a a time capsule that was left

338

00:15:40,790 --> 00:15:38,880

that was ready to be opened and digested

339

00:15:41,590 --> 00:15:40,800

at this particular time

340

00:15:44,150 --> 00:15:41,600

now

341

00:15:46,629 --> 00:15:44,160

some of those gold and nuggets and

342

00:15:50,550 --> 00:15:46,639

they've been said many many times by

343

00:15:52,150 --> 00:15:50,560

many many great teachers or avatars or

344

00:15:54,870 --> 00:15:52,160

that have come

345

00:15:57,990 --> 00:15:54,880

but it seems like it's so hard for

346

00:15:59,990 --> 00:15:58,000

mankind to get them can you just recite

347

00:16:01,749 --> 00:16:00,000

a few of them please

348

00:16:04,069 --> 00:16:01,759

uh which ones the

349

00:16:06,389 --> 00:16:04,079

where you were saying to how we should

350

00:16:07,670 --> 00:16:06,399

treat one another oh yes okay gotcha the

351

00:16:09,350 --> 00:16:07,680

affirmations well

352

00:16:11,749 --> 00:16:09,360

the first thing is well we're talking

353

00:16:12,949 --> 00:16:11,759

now pretty much about the 42 laws of

354

00:16:14,870 --> 00:16:12,959

mayot

355

00:16:16,710 --> 00:16:14,880

and i actually would like to just drop a

356

00:16:18,150 --> 00:16:16,720

couple of them on here because that

357

00:16:20,069 --> 00:16:18,160

would actually be a good thing to do a

358

00:16:21,749 --> 00:16:20,079

lot of people need to hear these this is

359

00:16:24,230 --> 00:16:21,759

where the uh

360

00:16:25,269 --> 00:16:24,240

the ten commandments were extracted from

361

00:16:27,269 --> 00:16:25,279

okay

362

00:16:29,269 --> 00:16:27,279

they're so they're really the 42 ideals

363

00:16:31,749 --> 00:16:29,279

of maya but you can also call them the

364

00:16:33,350 --> 00:16:31,759

42 laws of mayot

365

00:16:36,550 --> 00:16:33,360

they're called by a couple different

366

00:16:37,430 --> 00:16:36,560

names and mayot by the way is thoth's

367

00:16:38,790 --> 00:16:37,440

wife

368

00:16:40,949 --> 00:16:38,800

okay

369

00:16:44,389 --> 00:16:40,959

and uh so

370

00:16:46,870 --> 00:16:44,399

she's she actually was his wife and um

371

00:16:48,949 --> 00:16:46,880

and she was the person that really was

372

00:16:50,949 --> 00:16:48,959

the first one in what we call ancient

373

00:16:53,509 --> 00:16:50,959

history to begin to teach

374

00:16:55,189 --> 00:16:53,519

positive affirmations okay

375

00:16:57,269 --> 00:16:55,199

and so i'm going to pull these up real

376

00:16:59,030 --> 00:16:57,279

quick and just go through them uh if i

377

00:17:01,590 --> 00:16:59,040

could here just for a quick second that

378

00:17:04,549 --> 00:17:01,600

would be great yeah and what's beautiful

379

00:17:06,390 --> 00:17:04,559

about this is maya the the actual

380

00:17:08,630 --> 00:17:06,400

pyramid of the moon

381

00:17:09,669 --> 00:17:08,640

um in

382

00:17:12,549 --> 00:17:09,679

uh

383

00:17:14,390 --> 00:17:12,559

in teotihuacan where thoht went to build

384

00:17:16,309 --> 00:17:14,400

the mesoamerican

385

00:17:18,470 --> 00:17:16,319

uh civilization

386

00:17:21,189 --> 00:17:18,480

the pyramid of the moon was dedicated to

387

00:17:23,669 --> 00:17:21,199

mayot and it was built it's actually not

388

00:17:26,390 --> 00:17:23,679

one pyramid the pyramid of the moon is

389

00:17:28,789 --> 00:17:26,400

actually eight pyramids stacked on top

390

00:17:30,950 --> 00:17:28,799

of each other in a fractal pattern

391

00:17:32,390 --> 00:17:30,960

which is pretty interesting

392

00:17:33,909 --> 00:17:32,400

okay let me see if i can pull this up

393

00:17:34,870 --> 00:17:33,919

here and just recite this for you real

394

00:17:36,950 --> 00:17:34,880

quick

395

00:17:38,549 --> 00:17:36,960

but it's been it's it's been an amazing

396

00:17:40,549 --> 00:17:38,559

ride just be able to digest this

397

00:17:41,909 --> 00:17:40,559

information and learn about it and dig

398

00:17:43,830 --> 00:17:41,919

into it

399

00:17:45,430 --> 00:17:43,840

and i'm gonna drop you some of the

400

00:17:48,310 --> 00:17:45,440

knowledge of mayot right here some of

401  
00:17:50,150 --> 00:17:48,320  
the original affirmations

402  
00:17:52,630 --> 00:17:50,160  
42 okay

403  
00:17:56,549 --> 00:17:52,640  
i honor virtue

404  
00:17:59,270 --> 00:17:56,559  
i benefit with gratitude i am peaceful

405  
00:18:02,710 --> 00:17:59,280  
i respect the property of others

406  
00:18:05,430 --> 00:18:02,720  
i affirm that all life is sacred

407  
00:18:07,270 --> 00:18:05,440  
i give offerings that are genuine

408  
00:18:10,549 --> 00:18:07,280  
i live in truth

409  
00:18:12,710 --> 00:18:10,559  
i regard all alters with respect

410  
00:18:15,750 --> 00:18:12,720  
i speak with sincerity

411  
00:18:18,470 --> 00:18:15,760  
i consume only my fair share

412  
00:18:20,630 --> 00:18:18,480  
i offer words of good intent

413  
00:18:23,590 --> 00:18:20,640

i relate in peace

414

00:18:25,590 --> 00:18:23,600

i honor animals with reverence

415

00:18:27,510 --> 00:18:25,600

i can be trusted

416

00:18:29,830 --> 00:18:27,520

i care for the earth

417

00:18:32,230 --> 00:18:29,840

i keep my own counsel

418

00:18:35,029 --> 00:18:32,240

i speak positively of others

419

00:18:38,150 --> 00:18:35,039

i remain in balance with my emotions

420

00:18:40,630 --> 00:18:38,160

i am trustful in my relationships

421

00:18:42,390 --> 00:18:40,640

i hold purity in high esteem

422

00:18:44,470 --> 00:18:42,400

i spread joy

423

00:18:46,710 --> 00:18:44,480

i do the best i can

424

00:18:49,270 --> 00:18:46,720

i communicate with compassion

425

00:18:51,190 --> 00:18:49,280

i listen to opposing opinions

426  
00:18:53,270 --> 00:18:51,200  
i create harmony

427  
00:18:56,390 --> 00:18:53,280  
i invoke laughter

428  
00:18:57,750 --> 00:18:56,400  
i am open to love in various forms i am

429  
00:18:59,190 --> 00:18:57,760  
forgiving

430  
00:19:01,510 --> 00:18:59,200  
i am kind

431  
00:19:03,270 --> 00:19:01,520  
i act respectfully of others

432  
00:19:05,750 --> 00:19:03,280  
i am accepting

433  
00:19:08,070 --> 00:19:05,760  
i follow my inner guidance

434  
00:19:11,190 --> 00:19:08,080  
i converse with awareness

435  
00:19:14,070 --> 00:19:11,200  
i do good i give blessings

436  
00:19:15,110 --> 00:19:14,080  
i keep the waters pure i speak with good

437  
00:19:17,830 --> 00:19:15,120  
intent

438  
00:19:19,190 --> 00:19:17,840

i praise the goddess and the god

439

00:19:22,070 --> 00:19:19,200

i am humble

440

00:19:25,270 --> 00:19:22,080

i achieve with integrity i advance

441

00:19:27,190 --> 00:19:25,280

through my own abilities i embraced the

442

00:19:28,549 --> 00:19:27,200

all

443

00:19:31,669 --> 00:19:28,559

powerful what

444

00:19:34,630 --> 00:19:31,679

what a wonderful planet we would have

445

00:19:36,470 --> 00:19:34,640

yeah if we just embraced

446

00:19:38,870 --> 00:19:36,480

these teachings it doesn't seem like it

447

00:19:42,710 --> 00:19:38,880

should be so hard but and yet

448

00:19:47,669 --> 00:19:42,720

and yet it is yeah uh so many just just

449

00:19:48,470 --> 00:19:47,679

strike me i consume only my fair share

450

00:19:53,350 --> 00:19:48,480

yeah

451  
00:19:55,590 --> 00:19:53,360  
now are these

452  
00:19:57,029 --> 00:19:55,600  
listings are these in your book

453  
00:19:58,950 --> 00:19:57,039  
yes yeah absolutely in the book

454  
00:20:01,110 --> 00:19:58,960  
compendium of the emerald tablets yeah

455  
00:20:03,510 --> 00:20:01,120  
okay so we will get into your book a

456  
00:20:06,390 --> 00:20:03,520  
little later excuse me

457  
00:20:08,789 --> 00:20:06,400  
so that's great uh thank you for for

458  
00:20:11,190 --> 00:20:08,799  
sharing that well actually let's get

459  
00:20:14,070 --> 00:20:11,200  
into the book now one of your newest

460  
00:20:16,789 --> 00:20:14,080  
bestsellers the compendium

461  
00:20:18,230 --> 00:20:16,799  
of the emerald tablets i even like the

462  
00:20:21,830 --> 00:20:18,240  
title billy

463  
00:20:23,510 --> 00:20:21,840

yeah so what does the title

464

00:20:25,909 --> 00:20:23,520

allure to

465

00:20:26,789 --> 00:20:25,919

well a compendium is when you take

466

00:20:36,470 --> 00:20:26,799

a

467

00:20:37,990 --> 00:20:36,480

discerned

468

00:20:40,149 --> 00:20:38,000

and so when i was going through the

469

00:20:41,909 --> 00:20:40,159

emerald tablets and trying to find a way

470

00:20:43,669 --> 00:20:41,919

to explain the knowledge and wisdom that

471

00:20:45,190 --> 00:20:43,679

was encoded in it

472

00:20:47,430 --> 00:20:45,200

i realized that i had to create a

473

00:20:49,029 --> 00:20:47,440

compendium so i called it the

474

00:20:52,310 --> 00:20:49,039

pentium of the emerald tablets a

475

00:20:56,710 --> 00:20:54,950

well it's heavy material

476

00:20:58,710 --> 00:20:56,720

so i i would think that we all need a

477

00:21:01,190 --> 00:20:58,720

beginner's guide what are some of the

478

00:21:02,870 --> 00:21:01,200

other things that you have in the book

479

00:21:05,669 --> 00:21:02,880

well the book is really interesting in

480

00:21:08,470 --> 00:21:05,679

that it really begins to uh expose the

481

00:21:10,310 --> 00:21:08,480

fact that ufos have been around

482

00:21:12,870 --> 00:21:10,320

since ancient times

483

00:21:14,390 --> 00:21:12,880

and the very first scene in the emerald

484

00:21:17,590 --> 00:21:14,400

tablets of thoth

485

00:21:20,230 --> 00:21:17,600

uh his father who's actually enki but in

486

00:21:22,870 --> 00:21:20,240

in the uh tablets he's called thought me

487

00:21:25,190 --> 00:21:22,880

sends his son thoth on a mission to the

488

00:21:27,590 --> 00:21:25,200

land of kim because the great flood

489

00:21:30,149 --> 00:21:27,600

another flood reference has now started

490

00:21:32,390 --> 00:21:30,159

to reside and the great ancient temples

491

00:21:34,870 --> 00:21:32,400

were coming up out of the mud but it had

492

00:21:37,270 --> 00:21:34,880

been so long that these flood waters had

493

00:21:38,789 --> 00:21:37,280

ravaged the land that people had gone

494

00:21:40,070 --> 00:21:38,799

back to a barbaric state of being in

495

00:21:41,750 --> 00:21:40,080

other words they forgot all the

496

00:21:43,029 --> 00:21:41,760

advancements they forgot the technology

497

00:21:44,710 --> 00:21:43,039

forgot the construction technique they

498

00:21:46,950 --> 00:21:44,720

had gone to living inside of caves and

499

00:21:48,870 --> 00:21:46,960

so forth so his dad sends him to the

500

00:21:51,990 --> 00:21:48,880

land of chem which is ancient egypt long

501  
00:21:53,990 --> 00:21:52,000  
before the dynastic era and says to uh

502  
00:21:56,390 --> 00:21:54,000  
bring them back up to a high level of

503  
00:21:58,789 --> 00:21:56,400  
civilization so bring them back up

504  
00:22:01,270 --> 00:21:58,799  
meaning they at one point in the past

505  
00:22:02,630 --> 00:22:01,280  
were already at a high level before this

506  
00:22:04,310 --> 00:22:02,640  
catastrophe before this global

507  
00:22:06,870 --> 00:22:04,320  
catastrophe happened

508  
00:22:10,230 --> 00:22:06,880  
now what happens is he he tells his he

509  
00:22:11,909 --> 00:22:10,240  
tells thoth to get into the great ship

510  
00:22:14,070 --> 00:22:11,919  
and take his crew with him so he gets

511  
00:22:16,549 --> 00:22:14,080  
into the great ship and you think okay

512  
00:22:19,270 --> 00:22:16,559  
he's going to sail to a camp no it says

513  
00:22:21,669 --> 00:22:19,280

they begin to rise into the sky

514

00:22:24,070 --> 00:22:21,679

until they can see the planet no more

515

00:22:26,230 --> 00:22:24,080

they actually rose into space

516

00:22:28,310 --> 00:22:26,240

until they got to the place appointed

517

00:22:29,990 --> 00:22:28,320

which was the land of kim and he can see

518

00:22:31,830 --> 00:22:30,000

the land of kim and the barbarians

519

00:22:34,630 --> 00:22:31,840

beneath him

520

00:22:37,909 --> 00:22:34,640

so this is evidence of ufos or something

521

00:22:40,470 --> 00:22:37,919

of a flying object that then descends

522

00:22:42,149 --> 00:22:40,480

near this ancient temple and when he

523

00:22:45,110 --> 00:22:42,159

opens the door

524

00:22:46,789 --> 00:22:45,120

these barbarians come to come to attack

525

00:22:47,990 --> 00:22:46,799

him and his crew with these clutches and

526

00:22:50,390 --> 00:22:48,000

spears

527

00:22:52,710 --> 00:22:50,400

uh and he raises his staff and he sends

528

00:22:54,149 --> 00:22:52,720

out a ray of vibration stopping him

529

00:22:57,669 --> 00:22:54,159

still at a stone in the mountains so he

530

00:23:00,149 --> 00:22:57,679

has a a ray gun of some form which i

531

00:23:01,750 --> 00:23:00,159

liken to the active denial system in the

532

00:23:04,070 --> 00:23:01,760

military so i go over this in the book

533

00:23:06,230 --> 00:23:04,080

we have a a similar device in the

534

00:23:08,470 --> 00:23:06,240

military where we can send a ray of

535

00:23:10,789 --> 00:23:08,480

vibration at a crowd of people looking

536

00:23:12,630 --> 00:23:10,799

to attack people looking to riot

537

00:23:15,190 --> 00:23:12,640

and we can make them feel like they're

538

00:23:16,470 --> 00:23:15,200

in pain we can make them freeze we can

539

00:23:18,310 --> 00:23:16,480

make them feel like they have to throw

540

00:23:20,390 --> 00:23:18,320

up so we have this device called the act

541

00:23:22,470 --> 00:23:20,400

of denial so filth is displaying this

542

00:23:24,310 --> 00:23:22,480

exact same technology

543

00:23:25,909 --> 00:23:24,320

36 000 years ago

544

00:23:27,190 --> 00:23:25,919

it's pretty interesting stuff so we have

545

00:23:28,789 --> 00:23:27,200

advance we have evidence of that and

546

00:23:30,310 --> 00:23:28,799

then the fact that he says i build it

547

00:23:33,029 --> 00:23:30,320

the great pyramid

548

00:23:35,029 --> 00:23:33,039

pattern after earth's force now we just

549

00:23:37,430 --> 00:23:35,039

found out in more recent times that the

550

00:23:39,510 --> 00:23:37,440

great pyramid is a one by forty three

551  
00:23:41,110 --> 00:23:39,520  
uh thousand two hundred scale of the

552  
00:23:42,950 --> 00:23:41,120  
planet earth itself

553  
00:23:44,789 --> 00:23:42,960  
and all the other things that it does in

554  
00:23:45,750 --> 00:23:44,799  
that particular node that it's located

555  
00:23:48,230 --> 00:23:45,760  
on so

556  
00:23:50,630 --> 00:23:48,240  
it's giving us an insight to this

557  
00:23:52,789 --> 00:23:50,640  
you know this is ancient advanced

558  
00:23:55,430 --> 00:23:52,799  
civilization that was here and it was

559  
00:23:57,110 --> 00:23:55,440  
not only global but also interplanetary

560  
00:24:00,310 --> 00:23:57,120  
now people can

561  
00:24:02,710 --> 00:24:00,320  
uh obtain this book where and how

562  
00:24:04,950 --> 00:24:02,720  
uh you can get it on amazon.com and you

563  
00:24:06,630 --> 00:24:04,960

can also get it on my website forbidden

564

00:24:08,870 --> 00:24:06,640

knowledge dot com

565

00:24:11,029 --> 00:24:08,880

uh and so you can go there and um you

566

00:24:13,510 --> 00:24:11,039

can use a coupon code for bidding with

567

00:24:15,029 --> 00:24:13,520

the number four on my website and on

568

00:24:16,310 --> 00:24:15,039

amazon i believe there's a coupon on

569

00:24:17,269 --> 00:24:16,320

there that's good till the end of the

570

00:24:20,149 --> 00:24:17,279

year

571

00:24:23,830 --> 00:24:20,159

okay great so forbidden knowledge dot

572

00:24:25,830 --> 00:24:23,840

com yeah now you've done major studies

573

00:24:28,710 --> 00:24:25,840

on ancient texts

574

00:24:30,710 --> 00:24:28,720

we could do an entire show just on

575

00:24:32,470 --> 00:24:30,720

on that subject

576

00:24:33,590 --> 00:24:32,480

but what were some of the highlights

577

00:24:37,269 --> 00:24:33,600

that

578

00:24:39,029 --> 00:24:37,279

studies

579

00:24:41,750 --> 00:24:39,039

well some of the biggest highlights that

580

00:24:43,510 --> 00:24:41,760

i come across is the fact that

581

00:24:46,710 --> 00:24:43,520

a lot of the references that have made

582

00:24:48,950 --> 00:24:46,720

it into modern religious books actually

583

00:24:49,990 --> 00:24:48,960

stem from these ancient tablets cylinder

584

00:24:52,630 --> 00:24:50,000

scrolls

585

00:24:54,870 --> 00:24:52,640

papyrus and so forth that have been

586

00:24:56,630 --> 00:24:54,880

left around and discovered you know you

587

00:24:57,510 --> 00:24:56,640

know over over the last few hundred

588

00:24:59,750 --> 00:24:57,520

years

589

00:25:03,110 --> 00:24:59,760

actually since uh just before about 100

590

00:25:04,789 --> 00:25:03,120

a.d to 900 a.d a lot of these tablets

591

00:25:07,350 --> 00:25:04,799

and scriptures and papyrus's have been

592

00:25:08,950 --> 00:25:07,360

discovered in in vases and caves and all

593

00:25:11,669 --> 00:25:08,960

over the place and

594

00:25:13,669 --> 00:25:11,679

and uh and some of them were deciphered

595

00:25:16,549 --> 00:25:13,679

like the ones uh

596

00:25:19,110 --> 00:25:16,559

by uh george smith who deciphered a lot

597

00:25:22,630 --> 00:25:19,120

of the uh acadian and the sumerian

598

00:25:23,990 --> 00:25:22,640

cuneiform tablets in the 1800s

599

00:25:25,510 --> 00:25:24,000

all of a sudden you realize through

600

00:25:27,990 --> 00:25:25,520

these stories you read in these newer

601  
00:25:29,830 --> 00:25:28,000  
religious books new meaning between 180

602  
00:25:31,990 --> 00:25:29,840  
to 900 that's when the bible was written

603  
00:25:34,070 --> 00:25:32,000  
between 180 and 900 a.d it wasn't

604  
00:25:35,750 --> 00:25:34,080  
written in real time they got a lot of

605  
00:25:38,310 --> 00:25:35,760  
this information directly from these

606  
00:25:40,470 --> 00:25:38,320  
ancient tablets it's i was just smiling

607  
00:25:41,269 --> 00:25:40,480  
because they were newer

608  
00:25:45,110 --> 00:25:41,279  
yeah

609  
00:25:46,789 --> 00:25:45,120  
into the new age i'm like actually i'm

610  
00:25:49,430 --> 00:25:46,799  
into old age

611  
00:25:52,310 --> 00:25:49,440  
i'm into the ancient stuff

612  
00:25:54,070 --> 00:25:52,320  
well you you've done such a fascinating

613  
00:25:56,630 --> 00:25:54,080

deep dive into these things we're going

614

00:25:57,590 --> 00:25:56,640

to explore more we're taking our first

615

00:25:59,430 --> 00:25:57,600

break

616

00:26:02,149 --> 00:25:59,440

we'll be right back this is leon isaac

617

00:26:08,890 --> 00:26:02,159

kennedy with the fascinating

618

00:26:27,830 --> 00:26:11,750

[Music]

619

00:26:33,190 --> 00:26:29,909

what about the comments

620

00:26:37,029 --> 00:26:33,200

in the bible about being created

621

00:26:39,990 --> 00:26:37,039

in god's image right does that suggest

622

00:26:42,149 --> 00:26:40,000

that these other e.t races out there are

623

00:26:44,390 --> 00:26:42,159

all created in the same image and why

624

00:26:45,350 --> 00:26:44,400

would we be surprised if they look like

625

00:26:48,470 --> 00:26:45,360

us

626

00:26:49,830 --> 00:26:48,480

well if if they aren't

627

00:26:51,590 --> 00:26:49,840

and we are

628

00:26:53,750 --> 00:26:51,600

that would be one of the main reasons

629

00:26:56,390 --> 00:26:53,760

they'd be here because they'd be very

630

00:26:57,510 --> 00:26:56,400

interested in us sure for sure

631

00:27:00,070 --> 00:26:57,520

um

632

00:27:01,350 --> 00:27:00,080

very interested i i i believe when

633

00:27:03,510 --> 00:27:01,360

they're talking about we're made in

634

00:27:05,510 --> 00:27:03,520

god's image it's not a physical flesh

635

00:27:07,269 --> 00:27:05,520

and blood being it's a it's a spiritual

636

00:27:09,350 --> 00:27:07,279

limit we don't take it literally we

637

00:27:11,190 --> 00:27:09,360

don't take that that literally no but

638

00:27:13,110 --> 00:27:11,200

that's important because that is the

639

00:27:15,909 --> 00:27:13,120

context of our times as well if you

640

00:27:18,470 --> 00:27:15,919

subscribe to the ending of christianity

641

00:27:20,230 --> 00:27:18,480

the book of revelation then we have some

642

00:27:22,070 --> 00:27:20,240

people that will begin to worship the

643

00:27:23,909 --> 00:27:22,080

image of the beast which is opposed to

644

00:27:26,310 --> 00:27:23,919

the image of god that we're made in the

645

00:27:27,830 --> 00:27:26,320

image of so we could be talking about a

646

00:27:29,590 --> 00:27:27,840

different type of species a different

647

00:27:31,510 --> 00:27:29,600

race that suddenly appears on the planet

648

00:27:33,510 --> 00:27:31,520

it could be robotic could be some kind

649

00:27:35,430 --> 00:27:33,520

of synthetic being that people are there

650

00:27:37,750 --> 00:27:35,440

some portions of the text that we should

651  
00:27:39,669 --> 00:27:37,760  
take literally like

652  
00:27:42,630 --> 00:27:39,679  
as it is written well jimmy this is

653  
00:27:45,669 --> 00:27:42,640  
saying god created mankind in his image

654  
00:27:48,549 --> 00:27:45,679  
and man promptly returned the favor

655  
00:27:51,909 --> 00:27:48,559  
and to me that means man has such a

656  
00:27:55,590 --> 00:27:51,919  
giant ego that everything centers around

657  
00:27:58,710 --> 00:27:55,600  
him right so who god is spirit right

658  
00:28:00,870 --> 00:27:58,720  
so there is no real image see that's my

659  
00:28:03,029 --> 00:28:00,880  
ego i was always hoping

660  
00:28:05,110 --> 00:28:03,039  
god looked like me

661  
00:28:07,830 --> 00:28:05,120  
but but just but that's

662  
00:28:10,149 --> 00:28:07,840  
but back to but back to the point where

663  
00:28:11,990 --> 00:28:10,159

we take some of this text literally we

664

00:28:14,630 --> 00:28:12,000

read it word for word

665

00:28:15,669 --> 00:28:14,640

you know reptilians and and light beings

666

00:28:21,909 --> 00:28:15,679

and

667

00:28:24,310 --> 00:28:21,919

literally is there another reason to to

668

00:28:26,149 --> 00:28:24,320

maybe not

669

00:28:27,669 --> 00:28:26,159

well i think there's it's all a matter

670

00:28:29,909 --> 00:28:27,679

of interpretation as i was saying

671

00:28:31,430 --> 00:28:29,919

earlier that i i think these two these

672

00:28:33,350 --> 00:28:31,440

beings do take on reptilian

673

00:28:34,950 --> 00:28:33,360

characteristics some do appear as light

674

00:28:36,470 --> 00:28:34,960

beings and they they can appear in other

675

00:28:40,210 --> 00:28:36,480

forms that we're not even aware of yet

676

00:29:28,070 --> 00:28:47,360

[Music]

677

00:29:32,789 --> 00:29:30,870

okay i see that we are i see billy so

678

00:29:35,669 --> 00:29:32,799

that means we're back on this is leon

679

00:29:38,149 --> 00:29:35,679

isaac kennedy and i'm doing a deep

680

00:29:40,470 --> 00:29:38,159

dive with who i call

681

00:29:43,190 --> 00:29:40,480

truly a renaissance man

682

00:29:44,710 --> 00:29:43,200

billy carson i i call him a renaissance

683

00:29:47,669 --> 00:29:44,720

man because

684

00:29:50,630 --> 00:29:47,679

he's an entrepreneur extraordinaire

685

00:29:53,990 --> 00:29:50,640

he's a scholar extraordinaire and he's a

686

00:29:56,470 --> 00:29:54,000

self-made man i i just have so much

687

00:29:58,070 --> 00:29:56,480

honor and respect for you billy so

688

00:29:59,830 --> 00:29:58,080

thank you thank you

689

00:30:01,590 --> 00:29:59,840

for sharing time out of your busy

690

00:30:04,149 --> 00:30:01,600

schedule with us

691

00:30:05,350 --> 00:30:04,159

paul hilliard former defense minister of

692

00:30:08,950 --> 00:30:05,360

canada

693

00:30:10,789 --> 00:30:08,960

and that's a very serious position

694

00:30:13,590 --> 00:30:10,799

defense minister

695

00:30:14,950 --> 00:30:13,600

stated he believed that we have

696

00:30:16,389 --> 00:30:14,960

bases

697

00:30:18,630 --> 00:30:16,399

on mars

698

00:30:20,630 --> 00:30:18,640

i wanted to know your thoughts

699

00:30:23,510 --> 00:30:20,640

oh yeah and rest in peace paul hellyer

700

00:30:24,950 --> 00:30:23,520

um you know you know thank you for the

701

00:30:27,190 --> 00:30:24,960

courage first of all to even come out

702

00:30:28,389 --> 00:30:27,200

and talk because he didn't have to say

703

00:30:29,590 --> 00:30:28,399

anything you know he could have just

704

00:30:31,190 --> 00:30:29,600

kept quiet

705

00:30:32,789 --> 00:30:31,200

now this is a lot of stuff is based on

706

00:30:34,630 --> 00:30:32,799

his own research

707

00:30:36,549 --> 00:30:34,640

um but you have to respect the man who

708

00:30:37,590 --> 00:30:36,559

goes and does research and if some for

709

00:30:39,190 --> 00:30:37,600

some reason a lot of people don't want

710

00:30:42,389 --> 00:30:39,200

to do that these days

711

00:30:45,190 --> 00:30:42,399

now as far as bases on the moon uh my

712

00:30:48,149 --> 00:30:45,200

team called the united family of anomaly

713

00:30:51,350 --> 00:30:48,159

hunters yuffa ufah

714

00:30:52,630 --> 00:30:51,360

we have been cataloging images from nasa

715

00:30:55,149 --> 00:30:52,640

caltech

716

00:30:57,990 --> 00:30:55,159

uh ucla

717

00:30:59,830 --> 00:30:58,000

washington.edu the european space agency

718

00:31:02,149 --> 00:30:59,840

the russian space agency the chinese

719

00:31:05,669 --> 00:31:02,159

space agency and the indian space agency

720

00:31:07,830 --> 00:31:05,679

for years and we've now claw you know

721

00:31:10,950 --> 00:31:07,840

gone through uh over a million images

722

00:31:13,029 --> 00:31:10,960

and we've catalogued well now over 60

723

00:31:14,710 --> 00:31:13,039

000 anomalies

724

00:31:17,350 --> 00:31:14,720

the majority of them being i would say

725

00:31:18,950 --> 00:31:17,360

80 of these anomalies are on mars

726  
00:31:21,350 --> 00:31:18,960  
because that's where we have the most

727  
00:31:23,029 --> 00:31:21,360  
data and we have found remnants of

728  
00:31:24,549 --> 00:31:23,039  
ancient civilizations we find a

729  
00:31:27,029 --> 00:31:24,559  
combination of things some things that

730  
00:31:29,509 --> 00:31:27,039  
look very advanced and some things that

731  
00:31:31,830 --> 00:31:29,519  
look very ancient so this is there's

732  
00:31:33,110 --> 00:31:31,840  
this uh collage of

733  
00:31:35,430 --> 00:31:33,120  
things up there

734  
00:31:36,630 --> 00:31:35,440  
uh some things look broken and destroyed

735  
00:31:38,230 --> 00:31:36,640  
well a lot of them look broken and

736  
00:31:40,950 --> 00:31:38,240  
destroyed and look like they've been

737  
00:31:42,549 --> 00:31:40,960  
flooded or run over by mud flows and

738  
00:31:44,950 --> 00:31:42,559

some things look like they're perfectly

739

00:31:46,630 --> 00:31:44,960

intact and maybe even functioning now i

740

00:31:48,389 --> 00:31:46,640

don't i don't know if they are i'm just

741

00:31:50,310 --> 00:31:48,399

saying from my perspective and from the

742

00:31:51,669 --> 00:31:50,320

eye and some of these anomalies that

743

00:31:54,549 --> 00:31:51,679

we've downloaded that's what it looks

744

00:32:00,710 --> 00:31:55,990

so

745

00:32:02,149 --> 00:32:00,720

you have seen that there's evidence

746

00:32:04,549 --> 00:32:02,159

that

747

00:32:06,470 --> 00:32:04,559

there are things on mars so without a

748

00:32:08,389 --> 00:32:06,480

doubt but without a doubt yeah you can

749

00:32:09,990 --> 00:32:08,399

go and download this information it's

750

00:32:11,830 --> 00:32:10,000

it's free to the public to get these

751

00:32:13,909 --> 00:32:11,840

images and we provide source and the

752

00:32:15,830 --> 00:32:13,919

source link with all of our images so

753

00:32:17,509 --> 00:32:15,840

that people can actually take a look and

754

00:32:19,590 --> 00:32:17,519

the sumerian tablets

755

00:32:22,230 --> 00:32:19,600

they talk about you know the atrahasis

756

00:32:24,310 --> 00:32:22,240

epic and the and the um

757

00:32:25,350 --> 00:32:24,320

and the enumeration the seven tablets of

758

00:32:28,470 --> 00:32:25,360

creation

759

00:32:30,549 --> 00:32:28,480

there were beings on mars named the eg

760

00:32:32,389 --> 00:32:30,559

that were basically this working-class

761

00:32:33,990 --> 00:32:32,399

anunnaki and they were mining mars for

762

00:32:35,750 --> 00:32:34,000

resources

763

00:32:38,230 --> 00:32:35,760

all right and i'm going to get into the

764

00:32:39,590 --> 00:32:38,240

anunnaki in in a moment

765

00:32:41,909 --> 00:32:39,600

uh

766

00:32:43,750 --> 00:32:41,919

but i want to make a point about you

767

00:32:45,669 --> 00:32:43,760

years ago there was a

768

00:32:47,990 --> 00:32:45,679

show called lifestyles of the rich and

769

00:32:50,070 --> 00:32:48,000

famous as a matter of fact i was on that

770

00:32:51,269 --> 00:32:50,080

show they did an episode on me once upon

771

00:32:53,669 --> 00:32:51,279

a time

772

00:32:54,789 --> 00:32:53,679

but when it came to that show with robin

773

00:32:57,029 --> 00:32:54,799

leach

774

00:32:59,990 --> 00:32:57,039

i was the type of

775

00:33:01,350 --> 00:33:00,000

mindset i was not so interested billy in

776

00:33:03,990 --> 00:33:01,360

how a person

777

00:33:06,630 --> 00:33:04,000

lived in other words their house their

778

00:33:08,950 --> 00:33:06,640

lifestyle their number of cars or any of

779

00:33:11,830 --> 00:33:08,960

that what i wanted to do was get into

780

00:33:13,750 --> 00:33:11,840

that person's head so i can figure out

781

00:33:14,870 --> 00:33:13,760

what did you do

782

00:33:15,750 --> 00:33:14,880

so that you

783

00:33:18,149 --> 00:33:15,760

had

784

00:33:19,909 --> 00:33:18,159

whatever it took to live like that

785

00:33:22,950 --> 00:33:19,919

that's what i wanted to do was get into

786

00:33:27,110 --> 00:33:22,960

their head so when i run across

787

00:33:29,909 --> 00:33:27,120

a great scholar like yourself

788

00:33:32,710 --> 00:33:29,919

then i'm very interested in how do you

789

00:33:36,070 --> 00:33:32,720

obtain your knowledge what what are your

790

00:33:38,230 --> 00:33:36,080

disciplines to do the research and find

791

00:33:40,950 --> 00:33:38,240

the research that you do share that for

792

00:33:42,310 --> 00:33:40,960

our audience please sure absolutely well

793

00:33:43,990 --> 00:33:42,320

that's a good question a lot of people

794

00:33:46,149 --> 00:33:44,000

always want to know my what my routine

795

00:33:48,789 --> 00:33:46,159

is and it's a pretty strict routine i

796

00:33:51,350 --> 00:33:48,799

had so many people begging me to be you

797

00:33:52,789 --> 00:33:51,360

know a mentor for them and this one

798

00:33:55,750 --> 00:33:52,799

gentleman that i knew for years i said

799

00:33:57,590 --> 00:33:55,760

okay come on and he came over he by the

800

00:33:58,710 --> 00:33:57,600

third day he was saying he said billy

801  
00:34:00,149 --> 00:33:58,720  
i'm sorry man i didn't know it was like

802  
00:34:01,110 --> 00:34:00,159  
this i have to i can't do this i have to

803  
00:34:02,630 --> 00:34:01,120  
go home

804  
00:34:04,470 --> 00:34:02,640  
so

805  
00:34:06,470 --> 00:34:04,480  
but uh i typically sleep about four to

806  
00:34:08,149 --> 00:34:06,480  
four and a half hours a day and the

807  
00:34:09,669 --> 00:34:08,159  
evidence of that is on this ring this is

808  
00:34:11,510 --> 00:34:09,679  
the aura ring it tracks my sleep

809  
00:34:13,589 --> 00:34:11,520  
patterns and stuff and my average is

810  
00:34:16,470 --> 00:34:13,599  
about four to four and a half a day and

811  
00:34:18,310 --> 00:34:16,480  
i get very very good deep rem sleep and

812  
00:34:21,030 --> 00:34:18,320  
a good healthy sleep within that four p

813  
00:34:22,389 --> 00:34:21,040

hour period so i've trained my body that

814

00:34:24,389 --> 00:34:22,399

way i guess

815

00:34:26,790 --> 00:34:24,399

but i typically uh get up around four

816

00:34:27,829 --> 00:34:26,800

o'clock in the morning and sometimes 4

817

00:34:32,149 --> 00:34:27,839

30

818

00:34:35,510 --> 00:34:32,159

meditation sometimes 45 minutes

819

00:34:37,349 --> 00:34:35,520

depending on how i'm feeling after that

820

00:34:39,829 --> 00:34:37,359

i come down and

821

00:34:42,550 --> 00:34:39,839

do a little stretch get on my computer

822

00:34:44,710 --> 00:34:42,560

start following up with a lot of the

823

00:34:47,430 --> 00:34:44,720

projects that i have that are going to

824

00:34:49,109 --> 00:34:47,440

be future projects i start working down

825

00:34:51,829 --> 00:34:49,119

my reverse what i call my reverse

826

00:34:53,190 --> 00:34:51,839

engineering of achieving goals and on

827

00:34:55,430 --> 00:34:53,200

different things so i have a lot of

828

00:34:57,030 --> 00:34:55,440

things always going at one time

829

00:34:58,630 --> 00:34:57,040

and then i take a break and i always do

830

00:35:01,190 --> 00:34:58,640

the same thing every morning at seven

831

00:35:03,510 --> 00:35:01,200

a.m on the dock i eat breakfast at 00

832

00:35:05,109 --> 00:35:03,520

a.m exactly every single morning even

833

00:35:07,030 --> 00:35:05,119

when i'm traveling i try to hit that 7

834

00:35:08,870 --> 00:35:07,040

a.m number because

835

00:35:11,190 --> 00:35:08,880

uh i like to get breakfast out of the

836

00:35:12,630 --> 00:35:11,200

way and move on to the next thing i

837

00:35:13,670 --> 00:35:12,640

don't want to be lingering around next

838

00:35:14,950 --> 00:35:13,680

thing you know you're eating breakfast

839

00:35:16,470 --> 00:35:14,960

at 10 o'clock and all of a sudden it's

840

00:35:18,630 --> 00:35:16,480

12 o'clock in the afternoon

841

00:35:20,630 --> 00:35:18,640

so i get it out the way at seven a.m

842

00:35:23,270 --> 00:35:20,640

after seven a.m i move on to my next

843

00:35:25,670 --> 00:35:23,280

thing which is my checklist and my to-do

844

00:35:26,870 --> 00:35:25,680

list you know i go into my base camp and

845

00:35:28,310 --> 00:35:26,880

i go through all my to-do's and

846

00:35:29,190 --> 00:35:28,320

everything else and communicate with my

847

00:35:31,829 --> 00:35:29,200

team

848

00:35:33,510 --> 00:35:31,839

and see what the hot items are on the

849

00:35:35,910 --> 00:35:33,520

list for the day

850

00:35:37,349 --> 00:35:35,920

top priorities try to knock those out

851  
00:35:38,870 --> 00:35:37,359  
and the goal is always to try to knock

852  
00:35:40,230 --> 00:35:38,880  
out as many of the top priorities as

853  
00:35:42,470 --> 00:35:40,240  
possible

854  
00:35:43,990 --> 00:35:42,480  
and uh i usually take after that i take

855  
00:35:45,030 --> 00:35:44,000  
about maybe an hour hour and a half

856  
00:35:49,430 --> 00:35:45,040  
break

857  
00:35:51,510 --> 00:35:49,440  
usually studying something even if i'm

858  
00:35:53,270 --> 00:35:51,520  
reading a book and listening to an audio

859  
00:35:55,190 --> 00:35:53,280  
book at the same time so i'll listen to

860  
00:35:57,349 --> 00:35:55,200  
two i'll read two books simultaneously

861  
00:35:59,109 --> 00:35:57,359  
one in the physical form and one in

862  
00:36:00,710 --> 00:35:59,119  
audio in the ear piece

863  
00:36:03,109 --> 00:36:00,720

and i will study both books

864

00:36:04,710 --> 00:36:03,119

simultaneously and i have about a 75

865

00:36:05,990 --> 00:36:04,720

retention i've trained myself to do that

866

00:36:08,069 --> 00:36:06,000

pretty good

867

00:36:09,829 --> 00:36:08,079

um and then i get back to work again and

868

00:36:12,630 --> 00:36:09,839

i usually then take another break about

869

00:36:14,310 --> 00:36:12,640

three hours later and then i go work out

870

00:36:16,069 --> 00:36:14,320

because you gotta exercise

871

00:36:18,069 --> 00:36:16,079

this they gotta stay in shape

872

00:36:20,390 --> 00:36:18,079

and then after that i'm running errands

873

00:36:22,630 --> 00:36:20,400

i take my time to run my errands

874

00:36:25,349 --> 00:36:22,640

uh by that time it's time to eat a quick

875

00:36:27,829 --> 00:36:25,359

lunch i take a lunch down and it's right

876

00:36:29,030 --> 00:36:27,839

back to work again videos at that time

877

00:36:30,550 --> 00:36:29,040

by that time it's time for all the

878

00:36:31,829 --> 00:36:30,560

podcasts and the videos and the

879

00:36:32,950 --> 00:36:31,839

interviews and they're like i'm here

880

00:36:34,630 --> 00:36:32,960

right now

881

00:36:36,150 --> 00:36:34,640

so that's the time we're in that era

882

00:36:38,550 --> 00:36:36,160

we're in that spot right now when we get

883

00:36:40,710 --> 00:36:38,560

off of here then i gotta go do some

884

00:36:42,470 --> 00:36:40,720

lives on some of my networks because i

885

00:36:43,829 --> 00:36:42,480

have so many different channels that i

886

00:36:45,910 --> 00:36:43,839

go on

887

00:36:47,750 --> 00:36:45,920

i randomize where i'm going

888

00:36:49,750 --> 00:36:47,760

and then after that i take another break

889

00:36:51,270 --> 00:36:49,760

for about another hour sometimes i do a

890

00:36:54,230 --> 00:36:51,280

little cardio if i'm gonna watch

891

00:36:56,470 --> 00:36:54,240

something like a a a movie or a

892

00:36:59,270 --> 00:36:56,480

basketball game i'll do it while i'm

893

00:37:01,670 --> 00:36:59,280

working out inside of my home gym

894

00:37:03,430 --> 00:37:01,680

uh and then you know after that it's

895

00:37:04,870 --> 00:37:03,440

time for me to lay down

896

00:37:06,870 --> 00:37:04,880

by then it's close to midnight i lay

897

00:37:09,270 --> 00:37:06,880

down and i'm back up again at at four

898

00:37:11,589 --> 00:37:09,280

you know all right so

899

00:37:12,710 --> 00:37:11,599

when you're writing a book

900

00:37:15,109 --> 00:37:12,720

um

901  
00:37:17,670 --> 00:37:15,119  
whatever one of the books that of the

902  
00:37:20,150 --> 00:37:17,680  
many books that you've done

903  
00:37:21,910 --> 00:37:20,160  
how long does it take you normally to to

904  
00:37:23,270 --> 00:37:21,920  
write a book how long does it take you

905  
00:37:26,390 --> 00:37:23,280  
to research it

906  
00:37:28,230 --> 00:37:26,400  
um yeah well the research is decades you

907  
00:37:29,990 --> 00:37:28,240  
know a lot of like for the companion of

908  
00:37:31,349 --> 00:37:30,000  
the emerald tablets that was decades of

909  
00:37:34,069 --> 00:37:31,359  
research

910  
00:37:36,390 --> 00:37:34,079  
uh you know just culminating everything

911  
00:37:37,670 --> 00:37:36,400  
together to be able to

912  
00:37:39,190 --> 00:37:37,680  
you know when i started studying

913  
00:37:41,270 --> 00:37:39,200

aerospace from the encyclopedia

914

00:37:44,390 --> 00:37:41,280

britannica in the 1970s and then

915

00:37:47,990 --> 00:37:44,400

studying uh you know at you know

916

00:37:49,829 --> 00:37:48,000

astrophysics and in the uh early 2000s

917

00:37:51,430 --> 00:37:49,839

all the way up until current and

918

00:37:52,870 --> 00:37:51,440

astronomy and became an amateur

919

00:37:54,790 --> 00:37:52,880

astronomer and then getting into all

920

00:37:56,230 --> 00:37:54,800

these ancient tablets and stuff so that

921

00:37:57,589 --> 00:37:56,240

was a culmination of all that knowledge

922

00:37:59,270 --> 00:37:57,599

inside of me when it came down to

923

00:38:00,870 --> 00:37:59,280

finally writing the book

924

00:38:03,430 --> 00:38:00,880

i made a commitment to myself that i

925

00:38:05,349 --> 00:38:03,440

would do a chapter a day for 15 days

926  
00:38:06,710 --> 00:38:05,359  
and i shut everything off i blocked

927  
00:38:09,030 --> 00:38:06,720  
everything out

928  
00:38:10,390 --> 00:38:09,040  
i i reduced my sleep pattern even more

929  
00:38:13,349 --> 00:38:10,400  
significantly

930  
00:38:15,430 --> 00:38:13,359  
and i literally just did uh ubereats

931  
00:38:17,030 --> 00:38:15,440  
delivery for food i didn't go anywhere i

932  
00:38:19,030 --> 00:38:17,040  
didn't move out of the house yeah and in

933  
00:38:20,550 --> 00:38:19,040  
15 days i had the compendium of the

934  
00:38:22,710 --> 00:38:20,560  
emerald tablets

935  
00:38:24,710 --> 00:38:22,720  
signed sealed and delivered and boom

936  
00:38:26,390 --> 00:38:24,720  
that was it the second

937  
00:38:28,069 --> 00:38:26,400  
oh go go ahead

938  
00:38:29,349 --> 00:38:28,079

second book woke doesn't mean broke

939

00:38:30,870 --> 00:38:29,359

which is also a bestseller it's a

940

00:38:32,470 --> 00:38:30,880

financial literacy book oh we're going

941

00:38:35,109 --> 00:38:32,480

to talk about that before this pill is

942

00:38:37,190 --> 00:38:35,119

over yeah also dec did some research and

943

00:38:38,589 --> 00:38:37,200

for that took me three months the book

944

00:38:41,670 --> 00:38:38,599

was originally

945

00:38:43,430 --> 00:38:41,680

1080 pages and my editor said are you

946

00:38:44,950 --> 00:38:43,440

crazy you can't put out a book that big

947

00:38:46,790 --> 00:38:44,960

you it'll you can't even sell it for

948

00:38:48,670 --> 00:38:46,800

enough money to make a profit

949

00:38:51,670 --> 00:38:48,680

so we dialed it back to

950

00:38:54,950 --> 00:38:51,680

688 pages i believe now yeah well you

951  
00:38:57,829 --> 00:38:54,960  
know it's still a large book however

952  
00:38:59,750 --> 00:38:57,839  
uh i i disagree with your editor we

953  
00:39:03,190 --> 00:38:59,760  
needed all

954  
00:39:05,510 --> 00:39:03,200  
pages because the book is so full of of

955  
00:39:08,390 --> 00:39:05,520  
knowledge that people need

956  
00:39:10,790 --> 00:39:08,400  
uh for our audience out here

957  
00:39:12,710 --> 00:39:10,800  
so many times people because they know

958  
00:39:14,550 --> 00:39:12,720  
i've written scripts and so on so forth

959  
00:39:15,589 --> 00:39:14,560  
people come to me and say well leon you

960  
00:39:18,069 --> 00:39:15,599  
know

961  
00:39:19,270 --> 00:39:18,079  
what what do i need to do to be a writer

962  
00:39:21,990 --> 00:39:19,280  
and i tell them

963  
00:39:23,670 --> 00:39:22,000

uh beside having an idea and the

964

00:39:26,710 --> 00:39:23,680

research and so on and so forth whether

965

00:39:28,950 --> 00:39:26,720

it's a movie a play a tv show whatever

966

00:39:30,630 --> 00:39:28,960

yeah you have to have discipline

967

00:39:31,910 --> 00:39:30,640

to do a book

968

00:39:34,150 --> 00:39:31,920

or a

969

00:39:36,710 --> 00:39:34,160

movie script you really have to have

970

00:39:38,630 --> 00:39:36,720

discipline yeah and you have to shut

971

00:39:40,470 --> 00:39:38,640

things out and

972

00:39:42,230 --> 00:39:40,480

i want the audience to pay attention to

973

00:39:45,670 --> 00:39:42,240

the fact that he said he made a

974

00:39:46,790 --> 00:39:45,680

commitment to himself to write a chapter

975

00:39:49,270 --> 00:39:46,800

a day

976

00:39:51,750 --> 00:39:49,280

that's a lot of work and it takes a lot

977

00:39:54,230 --> 00:39:51,760

of discipline to do that so i'm just

978

00:39:56,390 --> 00:39:54,240

dropping little golden nuggets in here

979

00:39:59,829 --> 00:39:56,400

uh to the audiences

980

00:40:00,790 --> 00:39:59,839

as we go um the other discipline

981

00:40:02,870 --> 00:40:00,800

people

982

00:40:05,510 --> 00:40:02,880

even in sports uh

983

00:40:09,030 --> 00:40:05,520

you look at great sports champions

984

00:40:10,870 --> 00:40:09,040

michael jordan lebron james

985

00:40:13,270 --> 00:40:10,880

tom brady uh

986

00:40:15,670 --> 00:40:13,280

who's you know in his 40s and still

987

00:40:17,990 --> 00:40:15,680

great as a quarterback

988

00:40:20,230 --> 00:40:18,000

but they all have a discipline if you

989

00:40:22,710 --> 00:40:20,240

look at their secret life

990

00:40:25,750 --> 00:40:22,720

it's all about the discipline that takes

991

00:40:28,950 --> 00:40:25,760

them to that other level and

992

00:40:32,230 --> 00:40:28,960

for our audience it goes far beyond just

993

00:40:33,990 --> 00:40:32,240

sports those that are in research those

994

00:40:36,230 --> 00:40:34,000

that are

995

00:40:38,230 --> 00:40:36,240

really trying to find truth

996

00:40:40,230 --> 00:40:38,240

they put in a lot of discipline also so

997

00:40:43,030 --> 00:40:40,240

thank you for for sharing that

998

00:40:46,069 --> 00:40:43,040

billy uh speaking to someone else that

999

00:40:48,390 --> 00:40:46,079

put in a lot of discipline the late

1000

00:40:50,470 --> 00:40:48,400

but wonderful zacharias

1001  
00:40:53,430 --> 00:40:50,480  
stitching yeah we wrote the earth

1002  
00:40:56,150 --> 00:40:53,440  
chronicles which was a must read for so

1003  
00:40:58,790 --> 00:40:56,160  
many of us that were hungry for

1004  
00:40:59,990 --> 00:40:58,800  
learning hungry for knowledge

1005  
00:41:04,230 --> 00:41:00,000  
uh

1006  
00:41:05,109 --> 00:41:04,240  
the he talked about the annunaki

1007  
00:41:06,710 --> 00:41:05,119  
billy

1008  
00:41:08,550 --> 00:41:06,720  
from your research

1009  
00:41:12,150 --> 00:41:08,560  
yeah who were they

1010  
00:41:13,349 --> 00:41:12,160  
what were they where did they come from

1011  
00:41:15,030 --> 00:41:13,359  
definitely i'll give the answer and

1012  
00:41:17,190 --> 00:41:15,040  
first of all shout out to the late and

1013  
00:41:19,190 --> 00:41:17,200

great zacharias sitchin

1014

00:41:21,510 --> 00:41:19,200

unfortunately he was um

1015

00:41:23,190 --> 00:41:21,520

vilified at the end of his life and by a

1016

00:41:24,950 --> 00:41:23,200

lot of lies that have circulated

1017

00:41:26,870 --> 00:41:24,960

throughout the internet and by people

1018

00:41:30,309 --> 00:41:26,880

who never even read the tablets his work

1019

00:41:33,030 --> 00:41:30,319

you know i was so grateful that i had a

1020

00:41:35,750 --> 00:41:33,040

chance to meet him only twice

1021

00:41:38,069 --> 00:41:35,760

but you know because it was

1022

00:41:40,790 --> 00:41:38,079

life but you know i'm grateful for that

1023

00:41:41,990 --> 00:41:40,800

encounter great man great man and uh

1024

00:41:43,990 --> 00:41:42,000

unfortunately i didn't get a chance to

1025

00:41:46,150 --> 00:41:44,000

meet him in person before he passed i

1026  
00:41:49,190 --> 00:41:46,160  
talked to his daughter a couple of times

1027  
00:41:51,109 --> 00:41:49,200  
since he passed but um great man and

1028  
00:41:52,950 --> 00:41:51,119  
what he did was he didn't translate any

1029  
00:41:54,390 --> 00:41:52,960  
tablets the rumor was going around that

1030  
00:41:56,550 --> 00:41:54,400  
he was the only person that could

1031  
00:41:58,230 --> 00:41:56,560  
translate the sumerian tablets and he

1032  
00:42:00,230 --> 00:41:58,240  
made all these stories up because he

1033  
00:42:02,390 --> 00:42:00,240  
wanted to get notoriety and fame

1034  
00:42:04,390 --> 00:42:02,400  
actually that's majorly false

1035  
00:42:06,230 --> 00:42:04,400  
he didn't translate anything

1036  
00:42:08,230 --> 00:42:06,240  
zechariah sitchin took existing

1037  
00:42:11,670 --> 00:42:08,240  
translations that were done

1038  
00:42:14,550 --> 00:42:11,680

by experts long before he was even born

1039

00:42:16,710 --> 00:42:14,560

okay and i covered this extensively in

1040

00:42:18,710 --> 00:42:16,720

some of my lectures and so what he did

1041

00:42:20,950 --> 00:42:18,720

was in his books if you see every few

1042

00:42:22,630 --> 00:42:20,960

paragraphs he gives you the reference as

1043

00:42:24,790 --> 00:42:22,640

to where he came up with that

1044

00:42:26,790 --> 00:42:24,800

information and so what he did was he

1045

00:42:29,670 --> 00:42:26,800

took pieces of the puzzle and he tried

1046

00:42:30,630 --> 00:42:29,680

to paint a picture is he exactly spot on

1047

00:42:33,430 --> 00:42:30,640

correct

1048

00:42:34,309 --> 00:42:33,440

no nobody is but the general consensus

1049

00:42:36,309 --> 00:42:34,319

is

1050

00:42:38,710 --> 00:42:36,319

that that all of us researchers and

1051  
00:42:41,190 --> 00:42:38,720  
authors have come up with is that beings

1052  
00:42:43,589 --> 00:42:41,200  
came from out there to earth they were

1053  
00:42:45,990 --> 00:42:43,599  
called the annunaki their name the name

1054  
00:42:48,230 --> 00:42:46,000  
anunnaki is actually in the tablets it's

1055  
00:42:49,750 --> 00:42:48,240  
in the enumerage and the seven tablets

1056  
00:42:52,150 --> 00:42:49,760  
of creation

1057  
00:42:54,710 --> 00:42:52,160  
uh also even in the oldest version the

1058  
00:42:56,870 --> 00:42:54,720  
name nibiru of a planet that they derive

1059  
00:42:59,589 --> 00:42:56,880  
from some of them not all of them it's

1060  
00:43:00,790 --> 00:42:59,599  
in the tablet so it's undeniable i just

1061  
00:43:03,109 --> 00:43:00,800  
say throw that out there because it's

1062  
00:43:04,790 --> 00:43:03,119  
all this fake news that goes around on

1063  
00:43:06,470 --> 00:43:04,800

what really went on but nobody has read

1064

00:43:08,230 --> 00:43:06,480

these tablets but they're available for

1065

00:43:10,390 --> 00:43:08,240

the public but they still go on what

1066

00:43:12,950 --> 00:43:10,400

they heard on youtube by somebody

1067

00:43:15,270 --> 00:43:12,960

and so uh these beings the annunaki is a

1068

00:43:17,589 --> 00:43:15,280

generalized term it's not a specific

1069

00:43:19,510 --> 00:43:17,599

group of people it's anyone who comes

1070

00:43:23,190 --> 00:43:19,520

from space to earth anyone who comes

1071

00:43:25,270 --> 00:43:23,200

from this heaven to earth is an annunaki

1072

00:43:27,109 --> 00:43:25,280

the beings that will reference primarily

1073

00:43:28,950 --> 00:43:27,119

in a lot of these sumerian tablets at

1074

00:43:30,390 --> 00:43:28,960

that time were the

1075

00:43:32,069 --> 00:43:30,400

atlanteans

1076

00:43:33,750 --> 00:43:32,079

they were annunaki but they were also

1077

00:43:35,750 --> 00:43:33,760

the atlanteans they came here and they

1078

00:43:39,109 --> 00:43:35,760

built an atlantean civilization on this

1079

00:43:40,790 --> 00:43:39,119

planet the atlanteans had

1080

00:43:42,950 --> 00:43:40,800

broken away from the pleiadian star

1081

00:43:44,390 --> 00:43:42,960

system there was a galactic war

1082

00:43:46,309 --> 00:43:44,400

millions of years ago and this

1083

00:43:47,829 --> 00:43:46,319

information is written again in many

1084

00:43:49,510 --> 00:43:47,839

reference points which i talk about my

1085

00:43:51,670 --> 00:43:49,520

lectures and workshops

1086

00:43:53,030 --> 00:43:51,680

and they decided to flee they became

1087

00:43:55,589 --> 00:43:53,040

space refugees and they went to

1088

00:43:56,309 --> 00:43:55,599

aldebaran they went to orion they went

1089

00:43:58,870 --> 00:43:56,319

to

1090

00:44:01,670 --> 00:43:58,880

uh sirius a b and c they spread out all

1091

00:44:04,470 --> 00:44:01,680

around the the milky way galaxy some of

1092

00:44:06,630 --> 00:44:04,480

them crashed landed on a bro on a planet

1093

00:44:08,950 --> 00:44:06,640

named nibiru that orbited a brown dwarf

1094

00:44:11,109 --> 00:44:08,960

star that was captured gravitationally

1095

00:44:12,950 --> 00:44:11,119

by our sun now

1096

00:44:14,710 --> 00:44:12,960

that's in history books that's in the

1097

00:44:16,790 --> 00:44:14,720

astrophysics books

1098

00:44:18,630 --> 00:44:16,800

in in college you'll find that we live

1099

00:44:20,710 --> 00:44:18,640

in a binary star system that they've

1100

00:44:22,550 --> 00:44:20,720

actually found this this object that

1101

00:44:24,309 --> 00:44:22,560

orbits our sun to be 4200 years and

1102

00:44:26,390 --> 00:44:24,319

these beings came here and they

1103

00:44:29,030 --> 00:44:26,400

basically began to mine this planet for

1104

00:44:30,470 --> 00:44:29,040

resources and after about 200 000 years

1105

00:44:31,829 --> 00:44:30,480

they got tired of doing it themselves

1106

00:44:33,510 --> 00:44:31,839

and they almost went to war against each

1107

00:44:36,069 --> 00:44:33,520

other and that's when they genetically

1108

00:44:38,470 --> 00:44:36,079

modified the existing hominid we were

1109

00:44:41,510 --> 00:44:38,480

already here we were not monkeys we were

1110

00:44:43,829 --> 00:44:41,520

already uh hominids uh we were not homo

1111

00:44:45,349 --> 00:44:43,839

sapiens sapien but we were close

1112

00:44:48,390 --> 00:44:45,359

probably we were more intelligent in my

1113

00:44:50,150 --> 00:44:48,400

opinion but they genetically modified us

1114

00:44:53,349 --> 00:44:50,160

deactivated a lot of our dna which we

1115

00:44:55,990 --> 00:44:53,359

now call junk dna shrunk our skulls down

1116

00:44:58,870 --> 00:44:56,000

and to this size reduce the size of our

1117

00:45:00,550 --> 00:44:58,880

pineal glands uh and put telomere caps

1118

00:45:03,030 --> 00:45:00,560

on chromosome two

1119

00:45:04,710 --> 00:45:03,040

uh to shorten our lifespan and so we

1120

00:45:07,430 --> 00:45:04,720

became the workers for them we became

1121

00:45:13,109 --> 00:45:09,349

that's uh

1122

00:45:16,470 --> 00:45:13,119

just a a fascinating study

1123

00:45:19,109 --> 00:45:16,480

now going back to the bible for a second

1124

00:45:21,510 --> 00:45:19,119

does any of that fit into

1125

00:45:24,309 --> 00:45:21,520

what is called the the regular

1126

00:45:25,270 --> 00:45:24,319

bible the the king james version of the

1127

00:45:26,790 --> 00:45:25,280

bible

1128

00:45:28,230 --> 00:45:26,800

does any of that

1129

00:45:30,550 --> 00:45:28,240

oh absolutely well you know in the bible

1130

00:45:32,390 --> 00:45:30,560

the annunaki called the enoch and we

1131

00:45:34,230 --> 00:45:32,400

were grasshoppers in their sight these

1132

00:45:36,710 --> 00:45:34,240

were giants these people were massive

1133

00:45:38,870 --> 00:45:36,720

people and they were the enoch you know

1134

00:45:42,630 --> 00:45:38,880

so the enoch and also

1135

00:45:45,750 --> 00:45:42,640

marduk from the sumerian tablets uh the

1136

00:45:47,430 --> 00:45:45,760

innum elish who's also named amin ra in

1137

00:45:49,750 --> 00:45:47,440

the egyptian book of the dead you know a

1138

00:45:51,750 --> 00:45:49,760

lot of these gods have two names

1139

00:45:54,150 --> 00:45:51,760

but uh he's in the bible he's in the

1140

00:45:56,870 --> 00:45:54,160

torah and lil is in the torah he's in

1141

00:45:58,710 --> 00:45:56,880

jewish american library as well these

1142

00:46:00,870 --> 00:45:58,720

peop these characters are all in this

1143

00:46:03,109 --> 00:46:00,880

text but very few people ever spend time

1144

00:46:05,190 --> 00:46:03,119

really divulging and reading the text i

1145

00:46:06,950 --> 00:46:05,200

probably read the bible over 300 times

1146

00:46:10,390 --> 00:46:06,960

analyzed it broke it down

1147

00:46:12,710 --> 00:46:10,400

from the king's english to aramaic to

1148

00:46:14,550 --> 00:46:12,720

arabic to uh

1149

00:46:16,710 --> 00:46:14,560

to um uh

1150

00:46:18,150 --> 00:46:16,720

to uniform and you'd find that

1151

00:46:20,390 --> 00:46:18,160

everything is really a lot of the old

1152

00:46:22,790 --> 00:46:20,400

testament is coming from a couple places

1153

00:46:25,829 --> 00:46:22,800

but primarily coming from the inumi lish

1154

00:46:26,870 --> 00:46:25,839

the epoch of hasis the epic of gilgamesh

1155

00:46:28,390 --> 00:46:26,880

and then you have some of the

1156

00:46:31,030 --> 00:46:28,400

mahabharata

1157

00:46:32,150 --> 00:46:31,040

a little bit of the bhagavad-gita uh in

1158

00:46:33,910 --> 00:46:32,160

there as well

1159

00:46:36,309 --> 00:46:33,920

and then moving into

1160

00:46:38,309 --> 00:46:36,319

uh and and of course uh the the egyptian

1161

00:46:39,990 --> 00:46:38,319

book of the dead moving into proverbs

1162

00:46:41,670 --> 00:46:40,000

and such you have the tibetan book of

1163

00:46:43,030 --> 00:46:41,680

the dead the egyptian book of going

1164

00:46:45,349 --> 00:46:43,040

forth by day

1165

00:46:47,190 --> 00:46:45,359

with the papyrus of ani and there and

1166

00:46:49,990 --> 00:46:47,200

then you also have um

1167

00:46:52,309 --> 00:46:50,000

more of some of the indian vedas

1168

00:46:54,630 --> 00:46:52,319

a little bit of the mahabharata and then

1169

00:46:55,589 --> 00:46:54,640

a lot of the interpretations of people

1170

00:46:57,829 --> 00:46:55,599

that

1171

00:47:00,309 --> 00:46:57,839

lived long after everyone had gone and

1172

00:47:02,710 --> 00:47:00,319

died that they put into uh some of the

1173

00:47:06,390 --> 00:47:02,720

new testament so it's pretty interesting

1174

00:47:07,750 --> 00:47:06,400

stuff yeah you just gave me a great idea

1175

00:47:10,870 --> 00:47:07,760

you and i are gonna have to do a

1176  
00:47:14,630 --> 00:47:10,880  
documentary just on the whole spiritual

1177  
00:47:17,430 --> 00:47:14,640  
landscape yeah and really connect

1178  
00:47:20,549 --> 00:47:17,440  
all of the dots yeah because there's a

1179  
00:47:23,349 --> 00:47:20,559  
lot of dots there that have never ever

1180  
00:47:25,910 --> 00:47:23,359  
been connected but they should be yeah

1181  
00:47:27,190 --> 00:47:25,920  
because i think that it would cause an

1182  
00:47:30,390 --> 00:47:27,200  
embrace

1183  
00:47:31,589 --> 00:47:30,400  
rather than a a disconnect yeah you know

1184  
00:47:32,470 --> 00:47:31,599  
our team

1185  
00:47:35,670 --> 00:47:32,480  
just

1186  
00:47:36,790 --> 00:47:35,680  
uh did the observers which has come out

1187  
00:47:38,470 --> 00:47:36,800  
now

1188  
00:47:41,109 --> 00:47:38,480

and um

1189

00:47:44,069 --> 00:47:41,119

i i must say even though i was involved

1190

00:47:45,030 --> 00:47:44,079

with it it's a very fascinating piece we

1191

00:47:46,630 --> 00:47:45,040

had a

1192

00:47:50,309 --> 00:47:46,640

a-list team

1193

00:47:54,150 --> 00:47:50,319

that really did a deep deep probe into

1194

00:47:57,910 --> 00:47:54,160

what's going on in ufology from

1195

00:48:01,430 --> 00:47:57,920

a long time ago to now and dealing with

1196

00:48:02,470 --> 00:48:01,440

what's getting ready to happen

1197

00:48:04,069 --> 00:48:02,480

uh

1198

00:48:05,910 --> 00:48:04,079

and i'll get into this later we're

1199

00:48:07,349 --> 00:48:05,920

inviting other people to share their

1200

00:48:09,190 --> 00:48:07,359

observances

1201  
00:48:11,670 --> 00:48:09,200  
but have you

1202  
00:48:12,790 --> 00:48:11,680  
had your own observances a personal

1203  
00:48:14,150 --> 00:48:12,800  
observance

1204  
00:48:15,670 --> 00:48:14,160  
of

1205  
00:48:18,390 --> 00:48:15,680  
et's

1206  
00:48:21,750 --> 00:48:18,400  
that's how i got into all of this

1207  
00:48:25,030 --> 00:48:21,760  
yeah this started so um in nineteen

1208  
00:48:27,910 --> 00:48:25,040  
even closer yeah right yeah

1209  
00:48:30,470 --> 00:48:27,920  
this is what got me in so 1977

1210  
00:48:32,870 --> 00:48:30,480  
uh we moved from new york from queens

1211  
00:48:34,309 --> 00:48:32,880  
new york to miami

1212  
00:48:37,109 --> 00:48:34,319  
trying to find a better life

1213  
00:48:39,109 --> 00:48:37,119

unfortunately we ended up not being so

1214

00:48:40,470 --> 00:48:39,119

much better than we were living i love

1215

00:48:42,069 --> 00:48:40,480

we were if we would have stayed in my

1216

00:48:43,510 --> 00:48:42,079

grandmother's attic i think was safer we

1217

00:48:44,710 --> 00:48:43,520

went right into the heart of the ghetto

1218

00:48:46,309 --> 00:48:44,720

in miami

1219

00:48:48,790 --> 00:48:46,319

and we lived next to the opalacka

1220

00:48:50,230 --> 00:48:48,800

airport which is a small private airport

1221

00:48:51,829 --> 00:48:50,240

and this is the 70s there's nothing to

1222

00:48:53,190 --> 00:48:51,839

do there's no video games there's no

1223

00:48:55,990 --> 00:48:53,200

all-day tv

1224

00:48:57,750 --> 00:48:56,000

you got four channels no cable tv no no

1225

00:48:58,870 --> 00:48:57,760

pages no cell phones you go outside and

1226

00:49:02,069 --> 00:48:58,880

play

1227

00:49:04,150 --> 00:49:02,079

i'm really pretty much what i'm doing is

1228

00:49:06,630 --> 00:49:04,160

i'm watching the planes go over and it

1229

00:49:08,470 --> 00:49:06,640

was so amazing to me to watch airplanes

1230

00:49:10,069 --> 00:49:08,480

go across the horizon

1231

00:49:11,750 --> 00:49:10,079

what appeared to be from my perspective

1232

00:49:13,589 --> 00:49:11,760

moving slow but in my mind i knew they

1233

00:49:15,430 --> 00:49:13,599

had to be moving fast to stay in the air

1234

00:49:17,829 --> 00:49:15,440

right i'm only seven years old at the

1235

00:49:19,430 --> 00:49:17,839

time and so i'm watching the planes go

1236

00:49:21,990 --> 00:49:19,440

across and i would count how much time

1237

00:49:23,750 --> 00:49:22,000

it was before the next one came across

1238

00:49:24,470 --> 00:49:23,760

and this one day i was out there doing

1239

00:49:27,349 --> 00:49:24,480

that

1240

00:49:29,270 --> 00:49:27,359

and a plane went across and then this

1241

00:49:31,030 --> 00:49:29,280

other object went across but instead of

1242

00:49:33,430 --> 00:49:31,040

going across in minutes it went across

1243

00:49:34,870 --> 00:49:33,440

the horizon in seconds it went

1244

00:49:37,030 --> 00:49:34,880

straight across to horizon and i was

1245

00:49:39,270 --> 00:49:37,040

like what did i just see

1246

00:49:41,270 --> 00:49:39,280

and it wasn't round but it wasn't an

1247

00:49:42,790 --> 00:49:41,280

airplane it was more uh it wasn't round

1248

00:49:45,109 --> 00:49:42,800

it's more oval

1249

00:49:46,870 --> 00:49:45,119

now it came back and it stopped about

1250

00:49:48,630 --> 00:49:46,880

200 meters above my head completely

1251  
00:49:50,549 --> 00:49:48,640  
silent and then it just went out the

1252  
00:49:51,990 --> 00:49:50,559  
other way that it came in

1253  
00:49:53,349 --> 00:49:52,000  
and i freaked out i'm running around

1254  
00:49:55,910 --> 00:49:53,359  
trying to figure out what in the world

1255  
00:49:57,750 --> 00:49:55,920  
it didn't have a cockpit no wings

1256  
00:50:00,069 --> 00:49:57,760  
uh didn't have a tail you know none of

1257  
00:50:01,829 --> 00:50:00,079  
that stuff and i was amazed by this i

1258  
00:50:02,549 --> 00:50:01,839  
was like what in the world did i just

1259  
00:50:05,190 --> 00:50:02,559  
see

1260  
00:50:06,790 --> 00:50:05,200  
i knew that a plane can't do that

1261  
00:50:09,910 --> 00:50:06,800  
and it was this glowing

1262  
00:50:12,390 --> 00:50:09,920  
um more like an oval like almost like an

1263  
00:50:14,870 --> 00:50:12,400

elongated egg really is what it was

1264

00:50:16,630 --> 00:50:14,880

and uh but it looked like glowing metal

1265

00:50:19,030 --> 00:50:16,640

in a weird way and so i went to my

1266

00:50:21,670 --> 00:50:19,040

elementary school the next day rainbow

1267

00:50:23,270 --> 00:50:21,680

park elementary in opa-locka florida and

1268

00:50:25,270 --> 00:50:23,280

i went straight to the library and i got

1269

00:50:27,109 --> 00:50:25,280

all the encyclopedia britannica's on

1270

00:50:29,750 --> 00:50:27,119

aerospace and that's when i started

1271

00:50:32,549 --> 00:50:29,760

researching 1977.

1272

00:50:35,510 --> 00:50:32,559

that's how it happened in 1977 when you

1273

00:50:38,069 --> 00:50:35,520

when you were seven years old yeah

1274

00:50:40,630 --> 00:50:38,079

that that's great and that's what got

1275

00:50:42,470 --> 00:50:40,640

you on your path to become this scholar

1276

00:50:44,870 --> 00:50:42,480

and get all this information for the

1277

00:50:47,190 --> 00:50:44,880

rest of us which is wonderful i'm

1278

00:50:48,790 --> 00:50:47,200

looking at the screen here where there

1279

00:50:51,349 --> 00:50:48,800

are a lot of people

1280

00:50:53,990 --> 00:50:51,359

saying that they have had their own

1281

00:50:56,150 --> 00:50:54,000

observances wow

1282

00:50:58,630 --> 00:50:56,160

what we want you to do and we will tell

1283

00:50:59,510 --> 00:50:58,640

you how is to write into the orange

1284

00:51:02,069 --> 00:50:59,520

channel

1285

00:51:04,630 --> 00:51:02,079

and uh we want you to put these

1286

00:51:07,750 --> 00:51:04,640

observances just put your phone up and

1287

00:51:10,069 --> 00:51:07,760

have somebody uh film you and send it

1288

00:51:12,069 --> 00:51:10,079

into the oren channel and share your

1289

00:51:12,790 --> 00:51:12,079

observance with us we we want to hear

1290

00:51:16,150 --> 00:51:12,800

that

1291

00:51:18,549 --> 00:51:16,160

and we'll tell you why it's so important

1292

00:51:20,950 --> 00:51:18,559

uh before the show is over we're going

1293

00:51:23,510 --> 00:51:20,960

to take a break in about another couple

1294

00:51:25,910 --> 00:51:23,520

of minutes here

1295

00:51:28,390 --> 00:51:25,920

what i want to do

1296

00:51:30,950 --> 00:51:28,400

and chris i need your help are we going

1297

00:51:33,349 --> 00:51:30,960

over to the other orange channel at this

1298

00:51:34,309 --> 00:51:33,359

point or

1299

00:51:37,589 --> 00:51:34,319

what

1300

00:51:39,510 --> 00:51:37,599

are they being told how to do that

1301  
00:51:41,910 --> 00:51:39,520  
see this is live ladies and gentlemen

1302  
00:51:44,230 --> 00:51:41,920  
boys and girls so when there's something

1303  
00:51:45,270 --> 00:51:44,240  
live you're just taking behind the

1304  
00:51:48,230 --> 00:51:45,280  
scenes

1305  
00:51:50,390 --> 00:51:48,240  
and you're just part of the process

1306  
00:51:52,630 --> 00:51:50,400  
thank goodness i learned

1307  
00:51:56,390 --> 00:51:52,640  
my craft on live

1308  
00:51:57,829 --> 00:51:56,400  
radio and then later on live television

1309  
00:51:59,829 --> 00:51:57,839  
okay

1310  
00:52:01,750 --> 00:51:59,839  
uh it says you're in the show everyone

1311  
00:52:04,549 --> 00:52:01,760  
can see and hear you

1312  
00:52:06,710 --> 00:52:04,559  
okay but uh i

1313  
00:52:08,390 --> 00:52:06,720

we're going to take a break

1314

00:52:10,950 --> 00:52:08,400

that's what they're telling me

1315

00:52:14,549 --> 00:52:10,960

as sometimes billy they say in my ear

1316

00:52:21,750 --> 00:52:14,559

i'm hearing the producer say

1317

00:52:27,030 --> 00:52:24,069

before they take us away let me say this

1318

00:52:28,790 --> 00:52:27,040

uh since we're still on the air um when

1319

00:52:30,870 --> 00:52:28,800

we come back

1320

00:52:33,990 --> 00:52:30,880

you're gonna have a chance to be told

1321

00:52:36,069 --> 00:52:34,000

how you can win a rolls royce

1322

00:52:38,309 --> 00:52:36,079

from billy carson that's right we're

1323

00:52:39,750 --> 00:52:38,319

also going to talk about toff

1324

00:52:41,750 --> 00:52:39,760

who was he

1325

00:52:43,270 --> 00:52:41,760

they say that he started the ancient

1326  
00:52:47,990 --> 00:52:43,280  
mystery schools

1327  
00:52:59,950 --> 00:52:48,000  
even today

1328  
00:53:07,829 --> 00:53:05,910  
[Music]

1329  
00:53:09,910 --> 00:53:07,839  
a shocking hard-hitting film exposing

1330  
00:53:12,390 --> 00:53:09,920  
the darkest secrets of the fbi and ciao

1331  
00:53:14,790 --> 00:53:12,400  
a thousand pieces there's a coup being

1332  
00:53:17,670 --> 00:53:14,800  
carried out

1333  
00:53:19,510 --> 00:53:17,680  
before our very eyes

1334  
00:53:21,670 --> 00:53:19,520  
you're allowed to protest millions of

1335  
00:53:23,190 --> 00:53:21,680  
people on one day in crowds yelling

1336  
00:53:24,790 --> 00:53:23,200  
screaming but you try to run your

1337  
00:53:27,750 --> 00:53:24,800  
business you get arrested wall street

1338  
00:53:30,630 --> 00:53:27,760

has laundered 100 trillion dollars from

1339

00:53:32,309 --> 00:53:30,640

trafficking in children and drugs the

1340

00:53:34,150 --> 00:53:32,319

agency has dealt drugs throughout this

1341

00:53:36,390 --> 00:53:34,160

country for a long time

1342

00:53:38,309 --> 00:53:36,400

mr secretary is it policy of the u.s

1343

00:53:40,470 --> 00:53:38,319

government to reward companies that

1344

00:53:42,710 --> 00:53:40,480

traffic in women and little girls human

1345

00:53:45,670 --> 00:53:42,720

trafficking has many more victims

1346

00:53:49,990 --> 00:53:45,680

included in the complicity of the cia

1347

00:53:51,589 --> 00:53:50,000

the fbi the justice department

1348

00:53:54,710 --> 00:53:51,599

there's corruption on both sides these

1349

00:53:57,829 --> 00:53:54,720

agencies are facing a time of reckoning

1350

00:54:00,710 --> 00:53:57,839

are we at yet another crossroads

1351  
00:54:01,990 --> 00:54:00,720  
get ready a thousand pieces

1352  
00:54:03,190 --> 00:54:02,000  
it was

1353  
00:54:04,710 --> 00:54:03,200  
so hard

1354  
00:54:11,589 --> 00:54:04,720  
to come running out of a hell that

1355  
00:54:18,870 --> 00:54:13,670  
my name is kathy o'brien and i'm a

1356  
00:54:22,069 --> 00:54:18,880  
survivor of mkultra mind control

1357  
00:54:24,230 --> 00:54:22,079  
the mk ultra program was to

1358  
00:54:27,750 --> 00:54:24,240  
ultimately control the minds of the

1359  
00:54:34,230 --> 00:54:27,760  
population for implementing what adolf

1360  
00:54:38,390 --> 00:54:37,109  
when girls reached age 30

1361  
00:54:40,630 --> 00:54:38,400  
they were murdered or they were

1362  
00:54:42,710 --> 00:54:40,640  
sacrificed

1363  
00:54:44,309 --> 00:54:42,720

i was going to be

1364

00:54:47,670 --> 00:54:44,319

killed as well

1365

00:54:48,950 --> 00:54:47,680

i was to go out in a blaze of glory and

1366

00:54:56,069 --> 00:54:48,960

be

1367

00:54:59,190 --> 00:54:57,750

i'm so

1368

00:55:00,710 --> 00:54:59,200

fortunate

1369

00:55:03,349 --> 00:55:00,720

that

1370

00:55:05,750 --> 00:55:03,359

an intelligence insider

1371

00:55:07,270 --> 00:55:05,760

who saw the kind of corruption that was

1372

00:55:10,069 --> 00:55:07,280

going on in the highest levels of

1373

00:55:12,230 --> 00:55:10,079

government decided to take action

1374

00:55:14,150 --> 00:55:12,240

and rescued me

1375

00:55:15,349 --> 00:55:14,160

and saved my life

1376

00:55:17,030 --> 00:55:15,359

so that

1377

00:55:19,860 --> 00:55:17,040

we could begin

1378

00:55:30,230 --> 00:55:19,870

to expose what was being done

1379

00:55:33,829 --> 00:55:31,910

ancient teachings around the world see

1380

00:55:36,150 --> 00:55:33,839

family and community as containers for

1381

00:55:37,750 --> 00:55:36,160

wisdom the stability and connectivity of

1382

00:55:40,390 --> 00:55:37,760

the family is seen as necessary to

1383

00:55:42,630 --> 00:55:40,400

ensure that information travels intact

1384

00:55:44,870 --> 00:55:42,640

from one's ancestors through the stable

1385

00:55:46,789 --> 00:55:44,880

family and into the community where it's

1386

00:55:48,549 --> 00:55:46,799

bundled and prepared to be sent as far

1387

00:55:51,109 --> 00:55:48,559

into the future as possible

1388

00:55:53,670 --> 00:55:51,119

but for decades a quiet war has been

1389

00:55:56,150 --> 00:55:53,680

waged by globalists communists and

1390

00:55:57,270 --> 00:55:56,160

social engineers with a single target in

1391

00:56:00,069 --> 00:55:57,280

their sights

1392

00:56:02,630 --> 00:56:00,079

the traditional family unit can we

1393

00:56:07,109 --> 00:56:02,640

rediscover this ancient ideal of family

1394

00:56:11,260 --> 00:56:09,990

super organism the family unit coming

1395

00:56:16,150 --> 00:56:11,270

soon

1396

00:56:58,630 --> 00:56:16,160

[Music]

1397

00:57:01,510 --> 00:56:58,640

okay i'm leon isaac kennedy and i am

1398

00:57:02,549 --> 00:57:01,520

with one of my true heroes

1399

00:57:04,309 --> 00:57:02,559

the

1400

00:57:05,109 --> 00:57:04,319

billy carson

1401

00:57:07,109 --> 00:57:05,119

uh

1402

00:57:08,870 --> 00:57:07,119

we are going to be switching over to the

1403

00:57:10,710 --> 00:57:08,880

orange channel in a moment there's

1404

00:57:13,829 --> 00:57:10,720

something coming up on the screen that

1405

00:57:16,470 --> 00:57:13,839

will show you what to do as we

1406

00:57:19,510 --> 00:57:16,480

um finish the rest of this fascinating

1407

00:57:21,190 --> 00:57:19,520

conversation uh with billy on the orange

1408

00:57:22,710 --> 00:57:21,200

channel so fade to black we're just

1409

00:57:25,349 --> 00:57:22,720

asking all of you to go over there with

1410

00:57:26,630 --> 00:57:25,359

us for the last half hour of this

1411

00:57:29,109 --> 00:57:26,640

interview

1412

00:57:32,230 --> 00:57:29,119

as we go over there i'm going to let you

1413

00:57:35,750 --> 00:57:32,240

know how you can have a chance to win

1414

00:57:37,829 --> 00:57:35,760

a rolls royce from billy carson now

1415

00:57:39,670 --> 00:57:37,839

that's interesting for the fade to black

1416

00:57:42,470 --> 00:57:39,680

audience because the last time that i

1417

00:57:44,789 --> 00:57:42,480

was with the jimmy church he had quit

1418

00:57:48,710 --> 00:57:44,799

driving his mercedes benz and he's

1419

00:57:52,230 --> 00:57:48,720

driving a jeep now so he touched marina

1420

00:57:53,109 --> 00:57:52,240

out on his jeep and we had a lot of fun

1421

00:57:58,150 --> 00:57:53,119

so

1422

00:58:00,309 --> 00:57:58,160

rest of you can find out how to win a

1423

00:58:02,630 --> 00:58:00,319

rolls royce courtesy

1424

00:58:03,750 --> 00:58:02,640

of billy carson

1425

00:58:05,190 --> 00:58:03,760

uh

1426

00:58:07,910 --> 00:58:05,200

now

1427

00:58:09,030 --> 00:58:07,920

we won't tell them how to win yet billy

1428

00:58:12,069 --> 00:58:09,040

but

1429

00:58:13,430 --> 00:58:12,079

this was part of your

1430

00:58:15,990 --> 00:58:13,440

charitable

1431

00:58:17,829 --> 00:58:16,000

outreach and see this is another part of

1432

00:58:20,069 --> 00:58:17,839

billy carlson that a lot of people don't

1433

00:58:21,270 --> 00:58:20,079

know about is all the great things that

1434

00:58:23,030 --> 00:58:21,280

you do

1435

00:58:26,470 --> 00:58:23,040

for people

1436

00:58:28,950 --> 00:58:26,480

and you were telling me about last

1437

00:58:31,829 --> 00:58:28,960

cutoff notices when it comes to the

1438

00:58:34,069 --> 00:58:31,839

electric company and especially how

1439

00:58:36,390 --> 00:58:34,079

devastating that is

1440

00:58:39,109 --> 00:58:36,400

in the middle of winter share a little

1441

00:58:40,870 --> 00:58:39,119

bit about that and then we'll switch

1442

00:58:42,870 --> 00:58:40,880

over and talk about the rolls royce and

1443

00:58:44,309 --> 00:58:42,880

then we're going to get into toff and

1444

00:58:45,990 --> 00:58:44,319

other things about

1445

00:58:47,829 --> 00:58:46,000

being an observer

1446

00:58:49,510 --> 00:58:47,839

definitely no problem

1447

00:58:52,069 --> 00:58:49,520

yeah well yeah thanks for bringing it up

1448

00:58:53,430 --> 00:58:52,079

actually um so you know growing up poor

1449

00:58:55,670 --> 00:58:53,440

um and

1450

00:58:57,910 --> 00:58:55,680

i mean extreme poverty i mean i remember

1451  
00:58:58,870 --> 00:58:57,920  
days when we would eat cairo syrup and

1452  
00:59:01,750 --> 00:58:58,880  
toast

1453  
00:59:04,470 --> 00:59:01,760  
matzah crackers and butter we had

1454  
00:59:06,789 --> 00:59:04,480  
powdered eggs and and powdered milk

1455  
00:59:07,829 --> 00:59:06,799  
uh which was horrible so i never never

1456  
00:59:10,069 --> 00:59:07,839  
ate it

1457  
00:59:11,589 --> 00:59:10,079  
uh you know i would often just look for

1458  
00:59:13,030 --> 00:59:11,599  
fruit trees in the neighborhood to get

1459  
00:59:15,190 --> 00:59:13,040  
some fruits to eat

1460  
00:59:16,710 --> 00:59:15,200  
and so it was pretty pretty hard times

1461  
00:59:18,230 --> 00:59:16,720  
and uh you know a lot of the times

1462  
00:59:20,549 --> 00:59:18,240  
there'd be situations where the

1463  
00:59:22,069 --> 00:59:20,559

electricity would be off we didn't have

1464

00:59:24,069 --> 00:59:22,079

we had running water but we didn't have

1465

00:59:26,710 --> 00:59:24,079

a working septic tank so we'd have to

1466

00:59:28,309 --> 00:59:26,720

take showers and buckets or go outside

1467

00:59:29,349 --> 00:59:28,319

and spray ourselves down with the water

1468

00:59:31,349 --> 00:59:29,359

hose

1469

00:59:32,470 --> 00:59:31,359

uh you know not getting a hot shower

1470

00:59:35,030 --> 00:59:32,480

often

1471

00:59:37,750 --> 00:59:35,040

and and that was a cold water hose cold

1472

00:59:39,750 --> 00:59:37,760

water cold and so i when i got older i

1473

00:59:41,510 --> 00:59:39,760

was made made sure that i can do

1474

00:59:43,109 --> 00:59:41,520

something to help kids that would be in

1475

00:59:45,109 --> 00:59:43,119

those situations and one of the things i

1476

00:59:46,309 --> 00:59:45,119

learned was a lot of kids are freezing

1477

00:59:47,670 --> 00:59:46,319

in the winter especially if you have no

1478

00:59:50,069 --> 00:59:47,680

electricity

1479

00:59:52,309 --> 00:59:50,079

and so it's it's a hard way to live it's

1480

00:59:54,069 --> 00:59:52,319

a it's very traumatizing to be in a

1481

00:59:56,309 --> 00:59:54,079

situation like that

1482

00:59:58,470 --> 00:59:56,319

so about three years ago i decided to

1483

01:00:01,510 --> 00:59:58,480

start helping single moms i started with

1484

01:00:03,990 --> 01:00:01,520

single moms first single moms

1485

01:00:06,390 --> 01:00:04,000

final notice electric bills and i would

1486

01:00:08,789 --> 01:00:06,400

put this this with this questionnaire on

1487

01:00:10,470 --> 01:00:08,799

my website once a year in the winter

1488

01:00:11,910 --> 01:00:10,480

they would fill it out and i'd have to

1489

01:00:13,589 --> 01:00:11,920

go through them and approve which ones i

1490

01:00:15,589 --> 01:00:13,599

was gonna you know pay

1491

01:00:17,589 --> 01:00:15,599

and they would send me the login and i

1492

01:00:20,309 --> 01:00:17,599

would log directly into the their their

1493

01:00:21,910 --> 01:00:20,319

electric company account pay the bill

1494

01:00:23,430 --> 01:00:21,920

delete my payment information and log

1495

01:00:24,710 --> 01:00:23,440

out that way i knew it was getting paid

1496

01:00:27,109 --> 01:00:24,720

okay

1497

01:00:28,789 --> 01:00:27,119

you already know so uh and the first

1498

01:00:31,190 --> 01:00:28,799

year i did ten thousand dollars in final

1499

01:00:32,470 --> 01:00:31,200

notice the second year ten thousand last

1500

01:00:34,069 --> 01:00:32,480

year a lot of people were complaining

1501

01:00:35,990 --> 01:00:34,079

about the fact that there are single

1502

01:00:37,910 --> 01:00:36,000

dads that are taking care of kids i

1503

01:00:39,589 --> 01:00:37,920

actually know a couple i said okay to

1504

01:00:41,990 --> 01:00:39,599

make it fair i'm gonna call it single

1505

01:00:43,589 --> 01:00:42,000

parent final notice electric bills and

1506

01:00:45,270 --> 01:00:43,599

last year we did sixteen thousand

1507

01:00:46,549 --> 01:00:45,280

dollars in finding those electric bills

1508

01:00:48,309 --> 01:00:46,559

paying those off

1509

01:00:50,069 --> 01:00:48,319

and keeping those lights on keeping the

1510

01:00:52,390 --> 01:00:50,079

heat on for these kids

1511

01:00:54,069 --> 01:00:52,400

uh so you know just various ways i can

1512

01:00:54,950 --> 01:00:54,079

you know to give back i just try to find

1513

01:00:56,710 --> 01:00:54,960

ways

1514

01:00:58,549 --> 01:00:56,720

well god bless you billy and i believe

1515

01:00:59,589 --> 01:00:58,559

that's why you're blessed so much

1516

01:01:02,069 --> 01:00:59,599

because

1517

01:01:05,670 --> 01:01:02,079

you know how to give and keep the

1518

01:01:08,789 --> 01:01:05,680

rippling effect of a blessing going so

1519

01:01:11,030 --> 01:01:08,799

with chris my technical genius i believe

1520

01:01:13,829 --> 01:01:11,040

that we're switching now over to the

1521

01:01:16,069 --> 01:01:13,839

oren platform for this last half hour so

1522

01:01:17,670 --> 01:01:16,079

we're asking the fade to black audience

1523

01:01:18,710 --> 01:01:17,680

to come join us

1524

01:01:20,950 --> 01:01:18,720

and

1525

01:01:22,230 --> 01:01:20,960

i think it's going to take maybe what 30

1526

01:01:25,030 --> 01:01:22,240

seconds chris

1527

01:01:28,870 --> 01:01:25,040

uh you're putting up something uh for 30

1528

01:01:32,230 --> 01:01:28,880

seconds for that transition to be made

1529

01:01:35,130 --> 01:01:32,240

okay i think chris just said yes
