

SPECIAL PRESENTATION

THE 4BIDDEN

TOUR OF EGYPT 2022

WITH

JIMMY CHURCH/BILLY CARSON

<https://www.4biddenknowledge.com/4bidden-tour>

1
00:00:01,839 --> 00:00:16,730
okay

2
00:00:50,549 --> 00:00:26,860
[Music]

3
00:00:57,029 --> 00:00:53,029
are we doing this

4
00:01:00,069 --> 00:00:57,039
we are what's up billy how you doing

5
00:01:02,310 --> 00:01:00,079
uh oh wait wait billy billy's got

6
00:01:04,789 --> 00:01:02,320
himself muted why why why did you mute

7
00:01:06,390 --> 00:01:04,799
yourself during the uh the break it did

8
00:01:09,830 --> 00:01:06,400
it automatically my guess when you did

9
00:01:11,109 --> 00:01:09,840
that intro it muted me automatically

10
00:01:13,109 --> 00:01:11,119
yeah

11
00:01:14,550 --> 00:01:13,119
billy carson i'm your host jimmy church

12
00:01:17,350 --> 00:01:14,560
of fade to black

13
00:01:19,270 --> 00:01:17,360

uh joined uh on this beautiful saturday

14

00:01:23,350 --> 00:01:19,280

night with the billy carson

15

00:01:25,670 --> 00:01:23,360

of uh uh forbidden knowledge and billy

16

00:01:28,550 --> 00:01:25,680

how you doing my friend fantastic man

17

00:01:30,230 --> 00:01:28,560

had a great great day uh had a great

18

00:01:31,590 --> 00:01:30,240

walk on the beach today man it was an

19

00:01:32,870 --> 00:01:31,600

unbelievable day in fort lauderdale

20

00:01:34,390 --> 00:01:32,880

florida

21

00:01:36,870 --> 00:01:34,400

great walk on the beach

22

00:01:38,830 --> 00:01:36,880

take me through what you do today what

23

00:01:43,510 --> 00:01:38,840

what does billy

24

00:01:45,590 --> 00:01:43,520

a saturday

25

00:01:47,749 --> 00:01:45,600

well this saturday wasn't that busy for

26
00:01:49,190 --> 00:01:47,759
me because i relocated some recording

27
00:01:50,469 --> 00:01:49,200
that we had to do to another state and

28
00:01:52,069 --> 00:01:50,479
another camera crew is going to do a

29
00:01:53,510 --> 00:01:52,079
recording and the directing so this

30
00:01:54,389 --> 00:01:53,520
morning i got up at four o'clock in the

31
00:01:56,870 --> 00:01:54,399
morning

32
00:01:59,429 --> 00:01:56,880
i did a one hour meditation followed up

33
00:02:01,510 --> 00:01:59,439
on some emails and some paperwork and

34
00:02:03,910 --> 00:02:01,520
then at six o'clock in the morning six

35
00:02:06,469 --> 00:02:03,920
a.m i got my car and drove all the way

36
00:02:08,630 --> 00:02:06,479
to east fort lauderdale to the beach

37
00:02:09,910 --> 00:02:08,640
uh did a beach meditation for about 15

38
00:02:12,390 --> 00:02:09,920

minutes while i was waiting for the ritz

39

00:02:14,470 --> 00:02:12,400

carlton to open went inside had a great

40

00:02:15,830 --> 00:02:14,480

breakfast overlooking the ocean took

41

00:02:17,750 --> 00:02:15,840

some night and some great pictures

42

00:02:19,430 --> 00:02:17,760

without which i put my story

43

00:02:20,470 --> 00:02:19,440

and then i walked five miles on the

44

00:02:23,270 --> 00:02:20,480

beach

45

00:02:24,630 --> 00:02:23,280

uh after that i got my car drove back

46

00:02:26,229 --> 00:02:24,640

had a lunch

47

00:02:27,589 --> 00:02:26,239

and took about an hour and a half break

48

00:02:29,270 --> 00:02:27,599

and then i went in the gym worked out

49

00:02:32,390 --> 00:02:29,280

for another hour and a half

50

00:02:34,470 --> 00:02:32,400

and i took another break made a smoothie

51
00:02:36,710 --> 00:02:34,480
and uh then i had to go to a meeting

52
00:02:39,110 --> 00:02:36,720
came back and and now i'm here

53
00:02:41,020 --> 00:02:39,120
see i did all of that

54
00:02:42,949 --> 00:02:41,030
without the exercise

55
00:02:45,270 --> 00:02:42,959
[Music]

56
00:02:46,150 --> 00:02:45,280
i had a smoothie

57
00:02:48,470 --> 00:02:46,160
yeah

58
00:02:51,509 --> 00:02:48,480
i got up

59
00:02:54,869 --> 00:02:51,519
you gotta sat down

60
00:02:57,910 --> 00:02:54,879
i took a break yeah two breaks today

61
00:03:03,270 --> 00:02:59,190
oh man

62
00:03:05,509 --> 00:03:03,280
billy billy billy i am so excited uh we

63
00:03:08,630 --> 00:03:05,519

are here uh tonight and

64

00:03:10,949 --> 00:03:08,640

uh hello to everybody we've got uh

65

00:03:12,790 --> 00:03:10,959

you know this was just unannounced well

66

00:03:13,670 --> 00:03:12,800

billy and i knew that we were gonna do

67

00:03:16,630 --> 00:03:13,680

this

68

00:03:18,869 --> 00:03:16,640

um but uh we didn't announce it it's fun

69

00:03:20,790 --> 00:03:18,879

to have surprises for everybody but

70

00:03:23,910 --> 00:03:20,800

looking at everybody in the chat room

71

00:03:25,509 --> 00:03:23,920

holy crap this is great hello everybody

72

00:03:27,350 --> 00:03:25,519

and um

73

00:03:30,630 --> 00:03:27,360

uh billy

74

00:03:31,509 --> 00:03:30,640

is going to egypt forbid knowledge the

75

00:03:35,350 --> 00:03:31,519

tour

76

00:03:37,430 --> 00:03:35,360

of egypt for 2022 and he's taking me

77

00:03:39,430 --> 00:03:37,440

along with him that's right

78

00:03:42,229 --> 00:03:39,440

we are we're heading over there in

79

00:03:45,750 --> 00:03:42,239

october and so what we thought

80

00:03:49,030 --> 00:03:45,760

we would do um well let me can i say

81

00:03:51,110 --> 00:03:49,040

billy i haven't shut up yet um

82

00:03:56,229 --> 00:03:51,120

this is all about you tonight

83

00:03:59,910 --> 00:03:56,239

but um here's the deal yeah uh uh we've

84

00:04:02,710 --> 00:03:59,920

got two buses yeah and

85

00:04:05,750 --> 00:04:02,720

about one and a half are full yeah so

86

00:04:09,589 --> 00:04:05,760

we've got very very limited space on the

87

00:04:11,270 --> 00:04:09,599

second bus that we have added um but uh

88

00:04:14,789 --> 00:04:11,280

we've we've got to let people know

89

00:04:16,629 --> 00:04:14,799

because once that fills up there there's

90

00:04:19,270 --> 00:04:16,639

going to be those stragglers out there

91

00:04:21,509 --> 00:04:19,280

wanting to go and they can't so we are

92

00:04:24,550 --> 00:04:21,519

here to tell everybody today

93

00:04:27,909 --> 00:04:24,560

this is what's going on this is the trip

94

00:04:30,150 --> 00:04:27,919

to motivate everybody uh to a call of

95

00:04:32,710 --> 00:04:30,160

action yeah and and

96

00:04:33,590 --> 00:04:32,720

and and get this thing uh get this thing

97

00:04:37,590 --> 00:04:33,600

in the

98

00:04:39,990 --> 00:04:37,600

think about other things i'm very

99

00:04:42,150 --> 00:04:40,000

excited about this trip yeah we're gonna

100

00:04:44,790 --> 00:04:42,160

celebrate your birthday out there i'm

101
00:04:45,590 --> 00:04:44,800
gonna celebrate my birthday yeah which

102
00:04:47,749 --> 00:04:45,600
now

103
00:04:51,749 --> 00:04:47,759
uh billy and i

104
00:04:54,230 --> 00:04:51,759
have uh i'm getting a weird echo billy

105
00:04:56,710 --> 00:04:54,240
i don't have anything

106
00:04:58,230 --> 00:04:56,720
you don't hear that it's like

107
00:05:01,430 --> 00:04:58,240
it's my voice

108
00:05:02,790 --> 00:05:01,440
yeah it's definitely 100 my voice wow

109
00:05:04,870 --> 00:05:02,800
yeah

110
00:05:06,710 --> 00:05:04,880
let me um

111
00:05:07,909 --> 00:05:06,720
let's see check

112
00:05:11,029 --> 00:05:07,919
ah

113
00:05:14,230 --> 00:05:11,039

no it's still there oh wow okay i don't

114

00:05:16,550 --> 00:05:14,240

know what it is and this shouldn't

115

00:05:17,990 --> 00:05:16,560

matter

116

00:05:19,670 --> 00:05:18,000

you don't have an echo on your side i

117

00:05:21,430 --> 00:05:19,680

mean you're crisp

118

00:05:23,270 --> 00:05:21,440

i know it's annoying but uh this is the

119

00:05:24,629 --> 00:05:23,280

same setup i had from yesterday as well

120

00:05:27,590 --> 00:05:24,639

i didn't even

121

00:05:31,270 --> 00:05:27,600

and it is just uh you know what i'm not

122

00:05:33,510 --> 00:05:31,280

i'm just totally going to ignore it um

123

00:05:34,550 --> 00:05:33,520

that's it i am

124

00:05:37,430 --> 00:05:34,560

uh

125

00:05:40,629 --> 00:05:37,440

yeah okay so anyway it's very slight

126

00:05:44,469 --> 00:05:40,639

it's in the background yeah um

127

00:05:47,350 --> 00:05:44,479

the trip is october 5th through the 12th

128

00:05:50,150 --> 00:05:47,360

yeah and you just mentioned it's it's

129

00:05:51,990 --> 00:05:50,160

also my birthday and the reason why

130

00:05:54,629 --> 00:05:52,000

i bring this up and i'm so excited about

131

00:05:56,309 --> 00:05:54,639

it is because i've been this is my first

132

00:05:59,029 --> 00:05:56,319

trip to egypt i've been wanting to go

133

00:06:01,029 --> 00:05:59,039

for a very very long time my entire life

134

00:06:05,029 --> 00:06:01,039

and you and i have been talking about

135

00:06:06,629 --> 00:06:05,039

this forever yeah how we're going and

136

00:06:09,350 --> 00:06:06,639

we're going to celebrate my birthday so

137

00:06:11,830 --> 00:06:09,360

more on that in egypt

138

00:06:12,629 --> 00:06:11,840

more on that in in in just a bit

139

00:06:14,870 --> 00:06:12,639

um

140

00:06:18,150 --> 00:06:14,880

we've uh assembled a bunch of really

141

00:06:21,749 --> 00:06:18,160

cool images uh to talk about the trip as

142

00:06:24,469 --> 00:06:21,759

we go through it um but the first first

143

00:06:26,390 --> 00:06:24,479

part is this where can everybody go to

144

00:06:28,629 --> 00:06:26,400

get their information billy

145

00:06:30,790 --> 00:06:28,639

you can go to four bet in knowledge with

146

00:06:31,749 --> 00:06:30,800

the number four forbidden knowledge dot

147

00:06:34,070 --> 00:06:31,759

com

148

00:06:36,390 --> 00:06:34,080

and look for the egypt tour the tour of

149

00:06:38,870 --> 00:06:36,400

egypt it's under events uh you can also

150

00:06:43,909 --> 00:06:38,880

just just put forbidden knowledge dot

151
00:06:46,870 --> 00:06:43,919
com forward slash forbidden dash tour

152
00:06:48,629 --> 00:06:46,880
and uh it's gonna be an amazing tour

153
00:06:50,070 --> 00:06:48,639
it's gonna be a once in a lifetime

154
00:06:52,950 --> 00:06:50,080
opportunity we have some incredible

155
00:06:54,790 --> 00:06:52,960
things set up that we prepaid extra

156
00:06:56,870 --> 00:06:54,800
security to give us access to we have to

157
00:06:59,029 --> 00:06:56,880
pay the military off to get access to

158
00:07:00,629 --> 00:06:59,039
some of these places and so you can't do

159
00:07:02,710 --> 00:07:00,639
it every time you go because it's a

160
00:07:05,350 --> 00:07:02,720
fortune but this trip i wanted to i

161
00:07:06,950 --> 00:07:05,360
wanted it to be very very special and so

162
00:07:08,469 --> 00:07:06,960
we're going to get some private access

163
00:07:10,469 --> 00:07:08,479

and all vip

164

00:07:12,469 --> 00:07:10,479

to a lot of the places that we go and

165

00:07:13,749 --> 00:07:12,479

even the hotels are going to be vip

166

00:07:15,350 --> 00:07:13,759

five-star

167

00:07:17,270 --> 00:07:15,360

okay now

168

00:07:18,790 --> 00:07:17,280

all of the uh special stuff we're gonna

169

00:07:20,150 --> 00:07:18,800

go through

170

00:07:22,550 --> 00:07:20,160

uh the

171

00:07:24,710 --> 00:07:22,560

the entire schedule right now with all

172

00:07:26,950 --> 00:07:24,720

of you we're just gonna be with you for

173

00:07:28,870 --> 00:07:26,960

for the next 30 minutes or so

174

00:07:31,430 --> 00:07:28,880

and uh but we're going to compact all of

175

00:07:34,710 --> 00:07:31,440

this in and we've got some great things

176
00:07:38,070 --> 00:07:34,720
to show you um so

177
00:07:40,629 --> 00:07:38,080
let's start with day one

178
00:07:45,270 --> 00:07:40,639
day one which is october 5th

179
00:07:47,350 --> 00:07:45,280
everybody arrives in cairo and uh what

180
00:07:49,189 --> 00:07:47,360
what happens uh from there are we gonna

181
00:07:51,589 --> 00:07:49,199
have a dinner are we gonna hang out are

182
00:07:53,510 --> 00:07:51,599
we gonna you know just have a meet and

183
00:07:54,390 --> 00:07:53,520
greet in the lobby what happens on day

184
00:07:58,869 --> 00:07:54,400
one

185
00:08:01,029 --> 00:07:58,879
slightly different times so we have a

186
00:08:02,390 --> 00:08:01,039
whole crew a team of people going back

187
00:08:03,350 --> 00:08:02,400
and forth to make sure everybody's

188
00:08:06,469 --> 00:08:03,360

getting

189

00:08:08,150 --> 00:08:06,479

you know picked up taken to vip for the

190

00:08:10,070 --> 00:08:08,160

visa because

191

00:08:13,510 --> 00:08:10,080

in egypt you get your visa when you land

192

00:08:15,189 --> 00:08:13,520

and arrive in cairo at the cairo airport

193

00:08:18,469 --> 00:08:15,199

but there's a huge line that usually

194

00:08:20,230 --> 00:08:18,479

could take two hours but we have a vip

195

00:08:23,189 --> 00:08:20,240

person that's gonna take you and walk

196

00:08:25,749 --> 00:08:23,199

you directly to the uh a vip access

197

00:08:27,430 --> 00:08:25,759

point and uh you'll be able to get your

198

00:08:30,710 --> 00:08:27,440

visa right there on the spot the visa i

199

00:08:32,870 --> 00:08:30,720

think is gonna cost about 40 us dollars

200

00:08:34,389 --> 00:08:32,880

it's uh it's peanuts yeah but you have

201
00:08:35,990 --> 00:08:34,399
to pay that and you know get your stamp

202
00:08:37,990 --> 00:08:36,000
and all that but you're going to bypass

203
00:08:39,750 --> 00:08:38,000
the entire line you're going to buy

204
00:08:41,909 --> 00:08:39,760
that's to our weight and then there'll

205
00:08:43,589 --> 00:08:41,919
be people waiting there to take you

206
00:08:45,910 --> 00:08:43,599
uh and pick you up and take you straight

207
00:08:47,750 --> 00:08:45,920
to your hotel so the first day i think

208
00:08:49,350 --> 00:08:47,760
it's gonna be mostly uh getting

209
00:08:51,509 --> 00:08:49,360
everybody in and getting everybody to

210
00:08:53,110 --> 00:08:51,519
the hotel first okay we'll all be at the

211
00:08:54,790 --> 00:08:53,120
same hotel by the way

212
00:08:57,509 --> 00:08:54,800
and we're at the uh

213
00:09:01,190 --> 00:08:57,519

the marriott mena house oh yeah nice

214

00:09:05,190 --> 00:09:01,200

hotel man beautiful e that's the hotel

215

00:09:07,350 --> 00:09:05,200

in cairo yes it is yes it is five star

216

00:09:09,670 --> 00:09:07,360

uh the pyramids are in the background i

217

00:09:11,509 --> 00:09:09,680

mean you can't get any better than that

218

00:09:13,030 --> 00:09:11,519

uh and there's restaurants here there's

219

00:09:14,790 --> 00:09:13,040

food there we'll probably all meet up

220

00:09:17,750 --> 00:09:14,800

that night and have a great dinner

221

00:09:19,509 --> 00:09:17,760

together you know uh at the hotel

222

00:09:22,150 --> 00:09:19,519

uh every time

223

00:09:24,310 --> 00:09:22,160

uh i see somebody post i just arrived in

224

00:09:26,230 --> 00:09:24,320

cairo i'm at the mena house look at this

225

00:09:29,030 --> 00:09:26,240

view from outside of my

226

00:09:30,790 --> 00:09:29,040

balcony and they snap a shot and i just

227

00:09:33,990 --> 00:09:30,800

slam my man

228

00:09:35,030 --> 00:09:34,000

well now i get to do just that i am

229

00:09:36,790 --> 00:09:35,040

going to

230

00:09:40,949 --> 00:09:36,800

take my selfie

231

00:09:43,750 --> 00:09:42,310

pyramid

232

00:09:46,070 --> 00:09:43,760

you know just outside of the balcony

233

00:09:47,350 --> 00:09:46,080

okay so you were going to say something

234

00:09:49,269 --> 00:09:47,360

you know so that's it you know we're

235

00:09:50,949 --> 00:09:49,279

going to have that probably a meet and

236

00:09:53,269 --> 00:09:50,959

greet that night you know and be get

237

00:09:55,509 --> 00:09:53,279

everybody organized for the next day the

238

00:09:56,710 --> 00:09:55,519

uh all the volunteers and the assistants

239

00:09:58,150 --> 00:09:56,720

will be there

240

00:09:59,350 --> 00:09:58,160

the uh

241

00:10:00,870 --> 00:09:59,360

everybody will be you know letting

242

00:10:02,150 --> 00:10:00,880

everybody know what time we're waking up

243

00:10:03,750 --> 00:10:02,160

and what we're gonna be doing the next

244

00:10:05,430 --> 00:10:03,760

day get everybody prepped and ready to

245

00:10:07,030 --> 00:10:05,440

go for the next morning

246

00:10:08,949 --> 00:10:07,040

uh talking about arrangements for

247

00:10:10,310 --> 00:10:08,959

breakfast and everything else so that

248

00:10:12,069 --> 00:10:10,320

we're ready to go because it's gonna be

249

00:10:13,829 --> 00:10:12,079

a trip where it's like boom boom boom

250

00:10:15,430 --> 00:10:13,839

boom you know

251
00:10:17,110 --> 00:10:15,440
now uh

252
00:10:20,550 --> 00:10:17,120
i'm going to

253
00:10:23,030 --> 00:10:20,560
uh show uh some images i did just a

254
00:10:25,590 --> 00:10:23,040
couple billy's got some too

255
00:10:28,230 --> 00:10:25,600
of of giza because

256
00:10:29,110 --> 00:10:28,240
on our first day

257
00:10:32,790 --> 00:10:29,120
uh

258
00:10:33,750 --> 00:10:32,800
there is is going to be at giza

259
00:10:35,430 --> 00:10:33,760
and

260
00:10:37,590 --> 00:10:35,440
this is you're going to love this

261
00:10:39,750 --> 00:10:37,600
picture billy check this out

262
00:10:43,670 --> 00:10:39,760
this image

263
00:10:44,829 --> 00:10:43,680

is one of the earliest photographs taken

264

00:10:48,150 --> 00:10:44,839

of the

265

00:10:50,790 --> 00:10:48,160

sphinx and you can see it's still buried

266

00:10:53,829 --> 00:10:50,800

and not only is it buried but the dream

267

00:10:55,670 --> 00:10:53,839

stella is still buried right yeah and

268

00:10:56,790 --> 00:10:55,680

obviously the pause but the entire

269

00:11:00,790 --> 00:10:56,800

sphinx

270

00:11:03,190 --> 00:11:00,800

is buried and thinking about today um

271

00:11:05,990 --> 00:11:03,200

how the giza plateau

272

00:11:08,710 --> 00:11:06,000

has been revealed right

273

00:11:12,630 --> 00:11:08,720

there's so much of it there look at this

274

00:11:15,269 --> 00:11:12,640

can you imagine that in the late 1800s

275

00:11:16,150 --> 00:11:15,279

and seeing it like that but that's how

276

00:11:19,590 --> 00:11:16,160

they

277

00:11:21,509 --> 00:11:19,600

thousands of years yep literally for

278

00:11:23,590 --> 00:11:21,519

thousands of years it was like that

279

00:11:25,509 --> 00:11:23,600

uh just the head sticking up and the

280

00:11:27,990 --> 00:11:25,519

amount of work it took to

281

00:11:29,829 --> 00:11:28,000

um un you know remove the sand and

282

00:11:32,069 --> 00:11:29,839

unbury it it was incredible i mean just

283

00:11:35,110 --> 00:11:32,079

uh it took years

284

00:11:39,030 --> 00:11:35,120

it absolutely took years and

285

00:11:41,590 --> 00:11:39,040

um now here's here's the funny thing um

286

00:11:44,230 --> 00:11:41,600

i wanted to show

287

00:11:46,150 --> 00:11:44,240

everybody this and we were talking about

288

00:11:49,030 --> 00:11:46,160

uh billy was

289

00:11:50,629 --> 00:11:49,040

uh oh oh check this image out

290

00:11:51,750 --> 00:11:50,639

you're gonna love this

291

00:11:54,550 --> 00:11:51,760

right

292

00:11:57,750 --> 00:11:54,560

i mean i i just think this is

293

00:12:01,350 --> 00:11:59,430

unbelievable

294

00:12:03,590 --> 00:12:01,360

that's the first picture

295

00:12:05,110 --> 00:12:03,600

incredible that's the oldest picture

296

00:12:07,350 --> 00:12:05,120

yeah look at that

297

00:12:10,550 --> 00:12:07,360

isn't that crazy i mean

298

00:12:11,750 --> 00:12:10,560

how how times have changed right yeah

299

00:12:14,710 --> 00:12:11,760

but um

300

00:12:15,750 --> 00:12:14,720

uh talking about the sphinx enclosure

301
00:12:17,910 --> 00:12:15,760
now

302
00:12:20,150 --> 00:12:17,920
this image here

303
00:12:23,590 --> 00:12:20,160
um

304
00:12:25,829 --> 00:12:23,600
is the sphinx enclosure of course but

305
00:12:27,670 --> 00:12:25,839
we're going to

306
00:12:32,069 --> 00:12:27,680
have

307
00:12:35,829 --> 00:12:32,079
our own private after the sphinx or

308
00:12:39,190 --> 00:12:35,839
after the giza plateau closes

309
00:12:41,509 --> 00:12:39,200
we get access yeah right and and how

310
00:12:43,110 --> 00:12:41,519
incredible is that so everybody else has

311
00:12:45,430 --> 00:12:43,120
to stand up there next to the fence on

312
00:12:46,629 --> 00:12:45,440
the observation deck right right right

313
00:12:48,949 --> 00:12:46,639

he stands

314

00:12:51,190 --> 00:12:48,959

not us on this tour

315

00:12:53,750 --> 00:12:51,200

we get to walk down

316

00:12:56,629 --> 00:12:53,760

and and go scratch the paws of the

317

00:12:58,870 --> 00:12:56,639

sphinx we can touch the paws yeah

318

00:13:00,230 --> 00:12:58,880

right going to be yeah and the dream

319

00:13:02,470 --> 00:13:00,240

stella

320

00:13:03,350 --> 00:13:02,480

well and that's why i just showed this

321

00:13:05,750 --> 00:13:03,360

image

322

00:13:09,430 --> 00:13:05,760

if everybody looks right here

323

00:13:11,509 --> 00:13:09,440

you see that that is the dream stella

324

00:13:13,430 --> 00:13:11,519

yeah and i've got it

325

00:13:14,949 --> 00:13:13,440

this is important for a lot of different

326

00:13:16,150 --> 00:13:14,959

reasons but

327

00:13:17,990 --> 00:13:16,160

um

328

00:13:19,350 --> 00:13:18,000

let me show you this i'm going to show

329

00:13:21,509 --> 00:13:19,360

everybody

330

00:13:23,190 --> 00:13:21,519

this picture here

331

00:13:26,150 --> 00:13:23,200

of the

332

00:13:30,150 --> 00:13:26,160

dream stella do i have it

333

00:13:32,870 --> 00:13:30,160

do i not have my

334

00:13:38,069 --> 00:13:35,829

i swear i billy yeah

335

00:13:40,150 --> 00:13:38,079

i'm losing my mind

336

00:13:42,150 --> 00:13:40,160

i had um

337

00:13:43,750 --> 00:13:42,160

uh do you have any images of the dream

338

00:13:45,350 --> 00:13:43,760

stella yeah i'm looking i'm already

339

00:13:46,870 --> 00:13:45,360

looking let me pull it up right now i

340

00:13:49,030 --> 00:13:46,880

just gotta go through my google images

341

00:13:53,590 --> 00:13:49,040

real quick i

342

00:14:04,870 --> 00:13:57,990

and

343

00:14:07,189 --> 00:14:04,880

it's suddenly not here

344

00:14:10,310 --> 00:14:09,430

well okay so let's just go with this

345

00:14:12,710 --> 00:14:10,320

then

346

00:14:14,470 --> 00:14:12,720

but um

347

00:14:16,790 --> 00:14:14,480

the dream step i

348

00:14:17,590 --> 00:14:16,800

i i don't i don't know here's a picture

349

00:14:19,110 --> 00:14:17,600

of his

350

00:14:20,470 --> 00:14:19,120

elizabeth uh

351

00:14:22,150 --> 00:14:20,480

standing there

352

00:14:23,910 --> 00:14:22,160

i took a picture of her standing in

353

00:14:25,750 --> 00:14:23,920

front of the entrance to the pause where

354

00:14:28,710 --> 00:14:25,760

the dream still is in the background

355

00:14:32,150 --> 00:14:28,720

yeah there's the dream stella there so

356

00:14:34,150 --> 00:14:32,160

um i forget uh

357

00:14:36,949 --> 00:14:34,160

which pharaoh

358

00:14:39,189 --> 00:14:36,959

but he goes and he falls asleep

359

00:14:40,629 --> 00:14:39,199

at the head of the sphinx and has a

360

00:14:45,590 --> 00:14:40,639

dream

361

00:14:47,910 --> 00:14:45,600

a sphinx there

362

00:14:49,670 --> 00:14:47,920

but there are two sphinxes

363

00:14:50,710 --> 00:14:49,680

so uh

364

00:14:57,509 --> 00:14:50,720

they

365

00:15:00,710 --> 00:14:57,519

carve this dream stella

366

00:15:03,430 --> 00:15:00,720

which clearly shows two sphinxes and put

367

00:15:05,750 --> 00:15:03,440

it between the paws of the sphinx and

368

00:15:08,310 --> 00:15:05,760

that's where it is today it is one of

369

00:15:09,430 --> 00:15:08,320

the most important artifacts in all of

370

00:15:12,550 --> 00:15:09,440

egypt

371

00:15:15,189 --> 00:15:12,560

and we'll be able to go up and and check

372

00:15:17,509 --> 00:15:15,199

out the dream stella ourselves

373

00:15:18,710 --> 00:15:17,519

that's a big deal to me that is just a

374

00:15:21,189 --> 00:15:18,720

big deal

375

00:15:24,629 --> 00:15:21,199

and there's the dream stella it's right

376

00:15:26,230 --> 00:15:24,639

here everybody and you can see elizabeth

377

00:15:27,910 --> 00:15:26,240

she's right here and there's the dream

378

00:15:29,030 --> 00:15:27,920

stella yeah

379

00:15:31,189 --> 00:15:29,040

incredible

380

00:15:33,590 --> 00:15:31,199

yeah yeah it's uh

381

00:15:36,069 --> 00:15:33,600

unreal i i mean i just i just can't wait

382

00:15:37,430 --> 00:15:36,079

so we have private access

383

00:15:39,590 --> 00:15:37,440

yeah

384

00:15:40,389 --> 00:15:39,600

the giza plateau now

385

00:15:43,110 --> 00:15:40,399

uh

386

00:15:45,590 --> 00:15:43,120

let's let's actually talk about

387

00:15:46,790 --> 00:15:45,600

the great pyramid

388

00:15:48,069 --> 00:15:46,800

and

389

00:15:49,110 --> 00:15:48,079

uh

390

00:15:51,269 --> 00:15:49,120

we

391

00:15:53,189 --> 00:15:51,279

during this period

392

00:15:56,150 --> 00:15:53,199

of

393

00:15:58,470 --> 00:15:56,160

our own access

394

00:16:00,550 --> 00:15:58,480

are we going to be able to get now this

395

00:16:03,269 --> 00:16:00,560

is i wanted to show this to everybody

396

00:16:06,790 --> 00:16:03,279

and on how we're getting inside and

397

00:16:09,030 --> 00:16:06,800

and how we do this um is this or do we

398

00:16:11,189 --> 00:16:09,040

have access to the great pyramid as well

399

00:16:13,430 --> 00:16:11,199

as the sphinx

400

00:16:15,829 --> 00:16:13,440

um after everything closes

401
00:16:17,350 --> 00:16:15,839
yeah so the great pyramid will have

402
00:16:19,269 --> 00:16:17,360
private access and we'll also have

403
00:16:23,110 --> 00:16:19,279
private access to the sphinx so

404
00:16:24,949 --> 00:16:23,120
we'll be able to go um we're gonna uh go

405
00:16:26,710 --> 00:16:24,959
up into the king's chamber

406
00:16:27,749 --> 00:16:26,720
uh we'll probably do a meditation up

407
00:16:29,590 --> 00:16:27,759
there

408
00:16:31,910 --> 00:16:29,600
and then maybe a couple because we got

409
00:16:33,590 --> 00:16:31,920
quite a few people now and also uh

410
00:16:34,949 --> 00:16:33,600
depending on on the conditions we're

411
00:16:36,710 --> 00:16:34,959
gonna try to go underneath the great

412
00:16:41,110 --> 00:16:36,720
pyramid as well

413
00:16:43,509 --> 00:16:41,120

now here's the here's the entrance and

414

00:16:47,509 --> 00:16:43,519

what i wanted to show everybody

415

00:16:50,509 --> 00:16:47,519

billy this is my question to you

416

00:16:52,069 --> 00:16:50,519

um out of

417

00:16:54,150 --> 00:16:52,079

everything

418

00:16:55,189 --> 00:16:54,160

there's edfu we're going to talk about

419

00:16:56,310 --> 00:16:55,199

that

420

00:16:58,230 --> 00:16:56,320

and

421

00:17:00,870 --> 00:16:58,240

it's up but for me

422

00:17:03,269 --> 00:17:00,880

uh when it's the great pyramid

423

00:17:06,069 --> 00:17:03,279

it's all about

424

00:17:09,669 --> 00:17:07,189

bam

425

00:17:13,110 --> 00:17:09,679

oh yeah okay so

426
00:17:15,350 --> 00:17:13,120
this is the entrance tunnel right here

427
00:17:16,150 --> 00:17:15,360
right here yeah

428
00:17:17,189 --> 00:17:16,160
um

429
00:17:27,189 --> 00:17:17,199
this

430
00:17:29,270 --> 00:17:27,199
okay see the see see all the stones here

431
00:17:30,870 --> 00:17:29,280
see the stones here what is underneath

432
00:17:33,270 --> 00:17:30,880
those

433
00:17:34,789 --> 00:17:33,280
ear when you think about this because

434
00:17:37,350 --> 00:17:34,799
this was hidden

435
00:17:39,750 --> 00:17:37,360
yeah for millennia

436
00:17:42,310 --> 00:17:39,760
right until the person came in

437
00:17:43,270 --> 00:17:42,320
blasted the dynamite blasted this hole

438
00:17:46,549 --> 00:17:43,280

in here

439

00:17:49,430 --> 00:17:46,559

but they removed these stones and this

440

00:17:50,470 --> 00:17:49,440

is now the question is what is what is

441

00:17:53,029 --> 00:17:50,480

here

442

00:17:55,190 --> 00:17:53,039

what is so this is incredible

443

00:17:56,549 --> 00:17:55,200

and there's three other sides on the

444

00:17:59,029 --> 00:17:56,559

great pyramid

445

00:18:01,990 --> 00:17:59,039

and would this be there or

446

00:18:04,310 --> 00:18:02,000

anyway i cannot wait

447

00:18:06,549 --> 00:18:04,320

to take a picture in front of this

448

00:18:08,789 --> 00:18:06,559

now if we have private access and this

449

00:18:10,630 --> 00:18:08,799

is the entrance here this is my question

450

00:18:17,909 --> 00:18:10,640

mm-hmm and i go

451
00:18:21,510 --> 00:18:19,669
yeah and stand right here and take a

452
00:18:22,470 --> 00:18:21,520
selfie yeah

453
00:18:24,870 --> 00:18:22,480
can i

454
00:18:26,390 --> 00:18:24,880
oh yeah absolutely you will absolutely

455
00:18:28,150 --> 00:18:26,400
yeah man

456
00:18:30,310 --> 00:18:28,160
you definitely will you know how

457
00:18:31,430 --> 00:18:30,320
important this is to me

458
00:18:33,270 --> 00:18:31,440
yeah and

459
00:18:37,350 --> 00:18:33,280
and for everybody that is going to be

460
00:18:39,750 --> 00:18:37,360
with us on this tour yeah um follow me

461
00:18:44,310 --> 00:18:39,760
just walk behind me because i

462
00:18:46,310 --> 00:18:44,320
i am going to be in amazement yeah um

463
00:18:48,470 --> 00:18:46,320

i'm going to be a little kid seeing all

464

00:18:51,270 --> 00:18:48,480

of this for the first time but it's

465

00:18:53,750 --> 00:18:51,280

stuff like this like this this right

466

00:18:55,990 --> 00:18:53,760

here yeah there's a complete subsurface

467

00:18:58,230 --> 00:18:56,000

structure underneath these uh these out

468

00:19:00,549 --> 00:18:58,240

is the exterior stones i've got to see

469

00:19:03,110 --> 00:19:00,559

this for myself yeah and i can't believe

470

00:19:05,350 --> 00:19:03,120

it and so i've i've

471

00:19:06,630 --> 00:19:05,360

i know that you can't do you're not

472

00:19:09,350 --> 00:19:06,640

supposed to

473

00:19:14,150 --> 00:19:09,360

but if you have the right access like we

474

00:19:18,630 --> 00:19:16,230

poop

475

00:19:21,510 --> 00:19:18,640

selfie right there

476

00:19:24,549 --> 00:19:21,520

okay i mean i i just cannot wait for

477

00:19:26,870 --> 00:19:24,559

this billy that that's that's absolutely

478

00:19:28,950 --> 00:19:26,880

amazing so that is

479

00:19:32,310 --> 00:19:28,960

um day one

480

00:19:35,590 --> 00:19:32,320

for us is uh

481

00:19:36,549 --> 00:19:35,600

is giza technically day two

482

00:19:39,110 --> 00:19:36,559

um

483

00:19:41,190 --> 00:19:39,120

let's uh let's i'm sorry about that hold

484

00:19:42,710 --> 00:19:41,200

on everybody let me go back to you here

485

00:19:43,990 --> 00:19:42,720

okay so

486

00:19:44,950 --> 00:19:44,000

um

487

00:19:47,669 --> 00:19:44,960

uh

488

00:19:49,830 --> 00:19:47,679

we're gonna do the giza plateau yeah and

489

00:19:52,549 --> 00:19:49,840

we have our private access we have vip

490

00:19:53,750 --> 00:19:52,559

access to the great sphinx enclosures

491

00:19:54,549 --> 00:19:53,760

and

492

00:19:58,150 --> 00:19:54,559

uh

493

00:20:01,110 --> 00:19:58,160

entry

494

00:20:02,549 --> 00:20:01,120

uh to the great pyramid uh

495

00:20:03,669 --> 00:20:02,559

of course

496

00:20:07,669 --> 00:20:03,679

and

497

00:20:09,110 --> 00:20:07,679

then how does that night wrap up after

498

00:20:11,110 --> 00:20:09,120

we're done

499

00:20:13,510 --> 00:20:11,120

do we go back to uh

500

00:20:15,430 --> 00:20:13,520

to the marriott and kick back

501

00:20:17,510 --> 00:20:15,440

go back to the marriott you know kick

502

00:20:19,110 --> 00:20:17,520

back some people may want to go lay down

503

00:20:20,789 --> 00:20:19,120

because you know it's a long day some

504

00:20:22,630 --> 00:20:20,799

people may want to come out and have

505

00:20:24,630 --> 00:20:22,640

some food some some dinner at one of the

506

00:20:26,549 --> 00:20:24,640

restaurants you know so everybody will

507

00:20:28,310 --> 00:20:26,559

be making a decision but we'll we'll

508

00:20:30,630 --> 00:20:28,320

have a meeting with everyone first

509

00:20:33,110 --> 00:20:30,640

letting them know the next day's events

510

00:20:34,470 --> 00:20:33,120

and what time to be ready what time

511

00:20:35,669 --> 00:20:34,480

we're coming to pick them up and all

512

00:20:37,270 --> 00:20:35,679

that good stuff

513

00:20:39,270 --> 00:20:37,280

you know and and be prepped and ready

514

00:20:41,590 --> 00:20:39,280

and by the way we have not only do we

515

00:20:43,909 --> 00:20:41,600

have assistants and uh

516

00:20:45,590 --> 00:20:43,919

egyptologists and guides we also have

517

00:20:48,230 --> 00:20:45,600

armed guards as well just to let people

518

00:20:49,590 --> 00:20:48,240

know that we are protected yeah right on

519

00:20:51,750 --> 00:20:49,600

yeah right on

520

00:20:52,870 --> 00:20:51,760

um so the next morning we get it for

521

00:20:55,590 --> 00:20:52,880

breakfast

522

00:20:58,630 --> 00:20:55,600

and then we're gonna drive to the nasa

523

00:21:02,310 --> 00:21:00,870

listen if we can get it in i wish but

524

00:21:05,190 --> 00:21:02,320

this might be a tight trip to get that

525

00:21:06,470 --> 00:21:05,200

one in yeah so the next day uh we get up

526
00:21:10,630 --> 00:21:06,480
we have breakfast

527
00:21:14,230 --> 00:21:10,640
and then uh we head to

528
00:21:17,510 --> 00:21:14,240
sakara oh yeah

529
00:21:19,029 --> 00:21:17,520
um so what's the first stop in sakaar

530
00:21:20,549 --> 00:21:19,039
uh well we're going to stop in the

531
00:21:21,750 --> 00:21:20,559
middle of the desert

532
00:21:24,149 --> 00:21:21,760
and people are going to look around and

533
00:21:25,350 --> 00:21:24,159
go i don't see nothing out here

534
00:21:27,190 --> 00:21:25,360
literally you're going to look around

535
00:21:28,870 --> 00:21:27,200
like where are we going well we're

536
00:21:31,350 --> 00:21:28,880
walking into the desert

537
00:21:33,430 --> 00:21:31,360
uh and then we're going to uh walk to

538
00:21:35,830 --> 00:21:33,440

the serapium that's about maybe i don't

539

00:21:37,750 --> 00:21:35,840

know 300 yards not too bad

540

00:21:39,350 --> 00:21:37,760

and then we're gonna go into what i

541

00:21:42,310 --> 00:21:39,360

believe is the really

542

00:21:43,190 --> 00:21:42,320

yankees hall of the halls of amenti

543

00:21:44,390 --> 00:21:43,200

uh

544

00:21:46,630 --> 00:21:44,400

you're gonna see

545

00:21:48,310 --> 00:21:46,640

what ancient technology is capable of

546

00:21:50,870 --> 00:21:48,320

doing to create this underground

547

00:21:53,270 --> 00:21:50,880

structure how it's created by vitrifying

548

00:21:55,350 --> 00:21:53,280

rock with some type of boring technology

549

00:21:57,430 --> 00:21:55,360

that melted the rock to create these

550

00:22:00,549 --> 00:21:57,440

halls you're gonna see the alcoves where

551

00:22:03,190 --> 00:22:00,559

these gigantic 60 and 80 ton

552

00:22:04,950 --> 00:22:03,200

sarcophagus are laying in that are not

553

00:22:05,750 --> 00:22:04,960

for dead bodies but or for something

554

00:22:06,630 --> 00:22:05,760

else

555

00:22:10,470 --> 00:22:06,640

and

556

00:22:13,750 --> 00:22:10,480

will help you climb into uh one of them

557

00:22:16,549 --> 00:22:13,760

it's going to be amazing and uh and then

558

00:22:18,710 --> 00:22:16,559

what snack can't wait that's the serpent

559

00:22:20,870 --> 00:22:18,720

i mean it's

560

00:22:22,549 --> 00:22:20,880

you know you know what's so funny uh

561

00:22:25,430 --> 00:22:22,559

when you look at the serapeum and then

562

00:22:28,870 --> 00:22:25,440

you look over at the uh the temple of is

563

00:22:33,750 --> 00:22:28,880

is it ramses the second or second first

564

00:22:36,630 --> 00:22:33,760

city yeah it's maybe the fur and so they

565

00:22:40,149 --> 00:22:36,640

the the the the serapeum said he built

566

00:22:42,789 --> 00:22:40,159

that yeah only because that is next to

567

00:22:46,470 --> 00:22:42,799

it what they don't realize is it's it's

568

00:22:48,870 --> 00:22:46,480

a hundred feet lower yeah

569

00:22:51,029 --> 00:22:48,880

it's way down okay uh and then what's

570

00:22:55,190 --> 00:22:51,039

after the serapium

571

00:22:57,990 --> 00:22:55,200

uh i believe we go to the um the ben or

572

00:23:00,549 --> 00:22:58,000

the step pyramid right the step pyramid

573

00:23:02,470 --> 00:23:00,559

um we'll go over to the step here now

574

00:23:04,789 --> 00:23:02,480

what's incredible about the step pyramid

575

00:23:07,029 --> 00:23:04,799

they just opened it it has it's been

576

00:23:08,789 --> 00:23:07,039

closed for decades

577

00:23:11,830 --> 00:23:08,799

it's been closed we're going to get a

578

00:23:13,590 --> 00:23:11,840

chance to go inside the step pyramid

579

00:23:15,510 --> 00:23:13,600

so you'll be one of the very first

580

00:23:17,990 --> 00:23:15,520

people getting a chance to go in after

581

00:23:20,549 --> 00:23:18,000

all the decades of closure because it

582

00:23:22,470 --> 00:23:20,559

was eroding so badly they had to really

583

00:23:24,870 --> 00:23:22,480

stabilize it

584

00:23:26,710 --> 00:23:24,880

now completely stabilized and we'll be

585

00:23:30,470 --> 00:23:26,720

able to go in then we're going to walk

586

00:23:32,950 --> 00:23:30,480

around to an area that was an open court

587

00:23:34,310 --> 00:23:32,960

and it was an open area where the the

588

00:23:35,830 --> 00:23:34,320

king and the you know the pharaoh and

589

00:23:38,630 --> 00:23:35,840

the queen would come out and they would

590

00:23:40,230 --> 00:23:38,640

have celebrations but it was that area

591

00:23:42,310 --> 00:23:40,240

was created with some kind of weird

592

00:23:44,149 --> 00:23:42,320

sound proofing so the sound can only

593

00:23:45,830 --> 00:23:44,159

stay within that area

594

00:23:47,029 --> 00:23:45,840

it can't leave the area and you'll see

595

00:23:48,549 --> 00:23:47,039

what we're talking about when we get

596

00:23:50,870 --> 00:23:48,559

there it's going to be

597

00:23:52,390 --> 00:23:50,880

again more mind-blowing just seeing this

598

00:23:53,590 --> 00:23:52,400

and another ancient temple that's out

599

00:23:55,909 --> 00:23:53,600

there so

600

00:23:57,190 --> 00:23:55,919

uh take a lot of photos pictures you'll

601
00:23:59,029 --> 00:23:57,200
be able to take pictures with the

602
00:24:00,950 --> 00:23:59,039
pyramids in the background

603
00:24:02,710 --> 00:24:00,960
a lot of people do that jumping photo

604
00:24:05,350 --> 00:24:02,720
and all those cool you know cool yeah

605
00:24:06,870 --> 00:24:05,360
yeah holding it up with two fingers yeah

606
00:24:08,149 --> 00:24:06,880
and all that holding the pyramid with

607
00:24:10,070 --> 00:24:08,159
two fingers like this because the

608
00:24:12,390 --> 00:24:10,080
perspective you know yeah it's pretty

609
00:24:14,310 --> 00:24:12,400
great just gonna be a phenomenal day i'm

610
00:24:16,390 --> 00:24:14,320
gonna do all that tourist stuff i'm

611
00:24:18,710 --> 00:24:16,400
gonna embarrass everybody there you

612
00:24:20,310 --> 00:24:18,720
gotta do it man you got to do it listen

613
00:24:21,830 --> 00:24:20,320

i'm going to hold up the pyramid you

614

00:24:23,269 --> 00:24:21,840

know like this

615

00:24:25,110 --> 00:24:23,279

and

616

00:24:29,909 --> 00:24:25,120

then

617

00:24:32,149 --> 00:24:29,919

pyramid yeah the bent pyramid of dozier

618

00:24:34,470 --> 00:24:32,159

man listen

619

00:24:36,070 --> 00:24:34,480

that is an incredible pyramid

620

00:24:37,430 --> 00:24:36,080

and we're gonna climb inside of it

621

00:24:39,750 --> 00:24:37,440

whoever has the energy and the strength

622

00:24:41,029 --> 00:24:39,760

to climb inside uh if you don't you can

623

00:24:43,110 --> 00:24:41,039

just take some pictures in front of it

624

00:24:45,110 --> 00:24:43,120

you can go climb the staircase to get to

625

00:24:47,510 --> 00:24:45,120

the entrance and take some pictures

626
00:24:49,990 --> 00:24:47,520
there uh but some of us are going to go

627
00:24:51,590 --> 00:24:50,000
inside and and walk though we'll crawl

628
00:24:53,510 --> 00:24:51,600
in those shafts

629
00:24:55,269 --> 00:24:53,520
and uh there's kilometers of shafts

630
00:24:58,230 --> 00:24:55,279
inside this sucker

631
00:25:02,470 --> 00:24:58,240
you know what's uh funny about this oh

632
00:25:05,110 --> 00:25:02,480
i've got the wrong i've got the wrong uh

633
00:25:09,430 --> 00:25:05,120
hold on for a second everybody

634
00:25:11,909 --> 00:25:09,440
i just messed up this is supposed to be

635
00:25:13,269 --> 00:25:11,919
the oh that's why

636
00:25:16,070 --> 00:25:13,279
uh

637
00:25:18,710 --> 00:25:16,080
this is showing my browser

638
00:25:22,789 --> 00:25:18,720

i can't have that

639

00:25:25,909 --> 00:25:22,799

i can't have my browser showing no can't

640

00:25:28,710 --> 00:25:25,919

have that you guys can't see my browser

641

00:25:30,230 --> 00:25:28,720

do you did you guys look really close

642

00:25:33,430 --> 00:25:30,240

did you see that

643

00:25:36,149 --> 00:25:33,440

that the elon musk jimmy chat see

644

00:25:37,350 --> 00:25:36,159

somebody's gonna go look at what elon

645

00:25:39,029 --> 00:25:37,360

and jimmy

646

00:25:42,149 --> 00:25:39,039

did you did you guys read the

647

00:25:46,549 --> 00:25:42,159

conversation that's the problem yeah

648

00:25:48,549 --> 00:25:46,559

with sharing screens there it is it's

649

00:25:49,510 --> 00:25:48,559

that right there

650

00:25:50,870 --> 00:25:49,520

yeah

651
00:25:53,669 --> 00:25:50,880
okay so

652
00:25:55,750 --> 00:25:53,679
um what's next after it was there

653
00:25:57,909 --> 00:25:55,760
everybody if you were if you

654
00:26:00,230 --> 00:25:57,919
you're gonna have to rewind this and

655
00:26:01,190 --> 00:26:00,240
and take a closer look

656
00:26:02,470 --> 00:26:01,200
um

657
00:26:04,230 --> 00:26:02,480
uh

658
00:26:07,110 --> 00:26:04,240
let's um

659
00:26:11,990 --> 00:26:07,120
let's go back to uh the schedule

660
00:26:13,830 --> 00:26:12,000
um after doze after dozer what's next

661
00:26:15,669 --> 00:26:13,840
uh let's see here

662
00:26:18,310 --> 00:26:15,679
on those are we're gonna go to the red

663
00:26:19,830 --> 00:26:18,320

pyramid oh we're going to we're doing

664

00:26:23,430 --> 00:26:19,840

the red too

665

00:26:24,149 --> 00:26:23,440

yeah oh we're doing step ben and red all

666

00:26:24,950 --> 00:26:24,159

one

667

00:26:27,750 --> 00:26:24,960

day

668

00:26:29,990 --> 00:26:27,760

i did them i did i climbed every single

669

00:26:33,350 --> 00:26:30,000

shaft in all three in one day and now

670

00:26:36,630 --> 00:26:33,360

okay for this i can't wait to work out

671

00:26:38,149 --> 00:26:36,640

well when when um when you see that we

672

00:26:39,669 --> 00:26:38,159

we've got to move on we've got a lot of

673

00:26:42,710 --> 00:26:39,679

other stuff to talk about

674

00:26:43,990 --> 00:26:42,720

when you see the red pyramid uh for the

675

00:26:47,110 --> 00:26:44,000

first time

676
00:26:48,630 --> 00:26:47,120
do you get a vibe at that moment going

677
00:26:51,430 --> 00:26:48,640
all right

678
00:26:52,950 --> 00:26:51,440
they were getting close

679
00:26:55,750 --> 00:26:52,960
you know you know what i mean you get

680
00:26:58,230 --> 00:26:55,760
that like the red pyramid is

681
00:26:59,990 --> 00:26:58,240
is they were trying to imitate the great

682
00:27:01,750 --> 00:27:00,000
pyramid i don't think it came before the

683
00:27:03,510 --> 00:27:01,760
great pyramid i think it came out it

684
00:27:05,110 --> 00:27:03,520
came after they tried to emulate it they

685
00:27:07,269 --> 00:27:05,120
did pretty damn good job though they did

686
00:27:08,789 --> 00:27:07,279
a pretty good job and so that's what i'm

687
00:27:10,310 --> 00:27:08,799
saying is that what goes through your

688
00:27:11,830 --> 00:27:10,320

mind yeah

689

00:27:12,950 --> 00:27:11,840

they were getting pretty good at it here

690

00:27:14,950 --> 00:27:12,960

right right

691

00:27:16,549 --> 00:27:14,960

you can see when the the the structures

692

00:27:17,750 --> 00:27:16,559

that are closer to the original

693

00:27:19,269 --> 00:27:17,760

knowledge

694

00:27:21,029 --> 00:27:19,279

you could tell and as you were as you

695

00:27:22,470 --> 00:27:21,039

work your way forward in time they get

696

00:27:27,029 --> 00:27:22,480

worse and worse

697

00:27:29,190 --> 00:27:27,039

yeah yeah yeah yeah yeah okay so

698

00:27:31,029 --> 00:27:29,200

let's see

699

00:27:32,230 --> 00:27:31,039

boo boom boom

700

00:27:35,350 --> 00:27:32,240

um

701
00:27:37,029 --> 00:27:35,360
day three uh

702
00:27:38,870 --> 00:27:37,039
we're going

703
00:27:39,669 --> 00:27:38,880
we check out of the hotel

704
00:27:43,830 --> 00:27:39,679
yeah

705
00:27:46,470 --> 00:27:43,840
and we're on our way to oswan

706
00:27:50,549 --> 00:27:46,480
yeah i mean okay

707
00:27:51,669 --> 00:27:50,559
this is this is what is nuts here

708
00:27:53,269 --> 00:27:51,679
you've got

709
00:27:55,830 --> 00:27:53,279
the great sphinx

710
00:27:58,630 --> 00:27:55,840
the great pyramid uh you know then

711
00:27:59,909 --> 00:27:58,640
you've got dozer and you've got the bent

712
00:28:02,950 --> 00:27:59,919
and you've got the

713
00:28:06,789 --> 00:28:02,960

the red pyramid i mean just mine for the

714

00:28:07,750 --> 00:28:06,799

serapeum right just right huge

715

00:28:09,669 --> 00:28:07,760

and

716

00:28:12,389 --> 00:28:09,679

we're just getting started

717

00:28:16,389 --> 00:28:12,399

yeah that's the beginning yeah because

718

00:28:18,950 --> 00:28:16,399

what what oswan represents to me

719

00:28:21,669 --> 00:28:18,960

um is is where all of the greatness came

720

00:28:26,230 --> 00:28:21,679

from yeah yeah that's where all the

721

00:28:29,430 --> 00:28:26,240

greatness came from so uh we we get uh

722

00:28:32,470 --> 00:28:29,440

uh how do we how do we get uh we fly to

723

00:28:34,950 --> 00:28:32,480

oswan so we go to an airport jump on the

724

00:28:37,029 --> 00:28:34,960

plane it's not that far a flight right

725

00:28:38,549 --> 00:28:37,039

no it's a quick flight 35-40 minute

726
00:28:40,070 --> 00:28:38,559
flight and then we

727
00:28:42,470 --> 00:28:40,080
we get on a cruise but the flight's

728
00:28:44,389 --> 00:28:42,480
covered the flight is included

729
00:28:46,710 --> 00:28:44,399
fly everything's included so

730
00:28:49,750 --> 00:28:46,720
okay so when we arrive we've got our

731
00:28:51,990 --> 00:28:49,760
luggage with us just help me out so we

732
00:28:55,190 --> 00:28:52,000
we arrive at the airport and that's

733
00:28:57,190 --> 00:28:55,200
where the cruise starts right yeah who's

734
00:28:58,389 --> 00:28:57,200
handling our luggage

735
00:28:59,669 --> 00:28:58,399
uh you're gonna take your luggage

736
00:29:01,110 --> 00:28:59,679
through security and everything just

737
00:29:03,350 --> 00:29:01,120
like you normally would

738
00:29:05,029 --> 00:29:03,360

and then you'll collect it back as you

739

00:29:06,230 --> 00:29:05,039

uh you know when you go through security

740

00:29:09,029 --> 00:29:06,240

and you land and you collect your

741

00:29:11,430 --> 00:29:09,039

luggage back and then you take it uh and

742

00:29:12,950 --> 00:29:11,440

bring it on the uh the bus with you or

743

00:29:14,789 --> 00:29:12,960

whoever they have waiting to pick us up

744

00:29:16,389 --> 00:29:14,799

on that side right and we'll take it

745

00:29:18,389 --> 00:29:16,399

straight to the cruise ship

746

00:29:20,710 --> 00:29:18,399

and then our luggage stays on the cruise

747

00:29:21,669 --> 00:29:20,720

ship and then we're then we continue the

748

00:29:23,269 --> 00:29:21,679

tour

749

00:29:25,029 --> 00:29:23,279

correct we'll have a cabin on each

750

00:29:27,350 --> 00:29:25,039

person will have their own cabin right

751
00:29:29,990 --> 00:29:27,360
on the strip and the ship is phenomenal

752
00:29:32,230 --> 00:29:30,000
and it's an amazing ship it's five star

753
00:29:33,990 --> 00:29:32,240
uh it's a great cruise down now i got a

754
00:29:35,190 --> 00:29:34,000
few pictures up here

755
00:29:37,430 --> 00:29:35,200
um

756
00:29:40,389 --> 00:29:37,440
let's see what you got yeah let me open

757
00:29:41,909 --> 00:29:40,399
up the first one here

758
00:29:43,750 --> 00:29:41,919
this was the suns that i was taking from

759
00:29:46,389 --> 00:29:43,760
the top of the ship but

760
00:29:47,269 --> 00:29:46,399
let me see it is it showing

761
00:29:48,630 --> 00:29:47,279
yep

762
00:29:50,870 --> 00:29:48,640
okay cool

763
00:29:53,269 --> 00:29:50,880

and um

764

00:29:56,389 --> 00:29:53,279

you know that's really his browser and

765

00:29:57,430 --> 00:29:56,399

there's his chat with elon musk

766

00:30:01,590 --> 00:29:57,440

yeah

767

00:30:03,669 --> 00:30:01,600

sunset photos just you know and it was

768

00:30:05,669 --> 00:30:03,679

this is my birth this was my birthday

769

00:30:06,830 --> 00:30:05,679

so i was on a now cruise on my birthday

770

00:30:09,830 --> 00:30:06,840

watching the

771

00:30:11,510 --> 00:30:09,840

sunset you know it was incredible you

772

00:30:13,190 --> 00:30:11,520

had to have practice

773

00:30:14,710 --> 00:30:13,200

oh yeah absolutely

774

00:30:16,149 --> 00:30:14,720

birthday night

775

00:30:17,430 --> 00:30:16,159

yeah so last year i was here on my

776

00:30:19,590 --> 00:30:17,440

birthday now this year we're here on

777

00:30:21,430 --> 00:30:19,600

your birthday it's gonna be great it's

778

00:30:25,269 --> 00:30:21,440

absolutely gonna be great

779

00:30:27,909 --> 00:30:25,279

so um i uh you know what hold on for a

780

00:30:29,669 --> 00:30:27,919

second i am just about

781

00:30:35,190 --> 00:30:29,679

uh

782

00:30:36,870 --> 00:30:35,200

i just i just can't deal with this

783

00:30:41,029 --> 00:30:36,880

anymore

784

00:30:50,549 --> 00:30:42,549

okay

785

00:30:51,909 --> 00:30:50,559

first stop is uh oswan

786

00:30:54,230 --> 00:30:51,919

and

787

00:30:58,310 --> 00:30:54,240

i think

788

00:31:01,830 --> 00:30:58,320

everybody understands oswan

789

00:31:03,029 --> 00:31:01,840

but you sometimes need a refresher

790

00:31:07,750 --> 00:31:03,039

you need

791

00:31:08,870 --> 00:31:07,760

this the unfinished obelisk yes

792

00:31:11,350 --> 00:31:08,880

and

793

00:31:12,870 --> 00:31:11,360

when you look at this when you look at

794

00:31:16,630 --> 00:31:12,880

oswan

795

00:31:19,430 --> 00:31:16,640

and you look at the size of this i don't

796

00:31:22,070 --> 00:31:19,440

think anybody understands

797

00:31:26,789 --> 00:31:22,080

how big this really is

798

00:31:32,789 --> 00:31:29,350

that's about half of it right and half

799

00:31:35,830 --> 00:31:32,799

of it yeah look how small everybody is

800

00:31:37,350 --> 00:31:35,840

and there's the crack that formed right

801
00:31:40,149 --> 00:31:37,360
and they were like well we'll just leave

802
00:31:40,950 --> 00:31:40,159
it here yeah

803
00:31:42,870 --> 00:31:40,960
well

804
00:31:44,549 --> 00:31:42,880
it would have been the largest one

805
00:31:47,430 --> 00:31:44,559
ever made

806
00:31:52,630 --> 00:31:50,149
now how how do you think now we're gonna

807
00:31:54,470 --> 00:31:52,640
we're gonna visit this yeah this is one

808
00:31:56,710 --> 00:31:54,480
of the most incredible

809
00:31:58,070 --> 00:31:56,720
things anywhere on the planet and that

810
00:31:59,990 --> 00:31:58,080
it's right there with the with the

811
00:32:01,590 --> 00:32:00,000
sphinx and the pyramid yeah and the

812
00:32:03,110 --> 00:32:01,600
serapeum

813
00:32:04,230 --> 00:32:03,120

it's right there

814

00:32:08,870 --> 00:32:04,240

how

815

00:32:10,950 --> 00:32:08,880

especially at that time

816

00:32:14,130 --> 00:32:10,960

what were they thinking billy

817

00:32:15,750 --> 00:32:14,140

how do you get this out of the ground

818

00:32:17,430 --> 00:32:15,760

[Laughter]

819

00:32:19,350 --> 00:32:17,440

yeah

820

00:32:20,950 --> 00:32:19,360

move it i mean well let's think about

821

00:32:23,269 --> 00:32:20,960

this first of all

822

00:32:25,669 --> 00:32:23,279

the leverage it would you would need to

823

00:32:27,190 --> 00:32:25,679

actually hoist that up

824

00:32:29,110 --> 00:32:27,200

there's no crane that we don't think we

825

00:32:30,789 --> 00:32:29,120

have a crane today that can do it the

826

00:32:32,230 --> 00:32:30,799

cranes will collapse

827

00:32:34,149 --> 00:32:32,240

you know they're used to moving smaller

828

00:32:36,549 --> 00:32:34,159

loads than this this this is one

829

00:32:39,269 --> 00:32:36,559

gigantic piece of stone

830

00:32:41,830 --> 00:32:39,279

and the mainstream archaeologist and the

831

00:32:43,750 --> 00:32:41,840

mainstream egyptologist will tell you

832

00:32:45,350 --> 00:32:43,760

they were going to load this onto a boat

833

00:32:47,509 --> 00:32:45,360

and feed it

834

00:32:50,870 --> 00:32:47,519

and you know what

835

00:32:53,830 --> 00:32:50,880

it's totally outrageous okay it is

836

00:32:56,149 --> 00:32:53,840

and so if we just back up from that

837

00:32:58,070 --> 00:32:56,159

and let's just get to the first part

838

00:32:58,870 --> 00:32:58,080

right how do you just get it out of that

839

00:33:00,789 --> 00:32:58,880

hole

840

00:33:04,070 --> 00:33:00,799

forget about the vote forget about

841

00:33:08,149 --> 00:33:05,350

wherever you thought you were going to

842

00:33:10,070 --> 00:33:08,159

take how do you get that

843

00:33:13,509 --> 00:33:10,080

out of that hole how do you move that

844

00:33:15,350 --> 00:33:13,519

three feet right right exactly heck how

845

00:33:18,149 --> 00:33:15,360

do you even raise it one inch

846

00:33:20,070 --> 00:33:18,159

one inch one inch

847

00:33:22,230 --> 00:33:20,080

uh it will snap our one of our best

848

00:33:24,230 --> 00:33:22,240

cranes

849

00:33:26,630 --> 00:33:24,240

yeah uh it's amazing and when you get

850

00:33:27,990 --> 00:33:26,640

there even the picture will gives you

851
00:33:29,909 --> 00:33:28,000
some perspective but when you actually

852
00:33:31,669 --> 00:33:29,919
get there and you see with your own eyes

853
00:33:33,430 --> 00:33:31,679
and you're touching it and you're

854
00:33:35,110 --> 00:33:33,440
it's another level it's the size of my

855
00:33:36,630 --> 00:33:35,120
block this is the size of my street here

856
00:33:39,990 --> 00:33:36,640
where i live

857
00:33:43,669 --> 00:33:41,909
so that's aswan

858
00:33:46,789 --> 00:33:43,679
and uh

859
00:33:48,710 --> 00:33:46,799
and so after oswan

860
00:33:50,870 --> 00:33:48,720
uh the way that before you go next that

861
00:33:52,630 --> 00:33:50,880
oswan is is that granite we're standing

862
00:33:54,789 --> 00:33:52,640
on granite out there

863
00:33:56,870 --> 00:33:54,799

that whole asteroid the quarry

864

00:34:00,070 --> 00:33:56,880

corey well that's that's what i said

865

00:34:03,590 --> 00:34:00,080

earlier yeah um everything that is great

866

00:34:05,190 --> 00:34:03,600

about egypt started oswan that's where

867

00:34:06,950 --> 00:34:05,200

that's that's where all the granite came

868

00:34:09,589 --> 00:34:06,960

from and yeah and

869

00:34:12,950 --> 00:34:09,599

the king's chamber that granite in the

870

00:34:14,470 --> 00:34:12,960

great pyramid came from 500 miles south

871

00:34:17,349 --> 00:34:14,480

from the quarry that we're going to be

872

00:34:19,430 --> 00:34:17,359

in right i've got lots of uh other

873

00:34:21,750 --> 00:34:19,440

images here coming up

874

00:34:24,550 --> 00:34:21,760

so after oswan

875

00:34:25,909 --> 00:34:24,560

uh we have afternoon tea

876

00:34:28,710 --> 00:34:25,919

in the

877

00:34:32,069 --> 00:34:28,720

and the captain's welcome aboard

878

00:34:34,550 --> 00:34:32,079

cocktail dinner yes um right and then we

879

00:34:37,190 --> 00:34:34,560

stay overnight now have you seen the

880

00:34:38,790 --> 00:34:37,200

movie death in the Nile it just came out

881

00:34:39,990 --> 00:34:38,800

i'm waiting to get with Elizabeth we

882

00:34:41,510 --> 00:34:40,000

want to watch it together she's in

883

00:34:42,710 --> 00:34:41,520

Michigan right now so when we see each

884

00:34:45,589 --> 00:34:42,720

other week we're going to watch it

885

00:34:48,629 --> 00:34:45,599

together well okay because

886

00:34:51,510 --> 00:34:48,639

the movie starts in Oswan on a boat i'm

887

00:34:52,629 --> 00:34:51,520

just letting you know okay okay

888

00:34:54,389 --> 00:34:52,639

okay

889

00:34:57,270 --> 00:34:54,399

i'm just saying

890

00:34:58,870 --> 00:34:57,280

nice it starts at a cocktail party with

891

00:35:01,670 --> 00:34:58,880

the captain

892

00:35:05,030 --> 00:35:01,680

in oswan and i'm gonna have my eye on

893

00:35:05,040 --> 00:35:07,510

on you

894

00:35:11,670 --> 00:35:09,990

and and uh now

895

00:35:12,710 --> 00:35:11,680

here's uh

896

00:35:13,510 --> 00:35:12,720

one

897

00:35:15,430 --> 00:35:13,520

there

898

00:35:16,710 --> 00:35:15,440

everything about the trip is special

899

00:35:19,589 --> 00:35:16,720

yeah

900

00:35:22,390 --> 00:35:19,599

for me ed foo

901
00:35:24,470 --> 00:35:22,400
and dendara oh great pyramid the sphinx

902
00:35:26,790 --> 00:35:24,480
the serapeum you know it's all the same

903
00:35:27,990 --> 00:35:26,800
but edfu

904
00:35:37,510 --> 00:35:28,000
is

905
00:35:39,270 --> 00:35:37,520
we're actually going to do both of them

906
00:35:42,150 --> 00:35:39,280
on the same day

907
00:35:43,030 --> 00:35:42,160
and ed foo

908
00:35:47,589 --> 00:35:43,040
wow

909
00:35:49,910 --> 00:35:47,599
because uh for everybody here uh when it

910
00:35:52,550 --> 00:35:49,920
comes to edfu

911
00:35:55,670 --> 00:35:52,560
and you hear us talk about the text the

912
00:35:56,550 --> 00:35:55,680
ed food text the ed foo

913
00:36:02,069 --> 00:35:56,560

and

914

00:36:03,589 --> 00:36:02,079

edfu is a temple that was built on the

915

00:36:05,270 --> 00:36:03,599

nile

916

00:36:09,910 --> 00:36:05,280

and they

917

00:36:10,950 --> 00:36:09,920

went in and did a 10 000 year history

918

00:36:13,589 --> 00:36:10,960

that's right

919

00:36:15,030 --> 00:36:13,599

egypt and carved it into

920

00:36:18,710 --> 00:36:15,040

a wall

921

00:36:21,349 --> 00:36:18,720

and that is edfu and and

922

00:36:23,829 --> 00:36:21,359

everything is there atlantis the floods

923

00:36:27,790 --> 00:36:23,839

the gods of egypt

924

00:36:30,390 --> 00:36:27,800

and everything and this is edfu yeah how

925

00:36:32,950 --> 00:36:30,400

incredible incredible

926

00:36:35,030 --> 00:36:32,960

incredible and on the front of the

927

00:36:37,750 --> 00:36:35,040

uh let me go back here on the front of

928

00:36:40,310 --> 00:36:37,760

edfu where you are

929

00:36:42,870 --> 00:36:40,320

so those images there those those gods

930

00:36:46,030 --> 00:36:42,880

those the egyptian gods

931

00:36:48,310 --> 00:36:46,040

they're known as the natural

932

00:36:51,430 --> 00:36:48,320

n-e-t-r-u natiru

933

00:36:53,750 --> 00:36:51,440

uh and those are the annunaki that's the

934

00:36:55,030 --> 00:36:53,760

anunnaki name for the egyptian gods by

935

00:36:56,790 --> 00:36:55,040

the egyptians

936

00:36:59,270 --> 00:36:56,800

uh they're the ones that came from

937

00:37:03,270 --> 00:36:59,280

heaven to earth and turned mud into to a

938

00:37:04,630 --> 00:37:03,280

kingdom at the time of uh zeppy

939

00:37:07,589 --> 00:37:04,640

yeah incredible

940

00:37:08,630 --> 00:37:07,599

the the beginning of the beginning yeah

941

00:37:09,990 --> 00:37:08,640

wow

942

00:37:15,190 --> 00:37:10,000

yeah

943

00:37:17,030 --> 00:37:15,200

and look at those things in the front

944

00:37:19,829 --> 00:37:17,040

right there yeah well see look there's

945

00:37:21,589 --> 00:37:19,839

the door right oh yeah

946

00:37:23,510 --> 00:37:21,599

i mean that's the entrance that's the

947

00:37:25,030 --> 00:37:23,520

one that's the man-made interest from us

948

00:37:26,470 --> 00:37:25,040

that's your man-made entrance right

949

00:37:29,030 --> 00:37:26,480

there

950

00:37:30,790 --> 00:37:29,040

look at that look how tiny that door is

951
00:37:31,940 --> 00:37:30,800
look at the look at the real size of the

952
00:37:36,710 --> 00:37:31,950
door

953
00:37:40,150 --> 00:37:36,720
[Laughter]

954
00:37:42,710 --> 00:37:40,160
oh man those squats you saw those slots

955
00:37:44,150 --> 00:37:42,720
on the over over there in the front

956
00:37:45,670 --> 00:37:44,160
those are those

957
00:37:48,230 --> 00:37:45,680
we see those boxes above them those

958
00:37:49,670 --> 00:37:48,240
square openings uh-huh so flags would

959
00:37:52,069 --> 00:37:49,680
stick out of their flag poles would

960
00:37:55,430 --> 00:37:52,079
stick out of there uh representing

961
00:37:56,310 --> 00:37:55,440
different flags of egypt and so forth

962
00:37:59,910 --> 00:37:56,320
man

963
00:38:03,589 --> 00:37:59,920

just stunning yeah just stunning and

964

00:38:06,230 --> 00:38:03,599

here you go there's the text

965

00:38:08,390 --> 00:38:06,240

the history and i i just cannot wait

966

00:38:09,510 --> 00:38:08,400

look at that yeah

967

00:38:11,589 --> 00:38:09,520

mm-hmm

968

00:38:13,190 --> 00:38:11,599

incredible man and what's incredible

969

00:38:14,710 --> 00:38:13,200

about those steps you'll get to see that

970

00:38:17,910 --> 00:38:14,720

jimmy those steps

971

00:38:19,589 --> 00:38:17,920

look like some type of energy thing

972

00:38:21,030 --> 00:38:19,599

warped and melted them in a weird kind

973

00:38:22,790 --> 00:38:21,040

of way it's not

974

00:38:25,430 --> 00:38:22,800

weathering those steps aren't like that

975

00:38:27,510 --> 00:38:25,440

from weathering they something came down

976

00:38:28,950 --> 00:38:27,520

those steps that literally altered the

977

00:38:29,750 --> 00:38:28,960

structure

978

00:38:30,870 --> 00:38:29,760

huh

979

00:38:32,150 --> 00:38:30,880

yeah you'll see when you get there

980

00:38:34,069 --> 00:38:32,160

you'll notice you'll see wow wait a

981

00:38:35,510 --> 00:38:34,079

minute this is warped granite again

982

00:38:40,710 --> 00:38:35,520

what's going on here

983

00:38:44,150 --> 00:38:42,390

just incredible

984

00:38:47,190 --> 00:38:44,160

just absolutely

985

00:38:49,829 --> 00:38:47,200

anything that you want you know i'm just

986

00:38:52,069 --> 00:38:49,839

i'm doing this to show everybody you can

987

00:38:55,030 --> 00:38:52,079

look in any direction

988

00:38:57,510 --> 00:38:55,040

and walk up and see this right yeah

989

00:38:59,990 --> 00:38:57,520

yeah it's great this is just

990

00:39:03,829 --> 00:39:00,000

look you're walking through you know but

991

00:39:05,030 --> 00:39:03,839

you just walked past this yeah

992

00:39:07,190 --> 00:39:05,040

you know

993

00:39:09,270 --> 00:39:07,200

yeah just laying out there yeah yeah

994

00:39:11,829 --> 00:39:09,280

exactly

995

00:39:16,950 --> 00:39:11,839

do you know what do you know what sound

996

00:39:20,950 --> 00:39:19,030

it's um

997

00:39:22,950 --> 00:39:20,960

it's it's weird it's like a series of

998

00:39:23,910 --> 00:39:22,960

m's

999

00:39:26,150 --> 00:39:23,920

okay

1000

00:39:27,990 --> 00:39:26,160

yeah i've been taking my hieroglyphics

1001
00:39:29,270 --> 00:39:28,000
class

1002
00:39:31,589 --> 00:39:29,280
yeah yeah yeah i've been taking the

1003
00:39:33,589 --> 00:39:31,599
class nice nice i've been taking the

1004
00:39:35,349 --> 00:39:33,599
class let's see what else do i have oh

1005
00:39:38,470 --> 00:39:35,359
here's another shot

1006
00:39:40,630 --> 00:39:38,480
of ad foo and that is just

1007
00:39:43,190 --> 00:39:40,640
i mean

1008
00:39:46,150 --> 00:39:43,200
look at this and just to be able to walk

1009
00:39:48,630 --> 00:39:46,160
up on this

1010
00:39:50,630 --> 00:39:48,640
there's the entrance there's the the

1011
00:39:51,829 --> 00:39:50,640
the holes that billy was talking about

1012
00:39:52,790 --> 00:39:51,839
the boxes

1013
00:39:54,550 --> 00:39:52,800

but

1014

00:39:57,190 --> 00:39:54,560

just look look look

1015

00:40:00,710 --> 00:39:57,200

everything is everything has got detail

1016

00:40:03,990 --> 00:40:00,720

this is a greco-roman style right here

1017

00:40:07,349 --> 00:40:04,000

uh so we can see that the uh you know

1018

00:40:08,790 --> 00:40:07,359

this is got access at this time and

1019

00:40:13,670 --> 00:40:08,800

started creating these pillars with

1020

00:40:19,109 --> 00:40:15,670

the florida lee

1021

00:40:21,349 --> 00:40:19,119

mm-hmm the florida league okay then um

1022

00:40:24,069 --> 00:40:21,359

uh combo

1023

00:40:26,630 --> 00:40:24,079

which is in the the last the third

1024

00:40:28,309 --> 00:40:26,640

dynastic period or the third yeah the

1025

00:40:31,190 --> 00:40:28,319

third dynastic period

1026

00:40:34,950 --> 00:40:31,200

um which is a it's a roman

1027

00:40:35,750 --> 00:40:34,960

uh temple but it is extraordinary

1028

00:40:37,190 --> 00:40:35,760

yeah

1029

00:40:39,750 --> 00:40:37,200

and uh

1030

00:40:42,870 --> 00:40:39,760

this is com mambo everybody

1031

00:40:46,470 --> 00:40:42,880

yeah and this is just one quick shot but

1032

00:40:49,190 --> 00:40:46,480

um i love it because it's it's

1033

00:40:52,390 --> 00:40:49,200

uh so well preserved

1034

00:40:55,349 --> 00:40:52,400

and uh it's newer but again you can see

1035

00:40:57,030 --> 00:40:55,359

the the greek and roman influences right

1036

00:40:59,589 --> 00:40:57,040

here yeah the great

1037

00:41:02,150 --> 00:40:59,599

influence yeah yeah yeah you can see it

1038

00:41:03,510 --> 00:41:02,160

but lotus lotus flower design at the top

1039

00:41:08,069 --> 00:41:03,520

of the pillars

1040

00:41:12,870 --> 00:41:11,510

um but yeah uh incredible

1041

00:41:14,309 --> 00:41:12,880

and now

1042

00:41:16,950 --> 00:41:14,319

inside

1043

00:41:19,030 --> 00:41:16,960

this is one of the walls yeah

1044

00:41:20,390 --> 00:41:19,040

look at that man now what's incredible

1045

00:41:22,069 --> 00:41:20,400

about these type of glyphs is that

1046

00:41:22,950 --> 00:41:22,079

they're raised glyphs

1047

00:41:24,870 --> 00:41:22,960

yes

1048

00:41:26,630 --> 00:41:24,880

if you understand what it takes to do a

1049

00:41:27,270 --> 00:41:26,640

raised glyph i mean you have to clear

1050

00:41:29,790 --> 00:41:27,280

out

1051
00:41:32,710 --> 00:41:29,800
there that's a whole nother level of

1052
00:41:35,349 --> 00:41:32,720
artisanshp man oh man that's another

1053
00:41:37,670 --> 00:41:35,359
level that's another level

1054
00:41:39,349 --> 00:41:37,680
because look at look at the detail work

1055
00:41:40,710 --> 00:41:39,359
of the even the shadow work of the

1056
00:41:42,790 --> 00:41:40,720
muscles and

1057
00:41:44,630 --> 00:41:42,800
and the abdomen and everything else to

1058
00:41:46,390 --> 00:41:44,640
clear that out and do that

1059
00:41:48,309 --> 00:41:46,400
and get that

1060
00:41:49,589 --> 00:41:48,319
look at this dog right here look at that

1061
00:41:51,589 --> 00:41:49,599
look at the little cruise look at that

1062
00:41:53,910 --> 00:41:51,599
crazy yeah i know

1063
00:41:56,550 --> 00:41:53,920

wow and uh so

1064

00:41:59,670 --> 00:41:56,560

i i i cannot wait for this here's a look

1065

00:42:02,710 --> 00:41:59,680

this is uh outside it's raised

1066

00:42:04,790 --> 00:42:02,720

look at that man

1067

00:42:08,069 --> 00:42:04,800

wow now this is uh

1068

00:42:08,950 --> 00:42:08,079

uh a crocodile temple too as well yeah

1069

00:42:10,790 --> 00:42:08,960

correct

1070

00:42:12,630 --> 00:42:10,800

mm-hmm and we'll go to the crocodile

1071

00:42:15,510 --> 00:42:12,640

museum while we're here yep yeah we're

1072

00:42:20,150 --> 00:42:15,520

gonna go to the crocodile museum

1073

00:42:23,670 --> 00:42:20,160

how bad ass is that yeah incredible

1074

00:42:29,030 --> 00:42:23,680

incredible man look at that i i just i

1075

00:42:34,309 --> 00:42:30,710

i just cannot wait

1076

00:42:39,990 --> 00:42:34,319

let's see here um i don't um

1077

00:42:43,349 --> 00:42:40,000

and so this is all uh day three day four

1078

00:42:46,230 --> 00:42:43,359

um oh here is uh

1079

00:42:50,309 --> 00:42:46,240

yeah it's kind of fuzzy though but uh

1080

00:42:52,150 --> 00:42:50,319

this is the side entrance of combo

1081

00:42:55,109 --> 00:42:52,160

right here and you get another view i

1082

00:42:57,030 --> 00:42:55,119

cannot wait the other shots i i just

1083

00:43:00,150 --> 00:42:57,040

shown everybody were from the

1084

00:43:01,670 --> 00:43:00,160

from the other side yeah

1085

00:43:06,390 --> 00:43:01,680

so

1086

00:43:10,390 --> 00:43:06,400

uh

1087

00:43:11,910 --> 00:43:10,400

what's up next for us billy is or it

1088

00:43:14,069 --> 00:43:11,920

should be i don't have it up on me i

1089

00:43:18,630 --> 00:43:14,079

think luxor is next probably or

1090

00:43:20,710 --> 00:43:18,640

no oh after combo it's edfu and then

1091

00:43:23,190 --> 00:43:20,720

i did it backwards i did edfu by

1092

00:43:23,990 --> 00:43:23,200

excitement

1093

00:43:26,309 --> 00:43:24,000

so

1094

00:43:29,270 --> 00:43:26,319

uh we jumped on the boat we sail to ed

1095

00:43:31,750 --> 00:43:29,280

food we go through edfu

1096

00:43:35,270 --> 00:43:31,760

this is what's crazy edfu as you're

1097

00:43:35,990 --> 00:43:35,280

sailing down the Nile it's on the Nile

1098

00:43:37,430 --> 00:43:36,000

it's

1099

00:43:40,069 --> 00:43:37,440

on the Nile

1100

00:43:42,710 --> 00:43:40,079

and uh you can look up edfu on google

1101
00:43:45,349 --> 00:43:42,720
earth and and look at it in satellite

1102
00:43:46,710 --> 00:43:45,359
and zoom up and it's it's right there

1103
00:43:49,109 --> 00:43:46,720
man

1104
00:43:51,670 --> 00:43:49,119
it's a pretty big complex okay so then

1105
00:43:52,790 --> 00:43:51,680
we have dinner on board and

1106
00:43:56,710 --> 00:43:52,800
uh

1107
00:44:00,230 --> 00:43:56,720
the next day day five we're is day what

1108
00:44:01,750 --> 00:44:00,240
we're doing two days in luxor everybody

1109
00:44:04,150 --> 00:44:01,760
day one

1110
00:44:06,309 --> 00:44:04,160
uh we have breakfast on board

1111
00:44:08,470 --> 00:44:06,319
and then uh we go

1112
00:44:09,589 --> 00:44:08,480
uh which part of luxor are we visiting

1113
00:44:12,950 --> 00:44:09,599

first

1114

00:44:14,390 --> 00:44:12,960

uh thebes i believe um we're going to

1115

00:44:30,309 --> 00:44:14,400

the

1116

00:44:31,910 --> 00:44:30,319

because it was built over so much time

1117

00:44:33,349 --> 00:44:31,920

so we'll go into the first side we'll

1118

00:44:34,550 --> 00:44:33,359

probably spend half the day on that side

1119

00:44:36,309 --> 00:44:34,560

and maybe to have today on the other

1120

00:44:39,030 --> 00:44:36,319

side

1121

00:44:41,510 --> 00:44:39,040

and uh which is what we're doing

1122

00:44:44,630 --> 00:44:41,520

okay now

1123

00:44:47,270 --> 00:44:44,640

the obelisk in aswan where this obelisk

1124

00:44:50,790 --> 00:44:47,280

came from too as well by by the way

1125

00:44:54,470 --> 00:44:50,800

um is like four times the size of this

1126
00:44:56,069 --> 00:44:54,480
yeah and and look how ginormous this is

1127
00:44:57,510 --> 00:44:56,079
and there's a there's another part of

1128
00:44:59,510 --> 00:44:57,520
luxor though that i've always been

1129
00:45:01,349 --> 00:44:59,520
fascinated with and that is

1130
00:45:03,109 --> 00:45:01,359
um it looks like

1131
00:45:04,710 --> 00:45:03,119
there are different

1132
00:45:10,309 --> 00:45:04,720
uh

1133
00:45:12,550 --> 00:45:10,319
up here for the flags

1134
00:45:15,190 --> 00:45:12,560
you see this this is older this is an

1135
00:45:16,230 --> 00:45:15,200
older construction yeah it is

1136
00:45:18,230 --> 00:45:16,240
yep

1137
00:45:19,190 --> 00:45:18,240
definitely older it's it's older it's

1138
00:45:21,109 --> 00:45:19,200

older

1139

00:45:23,109 --> 00:45:21,119

so that's uh

1140

00:45:26,870 --> 00:45:23,119

okay now we're going to be spending the

1141

00:45:29,510 --> 00:45:26,880

night in luxor right the next day this

1142

00:45:31,349 --> 00:45:29,520

is october 9th on october 10th is my

1143

00:45:33,030 --> 00:45:31,359

birthday the next day so we're going to

1144

00:45:34,790 --> 00:45:33,040

stay overnight and when we stay

1145

00:45:36,069 --> 00:45:34,800

overnight in luxor you know what we're

1146

00:45:38,950 --> 00:45:36,079

going to see

1147

00:45:42,150 --> 00:45:38,960

bam

1148

00:45:43,750 --> 00:45:42,160

boom beautiful that's right

1149

00:45:46,550 --> 00:45:43,760

amazing

1150

00:45:48,710 --> 00:45:46,560

we're going to be looking at that

1151

00:45:51,589 --> 00:45:48,720

have your cell phones ready

1152

00:45:54,870 --> 00:45:51,599

take care take photos this is the pool

1153

00:45:59,430 --> 00:45:57,510

it's no the pool i think is out a little

1154

00:46:02,470 --> 00:45:59,440

bit further out to the left there's one

1155

00:46:03,349 --> 00:46:02,480

it never never the levels never drain

1156

00:46:05,829 --> 00:46:03,359

okay

1157

00:46:06,790 --> 00:46:05,839

yeah yeah yeah oh so that's not this

1158

00:46:09,430 --> 00:46:06,800

okay

1159

00:46:10,790 --> 00:46:09,440

anyway look at this man

1160

00:46:13,910 --> 00:46:10,800

yeah just

1161

00:46:14,870 --> 00:46:13,920

walking along and you get to see this

1162

00:46:17,349 --> 00:46:14,880

yeah

1163

00:46:19,270 --> 00:46:17,359

that's just incredible it's that is

1164

00:46:21,829 --> 00:46:19,280

luxor at night

1165

00:46:26,470 --> 00:46:24,230

luxor

1166

00:46:29,510 --> 00:46:26,480

okay you know and and

1167

00:46:31,990 --> 00:46:29,520

just look how big it is the avenue going

1168

00:46:33,910 --> 00:46:32,000

down super massive

1169

00:46:35,510 --> 00:46:33,920

just that used to be that was flooded at

1170

00:46:37,270 --> 00:46:35,520

one time somebody

1171

00:46:38,870 --> 00:46:37,280

came up with the idea of let's clean out

1172

00:46:40,950 --> 00:46:38,880

the interior from all the soot and

1173

00:46:42,870 --> 00:46:40,960

everything and all the debris by letting

1174

00:46:44,790 --> 00:46:42,880

the redirecting some of the Nile into

1175

00:46:46,550 --> 00:46:44,800

here and seeing if we can rinse it out

1176

00:46:49,109 --> 00:46:46,560

and it destroyed a lot of stuff that had

1177

00:46:50,870 --> 00:46:49,119

to like re like put things back together

1178

00:46:57,670 --> 00:46:50,880

again you know

1179

00:47:02,470 --> 00:46:59,510

oh yeah

1180

00:47:07,270 --> 00:47:05,109

luxor at night there's

1181

00:47:08,630 --> 00:47:07,280

a shot of the great sphinx

1182

00:47:10,390 --> 00:47:08,640

um

1183

00:47:14,150 --> 00:47:10,400

uh just

1184

00:47:15,270 --> 00:47:14,160

insanely great insanely great so

1185

00:47:16,950 --> 00:47:15,280

uh

1186

00:47:21,750 --> 00:47:16,960

the

1187

00:47:23,670 --> 00:47:21,760

october 10th uh we have breakfast on

1188

00:47:25,990 --> 00:47:23,680

board the boat right

1189

00:47:28,309 --> 00:47:26,000

and then we head to

1190

00:47:29,510 --> 00:47:28,319

dendera oh yeah

1191

00:47:33,270 --> 00:47:29,520

uh

1192

00:47:37,109 --> 00:47:34,630

after everything that i've just said

1193

00:47:39,349 --> 00:47:37,119

about edfu or the serapeum or the great

1194

00:47:42,069 --> 00:47:39,359

springs right

1195

00:47:46,390 --> 00:47:42,079

the great pyramid yeah

1196

00:47:49,430 --> 00:47:46,400

we arrive at dandera and i don't think

1197

00:47:51,670 --> 00:47:49,440

i don't think so i put together i know

1198

00:47:54,390 --> 00:47:51,680

you got some pictures billy yeah i

1199

00:47:55,990 --> 00:47:54,400

grabbed some pictures of dandera

1200

00:47:59,349 --> 00:47:56,000

and

1201

00:48:02,549 --> 00:47:59,359

it is out of out of the

1202

00:48:04,470 --> 00:48:02,559

is it edfu is it luxor is it geese is it

1203

00:48:07,670 --> 00:48:04,480

the great pyramid is is it the great

1204

00:48:10,950 --> 00:48:07,680

sphinx or is the

1205

00:48:14,549 --> 00:48:10,960

is the price paid for admission

1206

00:48:17,030 --> 00:48:14,559

is dendera worth it all right

1207

00:48:19,030 --> 00:48:17,040

it's it's it's that incredible isn't it

1208

00:48:20,470 --> 00:48:19,040

yeah it is it really is then there is

1209

00:48:22,790 --> 00:48:20,480

mind-blowing

1210

00:48:25,349 --> 00:48:22,800

um this there's so many well they just

1211

00:48:26,790 --> 00:48:25,359

found 12 new crypts there

1212

00:48:29,190 --> 00:48:26,800

so we're going to get to go in the

1213

00:48:30,630 --> 00:48:29,200

famous one that's really down low and

1214

00:48:31,510 --> 00:48:30,640

you got to really crouch really low to

1215

00:48:33,670 --> 00:48:31,520

get in

1216

00:48:35,990 --> 00:48:33,680

uh and then you can stand up and there

1217

00:48:39,349 --> 00:48:36,000

will be two my granite magnetized

1218

00:48:40,630 --> 00:48:39,359

granite walls with raised glyphs showing

1219

00:48:42,309 --> 00:48:40,640

technology

1220

00:48:44,790 --> 00:48:42,319

uh in that underground crypt and then

1221

00:48:46,549 --> 00:48:44,800

there's another 12 we will get a chance

1222

00:48:50,309 --> 00:48:46,559

to go explore as well

1223

00:48:56,630 --> 00:48:52,790

i think it's well documented that

1224

00:48:57,829 --> 00:48:56,640

dandera is the most well preserved

1225

00:48:59,510 --> 00:48:57,839

temple

1226

00:49:02,549 --> 00:48:59,520

in all of egypt

1227

00:49:05,030 --> 00:49:02,559

and that's a bold statement because

1228

00:49:07,750 --> 00:49:05,040

there's greatness there and it's all

1229

00:49:09,589 --> 00:49:07,760

over it's all over sakhara it's all over

1230

00:49:11,190 --> 00:49:09,599

the valley of the kings in the valley of

1231

00:49:14,069 --> 00:49:11,200

the queens and

1232

00:49:16,710 --> 00:49:14,079

and you know the great pyramid and kafri

1233

00:49:18,309 --> 00:49:16,720

and khufu and

1234

00:49:21,190 --> 00:49:18,319

and it's right there

1235

00:49:23,190 --> 00:49:21,200

i get that i understand that

1236

00:49:25,990 --> 00:49:23,200

but dendera

1237

00:49:28,710 --> 00:49:26,000

you just don't get it until you see it

1238

00:49:31,510 --> 00:49:28,720

and so i grabbed some

1239

00:49:34,790 --> 00:49:31,520

pretty amazing

1240

00:49:36,549 --> 00:49:34,800

ceiling shots yeah they're amazing man

1241

00:49:39,589 --> 00:49:36,559

and

1242

00:49:40,790 --> 00:49:39,599

look at just just this is just a little

1243

00:49:44,549 --> 00:49:40,800

taste

1244

00:49:48,390 --> 00:49:44,559

um i've i grabbed um

1245

00:49:50,630 --> 00:49:48,400

obviously most incredible ceiling that

1246

00:49:51,910 --> 00:49:50,640

you'll ever see that is somebody laying

1247

00:49:54,710 --> 00:49:51,920

on the floor

1248

00:49:58,390 --> 00:49:54,720

and taking a picture between the columns

1249

00:50:01,589 --> 00:49:58,400

yeah up uh and then look at this look

1250

00:50:04,790 --> 00:50:03,349

it's way up there too it's about i don't

1251
00:50:07,349 --> 00:50:04,800
know 90 feet up

1252
00:50:09,750 --> 00:50:07,359
yeah yeah

1253
00:50:10,870 --> 00:50:09,760
and if that's not enough

1254
00:50:12,870 --> 00:50:10,880
oh there's

1255
00:50:14,150 --> 00:50:12,880
you know i cannot wait for this

1256
00:50:16,069 --> 00:50:14,160
yeah yeah

1257
00:50:18,870 --> 00:50:16,079
you're going to see this

1258
00:50:21,829 --> 00:50:18,880
going to feel the energy in that crypt

1259
00:50:24,549 --> 00:50:21,839
because this magnetized granite

1260
00:50:27,030 --> 00:50:24,559
slabs of it on both sides of your body

1261
00:50:31,510 --> 00:50:29,510
look how perfectly preserved that is i

1262
00:50:35,430 --> 00:50:31,520
mean it's just like it was carved

1263
00:50:40,309 --> 00:50:37,430

that is uh

1264

00:50:42,470 --> 00:50:40,319

that is incredible mm-hmm and uh here's

1265

00:50:45,349 --> 00:50:42,480

okay this is uh

1266

00:50:47,510 --> 00:50:45,359

this was just revealed and this is

1267

00:50:49,670 --> 00:50:47,520

one of the newer sections of dendera

1268

00:50:53,030 --> 00:50:49,680

that's been open only uh for the last

1269

00:50:54,470 --> 00:50:53,040

couple of years yeah um and this

1270

00:50:56,710 --> 00:50:54,480

that's a pillar

1271

00:50:58,710 --> 00:50:56,720

okay so this is six feet across

1272

00:51:02,230 --> 00:50:58,720

everybody you see that

1273

00:51:05,990 --> 00:51:02,240

look at this head and arms

1274

00:51:11,270 --> 00:51:09,390

and and look at this it's it's

1275

00:51:13,750 --> 00:51:11,280

huge

1276

00:51:15,510 --> 00:51:13,760

look at the stars

1277

00:51:17,990 --> 00:51:15,520

and that's that's the ceiling look at

1278

00:51:21,270 --> 00:51:18,000

the ships just cruising and look look at

1279

00:51:24,950 --> 00:51:23,349

oh man is that thoth

1280

00:51:31,990 --> 00:51:24,960

yeah it's him that stuff's right there

1281

00:51:38,230 --> 00:51:34,390

they're on their solar boats

1282

00:51:39,829 --> 00:51:38,240

wow so that's a pharaoh headdress there

1283

00:51:41,829 --> 00:51:39,839

yeah it's a king

1284

00:51:44,710 --> 00:51:41,839

yeah it's upper and lower egypt that's

1285

00:51:46,150 --> 00:51:44,720

oh that's the queen this is

1286

00:51:55,270 --> 00:51:46,160

wow

1287

00:52:01,829 --> 00:51:55,280

it's incredible yeah yeah yeah yeah

1288

00:52:10,150 --> 00:52:02,829

look at

1289

00:52:11,030 --> 00:52:10,160

yeah and i i just cannot wait i cannot

1290

00:52:13,510 --> 00:52:11,040

wait

1291

00:52:15,270 --> 00:52:13,520

the big woman arched around like that

1292

00:52:18,710 --> 00:52:15,280

was nut

1293

00:52:21,109 --> 00:52:18,720

and uh which one the that the the bottom

1294

00:52:24,230 --> 00:52:21,119

if you see how our hands are up here

1295

00:52:26,630 --> 00:52:24,240

uh-huh yeah yeah so that's nut so she's

1296

00:52:27,430 --> 00:52:26,640

um she's arched over

1297

00:52:29,829 --> 00:52:27,440

uh

1298

00:52:34,630 --> 00:52:29,839

you know demonstrating the the the

1299

00:52:40,630 --> 00:52:37,349

that's incredible man

1300

00:52:42,630 --> 00:52:40,640

i looked at a bunch of images of this

1301
00:52:43,750 --> 00:52:42,640
from different angles

1302
00:52:50,230 --> 00:52:43,760
and

1303
00:52:53,270 --> 00:52:50,240
it's majestic it's so big

1304
00:52:56,309 --> 00:52:53,280
and the way her arms are outreached you

1305
00:53:00,470 --> 00:52:56,319
know uh at the at the end of the hallway

1306
00:53:03,910 --> 00:53:00,480
and how it's angled over and you look it

1307
00:53:06,470 --> 00:53:03,920
i mean her head is like you know like

1308
00:53:08,069 --> 00:53:06,480
five feet across this is not smart it's

1309
00:53:11,190 --> 00:53:08,079
huge yeah

1310
00:53:15,270 --> 00:53:11,200
um i i just can't wait i i can't wait to

1311
00:53:17,190 --> 00:53:15,280
uh to get to dendera yeah and uh now um

1312
00:53:20,710 --> 00:53:17,200
if we uh

1313
00:53:24,309 --> 00:53:23,190

this is october 10th

1314

00:53:25,349 --> 00:53:24,319

so

1315

00:53:28,549 --> 00:53:25,359

uh

1316

00:53:30,390 --> 00:53:28,559

we're gonna head back to the boat now

1317

00:53:32,069 --> 00:53:30,400

are we going to celebrate on the boat or

1318

00:53:33,190 --> 00:53:32,079

are we going to celebrate my birthday in

1319

00:53:37,750 --> 00:53:33,200

the temple

1320

00:53:40,630 --> 00:53:37,760

it on the boat right right right

1321

00:53:42,790 --> 00:53:40,640

it's not really kosher to

1322

00:53:44,630 --> 00:53:42,800

to disrespect the temple is there they

1323

00:53:45,750 --> 00:53:44,640

won't they won't let us

1324

00:53:46,630 --> 00:53:45,760

trust me

1325

00:53:50,150 --> 00:53:46,640

yeah

1326

00:53:52,390 --> 00:53:50,160

we'll have a great time

1327

00:53:56,549 --> 00:53:52,400

um overall um

1328

00:53:59,109 --> 00:53:56,559

is egypt islamic are they christian uh

1329

00:54:02,390 --> 00:53:59,119

it's a mix of uh all religions you have

1330

00:54:05,430 --> 00:54:02,400

uh islam you have uh christian

1331

00:54:07,910 --> 00:54:05,440

um you have the other one uh what's that

1332

00:54:09,430 --> 00:54:07,920

other one they got um goodness

1333

00:54:11,030 --> 00:54:09,440

not christian but it's almost like

1334

00:54:13,829 --> 00:54:11,040

christian um

1335

00:54:15,430 --> 00:54:13,839

abrahamic uh you know religions all the

1336

00:54:17,910 --> 00:54:15,440

abrahamic liberty they have all those

1337

00:54:20,150 --> 00:54:17,920

there's like four religions there uh-huh

1338

00:54:22,870 --> 00:54:20,160

the majority i think are are really

1339

00:54:24,950 --> 00:54:22,880

still muslim though is you know is the

1340

00:54:26,870 --> 00:54:24,960

majority of the religion right now but

1341

00:54:28,630 --> 00:54:26,880

we're going to go to an area where we're

1342

00:54:30,390 --> 00:54:28,640

going to go to the house that jesus

1343

00:54:31,589 --> 00:54:30,400

lived in when he's when he disappeared

1344

00:54:34,390 --> 00:54:31,599

from the bible

1345

00:54:36,230 --> 00:54:34,400

at the age of seven and he went to egypt

1346

00:54:38,789 --> 00:54:36,240

he lived in this house there which is

1347

00:54:41,430 --> 00:54:38,799

now a shrine in the church a christian

1348

00:54:43,430 --> 00:54:41,440

church obviously uh but it's the bed and

1349

00:54:45,030 --> 00:54:43,440

everything he slept in is still there

1350

00:54:47,190 --> 00:54:45,040

and so we'll go there he went there to

1351

00:54:48,710 --> 00:54:47,200

learn the egyptian mysteries

1352

00:54:51,750 --> 00:54:48,720

uh and then he left from there and he

1353

00:54:54,309 --> 00:54:51,760

went to tibet to learn uh reiki healing

1354

00:54:55,910 --> 00:54:54,319

and qigong and any and all that that's

1355

00:54:57,510 --> 00:54:55,920

been confirmed as well by the dalai lama

1356

00:54:59,430 --> 00:54:57,520

but that's in an ancient text called the

1357

00:55:02,230 --> 00:54:59,440

gospel of the holy 12

1358

00:55:04,230 --> 00:55:02,240

and then uh it picks him up where he

1359

00:55:05,750 --> 00:55:04,240

goes to india to learn mystic arts then

1360

00:55:07,270 --> 00:55:05,760

he's teaching reincarnation all the way

1361

00:55:08,549 --> 00:55:07,280

back to egypt and then the bible picks

1362

00:55:11,030 --> 00:55:08,559

up where he says i call my son out of

1363

00:55:13,430 --> 00:55:11,040

egypt and then he rides it on a donkey

1364

00:55:15,349 --> 00:55:13,440

in jerusalem but um we're gonna go there

1365

00:55:16,950 --> 00:55:15,359

we'll be there in person

1366

00:55:18,150 --> 00:55:16,960

it's funny uh

1367

00:55:21,589 --> 00:55:18,160

so

1368

00:55:23,510 --> 00:55:21,599

i'm gonna put this up there just for

1369

00:55:25,430 --> 00:55:23,520

laughs yeah

1370

00:55:27,270 --> 00:55:25,440

it's funny how everyone is an

1371

00:55:29,190 --> 00:55:27,280

egyptologist

1372

00:55:31,670 --> 00:55:29,200

and i'll say this

1373

00:55:33,349 --> 00:55:31,680

it's funny how egyptologists

1374

00:55:36,789 --> 00:55:33,359

aren't as smart as us

1375

00:55:38,789 --> 00:55:36,799

that's right and and it's it's it's true

1376

00:55:39,829 --> 00:55:38,799

it's true

1377

00:55:42,069 --> 00:55:39,839

it's

1378

00:55:45,430 --> 00:55:42,079

easy

1379

00:55:49,829 --> 00:55:45,440

to become uh an egyptologist

1380

00:55:51,510 --> 00:55:49,839

i i remember um i was uh

1381

00:55:54,069 --> 00:55:51,520

i was in new york

1382

00:55:57,270 --> 00:55:54,079

and my limo driver i'm not making this

1383

00:56:01,430 --> 00:55:57,280

up billy my limo driver

1384

00:56:06,950 --> 00:56:04,069

went to college he's egyptian he's from

1385

00:56:11,109 --> 00:56:06,960

cairo yeah and you know and he's like

1386

00:56:15,910 --> 00:56:13,589

who i am and he's with us for a week

1387

00:56:18,069 --> 00:56:15,920

right anyway it doesn't matter so now

1388

00:56:19,670 --> 00:56:18,079

he's got questions for me and i was like

1389

00:56:23,030 --> 00:56:19,680

no no

1390

00:56:25,910 --> 00:56:23,040

i got questions for you i said

1391

00:56:28,230 --> 00:56:25,920

he said that he um

1392

00:56:31,910 --> 00:56:28,240

uh worked in the department of

1393

00:56:34,710 --> 00:56:31,920

antiquities in cairo for like 10 years

1394

00:56:36,630 --> 00:56:34,720

he said that there was one thing that

1395

00:56:40,150 --> 00:56:36,640

everybody

1396

00:56:42,309 --> 00:56:40,160

out of college and you're working there

1397

00:56:43,670 --> 00:56:42,319

for two three four five six years he

1398

00:56:47,109 --> 00:56:43,680

said there's one thing that everybody

1399

00:56:49,270 --> 00:56:47,119

was used to they knew that it was all a

1400

00:56:51,190 --> 00:56:49,280

lie

1401

00:56:54,230 --> 00:56:51,200

absolutely it feels bad we just have to

1402

00:56:55,030 --> 00:56:54,240

stick to it yeah we all know we stick to

1403

00:56:59,109 --> 00:56:55,040

it

1404

00:57:00,390 --> 00:56:59,119

egyptologist and my might which is a

1405

00:57:02,309 --> 00:57:00,400

really good friend of mine in my guide

1406

00:57:04,789 --> 00:57:02,319

that i've been using for years

1407

00:57:06,390 --> 00:57:04,799

um they understand that and so when i

1408

00:57:08,870 --> 00:57:06,400

when we go with them we get the real

1409

00:57:10,549 --> 00:57:08,880

skinny and the real deal tour and then

1410

00:57:12,069 --> 00:57:10,559

i'm going to be speaking there you'll be

1411

00:57:13,349 --> 00:57:12,079

getting some time just your time to

1412

00:57:15,510 --> 00:57:13,359

interject as well

1413

00:57:17,349 --> 00:57:15,520

but the egyptian mystery school that i

1414

00:57:18,710 --> 00:57:17,359

did which is 40 episodes on forbidden

1415

00:57:21,109 --> 00:57:18,720

knowledge tv

1416

00:57:23,910 --> 00:57:21,119

it made me famous in egypt amongst the

1417

00:57:26,710 --> 00:57:23,920

who the egyptologists they were walking

1418

00:57:28,789 --> 00:57:26,720

with me in egypt i'm i'm i'm a superstar

1419

00:57:30,230 --> 00:57:28,799

in egypt they resonate with everything

1420

00:57:32,549 --> 00:57:30,240

that i've taught all the information

1421

00:57:34,789 --> 00:57:32,559

that i've been teaching and uh and they

1422

00:57:36,630 --> 00:57:34,799

absolutely love it and i've got them on

1423

00:57:38,309 --> 00:57:36,640

video you know and photos and everything

1424

00:57:40,390 --> 00:57:38,319

else but video we did a podcast with

1425

00:57:43,030 --> 00:57:40,400

some of them which is on my my youtube

1426
00:57:43,990 --> 00:57:43,040
account uh and they said that they look

1427
00:57:46,470 --> 00:57:44,000
to me

1428
00:57:48,630 --> 00:57:46,480
for the knowledge

1429
00:57:51,910 --> 00:57:48,640
i can't wait this is gonna be a great

1430
00:57:54,710 --> 00:57:51,920
trip and then so we wrap up uh we head

1431
00:57:57,349 --> 00:57:54,720
back to cairo

1432
00:58:00,390 --> 00:57:57,359
and uh

1433
00:58:01,510 --> 00:58:00,400
we check out of the hotel on the 12th

1434
00:58:04,950 --> 00:58:01,520
um

1435
00:58:06,630 --> 00:58:04,960
and uh and and say our our goodbyes it's

1436
00:58:08,789 --> 00:58:06,640
gonna be it's gonna be a little

1437
00:58:11,430 --> 00:58:08,799
melancholy i think

1438
00:58:13,270 --> 00:58:11,440

it's a whirlwind

1439

00:58:16,470 --> 00:58:13,280

tour we can you know the best of the

1440

00:58:20,789 --> 00:58:16,480

best and everything and but uh

1441

00:58:24,630 --> 00:58:20,799

it everything has to end right

1442

00:58:26,710 --> 00:58:24,640

we've got to come back to reality but

1443

00:58:30,309 --> 00:58:26,720

is there um

1444

00:58:32,549 --> 00:58:30,319

is there a prevailing feeling

1445

00:58:33,750 --> 00:58:32,559

with anybody that visits egypt for the

1446

00:58:36,230 --> 00:58:33,760

first time

1447

00:58:37,750 --> 00:58:36,240

when you're of you're heading back you

1448

00:58:39,990 --> 00:58:37,760

know you're heading back home you're on

1449

00:58:43,270 --> 00:58:40,000

the plane and you're already planning

1450

00:58:44,789 --> 00:58:43,280

your next trip back to egypt oh yeah i

1451
00:58:47,349 --> 00:58:44,799
knew from the first time i went i'd be

1452
00:58:49,109 --> 00:58:47,359
back many times it wasn't like oh i

1453
00:58:50,710 --> 00:58:49,119
might go back and i rarely go to the

1454
00:58:52,069 --> 00:58:50,720
same place twice

1455
00:58:55,109 --> 00:58:52,079
but i knew i was going to go back to

1456
00:58:57,349 --> 00:58:55,119
egypt many many times

1457
00:58:58,870 --> 00:58:57,359
i can't wait like when everybody leaves

1458
00:59:01,109 --> 00:58:58,880
i'll still be there

1459
00:59:02,549 --> 00:59:01,119
because i'll be filming a documentary

1460
00:59:04,630 --> 00:59:02,559
out there

1461
00:59:05,990 --> 00:59:04,640
a documentary not about the pyramids

1462
00:59:07,030 --> 00:59:06,000
because i've got all the content for

1463
00:59:09,510 --> 00:59:07,040

that already but i'll be filming a

1464

00:59:11,190 --> 00:59:09,520

documentary about the people that live

1465

00:59:12,630 --> 00:59:11,200

in the shadow of the pyramids and that's

1466

00:59:14,870 --> 00:59:12,640

the name of the documentary living in

1467

00:59:17,109 --> 00:59:14,880

the shadow of the pyramids

1468

00:59:18,630 --> 00:59:17,119

billy this is going to be great um

1469

00:59:20,630 --> 00:59:18,640

before we go do you have any other

1470

00:59:22,789 --> 00:59:20,640

images you want to share with uh

1471

00:59:24,950 --> 00:59:22,799

everybody i mean i just got a feel i can

1472

00:59:27,430 --> 00:59:24,960

scroll through some um

1473

00:59:29,430 --> 00:59:27,440

now the link is in the video description

1474

00:59:30,870 --> 00:59:29,440

box below you can head over to forbidden

1475

00:59:34,470 --> 00:59:30,880

knowledge

1476

00:59:36,710 --> 00:59:34,480

dot com not tv.com and it's right there

1477

00:59:39,430 --> 00:59:36,720

on the home page uh forbidden tour of

1478

00:59:40,870 --> 00:59:39,440

egypt you click on that and you've got

1479

00:59:43,349 --> 00:59:40,880

everything that you need the full

1480

00:59:46,390 --> 00:59:43,359

schedule all of your information

1481

00:59:48,870 --> 00:59:46,400

and and how to reserve your seats and

1482

00:59:50,470 --> 00:59:48,880

everything else so it's all right there

1483

00:59:52,150 --> 00:59:50,480

yeah i've been uh every time i drop it

1484

00:59:54,390 --> 00:59:52,160

in the chat somehow it doesn't show up

1485

00:59:56,069 --> 00:59:54,400

but think somebody's deleting it

1486

00:59:57,990 --> 00:59:56,079

deleting what

1487

00:59:59,190 --> 00:59:58,000

i dropped the link in the chat i don't

1488

01:00:01,670 --> 00:59:59,200

know i can't wait

1489

01:00:03,109 --> 01:00:01,680

in the video description box below okay

1490

01:00:05,430 --> 01:00:03,119

i don't know

1491

01:00:07,510 --> 01:00:05,440

i have no idea what you're doing

1492

01:00:08,470 --> 01:00:07,520

and

1493

01:00:10,230 --> 01:00:08,480

see i

1494

01:00:12,789 --> 01:00:10,240

i don't understand technology like

1495

01:00:14,950 --> 01:00:12,799

really oh see

1496

01:00:16,309 --> 01:00:14,960

that right there that's why i don't do

1497

01:00:18,470 --> 01:00:16,319

stuff

1498

01:00:21,109 --> 01:00:18,480

see i i don't know what i just dropped

1499

01:00:23,589 --> 01:00:21,119

the link in the chat

1500

01:00:26,230 --> 01:00:23,599

i saw another another another uh

1501
01:00:28,630 --> 01:00:26,240
another uh egyptians being promoted or

1502
01:00:31,750 --> 01:00:28,640
something okay somebody just said how

1503
01:00:34,150 --> 01:00:31,760
much money is this three-day trip going

1504
01:00:37,750 --> 01:00:34,160
to be for an attendee it's not three

1505
01:00:40,150 --> 01:00:37,760
days no it's a three-day tour seven

1506
01:00:41,750 --> 01:00:40,160
yeah it's so eight it's eight days total

1507
01:00:43,510 --> 01:00:41,760
all together

1508
01:00:45,750 --> 01:00:43,520
a couple of flights which all are

1509
01:00:48,390 --> 01:00:45,760
included you can go to their website

1510
01:00:49,430 --> 01:00:48,400
look it up the link is in the chat

1511
01:00:51,109 --> 01:00:49,440
um

1512
01:00:53,190 --> 01:00:51,119
i don't know why every time i posted it

1513
01:00:55,829 --> 01:00:53,200

it disappeared but um

1514

01:00:58,470 --> 01:00:55,839

yeah bill just posted it okay okay cool

1515

01:01:00,549 --> 01:00:58,480

okay great he says here regular

1516

01:01:03,030 --> 01:01:00,559

you're just a regular person in my chat

1517

01:01:05,190 --> 01:01:03,040

room bro that's it you're just a regular

1518

01:01:07,430 --> 01:01:05,200

guy you don't have any you don't have

1519

01:01:09,589 --> 01:01:07,440

any access you don't have any i don't

1520

01:01:11,990 --> 01:01:09,599

have any i don't have any superpowers

1521

01:01:13,430 --> 01:01:12,000

yeah you don't have any privileges yeah

1522

01:01:14,390 --> 01:01:13,440

all right well we gotta we gotta fix

1523

01:01:15,589 --> 01:01:14,400

that

1524

01:01:17,109 --> 01:01:15,599

okay

1525

01:01:19,349 --> 01:01:17,119

put the images up real quick and before

1526

01:01:22,710 --> 01:01:19,359

we go i'll show a couple here real quick

1527

01:01:24,470 --> 01:01:22,720

yeah i'm gonna uh i'm gonna do a hold on

1528

01:01:26,470 --> 01:01:24,480

let's see now you got me all freaked out

1529

01:01:28,390 --> 01:01:26,480

about this uh

1530

01:01:30,789 --> 01:01:28,400

link thing

1531

01:01:31,589 --> 01:01:30,799

and uh so there i just posted the link

1532

01:01:34,150 --> 01:01:31,599

too

1533

01:01:36,230 --> 01:01:34,160

okay see what billy's got get the get

1534

01:01:42,630 --> 01:01:36,240

the image ready

1535

01:01:46,870 --> 01:01:44,549

for some reason what's going on

1536

01:01:51,510 --> 01:01:46,880

i did yeah oh there it is

1537

01:01:55,990 --> 01:01:53,829

so just a comparison here the light bulb

1538

01:01:58,390 --> 01:01:56,000

you know yeah yeah that's cool man and

1539

01:02:01,670 --> 01:01:58,400

that's the battery the baghdad battery

1540

01:02:03,510 --> 01:02:01,680

right below it right exactly that's cool

1541

01:02:04,950 --> 01:02:03,520

yeah

1542

01:02:08,230 --> 01:02:04,960

you were showing some of these here you

1543

01:02:10,710 --> 01:02:08,240

know you can see both here oh man look

1544

01:02:13,190 --> 01:02:10,720

at that all right of course

1545

01:02:14,710 --> 01:02:13,200

crap just incredible detail what what

1546

01:02:18,150 --> 01:02:14,720

temple is that

1547

01:02:19,670 --> 01:02:18,160

that was endearou this is denver dendera

1548

01:02:21,589 --> 01:02:19,680

man yeah

1549

01:02:23,270 --> 01:02:21,599

and like you said no matter where you go

1550

01:02:24,630 --> 01:02:23,280

you know i know right

1551

01:02:26,150 --> 01:02:24,640

it's everywhere i mean this just

1552

01:02:28,470 --> 01:02:26,160

everywhere you look you're gonna see

1553

01:02:30,549 --> 01:02:28,480

amazing artifact these are memes let me

1554

01:02:32,230 --> 01:02:30,559

go i have to just open this up for one

1555

01:02:33,430 --> 01:02:32,240

second so i can see here where i'm at

1556

01:02:36,069 --> 01:02:33,440

okay

1557

01:02:41,270 --> 01:02:37,910

um like it looks like it's kind of

1558

01:02:49,270 --> 01:02:42,870

i don't know if you can see the detail

1559

01:02:52,470 --> 01:02:51,270

just incredible man

1560

01:02:53,910 --> 01:02:52,480

look at this

1561

01:02:55,750 --> 01:02:53,920

wow

1562

01:02:57,589 --> 01:02:55,760

man

1563

01:02:59,349 --> 01:02:57,599

i can't get enough of this kind of stuff

1564

01:03:02,549 --> 01:02:59,359

you know i just can't get enough yeah

1565

01:03:06,470 --> 01:03:02,559

that's dendera there and i that

1566

01:03:08,150 --> 01:03:06,480

particular hall that room i cannot wait

1567

01:03:11,349 --> 01:03:08,160

it's one of the most photographed places

1568

01:03:14,309 --> 01:03:11,359

in all of egypt yeah and i cannot wait

1569

01:03:16,390 --> 01:03:14,319

uh to stand there myself yeah

1570

01:03:21,910 --> 01:03:16,400

yeah incredible

1571

01:03:24,789 --> 01:03:23,430

it's just it's everywhere man no matter

1572

01:03:26,870 --> 01:03:24,799

where you look everywhere you turn the

1573

01:03:28,309 --> 01:03:26,880

the amount of work that went into this

1574

01:03:30,549 --> 01:03:28,319

look back

1575

01:03:36,390 --> 01:03:30,559

let me go scroll down here

1576

01:03:41,190 --> 01:03:38,390

no matter where you look

1577

01:03:43,829 --> 01:03:41,200

you're going to find amazing

1578

01:03:48,069 --> 01:03:45,510

that's alexandria alexandria was a

1579

01:03:49,750 --> 01:03:48,079

little bit of a bumner for me

1580

01:03:53,029 --> 01:03:49,760

let me scroll past it real quick i'm

1581

01:03:54,870 --> 01:03:53,039

glad we're not going to alexandria

1582

01:03:57,270 --> 01:03:54,880

here we go this is the nice shot we're

1583

01:03:59,589 --> 01:03:57,280

inside of uh

1584

01:04:03,670 --> 01:03:59,599

an area here where we're climbed up on

1585

01:04:07,589 --> 01:04:05,829

that i think is massive

1586

01:04:10,789 --> 01:04:07,599

you see how tight that that little

1587

01:04:13,029 --> 01:04:10,799

alcove is it's it's it's insane

1588

01:04:14,309 --> 01:04:13,039

yeah i mean you're not gonna

1589

01:04:16,470 --> 01:04:14,319

you can't build it in there because you

1590

01:04:17,829 --> 01:04:16,480

can't you can't chip away the the size

1591

01:04:19,510 --> 01:04:17,839

of the of the

1592

01:04:21,670 --> 01:04:19,520

of the object would need to be three to

1593

01:04:23,190 --> 01:04:21,680

four times the size maybe ten times in

1594

01:04:24,950 --> 01:04:23,200

some cases depending what you're trying

1595

01:04:26,950 --> 01:04:24,960

to create out of it it couldn't fit in

1596

01:04:29,990 --> 01:04:26,960

here so you'd have to teleport into that

1597

01:04:34,150 --> 01:04:32,309

i want to get down here um

1598

01:04:36,470 --> 01:04:34,160

we're inside of uh

1599

01:04:39,430 --> 01:04:36,480

the step

1600

01:04:41,430 --> 01:04:39,440

oh that's crazy

1601
01:04:43,349 --> 01:04:41,440
it's kind of foggy for some reason this

1602
01:04:50,789 --> 01:04:43,359
is more clear yeah we're inside the step

1603
01:04:54,069 --> 01:04:52,549
i guess the guy took a lot of photos

1604
01:04:55,670 --> 01:04:54,079
there's actually an area behind us where

1605
01:04:57,349 --> 01:04:55,680
you can look over that railing and you

1606
01:04:58,549 --> 01:04:57,359
can look all the way down to the bottom

1607
01:05:01,430 --> 01:04:58,559
and there's something down there i don't

1608
01:05:03,510 --> 01:05:01,440
know what the heck it is

1609
01:05:04,390 --> 01:05:03,520
um i wonder if i had a shot of that in

1610
01:05:06,710 --> 01:05:04,400
here

1611
01:05:08,549 --> 01:05:06,720
oh well you see me looking over

1612
01:05:09,190 --> 01:05:08,559
i couldn't get i guess she didn't get

1613
01:05:13,589 --> 01:05:09,200

the

1614

01:05:15,109 --> 01:05:13,599

bottom

1615

01:05:17,750 --> 01:05:15,119

you know that's all you can see i'm

1616

01:05:22,789 --> 01:05:17,760

sweating bullets

1617

01:05:22,799 --> 01:05:27,349

man i wish we had a shot of that oh man

1618

01:05:30,630 --> 01:05:29,670

look there's what you were telling me

1619

01:05:33,349 --> 01:05:30,640

about

1620

01:05:36,870 --> 01:05:33,359

this is this is in uh this is actually

1621

01:05:39,349 --> 01:05:36,880

in the step but there's wood encased

1622

01:05:42,309 --> 01:05:39,359

kind of halfway out and halfway into the

1623

01:05:43,910 --> 01:05:42,319

blocks right the bent pyramid that

1624

01:05:45,510 --> 01:05:43,920

you're gonna see

1625

01:05:47,029 --> 01:05:45,520

which is bizarre

1626
01:05:48,630 --> 01:05:47,039
right you're gonna it's gonna blow your

1627
01:05:51,029 --> 01:05:48,640
mind it's gonna literally blow your mind

1628
01:05:54,549 --> 01:05:51,039
i was i was shocked by this

1629
01:05:56,470 --> 01:05:54,559
they got wood inside what is that

1630
01:05:57,430 --> 01:05:56,480
i i don't i don't know maybe i need you

1631
01:05:59,349 --> 01:05:57,440
know how you know how you make the

1632
01:06:02,309 --> 01:05:59,359
oregon pyramids it has to be organic and

1633
01:06:04,789 --> 01:06:02,319
inorganic materials combined together

1634
01:06:07,750 --> 01:06:04,799
i'm thinking is this like a giant orgone

1635
01:06:09,270 --> 01:06:07,760
pyramid organic and unorganic materials

1636
01:06:11,270 --> 01:06:09,280
combined together with crystals and

1637
01:06:12,870 --> 01:06:11,280
things in here right that's what it

1638
01:06:14,710 --> 01:06:12,880

looked like those crystals there's

1639

01:06:17,670 --> 01:06:14,720

there's wood

1640

01:06:19,109 --> 01:06:17,680

it's like they're trying to make um

1641

01:06:21,190 --> 01:06:19,119

some type of metaphysical thing look at

1642

01:06:25,910 --> 01:06:21,200

this

1643

01:06:26,950 --> 01:06:25,920

center right here wow

1644

01:06:28,309 --> 01:06:26,960

crazy

1645

01:06:30,309 --> 01:06:28,319

wow

1646

01:06:32,549 --> 01:06:30,319

yeah

1647

01:06:33,910 --> 01:06:32,559

wow this is about maybe five feet i

1648

01:06:35,270 --> 01:06:33,920

don't have to bend over too much to walk

1649

01:06:38,549 --> 01:06:35,280

through this one about five feet tall

1650

01:06:40,789 --> 01:06:38,559

this is the height of this tunnel

1651
01:06:42,390 --> 01:06:40,799
i only have to bend like you know a few

1652
01:06:43,910 --> 01:06:42,400
a foot

1653
01:06:45,510 --> 01:06:43,920
foot and a half

1654
01:06:47,510 --> 01:06:45,520
look at that man

1655
01:06:49,510 --> 01:06:47,520
yeah

1656
01:06:51,430 --> 01:06:49,520
i can't wait and this has been closed

1657
01:06:54,390 --> 01:06:51,440
for decades jimmy you're going to get a

1658
01:06:55,990 --> 01:06:54,400
chance to walk in here man

1659
01:06:57,670 --> 01:06:56,000
hardly anybody has been in here in a

1660
01:07:04,080 --> 01:06:57,680
long time

1661
01:07:10,309 --> 01:07:04,090
i just clicked on the arrow

1662
01:07:14,309 --> 01:07:11,430
oh

1663
01:07:17,190 --> 01:07:14,319

man i've got blown up on my big screen

1664

01:07:19,020 --> 01:07:17,200

here right and i'm looking i'm like okay

1665

01:07:21,990 --> 01:07:19,030

next what's going on

1666

01:07:23,270 --> 01:07:22,000

[Laughter]

1667

01:07:25,270 --> 01:07:23,280

oh god

1668

01:07:26,870 --> 01:07:25,280

yeah so that's it there you know i mean

1669

01:07:28,150 --> 01:07:26,880

but yeah we can go on and on for hours

1670

01:07:29,670 --> 01:07:28,160

man this is a trip you guys you just

1671

01:07:31,190 --> 01:07:29,680

have to attend okay because it's going

1672

01:07:34,309 --> 01:07:31,200

to be an amazing trip

1673

01:07:36,630 --> 01:07:34,319

it's something you don't want to miss

1674

01:07:40,150 --> 01:07:36,640

thank you so much and again the links

1675

01:07:42,470 --> 01:07:40,160

are uh below in the description box

1676

01:07:44,710 --> 01:07:42,480

uh it's over in the chat we'll have it

1677

01:07:47,910 --> 01:07:44,720

up in social media

1678

01:07:51,270 --> 01:07:47,920

again we've got two buses this is a big

1679

01:07:53,270 --> 01:07:51,280

tour yeah um we've got uh first buses

1680

01:07:55,990 --> 01:07:53,280

sold out second one's about half sold

1681

01:07:58,230 --> 01:07:56,000

out so we've got limited seats available

1682

01:07:59,750 --> 01:07:58,240

this is not i'm just telling you now

1683

01:08:00,470 --> 01:07:59,760

we're doing this

1684

01:08:02,950 --> 01:08:00,480

so

1685

01:08:05,510 --> 01:08:02,960

we don't get email from everybody going

1686

01:08:08,069 --> 01:08:05,520

did so you didn't say anything well no

1687

01:08:10,390 --> 01:08:08,079

we're telling you now we've got very

1688

01:08:12,150 --> 01:08:10,400

limited space available so go

1689

01:08:13,589 --> 01:08:12,160

uh click on the links if you're

1690

01:08:16,870 --> 01:08:13,599

interested in going we would love to

1691

01:08:18,870 --> 01:08:16,880

have you it's a very special trip for me

1692

01:08:20,950 --> 01:08:18,880

um i've uh

1693

01:08:23,269 --> 01:08:20,960

billy and i have been planning

1694

01:08:25,349 --> 01:08:23,279

the trip to egypt together

1695

01:08:27,590 --> 01:08:25,359

for a very long time i wrote the forward

1696

01:08:29,110 --> 01:08:27,600

to his his book uh the

1697

01:08:30,870 --> 01:08:29,120

emerald tablet

1698

01:08:33,829 --> 01:08:30,880

and the compendium

1699

01:08:34,550 --> 01:08:33,839

and uh this is very there it is right

1700

01:08:37,269 --> 01:08:34,560

there

1701
01:08:40,309 --> 01:08:37,279
and this is very special to me and and i

1702
01:08:42,470 --> 01:08:40,319
get to do it with billy and elizabeth

1703
01:08:44,789 --> 01:08:42,480
and uh the rest of the forbidden

1704
01:08:47,349 --> 01:08:44,799
knowledge team and it's it's just going

1705
01:08:49,749 --> 01:08:47,359
to be a very special we are creating

1706
01:08:51,510 --> 01:08:49,759
memories together everybody exactly

1707
01:08:53,829 --> 01:08:51,520
what's happening the most incredible

1708
01:08:56,309 --> 01:08:53,839
memories here this is going to be

1709
01:08:58,229 --> 01:08:56,319
you can't just talking for hours can't

1710
01:08:59,749 --> 01:08:58,239
even give you the real life experience

1711
01:09:02,870 --> 01:08:59,759
when you get there it's a whole other

1712
01:09:04,829 --> 01:09:02,880
level man i can't wait i can't wait and

1713
01:09:06,390 --> 01:09:04,839

you know what i i can already see the

1714

01:09:08,070 --> 01:09:06,400

chat uh

1715

01:09:09,749 --> 01:09:08,080

two years from now

1716

01:09:11,990 --> 01:09:09,759

jimmy

1717

01:09:15,030 --> 01:09:12,000

okay

1718

01:09:16,789 --> 01:09:15,040

we know you and billy went to egypt man

1719

01:09:19,269 --> 01:09:16,799

two years ago

1720

01:09:21,430 --> 01:09:19,279

yeah yeah that's going to be amazing

1721

01:09:23,669 --> 01:09:21,440

billy have a great weekend and thank you

1722

01:09:25,430 --> 01:09:23,679

for uh hanging out with me on a saturday

1723

01:09:27,030 --> 01:09:25,440

night and

1724

01:09:29,430 --> 01:09:27,040

there you go i know it's very late there

1725

01:09:31,910 --> 01:09:29,440

in florida yeah but thank uh thank you

1726

01:09:34,390 --> 01:09:31,920

for doing this tonight i'm very excited

1727

01:09:36,789 --> 01:09:34,400

about it um thank you to everybody that

1728

01:09:39,510 --> 01:09:36,799

uh was hanging out in the chat room yeah

1729

01:09:41,269 --> 01:09:39,520

and i'll see everybody on monday oh oh

1730

01:09:43,590 --> 01:09:41,279

should i do a leak

1731

01:09:46,470 --> 01:09:43,600

yeah i'll do this with billy

1732

01:09:49,430 --> 01:09:46,480

uh so this week on uh fade to black

1733

01:09:52,709 --> 01:09:49,440

are you ready monday

1734

01:09:54,630 --> 01:09:52,719

whitley strieber and remember

1735

01:09:57,270 --> 01:09:54,640

this is finally

1736

01:10:00,870 --> 01:09:57,280

you know video with everybody yeah so

1737

01:10:03,350 --> 01:10:00,880

this is my first uh video interview with

1738

01:10:06,310 --> 01:10:03,360

whitley strieber we're calling it the

1739

01:10:09,270 --> 01:10:06,320

interview and then on tuesday

1740

01:10:10,709 --> 01:10:09,280

scott walter that's awesome

1741

01:10:14,709 --> 01:10:10,719

scout

1742

01:10:15,430 --> 01:10:14,719

so uh and then wednesday dave schrader

1743

01:10:18,070 --> 01:10:15,440

so

1744

01:10:21,669 --> 01:10:18,080

whitley is the interview scott walter

1745

01:10:23,830 --> 01:10:21,679

we're doing templars and ufos and

1746

01:10:26,229 --> 01:10:23,840

how he's finding the connection uh with

1747

01:10:28,149 --> 01:10:26,239

all of that and then wednesday dave

1748

01:10:29,910 --> 01:10:28,159

schrader a kind of

1749

01:10:31,830 --> 01:10:29,920

dave schrader and i will be doing kind

1750

01:10:36,070 --> 01:10:31,840

of what we're doing here

1751
01:10:37,990 --> 01:10:36,080
in that marvel um marvel studios i don't

1752
01:10:39,590 --> 01:10:38,000
know if you caught caught on to this

1753
01:10:41,110 --> 01:10:39,600
billy

1754
01:10:42,950 --> 01:10:41,120
but marvel

1755
01:10:43,750 --> 01:10:42,960
has been

1756
01:10:46,070 --> 01:10:43,760
uh

1757
01:10:47,590 --> 01:10:46,080
inserting

1758
01:10:49,510 --> 01:10:47,600
gods

1759
01:10:50,790 --> 01:10:49,520
exclusively into each one of their

1760
01:10:53,590 --> 01:10:50,800
releases

1761
01:10:56,149 --> 01:10:53,600
so you have um

1762
01:10:58,390 --> 01:10:56,159
they've done japanese gods in a movie

1763
01:11:00,870 --> 01:10:58,400

they've done the norse gods and the and

1764

01:11:03,270 --> 01:11:00,880

and now they're doing uh egypt right now

1765

01:11:06,950 --> 01:11:03,280

with moon knight and uh

1766

01:11:08,390 --> 01:11:06,960

the eternal you know the roman god

1767

01:11:09,990 --> 01:11:08,400

mesopotamia

1768

01:11:12,630 --> 01:11:10,000

and uh

1769

01:11:15,430 --> 01:11:12,640

if you think about it

1770

01:11:19,510 --> 01:11:15,440

they've done four right so we've got

1771

01:11:21,669 --> 01:11:19,520

horse egyptian roman and japanese wow

1772

01:11:23,430 --> 01:11:21,679

and what's coming next think about that

1773

01:11:26,070 --> 01:11:23,440

so we're going to cover all of that with

1774

01:11:28,630 --> 01:11:26,080

dave schrader on wednesday night and do

1775

01:11:31,669 --> 01:11:28,640

the deep dive so that's my week on fade

1776

01:11:32,470 --> 01:11:31,679

to black and thank you so much billy

1777

01:11:34,390 --> 01:11:32,480

you

1778

01:11:36,149 --> 01:11:34,400

and first thing tomorrow

1779

01:11:37,750 --> 01:11:36,159

you have to take my phone call so i'll

1780

01:11:39,030 --> 01:11:37,760

talk to you in the morning all right

1781

01:11:41,750 --> 01:11:39,040

definitely
