

FADE TO BLACK

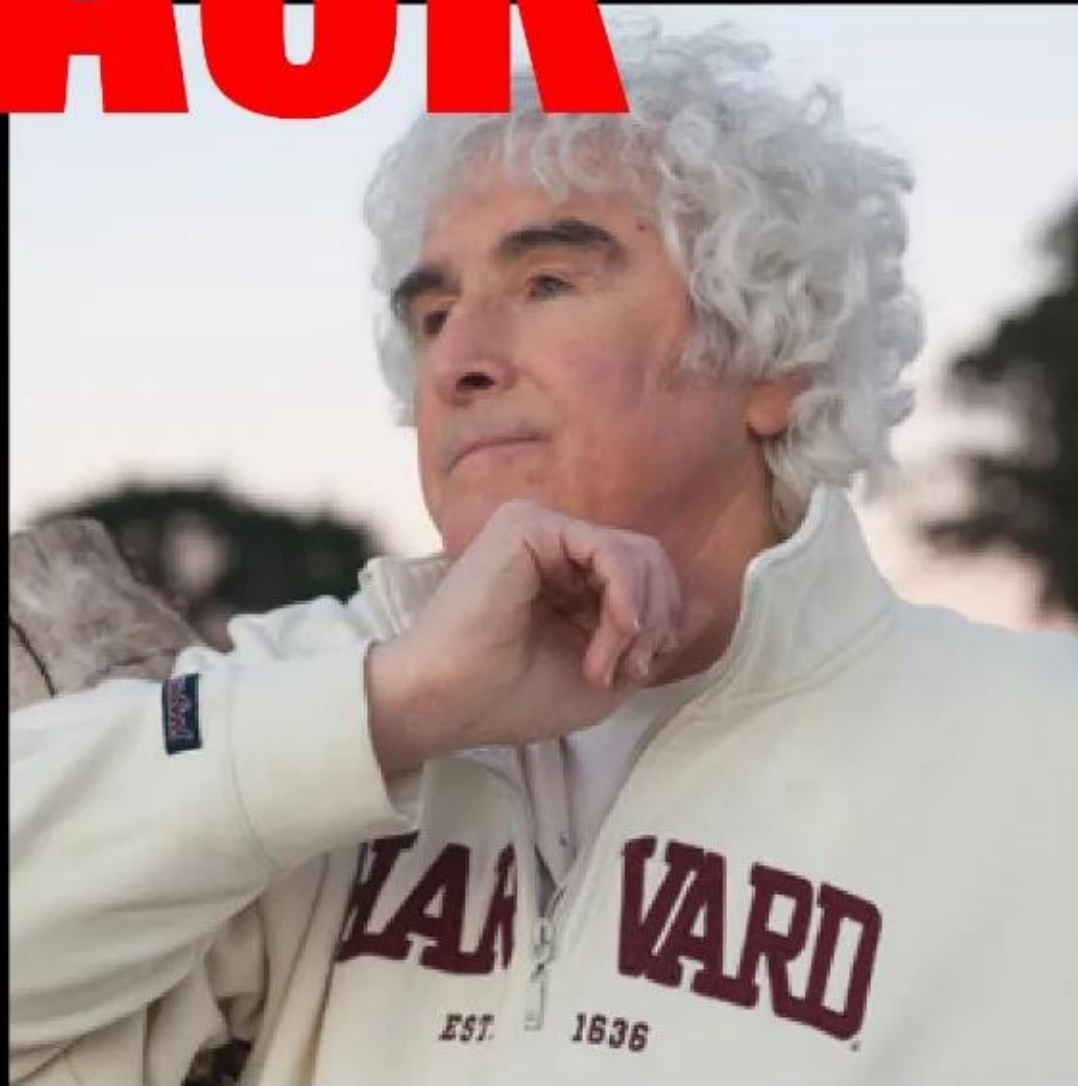

with **JIMMY CHURCH**
PRESENTS

DANIEL SHEEHAN

UFOs/UAPs and Wash. D.C.

MON NOV 28 LIVE

7:00 PM PT/10:00PM ET

1
00:02:35,700 --> 00:02:52,750
foreign

2
00:02:52,760 --> 00:03:33,890
thank you

3
00:04:53,610 --> 00:04:13,670
foreign

4
00:04:53,620 --> 00:05:11,110
[Music]

5
00:05:15,950 --> 00:05:13,730
Air Forces has announced that applying

6
00:05:17,510 --> 00:05:15,960
disc has been found and is now in the

7
00:05:20,570 --> 00:05:17,520
possession of the army

8
00:05:24,350 --> 00:05:20,580
game is rigged change the game game

9
00:05:27,950 --> 00:05:24,360
changer I occasionally think how quickly

10
00:05:31,310 --> 00:05:27,960
our difference is worldwide would vanish

11
00:05:32,600 --> 00:05:31,320
if we were facing an alien threat from

12
00:05:34,510 --> 00:05:32,610
outside this work

13
00:05:34,690 --> 00:05:34,520

[Music]

14

00:05:36,969 --> 00:05:34,700

[Applause]

15

00:05:39,890 --> 00:05:36,979

[Music]

16

00:05:42,770 --> 00:05:39,900

this is Fade to Black with your host

17

00:05:43,460 --> 00:05:42,780

Jimmy Church on the game changer Radio

18

00:05:46,870 --> 00:05:43,470

Network

19

00:05:56,330 --> 00:05:51,290

all right welcome Fade to Black today's

20

00:06:01,070 --> 00:05:56,340

Monday November 28 2022 and our guest

21

00:06:05,390 --> 00:06:01,080

tonight is Danny Sheehan and we are

22

00:06:10,550 --> 00:06:05,400

going to be discussing uh 2022 UFOs uaps

23

00:06:12,950 --> 00:06:10,560

and uh you know moving into uh 2023 uh

24

00:06:16,490 --> 00:06:12,960

the current state of disclosure and what

25

00:06:20,629 --> 00:06:16,500

the position is in Washington DC and the

26

00:06:23,710 --> 00:06:20,639

Pentagon and of course the long delayed

27

00:06:26,629 --> 00:06:23,720

UFO U of P report now

28

00:06:29,210 --> 00:06:26,639

Danny is a graduate of Harvard Law

29

00:06:31,610 --> 00:06:29,220

School he's got a long and distinguished

30

00:06:34,309 --> 00:06:31,620

history of public interest Council and

31

00:06:37,390 --> 00:06:34,319

was legal counsel in the Pentagon papers

32

00:06:40,850 --> 00:06:37,400

case uh Iran Contra Three Mile Island

33

00:06:43,790 --> 00:06:40,860

and the Karen silkwood cases as well as

34

00:06:46,189 --> 00:06:43,800

many other high-profile cases he shares

35

00:06:49,070 --> 00:06:46,199

the responsibility for formula a

36

00:06:51,650 --> 00:06:49,080

formulation of a world view that

37

00:06:54,770 --> 00:06:51,660

represents one or more extraterrestrial

38

00:06:58,010 --> 00:06:54,780

civilizations are presently visiting our

39

00:06:59,870 --> 00:06:58,020

planet and interacting with members of

40

00:07:00,770 --> 00:06:59,880

our species and I would like to welcome

41

00:07:03,650 --> 00:07:00,780

back

42

00:07:05,629 --> 00:07:03,660

the one and only Danny Sheehan Danny

43

00:07:07,550 --> 00:07:05,639

good evening young man good evening

44

00:07:11,150 --> 00:07:07,560

Jimmy good to see you after turkey day

45

00:07:13,430 --> 00:07:11,160

yeah happy turkey day to you uh we just

46

00:07:15,110 --> 00:07:13,440

uh had a chance to hang out a couple of

47

00:07:19,249 --> 00:07:15,120

weeks ago here in Los Angeles it was

48

00:07:22,909 --> 00:07:19,259

great to see you and um I I I want to

49

00:07:26,089 --> 00:07:22,919

I want to jump straight into uh the

50

00:07:28,570 --> 00:07:26,099

conversation tonight which is

51

00:07:31,990 --> 00:07:28,580

um for the first time in in history

52

00:07:34,809 --> 00:07:32,000

we're at a tangible moment where things

53

00:07:38,450 --> 00:07:34,819

you've it feels like we can reach out

54

00:07:43,610 --> 00:07:38,460

and touch disclosure and the UFO

55

00:07:47,150 --> 00:07:43,620

question and Washington seems to

56

00:07:49,490 --> 00:07:47,160

um maybe want to become our friends and

57

00:07:52,610 --> 00:07:49,500

that that's where we are today what's

58

00:07:55,249 --> 00:07:52,620

your what's your take on that well uh

59

00:07:57,710 --> 00:07:55,259

I'm glad you asked uh this this all

60

00:08:02,330 --> 00:07:57,720

circulates of course around you know the

61

00:08:05,270 --> 00:08:02,340

Senate bill 4503. this is the the brand

62

00:08:07,550 --> 00:08:05,280

new Step that has been taken by the

63

00:08:10,430 --> 00:08:07,560

Congress of the United States of the

64

00:08:13,010 --> 00:08:10,440

actual elected representatives of the uh

65

00:08:16,550 --> 00:08:13,020

of the people that have for the very

66

00:08:18,950 --> 00:08:16,560

first time uh in the you know 75-year

67

00:08:21,409 --> 00:08:18,960

recent history of this particular

68

00:08:24,290 --> 00:08:21,419

phenomenon where they've actually stood

69

00:08:27,890 --> 00:08:24,300

up on their hind legs and and stood up

70

00:08:31,369 --> 00:08:27,900

and said that look uh we are insisting

71

00:08:33,469 --> 00:08:31,379

upon being brief now uh by all of the

72

00:08:36,110 --> 00:08:33,479

defense department agencies all of the

73

00:08:38,089 --> 00:08:36,120

intelligence Community agencies and all

74

00:08:42,769 --> 00:08:38,099

of the private contractors that have

75

00:08:47,150 --> 00:08:42,779

been involved in investigating this UFO

76

00:08:49,430 --> 00:08:47,160

UAP phenomenon over the past 75 years

77

00:08:52,850 --> 00:08:49,440

and you're going to brief us and we're

78

00:08:56,030 --> 00:08:52,860

they're establishing an office a joint

79

00:08:59,570 --> 00:08:56,040

office to investigate the UAP phenomenon

80

00:09:01,370 --> 00:08:59,580

uh which is going to be chaired by a

81

00:09:03,769 --> 00:09:01,380

director who's going to be appointed by

82

00:09:05,090 --> 00:09:03,779

the Secretary of Defense there's an

83

00:09:07,250 --> 00:09:05,100

assistant director that's going to be

84

00:09:11,690 --> 00:09:07,260

appointed by the Director of National

85

00:09:13,790 --> 00:09:11,700

Intelligence uh it's it's been they've

86

00:09:15,710 --> 00:09:13,800

mandated in the in the bill that it be

87

00:09:17,150 --> 00:09:15,720

that it be appropriated all of the money

88

00:09:20,870 --> 00:09:17,160

that's necessary

89

00:09:24,590 --> 00:09:20,880

to do a number of things uh some of them

90

00:09:27,590 --> 00:09:24,600

are are less sexy but they're important

91

00:09:30,769 --> 00:09:27,600

uh like for example to set up a very

92

00:09:33,110 --> 00:09:30,779

specific procedure uh pursuant to which

93

00:09:35,930 --> 00:09:33,120

all of the different employees in the

94

00:09:38,090 --> 00:09:35,940

government are mandated to report the

95

00:09:43,009 --> 00:09:38,100

information that they have about the UAP

96

00:09:44,150 --> 00:09:43,019

phenomenon in UFOs uh to the to the uh

97

00:09:47,810 --> 00:09:44,160

office

98

00:09:50,750 --> 00:09:47,820

uh set up a series of procedures for uh

99

00:09:52,009 --> 00:09:50,760

filing reports with the Senate

100

00:09:54,650 --> 00:09:52,019

intelligence committee and defense

101
00:09:56,630 --> 00:09:54,660
department and other Appropriations

102
00:09:58,790 --> 00:09:56,640
Committee of the of the Congress of the

103
00:10:01,509 --> 00:09:58,800
United States uh in that they have to be

104
00:10:04,610 --> 00:10:01,519
filing reports with them every 90 days

105
00:10:07,329 --> 00:10:04,620
uh giving them an update on what the

106
00:10:10,009 --> 00:10:07,339
most recent sightings have been this is

107
00:10:12,110 --> 00:10:10,019
extraordinary yeah well let me jump in

108
00:10:15,850 --> 00:10:12,120
right there before we let that very

109
00:10:18,889 --> 00:10:15,860
important Point uh get past us it was

110
00:10:20,930 --> 00:10:18,899
mandated that there was going to be

111
00:10:22,930 --> 00:10:20,940
something delivered on October 31st

112
00:10:26,930 --> 00:10:22,940
ironically you know Halloween

113
00:10:28,100 --> 00:10:26,940

and uh we're sitting now today is uh

114

00:10:29,389 --> 00:10:28,110

November 28th

115

00:10:30,850 --> 00:10:29,399

[Music]

116

00:10:34,250 --> 00:10:30,860

um so

117

00:10:37,070 --> 00:10:34,260

it felt like that was law right that

118

00:10:38,870 --> 00:10:37,080

this was uh this was a man that this was

119

00:10:41,810 --> 00:10:38,880

required

120

00:10:44,030 --> 00:10:41,820

um is is there a reason why nobody paid

121

00:10:46,069 --> 00:10:44,040

attention to that date yeah what's

122

00:10:48,710 --> 00:10:46,079

happened here is everybody now knows

123

00:10:53,269 --> 00:10:48,720

that the the Congress has basically

124

00:10:56,150 --> 00:10:53,279

overridden uh the kind of lackluster uh

125

00:10:59,269 --> 00:10:56,160

semi effort that was being made by the

126

00:11:02,329 --> 00:10:59,279

executive branch itself when the when

127

00:11:06,110 --> 00:11:02,339

Lou Elizondo and Chris Mellon uh came

128

00:11:08,690 --> 00:11:06,120

forward in back in 2017 December and

129

00:11:11,329 --> 00:11:08,700

revealed to the world uh on the front

130

00:11:13,130 --> 00:11:11,339

pages of the New York Times that UFOs

131

00:11:16,310 --> 00:11:13,140

are real and that the United States

132

00:11:19,730 --> 00:11:16,320

Pentagon knows that they're real they've

133

00:11:22,610 --> 00:11:19,740

been concealing this for decades uh what

134

00:11:24,949 --> 00:11:22,620

what happened is the the at first as you

135

00:11:27,350 --> 00:11:24,959

remember the elements inside the defense

136

00:11:29,030 --> 00:11:27,360

department denied that it was true

137

00:11:30,769 --> 00:11:29,040

pretended they didn't know who Lou

138

00:11:32,090 --> 00:11:30,779

Alexander was pretended there was

139

00:11:35,090 --> 00:11:32,100

nothing going on there's nothing going

140

00:11:36,650 --> 00:11:35,100

on here uh but then they finally had to

141

00:11:37,610 --> 00:11:36,660

acknowledge that yes it turns out that

142

00:11:40,550 --> 00:11:37,620

it's true

143

00:11:43,250 --> 00:11:40,560

and what they said is uh therefore uh

144

00:11:45,410 --> 00:11:43,260

first they said there's no such thing as

145

00:11:48,230 --> 00:11:45,420

the advanced Aerospace threat

146

00:11:50,509 --> 00:11:48,240

identification uh project that Lou

147

00:11:52,850 --> 00:11:50,519

Elizondo has been saying he was the

148

00:11:54,829 --> 00:11:52,860

director of there's no such thing and

149

00:11:55,790 --> 00:11:54,839

the way they did that was they closed it

150

00:11:57,470 --> 00:11:55,800

down

151
00:11:59,509 --> 00:11:57,480
and therefore they can say there is no

152
00:12:02,389 --> 00:11:59,519
such thing and what they did is secretly

153
00:12:06,110 --> 00:12:02,399
went out the back door and they set up a

154
00:12:08,329 --> 00:12:06,120
a pseudo project inside the Office of

155
00:12:10,370 --> 00:12:08,339
Naval intelligence called the UAP task

156
00:12:12,949 --> 00:12:10,380
force uh and but they didn't appoint

157
00:12:15,949 --> 00:12:12,959
anybody to it I interviewed the people

158
00:12:17,210 --> 00:12:15,959
that were staff for the for atip that

159
00:12:18,769 --> 00:12:17,220
were wondering when when they're going

160
00:12:20,449 --> 00:12:18,779
to get contacted are they going to end

161
00:12:23,269 --> 00:12:20,459
up getting to go to work for this new

162
00:12:25,490 --> 00:12:23,279
task force nothing was happening uh so

163
00:12:28,009 --> 00:12:25,500

so one of the Congress people

164

00:12:29,810 --> 00:12:28,019

demanded to have a hearing about it uh

165

00:12:32,630 --> 00:12:29,820

so the day before the hearing was

166

00:12:34,130 --> 00:12:32,640

scheduled the executive branch defense

167

00:12:35,930 --> 00:12:34,140

department said okay look we're going to

168

00:12:38,030 --> 00:12:35,940

appoint somebody to be the head of that

169

00:12:40,130 --> 00:12:38,040

uh that that new UAP office that the

170

00:12:41,810 --> 00:12:40,140

Office of Naval intelligence but the

171

00:12:43,490 --> 00:12:41,820

fact is they haven't done anything and

172

00:12:46,970 --> 00:12:43,500

so what happened is the Congress came

173

00:12:49,550 --> 00:12:46,980

forward you know LED jointly uh by both

174

00:12:52,490 --> 00:12:49,560

political parties you know that uh that

175

00:12:54,889 --> 00:12:52,500

uh that you had Rubio from Florida the

176

00:12:57,650 --> 00:12:54,899

senator uh and you had Warner from

177

00:13:00,590 --> 00:12:57,660

Virginia the chairman and vice chairman

178

00:13:02,750 --> 00:13:00,600

of the intelligence committee just said

179

00:13:04,790 --> 00:13:02,760

look we're going to take the the bit in

180

00:13:07,250 --> 00:13:04,800

our teeth here Congress and we're going

181

00:13:09,230 --> 00:13:07,260

to pass a law we're going to put into

182

00:13:11,930 --> 00:13:09,240

the uh National Intelligence

183

00:13:13,970 --> 00:13:11,940

authorization Bill the the funding of

184

00:13:15,230 --> 00:13:13,980

the entire intelligence Community which

185

00:13:16,670 --> 00:13:15,240

is part of the National Defense

186

00:13:19,850 --> 00:13:16,680

authorization Act

187

00:13:22,129 --> 00:13:19,860

we're going to put in 13 pages that

188

00:13:25,550 --> 00:13:22,139

mandate the setting up of a really

189

00:13:28,129 --> 00:13:25,560

meaningful office to to Garner together

190

00:13:30,410 --> 00:13:28,139

all of this information and evidence do

191

00:13:33,230 --> 00:13:30,420

an analysis of it to set up a capacity

192

00:13:34,790 --> 00:13:33,240

to go out and respond to sightings uh

193

00:13:37,430 --> 00:13:34,800

bring scientists in to do an

194

00:13:39,550 --> 00:13:37,440

investigation of these things this is an

195

00:13:42,050 --> 00:13:39,560

extremely robust

196

00:13:43,970 --> 00:13:42,060

response on the part of Congress and so

197

00:13:47,629 --> 00:13:43,980

what they did is they basically just

198

00:13:49,970 --> 00:13:47,639

pushed aside uh this this pseudo uh

199

00:13:52,490 --> 00:13:49,980

camouflage effort that was going to be

200

00:13:55,610 --> 00:13:52,500

going on by the defense department under

201
00:13:57,889 --> 00:13:55,620
the auspices of the of the new uh UAP

202
00:14:00,050 --> 00:13:57,899
task force inside the Office of Naval

203
00:14:02,449 --> 00:14:00,060
intelligence and nobody nobody was

204
00:14:04,009 --> 00:14:02,459
taking that serious uh and so that what

205
00:14:05,990 --> 00:14:04,019
they did is they push them aside and say

206
00:14:07,970 --> 00:14:06,000
look at stand back we're putting

207
00:14:09,410 --> 00:14:07,980
together this brand new office and they

208
00:14:11,690 --> 00:14:09,420
put the thing forward

209
00:14:13,790 --> 00:14:11,700
as I say there's 13 pages of it going

210
00:14:15,650 --> 00:14:13,800
into extreme detail and you can tell

211
00:14:18,230 --> 00:14:15,660
they brought on their staff of lawyers

212
00:14:20,569 --> 00:14:18,240
to say look at let's figure out how not

213
00:14:22,730 --> 00:14:20,579

to give the executive branch any wiggle

214

00:14:24,530 --> 00:14:22,740

room to get out of this thing

215

00:14:26,990 --> 00:14:24,540

now there are a handful of things and we

216

00:14:28,430 --> 00:14:27,000

can go through some of them uh but you

217

00:14:30,650 --> 00:14:28,440

know there there's some very very

218

00:14:33,710 --> 00:14:30,660

positive features about this proposed

219

00:14:36,050 --> 00:14:33,720

law uh and there are some weak points

220

00:14:38,030 --> 00:14:36,060

that it still has uh and I've I've gone

221

00:14:40,490 --> 00:14:38,040

through the thing a hundred times you

222

00:14:41,990 --> 00:14:40,500

can see it here there's all kinds of

223

00:14:44,150 --> 00:14:42,000

highlighting all kinds of green

224

00:14:45,889 --> 00:14:44,160

underlining of the good things redlining

225

00:14:48,889 --> 00:14:45,899

under the things that are that are bad

226
00:14:50,449 --> 00:14:48,899
so in typical Harvard Law School lawyer

227
00:14:52,730 --> 00:14:50,459
like fashion I've gone through the thing

228
00:14:55,129 --> 00:14:52,740
and I've had meetings with some of the

229
00:14:57,350 --> 00:14:55,139
staff people uh that are working on the

230
00:14:59,870 --> 00:14:57,360
bill at the Senate to try to get them to

231
00:15:02,210 --> 00:14:59,880
close up some of these red spots

232
00:15:04,430 --> 00:15:02,220
for example they had a provision in an

233
00:15:07,129 --> 00:15:04,440
original draft of the bill that anybody

234
00:15:10,730 --> 00:15:07,139
in the government who wanted to uh

235
00:15:12,889 --> 00:15:10,740
report information about a UFO to this

236
00:15:16,550 --> 00:15:12,899
office had to first get interviewed by

237
00:15:18,769 --> 00:15:16,560
the FBI to see whether uh I don't know

238
00:15:20,449 --> 00:15:18,779

what the reason was but it was it was

239

00:15:22,430 --> 00:15:20,459

clear that that would function as a

240

00:15:25,129 --> 00:15:22,440

substantial deterrent to a lot of people

241

00:15:26,930 --> 00:15:25,139

uh because as you know if you're being

242

00:15:28,490 --> 00:15:26,940

interviewed by the FBI and they come to

243

00:15:31,129 --> 00:15:28,500

a conclusion that you've misrepresented

244

00:15:33,110 --> 00:15:31,139

anything to them they got to charge they

245

00:15:34,990 --> 00:15:33,120

can charge you with a crime yeah so that

246

00:15:37,850 --> 00:15:35,000

so I I met with some of the staff people

247

00:15:39,470 --> 00:15:37,860

uh and uh and they I said look you got

248

00:15:41,150 --> 00:15:39,480

to get rid of this thing I wasn't the

249

00:15:43,550 --> 00:15:41,160

only one obviously anybody with a

250

00:15:45,650 --> 00:15:43,560

political IQ above room temperature knew

251

00:15:47,569 --> 00:15:45,660

you had to get the FBI out of this so

252

00:15:49,069 --> 00:15:47,579

they put they pushed them out and so

253

00:15:51,110 --> 00:15:49,079

there's no requirement like that here

254

00:15:53,389 --> 00:15:51,120

anymore and they've set up a very

255

00:15:55,910 --> 00:15:53,399

important whistleblower provision in

256

00:15:58,550 --> 00:15:55,920

here that that absolutely nothing can be

257

00:16:01,150 --> 00:15:58,560

done to to retali in any way whatsoever

258

00:16:03,889 --> 00:16:01,160

against any anybody who comes forward

259

00:16:05,509 --> 00:16:03,899

and gives them the information that they

260

00:16:08,689 --> 00:16:05,519

have and they've got a specific

261

00:16:11,150 --> 00:16:08,699

provision in here setting aside any any

262

00:16:13,310 --> 00:16:11,160

non-disclosure agreements okay I've

263

00:16:15,650 --> 00:16:13,320

never entered into before let's let's

264

00:16:18,530 --> 00:16:15,660

let's pause there too as well I keep

265

00:16:20,569 --> 00:16:18,540

interrupting Danny

266

00:16:23,210 --> 00:16:20,579

uh Danny you're used to it over the

267

00:16:26,389 --> 00:16:23,220

years yeah it's this

268

00:16:30,650 --> 00:16:26,399

um when you sign these security Oaths

269

00:16:32,810 --> 00:16:30,660

and these ndas there is a threat of

270

00:16:34,670 --> 00:16:32,820

imprisonment and you know that classic

271

00:16:36,050 --> 00:16:34,680

you know ten thousand dollar fine right

272

00:16:41,689 --> 00:16:36,060

and

273

00:16:44,810 --> 00:16:41,699

um so are you saying that that can be uh

274

00:16:47,269 --> 00:16:44,820

nullified yeah you know well it's not

275

00:16:49,249 --> 00:16:47,279

just non-disclosure because that under

276
00:16:51,650 --> 00:16:49,259
the previous non-disclosure agreements

277
00:16:53,329 --> 00:16:51,660
that were operative if anybody came

278
00:16:56,210 --> 00:16:53,339
forward and tried to tell their Senator

279
00:16:58,069 --> 00:16:56,220
or congress person or anybody in the

280
00:17:00,050 --> 00:16:58,079
Congress like this about the the

281
00:17:02,110 --> 00:17:00,060
information they had they could be

282
00:17:04,130 --> 00:17:02,120
charged with violating their their

283
00:17:05,809 --> 00:17:04,140
non-disclosure agreement what they've

284
00:17:06,710 --> 00:17:05,819
done here in the statute is they've set

285
00:17:09,049 --> 00:17:06,720
aside

286
00:17:11,750 --> 00:17:09,059
those previous non-disclosure agreements

287
00:17:13,549 --> 00:17:11,760
with regard to the staff of this office

288
00:17:14,809 --> 00:17:13,559

so that they can come forward that

289

00:17:16,549 --> 00:17:14,819

doesn't even go and tell the New York

290

00:17:18,049 --> 00:17:16,559

Times or get up on the you know street

291

00:17:20,449 --> 00:17:18,059

corner and start telling everybody about

292

00:17:24,049 --> 00:17:20,459

it but they've opened up the channel now

293

00:17:26,090 --> 00:17:24,059

for all this information to flow into uh

294

00:17:29,690 --> 00:17:26,100

into these senators and Congress people

295

00:17:33,350 --> 00:17:29,700

so this is this is an absolute watershed

296

00:17:35,750 --> 00:17:33,360

moment uh actually in the disclosure the

297

00:17:37,490 --> 00:17:35,760

official disclosure dynamic in history

298

00:17:38,990 --> 00:17:37,500

you know there have been all kinds of

299

00:17:40,789 --> 00:17:39,000

stuff you and I've been at this for

300

00:17:42,470 --> 00:17:40,799

decades now and so they've been all

301
00:17:43,610 --> 00:17:42,480
kinds of progress made with regard to

302
00:17:46,370 --> 00:17:43,620
revealing more and more information

303
00:17:48,710 --> 00:17:46,380
about all of this and people have done

304
00:17:50,750 --> 00:17:48,720
great work on this Richard Dolan has

305
00:17:52,490 --> 00:17:50,760
done his two volumes you know digging

306
00:17:54,650 --> 00:17:52,500
government documents out and showing

307
00:17:57,409 --> 00:17:54,660
everybody and they've been you know

308
00:17:58,909 --> 00:17:57,419
literally dozens of people who've been

309
00:18:00,169 --> 00:17:58,919
devoting their lives to trying to get

310
00:18:01,669 --> 00:18:00,179
this done because they knew the

311
00:18:04,070 --> 00:18:01,679
importance of this extraordinarily

312
00:18:05,630 --> 00:18:04,080
important subject but now what's

313
00:18:08,570 --> 00:18:05,640

happened is the Congress of the United

314

00:18:11,270 --> 00:18:08,580

States has moved in uh and you've gotten

315

00:18:13,669 --> 00:18:11,280

elected political officials who's in

316

00:18:16,310 --> 00:18:13,679

whose interests it is in their their

317

00:18:19,549 --> 00:18:16,320

elected interests to get something done

318

00:18:21,950 --> 00:18:19,559

about this moving in now there's not any

319

00:18:24,110 --> 00:18:21,960

doubt in my mind that the the powers

320

00:18:26,450 --> 00:18:24,120

that be within the executive branch and

321

00:18:28,490 --> 00:18:26,460

within the major corporations that are

322

00:18:30,350 --> 00:18:28,500

the contractors are going to push back

323

00:18:31,970 --> 00:18:30,360

against this thing and try to put

324

00:18:33,950 --> 00:18:31,980

pressure on the various senators and

325

00:18:35,630 --> 00:18:33,960

Congress people not to really do

326

00:18:39,049 --> 00:18:35,640

anything about this there's no doubt

327

00:18:41,270 --> 00:18:39,059

about that uh but but what we're doing

328

00:18:43,490 --> 00:18:41,280

I'm in the process now of setting up a

329

00:18:46,010 --> 00:18:43,500

separate a brand new 501c3 public

330

00:18:48,169 --> 00:18:46,020

interest organization that will in fact

331

00:18:50,150 --> 00:18:48,179

duplicate everything that's going on

332

00:18:52,250 --> 00:18:50,160

here and we're going to use this exact

333

00:18:54,830 --> 00:18:52,260

Bill all the details all the divisions

334

00:18:56,150 --> 00:18:54,840

all the criteria everything and then

335

00:18:57,289 --> 00:18:56,160

what we're going to do is going to

336

00:18:59,450 --> 00:18:57,299

undertake

337

00:19:02,029 --> 00:18:59,460

to try to bring everybody in the

338

00:19:04,370 --> 00:19:02,039

community together into a coordinated

339

00:19:06,590 --> 00:19:04,380

process of sharing all of our

340

00:19:08,090 --> 00:19:06,600

information that we have about this all

341

00:19:11,630 --> 00:19:08,100

the different reports we have about this

342

00:19:14,570 --> 00:19:11,640

event these reports and and get on top

343

00:19:16,130 --> 00:19:14,580

of this this office to make sure that

344

00:19:18,830 --> 00:19:16,140

these senators and Congress people do

345

00:19:20,330 --> 00:19:18,840

not fold in the face of this kind of

346

00:19:22,730 --> 00:19:20,340

response that we know is going to be

347

00:19:25,070 --> 00:19:22,740

coming primarily from the major uh

348

00:19:27,169 --> 00:19:25,080

defense industry people who want to

349

00:19:29,150 --> 00:19:27,179

capture this technology and capitalize

350

00:19:32,510 --> 00:19:29,160

on it and make as much money as they can

351
00:19:34,310 --> 00:19:32,520
on it and also elements darker elements

352
00:19:39,710 --> 00:19:34,320
inside the defense department

353
00:19:43,190 --> 00:19:39,720
that view any any type of uh incursion

354
00:19:45,710 --> 00:19:43,200
into Earthly airspace as being somehow a

355
00:19:47,690 --> 00:19:45,720
violation of their mission uh if they're

356
00:19:49,730 --> 00:19:47,700
not in charge of that and can't dominate

357
00:19:52,490 --> 00:19:49,740
it and control it so there's a a

358
00:19:54,830 --> 00:19:52,500
reflexive reaction on the part of people

359
00:19:57,710 --> 00:19:54,840
inside the defense department to

360
00:20:00,289 --> 00:19:57,720
perceive the entire phenomenon as some

361
00:20:02,270 --> 00:20:00,299
type of not only threat but to be candid

362
00:20:04,250 --> 00:20:02,280
about it an opportunity

363
00:20:06,049 --> 00:20:04,260

to increase their funding in a

364

00:20:07,310 --> 00:20:06,059

bureaucratic way and so that we know

365

00:20:09,350 --> 00:20:07,320

that those elements are going to be

366

00:20:12,350 --> 00:20:09,360

operative here and so what we need to do

367

00:20:15,770 --> 00:20:12,360

is have this new 501c3 organization is

368

00:20:17,990 --> 00:20:15,780

sort of the UFO C3

369

00:20:20,150 --> 00:20:18,000

you know to have this have this thing

370

00:20:22,070 --> 00:20:20,160

put together get it funded in a

371

00:20:23,990 --> 00:20:22,080

substantial way and what I've done is

372

00:20:27,529 --> 00:20:24,000

I've I'm reaching out to a number of the

373

00:20:29,630 --> 00:20:27,539

the major uh uh programs that are going

374

00:20:31,370 --> 00:20:29,640

on uh commercial programs that are going

375

00:20:33,230 --> 00:20:31,380

on around the country uh trying to

376

00:20:35,570 --> 00:20:33,240

capitalize on this and on television

377

00:20:38,289 --> 00:20:35,580

shows and all that stuff and say look

378

00:20:42,529 --> 00:20:38,299

if you guys really want to have

379

00:20:44,570 --> 00:20:42,539

objective information to report on uh

380

00:20:46,549 --> 00:20:44,580

and to know who to interview and things

381

00:20:47,930 --> 00:20:46,559

like this what you ought to do is you

382

00:20:49,970 --> 00:20:47,940

ought to have the people that are your

383

00:20:52,610 --> 00:20:49,980

financial backers and your supporters

384

00:20:54,230 --> 00:20:52,620

you know whatever tax deductible

385

00:20:56,930 --> 00:20:54,240

contributions that they're going to

386

00:21:00,169 --> 00:20:56,940

choose to actually make have them go to

387

00:21:01,850 --> 00:21:00,179

this UFO C3 yeah and so the it'll have

388

00:21:04,190 --> 00:21:01,860

the kind of financing the kind of Staff

389

00:21:06,350 --> 00:21:04,200

the kind of professionalism that will be

390

00:21:09,890 --> 00:21:06,360

necessary what we want to do is we want

391

00:21:13,070 --> 00:21:09,900

to we want to uh duplicate to the

392

00:21:15,409 --> 00:21:13,080

greatest possible degree that we can the

393

00:21:16,970 --> 00:21:15,419

actual functions of this office that are

394

00:21:19,370 --> 00:21:16,980

being set up inside the United States

395

00:21:22,430 --> 00:21:19,380

Congress now we know that we don't have

396

00:21:24,470 --> 00:21:22,440

the security clearances uh that will

397

00:21:26,150 --> 00:21:24,480

cause us people in the military for

398

00:21:28,909 --> 00:21:26,160

example become rushing into us and here

399

00:21:30,470 --> 00:21:28,919

let us tell you too what we know but we

400

00:21:32,149 --> 00:21:30,480

have all kinds of other people that are

401
00:21:33,590 --> 00:21:32,159
going to be coming and talking to us and

402
00:21:34,970 --> 00:21:33,600
we're going to be setting up protocols

403
00:21:37,070 --> 00:21:34,980
pursuant to which we're going to be able

404
00:21:39,890 --> 00:21:37,080
to protect the confidential sources who

405
00:21:41,930 --> 00:21:39,900
come to us and if somebody comes to a

406
00:21:43,029 --> 00:21:41,940
member of the Senate or the the office

407
00:21:45,710 --> 00:21:43,039
of this

408
00:21:48,409 --> 00:21:45,720
invest this joint investigative office

409
00:21:51,230 --> 00:21:48,419
and they're not responded to

410
00:21:52,789 --> 00:21:51,240
or they're pushed away in any way then

411
00:21:54,770 --> 00:21:52,799
we're going to be available for them to

412
00:21:56,090 --> 00:21:54,780
come to us and so we're going to be able

413
00:21:57,649 --> 00:21:56,100

to interview them we're going to be able

414

00:21:58,310 --> 00:21:57,659

to represent them we're going to be able

415

00:22:01,130 --> 00:21:58,320

to

416

00:22:03,850 --> 00:22:01,140

bring causes of action you know in

417

00:22:08,029 --> 00:22:03,860

federal court there is a federal court

418

00:22:11,090 --> 00:22:08,039

uh provision in this here uh if anybody

419

00:22:13,909 --> 00:22:11,100

is punished or in any way retaliated

420

00:22:17,330 --> 00:22:13,919

against for bringing this information

421

00:22:19,730 --> 00:22:17,340

here to the to this committee or this

422

00:22:22,190 --> 00:22:19,740

office then they have a cause of action

423

00:22:24,830 --> 00:22:22,200

in the federal district court regular

424

00:22:26,450 --> 00:22:24,840

federal court lawsuit uh there's a I

425

00:22:28,130 --> 00:22:26,460

mean this is extraordinary this is a

426

00:22:30,830 --> 00:22:28,140

cause of action that's been created by

427

00:22:33,230 --> 00:22:30,840

the United States Congress to give a a

428

00:22:37,390 --> 00:22:33,240

citizen the right to bring an action in

429

00:22:40,430 --> 00:22:37,400

front of the United States courts uh

430

00:22:43,549 --> 00:22:40,440

do you do you have a UFO judge in mind

431

00:22:45,590 --> 00:22:43,559

okay well they're all going to be a

432

00:22:46,909 --> 00:22:45,600

little surprised but the fact is almost

433

00:22:48,950 --> 00:22:46,919

all the judges have ever come in front

434

00:22:50,690 --> 00:22:48,960

of 50 years turned out to be surprised

435

00:22:52,010 --> 00:22:50,700

about the case that we brought you know

436

00:22:54,350 --> 00:22:52,020

whether it's Three Mile Island or the

437

00:22:56,029 --> 00:22:54,360

Karen silkwood case or Iran Contra or

438

00:22:58,490 --> 00:22:56,039

any of the others are always going oh no

439

00:23:00,490 --> 00:22:58,500

please give me a simple divorce case you

440

00:23:02,870 --> 00:23:00,500

know or a broken leg case

441

00:23:05,330 --> 00:23:02,880

but that's always been the case right

442

00:23:08,090 --> 00:23:05,340

where you get the attorneys talking to

443

00:23:11,690 --> 00:23:08,100

their clients look this guy is a good

444

00:23:13,070 --> 00:23:11,700

UFO judge I don't know they don't have

445

00:23:15,649 --> 00:23:13,080

them yet they don't have them yet I can

446

00:23:17,810 --> 00:23:15,659

tell you the the first the first one who

447

00:23:20,029 --> 00:23:17,820

gets one of these cases is uh May what

448

00:23:23,510 --> 00:23:20,039

may well become the go-to person yeah

449

00:23:25,850 --> 00:23:23,520

exactly let me uh swing back to your

450

00:23:27,470 --> 00:23:25,860

point about uh Congress right now we're

451
00:23:29,750 --> 00:23:27,480
getting ready we just got done with the

452
00:23:32,510 --> 00:23:29,760
midterms right so we've got a new

453
00:23:35,149 --> 00:23:32,520
Congress rolling in in January how does

454
00:23:37,310 --> 00:23:35,159
this affect things well it's interesting

455
00:23:39,950 --> 00:23:37,320
the one of the great advantages is is

456
00:23:41,750 --> 00:23:39,960
that that Lou Elizondo and Chris Mellon

457
00:23:43,909 --> 00:23:41,760
and the other people who've been working

458
00:23:46,010 --> 00:23:43,919
over on the hill to go talk to people

459
00:23:48,110 --> 00:23:46,020
have been extraordinarily smart about

460
00:23:50,810 --> 00:23:48,120
this and they've gone to both political

461
00:23:52,610 --> 00:23:50,820
parties they've done it so that neither

462
00:23:54,830 --> 00:23:52,620
one of the two political parties has any

463
00:23:56,870 --> 00:23:54,840

specific advantage over the other with

464

00:23:58,850 --> 00:23:56,880

regard to this issue you know they both

465

00:24:01,250 --> 00:23:58,860

spent you know 75 years trying to not

466

00:24:03,470 --> 00:24:01,260

touch it at all and once it become

467

00:24:04,610 --> 00:24:03,480

became famous and even the defense

468

00:24:06,950 --> 00:24:04,620

department acknowledged that this was

469

00:24:08,570 --> 00:24:06,960

real they both realized they had they

470

00:24:11,810 --> 00:24:08,580

had to take a position on this

471

00:24:13,190 --> 00:24:11,820

unfortunately uh in in Chris melon

472

00:24:15,169 --> 00:24:13,200

especially I think has been extremely

473

00:24:16,970 --> 00:24:15,179

effective at this at making this

474

00:24:20,210 --> 00:24:16,980

information available on an even-handed

475

00:24:21,950 --> 00:24:20,220

way to both people in both parties and

476

00:24:24,169 --> 00:24:21,960

so that they've joined together now as a

477

00:24:26,090 --> 00:24:24,179

coalition to bring this forward the

478

00:24:28,549 --> 00:24:26,100

Congress feels that it's been slighted

479

00:24:30,110 --> 00:24:28,559

you know over all these past 75 years by

480

00:24:32,090 --> 00:24:30,120

the executive branch lying to them

481

00:24:34,130 --> 00:24:32,100

deceiving them holding information away

482

00:24:36,350 --> 00:24:34,140

from them frightening them intimidating

483

00:24:39,950 --> 00:24:36,360

them you know and so now they're they're

484

00:24:42,169 --> 00:24:39,960

stepping forward here and so I believe I

485

00:24:44,690 --> 00:24:42,179

believe that we have an extraordinary

486

00:24:46,250 --> 00:24:44,700

opportunity here as I say let's be

487

00:24:48,110 --> 00:24:46,260

really clear about the fact that the

488

00:24:50,149 --> 00:24:48,120

same forces that have been hiding this

489

00:24:51,950 --> 00:24:50,159

for all these decades are going to

490

00:24:53,270 --> 00:24:51,960

continue to try to do so you know

491

00:24:55,070 --> 00:24:53,280

they're not just going to roll over on

492

00:24:56,330 --> 00:24:55,080

us and say oh gee on second thought

493

00:24:57,950 --> 00:24:56,340

we're going to come clean on this

494

00:24:59,770 --> 00:24:57,960

they're not going to do that so this is

495

00:25:03,470 --> 00:24:59,780

going to be a push and pull operation

496

00:25:06,230 --> 00:25:03,480

but we have members of Congress on our

497

00:25:07,669 --> 00:25:06,240

side now uh and we have committees

498

00:25:10,190 --> 00:25:07,679

entire committees the intelligence

499

00:25:12,590 --> 00:25:10,200

committee defense department and defense

500

00:25:15,169 --> 00:25:12,600

committee the problem is that at the

501
00:25:18,230 --> 00:25:15,179
present time this whole issue is still

502
00:25:19,730 --> 00:25:18,240
being prisoned through the lens of

503
00:25:21,950 --> 00:25:19,740
military defense

504
00:25:23,870 --> 00:25:21,960
uh in kind of military intelligence

505
00:25:26,810 --> 00:25:23,880
they're still they're still in this kind

506
00:25:28,909 --> 00:25:26,820
of dialectical mindset

507
00:25:30,649 --> 00:25:28,919
about this because you go down through

508
00:25:32,630 --> 00:25:30,659
the entire Bill and you don't really

509
00:25:35,029 --> 00:25:32,640
have state department people in here you

510
00:25:37,490 --> 00:25:35,039
don't have uh you know there's there's

511
00:25:39,230 --> 00:25:37,500
it is a recommendation here that they

512
00:25:40,789 --> 00:25:39,240
brief the Foreign Relations Committee

513
00:25:42,230 --> 00:25:40,799

the Senate Foreign Relations Committee

514

00:25:44,570 --> 00:25:42,240

the house Foreign Relations Committee

515

00:25:46,789 --> 00:25:44,580

which is really important

516

00:25:48,710 --> 00:25:46,799

but there's all kinds still way too much

517

00:25:51,169 --> 00:25:48,720

language in here about you know threats

518

00:25:52,730 --> 00:25:51,179

and adversary Nations unless but there's

519

00:25:55,549 --> 00:25:52,740

some extraordinary language in here for

520

00:25:57,649 --> 00:25:55,559

example they've got a definition of what

521

00:25:59,450 --> 00:25:57,659

they're referring to here as these uh

522

00:26:01,970 --> 00:25:59,460

the unidentified aerial phenomenon or

523

00:26:05,590 --> 00:26:01,980

undersea phenomena they specifically say

524

00:26:09,610 --> 00:26:05,600

that this definition excludes

525

00:26:15,350 --> 00:26:12,169

they say that right in the bill they

526

00:26:18,710 --> 00:26:15,360

they do and and that's an important

527

00:26:21,470 --> 00:26:18,720

point because of some of the chatter uh

528

00:26:22,970 --> 00:26:21,480

going around the UFO Community now I

529

00:26:25,250 --> 00:26:22,980

don't know if it's opinions or if

530

00:26:26,930 --> 00:26:25,260

somebody's got uh some leaked

531

00:26:30,769 --> 00:26:26,940

information but there was a lot of

532

00:26:34,250 --> 00:26:30,779

chatter about the UFO report uh that was

533

00:26:37,970 --> 00:26:34,260

going to change direction from the last

534

00:26:41,690 --> 00:26:37,980

UAP task force report that this was

535

00:26:44,810 --> 00:26:41,700

China that this was a foreign adversary

536

00:26:48,830 --> 00:26:44,820

and most of these can now be explained

537

00:26:51,710 --> 00:26:48,840

that's in direct contrast to the last

538

00:26:54,110 --> 00:26:51,720

report when they said it wasn't us it

539

00:26:56,570 --> 00:26:54,120

was they know it's not us they know it's

540

00:26:57,950 --> 00:26:56,580

not China right and the guys the guys

541

00:26:59,390 --> 00:26:57,960

that I've talked to I mean I I

542

00:27:01,610 --> 00:26:59,400

fortunately as you know I'm I'm

543

00:27:04,669 --> 00:27:01,620

privileged actually to get to represent

544

00:27:06,710 --> 00:27:04,679

Lou Elizondo and uh we have we have a

545

00:27:08,210 --> 00:27:06,720

meeting coming up on December 8th you

546

00:27:10,490 --> 00:27:08,220

know with the inspector General's Office

547

00:27:12,529 --> 00:27:10,500

of the entire higher intelligence

548

00:27:15,049 --> 00:27:12,539

Community now to talk about all this

549

00:27:17,570 --> 00:27:15,059

stuff and the the the the fact the

550

00:27:20,210 --> 00:27:17,580

fact of the matter is that you know we

551

00:27:22,610 --> 00:27:20,220

know that they know that this is not

552

00:27:24,470 --> 00:27:22,620

China uh because you know guys like Lou

553

00:27:27,110 --> 00:27:24,480

and melon and the other company they can

554

00:27:29,450 --> 00:27:27,120

say look at let me clue you in here we

555

00:27:31,610 --> 00:27:29,460

know what the Chinese have got and this

556

00:27:34,789 --> 00:27:31,620

ain't it you know it certainly wouldn't

557

00:27:39,470 --> 00:27:34,799

have been China in 1984. no you know

558

00:27:41,630 --> 00:27:39,480

2004. or 47 as Lucia or 84.

559

00:27:43,490 --> 00:27:41,640

um but but clearly nobody had that kind

560

00:27:47,029 --> 00:27:43,500

of Technology during the Nimitz

561

00:27:48,890 --> 00:27:47,039

encounter no and and when Lou Lou and I

562

00:27:51,769 --> 00:27:48,900

gave an interview to the uh the

563

00:27:53,330 --> 00:27:51,779

Associated Press guys in preparation for

564

00:27:55,850 --> 00:27:53,340

the big report that came out a couple

565

00:27:58,789 --> 00:27:55,860

years ago and they brought in their big

566

00:28:01,669 --> 00:27:58,799

guns from AP and they said uh now look

567

00:28:04,010 --> 00:28:01,679

uh uh what are you saying what are you

568

00:28:06,590 --> 00:28:04,020

saying uh the origin of these things are

569

00:28:08,570 --> 00:28:06,600

and what what Lou said to them says look

570

00:28:09,710 --> 00:28:08,580

I can tell you this you know I've been

571

00:28:11,510 --> 00:28:09,720

at this a long time and I've talked

572

00:28:13,850 --> 00:28:11,520

about virtually everybody we know it's

573

00:28:16,250 --> 00:28:13,860

not China and and we know it's not

574

00:28:18,529 --> 00:28:16,260

Russia and we while we've got some

575

00:28:20,690 --> 00:28:18,539

fairly sophisticated you know highly

576

00:28:22,130 --> 00:28:20,700

developed craft it's nothing like this

577

00:28:24,169 --> 00:28:22,140

you know and so that we're telling you

578

00:28:26,090 --> 00:28:24,179

it isn't that at all and so they said

579

00:28:28,490 --> 00:28:26,100

well what do you what do you what do you

580

00:28:29,750 --> 00:28:28,500

think it is he said well most of the

581

00:28:32,690 --> 00:28:29,760

people that are involved in this

582

00:28:34,909 --> 00:28:32,700

professionally uh in in classified

583

00:28:36,350 --> 00:28:34,919

programs believe that the source is

584

00:28:38,830 --> 00:28:36,360

extraterrestrial

585

00:28:41,149 --> 00:28:38,840

and the guy the guy looked at me said

586

00:28:43,310 --> 00:28:41,159

extraterrestrial yeah so you're actually

587

00:28:45,289 --> 00:28:43,320

saying that that there's like you know

588

00:28:48,590 --> 00:28:45,299

vehicles coming from an extraterrestrial

589

00:28:51,049 --> 00:28:48,600

civilization to our planet and Lou said

590

00:28:54,649 --> 00:28:51,059

yes that's what that's what it appears

591

00:28:56,330 --> 00:28:54,659

it appears to be uh and so he said in

592

00:28:59,330 --> 00:28:56,340

the one of the reasons we know it's not

593

00:29:02,510 --> 00:28:59,340

uh China he says because or Russia he

594

00:29:05,510 --> 00:29:02,520

said back in 1947 and that's the date he

595

00:29:06,950 --> 00:29:05,520

took he said back in 1947 which is

596

00:29:10,730 --> 00:29:06,960

revealing to all of us who know about

597

00:29:12,769 --> 00:29:10,740

Roswell back in 1947 Russia had just

598

00:29:15,169 --> 00:29:12,779

gotten through you know World War II

599

00:29:16,850 --> 00:29:15,179

they lost 20 million people you know

600

00:29:18,350 --> 00:29:16,860

they they were tearing up railroad

601
00:29:20,210 --> 00:29:18,360
tracks all the way from Europe into

602
00:29:22,010 --> 00:29:20,220
Russia tried to get metal to have back

603
00:29:23,990 --> 00:29:22,020
into their country they didn't have any

604
00:29:27,830 --> 00:29:24,000
capacity to have a technology like this

605
00:29:29,810 --> 00:29:27,840
and he said China he said China in 1947

606
00:29:32,630 --> 00:29:29,820
he said their their principal mode of

607
00:29:36,649 --> 00:29:32,640
transportation was cart was wooden carts

608
00:29:39,250 --> 00:29:36,659
with stone Wheels with horses so this is

609
00:29:41,630 --> 00:29:39,260
not China and they've been around since

610
00:29:44,049 --> 00:29:41,640
1947. we've been observing this

611
00:29:47,930 --> 00:29:44,059
technology he said since

612
00:29:50,389 --> 00:29:47,940
1947. uh it could be Canada though yeah

613
00:29:54,169 --> 00:29:50,399

right it could be Canada

614

00:29:55,549 --> 00:29:54,179

um and and and not to put uh light on

615

00:29:59,690 --> 00:29:55,559

this

616

00:30:02,510 --> 00:29:59,700

um but today uh the reports are are now

617

00:30:05,930 --> 00:30:02,520

that but the United States is going to

618

00:30:08,930 --> 00:30:05,940

now kick start its Hypersonic missile

619

00:30:12,350 --> 00:30:08,940

program to catch back up to the uh to

620

00:30:15,470 --> 00:30:12,360

Gretchen the Chinese and and that

621

00:30:19,510 --> 00:30:15,480

Hypersonic missiles are not this

622

00:30:26,570 --> 00:30:22,850

this uh the even even Hypersonic

623

00:30:29,090 --> 00:30:26,580

missiles are comparable to Ox carts with

624

00:30:31,430 --> 00:30:29,100

with stone compared to this compared to

625

00:30:34,070 --> 00:30:31,440

this yeah this this stuff this stuff uh

626
00:30:35,930 --> 00:30:34,080
functions almost interdimensionally this

627
00:30:37,970 --> 00:30:35,940
is this is so a completely

628
00:30:40,010 --> 00:30:37,980
flabbergasting to the all the people

629
00:30:41,210 --> 00:30:40,020
that are up close to this thing that

630
00:30:42,950 --> 00:30:41,220
they're just stunned because now they're

631
00:30:46,010 --> 00:30:42,960
now they're talking to each other now a

632
00:30:48,649 --> 00:30:46,020
lot more uh and so this this uh this is

633
00:30:50,810 --> 00:30:48,659
an extraordinary moment Jimmy that with

634
00:30:52,610 --> 00:30:50,820
this committee or this this office is

635
00:30:54,470 --> 00:30:52,620
going to be set up we'll have to see who

636
00:30:56,450 --> 00:30:54,480
it is that they're going to appoint and

637
00:30:57,950 --> 00:30:56,460
the probabilities are they're going to

638
00:30:59,810 --> 00:30:57,960

be people that lean a little heavily

639

00:31:02,029 --> 00:30:59,820

into the direction of it being kind of

640

00:31:03,710 --> 00:31:02,039

military defense and trying to get at

641

00:31:06,409 --> 00:31:03,720

the technology and see if they can

642

00:31:08,510 --> 00:31:06,419

reproduce it and make weapons of it all

643

00:31:10,669 --> 00:31:08,520

that stuff is all these human

644

00:31:13,610 --> 00:31:10,679

vicissitudes are still operational here

645

00:31:16,130 --> 00:31:13,620

but the point is that we we as a

646

00:31:19,430 --> 00:31:16,140

community have to come together now

647

00:31:22,310 --> 00:31:19,440

and put together an office that is

648

00:31:24,769 --> 00:31:22,320

comparable because now we've been in a

649

00:31:26,630 --> 00:31:24,779

certain sense authorized to do this now

650

00:31:28,970 --> 00:31:26,640

I mean the citizenry we are the the

651
00:31:31,430 --> 00:31:28,980
Democratic forces of our country you

652
00:31:32,810 --> 00:31:31,440
know the Congress represents us and but

653
00:31:34,789 --> 00:31:32,820
but the fact of the matter is they don't

654
00:31:36,529 --> 00:31:34,799
replace us and they don't they don't

655
00:31:38,029 --> 00:31:36,539
take our place well you know we know

656
00:31:39,230 --> 00:31:38,039
that they're subject to all kinds of

657
00:31:41,990 --> 00:31:39,240
political pressures and financial

658
00:31:44,029 --> 00:31:42,000
pressures and everything else but the

659
00:31:45,049 --> 00:31:44,039
fact of the matter is that what we're

660
00:31:46,850 --> 00:31:45,059
going to do is we're going to get a look

661
00:31:48,830 --> 00:31:46,860
at their budget we're going to get a

662
00:31:50,630 --> 00:31:48,840
look at their budget lines that have to

663
00:31:52,490 --> 00:31:50,640

be made public on the on the on the

664

00:31:55,669 --> 00:31:52,500

websites and we're going to try to match

665

00:31:57,950 --> 00:31:55,679

all of those and we're going to major

666

00:31:59,690 --> 00:31:57,960

funders major people all throughout the

667

00:32:01,909 --> 00:31:59,700

country the business community and the

668

00:32:02,630 --> 00:32:01,919

entertainment industry all across the

669

00:32:04,970 --> 00:32:02,640

country

670

00:32:06,889 --> 00:32:04,980

and say look we're we're not something

671

00:32:09,049 --> 00:32:06,899

like the to the Stars Academy there's no

672

00:32:11,090 --> 00:32:09,059

commercial Venture uh underway here at

673

00:32:12,950 --> 00:32:11,100

all uh we're not trying to make a buck

674

00:32:15,409 --> 00:32:12,960

on this thing what we're trying to do is

675

00:32:17,810 --> 00:32:15,419

to put together a genuinely professional

676

00:32:19,730 --> 00:32:17,820

caliber staff you know so that they're

677

00:32:22,549 --> 00:32:19,740

going to be matching step for step what

678

00:32:24,950 --> 00:32:22,559

this office is doing and if they misstep

679

00:32:26,690 --> 00:32:24,960

and they don't do their job you know

680

00:32:29,510 --> 00:32:26,700

we're going to move in to do their job

681

00:32:32,570 --> 00:32:29,520

for them uh the American people are not

682

00:32:34,730 --> 00:32:32,580

going to stand by and allow our

683

00:32:37,070 --> 00:32:34,740

representatives to be coerced or pushed

684

00:32:38,269 --> 00:32:37,080

back or intimidated you know by the

685

00:32:41,450 --> 00:32:38,279

forces that have been trying to keep

686

00:32:43,310 --> 00:32:41,460

this thing secret for 75 years so that's

687

00:32:46,070 --> 00:32:43,320

that's the moment that we find ourselves

688

00:32:47,930 --> 00:32:46,080

in right now now what's uh what's what's

689

00:32:49,370 --> 00:32:47,940

the chatter what are you hearing about

690

00:32:53,330 --> 00:32:49,380

this report

691

00:32:55,730 --> 00:32:53,340

well the the the the the fact is the the

692

00:32:59,029 --> 00:32:55,740

fact is that there were never they were

693

00:33:00,470 --> 00:32:59,039

never uh the UAP task force inside the

694

00:33:03,350 --> 00:33:00,480

office and they will tell us has never

695

00:33:05,090 --> 00:33:03,360

been a legitimate operation no really I

696

00:33:07,070 --> 00:33:05,100

can just tell you it was never because

697

00:33:08,750 --> 00:33:07,080

the guy who the guy who got assigned was

698

00:33:11,029 --> 00:33:08,760

the one person who was put on the staff

699

00:33:13,370 --> 00:33:11,039

you know didn't even didn't even have an

700

00:33:15,110 --> 00:33:13,380

office didn't even know didn't even know

701
00:33:16,669 --> 00:33:15,120
what he was supposed to be doing you

702
00:33:18,649 --> 00:33:16,679
know I had I had lunch with him a number

703
00:33:19,850 --> 00:33:18,659
of times and he was just befuddled you

704
00:33:21,889 --> 00:33:19,860
know he said wait what is this they're

705
00:33:23,930 --> 00:33:21,899
talking about having a new UAP test

706
00:33:26,990 --> 00:33:23,940
there's no at passports there's nothing

707
00:33:29,389 --> 00:33:27,000
going on here you know and so that this

708
00:33:31,190 --> 00:33:29,399
this this uh bubbling up oh there's

709
00:33:33,049 --> 00:33:31,200
going to be a new report about this you

710
00:33:35,269 --> 00:33:33,059
know that what this is is the forces

711
00:33:38,210 --> 00:33:35,279
inside the the military defense

712
00:33:40,250 --> 00:33:38,220
establishment were trying to figure out

713
00:33:42,669 --> 00:33:40,260

what to do you know I mean they they

714

00:33:45,049 --> 00:33:42,679

didn't know you know

715

00:33:47,389 --> 00:33:45,059

I won't say it but anyway they didn't

716

00:33:51,230 --> 00:33:47,399

know what to do are you suggesting that

717

00:33:54,289 --> 00:33:51,240

OD and I uh VOD and I yeah it is not

718

00:33:57,769 --> 00:33:54,299

communicating with the task force right

719

00:33:59,389 --> 00:33:57,779

now and and who did they answer to there

720

00:34:00,649 --> 00:33:59,399

there is no there is no functional task

721

00:34:02,450 --> 00:34:00,659

force right now

722

00:34:04,610 --> 00:34:02,460

there's no functional Task Force at all

723

00:34:06,110 --> 00:34:04,620

it's just a total ruse you know they

724

00:34:07,430 --> 00:34:06,120

point to Scott to be the head of the

725

00:34:09,409 --> 00:34:07,440

thing Scott I don't know is he ever went

726

00:34:11,510 --> 00:34:09,419

to the office you know I mean there's

727

00:34:14,329 --> 00:34:11,520

nothing happening there because they

728

00:34:16,010 --> 00:34:14,339

know that this new office is going to

729

00:34:18,290 --> 00:34:16,020

completely supplant anything they do

730

00:34:20,750 --> 00:34:18,300

you're talking about Scott Bray yeah

731

00:34:23,149 --> 00:34:20,760

that's right there's there's nobody's

732

00:34:24,710 --> 00:34:23,159

doing anything you know in anything that

733

00:34:26,089 --> 00:34:24,720

they're doing is not worth paying

734

00:34:28,430 --> 00:34:26,099

attention to because all it is is

735

00:34:29,450 --> 00:34:28,440

obfuscation you know still trying to you

736

00:34:31,430 --> 00:34:29,460

know pretend that they're doing

737

00:34:33,649 --> 00:34:31,440

something but the fact of the matter is

738

00:34:35,629 --> 00:34:33,659

this major office is getting set to be

739

00:34:39,409 --> 00:34:35,639

set up here is going to just completely

740

00:34:43,190 --> 00:34:39,419

overshadow and as you'll see in the bill

741

00:34:46,550 --> 00:34:43,200

itself the task force is terminated

742

00:34:48,109 --> 00:34:46,560

the moment this thing is passed and it

743

00:34:49,669 --> 00:34:48,119

says that so you know you're not going

744

00:34:51,589 --> 00:34:49,679

to get people investing an awful lot of

745

00:34:52,669 --> 00:34:51,599

time and energy in doing something when

746

00:34:54,849 --> 00:34:52,679

they know they're getting set to be

747

00:34:58,430 --> 00:34:54,859

terminated as soon as the bill is passed

748

00:35:01,010 --> 00:34:58,440

worded in the bill that there will be a

749

00:35:03,770 --> 00:35:01,020

new uh organization immediately

750

00:35:05,630 --> 00:35:03,780

established well no what what it is is

751

00:35:08,630 --> 00:35:05,640

that they're they're insisting that the

752

00:35:11,329 --> 00:35:08,640

that it be set up set up within 120 days

753

00:35:12,770 --> 00:35:11,339

after the the uh thing so that's you

754

00:35:14,390 --> 00:35:12,780

know that's like four they've got four

755

00:35:16,609 --> 00:35:14,400

months to get the whole thing put all

756

00:35:18,349 --> 00:35:16,619

together after they pass this but but

757

00:35:20,450 --> 00:35:18,359

the bottom line is there nothing's going

758

00:35:23,270 --> 00:35:20,460

to happen during that four month period

759

00:35:25,150 --> 00:35:23,280

because there is no UAP functional task

760

00:35:29,270 --> 00:35:25,160

force

761

00:35:31,490 --> 00:35:29,280

has the current ndaa been signed off and

762

00:35:34,130 --> 00:35:31,500

dated No No what's no what's going on

763

00:35:37,130 --> 00:35:34,140

here remember this is part of the the

764

00:35:39,230 --> 00:35:37,140

federal budget the the the defense

765

00:35:41,569 --> 00:35:39,240

authorization Act is part of the federal

766

00:35:43,730 --> 00:35:41,579

budget process and what's going on right

767

00:35:45,950 --> 00:35:43,740

now is you asked that question a moment

768

00:35:48,170 --> 00:35:45,960

ago about what effect if any has the new

769

00:35:50,390 --> 00:35:48,180

election had and one of the things

770

00:35:53,450 --> 00:35:50,400

that's happening right now is that

771

00:35:54,710 --> 00:35:53,460

some of these Rogue elements uh that are

772

00:35:56,810 --> 00:35:54,720

that have come to dominate the

773

00:35:59,030 --> 00:35:56,820

Republican party now that they've taken

774

00:36:01,069 --> 00:35:59,040

over the House of Representatives uh

775

00:36:03,650 --> 00:36:01,079

where where budget legislation is

776

00:36:06,890 --> 00:36:03,660

initiated that they're threatening to

777

00:36:08,569 --> 00:36:06,900

not approve the federal budgets that are

778

00:36:10,790 --> 00:36:08,579

being proposed by the executive branch

779

00:36:13,490 --> 00:36:10,800

right I I don't want to get too

780

00:36:15,650 --> 00:36:13,500

political here we kind of have to but

781

00:36:17,390 --> 00:36:15,660

you do just just the reality of it is

782

00:36:19,130 --> 00:36:17,400

that people from an objective point of

783

00:36:20,150 --> 00:36:19,140

view know what they're doing and they've

784

00:36:21,770 --> 00:36:20,160

called for it they're going to try to

785

00:36:23,089 --> 00:36:21,780

block they're going to try to block the

786

00:36:26,329 --> 00:36:23,099

appropriation they're going to try to

787

00:36:28,069 --> 00:36:26,339

not approve the federal budget so the

788

00:36:29,990 --> 00:36:28,079

Biden Administration cuts out a whole

789

00:36:32,630 --> 00:36:30,000

bunch of these social programs that they

790

00:36:34,490 --> 00:36:32,640

want gone sure sure Danny I need you to

791

00:36:37,310 --> 00:36:34,500

because I'm not the smartest guy when it

792

00:36:41,510 --> 00:36:37,320

comes to Capitol Hill so explain to me

793

00:36:43,970 --> 00:36:41,520

the process that is involved here it I

794

00:36:46,130 --> 00:36:43,980

it's my understanding that this has to

795

00:36:50,030 --> 00:36:46,140

get done by December 31st the new

796

00:36:51,470 --> 00:36:50,040

Congress comes in in January right am I

797

00:36:53,210 --> 00:36:51,480

understanding yeah but they're they're

798

00:36:56,750 --> 00:36:53,220

they're they're doing they they've had

799

00:36:58,670 --> 00:36:56,760

continuing resolutions uh going uh all

800

00:37:00,230 --> 00:36:58,680

the way up until until this time but

801
00:37:02,030 --> 00:37:00,240
what's what's happening now is there's

802
00:37:04,849 --> 00:37:02,040
either going to be an attempt to in

803
00:37:06,710 --> 00:37:04,859
introduce a new continuing resolution to

804
00:37:08,990 --> 00:37:06,720
get over to jedia they get they get

805
00:37:10,730 --> 00:37:09,000
sworn in the first the I guess the 10th

806
00:37:13,250 --> 00:37:10,740
or something like that of January

807
00:37:14,270 --> 00:37:13,260
and this will be done by the 31st and so

808
00:37:15,770 --> 00:37:14,280
what they're going to do is they're

809
00:37:17,990 --> 00:37:15,780
going to try this brinksmanship is

810
00:37:20,390 --> 00:37:18,000
they're going to say okay we're we're

811
00:37:22,010 --> 00:37:20,400
going to try to blame the Democratic

812
00:37:24,650 --> 00:37:22,020
party for shutting down the government

813
00:37:27,349 --> 00:37:24,660

because the there's if there if there's

814

00:37:29,750 --> 00:37:27,359

no new federal budget approved by

815

00:37:34,210 --> 00:37:29,760

December 31st then technically on

816

00:37:41,030 --> 00:37:37,010

that's not going to happen I'm assuming

817

00:37:45,069 --> 00:37:41,040

that the ndaa is going to go through my

818

00:37:49,130 --> 00:37:45,079

concern is uh 120 days

819

00:37:51,230 --> 00:37:49,140

if we back up uh that report was

820

00:37:53,170 --> 00:37:51,240

supposed to be delivered on October 31st

821

00:37:56,750 --> 00:37:53,180

and nobody seems to really give a crap

822

00:38:00,349 --> 00:37:56,760

and the chatter coming out of Washington

823

00:38:02,930 --> 00:38:00,359

DC about UFOs and uaps was different six

824

00:38:05,810 --> 00:38:02,940

months ago and it seems to have simmered

825

00:38:08,390 --> 00:38:05,820

do you feel the same thing well it's

826

00:38:10,250 --> 00:38:08,400

it's interesting that uh that everybody

827

00:38:13,010 --> 00:38:10,260

everybody was sitting on the edge of

828

00:38:15,050 --> 00:38:13,020

their chair better you know fearing that

829

00:38:17,030 --> 00:38:15,060

the that what was going to happen in the

830

00:38:19,730 --> 00:38:17,040

election they thought that there was

831

00:38:22,609 --> 00:38:19,740

going to be a potential sweep on the

832

00:38:25,609 --> 00:38:22,619

part of Donald Trump recommended

833

00:38:28,010 --> 00:38:25,619

candidates who have an extraordinarily

834

00:38:30,349 --> 00:38:28,020

unique perspective on the federal

835

00:38:32,510 --> 00:38:30,359

government uh and that they believe that

836

00:38:34,970 --> 00:38:32,520

the federal government as the quote goes

837

00:38:36,470 --> 00:38:34,980

should be shrunk so the to the size of

838

00:38:38,630 --> 00:38:36,480

putting it in the tub so it can be

839

00:38:40,370 --> 00:38:38,640

drowned and they don't want the federal

840

00:38:42,589 --> 00:38:40,380

government doing anything they want the

841

00:38:45,349 --> 00:38:42,599

states to be in charge as the state's

842

00:38:48,109 --> 00:38:45,359

rights old states rights argument so

843

00:38:51,109 --> 00:38:48,119

people were extremely concerned that if

844

00:38:54,790 --> 00:38:51,119

in fact there was a great Red Wave on

845

00:38:57,710 --> 00:38:54,800

that that the Republican party took over

846

00:38:59,990 --> 00:38:57,720

uh in a massive way in the House of

847

00:39:02,569 --> 00:39:00,000

Representatives and also took control of

848

00:39:04,130 --> 00:39:02,579

the United States Senate uh and then

849

00:39:06,349 --> 00:39:04,140

Donald Trump was going to be coming out

850

00:39:07,609 --> 00:39:06,359

on the 15th of November and announced

851

00:39:09,710 --> 00:39:07,619

that he was going to be the candidate

852

00:39:11,150 --> 00:39:09,720

for the Republican party that there was

853

00:39:13,970 --> 00:39:11,160

going to be this Juggernaut that was

854

00:39:15,770 --> 00:39:13,980

going to take place uh and that all of

855

00:39:17,990 --> 00:39:15,780

this this activity on the part of the

856

00:39:20,150 --> 00:39:18,000

federal government which is this is all

857

00:39:21,470 --> 00:39:20,160

part of of course would end up getting

858

00:39:25,430 --> 00:39:21,480

pushed aside

859

00:39:28,190 --> 00:39:25,440

because it would be very little uh major

860

00:39:30,950 --> 00:39:28,200

uh progress made on the part of the

861

00:39:33,410 --> 00:39:30,960

federal government anywhere and so this

862

00:39:37,010 --> 00:39:33,420

this uh office that's getting set up now

863

00:39:39,710 --> 00:39:37,020

by the United States Congress is is a

864

00:39:41,810 --> 00:39:39,720

part of the federal government uh and so

865

00:39:45,290 --> 00:39:41,820

what's happened now is because the the

866

00:39:49,010 --> 00:39:45,300

house the house uh election came out to

867

00:39:50,870 --> 00:39:49,020

be comparatively close to a tie you know

868

00:39:52,130 --> 00:39:50,880

except that the House of Representatives

869

00:39:54,349 --> 00:39:52,140

is now under the control of the

870

00:39:57,710 --> 00:39:54,359

Republican party and what we have to see

871

00:39:59,930 --> 00:39:57,720

we have to see if uh if uh Kevin is

872

00:40:02,510 --> 00:39:59,940

getting set to be elected as the the

873

00:40:05,230 --> 00:40:02,520

majority leader of the house uh and

874

00:40:07,609 --> 00:40:05,240

we'll see whether or not the extreme

875

00:40:08,930 --> 00:40:07,619

elements of the Republican party and

876

00:40:11,150 --> 00:40:08,940

this is all just being completely

877

00:40:13,970 --> 00:40:11,160

objective that there's there are extreme

878

00:40:17,030 --> 00:40:13,980

elements in the Republican party uh and

879

00:40:20,510 --> 00:40:17,040

if they assert a lot of Leverage and try

880

00:40:21,950 --> 00:40:20,520

to to curtail the effectiveness of the

881

00:40:23,210 --> 00:40:21,960

functioning of the federal government

882

00:40:25,910 --> 00:40:23,220

itself

883

00:40:27,770 --> 00:40:25,920

that could conceivably have some adverse

884

00:40:30,829 --> 00:40:27,780

effect upon this because they will look

885

00:40:33,109 --> 00:40:30,839

at these budgets and they'll say look uh

886

00:40:35,690 --> 00:40:33,119

the we don't want the federal government

887

00:40:37,790 --> 00:40:35,700

to be engaged in any kind of expensive

888

00:40:40,250 --> 00:40:37,800

activities we don't want taxes to be

889

00:40:42,349 --> 00:40:40,260

imposed upon the wealthy people of the

890

00:40:44,150 --> 00:40:42,359

country or the major corporations and

891

00:40:47,690 --> 00:40:44,160

they've got this entire ideological

892

00:40:49,609 --> 00:40:47,700

agenda the the genius I think of of

893

00:40:50,810 --> 00:40:49,619

Chris melon and Lou and some of the

894

00:40:54,109 --> 00:40:50,820

other people have been working on the

895

00:40:57,170 --> 00:40:54,119

hill is they have very powerful elements

896

00:40:59,750 --> 00:40:57,180

within the Republican party as well as

897

00:41:02,870 --> 00:40:59,760

in the Democratic party who all support

898

00:41:05,089 --> 00:41:02,880

this being done because the Congress as

899

00:41:07,490 --> 00:41:05,099

a whole as an institution

900

00:41:10,310 --> 00:41:07,500

feels that it has been historically

901
00:41:12,589 --> 00:41:10,320
slighted and deceived by the executive

902
00:41:15,349 --> 00:41:12,599
branch and so therefore this is a

903
00:41:17,270 --> 00:41:15,359
constitutional struggle of A Sort that

904
00:41:20,150 --> 00:41:17,280
the the legislative branch of the

905
00:41:23,210 --> 00:41:20,160
government is moving forward to assert

906
00:41:27,010 --> 00:41:23,220
itself to get custody of this particular

907
00:41:29,810 --> 00:41:27,020
issue uh and the citizens as another

908
00:41:31,849 --> 00:41:29,820
Branch if you will of the government has

909
00:41:34,790 --> 00:41:31,859
to move forward in a similar way to

910
00:41:38,030 --> 00:41:34,800
assert ourselves in a sound responsible

911
00:41:40,010 --> 00:41:38,040
professional manner to insist that this

912
00:41:42,109 --> 00:41:40,020
job be done effectively because this is

913
00:41:44,890 --> 00:41:42,119

going to affect us our whole Human

914

00:41:47,690 --> 00:41:44,900

family for the next 10 000 years sure

915

00:41:50,030 --> 00:41:47,700

are we going to have another UFO hearing

916

00:41:52,550 --> 00:41:50,040

I I realize the last one was a

917

00:41:56,030 --> 00:41:52,560

subcommittee i there were some

918

00:41:57,650 --> 00:41:56,040

disappointment in it I I thought it was

919

00:41:59,690 --> 00:41:57,660

pretty good I didn't think it was great

920

00:42:01,810 --> 00:41:59,700

and nothing else it was better it was

921

00:42:04,430 --> 00:42:01,820

better than a sharp stick in the eye

922

00:42:08,510 --> 00:42:04,440

but the the bottom line is this I think

923

00:42:11,150 --> 00:42:08,520

to me is the that the the uh that the

924

00:42:13,730 --> 00:42:11,160

Congress is getting ready to step into

925

00:42:16,849 --> 00:42:13,740

this area is such an extraordinarily

926
00:42:19,370 --> 00:42:16,859
sensitive area that they don't quite yet

927
00:42:21,589 --> 00:42:19,380
know what all the information is you see

928
00:42:25,069 --> 00:42:21,599
this is extremely important they don't

929
00:42:27,170 --> 00:42:25,079
really know what it is that is known uh

930
00:42:30,230 --> 00:42:27,180
by these contractors and by the this

931
00:42:33,170 --> 00:42:30,240
this extremely uh rarified element

932
00:42:35,089 --> 00:42:33,180
inside the administrations of the

933
00:42:37,490 --> 00:42:35,099
executive branch that know about this

934
00:42:39,290 --> 00:42:37,500
subject in the the Congress people the

935
00:42:42,230 --> 00:42:39,300
key Congress people the gang of eight

936
00:42:44,510 --> 00:42:42,240
the main leaders want to know what's

937
00:42:45,589 --> 00:42:44,520
going on now that doesn't mean that

938
00:42:46,790 --> 00:42:45,599

they're going to rush right out and say

939

00:42:47,990 --> 00:42:46,800

here we're going to tell all the people

940

00:42:50,569 --> 00:42:48,000

because that isn't what they're doing

941

00:42:53,089 --> 00:42:50,579

they're part of this it's kind of elite

942

00:42:55,970 --> 00:42:53,099

club but they want to know what's going

943

00:42:58,250 --> 00:42:55,980

on so they can determine what if

944

00:43:00,230 --> 00:42:58,260

anything they think ought to be released

945

00:43:02,630 --> 00:43:00,240

to the American public and they're

946

00:43:04,670 --> 00:43:02,640

planning to release a lot more than has

947

00:43:06,230 --> 00:43:04,680

ever been released in the past that

948

00:43:08,510 --> 00:43:06,240

doesn't mean that they're going to give

949

00:43:10,490 --> 00:43:08,520

away the the Family Jewels you know

950

00:43:12,490 --> 00:43:10,500

they're going to say oh but but they've

951
00:43:16,309 --> 00:43:12,500
got right here in the bill

952
00:43:18,230 --> 00:43:16,319
mandating the the the the members of the

953
00:43:20,990 --> 00:43:18,240
committee the members of the office

954
00:43:22,670 --> 00:43:21,000
itself and therefore the the Secretary

955
00:43:25,370 --> 00:43:22,680
of Defense and the secret the Director

956
00:43:27,530 --> 00:43:25,380
of National Intelligence be informed as

957
00:43:28,670 --> 00:43:27,540
to whether or not we have in our

958
00:43:33,230 --> 00:43:28,680
possession

959
00:43:35,329 --> 00:43:33,240
any uh extraterrestrial vehicles have we

960
00:43:37,609 --> 00:43:35,339
captured any extraterrestrial vehicles

961
00:43:40,370 --> 00:43:37,619
have we had a program that was designed

962
00:43:41,569 --> 00:43:40,380
to capture these vehicles have we had a

963
00:43:44,809 --> 00:43:41,579

program that was attempting to

964

00:43:50,589 --> 00:43:44,819

reconstruct uh the the engineering of

965

00:43:56,210 --> 00:43:53,270

let's let's pump the brakes right there

966

00:43:58,430 --> 00:43:56,220

yeah what do we do with something like

967

00:44:01,130 --> 00:43:58,440

the Wilson Davis document which is now

968

00:44:05,210 --> 00:44:01,140

part of the Congressional Record right

969

00:44:07,670 --> 00:44:05,220

it's right there and uh with Oak Shannon

970

00:44:10,790 --> 00:44:07,680

coming forward uh Jack house notes and

971

00:44:14,990 --> 00:44:10,800

of course Oak Shannon's notes seemed to

972

00:44:17,870 --> 00:44:15,000

support and vet that memo or whatever

973

00:44:21,770 --> 00:44:17,880

you want a transcription as as being

974

00:44:23,510 --> 00:44:21,780

accurate and and Admiral Wilson saying I

975

00:44:26,950 --> 00:44:23,520

went out to Lockheed I think it was

976
00:44:30,530 --> 00:44:26,960
Lockheed yeah I'm sure it was lucky yes

977
00:44:32,630 --> 00:44:30,540
and they said it was aliens they said

978
00:44:36,349 --> 00:44:32,640
that they had a craft and they think it

979
00:44:40,190 --> 00:44:36,359
can fly that's where we are right well

980
00:44:43,730 --> 00:44:40,200
the the we we're not certain yeah Jimmy

981
00:44:45,650 --> 00:44:43,740
that but what we do know is that there

982
00:44:48,710 --> 00:44:45,660
is the best chance there has ever been

983
00:44:52,730 --> 00:44:48,720
and I believe it's it's well above a 51

984
00:44:54,290 --> 00:44:52,740
probability that the leadership uh of

985
00:44:55,849 --> 00:44:54,300
the Senate intelligence committee and

986
00:44:57,890 --> 00:44:55,859
house intelligence committee and the

987
00:45:00,890 --> 00:44:57,900
Senate defense uh

988
00:45:03,170 --> 00:45:00,900

uh Appropriations committees are going

989

00:45:05,510 --> 00:45:03,180

to find out we're going to find out for

990

00:45:07,550 --> 00:45:05,520

the first time uh some of the key

991

00:45:09,290 --> 00:45:07,560

information now I have no doubt they're

992

00:45:11,930 --> 00:45:09,300

going to withhold some there's there's a

993

00:45:14,690 --> 00:45:11,940

couple really strange Provisions uh in

994

00:45:17,150 --> 00:45:14,700

this in this act that that are are still

995

00:45:19,069 --> 00:45:17,160

Troublesome for example uh I'll read you

996

00:45:20,349 --> 00:45:19,079

one here it says

997

00:45:23,210 --> 00:45:20,359

um

998

00:45:26,170 --> 00:45:23,220

uh blah blah blah

999

00:45:31,630 --> 00:45:26,180

yeah it says the sharing of information

1000

00:45:35,569 --> 00:45:31,640

this is this is uh part part four of uh

1001
00:45:37,069 --> 00:45:35,579
uh section blah blah anyway this is it

1002
00:45:38,990 --> 00:45:37,079
says this it says

1003
00:45:40,910 --> 00:45:39,000
the system established under paragraph

1004
00:45:43,550 --> 00:45:40,920
one shall provide for the immediate

1005
00:45:45,829 --> 00:45:43,560
sharing with the office personnel

1006
00:45:49,010 --> 00:45:45,839
and supporting analysis and scientists

1007
00:45:51,109 --> 00:45:49,020
information previously prohibited from

1008
00:45:53,270 --> 00:45:51,119
being reported under any non-disclosure

1009
00:45:56,390 --> 00:45:53,280
written or oral agreement are other

1010
00:45:58,849 --> 00:45:56,400
instrumentality except and this is what

1011
00:46:00,589 --> 00:45:58,859
I'm pointing out except in cases where

1012
00:46:02,690 --> 00:46:00,599
the cleared government Personnel

1013
00:46:04,910 --> 00:46:02,700

administering such a system conclude

1014

00:46:07,329 --> 00:46:04,920

that the preponderance of information

1015

00:46:10,790 --> 00:46:07,339

available regarding the reporting

1016

00:46:13,609 --> 00:46:10,800

indicates that the observed object and

1017

00:46:16,930 --> 00:46:13,619

Associated events and activities likely

1018

00:46:19,970 --> 00:46:16,940

relate to a special access program or

1019

00:46:22,250 --> 00:46:19,980

compartmentalized access program then as

1020

00:46:25,130 --> 00:46:22,260

of the date of the reporting has been

1021

00:46:27,650 --> 00:46:25,140

explicitly and clearly reported to

1022

00:46:29,750 --> 00:46:27,660

Congressional defense committees so they

1023

00:46:31,370 --> 00:46:29,760

can't do it in secret but that they've

1024

00:46:32,750 --> 00:46:31,380

they've got this other thing where they

1025

00:46:35,349 --> 00:46:32,760

where they say

1026

00:46:40,069 --> 00:46:35,359

that they're allowed to withhold

1027

00:46:43,970 --> 00:46:40,079

information which is uh which is a a

1028

00:46:45,950 --> 00:46:43,980

very a very peculiar provision in here

1029

00:46:48,710 --> 00:46:45,960

you see it's over it's over in this

1030

00:46:51,050 --> 00:46:48,720

other copy of the bill here thank you

1031

00:46:53,930 --> 00:46:51,060

while you're looking for that my my

1032

00:46:56,569 --> 00:46:53,940

other uh question is this is exactly

1033

00:47:01,630 --> 00:46:56,579

what Admiral Wilson was complaining

1034

00:47:05,210 --> 00:47:01,640

about that he now understood understood

1035

00:47:08,089 --> 00:47:05,220

that there was secrecy above where he

1036

00:47:10,490 --> 00:47:08,099

was oh yes day two yes the Joint Chiefs

1037

00:47:13,750 --> 00:47:10,500

yeah uh when it involves special access

1038

00:47:17,870 --> 00:47:13,760

programs and in any private Corporation

1039

00:47:21,950 --> 00:47:17,880

out there doesn't have to answer to to

1040

00:47:24,010 --> 00:47:21,960

anybody no he he did but what they've

1041

00:47:27,829 --> 00:47:24,020

done is they've said they've set up a

1042

00:47:31,010 --> 00:47:27,839

peculiar exception here uh here it is

1043

00:47:33,050 --> 00:47:31,020

it's called instances in which the data

1044

00:47:36,530 --> 00:47:33,060

is not to be shared

1045

00:47:38,210 --> 00:47:36,540

it says for each briefing period the

1046

00:47:40,130 --> 00:47:38,220

director of The Office shall jointly

1047

00:47:42,710 --> 00:47:40,140

provide you the chairman

1048

00:47:44,210 --> 00:47:42,720

or the chair in the ranking member and

1049

00:47:45,890 --> 00:47:44,220

vice chairman of the Congressional

1050

00:47:49,250 --> 00:47:45,900

committee specified

1051

00:47:52,670 --> 00:47:49,260

uh an enumeration of the of any

1052

00:47:55,190 --> 00:47:52,680

instances in which data relating to an

1053

00:47:57,890 --> 00:47:55,200

unidentified Aerospace or undersea

1054

00:48:00,950 --> 00:47:57,900

phenomena was not provided to the office

1055

00:48:02,329 --> 00:48:00,960

because of some special classification

1056

00:48:06,410 --> 00:48:02,339

restriction

1057

00:48:09,530 --> 00:48:06,420

on that data or for any other reason

1058

00:48:11,510 --> 00:48:09,540

well what does that mean what it means

1059

00:48:14,390 --> 00:48:11,520

is that they've got a loophole here in

1060

00:48:16,430 --> 00:48:14,400

the bill that says that that they can

1061

00:48:17,450 --> 00:48:16,440

get away with just reporting to the

1062

00:48:23,210 --> 00:48:17,460

chairman

1063

00:48:24,470 --> 00:48:23,220

of information which they think are way

1064

00:48:26,870 --> 00:48:24,480

too sensitive

1065

00:48:29,809 --> 00:48:26,880

to report even to the office

1066

00:48:31,970 --> 00:48:29,819

itself so that they there there can be

1067

00:48:34,849 --> 00:48:31,980

information given to the actual the

1068

00:48:36,589 --> 00:48:34,859

actual uh director of The Office uh can

1069

00:48:37,910 --> 00:48:36,599

give the information to the chairman and

1070

00:48:38,870 --> 00:48:37,920

the vice chairman of the Senate

1071

00:48:40,730 --> 00:48:38,880

intelligence committee and

1072

00:48:43,309 --> 00:48:40,740

Appropriations Committee but not to

1073

00:48:45,170 --> 00:48:43,319

anybody else uh and so that they've

1074

00:48:47,809 --> 00:48:45,180

still got they've still got this you

1075

00:48:50,150 --> 00:48:47,819

know this uh you know hide the hide the

1076

00:48:51,770 --> 00:48:50,160

balloon here going on a little bit uh

1077

00:48:54,770 --> 00:48:51,780

and so these are these are some of the

1078

00:48:57,589 --> 00:48:54,780

things that we need to look at uh to to

1079

00:48:59,990 --> 00:48:57,599

critique about the bill uh that is still

1080

00:49:02,089 --> 00:49:00,000

there now but the fact of the matter is

1081

00:49:05,170 --> 00:49:02,099

you know and this is no surprise to any

1082

00:49:09,250 --> 00:49:05,180

of us is that there this particular area

1083

00:49:11,890 --> 00:49:09,260

still has a a domain

1084

00:49:15,770 --> 00:49:11,900

which virtually

1085

00:49:19,130 --> 00:49:15,780

99.9 of everybody that our government

1086

00:49:20,210 --> 00:49:19,140

employees believe May well need to be

1087

00:49:23,450 --> 00:49:20,220

concealed

1088

00:49:25,730 --> 00:49:23,460

okay uh now as what all that is and that

1089

00:49:28,069 --> 00:49:25,740

is for example if there there's an

1090

00:49:29,809 --> 00:49:28,079

extraterrestrial civilization uh and

1091

00:49:30,890 --> 00:49:29,819

that I don't even want to speculate

1092

00:49:32,270 --> 00:49:30,900

about that because people are going to

1093

00:49:34,910 --> 00:49:32,280

think that we know something we don't

1094

00:49:37,370 --> 00:49:34,920

know but but what I'm saying is there's

1095

00:49:38,990 --> 00:49:37,380

still this this caveat in here where

1096

00:49:41,569 --> 00:49:39,000

they're they're allowed to conceal the

1097

00:49:44,569 --> 00:49:41,579

information but have to give it to the

1098

00:49:48,470 --> 00:49:44,579

chairman and the vice chairman okay but

1099

00:49:51,589 --> 00:49:48,480

that's all who that is very uh that's

1100

00:49:55,150 --> 00:49:51,599

very clever wording and the reason why I

1101
00:49:58,370 --> 00:49:55,160
say that it sounds to me that they know

1102
00:49:59,530 --> 00:49:58,380
whoever's writing uh these Provisions

1103
00:50:03,829 --> 00:49:59,540
into this

1104
00:50:06,349 --> 00:50:03,839
knows about uh the E.T phenomenon knows

1105
00:50:08,569 --> 00:50:06,359
about capture craft knows about the saps

1106
00:50:11,930 --> 00:50:08,579
and knows that the phenomenon is real

1107
00:50:15,470 --> 00:50:11,940
yes it is carefully crafted and worded

1108
00:50:17,450 --> 00:50:15,480
isn't it I I let's put it this way the

1109
00:50:20,030 --> 00:50:17,460
folks that I've talked to

1110
00:50:22,250 --> 00:50:20,040
clearly presume that it's true right

1111
00:50:24,530 --> 00:50:22,260
they don't they don't profess to

1112
00:50:27,349 --> 00:50:24,540
actually have first-hand information but

1113
00:50:29,750 --> 00:50:27,359

they they've talked to enough people who

1114

00:50:31,730 --> 00:50:29,760

are in a position to know that they're

1115

00:50:35,089 --> 00:50:31,740

convinced that it's true they're they're

1116

00:50:37,490 --> 00:50:35,099

convinced that that the the the UFO

1117

00:50:39,470 --> 00:50:37,500

phenomenon is real they're convinced

1118

00:50:40,849 --> 00:50:39,480

that it's almost certain that it's

1119

00:50:43,130 --> 00:50:40,859

extraterrestrial

1120

00:50:45,710 --> 00:50:43,140

there there are other you know extra

1121

00:50:48,349 --> 00:50:45,720

dimensional extra temporal possibilities

1122

00:50:50,809 --> 00:50:48,359

that are they're here but the the

1123

00:50:53,030 --> 00:50:50,819

substantial majority of them are are

1124

00:50:55,849 --> 00:50:53,040

functionally convinced that this is

1125

00:50:58,790 --> 00:50:55,859

extraterrestrial uh I know the church

1126
00:51:00,230 --> 00:50:58,800
the church uh people uh in the Catholic

1127
00:51:02,329 --> 00:51:00,240
church are convinced of the section of

1128
00:51:04,190 --> 00:51:02,339
terrestrial they know they know that

1129
00:51:05,870 --> 00:51:04,200
that there's a uh we're in an

1130
00:51:07,549 --> 00:51:05,880
extraordinarily important period of our

1131
00:51:09,950 --> 00:51:07,559
human history where we're getting set to

1132
00:51:12,890 --> 00:51:09,960
adjust to the fact that you know that

1133
00:51:15,010 --> 00:51:12,900
that uh that foreign Travelers have come

1134
00:51:19,130 --> 00:51:15,020
to our Shores

1135
00:51:22,790 --> 00:51:19,140
okay we'll Circle back to that Danny uh

1136
00:51:26,450 --> 00:51:22,800
but but back to these Provisions yes

1137
00:51:28,309 --> 00:51:26,460
um Admiral Wilson uh stated quite

1138
00:51:33,890 --> 00:51:28,319

clearly that

1139

00:51:36,710 --> 00:51:33,900

um not only uh was uh he not allowed

1140

00:51:39,589 --> 00:51:36,720

access but that he was told that there

1141

00:51:42,049 --> 00:51:39,599

was a bigot list which he was exposed to

1142

00:51:43,690 --> 00:51:42,059

and he's said that that bigot list

1143

00:51:46,549 --> 00:51:43,700

lacked

1144

00:51:49,430 --> 00:51:46,559

politicians yeah such attract members of

1145

00:51:52,130 --> 00:51:49,440

the military which would suggest to me

1146

00:51:54,890 --> 00:51:52,140

that those that are involved with

1147

00:51:57,410 --> 00:51:54,900

reverse engineering alien craft out here

1148

00:52:00,530 --> 00:51:57,420

in Palmdale California

1149

00:52:03,470 --> 00:52:00,540

um are not the Senate are not Congress

1150

00:52:06,609 --> 00:52:03,480

and are not the president of the United

1151
00:52:09,770 --> 00:52:08,390
and nobody in the House of

1152
00:52:13,130 --> 00:52:09,780
Representatives would know anything

1153
00:52:16,309 --> 00:52:13,140
about this no the the the but what's

1154
00:52:18,950 --> 00:52:16,319
happened is that there

1155
00:52:20,630 --> 00:52:18,960
understand what's what's happening here

1156
00:52:24,589 --> 00:52:20,640
are is the unique thing that happens

1157
00:52:26,990 --> 00:52:24,599
quite early you can see where where has

1158
00:52:29,569 --> 00:52:27,000
come out from under tight control

1159
00:52:30,890 --> 00:52:29,579
you know usually every every place in

1160
00:52:32,930 --> 00:52:30,900
the center hearing a house hearing is

1161
00:52:34,190 --> 00:52:32,940
totally choreographed everybody knows

1162
00:52:35,930 --> 00:52:34,200
who the witness is going to be everybody

1163
00:52:37,190 --> 00:52:35,940

knows what they're going to say you know

1164

00:52:38,930 --> 00:52:37,200

everybody knows what the rulings are

1165

00:52:40,790 --> 00:52:38,940

going to be and they've all uh

1166

00:52:42,349 --> 00:52:40,800

established some sort of a compromise

1167

00:52:44,150 --> 00:52:42,359

agreement before the whole thing starts

1168

00:52:45,230 --> 00:52:44,160

because they don't want things to get

1169

00:52:48,230 --> 00:52:45,240

out of control

1170

00:52:51,349 --> 00:52:48,240

and what's Happening Here is this issue

1171

00:52:53,450 --> 00:52:51,359

is still not entirely under control

1172

00:52:56,150 --> 00:52:53,460

that what's happened is for the from the

1173

00:52:58,130 --> 00:52:56,160

time that Lou and Chris uh went forward

1174

00:53:00,410 --> 00:52:58,140

and gave this to the New York Times and

1175

00:53:03,230 --> 00:53:00,420

the New York Times decided surprisingly

1176

00:53:05,510 --> 00:53:03,240

to publish it uh that this has not yet

1177

00:53:08,030 --> 00:53:05,520

come under control again and so what's

1178

00:53:11,450 --> 00:53:08,040

happening in part is the United States

1179

00:53:13,430 --> 00:53:11,460

Senate in house are attempting to get it

1180

00:53:16,250 --> 00:53:13,440

under control but they're trying to get

1181

00:53:18,770 --> 00:53:16,260

it under the control of the Congress

1182

00:53:21,530 --> 00:53:18,780

uh they they believe that the executive

1183

00:53:23,510 --> 00:53:21,540

branch functions at the behest of the

1184

00:53:26,390 --> 00:53:23,520

Congress you know and this is a long

1185

00:53:29,030 --> 00:53:26,400

constitutional debate about the the

1186

00:53:30,710 --> 00:53:29,040

equal power of the three branches of

1187

00:53:32,809 --> 00:53:30,720

government but the fact of the matter is

1188

00:53:34,490 --> 00:53:32,819

that from a from a basic point of view

1189

00:53:37,370 --> 00:53:34,500

the executive branch is supposed to

1190

00:53:38,870 --> 00:53:37,380

function to carry into execution the

1191

00:53:41,270 --> 00:53:38,880

laws and policies that are actually

1192

00:53:43,010 --> 00:53:41,280

formulated by the legislative branch and

1193

00:53:46,309 --> 00:53:43,020

the judicial branch just interprets them

1194

00:53:49,609 --> 00:53:46,319

and so therefore the the recapture of

1195

00:53:52,130 --> 00:53:49,619

control over this extraordinarily

1196

00:53:54,410 --> 00:53:52,140

important subject matter by the Congress

1197

00:53:56,510 --> 00:53:54,420

of the United States is what's in

1198

00:53:59,150 --> 00:53:56,520

process right now and if they can

1199

00:54:01,250 --> 00:53:59,160

succeed in getting control of this and

1200

00:54:04,010 --> 00:54:01,260

they they realize that they have to they

1201
00:54:07,490 --> 00:54:04,020
have to exercise extraordinary care here

1202
00:54:10,309 --> 00:54:07,500
because if they miscue and they release

1203
00:54:12,470 --> 00:54:10,319
any of this information uh that the

1204
00:54:15,109 --> 00:54:12,480
executive branch views to be a complete

1205
00:54:17,210 --> 00:54:15,119
third rail uh then the executive branch

1206
00:54:18,170 --> 00:54:17,220
is going to lock down on them uh and

1207
00:54:20,770 --> 00:54:18,180
they're going to refuse to really

1208
00:54:24,890 --> 00:54:20,780
cooperate with them de facto

1209
00:54:27,170 --> 00:54:24,900
but what does the going back to Admiral

1210
00:54:29,870 --> 00:54:27,180
Wilson again because his words were

1211
00:54:31,309 --> 00:54:29,880
pretty extraordinary in that document

1212
00:54:33,849 --> 00:54:31,319
um the executive branch doesn't know

1213
00:54:36,109 --> 00:54:33,859

anything either right it's

1214

00:54:41,329 --> 00:54:36,119

there's still elected officials that

1215

00:54:43,970 --> 00:54:41,339

come and go and the uh the saps and what

1216

00:54:46,309 --> 00:54:43,980

is going on out there if they if they

1217

00:54:49,010 --> 00:54:46,319

are in possession of a vehicle not

1218

00:54:52,069 --> 00:54:49,020

manufactured on planet Earth that's been

1219

00:54:55,210 --> 00:54:52,079

there for a long time throughout many

1220

00:54:58,609 --> 00:54:55,220

many administrations that's right

1221

00:55:01,609 --> 00:54:58,619

that's true and but but the but the

1222

00:55:04,430 --> 00:55:01,619

bottom line is is that there there are

1223

00:55:07,309 --> 00:55:04,440

some people that that come into

1224

00:55:09,589 --> 00:55:07,319

positions inside the military and even

1225

00:55:13,190 --> 00:55:09,599

some people come in positions inside the

1226

00:55:15,470 --> 00:55:13,200

legislature who are allowed access to

1227

00:55:17,770 --> 00:55:15,480

some of this information the problem is

1228

00:55:20,930 --> 00:55:17,780

it's not done in accordance with any

1229

00:55:22,490 --> 00:55:20,940

constitutional criteria right you know

1230

00:55:25,190 --> 00:55:22,500

it's a question of whether they can be

1231

00:55:28,190 --> 00:55:25,200

quote trusted you know are they are they

1232

00:55:30,890 --> 00:55:28,200

willing to be part of a secret Elite do

1233

00:55:33,710 --> 00:55:30,900

they have the right interest in mind uh

1234

00:55:36,230 --> 00:55:33,720

at all times which is not the bigot list

1235

00:55:38,870 --> 00:55:36,240

requires that's right that's exactly

1236

00:55:40,430 --> 00:55:38,880

right so it's a it's not dependent upon

1237

00:55:42,349 --> 00:55:40,440

necessarily you know exactly what

1238

00:55:43,790 --> 00:55:42,359

official office you hold or what

1239

00:55:46,130 --> 00:55:43,800

particular corporation you're working

1240

00:55:47,690 --> 00:55:46,140

with and this of course goes to a

1241

00:55:49,309 --> 00:55:47,700

completely different subject which we'll

1242

00:55:51,530 --> 00:55:49,319

just set aside for for today's

1243

00:55:53,450 --> 00:55:51,540

discussion which is this question of

1244

00:55:55,309 --> 00:55:53,460

some kind of a deeper government some

1245

00:55:58,549 --> 00:55:55,319

kind of a deep Shadow government some

1246

00:56:00,170 --> 00:55:58,559

kind of an elite uh aristocracy that

1247

00:56:02,210 --> 00:56:00,180

sort of is behind the scenes that kind

1248

00:56:04,970 --> 00:56:02,220

of pulls the strings on things that are

1249

00:56:07,490 --> 00:56:04,980

going on but but but setting that aside

1250

00:56:10,190 --> 00:56:07,500

the fact of the matter is that the the

1251

00:56:13,250 --> 00:56:10,200

people who are in the know there's not

1252

00:56:17,750 --> 00:56:13,260

any doubt whatsoever that there is some

1253

00:56:19,730 --> 00:56:17,760

group analogous to uh mj12 are analogous

1254

00:56:22,190 --> 00:56:19,740

to a group similar to the one that

1255

00:56:25,790 --> 00:56:22,200

president President Truman set up when

1256

00:56:27,890 --> 00:56:25,800

when Ed Lansdale the the G2 for the U.S

1257

00:56:29,690 --> 00:56:27,900

military intelligence in the Philippines

1258

00:56:32,450 --> 00:56:29,700

you know at the end of World War II

1259

00:56:35,809 --> 00:56:32,460

discovered you know 1.2 trillion dollars

1260

00:56:38,470 --> 00:56:35,819

of gold and silver in Jewels you know uh

1261

00:56:41,390 --> 00:56:38,480

hidden in the Philippines and they they

1262

00:56:43,190 --> 00:56:41,400

secreted it they they they went and told

1263

00:56:44,450 --> 00:56:43,200

Truman about it and he took it

1264

00:56:46,130 --> 00:56:44,460

completely out of the hands of the

1265

00:56:47,390 --> 00:56:46,140

government didn't tell the Congress

1266

00:56:48,950 --> 00:56:47,400

about it didn't tell any of the

1267

00:56:50,990 --> 00:56:48,960

executive branched people about it set

1268

00:56:53,390 --> 00:56:51,000

up a private trust fund the Anderson

1269

00:56:56,089 --> 00:56:53,400

trust which they then used secretly

1270

00:56:59,569 --> 00:56:56,099

covertly to help fund certain elements

1271

00:57:02,390 --> 00:56:59,579

around the world to try to neutralize uh

1272

00:57:04,130 --> 00:57:02,400

Russia and to put extreme reactionaries

1273

00:57:05,870 --> 00:57:04,140

into positions of power throughout the

1274

00:57:08,329 --> 00:57:05,880

world and it was an extraordinarily

1275

00:57:10,730 --> 00:57:08,339

secret program the Anderson trust but

1276

00:57:14,030 --> 00:57:10,740

this is something similar and that when

1277

00:57:15,410 --> 00:57:14,040

when this thing happened at Roswell uh

1278

00:57:17,450 --> 00:57:15,420

in the earlier thing that happened at

1279

00:57:20,750 --> 00:57:17,460

Aztec that that when when these happened

1280

00:57:23,210 --> 00:57:20,760

that Truman said look at this is is way

1281

00:57:25,250 --> 00:57:23,220

too sensitive for this to be put into

1282

00:57:27,349 --> 00:57:25,260

the hands of these kind of coming and

1283

00:57:28,970 --> 00:57:27,359

going Congress people and even coming

1284

00:57:31,430 --> 00:57:28,980

and going elected executive

1285

00:57:32,809 --> 00:57:31,440

Representatives we've got to have a

1286

00:57:34,910 --> 00:57:32,819

trusted men

1287

00:57:36,650 --> 00:57:34,920

who can be trusted with this kind of

1288

00:57:39,530 --> 00:57:36,660

information and to do the right thing

1289

00:57:41,210 --> 00:57:39,540

and so that uh that he he set up

1290

00:57:44,270 --> 00:57:41,220

something very similar to the Anderson

1291

00:57:47,329 --> 00:57:44,280

trust he set it up the like this thing

1292

00:57:50,690 --> 00:57:47,339

analogous to the mj-12 of an elite group

1293

00:57:53,150 --> 00:57:50,700

of people who are trusted people trusted

1294

00:57:55,250 --> 00:57:53,160

by The Establishment in in the in the

1295

00:57:57,829 --> 00:57:55,260

United States governing circles and that

1296

00:58:00,170 --> 00:57:57,839

this group has passed it on to their

1297

00:58:01,910 --> 00:58:00,180

progeny there we don't know exactly who

1298

00:58:03,829 --> 00:58:01,920

all the people are that are in this sort

1299

00:58:05,750 --> 00:58:03,839

of elite group that know about this but

1300

00:58:08,690 --> 00:58:05,760

we know that there is such a group and

1301

00:58:11,089 --> 00:58:08,700

we know that it functions well beyond uh

1302

00:58:13,609 --> 00:58:11,099

Admiral uh Wilson and it functions well

1303

00:58:17,170 --> 00:58:13,619

beyond the normal chain of command you

1304

00:58:19,910 --> 00:58:17,180

know it was a J2 he was the Jesus

1305

00:58:22,069 --> 00:58:19,920

that's right so that we know that but we

1306

00:58:24,650 --> 00:58:22,079

know that it exists so that this isn't

1307

00:58:26,990 --> 00:58:24,660

chaos I guess you can take some solace

1308

00:58:28,609 --> 00:58:27,000

in that this isn't just you know Anarchy

1309

00:58:30,410 --> 00:58:28,619

you know with just you know people

1310

00:58:32,750 --> 00:58:30,420

trying to get rich on it there's there's

1311

00:58:35,890 --> 00:58:32,760

some kind of an elite sophisticated

1312

00:58:38,870 --> 00:58:35,900

aided very intelligent

1313

00:58:42,710 --> 00:58:38,880

conceivably wise but completely

1314

00:58:45,770 --> 00:58:42,720

undemocratic group that is in charge of

1315

00:58:49,370 --> 00:58:45,780

this Congress wants to find out who they

1316

00:58:53,690 --> 00:58:49,380

are yeah before uh we head to a break is

1317

00:58:56,150 --> 00:58:53,700

this what uh Kennedy you know referred

1318

00:59:00,170 --> 00:58:56,160

to so elegantly you know secret group

1319

00:59:02,270 --> 00:59:00,180

secret handshakes well it's uh it's it's

1320

00:59:05,170 --> 00:59:02,280

interesting we have to be we have to be

1321

00:59:09,170 --> 00:59:05,180

careful about you know becoming too

1322

00:59:11,450 --> 00:59:09,180

theatrical about it uh but the but the

1323

00:59:14,089 --> 00:59:11,460

fact of the matter is that in almost

1324

00:59:16,670 --> 00:59:14,099

every single organization that anybody

1325

00:59:19,970 --> 00:59:16,680

has ever had anything to do with you

1326

00:59:22,190 --> 00:59:19,980

always realize that there is some tiny

1327

00:59:25,069 --> 00:59:22,200

group that really makes all the

1328

00:59:26,809 --> 00:59:25,079

decisions no matter how Democrats it's

1329

00:59:28,250 --> 00:59:26,819

like Democratic National Committee you

1330

00:59:30,109 --> 00:59:28,260

know there's some group that really

1331

00:59:32,390 --> 00:59:30,119

decides who the next candidate is going

1332

00:59:34,789 --> 00:59:32,400

to be you know there it's always that

1333

00:59:36,530 --> 00:59:34,799

way uh in the the people who think

1334

00:59:38,450 --> 00:59:36,540

they're smarter than everybody else and

1335

00:59:41,030 --> 00:59:38,460

harder working than everybody else you

1336

00:59:44,750 --> 00:59:41,040

know and and may or may not be more

1337

00:59:47,030 --> 00:59:44,760

responsible uh than other people truly

1338

00:59:49,069 --> 00:59:47,040

believe that they're entitled uh and in

1339

00:59:52,010 --> 00:59:49,079

fact responsible for for making these

1340

00:59:54,530 --> 00:59:52,020

kind of decisions uh and that they don't

1341

00:59:56,089 --> 00:59:54,540

trust these come again go again Congress

1342

00:59:58,250 --> 00:59:56,099

people that'll say anything do anything

1343

01:00:00,950 --> 00:59:58,260

to get elected you know who compromise

1344

01:00:03,470 --> 01:00:00,960

their their integrity Etc uh and that

1345

01:00:04,670 --> 01:00:03,480

there's it's not without some you know

1346

01:00:08,030 --> 01:00:04,680

this is a little risky to say but not

1347

01:00:10,190 --> 01:00:08,040

without some support for that you know

1348

01:00:12,710 --> 01:00:10,200

the the so that this is so such an

1349

01:00:14,329 --> 01:00:12,720

astonishingly important issue governing

1350

01:00:16,549 --> 01:00:14,339

the entire future history of our human

1351

01:00:18,950 --> 01:00:16,559

family that people want to take

1352

01:00:22,010 --> 01:00:18,960

extraordinary care about what's going to

1353

01:00:25,630 --> 01:00:22,020

be decided here uh now the problem is is

1354

01:00:28,490 --> 01:00:25,640

that they do not trust the people

1355

01:00:31,490 --> 01:00:28,500

democratically they do the the elite

1356

01:00:33,950 --> 01:00:31,500

people who are involved in governing and

1357

01:00:37,670 --> 01:00:33,960

making decisions in in our country do

1358

01:00:40,130 --> 01:00:37,680

not trust the regular people uh and it's

1359

01:00:42,349 --> 01:00:40,140

it's there's some demonstrations as to

1360

01:00:43,670 --> 01:00:42,359

why a lot of people can't be trusted you

1361

01:00:45,049 --> 01:00:43,680

know I mean if the people are going to

1362

01:00:48,170 --> 01:00:45,059

get in the street with pitchforks and

1363

01:00:49,549 --> 01:00:48,180

and you know uh in torches and burn your

1364

01:00:51,770 --> 01:00:49,559

place down if you don't do what they

1365

01:00:53,990 --> 01:00:51,780

tell you you know you got to be you got

1366

01:00:55,609 --> 01:00:54,000

to be circumspect about this and so that

1367

01:00:58,069 --> 01:00:55,619

this this thing that's going on right

1368

01:01:01,549 --> 01:00:58,079

now is that we finally come to the spa

1369

01:01:05,170 --> 01:01:01,559

after you know 50 years of my working in

1370

01:01:08,630 --> 01:01:05,180

in this area where where really really

1371

01:01:10,250 --> 01:01:08,640

long-term important decisions are in the

1372

01:01:11,690 --> 01:01:10,260

process of getting made they're

1373

01:01:14,569 --> 01:01:11,700

different decisions that have been

1374

01:01:16,250 --> 01:01:14,579

functioning for the last 75 years that's

1375

01:01:17,809 --> 01:01:16,260

clear there's going to be some different

1376

01:01:19,490 --> 01:01:17,819

set of decisions that are made here

1377

01:01:21,289 --> 01:01:19,500

about who's going to find out about this

1378

01:01:23,390 --> 01:01:21,299

and what's going to be done about this

1379

01:01:25,910 --> 01:01:23,400

and that the people in the Congress are

1380

01:01:28,789 --> 01:01:25,920

going to be responsible for this and and

1381

01:01:30,910 --> 01:01:28,799

so as of right now you still you still

1382

01:01:33,710 --> 01:01:30,920

see that the this committee remember

1383

01:01:35,030 --> 01:01:33,720

Congress is tipping its hat over to the

1384

01:01:37,970 --> 01:01:35,040

executive branch here they're saying

1385

01:01:39,710 --> 01:01:37,980

look you as the Secretary of Defense

1386

01:01:42,170 --> 01:01:39,720

and you as the Director of National

1387

01:01:43,549 --> 01:01:42,180

Security intelligence you pick the

1388

01:01:52,910 --> 01:01:43,559

director

1389

01:01:56,270 --> 01:01:52,920

brief us has to give reports to Congress

1390

01:01:58,789 --> 01:01:56,280

so that we know what's going on but they

1391

01:02:01,910 --> 01:01:58,799

still haven't asserted the power

1392

01:02:03,650 --> 01:02:01,920

uh the this this group is going to be

1393

01:02:04,609 --> 01:02:03,660

setting up the guidelines this group is

1394

01:02:06,650 --> 01:02:04,619

going to be gathering the information

1395

01:02:08,990 --> 01:02:06,660

this group is going to be cataloging the

1396

01:02:11,510 --> 01:02:09,000

information Congress is just demanding

1397

01:02:14,390 --> 01:02:11,520

that it be reported to right now they

1398

01:02:16,910 --> 01:02:14,400

have not yet taken into their hands the

1399

01:02:19,910 --> 01:02:16,920

authority to make these ultimate

1400

01:02:23,089 --> 01:02:19,920

decisions which they are

1401

01:02:24,170 --> 01:02:23,099

constitutionally uh obliged to do but

1402

01:02:25,970 --> 01:02:24,180

they haven't they haven't made that

1403

01:02:27,770 --> 01:02:25,980

decision yet they're trying to find out

1404

01:02:28,970 --> 01:02:27,780

what the facts are and then they're

1405

01:02:31,130 --> 01:02:28,980

going to decide what they're going to do

1406

01:02:33,650 --> 01:02:31,140

but that's the moment we find ourselves

1407

01:02:35,630 --> 01:02:33,660

in Jimmy let's uh take our break right

1408

01:02:38,089 --> 01:02:35,640

here our guest tonight the one and only

1409

01:02:40,789 --> 01:02:38,099

Danny Sheehan we're going to take a

1410

01:02:43,010 --> 01:02:40,799

quick break this is Fade to Black stay

1411

01:02:45,170 --> 01:02:43,020

with us this is Jimmy Church of Fade to

1412

01:02:47,630 --> 01:02:45,180

Black please visit all of our sponsors

1413

01:02:49,490 --> 01:02:47,640

we're taking a quick break here all of

1414

01:02:52,609 --> 01:02:49,500

the links are below

1415

01:02:54,890 --> 01:02:52,619

and we'll be right back

1416

01:02:55,870 --> 01:02:54,900

check out Billy Carson's Forbidden

1417

01:02:57,970 --> 01:02:55,880

Knowledge

1418

01:02:59,990 --> 01:02:57,980

forbiddenknowledge.com or

1419

01:03:03,890 --> 01:03:00,000

forbiddenknowledge.tv where you can get

1420

01:03:06,410 --> 01:03:03,900

access to over 6 000 videos movies TV

1421

01:03:08,390 --> 01:03:06,420

series exclusive documentaries like the

1422

01:03:11,510 --> 01:03:08,400

Black Knight satellite you can do it all

1423

01:03:13,730 --> 01:03:11,520

for just seven dollars and 77 cents per

1424

01:03:16,309 --> 01:03:13,740

month or seventy seven dollars per year

1425

01:03:18,109 --> 01:03:16,319

after the three-day trial which is also

1426

01:03:20,809 --> 01:03:18,119

totally free to check out it's all

1427

01:03:22,510 --> 01:03:20,819

simple to do Billy Carson is the best

1428

01:03:24,849 --> 01:03:22,520

it's simple

1429

01:03:27,170 --> 01:03:24,859

forbiddenknowledge.com or

1430

01:03:31,130 --> 01:03:27,180

forbiddenknowledge.tv that's the number

1431

01:03:35,510 --> 01:03:33,170

I will be hosting an emceeing the

1432

01:03:38,089 --> 01:03:35,520

conscious life Expo this February 10th

1433

01:03:41,030 --> 01:03:38,099

through the 13th at The Lax Hilton right

1434

01:03:43,190 --> 01:03:41,040

here in Los Angeles California 200

1435

01:03:45,230 --> 01:03:43,200

speakers including Linda Moulton Howe

1436

01:03:47,870 --> 01:03:45,240

Bashar Deborah King George Nori Daniel

1437

01:03:51,710 --> 01:03:47,880

Sheehan Scout Walter Johnstone and David

1438

01:03:55,789 --> 01:03:51,720

wolf over 200 vendors special events

1439

01:03:58,130 --> 01:03:55,799

this is the biggest event of its kind on

1440

01:04:00,609 --> 01:03:58,140

planet Earth you've got to come and hang

1441

01:04:02,569 --> 01:04:00,619

out with all of us tickets and info at

1442

01:04:04,130 --> 01:04:02,579

consciouslifeexpo.com the links are

1443

01:04:07,370 --> 01:04:04,140

below

1444

01:04:10,549 --> 01:04:07,380

on Saturday April 1st that's right April

1445

01:04:12,710 --> 01:04:10,559

Fool's Day 2023 I will be hosting the

1446

01:04:16,190 --> 01:04:12,720

peripod festival at the Hyatt Regency

1447

01:04:18,710 --> 01:04:16,200

right here in Valencia California it's a

1448

01:04:21,710 --> 01:04:18,720

live one-day podcast Awards it's a film

1449

01:04:23,809 --> 01:04:21,720

festival it's a full-on media event

1450

01:04:25,609 --> 01:04:23,819

we're going to have Sky watching there's

1451

01:04:28,430 --> 01:04:25,619

going to be a Lifetime Achievement Award

1452

01:04:30,410 --> 01:04:28,440

presented to Linda Moulton Howe right

1453

01:04:32,450 --> 01:04:30,420

now you can submit your podcast to your

1454

01:04:35,210 --> 01:04:32,460

film your TV series any of your

1455

01:04:37,130 --> 01:04:35,220

paranormal media for consideration you

1456

01:04:40,329 --> 01:04:37,140

can do all of that on the links below

1457

01:04:42,230 --> 01:04:40,339

for info and tickets go to

1458

01:04:45,309 --> 01:04:42,240

parapodfilmfest.com that's

1459

01:04:50,990 --> 01:04:49,370

April 7th through the 14th 2023 I'll be

1460

01:04:53,930 --> 01:04:51,000

hosting and presenting on the hidden

1461

01:04:56,569 --> 01:04:53,940

secrets seminar at Sea cruise from Los

1462

01:04:58,910 --> 01:04:56,579

Angeles to the Mexican Riviera I'm the

1463

01:05:01,490 --> 01:04:58,920

Navigator of the Seas that's right up

1464

01:05:03,170 --> 01:05:01,500

top a giant water slide you've got to

1465

01:05:05,089 --> 01:05:03,180

check out the Navigator of the Seas it's

1466

01:05:07,430 --> 01:05:05,099

amazing we've got Scott Walter Adam

1467

01:05:10,370 --> 01:05:07,440

Apollo Nick Pope Brad Olson Vivian

1468

01:05:12,650 --> 01:05:10,380

Chauvet Jason Shirka Robert Grant Reuben

1469

01:05:14,990 --> 01:05:12,660

Langdon and another 12 amazing speakers

1470

01:05:16,390 --> 01:05:15,000

and presenters it's all simple to do

1471

01:05:18,829 --> 01:05:16,400

just visit

1472

01:05:22,549 --> 01:05:18,839

divinetravels.com forward slash hidden

1473

01:05:24,770 --> 01:05:22,559

secrets 2023 you know you want to go on

1474

01:05:28,190 --> 01:05:24,780

a cruise with me

1475

01:05:31,010 --> 01:05:28,200

River Moon coffee makers of the Fade to

1476

01:05:32,829 --> 01:05:31,020

Black blend truly the best coffee on

1477

01:05:35,089 --> 01:05:32,839

planet Earth just visit

1478

01:05:36,950 --> 01:05:35,099

rivermoonwellness.com or or their Amazon

1479

01:05:38,390 --> 01:05:36,960

store it's all simple to do you can

1480

01:05:40,430 --> 01:05:38,400

check out the Fade to Black blend the

1481

01:05:43,130 --> 01:05:40,440

game changer Blend or any of their black

1482

01:05:46,849 --> 01:05:43,140

moon wellness products it's the only

1483

01:05:54,170 --> 01:05:46,859

coffee I drink it is the best and it's

1484

01:05:59,390 --> 01:05:56,930

all right Welcome Back Fade to Black I

1485

01:06:03,890 --> 01:05:59,400

am your host Jimmy church and our guest

1486

01:06:07,370 --> 01:06:03,900

tonight Danny Sheehan and uh what I want

1487

01:06:11,690 --> 01:06:07,380

to do uh for the second half of the show

1488

01:06:14,030 --> 01:06:11,700

Danny is uh I want to dive into uh some

1489

01:06:16,730 --> 01:06:14,040

other areas I'm I'm concerned about

1490

01:06:19,549 --> 01:06:16,740

Congress I'm I'm upset just like

1491

01:06:21,890 --> 01:06:19,559

everybody else is about the delay in uh

1492

01:06:25,250 --> 01:06:21,900

this UFO report and what the contents

1493

01:06:27,589 --> 01:06:25,260

are uh what has been investigated uh who

1494

01:06:30,589 --> 01:06:27,599

is coming forward how the investigations

1495

01:06:32,210 --> 01:06:30,599

are being handled and we've been kept in

1496

01:06:35,690 --> 01:06:32,220

the dark and we we're not going to know

1497

01:06:38,750 --> 01:06:35,700

until the report is released uh both the

1498

01:06:41,390 --> 01:06:38,760

classified and the public version and

1499

01:06:44,390 --> 01:06:41,400

the other thing about this is

1500

01:06:46,549 --> 01:06:44,400

um normally stuff gets leaked

1501

01:06:49,670 --> 01:06:46,559

there there isn't any you know there's

1502

01:06:51,410 --> 01:06:49,680

political advantages right to to leak

1503

01:06:53,510 --> 01:06:51,420

information about this report and that

1504

01:06:55,670 --> 01:06:53,520

hasn't happened which says to me it

1505

01:06:56,930 --> 01:06:55,680

hasn't made its way to Capitol Hill at

1506

01:06:59,930 --> 01:06:56,940

all

1507

01:07:01,910 --> 01:06:59,940

um and and and nobody knows nothing at

1508

01:07:03,829 --> 01:07:01,920

this point no there's nothing there

1509

01:07:05,390 --> 01:07:03,839

there's no nothing there you know say

1510

01:07:08,390 --> 01:07:05,400

there was no staff to do the report

1511

01:07:10,609 --> 01:07:08,400

there was no genuine leadership uh by

1512

01:07:12,170 --> 01:07:10,619

Scott to do anything about it you know

1513

01:07:14,150 --> 01:07:12,180

that they all knew that this other

1514

01:07:15,950 --> 01:07:14,160

regime was going to be coming into place

1515

01:07:18,230 --> 01:07:15,960

now and so that they've all been

1516

01:07:19,970 --> 01:07:18,240

basically just Treading Water uh waiting

1517

01:07:22,670 --> 01:07:19,980

for the decisions to get made here

1518

01:07:25,130 --> 01:07:22,680

because they're they're waiting to see

1519

01:07:27,710 --> 01:07:25,140

how courageous Congress is really going

1520

01:07:29,990 --> 01:07:27,720

to be in in getting this office set up

1521

01:07:31,970 --> 01:07:30,000

how aggressive are they going to be how

1522

01:07:34,490 --> 01:07:31,980

how insistent are they going to be that

1523

01:07:37,670 --> 01:07:34,500

that the compliance actually takes place

1524

01:07:39,770 --> 01:07:37,680

here uh and so that that this is this

1525

01:07:42,829 --> 01:07:39,780

has been such an incredibly hot potato

1526

01:07:45,109 --> 01:07:42,839

for the last 75 years that with this

1527

01:07:47,450 --> 01:07:45,119

move that's being made by August now to

1528

01:07:51,049 --> 01:07:47,460

move into a position of taking control

1529

01:07:54,289 --> 01:07:51,059

over this particular issue in sharing

1530

01:07:56,650 --> 01:07:54,299

some very important degree of Power with

1531

01:07:59,210 --> 01:07:56,660

the executive branch in this area

1532

01:08:01,549 --> 01:07:59,220

this everybody's standing back waiting

1533

01:08:04,549 --> 01:08:01,559

to see how this thing is going to settle

1534

01:08:07,250 --> 01:08:04,559

and it and so that that on the one hand

1535

01:08:09,650 --> 01:08:07,260

there's a lot of inside baseball that

1536

01:08:11,210 --> 01:08:09,660

has to be addressed you know who struck

1537

01:08:13,549 --> 01:08:11,220

John who's going to be working on this

1538

01:08:15,650 --> 01:08:13,559

who's going to be hired Etc

1539

01:08:18,229 --> 01:08:15,660

those are all extremely important but

1540

01:08:20,329 --> 01:08:18,239

what for for example when when I sit

1541

01:08:22,370 --> 01:08:20,339

down to meet with the inspector generals

1542

01:08:24,229 --> 01:08:22,380

with Lou Elizondo and others you know

1543

01:08:25,669 --> 01:08:24,239

and this is the dni now this is the

1544

01:08:27,590 --> 01:08:25,679

defense the Director of National

1545

01:08:29,450 --> 01:08:27,600

Intelligence this is the intelligence

1546

01:08:31,490 --> 01:08:29,460

Community Inspector General that we're

1547

01:08:34,130 --> 01:08:31,500

going to meet with now and what we're

1548

01:08:35,630 --> 01:08:34,140

saying is look you know when are when

1549

01:08:38,090 --> 01:08:35,640

are you going to meet with them December

1550

01:08:40,610 --> 01:08:38,100

8th December 8th 9 30 in the morning

1551

01:08:43,010 --> 01:08:40,620

December 8th yeah in about a week yeah

1552

01:08:45,050 --> 01:08:43,020

that's right that's right so as we're

1553

01:08:47,450 --> 01:08:45,060

saying look at the the reality is that

1554

01:08:49,309 --> 01:08:47,460

we all know that that nothing is

1555

01:08:51,110 --> 01:08:49,319

happening right now that everybody's

1556

01:08:53,329 --> 01:08:51,120

treading water here waiting for this

1557

01:08:55,309 --> 01:08:53,339

waiting for this to get approved and for

1558

01:08:57,890 --> 01:08:55,319

this office to be set up and see you

1559

01:08:59,689 --> 01:08:57,900

know what kind of how forward-leaning is

1560

01:09:01,970 --> 01:08:59,699

the people are going to be and picking a

1561

01:09:04,010 --> 01:09:01,980

really meaningful director that's really

1562

01:09:05,990 --> 01:09:04,020

going to get to the bottom of this stuff

1563

01:09:08,269 --> 01:09:06,000

how are the political compromise is

1564

01:09:10,970 --> 01:09:08,279

going to be struck you know so so that

1565

01:09:12,890 --> 01:09:10,980

nobody loses their job or steps on a

1566

01:09:14,269 --> 01:09:12,900

land mine here somewhere we know that

1567

01:09:16,070 --> 01:09:14,279

all that's going to be going on but what

1568

01:09:20,090 --> 01:09:16,080

I'm saying to them is look you need to

1569

01:09:23,510 --> 01:09:20,100

understand that this is probably the

1570

01:09:25,550 --> 01:09:23,520

most important single subject that is

1571

01:09:27,769 --> 01:09:25,560

going on in the entire Human family

1572

01:09:30,650 --> 01:09:27,779

right now you know because to say this

1573

01:09:32,630 --> 01:09:30,660

this is going to control our

1574

01:09:35,150 --> 01:09:32,640

relationship for the next 10 000 years

1575

01:09:37,610 --> 01:09:35,160

uh with an extraterrestrial civilization

1576

01:09:39,709 --> 01:09:37,620

so that this we have to we have to be

1577

01:09:42,410 --> 01:09:39,719

extraordinarily mindful of what it is

1578

01:09:44,630 --> 01:09:42,420

that we're we're doing at this point and

1579

01:09:46,370 --> 01:09:44,640

yet there are discussions that are not

1580

01:09:49,010 --> 01:09:46,380

taking place even though in the bill

1581

01:09:51,769 --> 01:09:49,020

it's really interesting one of the tasks

1582

01:09:55,010 --> 01:09:51,779

that they're assigned to undertake is to

1583

01:09:57,229 --> 01:09:55,020

ascertain the origins

1584

01:09:59,510 --> 01:09:57,239

of the UFOs

1585

01:10:02,689 --> 01:09:59,520

and the intention

1586

01:10:05,390 --> 01:10:02,699

of the intelligence behind the UFOs and

1587

01:10:08,810 --> 01:10:05,400

it says that and so that so that this

1588

01:10:12,050 --> 01:10:08,820

this uh this more metaphysical or

1589

01:10:14,750 --> 01:10:12,060

philosophical Dimension actually exists

1590

01:10:17,030 --> 01:10:14,760

here but the problem is that there's

1591

01:10:19,310 --> 01:10:17,040

going to be a great tendency to focus on

1592

01:10:21,770 --> 01:10:19,320

the nuts and bolts the technology of it

1593

01:10:23,270 --> 01:10:21,780

all of is it a military threat you know

1594

01:10:26,149 --> 01:10:23,280

are they doing surveillance against our

1595

01:10:28,610 --> 01:10:26,159

nuclear facilities Etc but but the fact

1596

01:10:30,709 --> 01:10:28,620

of the matter is that there's a there's

1597

01:10:33,169 --> 01:10:30,719

a whole other discussion that needs to

1598

01:10:35,030 --> 01:10:33,179

be taking place right now uh and that

1599

01:10:37,970 --> 01:10:35,040

this is the discussion that you know

1600

01:10:40,850 --> 01:10:37,980

that was was called for actually

1601
01:10:43,689 --> 01:10:40,860
officially by the Vatican you know back

1602
01:10:47,090 --> 01:10:43,699
in 2009 in November when they said

1603
01:10:49,430 --> 01:10:47,100
they've said look the the uh the James

1604
01:10:52,010 --> 01:10:49,440
Webb Telescope is up now it's

1605
01:10:54,350 --> 01:10:52,020
functioning now it's it's shocking

1606
01:10:56,270 --> 01:10:54,360
everybody with the extraordinary data

1607
01:10:58,490 --> 01:10:56,280
that it's Gathering and they're they're

1608
01:11:01,430 --> 01:10:58,500
totally convinced that they're now

1609
01:11:04,550 --> 01:11:01,440
starting to discover the initial signs

1610
01:11:07,189 --> 01:11:04,560
of life elsewhere in the universe and so

1611
01:11:09,229 --> 01:11:07,199
that this moment that we're at is not

1612
01:11:11,990 --> 01:11:09,239
just coming to grips with the UAP

1613
01:11:15,110 --> 01:11:12,000

phenomenon as as crucial as that is

1614

01:11:19,189 --> 01:11:15,120

about coming to grips with the reality

1615

01:11:22,490 --> 01:11:19,199

that our human species is not in fact at

1616

01:11:24,070 --> 01:11:22,500

the Apex of all biological evolution in

1617

01:11:27,410 --> 01:11:24,080

the universe

1618

01:11:30,050 --> 01:11:27,420

we're far short of that that's right but

1619

01:11:31,970 --> 01:11:30,060

but the point is that that while we for

1620

01:11:33,890 --> 01:11:31,980

thousands of years knew that we were far

1621

01:11:35,350 --> 01:11:33,900

short of perfection we didn't really

1622

01:11:37,370 --> 01:11:35,360

know that there was any other

1623

01:11:40,010 --> 01:11:37,380

intelligent life anywhere in the

1624

01:11:43,370 --> 01:11:40,020

universe and that we therefore had

1625

01:11:45,950 --> 01:11:43,380

hypothesized these angels and in spirits

1626

01:11:47,930 --> 01:11:45,960

and all kinds of other things but we

1627

01:11:49,910 --> 01:11:47,940

didn't we didn't actually come to grips

1628

01:11:51,890 --> 01:11:49,920

in any kind of functional way with the

1629

01:11:55,310 --> 01:11:51,900

existence of an actual extraterrestrial

1630

01:11:56,930 --> 01:11:55,320

civilization of other beings and so what

1631

01:11:59,930 --> 01:11:56,940

what the church has said in that

1632

01:12:02,090 --> 01:11:59,940

November 2009 statement official

1633

01:12:03,830 --> 01:12:02,100

statement from the Vatican following a

1634

01:12:05,990 --> 01:12:03,840

long series of meetings with scientists

1635

01:12:10,010 --> 01:12:06,000

and astrobiologists and others and they

1636

01:12:13,430 --> 01:12:10,020

said look they said look in light of the

1637

01:12:15,229 --> 01:12:13,440

the uh the discovery of more and more of

1638

01:12:17,270 --> 01:12:15,239

these new exoplanets

1639

01:12:20,090 --> 01:12:17,280

in light of the launching of these

1640

01:12:22,490 --> 01:12:20,100

space-based telescopes now that it's

1641

01:12:24,530 --> 01:12:22,500

very clear that much sooner that had

1642

01:12:26,990 --> 01:12:24,540

been previously anticipated

1643

01:12:29,450 --> 01:12:27,000

we are going to discover ex life

1644

01:12:31,970 --> 01:12:29,460

elsewhere in the universe and therefore

1645

01:12:33,709 --> 01:12:31,980

the time has arrived to have an

1646

01:12:35,810 --> 01:12:33,719

extraordinarily important conversation

1647

01:12:37,370 --> 01:12:35,820

among our human family of the

1648

01:12:39,169 --> 01:12:37,380

philosophical and Theological

1649

01:12:41,810 --> 01:12:39,179

implications

1650

01:12:44,270 --> 01:12:41,820

of what this means to us to discover

1651
01:12:45,830 --> 01:12:44,280
that we're not alone in the universe and

1652
01:12:47,930 --> 01:12:45,840
that we're not at the Apex of all

1653
01:12:49,970 --> 01:12:47,940
biological evolution what does this mean

1654
01:12:52,310 --> 01:12:49,980
for our human family what does this mean

1655
01:12:54,290 --> 01:12:52,320
about our sense of self-esteem what does

1656
01:12:56,750 --> 01:12:54,300
this mean for our relationship with

1657
01:12:59,390 --> 01:12:56,760
other civilizations that may be vastly

1658
01:13:02,030 --> 01:12:59,400
superior to ours economically you know

1659
01:13:04,430 --> 01:13:02,040
and even potentially spiritually what

1660
01:13:07,970 --> 01:13:04,440
what is what is the risk that is is

1661
01:13:11,689 --> 01:13:07,980
presented to us of of our failure of

1662
01:13:13,729 --> 01:13:11,699
nerve here uh as a as a species so so

1663
01:13:15,410 --> 01:13:13,739

these are are profoundly important

1664

01:13:18,950 --> 01:13:15,420

things that that really need to be

1665

01:13:21,410 --> 01:13:18,960

discussed and nowhere nowhere other than

1666

01:13:24,350 --> 01:13:21,420

what the origins are and the intentions

1667

01:13:26,450 --> 01:13:24,360

are of the UFO objects themselves

1668

01:13:28,310 --> 01:13:26,460

is there any kind of coming to grips

1669

01:13:30,890 --> 01:13:28,320

with these profound fundamental

1670

01:13:33,890 --> 01:13:30,900

questions and representatives of our

1671

01:13:37,189 --> 01:13:33,900

people that are here in Congress are are

1672

01:13:40,070 --> 01:13:37,199

so taken up with the issue of the UFO

1673

01:13:41,810 --> 01:13:40,080

phenomenon itself that they have not yet

1674

01:13:43,490 --> 01:13:41,820

started to come to grips with these

1675

01:13:45,770 --> 01:13:43,500

profound questions that really need to

1676

01:13:48,050 --> 01:13:45,780

be answered and that therefore our

1677

01:13:49,729 --> 01:13:48,060

people ourselves have to step forward

1678

01:13:52,070 --> 01:13:49,739

and start to have these conversations

1679

01:13:53,810 --> 01:13:52,080

that all of us and Jimmy you and I bet

1680

01:13:56,450 --> 01:13:53,820

we must have been to a hundred you know

1681

01:13:58,850 --> 01:13:56,460

different Gatherings together over the

1682

01:14:00,410 --> 01:13:58,860

years and and everybody's talking about

1683

01:14:01,850 --> 01:14:00,420

the UFOs and how the government is

1684

01:14:03,229 --> 01:14:01,860

hiding things and secret stuff and

1685

01:14:05,510 --> 01:14:03,239

what's the technology look like et

1686

01:14:07,189 --> 01:14:05,520

cetera yeah and and some people have

1687

01:14:10,010 --> 01:14:07,199

drifted off into this other kind of

1688

01:14:11,570 --> 01:14:10,020

Nether world of oh these must be

1689

01:14:13,189 --> 01:14:11,580

wonderful people they must be coming

1690

01:14:15,169 --> 01:14:13,199

here to help us everything's going to be

1691

01:14:17,810 --> 01:14:15,179

fantastic you know they're going to cure

1692

01:14:20,270 --> 01:14:17,820

our cancer you know but but there's not

1693

01:14:23,270 --> 01:14:20,280

a realistic conversation going on here

1694

01:14:26,090 --> 01:14:23,280

uh about you know about what is it how

1695

01:14:28,310 --> 01:14:26,100

are we going to prepare for contact with

1696

01:14:29,689 --> 01:14:28,320

this extraterrestrial civilization what

1697

01:14:31,490 --> 01:14:29,699

are going to be the public policy

1698

01:14:32,870 --> 01:14:31,500

ramifications of this what are good

1699

01:14:35,570 --> 01:14:32,880

what's going to be the impact on our

1700

01:14:38,270 --> 01:14:35,580

religious institutions and then our our

1701

01:14:41,510 --> 01:14:38,280

our Economic Institutions Etc you know

1702

01:14:43,370 --> 01:14:41,520

these are the it's almost shocking that

1703

01:14:45,530 --> 01:14:43,380

that we could be coming as close as we

1704

01:14:47,290 --> 01:14:45,540

are to fully recognizing the existence

1705

01:14:50,149 --> 01:14:47,300

of this extraterrestrial civilization

1706

01:14:52,370 --> 01:14:50,159

through the prism of the UFO phenomenon

1707

01:14:54,350 --> 01:14:52,380

is still not coming to grips with these

1708

01:14:56,689 --> 01:14:54,360

more profound questions that we have to

1709

01:14:59,689 --> 01:14:56,699

do and so that's another part of this

1710

01:15:02,090 --> 01:14:59,699

UFO C3 that we're we're hoping to get

1711

01:15:03,229 --> 01:15:02,100

put together here as a coalition of all

1712

01:15:05,330 --> 01:15:03,239

of our people that have been working

1713

01:15:07,850 --> 01:15:05,340

together for decades together to say

1714

01:15:10,189 --> 01:15:07,860

look at that we have to set up a process

1715

01:15:11,930 --> 01:15:10,199

by means of which these profound

1716

01:15:13,810 --> 01:15:11,940

questions are going to begin to get

1717

01:15:17,270 --> 01:15:13,820

addressed in a professional

1718

01:15:19,490 --> 01:15:17,280

comprehensive responsible way so that we

1719

01:15:21,110 --> 01:15:19,500

can put choices to our people through a

1720

01:15:23,570 --> 01:15:21,120

democratic process as to what we're

1721

01:15:26,149 --> 01:15:23,580

going to choose to do here uh what's on

1722

01:15:29,810 --> 01:15:26,159

the agenda for December 8th with you and

1723

01:15:32,870 --> 01:15:29,820

Lou and uh the odni well this this is uh

1724

01:15:35,810 --> 01:15:32,880

this is the the ongoing complaint that

1725

01:15:37,310 --> 01:15:35,820

Lou has lodged you know uh originally

1726

01:15:41,510 --> 01:15:37,320

with the defense department saying look

1727

01:15:44,510 --> 01:15:41,520

at uh the the the ongoing efforts on the

1728

01:15:46,790 --> 01:15:44,520

part of major forces inside the the

1729

01:15:49,729 --> 01:15:46,800

defense department and also inside the

1730

01:15:52,390 --> 01:15:49,739

intelligence Community to stifle you

1731

01:15:56,390 --> 01:15:52,400

know access to this information

1732

01:15:58,910 --> 01:15:56,400

beyond anything that is legitimate in

1733

01:16:00,649 --> 01:15:58,920

terms of National Security that this is

1734

01:16:02,990 --> 01:16:00,659

this is something that the inspector

1735

01:16:05,450 --> 01:16:03,000

General should be responsible for in the

1736

01:16:07,490 --> 01:16:05,460

intelligence Community not just the you

1737

01:16:09,410 --> 01:16:07,500

know their knee-jerk reaction is to

1738

01:16:11,209 --> 01:16:09,420

classify everything you know classify

1739

01:16:12,770 --> 01:16:11,219

the size of the shoes of the Director of

1740

01:16:14,750 --> 01:16:12,780

National Intelligence I mean who cares

1741

01:16:16,490 --> 01:16:14,760

what the size of the shoes are but what

1742

01:16:19,010 --> 01:16:16,500

they do is they have this blanket

1743

01:16:20,930 --> 01:16:19,020

proposal of just classifying everything

1744

01:16:23,450 --> 01:16:20,940

and what we're trying to say is look at

1745

01:16:25,810 --> 01:16:23,460

this we're objecting to this this is

1746

01:16:28,550 --> 01:16:25,820

this is something that is causing

1747

01:16:30,709 --> 01:16:28,560

retaliation of a form against Lou

1748

01:16:32,810 --> 01:16:30,719

Elizondo because that's just to have

1749

01:16:34,430 --> 01:16:32,820

standing in order to have standing to to

1750

01:16:37,010 --> 01:16:34,440

get in to talk with the Inspector

1751

01:16:39,350 --> 01:16:37,020

General and and the dni the people that

1752

01:16:40,790 --> 01:16:39,360

are actually working involved in setting

1753

01:16:42,410 --> 01:16:40,800

up this office and deciding what they're

1754

01:16:45,470 --> 01:16:42,420

going to do here what we're trying to do

1755

01:16:47,630 --> 01:16:45,480

is say look look at let's let's try to

1756

01:16:50,630 --> 01:16:47,640

understand what the actual legitimate

1757

01:16:52,790 --> 01:16:50,640

area of jurisdiction is you know for the

1758

01:16:54,649 --> 01:16:52,800

inspector General's office the Inspector

1759

01:16:57,649 --> 01:16:54,659

General is going to be responsible for

1760

01:17:00,530 --> 01:16:57,659

making sure that this office functions

1761

01:17:03,890 --> 01:17:00,540

and that it functions you know uh freely

1762

01:17:05,149 --> 01:17:03,900

and honestly and they know that they're

1763

01:17:06,169 --> 01:17:05,159

going to be pushed back against this

1764

01:17:07,490 --> 01:17:06,179

they know they're going to be people

1765

01:17:09,290 --> 01:17:07,500

who've got to cut the legs out from

1766

01:17:11,390 --> 01:17:09,300

under this thing the same people have

1767

01:17:12,830 --> 01:17:11,400

been keeping it secret for decades and

1768

01:17:15,709 --> 01:17:12,840

so that we're going in to have a

1769

01:17:17,510 --> 01:17:15,719

conversation among other things of what

1770

01:17:21,169 --> 01:17:17,520

is it the Inspector General intends to

1771

01:17:24,110 --> 01:17:21,179

do to do some kind of forward-leaning uh

1772

01:17:26,270 --> 01:17:24,120

prophylactic process by means of which

1773

01:17:28,070 --> 01:17:26,280

to prevent this from happening rather

1774

01:17:31,130 --> 01:17:28,080

than wait until somebody gets beaten up

1775

01:17:34,850 --> 01:17:31,140

on you know and then come in and put

1776

01:17:37,970 --> 01:17:34,860

Band-Aids on them sure sure and so all

1777

01:17:41,810 --> 01:17:37,980

of this is this in direct reference to

1778

01:17:44,030 --> 01:17:41,820

let's say Susan Goff uh saying that Lou

1779

01:17:45,649 --> 01:17:44,040

had nothing to do with anything that's

1780

01:17:47,149 --> 01:17:45,659

the defense department you know but

1781

01:17:50,810 --> 01:17:47,159

there's but there's people inside the

1782

01:17:53,209 --> 01:17:50,820

intelligence under the oodni and the

1783

01:17:54,590 --> 01:17:53,219

inspector General's office correct well

1784

01:17:56,630 --> 01:17:54,600

there's so you see there's a defense

1785

01:17:58,070 --> 01:17:56,640

department Inspector General and then

1786

01:18:00,410 --> 01:17:58,080

there's the office of director of

1787

01:18:01,970 --> 01:18:00,420

intelligence too that there there are

1788

01:18:04,070 --> 01:18:01,980

different inspector General's offices

1789

01:18:05,930 --> 01:18:04,080

and so the one of the challenges that

1790

01:18:08,090 --> 01:18:05,940

we've had is they they all start trying

1791

01:18:10,970 --> 01:18:08,100

to interpret their range of jurisdiction

1792

01:18:12,649 --> 01:18:10,980

in the most narrow possible way to say

1793

01:18:14,750 --> 01:18:12,659

oh you're outside our problem you know

1794

01:18:16,729 --> 01:18:14,760

that you don't you don't qualify for our

1795

01:18:19,010 --> 01:18:16,739

particular protection you know and

1796

01:18:22,189 --> 01:18:19,020

nobody is taking responsibility for the

1797

01:18:23,870 --> 01:18:22,199

more General uh protection of this whole

1798

01:18:25,790 --> 01:18:23,880

process this in the process of getting

1799

01:18:26,990 --> 01:18:25,800

set up here so what we want to do is we

1800

01:18:29,330 --> 01:18:27,000

want to have a meaningful set of

1801

01:18:31,550 --> 01:18:29,340

conversations to to see if there are

1802

01:18:33,470 --> 01:18:31,560

people people inside the inspector

1803

01:18:35,030 --> 01:18:33,480

General's offices of the intelligence

1804

01:18:36,050 --> 01:18:35,040

Community who are going to take this

1805

01:18:38,450 --> 01:18:36,060

seriously

1806

01:18:40,729 --> 01:18:38,460

and are going to be proactive and are

1807

01:18:43,070 --> 01:18:40,739

going to going to come up side by side

1808

01:18:44,510 --> 01:18:43,080

shoulder by shoulder to protect this

1809

01:18:46,850 --> 01:18:44,520

process that's getting ready to get put

1810

01:18:48,950 --> 01:18:46,860

together that's that's going to be one

1811

01:18:51,890 --> 01:18:48,960

of the agenda items to be talking about

1812

01:18:53,030 --> 01:18:51,900

now does the odni or the Inspector

1813

01:18:55,729 --> 01:18:53,040

General

1814

01:18:58,130 --> 01:18:55,739

um uh do they have a full understanding

1815

01:19:00,290 --> 01:18:58,140

what the scope of all of this is that we

1816

01:19:02,689 --> 01:19:00,300

are talking about you know an

1817

01:19:04,030 --> 01:19:02,699

extraterrestrial civilization in contact

1818

01:19:08,030 --> 01:19:04,040

with Earth

1819

01:19:11,630 --> 01:19:08,040

sap programs and and disclosure do they

1820

01:19:14,149 --> 01:19:11,640

is that do they understand what this

1821

01:19:17,270 --> 01:19:14,159

conversation really is they try very

1822

01:19:19,970 --> 01:19:17,280

hard not to but but the fact of the

1823

01:19:21,709 --> 01:19:19,980

matter is that you know they they swim

1824

01:19:23,689 --> 01:19:21,719

in the same ocean uh they're in

1825

01:19:25,370 --> 01:19:23,699

Washington DC as everybody else and they

1826

01:19:28,669 --> 01:19:25,380

know that this thing is front and center

1827

01:19:31,010 --> 01:19:28,679

right now uh and that they and their the

1828

01:19:32,689 --> 01:19:31,020

problem is that people and you know I

1829

01:19:34,790 --> 01:19:32,699

don't I don't want to be you know

1830

01:19:37,010 --> 01:19:34,800

patronizing to people who work in

1831

01:19:38,810 --> 01:19:37,020

government you know but people who spend

1832

01:19:40,250 --> 01:19:38,820

their entire lives working in the

1833

01:19:43,250 --> 01:19:40,260

military and then working in government

1834

01:19:46,130 --> 01:19:43,260

are used to just taking orders you know

1835

01:19:47,750 --> 01:19:46,140

and that they they realize that that the

1836

01:19:50,870 --> 01:19:47,760

one thing you don't do is You Don't Step

1837

01:19:53,030 --> 01:19:50,880

Beyond the area that you're you're

1838

01:19:55,910 --> 01:19:53,040

Superior wants you to do

1839

01:19:57,830 --> 01:19:55,920

because they'll punish you for it you

1840

01:20:00,290 --> 01:19:57,840

know and that you won't get advances you

1841

01:20:02,510 --> 01:20:00,300

won't have a career left you know and so

1842

01:20:05,630 --> 01:20:02,520

all of these people are of a very

1843

01:20:08,209 --> 01:20:05,640

different kind of person uh than for

1844

01:20:10,010 --> 01:20:08,219

example I am who functions in the public

1845

01:20:12,110 --> 01:20:10,020

interest and trying to work on behalf of

1846

01:20:13,669 --> 01:20:12,120

the people to get the Constitution to

1847

01:20:16,550 --> 01:20:13,679

function the way it really is supposed

1848

01:20:18,649 --> 01:20:16,560

to and get the government agencies to do

1849

01:20:20,209 --> 01:20:18,659

what they're really supposed to do you

1850

01:20:21,410 --> 01:20:20,219

know uh you know it's the it's the thing

1851

01:20:24,709 --> 01:20:21,420

in Chinatown remember the famous

1852

01:20:27,410 --> 01:20:24,719

Chinatown thing when when uh uh Faye

1853

01:20:29,930 --> 01:20:27,420

Dunaway asked Jack Nicholson you know uh

1854

01:20:31,250 --> 01:20:29,940

uh said you know gee I understand you

1855

01:20:33,110 --> 01:20:31,260

worked for the District Attorney's

1856

01:20:35,209 --> 01:20:33,120

Office in Chinatown he said yeah I said

1857

01:20:38,950 --> 01:20:35,219

what did you do there he said as little

1858

01:20:41,689 --> 01:20:38,960

as possible yeah best scene in in

1859

01:20:44,689 --> 01:20:41,699

because because you couldn't always tell

1860

01:20:46,070 --> 01:20:44,699

what was going on in Chinatown okay and

1861

01:20:49,669 --> 01:20:46,080

so and that's the problem inside

1862

01:20:51,350 --> 01:20:49,679

Washington DC is that people are afraid

1863

01:20:53,209 --> 01:20:51,360

they're guarding their jobs they're

1864

01:20:54,530 --> 01:20:53,219

guarding their pensions and so what

1865

01:20:56,390 --> 01:20:54,540

we're trying to do is to say look at

1866

01:20:58,729 --> 01:20:56,400

this is an extraordinarily important

1867

01:21:00,229 --> 01:20:58,739

moment for our entire Human family it's

1868

01:21:02,330 --> 01:21:00,239

an extraordinarily important moment for

1869

01:21:04,010 --> 01:21:02,340

democracy it's an extraordinarily

1870

01:21:05,930 --> 01:21:04,020

important moment for constitutional

1871

01:21:08,510 --> 01:21:05,940

government and what we're trying to do

1872

01:21:09,970 --> 01:21:08,520

is to see who are the people who are the

1873

01:21:13,250 --> 01:21:09,980

people that are willing to step forward

1874

01:21:14,990 --> 01:21:13,260

in in break out of the mold of doing as

1875

01:21:18,830 --> 01:21:15,000

little as they can possibly get away

1876

01:21:21,470 --> 01:21:18,840

with here to protect this process this

1877

01:21:22,729 --> 01:21:21,480

is this is a a sacred process that's

1878

01:21:24,830 --> 01:21:22,739

happening right now with our human

1879

01:21:26,810 --> 01:21:24,840

family and we're trying to figure out

1880

01:21:29,030 --> 01:21:26,820

who the Allies are going to be that are

1881

01:21:30,649 --> 01:21:29,040

going to help do this uh and so that's

1882

01:21:31,970 --> 01:21:30,659

that's what we're that's one of the

1883

01:21:33,229 --> 01:21:31,980

things we're going into Washington and

1884

01:21:34,669 --> 01:21:33,239

we're going to talk to the we're going

1885

01:21:36,590 --> 01:21:34,679

to talk to the Senators the senator

1886

01:21:38,209 --> 01:21:36,600

Warner and Senator Rubio and their staff

1887

01:21:39,950 --> 01:21:38,219

and the people that are working for the

1888

01:21:41,630 --> 01:21:39,960

intelligence community in the in the

1889

01:21:44,570 --> 01:21:41,640

intelligence committees to find out

1890

01:21:46,010 --> 01:21:44,580

where the Allies are not people that are

1891

01:21:47,930 --> 01:21:46,020

subversive not people that are going to

1892

01:21:50,270 --> 01:21:47,940

be insubordinate to their to their

1893

01:21:52,490 --> 01:21:50,280

superiors but the people who really

1894

01:21:55,550 --> 01:21:52,500

place the effectuation of the mission

1895

01:21:57,830 --> 01:21:55,560

that we're talking about here above you

1896

01:22:01,010 --> 01:21:57,840

know some kind of a short-term uh

1897

01:22:03,290 --> 01:22:01,020

concern about what might go wrong uh in

1898

01:22:05,090 --> 01:22:03,300

their career uh because this isn't the

1899

01:22:06,770 --> 01:22:05,100

moment for that you know this is this is

1900

01:22:09,350 --> 01:22:06,780

the point in time when a mistakes that

1901

01:22:12,290 --> 01:22:09,360

could be made here can can ReSound

1902

01:22:14,570 --> 01:22:12,300

through centuries into the future and so

1903

01:22:17,030 --> 01:22:14,580

that we want to be as careful and and as

1904

01:22:19,570 --> 01:22:17,040

responsible as we possibly can here

1905

01:22:23,090 --> 01:22:19,580

it has the

1906

01:22:26,149 --> 01:22:23,100

has is the cat out of the bag when it

1907

01:22:28,790 --> 01:22:26,159

comes to uh the E.T question right

1908

01:22:32,030 --> 01:22:28,800

everything has really been pushed down

1909

01:22:35,630 --> 01:22:32,040

into the media and and to Congress and

1910

01:22:38,810 --> 01:22:35,640

and talk shows and and and social media

1911

01:22:41,330 --> 01:22:38,820

I mean it is out front and center that's

1912

01:22:44,630 --> 01:22:41,340

right but the world didn't uh implode

1913

01:22:48,350 --> 01:22:44,640

inside of a black hole right that didn't

1914

01:22:51,530 --> 01:22:48,360

happen no mainly because a lot of the a

1915

01:22:54,649 --> 01:22:51,540

lot of the institutions have not yet

1916

01:22:57,290 --> 01:22:54,659

decided exactly what it is they're going

1917

01:23:00,830 --> 01:22:57,300

to do about this the they they've been

1918

01:23:02,930 --> 01:23:00,840

trying for 75 years to keep it secret uh

1919

01:23:05,270 --> 01:23:02,940

and to denigrate it and castigate people

1920

01:23:07,850 --> 01:23:05,280

who even talk about now we're past that

1921

01:23:11,930 --> 01:23:07,860

now uh and the public didn't freak out

1922

01:23:13,729 --> 01:23:11,940

right which was always what was the

1923

01:23:15,470 --> 01:23:13,739

stated you know you go back to the

1924

01:23:18,070 --> 01:23:15,480

condom report or you go back to the

1925

01:23:20,990 --> 01:23:18,080

Robertson panel sure you know

1926

01:23:22,970 --> 01:23:21,000

there's going to be Anarchy right there

1927

01:23:25,010 --> 01:23:22,980

but there's been 75 years as you know

1928

01:23:27,229 --> 01:23:25,020

Jimmy of Feathering all this stuff into

1929

01:23:28,910 --> 01:23:27,239

the society you take the average

1930

01:23:31,490 --> 01:23:28,920

five-year-old and they can draw you an

1931

01:23:33,169 --> 01:23:31,500

E.T uh in the you know they're kind of

1932

01:23:35,030 --> 01:23:33,179

not afraid of them you know that there's

1933

01:23:37,729 --> 01:23:35,040

been there's been an extraordinarily

1934

01:23:40,430 --> 01:23:37,739

sophisticated process that's gone on

1935

01:23:43,250 --> 01:23:40,440

over the last 75 years of Feathering

1936

01:23:44,709 --> 01:23:43,260

this reality into the culture now we

1937

01:23:48,050 --> 01:23:44,719

don't know yet

1938

01:23:49,970 --> 01:23:48,060

exactly how how professionally

1939

01:23:52,550 --> 01:23:49,980

choreographed that whole thing has been

1940

01:23:54,590 --> 01:23:52,560

or exactly who the players were that

1941

01:23:56,209 --> 01:23:54,600

have been involved in all that but it's

1942

01:23:58,010 --> 01:23:56,219

it's quite clear that there's been an

1943

01:24:00,050 --> 01:23:58,020

extraordinarily sophisticated program

1944

01:24:02,050 --> 01:24:00,060

that's been going on of Dripping

1945

01:24:05,450 --> 01:24:02,060

information into the public and

1946

01:24:08,149 --> 01:24:05,460

utilizing people you know such as Linda

1947

01:24:09,590 --> 01:24:08,159

Moulton Howe and myself and in in Greer

1948

01:24:11,870 --> 01:24:09,600

and other people you know they're given

1949

01:24:13,669 --> 01:24:11,880

pieces of information and and then you

1950

01:24:15,709 --> 01:24:13,679

put out the information and then people

1951

01:24:17,750 --> 01:24:15,719

deny half of it and acknowledge half of

1952

01:24:20,870 --> 01:24:17,760

it you know there's been a process so

1953

01:24:24,050 --> 01:24:20,880

the the people are now much much better

1954

01:24:26,510 --> 01:24:24,060

prepared for this than they were 75

1955

01:24:28,070 --> 01:24:26,520

years ago uh and I think that we're at

1956

01:24:30,950 --> 01:24:28,080

the point right now where we're we're

1957

01:24:33,830 --> 01:24:30,960

the the cat is effectively out of the

1958

01:24:35,750 --> 01:24:33,840

bag with regard to the existence well

1959

01:24:38,030 --> 01:24:35,760

with regard to the reality of the UFO

1960

01:24:40,669 --> 01:24:38,040

phenomenon it's very hard it's very hard

1961

01:24:43,310 --> 01:24:40,679

to acknowledge the reality of the UFO

1962

01:24:44,630 --> 01:24:43,320

phenomenon without it not in denying

1963

01:24:46,550 --> 01:24:44,640

that they're Chinese and denying that

1964

01:24:48,709 --> 01:24:46,560

there Russians are denying that they're

1965

01:24:50,510 --> 01:24:48,719

American and not realize that the

1966

01:24:52,610 --> 01:24:50,520

implication is that there's something

1967

01:24:54,649 --> 01:24:52,620

else going on here there's something

1968

01:24:56,930 --> 01:24:54,659

there's something at an entirely

1969

01:24:59,149 --> 01:24:56,940

different level of reality that's going

1970

01:25:00,830 --> 01:24:59,159

on here and this is the transition that

1971

01:25:03,470 --> 01:25:00,840

our human family has to go through now

1972

01:25:06,950 --> 01:25:03,480

that there's another dimension of

1973

01:25:09,950 --> 01:25:06,960

reality uh that we have not fully

1974

01:25:12,590 --> 01:25:09,960

integrated yet and so the in the people

1975

01:25:15,350 --> 01:25:12,600

the people have not been trained for the

1976

01:25:18,110 --> 01:25:15,360

most part even in democracy to do the

1977

01:25:19,610 --> 01:25:18,120

creative thinking ourselves that most of

1978

01:25:22,010 --> 01:25:19,620

the people have been trained to wait for

1979

01:25:23,750 --> 01:25:22,020

institutions to tell them what it is

1980

01:25:25,790 --> 01:25:23,760

that they're supposed to believe this is

1981

01:25:27,530 --> 01:25:25,800

an epistemological question you know

1982

01:25:29,930 --> 01:25:27,540

that the with our our whole education

1983

01:25:32,570 --> 01:25:29,940

system you know and that people have not

1984

01:25:34,370 --> 01:25:32,580

been trained to do this and so that what

1985

01:25:36,530 --> 01:25:34,380

this this move on the part of Congress

1986

01:25:39,530 --> 01:25:36,540

to step into this area

1987

01:25:41,870 --> 01:25:39,540

and take control of this information is

1988

01:25:45,110 --> 01:25:41,880

just the first step they have not yet

1989

01:25:47,689 --> 01:25:45,120

decided what it is they want to do about

1990

01:25:50,270 --> 01:25:47,699

this yet and so the people are in a

1991

01:25:52,610 --> 01:25:50,280

sense waiting to see what Congress is

1992

01:25:54,050 --> 01:25:52,620

going to do about this the executive

1993

01:25:55,010 --> 01:25:54,060

branch has already made clear what

1994

01:25:57,709 --> 01:25:55,020

they're going to do about it they're

1995

01:26:00,470 --> 01:25:57,719

going to hide it conceal it you know uh

1996

01:26:02,990 --> 01:26:00,480

obfuscate it lie about it and then try

1997

01:26:04,490 --> 01:26:03,000

to try to develop weapons with it I mean

1998

01:26:06,470 --> 01:26:04,500

they've already made their decision what

1999

01:26:09,830 --> 01:26:06,480

they want to do with it sure Congress is

2000

01:26:12,110 --> 01:26:09,840

going to come in well then you have uh

2001
01:26:15,110 --> 01:26:12,120
you know Bray and Moultrie uh you know

2002
01:26:18,470 --> 01:26:15,120
being brought up as uh the the first two

2003
01:26:20,870 --> 01:26:18,480
witnesses uh for this UFO here right who

2004
01:26:22,790 --> 01:26:20,880
didn't know anything that claimed that

2005
01:26:26,510 --> 01:26:22,800
they absolutely knew nothing about

2006
01:26:28,490 --> 01:26:26,520
nothing and what this is a UFO hearing

2007
01:26:32,629 --> 01:26:28,500
Oh I thought we were going to talk about

2008
01:26:34,129 --> 01:26:32,639
something else and if if if that is the

2009
01:26:36,470 --> 01:26:34,139
case

2010
01:26:40,010 --> 01:26:36,480
um is is Bray a Moultrie are they talk

2011
01:26:42,649 --> 01:26:40,020
talking to Elizondo are they is Elizondo

2012
01:26:44,709 --> 01:26:42,659
a consultant with that committee he's

2013
01:26:48,770 --> 01:26:44,719

talking about the committee

2014

01:26:50,270 --> 01:26:48,780

of course with the task force is the

2015

01:26:53,629 --> 01:26:50,280

test for the task force is not

2016

01:26:58,030 --> 01:26:53,639

functional task force but Bray and

2017

01:27:00,950 --> 01:26:58,040

Moultrie were they uh were they okay

2018

01:27:02,330 --> 01:27:00,960

they were Flags no they were not they

2019

01:27:05,390 --> 01:27:02,340

were they're just Flags they were sent

2020

01:27:07,610 --> 01:27:05,400

there to to to just try to fill in the

2021

01:27:08,990 --> 01:27:07,620

space yeah because because the Carson

2022

01:27:10,970 --> 01:27:09,000

you know insisted upon having the

2023

01:27:12,350 --> 01:27:10,980

hearing and so somebody had to get sent

2024

01:27:14,149 --> 01:27:12,360

down so they sent people down who

2025

01:27:16,790 --> 01:27:14,159

basically didn't know anything you know

2026

01:27:18,290 --> 01:27:16,800

and we're so embarrassed that they would

2027

01:27:20,030 --> 01:27:18,300

would display the fact they didn't know

2028

01:27:22,610 --> 01:27:20,040

anything I mean when people when people

2029

01:27:25,790 --> 01:27:22,620

people say oh by the way did you know

2030

01:27:27,770 --> 01:27:25,800

that there were official reports of UFOs

2031

01:27:29,450 --> 01:27:27,780

coming over our nuclear weapon sites and

2032

01:27:33,370 --> 01:27:29,460

shutting off their missiles and think oh

2033

01:27:38,810 --> 01:27:36,410

excuse me I mean that just it was it was

2034

01:27:40,729 --> 01:27:38,820

Beyond embarrassing uh and so the it

2035

01:27:42,110 --> 01:27:40,739

that what they were saying is that the

2036

01:27:43,729 --> 01:27:42,120

executive branch was basically giving

2037

01:27:45,590 --> 01:27:43,739

the back of the hand to the legislature

2038

01:27:47,090 --> 01:27:45,600

against we don't care if you call our

2039

01:27:48,649 --> 01:27:47,100

people up here we'll send you people who

2040

01:27:51,830 --> 01:27:48,659

don't know what they're talking about so

2041

01:27:54,169 --> 01:27:51,840

so the the question is what is Congress

2042

01:27:57,169 --> 01:27:54,179

going to do about this and the the

2043

01:27:59,090 --> 01:27:57,179

challenge is is that Congress you know

2044

01:28:02,649 --> 01:27:59,100

is made up of all these individuals and

2045

01:28:06,050 --> 01:28:02,659

the question is what type of collective

2046

01:28:08,510 --> 01:28:06,060

constitutional Consciousness does the

2047

01:28:10,669 --> 01:28:08,520

Congress have at the present time

2048

01:28:12,169 --> 01:28:10,679

you know with this kind of divided

2049

01:28:14,330 --> 01:28:12,179

leadership between the Republicans the

2050

01:28:16,370 --> 01:28:14,340

Democrats with this strange thing going

2051
01:28:18,770 --> 01:28:16,380
on inside the Republican party of these

2052
01:28:20,870 --> 01:28:18,780
extreme weirdo reactionaries trying to

2053
01:28:22,430 --> 01:28:20,880
take over the entire party you know and

2054
01:28:23,990 --> 01:28:22,440
then other elements the more traditional

2055
01:28:27,709 --> 01:28:24,000
elements of the Republican Party trying

2056
01:28:30,229 --> 01:28:27,719
to salvage the reputation in long-time

2057
01:28:32,870 --> 01:28:30,239
deserved merits of the Republican party

2058
01:28:34,129 --> 01:28:32,880
and the conservative movement and on the

2059
01:28:36,610 --> 01:28:34,139
other hand you've got inside the

2060
01:28:39,169 --> 01:28:36,620
Democratic party you've got the the

2061
01:28:41,030 --> 01:28:39,179
neoliberals that have come into kind of

2062
01:28:43,129 --> 01:28:41,040
the ascendancy since the end of the Cold

2063
01:28:45,410 --> 01:28:43,139

War and then you've got the progressives

2064

01:28:48,110 --> 01:28:45,420

you know with with Bernie Sanders and

2065

01:28:50,510 --> 01:28:48,120

Elizabeth Warren and AOC and the other

2066

01:28:52,550 --> 01:28:50,520

people you know who are saying look at

2067

01:28:54,890 --> 01:28:52,560

you've got to get into the 21st century

2068

01:28:56,149 --> 01:28:54,900

here you know that that you're the the

2069

01:28:57,470 --> 01:28:56,159

people are going to be younger and

2070

01:28:59,810 --> 01:28:57,480

younger they're going to be coming into

2071

01:29:01,729 --> 01:28:59,820

the political parties that there's a

2072

01:29:03,590 --> 01:29:01,739

great deal of instability going on right

2073

01:29:06,590 --> 01:29:03,600

now and so that well one of the things

2074

01:29:09,950 --> 01:29:06,600

we have to do is try to reinforce and

2075

01:29:13,669 --> 01:29:09,960

Safeguard the sense of of constitutional

2076

01:29:15,770 --> 01:29:13,679

Integrity on the part of Congress itself

2077

01:29:18,050 --> 01:29:15,780

to see whether or not Congress is going

2078

01:29:20,030 --> 01:29:18,060

to stand up and say look at that we've

2079

01:29:22,910 --> 01:29:20,040

we've allowed the executive branch to

2080

01:29:25,970 --> 01:29:22,920

your serp this particular all-important

2081

01:29:27,950 --> 01:29:25,980

issue area for 75 years the time has

2082

01:29:30,290 --> 01:29:27,960

arrived now for us to step into a

2083

01:29:32,870 --> 01:29:30,300

position of leadership and at least get

2084

01:29:34,610 --> 01:29:32,880

ourselves informed as to what's going on

2085

01:29:36,470 --> 01:29:34,620

but they've still given a great deal of

2086

01:29:38,689 --> 01:29:36,480

deference to the executive branch here

2087

01:29:40,310 --> 01:29:38,699

by allowing the defense the Secretary of

2088

01:29:42,229 --> 01:29:40,320

Defense and the secret the Director of

2089

01:29:44,870 --> 01:29:42,239

National Intelligence to actually hand

2090

01:29:47,270 --> 01:29:44,880

pick who the director is and run this

2091

01:29:49,910 --> 01:29:47,280

operation under the auspices of the

2092

01:29:53,689 --> 01:29:49,920

military intelligence community so they

2093

01:29:55,850 --> 01:29:53,699

they still haven't they haven't taken an

2094

01:29:57,830 --> 01:29:55,860

extraordinary risk here of pulling this

2095

01:29:59,629 --> 01:29:57,840

completely out of the hands of the

2096

01:30:01,430 --> 01:29:59,639

executive branch and putting it in the

2097

01:30:03,770 --> 01:30:01,440

hands of the legislature so they're

2098

01:30:05,209 --> 01:30:03,780

they're trying to see how much that what

2099

01:30:08,110 --> 01:30:05,219

they need to do what they're going to do

2100

01:30:16,990 --> 01:30:13,610

how can we feel confident that Gallagher

2101

01:30:21,050 --> 01:30:17,000

Carson burchett

2102

01:30:24,530 --> 01:30:21,060

and and others right it certainly moves

2103

01:30:28,669 --> 01:30:24,540

to uh Jilla brand is yes Marco Rubio

2104

01:30:31,550 --> 01:30:28,679

who's going to keep them focused I think

2105

01:30:33,770 --> 01:30:31,560

I think it's going to be a a partnership

2106

01:30:36,290 --> 01:30:33,780

between Senator Warner and Senator Rubio

2107

01:30:38,870 --> 01:30:36,300

is is going to really be the key to this

2108

01:30:42,770 --> 01:30:38,880

thing you know the the the common ground

2109

01:30:44,510 --> 01:30:42,780

that those two establish uh as to what

2110

01:30:47,930 --> 01:30:44,520

it is they're going to insist upon

2111

01:30:50,930 --> 01:30:47,940

really being done uh is is going to be

2112

01:30:52,370 --> 01:30:50,940

extremely important you know even though

2113

01:30:54,050 --> 01:30:52,380

you know they say over again it's a

2114

01:30:55,970 --> 01:30:54,060

government of laws and not of men but

2115

01:30:58,870 --> 01:30:55,980

but the fact of the matter is the the

2116

01:31:02,390 --> 01:30:58,880

personalities here are are all important

2117

01:31:04,850 --> 01:31:02,400

uh let me get let me get that that's my

2118

01:31:06,110 --> 01:31:04,860

phone going out sorry let me get rid of

2119

01:31:10,490 --> 01:31:06,120

it

2120

01:31:12,830 --> 01:31:10,500

and uh as uh what was his ringtone did

2121

01:31:15,350 --> 01:31:12,840

you guys hear that was that is your

2122

01:31:19,010 --> 01:31:15,360

ringtone I'm back your ringtone is

2123

01:31:21,709 --> 01:31:19,020

Millie Vanilli yes Sarah it's my my no

2124

01:31:24,850 --> 01:31:21,719

the ringtone the ringtone yeah that's it

2125

01:31:28,610 --> 01:31:24,860

no it's Sarah is the song Oh Sarah

2126

01:31:31,669 --> 01:31:28,620

Starship yeah who is also your your your

2127

01:31:33,110 --> 01:31:31,679

wife and 50 years for 47 years let me

2128

01:31:35,570 --> 01:31:33,120

tell you something she's one of the

2129

01:31:37,910 --> 01:31:35,580

coolest people I have ever hung out with

2130

01:31:39,770 --> 01:31:37,920

yes she is remember that remember that

2131

01:31:41,510 --> 01:31:39,780

I'm just going to say this where we're

2132

01:31:44,149 --> 01:31:41,520

in the middle of this thing but we had a

2133

01:31:46,070 --> 01:31:44,159

little party uh last year

2134

01:31:50,030 --> 01:31:46,080

and she came up she goes Jimmy am I

2135

01:31:54,169 --> 01:31:50,040

invited I go you come on though yeah we

2136

01:31:56,709 --> 01:31:54,179

had a great time uh so um Rubio is Rubio

2137

01:32:00,229 --> 01:31:56,719

and Warner are really gonna uh I really

2138

01:32:03,770 --> 01:32:00,239

gillibrand is is has other aspirations

2139

01:32:05,870 --> 01:32:03,780

you know uh and uh and and they all do

2140

01:32:09,410 --> 01:32:05,880

that's what they're there for but but I

2141

01:32:11,450 --> 01:32:09,420

I think that that uh that I I don't I

2142

01:32:15,110 --> 01:32:11,460

don't think that Rubio is going to be

2143

01:32:16,970 --> 01:32:15,120

running against Trump uh this cycle uh

2144

01:32:19,790 --> 01:32:16,980

so he's going to be concentrating on

2145

01:32:22,070 --> 01:32:19,800

doing his job on this particular issue I

2146

01:32:25,070 --> 01:32:22,080

think this issue is one of the the

2147

01:32:26,930 --> 01:32:25,080

primary issues for Senator Rubio and I

2148

01:32:29,450 --> 01:32:26,940

think that uh Senator Warner from

2149

01:32:31,669 --> 01:32:29,460

Virginia realizes how extraordinarily

2150

01:32:35,689 --> 01:32:31,679

important this issue is and the two of

2151
01:32:38,629 --> 01:32:35,699
them you see eye to eye on this issue

2152
01:32:40,669 --> 01:32:38,639
and they are going to insist that the

2153
01:32:43,669 --> 01:32:40,679
the Congress re-established its

2154
01:32:46,310 --> 01:32:43,679
Authority in this particular area uh and

2155
01:32:48,770 --> 01:32:46,320
so that I think if they if they stay

2156
01:32:51,110 --> 01:32:48,780
steadfast in this and that they have the

2157
01:32:54,950 --> 01:32:51,120
support of the people on the house side

2158
01:32:57,169 --> 01:32:54,960
in this and they they make this office

2159
01:32:58,850 --> 01:32:57,179
is is going to one of the things can be

2160
01:33:01,250 --> 01:32:58,860
absolutely important is this office and

2161
01:33:04,189 --> 01:33:01,260
it's it's Troublesome in a democracy but

2162
01:33:05,930 --> 01:33:04,199
that it's got to be almost completely

2163
01:33:10,790 --> 01:33:05,940

leak-proof

2164

01:33:13,610 --> 01:33:10,800

this office uh and then decisions have

2165

01:33:15,410 --> 01:33:13,620

to be made by the Congress as to what

2166

01:33:17,510 --> 01:33:15,420

they're going to decide as

2167

01:33:18,890 --> 01:33:17,520

representatives of the people that

2168

01:33:21,770 --> 01:33:18,900

they're going to release to the people

2169

01:33:25,550 --> 01:33:21,780

how do you make it leak proof and and

2170

01:33:30,169 --> 01:33:25,560

let me let me just go sort of on the

2171

01:33:31,310 --> 01:33:30,179

record Danny you and I know what uh the

2172

01:33:33,410 --> 01:33:31,320

community went through over the last

2173

01:33:35,209 --> 01:33:33,420

couple of years with leaked videos and

2174

01:33:37,729 --> 01:33:35,219

leaked statements and leaked photographs

2175

01:33:40,550 --> 01:33:37,739

and leaked this leaked information from

2176
01:33:42,950 --> 01:33:40,560
the last report sure even the page count

2177
01:33:45,590 --> 01:33:42,960
was leaked out

2178
01:33:48,290 --> 01:33:45,600
um and I I knew the page I never leaked

2179
01:33:51,350 --> 01:33:48,300
anything but there were people out there

2180
01:33:53,990 --> 01:33:51,360
uh inside of the government inside of

2181
01:33:56,689 --> 01:33:54,000
the Department of Defense uh that were

2182
01:33:58,490 --> 01:33:56,699
leaking uh stuff out uh to the media

2183
01:34:00,470 --> 01:33:58,500
because because they knew that there

2184
01:34:02,930 --> 01:34:00,480
wasn't a good faith process going on

2185
01:34:04,490 --> 01:34:02,940
that that's part of the promises in in

2186
01:34:06,410 --> 01:34:04,500
Washington that if there's not a good

2187
01:34:08,629 --> 01:34:06,420
faith process that's going on done

2188
01:34:09,830 --> 01:34:08,639

people are going to go around it and

2189

01:34:12,410 --> 01:34:09,840

they're going to say look at this is

2190

01:34:14,629 --> 01:34:12,420

unfair this is unconstitutional this is

2191

01:34:17,090 --> 01:34:14,639

illegal and so therefore they feel

2192

01:34:18,649 --> 01:34:17,100

morally righteous about doing some of

2193

01:34:21,229 --> 01:34:18,659

this stuff and that's what I'm saying is

2194

01:34:23,390 --> 01:34:21,239

if this office functions in a way that

2195

01:34:25,850 --> 01:34:23,400

is completely responsible

2196

01:34:27,169 --> 01:34:25,860

uh and I think you're going to get an

2197

01:34:29,450 --> 01:34:27,179

awful lot of people that are going to

2198

01:34:31,010 --> 01:34:29,460

cooperate with this office they're going

2199

01:34:32,209 --> 01:34:31,020

to bring them the information they're

2200

01:34:33,830 --> 01:34:32,219

they're not going to leak the

2201

01:34:36,050 --> 01:34:33,840

information out they're going to talk

2202

01:34:38,990 --> 01:34:36,060

about now this sounds anti-democratic

2203

01:34:41,930 --> 01:34:39,000

but because I I do believe that there's

2204

01:34:44,270 --> 01:34:41,940

you know 85 percent of all of this

2205

01:34:47,330 --> 01:34:44,280

information has been classified doesn't

2206

01:34:48,950 --> 01:34:47,340

need to be classified you know and so

2207

01:34:52,610 --> 01:34:48,960

that what's going to happen here is if

2208

01:34:55,370 --> 01:34:52,620

if the if if Warner and Rubio in their

2209

01:34:57,410 --> 01:34:55,380

staffs function uh in a way in a lot of

2210

01:34:59,330 --> 01:34:57,420

it's going to be with with Rubio and

2211

01:35:01,070 --> 01:34:59,340

Warner themselves I think they're going

2212

01:35:03,830 --> 01:35:01,080

to talk to a lot of these Witnesses

2213

01:35:05,689 --> 01:35:03,840

directly face to face you know in a

2214

01:35:07,850 --> 01:35:05,699

skiff they're they're not even going to

2215

01:35:09,590 --> 01:35:07,860

have some of their staff of being

2216

01:35:12,050 --> 01:35:09,600

talking to some of these key Witnesses

2217

01:35:14,149 --> 01:35:12,060

because they they want to know that they

2218

01:35:17,209 --> 01:35:14,159

know the two of them know what's going

2219

01:35:19,310 --> 01:35:17,219

on so that that both political parties

2220

01:35:21,530 --> 01:35:19,320

will are represented in that they're

2221

01:35:23,330 --> 01:35:21,540

informed about what is this going on in

2222

01:35:25,430 --> 01:35:23,340

the Senate side they're going to inform

2223

01:35:26,930 --> 01:35:25,440

from the people over on the house side

2224

01:35:29,030 --> 01:35:26,940

the house intelligence committee the

2225

01:35:31,129 --> 01:35:29,040

house defense department committee and

2226

01:35:32,390 --> 01:35:31,139

they're going to know you know what this

2227

01:35:34,790 --> 01:35:32,400

information is and they're going to get

2228

01:35:37,490 --> 01:35:34,800

together and they say look at that in

2229

01:35:40,189 --> 01:35:37,500

light of what we now know what is it

2230

01:35:40,970 --> 01:35:40,199

that we as the representatives of the

2231

01:35:43,790 --> 01:35:40,980

people

2232

01:35:45,350 --> 01:35:43,800

what is it we're going to do about this

2233

01:35:47,450 --> 01:35:45,360

and what are we going to do about the

2234

01:35:49,790 --> 01:35:47,460

fact that the executive branch still has

2235

01:35:52,490 --> 01:35:49,800

major powerful elements in it that are

2236

01:35:55,270 --> 01:35:52,500

going to not want us to do it how are we

2237

01:35:58,129 --> 01:35:55,280

going to proceed in this this is

2238

01:35:59,930 --> 01:35:58,139

astonishingly important moment uh and

2239

01:36:01,250 --> 01:35:59,940

it's it's all going to be happening it's

2240

01:36:04,270 --> 01:36:01,260

all going to be happening basically

2241

01:36:07,010 --> 01:36:04,280

between now and the election in November

2242

01:36:10,189 --> 01:36:07,020

2024. well all the chaos is going on

2243

01:36:12,950 --> 01:36:10,199

around us now were you

2244

01:36:14,870 --> 01:36:12,960

um were you surprised and I certainly

2245

01:36:17,750 --> 01:36:14,880

want to know if you've had any inside

2246

01:36:20,870 --> 01:36:17,760

track on on this were you surprised that

2247

01:36:23,750 --> 01:36:20,880

there were uh there was a media there's

2248

01:36:26,629 --> 01:36:23,760

you know one of the one of the tabloids

2249

01:36:30,410 --> 01:36:26,639

out of the United Kingdom uh you know

2250

01:36:34,129 --> 01:36:30,420

pops out oh the report is stating this

2251

01:36:38,450 --> 01:36:34,139

and then we had other uh media outlets

2252

01:36:40,310 --> 01:36:38,460

and and members of the community that

2253

01:36:42,229 --> 01:36:40,320

were also given information and that

2254

01:36:44,149 --> 01:36:42,239

were talking about what the contents of

2255

01:36:48,649 --> 01:36:44,159

this report was and it sounds sounds

2256

01:36:51,890 --> 01:36:48,659

like somebody somewhere that has an

2257

01:36:54,590 --> 01:36:51,900

important Voice or position is is

2258

01:36:58,930 --> 01:36:54,600

leaking stuff out in advance and then it

2259

01:37:03,470 --> 01:37:01,610

right none of it's true you know there's

2260

01:37:05,209 --> 01:37:03,480

and there is no report there's nothing

2261

01:37:07,070 --> 01:37:05,219

going on I'm trying to tell you there's

2262

01:37:09,229 --> 01:37:07,080

nothing happening there's no there's

2263

01:37:11,570 --> 01:37:09,239

nothing there and so they're all waiting

2264

01:37:14,510 --> 01:37:11,580

for for these important decisions to be

2265

01:37:17,149 --> 01:37:14,520

made as it should be the these these

2266

01:37:19,910 --> 01:37:17,159

decisions need to be getting made now be

2267

01:37:22,610 --> 01:37:19,920

made seriously and and be made effective

2268

01:37:26,750 --> 01:37:22,620

and if that happens in this office

2269

01:37:29,270 --> 01:37:26,760

functions in a responsible way then I

2270

01:37:31,729 --> 01:37:29,280

think a lot of this chatter and a lot of

2271

01:37:34,790 --> 01:37:31,739

the making up stuff and a lot of the the

2272

01:37:37,729 --> 01:37:34,800

uh the kind of go around them and leak

2273

01:37:40,550 --> 01:37:37,739

stuff is gonna is gonna subside because

2274

01:37:42,709 --> 01:37:40,560

if if people have confidence in the

2275

01:37:44,930 --> 01:37:42,719

governing structures people will utilize

2276

01:37:46,850 --> 01:37:44,940

the governing structures you know I I've

2277

01:37:50,149 --> 01:37:46,860

been a large part over the last 50 years

2278

01:37:51,649 --> 01:37:50,159

and undermining you know Blind Faith in

2279

01:37:54,770 --> 01:37:51,659

the institutions of the United States

2280

01:37:57,530 --> 01:37:54,780

government if I may say so myself and

2281

01:37:59,510 --> 01:37:57,540

and it's deservedly so because they were

2282

01:38:00,950 --> 01:37:59,520

totally out of control you know the

2283

01:38:02,450 --> 01:38:00,960

Central Intelligence Agency and the

2284

01:38:04,310 --> 01:38:02,460

operation directorate and the covert

2285

01:38:05,870 --> 01:38:04,320

operations and assassinations and drug

2286

01:38:08,149 --> 01:38:05,880

smuggling all the stuff that they've

2287

01:38:10,310 --> 01:38:08,159

been doing you know and and the fact of

2288

01:38:12,410 --> 01:38:10,320

the matter is that we have we have hit

2289

01:38:15,530 --> 01:38:12,420

kind of a high water mark with that that

2290

01:38:17,870 --> 01:38:15,540

we've we've effectively uh removed the

2291

01:38:20,030 --> 01:38:17,880

Blind Faith of the American people in

2292

01:38:21,890 --> 01:38:20,040

the institutions themselves and I think

2293

01:38:25,189 --> 01:38:21,900

the time has come now for us to start to

2294

01:38:27,350 --> 01:38:25,199

kind of reconstruct you know effective

2295

01:38:30,169 --> 01:38:27,360

institutions under a constitutional

2296

01:38:31,729 --> 01:38:30,179

democracy to show that the

2297

01:38:34,129 --> 01:38:31,739

constitutional democracy can function

2298

01:38:35,930 --> 01:38:34,139

and that's why I'm hoping this office is

2299

01:38:38,689 --> 01:38:35,940

going to be able to do to demonstrate to

2300

01:38:41,149 --> 01:38:38,699

people that government can work can be

2301

01:38:43,370 --> 01:38:41,159

honest can come to grips with profoundly

2302

01:38:46,370 --> 01:38:43,380

important issues like this and do it

2303

01:38:47,930 --> 01:38:46,380

responsibly and if we can do that people

2304

01:38:50,090 --> 01:38:47,940

are going to cooperate and people are

2305

01:38:52,490 --> 01:38:50,100

going to come back to support what's

2306

01:38:54,950 --> 01:38:52,500

being done here but but responsible

2307

01:38:57,290 --> 01:38:54,960

decisions need to be made here they need

2308

01:39:01,550 --> 01:38:57,300

to be made and but that's why I believe

2309

01:39:03,050 --> 01:39:01,560

this uh this uh C3 this UFO C3

2310

01:39:04,970 --> 01:39:03,060

organization that we're talking about

2311

01:39:07,610 --> 01:39:04,980

putting together you know we're talking

2312

01:39:09,830 --> 01:39:07,620

about it right now the The Institute for

2313

01:39:12,169 --> 01:39:09,840

preparing our human family for contact

2314

01:39:14,990 --> 01:39:12,179

you know that's what this is this is an

2315

01:39:17,270 --> 01:39:15,000

actual preparation of our human family

2316

01:39:19,970 --> 01:39:17,280

for contact with an extraterrestrial

2317

01:39:21,950 --> 01:39:19,980

civilization this is an extraordinarily

2318

01:39:23,870 --> 01:39:21,960

important undertaking here and

2319

01:39:25,669 --> 01:39:23,880

unfortunately the institutions of

2320

01:39:27,590 --> 01:39:25,679

government have not started to undertake

2321

01:39:29,390 --> 01:39:27,600

this process yet they're still just

2322

01:39:31,850 --> 01:39:29,400

trying to deal with a UFO issue right

2323

01:39:34,189 --> 01:39:31,860

now so what we're hoping to do is to be

2324

01:39:36,229 --> 01:39:34,199

able to set up a template pursuant to

2325

01:39:38,750 --> 01:39:36,239

which our governing structures can do

2326

01:39:40,790 --> 01:39:38,760

this cooperatively uh and bring our

2327

01:39:42,590 --> 01:39:40,800

people to a point of understanding

2328

01:39:44,629 --> 01:39:42,600

what's going on appreciating what's

2329

01:39:46,850 --> 01:39:44,639

going on not for freaking out about

2330

01:39:49,129 --> 01:39:46,860

what's going on and be in relationship

2331

01:39:51,649 --> 01:39:49,139

with the various Faith communities to

2332

01:39:53,689 --> 01:39:51,659

get them to adjust some of their

2333

01:39:56,270 --> 01:39:53,699

mythology that's been developed you know

2334

01:39:58,010 --> 01:39:56,280

back in the Middle Ages you know when 99

2335

01:40:00,830 --> 01:39:58,020

of the people couldn't even read or

2336

01:40:02,930 --> 01:40:00,840

write you know uh that we we've got to

2337

01:40:05,090 --> 01:40:02,940

update our institutions we have to

2338

01:40:07,250 --> 01:40:05,100

update our our religious beliefs we have

2339

01:40:09,290 --> 01:40:07,260

to update our philosophical beliefs our

2340

01:40:11,629 --> 01:40:09,300

metaphysical understanding of our place

2341

01:40:14,689 --> 01:40:11,639

in the universe this is what's really

2342

01:40:18,350 --> 01:40:14,699

going on now and this is a perfectly

2343

01:40:21,050 --> 01:40:18,360

appropriate undertaking for the

2344

01:40:22,910 --> 01:40:21,060

government structures to be involved in

2345

01:40:25,129 --> 01:40:22,920

facilitating these kind of conversations

2346

01:40:28,430 --> 01:40:25,139

you know and so that's what that's what

2347

01:40:30,350 --> 01:40:28,440

the the UFO C3 is is going to be doing

2348

01:40:32,510 --> 01:40:30,360

we're going to be setting up offices

2349

01:40:34,189 --> 01:40:32,520

down in Los Angeles there's a lot of

2350

01:40:37,070 --> 01:40:34,199

people that have already offered funding

2351
01:40:39,410 --> 01:40:37,080
for this to to get offices set up and to

2352
01:40:41,330 --> 01:40:39,420
begin to staff this operation and to be

2353
01:40:42,950 --> 01:40:41,340
responsible and for us to reach out and

2354
01:40:44,090 --> 01:40:42,960
establish a working relationship with

2355
01:40:46,189 --> 01:40:44,100
the people that are going to be in in

2356
01:40:48,709 --> 01:40:46,199
this new office to make sure they know

2357
01:40:50,629 --> 01:40:48,719
that we're attending to them and paying

2358
01:40:52,189 --> 01:40:50,639
attention to what they're doing and are

2359
01:40:54,470 --> 01:40:52,199
going to be monitoring the effectiveness

2360
01:40:56,330 --> 01:40:54,480
and and we're not going to we're not

2361
01:40:58,430 --> 01:40:56,340
going to go away the people are not

2362
01:41:01,250 --> 01:40:58,440
going to going to go back into the

2363
01:41:04,610 --> 01:41:01,260

closet on this particular issue the the

2364

01:41:07,910 --> 01:41:04,620

cat is out of the bag now yeah I I agree

2365

01:41:11,689 --> 01:41:07,920

with that now if you uh if you could

2366

01:41:13,910 --> 01:41:11,699

wave a magic wand and there is another

2367

01:41:16,129 --> 01:41:13,920

hearing and there should be something in

2368

01:41:19,930 --> 01:41:16,139

the Senate too as well it shouldn't just

2369

01:41:24,229 --> 01:41:19,940

be a a house subcommittee right

2370

01:41:27,290 --> 01:41:24,239

who should be called as Witnesses should

2371

01:41:30,229 --> 01:41:27,300

we have some civilians brought in say uh

2372

01:41:33,290 --> 01:41:30,239

Richard Dolan uh do we have military

2373

01:41:35,810 --> 01:41:33,300

Dave fraver and and other John Burroughs

2374

01:41:40,270 --> 01:41:35,820

would certainly be a pretty good witness

2375

01:41:44,570 --> 01:41:40,280

to uh to call and testify well would you

2376

01:41:47,510 --> 01:41:44,580

have uh have called well my my sense is

2377

01:41:49,850 --> 01:41:47,520

this is that they they first need to get

2378

01:41:52,790 --> 01:41:49,860

this office functional

2379

01:41:54,770 --> 01:41:52,800

uh it is going to be so important you

2380

01:41:56,750 --> 01:41:54,780

know it's it's uh it's like it's like

2381

01:41:58,550 --> 01:41:56,760

saying you know uh who do you think

2382

01:42:01,250 --> 01:41:58,560

ought to drive this car when you don't

2383

01:42:02,810 --> 01:42:01,260

have the engine working yet you know and

2384

01:42:04,609 --> 01:42:02,820

what I'm saying is that I think if we

2385

01:42:07,010 --> 01:42:04,619

can get this office set up in a

2386

01:42:08,570 --> 01:42:07,020

responsible way with responsible staff

2387

01:42:11,390 --> 01:42:08,580

people in it that are really

2388

01:42:14,030 --> 01:42:11,400

forward-leaning and are responsible and

2389

01:42:15,770 --> 01:42:14,040

are are trustworthy about what what it

2390

01:42:17,570 --> 01:42:15,780

is that they're doing then what we're

2391

01:42:21,070 --> 01:42:17,580

going to do is real to have to make a

2392

01:42:24,770 --> 01:42:21,080

decision what type of external pressure

2393

01:42:26,570 --> 01:42:24,780

may have to still be applied to get them

2394

01:42:28,970 --> 01:42:26,580

to function more effectively and more

2395

01:42:30,830 --> 01:42:28,980

honestly and that's what the purpose of

2396

01:42:33,229 --> 01:42:30,840

the hearings are about is to bring in

2397

01:42:34,910 --> 01:42:33,239

people to put pressure on the executive

2398

01:42:36,470 --> 01:42:34,920

branch because this is still an

2399

01:42:38,629 --> 01:42:36,480

executive branch office that we're

2400

01:42:40,209 --> 01:42:38,639

talking about so who would you who would

2401

01:42:43,910 --> 01:42:40,219

you bring forward

2402

01:42:46,010 --> 01:42:43,920

I I wouldn't right at this point I

2403

01:42:48,169 --> 01:42:46,020

wouldn't I think it's premature because

2404

01:42:50,629 --> 01:42:48,179

because what you're doing then is you're

2405

01:42:53,209 --> 01:42:50,639

you're wading into an area with too many

2406

01:42:55,729 --> 01:42:53,219

unknowns right now because you don't you

2407

01:42:58,790 --> 01:42:55,739

you you don't need to offend people you

2408

01:43:01,010 --> 01:42:58,800

don't need to uh to to challenge people

2409

01:43:03,350 --> 01:43:01,020

or threaten people right now what we

2410

01:43:05,090 --> 01:43:03,360

need to do is get them to do their job

2411

01:43:06,890 --> 01:43:05,100

right now we've got to get this thing

2412

01:43:08,870 --> 01:43:06,900

passed we've got to get but the first

2413

01:43:12,590 --> 01:43:08,880

thing we need to do is to get the

2414

01:43:15,790 --> 01:43:12,600

Republican party to agree to approve the

2415

01:43:21,470 --> 01:43:18,530

I guess what you know in in a more

2416

01:43:23,990 --> 01:43:21,480

direct sense what I'm getting to is we

2417

01:43:26,510 --> 01:43:24,000

have the Wilson Davis document is now

2418

01:43:29,990 --> 01:43:26,520

part of uh the Congressional Record yeah

2419

01:43:33,530 --> 01:43:30,000

bring Wilson bring Eric Davis sit them

2420

01:43:36,830 --> 01:43:33,540

down and and answer some questions uh

2421

01:43:39,830 --> 01:43:36,840

bring bring Oak Shannon in what are you

2422

01:43:42,350 --> 01:43:39,840

guys talking about here are we but

2423

01:43:46,010 --> 01:43:42,360

privately what I'm saying is you can get

2424

01:43:48,169 --> 01:43:46,020

you can get the for example Rubio and

2425

01:43:50,870 --> 01:43:48,179

were and the people can talk to these

2426

01:43:53,169 --> 01:43:50,880

people privately to find out what it is

2427

01:43:55,850 --> 01:43:53,179

that they're willing to say to them okay

2428

01:43:58,070 --> 01:43:55,860

not not a public not a public hearing

2429

01:43:59,810 --> 01:43:58,080

because the public hearing you're going

2430

01:44:01,430 --> 01:43:59,820

to get you know 18 different people

2431

01:44:03,350 --> 01:44:01,440

coming in and misinterpreting what

2432

01:44:06,530 --> 01:44:03,360

they're saying and attacking them you

2433

01:44:08,689 --> 01:44:06,540

know there need to be us there are a

2434

01:44:11,290 --> 01:44:08,699

series of private conversations that are

2435

01:44:15,470 --> 01:44:11,300

going on now in Washington DC right now

2436

01:44:18,169 --> 01:44:15,480

uh with important people uh to to get

2437

01:44:20,510 --> 01:44:18,179

information into the hands of of Rubio

2438

01:44:23,870 --> 01:44:20,520

and Warner in in some of their staff

2439

01:44:25,370 --> 01:44:23,880

people uh and and that's and we need to

2440

01:44:27,770 --> 01:44:25,380

see how the politics are going to play

2441

01:44:30,530 --> 01:44:27,780

out here the unfortunate reality of it

2442

01:44:34,070 --> 01:44:30,540

is in a democracy like this with an

2443

01:44:36,290 --> 01:44:34,080

election coming up in 2024 with people

2444

01:44:39,290 --> 01:44:36,300

already announcing their candidacies you

2445

01:44:41,330 --> 01:44:39,300

know is that the problem is is that it's

2446

01:44:43,729 --> 01:44:41,340

sort of like in war you know truth is

2447

01:44:47,090 --> 01:44:43,739

the first victim in in a political

2448

01:44:49,609 --> 01:44:47,100

campaign you know objectivity uh is one

2449

01:44:51,109 --> 01:44:49,619

of the very first victims and so this is

2450

01:44:52,729 --> 01:44:51,119

such an important thing that we want to

2451

01:44:54,890 --> 01:44:52,739

try to remain objective about and

2452

01:44:57,169 --> 01:44:54,900

responsible about that we have to have

2453

01:44:59,689 --> 01:44:57,179

these conversations going on you know

2454

01:45:02,030 --> 01:44:59,699

with these people who have have secure

2455

01:45:03,410 --> 01:45:02,040

seats they're not they're not in the 33

2456

01:45:05,990 --> 01:45:03,420

Senate seats that are going to be coming

2457

01:45:07,609 --> 01:45:06,000

up for election in 2024 it's not going

2458

01:45:09,530 --> 01:45:07,619

to be with candidates who are trying to

2459

01:45:11,450 --> 01:45:09,540

compete for the presidency and are going

2460

01:45:13,430 --> 01:45:11,460

to misuse the information that they get

2461

01:45:16,070 --> 01:45:13,440

that we've got to have serious state

2462

01:45:19,850 --> 01:45:16,080

these people working on this between now

2463

01:45:22,010 --> 01:45:19,860

and 2024 uh and and we need to see

2464

01:45:24,229 --> 01:45:22,020

whether or not you know it's going to be

2465

01:45:25,609 --> 01:45:24,239

just more Joe Biden you know for the

2466

01:45:27,050 --> 01:45:25,619

Democratic party and whether it's going

2467

01:45:30,350 --> 01:45:27,060

to be Donald Trump for the Republican

2468

01:45:32,209 --> 01:45:30,360

party again you know or or whether you

2469

01:45:34,250 --> 01:45:32,219

know somebody else is going to rise up

2470

01:45:37,189 --> 01:45:34,260

as as the representatives for those

2471

01:45:38,750 --> 01:45:37,199

political parties uh but this this work

2472

01:45:41,209 --> 01:45:38,760

that's going to be going on in Congress

2473

01:45:43,910 --> 01:45:41,219

the Senate the Senate is going to be

2474

01:45:47,770 --> 01:45:43,920

able to function on this issue this

2475

01:45:51,109 --> 01:45:47,780

issue is probably the most bipartisan

2476

01:45:53,090 --> 01:45:51,119

issue that I have ever seen

2477

01:45:55,490 --> 01:45:53,100

in Congress and I've been dealing with

2478

01:45:57,890 --> 01:45:55,500

Congress for like 50 years now yes you

2479

01:45:59,570 --> 01:45:57,900

have and uh and I've been meeting with

2480

01:46:02,390 --> 01:45:59,580

lots of senators this is the most

2481

01:46:04,970 --> 01:46:02,400

bipartisan issue that I've that I've

2482

01:46:07,970 --> 01:46:04,980

ever seen because they know how

2483

01:46:09,590 --> 01:46:07,980

extraordinarily important it is uh and

2484

01:46:11,530 --> 01:46:09,600

so they're they're they're working very

2485

01:46:14,810 --> 01:46:11,540

carefully to try to get this thing right

2486

01:46:17,930 --> 01:46:14,820

and I hope that they do that Danny you

2487

01:46:19,930 --> 01:46:17,940

mentioned uh that there are parties

2488

01:46:23,209 --> 01:46:19,940

right now in Washington

2489

01:46:27,709 --> 01:46:23,219

uh attempting to get information to

2490

01:46:31,729 --> 01:46:27,719

Rubio what what what information is this

2491

01:46:34,729 --> 01:46:31,739

is this stuff uh cases that haven't been

2492

01:46:38,649 --> 01:46:34,739

is it physics is it science is there

2493

01:46:42,109 --> 01:46:38,659

something what information would be uh

2494

01:46:44,810 --> 01:46:42,119

would would Rubio need to see and who

2495

01:46:46,609 --> 01:46:44,820

would give it to him well Rubio Rubio

2496

01:46:49,250 --> 01:46:46,619

has seen a good deal of information

2497

01:46:51,050 --> 01:46:49,260

because he has his clearances uh that

2498

01:46:54,350 --> 01:46:51,060

are they're necessary but he is not yet

2499

01:46:57,530 --> 01:46:54,360

have been let into the interstate inner

2500

01:46:59,209 --> 01:46:57,540

sanctum of this thing uh the people the

2501
01:47:02,330 --> 01:46:59,219
people who are still guarding that door

2502
01:47:05,450 --> 01:47:02,340
are still guarding it uh and there are

2503
01:47:08,030 --> 01:47:05,460
there are in in the problem is is that

2504
01:47:11,930 --> 01:47:08,040
in in the Congress they don't want to

2505
01:47:13,910 --> 01:47:11,940
invite a person in and ask them to tell

2506
01:47:15,890 --> 01:47:13,920
them something that they know the person

2507
01:47:18,229 --> 01:47:15,900
isn't going to tell them

2508
01:47:20,570 --> 01:47:18,239
because that's just that's not

2509
01:47:22,790 --> 01:47:20,580
constructive uh you know uh but but

2510
01:47:25,129 --> 01:47:22,800
there there are a handful of people you

2511
01:47:27,290 --> 01:47:25,139
know who they are uh a lot of them you

2512
01:47:30,050 --> 01:47:27,300
know kit green and and help put off and

2513
01:47:33,229 --> 01:47:30,060

uh and some of the folks Bigelow folks

2514

01:47:37,910 --> 01:47:33,239

around this area for 50 years who know

2515

01:47:40,129 --> 01:47:37,920

an awful lot an awful lot you know but

2516

01:47:41,570 --> 01:47:40,139

uh but there there's still not they're

2517

01:47:44,450 --> 01:47:41,580

still not the people that are at the

2518

01:47:46,910 --> 01:47:44,460

very heart of this of this group that

2519

01:47:49,729 --> 01:47:46,920

that is controlling the information you

2520

01:47:51,890 --> 01:47:49,739

know uh and so that the in those people

2521

01:47:53,450 --> 01:47:51,900

are not going to talk they're gonna

2522

01:47:55,250 --> 01:47:53,460

they're gonna squat down on this

2523

01:48:00,470 --> 01:47:55,260

information as long as they possibly can

2524

01:48:02,689 --> 01:48:00,480

yeah but what is uh uh I I totally

2525

01:48:06,109 --> 01:48:02,699

appreciate that but

2526
01:48:07,910 --> 01:48:06,119
um my question is what is it that Rubio

2527
01:48:09,950 --> 01:48:07,920
needs to see

2528
01:48:12,050 --> 01:48:09,960
he's already got a security clearance I

2529
01:48:15,109 --> 01:48:12,060
totally get that yeah that's information

2530
01:48:17,930 --> 01:48:15,119
coming from the dod and classified

2531
01:48:20,570 --> 01:48:17,940
briefings and that's got us it's its own

2532
01:48:22,070 --> 01:48:20,580
slant yeah he doesn't he doesn't he

2533
01:48:25,729 --> 01:48:22,080
doesn't he doesn't have he doesn't have

2534
01:48:28,010 --> 01:48:25,739
the the uh the level of of clearances

2535
01:48:29,870 --> 01:48:28,020
that are necessary to have the

2536
01:48:32,209 --> 01:48:29,880
information that some of the some people

2537
01:48:34,609 --> 01:48:32,219
have about this right and positive he

2538
01:48:36,649 --> 01:48:34,619

does not and specifically what do you

2539

01:48:38,870 --> 01:48:36,659

think this information should be

2540

01:48:41,450 --> 01:48:38,880

oh it'll be it'll be the specific

2541

01:48:44,810 --> 01:48:41,460

information about the knowledge of the

2542

01:48:48,169 --> 01:48:44,820

actual existence of this civilization uh

2543

01:48:50,030 --> 01:48:48,179

and and what it is and the the degree of

2544

01:48:53,510 --> 01:48:50,040

contact that's actually been established

2545

01:48:57,050 --> 01:48:53,520

with them you know uh in that that this

2546

01:48:58,450 --> 01:48:57,060

is this is uh very very highly uh

2547

01:49:02,090 --> 01:48:58,460

guarded information

2548

01:49:04,729 --> 01:49:02,100

uh in the in the the it's more than a

2549

01:49:07,729 --> 01:49:04,739

special Access program uh this is this

2550

01:49:10,609 --> 01:49:07,739

is the the most carefully guarded secret

2551
01:49:12,950 --> 01:49:10,619
you know in in every government Circle

2552
01:49:13,790 --> 01:49:12,960
in the United States has more of it than

2553
01:49:16,970 --> 01:49:13,800
anybody

2554
01:49:19,370 --> 01:49:16,980
Gorbachev about this I've talked

2555
01:49:21,229 --> 01:49:19,380
directly with people about this and and

2556
01:49:24,050 --> 01:49:21,239
they know perfectly well that there is

2557
01:49:27,169 --> 01:49:24,060
this inner sanctum that has this

2558
01:49:29,930 --> 01:49:27,179
information uh and that they're closely

2559
01:49:32,330 --> 01:49:29,940
guarding it uh and the the problem is is

2560
01:49:34,129 --> 01:49:32,340
that they're up until this point they've

2561
01:49:36,410 --> 01:49:34,139
been part of this National Security

2562
01:49:38,330 --> 01:49:36,420
State apparatus and they're trying to

2563
01:49:41,930 --> 01:49:38,340

figure out how to utilize this

2564

01:49:44,689 --> 01:49:41,940

information on behalf of the unique

2565

01:49:47,450 --> 01:49:44,699

benefits of a given one nation state

2566

01:49:49,729 --> 01:49:47,460

and and that and they won't that is not

2567

01:49:50,810 --> 01:49:49,739

that is not the way that this can be or

2568

01:49:54,770 --> 01:49:50,820

should be done

2569

01:49:56,930 --> 01:49:54,780

you know this is this is a a human uh

2570

01:49:59,510 --> 01:49:56,940

point in history where we have to figure

2571

01:50:01,550 --> 01:49:59,520

out what to do about this so all these

2572

01:50:03,950 --> 01:50:01,560

structures that we have of the nation

2573

01:50:06,649 --> 01:50:03,960

states and the United Nations and all of

2574

01:50:09,169 --> 01:50:06,659

these uh highly imperfect structures

2575

01:50:12,770 --> 01:50:09,179

that we have right now need to be

2576

01:50:14,810 --> 01:50:12,780

visited in such a way is to update them

2577

01:50:16,790 --> 01:50:14,820

and these are the kind of conversations

2578

01:50:19,070 --> 01:50:16,800

that need to be had these conversations

2579

01:50:20,930 --> 01:50:19,080

about the implications of this reality

2580

01:50:22,490 --> 01:50:20,940

that we're dealing with now are a lot

2581

01:50:24,530 --> 01:50:22,500

more than just philosophical and

2582

01:50:26,149 --> 01:50:24,540

metaphysical and Theological they're

2583

01:50:28,129 --> 01:50:26,159

practical they're public policy

2584

01:50:30,590 --> 01:50:28,139

questions that are at stake here there

2585

01:50:32,930 --> 01:50:30,600

there are economic questions there are

2586

01:50:34,669 --> 01:50:32,940

technological questions there are all

2587

01:50:36,590 --> 01:50:34,679

kinds of important questions that need

2588

01:50:39,770 --> 01:50:36,600

to get addressed and they are not

2589

01:50:41,750 --> 01:50:39,780

getting addressed even by this office

2590

01:50:44,510 --> 01:50:41,760

that's being put up this office that's

2591

01:50:48,050 --> 01:50:44,520

being put up is narrowly focused on the

2592

01:50:51,109 --> 01:50:48,060

UAP phenomenon itself and so that we we

2593

01:50:52,550 --> 01:50:51,119

need to we need to expand this office we

2594

01:50:55,010 --> 01:50:52,560

need to get this office up and running

2595

01:50:56,689 --> 01:50:55,020

running effectively running honestly and

2596

01:50:59,629 --> 01:50:56,699

responsibly and we need to start

2597

01:51:01,850 --> 01:50:59,639

expanding this office and that's part of

2598

01:51:03,530 --> 01:51:01,860

what the the UFO C3

2599

01:51:06,410 --> 01:51:03,540

is that we're going to be talking about

2600

01:51:10,010 --> 01:51:06,420

the of the C3 amplifier is the 501c3

2601
01:51:11,870 --> 01:51:10,020
which is the tax deductible you know uh

2602
01:51:14,570 --> 01:51:11,880
a public interest organization that has

2603
01:51:16,370 --> 01:51:14,580
no commercial interest in in this it's

2604
01:51:18,530 --> 01:51:16,380
just a public interest organization to

2605
01:51:20,990 --> 01:51:18,540
try to bring the information together so

2606
01:51:23,390 --> 01:51:21,000
that we can start to craft what the

2607
01:51:25,850 --> 01:51:23,400
additional issues are that need to be

2608
01:51:28,550 --> 01:51:25,860
addressed by Congress and by the

2609
01:51:31,189 --> 01:51:28,560
representatives over and above how does

2610
01:51:33,169 --> 01:51:31,199
the technology work you know and do we

2611
01:51:35,330 --> 01:51:33,179
have any of the craft in hand and you

2612
01:51:37,910 --> 01:51:35,340
know and and uh what kind of a threat

2613
01:51:39,649 --> 01:51:37,920

might they pose to our nuclear forces

2614

01:51:41,149 --> 01:51:39,659

and all that you know we we've got to

2615

01:51:44,209 --> 01:51:41,159

have we've got to have much more

2616

01:51:46,729 --> 01:51:44,219

expansive uh deeply felt conversations

2617

01:51:49,669 --> 01:51:46,739

about what our human family needs to

2618

01:51:50,590 --> 01:51:49,679

think about in in this unique period of

2619

01:51:55,790 --> 01:51:50,600

History

2620

01:51:59,030 --> 01:51:55,800

the the quote from uh attributed to uh

2621

01:52:03,410 --> 01:51:59,040

Eric Davis uh in Blumenthal and Leslie

2622

01:52:05,390 --> 01:52:03,420

Kane's uh article uh uh two years ago uh

2623

01:52:07,550 --> 01:52:05,400

buried in that article uh down at the

2624

01:52:09,590 --> 01:52:07,560

bottom and I talked to Ralph Blumenthal

2625

01:52:11,090 --> 01:52:09,600

about this he said it was at the end of

2626

01:52:14,090 --> 01:52:11,100

the article for

2627

01:52:15,350 --> 01:52:14,100

for a reason that they couldn't start

2628

01:52:18,530 --> 01:52:15,360

with that

2629

01:52:21,649 --> 01:52:18,540

um is the quote uh where Eric Davis says

2630

01:52:23,510 --> 01:52:21,659

that he briefed this Senate in a

2631

01:52:26,629 --> 01:52:23,520

classified hearing and told the Senate

2632

01:52:30,350 --> 01:52:26,639

that we have crashed alien flying

2633

01:52:33,050 --> 01:52:30,360

saucers yeah right these are from that

2634

01:52:35,750 --> 01:52:33,060

all of the people involved believe that

2635

01:52:39,290 --> 01:52:35,760

it's extraterrestrial now if if that is

2636

01:52:40,609 --> 01:52:39,300

indeed the case yes if all of this you

2637

01:52:42,709 --> 01:52:40,619

know we know the cat is out of the bag

2638

01:52:44,510 --> 01:52:42,719

but if it comes out that we are in

2639

01:52:47,450 --> 01:52:44,520

possession and the Wilson Davis document

2640

01:52:49,970 --> 01:52:47,460

is correct and and Lockheed is backwards

2641

01:52:53,090 --> 01:52:49,980

engineering we've been in possession of

2642

01:52:55,070 --> 01:52:53,100

a high technology that could have fed

2643

01:52:57,649 --> 01:52:55,080

the world that could have heeded our

2644

01:52:59,870 --> 01:52:57,659

children's schools that that could have

2645

01:53:02,510 --> 01:52:59,880

answered all of the mass transportation

2646

01:53:06,050 --> 01:53:02,520

problems and the logistic issues and and

2647

01:53:09,530 --> 01:53:06,060

and the fossil fuel issues I think it's

2648

01:53:11,750 --> 01:53:09,540

not the fact that ETS are here that's

2649

01:53:15,129 --> 01:53:11,760

not what would freak people out but fact

2650

01:53:19,189 --> 01:53:15,139

that we have been manipulated by

2651

01:53:22,070 --> 01:53:19,199

fossil fuels and oil and the money

2652

01:53:25,250 --> 01:53:22,080

grubbing that is there that would upset

2653

01:53:28,669 --> 01:53:25,260

the planet no I don't that the my own

2654

01:53:30,950 --> 01:53:28,679

personal opinion is based on what I know

2655

01:53:33,169 --> 01:53:30,960

at this point is that they don't really

2656

01:53:36,590 --> 01:53:33,179

know how to make it work

2657

01:53:39,729 --> 01:53:36,600

because it's got a it's got a

2658

01:53:42,169 --> 01:53:39,739

metaphysical Dimension to it a a

2659

01:53:45,050 --> 01:53:42,179

transpersonal dimension to it the

2660

01:53:49,430 --> 01:53:45,060

technology uh it functions with

2661

01:53:51,410 --> 01:53:49,440

telepathy uh in a form of a subtle uh

2662

01:53:53,750 --> 01:53:51,420

energy fields and stuff that they do not

2663

01:53:55,189 --> 01:53:53,760

understand they can't they don't know

2664

01:53:57,290 --> 01:53:55,199

how to make it work

2665

01:53:58,729 --> 01:53:57,300

well I mean all this hoop a lot you know

2666

01:53:59,990 --> 01:53:58,739

about you know we got a secret space

2667

01:54:01,790 --> 01:54:00,000

program we've been flying these things

2668

01:54:04,189 --> 01:54:01,800

around it didn't decide no that's true

2669

01:54:06,290 --> 01:54:04,199

all that Corey good stuff and and all

2670

01:54:08,750 --> 01:54:06,300

that stuff is not true you know the the

2671

01:54:12,350 --> 01:54:08,760

fact is they're buffaloed by this stuff

2672

01:54:14,629 --> 01:54:12,360

is so it's so far beyond uh their

2673

01:54:17,450 --> 01:54:14,639

technology that they can't they can't

2674

01:54:18,950 --> 01:54:17,460

figure out how to make it work uh so

2675

01:54:21,350 --> 01:54:18,960

it's not that they've got it and they're

2676

01:54:23,330 --> 01:54:21,360

they're hiding it uh you know they're

2677

01:54:24,530 --> 01:54:23,340

they're still they're hiding it and

2678

01:54:27,590 --> 01:54:24,540

trying to figure out how to make it work

2679

01:54:30,649 --> 01:54:27,600

as a weapon or or some kind of a fighter

2680

01:54:33,109 --> 01:54:30,659

a special fighter craft of some sort I

2681

01:54:35,030 --> 01:54:33,119

mean it's it's uh as I said you've heard

2682

01:54:36,770 --> 01:54:35,040

me say that it's like the old Sufi

2683

01:54:39,050 --> 01:54:36,780

saying you know that when a pickpocket

2684

01:54:40,430 --> 01:54:39,060

meets a saint all he sees are his

2685

01:54:42,169 --> 01:54:40,440

pockets

2686

01:54:44,810 --> 01:54:42,179

you know and so that they've gotten

2687

01:54:46,250 --> 01:54:44,820

riveted on this technology and that

2688

01:54:49,129 --> 01:54:46,260

they're fixated with the technology

2689

01:54:51,350 --> 01:54:49,139

about how to how to you know bolster the

2690

01:54:53,090 --> 01:54:51,360

technology and make it into a weapon for

2691

01:54:55,250 --> 01:54:53,100

the the value of their own nation state

2692

01:54:58,550 --> 01:54:55,260

of the United States government you know

2693

01:55:00,229 --> 01:54:58,560

in the and that's it's myopic it's

2694

01:55:02,510 --> 01:55:00,239

incredibly short-sighted

2695

01:55:04,490 --> 01:55:02,520

and so that the but they don't know how

2696

01:55:06,950 --> 01:55:04,500

to make it work and they can't fly it

2697

01:55:08,149 --> 01:55:06,960

they they can try to replicate some

2698

01:55:09,890 --> 01:55:08,159

things about it they're going to try to

2699

01:55:11,209 --> 01:55:09,900

imitate it or whatever they're doing you

2700

01:55:12,950 --> 01:55:11,219

know but they're but they're not they

2701
01:55:14,810 --> 01:55:12,960
haven't mastered this stuff yet you know

2702
01:55:17,390 --> 01:55:14,820
in in on this you know with Stephen

2703
01:55:20,090 --> 01:55:17,400
Greer and I fundamentally disagree on

2704
01:55:21,410 --> 01:55:20,100
this you know Stephen just hypothesizes

2705
01:55:22,550 --> 01:55:21,420
that they've got it all figured out and

2706
01:55:24,890 --> 01:55:22,560
they've been flying these things around

2707
01:55:27,410 --> 01:55:24,900
for all this time and that most of the

2708
01:55:29,510 --> 01:55:27,420
sightings are are not even really uh

2709
01:55:31,010 --> 01:55:29,520
extraterrestrial you know but I don't

2710
01:55:34,189 --> 01:55:31,020
agree with that I mean I could be wrong

2711
01:55:36,649 --> 01:55:34,199
but I don't think I'm wrong uh and so

2712
01:55:40,669 --> 01:55:36,659
that the bottom the bottom line is is

2713
01:55:43,729 --> 01:55:40,679

that the the I I think that Marshall uh

2714

01:55:46,070 --> 01:55:43,739

Marsha Summers raises a very important

2715

01:55:48,590 --> 01:55:46,080

question that we as a human family have

2716

01:55:52,550 --> 01:55:48,600

to answer here he's saying that look

2717

01:55:55,790 --> 01:55:52,560

beware beware of strangers bearing gifts

2718

01:55:57,410 --> 01:55:55,800

here you know of of a an

2719

01:55:59,930 --> 01:55:57,420

extraterrestrial civilization coming in

2720

01:56:02,270 --> 01:55:59,940

saying oh look I will I will I will help

2721

01:56:04,430 --> 01:56:02,280

you here you know I'll I'll give you a

2722

01:56:06,649 --> 01:56:04,440

little bit of Technology here and get

2723

01:56:08,209 --> 01:56:06,659

you over this hump here and and I I've

2724

01:56:10,729 --> 01:56:08,219

told the story Lou and I have told the

2725

01:56:13,310 --> 01:56:10,739

story before the Senators that

2726

01:56:15,109 --> 01:56:13,320

what we need to know is that this this

2727

01:56:17,870 --> 01:56:15,119

is the story of the little boy in the

2728

01:56:20,990 --> 01:56:17,880

butterfly uh that that there was a

2729

01:56:23,330 --> 01:56:21,000

little boy that that loved butterflies

2730

01:56:24,890 --> 01:56:23,340

and he had a big like little Aviary

2731

01:56:27,770 --> 01:56:24,900

thing out in his backyard where all the

2732

01:56:29,090 --> 01:56:27,780

butterflies lived in this big old uh big

2733

01:56:31,790 --> 01:56:29,100

gigantic cage where they could fly

2734

01:56:34,189 --> 01:56:31,800

around and he was he was looking for a

2735

01:56:36,590 --> 01:56:34,199

perfect specimen uh you know to have a

2736

01:56:39,050 --> 01:56:36,600

monarch butterfly and he finally found a

2737

01:56:41,030 --> 01:56:39,060

cocoon of a little monarch butterfly uh

2738

01:56:42,770 --> 01:56:41,040

and he brought it home and he put it in

2739

01:56:44,030 --> 01:56:42,780

a little box with cotton in it and put a

2740

01:56:46,129 --> 01:56:44,040

little lights on and kept it nice and

2741

01:56:48,109 --> 01:56:46,139

warm and monitored the whole thing and

2742

01:56:50,209 --> 01:56:48,119

watched it develop and finally it

2743

01:56:52,370 --> 01:56:50,219

started develop and it grew and it

2744

01:56:54,350 --> 01:56:52,380

started to break out in the the

2745

01:56:57,290 --> 01:56:54,360

butterfly struggled and struggled and

2746

01:57:00,050 --> 01:56:57,300

was breaking out of the Cocoon and was

2747

01:57:02,390 --> 01:57:00,060

struggling against the last tiny thin

2748

01:57:04,189 --> 01:57:02,400

silken thread of the Cocoon it was

2749

01:57:05,689 --> 01:57:04,199

struggling mightily against it the

2750

01:57:07,609 --> 01:57:05,699

little boy washed it and watched it and

2751

01:57:08,750 --> 01:57:07,619

he felt so bad about this then he

2752

01:57:10,790 --> 01:57:08,760

finally got a little pair of scissors

2753

01:57:13,490 --> 01:57:10,800

and he clipped the last little silken

2754

01:57:15,229 --> 01:57:13,500

thread and the Butterfly came free and

2755

01:57:16,750 --> 01:57:15,239

it was the most perfect specimen of a

2756

01:57:20,209 --> 01:57:16,760

monarch butterfly you could ever see

2757

01:57:22,189 --> 01:57:20,219

except that it could never fly

2758

01:57:25,070 --> 01:57:22,199

because it turns out that the struggling

2759

01:57:27,410 --> 01:57:25,080

against that last silken thread was

2760

01:57:29,570 --> 01:57:27,420

necessary to develop the muscle

2761

01:57:32,270 --> 01:57:29,580

structure that the butterfly needed in

2762

01:57:34,669 --> 01:57:32,280

order to be able to fly and so for us

2763

01:57:36,709 --> 01:57:34,679

we're at this moment here with our human

2764

01:57:39,950 --> 01:57:36,719

family where we're struggling against

2765

01:57:43,070 --> 01:57:39,960

the not just silken threads of our own

2766

01:57:45,290 --> 01:57:43,080

creation but but entire ropes that we've

2767

01:57:47,629 --> 01:57:45,300

tied around ourselves of fighting with

2768

01:57:50,450 --> 01:57:47,639

each other and putting resources into

2769

01:57:52,250 --> 01:57:50,460

weapons and and and being racially

2770

01:57:54,589 --> 01:57:52,260

Prejudiced and gender Prejudice and

2771

01:57:56,930 --> 01:57:54,599

everything that we're at a particular

2772

01:58:00,290 --> 01:57:56,940

stage right now where we have to evolve

2773

01:58:03,050 --> 01:58:00,300

we have to evolve in order to reach up

2774

01:58:04,910 --> 01:58:03,060

into the Stars here uh and this is this

2775

01:58:07,490 --> 01:58:04,920

is an extraordinary moment that we have

2776
01:58:09,290 --> 01:58:07,500
here and so we have to supplement this

2777
01:58:11,270 --> 01:58:09,300
work that's being done by this narrow

2778
01:58:14,089 --> 01:58:11,280
office as important as it is to look

2779
01:58:17,089 --> 01:58:14,099
into the UFO phenomena to surround it

2780
01:58:19,490 --> 01:58:17,099
with with a philosophical theological

2781
01:58:22,129 --> 01:58:19,500
metaphysical set of discussions about

2782
01:58:25,129 --> 01:58:22,139
our whole human family and so that we

2783
01:58:26,750 --> 01:58:25,139
can transcend our own self-imposed

2784
01:58:29,030 --> 01:58:26,760
constraints on our on our our

2785
01:58:32,990 --> 01:58:29,040
possibilities here and that's what

2786
01:58:35,629 --> 01:58:33,000
that's what the the 501c3 the UFO C3 is

2787
01:58:36,530 --> 01:58:35,639
hopefully going to be uh and there are

2788
01:58:38,689 --> 01:58:36,540

people that are stepping forward

2789

01:58:40,070 --> 01:58:38,699

insisting that we put this together it's

2790

01:58:41,870 --> 01:58:40,080

not going to be just me that's going to

2791

01:58:43,609 --> 01:58:41,880

do it I have to reach out and talk with

2792

01:58:45,530 --> 01:58:43,619

with all of our people and all of our

2793

01:58:48,050 --> 01:58:45,540

friends that we've made down over the

2794

01:58:50,810 --> 01:58:48,060

last 50 years of working together to try

2795

01:58:53,330 --> 01:58:50,820

to overcome our own our own internal

2796

01:58:54,950 --> 01:58:53,340

challenges in our own Community uh to be

2797

01:58:57,229 --> 01:58:54,960

able to help our larger Community here

2798

01:58:59,089 --> 01:58:57,239

in the United United States and on our

2799

01:59:01,430 --> 01:58:59,099

whole planet you know that that's what's

2800

01:59:03,589 --> 01:59:01,440

really going on here Jimmy uh but but

2801

01:59:06,229 --> 01:59:03,599

this is the moment you know this this

2802

01:59:08,689 --> 01:59:06,239

focus on this this uh office is being

2803

01:59:10,669 --> 01:59:08,699

set up by the defense department in the

2804

01:59:12,709 --> 01:59:10,679

United States Congress and the Senate is

2805

01:59:14,209 --> 01:59:12,719

going to be extremely important and uh

2806

01:59:16,490 --> 01:59:14,219

you know I want to I want to work with

2807

01:59:18,290 --> 01:59:16,500

everybody that we possibly can to

2808

01:59:21,169 --> 01:59:18,300

cooperate on this

2809

01:59:23,089 --> 01:59:21,179

where can everybody reach out if they if

2810

01:59:25,669 --> 01:59:23,099

they if they want to help or or get

2811

01:59:28,430 --> 01:59:25,679

involved well they can contact they can

2812

01:59:31,250 --> 01:59:28,440

contact me at the Romero Institute uh

2813

01:59:33,410 --> 01:59:31,260

it's named after Oscar Romero uh the the

2814

01:59:35,089 --> 01:59:33,420

Catholic priest who was murdered down in

2815

01:59:37,490 --> 01:59:35,099

El Salvador trying to help poor people

2816

01:59:40,370 --> 01:59:37,500

you know because the Romero Institute is

2817

01:59:42,890 --> 01:59:40,380

a 501c3 public interest organization we

2818

01:59:44,750 --> 01:59:42,900

have a wholly integrated auxiliary

2819

01:59:47,089 --> 01:59:44,760

project which is a new paradigm project

2820

01:59:49,430 --> 01:59:47,099

but that's not that's not going to be

2821

01:59:52,250 --> 01:59:49,440

the home of the C3 we're going to set up

2822

01:59:54,229 --> 01:59:52,260

a completely independent 501c3 in

2823

01:59:57,490 --> 01:59:54,239

cooperation with all of our friends but

2824

02:00:01,510 --> 01:59:57,500

they can reach me at uh at the

2825

02:00:03,729 --> 02:00:01,520

daniel.shian at Romero Institute

2826

02:00:05,770 --> 02:00:03,739

r-o-m-e-r-o

2827

02:00:11,629 --> 02:00:05,780

institute.org

2828

02:00:13,250 --> 02:00:11,639

I will I will get back to everybody and

2829

02:00:15,649 --> 02:00:13,260

try to get people involved in the

2830

02:00:17,270 --> 02:00:15,659

conversation so that we can set up the

2831

02:00:19,669 --> 02:00:17,280

office in Los Angeles people are

2832

02:00:22,129 --> 02:00:19,679

offering us a facility down there a big

2833

02:00:24,470 --> 02:00:22,139

facility that we can we can use and

2834

02:00:26,149 --> 02:00:24,480

staff up they're offering us funds to

2835

02:00:29,209 --> 02:00:26,159

put it together I have to put together

2836

02:00:30,530 --> 02:00:29,219

the administration of the thing and the

2837

02:00:32,689 --> 02:00:30,540

Coalition of people that would be

2838

02:00:35,089 --> 02:00:32,699

advisors to this and I want us all to

2839

02:00:37,010 --> 02:00:35,099

remain completely friendly and and

2840

02:00:40,129 --> 02:00:37,020

leaning into getting this thing to

2841

02:00:41,570 --> 02:00:40,139

succeed uh this UFO C3 that we're gonna

2842

02:00:46,209 --> 02:00:41,580

we're gonna be putting together but they

2843

02:00:48,649 --> 02:00:46,219

can reach me at the daniel.shian at

2844

02:00:50,330 --> 02:00:48,659

romeroinstitute.org Danny thank you so

2845

02:00:53,030 --> 02:00:50,340

much I'm going to be hanging out with

2846

02:00:55,550 --> 02:00:53,040

you uh in a couple of months at uh if

2847

02:00:57,169 --> 02:00:55,560

Expo once again this year right it's

2848

02:01:00,169 --> 02:00:57,179

going to be amazing uh hopefully I'll

2849

02:01:01,790 --> 02:01:00,179

see you before then you will just just

2850

02:01:03,709 --> 02:01:01,800

thank you my friend for everything that

2851
02:01:05,870 --> 02:01:03,719
you do far out thank you for everything

2852
02:01:07,250 --> 02:01:05,880
you do and for everybody out there I

2853
02:01:08,930 --> 02:01:07,260
really I really appreciate getting a

2854
02:01:11,149 --> 02:01:08,940
chance to chat with you you're the

2855
02:01:14,209 --> 02:01:11,159
absolute best Danny Sheen and again

2856
02:01:16,550 --> 02:01:14,219
everybody can reach out to Danny at the

2857
02:01:19,550 --> 02:01:16,560
Romero Institute and the links for that

2858
02:01:21,530 --> 02:01:19,560
are below Danny behave and be well my

2859
02:01:24,609 --> 02:01:21,540
friend I will thank you so much Jimmy

2860
02:01:27,970 --> 02:01:24,619
thank you so much Danny Sheehan

2861
02:01:30,169 --> 02:01:27,980
incredible conversation tonight

2862
02:01:31,790 --> 02:01:30,179
Fade to Black is produced by Hilton J

Black in the game changer Network I'll

2876

02:02:04,609 --> 02:01:59,239

see everybody tomorrow night Matthew

2877

02:02:05,670 --> 02:02:04,619

Lacroix until then be safe go back Lee

2878

02:02:11,689 --> 02:02:05,680

tapping

2879

02:02:11,699 --> 02:02:16,990

foreign

2880

02:02:53,050 --> 02:02:25,010

[Music]
