00:00:32,690 --> 00:00:19,350

[Music]

2
00:00:39,530 --> 00:00:35,330

right welcome this is Fade to Black

3
00:00:40,910 --> 00:00:39,540

breaking news Tuesday November 29th 2022

4
00:00:44,510 --> 00:00:40,920

I'm Jimmy Church

5
00:00:46,430 --> 00:00:44,520

on This Day in History Richard Byrd and

6
00:00:48,889 --> 00:00:46,440

three companions make their first flight

7
00:00:52,610 --> 00:00:48,899

over the South Pole flying from their

8
00:00:56,450 --> 00:00:52,620

base on the Ross ice shelf to the pole

9
00:00:59,750 --> 00:00:56,460

and back in 18 hours and 41 minutes

10
00:01:03,290 --> 00:00:59,760

let's get to the breaking news

11
00:01:04,789 --> 00:01:03,300

if you looked up the year 2022 in the

12
00:01:07,550 --> 00:01:04,799

dictionary there would be plenty of

13
00:01:09,770 --> 00:01:07,560

synonyms to describe it expensive

14

00:01:12,710 --> 00:01:09,780

confusing and tragic are just a few that

15

00:01:15,410 --> 00:01:12,720

come to mind but according to Miriam

16

00:01:18,609 --> 00:01:15,420

Webster there is just one word that

17

00:01:22,330 --> 00:01:18,619

accurately outlines the past 365 days

18

00:01:26,530 --> 00:01:22,340

the dictionary publisher has identified

19

00:01:28,810 --> 00:01:26,540

gas lighting as its word of the Year

20

00:01:33,109 --> 00:01:28,820

Merriam-Webster says on their website

21

00:01:35,929 --> 00:01:33,119

quote in this age of misinformation of

22

00:01:38,050 --> 00:01:35,939

fake news conspiracy theories Twitter

23

00:01:41,569 --> 00:01:38,060

trolls and deep fakes

24

00:01:44,630 --> 00:01:41,579

gaslighting has emerged as a word for

25

00:01:47,749 --> 00:01:44,640

our time end quote

26
00:01:51,289 --> 00:01:47,759
well the 10-time Grammy Award winner Bob

27
00:01:54,170 --> 00:01:51,299
Dylan has issued a rare apology this

28
00:01:56,990 --> 00:01:54,180
week for using a machine to

29
00:01:59,389 --> 00:01:57,000
automatically duplicate his signature

30
00:02:02,929 --> 00:01:59,399
the machine generated signatures

31
00:02:06,310 --> 00:02:02,939
appeared on limited purchases of Dylan's

32
00:02:10,370 --> 00:02:06,320
new book the philosophy of modern song

33
00:02:12,949 --> 00:02:10,380
fans paid 599 dollars to obtain one of

34
00:02:16,130 --> 00:02:12,959
the 900 copies of the book which were

35
00:02:19,250 --> 00:02:16,140
supposed to ship with a hand signed

36
00:02:23,869 --> 00:02:19,260
signature Dylan says he didn't sign them

37
00:02:27,589 --> 00:02:23,879
and instead he used an auto pen

38
00:02:30,770 --> 00:02:27,599

police officers in uttar Pradesh estate

39

00:02:33,490 --> 00:02:30,780

of India could not produce marijuana

40

00:02:36,970 --> 00:02:33,500

seized as evidence to the court for

41

00:02:42,170 --> 00:02:36,980

three drug peddling cases because rats

42

00:02:44,750 --> 00:02:42,180

destroyed the stashes judge Sanchez Ray

43

00:02:47,030 --> 00:02:44,760

said in an order regarding the rat issue

44

00:02:48,949 --> 00:02:47,040

that the police informed the court that

45

00:02:52,790 --> 00:02:48,959

the rodents ruined

46

00:02:55,009 --> 00:02:52,800

over 500 pounds of seized marijuana and

47

00:02:59,650 --> 00:02:55,019

an additional 1500 pounds of the drug

48

00:03:03,050 --> 00:02:59,660

are in danger of being eaten up by rats

49

00:03:05,390 --> 00:03:03,060

shadari said that the rats are too small

50

00:03:07,729 --> 00:03:05,400

to protect against making rat

51
00:03:10,670 --> 00:03:07,739
infestations at police buildings a

52
00:03:13,130 --> 00:03:10,680
serious problem the judges suggested

53
00:03:15,410 --> 00:03:13,140
that the remaining marijuana be

54
00:03:18,290 --> 00:03:15,420
auctioned off to research labs and

55
00:03:21,770 --> 00:03:18,300
Medicine firms with the proceeds going

56
00:03:23,149 --> 00:03:21,780
straight back to the government

57
00:03:26,210 --> 00:03:23,159
yeah

58
00:03:29,210 --> 00:03:26,220
a list of Brands pulling ads from Elon

59
00:03:32,030 --> 00:03:29,220
Musk Twitter appears to be growing half

60
00:03:34,610 --> 00:03:32,040
of Twitter's top 100 advertisers have

61
00:03:36,770 --> 00:03:34,620
halted spending on the platform since

62
00:03:38,930 --> 00:03:36,780
musk took over the company at the end of

63
00:03:41,390 --> 00:03:38,940

October according to a report by Media

64

00:03:44,630 --> 00:03:41,400

Matters for America all of that was

65

00:03:47,030 --> 00:03:44,640

published last week the 50 Brands the

66

00:03:49,309 --> 00:03:47,040

report said have spent nearly two

67

00:03:53,330 --> 00:03:49,319

billion dollars in advertising on the

68

00:03:58,550 --> 00:03:53,340

platform since 2020 and more than 750

69

00:03:59,690 --> 00:03:58,560

million in 222 alone as of November 21st

70

00:04:03,050 --> 00:03:59,700

so far

71

00:04:06,289 --> 00:04:03,060

Chevrolet Chipotle 4 jeep all VW

72

00:04:09,410 --> 00:04:06,299

companies and Merck are all confirmed to

73

00:04:11,750 --> 00:04:09,420

have stopped their advertising

74

00:04:13,550 --> 00:04:11,760

a group of researchers recently

75

00:04:17,890 --> 00:04:13,560

identified a new species of dinosaur

76

00:04:22,850 --> 00:04:17,900

from Transylvania that's right Dracula

77

00:04:24,249 --> 00:04:22,860

dubbing it Transylvania saurus are you

78

00:04:27,830 --> 00:04:24,259

ready

79

00:04:30,050 --> 00:04:27,840

platacephalus or flat-headed Reptile

80

00:04:33,110 --> 00:04:30,060

from Transylvania

81

00:04:35,409 --> 00:04:33,120

and a new study published on the 23rd in

82

00:04:38,090 --> 00:04:35,419

the Journal of a vertebrate paleontology

83

00:04:40,790 --> 00:04:38,100

the researchers described the new found

84

00:04:42,890 --> 00:04:40,800

species from bone fragments from the

85

00:04:45,230 --> 00:04:42,900

forehead and from the lower back portion

86

00:04:47,629 --> 00:04:45,240

of the skull in life it would have

87

00:04:51,590 --> 00:04:47,639

measured about six and a half feet long

88

00:04:54,670 --> 00:04:51,600

head to tail with a wide flat head and

89

00:04:57,530 --> 00:04:54,680

lived alongside other reptiles such as

90

00:05:02,030 --> 00:04:57,540

crocodiles and turtles

91

00:05:06,070 --> 00:05:02,040

Now icon a Texas based company that aims

92

00:05:09,770 --> 00:05:06,080

to 3D print future moon and Mars bases

93

00:05:12,950 --> 00:05:09,780

received 57 million dollars from NASA

94

00:05:14,510 --> 00:05:12,960

this week the austin-based company got a

95

00:05:18,189 --> 00:05:14,520

five-year contract for construction

96

00:05:22,490 --> 00:05:18,199

methods to fabricate future roads

97

00:05:24,529 --> 00:05:22,500

landing pads and habitats from lunar or

98

00:05:27,770 --> 00:05:24,539

Martian materials

99

00:05:29,570 --> 00:05:27,780

for the past two years icon has worked

100

00:05:31,790 --> 00:05:29,580

with NASA to build prototypes for

101
00:05:34,909 --> 00:05:31,800
extraterrestrial bases using its

102
00:05:37,670 --> 00:05:34,919
proprietary large-scale 3D printing

103
00:05:40,670 --> 00:05:37,680
technology which it is also using to

104
00:05:43,310 --> 00:05:40,680
build a 100 home planned community

105
00:05:45,469 --> 00:05:43,320
north of Austin

106
00:05:49,909 --> 00:05:45,479
now check this out

107
00:05:52,070 --> 00:05:49,919
ixana a Seattle startup founded by

108
00:05:55,430 --> 00:05:52,080
semiconductor and Technology industry

109
00:05:58,070 --> 00:05:55,440
veterans says it has developed an energy

110
00:06:00,830 --> 00:05:58,080
efficient chip capable of running

111
00:06:04,730 --> 00:06:00,840
Advanced AI applications

112
00:06:08,749 --> 00:06:04,740
on lightweight Wireless augmented

113
00:06:11,590 --> 00:06:08,759

reality headsets that will operate all

114

00:06:15,650 --> 00:06:11,600

day without recharging

115

00:06:19,510 --> 00:06:15,660

ixana says devices that incorporate its

116

00:06:22,189 --> 00:06:19,520

chip will give users a wearable brain

117

00:06:24,409 --> 00:06:22,199

sensing and analyzing the person's

118

00:06:27,189 --> 00:06:24,419

environment and providing real-time

119

00:06:30,230 --> 00:06:27,199

information about everything

120

00:06:33,710 --> 00:06:30,240

including the history of a forgotten

121

00:06:35,409 --> 00:06:33,720
