

FADE TO BLACK

with **JIMMY CHURCH**
PRESENTS

TBA

To Be Announced

THUR DEC 01 LIVE

7:00 PM PT/10:00PM ET

ANMA

1
00:00:22,570 --> 00:00:32,110

[Music]

2
00:00:38,650 --> 00:00:34,370

thank you

3
00:00:41,930 --> 00:00:38,660

smoke radio for the masses of July 8

4
00:00:44,330 --> 00:00:41,940

1947 the Army Air Forces has announced

5
00:00:47,330 --> 00:00:44,340

that applying disc has been found and is

6
00:00:51,290 --> 00:00:47,340

now in the possession of the army

7
00:00:54,110 --> 00:00:51,300

change the game game changer I

8
00:00:57,889 --> 00:00:54,120

occasionally think how quickly our

9
00:01:00,590 --> 00:00:57,899

differences worldwide would vanish if we

10
00:01:01,570 --> 00:01:00,600

were facing an alien threat from outside

11
00:01:03,360 --> 00:01:01,580

this work

12
00:01:03,560 --> 00:01:03,370

[Music]

13
00:01:05,890 --> 00:01:03,570

[Applause]

14

00:01:08,810 --> 00:01:05,900

[Music]

15

00:01:11,690 --> 00:01:08,820

this is Fade to Black with your host

16

00:01:12,340 --> 00:01:11,700

Jimmy Church on the game changer Radio

17

00:01:16,730 --> 00:01:12,350

Network

18

00:01:20,210 --> 00:01:16,740

[Music]

19

00:01:24,670 --> 00:01:23,090

Fade to Black today is Thursday December

20

00:01:28,249 --> 00:01:24,680

1st

21

00:01:30,170 --> 00:01:28,259

2022. tonight we're going to do an AMA

22

00:01:33,590 --> 00:01:30,180

welcome everybody we're going to get

23

00:01:35,630 --> 00:01:33,600

straight to it and um just to post your

24

00:01:38,210 --> 00:01:35,640

questions up in the chat and uh make

25

00:01:39,530 --> 00:01:38,220

them all caps and uh we'll just bang

26

00:01:43,130 --> 00:01:39,540

straight through it

27

00:01:45,710 --> 00:01:43,140

and uh before we excuse me

28

00:01:47,649 --> 00:01:45,720

before we get started uh today was like

29

00:01:52,069 --> 00:01:47,659

this weird

30

00:01:55,969 --> 00:01:52,079

it was a weird day today

31

00:01:57,889 --> 00:01:55,979

um and I I can't really uh uh put it

32

00:01:59,330 --> 00:01:57,899

into words it was just like surreal and

33

00:02:01,490 --> 00:01:59,340

what am I talking about I'm talking

34

00:02:04,609 --> 00:02:01,500

about a few things

35

00:02:07,069 --> 00:02:04,619

um one uh I went through I did uh you

36

00:02:08,930 --> 00:02:07,079

know Fade to Black uh uh news today the

37

00:02:11,050 --> 00:02:08,940

breaking news and that you know I was

38

00:02:13,550 --> 00:02:11,060

talking about Elon

39

00:02:16,390 --> 00:02:13,560

neuralink and the announcement that

40

00:02:21,110 --> 00:02:16,400

they've submitted the paperwork

41

00:02:23,150 --> 00:02:21,120

uh for FDA approval to start human

42

00:02:28,190 --> 00:02:23,160

testing of the neural link

43

00:02:34,550 --> 00:02:28,200

uh uh wow right how did we get here

44

00:02:37,130 --> 00:02:34,560

so there's that and watching Twitter

45

00:02:38,630 --> 00:02:37,140

I didn't spend a whole lot of time I

46

00:02:41,150 --> 00:02:38,640

don't need to I can see the directions

47

00:02:46,790 --> 00:02:41,160

of everything today but watching Twitter

48

00:02:49,630 --> 00:02:46,800

uh today uh dealing with that and then

49

00:02:53,030 --> 00:02:49,640

um yay

50

00:02:54,710 --> 00:02:53,040

yay went on

51

00:02:56,290 --> 00:02:54,720

Alex Jones

52

00:02:59,330 --> 00:02:56,300

with that other

53

00:03:02,869 --> 00:02:59,340

doofus what whatever his name is I'm not

54

00:03:04,850 --> 00:03:02,879

gonna give him the uh the the

55

00:03:07,850 --> 00:03:04,860

satisfaction of having somebody say his

56

00:03:11,089 --> 00:03:07,860

name out loud so the three of them

57

00:03:14,449 --> 00:03:11,099

anyway let's just focus on

58

00:03:16,550 --> 00:03:14,459

I'm I'm watching this

59

00:03:19,610 --> 00:03:16,560

um I saw the announcement actually it

60

00:03:21,949 --> 00:03:19,620

came through from anomaly but he's been

61

00:03:24,190 --> 00:03:21,959

on the show and a couple of times

62

00:03:28,550 --> 00:03:24,200

I think I've been on his show too

63

00:03:31,190 --> 00:03:28,560

and uh it's speaking about this

64

00:03:34,490 --> 00:03:31,200

craziness that's going down on and

65

00:03:38,030 --> 00:03:34,500

Infowars and and I'm watching his

66

00:03:40,610 --> 00:03:38,040

comments an anomaly very smart kid very

67

00:03:43,250 --> 00:03:40,620

smart I I've got mad respect for him

68

00:03:45,890 --> 00:03:43,260

he's very talented artists too as well

69

00:03:48,949 --> 00:03:45,900

and but if he's saying these things it's

70

00:03:51,289 --> 00:03:48,959

got to be to a whole other level of

71

00:03:52,789 --> 00:03:51,299

crazy right so I go and I jump into the

72

00:03:56,149 --> 00:03:52,799

live feed

73

00:03:59,589 --> 00:03:56,159

and I'm watching this

74

00:04:04,309 --> 00:03:59,599

um and I can't

75

00:04:06,530 --> 00:04:04,319

I cannot put it into words what what I

76

00:04:11,630 --> 00:04:06,540

was seeing and it reminded me of so then

77

00:04:13,390 --> 00:04:11,640

it reminded me of uh uh running man I

78

00:04:17,810 --> 00:04:13,400

think that was the name of the movie

79

00:04:21,229 --> 00:04:17,820

and uh with you know Schwarzenegger

80

00:04:22,550 --> 00:04:21,239

um Maria Conchita Alonso uh who I've

81

00:04:24,530 --> 00:04:22,560

known for a long time she's really cool

82

00:04:27,790 --> 00:04:24,540

so anyway

83

00:04:30,469 --> 00:04:27,800

um it it just reminded me of this

84

00:04:34,249 --> 00:04:30,479

dystopian future that we thought we'd

85

00:04:36,710 --> 00:04:34,259

never arrive to that we've got this

86

00:04:41,210 --> 00:04:36,720

stuff going to I mean I

87

00:04:43,490 --> 00:04:41,220

and and for Alex Jones to try to pull it

88

00:04:46,670 --> 00:04:43,500

back in and tone it down

89

00:04:49,070 --> 00:04:46,680

it it was that level of crazy so I'm

90

00:04:50,510 --> 00:04:49,080

watching I'm watching I'm just thinking

91

00:04:54,469 --> 00:04:50,520

to myself

92

00:04:58,129 --> 00:04:54,479

how did we get here

93

00:04:59,330 --> 00:04:58,139

we've got the situation right now with

94

00:05:02,450 --> 00:04:59,340

Elon

95

00:05:04,730 --> 00:05:02,460

now let me make be very clear about my

96

00:05:09,050 --> 00:05:04,740

position on all of this

97

00:05:14,510 --> 00:05:11,090

um I've always

98

00:05:16,969 --> 00:05:14,520

had respect for him Visionary in my

99

00:05:18,950 --> 00:05:16,979

opinion has he invented anything no but

100

00:05:21,290 --> 00:05:18,960

he certainly knows how to put a team of

101
00:05:24,129 --> 00:05:21,300
people around him uh to get things done

102
00:05:27,890 --> 00:05:24,139
and SpaceX was a big deal is a big deal

103
00:05:32,450 --> 00:05:27,900
Tesla a very big deal

104
00:05:34,730 --> 00:05:32,460
um starlink holy crap right and this was

105
00:05:37,850 --> 00:05:34,740
a part of our reality

106
00:05:40,790 --> 00:05:37,860
here to think that we have a private

107
00:05:44,029 --> 00:05:40,800
citizen with a private company his own

108
00:05:47,689 --> 00:05:44,039
company putting rockets in space better

109
00:05:51,830 --> 00:05:47,699
than NASA or anybody in the world

110
00:05:56,210 --> 00:05:51,840
right that outpaced the Soviet Union and

111
00:05:58,969 --> 00:05:56,220
Esa and and she's going to Mars

112
00:06:00,350 --> 00:05:58,979
and and I still think he's going to take

113
00:06:03,590 --> 00:06:00,360

people to Mars

114

00:06:06,469 --> 00:06:03,600

so and soon so

115

00:06:08,770 --> 00:06:06,479

um with all of that and and going back

116

00:06:12,830 --> 00:06:08,780

and listening to

117

00:06:14,230 --> 00:06:12,840

comments from different intellectuals uh

118

00:06:17,689 --> 00:06:14,240

over the years

119

00:06:20,629 --> 00:06:17,699

Sam Harris also comes to mind uh when I

120

00:06:23,689 --> 00:06:20,639

say say some of this

121

00:06:25,730 --> 00:06:23,699

um Bostrom and and others intellectuals

122

00:06:30,050 --> 00:06:25,740

talking about artificial intelligence

123

00:06:32,689 --> 00:06:30,060

and and the warnings that we need to uh

124

00:06:36,770 --> 00:06:32,699

you know think about about what AI could

125

00:06:39,830 --> 00:06:36,780

mean and Elon uh making those statements

126
00:06:42,890 --> 00:06:39,840
not too long ago a couple of years ago

127
00:06:45,110 --> 00:06:42,900
that AI artificial intelligence is a

128
00:06:47,629 --> 00:06:45,120
bigger threat to the world than nuclear

129
00:06:49,490 --> 00:06:47,639
weapons and it's Elon saying this so

130
00:06:52,490 --> 00:06:49,500
we've got a but he also tweets about

131
00:06:55,070 --> 00:06:52,500
aliens so you know uh whatever but but

132
00:06:56,689 --> 00:06:55,080
that was a bit you know and you go and

133
00:07:00,110 --> 00:06:56,699
do what I do

134
00:07:02,629 --> 00:07:00,120
which is listen to these intellectuals

135
00:07:05,330 --> 00:07:02,639
I've got the books I've got all of the

136
00:07:09,050 --> 00:07:05,340
artificial intelligence books you can

137
00:07:10,029 --> 00:07:09,060
read right and I've Got Friends Jacques

138
00:07:13,189 --> 00:07:10,039

valet

139

00:07:15,050 --> 00:07:13,199

vented artificial intelligence wrote

140

00:07:17,870 --> 00:07:15,060

some of the first software if not the

141

00:07:21,350 --> 00:07:17,880

first software artificial intelligence

142

00:07:23,870 --> 00:07:21,360

uh stuff back in the late 60s

143

00:07:26,050 --> 00:07:23,880

so I've had a lot of conversations and

144

00:07:29,270 --> 00:07:26,060

and I read and I study

145

00:07:32,330 --> 00:07:29,280

and artificial intelligence is something

146

00:07:34,249 --> 00:07:32,340

that rakers well it's something that we

147

00:07:36,409 --> 00:07:34,259

should it's gonna happen

148

00:07:39,469 --> 00:07:36,419

I mean it's happening now but I mean you

149

00:07:42,589 --> 00:07:39,479

know the to get to uh artificial general

150

00:07:44,689 --> 00:07:42,599

intelligence and get to that level

151
00:07:46,790 --> 00:07:44,699
um and when if it happens it's going to

152
00:07:50,089 --> 00:07:46,800
be a very very big deal in every country

153
00:07:52,550 --> 00:07:50,099
in the world is Racing for that because

154
00:07:53,510 --> 00:07:52,560
the winner is first everybody else's

155
00:07:56,210 --> 00:07:53,520
last

156
00:07:57,710 --> 00:07:56,220
think about that okay so we have that

157
00:08:03,650 --> 00:07:57,720
and

158
00:08:05,210 --> 00:08:03,660
with Elon

159
00:08:06,529 --> 00:08:05,220
a bunch of strange things happening

160
00:08:08,689 --> 00:08:06,539
right in a row

161
00:08:11,089 --> 00:08:08,699
one

162
00:08:13,490 --> 00:08:11,099
he started to make these moves to

163
00:08:14,950 --> 00:08:13,500

purchase Twitter now he's already got

164

00:08:16,990 --> 00:08:14,960

his own

165

00:08:19,730 --> 00:08:17,000

internet

166

00:08:21,710 --> 00:08:19,740

Logistics system floating around in

167

00:08:23,510 --> 00:08:21,720

space and he's got the rockets and he's

168

00:08:26,150 --> 00:08:23,520

building the satellites and he's busting

169

00:08:29,089 --> 00:08:26,160

them out at 20 30 40 50 a Time

170

00:08:30,350 --> 00:08:29,099

encircling the world Skynet so that's

171

00:08:34,310 --> 00:08:30,360

going on

172

00:08:36,070 --> 00:08:34,320

he's given us this warning about AI

173

00:08:39,170 --> 00:08:36,080

um he wants to go to Mars

174

00:08:40,310 --> 00:08:39,180

and with all of this then he goes out on

175

00:08:42,230 --> 00:08:40,320

stage

176
00:08:44,029 --> 00:08:42,240
and we knew that he was developing this

177
00:08:44,930 --> 00:08:44,039
but when all this happens at the same

178
00:08:46,370 --> 00:08:44,940
time

179
00:08:47,930 --> 00:08:46,380
just kind of

180
00:08:51,230 --> 00:08:47,940
you know you get taken aback a little

181
00:08:53,990 --> 00:08:51,240
bit because he walks out on stage with

182
00:08:57,230 --> 00:08:54,000
a robot

183
00:09:02,750 --> 00:09:00,230
that he's going to sell to you

184
00:09:04,070 --> 00:09:02,760
for your home

185
00:09:06,949 --> 00:09:04,080
now

186
00:09:09,889 --> 00:09:06,959
combine all of that

187
00:09:11,449 --> 00:09:09,899
with his comments about AI the fact that

188
00:09:16,310 --> 00:09:11,459

he owns

189

00:09:18,110 --> 00:09:16,320

Skynet right he's got the Rockets he's

190

00:09:21,949 --> 00:09:18,120

got the money he's the richest man in

191

00:09:23,389 --> 00:09:21,959

the world and then he turns around and

192

00:09:26,630 --> 00:09:23,399

completes

193

00:09:28,550 --> 00:09:26,640

the puzzle the last puzzle piece goes in

194

00:09:30,410 --> 00:09:28,560

he buys Twitter

195

00:09:32,329 --> 00:09:30,420

he said he was gonna buy Twitter and I'd

196

00:09:34,370 --> 00:09:32,339

be you know this and that tried to back

197

00:09:37,790 --> 00:09:34,380

out of the deal and but he bought

198

00:09:42,530 --> 00:09:37,800

Twitter Elon bought Twitter

199

00:09:46,310 --> 00:09:42,540

so now for me I sit back

200

00:09:48,410 --> 00:09:46,320

and I think about everything that is

201
00:09:52,430 --> 00:09:48,420
going down

202
00:09:54,829 --> 00:09:52,440
he's got his own internet infrastructure

203
00:09:57,650 --> 00:09:54,839
he's got his own Rockets he's got his

204
00:10:00,530 --> 00:09:57,660
own satellites now he's got his own

205
00:10:03,590 --> 00:10:00,540
social media platform

206
00:10:06,350 --> 00:10:03,600
he's got his AI robot that is going to

207
00:10:08,350 --> 00:10:06,360
be in your house

208
00:10:10,730 --> 00:10:08,360
and now

209
00:10:15,050 --> 00:10:10,740
neural link

210
00:10:18,350 --> 00:10:15,060
now what's what's really going on here

211
00:10:23,570 --> 00:10:18,360
we're talking about the world's richest

212
00:10:27,769 --> 00:10:23,580
man that owns the critical parts

213
00:10:30,470 --> 00:10:27,779

to the Skynet a I take over the world

214

00:10:33,949 --> 00:10:30,480

puzzle he's got them all he's got all

215

00:10:36,650 --> 00:10:33,959

the pieces are in play and now he's

216

00:10:38,750 --> 00:10:36,660

going to the FDA

217

00:10:41,030 --> 00:10:38,760

to get approval

218

00:10:43,130 --> 00:10:41,040

to put

219

00:10:45,230 --> 00:10:43,140

a chip

220

00:10:48,290 --> 00:10:45,240

in a human

221

00:10:53,210 --> 00:10:48,300

to have access

222

00:10:58,550 --> 00:10:55,670

and he owns the internet

223

00:11:00,590 --> 00:10:58,560

he owns the satellites

224

00:11:04,250 --> 00:11:00,600

he owns the software

225

00:11:10,370 --> 00:11:06,949

and he's got his social media platform

226

00:11:14,150 --> 00:11:10,380

that is full foreign

227

00:11:20,150 --> 00:11:17,150

what is really going on and then so so

228

00:11:22,389 --> 00:11:20,160

now and I've sort of mentioned this but

229

00:11:25,550 --> 00:11:22,399

I need everybody to

230

00:11:28,670 --> 00:11:25,560

really understand

231

00:11:31,190 --> 00:11:28,680

my position from where I sit

232

00:11:33,470 --> 00:11:31,200

this is crazy

233

00:11:38,569 --> 00:11:33,480

I mean it's absolutely crazy and it

234

00:11:43,069 --> 00:11:38,579

doesn't seem to me from where I sit

235

00:11:46,910 --> 00:11:43,079

that anybody has the power

236

00:11:50,690 --> 00:11:46,920

nobody wants to step in nobody can say

237

00:11:52,670 --> 00:11:50,700

anything do anything it's so Global it's

238

00:11:54,470 --> 00:11:52,680

so Global it's in space that's how

239

00:11:57,590 --> 00:11:54,480

Global it is

240

00:12:02,150 --> 00:11:57,600

every country is affected by it

241

00:12:03,590 --> 00:12:02,160

the internet is literally Global and in

242

00:12:07,069 --> 00:12:03,600

space

243

00:12:10,910 --> 00:12:07,079

and dude is on the verge of controlling

244

00:12:16,190 --> 00:12:12,889

we really need to think about what's

245

00:12:18,829 --> 00:12:16,200

going on and now uh before I get all of

246

00:12:22,910 --> 00:12:18,839

this ties into Running Man all of this

247

00:12:25,850 --> 00:12:22,920

ties into Alex Jones and yay today

248

00:12:27,110 --> 00:12:25,860

and this was like this I'm telling you

249

00:12:29,329 --> 00:12:27,120

it's like the vision of the future but

250

00:12:31,910 --> 00:12:29,339

it's really it's happening

251
00:12:34,550 --> 00:12:31,920
it's happening it's no longer books

252
00:12:39,829 --> 00:12:34,560
warning you about AI or books warning

253
00:12:42,310 --> 00:12:39,839
you about uh uh AI robots taking over

254
00:12:46,009 --> 00:12:42,320
the world or some guy's gonna rise up

255
00:12:49,850 --> 00:12:46,019
and uh with a smile on his face

256
00:12:52,009 --> 00:12:49,860
and and and and make all these moves you

257
00:12:54,290 --> 00:12:52,019
know and and the warnings from the

258
00:12:56,389 --> 00:12:54,300
intellectuals it's not like no no the

259
00:12:58,009 --> 00:12:56,399
warnings are over

260
00:13:00,889 --> 00:12:58,019
it's happened

261
00:13:04,310 --> 00:13:00,899
it's not happening

262
00:13:11,930 --> 00:13:07,250
I'm just I'm just in shock

263
00:13:14,090 --> 00:13:11,940

now here's here's another thing that I

264

00:13:16,009 --> 00:13:14,100

just need everybody

265

00:13:21,550 --> 00:13:16,019

to think about

266

00:13:26,389 --> 00:13:24,470

I think that most people

267

00:13:28,370 --> 00:13:26,399

when they think about

268

00:13:32,269 --> 00:13:28,380

Terminator

269

00:13:35,990 --> 00:13:32,279

and and that that idea Androids you know

270

00:13:38,629 --> 00:13:36,000

RoboCop you know out of control that the

271

00:13:40,490 --> 00:13:38,639

AI is in inside of the robot

272

00:13:42,110 --> 00:13:40,500

that the robot's making all of these

273

00:13:44,750 --> 00:13:42,120

decisions you know

274

00:13:45,889 --> 00:13:44,760

no no no no no that's like how it's

275

00:13:47,210 --> 00:13:45,899

gonna happen

276

00:13:48,530 --> 00:13:47,220

oh no

277

00:13:50,810 --> 00:13:48,540

it's not going to be that kind of

278

00:13:54,590 --> 00:13:50,820

autonomous situation we would be

279

00:13:57,889 --> 00:13:54,600

thankful if that mistake was made

280

00:14:01,970 --> 00:13:59,990

now those Bots are going to be

281

00:14:05,329 --> 00:14:01,980

controlled

282

00:14:07,150 --> 00:14:05,339

from space

283

00:14:10,490 --> 00:14:07,160

that's right

284

00:14:13,250 --> 00:14:10,500

that AI those instructions are going to

285

00:14:18,129 --> 00:14:13,260

come from a central point

286

00:14:25,370 --> 00:14:22,190

that's the reality of it

287

00:14:27,829 --> 00:14:25,380

and you heard it I'm I'm right now and

288

00:14:31,930 --> 00:14:27,839

I'm not some intellectual PhD dude no

289

00:14:34,790 --> 00:14:31,940

news I'm Neuroscience dude some

290

00:14:36,829 --> 00:14:34,800

astrophysicists dude no I'm not I'm not

291

00:14:40,189 --> 00:14:36,839

that guy

292

00:14:44,389 --> 00:14:40,199

I'm just somebody that thinks for myself

293

00:14:48,110 --> 00:14:46,490

let's take it a step further

294

00:14:52,610 --> 00:14:48,120

so we have

295

00:14:54,050 --> 00:14:52,620

this this thing this this virus that's

296

00:14:55,910 --> 00:14:54,060

spreading all around the planet right

297

00:14:58,009 --> 00:14:55,920

now and it's called social media

298

00:15:00,530 --> 00:14:58,019

certainly Twitter

299

00:15:03,110 --> 00:15:00,540

um and other platforms they've all got

300

00:15:06,530 --> 00:15:03,120

their issues right and and I participate

301
00:15:11,449 --> 00:15:06,540
in in many of those platforms but I do

302
00:15:14,269 --> 00:15:11,459
it uh from a pure business standpoint

303
00:15:15,769 --> 00:15:14,279
um I was speaking to I'll tell you I'll

304
00:15:18,769 --> 00:15:15,779
tell me straight up I was talking to

305
00:15:20,509 --> 00:15:18,779
Christina Gomez today after uh her show

306
00:15:22,910 --> 00:15:20,519
that we did on haunted places which was

307
00:15:24,710 --> 00:15:22,920
great go check it out so she calls me

308
00:15:27,110 --> 00:15:24,720
right after the show

309
00:15:29,930 --> 00:15:27,120
and uh so Church good show I said you

310
00:15:31,790 --> 00:15:29,940
know good show we started talking about

311
00:15:34,009 --> 00:15:31,800
um this thing that's going on I was

312
00:15:35,329 --> 00:15:34,019
telling her about yay and

313
00:15:47,629 --> 00:15:35,339

and

314

00:15:49,910 --> 00:15:47,639

five minutes that's not entirely true

315

00:15:51,410 --> 00:15:49,920

but I'm being honest with you guys so

316

00:15:53,689 --> 00:15:51,420

Christine if you hung out with me all

317

00:15:56,870 --> 00:15:53,699

day Christina and I have never met and

318

00:15:58,069 --> 00:15:56,880

most people haven't met me but if you if

319

00:16:03,050 --> 00:15:58,079

you

320

00:16:06,350 --> 00:16:03,060

with me

321

00:16:09,590 --> 00:16:06,360

I think you would be surprised now I

322

00:16:12,110 --> 00:16:09,600

have this beautiful Studio oh man this

323

00:16:14,569 --> 00:16:12,120

studio is nice if uh you've seen

324

00:16:18,430 --> 00:16:14,579

pictures but it's no no no no no no

325

00:16:25,970 --> 00:16:22,550

whoa I mean this is great the lights the

326

00:16:29,449 --> 00:16:25,980

screens the computers the the Str the

327

00:16:31,550 --> 00:16:29,459

things that man it's just it's awesome

328

00:16:32,509 --> 00:16:31,560

but I'm in here only when I'm talking to

329

00:16:38,030 --> 00:16:32,519

you

330

00:16:41,509 --> 00:16:38,040

I'm not in here all day long I'm so sure

331

00:16:43,490 --> 00:16:41,519

social media reading and I no if you're

332

00:16:47,569 --> 00:16:43,500

around me for a day

333

00:16:49,850 --> 00:16:47,579

this is where ye comes in yay

334

00:16:52,009 --> 00:16:49,860

I heard you I heard I think I heard him

335

00:16:53,090 --> 00:16:52,019

say it today yeah so now now I know I'm

336

00:16:54,769 --> 00:16:53,100

comfortable

337

00:16:58,129 --> 00:16:54,779

and say hey

338

00:17:02,210 --> 00:16:58,139

if you were around me you would see me

339

00:17:03,949 --> 00:17:02,220

building stuff in my house cleaning I do

340

00:17:06,949 --> 00:17:03,959

a lot of laundry

341

00:17:10,850 --> 00:17:06,959

um working on my car uh shopping driving

342

00:17:13,850 --> 00:17:10,860

visiting people uh talking uh the actual

343

00:17:16,250 --> 00:17:13,860

conversations with people

344

00:17:18,309 --> 00:17:16,260

um I love to build models you would see

345

00:17:20,870 --> 00:17:18,319

that my radio control cars and

346

00:17:23,270 --> 00:17:20,880

telescopes guitars obviously I'm always

347

00:17:25,309 --> 00:17:23,280

working on guitars I've got a bench a

348

00:17:27,470 --> 00:17:25,319

workbench right there

349

00:17:29,870 --> 00:17:27,480

um with all of the tools that you can

350

00:17:32,390 --> 00:17:29,880

imagine woodworking tools metal tools

351

00:17:35,350 --> 00:17:32,400

stuffer Electronics I've got all the

352

00:17:38,150 --> 00:17:35,360

parts I've got uh

353

00:17:40,010 --> 00:17:38,160

drawers with just off I've got all the

354

00:17:41,090 --> 00:17:40,020

right stuff and if I want to build a

355

00:17:44,090 --> 00:17:41,100

guitar

356

00:17:47,390 --> 00:17:44,100

from start to finish I can do it

357

00:17:50,029 --> 00:17:47,400

and I do do it I do I do a lot

358

00:17:51,890 --> 00:17:50,039

that's what you would see when you're

359

00:17:54,650 --> 00:17:51,900

around me that that doesn't mean I don't

360

00:17:57,110 --> 00:17:54,660

do my research I do I'm always reading

361

00:17:58,250 --> 00:17:57,120

I've got stacks of books I'm always

362

00:18:02,770 --> 00:17:58,260

reading

363

00:18:06,169 --> 00:18:02,780

but I'm not polluting my head

364

00:18:10,430 --> 00:18:06,179

with this nasty crap

365

00:18:13,789 --> 00:18:10,440

that is going down on social media

366

00:18:16,010 --> 00:18:13,799

and I know now let's shift this right

367

00:18:21,350 --> 00:18:16,020

over to yay

368

00:18:23,690 --> 00:18:21,360

and uh Alex Jones so I'm listening to

369

00:18:25,310 --> 00:18:23,700

some of the craziest stuff

370

00:18:27,230 --> 00:18:25,320

crazy

371

00:18:29,150 --> 00:18:27,240

and and after I'm done with that I

372

00:18:30,710 --> 00:18:29,160

jumped over anomaly is going to start a

373

00:18:32,510 --> 00:18:30,720

live feed commenting about the show and

374

00:18:34,190 --> 00:18:32,520

I I love anomaly I'm going to hear what

375

00:18:37,130 --> 00:18:34,200

he has to say and it was brilliant but

376

00:18:39,650 --> 00:18:37,140

anomaly's a smart guy

377

00:18:44,750 --> 00:18:39,660

and I'm listening to and I'm texting him

378

00:18:46,730 --> 00:18:44,760

dude I'm watching it and um uh

379

00:18:50,390 --> 00:18:46,740

anomaly

380

00:18:52,909 --> 00:18:50,400

during his show now I I saw the tweets

381

00:18:55,010 --> 00:18:52,919

and and I commented you know I sent him

382

00:18:58,010 --> 00:18:55,020

a text and uh you know I'm gonna go

383

00:19:01,010 --> 00:18:58,020

check out the show and and while I was

384

00:19:04,010 --> 00:19:01,020

so the tweets that I had seen

385

00:19:06,470 --> 00:19:04,020

uh from anomaly which took place in that

386

00:19:08,930 --> 00:19:06,480

little window of five minutes that I

387

00:19:11,390 --> 00:19:08,940

spent on the Internet or spent on social

388

00:19:14,690 --> 00:19:11,400

media I saw anomalies tweet

389

00:19:17,390 --> 00:19:14,700

so those three tweets

390

00:19:20,690 --> 00:19:17,400

that anomaly

391

00:19:23,930 --> 00:19:20,700

tweeted today about the craziness going

392

00:19:27,590 --> 00:19:25,490

yay

393

00:19:31,310 --> 00:19:27,600

retweeted

394

00:19:32,930 --> 00:19:31,320

while anomaly was on the air anomaly and

395

00:19:35,090 --> 00:19:32,940

I are texting back and forth he's doing

396

00:19:36,890 --> 00:19:35,100

this thing and I'm watching the chat

397

00:19:39,950 --> 00:19:36,900

room I haven't popped in hey dude here I

398

00:19:42,250 --> 00:19:39,960

am I'm not playing I'm here and uh and

399

00:19:43,810 --> 00:19:42,260

while that is going down

400

00:19:46,669 --> 00:19:43,820

yay

401

00:19:49,370 --> 00:19:46,679

retweet anomaly

402

00:19:51,350 --> 00:19:49,380

three times

403

00:19:52,970 --> 00:19:51,360

and anomaly finds out about it while

404

00:19:54,770 --> 00:19:52,980

he's live on the air I'm watching now

405

00:19:57,830 --> 00:19:54,780

I'm sitting here I'm watching anomaly

406

00:20:01,010 --> 00:19:57,840

and I never do this stuff I'm never no

407

00:20:04,070 --> 00:20:01,020

no I'd rather build a model but it was

408

00:20:08,990 --> 00:20:04,080

that kind of crazy day and and then

409

00:20:11,450 --> 00:20:09,000

anomaly while yay is retweeting him this

410

00:20:16,570 --> 00:20:11,460

is live on the air I'm watching the chat

411

00:20:20,330 --> 00:20:16,580

room fly off the ages retweeted you what

412

00:20:21,770 --> 00:20:20,340

this is minutes after uh The Alex Jones

413

00:20:24,169 --> 00:20:21,780

Show ended

414

00:20:25,250 --> 00:20:24,179

this is all going down this was my day

415

00:20:27,350 --> 00:20:25,260

today

416

00:20:29,870 --> 00:20:27,360

so

417

00:20:31,430 --> 00:20:29,880

um while all of that is happening and

418

00:20:34,250 --> 00:20:31,440

I'm watching the comments and I'm

419

00:20:35,630 --> 00:20:34,260

watching this thing just like a spin out

420

00:20:39,370 --> 00:20:35,640

of control we're talking about gay we're

421

00:20:42,890 --> 00:20:39,380

talking about Alex Jones an anomaly

422

00:20:45,770 --> 00:20:42,900

anomaly man my friend that I walked The

423

00:20:48,110 --> 00:20:45,780

NAMM Show with one one year I mean you

424

00:20:50,870 --> 00:20:48,120

know and he's he's just a great kid man

425

00:20:53,210 --> 00:20:50,880

and he was

426
00:20:56,090 --> 00:20:53,220
um and he he made this comment today I

427
00:20:57,950 --> 00:20:56,100
did I cannot believe I don't even know

428
00:21:00,289 --> 00:20:57,960
how to react I don't even know how to

429
00:21:04,130 --> 00:21:00,299
respond to any of this

430
00:21:07,610 --> 00:21:04,140
um so so while all of that is going on

431
00:21:09,830 --> 00:21:07,620
I jump over which I never do I just

432
00:21:13,070 --> 00:21:09,840
never do I jumped into the Cesspool that

433
00:21:14,570 --> 00:21:13,080
that Twitter is uh suspull Twitter is

434
00:21:16,090 --> 00:21:14,580
today and I jump over there and I start

435
00:21:20,390 --> 00:21:16,100
reading

436
00:21:23,750 --> 00:21:20,400
and and as I'm going through again maybe

437
00:21:26,630 --> 00:21:23,760
10 minutes that's all I need to see

438
00:21:30,830 --> 00:21:26,640

obviously blowing up now this is going

439

00:21:35,930 --> 00:21:30,840

all over all media Outlets I have media

440

00:21:39,350 --> 00:21:35,940

everywhere and now yi yay says to Alex

441

00:21:42,230 --> 00:21:39,360

Jones and the other dude the kid

442

00:21:49,610 --> 00:21:45,350

you guys are blocked from Twitter

443

00:21:52,430 --> 00:21:49,620

I'll let you tweet

444

00:21:55,430 --> 00:21:52,440

on my Twitter account to my 25 million

445

00:21:57,710 --> 00:21:55,440

followers 35 followers

446

00:22:00,289 --> 00:21:57,720

and now I'm not going to discuss the

447

00:22:02,690 --> 00:22:00,299

content of what was going down on Alex

448

00:22:03,830 --> 00:22:02,700

Jones Show that stuff just is not going

449

00:22:06,529 --> 00:22:03,840

to happen

450

00:22:08,690 --> 00:22:06,539

um I'm not comfortable with it

451
00:22:10,250 --> 00:22:08,700
um but it's just something that they can

452
00:22:14,210 --> 00:22:10,260
do they can do whatever they want to do

453
00:22:14,870 --> 00:22:14,220
it's not what I do it's not my world but

454
00:22:16,669 --> 00:22:14,880
um

455
00:22:25,370 --> 00:22:16,679
Elon

456
00:22:27,169 --> 00:22:25,380
Skynet King that he has uh now become

457
00:22:28,909 --> 00:22:27,179
and that's no joke that's where he's at

458
00:22:32,570 --> 00:22:28,919
that's it that's it

459
00:22:35,029 --> 00:22:32,580
it's here Terminator has arrived

460
00:22:37,190 --> 00:22:35,039
um the world Intimidator this Terminator

461
00:22:38,330 --> 00:22:37,200
this is The Running Man

462
00:22:41,049 --> 00:22:38,340
so

463
00:22:44,870 --> 00:22:41,059

now yay

464

00:22:47,690 --> 00:22:44,880

is inviting Alex Jones and this other

465

00:22:50,090 --> 00:22:47,700

dupas too to tweet out on his thing and

466

00:22:52,370 --> 00:22:50,100

now this is lighting up Twitter and the

467

00:22:54,130 --> 00:22:52,380

the com and the things and the video I

468

00:22:57,130 --> 00:22:54,140

mean

469

00:23:00,110 --> 00:22:57,140

and it's spinning out of control

470

00:23:03,049 --> 00:23:00,120

anomaly is found himself in the middle

471

00:23:07,330 --> 00:23:03,059

of all of this in real time

472

00:23:10,789 --> 00:23:07,340

and as I'm reading on Twitter

473

00:23:19,970 --> 00:23:14,570

is this was this elon's intention

474

00:23:22,370 --> 00:23:19,980

you know to to allow the world to

475

00:23:23,630 --> 00:23:22,380

to degrade into this

476
00:23:25,549 --> 00:23:23,640
okay

477
00:23:28,430 --> 00:23:25,559
that's another discussion and that's on

478
00:23:30,649 --> 00:23:28,440
Elon it's not on me I'm not in his head

479
00:23:32,870 --> 00:23:30,659
but here's the interesting part for all

480
00:23:35,649 --> 00:23:32,880
of this

481
00:23:39,770 --> 00:23:35,659
there are

482
00:23:40,810 --> 00:23:39,780
millions and millions and millions of

483
00:23:43,070 --> 00:23:40,820
people

484
00:23:44,649 --> 00:23:43,080
that sit

485
00:23:47,289 --> 00:23:44,659
at the computer

486
00:23:51,289 --> 00:23:47,299
on their phone

487
00:23:55,370 --> 00:23:51,299
all day long

488
00:23:58,490 --> 00:23:55,380

they are reading they are sucked in and

489

00:24:02,270 --> 00:23:58,500

they allow all of this

490

00:24:05,149 --> 00:24:02,280

to not only affect them

491

00:24:07,850 --> 00:24:05,159

but control them

492

00:24:09,529 --> 00:24:07,860

and the comments that you see and you it

493

00:24:12,289 --> 00:24:09,539

only takes a few minutes you don't have

494

00:24:16,190 --> 00:24:12,299

to spend hours I don't

495

00:24:20,330 --> 00:24:16,200

you can see the the the the flavor

496

00:24:21,770 --> 00:24:20,340

of what is going on and and this is the

497

00:24:24,049 --> 00:24:21,780

dangerous part

498

00:24:25,789 --> 00:24:24,059

for all of this which is why I don't

499

00:24:28,970 --> 00:24:25,799

engage by the way

500

00:24:30,409 --> 00:24:28,980

is that I don't know

501
00:24:33,470 --> 00:24:30,419
who

502
00:24:35,029 --> 00:24:33,480
is actually saying this stuff

503
00:24:36,649 --> 00:24:35,039
you can't hear the voice you can't hear

504
00:24:39,529 --> 00:24:36,659
the tone you can't hear the inflection

505
00:24:41,450 --> 00:24:39,539
you can certainly read the words and and

506
00:24:45,230 --> 00:24:41,460
it's intent

507
00:24:47,330 --> 00:24:45,240
because I'm reading it so what it does

508
00:24:49,370 --> 00:24:47,340
to me or anybody else that's reading it

509
00:24:52,669 --> 00:24:49,380
the the intent is there for whatever it

510
00:24:56,570 --> 00:24:52,679
is it's how people take it

511
00:24:58,909 --> 00:24:56,580
I don't know who's sending it

512
00:25:02,930 --> 00:24:58,919
but it's being sent a lot and it's all

513
00:25:05,510 --> 00:25:02,940

day long and this free-form thing that

514

00:25:07,610 --> 00:25:05,520

is happening with all of this

515

00:25:11,750 --> 00:25:07,620

is astonishing

516

00:25:14,750 --> 00:25:11,760

which is why for me

517

00:25:16,669 --> 00:25:14,760

I stay away from it

518

00:25:20,810 --> 00:25:16,679

I stay away

519

00:25:21,770 --> 00:25:20,820

now I have there's and when I say stay

520

00:25:24,169 --> 00:25:21,780

away

521

00:25:26,330 --> 00:25:24,179

because I don't Venture into those

522

00:25:28,250 --> 00:25:26,340

worlds I and it doesn't matter what it

523

00:25:32,330 --> 00:25:28,260

is it could be Sports it could be dogs

524

00:25:34,310 --> 00:25:32,340

it could be yay can be whatever UFOs it

525

00:25:37,370 --> 00:25:34,320

could be whatever

526

00:25:39,710 --> 00:25:37,380

um because you don't I don't venture out

527

00:25:41,630 --> 00:25:39,720

into that I don't engage and it doesn't

528

00:25:43,130 --> 00:25:41,640

affect me I don't care I don't see it I

529

00:25:46,430 --> 00:25:43,140

don't even know about it I don't know

530

00:25:50,210 --> 00:25:46,440

who's saying what anywhere

531

00:25:54,590 --> 00:25:50,220

I don't let it affect me

532

00:25:57,409 --> 00:25:54,600

and again if you were a part of my world

533

00:25:59,630 --> 00:25:57,419

you would see just that I think that a

534

00:26:02,149 --> 00:25:59,640

lot of people would be because I

535

00:26:04,070 --> 00:26:02,159

broadcast digitally

536

00:26:06,409 --> 00:26:04,080

um and I do what I do and I've got yeah

537

00:26:10,430 --> 00:26:06,419

man I'm on Instagram I'm on Facebook I'm

538

00:26:12,830 --> 00:26:10,440

on YouTube I'm on Twitter uh uh Tick

539

00:26:14,390 --> 00:26:12,840

Tock I've got a tick tock account yeah

540

00:26:17,029 --> 00:26:14,400

yeah I'm doing some stuff over on

541

00:26:18,890 --> 00:26:17,039

telegram now too as well uh but does

542

00:26:21,950 --> 00:26:18,900

that mean I'm out there engaging and

543

00:26:27,649 --> 00:26:21,960

reading and no no I I don't do any of

544

00:26:30,710 --> 00:26:27,659

that I I use it for a tool to

545

00:26:33,409 --> 00:26:30,720

communicate to all of you I don't use it

546

00:26:37,690 --> 00:26:33,419

to change my world

547

00:26:40,370 --> 00:26:37,700

you know and the second that and this is

548

00:26:44,769 --> 00:26:40,380

this is one of the most shocking

549

00:26:48,769 --> 00:26:44,779

eye-opening Parts about all of this

550

00:26:51,110 --> 00:26:48,779

why should I or anybody anybody anybody

551
00:26:54,409 --> 00:26:51,120
anybody

552
00:26:56,510 --> 00:26:54,419
go and especially somebody with a

553
00:26:58,789 --> 00:26:56,520
million followers but it's the same

554
00:27:02,990 --> 00:26:58,799
thing for somebody with five thousand

555
00:27:05,570 --> 00:27:03,000
followers why should anybody go

556
00:27:09,049 --> 00:27:05,580
and read somebody's comment that's got

557
00:27:11,149 --> 00:27:09,059
12 followers 35 followers some vicious

558
00:27:13,789 --> 00:27:11,159
thing you know somebody with 100

559
00:27:18,789 --> 00:27:13,799
followers right and they do the thing

560
00:27:27,110 --> 00:27:23,570
why would you open yourself up to that

561
00:27:30,130 --> 00:27:27,120
why why would you open yourself up to it

562
00:27:34,430 --> 00:27:30,140
and I think that a lot of

563
00:27:36,649 --> 00:27:34,440

uh people that have decided to cut the

564

00:27:38,690 --> 00:27:36,659

umbilical cord of

565

00:27:41,269 --> 00:27:38,700

of social media

566

00:27:43,070 --> 00:27:41,279

Twitter being an example of that of

567

00:27:45,649 --> 00:27:43,080

course

568

00:27:48,470 --> 00:27:45,659

um that that go and do that find out

569

00:27:51,110 --> 00:27:48,480

that they

570

00:27:55,250 --> 00:27:51,120

they were

571

00:27:57,590 --> 00:27:55,260

their lives

572

00:28:01,010 --> 00:27:57,600

they were neglecting

573

00:28:02,870 --> 00:28:01,020

conversation time

574

00:28:04,990 --> 00:28:02,880

with their sons their daughters their

575

00:28:10,370 --> 00:28:05,000

friends their co-workers their parents

576
00:28:12,950 --> 00:28:10,380
their wives their husbands they're dogs

577
00:28:17,149 --> 00:28:12,960
they're cats

578
00:28:20,870 --> 00:28:17,159
that all of that is seconds spent minute

579
00:28:23,810 --> 00:28:20,880
days spent on the Internet is time I'm

580
00:28:26,029 --> 00:28:23,820
goofing around on social media getting

581
00:28:29,390 --> 00:28:26,039
all flamed out

582
00:28:32,450 --> 00:28:29,400
is is time that could be spent

583
00:28:36,049 --> 00:28:32,460
with with your family

584
00:28:38,390 --> 00:28:36,059
doing a hobby maybe even watching a

585
00:28:40,250 --> 00:28:38,400
movie maybe leaving the house maybe

586
00:28:43,730 --> 00:28:40,260
going out to dinner maybe cooking food

587
00:28:50,750 --> 00:28:46,810
all of that is neglected

588
00:28:53,810 --> 00:28:50,760

before and this is the thing with Elon

589

00:28:56,690 --> 00:28:53,820

right now and it goes right back to Gay

590

00:28:58,909 --> 00:28:56,700

and what's happening with Alex Jones and

591

00:29:02,630 --> 00:28:58,919

and and other it's not I'm not singling

592

00:29:05,630 --> 00:29:02,640

them out but no no not at all this is

593

00:29:08,450 --> 00:29:05,640

going on everywhere across social media

594

00:29:10,970 --> 00:29:08,460

on every platform

595

00:29:13,070 --> 00:29:10,980

is this

596

00:29:14,870 --> 00:29:13,080

people my age

597

00:29:17,570 --> 00:29:14,880

I'm 59.

598

00:29:20,029 --> 00:29:17,580

I'm hip I'm cool I'm to the curb I'm all

599

00:29:23,090 --> 00:29:20,039

that stuff but I'm 59.

600

00:29:26,090 --> 00:29:23,100

and I truly honestly remember a day

601
00:29:31,730 --> 00:29:28,370
but if you're 30

602
00:29:34,130 --> 00:29:31,740
if you're 30 35 years old

603
00:29:35,870 --> 00:29:34,140
right as crazy as that sounds you grew

604
00:29:37,010 --> 00:29:35,880
up with the internet you don't know life

605
00:29:38,810 --> 00:29:37,020
without it

606
00:29:41,330 --> 00:29:38,820
you don't

607
00:29:44,330 --> 00:29:41,340
so is this the next generation are these

608
00:29:46,909 --> 00:29:44,340
the generations of the future is is this

609
00:29:50,690 --> 00:29:46,919
how they want it

610
00:29:53,450 --> 00:29:50,700
because for me I I remember

611
00:29:55,610 --> 00:29:53,460
what it was like before the internet and

612
00:29:58,070 --> 00:29:55,620
as I you know what even worse than that

613
00:29:59,870 --> 00:29:58,080

before social media internet itself is

614

00:30:02,750 --> 00:29:59,880

fine and the way that I treat the

615

00:30:05,149 --> 00:30:02,760

internet I'm fine I'm cool

616

00:30:06,470 --> 00:30:05,159

I don't like to bother me

617

00:30:08,990 --> 00:30:06,480

but

618

00:30:10,430 --> 00:30:09,000

so many are completely sucked in and

619

00:30:12,110 --> 00:30:10,440

we're talking about half of the planet

620

00:30:14,630 --> 00:30:12,120

we're not talking about a few people

621

00:30:17,330 --> 00:30:14,640

with an issue here

622

00:30:19,490 --> 00:30:17,340

talking about billions

623

00:30:21,830 --> 00:30:19,500

billions

624

00:30:23,210 --> 00:30:21,840

so where does proc product productivity

625

00:30:26,149 --> 00:30:23,220

go

626

00:30:28,190 --> 00:30:26,159

what what happens from here on out what

627

00:30:29,990 --> 00:30:28,200

happens to relationships what happens to

628

00:30:32,389 --> 00:30:30,000

the condition of your home who's

629

00:30:34,610 --> 00:30:32,399

cleaning your house if you're spending

630

00:30:37,310 --> 00:30:34,620

eight hours a day on Twitter and maybe

631

00:30:40,190 --> 00:30:37,320

going to work if you have a job

632

00:30:42,169 --> 00:30:40,200

right and and that is it and every

633

00:30:45,529 --> 00:30:42,179

waking moment that you have is sitting

634

00:30:49,190 --> 00:30:45,539

there flaming out and getting flamed out

635

00:30:56,269 --> 00:30:52,450

I'm I'm shocked

636

00:30:57,289 --> 00:30:56,279

it's just and today was one of those

637

00:31:00,110 --> 00:30:57,299

days

638

00:31:02,990 --> 00:31:00,120

where I sat back and went you know that

639

00:31:04,250 --> 00:31:03,000

is it's crazy of a movie as running man

640

00:31:08,029 --> 00:31:04,260

was

641

00:31:12,230 --> 00:31:08,039

and and and what that is crazy as the

642

00:31:14,570 --> 00:31:12,240

Terminator was as crazy as right

643

00:31:17,570 --> 00:31:14,580

it's it's here

644

00:31:18,470 --> 00:31:17,580

it's truly here now what are we going to

645

00:31:20,389 --> 00:31:18,480

do

646

00:31:22,190 --> 00:31:20,399

you know tonight's an AMA so I'm going

647

00:31:25,610 --> 00:31:22,200

to be taking questions but I needed to

648

00:31:29,870 --> 00:31:25,620

get today was a real eye-opener and I

649

00:31:32,330 --> 00:31:29,880

was leading up to this conversation

650

00:31:35,210 --> 00:31:32,340

for a couple of years

651

00:31:37,850 --> 00:31:35,220

saw it happening saw it I just saw it

652

00:31:39,470 --> 00:31:37,860

just it was unfolding and unfolding and

653

00:31:41,930 --> 00:31:39,480

unfolding and I kept talking to people I

654

00:31:43,730 --> 00:31:41,940

was talking about you know go watch the

655

00:31:45,470 --> 00:31:43,740

social dilemma you've got to go see that

656

00:31:48,409 --> 00:31:45,480

movie you've got to go see it put

657

00:31:50,450 --> 00:31:48,419

yourself in check you know when Q was

658

00:31:52,909 --> 00:31:50,460

popping off I was like man everybody you

659

00:31:55,010 --> 00:31:52,919

need to and you need to watch yourself

660

00:31:58,130 --> 00:31:55,020

you need to you need to get away from

661

00:31:59,930 --> 00:31:58,140

this stuff don't do it you know and

662

00:32:01,490 --> 00:31:59,940

everything else

663

00:32:04,370 --> 00:32:01,500

you know that happened over the last

664

00:32:06,350 --> 00:32:04,380

five six seven eight years

665

00:32:09,110 --> 00:32:06,360

this isn't the first time that I have

666

00:32:11,750 --> 00:32:09,120

mentioned any of this but now today

667

00:32:14,389 --> 00:32:11,760

especially with this neural link

668

00:32:16,370 --> 00:32:14,399

announcement and how everything else has

669

00:32:17,930 --> 00:32:16,380

happened in such rapid fire and I'm

670

00:32:19,850 --> 00:32:17,940

talking about starlink you can go

671

00:32:23,269 --> 00:32:19,860

outside right now and see some starlink

672

00:32:26,269 --> 00:32:23,279

satellites up in the sky

673

00:32:28,549 --> 00:32:26,279

it's about to encircle the Earth there

674

00:32:30,169 --> 00:32:28,559

is um I've got a it's called satellite

675

00:32:33,710 --> 00:32:30,179

tracker I've got a satellite it's called

676
00:32:35,450 --> 00:32:33,720
satellite map and uh I wish I could take

677
00:32:37,430 --> 00:32:35,460
a screenshot

678
00:32:40,310 --> 00:32:37,440
um and and show you this it's called

679
00:32:43,490 --> 00:32:40,320
satellite uh map go and get that

680
00:32:45,049 --> 00:32:43,500
download it go go go you can look at all

681
00:32:47,090 --> 00:32:45,059
the satellites in every stage everything

682
00:32:49,610 --> 00:32:47,100
military satellite starlink whatever you

683
00:32:52,430 --> 00:32:49,620
want different State uh out on the

684
00:32:56,149 --> 00:32:52,440
Amazon dead it's all there

685
00:32:57,950 --> 00:32:56,159
go and look and see how many Starling

686
00:33:01,130 --> 00:32:57,960
satellites now

687
00:33:03,110 --> 00:33:01,140
are encircling this planet and just

688
00:33:05,330 --> 00:33:03,120

everyday man more more more more more

689

00:33:07,850 --> 00:33:05,340

launching

690

00:33:09,350 --> 00:33:07,860

and with the neural link announcement is

691

00:33:12,649 --> 00:33:09,360

this

692

00:33:16,250 --> 00:33:13,850

now

693

00:33:18,529 --> 00:33:16,260

one last thing oh by the way see I have

694

00:33:20,029 --> 00:33:18,539

no commercial breaks I can do whatever I

695

00:33:21,769 --> 00:33:20,039

want no commercial break got a

696

00:33:24,529 --> 00:33:21,779

commercial break and a half hour

697

00:33:27,350 --> 00:33:24,539

tonight's an AMA put put your stuff in

698

00:33:29,330 --> 00:33:27,360

all caps in the chat room and and I'll

699

00:33:32,149 --> 00:33:29,340

go back and start addressing those

700

00:33:34,009 --> 00:33:32,159

but here's the thing

701
00:33:36,350 --> 00:33:34,019
you know how many times tonight have I

702
00:33:39,169 --> 00:33:36,360
said but here's the thing

703
00:33:40,430 --> 00:33:39,179
but truly

704
00:33:44,750 --> 00:33:40,440
Christ

705
00:33:52,269 --> 00:33:48,529
if we get to the point

706
00:33:56,330 --> 00:33:52,279
with starlink

707
00:34:03,289 --> 00:34:00,289
an artificial general intelligence

708
00:34:07,130 --> 00:34:03,299
and and the Bots that are that are

709
00:34:10,190 --> 00:34:07,140
everywhere on the internet right now

710
00:34:12,409 --> 00:34:10,200
I would say half

711
00:34:16,609 --> 00:34:12,419
half of Twitter is a bot half of

712
00:34:17,450 --> 00:34:16,619
Facebook is a bot half of Instagram is a

713
00:34:18,710 --> 00:34:17,460

bot

714

00:34:19,849 --> 00:34:18,720

half

715

00:34:22,970 --> 00:34:19,859

yeah

716

00:34:23,810 --> 00:34:22,980

that's that's what that's what's out

717

00:34:29,329 --> 00:34:23,820

there

718

00:34:35,629 --> 00:34:31,790

and neuralink

719

00:34:38,450 --> 00:34:35,639

pops into the play and you

720

00:34:40,550 --> 00:34:38,460

have an implant

721

00:34:42,589 --> 00:34:40,560

I've I've seen the suggestions that's

722

00:34:44,210 --> 00:34:42,599

part of the crack a hole in your skull

723

00:34:46,329 --> 00:34:44,220

and popping

724

00:34:49,310 --> 00:34:46,339

right

725

00:34:50,570 --> 00:34:49,320

not until it's officially official

726
00:34:52,550 --> 00:34:50,580
before I start making those kind of

727
00:34:55,490 --> 00:34:52,560
claims but let's

728
00:34:58,130 --> 00:34:55,500
and your brain

729
00:35:01,430 --> 00:34:58,140
now

730
00:35:03,710 --> 00:35:01,440
is connected to

731
00:35:05,810 --> 00:35:03,720
a controlling engine

732
00:35:08,150 --> 00:35:05,820
it's already

733
00:35:11,089 --> 00:35:08,160
controlling the minds of billions of

734
00:35:13,550 --> 00:35:11,099
people lives have been altered and

735
00:35:17,390 --> 00:35:13,560
forever changed maybe DNA itself has

736
00:35:20,930 --> 00:35:17,400
been changed that people are swarming

737
00:35:22,849 --> 00:35:20,940
it's like sharks and blood in the water

738
00:35:26,030 --> 00:35:22,859

and Chum

739

00:35:28,750 --> 00:35:26,040

the people are swarming

740

00:35:32,390 --> 00:35:28,760

and an attack

741

00:35:34,970 --> 00:35:32,400

viciously fighting and saying things

742

00:35:38,390 --> 00:35:34,980

that are so obnoxious to the point where

743

00:35:40,730 --> 00:35:38,400

yay and then people are saying uh you

744

00:35:42,050 --> 00:35:40,740

know and people like gay he's not the

745

00:35:44,690 --> 00:35:42,060

only one

746

00:35:46,450 --> 00:35:44,700

um it's saying these incredible just

747

00:35:49,730 --> 00:35:46,460

coming out of them

748

00:35:53,870 --> 00:35:49,740

it's Freedom it's me yeah it is he can

749

00:35:55,450 --> 00:35:53,880

say what he wants what is I'm not you

750

00:36:00,050 --> 00:35:55,460

can say what you want

751

00:36:02,930 --> 00:36:00,060

what is in somebody's mind

752

00:36:05,930 --> 00:36:02,940

that says that that's okay you can say

753

00:36:07,670 --> 00:36:05,940

what you want but we all have I could

754

00:36:10,910 --> 00:36:07,680

say whatever I want right now I have a

755

00:36:15,290 --> 00:36:12,890

I know how to show respect to the world

756

00:36:19,250 --> 00:36:15,300

and how to behave and everything else

757

00:36:21,310 --> 00:36:19,260

sure I could run but I don't

758

00:36:24,890 --> 00:36:21,320

sure I can post

759

00:36:27,710 --> 00:36:24,900

sure I could go after an attack and and

760

00:36:31,310 --> 00:36:27,720

do things but I don't

761

00:36:34,430 --> 00:36:31,320

I have that self-control

762

00:36:36,589 --> 00:36:34,440

it it it is it is to a point now that

763

00:36:38,210 --> 00:36:36,599

billions of people have their mind

764

00:36:43,609 --> 00:36:38,220

altered

765

00:36:46,010 --> 00:36:43,619

so if that is possible without neuralink

766

00:36:49,670 --> 00:36:46,020

what happens

767

00:36:53,690 --> 00:36:51,530

think about that

768

00:36:56,089 --> 00:36:53,700

and we are here

769

00:36:58,010 --> 00:36:56,099

it's official

770

00:37:00,250 --> 00:36:58,020

Elon Musk did his announcement yesterday

771

00:37:02,990 --> 00:37:00,260

got a couple of monkeys with neuralings

772

00:37:04,849 --> 00:37:03,000

controlling right

773

00:37:07,930 --> 00:37:04,859

and I'm just picturing their heads

774

00:37:10,849 --> 00:37:07,940

monkeys uh but it could be just humans

775

00:37:13,670 --> 00:37:10,859

controlling cursors with their minds

776
00:37:16,310 --> 00:37:13,680
being connected to a computer and Lord

777
00:37:17,630 --> 00:37:16,320
knows what that is going on and and to

778
00:37:20,150 --> 00:37:17,640
have Elon

779
00:37:22,250 --> 00:37:20,160
suggest and I I made the announcement

780
00:37:24,950 --> 00:37:22,260
the other day about this new company

781
00:37:27,109 --> 00:37:24,960
that's got a chipset

782
00:37:29,089 --> 00:37:27,119
a chipset

783
00:37:31,310 --> 00:37:29,099
it's going to be used by neurolink a

784
00:37:34,370 --> 00:37:31,320
chipset that

785
00:37:37,970 --> 00:37:34,380
that's low battery power

786
00:37:38,870 --> 00:37:37,980
that only needs to be charged up once a

787
00:37:41,089 --> 00:37:38,880
day

788
00:37:43,430 --> 00:37:41,099

and this chipset is so sophisticated

789

00:37:47,930 --> 00:37:43,440

that you will be able to access anything

790

00:37:50,569 --> 00:37:47,940

anywhere on the internet in real time

791

00:37:54,230 --> 00:37:50,579

for instance

792

00:37:57,790 --> 00:37:54,240

walk into a party you see somebody yeah

793

00:38:01,370 --> 00:37:57,800

X you see your ex from five years before

794

00:38:05,390 --> 00:38:01,380

like man I dated her right

795

00:38:08,150 --> 00:38:05,400

is that her all of a sudden it's in your

796

00:38:10,970 --> 00:38:08,160

head oh so she's been dating so and so

797

00:38:13,730 --> 00:38:10,980

she's now living here that's where it's

798

00:38:16,550 --> 00:38:13,740

uh that that and they're like

799

00:38:18,349 --> 00:38:16,560

touting this the company like that is a

800

00:38:21,230 --> 00:38:18,359

good thing

801
00:38:25,069 --> 00:38:21,240
so if we are going to have this kind of

802
00:38:27,410 --> 00:38:25,079
connection from the mind to the vast

803
00:38:29,690 --> 00:38:27,420
knowledge of the world we already have

804
00:38:31,790 --> 00:38:29,700
it with a mouse and with our eyeballs

805
00:38:34,730 --> 00:38:31,800
and we haven't been able to handle that

806
00:38:37,790 --> 00:38:34,740
now we're going to go with the direct a

807
00:38:39,770 --> 00:38:37,800
direct chipset and this is what Elon

808
00:38:42,650 --> 00:38:39,780
wants like it's a good thing

809
00:38:44,329 --> 00:38:42,660
you know it's great for paraplegics it's

810
00:38:45,710 --> 00:38:44,339
great for people that have had car

811
00:38:47,390 --> 00:38:45,720
accidents it's great for somebody that

812
00:38:49,730 --> 00:38:47,400
dived into the shallow end of the pool

813
00:38:51,589 --> 00:38:49,740

and broke their neck this is great for

814

00:38:54,589 --> 00:38:51,599

them that's that's how they get you

815

00:38:55,790 --> 00:38:54,599

right so anyway

816

00:38:58,810 --> 00:38:55,800

chip

817

00:39:00,470 --> 00:38:58,820

now you

818

00:39:03,109 --> 00:39:00,480

directly

819

00:39:06,109 --> 00:39:03,119

are going to have an influence

820

00:39:10,609 --> 00:39:06,119

that you cannot stop

821

00:39:12,530 --> 00:39:10,619

that's it I mean straight to the brain

822

00:39:15,170 --> 00:39:12,540

anything why why are you robbing this

823

00:39:18,589 --> 00:39:15,180

bank I don't know

824

00:39:21,950 --> 00:39:18,599

right what

825

00:39:28,730 --> 00:39:26,270

this is Fade to Black and I needed to uh

826

00:39:30,050 --> 00:39:28,740

I needed to I needed I needed to talk

827

00:39:32,450 --> 00:39:30,060

about this

828

00:39:34,430 --> 00:39:32,460

and I think that all of this

829

00:39:36,650 --> 00:39:34,440

um all of us and especially anybody

830

00:39:38,450 --> 00:39:36,660

listening uh right now

831

00:39:43,849 --> 00:39:38,460

share this

832

00:39:46,250 --> 00:39:43,859

let them just let them know I mean this

833

00:39:50,690 --> 00:39:46,260

I could be

834

00:39:52,550 --> 00:39:50,700

it could be way wrong on all of this

835

00:39:54,890 --> 00:39:52,560

that

836

00:39:57,349 --> 00:39:54,900

SpaceX was an accident

837

00:40:01,810 --> 00:39:57,359

right starlink it's just a coincidence

838

00:40:08,089 --> 00:40:05,170

SpaceX robots just a coincidence

839

00:40:11,150 --> 00:40:08,099

just a coincidence Tesla self-driving

840

00:40:14,030 --> 00:40:11,160

cars it's a coincidence

841

00:40:17,089 --> 00:40:14,040

it's a coincidence neural link ah

842

00:40:20,089 --> 00:40:17,099

just yeah just yeah it's it's it's

843

00:40:21,650 --> 00:40:20,099

nothing world's richest man

844

00:40:25,069 --> 00:40:21,660

uh

845

00:40:34,569 --> 00:40:29,870

he owns his own internet ah it's ah nah

846

00:40:36,370 --> 00:40:34,579

it's nothing no no it is not

847

00:40:39,710 --> 00:40:36,380

uh

848

00:40:42,410 --> 00:40:39,720

trying to open up everybody's eyes all

849

00:40:46,210 --> 00:40:42,420

right let's get to the AMA

850

00:40:53,089 --> 00:40:49,069

I should have a contest

851
00:40:54,890 --> 00:40:53,099
fade or knots

852
00:40:56,990 --> 00:40:54,900
you know just just come out to the house

853
00:40:58,970 --> 00:40:57,000
for a weekend so they could spread the

854
00:41:00,710 --> 00:40:58,980
message yeah man

855
00:41:04,250 --> 00:41:00,720
dude is building models he's building

856
00:41:06,890 --> 00:41:04,260
guitars uh installed some new carpet put

857
00:41:08,470 --> 00:41:06,900
a new engine in his his thing and and

858
00:41:12,410 --> 00:41:08,480
put uh

859
00:41:14,569 --> 00:41:12,420
we went out and uh went to the desert

860
00:41:16,069 --> 00:41:14,579
and went over to Lucky we did then we

861
00:41:19,250 --> 00:41:16,079
did that I didn't see him on Twitter

862
00:41:22,670 --> 00:41:19,260
once for three days somebody's tweeting

863
00:41:25,370 --> 00:41:22,680

for him but it wasn't him I was with him

864

00:41:27,650 --> 00:41:25,380

I never saw him look at his phone the

865

00:41:29,990 --> 00:41:27,660

entire time we were there I should do

866

00:41:33,770 --> 00:41:30,000

that I should actually do that would you

867

00:41:37,370 --> 00:41:33,780

guys be down for that I do it I do it

868

00:41:38,990 --> 00:41:37,380

Wing them all out here in a private chat

869

00:41:41,150 --> 00:41:39,000

I'm kidding

870

00:41:43,030 --> 00:41:41,160

all right let's see let's get to these

871

00:41:46,730 --> 00:41:43,040

questions what do I have here

872

00:41:49,069 --> 00:41:46,740

uh what are your feelings about this is

873

00:41:51,109 --> 00:41:49,079

at 6 32 this is Carl what are your

874

00:41:52,020 --> 00:41:51,119

feelings about movies uh imitating life

875

00:42:03,470 --> 00:41:52,030

what did I just say

876

00:42:08,089 --> 00:42:03,480

yeah

877

00:42:11,030 --> 00:42:08,099

we're right there man we are right there

878

00:42:13,370 --> 00:42:11,040

we are right there I went back um over

879

00:42:14,510 --> 00:42:13,380

uh the last this is about the last month

880

00:42:17,230 --> 00:42:14,520

or so

881

00:42:20,630 --> 00:42:17,240

and I just got into this real nostalgic

882

00:42:23,210 --> 00:42:20,640

uh thing about about movies that I've

883

00:42:24,890 --> 00:42:23,220

loved in the past and

884

00:42:26,030 --> 00:42:24,900

um I did I installed a surround sound

885

00:42:29,510 --> 00:42:26,040

system

886

00:42:31,609 --> 00:42:29,520

and uh about a month ago six weeks ago

887

00:42:34,069 --> 00:42:31,619

and listening to movies in surround

888

00:42:37,069 --> 00:42:34,079

sound is the best right so and and I got

889

00:42:39,290 --> 00:42:37,079

a good system so I went back and I

890

00:42:42,290 --> 00:42:39,300

talked about movies imitating life so

891

00:42:44,750 --> 00:42:42,300

but I did go back I I love movies

892

00:42:47,030 --> 00:42:44,760

what's the Godfather won Godfather Two I

893

00:42:49,069 --> 00:42:47,040

watched uh 2001 A Space Odyssey I

894

00:42:51,650 --> 00:42:49,079

tweeted that out

895

00:42:54,410 --> 00:42:51,660

um I watched uh Valerian I went back and

896

00:42:56,329 --> 00:42:54,420

watched that I watched uh My Blue Heaven

897

00:42:58,849 --> 00:42:56,339

uh

898

00:43:01,910 --> 00:42:58,859

and so many more I'm not gonna just go

899

00:43:04,730 --> 00:43:01,920

down the list but um uh Close Encounters

900

00:43:06,829 --> 00:43:04,740

of the Third Kind again I'll watch that

901
00:43:10,370 --> 00:43:06,839
again

902
00:43:13,550 --> 00:43:10,380
um and uh just went back through and

903
00:43:16,370 --> 00:43:13,560
wanted to really not not only appreciate

904
00:43:18,890 --> 00:43:16,380
the films for what they are but but I I

905
00:43:22,670 --> 00:43:18,900
like to hear films I like to feel them

906
00:43:24,050 --> 00:43:22,680
too as well and yes so I have a lot of I

907
00:43:26,990 --> 00:43:24,060
have a lot of thoughts about movies

908
00:43:28,550 --> 00:43:27,000
imitating life and and and how that

909
00:43:30,890 --> 00:43:28,560
happens

910
00:43:32,450 --> 00:43:30,900
um and and things and that's what

911
00:43:35,510 --> 00:43:32,460
another reason why I like documentaries

912
00:43:37,970 --> 00:43:35,520
so much too as well and I made those

913
00:43:41,870 --> 00:43:37,980

comments yesterday about that new Teddy

914

00:43:48,410 --> 00:43:44,630

um talk about reality so

915

00:43:49,910 --> 00:43:48,420

yeah yeah yeah I'm into it and films

916

00:43:52,130 --> 00:43:49,920

definitely imitate life there's no

917

00:43:54,890 --> 00:43:52,140

question about it and uh what are your

918

00:43:57,230 --> 00:43:54,900

favorite movies Stargate is my I'll

919

00:43:59,089 --> 00:43:57,240

watch Target last week is it funny

920

00:44:00,589 --> 00:43:59,099

enough that that's there

921

00:44:04,250 --> 00:44:00,599

um I just listed some of my favorite

922

00:44:06,589 --> 00:44:04,260

movies I might I the list is so long

923

00:44:09,890 --> 00:44:06,599

um but I like that it's really weird

924

00:44:12,770 --> 00:44:09,900

there are a lot of new movies uh when

925

00:44:16,309 --> 00:44:12,780

they're well made that that are suddenly

926

00:44:17,990 --> 00:44:16,319

on my list and and they stay there

927

00:44:19,550 --> 00:44:18,000

um everything everywhere all at once

928

00:44:21,829 --> 00:44:19,560

that's a that's an amazing film that's

929

00:44:23,930 --> 00:44:21,839

brand new um Interstellar what is that

930

00:44:27,470 --> 00:44:23,940

five six years old

931

00:44:28,430 --> 00:44:27,480

um that is I think that is uh it's gonna

932

00:44:29,990 --> 00:44:28,440

stay there it's one of the most

933

00:44:32,089 --> 00:44:30,000

important films

934

00:44:34,910 --> 00:44:32,099

um of all time just an incredible film

935

00:44:37,430 --> 00:44:34,920

uh today I was talking about wormholes

936

00:44:40,910 --> 00:44:37,440

uh being uh discovered for the first

937

00:44:43,670 --> 00:44:40,920

time I mean used uh for the first time

938

00:44:46,309 --> 00:44:43,680

uh today on the breaking news uh again

939

00:44:49,370 --> 00:44:46,319

you know art imitating life right

940

00:44:51,890 --> 00:44:49,380

and uh so yeah there you go uh love

941

00:44:54,530 --> 00:44:51,900

Stargate by the way and the first 15

942

00:44:56,750 --> 00:44:54,540

minutes of Stargate to me I cannot get

943

00:44:58,870 --> 00:44:56,760

enough of that I get the first 15

944

00:45:01,309 --> 00:44:58,880

minutes of that film are just incredible

945

00:45:04,550 --> 00:45:01,319

all right so there's that thank you for

946

00:45:08,569 --> 00:45:04,560

that Carl oh it's funny

947

00:45:11,450 --> 00:45:08,579

and came in uh uh over an hour ago half

948

00:45:14,750 --> 00:45:11,460

hour before I started the show and it's

949

00:45:18,349 --> 00:45:14,760

exactly those two questions are exactly

950

00:45:20,450 --> 00:45:18,359

well inside of my little opening rant

951
00:45:23,990 --> 00:45:20,460
tonight

952
00:45:25,550 --> 00:45:24,000
I haven't vented in a long time

953
00:45:27,950 --> 00:45:25,560
uh

954
00:45:31,550 --> 00:45:27,960
let's see let me scroll down remember

955
00:45:34,370 --> 00:45:31,560
put everything in all caps and I will

956
00:45:36,530 --> 00:45:34,380
see it okay here we go

957
00:45:38,450 --> 00:45:36,540
Jimmy what did you send me that's from

958
00:45:41,030 --> 00:45:38,460
Jessica Jessica got the Ultimate gift

959
00:45:42,650 --> 00:45:41,040
box of Doom it'll be arriving there

960
00:45:44,990 --> 00:45:42,660
shortly you're going to enjoy that and I

961
00:45:46,309 --> 00:45:45,000
can't wait to see the pictures that

962
00:45:49,690 --> 00:45:46,319
you're going to post and send me and

963
00:45:53,270 --> 00:45:49,700

tell everybody about how happy you are

964

00:45:56,630 --> 00:45:53,280

all right uh genocide says

965

00:46:00,950 --> 00:45:56,640

Jimmy have you heard anything more about

966

00:46:07,190 --> 00:46:03,710

um okay Jason rice

967

00:46:08,510 --> 00:46:07,200

okay Jason rice was

968

00:46:11,750 --> 00:46:08,520

um

969

00:46:13,970 --> 00:46:11,760

uh allegedly I'll say that uh one of the

970

00:46:15,470 --> 00:46:13,980

uh 20 and back

971

00:46:19,849 --> 00:46:15,480

people

972

00:46:20,569 --> 00:46:19,859

and uh came out with an um a doofus came

973

00:46:22,730 --> 00:46:20,579

out

974

00:46:25,730 --> 00:46:22,740

a little bit after that

975

00:46:27,829 --> 00:46:25,740

20 and back part of the program

976
00:46:30,890 --> 00:46:27,839
I bet Jason

977
00:46:34,250 --> 00:46:30,900
uh maybe three years ago at a conscious

978
00:46:38,569 --> 00:46:35,809
and uh

979
00:46:40,910 --> 00:46:38,579
came out and Fade to Black a bunch of

980
00:46:43,010 --> 00:46:40,920
legal stuff happened with that I'm not

981
00:46:45,470 --> 00:46:43,020
gonna get into the details because it

982
00:46:47,750 --> 00:46:45,480
just saw BS in in the animals just all

983
00:46:53,690 --> 00:46:47,760
Bs I feel bad for Jason though and then

984
00:46:58,510 --> 00:46:55,790
gone

985
00:47:05,750 --> 00:47:01,609
and uh his I think his job came into

986
00:47:07,849 --> 00:47:05,760
Jeopardy and and and and and stuff

987
00:47:09,170 --> 00:47:07,859
although I haven't talked to Jason

988
00:47:11,930 --> 00:47:09,180

directly

989

00:47:14,750 --> 00:47:11,940

um since all of that went down

990

00:47:17,630 --> 00:47:14,760

um he chose to walk away on his own and

991

00:47:19,609 --> 00:47:17,640

I get that this community can get uh

992

00:47:22,010 --> 00:47:19,619

very strange and very vicious he seemed

993

00:47:25,910 --> 00:47:22,020

like just a just a nice guy just an

994

00:47:26,870 --> 00:47:25,920

average nice guy and and got and got

995

00:47:30,170 --> 00:47:26,880

taken out

996

00:47:33,170 --> 00:47:30,180

and uh that was uh very unfortunate very

997

00:47:36,349 --> 00:47:33,180

unfortunate he seemed really nice so

998

00:47:38,870 --> 00:47:36,359

um to answer you directly no no I

999

00:47:40,910 --> 00:47:38,880

haven't uh I haven't talked to Jason and

1000

00:47:42,530 --> 00:47:40,920

just out of respect I'm just gonna let

1001
00:47:44,569 --> 00:47:42,540
him do his thing it's been it's been a

1002
00:47:47,990 --> 00:47:44,579
number of years

1003
00:47:50,930 --> 00:47:48,000
um we're almost in 2023 so that was

1004
00:47:53,270 --> 00:47:50,940
probably four years ago maybe five

1005
00:47:55,069 --> 00:47:53,280
yeah it's been a while

1006
00:47:57,470 --> 00:47:55,079
it's been a while

1007
00:48:01,060 --> 00:47:57,480
okay let me look at the clock let's get

1008
00:48:06,349 --> 00:48:02,650
[Music]

1009
00:48:08,750 --> 00:48:06,359
remember all caps if Elon was saying AI

1010
00:48:12,349 --> 00:48:08,760
was dangerous then why is he implanting

1011
00:48:16,670 --> 00:48:12,359
people's brains with AI exactly

1012
00:48:20,750 --> 00:48:16,680
that's from a joy of Lisa exactly

1013
00:48:23,930 --> 00:48:20,760

um it's uh see here's here's I mean

1014

00:48:28,010 --> 00:48:23,940

there is no question

1015

00:48:31,609 --> 00:48:28,020

that Elon is a smart guy visionary

1016

00:48:34,670 --> 00:48:31,619

he is able to motivate people put uh a

1017

00:48:36,370 --> 00:48:34,680

team around him uh with his companies it

1018

00:48:38,390 --> 00:48:36,380

to to

1019

00:48:40,309 --> 00:48:38,400

designing rockets and putting them in

1020

00:48:41,630 --> 00:48:40,319

space and how many times did we see them

1021

00:48:43,390 --> 00:48:41,640

fail when they were trying to land and

1022

00:48:46,849 --> 00:48:43,400

his his

1023

00:48:48,829 --> 00:48:46,859

reuse a rocket have it land and reuse it

1024

00:48:53,450 --> 00:48:48,839

and and and save some that's that's

1025

00:48:58,569 --> 00:48:53,460

that's crazy town now it's like nothing

1026

00:49:00,490 --> 00:48:58,579

he pulled it off right so to have that

1027

00:49:03,829 --> 00:49:00,500

ability

1028

00:49:06,349 --> 00:49:03,839

to have the vision and then turn around

1029

00:49:07,550 --> 00:49:06,359

and have the pockets the Deep Pockets to

1030

00:49:09,950 --> 00:49:07,560

go you know what okay this is what we're

1031

00:49:12,109 --> 00:49:09,960

going to do Tesla you know he didn't

1032

00:49:14,870 --> 00:49:12,119

invent Tesla he didn't invent electric

1033

00:49:15,890 --> 00:49:14,880

cars he didn't invent those Tesla wall

1034

00:49:17,990 --> 00:49:15,900

batteries

1035

00:49:20,510 --> 00:49:18,000

but he had the vision for it and if you

1036

00:49:22,190 --> 00:49:20,520

have the money and you have the right

1037

00:49:24,950 --> 00:49:22,200

engineers and the people around you

1038

00:49:27,950 --> 00:49:24,960

software designers and everything else

1039

00:49:31,609 --> 00:49:27,960

um that's that's that's part of the

1040

00:49:34,550 --> 00:49:31,619

ability to to do all of that so yeah

1041

00:49:37,370 --> 00:49:34,560

right and then

1042

00:49:40,450 --> 00:49:37,380

you have that

1043

00:49:44,030 --> 00:49:40,460

and then you have some of these

1044

00:49:47,870 --> 00:49:44,040

contradicting statements

1045

00:49:50,210 --> 00:49:47,880

completely contradictive and which goes

1046

00:49:53,030 --> 00:49:50,220

if you're going to

1047

00:49:54,530 --> 00:49:53,040

say that AI is is more threatening to

1048

00:49:56,569 --> 00:49:54,540

this world than

1049

00:49:59,990 --> 00:49:56,579

the nuclear bombs don't turn around and

1050

00:50:02,809 --> 00:50:00,000

say but I I can control AI

1051
00:50:05,270 --> 00:50:02,819
don't worry don't I know what I said but

1052
00:50:06,530 --> 00:50:05,280
don't worry about it because I've got it

1053
00:50:08,270 --> 00:50:06,540
under control I'm going to be able to

1054
00:50:10,910 --> 00:50:08,280
put an implant in your head and don't

1055
00:50:13,670 --> 00:50:10,920
worry about Ai No no no no it's going to

1056
00:50:16,010 --> 00:50:13,680
be safe I've got it and it just trust me

1057
00:50:18,309 --> 00:50:16,020
on this one you know I've got wait wait

1058
00:50:21,829 --> 00:50:18,319
you just said

1059
00:50:23,750 --> 00:50:21,839
AI is more dangerous than nuclear bombs

1060
00:50:27,710 --> 00:50:23,760
well we know the danger of nuclear

1061
00:50:30,490 --> 00:50:27,720
weapons so if if that's the case then

1062
00:50:32,809 --> 00:50:30,500
which way is it because it's it's a con

1063
00:50:35,270 --> 00:50:32,819

contradictory statement

1064

00:50:37,730 --> 00:50:35,280

right and and it continues from there

1065

00:50:38,510 --> 00:50:37,740

even the stuff that he said about a

1066

00:50:40,370 --> 00:50:38,520

Twitter

1067

00:50:44,270 --> 00:50:40,380

it's contradicting himself

1068

00:50:46,069 --> 00:50:44,280

you know and now I'm not saying that

1069

00:50:48,890 --> 00:50:46,079

Twitter's not going to be able to land

1070

00:50:51,530 --> 00:50:48,900

on its feet he could lose all of the

1071

00:50:53,750 --> 00:50:51,540

advertisers it's not I mean to him it's

1072

00:50:55,490 --> 00:50:53,760

not much money what's he he's worth I

1073

00:50:57,290 --> 00:50:55,500

don't know how many billions of dollars

1074

00:51:01,549 --> 00:50:57,300

you know two three hundred billion

1075

00:51:04,309 --> 00:51:01,559

dollars so if he loses a billion dollars

1076
00:51:06,530 --> 00:51:04,319
a year in advertising he can do that for

1077
00:51:09,710 --> 00:51:06,540
200 years

1078
00:51:11,990 --> 00:51:09,720
and still have a hundred billion dollars

1079
00:51:14,569 --> 00:51:12,000
left over so he could run Twitter

1080
00:51:17,030 --> 00:51:14,579
without advertising

1081
00:51:18,890 --> 00:51:17,040
tis platform he can do what he wants

1082
00:51:21,170 --> 00:51:18,900
right he could write his own rules it's

1083
00:51:24,049 --> 00:51:21,180
his company it's private he can do what

1084
00:51:26,270 --> 00:51:24,059
he wants so

1085
00:51:28,130 --> 00:51:26,280
um maybe Twitter will land on his feet

1086
00:51:29,510 --> 00:51:28,140
maybe he'll work it out maybe he will

1087
00:51:31,130 --> 00:51:29,520
figure it out

1088
00:51:33,589 --> 00:51:31,140

you know I don't know but when we put

1089

00:51:36,710 --> 00:51:33,599

everything else into play here with the

1090

00:51:39,109 --> 00:51:36,720

dangers of AI and suddenly because we've

1091

00:51:41,569 --> 00:51:39,119

all seen Terminator

1092

00:51:43,370 --> 00:51:41,579

we've all seen it been listening to Ray

1093

00:51:45,109 --> 00:51:43,380

Kurzweil for years we know what the

1094

00:51:48,589 --> 00:51:45,119

singularity is

1095

00:51:52,490 --> 00:51:48,599

you know and and to have uh uh you know

1096

00:51:53,990 --> 00:51:52,500

alphabet uh Google NASA Lawrence

1097

00:51:58,730 --> 00:51:54,000

Livermore

1098

00:52:01,370 --> 00:51:58,740

um Los Alamos and any other high-tech I

1099

00:52:04,370 --> 00:52:01,380

didn't even throw China into the mix or

1100

00:52:07,730 --> 00:52:04,380

Israel or Switzerland that are all

1101
00:52:10,250 --> 00:52:07,740
working and and of course uh uh the

1102
00:52:14,930 --> 00:52:10,260
United Kingdom and on and on that are

1103
00:52:16,910 --> 00:52:14,940
working very hard at AI

1104
00:52:19,670 --> 00:52:16,920
somebody somebody's gonna get there

1105
00:52:23,030 --> 00:52:19,680
first nobody nobody nobody wants to lose

1106
00:52:26,349 --> 00:52:23,040
that race because immediately the day

1107
00:52:29,930 --> 00:52:26,359
that uh uh an artificial general

1108
00:52:33,230 --> 00:52:29,940
intelligence is achieved from that

1109
00:52:35,870 --> 00:52:33,240
second forward not that day I misspoke

1110
00:52:38,150 --> 00:52:35,880
from that second forward everybody else

1111
00:52:41,510 --> 00:52:38,160
is lost

1112
00:52:43,510 --> 00:52:41,520
I mean lost that's it it's over it's

1113
00:52:50,150 --> 00:52:43,520

over

1114

00:52:51,410 --> 00:52:50,160

yeah you know China's getting really

1115

00:52:53,089 --> 00:52:51,420

close you don't want it to be somebody

1116

00:52:55,270 --> 00:52:53,099

that's adversarial to you that's for

1117

00:52:57,770 --> 00:52:55,280

sure

1118

00:52:59,089 --> 00:52:57,780

I wanted to be Russia I don't think it's

1119

00:53:00,530 --> 00:52:59,099

going to be Russia

1120

00:53:04,630 --> 00:53:00,540

could be China

1121

00:53:09,109 --> 00:53:06,890

Switzerland's been working on a version

1122

00:53:11,809 --> 00:53:09,119

of uh the brain

1123

00:53:16,309 --> 00:53:11,819

for many many many many many years you

1124

00:53:18,530 --> 00:53:16,319

know that they built in Switzerland

1125

00:53:19,569 --> 00:53:18,540

almost got it done too still working on

1126

00:53:22,010 --> 00:53:19,579

it

1127

00:53:26,329 --> 00:53:22,020

they decided

1128

00:53:28,430 --> 00:53:26,339

to build a computer with the same amount

1129

00:53:32,150 --> 00:53:28,440

of

1130

00:53:38,089 --> 00:53:35,329

neural Pathways as the human brain

1131

00:53:41,150 --> 00:53:38,099

and so if they could do that

1132

00:53:43,190 --> 00:53:41,160

then they could replicate the way the

1133

00:53:45,730 --> 00:53:43,200

brain works

1134

00:53:49,309 --> 00:53:45,740

and if it's AI at a whole nother level

1135

00:53:51,170 --> 00:53:49,319

and they got real close man

1136

00:53:53,210 --> 00:53:51,180

need to think about that

1137

00:53:54,710 --> 00:53:53,220

all right I gotta take a break let's get

1138

00:53:57,349 --> 00:53:54,720

one more in let's see

1139

00:53:58,849 --> 00:53:57,359

I'm just gonna go in order here

1140

00:54:02,329 --> 00:53:58,859

um have you thought about having James

1141

00:54:04,130 --> 00:54:02,339

Fox on the show to talk about his latest

1142

00:54:05,750 --> 00:54:04,140

movie documentary man that's a great

1143

00:54:12,650 --> 00:54:05,760

idea

1144

00:54:14,750 --> 00:54:12,660

I did it last month when he released it

1145

00:54:16,910 --> 00:54:14,760

and it was a good show too so go back

1146

00:54:18,290 --> 00:54:16,920

and check it out look at James Fox Fade

1147

00:54:21,410 --> 00:54:18,300

to Black and and you'll see it right

1148

00:54:30,109 --> 00:54:23,569

ah

1149

00:54:33,230 --> 00:54:30,119

baby all caps is that your question

1150

00:54:35,390 --> 00:54:33,240

is that your question all right let's

1151
00:54:41,390 --> 00:54:35,400
see questions in all caps please yes

1152
00:54:48,370 --> 00:54:42,309
uh uh

1153
00:54:53,210 --> 00:54:51,829
okay all right come on before I before I

1154
00:54:59,030 --> 00:54:53,220
get to this break

1155
00:54:59,040 --> 00:55:02,170
[Music]

1156
00:55:08,030 --> 00:55:05,329
okay all right some of these questions

1157
00:55:10,849 --> 00:55:08,040
see is you can't put them in lower caps

1158
00:55:12,770 --> 00:55:10,859
otherwise I'll just go

1159
00:55:15,109 --> 00:55:12,780
uh are you doing the shows from Rick

1160
00:55:17,390 --> 00:55:15,119
Roberts are you doing the show with the

1161
00:55:19,549 --> 00:55:17,400
loose strings guys yeah I

1162
00:55:22,430 --> 00:55:19,559
um it's not set up yet

1163
00:55:24,530 --> 00:55:22,440

um I know that there's uh it's kind of

1164

00:55:27,049 --> 00:55:24,540

weird we haven't talked directly

1165

00:55:29,329 --> 00:55:27,059

there's been a lot of a lot of people in

1166

00:55:31,609 --> 00:55:29,339

between yeah we're going to do that

1167

00:55:32,809 --> 00:55:31,619

um and I'm going to do that ASAP all

1168

00:55:36,109 --> 00:55:32,819

right

1169

00:55:39,290 --> 00:55:36,119

um I've got uh a pretty blocked up and

1170

00:55:41,329 --> 00:55:39,300

busy week next week uh but I would like

1171

00:55:43,970 --> 00:55:41,339

to if I can make it happen I'll do it

1172

00:55:46,549 --> 00:55:43,980

next week all right Rick that's a great

1173

00:55:52,130 --> 00:55:46,559

question right there and uh thank you

1174

00:55:53,809 --> 00:55:52,140

for that let's see yeah I mean here's um

1175

00:55:55,370 --> 00:55:53,819

let me actually stay on that for a

1176
00:55:57,770 --> 00:55:55,380
second

1177
00:55:59,329 --> 00:55:57,780
let me see it right there

1178
00:56:01,750 --> 00:55:59,339
um and I was talking about this last

1179
00:56:04,549 --> 00:56:01,760
night on the show with uh John Greenwald

1180
00:56:06,470 --> 00:56:04,559
and and the Wilson Davis documents and

1181
00:56:08,030 --> 00:56:06,480
and it was great I love having a

1182
00:56:10,849 --> 00:56:08,040
spirited conversation especially

1183
00:56:14,390 --> 00:56:10,859
somebody with with a mind and the wit of

1184
00:56:17,990 --> 00:56:14,400
uh John Greenwald right okay

1185
00:56:20,329 --> 00:56:18,000
um and we are discussing the Wilson

1186
00:56:23,569 --> 00:56:20,339
Davis talking he's got his position I've

1187
00:56:25,910 --> 00:56:23,579
got my thoughts and and being able to

1188
00:56:28,309 --> 00:56:25,920

talk through that and hear somebody

1189

00:56:32,210 --> 00:56:28,319

else's opinion on something and you guys

1190

00:56:35,450 --> 00:56:32,220

get to hear how two people that that are

1191

00:56:37,609 --> 00:56:35,460

able to have a conversation to be civil

1192

00:56:39,230 --> 00:56:37,619

about something that's a very very

1193

00:56:40,510 --> 00:56:39,240

sensitive subject the Wilson Davis

1194

00:56:43,730 --> 00:56:40,520

document

1195

00:56:47,030 --> 00:56:43,740

and uh and what I think is very

1196

00:56:48,950 --> 00:56:47,040

important here is that uh the loose

1197

00:56:51,829 --> 00:56:48,960

threads guys

1198

00:56:55,190 --> 00:56:51,839

um of course Richard Dolan and others

1199

00:56:59,510 --> 00:56:55,200

Melinda Leslie and and Grant Cameron and

1200

00:57:01,130 --> 00:56:59,520

uh uh Michael Michael Hall Michael W

1201
00:57:03,290 --> 00:57:01,140
Hall

1202
00:57:06,530 --> 00:57:03,300
um and many have done a lot of research

1203
00:57:08,329 --> 00:57:06,540
into uh the Wilson Davis document and

1204
00:57:09,950 --> 00:57:08,339
and have absolutely picked it apart it

1205
00:57:12,890 --> 00:57:09,960
includes also John Greenwell John

1206
00:57:15,290 --> 00:57:12,900
Greenwall has absolutely done his due

1207
00:57:17,210 --> 00:57:15,300
diligence and I think that

1208
00:57:19,609 --> 00:57:17,220
um everybody that has looked at this

1209
00:57:21,829 --> 00:57:19,619
document looks at it a little bit

1210
00:57:24,049 --> 00:57:21,839
differently than I do and they've got

1211
00:57:26,270 --> 00:57:24,059
their own versions of it and their own

1212
00:57:29,349 --> 00:57:26,280
things and certainly John does too as

1213
00:57:31,970 --> 00:57:29,359

well and the loose threads guys

1214

00:57:35,510 --> 00:57:31,980

so yes I think it's very important that

1215

00:57:36,650 --> 00:57:35,520

I have them on the show and and we talk

1216

00:57:39,049 --> 00:57:36,660

through this

1217

00:57:41,750 --> 00:57:39,059

um I am of the opinion and this is what

1218

00:57:43,670 --> 00:57:41,760

I said last night with John Greenwald I

1219

00:57:46,549 --> 00:57:43,680

am of the opinion

1220

00:57:50,030 --> 00:57:46,559

that as far as I know

1221

00:57:53,930 --> 00:57:50,040

and I've I've I know a lot of documents

1222

00:57:55,069 --> 00:57:53,940

and I've been in this UFO game for 50

1223

00:58:04,870 --> 00:57:55,079

years

1224

00:58:11,569 --> 00:58:07,549

where we have

1225

00:58:13,490 --> 00:58:11,579

the people alive we know who they are we

1226

00:58:16,970 --> 00:58:13,500

know how to get to them

1227

00:58:19,130 --> 00:58:16,980

and one of them whose name is in this

1228

00:58:21,710 --> 00:58:19,140

document is talking

1229

00:58:23,569 --> 00:58:21,720

and and others are too I mean Eric Davis

1230

00:58:26,450 --> 00:58:23,579

in his own way has been approached about

1231

00:58:29,089 --> 00:58:26,460

this that's never happened in the past

1232

00:58:32,030 --> 00:58:29,099

you know and uh oh Shannon right there

1233

00:58:33,890 --> 00:58:32,040

man Jack Houck is dead but uh right

1234

00:58:35,809 --> 00:58:33,900

there we are able to

1235

00:58:37,010 --> 00:58:35,819

you know Stephen Greer his name is in

1236

00:58:39,829 --> 00:58:37,020

this document we've talked to Stephen

1237

00:58:41,089 --> 00:58:39,839

Greer yeah Thomas Wilson Eric Davis

1238

00:58:42,589 --> 00:58:41,099

they're alive

1239

00:58:46,450 --> 00:58:42,599

kick green

1240

00:58:52,849 --> 00:58:49,789

this has never happened before

1241

00:58:55,849 --> 00:58:52,859

that's why this document is important

1242

00:58:58,730 --> 00:58:55,859

which is the point that I drove home

1243

00:59:01,730 --> 00:58:58,740

last night with John Greenwald you can

1244

00:59:05,390 --> 00:59:01,740

bury yourself in the facts and bury

1245

00:59:07,549 --> 00:59:05,400

yourself in opinions but whatever that's

1246

00:59:09,829 --> 00:59:07,559

cool do your thing

1247

00:59:13,130 --> 00:59:09,839

that's not what's important here

1248

00:59:14,990 --> 00:59:13,140

what's important is we are able to talk

1249

00:59:17,109 --> 00:59:15,000

about the document in different terms

1250

00:59:19,789 --> 00:59:17,119

that we've never been able to do before

1251
00:59:21,950 --> 00:59:19,799
that we are able to talk about somebody

1252
00:59:24,410 --> 00:59:21,960
that is mentioned in this document and

1253
00:59:26,750 --> 00:59:24,420
is coming out and talking about it we

1254
00:59:29,510 --> 00:59:26,760
are able to talk about that I don't care

1255
00:59:32,150 --> 00:59:29,520
about them we've never been able to have

1256
00:59:33,470 --> 00:59:32,160
that position presented to us never

1257
00:59:35,510 --> 00:59:33,480
happened before

1258
00:59:38,030 --> 00:59:35,520
that's why the Wilson Davis document is

1259
00:59:40,910 --> 00:59:38,040
so important the mj-12 documents

1260
00:59:43,250 --> 00:59:40,920
Majestic whatever those aren't part of

1261
00:59:44,569 --> 00:59:43,260
Congress those aren't part of the public

1262
00:59:47,809 --> 00:59:44,579
record

1263
00:59:50,690 --> 00:59:47,819

they're not they're not

1264

00:59:53,210 --> 00:59:50,700

the host project Aquarius document

1265

00:59:54,589 --> 00:59:53,220

that's not the nro document that John

1266

00:59:56,450 --> 00:59:54,599

was talking about last night that hoax

1267

00:59:58,930 --> 00:59:56,460

document which it is

1268

01:00:01,130 --> 00:59:58,940

um NSA nro it's not part of

1269

01:00:05,410 --> 01:00:01,140

Congressional Record that wasn't brought

1270

01:00:08,870 --> 01:00:05,420

up in in a house subcommittee meeting

1271

01:00:11,750 --> 01:00:08,880

at UFOs public hearing but the Wilson

1272

01:00:15,230 --> 01:00:11,760

Davis document was and we are able now

1273

01:00:17,990 --> 01:00:15,240

to talk about it in that context

1274

01:00:19,730 --> 01:00:18,000

yeah let's take a break right here this

1275

01:00:22,849 --> 01:00:19,740

is Fade to Black I'm Yours Timmy Church

1276

01:00:24,710 --> 01:00:22,859

stay with us we'll be right back

1277

01:00:26,930 --> 01:00:24,720

this is Jimmy Church of Fade to Black

1278

01:00:29,210 --> 01:00:26,940

please visit all of our sponsors we're

1279

01:00:30,950 --> 01:00:29,220

taking a quick break here all of the

1280

01:00:33,950 --> 01:00:30,960

links are below

1281

01:00:36,230 --> 01:00:33,960

and we'll be right back

1282

01:00:37,210 --> 01:00:36,240

check out Billy Carson's Forbidden

1283

01:00:39,370 --> 01:00:37,220

Knowledge

1284

01:00:41,329 --> 01:00:39,380

forbiddenknowledge.com or

1285

01:00:45,289 --> 01:00:41,339

forbiddenknowledge.tv where you can get

1286

01:00:47,809 --> 01:00:45,299

access to over 6 000 videos movies TV

1287

01:00:49,789 --> 01:00:47,819

series exclusive documentaries like the

1288

01:00:52,910 --> 01:00:49,799

Black Knight satellite you can do it all

1289

01:00:56,329 --> 01:00:52,920

for just seven dollars and 77 cents per

1290

01:00:58,609 --> 01:00:56,339

month or 77 per year after the three-day

1291

01:01:00,710 --> 01:00:58,619

trial which is also totally free to

1292

01:01:03,849 --> 01:01:00,720

check out it's all simple to do Billy

1293

01:01:06,250 --> 01:01:03,859

Carson is the best it's simple

1294

01:01:08,569 --> 01:01:06,260

forbiddenknowledge.com or

1295

01:01:12,589 --> 01:01:08,579

forbiddenknowledge.tv that's the number

1296

01:01:17,210 --> 01:01:14,809

I will be hosting an mcing the conscious

1297

01:01:20,390 --> 01:01:17,220

life Expo this February 10th through the

1298

01:01:22,730 --> 01:01:20,400

13th at The Lax Hilton right here in Los

1299

01:01:25,010 --> 01:01:22,740

Angeles California 200 speakers

1300

01:01:27,170 --> 01:01:25,020

including Linda Moulton Howe Bashar

1301

01:01:29,870 --> 01:01:27,180

Deborah King George Nori Daniel Sheehan

1302

01:01:34,010 --> 01:01:29,880

Scott Walter Sean Stone and David Wolfe

1303

01:01:37,370 --> 01:01:34,020

over 200 vendors special events this is

1304

01:01:39,710 --> 01:01:37,380

the biggest event of its kind on planet

1305

01:01:42,010 --> 01:01:39,720

Earth you've got to come and hang out

1306

01:01:43,970 --> 01:01:42,020

with all of us tickets and info at

1307

01:01:45,650 --> 01:01:43,980

consciouslifeexpo.com the links are

1308

01:01:48,770 --> 01:01:45,660

below

1309

01:01:51,950 --> 01:01:48,780

on Saturday April 1st that's right April

1310

01:01:54,170 --> 01:01:51,960

Fool's Day 2023 I will be hosting the

1311

01:01:57,650 --> 01:01:54,180

peripod festival at the Hyatt Regency

1312

01:02:00,109 --> 01:01:57,660

right here in Valencia California it's a

1313

01:02:03,170 --> 01:02:00,119

live one-day podcast Awards it's a film

1314

01:02:05,270 --> 01:02:03,180

festival it's a full-on media event

1315

01:02:07,069 --> 01:02:05,280

we're going to have Sky watching it's

1316

01:02:09,890 --> 01:02:07,079

going to be a Lifetime Achievement Award

1317

01:02:11,870 --> 01:02:09,900

presented to Linda Moulton Howe right

1318

01:02:13,910 --> 01:02:11,880

now you can submit your podcast to your

1319

01:02:16,609 --> 01:02:13,920

film your TV series any of your

1320

01:02:18,589 --> 01:02:16,619

paranormal media for consideration you

1321

01:02:21,789 --> 01:02:18,599

can do all of that on the links below

1322

01:02:23,690 --> 01:02:21,799

for info and tickets go to

1323

01:02:26,770 --> 01:02:23,700

parapodfilmfest.com that's

1324

01:02:32,450 --> 01:02:30,829

April 7th through the 14th 2023 I'll be

1325

01:02:35,450 --> 01:02:32,460

hosting and presenting on the hidden

1326
01:02:38,030 --> 01:02:35,460
secrets seminar at Sea cruise from Los

1327
01:02:40,370 --> 01:02:38,040
Angeles to the Mexican Riviera I'm the

1328
01:02:43,010 --> 01:02:40,380
Navigator of the Seas that's right up

1329
01:02:44,630 --> 01:02:43,020
top a giant water slide you've got to

1330
01:02:46,609 --> 01:02:44,640
check out the Navigator of the Seas it's

1331
01:02:48,950 --> 01:02:46,619
amazing we've got Scott Walter Adam

1332
01:02:51,829 --> 01:02:48,960
Apollo Nick Pope Brad Olson Vivian

1333
01:02:54,170 --> 01:02:51,839
chauve Jason shirka Robert Grant Reuben

1334
01:02:56,510 --> 01:02:54,180
Langdon and another 12 amazing speakers

1335
01:02:57,970 --> 01:02:56,520
and presenters it's all simple to do

1336
01:03:00,349 --> 01:02:57,980
just visit

1337
01:03:04,069 --> 01:03:00,359
divinetravels.com forward slash hidden

1338
01:03:06,289 --> 01:03:04,079

secrets 2023 you know you want to go on

1339

01:03:09,710 --> 01:03:06,299

a cruise with me

1340

01:03:12,530 --> 01:03:09,720

River Moon coffee makers of the Fade to

1341

01:03:14,349 --> 01:03:12,540

Black blend truly the best coffee on

1342

01:03:16,609 --> 01:03:14,359

planet Earth just visit

1343

01:03:18,470 --> 01:03:16,619

rivermoonwellness.com or their Amazon

1344

01:03:19,910 --> 01:03:18,480

store it's all simple to do you can

1345

01:03:21,950 --> 01:03:19,920

check out the Fade to Black blend the

1346

01:03:24,650 --> 01:03:21,960

game changer Blend or any of their black

1347

01:03:28,370 --> 01:03:24,660

moon wellness products it's the only

1348

01:03:40,870 --> 01:03:28,380

coffee I drink it is the best and it's

1349

01:03:47,329 --> 01:03:44,630

all right I'm back oh man everybody's

1350

01:03:49,250 --> 01:03:47,339

got a frame up and I saw everybody saw

1351

01:03:52,010 --> 01:03:49,260

me vaping uh during the break you like

1352

01:03:55,190 --> 01:03:52,020

that did you like that okay uh let's get

1353

01:03:57,530 --> 01:03:55,200

back to it tonight's in the AMA doing

1354

01:03:59,210 --> 01:03:57,540

um an AMA and my guest tonight had a

1355

01:04:02,329 --> 01:03:59,220

baby uh today

1356

01:04:04,849 --> 01:04:02,339

and uh and I didn't get the text till 6

1357

01:04:08,329 --> 01:04:04,859

p.m I knew it was coming

1358

01:04:09,770 --> 01:04:08,339

um in my own little strange selfish way

1359

01:04:11,210 --> 01:04:09,780

I was hoping it was going to happen two

1360

01:04:14,089 --> 01:04:11,220

days ago

1361

01:04:16,190 --> 01:04:14,099

that's gonna be fine and uh and it just

1362

01:04:17,690 --> 01:04:16,200

turned out to be what it is okay

1363

01:04:23,210 --> 01:04:17,700

uh

1364

01:04:24,109 --> 01:04:23,220

gone that's probably far enough let's

1365

01:04:26,289 --> 01:04:24,119

see

1366

01:04:30,650 --> 01:04:26,299

um

1367

01:04:33,890 --> 01:04:30,660

ah this is from Phil why are uaps nearly

1368

01:04:36,349 --> 01:04:33,900

all atmospheric and not terrestrial

1369

01:04:38,329 --> 01:04:36,359

Landings well

1370

01:04:40,730 --> 01:04:38,339

um yeah I know in in a strange way that

1371

01:04:42,829 --> 01:04:40,740

seems to be excuse me seems to be the

1372

01:04:45,349 --> 01:04:42,839

case but

1373

01:04:47,270 --> 01:04:45,359

yeah I'm not so sure

1374

01:04:50,450 --> 01:04:47,280

I'm not so sure

1375

01:04:52,010 --> 01:04:50,460

um but uh let's let's unpack this for a

1376

01:04:56,270 --> 01:04:52,020

minute because I think that we've all

1377

01:05:00,430 --> 01:04:56,280

realized uh that because if we

1378

01:05:03,770 --> 01:05:00,440

uh back up and that's not totally

1379

01:05:06,650 --> 01:05:03,780

accurate though Phil

1380

01:05:08,809 --> 01:05:06,660

um there have been some recent stuff but

1381

01:05:11,450 --> 01:05:08,819

um but if we go back historically and

1382

01:05:14,150 --> 01:05:11,460

and you know we look at zakaro uh New

1383

01:05:15,770 --> 01:05:14,160

Mexico uh for instance

1384

01:05:17,930 --> 01:05:15,780

um that was up close and personal that

1385

01:05:20,630 --> 01:05:17,940

thing landed

1386

01:05:22,730 --> 01:05:20,640

um uh the Travis Walton case uh Betty

1387

01:05:24,049 --> 01:05:22,740

and Barney Hill uh you know of course

1388

01:05:26,329 --> 01:05:24,059

Roswell

1389

01:05:29,030 --> 01:05:26,339

um uh uh something may have crashed in

1390

01:05:31,309 --> 01:05:29,040

Kecksburg uh we still don't know if that

1391

01:05:34,789 --> 01:05:31,319

was but but all of that we're talking

1392

01:05:38,690 --> 01:05:34,799

about uh you know Travis Walton uh you

1393

01:05:41,329 --> 01:05:38,700

know that's 50 years ago right so it's

1394

01:05:43,789 --> 01:05:41,339

uh 45 years ago

1395

01:05:47,089 --> 01:05:43,799

um yeah yeah I get that where we don't

1396

01:05:50,650 --> 01:05:47,099

have except

1397

01:05:56,170 --> 01:05:50,660

um if we look at moment of contact

1398

01:06:00,650 --> 01:05:57,710

Brazil

1399

01:06:02,150 --> 01:06:00,660

that craft landed those beings came off

1400

01:06:04,910 --> 01:06:02,160

so

1401

01:06:06,829 --> 01:06:04,920

um and that wasn't that long ago

1402

01:06:09,530 --> 01:06:06,839

um so how much of this is happening

1403

01:06:12,770 --> 01:06:09,540

where we don't know anything at all

1404

01:06:17,930 --> 01:06:12,780

um if we also go to if you want to go

1405

01:06:21,109 --> 01:06:17,940

recent and we take a look at uh uh the

1406

01:06:24,049 --> 01:06:21,119

Tic Tac and the conversations behind it

1407

01:06:25,010 --> 01:06:24,059

Tic Tac was at sea level bubbling the

1408

01:06:27,650 --> 01:06:25,020

water

1409

01:06:30,289 --> 01:06:27,660

you know possibly uh submerged at some

1410

01:06:32,029 --> 01:06:30,299

point maybe tubes pipes coming I don't

1411

01:06:33,650 --> 01:06:32,039

know I'm not saying anything I haven't

1412

01:06:36,170 --> 01:06:33,660

seen anything

1413

01:06:40,370 --> 01:06:36,180

um but um wink wink

1414

01:06:42,230 --> 01:06:40,380

but that's pretty terrestrial

1415

01:06:43,730 --> 01:06:42,240

you know that was uh that was at sea

1416

01:06:46,309 --> 01:06:43,740

level

1417

01:06:50,950 --> 01:06:46,319

um if we go to the homeland security

1418

01:06:54,109 --> 01:06:50,960

footage out of Puerto Rico Puerto Rico

1419

01:06:56,809 --> 01:06:54,119

uh that craft uh definitely went into

1420

01:07:00,589 --> 01:06:56,819

the water and came out

1421

01:07:02,630 --> 01:07:00,599

um so yeah that's that's not uh

1422

01:07:04,490 --> 01:07:02,640

it's not like everything is atmospheric

1423

01:07:06,410 --> 01:07:04,500

and we could we could go back and pick

1424

01:07:08,390 --> 01:07:06,420

things apart

1425

01:07:10,670 --> 01:07:08,400

um and look at specific cases I'm doing

1426

01:07:15,049 --> 01:07:10,680

this in real time and live so I'm not

1427

01:07:18,470 --> 01:07:15,059

I'm not totally even though

1428

01:07:19,609 --> 01:07:18,480

um in a general sense I would I would

1429

01:07:25,130 --> 01:07:19,619

agree with that

1430

01:07:28,309 --> 01:07:25,140

I I would so is it just that that part

1431

01:07:31,370 --> 01:07:28,319

of of things are over for E.T that was

1432

01:07:32,930 --> 01:07:31,380

uh you know visiting this planet that uh

1433

01:07:35,089 --> 01:07:32,940

maybe they're showing up here a little

1434

01:07:37,970 --> 01:07:35,099

surprise whoa their civilization here

1435

01:07:40,789 --> 01:07:37,980

it's not that easy to just come in and

1436

01:07:42,890 --> 01:07:40,799

land and and poke around maybe it's that

1437

01:07:46,309 --> 01:07:42,900

maybe they know that we have

1438

01:07:49,490 --> 01:07:46,319

um uh if we go back to 1947

1439

01:07:54,170 --> 01:07:49,500

World War II radar was invented in World

1440

01:07:56,089 --> 01:07:54,180

War II so up until World War II uh

1441

01:07:57,829 --> 01:07:56,099

before that we didn't have radar did E.T

1442

01:07:59,150 --> 01:07:57,839

know that that they could just come in

1443

01:08:01,490 --> 01:07:59,160

come into the atmosphere do whatever

1444

01:08:03,109 --> 01:08:01,500

they want and go undetected unless

1445

01:08:04,849 --> 01:08:03,119

somebody saw them

1446

01:08:08,510 --> 01:08:04,859

right now

1447

01:08:11,270 --> 01:08:08,520

today we've got satellites we've got

1448

01:08:12,950 --> 01:08:11,280

radio telescopes we've got stuff all

1449

01:08:14,750 --> 01:08:12,960

over this planet looking out into deep

1450

01:08:17,390 --> 01:08:14,760

space of course we've got the James Webb

1451

01:08:20,150 --> 01:08:17,400

so we are uh and Tess and we are

1452

01:08:21,709 --> 01:08:20,160

monitoring and we have the ability uh to

1453

01:08:23,809 --> 01:08:21,719

look everywhere all the time we didn't

1454

01:08:26,930 --> 01:08:23,819

have that 50 years ago

1455

01:08:30,490 --> 01:08:26,940

and uh 75 years ago

1456

01:08:35,030 --> 01:08:30,500

um so maybe that is part of the change

1457

01:08:39,829 --> 01:08:35,040

could be not so sure I was just

1458

01:08:42,169 --> 01:08:39,839

um uh watching the documentary if if you

1459

01:08:45,590 --> 01:08:42,179

get a chance I think it's on Apple TV

1460

01:08:48,829 --> 01:08:45,600

uh or maybe it's Amazon I don't know

1461

01:08:51,229 --> 01:08:48,839

um goodbye Opie I think it's called Uh

1462

01:08:53,870 --> 01:08:51,239

opportunity the Rover uh there was two

1463

01:08:56,390 --> 01:08:53,880

spirit and opportunity at the same time

1464

01:08:59,090 --> 01:08:56,400

London landed on Mars and they were

1465

01:09:00,970 --> 01:08:59,100

supposed to have a three-month mission

1466

01:09:03,530 --> 01:09:00,980

that was the plan that was the mission

1467

01:09:07,130 --> 01:09:03,540

and Opie ran

1468

01:09:10,669 --> 01:09:07,140

for 14 years

1469

01:09:14,150 --> 01:09:10,679

that's crazy and and in the end you know

1470

01:09:18,229 --> 01:09:14,160

a couple of broken broken feet you know

1471

01:09:20,510 --> 01:09:18,239

tires Wheels getting stuck it's robotic

1472

01:09:22,249 --> 01:09:20,520

arm stopped working they said it had you

1473

01:09:25,249 --> 01:09:22,259

know it's kind of like arthritis 14

1474

01:09:29,390 --> 01:09:25,259

years dust Martian weather everything

1475

01:09:33,169 --> 01:09:29,400

edges just beat Opie down uh but you

1476

01:09:36,050 --> 01:09:33,179

know for 14 years and and so go and

1477

01:09:39,169 --> 01:09:36,060

watch that because that will give you my

1478

01:09:41,209 --> 01:09:39,179

frame of mind with what I'm about to say

1479

01:09:43,729 --> 01:09:41,219

that is us

1480

01:09:46,610 --> 01:09:43,739

visiting

1481

01:09:48,910 --> 01:09:46,620

another world

1482

01:09:51,829 --> 01:09:48,920

so to Mars

1483

01:09:54,470 --> 01:09:51,839

were the aliens

1484

01:09:56,689 --> 01:09:54,480

you know and so what does

1485

01:09:59,450 --> 01:09:56,699

um what does opportunity perseverance

1486

01:10:02,390 --> 01:09:59,460

today and there's two more that that are

1487

01:10:05,330 --> 01:10:02,400

on their way there now so the what what

1488

01:10:09,709 --> 01:10:05,340

does that actually represent

1489

01:10:11,990 --> 01:10:09,719

right were there any offensive weapons

1490

01:10:14,810 --> 01:10:12,000

on opportunity or perseverance I don't

1491

01:10:16,250 --> 01:10:14,820

think there's any there's any pulse

1492

01:10:18,770 --> 01:10:16,260

laser cannons

1493

01:10:20,750 --> 01:10:18,780

or anything else that that's that's it's

1494

01:10:22,790 --> 01:10:20,760

a purely a scientific Mission and we're

1495

01:10:26,209 --> 01:10:22,800

there to to see what's up with that

1496

01:10:29,930 --> 01:10:26,219

planet and if that's what we are doing

1497

01:10:31,370 --> 01:10:29,940

and if we have the ability on saying

1498

01:10:33,590 --> 01:10:31,380

that we don't have the ability but if we

1499

01:10:36,590 --> 01:10:33,600

have the ability

1500

01:10:40,430 --> 01:10:36,600

to go to Proxima Centauri

1501

01:10:43,550 --> 01:10:40,440

um or or any other uh exoplanet out

1502

01:10:45,950 --> 01:10:43,560

there what will we do and how we do it

1503

01:10:49,189 --> 01:10:45,960

with an offensive capacity right guns

1504

01:10:51,709 --> 01:10:49,199

ablazing and and going and and start

1505

01:10:53,270 --> 01:10:51,719

shooting down no you know shooting no no

1506

01:10:55,610 --> 01:10:53,280

we wouldn't it would be a scientific

1507

01:10:59,209 --> 01:10:55,620

Mission and we would go there and take a

1508

01:11:01,250 --> 01:10:59,219

peek and send information home why would

1509

01:11:04,490 --> 01:11:01,260

we assume

1510

01:11:07,430 --> 01:11:04,500

that E.T would be handling anything uh

1511

01:11:08,930 --> 01:11:07,440

differently with us because we haven't

1512

01:11:10,850 --> 01:11:08,940

been attacked

1513

01:11:13,250 --> 01:11:10,860

I haven't seen that I'm not saying that

1514

01:11:15,649 --> 01:11:13,260

there isn't some angry aliens out there

1515

01:11:18,050 --> 01:11:15,659

that would love to go and rape and

1516

01:11:20,390 --> 01:11:18,060

pillage a planet of course right the

1517

01:11:22,130 --> 01:11:20,400

universe is a big place but we haven't

1518

01:11:25,149 --> 01:11:22,140

seen that

1519

01:11:29,090 --> 01:11:25,159

right so could it be

1520

01:11:31,370 --> 01:11:29,100

that some of these things that are

1521

01:11:34,209 --> 01:11:31,380

visiting us are just absolutely

1522

01:11:37,910 --> 01:11:34,219

scientific instruments out

1523

01:11:40,790 --> 01:11:37,920

self-replicating across the Milky Way in

1524

01:11:42,709 --> 01:11:40,800

galaxies in the universe to go out and

1525

01:11:44,149 --> 01:11:42,719

and find planets and and see what

1526

01:11:45,290 --> 01:11:44,159

they're made of and send the information

1527

01:11:47,810 --> 01:11:45,300

home

1528

01:11:49,250 --> 01:11:47,820

but maybe that's

1529

01:11:51,590 --> 01:11:49,260

that's it

1530

01:11:53,209 --> 01:11:51,600

and why why should we think anything

1531

01:11:54,229 --> 01:11:53,219

different because that's what we're

1532

01:11:57,830 --> 01:11:54,239

doing

1533

01:11:59,810 --> 01:11:57,840

go and watch Hopi that is uh an amazing

1534

01:12:01,250 --> 01:11:59,820

I think it's somebody Lucas I think it's

1535

01:12:05,030 --> 01:12:01,260

done by

1536

01:12:06,470 --> 01:12:05,040

Spielberg and and Lucas it's it's it's a

1537

01:12:10,729 --> 01:12:06,480

great documentary it's kind of a

1538

01:12:13,610 --> 01:12:10,739

tearjerker it's kind of like Wall E

1539

01:12:16,189 --> 01:12:13,620

it is and don't tell me you didn't cry

1540

01:12:19,550 --> 01:12:16,199

when you saw Wally

1541

01:12:20,410 --> 01:12:19,560

all right I saw uh something

1542

01:12:22,970 --> 01:12:20,420

um

1543

01:12:26,209 --> 01:12:22,980

uh the other day

1544

01:12:29,090 --> 01:12:26,219

was like the 10 greatest films of all

1545

01:12:32,990 --> 01:12:29,100

time that whatever and Wally was on the

1546

01:12:35,510 --> 01:12:33,000

list and I I yeah didn't agree with all

1547

01:12:37,189 --> 01:12:35,520

of it but I was happy to see Wally on

1548

01:12:40,669 --> 01:12:37,199

that list

1549

01:12:44,990 --> 01:12:44,090

man I I cried I cried okay let's see I

1550

01:12:48,290 --> 01:12:45,000

did

1551

01:12:50,209 --> 01:12:48,300

uh uh Lisa says I can help you fix your

1552

01:12:54,890 --> 01:12:50,219

car Jimmy

1553

01:12:59,209 --> 01:12:57,649

Dragon Rider why is there no more fader

1554

01:13:00,649 --> 01:12:59,219

Knight if I need to address that one

1555

01:13:01,669 --> 01:13:00,659

more time

1556

01:13:05,750 --> 01:13:01,679

man

1557

01:13:09,470 --> 01:13:05,760

it's a new day I'm wearing a new shirt

1558

01:13:11,870 --> 01:13:09,480

that's it it's just a new day new day

1559

01:13:17,270 --> 01:13:11,880

uh

1560

01:13:19,070 --> 01:13:17,280

YJ says I have 108 followers and I

1561

01:13:20,330 --> 01:13:19,080

absolutely have made plenty of

1562

01:13:24,709 --> 01:13:20,340

influencing

1563

01:13:26,330 --> 01:13:24,719

not by my status but by my words you go

1564

01:13:29,570 --> 01:13:26,340

right on

1565

01:13:35,689 --> 01:13:31,490

okay let me get to the all cap stuff

1566

01:13:37,430 --> 01:13:35,699

because I could sit here and read

1567

01:13:38,870 --> 01:13:37,440

everybody's comments they're all great

1568

01:13:40,790 --> 01:13:38,880

thank you guys

1569

01:13:42,890 --> 01:13:40,800

this is just awesome

1570

01:13:47,270 --> 01:13:42,900

but uh let's get to some questions here

1571

01:13:57,590 --> 01:13:49,790

there's a lot of action going on in this

1572

01:13:57,600 --> 01:14:01,630

laughs

1573

01:14:06,649 --> 01:14:04,250

Lisa Davey's funny I have no clue what

1574

01:14:16,790 --> 01:14:06,659

Jimmy is speaking of I have total recall

1575

01:14:20,510 --> 01:14:18,649

running man you want me to get up and do

1576

01:14:24,229 --> 01:14:20,520

it right now

1577

01:14:26,330 --> 01:14:24,239

Mandela effect what version of things do

1578

01:14:27,610 --> 01:14:26,340

you remember that is a great question

1579

01:14:30,110 --> 01:14:27,620

thank you for that

1580

01:14:32,930 --> 01:14:30,120

uh no I'm just gonna go with Nile

1581

01:14:36,830 --> 01:14:32,940

nihilist

1582

01:14:37,930 --> 01:14:36,840

um yeah the Mandela effect what the

1583

01:14:57,590 --> 01:14:37,940

the

1584

01:15:01,490 --> 01:14:57,600

I have a hard time accepting that fact

1585

01:15:03,590 --> 01:15:01,500

um now when you it it's the simple

1586

01:15:05,270 --> 01:15:03,600

things for me

1587

01:15:07,310 --> 01:15:05,280

the simple things

1588

01:15:10,130 --> 01:15:07,320

like

1589

01:15:14,470 --> 01:15:10,140

cup of noodles

1590

01:15:16,070 --> 01:15:14,480

when I was a kid now this was

1591

01:15:18,310 --> 01:15:16,080

1978.

1592

01:15:20,090 --> 01:15:18,320

living in Panama

1593

01:15:22,370 --> 01:15:20,100

and

1594

01:15:24,169 --> 01:15:22,380

my dad

1595

01:15:27,290 --> 01:15:24,179

shopped

1596

01:15:29,689 --> 01:15:27,300

on the army base like all Army families

1597

01:15:31,610 --> 01:15:29,699

do you go to the Post Exchange go to the

1598

01:15:33,830 --> 01:15:31,620

supermarket over there and you you buy

1599

01:15:35,810 --> 01:15:33,840

your groceries and come and one day he

1600

01:15:37,370 --> 01:15:35,820

shows up he goes and does his shopping

1601

01:15:38,330 --> 01:15:37,380

whatever once a week once a month I

1602

01:15:41,209 --> 01:15:38,340

don't remember

1603

01:15:44,209 --> 01:15:41,219

comes home with this thing called

1604

01:15:46,189 --> 01:15:44,219

cup of noodles

1605

01:15:47,330 --> 01:15:46,199

man oh man

1606

01:15:49,550 --> 01:15:47,340

beef

1607

01:15:50,870 --> 01:15:49,560

chicken

1608

01:15:57,110 --> 01:15:50,880

shrimp

1609

01:16:02,510 --> 01:15:57,120

um cup of noodles

1610

01:16:08,930 --> 01:16:04,669

I have a memory

1611

01:16:14,810 --> 01:16:12,830

and to now grow up and experience the

1612

01:16:17,750 --> 01:16:14,820

Mandela effect and somebody

1613

01:16:20,090 --> 01:16:17,760

somebody sends me an email

1614

01:16:21,590 --> 01:16:20,100

and when we first started talking about

1615

01:16:23,930 --> 01:16:21,600

the Mandela effect sends me this email

1616

01:16:26,270 --> 01:16:23,940

and goes hey Jimmy man what about I

1617

01:16:27,649 --> 01:16:26,280

heard you talking about a cup of noodles

1618

01:16:30,410 --> 01:16:27,659

um a couple of years ago on the show

1619

01:16:33,229 --> 01:16:30,420

which I have I love it I love ramen

1620

01:16:35,750 --> 01:16:33,239

um it's not cup of noodles it's cup

1621

01:16:40,189 --> 01:16:38,330

what are you talking about

1622

01:16:42,649 --> 01:16:40,199

cup noodles

1623

01:16:44,810 --> 01:16:42,659

then I go and look it up

1624

01:16:48,070 --> 01:16:44,820

here's the pictures

1625

01:16:50,750 --> 01:16:48,080

it's never been cup of noodles

1626

01:16:53,750 --> 01:16:50,760

and I'm like [h__h]

1627

01:16:56,750 --> 01:16:53,760

what

1628

01:17:01,970 --> 01:17:00,410

I remember that wrong

1629

01:17:03,110 --> 01:17:01,980

now

1630

01:17:05,630 --> 01:17:03,120

um

1631

01:17:08,810 --> 01:17:05,640

the crazy part about this is after you

1632

01:17:10,550 --> 01:17:08,820

know I grow up and I you know get out of

1633

01:17:12,290 --> 01:17:10,560

high school and move out of the house

1634

01:17:15,530 --> 01:17:12,300

and I'm doing my own thing and I'm doing

1635

01:17:17,030 --> 01:17:15,540

my own shopping now my own apartment and

1636

01:17:19,189 --> 01:17:17,040

and I'm going to the store and I'm like

1637

01:17:22,010 --> 01:17:19,199

how cup of noodles

1638

01:17:28,970 --> 01:17:22,020

gonna buy that

1639

01:17:31,910 --> 01:17:28,980

love it love that stuff I still do still

1640

01:17:35,149 --> 01:17:31,920

buy it I buy it because I like it

1641

01:17:36,110 --> 01:17:35,159

I can I can afford to eat whatever I

1642

01:17:41,090 --> 01:17:36,120

want

1643

01:17:45,290 --> 01:17:41,100

Top Ramen

1644

01:17:47,630 --> 01:17:45,300

anyway so when I when and I and I jump

1645

01:17:49,930 --> 01:17:47,640

into this whole thing

1646

01:17:53,390 --> 01:17:49,940

and I'm going down

1647

01:17:55,850 --> 01:17:53,400

uh this Mandela effect list of which

1648

01:17:58,370 --> 01:17:55,860

there are thousands now of the exam

1649

01:18:01,630 --> 01:17:58,380

thousands of examples of things that

1650

01:18:04,550 --> 01:18:01,640

have been either remembered wrong

1651
01:18:07,430 --> 01:18:04,560
by literally hundreds of millions of

1652
01:18:10,250 --> 01:18:07,440
people or somebody has come in and

1653
01:18:11,030 --> 01:18:10,260
changed our timeline for us

1654
01:18:13,850 --> 01:18:11,040
um

1655
01:18:17,450 --> 01:18:13,860
Sex in the City

1656
01:18:18,470 --> 01:18:17,460
right is it Sex and the City or Sex in

1657
01:18:20,030 --> 01:18:18,480
the City

1658
01:18:23,990 --> 01:18:20,040
and I'm going back and I'm looking at

1659
01:18:26,090 --> 01:18:24,000
Old film clips and videotape of of

1660
01:18:29,750 --> 01:18:26,100
different references to this over the

1661
01:18:31,729 --> 01:18:29,760
years I'm like ah what

1662
01:18:35,270 --> 01:18:31,739
if somebody needs to help me out here

1663
01:18:38,810 --> 01:18:35,280

right Captain Crunch Captain Crunch all

1664

01:18:43,390 --> 01:18:38,820

right whatever kitkats and

1665

01:18:48,050 --> 01:18:43,400

um uh is this everybody just remembering

1666

01:18:50,890 --> 01:18:48,060

everything wrong now I have my issues

1667

01:18:55,189 --> 01:18:50,900

with the space shuttle

1668

01:18:59,570 --> 01:18:55,199

1985 or did it happen in 1986

1669

01:19:02,209 --> 01:18:59,580

and I can only tell you what my

1670

01:19:06,110 --> 01:19:02,219

experience was for that and it is vivid

1671

01:19:07,970 --> 01:19:06,120

as yesterday and to have so many people

1672

01:19:10,189 --> 01:19:07,980

um contact me I'm talking about hundreds

1673

01:19:12,410 --> 01:19:10,199

of emails not just one hundreds of

1674

01:19:13,550 --> 01:19:12,420

emails I was reading a lot of them on

1675

01:19:15,350 --> 01:19:13,560

the air

1676
01:19:17,630 --> 01:19:15,360
um hundreds of emails with people saying

1677
01:19:20,810 --> 01:19:17,640
man I'm telling you right now man I was

1678
01:19:22,250 --> 01:19:20,820
in I was in fourth grade science class I

1679
01:19:23,630 --> 01:19:22,260
was in fifth grade science class I was

1680
01:19:27,229 --> 01:19:23,640
in seventh grade science class and they

1681
01:19:30,530 --> 01:19:27,239
rolled in the TV and uh and I was in

1682
01:19:34,810 --> 01:19:30,540
that science class in this in in 1985

1683
01:19:37,610 --> 01:19:34,820
and and and we all saw it together and

1684
01:19:41,209 --> 01:19:37,620
did everybody just remember does

1685
01:19:43,130 --> 01:19:41,219
everybody remember the year wrong

1686
01:19:46,310 --> 01:19:43,140
all right

1687
01:19:49,910 --> 01:19:46,320
I don't know the Mandela effect

1688
01:19:51,770 --> 01:19:49,920

you can go today

1689

01:19:53,510 --> 01:19:51,780

and go to any of these Mandela effect

1690

01:19:55,729 --> 01:19:53,520

lists

1691

01:19:59,390 --> 01:19:55,739

and and read through them some of them

1692

01:20:02,030 --> 01:19:59,400

you know but it's it's to me it's like

1693

01:20:03,410 --> 01:20:02,040

everybody everybody I don't think

1694

01:20:05,169 --> 01:20:03,420

there's an exception here I don't think

1695

01:20:07,970 --> 01:20:05,179

there's an exception I think everybody

1696

01:20:10,790 --> 01:20:07,980

has remembered something wrong

1697

01:20:15,410 --> 01:20:10,800

every everybody you can pick it out

1698

01:20:17,990 --> 01:20:15,420

and um it's a bizarre thing

1699

01:20:19,430 --> 01:20:18,000

so I don't know I don't know was it CERN

1700

01:20:24,590 --> 01:20:19,440

I don't know

1701

01:20:27,830 --> 01:20:24,600

uh the satellite constellation of

1702

01:20:30,410 --> 01:20:27,840

starlink thank you for that zenza bill

1703

01:20:34,310 --> 01:20:30,420

very very cool

1704

01:20:37,430 --> 01:20:34,320

uh ever look into Robert Monroe I have

1705

01:20:40,130 --> 01:20:37,440

that's from bong chop that's the best

1706

01:20:44,450 --> 01:20:40,140

name in the chat room tonight so far

1707

01:20:46,689 --> 01:20:44,460

and uh just click on the screen to clear

1708

01:20:50,209 --> 01:20:46,699

the disclaimer foreign

1709

01:20:52,370 --> 01:20:50,219

okay let's see here uh Real Paranormal

1710

01:20:55,070 --> 01:20:52,380

turn off the internet we aren't mature

1711

01:20:57,590 --> 01:20:55,080

smart enough to use it yet I know I know

1712

01:20:59,870 --> 01:20:57,600

I know what was that movie A Zoolander

1713

01:21:01,910 --> 01:20:59,880

remember when they had that Apple uh

1714

01:21:04,689 --> 01:21:01,920

what were the orange Apple computers

1715

01:21:06,950 --> 01:21:04,699

called what did they call those uh

1716

01:21:08,870 --> 01:21:06,960

the orange I think they were blue too

1717

01:21:10,189 --> 01:21:08,880

maybe purple

1718

01:21:12,790 --> 01:21:10,199

and they were trying to figure out how

1719

01:21:17,630 --> 01:21:12,800

to turn it on

1720

01:21:21,229 --> 01:21:17,640

yeah great uh paranormal pixie Lara says

1721

01:21:23,990 --> 01:21:21,239

do you think Elon is going for ultimate

1722

01:21:26,270 --> 01:21:24,000

control over the world I think he has

1723

01:21:31,070 --> 01:21:26,280

achieved that

1724

01:21:33,110 --> 01:21:31,080

yeah yeah now is is uh how close is he

1725

01:21:38,990 --> 01:21:33,120

to Total world domination couple of

1726
01:21:44,570 --> 01:21:42,770
I'll tell you what if the FDA approves

1727
01:21:47,149 --> 01:21:44,580
neuralink

1728
01:21:48,290 --> 01:21:47,159
if that doesn't open your eyes if you

1729
01:21:49,930 --> 01:21:48,300
don't step back and go

1730
01:21:52,550 --> 01:21:49,940
[Music]

1731
01:21:54,830 --> 01:21:52,560
WTF I'm not going to say a bad word on

1732
01:21:58,310 --> 01:21:54,840
the show I know I did it earlier if that

1733
01:21:59,570 --> 01:21:58,320
doesn't make you go WTF right if that

1734
01:22:01,970 --> 01:21:59,580
happens

1735
01:22:05,630 --> 01:22:01,980
yeah four horsemen

1736
01:22:06,830 --> 01:22:05,640
yep yep yep yep yep he's there man he's

1737
01:22:09,950 --> 01:22:06,840
got

1738
01:22:12,590 --> 01:22:09,960

is everybody hearing me when I say Elon

1739

01:22:15,229 --> 01:22:12,600

has his own

1740

01:22:18,470 --> 01:22:15,239

space company

1741

01:22:21,169 --> 01:22:18,480

he's launching his own satellites all of

1742

01:22:24,050 --> 01:22:21,179

the successful launches military that

1743

01:22:26,689 --> 01:22:24,060

that are astronauts and that Elon

1744

01:22:31,930 --> 01:22:26,699

controls that

1745

01:22:34,510 --> 01:22:31,940

That's it man he owns SpaceX

1746

01:22:36,649 --> 01:22:34,520

he owns his own

1747

01:22:40,250 --> 01:22:36,659

satellite company

1748

01:22:47,750 --> 01:22:43,390

satellites he's got his own

1749

01:22:51,110 --> 01:22:47,760

the most influential internet platform

1750

01:22:52,130 --> 01:22:51,120

on planet Earth not Facebook not even

1751
01:22:53,750 --> 01:22:52,140
close

1752
01:22:57,350 --> 01:22:53,760
Twitter

1753
01:23:01,970 --> 01:23:00,110
self-driving cars owns them

1754
01:23:04,970 --> 01:23:01,980
owns the market

1755
01:23:06,070 --> 01:23:04,980
when did he launch today did you see

1756
01:23:07,850 --> 01:23:06,080
that

1757
01:23:13,550 --> 01:23:07,860
self-driving

1758
01:23:17,330 --> 01:23:15,050
pretty soon he's going to own the way

1759
01:23:19,490 --> 01:23:17,340
you get your food

1760
01:23:22,610 --> 01:23:19,500
oh man

1761
01:23:25,850 --> 01:23:22,620
he's gonna hold the Amazon delivery

1762
01:23:30,649 --> 01:23:28,070
he's right there and now neural Link and

1763
01:23:33,649 --> 01:23:30,659

he's gonna have the robots yeah inside

1764

01:23:37,130 --> 01:23:35,450

you're gonna wake up one night that

1765

01:23:38,390 --> 01:23:37,140

Android's gonna be staring at you in

1766

01:23:43,250 --> 01:23:38,400

your sleep

1767

01:23:47,209 --> 01:23:45,050

Elon is here

1768

01:23:49,070 --> 01:23:47,219

is taking over the world

1769

01:23:50,450 --> 01:23:49,080

yeah that's how you're going to get the

1770

01:23:52,970 --> 01:23:50,460

news

1771

01:23:56,630 --> 01:23:52,980

you really need to uh listen to every

1772

01:23:58,850 --> 01:23:56,640

WTF there you go no way on the implant

1773

01:24:03,250 --> 01:23:58,860

that's from Matt yeah

1774

01:24:08,570 --> 01:24:06,169

uh I'm glad somebody's listening a group

1775

01:24:15,669 --> 01:24:08,580

think exactly Real Paranormal thank you

1776

01:24:21,709 --> 01:24:19,189

yes Worsley ngw actually Jimmy it

1777

01:24:24,470 --> 01:24:21,719

reminds me of a mind map from Arthur C

1778

01:24:27,950 --> 01:24:24,480

Clarke's A Space Odyssey 2061 thank you

1779

01:24:30,430 --> 01:24:27,960

for that very well done

1780

01:24:34,130 --> 01:24:30,440

Jack the lad

1781

01:24:36,950 --> 01:24:34,140

AMA Jimmy as the show evolves what do

1782

01:24:38,930 --> 01:24:36,960

you think or hope will be your legacy oh

1783

01:24:39,950 --> 01:24:38,940

what I don't know I don't think about

1784

01:24:42,590 --> 01:24:39,960

that

1785

01:24:45,649 --> 01:24:42,600

you know what um

1786

01:24:47,110 --> 01:24:45,659

I don't know a guy that was trying to

1787

01:24:50,689 --> 01:24:47,120

find answers

1788

01:24:52,790 --> 01:24:50,699

I don't know I don't know what what I am

1789

01:24:55,370 --> 01:24:52,800

hopeful for there's two things

1790

01:24:56,450 --> 01:24:55,380

all right okay

1791

01:24:58,130 --> 01:24:56,460

now

1792

01:25:02,330 --> 01:24:58,140

I'm going on the record here there's two

1793

01:25:06,229 --> 01:25:04,189

my daughter and I had the rest of my

1794

01:25:08,510 --> 01:25:06,239

family whatever doesn't matter

1795

01:25:12,050 --> 01:25:08,520

but my daughter Nicole

1796

01:25:14,570 --> 01:25:12,060

I hope that after I'm gone

1797

01:25:16,729 --> 01:25:14,580

right

1798

01:25:19,910 --> 01:25:16,739

um that my daughter can go that yeah

1799

01:25:22,070 --> 01:25:19,920

yeah my dad was a Jimmy Church

1800

01:25:25,910 --> 01:25:22,080

and and she says that with a smile and

1801
01:25:30,350 --> 01:25:28,430
man uh that's that's so cool I listened

1802
01:25:34,729 --> 01:25:30,360
to you I hope

1803
01:25:35,990 --> 01:25:34,739
that that is the result that's all

1804
01:25:42,169 --> 01:25:36,000
that's all

1805
01:25:47,169 --> 01:25:42,179
um the Legacy that I don't want I don't

1806
01:25:49,030 --> 01:25:47,179
want to I don't want to

1807
01:25:51,470 --> 01:25:49,040
have

1808
01:25:53,810 --> 01:25:51,480
maybe this is some vision of the future

1809
01:25:57,709 --> 01:25:53,820
I don't want to have my body found you

1810
01:25:59,750 --> 01:25:57,719
know like lying face down somewhere

1811
01:26:01,910 --> 01:25:59,760
um in my home and not discovered for

1812
01:26:06,649 --> 01:26:01,920
like three months

1813
01:26:09,229 --> 01:26:06,659

you know that nobody is and whatever

1814

01:26:10,729 --> 01:26:09,239

and uh and they come in and and there's

1815

01:26:12,350 --> 01:26:10,739

something here that's going to embarrass

1816

01:26:14,810 --> 01:26:12,360

my family or something like that which

1817

01:26:17,629 --> 01:26:14,820

there isn't but you know what I mean I

1818

01:26:20,810 --> 01:26:17,639

don't I don't want to have that it's one

1819

01:26:23,629 --> 01:26:20,820

of those I just I I don't want that for

1820

01:26:25,910 --> 01:26:23,639

my daughter so

1821

01:26:27,709 --> 01:26:25,920

um there's no Nicole there's nothing

1822

01:26:30,649 --> 01:26:27,719

here embarrassing that anybody's gonna

1823

01:26:36,669 --> 01:26:33,530

a hell of a lot of guitars and remote

1824

01:26:41,689 --> 01:26:39,709

but yeah yeah that's that's the Legacy I

1825

01:26:43,970 --> 01:26:41,699

want I just want my daughter to be proud

1826

01:26:46,430 --> 01:26:43,980

however she wants to take that

1827

01:26:47,810 --> 01:26:46,440

no you know whatever whatever would make

1828

01:26:52,490 --> 01:26:47,820

her proud

1829

01:26:53,470 --> 01:26:52,500

so there you go now um I'll say this

1830

01:26:57,430 --> 01:26:53,480

um

1831

01:27:04,669 --> 01:27:01,910

uh Elvis's one of Elvis's Jets he had

1832

01:27:06,350 --> 01:27:04,679

three two are at Graceland the Lisa

1833

01:27:08,930 --> 01:27:06,360

Marie and I forget I forget what the

1834

01:27:10,669 --> 01:27:08,940

other one is called uh they're there uh

1835

01:27:12,110 --> 01:27:10,679

across the street from Graceland at the

1836

01:27:15,110 --> 01:27:12,120

Elvis museum

1837

01:27:17,030 --> 01:27:15,120

but he's got another jet that um is now

1838

01:27:18,169 --> 01:27:17,040

going on The Auction Block it's sitting

1839

01:27:20,810 --> 01:27:18,179

out

1840

01:27:22,970 --> 01:27:20,820

um I think it's at the Pima

1841

01:27:25,310 --> 01:27:22,980

um just north of Tucson it's out in New

1842

01:27:29,030 --> 01:27:25,320

Mexico or yeah it's in New Mexico not

1843

01:27:30,850 --> 01:27:29,040

not Arizona anyway it's abandoned it

1844

01:27:33,169 --> 01:27:30,860

still has the red

1845

01:27:35,629 --> 01:27:33,179

velvet seats I'm not making that up by

1846

01:27:37,610 --> 01:27:35,639

the way it's got red shag Carpeting and

1847

01:27:39,950 --> 01:27:37,620

it's totally cool still got a VCR in

1848

01:27:42,110 --> 01:27:39,960

there uh I think there's a the pictures

1849

01:27:46,070 --> 01:27:42,120

that I saw looks like there's a a

1850

01:27:46,729 --> 01:27:46,080

cassette still in that thing anyway

1851

01:27:49,370 --> 01:27:46,739

um

1852

01:27:51,649 --> 01:27:49,380

uh it's going up for auction

1853

01:27:54,350 --> 01:27:51,659

it doesn't fly I think it needs engine

1854

01:27:55,490 --> 01:27:54,360

the control panel is all taken out so if

1855

01:27:57,709 --> 01:27:55,500

I don't know what you would do with it

1856

01:28:00,169 --> 01:27:57,719

but man I would love to have that thing

1857

01:28:02,990 --> 01:28:00,179

I would love I bet you could pick that

1858

01:28:06,770 --> 01:28:03,000

up for like nothing

1859

01:28:08,750 --> 01:28:06,780

all right uh Ernest says neuralink will

1860

01:28:10,250 --> 01:28:08,760

be for the astronauts going to Mars he

1861

01:28:12,229 --> 01:28:10,260

put that in all caps that's supposed to

1862

01:28:14,450 --> 01:28:12,239

be a ques is that a question

1863

01:28:17,030 --> 01:28:14,460

but there's no question mark after that

1864

01:28:19,149 --> 01:28:17,040

uh let's see what's coming up next I'm

1865

01:28:21,770 --> 01:28:19,159

just going to

1866

01:28:25,010 --> 01:28:21,780

uh all caps only

1867

01:28:27,229 --> 01:28:25,020

uh Romero says maybe Elon is an ET

1868

01:28:32,750 --> 01:28:27,239

hybrid walking amongst us I've always

1869

01:28:34,910 --> 01:28:32,760

thought that he looks Elon looks alien

1870

01:28:37,430 --> 01:28:34,920

Dude Looks alien

1871

01:28:38,649 --> 01:28:37,440

he looks

1872

01:28:41,390 --> 01:28:38,659

exactly

1873

01:28:44,149 --> 01:28:41,400

what did he name his son oh you wait one

1874

01:28:45,950 --> 01:28:44,159

two or something and uh

1875

01:28:48,950 --> 01:28:45,960

uh right

1876

01:28:51,229 --> 01:28:48,960

why would you do that anyway

1877

01:28:54,530 --> 01:28:51,239

um all of his comments about aliens and

1878

01:28:57,050 --> 01:28:54,540

E.T uh over the last you know three four

1879

01:28:59,470 --> 01:28:57,060

five years on Twitter

1880

01:29:01,910 --> 01:28:59,480

and where's Elon going does he know

1881

01:29:03,890 --> 01:29:01,920

something but you kind of look at him

1882

01:29:05,570 --> 01:29:03,900

he's got a he's got a little alien

1883

01:29:09,709 --> 01:29:05,580

hybrid look

1884

01:29:10,669 --> 01:29:09,719

so maybe by the way have you seen

1885

01:29:15,709 --> 01:29:10,679

um

1886

01:29:17,570 --> 01:29:15,719

some really cool references in there

1887

01:29:19,669 --> 01:29:17,580

about E.T

1888

01:29:21,770 --> 01:29:19,679

and uh if you haven't seen it go and

1889

01:29:24,890 --> 01:29:21,780

check it out no I know that it was just

1890

01:29:26,750 --> 01:29:24,900

in theaters I uh I just I bought it oh

1891

01:29:29,750 --> 01:29:26,760

man it's incredible it's incredible

1892

01:29:31,610 --> 01:29:29,760

soundtrack is uh really cool too and so

1893

01:29:34,610 --> 01:29:31,620

after watching that that's why I watch a

1894

01:29:37,070 --> 01:29:34,620

Valerian by the way I was done watching

1895

01:29:40,010 --> 01:29:37,080

the Bowie documentary I'm like okay do I

1896

01:29:41,750 --> 01:29:40,020

watch Labyrinth now

1897

01:29:44,110 --> 01:29:41,760

um which I did a couple of days later do

1898

01:29:48,290 --> 01:29:44,120

I watch Labyrinth

1899

01:29:50,570 --> 01:29:48,300

or Valerian because of the intro to

1900

01:29:53,570 --> 01:29:50,580

Valerian which is incredible and it's

1901

01:29:55,910 --> 01:29:53,580

Luke the song So anyway

1902

01:30:00,770 --> 01:29:55,920

um uh where am I going next up Vito

1903

01:30:05,629 --> 01:30:00,780

brought it Vito brada oh come on okay

1904

01:30:07,850 --> 01:30:05,639

that's a fake name right Vito Braddock

1905

01:30:09,850 --> 01:30:07,860

veto

1906

01:30:13,970 --> 01:30:09,860

Vito says what is your favorite guitar

1907

01:30:16,189 --> 01:30:13,980

Vito brata one of the uh one of the

1908

01:30:19,070 --> 01:30:16,199

great guitar players in the 80s

1909

01:30:20,629 --> 01:30:19,080

I think he was from New York I don't

1910

01:30:22,250 --> 01:30:20,639

know Vito you tell me you're the one

1911

01:30:23,810 --> 01:30:22,260

that's uh in the in the chat room

1912

01:30:26,149 --> 01:30:23,820

whatever happened

1913

01:30:29,510 --> 01:30:26,159

to veto brata

1914

01:30:33,410 --> 01:30:29,520

there are a lot of people

1915

01:30:35,090 --> 01:30:33,420

um uh uh that uh still to this day

1916

01:30:37,729 --> 01:30:35,100

whatever happened to be the abroad I

1917

01:30:39,830 --> 01:30:37,739

think you know the rumors are that he

1918

01:30:41,689 --> 01:30:39,840

just laid the guitar down and

1919

01:30:43,570 --> 01:30:41,699

started a construction company or

1920

01:30:46,790 --> 01:30:43,580

something he's very successful at that

1921

01:30:50,689 --> 01:30:46,800

but uh veto brata yeah

1922

01:30:55,430 --> 01:30:50,699

yeah so there you go

1923

01:30:57,470 --> 01:30:55,440

so uh James lamenzo his old bass player

1924

01:30:59,870 --> 01:30:57,480

um it's a good friend of mine and James

1925

01:31:02,209 --> 01:30:59,880

I think he's playing with Zach Wilde now

1926

01:31:03,649 --> 01:31:02,219

or was playing with Zach always is he

1927

01:31:06,250 --> 01:31:03,659

back

1928

01:31:10,970 --> 01:31:06,260

um anyway James lamenzo

1929

01:31:13,070 --> 01:31:10,980

Vito's uh uh old bass player and and so

1930

01:31:15,830 --> 01:31:13,080

I'm gonna let you know Vito my favorite

1931

01:31:17,750 --> 01:31:15,840

guitar is my veto brought a Stratocaster

1932

01:31:20,570 --> 01:31:17,760

which is right over there I didn't know

1933

01:31:22,490 --> 01:31:20,580

that you knew I I had one but yeah I got

1934

01:31:24,410 --> 01:31:22,500

the veto brother

1935

01:31:25,910 --> 01:31:24,420

veto brother I don't have a favorite

1936

01:31:28,610 --> 01:31:25,920

guitar

1937

01:31:30,350 --> 01:31:28,620

um it depends on what day of the week it

1938

01:31:32,629 --> 01:31:30,360

is

1939

01:31:34,310 --> 01:31:32,639

um to be honest you know I'm just going

1940

01:31:36,470 --> 01:31:34,320

through uh

1941

01:31:39,050 --> 01:31:36,480

you know it's just whatever I'm playing

1942

01:31:40,370 --> 01:31:39,060

that day uh it tends to be my favorite

1943

01:31:44,510 --> 01:31:40,380

guitar

1944

01:31:46,430 --> 01:31:44,520

um are all I say this all the time but

1945

01:31:48,709 --> 01:31:46,440

you need to understand

1946

01:31:50,030 --> 01:31:48,719

um all of the guitars are set up and and

1947

01:31:52,370 --> 01:31:50,040

ready to go

1948

01:31:53,990 --> 01:31:52,380

all right so

1949

01:31:56,270 --> 01:31:54,000

um anybody that comes over to the house

1950

01:31:58,010 --> 01:31:56,280

uh they can walk

1951

01:32:00,770 --> 01:31:58,020

walk through the house and see something

1952

01:32:03,530 --> 01:32:00,780

they I don't want to be embarrassed I

1953

01:32:05,330 --> 01:32:03,540

want them to pick it up and play it

1954

01:32:07,310 --> 01:32:05,340

I want it to be in tune I wanted to have

1955

01:32:09,050 --> 01:32:07,320

fresh strings and I want the action to

1956

01:32:11,510 --> 01:32:09,060

be right and if they're going to take it

1957

01:32:14,689 --> 01:32:11,520

a step further and plug it into an amp

1958

01:32:18,050 --> 01:32:14,699

um I wanted to uh just be as cool as

1959

01:32:19,490 --> 01:32:18,060

that guitar can possibly be so I'm

1960

01:32:21,350 --> 01:32:19,500

always

1961

01:32:23,209 --> 01:32:21,360

um and it's little things you know

1962

01:32:26,169 --> 01:32:23,219

polishing the Frets and doing all that

1963

01:32:29,570 --> 01:32:26,179

so I'm always pulling a guitar down

1964

01:32:31,669 --> 01:32:29,580

and and and just making sure and so when

1965

01:32:32,510 --> 01:32:31,679

I do that I'll play that guitar for a

1966

01:32:36,590 --> 01:32:32,520

day

1967

01:32:39,229 --> 01:32:36,600

or two and get it all just just you know

1968

01:32:41,930 --> 01:32:39,239

and and so anyway back to your question

1969

01:32:44,870 --> 01:32:41,940

I'll put that back on the wall or

1970

01:32:46,850 --> 01:32:44,880

wherever back in its case man this thing

1971

01:32:50,149 --> 01:32:46,860

why don't I play this thing every day

1972

01:32:52,550 --> 01:32:50,159

the thing is the best and that's so it's

1973

01:32:55,850 --> 01:32:52,560

like the the last guitar that I played

1974

01:32:58,910 --> 01:32:55,860

is uh the best guitar

1975

01:33:01,550 --> 01:32:58,920

um so yeah yeah

1976

01:33:04,370 --> 01:33:01,560

I don't know they're all cool

1977

01:33:06,950 --> 01:33:04,380

they're all cool Ben I still that that

1978

01:33:09,250 --> 01:33:06,960

Kramer Star Guitar

1979

01:33:12,350 --> 01:33:09,260

I really like that I like that Les Paul

1980

01:33:13,790 --> 01:33:12,360

and yeah yeah I don't know I don't know

1981

01:33:16,250 --> 01:33:13,800

man

1982

01:33:19,310 --> 01:33:16,260

I like them all

1983

01:33:26,810 --> 01:33:19,320

to win everyone Jimmy I'm 58 love that

1984

01:33:31,370 --> 01:33:29,450

uh I love that thank you for that Kelly

1985

01:33:34,310 --> 01:33:31,380

uh uh

1986

01:33:36,050 --> 01:33:34,320

Sean Patrick Sean Sean's a rock star

1987

01:33:37,970 --> 01:33:36,060

everybody I'm just gonna let you know

1988

01:33:40,490 --> 01:33:37,980

this this man right here Sean Patrick

1989

01:33:42,950 --> 01:33:40,500

Baldwin freaking rock star one of the

1990

01:33:45,530 --> 01:33:42,960

most talented guys uh Sean love you

1991

01:33:47,870 --> 01:33:45,540

brother and uh you can come over and jam

1992

01:33:51,110 --> 01:33:47,880

with me anytime

1993

01:33:52,970 --> 01:33:51,120

and uh one day I'll be able to write and

1994

01:33:55,550 --> 01:33:52,980

sing as good as you

1995

01:33:59,270 --> 01:33:55,560

all right let's see neurolink is for

1996

01:34:02,510 --> 01:33:59,280

people with disabilities yeah yeah yeah

1997

01:34:10,310 --> 01:34:02,520

yeah yeah keep keep going with that

1998

01:34:15,709 --> 01:34:12,290

this is the only solution turn off your

1999

01:34:18,590 --> 01:34:15,719

cops and walk away I love that uh

2000

01:34:20,390 --> 01:34:18,600

uh Jimmy you're giving Elon I'm gonna I

2001

01:34:22,370 --> 01:34:20,400

haven't even read this Jimmy you're

2002

01:34:24,950 --> 01:34:22,380

giving elon's projects too much credit

2003

01:34:27,470 --> 01:34:24,960

I'll be worried when he can make a Tesla

2004

01:34:30,790 --> 01:34:27,480

that doesn't burn into a Bolivian after

2005

01:34:33,050 --> 01:34:30,800

50 000 miles first

2006

01:34:35,090 --> 01:34:33,060

yeah yeah

2007

01:34:39,350 --> 01:34:35,100

uh

2008

01:34:41,149 --> 01:34:39,360

dreaming of working for you Jimmy give

2009

01:34:43,850 --> 01:34:41,159

me questions let me keep going see I can

2010

01:34:46,430 --> 01:34:43,860

keep you guys are the best you guys are

2011

01:34:51,229 --> 01:34:46,440

the best let me get to you uh let's see

2012

01:34:55,910 --> 01:34:54,110

did that UFO into Egypt turn out to be

2013

01:34:59,209 --> 01:34:55,920

anything it did

2014

01:35:06,410 --> 01:35:02,510

a street light

2015

01:35:07,610 --> 01:35:06,420

was cool at first

2016

01:35:10,189 --> 01:35:07,620

um and when you look at that particular

2017

01:35:12,110 --> 01:35:10,199

screen grab you can't see and so I go

2018

01:35:14,990 --> 01:35:12,120

back and I'm looking at it you know big

2019

01:35:16,790 --> 01:35:15,000

Monitor and uh and I was like oh man

2020

01:35:19,189 --> 01:35:16,800

it's a street light I was hoping because

2021

01:35:20,810 --> 01:35:19,199

in that you know it's reminded me of

2022

01:35:22,010 --> 01:35:20,820

those UFO pictures that came out of

2023

01:35:23,689 --> 01:35:22,020

Houston

2024

01:35:25,550 --> 01:35:23,699

um during that storm and you were

2025

01:35:27,350 --> 01:35:25,560

looking at the clouds and you could see

2026

01:35:29,030 --> 01:35:27,360

that circular there was like wow that's

2027

01:35:31,910 --> 01:35:29,040

pretty convincing turned out to be

2028

01:35:33,229 --> 01:35:31,920

street lights a ring of lights that uh

2029

01:35:35,270 --> 01:35:33,239

tall pole and some ring of black and

2030

01:35:36,830 --> 01:35:35,280

that's what that was in Egypt

2031

01:35:38,750 --> 01:35:36,840

um but for a second because when I

2032

01:35:40,970 --> 01:35:38,760

talked to Elizabeth

2033

01:35:42,470 --> 01:35:40,980

um because Elizabeth was there oh she

2034

01:35:45,470 --> 01:35:42,480

was on the show when we talked about it

2035

01:35:47,930 --> 01:35:45,480

Elizabeth Hoekstra was standing next to

2036

01:35:50,209 --> 01:35:47,940

me when I did that panoramic shot when

2037

01:35:51,890 --> 01:35:50,219

that UFO was over my shoulder she was

2038

01:35:53,209 --> 01:35:51,900

standing right there and we were looking

2039

01:35:54,830 --> 01:35:53,219

at the moon and we were looking over

2040

01:35:56,870 --> 01:35:54,840

there and we didn't see anything

2041

01:35:59,450 --> 01:35:56,880

and the reason why we didn't is because

2042

01:36:01,550 --> 01:35:59,460

we were looking at a street light and

2043

01:36:04,189 --> 01:36:01,560

not that big of a deal so anyway it

2044

01:36:08,930 --> 01:36:04,199

turned out to be a street light

2045

01:36:18,229 --> 01:36:08,940

um yeah so that's it uh uh let's see

2046

01:36:25,729 --> 01:36:21,410

to

2047

01:36:28,010 --> 01:36:25,739

when

2048

01:36:30,470 --> 01:36:28,020

these conversations started to surface

2049

01:36:31,729 --> 01:36:30,480

about us living in a matrix or living in

2050

01:36:32,709 --> 01:36:31,739

a simulation

2051

01:36:35,390 --> 01:36:32,719

right

2052

01:36:37,850 --> 01:36:35,400

and I was looking at the comments like

2053

01:36:39,830 --> 01:36:37,860

for Milan musk by the way and I'm

2054

01:36:43,550 --> 01:36:39,840

looking at these comments from you know

2055

01:36:45,290 --> 01:36:43,560

different uh CEOs and pretty smart

2056

01:36:46,790 --> 01:36:45,300

people

2057

01:36:48,770 --> 01:36:46,800

um what are they doing making these

2058

01:36:49,910 --> 01:36:48,780

comments where's this where's this

2059

01:36:53,570 --> 01:36:49,920

coming from

2060

01:36:55,970 --> 01:36:53,580

do they know something that I don't and

2061

01:36:59,149 --> 01:36:55,980

there's another part to this

2062

01:37:01,610 --> 01:36:59,159

let's just say

2063

01:37:03,770 --> 01:37:01,620

you're sitting on

2064

01:37:05,810 --> 01:37:03,780

a billion dollars

2065

01:37:08,209 --> 01:37:05,820

all right and you can do this yourself

2066

01:37:10,129 --> 01:37:08,219

first get a billion dollars that's all

2067

01:37:13,310 --> 01:37:10,139

you got to do that's the simple just go

2068

01:37:17,510 --> 01:37:13,320

and get a billion dollars and then

2069

01:37:21,770 --> 01:37:19,850

you know would you start to investigate

2070

01:37:24,350 --> 01:37:21,780

a few things

2071

01:37:26,270 --> 01:37:24,360

um uh neuralink for example uploading

2072

01:37:28,129 --> 01:37:26,280

and downloading Consciousness how to a

2073

01:37:30,709 --> 01:37:28,139

chip and trying to achieve immortality

2074

01:37:33,050 --> 01:37:30,719

would you would you go and you know what

2075

01:37:35,689 --> 01:37:33,060

the answer is the short answer and the

2076

01:37:36,709 --> 01:37:35,699

correct one and the true one is that of

2077

01:37:38,750 --> 01:37:36,719

course

2078

01:37:39,950 --> 01:37:38,760

and if you've got all the money in the

2079

01:37:41,149 --> 01:37:39,960

world at your disposal you've got

2080

01:37:43,189 --> 01:37:41,159

software Engineers you've got

2081

01:37:44,209 --> 01:37:43,199

manufacturing you've got server Farms

2082

01:37:45,770 --> 01:37:44,219

you've got all the you've got

2083

01:37:48,050 --> 01:37:45,780

infrastructure you've got all of this

2084

01:37:49,669 --> 01:37:48,060

brain power you've got philosophers

2085

01:37:52,490 --> 01:37:49,679

running around with you you've got all

2086

01:37:55,370 --> 01:37:52,500

of these things you can go to Tibet go

2087

01:37:58,610 --> 01:37:55,380

hang out with some anyway and you can go

2088

01:38:01,729 --> 01:37:58,620

and get and seek these answers and then

2089

01:38:03,709 --> 01:38:01,739

would you you know you're just in bed

2090

01:38:06,830 --> 01:38:03,719

so what man what do I really want to do

2091

01:38:08,149 --> 01:38:06,840

with this move I I I think that move

2092

01:38:10,729 --> 01:38:08,159

should be

2093

01:38:13,610 --> 01:38:10,739

not another boat I've got enough boats

2094

01:38:18,110 --> 01:38:13,620

I've got ships not another Island I've

2095

01:38:21,229 --> 01:38:18,120

got a few Islands what do I do how about

2096

01:38:24,050 --> 01:38:21,239

right now if you and this is where it

2097

01:38:24,060 --> 01:38:28,129

I swear it gets crazy

2098

01:38:28,139 --> 01:38:32,530

if you uploaded yourself

2099

01:38:40,570 --> 01:38:37,070

the ability for 3D glasses the ability

2100

01:38:45,410 --> 01:38:40,580

to go into an artificial reality

2101
01:38:47,090 --> 01:38:45,420
augmented reality a gaming world that is

2102
01:38:49,189 --> 01:38:47,100
perfect

2103
01:38:50,689 --> 01:38:49,199
right and something that could take over

2104
01:38:53,450 --> 01:38:50,699
your touch your sense your smell

2105
01:38:58,070 --> 01:38:57,050
right something you reach out to touch

2106
01:39:05,270 --> 01:38:58,080
something

2107
01:39:08,629 --> 01:39:05,280
do

2108
01:39:10,070 --> 01:39:08,639
to take your mind and bust it out onto a

2109
01:39:12,530 --> 01:39:10,080
chipset

2110
01:39:14,629 --> 01:39:12,540
no food no sleep

2111
01:39:16,310 --> 01:39:14,639
all you're going to do is get smarter no

2112
01:39:19,250 --> 01:39:16,320
disease

2113
01:39:21,229 --> 01:39:19,260

and and exist like the movie Tron on

2114

01:39:24,350 --> 01:39:21,239

this thing forever

2115

01:39:24,360 --> 01:39:29,810

and is this what they are talking about

2116

01:39:34,430 --> 01:39:32,209

an augmented reality that we are living

2117

01:39:36,950 --> 01:39:34,440

in a simulation

2118

01:39:41,870 --> 01:39:36,960

is that possible

2119

01:39:45,229 --> 01:39:41,880

that's the crazy part and so let's say

2120

01:39:47,450 --> 01:39:45,239

you get into that and you you're there

2121

01:39:49,390 --> 01:39:47,460

how do you get out

2122

01:39:53,930 --> 01:39:49,400

how do you kill yourself

2123

01:39:56,149 --> 01:39:53,940

how do you how do you offload yourself

2124

01:39:57,890 --> 01:39:56,159

you know how do I how do you how do you

2125

01:40:01,669 --> 01:39:57,900

escape the matrix

2126

01:40:04,729 --> 01:40:01,679

how do you unplug yeah yeah

2127

01:40:07,209 --> 01:40:04,739

yep don't know

2128

01:40:11,149 --> 01:40:07,219

I do not know

2129

01:40:14,450 --> 01:40:11,159

uh let's see YJ Jimmy

2130

01:40:17,330 --> 01:40:14,460

I know you have the fast RC trucks I

2131

01:40:20,930 --> 01:40:17,340

only have one but yeah I do I do

2132

01:40:23,510 --> 01:40:20,940

um any plans for the crawler type uh the

2133

01:40:26,090 --> 01:40:23,520

the answer is yes yeah yeah I want to

2134

01:40:28,790 --> 01:40:26,100

get uh I'm gonna get a rock crawler a

2135

01:40:32,870 --> 01:40:28,800

rock course and stuff set up

2136

01:40:34,669 --> 01:40:32,880

um I'm into it yeah yeah I do I do

2137

01:40:36,110 --> 01:40:34,679

um there is you know everybody knows I

2138

01:40:38,149 --> 01:40:36,120

have a Jeep

2139

01:40:40,370 --> 01:40:38,159

there are a couple of really cool Jeep

2140

01:40:44,810 --> 01:40:40,380

Wrangler

2141

01:40:47,090 --> 01:40:44,820

um rock crawlers so I'm I'm gonna pull

2142

01:40:49,129 --> 01:40:47,100

the trigger maybe I'll do it tomorrow

2143

01:40:51,470 --> 01:40:49,139

um I'm gonna you know because I want to

2144

01:40:54,050 --> 01:40:51,480

paint it just like The Faded black Jeep

2145

01:40:55,910 --> 01:40:54,060

Fade to Black license plates and you

2146

01:40:58,129 --> 01:40:55,920

know just make it the fade to black Jeep

2147

01:41:00,470 --> 01:40:58,139

same Rams and do to do that make the

2148

01:41:03,470 --> 01:41:00,480

small version of that and and rock

2149

01:41:04,729 --> 01:41:03,480

crawling so the answer is yes

2150

01:41:10,010 --> 01:41:04,739

um yeah

2151
01:41:13,250 --> 01:41:10,020
yeah yeah I think um also uh

2152
01:41:15,709 --> 01:41:13,260
My Blue Heaven is an awesome movie it's

2153
01:41:23,169 --> 01:41:15,719
it's so good

2154
01:41:28,550 --> 01:41:26,330
I want to get a gasser

2155
01:41:31,250 --> 01:41:28,560
I want to get a Gasser

2156
01:41:33,410 --> 01:41:31,260
um so that may be uh one of the next uh

2157
01:41:36,050 --> 01:41:33,420
I'm gonna get a electric rock crawler

2158
01:41:39,770 --> 01:41:36,060
but I'm thinking about getting a Gasser

2159
01:41:42,530 --> 01:41:39,780
the other day I saw a demo of uh of a

2160
01:41:44,290 --> 01:41:42,540
Harley oh hold on a minute

2161
01:41:47,030 --> 01:41:44,300
hold on a minute

2162
01:41:52,609 --> 01:41:47,040
I got uh

2163
01:41:54,290 --> 01:41:52,619

Renee I almost spaced this Renee so I'm

2164

01:41:57,350 --> 01:41:54,300

gonna get this and Renee sent me a

2165

01:41:59,750 --> 01:41:57,360

couple of AMA questions uh she said if

2166

01:42:01,250 --> 01:41:59,760

you do an AMA tonight here's my two-part

2167

01:42:03,229 --> 01:42:01,260

question

2168

01:42:06,530 --> 01:42:03,239

um whatever happened with your mini

2169

01:42:08,390 --> 01:42:06,540

camper did you get it if so have you had

2170

01:42:10,910 --> 01:42:08,400

the chance to use it yet or are you

2171

01:42:14,030 --> 01:42:10,920

planning to use it soon okay short

2172

01:42:17,149 --> 01:42:14,040

answer I have picked it out

2173

01:42:20,570 --> 01:42:17,159

um a friend of mine we are buying two

2174

01:42:22,970 --> 01:42:20,580

and so uh we've picked out the campers a

2175

01:42:25,550 --> 01:42:22,980

small teardrop

2176

01:42:28,729 --> 01:42:25,560

um uh off-road type of off-road wheels

2177

01:42:31,250 --> 01:42:28,739

and and stuff and disc brakes and and

2178

01:42:34,729 --> 01:42:31,260

and things not that expensive

2179

01:42:38,270 --> 01:42:34,739

um those teardrops can start to get a

2180

01:42:40,609 --> 01:42:38,280

little pricey you know 25 G's

2181

01:42:43,129 --> 01:42:40,619

um which is a lot for something that you

2182

01:42:44,750 --> 01:42:43,139

know I I what I want to make sure is

2183

01:42:48,890 --> 01:42:44,760

that I don't spend a lot I want to spend

2184

01:42:51,410 --> 01:42:48,900

15 grand or so 15 16 000.

2185

01:42:53,270 --> 01:42:51,420

um and uh but have air conditioning have

2186

01:42:55,490 --> 01:42:53,280

a heater

2187

01:42:57,950 --> 01:42:55,500

um and and the other things that I need

2188

01:42:59,930 --> 01:42:57,960

nice Galley nice ability to cook but I

2189

01:43:01,850 --> 01:42:59,940

don't need everything else uh maybe

2190

01:43:04,370 --> 01:43:01,860

solar power but even that could be

2191

01:43:06,850 --> 01:43:04,380

augmented and I can add that later

2192

01:43:09,229 --> 01:43:06,860

um I just want something that I will

2193

01:43:12,290 --> 01:43:09,239

want to use

2194

01:43:16,129 --> 01:43:12,300

three four times a year I don't want to

2195

01:43:19,129 --> 01:43:16,139

buy something and use it once and never

2196

01:43:23,330 --> 01:43:19,139

use it again I I don't want to be in

2197

01:43:25,850 --> 01:43:23,340

that vibe buy a mountain bike you know

2198

01:43:28,609 --> 01:43:25,860

full suspension bike and you go mountain

2199

01:43:30,709 --> 01:43:28,619

biking once a year I'm not into that I

2200

01:43:33,470 --> 01:43:30,719

don't want to do that so

2201

01:43:35,629 --> 01:43:33,480

um we've picked them out and mine is

2202

01:43:39,350 --> 01:43:35,639

black it's black by the way it's black

2203

01:43:42,950 --> 01:43:39,360

on black to match the Jeep and dinner

2204

01:43:44,590 --> 01:43:42,960

with the motorcycle okay now

2205

01:43:48,410 --> 01:43:44,600

um I picked out

2206

01:43:51,109 --> 01:43:48,420

uh and actually pulled the trigger on a

2207

01:43:53,870 --> 01:43:51,119

Harley and I did it a month and a half

2208

01:43:57,770 --> 01:43:53,880

ago as a matter of fact uh I I pulled

2209

01:43:59,870 --> 01:43:57,780

the trigger to the point where I made

2210

01:44:03,169 --> 01:43:59,880

the commitment then I pulled back

2211

01:44:06,109 --> 01:44:03,179

and I pull back for a couple reasons uh

2212

01:44:07,970 --> 01:44:06,119

uh and the first one well it doesn't I

2213

01:44:09,950 --> 01:44:07,980

won't get into that

2214

01:44:11,990 --> 01:44:09,960

um I found another one

2215

01:44:13,970 --> 01:44:12,000

I found another Harley so it's gonna be

2216

01:44:16,129 --> 01:44:13,980

a Harley I've made up my mind

2217

01:44:18,649 --> 01:44:16,139

um but I found another one and I'm I'm

2218

01:44:19,310 --> 01:44:18,659

glad I didn't go the other route

2219

01:44:21,709 --> 01:44:19,320

um

2220

01:44:23,810 --> 01:44:21,719

so yeah any

2221

01:44:27,169 --> 01:44:23,820

any day it's gonna be a Harley though

2222

01:44:29,570 --> 01:44:27,179

Renee and uh yeah

2223

01:44:32,330 --> 01:44:29,580

yeah so I wanted to get those in thank

2224

01:44:34,010 --> 01:44:32,340

you so much Renee uh produces our Fade

2225

01:44:36,350 --> 01:44:34,020

to Black news everybody knows that

2226

01:44:39,950 --> 01:44:36,360

you've been listening to her name in the

2227

01:44:43,490 --> 01:44:39,960

credits for many many years and uh she's

2228

01:44:45,890 --> 01:44:43,500

the absolute very best and up in my

2229

01:44:48,410 --> 01:44:45,900

business Renee

2230

01:44:50,930 --> 01:44:48,420

whatever happened to the gapper whatever

2231

01:44:53,050 --> 01:44:50,940

happened to the motorcycle so there you

2232

01:44:54,770 --> 01:44:53,060

go okay let's see here

2233

01:44:58,270 --> 01:44:54,780

uh

2234

01:45:01,970 --> 01:44:58,280

Jessica says did you finish watching

2235

01:45:04,729 --> 01:45:01,980

1899 on Netflix I did not I got four

2236

01:45:07,189 --> 01:45:04,739

episodes in and I stopped

2237

01:45:11,149 --> 01:45:07,199

um and I didn't stop it's great it's

2238

01:45:12,530 --> 01:45:11,159

great uh but but I stopped so and this

2239

01:45:14,090 --> 01:45:12,540

weekend I've got people coming over

2240

01:45:17,629 --> 01:45:14,100

starting tomorrow

2241

01:45:20,149 --> 01:45:17,639

and I'm going to be tied up this weekend

2242

01:45:23,390 --> 01:45:20,159

um yeah I'm blowing it out this weekend

2243

01:45:25,910 --> 01:45:23,400

we're gonna have a pretty big party but

2244

01:45:30,530 --> 01:45:25,920

um so I don't think 1899 will get in

2245

01:45:32,330 --> 01:45:30,540

unless it's sometime on Sunday plus

2246

01:45:34,430 --> 01:45:32,340

um and I've got people here

2247

01:45:36,950 --> 01:45:34,440

um all day Saturday and I've got an

2248

01:45:38,629 --> 01:45:36,960

interview that I'm doing on Saturday so

2249

01:45:41,530 --> 01:45:38,639

I gotta squeeze that in I've got another

2250

01:45:44,149 --> 01:45:41,540

one on uh Sunday

2251
01:45:46,250 --> 01:45:44,159
so uh yeah I don't know if I'm going to

2252
01:45:47,810 --> 01:45:46,260
be able to get 18.99 and plus I've got

2253
01:45:51,709 --> 01:45:47,820
all this video stuff I got a tape for

2254
01:45:54,290 --> 01:45:51,719
commercials uh for for Gaia for into the

2255
01:45:56,689 --> 01:45:54,300
Vortex so yeah I don't know if I'm gonna

2256
01:45:57,830 --> 01:45:56,699
get 18.99 and I love it though it's

2257
01:46:03,410 --> 01:45:57,840
great

2258
01:46:07,970 --> 01:46:03,420
um

2259
01:46:09,770 --> 01:46:07,980
uh let's see here this is Casper Andor

2260
01:46:11,450 --> 01:46:09,780
is the best star awards ever made

2261
01:46:13,129 --> 01:46:11,460
including the movies and the streaming

2262
01:46:14,689 --> 01:46:13,139
shows Casper you're smarter than that

2263
01:46:16,850 --> 01:46:14,699

what's the question

2264

01:46:18,649 --> 01:46:16,860

I'm just going to agree with that Andor

2265

01:46:24,709 --> 01:46:18,659

was amazing

2266

01:46:27,649 --> 01:46:24,719

I don't know what I expected but what I

2267

01:46:29,510 --> 01:46:27,659

didn't expect was the visual approach uh

2268

01:46:33,229 --> 01:46:29,520

to the way they did this washed out

2269

01:46:37,129 --> 01:46:33,239

colors kind of a retro now troll look it

2270

01:46:39,530 --> 01:46:37,139

wasn't all space AG you know like uh you

2271

01:46:41,450 --> 01:46:39,540

know when you looked at uh the Imperial

2272

01:46:43,910 --> 01:46:41,460

you know stuff everything was all

2273

01:46:46,850 --> 01:46:43,920

high-tech fresh clean

2274

01:46:49,850 --> 01:46:46,860

no no not an Andor no different

2275

01:46:50,450 --> 01:46:49,860

different different vibe

2276

01:46:53,750 --> 01:46:50,460

um

2277

01:46:56,209 --> 01:46:53,760

yeah yeah I I really I really really

2278

01:46:58,310 --> 01:46:56,219

liked it I like the storyline too I

2279

01:47:00,350 --> 01:46:58,320

thought it was a great ending

2280

01:47:02,689 --> 01:47:00,360

um so there you go

2281

01:47:05,090 --> 01:47:02,699

uh right

2282

01:47:07,669 --> 01:47:05,100

yeah I loved Andor

2283

01:47:10,790 --> 01:47:07,679

man and what's his name that played the

2284

01:47:12,669 --> 01:47:10,800

lead I can't I can't I'm tired I can't

2285

01:47:15,169 --> 01:47:12,679

think of his name right now

2286

01:47:18,350 --> 01:47:15,179

uh let's see

2287

01:47:20,270 --> 01:47:18,360

is Elon an alien Building Technology for

2288

01:47:22,990 --> 01:47:20,280

us

2289

01:47:29,209 --> 01:47:26,930

I'm so glad that uh I'm not the only one

2290

01:47:30,709 --> 01:47:29,219

thinking like this but I just want to be

2291

01:47:36,649 --> 01:47:30,719

very clear with my stance on this

2292

01:47:42,830 --> 01:47:39,830

I don't want to have Elon bummy out in

2293

01:47:44,689 --> 01:47:42,840

the end that I got him all wrong because

2294

01:47:47,870 --> 01:47:44,699

I just thought

2295

01:47:50,390 --> 01:47:47,880

my my feelings really haven't changed on

2296

01:47:54,770 --> 01:47:50,400

this a whole lot but I always thought

2297

01:47:58,570 --> 01:47:54,780

that Elon was a really weird dude

2298

01:48:01,850 --> 01:47:58,580

which I love a really weird dude

2299

01:48:04,430 --> 01:48:01,860

that got a lot of money and can go and

2300

01:48:07,609 --> 01:48:04,440

do weird stuff he's a weird guy he looks

2301

01:48:10,070 --> 01:48:07,619

weird he talks weird he acts weird he's

2302

01:48:13,129 --> 01:48:10,080

a nerd he's a geek

2303

01:48:15,950 --> 01:48:13,139

um and and he's got a pile of money he's

2304

01:48:18,890 --> 01:48:15,960

got all the money in the world and so I

2305

01:48:22,189 --> 01:48:18,900

you know I hope that

2306

01:48:24,590 --> 01:48:22,199

who I think he is

2307

01:48:26,290 --> 01:48:24,600

is right I don't want to be wrong on

2308

01:48:30,169 --> 01:48:26,300

this guy

2309

01:48:32,390 --> 01:48:30,179

I don't I don't you know here's the

2310

01:48:35,030 --> 01:48:32,400

here's can I give you another thought on

2311

01:48:38,030 --> 01:48:35,040

Elon before I get to the next question

2312

01:48:43,910 --> 01:48:41,570

I was surprised and shocked

2313

01:48:46,430 --> 01:48:43,920

that he did what he did with Twitter

2314

01:48:47,990 --> 01:48:46,440

going up to San Francisco camping out at

2315

01:48:50,570 --> 01:48:48,000

the offices all day and all night

2316

01:48:53,330 --> 01:48:50,580

tweeting all day long and I'm assuming

2317

01:48:55,550 --> 01:48:53,340

it's him tweeting and ask somebody else

2318

01:48:56,930 --> 01:48:55,560

um just obnoxious crazy that's like

2319

01:48:58,609 --> 01:48:56,940

who's running the company who's running

2320

01:49:00,470 --> 01:48:58,619

your other companies who's running

2321

01:49:02,629 --> 01:49:00,480

SpaceX who's running Tesla who's running

2322

01:49:04,850 --> 01:49:02,639

Starling who's who's running all your

2323

01:49:07,970 --> 01:49:04,860

stuff right now who is doing all of that

2324

01:49:10,550 --> 01:49:07,980

you know this this looks like a Titanic

2325

01:49:13,129 --> 01:49:10,560

waste of time why don't you just buy

2326

01:49:14,450 --> 01:49:13,139

Twitter tell people a couple of things

2327

01:49:16,850 --> 01:49:14,460

if you don't need to visit the office

2328

01:49:18,649 --> 01:49:16,860

you don't need to just let Twitter be

2329

01:49:22,010 --> 01:49:18,659

you got to lay off a couple of thousand

2330

01:49:24,109 --> 01:49:22,020

people lay them off let it just just

2331

01:49:27,169 --> 01:49:24,119

he you know

2332

01:49:33,530 --> 01:49:27,179

that's the part that confused me

2333

01:49:39,169 --> 01:49:35,870

I was with

2334

01:49:41,570 --> 01:49:39,179

as my own personal experience so this

2335

01:49:43,490 --> 01:49:41,580

isn't conjecture or just a thought or a

2336

01:49:46,669 --> 01:49:43,500

theory or an idea

2337

01:49:48,530 --> 01:49:46,679

um I was with a very

2338

01:49:51,290 --> 01:49:48,540

very

2339

01:49:53,570 --> 01:49:51,300

famous person and we're talking I mean

2340

01:49:56,090 --> 01:49:53,580

like okay

2341

01:49:59,689 --> 01:49:56,100

go big

2342

01:50:01,669 --> 01:49:59,699

and this person says to me

2343

01:50:04,250 --> 01:50:01,679

I'm telling them a story

2344

01:50:06,709 --> 01:50:04,260

and this person says to me

2345

01:50:09,410 --> 01:50:06,719

Jimmy

2346

01:50:12,050 --> 01:50:09,420

I've seen it all

2347

01:50:15,169 --> 01:50:12,060

I need something bigger than that

2348

01:50:18,109 --> 01:50:15,179

and I was like what

2349

01:50:22,910 --> 01:50:18,119

it's like my best story

2350

01:50:28,970 --> 01:50:22,920

nah it was like wow

2351

01:50:31,850 --> 01:50:28,980

right wow so for Elon what he can do and

2352

01:50:35,270 --> 01:50:31,860

does whatever he wants all day long

2353

01:50:37,729 --> 01:50:35,280

can you imagine that

2354

01:50:40,189 --> 01:50:37,739

and I'm kind of there now I'm in a I'm

2355

01:50:42,410 --> 01:50:40,199

in a comfortable comfort zone I don't

2356

01:50:44,209 --> 01:50:42,420

have to trip I have to trip

2357

01:50:45,950 --> 01:50:44,219

I can literally

2358

01:50:48,950 --> 01:50:45,960

you know I still have to work I have to

2359

01:50:51,109 --> 01:50:48,960

but but well Elon still has to work too

2360

01:50:53,270 --> 01:50:51,119

but

2361

01:50:54,350 --> 01:50:53,280

you know so I can kind of appreciate

2362

01:50:57,290 --> 01:50:54,360

that

2363

01:51:00,709 --> 01:50:57,300

but don't you want to be challenged

2364

01:51:03,830 --> 01:51:00,719

you know is uh is is sitting around

2365

01:51:05,209 --> 01:51:03,840

tweeting stupid [h__h] all day and all

2366

01:51:08,410 --> 01:51:05,219

night that nobody really cares about

2367

01:51:12,669 --> 01:51:08,420

just so you can see your clicks and

2368

01:51:14,930 --> 01:51:12,679

or is that just who he is

2369

01:51:23,689 --> 01:51:14,940

I don't know

2370

01:51:26,750 --> 01:51:23,699

figure it out money doesn't buy you love

2371

01:51:30,350 --> 01:51:26,760

you're so right about that Lisa

2372

01:51:35,330 --> 01:51:31,910

[Music]

2373

01:51:38,510 --> 01:51:35,340

Mount Shasta door was shot by a

2374

01:51:41,209 --> 01:51:38,520

helicopter and said to be a play on

2375

01:51:43,669 --> 01:51:41,219

light what is your take yeah it could be

2376

01:51:46,010 --> 01:51:43,679

I mean I only know what I saw that thing

2377

01:51:48,530 --> 01:51:46,020

was opened that thing was

2378

01:51:51,590 --> 01:51:48,540

you know so

2379

01:51:53,510 --> 01:51:51,600

um yeah there you go I don't know I

2380

01:51:55,669 --> 01:51:53,520

still can't explain that

2381

01:51:59,149 --> 01:51:55,679

T-Mobile and starlink have a deal

2382

01:52:02,629 --> 01:51:59,159

starting in 2023 and Elon said he'll

2383

01:52:06,109 --> 01:52:02,639

make his own phone he doesn't need ads

2384

01:52:08,209 --> 01:52:06,119

or B in the Android and Apple App Store

2385

01:52:09,830 --> 01:52:08,219

AMD and Apple App Stores

2386

01:52:11,149 --> 01:52:09,840

um if you're the richest guy in the

2387

01:52:13,070 --> 01:52:11,159

world you want to build a phone build a

2388

01:52:14,750 --> 01:52:13,080

phone anybody can go get a phone these

2389

01:52:18,229 --> 01:52:14,760

days you can go and have anything made

2390

01:52:20,209 --> 01:52:18,239

in China and uh crank it out you can

2391

01:52:21,590 --> 01:52:20,219

have food it's possible maybe you can

2392

01:52:23,390 --> 01:52:21,600

get something manufactured here in the

2393

01:52:25,790 --> 01:52:23,400

United States go over to Sweden where's

2394

01:52:27,830 --> 01:52:25,800

Nokia no go get go get them to build

2395

01:52:30,770 --> 01:52:27,840

your phone but

2396

01:52:31,790 --> 01:52:30,780

um uh Korea go to Samsung Go build your

2397

01:52:34,910 --> 01:52:31,800

phone

2398

01:52:37,010 --> 01:52:34,920

so it's it's you don't have to be a a

2399

01:52:39,530 --> 01:52:37,020

tech multi-billionaire to get your own

2400

01:52:41,270 --> 01:52:39,540

phone and sell it so if Elon wants to do

2401
01:52:43,189 --> 01:52:41,280
that fine

2402
01:52:47,209 --> 01:52:43,199
um many people have tried to take down

2403
01:52:48,229 --> 01:52:47,219
Apple and Samsung uh and that includes

2404
01:52:50,109 --> 01:52:48,239
Google

2405
01:52:54,290 --> 01:52:50,119
uh which is

2406
01:52:54,910 --> 01:52:54,300
it's a whole other situation in Elon but

2407
01:52:56,810 --> 01:52:54,920
um

2408
01:53:00,649 --> 01:52:56,820
uh

2409
01:53:03,229 --> 01:53:00,659
go for it I hope so you're sitting

2410
01:53:04,250 --> 01:53:03,239
around so what do I do next ah man how

2411
01:53:09,470 --> 01:53:04,260
about

2412
01:53:13,609 --> 01:53:11,750
get some guys in here I need some

2413
01:53:15,649 --> 01:53:13,619

industrial designers

2414

01:53:17,649 --> 01:53:15,659

let's crank out a

2415

01:53:19,189 --> 01:53:17,659

a cell phone idea

2416

01:53:25,370 --> 01:53:19,199

uh

2417

01:53:27,830 --> 01:53:25,380

Smith on your show didn't know Emery was

2418

01:53:30,649 --> 01:53:27,840

around oh here's Renee

2419

01:53:33,770 --> 01:53:30,659

all right uh did that UFO are these

2420

01:53:40,189 --> 01:53:35,570

oh yeah I've been I've been watching

2421

01:53:41,450 --> 01:53:40,199

that uh the evidence uh for vargina I

2422

01:53:45,350 --> 01:53:41,460

hope that happens

2423

01:53:52,430 --> 01:53:45,360

uh

2424

01:53:54,709 --> 01:53:52,440

song from The Rocky Horror Picture Show

2425

01:53:56,090 --> 01:53:54,719

what's that one turn to the left turn to

2426

01:53:59,570 --> 01:53:56,100

the right that one that one's pretty

2427

01:54:02,930 --> 01:53:59,580

good yep uh did you ever get a response

2428

01:54:05,990 --> 01:54:02,940

from Gary Nolan on The Meta material

2429

01:54:08,990 --> 01:54:06,000

you mentioned you would ask him you know

2430

01:54:10,370 --> 01:54:09,000

um uh I could have an answer for you

2431

01:54:12,229 --> 01:54:10,380

next week

2432

01:54:15,070 --> 01:54:12,239

how

2433

01:54:18,290 --> 01:54:15,080

I'll let you know okay

2434

01:54:22,070 --> 01:54:18,300

let's see

2435

01:54:25,250 --> 01:54:22,080

man I'm out of time uh do you think the

2436

01:54:27,830 --> 01:54:25,260

movie time cop is happening now

2437

01:54:29,930 --> 01:54:27,840

time comp was great

2438

01:54:33,169 --> 01:54:29,940

man I forgot about that

2439

01:54:34,129 --> 01:54:33,179

time cap we need time cop is like a real

2440

01:54:37,189 --> 01:54:34,139

thing

2441

01:54:39,649 --> 01:54:37,199

I'm I'm there are

2442

01:54:43,189 --> 01:54:39,659

um remember Loki uh the series that's

2443

01:54:46,609 --> 01:54:43,199

exactly what uh this is all about

2444

01:54:47,229 --> 01:54:46,619

um maybe Time Bandits carry you

2445

01:54:49,910 --> 01:54:47,239

um

2446

01:54:53,209 --> 01:54:49,920

yeah so we need time police

2447

01:54:54,770 --> 01:54:53,219

yeah uh no question about it uh before I

2448

01:54:56,870 --> 01:54:54,780

let everybody go

2449

01:54:58,629 --> 01:54:56,880

um I I watched the first two episodes of

2450

01:55:03,070 --> 01:54:58,639

Willow last night

2451
01:55:06,290 --> 01:55:03,080
bam Disney amazing lucasfilm

2452
01:55:08,649 --> 01:55:06,300
I swear man and and I missed the

2453
01:55:11,990 --> 01:55:08,659
original movie but um

2454
01:55:14,990 --> 01:55:12,000
no spoilers here you've got to go and

2455
01:55:19,129 --> 01:55:15,000
watch it the production spot on Story So

2456
01:55:21,229 --> 01:55:19,139
Far spot on very impressed uh with the

2457
01:55:23,810 --> 01:55:21,239
new Willow speaking of time comp right

2458
01:55:26,030 --> 01:55:23,820
they just kind of uh fall into the same

2459
01:55:29,510 --> 01:55:26,040
place so let's see

2460
01:55:29,520 --> 01:55:34,490
I'll get in a couple more here

2461
01:55:34,500 --> 01:55:38,090
um

2462
01:55:42,470 --> 01:55:40,370
Jimmy any chance you can get Robert Bob

2463
01:55:43,910 --> 01:55:42,480

McGuire on the show that's from Jane

2464

01:55:45,590 --> 01:55:43,920

Beatty

2465

01:55:47,390 --> 01:55:45,600

um uh Bob and I a couple of months ago

2466

01:55:49,850 --> 01:55:47,400

started talking about that and we were

2467

01:55:51,290 --> 01:55:49,860

gonna get that happening

2468

01:55:53,930 --> 01:55:51,300

um so the answer I would like to have

2469

01:55:56,090 --> 01:55:53,940

Bob on the show Bob's great so he's

2470

01:55:57,530 --> 01:55:56,100

probably listening right now so Bob uh

2471

01:56:00,470 --> 01:55:57,540

hit me up over the weekend let's get

2472

01:56:02,590 --> 01:56:00,480

something lined up and uh we'll make

2473

01:56:05,149 --> 01:56:02,600

that happen

2474

01:56:08,270 --> 01:56:05,159

to I can go past

2475

01:56:12,950 --> 01:56:08,280

I can go past nine as my shell do it I

2476

01:56:21,910 --> 01:56:17,570

can you give me anomalies number he's so

2477

01:56:27,890 --> 01:56:25,189

that's from damn it Janet he's a good

2478

01:56:30,709 --> 01:56:27,900

looking guy oh I tell you what Janet you

2479

01:56:33,290 --> 01:56:30,719

know what you're not gonna expect

2480

01:56:36,410 --> 01:56:33,300

it's pretty cool though he's tall

2481

01:56:40,310 --> 01:56:36,420

I'm six foot I'm like five eleven and a

2482

01:56:44,030 --> 01:56:40,320

half right he's got to be

2483

01:56:46,250 --> 01:56:44,040

he's got to be like six two six three

2484

01:56:49,129 --> 01:56:46,260

I don't think he's six four but he's

2485

01:56:51,290 --> 01:56:49,139

definitely six two six three he's a tall

2486

01:56:53,450 --> 01:56:51,300

skinny drink of water good looking guy

2487

01:56:58,250 --> 01:56:53,460

though he's good looking

2488

01:57:14,510 --> 01:57:03,109

uh

2489

01:57:15,790 --> 01:57:14,520

communication and conversation is so

2490

01:57:25,189 --> 01:57:15,800

important

2491

01:57:29,750 --> 01:57:28,129

uh uh we're in Action Jackson have you

2492

01:57:31,790 --> 01:57:29,760

seen the trailer for Guardians of the

2493

01:57:34,729 --> 01:57:31,800

Galaxy 3 yet if so what do you think I

2494

01:57:37,970 --> 01:57:34,739

haven't seen it yet but I did watch

2495

01:57:40,070 --> 01:57:37,980

the gal the the Guardians of the Galaxy

2496

01:57:43,490 --> 01:57:40,080

Christmas special I think that's what

2497

01:57:46,910 --> 01:57:45,350

everybody's in it

2498

01:57:51,609 --> 01:57:46,920

yeah it's pretty good that's it that's

2499

01:57:53,570 --> 01:57:51,619

it uh go to Disney and uh watch the uh

2500

01:57:57,109 --> 01:57:53,580

Guardians of the Galaxy Christmas

2501

01:57:59,030 --> 01:57:57,119

special uh Jimmy when will we hear from

2502

01:58:01,970 --> 01:57:59,040

Christopher Bledsoe again

2503

01:58:03,589 --> 01:58:01,980

uh shout out to Chris yeah absolutely I

2504

01:58:05,930 --> 01:58:03,599

talked to Chris

2505

01:58:10,609 --> 01:58:05,940

uh

2506

01:58:13,490 --> 01:58:10,619

wasn't that long ago last month

2507

01:58:16,729 --> 01:58:13,500

yeah maybe four weeks ago

2508

01:58:18,830 --> 01:58:16,739

um so yes uh the short answer is I'm

2509

01:58:23,470 --> 01:58:18,840

booked up

2510

01:58:27,589 --> 01:58:23,480

um but uh I will uh Chris is in rotation

2511

01:58:33,050 --> 01:58:27,599

we just uh haven't uh announced it yet

2512

01:58:37,189 --> 01:58:34,790

I'm just trying to get everybody's

2513

01:58:40,129 --> 01:58:37,199

questions in there's so many here

2514

01:58:42,470 --> 01:58:40,139

there's so much to scroll through

2515

01:58:44,350 --> 01:58:42,480

I'm stopping on them at random and you

2516

01:58:46,990 --> 01:58:44,360

guys can see me doing this

2517

01:58:53,030 --> 01:58:47,000

uh

2518

01:58:56,510 --> 01:58:53,040

need to do a live feed I'm gonna do one

2519

01:58:58,430 --> 01:58:56,520

this weekend it will be on Saturday uh

2520

01:59:00,830 --> 01:58:58,440

so yeah I'll do a live feed we'll uh

2521

01:59:04,250 --> 01:59:00,840

figure all of that out it'll probably be

2522

01:59:07,370 --> 01:59:04,260

the easiest thing to do is uh Facebook

2523

01:59:09,290 --> 01:59:07,380

you know with uh cell phones

2524

01:59:11,570 --> 01:59:09,300

um but I can figure out the YouTube feed

2525

01:59:14,270 --> 01:59:11,580

as well and and see if I can do both at

2526

01:59:17,810 --> 01:59:14,280

the same time but uh maybe do it once a

2527

01:59:20,149 --> 01:59:17,820

month I totally agree I am with you on

2528

01:59:22,189 --> 01:59:20,159

that

2529

01:59:25,850 --> 01:59:22,199

um all Elon has to do is turn it on you

2530

01:59:30,350 --> 01:59:25,860

got that right that's the scary part

2531

01:59:33,850 --> 01:59:30,360

starling's great it screams

2532

01:59:39,530 --> 01:59:36,370

Elon man

2533

01:59:42,589 --> 01:59:39,540

uh looking at uh everybody's comments I

2534

01:59:45,830 --> 01:59:42,599

think that you guys get it

2535

01:59:51,229 --> 01:59:47,689

Jimmy do you ever play one of those damn

2536

01:59:53,330 --> 01:59:51,239

guitars I do play them all the time

2537

01:59:55,550 --> 01:59:53,340

play them all the time play them all the

2538

01:59:57,709 --> 01:59:55,560

time let's see okay here check this out

2539

02:00:01,010 --> 01:59:57,719

it's not plugged in I'm not the amps

2540

02:00:08,629 --> 02:00:01,020

take forever this

2541

02:00:13,129 --> 02:00:11,030

a real frankenstrat

2542

02:00:15,649 --> 02:00:13,139

real

2543

02:00:18,350 --> 02:00:15,659

okay and the reason why it's so noisy

2544

02:00:22,189 --> 02:00:18,360

it's got Eddie's

2545

02:00:24,830 --> 02:00:22,199

eye hooks on him with this is an Eddie

2546

02:00:26,030 --> 02:00:24,840

Van Halen strap the official strap but

2547

02:00:30,530 --> 02:00:26,040

this is

2548

02:00:33,290 --> 02:00:30,540

this and it looks like look look look at

2549

02:00:35,149 --> 02:00:33,300

this it's crazy town isn't it right

2550

02:00:36,530 --> 02:00:35,159

we've all seen this guitar it's very

2551
02:00:39,169 --> 02:00:36,540
iconic

2552
02:00:42,169 --> 02:00:39,179
and uh there you go

2553
02:00:46,910 --> 02:00:42,179
but this this guitar

2554
02:00:52,729 --> 02:00:49,010
this guitar

2555
02:00:55,370 --> 02:00:52,739
is uh set up to go and some somebody was

2556
02:00:57,050 --> 02:00:55,380
asking me the other day

2557
02:00:59,629 --> 02:00:57,060
um if um

2558
02:01:00,530 --> 02:00:59,639
well which one of these uh I like the

2559
02:01:02,510 --> 02:01:00,540
most

2560
02:01:03,890 --> 02:01:02,520
and and I said you know it's it's weird

2561
02:01:08,030 --> 02:01:03,900
you know talking about the Eddie Van

2562
02:01:10,490 --> 02:01:08,040
Halen guitars I said man this this

2563
02:01:13,430 --> 02:01:10,500

[Music]

2564

02:01:19,370 --> 02:01:17,510

um plays so good and sounds so good that

2565

02:04:10,790 --> 02:01:19,380

you can't help you don't want to put

2566

02:04:19,850 --> 02:04:13,250

everything dropped

2567

02:04:25,790 --> 02:04:22,850

all right well with that let's just roll

2568

02:04:27,109 --> 02:04:25,800

and get out of here it just dropped it

2569

02:04:30,410 --> 02:04:27,119

dropped I don't know I just turned

2570

02:04:32,810 --> 02:04:30,420

around and uh the screen was blank so

2571

02:04:35,390 --> 02:04:32,820

but I see that it was still live so now

2572

02:04:39,310 --> 02:04:35,400

that it's still live I can actually get

2573

02:04:42,609 --> 02:04:39,320

out of here and do a proper outro

2574

02:04:46,550 --> 02:04:44,450

Fade to Black because it's produced by

2575

02:04:47,930 --> 02:04:46,560

MJ Paul Renee Dennis and Kevin announces

2576

02:04:50,450 --> 02:04:47,940

our

2577

02:04:52,310 --> 02:04:50,460

there are none webmaster is Drew the

2578

02:04:55,729 --> 02:04:52,320

geek music Doug Oliver's intro space

2579

02:05:00,830 --> 02:04:58,490

Fade to Black is produced by kjsar for

2580

02:05:03,229 --> 02:05:00,840

the game changer Network

2581
