2022 I'm Jimmy Church let's get to otd

6
00:00:58,790 --> 00:00:54,239
on this day in history 1917.

7
00:01:01,389 --> 00:00:58,800
the great Halifax Explosion at 905 a.m

8
00:01:05,270 --> 00:01:01,399
the most devastating man-made explosion

9
00:01:08,109 --> 00:01:05,280
in the pre-atomic age occurs when the

10
00:01:11,450 --> 00:01:08,119
Mont Blanc of French Munitions ship

11
00:01:14,390 --> 00:01:11,460
explodes 20 minutes after colliding with

12
00:01:18,649 --> 00:01:14,400
another vessel The Mont Blanc was packed

13
00:01:22,330 --> 00:01:18,659

with 2300 tons of pictric acid 200 tons

14

00:01:26,270 --> 00:01:22,340

of TNT 35 tons of high octane gasoline

15

00:01:28,550 --> 00:01:26,280

and 10 tons of gun cotton the massive

16

00:01:32,270 --> 00:01:28,560

explosion killed more than 1800 people

17

00:01:34,190 --> 00:01:32,280

and injured nine thousand here's your

18

00:01:36,109 --> 00:01:34,200

fader facts

19

00:01:38,590 --> 00:01:36,119

the mafia

20

00:01:43,370 --> 00:01:38,600

makes up for 10

21

00:01:46,670 --> 00:01:44,929

and that

22

00:01:48,170 --> 00:01:46,680

is your fader fact let's get to the

23

00:01:52,010 --> 00:01:48,180

breaking news

24

00:01:56,450 --> 00:01:52,020

all of the news that you need on

25

00:01:59,030 --> 00:01:56,460

December 6 2022 remnants of fireplaces

26

00:02:03,830 --> 00:01:59,040

found in the rising star caves in South

27

00:02:08,350 --> 00:02:03,840

Africa suggests that homo nalidi a

28

00:02:10,790 --> 00:02:08,360

pre-human ancestor used fire as a tool

29

00:02:13,190 --> 00:02:10,800

that according to an announcement made

30

00:02:16,369 --> 00:02:13,200

during a lecture by Professor Lee Berger

31

00:02:18,830 --> 00:02:16,379

a paleoanthropologist from the

32

00:02:20,210 --> 00:02:18,840

University of witter's hand at

33

00:02:23,210 --> 00:02:20,220

Johannesburg

34

00:02:25,190 --> 00:02:23,220

ER gave the lecture on December 1st at

35

00:02:28,190 --> 00:02:25,200

the Carnegie Institution of Science in

36

00:02:32,390 --> 00:02:28,200

Washington the findings are not yet

37

00:02:36,589 --> 00:02:35,510

homo nalidi lived between two hundred

38

00:02:38,869 --> 00:02:36,599

thousand and three hundred thousand

39

00:02:41,150 --> 00:02:38,879
years ago wild neanderthals lived

40

00:02:44,210 --> 00:02:41,160
between 130

41

00:02:48,530 --> 00:02:44,220
000 and 40 000 years ago the caves

42

00:02:52,430 --> 00:02:48,540
contained burnt animal bones and burnt

43

00:02:57,250 --> 00:02:52,440
wood showing that homo nalidi used fire

44

00:03:00,190 --> 00:02:57,260
for light warmth and cooking

45

00:03:03,110 --> 00:03:00,200
300 000 years ago

46

00:03:04,550 --> 00:03:03,120
NASA's Ingenuity helicopter keeps

47

00:03:07,009 --> 00:03:04,560
raising the bar for the red planet

48

00:03:10,729 --> 00:03:07,019
flight that's right the four pound

49

00:03:13,970 --> 00:03:10,739
Ingenuity soared 46 feet above Mars red

50

00:03:16,309 --> 00:03:13,980
dirt on Saturday December 3rd setting a

51

00:03:18,229 --> 00:03:16,319

new altitude record on its 35th

52

00:03:20,690 --> 00:03:18,239

off-earth flight

53

00:03:25,550 --> 00:03:20,700

the little Choppers previous record was

54

00:03:27,550 --> 00:03:25,560

just 39 feet achieved on three Mars

55

00:03:30,290 --> 00:03:27,560

flights and now

56

00:03:33,770 --> 00:03:30,300

Saturday's flight was the first for

57

00:03:37,070 --> 00:03:33,780

Ingenuity since November 22nd and just

58

00:03:39,890 --> 00:03:37,080

the second it has performed since major

59

00:03:42,430 --> 00:03:39,900

software updates that those updates

60

00:03:45,110 --> 00:03:42,440

which took several weeks to install

61

00:03:49,670 --> 00:03:45,120

provides Ingenuity two major new

62

00:03:51,170 --> 00:03:49,680

capabilities Hazard avoidance and uh all

63

00:03:54,350 --> 00:03:51,180

of that happening when landing and the

64

00:03:58,130 --> 00:03:54,360

use of digital elevation maps to help it

65

00:04:03,170 --> 00:04:01,070

in this scary news story of the day here

66

00:04:06,050 --> 00:04:03,180

you go

67

00:04:10,250 --> 00:04:06,060

well I've got two actually

68

00:04:13,550 --> 00:04:10,260

scientists revived an ancient virus that

69

00:04:16,069 --> 00:04:13,560

was found buried in Frozen ice in the

70

00:04:17,629 --> 00:04:16,079

zombie virus could pose a potential

71

00:04:19,729 --> 00:04:17,639

Health threat

72

00:04:23,510 --> 00:04:19,739

scientists from the national French

73

00:04:26,450 --> 00:04:23,520

Center for scientific research found 13

74

00:04:29,510 --> 00:04:26,460

ancient viruses Frozen in the Siberian

75

00:04:32,990 --> 00:04:29,520

permafrost or permanently frozen ground

76
00:04:38,270 --> 00:04:33,000
the oldest sample they discovered was a

77
00:04:42,050 --> 00:04:38,280
48 500 year old amoeba virus dubbed a

78
00:04:44,810 --> 00:04:42,060
Pandora virus a yodoma after Pandora's

79
00:04:48,050 --> 00:04:44,820
box that had been frozen under a

80
00:04:51,249 --> 00:04:48,060
Siberian Lake the preliminary research

81
00:04:53,689 --> 00:04:51,259
paper describes zombie viruses as quote

82
00:04:56,390 --> 00:04:53,699
viruses that remain dormant since

83
00:05:01,310 --> 00:04:56,400
prehistorical times end quote but have

84
00:05:04,189 --> 00:05:01,320
since been revived due to being unfrozen

85
00:05:07,010 --> 00:05:04,199
the amoeba virus which has been dormant

86
00:05:10,510 --> 00:05:07,020
for nearly 50 000 years was unthawed by

87
00:05:12,830 --> 00:05:10,520
researchers making it now a zombie virus

88
00:05:15,170 --> 00:05:12,840

according to the study which not has

89

00:05:17,870 --> 00:05:15,180

been which has not yet been peer

90

00:05:19,969 --> 00:05:17,880

reviewed zombie viruses could be

91

00:05:22,610 --> 00:05:19,979

compelled like Health threats as climate

92

00:05:24,710 --> 00:05:22,620

change leads to permafrost melting and

93

00:05:28,189 --> 00:05:24,720

releasing viruses that have been frozen

94

00:05:30,350 --> 00:05:28,199

for thousands of years

95

00:05:34,969 --> 00:05:30,360

saw it coming

96

00:05:39,110 --> 00:05:34,979

all right now check this out North Korea

97

00:05:41,150 --> 00:05:39,120

there's a new law in North Korea the

98

00:05:43,850 --> 00:05:41,160

North Korean government is telling

99

00:05:48,590 --> 00:05:43,860

parents to give their children patriotic

100

00:05:50,749 --> 00:05:48,600

names such as bomb gun

101
00:05:54,469 --> 00:05:50,759
and satellite

102
00:05:59,930 --> 00:05:54,479
North Korean dictator Kim Jong-un has

103
00:06:05,029 --> 00:05:59,940
names like Ari loved one and sue me

104
00:06:07,450 --> 00:06:05,039
Super Beauty soft and anti-socialist

105
00:06:11,570 --> 00:06:07,460
he says they don't contain consonants

106
00:06:13,430 --> 00:06:11,580
that's right therefore the authorities

107
00:06:17,290 --> 00:06:13,440
are now telling parents to use names

108
00:06:21,909 --> 00:06:17,300
like Chong edu which is gun

109
00:06:27,010 --> 00:06:21,919
POC eel which is bomb or Chung Sim

110
00:06:29,150 --> 00:06:27,020
loyalty and we song which is satellite

111
00:06:31,070 --> 00:06:29,160
the government has threatened to slap

112
00:06:33,350 --> 00:06:31,080
people with fines if they do not comply

113
00:06:35,230 --> 00:06:33,360

with these new instructions the parents

114

00:06:37,730 --> 00:06:35,240

are being told to only give

115

00:06:38,990 --> 00:06:37,740

revolutionary names to their children in

116

00:06:41,930 --> 00:06:39,000

the future

117

00:06:46,550 --> 00:06:41,940

and I'm not making that up

118

00:06:49,129 --> 00:06:46,560

all right here are are you guys doing

153
00:08:30,170 --> 00:08:29,160
there you go AI is in the news like I

154
00:08:32,630 --> 00:08:30,180
said

155
00:08:35,089 --> 00:08:32,640
and I know you've been reading about

156
00:08:40,850 --> 00:08:35,099
this and you've seen the chatter

157
00:08:42,469 --> 00:08:40,860
open a eyes chat GPT chat bot was

158
00:08:44,329 --> 00:08:42,479
released last week and it's been

159
00:08:47,630 --> 00:08:44,339
sparking both excitement and concern

160
00:08:51,710 --> 00:08:47,640
from investors and researchers the bot

161
00:08:53,410 --> 00:08:51,720
Builds on existing GPT natural language

162
00:08:56,630 --> 00:08:53,420
technology

163
00:08:59,630 --> 00:08:56,640

developed by open AI the San

164

00:09:02,050 --> 00:08:59,640

francisco-based organization formed by

165

00:09:07,490 --> 00:09:02,060

Sam Altman and

166

00:09:11,889 --> 00:09:10,850

Elon Musk and backed by Microsoft that's

167

00:09:14,389 --> 00:09:11,899

right

168

00:09:17,329 --> 00:09:14,399

Microsoft helps power the back end cloud

169

00:09:21,889 --> 00:09:17,339

computing for open AI products

170

00:09:25,130 --> 00:09:21,899

chat GPT can easily do your homework you

171

00:09:27,590 --> 00:09:25,140

saw that coming it can also create your

172

00:09:29,470 --> 00:09:27,600

next weight loss plan

173

00:09:33,970 --> 00:09:29,480

or even Draft

174

00:09:37,550 --> 00:09:33,980

lines of code the good news Well for now

175

00:09:41,210 --> 00:09:37,560

chat GPT is not able to browse the

176
00:09:44,269 --> 00:09:41,220
internet or access any external sources

177
00:09:46,970 --> 00:09:44,279
of information so its responses right

178
00:09:50,150 --> 00:09:46,980
now are limited to the training data and

179
00:09:53,630 --> 00:09:50,160
its internal algorithms

180
00:09:56,570 --> 00:09:53,640
all right no kill switch yet though Elon

181
00:09:58,430 --> 00:09:56,580
Skynet and the Terminator will not be in

182
00:10:02,509 --> 00:09:58,440
your homes tonight

183
00:10:07,430 --> 00:10:05,329
NASA's Orion capsule

184
00:10:09,590 --> 00:10:07,440
fired its main engine for three and a

185
00:10:12,410 --> 00:10:09,600
half minutes yesterday during a close

186
00:10:14,389 --> 00:10:12,420
Approach To The Moon executing the

187
00:10:18,889 --> 00:10:14,399
maneuver that put the spacecraft on

188
00:10:21,829 --> 00:10:18,899

course for Splashdown in five days Orion

189

00:10:23,870 --> 00:10:21,839
