

FADE TO BLACK

with **JIMMY CHURCH**

PRESENTS

MELINDA LESLIE

UFO/UAP RESEARCH

WED DEC 07 LIVE

7:00 PM PT/10:00PM ET

1
00:00:31,749 --> 00:00:26,830

[Music]

2
00:00:35,090 --> 00:00:31,759

the smoke radio for the masses of July 8

3
00:00:37,430 --> 00:00:35,100

1947 the Army Air Forces has announced

4
00:00:39,590 --> 00:00:37,440

that a flying disc has been found and is

5
00:00:42,650 --> 00:00:39,600

now in the possession of the army

6
00:00:46,430 --> 00:00:42,660

game is rigged change the game game

7
00:00:50,029 --> 00:00:46,440

changer I occasionally think how quickly

8
00:00:53,389 --> 00:00:50,039

our differences worldwide would vanish

9
00:00:54,770 --> 00:00:53,399

if we were facing an alien threat from

10
00:00:56,550 --> 00:00:54,780

outside this work

11
00:00:56,760 --> 00:00:56,560

[Music]

12
00:00:59,049 --> 00:00:56,770

[Applause]

13
00:01:01,970 --> 00:00:59,059

[Music]

14

00:01:04,850 --> 00:01:01,980

this is Fade to Black with your host

15

00:01:05,540 --> 00:01:04,860

Jimmy Church on the game changer Radio

16

00:01:09,289 --> 00:01:05,550

Network

17

00:01:12,230 --> 00:01:09,299

[Music]

18

00:01:13,490 --> 00:01:12,240

all right welcome Fade to Black I'm your

19

00:01:16,030 --> 00:01:13,500

host Jimmy Church today's Wednesday

20

00:01:19,550 --> 00:01:16,040

December 7th

21

00:01:23,090 --> 00:01:19,560

2022 and uh tonight Our Guest is Melinda

22

00:01:25,429 --> 00:01:23,100

Leslie and she has been an investigator

23

00:01:30,050 --> 00:01:25,439

and researcher in the field of ufology

24

00:01:33,590 --> 00:01:30,060

for for over 30 years and she also has

25

00:01:36,710 --> 00:01:33,600

her UFO uh siding tours in Sedona

26

00:01:40,730 --> 00:01:36,720

Arizona where she has well over 1 000

27

00:01:44,210 --> 00:01:40,740

tours uh uh to to her credit right now

28

00:01:46,370 --> 00:01:44,220

and and more coming and she uses

29

00:01:48,350 --> 00:01:46,380

everything with uh night vision goggles

30

00:01:50,690 --> 00:01:48,360

and of course I've had my own

31

00:01:54,109 --> 00:01:50,700

experiences uh with Melinda over the

32

00:01:56,450 --> 00:01:54,119

years and she speaks a lot different

33

00:01:58,969 --> 00:01:56,460

organizations including mufon and the

34

00:02:01,130 --> 00:01:58,979

international UFO Congress and of course

35

00:02:03,649 --> 00:02:01,140

uh Coast to Coast AM and I would like to

36

00:02:05,569 --> 00:02:03,659

welcome back to fade to black Melinda

37

00:02:09,050 --> 00:02:05,579

Leslie Melinda good evening young lady

38

00:02:11,930 --> 00:02:09,060

how are you great Jimmy how are you it's

39

00:02:14,210 --> 00:02:11,940

fantastic oh I always get always good to

40

00:02:17,089 --> 00:02:14,220

talk to you always good to talk to you

41

00:02:19,190 --> 00:02:17,099

and uh welcome to the show and and are

42

00:02:21,410 --> 00:02:19,200

you ready for another conversation sure

43

00:02:22,570 --> 00:02:21,420

absolutely very ready excited thank you

44

00:02:25,309 --> 00:02:22,580

for having me

45

00:02:26,990 --> 00:02:25,319

here is um and I just want to give

46

00:02:30,410 --> 00:02:27,000

everybody a little heads up there's a

47

00:02:32,630 --> 00:02:30,420

little hum uh that is going on and uh we

48

00:02:34,430 --> 00:02:32,640

couldn't fix it in soundcheck so you're

49

00:02:36,290 --> 00:02:34,440

just gonna have to deal with it too guys

50

00:02:37,850 --> 00:02:36,300

I'm so sorry I don't know what's causing

51
00:02:40,070 --> 00:02:37,860
that because it's everything sounds so

52
00:02:42,229 --> 00:02:40,080
good on my and and these are new head

53
00:02:45,410 --> 00:02:42,239
sets and a new laptop so I don't know

54
00:02:48,050 --> 00:02:45,420
what's doing it yeah yeah it's uh it's

55
00:02:50,089 --> 00:02:48,060
called live we are live on the air

56
00:02:51,890 --> 00:02:50,099
that's right you know that's that's just

57
00:02:53,990 --> 00:02:51,900
part of it so

58
00:02:56,750 --> 00:02:54,000
um uh what I wanted to do tonight

59
00:02:59,150 --> 00:02:56,760
Melinda because you and I uh hang out a

60
00:03:01,430 --> 00:02:59,160
lot you were just on uh my new TV show

61
00:03:04,130 --> 00:03:01,440
into the Vortex and that episode's going

62
00:03:06,589 --> 00:03:04,140
to be coming up here shortly and

63
00:03:09,890 --> 00:03:06,599

um uh I'm excited about that by the way

64

00:03:12,649 --> 00:03:09,900

about being on into the Vortex and uh I

65

00:03:14,089 --> 00:03:12,659

think we did a great show uh said our

66

00:03:16,309 --> 00:03:14,099

produ your producer seemed to be very

67

00:03:18,530 --> 00:03:16,319

happy so I'm I'm really looking forward

68

00:03:21,410 --> 00:03:18,540

to that yeah yeah yeah it was a great

69

00:03:24,710 --> 00:03:21,420

conversation and uh everybody check it

70

00:03:27,649 --> 00:03:24,720

out uh I'll let I'll let uh social media

71

00:03:29,449 --> 00:03:27,659

know uh when that launches uh which

72

00:03:33,170 --> 00:03:29,459

should be soon

73

00:03:37,369 --> 00:03:33,180

um now uh but what you and I

74

00:03:40,369 --> 00:03:37,379

that talk about a lot privately is your

75

00:03:42,229 --> 00:03:40,379

experiences and and things but we we've

76

00:03:44,750 --> 00:03:42,239

never really had an opportunity to just

77

00:03:46,130 --> 00:03:44,760

sit down and and and talk about you on

78

00:03:47,930 --> 00:03:46,140

the show there's always breaking news

79

00:03:52,130 --> 00:03:47,940

and you're always in the middle of some

80

00:03:54,170 --> 00:03:52,140

some drama some UFO craziness

81

00:03:58,309 --> 00:03:54,180

um and and and we'll get to some of that

82

00:04:00,770 --> 00:03:58,319

tonight but uh what I wanted to do is is

83

00:04:03,289 --> 00:04:00,780

kind of back up and start with because

84

00:04:05,750 --> 00:04:03,299

everybody knows you but but you know

85

00:04:10,309 --> 00:04:05,760

these things don't get talked about too

86

00:04:13,610 --> 00:04:10,319

much uh like how you got into this

87

00:04:16,849 --> 00:04:13,620

um and and what was that moment where

88

00:04:20,090 --> 00:04:16,859

your life just changed and and you were

89

00:04:22,069 --> 00:04:20,100

now part of the UFO Circle

90

00:04:26,090 --> 00:04:22,079

oh boy yeah

91

00:04:27,830 --> 00:04:26,100

um well I I there's a kind of a long

92

00:04:30,650 --> 00:04:27,840

complicated answer and a short one but

93

00:04:34,270 --> 00:04:30,660

I'll I'll give the the the the simple

94

00:04:38,390 --> 00:04:34,280

one because it really all started for me

95

00:04:41,210 --> 00:04:38,400

with as the Bob Lazar story was breaking

96

00:04:44,270 --> 00:04:41,220

babazar the engineer outed

97

00:04:45,830 --> 00:04:44,280

Area 51 in Nevada etc etc I think

98

00:04:48,710 --> 00:04:45,840

everybody who's your listeners probably

99

00:04:51,830 --> 00:04:48,720

knows and as that

100

00:04:53,510 --> 00:04:51,840

story broke a friend of mine now prior

101
00:04:56,150 --> 00:04:53,520
to that I didn't really have an interest

102
00:04:57,170 --> 00:04:56,160
in the subject to me extraterrestrials

103
00:04:59,150 --> 00:04:57,180
were like

104
00:05:01,310 --> 00:04:59,160
a spiritual thing and and people

105
00:05:02,870 --> 00:05:01,320
channeled higher extraterrestrial beings

106
00:05:05,150 --> 00:05:02,880
and got information from them and that

107
00:05:08,749 --> 00:05:05,160
was kind of where I was you know coming

108
00:05:11,090 --> 00:05:08,759
from with this prior to 1989 and I've

109
00:05:13,550 --> 00:05:11,100
had a long background in in the

110
00:05:15,890 --> 00:05:13,560
Paranormal and metaphysics and New Age

111
00:05:17,570 --> 00:05:15,900
thought and everything uh really

112
00:05:19,670 --> 00:05:17,580
metaphysics my whole life but really

113
00:05:22,969 --> 00:05:19,680

hardcore since high school

114

00:05:24,890 --> 00:05:22,979

but everything changed in September of

115

00:05:28,210 --> 00:05:24,900

89

116

00:05:33,110 --> 00:05:28,220

at the time you had

117

00:05:35,570 --> 00:05:33,120

the Lazar story first happening and the

118

00:05:37,670 --> 00:05:35,580

researchers involved in that going on

119

00:05:39,469 --> 00:05:37,680

what was then Billy Goodman's The

120

00:05:42,770 --> 00:05:39,479

Happening being broadcast out of Las

121

00:05:44,570 --> 00:05:42,780

Vegas and you had researcher John Lear

122

00:05:46,310 --> 00:05:44,580

as an example

123

00:05:49,070 --> 00:05:46,320

um talking about

124

00:05:51,170 --> 00:05:49,080

Lazar and then you had Gene huff and you

125

00:05:53,870 --> 00:05:51,180

know what not so the early on people

126

00:05:56,990 --> 00:05:53,880

that Lazar was dealing with and so they

127

00:05:59,090 --> 00:05:57,000

were going on that radio show talking

128

00:06:01,490 --> 00:05:59,100

about it Lazar had not gone public

129

00:06:02,749 --> 00:06:01,500

anyone he first did he used a fictitious

130

00:06:04,969 --> 00:06:02,759

name

131

00:06:08,090 --> 00:06:04,979

he actually was just because supervisor

132

00:06:10,909 --> 00:06:08,100

his boss's name for a while but they

133

00:06:13,370 --> 00:06:10,919

John Lear was going public and

134

00:06:15,650 --> 00:06:13,380

Billy's producer said hey anybody and

135

00:06:18,350 --> 00:06:15,660

then they they talked about I lost a

136

00:06:19,790 --> 00:06:18,360

step here but they talked about that

137

00:06:22,550 --> 00:06:19,800

they were

138

00:06:24,350 --> 00:06:22,560

um having the Being John Lear and and

139

00:06:26,270 --> 00:06:24,360

others were timed out the fact that they

140

00:06:29,150 --> 00:06:26,280

were having sightings out there all the

141

00:06:31,070 --> 00:06:29,160

time and that Lazar had told them the

142

00:06:32,990 --> 00:06:31,080

schedule for like test flights and

143

00:06:34,430 --> 00:06:33,000

whatever and that you could go out on

144

00:06:35,990 --> 00:06:34,440

those nights the test flights were

145

00:06:38,090 --> 00:06:36,000

happening and they were having that

146

00:06:40,189 --> 00:06:38,100

happen and they were having runs run-ins

147

00:06:43,189 --> 00:06:40,199

with security and all these things that

148

00:06:44,510 --> 00:06:43,199

are known as part of Lazar story and so

149

00:06:45,950 --> 00:06:44,520

they're going on this radio show talking

150

00:06:48,110 --> 00:06:45,960

about what they were experiencing out

151
00:06:50,330 --> 00:06:48,120
there and and Billy Goodman and his

152
00:06:53,150 --> 00:06:50,340
producer said hey if this is happening

153
00:06:53,930 --> 00:06:53,160
all the time let's take some people out

154
00:06:55,909 --> 00:06:53,940
there

155
00:06:57,290 --> 00:06:55,919
and they talked about this just for a

156
00:06:59,330 --> 00:06:57,300
couple nights in a row well a friend of

157
00:07:01,249 --> 00:06:59,340
mine stumbled upon this radio show

158
00:07:02,689 --> 00:07:01,259
turned me on to it and said this is

159
00:07:04,430 --> 00:07:02,699
really interesting

160
00:07:06,950 --> 00:07:04,440
what they're saying is really incredible

161
00:07:08,629 --> 00:07:06,960
that this is this reverse engineering

162
00:07:10,309 --> 00:07:08,639
going on at Area 51 and all this stuff

163
00:07:12,469 --> 00:07:10,319

and I'm like what you know so I turned

164

00:07:14,809 --> 00:07:12,479

it on and within like three days of

165

00:07:16,730 --> 00:07:14,819

listening they basically went from let's

166

00:07:19,490 --> 00:07:16,740

take people out there too they rented

167

00:07:21,770 --> 00:07:19,500

two buses and they said meet us up out

168

00:07:22,909 --> 00:07:21,780

there so long story short we did that we

169

00:07:24,469 --> 00:07:22,919

ended up driving from Southern

170

00:07:26,450 --> 00:07:24,479

California where I was living at the

171

00:07:28,070 --> 00:07:26,460

time of course I'm now in Sedona Arizona

172

00:07:29,510 --> 00:07:28,080

but driving from Southern California

173

00:07:32,870 --> 00:07:29,520

going out there

174

00:07:36,890 --> 00:07:32,880

to Area 51 you know Rachel Nevada you

175

00:07:40,370 --> 00:07:36,900

know Highway 375 and having what ended

176
00:07:43,010 --> 00:07:40,380
up being amazing sightings that we were

177
00:07:44,150 --> 00:07:43,020
so blown away that we did the whole trip

178
00:07:46,189 --> 00:07:44,160
again

179
00:07:48,890 --> 00:07:46,199
so we set out multiple nights that first

180
00:07:50,330 --> 00:07:48,900
trip in September and that was like

181
00:07:52,309 --> 00:07:50,340
beginning of September because I think

182
00:07:53,870 --> 00:07:52,319
his story really broke in like August if

183
00:07:55,610 --> 00:07:53,880
I remember correctly so it's like first

184
00:07:57,950 --> 00:07:55,620
week of September and then a couple

185
00:08:00,350 --> 00:07:57,960
weeks later we went again had a more

186
00:08:03,110 --> 00:08:00,360
amazing sightings including structured

187
00:08:06,409 --> 00:08:03,120
craft and you know amazing stuff

188
00:08:09,409 --> 00:08:06,419

and then we went again in late October

189

00:08:11,210 --> 00:08:09,419

so in September October I had done three

190

00:08:12,830 --> 00:08:11,220

back-to-back trips

191

00:08:15,529 --> 00:08:12,840

leaving where I was living at the time

192

00:08:18,170 --> 00:08:15,539

Newport Beach California going out to

193

00:08:20,150 --> 00:08:18,180

Area 51 Nevada and having amazing

194

00:08:23,809 --> 00:08:20,160

sightings all the nights we were there

195

00:08:28,490 --> 00:08:23,819

let me let me jump in for a second so uh

196

00:08:31,369 --> 00:08:28,500

this was uh uh uh Lazar was there no no

197

00:08:33,409 --> 00:08:31,379

this this is Lazar hadn't even gone

198

00:08:36,350 --> 00:08:33,419

public yet so this was John Lear going

199

00:08:38,750 --> 00:08:36,360

on that radio show okay but who was you

200

00:08:41,029 --> 00:08:38,760

you were out there with the two buses

201
00:08:44,630 --> 00:08:41,039
okay that was the producer of the radio

202
00:08:48,410 --> 00:08:44,640
show okay and the host who said let's

203
00:08:49,970 --> 00:08:48,420
rent two buses and people can sign up

204
00:08:52,970 --> 00:08:49,980
early and go on the bus well my friend

205
00:08:55,070 --> 00:08:52,980
and I my friend Terry and I made a last

206
00:08:57,290 --> 00:08:55,080
minute decision so the buses were full

207
00:08:59,329 --> 00:08:57,300
so we said well we were going to drive

208
00:09:03,050 --> 00:08:59,339
to Vegas the buses were going to leave

209
00:09:06,769 --> 00:09:03,060
from a casino parking lot in Vegas and

210
00:09:09,290 --> 00:09:06,779
go out to Highway 375 and groom Road and

211
00:09:11,570 --> 00:09:09,300
you know Rachel Nevada so but we're like

212
00:09:14,150 --> 00:09:11,580
okay we're we missed that they're full

213
00:09:16,250 --> 00:09:14,160

but we'll just meet up with everyone

214

00:09:18,829 --> 00:09:16,260

well because of driving from Southern

215

00:09:20,690 --> 00:09:18,839

California we got out there like two

216

00:09:23,509 --> 00:09:20,700

hours later than the buses were supposed

217

00:09:25,550 --> 00:09:23,519

to get to at the viewing location which

218

00:09:27,130 --> 00:09:25,560

was the where the what used to be called

219

00:09:31,730 --> 00:09:27,140

The Black Mailbox

220

00:09:35,150 --> 00:09:31,740

Road okay so so we got there and there's

221

00:09:37,430 --> 00:09:35,160

these two buses of people there's a lot

222

00:09:39,710 --> 00:09:37,440

of people there's like 40 cars

223

00:09:42,050 --> 00:09:39,720

and so the two buses of people and and

224

00:09:44,090 --> 00:09:42,060

then we were wanted like 40 cars and

225

00:09:47,030 --> 00:09:44,100

everyone was having sightings just as we

226

00:09:48,949 --> 00:09:47,040

got there the buses had left from a

227

00:09:50,990 --> 00:09:48,959

casino in Vegas which was two and a half

228

00:09:52,790 --> 00:09:51,000

hours away and had a lot of senior

229

00:09:54,530 --> 00:09:52,800

individuals on it so they were like we

230

00:09:56,090 --> 00:09:54,540

got to get going we gotta you know we

231

00:09:58,850 --> 00:09:56,100

you know we have seniors we got to get

232

00:10:02,930 --> 00:09:58,860

back as it is it was like 10 o'clock at

233

00:10:04,370 --> 00:10:02,940

night uh or 11 even so we we stayed and

234

00:10:05,810 --> 00:10:04,380

everyone who stayed out there like 40

235

00:10:07,910 --> 00:10:05,820

cars

236

00:10:09,710 --> 00:10:07,920

we were gathered with lawn chairs and

237

00:10:11,870 --> 00:10:09,720

whatever you know looking towards the

238

00:10:15,350 --> 00:10:11,880

hills just outside the base and had

239

00:10:17,329 --> 00:10:15,360

amazing mind-blowing UFO sightings and

240

00:10:19,190 --> 00:10:17,339

it was so mind-blowing we we went out

241

00:10:21,230 --> 00:10:19,200

again did the whole trip two weeks later

242

00:10:23,210 --> 00:10:21,240

and then a month after that so again

243

00:10:25,550 --> 00:10:23,220

September October and had all these

244

00:10:26,990 --> 00:10:25,560

sightings well Jimmy something about

245

00:10:30,170 --> 00:10:27,000

having those sightings was like

246

00:10:32,750 --> 00:10:30,180

inserting a key and turning it

247

00:10:34,310 --> 00:10:32,760

because I started to have memories come

248

00:10:37,430 --> 00:10:34,320

forward and that was the beginning of

249

00:10:39,230 --> 00:10:37,440

what started my whole looking into my

250

00:10:42,050 --> 00:10:39,240

abductions alien abduction experiences

251

00:10:44,269 --> 00:10:42,060

but I met researchers out there like

252

00:10:47,269 --> 00:10:44,279

Bill Hamilton very famous in the field

253

00:10:50,269 --> 00:10:47,279

and I met him out there and and became

254

00:10:52,490 --> 00:10:50,279

friends and he was putting on a lecture

255

00:10:54,949 --> 00:10:52,500

series for

256

00:10:58,790 --> 00:10:54,959

um his own thing initially in Southern

257

00:11:01,550 --> 00:10:58,800

California and L.A and I started to go

258

00:11:04,190 --> 00:11:01,560

uh every month to these lectures in La

259

00:11:05,990 --> 00:11:04,200

that he was putting on and then a muf on

260

00:11:08,269 --> 00:11:06,000

Los Angeles formed up and then it kind

261

00:11:10,730 --> 00:11:08,279

of absorbed into mufon Los Angeles and

262

00:11:13,310 --> 00:11:10,740

became involved in that and you know and

263

00:11:15,590 --> 00:11:13,320

it just kept going and so I've been in

264

00:11:18,710 --> 00:11:15,600

the field that you know since then since

265

00:11:19,670 --> 00:11:18,720

September of 89. uh was Bill Cooper

266

00:11:23,090 --> 00:11:19,680

there

267

00:11:25,190 --> 00:11:23,100

um

268

00:11:27,050 --> 00:11:25,200

going on Billy goodness The Happening

269

00:11:29,389 --> 00:11:27,060

radio show was

270

00:11:31,970 --> 00:11:29,399

um was John Lear was the first one going

271

00:11:34,069 --> 00:11:31,980

on talking about the Lazar you know

272

00:11:36,290 --> 00:11:34,079

story but then he had gone out there

273

00:11:38,389 --> 00:11:36,300

with Cooper so he knew him they were

274

00:11:39,769 --> 00:11:38,399

friends at the time and he took Cooper

275

00:11:42,530 --> 00:11:39,779

and of course Gene Huff they were all

276

00:11:43,970 --> 00:11:42,540

going out there and as as they were

277

00:11:45,769 --> 00:11:43,980

starting to tell people a few other

278

00:11:48,530 --> 00:11:45,779

researchers were trickling out there but

279

00:11:51,769 --> 00:11:48,540

but but it was mostly John Lear and Bill

280

00:11:53,630 --> 00:11:51,779

Cooper going on Billy show talking about

281

00:11:55,850 --> 00:11:53,640

the whole story and see Lazar hadn't

282

00:11:59,150 --> 00:11:55,860

even gone public yet so he wasn't public

283

00:12:01,310 --> 00:11:59,160

yet that was I don't know how long maybe

284

00:12:03,710 --> 00:12:01,320

a couple months later and then Lazar did

285

00:12:05,569 --> 00:12:03,720

go public and at that point but this was

286

00:12:08,090 --> 00:12:05,579

even prior to him going public

287

00:12:10,190 --> 00:12:08,100

so and and I think that you're

288

00:12:11,329 --> 00:12:10,200

suggesting that at this point

289

00:12:13,730 --> 00:12:11,339

um you

290

00:12:16,250 --> 00:12:13,740

uh started to have recall of past

291

00:12:17,750 --> 00:12:16,260

experiences because

292

00:12:18,350 --> 00:12:17,760

yeah exactly

293

00:12:20,110 --> 00:12:18,360

um

294

00:12:23,090 --> 00:12:20,120

like I said put

295

00:12:25,009 --> 00:12:23,100

having all those sightings first off I

296

00:12:27,949 --> 00:12:25,019

was seeing stuff fly in and out of a

297

00:12:29,990 --> 00:12:27,959

known top secret military base you you

298

00:12:33,350 --> 00:12:30,000

could look it up and find out stuff

299

00:12:36,949 --> 00:12:33,360

about you know 51 at the time and

300

00:12:40,009 --> 00:12:36,959

um and so it was like okay here's this

301
00:12:42,170 --> 00:12:40,019
known top secret base we're seeing this

302
00:12:45,290 --> 00:12:42,180
craft that absolutely defied physics

303
00:12:46,730 --> 00:12:45,300
come up from behind the hills drop out

304
00:12:48,290 --> 00:12:46,740
of those cloud coverage a couple of the

305
00:12:50,750 --> 00:12:48,300
nights they were dropping out of the

306
00:12:53,470 --> 00:12:50,760
cloud coverage doing like a falling leaf

307
00:12:57,410 --> 00:12:53,480
pattern shooting behind the hills Etc

308
00:12:59,030 --> 00:12:57,420
and and so I knew so all these belief

309
00:13:01,250 --> 00:12:59,040
systems shifted overnight I went okay

310
00:13:03,110 --> 00:13:01,260
UFOs are absolutely real

311
00:13:05,090 --> 00:13:03,120
the government absolutely knows and is

312
00:13:07,190 --> 00:13:05,100
lying about it like they know because

313
00:13:09,350 --> 00:13:07,200

they were they were not only coming out

314

00:13:11,389 --> 00:13:09,360

of the military base a couple of the

315

00:13:13,610 --> 00:13:11,399

nights we had the local sheriff out

316

00:13:15,410 --> 00:13:13,620

there too Sheriff Vehicles were next to

317

00:13:16,790 --> 00:13:15,420

us and we were talking to them and we're

318

00:13:18,230 --> 00:13:16,800

like you guys see this often they're

319

00:13:19,730 --> 00:13:18,240

like yeah every night

320

00:13:21,290 --> 00:13:19,740

so we're like okay the sheriffs are

321

00:13:23,569 --> 00:13:21,300

seeing this every night there's white

322

00:13:26,449 --> 00:13:23,579

Bronco security wacken Hut security

323

00:13:28,009 --> 00:13:26,459

vehicles going past us you know checking

324

00:13:30,230 --> 00:13:28,019

us out going around us going past us

325

00:13:31,790 --> 00:13:30,240

there was the sheriff like I said there

326

00:13:34,310 --> 00:13:31,800

were black helicopters up in the air

327

00:13:36,530 --> 00:13:34,320

unmarked helicopter circling so you go

328

00:13:38,030 --> 00:13:36,540

okay this is the craft were in the air

329

00:13:40,730 --> 00:13:38,040

at the same time all this was going on

330

00:13:42,650 --> 00:13:40,740

so you go okay obviously the government

331

00:13:44,690 --> 00:13:42,660

knows these are flying in and out of a

332

00:13:46,730 --> 00:13:44,700

top secret base and you guys it wasn't

333

00:13:48,590 --> 00:13:46,740

mistaken U.S aircraft if anyone's

334

00:13:50,629 --> 00:13:48,600

thinking about it this was absolutely

335

00:13:52,850 --> 00:13:50,639

defying physics and we're seeing discs

336

00:13:55,250 --> 00:13:52,860

and stuff you know this was crazy crazy

337

00:13:57,470 --> 00:13:55,260

stuff and and

338

00:13:59,810 --> 00:13:57,480

I mean just really crazy and and the

339

00:14:01,970 --> 00:13:59,820

weight was flying and it would shoot off

340

00:14:04,430 --> 00:14:01,980

and stop and shoot off and stop it was

341

00:14:06,110 --> 00:14:04,440

remarkable and it just blew my mind so

342

00:14:08,449 --> 00:14:06,120

but you were just saying there Jimmy is

343

00:14:11,030 --> 00:14:08,459

it like I said it was inserting a key

344

00:14:13,610 --> 00:14:11,040

and turning it because I had memories

345

00:14:17,030 --> 00:14:13,620

come forward a childhood teenage and

346

00:14:19,610 --> 00:14:17,040

young adult abductions at first and then

347

00:14:22,129 --> 00:14:19,620

soon after that and I mean like within a

348

00:14:25,190 --> 00:14:22,139

month I had an experience that a

349

00:14:26,990 --> 00:14:25,200

roommate of mine witnessed and and you

350

00:14:28,550 --> 00:14:27,000

know the roommate told me all about what

351

00:14:31,129 --> 00:14:28,560

they witnessed and so at that point I'm

352

00:14:34,790 --> 00:14:31,139

like okay it's not just remembering past

353

00:14:39,170 --> 00:14:34,800

experiences it's now gone into new you

354

00:14:43,250 --> 00:14:39,180

know current experiences in late 89. how

355

00:14:44,389 --> 00:14:43,260

um how how many uh well you know what

356

00:14:47,230 --> 00:14:44,399

I'm just gonna go with the direct

357

00:14:50,810 --> 00:14:47,240

question here how how many

358

00:14:52,970 --> 00:14:50,820

uh uh experiences did you have as a

359

00:14:54,470 --> 00:14:52,980

child

360

00:14:57,230 --> 00:14:54,480

oh goodness

361

00:14:58,850 --> 00:14:57,240

um I I don't know that I've ever had an

362

00:15:01,509 --> 00:14:58,860

exact count but I can give you would you

363

00:15:04,430 --> 00:15:01,519

like a couple of examples real quick

364

00:15:06,230 --> 00:15:04,440

yes I would Melinda but but what I'm

365

00:15:08,990 --> 00:15:06,240

asking is

366

00:15:10,490 --> 00:15:09,000

um you know as you're you know when

367

00:15:14,269 --> 00:15:10,500

you're going through this kind of thing

368

00:15:16,910 --> 00:15:14,279

in memory recall you must have gone wow

369

00:15:19,189 --> 00:15:16,920

uh you know and and started to think

370

00:15:21,889 --> 00:15:19,199

about it there's there's experiences

371

00:15:23,449 --> 00:15:21,899

here yes yeah I can give you a couple

372

00:15:25,730 --> 00:15:23,459

examples of like the first things that

373

00:15:29,090 --> 00:15:25,740

came up okay okay

374

00:15:33,590 --> 00:15:30,769

okay I want to be you know clear about

375

00:15:34,370 --> 00:15:33,600

this okay so for instance

376

00:15:37,970 --> 00:15:34,380

um

377

00:15:41,030 --> 00:15:37,980

when I my grandmother had a house out

378

00:15:44,329 --> 00:15:41,040

near what we now know as giant rock and

379

00:15:46,210 --> 00:15:44,339

Landers California Yucca Valley uh 29

380

00:15:48,290 --> 00:15:46,220

Palms Desert area Southern California

381

00:15:49,730 --> 00:15:48,300

she had a little Homestead out in the

382

00:15:52,970 --> 00:15:49,740

middle of nowhere her closest neighbor

383

00:15:55,550 --> 00:15:52,980

was a guy about you know 50 yards away

384

00:15:57,470 --> 00:15:55,560

and he had two donkeys in his yard and I

385

00:15:59,689 --> 00:15:57,480

think like a truck on cinder blocks you

386

00:16:01,490 --> 00:15:59,699

know Desert Rat okay and the next

387

00:16:03,230 --> 00:16:01,500

closest neighbor to either them was like

388

00:16:05,329 --> 00:16:03,240

a mile away

389

00:16:08,210 --> 00:16:05,339

but it's a this is where my grandmother

390

00:16:10,129 --> 00:16:08,220

lived at that point in my

391

00:16:12,949 --> 00:16:10,139

um when I was a little kid not at that

392

00:16:15,290 --> 00:16:12,959

not as an adult in 1989 but she died

393

00:16:17,750 --> 00:16:15,300

many many years ago but as when I was a

394

00:16:20,449 --> 00:16:17,760

child and so I remember being five years

395

00:16:22,550 --> 00:16:20,459

old I'm the youngest of five

396

00:16:25,129 --> 00:16:22,560

and I think my cousins were also out

397

00:16:26,689 --> 00:16:25,139

there so the older kids and the adults

398

00:16:28,490 --> 00:16:26,699

went into town

399

00:16:29,870 --> 00:16:28,500

I'm thinking now it might have been to

400

00:16:32,030 --> 00:16:29,880

see a movie but it almost doesn't matter

401
00:16:35,449 --> 00:16:32,040
they went into town during the day and I

402
00:16:37,189 --> 00:16:35,459
was put down for a nap so so

403
00:16:39,410 --> 00:16:37,199
um they said okay you know and then one

404
00:16:40,790 --> 00:16:39,420
adult stayed behind to babysit me so

405
00:16:43,310 --> 00:16:40,800
again this is my grandmother's little

406
00:16:45,050 --> 00:16:43,320
place out like in Landers but far away

407
00:16:46,790 --> 00:16:45,060
from everyone and they're going in

408
00:16:49,370 --> 00:16:46,800
they're all driving into the town of

409
00:16:51,610 --> 00:16:49,380
Yucca Valley you know which is roughly

410
00:16:54,290 --> 00:16:51,620
maybe half an hour

411
00:16:56,749 --> 00:16:54,300
and uh so I'm put down for a nap the

412
00:16:59,030 --> 00:16:56,759
adult State and I always had this memory

413
00:17:00,769 --> 00:16:59,040

my whole life so even prior to this I

414

00:17:04,610 --> 00:17:00,779

had this part of the memory which is

415

00:17:06,409 --> 00:17:04,620

that I'd been put down for a nap that my

416

00:17:08,630 --> 00:17:06,419

um

417

00:17:11,090 --> 00:17:08,640

that I remembered that little kids came

418

00:17:13,789 --> 00:17:11,100

to the bedroom window and wanted me to

419

00:17:15,829 --> 00:17:13,799

go outside and play with them and that

420

00:17:18,169 --> 00:17:15,839

the adult had fallen asleep on the couch

421

00:17:20,809 --> 00:17:18,179

and I snuck out past them and went

422

00:17:23,750 --> 00:17:20,819

outside to play with these little kids

423

00:17:25,490 --> 00:17:23,760

so everyone comes back from going into

424

00:17:27,470 --> 00:17:25,500

town from a movie or whatever they were

425

00:17:31,669 --> 00:17:27,480

doing and they come back and they said

426

00:17:33,950 --> 00:17:31,679

so Melinda did you have a nice nap

427

00:17:35,510 --> 00:17:33,960

and I said I went outside and played

428

00:17:37,370 --> 00:17:35,520

with these little kids so of course they

429

00:17:38,870 --> 00:17:37,380

turned to the you know sleeping at you

430

00:17:41,510 --> 00:17:38,880

know I mean the adult who was there and

431

00:17:43,190 --> 00:17:41,520

said what gives you did she what kids

432

00:17:44,930 --> 00:17:43,200

well first off they told me Melinda I'm

433

00:17:46,430 --> 00:17:44,940

like five they're saying that's

434

00:17:49,789 --> 00:17:46,440

impossible grandma lives in the middle

435

00:17:51,590 --> 00:17:49,799

of nowhere it was 102 degrees out her

436

00:17:53,690 --> 00:17:51,600

closest neighbor is the guy with the old

437

00:17:56,570 --> 00:17:53,700

man with two mules or two donkeys

438

00:17:58,850 --> 00:17:56,580

there's no neighbors anywhere it's 102

439

00:18:00,830 --> 00:17:58,860

no little kids are gonna walk across the

440

00:18:02,270 --> 00:18:00,840

desert for a mile to come play with you

441

00:18:04,490 --> 00:18:02,280

like she's in the middle of nowhere it's

442

00:18:06,230 --> 00:18:04,500

102 there's no little kids and I was

443

00:18:08,090 --> 00:18:06,240

adamant I said I went out inside and

444

00:18:10,130 --> 00:18:08,100

played with these kids

445

00:18:11,870 --> 00:18:10,140

and so again like I was starting to say

446

00:18:14,570 --> 00:18:11,880

they turn towards the adult who was

447

00:18:16,370 --> 00:18:14,580

babysitting me and they said

448

00:18:18,169 --> 00:18:16,380

what gives and they said well she was

449

00:18:21,110 --> 00:18:18,179

asleep the whole time

450

00:18:22,909 --> 00:18:21,120

so I learned to drop it as a kid because

451

00:18:24,590 --> 00:18:22,919

you know everyone was like well you

452

00:18:26,210 --> 00:18:24,600

dreamed it you shut up you know my older

453

00:18:28,430 --> 00:18:26,220

siblings you dreamed it dummy you

454

00:18:31,250 --> 00:18:28,440

dreamed it okay okay so I forgot about

455

00:18:33,529 --> 00:18:31,260

it but then after having all those

456

00:18:36,049 --> 00:18:33,539

sightings in 1989

457

00:18:38,330 --> 00:18:36,059

I have a dream at night I mean literally

458

00:18:40,730 --> 00:18:38,340

like the very next week within days of

459

00:18:42,950 --> 00:18:40,740

those first couple of days of Psychics I

460

00:18:45,169 --> 00:18:42,960

have a dream I'm recalling that whole

461

00:18:46,909 --> 00:18:45,179

thing in my dream but it wasn't little

462

00:18:48,230 --> 00:18:46,919

kids at the bedroom window it was gray

463

00:18:50,150 --> 00:18:48,240

aliens

464

00:18:52,190 --> 00:18:50,160

and that I had an abduction and that

465

00:18:54,650 --> 00:18:52,200

they knocked the adult out

466

00:18:56,450 --> 00:18:54,660

and as it is my my family used to kid

467

00:18:58,370 --> 00:18:56,460

with me because I had multiple

468

00:19:01,010 --> 00:18:58,380

experiences taken from my grandmas and I

469

00:19:03,409 --> 00:19:01,020

remembered being taken through her front

470

00:19:05,270 --> 00:19:03,419

door was a big sliding glass door

471

00:19:06,770 --> 00:19:05,280

and that I was taken through the slang

472

00:19:09,470 --> 00:19:06,780

glass door like I could walk through the

473

00:19:11,390 --> 00:19:09,480

glass and when I was a little kid I was

474

00:19:13,190 --> 00:19:11,400

running into it all the time because I

475

00:19:15,169 --> 00:19:13,200

always thought you could go through it

476

00:19:17,150 --> 00:19:15,179

now I understand why I thought I could

477

00:19:19,669 --> 00:19:17,160

go through it you know but going back to

478

00:19:22,010 --> 00:19:19,679

so then another one so within those

479

00:19:23,330 --> 00:19:22,020

first couple of weeks of sightings I

480

00:19:25,970 --> 00:19:23,340

have another dream at night we're

481

00:19:27,890 --> 00:19:25,980

calling I'm 12 years old we're staying

482

00:19:29,750 --> 00:19:27,900

in Yucca Valley but this time I'm not at

483

00:19:31,850 --> 00:19:29,760

my grandmother's little house it wasn't

484

00:19:33,710 --> 00:19:31,860

really room for us to stay there it had

485

00:19:35,990 --> 00:19:33,720

one it was kind of like a little

486

00:19:38,150 --> 00:19:36,000

one-room you know house and and she had

487

00:19:40,130 --> 00:19:38,160

a tiny little bedroom with a single bed

488

00:19:41,690 --> 00:19:40,140

you know so we would stay what was

489

00:19:46,970 --> 00:19:41,700
called the Yucca Inn at the time a

490

00:19:52,789 --> 00:19:49,070
um memory of um

491

00:19:54,770 --> 00:19:52,799
being put of of staying there and uh and

492

00:19:57,169 --> 00:19:54,780
and everyone was going to go on a Day

493

00:19:58,730 --> 00:19:57,179
hike at Joshua Tree National Monument

494

00:20:01,310 --> 00:19:58,740
you know Arboretum and whatnot and do a

495

00:20:03,169 --> 00:20:01,320
day hype they're packing a big picnic I

496

00:20:05,750 --> 00:20:03,179
felt sick to my stomach I was at the

497

00:20:07,130 --> 00:20:05,760
time I was like 12 years old and at 12 I

498

00:20:08,930 --> 00:20:07,140
was pretty together I was already

499

00:20:11,450 --> 00:20:08,940
occasionally babysitting that kind of

500

00:20:13,250 --> 00:20:11,460
thing you know so they're like I'm like

501
00:20:16,549 --> 00:20:13,260
I I can't go do this again it was like

502
00:20:19,070 --> 00:20:16,559
102 outside I'm like I'm I can't go

503
00:20:22,070 --> 00:20:19,080
hiking with you guys I don't feel good

504
00:20:24,710 --> 00:20:22,080
so they said we'll leave you here

505
00:20:26,210 --> 00:20:24,720
it was a busy they had a pool there with

506
00:20:27,650 --> 00:20:26,220
like a life Garden you know and they

507
00:20:30,230 --> 00:20:27,660
said if you get feeling better go

508
00:20:31,970 --> 00:20:30,240
swimming you know and I said all I want

509
00:20:34,010 --> 00:20:31,980
to do is crawl up and sleep you know I

510
00:20:35,690 --> 00:20:34,020
really was feeling nauseous so they take

511
00:20:37,669 --> 00:20:35,700
off to go on their Day hike and their

512
00:20:39,590 --> 00:20:37,679
picnic they leave me there

513
00:20:41,870 --> 00:20:39,600

I lay down the bed I could never sleep

514

00:20:43,549 --> 00:20:41,880

there was a really really noisy air

515

00:20:46,370 --> 00:20:43,559

conditioning unit anyways long story

516

00:20:48,529 --> 00:20:46,380

short I needed fresher I go outside I go

517

00:20:51,650 --> 00:20:48,539

for a walk out in the parking lot I come

518

00:20:53,570 --> 00:20:51,660

back I use the rest of the bathroom in

519

00:20:56,090 --> 00:20:53,580

the motel room and they all come back

520

00:20:59,090 --> 00:20:56,100

not at 12 years old I had a good sense

521

00:21:01,549 --> 00:20:59,100

of time you know I figured it had maybe

522

00:21:03,830 --> 00:21:01,559

been an hour I could never sleep it was

523

00:21:05,029 --> 00:21:03,840

really noisy really stinky there was a

524

00:21:07,610 --> 00:21:05,039

wall mounted air conditioning unit

525

00:21:09,230 --> 00:21:07,620

really loud the room there was no such

526
00:21:10,669 --> 00:21:09,240
thing as a non-smoking room so I ever

527
00:21:12,409 --> 00:21:10,679
had that room before us were heavy

528
00:21:14,029 --> 00:21:12,419
smokers I'm like I just felt really

529
00:21:16,130 --> 00:21:14,039
nauseous so that's why I went outside to

530
00:21:18,470 --> 00:21:16,140
get fresh air so when they came back I

531
00:21:20,870 --> 00:21:18,480
said oh you guys it was too hot you

532
00:21:22,669 --> 00:21:20,880
decided not to go on your hike and I

533
00:21:24,770 --> 00:21:22,679
remember all this really well like this

534
00:21:26,270 --> 00:21:24,780
is fully fully conscious memory that

535
00:21:28,370 --> 00:21:26,280
I've had my whole life and I'm like you

536
00:21:30,409 --> 00:21:28,380
guys went out and you know went for

537
00:21:32,270 --> 00:21:30,419
you you went out and it was too hot so

538
00:21:33,350 --> 00:21:32,280

you came back and they go Melinda what

539

00:21:34,549 --> 00:21:33,360

are you talking about they go we've been

540

00:21:36,830 --> 00:21:34,559

gone all day

541

00:21:38,870 --> 00:21:36,840

and I'm like no you've only begun like

542

00:21:41,390 --> 00:21:38,880

an hour and they're like Melinda we've

543

00:21:42,950 --> 00:21:41,400

been gone like six hours and they stuck

544

00:21:45,409 --> 00:21:42,960

outside it's getting dark and sure

545

00:21:47,210 --> 00:21:45,419

enough I looked and and it was it was

546

00:21:48,590 --> 00:21:47,220

getting dark outside and they suddenly

547

00:21:50,149 --> 00:21:48,600

it's already getting dark we've been

548

00:21:51,830 --> 00:21:50,159

gone all day

549

00:21:53,210 --> 00:21:51,840

you know we're worried about you and

550

00:21:54,409 --> 00:21:53,220

wanted to make sure you're okay and you

551
00:21:56,630 --> 00:21:54,419
know and I'm like

552
00:21:57,890 --> 00:21:56,640
I'm like no I thought they were A Yank

553
00:21:59,750 --> 00:21:57,900
in my chain or something I'm like what

554
00:22:01,190 --> 00:21:59,760
no you guys came right back

555
00:22:04,490 --> 00:22:01,200
and they said well Melinda you must have

556
00:22:06,830 --> 00:22:04,500
been asleep all day and I said I wish I

557
00:22:08,990 --> 00:22:06,840
could I could never sleep

558
00:22:10,610 --> 00:22:09,000
I was so nauseous I went outside and

559
00:22:12,649 --> 00:22:10,620
took a walk I came back and you guys are

560
00:22:15,350 --> 00:22:12,659
here so obviously Jimmy I had what's

561
00:22:16,789 --> 00:22:15,360
called missing time okay now I always

562
00:22:18,289 --> 00:22:16,799
knew that

563
00:22:20,510 --> 00:22:18,299

and I didn't necessarily know was

564

00:22:22,490 --> 00:22:20,520

missing time I again see older siblings

565

00:22:24,529 --> 00:22:22,500

your parents you just learned they're

566

00:22:27,350 --> 00:22:24,539

like you dummy you slept all day and I'm

567

00:22:28,610 --> 00:22:27,360

like there's no way I slept you know and

568

00:22:30,350 --> 00:22:28,620

they're like you must have slept so I'm

569

00:22:32,270 --> 00:22:30,360

like okay whatever it drop it 12 years

570

00:22:34,250 --> 00:22:32,280

old you know you don't need your older

571

00:22:36,590 --> 00:22:34,260

siblings to bag it on you you know okay

572

00:22:38,090 --> 00:22:36,600

so all of a sudden again after having

573

00:22:40,130 --> 00:22:38,100

all those sightings I have a dream at

574

00:22:42,409 --> 00:22:40,140

night we're calling that when I walked

575

00:22:44,090 --> 00:22:42,419

outside I walked out into the desert now

576

00:22:45,770 --> 00:22:44,100

there's some houses behind there but

577

00:22:47,870 --> 00:22:45,780

back then there wasn't I've done the

578

00:22:50,390 --> 00:22:47,880

research and double checked

579

00:22:53,149 --> 00:22:50,400

and it was open desert and I walked out

580

00:22:54,830 --> 00:22:53,159

up kind of a hill down into what was

581

00:22:56,750 --> 00:22:54,840

actually which is still there in a

582

00:22:58,549 --> 00:22:56,760

housing units between houses there's

583

00:23:00,710 --> 00:22:58,559

this Natural Area where there's this

584

00:23:02,630 --> 00:23:00,720

kind of Creek bed that's always been

585

00:23:04,190 --> 00:23:02,640

there and and so what I'd done is walked

586

00:23:06,350 --> 00:23:04,200

up the hill down at that Creek bed and

587

00:23:08,270 --> 00:23:06,360

there was a landed craft and you know

588

00:23:09,470 --> 00:23:08,280

fully conscious landed craft and I was

589

00:23:12,350 --> 00:23:09,480

taken on board

590

00:23:15,049 --> 00:23:12,360

and I had an abduction so that's you

591

00:23:18,710 --> 00:23:15,059

know so and and so I was having that

592

00:23:21,890 --> 00:23:18,720

dream now both of those experiences I've

593

00:23:25,130 --> 00:23:21,900

also since had regressive hypnosis over

594

00:23:28,190 --> 00:23:25,140

you oh okay now let's stop right there

595

00:23:31,669 --> 00:23:28,200

let's back the truck up okay it's back

596

00:23:33,169 --> 00:23:31,679

to truck up uh you said it was fully

597

00:23:35,930 --> 00:23:33,179

conscious you came up over the top of

598

00:23:37,909 --> 00:23:35,940

the hill you look down boom uh there's a

599

00:23:40,130 --> 00:23:37,919

landed craft there when you say fully

600

00:23:42,529 --> 00:23:40,140

conscious uh was that part of the dream

601
00:23:44,750 --> 00:23:42,539
or you remember this happening

602
00:23:48,169 --> 00:23:44,760
well no because all I'd remembered my

603
00:23:50,810 --> 00:23:48,179
whole life up was just a missing time

604
00:23:52,669 --> 00:23:50,820
right yeah was that my family came back

605
00:23:55,310 --> 00:23:52,679
and gave me a bad time and said you must

606
00:23:56,810 --> 00:23:55,320
have slept and I said I never slept I

607
00:23:59,450 --> 00:23:56,820
have not been laying here for six hours

608
00:24:02,149 --> 00:23:59,460
that's possible okay uh the reason why

609
00:24:04,190 --> 00:24:02,159
I'm asking you said uh this is a fully

610
00:24:06,409 --> 00:24:04,200
conscious memory I came up over the top

611
00:24:07,490 --> 00:24:06,419
of the hill there's a landing well then

612
00:24:09,590 --> 00:24:07,500
then

613
00:24:12,110 --> 00:24:09,600

after having all those sightings out at

614

00:24:13,669 --> 00:24:12,120

Area 51 and having these series of

615

00:24:16,850 --> 00:24:13,679

Dreams where I started to recall stuff

616

00:24:18,710 --> 00:24:16,860

that initially came up in dreams right I

617

00:24:21,289 --> 00:24:18,720

had a dream about that whole thing right

618

00:24:24,230 --> 00:24:21,299

now and then later I also got regressive

619

00:24:25,850 --> 00:24:24,240

hypnosis to clarify okay stop I got too

620

00:24:29,289 --> 00:24:25,860

many questions let's not get ahead of

621

00:24:29,299 --> 00:24:33,470

what did the craft look like

622

00:24:37,370 --> 00:24:34,970

that one

623

00:24:41,149 --> 00:24:39,470

cut because

624

00:24:44,149 --> 00:24:41,159

Big Bowl

625

00:24:46,610 --> 00:24:44,159

okay imagine like a like a like a salad

626
00:24:49,310 --> 00:24:46,620
bowl or a deep soup bowl okay or mixing

627
00:24:52,970 --> 00:24:49,320
bowl okay both like a lip on it

628
00:24:55,370 --> 00:24:52,980
um sitting on three or four legs and

629
00:24:57,409 --> 00:24:55,380
then on top if you took like a shallow

630
00:24:59,930 --> 00:24:57,419
soup bowl and flipped it over and had

631
00:25:02,390 --> 00:24:59,940
that on top so it was a big bowl on the

632
00:25:04,990 --> 00:25:02,400
bottom you know so disc it's a disc you

633
00:25:07,730 --> 00:25:05,000
know but a big you know so big giant fat

634
00:25:09,710 --> 00:25:07,740
Underside Bowl on the bomb and a shallow

635
00:25:11,330 --> 00:25:09,720
bowl upside down on top so in other

636
00:25:15,049 --> 00:25:11,340
words the the bottom was bigger than the

637
00:25:16,669 --> 00:25:15,059
top and it had four legs and when I

638
00:25:19,130 --> 00:25:16,679

walked over that hill and looked at it

639

00:25:21,710 --> 00:25:19,140

I'm like what am I I mean I'm 12 years

640

00:25:24,230 --> 00:25:21,720

old going what am I looking at

641

00:25:26,029 --> 00:25:24,240

didn't really have a concept of UFO or

642

00:25:28,370 --> 00:25:26,039

anything but just my what but then I

643

00:25:30,830 --> 00:25:28,380

remember going what thinking there were

644

00:25:32,990 --> 00:25:30,840

like little kids around it and the more

645

00:25:34,549 --> 00:25:33,000

I looked at it walking around it were

646

00:25:36,590 --> 00:25:34,559

little with what I would now know are

647

00:25:38,750 --> 00:25:36,600

Grays you know but there were these

648

00:25:40,130 --> 00:25:38,760

little guys you know

649

00:25:42,230 --> 00:25:40,140

roughly four foot tall or something

650

00:25:45,710 --> 00:25:42,240

walking around and I'm like going what

651
00:25:49,130 --> 00:25:45,720
are those you know and uh and in the

652
00:25:51,710 --> 00:25:49,140
dream I saw them and I felt compelled

653
00:25:53,510 --> 00:25:51,720
you know to walk towards it maybe you

654
00:25:55,190 --> 00:25:53,520
know whatever they probably under some

655
00:25:57,890 --> 00:25:55,200
kind of former control or something but

656
00:25:59,690 --> 00:25:57,900
I felt compelled to I wasn't scared I

657
00:26:01,310 --> 00:25:59,700
was more curious and I walked towards it

658
00:26:03,649 --> 00:26:01,320
and next thing I know they're like

659
00:26:05,210 --> 00:26:03,659
greeting me they're walking the upper

660
00:26:07,669 --> 00:26:05,220
ramp on board

661
00:26:09,890 --> 00:26:07,679
I end up having a series of like medical

662
00:26:11,870 --> 00:26:09,900
stuff happen and I got a little scoop

663
00:26:15,409 --> 00:26:11,880

Mark at 12 years old

664

00:26:17,690 --> 00:26:15,419

that I have on my leg to this day and

665

00:26:19,730 --> 00:26:17,700

the other experience that happened when

666

00:26:23,269 --> 00:26:19,740

I was five they gave me a scoot Mark

667

00:26:28,430 --> 00:26:23,279

that time too and I have that scar still

668

00:26:31,310 --> 00:26:28,440

on my leg so so both of those one was um

669

00:26:34,190 --> 00:26:31,320

yeah so both of those one was on my shin

670

00:26:35,870 --> 00:26:34,200

same leg my right leg below my sh on my

671

00:26:37,669 --> 00:26:35,880

shin and the other one just below my

672

00:26:40,430 --> 00:26:37,679

knee

673

00:26:42,409 --> 00:26:40,440

um one of them big bigger's first

674

00:26:44,870 --> 00:26:42,419

covering more space but extremely

675

00:26:47,210 --> 00:26:44,880

shallow like just really a very very

676
00:26:49,610 --> 00:26:47,220
kind of shallow scarf and the other one

677
00:26:52,190 --> 00:26:49,620
is is a deeper in debt but is really

678
00:26:54,470 --> 00:26:52,200
quite small I'd say that

679
00:26:57,289 --> 00:26:54,480
you know anyways quite small but a

680
00:26:59,810 --> 00:26:57,299
deeper in debt but both of those I got

681
00:27:02,510 --> 00:26:59,820
when I was five and twelve and I always

682
00:27:04,310 --> 00:27:02,520
knew I had those as a kid and as a

683
00:27:05,630 --> 00:27:04,320
teenager I never knew how I got them I

684
00:27:08,149 --> 00:27:05,640
go I don't know how I don't know how I

685
00:27:10,010 --> 00:27:08,159
got these and so suddenly this it turns

686
00:27:12,409 --> 00:27:10,020
out this is how I got these when I was

687
00:27:15,950 --> 00:27:12,419
five and again when I was 12 I got both

688
00:27:17,750 --> 00:27:15,960

scoop marks and I have two I have two

689

00:27:21,169 --> 00:27:17,760

scoop marks

690

00:27:22,490 --> 00:27:21,179

there were from a German Shepherd when I

691

00:27:24,409 --> 00:27:22,500

was

692

00:27:27,169 --> 00:27:24,419

like I didn't know you were an abdic

693

00:27:29,570 --> 00:27:27,179

teacher I was abducted by a German

694

00:27:30,610 --> 00:27:29,580

Shepherd in the backyard

695

00:27:33,950 --> 00:27:30,620

um

696

00:27:35,570 --> 00:27:33,960

my other leg many many years later as an

697

00:27:37,610 --> 00:27:35,580

adult I got bitten on my leg by German

698

00:27:41,149 --> 00:27:37,620

Shepherds yeah commiserate with you on

699

00:27:43,789 --> 00:27:41,159

that I I don't I was so afraid of I got

700

00:27:46,430 --> 00:27:43,799

attacked by a Doberman Pinscher when I

701
00:27:48,169 --> 00:27:46,440
was about 10. the German Shepherd

702
00:27:51,529 --> 00:27:48,179
happened when I was five and I'm telling

703
00:27:54,710 --> 00:27:51,539
you right now I was gun shy it could

704
00:27:56,810 --> 00:27:54,720
have been a a little poodle this big I

705
00:27:58,130 --> 00:27:56,820
wanted nothing to do with dogs for for

706
00:28:00,470 --> 00:27:58,140
the longest time

707
00:28:03,110 --> 00:28:00,480
um I had a kind of a knee-jure crash and

708
00:28:04,970 --> 00:28:03,120
particularly big dogs and big dogs

709
00:28:06,649 --> 00:28:04,980
burying their teeth because that

710
00:28:10,909 --> 00:28:06,659
happened right before he lunged after me

711
00:28:12,590 --> 00:28:10,919
but luckily it only really was acute for

712
00:28:14,570 --> 00:28:12,600
maybe five years afterwards and the

713
00:28:16,610 --> 00:28:14,580

adventure got over it uh no it took me

714

00:28:18,950 --> 00:28:16,620

about 20. so

715

00:28:30,830 --> 00:28:18,960

um uh did the crap take off

716

00:28:35,690 --> 00:28:32,210

what a dream state and then in

717

00:28:37,970 --> 00:28:35,700

regression as well but they did uh do

718

00:28:39,950 --> 00:28:37,980

the scoop Mark and do a medical exam

719

00:28:42,470 --> 00:28:39,960

they may have done more with me I'm just

720

00:28:45,169 --> 00:28:42,480

not I just haven't remembered all of it

721

00:28:47,330 --> 00:28:45,179

um because I'm thinking well I had to

722

00:28:49,190 --> 00:28:47,340

you know been gone for hours no I don't

723

00:28:51,890 --> 00:28:49,200

remember it taking off but maybe it did

724

00:28:54,350 --> 00:28:51,900

it was just you know the the what came

725

00:28:56,390 --> 00:28:54,360

up in a dream and then in a regressive

726

00:28:59,149 --> 00:28:56,400

hypnosis later

727

00:29:01,610 --> 00:28:59,159

um was not a lot of detail you know but

728

00:29:04,190 --> 00:29:01,620

it was enough to kind of be clear to me

729

00:29:07,310 --> 00:29:04,200

that that's how I got that scoop Mark

730

00:29:09,590 --> 00:29:07,320

and that that's what accounted for the

731

00:29:11,870 --> 00:29:09,600

missing time that day now I I don't know

732

00:29:21,430 --> 00:29:11,880

if that's an official abduction I think

733

00:29:28,789 --> 00:29:24,409

an amazing experience

734

00:29:30,590 --> 00:29:28,799

um and and what is up with Joshua Tree I

735

00:29:34,430 --> 00:29:30,600

mean you and I have had our sightings

736

00:29:37,250 --> 00:29:34,440

there certainly uh they were tremendous

737

00:29:40,190 --> 00:29:37,260

um you know going back to Van Tassel and

738

00:29:42,110 --> 00:29:40,200

Landers and giant rock I was just out of

739

00:29:44,450 --> 00:29:42,120

giant rock a couple of months ago had

740

00:29:47,269 --> 00:29:44,460

amazing sightings all night long what is

741

00:29:49,250 --> 00:29:47,279

up with Joshua Tree

742

00:29:52,970 --> 00:29:49,260

yeah well um

743

00:29:57,049 --> 00:29:52,980

it is a UFO Hot Spot it's known for that

744

00:30:00,110 --> 00:29:57,059

um that the giant rock area uh is known

745

00:30:03,190 --> 00:30:00,120

as a hot spot has a huge amount of lore

746

00:30:06,049 --> 00:30:03,200

going back to uh what would be like the

747

00:30:10,610 --> 00:30:06,059

1950s contact team moving out there and

748

00:30:14,029 --> 00:30:10,620

and George Van Tassel and uh Etc

749

00:30:16,190 --> 00:30:14,039

um and a damski you have Van Tassel and

750

00:30:19,610 --> 00:30:16,200

adamski in their experiences and then

751

00:30:22,450 --> 00:30:19,620

Van Tassel uh creating the Integratron

752

00:30:26,149 --> 00:30:22,460

building which has the sound resonance

753

00:30:28,310 --> 00:30:26,159

and uh and maybe was supposed to be a

754

00:30:30,409 --> 00:30:28,320

time machine kind of thing but he ended

755

00:30:32,389 --> 00:30:30,419

up dying I think what was still under

756

00:30:34,370 --> 00:30:32,399

construction if I remember correctly no

757

00:30:37,130 --> 00:30:34,380

I haven't he got uh well that's the

758

00:30:39,110 --> 00:30:37,140

Integratron he built a time I met the

759

00:30:41,870 --> 00:30:39,120

integratron yeah yeah but he built a time

760

00:30:44,630 --> 00:30:41,880

machine in in Santa Monica oh okay okay

761

00:30:46,010 --> 00:30:44,640

well so but the Integra time was

762

00:30:48,409 --> 00:30:46,020

supposed to be more and he never

763

00:30:50,450 --> 00:30:48,419

finished it so it never got finished and

764

00:30:53,149 --> 00:30:50,460

but it does House have this incredible

765

00:30:55,130 --> 00:30:53,159

sound resonance so I know now you can go

766

00:30:57,950 --> 00:30:55,140

and tour it and take what they call

767

00:31:00,110 --> 00:30:57,960

these sound baths and you know uh and I

768

00:31:02,029 --> 00:31:00,120

think they play I think probably Crystal

769

00:31:03,710 --> 00:31:02,039

bowls and bells and stuff and then you

770

00:31:05,510 --> 00:31:03,720

were immersed in sound have you ever

771

00:31:07,909 --> 00:31:05,520

done that by the way Jimmy I never have

772

00:31:11,090 --> 00:31:07,919

there yeah I I

773

00:31:14,330 --> 00:31:11,100

um it's a little too even for me uh

774

00:31:16,610 --> 00:31:14,340

Melinda uh who's running it now it's

775

00:31:18,669 --> 00:31:16,620

it's it's it's it's not really my cup of

776

00:31:20,810 --> 00:31:18,679

tea and how they handle stuff

777

00:31:22,730 --> 00:31:20,820

I've never done it either but I know

778

00:31:23,990 --> 00:31:22,740

lots of people that have so and they

779

00:31:25,430 --> 00:31:24,000

said it was a pretty cool you know

780

00:31:27,769 --> 00:31:25,440

experience but

781

00:31:29,930 --> 00:31:27,779

um I've certainly been there around the

782

00:31:31,909 --> 00:31:29,940

outside of the building and then out to

783

00:31:35,110 --> 00:31:31,919

giant rock itself many times but it's

784

00:31:37,970 --> 00:31:35,120

well known in the in the Lord you know

785

00:31:40,549 --> 00:31:37,980

anything that helped me I'm just gonna

786

00:31:42,350 --> 00:31:40,559

show everybody really quick this is

787

00:31:46,250 --> 00:31:42,360

giant rock

788

00:31:48,289 --> 00:31:46,260

um and it's you know what's funny you

789

00:31:51,710 --> 00:31:48,299

can never take a picture of giant rock

790

00:31:56,090 --> 00:31:51,720

that shows you how big this thing is

791

00:31:58,250 --> 00:31:56,100

right it's 7 eight stories tall it takes

792

00:32:01,430 --> 00:31:58,260

like five minutes to walk around the

793

00:32:04,970 --> 00:32:01,440

bottom of it it is just huge but that's

794

00:32:07,970 --> 00:32:04,980

me and uh Billy Carson uh out there uh

795

00:32:09,950 --> 00:32:07,980

last month and and that little black

796

00:32:11,750 --> 00:32:09,960

area right there Melinda didn't mention

797

00:32:14,570 --> 00:32:11,760

this but right there that is where

798

00:32:16,190 --> 00:32:14,580

George fantaso lived

799

00:32:18,470 --> 00:32:16,200

um there's an entrance there it's been

800

00:32:21,830 --> 00:32:18,480

blown up by the park service

801

00:32:24,110 --> 00:32:21,840

um uh and it's filled in but he had a he

802

00:32:26,750 --> 00:32:24,120

had a full-on apartment there yeah I had

803

00:32:29,990 --> 00:32:26,760

been to that that when he had that and

804

00:32:34,070 --> 00:32:30,000

he had a little separate Library thing

805

00:32:36,289 --> 00:32:34,080

too as a kid I remember when we go out

806

00:32:39,350 --> 00:32:36,299

to my grandma's and we'd go out there

807

00:32:41,990 --> 00:32:39,360

and there was an airport there yeah go

808

00:32:44,450 --> 00:32:42,000

there there's no building now but

809

00:32:46,310 --> 00:32:44,460

there's a slab and then the and if you

810

00:32:49,730 --> 00:32:46,320

know where to look you can see remnants

811

00:32:52,010 --> 00:32:49,740

of the old Runway but but they had a

812

00:32:54,769 --> 00:32:52,020

little coffee shop and that's the slab

813

00:32:56,630 --> 00:32:54,779

next to the Rock anyways but as a really

814

00:32:58,850 --> 00:32:56,640

little kid I had been there when that

815

00:33:02,269 --> 00:32:58,860

was a coffee shop and an airport we'd

816

00:33:04,310 --> 00:33:02,279

gone out there and so uh you know I've

817

00:33:07,010 --> 00:33:04,320

been back now as an adult many times but

818

00:33:08,630 --> 00:33:07,020

but uh as a child we we were there when

819

00:33:11,570 --> 00:33:08,640

those things existed

820

00:33:14,269 --> 00:33:11,580

yeah here is uh I'll pop this up really

821

00:33:16,549 --> 00:33:14,279

quick too as well uh because this is

822

00:33:19,130 --> 00:33:16,559

this is smack dab in the middle of

823

00:33:21,169 --> 00:33:19,140

Landers right here this is the

824

00:33:25,669 --> 00:33:21,179

Integratron

825

00:33:28,009 --> 00:33:25,679

um which uh is off in the back yes so

826

00:33:32,630 --> 00:33:28,019

let me that's the Integratron right

827

00:33:35,870 --> 00:33:32,640

there and Van Tassel uh look at Billy's

828

00:33:39,110 --> 00:33:35,880

teeth look at that that guy spends way

829

00:33:42,529 --> 00:33:39,120

too much money why does the building and

830

00:33:45,070 --> 00:33:42,539

um but originally uh there's metal on it

831

00:33:48,889 --> 00:33:45,080

now but when George got his instructions

832

00:33:51,130 --> 00:33:48,899

uh from his E.T brothers and sisters uh

833

00:33:56,090 --> 00:33:51,140

this was to be built without any metal

834

00:33:58,549 --> 00:33:56,100

and the top of its spun and it was it

835

00:34:02,870 --> 00:33:58,559

was uh yeah it was an age regression

836

00:34:05,269 --> 00:34:02,880

machine and and uh it's just incredible

837

00:34:07,490 --> 00:34:05,279

it's beautiful too as well

838

00:34:09,710 --> 00:34:07,500

um you when you see it so that that's

839

00:34:11,389 --> 00:34:09,720

Landers now how close was your

840

00:34:15,829 --> 00:34:11,399

grandmother's house to uh the

841

00:34:15,839 --> 00:34:20,589

ICS

842

00:34:25,849 --> 00:34:23,389

the last time I had been there was

843

00:34:31,129 --> 00:34:28,550

you know like 12 maybe 14 years old you

844

00:34:33,290 --> 00:34:31,139

know the oldest so so uh and then my

845

00:34:36,770 --> 00:34:33,300

grandmother passed away so

846

00:34:39,349 --> 00:34:36,780

um I've gone back in that area trying

847

00:34:42,710 --> 00:34:39,359

to maybe find where it was

848

00:34:45,290 --> 00:34:42,720

um the the family members who knew the

849

00:34:48,470 --> 00:34:45,300

directions aren't with us anymore

850

00:34:49,609 --> 00:34:48,480

um at one time my brother had gone back

851

00:34:50,450 --> 00:34:49,619

out

852

00:34:53,570 --> 00:34:50,460

um

853

00:34:55,730 --> 00:34:53,580

many many years ago but as an adult and

854

00:34:57,770 --> 00:34:55,740

my mom was still living and given the

855

00:35:00,170 --> 00:34:57,780

directions he claims he can't find them

856

00:35:02,170 --> 00:35:00,180

anymore because I would love to find

857

00:35:05,810 --> 00:35:02,180

where her place was

858

00:35:07,250 --> 00:35:05,820

but but I do I think it was a number of

859

00:35:10,310 --> 00:35:07,260

miles away

860

00:35:12,370 --> 00:35:10,320

Melinda let me let me just jump in

861

00:35:15,109 --> 00:35:12,380

um uh is

862

00:35:16,849 --> 00:35:15,119

Landers where you see the Integratron

863

00:35:18,470 --> 00:35:16,859

here this is for everybody so you

864

00:35:21,290 --> 00:35:18,480

understand uh what we're talking about

865

00:35:23,030 --> 00:35:21,300

here you continue on that road you make

866

00:35:26,870 --> 00:35:23,040

a left-hand turn you drive out to giant

867

00:35:30,650 --> 00:35:26,880

rock giant rock in the early 1950s 1950s

868

00:35:34,910 --> 00:35:30,660

1951 George Van Tassel

869

00:35:37,550 --> 00:35:34,920

um had a flying saucer land next to his

870

00:35:39,410 --> 00:35:37,560

Airport runway that he had out there was

871

00:35:41,569 --> 00:35:39,420

a dirt Runway but he had it he had the

872

00:35:45,650 --> 00:35:41,579

lights and everything and and so he was

873

00:35:47,690 --> 00:35:45,660

made made contact and got aboard this

874

00:35:51,170 --> 00:35:47,700

craft and flew around this was one of

875

00:35:52,730 --> 00:35:51,180

the first after Roswell and and the

876

00:35:55,970 --> 00:35:52,740

other things that were going on this was

877

00:35:58,490 --> 00:35:55,980

one of the first uh experiences like

878

00:36:00,770 --> 00:35:58,500

this that that went public and that

879

00:36:03,410 --> 00:36:00,780

happened right there and what so when I

880

00:36:06,430 --> 00:36:03,420

say what's up with Landers you know in

881

00:36:11,210 --> 00:36:06,440

giant rock and you and your experiences

882

00:36:15,470 --> 00:36:11,220

this is a very small area out in the

883

00:36:17,210 --> 00:36:15,480

middle of the desert yes and and for me

884

00:36:20,210 --> 00:36:17,220

to

885

00:36:22,550 --> 00:36:20,220

find out in 89 I'd had those abductions

886

00:36:24,290 --> 00:36:22,560

at my grandmother's Place initially and

887

00:36:26,170 --> 00:36:24,300

some I was living in Palos Verdes

888

00:36:29,150 --> 00:36:26,180

California I had some from there as well

889

00:36:32,210 --> 00:36:29,160

but but it was those initial memories

890

00:36:34,970 --> 00:36:32,220

out there and then years later to learn

891

00:36:36,890 --> 00:36:34,980

about giant rock and the integraton and

892

00:36:40,730 --> 00:36:36,900

everything and knowing that you know now

893

00:36:44,750 --> 00:36:40,740

like I do but years later so I I is just

894

00:36:48,710 --> 00:36:44,760

curious to me like wow you know here I

895

00:36:51,530 --> 00:36:48,720

was having those experiences there and

896

00:36:53,569 --> 00:36:51,540

and at the same time for instance

897

00:36:56,690 --> 00:36:53,579

another friend of mine and her family

898

00:36:59,510 --> 00:36:56,700

were going they have these these these

899

00:37:01,190 --> 00:36:59,520

UFO space conventions out there at giant

900

00:37:02,990 --> 00:37:01,200

rock where they'd have people sit

901
00:37:04,609 --> 00:37:03,000
outside and they'd put up a temporary

902
00:37:08,150 --> 00:37:04,619
stage and you know they have these

903
00:37:10,310 --> 00:37:08,160
outdoor things and uh a friend of mine

904
00:37:11,690 --> 00:37:10,320
who lives here in town it's Jimmy it's

905
00:37:15,470 --> 00:37:11,700
someone you know but anyway so she would

906
00:37:18,589 --> 00:37:15,480
go out there to with her family and um

907
00:37:21,170 --> 00:37:18,599
and like those things were going on at

908
00:37:22,970 --> 00:37:21,180
the same time or roughly you know but

909
00:37:25,370 --> 00:37:22,980
the same years I was having those

910
00:37:28,490 --> 00:37:25,380
experiences at my grandmother's place

911
00:37:31,609 --> 00:37:28,500
not far from there and so my early

912
00:37:34,190 --> 00:37:31,619
abductions are in in that way anyways

913
00:37:36,890 --> 00:37:34,200

directly related to that lore of that

914

00:37:38,630 --> 00:37:36,900

area and at the same time might not in

915

00:37:40,970 --> 00:37:38,640

the 50s granted there was the the stuff

916

00:37:43,430 --> 00:37:40,980

originally in the 50s but what continued

917

00:37:45,290 --> 00:37:43,440

into the 60s and 70s out there which

918

00:37:47,690 --> 00:37:45,300

were the events my friend and her family

919

00:37:50,450 --> 00:37:47,700

were attending so you go okay that was

920

00:37:52,910 --> 00:37:50,460

at the same time period and uh and and

921

00:37:54,349 --> 00:37:52,920

when you go into that little building

922

00:37:57,230 --> 00:37:54,359

that used to be there at the airport

923

00:37:58,609 --> 00:37:57,240

where now there's just a cement slab I

924

00:38:00,890 --> 00:37:58,619

might even know what it ceased to exist

925

00:38:03,050 --> 00:38:00,900

it's probably in the 70s or something a

926

00:38:05,210 --> 00:38:03,060

long time ago anyways but when you would

927

00:38:09,109 --> 00:38:05,220

go in there

928

00:38:11,150 --> 00:38:09,119

I remember that there was like a hallway

929

00:38:12,710 --> 00:38:11,160

maybe from the entrance maybe there was

930

00:38:14,089 --> 00:38:12,720

a hallway before you went to the coffee

931

00:38:16,010 --> 00:38:14,099

shop

932

00:38:16,970 --> 00:38:16,020

um because I remember going to this

933

00:38:19,010 --> 00:38:16,980

hallway and there were all these

934

00:38:21,589 --> 00:38:19,020

pictures on the walls like black and

935

00:38:24,050 --> 00:38:21,599

white like UFO pictures and all the

936

00:38:26,210 --> 00:38:24,060

stuff from my Dancy stuff stuff

937

00:38:28,430 --> 00:38:26,220

and I was a really little kid and I

938

00:38:30,890 --> 00:38:28,440

remember looking at them and going

939

00:38:32,810 --> 00:38:30,900

wow look at this and and my mom's saying

940

00:38:34,430 --> 00:38:32,820

oh that's silly that's not real those

941

00:38:37,130 --> 00:38:34,440

those aren't real and I go what do you

942

00:38:38,870 --> 00:38:37,140

mean there's pictures right here a few

943

00:38:40,310 --> 00:38:38,880

photos of craft and there's people and

944

00:38:42,230 --> 00:38:40,320

you know what do you mean this isn't

945

00:38:43,910 --> 00:38:42,240

real that's a photo there's an object

946

00:38:46,970 --> 00:38:43,920

there's people there's you know what I

947

00:38:49,130 --> 00:38:46,980

mean I guess it was a little kid I I

948

00:38:50,690 --> 00:38:49,140

laugh about it now but as a little kid

949

00:38:52,250 --> 00:38:50,700

I'm looking at these pictures going well

950

00:38:54,589 --> 00:38:52,260

I knew there was something about that

951
00:38:56,750 --> 00:38:54,599
that I knew or believed that to be real

952
00:38:58,849 --> 00:38:56,760
and yet my mom was like oh that's just

953
00:39:00,109 --> 00:38:58,859
silly that's not real you know and I

954
00:39:01,910 --> 00:39:00,119
think about that now I was thinking

955
00:39:04,310 --> 00:39:01,920
about that knowing we'd be talking about

956
00:39:05,510 --> 00:39:04,320
some of this today I was like God I used

957
00:39:07,250 --> 00:39:05,520
to see those pictures in that hallway

958
00:39:09,770 --> 00:39:07,260
and I was a little kid like arguing with

959
00:39:12,589 --> 00:39:09,780
my mom like a part of me knew it was

960
00:39:16,030 --> 00:39:12,599
real you know and yet my whole journey

961
00:39:20,630 --> 00:39:16,040
didn't start until September of 1989.

962
00:39:23,990 --> 00:39:20,640
and here is uh here's another part uh to

963
00:39:27,109 --> 00:39:24,000

Melinda and I and and her connection

964

00:39:31,130 --> 00:39:27,119

um the Green Chrome balls you know that

965

00:39:35,930 --> 00:39:31,140

that siding that was with Melinda and

966

00:39:37,810 --> 00:39:35,940

that night which was Ben Joshua tree

967

00:39:41,450 --> 00:39:37,820

right

968

00:39:42,890 --> 00:39:41,460

and uh and and I I told that story so

969

00:39:45,530 --> 00:39:42,900

often I brought you on Coast to Coast

970

00:39:47,990 --> 00:39:45,540

immediately too as well to uh to talk

971

00:39:50,990 --> 00:39:48,000

about all of that and

972

00:39:56,210 --> 00:39:51,000

um if if we think about it now and I and

973

00:39:57,349 --> 00:39:56,220

I do Melinda that exciting was to the

974

00:39:59,270 --> 00:39:57,359

north

975

00:40:01,370 --> 00:39:59,280

right the Green Chrome ball going across

976

00:40:03,650 --> 00:40:01,380

and then going up that's that's over

977

00:40:06,069 --> 00:40:03,660

Landers that'd be over that area yeah

978

00:40:08,270 --> 00:40:06,079

that's that's over that area

979

00:40:08,930 --> 00:40:08,280

giant rock in the distance I mean we

980

00:40:13,849 --> 00:40:08,940

were

981

00:40:16,910 --> 00:40:13,859

on the border with Yucca Valley at the

982

00:40:19,550 --> 00:40:16,920

uh Center where the uh contact the

983

00:40:21,589 --> 00:40:19,560

desert conference Houston originally

984

00:40:23,210 --> 00:40:21,599

happened and but you're right when

985

00:40:25,550 --> 00:40:23,220

you're looking the hills that direction

986

00:40:27,829 --> 00:40:25,560

you're kind of looking straight out that

987

00:40:29,870 --> 00:40:27,839

way sure yeah yeah there's something

988

00:40:31,609 --> 00:40:29,880

special going on and I think the

989

00:40:33,349 --> 00:40:31,619

indigenous culture is new I think

990

00:40:36,050 --> 00:40:33,359

there's a lot of spirituality that's

991

00:40:37,670 --> 00:40:36,060

happening out there too as well and yeah

992

00:40:39,710 --> 00:40:37,680

even the splitting of the rock there was

993

00:40:43,490 --> 00:40:39,720

a Native American prophecy that that

994

00:40:45,170 --> 00:40:43,500

would happen and then it was channeled I

995

00:40:47,990 --> 00:40:45,180

know someone who is present at the event

996

00:40:50,210 --> 00:40:48,000

that happened out there when that was

997

00:40:51,890 --> 00:40:50,220

channeled that that was going to happen

998

00:40:53,690 --> 00:40:51,900

and there was or when it would happen

999

00:40:56,569 --> 00:40:53,700

and there was a Native American prophecy

1000

00:40:59,390 --> 00:40:56,579

and and then it happened so it all

1001
00:41:02,630 --> 00:40:59,400
fulfilled that exactly when they because

1002
00:41:04,310 --> 00:41:02,640
giant rock got split about a just a big

1003
00:41:06,950 --> 00:41:04,320
piece of it about a third of it or less

1004
00:41:08,750 --> 00:41:06,960
but it's a big challenge

1005
00:41:10,670 --> 00:41:08,760
yeah less than half but about a third of

1006
00:41:12,710 --> 00:41:10,680
it third of it caved off it's still

1007
00:41:15,950 --> 00:41:12,720
there the piece is there but it just it

1008
00:41:18,050 --> 00:41:15,960
split and uh but again the Native

1009
00:41:20,150 --> 00:41:18,060
Americans said that would happen it was

1010
00:41:21,470 --> 00:41:20,160
a significant prophecy and then it was

1011
00:41:23,569 --> 00:41:21,480
channeled when it would happen and

1012
00:41:25,490 --> 00:41:23,579
that's exactly when it happened so it's

1013
00:41:28,609 --> 00:41:25,500

kind of very very unique story about

1014

00:41:31,190 --> 00:41:28,619

that okay so uh five years old 12 years

1015

00:41:34,370 --> 00:41:31,200

old 1989

1016

00:41:37,910 --> 00:41:34,380

um area 51. and then like in there too

1017

00:41:39,410 --> 00:41:37,920

as another experience of driving with my

1018

00:41:40,370 --> 00:41:39,420

family

1019

00:41:42,470 --> 00:41:40,380

um

1020

00:41:43,790 --> 00:41:42,480

having a significant period of missing

1021

00:41:47,150 --> 00:41:43,800

time being

1022

00:41:49,010 --> 00:41:47,160

um my my dad and my older two sisters

1023

00:41:51,410 --> 00:41:49,020

I'm the youngest of five we're going to

1024

00:41:53,270 --> 00:41:51,420

come out to my grandmother's later like

1025

00:41:57,230 --> 00:41:53,280

my dad had to work my sister's had stuff

1026

00:41:59,270 --> 00:41:57,240

going on but my mom and my brother my

1027

00:42:01,790 --> 00:41:59,280

sister Nancy and me so three of us and

1028

00:42:04,190 --> 00:42:01,800

my mom were going to go out early

1029

00:42:05,450 --> 00:42:04,200

and we were supposed to be there

1030

00:42:08,810 --> 00:42:05,460

um

1031

00:42:11,410 --> 00:42:08,820

at least two or three hours ahead of of

1032

00:42:16,130 --> 00:42:11,420

my dad and my older sisters

1033

00:42:18,290 --> 00:42:16,140

and we drove out there and we

1034

00:42:21,710 --> 00:42:18,300

drove during the afternoon but we ran

1035

00:42:25,490 --> 00:42:21,720

out of gas and it might defel us it was

1036

00:42:28,069 --> 00:42:25,500

like right at dust we ran out of gas and

1037

00:42:29,810 --> 00:42:28,079

um my mom knew that we were very close

1038

00:42:31,970 --> 00:42:29,820

we're right outside of Yucca Valley

1039

00:42:33,530 --> 00:42:31,980

right outside of town and so she said my

1040

00:42:35,390 --> 00:42:33,540

brother who was the oldest of his three

1041

00:42:38,030 --> 00:42:35,400

and I'm thinking at that time because

1042

00:42:41,089 --> 00:42:38,040

this is when my brother was I think

1043

00:42:44,569 --> 00:42:41,099

about 12 and I was probably eight let's

1044

00:42:47,810 --> 00:42:44,579

say okay so and then my sister would be

1045

00:42:50,870 --> 00:42:47,820

right between us and age and uh and so

1046

00:42:52,490 --> 00:42:50,880

she sent my brother out she said I know

1047

00:42:53,990 --> 00:42:52,500

we're only like less than a mile from

1048

00:42:56,030 --> 00:42:54,000

the gas station

1049

00:42:57,530 --> 00:42:56,040

walk over there you know it's early in

1050

00:42:59,270 --> 00:42:57,540

the evening they'll be open walk there

1051

00:43:03,130 --> 00:42:59,280

and tell them what happened

1052

00:43:05,809 --> 00:43:03,140

and we're out of gas okay and then

1053

00:43:08,809 --> 00:43:05,819

semi trucks kept passing us eventually a

1054

00:43:11,750 --> 00:43:08,819

semi truck uh saw us apparently passed

1055

00:43:14,030 --> 00:43:11,760

us on my brother picked him up took him

1056

00:43:16,370 --> 00:43:14,040

to the gas station I missed was the you

1057

00:43:18,849 --> 00:43:16,380

know 70s folks you know early stuff like

1058

00:43:22,010 --> 00:43:18,859

that really did happen yeah yeah I mean

1059

00:43:23,630 --> 00:43:22,020

even now that could happen being that

1060

00:43:26,329 --> 00:43:23,640

close and you know sending out the

1061

00:43:27,530 --> 00:43:26,339

brother okay but so the guy in the truck

1062

00:43:30,230 --> 00:43:27,540

picked him up took him the gas station

1063

00:43:31,790 --> 00:43:30,240

got a can of gas came back and this

1064

00:43:34,609 --> 00:43:31,800

truck pulls up behind us my mom's

1065

00:43:36,530 --> 00:43:34,619

nervous first brief second and out jumps

1066

00:43:38,690 --> 00:43:36,540

my brother and the driver and you know

1067

00:43:40,430 --> 00:43:38,700

and he says is this yours you know I'm

1068

00:43:43,069 --> 00:43:40,440

fighting at my brother okay yeah anyway

1069

00:43:45,589 --> 00:43:43,079

so it puts the gas in the car and so

1070

00:43:48,890 --> 00:43:45,599

that none of that took that long you

1071

00:43:51,290 --> 00:43:48,900

know again a sense of time yeah it had

1072

00:43:52,370 --> 00:43:51,300

gotten dark but we figured it's like you

1073

00:43:54,470 --> 00:43:52,380

know

1074

00:43:56,390 --> 00:43:54,480

maybe an hour total from when we let

1075

00:43:58,910 --> 00:43:56,400

from when you know we sat there for a

1076

00:44:01,250 --> 00:43:58,920

while and then my mom eventually said my

1077

00:44:03,290 --> 00:44:01,260

brother and then the guy gets them and

1078

00:44:07,130 --> 00:44:03,300

you know so it all again like less than

1079

00:44:09,950 --> 00:44:07,140

an hour we get out to my grandmother's

1080

00:44:12,290 --> 00:44:09,960

we get to her house my dad and my

1081

00:44:14,990 --> 00:44:12,300

sisters are already there

1082

00:44:17,089 --> 00:44:15,000

which makes no sense

1083

00:44:18,290 --> 00:44:17,099

and the sheriff's there

1084

00:44:21,170 --> 00:44:18,300

I think two sheriffs I remember

1085

00:44:23,809 --> 00:44:21,180

correctly and my dad is really Furious

1086

00:44:26,630 --> 00:44:23,819

where have you been what's happened

1087

00:44:29,150 --> 00:44:26,640

and she said we ran out of gas but this

1088

00:44:31,910 --> 00:44:29,160

this argument happened like well what

1089

00:44:34,190 --> 00:44:31,920

took you all night and she's like what

1090

00:44:35,690 --> 00:44:34,200

it can only be an hour later you and

1091

00:44:37,190 --> 00:44:35,700

then thinking well you guys must have

1092

00:44:39,829 --> 00:44:37,200

left earlier than you said you were

1093

00:44:41,870 --> 00:44:39,839

going to he said no just the opposite we

1094

00:44:43,910 --> 00:44:41,880

left later

1095

00:44:46,430 --> 00:44:43,920

so there's how did he get there before

1096

00:44:49,370 --> 00:44:46,440

us and I remember all this arguing and

1097

00:44:50,990 --> 00:44:49,380

then and then the the the sheriff and

1098

00:44:53,569 --> 00:44:51,000

what had happened is

1099

00:44:56,510 --> 00:44:53,579

it had been many hours

1100

00:44:59,809 --> 00:44:56,520

again it's like it's like midnight okay

1101

00:45:02,630 --> 00:44:59,819

well we had missing time get this

1102

00:45:04,309 --> 00:45:02,640

when we didn't show up they got panicked

1103

00:45:06,770 --> 00:45:04,319

they called the sheriff

1104

00:45:08,930 --> 00:45:06,780

sheriffs drove up and down that section

1105

00:45:12,609 --> 00:45:08,940

of highway it's a little two-lane road

1106

00:45:14,750 --> 00:45:12,619

going into town at that time still is

1107

00:45:18,050 --> 00:45:14,760

what would have been a little freeway

1108

00:45:21,770 --> 00:45:18,060

you know going into Yucca Valley and and

1109

00:45:24,050 --> 00:45:21,780

the sheriff went up and down that road

1110

00:45:25,490 --> 00:45:24,060

looking for art because we had a big

1111

00:45:28,309 --> 00:45:25,500

station wagon that I was in with my mom

1112

00:45:30,950 --> 00:45:28,319

they didn't even see the car

1113

00:45:33,050 --> 00:45:30,960

they were shining searchlights in the

1114

00:45:34,670 --> 00:45:33,060

ditches thinking we had gotten an

1115

00:45:36,290 --> 00:45:34,680

accident or something and we're down in

1116

00:45:38,870 --> 00:45:36,300

one of the ditches on the side you know

1117

00:45:40,430 --> 00:45:38,880

and so they were looking every place to

1118

00:45:41,870 --> 00:45:40,440

see if they could find our car and they

1119

00:45:45,050 --> 00:45:41,880

drove up and down

1120

00:45:46,609 --> 00:45:45,060

and she said we were in the car on the

1121

00:45:48,890 --> 00:45:46,619

side of the road and this is the sheriff

1122

00:45:51,050 --> 00:45:48,900

saying we looked for you

1123

00:45:52,910 --> 00:45:51,060

your car was never there

1124

00:45:54,890 --> 00:45:52,920

on the section road just outside down

1125

00:45:56,390 --> 00:45:54,900

where you say you were we looked there

1126

00:45:58,670 --> 00:45:56,400

we drove up and down

1127

00:46:00,410 --> 00:45:58,680

and we never saw your car so not only

1128

00:46:02,630 --> 00:46:00,420

did we have significant missing time

1129

00:46:04,370 --> 00:46:02,640

that my dad and the sisters who should

1130

00:46:06,710 --> 00:46:04,380

have gotten out there three hours later

1131

00:46:08,809 --> 00:46:06,720

than us got out there before before us

1132

00:46:10,670 --> 00:46:08,819

right but on top of it we show up at

1133

00:46:12,650 --> 00:46:10,680

like midnight the sheriff's sitting

1134

00:46:14,390 --> 00:46:12,660

there after 11 anyways I remember them

1135

00:46:16,849 --> 00:46:14,400

saying it's midnight or almost midnight

1136

00:46:19,849 --> 00:46:16,859

or something like that and then and this

1137

00:46:21,589 --> 00:46:19,859

whole thing about we we looked for you

1138

00:46:26,150 --> 00:46:21,599

we didn't even see your car

1139

00:46:31,250 --> 00:46:28,450

Jimmy okay Melinda

1140

00:46:33,109 --> 00:46:31,260

I can't hear you okay I can hear you

1141

00:46:36,050 --> 00:46:33,119

just fine

1142

00:46:39,650 --> 00:46:36,060

so I don't know what the issue is

1143

00:46:41,930 --> 00:46:39,660

okay so Jimmy I can't hear you okay

1144

00:46:44,630 --> 00:46:41,940

Melinda I know it's something on your

1145

00:46:51,230 --> 00:46:44,640

end it's not over here

1146

00:46:54,109 --> 00:46:51,240

okay what do we do what do we do Jimmy I

1147

00:46:56,450 --> 00:46:54,119

can't hear you okay Melinda it's you I

1148

00:47:00,950 --> 00:46:56,460

haven't touched anything

1149

00:47:05,150 --> 00:47:00,960

I can't hear you I I know I can't hear

1150

00:47:07,250 --> 00:47:05,160

you okay all right uh let's uh let's

1151
00:47:09,170 --> 00:47:07,260
take a break then let's uh go ahead and

1152
00:47:13,730 --> 00:47:09,180
take a break and we'll be right back and

1153
00:47:16,490 --> 00:47:13,740
maybe uh we can get Melinda to fix her

1154
00:47:19,550 --> 00:47:16,500
situation this is Fade to Black

1155
00:47:22,010 --> 00:47:19,560
see the hum just went away

1156
00:47:23,930 --> 00:47:22,020
more with Melinda right after this

1157
00:47:26,210 --> 00:47:23,940
this is Jimmy Church of Fade to Black

1158
00:47:28,430 --> 00:47:26,220
please visit all of our sponsors we're

1159
00:47:30,170 --> 00:47:28,440
taking a quick break here all of the

1160
00:47:33,230 --> 00:47:30,180
links are below

1161
00:47:35,510 --> 00:47:33,240
and we'll be right back

1162
00:47:36,490 --> 00:47:35,520
check out Billy Carson's Forbidden

1163
00:47:38,589 --> 00:47:36,500

Knowledge

1164

00:47:40,609 --> 00:47:38,599

forbiddenknowledge.com or

1165

00:47:44,510 --> 00:47:40,619

forbiddenknowledge.tv where you can get

1166

00:47:47,030 --> 00:47:44,520

access to over 6 000 videos movies TV

1167

00:47:49,010 --> 00:47:47,040

series exclusive documentaries like the

1168

00:47:50,530 --> 00:47:49,020

Black Knight satellite you can do it all

1169

00:47:53,930 --> 00:47:50,540

for just

1170

00:47:56,390 --> 00:47:53,940

7.77 per month for seventy seven dollars

1171

00:47:58,490 --> 00:47:56,400

per year after the three-day trial which

1172

00:48:01,250 --> 00:47:58,500

is also totally free to check out it's

1173

00:48:03,130 --> 00:48:01,260

all simple to do Billy Carson is the

1174

00:48:04,790 --> 00:48:03,140

best it's simple

1175

00:48:07,490 --> 00:48:04,800

forbiddenknowledge.com or

1176

00:48:11,750 --> 00:48:07,500

forbiddenknowledge dot TV that's the

1177

00:48:16,130 --> 00:48:13,730

I will be hosting an emceeing the

1178

00:48:18,710 --> 00:48:16,140

conscious life Expo this February 10th

1179

00:48:21,650 --> 00:48:18,720

through the 13th at The Lax Hilton right

1180

00:48:23,809 --> 00:48:21,660

here in Los Angeles California 200

1181

00:48:25,849 --> 00:48:23,819

speakers including Linda Moulton Howe

1182

00:48:28,490 --> 00:48:25,859

Bashar Deborah King George Nori Daniel

1183

00:48:32,329 --> 00:48:28,500

Sheehan Scott Walter Johnstone and David

1184

00:48:36,410 --> 00:48:32,339

Wolfe over 200 vendors special events

1185

00:48:38,750 --> 00:48:36,420

this is the biggest event of its kind on

1186

00:48:41,230 --> 00:48:38,760

planet Earth you've got to come and hang

1187

00:48:43,190 --> 00:48:41,240

out with all of us tickets and info at

1188

00:48:44,630 --> 00:48:43,200

consciouslifeexpo.com the links are

1189

00:48:48,050 --> 00:48:44,640

below

1190

00:48:51,170 --> 00:48:48,060

on Saturday April 1st that's right April

1191

00:48:53,390 --> 00:48:51,180

Fool's Day 2023 I will be hosting the

1192

00:48:56,870 --> 00:48:53,400

peripod festival at the Hyatt Regency

1193

00:48:59,390 --> 00:48:56,880

right here in Valencia California it's a

1194

00:49:02,390 --> 00:48:59,400

live one-day podcast Awards it's a film

1195

00:49:04,490 --> 00:49:02,400

festival it's a full-on media event

1196

00:49:06,290 --> 00:49:04,500

we're going to have Sky watching it's

1197

00:49:09,109 --> 00:49:06,300

going to be a Lifetime Achievement Award

1198

00:49:11,089 --> 00:49:09,119

presented to Linda Moulton Howe right

1199

00:49:13,130 --> 00:49:11,099

now you can submit your podcast to your

1200

00:49:15,890 --> 00:49:13,140

film your TV series any of your

1201
00:49:17,809 --> 00:49:15,900
paranormal media for consideration you

1202
00:49:21,010 --> 00:49:17,819
can do all of that on the links below

1203
00:49:22,970 --> 00:49:21,020
for info and tickets go to

1204
00:49:25,990 --> 00:49:22,980
parapodfilmfest.com that's

1205
00:49:31,670 --> 00:49:30,050
April 7th through the 14th 2023 I'll be

1206
00:49:34,609 --> 00:49:31,680
hosting and presenting on the hidden

1207
00:49:37,250 --> 00:49:34,619
secrets seminar at Sea cruise from Los

1208
00:49:39,589 --> 00:49:37,260
Angeles to the Mexican Riviera I'm the

1209
00:49:42,170 --> 00:49:39,599
Navigator of the Seas that's right up

1210
00:49:43,849 --> 00:49:42,180
top a giant water slide you've got to

1211
00:49:45,770 --> 00:49:43,859
check out the Navigator of the Seas it's

1212
00:49:48,109 --> 00:49:45,780
amazing we've got Scott Walter Adam

1213
00:49:50,990 --> 00:49:48,119

Apollo Nick Pope Brad Olson Vivian

1214

00:49:53,329 --> 00:49:51,000

chauve Jason shirka Robert Grant Reuben

1215

00:49:55,670 --> 00:49:53,339

Langdon and another 12 amazing speakers

1216

00:49:57,069 --> 00:49:55,680

and presenters it's all simple to do

1217

00:49:59,510 --> 00:49:57,079

just visit

1218

00:50:03,230 --> 00:49:59,520

divinetravels.com forward slash hidden

1219

00:50:05,510 --> 00:50:03,240

secrets 2023 you know you want to go on

1220

00:50:08,930 --> 00:50:05,520

a cruise with me

1221

00:50:11,750 --> 00:50:08,940

River Moon coffee makers of the Fade to

1222

00:50:13,569 --> 00:50:11,760

Black blend truly the best coffee on

1223

00:50:15,890 --> 00:50:13,579

planet Earth just visit

1224

00:50:17,690 --> 00:50:15,900

rivermoonwellness.com or their Amazon

1225

00:50:19,130 --> 00:50:17,700

store it's all simple to do you can

1226

00:50:21,230 --> 00:50:19,140

check out the Fade to Black blend the

1227

00:50:23,870 --> 00:50:21,240

game changer Blend or any of their black

1228

00:50:27,650 --> 00:50:23,880

moon wellness products it's the only

1229

00:50:34,130 --> 00:50:27,660

coffee I drink it is the best and it's

1230

00:50:39,109 --> 00:50:36,950

all right Welcome Back Fade to Black I

1231

00:50:42,410 --> 00:50:39,119

am your host Jimmy Church it looks like

1232

00:50:45,890 --> 00:50:42,420

uh Melinda give me the thumbs up

1233

00:50:49,430 --> 00:50:45,900

do we have thumbs up here are we thumbs

1234

00:50:52,370 --> 00:50:49,440

up yeah we are all right okay so oh gosh

1235

00:50:57,670 --> 00:50:52,380

but I can't hear you oh no

1236

00:51:00,829 --> 00:50:57,680

oh what is going on I can't hear okay uh

1237

00:51:02,829 --> 00:51:00,839

Jim I can't hear you I don't know what

1238

00:51:09,890 --> 00:51:02,839

to do

1239

00:51:11,930 --> 00:51:09,900

Melinda uh you need to give me the

1240

00:51:14,450 --> 00:51:11,940

thumbs up she gave me thumbs up and then

1241

00:51:16,609 --> 00:51:14,460

it went away

1242

00:51:19,970 --> 00:51:16,619

um we're talking about uh Landers uh

1243

00:51:21,490 --> 00:51:19,980

California Joshua tree and uh Melinda's

1244

00:51:24,589 --> 00:51:21,500

start with everything

1245

00:51:28,849 --> 00:51:24,599

when uh she

1246

00:51:30,890 --> 00:51:28,859

uh went out to Area 51 in 1989 and uh

1247

00:51:34,190 --> 00:51:30,900

did a few trips out there

1248

00:51:37,190 --> 00:51:34,200

and uh you know to the Black Mailbox and

1249

00:51:41,930 --> 00:51:37,200

then started to have recall of these

1250

00:51:44,569 --> 00:51:41,940

events when she was a child and uh now

1251

00:51:48,849 --> 00:51:44,579

uh Melinda's resetting everything so

1252

00:51:54,170 --> 00:51:48,859

we'll see if uh if we get her back and

1253

00:51:57,710 --> 00:51:54,180

and uh yeah yeah hate to cut the show uh

1254

00:51:59,809 --> 00:51:57,720

short tonight but uh you know it uh it

1255

00:52:01,190 --> 00:51:59,819

is what it is and uh we'll see if we get

1256

00:52:04,630 --> 00:52:01,200

Melinda back

1257

00:52:11,270 --> 00:52:08,870

Joshua Tree I've never not had an

1258

00:52:13,609 --> 00:52:11,280

experience out there

1259

00:52:14,990 --> 00:52:13,619

um I was just out there with Billy

1260

00:52:17,710 --> 00:52:15,000

Carson we went out there with some

1261

00:52:20,450 --> 00:52:17,720

friends and went out to giant rock

1262

00:52:22,069 --> 00:52:20,460

and the sightings that we had that night

1263

00:52:23,750 --> 00:52:22,079

it was just it was just absolutely

1264

00:52:26,750 --> 00:52:23,760

incredible we took the Jeep and and

1265

00:52:28,490 --> 00:52:26,760

parked it up on top of this hill and uh

1266

00:52:30,829 --> 00:52:28,500

that was pretty treacherous and we got

1267

00:52:32,470 --> 00:52:30,839

up there you know set up and oh Melinda

1268

00:52:36,349 --> 00:52:32,480

says

1269

00:52:37,910 --> 00:52:36,359

thumbs up okay I can hear you now okay

1270

00:52:39,470 --> 00:52:37,920

good I thought that was weird I lost

1271

00:52:42,109 --> 00:52:39,480

sound for a while I couldn't hear you

1272

00:52:45,290 --> 00:52:42,119

sorry everybody just Gremlins ghost in

1273

00:52:47,150 --> 00:52:45,300

the machine yeah it is it is okay so uh

1274

00:52:51,589 --> 00:52:47,160

what I was asking

1275

00:52:56,030 --> 00:52:51,599

uh going back so your mom your brother

1276

00:52:57,410 --> 00:52:56,040

uh there was three of you and and the uh

1277

00:53:00,849 --> 00:52:57,420

your sister

1278

00:53:04,609 --> 00:53:00,859

um they all are are you suggesting

1279

00:53:06,770 --> 00:53:04,619

on the car everybody got abducted yeah

1280

00:53:09,470 --> 00:53:06,780

they took they had to take all of us on

1281

00:53:11,150 --> 00:53:09,480

the car are for us to show up after my

1282

00:53:13,370 --> 00:53:11,160

dad my sisters were already out there

1283

00:53:15,710 --> 00:53:13,380

right close to midnight when we were

1284

00:53:17,329 --> 00:53:15,720

supposed to be out there you know like

1285

00:53:18,890 --> 00:53:17,339

probably like

1286

00:53:20,569 --> 00:53:18,900

six or something you know we were

1287

00:53:23,030 --> 00:53:20,579

supposed to be out there either before

1288

00:53:25,549 --> 00:53:23,040

it got dark or shortly thereafter and

1289

00:53:27,290 --> 00:53:25,559

they get their hours ahead of us and

1290

00:53:30,010 --> 00:53:27,300

enough to call the sheriff and send them

1291

00:53:32,630 --> 00:53:30,020

looking for us yeah I mean I you know

1292

00:53:35,630 --> 00:53:32,640

obviously something happened there and I

1293

00:53:38,150 --> 00:53:35,640

don't recall what happened okay so you

1294

00:53:41,870 --> 00:53:38,160

didn't have the same dream sequence uh

1295

00:53:43,309 --> 00:53:41,880

I'm just saying that later I realized I

1296

00:53:45,349 --> 00:53:43,319

was thinking

1297

00:53:47,809 --> 00:53:45,359

years later I realized thinking about

1298

00:53:49,309 --> 00:53:47,819

this whole event and then going wait a

1299

00:53:51,890 --> 00:53:49,319

second that had to have been an

1300

00:53:55,370 --> 00:53:51,900

abduction with my family and then there

1301
00:53:58,309 --> 00:53:55,380
was times as teenagers I as a child I

1302
00:54:00,230 --> 00:53:58,319
grew up skiing with my family and we

1303
00:54:02,809 --> 00:54:00,240
would friends of my parents had a house

1304
00:54:05,750 --> 00:54:02,819
a very nice large house in Mammoth

1305
00:54:08,510 --> 00:54:05,760
Mountain California and we would go stay

1306
00:54:10,069 --> 00:54:08,520
there I did quite a bit of skiing uh at

1307
00:54:13,010 --> 00:54:10,079
Mammoth as a kid

1308
00:54:16,549 --> 00:54:13,020
and there was an experience of my sister

1309
00:54:17,690 --> 00:54:16,559
and I being in um this one bedroom

1310
00:54:20,630 --> 00:54:17,700
together

1311
00:54:23,870 --> 00:54:20,640
that I now know is like two and a half

1312
00:54:27,890 --> 00:54:23,880
stories up it's a full more than two you

1313
00:54:31,730 --> 00:54:27,900

know tall stories up and I there was

1314

00:54:32,809 --> 00:54:31,740

experience of being woken early in the

1315

00:54:36,530 --> 00:54:32,819

morning or in the middle of night maybe

1316

00:54:38,329 --> 00:54:36,540

even by my sister and her

1317

00:54:40,069 --> 00:54:38,339

saying there was a bear outside the

1318

00:54:41,569 --> 00:54:40,079

window looking in and that we were

1319

00:54:42,950 --> 00:54:41,579

looking at this bear looking in the

1320

00:54:45,710 --> 00:54:42,960

window

1321

00:54:48,530 --> 00:54:45,720

and she was screaming and freaked out

1322

00:54:51,109 --> 00:54:48,540

well years later as an adult I did go

1323

00:54:52,730 --> 00:54:51,119

back to that house and that's when I

1324

00:54:54,829 --> 00:54:52,740

realized this is a two-story window

1325

00:54:56,089 --> 00:54:54,839

there's Boulders outside right there

1326

00:54:59,750 --> 00:54:56,099

piled up that have always been there

1327

00:55:02,690 --> 00:54:59,760

like the house is built in to a stack of

1328

00:55:05,569 --> 00:55:02,700

Boulders and solid you know uh Ground

1329

00:55:07,069 --> 00:55:05,579

And so there's was never a tree or

1330

00:55:09,710 --> 00:55:07,079

anything that a bear could have been in

1331

00:55:13,010 --> 00:55:09,720

you know I mean nothing there's giant

1332

00:55:15,650 --> 00:55:13,020

land there and no roots or any you know

1333

00:55:17,329 --> 00:55:15,660

resemblance there ever being a tree in

1334

00:55:18,829 --> 00:55:17,339

that corner anywhere near that corner of

1335

00:55:21,290 --> 00:55:18,839

the building there are other trees

1336

00:55:23,750 --> 00:55:21,300

around but not there and you go wait

1337

00:55:26,089 --> 00:55:23,760

there was never a tree though that house

1338

00:55:28,910 --> 00:55:26,099

was built into those rocks

1339

00:55:31,609 --> 00:55:28,920

and yet so what we thought was a bear

1340

00:55:33,109 --> 00:55:31,619

staring at the window that's often a

1341

00:55:34,609 --> 00:55:33,119

common thing this thing about an animal

1342

00:55:36,589 --> 00:55:34,619

staring in the windows common in

1343

00:55:39,190 --> 00:55:36,599

abductions as what's called screen

1344

00:55:41,750 --> 00:55:39,200

memory and I'm thinking my sister

1345

00:55:43,370 --> 00:55:41,760

yelling and screaming and US waking up

1346

00:55:45,309 --> 00:55:43,380

and my parents had to rush in the room

1347

00:55:49,250 --> 00:55:45,319

you know I'm thinking that was probably

1348

00:55:51,170 --> 00:55:49,260

an experience then too because there's

1349

00:55:54,109 --> 00:55:51,180

no animal looking in the window that's

1350

00:55:57,470 --> 00:55:54,119

impossible there and yet we both saw it

1351
00:55:59,150 --> 00:55:57,480
you know and and and I I grew up sharing

1352
00:56:01,370 --> 00:55:59,160
a room with my sister I have a few other

1353
00:56:03,890 --> 00:56:01,380
times where I think my sister and I

1354
00:56:05,690 --> 00:56:03,900
might have had stuff happen

1355
00:56:07,490 --> 00:56:05,700
um so I go back to this you know

1356
00:56:10,790 --> 00:56:07,500
childhood stuff

1357
00:56:12,230 --> 00:56:10,800
and then all of a sudden still in 89

1358
00:56:14,990 --> 00:56:12,240
after

1359
00:56:17,450 --> 00:56:15,000
surfacing in dreams and memories and my

1360
00:56:19,609 --> 00:56:17,460
remembering past things I suddenly

1361
00:56:21,470 --> 00:56:19,619
haven't experience I have a bunch of

1362
00:56:24,470 --> 00:56:21,480
back-to-back experiences that were

1363
00:56:26,569 --> 00:56:24,480

current and new but one of those

1364

00:56:28,309 --> 00:56:26,579

I had a roommate I had two roommates at

1365

00:56:30,470 --> 00:56:28,319

the time Scott and Gail Scott was out of

1366

00:56:34,130 --> 00:56:30,480

town on business we had a two-story

1367

00:56:35,510 --> 00:56:34,140

townhouse in Tustin California and right

1368

00:56:37,370 --> 00:56:35,520

near where the since you know the area

1369

00:56:39,290 --> 00:56:37,380

Jimmy were the five and the 55 meet

1370

00:56:40,490 --> 00:56:39,300

right there okay

1371

00:56:42,410 --> 00:56:40,500

and

1372

00:56:44,150 --> 00:56:42,420

Scott's out of town

1373

00:56:45,710 --> 00:56:44,160

my roommate Gail's going through a

1374

00:56:48,109 --> 00:56:45,720

divorce her and I have this late night

1375

00:56:50,030 --> 00:56:48,119

conversation about the stress she's

1376

00:56:52,309 --> 00:56:50,040

going through and stuff with her divorce

1377

00:56:54,470 --> 00:56:52,319

separation from her husband

1378

00:56:56,569 --> 00:56:54,480

I um

1379

00:56:58,970 --> 00:56:56,579

go to bed I was an office manager at the

1380

00:57:00,770 --> 00:56:58,980

time I had to get up early for work the

1381

00:57:01,910 --> 00:57:00,780

next day and I had a deadline so I

1382

00:57:04,549 --> 00:57:01,920

really wanted to get him work a little

1383

00:57:05,809 --> 00:57:04,559

early and a deadline on a project that I

1384

00:57:09,410 --> 00:57:05,819

was working on

1385

00:57:11,270 --> 00:57:09,420

as an office manager and so we were

1386

00:57:14,270 --> 00:57:11,280

talking and I said I got to go to bed at

1387

00:57:16,430 --> 00:57:14,280

10 because I got to get up at 6 30 and

1388

00:57:18,710 --> 00:57:16,440

you know go into work

1389

00:57:20,329 --> 00:57:18,720

and ice and or even my alarm was gonna

1390

00:57:22,130 --> 00:57:20,339

go off at six so I want to get to bed by

1391

00:57:23,569 --> 00:57:22,140

ten so I have eight hours sleep well we

1392

00:57:25,010 --> 00:57:23,579

end up talking until midnight and I was

1393

00:57:26,630 --> 00:57:25,020

so bummed because I'm like oh man I'm

1394

00:57:29,630 --> 00:57:26,640

only gonna get six hours of sleep if I

1395

00:57:32,270 --> 00:57:29,640

get to bed right away so I sat on my bed

1396

00:57:33,290 --> 00:57:32,280

sat my alarm next to me double checked

1397

00:57:35,809 --> 00:57:33,300

my alarm

1398

00:57:37,309 --> 00:57:35,819

did some deep breathing exercises just

1399

00:57:39,650 --> 00:57:37,319

to relax back then I wouldn't have taken

1400

00:57:41,930 --> 00:57:39,660

a sleeping aid or anything you know but

1401

00:57:43,910 --> 00:57:41,940

I I did some deep breathing I laid back

1402

00:57:45,530 --> 00:57:43,920

on my bed I go to check my alarm again

1403

00:57:47,270 --> 00:57:45,540

and turn and turn on you know reach and

1404

00:57:49,370 --> 00:57:47,280

turn off the light

1405

00:57:50,510 --> 00:57:49,380

and it was suddenly two and a half hours

1406

00:57:52,250 --> 00:57:50,520

later

1407

00:57:53,630 --> 00:57:52,260

and there's no way I was sitting on my

1408

00:57:55,370 --> 00:57:53,640

bed for two and a half hours and we had

1409

00:57:57,170 --> 00:57:55,380

a full discussion about what time it was

1410

00:57:58,910 --> 00:57:57,180

and the fact that I had to get to bed

1411

00:58:00,710 --> 00:57:58,920

immediately and fall asleep right away

1412

00:58:02,870 --> 00:58:00,720

which is why I did the deep breathing to

1413

00:58:05,089 --> 00:58:02,880

make sure I'd fall asleep right away and

1414

00:58:07,370 --> 00:58:05,099

it and suddenly when I double checked my

1415

00:58:09,829 --> 00:58:07,380

alarm looked back from when I sat on my

1416

00:58:12,290 --> 00:58:09,839

bed and laid back to suddenly reaching

1417

00:58:15,109 --> 00:58:12,300

it's two and a half hours later and I

1418

00:58:17,150 --> 00:58:15,119

had this image out of my in my head of

1419

00:58:19,190 --> 00:58:17,160

three gray aliens standing next to the

1420

00:58:20,450 --> 00:58:19,200

bed

1421

00:58:22,309 --> 00:58:20,460

um there were three kind of different

1422

00:58:23,930 --> 00:58:22,319

heights the one in the middle was

1423

00:58:27,109 --> 00:58:23,940

holding a device

1424

00:58:29,569 --> 00:58:27,119

and I said this is crazy this is nuts I

1425

00:58:31,849 --> 00:58:29,579

put it out of my mind I I said this is

1426

00:58:33,230 --> 00:58:31,859

nuts I laid back down fell asleep so I

1427

00:58:35,270 --> 00:58:33,240

went you know I'm sitting there I'm

1428

00:58:38,329 --> 00:58:35,280

thinking about it I laid down like I

1429

00:58:41,390 --> 00:58:38,339

fell asleep my out my alarm goes off

1430

00:58:43,010 --> 00:58:41,400

like three hours later waking the dead I

1431

00:58:44,450 --> 00:58:43,020

crawl into work I get through the day

1432

00:58:46,490 --> 00:58:44,460

you know we've all done it right yeah

1433

00:58:47,990 --> 00:58:46,500

I've never done that okay get through

1434

00:58:50,329 --> 00:58:48,000

the day I come home

1435

00:58:53,089 --> 00:58:50,339

I'm making dinner in the kitchen and so

1436

00:58:54,530 --> 00:58:53,099

is Gail and Gail says what happened to

1437

00:58:57,170 --> 00:58:54,540

you last night and I said what do you

1438

00:58:59,450 --> 00:58:57,180

mean and she said well after

1439

00:59:02,150 --> 00:58:59,460

our talk she couldn't sleep so she sat

1440

00:59:04,069 --> 00:59:02,160

up in bed reading and she kept hearing

1441

00:59:06,170 --> 00:59:04,079

noises downstairs so she said I kept we

1442

00:59:08,329 --> 00:59:06,180

had a two-story townhouse so she kept

1443

00:59:10,130 --> 00:59:08,339

doing going downstairs no one was there

1444

00:59:11,569 --> 00:59:10,140

no one was upstairs she goes okay no

1445

00:59:13,910 --> 00:59:11,579

one's here

1446

00:59:16,370 --> 00:59:13,920

but she noticed my light under my door I

1447

00:59:19,010 --> 00:59:16,380

had a big gap under my bedroom door and

1448

00:59:20,270 --> 00:59:19,020

so so she she's wanting to know if that

1449

00:59:21,890 --> 00:59:20,280

was me it's like three in the morning

1450

00:59:23,870 --> 00:59:21,900

she's wanting to nose is that me

1451

00:59:25,370 --> 00:59:23,880

downstairs and she figured it must be

1452

00:59:27,710 --> 00:59:25,380

because my light's under the door so she

1453

00:59:29,630 --> 00:59:27,720

knocked on my door no answer she knocks

1454

00:59:31,670 --> 00:59:29,640

on my door no answer she pounds on my

1455

00:59:33,230 --> 00:59:31,680

door no answer now she's afraid

1456

00:59:35,030 --> 00:59:33,240

something happened to me because I'm

1457

00:59:37,010 --> 00:59:35,040

obviously in my room I'm nowhere in the

1458

00:59:39,049 --> 00:59:37,020

house you know my lights on so she goes

1459

00:59:40,789 --> 00:59:39,059

in my room I'm not there Jimmy she goes

1460

00:59:43,490 --> 00:59:40,799

in my room during my missing time

1461

00:59:45,770 --> 00:59:43,500

and Witnesses I'm not there room is

1462

00:59:48,710 --> 00:59:45,780

empty light on

1463

00:59:51,170 --> 00:59:48,720

and then so then

1464

00:59:53,930 --> 00:59:51,180

she goes back downstairs she she opens

1465

00:59:56,450 --> 00:59:53,940

the front door my car we had carports

1466

00:59:58,549 --> 00:59:56,460

and my carport space was right outside

1467

00:59:59,870 --> 00:59:58,559

our front door she said Melinda car was

1468

01:00:02,270 --> 00:59:59,880

right there you hadn't driven anywhere

1469

01:00:03,890 --> 01:00:02,280

she's looking around outside inside I'm

1470

01:00:05,210 --> 01:00:03,900

nowhere to be found anywhere at three in

1471

01:00:06,349 --> 01:00:05,220

the morning she's like what the hell

1472

01:00:08,210 --> 01:00:06,359

happened

1473

01:00:10,370 --> 01:00:08,220

and when she goes to tell me this why

1474

01:00:12,049 --> 01:00:10,380

we're making dinner that night right I'm

1475

01:00:13,309 --> 01:00:12,059

freaking out a little bit and I'm like I

1476

01:00:16,069 --> 01:00:13,319

don't know I don't know what you know

1477

01:00:18,109 --> 01:00:16,079

and so she drops it and we eat dinner at

1478

01:00:20,270 --> 01:00:18,119

about probably about two hours later she

1479

01:00:21,950 --> 01:00:20,280

goes are you calmer now and I go yeah

1480

01:00:23,510 --> 01:00:21,960

I'm calm I'm fine what's wrong you know

1481

01:00:25,490 --> 01:00:23,520

and she goes well there's more I go what

1482

01:00:27,710 --> 01:00:25,500

do you mean there's more and she used to

1483

01:00:29,390 --> 01:00:27,720

say she after going in my room and going

1484

01:00:31,609 --> 01:00:29,400

downstairs and seeing my car was there

1485

01:00:34,549 --> 01:00:31,619

she said I went she went back in her

1486

01:00:36,650 --> 01:00:34,559

room to sit up in bed and read hoping

1487

01:00:38,210 --> 01:00:36,660

she was going to hear me her door was

1488

01:00:40,069 --> 01:00:38,220

right at the top of the stairs the

1489

01:00:41,930 --> 01:00:40,079

stairs go down to the front door you

1490

01:00:43,730 --> 01:00:41,940

know at the base of the stairs

1491

01:00:45,589 --> 01:00:43,740

and she's hoping she's going to hear me

1492

01:00:47,030 --> 01:00:45,599

come in the front door and come home and

1493

01:00:49,250 --> 01:00:47,040

she's all ready to go is something wrong

1494

01:00:51,470 --> 01:00:49,260

what's going on do you need help you

1495

01:00:53,450 --> 01:00:51,480

know and there's a flash so she has the

1496

01:00:55,010 --> 01:00:53,460

door to the hallway open there's a

1497

01:00:57,890 --> 01:00:55,020

flashlight in the hallway

1498

01:00:59,329 --> 01:00:57,900

and she looks expecting that I had

1499

01:01:01,130 --> 01:00:59,339

flicked the switch really fast or

1500

01:01:03,829 --> 01:01:01,140

something and she's all ready to go are

1501
01:01:05,390 --> 01:01:03,839
you okay and she said she's sitting on

1502
01:01:07,490 --> 01:01:05,400
her bed reading fully fully 100

1503
01:01:08,390 --> 01:01:07,500
conscious she said coming out of the

1504
01:01:11,450 --> 01:01:08,400
hallway

1505
01:01:12,890 --> 01:01:11,460
a gray alien all the flashlight steps

1506
01:01:14,510 --> 01:01:12,900
into her room

1507
01:01:16,849 --> 01:01:14,520
she said well then it came up just past

1508
01:01:18,770 --> 01:01:16,859
the door handle so that's door handles

1509
01:01:20,089 --> 01:01:18,780
are roughly like 36 inches so we figured

1510
01:01:22,609 --> 01:01:20,099
this thing's just about four feet tall

1511
01:01:24,890 --> 01:01:22,619
she said it looked right at her

1512
01:01:27,410 --> 01:01:24,900
she later Drew she later painted a

1513
01:01:30,049 --> 01:01:27,420

picture of it that giant oversized head

1514

01:01:31,789 --> 01:01:30,059

great big wrap around eyes tiny little

1515

01:01:32,990 --> 01:01:31,799

body I mean when she painted I go is

1516

01:01:35,690 --> 01:01:33,000

that what she really saw and she goes

1517

01:01:38,690 --> 01:01:35,700

that's exactly what I saw and she said

1518

01:01:40,430 --> 01:01:38,700

it looked right at her turned now after

1519

01:01:42,109 --> 01:01:40,440

going in my room she had closed like

1520

01:01:44,750 --> 01:01:42,119

after coming back out she closed the

1521

01:01:46,849 --> 01:01:44,760

door to my room because she didn't if I

1522

01:01:48,470 --> 01:01:46,859

came home she didn't want to think I had

1523

01:01:51,109 --> 01:01:48,480

she had gone in my room without my

1524

01:01:53,870 --> 01:01:51,119

permission right you know

1525

01:01:55,430 --> 01:01:53,880

Linda she said it turned and went

1526

01:01:56,809 --> 01:01:55,440

through your went back into the hallway

1527

01:01:58,490 --> 01:01:56,819

and through your door like a knife

1528

01:02:00,589 --> 01:01:58,500

through butter like walk through your

1529

01:02:02,270 --> 01:02:00,599

doors if your door wasn't there so not

1530

01:02:04,730 --> 01:02:02,280

only did she witness I was gone during

1531

01:02:06,410 --> 01:02:04,740

my missing time but fully conscious she

1532

01:02:08,630 --> 01:02:06,420

saw a gray Lane in the hallway come in

1533

01:02:11,150 --> 01:02:08,640

her room and go into mine

1534

01:02:13,609 --> 01:02:11,160

and and she ended up saying now she had

1535

01:02:17,809 --> 01:02:13,619

read communion by Whitley streber at

1536

01:02:22,250 --> 01:02:17,819

that point I had not it came out in 85.

1537

01:02:23,870 --> 01:02:22,260

and this was 89 and she she I didn't

1538

01:02:25,430 --> 01:02:23,880

know it at the time apparently she owned

1539

01:02:26,990 --> 01:02:25,440

it because she said Melinda are you

1540

01:02:29,270 --> 01:02:27,000

having experiences like that famous

1541

01:02:30,530 --> 01:02:29,280

author that wrote that book I said I

1542

01:02:34,130 --> 01:02:30,540

don't know I'd heard of the book but I

1543

01:02:36,349 --> 01:02:34,140

hadn't read it and and she said

1544

01:02:38,329 --> 01:02:36,359

well I own it you know and she goes I'm

1545

01:02:39,349 --> 01:02:38,339

telling you you've had experiences like

1546

01:02:43,010 --> 01:02:39,359

him

1547

01:02:45,589 --> 01:02:43,020

well so apparently so did she

1548

01:02:48,589 --> 01:02:45,599

well that she witnessed mine yeah and

1549

01:02:51,829 --> 01:02:48,599

then she had a 14 year old daughter

1550

01:02:54,829 --> 01:02:51,839

now it wasn't until jumping head a

1551

01:02:56,270 --> 01:02:54,839

little until 93 that I learned I also

1552

01:02:58,849 --> 01:02:56,280

had the the mill lab the military

1553

01:03:01,970 --> 01:02:58,859

abduction stuff that I talked to you

1554

01:03:05,210 --> 01:03:01,980

while back with you about

1555

01:03:07,970 --> 01:03:05,220

um but I'm pretty public about it and

1556

01:03:10,370 --> 01:03:07,980

now I thought all that started for me

1557

01:03:13,609 --> 01:03:10,380

with a two back to back

1558

01:03:16,190 --> 01:03:13,619

covert military experiences where I was

1559

01:03:18,950 --> 01:03:16,200

picked up by covert humans because of my

1560

01:03:20,329 --> 01:03:18,960

alien abductions to be interrogated in

1561

01:03:23,329 --> 01:03:20,339

one experience and the other experience

1562

01:03:25,430 --> 01:03:23,339

to have follow-up medical procedures and

1563

01:03:30,650 --> 01:03:25,440

those were both in August November of 93

1564

01:03:33,230 --> 01:03:30,660

but get this my my roommate Gail

1565

01:03:34,730 --> 01:03:33,240

ends up she has a 14 year old daughter

1566

01:03:36,170 --> 01:03:34,740

well going through this divorce the 14

1567

01:03:38,270 --> 01:03:36,180

year old was still living with the dad

1568

01:03:41,150 --> 01:03:38,280

and she was in high school

1569

01:03:43,309 --> 01:03:41,160

she'd occasionally come to visit her mom

1570

01:03:45,530 --> 01:03:43,319

when we lived together

1571

01:03:48,170 --> 01:03:45,540

came to stay with her mom for about

1572

01:03:50,150 --> 01:03:48,180

three months and my understanding it was

1573

01:03:52,010 --> 01:03:50,160

during you know the summer break she was

1574

01:03:53,510 --> 01:03:52,020

going to go back to school you know and

1575

01:03:55,549 --> 01:03:53,520

that she left because she had to go back

1576

01:03:57,770 --> 01:03:55,559

to school and missing her missing her

1577

01:04:00,289 --> 01:03:57,780

dad and that's why she left

1578

01:04:02,510 --> 01:04:00,299

years later I run into Gale we we

1579

01:04:06,230 --> 01:04:02,520

connect up again we hadn't spoken in in

1580

01:04:08,450 --> 01:04:06,240

years so now we're talking like late 90s

1581

01:04:10,730 --> 01:04:08,460

and she says why do you think Angie left

1582

01:04:13,250 --> 01:04:10,740

and I said well she had to go back to

1583

01:04:15,650 --> 01:04:13,260

school and she's missing her dad and she

1584

01:04:18,170 --> 01:04:15,660

said not exactly she said

1585

01:04:20,030 --> 01:04:18,180

when Angie came to live there I was

1586

01:04:23,210 --> 01:04:20,040

having so many experiences alien

1587

01:04:25,730 --> 01:04:23,220

abduction and the covert human guys she

1588

01:04:28,250 --> 01:04:25,740

said Angie and I kept witnessing stuff

1589

01:04:31,730 --> 01:04:28,260

happened to you and on more than one

1590

01:04:33,770 --> 01:04:31,740

occasion they were awoken by she said

1591

01:04:35,089 --> 01:04:33,780

they could because my bedroom was just

1592

01:04:38,390 --> 01:04:35,099

on the other side of the wall and these

1593

01:04:40,190 --> 01:04:38,400

were thin thin walls you know

1594

01:04:43,789 --> 01:04:40,200

townhouse

1595

01:04:46,970 --> 01:04:43,799

and she said we heard military men in

1596

01:04:49,670 --> 01:04:46,980

your room giving you like orders and

1597

01:04:52,370 --> 01:04:49,680

talking to you as if military and you

1598

01:04:54,309 --> 01:04:52,380

were crying and pleading no no no and

1599

01:04:57,829 --> 01:04:54,319

she said this happened more than once

1600

01:05:00,410 --> 01:04:57,839

and between your ET and your covert

1601
01:05:03,770 --> 01:05:00,420
experiences it was so freaking out Angie

1602
01:05:06,650 --> 01:05:03,780
that Angie left

1603
01:05:08,870 --> 01:05:06,660
and but didn't go live with her dad it

1604
01:05:11,450 --> 01:05:08,880
turns out part of what was causing the

1605
01:05:13,849 --> 01:05:11,460
divorce is the dad long story short was

1606
01:05:15,530 --> 01:05:13,859
abusing Angie and I'm like oh no he

1607
01:05:17,809 --> 01:05:15,540
didn't she didn't go back to that you

1608
01:05:19,549 --> 01:05:17,819
know she said no Angie went and lived

1609
01:05:21,109 --> 01:05:19,559
with my sister so poor Angie's getting

1610
01:05:23,569 --> 01:05:21,119
abused by her dad comes to stay with her

1611
01:05:26,150 --> 01:05:23,579
mom because that's getting worse

1612
01:05:29,390 --> 01:05:26,160
comes to stay with her mom is so freaked

1613
01:05:32,329 --> 01:05:29,400

out by witnessing my abductions that she

1614

01:05:33,710 --> 01:05:32,339

goes and lives with her aunt and I was

1615

01:05:36,109 --> 01:05:33,720

like oh and I didn't know this until

1616

01:05:37,910 --> 01:05:36,119

years later and I said why didn't you

1617

01:05:40,130 --> 01:05:37,920

tell me then why didn't you say anything

1618

01:05:41,510 --> 01:05:40,140

and she said Melinda you were so freaked

1619

01:05:42,530 --> 01:05:41,520

out by what you're going through back

1620

01:05:45,470 --> 01:05:42,540

then

1621

01:05:49,309 --> 01:05:45,480

we thought it would be too much for you

1622

01:05:53,270 --> 01:05:49,319

all right let's go back to uh 1989 in

1623

01:05:58,250 --> 01:05:53,280

the townhouse right when when Gail had

1624

01:06:01,910 --> 01:05:58,260

seen dude uh yeah right yeah but you

1625

01:06:06,230 --> 01:06:01,920

were also uh was that before or after

1626

01:06:10,309 --> 01:06:08,990

out and I'll tell you I'm a little I'm a

1627

01:06:13,430 --> 01:06:10,319

little uncleared not that it really

1628

01:06:16,789 --> 01:06:13,440

matters whether this was like November

1629

01:06:20,390 --> 01:06:16,799

December 89 or possibly January February

1630

01:06:22,250 --> 01:06:20,400

of 90. it was right in there so I I'm a

1631

01:06:23,390 --> 01:06:22,260

little bit like uncertain if it was

1632

01:06:25,789 --> 01:06:23,400

right before or right after Christmas

1633

01:06:28,010 --> 01:06:25,799

but it was right in that time period I

1634

01:06:31,609 --> 01:06:28,020

mean like like right there right right

1635

01:06:34,130 --> 01:06:31,619

right and uh and I want to back up and

1636

01:06:36,650 --> 01:06:34,140

make one comment uh about Billy Goodman

1637

01:06:42,349 --> 01:06:36,660

uh I don't want that to get away from me

1638

01:06:44,450 --> 01:06:42,359

sure about that time which was 89.90

1639

01:06:48,230 --> 01:06:44,460

um I was living in Hollywood at the time

1640

01:06:50,569 --> 01:06:48,240

and I had a friend come in from Vegas

1641

01:06:54,170 --> 01:06:50,579

with cassette tapes of Billy Goodman's

1642

01:06:56,990 --> 01:06:54,180

show dude you gotta listen to this and

1643

01:07:00,710 --> 01:06:57,000

uh and so over that year I ended up

1644

01:07:02,809 --> 01:07:00,720

getting a few cassettes and you know how

1645

01:07:04,190 --> 01:07:02,819

it was right the radio's on and you pop

1646

01:07:05,690 --> 01:07:04,200

in a cassette and you're recording stuff

1647

01:07:08,329 --> 01:07:05,700

all night whether it's music or talk

1648

01:07:12,410 --> 01:07:08,339

show or whatever and so I had hours and

1649

01:07:16,190 --> 01:07:12,420

hours and hours of uh Billy Goodman

1650

01:07:17,510 --> 01:07:16,200

um and there was something inside of me

1651

01:07:19,789 --> 01:07:17,520

um and I thought that show was really

1652

01:07:20,630 --> 01:07:19,799

good I really like Billy Goodman uh a

1653

01:07:21,890 --> 01:07:20,640

lot

1654

01:07:23,210 --> 01:07:21,900

um this is because they were yeah they

1655

01:07:25,789 --> 01:07:23,220

were incredible shows they really yeah

1656

01:07:29,750 --> 01:07:25,799

yeah way before Art Bell oh they just

1657

01:07:32,990 --> 01:07:29,760

fight oh man yeah it was uh you know you

1658

01:07:38,630 --> 01:07:33,000

remember Bill Cooper and yeah oh yeah oh

1659

01:07:44,630 --> 01:07:41,569

you know and like Area 51 callers before

1660

01:07:46,970 --> 01:07:44,640

art did you know the kind of stuff it

1661

01:07:49,309 --> 01:07:46,980

was crazy stuff it was years before art

1662

01:07:52,069 --> 01:07:49,319

I want to say was it was it Kevin

1663

01:07:54,010 --> 01:07:52,079

Randall and and Bill Cooper fighting I

1664

01:07:56,690 --> 01:07:54,020

can't remember but

1665

01:08:01,010 --> 01:07:56,700

it was it was it was just a really

1666

01:08:04,609 --> 01:08:01,020

really good show and and at that time

1667

01:08:06,349 --> 01:08:04,619

um as uh Bob Lazar is is coming out

1668

01:08:07,870 --> 01:08:06,359

right it was Dennis and then you know

1669

01:08:11,750 --> 01:08:07,880

Bob Lazar

1670

01:08:13,910 --> 01:08:11,760

1989 1990 period

1671

01:08:16,130 --> 01:08:13,920

um was a pretty exciting time in in

1672

01:08:17,450 --> 01:08:16,140

ufology things really blew up really

1673

01:08:19,970 --> 01:08:17,460

fast

1674

01:08:22,729 --> 01:08:19,980

absolutely yeah no it was it was very

1675

01:08:25,070 --> 01:08:22,739

exciting a lot of you know and I I was

1676

01:08:27,829 --> 01:08:25,080

new to it but the show and then when I

1677

01:08:30,769 --> 01:08:27,839

started to go to Bill Hamilton's

1678

01:08:32,689 --> 01:08:30,779

lecture things he was doing and then

1679

01:08:35,209 --> 01:08:32,699

another person uh that took those over

1680

01:08:37,970 --> 01:08:35,219

named Penny Harper uh that was putting

1681

01:08:41,630 --> 01:08:37,980

on these monthly lectures in LA and

1682

01:08:43,430 --> 01:08:41,640

having just top people in the field and

1683

01:08:44,630 --> 01:08:43,440

then it was actually penny at one point

1684

01:08:46,550 --> 01:08:44,640

who said

1685

01:08:49,070 --> 01:08:46,560

the lecture for me so that was the first

1686

01:08:50,749 --> 01:08:49,080

time I ever lectured or spoke about my

1687

01:08:53,749 --> 01:08:50,759

experiences well first she had two

1688

01:08:56,990 --> 01:08:53,759

panels she had me on that were abdic T

1689

01:08:58,309 --> 01:08:57,000

panels and and then that grew into her

1690

01:09:01,430 --> 01:08:58,319

saying hey I think you could give a

1691

01:09:03,470 --> 01:09:01,440

whole talk uh and then and then um

1692

01:09:06,769 --> 01:09:03,480

Timothy Beckley

1693

01:09:08,450 --> 01:09:06,779

there's a name attended and Timothy

1694

01:09:10,729 --> 01:09:08,460

Beckley was putting on a conference and

1695

01:09:13,849 --> 01:09:10,739

he and he heard me be on her panels and

1696

01:09:15,650 --> 01:09:13,859

give a lecture and Tim Beckley said

1697

01:09:17,570 --> 01:09:15,660

I should have you speak at my conference

1698

01:09:19,130 --> 01:09:17,580

that was an interesting presentation you

1699

01:09:21,590 --> 01:09:19,140

gave so then that was the first time I

1700

01:09:24,229 --> 01:09:21,600

spoke at it UFO conference was when Tim

1701

01:09:25,669 --> 01:09:24,239

Beckley heard me and had me so yeah that

1702

01:09:27,289 --> 01:09:25,679

was the beginning of my being out there

1703

01:09:29,450 --> 01:09:27,299

as a public and it wasn't you guys I

1704

01:09:31,430 --> 01:09:29,460

want people to know I never said I'm

1705

01:09:34,010 --> 01:09:31,440

going to be a public abdic team

1706

01:09:36,410 --> 01:09:34,020

in that time period I was working with

1707

01:09:39,829 --> 01:09:36,420

Dr Deborah truncali

1708

01:09:43,189 --> 01:09:39,839

who um was a therapist that bill

1709

01:09:45,349 --> 01:09:43,199

Hamilton knew of and sent me to uh long

1710

01:09:48,229 --> 01:09:45,359

story short and uh and as well as a few

1711

01:09:49,789 --> 01:09:48,239

other people and and Bud Hopkins was

1712

01:09:52,729 --> 01:09:49,799

working with her they were Close

1713

01:09:54,470 --> 01:09:52,739

Associates she was kind of trained to

1714

01:09:56,590 --> 01:09:54,480

work with abductee she was a

1715

01:10:00,950 --> 01:09:56,600

full-fledged psychotherapist PHD

1716

01:10:03,410 --> 01:10:00,960

psychologist a doctor but also had been

1717

01:10:05,150 --> 01:10:03,420

trained in in regressive hypnosis had

1718

01:10:07,310 --> 01:10:05,160

taken formal training but then how to

1719

01:10:10,550 --> 01:10:07,320

work specifically with abductees with

1720

01:10:13,490 --> 01:10:10,560

bud and so I met Bud through her and

1721

01:10:16,070 --> 01:10:13,500

everything and you know so I had

1722

01:10:18,770 --> 01:10:16,080

and then Dave Jacobs I ended up being on

1723

01:10:21,290 --> 01:10:18,780

a TV show uh right after that someone

1724

01:10:23,810 --> 01:10:21,300

who heard me speak for Tim Beckley at

1725

01:10:27,410 --> 01:10:23,820

one of his conferences said come to our

1726

01:10:28,669 --> 01:10:27,420

TV show and it was a panel of abductees

1727

01:10:31,310 --> 01:10:28,679

um I think it was Montel Williams

1728

01:10:33,470 --> 01:10:31,320

actually and not him but someone who

1729

01:10:36,709 --> 01:10:33,480

worked for him but I did that and and it

1730

01:10:38,510 --> 01:10:36,719

led from one thing to an another but it

1731

01:10:42,050 --> 01:10:38,520

wasn't like oh I'm gonna go public as an

1732

01:10:44,270 --> 01:10:42,060

abductee it was it was Bud Hopkins and

1733

01:10:46,189 --> 01:10:44,280

Dr Deborah truncali and Dave Jacobs I

1734

01:10:47,930 --> 01:10:46,199

met him doing that for a show you know

1735

01:10:50,270 --> 01:10:47,940

that these people were encouraging me

1736

01:10:52,550 --> 01:10:50,280

look you're willing to speak you can

1737

01:10:56,030 --> 01:10:52,560

speak for so many abductees that either

1738

01:10:57,290 --> 01:10:56,040

can't speak or aren't willing to and uh

1739

01:10:58,550 --> 01:10:57,300

and you're pretty clear about your

1740

01:11:00,709 --> 01:10:58,560

experiences you know so they were

1741

01:11:03,830 --> 01:11:00,719

greatly encouraging me and then when it

1742

01:11:05,810 --> 01:11:03,840

came to the millab stuff the Mio for

1743

01:11:08,510 --> 01:11:05,820

military B for production the covert

1744

01:11:10,910 --> 01:11:08,520

stuff then it was Dr Deborah truncali I

1745

01:11:13,189 --> 01:11:10,920

mean not doctor that Dr Deborah trincali

1746

01:11:14,750 --> 01:11:13,199

um Carla Turner it was Carla Turner who

1747

01:11:16,910 --> 01:11:14,760

said you you got to speak up and be

1748

01:11:18,530 --> 01:11:16,920

public about this and encourage me to

1749

01:11:20,570 --> 01:11:18,540

talk so it wasn't like I ever made

1750

01:11:23,209 --> 01:11:20,580

decision I'm going to go public I just

1751

01:11:25,310 --> 01:11:23,219

kept it I took each thing as it came up

1752

01:11:27,950 --> 01:11:25,320

as I was asked to do an interview where

1753

01:11:30,470 --> 01:11:27,960

I was asked to speak or do it be a panel

1754

01:11:32,950 --> 01:11:30,480

I took it you know but I was I had these

1755

01:11:36,169 --> 01:11:32,960

you know pretty serious players really

1756

01:11:38,810 --> 01:11:36,179

encouraging me you know to to do it so

1757

01:11:40,149 --> 01:11:38,820

that that led to my you know here I am

1758

01:11:42,950 --> 01:11:40,159

today with you

1759

01:11:46,250 --> 01:11:42,960

and and it's funny that to bring up Tim

1760

01:11:49,490 --> 01:11:46,260

Beckley because Tim and I talked uh for

1761

01:11:51,950 --> 01:11:49,500

a number of years and I never had him on

1762

01:11:53,390 --> 01:11:51,960

the show it was like this weird thing it

1763

01:11:56,510 --> 01:11:53,400

was like okay we'll do it next week

1764

01:11:58,729 --> 01:11:56,520

we'll do it next weekend and and you

1765

01:12:00,970 --> 01:11:58,739

just never know uh you know he passed

1766

01:12:05,209 --> 01:12:00,980

away uh last year

1767

01:12:08,510 --> 01:12:05,219

I I had not talked to him in many many

1768

01:12:11,330 --> 01:12:08,520

years but once upon a time he was a dear

1769

01:12:13,450 --> 01:12:11,340

friend and a huge Catalyst to my being

1770

01:12:17,270 --> 01:12:13,460

public for sure

1771

01:12:18,950 --> 01:12:17,280

you know real real cool guy oh yeah he

1772

01:12:20,270 --> 01:12:18,960

was he was a good guy and and so

1773

01:12:22,010 --> 01:12:20,280

knowledgeable about this subject I mean

1774

01:12:24,590 --> 01:12:22,020

he was a character he was a character he

1775

01:12:26,510 --> 01:12:24,600

was funny but but he he was extremely

1776

01:12:28,250 --> 01:12:26,520

knowledgeable about the subject and he

1777

01:12:31,070 --> 01:12:28,260

used to put on some really good or you

1778

01:12:34,070 --> 01:12:31,080

know early conferences yeah he did and

1779

01:12:36,890 --> 01:12:34,080

and Carla Turner was something else that

1780

01:12:40,310 --> 01:12:36,900

uh you know passed away and I never I

1781

01:12:44,870 --> 01:12:40,320

never got a chance uh to interview her

1782

01:12:47,209 --> 01:12:44,880

car she she was amazing she um she was

1783

01:12:50,209 --> 01:12:47,219

like that tall right

1784

01:12:53,990 --> 01:12:50,219

yeah well she was a good friend and very

1785

01:12:59,090 --> 01:12:56,750

through that research you know to to

1786

01:13:01,790 --> 01:12:59,100

pursue that research and then you know

1787

01:13:04,490 --> 01:13:01,800

and very encouraging to do so and and uh

1788

01:13:07,669 --> 01:13:04,500

well I I used to watch all of her

1789

01:13:09,050 --> 01:13:07,679

presentations I mean uh mufon and in the

1790

01:13:12,110 --> 01:13:09,060

International Symposium and everything

1791

01:13:15,709 --> 01:13:12,120

and I would watch Carla she was so well

1792

01:13:19,130 --> 01:13:15,719

spoken right very very intimidating mind

1793

01:13:21,290 --> 01:13:19,140

on her right she's very very smart but

1794

01:13:24,169 --> 01:13:21,300

when she would walk up to the podium put

1795

01:13:26,450 --> 01:13:24,179

her hands on it yeah yeah yeah I'd have

1796

01:13:28,330 --> 01:13:26,460

to lower the mic yeah yeah they did they

1797

01:13:30,830 --> 01:13:28,340

did all this over there she was amazing

1798

01:13:32,870 --> 01:13:30,840

and and

1799

01:13:36,350 --> 01:13:32,880

um she got

1800

01:13:38,930 --> 01:13:36,360

she got sick and it happened really fast

1801
01:13:42,410 --> 01:13:38,940
yeah I thought breast cancer very fast

1802
01:13:45,130 --> 01:13:42,420
yeah yeah very fast and uh I think uh

1803
01:13:47,450 --> 01:13:45,140
took us took us yes

1804
01:13:49,790 --> 01:13:47,460
you know sometimes I think

1805
01:13:52,130 --> 01:13:49,800
you know any of the abduction

1806
01:13:53,330 --> 01:13:52,140
researchers you know I think God what if

1807
01:13:55,669 --> 01:13:53,340
they were around now you know I even

1808
01:13:57,470 --> 01:13:55,679
think I just recently with a bunch of

1809
01:13:59,630 --> 01:13:57,480
people were talking about John Mack and

1810
01:14:02,390 --> 01:13:59,640
and I'm like well it came up I know why

1811
01:14:05,630 --> 01:14:02,400
because uh uh event that happened last

1812
01:14:13,270 --> 01:14:05,640
weekend in New York and and uh they had

1813
01:14:18,350 --> 01:14:15,649

a few other people mentioned him and it

1814

01:14:21,649 --> 01:14:18,360

just made me go gosh I I missed John and

1815

01:14:23,450 --> 01:14:21,659

and uh and thank God what you know with

1816

01:14:25,550 --> 01:14:23,460

everything going on with the disclosure

1817

01:14:27,229 --> 01:14:25,560

stuff and everything I'm like God to

1818

01:14:29,510 --> 01:14:27,239

have John's Voice or even have Bud's

1819

01:14:31,370 --> 01:14:29,520

voice but you know but it is his peak in

1820

01:14:34,070 --> 01:14:31,380

the community and stuff and I'm like ah

1821

01:14:36,890 --> 01:14:34,080

you know and and yeah you know we have

1822

01:14:41,229 --> 01:14:36,900

Yvonne Smith now and we have uh Mary

1823

01:14:44,390 --> 01:14:41,239

Rodwell certainly Kathleen Martin yeah

1824

01:14:47,209 --> 01:14:44,400

we've certainly got you know and even it

1825

01:14:49,010 --> 01:14:47,219

it came up that um I was with people at

1826

01:14:50,810 --> 01:14:49,020

dinner tonight at a dinner party just

1827

01:14:52,729 --> 01:14:50,820

before doing this with you and there

1828

01:14:54,110 --> 01:14:52,739

were people there that knew Leo sprinkle

1829

01:14:55,970 --> 01:14:54,120

well so that we were talking about will

1830

01:14:58,910 --> 01:14:55,980

sprinkle you know and who we just lost

1831

01:15:01,910 --> 01:14:58,920

you know too so it's like oh gosh you

1832

01:15:04,310 --> 01:15:01,920

know we're you follow she's losing so

1833

01:15:06,229 --> 01:15:04,320

much of its luminaries and you know I

1834

01:15:08,930 --> 01:15:06,239

I'm quick to tell the young people I'm

1835

01:15:11,270 --> 01:15:08,940

very involved in UFO Twitter High gang

1836

01:15:12,890 --> 01:15:11,280

you know they're listening I'm sure they

1837

01:15:14,149 --> 01:15:12,900

are and you know

1838

01:15:16,189 --> 01:15:14,159

um

1839

01:15:17,689 --> 01:15:16,199

is that you know we stand on the

1840

01:15:20,450 --> 01:15:17,699

shoulder of giants you know the the

1841

01:15:22,610 --> 01:15:20,460

researchers that came before and the the

1842

01:15:24,350 --> 01:15:22,620

great minds that we've lost like you

1843

01:15:26,990 --> 01:15:24,360

said like Carla and everyone else we

1844

01:15:28,729 --> 01:15:27,000

just well you know here's some countless

1845

01:15:30,169 --> 01:15:28,739

number of great researchers that have

1846

01:15:32,030 --> 01:15:30,179

passed the other day I was thinking of

1847

01:15:35,169 --> 01:15:32,040

Jim Mars and how much I missed out well

1848

01:15:40,310 --> 01:15:35,179

see it's phenomenal yeah Melinda

1849

01:15:44,810 --> 01:15:40,320

1990 91 uh you know Wendell Stevens Bob

1850

01:15:46,910 --> 01:15:44,820

Dean Floyd pie uh Carla Turner amazing

1851

01:15:49,250 --> 01:15:46,920

years yes you know

1852

01:15:53,390 --> 01:15:49,260

um and uh you know of course John Mack

1853

01:15:56,090 --> 01:15:53,400

and and the the powerful powerful uh

1854

01:15:57,950 --> 01:15:56,100

leaders of the community back then

1855

01:15:59,990 --> 01:15:57,960

um you know what you know Linda was

1856

01:16:02,689 --> 01:16:00,000

there of course and and Stan Friedman

1857

01:16:06,729 --> 01:16:02,699

but aside from them

1858

01:16:10,729 --> 01:16:06,739

um uh everybody's gone and

1859

01:16:14,510 --> 01:16:10,739

what is happening now it was a a a

1860

01:16:16,550 --> 01:16:14,520

distant thing in the future you know and

1861

01:16:18,709 --> 01:16:16,560

we're talking about Richard Dolan or

1862

01:16:20,450 --> 01:16:18,719

everything else that's going on I

1863

01:16:26,030 --> 01:16:20,460

remember when he

1864

01:16:31,310 --> 01:16:28,430

even hadn't happened yet right so yeah

1865

01:16:34,370 --> 01:16:31,320

yeah sure yeah yeah it was uh it was a

1866

01:16:34,380 --> 01:16:38,149

me on this crazy

1867

01:16:43,370 --> 01:16:40,550

political kind conspiracy show thing and

1868

01:16:46,550 --> 01:16:43,380

then all of a sudden he had I think it

1869

01:16:48,649 --> 01:16:46,560

was John LeRon no uh

1870

01:16:50,870 --> 01:16:48,659

what's that anyways all of a sudden it

1871

01:16:53,510 --> 01:16:50,880

just changed overnight art you know and

1872

01:16:56,149 --> 01:16:53,520

and that was crazy to witness that and

1873

01:16:57,530 --> 01:16:56,159

and how that went oh my God I was I was

1874

01:17:00,530 --> 01:16:57,540

listening I listened to that show

1875

01:17:03,110 --> 01:17:00,540

religiously man in those early days whoa

1876

01:17:05,390 --> 01:17:03,120

I mean we all we all did but I mean just

1877

01:17:07,729 --> 01:17:05,400

you know and then you had the X-Files

1878

01:17:10,790 --> 01:17:07,739

happen and you know just

1879

01:17:13,330 --> 01:17:10,800

you know it was it was a crazy period

1880

01:17:17,630 --> 01:17:13,340

and then the conference those those

1881

01:17:19,990 --> 01:17:17,640

1990s conferences you know UFO Congress

1882

01:17:23,209 --> 01:17:20,000

yeah

1883

01:17:26,149 --> 01:17:23,219

and uh but uh you know but if you go

1884

01:17:27,770 --> 01:17:26,159

back and uh you had Bill Cooper Bill

1885

01:17:30,770 --> 01:17:27,780

Moore

1886

01:17:32,930 --> 01:17:30,780

um and and all of that controversy uh

1887

01:17:35,209 --> 01:17:32,940

that was going on you know they they

1888

01:17:36,950 --> 01:17:35,219

this is what's funny you mentioned UFOs

1889

01:17:39,530 --> 01:17:36,960

I was there when that happened you know

1890

01:17:42,110 --> 01:17:39,540

that whole something that happened but

1891

01:17:46,689 --> 01:17:42,120

that's my point yeah they think it's

1892

01:17:53,350 --> 01:17:50,209

you guys don't know drama

1893

01:17:56,570 --> 01:17:53,360

even don't even bother me

1894

01:17:59,090 --> 01:17:56,580

that's so true though it's so true it's

1895

01:18:00,950 --> 01:17:59,100

so true oh my God no that

1896

01:18:03,290 --> 01:18:00,960

you know what's good though and I will

1897

01:18:06,530 --> 01:18:03,300

say this

1898

01:18:08,630 --> 01:18:06,540

the field is alive and well

1899

01:18:11,270 --> 01:18:08,640

obviously

1900

01:18:14,689 --> 01:18:11,280

um the last five years has drawn all

1901

01:18:16,130 --> 01:18:14,699

these new fresh Young Voices into the

1902

01:18:18,890 --> 01:18:16,140

field

1903

01:18:20,810 --> 01:18:18,900

um the two guys that produced the

1904

01:18:23,090 --> 01:18:20,820

conference last Saturday this amazing

1905

01:18:26,450 --> 01:18:23,100

event with amazing speakers that ended

1906

01:18:29,330 --> 01:18:26,460

with Chris Mellon speaking and and uh

1907

01:18:32,090 --> 01:18:29,340

and and Jamesy and Dolly and Jay

1908

01:18:34,729 --> 01:18:32,100

Christopher King I mean and and and then

1909

01:18:36,910 --> 01:18:34,739

you're probably familiar with the loose

1910

01:18:40,610 --> 01:18:36,920

threads paper that came out

1911

01:18:42,169 --> 01:18:40,620

right Daniel will make up and and

1912

01:18:45,410 --> 01:18:42,179

hi guys because I'm sure they're

1913

01:18:47,390 --> 01:18:45,420

probably watching but it just you know

1914

01:18:49,610 --> 01:18:47,400

and others I mean I could go on and on I

1915

01:18:52,550 --> 01:18:49,620

it's really almost an endless list of

1916

01:18:56,390 --> 01:18:52,560

these fresh young really brilliant

1917

01:18:57,649 --> 01:18:56,400

voices you know uh Sean race and you

1918

01:18:59,570 --> 01:18:57,659

know I could go on and on there's so

1919

01:19:02,870 --> 01:18:59,580

many I there's so many of these guys

1920

01:19:04,669 --> 01:19:02,880

that I think are smart and on it Ryan

1921

01:19:07,850 --> 01:19:04,679

Ryan if you're listening you know I

1922

01:19:10,910 --> 01:19:07,860

anyways I I think it speaks well for the

1923

01:19:12,770 --> 01:19:10,920

future of the field now I know they're

1924

01:19:14,510 --> 01:19:12,780

all caught up in this current disclosure

1925

01:19:16,430 --> 01:19:14,520

stuff and they get all

1926

01:19:19,310 --> 01:19:16,440

the panties get all twisted in knots

1927

01:19:21,590 --> 01:19:19,320

when there's a slight hiccup but I've

1928

01:19:23,390 --> 01:19:21,600

been in this field for 34 years I know

1929

01:19:26,750 --> 01:19:23,400

researchers that have been in it longer

1930

01:19:29,030 --> 01:19:26,760

we're talking in easily 75 if not 80 or

1931

01:19:31,130 --> 01:19:29,040

Rich history of the field and you go you

1932

01:19:33,649 --> 01:19:31,140

know you guys don't don't get frustrated

1933

01:19:35,930 --> 01:19:33,659

you know where we've gone in five years

1934

01:19:38,930 --> 01:19:35,940

compared to 75 years I don't know about

1935

01:19:40,729 --> 01:19:38,940

you Jimmy I mean I I can't even imagine

1936

01:19:42,350 --> 01:19:40,739

you know that's one of the things that

1937

01:19:44,330 --> 01:19:42,360

melon talked about on Saturday night

1938

01:19:46,370 --> 01:19:44,340

it's like not being able to even imagine

1939

01:19:48,830 --> 01:19:46,380

in his wildest dreams that it would have

1940

01:19:51,290 --> 01:19:48,840

gone as far as it's gone you know that's

1941

01:19:53,390 --> 01:19:51,300

where we're at with the ndaa passing

1942

01:19:56,270 --> 01:19:53,400

right now as we speak yeah yeah yeah

1943

01:19:59,870 --> 01:19:56,280

yeah all of that is true and uh you're

1944

01:20:04,030 --> 01:19:59,880

right though King and Ian doley uh uh I

1945

01:20:07,310 --> 01:20:04,040

I commend those two and uh I'm in touch

1946

01:20:09,850 --> 01:20:07,320

there may be a future Fade to Black with

1947

01:20:12,709 --> 01:20:09,860

those guys

1948

01:20:17,270 --> 01:20:12,719

but here's the thing

1949

01:20:21,709 --> 01:20:17,280

um when uh uh talking about the ndaa or

1950

01:20:24,169 --> 01:20:21,719

Elizondo or uh the Nimitz or whatever

1951

01:20:26,990 --> 01:20:24,179

David Traver okay this is all cool stuff

1952

01:20:30,229 --> 01:20:27,000

but we it's all stuff that we have been

1953

01:20:34,430 --> 01:20:30,239

through before we we know how to deal

1954

01:20:37,189 --> 01:20:34,440

with this and we we know how uh to to

1955

01:20:43,570 --> 01:20:37,199

handle the ups and the downs we know we

1956

01:20:49,250 --> 01:20:46,430

let's talk about the friggin alien

1957

01:20:51,530 --> 01:20:49,260

autopsy video okay oh yeah so when when

1958

01:20:53,810 --> 01:20:51,540

that came out people don't you know uh

1959

01:20:56,570 --> 01:20:53,820

UFO Twitter or Twitter Twitter or social

1960

01:21:00,590 --> 01:20:56,580

media or this and that or whoever you

1961

01:21:04,310 --> 01:21:00,600

have no idea that was live on TV number

1962

01:21:06,350 --> 01:21:04,320

one that was that 75 million people

1963

01:21:07,610 --> 01:21:06,360

watching that all at the same time I was

1964

01:21:09,709 --> 01:21:07,620

one of them

1965

01:21:12,830 --> 01:21:09,719

um I ordered the videotape that I spent

1966

01:21:15,169 --> 01:21:12,840

eighty dollars on as as did the rest of

1967

01:21:18,470 --> 01:21:15,179

everybody else and the people that were

1968

01:21:19,850 --> 01:21:18,480

involved uh with that not just I'm

1969

01:21:24,070 --> 01:21:19,860

talking about Hollywood and special

1970

01:21:26,990 --> 01:21:24,080

effects people and and uh uh the the the

1971

01:21:29,990 --> 01:21:27,000

paleontologists and the and everything

1972

01:21:31,250 --> 01:21:30,000

that was involved that was and then to

1973

01:21:35,510 --> 01:21:31,260

have it

1974

01:21:37,090 --> 01:21:35,520

be a hoax right this huge amount this

1975

01:21:40,850 --> 01:21:37,100

huge thing

1976

01:21:43,669 --> 01:21:40,860

oh yeah and and we went through that and

1977

01:21:46,550 --> 01:21:43,679

that was just one of many things that

1978

01:21:51,169 --> 01:21:46,560

happened uh throughout that uh period

1979

01:21:54,950 --> 01:21:51,179

the 90s uh late 80s and and in the 90s

1980

01:22:00,910 --> 01:21:54,960

in the ufology was great mj-12 Majestic

1981

01:22:06,530 --> 01:22:04,370

have patience but you know with what's

1982

01:22:09,709 --> 01:22:06,540

happened in this in the senate in

1983

01:22:11,390 --> 01:22:09,719

Congress and the ndaa now

1984

01:22:14,209 --> 01:22:11,400

um and

1985

01:22:16,729 --> 01:22:14,219

but I think next year is going to be

1986

01:22:19,790 --> 01:22:16,739

really exciting because all these things

1987

01:22:22,729 --> 01:22:19,800

this new this new uh Department

1988

01:22:25,970 --> 01:22:22,739

replacing the current task force will go

1989

01:22:27,530 --> 01:22:25,980

into effect and and and and what it says

1990

01:22:30,050 --> 01:22:27,540

in the ndaa

1991

01:22:32,570 --> 01:22:30,060

um that uh that they're supposed to

1992

01:22:34,430 --> 01:22:32,580

accomplish I mean it's just it's it's

1993

01:22:35,450 --> 01:22:34,440

mind-blowing and if you guys if anyone

1994

01:22:36,890 --> 01:22:35,460

listening doesn't know what I'm talking

1995

01:22:39,470 --> 01:22:36,900

about you guys look look this stuff up

1996

01:22:40,910 --> 01:22:39,480

look this stuff up read it's been making

1997

01:22:43,010 --> 01:22:40,920

the rounds

1998

01:22:44,149 --> 01:22:43,020

um the whole NDA has got all this other

1999

01:22:46,370 --> 01:22:44,159

stuff that has nothing to do with the

2000

01:22:48,590 --> 01:22:46,380

field but the 30 some odd pages in there

2001

01:22:51,110 --> 01:22:48,600

that that do I mean it's worth a read

2002

01:22:54,530 --> 01:22:51,120

because it'll just make you go oh my God

2003

01:22:56,689 --> 01:22:54,540

it you know if if even a smidgen of that

2004

01:22:57,470 --> 01:22:56,699

got implemented but it's all laws so

2005

01:22:59,870 --> 01:22:57,480

it's all supposed to be being

2006

01:23:01,250 --> 01:22:59,880

implemented and now we're hearing from

2007

01:23:03,530 --> 01:23:01,260

from Chris we just hear it Saturday

2008

01:23:05,270 --> 01:23:03,540

night we are getting a report and he

2009

01:23:07,490 --> 01:23:05,280

expects very much for us to have it

2010

01:23:10,790 --> 01:23:07,500

before Christmas it's sitting on the the

2011

01:23:13,729 --> 01:23:10,800

the desk of the odni the the

2012

01:23:16,250 --> 01:23:13,739

um Avril Haynes Sutter name yeah on her

2013

01:23:18,410 --> 01:23:16,260

desk and uh is according to him

2014

01:23:20,030 --> 01:23:18,420

according to Chris melon and so it's

2015

01:23:21,530 --> 01:23:20,040

it's sitting there and it's supposed to

2016

01:23:23,390 --> 01:23:21,540

now go to the different committees I

2017

01:23:25,010 --> 01:23:23,400

have some notes about it from listening

2018

01:23:28,430 --> 01:23:25,020

to Chris but it's supposed to go to the

2019

01:23:32,209 --> 01:23:28,440

different committees and and it may have

2020

01:23:34,130 --> 01:23:32,219

done that by now uh he was hoping that

2021

01:23:35,330 --> 01:23:34,140

we would have heard something or heard

2022

01:23:37,189 --> 01:23:35,340

something from the people in the

2023

01:23:40,610 --> 01:23:37,199

Committees that at least he's talking to

2024

01:23:43,430 --> 01:23:40,620

uh because he was interviewed and at

2025

01:23:44,630 --> 01:23:43,440

this event by Leslie Kane and so you

2026

01:23:47,270 --> 01:23:44,640

know he was saying in the interview with

2027

01:23:50,450 --> 01:23:47,280

Leslie that he Chris melon was saying I

2028

01:23:52,370 --> 01:23:50,460

expect that I was hoping that that we'd

2029

01:23:55,070 --> 01:23:52,380

have some answer or something about this

2030

01:23:56,930 --> 01:23:55,080

prior to my even being here but he says

2031

01:23:58,970 --> 01:23:56,940

I know it's on her desk and we're

2032

01:24:01,390 --> 01:23:58,980

supposed to hear something any any

2033

01:24:04,910 --> 01:24:01,400

minute and he sounded extremely

2034

01:24:06,709 --> 01:24:04,920

encouraging so so regardless even if it

2035

01:24:09,110 --> 01:24:06,719

got held up till after the holidays

2036

01:24:11,209 --> 01:24:09,120

because it's the holidays you know

2037

01:24:12,830 --> 01:24:11,219

we're getting a report it is happening

2038

01:24:15,169 --> 01:24:12,840

it it's

2039

01:24:16,669 --> 01:24:15,179

everything we're hearing through the

2040

01:24:19,250 --> 01:24:16,679

various grapevines and certainly what

2041

01:24:21,830 --> 01:24:19,260

Chris said suggests that it will be

2042

01:24:24,050 --> 01:24:21,840

meteor than the lat one last June you

2043

01:24:25,850 --> 01:24:24,060

know which still had some key nuggets

2044

01:24:27,669 --> 01:24:25,860

and I know we were all let down see the

2045

01:24:30,770 --> 01:24:27,679

again that we're talking about things

2046

01:24:33,649 --> 01:24:30,780

great I thought it was great yeah I I

2047

01:24:35,750 --> 01:24:33,659

did too because I loved it I see maybe

2048

01:24:37,010 --> 01:24:35,760

because also Jimmy you and I have been

2049

01:24:38,570 --> 01:24:37,020

through this like you were just saying

2050

01:24:40,850 --> 01:24:38,580

these periods of being let down in the

2051

01:24:43,189 --> 01:24:40,860

history of this so to have something

2052

01:24:47,689 --> 01:24:43,199

like that even happen to have hearings

2053

01:24:50,090 --> 01:24:47,699

even happen was huge I mean I think back

2054

01:24:51,950 --> 01:24:50,100

to 20 years ago in the field and we we

2055

01:24:53,870 --> 01:24:51,960

would have been doing cartwheels in the

2056

01:24:56,149 --> 01:24:53,880

aisles about any of these things

2057

01:24:57,770 --> 01:24:56,159

happening and so the the younger people

2058

01:25:00,709 --> 01:24:57,780

in the field that are newer to it I

2059

01:25:02,870 --> 01:25:00,719

think have been spoiled you know uh by

2060

01:25:05,630 --> 01:25:02,880

it by the you know abundance of riches

2061

01:25:08,930 --> 01:25:05,640

of so much that has happened and yet in

2062

01:25:13,310 --> 01:25:08,940

in the 75-year history of the field man

2063

01:25:15,770 --> 01:25:13,320

it's it's revolutionary you know and and

2064

01:25:17,149 --> 01:25:15,780

it's not going away you know it's Too

2065

01:25:19,070 --> 01:25:17,159

Faced out of tube completely you know

2066

01:25:20,630 --> 01:25:19,080

it's not going away yeah we can have

2067

01:25:22,669 --> 01:25:20,640

minor setbacks but that doesn't mean

2068

01:25:24,830 --> 01:25:22,679

everything's stopping it's just it's

2069

01:25:25,810 --> 01:25:24,840

just little slow downs but you guys you

2070

01:25:28,310 --> 01:25:25,820

know

2071

01:25:30,310 --> 01:25:28,320

where we've even gone in five years is

2072

01:25:33,410 --> 01:25:30,320

just hard to even think

2073

01:25:37,850 --> 01:25:33,420

the last time that that happened Melinda

2074

01:25:39,890 --> 01:25:37,860

if if we go back to I'm just it's 25

2075

01:25:43,850 --> 01:25:39,900

years ago so I don't remember the exact

2076

01:25:47,209 --> 01:25:43,860

dates but like 97 96 97 when we got the

2077

01:25:49,130 --> 01:25:47,219

Roswell Case Closed uh report and the

2078

01:25:53,209 --> 01:25:49,140

general Accounting Office got involved

2079

01:25:56,629 --> 01:25:53,219

and we had uh the congressman out of New

2080

01:26:00,229 --> 01:25:56,639

Mexico involved and um and so when all

2081

01:26:03,890 --> 01:26:00,239

of that was kicking off and and and that

2082

01:26:07,870 --> 01:26:03,900

that was the last like official thing

2083

01:26:12,709 --> 01:26:07,880

that went down and that was debunking

2084

01:26:16,490 --> 01:26:12,719

Roswell right yes and so from then until

2085

01:26:19,129 --> 01:26:16,500

last August 2021 that UFO report that's

2086

01:26:21,110 --> 01:26:19,139

all we've gotten yeah I can't think of

2087

01:26:22,669 --> 01:26:21,120

anything else the the Nimitz videos

2088

01:26:25,010 --> 01:26:22,679

don't count

2089

01:26:28,070 --> 01:26:25,020

um that's not what I'm talking about a a

2090

01:26:30,709 --> 01:26:28,080

report an actual drafted government

2091

01:26:34,550 --> 01:26:30,719

document and so yeah it was a big deal

2092

01:26:37,490 --> 01:26:34,560

and and a public hearing and and which

2093

01:26:40,370 --> 01:26:37,500

you know what as as bad as that was I

2094

01:26:42,850 --> 01:26:40,380

thought it was great too as well so well

2095

01:26:45,709 --> 01:26:42,860

to me that you know the the

2096

01:26:47,810 --> 01:26:45,719

the reading of Wilson Davis and the

2097

01:26:49,430 --> 01:26:47,820

public record was worth its the price of

2098

01:26:51,350 --> 01:26:49,440

admission right there man you know I

2099

01:26:54,169 --> 01:26:51,360

thought that that was that was a big

2100

01:26:56,629 --> 01:26:54,179

deal and um yeah you know so so you can

2101
01:26:58,910 --> 01:26:56,639
say oh on one hand there's sure there's

2102
01:27:00,709 --> 01:26:58,920
certain arguments about the June report

2103
01:27:02,750 --> 01:27:00,719
and the hearing being nothing Burger

2104
01:27:04,669 --> 01:27:02,760
sure but there's also stuff that did

2105
01:27:07,790 --> 01:27:04,679
happen and it's when you look at its

2106
01:27:09,649 --> 01:27:07,800
historic perspective that's where that's

2107
01:27:13,970 --> 01:27:09,659
my emphasis here that's the significance

2108
01:27:16,430 --> 01:27:13,980
and and and now with the NDA and the

2109
01:27:19,070 --> 01:27:16,440
next report so I think it's shaping up

2110
01:27:20,570 --> 01:27:19,080
that we're stepping into the end of the

2111
01:27:23,030 --> 01:27:20,580
issue or going into being in next year

2112
01:27:25,550 --> 01:27:23,040
being some interesting developments you

2113
01:27:27,830 --> 01:27:25,560

know it it'll it'll make for great

2114

01:27:30,709 --> 01:27:27,840

discussion on Twitter and Facebook and

2115

01:27:33,110 --> 01:27:30,719

other places and and in shows like yours

2116

01:27:35,209 --> 01:27:33,120

you know I mean it'll be endless amounts

2117

01:27:37,550 --> 01:27:35,219

of stuff to cover and I think it'll be a

2118

01:27:40,129 --> 01:27:37,560

newsworthy period I I was so encouraged

2119

01:27:42,310 --> 01:27:40,139

I already thought that Chris's

2120

01:27:44,390 --> 01:27:42,320

Chris melon's talk on Saturday wasn't

2121

01:27:46,729 --> 01:27:44,400

revolutionary to me it was telling me

2122

01:27:49,729 --> 01:27:46,739

what I already knew like I already

2123

01:27:52,070 --> 01:27:49,739

thought that I was not being pessimistic

2124

01:27:55,310 --> 01:27:52,080

I was being optimistic I said

2125

01:27:57,470 --> 01:27:55,320

you know I I didn't I saw it as things

2126

01:27:59,930 --> 01:27:57,480

had leveled out for a while but

2127

01:28:01,729 --> 01:27:59,940

certainly weren't going downhill and it

2128

01:28:05,390 --> 01:28:01,739

was a shot in the arm for the community

2129

01:28:07,250 --> 01:28:05,400

because he was so upbeat so positive and

2130

01:28:08,990 --> 01:28:07,260

and saying look we're getting a report

2131

01:28:10,370 --> 01:28:09,000

in the ndaa and everything it's

2132

01:28:12,410 --> 01:28:10,380

proposing and it's going to change

2133

01:28:13,570 --> 01:28:12,420

things and it's going to expose so much

2134

01:28:15,530 --> 01:28:13,580

stuff we're gonna have all these

2135

01:28:18,169 --> 01:28:15,540

whistleblowers and people coming forward

2136

01:28:20,750 --> 01:28:18,179

and you guys I don't say this lightly I

2137

01:28:22,910 --> 01:28:20,760

mean Chris was really very optimistic

2138

01:28:25,729 --> 01:28:22,920

and spelling it out the way he is and

2139

01:28:29,030 --> 01:28:25,739

and sounded like as someone who was

2140

01:28:30,530 --> 01:28:29,040

directly involved in the process that he

2141

01:28:34,070 --> 01:28:30,540

was saying that

2142

01:28:34,850 --> 01:28:34,080

like he knew that that was the case and

2143

01:28:36,830 --> 01:28:34,860

um

2144

01:28:40,189 --> 01:28:36,840

you know so it

2145

01:28:42,709 --> 01:28:40,199

I you know I I think we should take it

2146

01:28:45,110 --> 01:28:42,719

for that I you know may okay could he

2147

01:28:47,149 --> 01:28:45,120

not know or is he wishful thinking maybe

2148

01:28:49,850 --> 01:28:47,159

but I don't think I don't think that's

2149

01:28:51,890 --> 01:28:49,860

his I don't think he'd be that way I if

2150

01:28:54,290 --> 01:28:51,900

anything he seems to play it pretty safe

2151
01:28:56,750 --> 01:28:54,300
and in even some other recent interviews

2152
01:28:58,550 --> 01:28:56,760
right before last Saturday there might

2153
01:29:01,129 --> 01:28:58,560
have been dialing it back but then all

2154
01:29:03,050 --> 01:29:01,139
of a sudden he sounded very positive but

2155
01:29:05,390 --> 01:29:03,060
he kind of also he he kind of said it

2156
01:29:08,149 --> 01:29:05,400
was the group he was speaking to and

2157
01:29:09,770 --> 01:29:08,159
that he felt free to you know because he

2158
01:29:12,290 --> 01:29:09,780
knew he was amongst people who

2159
01:29:15,050 --> 01:29:12,300
understood and were knowledgeable you

2160
01:29:17,930 --> 01:29:15,060
know and I I recommend everybody here

2161
01:29:21,830 --> 01:29:17,940
now there's transcripts of this

2162
01:29:25,490 --> 01:29:21,840
um showing up uh online of his talk and

2163
01:29:28,010 --> 01:29:25,500

and and you can pay the money right now

2164

01:29:29,990 --> 01:29:28,020

to to was was it 30 bucks for the whole

2165

01:29:31,910 --> 01:29:30,000

thing to see all the presenters I mean

2166

01:29:34,070 --> 01:29:31,920

you know Whitley strieber all the

2167

01:29:36,470 --> 01:29:34,080

presenters were amazing um

2168

01:29:38,510 --> 01:29:36,480

start with What Jeffrey crippled the

2169

01:29:41,570 --> 01:29:38,520

gripel I forget I was saying last name

2170

01:29:42,470 --> 01:29:41,580

giving an amazing amazing talk in the

2171

01:29:45,229 --> 01:29:42,480

beginning

2172

01:29:47,870 --> 01:29:45,239

um every single one of them Whitley gave

2173

01:29:51,350 --> 01:29:47,880

this impassioned emotional talk

2174

01:29:52,669 --> 01:29:51,360

that as as an abdic T it it touched me

2175

01:29:54,950 --> 01:29:52,679

so much first off he's a dear friend

2176
01:29:57,110 --> 01:29:54,960
he's a very very dear friend and has

2177
01:29:59,810 --> 01:29:57,120
been for many many years but

2178
01:30:01,490 --> 01:29:59,820
but additionally and and I I immediately

2179
01:30:03,950 --> 01:30:01,500
texted him afterwards as a matter of

2180
01:30:06,110 --> 01:30:03,960
fact but I just it was so moving so

2181
01:30:08,149 --> 01:30:06,120
emotional as an abdicate I felt like he

2182
01:30:11,570 --> 01:30:08,159
what he's gone through over his

2183
01:30:14,090 --> 01:30:11,580
experiences I can relate because I've

2184
01:30:15,890 --> 01:30:14,100
been through that now maybe with not the

2185
01:30:18,110 --> 01:30:15,900
amount of certainly not the amount of

2186
01:30:21,290 --> 01:30:18,120
public attention that he's had and yet

2187
01:30:23,510 --> 01:30:21,300
the the profound effect that living with

2188
01:30:25,850 --> 01:30:23,520

his experiences have had on him and on

2189

01:30:28,970 --> 01:30:25,860

his life I recommend everybody listen to

2190

01:30:30,590 --> 01:30:28,980

this if you're if if you're an

2191

01:30:33,410 --> 01:30:30,600

experiencer you'll feel as a

2192

01:30:37,430 --> 01:30:33,420

particularly abdic T you'll feel so

2193

01:30:39,350 --> 01:30:37,440

Vindicated by what he had to say and and

2194

01:30:41,930 --> 01:30:39,360

if you're trying to understand how's the

2195

01:30:44,330 --> 01:30:41,940

abduction stuff relate you when you hear

2196

01:30:46,850 --> 01:30:44,340

that you'll get it you'll realize the

2197

01:30:48,470 --> 01:30:46,860

importance I mean and and Jimmy I'm glad

2198

01:30:51,290 --> 01:30:48,480

that we did talk about my experiences

2199

01:30:53,450 --> 01:30:51,300

today because granted there's you know a

2200

01:30:56,629 --> 01:30:53,460

lot more I have a life of experiences

2201

01:30:57,470 --> 01:30:56,639

um but it's it's

2202

01:31:00,410 --> 01:30:57,480

um

2203

01:31:02,510 --> 01:31:00,420

I think it's important back for like I

2204

01:31:05,030 --> 01:31:02,520

was saying for those same reason those

2205

01:31:06,290 --> 01:31:05,040

early abduction researchers were saying

2206

01:31:08,330 --> 01:31:06,300

you've got to talk about this you've got

2207

01:31:09,830 --> 01:31:08,340

to talk about this your your articulate

2208

01:31:12,530 --> 01:31:09,840

you can talk you're you're not afraid

2209

01:31:14,030 --> 01:31:12,540

you know and and so many abductees can't

2210

01:31:16,550 --> 01:31:14,040

whether it's their careers or their

2211

01:31:18,110 --> 01:31:16,560

families I mean I know abductees that

2212

01:31:20,510 --> 01:31:18,120

got involved in this field went public

2213

01:31:22,850 --> 01:31:20,520

you don't hear from anymore now and it's

2214

01:31:24,129 --> 01:31:22,860

because it got so rough for them or

2215

01:31:29,570 --> 01:31:24,139

because

2216

01:31:32,209 --> 01:31:29,580

they wanted their careers back that they

2217

01:31:34,550 --> 01:31:32,219

they're I I know very famous abductee

2218

01:31:36,290 --> 01:31:34,560

that was disowned by her children so to

2219

01:31:38,149 --> 01:31:36,300

have a relationship with her children

2220

01:31:39,470 --> 01:31:38,159

she had to turn her back on the field

2221

01:31:40,550 --> 01:31:39,480

actually I'll go ahead and say because

2222

01:31:43,070 --> 01:31:40,560

most people probably know what I'm

2223

01:31:46,189 --> 01:31:43,080

talking about Leah Haley you know and so

2224

01:31:47,870 --> 01:31:46,199

it's like you guys it's so much to go

2225

01:31:49,970 --> 01:31:47,880

through this and that's why that was so

2226

01:31:52,790 --> 01:31:49,980

moving what Whitley said it really spoke

2227

01:31:54,830 --> 01:31:52,800

to those of us who've been through it

2228

01:31:57,050 --> 01:31:54,840

and and can appreciate what he's been

2229

01:32:00,169 --> 01:31:57,060

through and what he and what he's had to

2230

01:32:02,870 --> 01:32:00,179

give up to be a public person in the

2231

01:32:05,570 --> 01:32:02,880

field as long as he's had yeah so and

2232

01:32:08,930 --> 01:32:05,580

and this is what's I I think is so

2233

01:32:11,450 --> 01:32:08,940

important uh to me and and to the

2234

01:32:15,709 --> 01:32:11,460

experiences and abductees out there is

2235

01:32:19,550 --> 01:32:15,719

that we have had so many documents uh

2236

01:32:21,890 --> 01:32:19,560

that have uh come out so many of them

2237

01:32:24,890 --> 01:32:21,900

are hoaxed

2238

01:32:27,350 --> 01:32:24,900

um and are not real and and and that

2239

01:32:28,850 --> 01:32:27,360

messes with people's minds it builds

2240

01:32:30,350 --> 01:32:28,860

them you know and they're happy and they

2241

01:32:33,229 --> 01:32:30,360

want to show it to their family and see

2242

01:32:36,590 --> 01:32:33,239

look and then we have something like the

2243

01:32:39,350 --> 01:32:36,600

Wilson Davis document Roll Along and

2244

01:32:42,110 --> 01:32:39,360

then to have a document like that it's a

2245

01:32:46,010 --> 01:32:42,120

memo uh to have a document like that

2246

01:32:49,189 --> 01:32:46,020

suddenly have support where we didn't

2247

01:32:51,890 --> 01:32:49,199

have it that didn't happen with mj-12

2248

01:32:53,810 --> 01:32:51,900

didn't happen with Majestic Aquarius

2249

01:32:57,050 --> 01:32:53,820

that turned out to be completely bogus

2250

01:32:59,570 --> 01:32:57,060

and the nro and the NSA document these

2251

01:33:01,370 --> 01:32:59,580

the the only official document according

2252

01:33:04,370 --> 01:33:01,380

to Stanton Friedman as far as he knows

2253

01:33:08,149 --> 01:33:04,380

was the Twining memo meanwhile we've got

2254

01:33:10,910 --> 01:33:08,159

a stack of stuff that has never been uh

2255

01:33:13,330 --> 01:33:10,920

vetted or confirmed I think there's

2256

01:33:16,550 --> 01:33:13,340

Wilson Davis

2257

01:33:19,010 --> 01:33:16,560

you and your participation with this I

2258

01:33:21,770 --> 01:33:19,020

know I'm going on and long-winded but

2259

01:33:24,169 --> 01:33:21,780

this is an important moment in ufology

2260

01:33:27,709 --> 01:33:24,179

for you and for others that have have

2261

01:33:31,910 --> 01:33:27,719

had experiences that now we can sit back

2262

01:33:34,850 --> 01:33:31,920

and go this document has got the people

2263

01:33:37,370 --> 01:33:34,860

in it now talking and we've got the

2264

01:33:39,410 --> 01:33:37,380

notes Jack Houck and Oak Shannon's notes

2265

01:33:41,510 --> 01:33:39,420

that also turn around and support this

2266

01:33:47,629 --> 01:33:41,520

document I think it's that important

2267

01:33:51,649 --> 01:33:49,490

yeah that's why you had me on on your

2268

01:33:54,709 --> 01:33:51,659

new TV show and I'm so excited that

2269

01:33:57,410 --> 01:33:54,719

that's gonna air soon um uh I've been

2270

01:33:59,450 --> 01:33:57,420

watching all the shows so far for uh

2271

01:34:01,129 --> 01:33:59,460

into the Vortex your new show and it's

2272

01:34:03,770 --> 01:34:01,139

fantastic all the interviews have been

2273

01:34:06,290 --> 01:34:03,780

really great and uh and I look so

2274

01:34:08,930 --> 01:34:06,300

forward to when when mine does air um

2275

01:34:10,129 --> 01:34:08,940

you know I'm sure you guys will clue me

2276

01:34:12,590 --> 01:34:10,139

in when that's going to happen but it's

2277

01:34:14,209 --> 01:34:12,600

you know any day now or any week now

2278

01:34:16,669 --> 01:34:14,219

um but that's

2279

01:34:19,850 --> 01:34:16,679

because we were talking about that and

2280

01:34:22,790 --> 01:34:19,860

and the significance that that has and

2281

01:34:24,890 --> 01:34:22,800

how then with Oak Shannon coming out and

2282

01:34:27,110 --> 01:34:24,900

then Grant saying okay I don't need to

2283

01:34:29,930 --> 01:34:27,120

sit on this he'd made a promise to Eric

2284

01:34:31,129 --> 01:34:29,940

Davis to sit on the Shannon notes and

2285

01:34:32,990 --> 01:34:31,139

then

2286

01:34:35,270 --> 01:34:33,000

based upon when Shannon is dead you can

2287

01:34:37,490 --> 01:34:35,280

put it out well once Shannon went public

2288

01:34:40,310 --> 01:34:37,500

Grant Cameron was like oh I can share

2289

01:34:42,050 --> 01:34:40,320

this now so he brought it out and then I

2290

01:34:44,450 --> 01:34:42,060

called up Grant and said hey you brought

2291

01:34:46,090 --> 01:34:44,460

out the Shannon notes the Jack notes

2292

01:34:48,970 --> 01:34:46,100

Jack Huck's notes from that original

2293

01:34:51,770 --> 01:34:48,980

working group meeting at BDM Corporation

2294

01:34:53,390 --> 01:34:51,780

backup Shannon's notes you know like

2295

01:34:55,970 --> 01:34:53,400

they're they're together they're just

2296

01:34:57,830 --> 01:34:55,980

additional evidence and Grant said yeah

2297

01:35:00,169 --> 01:34:57,840

absolutely now truth is I had actually

2298

01:35:02,570 --> 01:35:00,179

put mine out and uh researcher online

2299

01:35:04,430 --> 01:35:02,580

Keith fasterfield who's puts out a bunch

2300

01:35:05,689 --> 01:35:04,440

of great documents had released them for

2301

01:35:08,629 --> 01:35:05,699

me once before

2302

01:35:11,390 --> 01:35:08,639

um but that was kind of very low-key so

2303

01:35:13,729 --> 01:35:11,400

it was a matter of re-releasing them to

2304

01:35:16,370 --> 01:35:13,739

back up again that Grant was coming

2305

01:35:18,770 --> 01:35:16,380

forth the Shannon notes and I made my

2306

01:35:22,550 --> 01:35:18,780

God those Shannon notes have been this

2307

01:35:24,290 --> 01:35:22,560

incredible wealth of information well

2308

01:35:30,470 --> 01:35:24,300

how did it make you feel personally

2309

01:35:35,810 --> 01:35:33,410

uh I've been researching the working

2310

01:35:39,590 --> 01:35:35,820

group you know I've been the field for

2311

01:35:41,930 --> 01:35:39,600

34 years I've easily

2312

01:35:43,910 --> 01:35:41,940

28 if not three I'm at 30 of those 30 of

2313

01:35:45,890 --> 01:35:43,920

those years I've been researching that

2314

01:35:51,350 --> 01:35:45,900

and

2315

01:35:56,209 --> 01:35:53,209

I felt

2316

01:35:57,830 --> 01:35:56,219

like not only did Ira have house notes

2317

01:35:59,270 --> 01:35:57,840

and had gotten them from his family

2318

01:36:02,930 --> 01:35:59,280

years ago

2319

01:36:05,330 --> 01:36:02,940

um but it was like it was so much more

2320

01:36:07,430 --> 01:36:05,340

in-depth than that the Shannon notes and

2321

01:36:10,189 --> 01:36:07,440

there was so much information in there

2322

01:36:11,750 --> 01:36:10,199

that backed up Wilson Davis the I think

2323

01:36:13,490 --> 01:36:11,760

the biggest one and I hope people

2324

01:36:15,110 --> 01:36:13,500

listening are following this the

2325

01:36:16,970 --> 01:36:15,120

bouncing balls on some of these stories

2326

01:36:17,870 --> 01:36:16,980

you know we're kind of assuming people

2327

01:36:19,970 --> 01:36:17,880

are

2328

01:36:23,510 --> 01:36:19,980

um but the reference in the Shannon

2329

01:36:25,430 --> 01:36:23,520

notes back in 85 at the BDM meeting

2330

01:36:28,310 --> 01:36:25,440

saying that they were calling themselves

2331

01:36:30,470 --> 01:36:28,320

the AP 10 group and the Wilson Davis

2332

01:36:32,390 --> 01:36:30,480

having this weird code name that

2333

01:36:34,550 --> 01:36:32,400

everyone kind of assumed what they knew

2334

01:36:36,910 --> 01:36:34,560

what they meant but no one knew for sure

2335

01:36:39,530 --> 01:36:36,920

because there were no other references

2336

01:36:41,510 --> 01:36:39,540

here Grant who'd been sitting on this

2337

01:36:43,850 --> 01:36:41,520

thing comes out with it had not read it

2338

01:36:45,709 --> 01:36:43,860

so there it is that was in there and

2339

01:36:49,070 --> 01:36:45,719

there's the AP 10 reference right and

2340

01:36:51,470 --> 01:36:49,080

it's like fits like a glove backs up you

2341

01:36:53,090 --> 01:36:51,480

know the reality of some of the multiple

2342

01:36:56,930 --> 01:36:53,100

things not idea of Shannon himself

2343

01:36:59,330 --> 01:36:56,940

saying what Admiral Wilson says I said

2344

01:37:01,070 --> 01:36:59,340

in those discussions with him those

2345

01:37:04,669 --> 01:37:01,080

discussions happen and I said those

2346

01:37:07,070 --> 01:37:04,679

things you know but on top of that that

2347

01:37:10,430 --> 01:37:07,080

reference to ap10 and then in the

2348

01:37:12,229 --> 01:37:10,440

Shannon notes from 85 is the same name I

2349

01:37:15,229 --> 01:37:12,239

mean and other things I mean there's so

2350

01:37:18,649 --> 01:37:15,239

much but but yeah and then and then it

2351

01:37:21,470 --> 01:37:18,659

became a research source

2352

01:37:24,770 --> 01:37:21,480

such a huge story that a couple

2353

01:37:28,129 --> 01:37:24,780

researchers dived in and decided to go

2354

01:37:31,490 --> 01:37:28,139

deeper and you end up with

2355

01:37:32,930 --> 01:37:31,500

Omega point and hermetic penetrator

2356

01:37:34,490 --> 01:37:32,940

um and so

2357

01:37:35,570 --> 01:37:34,500

Omega Point these now come public Daniel

2358

01:37:38,750 --> 01:37:35,580

but

2359

01:37:40,070 --> 01:37:38,760

um that they wrote this incredible about

2360

01:37:42,770 --> 01:37:40,080

250

2361

01:37:45,649 --> 01:37:42,780

page document called loose threads

2362

01:37:49,070 --> 01:37:45,659

diving deep into the history of the

2363

01:37:51,290 --> 01:37:49,080

working group and into all these you

2364

01:37:53,090 --> 01:37:51,300

know minor points and I recommend

2365

01:37:55,129 --> 01:37:53,100

everyone everyone is a serious

2366

01:37:57,649 --> 01:37:55,139

researcher in the field needs to read

2367

01:38:00,350 --> 01:37:57,659

loose threads it's it's a mess I mean

2368

01:38:02,330 --> 01:38:00,360

you know you know you know who feels as

2369

01:38:04,550 --> 01:38:02,340

strongly as I do about it Jimmy is

2370

01:38:08,270 --> 01:38:04,560

Richard you know you've had him on

2371

01:38:11,750 --> 01:38:08,280

talking about it yeah yeah yeah yeah and

2372

01:38:14,629 --> 01:38:11,760

um the I think that the biggest Point uh

2373

01:38:19,610 --> 01:38:14,639

the biggest takeaway for me uh with all

2374

01:38:22,490 --> 01:38:19,620

of that is I look at things with squinty

2375

01:38:26,510 --> 01:38:22,500

eyes Melinda I'm just like you know I I

2376

01:38:28,209 --> 01:38:26,520

trust nothing uh I've been through this

2377

01:38:33,770 --> 01:38:28,219

um I I remember

2378

01:38:36,850 --> 01:38:33,780

uh reading all of the open Minds website

2379

01:38:40,729 --> 01:38:36,860

from 1995 that came out of Las Vegas

2380

01:38:44,270 --> 01:38:40,739

that was the most insane website about

2381

01:38:46,129 --> 01:38:44,280

ufology ever and going through and and

2382

01:38:49,550 --> 01:38:46,139

connecting the dots and unconnecting

2383

01:38:51,649 --> 01:38:49,560

dots so many times in my life that even

2384

01:38:53,810 --> 01:38:51,659

with the Wilson Davis document when it

2385

01:38:55,490 --> 01:38:53,820

came out I

2386

01:38:59,709 --> 01:38:55,500

thought that it was too good to be true

2387

01:39:03,470 --> 01:38:59,719

I did I I thought it's it's too perfect

2388

01:39:08,930 --> 01:39:03,480

to have that for me to go emotionally

2389

01:39:12,050 --> 01:39:08,940

from that mindset to I mean uh Joy I

2390

01:39:14,090 --> 01:39:12,060

mean real Joy I am happy I am happy for

2391

01:39:17,510 --> 01:39:14,100

the community I'm happy for those people

2392

01:39:20,930 --> 01:39:17,520

that have been ridiculed and and made

2393

01:39:23,209 --> 01:39:20,940

fun of by families and employers and and

2394

01:39:26,090 --> 01:39:23,219

friends and and everything else or this

2395

01:39:27,709 --> 01:39:26,100

document is going to change things I

2396

01:39:30,410 --> 01:39:27,719

think it's that big of a deal and when

2397

01:39:32,629 --> 01:39:30,420

when Richard said you know document of

2398

01:39:35,510 --> 01:39:32,639

the century you know what I don't think

2399

01:39:38,209 --> 01:39:35,520

he's wrong now yeah and he took a lot of

2400

01:39:41,810 --> 01:39:38,219

heat for for going out front and getting

2401

01:39:43,970 --> 01:39:41,820

ahead of his skis like he did but he

2402

01:39:45,649 --> 01:39:43,980

knew he knew things that none of us did

2403

01:39:48,110 --> 01:39:45,659

at the time

2404

01:39:50,030 --> 01:39:48,120

um but yeah and he knew

2405

01:39:54,110 --> 01:39:50,040

he knew it was important for the same

2406

01:39:56,030 --> 01:39:54,120

reason I did well actually

2407

01:39:57,950 --> 01:39:56,040

he knew because he had been told

2408

01:39:59,930 --> 01:39:57,960

something about it years ago a brief bit

2409

01:40:01,490 --> 01:39:59,940

anyways it had seen it and then so it

2410

01:40:04,550 --> 01:40:01,500

came out he recognized for what it was

2411

01:40:05,810 --> 01:40:04,560

and that and he knew the source that he

2412

01:40:08,030 --> 01:40:05,820

got it from

2413

01:40:10,370 --> 01:40:08,040

gave it tremendous credibility long

2414

01:40:11,990 --> 01:40:10,380

story short there but I knew for the

2415

01:40:13,910 --> 01:40:12,000

same reason I should say Grant Cameron

2416

01:40:16,189 --> 01:40:13,920

did when we first thought it was seeing

2417

01:40:17,629 --> 01:40:16,199

the oak Shannon name knowing that that

2418

01:40:19,010 --> 01:40:17,639

meant that was working group because

2419

01:40:22,790 --> 01:40:19,020

that was one of the original working

2420

01:40:25,910 --> 01:40:22,800

group members and and and so not only

2421

01:40:28,850 --> 01:40:25,920

did we know that that's therefore this

2422

01:40:31,550 --> 01:40:28,860

was nids it was working group we knew

2423

01:40:34,370 --> 01:40:31,560

that it had it was in with nid's

2424

01:40:36,350 --> 01:40:34,380

documents in the possession of Dr Edgar

2425

01:40:37,490 --> 01:40:36,360

Mitchell you know so we knew that

2426

01:40:40,189 --> 01:40:37,500

history

2427

01:40:41,930 --> 01:40:40,199

um and and I knew the gentleman who

2428

01:40:44,149 --> 01:40:41,940

originally got them so I knew the full

2429

01:40:45,950 --> 01:40:44,159

background of how they came up and how

2430

01:40:48,350 --> 01:40:45,960

they were received and how it you know

2431

01:40:51,590 --> 01:40:48,360

changed hands but so all that together

2432

01:40:53,090 --> 01:40:51,600

and as Richard learned that is why some

2433

01:40:55,729 --> 01:40:53,100

of us were so certain from the beginning

2434

01:40:57,709 --> 01:40:55,739

that this was legitimate because it all

2435

01:41:00,169 --> 01:40:57,719

made sense it was a perfect chain of

2436

01:41:02,030 --> 01:41:00,179

custody and we know how it came out and

2437

01:41:06,290 --> 01:41:02,040

we knew what some of the things in there

2438

01:41:07,189 --> 01:41:06,300

and and now with the Shannon notes that

2439

01:41:10,070 --> 01:41:07,199

like

2440

01:41:12,530 --> 01:41:10,080

icing on the cake that puts it to bed I

2441

01:41:15,709 --> 01:41:12,540

mean it's like to have the ap10

2442

01:41:19,129 --> 01:41:15,719

reference in there and other things in

2443

01:41:21,470 --> 01:41:19,139

there mentioned that these that these

2444

01:41:23,510 --> 01:41:21,480

meeting notes from 85

2445

01:41:25,970 --> 01:41:23,520

from the advanced theoretical physics

2446

01:41:28,729 --> 01:41:25,980

working group meeting at BDM

2447

01:41:32,149 --> 01:41:28,739

ends up being referenced in there to the

2448

01:41:34,129 --> 01:41:32,159

you know in in and so directly and and

2449

01:41:37,430 --> 01:41:34,139

thus backing up you know that Shannon

2450

01:41:40,250 --> 01:41:37,440

and that link and so it it's like

2451
01:41:43,189 --> 01:41:40,260
it's so complicated and so layered and

2452
01:41:46,370 --> 01:41:43,199
going back to 1985 to the current to

2453
01:41:48,530 --> 01:41:46,380
this to the to that meeting with Erica

2454
01:41:51,649 --> 01:41:48,540
Davis and Admiral Wilson in a car and

2455
01:41:55,129 --> 01:41:51,659
what was the year of that 2000 what do

2456
01:41:58,370 --> 01:41:55,139
you remember 2001 2007. yeah and and and

2457
01:42:00,410 --> 01:41:58,380
and for me you know and so there's this

2458
01:42:03,169 --> 01:42:00,420
seamless the seamless connection Through

2459
01:42:06,590 --> 01:42:03,179
The Years here yeah for me I keep going

2460
01:42:09,770 --> 01:42:06,600
back to I think it's page 13. and the

2461
01:42:12,290 --> 01:42:09,780
conversation uh between Admiral Wilson

2462
01:42:14,390 --> 01:42:12,300
and the three dudes from Lockheed you

2463
01:42:17,209 --> 01:42:14,400

know the project manager the lawyer and

2464

01:42:19,669 --> 01:42:17,219

the head of security and when they go

2465

01:42:21,290 --> 01:42:19,679

okay you know what it's aliens dude it's

2466

01:42:25,910 --> 01:42:21,300

aliens all right all right it's aliens

2467

01:42:31,250 --> 01:42:25,920

and we have a ship and we think it can

2468

01:42:34,790 --> 01:42:31,260

fly and and and you you read how that

2469

01:42:37,669 --> 01:42:34,800

conversation went down and that

2470

01:42:39,290 --> 01:42:37,679

um Admiral Wilson said that the three of

2471

01:42:42,169 --> 01:42:39,300

the it got heated and they're fighting

2472

01:42:44,689 --> 01:42:42,179

back and forth and then they go dude

2473

01:42:47,030 --> 01:42:44,699

you can cry about this all you want we

2474

01:42:49,790 --> 01:42:47,040

don't we don't give a [h__h] and you can

2475

01:42:51,169 --> 01:42:49,800

yell you can scream we don't care as a

2476

01:42:53,570 --> 01:42:51,179

matter of fact

2477

01:42:56,750 --> 01:42:53,580

fly back to Washington and start crying

2478

01:43:00,290 --> 01:42:56,760

it doesn't matter to us we're way above

2479

01:43:01,250 --> 01:43:00,300

your pay grade and and to see that kind

2480

01:43:05,689 --> 01:43:01,260

of

2481

01:43:08,330 --> 01:43:05,699

um tone where if you're in that black

2482

01:43:10,490 --> 01:43:08,340

world that sap world the alien

2483

01:43:13,550 --> 01:43:10,500

technology World backwards engineering

2484

01:43:16,729 --> 01:43:13,560

world you you you don't care about the

2485

01:43:19,310 --> 01:43:16,739

president you don't care about J2 you

2486

01:43:22,609 --> 01:43:19,320

don't care about the Joint Chiefs you're

2487

01:43:24,050 --> 01:43:22,619

in a whole nother level of of secrecy it

2488

01:43:26,450 --> 01:43:24,060

was like yeah and it was like they were

2489

01:43:28,729 --> 01:43:26,460

willing to bite the ham that fed them

2490

01:43:32,470 --> 01:43:28,739

because he said no look whether you guys

2491

01:43:36,050 --> 01:43:32,480

get funding is under my you know

2492

01:43:38,990 --> 01:43:36,060

like you know it's like it's like your

2493

01:43:41,570 --> 01:43:39,000

your programs don't get government and

2494

01:43:44,390 --> 01:43:41,580

don't get military funding you know your

2495

01:43:46,370 --> 01:43:44,400

Black Ops unless it goes through my

2496

01:43:47,810 --> 01:43:46,380

department you know and yet they said no

2497

01:43:50,629 --> 01:43:47,820

you don't have a need to know you know

2498

01:43:54,229 --> 01:43:50,639

and so of course he's upset and then he

2499

01:43:55,669 --> 01:43:54,239

goes back to to the his sap guys that

2500

01:43:58,729 --> 01:43:55,679

originally made you know the connection

2501

01:44:00,649 --> 01:43:58,739

for him and and apparently he set up

2502

01:44:03,430 --> 01:44:00,659

because he because he was threatened

2503

01:44:06,290 --> 01:44:03,440

with you won't move up in rank you won't

2504

01:44:08,810 --> 01:44:06,300

achieve the head of

2505

01:44:10,609 --> 01:44:08,820

um um Joint Chiefs of Staff you know and

2506

01:44:13,669 --> 01:44:10,619

so it's like

2507

01:44:18,430 --> 01:44:13,679

he he sat on it for a couple years but

2508

01:44:25,209 --> 01:44:21,649

he went back to Washington DC Melinda

2509

01:44:29,810 --> 01:44:25,219

and and started raising and they said

2510

01:44:33,050 --> 01:44:29,820

uh it now now you need to no no whatever

2511

01:44:35,450 --> 01:44:33,060

and he was shocked and he had said and

2512

01:44:37,910 --> 01:44:35,460

this is the this is why it goes back to

2513

01:44:39,229 --> 01:44:37,920

the old Shannon notes though yeah he had

2514

01:44:43,310 --> 01:44:39,239

said that

2515

01:44:46,669 --> 01:44:43,320

um uh he finally realized that there was

2516

01:44:49,070 --> 01:44:46,679

a level of secrecy above where he

2517

01:44:51,229 --> 01:44:49,080

thought he was which was at the pippy

2518

01:44:52,910 --> 01:44:51,239

top and there was a level of secrecy

2519

01:44:55,430 --> 01:44:52,920

above that and if you go back to the Oak

2520

01:44:57,410 --> 01:44:55,440

Shannon notes and Jack Houck and and

2521

01:45:01,490 --> 01:44:57,420

those notes where they said nah

2522

01:45:04,970 --> 01:45:01,500

president nah no doesn't no not on the

2523

01:45:07,970 --> 01:45:04,980

list and and what did Admiral Wilson say

2524

01:45:09,950 --> 01:45:07,980

about the bigot list no politicians yeah

2525

01:45:13,010 --> 01:45:09,960

no politicians out there no military

2526

01:45:15,770 --> 01:45:13,020

people yeah on there you know and and

2527

01:45:18,770 --> 01:45:15,780

that that and the two of them

2528

01:45:20,990 --> 01:45:18,780

Oak Shannon's notes Jack houck's notes

2529

01:45:23,830 --> 01:45:21,000

and Admiral Wilson's conversation with

2530

01:45:27,109 --> 01:45:23,840

Eric Davis all support

2531

01:45:29,750 --> 01:45:27,119

this mindset of secrecy see and it's

2532

01:45:31,430 --> 01:45:29,760

that's what makes and I and you you and

2533

01:45:33,350 --> 01:45:31,440

I and Richard apparently were in

2534

01:45:35,570 --> 01:45:33,360

agreement here this document is

2535

01:45:37,189 --> 01:45:35,580

important for these reasons it it speaks

2536

01:45:38,810 --> 01:45:37,199

to yes there's a reverse engineering

2537

01:45:42,169 --> 01:45:38,820

program there's technology in the hands

2538

01:45:44,209 --> 01:45:42,179

of private companies and and and that

2539

01:45:46,430 --> 01:45:44,219

was retrieved from Crash retrieval so

2540

01:45:49,729 --> 01:45:46,440

you know it's all this together that

2541

01:45:55,129 --> 01:45:49,739

there's working groups you know managing

2542

01:45:56,450 --> 01:45:55,139

this and and then it also gets into

2543

01:45:58,669 --> 01:45:56,460

yeah

2544

01:46:02,750 --> 01:45:58,679

like you were just saying how deep the

2545

01:46:04,430 --> 01:46:02,760

secrecy goes how it works so this what

2546

01:46:06,229 --> 01:46:04,440

we call it document is really just the

2547

01:46:08,390 --> 01:46:06,239

notes from the meeting it's Eric Davis's

2548

01:46:11,689 --> 01:46:08,400

notes from talking to the Admiral when

2549

01:46:15,050 --> 01:46:11,699

he finally decided to connect up with

2550

01:46:16,790 --> 01:46:15,060

these guys after sitting on it uh and

2551
01:46:19,270 --> 01:46:16,800
then and then you know coming forward

2552
01:46:22,010 --> 01:46:19,280
and and and and

2553
01:46:24,470 --> 01:46:22,020
reporting back to

2554
01:46:26,510 --> 01:46:24,480
the folks from nids and obviously them

2555
01:46:28,970 --> 01:46:26,520
putting him together with Eric because

2556
01:46:30,830 --> 01:46:28,980
of Shannon's recommendation so he meets

2557
01:46:34,070 --> 01:46:30,840
with Eric but

2558
01:46:36,109 --> 01:46:34,080
but the whole point is it is it speaks

2559
01:46:38,270 --> 01:46:36,119
like like we're just saying it tells

2560
01:46:39,830 --> 01:46:38,280
what the cover up is about it's about

2561
01:46:41,330 --> 01:46:39,840
the technology the development the

2562
01:46:44,149 --> 01:46:41,340
reverse engineering it's about these

2563
01:46:46,669 --> 01:46:44,159

programs it's about the money and the in

2564

01:46:49,370 --> 01:46:46,679

total embarrassment here because the

2565

01:46:50,990 --> 01:46:49,380

government lost if this is true it means

2566

01:46:52,850 --> 01:46:51,000

the government lost control of this

2567

01:46:55,250 --> 01:46:52,860

subject because it went into corporate

2568

01:46:56,930 --> 01:46:55,260

hands and what we're finding now with

2569

01:46:59,450 --> 01:46:56,940

the ndaa and what's going to happen

2570

01:47:01,310 --> 01:46:59,460

moving forward Bingo but we're going to

2571

01:47:02,810 --> 01:47:01,320

haven't happened moving forward is it's

2572

01:47:05,629 --> 01:47:02,820

the Senate and Congress are going to

2573

01:47:08,030 --> 01:47:05,639

start figuring this out that that the

2574

01:47:10,129 --> 01:47:08,040

government lost control and the dods egg

2575

01:47:13,490 --> 01:47:10,139

on their face because they let it happen

2576

01:47:15,350 --> 01:47:13,500

through the saps they fed this stuff to

2577

01:47:18,229 --> 01:47:15,360

corporate entities and they lost control

2578

01:47:20,209 --> 01:47:18,239

of it and they have egg on the face and

2579

01:47:21,890 --> 01:47:20,219

of course complicit in that from day one

2580

01:47:24,169 --> 01:47:21,900

because they've really always known the

2581

01:47:27,530 --> 01:47:24,179

truth you have a combination of the Air

2582

01:47:29,330 --> 01:47:27,540

Force and NASA you know and so yeah

2583

01:47:32,030 --> 01:47:29,340

therefore installing on this because

2584

01:47:33,229 --> 01:47:32,040

they're going to have to answer to the

2585

01:47:35,689 --> 01:47:33,239

fact that

2586

01:47:36,770 --> 01:47:35,699

that they screwed this up the Air Force

2587

01:47:38,870 --> 01:47:36,780

is going to have to answer to that

2588

01:47:41,209 --> 01:47:38,880

they're going to have to realize you

2589

01:47:43,790 --> 01:47:41,219

know that they've known all along and

2590

01:47:46,729 --> 01:47:43,800

and that this they the government lost

2591

01:47:48,350 --> 01:47:46,739

control of this and I hope that the

2592

01:47:50,750 --> 01:47:48,360

senate in Congress I said I think I said

2593

01:47:52,910 --> 01:47:50,760

this when we taped the show I think I

2594

01:47:54,350 --> 01:47:52,920

said this with you I hope they have I'll

2595

01:47:56,629 --> 01:47:54,360

say here the balls I don't know if I

2596

01:47:59,030 --> 01:47:56,639

said that then but the balls to con to

2597

01:48:00,770 --> 01:47:59,040

pursue this and take it as far as it

2598

01:48:02,930 --> 01:48:00,780

needs to go to realize this has gone

2599

01:48:04,790 --> 01:48:02,940

into corporate hands and someone's got

2600

01:48:07,970 --> 01:48:04,800

to answer to that

2601
01:48:09,649 --> 01:48:07,980
because you know this this knowledge

2602
01:48:11,330 --> 01:48:09,659
everyone out there knows this you know

2603
01:48:13,970 --> 01:48:11,340
this knowledge an extraterrestrial

2604
01:48:16,490 --> 01:48:13,980
presence the technology and how it could

2605
01:48:20,450 --> 01:48:16,500
benefit mankind is something for all of

2606
01:48:22,910 --> 01:48:20,460
us okay it's not it it should not be a

2607
01:48:24,470 --> 01:48:22,920
corporate secret it should not be a DOD

2608
01:48:26,570 --> 01:48:24,480
secret and it shouldn't be a government

2609
01:48:28,910 --> 01:48:26,580
secret it's for all of us we all can

2610
01:48:31,550 --> 01:48:28,920
benefit from the knowledge

2611
01:48:34,790 --> 01:48:31,560
um and the development and and

2612
01:48:36,890 --> 01:48:34,800
do things that help our society be

2613
01:48:39,890 --> 01:48:36,900

better certainly the environment you

2614

01:48:42,189 --> 01:48:39,900

know free energy all that stuff combined

2615

01:48:45,050 --> 01:48:42,199

with the knowledge that we are not alone

2616

01:48:47,990 --> 01:48:45,060

and in that knowledge we're not alone is

2617

01:48:50,330 --> 01:48:48,000

how these et's function which is a

2618

01:48:52,010 --> 01:48:50,340

matter and their craft function as a

2619

01:48:55,490 --> 01:48:52,020

matter of consciousness

2620

01:48:59,109 --> 01:48:55,500

well but here's the here's the problem

2621

01:49:03,109 --> 01:48:59,119

Congress and the Capitol Hill in general

2622

01:49:06,850 --> 01:49:03,119

they don't know what questions to ask

2623

01:49:11,030 --> 01:49:06,860

because they don't know what is going on

2624

01:49:14,149 --> 01:49:11,040

and once that money leaves Congress and

2625

01:49:16,550 --> 01:49:14,159

goes out into these saps that's the

2626

01:49:18,290 --> 01:49:16,560

light that they don't know they don't

2627

01:49:20,570 --> 01:49:18,300

know about a backwards engineering

2628

01:49:23,510 --> 01:49:20,580

program they don't know what's going on

2629

01:49:27,010 --> 01:49:23,520

out of it like they they because of that

2630

01:49:29,570 --> 01:49:27,020

and will they ever find out no that well

2631

01:49:33,830 --> 01:49:29,580

with this whistleblower protection stuff

2632

01:49:36,530 --> 01:49:33,840

Jimmy yeah but but that that's a that's

2633

01:49:37,970 --> 01:49:36,540

another that's pilots and and things and

2634

01:49:41,870 --> 01:49:37,980

stuff no maybe more than that they're

2635

01:49:46,790 --> 01:49:44,030

first engineering there is nobody from

2636

01:49:49,250 --> 01:49:46,800

the bigot list that is going to be uh

2637

01:49:51,770 --> 01:49:49,260

willing to come out and speak about this

2638

01:49:53,750 --> 01:49:51,780

with was they have nothing to gain that

2639

01:49:56,149 --> 01:49:53,760

that doesn't change the backwards

2640

01:49:57,950 --> 01:49:56,159

engineering but I don't see any of them

2641

01:49:59,450 --> 01:49:57,960

coming you could go with guys involved

2642

01:50:01,669 --> 01:49:59,460

in Crash retrievals where did those

2643

01:50:03,290 --> 01:50:01,679

crashes go and then they have to dig but

2644

01:50:04,790 --> 01:50:03,300

that's different that's different but

2645

01:50:06,350 --> 01:50:04,800

that's where you dig where did the

2646

01:50:08,330 --> 01:50:06,360

crashes go when they're retrieved and

2647

01:50:09,950 --> 01:50:08,340

then they it it's we're talking it's

2648

01:50:11,870 --> 01:50:09,960

going to be a huge investigation and

2649

01:50:14,810 --> 01:50:11,880

that's why I said I hope Senate in the

2650

01:50:16,550 --> 01:50:14,820

Congress has has the conus to go where

2651
01:50:18,830 --> 01:50:16,560
it needs to go to ask the next step

2652
01:50:20,990 --> 01:50:18,840
question to if they start to get with

2653
01:50:23,510 --> 01:50:21,000
and they have a apparently enclosed door

2654
01:50:26,870 --> 01:50:23,520
sessions about crash retrievals and the

2655
01:50:29,570 --> 01:50:26,880
and and and if they and if they if they

2656
01:50:31,910 --> 01:50:29,580
have you know Eric Davis and Admiral

2657
01:50:35,510 --> 01:50:31,920
Wilson testify you know even if it's

2658
01:50:37,729 --> 01:50:35,520
closed door if if they pursue this they

2659
01:50:40,550 --> 01:50:37,739
can find out the right questions to look

2660
01:50:42,350 --> 01:50:40,560
where they need to and dig deeper and

2661
01:50:43,790 --> 01:50:42,360
uncover this that's one thing you know

2662
01:50:46,970 --> 01:50:43,800
it's one thing Chris melon said on

2663
01:50:48,229 --> 01:50:46,980

Saturday he said built into this

2664

01:50:50,570 --> 01:50:48,239

is

2665

01:50:53,030 --> 01:50:50,580

um I forget the wording but he said

2666

01:50:55,970 --> 01:50:53,040

built into this is the wherewithal and

2667

01:50:57,530 --> 01:50:55,980

the way for them to learn what the Air

2668

01:50:59,570 --> 01:50:57,540

Force really knows and what they've sat

2669

01:51:03,050 --> 01:50:59,580

on like they've purposely built that

2670

01:51:06,350 --> 01:51:03,060

into the ndaa that will if if they

2671

01:51:08,570 --> 01:51:06,360

pursue that it it prized that open and

2672

01:51:12,530 --> 01:51:08,580

he actually said that yeah yeah and and

2673

01:51:14,750 --> 01:51:12,540

and and and I agree and those uh that

2674

01:51:17,689 --> 01:51:14,760

type of whistleblower testimony if that

2675

01:51:19,609 --> 01:51:17,699

happens awesome but I'm going on the

2676

01:51:23,030 --> 01:51:19,619

record here I'm going to say two things

2677

01:51:26,149 --> 01:51:23,040

one Christopher Mellon doesn't know dick

2678

01:51:28,790 --> 01:51:26,159

number one about the alien he's pursuing

2679

01:51:31,370 --> 01:51:28,800

it but does he know no he doesn't you

2680

01:51:36,709 --> 01:51:31,380

know why I can say that because we know

2681

01:51:38,810 --> 01:51:36,719

his name yes anybody that knows the real

2682

01:51:43,310 --> 01:51:38,820

set that has gone and touched an alien

2683

01:51:46,209 --> 01:51:43,320

backwards engineering uh and any anybody

2684

01:51:49,129 --> 01:51:46,219

that anybody that has seen an alien body

2685

01:51:52,729 --> 01:51:49,139

will never we will never know their name

2686

01:51:55,970 --> 01:51:52,739

number one name no no no no we won't I'm

2687

01:51:58,669 --> 01:51:55,980

telling you and they will never go very

2688

01:52:01,149 --> 01:51:58,679

happy people you know you go to like the

2689

01:52:03,950 --> 01:52:01,159

late the late

2690

01:52:05,990 --> 01:52:03,960

on his testimony and others they're not

2691

01:52:07,850 --> 01:52:06,000

all you know we've had a few people

2692

01:52:10,370 --> 01:52:07,860

already out there talking no no no no no

2693

01:52:12,850 --> 01:52:10,380

no no no no no that is not what I'm

2694

01:52:17,270 --> 01:52:12,860

talking about I'm talking about

2695

01:52:20,629 --> 01:52:17,280

employees of Lockheed or sap that have

2696

01:52:22,910 --> 01:52:20,639

been around the alien no no that no no

2697

01:52:25,189 --> 01:52:22,920

we'll never know okay well the point I

2698

01:52:26,629 --> 01:52:25,199

was just making though is if guys like a

2699

01:52:29,149 --> 01:52:26,639

Clifford Stone and others have actually

2700

01:52:32,090 --> 01:52:29,159

passed away but uh in the reverse

2701
01:52:34,010 --> 01:52:32,100
engineering program or even a David

2702
01:52:36,050 --> 01:52:34,020
Adair called in or whatever who you know

2703
01:52:38,270 --> 01:52:36,060
I'm just throwing out examples if you

2704
01:52:41,810 --> 01:52:38,280
get folks like this willing to come

2705
01:52:44,090 --> 01:52:41,820
forward given some support to do so

2706
01:52:47,270 --> 01:52:44,100
where they feel safer and there's legal

2707
01:52:49,490 --> 01:52:47,280
wherewithal and steps they can do to to

2708
01:52:51,470 --> 01:52:49,500
come forward hopefully this will help

2709
01:52:52,850 --> 01:52:51,480
prize some of them but but it'll cause

2710
01:52:55,250 --> 01:52:52,860
the Senate and the Congress and those

2711
01:52:57,649 --> 01:52:55,260
involved to know where to look to look

2712
01:53:00,649 --> 01:52:57,659
deeper and ask this is this is my

2713
01:53:03,169 --> 01:53:00,659

opinion okay and and I know I'm right

2714

01:53:06,050 --> 01:53:03,179

but this is my opinion Melinda that

2715

01:53:09,109 --> 01:53:06,060

Crystal blower protection is going to be

2716

01:53:11,209 --> 01:53:09,119

there for Pilots for members of the

2717

01:53:14,570 --> 01:53:11,219

military that have witnessed stuff that

2718

01:53:17,870 --> 01:53:14,580

have maybe written up reports and and

2719

01:53:22,310 --> 01:53:17,880

that section of things that whistle blow

2720

01:53:25,990 --> 01:53:22,320

her uh wording in the ndaa is not going

2721

01:53:28,729 --> 01:53:26,000

to cover the CEO of Lockheed

2722

01:53:31,370 --> 01:53:28,739

but it covers witnesses to things like

2723

01:53:33,709 --> 01:53:31,380

crash or dreams

2724

01:53:36,229 --> 01:53:33,719

eyes come forward which causes them to

2725

01:53:37,970 --> 01:53:36,239

then ask the next questions and take it

2726
01:53:40,970 --> 01:53:37,980
to the next level we're talking this

2727
01:53:42,530 --> 01:53:40,980
would be layers and layers of of closed

2728
01:53:44,689 --> 01:53:42,540
doors you understand what I'm saying

2729
01:53:46,729 --> 01:53:44,699
though Melinda I do but but I'm saying

2730
01:53:50,450 --> 01:53:46,739
it's going to start somewhere and if

2731
01:53:53,330 --> 01:53:50,460
that's why I'm saying if they have

2732
01:53:55,970 --> 01:53:53,340
if they have the strength to go deeper

2733
01:53:58,970 --> 01:53:55,980
and ask those next questions and take it

2734
01:54:01,550 --> 01:53:58,980
where it needs to go you know yeah okay

2735
01:54:04,070 --> 01:54:01,560
then they can get some individuals to

2736
01:54:06,350 --> 01:54:04,080
come forward I mean if they have

2737
01:54:08,270 --> 01:54:06,360
uh you know Eric Davis and Admiral

2738
01:54:11,149 --> 01:54:08,280

Wilson saying yeah we met and we had

2739

01:54:13,850 --> 01:54:11,159

that discussion you know well then then

2740

01:54:16,790 --> 01:54:13,860

then they'd be forced to go what's with

2741

01:54:19,070 --> 01:54:16,800

these sap guys sending you there okay

2742

01:54:21,229 --> 01:54:19,080

where did they send you you know who did

2743

01:54:22,790 --> 01:54:21,239

you talk to and who did then they can go

2744

01:54:28,810 --> 01:54:22,800

back to the guys running the sap

2745

01:54:34,370 --> 01:54:31,010

it'll never happen it'll never happen

2746

01:54:37,729 --> 01:54:34,380

the guy the guy the guy with the

2747

01:54:39,109 --> 01:54:37,739

clipboard right he's got a a ET sitting

2748

01:54:41,330 --> 01:54:39,119

in front of them okay so what do you

2749

01:54:43,310 --> 01:54:41,340

want for lunch today okay let's get that

2750

01:54:46,450 --> 01:54:43,320

going and and how are you feeling today

2751
01:54:50,149 --> 01:54:46,460
that guy taking the notes talking to E.T

2752
01:54:52,910 --> 01:54:50,159
you will never know his name ever ever

2753
01:54:57,709 --> 01:54:52,920
ever ever ever ever he's not testifying

2754
01:54:59,350 --> 01:54:57,719
under any clemency immunity I have had

2755
01:55:07,570 --> 01:54:59,360
guys like that come forward

2756
01:55:14,689 --> 01:55:11,030
and we will never know their names and

2757
01:55:18,169 --> 01:55:14,699
and maybe some things like that Melinda

2758
01:55:21,590 --> 01:55:18,179
maybe they just need to be now the the

2759
01:55:24,709 --> 01:55:21,600
knowledge of E.T coming here and uh and

2760
01:55:28,550 --> 01:55:24,719
making contact and and and that yeah

2761
01:55:32,390 --> 01:55:28,560
that that's fine but what we have

2762
01:55:34,370 --> 01:55:32,400
now so something's uh

2763
01:55:36,590 --> 01:55:34,380

um and I'm not saying we should do it

2764

01:55:40,129 --> 01:55:36,600

I'm saying that's the way it's going to

2765

01:55:42,890 --> 01:55:40,139

be handled I'm not I'm not uh for that

2766

01:55:44,649 --> 01:55:42,900

I'm just saying it'll never happen ever

2767

01:55:47,930 --> 01:55:44,659

ever

2768

01:55:49,669 --> 01:55:47,940

I may disagree with you in in at least

2769

01:55:52,010 --> 01:55:49,679

this way when again we're talking about

2770

01:55:53,810 --> 01:55:52,020

Wilson Davis you go back to that and and

2771

01:55:55,550 --> 01:55:53,820

and if

2772

01:55:56,810 --> 01:55:55,560

they have Eric say the meeting happened

2773

01:55:58,729 --> 01:55:56,820

then they have to go to Wilson Wilson

2774

01:56:00,530 --> 01:55:58,739

won't make Eric out to be a liar I don't

2775

01:56:03,350 --> 01:56:00,540

think I think in a closed door session

2776

01:56:05,990 --> 01:56:03,360

he'd go yeah he because especially with

2777

01:56:08,810 --> 01:56:06,000

the right Protections in place if that

2778

01:56:11,570 --> 01:56:08,820

should happen then hang on hang on then

2779

01:56:13,070 --> 01:56:11,580

that's forces the senate in Congress to

2780

01:56:17,209 --> 01:56:13,080

have to

2781

01:56:19,310 --> 01:56:17,219

go to the sap guys because if if they're

2782

01:56:21,950 --> 01:56:19,320

saying that that happened that's that

2783

01:56:23,990 --> 01:56:21,960

this has the potential so maybe that's

2784

01:56:25,970 --> 01:56:24,000

the biggest thing about that about those

2785

01:56:28,609 --> 01:56:25,980

notes is they have the potential to

2786

01:56:31,129 --> 01:56:28,619

start an investigation inquiry if they

2787

01:56:33,169 --> 01:56:31,139

go to the sap guys and say

2788

01:56:35,629 --> 01:56:33,179

how did you approve this what's going on

2789

01:56:37,850 --> 01:56:35,639

here because it it because there are

2790

01:56:39,470 --> 01:56:37,860

committees that that falls under them

2791

01:56:41,270 --> 01:56:39,480

and they do have to answer them or at

2792

01:56:42,229 --> 01:56:41,280

least they're supposed to so if if they

2793

01:56:44,090 --> 01:56:42,239

push it

2794

01:56:45,229 --> 01:56:44,100

it has potential now I'm not saying it's

2795

01:56:47,810 --> 01:56:45,239

going to happen overnight we're talking

2796

01:56:50,270 --> 01:56:47,820

this you guys it took 75 years to build

2797

01:56:52,370 --> 01:56:50,280

this country from 75 years doesn't do it

2798

01:56:54,169 --> 01:56:52,380

I don't think it will but I don't expect

2799

01:56:56,090 --> 01:56:54,179

it to happen overnight could it take

2800

01:56:59,510 --> 01:56:56,100

five years ten years you know whatever

2801
01:57:01,609 --> 01:56:59,520
but it's it's got to start somewhere and

2802
01:57:05,870 --> 01:57:01,619
it's got to start with our elected

2803
01:57:08,390 --> 01:57:05,880
officials answering to us to say this

2804
01:57:11,510 --> 01:57:08,400
technology is for the benefit of mankind

2805
01:57:13,970 --> 01:57:11,520
not a select few the knowledge about an

2806
01:57:18,229 --> 01:57:13,980
ET presence is the benefit of mankind

2807
01:57:21,109 --> 01:57:18,239
not a select two a select few and you

2808
01:57:23,390 --> 01:57:21,119
know and what that interaction means and

2809
01:57:26,510 --> 01:57:23,400
how it's going to help us develop it as

2810
01:57:29,750 --> 01:57:26,520
a human race and develop in

2811
01:57:31,790 --> 01:57:29,760
those Consciousness abilities those the

2812
01:57:34,129 --> 01:57:31,800
way we are supposed to be functioning

2813
01:57:36,169 --> 01:57:34,139

that we're living in this giant life

2814

01:57:40,010 --> 01:57:36,179

we're not reaching the full human

2815

01:57:42,709 --> 01:57:40,020

potential that we could have

2816

01:57:45,109 --> 01:57:42,719

um but it's got to start somewhere and

2817

01:57:48,350 --> 01:57:45,119

it starts with discovering these

2818

01:57:51,350 --> 01:57:48,360

programs and how we've been lied to and

2819

01:57:55,609 --> 01:57:51,360

starting to gank on that ball of string

2820

01:57:58,070 --> 01:57:55,619

to to unwind it you know and and and

2821

01:58:00,830 --> 01:57:58,080

they're at least they're looking I mean

2822

01:58:03,050 --> 01:58:00,840

it's the first time in the 34 years I've

2823

01:58:05,209 --> 01:58:03,060

been in this and it's pretty much

2824

01:58:06,589 --> 01:58:05,219

with a small exception of Project Blue

2825

01:58:08,629 --> 01:58:06,599

Book and some other things that's really

2826

01:58:11,870 --> 01:58:08,639

the first time that there's been a major

2827

01:58:13,910 --> 01:58:11,880

thing and I hope it keeps moving and and

2828

01:58:16,189 --> 01:58:13,920

I think it will go there because it has

2829

01:58:18,470 --> 01:58:16,199

to I also think it became the secret

2830

01:58:20,570 --> 01:58:18,480

they could no longer keep that that's

2831

01:58:22,310 --> 01:58:20,580

why we're getting it I think there's so

2832

01:58:23,930 --> 01:58:22,320

many siding so much knowledge so much

2833

01:58:26,510 --> 01:58:23,940

worldwide knowledge

2834

01:58:29,330 --> 01:58:26,520

so many people coming forward

2835

01:58:31,430 --> 01:58:29,340

and also maybe there's a need based upon

2836

01:58:33,890 --> 01:58:31,440

the fact the ETS are showing up so much

2837

01:58:35,930 --> 01:58:33,900

more you know that the need to bring

2838

01:58:38,510 --> 01:58:35,940

people up to speed so I think there's a

2839

01:58:40,970 --> 01:58:38,520

lot of things working together here that

2840

01:58:42,709 --> 01:58:40,980

it that has pushed it to being the

2841

01:58:44,870 --> 01:58:42,719

secret they can no longer keep or no

2842

01:58:46,790 --> 01:58:44,880

longer should keep and that and that

2843

01:58:47,990 --> 01:58:46,800

this is going to be a process but I

2844

01:58:50,870 --> 01:58:48,000

think we're going to see the process

2845

01:58:54,250 --> 01:58:50,880

speed up that's that's my feeling that's

2846

01:58:58,609 --> 01:58:54,260

my intuition too I I think it's tangible

2847

01:59:01,430 --> 01:58:58,619

uh my my issue is is that we have people

2848

01:59:04,729 --> 01:59:01,440

that are chasing answers right now and

2849

01:59:06,950 --> 01:59:04,739

that's great but uh uh Eric Davis

2850

01:59:09,890 --> 01:59:06,960

chasing answers he doesn't know anything

2851
01:59:14,209 --> 01:59:09,900
because we know Eric's name so therefore

2852
01:59:16,930 --> 01:59:14,219
he knows nothing uh Davis uh I mean uh

2853
01:59:19,910 --> 01:59:16,940
Wilson he was chasing

2854
01:59:22,669 --> 01:59:19,920
answers he didn't know anything the

2855
01:59:25,010 --> 01:59:22,679
people he went to that ran those saps

2856
01:59:27,290 --> 01:59:25,020
that said go talk to these guys they

2857
01:59:30,770 --> 01:59:27,300
knew and those are government employees

2858
01:59:33,530 --> 01:59:30,780
Melinda let me finish Chris Mellon we

2859
01:59:36,229 --> 01:59:33,540
know his name therefore he doesn't know

2860
01:59:39,350 --> 01:59:36,239
anything anybody that you could name

2861
01:59:42,229 --> 01:59:39,360
whether it's Elizondo or Hal putoff or

2862
01:59:44,270 --> 01:59:42,239
kit green they don't know and they're

2863
01:59:47,450 --> 01:59:44,280

chasing it they're trying to find

2864

01:59:50,089 --> 01:59:47,460

answers and which is great but those

2865

01:59:52,609 --> 01:59:50,099

that are in the know we're not going to

2866

01:59:54,890 --> 01:59:52,619

know their names and and and that's

2867

01:59:57,169 --> 01:59:54,900

that's it that part is not going to

2868

01:59:59,330 --> 01:59:57,179

change is there knowledge of E.T

2869

02:00:02,270 --> 01:59:59,340

visiting this planet gonna go official

2870

02:00:04,609 --> 02:00:02,280

yeah but those in the know that's that's

2871

02:00:06,950 --> 02:00:04,619

a level of stuff that we will never get

2872

02:00:08,750 --> 02:00:06,960

to you know and it's beyond the

2873

02:00:11,930 --> 02:00:08,760

president it's beyond everything else

2874

02:00:14,629 --> 02:00:11,940

and there's nothing that I I I I just

2875

02:00:16,490 --> 02:00:14,639

don't see it but but the point where the

2876
02:00:18,649 --> 02:00:16,500
Black Project money went to of them the

2877
02:00:22,790 --> 02:00:18,659
saps the use apps that's where the

2878
02:00:25,490 --> 02:00:22,800
crossover in into functioning areas of

2879
02:00:27,470 --> 02:00:25,500
government within the dod and the known

2880
02:00:29,810 --> 02:00:27,480
structure of government that that exists

2881
02:00:31,850 --> 02:00:29,820
that's the connection we always known

2882
02:00:34,310 --> 02:00:31,860
that you know I know but Senate Congress

2883
02:00:36,530 --> 02:00:34,320
needs to dig into that and say who knows

2884
02:00:39,169 --> 02:00:36,540
this who knows this that is there

2885
02:00:43,629 --> 02:00:39,179
there's four trillion dollars missing

2886
02:00:45,890 --> 02:00:43,639
everybody knows it think it's it's it's

2887
02:00:48,890 --> 02:00:45,900
you know it's it's it's it's it's it's

2888
02:00:51,649 --> 02:00:48,900

it's really funny it's going to do a lot

2889

02:00:54,290 --> 02:00:51,659

for the Tipping Point if they do have

2890

02:00:56,750 --> 02:00:54,300

high level Witnesses government and

2891

02:00:58,850 --> 02:00:56,760

Military guys coming forward

2892

02:01:01,189 --> 02:00:58,860

I can tell you from take out my tours

2893

02:01:04,010 --> 02:01:01,199

every night and I get a good sense of I

2894

02:01:06,410 --> 02:01:04,020

think John Q Publix you know where the

2895

02:01:08,990 --> 02:01:06,420

the where they're at with this based

2896

02:01:13,970 --> 02:01:09,000

upon I've taken out tens of thousands of

2897

02:01:16,729 --> 02:01:13,980

people I just did to her one of my 1595.

2898

02:01:19,609 --> 02:01:16,739

so I'm just close five away from 1600

2899

02:01:21,709 --> 02:01:19,619

tours and each one's been many people

2900

02:01:24,350 --> 02:01:21,719

and some of them have been groups of big

2901
02:01:25,790 --> 02:01:24,360
groups of people so it's I I've stopped

2902
02:01:27,410 --> 02:01:25,800
doing the math it's

2903
02:01:28,910 --> 02:01:27,420
twenty thousand forty thousand people

2904
02:01:30,470 --> 02:01:28,920
whatever I've taken out I have to do the

2905
02:01:33,470 --> 02:01:30,480
math again but

2906
02:01:35,810 --> 02:01:33,480
huge amounts of people those

2907
02:01:37,129 --> 02:01:35,820
I can tell you that people they want to

2908
02:01:40,250 --> 02:01:37,139
know

2909
02:01:42,649 --> 02:01:40,260
um that that there started to be a

2910
02:01:44,030 --> 02:01:42,659
change in opinion a couple years ago as

2911
02:01:45,290 --> 02:01:44,040
this was going and now it's kind of

2912
02:01:46,310 --> 02:01:45,300
leveled up so just like we're

2913
02:01:48,109 --> 02:01:46,320

experiencing the field things have

2914

02:01:49,370 --> 02:01:48,119

leveled off well I'm experiencing that

2915

02:01:51,169 --> 02:01:49,380

from what I'm hearing from my clients

2916

02:01:53,089 --> 02:01:51,179

from that number peaking to how many

2917

02:01:54,589 --> 02:01:53,099

people knew things like about the Tic

2918

02:01:56,570 --> 02:01:54,599

Tac or the Nimitz or whatever whatever

2919

02:01:59,030 --> 02:01:56,580

little piece they knew it's kind of

2920

02:02:00,350 --> 02:01:59,040

tapering off but not really going down

2921

02:02:01,609 --> 02:02:00,360

it's just kind of leveled out but as

2922

02:02:03,229 --> 02:02:01,619

soon as we get some more news stories

2923

02:02:05,390 --> 02:02:03,239

boom that'll

2924

02:02:08,450 --> 02:02:05,400

Spike again and what I'm saying is

2925

02:02:11,470 --> 02:02:08,460

public awareness you guys no one forget

2926

02:02:14,270 --> 02:02:11,480

that government still works for us okay

2927

02:02:16,189 --> 02:02:14,280

representative democracy it still works

2928

02:02:19,070 --> 02:02:16,199

for us it's supposed to work for that

2929

02:02:21,109 --> 02:02:19,080

way and we have to hold their feet to

2930

02:02:24,830 --> 02:02:21,119

the fire on this and you've got to have

2931

02:02:27,109 --> 02:02:24,840

your elected officials dig on this I'm

2932

02:02:29,390 --> 02:02:27,119

and realize it's not going to happen all

2933

02:02:32,209 --> 02:02:29,400

at once but it's so much has happened

2934

02:02:34,310 --> 02:02:32,219

already I think we're on the way and I

2935

02:02:37,010 --> 02:02:34,320

think we can do a lot to keep that ball

2936

02:02:39,290 --> 02:02:37,020

rolling keep it moving and that and that

2937

02:02:41,149 --> 02:02:39,300

we can get there with this I 20 years

2938

02:02:43,790 --> 02:02:41,159

ago I would have thought never ever in

2939

02:02:45,649 --> 02:02:43,800

my lifetime no I'm starting this could

2940

02:02:47,870 --> 02:02:45,659

still happen why I'm still alive yeah I

2941

02:02:50,450 --> 02:02:47,880

know I I think we're right there here's

2942

02:02:55,010 --> 02:02:50,460

the here's the thing

2943

02:02:56,750 --> 02:02:55,020

um I know Melinda the beer can UFO that

2944

02:02:58,910 --> 02:02:56,760

I had to Steve Murillo sitting next to

2945

02:03:01,970 --> 02:02:58,920

me I had 20 30 people there and we see

2946

02:03:04,669 --> 02:03:01,980

this giant 400 foot thing spinning

2947

02:03:07,129 --> 02:03:04,679

across the sky and then it phases out

2948

02:03:10,970 --> 02:03:07,139

this in the middle of the day clear blue

2949

02:03:12,830 --> 02:03:10,980

sky this wasn't a night vision looking

2950

02:03:14,570 --> 02:03:12,840

that I do every single night and you do

2951

02:03:17,570 --> 02:03:14,580

it no that I'm talking about middle of

2952

02:03:21,950 --> 02:03:17,580

the day giant thing thin and disappears

2953

02:03:24,410 --> 02:03:21,960

The that wasn't from Earth that wasn't a

2954

02:03:27,290 --> 02:03:24,420

Tic Tac that wasn't no that was E.T

2955

02:03:28,729 --> 02:03:27,300

there's no question about it structure

2956

02:03:30,169 --> 02:03:28,739

craft we've seen on my tour the

2957

02:03:33,709 --> 02:03:30,179

structure craft I've seen during the day

2958

02:03:36,649 --> 02:03:33,719

Melinda I will continue to Chase and

2959

02:03:39,470 --> 02:03:36,659

find these answers and and that's it

2960

02:03:42,649 --> 02:03:39,480

okay that's it and and we're close we're

2961

02:03:44,750 --> 02:03:42,659

close and I'm excited and Jimmy you you

2962

02:03:46,189 --> 02:03:44,760

have tremendous power and I don't mean

2963

02:03:48,229 --> 02:03:46,199

you guys I'm not saying this to butter

2964

02:03:50,390 --> 02:03:48,239

them up this is legit

2965

02:03:52,010 --> 02:03:50,400

you have an extremely popular show here

2966

02:03:55,310 --> 02:03:52,020

you have a new TV show you have an

2967

02:03:58,250 --> 02:03:55,320

ability to really educate people and and

2968

02:03:59,810 --> 02:03:58,260

on our platform for me and every anyone

2969

02:04:01,370 --> 02:03:59,820

else who's got something to say about

2970

02:04:03,530 --> 02:04:01,380

this we might have a piece of the puzzle

2971

02:04:07,070 --> 02:04:03,540

piece of research information evidence

2972

02:04:08,870 --> 02:04:07,080

whatever you know right before doing

2973

02:04:11,689 --> 02:04:08,880

this yeah I'm sure you know who chase

2974

02:04:12,729 --> 02:04:11,699

koletsky is I know quite well is she

2975

02:04:16,669 --> 02:04:12,739

still around

2976

02:04:18,649 --> 02:04:16,679

but yeah yes very much so and um and and

2977

02:04:21,410 --> 02:04:18,659

and so

2978

02:04:23,689 --> 02:04:21,420

she had replied to something I'd posted

2979

02:04:25,669 --> 02:04:23,699

about this you know on Twitter and and

2980

02:04:26,870 --> 02:04:25,679

she had said because I said mentioned

2981

02:04:28,729 --> 02:04:26,880

something about we're going to also get

2982

02:04:31,370 --> 02:04:28,739

into some of my experiences briefly in

2983

02:04:33,229 --> 02:04:31,380

there and she said she said you know

2984

02:04:35,149 --> 02:04:33,239

that I forget exactly how she were but

2985

02:04:37,370 --> 02:04:35,159

she said you helped so many people with

2986

02:04:39,530 --> 02:04:37,380

that you know it's it it helps many

2987

02:04:41,510 --> 02:04:39,540

people to share your experiences and I

2988

02:04:43,490 --> 02:04:41,520

replied to her I really needed to hear

2989

02:04:45,770 --> 02:04:43,500

that right before going on because it is

2990

02:04:47,330 --> 02:04:45,780

uncomfortable it is difficult to talk

2991

02:04:49,129 --> 02:04:47,340

about my personal alien abduction

2992

02:04:51,350 --> 02:04:49,139

experiences I know I'll come under

2993

02:04:52,729 --> 02:04:51,360

judgment judgment people say how come

2994

02:04:54,649 --> 02:04:52,739

you don't have evidence or this or that

2995

02:04:56,510 --> 02:04:54,659

no matter how many witnesses and how

2996

02:04:59,270 --> 02:04:56,520

many scoop marks and needle marks and

2997

02:05:01,310 --> 02:04:59,280

bruises on me and and the fluorescent

2998

02:05:05,149 --> 02:05:01,320

pictures of well you know the fluoresing

2999

02:05:07,010 --> 02:05:05,159

on me and and landed trace evidence in a

3000

02:05:08,510 --> 02:05:07,020

yard from when I was taken with some

3001

02:05:10,430 --> 02:05:08,520

other people in a group abduction and

3002

02:05:12,229 --> 02:05:10,440

the thing landed that left marks in the

3003

02:05:13,790 --> 02:05:12,239

yard and we took pictures you know I'm

3004

02:05:15,649 --> 02:05:13,800

going no matter how much evidence people

3005

02:05:18,169 --> 02:05:15,659

say well that doesn't count that doesn't

3006

02:05:20,510 --> 02:05:18,179

count that doesn't count and I'm an

3007

02:05:22,430 --> 02:05:20,520

abdicated too who Scott I've been involved

3008

02:05:24,890 --> 02:05:22,440

in Mass abductions with Witnesses you

3009

02:05:26,930 --> 02:05:24,900

know the the Coronado event with 50 at

3010

02:05:29,450 --> 02:05:26,940

least 15 of us in there and everyone

3011

02:05:31,310 --> 02:05:29,460

remember uh here in town five of us

3012

02:05:33,470 --> 02:05:31,320

taken together myself and two male

3013

02:05:35,390 --> 02:05:33,480

friends on a road I mean uh my friend

3014

02:05:37,790 --> 02:05:35,400

and I in San Diego taking their I mean I

3015

02:05:39,350 --> 02:05:37,800

have times I've so I actually start to

3016

02:05:40,430 --> 02:05:39,360

lose count how many times I've been

3017

02:05:42,169 --> 02:05:40,440

taking with other people I have

3018

02:05:44,089 --> 02:05:42,179

witnesses and then I have my roommates

3019

02:05:45,470 --> 02:05:44,099

who witnessed me being abducted even

3020

02:05:48,530 --> 02:05:45,480

though they weren't being taken with me

3021

02:05:50,030 --> 02:05:48,540

you know and not just the

3022

02:05:51,709 --> 02:05:50,040

the ones I already told you about about

3023

02:05:52,970 --> 02:05:51,719

some others who've witnessed stuff you

3024

02:05:54,830 --> 02:05:52,980

know so I'm like going wait a second

3025

02:05:56,689 --> 02:05:54,840

I've got witnesses Galore I've got

3026

02:05:58,790 --> 02:05:56,699

physical evidence marks on my body all

3027

02:06:00,890 --> 02:05:58,800

this stuff and yet it's never good

3028

02:06:02,689 --> 02:06:00,900

enough and I'm I'm one of the few

3029

02:06:04,970 --> 02:06:02,699

abductees who's willing to have a voice

3030

02:06:06,770 --> 02:06:04,980

willing to speak up and willing and also

3031

02:06:08,510 --> 02:06:06,780

says I have evidence when some other

3032

02:06:10,850 --> 02:06:08,520

abductees haven't been as good about

3033

02:06:14,390 --> 02:06:10,860

Gathering their evidence or noting it or

3034

02:06:16,669 --> 02:06:14,400

or you know and so it's like and and

3035

02:06:18,589 --> 02:06:16,679

that's why I felt when Whitley spoke on

3036

02:06:21,169 --> 02:06:18,599

Saturday you know how moving it was how

3037

02:06:22,850 --> 02:06:21,179

how he's been so affected I felt like he

3038

02:06:24,589 --> 02:06:22,860

was speaking for me you know I mean

3039

02:06:27,530 --> 02:06:24,599

truly and

3040

02:06:29,089 --> 02:06:27,540

but I realized thank you Chase if you're

3041

02:06:31,129 --> 02:06:29,099

listening to this that you that you text

3042

02:06:33,290 --> 02:06:31,139

me that little line because it made me

3043

02:06:35,270 --> 02:06:33,300

go you know what she's right and that's

3044

02:06:37,490 --> 02:06:35,280

why I have to be here and do this right

3045

02:06:40,550 --> 02:06:37,500

I have to do for the other people with

3046

02:06:43,970 --> 02:06:40,560

experiences Melinda thank you so much my

3047

02:06:45,890 --> 02:06:43,980

friend and uh very excited for it next

3048

02:06:50,410 --> 02:06:45,900

when uh that comes out everybody's gonna

3049

02:06:55,430 --> 02:06:53,870

go ahead Melinda it's your show you just

3050

02:06:57,050 --> 02:06:55,440

do your thing no man man there's just

3051
02:06:58,790 --> 02:06:57,060
two things I want to say super quick if

3052
02:07:00,290 --> 02:06:58,800
I can

3053
02:07:02,629 --> 02:07:00,300
um first off

3054
02:07:05,930 --> 02:07:02,639
um tonight I went through an incredible

3055
02:07:08,330 --> 02:07:05,940
thing which was a showing of the life

3056
02:07:12,470 --> 02:07:08,340
after death project

3057
02:07:15,290 --> 02:07:12,480
um by filmmaker uh Paul Davids and Paul

3058
02:07:17,990 --> 02:07:15,300
Davis has done this three-part series on

3059
02:07:20,750 --> 02:07:18,000
life after death and everyone you can

3060
02:07:23,450 --> 02:07:20,760
find it if you look at life after death

3061
02:07:25,250 --> 02:07:23,460
project and look it up that way on

3062
02:07:28,310 --> 02:07:25,260
YouTube and other places you can watch

3063
02:07:30,290 --> 02:07:28,320

these in various pay-per-view formats I

3064

02:07:32,570 --> 02:07:30,300

highly recommend them it's quite

3065

02:07:34,729 --> 02:07:32,580

remarkable and

3066

02:07:36,950 --> 02:07:34,739

um and you know we all know and love

3067

02:07:39,950 --> 02:07:36,960

Paul Davids and his work award-winning

3068

02:07:42,530 --> 02:07:39,960

filmmaker famous for the Roswell movie

3069

02:07:44,209 --> 02:07:42,540

and amongst other things uh but I highly

3070

02:07:46,129 --> 02:07:44,219

highly recommend that and then I was

3071

02:07:47,870 --> 02:07:46,139

with the same people because he's the

3072

02:07:50,930 --> 02:07:47,880

senior producer on it which is a movie

3073

02:07:54,770 --> 02:07:50,940

that you and I are in Jimmy called

3074

02:07:58,189 --> 02:07:54,780

um accidental truth oh really made by

3075

02:08:01,070 --> 02:07:58,199

Ron James oh oh oh interviewed by Ron

3076

02:08:03,890 --> 02:08:01,080

James filmmaker Ron James and and I was

3077

02:08:06,109 --> 02:08:03,900

with Jen Stein who's a producer on it I

3078

02:08:08,750 --> 02:08:06,119

was with Ron James the uh director

3079

02:08:10,910 --> 02:08:08,760

producer and Senior producer Paul Davids

3080

02:08:13,910 --> 02:08:10,920

and I was with them uh tonight for

3081

02:08:15,589 --> 02:08:13,920

dinner and um and and I'm so excited

3082

02:08:17,570 --> 02:08:15,599

because here we're in this new brand new

3083

02:08:19,370 --> 02:08:17,580

documentary that's about to come out any

3084

02:08:21,709 --> 02:08:19,380

moment you guys everybody look up the

3085

02:08:23,689 --> 02:08:21,719

website for accidental truth and Jimmy

3086

02:08:26,209 --> 02:08:23,699

and I are both in it I'm very excited to

3087

02:08:28,310 --> 02:08:26,219

be a part of that and uh and as well as

3088

02:08:30,350 --> 02:08:28,320

Paul David's new thing I I promised all

3089

02:08:31,790 --> 02:08:30,360

those people I'd say that about them and

3090

02:08:33,589 --> 02:08:31,800

and I'm like they're all dear friends

3091

02:08:35,629 --> 02:08:33,599

I'm excited for them and I'm I'm also

3092

02:08:37,850 --> 02:08:35,639

very excited about our our yet another

3093

02:08:42,109 --> 02:08:37,860

movie Jimmy coming out the documentary

3094

02:08:45,649 --> 02:08:42,119

that um you know being released by 1091

3095

02:08:47,870 --> 02:08:45,659

and and made by a incredibly great group

3096

02:08:49,910 --> 02:08:47,880

of people I know Peter Robbins is also

3097

02:08:51,950 --> 02:08:49,920

involved Jen Stein Peter Robbins Paul

3098

02:08:53,990 --> 02:08:51,960

Daids and Ron James it's going to be

3099

02:08:56,089 --> 02:08:54,000

incredible but you and I are in that and

3100

02:08:57,950 --> 02:08:56,099

uh anyways there we go that's all thanks

3101

02:09:00,709 --> 02:08:57,960

for letting me

3102

02:09:01,970 --> 02:09:00,719

go have fun all right and uh I'll talk

3103

02:09:03,410 --> 02:09:01,980

to you tomorrow

3104

02:09:06,229 --> 02:09:03,420

thank you Jimmy thanks so much for

3105

02:09:08,030 --> 02:09:06,239

having me on thank you everybody Melinda

3106

02:09:11,089 --> 02:09:08,040

Leslie the absolute very best thank you

3107

02:09:14,149 --> 02:09:11,099

so much Melinda and uh obviously I ran

3108

02:09:18,470 --> 02:09:14,159

over tonight and uh but it's Melinda and

3109

02:09:20,510 --> 02:09:18,480

I am gonna do that because it's Melinda

3110

02:09:23,209 --> 02:09:20,520

yeah great show tonight thank you

3111

02:09:27,290 --> 02:09:23,219

Melinda great conversation and see

3112

02:09:29,629 --> 02:09:27,300

that's how conversations should be just

3113

02:09:32,750 --> 02:09:29,639

a couple of friends respect each other

3114

02:09:34,550 --> 02:09:32,760

and just let it happen Melinda Leslie

3115

02:09:37,070 --> 02:09:34,560

Fade to Black is produced by Hilton J

block of the game changer Network I'm

3127
02:10:02,089 --> 02:09:59,040
Yours Jimmy Church

3128
02:10:05,689 --> 02:10:02,099
tomorrow night I'm doing a special two

3129
02:10:08,450 --> 02:10:05,699
hours the Fermi Paradox get ready for

3130
02:10:09,950 --> 02:10:08,460
that until then I want everybody to be

3131
02:10:14,540 --> 02:10:09,960
safe

3132
02:10:23,340 --> 02:10:17,620
[Applause]

3133
02:10:25,410 --> 02:10:24,950
[Music]

3134
02:10:32,780 --> 02:10:25,420
oh
