

FADE TO BLACK

with JIMMY CHURCH

PRESENTS

REUBEN LANGDON

WHAT IS CHANNELING?

TUE DEC 13 **LIVE**

7:00 PM PT/10:00PM ET

1
00:00:32,590 --> 00:00:27,609

[Music]

2
00:00:35,930 --> 00:00:32,600

the smoke radio for the masses of July 8

3
00:00:38,270 --> 00:00:35,940

1947 the Army Air Forces has announced

4
00:00:40,790 --> 00:00:38,280

that applying disc has been found and is

5
00:00:43,430 --> 00:00:40,800

now in the possession of the army if the

6
00:00:47,150 --> 00:00:43,440

game is rigged change the game game

7
00:00:50,810 --> 00:00:47,160

changer I occasionally think how quickly

8
00:00:54,229 --> 00:00:50,820

our differences worldwide would vanish

9
00:00:57,350 --> 00:00:54,239

if we were facing an alien threat from

10
00:00:57,540 --> 00:00:57,360

outside this work

11
00:01:00,770 --> 00:00:57,550

[Applause]

12
00:01:03,410 --> 00:01:00,780

[Music]

13
00:01:06,310 --> 00:01:03,420

Fade to Black with your host Jimmy

14
00:01:10,010 --> 00:01:06,320
Church on the game changer Radio Network

15
00:01:12,590 --> 00:01:10,020
[Music]

16
00:01:14,289 --> 00:01:12,600
all right good evening Fade to Black

17
00:01:18,130 --> 00:01:14,299
today's Tuesday

18
00:01:23,149 --> 00:01:18,140
December 13 2022 our guest tonight

19
00:01:25,370 --> 00:01:23,159
Reuben Langdon Reuben actor

20
00:01:28,490 --> 00:01:25,380
stunt person politically correct

21
00:01:32,630 --> 00:01:28,500
researcher director

22
00:01:35,450 --> 00:01:32,640
smart guy he is with us tonight and this

23
00:01:38,870 --> 00:01:35,460
this conversation I I can never predict

24
00:01:41,030 --> 00:01:38,880
uh with Reuben where it is going to go I

25
00:01:45,830 --> 00:01:41,040
wanted to stay channeling Centric

26

00:01:48,289 --> 00:01:45,840

tonight and we shall see what happens

27

00:01:50,330 --> 00:01:48,299

with Reuben Langdon Reuben welcome back

28

00:01:52,130 --> 00:01:50,340

to fade to black my friend how you doing

29

00:01:53,929 --> 00:01:52,140

doing good Jimmy thanks for having me

30

00:01:56,870 --> 00:01:53,939

appreciate you having me on again it's

31

00:02:01,010 --> 00:01:56,880

always a good time yes it is you're the

32

00:02:04,069 --> 00:02:01,020

absolute very best and uh uh Reuben I I

33

00:02:06,469 --> 00:02:04,079

actually want to uh uh you know just get

34

00:02:11,630 --> 00:02:06,479

straight to it tonight

35

00:02:14,089 --> 00:02:11,640

um and let me let me start with this

36

00:02:16,070 --> 00:02:14,099

that uh

37

00:02:17,630 --> 00:02:16,080

um as you know and certainly this

38

00:02:18,710 --> 00:02:17,640

audience knows

39

00:02:22,850 --> 00:02:18,720

um I

40

00:02:25,910 --> 00:02:22,860

I I look at everything but one of the

41

00:02:28,850 --> 00:02:25,920

most uh fascinating things that I can

42

00:02:31,550 --> 00:02:28,860

look at is science and physics and and

43

00:02:33,589 --> 00:02:31,560

the reason for that is first off I

44

00:02:36,770 --> 00:02:33,599

failed at science and everything else

45

00:02:39,229 --> 00:02:36,780

with it academically

46

00:02:40,910 --> 00:02:39,239

um and and I wish that when I was

47

00:02:43,550 --> 00:02:40,920

younger

48

00:02:46,490 --> 00:02:43,560

um I I applied myself more to it than

49

00:02:49,369 --> 00:02:46,500

than Van Halen guitars and and the other

50

00:02:52,309 --> 00:02:49,379

things that that distracted me as a

51
00:02:55,309 --> 00:02:52,319
teenager but here's the thing with that

52
00:02:58,850 --> 00:02:55,319
um as I interview people

53
00:03:00,650 --> 00:02:58,860
and collect this knowledge and and read

54
00:03:02,330 --> 00:03:00,660
the books and do the studying and you

55
00:03:05,710 --> 00:03:02,340
know I've done thousands of shows and

56
00:03:09,830 --> 00:03:05,720
all of that it's science

57
00:03:11,930 --> 00:03:09,840
that I I go back to to look at these

58
00:03:15,290 --> 00:03:11,940
other things and so when I look at

59
00:03:18,470 --> 00:03:15,300
something like channeling

60
00:03:22,250 --> 00:03:18,480
um I think it's it's one of the most

61
00:03:25,490 --> 00:03:22,260
fascinating uh subjects out there but

62
00:03:28,250 --> 00:03:25,500
it's science that pulls me to that not

63
00:03:30,949 --> 00:03:28,260

my mom and her weirdness when when I was

64

00:03:32,869 --> 00:03:30,959

a kid and and automatic writing and

65

00:03:36,890 --> 00:03:32,879

which I think is a form of channeling

66

00:03:38,449 --> 00:03:36,900

right and yeah and and so there's that

67

00:03:41,470 --> 00:03:38,459

part of it

68

00:03:44,210 --> 00:03:41,480

um but it's what science today

69

00:03:46,250 --> 00:03:44,220

is telling me

70

00:03:47,809 --> 00:03:46,260

um not only you know I hate the word

71

00:03:50,390 --> 00:03:47,819

Quantum today because everything is

72

00:03:52,130 --> 00:03:50,400

quantum you have Quantum coffee makers

73

00:03:53,990 --> 00:03:52,140

right you know whatever everything

74

00:03:58,610 --> 00:03:54,000

everything is quantum

75

00:04:01,070 --> 00:03:58,620

and uh but uh it is that part of physics

76

00:04:03,530 --> 00:04:01,080

but it is the theoretical stuff and it's

77

00:04:07,670 --> 00:04:03,540

also the hard Sciences too as well

78

00:04:09,530 --> 00:04:07,680

so that's why I'm I'm interested in

79

00:04:12,890 --> 00:04:09,540

your research

80

00:04:15,470 --> 00:04:12,900

um and and what you do but it's the

81

00:04:18,050 --> 00:04:15,480

science that pulls me to Reuben Langdon

82

00:04:20,810 --> 00:04:18,060

so when I when I and I'm being very

83

00:04:21,949 --> 00:04:20,820

serious about that so with that kind of

84

00:04:27,230 --> 00:04:21,959

introduction

85

00:04:32,510 --> 00:04:30,590

okay uh well I when it comes to science

86

00:04:35,629 --> 00:04:32,520

I think we still have a long ways to go

87

00:04:38,030 --> 00:04:35,639

before science catches up with the uh

88

00:04:40,610 --> 00:04:38,040

phenomenon of channeling uh we're not

89

00:04:42,710 --> 00:04:40,620

far but the the the consensus of the

90

00:04:44,990 --> 00:04:42,720

scientific Community is still far you

91

00:04:46,129 --> 00:04:45,000

know if you had uh it's funny you had a

92

00:04:48,710 --> 00:04:46,139

guest yesterday

93

00:04:51,770 --> 00:04:48,720

um Dr Nolan who I had met a few years

94

00:04:53,150 --> 00:04:51,780

ago at the ions

95

00:04:56,510 --> 00:04:53,160

um uh

96

00:04:59,210 --> 00:04:56,520

I would think I was at a um the you know

97

00:05:02,390 --> 00:04:59,220

ions Institute that Edgar Mitchell I put

98

00:05:05,749 --> 00:05:02,400

on so he he was uh he came together with

99

00:05:09,950 --> 00:05:05,759

jock jock valet and jock was doing a a

100

00:05:11,810 --> 00:05:09,960

talk and I had presented the the idea of

101
00:05:13,550 --> 00:05:11,820
channeling to both of them you know I

102
00:05:17,870 --> 00:05:13,560
brought it up in a conversation in both

103
00:05:19,969 --> 00:05:17,880
jock and uh Gary were sort of poo pooing

104
00:05:21,650 --> 00:05:19,979
the idea and against it so and I know

105
00:05:24,290 --> 00:05:21,660
they're both you know coming from that

106
00:05:26,990 --> 00:05:24,300
standard scientific

107
00:05:31,550 --> 00:05:29,050
we just lost

108
00:05:34,450 --> 00:05:31,560
okay we just left you at the front of

109
00:05:37,850 --> 00:05:34,460
the show oh I'm sorry

110
00:05:39,290 --> 00:05:37,860
my internet's so and strong uh I'll um

111
00:05:43,310 --> 00:05:39,300
repeat what are we what are we losing

112
00:05:45,590 --> 00:05:43,320
okay uh so back up 10 seconds so you're

113
00:05:47,930 --> 00:05:45,600

with Jack valet uh they're poo pooing

114

00:05:50,390 --> 00:05:47,940

the idea and

115

00:05:52,850 --> 00:05:50,400

yeah so jock and both Gary were both

116

00:05:54,890 --> 00:05:52,860

sort of fulfilling the idea but uh at

117

00:05:56,570 --> 00:05:54,900

the same time I you know I try to

118

00:05:58,850 --> 00:05:56,580

challenge

119

00:06:00,590 --> 00:05:58,860

um intelligent Minds like like Gary and

120

00:06:04,790 --> 00:06:00,600

and jock

121

00:06:06,290 --> 00:06:04,800

um because they do go out there as Gary

122

00:06:08,990 --> 00:06:06,300

even mentioned yesterday on yesterday's

123

00:06:11,450 --> 00:06:09,000

show that you know you have to sort of

124

00:06:14,029 --> 00:06:11,460

be brave and go outside of the box and

125

00:06:17,510 --> 00:06:14,039

you might get laughed at uh but if you

126

00:06:20,450 --> 00:06:17,520

don't try you're not gonna know so uh so

127

00:06:23,870 --> 00:06:20,460

I kind of use that same uh mentality and

128

00:06:26,390 --> 00:06:23,880

thinking to challenge these guys uh hey

129

00:06:28,430 --> 00:06:26,400

I know there's a comfortable box the

130

00:06:30,350 --> 00:06:28,440

scientific box is comfortable for guys

131

00:06:32,870 --> 00:06:30,360

like that and they're on The Cutting

132

00:06:35,270 --> 00:06:32,880

Edge of that obviously with the uh the

133

00:06:37,010 --> 00:06:35,280

uh um invisible college and everything

134

00:06:40,550 --> 00:06:37,020

that Gary was talking about yesterday

135

00:06:42,350 --> 00:06:40,560

but there is this extra if you look at

136

00:06:44,870 --> 00:06:42,360

the evidence and if you look actually

137

00:06:46,490 --> 00:06:44,880

look at the phenomenon uh I believe

138

00:06:49,749 --> 00:06:46,500

there's plenty of compelling evidence

139

00:06:53,529 --> 00:06:49,759

that shows that the phenomenon is

140

00:06:56,029 --> 00:06:53,539

measurable and can be scientifically

141

00:06:57,650 --> 00:06:56,039

looked at through that lens it just

142

00:07:00,529 --> 00:06:57,660

hasn't been done yet before so more

143

00:07:03,590 --> 00:07:00,539

studies more research you know Daryl did

144

00:07:06,950 --> 00:07:03,600

a great example with the EEG machine in

145

00:07:08,689 --> 00:07:06,960

his documentary where you're seeing

146

00:07:10,029 --> 00:07:08,699

different types of brain waves gamma

147

00:07:13,189 --> 00:07:10,039

waves and stuff

148

00:07:15,409 --> 00:07:13,199

talking about darylanka and Daniel Inca

149

00:07:17,870 --> 00:07:15,419

yeah yeah and you're right that was a

150

00:07:20,029 --> 00:07:17,880

very compelling part of that film it was

151

00:07:25,189 --> 00:07:20,039

uh it was extraordinary Caroline Corey

152

00:07:27,710 --> 00:07:25,199

has yeah in this uh part two except

153

00:07:30,170 --> 00:07:27,720

you didn't answer the question so let me

154

00:07:32,230 --> 00:07:30,180

ask you again yeah yeah sorry I'm

155

00:07:35,629 --> 00:07:32,240

getting off track I get off track easy

156

00:07:40,670 --> 00:07:35,639

what is channeling

157

00:07:43,370 --> 00:07:40,680

channeling is the adjustment of one's

158

00:07:47,990 --> 00:07:43,380

vibrational frequency

159

00:07:50,390 --> 00:07:48,000

to match uh another frequency and become

160

00:07:52,370 --> 00:07:50,400

an instrument become a radio which we're

161

00:07:55,490 --> 00:07:52,380

doing automatically already but what

162

00:08:00,650 --> 00:07:55,500

would but that's consciously choosing to

163

00:08:02,450 --> 00:08:00,660

go into uh an altered state so uh and

164

00:08:04,670 --> 00:08:02,460

and putting your brain literally in a

165

00:08:07,189 --> 00:08:04,680

different state so it can receive these

166

00:08:10,309 --> 00:08:07,199

messages from other dimensions other

167

00:08:11,930 --> 00:08:10,319

Realms and these are things we do all

168

00:08:14,749 --> 00:08:11,940

the time anyways we do it when we sleep

169

00:08:16,909 --> 00:08:14,759

we do it when we're in the um you know

170

00:08:20,570 --> 00:08:16,919

the zone right the athletes have this

171

00:08:22,730 --> 00:08:20,580

The Sweet Spot uh um there you know in

172

00:08:24,350 --> 00:08:22,740

this trance this uh what do they call it

173

00:08:27,890 --> 00:08:24,360

um I guess the Zone but there's other

174

00:08:30,650 --> 00:08:27,900

names and and for it but it's it's um

175

00:08:33,969 --> 00:08:30,660

it's the same thing it's all in that

176

00:08:37,310 --> 00:08:33,979

same idea of Shifting your frequency

177

00:08:39,110 --> 00:08:37,320

your vibration of not only your mind but

178

00:08:40,909 --> 00:08:39,120

your whole body some people do breath

179

00:08:42,949 --> 00:08:40,919

work and and different things to access

180

00:08:44,829 --> 00:08:42,959

you know meditators monks and these

181

00:08:48,110 --> 00:08:44,839

kinds of things to access

182

00:08:55,389 --> 00:08:48,120

this other information from other realms

183

00:08:58,850 --> 00:08:55,399

now when we we talk about uh channelers

184

00:09:01,850 --> 00:08:58,860

we have to uh you know talk about Jane

185

00:09:04,190 --> 00:09:01,860

Roberts of course and Seth speaks

186

00:09:06,650 --> 00:09:04,200

um was there

187

00:09:09,590 --> 00:09:06,660

um evidence of that I mean was uh you

188

00:09:12,470 --> 00:09:09,600

know was Edgar Casey a Channeler and

189

00:09:14,150 --> 00:09:12,480

then if we if we look at that

190

00:09:16,790 --> 00:09:14,160

um and you know it seems like we're

191

00:09:21,050 --> 00:09:16,800

going but I mean and I mentioned this

192

00:09:24,370 --> 00:09:21,060

last night with uh Nolan was was DaVinci

193

00:09:28,130 --> 00:09:24,380

a Channeler you know where

194

00:09:31,970 --> 00:09:28,140

where if you go back and you look

195

00:09:34,730 --> 00:09:31,980

throughout history where you had uh so

196

00:09:38,449 --> 00:09:34,740

many not only philosophers but uh

197

00:09:40,670 --> 00:09:38,459

creators and and and and and leaders

198

00:09:42,829 --> 00:09:40,680

that would talk about you know getting

199

00:09:45,650 --> 00:09:42,839

information from somewhere else

200

00:09:49,130 --> 00:09:45,660

and I always thought to myself that they

201
00:09:52,509 --> 00:09:49,140
were channeling uh and maybe not using

202
00:09:56,449 --> 00:09:52,519
that word but they were trying to

203
00:09:58,910 --> 00:09:56,459
uh share with everybody you know how

204
00:10:01,850 --> 00:09:58,920
they got it and where it came from

205
00:10:04,550 --> 00:10:01,860
yeah I would say I think art is

206
00:10:06,650 --> 00:10:04,560
channeling you know artists are are the

207
00:10:08,570 --> 00:10:06,660
you know we have a huge population of

208
00:10:12,170 --> 00:10:08,580
artists on the planet and I think they

209
00:10:15,009 --> 00:10:12,180
are the Forefront of the channeling

210
00:10:17,690 --> 00:10:15,019
phenomenon you know we're pulling ideas

211
00:10:19,610 --> 00:10:17,700
Nikola Tesla we're pulling ideas from

212
00:10:21,829 --> 00:10:19,620
another dimension and we're bringing it

213
00:10:23,690 --> 00:10:21,839

into this realm and then we're figuring

214

00:10:26,090 --> 00:10:23,700

out how to what to do with that we're

215

00:10:28,490 --> 00:10:26,100

making trying to make sense of it but it

216

00:10:30,769 --> 00:10:28,500

literally is ideas Concepts physical

217

00:10:34,670 --> 00:10:30,779

structures

218

00:10:36,350 --> 00:10:34,680

um uh inventions uh information from a

219

00:10:38,810 --> 00:10:36,360

philosophical standpoint whatever

220

00:10:40,990 --> 00:10:38,820

whatever it is and how reform it shows

221

00:10:43,190 --> 00:10:41,000

up it's all channeling we're all

222

00:10:46,069 --> 00:10:43,200

you know we're all multi-dimensional

223

00:10:48,170 --> 00:10:46,079

beings and we're all capable of

224

00:10:50,509 --> 00:10:48,180

falling into these flow States and

225

00:10:53,690 --> 00:10:50,519

getting this information and bringing it

226

00:10:57,110 --> 00:10:53,700

back that's all channeling is I um you

227

00:10:59,990 --> 00:10:57,120

brought up Jacques valet and I I a

228

00:11:03,170 --> 00:11:00,000

couple of months ago I was uh in a deep

229

00:11:06,889 --> 00:11:03,180

hours hours hours long uh private

230

00:11:09,310 --> 00:11:06,899

conversation with them and uh one of the

231

00:11:11,269 --> 00:11:09,320

things and jock I apologize if I'm

232

00:11:13,009 --> 00:11:11,279

discussing something privately or

233

00:11:16,670 --> 00:11:13,019

something that you haven't discussed

234

00:11:20,269 --> 00:11:16,680

publicly but but this is what he he said

235

00:11:23,569 --> 00:11:20,279

one thing to me that that uh stopped me

236

00:11:26,150 --> 00:11:23,579

I mean dead in my tracks he said when he

237

00:11:29,269 --> 00:11:26,160

was running around with the SRI guys you

238

00:11:32,389 --> 00:11:29,279

know 1972 73 74.

239

00:11:33,650 --> 00:11:32,399

um and was was deep in that culture that

240

00:11:35,870 --> 00:11:33,660

was going on

241

00:11:40,190 --> 00:11:35,880

um in and around San Francisco back then

242

00:11:44,530 --> 00:11:40,200

no that he remote viewed

243

00:11:47,810 --> 00:11:44,540

and and I said what right

244

00:11:51,290 --> 00:11:47,820

and but but this was his thing he said I

245

00:11:53,750 --> 00:11:51,300

I I I I couldn't believe it and and I

246

00:11:56,210 --> 00:11:53,760

feel that uh not only is there something

247

00:11:59,870 --> 00:11:56,220

going on and something that we need to

248

00:12:02,990 --> 00:11:59,880

look at with science but that I felt

249

00:12:06,110 --> 00:12:03,000

that if I just applied myself I was a

250

00:12:07,970 --> 00:12:06,120

busy person but if I applied myself I

251

00:12:10,310 --> 00:12:07,980

could have gotten really really good at

252

00:12:12,170 --> 00:12:10,320

it and that was an extraordinary thing

253

00:12:15,110 --> 00:12:12,180

you know coming from Jacques and we all

254

00:12:18,230 --> 00:12:15,120

respect Jacques and he's got this you

255

00:12:20,449 --> 00:12:18,240

know this very analytical pragmatic you

256

00:12:22,690 --> 00:12:20,459

know mindset to him and then he turns

257

00:12:26,449 --> 00:12:22,700

around and says man I remote viewed

258

00:12:29,030 --> 00:12:26,459

yeah and a lot of jockeys I remember at

259

00:12:30,769 --> 00:12:29,040

that ions uh Gathering he was talking

260

00:12:33,290 --> 00:12:30,779

about

261

00:12:35,930 --> 00:12:33,300

um synchronicities and coincidences and

262

00:12:40,130 --> 00:12:35,940

I think he called it the twin sisters or

263

00:12:42,530 --> 00:12:40,140

something sisters the uh phenomenon he

264

00:12:43,970 --> 00:12:42,540

he he was very elegant in the way he

265

00:12:47,389 --> 00:12:43,980

presents it you know he speaks so well

266

00:12:49,250 --> 00:12:47,399

and he had a um he was talking about the

267

00:12:50,990 --> 00:12:49,260

synchronicities how he would like a book

268

00:12:52,730 --> 00:12:51,000

A book fell off the shelf and he opened

269

00:12:54,410 --> 00:12:52,740

the book and there was this on this

270

00:12:56,210 --> 00:12:54,420

chapter in this thing and I forget all

271

00:12:58,009 --> 00:12:56,220

the details but it was literally related

272

00:12:59,930 --> 00:12:58,019

to something else that had happened and

273

00:13:03,110 --> 00:12:59,940

like somebody had passed away in in the

274

00:13:05,629 --> 00:13:03,120

the odds of that passage and reading

275

00:13:08,810 --> 00:13:05,639

that page at that and that paragraph in

276

00:13:10,750 --> 00:13:08,820

the book opening at that period so you

277

00:13:13,250 --> 00:13:10,760

know jock has a lot of these

278

00:13:14,750 --> 00:13:13,260

unexplainable events and you know the

279

00:13:15,949 --> 00:13:14,760

whole phenomenon obviously we're still

280

00:13:19,030 --> 00:13:15,959

trying to figure it out and it's it's

281

00:13:21,889 --> 00:13:19,040

unexplainable but he has these

282

00:13:22,850 --> 00:13:21,899

uh belief systems that are opening the

283

00:13:25,970 --> 00:13:22,860

door to like yeah there's something

284

00:13:28,490 --> 00:13:25,980

really strange here but he's still uh

285

00:13:31,009 --> 00:13:28,500

again when it comes to talking publicly

286

00:13:34,310 --> 00:13:31,019

about channeling or

287

00:13:37,009 --> 00:13:34,320

um some other sort of uh out there

288

00:13:40,250 --> 00:13:37,019

phenomenon you know he he goes so far I

289

00:13:42,889 --> 00:13:40,260

think he's got his uh people he works

290

00:13:44,870 --> 00:13:42,899

with in in in groups in the scientific

291

00:13:48,230 --> 00:13:44,880

Community obviously that he's trying to

292

00:13:50,269 --> 00:13:48,240

hold up you know a certain amount of

293

00:13:52,430 --> 00:13:50,279

integrity and

294

00:13:54,350 --> 00:13:52,440

um and they're probably not ready for

295

00:13:57,170 --> 00:13:54,360

certain things so he's he's got a you

296

00:14:00,129 --> 00:13:57,180

know he's gotta keep the pulse at a

297

00:14:02,690 --> 00:14:00,139

certain level in order to um continue

298

00:14:04,370 --> 00:14:02,700

relationships and those things but I

299

00:14:07,190 --> 00:14:04,380

just love I love the guy because I think

300

00:14:08,690 --> 00:14:07,200

yes he is very possible for really

301

00:14:11,870 --> 00:14:08,700

thinking outside of the box and going

302

00:14:15,170 --> 00:14:11,880

out there uh especially for a guy his

303

00:14:17,329 --> 00:14:15,180

age uh and then at the same time you

304

00:14:21,050 --> 00:14:17,339

know we all love him and respect him for

305

00:14:22,670 --> 00:14:21,060

his uh gave willingness to investigate

306

00:14:24,949 --> 00:14:22,680

these things through a hard scientific

307

00:14:27,829 --> 00:14:24,959

mind and and you know cutting away all

308

00:14:32,389 --> 00:14:27,839

the the BS and the possible uh things so

309

00:14:34,790 --> 00:14:32,399

it's it's he you know jock is a unique

310

00:14:37,550 --> 00:14:34,800

um he's in a unique position as as well

311

00:14:39,650 --> 00:14:37,560

as many scientists who some are

312

00:14:41,870 --> 00:14:39,660

studying this phenomenon seriously and

313

00:14:43,009 --> 00:14:41,880

some are choosing to put their focus in

314

00:14:45,670 --> 00:14:43,019

other places

315

00:14:48,470 --> 00:14:45,680

is there a way

316

00:14:50,150 --> 00:14:48,480

if we can discuss the science part of

317

00:14:53,990 --> 00:14:50,160

this too as well you know measurement

318

00:14:56,329 --> 00:14:54,000

validation and and and repeating uh

319

00:14:58,910 --> 00:14:56,339

stuff is is the way to go I mean for all

320

00:15:04,189 --> 00:14:58,920

of us so we feel more confident about it

321

00:15:07,970 --> 00:15:04,199

but how do we how do we look at uh which

322

00:15:11,509 --> 00:15:07,980

channeling is is real that's the word

323

00:15:14,870 --> 00:15:11,519

okay which is you know and and what is

324

00:15:19,250 --> 00:15:14,880

BS and at this point how do how do we

325

00:15:21,710 --> 00:15:19,260

determine that is it just uh discernment

326

00:15:24,110 --> 00:15:21,720

at this point I think that's the key is

327

00:15:28,129 --> 00:15:24,120

discernment uh I think we all should

328

00:15:31,910 --> 00:15:28,139

remember and realize that even the best

329

00:15:34,310 --> 00:15:31,920

of channelers their their Messengers you

330

00:15:37,370 --> 00:15:34,320

know Bashar right the Bashar uh name

331

00:15:39,230 --> 00:15:37,380

even means messenger so it's coming

332

00:15:43,970 --> 00:15:39,240

through an individual

333

00:15:46,250 --> 00:15:43,980

darylanka or Elisa Royale or uh you know

334

00:15:48,470 --> 00:15:46,260

are there's you know we have a plethora

335

00:15:50,569 --> 00:15:48,480

uh just watch my show you know plethora

336

00:15:52,790 --> 00:15:50,579

of channelers a really capable awesome

337

00:15:54,650 --> 00:15:52,800

channelers uh but they're still coming

338

00:15:57,350 --> 00:15:54,660

the messages are still coming through an

339

00:15:59,030 --> 00:15:57,360

individual with individual beliefs and

340

00:16:01,670 --> 00:15:59,040

an individual

341

00:16:04,250 --> 00:16:01,680

um uh outlook on the world and in the

342

00:16:07,370 --> 00:16:04,260

vocabulary that is limited to that

343

00:16:11,329 --> 00:16:07,380

individual so we're getting diluted

344

00:16:13,550 --> 00:16:11,339

messages and the the individual has to

345

00:16:16,730 --> 00:16:13,560

be of a frequency to match the message

346

00:16:19,910 --> 00:16:16,740

so there is a compatibility there in

347

00:16:21,230 --> 00:16:19,920

that sense uh you know Daryl says all

348

00:16:23,329 --> 00:16:21,240

the time what you put out is what you

349

00:16:26,750 --> 00:16:23,339

get back you know that frequency that

350

00:16:29,810 --> 00:16:26,760

you're emoting is what you attract so uh

351

00:16:32,210 --> 00:16:29,820

if you're uh full of negativity and down

352

00:16:34,129 --> 00:16:32,220

and out and doom and gloom then you

353

00:16:36,110 --> 00:16:34,139

probably you might be it's a high

354

00:16:38,329 --> 00:16:36,120

probability you might be attracting some

355

00:16:42,889 --> 00:16:38,339

some Doom and Gloom messages and some

356

00:16:44,449 --> 00:16:42,899

not so positive of the light energies

357

00:16:46,670 --> 00:16:44,459

um and this is where I think the best

358

00:16:48,949 --> 00:16:46,680

channelers that sort of stay in

359

00:16:51,110 --> 00:16:48,959

integrity and do the work themselves and

360

00:16:53,030 --> 00:16:51,120

are constantly uh doing the spiritual

361

00:16:54,829 --> 00:16:53,040

work are the best channelers because

362

00:16:57,170 --> 00:16:54,839

they're they're tuning their instrument

363

00:17:00,590 --> 00:16:57,180

right they're never letting it they're

364

00:17:02,749 --> 00:17:00,600

never getting too complacent but through

365

00:17:04,909 --> 00:17:02,759

um our lens of of viewing this

366

00:17:06,710 --> 00:17:04,919

channeling phenomenon uh using

367

00:17:08,449 --> 00:17:06,720

discernment and knowing that the person

368

00:17:10,429 --> 00:17:08,459

the individual that's delivering the

369

00:17:11,990 --> 00:17:10,439

messages it's you know they're not

370

00:17:15,289 --> 00:17:12,000

perfect these people are still people

371

00:17:18,409 --> 00:17:15,299

they're not Gods they're not uh somebody

372

00:17:20,929 --> 00:17:18,419

that we should uh idolize and put on a a

373

00:17:22,370 --> 00:17:20,939

totem or anything like that and they'll

374

00:17:23,870 --> 00:17:22,380

say it the best challenge are the ones

375

00:17:25,549 --> 00:17:23,880

they'll say they're like I'm just the

376

00:17:29,030 --> 00:17:25,559

messenger take it or leave it you know

377

00:17:32,450 --> 00:17:29,040

they the the the message is is there and

378

00:17:34,370 --> 00:17:32,460

we can use it if we want so always using

379

00:17:36,110 --> 00:17:34,380

discernment when listening to these

380

00:17:38,210 --> 00:17:36,120

messages if it resonates with you if

381

00:17:40,070 --> 00:17:38,220

this person and the message that's

382

00:17:44,270 --> 00:17:40,080

coming through from the the palladians

383

00:17:45,950 --> 00:17:44,280

or from Sirius or from the sasani or

384

00:17:48,230 --> 00:17:45,960

wherever it's coming from if that

385

00:17:50,150 --> 00:17:48,240

resonates with you individually then

386

00:17:52,010 --> 00:17:50,160

then take that you know the the famous

387

00:17:54,890 --> 00:17:52,020

Bruce Lee quote you know take what is

388

00:17:57,289 --> 00:17:54,900

useless or take what is useful sorry and

389

00:17:59,029 --> 00:17:57,299

uh make it useful for yourself and

390

00:18:01,310 --> 00:17:59,039

create and make it your own

391

00:18:03,650 --> 00:18:01,320

uh and disregard what doesn't work for

392

00:18:08,750 --> 00:18:03,660

yourself so I have that's my message

393

00:18:12,529 --> 00:18:08,760

yeah yeah and and I uh I've been very

394

00:18:15,409 --> 00:18:12,539

lucky uh to uh to have been able to hang

395

00:18:18,590 --> 00:18:15,419

out with uh darylanka as much as I have

396

00:18:22,490 --> 00:18:18,600

I've introduced him at at many uh

397

00:18:24,350 --> 00:18:22,500

conferences and and have assisted in in

398

00:18:27,529 --> 00:18:24,360

the Bashar

399

00:18:31,370 --> 00:18:27,539

um uh channeling sessions and

400

00:18:33,310 --> 00:18:31,380

um and so I I take that I'm I'm actually

401
00:18:35,810 --> 00:18:33,320
going to compare that to Jane Roberts

402
00:18:39,110 --> 00:18:35,820
because when you

403
00:18:46,730 --> 00:18:39,120
when you look at the Seth materials

404
00:18:48,770 --> 00:18:46,740
and you listen to Jane as Jane and then

405
00:18:51,409 --> 00:18:48,780
you listen to Jane there's a lot of it

406
00:18:54,470 --> 00:18:51,419
out there for for you to to be able to

407
00:18:57,529 --> 00:18:54,480
go and and listen to and study and then

408
00:19:00,409 --> 00:18:57,539
you listen to the Seth material coming

409
00:19:04,310 --> 00:19:00,419
from her it's it's obviously

410
00:19:06,890 --> 00:19:04,320
two different things going on there two

411
00:19:09,409 --> 00:19:06,900
completely independent things and you

412
00:19:13,070 --> 00:19:09,419
read the Seth material and or you listen

413
00:19:15,470 --> 00:19:13,080

to her and it's it's extraordinary but

414

00:19:18,289 --> 00:19:15,480

it's two different Minds when you hear

415

00:19:21,770 --> 00:19:18,299

her speak you know the Jane Roberts she

416

00:19:24,770 --> 00:19:21,780

says Jane right this is Jane Seth is

417

00:19:27,230 --> 00:19:24,780

another animal and it's the same thing

418

00:19:28,570 --> 00:19:27,240

with Daryl Anka

419

00:19:32,890 --> 00:19:28,580

right

420

00:19:38,570 --> 00:19:32,900

Daryl's a great guy but he's either uh

421

00:19:42,890 --> 00:19:38,580

the most gifted actor genius level actor

422

00:19:46,549 --> 00:19:42,900

on planet Earth or what he is doing is

423

00:19:48,890 --> 00:19:46,559

is real because I can stand back and

424

00:19:51,169 --> 00:19:48,900

listen he's answering questions right

425

00:19:53,570 --> 00:19:51,179

you've seen it done right oh yeah it's

426

00:19:55,610 --> 00:19:53,580

got people stepping up to the mic I'm

427

00:19:58,970 --> 00:19:55,620

there I'm literally going okay you're

428

00:20:01,250 --> 00:19:58,980

next right I'm right there and I'm

429

00:20:04,549 --> 00:20:01,260

watching this go down and I'm listening

430

00:20:07,250 --> 00:20:04,559

to every word

431

00:20:12,529 --> 00:20:07,260

um there is something going on there

432

00:20:15,789 --> 00:20:12,539

Reuben and and his words and and uh the

433

00:20:18,890 --> 00:20:15,799

advice you know he's giving advice

434

00:20:20,409 --> 00:20:18,900

and it's it's it's perfect

435

00:20:23,390 --> 00:20:20,419

it's great

436

00:20:25,070 --> 00:20:23,400

you know what I mean and are they just

437

00:20:26,810 --> 00:20:25,080

at another level and then there's

438

00:20:29,510 --> 00:20:26,820

everybody else

439

00:20:32,390 --> 00:20:29,520

well he Daryl is an exceptional channel

440

00:20:35,270 --> 00:20:32,400

uh unlike uh I mean there's very few

441

00:20:37,430 --> 00:20:35,280

that are are in that category for

442

00:20:40,250 --> 00:20:37,440

someone doing as long as he has been

443

00:20:43,549 --> 00:20:40,260

doing it the consistency

444

00:20:45,770 --> 00:20:43,559

um the positive advice that comes

445

00:20:48,110 --> 00:20:45,780

through and and can help people and I've

446

00:20:49,909 --> 00:20:48,120

taken that advice and I've changed my

447

00:20:52,730 --> 00:20:49,919

life uh totally around completely around

448

00:20:55,730 --> 00:20:52,740

so it you know the advice works it's

449

00:20:57,470 --> 00:20:55,740

he's saying good stuff uh he is a bit of

450

00:21:00,830 --> 00:20:57,480

an anomaly

451
00:21:02,990 --> 00:21:00,840
um I what I've seen through my work you

452
00:21:06,710 --> 00:21:03,000
know doing the the the show and and

453
00:21:07,370 --> 00:21:06,720
bringing in all these channelers is that

454
00:21:10,610 --> 00:21:07,380
um

455
00:21:12,890 --> 00:21:10,620
the cess the Daryl's uh and even the

456
00:21:15,169 --> 00:21:12,900
robs Rob gothiers is a bit of it's

457
00:21:17,870 --> 00:21:15,179
amazing he's an amazing Channel yeah

458
00:21:19,909 --> 00:21:17,880
he's he's on this this last leg of of

459
00:21:22,909 --> 00:21:19,919
this deep trance

460
00:21:25,669 --> 00:21:22,919
um most of the channelers now don't have

461
00:21:29,169 --> 00:21:25,679
to go as deep the personalities aren't

462
00:21:33,110 --> 00:21:29,179
as uh extreme and what we're getting now

463
00:21:34,909 --> 00:21:33,120

is is people sort of going into their uh

464

00:21:37,190 --> 00:21:34,919

their trance but they're still present

465

00:21:40,250 --> 00:21:37,200

they're still aware where you know like

466

00:21:43,130 --> 00:21:40,260

uh I I don't know about Seth or uh Jane

467

00:21:45,890 --> 00:21:43,140

Roberts but I know for Daryl and and uh

468

00:21:48,350 --> 00:21:45,900

for Rob they sort of black out you know

469

00:21:50,990 --> 00:21:48,360

they're not fully they get a sense of

470

00:21:53,810 --> 00:21:51,000

what was spoken about but there's not

471

00:21:55,850 --> 00:21:53,820

um a a a good memory of of everything

472

00:21:58,310 --> 00:21:55,860

that was said in in the in the process

473

00:22:00,649 --> 00:21:58,320

in the channeling session most of the

474

00:22:02,390 --> 00:22:00,659

other channelers that I'm talking to the

475

00:22:03,950 --> 00:22:02,400

especially the more of the up and coming

476
00:22:05,750 --> 00:22:03,960
ones

477
00:22:08,330 --> 00:22:05,760
um uh like the other day on my show I

478
00:22:11,450 --> 00:22:08,340
had uh Tyler Ellison who who also

479
00:22:15,049 --> 00:22:11,460
channels a society being very much in

480
00:22:16,810 --> 00:22:15,059
the nuance and and flavor of of uh of

481
00:22:19,730 --> 00:22:16,820
Bashar and Daryl

482
00:22:21,649 --> 00:22:19,740
but he's he's sort of aware he's not

483
00:22:23,690 --> 00:22:21,659
fully checked out like like Daryl is

484
00:22:26,210 --> 00:22:23,700
he's kind of uh in the back seat

485
00:22:27,409 --> 00:22:26,220
listening to what's happening and and

486
00:22:30,049 --> 00:22:27,419
and

487
00:22:31,909 --> 00:22:30,059
um is not driving the ship so to say is

488
00:22:34,130 --> 00:22:31,919

these are their their words how they

489

00:22:36,950 --> 00:22:34,140

perceive uh the channeling phenomenon

490

00:22:39,409 --> 00:22:36,960

but uh but definitely uh able to snap

491

00:22:41,270 --> 00:22:39,419

out of it at any time or or sort of

492

00:22:42,950 --> 00:22:41,280

aware of the conversation and can

493

00:22:45,529 --> 00:22:42,960

regurgitate the conversation afterwards

494

00:22:48,049 --> 00:22:45,539

and I think that has to do with the

495

00:22:50,750 --> 00:22:48,059

density level of the planet and our

496

00:22:53,210 --> 00:22:50,760

Evolution and how the you know we're

497

00:22:55,970 --> 00:22:53,220

talking on your show a lot in in my show

498

00:22:57,890 --> 00:22:55,980

we talk about this uh big shift that's

499

00:23:00,710 --> 00:22:57,900

happening uh with humanity and going

500

00:23:04,250 --> 00:23:00,720

into this higher density and I think

501
00:23:07,010 --> 00:23:04,260
that as uh as the planet shifts and the

502
00:23:10,370 --> 00:23:07,020
energy shifts it's easier to tap into

503
00:23:12,110 --> 00:23:10,380
these uh other dimensions in to be to be

504
00:23:13,909 --> 00:23:12,120
the artist to get this information from

505
00:23:15,649 --> 00:23:13,919
other dimensions and pull it through you

506
00:23:18,350 --> 00:23:15,659
know we have Quantum Computing which is

507
00:23:22,070 --> 00:23:18,360
essentially channeling and that if you

508
00:23:25,549 --> 00:23:22,080
hear a Quantum uh Computing uh physicist

509
00:23:27,890 --> 00:23:25,559
scientists talking about the uh how it

510
00:23:30,110 --> 00:23:27,900
works they're describing channeling

511
00:23:33,070 --> 00:23:30,120
they're literally straight science

512
00:23:37,549 --> 00:23:33,080
fiction straight science fiction yeah

513
00:23:41,570 --> 00:23:37,559

we're using computers to peer into other

514

00:23:43,549 --> 00:23:41,580

worlds and process information that are

515

00:23:46,430 --> 00:23:43,559

you know uh ones and zero computers

516

00:23:47,930 --> 00:23:46,440

cannot handle they're going into these

517

00:23:49,850 --> 00:23:47,940

other dimensions looking at all these

518

00:23:52,730 --> 00:23:49,860

different proper probabilities and

519

00:23:55,430 --> 00:23:52,740

they're doing equations in a new unique

520

00:23:56,690 --> 00:23:55,440

different way and in a sense that's

521

00:24:00,110 --> 00:23:56,700

that's channeling they're bringing it

522

00:24:01,850 --> 00:24:00,120

back here so now that we have access in

523

00:24:03,590 --> 00:24:01,860

this in in our Physical Realm and we're

524

00:24:07,010 --> 00:24:03,600

building machines that can do this we're

525

00:24:09,950 --> 00:24:07,020

building AI uh in a sense that is what

526

00:24:11,450 --> 00:24:09,960

is ai ai is is a in a sense it's a

527

00:24:14,390 --> 00:24:11,460

channel it's a machine that's able to

528

00:24:16,850 --> 00:24:14,400

channel information and we think it's

529

00:24:18,409 --> 00:24:16,860

computating and making all of these uh

530

00:24:21,409 --> 00:24:18,419

computations to bring in this

531

00:24:25,669 --> 00:24:21,419

intelligence and to a certain extent it

532

00:24:26,950 --> 00:24:25,679

is this the new uh the new uh uh Elon

533

00:24:32,750 --> 00:24:26,960

Musk uh

534

00:24:34,430 --> 00:24:32,760

DTI uh AI dbt2 right or three or we have

535

00:24:36,770 --> 00:24:34,440

three or four now I don't forget where

536

00:24:40,070 --> 00:24:36,780

we're at right right but that I I

537

00:24:42,649 --> 00:24:40,080

interviewed a uh it's my next show

538

00:24:46,190 --> 00:24:42,659

actually I interviewed a scientist

539

00:24:47,810 --> 00:24:46,200

a Creator one of the co-creators or uh

540

00:24:52,789 --> 00:24:47,820

um or actually the creator of burning

541

00:24:54,710 --> 00:24:52,799

paint Bill Scott who uh used gpt2 and

542

00:24:58,190 --> 00:24:54,720

added a couple of

543

00:25:02,510 --> 00:24:58,200

um algorithms to it uh using

544

00:25:05,210 --> 00:25:02,520

um a fractal math and the information

545

00:25:06,529 --> 00:25:05,220

coming from this AI was not much

546

00:25:08,630 --> 00:25:06,539

different the answer is coming from the

547

00:25:10,430 --> 00:25:08,640

AI was not much different than say a

548

00:25:12,350 --> 00:25:10,440

Channel or the way a Channeler would

549

00:25:14,930 --> 00:25:12,360

answer questions and some of the the way

550

00:25:17,169 --> 00:25:14,940

it would present it so we're at this

551

00:25:19,610 --> 00:25:17,179

Tipping Point right now in humanity

552

00:25:20,810 --> 00:25:19,620

where the where we're raising the

553

00:25:22,310 --> 00:25:20,820

Consciousness and I think that's why we

554

00:25:24,590 --> 00:25:22,320

have so much activity in the planet too

555

00:25:25,970 --> 00:25:24,600

with with ET activity we're getting to

556

00:25:28,430 --> 00:25:25,980

this peak where the veils are getting

557

00:25:30,529 --> 00:25:28,440

very thin and channeling is becoming an

558

00:25:34,190 --> 00:25:30,539

easier is easier and easier

559

00:25:35,210 --> 00:25:34,200

what this is how I feel if

560

00:25:37,730 --> 00:25:35,220

um

561

00:25:41,870 --> 00:25:37,740

if uh you and I are screwing around in

562

00:25:43,970 --> 00:25:41,880

Big Bear right it comes down yeah yeah

563

00:25:48,230 --> 00:25:43,980

Bean comes off the craft and starts

564

00:25:50,390 --> 00:25:48,240

talking to us what is it that you and I

565

00:25:52,750 --> 00:25:50,400

and our monkey butts

566

00:25:57,190 --> 00:25:52,760

could say

567

00:26:01,490 --> 00:25:57,200

that would be smart and right right

568

00:26:04,250 --> 00:26:01,500

whatever our smartest smartness right

569

00:26:06,130 --> 00:26:04,260

what is it that we could say and on the

570

00:26:11,990 --> 00:26:06,140

flip side

571

00:26:14,630 --> 00:26:12,000

how would we understand or relate to the

572

00:26:16,850 --> 00:26:14,640

mind that is saying something to us

573

00:26:20,149 --> 00:26:16,860

having to come down to our level right

574

00:26:22,430 --> 00:26:20,159

and it would just blow and that is where

575

00:26:24,289 --> 00:26:22,440

channeling I think there that's a lot of

576

00:26:27,649 --> 00:26:24,299

the frustration that people have with it

577

00:26:30,649 --> 00:26:27,659

where they go wait what I I don't

578

00:26:33,830 --> 00:26:30,659

understand no no ask something direct

579

00:26:39,769 --> 00:26:33,840

where's the door no it's it's at another

580

00:26:41,510 --> 00:26:39,779

level that we don't uh uh we can't get

581

00:26:44,510 --> 00:26:41,520

frustrated if we don't understand it

582

00:26:45,890 --> 00:26:44,520

right away right we can't we have to we

583

00:26:49,549 --> 00:26:45,900

have to look at it a little bit

584

00:26:51,830 --> 00:26:49,559

differently and understand uh what type

585

00:26:52,810 --> 00:26:51,840

of Personality that that we're talking

586

00:26:56,269 --> 00:26:52,820

to

587

00:26:59,269 --> 00:26:56,279

well when you say say something smart I

588

00:27:02,049 --> 00:26:59,279

I you mean something that would like uh

589

00:27:03,950 --> 00:27:02,059

catch the attention of the teeth

590

00:27:05,450 --> 00:27:03,960

that's the whole thing there's nothing

591

00:27:07,490 --> 00:27:05,460

we could say that would catch their

592

00:27:10,970 --> 00:27:07,500

attention what is it what is it that

593

00:27:13,430 --> 00:27:10,980

what is it that seriously I want you to

594

00:27:15,710 --> 00:27:13,440

think about that for a second what is

595

00:27:18,230 --> 00:27:15,720

the smartest thing that you could say

596

00:27:21,830 --> 00:27:18,240

what is it hello

597

00:27:24,590 --> 00:27:21,840

okay that's probably you know it's

598

00:27:26,690 --> 00:27:24,600

fundamental as that sounds that's about

599

00:27:30,049 --> 00:27:26,700

as smart as you can go well where else

600

00:27:32,750 --> 00:27:30,059

are you gonna go what what do you what

601
00:27:35,210 --> 00:27:32,760
are you gonna talk about well I think

602
00:27:37,310 --> 00:27:35,220
the the the the you know I think the

603
00:27:38,149 --> 00:27:37,320
asking the questions is the is the

604
00:27:42,549 --> 00:27:38,159
biggest

605
00:27:45,230 --> 00:27:42,559
um uh sense of you know just like so

606
00:27:47,090 --> 00:27:45,240
watching Daryl and watching and and

607
00:27:50,510 --> 00:27:47,100
being part of those sessions right so

608
00:27:53,570 --> 00:27:50,520
Daryl always has an answer pretty much

609
00:27:56,810 --> 00:27:53,580
or or bashara has an answer for even the

610
00:27:58,370 --> 00:27:56,820
stupidest questions and

611
00:28:00,590 --> 00:27:58,380
um which we would say some people would

612
00:28:04,690 --> 00:28:00,600
say oh that's stupid or that's brilliant

613
00:28:07,490 --> 00:28:04,700

um so what what what I have learned from

614

00:28:11,269 --> 00:28:07,500

my doing my exploration into this field

615

00:28:13,310 --> 00:28:11,279

is that the questions are key the ques

616

00:28:16,789 --> 00:28:13,320

and the questions actually contain the

617

00:28:21,289 --> 00:28:16,799

answers but the questions in the level

618

00:28:22,850 --> 00:28:21,299

of questioning gives a reading to let's

619

00:28:24,950 --> 00:28:22,860

say an extra dimensional being or

620

00:28:27,649 --> 00:28:24,960

whoever's coming through uh Bashar or

621

00:28:31,370 --> 00:28:27,659

whatever that is actually able to get a

622

00:28:33,950 --> 00:28:31,380

a pulse on where we're at and what type

623

00:28:36,769 --> 00:28:33,960

of information we can handle and then be

624

00:28:40,390 --> 00:28:36,779

able to find the most vibrationally

625

00:28:42,669 --> 00:28:40,400

accurate response for for the question

626
00:28:45,529 --> 00:28:42,679
and then uh

627
00:28:47,810 --> 00:28:45,539
yes but but and I don't want to be

628
00:28:49,909 --> 00:28:47,820
argumentative here sure

629
00:28:54,010 --> 00:28:49,919
um but here here it is

630
00:29:00,230 --> 00:28:57,890
uh Benjamin Franklin

631
00:29:01,450 --> 00:29:00,240
and he was right now he was on this

632
00:29:03,370 --> 00:29:01,460
screen

633
00:29:06,049 --> 00:29:03,380
participating in this conversation

634
00:29:07,690 --> 00:29:06,059
listening to what you and I are saying

635
00:29:10,370 --> 00:29:07,700
right now

636
00:29:14,510 --> 00:29:10,380
what could he add

637
00:29:16,789 --> 00:29:14,520
nothing and what what would he

638
00:29:20,210 --> 00:29:16,799

understand

639

00:29:22,549 --> 00:29:20,220

I mean just just coming in with with his

640

00:29:25,490 --> 00:29:22,559

knowledge said smart guy right smart

641

00:29:27,830 --> 00:29:25,500

dude coming into this

642

00:29:29,810 --> 00:29:27,840

but there's nothing there's nothing

643

00:29:32,029 --> 00:29:29,820

what's he gonna you know are you sure

644

00:29:34,250 --> 00:29:32,039

are you sure I would I'd love to have a

645

00:29:35,750 --> 00:29:34,260

conversation with Benjamin Franklin I

646

00:29:39,730 --> 00:29:35,760

think he would have some really good

647

00:29:44,029 --> 00:29:42,649

a kite yeah we can talk about our

648

00:29:45,710 --> 00:29:44,039

Constitution and how that's been

649

00:29:49,190 --> 00:29:45,720

violated and all the different things

650

00:29:51,350 --> 00:29:49,200

that that uh but and so what I'm

651
00:29:55,130 --> 00:29:51,360
suggesting here is you're talking about

652
00:29:57,350 --> 00:29:55,140
a vibrational you know the and and you

653
00:30:00,289 --> 00:29:57,360
know a being from outer space and and

654
00:30:02,810 --> 00:30:00,299
Quantum Computing and qubit and and

655
00:30:06,310 --> 00:30:02,820
parallel worlds and and how we get you

656
00:30:09,889 --> 00:30:06,320
know that that he he wouldn't even

657
00:30:11,930 --> 00:30:09,899
what right yeah yeah in that sense that

658
00:30:15,590 --> 00:30:11,940
might be a little too much but they're

659
00:30:17,750 --> 00:30:15,600
you know there are many uh wisdoms that

660
00:30:20,029 --> 00:30:17,760
we can still learn from

661
00:30:23,570 --> 00:30:20,039
um from guys like Benjamin Franklin or

662
00:30:26,269 --> 00:30:23,580
you know even uh you know there's this

663
00:30:28,370 --> 00:30:26,279

is the beauty of all of this to take

664

00:30:30,289 --> 00:30:28,380

somebody like a Benjamin Franklin or an

665

00:30:32,630 --> 00:30:30,299

extraterrestrial or somebody from an

666

00:30:34,970 --> 00:30:32,640

outside perspective from we're so caught

667

00:30:36,950 --> 00:30:34,980

up in our news and our media and what's

668

00:30:39,710 --> 00:30:36,960

going on right now and what's the latest

669

00:30:41,510 --> 00:30:39,720

on Jimmy Church you know what are all

670

00:30:42,769 --> 00:30:41,520

these what's happening in the now moment

671

00:30:46,610 --> 00:30:42,779

with all the things that we have access

672

00:30:48,409 --> 00:30:46,620

to sometimes we lose uh sight of of the

673

00:30:50,990 --> 00:30:48,419

bigger picture or an outside perspective

674

00:30:53,269 --> 00:30:51,000

and it could be even you know what we

675

00:30:56,230 --> 00:30:53,279

perceive as an unevolved Benjamin

676

00:30:59,630 --> 00:30:56,240

Franklin it could be that outside view

677

00:31:01,850 --> 00:30:59,640

that is the genius view that we need to

678

00:31:04,610 --> 00:31:01,860

have to get us through the next step and

679

00:31:07,130 --> 00:31:04,620

that's what I found through my uh diving

680

00:31:08,830 --> 00:31:07,140

deep into indigenous teachings and we

681

00:31:11,029 --> 00:31:08,840

see them as

682

00:31:13,490 --> 00:31:11,039

primitive or oh they don't know what

683

00:31:16,730 --> 00:31:13,500

they're talking about but but diving

684

00:31:18,889 --> 00:31:16,740

deep into to their uh history and their

685

00:31:21,049 --> 00:31:18,899

Realms and they also have this history

686

00:31:23,210 --> 00:31:21,059

of of tapping into Shamanism and

687

00:31:26,870 --> 00:31:23,220

channeling and entities coming through

688

00:31:29,810 --> 00:31:26,880

so there's there's keys there that that

689

00:31:32,930 --> 00:31:29,820

uh that we I think we should not

690

00:31:36,110 --> 00:31:32,940

um uh not look at I think we we should

691

00:31:38,710 --> 00:31:36,120

look at all of it and and uh and offer

692

00:31:42,049 --> 00:31:38,720

uh or welcome any types of of

693

00:31:43,250 --> 00:31:42,059

perspectives that they uh they they

694

00:31:48,289 --> 00:31:43,260

could

695

00:31:51,049 --> 00:31:48,299

um offer to us yeah I um uh there's no

696

00:31:52,430 --> 00:31:51,059

no question about that and you know the

697

00:31:53,830 --> 00:31:52,440

whole world knows you know I just got

698

00:31:55,789 --> 00:31:53,840

back from Egypt

699

00:32:00,470 --> 00:31:55,799

and

700

00:32:02,389 --> 00:32:00,480

um yeah you uh you walk around uh these

701
00:32:06,769 --> 00:32:02,399
these different sites and and things

702
00:32:09,470 --> 00:32:06,779
that part of it it it's a uh it's a it's

703
00:32:11,330 --> 00:32:09,480
a logistical thing you know it's a

704
00:32:13,250 --> 00:32:11,340
physical thing you're going to a temple

705
00:32:16,070 --> 00:32:13,260
and you're amazed you know at its size

706
00:32:19,130 --> 00:32:16,080
and anything it's artistic you know

707
00:32:22,070 --> 00:32:19,140
Aesthetics and and things like that but

708
00:32:24,110 --> 00:32:22,080
um that's not what is special there well

709
00:32:29,470 --> 00:32:24,120
it is of course I I don't mean it like

710
00:32:32,470 --> 00:32:29,480
that but uh it is that uh you understand

711
00:32:36,350 --> 00:32:32,480
very quickly if you're looking for it

712
00:32:38,570 --> 00:32:36,360
that uh they

713
00:32:41,690 --> 00:32:38,580

they had a grip

714

00:32:45,230 --> 00:32:41,700

they had a firm grip I had a grip on the

715

00:32:47,269 --> 00:32:45,240

mind they had a grip on philosophy that

716

00:32:49,430 --> 00:32:47,279

a grip on spirituality and they

717

00:32:53,029 --> 00:32:49,440

understood things

718

00:32:55,970 --> 00:32:53,039

um fully developed fully upright uh

719

00:32:59,149 --> 00:32:55,980

about about the human mind they they had

720

00:33:01,310 --> 00:32:59,159

it they had it dialed and it's a very

721

00:33:07,310 --> 00:33:01,320

impressive thing where the Amnesia

722

00:33:09,769 --> 00:33:07,320

started and and how uh why uh I'm gonna

723

00:33:14,149 --> 00:33:09,779

be very fundamental here why they didn't

724

00:33:16,130 --> 00:33:14,159

get to the Moon by uh 2000 BC is beyond

725

00:33:17,570 --> 00:33:16,140

me they should have

726

00:33:22,269 --> 00:33:17,580

they should have

727

00:33:23,950 --> 00:33:22,279

or maybe but maybe the moon wasn't uh

728

00:33:26,930 --> 00:33:23,960

you understand

729

00:33:30,470 --> 00:33:26,940

I'm sure they were completely developed

730

00:33:32,330 --> 00:33:30,480

man come completely uh developed yeah

731

00:33:34,450 --> 00:33:32,340

and and maybe they got to the Moon in

732

00:33:37,990 --> 00:33:34,460

other ways maybe

733

00:33:43,430 --> 00:33:38,000

that's yes I don't I don't argue that

734

00:33:46,190 --> 00:33:43,440

I don't argue that at all man I um I uh

735

00:33:47,450 --> 00:33:46,200

I did this thing so you want to talk

736

00:33:49,630 --> 00:33:47,460

about what the Ancients knew and I

737

00:33:53,090 --> 00:33:49,640

wasn't making light of uh Ben Franklin

738

00:33:57,350 --> 00:33:53,100

what I was suggesting is

739

00:34:00,169 --> 00:33:57,360

um us listening to a couple of ETS talk

740

00:34:01,909 --> 00:34:00,179

about everyday stuff what is it that we

741

00:34:04,130 --> 00:34:01,919

could relate to if they're going to be

742

00:34:05,810 --> 00:34:04,140

at a hole that they're just like us you

743

00:34:07,909 --> 00:34:05,820

and I talking now

744

00:34:10,310 --> 00:34:07,919

could Ben Franklin or somebody else from

745

00:34:12,589 --> 00:34:10,320

200 300 years ago relate or even

746

00:34:16,030 --> 00:34:12,599

understand what we're talking about with

747

00:34:18,490 --> 00:34:16,040

internet speeds and and cubits

748

00:34:21,109 --> 00:34:18,500

that stuff is probably gonna

749

00:34:25,550 --> 00:34:21,119

and we would have the same thing the

750

00:34:28,129 --> 00:34:25,560

same issues with ET but um in Egypt

751

00:34:30,589 --> 00:34:28,139

I'm going to make this really quick at

752

00:34:33,889 --> 00:34:30,599

the Temple of dandera in the back uh I

753

00:34:37,369 --> 00:34:33,899

was taken uh by a priest to this area

754

00:34:40,129 --> 00:34:37,379

that is off limits to the public we went

755

00:34:43,210 --> 00:34:40,139

to an underground faronic Lake

756

00:34:45,649 --> 00:34:43,220

in the middle of the Sahara Desert

757

00:34:47,869 --> 00:34:45,659

descended stairs underneath the sand

758

00:34:50,629 --> 00:34:47,879

dunes

759

00:34:52,669 --> 00:34:50,639

five stories down you know six stories

760

00:34:56,690 --> 00:34:52,679

down 80 feet I don't know man long ways

761

00:34:58,130 --> 00:34:56,700

man down to an underground Lake

762

00:35:00,290 --> 00:34:58,140

wow now

763

00:35:02,089 --> 00:35:00,300

um and and I was told by the fruit this

764

00:35:05,450 --> 00:35:02,099

is where the Pharaohs went

765

00:35:06,890 --> 00:35:05,460

to spiritually cleanse

766

00:35:09,890 --> 00:35:06,900

what

767

00:35:12,290 --> 00:35:09,900

right kind of talking about baptism in a

768

00:35:15,230 --> 00:35:12,300

way right well

769

00:35:17,930 --> 00:35:15,240

go down in the complete darkness uh

770

00:35:19,730 --> 00:35:17,940

can't wear your shoes you can't talk and

771

00:35:21,050 --> 00:35:19,740

you go through this process

772

00:35:23,990 --> 00:35:21,060

right

773

00:35:26,329 --> 00:35:24,000

and uh now I want you to think about

774

00:35:28,670 --> 00:35:26,339

your personal experiences here that you

775

00:35:31,849 --> 00:35:28,680

and I have talked about privately so

776

00:35:34,609 --> 00:35:31,859

think about the your desert experiences

777

00:35:38,089 --> 00:35:34,619

okay so you go down and you do this

778

00:35:40,010 --> 00:35:38,099

thing I'm in this Lake

779

00:35:42,410 --> 00:35:40,020

in the dark

780

00:35:45,770 --> 00:35:42,420

you come back up out of the darkness

781

00:35:48,670 --> 00:35:45,780

after cooling your body there's a thing

782

00:35:51,050 --> 00:35:48,680

there's a pineal gland there's a DMT

783

00:35:52,910 --> 00:35:51,060

adrenaline thing and you come out and

784

00:35:55,310 --> 00:35:52,920

you hit the sunlight and the serotonin

785

00:35:58,250 --> 00:35:55,320

melatonin the chemistry the electronics

786

00:36:01,080 --> 00:35:58,260

the things that are shifting and this

787

00:36:04,990 --> 00:36:01,090

this thing now

788

00:36:08,150 --> 00:36:05,000

[Laughter]

789

00:36:10,190 --> 00:36:08,160

now I come back to the states right back

790

00:36:13,370 --> 00:36:10,200

to your point this is why I want you to

791

00:36:15,890 --> 00:36:13,380

address this okay

792

00:36:19,730 --> 00:36:15,900

the Egyptians knew

793

00:36:21,069 --> 00:36:19,740

about that process 5

794

00:36:23,690 --> 00:36:21,079

000 years ago

795

00:36:25,190 --> 00:36:23,700

we're just now we can unpack that right

796

00:36:28,430 --> 00:36:25,200

we can go well the chemistry and the

797

00:36:31,250 --> 00:36:28,440

Melatonin the the DMT that this

798

00:36:33,770 --> 00:36:31,260

adrenaline exploding the the light and

799

00:36:37,010 --> 00:36:33,780

the light to the dark and we can analyze

800

00:36:37,750 --> 00:36:37,020

this scientifically right but they knew

801
00:36:41,210 --> 00:36:37,760
it

802
00:36:43,790 --> 00:36:41,220
wasn't years ago there was a reason

803
00:36:48,530 --> 00:36:43,800
those Pharaohs were going down those

804
00:36:52,849 --> 00:36:48,540
stairs right underground Lake they got

805
00:36:55,730 --> 00:36:52,859
they had a grip so right and and and to

806
00:36:57,829 --> 00:36:55,740
understand those processes where you do

807
00:37:01,490 --> 00:36:57,839
this now you do you do you you

808
00:37:05,690 --> 00:37:01,500
understand the opening of things in the

809
00:37:08,450 --> 00:37:05,700
brain right you understand these they're

810
00:37:11,750 --> 00:37:08,460
doing this 5 000 years ago Reuben

811
00:37:13,670 --> 00:37:11,760
yep yeah these are old old techniques

812
00:37:15,589 --> 00:37:13,680
they're the and they were channeling and

813
00:37:18,710 --> 00:37:15,599

they were counts they were seeking

814

00:37:22,430 --> 00:37:18,720

counsel with people who had abilities

815

00:37:24,710 --> 00:37:22,440

you know there were uh in many cultures

816

00:37:27,349 --> 00:37:24,720

and many uh regions throughout the world

817

00:37:29,329 --> 00:37:27,359

we have especially the ancient cultures

818

00:37:32,210 --> 00:37:29,339

we have

819

00:37:33,950 --> 00:37:32,220

um knowledge of of you know people

820

00:37:37,310 --> 00:37:33,960

talking to other beings or people

821

00:37:39,290 --> 00:37:37,320

facilitating these other uh beans coming

822

00:37:42,230 --> 00:37:39,300

through you know the gods or whatever

823

00:37:44,210 --> 00:37:42,240

names they had right even even and

824

00:37:47,510 --> 00:37:44,220

another we're talking about Dimensions

825

00:37:50,329 --> 00:37:47,520

uh you know are we talking about access

826

00:37:53,390 --> 00:37:50,339

to another world another parallel world

827

00:37:55,790 --> 00:37:53,400

another dimension and and communicating

828

00:37:59,089 --> 00:37:55,800

with life that is on the other side that

829

00:38:01,490 --> 00:37:59,099

we can't see in our two Dimension right

830

00:38:04,010 --> 00:38:01,500

doofus mindset

831

00:38:06,290 --> 00:38:04,020

I mean absolutely even the the Dalai

832

00:38:10,370 --> 00:38:06,300

Lama is still to this day has a number

833

00:38:13,550 --> 00:38:10,380

of uh oracles that he consults with uh

834

00:38:14,750 --> 00:38:13,560

that are true true channelers in the a

835

00:38:18,410 --> 00:38:14,760

buddy of mine was working on a

836

00:38:20,630 --> 00:38:18,420

documentary uh about it and

837

00:38:22,550 --> 00:38:20,640

um brought in and showed me and I was

838

00:38:24,109 --> 00:38:22,560

like Wow which is the mainstream does

839

00:38:25,910 --> 00:38:24,119

the world know that the Dalai Lama

840

00:38:27,310 --> 00:38:25,920

consults with oracles that are

841

00:38:29,990 --> 00:38:27,320

channeling information

842

00:38:32,930 --> 00:38:30,000

and uh most people don't but you know

843

00:38:36,589 --> 00:38:32,940

the hardcore people uh followers they

844

00:38:38,750 --> 00:38:36,599

they know uh it's not a secret but uh

845

00:38:41,210 --> 00:38:38,760

it's it's quite common it's common now

846

00:38:43,990 --> 00:38:41,220

and it was common in the past

847

00:38:48,730 --> 00:38:44,000

there are um

848

00:38:52,250 --> 00:38:48,740

Consultants that go to the Dalai Lama

849

00:38:55,430 --> 00:38:52,260

uh that are dealing with computer design

850

00:38:56,990 --> 00:38:55,440

the design of the brain uh Quantum

851

00:38:59,450 --> 00:38:57,000

networks

852

00:39:01,010 --> 00:38:59,460

um and and how things work

853

00:39:02,990 --> 00:39:01,020

but they're trying to understand it

854

00:39:05,930 --> 00:39:03,000

right and and trying to figure it out

855

00:39:08,510 --> 00:39:05,940

they they go to the Dalai Lama for those

856

00:39:12,470 --> 00:39:08,520

answers right yeah without talking about

857

00:39:16,190 --> 00:39:12,480

uh you know uh if you CERN Switzerland

858

00:39:19,609 --> 00:39:16,200

Lawrence Livermore Los Alamos Google

859

00:39:21,370 --> 00:39:19,619

alphabet man right they're going there

860

00:39:25,010 --> 00:39:21,380

to understand

861

00:39:26,810 --> 00:39:25,020

how this actually works and and I find

862

00:39:30,650 --> 00:39:26,820

that just totally amazing and I've

863

00:39:33,410 --> 00:39:30,660

listened to a lot of uh uh a lot of the

864

00:39:36,589 --> 00:39:33,420

audio from these different uh meetings

865

00:39:38,870 --> 00:39:36,599

and to listen to him speak to them on

866

00:39:41,390 --> 00:39:38,880

how all of this works is amazing and

867

00:39:43,790 --> 00:39:41,400

they're taking notes dude yeah

868

00:39:46,130 --> 00:39:43,800

yeah I mean he's I mean if you look if

869

00:39:47,690 --> 00:39:46,140

you think about it if you look I mean

870

00:39:50,510 --> 00:39:47,700

everything's within nature and that's

871

00:39:52,790 --> 00:39:50,520

that's you know we we the common thing

872

00:39:54,950 --> 00:39:52,800

we keep coming back to is you know the

873

00:39:56,930 --> 00:39:54,960

math and nature the Fibonacci sequence

874

00:39:59,569 --> 00:39:56,940

you I know you had Robert Grant on the

875

00:40:02,569 --> 00:39:59,579

show big fan of his work and you know

876

00:40:06,710 --> 00:40:02,579

he's just finding all of these secrets

877

00:40:07,730 --> 00:40:06,720

in the in the uh uh Egyptian temples and

878

00:40:12,290 --> 00:40:07,740

and

879

00:40:15,170 --> 00:40:12,300

know he's he's but all of it is sort of

880

00:40:17,450 --> 00:40:15,180

laid out there in in a natural way and a

881

00:40:19,790 --> 00:40:17,460

lot of these uh math codes and numbers

882

00:40:21,650 --> 00:40:19,800

and sequences

883

00:40:23,569 --> 00:40:21,660

um it's the

884

00:40:25,790 --> 00:40:23,579

and that's sort of seeing and especially

885

00:40:26,829 --> 00:40:25,800

when it's sort of related to Nature

886

00:40:29,270 --> 00:40:26,839

right we're we're

887

00:40:31,430 --> 00:40:29,280

sticking with that nature side of things

888

00:40:33,410 --> 00:40:31,440

and there seems to be another camp that

889

00:40:41,569 --> 00:40:33,420

wants to

890

00:40:43,970 --> 00:40:41,579

through or shortcut or control uh the

891

00:40:45,650 --> 00:40:43,980

nature and using

892

00:40:48,050 --> 00:40:45,660

um maybe different sets of math

893

00:40:50,329 --> 00:40:48,060

different types of of ways and

894

00:40:53,089 --> 00:40:50,339

modalities but

895

00:40:56,690 --> 00:40:53,099

um you know that that method that path

896

00:40:58,790 --> 00:40:56,700

that this idea of of of uh transhumanism

897

00:41:03,349 --> 00:40:58,800

and things like that we all there's a

898

00:41:05,870 --> 00:41:03,359

big cautionary uh um uh you know we're

899

00:41:07,790 --> 00:41:05,880

hearing all this this uh conspiracies

900

00:41:10,849 --> 00:41:07,800

and things about going too far into that

901
00:41:13,910 --> 00:41:10,859
camp uh so I I feel this has been an

902
00:41:16,849 --> 00:41:13,920
eternal sort of battle between natural

903
00:41:19,490 --> 00:41:16,859
the natural way and and the inorganic

904
00:41:21,470 --> 00:41:19,500
way in a sense and we're we're trying to

905
00:41:23,690 --> 00:41:21,480
find as Humanity we're trying to find

906
00:41:27,349 --> 00:41:23,700
which direction are we going to go how

907
00:41:30,230 --> 00:41:27,359
how can we uh which which angle are we

908
00:41:33,710 --> 00:41:30,240
going to take and I feel going back to

909
00:41:36,290 --> 00:41:33,720
the ancient uh Legends and lures of

910
00:41:38,030 --> 00:41:36,300
Atlantis uh I feel that that's where

911
00:41:41,450 --> 00:41:38,040
we're sort of repeating a lot of the

912
00:41:43,970 --> 00:41:41,460
same mistakes that um happened in that

913
00:41:46,490 --> 00:41:43,980

era of going perhaps an unnatural way or

914

00:41:48,589 --> 00:41:46,500

trying to play God a little too much and

915

00:41:51,950 --> 00:41:48,599

then we get into trouble and you know

916

00:41:53,870 --> 00:41:51,960

then the cosmos uh the universe God

917

00:41:56,150 --> 00:41:53,880

whoever you want to say hits the uh

918

00:41:57,589 --> 00:41:56,160

let's send in the meteors and hit the

919

00:41:59,810 --> 00:41:57,599

reset button and then we'll go for

920

00:42:01,609 --> 00:41:59,820

another you know 13

921

00:42:04,609 --> 00:42:01,619

000 year cycle and see what happens if

922

00:42:06,890 --> 00:42:04,619

they can get get the lesson next time

923

00:42:10,430 --> 00:42:06,900

such a great Point you're not going to

924

00:42:12,410 --> 00:42:10,440

manhandle nature no it's it's not going

925

00:42:14,450 --> 00:42:12,420

to happen and

926
00:42:17,270 --> 00:42:14,460
um you just

927
00:42:21,530 --> 00:42:17,280
uh take another sip take another sip

928
00:42:24,109 --> 00:42:21,540
okay yeah take another sip

929
00:42:29,530 --> 00:42:24,119
you are drinking

930
00:42:33,410 --> 00:42:29,540
something that is 13 billion years old

931
00:42:35,930 --> 00:42:33,420
pretty much everything it's just this

932
00:42:37,870 --> 00:42:35,940
has been on my Avengers for a long time

933
00:42:40,970 --> 00:42:37,880
but but

934
00:42:42,950 --> 00:42:40,980
most people don't understand that you

935
00:42:46,250 --> 00:42:42,960
know matter doesn't go away

936
00:42:48,230 --> 00:42:46,260
so the matter that was created 13 and a

937
00:42:50,569 --> 00:42:48,240
half billion years ago in in this

938
00:42:52,430 --> 00:42:50,579

universe and stars that have given up

939

00:42:54,829 --> 00:42:52,440

their lives and exploded and everything

940

00:42:56,510 --> 00:42:54,839

else and we are Stardust you have to

941

00:42:59,150 --> 00:42:56,520

understand that concept

942

00:43:02,089 --> 00:42:59,160

uh really really quick if Nature has

943

00:43:05,089 --> 00:43:02,099

gotten that figured out that you and I

944

00:43:10,270 --> 00:43:05,099

are made with 13 billion year old

945

00:43:13,250 --> 00:43:10,280

particles right we're not new particles

946

00:43:16,250 --> 00:43:13,260

you know and just it it doesn't it

947

00:43:19,069 --> 00:43:16,260

doesn't work that way and if you think

948

00:43:22,010 --> 00:43:19,079

that you are going to take control of

949

00:43:24,829 --> 00:43:22,020

that you're not right you're not you

950

00:43:27,349 --> 00:43:24,839

need to work with that's all yeah yeah

951
00:43:29,569 --> 00:43:27,359
exactly and I think it's just you know

952
00:43:32,210 --> 00:43:29,579
it's just Egos and and and different

953
00:43:34,130 --> 00:43:32,220
people have different ideas and you know

954
00:43:35,809 --> 00:43:34,140
discoveries and they get excited no we

955
00:43:37,370 --> 00:43:35,819
can do this and splice this Gene and

956
00:43:39,650 --> 00:43:37,380
make this thing and take the spike

957
00:43:41,030 --> 00:43:39,660
protein and do that with that and oh

958
00:43:42,770 --> 00:43:41,040
maybe we should researched that a little

959
00:43:46,910 --> 00:43:42,780
bit more before we've

960
00:43:51,430 --> 00:43:46,920
you know let me drink my 13 billion year

961
00:43:58,190 --> 00:43:54,230
Nature has figured out

962
00:44:02,210 --> 00:43:58,200
how to combine itself with 13 billion

963
00:44:05,150 --> 00:44:02,220

Euro particles and it tastes like this

964

00:44:08,089 --> 00:44:05,160

I'm going to I'm going to take control

965

00:44:12,349 --> 00:44:08,099

of that no you need to work with that

966

00:44:14,030 --> 00:44:12,359

that's awesome exactly exactly

967

00:44:16,309 --> 00:44:14,040

and I think you know we're we're

968

00:44:18,530 --> 00:44:16,319

learning these lessons now there's still

969

00:44:20,329 --> 00:44:18,540

you know a number of of people on the

970

00:44:23,329 --> 00:44:20,339

planet that

971

00:44:25,609 --> 00:44:23,339

um you know still you know you're gonna

972

00:44:27,770 --> 00:44:25,619

try to do what they can do in in the

973

00:44:29,450 --> 00:44:27,780

name of Science and this is where we get

974

00:44:32,450 --> 00:44:29,460

into trouble when we start pulling the

975

00:44:34,490 --> 00:44:32,460

science card is that

976
00:44:37,790 --> 00:44:34,500
um you know you have a guy like fauci

977
00:44:39,589 --> 00:44:37,800
who says I am science right and then uh

978
00:44:42,109 --> 00:44:39,599
you know we see what kind of trouble

979
00:44:44,569 --> 00:44:42,119
that that that kind of uh mentality and

980
00:44:46,849 --> 00:44:44,579
idea has gotten to gotten Humanity into

981
00:44:48,950 --> 00:44:46,859
the past couple of years so I think it's

982
00:44:51,710 --> 00:44:48,960
it's a big lesson that we take a step

983
00:44:52,630 --> 00:44:51,720
back we look at

984
00:44:56,569 --> 00:44:52,640
um

985
00:44:59,510 --> 00:44:56,579
where where we're at and and how we uh

986
00:45:01,250 --> 00:44:59,520
are playing with nature in in these ways

987
00:45:02,990 --> 00:45:01,260
and uh

988
00:45:05,030 --> 00:45:03,000

you know it's a constant reset it's a

989

00:45:06,530 --> 00:45:05,040

constant reevaluation and you know

990

00:45:10,010 --> 00:45:06,540

what's the best way that we can be in

991

00:45:13,730 --> 00:45:10,020

harmony with with uh nature and develop

992

00:45:17,270 --> 00:45:13,740

new technologies and new ways to uh help

993

00:45:20,870 --> 00:45:17,280

our Evolution well how do we

994

00:45:22,190 --> 00:45:20,880

how do we how do we how do we measure

995

00:45:24,410 --> 00:45:22,200

consciousness

996

00:45:27,530 --> 00:45:24,420

you know how do we take it to the next

997

00:45:31,010 --> 00:45:27,540

step I don't have any issues uh I really

998

00:45:34,030 --> 00:45:31,020

don't I don't have any issues with uh

999

00:45:39,190 --> 00:45:34,040

having an abscess tooth and taking

1000

00:45:42,770 --> 00:45:39,200

antibiotics to save my life sure yeah

1001
00:45:44,990 --> 00:45:42,780
right and they beat nature right where

1002
00:45:49,309 --> 00:45:45,000
you've got something invasive that just

1003
00:45:55,730 --> 00:45:52,370
um and and I appreciate that part

1004
00:45:58,370 --> 00:45:55,740
um and and the Sciences but the hard

1005
00:46:02,329 --> 00:45:58,380
Sciences have issues with with

1006
00:46:06,309 --> 00:46:02,339
Consciousness and but yet they will tell

1007
00:46:10,910 --> 00:46:06,319
you that a qubit in a quantum computer

1008
00:46:14,510 --> 00:46:10,920
has uh an entanglement with another

1009
00:46:16,089 --> 00:46:14,520
particle in a parallel world and they

1010
00:46:20,270 --> 00:46:16,099
are working together

1011
00:46:23,360 --> 00:46:20,280
to to process faster it's like wait wait

1012
00:46:26,950 --> 00:46:23,370
wait what what what okay well

1013
00:46:33,050 --> 00:46:29,210

that's the 10 million dollar question is

1014

00:46:35,690 --> 00:46:33,060

why are these worlds so similar but yet

1015

00:46:37,670 --> 00:46:35,700

so so many people are refusing to even

1016

00:46:38,530 --> 00:46:37,680

look at the other side of the coin right

1017

00:46:40,849 --> 00:46:38,540

yeah

1018

00:46:45,589 --> 00:46:40,859

aren't we talking about the same thing

1019

00:46:47,930 --> 00:46:45,599

here that's what I would assume now to

1020

00:46:50,150 --> 00:46:47,940

go you know put on my where's my tinfoil

1021

00:46:52,490 --> 00:46:50,160

hat let me get my oh I'm always wearing

1022

00:46:57,829 --> 00:46:52,500

my tin foil hat never mind

1023

00:47:00,770 --> 00:46:57,839

um so the there is a uh you know this

1024

00:47:03,370 --> 00:47:00,780

idea that the so-called scientific

1025

00:47:07,550 --> 00:47:03,380

Community is purposely

1026
00:47:10,430 --> 00:47:07,560
excluding certain Concepts and ideas

1027
00:47:12,410 --> 00:47:10,440
um to deter people from looking down a

1028
00:47:13,870 --> 00:47:12,420
certain path because they're afraid of

1029
00:47:15,470 --> 00:47:13,880
what they might discover

1030
00:47:19,790 --> 00:47:15,480
and

1031
00:47:23,390 --> 00:47:19,800
can you can definitely see certain

1032
00:47:26,990 --> 00:47:23,400
biased in um in the sharing and

1033
00:47:28,910 --> 00:47:27,000
disseminating of information but

1034
00:47:30,290 --> 00:47:28,920
um not everybody obviously it's I'm not

1035
00:47:32,390 --> 00:47:30,300
saying everybody's like that but there

1036
00:47:34,370 --> 00:47:32,400
there are those out there that perhaps

1037
00:47:37,250 --> 00:47:34,380
know a little more than they LED on to

1038
00:47:39,470 --> 00:47:37,260

know and they intentionally close doors

1039

00:47:41,829 --> 00:47:39,480

to keep people from looking down certain

1040

00:47:44,270 --> 00:47:41,839

paths because they know if you go down

1041

00:47:46,730 --> 00:47:44,280

uh some of those paths then it could

1042

00:47:49,130 --> 00:47:46,740

lead to some extraordinary discoveries

1043

00:47:52,309 --> 00:47:49,140

that could free Humanity from let's say

1044

00:47:56,630 --> 00:47:52,319

it's dependence on oil or from its

1045

00:47:58,069 --> 00:47:56,640

dependence on uh how we uh Buy and Sell

1046

00:47:59,569 --> 00:47:58,079

and Trade electricity

1047

00:48:01,910 --> 00:47:59,579

so

1048

00:48:03,349 --> 00:48:01,920

um you know there's there's that those

1049

00:48:05,390 --> 00:48:03,359

aspects as well I mean look at Nikola

1050

00:48:07,970 --> 00:48:05,400

Tesla look at all of his inventions and

1051

00:48:10,670 --> 00:48:07,980

look at how many have been uh how many

1052

00:48:13,190 --> 00:48:10,680

patents he has but then how many did we

1053

00:48:15,410 --> 00:48:13,200

have has Humanity not seen how many how

1054

00:48:19,130 --> 00:48:15,420

much how much information is behind the

1055

00:48:21,050 --> 00:48:19,140

closed door that the FBI took uh you

1056

00:48:23,089 --> 00:48:21,060

know after his death

1057

00:48:26,809 --> 00:48:23,099

um a lot of a lot of that information

1058

00:48:30,589 --> 00:48:26,819

hasn't made it out and a lot

1059

00:48:32,690 --> 00:48:30,599

a lot of uh other amazing inventors uh

1060

00:48:35,089 --> 00:48:32,700

who seem to be peering into these other

1061

00:48:38,510 --> 00:48:35,099

dimensions getting this information have

1062

00:48:43,609 --> 00:48:38,520

been shunned or silenced or unable to

1063

00:48:46,190 --> 00:48:43,619

explore their uh downloads

1064

00:48:51,910 --> 00:48:46,200

um because the scientific Community has

1065

00:48:54,530 --> 00:48:51,920

been is so rigid in in its um and it's

1066

00:48:57,790 --> 00:48:54,540

ideologies and what is Dogma there's a

1067

00:49:00,530 --> 00:48:57,800

lot of Dogma in the scientific Community

1068

00:49:04,690 --> 00:49:00,540

pretty much yeah and I mean I'm not

1069

00:49:07,670 --> 00:49:04,700

dogging uh dogging dogging on the uh uh

1070

00:49:09,890 --> 00:49:07,680

on the uh scientific method now that's

1071

00:49:14,930 --> 00:49:09,900

an amazing

1072

00:49:17,089 --> 00:49:14,940

fan of Science and I know you are too

1073

00:49:19,849 --> 00:49:17,099

and I I don't think

1074

00:49:21,950 --> 00:49:19,859

um I don't mean to come at the

1075

00:49:24,050 --> 00:49:21,960

scientific community in the in the

1076

00:49:25,490 --> 00:49:24,060

methodologies and try to poo poo any of

1077

00:49:27,349 --> 00:49:25,500

that stuff

1078

00:49:29,150 --> 00:49:27,359

um it's it's there it's great it's

1079

00:49:31,190 --> 00:49:29,160

awesome and and it's great reference but

1080

00:49:35,030 --> 00:49:31,200

there are those

1081

00:49:37,370 --> 00:49:35,040

um barriers that have been in the

1082

00:49:41,510 --> 00:49:37,380

community and you know it's the build-up

1083

00:49:45,470 --> 00:49:41,520

of dogma and and the thing is when you

1084

00:49:47,150 --> 00:49:45,480

have uh so many influential

1085

00:49:50,390 --> 00:49:47,160

um I don't want to use the word atheist

1086

00:49:52,309 --> 00:49:50,400

uh incorrectly here and or offend

1087

00:49:53,589 --> 00:49:52,319

anybody do whatever you want I don't

1088

00:49:56,809 --> 00:49:53,599

give a crap

1089

00:49:59,690 --> 00:49:56,819

that's it I I really don't I mean have

1090

00:50:02,210 --> 00:49:59,700

fun enjoy life study what you want to

1091

00:50:03,890 --> 00:50:02,220

study whatever whatever your bliss is

1092

00:50:08,569 --> 00:50:03,900

and you want to go down that road go go

1093

00:50:11,930 --> 00:50:08,579

I I I I honestly don't care sure um I'm

1094

00:50:14,870 --> 00:50:11,940

flawed I I I followed some stuff too

1095

00:50:18,650 --> 00:50:14,880

that is that is pretty crazy but but

1096

00:50:22,430 --> 00:50:18,660

here's the thing that the

1097

00:50:25,250 --> 00:50:22,440

um the rock stars that are out there

1098

00:50:28,309 --> 00:50:25,260

um in the scientific Community

1099

00:50:31,130 --> 00:50:28,319

um want to now because of the Dogma that

1100

00:50:34,490 --> 00:50:31,140

they have built up they've built they

1101
00:50:36,890 --> 00:50:34,500
did this wall of Dogma now they can't

1102
00:50:40,130 --> 00:50:36,900
step outside of it even if they wanted

1103
00:50:43,130 --> 00:50:40,140
to you know they can't think of I think

1104
00:50:46,609 --> 00:50:43,140
a lot of it is by Design in order to

1105
00:50:50,630 --> 00:50:46,619
have key players in positions to play

1106
00:50:56,690 --> 00:50:50,640
GateKeeper and um in a lot of these

1107
00:50:59,630 --> 00:50:56,700
institutions and uh um schools in in in

1108
00:51:01,670 --> 00:50:59,640
different groups uh you know even

1109
00:51:02,690 --> 00:51:01,680
yesterday Gary was talking about uh

1110
00:51:04,730 --> 00:51:02,700
nature and a couple of the other

1111
00:51:07,390 --> 00:51:04,740
magazines right and how getting

1112
00:51:11,210 --> 00:51:07,400
published in that and is is a big deal

1113
00:51:12,530 --> 00:51:11,220

and uh and how you know if he wanted to

1114

00:51:14,870 --> 00:51:12,540

get something published he could go get

1115

00:51:17,630 --> 00:51:14,880

us you know find another publication and

1116

00:51:21,170 --> 00:51:17,640

get it going as well and it's it seems

1117

00:51:22,549 --> 00:51:21,180

like this whole process of uh you know

1118

00:51:25,010 --> 00:51:22,559

getting published and these certain

1119

00:51:27,470 --> 00:51:25,020

things peer-reviewed you know this whole

1120

00:51:31,309 --> 00:51:27,480

thing but we've seen time and time again

1121

00:51:33,650 --> 00:51:31,319

these media Outlets can easily be bought

1122

00:51:36,589 --> 00:51:33,660

and paid for and you know you can get a

1123

00:51:38,930 --> 00:51:36,599

specific study pushed through you know

1124

00:51:42,410 --> 00:51:38,940

at the whoever's got the the the the the

1125

00:51:45,109 --> 00:51:42,420

idea of biased science is gone we don't

1126
00:51:47,809 --> 00:51:45,119
have that anymore in this planet and we

1127
00:51:49,990 --> 00:51:47,819
need to start uh because of that we need

1128
00:51:54,770 --> 00:51:50,000
to stop stop looking at The Gatekeepers

1129
00:51:57,650 --> 00:51:54,780
and and as the the be-all end-all of

1130
00:51:59,270 --> 00:51:57,660
what uh science is and we need to start

1131
00:52:01,370 --> 00:51:59,280
looking at the guys who are tinkering in

1132
00:52:04,670 --> 00:52:01,380
the garage and we need to look at what's

1133
00:52:08,990 --> 00:52:04,680
what's actually being developed and and

1134
00:52:11,990 --> 00:52:09,000
and not turn our uh Blind Eye to some of

1135
00:52:13,670 --> 00:52:12,000
these amazing discoveries and uh and

1136
00:52:15,530 --> 00:52:13,680
start

1137
00:52:17,510 --> 00:52:15,540
um letting go of this idea that we need

1138
00:52:19,370 --> 00:52:17,520

Gatekeepers

1139

00:52:20,990 --> 00:52:19,380

um I think the scientific Community is

1140

00:52:22,609 --> 00:52:21,000

great but we don't need Gatekeepers

1141

00:52:25,849 --> 00:52:22,619

that's what God is in all this trouble

1142

00:52:29,270 --> 00:52:25,859

right right it goes both ways but if we

1143

00:52:30,109 --> 00:52:29,280

go back let's go back you go back 3 000

1144

00:52:32,569 --> 00:52:30,119

years

1145

00:52:34,549 --> 00:52:32,579

you know uh the the dawning of

1146

00:52:36,470 --> 00:52:34,559

philosophy which came out of Egypt by

1147

00:52:39,470 --> 00:52:36,480

the way it wasn't a Greek thing the

1148

00:52:43,849 --> 00:52:39,480

Greek were taught Philosophy from the

1149

00:52:46,250 --> 00:52:43,859

Egyptians but back then philosophy and

1150

00:52:50,030 --> 00:52:46,260

science were one thing

1151

00:52:52,970 --> 00:52:50,040

it's now separated today and if you

1152

00:52:57,410 --> 00:52:52,980

can't get these two sides to cooperate

1153

00:52:59,870 --> 00:52:57,420

at all but if you uh you want to see the

1154

00:53:01,010 --> 00:52:59,880

most philosophical uh person on this

1155

00:53:04,430 --> 00:53:01,020

planet

1156

00:53:09,530 --> 00:53:04,440

you know get get Dawkins you know you

1157

00:53:12,710 --> 00:53:09,540

get Neil deGrasse Tyson uh to go and and

1158

00:53:14,930 --> 00:53:12,720

and have an ayahuasca ceremony

1159

00:53:16,990 --> 00:53:14,940

that would be amazing do you understand

1160

00:53:19,370 --> 00:53:17,000

what I'm saying yeah

1161

00:53:22,430 --> 00:53:19,380

you know what I might have been wrong on

1162

00:53:25,490 --> 00:53:22,440

this whole thing right right and uh and

1163

00:53:28,549 --> 00:53:25,500

and but but we've stepped away from that

1164

00:53:32,089 --> 00:53:28,559

right where going back to the Dogma

1165

00:53:35,690 --> 00:53:32,099

where that is built up but if you are

1166

00:53:38,470 --> 00:53:35,700

going to push down our throats uh

1167

00:53:42,530 --> 00:53:38,480

quantum mechanics uh quantum theory

1168

00:53:44,690 --> 00:53:42,540

theoretical physics qubits right and and

1169

00:53:47,270 --> 00:53:44,700

entanglement and the Multiverse and

1170

00:53:49,549 --> 00:53:47,280

parallel worlds in 13 Dimensions if

1171

00:53:52,970 --> 00:53:49,559

you're going to do that you need to dip

1172

00:53:54,950 --> 00:53:52,980

your toe in in the spiritual water a

1173

00:53:57,650 --> 00:53:54,960

little bit and and see what's going on

1174

00:53:59,809 --> 00:53:57,660

out there because then you will start to

1175

00:54:01,609 --> 00:53:59,819

think outside of that box

1176

00:54:04,010 --> 00:54:01,619

and I think we're we're seeing that I

1177

00:54:06,470 --> 00:54:04,020

think we are seeing a lot of uh Hawkins

1178

00:54:08,809 --> 00:54:06,480

hasn't done an ayahuasca ceremony yet so

1179

00:54:10,609 --> 00:54:08,819

no we're not seeing that

1180

00:54:13,010 --> 00:54:10,619

well not in those people but they were

1181

00:54:16,130 --> 00:54:13,020

seeing a new generation of scientists

1182

00:54:18,890 --> 00:54:16,140

you know look at look at Naseem and and

1183

00:54:20,809 --> 00:54:18,900

uh and what you know Robert and steam

1184

00:54:22,490 --> 00:54:20,819

and that group down there look at

1185

00:54:24,829 --> 00:54:22,500

there's a lot of people that are coming

1186

00:54:27,650 --> 00:54:24,839

out of that school and that I you know

1187

00:54:32,930 --> 00:54:29,750

um these other worlds through a

1188

00:54:35,270 --> 00:54:32,940

scientific lens but listening to Jimmy

1189

00:54:37,190 --> 00:54:35,280

church every night their minds are

1190

00:54:39,410 --> 00:54:37,200

getting expanded and they're starting to

1191

00:54:43,370 --> 00:54:39,420

think outside the box and like well what

1192

00:54:45,349 --> 00:54:43,380

if ETS and extra dimensional beings are

1193

00:54:48,049 --> 00:54:45,359

coming here like what what would allow

1194

00:54:49,730 --> 00:54:48,059

them to do that how do how do we uh

1195

00:54:52,309 --> 00:54:49,740

let's let's look into that what's what's

1196

00:54:54,430 --> 00:54:52,319

what are the possibilities and we're

1197

00:54:57,049 --> 00:54:54,440

we're seeing that so we're

1198

00:54:59,210 --> 00:54:57,059

traditional scientific Community just

1199

00:55:00,829 --> 00:54:59,220

shuts it off right away and says no that

1200

00:55:03,650 --> 00:55:00,839

they don't even exist why are we even

1201
00:55:05,990 --> 00:55:03,660
looking or why are we even considering

1202
00:55:08,270 --> 00:55:06,000
uh that a technology even exists that

1203
00:55:11,210 --> 00:55:08,280
they could travel Beyond this space and

1204
00:55:12,890 --> 00:55:11,220
time to get here so you you it's kind of

1205
00:55:15,230 --> 00:55:12,900
different camps you have new camps that

1206
00:55:18,049 --> 00:55:15,240
are uh younger generation of people that

1207
00:55:20,990 --> 00:55:18,059
have had experiences or that are getting

1208
00:55:22,790 --> 00:55:21,000
um these these messages uh like a Nikola

1209
00:55:28,370 --> 00:55:22,800
Tesla you know and I think we have we've

1210
00:55:31,609 --> 00:55:28,380
always had this but it's gotten so uh

1211
00:55:34,250 --> 00:55:31,619
uh stiff in the uh in the presentations

1212
00:55:35,930 --> 00:55:34,260
and the way it's coming out that you and

1213
00:55:38,870 --> 00:55:35,940

and so many people are so afraid to be

1214

00:55:40,790 --> 00:55:38,880

shunned or shamed uh that they

1215

00:55:43,190 --> 00:55:40,800

you know they don't talk about it they

1216

00:55:46,190 --> 00:55:43,200

don't talk about their other downloads

1217

00:55:48,410 --> 00:55:46,200

or they're channeling something you know

1218

00:55:50,329 --> 00:55:48,420

um but I think over the years that's

1219

00:55:52,549 --> 00:55:50,339

always the way it's been the the most

1220

00:55:54,849 --> 00:55:52,559

genius minds are tapping into something

1221

00:55:57,109 --> 00:55:54,859

from the other side yeah

1222

00:55:59,450 --> 00:55:57,119

you know I don't think that there's any

1223

00:56:01,490 --> 00:55:59,460

question about that and if we go back

1224

00:56:03,049 --> 00:56:01,500

historically I keep going back to Da

1225

00:56:05,270 --> 00:56:03,059

Vinci either that dude was a time

1226

00:56:09,349 --> 00:56:05,280

traveler or he was talking to a time

1227

00:56:13,430 --> 00:56:09,359

traveler or he was channeling because uh

1228

00:56:17,450 --> 00:56:13,440

his his stuff just just didn't have a

1229

00:56:21,470 --> 00:56:17,460

basis uh to it right and where normally

1230

00:56:23,150 --> 00:56:21,480

you know the iPhone or the uh that you

1231

00:56:25,910 --> 00:56:23,160

know that wasn't as uh Steve Jobs

1232

00:56:28,309 --> 00:56:25,920

invention you know that's a hundred

1233

00:56:30,950 --> 00:56:28,319

years of evolution you know coming down

1234

00:56:33,790 --> 00:56:30,960

to that point and then and taking things

1235

00:56:38,270 --> 00:56:33,800

to The Next Step where you know the

1236

00:56:41,870 --> 00:56:38,280

singular uh Creations out there the the

1237

00:56:44,089 --> 00:56:41,880

the big steps like a da Vinci or whoever

1238

00:56:47,089 --> 00:56:44,099

domesticated Wheat by the way that must

1239

00:56:49,630 --> 00:56:47,099

have been channeled and and things

1240

00:56:53,390 --> 00:56:49,640

um was a connection to a higher source

1241

00:56:56,569 --> 00:56:53,400

and if we today

1242

00:57:00,290 --> 00:56:56,579

where we are looking at uh the

1243

00:57:02,450 --> 00:57:00,300

possibilities of string theory and the

1244

00:57:04,549 --> 00:57:02,460

11 dimensions and pushing out past four

1245

00:57:08,589 --> 00:57:04,559

right and trying to get to a Fifth

1246

00:57:13,010 --> 00:57:08,599

Dimension and and you know now 11

1247

00:57:15,410 --> 00:57:13,020

this is being done and has been done uh

1248

00:57:20,390 --> 00:57:15,420

by many cultures for thousands of years

1249

00:57:22,970 --> 00:57:20,400

but they there's this this wall when you

1250

00:57:25,309 --> 00:57:22,980

look at Nolan um and his com his

1251

00:57:27,950 --> 00:57:25,319

comments last night let's let's focus

1252

00:57:31,790 --> 00:57:27,960

back on that yeah he was saying exactly

1253

00:57:35,210 --> 00:57:31,800

that you know and if where are the

1254

00:57:37,370 --> 00:57:35,220

Nolans of Academia out there we've got

1255

00:57:40,450 --> 00:57:37,380

Abby Loeb right we've got a Harvard

1256

00:57:45,829 --> 00:57:40,460

we've got Stanford right now these two

1257

00:57:49,309 --> 00:57:45,839

uh uh huge institutions but apparently

1258

00:57:52,010 --> 00:57:49,319

we've got some very educated Minds that

1259

00:57:54,710 --> 00:57:52,020

are now willing to to go against the

1260

00:57:56,930 --> 00:57:54,720

grain and you're right about that yeah

1261

00:57:58,309 --> 00:57:56,940

yeah and and it was great I loved your

1262

00:57:59,510 --> 00:57:58,319

guys's conversation last night

1263

00:58:01,450 --> 00:57:59,520

especially towards the end when you're

1264

00:58:03,710 --> 00:58:01,460

starting to get into you know

1265

00:58:07,069 --> 00:58:03,720

multi-dimensional Multiverse type

1266

00:58:10,130 --> 00:58:07,079

conversation simulation Theory uh it

1267

00:58:12,650 --> 00:58:10,140

does feel like a lot of the

1268

00:58:15,470 --> 00:58:12,660

um Academia are going in that direction

1269

00:58:17,930 --> 00:58:15,480

which is awesome uh and I think we'll

1270

00:58:21,230 --> 00:58:17,940

get closer to

1271

00:58:23,150 --> 00:58:21,240

um contact and closer to uh

1272

00:58:26,510 --> 00:58:23,160

understanding the The Wacky World of

1273

00:58:27,829 --> 00:58:26,520

channeling uh that the more these the

1274

00:58:29,930 --> 00:58:27,839

scientific Community goes in that

1275

00:58:33,829 --> 00:58:29,940

direction

1276

00:58:35,930 --> 00:58:33,839

um when okay so

1277

00:58:38,690 --> 00:58:35,940

um

1278

00:58:40,789 --> 00:58:38,700

Ayahuasca and channeling to me or or you

1279

00:58:44,450 --> 00:58:40,799

know it's it's two Avenues getting to

1280

00:58:49,849 --> 00:58:44,460

the same Source right I I really mean

1281

00:58:52,970 --> 00:58:49,859

that now when uh the the channel

1282

00:58:55,730 --> 00:58:52,980

connection happens right whatever this

1283

00:58:58,190 --> 00:58:55,740

is right this I was like an umbilical

1284

00:59:00,650 --> 00:58:58,200

cord is is how I visualize it you know

1285

00:59:03,109 --> 00:59:00,660

there's something some kind of Wormhole

1286

00:59:04,549 --> 00:59:03,119

Quantum tunnel uh well you heard you

1287

00:59:06,650 --> 00:59:04,559

heard what Gary was working on yesterday

1288

00:59:09,770 --> 00:59:06,660

and he kind of let it slip a little bit

1289

00:59:11,990 --> 00:59:09,780

but he was that he was working on some

1290

00:59:13,789 --> 00:59:12,000

sort of trying to find some sort of I

1291

00:59:15,589 --> 00:59:13,799

think he said filament or something he

1292

00:59:17,990 --> 00:59:15,599

was trying to prove some sort of chord

1293

00:59:19,549 --> 00:59:18,000

that invisible chord coming out of the

1294

00:59:21,950 --> 00:59:19,559

top of the head right that was

1295

00:59:25,190 --> 00:59:21,960

interesting well Sammy Hagar talked

1296

00:59:26,990 --> 00:59:25,200

about that in his book and uh when he

1297

00:59:31,190 --> 00:59:27,000

talks about the download that he got

1298

00:59:32,870 --> 00:59:31,200

from from ET and in his bed it was a an

1299

00:59:35,870 --> 00:59:32,880

umbilical cord

1300

00:59:40,789 --> 00:59:35,880

now I don't think it was physical

1301

00:59:43,130 --> 00:59:40,799

right you know energy right but but yeah

1302

00:59:44,990 --> 00:59:43,140

yeah yeah yeah yeah yeah and we we often

1303

00:59:48,650 --> 00:59:45,000

hear from different

1304

00:59:50,569 --> 00:59:48,660

um intuitives and even this idea you

1305

00:59:52,910 --> 00:59:50,579

know oral readers and stuff that can see

1306

00:59:58,010 --> 00:59:52,920

these chords these silver chords that

1307

01:00:00,410 --> 00:59:58,020

are attached to us individually and then

1308

01:00:03,170 --> 01:00:00,420

to different people in our you know our

1309

01:00:04,970 --> 01:00:03,180

circles and whatnot so these are these

1310

01:00:07,130 --> 01:00:04,980

are unexplained things that are common

1311

01:00:08,930 --> 01:00:07,140

in in dialogue but we didn't have a way

1312

01:00:12,890 --> 01:00:08,940

to measure them maybe Gary's working on

1313

01:00:17,150 --> 01:00:12,900

a way to measure that and and prove that

1314

01:00:20,089 --> 01:00:17,160

we have this these uh unseen connections

1315

01:00:23,089 --> 01:00:20,099

well I you know we had the uh the press

1316

01:00:24,650 --> 01:00:23,099

release last week about the Wormhole oh

1317

01:00:26,829 --> 01:00:24,660

right yeah I think that was what

1318

01:00:31,609 --> 01:00:26,839

triggered it yeah yeah yeah

1319

01:00:34,250 --> 01:00:31,619

it did it did and uh now uh

1320

01:00:35,870 --> 01:00:34,260

theoretically the math has supported

1321

01:00:39,470 --> 01:00:35,880

this you know but it's a whole other

1322

01:00:41,990 --> 01:00:39,480

thing you know to to take it to I keep

1323

01:00:44,510 --> 01:00:42,000

saying it man to measure right that's

1324

01:00:47,990 --> 01:00:44,520

always the big problem is is measurement

1325

01:00:52,130 --> 01:00:48,000

uh but then if we take these ideas and

1326

01:00:55,309 --> 01:00:52,140

these Concepts and you go to

1327

01:00:58,370 --> 01:00:55,319

I'll just pick something Donnie Darko

1328

01:01:00,230 --> 01:00:58,380

okay yeah great movie yeah yeah okay

1329

01:01:14,170 --> 01:01:00,240

remember the party at the end what

1330

01:01:19,490 --> 01:01:17,930

it's tremendous and I think Echo and the

1331

01:01:22,670 --> 01:01:19,500

bunny men are playing in the background

1332

01:01:24,230 --> 01:01:22,680

it doesn't matter but um but that I

1333

01:01:26,630 --> 01:01:24,240

remember seeing that

1334

01:01:28,730 --> 01:01:26,640

um in the movie going this is this is

1335

01:01:30,770 --> 01:01:28,740

what everybody's been talking about so

1336

01:01:33,170 --> 01:01:30,780

it gets out there to the masses and they

1337

01:01:35,690 --> 01:01:33,180

see it and they see these Concepts and

1338

01:01:38,270 --> 01:01:35,700

then we have something uh that gets

1339

01:01:41,390 --> 01:01:38,280
announced you know you give

1340

01:01:43,730 --> 01:01:41,400
you give science the idea

1341

01:01:45,770 --> 01:01:43,740
right you give them the idea and

1342

01:01:48,230 --> 01:01:45,780
eventually they're going to make it work

1343

01:01:50,990 --> 01:01:48,240
and we're starting to see that Fusion

1344

01:01:52,430 --> 01:01:51,000
right what a big announcement right you

1345

01:01:55,210 --> 01:01:52,440
were talking about I was looking for

1346

01:01:58,569 --> 01:01:55,220
that uh article was it uh

1347

01:02:02,569 --> 01:01:58,579
it's everywhere it's everywhere okay

1348

01:02:04,789 --> 01:02:02,579
literally uh everywhere so pick a media

1349

01:02:08,750 --> 01:02:04,799
Outlet pick one of the nasty ones like

1350

01:02:12,109 --> 01:02:08,760
fox or CNN and uh it's right there BBC

1351

01:02:14,750 --> 01:02:12,119

but it uh it's all the the announcement

1352

01:02:16,970 --> 01:02:14,760

actually came I think it was the

1353

01:02:20,210 --> 01:02:16,980

department of energy today made the

1354

01:02:21,410 --> 01:02:20,220

announcement oh okay I see it yeah you

1355

01:02:23,270 --> 01:02:21,420

were you were right on top of that one

1356

01:02:26,210 --> 01:02:23,280

yesterday

1357

01:02:29,410 --> 01:02:26,220

um I don't play You're you you got your

1358

01:02:35,270 --> 01:02:32,809

so but but yeah in a sense you know

1359

01:02:38,390 --> 01:02:35,280

again Fusion which what you know back in

1360

01:02:40,670 --> 01:02:38,400

the 80s we had uh cold fusion or room

1361

01:02:44,150 --> 01:02:40,680

temperature Fusion you know the brothers

1362

01:02:44,690 --> 01:02:44,160

we've had this this idea of it

1363

01:02:48,470 --> 01:02:44,700

um

1364

01:02:51,410 --> 01:02:48,480

and constantly suppressed constantly

1365

01:02:52,910 --> 01:02:51,420

exactly be suppressed hey Reuben stay

1366

01:02:55,849 --> 01:02:52,920

right there we're going to take a quick

1367

01:02:59,030 --> 01:02:55,859

break this is Fade to Black I am your

1368

01:03:02,150 --> 01:02:59,040

host Jimmy church I gotta get this in

1369

01:03:04,010 --> 01:03:02,160

um Fade to Black please visit all of our

1370

01:03:06,890 --> 01:03:04,020

sponsors we're taking a quick break here

1371

01:03:10,010 --> 01:03:06,900

all of the links are below

1372

01:03:12,289 --> 01:03:10,020

and we'll be right back

1373

01:03:13,270 --> 01:03:12,299

check out Billy Carson's Forbidden

1374

01:03:15,370 --> 01:03:13,280

Knowledge

1375

01:03:17,329 --> 01:03:15,380

forbiddenknowledge.com or

1376

01:03:21,289 --> 01:03:17,339

forbiddenknowledge.tv where you can get

1377

01:03:23,750 --> 01:03:21,299

access to over 6 000 videos movies TV

1378

01:03:25,789 --> 01:03:23,760

series exclusive documentaries like the

1379

01:03:28,910 --> 01:03:25,799

Black Knight satellite you can do it all

1380

01:03:32,329 --> 01:03:28,920

for just seven dollars and 77 cents per

1381

01:03:34,549 --> 01:03:32,339

month or 77 per year after the three-day

1382

01:03:36,650 --> 01:03:34,559

trial which is also totally free to

1383

01:03:39,849 --> 01:03:36,660

check out it's all simple to do Billy

1384

01:03:42,250 --> 01:03:39,859

Carson is the best it's simple

1385

01:03:44,510 --> 01:03:42,260

forbiddenknowledge.com or

1386

01:03:48,530 --> 01:03:44,520

forbiddenknowledge.tv that's the number

1387

01:03:52,910 --> 01:03:50,510

I will be hosting an M seeing the

1388

01:03:55,490 --> 01:03:52,920

conscious life Expo this February 10th

1389

01:03:58,430 --> 01:03:55,500

through the 13th at The Lax Hilton right

1390

01:04:00,530 --> 01:03:58,440

here in Los Angeles California 200

1391

01:04:02,569 --> 01:04:00,540

speakers including Linda Moulton Howe

1392

01:04:05,030 --> 01:04:02,579

Bashar Deborah King George Nori Daniel

1393

01:04:08,510 --> 01:04:05,040

Sheehan Scott Walter Sean Stone and

1394

01:04:12,349 --> 01:04:08,520

David Wolfe over 200 vendors special

1395

01:04:15,109 --> 01:04:12,359

events this is the biggest event of its

1396

01:04:17,089 --> 01:04:15,119

kind on planet Earth you've got to come

1397

01:04:19,789 --> 01:04:17,099

and hang out with all of us tickets and

1398

01:04:21,530 --> 01:04:19,799

info at consciouslifeexpo.com the links

1399

01:04:24,710 --> 01:04:21,540

are below

1400

01:04:27,890 --> 01:04:24,720

on Saturday April 1st that's right April

1401

01:04:30,109 --> 01:04:27,900

Fool's Day 2023 I will be hosting the

1402

01:04:33,589 --> 01:04:30,119

peripod festival at the Hyatt Regency

1403

01:04:36,109 --> 01:04:33,599

right here in Valencia California it's a

1404

01:04:39,109 --> 01:04:36,119

live one-day podcast Awards it's a film

1405

01:04:41,150 --> 01:04:39,119

festival it's a full-on media event

1406

01:04:43,010 --> 01:04:41,160

we're going to have Sky watching there's

1407

01:04:45,829 --> 01:04:43,020

going to be a Lifetime Achievement Award

1408

01:04:47,809 --> 01:04:45,839

presented to Linda Moulton Howe right

1409

01:04:49,849 --> 01:04:47,819

now you can submit your podcast to your

1410

01:04:52,609 --> 01:04:49,859

film your TV series any of your

1411

01:04:54,530 --> 01:04:52,619

paranormal media for consideration you

1412

01:04:57,730 --> 01:04:54,540

can do all of that on the links below

1413

01:04:59,690 --> 01:04:57,740

for info and tickets go to

1414

01:05:02,710 --> 01:04:59,700

parapodfilmfest.com that's

1415

01:05:08,390 --> 01:05:06,770

April 7th through the 14th 2023 I'll be

1416

01:05:11,329 --> 01:05:08,400

hosting and presenting on the hidden

1417

01:05:13,970 --> 01:05:11,339

secrets seminar at Sea cruise from Los

1418

01:05:16,309 --> 01:05:13,980

Angeles to the Mexican Riviera I'm the

1419

01:05:18,890 --> 01:05:16,319

Navigator of the Seas that's right up

1420

01:05:20,569 --> 01:05:18,900

top a giant water slide you've got to

1421

01:05:22,490 --> 01:05:20,579

check out the Navigator of the Seas it's

1422

01:05:24,829 --> 01:05:22,500

amazing we've got Scott Walter Adam

1423

01:05:27,770 --> 01:05:24,839

Apollo Nick Pope Brad Olson Vivian

1424

01:05:30,049 --> 01:05:27,780

chauve Jason shirka Robert Grant Reuben

1425

01:05:32,390 --> 01:05:30,059

Langdon and another 12 amazing speakers

1426

01:05:33,789 --> 01:05:32,400

and presenters it's all simple to do

1427

01:05:36,230 --> 01:05:33,799

just visit

1428

01:05:39,950 --> 01:05:36,240

divinetravels.com forward slash hidden

1429

01:05:42,170 --> 01:05:39,960

secrets 2023 you know you want to go on

1430

01:05:45,589 --> 01:05:42,180

a cruise with me

1431

01:05:48,410 --> 01:05:45,599

River Moon coffee makers of the Fade to

1432

01:05:50,230 --> 01:05:48,420

Black blend truly the best coffee on

1433

01:05:52,549 --> 01:05:50,240

planet Earth just visit

1434

01:05:54,349 --> 01:05:52,559

rivermoonwellness.com or or their Amazon

1435

01:05:55,789 --> 01:05:54,359

store it's all simple to do you can

1436

01:05:57,829 --> 01:05:55,799

check out the Fade to Black blend the

1437

01:06:00,530 --> 01:05:57,839

game changer Blend or any of their black

1438

01:06:04,309 --> 01:06:00,540

moon wellness products it's the only

1439

01:06:10,430 --> 01:06:04,319

coffee I drink it is the best and it's

1440

01:06:13,910 --> 01:06:12,770

all right Welcome Back Fade to Black I'm

1441

01:06:15,470 --> 01:06:13,920

your assuming Church our guest tonight

1442

01:06:19,670 --> 01:06:15,480

Reuben Langdon

1443

01:06:21,109 --> 01:06:19,680

the absolute very best and Reuben are

1444

01:06:23,690 --> 01:06:21,119

you gonna are you gonna jump on that

1445

01:06:25,970 --> 01:06:23,700

water slide with me man yeah just

1446

01:06:30,010 --> 01:06:25,980

hearing that absolutely totally gonna go

1447

01:06:32,930 --> 01:06:30,020

into water water slide with you amazing

1448

01:06:34,789 --> 01:06:32,940

I I can't wait man I can't wait the

1449

01:06:37,370 --> 01:06:34,799

cruise is gonna be amazing it's gonna be

1450

01:06:39,589 --> 01:06:37,380

fantastic all of that the speakers and

1451

01:06:42,230 --> 01:06:39,599

the and the knowledge and you know and I

1452

01:06:44,809 --> 01:06:42,240

get to goof around and and do my thing

1453

01:06:47,630 --> 01:06:44,819

and and host and MC and I'm going to do

1454

01:06:49,750 --> 01:06:47,640

a presentation too as well but dude it's

1455

01:06:53,089 --> 01:06:49,760

the water slide

1456

01:06:55,789 --> 01:06:53,099

well I I'm just excited to be out in in

1457

01:06:58,430 --> 01:06:55,799

the ocean with no lights and at night

1458

01:07:00,289 --> 01:06:58,440

and you know I'd plan to do some ce5s

1459

01:07:03,109 --> 01:07:00,299

and yeah I'm gonna bring I'm gonna bring

1460

01:07:05,510 --> 01:07:03,119

my night vision uh as well

1461

01:07:08,150 --> 01:07:05,520

um on that and uh yeah I'm really

1462

01:07:10,490 --> 01:07:08,160

looking forward to it uh so everybody

1463

01:07:13,490 --> 01:07:10,500

just come hang out with Reuben and I

1464

01:07:16,670 --> 01:07:13,500

guaranteed good time and uh Ruben and I

1465

01:07:18,770 --> 01:07:16,680

were talking so this is this is this is

1466

01:07:22,670 --> 01:07:18,780

what's really cool oh so so going down

1467

01:07:26,450 --> 01:07:22,680

in omazatlan and Cabo coming back

1468

01:07:27,970 --> 01:07:26,460

we're doing two three days at sea that's

1469

01:07:32,390 --> 01:07:27,980

that's gonna be

1470

01:07:35,990 --> 01:07:32,400

oh man I can I cannot wait for that

1471

01:07:37,430 --> 01:07:36,000

um uh where what what were we just uh I

1472

01:07:39,890 --> 01:07:37,440

want to Circle back uh we were going

1473

01:07:43,309 --> 01:07:39,900

with like scientific Community uh

1474

01:07:46,010 --> 01:07:43,319

nuclear fusion or Fusion discovery that

1475

01:07:47,029 --> 01:07:46,020

happened yesterday black holes yeah yeah

1476

01:07:47,829 --> 01:07:47,039

okay

1477

01:07:52,430 --> 01:07:47,839

um

1478

01:07:53,870 --> 01:07:52,440

uh the let's let's stay on Fusion uh for

1479

01:07:55,430 --> 01:07:53,880

a second and I think that's where my

1480

01:08:00,230 --> 01:07:55,440

mind was going anyway

1481

01:08:03,710 --> 01:08:00,240

what's that the The Talk

1482

01:08:08,210 --> 01:08:03,720

in our community for a very long time

1483

01:08:10,130 --> 01:08:08,220

has been uh recovered craft crashed

1484

01:08:12,890 --> 01:08:10,140

retrievals

1485

01:08:15,109 --> 01:08:12,900

um and uh you know backwards engineering

1486

01:08:20,410 --> 01:08:15,119

and reverse engineering uh this

1487

01:08:23,390 --> 01:08:20,420

technology and that it's not necessarily

1488

01:08:24,950 --> 01:08:23,400

the contact of ET that is going to freak

1489

01:08:27,709 --> 01:08:24,960

people out if that's been suppressed

1490

01:08:29,809 --> 01:08:27,719

it's what technology

1491

01:08:31,370 --> 01:08:29,819

have you been in possession of and have

1492

01:08:33,950 --> 01:08:31,380

had knowledge of

1493

01:08:36,410 --> 01:08:33,960

that could have helped this planet could

1494

01:08:38,630 --> 01:08:36,420

have heeded our schools you know what I

1495

01:08:42,110 --> 01:08:38,640

mean plowed the fields distribution of

1496

01:08:45,470 --> 01:08:42,120

food uh electricity and and everything

1497

01:08:47,990 --> 01:08:45,480

else that uh could have benefited

1498

01:08:51,050 --> 01:08:48,000

Humanity but you sat on it or tried to

1499

01:08:55,209 --> 01:08:51,060

weaponize it or maybe even did weaponize

1500

01:08:59,630 --> 01:08:55,219

it I think that is is a really big deal

1501

01:09:03,229 --> 01:08:59,640

and the announcement of fusion in a

1502

01:09:04,490 --> 01:09:03,239

weird way allows them to get around a

1503

01:09:07,189 --> 01:09:04,500

couple of issues

1504

01:09:10,729 --> 01:09:07,199

right I'm being very serious well I

1505

01:09:12,950 --> 01:09:10,739

agree yeah I I think that and going back

1506

01:09:16,430 --> 01:09:12,960

to the AI conversation

1507

01:09:19,269 --> 01:09:16,440

in uh Quantum Computing I think that we

1508

01:09:22,729 --> 01:09:19,279

will see uh ET

1509

01:09:24,950 --> 01:09:22,739

come through AI before we actually have

1510

01:09:28,130 --> 01:09:24,960

actual contact I think first Contact is

1511

01:09:31,010 --> 01:09:28,140

through artificial intelligence and once

1512

01:09:34,729 --> 01:09:31,020

we get comfortable and we work out the

1513

01:09:36,289 --> 01:09:34,739

Kinks uh with giving AI rights and all

1514

01:09:38,150 --> 01:09:36,299

of these other types of things that we

1515

01:09:40,189 --> 01:09:38,160

have to work out as a human race dealing

1516

01:09:43,910 --> 01:09:40,199

with this new Consciousness that's on

1517

01:09:45,650 --> 01:09:43,920

the planet then that opens the door for

1518

01:09:47,689 --> 01:09:45,660

contact to happen it might happen

1519

01:09:51,470 --> 01:09:47,699

simultaneously it might happen just a

1520

01:09:53,689 --> 01:09:51,480

little bit staggered but I feel that uh

1521

01:09:56,930 --> 01:09:53,699

the AI conversation and the free energy

1522

01:10:00,410 --> 01:09:56,940

conversation is right there at the cusp

1523

01:10:02,450 --> 01:10:00,420

uh before actual contact I feel that the

1524

01:10:05,090 --> 01:10:02,460

ETS would probably want us they're

1525

01:10:06,970 --> 01:10:05,100

giving us these nuggets to play with so

1526

01:10:10,130 --> 01:10:06,980

we can work it out on a collective level

1527

01:10:13,550 --> 01:10:10,140

and get any of the

1528

01:10:15,410 --> 01:10:13,560

um discrimination or harsh feeling means

1529

01:10:17,990 --> 01:10:15,420

or you know all the stuff that humans

1530

01:10:20,209 --> 01:10:18,000

still are dealing with before they

1531

01:10:23,570 --> 01:10:20,219

actually show up and start hanging out

1532

01:10:26,870 --> 01:10:23,580

with us now what about the race to this

1533

01:10:28,930 --> 01:10:26,880

um where the two key things

1534

01:10:33,010 --> 01:10:28,940

um are happening at the same time

1535

01:10:38,110 --> 01:10:33,020

uh free energy right free clean energy

1536

01:10:41,930 --> 01:10:38,120

uh like Fusion is one of the biggest

1537

01:10:45,530 --> 01:10:41,940

you know the ultimate achievements uh

1538

01:10:48,290 --> 01:10:45,540

period right and and so there's that and

1539

01:10:50,630 --> 01:10:48,300

the country the corporation whatever

1540

01:10:52,910 --> 01:10:50,640

that achieves that first because

1541

01:10:55,729 --> 01:10:52,920

everything else goes away right oil

1542

01:10:57,649 --> 01:10:55,739

dependence and and and and the

1543

01:10:59,450 --> 01:10:57,659

squabbling the wars and the things that

1544

01:11:02,270 --> 01:10:59,460

that happened over that and certainly

1545

01:11:03,770 --> 01:11:02,280

the financial dependence uh that

1546

01:11:05,990 --> 01:11:03,780

everybody has on it and we know that

1547

01:11:08,149 --> 01:11:06,000

when we go fill a gas tank there's that

1548

01:11:11,630 --> 01:11:08,159

and then on the other side it's the race

1549

01:11:15,770 --> 01:11:11,640

to AI who can get to AGI first who can

1550

01:11:18,290 --> 01:11:15,780

get to that first owns it all right and

1551

01:11:21,950 --> 01:11:18,300

and we're in a position

1552

01:11:23,570 --> 01:11:21,960

um uh the United States to maybe achieve

1553

01:11:27,110 --> 01:11:23,580

both of these things at the same time

1554

01:11:29,570 --> 01:11:27,120

and if it happens this is my point

1555

01:11:32,530 --> 01:11:29,580

and then we find out about

1556

01:11:38,990 --> 01:11:37,130

the the the the knowledge isn't going to

1557

01:11:41,510 --> 01:11:39,000

freak anybody out because we're already

1558

01:11:44,390 --> 01:11:41,520

going to have Fusion exactly I I think

1559

01:11:46,850 --> 01:11:44,400

before we even can get to that stage

1560

01:11:48,709 --> 01:11:46,860

you know talking about who owns it right

1561

01:11:51,290 --> 01:11:48,719

that's that's the that's another big

1562

01:11:55,010 --> 01:11:51,300

issue is ownership and I think the

1563

01:11:58,550 --> 01:11:55,020

reason it hasn't come out into our

1564

01:12:01,189 --> 01:11:58,560

society and our reality in a uh in in

1565

01:12:02,990 --> 01:12:01,199

just yet is because everybody's trying

1566

01:12:05,450 --> 01:12:03,000

to own it you know you've got the

1567

01:12:07,250 --> 01:12:05,460

bigelows trying to do their you know

1568

01:12:11,510 --> 01:12:07,260

their research and their thing and you

1569

01:12:13,910 --> 01:12:11,520

got the uh other you know invisible

1570

01:12:17,750 --> 01:12:13,920

college and different governments and

1571

01:12:19,490 --> 01:12:17,760

dark groups and secret societies and uh

1572

01:12:21,050 --> 01:12:19,500

mystery schools and all the other all

1573

01:12:25,610 --> 01:12:21,060

these different uh

1574

01:12:27,169 --> 01:12:25,620

uh groups and you know uh uh Illuminati

1575

01:12:29,030 --> 01:12:27,179

groups or whatever they're all fighting

1576

01:12:31,970 --> 01:12:29,040

for you know who's going to control this

1577

01:12:35,750 --> 01:12:31,980

this thing and I I honestly think that

1578

01:12:38,990 --> 01:12:35,760

it can't be owned by anybody uh it can't

1579

01:12:40,790 --> 01:12:39,000

it has to be uh you know I love this

1580

01:12:43,189 --> 01:12:40,800

this buzzword that's been thrown around

1581

01:12:46,550 --> 01:12:43,199

these days because of the Advent of

1582

01:12:49,490 --> 01:12:46,560

Bitcoin but decentralization and the

1583

01:12:50,930 --> 01:12:49,500

concept of that has really uh showed

1584

01:12:53,510 --> 01:12:50,940

Humanity

1585

01:12:55,550 --> 01:12:53,520

where we need to go with with things

1586

01:12:58,010 --> 01:12:55,560

with our financial system with uh

1587

01:13:00,350 --> 01:12:58,020

patents you know owning patents and how

1588

01:13:04,990 --> 01:13:00,360

that whole mess has gotten us into a lot

1589

01:13:08,630 --> 01:13:05,000

of trouble and perhaps before we can see

1590

01:13:10,850 --> 01:13:08,640

AI in a good way come and impact

1591

01:13:14,570 --> 01:13:10,860

Humanity as well as uh free energy

1592

01:13:17,510 --> 01:13:14,580

perhaps we need to clean up how uh this

1593

01:13:20,990 --> 01:13:17,520

whole idea around ownership and I feel

1594

01:13:22,550 --> 01:13:21,000

that the direction we're going with uh

1595

01:13:25,970 --> 01:13:22,560

these Concepts and ideas and having

1596

01:13:27,290 --> 01:13:25,980

talks about decentralization and a you

1597

01:13:31,490 --> 01:13:27,300

know a

1598

01:13:33,290 --> 01:13:31,500

for example Bitcoin a global economic uh

1599

01:13:35,209 --> 01:13:33,300

Reserve currency that's not attached to

1600

01:13:36,590 --> 01:13:35,219

any one country

1601

01:13:38,209 --> 01:13:36,600

um I think that's a step in the right

1602

01:13:40,130 --> 01:13:38,219

direction I think we're going in that

1603

01:13:42,290 --> 01:13:40,140

direction in order to get us to the next

1604

01:13:45,410 --> 01:13:42,300

steps which would then free Humanity

1605

01:13:48,530 --> 01:13:45,420

from some sort of ownership

1606

01:13:49,970 --> 01:13:48,540

it'll never happen you know why I think

1607

01:13:52,090 --> 01:13:49,980

it will though it's going in that

1608

01:13:54,470 --> 01:13:52,100

direction now why

1609

01:13:59,750 --> 01:13:54,480

if you can't

1610

01:14:01,490 --> 01:13:59,760

it's not going to happen and that's one

1611

01:14:03,350 --> 01:14:01,500

of the reasons why if you look at

1612

01:14:05,090 --> 01:14:03,360

something basic

1613

01:14:07,130 --> 01:14:05,100

you want to give the power to the people

1614

01:14:08,649 --> 01:14:07,140

you want to decentralize the money in

1615

01:14:12,590 --> 01:14:08,659

the monetary system

1616

01:14:14,930 --> 01:14:12,600

no we can't take away that no no it it

1617

01:14:17,870 --> 01:14:14,940

just won't I would love for it to happen

1618

01:14:21,729 --> 01:14:17,880

if we look at something basic and and

1619

01:14:24,290 --> 01:14:21,739

fusion is is a consideration here right

1620

01:14:27,530 --> 01:14:24,300

how do we have

1621

01:14:31,250 --> 01:14:27,540

free Limitless clean power

1622

01:14:32,950 --> 01:14:31,260

and not be able to monetize it so let's

1623

01:14:35,810 --> 01:14:32,960

back up

1624

01:14:38,510 --> 01:14:35,820

wait wait no it should be a gift to the

1625

01:14:40,490 --> 01:14:38,520

world it won't yeah absolutely prize it

1626

01:14:45,430 --> 01:14:40,500

and no because if it's on a

1627

01:14:52,970 --> 01:14:48,290

it just won't you see that's the thing

1628

01:14:55,490 --> 01:14:52,980

it should it it can I'll give you an

1629

01:14:58,250 --> 01:14:55,500

example you really you want clean power

1630

01:15:01,189 --> 01:14:58,260

you want clean you want you want the

1631

01:15:03,890 --> 01:15:01,199

ultimate Limitless power

1632

01:15:07,189 --> 01:15:03,900

hydrogen fuel cells

1633

01:15:09,470 --> 01:15:07,199

sure right there yeah every car on this

1634

01:15:12,530 --> 01:15:09,480

planet every ship on this planet should

1635

01:15:15,290 --> 01:15:12,540

have a hydrogen fuel cell in it yeah I

1636

01:15:19,010 --> 01:15:15,300

won't debate that yeah and not only the

1637

01:15:23,209 --> 01:15:19,020

limit how Limitless is it okay hydrogen

1638

01:15:25,510 --> 01:15:23,219

goes in and comes out as water

1639

01:15:29,689 --> 01:15:25,520

it starts as water

1640

01:15:31,850 --> 01:15:29,699

gets separated oxygen hydrogen hydrogen

1641

01:15:35,950 --> 01:15:31,860

goes in goes through the conversion

1642

01:15:40,130 --> 01:15:35,960

comes out of the exhaust pipe and steam

1643

01:15:41,689 --> 01:15:40,140

you can breathe it right yeah I've done

1644

01:15:44,270 --> 01:15:41,699

it yeah I've done it no that's awesome

1645

01:15:46,189 --> 01:15:44,280

and it goes back into the system goes

1646

01:15:50,350 --> 01:15:46,199

back into the oceans goes back into the

1647

01:15:53,330 --> 01:15:50,360

clouds recycles itself Limitless

1648

01:15:56,870 --> 01:15:53,340

right there's no way to monetize it

1649

01:15:58,669 --> 01:15:56,880

right that's why it should be it should

1650

01:16:02,090 --> 01:15:58,679

be on a decentralized platform it should

1651
01:16:04,610 --> 01:16:02,100
be on uh open to the world web web 3.0

1652
01:16:06,770 --> 01:16:04,620
we're moving in that direction but we're

1653
01:16:09,290 --> 01:16:06,780
moving in that direction so the fact

1654
01:16:12,410 --> 01:16:09,300
that yeah we have we have these

1655
01:16:15,530 --> 01:16:12,420
platforms now we have bit the Bitcoin

1656
01:16:18,709 --> 01:16:15,540
platform and we have ethereum and we

1657
01:16:20,750 --> 01:16:18,719
have later uh two and three solutions

1658
01:16:22,910 --> 01:16:20,760
now that are being built on top of these

1659
01:16:25,729 --> 01:16:22,920
platforms so an entire internet the web

1660
01:16:28,669 --> 01:16:25,739
3.0 is right there at the cusp it's it's

1661
01:16:31,130 --> 01:16:28,679
being rolled out and we're and there's

1662
01:16:33,649 --> 01:16:31,140
even talk of Elon taking Twitter open

1663
01:16:35,330 --> 01:16:33,659

source and decentralized and moving it

1664

01:16:38,330 --> 01:16:35,340
to a blockchain

1665

01:16:40,790 --> 01:16:38,340
um and if that happened then then we

1666

01:16:43,610 --> 01:16:40,800
truly do have a free platform a free

1667

01:16:48,050 --> 01:16:43,620
speech platform and if they can't censor

1668

01:16:51,110 --> 01:16:48,060
uh us the schematics for us building our

1669

01:16:52,910 --> 01:16:51,120
own free energy devices then and then

1670

01:16:55,490 --> 01:16:52,920
that information goes out in the entire

1671

01:16:57,770 --> 01:16:55,500
world uh you know gets this information

1672

01:17:00,010 --> 01:16:57,780
and every right away people go to town

1673

01:17:02,570 --> 01:17:00,020
and start tinkering in their garages

1674

01:17:04,010 --> 01:17:02,580
they can't they can't stop it there

1675

01:17:06,709 --> 01:17:04,020
there's not going to be any single

1676

01:17:08,990 --> 01:17:06,719

government or Shadow government that's

1677

01:17:11,689 --> 01:17:09,000

going to be able to stop what's coming

1678

01:17:13,930 --> 01:17:11,699

yeah and and I thought I had flowers

1679

01:17:16,729 --> 01:17:13,940

hanging out of my pockets

1680

01:17:20,149 --> 01:17:16,739

you've got bouquets

1681

01:17:24,229 --> 01:17:20,159

thinking out of yours and and look I I

1682

01:17:26,330 --> 01:17:24,239

totally see that I I totally get it and

1683

01:17:29,270 --> 01:17:26,340

a thousand years from now

1684

01:17:30,950 --> 01:17:29,280

I I you know we're going to evolve we're

1685

01:17:33,050 --> 01:17:30,960

going to mature and we're going to get

1686

01:17:36,410 --> 01:17:33,060

to that point is it going to happen in

1687

01:17:37,970 --> 01:17:36,420

the next 10 20 30 40 50 years nah not as

1688

01:17:41,090 --> 01:17:37,980

long as there's oil coming out of the

1689

01:17:43,130 --> 01:17:41,100

ground and and as long as there's oil

1690

01:17:47,330 --> 01:17:43,140

coming out of the ground until that runs

1691

01:17:49,189 --> 01:17:47,340

out right the last drop of oil uh we're

1692

01:17:51,110 --> 01:17:49,199

gonna be stuck and we're going to be I

1693

01:17:54,290 --> 01:17:51,120

don't think so I don't think so I I have

1694

01:17:56,689 --> 01:17:54,300

I think I you know follow the news

1695

01:18:01,310 --> 01:17:56,699

channels and things that I follow I see

1696

01:18:03,890 --> 01:18:01,320

crazy Innovation when it comes to uh you

1697

01:18:07,010 --> 01:18:03,900

know blockchain and and uh

1698

01:18:09,950 --> 01:18:07,020

sort of the these different uh using the

1699

01:18:12,350 --> 01:18:09,960

blockchain blockchains in a Innovative

1700

01:18:14,510 --> 01:18:12,360

way that sort of circumvent the old ways

1701

01:18:17,270 --> 01:18:14,520

of of centralized ways of doing things

1702

01:18:19,850 --> 01:18:17,280

and I I I can see it I can see it

1703

01:18:21,709 --> 01:18:19,860

happening definitely within our light in

1704

01:18:24,709 --> 01:18:21,719

the lifetime you know the next 10 let's

1705

01:18:26,570 --> 01:18:24,719

say I'd say give it 10 years I'd say

1706

01:18:28,330 --> 01:18:26,580

let's re let's have this conversation

1707

01:18:31,790 --> 01:18:28,340

you know

1708

01:18:33,649 --> 01:18:31,800

2033 for still around uh

1709

01:18:37,010 --> 01:18:33,659

uh because who knows what's going to

1710

01:18:39,830 --> 01:18:37,020

happen between then now but um but yeah

1711

01:18:43,850 --> 01:18:39,840

I I feel within the next 10 years these

1712

01:18:46,910 --> 01:18:43,860

are quite possible realities where the

1713

01:18:49,610 --> 01:18:46,920

world has a decentralized web 3.0

1714

01:18:51,169 --> 01:18:49,620

information is not censored cannot be

1715

01:18:54,350 --> 01:18:51,179

censored

1716

01:18:56,209 --> 01:18:54,360

um and we have again this is also part

1717

01:18:59,209 --> 01:18:56,219

of the evolution that we're going to

1718

01:19:00,770 --> 01:18:59,219

before about the individual finding the

1719

01:19:03,110 --> 01:19:00,780

frequency to channel in these higher

1720

01:19:06,290 --> 01:19:03,120

dimensional beings we as a human race

1721

01:19:10,970 --> 01:19:06,300

need to raise our frequency so we can

1722

01:19:13,070 --> 01:19:10,980

then channel in the uh uh this

1723

01:19:15,709 --> 01:19:13,080

information and channel in the the

1724

01:19:17,390 --> 01:19:15,719

awareness and the responsible use of

1725

01:19:19,550 --> 01:19:17,400

these free Energy Technologies because I

1726

01:19:21,410 --> 01:19:19,560

I totally agree most of this technology

1727

01:19:24,410 --> 01:19:21,420

even the hydrogen stuff can be easily

1728

01:19:28,610 --> 01:19:24,420

converted to make weapons so we have to

1729

01:19:33,169 --> 01:19:28,620

be able to have the maturity to not

1730

01:19:35,689 --> 01:19:33,179

weaponize it and to use it in in a way

1731

01:19:38,090 --> 01:19:35,699

that's going to be beneficial for

1732

01:19:39,830 --> 01:19:38,100

communities and you know individuals and

1733

01:19:41,750 --> 01:19:39,840

Collective communities and in planet

1734

01:19:43,850 --> 01:19:41,760

Earth as a whole yeah but we'll get

1735

01:19:46,430 --> 01:19:43,860

there we'll get there yeah the the the

1736

01:19:48,530 --> 01:19:46,440

whole crypto

1737

01:19:51,290 --> 01:19:48,540

um idea

1738

01:19:55,130 --> 01:19:51,300

right the philosophy behind it it's

1739

01:19:58,910 --> 01:19:55,140

awesome it's awesome but right now the

1740

01:20:04,370 --> 01:19:58,920

entire industry and every exchange every

1741

01:20:06,169 --> 01:20:04,380

is is run uh by by those that uh

1742

01:20:07,610 --> 01:20:06,179

probably don't have a foundation for

1743

01:20:10,189 --> 01:20:07,620

this

1744

01:20:12,470 --> 01:20:10,199

um and and to understand

1745

01:20:15,530 --> 01:20:12,480

um and when you look at you know the

1746

01:20:16,790 --> 01:20:15,540

collapse of when you go from a sixty

1747

01:20:19,610 --> 01:20:16,800

thousand seventy thousand dollar

1748

01:20:22,010 --> 01:20:19,620

valuation on on bitcoin to today what is

1749

01:20:25,250 --> 01:20:22,020

it seventeen thousand dollars and you

1750

01:20:28,370 --> 01:20:25,260

look at the millions and millions of

1751

01:20:31,070 --> 01:20:28,380

millions of people that lost it lost it

1752

01:20:32,990 --> 01:20:31,080

all and and and what is going on you

1753

01:20:34,370 --> 01:20:33,000

know what to SPF or whatever his name is

1754

01:20:36,590 --> 01:20:34,380

you know just got arrested in the

1755

01:20:39,370 --> 01:20:36,600

Bahamas and and you're looking at you

1756

01:20:41,290 --> 01:20:39,380

know uh 10 you know billion dollars that

1757

01:20:45,830 --> 01:20:41,300

vaporized

1758

01:20:48,110 --> 01:20:45,840

we don't have we don't have a control of

1759

01:20:50,990 --> 01:20:48,120

of the blockchain and and how these

1760

01:20:52,970 --> 01:20:51,000

cryptocurrencies are done and oh no we

1761

01:20:54,830 --> 01:20:52,980

do we do actually though it's all it's

1762

01:20:58,310 --> 01:20:54,840

all open source we know exactly where

1763

01:21:01,450 --> 01:20:58,320

the money is okay well 10 billion

1764

01:21:03,290 --> 01:21:01,460

dollars vaporized

1765

01:21:05,050 --> 01:21:03,300

vaporized but not because of the

1766

01:21:07,669 --> 01:21:05,060

blockchain

1767

01:21:10,310 --> 01:21:07,679

wait a minute it's because of not

1768

01:21:13,790 --> 01:21:10,320

understanding it and to allow them

1769

01:21:15,590 --> 01:21:13,800

talking about us everybody else to allow

1770

01:21:18,709 --> 01:21:15,600

individuals to go and start another

1771

01:21:20,510 --> 01:21:18,719

company and Loan and create a crypto and

1772

01:21:25,010 --> 01:21:20,520

and a new coin over here and you're

1773

01:21:27,890 --> 01:21:25,020

taking uh investors money uh out and and

1774

01:21:29,510 --> 01:21:27,900

moving it over and loaning and and then

1775

01:21:30,590 --> 01:21:29,520

all of a sudden 10 billion dollars is

1776

01:21:34,130 --> 01:21:30,600

just gone

1777

01:21:36,709 --> 01:21:34,140

that that's the part that and until we

1778

01:21:39,110 --> 01:21:36,719

understand what is actually going on

1779

01:21:41,270 --> 01:21:39,120

here because it's it's not a mature

1780

01:21:46,370 --> 01:21:41,280

mindset that is in control of this this

1781

01:21:49,490 --> 01:21:46,380

that's a very uh uh that's a very very

1782

01:21:53,390 --> 01:21:49,500

serious thing when you have people going

1783

01:21:56,990 --> 01:21:53,400

in and not understanding what crypto is

1784

01:21:59,330 --> 01:21:57,000

or how to uh keep your money or how to

1785

01:22:03,229 --> 01:21:59,340

move it or how to store it or do any of

1786

01:22:05,870 --> 01:22:03,239

that where you go to an exchange uh to

1787

01:22:08,330 --> 01:22:05,880

take your money out whatever or to take

1788

01:22:10,070 --> 01:22:08,340

a coin or whatever and you can't because

1789

01:22:13,070 --> 01:22:10,080

there's nothing there because some

1790

01:22:15,950 --> 01:22:13,080

doofus and a group of doofuses right

1791

01:22:17,510 --> 01:22:15,960

that no no no no no no no no it's

1792

01:22:19,010 --> 01:22:17,520

actually pretty smart people that did

1793

01:22:22,130 --> 01:22:19,020

that they're playing doofus right now

1794

01:22:25,310 --> 01:22:22,140

but they're they're they're part you

1795

01:22:27,649 --> 01:22:25,320

know MIT graduates so the that whole

1796

01:22:29,270 --> 01:22:27,659

debacle and everything so if you look at

1797

01:22:32,990 --> 01:22:29,280

it though so if you look at Bitcoin

1798

01:22:36,590 --> 01:22:33,000

where it was it was at uh just below 19

1799

01:22:39,709 --> 01:22:36,600

000. it was at 19. when the FDX debacle

1800

01:22:41,930 --> 01:22:39,719

happened we were at 19. and then and up

1801
01:22:43,910 --> 01:22:41,940
until that point there were no real

1802
01:22:46,669 --> 01:22:43,920
signs that showed that FDX we had Tara

1803
01:22:49,189 --> 01:22:46,679
Luna we had some other issues but then

1804
01:22:51,470 --> 01:22:49,199
um Celsius Terra Luna

1805
01:22:55,370 --> 01:22:51,480
um when the FDX went under it went from

1806
01:22:57,410 --> 01:22:55,380
19 down to 16. so and we're and you're

1807
01:23:00,229 --> 01:22:57,420
right 10 billion dollars the guy just

1808
01:23:01,850 --> 01:23:00,239
blew away but that didn't when you look

1809
01:23:03,530 --> 01:23:01,860
at the scope of things that didn't

1810
01:23:05,330 --> 01:23:03,540
really affect the price of Bitcoin that

1811
01:23:07,850 --> 01:23:05,340
much I don't care about the price of

1812
01:23:08,870 --> 01:23:07,860
Bitcoin I'm I care about the people that

1813
01:23:10,910 --> 01:23:08,880

lost

1814

01:23:13,310 --> 01:23:10,920

it all

1815

01:23:15,950 --> 01:23:13,320

right and lose it they they swindled it

1816

01:23:19,610 --> 01:23:15,960

it definitely they'll find out where

1817

01:23:21,189 --> 01:23:19,620

it's at but what the individuals that uh

1818

01:23:23,510 --> 01:23:21,199

have been locked out of their account

1819

01:23:26,590 --> 01:23:23,520

and the money is known I was one of

1820

01:23:31,010 --> 01:23:26,600

those by the way I got I lost money

1821

01:23:33,770 --> 01:23:31,020

that just pisses me off man and well it

1822

01:23:38,450 --> 01:23:33,780

it it pisses me off too but at the same

1823

01:23:40,370 --> 01:23:38,460

time when you look at uh it's a big you

1824

01:23:43,070 --> 01:23:40,380

know I was on uh Kim show earlier today

1825

01:23:47,290 --> 01:23:43,080

uh talking about the same thing but it's

1826

01:23:51,850 --> 01:23:47,300

this whole debacle is a big wake-up call

1827

01:23:54,890 --> 01:23:51,860

to Yes we need to be more diligent with

1828

01:23:57,290 --> 01:23:54,900

uh where we put our money custodial you

1829

01:24:00,229 --> 01:23:57,300

know there's a the big phrase not your

1830

01:24:03,410 --> 01:24:00,239

keys not your coins so any just knowing

1831

01:24:05,689 --> 01:24:03,420

that every every single exchange I don't

1832

01:24:08,209 --> 01:24:05,699

care who it is or how much of Integrity

1833

01:24:11,090 --> 01:24:08,219

that person is all the exchanges are

1834

01:24:12,890 --> 01:24:11,100

traps so if you're gonna get into the

1835

01:24:15,169 --> 01:24:12,900

crypto space you need you know you need

1836

01:24:16,970 --> 01:24:15,179

to know not your keys not your coins and

1837

01:24:19,310 --> 01:24:16,980

make sure you have you know a cold

1838

01:24:20,810 --> 01:24:19,320

storage or a paper wallet or something

1839

01:24:22,010 --> 01:24:20,820

that you can keep your coins on and

1840

01:24:24,290 --> 01:24:22,020

don't keep them on these exchanges

1841

01:24:27,350 --> 01:24:24,300

because yes it's all just like we saw

1842

01:24:31,070 --> 01:24:27,360

with the Sam bankrin goofiness SPF stuff

1843

01:24:35,450 --> 01:24:31,080

it's all a scam uh and will continue to

1844

01:24:37,669 --> 01:24:35,460

be a scam uh as as this space matures it

1845

01:24:40,850 --> 01:24:37,679

needs to mature it needs these that's my

1846

01:24:44,689 --> 01:24:40,860

point but that's that's that's 100 my

1847

01:24:47,149 --> 01:24:44,699

point because I don't know about you and

1848

01:24:50,810 --> 01:24:47,159

you may be flush and you may be liquid

1849

01:24:53,050 --> 01:24:50,820

and and you're emotionally uh

1850

01:24:56,330 --> 01:24:53,060

disconnected from all of this because

1851
01:24:59,570 --> 01:24:56,340
money doesn't matter but for somebody

1852
01:25:02,149 --> 01:24:59,580
that bets the farm and they go in and

1853
01:25:06,290 --> 01:25:02,159
and they've bought two or three or four

1854
01:25:08,810 --> 01:25:06,300
Bitcoins at 60 000 a pop and they're

1855
01:25:13,370 --> 01:25:08,820
into this now for a quarter of a million

1856
01:25:16,490 --> 01:25:13,380
dollars and they've lost 230

1857
01:25:19,990 --> 01:25:16,500
000 bucks if they cashed out and they're

1858
01:25:24,410 --> 01:25:20,000
sitting on three coins right now

1859
01:25:26,390 --> 01:25:24,420
a year later we're 15 grand each uh

1860
01:25:29,209 --> 01:25:26,400
right it sucks and you're gonna feel

1861
01:25:33,649 --> 01:25:29,219
that pain especially yeah if you

1862
01:25:36,229 --> 01:25:33,659
mortgaged you know you're out yeah a lot

1863
01:25:38,750 --> 01:25:36,239

of people you do these are the lessons

1864

01:25:41,209 --> 01:25:38,760

that so it's it's not a so the the

1865

01:25:43,729 --> 01:25:41,219

crypto industry is not the problem it's

1866

01:25:45,169 --> 01:25:43,739

the all the other Industries around that

1867

01:25:48,290 --> 01:25:45,179

are built on around it the traditional

1868

01:25:50,050 --> 01:25:48,300

Financial system this idea that oh I'm

1869

01:25:52,250 --> 01:25:50,060

going to go mortgage my house so I can

1870

01:25:53,930 --> 01:25:52,260

take out a second mortgage in my house

1871

01:25:57,590 --> 01:25:53,940

so I can go buy some Bitcoin that's

1872

01:26:01,010 --> 01:25:57,600

that's just immature and irresponsible

1873

01:26:02,629 --> 01:26:01,020

and we have a monetary yeah I know but

1874

01:26:05,390 --> 01:26:02,639

these are very smart people that have

1875

01:26:07,129 --> 01:26:05,400

made these decisions well again this is

1876

01:26:10,129 --> 01:26:07,139

because they're used to a monetary

1877

01:26:12,649 --> 01:26:10,139

policy that encourages that kind of

1878

01:26:16,430 --> 01:26:12,659

activity that we live in a debt-based

1879

01:26:19,490 --> 01:26:16,440

society and taking out debt uh to make a

1880

01:26:22,310 --> 01:26:19,500

quick Buck or to you know gamble is it's

1881

01:26:24,770 --> 01:26:22,320

sort of like that's the norm we need to

1882

01:26:28,310 --> 01:26:24,780

be teaching responsible

1883

01:26:30,830 --> 01:26:28,320

um monetary policies and uh number one

1884

01:26:33,470 --> 01:26:30,840

first and foremost are are uh the US

1885

01:26:35,570 --> 01:26:33,480

dollar and the uh Ponzi scheme that

1886

01:26:37,850 --> 01:26:35,580

that's uh being with the Federal Reserve

1887

01:26:40,610 --> 01:26:37,860

and all of that stuff this to me that's

1888

01:26:43,550 --> 01:26:40,620

way more volatile especially now that

1889

01:26:45,110 --> 01:26:43,560

we're seeing the uh the same bank room

1890

01:26:46,729 --> 01:26:45,120

feeds and we're seen the Democratic

1891

01:26:49,729 --> 01:26:46,739

party and we're seeing billions getting

1892

01:26:52,430 --> 01:26:49,739

sent to Ukraine that are you know barely

1893

01:26:54,649 --> 01:26:52,440

even being voted on uh taxpayer monies

1894

01:26:57,169 --> 01:26:54,659

get getting you know thrown here and

1895

01:26:59,330 --> 01:26:57,179

throw in there without any proper uh

1896

01:27:02,629 --> 01:26:59,340

congressional oversight uh we're we're

1897

01:27:05,209 --> 01:27:02,639

seeing uh the Ponzi scheme is is falling

1898

01:27:08,990 --> 01:27:05,219

apart and I and I think

1899

01:27:11,930 --> 01:27:09,000

um again Bitcoin is an option uh gold

1900

01:27:13,910 --> 01:27:11,940

silver are great but we're seeing how

1901

01:27:16,129 --> 01:27:13,920

irresponsible

1902

01:27:17,930 --> 01:27:16,139

um policies and and not in the sense

1903

01:27:20,270 --> 01:27:17,940

that everything needs to be regulated

1904

01:27:21,530 --> 01:27:20,280

it's this it's the individual it's how

1905

01:27:24,709 --> 01:27:21,540

we're

1906

01:27:26,930 --> 01:27:24,719

um handling life like we need it's

1907

01:27:30,649 --> 01:27:26,940

accountability and it's accountability

1908

01:27:31,970 --> 01:27:30,659

yeah yeah uh so what all this is

1909

01:27:34,930 --> 01:27:31,980

teaching us is sovereignty and

1910

01:27:40,129 --> 01:27:34,940

Independence and how to to understand

1911

01:27:42,649 --> 01:27:40,139

uh how not to rely on an exchange or a

1912

01:27:44,689 --> 01:27:42,659

bank or you know how do we take our our

1913

01:27:47,810 --> 01:27:44,699

personal power back and how do we do it

1914

01:27:49,970 --> 01:27:47,820

from an individual place instead of you

1915

01:27:52,010 --> 01:27:49,980

know leaving again going back to the

1916

01:27:55,070 --> 01:27:52,020

scientists and the keys who has the keys

1917

01:27:57,110 --> 01:27:55,080

to the to the uh these other worlds same

1918

01:27:59,410 --> 01:27:57,120

with the channelers we all can be our

1919

01:28:02,450 --> 01:27:59,420

own channelers we don't need

1920

01:28:05,570 --> 01:28:02,460

let me give you uh an example though

1921

01:28:07,729 --> 01:28:05,580

this is this is the part that freaks me

1922

01:28:10,490 --> 01:28:07,739

out you can blockchain this conversation

1923

01:28:12,290 --> 01:28:10,500

all day long and I believe in it okay I

1924

01:28:16,430 --> 01:28:12,300

do but

1925

01:28:19,550 --> 01:28:16,440

I go uh two years ago okay let's say two

1926

01:28:22,750 --> 01:28:19,560

years ago a year ago and I've got uh

1927

01:28:25,430 --> 01:28:22,760

I've got I've got a pile of Bitcoins

1928

01:28:31,430 --> 01:28:25,440

hold not pieces right I got whole

1929

01:28:32,870 --> 01:28:31,440

Bitcoins and I go and I buy uh uh a

1930

01:28:36,410 --> 01:28:32,880

Lamborghini

1931

01:28:38,870 --> 01:28:36,420

right and I buy one for 250 000 and I

1932

01:28:42,649 --> 01:28:38,880

plop down five Bitcoins

1933

01:28:46,850 --> 01:28:42,659

right that dealer takes those five

1934

01:28:49,310 --> 01:28:46,860

Bitcoins and today he has lost two

1935

01:28:53,149 --> 01:28:49,320

hundred thousand dollars in his business

1936

01:28:57,410 --> 01:28:53,159

because of how if he cashed it out wait

1937

01:29:01,729 --> 01:28:57,420

wait wait okay you can't if that I'm

1938

01:29:04,970 --> 01:29:01,739

talking about facts okay hard dollars so

1939

01:29:07,070 --> 01:29:04,980

that dealer who has got to pay his

1940

01:29:08,629 --> 01:29:07,080

employees he's got to pay the

1941

01:29:10,129 --> 01:29:08,639

electricity he's got to pay the health

1942

01:29:13,310 --> 01:29:10,139

insurance he's got to do all of that

1943

01:29:15,950 --> 01:29:13,320

losing on one vehicle two hundred

1944

01:29:20,030 --> 01:29:15,960

thousand dollars but if I went to him

1945

01:29:23,270 --> 01:29:20,040

and I cut him a check in dollars he's

1946

01:29:26,930 --> 01:29:23,280

able to keep the lights on so until we

1947

01:29:30,129 --> 01:29:26,940

figure that out no matter what the the

1948

01:29:32,209 --> 01:29:30,139

Ponte scheme that is a dollar is stable

1949

01:29:33,669 --> 01:29:32,219

fluctuates up and down a percentage

1950

01:29:37,790 --> 01:29:33,679

Point here and there here and there

1951

01:29:41,689 --> 01:29:37,800

Bitcoin has not shown us that and so

1952

01:29:45,649 --> 01:29:41,699

that's really Mass adoption I I I I look

1953

01:29:47,810 --> 01:29:45,659

I can go and buy food to live

1954

01:29:50,510 --> 01:29:47,820

with a stable dollar

1955

01:29:52,550 --> 01:29:50,520

I can't do that with Bitcoin and I can't

1956

01:29:54,709 --> 01:29:52,560

do that at the supermarket where the

1957

01:29:56,390 --> 01:29:54,719

supermarket is going to go man next week

1958

01:30:00,350 --> 01:29:56,400

this could be worthless

1959

01:30:04,790 --> 01:30:00,360

but that's not the same thing uh Now

1960

01:30:06,470 --> 01:30:04,800

look for the U.S for the U.S that's the

1961

01:30:08,030 --> 01:30:06,480

that's the truth what you just said for

1962

01:30:10,010 --> 01:30:08,040

the for the US is the truth now in

1963

01:30:12,470 --> 01:30:10,020

Nigeria or in El Salvador in other

1964

01:30:14,390 --> 01:30:12,480

countries where they have oh I shouldn't

1965

01:30:17,390 --> 01:30:14,400

say El Salvador now but when you have

1966

01:30:19,729 --> 01:30:17,400

other Foster shirt on bitcoin how many

1967

01:30:22,910 --> 01:30:19,739

no but they actually have gained tons if

1968

01:30:26,510 --> 01:30:22,920

you look at their uh um if you look at

1969

01:30:29,390 --> 01:30:26,520

how much their uh GDP is has has

1970

01:30:33,410 --> 01:30:29,400

exploded because they've made uh Bitcoin

1971

01:30:37,629 --> 01:30:33,420

legal tender and they didn't they lose

1972

01:30:40,870 --> 01:30:37,639

uh didn't they lose 250 million dollars

1973

01:30:43,189 --> 01:30:40,880

uh in the last six months on bitcoin

1974

01:30:45,709 --> 01:30:43,199

exactly yeah they did lose that but

1975

01:30:47,390 --> 01:30:45,719

there's these reports on that their GDP

1976

01:30:48,530 --> 01:30:47,400

is actually much much higher than that

1977

01:30:50,330 --> 01:30:48,540

so if you look at all the outside

1978

01:30:53,330 --> 01:30:50,340

Investments that came in because they

1979

01:30:55,970 --> 01:30:53,340

made uh Bitcoin legal tender they

1980

01:30:59,570 --> 01:30:55,980

actually have you know their their their

1981

01:31:02,689 --> 01:30:59,580

their economy is is booming Nigeria now

1982

01:31:04,550 --> 01:31:02,699

because their country is inflating their

1983

01:31:07,189 --> 01:31:04,560

uh their money I forget what what they

1984

01:31:10,010 --> 01:31:07,199

go by but it's they're using Bitcoin out

1985

01:31:12,590 --> 01:31:10,020

of survival now they have to bitcoin to

1986

01:31:15,350 --> 01:31:12,600

buy food and things because their local

1987

01:31:17,629 --> 01:31:15,360

currency keeps getting inflated out of

1988

01:31:20,030 --> 01:31:17,639

the yin yang and they're not having any

1989

01:31:23,689 --> 01:31:20,040

kind of stability there so their go-to

1990

01:31:26,149 --> 01:31:23,699

stable Choice even though for us uh in

1991

01:31:27,890 --> 01:31:26,159

the dollar system uh it's not stable at

1992

01:31:30,290 --> 01:31:27,900

all but it is more state for them

1993

01:31:33,189 --> 01:31:30,300

bitcoin's more stable than their

1994

01:31:36,770 --> 01:31:33,199

um their uh currency same with uh turkey

1995

01:31:39,229 --> 01:31:36,780

uh and other countries that their um

1996

01:31:41,629 --> 01:31:39,239

countries are printing money like crazy

1997

01:31:43,729 --> 01:31:41,639

our country's doing it as well but not

1998

01:31:45,830 --> 01:31:43,739

as much as some of these other countries

1999

01:31:48,050 --> 01:31:45,840

so you look at it from their perspective

2000

01:31:49,430 --> 01:31:48,060

and Bitcoin is the smarter choice and

2001
01:31:51,770 --> 01:31:49,440
they're naturally doing that even though

2002
01:31:54,169 --> 01:31:51,780
in Nigeria Bitcoin is banned they're

2003
01:31:55,970 --> 01:31:54,179
still using Bitcoin uh under the table

2004
01:31:58,490 --> 01:31:55,980
so to say to buy groceries literally

2005
01:32:00,370 --> 01:31:58,500
they their use it's it's more used than

2006
01:32:03,350 --> 01:32:00,380
their local currency

2007
01:32:07,310 --> 01:32:03,360
dollars there too as well oh I'm sure

2008
01:32:08,950 --> 01:32:07,320
yeah yeah but but so and and back to my

2009
01:32:12,290 --> 01:32:08,960
point until

2010
01:32:13,149 --> 01:32:12,300
uh we wrestle control of this and

2011
01:32:16,370 --> 01:32:13,159
understand

2012
01:32:19,629 --> 01:32:16,380
it's too young uh there are too many

2013
01:32:22,850 --> 01:32:19,639

issues with it uh I uh

2014

01:32:26,209 --> 01:32:22,860

it's it's too early to embrace the

2015

01:32:30,669 --> 01:32:26,219

blockchain and what about 13 years and

2016

01:32:37,490 --> 01:32:34,430

if it's got a nice stable line without

2017

01:32:39,590 --> 01:32:37,500

these you know the these structures

2018

01:32:42,290 --> 01:32:39,600

coming in and and pumping and and

2019

01:32:45,370 --> 01:32:42,300

selling and dropping until we have a

2020

01:32:50,390 --> 01:32:45,380

nice stable line uh that is consistent

2021

01:32:52,910 --> 01:32:50,400

it's not not yet it is the future it is

2022

01:32:54,110 --> 01:32:52,920

but it's it's how you look at it it's

2023

01:32:56,149 --> 01:32:54,120

all how you look at in perspectives

2024

01:32:57,709 --> 01:32:56,159

because if you look at the Bitcoin

2025

01:32:59,870 --> 01:32:57,719

charts

2026

01:33:02,770 --> 01:32:59,880

um I do I do and you know what you know

2027

01:33:06,229 --> 01:33:02,780

what's really funny to me uh Reuben

2028

01:33:09,590 --> 01:33:06,239

dude I look at all the charts I look at

2029

01:33:10,990 --> 01:33:09,600

all of I I'm reading about Bitcoin all

2030

01:33:14,330 --> 01:33:11,000

the time I'm reading all these financial

2031

01:33:16,189 --> 01:33:14,340

and all of that you know well based on

2032

01:33:17,450 --> 01:33:16,199

and I'm reading these kind of based on

2033

01:33:22,310 --> 01:33:17,460

what

2034

01:33:25,189 --> 01:33:22,320

no history there isn't anything

2035

01:33:27,050 --> 01:33:25,199

consistent uh there isn't any way to

2036

01:33:29,930 --> 01:33:27,060

predict the future it is completely

2037

01:33:31,910 --> 01:33:29,940

unstable and to say you know when I when

2038

01:33:33,350 --> 01:33:31,920

I see these well you know Bitcoin in a

2039

01:33:34,790 --> 01:33:33,360

year you know we're looking at you know

2040

01:33:37,870 --> 01:33:34,800

you know we're looking at a market cap

2041

01:33:41,629 --> 01:33:37,880

of about 150 000 per coin and and if we

2042

01:33:44,570 --> 01:33:41,639

stop with that that is all black magic

2043

01:33:47,510 --> 01:33:44,580

pipe dream stuff nobody knows nobody

2044

01:33:51,050 --> 01:33:47,520

knows otherwise we would have known that

2045

01:33:53,629 --> 01:33:51,060

Bitcoin look last year Bitcoin was

2046

01:33:56,030 --> 01:33:53,639

supposed to be 200 000 right now well

2047

01:33:58,970 --> 01:33:56,040

that depends who you talk to but yeah

2048

01:34:01,550 --> 01:33:58,980

wait you know you you and you know

2049

01:34:03,649 --> 01:34:01,560

exactly what I'm talking about nobody

2050

01:34:05,709 --> 01:34:03,659

last year said that Bitcoin would be

2051

01:34:08,990 --> 01:34:05,719

fifteen thousand dollars in December

2052

01:34:12,470 --> 01:34:09,000

2022. there wasn't anybody feeding that

2053

01:34:16,610 --> 01:34:12,480

not not a single I've got Financial

2054

01:34:20,149 --> 01:34:16,620

investors man I've got telling me and I

2055

01:34:22,910 --> 01:34:20,159

if I go back and listen to their advice

2056

01:34:26,330 --> 01:34:22,920

from a year ago to where it is right now

2057

01:34:29,629 --> 01:34:26,340

uh no nobody nobody was talking that and

2058

01:34:31,070 --> 01:34:29,639

not a single one so and you're in your

2059

01:34:33,950 --> 01:34:31,080

investor people talk about Fourier

2060

01:34:37,430 --> 01:34:33,960

Cycles or anything like that if there is

2061

01:34:38,990 --> 01:34:37,440

no four-year cycle in anything okay if

2062

01:34:41,990 --> 01:34:39,000

you want to talk to me about a four-year

2063

01:34:44,570 --> 01:34:42,000

cycle and not not in Bitcoin no no

2064

01:34:47,330 --> 01:34:44,580

there's not you've got Bitcoin for 13

2065

01:34:49,970 --> 01:34:47,340

years you look at that a word right so

2066

01:34:51,830 --> 01:34:49,980

you got this it's a consistent if you

2067

01:34:55,490 --> 01:34:51,840

look at it I'm looking at the trucks

2068

01:34:57,169 --> 01:34:55,500

from 19 000. I'm looking at the charts

2069

01:34:59,689 --> 01:34:57,179

from a long time ago so if you look at

2070

01:35:02,149 --> 01:34:59,699

the beginning to now we're in a constant

2071

01:35:04,970 --> 01:35:02,159

curve that's going up it still hasn't

2072

01:35:08,209 --> 01:35:04,980

there's a if there's a long a long drawn

2073

01:35:10,430 --> 01:35:08,219

out curve that goes up and we're still

2074

01:35:13,370 --> 01:35:10,440

in the up now now I bought Bitcoin back

2075

01:35:15,709 --> 01:35:13,380

in 2013 for 700 bucks I'm still I'm

2076

01:35:19,310 --> 01:35:15,719

still making I'm still in the in in the

2077

01:35:20,090 --> 01:35:19,320

uh yep in the in the good on this so

2078

01:35:23,270 --> 01:35:20,100

um

2079

01:35:25,430 --> 01:35:23,280

they uh anyways let's not even think

2080

01:35:27,050 --> 01:35:25,440

about the monetary value let's go the

2081

01:35:29,149 --> 01:35:27,060

the whole reason I brought up Bitcoin in

2082

01:35:32,689 --> 01:35:29,159

the first place was because we have a

2083

01:35:35,090 --> 01:35:32,699

decentralized network of computing power

2084

01:35:36,649 --> 01:35:35,100

that we and there's Layer Two Solutions

2085

01:35:38,689 --> 01:35:36,659

like the lightning Network and others

2086

01:35:40,910 --> 01:35:38,699

that we can put on this network it's a

2087

01:35:44,390 --> 01:35:40,920

it's a it's a it's a Computing machine

2088

01:35:46,729 --> 01:35:44,400

right so we can put information on this

2089

01:35:47,870 --> 01:35:46,739

network and others like the especially

2090

01:35:51,709 --> 01:35:47,880

the ethereum network with smart

2091

01:35:53,470 --> 01:35:51,719

contracts and we can use it as the new

2092

01:35:56,270 --> 01:35:53,480

internet in a sense

2093

01:36:00,490 --> 01:35:56,280

that's the part that I love about the

2094

01:36:03,169 --> 01:36:00,500

blockchain where you can historically

2095

01:36:06,229 --> 01:36:03,179

memorialize everything that you need

2096

01:36:08,689 --> 01:36:06,239

done everything that you need done and

2097

01:36:11,570 --> 01:36:08,699

that that goes from you know talking

2098

01:36:15,169 --> 01:36:11,580

about car dealerships right but that

2099

01:36:18,770 --> 01:36:15,179

contract goes in whatever it is that you

2100

01:36:20,689 --> 01:36:18,780

need to lock in but forget about a Xerox

2101

01:36:22,729 --> 01:36:20,699

copy and putting something in in your

2102

01:36:25,669 --> 01:36:22,739

filing cabinet which you should do that

2103

01:36:29,330 --> 01:36:25,679

too anyway but that's the beauty of the

2104

01:36:32,510 --> 01:36:29,340

blockchain and it is uh IP it's it's

2105

01:36:35,169 --> 01:36:32,520

protection of ideas uh it's protections

2106

01:36:37,970 --> 01:36:35,179

of of patents is sharing of information

2107

01:36:42,169 --> 01:36:37,980

all of that that that part of the

2108

01:36:43,790 --> 01:36:42,179

blockchain genius man yeah genius as

2109

01:36:46,669 --> 01:36:43,800

long as it remains decentralized now

2110

01:36:49,250 --> 01:36:46,679

this is the key point because we're

2111

01:36:52,129 --> 01:36:49,260

about to face uh and this is part of the

2112

01:36:55,729 --> 01:36:52,139

FTX debacle and you know Janet Yellen

2113

01:36:59,629 --> 01:36:55,739

came out right on On Cue that we have to

2114

01:37:01,430 --> 01:36:59,639

regulate cryptocurrencies and uh and oh

2115

01:37:02,810 --> 01:37:01,440

by the way we're going to release the

2116

01:37:06,050 --> 01:37:02,820

the Federal Reserve is going to reach

2117

01:37:09,590 --> 01:37:06,060

the FED coin which is a centralized uh

2118

01:37:12,470 --> 01:37:09,600

digital currency now that is complete

2119

01:37:14,870 --> 01:37:12,480

tyranny that is complete

2120

01:37:17,149 --> 01:37:14,880

um uh you talk about you know look at

2121

01:37:18,770 --> 01:37:17,159

China and look at uh the the social

2122

01:37:22,250 --> 01:37:18,780

credit system that's going on in China

2123

01:37:24,470 --> 01:37:22,260

so so not all blockchains are the same I

2124

01:37:26,330 --> 01:37:24,480

just wanted to make sure that there's a

2125

01:37:28,189 --> 01:37:26,340

difference right blockchain technology

2126
01:37:30,530 --> 01:37:28,199
is an amazing technology but it can be

2127
01:37:33,950 --> 01:37:30,540
like a hammer it can be used to destroy

2128
01:37:36,950 --> 01:37:33,960
and and tyrannize and and uh terrorize

2129
01:37:38,870 --> 01:37:36,960
and and take people's uh Power away if

2130
01:37:41,629 --> 01:37:38,880
it's in a centralized form or if it's in

2131
01:37:44,390 --> 01:37:41,639
a decentralized form like Bitcoin or

2132
01:37:47,330 --> 01:37:44,400
these some of these others then uh then

2133
01:37:50,810 --> 01:37:47,340
it doesn't then freedom is there and we

2134
01:37:52,490 --> 01:37:50,820
can we can choose so uh that that is you

2135
01:37:55,790 --> 01:37:52,500
know going and the reason I brought that

2136
01:37:57,890 --> 01:37:55,800
up is again as a delivery system to get

2137
01:38:00,830 --> 01:37:57,900
Concepts and ideas like free energy out

2138
01:38:03,350 --> 01:38:00,840

this might be the way it could happen as

2139

01:38:06,050 --> 01:38:03,360

a potential and we're and it feels like

2140

01:38:07,850 --> 01:38:06,060

we're Lee we're moving into that uh

2141

01:38:10,310 --> 01:38:07,860

understanding and reality and there's a

2142

01:38:12,169 --> 01:38:10,320

lot of really smart people on the planet

2143

01:38:15,590 --> 01:38:12,179

right now that are seeing the value of

2144

01:38:17,330 --> 01:38:15,600

decentralized systems and that's that's

2145

01:38:18,950 --> 01:38:17,340

my main Bitcoin argument you know the

2146

01:38:21,070 --> 01:38:18,960

price and all that stuff yeah we'll go

2147

01:38:23,689 --> 01:38:21,080

in circles around that forever

2148

01:38:25,910 --> 01:38:23,699

we need to have open dialogue about it

2149

01:38:28,189 --> 01:38:25,920

this is how many people communicate and

2150

01:38:30,530 --> 01:38:28,199

totally totally your ideas even though

2151
01:38:33,790 --> 01:38:30,540
I'm right and you're wrong but that's it

2152
01:38:39,310 --> 01:38:37,070
the crazy part about this is and this is

2153
01:38:42,110 --> 01:38:39,320
everybody this is how two friends talk

2154
01:38:46,189 --> 01:38:42,120
you just gotta talk through things

2155
01:38:49,790 --> 01:38:46,199
um but one of my one of my fears

2156
01:38:53,090 --> 01:38:49,800
um is that uh okay

2157
01:38:56,090 --> 01:38:53,100
is I love this thing

2158
01:38:57,290 --> 01:38:56,100
right and and the technology that it

2159
01:39:02,149 --> 01:38:57,300
represents

2160
01:39:04,070 --> 01:39:02,159
but I don't want to be locked in with a

2161
01:39:05,810 --> 01:39:04,080
situation where

2162
01:39:07,370 --> 01:39:05,820
um I run out of gas I'm on the side of

2163
01:39:10,610 --> 01:39:07,380

the road I don't have any cash in my

2164

01:39:12,770 --> 01:39:10,620

pocket and and my money's here and the

2165

01:39:14,450 --> 01:39:12,780

it I I can't call a tow truck because I

2166

01:39:17,570 --> 01:39:14,460

don't have cash on me or whatever

2167

01:39:20,510 --> 01:39:17,580

there's you know you need gas it's cash

2168

01:39:22,010 --> 01:39:20,520

whatever there's that but I also don't

2169

01:39:26,689 --> 01:39:22,020

want to

2170

01:39:29,810 --> 01:39:26,699

uh be that guy sitting on the ground uh

2171

01:39:33,890 --> 01:39:29,820

you know outside of a 7-Eleven

2172

01:39:35,870 --> 01:39:33,900

um and somebody uh walking past me and

2173

01:39:38,930 --> 01:39:35,880

you know and going how did you get here

2174

01:39:42,470 --> 01:39:38,940

to they they shut me off

2175

01:39:44,570 --> 01:39:42,480

right and and that's where China is yeah

2176

01:39:47,930 --> 01:39:44,580

right that's where China is you get this

2177

01:39:50,870 --> 01:39:47,940

exactly and and you are cut off from

2178

01:39:53,570 --> 01:39:50,880

your money your Bitcoin the blockchain

2179

01:39:56,770 --> 01:39:53,580

whatever whatever and and and and this

2180

01:40:01,250 --> 01:39:56,780

because that's where cash is King

2181

01:40:05,330 --> 01:40:01,260

absolutely where now so let me give you

2182

01:40:08,390 --> 01:40:05,340

an example if this is turned off

2183

01:40:12,950 --> 01:40:08,400

I can't even venmo

2184

01:40:14,510 --> 01:40:12,960

somebody money yep totally right do you

2185

01:40:16,970 --> 01:40:14,520

understand what I'm saying I can't oh I

2186

01:40:20,510 --> 01:40:16,980

I'm I'm with you with cash as king I I

2187

01:40:22,490 --> 01:40:20,520

think I I think where Bitcoin has its

2188

01:40:24,290 --> 01:40:22,500

place and I I think there always will be

2189

01:40:26,629 --> 01:40:24,300

you know government currencies and I'm

2190

01:40:28,669 --> 01:40:26,639

not trying to dog on that too much I

2191

01:40:32,629 --> 01:40:28,679

think Bitcoin what it does is it keeps

2192

01:40:34,430 --> 01:40:32,639

our uh our governments in check and they

2193

01:40:36,590 --> 01:40:34,440

know if they push too hard then people

2194

01:40:39,229 --> 01:40:36,600

will go into the Bitcoin camp and

2195

01:40:41,870 --> 01:40:39,239

they'll lose out on some some of their

2196

01:40:44,810 --> 01:40:41,880

uh ways of doing things I think if we

2197

01:40:47,030 --> 01:40:44,820

lose cash then Bitcoin is the obvious

2198

01:40:50,330 --> 01:40:47,040

choice but as long as we have we can

2199

01:40:51,430 --> 01:40:50,340

keep cash and we can keep you know some

2200

01:40:53,450 --> 01:40:51,440

sort of

2201

01:40:55,490 --> 01:40:53,460

non-governmental totally owning

2202

01:40:58,669 --> 01:40:55,500

everything we do you know I think the

2203

01:41:01,729 --> 01:40:58,679

system works now but unfortunately we

2204

01:41:04,610 --> 01:41:01,739

have these cronies in in power that are

2205

01:41:05,930 --> 01:41:04,620

wanting more power and more control and

2206

01:41:12,370 --> 01:41:05,940

and

2207

01:41:14,990 --> 01:41:12,380

direct section that is uh not healthy

2208

01:41:17,810 --> 01:41:15,000

for Humanity and for freedoms and

2209

01:41:19,570 --> 01:41:17,820

Liberty however simultaneously because

2210

01:41:22,370 --> 01:41:19,580

they're putting the squeeze on everybody

2211

01:41:24,110 --> 01:41:22,380

uh all this amazing Innovation is coming

2212

01:41:26,090 --> 01:41:24,120

out so

2213

01:41:27,950 --> 01:41:26,100

um that it's it's a double-edged sword

2214

01:41:29,570 --> 01:41:27,960

and we're seeing it play out and how

2215

01:41:31,129 --> 01:41:29,580

it's going to play out we don't know

2216

01:41:34,070 --> 01:41:31,139

like you said we don't know the future

2217

01:41:36,950 --> 01:41:34,080

is Bitcoin gonna succeed I you know I

2218

01:41:38,810 --> 01:41:36,960

don't know I I it it it it may it may

2219

01:41:42,950 --> 01:41:38,820

not something else better may come along

2220

01:41:45,350 --> 01:41:42,960

we may uh be able to navigate through

2221

01:41:48,590 --> 01:41:45,360

this and we get some better politicians

2222

01:41:50,330 --> 01:41:48,600

in there that aren't so hell-bent on to

2223

01:41:52,990 --> 01:41:50,340

taking away every little ounce of

2224

01:41:56,090 --> 01:41:53,000

Freedom that Humanity has in America

2225

01:41:58,430 --> 01:41:56,100

then uh then then maybe we'll we'll

2226

01:42:00,050 --> 01:41:58,440

navigate it and it'll be okay I was just

2227

01:42:04,070 --> 01:42:00,060

throwing that out there as

2228

01:42:05,750 --> 01:42:04,080

again decentralization this is uh sort

2229

01:42:08,750 --> 01:42:05,760

of the buzzword and this is key with

2230

01:42:11,870 --> 01:42:08,760

with with how we navigate the spaces in

2231

01:42:15,530 --> 01:42:11,880

the future because we are in this

2232

01:42:19,129 --> 01:42:15,540

um this dangerous area in our Evolution

2233

01:42:21,470 --> 01:42:19,139

where we have The Gatekeepers and we're

2234

01:42:23,030 --> 01:42:21,480

giving our power to them and they're not

2235

01:42:24,709 --> 01:42:23,040

taking care of us they're not taking

2236

01:42:28,189 --> 01:42:24,719

care of the little guy here here's

2237

01:42:31,070 --> 01:42:28,199

here's here's the real issue

2238

01:42:34,070 --> 01:42:31,080

okay I'm just I'm just gonna tell you

2239

01:42:37,850 --> 01:42:34,080

the real issue conversations about

2240

01:42:40,310 --> 01:42:37,860

Bitcoin decentralization and and and all

2241

01:42:41,750 --> 01:42:40,320

of this it's fantastic but it only

2242

01:42:45,410 --> 01:42:41,760

matters

2243

01:42:48,530 --> 01:42:45,420

if if you're on the internet

2244

01:42:51,169 --> 01:42:48,540

there are seven eight billion people on

2245

01:42:54,050 --> 01:42:51,179

this planet four billion

2246

01:42:57,229 --> 01:42:54,060

have never heard of Bitcoin

2247

01:43:00,229 --> 01:42:57,239

4 billion are not on the internet four

2248

01:43:01,430 --> 01:43:00,239

billion are are digging in in garbage

2249

01:43:04,669 --> 01:43:01,440

heaps

2250

01:43:07,370 --> 01:43:04,679

in in India and and Brazil and and

2251

01:43:10,070 --> 01:43:07,380

throughout Africa that that are not on

2252

01:43:13,129 --> 01:43:10,080

the internet and are not concerned about

2253

01:43:15,770 --> 01:43:13,139

contact with ET and are not concerned

2254

01:43:18,050 --> 01:43:15,780

about Bitcoin they haven't even heard

2255

01:43:21,050 --> 01:43:18,060

about these issues they don't know what

2256

01:43:25,370 --> 01:43:21,060

Facebook is you know and and so until

2257

01:43:29,510 --> 01:43:25,380

that conversation shifts where uh

2258

01:43:31,550 --> 01:43:29,520

Bitcoin or or blockchain benefits the

2259

01:43:34,149 --> 01:43:31,560

other four billion people on this planet

2260

01:43:37,430 --> 01:43:34,159

that are the Have Nots not the haves

2261

01:43:39,770 --> 01:43:37,440

they they don't have a cell phone they

2262

01:43:41,030 --> 01:43:39,780

don't have a bank account that you know

2263

01:43:43,070 --> 01:43:41,040

you know what they you know what they

2264

01:43:45,649 --> 01:43:43,080

you know what you know what lightens up

2265

01:43:46,970 --> 01:43:45,659

their day brightens their day

2266

01:43:49,370 --> 01:43:46,980

cash

2267

01:43:52,669 --> 01:43:49,380

so they can go and buy something to eat

2268

01:43:56,570 --> 01:43:52,679

for their family you know and so until

2269

01:43:59,270 --> 01:43:56,580

it benefits that half of the world uh we

2270

01:44:03,169 --> 01:43:59,280

we've got issues we've got issues we do

2271

01:44:04,910 --> 01:44:03,179

we have a ton of issues and to uh and I

2272

01:44:06,470 --> 01:44:04,920

think that's where the focus needs to to

2273

01:44:08,330 --> 01:44:06,480

be in going back to our original

2274

01:44:11,570 --> 01:44:08,340

conversation on the free energy stuff

2275

01:44:13,970 --> 01:44:11,580

you know it's it's it's how do we get

2276

01:44:15,470 --> 01:44:13,980

this out we know we know what's being we

2277

01:44:17,209 --> 01:44:15,480

know it exists because we know the ETS

2278

01:44:19,910 --> 01:44:17,219

we've seen our through our your

2279

01:44:22,430 --> 01:44:19,920

experiences my experiences and and many

2280

01:44:25,010 --> 01:44:22,440

of your listeners are

2281

01:44:29,149 --> 01:44:25,020

um are seeing and experiencing things

2282

01:44:31,850 --> 01:44:29,159

that we know defy physics they have some

2283

01:44:36,109 --> 01:44:31,860

uh check this out

2284

01:44:43,010 --> 01:44:40,790

oh man very good very good yeah Ken he

2285

01:44:44,870 --> 01:44:43,020

did that to make a point but I think

2286

01:44:46,609 --> 01:44:44,880

yeah yeah yeah yeah you know I'm all

2287

01:44:52,129 --> 01:44:46,619

about the digital dollars

2288

01:44:54,470 --> 01:44:52,139

um the the the issues that uh plague

2289

01:44:56,750 --> 01:44:54,480

Humanity are

2290

01:44:59,090 --> 01:44:56,760

first and foremost it comes down to

2291

01:45:02,750 --> 01:44:59,100

energy the basic necessities food like

2292

01:45:06,109 --> 01:45:02,760

you said food uh shelter

2293

01:45:09,470 --> 01:45:06,119

um energy how do we power our homes how

2294

01:45:13,490 --> 01:45:09,480

do we power our cars and we know the UFO

2295

01:45:14,689 --> 01:45:13,500

topic is the Smoking Gun to that issue

2296

01:45:17,450 --> 01:45:14,699

to that problem

2297

01:45:19,790 --> 01:45:17,460

and that's in our community that's you

2298

01:45:22,430 --> 01:45:19,800

know when I first got into ufology that

2299

01:45:24,169 --> 01:45:22,440

that was the first big question that

2300

01:45:26,810 --> 01:45:24,179

comes that comes up and it's talked

2301

01:45:28,910 --> 01:45:26,820

about and it's been the same thing I've

2302

01:45:32,689 --> 01:45:28,920

been talking about for for over a decade

2303

01:45:35,590 --> 01:45:32,699

is how do you tap into those energy

2304

01:45:39,590 --> 01:45:35,600

sources how do you change the human

2305

01:45:41,510 --> 01:45:39,600

Paradigm scientific limitation to uh

2306

01:45:43,669 --> 01:45:41,520

Paradigm on energy

2307

01:45:45,830 --> 01:45:43,679

and and that's really where the

2308

01:45:49,729 --> 01:45:45,840

conversation uh

2309

01:45:51,709 --> 01:45:49,739

should be going and and uh and that's

2310

01:45:53,090 --> 01:45:51,719

why I brought it in that direction and I

2311

01:45:55,609 --> 01:45:53,100

brought up the whole Bitcoin thing again

2312

01:45:59,450 --> 01:45:55,619

and you're right about it you're right

2313

01:46:01,910 --> 01:45:59,460

about all of that and so it it what you

2314

01:46:03,770 --> 01:46:01,920

know the the Sams of the world you know

2315

01:46:05,890 --> 01:46:03,780

the sbfs of the world

2316

01:46:09,890 --> 01:46:05,900

um and there are others and that dude

2317

01:46:13,669 --> 01:46:09,900

you know he had a 16 billion dollar you

2318

01:46:16,550 --> 01:46:13,679

know life uh just a month ago

2319

01:46:19,189 --> 01:46:16,560

um and and so when we look at and I know

2320

01:46:21,290 --> 01:46:19,199

I'm kicking a dead horse here but when

2321

01:46:24,470 --> 01:46:21,300

we look at uh you know somebody like

2322

01:46:26,270 --> 01:46:24,480

Elon Musk or Bill Gates or Zuckerberg or

2323

01:46:28,550 --> 01:46:26,280

Bezos

2324

01:46:32,270 --> 01:46:28,560

um and others right there's they're not

2325

01:46:33,290 --> 01:46:32,280

the only ones that could if they wanted

2326

01:46:36,890 --> 01:46:33,300

to

2327

01:46:39,430 --> 01:46:36,900

just step up and take care of business

2328

01:46:43,850 --> 01:46:39,440

that four billion people on this planet

2329

01:46:47,209 --> 01:46:43,860

could be taken care of Nobody Does it I

2330

01:46:51,530 --> 01:46:47,219

you know and and that's it until we

2331

01:46:54,229 --> 01:46:51,540

right until we take care of that

2332

01:46:55,270 --> 01:46:54,239

um uh I I don't want to sound like I'm

2333

01:46:58,910 --> 01:46:55,280

some

2334

01:47:02,209 --> 01:46:58,920

awakened you know if Consciousness

2335

01:47:04,669 --> 01:47:02,219

driven you know some hippie from 1970. I

2336

01:47:06,830 --> 01:47:04,679

don't want to sound like that but I've

2337

01:47:11,390 --> 01:47:06,840

been to third world countries man and

2338

01:47:14,689 --> 01:47:11,400

I've seen the crazy the crazy and you

2339

01:47:16,430 --> 01:47:14,699

witness that and uh there's a certain

2340

01:47:21,229 --> 01:47:16,440

amount of guilt that goes along with it

2341

01:47:23,510 --> 01:47:21,239

but the other part is when they say the

2342

01:47:25,189 --> 01:47:23,520

streets are paved with gold here and we

2343

01:47:26,209 --> 01:47:25,199

go no they're not we you know what yeah

2344

01:47:29,510 --> 01:47:26,219

they are

2345

01:47:32,870 --> 01:47:29,520

and if you are going to

2346

01:47:36,590 --> 01:47:32,880

um spend your time on Twitter flaming

2347

01:47:40,609 --> 01:47:36,600

and trolling and and and you have the

2348

01:47:42,890 --> 01:47:40,619

ability to do that don't don't talk to

2349

01:47:45,410 --> 01:47:42,900

me about uh having morals or anything

2350

01:47:48,490 --> 01:47:45,420

else when the rest of the world doesn't

2351
01:47:50,990 --> 01:47:48,500
have that ability and and or understand

2352
01:47:53,330 --> 01:47:51,000
you know that they don't know what

2353
01:47:56,030 --> 01:47:53,340
SpaceX is they don't know what Starlet

2354
01:47:58,189 --> 01:47:56,040
is they don't know uh if they may not

2355
01:48:01,430 --> 01:47:58,199
even know what a McDonald's is

2356
01:48:03,950 --> 01:48:01,440
and and that that's the that's the part

2357
01:48:08,030 --> 01:48:03,960
and until we think about the other four

2358
01:48:10,609 --> 01:48:08,040
billion out there uh I I don't well well

2359
01:48:12,050 --> 01:48:10,619
in we are thinking about the other four

2360
01:48:14,990 --> 01:48:12,060
billion when we're having these

2361
01:48:17,090 --> 01:48:15,000
conversations when we're talking about

2362
01:48:21,050 --> 01:48:17,100
freeing Humanity from the enslavement

2363
01:48:23,090 --> 01:48:21,060

that it's in the the energy Paradigm the

2364

01:48:24,709 --> 01:48:23,100

monetary Paradigm

2365

01:48:27,709 --> 01:48:24,719

um the more we have these conversations

2366

01:48:31,070 --> 01:48:27,719

the more we uh educate ourselves and we

2367

01:48:33,410 --> 01:48:31,080

educate the audience is out there to to

2368

01:48:35,149 --> 01:48:33,420

understand that there are alternatives

2369

01:48:37,010 --> 01:48:35,159

that it doesn't have to be run this way

2370

01:48:39,830 --> 01:48:37,020

most people especially in the third

2371

01:48:42,050 --> 01:48:39,840

worlds though they only see the almighty

2372

01:48:45,410 --> 01:48:42,060

dollars because of their the the

2373

01:48:47,570 --> 01:48:45,420

situations that they're in uh sort of

2374

01:48:49,250 --> 01:48:47,580

not having the essentials they're just

2375

01:48:50,810 --> 01:48:49,260

focused on like you said how do I put

2376

01:48:53,270 --> 01:48:50,820

food in my mouth so that for them to

2377

01:48:55,370 --> 01:48:53,280

have this wider perspective it's not up

2378

01:48:59,750 --> 01:48:55,380

to them it's up to us who can have the

2379

01:49:02,450 --> 01:48:59,760

conversation to spread the awareness and

2380

01:49:05,750 --> 01:49:02,460

for us to continue to to do the Deep

2381

01:49:08,870 --> 01:49:05,760

dive do the search figure out in our in

2382

01:49:10,669 --> 01:49:08,880

in our uh private times like I spend a

2383

01:49:12,410 --> 01:49:10,679

lot of my time researching and trying to

2384

01:49:14,870 --> 01:49:12,420

find you know as you do with the energy

2385

01:49:17,689 --> 01:49:14,880

uh Paradigm and trying to figure out

2386

01:49:19,970 --> 01:49:17,699

okay how close are we or or who do I

2387

01:49:22,189 --> 01:49:19,980

know that can maybe do something what is

2388

01:49:25,010 --> 01:49:22,199

what is Nasim up to in his lab you know

2389

01:49:25,790 --> 01:49:25,020

what are where how far are we from these

2390

01:49:28,310 --> 01:49:25,800

um

2391

01:49:31,910 --> 01:49:28,320

from these discoveries and then how do

2392

01:49:34,209 --> 01:49:31,920

we uh uh educate as many people as that

2393

01:49:36,770 --> 01:49:34,219

we can to know that it's even possible

2394

01:49:39,229 --> 01:49:36,780

get the scientific Community get their

2395

01:49:42,050 --> 01:49:39,239

heads out of their butts and to to get

2396

01:49:43,790 --> 01:49:42,060

them into uh thinking out of the box so

2397

01:49:45,890 --> 01:49:43,800

these new inventions and these new ways

2398

01:49:48,350 --> 01:49:45,900

of doing things can then make it to

2399

01:49:51,530 --> 01:49:48,360

those third world countries so we can

2400

01:49:54,410 --> 01:49:51,540

allow those people so so food isn't the

2401

01:49:57,350 --> 01:49:54,420

first thing that they're focused on but

2402

01:49:59,689 --> 01:49:57,360

hey every day is survival it's every day

2403

01:50:02,870 --> 01:49:59,699

is survival every day is survival and

2404

01:50:06,770 --> 01:50:02,880

and this is what frustrates me man when

2405

01:50:09,229 --> 01:50:06,780

uh I I I can do it right now I can do it

2406

01:50:11,450 --> 01:50:09,239

right now I can open up my phone I can

2407

01:50:14,750 --> 01:50:11,460

go to Twitter I can go to my home feed

2408

01:50:18,709 --> 01:50:14,760

right and and I'll click on this and

2409

01:50:21,410 --> 01:50:18,719

there'll be a tweet in here from Elon uh

2410

01:50:24,709 --> 01:50:21,420

uh I'm just scrolling down uh you know

2411

01:50:26,109 --> 01:50:24,719

that that'll say he says my pronouns are

2412

01:50:29,629 --> 01:50:26,119

uh

2413

01:50:31,930 --> 01:50:29,639

who gives a crap

2414

01:50:34,790 --> 01:50:31,940

it's the most important

2415

01:50:38,330 --> 01:50:34,800

I think those are great pronouns but

2416

01:50:40,370 --> 01:50:38,340

yeah yeah and and and and and that this

2417

01:50:44,530 --> 01:50:40,380

the richest guy in the world right the

2418

01:50:49,609 --> 01:50:44,540

richest guy in the world that feels that

2419

01:50:55,010 --> 01:50:49,619

those words that his time to to

2420

01:50:58,310 --> 01:50:55,020

broadcast that is valuable uh important

2421

01:51:01,729 --> 01:50:58,320

no no and that that's the crazy part

2422

01:51:05,689 --> 01:51:01,739

it's about he thinks it's important

2423

01:51:08,270 --> 01:51:05,699

right and and it's it sense it is though

2424

01:51:12,310 --> 01:51:08,280

I mean the the Twitter uh the Twitter

2425

01:51:17,270 --> 01:51:12,320

files have been huge for crap

2426
01:51:19,729 --> 01:51:17,280
you know I I would say uh all the uh the

2427
01:51:22,250 --> 01:51:19,739
moms and all the people and all the

2428
01:51:25,910 --> 01:51:22,260
victims of pedophilia out there are

2429
01:51:27,770 --> 01:51:25,920
really excited right okay you can play

2430
01:51:30,350 --> 01:51:27,780
you can play that card if you want and

2431
01:51:32,390 --> 01:51:30,360
and and it should be important and it is

2432
01:51:34,490 --> 01:51:32,400
important no question about it that's

2433
01:51:36,830 --> 01:51:34,500
that's not what I'm talking about what

2434
01:51:38,689 --> 01:51:36,840
I'm talking about is we need to worry

2435
01:51:42,290 --> 01:51:38,699
about today

2436
01:51:45,649 --> 01:51:42,300
the now now and tomorrow

2437
01:51:47,930 --> 01:51:45,659
that's the that's what those people out

2438
01:51:49,790 --> 01:51:47,940

there that are starving that are

2439

01:51:52,669 --> 01:51:49,800

wondering how they're going to stay warm

2440

01:51:55,550 --> 01:51:52,679

enough and their kids to survive through

2441

01:51:59,030 --> 01:51:55,560

a night that's important

2442

01:52:02,629 --> 01:51:59,040

that's important what what did tweeting

2443

01:52:06,169 --> 01:52:02,639

and flaming and this and that and and if

2444

01:52:08,390 --> 01:52:06,179

it's not important it's truly not it's

2445

01:52:09,709 --> 01:52:08,400

truly not you know what's important it

2446

01:52:12,649 --> 01:52:09,719

depends though because these Twitter

2447

01:52:16,370 --> 01:52:12,659

files are super huge like what's those

2448

01:52:20,090 --> 01:52:16,380

Twitter files or anything else build a

2449

01:52:22,310 --> 01:52:20,100

school in Zimbabwe no they don't and

2450

01:52:24,050 --> 01:52:22,320

well maybe maybe they don't because we

2451

01:52:27,050 --> 01:52:24,060

don't need any more schools in Zimbabwe

2452

01:52:29,570 --> 01:52:27,060

maybe we need maybe we need uh maybe the

2453

01:52:31,790 --> 01:52:29,580

whole schooling system is is been uh

2454

01:52:34,669 --> 01:52:31,800

throwing us uh down the wrong direction

2455

01:52:37,189 --> 01:52:34,679

in the humanities Evolution maybe we

2456

01:52:39,109 --> 01:52:37,199

need to unschool the kids in Zimbabwe

2457

01:52:41,810 --> 01:52:39,119

and give them an alternative that's not

2458

01:52:44,750 --> 01:52:41,820

the same traditional Rockefeller built

2459

01:52:47,629 --> 01:52:44,760

school system that has imprisoned and

2460

01:52:50,689 --> 01:52:47,639

kept Humanity from expanding all these

2461

01:52:53,990 --> 01:52:50,699

years so you know there's there is

2462

01:52:55,550 --> 01:52:54,000

valid-ness to uh what Elon is doing with

2463

01:52:57,350 --> 01:52:55,560

Twitter right now I think it's amazing

2464

01:52:58,910 --> 01:52:57,360

in what he's doing with Twitter I think

2465

01:53:02,149 --> 01:52:58,920

the the

2466

01:53:03,770 --> 01:53:02,159

um the exposures and of the corruption

2467

01:53:06,830 --> 01:53:03,780

that's gone through our political

2468

01:53:08,990 --> 01:53:06,840

systems and through our uh social media

2469

01:53:12,050 --> 01:53:09,000

systems I think it's it has a lot of

2470

01:53:14,990 --> 01:53:12,060

Merit and a lot of weight so uh you know

2471

01:53:17,330 --> 01:53:15,000

and it could very well go to effect uh

2472

01:53:21,169 --> 01:53:17,340

you know kids in Zimbabwe in their in in

2473

01:53:23,570 --> 01:53:21,179

the future of humanity uh I I know

2474

01:53:26,149 --> 01:53:23,580

um uh Twitter may not see much for many

2475

01:53:27,770 --> 01:53:26,159

people but right now it's the only free

2476

01:53:29,810 --> 01:53:27,780

speech platform it's the largest Free

2477

01:53:33,470 --> 01:53:29,820

Speech platform we have now where before

2478

01:53:35,510 --> 01:53:33,480

we had to go to bit shoot or dtube uh

2479

01:53:37,850 --> 01:53:35,520

Rumble you know these other places that

2480

01:53:40,010 --> 01:53:37,860

never really took off because Collective

2481

01:53:42,470 --> 01:53:40,020

Humanities looking at Twitter so Twitter

2482

01:53:43,850 --> 01:53:42,480

is an amazing space right now that we

2483

01:53:46,310 --> 01:53:43,860

can share and disseminate information

2484

01:53:48,129 --> 01:53:46,320

and I can talk now about free energy and

2485

01:53:51,229 --> 01:53:48,139

not worry about get sent and right

2486

01:53:56,030 --> 01:53:51,239

getting censored yeah yeah yeah and I

2487

01:53:59,750 --> 01:53:56,040

see that part of it and uh for me uh

2488

01:54:01,310 --> 01:53:59,760

I don't let Twitter affect me right well

2489

01:54:02,990 --> 01:54:01,320

that's that's good yeah we shouldn't let

2490

01:54:06,890 --> 01:54:03,000

Twitter affect us that's I agree with

2491

01:54:10,430 --> 01:54:06,900

that I used it you know I use it uh the

2492

01:54:13,490 --> 01:54:10,440

way that uh I am able to adapt uh I use

2493

01:54:18,050 --> 01:54:13,500

Twitter like it's my own company I own

2494

01:54:20,209 --> 01:54:18,060

it and so I use it uh for this show to

2495

01:54:22,070 --> 01:54:20,219

communicate to spread the word about my

2496

01:54:24,169 --> 01:54:22,080

guests that are coming on the show like

2497

01:54:27,649 --> 01:54:24,179

you and that's it

2498

01:54:30,410 --> 01:54:27,659

yeah I I milk it man I use it for

2499

01:54:34,930 --> 01:54:30,420

everything that it's worth for me like

2500

01:54:37,850 --> 01:54:34,940

it's my own platform everything else

2501

01:54:40,189 --> 01:54:37,860

let it affect me I don't I don't care

2502

01:54:41,870 --> 01:54:40,199

yeah yeah I mean that's that's the

2503

01:54:44,810 --> 01:54:41,880

healthy view that's the best way to do

2504

01:54:46,129 --> 01:54:44,820

it and I think I hear what you're saying

2505

01:54:48,890 --> 01:54:46,139

there's a lot of people out there that

2506

01:54:51,050 --> 01:54:48,900

are you know I saw some some uh meme

2507

01:54:52,910 --> 01:54:51,060

today some somebody was getting affected

2508

01:54:55,370 --> 01:54:52,920

because these uh meat emojis were

2509

01:54:56,870 --> 01:54:55,380

getting uh pushed and they were I guess

2510

01:54:59,450 --> 01:54:56,880

they were vegan or something so they

2511

01:55:03,290 --> 01:54:59,460

were uh and I used to be a vegan but um

2512

01:55:05,750 --> 01:55:03,300

they they were crying because uh Apple

2513

01:55:07,550 --> 01:55:05,760

won't take the meat emojis away you know

2514

01:55:09,950 --> 01:55:07,560

that's the ridiculous stuff that we're

2515

01:55:13,370 --> 01:55:09,960

seeing on Twitter that doesn't matter

2516

01:55:15,649 --> 01:55:13,380

and yes I agree with your yeah Twitter

2517

01:55:18,410 --> 01:55:15,659

doesn't mean anything especially in that

2518

01:55:21,350 --> 01:55:18,420

sense but there's uh you know there's

2519

01:55:23,209 --> 01:55:21,360

yeah there's for the most part Twitter

2520

01:55:24,470 --> 01:55:23,219

is meaningless but there is some

2521

01:55:27,470 --> 01:55:24,480

interesting things that are happening of

2522

01:55:30,590 --> 01:55:27,480

late uh recently that since Elon took

2523

01:55:32,810 --> 01:55:30,600

over I do think Twitter has a space now

2524

01:55:34,430 --> 01:55:32,820

like it's more meaningful now all these

2525

01:55:38,090 --> 01:55:34,440

past couple weeks and then ever has been

2526

01:55:41,270 --> 01:55:38,100

and I'll I'll never know you know I'll

2527

01:55:45,350 --> 01:55:41,280

never know I I it's it's a Zone uh that

2528

01:55:48,290 --> 01:55:45,360

that I personally uh don't go into and

2529

01:55:50,629 --> 01:55:48,300

and the and I don't want to be callous

2530

01:55:55,010 --> 01:55:50,639

or Cavalier about this I understand the

2531

01:56:00,530 --> 01:55:55,020

importance and and things what uh what I

2532

01:56:03,410 --> 01:56:00,540

don't enjoy is the ability for people to

2533

01:56:05,570 --> 01:56:03,420

to fight in another level that they

2534

01:56:09,430 --> 01:56:05,580

would never do and I know that ever

2535

01:56:12,050 --> 01:56:09,440

right where I know I know

2536

01:56:14,810 --> 01:56:12,060

like I'm speaking as fact when somebody

2537

01:56:17,330 --> 01:56:14,820

is tweeting some something negative I

2538

01:56:19,070 --> 01:56:17,340

don't know that person I don't know what

2539

01:56:20,810 --> 01:56:19,080

their background is I don't know what

2540

01:56:23,030 --> 01:56:20,820

their personal thing is I don't know if

2541

01:56:25,970 --> 01:56:23,040

their dog died that day I don't know I

2542

01:56:29,810 --> 01:56:25,980

don't know anything about them or their

2543

01:56:32,689 --> 01:56:29,820

personal life but I can say with a

2544

01:56:35,270 --> 01:56:32,699

pretty good amount of confidence that

2545

01:56:38,450 --> 01:56:35,280

they wouldn't come over to my house as a

2546

01:56:40,850 --> 01:56:38,460

guest and say those things right right

2547

01:56:43,910 --> 01:56:40,860

yeah they wouldn't go to their parents

2548

01:56:46,250 --> 01:56:43,920

house and sit down at dinner and and go

2549

01:56:48,350 --> 01:56:46,260

oh yeah well you know what no I I just

2550

01:56:50,990 --> 01:56:48,360

don't think that they would

2551

01:56:53,030 --> 01:56:51,000

um and so social media in general yeah

2552

01:56:55,129 --> 01:56:53,040

it's created this weird disconnect

2553

01:56:58,070 --> 01:56:55,139

people's yeah it's affected people's

2554

01:57:01,070 --> 01:56:58,080

minds and then people read that and then

2555

01:57:03,050 --> 01:57:01,080

they are affected by it yeah and that's

2556

01:57:05,270 --> 01:57:03,060

the part that no I don't have the

2557

01:57:08,330 --> 01:57:05,280

sharing of information yeah personal

2558

01:57:11,270 --> 01:57:08,340

attacks and yeah that's all you would

2559

01:57:13,729 --> 01:57:11,280

never do in public right yeah that's not

2560

01:57:15,470 --> 01:57:13,739

how I was raised you know and yeah

2561

01:57:18,229 --> 01:57:15,480

that's that's part of this maturity that

2562

01:57:20,270 --> 01:57:18,239

Humanity needs to to sort of you know

2563

01:57:21,830 --> 01:57:20,280

these are the The Growing Pains through

2564

01:57:24,770 --> 01:57:21,840

these new technologies and different

2565

01:57:28,310 --> 01:57:24,780

platforms and you know we've had crazy

2566

01:57:29,990 --> 01:57:28,320

past couple of years of just uh

2567

01:57:32,030 --> 01:57:30,000

um what a whirlwind we've been through

2568

01:57:35,270 --> 01:57:32,040

when it comes to our social media spaces

2569

01:57:37,370 --> 01:57:35,280

the media in general you know uh thank

2570

01:57:40,370 --> 01:57:37,380

God for Fade to Black for having some

2571

01:57:42,310 --> 01:57:40,380

sort of you know uh decent conversations

2572

01:57:46,250 --> 01:57:42,320

every night

2573

01:57:48,050 --> 01:57:46,260

see and what we're doing here but this

2574

01:57:49,729 --> 01:57:48,060

is this is beautiful

2575

01:57:53,510 --> 01:57:49,739

right

2576

01:57:57,050 --> 01:57:53,520

um and and but that that uh

2577

01:57:58,910 --> 01:57:57,060

uh anyway this is beautiful that's what

2578

01:58:01,490 --> 01:57:58,920

I had no I I I'm we're definitely

2579

01:58:04,189 --> 01:58:01,500

agreeance on that I just think

2580

01:58:06,649 --> 01:58:04,199

um there's a lot of potential to it's

2581

01:58:08,750 --> 01:58:06,659

and and I'm not full in on Eon too I'm

2582

01:58:10,570 --> 01:58:08,760

like hey we gotta this guy he's got the

2583

01:58:14,350 --> 01:58:10,580

neural Lake thing that's going that's

2584

01:58:20,570 --> 01:58:18,649

and owns the Rockets uh yeah it's a lot

2585

01:58:23,450 --> 01:58:20,580

of control man there's a lot of control

2586

01:58:27,229 --> 01:58:23,460

and talk about decentralization I'm very

2587

01:58:28,850 --> 01:58:27,239

got a very weary eye on uh you know how

2588

01:58:31,010 --> 01:58:28,860

where this whole Twitter thing goes and

2589

01:58:33,950 --> 01:58:31,020

if he does it you know if he does what

2590

01:58:35,570 --> 01:58:33,960

he's sort of has hinted that takes it

2591

01:58:38,810 --> 01:58:35,580

and goes uh blockchain and

2592

01:58:41,510 --> 01:58:38,820

decentralization with it and that I'm

2593

01:58:44,109 --> 01:58:41,520

super fan then but uh until then I'm

2594

01:58:47,629 --> 01:58:44,119

gonna be watching very uh

2595

01:58:51,530 --> 01:58:47,639

let me let me let me uh chime in here

2596

01:58:54,649 --> 01:58:51,540

yeah I'm a huge Elon fan everybody knows

2597

01:58:58,070 --> 01:58:54,659

everybody's you know here but I'm also

2598

01:58:59,330 --> 01:58:58,080

not stupid right okay so here is here's

2599

01:59:03,709 --> 01:58:59,340

the thing

2600

01:59:07,089 --> 01:59:03,719

just two years ago three years ago a

2601
01:59:10,669 --> 01:59:07,099
year ago Elon

2602
01:59:14,570 --> 01:59:10,679
AI is more dangerous than nuclear

2603
01:59:17,870 --> 01:59:14,580
weapons right okay all right okay okay

2604
01:59:20,629 --> 01:59:17,880
now let's let's let's stop and unpack

2605
01:59:23,870 --> 01:59:20,639
that statement for a second because the

2606
01:59:27,109 --> 01:59:23,880
guy that said that

2607
01:59:29,570 --> 01:59:27,119
not only owns starlink and and owns the

2608
01:59:30,830 --> 01:59:29,580
Rockets uh to put those satellites in

2609
01:59:34,129 --> 01:59:30,840
space

2610
01:59:36,589 --> 01:59:34,139
um owns a an AI driven robot that he's

2611
01:59:39,109 --> 01:59:36,599
getting ready to sell in your house he's

2612
01:59:42,229 --> 01:59:39,119
developing neuraling chips to put into

2613
01:59:46,250 --> 01:59:42,239

your head right uh to access the

2614

01:59:50,510 --> 01:59:46,260

internet and now owns an AI driven bot

2615

01:59:54,589 --> 01:59:50,520

driven social media platform and now has

2616

01:59:58,910 --> 01:59:54,599

all the components and to share that AI

2617

02:00:01,790 --> 01:59:58,920

now now ai is not so bad to Elon but the

2618

02:00:05,149 --> 02:00:01,800

warnings that he gave so now is it is it

2619

02:00:08,270 --> 02:00:05,159

is it hypocrisy is it a hypocritical

2620

02:00:10,550 --> 02:00:08,280

thing or is there is there something

2621

02:00:15,609 --> 02:00:10,560

else here where now the richest man in

2622

02:00:18,649 --> 02:00:15,619

the world owns everything to be Skynet

2623

02:00:22,810 --> 02:00:18,659

and so when you talk about decentralized

2624

02:00:26,209 --> 02:00:22,820

well actually he is the most centralized

2625

02:00:30,430 --> 02:00:26,219

controlling figure in the history of of

2626
02:00:35,689 --> 02:00:32,750
history of mankind but pretty close I

2627
02:00:38,270 --> 02:00:35,699
think the US government nobody

2628
02:00:41,089 --> 02:00:38,280
and they're not Jesus Christ didn't have

2629
02:00:42,310 --> 02:00:41,099
this kind of power Google has quite a

2630
02:00:44,450 --> 02:00:42,320
little bit

2631
02:00:47,750 --> 02:00:44,460
yeah I'll tell you what Google doesn't

2632
02:00:49,850 --> 02:00:47,760
have they don't have Tesla I'll tell you

2633
02:00:52,910 --> 02:00:49,860
what Google doesn't have they don't have

2634
02:00:56,450 --> 02:00:52,920
SpaceX I can tell you what Google

2635
02:00:59,510 --> 02:00:56,460
doesn't have they don't have Twitter

2636
02:01:03,890 --> 02:00:59,520
and Google Google

2637
02:01:05,589 --> 02:01:03,900
um uh obviously right Android Google

2638
02:01:09,890 --> 02:01:05,599

Chrome

2639

02:01:12,649 --> 02:01:09,900

again I'm not dumb but it's not Elon

2640

02:01:15,109 --> 02:01:12,659

power right yeah and so when we're

2641

02:01:19,129 --> 02:01:15,119

talking about a decentralized system

2642

02:01:22,089 --> 02:01:19,139

right now he has wrestled control of the

2643

02:01:30,589 --> 02:01:25,430

it's a frightening thing and and nobody

2644

02:01:33,589 --> 02:01:30,599

and because it is a worldwide situation

2645

02:01:36,050 --> 02:01:33,599

right now with Elon there isn't one

2646

02:01:39,350 --> 02:01:36,060

single country that can step in this

2647

02:01:42,530 --> 02:01:39,360

isn't a an a a United States thing it's

2648

02:01:46,370 --> 02:01:42,540

not even a China thing it's not nobody

2649

02:01:49,490 --> 02:01:46,380

can do anything right now because of how

2650

02:01:52,189 --> 02:01:49,500

he has absolutely dominated each fear

2651
02:01:54,169 --> 02:01:52,199
that he has stepped into you know uh to

2652
02:01:56,350 --> 02:01:54,179
the point of you know self-driving guy

2653
02:01:58,629 --> 02:01:56,360
dude he owns the lithium industry

2654
02:02:02,570 --> 02:01:58,639
batteries I mean it's just like

2655
02:02:05,390 --> 02:02:02,580
everything very smart man very soon

2656
02:02:08,810 --> 02:02:05,400
super smart and and I agree we

2657
02:02:13,850 --> 02:02:08,820
definitely need to keep a a watchful eye

2658
02:02:14,629 --> 02:02:13,860
on him and his operation and just be as

2659
02:02:17,810 --> 02:02:14,639
um

2660
02:02:20,570 --> 02:02:17,820
uh educated through you know having the

2661
02:02:22,729 --> 02:02:20,580
view that you have and and in cautious I

2662
02:02:24,649 --> 02:02:22,739
am I'm loving what he's doing but I'm

2663
02:02:27,350 --> 02:02:24,659

also we're all I think most of us are

2664

02:02:29,450 --> 02:02:27,360

like okay where's this all going let's

2665

02:02:31,370 --> 02:02:29,460

let's see where this goes so I'm I'm

2666

02:02:34,250 --> 02:02:31,380

with you there I'm totally with you but

2667

02:02:37,310 --> 02:02:34,260

but who who has the juice

2668

02:02:40,070 --> 02:02:37,320

really who has to choose to step in and

2669

02:02:43,310 --> 02:02:40,080

say ah this is too much

2670

02:02:45,950 --> 02:02:43,320

is the answer nobody I think the people

2671

02:02:47,870 --> 02:02:45,960

I think when the people

2672

02:02:51,470 --> 02:02:47,880

um and I think he knows this I think

2673

02:02:54,229 --> 02:02:51,480

that's why he he he got Twitter and got

2674

02:02:56,330 --> 02:02:54,239

the uh he's getting the people and he

2675

02:02:58,189 --> 02:02:56,340

knows he knows where he's you know when

2676

02:03:00,830 --> 02:02:58,199

you own a social media company you can

2677

02:03:03,950 --> 02:03:00,840

you you have all the algorithms and you

2678

02:03:05,750 --> 02:03:03,960

can see the sort of the pulse on where

2679

02:03:10,189 --> 02:03:05,760

people are at with their thinking and

2680

02:03:12,709 --> 02:03:10,199

and whatnot so uh he's playing as most

2681

02:03:15,410 --> 02:03:12,719

of the social media uh operators they

2682

02:03:18,530 --> 02:03:15,420

have it's it's like they I'm sure they

2683

02:03:20,750 --> 02:03:18,540

have uh whole offices filled with

2684

02:03:23,570 --> 02:03:20,760

psychologists that are reading you know

2685

02:03:25,310 --> 02:03:23,580

all the reactions and and algorithms and

2686

02:03:26,689 --> 02:03:25,320

how people are you know you put this out

2687

02:03:29,510 --> 02:03:26,699

there how people are going to react to

2688

02:03:31,669 --> 02:03:29,520

that so I'm sure he's doing his uh

2689

02:03:34,490 --> 02:03:31,679

research on that sense and how we're all

2690

02:03:37,550 --> 02:03:34,500

reacting and and and taking all this

2691

02:03:39,950 --> 02:03:37,560

information in and um

2692

02:03:42,109 --> 02:03:39,960

and hopefully he just continues to go

2693

02:03:44,930 --> 02:03:42,119

where the people are going and where the

2694

02:03:47,510 --> 02:03:44,940

people want to go uh but if that turns

2695

02:03:49,250 --> 02:03:47,520

at any point yeah then then we all need

2696

02:03:49,970 --> 02:03:49,260

to make sure we're not

2697

02:03:52,370 --> 02:03:49,980

um

2698

02:03:55,490 --> 02:03:52,380

uh drinking the Elon Kool-Aid and get

2699

02:03:59,330 --> 02:03:55,500

sucked into the to the you know to the

2700

02:04:02,390 --> 02:03:59,340

to the cult the Elon cult have you

2701
02:04:04,910 --> 02:04:02,400
um have you you know look Ben you're

2702
02:04:06,950 --> 02:04:04,920
from Hollywood right you know you've

2703
02:04:10,070 --> 02:04:06,960
you've done all that you can you

2704
02:04:12,169 --> 02:04:10,080
understand Ai and and video games and

2705
02:04:14,089 --> 02:04:12,179
and these Concepts you get all of that

2706
02:04:15,709 --> 02:04:14,099
that's what you know that's that's that

2707
02:04:18,290 --> 02:04:15,719
you know that's your foundation and

2708
02:04:19,750 --> 02:04:18,300
that's what I love about you but have

2709
02:04:23,870 --> 02:04:19,760
you seen

2710
02:04:25,370 --> 02:04:23,880
uh uh a set of software called satellite

2711
02:04:28,010 --> 02:04:25,380
map

2712
02:04:29,390 --> 02:04:28,020
okay write that down I like your

2713
02:04:34,370 --> 02:04:29,400

reaction to that just write that down

2714

02:04:36,350 --> 02:04:34,380

light map it's a it's an unbelievable uh

2715

02:04:38,390 --> 02:04:36,360

oh I think I have seen this yeah it's

2716

02:04:41,390 --> 02:04:38,400

crazy the number of satellites in orbit

2717

02:04:43,310 --> 02:04:41,400

right you can look at every single every

2718

02:04:45,950 --> 02:04:43,320

single aspect that you want to look at

2719

02:04:47,629 --> 02:04:45,960

you can look at obviously orbits and

2720

02:04:51,109 --> 02:04:47,639

altitudes you can do that but you can go

2721

02:04:53,149 --> 02:04:51,119

down to the the individual level of the

2722

02:04:54,290 --> 02:04:53,159

satellite what it is who owns it and so

2723

02:04:56,689 --> 02:04:54,300

forth

2724

02:04:59,930 --> 02:04:56,699

um but uh and what is active and what is

2725

02:05:02,510 --> 02:04:59,940

an active is a brilliant it's one of the

2726

02:05:06,109 --> 02:05:02,520

best things on the internet period but

2727

02:05:09,490 --> 02:05:06,119

when you just go to satellite map and

2728

02:05:17,570 --> 02:05:12,890

you look at what is going on right now

2729

02:05:21,229 --> 02:05:17,580

with starlink uh don't be fooled uh when

2730

02:05:23,510 --> 02:05:21,239

uh we we take these ideas and these

2731

02:05:26,689 --> 02:05:23,520

Concepts and we go to Hollywood and we

2732

02:05:28,609 --> 02:05:26,699

talk about Skynet and and and Terminator

2733

02:05:30,950 --> 02:05:28,619

and everything else and that you know

2734

02:05:32,390 --> 02:05:30,960

all you know science fiction it'll never

2735

02:05:33,530 --> 02:05:32,400

happen but you know hey you know the

2736

02:05:36,709 --> 02:05:33,540

warning signs are there and everything

2737

02:05:39,050 --> 02:05:36,719

go look at go look at satellite map and

2738

02:05:43,430 --> 02:05:39,060

and and look at starlink and what it

2739

02:05:50,510 --> 02:05:43,440

represents right now it's in sane

2740

02:05:54,470 --> 02:05:50,520

it's insane it's insane and he owns it

2741

02:05:56,510 --> 02:05:54,480

yep he owns the distribution network uh

2742

02:06:00,129 --> 02:05:56,520

you know he's got the Rockets he's got

2743

02:06:03,109 --> 02:06:00,139

the SpaceX and and every other component

2744

02:06:04,790 --> 02:06:03,119

of the craziest science fiction

2745

02:06:06,109 --> 02:06:04,800

nightmare that you can put together in

2746

02:06:10,669 --> 02:06:06,119

your mind

2747

02:06:13,129 --> 02:06:10,679

it's it's it's done the whole system

2748

02:06:16,129 --> 02:06:13,139

is complete all the way down to neural

2749

02:06:17,990 --> 02:06:16,139

link and and did you see his uh

2750

02:06:20,149 --> 02:06:18,000

presentations two months ago you can

2751

02:06:24,649 --> 02:06:20,159

look at it on the internet

2752

02:06:39,310 --> 02:06:24,659

um uh him introducing uh his his robot

2753

02:06:44,270 --> 02:06:42,470

Reuben you're the best man and and I

2754

02:06:46,070 --> 02:06:44,280

can't wait we're gonna be hitting the

2755

02:06:48,229 --> 02:06:46,080

high seas here uh pretty soon we're

2756

02:06:51,169 --> 02:06:48,239

gonna go out and do that what's up next

2757

02:06:53,450 --> 02:06:51,179

for you uh the next movie the next

2758

02:06:55,729 --> 02:06:53,460

series what's going on I'm working on a

2759

02:06:58,910 --> 02:06:55,739

series right now it's called Uh quest of

2760

02:07:01,010 --> 02:06:58,920

the Crystal Skull and uh it's it's we've

2761

02:07:02,750 --> 02:07:01,020

been following uh skull keeper Bill

2762

02:07:06,530 --> 02:07:02,760

Holman around for the past couple years

2763

02:07:08,930 --> 02:07:06,540

my buddy Steve and I and it's been a

2764

02:07:13,070 --> 02:07:08,940

wild Journey we're deep in editing right

2765

02:07:15,770 --> 02:07:13,080

now and uh I got some stuff to share in

2766

02:07:20,089 --> 02:07:15,780

a presentation on the cruise uh sort of

2767

02:07:23,330 --> 02:07:20,099

around uh ancient civilizations and this

2768

02:07:26,689 --> 02:07:23,340

this wild world of crystal skulls and

2769

02:07:29,870 --> 02:07:26,699

different artifacts that sort of confirm

2770

02:07:31,970 --> 02:07:29,880

um Legends of Atlantis and and uh Graham

2771

02:07:34,729 --> 02:07:31,980

Hancock's work it all correlates and

2772

02:07:36,530 --> 02:07:34,739

with that and so it's and Robert Grant's

2773

02:07:39,530 --> 02:07:36,540

work um it's gonna be fun to have him

2774

02:07:40,790 --> 02:07:39,540

and Adam on this on the cruise as well I

2775

02:07:43,070 --> 02:07:40,800

think it'll be a good time but yeah

2776

02:07:45,290 --> 02:07:43,080

that's that's been taking up most of my

2777

02:07:47,470 --> 02:07:45,300

time is this Crystal Skull project

2778

02:07:49,850 --> 02:07:47,480

which uh you've been uh

2779

02:07:52,870 --> 02:07:49,860

I remember talking to you about this two

2780

02:07:57,709 --> 02:07:55,910

we got 13 episodes now where it was

2781

02:07:59,390 --> 02:07:57,719

going to be a film and then now then

2782

02:08:02,770 --> 02:07:59,400

three parts film and then now we're at

2783

02:08:05,390 --> 02:08:02,780

like a 13 episode miniseries

2784

02:08:07,910 --> 02:08:05,400

thank you sorry not even miniseries it's

2785

02:08:09,709 --> 02:08:07,920

a full series uh look at look at this

2786

02:08:12,229 --> 02:08:09,719

comment right here uh hold on for a

2787

02:08:14,450 --> 02:08:12,239

second uh not that one have a good time

2788

02:08:19,570 --> 02:08:14,460

Reuben good show is this one I feel like

2789

02:08:25,729 --> 02:08:22,689

oh man ah

2790

02:08:29,810 --> 02:08:25,739

these are great conversations you know

2791

02:08:31,669 --> 02:08:29,820

it's it's just that man all I want is uh

2792

02:08:34,729 --> 02:08:31,679

everybody to just keep your eyes open

2793

02:08:36,649 --> 02:08:34,739

and don't go all in don't go all in

2794

02:08:39,470 --> 02:08:36,659

anything

2795

02:08:42,109 --> 02:08:39,480

don't just don't just don't go don't go

2796

02:08:44,270 --> 02:08:42,119

all in on the dollar don't go all in on

2797

02:08:46,850 --> 02:08:44,280

bitcoin don't go walking on Twitter

2798

02:08:49,430 --> 02:08:46,860

don't go all in on the internet don't go

2799

02:08:53,830 --> 02:08:49,440

all in on conspiracy theory don't go all

2800

02:08:56,510 --> 02:08:53,840

in on me or Reuben I wouldn't trust

2801

02:08:57,129 --> 02:08:56,520

as far as you can throw me right

2802

02:08:59,810 --> 02:08:57,139

um

2803

02:09:01,910 --> 02:08:59,820

what would you what you said earlier too

2804

02:09:03,169 --> 02:09:01,920

you you know we were talking about uh I

2805

02:09:04,370 --> 02:09:03,179

think even before we got on the show you

2806

02:09:06,470 --> 02:09:04,380

were like talking about all these

2807

02:09:09,050 --> 02:09:06,480

different people and different ideas and

2808

02:09:10,850 --> 02:09:09,060

Concepts getting uh thrown at you and

2809

02:09:12,350 --> 02:09:10,860

you and you said you know you know who I

2810

02:09:14,209 --> 02:09:12,360

believe and I was like who who do you

2811

02:09:17,450 --> 02:09:14,219

who do you believe you know you said I

2812

02:09:19,010 --> 02:09:17,460

believe me and I and and I that I was

2813

02:09:22,550 --> 02:09:19,020

like that's the best answer you could

2814

02:09:25,010 --> 02:09:22,560

give and I hope your audience uh can can

2815

02:09:27,830 --> 02:09:25,020

take that that they also should believe

2816

02:09:29,870 --> 02:09:27,840

in themselves and be Discerning with

2817

02:09:31,189 --> 02:09:29,880

everything and I think your advice and I

2818

02:09:33,530 --> 02:09:31,199

love your platform and your show and

2819

02:09:35,390 --> 02:09:33,540

your message because I even though we

2820

02:09:38,450 --> 02:09:35,400

may not agree on everything I do agree

2821

02:09:40,669 --> 02:09:38,460

100 with that is that everybody should

2822

02:09:43,490 --> 02:09:40,679

be believing in themselves believe in

2823

02:09:45,770 --> 02:09:43,500

yourself and be Discerning and

2824

02:09:47,689 --> 02:09:45,780

especially in in my world of channeling

2825

02:09:49,310 --> 02:09:47,699

and different things absolutely be

2826
02:09:51,770 --> 02:09:49,320
Discerning in that world because that's

2827
02:09:53,290 --> 02:09:51,780
a really crazy world of all kinds of

2828
02:09:57,229 --> 02:09:53,300
stuff

2829
02:09:59,209 --> 02:09:57,239
I love you man I go all in be safe and

2830
02:10:01,550 --> 02:09:59,219
be well I got to get up uh I got to get

2831
02:10:03,609 --> 02:10:01,560
up your way and and hang out and loosen

2832
02:10:07,490 --> 02:10:03,619
up my head a little bit

2833
02:10:09,350 --> 02:10:07,500
hang out in the sleep I know I know it's

2834
02:10:11,149 --> 02:10:09,360
all there I'll talk to you Reuben do you

2835
02:10:13,370 --> 02:10:11,159
Haven be well man thank you Jimmy always

2836
02:10:15,709 --> 02:10:13,380
a pleasure you're the best Reuben

2837
02:10:19,310 --> 02:10:15,719
Langdon Reuben langdon.com it's all

2838
02:10:21,770 --> 02:10:19,320

simple uh links are right there uh just

2839

02:10:23,930 --> 02:10:21,780

just a great mind and and a great friend

2840

02:10:26,930 --> 02:10:23,940

thank you so much Reuben what another

2841

02:10:29,689 --> 02:10:26,940

great show that's how you do it if I can

2842

02:10:31,010 --> 02:10:29,699

project one thing uh to my friends out

2843

02:10:34,609 --> 02:10:31,020

there in the world

2844

02:10:36,410 --> 02:10:34,619

just communicate and talk you can learn

2845

02:10:39,410 --> 02:10:36,420

something from everybody hopefully

2846

02:10:40,430 --> 02:10:39,420

Reuben got something from me tonight a

2847

02:10:42,589 --> 02:10:40,440

little bit

2848

02:10:44,689 --> 02:10:42,599

Fade to Black is produced by Hill J Palm

2849

02:10:46,669 --> 02:10:44,699

Renee Dennis and Kevin webmasters Drew

2850

02:10:48,070 --> 02:10:46,679

the geek music Doug Aldrich intro space

2851
02:10:51,950 --> 02:10:48,080
boy

2852
02:10:54,290 --> 02:10:51,960
produced by kjcr for the game changer

2853
02:10:57,109 --> 02:10:54,300
Network this broadcast is owned and

2854
02:10:59,209 --> 02:10:57,119
copyrighted 2022 by Fade to Black and

2855
02:11:01,370 --> 02:10:59,219
The Game Changer Network Inc it cannot

2856
02:11:03,229 --> 02:11:01,380
be rebroadcast downloaded copied or used

2857
02:11:04,970 --> 02:11:03,239
anywhere in the known universe without

2858
02:11:06,169 --> 02:11:04,980
written permission from Fade to Black in

2859
02:11:08,750 --> 02:11:06,179
the game changer Network I'm your

2860
02:11:10,870 --> 02:11:08,760
chimney Church tomorrow night right here

2861
02:11:13,669 --> 02:11:10,880
Jason sherka

2862
02:11:17,450 --> 02:11:13,679
oh man

2863
02:11:24,620 --> 02:11:17,460

until then everybody be safe

2864

02:11:44,510 --> 02:11:30,340

[Music]
