

FADE TO BLACK

with JIMMY CHURCH

PRESENTS

JASON SHURKA

WHAT IS CONSCIOUSNESS?

WED DEC 14 LIVE

7:00 PM PT/10:00PM ET

1
00:00:35,170 --> 00:00:30,189

[Music]

2
00:00:38,450 --> 00:00:35,180

the smoke radio for the masses of July 8

3
00:00:40,850 --> 00:00:38,460

1947 the Army Air Forces has announced

4
00:00:42,950 --> 00:00:40,860

that applying disc has been found and is

5
00:00:46,010 --> 00:00:42,960

now in the possession of the army

6
00:00:49,729 --> 00:00:46,020

game is rigged change the game game

7
00:00:53,389 --> 00:00:49,739

changer I occasionally think how quickly

8
00:00:56,750 --> 00:00:53,399

our differences worldwide would vanish

9
00:00:58,110 --> 00:00:56,760

if we were facing an alien threat from

10
00:00:59,930 --> 00:00:58,120

outside this work

11
00:01:00,110 --> 00:00:59,940

[Music]

12
00:01:02,410 --> 00:01:00,120

[Applause]

13
00:01:05,329 --> 00:01:02,420

[Music]

14

00:01:08,210 --> 00:01:05,339

this is Fade to Black with your host

15

00:01:08,880 --> 00:01:08,220

Jimmy Church on the game changer Radio

16

00:01:12,289 --> 00:01:08,890

Network

17

00:01:17,210 --> 00:01:15,350

all right welcome Fade to Black I'm your

18

00:01:19,870 --> 00:01:17,220

assuming church today is Wednesday

19

00:01:23,710 --> 00:01:19,880

December 14th

20

00:01:26,270 --> 00:01:23,720

2022 and tonight Our Guest is Jason

21

00:01:29,450 --> 00:01:26,280

shirka and I've called the show what is

22

00:01:32,109 --> 00:01:29,460

consciousness discuss that subject a lot

23

00:01:36,230 --> 00:01:32,119

on Fade to Black trying to get answers

24

00:01:38,929 --> 00:01:36,240

and uh that's it what is consciousness

25

00:01:41,569 --> 00:01:38,939

and I try to ask every single guest over

26
00:01:44,390 --> 00:01:41,579
you know thousands of shows that very

27
00:01:47,030 --> 00:01:44,400
question and tonight we're gonna do uh

28
00:01:49,310 --> 00:01:47,040
the Deep dive Jason is the founder of

29
00:01:51,069 --> 00:01:49,320
unified it's an organization dedicated

30
00:01:54,469 --> 00:01:51,079
to educating

31
00:01:57,469 --> 00:01:54,479
connecting healing Humanity to ensure

32
00:01:59,749 --> 00:01:57,479
that we reach our Collective Destiny of

33
00:02:03,050 --> 00:01:59,759
unity peace and Harmony on planet Earth

34
00:02:06,889 --> 00:02:03,060
his website's unified dot TV that's

35
00:02:09,050 --> 00:02:06,899
unified with a why and unified.com are

36
00:02:11,330 --> 00:02:09,060
in the comments uh Below in the

37
00:02:13,430 --> 00:02:11,340
description and throughout social media

38
00:02:16,550 --> 00:02:13,440

it's really that simple and we'll

39

00:02:18,589 --> 00:02:16,560

discuss all of that uh tonight but first

40

00:02:20,930 --> 00:02:18,599

I would like to welcome back to fade to

41

00:02:23,089 --> 00:02:20,940

black Jason sherka there he is Jason

42

00:02:25,550 --> 00:02:23,099

welcome to fade to black thank you Jimmy

43

00:02:27,589 --> 00:02:25,560

thank you for having me it's uh it's

44

00:02:29,449 --> 00:02:27,599

good to see you my man you look great

45

00:02:31,670 --> 00:02:29,459

thank you I'm doing my best I've been

46

00:02:34,309 --> 00:02:31,680

busy but everything's going well

47

00:02:38,990 --> 00:02:34,319

you know the the conscious community

48

00:02:42,350 --> 00:02:39,000

that that's that's a never-ending right

49

00:02:44,990 --> 00:02:42,360

it's just it's just so awesome and it's

50

00:02:46,970 --> 00:02:45,000

it's kind of like uh you know peeling an

51
00:02:49,790 --> 00:02:46,980
onion uh when it comes to Consciousness

52
00:02:53,390 --> 00:02:49,800
and and I feel that we're gonna jump

53
00:02:58,130 --> 00:02:53,400
straight into it I feel that uh

54
00:03:02,330 --> 00:02:58,140
Consciousness and and Consciousness and

55
00:03:04,670 --> 00:03:02,340
and science are are on a a collision

56
00:03:07,790 --> 00:03:04,680
course something that I think the

57
00:03:11,030 --> 00:03:07,800
conscious uh Community has been asking

58
00:03:15,350 --> 00:03:11,040
for science communities been avoiding it

59
00:03:17,630 --> 00:03:15,360
right and uh so it's not necessarily

60
00:03:19,850 --> 00:03:17,640
Mutual but it's something that can't be

61
00:03:21,830 --> 00:03:19,860
avoided and we'll be discussing all of

62
00:03:23,930 --> 00:03:21,840
that and much more tonight Jason but

63
00:03:27,830 --> 00:03:23,940

first let's do this what's your

64

00:03:29,390 --> 00:03:27,840

definition what is consciousness

65

00:03:31,729 --> 00:03:29,400

I'm going to answer the question a

66

00:03:32,809 --> 00:03:31,739

little differently

67

00:03:35,570 --> 00:03:32,819

um

68

00:03:38,149 --> 00:03:35,580

to define something inherently is to

69

00:03:39,949 --> 00:03:38,159

limit that thing

70

00:03:43,610 --> 00:03:39,959

if we're speaking about Consciousness

71

00:03:46,130 --> 00:03:43,620

it's not something you can Define

72

00:03:48,350 --> 00:03:46,140

truly because that would be to limit

73

00:03:50,990 --> 00:03:48,360

something that's infinite in the first

74

00:03:52,369 --> 00:03:51,000

place with that being said we can give a

75

00:03:54,530 --> 00:03:52,379

definition once we understand that

76

00:03:58,490 --> 00:03:54,540

preface

77

00:04:00,710 --> 00:03:58,500

I would say Consciousness is

78

00:04:02,509 --> 00:04:00,720

I mean the Infinity of existence you

79

00:04:04,729 --> 00:04:02,519

know they're they're their their

80

00:04:06,949 --> 00:04:04,739

existence is consciousness Consciousness

81

00:04:09,729 --> 00:04:06,959

is existence we like thinking in terms

82

00:04:12,170 --> 00:04:09,739

of beginning and creation destruction

83

00:04:14,390 --> 00:04:12,180

those are limited terms in this Physical

84

00:04:16,610 --> 00:04:14,400

Realm but there's a lot more to this

85

00:04:19,069 --> 00:04:16,620

realm there's a lot more to existence

86

00:04:20,750 --> 00:04:19,079

than physicality as we all know science

87

00:04:23,390 --> 00:04:20,760

has proven that as well

88

00:04:25,550 --> 00:04:23,400

I would say Consciousness is the common

89

00:04:27,530 --> 00:04:25,560

denominator between all something that

90

00:04:29,689 --> 00:04:27,540

was never created that can never be

91

00:04:31,610 --> 00:04:29,699

destroyed something that never started

92

00:04:34,010 --> 00:04:31,620

something that will never end it's it's

93

00:04:35,810 --> 00:04:34,020

it's the unified field that connects

94

00:04:37,310 --> 00:04:35,820

everything which is conscious because

95

00:04:39,830 --> 00:04:37,320

everything has order there there's

96

00:04:41,689 --> 00:04:39,840

nothing that's actually random as much

97

00:04:44,270 --> 00:04:41,699

as we want to say that in science the

98

00:04:46,370 --> 00:04:44,280

more they dive deeper into existence the

99

00:04:48,170 --> 00:04:46,380

more they they begin to see well wait a

100

00:04:50,090 --> 00:04:48,180

second there is an order that we just

101
00:04:53,770 --> 00:04:50,100
didn't see up until now

102
00:04:57,350 --> 00:04:53,780
what I have always found interesting

103
00:04:59,629 --> 00:04:57,360
is that we all know and it doesn't

104
00:05:03,230 --> 00:04:59,639
matter if you're a physicist if you're a

105
00:05:06,110 --> 00:05:03,240
school teacher if you're a cook right or

106
00:05:07,730 --> 00:05:06,120
if you're a doofus radio show host it it

107
00:05:10,790 --> 00:05:07,740
doesn't matter

108
00:05:12,650 --> 00:05:10,800
we all know that we can think laugh

109
00:05:14,030 --> 00:05:12,660
write Ponder

110
00:05:19,249 --> 00:05:14,040
cry

111
00:05:22,850 --> 00:05:19,259
uh communicate right talk we we we have

112
00:05:26,029 --> 00:05:22,860
these abilities we know this right but

113
00:05:28,450 --> 00:05:26,039

science just wants to say ah it's

114

00:05:32,570 --> 00:05:28,460

chemistry there's nothing to see here

115

00:05:35,150 --> 00:05:32,580

and it's like they're in denial

116

00:05:36,950 --> 00:05:35,160

and are they in denial is it something

117

00:05:39,290 --> 00:05:36,960

that they're scared of because they

118

00:05:41,570 --> 00:05:39,300

can't measure it

119

00:05:45,950 --> 00:05:41,580

you know I I'm really happy you brought

120

00:05:50,450 --> 00:05:48,590

um so Jason and I uh it was a few weeks

121

00:05:53,629 --> 00:05:50,460

ago now we're talking on the phone

122

00:05:55,490 --> 00:05:53,639

call up Jason so Church man you getting

123

00:05:58,129 --> 00:05:55,500

me on the show I said yeah man let's

124

00:06:02,330 --> 00:05:58,139

let's do this talk about I said

125

00:06:06,170 --> 00:06:02,340

Consciousness it's about you were so uh

126

00:06:08,029 --> 00:06:06,180

excited uh to to just commit a show on

127

00:06:10,370 --> 00:06:08,039

on Consciousness and you know of course

128

00:06:13,730 --> 00:06:10,380

I am too it's the reason why we're doing

129

00:06:16,070 --> 00:06:13,740

this show but uh this this is great and

130

00:06:18,409 --> 00:06:16,080

you're in your element uh this is going

131

00:06:20,090 --> 00:06:18,419

to be awesome absolutely this is this is

132

00:06:23,689 --> 00:06:20,100

what I do really you know that's it's

133

00:06:25,730 --> 00:06:23,699

it's what I'm most motivated to do in

134

00:06:27,529 --> 00:06:25,740

general because it's what speaks to me

135

00:06:29,870 --> 00:06:27,539

the most I think it's what we have to

136

00:06:31,730 --> 00:06:29,880

start diving into as well so

137

00:06:33,350 --> 00:06:31,740

to what we were saying with you know

138

00:06:35,210 --> 00:06:33,360

science and and scientists and

139

00:06:37,010 --> 00:06:35,220

physicists and all them wanting to stick

140

00:06:39,290 --> 00:06:37,020

to the Physical Realm I think you hit it

141

00:06:41,749 --> 00:06:39,300

the nail on the head when

142

00:06:43,249 --> 00:06:41,759

it's really whatever we can measure is

143

00:06:45,110 --> 00:06:43,259

what makes us feel comfortable because

144

00:06:46,430 --> 00:06:45,120

we have a measurement to that and

145

00:06:49,189 --> 00:06:46,440

suddenly when you go into this world

146

00:06:51,650 --> 00:06:49,199

that you can't measure at least with the

147

00:06:53,330 --> 00:06:51,660

tools that we have right now it becomes

148

00:06:55,790 --> 00:06:53,340

very uncomfortable because there's no

149

00:06:57,529 --> 00:06:55,800

certainty so there's a lesson in that

150

00:07:00,050 --> 00:06:57,539

and that lesson is where the ego comes

151
00:07:01,730 --> 00:07:00,060
in the ego likes closure the ego likes

152
00:07:03,890 --> 00:07:01,740
knowing things the ego likes defining

153
00:07:06,469 --> 00:07:03,900
things and by the way the ego is not all

154
00:07:08,870 --> 00:07:06,479
bad we have it for a reason we have it

155
00:07:11,510 --> 00:07:08,880
to to get us through this physical life

156
00:07:13,550 --> 00:07:11,520
it keeps Us Alive it tells us when there

157
00:07:15,710 --> 00:07:13,560
is danger run the opposite direction

158
00:07:17,570 --> 00:07:15,720
because you're going to die because the

159
00:07:20,150 --> 00:07:17,580
ego cannot see beyond physical

160
00:07:22,850 --> 00:07:20,160
limitations so it thinks when the body

161
00:07:24,830 --> 00:07:22,860
dies it's done that's the survival

162
00:07:27,529 --> 00:07:24,840
factor that keeps you alive of the ego

163
00:07:29,089 --> 00:07:27,539

now the wisdom and the knowledge and the

164

00:07:30,409 --> 00:07:29,099

knowingness of the Soul tells you well

165

00:07:34,550 --> 00:07:30,419

wait a second there's something a whole

166

00:07:36,589 --> 00:07:34,560

lot bigger than just the body and by the

167

00:07:38,749 --> 00:07:36,599

way cyan says it too it's called The Law

168

00:07:42,170 --> 00:07:38,759

of Conservation energy cannot be created

169

00:07:44,270 --> 00:07:42,180

or destroyed so on one hand you have

170

00:07:45,950 --> 00:07:44,280

scientists that understand the

171

00:07:47,450 --> 00:07:45,960

foundational law of science as the law

172

00:07:49,370 --> 00:07:47,460

of conservation

173

00:07:51,650 --> 00:07:49,380

which is Limitless if it can't be

174

00:07:53,809 --> 00:07:51,660

created or destroyed there could not

175

00:07:56,089 --> 00:07:53,819

have been a beginning to Creation there

176

00:07:59,089 --> 00:07:56,099

could only be the beginning of a

177

00:08:01,550 --> 00:07:59,099

specific form of creation but a period

178

00:08:03,529 --> 00:08:01,560

of creation exactly it's like an era a

179

00:08:06,350 --> 00:08:03,539

world whatever you want to call it but

180

00:08:07,790 --> 00:08:06,360

that energy that that is creating this

181

00:08:11,510 --> 00:08:07,800

matter and allowing us to experience

182

00:08:14,629 --> 00:08:11,520

life in you know the material has always

183

00:08:16,969 --> 00:08:14,639

existed so it's just a matter of time

184

00:08:19,070 --> 00:08:16,979

until the scientists really have no

185

00:08:20,749 --> 00:08:19,080

choice but to accept that because

186

00:08:22,730 --> 00:08:20,759

they're already saying it and they don't

187

00:08:24,710 --> 00:08:22,740

see it so I want to bring something up

188

00:08:28,730 --> 00:08:24,720

from the Scientific American it was

189

00:08:32,510 --> 00:08:28,740

published on October 6th of 2022 and the

190

00:08:35,389 --> 00:08:32,520

title in quantum physics was about three

191

00:08:38,690 --> 00:08:35,399

individuals quantum physics scientists

192

00:08:40,550 --> 00:08:38,700

Quantum scientists that won the Nobel

193

00:08:43,010 --> 00:08:40,560

Prize in quantum physics for approving

194

00:08:46,070 --> 00:08:43,020

the following the universe is not

195

00:08:47,570 --> 00:08:46,080

locally real and the physics Nobel Prize

196

00:08:48,949 --> 00:08:47,580

winners proved it now what does that

197

00:08:52,070 --> 00:08:48,959

mean for a second

198

00:08:53,449 --> 00:08:52,080

up until now and this ties straight into

199

00:08:56,690 --> 00:08:53,459

Consciousness and how the whole thing

200

00:08:58,490 --> 00:08:56,700

works up until now we've been taught

201
00:09:01,370 --> 00:08:58,500
partly because it's really how we

202
00:09:03,650 --> 00:09:01,380
experience life that there are physical

203
00:09:05,930 --> 00:09:03,660
objects outside of us

204
00:09:08,570 --> 00:09:05,940
and there are things that exist outside

205
00:09:10,070 --> 00:09:08,580
of us and there's something called space

206
00:09:12,230 --> 00:09:10,080
and there's something called time and

207
00:09:14,329 --> 00:09:12,240
there's a distance that we can travel

208
00:09:15,949 --> 00:09:14,339
and granted we we say that because

209
00:09:17,690 --> 00:09:15,959
that's how we experience life you know

210
00:09:20,630 --> 00:09:17,700
today's today tomorrow's tomorrow we

211
00:09:22,850 --> 00:09:20,640
experience time linearly we can travel

212
00:09:25,670 --> 00:09:22,860
from Costa Rica to Hawaii that's

213
00:09:28,630 --> 00:09:25,680

distance but what do they mean when they

214

00:09:32,150 --> 00:09:28,640

say the universe is not locally real

215

00:09:35,210 --> 00:09:32,160

local reality is the reality of

216

00:09:36,370 --> 00:09:35,220

call it division this point that point

217

00:09:39,530 --> 00:09:36,380

that point

218

00:09:41,630 --> 00:09:39,540

fundamentally speaking what they proved

219

00:09:43,610 --> 00:09:41,640

and this article that was published just

220

00:09:45,710 --> 00:09:43,620

about two months ago that's now

221

00:09:48,170 --> 00:09:45,720

groundbreaking and changing everything

222

00:09:49,970 --> 00:09:48,180

for mainstream science and how we

223

00:09:51,530 --> 00:09:49,980

understand reality

224

00:09:53,930 --> 00:09:51,540

it's bringing us to the point of

225

00:09:58,250 --> 00:09:53,940

understanding that reality does not

226

00:10:00,290 --> 00:09:58,260

exist outside of us reality is literally

227

00:10:02,570 --> 00:10:00,300

a mechanism of our Consciousness it's

228

00:10:05,329 --> 00:10:02,580

light flowing through the mechanism of

229

00:10:07,190 --> 00:10:05,339

our Consciousness and being portrayed as

230

00:10:09,410 --> 00:10:07,200

a projection of light that we experience

231

00:10:10,850 --> 00:10:09,420

outside of us now I know that that may

232

00:10:12,170 --> 00:10:10,860

sound all weird so I'm going to break it

233

00:10:14,690 --> 00:10:12,180

down and make it simple

234

00:10:16,670 --> 00:10:14,700

when you go to any website on any

235

00:10:19,670 --> 00:10:16,680

computer okay on a phone a computer

236

00:10:22,130 --> 00:10:19,680

whatever it is youtube.com facebook.com

237

00:10:24,650 --> 00:10:22,140

whatever it is I encourage anybody to do

238

00:10:26,870 --> 00:10:24,660

this right now even on this YouTube live

239

00:10:29,509 --> 00:10:26,880

stream for whoever's watching right

240

00:10:31,370 --> 00:10:29,519

click on the screen and when you right

241

00:10:34,250 --> 00:10:31,380

click on that web page you're going to

242

00:10:36,650 --> 00:10:34,260

get a window of a few tabs that you can

243

00:10:40,730 --> 00:10:36,660

choose from one of those tabs are going

244

00:10:42,410 --> 00:10:40,740

to say view page Source when you click

245

00:10:44,870 --> 00:10:42,420

view page Source you're going to have

246

00:10:48,110 --> 00:10:44,880

another window that opens that shows you

247

00:10:50,569 --> 00:10:48,120

an entire web page of code you're going

248

00:10:52,069 --> 00:10:50,579

to see symbols and characters and

249

00:10:53,389 --> 00:10:52,079

numbers and letters and all these things

250

00:10:55,970 --> 00:10:53,399

and if you're doing it now you'll see

251
00:10:58,610 --> 00:10:55,980
exactly what I mean I'm doing it so so

252
00:11:01,490 --> 00:10:58,620
this is what we call source code

253
00:11:04,430 --> 00:11:01,500
the job of a computer programmer the job

254
00:11:08,150 --> 00:11:04,440
of a web developer is to write that

255
00:11:10,009 --> 00:11:08,160
source code and to create a website that

256
00:11:12,110 --> 00:11:10,019
means that the YouTube page that you're

257
00:11:13,490 --> 00:11:12,120
on right now watching this video seeing

258
00:11:15,829 --> 00:11:13,500
all the videos with the likes and the

259
00:11:18,790 --> 00:11:15,839
shares and the comments and all that fun

260
00:11:21,769 --> 00:11:18,800
stuff doesn't actually exist in that way

261
00:11:24,170 --> 00:11:21,779
it actually exists as a form of source

262
00:11:26,090 --> 00:11:24,180
code so how do we experience it as

263
00:11:28,790 --> 00:11:26,100

youtube.com with a bunch of different

264

00:11:31,490 --> 00:11:28,800

you know videos and space in between the

265

00:11:33,710 --> 00:11:31,500

videos and time that we can watch things

266

00:11:35,750 --> 00:11:33,720

through how does that work that works

267

00:11:38,569 --> 00:11:35,760

because the computer that you're using

268

00:11:40,790 --> 00:11:38,579

has something called a processor and the

269

00:11:44,269 --> 00:11:40,800

components of your computer's processor

270

00:11:47,210 --> 00:11:44,279

that job of those components is to take

271

00:11:49,069 --> 00:11:47,220

that source code decode it and then

272

00:11:51,050 --> 00:11:49,079

project that light onto your computer

273

00:11:52,550 --> 00:11:51,060

screen and give you the experience that

274

00:11:55,130 --> 00:11:52,560

you're experiencing now

275

00:11:57,530 --> 00:11:55,140

what that really means is that a website

276
00:12:00,350 --> 00:11:57,540
like youtube.com does not exist in the

277
00:12:02,150 --> 00:12:00,360
way that we think it exists it exists as

278
00:12:03,889 --> 00:12:02,160
a form of source code the reason why I

279
00:12:06,370 --> 00:12:03,899
share that is because that is how

280
00:12:08,750 --> 00:12:06,380
reality works we have processors

281
00:12:11,030 --> 00:12:08,760
physically and spiritually on the

282
00:12:12,590 --> 00:12:11,040
physical side we have eyes we have ears

283
00:12:15,110 --> 00:12:12,600
we have noses we have nerve endings

284
00:12:17,329 --> 00:12:15,120
what's the job of all those processors

285
00:12:20,389 --> 00:12:17,339
and instruments of our physical bodies

286
00:12:23,870 --> 00:12:20,399
it's to take formless light source code

287
00:12:26,269 --> 00:12:23,880
which is infinite in and of itself and

288
00:12:27,710 --> 00:12:26,279

to decode that and thus project that

289

00:12:30,170 --> 00:12:27,720

outside of us

290

00:12:33,530 --> 00:12:30,180

to experience reality and in that way

291

00:12:36,230 --> 00:12:33,540

without the perceiver there is no

292

00:12:38,269 --> 00:12:36,240

possible way to experience reality in

293

00:12:40,910 --> 00:12:38,279

the first place in other words you need

294

00:12:42,590 --> 00:12:40,920

awareness and Consciousness to be able

295

00:12:45,290 --> 00:12:42,600

to be aware of something in the first

296

00:12:47,230 --> 00:12:45,300

place which is how reality is projected

297

00:12:50,810 --> 00:12:47,240

and created and the last thing I'll say

298

00:12:52,730 --> 00:12:50,820

is Jimmy you have eyes and I have eyes

299

00:12:55,009 --> 00:12:52,740

it looks like we have the same

300

00:12:57,230 --> 00:12:55,019

instruments but you may be able to look

301
00:12:59,569 --> 00:12:57,240
at a person and see an aura around them

302
00:13:03,410 --> 00:12:59,579
you may be able to look at a person and

303
00:13:04,910 --> 00:13:03,420
see a disease of a of a an energetic

304
00:13:07,129 --> 00:13:04,920
flow that's being blocked in their body

305
00:13:09,230 --> 00:13:07,139
and I may not be able to do that but we

306
00:13:12,110 --> 00:13:09,240
have the same eyes so what's the

307
00:13:15,110 --> 00:13:12,120
difference the difference is you have a

308
00:13:16,910 --> 00:13:15,120
processor that may be more advanced that

309
00:13:19,129 --> 00:13:16,920
may be in many cases more pure

310
00:13:21,889 --> 00:13:19,139
spiritually speaking physically speaking

311
00:13:25,250 --> 00:13:21,899
and thus the way that you actually

312
00:13:27,710 --> 00:13:25,260
process that light differs from the way

313
00:13:29,389 --> 00:13:27,720

that I process that light almost like if

314

00:13:31,850 --> 00:13:29,399

you have a computer processor that can

315

00:13:33,829 --> 00:13:31,860

show you videos in 3D versus a computer

316

00:13:36,650 --> 00:13:33,839

processor that just show you videos on a

317

00:13:38,870 --> 00:13:36,660

flat screen of 2D it's the processor

318

00:13:40,730 --> 00:13:38,880

that makes the difference which is why

319

00:13:44,769 --> 00:13:40,740

we experience reality in the first place

320

00:13:47,870 --> 00:13:44,779

and in that way Consciousness is reality

321

00:13:49,970 --> 00:13:47,880

Consciousness is existence and our

322

00:13:52,310 --> 00:13:49,980

mechanism of Consciousness which is what

323

00:13:55,009 --> 00:13:52,320

I explained through that analogy is how

324

00:13:56,870 --> 00:13:55,019

we experience everything outside of us

325

00:13:58,430 --> 00:13:56,880

which is really just a projection of

326

00:14:02,509 --> 00:13:58,440

what's going on with it

327

00:14:06,530 --> 00:14:02,519

is there um and I I hear it's it's sort

328

00:14:07,670 --> 00:14:06,540

of a cop-out let me let me start with

329

00:14:10,670 --> 00:14:07,680

that

330

00:14:14,990 --> 00:14:10,680

um but scientists will say in a way it

331

00:14:17,150 --> 00:14:15,000

makes sense and I tend to agree with it

332

00:14:18,550 --> 00:14:17,160

but there's a fundamental problem here

333

00:14:22,569 --> 00:14:18,560

and here's here's the question

334

00:14:27,350 --> 00:14:22,579

scientists will say well Consciousness

335

00:14:30,050 --> 00:14:27,360

is it exists in every particle a little

336

00:14:33,009 --> 00:14:30,060

bit so when you amass a bunch of

337

00:14:37,490 --> 00:14:33,019

particles the Consciousness accumulates

338

00:14:40,490 --> 00:14:37,500

and so all the particles in our brain uh

339

00:14:42,949 --> 00:14:40,500

collectively lump this Consciousness

340

00:14:46,790 --> 00:14:42,959

together and boom we are able to access

341

00:14:49,430 --> 00:14:46,800

it well okay kind of makes sense and you

342

00:14:52,090 --> 00:14:49,440

can see that you know Consciousness

343

00:14:55,790 --> 00:14:52,100

being everywhere but here's the problem

344

00:14:57,170 --> 00:14:55,800

are they suggesting that this pen is

345

00:15:01,069 --> 00:14:57,180

conscious

346

00:15:05,870 --> 00:15:01,079

right clearly I can't communicate with

347

00:15:08,750 --> 00:15:05,880

it or does this pen have feelings and is

348

00:15:10,189 --> 00:15:08,760

consciousness in everything that there

349

00:15:13,670 --> 00:15:10,199

is

350

00:15:15,230 --> 00:15:13,680

okay so it's a two-part I'm going to try

351
00:15:17,569 --> 00:15:15,240
and answer it in two parts number one

352
00:15:20,269 --> 00:15:17,579
and then if I forget remind me of what

353
00:15:21,650 --> 00:15:20,279
you said about the penis I can do that I

354
00:15:23,329 --> 00:15:21,660
can do that let's go to the beginning

355
00:15:26,329 --> 00:15:23,339
for a second

356
00:15:28,670 --> 00:15:26,339
you cannot split up something that is

357
00:15:31,430 --> 00:15:28,680
singular and one in and of itself you

358
00:15:32,930 --> 00:15:31,440
don't have pieces of Consciousness if

359
00:15:35,210 --> 00:15:32,940
you go to the holographic side of the

360
00:15:38,210 --> 00:15:35,220
universe you don't have pieces of a

361
00:15:40,550 --> 00:15:38,220
hologram each piece or particle of the

362
00:15:42,530 --> 00:15:40,560
Hologram is the whole hologram

363
00:15:44,509 --> 00:15:42,540

that's how Consciousness works so you

364

00:15:46,610 --> 00:15:44,519

can't have a peace here and a peace

365

00:15:49,430 --> 00:15:46,620

their Consciousness does not come from

366

00:15:51,889 --> 00:15:49,440

your brain Consciousness uses the the

367

00:15:54,230 --> 00:15:51,899

physical Tool The Vessel of your brain

368

00:15:56,030 --> 00:15:54,240

to travel as a conduit through to do

369

00:15:57,710 --> 00:15:56,040

what it does and that's the purpose of

370

00:16:00,530 --> 00:15:57,720

the brain so it doesn't originate from

371

00:16:02,269 --> 00:16:00,540

the brain it moves through the brain and

372

00:16:04,250 --> 00:16:02,279

and that's that's that mechanism of

373

00:16:06,949 --> 00:16:04,260

Consciousness as well so that's number

374

00:16:09,170 --> 00:16:06,959

one of of what I wanted to say where

375

00:16:11,210 --> 00:16:09,180

it's not Consciousness that could be

376

00:16:13,670 --> 00:16:11,220

split up you cannot split up something

377

00:16:16,189 --> 00:16:13,680

that is the only thing that exists in

378

00:16:19,430 --> 00:16:16,199

and of itself and if you if you go to

379

00:16:21,650 --> 00:16:19,440

the holographic universe and and just

380

00:16:24,290 --> 00:16:21,660

how Holograms work which is what we're

381

00:16:26,449 --> 00:16:24,300

experiencing here because it's all light

382

00:16:28,310 --> 00:16:26,459

every piece of a hologram is the

383

00:16:30,110 --> 00:16:28,320

Hologram I'm repeating that on purpose

384

00:16:31,730 --> 00:16:30,120

because it's very important and that's

385

00:16:33,590 --> 00:16:31,740

also a way that I I teach I like

386

00:16:35,689 --> 00:16:33,600

repeating so it goes into the the

387

00:16:37,610 --> 00:16:35,699

individual that's number one number two

388

00:16:40,249 --> 00:16:37,620

you said well

389

00:16:42,769 --> 00:16:40,259

can I communicate with the pen

390

00:16:43,850 --> 00:16:42,779

and here's something really interesting

391

00:16:45,530 --> 00:16:43,860

first of all we got to Define

392

00:16:49,850 --> 00:16:45,540

communication

393

00:16:51,650 --> 00:16:49,860

what I'm talking about my answer to what

394

00:16:52,850 --> 00:16:51,660

you said would be yes only in a

395

00:16:55,249 --> 00:16:52,860

different way because there's different

396

00:16:57,050 --> 00:16:55,259

forms of communication I'll give you an

397

00:16:59,509 --> 00:16:57,060

example let's say

398

00:17:01,310 --> 00:16:59,519

and there are there is proof of this in

399

00:17:04,069 --> 00:17:01,320

terms of you know on video and and it's

400

00:17:05,090 --> 00:17:04,079

been shown it's unknown but it's

401

00:17:07,130 --> 00:17:05,100

something that's been shown

402

00:17:09,890 --> 00:17:07,140

scientifically as well where people can

403

00:17:13,309 --> 00:17:09,900

move objects without touching them

404

00:17:16,429 --> 00:17:13,319

how that's called telekinesis how are

405

00:17:17,870 --> 00:17:16,439

individuals moving an object if they're

406

00:17:20,210 --> 00:17:17,880

not touching them

407

00:17:22,370 --> 00:17:20,220

and if we understand that there's a

408

00:17:25,669 --> 00:17:22,380

unified field of Consciousness that

409

00:17:28,370 --> 00:17:25,679

connects the energy that creates this

410

00:17:31,190 --> 00:17:28,380

matter to the energy that creates my

411

00:17:32,090 --> 00:17:31,200

body to the energy behind my power of

412

00:17:35,210 --> 00:17:32,100

thought

413

00:17:36,650 --> 00:17:35,220

then on the physical plane it looks like

414

00:17:40,250 --> 00:17:36,660

you're moving a bottle without touching

415

00:17:42,169 --> 00:17:40,260

it but on on the plane that matters

416

00:17:43,970 --> 00:17:42,179

which is the unified field that

417

00:17:46,250 --> 00:17:43,980

everything is connected to

418

00:17:48,409 --> 00:17:46,260

you're really touching this bottle only

419

00:17:50,690 --> 00:17:48,419

in a different way than we know

420

00:17:53,029 --> 00:17:50,700

again if this is connected to the same

421

00:17:54,650 --> 00:17:53,039

unified field of Consciousness that my

422

00:17:56,870 --> 00:17:54,660

hand is and that my power of thought is

423

00:17:58,310 --> 00:17:56,880

than if we're taught how to do that and

424

00:18:00,409 --> 00:17:58,320

I don't know how to do this so this is

425

00:18:02,029 --> 00:18:00,419

this is not something I can show you how

426

00:18:03,830 --> 00:18:02,039

to do let's be let's be you know

427

00:18:05,690 --> 00:18:03,840

straightforward with that but it's been

428

00:18:07,549 --> 00:18:05,700

done with other people that can show you

429

00:18:10,310 --> 00:18:07,559

that they can do that so we have to ask

430

00:18:13,070 --> 00:18:10,320

ourselves how is that possible and the

431

00:18:15,049 --> 00:18:13,080

answer that I've come to thus far is

432

00:18:16,549 --> 00:18:15,059

well it's not that they're not touching

433

00:18:18,770 --> 00:18:16,559

the bottle they are touching the bottle

434

00:18:21,049 --> 00:18:18,780

only at a different plane in a different

435

00:18:23,450 --> 00:18:21,059

different dimension in a different way

436

00:18:26,630 --> 00:18:23,460

that we just don't know how to do quite

437

00:18:28,730 --> 00:18:26,640

yet on the collective level so I I might

438

00:18:30,710 --> 00:18:28,740

I want to try I don't do this all night

439

00:18:33,049 --> 00:18:30,720

but this is this is pretty cool I'm

440

00:18:35,870 --> 00:18:33,059

going to post a comment and this from

441

00:18:38,750 --> 00:18:35,880

Jessica she says I communicated with my

442

00:18:43,690 --> 00:18:38,760

car all the time that is an excellent

443

00:18:47,930 --> 00:18:43,700

point in that if you if in my opinion

444

00:18:51,169 --> 00:18:47,940

if you want proof of something like this

445

00:18:54,049 --> 00:18:51,179

that Consciousness is is everywhere and

446

00:18:58,130 --> 00:18:54,059

existing particles uh

447

00:18:59,990 --> 00:18:58,140

[h__h] at your car one day right and see

448

00:19:02,029 --> 00:19:00,000

if it starts the next morning when you

449

00:19:10,150 --> 00:19:02,039

need when you're late for work

450

00:19:15,049 --> 00:19:13,250

it may start when when you really need

451
00:19:17,029 --> 00:19:15,059
it to start

452
00:19:19,669 --> 00:19:17,039
give me there's a there's something that

453
00:19:21,710 --> 00:19:19,679
I think is perfect to bring up right now

454
00:19:23,690 --> 00:19:21,720
regarding stones

455
00:19:25,190 --> 00:19:23,700
I'm bringing it up on my computer as we

456
00:19:27,710 --> 00:19:25,200
speak so

457
00:19:30,950 --> 00:19:27,720
you've probably heard this before if I

458
00:19:33,370 --> 00:19:30,960
if I told you here this is uh this is a

459
00:19:35,930 --> 00:19:33,380
stone this is called lapis lazuli

460
00:19:41,630 --> 00:19:35,940
one of my favorite stones

461
00:19:47,090 --> 00:19:44,049
bam

462
00:19:49,909 --> 00:19:47,100
that's beautiful that's beautiful

463
00:19:51,470 --> 00:19:49,919

so so going to Stones especially with

464

00:19:53,810 --> 00:19:51,480

with ancient history that we're starting

465

00:19:56,450 --> 00:19:53,820

to to you know

466

00:19:59,390 --> 00:19:56,460

further develop our understanding of

467

00:20:02,810 --> 00:19:59,400

if I told you that this stone or this

468

00:20:05,330 --> 00:20:02,820

rose quartz can hold memory

469

00:20:08,750 --> 00:20:05,340

and we could store memory on it

470

00:20:11,810 --> 00:20:08,760

well how can a stone hold memory how can

471

00:20:13,250 --> 00:20:11,820

a stone you know have information on it

472

00:20:16,070 --> 00:20:13,260

that that doesn't sound like it makes

473

00:20:19,370 --> 00:20:16,080

sense and yet our modern day technology

474

00:20:22,250 --> 00:20:19,380

is built in that very way 100 your your

475

00:20:26,090 --> 00:20:22,260

memory in many cases even on our phones

476

00:20:30,830 --> 00:20:26,100

is is used and stored using quartz

477

00:20:32,570 --> 00:20:30,840

Stones using quartz crystals so that is

478

00:20:35,750 --> 00:20:32,580

all the proof that we need to understand

479

00:20:38,090 --> 00:20:35,760

that there is some sort of

480

00:20:41,330 --> 00:20:38,100

something going on if a stone can hold

481

00:20:43,490 --> 00:20:41,340

memory there's some field that we just

482

00:20:45,529 --> 00:20:43,500

don't quite yet understand now when we

483

00:20:47,029 --> 00:20:45,539

say conscious does that mean the stone

484

00:20:48,590 --> 00:20:47,039

can you know go to the bathroom no

485

00:20:50,330 --> 00:20:48,600

that's not what we're talking about

486

00:20:52,070 --> 00:20:50,340

Consciousness and this goes back to the

487

00:20:53,750 --> 00:20:52,080

first question that you that you asked

488

00:20:57,110 --> 00:20:53,760

in the beginning of this conversation

489

00:20:59,690 --> 00:20:57,120

with how do you define consciousness

490

00:21:02,810 --> 00:20:59,700

that's why we can't Define it because

491

00:21:04,370 --> 00:21:02,820

it's so wide and includes all that if I

492

00:21:05,450 --> 00:21:04,380

were to say Consciousness is something

493

00:21:08,210 --> 00:21:05,460

that

494

00:21:11,150 --> 00:21:08,220

can reproduce can replicate can speak

495

00:21:14,330 --> 00:21:11,160

you know can eat well

496

00:21:17,450 --> 00:21:14,340

let's go back in time for a second and

497

00:21:20,330 --> 00:21:17,460

this is not so uh you know except in

498

00:21:22,190 --> 00:21:20,340

mainstream but I would go as far to say

499

00:21:24,470 --> 00:21:22,200

and I'm curious to hear your thoughts on

500

00:21:26,810 --> 00:21:24,480

this as well you go back in the day to

501
00:21:28,549 --> 00:21:26,820
places like ancient Egypt the reason why

502
00:21:30,529 --> 00:21:28,559
they were so Advanced the reason why

503
00:21:32,810 --> 00:21:30,539
they were able to connect and move

504
00:21:35,029 --> 00:21:32,820
stones in the way that they were and

505
00:21:37,190 --> 00:21:35,039
connect to minerals and crystals in the

506
00:21:38,990 --> 00:21:37,200
way that they did was because they were

507
00:21:41,450 --> 00:21:39,000
connecting to the same unified field

508
00:21:43,370 --> 00:21:41,460
that all is connected to

509
00:21:46,210 --> 00:21:43,380
and there have been many individuals

510
00:21:49,010 --> 00:21:46,220
speaking about go to I mean

511
00:21:51,529 --> 00:21:49,020
extraterrestrial crafts how they work

512
00:21:53,750 --> 00:21:51,539
and how they work is through connecting

513
00:21:55,669 --> 00:21:53,760

the craft what we experience as just

514

00:21:57,529 --> 00:21:55,679

physical dead matter which there's no

515

00:21:59,930 --> 00:21:57,539

such thing as dead matter there is

516

00:22:02,210 --> 00:21:59,940

matter energy different type of

517

00:22:04,310 --> 00:22:02,220

Consciousness to that energy in many

518

00:22:07,250 --> 00:22:04,320

ways that's how the crafts move by

519

00:22:10,070 --> 00:22:07,260

connecting the operator that individual

520

00:22:11,690 --> 00:22:10,080

operators Consciousness to the craft and

521

00:22:13,669 --> 00:22:11,700

allowing the craft to become an

522

00:22:15,710 --> 00:22:13,679

extension not artificial intelligence

523

00:22:17,330 --> 00:22:15,720

but allowing the craft to become an

524

00:22:19,730 --> 00:22:17,340

extension of the operator's

525

00:22:22,310 --> 00:22:19,740

Consciousness to be able to move at

526

00:22:23,930 --> 00:22:22,320

speeds that are unprecedented so the

527

00:22:25,549 --> 00:22:23,940

only way that something like that can be

528

00:22:27,350 --> 00:22:25,559

done and again what I'm saying right now

529

00:22:29,029 --> 00:22:27,360

could be controversial you know in the

530

00:22:30,830 --> 00:22:29,039

mainstream world for sure

531

00:22:32,630 --> 00:22:30,840

but I think some people over here may

532

00:22:34,970 --> 00:22:32,640

connect to that where

533

00:22:36,950 --> 00:22:34,980

the only reason why they they're able to

534

00:22:39,950 --> 00:22:36,960

do that and why that's able to be done

535

00:22:42,470 --> 00:22:39,960

in the first place is because there is a

536

00:22:44,930 --> 00:22:42,480

unified field that all matter is

537

00:22:47,810 --> 00:22:44,940

connected to and the common denominator

538

00:22:50,390 --> 00:22:47,820

of all matter is energy now the degree

539

00:22:52,549 --> 00:22:50,400

of Consciousness the attributes of that

540

00:22:54,529 --> 00:22:52,559

Consciousness how it works that's all up

541

00:22:55,610 --> 00:22:54,539

for you know debate because I don't know

542

00:22:58,310 --> 00:22:55,620

those answers

543

00:23:00,770 --> 00:22:58,320

but to say that anything is dead or

544

00:23:03,230 --> 00:23:00,780

disconnected from anything else is

545

00:23:04,970 --> 00:23:03,240

simply impossible because we don't live

546

00:23:08,090 --> 00:23:04,980

in a world of disconnection everything

547

00:23:11,090 --> 00:23:08,100

is connected energetically yeah it you

548

00:23:14,090 --> 00:23:11,100

know just the matter that makes you up a

549

00:23:16,730 --> 00:23:14,100

matter that makes me uh that's 13 and a

550

00:23:20,090 --> 00:23:16,740

half billion years old and that's a

551
00:23:23,210 --> 00:23:20,100
that's a great you know that that it

552
00:23:25,610 --> 00:23:23,220
just exists and that's what it is it

553
00:23:28,190 --> 00:23:25,620
doesn't die when they say that we're

554
00:23:31,010 --> 00:23:28,200
Stardust well that that's a that's a

555
00:23:33,350 --> 00:23:31,020
literal statement that is not uh

556
00:23:36,070 --> 00:23:33,360
something that's made up by the way your

557
00:23:38,870 --> 00:23:36,080
lapis looks better than my lapis

558
00:23:40,730 --> 00:23:38,880
is that is that lapis I've never seen it

559
00:23:43,490 --> 00:23:40,740
in that color before yeah

560
00:23:46,250 --> 00:23:43,500
yeah beautiful though isn't it though

561
00:23:48,409 --> 00:23:46,260
it's a beautiful way this is out of all

562
00:23:51,549 --> 00:23:48,419
of my skulls it's a medium-sized skull

563
00:23:54,409 --> 00:23:51,559

right this thing weighs like 10 pounds

564

00:23:57,230 --> 00:23:54,419

lapis it's so dense you know it's such a

565

00:23:59,090 --> 00:23:57,240

I have skulls this size that are half of

566

00:24:00,590 --> 00:23:59,100

the weight you know a third of the

567

00:24:03,230 --> 00:24:00,600

weight

568

00:24:07,210 --> 00:24:03,240

um uh so

569

00:24:10,630 --> 00:24:07,220

if if that is the case

570

00:24:14,450 --> 00:24:10,640

and this is

571

00:24:15,950 --> 00:24:14,460

this is a way to look at it and Brian

572

00:24:17,810 --> 00:24:15,960

Green talking about you know things

573

00:24:20,090 --> 00:24:17,820

lasting forever

574

00:24:21,289 --> 00:24:20,100

um I was talking to Dr Gary Nolan the

575

00:24:24,710 --> 00:24:21,299

other night and well I'm going to

576
00:24:26,210 --> 00:24:24,720
address Egypt uh right now sure but um

577
00:24:29,450 --> 00:24:26,220
and in the last

578
00:24:30,710 --> 00:24:29,460
third last fourth of Brian Greene's

579
00:24:34,190 --> 00:24:30,720
latest book

580
00:24:37,090 --> 00:24:34,200
uh you know the physicist Brian Green he

581
00:24:40,250 --> 00:24:37,100
talks about he's 120

582
00:24:42,770 --> 00:24:40,260
200 trillion years in the future right

583
00:24:44,690 --> 00:24:42,780
and he's describing what's going to be

584
00:24:48,110 --> 00:24:44,700
around it the answer is you know not

585
00:24:50,330 --> 00:24:48,120
much uh at that point but

586
00:24:53,390 --> 00:24:50,340
um what he does say

587
00:24:56,090 --> 00:24:53,400
is that what will survive

588
00:24:58,789 --> 00:24:56,100

is thought

589

00:25:00,710 --> 00:24:58,799

so you unpack that statement for a

590

00:25:02,149 --> 00:25:00,720

second right now he's a physicist he's

591

00:25:04,730 --> 00:25:02,159

not going to say Consciousness right

592

00:25:08,570 --> 00:25:04,740

can't do that he's going to offend his

593

00:25:11,149 --> 00:25:08,580

his core fan base right uh can't do that

594

00:25:13,130 --> 00:25:11,159

can't go there but thought

595

00:25:16,549 --> 00:25:13,140

and he talks about you know these clouds

596

00:25:18,770 --> 00:25:16,559

of energy floating around uh the

597

00:25:21,830 --> 00:25:18,780

universe still thinking

598

00:25:22,789 --> 00:25:21,840

right still thinking now

599

00:25:25,190 --> 00:25:22,799

um

600

00:25:27,769 --> 00:25:25,200

that's a hundred and you know 200

601
00:25:30,890 --> 00:25:27,779
trillion years in the future I think

602
00:25:32,630 --> 00:25:30,900
he's trying to say Consciousness without

603
00:25:35,390 --> 00:25:32,640
using the c word

604
00:25:37,970 --> 00:25:35,400
right and that that Consciousness is

605
00:25:40,630 --> 00:25:37,980
indeed forever

606
00:25:44,510 --> 00:25:40,640
um and when we get into

607
00:25:47,450 --> 00:25:44,520
uh some of the uh the laws in in physics

608
00:25:50,630 --> 00:25:47,460
and and certainly entropy you know comes

609
00:25:53,930 --> 00:25:50,640
into play in Second Law you get into the

610
00:25:57,230 --> 00:25:53,940
that where does the energy come from for

611
00:25:59,450 --> 00:25:57,240
thought to continue to exist that's

612
00:26:02,649 --> 00:25:59,460
another question altogether

613
00:26:04,850 --> 00:26:02,659

but he isn't talking about

614

00:26:06,890 --> 00:26:04,860

individual particles anymore because

615

00:26:09,590 --> 00:26:06,900

particles have broken apart

616

00:26:12,169 --> 00:26:09,600

so if Consciousness is not in these

617

00:26:14,330 --> 00:26:12,179

little particles but they are amassed

618

00:26:15,529 --> 00:26:14,340

clouds of thought that are still

619

00:26:17,810 --> 00:26:15,539

thinking

620

00:26:19,430 --> 00:26:17,820

then Consciousness does last forever

621

00:26:22,250 --> 00:26:19,440

doesn't it

622

00:26:24,529 --> 00:26:22,260

yeah but even even with that you can't

623

00:26:26,090 --> 00:26:24,539

have a particle

624

00:26:28,669 --> 00:26:26,100

again depends on how you define

625

00:26:30,470 --> 00:26:28,679

consciousness but if Consciousness is

626

00:26:33,049 --> 00:26:30,480

existence in and of itself then anything

627

00:26:35,029 --> 00:26:33,059

that exists would be a part of that and

628

00:26:37,250 --> 00:26:35,039

nothing would be separate from that well

629

00:26:39,049 --> 00:26:37,260

no and that's what I'm saying he he at

630

00:26:41,510 --> 00:26:39,059

that point he does separate the two

631

00:26:42,649 --> 00:26:41,520

where he's saying that thought is Just

632

00:26:47,090 --> 00:26:42,659

Energy

633

00:26:50,149 --> 00:26:47,100

right and he he now doesn't have the

634

00:26:52,909 --> 00:26:50,159

connectedness of uh particles and

635

00:26:55,430 --> 00:26:52,919

Consciousness uh no particles are broken

636

00:26:59,269 --> 00:26:55,440

apart they don't exist anymore gravity

637

00:27:01,549 --> 00:26:59,279

is is you know has ceased to exist

638

00:27:02,570 --> 00:27:01,559

um but it's just an interesting way for

639

00:27:05,110 --> 00:27:02,580

him

640

00:27:07,610 --> 00:27:05,120

to kind of lob a softball out there

641

00:27:10,549 --> 00:27:07,620

you're at planting a seed yeah yeah

642

00:27:12,769 --> 00:27:10,559

planting that seed uh about

643

00:27:15,110 --> 00:27:12,779

Consciousness now I'll say this when it

644

00:27:17,330 --> 00:27:15,120

comes to

645

00:27:21,289 --> 00:27:17,340

stuff like this

646

00:27:23,269 --> 00:27:21,299

um and Egypt and what did they know I

647

00:27:26,230 --> 00:27:23,279

um I can't wait to hear your comment on

648

00:27:30,070 --> 00:27:26,240

this I'll make this very brief

649

00:27:33,890 --> 00:27:30,080

it's too long of a of an experience but

650

00:27:35,570 --> 00:27:33,900

I'm on the island of Phile at the Temple

651
00:27:38,750 --> 00:27:35,580
of Isis which is in the middle of the

652
00:27:41,690 --> 00:27:38,760
Nile River down near kamambo it's 500

653
00:27:42,590 --> 00:27:41,700
miles south of of Cairo in the Nile

654
00:27:46,669 --> 00:27:42,600
River

655
00:27:48,890 --> 00:27:46,679
and so I and I have this crazy thing

656
00:27:50,390 --> 00:27:48,900
that is happening to me there I'm

657
00:27:53,090 --> 00:27:50,400
walking around I'm with a you know group

658
00:27:55,130 --> 00:27:53,100
of people Billy Carson and stuff and I'm

659
00:27:57,950 --> 00:27:55,140
leading this tour but I broke away from

660
00:28:00,350 --> 00:27:57,960
from the group because

661
00:28:04,789 --> 00:28:00,360
kind of tripping out

662
00:28:08,510 --> 00:28:04,799
I go and I sit on this giant red granite

663
00:28:10,370 --> 00:28:08,520

block on the top of a cliff Nile rivers

664

00:28:13,909 --> 00:28:10,380

in front of me

665

00:28:16,490 --> 00:28:13,919

and uh I get a cool uh bottle of water

666

00:28:17,930 --> 00:28:16,500

I'm dangling my feet off of this Cliff

667

00:28:18,890 --> 00:28:17,940

I'm looking at it's beautiful right it's

668

00:28:20,810 --> 00:28:18,900

gorgeous

669

00:28:24,890 --> 00:28:20,820

and then it happens

670

00:28:28,909 --> 00:28:24,900

it goes right up my butt

671

00:28:33,350 --> 00:28:28,919

up my spine I felt it too man it was it

672

00:28:36,230 --> 00:28:33,360

was like what you know anyway and and

673

00:28:39,110 --> 00:28:36,240

boom

674

00:28:40,430 --> 00:28:39,120

right right out of my forehead and I'm

675

00:28:42,110 --> 00:28:40,440

sitting there by myself I don't know

676

00:28:45,289 --> 00:28:42,120

what's going on I don't have you know

677

00:28:48,890 --> 00:28:45,299

some Shaman with me some spiritual

678

00:28:50,930 --> 00:28:48,900

advisor by myself and and I closed my

679

00:28:52,850 --> 00:28:50,940

eyes I go through this and I hang on to

680

00:28:55,370 --> 00:28:52,860

the edge of the cliff by the way right I

681

00:28:57,289 --> 00:28:55,380

don't want to I Don't Wanna Lose It and

682

00:29:00,470 --> 00:28:57,299

fall but

683

00:29:02,450 --> 00:29:00,480

and I opened my eyes and I was in a

684

00:29:04,010 --> 00:29:02,460

different place I mean I'm in the same

685

00:29:05,870 --> 00:29:04,020

place I don't want to say that you know

686

00:29:07,370 --> 00:29:05,880

it wasn't on Mars but I'm saying I

687

00:29:09,470 --> 00:29:07,380

looked different

688

00:29:13,430 --> 00:29:09,480

right the colors the things the thing

689

00:29:16,010 --> 00:29:13,440

and it was like this crazy oh

690

00:29:20,029 --> 00:29:16,020

I get it oh I thought I did

691

00:29:22,490 --> 00:29:20,039

but I feel that Jason it came from the

692

00:29:25,850 --> 00:29:22,500

rock I was sitting on

693

00:29:27,710 --> 00:29:25,860

I I really you know and it's been

694

00:29:28,990 --> 00:29:27,720

sitting there for you know thousands of

695

00:29:32,149 --> 00:29:29,000

years

696

00:29:34,669 --> 00:29:32,159

accumulating right how many other people

697

00:29:37,310 --> 00:29:34,679

sat on this how many other things flowed

698

00:29:41,149 --> 00:29:37,320

into this how many you know what I mean

699

00:29:43,370 --> 00:29:41,159

and it it just launched out of me and

700

00:29:44,750 --> 00:29:43,380

that's not a coincidence it happened I

701
00:29:47,810 --> 00:29:44,760
think because of the stone the red

702
00:29:50,570 --> 00:29:47,820
granite 100 you know

703
00:29:53,029 --> 00:29:50,580
I wrote a book and I brought that up as

704
00:29:55,850 --> 00:29:53,039
an example as a theoretical example

705
00:29:59,510 --> 00:29:58,430
take take the pyramids for example no

706
00:30:01,250 --> 00:29:59,520
matter how long they've been around

707
00:30:03,169 --> 00:30:01,260
everybody has their own you know

708
00:30:04,909 --> 00:30:03,179
different timeline based on who you're

709
00:30:06,649 --> 00:30:04,919
speaking to but forget about that for a

710
00:30:08,570 --> 00:30:06,659
second four thousand twelve thousand a

711
00:30:09,529 --> 00:30:08,580
hundred thousand doesn't matter you have

712
00:30:11,930 --> 00:30:09,539
a stone

713
00:30:13,970 --> 00:30:11,940

that's sitting somewhere for you know

714

00:30:16,789 --> 00:30:13,980

tens of thousands of years

715

00:30:18,590 --> 00:30:16,799

there is literal data

716

00:30:21,409 --> 00:30:18,600

Consciousness whatever you want to call

717

00:30:23,990 --> 00:30:21,419

it in that with information that can be

718

00:30:26,029 --> 00:30:24,000

extracted if you know how to connect to

719

00:30:29,630 --> 00:30:26,039

that stone now to you it sounds like it

720

00:30:32,510 --> 00:30:29,640

happened spontaneously imagine you now

721

00:30:35,149 --> 00:30:32,520

learn the mechanism of whatever happened

722

00:30:38,269 --> 00:30:35,159

that that same second and you can do

723

00:30:41,510 --> 00:30:38,279

that on demand we would no longer have

724

00:30:43,130 --> 00:30:41,520

to you know have these debates of what

725

00:30:45,649 --> 00:30:43,140

actually happened four thousand years

726

00:30:49,250 --> 00:30:45,659

ago or what actually happened 12 000

727

00:30:50,990 --> 00:30:49,260

years ago because the truth of what so

728

00:30:53,330 --> 00:30:51,000

many archaeologists nowadays are

729

00:30:54,950 --> 00:30:53,340

debating exist in that stone because

730

00:30:58,490 --> 00:30:54,960

that stone was there

731

00:31:02,210 --> 00:30:58,500

and once we Elevate ourselves enough to

732

00:31:03,909 --> 00:31:02,220

be able to connect to matter in a deeper

733

00:31:07,070 --> 00:31:03,919

way and understand the information

734

00:31:08,389 --> 00:31:07,080

especially ancient matter like that and

735

00:31:10,010 --> 00:31:08,399

ancient Stones like that with

736

00:31:11,269 --> 00:31:10,020

information that's imbued within

737

00:31:13,490 --> 00:31:11,279

something like that

738

00:31:15,950 --> 00:31:13,500

there will be no more arguments anymore

739

00:31:18,049 --> 00:31:15,960

because the truth is there we just don't

740

00:31:20,029 --> 00:31:18,059

know how to extract it yet but I do

741

00:31:22,190 --> 00:31:20,039

believe the day will come and I believe

742

00:31:24,889 --> 00:31:22,200

that Clarity will be had you know

743

00:31:28,070 --> 00:31:24,899

across civilizations on this planet as a

744

00:31:31,970 --> 00:31:28,080

whole and uh and staying on this track

745

00:31:33,950 --> 00:31:31,980

uh uh when it comes to some of the

746

00:31:37,070 --> 00:31:33,960

theoretical physicists out there for the

747

00:31:40,970 --> 00:31:37,080

quantum whatever category or specialty

748

00:31:44,029 --> 00:31:40,980

they are in most will say not all okay

749

00:31:45,590 --> 00:31:44,039

not all but most will say

750

00:31:47,870 --> 00:31:45,600

I can't waste my time with something

751

00:31:51,470 --> 00:31:47,880

that I can't measure or touch

752

00:31:55,010 --> 00:31:51,480

right and and I've got other stuff that

753

00:31:57,409 --> 00:31:55,020

is more important is that what is

754

00:31:59,510 --> 00:31:57,419

stopping the the research you know when

755

00:32:01,130 --> 00:31:59,520

we Define hard Sciences that's the hard

756

00:32:04,430 --> 00:32:01,140

science it's the signs that you can

757

00:32:06,649 --> 00:32:04,440

touch and measure and and quantify um is

758

00:32:08,930 --> 00:32:06,659

is that the reason why because there's

759

00:32:10,669 --> 00:32:08,940

no measurement and there's no way to

760

00:32:13,430 --> 00:32:10,679

touch and feel it and come up with a

761

00:32:15,049 --> 00:32:13,440

result well there is we just we just

762

00:32:16,850 --> 00:32:15,059

don't know how to do it yet because

763

00:32:19,549 --> 00:32:16,860

we're not at that level we haven't

764

00:32:21,950 --> 00:32:19,559

become mature enough if I if I told if I

765

00:32:24,350 --> 00:32:21,960

started talking to you about radio waves

766

00:32:26,149 --> 00:32:24,360

500 years ago you could probably give me

767

00:32:28,010 --> 00:32:26,159

the same answer as a scientist and say

768

00:32:30,830 --> 00:32:28,020

we can't measure that so we're out but

769

00:32:33,350 --> 00:32:30,840

today you can you know because we've

770

00:32:35,149 --> 00:32:33,360

matured enough we've developed enough as

771

00:32:37,789 --> 00:32:35,159

a society and as a civilization as

772

00:32:40,310 --> 00:32:37,799

humankind here on planet Earth and and

773

00:32:42,649 --> 00:32:40,320

probably Beyond but speaking on this

774

00:32:44,570 --> 00:32:42,659

planet over here we've matured and

775

00:32:46,549 --> 00:32:44,580

advanced ourselves enough we're at we

776

00:32:48,470 --> 00:32:46,559

got to understand you remember that the

777

00:32:50,389 --> 00:32:48,480

tools that we have and the law laws of

778

00:32:53,149 --> 00:32:50,399

physics that we think we know are not

779

00:32:55,130 --> 00:32:53,159

the ultimate laws they are a reflection

780

00:32:57,889 --> 00:32:55,140

of where we're at and our level of

781

00:32:59,810 --> 00:32:57,899

awareness today so what we know is

782

00:33:01,789 --> 00:32:59,820

possible today was impossible 50 years

783

00:33:03,350 --> 00:33:01,799

ago there are things changing all the

784

00:33:06,950 --> 00:33:03,360

time because we're changing all the time

785

00:33:09,769 --> 00:33:06,960

and as we expand and as we Ascend and as

786

00:33:12,289 --> 00:33:09,779

we evolve spiritually the tools that we

787

00:33:14,810 --> 00:33:12,299

begin to use will differ the way that we

788

00:33:16,909 --> 00:33:14,820

begin to read things will differ so

789

00:33:19,370 --> 00:33:16,919

there will come a point where what we're

790

00:33:23,149 --> 00:33:19,380

calling immeasurable will become

791

00:33:25,610 --> 00:33:23,159

measurable but again the the hardship

792

00:33:28,009 --> 00:33:25,620

over here is how do you measure

793

00:33:30,350 --> 00:33:28,019

something that's infinite and because

794

00:33:32,509 --> 00:33:30,360

I'm not there yet and because we're not

795

00:33:35,149 --> 00:33:32,519

there yet as a species I really can't

796

00:33:37,070 --> 00:33:35,159

answer that question what I am confident

797

00:33:39,049 --> 00:33:37,080

is saying is

798

00:33:41,149 --> 00:33:39,059

we will I don't know what that looks

799

00:33:42,470 --> 00:33:41,159

like yet because we're not there if I

800

00:33:44,570 --> 00:33:42,480

knew what that looks like we'd probably

801
00:33:46,130 --> 00:33:44,580
be in a different place especially me at

802
00:33:48,230 --> 00:33:46,140
a young age without as many as much

803
00:33:50,090 --> 00:33:48,240
experience as everybody else in this

804
00:33:52,070 --> 00:33:50,100
world you know that that has experience

805
00:33:54,590 --> 00:33:52,080
doing this for decades and decades and

806
00:33:58,250 --> 00:33:54,600
decades so I do believe that that time

807
00:34:00,649 --> 00:33:58,260
will come where we'll be able to to

808
00:34:03,049 --> 00:34:00,659
measure that maybe it's not measuring to

809
00:34:05,450 --> 00:34:03,059
limit it maybe it's just understanding

810
00:34:06,889 --> 00:34:05,460
and infinity in a different way you know

811
00:34:09,109 --> 00:34:06,899
I don't know what it's going to look

812
00:34:11,510 --> 00:34:09,119
like but I do believe as we advance

813
00:34:13,609 --> 00:34:11,520

spiritually those answers from those

814

00:34:15,409 --> 00:34:13,619

scientists will change because we just

815

00:34:17,149 --> 00:34:15,419

have no choice I mean that that's where

816

00:34:19,490 --> 00:34:17,159

we're headed you know we're we're

817

00:34:21,849 --> 00:34:19,500

starting to discover and we're starting

818

00:34:24,109 --> 00:34:21,859

to now research

819

00:34:26,690 --> 00:34:24,119

non-hurtzian frequencies non-hurtzian

820

00:34:28,310 --> 00:34:26,700

frequencies means frequencies outside of

821

00:34:30,829 --> 00:34:28,320

the hurt spectrum that means frequencies

822

00:34:32,869 --> 00:34:30,839

beyond the speed of light

823

00:34:34,609 --> 00:34:32,879

up until recently and even today there

824

00:34:36,829 --> 00:34:34,619

will be scientists that tell you you

825

00:34:39,169 --> 00:34:36,839

cannot surpass the speed of light

826

00:34:41,389 --> 00:34:39,179

but there is science out there and there

827

00:34:44,089 --> 00:34:41,399

is proof and evidence out there showing

828

00:34:47,389 --> 00:34:44,099

you scalar waves scalar frequencies

829

00:34:49,369 --> 00:34:47,399

non-hertz in frequencies that and that

830

00:34:51,589 --> 00:34:49,379

goes by the way to the universe is not

831

00:34:53,810 --> 00:34:51,599

locally real Scientific American article

832

00:34:55,669 --> 00:34:53,820

with the Nobel Prize winners and what

833

00:34:57,770 --> 00:34:55,679

what they showed

834

00:35:00,890 --> 00:34:57,780

you know evidently is happening over

835

00:35:03,530 --> 00:35:00,900

here where there's something that moves

836

00:35:06,170 --> 00:35:03,540

faster than the speed of light and it's

837

00:35:09,710 --> 00:35:06,180

so fast that it's not moving

838

00:35:11,650 --> 00:35:09,720

it's momentary it's spontaneous it's

839

00:35:14,150 --> 00:35:11,660

happening everywhere all the time

840

00:35:16,130 --> 00:35:14,160

simultaneously at the same time

841

00:35:18,349 --> 00:35:16,140

the state of now

842

00:35:20,270 --> 00:35:18,359

this the speed of thought maybe if you

843

00:35:23,630 --> 00:35:20,280

want if you want to go even further you

844

00:35:25,790 --> 00:35:23,640

know but one one thing that again we can

845

00:35:26,750 --> 00:35:25,800

bring proof here that baffle scientists

846

00:35:29,030 --> 00:35:26,760

and they don't know what to do with it

847

00:35:31,010 --> 00:35:29,040

is quantum entanglement quantum

848

00:35:34,490 --> 00:35:31,020

entanglement is something that nobody

849

00:35:35,810 --> 00:35:34,500

has yet to really understand but it's

850

00:35:37,430 --> 00:35:35,820

this thing and it's not a theory it's

851
00:35:39,650 --> 00:35:37,440
been shown it's been proven you know

852
00:35:43,069 --> 00:35:39,660
physically speaking you take two

853
00:35:44,630 --> 00:35:43,079
subatomic particles you put one on one

854
00:35:46,190 --> 00:35:44,640
side of the planet and the other on

855
00:35:49,490 --> 00:35:46,200
another side of the planet

856
00:35:52,970 --> 00:35:49,500
and somehow the speed of light's 186 000

857
00:35:56,329 --> 00:35:52,980
miles per hour uh uh I'm sorry miles per

858
00:35:58,130 --> 00:35:56,339
second so somehow based on the

859
00:35:59,450 --> 00:35:58,140
calculations of the speed of light there

860
00:36:02,270 --> 00:35:59,460
would have to be

861
00:36:04,010 --> 00:36:02,280
some sort of lag time between what

862
00:36:05,930 --> 00:36:04,020
happens when you do one thing to one

863
00:36:08,329 --> 00:36:05,940

subatomic particle and how that's

864

00:36:10,250 --> 00:36:08,339

reflected in the other one and yet it

865

00:36:12,710 --> 00:36:10,260

happens instantaneously with not a

866

00:36:15,410 --> 00:36:12,720

fraction of a fraction of a fraction of

867

00:36:16,970 --> 00:36:15,420

a millisecond even with their technology

868

00:36:19,370 --> 00:36:16,980

and they don't understand how it's

869

00:36:22,250 --> 00:36:19,380

happening the question is how can

870

00:36:24,650 --> 00:36:22,260

something be instantaneous if we're

871

00:36:26,150 --> 00:36:24,660

working according to the limitations of

872

00:36:29,750 --> 00:36:26,160

the speed of light there needs to be

873

00:36:32,450 --> 00:36:29,760

some sort of fractional lag between here

874

00:36:35,329 --> 00:36:32,460

and there and there isn't and that's why

875

00:36:37,609 --> 00:36:35,339

the universe is not locally real there's

876

00:36:40,390 --> 00:36:37,619

something that pervades all that

877

00:36:43,190 --> 00:36:40,400

connects all that happens simultaneously

878

00:36:45,170 --> 00:36:43,200

instantaneously at the same time and

879

00:36:48,470 --> 00:36:45,180

that's what we have to start researching

880

00:36:52,849 --> 00:36:48,480

well entanglement

881

00:36:56,030 --> 00:36:52,859

um is I I love Einstein's comment right

882

00:36:58,750 --> 00:36:56,040

spooky action at a distance and and and

883

00:37:00,490 --> 00:36:58,760

he was right because

884

00:37:04,790 --> 00:37:00,500

entanglement

885

00:37:08,150 --> 00:37:04,800

is uh something that is so science

886

00:37:11,089 --> 00:37:08,160

fiction the Chinese have absolutely you

887

00:37:13,490 --> 00:37:11,099

know you know proven uh this Theory and

888

00:37:14,750 --> 00:37:13,500

this idea uh that entanglement does

889

00:37:17,870 --> 00:37:14,760

exist and they've done it great

890

00:37:20,089 --> 00:37:17,880

distances with satellites and uh which

891

00:37:22,910 --> 00:37:20,099

is which you know so it's the quotation

892

00:37:25,069 --> 00:37:22,920

of a particle right and they go and they

893

00:37:26,930 --> 00:37:25,079

You observe it oh we're going to get the

894

00:37:29,030 --> 00:37:26,940

observation in a second which is

895

00:37:33,770 --> 00:37:29,040

something else all together but

896

00:37:36,589 --> 00:37:33,780

um boom and these uh interactions are

897

00:37:39,190 --> 00:37:36,599

now they're not like you said uh with a

898

00:37:42,109 --> 00:37:39,200

little bit of lag but

899

00:37:46,849 --> 00:37:42,119

when uh Consciousness doesn't want to be

900

00:37:51,410 --> 00:37:46,859

discussed in in physics but yet they

901
00:37:55,190 --> 00:37:51,420
want us to uh digest how a quantum

902
00:37:57,530 --> 00:37:55,200
computer works and and and it's it's

903
00:37:59,870 --> 00:37:57,540
it's wait a minute here you can't have

904
00:38:01,370 --> 00:37:59,880
one without the other can you Jason you

905
00:38:04,550 --> 00:38:01,380
can't have a qubit you can't have

906
00:38:09,109 --> 00:38:04,560
entanglement you can't have these kinds

907
00:38:10,730 --> 00:38:09,119
of things going on and then not uh not

908
00:38:14,630 --> 00:38:10,740
attempt to understand what Consciousness

909
00:38:17,950 --> 00:38:14,640
is because they seem to be uh very

910
00:38:21,530 --> 00:38:17,960
connected and maybe the same thing

911
00:38:24,230 --> 00:38:21,540
for that exact reason it is inevitable

912
00:38:25,430 --> 00:38:24,240
to get to that point how long it's going

913
00:38:26,329 --> 00:38:25,440

to take us a whole different story I

914

00:38:28,790 --> 00:38:26,339

think it's going to happen a whole lot

915

00:38:30,829 --> 00:38:28,800

quicker than we think but

916

00:38:33,410 --> 00:38:30,839

this is where science needs to go

917

00:38:36,050 --> 00:38:33,420

science has finally beginning to very

918

00:38:38,630 --> 00:38:36,060

apparently merge with spirituality and

919

00:38:41,450 --> 00:38:38,640

Consciousness is that next step that if

920

00:38:44,329 --> 00:38:41,460

it's not researched we're just not going

921

00:38:47,569 --> 00:38:44,339

to continue moving so it becomes

922

00:38:49,550 --> 00:38:47,579

inevitable to to move through that but I

923

00:38:51,890 --> 00:38:49,560

mean that we're living an exciting time

924

00:38:54,470 --> 00:38:51,900

Jimmy we really are we're we're in a

925

00:38:55,730 --> 00:38:54,480

time period where we're going to see a

926

00:38:57,349 --> 00:38:55,740

massive Turning Point we've already

927

00:38:59,569 --> 00:38:57,359

started seeing a massive turning point

928

00:39:01,550 --> 00:38:59,579

and not only this Great Awakening around

929

00:39:04,670 --> 00:39:01,560

the world for people to understand their

930

00:39:06,589 --> 00:39:04,680

own power within but also science is

931

00:39:08,690 --> 00:39:06,599

Shifting it's becoming less limited it's

932

00:39:10,970 --> 00:39:08,700

becoming more infinite and it's starting

933

00:39:12,829 --> 00:39:10,980

to go into things like quantum computers

934

00:39:15,109 --> 00:39:12,839

you know what does that mean how do you

935

00:39:16,690 --> 00:39:15,119

do that if they don't understand or even

936

00:39:19,690 --> 00:39:16,700

acknowledge

937

00:39:21,230 --> 00:39:19,700

they will have no choice

938

00:39:27,589 --> 00:39:21,240

the

939

00:39:31,030 --> 00:39:27,599

up right now well let me get off of my

940

00:39:37,250 --> 00:39:31,040

uh view page Source uh

941

00:39:39,970 --> 00:39:37,260

is uh if you look up observation

942

00:39:43,370 --> 00:39:39,980

and you listen to

943

00:39:46,310 --> 00:39:43,380

any number of physicists by the way this

944

00:39:47,710 --> 00:39:46,320

is you know physics 101 man this is your

945

00:39:50,990 --> 00:39:47,720

introductory

946

00:39:52,730 --> 00:39:51,000

uh uh semester in physics one of the

947

00:39:54,950 --> 00:39:52,740

things that is going to be discussed

948

00:39:56,290 --> 00:39:54,960

right away along with measurement is

949

00:39:59,510 --> 00:39:56,300

observation

950

00:40:01,609 --> 00:39:59,520

and and they will look you straight in

951
00:40:08,089 --> 00:40:01,619
the eye and go yeah well when you look

952
00:40:15,109 --> 00:40:11,750
it's Voodoo black magic is that but they

953
00:40:17,810 --> 00:40:15,119
this is the basic and the foundation the

954
00:40:18,829 --> 00:40:17,820
fundamentals of of quantum physics but

955
00:40:20,270 --> 00:40:18,839
yet they don't want to talk about

956
00:40:21,910 --> 00:40:20,280
consciousness

957
00:40:24,890 --> 00:40:21,920
you want to hear something really cool

958
00:40:26,569 --> 00:40:24,900
this is one of my favorite examples that

959
00:40:28,970 --> 00:40:26,579
you know again I encourage you to

960
00:40:30,829 --> 00:40:28,980
research and look into as well has been

961
00:40:33,589 --> 00:40:30,839
done many many times there there's been

962
00:40:36,170 --> 00:40:33,599
proof of it evidence as well

963
00:40:38,210 --> 00:40:36,180

first of all what you just said Jimmy is

964

00:40:40,130 --> 00:40:38,220

is 100 accurate it's something that

965

00:40:41,870 --> 00:40:40,140

anybody could look at where it's like

966

00:40:43,010 --> 00:40:41,880

the observation principle where when you

967

00:40:44,270 --> 00:40:43,020

look and when you don't look and it

968

00:40:46,430 --> 00:40:44,280

changes and like what the hell is going

969

00:40:47,870 --> 00:40:46,440

on it's obviously something having to do

970

00:40:49,130 --> 00:40:47,880

with the Observer and the consciousness

971

00:40:51,650 --> 00:40:49,140

of the Observer

972

00:40:53,150 --> 00:40:51,660

we'll take that a step further in a very

973

00:40:55,730 --> 00:40:53,160

real scenario

974

00:40:58,609 --> 00:40:55,740

let's say that

975

00:41:00,710 --> 00:40:58,619

I was a hypnotist okay and that was my

976

00:41:03,650 --> 00:41:00,720

profession I was really good at and I

977

00:41:04,970 --> 00:41:03,660

put you Jimmy under hypnosis and this

978

00:41:07,790 --> 00:41:04,980

has been done before I'm just giving the

979

00:41:10,849 --> 00:41:07,800

example in a you know personable way I

980

00:41:13,150 --> 00:41:10,859

put you under hypnosis and I put your

981

00:41:16,910 --> 00:41:13,160

your uh your best friend in front of you

982

00:41:19,490 --> 00:41:16,920

in between a clock so there's a clock

983

00:41:21,829 --> 00:41:19,500

behind your best friend and your friend

984

00:41:24,710 --> 00:41:21,839

is standing in between you and the clock

985

00:41:25,849 --> 00:41:24,720

the clock says 1007. you obviously can't

986

00:41:28,190 --> 00:41:25,859

see that because there's somebody

987

00:41:31,190 --> 00:41:28,200

standing in front of it and according to

988

00:41:33,230 --> 00:41:31,200

our limited perception we will never be

989

00:41:34,910 --> 00:41:33,240

able to see through a person because

990

00:41:36,950 --> 00:41:34,920

there's a person standing there so you

991

00:41:39,010 --> 00:41:36,960

can't see the clock

992

00:41:42,470 --> 00:41:39,020

but there have been many situations

993

00:41:45,050 --> 00:41:42,480

where the hypnotist is able to hypnotize

994

00:41:47,450 --> 00:41:45,060

the individual and convince the

995

00:41:49,609 --> 00:41:47,460

individual that that person is not

996

00:41:51,050 --> 00:41:49,619

standing there and the individual can

997

00:41:53,089 --> 00:41:51,060

tell you exactly what time it is because

998

00:41:55,250 --> 00:41:53,099

they see the clock now you tell me how

999

00:41:57,109 --> 00:41:55,260

the hell is that possible

1000

00:41:58,910 --> 00:41:57,119

any other way other than what we're

1001
00:42:00,230 --> 00:41:58,920
talking about with you creating your own

1002
00:42:01,430 --> 00:42:00,240
reality through that mechanism of

1003
00:42:05,990 --> 00:42:01,440
consciousness

1004
00:42:07,450 --> 00:42:06,000
it's unbelievable and uh when we okay

1005
00:42:12,170 --> 00:42:07,460
let's

1006
00:42:15,849 --> 00:42:12,180
when we when we the okay

1007
00:42:21,710 --> 00:42:15,859
it's like this this is how crazy it gets

1008
00:42:24,829 --> 00:42:21,720
that uh we are told that uh there's more

1009
00:42:28,190 --> 00:42:24,839
space in between atoms than there are

1010
00:42:29,870 --> 00:42:28,200
atoms right that uh to be able to feel

1011
00:42:31,670 --> 00:42:29,880
something shouldn't happen we should be

1012
00:42:34,310 --> 00:42:31,680
able to pass our hands we should be able

1013
00:42:36,829 --> 00:42:34,320

to see through somebody right okay so

1014

00:42:39,170 --> 00:42:36,839

we're told that and then we are told

1015

00:42:40,910 --> 00:42:39,180

that these particles

1016

00:42:42,470 --> 00:42:40,920

um have figured out that they want to be

1017

00:42:43,910 --> 00:42:42,480

this

1018

00:42:46,430 --> 00:42:43,920

some particles

1019

00:42:49,190 --> 00:42:46,440

want to be Jason sherka

1020

00:42:51,950 --> 00:42:49,200

the particles themselves

1021

00:42:56,470 --> 00:42:51,960

are the same

1022

00:42:58,329 --> 00:42:56,480

so Nature has figured it out

1023

00:43:01,309 --> 00:42:58,339

right

1024

00:43:03,230 --> 00:43:01,319

it's still like the crazy so that when

1025

00:43:06,290 --> 00:43:03,240

when we talk about something as crazy as

1026
00:43:08,450 --> 00:43:06,300
Consciousness and and the the same

1027
00:43:10,430 --> 00:43:08,460
particles again I'll I'll say it again

1028
00:43:12,710 --> 00:43:10,440
same particles here are the same

1029
00:43:14,829 --> 00:43:12,720
particles that are yapping into this

1030
00:43:17,630 --> 00:43:14,839
microphone right now

1031
00:43:19,069 --> 00:43:17,640
how is that the the processes you're

1032
00:43:20,510 --> 00:43:19,079
talking about the eyes

1033
00:43:23,630 --> 00:43:20,520
right

1034
00:43:27,230 --> 00:43:23,640
the amount of calculations that happen

1035
00:43:29,870 --> 00:43:27,240
per second for you to see something let

1036
00:43:32,329 --> 00:43:29,880
alone your entire environment and

1037
00:43:34,010 --> 00:43:32,339
understand that that's a tree over there

1038
00:43:36,109 --> 00:43:34,020

without looking at it that that's a car

1039

00:43:40,190 --> 00:43:36,119

that's a person that's a this that's a

1040

00:43:43,730 --> 00:43:40,200

that this this is a whatever it is we're

1041

00:43:46,490 --> 00:43:43,740

doing this a gazillion times in a

1042

00:43:48,650 --> 00:43:46,500

nanosecond and that encoding and

1043

00:43:54,010 --> 00:43:48,660

decoding is happening at the same time

1044

00:43:58,550 --> 00:43:56,150

and then somehow

1045

00:44:00,710 --> 00:43:58,560

we still have scientists that say that

1046

00:44:03,829 --> 00:44:00,720

that chance

1047

00:44:06,230 --> 00:44:03,839

what I don't want to poo poo on science

1048

00:44:08,630 --> 00:44:06,240

I love the James Webb tell us we

1049

00:44:11,329 --> 00:44:08,640

shouldn't science gives us science gives

1050

00:44:13,490 --> 00:44:11,339

us these answers because science shows

1051
00:44:16,550 --> 00:44:13,500
us exactly what we're talking about it's

1052
00:44:18,230 --> 00:44:16,560
the the some not all it's some of the

1053
00:44:19,670 --> 00:44:18,240
scientists

1054
00:44:21,530 --> 00:44:19,680
because

1055
00:44:24,829 --> 00:44:21,540
again unfortunately we're still

1056
00:44:27,710 --> 00:44:24,839
operating out of limited perceptions so

1057
00:44:29,990 --> 00:44:27,720
we convey limited perceptions but the

1058
00:44:32,030 --> 00:44:30,000
problem is not science science gives us

1059
00:44:34,849 --> 00:44:32,040
a lot of the answers uh science gives us

1060
00:44:38,089 --> 00:44:34,859
a lot of the answers the the problem in

1061
00:44:38,870 --> 00:44:38,099
my opinion is the interpreters of that

1062
00:44:41,809 --> 00:44:38,880
science

1063
00:44:43,790 --> 00:44:41,819

and I'll even say go to religion the

1064

00:44:45,829 --> 00:44:43,800

problem is not the Bibles

1065

00:44:47,710 --> 00:44:45,839

the problems the individual trying to

1066

00:44:49,970 --> 00:44:47,720

interpret the Bible from a limited Place

1067

00:44:51,349 --> 00:44:49,980

operating out of an egoic standpoint

1068

00:44:54,170 --> 00:44:51,359

that's where corruption comes from

1069

00:44:56,510 --> 00:44:54,180

that's where control comes from so it's

1070

00:44:58,609 --> 00:44:56,520

it's it's us as the interpreters that

1071

00:45:00,770 --> 00:44:58,619

have to shift it's not the science that

1072

00:45:02,870 --> 00:45:00,780

needs to change because the Science is

1073

00:45:04,670 --> 00:45:02,880

based on a truth we're the ones that are

1074

00:45:06,349 --> 00:45:04,680

corrupting it and I say we as Humanity

1075

00:45:08,690 --> 00:45:06,359

you know we're we got to take

1076
00:45:11,569 --> 00:45:08,700
responsibility for that and start moving

1077
00:45:14,270 --> 00:45:11,579
past these limited belief systems where

1078
00:45:17,030 --> 00:45:14,280
even to what you said Jimmy of

1079
00:45:19,730 --> 00:45:17,040
were physically made of the same thing

1080
00:45:21,109 --> 00:45:19,740
so what makes us different there's got

1081
00:45:21,890 --> 00:45:21,119
to be something here that makes us

1082
00:45:23,270 --> 00:45:21,900
different

1083
00:45:26,030 --> 00:45:23,280
and then we have to ask the question

1084
00:45:28,190 --> 00:45:26,040
maybe it's more than physicality maybe

1085
00:45:31,490 --> 00:45:28,200
Jimmy church has a different light to

1086
00:45:34,430 --> 00:45:31,500
his you know molecules and atoms than

1087
00:45:36,170 --> 00:45:34,440
Jason does and and there is a Different

1088
00:45:39,050 --> 00:45:36,180

Light there is a different vibration of

1089

00:45:41,329 --> 00:45:39,060

being that you have maybe minuscule but

1090

00:45:43,309 --> 00:45:41,339

we have different frequencies that we

1091

00:45:44,930 --> 00:45:43,319

may be operating at you know you could

1092

00:45:48,109 --> 00:45:44,940

you could measure that too but it's

1093

00:45:49,370 --> 00:45:48,119

beyond what we see as measurements so my

1094

00:45:52,490 --> 00:45:49,380

point is

1095

00:45:54,410 --> 00:45:52,500

to what we're both saying here is we

1096

00:45:57,530 --> 00:45:54,420

have to start looking beyond the

1097

00:45:59,510 --> 00:45:57,540

Physical Realm and if we only look into

1098

00:46:01,970 --> 00:45:59,520

the Physical Realm because that's where

1099

00:46:04,010 --> 00:46:01,980

we have our ultimate certainty

1100

00:46:06,950 --> 00:46:04,020

we'll keep going in the same Circle over

1101
00:46:09,410 --> 00:46:06,960
and over again we've become Experts of

1102
00:46:12,349 --> 00:46:09,420
the third dimensional realm we know

1103
00:46:14,210 --> 00:46:12,359
nothing about everything above it and

1104
00:46:16,550 --> 00:46:14,220
everything above it is very important to

1105
00:46:19,190 --> 00:46:16,560
be able to operate in this 3D Physical

1106
00:46:21,770 --> 00:46:19,200
Realm in a much more productive way

1107
00:46:23,990 --> 00:46:21,780
is that what

1108
00:46:27,170 --> 00:46:24,000
um uh and I I don't want to sound

1109
00:46:30,109 --> 00:46:27,180
completely strange and Bonkers here sure

1110
00:46:33,950 --> 00:46:30,119
but is that what love is

1111
00:46:37,849 --> 00:46:33,960
is that what telepathy is two different

1112
00:46:40,370 --> 00:46:37,859
things right but it is an entangled

1113
00:46:43,130 --> 00:46:40,380

Connection in Mass

1114

00:46:45,470 --> 00:46:43,140

right where where where this is

1115

00:46:47,870 --> 00:46:45,480

happening and and we don't understand

1116

00:46:51,589 --> 00:46:47,880

why is it two people that become

1117

00:46:55,670 --> 00:46:51,599

entangled right is that what love is and

1118

00:46:58,970 --> 00:46:55,680

and this this entangled Bond or

1119

00:47:01,550 --> 00:46:58,980

telepathy or channeling or how ET is

1120

00:47:03,829 --> 00:47:01,560

communicating between Star systems

1121

00:47:06,410 --> 00:47:03,839

I'm I'm so happy that you're you're

1122

00:47:09,349 --> 00:47:06,420

choosing to go there right now because

1123

00:47:11,329 --> 00:47:09,359

in the world that we live in right now I

1124

00:47:13,670 --> 00:47:11,339

still see there are a lot of people that

1125

00:47:15,230 --> 00:47:13,680

that whenever they hear love and

1126

00:47:18,230 --> 00:47:15,240

speaking about love

1127

00:47:20,210 --> 00:47:18,240

somehow they turn it into this it's new

1128

00:47:22,609 --> 00:47:20,220

age and satanic and I don't understand

1129

00:47:25,069 --> 00:47:22,619

how anybody gets from love to New Age

1130

00:47:28,250 --> 00:47:25,079

and satanic because love is a frequency

1131

00:47:30,770 --> 00:47:28,260

love is is also by the way something

1132

00:47:32,750 --> 00:47:30,780

that can be measured to an extent you

1133

00:47:34,250 --> 00:47:32,760

see a different Aura to an individual

1134

00:47:36,589 --> 00:47:34,260

that you can measure a different energy

1135

00:47:38,870 --> 00:47:36,599

to an individual when they're depressed

1136

00:47:41,270 --> 00:47:38,880

versus when they're in love so there is

1137

00:47:43,730 --> 00:47:41,280

an energy to it and I do believe that

1138

00:47:46,670 --> 00:47:43,740

the difference between love and the

1139

00:47:50,349 --> 00:47:46,680

opposite let's say would be coherent

1140

00:47:53,990 --> 00:47:50,359

Fields coherent energy coherent movement

1141

00:47:57,589 --> 00:47:54,000

versus incoherent and and

1142

00:48:00,109 --> 00:47:57,599

just a lot of distortion in a field that

1143

00:48:02,630 --> 00:48:00,119

messes how energy moves through it and

1144

00:48:04,730 --> 00:48:02,640

there's proof for that as well names Dr

1145

00:48:07,730 --> 00:48:04,740

Massaro Emoto you probably heard of him

1146

00:48:10,250 --> 00:48:07,740

before he's done all experiments on

1147

00:48:12,470 --> 00:48:10,260

water is this man you know nothing

1148

00:48:15,470 --> 00:48:12,480

having to do with this he had a

1149

00:48:19,010 --> 00:48:15,480

hypothesis he said listen is it possible

1150

00:48:20,930 --> 00:48:19,020

at my emotions and then my words and

1151

00:48:24,530 --> 00:48:20,940

that my feelings and that my intentions

1152

00:48:26,870 --> 00:48:24,540

can impact the environment around me and

1153

00:48:30,109 --> 00:48:26,880

the way that he went to see

1154

00:48:32,030 --> 00:48:30,119

whether that hypothesis is true or not

1155

00:48:34,010 --> 00:48:32,040

or how to answer that question in the

1156

00:48:36,530 --> 00:48:34,020

first place was he took water

1157

00:48:39,170 --> 00:48:36,540

and water has a molecular formation

1158

00:48:40,609 --> 00:48:39,180

again anybody can you know even Google

1159

00:48:42,970 --> 00:48:40,619

this and search this up anywhere his

1160

00:48:47,510 --> 00:48:42,980

name is Dr Massaro

1161

00:48:50,329 --> 00:48:47,520

m-a-s-a-r-u Emoto e-m-o-t-o

1162

00:48:52,910 --> 00:48:50,339

unbelievable study very simple

1163

00:48:54,890 --> 00:48:52,920

he said I'm going to take water

1164

00:48:56,990 --> 00:48:54,900

first let's acknowledge the fact that

1165

00:48:57,829 --> 00:48:57,000

water does have a molecular structure to

1166

00:48:59,390 --> 00:48:57,839

it

1167

00:49:02,930 --> 00:48:59,400

now

1168

00:49:05,630 --> 00:49:02,940

if his hypothesis is correct that words

1169

00:49:06,890 --> 00:49:05,640

thoughts emotions intentions can affect

1170

00:49:08,390 --> 00:49:06,900

the environment around you and

1171

00:49:11,930 --> 00:49:08,400

specifically water

1172

00:49:13,730 --> 00:49:11,940

then holding or speaking to water in a

1173

00:49:15,770 --> 00:49:13,740

negative way would change the molecular

1174

00:49:18,170 --> 00:49:15,780

formation in a different way than

1175

00:49:20,450 --> 00:49:18,180

speaking to water in a positive way as

1176

00:49:23,270 --> 00:49:20,460

far as that sounds we could test that

1177

00:49:25,609 --> 00:49:23,280

under you know a molecular microscope

1178

00:49:27,650 --> 00:49:25,619

and see what's actually going on in the

1179

00:49:28,970 --> 00:49:27,660

formations of that water and lo and

1180

00:49:30,470 --> 00:49:28,980

behold and this is something that

1181

00:49:32,109 --> 00:49:30,480

everybody should definitely do their

1182

00:49:35,390 --> 00:49:32,119

research on because you see the pictures

1183

00:49:38,030 --> 00:49:35,400

themselves that he shared when he did

1184

00:49:41,690 --> 00:49:38,040

anything in the more coherent fields of

1185

00:49:44,630 --> 00:49:41,700

Love of unity of Peace of forgiveness of

1186

00:49:46,790 --> 00:49:44,640

compassion you would always see a

1187

00:49:50,569 --> 00:49:46,800

different shape but always symmetrical

1188

00:49:52,670 --> 00:49:50,579

coherent formations of that water some

1189

00:49:55,130 --> 00:49:52,680

look like snowflakes all these different

1190

00:49:58,490 --> 00:49:55,140

beautiful formations that you see real

1191

00:50:00,730 --> 00:49:58,500

sacred you know even coherent shapes

1192

00:50:05,030 --> 00:50:00,740

when he did the opposite to that water

1193

00:50:06,829 --> 00:50:05,040

angry angry water Vision all that and

1194

00:50:08,690 --> 00:50:06,839

looked under the the molecular

1195

00:50:11,690 --> 00:50:08,700

microscope and looked at those molecular

1196

00:50:14,510 --> 00:50:11,700

formations he saw distortions he saw

1197

00:50:17,089 --> 00:50:14,520

distorted figures and shapes now why is

1198

00:50:20,329 --> 00:50:17,099

that relevant why does that matter well

1199

00:50:24,290 --> 00:50:20,339

because you're made up of 70 water I'm

1200

00:50:26,630 --> 00:50:24,300

made up of 70 water when I curse you and

1201
00:50:29,809 --> 00:50:26,640
try to take you down not only am I

1202
00:50:32,510 --> 00:50:29,819
hurting you by ruining those formations

1203
00:50:35,210 --> 00:50:32,520
of water that energy moves through in

1204
00:50:37,490 --> 00:50:35,220
your body because energy water is a

1205
00:50:39,710 --> 00:50:37,500
conduit that energy moves through but in

1206
00:50:42,050 --> 00:50:39,720
addition to hurting you and I'm cursing

1207
00:50:44,390 --> 00:50:42,060
you I'm also hurting me because when I'm

1208
00:50:45,770 --> 00:50:44,400
speaking that hatred I'm messing you up

1209
00:50:47,870 --> 00:50:45,780
and I'm messing me up because that

1210
00:50:49,190 --> 00:50:47,880
resonance is hitting all the water in

1211
00:50:51,349 --> 00:50:49,200
that vicinity

1212
00:50:54,290 --> 00:50:51,359
so the reason why that's important is

1213
00:50:57,410 --> 00:50:54,300

again when you understand that water is

1214

00:50:59,930 --> 00:50:57,420

a conduit that energy moves through and

1215

00:51:02,870 --> 00:50:59,940

that's the difference between healthy

1216

00:51:05,270 --> 00:51:02,880

bodies and diseased bodies when there's

1217

00:51:08,450 --> 00:51:05,280

no ease of a flow of energy to move

1218

00:51:11,390 --> 00:51:08,460

through coherent formations of water in

1219

00:51:14,569 --> 00:51:11,400

your body energy gets stuck heart

1220

00:51:16,309 --> 00:51:14,579

attacks cancer diabetes depression those

1221

00:51:18,410 --> 00:51:16,319

things start to form

1222

00:51:20,329 --> 00:51:18,420

because everything starts spiritually

1223

00:51:23,150 --> 00:51:20,339

and energetically and ends up physically

1224

00:51:25,069 --> 00:51:23,160

in this you know world of of the

1225

00:51:26,569 --> 00:51:25,079

material so when we understand

1226

00:51:28,190 --> 00:51:26,579

everything that was just broken down

1227

00:51:29,690 --> 00:51:28,200

it's very simple stuff this isn't you

1228

00:51:31,910 --> 00:51:29,700

know far-fetched stuff this is stuff

1229

00:51:34,490 --> 00:51:31,920

with evidence that we've seen done that

1230

00:51:37,430 --> 00:51:34,500

we've seen proven you connect those dots

1231

00:51:40,370 --> 00:51:37,440

and you see the power of love bringing

1232

00:51:44,270 --> 00:51:40,380

back to to what you said love brings us

1233

00:51:47,270 --> 00:51:44,280

into coherency love I do believe is the

1234

00:51:49,730 --> 00:51:47,280

the formula here of fixing this world of

1235

00:51:51,349 --> 00:51:49,740

healing this world the movie The Fifth

1236

00:51:52,490 --> 00:51:51,359

Element what was The Fifth Element it

1237

00:51:56,450 --> 00:51:52,500

was love

1238

00:51:59,690 --> 00:51:56,460

beautiful message of that movie

1239

00:52:01,970 --> 00:51:59,700

so I I'm I'm so I'm just happy you you

1240

00:52:04,430 --> 00:52:01,980

brought that up because

1241

00:52:07,190 --> 00:52:04,440

in here

1242

00:52:10,849 --> 00:52:07,200

oh man I don't want to make light of uh

1243

00:52:13,910 --> 00:52:10,859

upset but you know take something like

1244

00:52:16,430 --> 00:52:13,920

uh you know if we discuss what

1245

00:52:18,770 --> 00:52:16,440

entanglement is where you've got

1246

00:52:21,890 --> 00:52:18,780

particles that you know and so you bring

1247

00:52:24,109 --> 00:52:21,900

two bodies together right and and

1248

00:52:25,970 --> 00:52:24,119

something's going to happen and if you

1249

00:52:29,150 --> 00:52:25,980

do it over an extended period of time

1250

00:52:32,270 --> 00:52:29,160

well I'll give you an example

1251
00:52:33,710 --> 00:52:32,280
um and you can use this in in in many

1252
00:52:38,470 --> 00:52:33,720
different ways but

1253
00:52:42,650 --> 00:52:38,480
think of like a crew of a submarine

1254
00:52:43,730 --> 00:52:42,660
confined space right underwater for two

1255
00:52:46,549 --> 00:52:43,740
months

1256
00:52:50,450 --> 00:52:46,559
rubbing up against each other right the

1257
00:52:52,370 --> 00:52:50,460
crew smelling each other and doing all

1258
00:52:53,930 --> 00:52:52,380
that and then they come they come up and

1259
00:52:57,290 --> 00:52:53,940
they go man

1260
00:53:00,170 --> 00:52:57,300
we're friends for life

1261
00:53:03,829 --> 00:53:00,180
right yeah of course you are yeah that

1262
00:53:05,510 --> 00:53:03,839
whole crew is entangled

1263
00:53:08,210 --> 00:53:05,520

right do you understand they're friends

1264

00:53:11,809 --> 00:53:08,220

for life there's no way that that bond

1265

00:53:13,370 --> 00:53:11,819

is going to be broken and and I I

1266

00:53:16,670 --> 00:53:13,380

believe that this is something that is

1267

00:53:21,290 --> 00:53:16,680

real when we when we try to understand

1268

00:53:23,390 --> 00:53:21,300

these Concepts and when uh physics is

1269

00:53:26,630 --> 00:53:23,400

telling us about the Multiverse or

1270

00:53:29,170 --> 00:53:26,640

parallel worlds or 11 dimensions in

1271

00:53:32,049 --> 00:53:29,180

string theory and and

1272

00:53:35,870 --> 00:53:32,059

of course uh Quantum entangle bit

1273

00:53:39,230 --> 00:53:35,880

entanglement uh qubits quantum computers

1274

00:53:41,809 --> 00:53:39,240

but observation measurement you start

1275

00:53:45,290 --> 00:53:41,819

talking about all of this this is truly

1276
00:53:48,530 --> 00:53:45,300
uh Blackmagic stuff but to understand

1277
00:53:50,030 --> 00:53:48,540
how all of this works it's it's almost

1278
00:53:53,930 --> 00:53:50,040
faith

1279
00:53:59,450 --> 00:53:53,940
where you have to apply that uh to this

1280
00:54:01,609 --> 00:53:59,460
observation right I that I really well

1281
00:54:03,770 --> 00:54:01,619
that's based on faith now they can

1282
00:54:06,770 --> 00:54:03,780
measure it and quantify it later right

1283
00:54:08,690 --> 00:54:06,780
but to under and and for the rest of the

1284
00:54:10,910 --> 00:54:08,700
world to understand this there's

1285
00:54:12,849 --> 00:54:10,920
something else here going on that we

1286
00:54:15,109 --> 00:54:12,859
just don't understand Jason

1287
00:54:17,630 --> 00:54:15,119
Consciousness is the foundation of it

1288
00:54:19,430 --> 00:54:17,640

Jimmy you know another perfect example

1289

00:54:22,309 --> 00:54:19,440

you just reminded me of this one with

1290

00:54:25,010 --> 00:54:22,319

the submarine example a perfect example

1291

00:54:27,349 --> 00:54:25,020

of entanglement call it bio-resonance

1292

00:54:28,250 --> 00:54:27,359

whatever you want to call it is when

1293

00:54:31,069 --> 00:54:28,260

women

1294

00:54:32,990 --> 00:54:31,079

live together work together

1295

00:54:34,510 --> 00:54:33,000

a lot of them start syncing their

1296

00:54:37,910 --> 00:54:34,520

menstrual cycles

1297

00:54:42,589 --> 00:54:37,920

like what you know there is a field here

1298

00:54:44,690 --> 00:54:42,599

that connects us and not only is it that

1299

00:54:46,910 --> 00:54:44,700

take the menstrual cycle for example

1300

00:54:48,770 --> 00:54:46,920

that you can sync with you can also

1301
00:54:50,329 --> 00:54:48,780
bring that to health and you can also

1302
00:54:53,750 --> 00:54:50,339
bring that to sickness

1303
00:54:56,870 --> 00:54:53,760
so for for a very long time it's always

1304
00:54:58,190 --> 00:54:56,880
believed to be that I'm getting you sick

1305
00:54:59,569 --> 00:54:58,200
and you're getting me sick and that's

1306
00:55:02,630 --> 00:54:59,579
the only way that we can do something

1307
00:55:05,809 --> 00:55:02,640
like that but there's also a bioresonant

1308
00:55:08,329 --> 00:55:05,819
field over here where instead of The

1309
00:55:10,849 --> 00:55:08,339
Germ that's getting you sick it's also

1310
00:55:13,549 --> 00:55:10,859
not the terrain on that side but there

1311
00:55:16,190 --> 00:55:13,559
is a bioresonant field over here where

1312
00:55:18,049 --> 00:55:16,200
when enough people are getting sick it's

1313
00:55:19,549 --> 00:55:18,059

not that you're passing it to each other

1314

00:55:21,650 --> 00:55:19,559

physically again that's on the Physical

1315

00:55:24,290 --> 00:55:21,660

Realm it's more than that it's you're

1316

00:55:26,270 --> 00:55:24,300

tuning into this Collective frequency of

1317

00:55:27,470 --> 00:55:26,280

either sickness or health and that can

1318

00:55:29,030 --> 00:55:27,480

be productive and that can be

1319

00:55:30,950 --> 00:55:29,040

counterproductive depending on the

1320

00:55:31,730 --> 00:55:30,960

environment and the terrain that you're

1321

00:55:38,390 --> 00:55:31,740

in

1322

00:55:40,549 --> 00:55:38,400

um another example of this and and I

1323

00:55:44,329 --> 00:55:40,559

love the water

1324

00:55:46,790 --> 00:55:44,339

um uh the two female roommates is really

1325

00:55:50,329 --> 00:55:46,800

here's another one

1326

00:55:52,490 --> 00:55:50,339

um I for I forget the principal uh that

1327

00:55:56,990 --> 00:55:52,500

uh the name of this

1328

00:56:00,890 --> 00:55:57,000

but you lay out say 50 metronomes

1329

00:56:03,589 --> 00:56:00,900

okay analog metronomes right tick tick

1330

00:56:05,750 --> 00:56:03,599

tick get them all out start them up and

1331

00:56:07,130 --> 00:56:05,760

they're all different they're all over

1332

00:56:09,770 --> 00:56:07,140

the place

1333

00:56:11,809 --> 00:56:09,780

give it a minute

1334

00:56:15,290 --> 00:56:11,819

they all sink up

1335

00:56:19,309 --> 00:56:15,300

that's cool yeah yeah yeah yeah why and

1336

00:56:23,390 --> 00:56:19,319

when you watch and uh there's there's a

1337

00:56:25,910 --> 00:56:23,400

lot of uh explanations for this they

1338

00:56:27,650 --> 00:56:25,920

think that they've solved it that part

1339

00:56:29,750 --> 00:56:27,660

doesn't matter

1340

00:56:32,569 --> 00:56:29,760

it happens

1341

00:56:34,970 --> 00:56:32,579

right and and we're talking about you

1342

00:56:36,890 --> 00:56:34,980

know something mechanical right that

1343

00:56:40,490 --> 00:56:36,900

that this is something you wind it up

1344

00:56:42,290 --> 00:56:40,500

right and it goes and it does this uh

1345

00:56:44,270 --> 00:56:42,300

it's pretty incredible to watch cool

1346

00:56:46,010 --> 00:56:44,280

same thing with tuning Forks by the way

1347

00:56:48,829 --> 00:56:46,020

you you could have a hundred tuning

1348

00:56:52,250 --> 00:56:48,839

Forks in a room and two of them are

1349

00:56:54,109 --> 00:56:52,260

tuned to let's say 432 Hertz when you

1350

00:56:55,190 --> 00:56:54,119

hit one the only other tuning fork

1351
00:56:57,410 --> 00:56:55,200
that's going to start vibrating without

1352
00:56:59,150 --> 00:56:57,420
you touching it is the other one at 432

1353
00:57:01,069 --> 00:56:59,160
is that right yeah now that makes sense

1354
00:57:03,170 --> 00:57:01,079
too yeah yeah I don't

1355
00:57:04,730 --> 00:57:03,180
I yeah I don't need to be I don't need

1356
00:57:06,490 --> 00:57:04,740
to be sold on that one I'm already

1357
00:57:08,930 --> 00:57:06,500
buying but

1358
00:57:10,790 --> 00:57:08,940
it's just how it works yeah all these

1359
00:57:13,370 --> 00:57:10,800
examples are perfect examples to show

1360
00:57:15,290 --> 00:57:13,380
you know this greater unified field that

1361
00:57:17,270 --> 00:57:15,300
everything is connected to we need to

1362
00:57:19,549 --> 00:57:17,280
take a break uh let's get that in our

1363
00:57:23,089 --> 00:57:19,559

guest tonight the one and only

1364

00:57:24,589 --> 00:57:23,099

Jason sherka I'll be right back stay

1365

00:57:30,549 --> 00:57:24,599

with us

1366

00:57:35,930 --> 00:57:33,370

I didn't have it ready

1367

00:57:38,870 --> 00:57:35,940

to go like this I gotta go like this and

1368

00:57:39,770 --> 00:57:38,880

then I gotta go like this and then I can

1369

00:57:48,109 --> 00:57:39,780

go

1370

00:57:52,430 --> 00:57:50,030

Jimmy Church your Fade to Black please

1371

00:57:54,890 --> 00:57:52,440

visit all of our sponsors we're taking a

1372

00:57:56,030 --> 00:57:54,900

quick break here all of the links are

1373

00:57:59,150 --> 00:57:56,040

below

1374

00:58:01,430 --> 00:57:59,160

and we'll be right back

1375

00:58:02,410 --> 00:58:01,440

check out Billy Carson's Forbidden

1376

00:58:04,510 --> 00:58:02,420

Knowledge

1377

00:58:06,530 --> 00:58:04,520

forbiddenknowledge.com or

1378

00:58:10,430 --> 00:58:06,540

forbiddenknowledge.tv where you can get

1379

00:58:12,950 --> 00:58:10,440

access to over 6 000 videos movies TV

1380

00:58:14,930 --> 00:58:12,960

series exclusive documentaries like the

1381

00:58:16,390 --> 00:58:14,940

Black Knight satellite you can do it all

1382

00:58:19,849 --> 00:58:16,400

for just

1383

00:58:22,309 --> 00:58:19,859

7.77 per month or seventy seven dollars

1384

00:58:24,410 --> 00:58:22,319

per year after the three-day trial which

1385

00:58:27,170 --> 00:58:24,420

is also totally free to check out it's

1386

00:58:28,990 --> 00:58:27,180

all simple to do Billy Carson is the

1387

00:58:30,650 --> 00:58:29,000

best it's simple

1388

00:58:33,410 --> 00:58:30,660

forbiddenknowledge.com or

1389

00:58:37,609 --> 00:58:33,420

forbiddenknowledge dot TV that's the

1390

00:58:41,990 --> 00:58:39,589

I will be hosting an M seeing the

1391

00:58:44,569 --> 00:58:42,000

conscious life Expo this February 10th

1392

00:58:47,510 --> 00:58:44,579

through the 13th at The Lax Hilton right

1393

00:58:49,609 --> 00:58:47,520

here in Los Angeles California 200

1394

00:58:51,710 --> 00:58:49,619

speakers including Linda Moulton Howe

1395

00:58:54,170 --> 00:58:51,720

Bashar Deborah King George Nori Daniel

1396

00:58:57,650 --> 00:58:54,180

Sheehan Scott Walter Sean Stone and

1397

00:59:01,430 --> 00:58:57,660

David Wolfe over 200 vendors special

1398

00:59:04,190 --> 00:59:01,440

events this is the biggest event of its

1399

00:59:06,170 --> 00:59:04,200

kind on planet Earth you've got to come

1400

00:59:08,870 --> 00:59:06,180

and hang out with all of us tickets and

1401
00:59:10,670 --> 00:59:08,880
info at consciouslifeexpo.com the links

1402
00:59:13,849 --> 00:59:10,680
are below

1403
00:59:17,030 --> 00:59:13,859
on Saturday April 1st that's right April

1404
00:59:19,190 --> 00:59:17,040
Fool's Day 2023 I will be hosting the

1405
00:59:22,730 --> 00:59:19,200
peripod festival at the Hyatt Regency

1406
00:59:25,250 --> 00:59:22,740
right here in Valencia California it's a

1407
00:59:28,250 --> 00:59:25,260
live one-day podcast Awards it's a film

1408
00:59:30,289 --> 00:59:28,260
festival it's a full-on media event

1409
00:59:32,150 --> 00:59:30,299
we're going to have Sky watching there's

1410
00:59:34,970 --> 00:59:32,160
going to be a Lifetime Achievement Award

1411
00:59:37,010 --> 00:59:34,980
presented to Linda Moulton Howe right

1412
00:59:38,990 --> 00:59:37,020
now you can submit your podcast to your

1413
00:59:41,750 --> 00:59:39,000

film your TV series any of your

1414

00:59:43,670 --> 00:59:41,760

paranormal media for consideration you

1415

00:59:46,870 --> 00:59:43,680

can do all of that on the links below

1416

00:59:48,770 --> 00:59:46,880

for info and tickets go to

1417

00:59:51,849 --> 00:59:48,780

parapodfilmfest.com that's

1418

00:59:57,530 --> 00:59:55,910

April 7th through the 14th 2023 I'll be

1419

01:00:00,470 --> 00:59:57,540

hosting a presenting on the hidden

1420

01:00:03,109 --> 01:00:00,480

secrets seminar at Sea cruise from Los

1421

01:00:05,450 --> 01:00:03,119

Angeles to the Mexican Riviera I'm the

1422

01:00:08,030 --> 01:00:05,460

Navigator of the Seas that's right up

1423

01:00:09,710 --> 01:00:08,040

top a giant water slide you've got to

1424

01:00:11,630 --> 01:00:09,720

check out the Navigator of the Seas it's

1425

01:00:13,970 --> 01:00:11,640

amazing we've got Scott Walter Adam

1426

01:00:16,910 --> 01:00:13,980

Apollo Nick Pope Brad Olson Vivian

1427

01:00:19,190 --> 01:00:16,920

Chauvet Jason shirka Robert Grant Reuben

1428

01:00:21,530 --> 01:00:19,200

Langdon and another 12 amazing speakers

1429

01:00:22,930 --> 01:00:21,540

and presenters it's all simple to do

1430

01:00:25,370 --> 01:00:22,940

just visit

1431

01:00:29,089 --> 01:00:25,380

divinetravels.com forward slash hidden

1432

01:00:31,309 --> 01:00:29,099

secrets 2023 you know you want to go on

1433

01:00:34,730 --> 01:00:31,319

a cruise with me

1434

01:00:37,549 --> 01:00:34,740

River Moon coffee makers of the Fade to

1435

01:00:39,370 --> 01:00:37,559

Black blend truly the best coffee on

1436

01:00:41,690 --> 01:00:39,380

planet Earth just visit

1437

01:00:43,490 --> 01:00:41,700

rivermoonwellness.com or or their Amazon

1438

01:00:44,930 --> 01:00:43,500

store it's all simple to do you can

1439

01:00:47,030 --> 01:00:44,940

check out the Fade to Black blend the

1440

01:00:49,670 --> 01:00:47,040

game changer Blend or any of their black

1441

01:00:53,450 --> 01:00:49,680

moon wellness products it's the only

1442

01:00:59,150 --> 01:00:53,460

coffee I drink it is the best and it's

1443

01:01:04,010 --> 01:01:01,970

all right welcome back I am your host

1444

01:01:07,670 --> 01:01:04,020

Jimmy church this is Fade to Black our

1445

01:01:10,250 --> 01:01:07,680

guest tonight Jason sherka and uh Jason

1446

01:01:13,970 --> 01:01:10,260

uh you and I got two big events coming

1447

01:01:17,990 --> 01:01:13,980

up here very soon uh conscious life Expo

1448

01:01:19,450 --> 01:01:18,000

uh and uh the seminar at Sea cruise and

1449

01:01:22,370 --> 01:01:19,460

what are you going to be speaking about

1450

01:01:24,589 --> 01:01:22,380

uh this time around at uh the conscious

1451

01:01:26,510 --> 01:01:24,599

life Expo so this is going to be a

1452

01:01:27,230 --> 01:01:26,520

really interesting one

1453

01:01:30,470 --> 01:01:27,240

um

1454

01:01:31,849 --> 01:01:30,480

the name of my my talk is called we are

1455

01:01:35,510 --> 01:01:31,859

the white hats

1456

01:01:37,130 --> 01:01:35,520

and the purpose of the presentation

1457

01:01:39,170 --> 01:01:37,140

and it's going to be a long one with a

1458

01:01:41,210 --> 01:01:39,180

lot of in-depth detail but the overall

1459

01:01:43,069 --> 01:01:41,220

purpose is to

1460

01:01:43,970 --> 01:01:43,079

you know really remind people that this

1461

01:01:45,470 --> 01:01:43,980

this

1462

01:01:48,589 --> 01:01:45,480

process that we're going through right

1463

01:01:50,930 --> 01:01:48,599

now is not supposed to be something that

1464

01:01:52,910 --> 01:01:50,940

we externalize to anybody outside of us

1465

01:01:54,829 --> 01:01:52,920

and there's been you know a lot of

1466

01:01:56,030 --> 01:01:54,839

narratives going on over the past two

1467

01:01:58,430 --> 01:01:56,040

years

1468

01:02:00,789 --> 01:01:58,440

causing people to externalize their

1469

01:02:03,230 --> 01:02:00,799

power and even if that's for good reason

1470

01:02:05,270 --> 01:02:03,240

externalizing power is not something

1471

01:02:06,470 --> 01:02:05,280

that I stand for whatsoever because the

1472

01:02:08,569 --> 01:02:06,480

only way we're getting out of this mess

1473

01:02:10,490 --> 01:02:08,579

is by taking responsibility for

1474

01:02:11,809 --> 01:02:10,500

ourselves and doing what needs to be

1475

01:02:14,150 --> 01:02:11,819

done to make this world a better place

1476

01:02:16,730 --> 01:02:14,160

taking action instead of waiting for a

1477

01:02:19,250 --> 01:02:16,740

savior to do it for us so the reason why

1478

01:02:20,569 --> 01:02:19,260

it's called we are the white hats is

1479

01:02:22,370 --> 01:02:20,579

because again a lot of people speak

1480

01:02:23,569 --> 01:02:22,380

about white hat operations and there are

1481

01:02:25,609 --> 01:02:23,579

a lot of things going on behind the

1482

01:02:27,410 --> 01:02:25,619

scenes some things I'm even directly

1483

01:02:30,530 --> 01:02:27,420

affiliated with but that's not to be

1484

01:02:32,690 --> 01:02:30,540

confused with the fact that we still

1485

01:02:35,450 --> 01:02:32,700

have to do the work of humanity because

1486

01:02:37,370 --> 01:02:35,460

humanity is responsible for Humanity and

1487

01:02:39,530 --> 01:02:37,380

this isn't going to end in terms of this

1488

01:02:41,210 --> 01:02:39,540

you know darkness in the world today by

1489

01:02:43,609 --> 01:02:41,220

just waiting for the next savior to come

1490

01:02:46,910 --> 01:02:43,619

and do it for us so it's it's going to

1491

01:02:49,549 --> 01:02:46,920

be me giving an in-depth background into

1492

01:02:52,010 --> 01:02:49,559

my story over the past four years I am

1493

01:02:55,010 --> 01:02:52,020

affiliated with an organization known as

1494

01:02:58,910 --> 01:02:55,020

TLS the light system I will be speaking

1495

01:03:01,849 --> 01:02:58,920

alongside Dr Sandra Rose Michael who by

1496

01:03:05,210 --> 01:03:01,859

the way they approached back in 2011 so

1497

01:03:07,430 --> 01:03:05,220

before I even knew they existed and my

1498

01:03:09,829 --> 01:03:07,440

job six months ago was to interview her

1499

01:03:11,510 --> 01:03:09,839

and bring attention to her technology

1500

01:03:12,890 --> 01:03:11,520

called the energy enhancement system

1501
01:03:14,210 --> 01:03:12,900
which is helping tons of people around

1502
01:03:16,010 --> 01:03:14,220
the world today

1503
01:03:17,510 --> 01:03:16,020
so we're going to be speaking about that

1504
01:03:18,710 --> 01:03:17,520
as well I'm going to be bringing that up

1505
01:03:20,390 --> 01:03:18,720
throughout the talk there are going to

1506
01:03:21,710 --> 01:03:20,400
be individuals that are affiliated with

1507
01:03:23,890 --> 01:03:21,720
that that are going to be at the

1508
01:03:26,390 --> 01:03:23,900
conversation at the Convention as well

1509
01:03:27,829 --> 01:03:26,400
and it's it's just going to be a really

1510
01:03:30,770 --> 01:03:27,839
unique and different sort of

1511
01:03:32,329 --> 01:03:30,780
presentation that I can I can definitely

1512
01:03:34,490 --> 01:03:32,339
guarantee are going to be things that

1513
01:03:36,650 --> 01:03:34,500

are shared there that you haven't heard

1514

01:03:38,750 --> 01:03:36,660

from other individuals before simply

1515

01:03:40,130 --> 01:03:38,760

because there are things gonna that I'm

1516

01:03:43,130 --> 01:03:40,140

going to be sharing for my own personal

1517

01:03:44,690 --> 01:03:43,140

experience with individuals that I've

1518

01:03:46,490 --> 01:03:44,700

you know had the privilege and honor to

1519

01:03:48,650 --> 01:03:46,500

work with over the past few years behind

1520

01:03:51,650 --> 01:03:48,660

the scenes of course and then two weeks

1521

01:03:53,809 --> 01:03:51,660

later a seminar at Sea cruise

1522

01:03:56,210 --> 01:03:53,819

um we'll be doing that together is that

1523

01:03:58,510 --> 01:03:56,220

two weeks or two one two three Ben I'm

1524

01:04:02,510 --> 01:03:58,520

doing three events back

1525

01:04:04,849 --> 01:04:02,520

so uh but anyway so uh we're gonna uh

1526

01:04:07,490 --> 01:04:04,859

head down through uh the Mexican uh

1527

01:04:09,049 --> 01:04:07,500

Riviera together and yeah you and I are

1528

01:04:11,470 --> 01:04:09,059

going to definitely hit that water slide

1529

01:04:16,089 --> 01:04:14,089

but uh what are you going to do what are

1530

01:04:19,490 --> 01:04:16,099

are going to speak about on the cruise

1531

01:04:22,010 --> 01:04:19,500

absolutely so I I want to bring in the

1532

01:04:23,569 --> 01:04:22,020

component more in depth of the

1533

01:04:25,370 --> 01:04:23,579

organization that I work with to give

1534

01:04:27,410 --> 01:04:25,380

people more understandings ultimately

1535

01:04:29,150 --> 01:04:27,420

it's called the hidden secrets Cruise so

1536

01:04:31,069 --> 01:04:29,160

there's going to be things that I'd like

1537

01:04:33,289 --> 01:04:31,079

to reveal and disclose and share to the

1538

01:04:34,789 --> 01:04:33,299

best of my ability whatever I can at

1539

01:04:37,010 --> 01:04:34,799

that point on the cruise as well in

1540

01:04:39,109 --> 01:04:37,020

person a very intimate way to give

1541

01:04:41,030 --> 01:04:39,119

people a broader understanding of what

1542

01:04:43,910 --> 01:04:41,040

is this organization how do they work

1543

01:04:45,650 --> 01:04:43,920

where are they from you know all the

1544

01:04:48,349 --> 01:04:45,660

details that can be shared over there

1545

01:04:49,970 --> 01:04:48,359

that I find amazing and in addition to

1546

01:04:52,849 --> 01:04:49,980

that I'm also going to be doing a

1547

01:04:55,849 --> 01:04:52,859

workshop on manifestation teaching

1548

01:04:59,030 --> 01:04:55,859

individuals actual formulas of how do we

1549

01:05:01,490 --> 01:04:59,040

use speech action thought the state of

1550

01:05:03,890 --> 01:05:01,500

doing coupled with the state of being in

1551
01:05:05,450 --> 01:05:03,900
a very practical way to create the world

1552
01:05:07,190 --> 01:05:05,460
and to create the life that we want to

1553
01:05:09,470 --> 01:05:07,200
live in so I'm going to be offering

1554
01:05:12,410 --> 01:05:09,480
actual formulas not just philosophy here

1555
01:05:14,030 --> 01:05:12,420
but how to actually do it step by step

1556
01:05:15,829 --> 01:05:14,040
by step I've written a couple books

1557
01:05:18,109 --> 01:05:15,839
books about it and I'm just going to be

1558
01:05:20,750 --> 01:05:18,119
bringing that you know In the Flesh and

1559
01:05:23,390 --> 01:05:20,760
really giving a step-by-step work man

1560
01:05:26,089 --> 01:05:23,400
I'm in I'm in I'm in it's gonna be good

1561
01:05:28,670 --> 01:05:26,099
I'm in well I I have to be in we're on a

1562
01:05:36,829 --> 01:05:33,829
um the uh the idea and I'm glad uh that

1563
01:05:39,829 --> 01:05:36,839

you brought up uh water structure and

1564

01:05:42,410 --> 01:05:39,839

negativity and and how our bodies are

1565

01:05:47,450 --> 01:05:42,420

you know made up of water right and and

1566

01:05:50,630 --> 01:05:47,460

there is uh something I discovered that

1567

01:05:52,010 --> 01:05:50,640

not because of YouTube and those videos

1568

01:05:54,109 --> 01:05:52,020

are incredible by the way they're

1569

01:05:56,049 --> 01:05:54,119

incredible not because of that I I went

1570

01:06:00,230 --> 01:05:56,059

through a physical thing

1571

01:06:02,450 --> 01:06:00,240

uh watching the news one day and I

1572

01:06:04,130 --> 01:06:02,460

didn't I had done three or four days

1573

01:06:06,049 --> 01:06:04,140

without the news I was off you know

1574

01:06:08,329 --> 01:06:06,059

conference

1575

01:06:11,349 --> 01:06:08,339

and uh you know walk through the house

1576

01:06:15,109 --> 01:06:11,359

turn on the TV you know the news is on

1577

01:06:18,470 --> 01:06:15,119

whatever you know Isis burning people in

1578

01:06:20,150 --> 01:06:18,480

cages whatever it was right and it's wow

1579

01:06:23,870 --> 01:06:20,160

I was like I'm done

1580

01:06:27,230 --> 01:06:23,880

I'm done I I physically

1581

01:06:28,970 --> 01:06:27,240

I I felt it and I didn't dig it I

1582

01:06:31,130 --> 01:06:28,980

haven't watched the news since I haven't

1583

01:06:34,250 --> 01:06:31,140

I have not it's been

1584

01:06:36,829 --> 01:06:34,260

this is uh we're almost in 2023 so I'm

1585

01:06:39,829 --> 01:06:36,839

gonna say eight years probably

1586

01:06:42,490 --> 01:06:39,839

um but

1587

01:06:47,870 --> 01:06:42,500

um I I don't let it affect me

1588

01:06:51,770 --> 01:06:47,880

and I apply that same modality to social

1589

01:06:56,150 --> 01:06:51,780

media now I use social media for as a

1590

01:06:59,329 --> 01:06:56,160

tool for my own reasons but I don't use

1591

01:07:02,750 --> 01:06:59,339

it for negativity and I not only don't

1592

01:07:03,529 --> 01:07:02,760

spread it but I don't allow it to affect

1593

01:07:05,349 --> 01:07:03,539

me

1594

01:07:09,349 --> 01:07:05,359

but today

1595

01:07:12,770 --> 01:07:09,359

externally the giver and taker of of

1596

01:07:15,410 --> 01:07:12,780

these things that happen on social media

1597

01:07:16,670 --> 01:07:15,420

is starting to affect the world in a

1598

01:07:18,710 --> 01:07:16,680

global sense and people want to say

1599

01:07:21,589 --> 01:07:18,720

we're all Angry everybody's fighting

1600

01:07:25,910 --> 01:07:21,599

everybody's doing and and they don't

1601
01:07:28,910 --> 01:07:25,920
want to address the problem

1602
01:07:33,109 --> 01:07:28,920
right and it's social media affecting

1603
01:07:36,950 --> 01:07:33,119
our water right in our bodies

1604
01:07:39,529 --> 01:07:36,960
I think I think anything that leads you

1605
01:07:41,270 --> 01:07:39,539
I'm going to change the word think to

1606
01:07:43,789 --> 01:07:41,280
its effect because we've seen these

1607
01:07:45,230 --> 01:07:43,799
studies anything that impacts you

1608
01:07:47,089 --> 01:07:45,240
negatively

1609
01:07:49,130 --> 01:07:47,099
is impacting the water in your body

1610
01:07:52,670 --> 01:07:49,140
that's why it's impacting you negatively

1611
01:07:55,910 --> 01:07:52,680
if it's bringing up feelings of of

1612
01:08:00,410 --> 01:07:55,920
jealousy of animosity of feeling left

1613
01:08:02,450 --> 01:08:00,420

out of anger of any of that those are

1614

01:08:04,549 --> 01:08:02,460

all frequencies that's what emotions are

1615

01:08:07,370 --> 01:08:04,559

they can be measured in frequency energy

1616

01:08:10,069 --> 01:08:07,380

vibration that literally distort the

1617

01:08:12,950 --> 01:08:10,079

water in your body and thus again as we

1618

01:08:15,470 --> 01:08:12,960

said earlier lead you to a body that

1619

01:08:17,390 --> 01:08:15,480

isn't coherent anymore and when you have

1620

01:08:21,110 --> 01:08:17,400

a body that's not coherent anymore you

1621

01:08:23,209 --> 01:08:21,120

have dis ease dis-ease in the body calls

1622

01:08:26,390 --> 01:08:23,219

and causes for for you know those

1623

01:08:27,709 --> 01:08:26,400

manifestations of diseases to to come up

1624

01:08:32,329 --> 01:08:27,719

so

1625

01:08:34,970 --> 01:08:32,339

do it's my job it's what I do you know

1626

01:08:35,930 --> 01:08:34,980

every day I'm on it often but not as a

1627

01:08:38,990 --> 01:08:35,940

receiver

1628

01:08:41,329 --> 01:08:39,000

on that I'm on that to do what I'm here

1629

01:08:44,209 --> 01:08:41,339

to do and I leave and then I go open up

1630

01:08:46,550 --> 01:08:44,219

my books and I read and I write and I

1631

01:08:48,650 --> 01:08:46,560

and I do what I got to do and I I stay

1632

01:08:50,870 --> 01:08:48,660

in that world to the best of my ability

1633

01:08:52,849 --> 01:08:50,880

do I get distracted sometimes yes

1634

01:08:54,470 --> 01:08:52,859

because we're human and you can get

1635

01:08:57,950 --> 01:08:54,480

scrolling and it keeps going and never

1636

01:09:01,189 --> 01:08:57,960

ends but I I don't generally use social

1637

01:09:03,769 --> 01:09:01,199

media as a tool to consume I use social

1638

01:09:06,610 --> 01:09:03,779

media as a tool to produce

1639

01:09:09,709 --> 01:09:06,620

and now uh let's change gears all right

1640

01:09:11,749 --> 01:09:09,719

let's uh let's we're at a fork in the

1641

01:09:15,050 --> 01:09:11,759

road we're gonna go right I was gonna go

1642

01:09:18,010 --> 01:09:15,060

left let's go right let's go right

1643

01:09:23,990 --> 01:09:18,020

um the uh

1644

01:09:25,669 --> 01:09:24,000

two two areas we're gonna jump into one

1645

01:09:26,749 --> 01:09:25,679

um is

1646

01:09:30,050 --> 01:09:26,759

ET

1647

01:09:33,050 --> 01:09:30,060

I've seen a lot of crazy things okay I

1648

01:09:36,169 --> 01:09:33,060

have I have I haven't been abducted I

1649

01:09:38,329 --> 01:09:36,179

haven't been on some uh operating table

1650

01:09:42,110 --> 01:09:38,339

you know stainless steel and a round

1651
01:09:44,329 --> 01:09:42,120
room haven't haven't gone that far yet

1652
01:09:46,070 --> 01:09:44,339
um that I know of

1653
01:09:51,910 --> 01:09:46,080
but I've seen a lot of strange things

1654
01:09:54,910 --> 01:09:51,920
and it seems that the strange things

1655
01:09:57,590 --> 01:09:54,920
that happened

1656
01:10:00,290 --> 01:09:57,600
weren't coincidence

1657
01:10:02,870 --> 01:10:00,300
it was almost an invitation

1658
01:10:05,030 --> 01:10:02,880
and without going you know straight to

1659
01:10:08,450 --> 01:10:05,040
Crazy Town here

1660
01:10:11,150 --> 01:10:08,460
there seems to be a connection

1661
01:10:12,850 --> 01:10:11,160
how would E.T

1662
01:10:16,310 --> 01:10:12,860
no

1663
01:10:20,149 --> 01:10:16,320

that me and my friends on planet Earth

1664

01:10:24,470 --> 01:10:20,159

had very small spot right how would they

1665

01:10:27,590 --> 01:10:24,480

know that we are saying show yourselves

1666

01:10:30,649 --> 01:10:27,600

how how does that happen there's eight

1667

01:10:32,630 --> 01:10:30,659

billion people on this planet

1668

01:10:34,729 --> 01:10:32,640

to make it simple something called

1669

01:10:37,270 --> 01:10:34,739

Universal awareness

1670

01:10:41,350 --> 01:10:37,280

how does the cell in your pinky toe know

1671

01:10:44,090 --> 01:10:41,360

or let me change that how does the the

1672

01:10:46,430 --> 01:10:44,100

brain know when there's something going

1673

01:10:48,530 --> 01:10:46,440

on in the cell in your pinky toe or in

1674

01:10:50,810 --> 01:10:48,540

your pinky toe it's very far compared to

1675

01:10:53,570 --> 01:10:50,820

the size of the body it's trillions of

1676

01:10:56,630 --> 01:10:53,580

cells away and yet it knows

1677

01:10:58,810 --> 01:10:56,640

and it knows because within our bodies

1678

01:11:01,250 --> 01:10:58,820

there's a universal awareness there's

1679

01:11:02,810 --> 01:11:01,260

interconnectivity so what happens on one

1680

01:11:05,330 --> 01:11:02,820

side impacts the other and everything

1681

01:11:06,590 --> 01:11:05,340

can feel everything whether we feel it

1682

01:11:08,870 --> 01:11:06,600

consciously or not is a whole different

1683

01:11:10,070 --> 01:11:08,880

story but everything can feel everything

1684

01:11:11,930 --> 01:11:10,080

in the body

1685

01:11:14,870 --> 01:11:11,940

I think that that's what we need to get

1686

01:11:17,630 --> 01:11:14,880

to as human beings by the way a state of

1687

01:11:19,970 --> 01:11:17,640

collective Universal awareness we know

1688

01:11:21,709 --> 01:11:19,980

we're not there by the way because so

1689

01:11:23,630 --> 01:11:21,719

long as there's a starving child in

1690

01:11:25,910 --> 01:11:23,640

Africa you know there's a genocide going

1691

01:11:28,189 --> 01:11:25,920

on in Syria all these things that are

1692

01:11:30,110 --> 01:11:28,199

going on and we're just okay with it we

1693

01:11:31,130 --> 01:11:30,120

know that we're numb to that Universal

1694

01:11:34,070 --> 01:11:31,140

awareness

1695

01:11:35,630 --> 01:11:34,080

I would go is to say these races that

1696

01:11:37,669 --> 01:11:35,640

you're talking about that have this

1697

01:11:39,350 --> 01:11:37,679

knowledge that have this feeling are

1698

01:11:41,209 --> 01:11:39,360

connected to Something That We're numb

1699

01:11:43,610 --> 01:11:41,219

to that eventually we will wake up to

1700

01:11:45,830 --> 01:11:43,620

which is a state of universal awareness

1701

01:11:48,950 --> 01:11:45,840

it's a it's a spiritually Advanced State

1702

01:11:50,630 --> 01:11:48,960

and I'm confident to say that even on

1703

01:11:52,970 --> 01:11:50,640

The Logical level that that we can kind

1704

01:11:55,189 --> 01:11:52,980

of break down over here because we know

1705

01:11:57,290 --> 01:11:55,199

that if they can get here

1706

01:12:00,770 --> 01:11:57,300

and we don't know how to get there just

1707

01:12:02,870 --> 01:12:00,780

yet publicly at least it must be more

1708

01:12:04,490 --> 01:12:02,880

advanced than us physically and if

1709

01:12:07,189 --> 01:12:04,500

they're more advanced than us physically

1710

01:12:09,229 --> 01:12:07,199

and they're that advanced and they still

1711

01:12:11,810 --> 01:12:09,239

haven't wiped themselves out like we did

1712

01:12:14,270 --> 01:12:11,820

back in Atlantis they must have the

1713

01:12:17,090 --> 01:12:14,280

spiritual maturity to go with it which

1714

01:12:19,370 --> 01:12:17,100

means that I think it's fair to say that

1715

01:12:21,050 --> 01:12:19,380

Universal awareness that spiritual

1716

01:12:23,330 --> 01:12:21,060

advancement is probably a part of their

1717

01:12:24,770 --> 01:12:23,340

day-to-day life

1718

01:12:28,550 --> 01:12:24,780

um I think that that would have to be

1719

01:12:31,070 --> 01:12:28,560

the case because they haven't invaded us

1720

01:12:33,050 --> 01:12:31,080

yeah that's another thing you know where

1721

01:12:34,630 --> 01:12:33,060

do we hear about invasions and all that

1722

01:12:39,050 --> 01:12:34,640

right

1723

01:12:41,630 --> 01:12:39,060

no continue it's all 70 years ago

1724

01:12:43,850 --> 01:12:41,640

there's been there's been a campaign uh

1725

01:12:45,530 --> 01:12:43,860

when you think UFO you think Invasion

1726

01:12:47,570 --> 01:12:45,540

when you think alien you think abduction

1727

01:12:50,990 --> 01:12:47,580

and everything that they've had us

1728

01:12:52,850 --> 01:12:51,000

associate with ETS which is negative in

1729

01:12:55,370 --> 01:12:52,860

many ways with the exception of the

1730

01:12:56,930 --> 01:12:55,380

movie E.T everything that they've had us

1731

01:12:58,790 --> 01:12:56,940

associate with ETS

1732

01:13:00,830 --> 01:12:58,800

is not what we experience in our

1733

01:13:03,050 --> 01:13:00,840

physical life so why is that the

1734

01:13:04,850 --> 01:13:03,060

association and then we have to start

1735

01:13:08,149 --> 01:13:04,860

asking well who's funding these movies

1736

01:13:10,669 --> 01:13:08,159

who's behind these industries and what

1737

01:13:12,649 --> 01:13:10,679

would they lose if we thought the

1738

01:13:15,350 --> 01:13:12,659

opposite of what those movies are trying

1739

01:13:17,510 --> 01:13:15,360

to tell us and what they would lose is

1740

01:13:20,209 --> 01:13:17,520

all of their power the reason for that

1741

01:13:22,550 --> 01:13:20,219

is because let's take the opposite of

1742

01:13:24,770 --> 01:13:22,560

what they're telling us about ETS let's

1743

01:13:26,630 --> 01:13:24,780

say that they're positive entities here

1744

01:13:29,149 --> 01:13:26,640

not to come and kill you and hurt you

1745

01:13:31,610 --> 01:13:29,159

and invade you but here to connect with

1746

01:13:33,350 --> 01:13:31,620

you and Unite with you intergalactically

1747

01:13:35,510 --> 01:13:33,360

and let's say they did have this

1748

01:13:37,070 --> 01:13:35,520

technology which I think is very fair to

1749

01:13:38,870 --> 01:13:37,080

say that you know it's pretty obvious at

1750

01:13:41,090 --> 01:13:38,880

this point but they do have this

1751
01:13:43,930 --> 01:13:41,100
technology that travels in ways that our

1752
01:13:47,350 --> 01:13:43,940
technology does not work at quite yet

1753
01:13:49,669 --> 01:13:47,360
intergalactically interdimensionally

1754
01:13:53,149 --> 01:13:49,679
anti-gravitational crafts things like

1755
01:13:55,550 --> 01:13:53,159
that with no gasoline or oil whatsoever

1756
01:13:57,590 --> 01:13:55,560
if we were to have that technology out

1757
01:13:59,510 --> 01:13:57,600
in the public today you'd have trillions

1758
01:14:02,030 --> 01:13:59,520
of dollars worth of Industries go bust

1759
01:14:05,030 --> 01:14:02,040
overnight and it just so happens to be

1760
01:14:06,770 --> 01:14:05,040
that the people behind Hollywood and the

1761
01:14:09,050 --> 01:14:06,780
movies and all that

1762
01:14:11,390 --> 01:14:09,060
are directly correlated to those very

1763
01:14:13,189 --> 01:14:11,400

very big corporations so if we follow

1764

01:14:15,649 --> 01:14:13,199

the money it becomes very obvious where

1765

01:14:17,570 --> 01:14:15,659

the motive is to keep us indoctrinated

1766

01:14:20,030 --> 01:14:17,580

to believe something about these beings

1767

01:14:22,490 --> 01:14:20,040

that they've never even proved to be the

1768

01:14:24,890 --> 01:14:22,500

case not in our physical experience at

1769

01:14:27,410 --> 01:14:24,900

all whatsoever so I think we have to

1770

01:14:29,510 --> 01:14:27,420

start you know

1771

01:14:32,630 --> 01:14:29,520

asking ourselves those questions again

1772

01:14:35,030 --> 01:14:32,640

is what we accepted as a truth of

1773

01:14:37,850 --> 01:14:35,040

they're bad they're evil they're satanic

1774

01:14:40,669 --> 01:14:37,860

they're they're demonic they're this is

1775

01:14:43,850 --> 01:14:40,679

it true or is it possible that it's not

1776

01:14:45,950 --> 01:14:43,860

true is it possible that there are races

1777

01:14:48,169 --> 01:14:45,960

out there that are here to unite with us

1778

01:14:49,729 --> 01:14:48,179

and again I'm not giving a conclusion or

1779

01:14:51,290 --> 01:14:49,739

an answer here I'm just I'm saying I

1780

01:14:54,350 --> 01:14:51,300

think we have to start asking that

1781

01:14:55,970 --> 01:14:54,360

question instead of just you know saying

1782

01:14:57,770 --> 01:14:55,980

this is the way it is because this is

1783

01:14:59,030 --> 01:14:57,780

these are the programs that we've been

1784

01:15:02,330 --> 01:14:59,040

taught to believe

1785

01:15:03,110 --> 01:15:02,340

we had two amazing breakthroughs uh this

1786

01:15:07,550 --> 01:15:03,120

week

1787

01:15:11,090 --> 01:15:07,560

uh astounding uh big big things that

1788

01:15:15,410 --> 01:15:11,100

were announced first last week was the

1789

01:15:16,610 --> 01:15:15,420

announcement of the creation of a

1790

01:15:21,110 --> 01:15:16,620

wormhole

1791

01:15:25,910 --> 01:15:21,120

Lawrence Livermore labs and the creation

1792

01:15:29,510 --> 01:15:25,920

of a wormhole and the passing of uh

1793

01:15:32,110 --> 01:15:29,520

Quantum data through it and in the press

1794

01:15:34,750 --> 01:15:32,120

release it stated

1795

01:15:39,890 --> 01:15:34,760

that this information

1796

01:15:42,290 --> 01:15:39,900

was indeed teleported now their words

1797

01:15:43,510 --> 01:15:42,300

not my sounds like I I wrote that press

1798

01:15:46,790 --> 01:15:43,520

release right

1799

01:15:49,729 --> 01:15:46,800

and then the you know there's always the

1800

01:15:53,450 --> 01:15:49,739

disclaimer at the end we're not saying

1801

01:15:57,709 --> 01:15:53,460

that we're ready to pass humans uh

1802

01:16:00,169 --> 01:15:57,719

through this but this is the future so

1803

01:16:02,630 --> 01:16:00,179

that we had that breakthrough I want

1804

01:16:06,290 --> 01:16:02,640

your comment on that because that is

1805

01:16:09,350 --> 01:16:06,300

truly the answer to uh traveling to the

1806

01:16:12,709 --> 01:16:09,360

stars and and and acceptance into some

1807

01:16:15,169 --> 01:16:12,719

Galactic Brotherhood Sisterhood is the

1808

01:16:17,750 --> 01:16:15,179

ability to go and see our neighbors and

1809

01:16:21,530 --> 01:16:17,760

and Friends uh there's that and then of

1810

01:16:23,410 --> 01:16:21,540

course yesterday uh it was two days ago

1811

01:16:27,290 --> 01:16:23,420

the press release came out but yesterday

1812

01:16:29,890 --> 01:16:27,300

uh our government uh came out and said

1813

01:16:34,030 --> 01:16:29,900

we have indeed

1814

01:16:38,750 --> 01:16:34,040

uh achieved Fusion

1815

01:16:40,729 --> 01:16:38,760

that that that's the two two huge right

1816

01:16:42,709 --> 01:16:40,739

right at the top of it I don't know what

1817

01:16:45,290 --> 01:16:42,719

would be bigger than these two

1818

01:16:49,310 --> 01:16:45,300

achievements other than uh of course the

1819

01:16:51,110 --> 01:16:49,320

discovery of of uh our uh E.T brothers

1820

01:16:54,470 --> 01:16:51,120

and sisters out there would would

1821

01:16:56,689 --> 01:16:54,480

probably uh Trump that uh did I say that

1822

01:16:57,669 --> 01:16:56,699

did I just go orange I didn't mean to go

1823

01:17:01,250 --> 01:16:57,679

on

1824

01:17:04,910 --> 01:17:01,260

but uh and you understand what I'm

1825

01:17:07,189 --> 01:17:04,920

saying two two huge achievements uh in

1826

01:17:10,490 --> 01:17:07,199

the same week

1827

01:17:14,570 --> 01:17:12,410

I'm gonna I'm gonna really say something

1828

01:17:17,450 --> 01:17:14,580

very simple here but I I really do

1829

01:17:20,030 --> 01:17:17,460

believe that it's like the foundation to

1830

01:17:22,310 --> 01:17:20,040

moving into the next steps in a

1831

01:17:23,990 --> 01:17:22,320

responsible way

1832

01:17:25,310 --> 01:17:24,000

both of the things that you just

1833

01:17:27,350 --> 01:17:25,320

explained

1834

01:17:29,270 --> 01:17:27,360

are very powerful with a lot of power

1835

01:17:31,669 --> 01:17:29,280

comes a lot of responsibility

1836

01:17:33,830 --> 01:17:31,679

by the way I don't believe those things

1837

01:17:36,169 --> 01:17:33,840

just happened two days ago no they did

1838

01:17:37,850 --> 01:17:36,179

not there all these things have been

1839

01:17:40,189 --> 01:17:37,860

happening for a very very long time this

1840

01:17:42,050 --> 01:17:40,199

is nothing new you know it's not a new

1841

01:17:43,550 --> 01:17:42,060

discovery it's just new to the public in

1842

01:17:45,169 --> 01:17:43,560

the way that it's coming out that's a

1843

01:17:46,910 --> 01:17:45,179

whole other narrative but that's that's

1844

01:17:49,370 --> 01:17:46,920

besides the point

1845

01:17:53,830 --> 01:17:49,380

my point is is

1846

01:17:56,570 --> 01:17:53,840

if we continue going down this physical

1847

01:17:59,270 --> 01:17:56,580

technological advancement

1848

01:18:01,370 --> 01:17:59,280

without and I'm gonna bring it back to

1849

01:18:04,189 --> 01:18:01,380

spirituality because we have to

1850

01:18:06,649 --> 01:18:04,199

if we if we continue advancing

1851

01:18:09,050 --> 01:18:06,659

physically with our technology

1852

01:18:11,689 --> 01:18:09,060

without maturing spiritually to

1853

01:18:13,790 --> 01:18:11,699

understand how to use that technology we

1854

01:18:15,110 --> 01:18:13,800

will have a repeat of things that have

1855

01:18:17,510 --> 01:18:15,120

happened in the past that have been

1856

01:18:19,910 --> 01:18:17,520

wiped out of our history books Atlantis

1857

01:18:23,750 --> 01:18:19,920

being one of them the problem in

1858

01:18:25,970 --> 01:18:23,760

Atlantis was the physical technology and

1859

01:18:28,430 --> 01:18:25,980

the technological developments

1860

01:18:29,870 --> 01:18:28,440

were surpassing their spiritual maturity

1861

01:18:31,669 --> 01:18:29,880

and what happens there you don't know

1862

01:18:33,709 --> 01:18:31,679

how to use what's in your hands you're

1863

01:18:36,050 --> 01:18:33,719

going to kill yourself you're gonna wipe

1864

01:18:38,510 --> 01:18:36,060

yourself out it's inevitable if you

1865

01:18:40,189 --> 01:18:38,520

don't have that spiritual maturity to

1866

01:18:42,649 --> 01:18:40,199

operate what it is that you're working

1867

01:18:45,169 --> 01:18:42,659

on and working with in your hands

1868

01:18:47,270 --> 01:18:45,179

we are at a very very big Turning Point

1869

01:18:48,649 --> 01:18:47,280

with those breakthroughs and I and I do

1870

01:18:51,110 --> 01:18:48,659

this because they're not breakthroughs

1871

01:18:53,270 --> 01:18:51,120

but they are now publicly being spoken

1872

01:18:54,950 --> 01:18:53,280

about and when they're publicly being

1873

01:18:56,990 --> 01:18:54,960

spoken about they will start being

1874

01:18:59,030 --> 01:18:57,000

publicly used because there has been

1875

01:19:00,950 --> 01:18:59,040

disclosures I call it more of a

1876

01:19:02,510 --> 01:19:00,960

disclosure than a breakthrough because

1877

01:19:03,410 --> 01:19:02,520

it's disclosure it's been here for a

1878

01:19:04,729 --> 01:19:03,420

long time

1879

01:19:07,189 --> 01:19:04,739

so

1880

01:19:10,970 --> 01:19:07,199

with that in mind

1881

01:19:13,550 --> 01:19:10,980

we must this this is a

1882

01:19:15,110 --> 01:19:13,560

a fork in the road right now we're

1883

01:19:17,030 --> 01:19:15,120

experiencing it

1884

01:19:18,350 --> 01:19:17,040

and the question is what are we going to

1885

01:19:21,410 --> 01:19:18,360

choose to do

1886

01:19:24,229 --> 01:19:21,420

are we going to take this

1887

01:19:26,149 --> 01:19:24,239

and not be mature with it and not be

1888

01:19:28,010 --> 01:19:26,159

responsible with it that will be our

1889

01:19:30,169 --> 01:19:28,020

demise and we're going to have a big

1890

01:19:32,390 --> 01:19:30,179

Wipeout event and we're going to start

1891

01:19:34,729 --> 01:19:32,400

fresh and you know we'll try it all over

1892

01:19:36,770 --> 01:19:34,739

again that doesn't need to happen it's

1893

01:19:39,290 --> 01:19:36,780

happened many times in the past we don't

1894

01:19:41,689 --> 01:19:39,300

need to repeat that history over again

1895

01:19:43,669 --> 01:19:41,699

if we can learn from our history

1896

01:19:45,169 --> 01:19:43,679

option number two which I think is the

1897

01:19:49,450 --> 01:19:45,179

obvious one that we we should probably

1898

01:19:52,370 --> 01:19:49,460

take is let's begin working on ourselves

1899

01:19:53,930 --> 01:19:52,380

consciously on ourselves on our level of

1900

01:19:56,930 --> 01:19:53,940

awareness Universal awareness

1901
01:20:00,470 --> 01:19:56,940
understanding our interconnectivity so

1902
01:20:03,770 --> 01:20:00,480
long as we think that we truly live in a

1903
01:20:06,590 --> 01:20:03,780
divided world without an interconnection

1904
01:20:08,630 --> 01:20:06,600
between all we will use this technology

1905
01:20:11,810 --> 01:20:08,640
in a horrific way

1906
01:20:13,689 --> 01:20:11,820
and by the way right now we still live

1907
01:20:15,709 --> 01:20:13,699
in that divided world that's why

1908
01:20:18,530 --> 01:20:15,719
pharmaceutical industry works on

1909
01:20:20,570 --> 01:20:18,540
reductionism not holism reductionism

1910
01:20:21,590 --> 01:20:20,580
means take this pill it's going to help

1911
01:20:24,050 --> 01:20:21,600
your heart we're going to give you

1912
01:20:25,189 --> 01:20:24,060
diabetes those are the side effects take

1913
01:20:27,050 --> 01:20:25,199

this pill it's going to help your

1914

01:20:29,209 --> 01:20:27,060

diabetes but your liver is going to be

1915

01:20:31,430 --> 01:20:29,219

shot you know take this pill it's going

1916

01:20:34,130 --> 01:20:31,440

to help your acne but your your might

1917

01:20:38,450 --> 01:20:34,140

have kidney failure because we're not

1918

01:20:40,490 --> 01:20:38,460

operating in a holistic Universal way of

1919

01:20:43,250 --> 01:20:40,500

universal awareness that will be

1920

01:20:44,990 --> 01:20:43,260

reflected everywhere else there's tons

1921

01:20:47,270 --> 01:20:45,000

of examples I can give of that but it's

1922

01:20:50,390 --> 01:20:47,280

not necessary right now the principle

1923

01:20:52,130 --> 01:20:50,400

here is in order for those things to be

1924

01:20:54,169 --> 01:20:52,140

used the right way and they're not bad

1925

01:20:57,169 --> 01:20:54,179

they could be used in a bad way they

1926

01:20:59,390 --> 01:20:57,179

could be used in incredible ways we must

1927

01:21:01,790 --> 01:20:59,400

start focusing on our level of

1928

01:21:03,649 --> 01:21:01,800

spirituality and that by the way does

1929

01:21:06,350 --> 01:21:03,659

not negate religion

1930

01:21:09,470 --> 01:21:06,360

that means that if you practice Judaism

1931

01:21:10,490 --> 01:21:09,480

Christianity Islam Buddhism whatever it

1932

01:21:11,930 --> 01:21:10,500

may be

1933

01:21:14,030 --> 01:21:11,940

if you haven't paid attention they all

1934

01:21:16,970 --> 01:21:14,040

say the same thing in a different way so

1935

01:21:19,669 --> 01:21:16,980

follow your path follow what speaks to

1936

01:21:21,770 --> 01:21:19,679

you follow what you want to follow but

1937

01:21:23,990 --> 01:21:21,780

find the principles that it's built on

1938

01:21:26,390 --> 01:21:24,000

they're all built on love it's the

1939

01:21:28,910 --> 01:21:26,400

interpreters the leaders that turned it

1940

01:21:30,830 --> 01:21:28,920

into Division and Corruption and hatred

1941

01:21:33,050 --> 01:21:30,840

that that's not what we need here

1942

01:21:35,390 --> 01:21:33,060

anymore so I'm not telling you to move

1943

01:21:37,430 --> 01:21:35,400

away from religion by telling you to

1944

01:21:39,649 --> 01:21:37,440

move into spirituality and I don't want

1945

01:21:42,530 --> 01:21:39,659

anybody to hear that what I'm saying is

1946

01:21:44,750 --> 01:21:42,540

move into the spirituality within the

1947

01:21:46,610 --> 01:21:44,760

religion that you identify with and

1948

01:21:50,030 --> 01:21:46,620

ultimately we will all come to that same

1949

01:21:51,709 --> 01:21:50,040

place of we may be different but we

1950

01:21:53,689 --> 01:21:51,719

respect each other and that's the unity

1951

01:21:55,930 --> 01:21:53,699

that we're talking about yeah yeah I go

1952

01:21:59,630 --> 01:21:55,940

to the church of woo

1953

01:22:02,450 --> 01:21:59,640

that's my church I'm the Reverend I love

1954

01:22:04,910 --> 01:22:02,460

you you're you're invited man it's an

1955

01:22:07,970 --> 01:22:04,920

open congregation I love it

1956

01:22:10,850 --> 01:22:07,980

um I was uh uh talking to my doctor you

1957

01:22:13,790 --> 01:22:10,860

know last week and and we were having a

1958

01:22:16,910 --> 01:22:13,800

conversation about this and and you know

1959

01:22:19,729 --> 01:22:16,920

what I I kind of freaked him out right I

1960

01:22:22,010 --> 01:22:19,739

had to I had to do an annual checkup

1961

01:22:25,669 --> 01:22:22,020

right okay so whatever

1962

01:22:27,229 --> 01:22:25,679

I said he goes you don't come see me I

1963

01:22:31,610 --> 01:22:27,239

go nope

1964

01:22:33,770 --> 01:22:31,620

no reason to well yeah no man I'll come

1965

01:22:37,250 --> 01:22:33,780

to you when I break my arm

1966

01:22:40,010 --> 01:22:37,260

that's when I come see you right when I

1967

01:22:43,550 --> 01:22:40,020

need you the rest of it I'll just take

1968

01:22:46,910 --> 01:22:43,560

care of me man and and and I'm okay I

1969

01:22:49,850 --> 01:22:46,920

don't want uh a medicine cabinet full of

1970

01:22:52,669 --> 01:22:49,860

stuff I don't want to be told things you

1971

01:22:55,310 --> 01:22:52,679

know and and there's a masculine

1972

01:22:58,090 --> 01:22:55,320

feminine way of of looking at this too

1973

01:23:00,130 --> 01:22:58,100

as well I think men don't want to know

1974

01:23:04,430 --> 01:23:00,140

I don't know

1975

01:23:07,430 --> 01:23:04,440

if if if I'm not falling down stairs

1976

01:23:10,010 --> 01:23:07,440

I'm okay right and and there's no need

1977

01:23:12,110 --> 01:23:10,020

women look at it differently right and

1978

01:23:16,010 --> 01:23:12,120

which is fine that's why we are who we

1979

01:23:18,950 --> 01:23:16,020

are but I don't uh I think the power of

1980

01:23:21,530 --> 01:23:18,960

the mind I'm not saying that I can

1981

01:23:23,510 --> 01:23:21,540

defeat everything I'm not but if I have

1982

01:23:27,590 --> 01:23:23,520

a positive attitude it's like that glass

1983

01:23:31,250 --> 01:23:27,600

of water right and and and I'm okay you

1984

01:23:33,709 --> 01:23:31,260

know I've made I'm 60. I'm 60. I'm good

1985

01:23:37,010 --> 01:23:33,719

man I'm good whatever happens from here

1986

01:23:39,350 --> 01:23:37,020

on out this is gonna happen you know but

1987

01:23:44,390 --> 01:23:39,360

I'm not gonna freak myself out uh about

1988

01:23:46,550 --> 01:23:44,400

it and and I'm not going to uh uh

1989

01:23:48,590 --> 01:23:46,560

um how do I say this

1990

01:23:51,410 --> 01:23:48,600

um Medicaid and then medicate the

1991

01:23:53,450 --> 01:23:51,420

medications yeah I'm not I'm just not

1992

01:23:55,850 --> 01:23:53,460

I'm not gonna I just don't want to go

1993

01:23:56,689 --> 01:23:55,860

down that road and now here's the other

1994

01:23:58,370 --> 01:23:56,699

thing

1995

01:23:59,990 --> 01:23:58,380

um we were just talking about E.T and

1996

01:24:02,330 --> 01:24:00,000

Consciousness

1997

01:24:04,850 --> 01:24:02,340

um the second part to that conversation

1998

01:24:09,490 --> 01:24:04,860

is

1999

01:24:13,130 --> 01:24:09,500

um when we talk about Consciousness ndes

2000

01:24:15,590 --> 01:24:13,140

right everything that's going on out

2001

01:24:17,450 --> 01:24:15,600

there and it could be the light at the

2002

01:24:20,750 --> 01:24:17,460

end of the tunnel and it could be

2003

01:24:23,149 --> 01:24:20,760

something whatever it may be

2004

01:24:24,950 --> 01:24:23,159

um and then jump into reincarnation or

2005

01:24:27,709 --> 01:24:24,960

this and that or maybe you know going to

2006

01:24:29,390 --> 01:24:27,719

another star system and and living a

2007

01:24:30,950 --> 01:24:29,400

life there

2008

01:24:33,830 --> 01:24:30,960

um I don't think it's one of the great

2009

01:24:36,950 --> 01:24:33,840

Mysteries certainly uh that is out there

2010

01:24:40,310 --> 01:24:36,960

that we don't have real answers for but

2011

01:24:43,250 --> 01:24:40,320

does Consciousness itself

2012

01:24:46,490 --> 01:24:43,260

after your physical meat suit stops

2013

01:24:50,990 --> 01:24:46,500

running right is that something that

2014

01:24:52,490 --> 01:24:51,000

just Ventures out and and explores

2015

01:24:54,649 --> 01:24:52,500

it's a great question I don't remember

2016

01:24:57,169 --> 01:24:54,659

being there to be able to tell you so I

2017

01:25:01,490 --> 01:24:57,179

know right let's use let's use what we

2018

01:25:03,770 --> 01:25:01,500

do now right when a tree dies

2019

01:25:05,990 --> 01:25:03,780

Falls over in the rain forest there's a

2020

01:25:09,350 --> 01:25:06,000

few things that happen there

2021

01:25:12,110 --> 01:25:09,360

bugs come make new homes eat from that

2022

01:25:14,270 --> 01:25:12,120

decomposing bark

2023

01:25:16,070 --> 01:25:14,280

um from there you got mushrooms you know

2024

01:25:18,890 --> 01:25:16,080

fungus that starts growing out of that

2025

01:25:20,649 --> 01:25:18,900

from there you have new trees new bushes

2026

01:25:24,649 --> 01:25:20,659

new new new

2027

01:25:26,930 --> 01:25:24,659

life that is coming out of that so the

2028

01:25:29,510 --> 01:25:26,940

question we got to ask ourselves is

2029

01:25:31,850 --> 01:25:29,520

it if life is coming out of that dead

2030

01:25:34,010 --> 01:25:31,860

tree did it ever really die the further

2031

01:25:36,110 --> 01:25:34,020

question would be can Life come out of

2032

01:25:37,850 --> 01:25:36,120

anything dead and I I think the obvious

2033

01:25:39,290 --> 01:25:37,860

answer is no life can only come out of

2034

01:25:40,310 --> 01:25:39,300

life life cannot come out of anything

2035

01:25:42,410 --> 01:25:40,320

dead

2036

01:25:44,630 --> 01:25:42,420

even the word decomposed let's let's

2037

01:25:46,970 --> 01:25:44,640

think about that for a second to

2038

01:25:49,250 --> 01:25:46,980

decompose doesn't mean to die

2039

01:25:50,810 --> 01:25:49,260

to decompose just means to take the same

2040

01:25:52,610 --> 01:25:50,820

thing that you're made of I'm made of

2041

01:25:55,310 --> 01:25:52,620

and the tree is made up and then

2042

01:25:58,610 --> 01:25:55,320

decompose in order to do what to

2043

01:26:01,669 --> 01:25:58,620

recompose so it there's this like sick

2044

01:26:03,950 --> 01:26:01,679

cyclical sort of you know thing that

2045

01:26:05,930 --> 01:26:03,960

happens where it falls apart and then

2046

01:26:09,110 --> 01:26:05,940

reforms and comes together

2047

01:26:10,729 --> 01:26:09,120

same energy different form maybe that

2048

01:26:12,110 --> 01:26:10,739

same energy is now broken up into

2049

01:26:14,090 --> 01:26:12,120

different parts

2050

01:26:16,430 --> 01:26:14,100

that's not to say that the Consciousness

2051

01:26:18,770 --> 01:26:16,440

is broken up into individual Parts

2052

01:26:20,149 --> 01:26:18,780

because that Consciousness is whole in

2053

01:26:22,010 --> 01:26:20,159

every part that it's in Back to the

2054

01:26:26,510 --> 01:26:22,020

Hologram example that we gave in the in

2055

01:26:30,830 --> 01:26:29,030

what I believe is just that Albert

2056

01:26:32,149 --> 01:26:30,840

Einstein said look deep into nature and

2057

01:26:33,470 --> 01:26:32,159

you'll understand everything a whole lot

2058

01:26:35,750 --> 01:26:33,480

better it's one of my favorite quotes

2059

01:26:39,850 --> 01:26:35,760

and when we look deep into nature not

2060

01:26:42,590 --> 01:26:39,860

that deep we see that what people call

2061

01:26:45,350 --> 01:26:42,600

woo-woo reincarnation

2062

01:26:47,149 --> 01:26:45,360

is really just the recycling of energy

2063

01:26:49,430 --> 01:26:47,159

and that's as scientific as it gets

2064

01:26:51,649 --> 01:26:49,440

because we see it happen all the time so

2065

01:26:55,010 --> 01:26:51,659

if you were

2066

01:26:57,649 --> 01:26:55,020

to die right your meat suit would be not

2067

01:27:00,470 --> 01:26:57,659

animated anymore whatever that means and

2068

01:27:01,610 --> 01:27:00,480

I were to put you on a grass field what

2069

01:27:04,010 --> 01:27:01,620

would happen

2070

01:27:07,490 --> 01:27:04,020

the meat suit the body The Vessel would

2071

01:27:09,350 --> 01:27:07,500

decompose and actually become food for

2072

01:27:12,169 --> 01:27:09,360

the soil and that grass it would become

2073

01:27:14,270 --> 01:27:12,179

food for animals so there must still be

2074

01:27:16,669 --> 01:27:14,280

life somewhere in there that's giving

2075

01:27:17,930 --> 01:27:16,679

life to everything else around it and

2076

01:27:21,290 --> 01:27:17,940

moving on

2077

01:27:24,169 --> 01:27:21,300

now the question is the awareness of

2078

01:27:26,030 --> 01:27:24,179

Jimmy Church where does that go how does

2079

01:27:28,370 --> 01:27:26,040

that work I don't know that's that's

2080

01:27:30,950 --> 01:27:28,380

beyond my you know my scope at the

2081

01:27:33,410 --> 01:27:30,960

moment but to to

2082

01:27:35,870 --> 01:27:33,420

you know be confident enough to say that

2083

01:27:37,490 --> 01:27:35,880

the energy does move on and continue and

2084

01:27:39,530 --> 01:27:37,500

transform

2085

01:27:41,390 --> 01:27:39,540

that's as evident as as we can get

2086

01:27:43,370 --> 01:27:41,400

because we see it happen every day do

2087

01:27:46,010 --> 01:27:43,380

you think we'll ever find out

2088

01:27:48,050 --> 01:27:46,020

you know I I bet

2089

01:27:49,910 --> 01:27:48,060

I'm not a betting man but I would make

2090

01:27:51,530 --> 01:27:49,920

this bet I would go to Vegas I would I

2091

01:27:53,510 --> 01:27:51,540

would I would pop the money down on this

2092

01:27:56,570 --> 01:27:53,520

I would bet

2093

01:27:58,970 --> 01:27:56,580

that prehistoric man

2094

01:28:02,629 --> 01:27:58,980

the ones that painted in the last call

2095

01:28:05,450 --> 01:28:02,639

caves right in France right

2096

01:28:06,910 --> 01:28:05,460

doing those cave paintings you know 30

2097

01:28:11,390 --> 01:28:06,920

000 years ago

2098

01:28:13,970 --> 01:28:11,400

that even that version of us

2099

01:28:15,649 --> 01:28:13,980

was thinking about what happens after we

2100

01:28:18,830 --> 01:28:15,659

die

2101

01:28:20,570 --> 01:28:18,840

this is like the ultimate quiet are we

2102

01:28:22,490 --> 01:28:20,580

alone in the universe yeah that's that's

2103

01:28:25,129 --> 01:28:22,500

up there I'm prehistoric man was

2104

01:28:27,169 --> 01:28:25,139

probably thinking about that too but

2105

01:28:29,149 --> 01:28:27,179

it's like the ultimate question do you

2106

01:28:31,129 --> 01:28:29,159

think we'll ever get those answers we

2107

01:28:33,229 --> 01:28:31,139

can talk to the Danny and brinkleys of

2108

01:28:35,570 --> 01:28:33,239

the world and he's brilliant man's been

2109

01:28:38,510 --> 01:28:35,580

struck by lightning like 35 times right

2110

01:28:41,390 --> 01:28:38,520

and has come back to to to tell us about

2111

01:28:43,550 --> 01:28:41,400

it that's one thing but is it do you

2112

01:28:46,189 --> 01:28:43,560

think that we'll ever find out

2113

01:28:47,510 --> 01:28:46,199

well you know those answers are out

2114

01:28:49,010 --> 01:28:47,520

there the question is do you want to

2115

01:28:51,050 --> 01:28:49,020

accept them as answers

2116

01:28:53,270 --> 01:28:51,060

so first of all there are many many many

2117

01:28:55,610 --> 01:28:53,280

many people many people at this point

2118

01:28:57,770 --> 01:28:55,620

you know books big doctors that have

2119

01:28:59,110 --> 01:28:57,780

experienced this you know many articles

2120

01:29:01,370 --> 01:28:59,120

written about this of people

2121

01:29:03,530 --> 01:29:01,380

experiencing near-death experiences all

2122

01:29:05,209 --> 01:29:03,540

having a very similar experience there

2123

01:29:07,370 --> 01:29:05,219

are many different time periods in this

2124

01:29:10,250 --> 01:29:07,380

world experiencing what they experience

2125

01:29:11,990 --> 01:29:10,260

see what they see and come back there

2126
01:29:14,930 --> 01:29:12,000
are many other people that come and tell

2127
01:29:17,450 --> 01:29:14,940
you listen I remember where I was I

2128
01:29:19,490 --> 01:29:17,460
remember where my awareness was the

2129
01:29:21,169 --> 01:29:19,500
problem is all of us look turn our heads

2130
01:29:23,810 --> 01:29:21,179
and start laughing because that's crazy

2131
01:29:26,510 --> 01:29:23,820
for us to be able to Fathom collectively

2132
01:29:29,090 --> 01:29:26,520
at the point that we're at right now so

2133
01:29:31,129 --> 01:29:29,100
let's break it down again back to Egypt

2134
01:29:34,189 --> 01:29:31,139
and that stone that you sat on

2135
01:29:36,830 --> 01:29:34,199
that stone has information it has a

2136
01:29:38,570 --> 01:29:36,840
memory and that memory has lasted for a

2137
01:29:39,590 --> 01:29:38,580
very long time and you somehow connected

2138
01:29:41,689 --> 01:29:39,600

to that

2139

01:29:43,669 --> 01:29:41,699

so you asked a very important question

2140

01:29:46,910 --> 01:29:43,679

you said do you think we'll be we'll

2141

01:29:49,490 --> 01:29:46,920

ever know and my answer almost factually

2142

01:29:51,770 --> 01:29:49,500

speaking would be you already know

2143

01:29:52,750 --> 01:29:51,780

you just need to remember because you

2144

01:29:56,890 --> 01:29:52,760

were there

2145

01:29:59,450 --> 01:29:56,900

yeah kind of I'm not being argumentative

2146

01:30:01,189 --> 01:29:59,460

and if you don't agree with me let's

2147

01:30:02,649 --> 01:30:01,199

let's do it no no no no no no no no

2148

01:30:06,110 --> 01:30:02,659

no no no

2149

01:30:09,770 --> 01:30:06,120

I don't know if I agree with you

2150

01:30:11,629 --> 01:30:09,780

um but I'll say this I was uh 21. I'm a

2151

01:30:13,430 --> 01:30:11,639

kid right I'm a doofus well I'm just a

2152

01:30:17,750 --> 01:30:13,440

little doofus but I was a 21 year old

2153

01:30:20,390 --> 01:30:17,760

version of me uh super doofus and

2154

01:30:24,530 --> 01:30:20,400

um and my roommate at the time

2155

01:30:26,750 --> 01:30:24,540

um Olivier uh who I still talk to we're

2156

01:30:29,750 --> 01:30:26,760

so friends of this day great guy but he

2157

01:30:33,530 --> 01:30:29,760

he was this really smart guy right

2158

01:30:35,510 --> 01:30:33,540

person of the world French you know all

2159

01:30:37,189 --> 01:30:35,520

of that and he says to me one day I'm

2160

01:30:38,689 --> 01:30:37,199

21.

2161

01:30:41,390 --> 01:30:38,699

he goes

2162

01:30:44,750 --> 01:30:41,400

you know what happens when you die right

2163

01:30:47,270 --> 01:30:44,760

I'm like no what what happens Olivier

2164

01:30:49,610 --> 01:30:47,280

he goes

2165

01:30:52,669 --> 01:30:49,620

this

2166

01:30:53,810 --> 01:30:52,679

I go what's that he goes That's it it's

2167

01:30:56,510 --> 01:30:53,820

over

2168

01:30:59,810 --> 01:30:56,520

I go what do you mean dude you just

2169

01:31:03,169 --> 01:30:59,820

achieve your place in evolution

2170

01:31:05,870 --> 01:31:03,179

and I was like yeah but you know you

2171

01:31:08,450 --> 01:31:05,880

know my spirit my you know my kind of my

2172

01:31:10,729 --> 01:31:08,460

soul and no no no no no no that all dies

2173

01:31:14,450 --> 01:31:10,739

with you it's over

2174

01:31:16,669 --> 01:31:14,460

and it ruined me

2175

01:31:20,510 --> 01:31:16,679

for

2176

01:31:24,169 --> 01:31:20,520

was in the dirt

2177

01:31:26,590 --> 01:31:24,179

okay where I couldn't focus it was such

2178

01:31:29,990 --> 01:31:26,600

a paradigm shifting thought process

2179

01:31:31,850 --> 01:31:30,000

where it just it was not what what I

2180

01:31:33,729 --> 01:31:31,860

wanted to hear it wasn't what I wanted

2181

01:31:37,970 --> 01:31:33,739

to believe

2182

01:31:40,550 --> 01:31:37,980

but it's that atheist pragmatic black

2183

01:31:41,750 --> 01:31:40,560

and white thing that sometimes makes

2184

01:31:44,629 --> 01:31:41,760

sense

2185

01:31:46,250 --> 01:31:44,639

right and your cognitive dissonance

2186

01:31:48,950 --> 01:31:46,260

right you got your blinders on you don't

2187

01:31:51,110 --> 01:31:48,960

want to hear anything like that and in

2188

01:31:52,930 --> 01:31:51,120

instead of

2189

01:31:55,430 --> 01:31:52,940

it it it

2190

01:31:58,450 --> 01:31:55,440

ruined me for about a month I mean I

2191

01:32:00,950 --> 01:31:58,460

couldn't concentrate I I really was

2192

01:32:03,590 --> 01:32:00,960

reading a lot of books and trying to

2193

01:32:05,390 --> 01:32:03,600

collect uh answers on this but what it

2194

01:32:07,810 --> 01:32:05,400

did ultimately

2195

01:32:12,709 --> 01:32:07,820

is it swung me in the other direction

2196

01:32:15,530 --> 01:32:12,719

okay okay I it didn't it it didn't it

2197

01:32:16,750 --> 01:32:15,540

didn't change my belief system what it

2198

01:32:20,870 --> 01:32:16,760

did was

2199

01:32:22,870 --> 01:32:20,880

it cemented my core belief system it

2200

01:32:25,910 --> 01:32:22,880

made it stronger

2201

01:32:28,370 --> 01:32:25,920

that the universe is a powerful big

2202

01:32:30,410 --> 01:32:28,380

place and there's something going on

2203

01:32:32,810 --> 01:32:30,420

that we don't understand

2204

01:32:35,330 --> 01:32:32,820

you know it's not about

2205

01:32:38,390 --> 01:32:35,340

we die and it's over

2206

01:32:40,850 --> 01:32:38,400

right and existence ends at that moment

2207

01:32:43,850 --> 01:32:40,860

no I just I I don't believe that he

2208

01:32:45,830 --> 01:32:43,860

freaked me out and there are plenty it

2209

01:32:47,570 --> 01:32:45,840

caused me to go and do more research and

2210

01:32:49,790 --> 01:32:47,580

think about myself and look inside of

2211

01:32:52,970 --> 01:32:49,800

myself that's what it did

2212

01:32:54,229 --> 01:32:52,980

but there are plenty of uh individuals

2213

01:32:56,270 --> 01:32:54,239

like

2214

01:32:58,189 --> 01:32:56,280

alleviate my roommate that walked around

2215

01:33:00,470 --> 01:32:58,199

with this belief system

2216

01:33:03,410 --> 01:33:00,480

and there's there's no they they they

2217

01:33:06,410 --> 01:33:03,420

are okay with that and they don't think

2218

01:33:08,629 --> 01:33:06,420

about the possibilities

2219

01:33:11,450 --> 01:33:08,639

but then but then we throw some wrenches

2220

01:33:15,110 --> 01:33:11,460

into that that that brings up really

2221

01:33:21,590 --> 01:33:17,770

past life regression therapy

2222

01:33:24,290 --> 01:33:21,600

let's let's let's be a skeptic and say

2223

01:33:25,910 --> 01:33:24,300

it's just your imagination

2224

01:33:28,189 --> 01:33:25,920

but there are some things that can't be

2225

01:33:30,770 --> 01:33:28,199

your imagination for example

2226

01:33:32,629 --> 01:33:30,780

let's say

2227

01:33:33,350 --> 01:33:32,639

and this has happened many times by the

2228

01:33:36,350 --> 01:33:33,360

way

2229

01:33:39,110 --> 01:33:36,360

let's say you are

2230

01:33:41,270 --> 01:33:39,120

you as Jimmy right let's say I I know

2231

01:33:43,910 --> 01:33:41,280

how to put you under you know a past

2232

01:33:45,229 --> 01:33:43,920

life regression and obviously I can't do

2233

01:33:47,750 --> 01:33:45,239

that but there are people that know how

2234

01:33:50,570 --> 01:33:47,760

to do that like Dr Brian Weiss people

2235

01:33:52,370 --> 01:33:50,580

like that and his students

2236

01:33:54,590 --> 01:33:52,380

let's say I do that to you you go under

2237

01:33:57,229 --> 01:33:54,600

you agree with me you don't know

2238

01:33:58,550 --> 01:33:57,239

ancient Greek right

2239

01:34:02,530 --> 01:33:58,560

you don't know how to speak ancient

2240

01:34:06,050 --> 01:34:02,540

Greek if you drink not not this week

2241

01:34:08,810 --> 01:34:06,060

you know an ancient language that that

2242

01:34:10,610 --> 01:34:08,820

is just not spoken anymore

2243

01:34:13,490 --> 01:34:10,620

and suddenly I put you under the

2244

01:34:14,750 --> 01:34:13,500

regression I'm speaking Aramaic or

2245

01:34:16,669 --> 01:34:14,760

something thanks for telling me about

2246

01:34:18,169 --> 01:34:16,679

who you were 3000 years ago in a

2247

01:34:20,149 --> 01:34:18,179

language that not only you don't know

2248

01:34:22,790 --> 01:34:20,159

but most people don't know and you need

2249

01:34:24,169 --> 01:34:22,800

a really really special translator to

2250

01:34:26,209 --> 01:34:24,179

come in

2251

01:34:29,030 --> 01:34:26,219

make of that what you want

2252

01:34:30,950 --> 01:34:29,040

that's interesting Alan Watts has a

2253

01:34:32,390 --> 01:34:30,960

quote and I'm just going to paraphrase

2254

01:34:35,750 --> 01:34:32,400

because I don't remember what it what it

2255

01:34:38,209 --> 01:34:35,760

was exactly but he said

2256

01:34:40,250 --> 01:34:38,219

I want you to imagine

2257

01:34:41,689 --> 01:34:40,260

what's it like or you ask the question

2258

01:34:44,810 --> 01:34:41,699

what's it like

2259

01:34:47,030 --> 01:34:44,820

when you go to sleep and never wake up

2260

01:34:51,169 --> 01:34:47,040

that's called Death

2261

01:34:54,169 --> 01:34:51,179

but what was it like when you woke up

2262

01:34:56,629 --> 01:34:54,179

after never having gone to sleep

2263

01:34:59,570 --> 01:34:56,639

that's called birth

2264

01:35:03,169 --> 01:34:59,580

that's tasty that's tasty yeah that's

2265

01:35:06,410 --> 01:35:03,179

tasty that's the exact opposite side of

2266

01:35:08,450 --> 01:35:06,420

what Olivier said be focused on the

2267

01:35:11,090 --> 01:35:08,460

death right of the end

2268

01:35:14,450 --> 01:35:11,100

but when was the beginning

2269

01:35:16,189 --> 01:35:14,460

when did you when did you go to sleep to

2270

01:35:19,370 --> 01:35:16,199

wake up you did it so there was a

2271

01:35:21,890 --> 01:35:19,380

continuation of something there right

2272

01:35:24,169 --> 01:35:21,900

and where you come from can be where you

2273

01:35:26,570 --> 01:35:24,179

go where that place is whole different

2274

01:35:28,970 --> 01:35:26,580

story right that that's where we go into

2275

01:35:30,890 --> 01:35:28,980

the real unknown of there's just I I

2276

01:35:34,370 --> 01:35:30,900

don't know what to say on that part have

2277

01:35:37,669 --> 01:35:34,380

you had have you had an nde have you had

2278

01:35:39,950 --> 01:35:37,679

a tragic I I do remember past life

2279

01:35:44,510 --> 01:35:39,960

experiences okay but no have you have

2280

01:35:46,370 --> 01:35:44,520

you died as an adult no okay no

2281

01:35:50,290 --> 01:35:46,380

um I don't know if I did but I came

2282

01:35:53,510 --> 01:35:50,300

close I'm not gonna get in it's

2283

01:35:55,129 --> 01:35:53,520

you and I will talk later okay and and

2284

01:35:59,270 --> 01:35:55,139

I'll I'll give you the whole rundown on

2285

01:36:01,669 --> 01:35:59,280

this thing but uh I was I was 20.

2286

01:36:05,870 --> 01:36:01,679

I I'm in the hospital for about a month

2287

01:36:08,510 --> 01:36:05,880

but the first four days in the hospital

2288

01:36:12,050 --> 01:36:08,520

uh I was in a coma I was out

2289

01:36:15,410 --> 01:36:12,060
and I entered the coma

2290

01:36:17,090 --> 01:36:15,420
um when I was being admitted

2291

01:36:20,870 --> 01:36:17,100
and

2292

01:36:22,250 --> 01:36:20,880
happened just like this doctor comes

2293

01:36:27,470 --> 01:36:22,260
with like three doctors four doctors

2294

01:36:29,930 --> 01:36:27,480
clipboards okay uh Jimmy uh uh

2295

01:36:31,850 --> 01:36:29,940
oh we got a situation okay you know and

2296

01:36:34,129 --> 01:36:31,860
I was in a lot of pain we got a

2297

01:36:36,590 --> 01:36:34,139
situation okay uh you're gonna you're

2298

01:36:37,970 --> 01:36:36,600
gonna be here for a few days

2299

01:36:39,410 --> 01:36:37,980
I was like what

2300

01:36:40,669 --> 01:36:39,420
you know I thought I was going to get

2301

01:36:44,990 --> 01:36:40,679

you know

2302

01:36:47,090 --> 01:36:45,000

if I'm going home

2303

01:36:50,570 --> 01:36:47,100

and I passed out

2304

01:36:54,290 --> 01:36:50,580

right then I don't remember just boom

2305

01:36:57,649 --> 01:36:54,300

and I wake up four days later now here's

2306

01:37:00,890 --> 01:36:57,659

um here's the thing with that

2307

01:37:02,510 --> 01:37:00,900

I was in a place

2308

01:37:04,129 --> 01:37:02,520

that was nothing like that's been

2309

01:37:05,570 --> 01:37:04,139

described to me from other people that

2310

01:37:08,870 --> 01:37:05,580

have have

2311

01:37:12,709 --> 01:37:08,880

experienced these things okay

2312

01:37:16,910 --> 01:37:12,719

um but I liked it

2313

01:37:19,610 --> 01:37:16,920

all right when I came out of the coma

2314

01:37:21,830 --> 01:37:19,620

um which was a weird thing but

2315

01:37:24,350 --> 01:37:21,840

um I was pretty upset

2316

01:37:27,649 --> 01:37:24,360

because I was in a good place man

2317

01:37:30,169 --> 01:37:27,659

I was in a real good place and I

2318

01:37:33,410 --> 01:37:30,179

remember uh there was a priest next to

2319

01:37:36,110 --> 01:37:33,420

me literally with a Bible oh you're

2320

01:37:38,930 --> 01:37:36,120

you're back I was like what where am I

2321

01:37:40,370 --> 01:37:38,940

he wrote he's hitting buttons and the

2322

01:37:42,050 --> 01:37:40,380

doctors come in

2323

01:37:44,450 --> 01:37:42,060

you know what I'm doing

2324

01:37:45,470 --> 01:37:44,460

I'm like Dorothy clicking my heels three

2325

01:37:47,330 --> 01:37:45,480

times

2326

01:37:48,649 --> 01:37:47,340

right I'm closing my eyes dude I would

2327

01:37:50,510 --> 01:37:48,659

just want to go back I want to go back I

2328

01:37:53,149 --> 01:37:50,520

want to go back I want to go back

2329

01:37:55,010 --> 01:37:53,159

because it was it was pretty cool but it

2330

01:37:58,250 --> 01:37:55,020

wasn't like anything else that I had

2331

01:37:59,810 --> 01:37:58,260

been told since then a lot of a lot of

2332

01:38:02,390 --> 01:37:59,820

people you know I've read the books I've

2333

01:38:04,610 --> 01:38:02,400

had the doctors on on this program that

2334

01:38:07,669 --> 01:38:04,620

have told me what they have experienced

2335

01:38:11,090 --> 01:38:07,679

and and and things

2336

01:38:13,430 --> 01:38:11,100

um it was nothing like mine nothing and

2337

01:38:15,229 --> 01:38:13,440

now I I find out it was about two weeks

2338

01:38:17,689 --> 01:38:15,239

later I'm still in the hospital

2339

01:38:19,490 --> 01:38:17,699

the Night Nurse

2340

01:38:20,990 --> 01:38:19,500

um I should write a book about this I

2341

01:38:23,870 --> 01:38:21,000

could I could probably put it all down

2342

01:38:28,430 --> 01:38:23,880

uh before I forget it uh before I leave

2343

01:38:30,229 --> 01:38:28,440

this meat sound is

2344

01:38:33,110 --> 01:38:30,239

um so this nurse

2345

01:38:35,870 --> 01:38:33,120

little black chick she was probably 22.

2346

01:38:39,169 --> 01:38:35,880

her name was Tiny

2347

01:38:40,910 --> 01:38:39,179

um and uh seriously she goes okay I'm

2348

01:38:43,610 --> 01:38:40,920

not supposed to tell you this I go

2349

01:38:45,950 --> 01:38:43,620

what's up

2350

01:38:51,890 --> 01:38:45,960

you scared us

2351

01:38:58,729 --> 01:38:55,850

you came and went like every four hours

2352

01:39:00,229 --> 01:38:58,739

came and went where what are you talking

2353

01:39:02,689 --> 01:39:00,239

about you know when you first came in

2354

01:39:05,990 --> 01:39:02,699

yeah yeah yeah yeah yeah and she tells

2355

01:39:08,629 --> 01:39:06,000

me this and then it all made sense

2356

01:39:09,590 --> 01:39:08,639

Jason I was like that's what was going

2357

01:39:12,530 --> 01:39:09,600

on

2358

01:39:13,430 --> 01:39:12,540

but I was in I was in a place of bliss

2359

01:39:16,669 --> 01:39:13,440

man

2360

01:39:20,410 --> 01:39:16,679

yeah yeah yeah yeah yeah I've told the

2361

01:39:22,970 --> 01:39:20,420

story many times so I I've had I've had

2362

01:39:24,950 --> 01:39:22,980

multiple situations where

2363

01:39:26,629 --> 01:39:24,960

for example I had like a staph infection

2364

01:39:28,610 --> 01:39:26,639

in my leg it almost killed me I didn't

2365

01:39:32,450 --> 01:39:28,620

get to the point of you know seeing

2366

01:39:34,250 --> 01:39:32,460

myself outside of my body yeah nde but

2367

01:39:37,189 --> 01:39:34,260

there was a point where I had to accept

2368

01:39:39,530 --> 01:39:37,199

certain things as as a potential

2369

01:39:41,629 --> 01:39:39,540

and during that acceptance phase it was

2370

01:39:44,570 --> 01:39:41,639

the most peaceful you know I've ever

2371

01:39:45,850 --> 01:39:44,580

felt in my life I was also Young

2372

01:39:47,750 --> 01:39:45,860

you know

2373

01:39:51,290 --> 01:39:47,760

check this out

2374

01:39:54,110 --> 01:39:51,300

just I want you to visualize uh this uh

2375

01:39:56,090 --> 01:39:54,120

everybody else can too as well okay this

2376

01:39:58,070 --> 01:39:56,100

is where I was

2377

01:40:01,070 --> 01:39:58,080

I was in

2378

01:40:03,890 --> 01:40:01,080

I was sitting at a table

2379

01:40:07,750 --> 01:40:03,900

in a chair there was a light

2380

01:40:10,430 --> 01:40:07,760

ing up the table okay and I was writing

2381

01:40:12,410 --> 01:40:10,440

sheet music and I could hear the

2382

01:40:14,810 --> 01:40:12,420

symphony I could hear the music that I'm

2383

01:40:17,390 --> 01:40:14,820

writing okay but

2384

01:40:19,850 --> 01:40:17,400

the room that I was in

2385

01:40:22,189 --> 01:40:19,860

no floor

2386

01:40:23,330 --> 01:40:22,199

couldn't see walls couldn't see it was

2387

01:40:27,169 --> 01:40:23,340

all black

2388

01:40:29,390 --> 01:40:27,179

so it was as if this table

2389

01:40:31,370 --> 01:40:29,400

is sitting on you know it's floating in

2390

01:40:32,810 --> 01:40:31,380

space or whatever I didn't think that

2391

01:40:35,629 --> 01:40:32,820

you know that's not what I was saying

2392

01:40:36,950 --> 01:40:35,639

but but imagine that right just all

2393

01:40:40,010 --> 01:40:36,960

blackness

2394

01:40:43,970 --> 01:40:40,020

table chair and a light that was

2395

01:40:47,149 --> 01:40:43,980

lighting up the table and for four days

2396

01:40:49,310 --> 01:40:47,159

I'm writing music out

2397

01:40:51,590 --> 01:40:49,320

is isn't that nuts

2398

01:40:54,830 --> 01:40:51,600

nothing else not nothing nothing crazy

2399

01:40:56,990 --> 01:40:54,840

not not it wasn't a dream it wasn't you

2400

01:41:02,209 --> 01:40:57,000

know the dreams that we have or or

2401

01:41:04,669 --> 01:41:02,219

anything no it was just that question

2402

01:41:07,669 --> 01:41:04,679

let's talk about dreams for a second

2403

01:41:10,010 --> 01:41:07,679

what's the difference between a reality

2404

01:41:14,450 --> 01:41:10,020

and your dream state and a reality in

2405

01:41:19,610 --> 01:41:14,460

your awakened state uh in my opinion my

2406

01:41:22,490 --> 01:41:19,620

opinion uh I think the dream state is a

2407

01:41:26,810 --> 01:41:22,500

parallel world I think it's a reality as

2408

01:41:28,750 --> 01:41:26,820

real as this we're just going there

2409

01:41:31,250 --> 01:41:28,760

um while we sleep

2410

01:41:32,470 --> 01:41:31,260

in the dream state you could still smell

2411

01:41:35,750 --> 01:41:32,480

things you

2412

01:41:36,770 --> 01:41:35,760

know you could it's it feels just as

2413

01:41:41,950 --> 01:41:36,780

real

2414

01:41:44,689 --> 01:41:41,960

another parallel Dimension

2415

01:41:48,050 --> 01:41:44,699

I think that's that's even more evidence

2416

01:41:51,290 --> 01:41:48,060

of how Consciousness is kink how

2417

01:41:53,750 --> 01:41:51,300

Consciousness creates reality

2418

01:41:55,550 --> 01:41:53,760

Ayahuasca right I've never done it so I

2419

01:41:57,490 --> 01:41:55,560

can't speak on it oh I do it every day

2420

01:42:00,850 --> 01:41:57,500

I'm doing it right now

2421

01:42:02,810 --> 01:42:00,860

I've never done it I don't do drugs

2422

01:42:05,330 --> 01:42:02,820

sounded convincing though for a second

2423

01:42:07,790 --> 01:42:05,340

you see Jason's like what really I I I

2424

01:42:09,770 --> 01:42:07,800

do see I do see things like Ayahuasca

2425

01:42:12,709 --> 01:42:09,780

and psilocybin and whatnot I I believe

2426

01:42:14,149 --> 01:42:12,719

if you use it as a medicine great I I do

2427

01:42:16,850 --> 01:42:14,159

think a lot of people unfortunately

2428

01:42:21,590 --> 01:42:16,860

abuse it yeah yeah so

2429

01:42:24,169 --> 01:42:21,600

um others other drugs rights uh uh

2430

01:42:26,629 --> 01:42:24,179

whatever you know LST psilocybin

2431

01:42:28,189 --> 01:42:26,639

mushrooms and and what have you that's

2432

01:42:29,990 --> 01:42:28,199

it that's a different class that's a

2433

01:42:31,970 --> 01:42:30,000

different category and I wouldn't even

2434

01:42:35,209 --> 01:42:31,980

just to be clear from from where I come

2435

01:42:37,129 --> 01:42:35,219

from I wouldn't call mushrooms drugs and

2436

01:42:40,070 --> 01:42:37,139

I wouldn't call Ayahuasca drugs I I

2437

01:42:42,890 --> 01:42:40,080

would only call it a drug if the user is

2438

01:42:44,990 --> 01:42:42,900

using it in in I'm just having a good

2439

01:42:47,810 --> 01:42:45,000

time

2440

01:42:49,070 --> 01:42:47,820

is a patient and needs it for medicine I

2441

01:42:52,450 --> 01:42:49,080

would call it men

2442

01:42:56,530 --> 01:42:52,460

yeah okay well you and I differ there

2443

01:43:00,050 --> 01:42:56,540

mushrooms recreational drugs okay

2444

01:43:01,729 --> 01:43:00,060

I mean it's something else you can you

2445

01:43:03,770 --> 01:43:01,739

know you can elevate your Consciousness

2446

01:43:06,410 --> 01:43:03,780

in your mind and stuff and expand things

2447

01:43:07,970 --> 01:43:06,420

but no different clock

2448

01:43:11,270 --> 01:43:07,980

Ayahuasca

2449

01:43:16,910 --> 01:43:11,280

um DMT is is is in our body naturally

2450

01:43:19,729 --> 01:43:16,920

right and so what I I believe I I've

2451
01:43:22,430 --> 01:43:19,739
never done it right I'm I'm well at some

2452
01:43:25,669 --> 01:43:22,440
point uh uh I've got to go and check it

2453
01:43:30,530 --> 01:43:25,679
out but I've never done it but DMT

2454
01:43:32,270 --> 01:43:30,540
Ayahuasca allows the DMT to be produced

2455
01:43:34,189 --> 01:43:32,280
in your body right so that's what it

2456
01:43:37,129 --> 01:43:34,199
does Ayahuasca itself isn't the drug

2457
01:43:38,990 --> 01:43:37,139
it's what's forcing the DMT to release

2458
01:43:41,149 --> 01:43:39,000
in your body

2459
01:43:42,890 --> 01:43:41,159
um DMT that you smoke that's a different

2460
01:43:44,990 --> 01:43:42,900
situation

2461
01:43:48,590 --> 01:43:45,000
um all together but

2462
01:43:51,010 --> 01:43:48,600
I think that that is something that can

2463
01:43:55,910 --> 01:43:51,020

be clinically addressed

2464

01:43:57,709 --> 01:43:55,920

where you are stepping into

2465

01:44:01,910 --> 01:43:57,719

another dimension

2466

01:44:05,709 --> 01:44:01,920

a parallel world another reality that

2467

01:44:09,470 --> 01:44:05,719

exists alongside our own

2468

01:44:12,890 --> 01:44:09,480

mushrooms and and pot and whatever no

2469

01:44:16,790 --> 01:44:12,900

that's not that's not doing what DMT is

2470

01:44:19,430 --> 01:44:16,800

doing a DMT is is is accessing another

2471

01:44:22,250 --> 01:44:19,440

plane of existence and I think it's

2472

01:44:25,070 --> 01:44:22,260

something that clinically should be uh

2473

01:44:27,290 --> 01:44:25,080

looked at you know physics is trying to

2474

01:44:30,410 --> 01:44:27,300

show us these 11 dimensions in string

2475

01:44:33,410 --> 01:44:30,420

theory or maybe maybe you need to check

2476

01:44:37,490 --> 01:44:33,420

out what DMT is doing

2477

01:44:39,470 --> 01:44:37,500

um because it may be doing just that and

2478

01:44:41,990 --> 01:44:39,480

I think it's right there because you

2479

01:44:43,669 --> 01:44:42,000

feel like when they when they do I feel

2480

01:44:46,010 --> 01:44:43,679

like when they do clinical things with

2481

01:44:48,290 --> 01:44:46,020

stuff they just end up messing with it

2482

01:44:50,030 --> 01:44:48,300

because because then you got you know

2483

01:44:51,950 --> 01:44:50,040

the corporations come in and they want

2484

01:44:53,450 --> 01:44:51,960

to patent something and to pattern

2485

01:44:55,550 --> 01:44:53,460

something you got to make it a synthetic

2486

01:44:57,649 --> 01:44:55,560

version to be able to sell it and make

2487

01:44:58,910 --> 01:44:57,659

it your own then it takes this like the

2488

01:45:07,910 --> 01:44:58,920

the

2489

01:45:09,410 --> 01:45:07,920
commercialized again I've never done any

2490

01:45:11,810 --> 01:45:09,420
of those things so I can't speak on them

2491

01:45:13,010 --> 01:45:11,820
in terms of personal experience but I

2492

01:45:15,229 --> 01:45:13,020
think it's a it's an interesting

2493

01:45:17,390 --> 01:45:15,239
conversation to have well what you do

2494

01:45:19,729 --> 01:45:17,400
see you know this problem that we have

2495

01:45:22,510 --> 01:45:19,739
with physics right and quantum physics

2496

01:45:25,790 --> 01:45:22,520
and and the Consciousness conversation

2497

01:45:28,990 --> 01:45:25,800
if you want to change some atheist

2498

01:45:33,890 --> 01:45:29,000
doofus like a Richard Dawkins right

2499

01:45:36,770 --> 01:45:33,900
or uh a Sean Carroll you know you know a

2500

01:45:40,129 --> 01:45:36,780
Neil deGrasse Tyson right any any one of

2501

01:45:43,070 --> 01:45:40,139

these rock star doofus physicists and

2502

01:45:44,750 --> 01:45:43,080

and you you want them to Dawkins isn't a

2503

01:45:46,430 --> 01:45:44,760

physicists by the way but but you

2504

01:45:47,450 --> 01:45:46,440

understand what I'm saying

2505

01:45:50,149 --> 01:45:47,460

um

2506

01:45:53,750 --> 01:45:50,159

let them do some ayahuasca

2507

01:45:56,689 --> 01:45:53,760

and that Consciousness conversation will

2508

01:46:00,050 --> 01:45:57,950

I agree

2509

01:46:02,570 --> 01:46:00,060

I I definitely agree I don't understand

2510

01:46:03,770 --> 01:46:02,580

how these people get to such high I

2511

01:46:06,410 --> 01:46:03,780

actually I do understand they get to

2512

01:46:08,629 --> 01:46:06,420

such high places in the world with such

2513

01:46:10,189 --> 01:46:08,639

a limited perspective but

2514

01:46:11,510 --> 01:46:10,199

I guess I answered my own question I

2515

01:46:13,070 --> 01:46:11,520

think it's because the world is still

2516

01:46:15,649 --> 01:46:13,080

limited you know in our in our

2517

01:46:18,050 --> 01:46:15,659

Collective perspective of of how we

2518

01:46:21,229 --> 01:46:18,060

perceive things you know yeah yeah

2519

01:46:22,970 --> 01:46:21,239

you're right about that and there's uh

2520

01:46:25,790 --> 01:46:22,980

probably the other hurdle right the

2521

01:46:28,790 --> 01:46:25,800

other stumbling block which I have mad

2522

01:46:32,030 --> 01:46:28,800

respect for it's a tremendous amount of

2523

01:46:35,290 --> 01:46:32,040

education and study right to to lay out

2524

01:46:39,770 --> 01:46:35,300

algorithms like that and to understand

2525

01:46:42,350 --> 01:46:39,780

math and to get these equations uh to

2526

01:46:44,810 --> 01:46:42,360

communicate with you to answer the the

2527

01:46:48,470 --> 01:46:44,820

complex questions of of the universe and

2528

01:46:51,470 --> 01:46:48,480

us that's that's a lot of dedication and

2529

01:46:53,870 --> 01:46:51,480

so it's a it's a time management thing

2530

01:46:55,729 --> 01:46:53,880

right where uh you know I'm a little

2531

01:46:58,070 --> 01:46:55,739

busy with the string theory thing it's

2532

01:47:00,350 --> 01:46:58,080

going to take me another 20 years you

2533

01:47:02,870 --> 01:47:00,360

know and to pull them off of something

2534

01:47:06,370 --> 01:47:02,880

like that and diving into Consciousness

2535

01:47:09,290 --> 01:47:06,380

that's where I have to back up and and

2536

01:47:11,209 --> 01:47:09,300

uh and and respect you know some

2537

01:47:14,530 --> 01:47:11,219

boundaries here but the problem that I

2538

01:47:17,930 --> 01:47:14,540

have with it is that uh

2539

01:47:19,850 --> 01:47:17,940

science in general used to be about

2540

01:47:22,669 --> 01:47:19,860

thinking outside of the box

2541

01:47:26,030 --> 01:47:22,679

that's how we progress right you've got

2542

01:47:27,770 --> 01:47:26,040

somebody that is thinking outside of the

2543

01:47:29,990 --> 01:47:27,780

box like you were saying you brought up

2544

01:47:31,250 --> 01:47:30,000

radio waves right well if you weren't

2545

01:47:32,990 --> 01:47:31,260

thinking outside of the box that would

2546

01:47:34,490 --> 01:47:33,000

have never happened the wheel would have

2547

01:47:35,950 --> 01:47:34,500

never happened if you weren't thinking

2548

01:47:39,830 --> 01:47:35,960

outside of the box

2549

01:47:41,270 --> 01:47:39,840

uh and and everything else now thinking

2550

01:47:42,890 --> 01:47:41,280

outside of the box becomes very

2551

01:47:44,990 --> 01:47:42,900

dangerous for certain people nobody

2552

01:47:47,450 --> 01:47:45,000

wants to do it everybody wants to stay

2553

01:47:49,250 --> 01:47:47,460

in their Lane because if we were to

2554

01:47:50,810 --> 01:47:49,260

continue Thinking Out of the Box Beyond

2555

01:47:54,050 --> 01:47:50,820

where we're already

2556

01:47:56,530 --> 01:47:54,060

again follow the money very big

2557

01:47:59,990 --> 01:47:56,540

corporations would lose a lot of money

2558

01:48:02,149 --> 01:48:00,000

because the next step they become

2559

01:48:04,790 --> 01:48:02,159

non-existent you don't need things like

2560

01:48:06,950 --> 01:48:04,800

gasoline oil to propel you from one side

2561

01:48:08,209 --> 01:48:06,960

of the planet to another and they don't

2562

01:48:10,129 --> 01:48:08,219

want you to know that and that's where

2563

01:48:13,250 --> 01:48:10,139

the conflicts of interests you know

2564

01:48:15,649 --> 01:48:13,260

exist you know and I I am a walking

2565

01:48:17,689 --> 01:48:15,659

Paradox though

2566

01:48:20,090 --> 01:48:17,699

um and I'll tell you why

2567

01:48:23,810 --> 01:48:20,100

I

2568

01:48:25,729 --> 01:48:23,820

a V8

2569

01:48:29,870 --> 01:48:25,739

I love muscle

2570

01:48:37,669 --> 01:48:29,880

I love a red have you ever heard

2571

01:48:40,129 --> 01:48:37,679

a 1965 Ferrari V12 GTO 250 startup that

2572

01:48:44,270 --> 01:48:40,139

mechanical thing with the cams and the

2573

01:48:46,090 --> 01:48:44,280

chains and this thing and this mccbitude

2574

01:48:50,470 --> 01:48:46,100

dude it's

2575

01:48:54,350 --> 01:48:50,480

Beethoven right I love that

2576

01:48:58,609 --> 01:48:54,360

and and I I don't ever want that to go

2577

01:49:02,030 --> 01:48:58,619

away on the other hand we need to figure

2578

01:49:04,149 --> 01:49:02,040

this out and I hate Big Oil right I'm

2579

01:49:06,169 --> 01:49:04,159

like you know what you know

2580

01:49:09,910 --> 01:49:06,179

Harley-Davidsons are pretty friggin cool

2581

01:49:14,149 --> 01:49:12,770

you know like enjoy the things that are

2582

01:49:16,370 --> 01:49:14,159

in front of us and have a good time with

2583

01:49:18,050 --> 01:49:16,380

it enjoy the good things in life and you

2584

01:49:20,030 --> 01:49:18,060

know doesn't mean we can't work to

2585

01:49:22,129 --> 01:49:20,040

something better big picture that can

2586

01:49:25,070 --> 01:49:22,139

out more people you know it's it's like

2587

01:49:26,750 --> 01:49:25,080

it's almost like if you're if you're

2588

01:49:28,010 --> 01:49:26,760

you're takes spirituality a spiritual

2589

01:49:30,590 --> 01:49:28,020

teacher does that mean you can't have a

2590

01:49:33,770 --> 01:49:30,600

nice car of course you can yeah yeah

2591

01:49:38,169 --> 01:49:33,780

yeah yeah yeah Billy Carson uh that he

2592

01:49:40,250 --> 01:49:38,179

wrote woke doesn't mean broke right

2593

01:49:41,570 --> 01:49:40,260

it doesn't mean you can have a good time

2594

01:49:43,310 --> 01:49:41,580

it doesn't mean you can't live in a nice

2595

01:49:44,810 --> 01:49:43,320

home it doesn't mean you can't have a

2596

01:49:47,030 --> 01:49:44,820

pool in your backyard it doesn't mean

2597

01:49:49,729 --> 01:49:47,040

you can't enjoy the physical things

2598

01:49:51,649 --> 01:49:49,739

because you teach the spiritual side of

2599

01:49:53,330 --> 01:49:51,659

life it means that you you balance

2600

01:49:55,850 --> 01:49:53,340

between the two and you have a great

2601
01:49:57,770 --> 01:49:55,860
time living in your physical body while

2602
01:49:59,209 --> 01:49:57,780
teaching people why they came here and

2603
01:50:00,830 --> 01:49:59,219
reminding people why they came here in

2604
01:50:04,910 --> 01:50:00,840
the first place is it's really as simple

2605
01:50:09,410 --> 01:50:04,920
as that yeah because free energy isn't

2606
01:50:13,370 --> 01:50:09,420
about me giving up a Harley Davidson or

2607
01:50:16,430 --> 01:50:13,380
a 1966 Mustang two plus two right but

2608
01:50:20,030 --> 01:50:16,440
what it means is uh food production

2609
01:50:22,790 --> 01:50:20,040
the transportation of of Things Heating

2610
01:50:26,390 --> 01:50:22,800
and Cooling our schools you know that

2611
01:50:30,169 --> 01:50:26,400
that's what that's that's free energy

2612
01:50:32,750 --> 01:50:30,179
um and and it doesn't mean that we have

2613
01:50:34,790 --> 01:50:32,760

to give up some things that that are

2614

01:50:36,609 --> 01:50:34,800

really cool and that that that give us

2615

01:50:39,470 --> 01:50:36,619

happiness

2616

01:50:42,109 --> 01:50:39,480

advancing in technology doesn't mean we

2617

01:50:44,149 --> 01:50:42,119

have to eradicate anything that came

2618

01:50:46,970 --> 01:50:44,159

before no I'm not giving up a

2619

01:50:49,490 --> 01:50:46,980

four-barrel carburetor no listen my my

2620

01:50:53,330 --> 01:50:49,500

perfect example

2621

01:50:55,490 --> 01:50:53,340

you can have a 1976 Cadillac Eldorado

2622

01:50:58,250 --> 01:50:55,500

we're still in the year 2022 about to be

2623

01:51:00,950 --> 01:50:58,260

2023. you know does that mean that

2624

01:51:02,450 --> 01:51:00,960

because it's 1976 and it's not an

2625

01:51:04,729 --> 01:51:02,460

effective engine and it's three miles

2626

01:51:06,470 --> 01:51:04,739

per gallon you can't drive it it's still

2627

01:51:08,629 --> 01:51:06,480

a beautiful car it's still an antique

2628

01:51:11,990 --> 01:51:08,639

you know and you could still have it and

2629

01:51:14,330 --> 01:51:12,000

enjoy it so it's just because something

2630

01:51:16,250 --> 01:51:14,340

progresses and advances doesn't mean

2631

01:51:18,590 --> 01:51:16,260

everything before it becomes obsolete

2632

01:51:20,510 --> 01:51:18,600

overnight it means that in many cases

2633

01:51:23,209 --> 01:51:20,520

those things become antiques you know

2634

01:51:24,470 --> 01:51:23,219

and and collectibles and people enjoy it

2635

01:51:26,629 --> 01:51:24,480

and have a good time and keep doing

2636

01:51:28,970 --> 01:51:26,639

their thing but the world keeps moving

2637

01:51:31,550 --> 01:51:28,980

forward and today and even the car realm

2638

01:51:33,350 --> 01:51:31,560

I mean we're already in like futuristic

2639

01:51:34,910 --> 01:51:33,360

electric cars that don't have steering

2640

01:51:36,649 --> 01:51:34,920

wheels and drive themselves

2641

01:51:38,990 --> 01:51:36,659

but you still got the people with the

2642

01:51:41,090 --> 01:51:39,000

1976 Cadillac Eldorado having a good

2643

01:51:42,530 --> 01:51:41,100

time without seat belts because they

2644

01:51:45,109 --> 01:51:42,540

don't need it because it's considered an

2645

01:51:48,350 --> 01:51:45,119

antique and you know with leather seats

2646

01:51:50,090 --> 01:51:48,360

and old radios and they like it so just

2647

01:51:52,189 --> 01:51:50,100

because we progress in that way with

2648

01:51:54,109 --> 01:51:52,199

free energy doesn't mean you can't have

2649

01:51:55,790 --> 01:51:54,119

that you know Harley-Davidson or

2650

01:51:57,530 --> 01:51:55,800

whatever it is it's just let's continue

2651
01:52:00,530 --> 01:51:57,540
moving in the proper direction that's it

2652
01:52:03,950 --> 01:52:00,540
do you think um with our evolutionary

2653
01:52:06,229 --> 01:52:03,960
process here

2654
01:52:09,050 --> 01:52:06,239
um that any extraterrestrial

2655
01:52:11,109 --> 01:52:09,060
civilization would have gone through the

2656
01:52:14,990 --> 01:52:11,119
same things and I'm not talking about

2657
01:52:17,390 --> 01:52:15,000
overcoming you know health issues or uh

2658
01:52:20,930 --> 01:52:17,400
averting asteroid attacks or another

2659
01:52:23,270 --> 01:52:20,940
Alien Invasion or

2660
01:52:26,330 --> 01:52:23,280
um uh you know killing themselves with

2661
01:52:28,790 --> 01:52:26,340
nuclear weapons no I'm I'm saying the

2662
01:52:30,189 --> 01:52:28,800
other things that they went through

2663
01:52:36,229 --> 01:52:30,199

Theater

2664

01:52:38,629 --> 01:52:36,239

comedy music the Arts uh a 1976 Cadillac

2665

01:52:41,090 --> 01:52:38,639

Eldorado right that they went through

2666

01:52:44,209 --> 01:52:41,100

the same evolutionary in their own way

2667

01:52:46,430 --> 01:52:44,219

but they must have had

2668

01:52:49,669 --> 01:52:46,440

to go through the same things that that

2669

01:52:52,250 --> 01:52:49,679

we go through too and therefore if we're

2670

01:52:54,830 --> 01:52:52,260

understanding that then they would have

2671

01:52:58,790 --> 01:52:54,840

elevated if they survived that asteroid

2672

01:53:03,290 --> 01:52:58,800

impact right or or an alien invasion if

2673

01:53:05,990 --> 01:53:03,300

they survive that they grow up immature

2674

01:53:07,790 --> 01:53:06,000

yeah I guess I mean I we don't know

2675

01:53:09,109 --> 01:53:07,800

exactly what they've gone through but I

2676

01:53:10,970 --> 01:53:09,119

guess the principle has to be the

2677

01:53:13,790 --> 01:53:10,980

Principal you know they they have to

2678

01:53:16,129 --> 01:53:13,800

keep even today even as advanced

2679

01:53:17,330 --> 01:53:16,139

civilizations let's say if they're that

2680

01:53:19,910 --> 01:53:17,340

right now

2681

01:53:21,109 --> 01:53:19,920

they still got to be evolving all the

2682

01:53:22,850 --> 01:53:21,119

time you know that that Evolution

2683

01:53:25,310 --> 01:53:22,860

doesn't stop if you're still in that

2684

01:53:27,470 --> 01:53:25,320

physical vessel in that physical body so

2685

01:53:30,890 --> 01:53:27,480

I'm sure that they've had to go through

2686

01:53:33,169 --> 01:53:30,900

some sort of you know Evolution like us

2687

01:53:36,410 --> 01:53:33,179

maybe not in the same exact way

2688

01:53:38,090 --> 01:53:36,420

but I guess the the best people to ask

2689

01:53:39,590 --> 01:53:38,100

are the people that have you know had

2690

01:53:42,229 --> 01:53:39,600

the honor and privilege of visiting

2691

01:53:44,750 --> 01:53:42,239

those other planets they exist yeah yeah

2692

01:53:46,970 --> 01:53:44,760

uh one last question and fantastic

2693

01:53:48,770 --> 01:53:46,980

conversation tonight man I can't wait to

2694

01:53:52,010 --> 01:53:48,780

do it again with you yeah

2695

01:53:54,890 --> 01:53:52,020

um is there a God

2696

01:53:58,189 --> 01:53:54,900

is there a god is there a God

2697

01:54:01,729 --> 01:53:58,199

that as represented by any religion

2698

01:54:04,669 --> 01:54:01,739

right here on Earth is there a god or is

2699

01:54:07,790 --> 01:54:06,229

so

2700

01:54:10,070 --> 01:54:07,800

I don't even know how to answer that

2701

01:54:12,290 --> 01:54:10,080

question because how can there first of

2702

01:54:15,050 --> 01:54:12,300

all let's define God are we speaking

2703

01:54:18,410 --> 01:54:15,060

okay okay I'll Define it for you is

2704

01:54:21,109 --> 01:54:18,420

there a God is God the one that I have

2705

01:54:24,350 --> 01:54:21,119

to go to a special building and donate

2706

01:54:27,109 --> 01:54:24,360

money so I can get to heaven is there

2707

01:54:28,669 --> 01:54:27,119

that is that something excited I think

2708

01:54:30,709 --> 01:54:28,679

it's pretty obvious in the times that we

2709

01:54:32,510 --> 01:54:30,719

live in and sorry if I offend some

2710

01:54:36,050 --> 01:54:32,520

people but I think we're past that okay

2711

01:54:37,729 --> 01:54:36,060

so if if so let's take that off the

2712

01:54:39,290 --> 01:54:37,739

table that's a good answer by the way

2713

01:54:40,930 --> 01:54:39,300

okay so let's take that off the table

2714

01:54:44,050 --> 01:54:40,940

that was easy

2715

01:54:48,470 --> 01:54:44,060

there must be something divine

2716

01:54:50,450 --> 01:54:48,480

that not only created this universe but

2717

01:54:53,209 --> 01:54:50,460

all the other universes out there that

2718

01:54:55,729 --> 01:54:53,219

are running at the same time it's really

2719

01:54:59,870 --> 01:54:55,739

old old let's take it even a step

2720

01:55:02,330 --> 01:54:59,880

further let's not separate between a god

2721

01:55:05,870 --> 01:55:02,340

and creation

2722

01:55:08,390 --> 01:55:05,880

I call creation God I call existence God

2723

01:55:11,330 --> 01:55:08,400

I call Consciousness God there is

2724

01:55:13,669 --> 01:55:11,340

nothing outside of God there is no God

2725

01:55:17,030 --> 01:55:13,679

and ex

2726

01:55:18,830 --> 01:55:17,040

I see God as infinite abundant

2727

01:55:20,770 --> 01:55:18,840

eternal light and Consciousness I know

2728

01:55:23,629 --> 01:55:20,780

people will hear those words and say

2729

01:55:25,790 --> 01:55:23,639

buzzwords New Age this that it's just

2730

01:55:28,189 --> 01:55:25,800

what it is energy cannot be created or

2731

01:55:29,990 --> 01:55:28,199

destroyed energy is infinite in and of

2732

01:55:33,410 --> 01:55:30,000

itself that's something we've proven

2733

01:55:35,390 --> 01:55:33,420

even physically and Beyond so the way

2734

01:55:38,209 --> 01:55:35,400

that I would define God Is by not

2735

01:55:39,830 --> 01:55:38,219

defining God instead of saying there's a

2736

01:55:41,870 --> 01:55:39,840

Jewish god or a Muslim God or a

2737

01:55:43,310 --> 01:55:41,880

Christian God or you do this and you're

2738

01:55:47,990 --> 01:55:43,320

sinning and you're going to be punished

2739

01:55:50,750 --> 01:55:48,000

no God is the only thing that exists

2740

01:55:53,930 --> 01:55:50,760

which inherently is good

2741

01:55:57,290 --> 01:55:53,940

it's us through our Free Will which is

2742

01:55:59,750 --> 01:55:57,300

also part of God that chooses how we

2743

01:56:01,370 --> 01:55:59,760

want to connect with that Eternal being

2744

01:56:04,310 --> 01:56:01,380

with that Eternal Consciousness with

2745

01:56:07,669 --> 01:56:04,320

that eternal light of good and what we

2746

01:56:09,709 --> 01:56:07,679

call punishment is not God punishing us

2747

01:56:12,950 --> 01:56:09,719

that's not how that works there is no

2748

01:56:16,070 --> 01:56:12,960

judgment in in a source of goodness the

2749

01:56:19,189 --> 01:56:16,080

way that I see it personally is what we

2750

01:56:22,250 --> 01:56:19,199

perceive as punishment is our whether

2751

01:56:25,310 --> 01:56:22,260

conscious or subconscious choice of not

2752

01:56:26,990 --> 01:56:25,320

aligning with that ultimate light with

2753

01:56:28,910 --> 01:56:27,000

that ultimate good that's where our Free

2754

01:56:30,890 --> 01:56:28,920

Will comes in we could choose to do

2755

01:56:32,330 --> 01:56:30,900

things to hurt people we could choose to

2756

01:56:34,669 --> 01:56:32,340

do things to help people but the way

2757

01:56:35,810 --> 01:56:34,679

that I see God is not as a man with a

2758

01:56:36,830 --> 01:56:35,820

white beard in the closet it's going to

2759

01:56:40,430 --> 01:56:36,840

come and hurt you if you do something

2760

01:56:43,129 --> 01:56:40,440

bad the way that I see God is a the only

2761

01:56:45,709 --> 01:56:43,139

field that exists which is a unified

2762

01:56:47,750 --> 01:56:45,719

field of Consciousness that connects

2763

01:56:50,450 --> 01:56:47,760

everything that is aware of everything

2764

01:56:53,270 --> 01:56:50,460

that includes everything and that

2765

01:56:57,290 --> 01:56:53,280

nothing thing can exist without so again

2766

01:57:01,010 --> 01:56:57,300

not God and ex God that's where it is

2767

01:57:04,490 --> 01:57:01,020

you know how I know there's a God

2768

01:57:06,410 --> 01:57:04,500

that water slide a navigator of the Seas

2769

01:57:09,470 --> 01:57:06,420

that you and I are going to be putting

2770

01:57:10,790 --> 01:57:09,480

the heart to in a few months Jason thank

2771

01:57:12,709 --> 01:57:10,800

you so much my friend where can

2772

01:57:16,010 --> 01:57:12,719

everybody reach out to you how can they

2773

01:57:17,169 --> 01:57:16,020

find you really I mean it's it's a good

2774

01:57:20,750 --> 01:57:17,179

question

2775

01:57:23,810 --> 01:57:20,760

I do have uh social media channels uh

2776

01:57:26,089 --> 01:57:23,820

YouTube Instagram just Jason shirk I

2777

01:57:28,070 --> 01:57:26,099

will say there are scammers out there

2778

01:57:31,729 --> 01:57:28,080

there are people out there that pretend

2779

01:57:34,129 --> 01:57:31,739

to be me and and unfortunately they're

2780

01:57:37,129 --> 01:57:34,139

not me fortunately they're not me I will

2781

01:57:38,870 --> 01:57:37,139

never go and you know ask you for money

2782

01:57:41,149 --> 01:57:38,880

to do a psychic reading or things like

2783

01:57:42,950 --> 01:57:41,159

that I say that because if anybody does

2784

01:57:45,169 --> 01:57:42,960

follow me on YouTube or Instagram and

2785

01:57:46,850 --> 01:57:45,179

you're a new follower or subscriber you

2786

01:57:48,770 --> 01:57:46,860

will see that so just be cautious of

2787

01:57:51,229 --> 01:57:48,780

that please don't interact with them

2788

01:57:52,609 --> 01:57:51,239

please stay away from that and just know

2789

01:57:54,589 --> 01:57:52,619

that there's only one of me and those

2790

01:57:56,810 --> 01:57:54,599

are the bigger accounts that you're

2791

01:57:59,330 --> 01:57:56,820

going to see on social media Instagram

2792

01:58:02,030 --> 01:57:59,340

YouTube Facebook and of course on

2793

01:58:03,890 --> 01:58:02,040

Unified unified.tv is where I put a lot

2794

01:58:06,830 --> 01:58:03,900

of my workshops and you know lectures

2795

01:58:08,810 --> 01:58:06,840

and talks so that's the best way that

2796

01:58:10,970 --> 01:58:08,820

you can find me and follow my work thank

2797

01:58:13,910 --> 01:58:10,980

you so much Jason uh behave and be well

2798

01:58:15,350 --> 01:58:13,920

safe travels out here to California and

2799

01:58:17,689 --> 01:58:15,360

I'll see you in a couple of months my

2800

01:58:23,810 --> 01:58:17,699

friend thank you so much thank you

2801
01:58:25,970 --> 01:58:23,820
Jason shirka and we just uh I say it uh

2802
01:58:28,430 --> 01:58:25,980
so often uh we just went Bumper to

2803
01:58:32,089 --> 01:58:28,440
Bumper pulled a poll here on Fade to

2804
01:58:35,350 --> 01:58:32,099
Black and uh all of Jason's uh links are

2805
01:58:37,609 --> 01:58:35,360
right there at uh chimney

2806
01:58:39,709 --> 01:58:37,619
churchradio.com they're also throughout

2807
01:58:42,950 --> 01:58:39,719
our social media and they're in the

2808
01:58:47,530 --> 01:58:42,960
video description box below tomorrow

2809
01:58:50,510 --> 01:58:47,540
night on the program uh we have got

2810
01:58:53,689 --> 01:58:50,520
uh the one and only uh see here's the

2811
01:58:57,290 --> 01:58:53,699
thing tomorrow night I wanted to do I

2812
01:59:00,109 --> 01:58:57,300
wanted to do little UFOs I wanted to do

2813
01:59:02,810 --> 01:59:00,119

uh some lost history this week I wanted

2814

01:59:04,910 --> 01:59:02,820

to do some Consciousness and I wanted to

2815

01:59:08,750 --> 01:59:04,920

do some paranormal so tomorrow night

2816

01:59:10,129 --> 01:59:08,760

it's Jim Harold all right tomorrow night

2817

01:59:11,089 --> 01:59:10,139

I'm gonna figure out what makes that man

2818

01:59:12,890 --> 01:59:11,099

tick

2819

01:59:15,470 --> 01:59:12,900

Fade to Black is produced by Hilton J

2820

01:59:17,810 --> 01:59:15,480

Palm Renee Dennis and Kevin webmaster is

2821

01:59:20,510 --> 01:59:17,820

Drew the geek music Doug Aldrich intro

2822

01:59:22,550 --> 01:59:20,520

space boys spaceboymusic.com

2823

01:59:24,169 --> 01:59:22,560

I think the black is produced by kjcr

2824

01:59:27,649 --> 01:59:24,179

for the game changer Network and this

2825

01:59:29,209 --> 01:59:27,659

broadcast is owned and copyrighted 2022

2826
01:59:31,430 --> 01:59:29,219
by Fade to Black in the game changer

2827
01:59:33,050 --> 01:59:31,440
Network Inc it cannot be rebroadcast

2828
01:59:34,850 --> 01:59:33,060
downloaded copied or used anywhere in

2829
01:59:36,350 --> 01:59:34,860
the known universe without written

2830
01:59:37,729 --> 01:59:36,360
permission for fade to block of the game

2831
01:59:40,010 --> 01:59:37,739
changer Network until tomorrow night

2832
01:59:41,209 --> 01:59:40,020
with Jim Harold I want everybody to be

2833
01:59:45,010 --> 01:59:41,219
safe

2834
01:59:45,820 --> 01:59:45,020
go back Lee tappy

2835
01:59:47,330 --> 01:59:45,830
[Applause]

2836
01:59:49,340 --> 01:59:47,340
[Music]

2837
01:59:52,550 --> 01:59:49,350
together
