

# FADE **TO** BLACK

with **JIMMY CHURCH**  
**PRESENTS**

# BREAKING NEWS

Mon DEC 26, 2022 **LIVE**

1  
00:00:17,870 --> 00:00:30,669  
[Music]

2  
00:00:38,950 --> 00:00:32,460  
thank you

3  
00:00:39,970 --> 00:00:38,960  
[Music]

4  
00:00:43,430 --> 00:00:39,980  
thank you

5  
00:00:48,709 --> 00:00:46,190  
all right welcome Fade to Black breaking

6  
00:00:52,130 --> 00:00:48,719  
news for this Monday December 26th

7  
00:00:55,010 --> 00:00:52,140  
through 2022 I'm Jimmy church and I hope

8  
00:00:56,950 --> 00:00:55,020  
that everybody had a great safe and fun

9  
00:01:01,490 --> 00:00:56,960  
amazing Christmas yesterday

10  
00:01:04,270 --> 00:01:01,500  
this is all of the news that you need on

11  
00:01:07,670 --> 00:01:04,280  
this day in history in 1946

12  
00:01:09,830 --> 00:01:07,680  
mobster Bugsy Siegel opens the Flamingo

13  
00:01:13,190 --> 00:01:09,840

## Hotel in Las Vegas Nevada

14

00:01:15,950 --> 00:01:13,200

the grand opening was a flop the

15

00:01:18,530 --> 00:01:15,960

flamingo lost three hundred thousand

16

00:01:20,929 --> 00:01:18,540

dollars in its first week of operation

17

00:01:23,410 --> 00:01:20,939

back then that was a lot of Dash

18

00:01:26,090 --> 00:01:23,420

here's your fader fact today

19

00:01:29,990 --> 00:01:26,100

the wood frog

20

00:01:31,370 --> 00:01:30,000

doesn't pee for eight months

21

00:01:33,289 --> 00:01:31,380

wow

22

00:01:36,130 --> 00:01:33,299

it hibernates

23

00:01:38,569 --> 00:01:36,140

and that

24

00:01:40,429 --> 00:01:38,579

that is your fader fact

25

00:01:43,069 --> 00:01:40,439

um Craig taltavall

26

00:01:45,649 --> 00:01:43,079

a friend that I grew up with down in

27

00:01:47,330 --> 00:01:45,659

Panama left this Earth just before

28

00:01:50,270 --> 00:01:47,340

Christmas

29

00:01:52,130 --> 00:01:50,280

and I talked about him a few times on

30

00:01:54,350 --> 00:01:52,140

the show over the years he was always

31

00:01:56,749 --> 00:01:54,360

listening and stayed in touch

32

00:02:01,609 --> 00:01:56,759

and uh gonna miss him he was a good dude

33

00:02:03,730 --> 00:02:01,619

rest in peace Craig all right let's get

34

00:02:07,789 --> 00:02:03,740

to the breaking news

35

00:02:10,370 --> 00:02:07,799

artificial light pollution from Earth is

36

00:02:15,050 --> 00:02:10,380

contaminating the Skies over most major

37

00:02:18,110 --> 00:02:15,060

astronomical observatories requiring uh

38

00:02:20,210 --> 00:02:18,120

immediate action to remedy a team of

39

00:02:23,210 --> 00:02:20,220

international scientists has determined

40

00:02:26,210 --> 00:02:23,220

the team including scientists from Italy

41

00:02:30,070 --> 00:02:26,220

Chiles and Spain compared light

42

00:02:32,089 --> 00:02:30,080

pollution at almost 50 observatories

43

00:02:33,710 --> 00:02:32,099

ranging from some of the largest

44

00:02:36,589 --> 00:02:33,720

professional observatories in the world

45

00:02:39,410 --> 00:02:36,599

to smaller amateur focused facilities

46

00:02:41,690 --> 00:02:39,420

the scientists have applied a model of

47

00:02:45,530 --> 00:02:41,700

how light travels through Earth's

48

00:02:47,990 --> 00:02:45,540

atmosphere to night views taken by

49

00:02:53,089 --> 00:02:48,000

satellites the team found that only

50

00:02:55,670 --> 00:02:53,099

seven of 28 major observatories had a

51  
00:02:57,350 --> 00:02:55,680  
brightness below the expected natural

52  
00:02:59,990 --> 00:02:57,360  
sky

53  
00:03:04,009 --> 00:03:00,000  
yeah gotta turn out the lights

54  
00:03:07,130 --> 00:03:04,019  
mainland China is experiencing its first

55  
00:03:10,369 --> 00:03:07,140  
major covid surge since the pandemic

56  
00:03:13,790 --> 00:03:10,379  
originated there three years ago with an

57  
00:03:16,130 --> 00:03:13,800  
estimated 250 million people infected

58  
00:03:20,390 --> 00:03:16,140  
with the virus in the first 20 days of

59  
00:03:22,430 --> 00:03:20,400  
the month as the zero tolerance has

60  
00:03:24,070 --> 00:03:22,440  
ended

61  
00:03:26,690 --> 00:03:24,080  
wow

62  
00:03:29,149 --> 00:03:26,700  
Alexander buzakov

63  
00:03:32,030 --> 00:03:29,159

the head of a shipyard producing

64

00:03:33,530 --> 00:03:32,040

warships and submarines for Russia's

65

00:03:38,210 --> 00:03:33,540

defense Ministry

66

00:03:40,550 --> 00:03:38,220

has died suddenly at the age of 66. he's

67

00:03:44,630 --> 00:03:40,560

just the latest in a long line of Putin

68

00:03:47,270 --> 00:03:44,640

friends to croak mysteriously in recent

69

00:03:52,970 --> 00:03:49,270

I'll leave that right there

70

00:03:56,390 --> 00:03:52,980

archaeologists in Idaho have Unearthed

71

00:03:58,509 --> 00:03:56,400

13 projectile points that date back

72

00:04:02,809 --> 00:03:58,519

roughly 15

73

00:04:05,930 --> 00:04:02,819

700 years making them the oldest weapon

74

00:04:08,449 --> 00:04:05,940

heads ever documented in the Americas

75

00:04:10,910 --> 00:04:08,459

according to a new study published in

76

00:04:14,089 --> 00:04:10,920

the journal science advances

77

00:04:17,810 --> 00:04:14,099

the finely honed darts are also

78

00:04:20,270 --> 00:04:17,820

strikingly similar to those found in

79

00:04:22,310 --> 00:04:20,280

haikado Japan

80

00:04:25,070 --> 00:04:22,320

dating from 16

81

00:04:28,490 --> 00:04:25,080

000 to 20 000 years ago

82

00:04:32,450 --> 00:04:28,500

is there an Asian connection

83

00:04:34,730 --> 00:04:32,460

yeah pretty incredible uh more Vladimir

84

00:04:38,450 --> 00:04:34,740

Putin news Russian President Vladimir

85

00:04:41,629 --> 00:04:38,460

Putin said he is ready to negotiate with

86

00:04:44,510 --> 00:04:41,639

everyone involved in this process about

87

00:04:47,510 --> 00:04:44,520

acceptable Solutions regarding the war

88

00:04:50,870 --> 00:04:47,520

in Ukraine all of this according to

89

00:04:53,450 --> 00:04:50,880

Russian State News Agency Tas citing

90

00:04:55,610 --> 00:04:53,460

Putin's interview with State tv

91

00:04:58,010 --> 00:04:55,620

yesterday

92

00:05:00,590 --> 00:04:58,020

we shall see

93

00:05:03,830 --> 00:05:00,600

scientists have identified two minerals

94

00:05:06,610 --> 00:05:03,840

never before seen on Earth in a

95

00:05:09,070 --> 00:05:06,620

meteorite weighing check this

96

00:05:13,249 --> 00:05:09,080

33

97

00:05:15,230 --> 00:05:13,259

510 pounds it is ginormous the minerals

98

00:05:18,350 --> 00:05:15,240

came from a two and a half ounce slice

99

00:05:22,370 --> 00:05:18,360

of the meteorite which was discovered in

100

00:05:27,050 --> 00:05:22,380

Somalia in 2020 and is the ninth largest

101  
00:05:32,570 --> 00:05:27,060  
meteorite ever found one is named El

102  
00:05:36,050 --> 00:05:32,580  
aliite and the other Elkin stantonite

103  
00:05:41,510 --> 00:05:36,060  
all right now Renee

104  
00:05:43,610 --> 00:05:41,520  
sent sent me some of her best of 2022.

105  
00:05:45,310 --> 00:05:43,620  
and I want to share those with you she

106  
00:05:50,749 --> 00:05:45,320  
says

107  
00:05:55,070 --> 00:05:50,759  
2022's best UFO ET story has to be that

108  
00:05:58,689 --> 00:05:55,080  
after 50 years Congress finally had

109  
00:06:01,490 --> 00:05:58,699  
another public hearing on UFOs

110  
00:06:06,469 --> 00:06:01,500  
and then we have this

111  
00:06:08,870 --> 00:06:06,479  
the best conspiracy theory of 2022

112  
00:06:13,070 --> 00:06:08,880  
the Flat Earth

113  
00:06:17,330 --> 00:06:13,080

because it refuses to die despite being

114

00:06:20,529 --> 00:06:17,340

so obviously absurd impossible and

115

00:06:27,170 --> 00:06:24,050

2022's best tech news

116

00:06:29,809 --> 00:06:27,180

is Elon Musk announcement that he will

117

00:06:33,529 --> 00:06:29,819

find a replacement for himself

118

00:06:37,490 --> 00:06:33,539

as Twitter CEO rumors are

119

00:06:40,809 --> 00:06:37,500

that he is going to stay on as CEO

120

00:06:43,909 --> 00:06:40,819

because he has just completed counting

121

00:06:46,930 --> 00:06:43,919

mail-in ballots

122

00:06:55,010 --> 00:06:51,050

2022's best animal story and it's an

123

00:06:57,409 --> 00:06:55,020

incredible one a black bear tracked 1

124

00:07:00,110 --> 00:06:57,419

000 miles over six months on a journey

125

00:07:02,029 --> 00:07:00,120

through Georgia

126  
00:07:05,270 --> 00:07:02,039  
South Carolina

127  
00:07:09,469 --> 00:07:05,280  
and North Carolina before returning to

128  
00:07:11,150 --> 00:07:09,479  
her favorite Campsite in the Great Smoky

129  
00:07:14,029 --> 00:07:11,160  
Mountains

130  
00:07:16,070 --> 00:07:14,039  
so there you go that's all of your news

131  
00:07:19,150 --> 00:07:16,080  
for this Monday the day after Christmas

132  
00:07:23,089 --> 00:07:19,160  
December 26th

133  
00:07:29,230 --> 00:07:23,099  
2022 Fade to Black news is produced by

134  
00:07:51,340 --> 00:07:41,370  
[Music]
