

FADE **TO** BLACK

with **JIMMY CHURCH**
PRESENTS

BREAKING NEWS

Wed DEC 28, 2022 **LIVE**

1
00:00:42,229 --> 00:00:28,880

[Music]

2
00:00:49,310 --> 00:00:45,530

all right welcome Fade to Black breaking

3
00:00:51,889 --> 00:00:49,320

news for this Wednesday December 28 2022

4
00:00:55,490 --> 00:00:51,899

I'm Jimmy church this is

5
00:00:57,069 --> 00:00:55,500

all of the news that you need on this

6
00:01:01,189 --> 00:00:57,079

day in history

7
00:01:03,529 --> 00:01:01,199

1895 the world's first commercial movie

8
00:01:06,289 --> 00:01:03,539

takes place at the Grand Cafe in Paris

9
00:01:09,649 --> 00:01:06,299

France the film was made by Lewis and

10
00:01:13,250 --> 00:01:09,659

Augusta Lumiere two French brothers who

11
00:01:17,210 --> 00:01:13,260

developed a camera projector called the

12
00:01:19,070 --> 00:01:17,220

Cinema autograph that's right here's

13
00:01:21,469 --> 00:01:19,080

your fader fact today

14

00:01:25,910 --> 00:01:21,479

fact

15

00:01:27,830 --> 00:01:25,920

German chocolate cake was invented in

16

00:01:31,990 --> 00:01:27,840

Texas

17

00:01:35,870 --> 00:01:32,000

that's right it's named after Sam German

18

00:01:38,050 --> 00:01:35,880

who in 1852 created the formula for

19

00:01:43,130 --> 00:01:38,060

baker's chocolate company

20

00:01:44,690 --> 00:01:43,140

which was named Baker's Germans sweet

21

00:01:49,850 --> 00:01:44,700

chocolate

22

00:01:52,130 --> 00:01:49,860

that's right it's not from Germany Texas

23

00:01:54,469 --> 00:01:52,140

here's your breaking news

24

00:01:56,870 --> 00:01:54,479

let's get straight to it astronomers on

25

00:01:59,810 --> 00:01:56,880

a historically ambitious and massive

26
00:02:01,670 --> 00:01:59,820
Galaxy mapping Mission have activated

27
00:02:05,090 --> 00:02:01,680
more than ten thousand amateur

28
00:02:07,190 --> 00:02:05,100
scientists in 85 countries

29
00:02:10,130 --> 00:02:07,200
looking for their help

30
00:02:12,949 --> 00:02:10,140
since Dark Energy explorers launched in

31
00:02:15,229 --> 00:02:12,959
February 2021 more than ten thousand

32
00:02:18,650 --> 00:02:15,239
volunteers have identified approximately

33
00:02:25,670 --> 00:02:22,309
000 galaxies the goal is to build the

34
00:02:27,650 --> 00:02:25,680
largest 3D map of the cosmos all focused

35
00:02:30,470 --> 00:02:27,660
on galaxies in the early Universe to

36
00:02:31,570 --> 00:02:30,480
help reveal important clues about Dark

37
00:02:33,949 --> 00:02:31,580
Energy

38
00:02:35,930 --> 00:02:33,959

absolutely incredible

39

00:02:38,570 --> 00:02:35,940

they're just looking at a small slice of

40

00:02:42,350 --> 00:02:38,580

the sky too you know near the Big Dipper

41

00:02:49,009 --> 00:02:45,610

000 galaxies Hunter gathers in Europe

42

00:02:51,770 --> 00:02:49,019

knew how to make and use Pottery to

43

00:02:55,130 --> 00:02:51,780

store and cook food according to new

44

00:02:57,470 --> 00:02:55,140

Science magazine reports now it had been

45

00:02:59,630 --> 00:02:57,480

previously thought that Pottery was

46

00:03:03,290 --> 00:02:59,640

developed by early farmers during the

47

00:03:05,210 --> 00:03:03,300

Neolithic period Rowan McLaughlin of the

48

00:03:08,210 --> 00:03:05,220

National University of Ireland at

49

00:03:09,949 --> 00:03:08,220

Maynooth and his colleagues examined the

50

00:03:13,190 --> 00:03:09,959

decorations and shapes of pottery

51
00:03:15,350 --> 00:03:13,200
fragments Unearthed at more than 150

52
00:03:18,949 --> 00:03:15,360
archaeological sites around the Baltic

53
00:03:22,610 --> 00:03:18,959
Sea and Eastern Europe the study shows

54
00:03:26,330 --> 00:03:22,620
that the use of pottery began 20 000

55
00:03:29,509 --> 00:03:26,340
years ago and started around 7 900 years

56
00:03:32,869 --> 00:03:29,519
ago Clay Pot spread throughout the Ural

57
00:03:37,190 --> 00:03:32,879
Mountains and Southern Scandinavia

58
00:03:41,330 --> 00:03:37,200
history is changing every single day

59
00:03:42,649 --> 00:03:41,340
now more archaeological news according

60
00:03:46,070 --> 00:03:42,659
to a statement released by the

61
00:03:48,229 --> 00:03:46,080
University of tubingen cut marks on the

62
00:03:50,949 --> 00:03:48,239
hand and foot bones of Cave Bears

63
00:03:54,070 --> 00:03:50,959

Unearthed and as shown again a lower

64

00:03:56,410 --> 00:03:54,080

Paleolithic site in Northwestern Germany

65

00:04:00,190 --> 00:03:56,420

suggests that humans

66

00:04:03,110 --> 00:04:00,200

wore bare skin coats

67

00:04:06,350 --> 00:04:03,120

300 000 years ago

68

00:04:09,410 --> 00:04:06,360

and that is incredible

69

00:04:12,910 --> 00:04:09,420

30 people are being trained on how to

70

00:04:16,610 --> 00:04:12,920

accompany patients tripping on

71

00:04:18,949 --> 00:04:16,620

psilocybin as Oregon prepares to become

72

00:04:21,289 --> 00:04:18,959

the first U.S state to offer controlled

73

00:04:24,469 --> 00:04:21,299

use of mushrooms to the public

74

00:04:28,249 --> 00:04:24,479

expected to be available in the mid or

75

00:04:31,129 --> 00:04:28,259

late 2023 the program is charting a

76
00:04:34,010 --> 00:04:31,139
potential course for other states Oregon

77
00:04:39,590 --> 00:04:34,020
voters approved ballot measure 109 on

78
00:04:43,670 --> 00:04:39,600
psilocybin by an 11 margin back in 2020.

79
00:04:46,010 --> 00:04:43,680
in November Colorado voters also passed

80
00:04:49,730 --> 00:04:46,020
a ballot measure allowing regulated use

81
00:04:52,850 --> 00:04:49,740
of magic mushrooms starting in 2024 on

82
00:04:55,909 --> 00:04:52,860
December 16th California estate Senator

83
00:04:59,210 --> 00:04:55,919
Scott weiner of San Francisco intruded a

84
00:05:01,909 --> 00:04:59,220
bill to legalize psilocybin and others

85
00:05:04,370 --> 00:05:01,919
psychedelic substances

86
00:05:07,390 --> 00:05:04,380
It's a Brand New Day

87
00:05:14,570 --> 00:05:07,400
a newly discovered asteroid

88
00:05:17,150 --> 00:05:14,580

2022 YG is now labeled as a Mini Moon

89

00:05:20,510 --> 00:05:17,160

the space Rock was first observed on

90

00:05:25,850 --> 00:05:20,520

December 15th it was then called

91

00:05:29,150 --> 00:05:25,860

asteroid 2022 YG that was initially

92

00:05:32,150 --> 00:05:29,160

right as it was cataloged it's about 98

93

00:05:34,249 --> 00:05:32,160

feet in diameter early computer models

94

00:05:36,830 --> 00:05:34,259

of its orbit show that it takes about a

95

00:05:41,029 --> 00:05:36,840

year to circle the Earth the orbital

96

00:05:43,370 --> 00:05:41,039

data for 2022 YG shows us stretching

97

00:05:45,710 --> 00:05:43,380

into an elongated ellipse in One

98

00:05:48,590 --> 00:05:45,720

Direction then migrating back to a more

99

00:05:51,890 --> 00:05:48,600

circular orbit and then stretching out

100

00:05:54,529 --> 00:05:51,900

again in another Direction before the

101

00:05:58,070 --> 00:05:54,539

whole cycle repeats itself

102

00:06:01,070 --> 00:05:58,080

we've got another Moon

103

00:06:04,490 --> 00:06:01,080

yeah it's pretty cool well check this

104

00:06:11,270 --> 00:06:06,110

Russian

105

00:06:17,090 --> 00:06:14,570

Pavel antov

106

00:06:20,330 --> 00:06:17,100

has been found dead at an Indian Hotel

107

00:06:21,770 --> 00:06:20,340

two days after a friend died during the

108

00:06:24,550 --> 00:06:21,780

same trip

109

00:06:28,610 --> 00:06:24,560

they were visiting the Eastern State of

110

00:06:31,610 --> 00:06:28,620

addisha and the millionaire who was also

111

00:06:35,689 --> 00:06:31,620

a local politician had just celebrated

112

00:06:37,129 --> 00:06:35,699

his birthday at the hotel antof was a

113

00:06:41,210 --> 00:06:37,139

well-known figure in the city of

114

00:06:43,730 --> 00:06:41,220

Vladimir east of Moscow last summer he

115

00:06:46,850 --> 00:06:43,740

denied criticizing Russia's war in

116

00:06:48,890 --> 00:06:46,860

Ukraine after a message appeared on his

117

00:06:51,950 --> 00:06:48,900

WhatsApp account

118

00:06:53,930 --> 00:06:51,960

that's all it takes the Millionaire's

119

00:06:56,150 --> 00:06:53,940

death is the latest in a series of

120

00:07:00,129 --> 00:06:56,160

unexplained deaths involving Russian

121

00:07:02,510 --> 00:07:00,139

tycoons and Friends of Vladimir Putin

122

00:07:05,029 --> 00:07:02,520

there you go

123

00:07:09,230 --> 00:07:05,039

well some colleges

124

00:07:11,870 --> 00:07:09,240

are now restricting Tick-Tock access on

125

00:07:14,930 --> 00:07:11,880

campus following a government Crackdown

126

00:07:17,270 --> 00:07:14,940

in several States lawmakers have accused

127

00:07:20,150 --> 00:07:17,280

Tick Tock of reporting user dated to

128

00:07:22,749 --> 00:07:20,160

China and in recent weeks have moved to

129

00:07:25,550 --> 00:07:22,759

ban the app on state-issued devices

130

00:07:28,249 --> 00:07:25,560

South Dakota was the first state to pass

131

00:07:30,770 --> 00:07:28,259

the ban with 13 other states soon

132

00:07:33,890 --> 00:07:30,780

following suit the University of

133

00:07:37,129 --> 00:07:33,900

Oklahoma and Auburn University in

134

00:07:39,350 --> 00:07:37,139

Alabama have each announced that while

135

00:07:41,450 --> 00:07:39,360

students can still access tick tock on

136

00:07:44,990 --> 00:07:41,460

their personal devices and on their own

137

00:07:49,430 --> 00:07:45,000

data the app will be banned on school

138

00:07:53,290 --> 00:07:49,440

computers and on its Wi-Fi networks

139

00:07:56,450 --> 00:07:53,300

governors in Alabama Georgia Idaho

140

00:07:58,730 --> 00:07:56,460

Maryland Montana New Hampshire North

141

00:08:02,689 --> 00:07:58,740

Dakota Oklahoma South Carolina South

142

00:08:06,050 --> 00:08:02,699

Dakota Texas Utah and Virginia have all

143

00:08:08,089 --> 00:08:06,060

announced bans on tick tock

144

00:08:10,969 --> 00:08:08,099

so there you go that's your Fade to

145

00:08:15,610 --> 00:08:10,979

Black breaking news all of the news that

146

00:08:18,230 --> 00:08:15,620

you need for Wednesday December 28 2022

147

00:08:21,050 --> 00:08:18,240

breaking news is produced by Renee

148

00:08:23,270 --> 00:08:21,060

Newman I'm Jimmy church and I've just

149

00:08:27,970 --> 00:08:23,280

got to say right now
