

FADE TO BLACK

with JIMMY CHURCH

PRESENTS

2023

MY BRAIN RIGHT NOW

MON JAN 02 **LIVE**

7:00 PM PT/10:00PM ET

1
00:00:08,040 --> 00:00:18,090

foreign

2
00:00:18,100 --> 00:00:35,590

[Music]

3
00:00:40,369 --> 00:00:38,150

Air Forces has announced that applying

4
00:00:45,970 --> 00:00:40,379

disc has been found and is now in the

5
00:00:53,330 --> 00:00:49,729

I occasionally think how quickly hard

6
00:00:55,729 --> 00:00:53,340

difference is worldwide would vanish if

7
00:00:57,100 --> 00:00:55,739

we were facing an alien threat from

8
00:00:58,910 --> 00:00:57,110

outside this work

9
00:00:59,100 --> 00:00:58,920

[Music]

10
00:01:01,450 --> 00:00:59,110

[Applause]

11
00:01:04,430 --> 00:01:01,460

[Music]

12
00:01:07,250 --> 00:01:04,440

this is Fade to Black with your host

13
00:01:07,870 --> 00:01:07,260

Jimmy Church on the game changer Radio

14

00:01:12,289 --> 00:01:07,880

Network

15

00:01:19,429 --> 00:01:15,830

good evening Fade to Black

16

00:01:20,890 --> 00:01:19,439

how you doing how you doing all right

17

00:01:23,870 --> 00:01:20,900

today

18

00:01:25,270 --> 00:01:23,880

is the second day

19

00:01:28,490 --> 00:01:25,280

of

20

00:01:31,249 --> 00:01:28,500

2023 and this is Fade to Black I'm your

21

00:01:35,630 --> 00:01:31,259

host Jimmy church and a couple of things

22

00:01:38,390 --> 00:01:35,640

uh what we're doing tonight is uh

23

00:01:41,390 --> 00:01:38,400

uh I I just got back from Florida did a

24

00:01:43,550 --> 00:01:41,400

little secret mission and and and went

25

00:01:47,330 --> 00:01:43,560

out and and hung out with Billy Carson

26

00:01:49,069 --> 00:01:47,340

and Elizabeth hoxtra and their uh New

27

00:01:52,490 --> 00:01:49,079

Year's Eve party and it was great it was

28

00:01:54,170 --> 00:01:52,500

amazing and uh this week you know it was

29

00:01:55,969 --> 00:01:54,180

all set up and everything

30

00:01:59,210 --> 00:01:55,979

and then a couple of things happen over

31

00:02:01,969 --> 00:01:59,220

the weekend which uh and I didn't have

32

00:02:03,830 --> 00:02:01,979

any way to deal with it it was it was

33

00:02:07,069 --> 00:02:03,840

travel

34

00:02:09,290 --> 00:02:07,079

um right now there are uh it's been if

35

00:02:12,229 --> 00:02:09,300

you've been following the news here in

36

00:02:14,210 --> 00:02:12,239

in California we've got floods going on

37

00:02:16,910 --> 00:02:14,220

all over the place right now it's been

38

00:02:19,670 --> 00:02:16,920

raining all day here uh it's Thunder

39

00:02:23,210 --> 00:02:19,680

it's not thunderstorm it's but raindrops

40

00:02:25,809 --> 00:02:23,220

this big going on right now and my

41

00:02:29,869 --> 00:02:25,819

internet today was spotty all day long

42

00:02:32,570 --> 00:02:29,879

and I jumped in really quick uh today

43

00:02:35,930 --> 00:02:32,580

when I got some internet and and did the

44

00:02:38,150 --> 00:02:35,940

breaking news and so I was dealing with

45

00:02:41,509 --> 00:02:38,160

that uh today

46

00:02:43,790 --> 00:02:41,519

and uh and then uh my guess for the the

47

00:02:46,670 --> 00:02:43,800

week and they're dealing with stuff and

48

00:02:48,650 --> 00:02:46,680

I had to shuffle everything around and I

49

00:02:51,170 --> 00:02:48,660

was like no there's no way I'm not doing

50

00:02:53,449 --> 00:02:51,180

a show tonight uh the show's gonna

51

00:02:55,490 --> 00:02:53,459

happen so we we

52

00:02:57,350 --> 00:02:55,500

didn't post anything because I'm

53

00:02:59,350 --> 00:02:57,360

Shuffling stuff

54

00:03:02,150 --> 00:02:59,360

um I had to move tonight's guest around

55

00:03:05,170 --> 00:03:02,160

so I'm dealing with all of that and I

56

00:03:08,570 --> 00:03:05,180

thought no no I've got too much to say

57

00:03:11,330 --> 00:03:08,580

this no no no no no so that's what we're

58

00:03:13,070 --> 00:03:11,340

doing tonight uh and I've called the

59

00:03:15,830 --> 00:03:13,080

show my brain because I've got a lot of

60

00:03:18,350 --> 00:03:15,840

things that I've needed to discuss that

61

00:03:20,690 --> 00:03:18,360

I haven't been able to get to uh over

62

00:03:22,250 --> 00:03:20,700

the last couple of months and certainly

63

00:03:24,229 --> 00:03:22,260

the last couple of weeks so we're going

64

00:03:26,390 --> 00:03:24,239

to do all of that tonight welcome

65

00:03:29,509 --> 00:03:26,400

everybody again Happy New Year I hope

66

00:03:32,089 --> 00:03:29,519

that everybody had a great uh safe and

67

00:03:34,910 --> 00:03:32,099

fun and amazing uh New Year's Eve and

68

00:03:37,250 --> 00:03:34,920

New Year's uh over the weekend

69

00:03:41,770 --> 00:03:37,260

um I did fly out to Billy's house

70

00:03:44,690 --> 00:03:41,780

and I did a live uh podcast with them on

71

00:03:46,430 --> 00:03:44,700

uh when was that was that

72

00:03:53,690 --> 00:03:46,440

Friday

73

00:03:57,050 --> 00:03:53,700

Year's was Saturday it's it's all a blur

74

00:03:59,690 --> 00:03:57,060

because man I winged in

75

00:04:01,630 --> 00:03:59,700

um and uh and then turned around and got

76

00:04:04,850 --> 00:04:01,640

out right after the party it was amazing

77

00:04:08,390 --> 00:04:04,860

and uh a couple of things about the

78

00:04:11,750 --> 00:04:08,400

party the party was fun but I'll tell

79

00:04:12,710 --> 00:04:11,760

you I got to meet Lisa Leslie she was

80

00:04:14,570 --> 00:04:12,720

there

81

00:04:15,550 --> 00:04:14,580

um the WNBA player one of the great

82

00:04:18,650 --> 00:04:15,560

players

83

00:04:20,870 --> 00:04:18,660

of a professional basketball of all time

84

00:04:23,210 --> 00:04:20,880

and man tall woman too

85

00:04:24,050 --> 00:04:23,220

but I got to sit down and chat with her

86

00:04:28,850 --> 00:04:24,060

for

87

00:04:32,330 --> 00:04:28,860

that she's ever gonna come on Fade to

88

00:04:34,730 --> 00:04:32,340

Black it's not her thing but uh it was

89

00:04:38,150 --> 00:04:34,740

fun to just sit and talk to her about

90

00:04:40,010 --> 00:04:38,160

about about things and the world it was

91

00:04:42,230 --> 00:04:40,020

uh really really really cool didn't

92

00:04:44,210 --> 00:04:42,240

expect it uh either

93

00:04:45,950 --> 00:04:44,220

um it was really funny I was outside uh

94

00:04:50,330 --> 00:04:45,960

when she was walking in

95

00:04:54,490 --> 00:04:50,340

I thought I know her man she's tall

96

00:04:56,230 --> 00:04:54,500

and uh and then I you know my loud

97

00:04:59,749 --> 00:04:56,240

obnoxious

98

00:05:02,749 --> 00:04:59,759

personality right and I was like

99

00:05:04,730 --> 00:05:02,759

the food's to the left

100

00:05:07,070 --> 00:05:04,740

the bars to the right just going the

101
00:05:11,570 --> 00:05:07,080
door's unlocked and and she just kind of

102
00:05:13,249 --> 00:05:11,580
went man who is this guy but uh we

103
00:05:14,930 --> 00:05:13,259
worked all that out

104
00:05:19,730 --> 00:05:14,940
and uh so it was pretty cool it was a

105
00:05:21,890 --> 00:05:19,740
great party and uh uh my friends uh my

106
00:05:24,890 --> 00:05:21,900
neighbors uh from Palmdale uh flew out

107
00:05:27,050 --> 00:05:24,900
too as well Romeo and Amy

108
00:05:29,029 --> 00:05:27,060
and uh that was a that was a pretty cool

109
00:05:31,790 --> 00:05:29,039
surprise but anyway great great night

110
00:05:34,010 --> 00:05:31,800
out at Billy's but then coming back I

111
00:05:36,070 --> 00:05:34,020
had to deal with uh everything that was

112
00:05:39,590 --> 00:05:36,080
going on uh with the Airlines

113
00:05:42,950 --> 00:05:39,600

and and that was uh just traumatic and I

114

00:05:45,110 --> 00:05:42,960

am being very kind about all of that and

115

00:05:49,550 --> 00:05:45,120

then which which pushed everything back

116

00:05:52,790 --> 00:05:49,560

and then leading into today and uh

117

00:05:55,730 --> 00:05:52,800

right now I wish you could hear it

118

00:05:59,330 --> 00:05:55,740

the wind it's freezing it's just free

119

00:06:04,610 --> 00:05:59,340

I haven't thought out all day so but The

120

00:06:11,210 --> 00:06:08,930

and where am I at in in 2023 I'm going

121

00:06:13,310 --> 00:06:11,220

to start with um a couple of things

122

00:06:17,230 --> 00:06:13,320

first off

123

00:06:21,290 --> 00:06:17,240

I've started writing my first book

124

00:06:24,110 --> 00:06:21,300

and uh and I say first I don't know if

125

00:06:27,850 --> 00:06:24,120

there'll ever be a second but this is my

126

00:06:30,529 --> 00:06:27,860

first book so I've started writing it

127

00:06:32,210 --> 00:06:30,539

and uh and I'm going to talk to you a

128

00:06:37,730 --> 00:06:32,220

little bit about it

129

00:06:40,909 --> 00:06:37,740

um in that I've I've had an idea

130

00:06:43,550 --> 00:06:40,919

for a book uh for a while now and I've

131

00:06:45,950 --> 00:06:43,560

been you know working on it in my head

132

00:06:48,890 --> 00:06:45,960

but I couldn't

133

00:06:50,330 --> 00:06:48,900

uh I just couldn't figure out a way to

134

00:06:53,990 --> 00:06:50,340

start it

135

00:06:58,790 --> 00:06:54,000

I I had that dilemma but I had it but I

136

00:07:00,950 --> 00:06:58,800

had an act one solid and the ideas had a

137

00:07:04,730 --> 00:07:00,960

solid act two

138

00:07:08,510 --> 00:07:04,740

but I didn't have an act three

139

00:07:10,550 --> 00:07:08,520

I I just didn't and and I didn't want to

140

00:07:12,469 --> 00:07:10,560

write two-thirds of a book that's not

141

00:07:15,350 --> 00:07:12,479

and and that's one of the reasons why I

142

00:07:18,650 --> 00:07:15,360

was delaying it and getting started Plus

143

00:07:21,770 --> 00:07:18,660

didn't know how to get into it

144

00:07:23,089 --> 00:07:21,780

well uh last week and it was a Friday

145

00:07:24,830 --> 00:07:23,099

night

146

00:07:28,249 --> 00:07:24,840

and

147

00:07:31,490 --> 00:07:28,259

I wake up in the middle of the night

148

00:07:39,110 --> 00:07:34,909

I got it I got it I got the intro

149

00:07:40,070 --> 00:07:39,120

and I got the act three and I I laid

150

00:07:43,730 --> 00:07:40,080

there

151

00:07:45,770 --> 00:07:43,740

thinking through this going yes

152

00:07:48,290 --> 00:07:45,780

this is it so I did something that I've

153

00:07:49,730 --> 00:07:48,300

never done before I I jumped up I

154

00:07:53,210 --> 00:07:49,740

grabbed a pen

155

00:07:56,570 --> 00:07:53,220

and I wrote everything down and very

156

00:08:01,550 --> 00:07:56,580

basically but just so I wouldn't forget

157

00:08:03,550 --> 00:08:01,560

and and then uh uh no that wasn't Friday

158

00:08:08,330 --> 00:08:03,560

that was Thursday night

159

00:08:11,029 --> 00:08:08,340

uh Friday I was uh Airline bound

160

00:08:13,249 --> 00:08:11,039

so anyway but I got everything written

161

00:08:15,650 --> 00:08:13,259

out and I went whoa so I woke up in the

162

00:08:16,670 --> 00:08:15,660

morning and I looked at it and I went

163

00:08:22,369 --> 00:08:16,680

yes

164

00:08:25,070 --> 00:08:22,379

and I thought about it uh all weekend

165

00:08:29,510 --> 00:08:25,080

doing a lot of traveling and stuff and

166

00:08:32,029 --> 00:08:29,520

and working through it and I I got an

167

00:08:34,510 --> 00:08:32,039

outline done I've started writing

168

00:08:37,070 --> 00:08:34,520

and it's uh

169

00:08:39,709 --> 00:08:37,080

it's basically I don't want to give away

170

00:08:43,130 --> 00:08:39,719

the book but there's going to be some

171

00:08:45,889 --> 00:08:43,140

personal stuff in there about me yeah

172

00:08:47,750 --> 00:08:45,899

okay but uh and it may not be what you

173

00:08:52,009 --> 00:08:47,760

think there's going to be that part

174

00:08:56,470 --> 00:08:52,019

but this is going to be the marriage

175

00:09:02,030 --> 00:08:56,480

of the stuff that I've learned between

176

00:09:05,090 --> 00:09:02,040

uh our community and science

177

00:09:07,910 --> 00:09:05,100

and how my own personal experiences have

178

00:09:12,170 --> 00:09:07,920

tied all of these together that's going

179

00:09:15,110 --> 00:09:12,180

to be the setup in in act one act two

180

00:09:16,130 --> 00:09:15,120

is going to be where humanity is right

181

00:09:18,290 --> 00:09:16,140

now

182

00:09:20,810 --> 00:09:18,300

and that's going to be act two I've got

183

00:09:24,769 --> 00:09:20,820

all I've got everything laid out and

184

00:09:26,990 --> 00:09:24,779

then act three is going to be

185

00:09:29,449 --> 00:09:27,000

how

186

00:09:30,889 --> 00:09:29,459

um our community

187

00:09:33,290 --> 00:09:30,899

is

188

00:09:35,210 --> 00:09:33,300

the future

189

00:09:38,630 --> 00:09:35,220

okay and again it's not going to be what

190

00:09:42,410 --> 00:09:38,640

you think but but it's going to be the

191

00:09:44,930 --> 00:09:42,420

few how how the world

192

00:09:48,970 --> 00:09:44,940

you know right now we're we're the The

193

00:09:52,250 --> 00:09:48,980

Outsiders right we're The Outsiders

194

00:09:55,009 --> 00:09:52,260

but no no we're going to inherit this

195

00:09:56,150 --> 00:09:55,019

thing and we're going to be the winners

196

00:09:59,230 --> 00:09:56,160

in the long run

197

00:10:02,269 --> 00:09:59,240

and and how I've thought through this

198

00:10:04,670 --> 00:10:02,279

and and the act three it just all came

199

00:10:07,850 --> 00:10:04,680

together boom I got it I got it it's

200

00:10:11,389 --> 00:10:07,860

it's laid out so that's going to be a

201
00:10:15,530 --> 00:10:11,399
major project for me uh to get this done

202
00:10:18,410 --> 00:10:15,540
uh and finished in 2023 and I hope to

203
00:10:19,790 --> 00:10:18,420
have uh the book published in the second

204
00:10:22,970 --> 00:10:19,800
half of the year

205
00:10:26,810 --> 00:10:22,980
this is a really big deal and I think I

206
00:10:29,030 --> 00:10:26,820
think um it's going to be interesting to

207
00:10:31,550 --> 00:10:29,040
me it's going to be an interesting book

208
00:10:34,490 --> 00:10:31,560
to me but I want to get the thoughts

209
00:10:37,910 --> 00:10:34,500
down I want to get out and hopefully

210
00:10:40,130 --> 00:10:37,920
everybody else will connect with it and

211
00:10:42,050 --> 00:10:40,140
and that's my goal okay and I just want

212
00:10:43,070 --> 00:10:42,060
to preserve the thoughts and you never

213
00:10:46,250 --> 00:10:43,080

know

214

00:10:49,850 --> 00:10:46,260

uh what the future is but maybe

215

00:10:52,430 --> 00:10:49,860

maybe somebody a few years from now you

216

00:10:54,650 --> 00:10:52,440

know after I'm long gone uh we'll go

217

00:10:58,670 --> 00:10:54,660

back to that book and go wow this guy

218

00:11:01,310 --> 00:10:58,680

church back then you're spot on so we'll

219

00:11:03,889 --> 00:11:01,320

see okay so that's that's the first

220

00:11:06,829 --> 00:11:03,899

thing that I wanted uh to talk to you

221

00:11:10,130 --> 00:11:06,839

about uh tonight so there you go

222

00:11:15,710 --> 00:11:10,140

ah man it's gonna be a lot of work well

223

00:11:21,769 --> 00:11:18,610

hot chocolate and coffee

224

00:11:23,449 --> 00:11:21,779

one of the things that I have great

225

00:11:25,190 --> 00:11:23,459

respect for

226

00:11:27,530 --> 00:11:25,200

are authors

227

00:11:29,150 --> 00:11:27,540

anybody that has the discipline doesn't

228

00:11:31,490 --> 00:11:29,160

matter what the book is about I don't

229

00:11:34,430 --> 00:11:31,500

care if it's about if it's a children's

230

00:11:37,670 --> 00:11:34,440

book if it's a book about pets if it's a

231

00:11:38,870 --> 00:11:37,680

book about science an autobiography it

232

00:11:42,350 --> 00:11:38,880

doesn't matter

233

00:11:44,810 --> 00:11:42,360

science fiction romance novel if if if

234

00:11:46,490 --> 00:11:44,820

you have the discipline I have so much

235

00:11:49,130 --> 00:11:46,500

respect for this if you have the

236

00:11:50,090 --> 00:11:49,140

discipline to write a book and get it

237

00:11:53,630 --> 00:11:50,100

done

238

00:11:56,930 --> 00:11:53,640

man you've got all my respect and it's

239

00:12:00,290 --> 00:11:56,940

it's one of my big fears that that I

240

00:12:03,410 --> 00:12:00,300

can't write a book so I'm going to do it

241

00:12:06,050 --> 00:12:03,420

all right all right and now

242

00:12:07,910 --> 00:12:06,060

um I just have to say that it's just you

243

00:12:11,389 --> 00:12:07,920

know face your fears

244

00:12:13,250 --> 00:12:11,399

face your fears I was with um

245

00:12:15,590 --> 00:12:13,260

Billy and Elizabeth over the weekend

246

00:12:18,470 --> 00:12:15,600

that was a that was a big subject for us

247

00:12:21,290 --> 00:12:18,480

facing your fears this weekend uh both

248

00:12:25,370 --> 00:12:21,300

privately and we discussed it

249

00:12:28,730 --> 00:12:25,380

um on Elizabeth's uh podcast on Friday

250

00:12:32,269 --> 00:12:28,740

um it it life is about facing your fears

251
00:12:33,650 --> 00:12:32,279
and if you don't

252
00:12:36,350 --> 00:12:33,660
right

253
00:12:38,690 --> 00:12:36,360
you don't want to be that way you want

254
00:12:40,069 --> 00:12:38,700
to you want to face your fears and I've

255
00:12:47,269 --> 00:12:40,079
never had

256
00:12:49,190 --> 00:12:47,279
um physical things and and that included

257
00:12:52,310 --> 00:12:49,200
you know you know the thoughts of

258
00:12:55,250 --> 00:12:52,320
claustrophobia which which have come

259
00:12:57,949 --> 00:12:55,260
uh full circle as an adult I didn't

260
00:12:59,150 --> 00:12:57,959
really I didn't even D I knew the word

261
00:13:01,490 --> 00:12:59,160
but

262
00:13:06,530 --> 00:13:01,500
I I didn't have any issues with it

263
00:13:10,250 --> 00:13:06,540

growing up and and it the ideas about it

264

00:13:12,230 --> 00:13:10,260

started to creep in in my early 20s it

265

00:13:14,930 --> 00:13:12,240

wasn't that big of a deal but I could

266

00:13:16,790 --> 00:13:14,940

feel it I could feel it and it's gotten

267

00:13:18,769 --> 00:13:16,800

to the point now

268

00:13:23,269 --> 00:13:18,779

where and I've never really had panic

269

00:13:26,410 --> 00:13:23,279

attacks or or things like that

270

00:13:30,949 --> 00:13:26,420

um and I remember

271

00:13:34,430 --> 00:13:30,959

uh I was sitting on an airplane about 25

272

00:13:36,290 --> 00:13:34,440

years ago and I used to love still do

273

00:13:37,730 --> 00:13:36,300

the window seat

274

00:13:39,470 --> 00:13:37,740

right

275

00:13:42,769 --> 00:13:39,480

in one day

276

00:13:46,069 --> 00:13:42,779

uh this was in the in the 90s and I'm

277

00:13:49,310 --> 00:13:46,079

doing all this flying and I and I went

278

00:13:51,889 --> 00:13:49,320

and I sat down window seat

279

00:13:53,569 --> 00:13:51,899

and all of a sudden

280

00:13:56,449 --> 00:13:53,579

I freaked

281

00:13:59,449 --> 00:13:56,459

and maybe it was maybe the plane was

282

00:14:02,810 --> 00:13:59,459

warm or there was this it was I did but

283

00:14:04,870 --> 00:14:02,820

something clicked like and I was like

284

00:14:08,389 --> 00:14:04,880

man I gotta go

285

00:14:11,389 --> 00:14:08,399

I gotta get out of here and which I

286

00:14:13,550 --> 00:14:11,399

didn't I I rode through it and and

287

00:14:15,949 --> 00:14:13,560

somehow went to sleep and got it out of

288

00:14:17,210 --> 00:14:15,959

my mind after that I stopped booking

289

00:14:20,569 --> 00:14:17,220

window seats

290

00:14:23,690 --> 00:14:20,579

I had to sit in the aisle

291

00:14:25,310 --> 00:14:23,700

man my lights just blinked on and off I

292

00:14:27,290 --> 00:14:25,320

don't know if you saw that

293

00:14:29,690 --> 00:14:27,300

or they did out there I don't know if

294

00:14:33,050 --> 00:14:29,700

they did in here but they did yeah we've

295

00:14:35,930 --> 00:14:33,060

got thunderstorms and and hopefully

296

00:14:38,210 --> 00:14:35,940

and not Thunder rainstorms uh going on

297

00:14:41,990 --> 00:14:38,220

uh hopefully the internet's gonna stay

298

00:14:45,410 --> 00:14:42,000

uh but anyway after that it was it was

299

00:14:47,750 --> 00:14:45,420

uh aisle seats I'm back to window seats

300

00:14:49,370 --> 00:14:47,760

and I can deal with it but it was just a

301

00:14:52,670 --> 00:14:49,380

weird because I've never had loved

302

00:14:54,829 --> 00:14:52,680

flying and uh but it's about facing your

303

00:14:58,189 --> 00:14:54,839

fears and if if that's what what are you

304

00:15:00,170 --> 00:14:58,199

gonna do walk to cities are you gonna

305

00:15:02,990 --> 00:15:00,180

drive cross country every time you need

306

00:15:05,269 --> 00:15:03,000

no you've you've got to you've got to

307

00:15:07,610 --> 00:15:05,279

deal with it you know that's that's what

308

00:15:11,030 --> 00:15:07,620

I'm saying here if you just always face

309

00:15:14,329 --> 00:15:11,040

your fears and uh Elizabeth and I

310

00:15:15,590 --> 00:15:14,339

talking about uh and Billy uh that that

311

00:15:18,829 --> 00:15:15,600

dissent

312

00:15:21,310 --> 00:15:18,839

uh down the bent pyramid through that

313

00:15:26,329 --> 00:15:21,320

tiny little tunnel

314

00:15:30,650 --> 00:15:28,189

but I did it

315

00:15:32,449 --> 00:15:30,660

you know no matter what no matter what I

316

00:15:34,069 --> 00:15:32,459

say about it now

317

00:15:36,050 --> 00:15:34,079

I did it

318

00:15:38,509 --> 00:15:36,060

you know face your fears what am I going

319

00:15:40,370 --> 00:15:38,519

to do what's the alternative there let

320

00:15:43,009 --> 00:15:40,380

everybody else go and check it out I'm

321

00:15:44,689 --> 00:15:43,019

gonna stay out no and I joked about it

322

00:15:47,210 --> 00:15:44,699

I'll face time while you're in there

323

00:15:49,370 --> 00:15:47,220

I'll FaceTime with you no no you go and

324

00:15:53,509 --> 00:15:49,380

you just deal with it go

325

00:15:55,250 --> 00:15:53,519

all right and so I am facing the fear of

326

00:15:57,230 --> 00:15:55,260

uh writing a book I'm going to get that

327

00:15:58,790 --> 00:15:57,240

done next thing I wanted to talk about

328

00:16:00,670 --> 00:15:58,800

really quick

329

00:16:06,170 --> 00:16:00,680

is

330

00:16:10,150 --> 00:16:06,180

we got to the end of 2022

331

00:16:15,650 --> 00:16:10,160

with no UFO UAP report

332

00:16:17,509 --> 00:16:15,660

and no UAP UFO hearings you know we got

333

00:16:21,050 --> 00:16:17,519

one out of the way we we didn't get to

334

00:16:23,329 --> 00:16:21,060

hearing number two so I I didn't think

335

00:16:26,090 --> 00:16:23,339

it was going to end this way I thought

336

00:16:27,530 --> 00:16:26,100

to myself that that report's going to

337

00:16:29,509 --> 00:16:27,540

get published

338

00:16:31,850 --> 00:16:29,519

uh we're going to have another hearing

339

00:16:33,470 --> 00:16:31,860

we're going to have talk about it

340

00:16:37,069 --> 00:16:33,480

um on Capitol Hill

341

00:16:39,530 --> 00:16:37,079

and it was total silence total crickets

342

00:16:41,810 --> 00:16:39,540

I was uh I was very

343

00:16:45,470 --> 00:16:41,820

very surprised about that

344

00:16:48,650 --> 00:16:45,480

and I don't know

345

00:16:50,990 --> 00:16:48,660

um now anybody that wants to comment on

346

00:16:52,490 --> 00:16:51,000

the on the release of the report and

347

00:16:55,189 --> 00:16:52,500

where it's at in the status of it I

348

00:16:57,050 --> 00:16:55,199

think it's all speculation that's all it

349

00:16:58,790 --> 00:16:57,060

is it's just ideas and that's fine it's

350

00:17:01,910 --> 00:16:58,800

opinions

351

00:17:04,010 --> 00:17:01,920

um I just have this weird thing now that

352

00:17:08,030 --> 00:17:04,020

if it's been put off that far

353

00:17:11,150 --> 00:17:08,040

uh with no comments and no consideration

354

00:17:12,949 --> 00:17:11,160

about the requirement of the dating of

355

00:17:16,309 --> 00:17:12,959

that report which goes back to October

356

00:17:18,169 --> 00:17:16,319

31st of 2022

357

00:17:22,250 --> 00:17:18,179

um I don't know

358

00:17:23,510 --> 00:17:22,260

I don't know and I had uh I I made a

359

00:17:25,669 --> 00:17:23,520

comment I think it was on Whitley

360

00:17:28,610 --> 00:17:25,679

strieber's show

361

00:17:31,250 --> 00:17:28,620

maybe I did it maybe I mentioned it here

362

00:17:34,130 --> 00:17:31,260

on unfade to Black

363

00:17:36,470 --> 00:17:34,140

but I'm predicting June if I was gonna

364

00:17:37,370 --> 00:17:36,480

and the reason why and I know it sounds

365

00:17:39,770 --> 00:17:37,380

crazy

366

00:17:41,990 --> 00:17:39,780

but the reason why

367

00:17:43,490 --> 00:17:42,000

um I think that the pressure has got to

368

00:17:45,710 --> 00:17:43,500

get reapplied

369

00:17:47,510 --> 00:17:45,720

because right now if if we're not

370

00:17:49,190 --> 00:17:47,520

talking about it and the Press isn't

371

00:17:50,350 --> 00:17:49,200

talking about it and nobody's talking

372

00:17:52,190 --> 00:17:50,360

about it

373

00:17:53,950 --> 00:17:52,200

they're not going to release something

374

00:17:57,289 --> 00:17:53,960

that they don't have to

375

00:18:00,169 --> 00:17:57,299

they're just not going to do it

376

00:18:01,850 --> 00:18:00,179

um I think that uh that whole thing has

377

00:18:06,289 --> 00:18:01,860

got to get kick-started again something

378

00:18:07,850 --> 00:18:06,299

else has got to happen and and if we get

379

00:18:09,950 --> 00:18:07,860

it I think it's going to be around June

380

00:18:12,770 --> 00:18:09,960

I don't think it'll be in January now

381

00:18:14,870 --> 00:18:12,780

it could happen right

382

00:18:17,029 --> 00:18:14,880

wow you hear that Thunder

383

00:18:22,789 --> 00:18:17,039

it could happen

384

00:18:24,770 --> 00:18:22,799

and I and I will be happy if it comes

385

00:18:27,710 --> 00:18:24,780

out the second week of January comes out

386

00:18:29,930 --> 00:18:27,720

in January I would be totally surprised

387

00:18:32,330 --> 00:18:29,940

uh there's a lot of other drama that is

388

00:18:33,890 --> 00:18:32,340

going on right now in Washington DC and

389

00:18:36,950 --> 00:18:33,900

I just don't think that the UFO report

390

00:18:40,789 --> 00:18:36,960

or hearings run the front burner for for

391

00:18:43,450 --> 00:18:40,799

anybody uh as it stands right now so

392

00:18:45,770 --> 00:18:43,460

that's my prediction I'm thinking June

393

00:18:49,310 --> 00:18:45,780

and uh you know about halfway through

394

00:18:51,049 --> 00:18:49,320

the year and we shall see we shall see I

395

00:18:54,049 --> 00:18:51,059

understand all the wording in the new

396

00:18:56,450 --> 00:18:54,059

budget and how it and and the the

397

00:18:58,190 --> 00:18:56,460

wording from last year and and and the

398

00:19:00,650 --> 00:18:58,200

requiring the mandates I understand all

399

00:19:04,010 --> 00:19:00,660

of that but the first mandate was

400

00:19:05,990 --> 00:19:04,020

ignored completely so I don't know I

401
00:19:09,049 --> 00:19:06,000
don't know we could we may be surprised

402
00:19:11,590 --> 00:19:09,059
and and get something in January but but

403
00:19:13,850 --> 00:19:11,600
no I think uh the report itself will be

404
00:19:17,210 --> 00:19:13,860
halfway through the year let's go six

405
00:19:19,970 --> 00:19:17,220
months in maybe seven maybe July

406
00:19:22,610 --> 00:19:19,980
um UFO hearings that's a whole other

407
00:19:24,770 --> 00:19:22,620
matter and there is

408
00:19:27,950 --> 00:19:24,780
um we may not get any

409
00:19:30,470 --> 00:19:27,960
there is a lot of

410
00:19:33,110 --> 00:19:30,480
I'm just going to be very direct with

411
00:19:35,630 --> 00:19:33,120
everybody okay there is a lot of

412
00:19:38,409 --> 00:19:35,640
opinions and I speak to so many people

413
00:19:43,930 --> 00:19:38,419

uh specifically about this subject

414

00:19:47,810 --> 00:19:43,940

that uh The Whistleblower aspect of this

415

00:19:50,390 --> 00:19:47,820

uh being written into the budget and how

416

00:19:52,909 --> 00:19:50,400

that is to be applied that this is just

417

00:19:55,789 --> 00:19:52,919

going to open up the floodgates uh I I

418

00:19:58,430 --> 00:19:55,799

don't think

419

00:20:02,029 --> 00:19:58,440

um everybody really understands

420

00:20:05,330 --> 00:20:02,039

um uh what what that really means

421

00:20:08,870 --> 00:20:05,340

it is of my opinion and I was speaking

422

00:20:11,690 --> 00:20:08,880

to a commercial pilot this weekend

423

00:20:14,570 --> 00:20:11,700

um not during my flight but but after I

424

00:20:16,190 --> 00:20:14,580

landed uh had nothing to do with my my

425

00:20:19,730 --> 00:20:16,200

travel

426
00:20:23,090 --> 00:20:19,740
um about about the subject and here's

427
00:20:25,789 --> 00:20:23,100
here's here's where that whistleblower

428
00:20:29,029 --> 00:20:25,799
aspect of it and that word and the

429
00:20:32,270 --> 00:20:29,039
terminology uh applying to this

430
00:20:34,730 --> 00:20:32,280
is merely for in my opinion

431
00:20:37,630 --> 00:20:34,740
for Pilots

432
00:20:41,450 --> 00:20:37,640
and and Professionals in the military

433
00:20:43,610 --> 00:20:41,460
whatever your job is

434
00:20:46,909 --> 00:20:43,620
to report something if you see it

435
00:20:49,909 --> 00:20:46,919
without repercussions

436
00:20:52,730 --> 00:20:49,919
it is not tailored to I think there are

437
00:20:56,650 --> 00:20:52,740
people that are expecting

438
00:20:59,950 --> 00:20:56,660

uh the uh

439

00:21:02,810 --> 00:20:59,960

people from Area 51 to come forward

440

00:21:08,890 --> 00:21:02,820

people from Lockheed to come forward

441

00:21:13,010 --> 00:21:08,900

from Raytheon General Electric right uh

442

00:21:16,130 --> 00:21:13,020

the department of energy that these

443

00:21:20,390 --> 00:21:16,140

people are going to be coming forward no

444

00:21:22,610 --> 00:21:20,400

no no no that's that will never

445

00:21:25,310 --> 00:21:22,620

ever happen

446

00:21:29,029 --> 00:21:25,320

it's it's it's that simple that is not

447

00:21:31,610 --> 00:21:29,039

what that is there for and it is not

448

00:21:34,430 --> 00:21:31,620

there for those not only to come forward

449

00:21:36,230 --> 00:21:34,440

and to talk about it but to to come

450

00:21:39,710 --> 00:21:36,240

forward and sit

451
00:21:42,789 --> 00:21:39,720
in front of Congress and get grilled

452
00:21:52,010 --> 00:21:44,390
no

453
00:21:53,890 --> 00:21:52,020
whistleblowers from Lockheed that

454
00:21:57,470 --> 00:21:53,900
backwards engineering

455
00:22:01,190 --> 00:21:57,480
uh uh Alien craft

456
00:22:04,370 --> 00:22:01,200
no no that's that's not what the UFO

457
00:22:06,649 --> 00:22:04,380
hearings are are ever going to have uh

458
00:22:09,289 --> 00:22:06,659
at least not right now maybe in the in

459
00:22:13,070 --> 00:22:09,299
the in the deep deep future but but not

460
00:22:16,010 --> 00:22:13,080
now I think that that those hearings if

461
00:22:19,669 --> 00:22:16,020
if somebody comes forward that isn't

462
00:22:22,970 --> 00:22:19,679
part of the task force and arrow you

463
00:22:25,970 --> 00:22:22,980

know some some more Moultrie and Bray

464

00:22:28,010 --> 00:22:25,980

and and and that sort of thing

465

00:22:30,950 --> 00:22:28,020

if if we're going to have anybody sit

466

00:22:32,510 --> 00:22:30,960

down that isn't part of the

467

00:22:36,110 --> 00:22:32,520

investigation itself

468

00:22:38,510 --> 00:22:36,120

it's probably going to be a pilot or two

469

00:22:41,090 --> 00:22:38,520

and that's where the protection uh comes

470

00:22:43,070 --> 00:22:41,100

into play and and most of the pilots

471

00:22:44,750 --> 00:22:43,080

that would probably be coming forward

472

00:22:46,610 --> 00:22:44,760

are retired they're not in the military

473

00:22:48,890 --> 00:22:46,620

but they do have

474

00:22:50,570 --> 00:22:48,900

you know they have a military pension

475

00:22:52,970 --> 00:22:50,580

they've got a retirement that they're

476

00:22:54,590 --> 00:22:52,980

sitting on they don't want that uh to go

477

00:22:57,230 --> 00:22:54,600

anywhere to stop

478

00:23:01,250 --> 00:22:57,240

so that's that's where those protections

479

00:23:03,049 --> 00:23:01,260

come into but it's it's it's gonna be a

480

00:23:07,669 --> 00:23:03,059

strange thing if we have another UFO

481

00:23:10,370 --> 00:23:07,679

hearing I I don't expect one in 2023.

482

00:23:12,049 --> 00:23:10,380

I've thought about this a lot

483

00:23:14,510 --> 00:23:12,059

um some of the arguments and the debates

484

00:23:16,549 --> 00:23:14,520

that I've gotten into about this where

485

00:23:20,350 --> 00:23:16,559

and I get it I know where everybody's

486

00:23:22,430 --> 00:23:20,360

heart is on this that it's it's

487

00:23:24,470 --> 00:23:22,440

whistleblowers man we're gonna get we're

488

00:23:26,510 --> 00:23:24,480

good there the engineers and the

489

00:23:28,490 --> 00:23:26,520

scientists and the physicists and the

490

00:23:31,970 --> 00:23:28,500

researchers and they're all protected

491

00:23:34,909 --> 00:23:31,980

now and we're going to be able to look

492

00:23:38,390 --> 00:23:34,919

I understand what you want

493

00:23:40,730 --> 00:23:38,400

and that you may truly believe that that

494

00:23:42,770 --> 00:23:40,740

is the case

495

00:23:45,950 --> 00:23:42,780

it is not

496

00:23:48,590 --> 00:23:45,960

it's simply not if we have another UFO

497

00:23:51,409 --> 00:23:48,600

hearing it'll be a military pilot or two

498

00:23:54,409 --> 00:23:51,419

you know Dave Dave fraver Alex Dietrich

499

00:23:57,169 --> 00:23:54,419

you know maybe we could get some more of

500

00:23:59,630 --> 00:23:57,179

the Nimitz and Princeton crew uh up

501
00:24:02,690 --> 00:23:59,640
there but I I just I just don't I just

502
00:24:05,690 --> 00:24:02,700
don't see that to be the case

503
00:24:08,029 --> 00:24:05,700
um so there you go uh it's very strange

504
00:24:10,490 --> 00:24:08,039
that we rolled out of and then again

505
00:24:11,270 --> 00:24:10,500
maybe maybe it's not strange maybe this

506
00:24:19,430 --> 00:24:11,280
is

507
00:24:22,549 --> 00:24:19,440
um you know to get out of 2022 and

508
00:24:24,710 --> 00:24:22,559
and have the military the Department of

509
00:24:26,149 --> 00:24:24,720
Defense OD and I

510
00:24:28,130 --> 00:24:26,159
um and Congress

511
00:24:31,190 --> 00:24:28,140
uh to escape

512
00:24:34,250 --> 00:24:31,200
the responsibilities to the public that

513
00:24:38,649 --> 00:24:34,260

they mandated right and that this was

514

00:24:41,750 --> 00:24:38,659

supposed to happen so it it didn't and

515

00:24:44,570 --> 00:24:41,760

2022 ended with no report and no

516

00:24:48,409 --> 00:24:44,580

additional UFO hearings so that's where

517

00:24:56,090 --> 00:24:50,890

I'm going to be doing

518

00:24:57,350 --> 00:24:56,100

quite a few more uh one-off special

519

00:25:01,789 --> 00:24:57,360

shows

520

00:25:04,490 --> 00:25:01,799

uh I've got uh two or three uh outlines

521

00:25:07,789 --> 00:25:04,500

already done it's a lot of work to do

522

00:25:10,010 --> 00:25:07,799

those one-off shows but uh I I've got

523

00:25:11,510 --> 00:25:10,020

those ready to go

524

00:25:13,010 --> 00:25:11,520

um there's no reason to say it's going

525

00:25:14,630 --> 00:25:13,020

to be this subject and it's going to be

526

00:25:17,930 --> 00:25:14,640

the subject but I've got them ready to

527

00:25:21,110 --> 00:25:17,940

go and I want to do more of those and

528

00:25:22,850 --> 00:25:21,120

the reason for that is a I want to share

529

00:25:24,830 --> 00:25:22,860

my knowledge uh that's the first thing

530

00:25:26,750 --> 00:25:24,840

the second with the new format of the

531

00:25:29,390 --> 00:25:26,760

show just like me talking to you right

532

00:25:32,409 --> 00:25:29,400

now it doesn't happen

533

00:25:35,570 --> 00:25:32,419

um anymore the show is an interview

534

00:25:37,909 --> 00:25:35,580

uh set up where we start the interview

535

00:25:40,970 --> 00:25:37,919

right away it's a two-hour conversation

536

00:25:43,789 --> 00:25:40,980

and then we're out so there isn't any of

537

00:25:46,610 --> 00:25:43,799

my thoughts going into the show I I just

538

00:25:48,049 --> 00:25:46,620

don't do any talking anymore but I've

539

00:25:52,250 --> 00:25:48,059

got a lot to say

540

00:25:54,649 --> 00:25:52,260

so I can do that with these one-off

541

00:25:59,450 --> 00:25:54,659

specials and I would like to do one or

542

00:26:03,049 --> 00:25:59,460

two a month and I've got uh three five

543

00:26:06,289 --> 00:26:03,059

I've got about six but I've got three uh

544

00:26:08,390 --> 00:26:06,299

outlines that are ready to go I'm gonna

545

00:26:10,549 --> 00:26:08,400

be doing a lot more of that and I will

546

00:26:13,970 --> 00:26:10,559

be able to

547

00:26:17,149 --> 00:26:13,980

um uh connect with everybody directly in

548

00:26:20,630 --> 00:26:17,159

in doing those types of shows

549

00:26:22,430 --> 00:26:20,640

um the uh the movie the top 10 movie

550

00:26:24,470 --> 00:26:22,440

thing that I did last week it was great

551
00:26:25,850 --> 00:26:24,480
it was a lot of fun and I had a few

552
00:26:29,149 --> 00:26:25,860
people come up to me over the weekend

553
00:26:31,610 --> 00:26:29,159
asking me about the TV series

554
00:26:34,970 --> 00:26:31,620
you know the top 10 TV series that I

555
00:26:37,450 --> 00:26:34,980
mentioned in that video and I had said

556
00:26:40,610 --> 00:26:37,460
I was repeating myself

557
00:26:43,130 --> 00:26:40,620
the amount of work

558
00:26:45,350 --> 00:26:43,140
um that goes into something like that it

559
00:26:47,990 --> 00:26:45,360
seems like it's all simple you're just

560
00:26:51,830 --> 00:26:48,000
turning on the camera go no no no no no

561
00:26:53,870 --> 00:26:51,840
no no it's a it's a lot of work and it's

562
00:26:56,390 --> 00:26:53,880
a lot of taping uh that's the other part

563
00:26:59,570 --> 00:26:56,400

it's a lot of writing

564

00:27:02,390 --> 00:26:59,580

um the the show itself

565

00:27:04,549 --> 00:27:02,400

the stuff that I'm speaking that's all

566

00:27:06,590 --> 00:27:04,559

improvised I'm not reading I don't want

567

00:27:07,970 --> 00:27:06,600

to a teleprompter I'm not going to read

568

00:27:09,830 --> 00:27:07,980

a script I'm not going to do anything

569

00:27:11,870 --> 00:27:09,840

because that's not natural and that's

570

00:27:14,870 --> 00:27:11,880

not who I am but I still have to write

571

00:27:18,230 --> 00:27:14,880

it I have to write it and and think

572

00:27:22,669 --> 00:27:18,240

through it and know my flow and and that

573

00:27:24,529 --> 00:27:22,679

is a tremendous amount of work and and

574

00:27:26,330 --> 00:27:24,539

then there's the graphics and then

575

00:27:29,149 --> 00:27:26,340

there's the editing and you have to deal

576

00:27:32,570 --> 00:27:29,159

with the audio and the video and titles

577

00:27:35,269 --> 00:27:32,580

and and insertions and and it's a whole

578

00:27:37,610 --> 00:27:35,279

lot of work for a 15 minute video it's

579

00:27:41,450 --> 00:27:37,620

like two days it's like 16 hours worth

580

00:27:44,269 --> 00:27:41,460

of work just to crank that stuff out but

581

00:27:46,789 --> 00:27:44,279

I want to do a top 10 series a TV series

582

00:27:48,590 --> 00:27:46,799

of 2022.

583

00:27:51,649 --> 00:27:48,600

um I spend a lot of time watching TV

584

00:27:54,049 --> 00:27:51,659

series I know what's good I know what

585

00:27:57,590 --> 00:27:54,059

sucks and I just want to help everybody

586

00:28:00,710 --> 00:27:57,600

out so I will get around uh to the top

587

00:28:03,470 --> 00:28:00,720

10 which I started a TV series

588

00:28:05,090 --> 00:28:03,480

um which I've started again it's just a

589

00:28:07,970 --> 00:28:05,100

lot of work and

590

00:28:10,730 --> 00:28:07,980

I have guitars that are falling back in

591

00:28:12,289 --> 00:28:10,740

repair I've got a couple of car models

592

00:28:14,269 --> 00:28:12,299

I'm in the middle of building I haven't

593

00:28:16,789 --> 00:28:14,279

finished those I've got repairs and

594

00:28:19,870 --> 00:28:16,799

stuff to do here on the house got things

595

00:28:24,110 --> 00:28:19,880

that I've neglected it

596

00:28:28,250 --> 00:28:24,120

yeah and I haven't even gotten to you

597

00:28:34,190 --> 00:28:28,260

know into the Vortex and

598

00:28:36,830 --> 00:28:34,200

uh the the layout of uh to 2023

599

00:28:40,909 --> 00:28:36,840

and moving forward

600

00:28:42,890 --> 00:28:40,919

um I the the deal is this into the

601

00:28:45,289 --> 00:28:42,900

Vortex which we're getting ready to

602

00:28:47,690 --> 00:28:45,299

start uh season two well we've started

603

00:28:50,029 --> 00:28:47,700

it but into the Vortex is another

604

00:28:53,570 --> 00:28:50,039

complex machine now I do have producers

605

00:28:55,250 --> 00:28:53,580

and assistants and and and and every

606

00:28:56,810 --> 00:28:55,260

you know a huge team of people in

607

00:28:59,350 --> 00:28:56,820

marketing and everything that is behind

608

00:29:02,169 --> 00:28:59,360

that show so I'm not doing everything

609

00:29:06,409 --> 00:29:02,179

but I am booking the guest

610

00:29:10,430 --> 00:29:06,419

and I am laying things out and I am

611

00:29:12,490 --> 00:29:10,440

doing that I have and so with all of the

612

00:29:16,010 --> 00:29:12,500

prep that it takes to lay out a season

613

00:29:18,230 --> 00:29:16,020

uh which is going on now it takes up a

614

00:29:21,649 --> 00:29:18,240

huge amount of my time

615

00:29:24,590 --> 00:29:21,659

and then after that is laid out then we

616

00:29:27,230 --> 00:29:24,600

go into a shooting schedule and that

617

00:29:28,490 --> 00:29:27,240

shooting schedule is spread out over two

618

00:29:30,769 --> 00:29:28,500

months

619

00:29:33,230 --> 00:29:30,779

you know it's 16 episodes

620

00:29:35,149 --> 00:29:33,240

and it's so just think about that first

621

00:29:37,010 --> 00:29:35,159

how does that get done when you're doing

622

00:29:39,529 --> 00:29:37,020

Fade to Black and you're doing the news

623

00:29:42,830 --> 00:29:39,539

every day and you do where where does

624

00:29:45,169 --> 00:29:42,840

the time that's exactly my point it's uh

625

00:29:47,990 --> 00:29:45,179

it's a very very very very tough

626
00:29:49,610 --> 00:29:48,000
schedule so through all of this and

627
00:29:51,649 --> 00:29:49,620
everything else that I'm doing on the

628
00:29:53,870 --> 00:29:51,659
side and that includes conferences which

629
00:29:56,810 --> 00:29:53,880
I'll get to in just a bit but all of

630
00:29:58,490 --> 00:29:56,820
this stuff has to happen and the

631
00:30:00,169 --> 00:29:58,500
schedule needs to get worked out the

632
00:30:01,789 --> 00:30:00,179
guests have to get booked on Fade to

633
00:30:03,289 --> 00:30:01,799
Black and everything has to get dealt

634
00:30:05,210 --> 00:30:03,299
with here

635
00:30:08,210 --> 00:30:05,220
um I do have people that do my social

636
00:30:10,190 --> 00:30:08,220
media and I've got uh producers and and

637
00:30:11,930 --> 00:30:10,200
writers and and people that assist me

638
00:30:13,130 --> 00:30:11,940

with this show behind the scenes and of

639

00:30:15,529 --> 00:30:13,140

course

640

00:30:17,930 --> 00:30:15,539

um uh you know Drew handles uh the

641

00:30:20,090 --> 00:30:17,940

website and stuff uh but I've got

642

00:30:22,669 --> 00:30:20,100

somebody uh running YouTube and I've got

643

00:30:25,610 --> 00:30:22,679

somebody handling social media and and

644

00:30:27,769 --> 00:30:25,620

so forth but I it it's still the work

645

00:30:32,570 --> 00:30:27,779

that has to get done and into the Vortex

646

00:30:34,490 --> 00:30:32,580

now is injected into that in addition to

647

00:30:37,190 --> 00:30:34,500

the conferences

648

00:30:41,810 --> 00:30:37,200

um but I'm very excited about into the

649

00:30:44,690 --> 00:30:41,820

Vortex and how we have uh pushed this I

650

00:30:49,070 --> 00:30:44,700

went and looked into another Direction

651
00:30:52,070 --> 00:30:49,080
um and that goes for any uh talk show on

652
00:30:56,930 --> 00:30:52,080
any subject anywhere I don't care if

653
00:31:01,010 --> 00:30:56,940
it's something from uh CNN or fox or

654
00:31:04,730 --> 00:31:01,020
Gaia or History Channel anything that

655
00:31:06,470 --> 00:31:04,740
you can think of no nothing is is like

656
00:31:09,529 --> 00:31:06,480
into the Vortex

657
00:31:11,570 --> 00:31:09,539
and I want to make sure it's a it's a

658
00:31:14,810 --> 00:31:11,580
vehicle and an opportunity for me to

659
00:31:18,590 --> 00:31:14,820
bring the absolute biggest and brightest

660
00:31:22,549 --> 00:31:18,600
guest in and to be able to sit down and

661
00:31:26,810 --> 00:31:22,559
have a conversation and so lining up

662
00:31:29,269 --> 00:31:26,820
those guests is that's that's a big deal

663
00:31:32,630 --> 00:31:29,279

and that's a that's that is something

664

00:31:34,730 --> 00:31:32,640

that I can't express enough that because

665

00:31:37,730 --> 00:31:34,740

of the support of Gaia and the way that

666

00:31:40,190 --> 00:31:37,740

the show looks and and the success that

667

00:31:43,130 --> 00:31:40,200

it has had so far there's very high

668

00:31:45,350 --> 00:31:43,140

expectations for this and so going into

669

00:31:48,230 --> 00:31:45,360

season two we've got a top season one

670

00:31:50,810 --> 00:31:48,240

then we're gonna have a season three and

671

00:31:53,450 --> 00:31:50,820

that's got a top season two and all of

672

00:31:55,789 --> 00:31:53,460

that is happening with in between all of

673

00:31:58,669 --> 00:31:55,799

the other Madness that is happening with

674

00:32:00,889 --> 00:31:58,679

Fade to Black every single day but I'm

675

00:32:03,470 --> 00:32:00,899

very excited and I can promise you that

676

00:32:05,630 --> 00:32:03,480

that season two is is just going to be

677

00:32:07,070 --> 00:32:05,640

amazing one of the things that I want to

678

00:32:09,769 --> 00:32:07,080

focus on

679

00:32:13,210 --> 00:32:09,779

and I'm not going to uh ever let this go

680

00:32:15,889 --> 00:32:13,220

is I want to bring in

681

00:32:16,789 --> 00:32:15,899

uh more people from outside of our

682

00:32:23,389 --> 00:32:16,799

community

683

00:32:25,430 --> 00:32:23,399

um and and I'm talking about actors

684

00:32:29,590 --> 00:32:25,440

uh musicians

685

00:32:32,750 --> 00:32:29,600

artists uh painters a cook a chef

686

00:32:36,529 --> 00:32:32,760

celebrity chef you know things like and

687

00:32:38,690 --> 00:32:36,539

and sit down maybe a politician or two

688

00:32:41,930 --> 00:32:38,700

and sit down and have a conversation

689

00:32:44,570 --> 00:32:41,940

about uh uh conspiracy theory the

690

00:32:47,510 --> 00:32:44,580

Paranormal and and contact and lost

691

00:32:49,250 --> 00:32:47,520

history and and Consciousness and see

692

00:32:51,710 --> 00:32:49,260

where their head is at with all of this

693

00:32:55,610 --> 00:32:51,720

because I think everybody thinks about

694

00:32:57,049 --> 00:32:55,620

it but our community we always hear from

695

00:32:59,870 --> 00:32:57,059

people that we know

696

00:33:02,990 --> 00:32:59,880

let's bring in somebody else so let's

697

00:33:07,070 --> 00:33:03,000

bring in a sports figure let's bring in

698

00:33:10,430 --> 00:33:07,080

a a musician a mayor of a city you know

699

00:33:12,769 --> 00:33:10,440

bring them in sit them down and and talk

700

00:33:15,350 --> 00:33:12,779

and that's what into the Vortex is is

701
00:33:17,149 --> 00:33:15,360
about and it's it's taking things to the

702
00:33:21,110 --> 00:33:17,159
next level and that's what we're going

703
00:33:22,669 --> 00:33:21,120
to be doing in um season two

704
00:33:23,570 --> 00:33:22,679
um another thing that I want to mention

705
00:33:26,210 --> 00:33:23,580
there's

706
00:33:28,250 --> 00:33:26,220
some chatter going around

707
00:33:31,250 --> 00:33:28,260
and I think the announcement is going to

708
00:33:32,810 --> 00:33:31,260
come this week or next week

709
00:33:36,289 --> 00:33:32,820
um and I don't want to let the cat out

710
00:33:41,269 --> 00:33:36,299
of the bag or anything but there is

711
00:33:48,110 --> 00:33:43,430
I don't want to say too much here but

712
00:33:50,330 --> 00:33:48,120
let's say that one of the networks

713
00:33:53,570 --> 00:33:50,340

one of the big ones

714

00:33:56,350 --> 00:33:53,580

it's got a UFO documentary series that's

715

00:33:59,990 --> 00:33:56,360

getting ready to be announced

716

00:34:02,029 --> 00:34:00,000

and those that are involved with it will

717

00:34:06,769 --> 00:34:02,039

be appearing on Fade to Black

718

00:34:07,970 --> 00:34:06,779

next week and this is going to be a very

719

00:34:11,690 --> 00:34:07,980

big deal

720

00:34:16,550 --> 00:34:11,700

and so that's that's happening

721

00:34:19,790 --> 00:34:16,560

will this uh motivate Congress uh to

722

00:34:21,230 --> 00:34:19,800

push for the the UFO UAP report I'm

723

00:34:25,010 --> 00:34:21,240

hoping so I'm hoping that it's going to

724

00:34:28,010 --> 00:34:25,020

be part of the Catalyst to to uh get

725

00:34:29,230 --> 00:34:28,020

this thing vibrating again uh but that

726

00:34:32,570 --> 00:34:29,240

that's getting

727

00:34:36,649 --> 00:34:32,580

this is going to be a big one and I know

728

00:34:38,690 --> 00:34:36,659

the people that are involved and it's uh

729

00:34:43,070 --> 00:34:38,700

pretty exciting

730

00:34:49,010 --> 00:34:45,730

to have it again discussed at this level

731

00:34:50,810 --> 00:34:49,020

Remember When

732

00:34:52,310 --> 00:34:50,820

um we've gone through a bunch of

733

00:34:56,930 --> 00:34:52,320

different phases

734

00:35:01,550 --> 00:34:56,940

and last year you remember when CNN

735

00:35:04,490 --> 00:35:01,560

did their special right uh not CNN I'm

736

00:35:08,510 --> 00:35:04,500

sorry 60 minutes and 60 Minutes did that

737

00:35:10,750 --> 00:35:08,520

that that UFO special UAP UFOs that was

738

00:35:14,030 --> 00:35:10,760

a very big deal mainstream yeah

739

00:35:15,710 --> 00:35:14,040

Showtime did their series

740

00:35:18,950 --> 00:35:15,720

um it doesn't matter if you liked it or

741

00:35:21,290 --> 00:35:18,960

not but though but they still uh went

742

00:35:24,349 --> 00:35:21,300

out to the masses outside of our

743

00:35:26,870 --> 00:35:24,359

community very big deal and I think this

744

00:35:29,210 --> 00:35:26,880

is about to happen again it's I think

745

00:35:30,829 --> 00:35:29,220

it's going to be that significant I

746

00:35:32,510 --> 00:35:30,839

can't say any more than that it's not up

747

00:35:36,770 --> 00:35:32,520

to me to make the announcement I'm not

748

00:35:39,410 --> 00:35:36,780

going to uh breach the trust of uh the

749

00:35:41,510 --> 00:35:39,420

people that are involved but I think

750

00:35:43,430 --> 00:35:41,520

you're gonna you're gonna freak out when

751
00:35:46,930 --> 00:35:43,440
you when you hear the announcement uh

752
00:35:51,589 --> 00:35:46,940
over the next seven days or so

753
00:35:57,290 --> 00:35:51,599
uh and and so here's here's my comment

754
00:36:04,310 --> 00:36:00,069
if we go back

755
00:36:07,250 --> 00:36:04,320
to December of 2017.

756
00:36:11,210 --> 00:36:07,260
and the announcement

757
00:36:13,849 --> 00:36:11,220
uh from The New York Times and Politico

758
00:36:17,329 --> 00:36:13,859
uh about the secret

759
00:36:20,630 --> 00:36:17,339
Pentagon UFO program

760
00:36:24,050 --> 00:36:20,640
um and their interest in UFOs how that

761
00:36:26,270 --> 00:36:24,060
how how much of a game changer that was

762
00:36:33,410 --> 00:36:26,280
we

763
00:36:36,589 --> 00:36:33,420

really close look at the evidence uh the

764

00:36:40,130 --> 00:36:36,599

people that were involved uh that and

765

00:36:42,589 --> 00:36:40,140

and are still involved uh what the what

766

00:36:46,010 --> 00:36:42,599

the cases actually were we've analyzed

767

00:36:50,510 --> 00:36:46,020

uh the video uh so much

768

00:36:52,609 --> 00:36:50,520

and going back and it it wasn't just you

769

00:36:55,250 --> 00:36:52,619

know the pentagon's UFO program and at

770

00:36:58,069 --> 00:36:55,260

the time it was atip and and then you

771

00:37:01,210 --> 00:36:58,079

know was it Aerospace or was it aerial

772

00:37:04,609 --> 00:37:01,220

it was this you know what what what what

773

00:37:07,310 --> 00:37:04,619

was the

774

00:37:11,150 --> 00:37:07,320

what were what were the words

775

00:37:14,210 --> 00:37:11,160

um in atip but it forced us and this is

776

00:37:15,650 --> 00:37:14,220

what the UFO Community does so well we

777

00:37:20,650 --> 00:37:15,660

research

778

00:37:23,410 --> 00:37:20,660

the UFO Community is full of amazingly

779

00:37:25,849 --> 00:37:23,420

smart good

780

00:37:29,870 --> 00:37:25,859

dedicated people

781

00:37:31,670 --> 00:37:29,880

and if you throw something out there it

782

00:37:32,870 --> 00:37:31,680

doesn't matter what it what it is what

783

00:37:35,569 --> 00:37:32,880

it is about there's going to be somebody

784

00:37:37,670 --> 00:37:35,579

out there that's a specialist in that

785

00:37:41,089 --> 00:37:37,680

and they are going to be able to look at

786

00:37:46,670 --> 00:37:41,099

it and and get back to you cannot say uh

787

00:37:49,670 --> 00:37:46,680

a name a part a company a year a date a

788

00:37:53,510 --> 00:37:49,680

location you can't without having

789

00:37:55,790 --> 00:37:53,520

somebody out there go yeah not only uh

790

00:37:58,130 --> 00:37:55,800

not only did I go to school for that but

791

00:38:00,890 --> 00:37:58,140

I grew up in that town and I knew that

792

00:38:04,970 --> 00:38:00,900

there's it will all come together

793

00:38:07,490 --> 00:38:04,980

and that's what happened uh with the uh

794

00:38:10,430 --> 00:38:07,500

Politico and New York Times articles

795

00:38:13,069 --> 00:38:10,440

because it didn't start at atip and

796

00:38:15,530 --> 00:38:13,079

these dates that were there 2012 and

797

00:38:17,750 --> 00:38:15,540

this and then and then push back to the

798

00:38:21,109 --> 00:38:17,760

next thing you know we've got Bigelow

799

00:38:22,970 --> 00:38:21,119

and nids and OSAP it comes to the

800

00:38:26,569 --> 00:38:22,980

surface and all the players that were

801
00:38:30,230 --> 00:38:26,579
involved so it wasn't the the Nimitz and

802
00:38:32,930 --> 00:38:30,240
it wasn't the the number one balloon of

803
00:38:34,970 --> 00:38:32,940
Chris melon the things that I pointed

804
00:38:37,190 --> 00:38:34,980
out from the very beginning it was

805
00:38:40,370 --> 00:38:37,200
everything that happened uh prior to

806
00:38:43,730 --> 00:38:40,380
that and and going back which did that

807
00:38:46,550 --> 00:38:43,740
take the air out of the significance of

808
00:38:49,190 --> 00:38:46,560
December 2017.

809
00:38:51,050 --> 00:38:49,200
to members of our community yeah

810
00:38:52,609 --> 00:38:51,060
partially I would say that that is the

811
00:38:55,130 --> 00:38:52,619
case there were some people in the UFO

812
00:38:57,770 --> 00:38:55,140
community that completely checked out of

813
00:39:00,589 --> 00:38:57,780

the story that they just didn't didn't

814

00:39:04,130 --> 00:39:00,599

want to talk about it anymore and I'm

815

00:39:06,829 --> 00:39:04,140

talking about Nimitz and and uh the

816

00:39:07,849 --> 00:39:06,839

Pentagon and and atip and everything

817

00:39:09,710 --> 00:39:07,859

else

818

00:39:11,329 --> 00:39:09,720

where there were there were a lot of

819

00:39:13,550 --> 00:39:11,339

holes in that story

820

00:39:17,329 --> 00:39:13,560

at all of it because it was a bigger

821

00:39:20,829 --> 00:39:17,339

story that but but moving forward

822

00:39:25,310 --> 00:39:20,839

from December of 2017 to now

823

00:39:31,010 --> 00:39:28,190

I am able to

824

00:39:35,450 --> 00:39:31,020

walk up to somebody

825

00:39:38,390 --> 00:39:35,460

that is in a supermarket whatever at a

826

00:39:39,589 --> 00:39:38,400

gas station at a restaurant a complete

827

00:39:41,810 --> 00:39:39,599

stranger

828

00:39:44,150 --> 00:39:41,820

and I'm able to talk about these things

829

00:39:47,270 --> 00:39:44,160

because they've seen

830

00:39:49,430 --> 00:39:47,280

Dave fraver on on Tucker Carlson or they

831

00:39:52,010 --> 00:39:49,440

they saw the 60-minute special they've

832

00:39:55,609 --> 00:39:52,020

seen some of the news they've seen the

833

00:39:57,829 --> 00:39:55,619

videos they've seen the comments that

834

00:39:59,990 --> 00:39:57,839

have float around on social media in the

835

00:40:02,750 --> 00:40:00,000

the videos whether it's you know Tick

836

00:40:04,010 --> 00:40:02,760

Tock or Instagram people spend a lot of

837

00:40:08,030 --> 00:40:04,020

time there

838

00:40:09,069 --> 00:40:08,040

and and I am able to talk to them about

839

00:40:12,130 --> 00:40:09,079

this

840

00:40:14,329 --> 00:40:12,140

and one of the

841

00:40:16,790 --> 00:40:14,339

prevailing thoughts

842

00:40:19,010 --> 00:40:16,800

that I've had with people outside of

843

00:40:21,589 --> 00:40:19,020

this community this is something I'm

844

00:40:24,589 --> 00:40:21,599

going to be spending more time on in

845

00:40:27,589 --> 00:40:24,599

2023

846

00:40:31,490 --> 00:40:27,599

they don't give a crap

847

00:40:35,450 --> 00:40:31,500

yeah so the the Condon report and the

848

00:40:37,069 --> 00:40:35,460

Rand Corporation and and and the

849

00:40:39,829 --> 00:40:37,079

Department of Defense and the comments

850

00:40:41,630 --> 00:40:39,839

about Society not being able to handle

851

00:40:44,210 --> 00:40:41,640

this you know what

852

00:40:46,609 --> 00:40:44,220

I don't think people care

853

00:40:48,349 --> 00:40:46,619

yeah they're yeah it's interesting to

854

00:40:49,370 --> 00:40:48,359

them but a lot of things are interesting

855

00:40:51,349 --> 00:40:49,380

to them

856

00:40:53,390 --> 00:40:51,359

you know how to make a really good

857

00:40:57,890 --> 00:40:53,400

chocolate chip pancake is pretty

858

00:41:00,170 --> 00:40:57,900

interesting to them too as well and I

859

00:41:02,750 --> 00:41:00,180

don't think they give a crap

860

00:41:05,089 --> 00:41:02,760

they don't I don't I don't think they're

861

00:41:07,370 --> 00:41:05,099

uh in any way concerned about the

862

00:41:08,930 --> 00:41:07,380

government holding on to Secrets I don't

863

00:41:10,790 --> 00:41:08,940

think that they're anyway even though it

864

00:41:13,730 --> 00:41:10,800

directly involves all of them in free

865

00:41:16,010 --> 00:41:13,740

energy and this and that and Technology

866

00:41:18,530 --> 00:41:16,020

honestly

867

00:41:19,730 --> 00:41:18,540

all the exposure in the world has taken

868

00:41:22,069 --> 00:41:19,740

off

869

00:41:24,470 --> 00:41:22,079

I don't think anybody really cares

870

00:41:26,930 --> 00:41:24,480

and when you have something like the New

871

00:41:29,210 --> 00:41:26,940

York Times or 60 Minutes Or Tucker

872

00:41:31,250 --> 00:41:29,220

Carlson or CNN or whoever you want to

873

00:41:33,530 --> 00:41:31,260

point the finger at speaking about these

874

00:41:34,609 --> 00:41:33,540

subjects very directly to the public for

875

00:41:37,849 --> 00:41:34,619

the first time

876

00:41:39,310 --> 00:41:37,859

all the exposure to this subject has

877

00:41:42,950 --> 00:41:39,320

been put out there

878

00:41:46,130 --> 00:41:42,960

nobody is upset

879

00:41:50,990 --> 00:41:48,470

in a general sense

880

00:41:52,910 --> 00:41:51,000

everybody thinks

881

00:41:54,890 --> 00:41:52,920

that the universe is just too big

882

00:41:57,349 --> 00:41:54,900

there's got to be tons of Life out there

883

00:41:59,210 --> 00:41:57,359

and have have they found the planet have

884

00:42:00,710 --> 00:41:59,220

they found Earth have they visited here

885

00:42:04,609 --> 00:42:00,720

yeah probably

886

00:42:08,210 --> 00:42:04,619

doesn't affect me doesn't affect my life

887

00:42:09,589 --> 00:42:08,220

and these are the comments that I've

888

00:42:12,010 --> 00:42:09,599

been getting

889

00:42:15,589 --> 00:42:12,020

it's very very very very very

890

00:42:19,910 --> 00:42:15,599

interesting so how do we handle

891

00:42:22,150 --> 00:42:19,920

um the the players of the past

892

00:42:25,130 --> 00:42:22,160

um uh from

893

00:42:28,010 --> 00:42:25,140

uh the New York Times article I don't

894

00:42:29,510 --> 00:42:28,020

want to say too much here right now but

895

00:42:30,790 --> 00:42:29,520

all of the players that are involved

896

00:42:34,069 --> 00:42:30,800

with that

897

00:42:36,829 --> 00:42:34,079

who was playing it straight

898

00:42:39,589 --> 00:42:36,839

who was being on the level that's a

899

00:42:41,930 --> 00:42:39,599

concern for our community for sure

900

00:42:45,230 --> 00:42:41,940

because trust and integrity is

901
00:42:49,190 --> 00:42:45,240
everything but to the rest of the world

902
00:42:52,970 --> 00:42:49,200
nah they just they just don't care

903
00:42:56,569 --> 00:42:52,980
it's fascinating to me fascinating

904
00:43:00,290 --> 00:42:58,490
moving on I'm gonna take a quick break

905
00:43:02,930 --> 00:43:00,300
and I'll get back to everything else

906
00:43:05,170 --> 00:43:02,940
that I've got lined up here I've got a

907
00:43:08,150 --> 00:43:05,180
bunch of events that are coming up

908
00:43:11,569 --> 00:43:08,160
and uh next year

909
00:43:14,030 --> 00:43:11,579
I am going to be going to Peru and

910
00:43:16,870 --> 00:43:14,040
Bolivia and I'm going to be hosting a

911
00:43:19,849 --> 00:43:16,880
tour with uh Brian Forster

912
00:43:22,609 --> 00:43:19,859
and the whole shebang is going to be

913
00:43:25,670 --> 00:43:22,619

going on I'm talking about Nazca and of

914

00:43:28,190 --> 00:43:25,680

course I'm talking about Pumapunku and

915

00:43:31,069 --> 00:43:28,200

and everything else uh that is involved

916

00:43:32,930 --> 00:43:31,079

with this so uh that that announcement

917

00:43:34,490 --> 00:43:32,940

is getting ready to I've seen the

918

00:43:35,809 --> 00:43:34,500

posters and and the artwork and

919

00:43:38,809 --> 00:43:35,819

everything

920

00:43:40,790 --> 00:43:38,819

um uh just waiting for my signature and

921

00:43:42,349 --> 00:43:40,800

and sign off on that and that

922

00:43:43,550 --> 00:43:42,359

announcement is getting ready to come

923

00:43:45,170 --> 00:43:43,560

out

924

00:43:48,710 --> 00:43:45,180

um I just got back from Egypt as

925

00:43:50,630 --> 00:43:48,720

everybody knows uh with Billy and now to

926
00:43:53,930 --> 00:43:50,640
turn around and do the next bucket list

927
00:43:56,150 --> 00:43:53,940
for me which is Pumapunku and uh head

928
00:43:59,750 --> 00:43:56,160
down my lights

929
00:44:01,329 --> 00:43:59,760
my whites again it's weird and and this

930
00:44:04,490 --> 00:44:01,339
part

931
00:44:05,569 --> 00:44:04,500
uh that must be on another breaker or

932
00:44:08,750 --> 00:44:05,579
something

933
00:44:11,930 --> 00:44:08,760
and uh no yeah I'm still solid in here

934
00:44:15,170 --> 00:44:11,940
yeah it's pretty weird pretty weird

935
00:44:17,569 --> 00:44:15,180
um so if you would like to go it's it's

936
00:44:19,730 --> 00:44:17,579
very affordable by the way but I would

937
00:44:22,190 --> 00:44:19,740
love to have some fader knots

938
00:44:24,950 --> 00:44:22,200

um go to go to Pumapunku with me let's

939

00:44:27,230 --> 00:44:24,960

go check out those H blocks and uh so

940

00:44:32,210 --> 00:44:27,240

that announcement is is getting ready to

941

00:44:34,130 --> 00:44:32,220

happen and uh we I'm doing it now but uh

942

00:44:36,530 --> 00:44:34,140

the uh all the official stuff will be

943

00:44:38,510 --> 00:44:36,540

out in the next day or two and I'm very

944

00:44:39,890 --> 00:44:38,520

very excited about that and then right

945

00:44:43,849 --> 00:44:39,900

after that

946

00:44:48,770 --> 00:44:43,859

I'm heading over to I've got a very busy

947

00:44:50,630 --> 00:44:48,780

uh next few months uh uh next month uh

948

00:44:53,930 --> 00:44:50,640

the first week of the month is the

949

00:44:56,270 --> 00:44:53,940

conscious life Expo which is here

950

00:44:59,270 --> 00:44:56,280

um a couple of weeks after that is the

951
00:45:02,089 --> 00:44:59,280
parapod festival which is also here it

952
00:45:03,890 --> 00:45:02,099
is in Valencia California

953
00:45:07,490 --> 00:45:03,900
um and that's on April 1st and then

954
00:45:10,790 --> 00:45:07,500
right after that is uh the hidden

955
00:45:12,950 --> 00:45:10,800
secrets Cruise the seminar at sea so

956
00:45:15,410 --> 00:45:12,960
that's going down that's that's three

957
00:45:19,190 --> 00:45:15,420
events going on back to back

958
00:45:21,770 --> 00:45:19,200
over about a four to six week period in

959
00:45:24,770 --> 00:45:21,780
addition to all of that filming

960
00:45:28,390 --> 00:45:24,780
into the Vortex in between so and then

961
00:45:32,750 --> 00:45:28,400
add coming out of April going into May

962
00:45:36,349 --> 00:45:32,760
finishing up uh into the Vortex and uh

963
00:45:39,109 --> 00:45:36,359

and then heading over to uh the UK to

964

00:45:41,150 --> 00:45:39,119

Manchester that's in August

965

00:45:44,569 --> 00:45:41,160

um I'll be over there uh for the

966

00:45:46,970 --> 00:45:44,579

Awakening uh conference uh so a very

967

00:45:50,270 --> 00:45:46,980

very very busy year

968

00:45:53,270 --> 00:45:50,280

um so I will be uh I'll be right back

969

00:45:54,829 --> 00:45:53,280

after this short break and I'm gonna go

970

00:45:57,790 --> 00:45:54,839

check on uh

971

00:46:00,710 --> 00:45:57,800

I'm gonna go check them out

972

00:46:02,809 --> 00:46:00,720

electricity but we're good right now

973

00:46:04,670 --> 00:46:02,819

I'll be right back stay with us

974

00:46:07,010 --> 00:46:04,680

this is Jimmy Church of Fade to Black

975

00:46:09,230 --> 00:46:07,020

please visit all of our sponsors we're

976
00:46:11,030 --> 00:46:09,240
taking a quick break here all of the

977
00:46:14,089 --> 00:46:11,040
links are below

978
00:46:16,309 --> 00:46:14,099
and we'll be right back

979
00:46:17,290 --> 00:46:16,319
check out Billy Carson's Forbidden

980
00:46:19,450 --> 00:46:17,300
Knowledge

981
00:46:21,410 --> 00:46:19,460
forbiddenknowledge.com or

982
00:46:25,370 --> 00:46:21,420
forbiddenknowledge.tv where you can get

983
00:46:27,890 --> 00:46:25,380
access to over 6 000 videos movies TV

984
00:46:29,870 --> 00:46:27,900
series exclusive documentaries like the

985
00:46:31,329 --> 00:46:29,880
Black Knight satellite you can do it all

986
00:46:35,930 --> 00:46:31,339
for just

987
00:46:38,210 --> 00:46:35,940
7.77 per month or 77 per year after the

988
00:46:40,190 --> 00:46:38,220

three-day trial which is also totally

989

00:46:43,990 --> 00:46:40,200

free to check out it's all simple to do

990

00:46:46,390 --> 00:46:44,000

Billy Carson is the best it's simple

991

00:46:48,650 --> 00:46:46,400

forbiddenknowledge.com or

992

00:46:52,609 --> 00:46:48,660

forbiddenknowledge.tv that's the number

993

00:46:56,990 --> 00:46:54,589

I will be hosting an M seeing the

994

00:46:59,569 --> 00:46:57,000

conscious life Expo this February 10th

995

00:47:02,510 --> 00:46:59,579

through the 13th at The Lax Hilton right

996

00:47:04,609 --> 00:47:02,520

here in Los Angeles California 200

997

00:47:06,710 --> 00:47:04,619

speakers including Linda Moulton Howe

998

00:47:09,170 --> 00:47:06,720

Bashar Deborah King George Nori Daniel

999

00:47:12,650 --> 00:47:09,180

Sheehan Scout Walter Sean Stone and

1000

00:47:16,430 --> 00:47:12,660

David Wolfe over 200 vendors special

1001
00:47:19,190 --> 00:47:16,440
events this is the biggest event of its

1002
00:47:21,170 --> 00:47:19,200
kind on planet Earth you've got to come

1003
00:47:23,870 --> 00:47:21,180
and hang out with all of us tickets and

1004
00:47:25,609 --> 00:47:23,880
info at consciouslifeexpo.com the links

1005
00:47:28,849 --> 00:47:25,619
are below

1006
00:47:32,030 --> 00:47:28,859
on Saturday April 1st that's right April

1007
00:47:34,190 --> 00:47:32,040
Fool's Day 2023 I will be hosting the

1008
00:47:37,730 --> 00:47:34,200
peripod festival at the Hyatt Regency

1009
00:47:40,250 --> 00:47:37,740
right here in Valencia California it's a

1010
00:47:43,309 --> 00:47:40,260
live one-day podcast Awards it's a film

1011
00:47:45,349 --> 00:47:43,319
festival it's a full-on media event

1012
00:47:47,150 --> 00:47:45,359
we're going to have Sky watching there's

1013
00:47:49,970 --> 00:47:47,160

going to be a Lifetime Achievement Award

1014

00:47:52,010 --> 00:47:49,980

presented to Linda Moulton Howe right

1015

00:47:54,050 --> 00:47:52,020

now you can submit your podcast to your

1016

00:47:56,750 --> 00:47:54,060

film your TV series any of your

1017

00:47:58,730 --> 00:47:56,760

paranormal media for consideration you

1018

00:48:01,930 --> 00:47:58,740

can do all of that on the links below

1019

00:48:04,550 --> 00:48:01,940

for info and tickets go to

1020

00:48:06,910 --> 00:48:04,560

parapodfilmfest.com that's peripod

1021

00:48:11,089 --> 00:48:06,920

filmfad

1022

00:48:12,829 --> 00:48:11,099

April 7th through the 14th 2023 I'll be

1023

00:48:15,829 --> 00:48:12,839

hosting a presenting on the hidden

1024

00:48:18,589 --> 00:48:15,839

secrets seminar at Sea cruise for Los

1025

00:48:21,890 --> 00:48:18,599

Angeles the Mexican Riviera on the

1026
00:48:24,230 --> 00:48:21,900
Navigator of the Seas that right about a

1027
00:48:26,510 --> 00:48:24,240
giant water slide you've got a check out

1028
00:48:31,390 --> 00:48:26,520
Navigator of the season to make that

1029
00:48:36,589 --> 00:48:34,069
Grant Reuben London and another 12

1030
00:48:38,089 --> 00:48:36,599
amazing speaker that presenters it's

1031
00:48:48,130 --> 00:48:38,099
possible to do just visit

1032
00:48:54,650 --> 00:48:52,190
make the Fade to Black blend truly the

1033
00:48:57,050 --> 00:48:54,660
best coffee on planet Earth just visit

1034
00:48:58,970 --> 00:48:57,060
River moonwalk.com or or their Amazon

1035
00:49:01,069 --> 00:48:58,980
store if it's all simple to do you can

1036
00:49:03,530 --> 00:49:01,079
check out the button the game changer

1037
00:49:07,190 --> 00:49:03,540
button or any other black moon wellness

1038
00:49:10,849 --> 00:49:07,200

products it's the only coffee I drink it

1039

00:49:14,690 --> 00:49:10,859

is the best and it's dark again River

1040

00:49:19,730 --> 00:49:17,510

all right Welcome Back Fade to Black I

1041

00:49:23,410 --> 00:49:19,740

am your host Jim church and and tonight

1042

00:49:27,650 --> 00:49:23,420

very special show uh in that it's my

1043

00:49:31,010 --> 00:49:27,660

2023 brain I I just got stuff

1044

00:49:32,809 --> 00:49:31,020

I need to I I need to talk about God I

1045

00:49:36,290 --> 00:49:32,819

just got to get it out we're doing all

1046

00:49:39,470 --> 00:49:36,300

of that tonight and I I want to take uh

1047

00:49:41,329 --> 00:49:39,480

the second half of the show here and it

1048

00:49:43,849 --> 00:49:41,339

uh it's gonna be brief and then I'll say

1049

00:49:46,430 --> 00:49:43,859

goodbye and and thanks

1050

00:49:48,770 --> 00:49:46,440

um uh I do have some I have issues with

1051

00:49:51,290 --> 00:49:48,780

water and flooding and stuff that I've

1052

00:49:54,890 --> 00:49:51,300

I've got to deal with tonight

1053

00:49:59,450 --> 00:49:54,900

so uh anyway part of the problem uh with

1054

00:50:01,730 --> 00:49:59,460

not having Ingress in the backyard and a

1055

00:50:04,210 --> 00:50:01,740

native flooding here in California

1056

00:50:08,510 --> 00:50:04,220

everywhere we need the rain

1057

00:50:11,809 --> 00:50:08,520

we're so dead for that and then it's

1058

00:50:14,390 --> 00:50:11,819

like we're getting it all at once so

1059

00:50:19,630 --> 00:50:14,400

um I want to take the second half of the

1060

00:50:24,589 --> 00:50:19,640

show uh to to talk about friendship

1061

00:50:27,829 --> 00:50:24,599

and the the my year next year is a very

1062

00:50:31,670 --> 00:50:27,839

busy one and a side and I laid out

1063

00:50:35,210 --> 00:50:31,680

everything directly that is uh public

1064

00:50:37,430 --> 00:50:35,220

knowledge right except for the Peru trip

1065

00:50:38,870 --> 00:50:37,440

which will be announced here and in a

1066

00:50:44,809 --> 00:50:38,880

day or two

1067

00:50:48,890 --> 00:50:44,819

um but every every month next year

1068

00:50:51,170 --> 00:50:48,900

um in 2023 I'm going to be doing events

1069

00:50:52,609 --> 00:50:51,180

with uh Billy Carson and forbid

1070

00:50:58,730 --> 00:50:52,619

knowledge and of course Elizabeth

1071

00:51:02,390 --> 00:50:58,740

Hoekstra and we've got a ton of stuff

1072

00:51:04,609 --> 00:51:02,400

booked we're going to be bringing forbid

1073

00:51:06,470 --> 00:51:04,619

knowledge across the United States we're

1074

00:51:07,690 --> 00:51:06,480

also taking it over to the United

1075

00:51:13,849 --> 00:51:07,700

Kingdom

1076

00:51:16,970 --> 00:51:13,859

and uh the the significance of this

1077

00:51:20,630 --> 00:51:16,980

um I I I don't think you can measure it

1078

00:51:27,069 --> 00:51:20,640

but what is important here

1079

00:51:33,410 --> 00:51:31,910

have the uh the ability both uh

1080

00:51:35,690 --> 00:51:33,420

technically with their with their

1081

00:51:36,950 --> 00:51:35,700

company and and the logistics and the

1082

00:51:40,250 --> 00:51:36,960

people that they have working around

1083

00:51:41,950 --> 00:51:40,260

them but they also have the resources uh

1084

00:51:50,089 --> 00:51:41,960

to do

1085

00:51:53,569 --> 00:51:50,099

and they come up with ideas

1086

00:51:58,069 --> 00:51:53,579

and it doesn't matter how Grand they are

1087

00:52:03,410 --> 00:51:58,079

and they turn turn them into reality

1088

00:52:05,150 --> 00:52:03,420

and uh the friendship that we have now

1089

00:52:08,150 --> 00:52:05,160

we've got a business relationship and

1090

00:52:11,210 --> 00:52:08,160

that is obvious right and and and it's

1091

00:52:14,710 --> 00:52:11,220

right there but the friendship and and

1092

00:52:18,430 --> 00:52:14,720

the trust uh that the three of us have

1093

00:52:22,549 --> 00:52:18,440

is is what is Paramount

1094

00:52:26,270 --> 00:52:22,559

and for anybody out there

1095

00:52:29,390 --> 00:52:26,280

um that wants to do things

1096

00:52:32,870 --> 00:52:29,400

it's it's one thing to do by yourself

1097

00:52:34,510 --> 00:52:32,880

it's another thing to uh to put your

1098

00:52:38,030 --> 00:52:34,520

trust

1099

00:52:39,530 --> 00:52:38,040

into a friendship that that you're

1100

00:52:42,589 --> 00:52:39,540

bonded with

1101
00:52:45,349 --> 00:52:42,599
because that is a pillar of support that

1102
00:52:48,010 --> 00:52:45,359
you can not only lean on

1103
00:52:53,870 --> 00:52:48,020
but you can talk through things

1104
00:52:56,930 --> 00:52:53,880
and the the people that uh continue on a

1105
00:52:59,569 --> 00:52:56,940
path and and Blaze through things and

1106
00:53:03,710 --> 00:52:59,579
get stuff done they don't do it alone

1107
00:53:05,030 --> 00:53:03,720
they they don't it's just it doesn't

1108
00:53:09,530 --> 00:53:05,040
happen that way

1109
00:53:13,490 --> 00:53:09,540
and I am able to uh to

1110
00:53:15,589 --> 00:53:13,500
uh not only work uh with Billy and

1111
00:53:19,309 --> 00:53:15,599
Elizabeth but I can sit down and just

1112
00:53:21,530 --> 00:53:19,319
have a conversation and we can talk

1113
00:53:24,650 --> 00:53:21,540

through whatever we need to talk through

1114

00:53:29,569 --> 00:53:24,660

and it's it's not all

1115

00:53:31,309 --> 00:53:29,579

um uh it's not all love all the time no

1116

00:53:34,190 --> 00:53:31,319

and that's what friendships are about

1117

00:53:36,910 --> 00:53:34,200

right where you've you've got to be able

1118

00:53:43,809 --> 00:53:36,920

to trust somebody enough

1119

00:53:47,390 --> 00:53:43,819

to uh to contest if you need to contest

1120

00:53:50,809 --> 00:53:47,400

uh objection your honor you know there's

1121

00:53:52,790 --> 00:53:50,819

that part but also to suggest something

1122

00:53:55,549 --> 00:53:52,800

that may improve something or whatever

1123

00:53:58,250 --> 00:53:55,559

and they they come back well yeah that's

1124

00:54:01,250 --> 00:53:58,260

a good idea where you you you you you

1125

00:54:04,609 --> 00:54:01,260

you don't have a mind block around you

1126

00:54:07,130 --> 00:54:04,619

that I can't say things I can't do

1127

00:54:08,809 --> 00:54:07,140

things I'm going to that no you don't

1128

00:54:10,130 --> 00:54:08,819

want that and you need to have people

1129

00:54:12,230 --> 00:54:10,140

around you

1130

00:54:17,510 --> 00:54:12,240

that will support you

1131

00:54:20,349 --> 00:54:17,520

and that you will in turn support and

1132

00:54:22,970 --> 00:54:20,359

and that's what uh Billy and Elizabeth

1133

00:54:26,809 --> 00:54:22,980

uh bring to the table

1134

00:54:31,730 --> 00:54:26,819

and the amount of events that are

1135

00:54:34,549 --> 00:54:31,740

planned uh for 2023 I know that as I'm

1136

00:54:37,790 --> 00:54:34,559

as I am literally

1137

00:54:38,870 --> 00:54:37,800

that says now I just got a text in from

1138

00:54:43,010 --> 00:54:38,880

Billy

1139

00:54:46,670 --> 00:54:43,020

with an event schedule right it just

1140

00:54:49,910 --> 00:54:46,680

came in right says now as as I say that

1141

00:54:52,790 --> 00:54:49,920

and he's not listening to me by the way

1142

00:54:54,829 --> 00:54:52,800

um but that that's that's exactly what

1143

00:54:57,910 --> 00:54:54,839

I'm talking about right there

1144

00:55:00,470 --> 00:54:57,920

and the uh

1145

00:55:02,210 --> 00:55:00,480

we have an award ceremony that's going

1146

00:55:04,849 --> 00:55:02,220

to be uh that we've already announced

1147

00:55:06,650 --> 00:55:04,859

the dates that's going to be

1148

00:55:09,589 --> 00:55:06,660

um in Miami

1149

00:55:12,829 --> 00:55:09,599

um that is already on lockdown and then

1150

00:55:14,630 --> 00:55:12,839

the other events which uh I wish this

1151

00:55:18,349 --> 00:55:14,640

would have come in earlier today I would

1152

00:55:21,470 --> 00:55:18,359

have uh mentioned a few cities and dates

1153

00:55:24,349 --> 00:55:21,480

uh to you but all of this will be

1154

00:55:26,870 --> 00:55:24,359

forthcoming but uh it's it's very

1155

00:55:31,430 --> 00:55:26,880

exciting and then there is

1156

00:55:33,290 --> 00:55:31,440

um a TV uh there's uh more movies uh

1157

00:55:35,030 --> 00:55:33,300

that are being filmed there are

1158

00:55:38,510 --> 00:55:35,040

additional trips that are going on

1159

00:55:41,089 --> 00:55:38,520

overseas I think there's a trip that is

1160

00:55:44,390 --> 00:55:41,099

being planned right now for Cambodia two

1161

00:55:47,510 --> 00:55:44,400

more trips uh are tentatively planned

1162

00:55:50,329 --> 00:55:47,520

for Egypt and that's in addition to

1163

00:55:52,790 --> 00:55:50,339

everything else uh that is happening

1164

00:55:56,569 --> 00:55:52,800

right now so I'm very

1165

00:55:59,270 --> 00:55:56,579

very excited uh about all of that and I

1166

00:56:02,150 --> 00:55:59,280

want to thank Billy and Elizabeth uh for

1167

00:56:03,589 --> 00:56:02,160

uh for all of their hard work and their

1168

00:56:07,190 --> 00:56:03,599

dedication

1169

00:56:10,910 --> 00:56:07,200

um Billy and I and Elizabeth uh were uh

1170

00:56:13,430 --> 00:56:10,920

doing Elizabeth's podcast biohack your

1171

00:56:15,470 --> 00:56:13,440

life on on Friday and one of the things

1172

00:56:17,630 --> 00:56:15,480

that we were laughing about

1173

00:56:19,210 --> 00:56:17,640

because it's true and I'm able to say

1174

00:56:22,730 --> 00:56:19,220

this in front of Elizabeth

1175

00:56:24,710 --> 00:56:22,740

Billy and I literally

1176

00:56:25,790 --> 00:56:24,720

we have to watch ourselves around

1177

00:56:29,329 --> 00:56:25,800

Elizabeth

1178

00:56:32,630 --> 00:56:29,339

because if we come up with some ID just

1179

00:56:35,329 --> 00:56:32,640

in a conversation she's gonna take it

1180

00:56:37,849 --> 00:56:35,339

and run with it and and the next thing

1181

00:56:39,230 --> 00:56:37,859

you know we have to do it and she is

1182

00:56:41,390 --> 00:56:39,240

going to make sure that it gets done

1183

00:56:44,930 --> 00:56:41,400

she's very smart she's very bright she's

1184

00:56:49,609 --> 00:56:44,940

very intelligent very tenacious

1185

00:56:51,650 --> 00:56:49,619

um and if she just is moving forward all

1186

00:56:54,410 --> 00:56:51,660

the time and we were laughing about this

1187

00:56:58,069 --> 00:56:54,420

on Friday but it's it's really really

1188

00:57:01,250 --> 00:56:58,079

really true I can't stress it enough and

1189

00:57:03,410 --> 00:57:01,260

uh now the the other part the reason why

1190

00:57:05,210 --> 00:57:03,420

I'm bringing all of this up is there are

1191

00:57:08,450 --> 00:57:05,220

some other

1192

00:57:10,609 --> 00:57:08,460

um announcements that are nearly eminent

1193

00:57:12,710 --> 00:57:10,619

uh that the three of us are going to be

1194

00:57:15,770 --> 00:57:12,720

making in addition to everything else

1195

00:57:20,030 --> 00:57:15,780

that I just spoke about so yeah we've

1196

00:57:22,210 --> 00:57:20,040

got uh an amazing 2023 coming up

1197

00:57:25,490 --> 00:57:22,220

um uh oh oh oh oh oh oh

1198

00:57:28,210 --> 00:57:25,500

and uh one last thing

1199

00:57:33,589 --> 00:57:28,220

is uh

1200

00:57:37,190 --> 00:57:33,599

next week I tried to uh me and everybody

1201

00:57:41,750 --> 00:57:37,200

that's involved with this uh we tried to

1202

00:57:45,170 --> 00:57:41,760

button everything down last Wednesday

1203

00:57:47,569 --> 00:57:45,180

for an announcement this week

1204

00:57:50,450 --> 00:57:47,579

I'm going to say this with everything

1205

00:57:52,990 --> 00:57:50,460

that is happening in 2023 all these big

1206

00:57:56,690 --> 00:57:53,000

events I've got another one

1207

00:57:58,690 --> 00:57:56,700

uh uh that we've been working on for

1208

00:58:00,950 --> 00:57:58,700

about a year and a half

1209

00:58:02,829 --> 00:58:00,960

that is

1210

00:58:06,950 --> 00:58:02,839

is done

1211

00:58:09,770 --> 00:58:06,960

I can't say but this will be I'll tell

1212

00:58:12,109 --> 00:58:09,780

you what it's going to be in November

1213

00:58:16,390 --> 00:58:12,119

and I cannot wait to make this

1214

00:58:19,670 --> 00:58:16,400

announcement and this

1215

00:58:22,490 --> 00:58:19,680

all of this is going to be fun all of it

1216

00:58:25,670 --> 00:58:22,500

is just going to be an amazing year and

1217

00:58:28,490 --> 00:58:25,680

I cannot wait uh to to get these last

1218

00:58:31,370 --> 00:58:28,500

couple of things out into the public and

1219

00:58:33,650 --> 00:58:31,380

and make these announcements but I'm

1220

00:58:35,870 --> 00:58:33,660

telling you November now so when the

1221

00:58:38,650 --> 00:58:35,880

announcement comes

1222

00:58:40,849 --> 00:58:38,660

that's what church was talking about

1223

00:58:44,089 --> 00:58:40,859

holy crap

1224

00:58:47,990 --> 00:58:44,099

so there you go and

1225

00:58:51,530 --> 00:58:48,000

um if uh now I know

1226

00:58:53,150 --> 00:58:51,540

um uh before I I jump out of here

1227

00:58:54,950 --> 00:58:53,160

um I do have to cut this a little bit

1228

00:58:58,250 --> 00:58:54,960

short tonight

1229

00:59:01,270 --> 00:58:58,260

um I do know and I don't want to

1230

00:59:04,370 --> 00:59:01,280

I don't want to act oblivious

1231

00:59:08,030 --> 00:59:04,380

or you know Cavaliers also the right

1232

00:59:10,010 --> 00:59:08,040

word here about some of the uh the

1233

00:59:12,589 --> 00:59:10,020

comments that are going around right now

1234

00:59:13,750 --> 00:59:12,599

uh about the deposition of uh Corey

1235

00:59:19,910 --> 00:59:13,760

Goode

1236

00:59:22,789 --> 00:59:19,920

and uh it's it it is it is shocking uh

1237

00:59:24,650 --> 00:59:22,799

to some degree but also

1238

00:59:27,289 --> 00:59:24,660

um I think that the community needed

1239

00:59:29,510 --> 00:59:27,299

that kind of relief with

1240

00:59:33,770 --> 00:59:29,520

um you know because there were so you

1241

00:59:36,829 --> 00:59:33,780

know a huge question mark uh over uh all

1242

00:59:39,829 --> 00:59:36,839

of uh the tales and and things that were

1243

00:59:41,809 --> 00:59:39,839

were uh told uh by him over the years

1244

00:59:48,829 --> 00:59:41,819

and

1245

00:59:51,049 --> 00:59:48,839

I only

1246

00:59:55,010 --> 00:59:51,059

and I'm being very serious about this

1247

00:59:57,650 --> 00:59:55,020

there's no reason ever to go back

1248

00:59:59,750 --> 00:59:57,660

you can't live your life that way you

1249

01:00:02,930 --> 00:59:59,760

can't I I don't point fingers I don't

1250

01:00:05,750 --> 01:00:02,940

Point blame the the past is the past I'm

1251

01:00:08,270 --> 01:00:05,760

focused on right now

1252

01:00:10,490 --> 01:00:08,280

right as I sit here

1253

01:00:13,150 --> 01:00:10,500

anything that I just said five seconds

1254

01:00:17,390 --> 01:00:13,160

ago is in the past it's in the past

1255

01:00:20,329 --> 01:00:17,400

it's always in the moment and tomorrow

1256

01:00:24,170 --> 01:00:20,339

those are my concerns I can't change the

1257

01:00:27,109 --> 01:00:24,180

past can't do it can't do it

1258

01:00:29,329 --> 01:00:27,119

um when uh the only thing that I I

1259

01:00:31,609 --> 01:00:29,339

wanted to say and I hope that this

1260

01:00:34,670 --> 01:00:31,619

answers uh some questions uh for some

1261

01:00:36,109 --> 01:00:34,680

people and after this I'm I'm just never

1262

01:00:38,650 --> 01:00:36,119

going to talk about it again I don't

1263

01:00:43,309 --> 01:00:38,660

live in the past but

1264

01:00:45,130 --> 01:00:43,319

when things started to come to light uh

1265

01:00:49,190 --> 01:00:45,140

to me personally

1266

01:00:51,349 --> 01:00:49,200

and once uh

1267

01:00:53,270 --> 01:00:51,359

um I am lied to

1268

01:00:56,030 --> 01:00:53,280

and it doesn't matter who it's from

1269

01:00:58,309 --> 01:00:56,040

whenever that happens

1270

01:01:00,710 --> 01:00:58,319

you're a canceled check that's it it

1271

01:01:02,030 --> 01:01:00,720

doesn't matter I cancel checks in my

1272

01:01:06,130 --> 01:01:02,040

life all the time

1273

01:01:10,130 --> 01:01:06,140

and once that happened

1274

01:01:11,690 --> 01:01:10,140

the plug got pulled

1275

01:01:14,510 --> 01:01:11,700

from Fade to Black

1276

01:01:17,150 --> 01:01:14,520

and everybody knows I have not mentioned

1277

01:01:19,430 --> 01:01:17,160

his or anybody else's name involved with

1278

01:01:24,370 --> 01:01:19,440

any of that ever again I'm Fade to Black

1279

01:01:28,430 --> 01:01:24,380

I was so disappointed and and so

1280

01:01:29,630 --> 01:01:28,440

so just just so let down but I

1281

01:01:32,870 --> 01:01:29,640

immediately

1282

01:01:35,450 --> 01:01:32,880

uh pulled down

1283

01:01:37,250 --> 01:01:35,460

all of the shows

1284

01:01:38,809 --> 01:01:37,260

and this was years ago this is three

1285

01:01:41,450 --> 01:01:38,819

years ago I pulled down all the shows I

1286

01:01:45,650 --> 01:01:41,460

pulled down every show with Wilcox

1287

01:01:49,549 --> 01:01:45,660

pulled every show down that with CG and

1288

01:01:52,549 --> 01:01:49,559

I I canceled all of that I I took down

1289

01:01:55,130 --> 01:01:52,559

as many images from the internet as I

1290

01:01:57,370 --> 01:01:55,140

could there's still some out there but

1291

01:02:00,730 --> 01:01:57,380

uh I took them all down

1292

01:02:06,069 --> 01:02:00,740

absolutely done

1293

01:02:07,730 --> 01:02:06,079

and that's it it I didn't want to uh to

1294

01:02:11,569 --> 01:02:07,740

ever

1295

01:02:13,789 --> 01:02:11,579

have to answer questions about that uh

1296

01:02:15,950 --> 01:02:13,799

to deal with it on the air I didn't want

1297

01:02:19,970 --> 01:02:15,960

to drag the community through this

1298

01:02:22,670 --> 01:02:19,980

but I knew that one day

1299

01:02:24,950 --> 01:02:22,680

everything would be answered and I would

1300

01:02:26,089 --> 01:02:24,960

just have to ride this out and now this

1301

01:02:29,930 --> 01:02:26,099

has happened

1302

01:02:32,390 --> 01:02:29,940

right and so uh the community

1303

01:02:35,089 --> 01:02:32,400

you know we have dealt with situations

1304

01:02:38,289 --> 01:02:35,099

like this before many times in the past

1305

01:02:42,470 --> 01:02:38,299

many times uh with different individuals

1306

01:02:46,069 --> 01:02:42,480

and all you can do especially with with

1307

01:02:47,750 --> 01:02:46,079

this community in this subject matter

1308

01:02:49,609 --> 01:02:47,760

is just move on

1309

01:02:51,049 --> 01:02:49,619

that's it there's going to be somebody

1310

01:02:53,630 --> 01:02:51,059

else there's going to be another

1311

01:02:55,789 --> 01:02:53,640

situation and it's it's gonna happen

1312

01:02:58,730 --> 01:02:55,799

again and it's sort of happened over the

1313

01:03:00,170 --> 01:02:58,740

last three or four years and stuff that

1314

01:03:01,270 --> 01:03:00,180

had nothing to do with anything else

1315

01:03:04,089 --> 01:03:01,280

right

1316

01:03:07,430 --> 01:03:04,099

so um that's it

1317

01:03:09,589 --> 01:03:07,440

if you haven't seen the deposition I'm

1318

01:03:11,930 --> 01:03:09,599

sure that there are ways for you to uh

1319

01:03:14,210 --> 01:03:11,940

to go and watch it if you've ever had

1320

01:03:17,569 --> 01:03:14,220

any questions

1321

01:03:20,809 --> 01:03:17,579

um uh you can get them all answered uh

1322

01:03:22,430 --> 01:03:20,819

from watching that uh it's it's it's a

1323

01:03:25,010 --> 01:03:22,440

complete disappointment and it's a drag

1324

01:03:27,349 --> 01:03:25,020

but then again I guess we all knew it

1325

01:03:29,870 --> 01:03:27,359

was going to end this way

1326

01:03:32,569 --> 01:03:29,880

um and oh there's one other thing I

1327

01:03:34,970 --> 01:03:32,579

didn't want to say before I sign off

1328

01:03:37,730 --> 01:03:34,980

when all the drama started to kick off

1329

01:03:40,270 --> 01:03:37,740

around those two

1330

01:03:42,549 --> 01:03:40,280

um I was getting

1331

01:03:46,430 --> 01:03:42,559

violent email

1332

01:03:49,250 --> 01:03:46,440

from uh people from the community

1333

01:03:53,990 --> 01:03:49,260

right fanatics

1334

01:03:56,809 --> 01:03:54,000

and uh and and and direct messages and

1335

01:03:58,789 --> 01:03:56,819

things very hateful stuff

1336

01:04:01,609 --> 01:03:58,799

very hateful

1337

01:04:05,450 --> 01:04:01,619

and all

1338

01:04:07,309 --> 01:04:05,460

of those people that did any of that now

1339

01:04:09,470 --> 01:04:07,319

they have to because they were upset

1340

01:04:11,630 --> 01:04:09,480

that uh you know I wasn't a Believer

1341

01:04:14,089 --> 01:04:11,640

anymore and this or whatever what

1342

01:04:17,329 --> 01:04:14,099

whatever their reasons for the violence

1343

01:04:20,809 --> 01:04:17,339

that that was being directed at me

1344

01:04:24,770 --> 01:04:20,819

um now they are left with well

1345

01:04:26,750 --> 01:04:24,780

you know and and I feel bad for those I

1346

01:04:30,109 --> 01:04:26,760

I really really do there's a lot of

1347

01:04:33,130 --> 01:04:30,119

mending that uh has to go on the people

1348

01:04:37,450 --> 01:04:33,140

that uh uh

1349

01:04:40,430 --> 01:04:37,460

that were there to support and things

1350

01:04:41,270 --> 01:04:40,440

and in the end it just all turned out to

1351

01:04:43,190 --> 01:04:41,280

be

1352

01:04:46,069 --> 01:04:43,200

you know BS

1353

01:04:49,069 --> 01:04:46,079

is is a rough one and it's not us

1354

01:04:51,289 --> 01:04:49,079

calling the BS it's it's in the it's in

1355

01:04:54,890 --> 01:04:51,299

the deposition you know that it was all

1356

01:04:56,990 --> 01:04:54,900

made up so uh I feel sorry for for

1357

01:04:59,870 --> 01:04:57,000

anybody that was

1358

01:05:02,030 --> 01:04:59,880

um I do I do I've deep I feel deeply

1359

01:05:03,890 --> 01:05:02,040

sorry for anybody that was throwing

1360

01:05:06,410 --> 01:05:03,900

something negative at me

1361

01:05:10,250 --> 01:05:06,420

and now they have to

1362

01:05:12,829 --> 01:05:10,260

carry that so don't worry about it if

1363

01:05:15,890 --> 01:05:12,839

you did I understand why you know and

1364

01:05:18,349 --> 01:05:15,900

I've warned everybody over the years

1365

01:05:21,890 --> 01:05:18,359

yeah I was talking to somebody about

1366

01:05:24,170 --> 01:05:21,900

this subject this weekend in that you

1367

01:05:25,789 --> 01:05:24,180

cannot go all in

1368

01:05:29,930 --> 01:05:25,799

it doesn't matter what the subject is

1369

01:05:32,210 --> 01:05:29,940

you cannot go all in

1370

01:05:34,010 --> 01:05:32,220

if you think about all of the conspiracy

1371

01:05:36,289 --> 01:05:34,020

theories and all of the drama and

1372

01:05:37,609 --> 01:05:36,299

everything that has gone down just in

1373

01:05:39,950 --> 01:05:37,619

the last two or three years with the

1374

01:05:41,690 --> 01:05:39,960

pandemic and and what was going on

1375

01:05:44,329 --> 01:05:41,700

politically around the country before

1376

01:05:46,970 --> 01:05:44,339

then and and the riots and the protests

1377

01:05:50,089 --> 01:05:46,980

that were going on in the country if if

1378

01:05:52,490 --> 01:05:50,099

you if there was a conspiracy out there

1379

01:05:55,549 --> 01:05:52,500

um there was a conspiracy out there for

1380

01:05:56,870 --> 01:05:55,559

every single piece of drama that

1381

01:06:00,230 --> 01:05:56,880

happened in this country over the last

1382

01:06:01,670 --> 01:06:00,240

five years and if you went all in on any

1383

01:06:04,730 --> 01:06:01,680

of that

1384

01:06:06,710 --> 01:06:04,740

you were probably wrong

1385

01:06:10,609 --> 01:06:06,720

right and so now you have to sit here

1386

01:06:13,670 --> 01:06:10,619

today and go oh man I said all of that

1387

01:06:16,010 --> 01:06:13,680

crazy stuff to my kids I said all that

1388

01:06:19,010 --> 01:06:16,020

crazy stuff to those people I work with

1389

01:06:22,849 --> 01:06:19,020

I said all that crazy stuff to my

1390

01:06:26,390 --> 01:06:22,859

friends at school I did oh man and I was

1391

01:06:30,230 --> 01:06:26,400

wrong you just can't go all in don't go

1392

01:06:32,809 --> 01:06:30,240

all in go to the edge of the cliff

1393

01:06:34,910 --> 01:06:32,819

right put your foot out there feel the

1394

01:06:38,390 --> 01:06:34,920

edge of the cliff know where that know

1395

01:06:40,430 --> 01:06:38,400

where it is and stop right there

1396

01:06:43,190 --> 01:06:40,440

because at least you can back up a

1397

01:06:44,690 --> 01:06:43,200

couple of steps but if you go all in and

1398

01:06:47,089 --> 01:06:44,700

you step off the cliff there's no coming

1399

01:06:49,250 --> 01:06:47,099

back so don't do it

1400

01:06:51,109 --> 01:06:49,260

don't do it all right and I understand

1401

01:06:53,690 --> 01:06:51,119

the reasons why

1402

01:06:57,470 --> 01:06:53,700

I do I I totally get it but if I can

1403

01:07:00,349 --> 01:06:57,480

ever give no repeat advice that I have

1404

01:07:02,329 --> 01:07:00,359

given over the years and now you know

1405

01:07:07,010 --> 01:07:02,339

part of the reasons why I said the

1406

01:07:08,150 --> 01:07:07,020

things that I did back then don't go all

1407

01:07:10,490 --> 01:07:08,160

in

1408

01:07:12,109 --> 01:07:10,500

don't

1409

01:07:15,410 --> 01:07:12,119

ever

1410

01:07:19,130 --> 01:07:15,420

don't go all in

1411

01:07:21,890 --> 01:07:19,140

that's how I've I've remained sane

1412

01:07:25,370 --> 01:07:21,900

I just don't go all in oh I'm interested

1413

01:07:28,609 --> 01:07:25,380

I want things to be true I'm going to

1414

01:07:31,250 --> 01:07:28,619

continue to ask the questions I am going

1415

01:07:33,710 --> 01:07:31,260

to continue to pursue

1416

01:07:37,309 --> 01:07:33,720

and I'm I want to get to the end of the

1417

01:07:38,750 --> 01:07:37,319

line on all of this but I am not going

1418

01:07:42,109 --> 01:07:38,760

all in

1419

01:07:45,470 --> 01:07:42,119

can't you just you cannot do it you

1420

01:07:47,690 --> 01:07:45,480

cannot do it man if we think about

1421

01:07:49,250 --> 01:07:47,700

um one last thing and I'm just listening

1422

01:07:51,770 --> 01:07:49,260

and I don't know if you can hear it but

1423

01:07:55,670 --> 01:07:51,780

it's getting really rough here

1424

01:07:57,349 --> 01:07:55,680

um if you consider one aspect to all of

1425

01:08:01,370 --> 01:07:57,359

this

1426

01:08:01,380 --> 01:08:05,510

I had said then

1427

01:08:11,029 --> 01:08:07,010

um

1428

01:08:13,910 --> 01:08:11,039

we need to be very careful with this

1429

01:08:16,430 --> 01:08:13,920

let's look at who's evolved let's see

1430

01:08:20,110 --> 01:08:16,440

what the what their agenda is what their

1431

01:08:24,349 --> 01:08:20,120

stated public position is on all of this

1432

01:08:26,990 --> 01:08:24,359

and and let's wait

1433

01:08:29,150 --> 01:08:27,000

there were some things where you know I

1434

01:08:33,410 --> 01:08:29,160

did man I got a little close too close

1435

01:08:35,390 --> 01:08:33,420

to the fire I got uh inside farther than

1436

01:08:39,169 --> 01:08:35,400

I should have

1437

01:08:41,689 --> 01:08:39,179

um and it's only because I've I've just

1438

01:08:45,950 --> 01:08:41,699

couldn't believe what was going on but

1439

01:08:49,789 --> 01:08:45,960

as I I opened the door I was invited in

1440

01:08:52,550 --> 01:08:49,799

and I took a peek around

1441

01:08:57,050 --> 01:08:52,560

asked a couple of questions

1442

01:08:59,450 --> 01:08:57,060

and then backed up and went no

1443

01:09:02,809 --> 01:08:59,460

I'm not going all in

1444

01:09:05,689 --> 01:09:02,819

I'll talk about it I'll report the story

1445

01:09:08,269 --> 01:09:05,699

but I'm not all in on this and that's a

1446

01:09:10,970 --> 01:09:08,279

perfect example and that was when

1447

01:09:14,209 --> 01:09:10,980

everything was at its peak it was at its

1448

01:09:18,410 --> 01:09:14,219

peak it was just a Monsters TV shows and

1449

01:09:20,749 --> 01:09:18,420

this and books and t-shirts

1450

01:09:23,450 --> 01:09:20,759

it was it was nuts

1451
01:09:26,390 --> 01:09:23,460
and I I backed off

1452
01:09:29,510 --> 01:09:26,400
you know 100 backed off

1453
01:09:30,950 --> 01:09:29,520
what I had said then

1454
01:09:33,470 --> 01:09:30,960
was

1455
01:09:36,289 --> 01:09:33,480
let's give all of this

1456
01:09:46,430 --> 01:09:36,299
four years

1457
01:09:51,650 --> 01:09:46,440
and here we are now we're in 2023

1458
01:09:53,390 --> 01:09:51,660
and look ultimately was uh the end

1459
01:09:56,630 --> 01:09:53,400
result

1460
01:09:58,370 --> 01:09:56,640
PTSA falling apart

1461
01:10:00,950 --> 01:09:58,380
um everything that was supposed to

1462
01:10:05,270 --> 01:10:00,960
everything the people that went all in

1463
01:10:08,650 --> 01:10:05,280

bought stock and yeah man you know and

1464

01:10:12,530 --> 01:10:08,660

if you go back to the original

1465

01:10:16,930 --> 01:10:12,540

uh live press conference that they did

1466

01:10:21,649 --> 01:10:16,940

uh you remember the that that vehicle

1467

01:10:23,689 --> 01:10:21,659

that uh that tsa was supposed to build

1468

01:10:25,490 --> 01:10:23,699

right you remember that thing with the

1469

01:10:28,370 --> 01:10:25,500

round Center and the two-pointed ends

1470

01:10:29,330 --> 01:10:28,380

and right there and Tom talking about it

1471

01:10:31,370 --> 01:10:29,340

and

1472

01:10:34,970 --> 01:10:31,380

it's like man

1473

01:10:37,189 --> 01:10:34,980

this is all of that is gone

1474

01:10:39,709 --> 01:10:37,199

the whole thing if you go and watch the

1475

01:10:42,350 --> 01:10:39,719

press conference today go go and watch

1476

01:10:45,229 --> 01:10:42,360

the press conference today with another

1477

01:10:46,490 --> 01:10:45,239

just another mindset another set eyes go

1478

01:10:48,310 --> 01:10:46,500

watch it today

1479

01:10:52,090 --> 01:10:48,320

and that's what I'm talking about

1480

01:10:55,189 --> 01:10:52,100

because everybody drink that Kool-Aid

1481

01:11:00,729 --> 01:10:55,199

everybody drank it

1482

01:11:02,750 --> 01:11:00,739

everybody I took a sip I went like this

1483

01:11:05,450 --> 01:11:02,760

it's enough

1484

01:11:08,510 --> 01:11:05,460

I'm not going to finish that cup

1485

01:11:11,270 --> 01:11:08,520

so that's the deal just never go all in

1486

01:11:12,830 --> 01:11:11,280

all right all right I'm gonna sign off

1487

01:11:16,250 --> 01:11:12,840

and get out of here we've got a very

1488

01:11:18,350 --> 01:11:16,260

very very busy week and uh it's gonna be

1489

01:11:21,590 --> 01:11:18,360

great and I'll see everybody tomorrow

1490

01:11:23,570 --> 01:11:21,600

night uh this is Fade to Black I am your

1491

01:11:25,130 --> 01:11:23,580

host Jimmy church I just wanted to come

1492

01:11:28,630 --> 01:11:25,140

in tonight I wanted to make sure that

1493

01:11:30,950 --> 01:11:28,640

the show did go on and I got some things

1494

01:11:35,050 --> 01:11:30,960

off of my chest

1495

01:11:41,630 --> 01:11:35,060

there you go that's my brain in

1496

01:11:46,130 --> 01:11:44,030

man I had the most amazing weekend I

1497

01:11:47,810 --> 01:11:46,140

can't I can't even tell you Fade to

1498

01:11:49,189 --> 01:11:47,820

Black is produced by Hill J Paul Renee

1499

01:11:51,590 --> 01:11:49,199

Dennis and Kevin

1500

01:11:53,229 --> 01:11:51,600

webmaster is Drew the geek music Doug

1501

01:11:55,910 --> 01:11:53,239

Aldrich intro space boy

1502

01:11:57,950 --> 01:11:55,920

spaceboymusic.com Fade to Black is

1503

01:12:00,229 --> 01:11:57,960

produced by kjcr for the game changer

1504

01:12:02,410 --> 01:12:00,239

Network and this broadcast is owned and
