

FADE **TO** BLACK

with **JIMMY CHURCH**
PRESENTS

BREAKING NEWS

Tue Jan 3, 2023 **LIVE**

1
00:00:23,279 --> 00:00:37,280
foreign

2
00:00:37,290 --> 00:00:51,069
[Music]

3
00:00:57,709 --> 00:00:53,930
all right welcome Fade to Black breaking

4
00:00:59,150 --> 00:00:57,719
news for this Tuesday January 3rd 2023

5
00:01:02,930 --> 00:00:59,160
I'm Jimmy Church

6
00:01:04,549 --> 00:01:02,940
this is all of the news that you need on

7
00:01:06,590 --> 00:01:04,559
this day in history oh

8
00:01:10,070 --> 00:01:06,600
oh I didn't do my on this day in history

9
00:01:13,789 --> 00:01:10,080
today or a fader fact

10
00:01:15,830 --> 00:01:13,799
yeah I've been busy around here ah well

11
00:01:18,350 --> 00:01:15,840
we'll go get to some good stuff tomorrow

12
00:01:21,230 --> 00:01:18,360
let's get straight to the breaking news

13
00:01:24,050 --> 00:01:21,240

all right here we go a commercial

14

00:01:26,149 --> 00:01:24,060

landlord is suing Twitter for breach of

15

00:01:28,730 --> 00:01:26,159

contract after the company allegedly

16

00:01:31,789 --> 00:01:28,740

failed to pay rent for one of its

17

00:01:34,370 --> 00:01:31,799

offices in San Francisco the lawsuit

18

00:01:36,710 --> 00:01:34,380

concerns Twitter office space at 650

19

00:01:39,289 --> 00:01:36,720

California Street not its main

20

00:01:41,810 --> 00:01:39,299

headquarters though but this is on

21

00:01:44,090 --> 00:01:41,820

Market Street Twitter's new owner Elon

22

00:01:45,890 --> 00:01:44,100

Musk has stopped paying rent on

23

00:01:49,190 --> 00:01:45,900

Twitter's office space globally

24

00:01:52,130 --> 00:01:49,200

including for its headquarters and has

25

00:01:55,910 --> 00:01:52,140

told employees not to pay company

26
00:01:57,830 --> 00:01:55,920
vendors the complaint filed last week in

27
00:02:00,649 --> 00:01:57,840
California's Superior Court in San

28
00:02:06,469 --> 00:02:00,659
Francisco says Twitter missed a rent

29
00:02:09,710 --> 00:02:06,479
payment of 136 260 dollars for its 650

30
00:02:11,990 --> 00:02:09,720
California Street office that triggered

31
00:02:14,990 --> 00:02:12,000
a notice from the landlord on December

32
00:02:19,089 --> 00:02:15,000
16th giving Twitter five more business

33
00:02:25,330 --> 00:02:19,099
days to make the payment they didn't

34
00:02:27,470 --> 00:02:25,340
they got sued so there you go you always

35
00:02:29,510 --> 00:02:27,480
you know what it's like when you pay

36
00:02:32,510 --> 00:02:29,520
rent right and you're late and you come

37
00:02:35,630 --> 00:02:32,520
and you got that 3A notice

38
00:02:36,949 --> 00:02:35,640

tacked to the front door that's what

39

00:02:40,490 --> 00:02:36,959

Twitter's going through right now I

40

00:02:42,949 --> 00:02:40,500

don't understand why South Korea's Korea

41

00:02:46,309 --> 00:02:42,959

Pathfinder lunar orbiter spacecraft

42

00:02:48,890 --> 00:02:46,319

known as dunnuri has just sent some

43

00:02:51,470 --> 00:02:48,900

amazing images from the Moon the

44

00:02:54,470 --> 00:02:51,480

spacecraft recently entered lunar orbit

45

00:02:58,070 --> 00:02:54,480

with its high resolution camera the

46

00:03:00,470 --> 00:02:58,080

pictures are stunning danuri is South

47

00:03:04,550 --> 00:03:00,480

Korea's first lunar Mission it launched

48

00:03:07,970 --> 00:03:04,560

in August 2022 on the SpaceX rocket and

49

00:03:10,970 --> 00:03:07,980

will orbit the Moon for a year NASA

50

00:03:13,070 --> 00:03:10,980

contributed the shadow Cam that will

51
00:03:16,250 --> 00:03:13,080
capture images of the moon's polar

52
00:03:18,830 --> 00:03:16,260
regions to help NASA collect future moon

53
00:03:20,210 --> 00:03:18,840
landing sites the pictures are

54
00:03:21,530 --> 00:03:20,220
unbelievable

55
00:03:25,790 --> 00:03:21,540
well

56
00:03:28,490 --> 00:03:25,800
happened earlier today a SpaceX Falcon 9

57
00:03:30,610 --> 00:03:28,500
rocket launched this morning from Cape

58
00:03:34,030 --> 00:03:30,620
Canaveral Space 4 station of Florida

59
00:03:37,850 --> 00:03:34,040
carrying check this

60
00:03:40,809 --> 00:03:37,860
114 satellites to orbit

61
00:03:43,550 --> 00:03:40,819
today's flight called transporter 6

62
00:03:46,789 --> 00:03:43,560
marked the 15th mission for this

63
00:03:49,430 --> 00:03:46,799

particular Falcon 9's first stage uh

64

00:03:53,410 --> 00:03:49,440

tying a reusability record that SpaceX

65

00:03:56,949 --> 00:03:53,420

set just last month it was also spacex's

66

00:04:01,910 --> 00:03:56,959

200th flight and the company's

67

00:04:05,170 --> 00:04:01,920

161st successful rocket La Landing a

68

00:04:08,690 --> 00:04:05,180

group of video testers is forming

69

00:04:11,149 --> 00:04:08,700

Microsoft's first labor union in the

70

00:04:14,690 --> 00:04:11,159

United States which will also be the

71

00:04:17,509 --> 00:04:14,700

largest in the video game industry

72

00:04:21,349 --> 00:04:17,519

the communications workers of America

73

00:04:23,330 --> 00:04:21,359

said today that a majority of about 300

74

00:04:25,969 --> 00:04:23,340

quality assurance workers at the

75

00:04:30,890 --> 00:04:25,979

Microsoft video game subsidiary zenimax

76

00:04:33,469 --> 00:04:30,900

Studios has voted to join the union

77

00:04:36,950 --> 00:04:33,479

all right researchers

78

00:04:41,689 --> 00:04:36,960

have proven that a metallic alloy of

79

00:04:45,290 --> 00:04:41,699

chromium Cobalt and nickel is officially

80

00:04:49,490 --> 00:04:45,300

the toughest material on Earth more than

81

00:04:51,530 --> 00:04:49,500

100 times tougher than graphene in a new

82

00:04:54,409 --> 00:04:51,540

study published December 1st in the

83

00:04:56,689 --> 00:04:54,419

journal science researchers subjected

84

00:04:59,749 --> 00:04:56,699

the ultra tough alloy to extremely cold

85

00:05:03,350 --> 00:04:59,759

temperatures and the alloy only became

86

00:05:06,469 --> 00:05:03,360

tougher and more resistant to cracks as

87

00:05:08,629 --> 00:05:06,479

the temperatures plummeted this super

88

00:05:11,689 --> 00:05:08,639

resistance to fracture is in stark

89

00:05:13,730 --> 00:05:11,699

contrast to most materials which only

90

00:05:16,790 --> 00:05:13,740

become more brittle in freezing

91

00:05:21,050 --> 00:05:16,800

temperatures very very cool

92

00:05:22,330 --> 00:05:21,060

check this out two adults and two

93

00:05:26,029 --> 00:05:22,340

children

94

00:05:29,510 --> 00:05:26,039

somehow escaped serious injuries after

95

00:05:31,430 --> 00:05:29,520

their Tesla plunged off a cliff along

96

00:05:35,629 --> 00:05:31,440

California's Pacific Coast Highway

97

00:05:37,930 --> 00:05:35,639

otherwise known as PCH and crashed on a

98

00:05:41,990 --> 00:05:37,940

rocky Beach

99

00:05:43,969 --> 00:05:42,000

250 feet below the incident occurred

100

00:05:47,270 --> 00:05:43,979

yesterday morning at an area called

101
00:05:49,670 --> 00:05:47,280
Devil's Slide some 20 miles south of San

102
00:05:52,189 --> 00:05:49,680
Francisco when you see the this Tesla

103
00:05:54,830 --> 00:05:52,199
and where it is sitting and the

104
00:05:57,409 --> 00:05:54,840
condition that it is in the fact that

105
00:05:58,990 --> 00:05:57,419
they all walked away is absolutely

106
00:06:02,930 --> 00:05:59,000
incredible

107
00:06:07,189 --> 00:06:02,940
ah here we go Sam bakeman freed the

108
00:06:10,310 --> 00:06:07,199
founder of bankrupt crypto exchange FTX

109
00:06:14,650 --> 00:06:10,320
has just pleaded not guilty to criminal

110
00:06:19,010 --> 00:06:14,660
charges SBF who is out on a

111
00:06:21,790 --> 00:06:19,020
250 million dollar Bond was arraigned in

112
00:06:24,409 --> 00:06:21,800
federal court in Manhattan earlier today

113
00:06:28,870 --> 00:06:24,419

flanked by attorneys with his mother

114

00:06:32,150 --> 00:06:28,880

sitting behind him attorney Mark Cohen

115

00:06:35,270 --> 00:06:32,160

entered the plea of not guilty to all

116

00:06:38,090 --> 00:06:35,280

counts he was indicted on two counts of

117

00:06:42,170 --> 00:06:38,100

wire fraud and six counts of conspiracy

118

00:06:46,150 --> 00:06:42,180

related charges last month the judge set

119

00:06:50,749 --> 00:06:46,160

a trial date for October 2nd

120

00:06:53,150 --> 00:06:50,759

2023 and that's it that's all of the

121

00:06:57,710 --> 00:06:53,160

Fade to Black breaking news you need for

122

00:07:01,969 --> 00:06:57,720

Tuesday January 3rd 2023 breaking news

123

00:07:03,529 --> 00:07:01,979

is produced by Renee Newman and I am

124

00:07:06,820 --> 00:07:03,539

Jimmy Church
