

# FADE TO BLACK

with JIMMY CHURCH

PRESENTS

CRISTINA GOMEZ

PARANORMAL HOST

THUR JAN 05 **LIVE**

7:00 PM PT/10:00PM ET

1  
00:00:23,830 --> 00:00:18,849

[Music]

2  
00:00:27,109 --> 00:00:23,840

the spoke radio for the masses of July 8

3  
00:00:29,509 --> 00:00:27,119

1947 the Army Air Forces has announced

4  
00:00:31,609 --> 00:00:29,519

that a flying disc has been found and is

5  
00:00:34,670 --> 00:00:31,619

now in the possession of the army

6  
00:00:38,389 --> 00:00:34,680

game is rigged change the game game

7  
00:00:41,630 --> 00:00:38,399

changer I occasionally think how quickly

8  
00:00:44,750 --> 00:00:41,640

hard difference is worldwide would

9  
00:00:46,750 --> 00:00:44,760

vanish if we were facing an alien threat

10  
00:00:48,560 --> 00:00:46,760

from outside this work

11  
00:00:51,069 --> 00:00:48,570

[Music]

12  
00:00:54,049 --> 00:00:51,079

[Applause]

13  
00:00:56,869 --> 00:00:54,059

this is Fade to Black with your host

14  
00:00:57,520 --> 00:00:56,879  
Jimmy Church on the game changer Radio

15  
00:00:59,569 --> 00:00:57,530  
Network

16  
00:01:00,950 --> 00:00:59,579  
[Music]

17  
00:01:04,130 --> 00:01:00,960  
thank you

18  
00:01:05,690 --> 00:01:04,140  
all right welcome Fade to Black I am

19  
00:01:07,090 --> 00:01:05,700  
your host Jimmy Church what is cracking

20  
00:01:10,570 --> 00:01:07,100  
everybody today

21  
00:01:14,149 --> 00:01:10,580  
is January 5th

22  
00:01:17,649 --> 00:01:14,159  
2023 our guest tonight is Christina

23  
00:01:19,730 --> 00:01:17,659  
Gomez the Paranormal host

24  
00:01:21,590 --> 00:01:19,740  
and uh

25  
00:01:23,570 --> 00:01:21,600  
yeah I just want to say this about

26

00:01:25,670 --> 00:01:23,580

Christina really quick uh without going

27

00:01:27,710 --> 00:01:25,680

through a really long bio but she's a

28

00:01:30,469 --> 00:01:27,720

content creator she's very busy she's

29

00:01:33,289 --> 00:01:30,479

got three four five six shows that she's

30

00:01:36,109 --> 00:01:33,299

doing a week she's now got a a music

31

00:01:39,649 --> 00:01:36,119

channel as well

32

00:01:40,749 --> 00:01:39,659

um her shows include oh man Shifting the

33

00:01:44,390 --> 00:01:40,759

Paradigm

34

00:01:46,550 --> 00:01:44,400

uh strange news or more strange news

35

00:01:49,069 --> 00:01:46,560

weekly strange news

36

00:01:52,550 --> 00:01:49,079

and uh Mysteries with the history and

37

00:01:56,450 --> 00:01:52,560

and so much more uh very busy college

38

00:01:59,149 --> 00:01:56,460

student getting it done and uh through

39

00:02:00,710 --> 00:01:59,159

all of that of course hanging out with

40

00:02:02,450 --> 00:02:00,720

us and the rest of the fader knots in

41

00:02:04,969 --> 00:02:02,460

the UFO Community the Paranormal

42

00:02:06,410 --> 00:02:04,979

Community the supernatural community and

43

00:02:09,469 --> 00:02:06,420

for her it's the pug wedgie Community

44

00:02:12,470 --> 00:02:09,479

Christina welcome back to fade to black

45

00:02:14,510 --> 00:02:12,480

how you doing thank you Jimmy like I had

46

00:02:16,850 --> 00:02:14,520

told you backstage or like how you had

47

00:02:19,190 --> 00:02:16,860

told me backstage long time no see it

48

00:02:21,110 --> 00:02:19,200

feels like forever and for people that

49

00:02:24,650 --> 00:02:21,120

don't know we co-host a show together

50

00:02:26,930 --> 00:02:24,660

every single Thursday on my channel and

51  
00:02:28,670 --> 00:02:26,940  
so I just saw him like two hours ago you

52  
00:02:31,610 --> 00:02:28,680  
know it's so funny thank you for all of

53  
00:02:33,229 --> 00:02:31,620  
that Christina and uh every Thursday I

54  
00:02:35,510 --> 00:02:33,239  
get up and

55  
00:02:38,330 --> 00:02:35,520  
um and I you know I look forward to our

56  
00:02:42,050 --> 00:02:38,340  
day but that is uh Thursdays are a very

57  
00:02:44,809 --> 00:02:42,060  
busy day you know uh we do your show uh

58  
00:02:46,910 --> 00:02:44,819  
I'm doing the live news uh and then I

59  
00:02:48,610 --> 00:02:46,920  
roll into Fade to Black and it's is

60  
00:02:51,410 --> 00:02:48,620  
back-to-back content

61  
00:02:52,610 --> 00:02:51,420  
on Thursdays it's a very busy day but I

62  
00:02:56,089 --> 00:02:52,620  
just look forward to such a cool

63  
00:02:58,550 --> 00:02:56,099

Challenge and like today

64

00:03:01,369 --> 00:02:58,560

um we did your show

65

00:03:04,250 --> 00:03:01,379

um and ran up to four o'clock you and I

66

00:03:06,530 --> 00:03:04,260

talked backstage after that and I had

67

00:03:10,430 --> 00:03:06,540

already had this the news scheduled for

68

00:03:12,050 --> 00:03:10,440

4 15. you and I stopped talking at 4 20.

69

00:03:15,710 --> 00:03:12,060

I literally

70

00:03:19,570 --> 00:03:15,720

stop that and and hit go live and rolled

71

00:03:22,610 --> 00:03:19,580

into that I've got this like whoo man

72

00:03:25,130 --> 00:03:22,620

and uh I just love Thursdays it's uh

73

00:03:27,710 --> 00:03:25,140

it's just it's so it's another day for

74

00:03:31,670 --> 00:03:27,720

you all you do is uh content creation

75

00:03:33,830 --> 00:03:31,680

and you're constantly uh doing stuff but

76

00:03:36,050 --> 00:03:33,840

uh really quick I want to say

77

00:03:39,290 --> 00:03:36,060

um uh happy holidays to everybody we are

78

00:03:44,330 --> 00:03:39,300

now rolling into firmly planted both

79

00:03:47,390 --> 00:03:44,340

feet in 2023 and although you and I did

80

00:03:49,850 --> 00:03:47,400

our first show of 2023 together earlier

81

00:03:53,270 --> 00:03:49,860

today today is our first show on Fade to

82

00:03:55,729 --> 00:03:53,280

Black together uh with you so yeah and

83

00:03:59,570 --> 00:03:55,739

uh been dealing with the weather

84

00:04:02,690 --> 00:03:59,580

um I don't know where you are at but

85

00:04:06,170 --> 00:04:02,700

um because you run in clandestine mode

86

00:04:08,570 --> 00:04:06,180

but uh I I I'm sure the weather out

87

00:04:11,570 --> 00:04:08,580

there is is starting to trip out like it

88

00:04:13,729 --> 00:04:11,580

is out here getting a lot of snow and I

89

00:04:15,949 --> 00:04:13,739

I love snow with all of my heart because

90

00:04:18,050 --> 00:04:15,959

with snow I get to watch the TV show

91

00:04:20,750 --> 00:04:18,060

Father Ted and have hot chocolate and

92

00:04:21,890 --> 00:04:20,760

popcorn like that is my ritual what I

93

00:04:25,249 --> 00:04:21,900

see snow

94

00:04:29,090 --> 00:04:25,259

what are you uh let me let me ask when

95

00:04:30,490 --> 00:04:29,100

okay so Father Ted which uh you turned

96

00:04:34,370 --> 00:04:30,500

me on too

97

00:04:36,830 --> 00:04:34,380

good what else do you watch uh do you

98

00:04:39,469 --> 00:04:36,840

watch other TV programming I honestly

99

00:04:42,170 --> 00:04:39,479

hardly have any time to watch television

100

00:04:44,270 --> 00:04:42,180

or movies it's like a little grace

101  
00:04:46,070 --> 00:04:44,280  
period for me if I'm even given the

102  
00:04:50,210 --> 00:04:46,080  
opportunity to watch any type of

103  
00:04:52,850 --> 00:04:50,220  
Television but for those that like Irish

104  
00:04:55,249 --> 00:04:52,860  
humor Father Ted is gonna be your

105  
00:04:57,610 --> 00:04:55,259  
favorite TV show of all time that's a

106  
00:05:00,890 --> 00:04:57,620  
very small community

107  
00:05:02,810 --> 00:05:00,900  
well we we can grow that Community gym

108  
00:05:06,170 --> 00:05:02,820  
yeah getting more people involved

109  
00:05:08,030 --> 00:05:06,180  
because it's great yeah Father Ted

110  
00:05:10,610 --> 00:05:08,040  
um you know what I'm watching right now

111  
00:05:12,770 --> 00:05:10,620  
I'm in the middle of and I'm really

112  
00:05:15,950 --> 00:05:12,780  
digging it I know this is gonna sound

113  
00:05:19,070 --> 00:05:15,960

strange Disney's

114

00:05:22,249 --> 00:05:19,080

National Treasure they've got a TV

115

00:05:27,110 --> 00:05:22,259

series out now no way and you remember

116

00:05:29,749 --> 00:05:27,120

the uh Nicholas Cage uh the first one

117

00:05:31,550 --> 00:05:29,759

was really good uh yeah but the first

118

00:05:35,810 --> 00:05:31,560

one was really good

119

00:05:38,150 --> 00:05:35,820

um so yes uh now this is Nicholas Cage

120

00:05:39,950 --> 00:05:38,160

is not in this this is a bunch of uh

121

00:05:41,210 --> 00:05:39,960

Disney kids

122

00:05:45,110 --> 00:05:41,220

but it's actually

123

00:05:47,150 --> 00:05:45,120

really really really good and they're in

124

00:05:50,629 --> 00:05:47,160

this I don't you find out in the first

125

00:05:53,090 --> 00:05:50,639

episode I think I'm on episode seven or

126

00:05:53,689 --> 00:05:53,100

yeah you know it's weekly

127

00:05:56,330 --> 00:05:53,699

um

128

00:05:58,090 --> 00:05:56,340

the Mayan codexes

129

00:06:00,650 --> 00:05:58,100

and that's what they're putting together

130

00:06:03,650 --> 00:06:00,660

you know the and there's four of them

131

00:06:05,810 --> 00:06:03,660

and they're searching for those and the

132

00:06:07,370 --> 00:06:05,820

weirdest thing about this a couple of

133

00:06:10,070 --> 00:06:07,380

episodes ago I couldn't believe this

134

00:06:12,290 --> 00:06:10,080

they went to Graceland Elvis Presley's

135

00:06:16,070 --> 00:06:12,300

house because apparently there was a

136

00:06:17,810 --> 00:06:16,080

clue left by Elvis before he died at

137

00:06:20,270 --> 00:06:17,820

Graceland so they had to go to great and

138

00:06:22,850 --> 00:06:20,280

I thought wow so I got Mayans

139

00:06:24,650 --> 00:06:22,860

and Elvis Presley what what is not to

140

00:06:26,809 --> 00:06:24,660

love about National Treasure so

141

00:06:28,129 --> 00:06:26,819

everybody should go check it out it's

142

00:06:31,850 --> 00:06:28,139

good fun

143

00:06:33,710 --> 00:06:31,860

it sounds uh what was that kid's book

144

00:06:35,390 --> 00:06:33,720

that was full of like really bizarre

145

00:06:38,749 --> 00:06:35,400

Mysteries it was a brother and a sister

146

00:06:44,450 --> 00:06:41,930

that was Every Kid's book

147

00:06:46,309 --> 00:06:44,460

well it sounds it sounds like that and

148

00:06:48,950 --> 00:06:46,319

it's just like a wax door you get all

149

00:06:50,330 --> 00:06:48,960

these weird combinations of mysteries

150

00:06:52,550 --> 00:06:50,340

you put it in a book and then everyone

151

00:06:55,129 --> 00:06:52,560

loves it but I I haven't I haven't

152

00:06:58,930 --> 00:06:55,139

watched that on Disney it sounds

153

00:07:06,170 --> 00:07:02,930

it's really good it's look it's campy

154

00:07:07,969 --> 00:07:06,180

there's no potty mouth languages there's

155

00:07:10,430 --> 00:07:07,979

nothing to do you know there's no drug

156

00:07:12,409 --> 00:07:10,440

use there's and in other words it's the

157

00:07:16,309 --> 00:07:12,419

opposite of America right so you don't

158

00:07:19,969 --> 00:07:16,319

have it's like this storybook uh version

159

00:07:22,850 --> 00:07:19,979

uh painting of of the youth today but

160

00:07:24,950 --> 00:07:22,860

anyway it's John John says Magic Tree

161

00:07:29,089 --> 00:07:24,960

House I think that is that is the book

162

00:07:29,930 --> 00:07:29,099

series yes of course yeah yeah who did

163

00:07:40,969 --> 00:07:29,940

that

164

00:07:42,710 --> 00:07:40,979

um I I don't know how much I don't

165

00:07:45,230 --> 00:07:42,720

remember much either

166

00:07:49,309 --> 00:07:45,240

um going back when I first had you on as

167

00:07:51,770 --> 00:07:49,319

a guest uh here on Fade to Black but

168

00:07:55,790 --> 00:07:51,780

um one of the things I want to visit

169

00:07:57,430 --> 00:07:55,800

your attitude from back then because

170

00:08:01,850 --> 00:07:57,440

um I remember

171

00:08:04,670 --> 00:08:01,860

asking you uh your opinions on a few

172

00:08:06,950 --> 00:08:04,680

different UFO cases and UFOs in general

173

00:08:08,809 --> 00:08:06,960

and you were Adam and you're like man my

174

00:08:11,589 --> 00:08:08,819

opinion doesn't matter I'm not giving

175

00:08:16,010 --> 00:08:11,599

you my opinion on nothing

176  
00:08:18,469 --> 00:08:16,020  
how has that changed today it seems to

177  
00:08:21,589 --> 00:08:18,479  
me from the outside looking in I can't

178  
00:08:24,469 --> 00:08:21,599  
stop your opinions now what what has

179  
00:08:26,570 --> 00:08:24,479  
changed that is not true what has

180  
00:08:29,210 --> 00:08:26,580  
changed there there you go

181  
00:08:31,610 --> 00:08:29,220  
um what has changed uh between now and

182  
00:08:34,370 --> 00:08:31,620  
then so there's no real change in the

183  
00:08:36,949 --> 00:08:34,380  
aspect of if someone asks for my opinion

184  
00:08:38,810 --> 00:08:36,959  
I'm kind of like I don't like giving my

185  
00:08:40,810 --> 00:08:38,820  
opinion because even today I've only

186  
00:08:43,909 --> 00:08:40,820  
been doing research for about two years

187  
00:08:46,010 --> 00:08:43,919  
in the topics of The Unexplained which

188  
00:08:48,530 --> 00:08:46,020

originally started with UFOs and it

189

00:08:50,930 --> 00:08:48,540

sprouted out into everything else that I

190

00:08:53,150 --> 00:08:50,940

didn't expect two years ago but when it

191

00:08:55,790 --> 00:08:53,160

comes to opinions they're consistently

192

00:08:57,769 --> 00:08:55,800

changing with every new book every new

193

00:09:02,810 --> 00:08:57,779

documentary every new article I come

194

00:09:04,730 --> 00:09:02,820

across so while I am better at piecing

195

00:09:06,530 --> 00:09:04,740

stories together that I have done

196

00:09:08,090 --> 00:09:06,540

through research especially with the

197

00:09:09,710 --> 00:09:08,100

shows that we have done on Mysteries

198

00:09:12,710 --> 00:09:09,720

with the history which is a

199

00:09:14,870 --> 00:09:12,720

which we we focus on one specific topic

200

00:09:17,170 --> 00:09:14,880

per show for what's been like a year and

201  
00:09:19,970 --> 00:09:17,180  
a little bit now which is insane

202  
00:09:23,090 --> 00:09:19,980  
I'm I'm able to

203  
00:09:25,850 --> 00:09:23,100  
add into a conversation but when when it

204  
00:09:27,889 --> 00:09:25,860  
comes to opinions I still am not too

205  
00:09:29,710 --> 00:09:27,899  
fond of sharing those

206  
00:09:34,250 --> 00:09:29,720  
stick with the facts

207  
00:09:37,150 --> 00:09:34,260  
okay but that's on your show

208  
00:09:42,530 --> 00:09:37,160  
this you are now a guest on

209  
00:09:43,790 --> 00:09:42,540  
my show and this is where I ask your

210  
00:09:46,250 --> 00:09:43,800  
opinion

211  
00:09:48,710 --> 00:09:46,260  
see you don't get to use that you can't

212  
00:09:50,870 --> 00:09:48,720  
use that as a pass card to get out of uh

213  
00:09:53,389 --> 00:09:50,880

of a question now

214

00:09:55,190 --> 00:09:53,399

um because your opinion does matter and

215

00:09:57,130 --> 00:09:55,200

and and here we're trying to figure out

216

00:10:02,110 --> 00:09:57,140

things about you

217

00:10:04,550 --> 00:10:02,120

so with that what's your opinion on uh

218

00:10:06,530 --> 00:10:04,560

on Pock wedgies are the absolute best

219

00:10:08,210 --> 00:10:06,540

cryptid on the planet right right now

220

00:10:09,610 --> 00:10:08,220

see that's not an opinion now we're

221

00:10:14,650 --> 00:10:09,620

getting into facts

222

00:10:18,730 --> 00:10:14,660

those are facts there you go do you

223

00:10:23,870 --> 00:10:18,740

uh do you believe

224

00:10:26,930 --> 00:10:23,880

that we are being visited right now as

225

00:10:29,509 --> 00:10:26,940

you and I talk right right now by an

226

00:10:32,750 --> 00:10:29,519

extraterrestrial civilization from out

227

00:10:37,570 --> 00:10:34,670

find it to that possibility especially

228

00:10:40,070 --> 00:10:37,580

with so many contacty and experiencer

229

00:10:43,490 --> 00:10:40,080

comments and stories that have been

230

00:10:44,750 --> 00:10:43,500

relayed over the centuries really and

231

00:10:46,370 --> 00:10:44,760

now more than ever with the internet

232

00:10:49,730 --> 00:10:46,380

that we have

233

00:10:52,430 --> 00:10:49,740

people are more easily able to express

234

00:10:54,350 --> 00:10:52,440

their stories and their encounters and

235

00:10:56,870 --> 00:10:54,360

it seems like a lot of them maybe not

236

00:10:59,269 --> 00:10:56,880

all of them but a lot of them truly

237

00:11:01,670 --> 00:10:59,279

believe that they're being contacted by

238

00:11:03,769 --> 00:11:01,680

extraterrestrials that which in that

239

00:11:07,910 --> 00:11:03,779

title defines that they're not from this

240

00:11:10,670 --> 00:11:07,920

planet and is that possible absolutely I

241

00:11:13,490 --> 00:11:10,680

don't see why not but I think that the

242

00:11:18,410 --> 00:11:13,500

universe is teeming with life

243

00:11:20,930 --> 00:11:18,420

so okay okay okay but open to the

244

00:11:22,150 --> 00:11:20,940

possibility we're all open to the

245

00:11:26,750 --> 00:11:22,160

possibility

246

00:11:28,610 --> 00:11:26,760

I'm asking you do you believe it's like

247

00:11:31,490 --> 00:11:28,620

a yes or no question are we being

248

00:11:32,750 --> 00:11:31,500

visited today by extraterrestrials or

249

00:11:34,730 --> 00:11:32,760

not

250

00:11:36,170 --> 00:11:34,740

because I don't have that information in

251  
00:11:39,290 --> 00:11:36,180  
front of me I don't have the data I

252  
00:11:42,889 --> 00:11:39,300  
simply cannot give an answer on that but

253  
00:11:45,050 --> 00:11:42,899  
there is life that could be so much

254  
00:11:47,030 --> 00:11:45,060  
older than us that could be visiting us

255  
00:11:48,710 --> 00:11:47,040  
that could have the most advanced

256  
00:11:50,690 --> 00:11:48,720  
technology to where they don't have to

257  
00:11:52,910 --> 00:11:50,700  
travel at light speed but can use

258  
00:11:56,509 --> 00:11:52,920  
portals and wormholes to travel from

259  
00:11:58,250 --> 00:11:56,519  
point A to point B but that answer you

260  
00:12:00,050 --> 00:11:58,260  
can apply to every question that I'm

261  
00:12:02,750 --> 00:12:00,060  
going to ask tonight

262  
00:12:07,790 --> 00:12:02,760  
see it's gonna be a fun night yeah it is

263  
00:12:11,509 --> 00:12:07,800

it is and so uh how did do you think

264

00:12:14,449 --> 00:12:11,519

that uh there was

265

00:12:16,250 --> 00:12:14,459

some other assistance in building the

266

00:12:18,949 --> 00:12:16,260

Great Pyramid or do you think that the

267

00:12:21,710 --> 00:12:18,959

Egyptians just did it on their own

268

00:12:25,310 --> 00:12:21,720

willy-nilly

269

00:12:27,590 --> 00:12:25,320

so when it comes to the Great Pyramids

270

00:12:28,970 --> 00:12:27,600

of Egypt and a few other pyramids across

271

00:12:31,310 --> 00:12:28,980

the globe

272

00:12:33,769 --> 00:12:31,320

in the time period that it was created

273

00:12:36,410 --> 00:12:33,779

in it makes you take a step back in

274

00:12:42,050 --> 00:12:36,420

question did just humans

275

00:12:44,150 --> 00:12:42,060

create this and when I looked into and

276  
00:12:46,670 --> 00:12:44,160  
now the Temple's escaping me but it was

277  
00:12:48,610 --> 00:12:46,680  
one in Mexico the one that's dedicated

278  
00:12:52,250 --> 00:12:48,620  
to the serpent God

279  
00:12:53,870 --> 00:12:52,260  
I can't eat pizza is it that one well

280  
00:12:57,530 --> 00:12:53,880  
I'm not sure well anyways at the

281  
00:13:00,670 --> 00:12:57,540  
entrance of uh getting into to look at

282  
00:13:04,190 --> 00:13:00,680  
the pyramid it literally said in Spanish

283  
00:13:05,750 --> 00:13:04,200  
this Temple was not made by aliens like

284  
00:13:08,990 --> 00:13:05,760  
right when you enter and purchase your

285  
00:13:11,569 --> 00:13:09,000  
tickets and while you have a lot of

286  
00:13:14,389 --> 00:13:11,579  
archaeologists that think that Humanity

287  
00:13:17,030 --> 00:13:14,399  
made these things with time and effort

288  
00:13:19,610 --> 00:13:17,040

there are those very specifically in our

289

00:13:21,710 --> 00:13:19,620

community in the UFO field

290

00:13:24,590 --> 00:13:21,720

that think that

291

00:13:28,970 --> 00:13:24,600

with the time that it took the Manpower

292

00:13:32,750 --> 00:13:28,980

that it required it seems almost

293

00:13:36,410 --> 00:13:32,760

difficult to believe but human Ingenuity

294

00:13:39,710 --> 00:13:36,420

and the ability to invent right they it

295

00:13:41,930 --> 00:13:39,720

it do amazing things so I don't ignore

296

00:13:44,509 --> 00:13:41,940

that fact where

297

00:13:47,449 --> 00:13:44,519

um ancient Mysteries are concerned is it

298

00:13:51,410 --> 00:13:47,459

aliens I'm not sure but I'm open-minded

299

00:13:54,110 --> 00:13:51,420

to that possibility as well now okay and

300

00:13:56,269 --> 00:13:54,120

this is where I find this subject really

301  
00:13:58,250 --> 00:13:56,279  
really fascinating

302  
00:14:00,650 --> 00:13:58,260  
um because

303  
00:14:02,509 --> 00:14:00,660  
I don't think it was aliens either I

304  
00:14:03,949 --> 00:14:02,519  
mean impossible everything's possible

305  
00:14:05,449 --> 00:14:03,959  
but

306  
00:14:10,310 --> 00:14:05,459  
somebody

307  
00:14:12,110 --> 00:14:10,320  
with knowledge on how to do these things

308  
00:14:13,790 --> 00:14:12,120  
it's the engineering it's the coring

309  
00:14:15,530 --> 00:14:13,800  
it's the carving it's the cutting it's

310  
00:14:17,629 --> 00:14:15,540  
the movement it's the transportation

311  
00:14:21,350 --> 00:14:17,639  
it's all of that and then you have all

312  
00:14:24,530 --> 00:14:21,360  
of the math and and uh the archaea uh

313  
00:14:25,850 --> 00:14:24,540

the uh architecture side of it where

314

00:14:27,949 --> 00:14:25,860

you're building these things you know

315

00:14:30,650 --> 00:14:27,959

pointing in a specific Direction and how

316

00:14:33,650 --> 00:14:30,660

do you level the the ground all of that

317

00:14:36,949 --> 00:14:33,660

right is it seems that

318

00:14:39,410 --> 00:14:36,959

somebody was instructing right somebody

319

00:14:40,850 --> 00:14:39,420

was teaching somebody was showing where

320

00:14:43,610 --> 00:14:40,860

did they come from

321

00:14:45,769 --> 00:14:43,620

and is it possible you know without

322

00:14:47,930 --> 00:14:45,779

going into Atlantis or something but was

323

00:14:51,710 --> 00:14:47,940

there another civilization roaming the

324

00:14:54,050 --> 00:14:51,720

Earth uh that survived that was Advanced

325

00:14:56,930 --> 00:14:54,060

and then they come across a culture like

326  
00:14:58,610 --> 00:14:56,940  
the Egyptians or Mesopotamia and you go

327  
00:14:59,689 --> 00:14:58,620  
into ancient Sumer and you see where

328  
00:15:01,790 --> 00:14:59,699  
they're at and they're going you know

329  
00:15:02,750 --> 00:15:01,800  
what here this is how you build a good

330  
00:15:06,829 --> 00:15:02,760  
road

331  
00:15:10,370 --> 00:15:06,839  
this is how you do some math this is how

332  
00:15:12,170 --> 00:15:10,380  
this is some engineering techniques

333  
00:15:14,210 --> 00:15:12,180  
um that's what I think went on

334  
00:15:17,329 --> 00:15:14,220  
well when we look at some of the

335  
00:15:19,730 --> 00:15:17,339  
sculptures that have been depicted in

336  
00:15:22,550 --> 00:15:19,740  
Mesopotamia and looking at what are now

337  
00:15:25,129 --> 00:15:22,560  
classified as the Anunnaki there are so

338  
00:15:26,329 --> 00:15:25,139

many specialists in the field that look

339

00:15:31,449 --> 00:15:26,339

at these

340

00:15:34,790 --> 00:15:31,459

Giants that have those perfect

341

00:15:38,689 --> 00:15:34,800

rectangular beards are carrying a pine

342

00:15:41,150 --> 00:15:38,699

cone and a handbag is that as if they're

343

00:15:43,030 --> 00:15:41,160

passing their ancient alien knowledge

344

00:15:47,030 --> 00:15:43,040

over to humanity

345

00:15:50,150 --> 00:15:47,040

is that a possibility I think it is

346

00:15:52,490 --> 00:15:50,160

um but with what you stated I wonder the

347

00:15:55,370 --> 00:15:52,500

exact same thing a civilization that

348

00:15:57,650 --> 00:15:55,380

existed during the Ice Age on the

349

00:16:01,189 --> 00:15:57,660

equator tropical zones which are now

350

00:16:04,430 --> 00:16:01,199

underwater why not it would make sense

351  
00:16:07,750 --> 00:16:04,440  
for a lot of the strange mysteries from

352  
00:16:11,210 --> 00:16:07,760  
the past to be buried with those ruins

353  
00:16:13,670 --> 00:16:11,220  
and as we know only what 15 to 20

354  
00:16:15,949 --> 00:16:13,680  
percent of our ocean have been mapped

355  
00:16:19,370 --> 00:16:15,959  
scanned and discovered that still leaves

356  
00:16:21,350 --> 00:16:19,380  
80 percent totally in the unknown so not

357  
00:16:23,629 --> 00:16:21,360  
only is the ocean a total Monster Soup

358  
00:16:25,790 --> 00:16:23,639  
we have no idea what monsters live in

359  
00:16:29,689 --> 00:16:25,800  
there but also there's a lot of

360  
00:16:31,490 --> 00:16:29,699  
potential lost human history that are

361  
00:16:33,949 --> 00:16:31,500  
beneath our oceans

362  
00:16:36,470 --> 00:16:33,959  
so when you enter the plaza at the

363  
00:16:39,230 --> 00:16:36,480

Vatican right and you're now on the

364

00:16:41,269 --> 00:16:39,240

Vatican property at Giant Plaza in the

365

00:16:43,370 --> 00:16:41,279

center of the statute guess what the

366

00:16:45,949 --> 00:16:43,380

statue is of

367

00:16:47,030 --> 00:16:45,959

I think you said it's a pine cone a pine

368

00:16:54,050 --> 00:16:47,040

cone

369

00:16:57,470 --> 00:16:54,060

right it's like explain that's all I

370

00:17:00,769 --> 00:16:57,480

just I just need some help why why that

371

00:17:04,789 --> 00:17:00,779

you know it's not it's not Jesus you

372

00:17:07,250 --> 00:17:04,799

know it's not that uh it's it's a

373

00:17:11,329 --> 00:17:07,260

pine cone yeah it's it's that's pretty

374

00:17:13,730 --> 00:17:11,339

weird it's uh it's very strange so if we

375

00:17:18,949 --> 00:17:13,740

um go with this pine cone and the purses

376

00:17:21,470 --> 00:17:18,959

right those purses have been seen on I

377

00:17:23,809 --> 00:17:21,480

believe every continent maybe except for

378

00:17:25,850 --> 00:17:23,819

Antarctica but that's next

379

00:17:26,929 --> 00:17:25,860

um those purses have been on every

380

00:17:29,810 --> 00:17:26,939

continent

381

00:17:32,330 --> 00:17:29,820

what do you think is in them

382

00:17:33,890 --> 00:17:32,340

from the research that I've done I know

383

00:17:36,470 --> 00:17:33,900

that we talked about this in the

384

00:17:39,409 --> 00:17:36,480

mysteries of India where we talked about

385

00:17:41,029 --> 00:17:39,419

handbags as well and Shiva carrying one

386

00:17:43,070 --> 00:17:41,039

of those handbags

387

00:17:45,350 --> 00:17:43,080

um one of the Gods of the trimorety for

388

00:17:47,690 --> 00:17:45,360

those that may not be familiar with it

389

00:17:50,210 --> 00:17:47,700

you're right it is consistent across

390

00:17:52,430 --> 00:17:50,220

cultures and the question is why what

391

00:17:55,730 --> 00:17:52,440

does it represent is it just carrying

392

00:17:58,909 --> 00:17:55,740

some cosmetics in a snack or is it care

393

00:18:02,150 --> 00:17:58,919

or is it more symbolic of it's passing

394

00:18:04,610 --> 00:18:02,160

down knowledge like some people assume

395

00:18:08,029 --> 00:18:04,620

that have looked into these ancient

396

00:18:11,390 --> 00:18:08,039

sculptures for decades we're still in

397

00:18:14,210 --> 00:18:11,400

that mode of speculation and anyone

398

00:18:15,950 --> 00:18:14,220

claims that they have the answers sorry

399

00:18:18,830 --> 00:18:15,960

to break it to you but they don't

400

00:18:21,169 --> 00:18:18,840

they're merely speculating they there

401

00:18:25,010 --> 00:18:21,179

isn't any book that states for a fact

402

00:18:26,950 --> 00:18:25,020

what those bags entail but I think that

403

00:18:30,110 --> 00:18:26,960

because it's being

404

00:18:32,390 --> 00:18:30,120

portrayed across cultures hopefully it

405

00:18:35,210 --> 00:18:32,400

would have a universal meaning and I

406

00:18:37,789 --> 00:18:35,220

would like to think that it is passing

407

00:18:40,850 --> 00:18:37,799

down knowledge more so than just a nice

408

00:18:45,289 --> 00:18:40,860

accessory to add to your deities yeah

409

00:18:47,510 --> 00:18:45,299

yeah for sure but they are a really they

410

00:18:52,130 --> 00:18:47,520

are accessorized uh pretty nice I mean

411

00:18:54,350 --> 00:18:52,140

the hair the Beards uh the clothing uh

412

00:18:58,970 --> 00:18:54,360

nice shoes too as well but that bag

413

00:19:01,310 --> 00:18:58,980

stands out and when we look at uh and

414

00:19:04,850 --> 00:19:01,320

certainly through your research

415

00:19:08,570 --> 00:19:04,860

um when we look at the timing of these

416

00:19:12,710 --> 00:19:08,580

uh carvings this art this wall art

417

00:19:16,430 --> 00:19:12,720

um that's one thing and the Anunnaki and

418

00:19:20,690 --> 00:19:16,440

that story and sitchin's version of the

419

00:19:23,330 --> 00:19:20,700

Anunnaki were going back 200 to 400 000

420

00:19:24,470 --> 00:19:23,340

years right so that's that's that's a

421

00:19:27,529 --> 00:19:24,480

long time

422

00:19:30,110 --> 00:19:27,539

and we need to leave that part for

423

00:19:35,810 --> 00:19:30,120

another conversation but if we talk

424

00:19:37,190 --> 00:19:35,820

about those handbags at 3000 BC 2000 BC

425

00:19:38,690 --> 00:19:37,200

that's a long time ago it's five

426  
00:19:43,029 --> 00:19:38,700  
thousand years four thousand years right

427  
00:19:46,130 --> 00:19:43,039  
and then we go to go back Lee Tepe

428  
00:19:49,490 --> 00:19:46,140  
yeah and that's what the you know five

429  
00:19:52,310 --> 00:19:49,500  
to seven thousand year Gap and that's

430  
00:19:55,789 --> 00:19:52,320  
not a coincidence isn't it uh is it so

431  
00:20:00,049 --> 00:19:55,799  
what what could possibly because they

432  
00:20:02,930 --> 00:20:00,059  
are depicted exactly the same which is

433  
00:20:05,810 --> 00:20:02,940  
another really weird detail while we are

434  
00:20:08,930 --> 00:20:05,820  
aware that across cultures their style

435  
00:20:11,210 --> 00:20:08,940  
differs especially during time periods

436  
00:20:14,270 --> 00:20:11,220  
as well but when we look at the handbags

437  
00:20:16,010 --> 00:20:14,280  
it's a very simplistic rectangle and

438  
00:20:17,390 --> 00:20:16,020

then a little handle which is a

439

00:20:20,090 --> 00:20:17,400

semi-circle and that's all you're

440

00:20:23,090 --> 00:20:20,100

getting there isn't from what I've seen

441

00:20:25,370 --> 00:20:23,100

there isn't any details

442

00:20:29,210 --> 00:20:25,380

etched into the handbag it's very

443

00:20:30,830 --> 00:20:29,220

simplistic and the question is why why

444

00:20:33,409 --> 00:20:30,840

are all of these cultures and different

445

00:20:36,230 --> 00:20:33,419

points in time creating the exact same

446

00:20:38,570 --> 00:20:36,240

thing when people believe that there

447

00:20:40,490 --> 00:20:38,580

wasn't any communication between

448

00:20:42,049 --> 00:20:40,500

countries on different parts of the

449

00:20:44,450 --> 00:20:42,059

world opposite ends

450

00:20:46,310 --> 00:20:44,460

now could there have been communication

451  
00:20:47,450 --> 00:20:46,320  
on opposite ends of the world in a time

452  
00:20:48,650 --> 00:20:47,460  
period where we didn't think that was

453  
00:20:52,250 --> 00:20:48,660  
possible

454  
00:20:53,990 --> 00:20:52,260  
maybe and then we can go from there and

455  
00:20:56,330 --> 00:20:54,000  
do all this speculation and even jump

456  
00:20:58,970 --> 00:20:56,340  
into conspiracy theories but when

457  
00:21:01,430 --> 00:20:58,980  
looking at the handbags

458  
00:21:04,669 --> 00:21:01,440  
um it could have even been regarded to

459  
00:21:06,350 --> 00:21:04,679  
trade or how they were able to get these

460  
00:21:08,210 --> 00:21:06,360  
depictions could have been from a

461  
00:21:10,250 --> 00:21:08,220  
passing of Knowledge from one culture to

462  
00:21:14,990 --> 00:21:10,260  
another through trade or old

463  
00:21:17,150 --> 00:21:15,000

civilizations doing trade as well so I

464

00:21:19,250 --> 00:21:17,160

think it's really interesting that all

465

00:21:22,930 --> 00:21:19,260

of these handbags are super simple

466

00:21:25,870 --> 00:21:22,940

they're they're they're not these

467

00:21:28,190 --> 00:21:25,880

delicate Exquisite

468

00:21:30,049 --> 00:21:28,200

handbags that you would assume with the

469

00:21:33,529 --> 00:21:30,059

other carvings that have been presented

470

00:21:35,510 --> 00:21:33,539

right next to those handbags but I think

471

00:21:37,549 --> 00:21:35,520

that there needs to be at least on my

472

00:21:39,310 --> 00:21:37,559

behalf more research done on those

473

00:21:42,649 --> 00:21:39,320

things

474

00:21:45,710 --> 00:21:42,659

the the stuff that's around the world

475

00:21:47,690 --> 00:21:45,720

and and today we did a lot of Aboriginal

476

00:21:51,169 --> 00:21:47,700

discussion too as well you know we're

477

00:21:53,690 --> 00:21:51,179

talking about 30 40 50 000 years old uh

478

00:21:57,049 --> 00:21:53,700

that culture there in Australia but when

479

00:22:00,529 --> 00:21:57,059

we look around the world we can see

480

00:22:02,090 --> 00:22:00,539

uh the ancient stuff and it it exists

481

00:22:05,390 --> 00:22:02,100

everywhere and you think about what's

482

00:22:07,789 --> 00:22:05,400

going on uh not only in the Middle East

483

00:22:11,090 --> 00:22:07,799

and Egypt and Iraq and Syria and Jordan

484

00:22:14,630 --> 00:22:11,100

and and Israel but we've got China we've

485

00:22:16,250 --> 00:22:14,640

got Russia we've got Japan uh where old

486

00:22:19,010 --> 00:22:16,260

established things are there and you can

487

00:22:23,029 --> 00:22:19,020

go and see them but we

488

00:22:26,210 --> 00:22:23,039

um we are finding out now that North

489

00:22:28,430 --> 00:22:26,220

America Central and South America you

490

00:22:31,250 --> 00:22:28,440

know certainly there but North America

491

00:22:34,310 --> 00:22:31,260

there was never nothing to see here

492

00:22:36,649 --> 00:22:34,320

right there was not there was just and

493

00:22:39,850 --> 00:22:36,659

it's turning out to be one of the most

494

00:22:43,850 --> 00:22:39,860

interesting places to go and see things

495

00:22:45,470 --> 00:22:43,860

right here in in the good old USFA

496

00:22:48,110 --> 00:22:45,480

you're absolutely right I mean look at

497

00:22:50,090 --> 00:22:48,120

Yosemite Park that's amazing

498

00:22:52,610 --> 00:22:50,100

we can look at the Grand Canyon we can

499

00:22:54,649 --> 00:22:52,620

look at the Great Lakes we can even just

500

00:22:57,409 --> 00:22:54,659

go to Washington as a whole because

501  
00:23:00,710 --> 00:22:57,419  
that's just entirely Bigfoot country you

502  
00:23:03,110 --> 00:23:00,720  
can go to Maine and get that incredible

503  
00:23:04,789 --> 00:23:03,120  
snow but also some interesting types of

504  
00:23:07,549 --> 00:23:04,799  
Cryptids and UFO sightings and

505  
00:23:10,789 --> 00:23:07,559  
paranormal encounters as well you can go

506  
00:23:13,370 --> 00:23:10,799  
to the the the central of America and

507  
00:23:15,649 --> 00:23:13,380  
it's just flat land but incredible for

508  
00:23:17,810 --> 00:23:15,659  
farming so you're absolutely right when

509  
00:23:21,049 --> 00:23:17,820  
it comes to the States you have anything

510  
00:23:23,169 --> 00:23:21,059  
and everything and there's a lot of

511  
00:23:27,350 --> 00:23:23,179  
myths and legends regarding the land

512  
00:23:29,210 --> 00:23:27,360  
yeah well you've got Serpent Mound which

513  
00:23:30,890 --> 00:23:29,220

is crazy and it's not the only Serpent

514

00:23:32,930 --> 00:23:30,900

Mound you know there's many but The

515

00:23:36,110 --> 00:23:32,940

Serpent Mound in Ohio is absolutely

516

00:23:39,590 --> 00:23:36,120

incredible but when you um when you go

517

00:23:42,169 --> 00:23:39,600

uh to an ancient site certainly you know

518

00:23:45,169 --> 00:23:42,179

Egypt comes to mind for everybody and

519

00:23:48,890 --> 00:23:45,179

you look at the hieroglyph uh carvings

520

00:23:51,430 --> 00:23:48,900

and and the amazement of that and then

521

00:23:54,310 --> 00:23:51,440

you go to say Laughlin Nevada

522

00:23:59,510 --> 00:23:54,320

and right there right outside of town

523

00:24:01,130 --> 00:23:59,520

are 20 25 100 year old petroglyphs and

524

00:24:03,529 --> 00:24:01,140

they still don't even really know how

525

00:24:06,470 --> 00:24:03,539

old they are carved into this Canyon

526  
00:24:07,909 --> 00:24:06,480  
there's hundreds of them and you go and

527  
00:24:10,510 --> 00:24:07,919  
you look at that it's right here it's

528  
00:24:14,390 --> 00:24:10,520  
right here in the United States some

529  
00:24:18,770 --> 00:24:14,400  
ancient indigenous culture carve that

530  
00:24:24,350 --> 00:24:21,890  
yeah you're you're you're right and it

531  
00:24:26,990 --> 00:24:24,360  
goes to show that as you had mentioned

532  
00:24:29,090 --> 00:24:27,000  
when it comes to looking at the United

533  
00:24:31,070 --> 00:24:29,100  
States it's a little bit more ancient

534  
00:24:34,010 --> 00:24:31,080  
Than People expect there's so many

535  
00:24:35,270 --> 00:24:34,020  
Mysteries that are taking place right

536  
00:24:38,390 --> 00:24:35,280  
here and while it might not be

537  
00:24:41,330 --> 00:24:38,400  
classified as an old country it does

538  
00:24:44,890 --> 00:24:41,340

still have that intense history like

539

00:24:49,010 --> 00:24:44,900

every other country does

540

00:24:52,610 --> 00:24:49,020

Chaco Canyon right the Anasazi oh my

541

00:24:54,830 --> 00:24:52,620

gosh yes right you know and if you want

542

00:24:57,230 --> 00:24:54,840

it we could talk about the Anunnaki and

543

00:24:59,210 --> 00:24:57,240

Sumerian Tablets in ancient history and

544

00:25:01,430 --> 00:24:59,220

altering of DNA we could talk about all

545

00:25:04,430 --> 00:25:01,440

that it's a great story

546

00:25:07,850 --> 00:25:04,440

and then you've got Chaco Canyon right

547

00:25:10,130 --> 00:25:07,860

here or the Anasazi said they came from

548

00:25:13,789 --> 00:25:10,140

the stars and they needed to go back and

549

00:25:17,029 --> 00:25:13,799

they disappeared and Chaco Canyon is

550

00:25:18,770 --> 00:25:17,039

just as elegant as any megalithic site

551  
00:25:22,130 --> 00:25:18,780  
on the planet

552  
00:25:24,529 --> 00:25:22,140  
it is such a cool location the glyphs

553  
00:25:26,570 --> 00:25:24,539  
are incredible John Dover has done

554  
00:25:30,169 --> 00:25:26,580  
extensive research there he's a retired

555  
00:25:32,510 --> 00:25:30,179  
Navajo Ranger I am aware there was a

556  
00:25:34,250 --> 00:25:32,520  
episode and I haven't seen it in so long

557  
00:25:35,690 --> 00:25:34,260  
but there was an episode I believe it

558  
00:25:40,370 --> 00:25:35,700  
was on

559  
00:25:43,549 --> 00:25:40,380  
but there was a researcher that went

560  
00:25:47,029 --> 00:25:43,559  
into choco Canyon and was able to

561  
00:25:49,549 --> 00:25:47,039  
to measure a time dilation right there

562  
00:25:51,529 --> 00:25:49,559  
it was off by like 0.2 seconds 0.3

563  
00:25:55,730 --> 00:25:51,539

seconds or something like that between

564

00:25:58,730 --> 00:25:55,740

just in inside inside of where this play

565

00:26:01,549 --> 00:25:58,740

this town was and then just outside of

566

00:26:03,350 --> 00:26:01,559

it and I found that really interesting

567

00:26:05,810 --> 00:26:03,360

because time should not be able to

568

00:26:08,690 --> 00:26:05,820

fluctuate like that right next to each

569

00:26:10,669 --> 00:26:08,700

other just actually in general but I I

570

00:26:13,610 --> 00:26:10,679

don't know if you know what TV show I'm

571

00:26:15,529 --> 00:26:13,620

talking about but it stuck with me but

572

00:26:19,370 --> 00:26:15,539

the faces are blurry

573

00:26:21,409 --> 00:26:19,380

now when you another curious thing that

574

00:26:25,250 --> 00:26:21,419

I have uh you've been you've been at

575

00:26:27,649 --> 00:26:25,260

this now uh for a couple of years do you

576

00:26:31,850 --> 00:26:27,659

have a favorite UFO case

577

00:26:33,529 --> 00:26:31,860

ah I do I do and and I've said this so

578

00:26:37,310 --> 00:26:33,539

many times on the show that we do

579

00:26:40,610 --> 00:26:37,320

together and that is the caloriz Brazil

580

00:26:42,529 --> 00:26:40,620

incident in 1977. that one is my

581

00:26:49,250 --> 00:26:42,539

absolute favorite case

582

00:26:52,070 --> 00:26:49,260

and why well the reason to that was it's

583

00:26:54,490 --> 00:26:52,080

one it's probably the only story that

584

00:26:59,330 --> 00:26:54,500

I've come across so far

585

00:27:01,789 --> 00:26:59,340

where you have a mass sighting for six

586

00:27:04,490 --> 00:27:01,799

months every single night at the exact

587

00:27:07,669 --> 00:27:04,500

same time between seven and eight pm

588

00:27:10,310 --> 00:27:07,679

multiple people get injured two people

589

00:27:13,190 --> 00:27:10,320

die because of these encounters because

590

00:27:17,110 --> 00:27:13,200

of these craft that are visiting this

591

00:27:21,529 --> 00:27:17,120

very small fishing town in Brazil and

592

00:27:23,649 --> 00:27:21,539

Jimmy we've covered so many cases so

593

00:27:27,289 --> 00:27:23,659

many cases I've spoken to so many people

594

00:27:29,570 --> 00:27:27,299

and the caloriz incident it just it

595

00:27:32,210 --> 00:27:29,580

there's just something so unique about

596

00:27:34,310 --> 00:27:32,220

it and

597

00:27:37,610 --> 00:27:34,320

for those I don't know I'll give you a

598

00:27:40,630 --> 00:27:37,620

brief summary on it and what happened

599

00:27:43,850 --> 00:27:40,640

was for the first month or so back in

600

00:27:46,789 --> 00:27:43,860

1977 these this small fishing town

601  
00:27:49,430 --> 00:27:46,799  
kolaris they were being terrorized by

602  
00:27:52,310 --> 00:27:49,440  
these craft that were coming every

603  
00:27:54,409 --> 00:27:52,320  
single night to the point where they

604  
00:27:56,149 --> 00:27:54,419  
would they would never go out by

605  
00:27:58,549 --> 00:27:56,159  
themselves they would go with groups of

606  
00:28:01,070 --> 00:27:58,559  
people and then they would sleep in the

607  
00:28:03,590 --> 00:28:01,080  
same home a bunch of people sleeping in

608  
00:28:06,289 --> 00:28:03,600  
the same house and it was getting so

609  
00:28:09,110 --> 00:28:06,299  
intense that the mayor had to contact

610  
00:28:11,630 --> 00:28:09,120  
the capital Brasilia to say hey bring

611  
00:28:14,269 --> 00:28:11,640  
your military officials we're having an

612  
00:28:16,130 --> 00:28:14,279  
issue and we need protection but also we

613  
00:28:19,149 --> 00:28:16,140

need some answers

614

00:28:23,930 --> 00:28:19,159

so the military come in from the Capitol

615

00:28:26,710 --> 00:28:23,940

and the town folk they expected for

616

00:28:29,750 --> 00:28:26,720

these men to be carrying guns having

617

00:28:33,610 --> 00:28:29,760

grenades cannons I mean all these types

618

00:28:36,710 --> 00:28:33,620

of weapons but they came with paper

619

00:28:39,350 --> 00:28:36,720

pencils and some cameras

620

00:28:41,630 --> 00:28:39,360

and so they were there to document all

621

00:28:44,630 --> 00:28:41,640

of this which ended up becoming uh which

622

00:28:46,570 --> 00:28:44,640

ended up being called operation saucer

623

00:28:50,169 --> 00:28:46,580

operation Plato

624

00:28:52,610 --> 00:28:50,179

and with that there's

625

00:28:54,710 --> 00:28:52,620

thousands of

626  
00:28:56,390 --> 00:28:54,720  
um witness testimonies that have been

627  
00:28:59,570 --> 00:28:56,400  
released through foia back in the early

628  
00:29:02,090 --> 00:28:59,580  
2000s uh thanks to

629  
00:29:04,970 --> 00:29:02,100  
um AJ he just passed and it was because

630  
00:29:07,909 --> 00:29:04,980  
of him we were able to have these

631  
00:29:10,669 --> 00:29:07,919  
um witness accounts along with drawings

632  
00:29:15,529 --> 00:29:10,679  
that were created by the military

633  
00:29:18,110 --> 00:29:15,539  
officials and then in 1997 the captain

634  
00:29:20,049 --> 00:29:18,120  
of the operation

635  
00:29:23,450 --> 00:29:20,059  
um and his captain

636  
00:29:28,130 --> 00:29:23,460  
Lima and there's orangelima I remember

637  
00:29:30,169 --> 00:29:28,140  
his name he spoke to AJ and his um other

638  
00:29:33,169 --> 00:29:30,179

companion for UFO magazine the only

639

00:29:36,169 --> 00:29:33,179

magazine at the time in Brazil and he

640

00:29:38,510 --> 00:29:36,179

stated that not only were we

641

00:29:41,269 --> 00:29:38,520

researching and investigating this

642

00:29:44,149 --> 00:29:41,279

encounter for several months in the same

643

00:29:48,230 --> 00:29:44,159

location every single day but myself

644

00:29:50,630 --> 00:29:48,240

personally says Lima I had my own

645

00:29:53,930 --> 00:29:50,640

encounter not only did I see these craft

646

00:29:56,870 --> 00:29:53,940

in the sky like everybody else but I had

647

00:30:00,769 --> 00:29:56,880

a close encounter where I was in my room

648

00:30:04,430 --> 00:30:00,779

one night and a small being about three

649

00:30:07,070 --> 00:30:04,440

four feet tall wearing a silver suit

650

00:30:10,070 --> 00:30:07,080

hugged me from behind and said in a

651  
00:30:15,710 --> 00:30:10,080  
robotic Portuguese

652  
00:30:17,870 --> 00:30:15,720  
stating we mean you no harm just don't

653  
00:30:19,970 --> 00:30:17,880  
worry about it just relax and then it

654  
00:30:23,029 --> 00:30:19,980  
disappeared

655  
00:30:26,450 --> 00:30:23,039  
I have not come across a story like that

656  
00:30:28,909 --> 00:30:26,460  
where you have the man operating the

657  
00:30:31,370 --> 00:30:28,919  
whole project publicly come out and

658  
00:30:34,070 --> 00:30:31,380  
state that he had an encounter along

659  
00:30:36,610 --> 00:30:34,080  
with getting so many witness testimonies

660  
00:30:40,130 --> 00:30:36,620  
which you can find at the black fold

661  
00:30:42,470 --> 00:30:40,140  
drawings as well but if you attempt to

662  
00:30:44,690 --> 00:30:42,480  
speak to the people in the town from my

663  
00:30:47,570 --> 00:30:44,700

knowledge they won't speak about it they

664

00:30:52,730 --> 00:30:47,580

will not tell you the story and my

665

00:30:56,210 --> 00:30:52,740

question is why it was so intense it was

666

00:30:58,549 --> 00:30:56,220

so impactful that maybe they find it too

667

00:31:00,409 --> 00:30:58,559

traumatizing to talk about because as I

668

00:31:02,990 --> 00:31:00,419

had mentioned a little bit earlier two

669

00:31:05,510 --> 00:31:03,000

died because these beams of light would

670

00:31:08,750 --> 00:31:05,520

come down and they would place about

671

00:31:11,690 --> 00:31:08,760

three puncture wombs per victim to the

672

00:31:14,389 --> 00:31:11,700

point where the locals called this beam

673

00:31:16,909 --> 00:31:14,399

of light and the craft Chupa Chupa which

674

00:31:19,130 --> 00:31:16,919

means sucker sucker and they believed

675

00:31:22,190 --> 00:31:19,140

because it was a very uh Christian Town

676  
00:31:24,289 --> 00:31:22,200  
Catholic town excuse me that they were

677  
00:31:27,710 --> 00:31:24,299  
that their blood was being sucked out of

678  
00:31:32,810 --> 00:31:27,720  
them and that it was a demonic entity

679  
00:31:35,510 --> 00:31:32,820  
but when the only doctor of the area has

680  
00:31:38,090 --> 00:31:35,520  
only one clinic in this town she noticed

681  
00:31:40,730 --> 00:31:38,100  
that all of these Witnesses had three

682  
00:31:43,789 --> 00:31:40,740  
puncture wounds if they were male in the

683  
00:31:45,710 --> 00:31:43,799  
jugular area and if they were female in

684  
00:31:48,230 --> 00:31:45,720  
the chest area of course there were some

685  
00:31:49,970 --> 00:31:48,240  
in the thighs and uh in the like the the

686  
00:31:52,970 --> 00:31:49,980  
stomach area as well but the most

687  
00:31:55,909 --> 00:31:52,980  
prevalent were in the throat and in the

688  
00:31:58,669 --> 00:31:55,919

chest exactly yeah in the chest and they

689

00:32:00,529 --> 00:31:58,679

they also said that beams of light would

690

00:32:03,110 --> 00:32:00,539

come down and blast him in the chest too

691

00:32:06,190 --> 00:32:03,120

as well how terrified when you hear the

692

00:32:11,210 --> 00:32:06,200

color Story how terrified

693

00:32:13,370 --> 00:32:11,220

uh would your family be if you couldn't

694

00:32:15,230 --> 00:32:13,380

go out at night because if you did you

695

00:32:17,630 --> 00:32:15,240

were getting hunted down by a flying

696

00:32:19,549 --> 00:32:17,640

saucer that was going to blast you I

697

00:32:21,289 --> 00:32:19,559

mean there's no words that's a crazy

698

00:32:24,289 --> 00:32:21,299

that's a crazy way to look

699

00:32:26,590 --> 00:32:24,299

um Lima uh when he did the interviews

700

00:32:31,070 --> 00:32:26,600

with AJ gavair

701

00:32:32,750 --> 00:32:31,080

he he he drew he did drawings he did

702

00:32:36,169 --> 00:32:32,760

drawings of his encounter he did

703

00:32:39,350 --> 00:32:36,179

drawings of the ship and he what after

704

00:32:41,029 --> 00:32:39,360

he did that they were uh um just when

705

00:32:43,730 --> 00:32:41,039

you see these were talking about he was

706

00:32:47,690 --> 00:32:43,740

like a a colonel or a captain

707

00:32:50,330 --> 00:32:47,700

um at the time uh what happened to Lima

708

00:32:52,789 --> 00:32:50,340

he allegedly committed suicide about two

709

00:32:56,810 --> 00:32:52,799

months after he did the interview with

710

00:32:59,630 --> 00:32:56,820

the UFO magazine but what's interesting

711

00:33:03,409 --> 00:32:59,640

about that case and Jimmy you and I have

712

00:33:07,490 --> 00:33:03,419

talked about it in detail is the

713

00:33:09,470 --> 00:33:07,500

situation in which it happened to him

714

00:33:12,049 --> 00:33:09,480

where he got a bathrobe and he tied it

715

00:33:15,169 --> 00:33:12,059

around his neck

716

00:33:20,509 --> 00:33:15,179

um it didn't fully make sense

717

00:33:23,509 --> 00:33:20,519

and Jimmy can you explain why no because

718

00:33:26,330 --> 00:33:23,519

you're my guest so let me go to the the

719

00:33:29,810 --> 00:33:26,340

next part of this though

720

00:33:33,590 --> 00:33:29,820

um if you look at and and I love the way

721

00:33:37,310 --> 00:33:33,600

that AJ uh did that interview with Lima

722

00:33:38,930 --> 00:33:37,320

but it was Lima's demeanor there this

723

00:33:43,009 --> 00:33:38,940

wasn't a guy that was about to commit

724

00:33:45,769 --> 00:33:43,019

suicide right he he he didn't you know

725

00:33:47,450 --> 00:33:45,779

what I mean what did you think when you

726

00:33:50,630 --> 00:33:47,460

hear the reports of

727

00:33:53,649 --> 00:33:50,640

him committing suicide two months later

728

00:33:57,169 --> 00:33:53,659

the guy that's on camera

729

00:33:59,389 --> 00:33:57,179

looks pretty together doesn't he

730

00:34:02,029 --> 00:33:59,399

from my knowledge he does and there were

731

00:34:04,370 --> 00:34:02,039

other accounts of where people spoke to

732

00:34:06,710 --> 00:34:04,380

those that were close to Lima and stated

733

00:34:09,530 --> 00:34:06,720

that he was a man that loved life and

734

00:34:14,329 --> 00:34:09,540

that he wasn't the type to take his own

735

00:34:17,510 --> 00:34:14,339

but looking back at these witnesses that

736

00:34:19,070 --> 00:34:17,520

had these puncture wounds that went

737

00:34:22,190 --> 00:34:19,080

through something that was so

738

00:34:24,290 --> 00:34:22,200

traumatizing I have to ask were they

739

00:34:26,869 --> 00:34:24,300

attacks or were they some form of

740

00:34:28,810 --> 00:34:26,879

medical scanning I mean if it was

741

00:34:32,450 --> 00:34:28,820

medical scanning and having those

742

00:34:36,409 --> 00:34:32,460

damaging physical effects just imagine

743

00:34:39,349 --> 00:34:36,419

if they meant to harm people yes it

744

00:34:42,230 --> 00:34:39,359

seems brutal and inhumane but it's like

745

00:34:44,990 --> 00:34:42,240

the people were just cattle or Lab Rats

746

00:34:46,810 --> 00:34:45,000

potentially to these craft that were

747

00:34:50,869 --> 00:34:46,820

seen in the area

748

00:34:53,750 --> 00:34:50,879

now the other part of this case

749

00:34:55,550 --> 00:34:53,760

there's a lot of uh a lot of video a lot

750

00:34:57,710 --> 00:34:55,560

of photographs a lot of data collected a

751

00:34:59,870 --> 00:34:57,720

lot of interviews a lot of things were

752

00:35:01,310 --> 00:34:59,880

done uh the doctor you just mentioned

753

00:35:03,650 --> 00:35:01,320

her name

754

00:35:05,990 --> 00:35:03,660

um she was I I would consider her a

755

00:35:08,089 --> 00:35:06,000

whistleblower she was pissed off

756

00:35:10,310 --> 00:35:08,099

um she saw all of the stuff going on and

757

00:35:12,410 --> 00:35:10,320

she was very verbal and went public with

758

00:35:16,370 --> 00:35:12,420

with everything but that's only a part

759

00:35:19,730 --> 00:35:16,380

of the the the the the case I think what

760

00:35:22,030 --> 00:35:19,740

was even more significant was the

761

00:35:26,569 --> 00:35:22,040

Brazilian militaries

762

00:35:29,329 --> 00:35:26,579

admitting of them having camped out on

763

00:35:32,270 --> 00:35:29,339

these beaches with their video cameras

764

00:35:34,250 --> 00:35:32,280

for like two or three months and were

765

00:35:38,089 --> 00:35:34,260

out there all night every night

766

00:35:41,150 --> 00:35:38,099

capturing stuff in the skies that's a

767

00:35:43,430 --> 00:35:41,160

that's a pretty big uh admission from

768

00:35:45,290 --> 00:35:43,440

the Brazilian government don't you think

769

00:35:48,530 --> 00:35:45,300

it definitely is and it makes you

770

00:35:50,750 --> 00:35:48,540

question why there are so many military

771

00:35:53,750 --> 00:35:50,760

entities across the globe that would

772

00:35:56,450 --> 00:35:53,760

keep that so Hush Hush why would the

773

00:35:59,510 --> 00:35:56,460

Brazilian government be more open about

774

00:36:02,390 --> 00:35:59,520

something like that it did take a long

775

00:36:04,370 --> 00:36:02,400

time to receive that documentation where

776

00:36:07,910 --> 00:36:04,380

it is now public once again that took

777

00:36:12,170 --> 00:36:07,920

place in 1977 we didn't receive not even

778

00:36:14,329 --> 00:36:12,180

half of the paperwork in what 2000 and

779

00:36:18,650 --> 00:36:14,339

two or three give or take the early

780

00:36:21,950 --> 00:36:18,660

2000s and there's still a lot that is

781

00:36:23,870 --> 00:36:21,960

placed in a cabinet somewhere yes we

782

00:36:28,250 --> 00:36:23,880

have a good amount is it sufficient

783

00:36:30,829 --> 00:36:28,260

it'll do for now but I think what I'm

784

00:36:32,390 --> 00:36:30,839

most curious about is the ones that

785

00:36:34,550 --> 00:36:32,400

haven't been made public what

786

00:36:37,430 --> 00:36:34,560

information is there that they think

787

00:36:39,470 --> 00:36:37,440

that the public cannot handle yeah we

788

00:36:40,849 --> 00:36:39,480

haven't seen any of the video that

789

00:36:42,890 --> 00:36:40,859

they've that's right yeah we've only

790

00:36:45,890 --> 00:36:42,900

seen drawings and we've only gotten

791

00:36:49,069 --> 00:36:45,900

witness testimonies we have not seen the

792

00:36:50,750 --> 00:36:49,079

video and that is something that makes

793

00:36:53,210 --> 00:36:50,760

me question if you're going to give us

794

00:36:55,250 --> 00:36:53,220

all this other stuff why not just bring

795

00:36:58,190 --> 00:36:55,260

over everything because having to filter

796

00:37:01,190 --> 00:36:58,200

through all of that data that you

797

00:37:03,829 --> 00:37:01,200

collected for about four or five months

798

00:37:05,630 --> 00:37:03,839

that's a lot of work just just pass it

799

00:37:07,990 --> 00:37:05,640

on over to the public and we'll do that

800

00:37:10,790 --> 00:37:08,000

work for you don't even worry about it

801  
00:37:15,349 --> 00:37:10,800  
what is it about Brazil

802  
00:37:17,510 --> 00:37:15,359  
you know some of the most amazing uh

803  
00:37:20,870 --> 00:37:17,520  
cases every country's got their own

804  
00:37:24,349 --> 00:37:20,880  
they're that's for sure but Brazil has

805  
00:37:27,230 --> 00:37:24,359  
got more than their fair share

806  
00:37:29,510 --> 00:37:27,240  
you think so I do

807  
00:37:31,910 --> 00:37:29,520  
I do the

808  
00:37:34,250 --> 00:37:31,920  
um the documentary that came out was

809  
00:37:36,650 --> 00:37:34,260  
Jacques valet about the 12 year old

810  
00:37:39,589 --> 00:37:36,660  
Brazilian boy

811  
00:37:42,010 --> 00:37:39,599  
um I'm trying to think when that came

812  
00:37:44,510 --> 00:37:42,020  
out oh that might have been Argentina

813  
00:37:45,829 --> 00:37:44,520

uh what does it count if it's South

814

00:37:48,550 --> 00:37:45,839

America

815

00:37:56,589 --> 00:37:48,560

right absolutely but you have Virginia

816

00:38:00,109 --> 00:37:56,599

right right and uh the uh uh uh

817

00:38:03,230 --> 00:38:00,119

uh it's the case that just happened down

818

00:38:05,329 --> 00:38:03,240

there five years ago four years ago

819

00:38:07,870 --> 00:38:05,339

um started with an M oh I can't believe

820

00:38:10,010 --> 00:38:07,880

I can't remember the name of the city

821

00:38:13,010 --> 00:38:10,020

I know it's what you're talking about

822

00:38:14,150 --> 00:38:13,020

and we covered it and now it is Phase

823

00:38:16,490 --> 00:38:14,160

Brazil

824

00:38:19,430 --> 00:38:16,500

I don't know but I have my have my notes

825

00:38:21,109 --> 00:38:19,440

for that show yeah somebody just said it

826  
00:38:25,430 --> 00:38:21,119  
was Argentina

827  
00:38:27,410 --> 00:38:25,440  
but but uh Brazil just seems to the the

828  
00:38:29,030 --> 00:38:27,420  
cases

829  
00:38:30,430 --> 00:38:29,040  
um that they've had on there were were

830  
00:38:33,650 --> 00:38:30,440  
like

831  
00:38:36,890 --> 00:38:33,660  
Landings contact

832  
00:38:39,430 --> 00:38:36,900  
UM entities and then the United States

833  
00:38:44,270 --> 00:38:39,440  
Air Force coming in a major

834  
00:38:45,230 --> 00:38:44,280  
Brazil yeah thank you yeah yes yes Monte

835  
00:38:47,150 --> 00:38:45,240  
Brazil

836  
00:38:49,550 --> 00:38:47,160  
um and then the United States steps in

837  
00:38:51,170 --> 00:38:49,560  
like maje Brazil right that was the

838  
00:38:52,730 --> 00:38:51,180

other part of that case which is just

839

00:38:56,210 --> 00:38:52,740

recent

840

00:38:57,890 --> 00:38:56,220

um uh where it appears that uh there's

841

00:39:00,470 --> 00:38:57,900

an agreement between Brazil and the

842

00:39:01,970 --> 00:39:00,480

United States that oh we're gonna uh

843

00:39:04,730 --> 00:39:01,980

we're gonna get too involved in anything

844

00:39:06,890 --> 00:39:04,740

strange that happens here so it seems

845

00:39:09,050 --> 00:39:06,900

that every time something strange has

846

00:39:11,150 --> 00:39:09,060

happened the United States have stepped

847

00:39:12,470 --> 00:39:11,160

in and flown everything back to the

848

00:39:14,630 --> 00:39:12,480

United States and when they do that

849

00:39:17,390 --> 00:39:14,640

where do you think they're taking these

850

00:39:20,530 --> 00:39:17,400

bodies these crafts I don't know but I

851  
00:39:23,390 --> 00:39:20,540  
want to be on that plane so that I know

852  
00:39:26,990 --> 00:39:23,400  
what what base they're taking that to

853  
00:39:28,490 --> 00:39:27,000  
because I don't know we've heard a lot

854  
00:39:30,650 --> 00:39:28,500  
of Base names

855  
00:39:33,290 --> 00:39:30,660  
um throughout the decades throughout the

856  
00:39:36,410 --> 00:39:33,300  
research where some cases it's the

857  
00:39:39,589 --> 00:39:36,420  
Holloman Air Force Base some cases it's

858  
00:39:41,930 --> 00:39:39,599  
some other ones and

859  
00:39:43,970 --> 00:39:41,940  
if I think that if that information is

860  
00:39:46,130 --> 00:39:43,980  
made public like even if people are

861  
00:39:48,530 --> 00:39:46,140  
speculating on that

862  
00:39:51,349 --> 00:39:48,540  
it's probably not there

863  
00:39:54,050 --> 00:39:51,359

that's that that that's my opinion Sam

864

00:39:56,990 --> 00:39:54,060

look I'm sharing my opinion here I don't

865

00:39:59,210 --> 00:39:57,000

think that's the case time I feel like

866

00:40:01,550 --> 00:39:59,220

I'm grilling a witness in a murder case

867

00:40:02,930 --> 00:40:01,560

up on the stand and I just gotta get you

868

00:40:04,550 --> 00:40:02,940

know I've got to get from one point to

869

00:40:07,190 --> 00:40:04,560

the other and I'm gonna do it as

870

00:40:09,710 --> 00:40:07,200

elegantly as possible but I will get the

871

00:40:10,849 --> 00:40:09,720

answers for the jury here is the thing

872

00:40:13,910 --> 00:40:10,859

though

873

00:40:15,530 --> 00:40:13,920

um with all of this

874

00:40:18,410 --> 00:40:15,540

um you know what is the United States

875

00:40:20,210 --> 00:40:18,420

know what are they you know uh getting

876

00:40:22,430 --> 00:40:20,220

from other countries that are

877

00:40:25,430 --> 00:40:22,440

cooperating uh when it comes to ET and

878

00:40:28,250 --> 00:40:25,440

UFOs uh and and where this stuff is

879

00:40:29,349 --> 00:40:28,260

going and then we have this missing UFO

880

00:40:32,510 --> 00:40:29,359

report

881

00:40:34,790 --> 00:40:32,520

which it would indicate that our

882

00:40:37,670 --> 00:40:34,800

government knows something or it does

883

00:40:39,410 --> 00:40:37,680

not so before we get to the UFO report

884

00:40:42,050 --> 00:40:39,420

do you think that the United States

885

00:40:43,790 --> 00:40:42,060

government has all the information we

886

00:40:44,750 --> 00:40:43,800

need about ET but they're just not

887

00:40:46,310 --> 00:40:44,760

talking

888

00:40:50,450 --> 00:40:46,320

probably not

889

00:40:53,050 --> 00:40:50,460

I think really here we go I think here's

890

00:40:56,150 --> 00:40:53,060

my opinion

891

00:40:59,450 --> 00:40:56,160

about time it's about time

892

00:41:02,329 --> 00:40:59,460

when we are looking at any government or

893

00:41:05,690 --> 00:41:02,339

any entity of power they're never going

894

00:41:07,370 --> 00:41:05,700

to let you know their weaknesses and if

895

00:41:08,990 --> 00:41:07,380

anything they're going to State I have

896

00:41:11,690 --> 00:41:09,000

all the information but I'm not going to

897

00:41:13,550 --> 00:41:11,700

share it with you when in reality that

898

00:41:15,890 --> 00:41:13,560

simply might not be the case and a

899

00:41:19,730 --> 00:41:15,900

conversation that has been laid out

900

00:41:22,430 --> 00:41:19,740

pretty recently in the field in the UFO

901  
00:41:25,430 --> 00:41:22,440  
field is where we're having all of these

902  
00:41:27,530 --> 00:41:25,440  
now private Industries looking into the

903  
00:41:28,849 --> 00:41:27,540  
UFO phenomenon but they don't owe

904  
00:41:30,890 --> 00:41:28,859  
anybody anything right because they're

905  
00:41:32,150 --> 00:41:30,900  
using their own money to to conduct

906  
00:41:33,770 --> 00:41:32,160  
their research

907  
00:41:36,349 --> 00:41:33,780  
and to find the answer that they're

908  
00:41:38,750 --> 00:41:36,359  
looking for right that there no one can

909  
00:41:40,849 --> 00:41:38,760  
file a foia against them to get that

910  
00:41:43,870 --> 00:41:40,859  
information like with the government so

911  
00:41:47,829 --> 00:41:43,880  
could it be that these private entities

912  
00:41:51,250 --> 00:41:47,839  
have more knowledge over the government

913  
00:41:53,510 --> 00:41:51,260

I I think I think that is a possibility

914

00:41:55,910 --> 00:41:53,520

and I don't think that the government

915

00:41:58,190 --> 00:41:55,920

has all the answers could that

916

00:42:00,530 --> 00:41:58,200

potentially be a reason for a delay in

917

00:42:02,569 --> 00:42:00,540

the UFO report well it's been a case of

918

00:42:05,089 --> 00:42:02,579

crickets there hasn't been any report

919

00:42:07,670 --> 00:42:05,099

all the mainstream media has done is

920

00:42:10,190 --> 00:42:07,680

Echo the statement that although they

921

00:42:12,650 --> 00:42:10,200

have received hundreds of new cases that

922

00:42:14,569 --> 00:42:12,660

are being investigated so far no

923

00:42:17,630 --> 00:42:14,579

evidence of an extraterrestrial origin

924

00:42:20,810 --> 00:42:17,640

to the UFOs have been found but

925

00:42:23,390 --> 00:42:20,820

Sean Kirkpatrick who is the director of

926

00:42:26,690 --> 00:42:23,400

the pentagon's all domain anomaly

927

00:42:28,670 --> 00:42:26,700

resolution office or Arrow has not ruled

928

00:42:32,030 --> 00:42:28,680

out the possibility of extraterrestrial

929

00:42:34,130 --> 00:42:32,040

life and has said that he is taking a

930

00:42:36,829 --> 00:42:34,140

scientific approach to the research

931

00:42:39,710 --> 00:42:36,839

going forward so I don't think that

932

00:42:42,230 --> 00:42:39,720

there is anything suspicious about the

933

00:42:45,890 --> 00:42:42,240

delay rather I think it's potentially

934

00:42:47,930 --> 00:42:45,900

tied up in bureaucratic red tape and

935

00:42:49,910 --> 00:42:47,940

probably a hot potato for like those

936

00:42:53,089 --> 00:42:49,920

those newbie officials trying to make

937

00:42:54,710 --> 00:42:53,099

sense of it all maybe but I don't think

938

00:42:56,930 --> 00:42:54,720

the government has all the answers to

939

00:43:00,890 --> 00:42:56,940

the topic see that wasn't so hard

940

00:43:05,390 --> 00:43:00,900

Christina I wasn't so hard was it looks

941

00:43:10,430 --> 00:43:05,400

just to just to I to mark this this

942

00:43:11,690 --> 00:43:10,440

fabulous occasion that was at 7 41 p.m I

943

00:43:15,470 --> 00:43:11,700

got my

944

00:43:19,250 --> 00:43:15,480

first opinion there you go it has been

945

00:43:23,390 --> 00:43:19,260

written down but why um I mean you're

946

00:43:27,290 --> 00:43:23,400

exactly right and then if we have this

947

00:43:29,390 --> 00:43:27,300

uh clear Line in the Sand where the

948

00:43:31,910 --> 00:43:29,400

military and the government is protected

949

00:43:33,890 --> 00:43:31,920

and separated from the from this

950

00:43:35,569 --> 00:43:33,900

information by the private sector in a

951  
00:43:38,150 --> 00:43:35,579  
secret Access program where there's no

952  
00:43:40,670 --> 00:43:38,160  
money Trail and there's no no oversight

953  
00:43:43,550 --> 00:43:40,680  
right and and this is indeed the case

954  
00:43:48,230 --> 00:43:43,560  
should we change that should we change

955  
00:43:51,410 --> 00:43:48,240  
that rule so we could and should go and

956  
00:43:54,050 --> 00:43:51,420  
find out what these companies and and

957  
00:43:55,490 --> 00:43:54,060  
corporations have and are working on

958  
00:43:57,650 --> 00:43:55,500  
should that change

959  
00:44:00,470 --> 00:43:57,660  
of course it should but how many people

960  
00:44:03,710 --> 00:44:00,480  
have the patience to fill out the

961  
00:44:06,530 --> 00:44:03,720  
paperwork have it be verified have it go

962  
00:44:08,990 --> 00:44:06,540  
through through so many hands right of

963  
00:44:11,930 --> 00:44:09,000

course we all have this good intention

964

00:44:14,930 --> 00:44:11,940

of attempting to do that but how many

965

00:44:19,069 --> 00:44:14,940

are willing to put in the work

966

00:44:22,550 --> 00:44:19,079

well the problem is and I think it's uh

967

00:44:25,010 --> 00:44:22,560

it's a clear one the problem is the

968

00:44:26,930 --> 00:44:25,020

private sector has been protected for so

969

00:44:30,349 --> 00:44:26,940

long with this that they really don't

970

00:44:36,230 --> 00:44:30,359

give a crap right and so how do you

971

00:44:38,390 --> 00:44:36,240

figure out the way to get them scared

972

00:44:40,010 --> 00:44:38,400

right to get them word that oh no you

973

00:44:41,990 --> 00:44:40,020

know what we do need to talk about this

974

00:44:44,030 --> 00:44:42,000

because right now they don't they they

975

00:44:45,530 --> 00:44:44,040

just don't care they have no fear

976

00:44:47,569 --> 00:44:45,540

right that's right there are no

977

00:44:49,550 --> 00:44:47,579

consequences you're holding them back

978

00:44:51,050 --> 00:44:49,560

they don't have to get funded by the

979

00:44:54,710 --> 00:44:51,060

government through taxes because they

980

00:44:58,670 --> 00:44:54,720

make their own money well and look you

981

00:45:01,190 --> 00:44:58,680

you don't speed in your car well you do

982

00:45:04,910 --> 00:45:01,200

you know you do but I'm a good driver

983

00:45:07,609 --> 00:45:04,920

but most people you know they don't want

984

00:45:10,430 --> 00:45:07,619

to exceed the speed limit why

985

00:45:12,050 --> 00:45:10,440

they don't want a speeding ticket right

986

00:45:13,490 --> 00:45:12,060

they don't want to pay the speeding

987

00:45:14,750 --> 00:45:13,500

ticket they don't want that on the

988

00:45:17,750 --> 00:45:14,760

record and they don't want their

989

00:45:19,309 --> 00:45:17,760

insurance going up now that's reason

990

00:45:23,569 --> 00:45:19,319

enough

991

00:45:26,089 --> 00:45:23,579

to to you know to behave but but private

992

00:45:29,450 --> 00:45:26,099

corporations don't have that fear right

993

00:45:31,370 --> 00:45:29,460

there is nothing there was nobody that's

994

00:45:33,170 --> 00:45:31,380

gonna walk up and

995

00:45:34,910 --> 00:45:33,180

you know knock on the door and go let me

996

00:45:37,309 --> 00:45:34,920

see the secret craft

997

00:45:39,650 --> 00:45:37,319

it's not going to happen you're right

998

00:45:42,170 --> 00:45:39,660

they they don't get scared there is no

999

00:45:46,490 --> 00:45:42,180

one person who will be held accountable

1000

00:45:50,349 --> 00:45:46,500

especially with the multi like Nationals

1001  
00:45:54,349 --> 00:45:50,359  
who end up at Davos and other Power

1002  
00:45:57,230 --> 00:45:54,359  
Player meetings so I'm not it's it's

1003  
00:46:01,370 --> 00:45:57,240  
it's not what you know it's who you know

1004  
00:46:05,210 --> 00:46:01,380  
and and same as arm dealers okay there

1005  
00:46:07,550 --> 00:46:05,220  
they are a global cabal of power and

1006  
00:46:10,430 --> 00:46:07,560  
knowledge

1007  
00:46:11,870 --> 00:46:10,440  
did you just say tables that's a that's

1008  
00:46:16,849 --> 00:46:11,880  
a really good point though

1009  
00:46:19,849 --> 00:46:16,859  
that's a really good point

1010  
00:46:25,010 --> 00:46:19,859  
um and and to that

1011  
00:46:27,530 --> 00:46:25,020  
um we had uh today the the story broke

1012  
00:46:29,750 --> 00:46:27,540  
and this came from Newsweek

1013  
00:46:34,250 --> 00:46:29,760

um that two days ago today's the fifth

1014

00:46:37,250 --> 00:46:34,260

right so two days ago January 3rd Russia

1015

00:46:40,990 --> 00:46:37,260

says this is Russia now this is what

1016

00:46:44,390 --> 00:46:41,000

they say they say they shot down a UFO

1017

00:46:47,809 --> 00:46:44,400

and when something like that this is

1018

00:46:50,150 --> 00:46:47,819

Newsweek magazine this isn't some trash

1019

00:46:54,290 --> 00:46:50,160

tabloid like the Daily Star out of

1020

00:46:56,150 --> 00:46:54,300

London or whatever you know the sun

1021

00:47:00,589 --> 00:46:56,160

um out of the UK this is Newsweek

1022

00:47:04,430 --> 00:47:00,599

magazine and the governor of uh uh that

1023

00:47:06,910 --> 00:47:04,440

Province literally said ah we had to

1024

00:47:10,730 --> 00:47:06,920

make the decision to liquidate it

1025

00:47:12,950 --> 00:47:10,740

and and the air defenses went up and and

1026

00:47:15,530 --> 00:47:12,960

shot this thing down

1027

00:47:18,710 --> 00:47:15,540

um the description was a ball it was a

1028

00:47:21,109 --> 00:47:18,720

ball right not a drone it was it was a

1029

00:47:23,089 --> 00:47:21,119

ball it was a white ball of light

1030

00:47:25,970 --> 00:47:23,099

um and they shot it down out of the sky

1031

00:47:27,470 --> 00:47:25,980

you think that was not of this Earth do

1032

00:47:30,770 --> 00:47:27,480

you think that was terrestrial and why

1033

00:47:32,270 --> 00:47:30,780

use UFO unless you thought that it was

1034

00:47:35,030 --> 00:47:32,280

something else

1035

00:47:37,430 --> 00:47:35,040

the description is so minimal in the

1036

00:47:39,410 --> 00:47:37,440

article and I went ahead and I attempted

1037

00:47:41,990 --> 00:47:39,420

to look at other articles to see if they

1038

00:47:43,670 --> 00:47:42,000

provided more information however every

1039

00:47:46,970 --> 00:47:43,680

single article pulled their information

1040

00:47:49,130 --> 00:47:46,980

from newswink Newsweek so there wasn't

1041

00:47:51,349 --> 00:47:49,140

anything unique about any of the

1042

00:47:54,230 --> 00:47:51,359

articles that I came across aside from

1043

00:47:56,510 --> 00:47:54,240

that original one which yes it is

1044

00:47:59,450 --> 00:47:56,520

compelling yes we're getting UFOs in the

1045

00:48:02,210 --> 00:47:59,460

news which is awesome I'm always happy

1046

00:48:06,109 --> 00:48:02,220

with that but the information and the

1047

00:48:08,930 --> 00:48:06,119

details are so limited you at least for

1048

00:48:12,109 --> 00:48:08,940

myself I I can't make a conclusion on if

1049

00:48:15,950 --> 00:48:12,119

it's extraterrestrial or from Earth

1050

00:48:19,190 --> 00:48:15,960

because we we just don't get enough to

1051

00:48:21,470 --> 00:48:19,200

make a conclusion aside from what one of

1052

00:48:24,530 --> 00:48:21,480

the Russian officials said we need to

1053

00:48:28,790 --> 00:48:24,540

liquidate it well it can go one of two

1054

00:48:30,770 --> 00:48:28,800

ways do they think it's a UFO or is it a

1055

00:48:33,050 --> 00:48:30,780

narrative of some kind for you to look

1056

00:48:35,390 --> 00:48:33,060

one way and not the other

1057

00:48:38,290 --> 00:48:35,400

this is not that far from the Ukraine

1058

00:48:41,210 --> 00:48:38,300

right this is and and

1059

00:48:44,569 --> 00:48:41,220

the uh

1060

00:48:48,890 --> 00:48:44,579

the firing up of any aircraft systems

1061

00:48:50,690 --> 00:48:48,900

right now uh is is something that people

1062

00:48:53,089 --> 00:48:50,700

are prepared for

1063

00:48:56,809 --> 00:48:53,099

you don't know about a drone flying over

1064

00:48:59,329 --> 00:48:56,819

a missile an errant thing uh an enemy

1065

00:49:03,050 --> 00:48:59,339

aircraft all of this everybody's on high

1066

00:49:07,130 --> 00:49:03,060

alert right so I would think Christina

1067

00:49:08,410 --> 00:49:07,140

this is where I find this uh report very

1068

00:49:11,630 --> 00:49:08,420

interesting

1069

00:49:14,510 --> 00:49:11,640

that nobody said

1070

00:49:17,390 --> 00:49:14,520

oh we thought it was a Ukrainian drone

1071

00:49:19,970 --> 00:49:17,400

we thought that it was Chinese we

1072

00:49:23,870 --> 00:49:19,980

thought that it was uh Iranian whatever

1073

00:49:25,910 --> 00:49:23,880

there was nothing like that where you

1074

00:49:28,670 --> 00:49:25,920

would have thought that with everybody I

1075

00:49:31,010 --> 00:49:28,680

mean seriously everybody is just nervous

1076  
00:49:34,790 --> 00:49:31,020  
right now and you have something like

1077  
00:49:37,010 --> 00:49:34,800  
that that would be the first uh reaction

1078  
00:49:38,510 --> 00:49:37,020  
right that this is I almost make you

1079  
00:49:40,550 --> 00:49:38,520  
hesitate though

1080  
00:49:42,410 --> 00:49:40,560  
Jimmy because we've heard time and time

1081  
00:49:44,329 --> 00:49:42,420  
again even to like the more recent

1082  
00:49:47,089 --> 00:49:44,339  
sightings where no it's a weather

1083  
00:49:48,770 --> 00:49:47,099  
balloon no it's Venus no it's swamp gas

1084  
00:49:52,089 --> 00:49:48,780  
and then now you're getting this one

1085  
00:49:55,430 --> 00:49:52,099  
punch in the face and you're like

1086  
00:49:56,630 --> 00:49:55,440  
what am I supposed to think okay so

1087  
00:50:01,130 --> 00:49:56,640  
Christina

1088  
00:50:03,849 --> 00:50:01,140

yes but here's here's where you air

1089

00:50:07,309 --> 00:50:03,859

in that opinion

1090

00:50:09,890 --> 00:50:07,319

is this everybody wants to blame game

1091

00:50:14,809 --> 00:50:09,900

right now of course right so let's say

1092

00:50:18,470 --> 00:50:14,819

it is a it is a UFO Zeta reticuli

1093

00:50:19,730 --> 00:50:18,480

you're still gonna say it's Ukrainian

1094

00:50:22,430 --> 00:50:19,740

right

1095

00:50:24,530 --> 00:50:22,440

and so to go the opposite of that and

1096

00:50:26,390 --> 00:50:24,540

and jump on the UFO thing

1097

00:50:28,550 --> 00:50:26,400

um when the opportunity is there for the

1098

00:50:31,550 --> 00:50:28,560

blame game I find that really

1099

00:50:34,190 --> 00:50:31,560

interesting remember when um uh not to

1100

00:50:36,410 --> 00:50:34,200

stay on Ukraine and and geopolitics and

1101

00:50:41,710 --> 00:50:36,420

the war that's going on over there but

1102

00:50:44,870 --> 00:50:41,720

when they had that uh uh Russian missile

1103

00:50:47,150 --> 00:50:44,880

allegedly landed in Poland last month

1104

00:50:48,890 --> 00:50:47,160

that was a big deal right oh man my

1105

00:50:51,650 --> 00:50:48,900

Russian missiles Landing in Poland and

1106

00:50:53,329 --> 00:50:51,660

everybody was real nervous and it turned

1107

00:50:56,630 --> 00:50:53,339

out it wasn't a Russian missile it was a

1108

00:50:59,569 --> 00:50:56,640

Ukrainian Annie missile missile that

1109

00:51:02,150 --> 00:50:59,579

landed in Poland but the blame game was

1110

00:51:04,490 --> 00:51:02,160

immediately there when when Ukraine

1111

00:51:06,650 --> 00:51:04,500

themselves knew it was their own missile

1112

00:51:08,210 --> 00:51:06,660

but they didn't say anything because the

1113

00:51:10,730 --> 00:51:08,220

blame game is going to get fired up

1114

00:51:12,770 --> 00:51:10,740

first and that's what's interesting here

1115

00:51:15,410 --> 00:51:12,780

is that the blame game stayed out of

1116

00:51:19,790 --> 00:51:15,420

this article and the blame game was

1117

00:51:22,010 --> 00:51:19,800

clearly put on UFOs very interesting

1118

00:51:25,309 --> 00:51:22,020

it is

1119

00:51:27,109 --> 00:51:25,319

that that's all I have to say about that

1120

00:51:30,290 --> 00:51:27,119

is that it is interesting it makes you

1121

00:51:32,870 --> 00:51:30,300

question what was the purpose for it

1122

00:51:35,510 --> 00:51:32,880

because it hasn't followed that same

1123

00:51:38,450 --> 00:51:35,520

narrative that the mainstream media has

1124

00:51:40,730 --> 00:51:38,460

taken for decades yeah

1125

00:51:43,549 --> 00:51:40,740

um she does 15 shows a week and she

1126  
00:51:45,309 --> 00:51:43,559  
answers that question with meh yeah I

1127  
00:51:49,030 --> 00:51:45,319  
guess

1128  
00:51:55,490 --> 00:51:53,030  
but here uh you know for me here is here

1129  
00:51:57,650 --> 00:51:55,500  
is the interesting thing

1130  
00:52:00,410 --> 00:51:57,660  
um this

1131  
00:52:04,430 --> 00:52:00,420  
is as far as I know

1132  
00:52:05,390 --> 00:52:04,440  
this is the first time I have ever heard

1133  
00:52:07,730 --> 00:52:05,400  
of

1134  
00:52:10,089 --> 00:52:07,740  
a UFO being shot down

1135  
00:52:13,609 --> 00:52:10,099  
I've never heard that before the

1136  
00:52:16,010 --> 00:52:13,619  
missiles lock up guns not publicly yeah

1137  
00:52:20,089 --> 00:52:16,020  
right right we hear those stories right

1138  
00:52:22,849 --> 00:52:20,099

they're uh t-ron you know we can go uh

1139

00:52:24,950 --> 00:52:22,859

over uh so many different cases where

1140

00:52:28,250 --> 00:52:24,960

the weapon systems are completely shut

1141

00:52:31,970 --> 00:52:28,260

down yeah and and so forth

1142

00:52:33,470 --> 00:52:31,980

um but this case uh it's the UFO I think

1143

00:52:36,349 --> 00:52:33,480

this is the first time I've ever heard

1144

00:52:38,930 --> 00:52:36,359

this kind of reporting and it's Newsweek

1145

00:52:40,730 --> 00:52:38,940

that brings it to us I think it's a it's

1146

00:52:44,089 --> 00:52:40,740

a pretty big deal

1147

00:52:44,809 --> 00:52:44,099

it is and talking about

1148

00:52:47,630 --> 00:52:44,819

um

1149

00:52:50,089 --> 00:52:47,640

because we we did a show on nukes and

1150

00:52:53,030 --> 00:52:50,099

UFOs and I feel like one

1151  
00:52:55,089 --> 00:52:53,040  
case that is particularly in I wouldn't

1152  
00:52:57,230 --> 00:52:55,099  
say important but that's like

1153  
00:53:00,349 --> 00:52:57,240  
important to mention for this

1154  
00:53:02,930 --> 00:53:00,359  
conversation about Russia and Ukraine is

1155  
00:53:07,069 --> 00:53:02,940  
one that we talked about uh and that

1156  
00:53:10,910 --> 00:53:07,079  
took place in 1982 in Soviet Ukraine

1157  
00:53:14,589 --> 00:53:10,920  
part of the USSR until 1992 and that was

1158  
00:53:18,530 --> 00:53:14,599  
the Buy Local ruvichi case

1159  
00:53:21,170 --> 00:53:18,540  
and this one is probably one of my

1160  
00:53:24,109 --> 00:53:21,180  
favorite cases when it comes to nukes

1161  
00:53:25,730 --> 00:53:24,119  
and UFOs aside of course from the

1162  
00:53:28,370 --> 00:53:25,740  
Maelstrom Air Force base with Robert

1163  
00:53:29,930 --> 00:53:28,380

Salas but this one in particular and I

1164

00:53:32,450 --> 00:53:29,940

have my notes down so I can give you the

1165

00:53:36,170 --> 00:53:32,460

accurate data that I have here

1166

00:53:40,010 --> 00:53:36,180

is that we have heard time and time

1167

00:53:43,190 --> 00:53:40,020

again of missiles being tested and then

1168

00:53:46,370 --> 00:53:43,200

a UFO coming and either shooting it down

1169

00:53:49,970 --> 00:53:46,380

or disabling it but with this case that

1170

00:53:52,370 --> 00:53:49,980

took place in uh Soviet Ukraine which is

1171

00:53:55,130 --> 00:53:52,380

just you know now Ukraine

1172

00:53:57,710 --> 00:53:55,140

what happened with this case in

1173

00:53:59,710 --> 00:53:57,720

particular was instead of deactivating

1174

00:54:03,130 --> 00:53:59,720

the missile

1175

00:54:06,230 --> 00:54:03,140

the the UFO craft

1176  
00:54:08,630 --> 00:54:06,240  
supposedly turned all of them on and

1177  
00:54:11,930 --> 00:54:08,640  
they were ready to shoot out and just

1178  
00:54:14,990 --> 00:54:11,940  
cause a mass panic across the globe

1179  
00:54:16,490 --> 00:54:15,000  
and then at the very last moment they

1180  
00:54:19,350 --> 00:54:16,500  
shut it down they're like no we're just

1181  
00:54:21,650 --> 00:54:19,360  
kidding just a joke but

1182  
00:54:23,569 --> 00:54:21,660  
[Laughter]

1183  
00:54:25,490 --> 00:54:23,579  
um it's I mean it's not it was not funny

1184  
00:54:27,170 --> 00:54:25,500  
then they're probably like they were

1185  
00:54:30,470 --> 00:54:27,180  
probably peeing themselves but looking

1186  
00:54:33,589 --> 00:54:30,480  
back at it now where once again you have

1187  
00:54:37,069 --> 00:54:33,599  
supposedly a lot of UFO craft when they

1188  
00:54:38,690 --> 00:54:37,079

see nuclear testing they shut it down in

1189

00:54:40,910 --> 00:54:38,700

this case they were like oh you want to

1190

00:54:41,829 --> 00:54:40,920

play with these toys let's see what

1191

00:54:45,549 --> 00:54:41,839

happens

1192

00:54:48,770 --> 00:54:45,559

can you imagine right you're there

1193

00:54:52,910 --> 00:54:48,780

somebody called The Americans we need to

1194

00:54:55,490 --> 00:54:52,920

tell them UFOs are shooting our nuclear

1195

00:54:58,670 --> 00:54:55,500

our weapons right I mean that's because

1196

00:55:01,250 --> 00:54:58,680

that's that's the conversation right you

1197

00:55:02,630 --> 00:55:01,260

can't say we accidentally you know fired

1198

00:55:05,390 --> 00:55:02,640

a bunch of nuclear missiles you can't

1199

00:55:07,490 --> 00:55:05,400

see no it's the blame game right and you

1200

00:55:09,950 --> 00:55:07,500

gotta you gotta blame it you gotta blame

1201  
00:55:11,870 --> 00:55:09,960  
it on the Germans I I mean the uh the

1202  
00:55:14,210 --> 00:55:11,880  
ETS you gotta blame you gotta bring

1203  
00:55:15,950 --> 00:55:14,220  
blame the ETS let's take a quick break

1204  
00:55:18,049 --> 00:55:15,960  
here Christina you stay right there

1205  
00:55:20,750 --> 00:55:18,059  
we've got lots more to discuss Tonight

1206  
00:55:23,210 --> 00:55:20,760  
Christina Gomez is our guest our mayor

1207  
00:55:26,390 --> 00:55:23,220  
Jimmy church this is Fade to Black stay

1208  
00:55:30,530 --> 00:55:28,250  
this is Jimmy Church of Fade to Black

1209  
00:55:32,809 --> 00:55:30,540  
please visit all of our sponsors we're

1210  
00:55:34,549 --> 00:55:32,819  
taking a quick break here all of the

1211  
00:55:36,890 --> 00:55:34,559  
links are below

1212  
00:55:39,910 --> 00:55:36,900  
and we'll be right back

1213  
00:55:42,010 --> 00:55:39,920

now Billy Carson's Forbidden Knowledge

1214

00:55:44,030 --> 00:55:42,020

forbiddenknowledge.com or

1215

00:55:47,990 --> 00:55:44,040

forbiddenknowledge.tv where you can get

1216

00:55:50,510 --> 00:55:48,000

access to over 6 000 videos movies TV

1217

00:55:52,430 --> 00:55:50,520

series exclusive documentaries like the

1218

00:55:53,950 --> 00:55:52,440

Black Knight satellite you can do it all

1219

00:55:58,549 --> 00:55:53,960

for just

1220

00:56:00,770 --> 00:55:58,559

7.77 per month for 77 per year after the

1221

00:56:02,750 --> 00:56:00,780

three-day trial which is also totally

1222

00:56:06,549 --> 00:56:02,760

free to check out it's all simple to do

1223

00:56:08,890 --> 00:56:06,559

Billy Carson is the best it's simple

1224

00:56:11,150 --> 00:56:08,900

forbiddenknowledge.com or

1225

00:56:15,230 --> 00:56:11,160

forbiddenknowledge.tv that's the number

1226

00:56:19,549 --> 00:56:17,150

I will be hosting an M seeing the

1227

00:56:22,130 --> 00:56:19,559

conscious life Expo this February 10th

1228

00:56:25,130 --> 00:56:22,140

through the 13th at The Lax Hilton right

1229

00:56:27,230 --> 00:56:25,140

here in Los Angeles California 200

1230

00:56:29,270 --> 00:56:27,240

speakers including Linda Moulton Howe

1231

00:56:31,910 --> 00:56:29,280

Bashar Deborah King George Nori Daniel

1232

00:56:35,750 --> 00:56:31,920

Sheehan Scott Walter Johnstone and David

1233

00:56:39,829 --> 00:56:35,760

Wolfe over 200 vendors special events

1234

00:56:42,170 --> 00:56:39,839

this is the biggest event of its kind on

1235

00:56:44,710 --> 00:56:42,180

planet Earth you've got to come and hang

1236

00:56:46,609 --> 00:56:44,720

out with all of us tickets and info at

1237

00:56:48,230 --> 00:56:46,619

consciouslifeexpo.com the links are

1238

00:56:51,410 --> 00:56:48,240

below

1239

00:56:54,589 --> 00:56:51,420

on Saturday April 1st that's right April

1240

00:56:56,750 --> 00:56:54,599

Fool's Day 2023 I will be hosting the

1241

00:57:00,230 --> 00:56:56,760

peripod festival at the Hyatt Regency

1242

00:57:02,750 --> 00:57:00,240

right here in Valencia California it's a

1243

00:57:05,809 --> 00:57:02,760

live one-day podcast Awards it's a film

1244

00:57:07,849 --> 00:57:05,819

festival it's a full-on media event

1245

00:57:09,710 --> 00:57:07,859

we're going to have Sky watching it's

1246

00:57:12,530 --> 00:57:09,720

going to be a Lifetime Achievement Award

1247

00:57:14,569 --> 00:57:12,540

presented to Linda Moulton Howe right

1248

00:57:16,549 --> 00:57:14,579

now you can submit your podcast to your

1249

00:57:19,309 --> 00:57:16,559

film your TV series any of your

1250

00:57:21,230 --> 00:57:19,319

paranormal media for consideration you

1251

00:57:24,430 --> 00:57:21,240

can do all of that on the links below

1252

00:57:26,390 --> 00:57:24,440

for info and tickets go to

1253

00:57:29,410 --> 00:57:26,400

parapodfilmfest.com that's

1254

00:57:35,089 --> 00:57:33,470

April 7th through the 14th 2023 I'll be

1255

00:57:38,030 --> 00:57:35,099

hosting and presenting on the hidden

1256

00:57:40,670 --> 00:57:38,040

secrets seminar at Sea cruise from Los

1257

00:57:43,010 --> 00:57:40,680

Angeles to the Mexican Riviera I'm the

1258

00:57:45,589 --> 00:57:43,020

Navigator of the Seas that's right up

1259

00:57:47,270 --> 00:57:45,599

top a giant water slide you've got to

1260

00:57:49,190 --> 00:57:47,280

check out the Navigator of the Seas it's

1261

00:57:51,530 --> 00:57:49,200

amazing we've got Scott Walter Adam

1262

00:57:54,470 --> 00:57:51,540

Apollo Nick Pope Brad Olson Vivian

1263

00:57:56,750 --> 00:57:54,480

Chauvet Jason Shirka Robert Grant Reuben

1264

00:57:59,089 --> 00:57:56,760

Langdon and another 12 amazing speakers

1265

00:58:00,549 --> 00:57:59,099

and presenters it's all simple to do

1266

00:58:02,990 --> 00:58:00,559

just visit

1267

00:58:06,650 --> 00:58:03,000

divinetravels.com forward slash hidden

1268

00:58:08,930 --> 00:58:06,660

secrets 2023 you know you want to go on

1269

00:58:12,349 --> 00:58:08,940

a cruise with me

1270

00:58:15,170 --> 00:58:12,359

River Moon coffee makers of the Fade to

1271

00:58:17,049 --> 00:58:15,180

Black blend truly the best coffee on

1272

00:58:19,370 --> 00:58:17,059

planet Earth just visit

1273

00:58:21,230 --> 00:58:19,380

rivermoonwellness.com or or their Amazon

1274

00:58:22,670 --> 00:58:21,240

store it's all simple to do you can

1275

00:58:24,710 --> 00:58:22,680

check out the Fade to Black blend the

1276

00:58:27,410 --> 00:58:24,720

game changer Blend or any of their black

1277

00:58:31,190 --> 00:58:27,420

moon wellness products it's the only

1278

00:58:37,130 --> 00:58:31,200

coffee I drink it is the best and it's

1279

00:58:41,329 --> 00:58:39,530

all right Welcome Back Fade to black I

1280

00:58:46,190 --> 00:58:41,339

am your host Jimmy church and Tonight

1281

00:58:48,890 --> 00:58:46,200

Christina Gomez is with us and I if I

1282

00:58:51,049 --> 00:58:48,900

took the time everybody to list all of

1283

00:58:54,289 --> 00:58:51,059

uh Christina's shows but let me just say

1284

00:58:56,569 --> 00:58:54,299

this uh the best website for you how

1285

00:58:58,789 --> 00:58:56,579

many do I have listed uh for you right

1286

00:59:01,730 --> 00:58:58,799

now I just have one website and that's

1287

00:59:04,430 --> 00:59:01,740

the strange paradigms.com there you can

1288

00:59:07,069 --> 00:59:04,440

find all of the shows in video and

1289

00:59:08,930 --> 00:59:07,079

podcast formats along with a bunch of

1290

00:59:11,030 --> 00:59:08,940

other stuff as well you've got

1291

00:59:12,950 --> 00:59:11,040

youtube.com Paradigm shifts you got

1292

00:59:15,049 --> 00:59:12,960

twitter.com eyes on this guys he's got

1293

00:59:17,030 --> 00:59:15,059

tick tock.com eyes on the sky so you've

1294

00:59:20,569 --> 00:59:17,040

got facebook.com Paradigm shifts

1295

00:59:21,890 --> 00:59:20,579

official you have Instagram strange

1296

00:59:26,030 --> 00:59:21,900

paradigms

1297

00:59:27,710 --> 00:59:26,040

yeah that's a lot of do you um do you

1298

00:59:29,569 --> 00:59:27,720

post to each one of those individually

1299

00:59:32,329 --> 00:59:29,579

or do you have some

1300

00:59:34,010 --> 00:59:32,339

some kind of Technology where you're

1301  
00:59:36,289 --> 00:59:34,020  
just you know one post and everything

1302  
00:59:38,150 --> 00:59:36,299  
goes out so I currently post them

1303  
00:59:40,010 --> 00:59:38,160  
individually but I do know what you're

1304  
00:59:41,569 --> 00:59:40,020  
referring to and I'm looking into

1305  
00:59:44,030 --> 00:59:41,579  
getting that because

1306  
00:59:45,710 --> 00:59:44,040  
it's so much easier to have just one

1307  
00:59:47,329 --> 00:59:45,720  
program and then

1308  
00:59:49,490 --> 00:59:47,339  
posts it everywhere which would be

1309  
00:59:51,349 --> 00:59:49,500  
fantastic but I need to do a little bit

1310  
00:59:52,549 --> 00:59:51,359  
more research on that but for the time

1311  
00:59:54,349 --> 00:59:52,559  
being I'm just posting everywhere

1312  
00:59:58,190 --> 00:59:54,359  
individually and it's a lot of platforms

1313  
01:00:00,289 --> 00:59:58,200

including Discord it is it is no I

1314

01:00:03,650 --> 01:00:00,299

I've hired people

1315

01:00:06,670 --> 01:00:03,660

That's it man I'm done I'm done I'm done

1316

01:00:11,390 --> 01:00:06,680

with that I just say here here you go

1317

01:00:13,069 --> 01:00:11,400

just act like you're me and post you

1318

01:00:15,470 --> 01:00:13,079

know and

1319

01:00:18,950 --> 01:00:15,480

it's uh it's it's the only way to get

1320

01:00:22,609 --> 01:00:18,960

you know I I admit it you know I admit

1321

01:00:24,829 --> 01:00:22,619

it I admit it and uh I had somebody

1322

01:00:27,710 --> 01:00:24,839

um I was just in Miami over the weekend

1323

01:00:31,789 --> 01:00:27,720

for New Year's and I had somebody come

1324

01:00:33,829 --> 01:00:31,799

up to me literally and say so Church

1325

01:00:35,809 --> 01:00:33,839

that's not you posting on social media

1326

01:00:37,670 --> 01:00:35,819

is it I said what do you mean he goes

1327

01:00:39,710 --> 01:00:37,680

because I specifically posted and I said

1328

01:00:41,450 --> 01:00:39,720

do you ask a couple of questions and the

1329

01:00:43,490 --> 01:00:41,460

responses I got back

1330

01:00:49,010 --> 01:00:43,500

it wasn't you

1331

01:00:53,089 --> 01:00:49,020

I said I said uh it was him and I

1332

01:00:55,970 --> 01:00:53,099

pointed and uh it was really funny

1333

01:00:58,730 --> 01:00:55,980

um but uh I can't keep up with all of it

1334

01:01:01,670 --> 01:00:58,740

you know I don't know how you do I I

1335

01:01:03,589 --> 01:01:01,680

can't I can't read every post and or

1336

01:01:05,630 --> 01:01:03,599

reply or comment

1337

01:01:07,849 --> 01:01:05,640

um I just I just can't do it anymore it

1338

01:01:11,990 --> 01:01:07,859

was so easy and fun in the beginning

1339

01:01:14,089 --> 01:01:12,000

right one account and staying there and

1340

01:01:17,150 --> 01:01:14,099

hanging out with every it's it's not

1341

01:01:21,410 --> 01:01:17,160

that kind of party today uh you've got

1342

01:01:25,309 --> 01:01:21,420

to literally I was watching last night

1343

01:01:29,630 --> 01:01:25,319

I was uh uh I was watching a movie my

1344

01:01:32,270 --> 01:01:29,640

phone beeps and and uh a friend of ours

1345

01:01:33,890 --> 01:01:32,280

uh that was Billy Carson he's starting a

1346

01:01:35,569 --> 01:01:33,900

live stream I was like I'll check out

1347

01:01:37,490 --> 01:01:35,579

Billy's live stream okay you know I

1348

01:01:39,710 --> 01:01:37,500

click on it and they talked about it

1349

01:01:41,690 --> 01:01:39,720

there and his guest

1350

01:01:44,450 --> 01:01:41,700

um said so where are we streaming to

1351  
01:01:46,970 --> 01:01:44,460  
right now and Billy goes one two three

1352  
01:01:47,990 --> 01:01:46,980  
four five six seven eight nine ten

1353  
01:01:50,089 --> 01:01:48,000  
eleven

1354  
01:01:52,789 --> 01:01:50,099  
11 platforms

1355  
01:01:53,990 --> 01:01:52,799  
that's that's what it takes today right

1356  
01:01:58,190 --> 01:01:54,000  
you're not

1357  
01:02:00,410 --> 01:01:58,200  
it's it's it's everything everywhere all

1358  
01:02:04,309 --> 01:02:00,420  
at once which

1359  
01:02:08,930 --> 01:02:06,890  
sounds good to me I'll watch it

1360  
01:02:12,589 --> 01:02:08,940  
everything about about how how to manage

1361  
01:02:16,990 --> 01:02:14,510  
here's the deal

1362  
01:02:21,650 --> 01:02:17,000  
we just talked about

1363  
01:02:25,789 --> 01:02:21,660

maje Virginia right and uh you know

1364

01:02:28,130 --> 01:02:25,799

Brazil we talked to you know Mexico

1365

01:02:31,730 --> 01:02:28,140

um the United States uh we haven't

1366

01:02:34,430 --> 01:02:31,740

jumped into uh Canada we we still could

1367

01:02:36,970 --> 01:02:34,440

but there's a lot of stuff to see and

1368

01:02:41,390 --> 01:02:36,980

one of my favorite things

1369

01:02:44,930 --> 01:02:41,400

uh to to do is when I'm on your show to

1370

01:02:47,329 --> 01:02:44,940

watch people donate to the RV fund uh

1371

01:02:49,490 --> 01:02:47,339

that uh that you've got going on that

1372

01:02:51,289 --> 01:02:49,500

you didn't start this is the you know

1373

01:02:55,490 --> 01:02:51,299

these are your listeners and your fan

1374

01:02:58,250 --> 01:02:55,500

base uh that have started this uh thing

1375

01:03:02,030 --> 01:02:58,260

um where did the idea come up uh

1376

01:03:05,750 --> 01:03:02,040

originally to to get an RV was it during

1377

01:03:07,130 --> 01:03:05,760

this show or is it uh this period or is

1378

01:03:08,089 --> 01:03:07,140

this something you thought about for a

1379

01:03:11,150 --> 01:03:08,099

long time

1380

01:03:13,970 --> 01:03:11,160

so I started seriously thinking about it

1381

01:03:16,789 --> 01:03:13,980

my senior year in high school of

1382

01:03:21,770 --> 01:03:16,799

purchasing an RV and living on the road

1383

01:03:23,450 --> 01:03:21,780

now that that plan has changed a lot

1384

01:03:26,390 --> 01:03:23,460

since then

1385

01:03:29,630 --> 01:03:26,400

um mainly because when I was younger in

1386

01:03:32,530 --> 01:03:29,640

high school I I just didn't like this

1387

01:03:35,690 --> 01:03:32,540

rigid lifestyle that people were living

1388

01:03:38,270 --> 01:03:35,700

where they had to stay in one place for

1389

01:03:40,609 --> 01:03:38,280

several decades work a nine to five job

1390

01:03:43,430 --> 01:03:40,619

things like this and I've never really

1391

01:03:46,670 --> 01:03:43,440

enjoyed that I've had I've attempted to

1392

01:03:49,490 --> 01:03:46,680

have those types of jobs and I I never

1393

01:03:52,549 --> 01:03:49,500

enjoyed them but

1394

01:03:55,690 --> 01:03:52,559

as this show progressed I thought

1395

01:03:59,690 --> 01:03:55,700

instead of just like living on the road

1396

01:04:03,710 --> 01:03:59,700

why not while having this channel visit

1397

01:04:05,809 --> 01:04:03,720

UFO hotspots paranormal hotspots and

1398

01:04:07,430 --> 01:04:05,819

write everything down document

1399

01:04:08,809 --> 01:04:07,440

everything because the Channel that I

1400

01:04:11,630 --> 01:04:08,819

have which is under my name Christina

1401

01:04:14,930 --> 01:04:11,640

Gomez no h by the way

1402

01:04:17,930 --> 01:04:14,940

it's it's all about journaling my

1403

01:04:20,750 --> 01:04:17,940

Adventures my Curiosities and the things

1404

01:04:22,309 --> 01:04:20,760

that I'm learning as I go along what I

1405

01:04:24,829 --> 01:04:22,319

had mentioned in the first half of the

1406

01:04:27,170 --> 01:04:24,839

show is that it originally all started

1407

01:04:29,630 --> 01:04:27,180

with UFOs that's how I got into creating

1408

01:04:32,450 --> 01:04:29,640

a YouTube channel and then doing the

1409

01:04:34,130 --> 01:04:32,460

research right but as I progressed and I

1410

01:04:36,530 --> 01:04:34,140

spoke to more people and I was doing

1411

01:04:38,329 --> 01:04:36,540

more research I was jumping down all

1412

01:04:40,250 --> 01:04:38,339

these different rabbit holes and I began

1413

01:04:42,049 --> 01:04:40,260

to realize that there is a convergence

1414

01:04:44,870 --> 01:04:42,059

between the UFO phenomenon and the

1415

01:04:47,210 --> 01:04:44,880

Paranormal and then that led into so

1416

01:04:49,370 --> 01:04:47,220

many other rabbit holes to the point now

1417

01:04:51,710 --> 01:04:49,380

Jimmy where we've done shows on

1418

01:04:54,230 --> 01:04:51,720

Mysteries with the history where we look

1419

01:04:55,849 --> 01:04:54,240

at an entire country for instance this

1420

01:04:59,450 --> 01:04:55,859

last one the mysteries of Australia

1421

01:05:01,210 --> 01:04:59,460

where we spoke about UFO sightings we

1422

01:05:03,650 --> 01:05:01,220

spoke about Cryptids spoke about

1423

01:05:07,609 --> 01:05:03,660

disappearances and they're all under

1424

01:05:09,890 --> 01:05:07,619

this category of The Unexplained and so

1425

01:05:12,049 --> 01:05:09,900

for myself that's what I want to

1426

01:05:14,630 --> 01:05:12,059

document while traveling across the

1427

01:05:17,809 --> 01:05:14,640

United States and just decking it out

1428

01:05:20,750 --> 01:05:17,819

with really good research equipment as

1429

01:05:22,430 --> 01:05:20,760

well and to bring everyone with me on

1430

01:05:25,190 --> 01:05:22,440

the journey because there's a lot of

1431

01:05:27,710 --> 01:05:25,200

people that want to go on the road and

1432

01:05:29,809 --> 01:05:27,720

do research but not many execute it

1433

01:05:32,569 --> 01:05:29,819

because it's it's a very difficult dream

1434

01:05:35,750 --> 01:05:32,579

to pursue it takes a lot of dedication

1435

01:05:38,210 --> 01:05:35,760

and it takes a lot of

1436

01:05:40,130 --> 01:05:38,220

um understanding equipment safety as

1437

01:05:43,130 --> 01:05:40,140

well camping knowledge I mean there's so

1438

01:05:45,530 --> 01:05:43,140

many factors that go into it luckily

1439

01:05:47,450 --> 01:05:45,540

I've had five years to prepare I will be

1440

01:05:50,690 --> 01:05:47,460

graduating this year from the University

1441

01:05:52,609 --> 01:05:50,700

which I could not be more excited

1442

01:05:55,130 --> 01:05:52,619

because

1443

01:05:57,289 --> 01:05:55,140

it's College I mean you you either love

1444

01:06:00,530 --> 01:05:57,299

it or you hate it and I was on that side

1445

01:06:03,170 --> 01:06:00,540

of like not loving it I was

1446

01:06:06,430 --> 01:06:03,180

not loving college or the idea of

1447

01:06:09,349 --> 01:06:06,440

getting an RV oh no no

1448

01:06:11,270 --> 01:06:09,359

not loving College I come from a street

1449

01:06:13,490 --> 01:06:11,280

that's so cool you know what you know

1450

01:06:15,770 --> 01:06:13,500

look it's not for everyone I came from a

1451

01:06:18,470 --> 01:06:15,780

strict Latin household and I've always

1452

01:06:21,470 --> 01:06:18,480

enjoyed learning but there have been

1453

01:06:23,690 --> 01:06:21,480

many aspects when it comes to the school

1454

01:06:26,870 --> 01:06:23,700

system where they tell you all right

1455

01:06:29,569 --> 01:06:26,880

your answers are A B C or D pick one and

1456

01:06:33,650 --> 01:06:29,579

you can't really ask questions beyond

1457

01:06:35,809 --> 01:06:33,660

that I am not thoroughly liked by my

1458

01:06:38,809 --> 01:06:35,819

professors because I ask some questions

1459

01:06:40,549 --> 01:06:38,819

that they simply find difficulty

1460

01:06:43,250 --> 01:06:40,559

answering and I'm not there to put them

1461

01:06:46,069 --> 01:06:43,260

on the spot at all but I truly want to

1462

01:06:49,849 --> 01:06:46,079

understand when I speak to people I want

1463

01:06:52,250 --> 01:06:49,859

to understand what their specialty is

1464

01:06:53,990 --> 01:06:52,260

and also their perspective as well and

1465

01:06:57,170 --> 01:06:54,000

so when it comes to even my professors

1466

01:06:59,390 --> 01:06:57,180

I'm like but can you explain why and

1467

01:07:01,910 --> 01:06:59,400

they just said I I don't get paid enough

1468

01:07:03,950 --> 01:07:01,920

to tell you why but this is the answer

1469

01:07:05,870 --> 01:07:03,960

and I'm like do you know how much it

1470

01:07:07,670 --> 01:07:05,880

costs to go to university do you have

1471

01:07:10,309 --> 01:07:07,680

any idea I'm a self-funded college

1472

01:07:12,650 --> 01:07:10,319

student like I am paying you big bucks

1473

01:07:16,190 --> 01:07:12,660

to give me the answer yeah and they're

1474

01:07:19,849 --> 01:07:16,200

like no and damn it so

1475

01:07:22,309 --> 01:07:19,859

um uh you're also a Communications major

1476

01:07:25,130 --> 01:07:22,319

minor that's correct so it's a

1477

01:07:28,190 --> 01:07:25,140

communication major a business minor

1478

01:07:29,809 --> 01:07:28,200

business minor okay so

1479

01:07:33,289 --> 01:07:29,819

um when you go down the communications

1480

01:07:36,829 --> 01:07:33,299

path there are so many uh different

1481

01:07:39,410 --> 01:07:36,839

areas to also get into and to learn

1482

01:07:42,529 --> 01:07:39,420

um are you doing any film or video

1483

01:07:45,470 --> 01:07:42,539

editing filmmaking documentary style are

1484

01:07:47,750 --> 01:07:45,480

you taking any classes for that yes over

1485

01:07:50,710 --> 01:07:47,760

the summer I did take a documentary and

1486

01:07:55,549 --> 01:07:50,720

filmmaking class and with that knowledge

1487

01:07:58,010 --> 01:07:55,559

I am going to be using that for the RV

1488

01:08:01,430 --> 01:07:58,020

while like during that time where I'll

1489

01:08:04,370 --> 01:08:01,440

be filming but also I plan on creating

1490

01:08:07,309 --> 01:08:04,380

documentaries as well which is going to

1491

01:08:10,750 --> 01:08:07,319

be super exciting it takes a

1492

01:08:13,130 --> 01:08:10,760

crazy amount of work but with the [h\_\_h]

1493

01:08:16,490 --> 01:08:13,140

did you shoot a documentary for the

1494

01:08:18,769 --> 01:08:16,500

class A short yes yes we were required

1495

01:08:20,870 --> 01:08:18,779

to film I mean definitely not like an

1496

01:08:23,030 --> 01:08:20,880

hour an hour and a half long but like

1497

01:08:24,829 --> 01:08:23,040

kind of like a practice to right grade

1498

01:08:26,630 --> 01:08:24,839

it on and understand the basics

1499

01:08:28,970 --> 01:08:26,640

Christina

1500

01:08:32,329 --> 01:08:28,980

just say yes so I get to the next

1501

01:08:35,809 --> 01:08:32,339

question okay the next question is uh

1502

01:08:38,269 --> 01:08:35,819

was it about UFOs or Bigfoot

1503

01:08:39,050 --> 01:08:38,279

it was you know what I'll let you take a

1504

01:08:41,749 --> 01:08:39,060

guess

1505

01:08:44,150 --> 01:08:41,759

I just did was it UFOs or Bigfoot okay

1506

01:08:45,829 --> 01:08:44,160

but out of those two take a guess

1507

01:08:49,130 --> 01:08:45,839

Bigfoot

1508

01:08:51,289 --> 01:08:49,140

you betcha it was okay so and when

1509

01:08:55,550 --> 01:08:51,299

you're in the car I love this because I

1510

01:08:57,769 --> 01:08:55,560

I went through all of this myself so uh

1511

01:08:59,749 --> 01:08:57,779

the school has got a lot of cool stuff

1512

01:09:01,189 --> 01:08:59,759

right they've got computers editing

1513

01:09:03,289 --> 01:09:01,199

equipment they've got cameras they've

1514

01:09:06,229 --> 01:09:03,299

got lights they've got microphones maybe

1515

01:09:08,150 --> 01:09:06,239

a dolly or two and you are able to

1516

01:09:09,590 --> 01:09:08,160

battery packs battery belts and you're

1517

01:09:11,209 --> 01:09:09,600

able to go out and do your stuff right

1518

01:09:16,070 --> 01:09:11,219

right right right right that's right

1519

01:09:18,970 --> 01:09:16,080

okay now did you do the obvious did you

1520

01:09:22,729 --> 01:09:18,980

turn to your teacher Professor whatever

1521

01:09:25,249 --> 01:09:22,739

you whoever's running did you hold up

1522

01:09:27,370 --> 01:09:25,259

the camera and go which one of these can

1523

01:09:30,590 --> 01:09:27,380

I shoot a UFO with

1524

01:09:32,570 --> 01:09:30,600

which one of these best captures a

1525

01:09:34,490 --> 01:09:32,580

Bigfoot in the wilderness did you ask

1526

01:09:37,269 --> 01:09:34,500

that question very important question I

1527

01:09:41,570 --> 01:09:37,279

had to ask those questions so I knew

1528

01:09:44,570 --> 01:09:41,580

what camcorder to purchase and make the

1529

01:09:47,630 --> 01:09:44,580

smart buy because let me just tell you

1530

01:09:49,789 --> 01:09:47,640

Jimmy this equipment is expensive if you

1531

01:09:53,890 --> 01:09:49,799

want the good stuff and I want the good

1532

01:09:56,090 --> 01:09:53,900

stuff to create the best quality content

1533

01:09:58,490 --> 01:09:56,100

Okay so

1534

01:10:01,010 --> 01:09:58,500

this is actually one of the best

1535

01:10:03,350 --> 01:10:01,020

questions I have ever seen on Fade to

1536

01:10:05,090 --> 01:10:03,360

Black this is from Kurt M question two

1537

01:10:06,830 --> 01:10:05,100

Christina and Jimmy because I want

1538

01:10:09,770 --> 01:10:06,840

Christina's answer to this I can give

1539

01:10:13,729 --> 01:10:09,780

you my answer uh what digital audio

1540

01:10:16,550 --> 01:10:13,739

workstation do you to use okay Christina

1541

01:10:18,169 --> 01:10:16,560

what do you you do you use Hardware uh

1542

01:10:19,729 --> 01:10:18,179

do you use software do you use a

1543

01:10:21,169 --> 01:10:19,739

combination of both when you capture

1544

01:10:25,669 --> 01:10:21,179

your audio

1545

01:10:27,229 --> 01:10:25,679

so I have a midi keyboard which I also

1546

01:10:28,550 --> 01:10:27,239

use for my music as well but when it

1547

01:10:31,490 --> 01:10:28,560

comes to this

1548

01:10:33,290 --> 01:10:31,500

I I do use

1549

01:10:36,290 --> 01:10:33,300

um Daw which for those I don't know it's

1550

01:10:39,229 --> 01:10:36,300

a digital audio workstation and then I

1551

01:10:42,530 --> 01:10:39,239

use the process of working with tones

1552

01:10:45,830 --> 01:10:42,540

and oscillators and the granular mod

1553

01:10:48,890 --> 01:10:45,840

plugins as well but that's for music but

1554

01:10:51,830 --> 01:10:48,900

for yeah the question is what software

1555

01:10:54,470 --> 01:10:51,840

are you using on your digital audio

1556

01:10:58,790 --> 01:10:54,480

workstation on your computer I use FL

1557

01:11:03,110 --> 01:10:58,800

Studio and acid Pro oh oh oh oh oh okay

1558

01:11:04,729 --> 01:11:03,120

okay so and both record audio so if

1559

01:11:07,310 --> 01:11:04,739

you're recording

1560

01:11:08,930 --> 01:11:07,320

uh so you do your edits there too as

1561

01:11:11,990 --> 01:11:08,940

well

1562

01:11:14,630 --> 01:11:12,000

um I do my audio edits there but I also

1563

01:11:17,930 --> 01:11:14,640

like for video I use Vegas I use Vegas

1564

01:11:20,390 --> 01:11:17,940

too love Vegas yeah it's it's a learning

1565

01:11:22,910 --> 01:11:20,400

curve when you first start but it has so

1566

01:11:24,950 --> 01:11:22,920

much flexibility yeah yeah yeah I have

1567

01:11:29,209 --> 01:11:24,960

all that adobe stuff

1568

01:11:30,530 --> 01:11:29,219

um for my audio I use Adobe Audition

1569

01:11:32,270 --> 01:11:30,540

um I've talked about this a lot I've

1570

01:11:33,950 --> 01:11:32,280

been involved with the company since it

1571

01:11:36,169 --> 01:11:33,960

first started

1572

01:11:38,870 --> 01:11:36,179

um so and I love it and it's also the

1573

01:11:42,229 --> 01:11:38,880

industry standard and every radio

1574

01:11:44,270 --> 01:11:42,239

station or Newsroom uh uh across the

1575

01:11:47,649 --> 01:11:44,280

country professionally that's what they

1576

01:11:51,590 --> 01:11:47,659

use and also in most I'm gonna say most

1577

01:11:53,990 --> 01:11:51,600

uh newsrooms they use Vegas they use

1578

01:11:55,790 --> 01:11:54,000

Vegas it's a standard it's a standard

1579

01:11:59,510 --> 01:11:55,800

and also I know this is going to freak

1580

01:12:02,209 --> 01:11:59,520

some people out but listen to me uh

1581

01:12:04,729 --> 01:12:02,219

because this is a great question Kurt

1582

01:12:07,250 --> 01:12:04,739

um it's a PC World

1583

01:12:09,770 --> 01:12:07,260

all right it's not a Mac world you don't

1584

01:12:12,770 --> 01:12:09,780

see Max at radio stations you don't see

1585

01:12:15,530 --> 01:12:12,780

Max in a newsroom

1586

01:12:17,270 --> 01:12:15,540

um in the perfect now in a general sense

1587

01:12:19,370 --> 01:12:17,280

now I'm not saying that there aren't

1588

01:12:21,350 --> 01:12:19,380

Rebels out there

1589

01:12:23,209 --> 01:12:21,360

um and if you go they struggle

1590

01:12:25,910 --> 01:12:23,219

Raffles that struggle when they use math

1591

01:12:28,850 --> 01:12:25,920

that's right that's right so now in a

1592

01:12:32,450 --> 01:12:28,860

music studio you're going to see Max and

1593

01:12:35,209 --> 01:12:32,460

and Pro Tools but when it comes to TV

1594

01:12:38,450 --> 01:12:35,219

and radio production

1595

01:12:42,530 --> 01:12:38,460

um what is used is PCS and on that it's

1596

01:12:44,810 --> 01:12:42,540

Adobe Audition and Sony Vegas and that

1597

01:12:46,850 --> 01:12:44,820

way all of the platforms are consistent

1598

01:12:48,770 --> 01:12:46,860

across the country and that's it there's

1599

01:12:52,070 --> 01:12:48,780

no questions about it and file exchanges

1600

01:12:54,470 --> 01:12:52,080

and and things and for Speed

1601

01:12:57,350 --> 01:12:54,480

um you have to

1602

01:12:59,030 --> 01:12:57,360

um in in in in some cases well in a lot

1603

01:13:00,709 --> 01:12:59,040

of cases this is the way things go down

1604

01:13:04,370 --> 01:13:00,719

you'll see one of those trucks pull up

1605

01:13:06,709 --> 01:13:04,380

right uh and and they're there

1606

01:13:09,649 --> 01:13:06,719

a reporter comes out with a producer

1607

01:13:11,990 --> 01:13:09,659

right and they're doing their thing the

1608

01:13:13,189 --> 01:13:12,000

edits for their show that goes down in

1609

01:13:15,709 --> 01:13:13,199

the truck

1610

01:13:17,630 --> 01:13:15,719

they jump in there they got a PC right

1611

01:13:19,250 --> 01:13:17,640

and they're going in and blah blah blah

1612

01:13:21,350 --> 01:13:19,260

blah they put together what's called a

1613

01:13:24,649 --> 01:13:21,360

donut there's another reason for that

1614

01:13:27,169 --> 01:13:24,659

and that you know that goes off and and

1615

01:13:30,830 --> 01:13:27,179

goes back uh to the TV station for the

1616

01:13:32,689 --> 01:13:30,840

news broadcast but uh speed wise PC and

1617

01:13:35,030 --> 01:13:32,699

that's what they use that's it that's it

1618

01:13:36,470 --> 01:13:35,040

there isn't uh anything outside of that

1619

01:13:39,950 --> 01:13:36,480

so I hope that answers your question

1620

01:13:43,130 --> 01:13:39,960

Kurt and he I hope he wasn't hoping you

1621

01:13:46,310 --> 01:13:43,140

were gonna say uh oh no I use Pro Tools

1622

01:13:48,890 --> 01:13:46,320

I've got a I've got a 24 i o Pro Tools

1623

01:13:51,610 --> 01:13:48,900

rig they're gonna say like iMovie or

1624

01:13:55,010 --> 01:13:51,620

something which is

1625

01:13:56,750 --> 01:13:55,020

but I I do use Adobe Audition

1626

01:13:59,390 --> 01:13:56,760

um for like podcast cleaning up and

1627

01:14:01,790 --> 01:13:59,400

vocals but I do also use

1628

01:14:03,709 --> 01:14:01,800

um after effects to do a lot of like my

1629

01:14:06,470 --> 01:14:03,719

visuals for the show especially the

1630

01:14:08,870 --> 01:14:06,480

unknown Zone but also for like music

1631

01:14:10,070 --> 01:14:08,880

videos on my music channel as well so I

1632

01:14:13,189 --> 01:14:10,080

usually I use a lot of different

1633

01:14:15,290 --> 01:14:13,199

programs that are very specific to this

1634

01:14:16,570 --> 01:14:15,300

show or the thing that I want to use it

1635

01:14:21,290 --> 01:14:16,580

for

1636

01:14:24,590 --> 01:14:21,300

the uh the importance of that uh if you

1637

01:14:26,990 --> 01:14:24,600

are going to be mobile right you're

1638

01:14:28,910 --> 01:14:27,000

going to be living in this RV you're

1639

01:14:31,189 --> 01:14:28,920

going to have your audio and video

1640

01:14:33,410 --> 01:14:31,199

production equipment there you're going

1641

01:14:34,850 --> 01:14:33,420

to be shooting a documentary uh over a

1642

01:14:36,649 --> 01:14:34,860

good length of time

1643

01:14:37,910 --> 01:14:36,659

that means you're going to be editing in

1644

01:14:39,530 --> 01:14:37,920

your special effects and everything else

1645

01:14:43,130 --> 01:14:39,540

in your audio production all this is

1646

01:14:44,750 --> 01:14:43,140

going to go down in the RV

1647

01:14:47,930 --> 01:14:44,760

yep

1648

01:14:50,630 --> 01:14:47,940

huh yeah I'm gonna figure that one out

1649

01:14:52,550 --> 01:14:50,640

as I go along but I'm excited I'm I'm

1650

01:14:53,990 --> 01:14:52,560

mentally prepared I just

1651  
01:14:56,270 --> 01:14:54,000  
don't know how it's going to turn out

1652  
01:14:58,550 --> 01:14:56,280  
for me like the most important thing

1653  
01:15:01,910 --> 01:14:58,560  
where it comes to purchasing an RV is

1654  
01:15:04,070 --> 01:15:01,920  
that it needs it needs to have a washer

1655  
01:15:07,970 --> 01:15:04,080  
and dryer for those that were in college

1656  
01:15:10,189 --> 01:15:07,980  
you understand my struggle of not having

1657  
01:15:12,470 --> 01:15:10,199  
a washer and dryer at home so you have

1658  
01:15:15,890 --> 01:15:12,480  
to go to a laundry mat and you have to

1659  
01:15:18,649 --> 01:15:15,900  
dedicate several hours of your day every

1660  
01:15:20,630 --> 01:15:18,659  
week or every other week to go there and

1661  
01:15:22,189 --> 01:15:20,640  
then you fear that someone's going to

1662  
01:15:24,950 --> 01:15:22,199  
steal all of your clothes I've had

1663  
01:15:28,850 --> 01:15:24,960

someone steal my towels for no reason

1664

01:15:32,209 --> 01:15:28,860

and so my my main requirement is just to

1665

01:15:34,250 --> 01:15:32,219

have a washer and dryer not the towels I

1666

01:15:36,110 --> 01:15:34,260

know right so then no no here's the

1667

01:15:38,630 --> 01:15:36,120

worst part about that story Jimmy is

1668

01:15:40,189 --> 01:15:38,640

that I found out someone stole my towels

1669

01:15:42,950 --> 01:15:40,199

and I'm like these are not even nice

1670

01:15:45,590 --> 01:15:42,960

okay so then I run to the store and I

1671

01:15:47,510 --> 01:15:45,600

purchase some more cheap ones I come

1672

01:15:52,490 --> 01:15:47,520

back to wash those because they're brand

1673

01:15:56,270 --> 01:15:52,500

new and then they return my towels

1674

01:15:59,390 --> 01:15:56,280

yes you didn't return the other ones no

1675

01:16:01,430 --> 01:15:59,400

because I had already washed up oh I was

1676

01:16:05,390 --> 01:16:01,440

so upset I was like what am I gonna do

1677

01:16:06,950 --> 01:16:05,400

with all these extra towels now yeah the

1678

01:16:09,470 --> 01:16:06,960

what about

1679

01:16:11,030 --> 01:16:09,480

um uh I I want to ask you uh two

1680

01:16:12,830 --> 01:16:11,040

questions and I hope they're they're not

1681

01:16:15,649 --> 01:16:12,840

too strange

1682

01:16:17,450 --> 01:16:15,659

um have you thought about

1683

01:16:20,450 --> 01:16:17,460

shooting at night

1684

01:16:23,570 --> 01:16:20,460

and and how to capture uh something

1685

01:16:26,390 --> 01:16:23,580

because shooting the Stars whether it's

1686

01:16:29,090 --> 01:16:26,400

um you know with video or or a camera

1687

01:16:31,370 --> 01:16:29,100

still camera or even a cell phone it's

1688

01:16:34,550 --> 01:16:31,380

always a challenge right long exposures

1689

01:16:35,390 --> 01:16:34,560

with uh telescopes uh to capture that

1690

01:16:36,830 --> 01:16:35,400

stuff

1691

01:16:39,110 --> 01:16:36,840

um but you're going to be out there

1692

01:16:40,970 --> 01:16:39,120

filming at night a good chunk of the

1693

01:16:44,709 --> 01:16:40,980

time how are you going to pull that off

1694

01:16:47,870 --> 01:16:44,719

well I do have the Aurora psionics Pro

1695

01:16:49,970 --> 01:16:47,880

and I am planning planning on purchasing

1696

01:16:52,490 --> 01:16:49,980

some more like night vision type

1697

01:16:56,570 --> 01:16:52,500

equipment as well so that it will be

1698

01:16:59,390 --> 01:16:56,580

more versatile when film filmmaking to

1699

01:17:02,630 --> 01:16:59,400

have one that can record at night next

1700

01:17:05,750 --> 01:17:02,640

to your average camcorder as well

1701

01:17:09,830 --> 01:17:05,760

because what I've noticed with people

1702

01:17:13,090 --> 01:17:09,840

that have had UFO experiences or that

1703

01:17:15,950 --> 01:17:13,100

capture something on film excuse me

1704

01:17:17,570 --> 01:17:15,960

uh it's it's better to have too because

1705

01:17:19,490 --> 01:17:17,580

they are able to see

1706

01:17:21,410 --> 01:17:19,500

and different

1707

01:17:25,850 --> 01:17:21,420

um light spectrums right but I am also

1708

01:17:28,070 --> 01:17:25,860

getting a pulsar helion Pro xp2 as well

1709

01:17:31,130 --> 01:17:28,080

which is just an amazing thermal camera

1710

01:17:33,790 --> 01:17:31,140

which basically doubles as night vision

1711

01:17:35,630 --> 01:17:33,800

just insane

1712

01:17:39,410 --> 01:17:35,640

what about

1713

01:17:42,290 --> 01:17:39,420

um are you gonna solar power this thing

1714

01:17:45,770 --> 01:17:42,300

that would be cool

1715

01:17:47,630 --> 01:17:45,780

that would be nice you know when um uh

1716

01:17:49,669 --> 01:17:47,640

yeah I think everybody knows by now I've

1717

01:17:52,970 --> 01:17:49,679

been uh shopping I haven't pulled the

1718

01:17:54,709 --> 01:17:52,980

trigger I've narrowed it down to one uh

1719

01:17:59,450 --> 01:17:54,719

one or two different types I'm looking

1720

01:18:02,570 --> 01:17:59,460

at all teardrop trailers right and a

1721

01:18:05,570 --> 01:18:02,580

teardrop trailer for everybody

1722

01:18:06,790 --> 01:18:05,580

um looks something like I don't have the

1723

01:18:08,590 --> 01:18:06,800

ability

1724

01:18:14,270 --> 01:18:08,600

uh

1725

01:18:14,280 --> 01:18:19,189

so if this is

1726

01:18:27,950 --> 01:18:25,130

this is Fred Flintstone but if this is

1727

01:18:30,770 --> 01:18:27,960

if that's my Jeep oh can you see it oh

1728

01:18:35,630 --> 01:18:30,780

man don't tell me okay oh I see it I see

1729

01:18:37,790 --> 01:18:35,640

it that's my Jeep right yeah Rob trailer

1730

01:18:39,590 --> 01:18:37,800

looks like that behind it which is like

1731

01:18:41,750 --> 01:18:39,600

only a bed right there's nothing else in

1732

01:18:44,450 --> 01:18:41,760

there no there's no there's no washer

1733

01:18:46,689 --> 01:18:44,460

and dryer uh Christina there's no washer

1734

01:18:50,149 --> 01:18:46,699

and dryer but

1735

01:18:52,310 --> 01:18:50,159

one of the options there's no toilet

1736

01:18:54,590 --> 01:18:52,320

there's no shower there's nothing in

1737

01:18:57,590 --> 01:18:54,600

there you just use that to keep you from

1738

01:19:02,890 --> 01:18:57,600

getting eaten by bears that's that's

1739

01:19:06,229 --> 01:19:02,900

that's the reason uh for tier but um uh

1740

01:19:08,270 --> 01:19:06,239

the the one option

1741

01:19:11,630 --> 01:19:08,280

is solar power

1742

01:19:13,490 --> 01:19:11,640

I think that is that is pretty crucial

1743

01:19:15,830 --> 01:19:13,500

um to to have that because you're going

1744

01:19:17,390 --> 01:19:15,840

to be in a lot of areas where you're not

1745

01:19:18,830 --> 01:19:17,400

going to have access to AC power and

1746

01:19:21,229 --> 01:19:18,840

then once your batteries run down they

1747

01:19:22,850 --> 01:19:21,239

run down and you're going to need that

1748

01:19:25,689 --> 01:19:22,860

for a lot of reasons obviously for cell

1749

01:19:28,010 --> 01:19:25,699

phones but uh for communications maybe

1750

01:19:31,250 --> 01:19:28,020

what about batteries for your water

1751

01:19:32,870 --> 01:19:31,260

heater you know or you know things like

1752

01:19:35,090 --> 01:19:32,880

that

1753

01:19:37,790 --> 01:19:35,100

um I think are are very very important

1754

01:19:40,070 --> 01:19:37,800

so yeah I'm I'm definitely with my

1755

01:19:42,290 --> 01:19:40,080

teardrop I'm gonna have solar power

1756

01:19:45,470 --> 01:19:42,300

it's it seems like it's the way to go

1757

01:19:47,090 --> 01:19:45,480

now when purchasing motorhomes is to

1758

01:19:49,070 --> 01:19:47,100

have solar panels there's a good amount

1759

01:19:51,410 --> 01:19:49,080

of them that already have them up there

1760

01:19:54,229 --> 01:19:51,420

and there's many that you have to

1761

01:19:55,669 --> 01:19:54,239

purchase and add but overall yeah you

1762

01:19:56,630 --> 01:19:55,679

really got to think about those things

1763

01:19:58,310 --> 01:19:56,640

that when you're in the middle of

1764

01:19:59,390 --> 01:19:58,320

nowhere and when there's no hookup you

1765

01:20:01,790 --> 01:19:59,400

have to do it how are you going to get

1766

01:20:03,169 --> 01:20:01,800

that energy yeah you have to do it and

1767

01:20:06,169 --> 01:20:03,179

now

1768

01:20:08,750 --> 01:20:06,179

um I'm gonna there's a way to bring all

1769

01:20:10,490 --> 01:20:08,760

of this back to UFOs but before we get

1770

01:20:14,570 --> 01:20:10,500

there

1771

01:20:16,370 --> 01:20:14,580

um I'm curious what what size are we

1772

01:20:18,410 --> 01:20:16,380

talking about here because I'm looking

1773

01:20:22,610 --> 01:20:18,420

at you and I'm picturing a little 16

1774

01:20:24,590 --> 01:20:22,620

foot tiny little RV you know with the

1775

01:20:26,149 --> 01:20:24,600

four-cylinder engine you know something

1776

01:20:28,550 --> 01:20:26,159

cute

1777

01:20:31,610 --> 01:20:28,560

no it's it's got to be a really good

1778

01:20:33,590 --> 01:20:31,620

size because not only were will I be

1779

01:20:36,290 --> 01:20:33,600

filming in it but I'm also planning on

1780

01:20:39,890 --> 01:20:36,300

making at least a tiny studio for

1781

01:20:42,709 --> 01:20:39,900

creating music as well so I'm looking at

1782

01:20:44,209 --> 01:20:42,719

a good 30 feet

1783

01:20:44,810 --> 01:20:44,219

RV

1784

01:20:48,530 --> 01:20:44,820

um

1785

01:20:51,229 --> 01:20:48,540

did three and a zero yeah they're the

1786

01:20:54,169 --> 01:20:51,239

the big 3-0 you know that's that's the

1787

01:20:58,370 --> 01:20:54,179

size of a semi-trip with a trailer I

1788

01:20:59,870 --> 01:20:58,380

mean that's that's big well okay so with

1789

01:21:02,090 --> 01:20:59,880

something like that that means you're

1790

01:21:05,270 --> 01:21:02,100

gonna have the ability you're gonna have

1791

01:21:08,450 --> 01:21:05,280

the extended range and the size to just

1792

01:21:11,930 --> 01:21:08,460

about go anywhere that you want heck

1793

01:21:14,990 --> 01:21:11,940

yeah okay first UFO hotspot where are

1794

01:21:16,550 --> 01:21:15,000

you going no are you okay and I know

1795

01:21:19,490 --> 01:21:16,560

that you probably got all this planned

1796

01:21:24,530 --> 01:21:19,500

out are are you alternating Bigfoot UFO

1797

01:21:27,770 --> 01:21:24,540

Bigfoot UFO or do you have uh uh where's

1798

01:21:30,770 --> 01:21:27,780

where's spot number one and why so the

1799

01:21:33,050 --> 01:21:30,780

first location is going to be the Uinta

1800

01:21:36,110 --> 01:21:33,060

Basin in Utah that is the number one

1801  
01:21:38,110 --> 01:21:36,120  
place that I'm going because after doing

1802  
01:21:42,709 --> 01:21:38,120  
the research on the entire state of Utah

1803  
01:21:45,790 --> 01:21:42,719  
it is a whack State like that stage is

1804  
01:21:49,189 --> 01:21:45,800  
it's it's whack it's why

1805  
01:21:51,110 --> 01:21:49,199  
like the entire State yeah and so that

1806  
01:21:53,090 --> 01:21:51,120  
would be my very first location to go to

1807  
01:21:54,649 --> 01:21:53,100  
very specifically the Uinta Basin

1808  
01:21:57,169 --> 01:21:54,659  
because there's a lot going on there and

1809  
01:21:59,630 --> 01:21:57,179  
a lot of things to research and cover

1810  
01:22:01,970 --> 01:21:59,640  
and um Brandon fogle has invited me to

1811  
01:22:04,189 --> 01:22:01,980  
skinwalk a ranch so that's also gonna

1812  
01:22:07,970 --> 01:22:04,199  
that's obviously a part of the list of

1813  
01:22:10,790 --> 01:22:07,980

places to go and to document so overall

1814

01:22:13,490 --> 01:22:10,800

I'm just I've been planning this for

1815

01:22:15,250 --> 01:22:13,500

years now and I have a whole list of all

1816

01:22:26,590 --> 01:22:15,260

the places that I want to stop at

1817

01:22:31,250 --> 01:22:29,810

and then UFOs 100

1818

01:22:33,050 --> 01:22:31,260

um don't tell Brandon that you're

1819

01:22:35,630 --> 01:22:33,060

showing up with me you want to make sure

1820

01:22:37,729 --> 01:22:35,640

that you get through the gates and then

1821

01:22:39,709 --> 01:22:37,739

I'll be right behind you and I'll sneak

1822

01:22:43,189 --> 01:22:39,719

in before the the you know the gates the

1823

01:22:49,729 --> 01:22:46,610

um uh so I I you're absolutely right and

1824

01:22:51,590 --> 01:22:49,739

after you leave a skin walker uh there's

1825

01:22:52,669 --> 01:22:51,600

blind frog Ranch there's all kinds of

1826

01:22:54,470 --> 01:22:52,679

other things

1827

01:22:57,530 --> 01:22:54,480

um in that area

1828

01:23:01,370 --> 01:22:57,540

um but there must okay so stop number

1829

01:23:03,290 --> 01:23:01,380

two in order of importance

1830

01:23:05,630 --> 01:23:03,300

I think from there we'll just kind of be

1831

01:23:07,790 --> 01:23:05,640

scouting out areas of the Uinta Basin

1832

01:23:08,930 --> 01:23:07,800

but then if I had to travel to a

1833

01:23:10,550 --> 01:23:08,940

different state if talking about like

1834

01:23:13,729 --> 01:23:10,560

other places to visit

1835

01:23:17,209 --> 01:23:13,739

of of course Jimmy of course it's gonna

1836

01:23:20,630 --> 01:23:17,219

be the Bridgewater Triangle oh because

1837

01:23:23,090 --> 01:23:20,640

of pakwaji okay okay so that's a sorry

1838

01:23:25,610 --> 01:23:23,100

Puck that's a three-day four-day drive

1839

01:23:27,110 --> 01:23:25,620

across the country that I mean there's a

1840

01:23:30,950 --> 01:23:27,120

bed there there's a bathroom there's a

1841

01:23:32,990 --> 01:23:30,960

kitchen so I'm good to go okay so

1842

01:23:34,910 --> 01:23:33,000

um you're not going to strategically put

1843

01:23:39,729 --> 01:23:34,920

pins on a map and hit a bunch of things

1844

01:23:45,410 --> 01:23:42,410

Bridgewater and then swing it back down

1845

01:23:49,130 --> 01:23:45,420

to Roswell New Mexico and then go back

1846

01:23:51,950 --> 01:23:49,140

to The Serpent Mound and and then down

1847

01:23:53,209 --> 01:23:51,960

to the coral cat in in Florida you're

1848

01:23:55,550 --> 01:23:53,219

just gonna do that you're going to do

1849

01:23:58,010 --> 01:23:55,560

these huge Drive no well while I'm

1850

01:24:01,070 --> 01:23:58,020

driving from one point to another I'll

1851

01:24:03,890 --> 01:24:01,080

make those stops as well also places

1852

01:24:05,689 --> 01:24:03,900

including like Washington Oregon and

1853

01:24:07,189 --> 01:24:05,699

places that I have been given a heads up

1854

01:24:09,169 --> 01:24:07,199

on that I should check out including

1855

01:24:11,990 --> 01:24:09,179

areas of Paranormal Activity as well

1856

01:24:15,410 --> 01:24:12,000

because on only will I be looking at UFO

1857

01:24:17,870 --> 01:24:15,420

hot spots but also haunted locations and

1858

01:24:19,729 --> 01:24:17,880

I have been invited by some um TV ghost

1859

01:24:22,610 --> 01:24:19,739

hunting teams to join them on specific

1860

01:24:24,770 --> 01:24:22,620

investigations as well so while doing

1861

01:24:27,010 --> 01:24:24,780

all of these

1862

01:24:29,930 --> 01:24:27,020

um travel

1863

01:24:31,850 --> 01:24:29,940

Journeys there there will be a purpose

1864

01:24:34,130 --> 01:24:31,860

for each location that I go to and also

1865

01:24:35,450 --> 01:24:34,140

that Midway as well

1866

01:24:38,330 --> 01:24:35,460

when

1867

01:24:42,169 --> 01:24:38,340

um I I love the Cryptid part of this and

1868

01:24:44,270 --> 01:24:42,179

of course the Bigfoot but uh aspect of

1869

01:24:46,729 --> 01:24:44,280

your research and and your questions and

1870

01:24:50,030 --> 01:24:46,739

your interest but back when you and I

1871

01:24:52,370 --> 01:24:50,040

started uh doing shows together

1872

01:24:55,850 --> 01:24:52,380

um and you were you're working at the

1873

01:24:57,530 --> 01:24:55,860

debrief at the time and and just so that

1874

01:25:00,169 --> 01:24:57,540

everybody knows Christina and I have

1875

01:25:04,070 --> 01:25:00,179

never met we've only done this virtually

1876

01:25:07,550 --> 01:25:04,080

now for uh almost two years but

1877

01:25:10,669 --> 01:25:07,560

um I Christina first caught my attention

1878

01:25:12,550 --> 01:25:10,679

with the debrief and I always looked at

1879

01:25:15,530 --> 01:25:12,560

you I mean there's all the blinders on

1880

01:25:19,790 --> 01:25:15,540

but somebody with an extreme interest in

1881

01:25:21,649 --> 01:25:19,800

UFOs and and that was it that I kind of

1882

01:25:24,830 --> 01:25:21,659

that's the way I look at the debrief in

1883

01:25:27,169 --> 01:25:24,840

general anyway right that's just me I'm

1884

01:25:29,149 --> 01:25:27,179

pretty close but

1885

01:25:33,649 --> 01:25:29,159

um uh science and UFOs

1886

01:25:35,149 --> 01:25:33,659

but now that we have strung a year of

1887

01:25:38,270 --> 01:25:35,159

shows together

1888

01:25:41,090 --> 01:25:38,280

you are you've taken a right-hand turn

1889

01:25:42,709 --> 01:25:41,100

off of the freeway and are now into a

1890

01:25:46,070 --> 01:25:42,719

dirt road going through the middle of a

1891

01:25:49,430 --> 01:25:46,080

cornfield in search of Cryptids and and

1892

01:25:53,510 --> 01:25:49,440

everything everything cryptid-ish

1893

01:25:56,149 --> 01:25:53,520

were you into Cryptids uh growing up or

1894

01:25:58,129 --> 01:25:56,159

did this happen because of meeting

1895

01:26:01,010 --> 01:25:58,139

strange people

1896

01:26:03,770 --> 01:26:01,020

the latter definitely I mean I've always

1897

01:26:05,689 --> 01:26:03,780

liked like myths and legends those have

1898

01:26:08,330 --> 01:26:05,699

always been great but not to the extent

1899

01:26:10,430 --> 01:26:08,340

of like actually being interested fully

1900

01:26:12,530 --> 01:26:10,440

and researching Cryptids and things like

1901

01:26:14,810 --> 01:26:12,540

that and I would like to mention that

1902

01:26:16,669 --> 01:26:14,820

you bring up uh you said something that

1903

01:26:18,890 --> 01:26:16,679

is important we've never met in person

1904

01:26:21,530 --> 01:26:18,900

I've actually never met anyone in these

1905

01:26:23,390 --> 01:26:21,540

fields or topics I do not travel because

1906

01:26:28,129 --> 01:26:23,400

of school and work so I have literally

1907

01:26:33,010 --> 01:26:28,139

met nobody in the field but when looking

1908

01:26:35,990 --> 01:26:33,020

at the the topic of Cryptids it's it's a

1909

01:26:38,930 --> 01:26:36,000

it's it's a wild conversation to have

1910

01:26:41,330 --> 01:26:38,940

because there's a lot of locations and

1911

01:26:43,850 --> 01:26:41,340

there's a lot of locals that have local

1912

01:26:46,070 --> 01:26:43,860

stories about certain Cryptids but then

1913

01:26:47,629 --> 01:26:46,080

if you go into like areas like the big

1914

01:26:49,070 --> 01:26:47,639

city they're going to be like nah those

1915

01:26:51,050 --> 01:26:49,080

are not real never heard of I'd never

1916

01:26:54,010 --> 01:26:51,060

grew up with those stories so it really

1917

01:26:56,450 --> 01:26:54,020

just depends on where you grew up and

1918

01:26:58,610 --> 01:26:56,460

your environment or you're surrounded by

1919

01:27:00,950 --> 01:26:58,620

to get those types of interests while

1920

01:27:03,110 --> 01:27:00,960

I've always been interested in like the

1921

01:27:04,310 --> 01:27:03,120

Unexplained but more specifically with

1922

01:27:07,669 --> 01:27:04,320

UFOs

1923

01:27:10,010 --> 01:27:07,679

I didn't expect like if I were to talk

1924

01:27:12,470 --> 01:27:10,020

to myself two years ago

1925

01:27:15,350 --> 01:27:12,480

I wouldn't expect to have a conversation

1926

01:27:18,410 --> 01:27:15,360

about Cryptids but I do find the reports

1927

01:27:21,770 --> 01:27:18,420

of Cryptids at the same time as UFOs

1928

01:27:23,990 --> 01:27:21,780

being seen incredibly fascinating

1929

01:27:25,930 --> 01:27:24,000

and and it and it's more common than

1930

01:27:27,470 --> 01:27:25,940

you'd think

1931

01:27:28,990 --> 01:27:27,480

when

1932

01:27:31,189 --> 01:27:29,000

um I mean

1933

01:27:34,070 --> 01:27:31,199

when I grew up

1934

01:27:36,950 --> 01:27:34,080

and and I realized that I've got a few

1935

01:27:39,709 --> 01:27:36,960

decades on you but when I grew up we

1936

01:27:42,169 --> 01:27:39,719

were talking about the the same

1937

01:27:45,110 --> 01:27:42,179

creatures the same ideas that we talk

1938

01:27:47,810 --> 01:27:45,120

about today when when I was growing up

1939

01:27:49,729 --> 01:27:47,820

and you know TV shows like sightings and

1940

01:27:52,550 --> 01:27:49,739

and and whatever

1941

01:27:55,669 --> 01:27:52,560

um in the 70s it was about Bigfoot and

1942

01:27:59,090 --> 01:27:55,679

the Loch Ness monster and and and and

1943

01:28:02,149 --> 01:27:59,100

ghosts in the Paranormal and and and and

1944

01:28:04,850 --> 01:28:02,159

and things right that that's just and

1945

01:28:07,189 --> 01:28:04,860

and the sightings were everywhere

1946

01:28:09,590 --> 01:28:07,199

um chupacabras when that kicked off I'm

1947

01:28:12,129 --> 01:28:09,600

not looking up the dates right now but

1948

01:28:16,669 --> 01:28:12,139

my memory says that that was that was

1949

01:28:18,770 --> 01:28:16,679

1980 81-82 somewhere in there I know by

1950

01:28:20,689 --> 01:28:18,780

the time I came to California in 85

1951

01:28:23,030 --> 01:28:20,699

chupacabras were everywhere I mean the

1952

01:28:27,229 --> 01:28:23,040

whole conversation about it

1953

01:28:28,610 --> 01:28:27,239

um uh throughout going from uh uh I

1954

01:28:31,669 --> 01:28:28,620

think it started in Puerto Rico

1955

01:28:33,410 --> 01:28:31,679

somewhere over there Cuba and and

1956

01:28:35,330 --> 01:28:33,420

eventually you had reports that were

1957

01:28:37,310 --> 01:28:35,340

happening all over Central America and

1958

01:28:41,149 --> 01:28:37,320

then over in New Mexico but these

1959

01:28:44,090 --> 01:28:41,159

reports were were there chupacabra is

1960

01:28:46,310 --> 01:28:44,100

not some Modern thing

1961

01:28:49,729 --> 01:28:46,320

um and these myths and legends that we

1962

01:28:52,129 --> 01:28:49,739

cover on your show from different in in

1963

01:28:53,750 --> 01:28:52,139

indigenous cultures this goes back

1964

01:28:56,689 --> 01:28:53,760

thousands of years

1965

01:28:58,490 --> 01:28:56,699

um Cryptids are not something new no no

1966

01:29:02,390 --> 01:28:58,500

they have been told throughout history

1967

01:29:04,550 --> 01:29:02,400

from generation to generation and one

1968

01:29:08,090 --> 01:29:04,560

thing about chupacabras and while why

1969

01:29:10,310 --> 01:29:08,100

they're special to me not because I'm

1970

01:29:12,410 --> 01:29:10,320

familiar with the topic which I am not

1971

01:29:14,750 --> 01:29:12,420

at all even though we've very briefly

1972

01:29:17,750 --> 01:29:14,760

covered it together once for one show

1973

01:29:20,930 --> 01:29:17,760

but it's actually because I was exposed

1974

01:29:23,450 --> 01:29:20,940

to that topic of chupacabras because of

1975

01:29:26,689 --> 01:29:23,460

one episode of Scooby-Doo where they did

1976

01:29:29,629 --> 01:29:26,699

like this whole case in Mexico and they

1977

01:29:32,450 --> 01:29:29,639

spoke about chupacabras and that was the

1978

01:29:34,310 --> 01:29:32,460

first time I was ever exposed to these

1979

01:29:35,870 --> 01:29:34,320

Cryptids and then of course they pulled

1980

01:29:38,270 --> 01:29:35,880

off the mask and it was actually a

1981

01:29:40,850 --> 01:29:38,280

person and it wasn't a chupacabra but

1982

01:29:43,669 --> 01:29:40,860

that that's why for me that particular

1983

01:29:46,610 --> 01:29:43,679

topic is is dear to my heart is because

1984

01:29:48,709 --> 01:29:46,620

I grew up on Scooby-Doo loved that show

1985

01:29:50,450 --> 01:29:48,719

and it was because of them I got exposed

1986

01:29:54,229 --> 01:29:50,460

to it I'm looking at it right here

1987

01:29:56,870 --> 01:29:54,239

Scooby-Doo and the monster of Mexico yes

1988

01:30:00,290 --> 01:29:56,880

it was such a great movie you know I did

1989

01:30:06,830 --> 01:30:00,300

not I did not no I'm looking at it right

1990

01:30:09,970 --> 01:30:06,840

here good and uh yeah really it's really

1991

01:30:13,250 --> 01:30:09,980

good I haven't seen it in decades

1992

01:30:17,990 --> 01:30:13,260

who knew who knew but they would do that

1993

01:30:21,530 --> 01:30:18,000

a lot of uh if if you go back to

1994

01:30:23,390 --> 01:30:21,540

um Johnny Quest uh certainly Scooby-Doo

1995

01:30:25,250 --> 01:30:23,400

but uh there were different shows I

1996

01:30:27,649 --> 01:30:25,260

remember specifically Johnny Quest they

1997

01:30:30,350 --> 01:30:27,659

had a whole this whole Bigfoot uh

1998

01:30:32,270 --> 01:30:30,360

episode and Bigfoot was yeah you know

1999

01:30:35,990 --> 01:30:32,280

terrorizing this this town and

2000

01:30:38,209 --> 01:30:36,000

specifically this this mansion and in

2001

01:30:40,850 --> 01:30:38,219

the end right they pull it on it's a

2002

01:30:42,050 --> 01:30:40,860

it's a costume and it's the you know

2003

01:30:45,709 --> 01:30:42,060

whatever

2004

01:30:48,530 --> 01:30:45,719

um but the whole episode was our uh uh

2005

01:30:51,050 --> 01:30:48,540

Bigfoot uh terrorizing everybody in it

2006

01:30:52,310 --> 01:30:51,060

it turned out but this is this is what

2007

01:30:55,870 --> 01:30:52,320

kids are taught

2008

01:30:59,090 --> 01:30:55,880

right you see this in a cartoon

2009

01:31:01,850 --> 01:30:59,100

and now it's not about Bigfoot being

2010

01:31:05,209 --> 01:31:01,860

hoaxed and it's a mask no you're just

2011

01:31:06,770 --> 01:31:05,219

being taught about Bigfoot exactly yeah

2012

01:31:08,510 --> 01:31:06,780

you're being taught about monsters and

2013

01:31:10,970 --> 01:31:08,520

chupacabra

2014

01:31:13,610 --> 01:31:10,980

exactly and what what makes me take a

2015

01:31:16,370 --> 01:31:13,620

breath Jimmy is when I think I have a

2016

01:31:18,350 --> 01:31:16,380

handle on all these mysterious topics a

2017

01:31:21,290 --> 01:31:18,360

new rabbit hole comes along and this

2018

01:31:24,530 --> 01:31:21,300

happens literally every single week with

2019

01:31:27,890 --> 01:31:24,540

guest interviews the show we do and live

2020

01:31:30,169 --> 01:31:27,900

like we live in such a strange and

2021

01:31:32,330 --> 01:31:30,179

Mysterious World and it's exciting and

2022

01:31:36,169 --> 01:31:32,340

it keeps my mind definitely sharp and

2023

01:31:40,370 --> 01:31:36,179

curious and I want my peers people in my

2024

01:31:43,070 --> 01:31:40,380

age group to get into these questions to

2025

01:31:44,750 --> 01:31:43,080

try and have these discussions with

2026  
01:31:48,770 --> 01:31:44,760  
friends or other students at University

2027  
01:31:51,590 --> 01:31:48,780  
if it is practically impossible and they

2028  
01:31:54,709 --> 01:31:51,600  
don't want to unless they have smoked

2029  
01:31:57,229 --> 01:31:54,719  
something first but then you have

2030  
01:31:59,270 --> 01:31:57,239  
this community that you've created that

2031  
01:32:01,790 --> 01:31:59,280  
I've created where we can have these

2032  
01:32:05,450 --> 01:32:01,800  
conversations so freely and I want to

2033  
01:32:08,750 --> 01:32:05,460  
get more young minds into these topics

2034  
01:32:12,050 --> 01:32:08,760  
into these communities because as we

2035  
01:32:15,050 --> 01:32:12,060  
hear with every single generation is

2036  
01:32:17,570 --> 01:32:15,060  
that our children are our future and if

2037  
01:32:19,070 --> 01:32:17,580  
we educate them right our future will be

2038  
01:32:22,370 --> 01:32:19,080

bright

2039

01:32:25,310 --> 01:32:22,380

Scooby-Doo meets El Chupacabra

2040

01:32:26,810 --> 01:32:25,320

you should see the chupacabra chasing uh

2041

01:32:30,649 --> 01:32:26,820

the Mystery Machine

2042

01:32:32,930 --> 01:32:30,659

the van oh man it's just so classic it

2043

01:32:36,550 --> 01:32:32,940

won't let me download it I hate that I

2044

01:32:40,430 --> 01:32:36,560

want to download it to everybody but uh

2045

01:32:43,870 --> 01:32:40,440

it's pretty it's pretty classic man it

2046

01:32:47,090 --> 01:32:43,880

is pretty classic and if I um

2047

01:32:49,370 --> 01:32:47,100

uh you know what since they won't let me

2048

01:32:52,910 --> 01:32:49,380

download it you know since they're

2049

01:32:54,129 --> 01:32:52,920

playing hard to get I do it my own way I

2050

01:32:57,350 --> 01:32:54,139

have technology

2051

01:32:59,270 --> 01:32:57,360

that's the way to do it

2052

01:33:02,930 --> 01:32:59,280

this is the way to do it you go like

2053

01:33:07,610 --> 01:33:05,629

could be two in the Mystery Machine

2054

01:33:09,649 --> 01:33:07,620

I mean tell me

2055

01:33:13,129 --> 01:33:09,659

that that isn't the coolest thing ever

2056

01:33:17,810 --> 01:33:13,139

everybody Scooby-Doo it's the best it's

2057

01:33:22,970 --> 01:33:20,810

how cool is that it goes to show how

2058

01:33:24,410 --> 01:33:22,980

influential TV shows actually are

2059

01:33:26,330 --> 01:33:24,420

because that stuck with me and I watched

2060

01:33:29,689 --> 01:33:26,340

that when I was like I don't know six

2061

01:33:31,669 --> 01:33:29,699

seven eight maybe we can still you're

2062

01:33:34,430 --> 01:33:31,679

gonna go to your mom your dad hey my you

2063

01:33:38,090 --> 01:33:34,440

know hey Mom what's a chupacabra

2064

01:33:40,790 --> 01:33:38,100

right you're going to do that

2065

01:33:42,110 --> 01:33:40,800

um uh somebody posted I forget what it

2066

01:33:45,890 --> 01:33:42,120

was in search of

2067

01:33:47,510 --> 01:33:45,900

and that show uh did more for me

2068

01:33:48,970 --> 01:33:47,520

Christina

2069

01:33:52,510 --> 01:33:48,980

um uh

2070

01:33:55,430 --> 01:33:52,520

exposing me to all kinds of crazy stuff

2071

01:33:57,950 --> 01:33:55,440

and it was right there for you I know

2072

01:34:00,950 --> 01:33:57,960

you said Scooby-Doo that meets El

2073

01:34:03,050 --> 01:34:00,960

Chupacabra but did you watch any uh of

2074

01:34:06,350 --> 01:34:03,060

this investigative TV like sightings or

2075

01:34:07,850 --> 01:34:06,360

in search of or or what Ancient Aliens

2076

01:34:11,510 --> 01:34:07,860

did you watch any of the stuff growing

2077

01:34:15,470 --> 01:34:11,520

up so I've only recently been I've

2078

01:34:18,169 --> 01:34:15,480

watched in in search of but how much

2079

01:34:20,570 --> 01:34:18,179

better can it get to have Spock talk

2080

01:34:22,910 --> 01:34:20,580

about these Mysteries Leonard Nimoy I

2081

01:34:25,610 --> 01:34:22,920

mean it cannot get better than that yeah

2082

01:34:27,950 --> 01:34:25,620

it's true um which is amazing

2083

01:34:30,410 --> 01:34:27,960

um I have watched Ancient Aliens funny

2084

01:34:31,310 --> 01:34:30,420

enough my mom is a big fan of the TV

2085

01:34:35,030 --> 01:34:31,320

show

2086

01:34:36,830 --> 01:34:35,040

she loves it excuse me but I also really

2087

01:34:39,110 --> 01:34:36,840

got interested in the Unexplained

2088

01:34:41,090 --> 01:34:39,120

through the TV show The Twilight Zone it

2089

01:34:43,189 --> 01:34:41,100

was my father who got me into that and

2090

01:34:45,169 --> 01:34:43,199

they have a marathon on the Sci-Fi

2091

01:34:48,830 --> 01:34:45,179

channel every single New Year for like

2092

01:34:51,350 --> 01:34:48,840

48 hours so you know what I was doing

2093

01:34:54,470 --> 01:34:51,360

over the new year I was watching that

2094

01:34:57,649 --> 01:34:54,480

but it's it's it's because of Television

2095

01:35:00,050 --> 01:34:57,659

because of movies that so many people

2096

01:35:01,850 --> 01:35:00,060

have these interests more so than just

2097

01:35:04,310 --> 01:35:01,860

having like your day-to-day conversation

2098

01:35:06,169 --> 01:35:04,320

at the grocery store or at school for

2099

01:35:09,169 --> 01:35:06,179

instance you're probably gonna learn

2100

01:35:11,149 --> 01:35:09,179

more or or have your interests sparked

2101  
01:35:13,490 --> 01:35:11,159  
through television while it can be

2102  
01:35:16,729 --> 01:35:13,500  
disappointing to say for some

2103  
01:35:19,550 --> 01:35:16,739  
it's the truth at this point

2104  
01:35:23,830 --> 01:35:19,560  
call your RV

2105  
01:35:26,870 --> 01:35:23,840  
the Mystery Machine see that but

2106  
01:35:28,850 --> 01:35:26,880  
it's not unique I had people give me

2107  
01:35:33,470 --> 01:35:28,860  
names like the ramen wagon because I

2108  
01:35:36,470 --> 01:35:33,480  
have a huge love for Robin or even like

2109  
01:35:38,930 --> 01:35:36,480  
the ramen Enigma which whenever the word

2110  
01:35:40,910 --> 01:35:38,940  
okay talking about these connections the

2111  
01:35:44,750 --> 01:35:40,920  
word enigma I learned that from

2112  
01:35:46,490 --> 01:35:44,760  
SpongeBob when Patrick said my mind is

2113  
01:35:48,590 --> 01:35:46,500

an enigma and then he's like is

2114

01:35:51,530 --> 01:35:48,600

mayonnaise an instrument and it's

2115

01:35:54,410 --> 01:35:51,540

because of him I figured out what Enigma

2116

01:35:55,629 --> 01:35:54,420

meant at the age of like six I just

2117

01:35:59,570 --> 01:35:55,639

thought of it

2118

01:36:03,350 --> 01:35:59,580

rendezvous with Ramen

2119

01:36:04,790 --> 01:36:03,360

that's a cool name that's a cool one and

2120

01:36:07,490 --> 01:36:04,800

for those of you out there you know

2121

01:36:10,250 --> 01:36:07,500

where I stole it from don't don't give

2122

01:36:14,209 --> 01:36:10,260

it away here in the chat just let me

2123

01:36:17,810 --> 01:36:14,219

enjoy my own genius and uh theatrics is

2124

01:36:22,550 --> 01:36:17,820

is half of the sale but that's true what

2125

01:36:25,129 --> 01:36:22,560

is it though uh I I am so curious

2126

01:36:28,189 --> 01:36:25,139

um and at this point you can ask me the

2127

01:36:32,450 --> 01:36:28,199

same question okay which is fine uh you

2128

01:36:35,510 --> 01:36:32,460

can you can uh lob it back at me but

2129

01:36:39,169 --> 01:36:35,520

since you started Broadcasting

2130

01:36:43,090 --> 01:36:39,179

what is it that you have learned

2131

01:36:46,669 --> 01:36:43,100

a lot I've learned a lot to better

2132

01:36:47,810 --> 01:36:46,679

present myself because when you're

2133

01:36:53,090 --> 01:36:47,820

talking

2134

01:36:55,250 --> 01:36:53,100

to a person so that takes a learning

2135

01:36:57,110 --> 01:36:55,260

curve I had mentioned at the very first

2136

01:36:58,970 --> 01:36:57,120

show we did what a year two years ago

2137

01:37:02,510 --> 01:36:58,980

now I don't even remember

2138

01:37:04,250 --> 01:37:02,520

um I had mentioned how I suffer with the

2139

01:37:06,950 --> 01:37:04,260

speech impediment I grew up having

2140

01:37:09,110 --> 01:37:06,960

speech issues having a stutter

2141

01:37:11,689 --> 01:37:09,120

um also eating the ends of my words I

2142

01:37:16,490 --> 01:37:11,699

also have dyslexia and verbal dyslexia

2143

01:37:19,669 --> 01:37:16,500

and it's with doing these shows several

2144

01:37:23,149 --> 01:37:19,679

times a week it is challenged me to

2145

01:37:25,729 --> 01:37:23,159

overcome those things because it in my

2146

01:37:27,470 --> 01:37:25,739

opinion it makes me look uneducated

2147

01:37:29,030 --> 01:37:27,480

which is super unfortunate and there's

2148

01:37:30,950 --> 01:37:29,040

actually a lot of people who go through

2149

01:37:34,189 --> 01:37:30,960

stuff like that and they're actually

2150

01:37:35,950 --> 01:37:34,199

incredibly smart but when you're not

2151  
01:37:38,629 --> 01:37:35,960  
able to

2152  
01:37:40,669 --> 01:37:38,639  
convey your thoughts properly even

2153  
01:37:43,129 --> 01:37:40,679  
though it sounds great in here when you

2154  
01:37:46,550 --> 01:37:43,139  
bring it out into words it's an absolute

2155  
01:37:49,850 --> 01:37:46,560  
mess so for me doing these shows having

2156  
01:37:52,790 --> 01:37:49,860  
to talk so many times of the day has

2157  
01:37:55,310 --> 01:37:52,800  
been very beneficial to me

2158  
01:37:59,030 --> 01:37:55,320  
in that sense along with learning how to

2159  
01:37:59,930 --> 01:37:59,040  
be a better researcher to to find

2160  
01:38:02,030 --> 01:37:59,940  
um

2161  
01:38:03,770 --> 01:38:02,040  
valuable information but also

2162  
01:38:05,689 --> 01:38:03,780  
information that has been vetted as well

2163  
01:38:08,090 --> 01:38:05,699

versus just pulling off anything online

2164

01:38:11,930 --> 01:38:08,100

on some suspicious website and stating

2165

01:38:15,470 --> 01:38:11,940

okay this is fact as well but also even

2166

01:38:18,050 --> 01:38:15,480

in the show Shifting the Paradigm Jimmy

2167

01:38:19,490 --> 01:38:18,060

it's not easy being a host and you know

2168

01:38:21,649 --> 01:38:19,500

this you learned it from experience

2169

01:38:24,770 --> 01:38:21,659

doing it for the last 10 years or so

2170

01:38:27,350 --> 01:38:24,780

where you have to find your groove you

2171

01:38:29,390 --> 01:38:27,360

have to find what questions you want to

2172

01:38:32,689 --> 01:38:29,400

ask and you have to find how you're

2173

01:38:34,850 --> 01:38:32,699

going to gel with in some senses a total

2174

01:38:36,770 --> 01:38:34,860

stranger that you know a little bit of

2175

01:38:39,709 --> 01:38:36,780

their work but you don't really know

2176

01:38:41,750 --> 01:38:39,719

them so to be able to kind of feel it

2177

01:38:43,250 --> 01:38:41,760

out to be able to communicate with

2178

01:38:46,490 --> 01:38:43,260

someone especially if you're not

2179

01:38:49,910 --> 01:38:46,500

necessarily an extrovert that takes time

2180

01:38:51,470 --> 01:38:49,920

as well but being being a host hosting a

2181

01:38:54,950 --> 01:38:51,480

radio show

2182

01:38:59,050 --> 01:38:54,960

is a lot harder than people expect or

2183

01:39:01,970 --> 01:38:59,060

doing a live stream by yourself

2184

01:39:04,669 --> 01:39:01,980

you've done that time and time again and

2185

01:39:06,290 --> 01:39:04,679

it takes a lot of work and the first one

2186

01:39:09,709 --> 01:39:06,300

or two times that you do it you're like

2187

01:39:11,870 --> 01:39:09,719

how are people doing this this is really

2188

01:39:13,430 --> 01:39:11,880

really hard because you because you

2189

01:39:15,830 --> 01:39:13,440

could only relay on your rely on

2190

01:39:20,689 --> 01:39:15,840

yourself for that information well

2191

01:39:24,050 --> 01:39:20,699

there's two ways uh to do uh a show

2192

01:39:27,229 --> 01:39:24,060

so the correct way and it doesn't matter

2193

01:39:31,310 --> 01:39:27,239

if we're talking about Fox television or

2194

01:39:33,410 --> 01:39:31,320

CNN or or or what we're doing here it it

2195

01:39:36,410 --> 01:39:33,420

it doesn't matter there's two ways to

2196

01:39:38,570 --> 01:39:36,420

approach it one where you're doing work

2197

01:39:40,669 --> 01:39:38,580

and you're researching and you're

2198

01:39:45,189 --> 01:39:40,679

investigating and and pushing forward

2199

01:39:49,010 --> 01:39:45,199

that's one the other one is the simple

2200

01:39:51,770 --> 01:39:49,020

uh doofus way through this that you're

2201

01:39:54,430 --> 01:39:51,780

just going to uh not do any

2202

01:39:59,110 --> 01:39:54,440

investigating you're just going to

2203

01:40:02,930 --> 01:39:59,120

complain and and point fingers right and

2204

01:40:06,050 --> 01:40:02,940

there are when you look at

2205

01:40:09,350 --> 01:40:06,060

um historically uh DJs I'm talking about

2206

01:40:12,950 --> 01:40:09,360

people on the radio in the past you had

2207

01:40:16,070 --> 01:40:12,960

uh you know some of these loud voices

2208

01:40:17,750 --> 01:40:16,080

that that that think that that's

2209

01:40:19,430 --> 01:40:17,760

effective and people are interested in

2210

01:40:22,070 --> 01:40:19,440

that and they just last for a little bit

2211

01:40:25,550 --> 01:40:22,080

and they they come and go so the ones

2212

01:40:26,629 --> 01:40:25,560

with legs Christina are the hosts that

2213

01:40:29,330 --> 01:40:26,639

learn

2214

01:40:31,550 --> 01:40:29,340

because they are out there

2215

01:40:32,930 --> 01:40:31,560

um pushing and investigating and they

2216

01:40:34,729 --> 01:40:32,940

they end up with this wealth of

2217

01:40:37,490 --> 01:40:34,739

knowledge that as they move along in

2218

01:40:40,550 --> 01:40:37,500

their career they are able to ask

2219

01:40:44,149 --> 01:40:40,560

questions based on a pile of Knowledge

2220

01:40:46,070 --> 01:40:44,159

from their research and that is what

2221

01:40:49,010 --> 01:40:46,080

people are interested in they want to

2222

01:40:51,590 --> 01:40:49,020

tap into that that knowledge and that's

2223

01:40:53,810 --> 01:40:51,600

a tough thing it's it's so much work

2224

01:40:56,330 --> 01:40:53,820

that most people don't do it because

2225

01:40:59,030 --> 01:40:56,340

they're frightened uh about the worth

2226

01:41:01,010 --> 01:40:59,040

work ethic that is involved with that

2227

01:41:02,629 --> 01:41:01,020

you know when you look at somebody you

2228

01:41:06,169 --> 01:41:02,639

know you know who I'm uh really

2229

01:41:08,750 --> 01:41:06,179

impressed with there's many but you look

2230

01:41:12,890 --> 01:41:08,760

at a guy like Geraldo Rivera

2231

01:41:15,530 --> 01:41:12,900

right who that guy was one of the

2232

01:41:18,229 --> 01:41:15,540

smartest or he is one of the smartest

2233

01:41:21,649 --> 01:41:18,239

people out there because he was he was

2234

01:41:24,890 --> 01:41:21,659

out there trying to learn and trying to

2235

01:41:27,910 --> 01:41:24,900

his career goes back to the 60s

2236

01:41:30,590 --> 01:41:27,920

you know when he was a kid and and and

2237

01:41:32,870 --> 01:41:30,600

that kind of work ethic that kind of

2238

01:41:34,790 --> 01:41:32,880

career where he pounded that for years

2239

01:41:35,870 --> 01:41:34,800

and years and years and years most

2240

01:41:38,510 --> 01:41:35,880

people don't have that kind of

2241

01:41:39,830 --> 01:41:38,520

discipline and they they just don't have

2242

01:41:42,709 --> 01:41:39,840

that

2243

01:41:45,830 --> 01:41:42,719

um you doing three four five shows a

2244

01:41:48,109 --> 01:41:45,840

week week after week after week after

2245

01:41:50,390 --> 01:41:48,119

week and everything that's about that

2246

01:41:53,030 --> 01:41:50,400

scares people that scares that it's a

2247

01:41:54,290 --> 01:41:53,040

work ethic that uh most people just

2248

01:41:55,970 --> 01:41:54,300

don't have they don't have that kind of

2249

01:41:58,010 --> 01:41:55,980

discipline I certainly didn't have it

2250

01:42:01,250 --> 01:41:58,020

for a long time but look at you now

2251  
01:42:04,970 --> 01:42:01,260  
doing four shows a week two hours each

2252  
01:42:06,649 --> 01:42:04,980  
show people Jimmy it takes a lot of work

2253  
01:42:07,910 --> 01:42:06,659  
but when you're watching it on the

2254  
01:42:09,169 --> 01:42:07,920  
sidelines you're like oh this is easy

2255  
01:42:11,330 --> 01:42:09,179  
and then you jump into it and you're

2256  
01:42:12,470 --> 01:42:11,340  
like this this is this is not it's not

2257  
01:42:15,169 --> 01:42:12,480  
for everyone

2258  
01:42:17,390 --> 01:42:15,179  
and but it's something that when you

2259  
01:42:19,430 --> 01:42:17,400  
enjoy it you'll stick with it if you

2260  
01:42:21,709 --> 01:42:19,440  
have that consistency that patience and

2261  
01:42:23,750 --> 01:42:21,719  
that determination you'll continue and

2262  
01:42:26,930 --> 01:42:23,760  
if you're willing to learn about the

2263  
01:42:28,910 --> 01:42:26,940

topic as you go along you gotta study

2264

01:42:30,890 --> 01:42:28,920

foundation for you

2265

01:42:32,810 --> 01:42:30,900

but also having a good Community around

2266

01:42:36,109 --> 01:42:32,820

you as well like having people that

2267

01:42:38,990 --> 01:42:36,119

support you and that give you advice as

2268

01:42:41,090 --> 01:42:39,000

well yeah that somebody just sent us on

2269

01:42:44,149 --> 01:42:41,100

the opening of Al Capone's vault you

2270

01:42:46,430 --> 01:42:44,159

know what Geraldo Rivera one of the

2271

01:42:48,169 --> 01:42:46,440

classic moments in all of TV history but

2272

01:42:50,390 --> 01:42:48,179

you know what he did the dance really

2273

01:42:52,729 --> 01:42:50,400

well they did this big live special

2274

01:42:55,790 --> 01:42:52,739

Geraldo Rivera right he was going to go

2275

01:43:00,010 --> 01:42:55,800

and they were going to open Al Capone Al

2276

01:43:03,109 --> 01:43:00,020

Capone's vault live on TV

2277

01:43:05,450 --> 01:43:03,119

hey man I forget man but I think half of

2278

01:43:07,129 --> 01:43:05,460

the world including myself was watching

2279

01:43:15,620 --> 01:43:07,139

that night

2280

01:43:22,729 --> 01:43:18,649

[Music]

2281

01:43:24,350 --> 01:43:22,739

right yeah you're like yeah now what how

2282

01:43:25,970 --> 01:43:24,360

did they handle it what did they what

2283

01:43:28,790 --> 01:43:25,980

what skills that they bring with them

2284

01:43:30,830 --> 01:43:28,800

you know it's I I you know you know what

2285

01:43:33,530 --> 01:43:30,840

I remember most

2286

01:43:36,709 --> 01:43:33,540

about that I wish I had the video I I

2287

01:43:39,830 --> 01:43:36,719

really do was uh geraldo's face I mean

2288

01:43:41,990 --> 01:43:39,840

for like two or three seconds he was

2289

01:43:46,669 --> 01:43:42,000

like

2290

01:43:50,270 --> 01:43:46,679

okay uh he probably had a producer in

2291

01:43:53,689 --> 01:43:50,280

his ear going okay stretch it out man

2292

01:43:55,850 --> 01:43:53,699

stretch it out and uh Geraldo and

2293

01:43:58,970 --> 01:43:55,860

they're doing that dance man you know

2294

01:44:01,250 --> 01:43:58,980

for the next 45 minutes

2295

01:44:03,290 --> 01:44:01,260

it was awesome it was awesome

2296

01:44:05,090 --> 01:44:03,300

it was awesome yeah hold on hold on

2297

01:44:06,830 --> 01:44:05,100

let's see here I'm getting him yeah yeah

2298

01:44:09,530 --> 01:44:06,840

they broke through some wall where he's

2299

01:44:13,970 --> 01:44:09,540

supposedly buried nothing that's exactly

2300

01:44:15,709 --> 01:44:13,980

right hold on hold on this is great

2301

01:44:17,750 --> 01:44:15,719

um let's see

2302

01:44:19,750 --> 01:44:17,760

I remember there was dirt and beer

2303

01:44:26,270 --> 01:44:19,760

bottles yes

2304

01:44:31,070 --> 01:44:26,280

oh man this is uh uh see it was it was

2305

01:44:33,310 --> 01:44:31,080

um what year was this oh oof or like ish

2306

01:44:36,189 --> 01:44:33,320

just like give me like a range

2307

01:44:40,070 --> 01:44:36,199

19. I'm gonna say

2308

01:44:42,169 --> 01:44:40,080

80. let's go over the 80 81 82. like oh

2309

01:44:43,850 --> 01:44:42,179

okay hold on hold on we can find this

2310

01:44:46,149 --> 01:44:43,860

thing

2311

01:44:51,590 --> 01:44:48,830

Capone's vaults

2312

01:44:55,129 --> 01:44:51,600

American television program right here

2313

01:44:57,169 --> 01:44:55,139

uh somebody just said late 80s I I'm not

2314

01:45:02,330 --> 01:44:57,179

so 86.

2315

01:45:03,950 --> 01:45:02,340

okay I said 80 80 81 82s 86. I think I I

2316

01:45:06,890 --> 01:45:03,960

need to watch this

2317

01:45:09,950 --> 01:45:06,900

oh it's it's it's classic it's classic

2318

01:45:12,590 --> 01:45:09,960

Jamie just said I was 12 years old

2319

01:45:17,870 --> 01:45:12,600

um yeah there's an 86 in here

2320

01:45:22,310 --> 01:45:17,880

86 86 it was I'm telling you right now

2321

01:45:25,010 --> 01:45:22,320

um a 5.0 5 star ratings there you go I

2322

01:45:28,189 --> 01:45:25,020

mean it was classic it was definitely

2323

01:45:29,570 --> 01:45:28,199

classic so many people say you know this

2324

01:45:30,890 --> 01:45:29,580

is the truth

2325

01:45:33,890 --> 01:45:30,900

um

2326

01:45:36,109 --> 01:45:33,900

take with you uh for the rest of your

2327

01:45:38,689 --> 01:45:36,119

career there are so many people when it

2328

01:45:41,209 --> 01:45:38,699

uh when it comes to Geraldo Rivera

2329

01:45:43,689 --> 01:45:41,219

because we kind of use them as a as a

2330

01:45:47,750 --> 01:45:43,699

barometer you can really gauge things

2331

01:45:50,870 --> 01:45:47,760

at one point uh for probably 15 20 years

2332

01:45:53,450 --> 01:45:50,880

he owned he owned America there's no

2333

01:45:56,270 --> 01:45:53,460

question about it Geraldo owned it owned

2334

01:45:58,850 --> 01:45:56,280

it very successful and people would go

2335

01:46:00,590 --> 01:45:58,860

yeah he did it because he did this or he

2336

01:46:02,030 --> 01:46:00,600

did this and there was the moment he did

2337

01:46:04,550 --> 01:46:02,040

this and then there was this thing that

2338

01:46:06,169 --> 01:46:04,560

he dated in Staten Island then there was

2339

01:46:08,450 --> 01:46:06,179

this thing he did in Manhattan and then

2340

01:46:10,189 --> 01:46:08,460

there was his thing and then the

2341

01:46:13,070 --> 01:46:10,199

throwing the chairs and that that

2342

01:46:17,330 --> 01:46:13,080

there's all of these things but that's

2343

01:46:20,590 --> 01:46:17,340

that was Geraldo and there are people

2344

01:46:22,910 --> 01:46:20,600

that will go to this Al Capone's fault

2345

01:46:25,910 --> 01:46:22,920

and they'll talk about

2346

01:46:27,709 --> 01:46:25,920

oh it was empty you know what that

2347

01:46:31,010 --> 01:46:27,719

moment on that show was television

2348

01:46:34,010 --> 01:46:31,020

history and it was his recovery on that

2349

01:46:35,750 --> 01:46:34,020

and that's what you do in live

2350

01:46:38,930 --> 01:46:35,760

and live streaming

2351  
01:46:42,590 --> 01:46:38,940  
that's what you do at a moment you know

2352  
01:46:47,149 --> 01:46:42,600  
where uh you've got to

2353  
01:46:51,669 --> 01:46:49,370  
you got a bob and weave and nothing can

2354  
01:46:55,729 --> 01:46:51,679  
prep you for it until it happens

2355  
01:47:00,050 --> 01:46:55,739  
you have to Bob and weave

2356  
01:47:02,330 --> 01:47:00,060  
um I learned it uh so so early on

2357  
01:47:03,590 --> 01:47:02,340  
um even before I did Fade to Black you

2358  
01:47:08,450 --> 01:47:03,600  
know and

2359  
01:47:11,270 --> 01:47:08,460  
um is is to be able to dance and land on

2360  
01:47:13,729 --> 01:47:11,280  
your feet and and keep on going and and

2361  
01:47:16,310 --> 01:47:13,739  
don't let don't let things affect you or

2362  
01:47:18,669 --> 01:47:16,320  
throw you off like the way that Geraldo

2363  
01:47:21,770 --> 01:47:18,679

opens up you know breaks through things

2364

01:47:26,209 --> 01:47:21,780

the Vault they open up it's empty there

2365

01:47:29,149 --> 01:47:26,219

was so much hype behind uh uh

2366

01:47:30,350 --> 01:47:29,159

um Al Capone's vault right that you know

2367

01:47:33,050 --> 01:47:30,360

the riches that were going to be there

2368

01:47:34,970 --> 01:47:33,060

whatever machine guns dead bodies what

2369

01:47:37,189 --> 01:47:34,980

you know Al Capone himself I don't know

2370

01:47:39,050 --> 01:47:37,199

but there was so much hype behind it and

2371

01:47:41,689 --> 01:47:39,060

everybody was speculating Christina

2372

01:47:43,970 --> 01:47:41,699

right hey of course you are yeah and so

2373

01:47:46,970 --> 01:47:43,980

was Geraldo

2374

01:47:49,669 --> 01:47:46,980

you know and and he was dreaming and

2375

01:47:51,590 --> 01:47:49,679

thinking about there was so much drama

2376

01:47:54,770 --> 01:47:51,600

and hype and commercials and things

2377

01:47:56,530 --> 01:47:54,780

built up behind it that even for Geraldo

2378

01:48:01,129 --> 01:47:56,540

I don't think that's what he expected

2379

01:48:03,350 --> 01:48:01,139

nothing right dirt and a couple of old

2380

01:48:05,570 --> 01:48:03,360

Milwaukee beer cans

2381

01:48:07,370 --> 01:48:05,580

it kind of sucks so how do you recover

2382

01:48:10,729 --> 01:48:07,380

from that and that's what you do that's

2383

01:48:13,550 --> 01:48:10,739

what you do you know are you going to um

2384

01:48:16,430 --> 01:48:13,560

speaking of dancing you got a finesse it

2385

01:48:19,129 --> 01:48:16,440

and and uh yeah and and bobbin and

2386

01:48:21,350 --> 01:48:19,139

weaving are you going to um are you

2387

01:48:24,470 --> 01:48:21,360

going to live stream in the RV

2388

01:48:26,090 --> 01:48:24,480

yeah yes it's gonna be part of it not

2389

01:48:27,950 --> 01:48:26,100

just shoot you're gonna lie exactly

2390

01:48:31,850 --> 01:48:27,960

there'll also be live streaming involved

2391

01:48:34,550 --> 01:48:31,860

in the RV and in nature if reception is

2392

01:48:39,649 --> 01:48:34,560

possible as well let me ask you a

2393

01:48:41,510 --> 01:48:39,659

question if um if a network came to you

2394

01:48:43,310 --> 01:48:41,520

you know is somebody listening to this

2395

01:48:45,229 --> 01:48:43,320

show right now and the network came to

2396

01:48:46,669 --> 01:48:45,239

you and said you know I heard you uh you

2397

01:48:49,910 --> 01:48:46,679

know talk about this with Jimmy church

2398

01:48:52,070 --> 01:48:49,920

and we would like to uh we would like to

2399

01:48:53,930 --> 01:48:52,080

be a part of this

2400

01:48:56,149 --> 01:48:53,940

um would you allow a network to come in

2401  
01:48:58,850 --> 01:48:56,159  
and do that intrusion into your life and

2402  
01:49:00,229 --> 01:48:58,860  
and document this cross-country uh

2403  
01:49:02,270 --> 01:49:00,239  
Adventure

2404  
01:49:05,149 --> 01:49:02,280  
I like to do things my way

2405  
01:49:06,709 --> 01:49:05,159  
right so you're saying no so I'm just

2406  
01:49:08,810 --> 01:49:06,719  
not sure about it that would have to be

2407  
01:49:11,930 --> 01:49:08,820  
like really

2408  
01:49:13,490 --> 01:49:11,940  
really good reasons for it but I want to

2409  
01:49:15,470 --> 01:49:13,500  
create something that I have full

2410  
01:49:18,109 --> 01:49:15,480  
control over and something also that I'm

2411  
01:49:20,810 --> 01:49:18,119  
proud of as well I don't want to create

2412  
01:49:23,149 --> 01:49:20,820  
some BS content or just merely

2413  
01:49:27,350 --> 01:49:23,159

entertainment content that has no value

2414

01:49:30,109 --> 01:49:27,360

the goal to all of my shows is to

2415

01:49:33,229 --> 01:49:30,119

educate and then secondly to entertain

2416

01:49:36,050 --> 01:49:33,239

but education comes first so streaming

2417

01:49:38,149 --> 01:49:36,060

independently on the internet it seems

2418

01:49:40,850 --> 01:49:38,159

like a better deal building your own

2419

01:49:43,129 --> 01:49:40,860

Community more so than working with

2420

01:49:46,189 --> 01:49:43,139

television now could that

2421

01:49:49,189 --> 01:49:46,199

could that change possibly I don't know

2422

01:49:51,350 --> 01:49:49,199

at this point in time but I do like what

2423

01:49:54,530 --> 01:49:51,360

I'm doing now being able to talk to my

2424

01:49:57,290 --> 01:49:54,540

listeners replying to their comments uh

2425

01:50:00,350 --> 01:49:57,300

talking to those who have questions and

2426  
01:50:03,950 --> 01:50:00,360  
having that more one-on-one interaction

2427  
01:50:05,689 --> 01:50:03,960  
more so than just being on TV I like to

2428  
01:50:07,790 --> 01:50:05,699  
be independent

2429  
01:50:10,310 --> 01:50:07,800  
I had said

2430  
01:50:14,750 --> 01:50:10,320  
um and I'll be uh sort of specific here

2431  
01:50:17,990 --> 01:50:14,760  
but I had said to the head the head

2432  
01:50:19,669 --> 01:50:18,000  
of one of the big big networks so it

2433  
01:50:21,109 --> 01:50:19,679  
might have been ABC might have been CBS

2434  
01:50:23,030 --> 01:50:21,119  
NBC it might have been Fox might have

2435  
01:50:25,129 --> 01:50:23,040  
been Disney might have been Discovery it

2436  
01:50:27,350 --> 01:50:25,139  
doesn't matter right just the head of a

2437  
01:50:30,709 --> 01:50:27,360  
network right Viacom pick a network

2438  
01:50:33,590 --> 01:50:30,719

doesn't matter the head of one of those

2439

01:50:35,149 --> 01:50:33,600

and uh

2440

01:50:37,550 --> 01:50:35,159

and they go so what do you what do you

2441

01:50:40,490 --> 01:50:37,560

want to do you know and I just graduated

2442

01:50:42,770 --> 01:50:40,500

you know I said well Ben I want to be I

2443

01:50:43,790 --> 01:50:42,780

want to be I want to be a voice for the

2444

01:50:46,070 --> 01:50:43,800

people

2445

01:50:48,649 --> 01:50:46,080

and I watched his reaction what do you

2446

01:50:51,290 --> 01:50:48,659

mean well you know man I just I want to

2447

01:50:54,050 --> 01:50:51,300

go out and do things with a purpose you

2448

01:50:58,310 --> 01:50:54,060

know and I would like to look into uh

2449

01:51:01,729 --> 01:50:58,320

the alien agenda and and and UFOs and is

2450

01:51:03,950 --> 01:51:01,739

there life out there he literally rolled

2451

01:51:05,990 --> 01:51:03,960

his eyes up in his head

2452

01:51:07,970 --> 01:51:06,000

and says that's what everybody says good

2453

01:51:10,669 --> 01:51:07,980

luck with that in your career

2454

01:51:12,950 --> 01:51:10,679

I was like really

2455

01:51:16,810 --> 01:51:12,960

and that's that's the way that the

2456

01:51:19,729 --> 01:51:16,820

establishment looks at us Christina

2457

01:51:21,709 --> 01:51:19,739

well that that may be

2458

01:51:24,350 --> 01:51:21,719

um because I stuck to my guns and I

2459

01:51:27,470 --> 01:51:24,360

didn't sell out right I could have taken

2460

01:51:30,050 --> 01:51:27,480

the Kush job I could have

2461

01:51:33,830 --> 01:51:30,060

could have been some reporter for ABC or

2462

01:51:37,310 --> 01:51:33,840

some you know newscaster and taking the

2463

01:51:39,590 --> 01:51:37,320

easy way out and you know 401k and

2464

01:51:42,890 --> 01:51:39,600

really good health plan

2465

01:51:45,530 --> 01:51:42,900

all of that stuff but that's that's no

2466

01:51:48,830 --> 01:51:45,540

no I had I had said from the beginning

2467

01:51:51,109 --> 01:51:48,840

that this is what I wanted to do and and

2468

01:51:52,189 --> 01:51:51,119

um I remember and I love your comments

2469

01:51:54,350 --> 01:51:52,199

about this

2470

01:51:56,510 --> 01:51:54,360

um uh

2471

01:51:57,950 --> 01:51:56,520

uh I had asked one of my teachers and

2472

01:51:59,629 --> 01:51:57,960

you should do the same thing before you

2473

01:52:01,850 --> 01:51:59,639

graduate

2474

01:52:03,709 --> 01:52:01,860

go to your whoever's teaching your

2475

01:52:05,810 --> 01:52:03,719

communications class whatever it is and

2476

01:52:08,750 --> 01:52:05,820

whether it's journalism it's writing or

2477

01:52:11,990 --> 01:52:08,760

it's it's newscast whatever it is

2478

01:52:14,390 --> 01:52:12,000

whatever just go so um uh what would you

2479

01:52:17,930 --> 01:52:14,400

I need some help here you know um what

2480

01:52:20,990 --> 01:52:17,940

would you do if you had a uh a UFO case

2481

01:52:22,910 --> 01:52:21,000

where somebody has got a video and maybe

2482

01:52:24,649 --> 01:52:22,920

somebody was abducted and you had

2483

01:52:26,209 --> 01:52:24,659

Witnesses

2484

01:52:28,010 --> 01:52:26,219

um would you take that to your news

2485

01:52:30,410 --> 01:52:28,020

director how do you how do you how do

2486

01:52:32,629 --> 01:52:30,420

you approach that that's what you do and

2487

01:52:37,189 --> 01:52:32,639

listen to their answer

2488

01:52:41,810 --> 01:52:37,199

because that that's that's where it's at

2489

01:52:43,790 --> 01:52:41,820

because I did and as soon as somebody uh

2490

01:52:45,950 --> 01:52:43,800

you know responded back to me that's for

2491

01:52:50,629 --> 01:52:45,960

somebody from CNN by the way

2492

01:52:53,270 --> 01:52:50,639

that's career suicide I would never

2493

01:52:56,750 --> 01:52:53,280

I was like okay I know what I'm doing

2494

01:52:58,669 --> 01:52:56,760

exactly that I know what I'm doing

2495

01:53:00,109 --> 01:52:58,679

you know and you should do that and you

2496

01:53:02,750 --> 01:53:00,119

should get a feel for how the

2497

01:53:04,970 --> 01:53:02,760

establishment is really dealing with

2498

01:53:07,430 --> 01:53:04,980

these uh subjects I I really strongly

2499

01:53:09,470 --> 01:53:07,440

suggest that you need to you need to

2500

01:53:12,109 --> 01:53:09,480

hear it and see it for yourself

2501

01:53:14,390 --> 01:53:12,119

luckily the conversation is changing it

2502

01:53:16,310 --> 01:53:14,400

is easier to write about UFOs there's a

2503

01:53:20,090 --> 01:53:16,320

lot more articles regarding UFOs in the

2504

01:53:22,550 --> 01:53:20,100

recent years since the 2017 article so I

2505

01:53:25,970 --> 01:53:22,560

don't necessarily consider it to be

2506

01:53:28,790 --> 01:53:25,980

career suicide in 2023 yes it's still

2507

01:53:31,609 --> 01:53:28,800

somewhat difficult from time to time but

2508

01:53:34,430 --> 01:53:31,619

overall I think it's a lot

2509

01:53:37,010 --> 01:53:34,440

more flexible to write about these

2510

01:53:38,510 --> 01:53:37,020

things and be decently successful than

2511

01:53:40,790 --> 01:53:38,520

back

2512

01:53:43,490 --> 01:53:40,800

a few decades ago

2513

01:53:45,229 --> 01:53:43,500

I mean that's you oh you have no idea

2514

01:53:48,470 --> 01:53:45,239

it's it's changed in the last two years

2515

01:53:50,390 --> 01:53:48,480

it's no longer a French topic which is

2516

01:53:52,310 --> 01:53:50,400

amazing it's because we're having these

2517

01:53:55,910 --> 01:53:52,320

conversations Jimmy and more people are

2518

01:53:58,970 --> 01:53:55,920

being interested in what's happening

2519

01:54:01,729 --> 01:53:58,980

here all the Mysteries I and I hope it

2520

01:54:06,229 --> 01:54:01,739

doesn't swing back you know I hope it

2521

01:54:08,209 --> 01:54:06,239

doesn't go back to remember in in in uh

2522

01:54:12,290 --> 01:54:08,219

1947

2523

01:54:14,810 --> 01:54:12,300

50 5152 the UFO flap over Washington DC

2524

01:54:18,229 --> 01:54:14,820

those were headlines man

2525

01:54:20,209 --> 01:54:18,239

right well it was it was still it was

2526

01:54:22,310 --> 01:54:20,219

okay you could do that you could talk

2527

01:54:25,870 --> 01:54:22,320

about this and you can report it uh that

2528

01:54:29,510 --> 01:54:25,880

that and then it took the downturn

2529

01:54:31,850 --> 01:54:29,520

and uh you know yeah I I agree it has

2530

01:54:33,649 --> 01:54:31,860

swung back up and it's now back into the

2531

01:54:36,530 --> 01:54:33,659

safe Zone somebody has said that it's

2532

01:54:38,390 --> 01:54:36,540

okay I hope it doesn't go back in the

2533

01:54:41,390 --> 01:54:38,400

other direction I hope it stays where

2534

01:54:42,890 --> 01:54:41,400

where it is right now I don't think so I

2535

01:54:44,930 --> 01:54:42,900

think the cat's already out of the bag

2536

01:54:46,669 --> 01:54:44,940

that the beans have been spilled on the

2537

01:54:48,050 --> 01:54:46,679

floor I don't know how that metaphor

2538

01:54:51,410 --> 01:54:48,060

goes but you know what I'm referring to

2539

01:54:53,450 --> 01:54:51,420

and I think that at this point it's it's

2540

01:54:56,030 --> 01:54:53,460

only going to be a conversation that

2541

01:54:58,729 --> 01:54:56,040

will continue to gain people's interest

2542

01:55:00,830 --> 01:54:58,739

more so than ever before

2543

01:55:04,370 --> 01:55:00,840

um and so what's next then uh what's

2544

01:55:06,310 --> 01:55:04,380

next for you be obviously graduating but

2545

01:55:09,590 --> 01:55:06,320

uh you just started a music channel

2546

01:55:12,470 --> 01:55:09,600

right and I think that is a very that

2547

01:55:14,270 --> 01:55:12,480

caught me by surprise I had no idea I

2548

01:55:16,609 --> 01:55:14,280

knew that you were really good at at

2549

01:55:19,550 --> 01:55:16,619

video content and animation and and

2550

01:55:21,169 --> 01:55:19,560

creating and and editing but uh the

2551

01:55:22,729 --> 01:55:21,179

music stuff came out of nowhere but

2552

01:55:26,229 --> 01:55:22,739

you've started your music channel but

2553

01:55:30,229 --> 01:55:26,239

what else is uh on the horizon

2554

01:55:33,169 --> 01:55:30,239

well it will be officially purchasing an

2555

01:55:35,209 --> 01:55:33,179

RV for for sure I mean I have it in the

2556

01:55:36,830 --> 01:55:35,219

works but now it's just actually

2557

01:55:39,050 --> 01:55:36,840

getting one

2558

01:55:41,390 --> 01:55:39,060

and uh still continuing the music

2559

01:55:43,370 --> 01:55:41,400

channel becoming doing more on that

2560

01:55:46,310 --> 01:55:43,380

because my it this is my original

2561

01:55:49,450 --> 01:55:46,320

channel that started with music the my

2562

01:55:52,189 --> 01:55:49,460

Christina Gomez Channel that I have now

2563

01:55:54,830 --> 01:55:52,199

originally started with music a few

2564

01:55:57,890 --> 01:55:54,840

years back it then went from there to

2565

01:56:00,470 --> 01:55:57,900

look at UFO sightings and then into

2566

01:56:01,850 --> 01:56:00,480

doing the live shows that we do now but

2567

01:56:03,169 --> 01:56:01,860

about like if you scroll to the very

2568

01:56:05,750 --> 01:56:03,179

bottom of the channel about like three

2569

01:56:09,950 --> 01:56:05,760

years ago now it start I started doing

2570

01:56:13,689 --> 01:56:09,960

sleep music and ASMR music and then I

2571

01:56:16,070 --> 01:56:13,699

kind of are it's like it's just to relax

2572

01:56:17,689 --> 01:56:16,080

ASMR yeah

2573

01:56:19,729 --> 01:56:17,699

um if you type it in you'll find some

2574

01:56:21,290 --> 01:56:19,739

really strange things but the way that

2575

01:56:22,790 --> 01:56:21,300

I'm using it is just a form of

2576

01:56:26,090 --> 01:56:22,800

relaxation

2577

01:56:28,010 --> 01:56:26,100

um with with musical tones but I've

2578

01:56:30,470 --> 01:56:28,020

always been interested in creating music

2579

01:56:32,750 --> 01:56:30,480

but now it's actually dedicating a

2580

01:56:34,250 --> 01:56:32,760

separate channel to it because it seemed

2581

01:56:37,070 --> 01:56:34,260

like doing it on my channel didn't

2582

01:56:39,770 --> 01:56:37,080

really work it's also helped with

2583

01:56:42,530 --> 01:56:39,780

my insomnia I've gotten comments by

2584

01:56:46,189 --> 01:56:42,540

people stating it helps them as well but

2585

01:56:49,970 --> 01:56:46,199

my insomnia is kind of has made me make

2586

01:56:52,669 --> 01:56:49,980

music so I I use that time where I can't

2587

01:56:55,850 --> 01:56:52,679

sleep into being creative and creating

2588

01:56:57,169 --> 01:56:55,860

something that I enjoy doing one quick

2589

01:56:58,550 --> 01:56:57,179

thing that I would like to mention

2590

01:56:59,689 --> 01:56:58,560

because I know that we're getting to the

2591

01:57:01,250 --> 01:56:59,699

end of the show

2592

01:57:03,890 --> 01:57:01,260

regarding

2593

01:57:06,169 --> 01:57:03,900

um the UFO phenomenon and writing about

2594

01:57:08,629 --> 01:57:06,179

it writing articles about it potentially

2595

01:57:11,149 --> 01:57:08,639

even talking to professors about what

2596

01:57:13,430 --> 01:57:11,159

their answer would be I think now there

2597

01:57:16,129 --> 01:57:13,440

is a convergence going on and we're

2598

01:57:18,350 --> 01:57:16,139

moving on from just talking about UFOs

2599

01:57:21,169 --> 01:57:18,360

to UFOs being mixed with other Mysteries

2600

01:57:23,030 --> 01:57:21,179

look at Skinwalker Ranch for example and

2601  
01:57:24,890 --> 01:57:23,040  
we've talked about this time and time

2602  
01:57:27,770 --> 01:57:24,900  
again but it's a really fantastic

2603  
01:57:31,310 --> 01:57:27,780  
example of where you're dealing with a

2604  
01:57:34,129 --> 01:57:31,320  
location in the Uinta Basin that has

2605  
01:57:36,530 --> 01:57:34,139  
UFO sightings paranormal encounters

2606  
01:57:39,530 --> 01:57:36,540  
Cryptid sightings potentially even

2607  
01:57:42,350 --> 01:57:39,540  
portals and wormholes as well and it's

2608  
01:57:44,930 --> 01:57:42,360  
getting all of this attention through

2609  
01:57:47,330 --> 01:57:44,940  
social media and through television to

2610  
01:57:49,129 --> 01:57:47,340  
where Brandon fugle had mentioned that

2611  
01:57:51,229 --> 01:57:49,139  
all of the data that they're collecting

2612  
01:57:54,169 --> 01:57:51,239  
they're making it completely transparent

2613  
01:57:56,030 --> 01:57:54,179

that whatever they find it's available

2614

01:57:58,370 --> 01:57:56,040

to the public they're not holding

2615

01:58:00,649 --> 01:57:58,380

anything back while they are classified

2616

01:58:03,229 --> 01:58:00,659

as a private entity right not owned by

2617

01:58:06,229 --> 01:58:03,239

the government they care about the

2618

01:58:08,750 --> 01:58:06,239

information that they are collecting and

2619

01:58:11,450 --> 01:58:08,760

they said we want everyone to know about

2620

01:58:13,850 --> 01:58:11,460

these Mysteries then my interview with

2621

01:58:16,729 --> 01:58:13,860

Brandon is the number one most watched

2622

01:58:19,129 --> 01:58:16,739

show on my channel and because the

2623

01:58:21,530 --> 01:58:19,139

interest in the ranch is crazy high

2624

01:58:24,530 --> 01:58:21,540

everyone wants to understand these

2625

01:58:27,709 --> 01:58:24,540

Mysteries but there are other locations

2626  
01:58:30,470 --> 01:58:27,719  
like Skinwalker Ranch across the globe

2627  
01:58:32,750 --> 01:58:30,480  
however Skinwalker Ranch is getting that

2628  
01:58:36,290 --> 01:58:32,760  
scientific research those scientific

2629  
01:58:39,410 --> 01:58:36,300  
teams and that exposure to the world

2630  
01:58:43,070 --> 01:58:39,420  
compared to any other location but it is

2631  
01:58:45,890 --> 01:58:43,080  
a place that is a great example of the

2632  
01:58:49,550 --> 01:58:45,900  
Paranormal the UFO phenomenon when it's

2633  
01:58:56,810 --> 01:58:53,030  
I would if I was a betting man if I was

2634  
01:59:01,370 --> 01:58:56,820  
Brandon fugle right and I had a billion

2635  
01:59:05,990 --> 01:59:01,380  
dollars well I I would bet

2636  
01:59:07,430 --> 01:59:06,000  
that if you took the same amount of

2637  
01:59:11,390 --> 01:59:07,440  
staff

2638  
01:59:13,970 --> 01:59:11,400

with the same amount of gear

2639

01:59:15,290 --> 01:59:13,980

and the facilities I'm talking about you

2640

01:59:17,750 --> 01:59:15,300

have a home you've got a mess hall

2641

01:59:19,850 --> 01:59:17,760

you've got a a tech center you've got

2642

01:59:22,970 --> 01:59:19,860

all these things right if you took that

2643

01:59:24,649 --> 01:59:22,980

to any Ranch in America

2644

01:59:27,709 --> 01:59:24,659

you're gonna you're gonna you're gonna

2645

01:59:29,990 --> 01:59:27,719

find and and see the same things

2646

01:59:33,109 --> 01:59:30,000

and I'm not saying that

2647

01:59:34,370 --> 01:59:33,119

um that Basin and what is going is not a

2648

01:59:37,370 --> 01:59:34,380

special place

2649

01:59:39,350 --> 01:59:37,380

but you know so was Joshua tree so was

2650

01:59:40,910 --> 01:59:39,360

Sedona Arizona

2651

01:59:42,530 --> 01:59:40,920

um there are places in New York there

2652

01:59:45,709 --> 01:59:42,540

are places in Michigan there are places

2653

01:59:49,209 --> 01:59:45,719

in Minnesota Marshall Ranch in Sedona

2654

01:59:55,550 --> 01:59:53,209

exactly right so it's not just I

2655

01:59:58,430 --> 01:59:55,560

skinwalker's cool right skin Walker's

2656

02:00:00,649 --> 01:59:58,440

cool but if you took Brandon's team and

2657

02:00:02,510 --> 02:00:00,659

his resources and plug that in across

2658

02:00:05,629 --> 02:00:02,520

the country right and we have

2659

02:00:08,570 --> 02:00:05,639

universities uh that are very capable of

2660

02:00:11,390 --> 02:00:08,580

this in every single state you know go

2661

02:00:14,450 --> 02:00:11,400

and set up camp and get to measuring

2662

02:00:17,149 --> 02:00:14,460

right and let's get some answers to this

2663

02:00:19,970 --> 02:00:17,159

because there is obviously something

2664

02:00:22,669 --> 02:00:19,980

going on and it's not it's not just

2665

02:00:26,570 --> 02:00:22,679

isolated and you know right there at

2666

02:00:28,430 --> 02:00:26,580

Skinwalker now it's uh it's it's across

2667

02:00:30,770 --> 02:00:28,440

the United States it's wherever you want

2668

02:00:33,589 --> 02:00:30,780

to set up camping and you know get the

2669

02:00:37,030 --> 02:00:33,599

cameras rolling but there there is a

2670

02:00:42,530 --> 02:00:39,350

there is but you brought it up yourself

2671

02:00:43,910 --> 02:00:42,540

the Bridgewater Triangle that show that

2672

02:00:45,950 --> 02:00:43,920

we did

2673

02:00:48,589 --> 02:00:45,960

um on that area all the way up to the

2674

02:00:50,510 --> 02:00:48,599

border of Canada and back there are more

2675

02:00:53,530 --> 02:00:50,520

missing persons on that stretch of road

2676

02:00:56,689 --> 02:00:53,540

than I think anywhere on planet Earth

2677

02:01:00,410 --> 02:00:56,699

it's like you remember how many cases we

2678

02:01:02,750 --> 02:01:00,420

did remember so many so many we did well

2679

02:01:04,790 --> 02:01:02,760

we even talked about the Alaskan

2680

02:01:08,209 --> 02:01:04,800

triangle which is the place that has the

2681

02:01:11,270 --> 02:01:08,219

most disappearances in North America

2682

02:01:14,390 --> 02:01:11,280

how many people on that road in New

2683

02:01:15,830 --> 02:01:14,400

Hampshire right uh you know talk about

2684

02:01:18,290 --> 02:01:15,840

Betty and Barney Hill but on that road

2685

02:01:20,930 --> 02:01:18,300

remember that five-year stretch it was

2686

02:01:22,750 --> 02:01:20,940

like anybody that ever went hiking

2687

02:01:25,790 --> 02:01:22,760

disappeared forever

2688

02:01:27,290 --> 02:01:25,800

it didn't matter

2689

02:01:29,689 --> 02:01:27,300

remember that you remember the little

2690

02:01:31,990 --> 02:01:29,699

kid that was sitting in his pickup truck

2691

02:01:35,810 --> 02:01:32,000

while his mom was dealing with the pigs

2692

02:01:37,850 --> 02:01:35,820

uh that story is so terrible but I mean

2693

02:01:39,890 --> 02:01:37,860

looking looking at those locations and

2694

02:01:41,930 --> 02:01:39,900

almost every

2695

02:01:43,790 --> 02:01:41,940

um like state that we do we all we

2696

02:01:45,530 --> 02:01:43,800

always do a part two in particular with

2697

02:01:47,390 --> 02:01:45,540

the Bridgewater Triangle we did a part

2698

02:01:49,850 --> 02:01:47,400

two and I feel like we could have done

2699

02:01:54,729 --> 02:01:49,860

even a part three on that place because

2700

02:01:58,790 --> 02:01:54,739

it's so crazy and these are hot spots

2701  
02:02:01,370 --> 02:01:58,800  
across the globe and it's not getting as

2702  
02:02:03,850 --> 02:02:01,380  
it's not getting enough attention that

2703  
02:02:06,830 --> 02:02:03,860  
it deserves because these are in a sense

2704  
02:02:08,330 --> 02:02:06,840  
hazardous locations they have to be very

2705  
02:02:10,370 --> 02:02:08,340  
cautious because you don't know what

2706  
02:02:12,229 --> 02:02:10,380  
you're going to encounter and you don't

2707  
02:02:13,609 --> 02:02:12,239  
know if you're gonna disappear in those

2708  
02:02:17,390 --> 02:02:13,619  
places as well because there's a lot of

2709  
02:02:19,490 --> 02:02:17,400  
disappearances in those hot spot areas

2710  
02:02:22,570 --> 02:02:19,500  
and without any of that

2711  
02:02:26,390 --> 02:02:22,580  
there would be no Puck wedgie

2712  
02:02:28,490 --> 02:02:26,400  
Christina thank you so much and thank

2713  
02:02:30,770 --> 02:02:28,500

you for everything that you do this is a

2714

02:02:32,089 --> 02:02:30,780

a great conversation tonight and it's a

2715

02:02:34,189 --> 02:02:32,099

great way to kick off the New Year

2716

02:02:35,930 --> 02:02:34,199

behave and be well I'll talk to you

2717

02:02:37,070 --> 02:02:35,940

first thing in the morning all right

2718

02:02:40,010 --> 02:02:37,080

thanks Jimmy

2719

02:02:43,129 --> 02:02:40,020

Christina Gomez the absolute very best

2720

02:02:44,390 --> 02:02:43,139

thank you Christina and uh with that uh

2721

02:02:47,209 --> 02:02:44,400

let's get out of here I want everybody

2722

02:02:50,270 --> 02:02:47,219

to go and have a great safe fun and

2723

02:02:52,970 --> 02:02:50,280

amazing weekend it's right there in

2724

02:02:54,830 --> 02:02:52,980

front of you all right all right let me

2725

02:02:56,270 --> 02:02:54,840

see where am I at does anybody know I'm

2726

02:02:58,250 --> 02:02:56,280

what am I doing

2727

02:03:01,490 --> 02:02:58,260

it's Thursday night

2728

02:03:03,850 --> 02:03:01,500

it's Pizza nights yeah that's what I'm

2729

02:03:06,709 --> 02:03:03,860

doing I hope you do the same

2730

02:03:09,290 --> 02:03:06,719

02:03:32,629 --> 02:03:30,900

game changer Network I'm your old Timmy

2742

02:03:35,209 --> 02:03:32,639

church we got a fantastic week lined up

2743

02:03:37,370 --> 02:03:35,219

next week but until then have a great

2744

02:03:39,250 --> 02:03:37,380

weekend be safe

2745

02:03:48,230 --> 02:03:39,260

go back Lee tappy
