

FADE TO BLACK

with JIMMY CHURCH

PRESENTS

CLE SPECIAL

2023 CLE w/ SURPRISE GUESTS!

MON JAN 09 LIVE

7:00 PM PT/10:00PM ET

1
00:00:31,389 --> 00:00:13,940
foreign

2
00:00:36,170 --> 00:00:34,010
Air Forces has announced that a flying

3
00:00:37,910 --> 00:00:36,180
disc has been found and is now in the

4
00:00:40,970 --> 00:00:37,920
possession of the army

5
00:00:44,690 --> 00:00:40,980
game is rigged change the game game

6
00:00:47,930 --> 00:00:44,700
changer I occasionally think how quickly

7
00:00:51,049 --> 00:00:47,940
hard difference is worldwide would

8
00:00:53,030 --> 00:00:51,059
vanish if we were facing an alien threat

9
00:00:54,840 --> 00:00:53,040
from outside this work

10
00:00:55,020 --> 00:00:54,850
[Music]

11
00:00:57,369 --> 00:00:55,030
[Applause]

12
00:01:00,350 --> 00:00:57,379
[Music]

13
00:01:03,170 --> 00:01:00,360

this is Fade to Black with your host

14
00:01:03,800 --> 00:01:03,180
Jimmy Church on the game changer Radio

15
00:01:05,990 --> 00:01:03,810
Network

16
00:01:07,810 --> 00:01:06,000
[Music]

17
00:01:09,609 --> 00:01:07,820
thank you

18
00:01:13,429 --> 00:01:09,619
welcome

19
00:01:15,170 --> 00:01:13,439
let's see I just jumped ahead of

20
00:01:18,070 --> 00:01:15,180
everything right there welcome this is

21
00:01:22,609 --> 00:01:18,080
faded black I am your host Jimmy church

22
00:01:25,850 --> 00:01:22,619
today is uh January or January 9 2023

23
00:01:28,969 --> 00:01:25,860
and tonight is our annual we do this

24
00:01:33,590 --> 00:01:28,979
every year our annual conscious life

25
00:01:35,210 --> 00:01:33,600
Expo special event and uh tonight we

26

00:01:36,890 --> 00:01:35,220

will uh we're gonna have Serena Roy

27

00:01:40,490 --> 00:01:36,900

Taylor with us uh tonight we're gonna

28

00:01:44,450 --> 00:01:40,500

have a uh Christine Christine now watch

29

00:01:46,670 --> 00:01:44,460

this Augustine Christina Agustin is

30

00:01:49,670 --> 00:01:46,680

going to be with us tonight and uh

31

00:01:52,429 --> 00:01:49,680

throughout the show and uh we're also

32

00:01:55,730 --> 00:01:52,439

going to have Michael satva on later

33

00:02:00,590 --> 00:01:55,740

another producer for uh conscious life

34

00:02:03,170 --> 00:02:00,600

Expo and we've got a whole bunch of very

35

00:02:04,910 --> 00:02:03,180

very special surprise guests uh

36

00:02:09,529 --> 00:02:04,920

throughout the show tonight now a little

37

00:02:14,270 --> 00:02:09,539

uh programming note right right now as I

38

00:02:16,729 --> 00:02:14,280

speaking to you we have got a very very

39

00:02:19,970 --> 00:02:16,739

severe storm

40

00:02:23,690 --> 00:02:19,980

um Cyclone that has been pummeling the

41

00:02:25,850 --> 00:02:23,700

West Coast for the last week and they

42

00:02:28,910 --> 00:02:25,860

are saying that tonight

43

00:02:31,190 --> 00:02:28,920

um yesterday today and and then tomorrow

44

00:02:33,070 --> 00:02:31,200

the second wave is going to come through

45

00:02:36,229 --> 00:02:33,080

it's actually the Third

46

00:02:37,490 --> 00:02:36,239

and uh it's it's very severe so we have

47

00:02:40,369 --> 00:02:37,500

got

48

00:02:44,210 --> 00:02:40,379

um flooding uh the city of uh Santa

49

00:02:47,030 --> 00:02:44,220

Barbara and and Summerlin and Montecito

50

00:02:49,309 --> 00:02:47,040

um have been evacuated

51
00:02:51,530 --> 00:02:49,319
um and that's uh it's a little bit north

52
00:02:54,350 --> 00:02:51,540
of here not very far though actually

53
00:02:57,770 --> 00:02:54,360
it's very far and uh so we're dealing

54
00:02:59,809 --> 00:02:57,780
with all of that and you may hear

55
00:03:02,150 --> 00:02:59,819
um I've just been listening to stuff hit

56
00:03:04,790 --> 00:03:02,160
the house and in the wind and stuff

57
00:03:06,650 --> 00:03:04,800
blowing around outside of course with

58
00:03:08,990 --> 00:03:06,660
the heavy rain so we're dealing with all

59
00:03:10,430 --> 00:03:09,000
of that tonight and our thoughts are

60
00:03:12,410 --> 00:03:10,440
with everybody out there we've got

61
00:03:15,649 --> 00:03:12,420
severe flooding

62
00:03:17,809 --> 00:03:15,659
um and and power outages and and just

63
00:03:20,089 --> 00:03:17,819

mudslides and a lot of crazy stuff going

64

00:03:23,149 --> 00:03:20,099

on out there so our thoughts are with

65

00:03:24,949 --> 00:03:23,159

everybody uh that is that is going

66

00:03:28,250 --> 00:03:24,959

through the danger right now okay so

67

00:03:31,190 --> 00:03:28,260

that is happening right now as I

68

00:03:32,809 --> 00:03:31,200

broadcast and uh so there you go a

69

00:03:34,550 --> 00:03:32,819

little programming note let's get

70

00:03:38,390 --> 00:03:34,560

straight trade too tonight we've got a

71

00:03:42,170 --> 00:03:38,400

very uh very busy show straight ahead as

72

00:03:44,330 --> 00:03:42,180

everybody knows I have been hosting and

73

00:03:47,270 --> 00:03:44,340

I'm seeing the conscious life Expo now

74

00:03:51,470 --> 00:03:47,280

for uh not quite 10 years almost 10

75

00:03:54,949 --> 00:03:51,480

years uh this is 2023 2014. yeah nine

76

00:03:58,509 --> 00:03:54,959

years it is one of my favorite things to

77

00:04:02,449 --> 00:03:58,519

do all year long it's at The Lax Hilton

78

00:04:04,670 --> 00:04:02,459

and the links for uh contest life Expo

79

00:04:06,050 --> 00:04:04,680

are throughout social media over on our

80

00:04:09,470 --> 00:04:06,060

website and of course in the comments

81

00:04:11,690 --> 00:04:09,480

below and uh for you to go and check out

82

00:04:14,809 --> 00:04:11,700

uh tickets information and scheduling

83

00:04:16,930 --> 00:04:14,819

and stuff like that it is uh one of the

84

00:04:21,349 --> 00:04:16,940

largest events in the world

85

00:04:24,770 --> 00:04:21,359

and uh hundreds of presenters uh one of

86

00:04:28,070 --> 00:04:24,780

the greatest vendor areas that you will

87

00:04:31,070 --> 00:04:28,080

ever see and visit and it's just a

88

00:04:34,070 --> 00:04:31,080

premier event and we're going to be

89

00:04:36,530 --> 00:04:34,080

going through all of that tonight and so

90

00:04:38,950 --> 00:04:36,540

to help me get through this this evening

91

00:04:42,530 --> 00:04:38,960

tonight I've got Serena Wright Taylor

92

00:04:44,210 --> 00:04:42,540

and Serena say hello to everybody hello

93

00:04:47,330 --> 00:04:44,220

everyone hello Jimmy it's great to be

94

00:04:50,330 --> 00:04:47,340

back yeah and you look wonderful you

95

00:04:52,909 --> 00:04:50,340

look wonderful you're you're down

96

00:04:55,430 --> 00:04:52,919

um uh you're at the beach right yeah

97

00:04:57,530 --> 00:04:55,440

Huntington Beach yeah what's what's the

98

00:05:00,350 --> 00:04:57,540

weather like down there well I can hear

99

00:05:02,749 --> 00:05:00,360

it's raining and it's very windy today

100

00:05:05,030 --> 00:05:02,759

uh we'll set you tonight and all the

101
00:05:06,950 --> 00:05:05,040
Chimes are chiming you know on the

102
00:05:09,230 --> 00:05:06,960
hanging on the trees and everything and

103
00:05:11,930 --> 00:05:09,240
the clanging really yeah I don't know

104
00:05:14,629 --> 00:05:11,940
what's going on out there we you know

105
00:05:17,330 --> 00:05:14,639
you know what's weird and uh the facts

106
00:05:18,770 --> 00:05:17,340
are the facts uh when we talk about the

107
00:05:21,650 --> 00:05:18,780
weather here in Southern California

108
00:05:23,090 --> 00:05:21,660
pretty much it's uneventful all the time

109
00:05:25,189 --> 00:05:23,100
unless we have an earthquake or

110
00:05:27,850 --> 00:05:25,199
something but the weather slow and

111
00:05:30,710 --> 00:05:27,860
steady man it just doesn't change right

112
00:05:33,590 --> 00:05:30,720
it doesn't rain every day is the same as

113
00:05:35,749 --> 00:05:33,600

the day before oh it's really cold today

114

00:05:38,749 --> 00:05:35,759

it's 80. you know and that's what we

115

00:05:42,710 --> 00:05:38,759

deal with you know and we're used to and

116

00:05:45,230 --> 00:05:42,720

right now uh we're not we're we're this

117

00:05:48,529 --> 00:05:45,240

is just something that uh hits us uh

118

00:05:51,469 --> 00:05:48,539

very rarely and so but you guys are are

119

00:05:53,629 --> 00:05:51,479

safe yeah we are yeah we got we got

120

00:05:55,310 --> 00:05:53,639

Douglas has got his surfboards you know

121

00:06:01,189 --> 00:05:55,320

if we

122

00:06:03,529 --> 00:06:01,199

he probably is surfing

123

00:06:06,350 --> 00:06:03,539

he's he probably is yeah forget about

124

00:06:08,810 --> 00:06:06,360

the mudslide surf's up dude

125

00:06:11,450 --> 00:06:08,820

so there you go

126

00:06:13,550 --> 00:06:11,460

Christine how you doing

127

00:06:18,950 --> 00:06:13,560

oh oh wait a minute Christine I got you

128

00:06:23,110 --> 00:06:20,689

how are you

129

00:06:26,990 --> 00:06:23,120

doing great and

130

00:06:29,570 --> 00:06:27,000

it's raining here too but it's um I'm on

131

00:06:31,610 --> 00:06:29,580

the second floor so I'm okay so far yeah

132

00:06:34,610 --> 00:06:31,620

well okay see you get to avoid the

133

00:06:36,529 --> 00:06:34,620

flooding and yeah isn't it uh you know

134

00:06:39,469 --> 00:06:36,539

and I know you know the rest of the

135

00:06:42,409 --> 00:06:39,479

country that you know deals with snow

136

00:06:44,930 --> 00:06:42,419

and extreme cold and and and stuff and

137

00:06:48,050 --> 00:06:44,940

they're laughing at us right now but but

138

00:06:50,689 --> 00:06:48,060

no no right now this is like this is

139

00:06:52,610 --> 00:06:50,699

this is a real deal cyclone and it is

140

00:06:54,529 --> 00:06:52,620

rolling through and

141

00:06:57,230 --> 00:06:54,539

um it is it is really really bad news

142

00:06:59,930 --> 00:06:57,240

looking at the pictures of cars you know

143

00:07:03,290 --> 00:06:59,940

underwater and homes and and cities and

144

00:07:06,950 --> 00:07:03,300

towns uh around California and trees on

145

00:07:09,290 --> 00:07:06,960

how it's no it's it's not good again our

146

00:07:11,210 --> 00:07:09,300

thoughts are with anybody that is uh

147

00:07:13,309 --> 00:07:11,220

having to deal with this right now it is

148

00:07:14,890 --> 00:07:13,319

it is extreme weather

149

00:07:18,409 --> 00:07:14,900

yes

150

00:07:20,510 --> 00:07:18,419

so uh Christine uh before we get started

151

00:07:22,249 --> 00:07:20,520

uh I just want to ask you this because

152

00:07:26,830 --> 00:07:22,259

we've got a very busy night in front of

153

00:07:29,930 --> 00:07:26,840

us what is it like to have the best hair

154

00:07:31,490 --> 00:07:29,940

it's pretty great

155

00:07:33,170 --> 00:07:31,500

it does and it looks like it doesn't

156

00:07:35,689 --> 00:07:33,180

take much work and that's the best part

157

00:07:38,450 --> 00:07:35,699

of it oh man I give Christine a hard

158

00:07:41,390 --> 00:07:38,460

time but you just have amazing hair

159

00:07:45,170 --> 00:07:41,400

um this this year

160

00:07:49,610 --> 00:07:45,180

um uh and I'm gonna throw this uh to you

161

00:07:51,529 --> 00:07:49,620

first uh Christine uh up now I am

162

00:07:53,450 --> 00:07:51,539

throwing this to you first okay I'm

163

00:07:57,290 --> 00:07:53,460

ready

164

00:08:00,170 --> 00:07:57,300

um the the lineup and the show every

165

00:08:01,790 --> 00:08:00,180

year for conscious life Expo I say this

166

00:08:04,010 --> 00:08:01,800

is the best year ever this is the best

167

00:08:07,909 --> 00:08:04,020

year ever this is the best year ever and

168

00:08:10,189 --> 00:08:07,919

it's always just elevated its game this

169

00:08:13,670 --> 00:08:10,199

year is no exception it's pretty

170

00:08:16,070 --> 00:08:13,680

exciting isn't it yeah I keep saying the

171

00:08:19,730 --> 00:08:16,080

word that came to mind to me a couple

172

00:08:23,450 --> 00:08:19,740

months ago was robust like this year is

173

00:08:25,670 --> 00:08:23,460

so robust we have so many super cool

174

00:08:28,550 --> 00:08:25,680

things going on like

175

00:08:31,670 --> 00:08:28,560

to me it's amazing like it feels really

176

00:08:35,930 --> 00:08:31,680

full and vibrant and exciting

177

00:08:38,810 --> 00:08:35,940

um there is uh as we go through uh

178

00:08:41,510 --> 00:08:38,820

tonight and we've got so much to do so I

179

00:08:43,730 --> 00:08:41,520

actually want to get straight to it

180

00:08:45,530 --> 00:08:43,740

um out of the special events that are

181

00:08:51,050 --> 00:08:45,540

going to be going on

182

00:08:53,269 --> 00:08:51,060

uh last year uh you introduced Susan

183

00:08:56,690 --> 00:08:53,279

Slaughter uh to the conscious life Expo

184

00:08:57,650 --> 00:08:56,700

crowd and Susan and I of course uh as

185

00:08:59,329 --> 00:08:57,660

you know

186

00:09:02,630 --> 00:08:59,339

um she's been a guest on the show many

187

00:09:05,630 --> 00:09:02,640

times and I've worked a lot with her she

188

00:09:08,690 --> 00:09:05,640

is just such a dynamic personality

189

00:09:11,509 --> 00:09:08,700

um last year she came in and rocked

190

00:09:12,949 --> 00:09:11,519

right and and she's she's back again

191

00:09:16,910 --> 00:09:12,959

this year but

192

00:09:19,670 --> 00:09:16,920

she's complaining about her workload so

193

00:09:21,889 --> 00:09:19,680

it it it's because she's amazing uh what

194

00:09:24,110 --> 00:09:21,899

has she got going on for us this year oh

195

00:09:25,910 --> 00:09:24,120

she's got so much so she is uh

196

00:09:27,170 --> 00:09:25,920

moderating a really cool divination

197

00:09:29,630 --> 00:09:27,180

panel

198

00:09:31,850 --> 00:09:29,640

um that's going to be on Friday and uh

199

00:09:33,230 --> 00:09:31,860

she's got a great lineup of people and

200

00:09:34,910 --> 00:09:33,240

that's gonna be really cool because

201
00:09:37,550 --> 00:09:34,920
she's really gonna delve into different

202
00:09:39,650 --> 00:09:37,560
kinds of divination so I I'm really

203
00:09:43,130 --> 00:09:39,660
excited about that one um and then she's

204
00:09:45,889 --> 00:09:43,140
also doing three nights of seances so

205
00:09:48,829 --> 00:09:45,899
she's um she's actually

206
00:09:51,290 --> 00:09:48,839
um set up in a private suite and it's

207
00:09:53,630 --> 00:09:51,300
like very limited access

208
00:09:57,410 --> 00:09:53,640
um last year she did she only did a

209
00:09:59,210 --> 00:09:57,420
seance one night and it was so crowded

210
00:10:01,910 --> 00:09:59,220
um and people loved it and the

211
00:10:05,210 --> 00:10:01,920
experience that people had in the room

212
00:10:07,790 --> 00:10:05,220
the messages that were coming through I

213
00:10:10,550 --> 00:10:07,800

was just like people were blown away so

214

00:10:12,410 --> 00:10:10,560

this year obviously we're we wanted her

215

00:10:14,690 --> 00:10:12,420

to come back and

216

00:10:17,210 --> 00:10:14,700

we you know we kind of decided that like

217

00:10:20,030 --> 00:10:17,220

everyone loved that so much and it was

218

00:10:22,130 --> 00:10:20,040

just so Dynamic that she's gonna do

219

00:10:24,650 --> 00:10:22,140

three nights of seances so uh Saturday

220

00:10:27,530 --> 00:10:24,660

night Sunday night and Monday night

221

00:10:30,050 --> 00:10:27,540

um in a private Suite yeah it I I'm

222

00:10:32,509 --> 00:10:30,060

gonna be there for one of them oh yeah

223

00:10:36,050 --> 00:10:32,519

well yeah I was like there for all three

224

00:10:36,730 --> 00:10:36,060

because you know I know

225

00:10:39,590 --> 00:10:36,740

um

226

00:10:41,050 --> 00:10:39,600

our whole audience is somebody serving

227

00:10:44,990 --> 00:10:41,060

dishes

228

00:10:52,730 --> 00:10:45,000

yeah it's actually Douglas

229

00:10:59,230 --> 00:10:55,310

um uh here I'm just gonna

230

00:11:01,850 --> 00:10:59,240

oh there it is nice and and quiet so

231

00:11:05,810 --> 00:11:01,860

although I hear the rain is like pouring

232

00:11:08,230 --> 00:11:05,820

right now it right now it the wind uh

233

00:11:10,310 --> 00:11:08,240

it's it's it's it's insane

234

00:11:13,850 --> 00:11:10,320

The rain that's coming down here

235

00:11:15,650 --> 00:11:13,860

sideways and it's just pummeling so

236

00:11:18,170 --> 00:11:15,660

um but anyway enough of that well we'll

237

00:11:23,810 --> 00:11:18,180

get through this the storm is the storm

238

00:11:27,050 --> 00:11:23,820

um is that I know Susan and the the idea

239

00:11:29,690 --> 00:11:27,060

of doing something like this is so

240

00:11:33,170 --> 00:11:29,700

different but so cool for conscious life

241

00:11:36,889 --> 00:11:33,180

Expo to do a seance right and then and

242

00:11:41,389 --> 00:11:36,899

then to do three now the

243

00:11:44,150 --> 00:11:41,399

um the the normal attendee for for

244

00:11:46,370 --> 00:11:44,160

conscious life and the the you know and

245

00:11:48,350 --> 00:11:46,380

everybody knows what I'm saying here

246

00:11:50,150 --> 00:11:48,360

um there are certain things that we

247

00:11:52,069 --> 00:11:50,160

probably don't do enough of at conscious

248

00:11:53,329 --> 00:11:52,079

life Expo we don't do enough Bigfoot we

249

00:11:54,949 --> 00:11:53,339

don't do enough you will fall stuff

250

00:11:57,530 --> 00:11:54,959

maybe we should do some more science

251

00:11:59,990 --> 00:11:57,540

Maybe maybe we should and and and things

252

00:12:02,569 --> 00:12:00,000

like this right mediumship a psychic

253

00:12:05,389 --> 00:12:02,579

medium and and a seance this is

254

00:12:08,569 --> 00:12:05,399

something new and I think that the

255

00:12:12,590 --> 00:12:08,579

attendees are like fit I'm I'm in right

256

00:12:14,690 --> 00:12:12,600

I am so in this is this is really cool

257

00:12:16,490 --> 00:12:14,700

um the thing that I I find really

258

00:12:17,930 --> 00:12:16,500

important and I'm and um you know as

259

00:12:20,030 --> 00:12:17,940

being part of the Expo I'm trying to

260

00:12:23,090 --> 00:12:20,040

bring a little bit more into is

261

00:12:26,110 --> 00:12:23,100

um really experiential things and the

262

00:12:28,550 --> 00:12:26,120

cool thing about the seances is that

263

00:12:30,110 --> 00:12:28,560

Susan just doesn't do it all herself

264

00:12:32,990 --> 00:12:30,120

everybody that's sitting at the table

265

00:12:36,889 --> 00:12:33,000

with her is a part of it so everybody

266

00:12:39,889 --> 00:12:36,899

sort of becomes entrained together

267

00:12:42,230 --> 00:12:39,899

um the way she handles it and everyone

268

00:12:45,290 --> 00:12:42,240

is doing it so everyone gets to

269

00:12:47,870 --> 00:12:45,300

experience being a part of this not just

270

00:12:49,850 --> 00:12:47,880

watching you know her talk about it it's

271

00:12:52,430 --> 00:12:49,860

like you become part of it so it's it's

272

00:12:53,569 --> 00:12:52,440

really cool yeah yeah she's such a

273

00:12:56,990 --> 00:12:53,579

powerful

274

00:12:59,329 --> 00:12:57,000

um when you hang out with her you know I

275

00:13:01,490 --> 00:12:59,339

I have done uh you know ghost

276

00:13:04,790 --> 00:13:01,500

investigations and I've done TV with her

277

00:13:06,889 --> 00:13:04,800

and things when you're you can feel you

278

00:13:08,990 --> 00:13:06,899

can feel it you can feel the energy and

279

00:13:11,629 --> 00:13:09,000

and she's pulling it in and that's the

280

00:13:12,949 --> 00:13:11,639

whole idea with the Seance is to have

281

00:13:15,410 --> 00:13:12,959

she's going to have an inner circle

282

00:13:16,790 --> 00:13:15,420

right and then an Outer Circle another

283

00:13:21,829 --> 00:13:16,800

ring

284

00:13:23,389 --> 00:13:21,839

in but I'm gonna be there man and uh and

285

00:13:25,850 --> 00:13:23,399

that's what you do you're pulling in

286

00:13:27,530 --> 00:13:25,860

from everybody that is participating at

287

00:13:29,509 --> 00:13:27,540

the Sands I love that it's going to be

288

00:13:30,650 --> 00:13:29,519

so much fun well it's gonna sell out

289

00:13:33,190 --> 00:13:30,660

Jimmy so tell me which night you're

290

00:13:37,490 --> 00:13:33,200

going to be there so I can book you in

291

00:13:39,630 --> 00:13:37,500

oh did you hear that Serena Serena I

292

00:13:43,310 --> 00:13:39,640

gotta buy my own ticket to the Saints

293

00:13:48,230 --> 00:13:43,320

[Laughter]

294

00:13:50,569 --> 00:13:48,240

card people think I have a card yeah

295

00:13:51,769 --> 00:13:50,579

um I I I did though I did tell Susan

296

00:13:53,810 --> 00:13:51,779

I'm going to take a look at the schedule

297

00:13:57,829 --> 00:13:53,820

and uh make sure that I get one of those

298

00:14:02,750 --> 00:13:57,839

nights worked in I mean absolutely 100

299

00:14:05,810 --> 00:14:02,760

um uh Serena you've been uh producing uh

300

00:14:09,769 --> 00:14:05,820

the UFO UAP side of things uh

301
00:14:11,750 --> 00:14:09,779
experiencers and and abductees uh for a

302
00:14:15,170 --> 00:14:11,760
conscious life Expo now for a very long

303
00:14:18,350 --> 00:14:15,180
time oh we just lost Serena see Serena

304
00:14:22,449 --> 00:14:18,360
Serena's got this powerful mind and she

305
00:14:26,090 --> 00:14:22,459
looks at something she shoots lasers

306
00:14:32,509 --> 00:14:26,100
lasers come out of her eyeballs okay

307
00:14:36,889 --> 00:14:34,430
it keeps going I don't know it's the

308
00:14:39,970 --> 00:14:36,899
lasers it's the lasers okay hands off

309
00:14:43,670 --> 00:14:39,980
hands on your lap hands on your lap

310
00:14:46,850 --> 00:14:43,680
even when I Let Go it doesn't

311
00:14:49,610 --> 00:14:46,860
okay let's let's try this again uh

312
00:14:52,310 --> 00:14:49,620
Serena what's so we've gotten Linda

313
00:14:55,970 --> 00:14:52,320

who's good who's going to be a conscious

314

00:14:57,230 --> 00:14:55,980

life Expo and and on your UFO panel who

315

00:15:00,769 --> 00:14:57,240

do you have this year

316

00:15:03,949 --> 00:15:00,779

oh we have um Daniel Sheehan is going to

317

00:15:07,310 --> 00:15:03,959

be there and he's going to give a chalk

318

00:15:08,569 --> 00:15:07,320

the previous day in on Saturday I think

319

00:15:10,490 --> 00:15:08,579

about

320

00:15:11,990 --> 00:15:10,500

um six o'clock yeah

321

00:15:15,769 --> 00:15:12,000

um of course and and he's been

322

00:15:17,990 --> 00:15:15,779

representing no alizando so he's got a

323

00:15:20,449 --> 00:15:18,000

lot of information to talk about he's

324

00:15:22,430 --> 00:15:20,459

going to be on the panel as well

325

00:15:23,449 --> 00:15:22,440

um and then Paul High neck's going to be

326

00:15:27,110 --> 00:15:23,459

on

327

00:15:28,910 --> 00:15:27,120

as well

328

00:15:31,009 --> 00:15:28,920

um and

329

00:15:32,810 --> 00:15:31,019

um Caroline Corey is going to be there

330

00:15:38,870 --> 00:15:32,820

as well

331

00:15:41,930 --> 00:15:38,880

we we have all that happening on Sunday

332

00:15:45,170 --> 00:15:41,940

morning first at 10 o'clock and then at

333

00:15:47,509 --> 00:15:45,180

noon we all go down to the disclosure

334

00:15:49,970 --> 00:15:47,519

lunch and I wanted to let everyone know

335

00:15:52,850 --> 00:15:49,980

this is the first time I always wanted

336

00:15:55,370 --> 00:15:52,860

to do this I wanted to have a lunch with

337

00:15:59,629 --> 00:15:55,380

Jimmy church and many speakers in the

338

00:16:02,449 --> 00:15:59,639

UFO field and patient Secrets feel as

339

00:16:04,670 --> 00:16:02,459

well as guests and it's going to be in

340

00:16:08,329 --> 00:16:04,680

the small room at the Hilton behind

341

00:16:10,069 --> 00:16:08,339

restaurant and it's fully catered and so

342

00:16:12,290 --> 00:16:10,079

you can get your tickets

343

00:16:15,110 --> 00:16:12,300

um at consciouslifeexpo.com of course

344

00:16:17,150 --> 00:16:15,120

and it's limited seating because this is

345

00:16:19,730 --> 00:16:17,160

sitting down being catered these

346

00:16:21,769 --> 00:16:19,740

wonderful choices of meals including

347

00:16:25,210 --> 00:16:21,779

vegetarian as well

348

00:16:29,710 --> 00:16:25,220

um and you would choose ahead of time

349

00:16:37,389 --> 00:16:29,720

can I insert a vegan joke right now okay

350

00:16:44,150 --> 00:16:41,930

I'll save it for Saturday but uh

351

00:16:47,449 --> 00:16:44,160

but one of the things that we're getting

352

00:16:49,790 --> 00:16:47,459

out we've got 10 speakers right yes are

353

00:16:53,810 --> 00:16:49,800

going to be joining us yes

354

00:16:56,629 --> 00:16:53,820

um so every table is going to have uh

355

00:16:58,069 --> 00:16:56,639

somebody uh with them but one of the

356

00:17:00,170 --> 00:16:58,079

things that we're going to do this year

357

00:17:03,170 --> 00:17:00,180

check this out Christine and you're not

358

00:17:05,169 --> 00:17:03,180

invited Christine no you got to buy your

359

00:17:07,970 --> 00:17:05,179

own ticket

360

00:17:11,449 --> 00:17:07,980

check this out Christine

361

00:17:14,449 --> 00:17:11,459

we're gonna set up I'm gonna have uh my

362

00:17:16,909 --> 00:17:14,459

own table up on the stage and I'm gonna

363

00:17:20,110 --> 00:17:16,919

bring two people up from the audience to

364

00:17:27,610 --> 00:17:22,909

it's gonna be really cool I mean the

365

00:17:31,669 --> 00:17:27,620

most the most introverted right secluded

366

00:17:33,650 --> 00:17:31,679

bashful can't I'm getting two of them

367

00:17:35,450 --> 00:17:33,660

that's awesome

368

00:17:38,210 --> 00:17:35,460

that's right

369

00:17:42,830 --> 00:17:38,220

with my loud mouth and a microphone so

370

00:17:42,840 --> 00:17:48,250

awesome

371

00:17:55,190 --> 00:17:52,070

you know and and to be able to do that

372

00:17:56,330 --> 00:17:55,200

um one of the things uh and and for the

373

00:17:58,310 --> 00:17:56,340

tickets for this and everything

374

00:18:00,890 --> 00:17:58,320

everybody just click on the links below

375

00:18:02,450 --> 00:18:00,900

and and and come and hang out with us at

376

00:18:04,789 --> 00:18:02,460

at this lunch and it's going to be

377

00:18:06,289 --> 00:18:04,799

fantastic because one of the things that

378

00:18:08,990 --> 00:18:06,299

I like to do

379

00:18:11,690 --> 00:18:09,000

and uh for those that have you know done

380

00:18:15,110 --> 00:18:11,700

this with me before is I like to walk

381

00:18:18,590 --> 00:18:15,120

around from table to table uh with a

382

00:18:20,450 --> 00:18:18,600

microphone and and meet everybody right

383

00:18:23,990 --> 00:18:20,460

I want to meet everybody there I want

384

00:18:27,590 --> 00:18:24,000

everybody to to to say hello and to ask

385

00:18:29,770 --> 00:18:27,600

a question or to to tell us why they are

386

00:18:32,390 --> 00:18:29,780

there you know that's part of the fun

387

00:18:35,570 --> 00:18:32,400

and this this luncheon is going to be

388

00:18:37,909 --> 00:18:35,580

great and uh give me food give me

389

00:18:39,610 --> 00:18:37,919

friends give me a microphone

390

00:18:42,650 --> 00:18:39,620

right

391

00:18:44,570 --> 00:18:42,660

I always wanted to do that and and

392

00:18:47,750 --> 00:18:44,580

actually it's small enough that everyone

393

00:18:49,669 --> 00:18:47,760

can talk to everyone it's not a huge

394

00:18:51,590 --> 00:18:49,679

huge room and that's why I'm saying it's

395

00:18:53,510 --> 00:18:51,600

limited seating so you can all hear

396

00:18:55,310 --> 00:18:53,520

everybody even if you're not you're on

397

00:18:57,289 --> 00:18:55,320

one table you can hear the speaker on

398

00:18:59,990 --> 00:18:57,299

the other table and and everyone will go

399

00:19:02,570 --> 00:19:00,000

around and chat so now

400

00:19:04,909 --> 00:19:02,580

um there's a another thing that I wanted

401
00:19:07,610 --> 00:19:04,919
to mention and later uh Michael's office

402
00:19:09,289 --> 00:19:07,620
is going to be with us and so uh I'm

403
00:19:13,970 --> 00:19:09,299
gonna bring him in and ask him a few

404
00:19:17,450 --> 00:19:13,980
things but the format also overall

405
00:19:20,750 --> 00:19:17,460
um has kind of changed where

406
00:19:23,090 --> 00:19:20,760
um from the the big events now are

407
00:19:24,470 --> 00:19:23,100
happening in the big rooms on the second

408
00:19:26,390 --> 00:19:24,480
floor

409
00:19:29,390 --> 00:19:26,400
yes the panels

410
00:19:30,830 --> 00:19:29,400
um are upstairs so if you if someone's

411
00:19:33,230 --> 00:19:30,840
listening who always comes to conscious

412
00:19:35,270 --> 00:19:33,240
life Expo when you're running down to

413
00:19:37,250 --> 00:19:35,280

see a panel don't run down to see the

414

00:19:39,590 --> 00:19:37,260

panel it's not in the plaza it's

415

00:19:44,710 --> 00:19:39,600

actually on the first floor in the LA

416

00:19:49,310 --> 00:19:44,720

Forum Los Angeles Forum the second floor

417

00:19:51,890 --> 00:19:49,320

did I saying mezzanine just it's

418

00:19:55,549 --> 00:19:51,900

different in England I can use it well

419

00:19:57,650 --> 00:19:55,559

here we call it floor number two yeah

420

00:19:59,690 --> 00:19:57,660

that's right because yeah yeah I thought

421

00:20:01,450 --> 00:19:59,700

I said that yeah

422

00:20:04,010 --> 00:20:01,460

laughs

423

00:20:11,510 --> 00:20:04,020

oh man you're my absolute favorite

424

00:20:17,090 --> 00:20:14,870

oh see that's backwards

425

00:20:20,630 --> 00:20:17,100

at least you guys aren't on the metric

426

00:20:24,430 --> 00:20:20,640

system yet see so that's the good thing

427

00:20:28,909 --> 00:20:24,440

no that uh out of the entire Community

428

00:20:32,210 --> 00:20:28,919

uh Serena and I are very very close and

429

00:20:35,570 --> 00:20:32,220

she um she laughs at my jokes that's all

430

00:20:39,770 --> 00:20:38,510

what I need is to to hear Serena's

431

00:20:43,010 --> 00:20:39,780

laughter

432

00:20:46,610 --> 00:20:43,020

um the uh the other thing that I uh

433

00:20:47,390 --> 00:20:46,620

wanted to uh talk about is the talent

434

00:20:50,450 --> 00:20:47,400

show

435

00:20:52,610 --> 00:20:50,460

which when we started this now this is

436

00:20:53,570 --> 00:20:52,620

like our fourth year fifth year fifth

437

00:20:57,230 --> 00:20:53,580

year

438

00:21:00,409 --> 00:20:57,240

talent show

439

00:21:01,930 --> 00:21:00,419

you want to take a guess at that

440

00:21:06,049 --> 00:21:01,940

yeah

441

00:21:09,289 --> 00:21:06,059

it's turned into one of the Premier

442

00:21:10,909 --> 00:21:09,299

Events of the entire conference

443

00:21:19,610 --> 00:21:10,919

yeah

444

00:21:22,730 --> 00:21:20,750

the whole world doesn't show it's always

445

00:21:26,450 --> 00:21:22,740

incredibly exciting there's always

446

00:21:29,750 --> 00:21:26,460

different kinds of performances and um

447

00:21:33,049 --> 00:21:29,760

and Jimmy of course is is hosting it and

448

00:21:35,390 --> 00:21:33,059

and before that we have Awards we have

449

00:21:38,750 --> 00:21:35,400

um we always have awards for uh speakers

450

00:21:40,669 --> 00:21:38,760

and then um before that well during that

451
00:21:43,190 --> 00:21:40,679
time there's also the book awards which

452
00:21:45,310 --> 00:21:43,200
is a new thing and Christine knows all

453
00:21:47,630 --> 00:21:45,320
about that the book awards

454
00:21:51,049 --> 00:21:47,640
okay Christina you got ahead of your

455
00:21:52,810 --> 00:21:51,059
skis we were talking about the talent

456
00:21:56,210 --> 00:21:52,820
show oh yeah

457
00:21:58,630 --> 00:21:56,220
that's my job as host so let's steer I'm

458
00:22:00,890 --> 00:21:58,640
going to turn the bus back around

459
00:22:02,930 --> 00:22:00,900
can I say one thing about the talent

460
00:22:05,510 --> 00:22:02,940
show yes as I'm gonna say something

461
00:22:07,669 --> 00:22:05,520
about it too submissions are coming in

462
00:22:10,730 --> 00:22:07,679
is what I want to say submissions are

463
00:22:12,830 --> 00:22:10,740

coming in keep them coming this the ones

464

00:22:15,110 --> 00:22:12,840

I've seen so far are amazing so it's

465

00:22:17,270 --> 00:22:15,120

gonna be a great show

466

00:22:20,210 --> 00:22:17,280

um but we haven't we haven't quite uh

467

00:22:23,029 --> 00:22:20,220

finished booking it yet but um

468

00:22:26,750 --> 00:22:23,039

here's okay now here's the thing about

469

00:22:28,730 --> 00:22:26,760

expo's Got Talent and this is where I'm

470

00:22:33,230 --> 00:22:28,740

not cracking a joke I'm being very

471

00:22:37,730 --> 00:22:33,240

serious the level of talent that is

472

00:22:39,110 --> 00:22:37,740

there is world class and I remember I

473

00:22:40,850 --> 00:22:39,120

mean the first year we did it it was

474

00:22:43,789 --> 00:22:40,860

kind of like you know goofing off and I

475

00:22:47,029 --> 00:22:43,799

got up on stage and I goofed off and and

476

00:22:51,950 --> 00:22:47,039

things uh no the next year the gloves

477

00:22:54,590 --> 00:22:51,960

were off and the the the the the I'm

478

00:22:57,830 --> 00:22:54,600

talking about whether it's dancing or or

479

00:23:00,350 --> 00:22:57,840

or playing an instrument or singing or

480

00:23:03,049 --> 00:23:00,360

whatever it is you know that

481

00:23:06,169 --> 00:23:03,059

um it is an absolute World you've got to

482

00:23:09,110 --> 00:23:06,179

bring your A game you cannot this isn't

483

00:23:12,110 --> 00:23:09,120

you you can't be a slouch act right you

484

00:23:14,990 --> 00:23:12,120

can't you can't come in here because and

485

00:23:17,270 --> 00:23:15,000

I I'm I'm the host and I'm standing off

486

00:23:19,250 --> 00:23:17,280

the side of the stage going this is like

487

00:23:22,070 --> 00:23:19,260

the most amazing thing I've ever heard

488

00:23:26,270 --> 00:23:22,080

yeah amazing thing I've ever seen in my

489

00:23:29,810 --> 00:23:26,280

life and it's going on there and the the

490

00:23:32,330 --> 00:23:29,820

the the crowd everybody knows now that

491

00:23:34,970 --> 00:23:32,340

this is an extreme event right this is

492

00:23:37,250 --> 00:23:34,980

Extreme it's extreme remember uh

493

00:23:40,549 --> 00:23:37,260

remember uh I can't remember his name

494

00:23:43,370 --> 00:23:40,559

the the little the little Mozart Kid

495

00:23:47,330 --> 00:23:43,380

last year oh yeah incredibly talented

496

00:23:49,549 --> 00:23:47,340

what right I mean you know and you're

497

00:23:50,930 --> 00:23:49,559

sitting there and you're looking at

498

00:23:52,789 --> 00:23:50,940

you're listening to some of the best

499

00:23:54,350 --> 00:23:52,799

piano playing

500

00:23:56,330 --> 00:23:54,360

um that you're ever going to hear you

501
00:23:58,370 --> 00:23:56,340
remember his long flowing locks remember

502
00:24:00,830 --> 00:23:58,380
that that hair that head up there that

503
00:24:02,870 --> 00:24:00,840
he had and he just sat and and played

504
00:24:07,789 --> 00:24:02,880
Mozart

505
00:24:11,210 --> 00:24:07,799
um uh I mean and and I'm thinking this

506
00:24:14,090 --> 00:24:11,220
is conscious life Expo right this isn't

507
00:24:16,130 --> 00:24:14,100
some national TV show which it could

508
00:24:21,250 --> 00:24:16,140
have could have been but we're doing it

509
00:24:26,750 --> 00:24:24,049
it's absolutely amazing

510
00:24:30,049 --> 00:24:26,760
so I just wanted to say that so if you

511
00:24:31,909 --> 00:24:30,059
are uh uh interested in participating if

512
00:24:34,730 --> 00:24:31,919
you're world class you know you're gonna

513
00:24:37,669 --> 00:24:34,740

bring your A game submit and we are

514

00:24:39,409 --> 00:24:37,679

taking submissions right now and and we

515

00:24:41,570 --> 00:24:39,419

can't get everybody in only the best of

516

00:24:44,870 --> 00:24:41,580

the best what we do last year I think we

517

00:24:46,850 --> 00:24:44,880

did 10 Acts I think it was 10 yeah about

518

00:24:50,149 --> 00:24:46,860

10 is is probably what it'll be this

519

00:24:52,250 --> 00:24:50,159

year as well yeah yeah so if you think

520

00:24:55,250 --> 00:24:52,260

you've got what it takes uh we would

521

00:24:59,210 --> 00:24:55,260

love uh for you to submit and you can do

522

00:25:00,649 --> 00:24:59,220

all of that on the links uh below now uh

523

00:25:03,710 --> 00:25:00,659

the other thing

524

00:25:07,070 --> 00:25:03,720

um uh that goes on right before that is

525

00:25:10,130 --> 00:25:07,080

uh the award ceremony again a keynote

526
00:25:12,409 --> 00:25:10,140
event uh for the conscious life Expo and

527
00:25:13,669 --> 00:25:12,419
we'll be doing that again this year too

528
00:25:16,070 --> 00:25:13,679
as well

529
00:25:17,330 --> 00:25:16,080
um I don't know every year it's a it's a

530
00:25:20,450 --> 00:25:17,340
big surprise

531
00:25:22,549 --> 00:25:20,460
um do you guys have any inside track on

532
00:25:25,070 --> 00:25:22,559
on

533
00:25:27,409 --> 00:25:25,080
well I know some things but it's a

534
00:25:30,649 --> 00:25:27,419
surprise even for the speakers you know

535
00:25:31,850 --> 00:25:30,659
um so we don't want to say anything well

536
00:25:37,250 --> 00:25:31,860
I heard

537
00:25:41,450 --> 00:25:37,260
and I talked about this he said Jimmy

538
00:25:45,110 --> 00:25:41,460

what about a best hair a board

539

00:25:45,120 --> 00:25:49,630

for me Christine for me

540

00:25:53,750 --> 00:25:51,890

because she thought I was talking about

541

00:25:57,470 --> 00:25:53,760

her

542

00:25:58,669 --> 00:25:57,480

no okay so uh this uh best author best

543

00:26:01,330 --> 00:25:58,679

book

544

00:26:04,190 --> 00:26:01,340

yes can I talk about that yes

545

00:26:05,990 --> 00:26:04,200

so yeah so for the first time ever we

546

00:26:09,230 --> 00:26:06,000

are doing

547

00:26:11,990 --> 00:26:09,240

um a book awards and anybody that's

548

00:26:15,169 --> 00:26:12,000

speaking at the Expo was able to submit

549

00:26:17,210 --> 00:26:15,179

their book and so we have actually 50

550

00:26:18,169 --> 00:26:17,220

books up on our website

551
00:26:20,930 --> 00:26:18,179
um with

552
00:26:22,610 --> 00:26:20,940
um bios of the authors information about

553
00:26:25,970 --> 00:26:22,620
the book links to purchase if you want

554
00:26:28,070 --> 00:26:25,980
to and voting so you can vote for your

555
00:26:30,110 --> 00:26:28,080
favorite book uh no purchase necessary

556
00:26:32,750 --> 00:26:30,120
you don't have to buy anything to vote

557
00:26:34,549 --> 00:26:32,760
you can just vote and it's really cool

558
00:26:36,470 --> 00:26:34,559
the the the

559
00:26:38,810 --> 00:26:36,480
um all of our speakers they're so good

560
00:26:40,850 --> 00:26:38,820
they're so brilliant and they've written

561
00:26:43,490 --> 00:26:40,860
these amazing books and

562
00:26:45,890 --> 00:26:43,500
um I'm just excited that we're able to

563
00:26:47,210 --> 00:26:45,900

you know let everybody know and I hope

564

00:26:48,649 --> 00:26:47,220

that people are going on there and

565

00:26:50,510 --> 00:26:48,659

reading the books and getting excited

566

00:26:51,830 --> 00:26:50,520

about seeing the authors as well seeing

567

00:26:54,529 --> 00:26:51,840

them speak

568

00:26:56,870 --> 00:26:54,539

um so yeah it's it's the the first

569

00:26:59,690 --> 00:26:56,880

conscious life Expo book awards and it

570

00:27:01,310 --> 00:26:59,700

will be the first in a long line so I'm

571

00:27:02,930 --> 00:27:01,320

hoping that

572

00:27:04,430 --> 00:27:02,940

it's a big success we've already had

573

00:27:06,950 --> 00:27:04,440

thousands of votes so it's really

574

00:27:09,529 --> 00:27:06,960

exciting and it's really exciting that

575

00:27:11,029 --> 00:27:09,539

and they're not all new books they will

576

00:27:13,490 --> 00:27:11,039

be in the future it doesn't have to be

577

00:27:15,049 --> 00:27:13,500

this year it's so that there's a book

578

00:27:17,930 --> 00:27:15,059

you laugh by one of the authors it's

579

00:27:21,010 --> 00:27:17,940

probably there exactly it's hard to vote

580

00:27:26,570 --> 00:27:24,409

I get uh as you guys can imagine I

581

00:27:29,169 --> 00:27:26,580

probably get five to ten books a week

582

00:27:32,990 --> 00:27:29,179

right sent to me from Publishers

583

00:27:36,529 --> 00:27:33,000

and uh I'm I'm I I'm just reading as

584

00:27:39,529 --> 00:27:36,539

much as I can all the time and I I've

585

00:27:41,390 --> 00:27:39,539

got stacks of Linda and I were did I

586

00:27:44,269 --> 00:27:41,400

just slip up Linda and I were talking

587

00:27:46,730 --> 00:27:44,279

earlier today about reading books all

588

00:27:50,450 --> 00:27:46,740

right and that uh there is a certain

589

00:27:53,570 --> 00:27:50,460

thing that you get when you physically

590

00:27:56,690 --> 00:27:53,580

hold the book right I've got uh Patricia

591

00:27:59,090 --> 00:27:56,700

Corey on the show uh later on this week

592

00:28:01,850 --> 00:27:59,100

and this is her new book it's it's one

593

00:28:03,529 --> 00:28:01,860

thing to go and read it digitally or or

594

00:28:07,190 --> 00:28:03,539

do it but there you get something else

595

00:28:09,950 --> 00:28:07,200

this tactile thing you know and when I

596

00:28:12,350 --> 00:28:09,960

get as many books as I do I'm here to

597

00:28:14,990 --> 00:28:12,360

tell you there is some amazing stuff

598

00:28:17,149 --> 00:28:15,000

being published right now so to

599

00:28:19,610 --> 00:28:17,159

recognize these authors and a lot of

600

00:28:21,890 --> 00:28:19,620

them uh are self-published now because

601
00:28:23,870 --> 00:28:21,900
it's so easy to do you don't have to go

602
00:28:26,570 --> 00:28:23,880
to penguin you don't have to go to Simon

603
00:28:28,990 --> 00:28:26,580
and Schuster uh to go and get a book

604
00:28:32,450 --> 00:28:29,000
deal now if you're if you're an author

605
00:28:34,789 --> 00:28:32,460
and you are writing good stuff you can

606
00:28:37,070 --> 00:28:34,799
self-publish right there on Amazon and

607
00:28:41,810 --> 00:28:37,080
there is a lot of great stuff that is

608
00:28:44,510 --> 00:28:41,820
available these days yep totally so um

609
00:28:48,409 --> 00:28:44,520
I'm waiting for our first special guest

610
00:28:51,169 --> 00:28:48,419
who was who is active right but is but

611
00:28:53,750 --> 00:28:51,179
I'm not going to say who it is we were

612
00:29:00,950 --> 00:28:53,760
ready five minutes ago

613
00:29:04,070 --> 00:29:00,960

can see what's going on right

614

00:29:06,769 --> 00:29:04,080

can you guys see I can't see oh no you

615

00:29:08,990 --> 00:29:06,779

can't see in the Green Room okay our our

616

00:29:10,930 --> 00:29:09,000

first special guest is uh no not you

617

00:29:13,210 --> 00:29:10,940

Michael I'll bring in Michael anyway

618

00:29:16,010 --> 00:29:13,220

[Laughter]

619

00:29:18,889 --> 00:29:16,020

here uh I saw a little movement from our

620

00:29:21,350 --> 00:29:18,899

special guest oh I it's it's getting

621

00:29:23,330 --> 00:29:21,360

better it's getting better okay

622

00:29:26,029 --> 00:29:23,340

Christine I'm gonna pull you out for

623

00:29:29,690 --> 00:29:26,039

bandwidth okay so I'm gonna move you

624

00:29:32,090 --> 00:29:29,700

backstage and I am going to bring on our

625

00:29:34,549 --> 00:29:32,100

first special guest of the night

626

00:29:37,269 --> 00:29:34,559

Linda Moulton Howe Linda

627

00:29:40,970 --> 00:29:37,279

how you doing

628

00:29:43,970 --> 00:29:40,980

new year for everybody Fade to Black

629

00:29:46,430 --> 00:29:43,980

Earth files everyone from here out to

630

00:29:49,370 --> 00:29:46,440

the ends of the universe let's try to

631

00:29:53,090 --> 00:29:49,380

make 2023 a more positive year than we

632

00:29:56,690 --> 00:29:53,100

have had for a while now um uh I was I I

633

00:29:58,430 --> 00:29:56,700

gave Linda a hard time uh today uh first

634

00:30:01,190 --> 00:29:58,440

off because Serena said I don't give

635

00:30:02,690 --> 00:30:01,200

Linda a hard enough time in that no that

636

00:30:03,950 --> 00:30:02,700

I need to do that but but here's the

637

00:30:08,389 --> 00:30:03,960

thing

638

00:30:11,049 --> 00:30:08,399

um I gave Linda because Linda and Serena

639

00:30:13,789 --> 00:30:11,059

you know they're best friends these two

640

00:30:16,610 --> 00:30:13,799

share the Fountain of Youth every day

641

00:30:18,769 --> 00:30:16,620

every day Linda is sending you know and

642

00:30:21,310 --> 00:30:18,779

so I think they do some kind of ceremony

643

00:30:25,070 --> 00:30:21,320

together and they're chugging

644

00:30:27,350 --> 00:30:25,080

you know this this fresh spring water

645

00:30:29,990 --> 00:30:27,360

from the Fountain of Youth because the

646

00:30:31,370 --> 00:30:30,000

two of you absolutely look amazing and

647

00:30:33,409 --> 00:30:31,380

Linda

648

00:30:35,870 --> 00:30:33,419

um please just send some of that cool

649

00:30:39,230 --> 00:30:35,880

refreshing drink my way

650

00:30:42,710 --> 00:30:39,240

I will try and you keep hanging in there

651
00:30:45,830 --> 00:30:42,720
with your energy and your Gusto that

652
00:30:49,789 --> 00:30:45,840
keeps us going so the one thing Jimmy

653
00:30:52,310 --> 00:30:49,799
wouldn't you agree this is uh 20 years

654
00:30:55,750 --> 00:30:52,320
of conscious life Expo this will be the

655
00:30:58,789 --> 00:30:55,760
21st and I think back

656
00:31:00,950 --> 00:30:58,799
pre-covered this was a place where you

657
00:31:03,470 --> 00:31:00,960
felt like you were going on a vacation

658
00:31:06,889 --> 00:31:03,480
with a lot of friends who were really

659
00:31:09,350 --> 00:31:06,899
interested in UFOs uaps Souls other

660
00:31:11,810 --> 00:31:09,360
dimensions other frequencies and that

661
00:31:15,169 --> 00:31:11,820
you can be in a hotel all in one place

662
00:31:18,889 --> 00:31:15,179
you never have to leave and be able to

663
00:31:22,250 --> 00:31:18,899

talk both before presentations after

664

00:31:25,010 --> 00:31:22,260

presentations and the great lunches and

665

00:31:28,610 --> 00:31:25,020

dinners this is a reason for everybody

666

00:31:32,029 --> 00:31:28,620

who is now listening who may not have

667

00:31:35,630 --> 00:31:32,039

gone to conscious life Expo it truly is

668

00:31:37,730 --> 00:31:35,640

one of the most fun conferences I think

669

00:31:41,450 --> 00:31:37,740

not just in the United States but in the

670

00:31:43,730 --> 00:31:41,460

world yeah and and Linda you and I uh

671

00:31:47,029 --> 00:31:43,740

each year at conscious life we do two

672

00:31:49,490 --> 00:31:47,039

three four events together and and I'm

673

00:31:52,789 --> 00:31:49,500

able to introduce you and and we do all

674

00:31:54,250 --> 00:31:52,799

these things right but this is I it's a

675

00:31:59,870 --> 00:31:54,260

privilege for me

676

00:32:03,169 --> 00:31:59,880

to watch uh the uh the fans and the

677

00:32:06,049 --> 00:32:03,179

people that are here uh at the event for

678

00:32:08,810 --> 00:32:06,059

you and the respect that you get and I'm

679

00:32:10,850 --> 00:32:08,820

able to just uh kick back and feed off

680

00:32:14,570 --> 00:32:10,860

of that energy but it's it's got to be

681

00:32:16,909 --> 00:32:14,580

amazing uh for you to know that uh so

682

00:32:20,029 --> 00:32:16,919

many uh people put that date on a

683

00:32:22,669 --> 00:32:20,039

calendar right it's it's it's special at

684

00:32:24,710 --> 00:32:22,679

every event but it's it's it's even more

685

00:32:28,250 --> 00:32:24,720

special at the conscious life Expo isn't

686

00:32:30,769 --> 00:32:28,260

it right it is and I'm going to be

687

00:32:33,470 --> 00:32:30,779

concentrating on different facets of

688

00:32:36,230 --> 00:32:33,480

what I consider right now to be the most

689

00:32:40,010 --> 00:32:36,240

fascinating part of the whole UFO uip

690

00:32:42,169 --> 00:32:40,020

mystery and that is that we are in a

691

00:32:44,630 --> 00:32:42,179

very different Universe than originally

692

00:32:47,029 --> 00:32:44,640

we have been taught and that more and

693

00:32:51,350 --> 00:32:47,039

more papers and more scientists that I'm

694

00:32:55,669 --> 00:32:51,360

talking with and physicists we are in a

695

00:32:59,029 --> 00:32:55,679

conscious universe and that it is in one

696

00:33:03,049 --> 00:32:59,039

of several dimensions and that the other

697

00:33:06,010 --> 00:33:03,059

dimensional concept is mathematical not

698

00:33:08,990 --> 00:33:06,020

philosophical and once you start

699

00:33:12,409 --> 00:33:09,000

studying and reading and in my case I

700

00:33:15,830 --> 00:33:12,419

will be sharing several new facets in my

701
00:33:19,009 --> 00:33:15,840
lecture and in the uh the two and a half

702
00:33:22,669 --> 00:33:19,019
hour intensity that I'm doing on Monday

703
00:33:25,789 --> 00:33:22,679
which is the 13th of February uh we're

704
00:33:28,130 --> 00:33:25,799
I'm speaking on Saturday and Sunday and

705
00:33:29,630 --> 00:33:28,140
Monday we're doing panels and I've got

706
00:33:32,450 --> 00:33:29,640
special lectures

707
00:33:36,110 --> 00:33:32,460
but to do two and a half hours in that

708
00:33:39,289 --> 00:33:36,120
intensive on that Monday the 13th the

709
00:33:43,130 --> 00:33:39,299
reason I think that it is becoming

710
00:33:46,310 --> 00:33:43,140
actually fascinating for me to prepare

711
00:33:49,669 --> 00:33:46,320
is that all of the concepts that were

712
00:33:53,509 --> 00:33:49,679
never filled in or filled out about us

713
00:33:55,310 --> 00:33:53,519

being in a holographic Universe more and

714

00:33:58,970 --> 00:33:55,320

more I talked with the physicist two

715

00:34:01,430 --> 00:33:58,980

days ago who told me he said really

716

00:34:03,830 --> 00:34:01,440

everything is beginning to stack up high

717

00:34:07,070 --> 00:34:03,840

more and more about the holographic and

718

00:34:08,990 --> 00:34:07,080

I said but then that means that this

719

00:34:12,649 --> 00:34:09,000

universe would be projected From Another

720

00:34:15,649 --> 00:34:12,659

Dimension or Another Universe and he

721

00:34:19,070 --> 00:34:15,659

said that's that's true that's right and

722

00:34:21,230 --> 00:34:19,080

it affects everything the way we have

723

00:34:23,869 --> 00:34:21,240

looked at the so-called beginning of the

724

00:34:26,389 --> 00:34:23,879

universe and in some ways it's actually

725

00:34:27,889 --> 00:34:26,399

closer to what Roger Penrose told me in

726

00:34:32,450 --> 00:34:27,899

2018

727

00:34:36,050 --> 00:34:32,460

not a singularity not a big bang he said

728

00:34:40,369 --> 00:34:36,060

but a constant cycling through an

729

00:34:43,369 --> 00:34:40,379

Infinity of time of not only matter as

730

00:34:46,849 --> 00:34:43,379

we know matter but all of these other

731

00:34:49,790 --> 00:34:46,859

dimensional frequencies the key to

732

00:34:52,550 --> 00:34:49,800

everything is frequencies and that

733

00:34:55,970 --> 00:34:52,560

includes with the advanced civilizations

734

00:34:59,990 --> 00:34:55,980

of other extraterrestrials which I sure

735

00:35:02,990 --> 00:35:00,000

hope in 2023 that we're finally going to

736

00:35:04,970 --> 00:35:03,000

get the crack in the thick ice of the

737

00:35:07,570 --> 00:35:04,980

first truth we're not alone in this

738

00:35:11,150 --> 00:35:07,580

universe it is filled with Consciousness

739

00:35:14,870 --> 00:35:11,160

and this is the discussion that we all

740

00:35:16,970 --> 00:35:14,880

have at conscious life Expo it doesn't

741

00:35:20,510 --> 00:35:16,980

stop at Milton

742

00:35:23,690 --> 00:35:20,520

it doesn't stop uh you know last year uh

743

00:35:27,050 --> 00:35:23,700

some pictures were posted of of you and

744

00:35:29,569 --> 00:35:27,060

I Linda and and I and I kind of joked

745

00:35:32,450 --> 00:35:29,579

about it but it's really true

746

00:35:34,430 --> 00:35:32,460

um you and I sat up two nights in a row

747

00:35:36,050 --> 00:35:34,440

two nights in a row two two o'clock in

748

00:35:39,230 --> 00:35:36,060

the morning yeah

749

00:35:41,329 --> 00:35:39,240

um and and and just talked now there

750

00:35:43,130 --> 00:35:41,339

were other people it was fascinating the

751
00:35:45,050 --> 00:35:43,140
discussions I thought were getting more

752
00:35:47,810 --> 00:35:45,060
fascinating right than they ever have

753
00:35:49,609 --> 00:35:47,820
been before yeah yeah now we we cracked

754
00:35:51,710 --> 00:35:49,619
a couple of bottles of wine I'm not

755
00:35:54,530 --> 00:35:51,720
saying oh yes

756
00:35:56,569 --> 00:35:54,540
I really didn't have wine at The Lax

757
00:35:59,870 --> 00:35:56,579
Hilton you wouldn't be conscious life

758
00:36:01,910 --> 00:35:59,880
expectancy it would not and and so when

759
00:36:04,250 --> 00:36:01,920
I posted those pictures

760
00:36:05,510 --> 00:36:04,260
um and and and and others you know

761
00:36:06,710 --> 00:36:05,520
there's other people there that were

762
00:36:08,750 --> 00:36:06,720
posting these pictures and when I was

763
00:36:14,650 --> 00:36:08,760

telling everybody that that picture was

764

00:36:18,710 --> 00:36:14,660

taken at 2 15. and in the morning

765

00:36:20,990 --> 00:36:18,720

no that was uh 2 15 a.m yeah and for all

766

00:36:22,790 --> 00:36:21,000

of you listening if you haven't been to

767

00:36:26,770 --> 00:36:22,800

conscious life Expo that's why I said

768

00:36:30,890 --> 00:36:26,780

it's like going on a fun vacation

769

00:36:34,490 --> 00:36:30,900

we have meals together and Q and A with

770

00:36:36,410 --> 00:36:34,500

each other and it has always been a

771

00:36:37,990 --> 00:36:36,420

wonderful conference it's a family it's

772

00:36:41,990 --> 00:36:38,000

a family affair

773

00:36:44,349 --> 00:36:42,000

this is no joke at 2 15 I got up I said

774

00:36:47,530 --> 00:36:44,359

Linda I gotta go to work in the morning

775

00:36:50,630 --> 00:36:47,540

you guys were still there I I I I

776

00:36:53,569 --> 00:36:50,640

finally I checked out at two I didn't

777

00:36:57,250 --> 00:36:53,579

want to but I knew that Serena would be

778

00:37:01,010 --> 00:36:57,260

calling me at 7 30.

779

00:37:03,050 --> 00:37:01,020

does it every year 7 30. no this is why

780

00:37:09,130 --> 00:37:03,060

I can't find Linda when I I don't want

781

00:37:15,530 --> 00:37:12,710

yeah lots and lots and lots of sunrises

782

00:37:18,349 --> 00:37:15,540

I have seen with people at conferences

783

00:37:21,589 --> 00:37:18,359

but conscious life is special because

784

00:37:23,569 --> 00:37:21,599

it's in that vertical Hilton and EV you

785

00:37:25,730 --> 00:37:23,579

wouldn't even have to leave the hotel

786

00:37:27,890 --> 00:37:25,740

for three or four days you don't have to

787

00:37:29,930 --> 00:37:27,900

then goes up and down and there are

788

00:37:32,630 --> 00:37:29,940

restaurants there and the food is good

789

00:37:34,849 --> 00:37:32,640

and the wine is good and that is it's

790

00:37:39,230 --> 00:37:34,859

like a big rectangle in which everybody

791

00:37:42,650 --> 00:37:39,240

gets to have fun as well as be provoked

792

00:37:45,230 --> 00:37:42,660

by fascinating presentations yeah no

793

00:37:46,910 --> 00:37:45,240

doubt about it and Linda and thank you

794

00:37:48,829 --> 00:37:46,920

for taking the time but before you get

795

00:37:51,890 --> 00:37:48,839

out of here

796

00:37:54,230 --> 00:37:51,900

um there is a lot of stuff that's going

797

00:37:57,589 --> 00:37:54,240

on right now and a lot of stuff that is

798

00:38:00,230 --> 00:37:57,599

not going on now uh so two things I

799

00:38:01,550 --> 00:38:00,240

wanted to uh ask you really quick

800

00:38:04,609 --> 00:38:01,560

um and I'm sure we'll be talking about

801
00:38:08,630 --> 00:38:04,619
this uh February 3rd

802
00:38:12,589 --> 00:38:08,640
um at The Lax Hilton but uh the the UFO

803
00:38:14,150 --> 00:38:12,599
UAP report now is uh it's four months

804
00:38:15,710 --> 00:38:14,160
late

805
00:38:17,329 --> 00:38:15,720
um what do you see what do you

806
00:38:20,510 --> 00:38:17,339
anticipate do you think that we'll get

807
00:38:24,290 --> 00:38:20,520
something before uh conscious life Expo

808
00:38:27,230 --> 00:38:24,300
well it was signed on December 23rd and

809
00:38:31,550 --> 00:38:27,240
so the uh all the controversial

810
00:38:34,970 --> 00:38:31,560
legislation about reducing penalties if

811
00:38:39,650 --> 00:38:34,980
you are for example in the military and

812
00:38:43,010 --> 00:38:39,660
let's say that you are a um a major and

813
00:38:46,790 --> 00:38:43,020

you have a UFO and an ET in front of you

814

00:38:48,890 --> 00:38:46,800

and you are used to never talking

815

00:38:51,109 --> 00:38:48,900

because you're afraid that you're going

816

00:38:53,450 --> 00:38:51,119

to be punished if you tell any higher

817

00:38:54,890 --> 00:38:53,460

authority about what you've just

818

00:38:57,589 --> 00:38:54,900

experienced

819

00:39:00,170 --> 00:38:57,599

what this new legislation does that did

820

00:39:04,670 --> 00:39:00,180

pass on December 23rd

821

00:39:08,150 --> 00:39:04,680

it makes it it says the words that a

822

00:39:11,210 --> 00:39:08,160

person who goes to their higher Superior

823

00:39:12,950 --> 00:39:11,220

Authority is not going to be punished

824

00:39:15,410 --> 00:39:12,960

and people have been punished in the

825

00:39:17,990 --> 00:39:15,420

past which was crazy and now what

826

00:39:20,450 --> 00:39:18,000

they're trying to do is make it easier

827

00:39:22,849 --> 00:39:20,460

for everyone to be reporting everything

828

00:39:25,250 --> 00:39:22,859

that they're experiencing up the chain

829

00:39:27,770 --> 00:39:25,260

without worrying about some kind of

830

00:39:30,589 --> 00:39:27,780

punishment or retribution it will be

831

00:39:34,490 --> 00:39:30,599

interesting to see if it does have any

832

00:39:36,470 --> 00:39:34,500

effect on opening up a wider hose of

833

00:39:38,270 --> 00:39:36,480

whistleblowers coming forward

834

00:39:39,829 --> 00:39:38,280

the problem is

835

00:39:42,410 --> 00:39:39,839

until

836

00:39:47,349 --> 00:39:42,420

our government and other governments

837

00:39:52,010 --> 00:39:47,359

make it a world new unclassified reality

838

00:39:55,069 --> 00:39:52,020

we are not alone in this universe it is

839

00:39:58,190 --> 00:39:55,079

teeming with Consciousness we have to

840

00:40:01,550 --> 00:39:58,200

move that whole bar from where it has

841

00:40:04,790 --> 00:40:01,560

been denied to a brand new truth and

842

00:40:07,849 --> 00:40:04,800

then all of this other the kind of the

843

00:40:10,069 --> 00:40:07,859

back story of people who have had all of

844

00:40:12,770 --> 00:40:10,079

these dramatic interactions in Military

845

00:40:14,690 --> 00:40:12,780

and other service and and in Aerospace

846

00:40:16,370 --> 00:40:14,700

in medicine and lots and lots of

847

00:40:19,790 --> 00:40:16,380

different professionals who have had

848

00:40:22,849 --> 00:40:19,800

interactions with beings and with craft

849

00:40:26,569 --> 00:40:22,859

that entire group will call them the

850

00:40:29,930 --> 00:40:26,579

interactors uh instead of whistleblowers

851

00:40:33,950 --> 00:40:29,940

they should be able to talk more freely

852

00:40:36,950 --> 00:40:33,960

and with that hopefully it is going to

853

00:40:40,130 --> 00:40:36,960

open up the inertia going forward that

854

00:40:43,849 --> 00:40:40,140

the whole world will begin to crack open

855

00:40:47,690 --> 00:40:43,859

all of it and that's sort of the bind

856

00:40:51,190 --> 00:40:47,700

we're in right now Jimmy even if these

857

00:40:54,470 --> 00:40:51,200

words are in the ndaa the Congress

858

00:40:58,430 --> 00:40:54,480

passed on December 23rd

859

00:41:02,050 --> 00:40:58,440

it was as if nothing happened and it was

860

00:41:06,530 --> 00:41:02,060

Chris Mellon who uh wrote in a tweet

861

00:41:10,430 --> 00:41:06,540

that he it had a past it was on December

862

00:41:12,349 --> 00:41:10,440

23rd but that it was as if it had never

863

00:41:15,250 --> 00:41:12,359

ever been communicated to the American

864

00:41:18,849 --> 00:41:15,260

public yeah yeah very strange

865

00:41:22,210 --> 00:41:18,859

Linda I know you've got to run

866

00:41:24,530 --> 00:41:22,220

everybody I'm gonna give Linda

867

00:41:26,450 --> 00:41:24,540

I'm gonna get I'm going to give Linda

868

00:41:29,150 --> 00:41:26,460

the opportunity to give me the shortest

869

00:41:32,270 --> 00:41:29,160

answer she's ever had to a question and

870

00:41:35,569 --> 00:41:32,280

it's this Linda on a scale of one to a

871

00:41:38,450 --> 00:41:35,579

hundred you get to pick one number one

872

00:41:39,970 --> 00:41:38,460

one single answer to me scale of one to

873

00:41:49,069 --> 00:41:39,980

one hundred

874

00:41:52,190 --> 00:41:49,079

75 75. Linda Moulton Howe Linda thank

875

00:41:54,230 --> 00:41:52,200

you so much I love you guys you're the

876

00:41:55,490 --> 00:41:54,240

absolute very best and uh we're going to

877

00:42:00,290 --> 00:41:55,500

be not going to come and hang out with

878

00:42:04,490 --> 00:42:02,510

Linda thank you so much my friend and

879

00:42:06,050 --> 00:42:04,500

behave I know you've got a busy night in

880

00:42:07,790 --> 00:42:06,060

front of you thank you for taking the

881

00:42:10,430 --> 00:42:07,800

time and and coming in with us tonight

882

00:42:13,430 --> 00:42:10,440

thank you and I love you Serena love you

883

00:42:16,010 --> 00:42:13,440

I'll see you soon Linda Moulton Howe the

884

00:42:19,190 --> 00:42:16,020

best Earth files earthfiles.com thank

885

00:42:21,290 --> 00:42:19,200

you so much Linda and uh we're just

886

00:42:24,290 --> 00:42:21,300

gonna keep this going all right so

887

00:42:26,390 --> 00:42:24,300

Christine you stay right there and uh

888

00:42:27,829 --> 00:42:26,400

because coming guess who's in the

889

00:42:30,670 --> 00:42:27,839

batter's box

890

00:42:35,569 --> 00:42:30,680

Guess who's coming in right now

891

00:42:39,109 --> 00:42:35,579

Caroline Corey Carol I'm Corey in the

892

00:42:42,349 --> 00:42:39,119

House how are you is everything good oh

893

00:42:46,550 --> 00:42:42,359

oh you've got yourself muted on your end

894

00:42:50,890 --> 00:42:46,560

hey there you go having to uh caught up

895

00:42:57,910 --> 00:42:55,370

how you doing I am awesome hey Serena

896

00:43:00,650 --> 00:42:57,920

hello good to see you

897

00:43:04,130 --> 00:43:00,660

this is gonna be great uh conscious life

898

00:43:05,690 --> 00:43:04,140

Expo 2023 kicking off a new year uh

899

00:43:09,349 --> 00:43:05,700

you're gonna be there you're you're

900

00:43:11,510 --> 00:43:09,359

coming right on the heels of uh an

901
00:43:14,089 --> 00:43:11,520
award-winning film that that absolutely

902
00:43:16,250 --> 00:43:14,099
blew up everything this year I know that

903
00:43:18,530 --> 00:43:16,260
you're working on other stuff uh right

904
00:43:20,329 --> 00:43:18,540
now you never stop when it comes to uh

905
00:43:21,950 --> 00:43:20,339
production but what are you going to be

906
00:43:22,910 --> 00:43:21,960
speaking about at conscious life this

907
00:43:27,410 --> 00:43:22,920
year

908
00:43:30,230 --> 00:43:27,420
yeah I am going to be talking about

909
00:43:34,430 --> 00:43:30,240
um our extraterrestrial lineage

910
00:43:36,710 --> 00:43:34,440
so because so many people

911
00:43:39,950 --> 00:43:36,720
um you know I know that they're

912
00:43:42,950 --> 00:43:39,960
connected to some sort of pleiadian

913
00:43:46,910 --> 00:43:42,960

Consciousness or arcturian condo

914

00:43:51,109 --> 00:43:46,920

whatever you know uh and so I want to

915

00:43:53,630 --> 00:43:51,119

clarify how this whole process works

916

00:43:56,630 --> 00:43:53,640

um you know share my personal experience

917

00:44:00,170 --> 00:43:56,640

in this whole field but also help people

918

00:44:02,510 --> 00:44:00,180

figure out what is really their lineage

919

00:44:05,510 --> 00:44:02,520

you know like how do you know you know

920

00:44:08,329 --> 00:44:05,520

is this are you just uh you know

921

00:44:10,250 --> 00:44:08,339

downloading stuff from The Pleiadians uh

922

00:44:13,010 --> 00:44:10,260

just to help you you know with your own

923

00:44:15,950 --> 00:44:13,020

life or does it have something to do

924

00:44:19,069 --> 00:44:15,960

with your like who you really are you

925

00:44:20,809 --> 00:44:19,079

know we all have a human lineage to

926
00:44:23,290 --> 00:44:20,819
appear human like right now I'm

927
00:44:24,910 --> 00:44:23,300
appearing human right

928
00:44:29,109 --> 00:44:24,920
but

929
00:44:33,069 --> 00:44:29,119
I may not be totally that

930
00:44:37,069 --> 00:44:33,079
so how do you how do you retrace back

931
00:44:39,349 --> 00:44:37,079
your individual unique lineage and why

932
00:44:43,970 --> 00:44:39,359
it's so important

933
00:44:47,690 --> 00:44:43,980
it is so important because that aspect

934
00:44:51,970 --> 00:44:47,700
of you knows everything about this

935
00:44:55,250 --> 00:44:51,980
aspect of you well how how much of us

936
00:44:56,630 --> 00:44:55,260
is alien DNA you know carried over for

937
00:44:59,930 --> 00:44:56,640
for the last five hundred thousand years

938
00:45:02,809 --> 00:44:59,940

like Christine you can tell 100 alien

939

00:45:07,430 --> 00:45:02,819

later on we're gonna have uh Michael

940

00:45:10,490 --> 00:45:07,440

Sava coming in he's 50 he's 15 alien you

941

00:45:13,609 --> 00:45:10,500

can look at him I am but but how how

942

00:45:18,050 --> 00:45:13,619

much of it is is just just naturally a

943

00:45:21,290 --> 00:45:18,060

part of us are we all a little bit alien

944

00:45:24,790 --> 00:45:21,300

um it depends I want to say two-thirds

945

00:45:27,890 --> 00:45:24,800

of the planet is more alien than human

946

00:45:30,349 --> 00:45:27,900

right and the one-third you know

947

00:45:35,030 --> 00:45:30,359

everybody's kind of alien in the sense

948

00:45:37,670 --> 00:45:35,040

that even you know you you are a human

949

00:45:39,589 --> 00:45:37,680

like from the human lineage from the

950

00:45:43,069 --> 00:45:39,599

beginning but you are still kind of

951
00:45:46,010 --> 00:45:43,079
mixed with other more kind of local like

952
00:45:48,650 --> 00:45:46,020
planetary type lineages but the

953
00:45:51,950 --> 00:45:48,660
two-thirds that I'm talking about come

954
00:45:55,130 --> 00:45:51,960
from further away in the galaxy and

955
00:45:56,589 --> 00:45:55,140
Beyond so so it's really really

956
00:45:59,510 --> 00:45:56,599
fascinating

957
00:46:02,210 --> 00:45:59,520
we're all Stardust right

958
00:46:04,609 --> 00:46:02,220
yes but even if you're a stardust you

959
00:46:06,230 --> 00:46:04,619
still have a DNA that's what I was going

960
00:46:08,990 --> 00:46:06,240
well that's what I'm going to talk about

961
00:46:11,809 --> 00:46:09,000
in the class in the workshop you know

962
00:46:14,930 --> 00:46:11,819
there are different types of Stardust

963
00:46:18,710 --> 00:46:14,940

that appear as a type of intelligent

964

00:46:20,870 --> 00:46:18,720

life that is material so you know

965

00:46:23,510 --> 00:46:20,880

material beings can be human but can

966

00:46:26,089 --> 00:46:23,520

also be other types but then there's

967

00:46:29,510 --> 00:46:26,099

different types of Starbucks Stardust

968

00:46:32,450 --> 00:46:29,520

beings that do not materialize there are

969

00:46:34,309 --> 00:46:32,460

now materializing just to come down here

970

00:46:37,390 --> 00:46:34,319

and help out and do something very

971

00:46:40,970 --> 00:46:37,400

specific but they're not technically

972

00:46:44,630 --> 00:46:40,980

supposed to materialize so there's all

973

00:46:46,910 --> 00:46:44,640

these types of uh you know ways of

974

00:46:48,770 --> 00:46:46,920

incarnating do you have to Incarnate in

975

00:46:51,349 --> 00:46:48,780

physical form in order to evolve

976

00:46:54,130 --> 00:46:51,359

Consciousness so on so forth so it's

977

00:46:57,349 --> 00:46:54,140

fascinating to find out all of these

978

00:47:00,230 --> 00:46:57,359

details and to figure out wait a minute

979

00:47:03,170 --> 00:47:00,240

which one are you and then what about

980

00:47:05,329 --> 00:47:03,180

your Human family like are they the same

981

00:47:08,089 --> 00:47:05,339

did you come in together I can tell you

982

00:47:10,309 --> 00:47:08,099

right now not necessarily

983

00:47:12,710 --> 00:47:10,319

um you know also when you meet people

984

00:47:15,650 --> 00:47:12,720

for the first time

985

00:47:18,410 --> 00:47:15,660

um how you recognize lineages and stuff

986

00:47:20,450 --> 00:47:18,420

like that it's just just I think it's

987

00:47:22,309 --> 00:47:20,460

it's the most interesting because people

988

00:47:23,450 --> 00:47:22,319

want to know who they are who they

989

00:47:24,829 --> 00:47:23,460

really are

990

00:47:26,630 --> 00:47:24,839

when

991

00:47:29,690 --> 00:47:26,640

um channeling is something that

992

00:47:32,329 --> 00:47:29,700

fascinates me but I don't think it's it

993

00:47:34,910 --> 00:47:32,339

it starts and stops necessarily with

994

00:47:38,210 --> 00:47:34,920

channeling I think that with

995

00:47:40,910 --> 00:47:38,220

entanglement and with what physics is is

996

00:47:42,950 --> 00:47:40,920

showing us today and that is the you

997

00:47:45,230 --> 00:47:42,960

know the Multiverse and and multiple

998

00:47:47,809 --> 00:47:45,240

dimensions and parallel worlds and and

999

00:47:51,170 --> 00:47:47,819

of course entanglement and and what

1000

00:47:53,750 --> 00:47:51,180

these what these ideas suggest to us is

1001
00:47:55,430 --> 00:47:53,760
that we are connected all the time and

1002
00:47:57,290 --> 00:47:55,440
that there is something going on out

1003
00:48:02,210 --> 00:47:57,300
there and you don't have to necessarily

1004
00:48:05,870 --> 00:48:02,220
you know go into a full-on channeling uh

1005
00:48:08,870 --> 00:48:05,880
session that entanglement is allowing us

1006
00:48:12,530 --> 00:48:08,880
to stay connected across the vastness of

1007
00:48:14,809 --> 00:48:12,540
space isn't it absolutely absolutely so

1008
00:48:16,670 --> 00:48:14,819
that's I mean I figured that out when I

1009
00:48:19,130 --> 00:48:16,680
was five years old and I had that first

1010
00:48:22,790 --> 00:48:19,140
experience of connecting to my lineage

1011
00:48:24,770 --> 00:48:22,800
and so you don't have to yeah I mean at

1012
00:48:26,690 --> 00:48:24,780
the age of five as kids you know you

1013
00:48:29,569 --> 00:48:26,700

don't have time to learn channeling you

1014

00:48:32,690 --> 00:48:29,579

know you don't know about channeling so

1015

00:48:34,730 --> 00:48:32,700

that's the idea to understand that our

1016

00:48:36,650 --> 00:48:34,740

minds are all interconnected

1017

00:48:39,650 --> 00:48:36,660

Consciousness is non-local it's

1018

00:48:42,829 --> 00:48:39,660

interconnected with all aspects of life

1019

00:48:46,730 --> 00:48:42,839

with all other intelligent life so the

1020

00:48:49,930 --> 00:48:46,740

idea is why are you specifically

1021

00:48:52,609 --> 00:48:49,940

connecting let's say with the Palladium

1022

00:48:55,430 --> 00:48:52,619

lineage right now

1023

00:48:57,349 --> 00:48:55,440

um what is it why is it is it just for

1024

00:48:59,750 --> 00:48:57,359

you to remember something is it just for

1025

00:49:01,550 --> 00:48:59,760

you to pass on information are they just

1026
00:49:05,030 --> 00:49:01,560
teaching you something are they just

1027
00:49:06,490 --> 00:49:05,040
helping you so you know when you start

1028
00:49:09,370 --> 00:49:06,500
to understand

1029
00:49:12,589 --> 00:49:09,380
those details it

1030
00:49:15,829 --> 00:49:12,599
clarifies first of all why you're here

1031
00:49:18,710 --> 00:49:15,839
like why because again the more you

1032
00:49:20,030 --> 00:49:18,720
understand that what I call the prenatal

1033
00:49:23,890 --> 00:49:20,040
contract

1034
00:49:27,230 --> 00:49:23,900
that aspect of you your original lineage

1035
00:49:30,470 --> 00:49:27,240
created this aspect for a specific

1036
00:49:32,329 --> 00:49:30,480
purpose so when you go back there you

1037
00:49:36,170 --> 00:49:32,339
start to everything starts to make sense

1038
00:49:39,589 --> 00:49:36,180

it makes sense why I use this particular

1039

00:49:41,930 --> 00:49:39,599

body you know this particular language

1040

00:49:46,849 --> 00:49:41,940

this particular country this particular

1041

00:49:49,730 --> 00:49:46,859

line of work and also it clarifies why

1042

00:49:53,270 --> 00:49:49,740

you're not aligned with what you said

1043

00:49:55,609 --> 00:49:53,280

you're going to do that's why I feel it

1044

00:49:59,210 --> 00:49:55,619

is such an important

1045

00:50:01,010 --> 00:49:59,220

um information that we need to awaken to

1046

00:50:03,790 --> 00:50:01,020

at this time so that's what I'm going to

1047

00:50:08,030 --> 00:50:03,800

be helping with assisting and of course

1048

00:50:11,030 --> 00:50:08,040

uh Serena knows all my talks are always

1049

00:50:13,849 --> 00:50:11,040

followed with experiential so it's not

1050

00:50:16,670 --> 00:50:13,859

just talking at you but you get to feel

1051
00:50:19,670 --> 00:50:16,680
and experience through a guided exercise

1052
00:50:21,890 --> 00:50:19,680
that I will lead what you really are

1053
00:50:23,630 --> 00:50:21,900
yeah sometimes at conferences a

1054
00:50:26,510 --> 00:50:23,640
conscious life especially in the UFO

1055
00:50:28,609 --> 00:50:26,520
panel I sometimes see people that I'm

1056
00:50:32,210 --> 00:50:28,619
really pretty much sure they must be

1057
00:50:34,550 --> 00:50:32,220
itchy oh definitely yeah that's why I

1058
00:50:36,770 --> 00:50:34,560
decided to talk about it because you

1059
00:50:38,510 --> 00:50:36,780
know the everybody comes to me and say

1060
00:50:40,609 --> 00:50:38,520
well could you tell me where I come from

1061
00:50:43,190 --> 00:50:40,619
can you tell me you know what lineage

1062
00:50:46,550 --> 00:50:43,200
I'm from that's like a such a typical

1063
00:50:49,069 --> 00:50:46,560

answer uh question so that's why I'm

1064

00:50:50,210 --> 00:50:49,079

hoping to provide as many answers as

1065

00:50:52,250 --> 00:50:50,220

possible

1066

00:50:55,069 --> 00:50:52,260

uh can I ask you

1067

00:50:58,130 --> 00:50:55,079

um uh the

1068

00:51:01,370 --> 00:50:58,140

the moment in a tear in the sky which

1069

00:51:03,890 --> 00:51:01,380

I've talked with you about so much over

1070

00:51:06,589 --> 00:51:03,900

the last year because it it it it it

1071

00:51:09,049 --> 00:51:06,599

really it it moved me I thought it was

1072

00:51:13,250 --> 00:51:09,059

so profound but

1073

00:51:15,349 --> 00:51:13,260

have you uh considered and I think that

1074

00:51:17,990 --> 00:51:15,359

our government uh should be involved

1075

00:51:21,109 --> 00:51:18,000

with us uh as well and other scientists

1076

00:51:23,750 --> 00:51:21,119

about going the other direction

1077

00:51:26,390 --> 00:51:23,760

right something is coming through that

1078

00:51:29,870 --> 00:51:26,400

to say hello to us right that's right

1079

00:51:32,990 --> 00:51:29,880

that's that's a really apparent what

1080

00:51:35,690 --> 00:51:33,000

about going the other way

1081

00:51:38,690 --> 00:51:35,700

um we just had uh the the the

1082

00:51:40,609 --> 00:51:38,700

announcement of a wormhole created in a

1083

00:51:43,190 --> 00:51:40,619

lab last month and that was a really big

1084

00:51:46,309 --> 00:51:43,200

deal and that certainly suggests uh a

1085

00:51:49,490 --> 00:51:46,319

lot of things that may be what happened

1086

00:51:52,250 --> 00:51:49,500

over Catalina and what you captured what

1087

00:51:54,349 --> 00:51:52,260

about going the other way if we kept if

1088

00:51:56,809 --> 00:51:54,359

we catch a tear in the sky

1089

00:51:59,329 --> 00:51:56,819

is there a way for us to go

1090

00:52:02,089 --> 00:51:59,339

meaning us Going Through the Wormhole

1091

00:52:04,670 --> 00:52:02,099

the other way yeah I mean that's exactly

1092

00:52:08,109 --> 00:52:04,680

well I mean I don't want to divulge

1093

00:52:11,390 --> 00:52:08,119

everything but that's sort of

1094

00:52:13,190 --> 00:52:11,400

the next chapter

1095

00:52:16,190 --> 00:52:13,200

um yeah because

1096

00:52:18,170 --> 00:52:16,200

um you know the idea is although you

1097

00:52:20,569 --> 00:52:18,180

know just to kind of talk about what was

1098

00:52:22,910 --> 00:52:20,579

created in the lab it was actually a

1099

00:52:25,730 --> 00:52:22,920

simulation of a wormhole but regardless

1100

00:52:28,849 --> 00:52:25,740

we got to experience what it's like to

1101

00:52:31,250 --> 00:52:28,859

you know with the the Wormhole uh would

1102

00:52:32,809 --> 00:52:31,260

do and so yes of course if they're

1103

00:52:36,890 --> 00:52:32,819

coming this way then we should be able

1104

00:52:39,549 --> 00:52:36,900

to go through it and so the idea is I'm

1105

00:52:43,430 --> 00:52:39,559

in pre-production right now

1106

00:52:46,490 --> 00:52:43,440

and uh the follow-up is to try to figure

1107

00:52:49,010 --> 00:52:46,500

out what would happen exactly if we were

1108

00:52:52,309 --> 00:52:49,020

to go from here to there what would

1109

00:52:54,010 --> 00:52:52,319

happen so that's exactly you read my

1110

00:52:56,750 --> 00:52:54,020

mind

1111

00:53:00,109 --> 00:52:56,760

you're so good

1112

00:53:05,089 --> 00:53:00,119

of course right there right it's it's

1113

00:53:07,609 --> 00:53:05,099

it's it's right there and when uh when

1114

00:53:10,250 --> 00:53:07,619

you first showed me uh that that kind of

1115

00:53:13,490 --> 00:53:10,260

the film last year and I looked at that

1116

00:53:16,790 --> 00:53:13,500

I it it's cool and my mind's about this

1117

00:53:17,770 --> 00:53:16,800

is what I thought where's it going to

1118

00:53:21,530 --> 00:53:17,780

um

1119

00:53:23,750 --> 00:53:21,540

what's on the other end of that

1120

00:53:25,849 --> 00:53:23,760

yeah that's what I want to know

1121

00:53:28,069 --> 00:53:25,859

yeah and I don't know if I told I think

1122

00:53:30,230 --> 00:53:28,079

I told you but since the film you know

1123

00:53:31,970 --> 00:53:30,240

we've continued to try to figure out

1124

00:53:35,450 --> 00:53:31,980

what that thing is you know that

1125

00:53:37,609 --> 00:53:35,460

Wormhole thing and so we keep asking

1126

00:53:39,470 --> 00:53:37,619

other you know showing the the raw

1127

00:53:41,030 --> 00:53:39,480

footage by the way in the film it's it

1128

00:53:42,589 --> 00:53:41,040

is the raw footage you know it's just

1129

00:53:45,650 --> 00:53:42,599

we're zooming in but we're not doing

1130

00:53:48,349 --> 00:53:45,660

anything to the footage and so

1131

00:53:50,510 --> 00:53:48,359

um so we keep asking different uh

1132

00:53:53,030 --> 00:53:50,520

scientists from different disciplines

1133

00:53:55,730 --> 00:53:53,040

and you know what what do you think this

1134

00:53:58,190 --> 00:53:55,740

is and how is it possible no one has any

1135

00:54:01,490 --> 00:53:58,200

explanation and uh so we're trying to

1136

00:54:03,589 --> 00:54:01,500

get even more data and uh finally we we

1137

00:54:05,089 --> 00:54:03,599

thought we should maybe try to get some

1138

00:54:08,809 --> 00:54:05,099

satellite images

1139

00:54:12,049 --> 00:54:08,819

and so we have been asking satellite

1140

00:54:14,089 --> 00:54:12,059

private sector and governmental agencies

1141

00:54:16,730 --> 00:54:14,099

for those satellite images because we

1142

00:54:18,950 --> 00:54:16,740

know exactly where it is the time the

1143

00:54:20,329 --> 00:54:18,960

coordinates and everything and long

1144

00:54:23,329 --> 00:54:20,339

story short

1145

00:54:26,030 --> 00:54:23,339

uh nobody can give us those those

1146

00:54:27,309 --> 00:54:26,040

um images so we had to file a foia

1147

00:54:30,470 --> 00:54:27,319

request

1148

00:54:32,750 --> 00:54:30,480

and they came back and they told us well

1149

00:54:35,329 --> 00:54:32,760

we are the official reconnaissance

1150

00:54:38,809 --> 00:54:35,339

office the geospatial agency of the

1151

00:54:42,190 --> 00:54:38,819

United States we do have all of these

1152

00:54:46,370 --> 00:54:42,200

satellite images however

1153

00:54:49,430 --> 00:54:46,380

the ones you want on that day in that

1154

00:54:51,049 --> 00:54:49,440

location at that time we cannot give you

1155

00:54:57,370 --> 00:54:51,059

because they're exempt meaning

1156

00:55:04,130 --> 00:55:02,030

I was getting excited no no you know

1157

00:55:06,890 --> 00:55:04,140

when you have

1158

00:55:08,750 --> 00:55:06,900

um today this is the thing Caroline and

1159

00:55:12,170 --> 00:55:08,760

and I'm being very serious

1160

00:55:14,510 --> 00:55:12,180

today the government and whatever agency

1161

00:55:17,030 --> 00:55:14,520

we're talking about they're up against a

1162

00:55:19,250 --> 00:55:17,040

lot now because private citizens have

1163

00:55:21,710 --> 00:55:19,260

access they have access to Great

1164

00:55:24,470 --> 00:55:21,720

equipment they have access to each other

1165

00:55:27,230 --> 00:55:24,480

uh they have access to a real-time

1166

00:55:29,329 --> 00:55:27,240

communication Network and and certainly

1167

00:55:31,010 --> 00:55:29,339

sensors and telescopes and night vision

1168

00:55:33,829 --> 00:55:31,020

and we have access to all of them

1169

00:55:35,150 --> 00:55:33,839

they're up against that where now you

1170

00:55:38,089 --> 00:55:35,160

can go look

1171

00:55:39,950 --> 00:55:38,099

this is what we shot at this exact and

1172

00:55:42,829 --> 00:55:39,960

you've got the GPS you've got everything

1173

00:55:46,130 --> 00:55:42,839

and this is what we they never dealt

1174

00:55:48,170 --> 00:55:46,140

with this before right exactly yeah yeah

1175

00:55:51,470 --> 00:55:48,180

it's not that kind of party you can't

1176
00:55:53,990 --> 00:55:51,480
hold all the cards now and and and just

1177
00:55:55,630 --> 00:55:54,000
sit on this data we'll we'll go and do

1178
00:55:57,710 --> 00:55:55,640
the work ourselves

1179
00:56:01,490 --> 00:55:57,720
exactly and you tell

1180
00:56:06,049 --> 00:56:03,109
fight about that like I mean you know

1181
00:56:09,589 --> 00:56:06,059
what I mean like so then you start to

1182
00:56:10,790 --> 00:56:09,599
wonder I mean really like you know so

1183
00:56:12,890 --> 00:56:10,800
anyway

1184
00:56:16,990 --> 00:56:12,900
um yeah like you're saying that's not

1185
00:56:20,510 --> 00:56:17,000
gonna stop us that's not gonna stop me

1186
00:56:21,890 --> 00:56:20,520
I'm like I'm going man I'm going to

1187
00:56:23,870 --> 00:56:21,900
party anymore it's not that kind of

1188
00:56:27,049 --> 00:56:23,880

party yeah you know it made me think

1189

00:56:29,210 --> 00:56:27,059

about when I saw the movie about

1190

00:56:32,150 --> 00:56:29,220

um Pathways in the sky that I described

1191

00:56:34,370 --> 00:56:32,160

in The Vedas and they actually describe

1192

00:56:35,870 --> 00:56:34,380

different kinds of constellations and

1193

00:56:38,809 --> 00:56:35,880

that there's one this way there's one

1194

00:56:40,430 --> 00:56:38,819

that way and um with the names because

1195

00:56:41,809 --> 00:56:40,440

you know they have Vedic astrology names

1196

00:56:44,630 --> 00:56:41,819

of the different planets so the

1197

00:56:46,069 --> 00:56:44,640

different constellations so um I I want

1198

00:56:47,990 --> 00:56:46,079

to look into that little more and see

1199

00:56:49,730 --> 00:56:48,000

which consolation was that and is it one

1200

00:56:52,490 --> 00:56:49,740

of the ones that's mentioned in The

1201

00:56:55,309 --> 00:56:52,500

Vedas as being a pathway to other

1202

00:56:59,750 --> 00:56:55,319

dimensions other higher planets well

1203

00:57:02,870 --> 00:56:59,760

physicists ever since uh Einstein's

1204

00:57:05,510 --> 00:57:02,880

field notes came out and the Einstein

1205

00:57:07,910 --> 00:57:05,520

Rosen Bridge was suggested another uh

1206

00:57:10,430 --> 00:57:07,920

physicist uh started to go in and look

1207

00:57:15,049 --> 00:57:10,440

at the the math it has been suggested

1208

00:57:17,750 --> 00:57:15,059

since then many many physicists have

1209

00:57:21,230 --> 00:57:17,760

looked at that and have postulated that

1210

00:57:23,930 --> 00:57:21,240

you know what everything just may be a

1211

00:57:26,329 --> 00:57:23,940

spider web of connections right that

1212

00:57:29,809 --> 00:57:26,339

that exists out there naturally we don't

1213

00:57:31,549 --> 00:57:29,819

have to go and necessarily create them

1214

00:57:34,190 --> 00:57:31,559

we can do that too as well but they may

1215

00:57:38,030 --> 00:57:34,200

exist in our universe like you're saying

1216

00:57:41,150 --> 00:57:38,040

uh uh uh Serena in a natural sense that

1217

00:57:44,510 --> 00:57:41,160

they're already there what I want I want

1218

00:57:47,870 --> 00:57:44,520

the map I want to unfold the map I want

1219

00:57:49,730 --> 00:57:47,880

to see I could go hop a ride Caroline

1220

00:57:52,190 --> 00:57:49,740

I'm gonna see you we're all going to see

1221

00:57:55,250 --> 00:57:52,200

you uh in a couple of weeks right here

1222

00:57:57,109 --> 00:57:55,260

in Los Angeles and and it's going to be

1223

00:57:59,450 --> 00:57:57,119

great we'll break some bread and hang

1224

00:58:02,210 --> 00:57:59,460

out thank you so much definitely it's

1225

00:58:04,870 --> 00:58:02,220

going to be a blast you guys need to

1226

00:58:08,089 --> 00:58:04,880

check it out thanks so much

1227

00:58:11,089 --> 00:58:08,099

and be safe in this crazy weather down

1228

00:58:13,849 --> 00:58:11,099

there okay all right take care bye bye

1229

00:58:17,030 --> 00:58:13,859

Carol Ryan Corey Thank You Caroline

1230

00:58:18,950 --> 00:58:17,040

she's the absolute best director you

1231

00:58:22,730 --> 00:58:18,960

know she is on your ancient Secrets

1232

00:58:25,370 --> 00:58:22,740

panel as well as my UFO panel I can't do

1233

00:58:28,490 --> 00:58:25,380

a panel without Caroline Corey come on

1234

00:58:31,309 --> 00:58:28,500

man all right well listen

1235

00:58:34,069 --> 00:58:31,319

um uh let's take a break and and I don't

1236

00:58:35,750 --> 00:58:34,079

know what you did Christine but you look

1237

00:58:42,289 --> 00:58:35,760

and sound great

1238

00:58:47,450 --> 00:58:44,870

um we we absolutely made sure that we

1239

00:58:52,490 --> 00:58:47,460

would have the best show tonight and and

1240

00:58:54,370 --> 00:58:52,500

so far so good uh Serena hands down keep

1241

00:58:57,530 --> 00:58:54,380

them on your lap yeah

1242

00:59:00,470 --> 00:58:57,540

like right here when we come back we're

1243

00:59:03,349 --> 00:59:00,480

going to be joined with uh Michael Safa

1244

00:59:06,530 --> 00:59:03,359

is here with this too as well another

1245

00:59:10,190 --> 00:59:06,540

producer at conscious life Expo I'm your

1246

00:59:12,530 --> 00:59:10,200

chimney Church stay with us

1247

00:59:14,870 --> 00:59:12,540

this is Jimmy Church of Fade to Black

1248

00:59:17,150 --> 00:59:14,880

please visit all of our sponsors we're

1249

00:59:18,829 --> 00:59:17,160

taking a quick break here all of the

1250

00:59:21,890 --> 00:59:18,839

links are below

1251
00:59:24,109 --> 00:59:21,900
and we'll be right back

1252
00:59:25,089 --> 00:59:24,119
check out Billy Carson's Forbidden

1253
00:59:27,250 --> 00:59:25,099
Knowledge

1254
00:59:29,270 --> 00:59:27,260
forbiddenknowledge.com or

1255
00:59:33,230 --> 00:59:29,280
forbiddenknowledge.tv where you can get

1256
00:59:35,750 --> 00:59:33,240
access to over 6 000 videos movies TV

1257
00:59:37,730 --> 00:59:35,760
series exclusive documentaries like the

1258
00:59:39,190 --> 00:59:37,740
Black Knight satellite you can do it all

1259
00:59:43,789 --> 00:59:39,200
for just

1260
00:59:46,010 --> 00:59:43,799
7.77 per month or 77 per year after the

1261
00:59:47,990 --> 00:59:46,020
three-day trial which is also totally

1262
00:59:51,849 --> 00:59:48,000
free to check out it's all simple to do

1263
00:59:54,190 --> 00:59:51,859

Billy Carson is the best it's simple

1264

00:59:56,450 --> 00:59:54,200

forbiddenknowledge.com or

1265

01:00:00,410 --> 00:59:56,460

forbidknowledge.tv that's the number

1266

01:00:04,789 --> 01:00:02,390

I will be hosting an M seeing the

1267

01:00:07,370 --> 01:00:04,799

conscious life Expo this February 10th

1268

01:00:10,309 --> 01:00:07,380

through the 13th at The Lax Hilton right

1269

01:00:12,410 --> 01:00:10,319

here in Los Angeles California 200

1270

01:00:14,510 --> 01:00:12,420

speakers including Linda Moulton Howe

1271

01:00:16,910 --> 01:00:14,520

Bashar Deborah King George Nori Daniel

1272

01:00:20,390 --> 01:00:16,920

Sheehan Scout Walter Sean Stone and

1273

01:00:24,230 --> 01:00:20,400

David Wolfe over 200 vendors special

1274

01:00:26,990 --> 01:00:24,240

events this is the biggest event of its

1275

01:00:28,970 --> 01:00:27,000

kind on planet Earth you've got to come

1276

01:00:31,670 --> 01:00:28,980

and hang out with all of us tickets and

1277

01:00:33,530 --> 01:00:31,680

info at consciouslifeexpo.com the links

1278

01:00:36,650 --> 01:00:33,540

are below

1279

01:00:39,829 --> 01:00:36,660

on Saturday April 1st that's right April

1280

01:00:41,990 --> 01:00:39,839

Fool's Day 2023 I will be hosting the

1281

01:00:45,530 --> 01:00:42,000

peripod festival at the Hyatt Regency

1282

01:00:47,990 --> 01:00:45,540

right here in Valencia California it's a

1283

01:00:51,049 --> 01:00:48,000

live one-day podcast Awards it's a film

1284

01:00:53,030 --> 01:00:51,059

festival it's a full-on media event

1285

01:00:54,530 --> 01:00:53,040

we're going to have Sky watching because

1286

01:00:57,230 --> 01:00:54,540

it's going to be a Lifetime Achievement

1287

01:00:59,210 --> 01:00:57,240

Award presented to Linda Moulton Howe

1288

01:01:01,789 --> 01:00:59,220

right now you can submit your podcast

1289

01:01:04,490 --> 01:01:01,799

your film your TV series any of your

1290

01:01:06,470 --> 01:01:04,500

paranormal media for consideration you

1291

01:01:09,670 --> 01:01:06,480

can do all of that on the links below

1292

01:01:11,569 --> 01:01:09,680

for info and tickets go to

1293

01:01:14,589 --> 01:01:11,579

parapodfilmfest.com that's

1294

01:01:20,270 --> 01:01:18,650

April 7th through the 14th 2023 I'll be

1295

01:01:23,210 --> 01:01:20,280

hosting and presenting on the hidden

1296

01:01:25,789 --> 01:01:23,220

secrets seminar at Sea cruise from Los

1297

01:01:28,190 --> 01:01:25,799

Angeles to the Mexican Riviera on the

1298

01:01:30,829 --> 01:01:28,200

Navigator of the Seas that's right up

1299

01:01:32,450 --> 01:01:30,839

top a giant water slide you've got to

1300

01:01:34,370 --> 01:01:32,460

check out the Navigator of the Seas it's

1301

01:01:36,710 --> 01:01:34,380

amazing we've got Scott Walter Adam

1302

01:01:39,650 --> 01:01:36,720

Apollo Nick Pope Brad Olson Vivian

1303

01:01:41,930 --> 01:01:39,660

Chauvet Jason shirka Robert Grant Reuben

1304

01:01:44,270 --> 01:01:41,940

Langdon and another 12 amazing speakers

1305

01:01:45,730 --> 01:01:44,280

and presenters it's all simple to do

1306

01:01:48,170 --> 01:01:45,740

just visit

1307

01:01:51,890 --> 01:01:48,180

divinetravels.com forward slash hidden

1308

01:01:54,109 --> 01:01:51,900

secrets 2023 you know you want to go on

1309

01:01:57,530 --> 01:01:54,119

a cruise with me

1310

01:02:00,349 --> 01:01:57,540

River Moon coffee makers of the Fade to

1311

01:02:02,230 --> 01:02:00,359

Black blend truly the best coffee on

1312

01:02:04,490 --> 01:02:02,240

planet Earth just visit

1313

01:02:06,289 --> 01:02:04,500

rivermoonwellness.com or or their Amazon

1314

01:02:07,730 --> 01:02:06,299

store if it's all simple to do you can

1315

01:02:09,829 --> 01:02:07,740

check out the Fade to Black blend the

1316

01:02:12,470 --> 01:02:09,839

game changer Blend or any of their black

1317

01:02:16,250 --> 01:02:12,480

moon wellness products it's the only

1318

01:02:23,950 --> 01:02:16,260

coffee I drink it is the best and it's

1319

01:02:29,630 --> 01:02:27,470

all right Welcome Back Fade to Black

1320

01:02:33,109 --> 01:02:29,640

I am your host Jimmy Church everybody

1321

01:02:34,609 --> 01:02:33,119

just got to see what I do during the

1322

01:02:37,730 --> 01:02:34,619

break so this is Fade to Black tonight

1323

01:02:41,690 --> 01:02:37,740

is our conscious life Expo 2023 special

1324

01:02:45,530 --> 01:02:41,700

event and uh we've got uh Serena Wright

1325

01:02:49,309 --> 01:02:45,540

Taylor with us of course and uh and

1326

01:02:51,650 --> 01:02:49,319

we've got Christine Augustine and I'm

1327

01:02:54,410 --> 01:02:51,660

gonna pull in for the first time to fade

1328

01:02:56,690 --> 01:02:54,420

to black the one and only

1329

01:02:59,329 --> 01:02:56,700

Michael sad was with us tonight Michael

1330

01:03:02,569 --> 01:02:59,339

how you doing man doing good can you

1331

01:03:04,190 --> 01:03:02,579

hear me yeah we got you man great we got

1332

01:03:05,450 --> 01:03:04,200

you we got you this is the first time

1333

01:03:07,490 --> 01:03:05,460

that we've had you on the show I've

1334

01:03:08,270 --> 01:03:07,500

known you for uh quite a while we all

1335

01:03:13,430 --> 01:03:08,280

have

1336

01:03:15,829 --> 01:03:13,440

um and you've been uh uh uh how do I say

1337

01:03:19,010 --> 01:03:15,839

this a mover and Shaker uh behind the

1338

01:03:21,530 --> 01:03:19,020

scenes uh with conscious life Expo uh

1339

01:03:23,750 --> 01:03:21,540

for a very long time I'm introducing you

1340

01:03:26,569 --> 01:03:23,760

now to the world you are you cool with

1341

01:03:28,609 --> 01:03:26,579

that yeah sounds good I'm I'm ready to

1342

01:03:31,569 --> 01:03:28,619

to tell everybody what's going on yeah

1343

01:03:35,809 --> 01:03:31,579

so um there

1344

01:03:38,450 --> 01:03:35,819

I like some of the changes uh I I like

1345

01:03:42,349 --> 01:03:38,460

them all but some of these changes are

1346

01:03:44,210 --> 01:03:42,359

are are pretty pretty we've got uh uh

1347

01:03:46,730 --> 01:03:44,220

what before I get to the vendor room and

1348

01:03:49,970 --> 01:03:46,740

I do want to focus on that because it's

1349

01:03:52,609 --> 01:03:49,980

one of the highlights for me uh at the

1350

01:03:55,309 --> 01:03:52,619

Expo every year is too is just a walk

1351

01:03:59,690 --> 01:03:55,319

through there but uh we've got the

1352

01:04:00,950 --> 01:03:59,700

rabbit hole this year uh uh which is a

1353

01:04:02,210 --> 01:04:00,960

part of the event can you tell us about

1354

01:04:05,809 --> 01:04:02,220

that

1355

01:04:08,329 --> 01:04:05,819

sure so um after the last two years of

1356

01:04:09,950 --> 01:04:08,339

uh alternate reality everybody's been in

1357

01:04:13,670 --> 01:04:09,960

um I I feel like

1358

01:04:16,789 --> 01:04:13,680

um the rabbit hole is a way for

1359

01:04:18,770 --> 01:04:16,799

um us to really dive in to all of the

1360

01:04:20,809 --> 01:04:18,780

different alternate theories that have

1361

01:04:22,910 --> 01:04:20,819

come out over the last two years about

1362

01:04:24,349 --> 01:04:22,920

what what just what happened to

1363

01:04:28,490 --> 01:04:24,359

everybody

1364

01:04:31,670 --> 01:04:28,500

um in a way that uh kind of gives a nod

1365

01:04:33,049 --> 01:04:31,680

to how much uh you know censorship was

1366

01:04:36,170 --> 01:04:33,059

going on

1367

01:04:39,530 --> 01:04:36,180

um and even within our own um even with

1368

01:04:43,010 --> 01:04:39,540

their own uh organization within even

1369

01:04:44,870 --> 01:04:43,020

with Serena Serena's uh UFO people it's

1370

01:04:46,789 --> 01:04:44,880

down the rabbit hole as well but I I

1371

01:04:48,010 --> 01:04:46,799

would say these they're different rabbit

1372

01:04:51,530 --> 01:04:48,020

holes right

1373

01:04:54,289 --> 01:04:51,540

so uh it's just kind of um a fun way to

1374

01:04:56,870 --> 01:04:54,299

to talk about

1375

01:04:58,970 --> 01:04:56,880

um just diving into like what's really

1376

01:05:01,370 --> 01:04:58,980

happening and you know what are our

1377

01:05:03,230 --> 01:05:01,380

conspiracy theories and just that you

1378

01:05:05,990 --> 01:05:03,240

know and all that all the taboo language

1379

01:05:08,150 --> 01:05:06,000

that has shown up around that

1380

01:05:11,630 --> 01:05:08,160

um in a way that's fun and allows

1381

01:05:13,069 --> 01:05:11,640

different opinions to be had and in a

1382

01:05:15,410 --> 01:05:13,079

way that's not political like we're

1383

01:05:18,410 --> 01:05:15,420

trying to keep it fun and interesting

1384

01:05:21,109 --> 01:05:18,420

and about spirituality and about uh you

1385

01:05:24,950 --> 01:05:21,119

know Mysteries rather than uh doing

1386

01:05:27,589 --> 01:05:24,960

anything political so well here's where

1387

01:05:29,470 --> 01:05:27,599

it is yeah and and let me tell you why

1388

01:05:33,289 --> 01:05:29,480

that that is so cool

1389

01:05:37,309 --> 01:05:33,299

that our community is a pretty damn big

1390

01:05:41,750 --> 01:05:37,319

umbrella yeah covers a lot of things so

1391

01:05:45,770 --> 01:05:41,760

you could be you know somebody uh that

1392

01:05:47,569 --> 01:05:45,780

uh is you've got a a copper pyramid over

1393

01:05:48,950 --> 01:05:47,579

your bed that you sleep under every

1394

01:05:51,589 --> 01:05:48,960

night you know you know with with

1395

01:05:54,650 --> 01:05:51,599

crystals all over your room and you're

1396

01:05:59,270 --> 01:05:54,660

not necessarily looking at a different

1397

01:06:01,190 --> 01:05:59,280

uh things like Bigfoot or or UFOs or

1398

01:06:04,670 --> 01:06:01,200

abductions it's not part of your thing

1399

01:06:08,030 --> 01:06:04,680

but you have an open mind right and so

1400

01:06:10,490 --> 01:06:08,040

when you go and and start to look at

1401

01:06:12,230 --> 01:06:10,500

certain things and that includes you

1402

01:06:14,990 --> 01:06:12,240

know somebody from the UFO side of

1403

01:06:18,289 --> 01:06:15,000

things or a big whatever it may be but

1404

01:06:21,670 --> 01:06:18,299

you start to look into two crystals or

1405

01:06:25,849 --> 01:06:21,680

or Consciousness all of this stuff

1406

01:06:27,650 --> 01:06:25,859

overlaps and feeds and so when you go

1407

01:06:30,109 --> 01:06:27,660

down that rabbit hole no matter who you

1408

01:06:32,510 --> 01:06:30,119

are you know what brings you to this

1409

01:06:35,270 --> 01:06:32,520

community you're gonna find something

1410

01:06:39,589 --> 01:06:35,280

and you are not going to be able to get

1411

01:06:41,089 --> 01:06:39,599

back out of it right yeah well I think

1412

01:06:43,309 --> 01:06:41,099

it all ties together in a really

1413

01:06:45,349 --> 01:06:43,319

interesting way I I like to think of it

1414

01:06:47,630 --> 01:06:45,359

as different niches that that the

1415

01:06:50,589 --> 01:06:47,640

conscious life Expo has but that they

1416

01:06:53,329 --> 01:06:50,599

all overlap and have ultimately

1417

01:06:57,849 --> 01:06:53,339

the same goal in the same Mission which

1418

01:07:00,890 --> 01:06:57,859

is to uncover hidden technology of

1419

01:07:02,329 --> 01:07:00,900

spirituality and that and the UFOs are

1420

01:07:05,329 --> 01:07:02,339

all about that with the Zero Point

1421

01:07:07,549 --> 01:07:05,339

Energy and the the healers are all about

1422

01:07:09,470 --> 01:07:07,559

that with Reiki and crystals and then

1423

01:07:11,210 --> 01:07:09,480

the ancient Mysteries they're all about

1424

01:07:14,029 --> 01:07:11,220

that uncovering what the hell the

1425

01:07:16,670 --> 01:07:14,039

pyramids were really up to so even with

1426

01:07:18,529 --> 01:07:16,680

with geometry or Oregon it's all it's

1427

01:07:21,650 --> 01:07:18,539

all going to the same

1428

01:07:23,630 --> 01:07:21,660

point which is what is this spiritual

1429

01:07:26,029 --> 01:07:23,640

technology that may have existed before

1430

01:07:29,329 --> 01:07:26,039

that's been lost and like how can we

1431

01:07:32,089 --> 01:07:29,339

find it in in and and make it happen

1432

01:07:35,630 --> 01:07:32,099

again so that's where you have a psychic

1433

01:07:38,089 --> 01:07:35,640

or a Channeler or even the seances and

1434

01:07:39,470 --> 01:07:38,099

you have the UFO phenomena and you have

1435

01:07:41,930 --> 01:07:39,480

all of these things or even Crystal

1436

01:07:44,870 --> 01:07:41,940

Crystal ones and they all tie together

1437

01:07:47,569 --> 01:07:44,880

with this this spiritual technology that

1438

01:07:50,390 --> 01:07:47,579

I think is really cool and I think

1439

01:07:52,910 --> 01:07:50,400

really that's really what is at the core

1440

01:07:55,069 --> 01:07:52,920

of what we're trying to uncover here now

1441

01:07:57,770 --> 01:07:55,079

and now here's the cool thing that I'm

1442

01:08:02,270 --> 01:07:57,780

going to say to the audience uh right

1443

01:08:04,069 --> 01:08:02,280

now Michael yeah he certainly walks the

1444

01:08:07,569 --> 01:08:04,079

walk you heard everything that he just

1445

01:08:12,230 --> 01:08:07,579

said Michael handles the advertising

1446

01:08:15,589 --> 01:08:12,240

he's dealing with the clients and the

1447

01:08:20,269 --> 01:08:15,599

the business side of things uh with the

1448

01:08:26,570 --> 01:08:22,630

the crystals right

1449

01:08:28,309 --> 01:08:26,580

he knows what's going on and uh that

1450

01:08:31,550 --> 01:08:28,319

that's what I love about you Michael and

1451
01:08:34,610 --> 01:08:31,560
that goes with everybody that works uh

1452
01:08:38,630 --> 01:08:34,620
at conscious life Expo uh you've got

1453
01:08:41,209 --> 01:08:38,640
your feet firmly planted in

1454
01:08:43,610 --> 01:08:41,219
this right here and and I love that part

1455
01:08:47,269 --> 01:08:43,620
of you but yet uh you're the business

1456
01:08:51,410 --> 01:08:47,279
side of things and one of the coolest

1457
01:08:53,329 --> 01:08:51,420
parts of the conscious life Expo I think

1458
01:08:57,289 --> 01:08:53,339
that there are quite a few ticket

1459
01:08:59,150 --> 01:08:57,299
holders every year that only go for the

1460
01:09:00,289 --> 01:08:59,160
vendor area they don't step back outside

1461
01:09:04,130 --> 01:09:00,299
of it

1462
01:09:08,169 --> 01:09:04,140
they go for that vendor room which is

1463
01:09:13,030 --> 01:09:08,179

one of the most amazing loud boisterous

1464

01:09:16,789 --> 01:09:13,040

places on all planet Earth at The Lax

1465

01:09:19,070 --> 01:09:16,799

yeah and we're so excited because the

1466

01:09:21,410 --> 01:09:19,080

exhibit hall is all filled up and it's

1467

01:09:23,269 --> 01:09:21,420

all booked out earlier than than ever

1468

01:09:25,849 --> 01:09:23,279

and people are really excited to come

1469

01:09:27,829 --> 01:09:25,859

and we have so many new exhibitors that

1470

01:09:29,329 --> 01:09:27,839

have really great things to offer and

1471

01:09:31,189 --> 01:09:29,339

there's just been a lot of excitement

1472

01:09:33,829 --> 01:09:31,199

this year I think people are really

1473

01:09:37,269 --> 01:09:33,839

excited to come back to to meet in

1474

01:09:40,309 --> 01:09:37,279

person and and and find that community

1475

01:09:42,590 --> 01:09:40,319

and what all the vendors are just really

1476

01:09:44,209 --> 01:09:42,600

enthusiastic so I'm really excited about

1477

01:09:47,870 --> 01:09:44,219

that and it's not just the vendors we

1478

01:09:51,229 --> 01:09:47,880

also have a room a Tesla bio charging

1479

01:09:53,689 --> 01:09:51,239

room we have a meditation room with the

1480

01:09:55,669 --> 01:09:53,699

Monroe Institute we have all these new

1481

01:09:57,350 --> 01:09:55,679

things coming that that you know it's

1482

01:09:58,390 --> 01:09:57,360

hard to fit it all on the home page

1483

01:10:04,450 --> 01:09:58,400

because

1484

01:10:12,169 --> 01:10:08,450

is the Monroe Institute going to be

1485

01:10:13,130 --> 01:10:12,179

doing a little uh uh uh remote viewing q

1486

01:10:19,850 --> 01:10:13,140

a

1487

01:10:21,950 --> 01:10:19,860

which they're going to be doing you know

1488

01:10:23,510 --> 01:10:21,960

the meditations from their app I don't

1489

01:10:25,370 --> 01:10:23,520

know if you know their app but they have

1490

01:10:27,530 --> 01:10:25,380

a super cool app oh yeah and so they're

1491

01:10:29,330 --> 01:10:27,540

going to be um you know people will have

1492

01:10:31,729 --> 01:10:29,340

headphones on and so that'll be the

1493

01:10:35,149 --> 01:10:31,739

meditation room then there's also um

1494

01:10:37,490 --> 01:10:35,159

they're doing uh a workshop a lecture

1495

01:10:41,169 --> 01:10:37,500

and a post-conference event so they're

1496

01:10:44,450 --> 01:10:41,179

doing three different events

1497

01:10:48,649 --> 01:10:44,460

that's a really that's a really big deal

1498

01:10:50,169 --> 01:10:48,659

I know I know I I was like weekend too

1499

01:10:53,209 --> 01:10:50,179

it's all weekend

1500

01:10:55,370 --> 01:10:53,219

they have a booth too so they're like

1501
01:10:57,410 --> 01:10:55,380
we've got we've got the Monroe Institute

1502
01:11:00,229 --> 01:10:57,420
they're all over it man that is so cool

1503
01:11:03,229 --> 01:11:00,239
one of my this is I I'm not kidding I am

1504
01:11:06,110 --> 01:11:03,239
not being Cavalier this is one of my

1505
01:11:07,790 --> 01:11:06,120
highlights of the entire conference and

1506
01:11:10,910 --> 01:11:07,800
I know you know you want me to say

1507
01:11:13,790 --> 01:11:10,920
expo's Got Talent and that's cool is to

1508
01:11:18,229 --> 01:11:13,800
go into the vendor room I turn left

1509
01:11:21,169 --> 01:11:18,239
Michael this is this is my routine I go

1510
01:11:25,130 --> 01:11:21,179
to the corner and I just go down I just

1511
01:11:28,070 --> 01:11:25,140
go Row for row back and forth and I

1512
01:11:30,709 --> 01:11:28,080
visit every single booth in there and

1513
01:11:32,570 --> 01:11:30,719

say hello to everybody I never know what

1514

01:11:34,310 --> 01:11:32,580

I'm going to see

1515

01:11:37,310 --> 01:11:34,320

um it's just some of the coolest things

1516

01:11:39,830 --> 01:11:37,320

uh that are there first off uh from the

1517

01:11:42,830 --> 01:11:39,840

vendors but it's the people that are at

1518

01:11:45,410 --> 01:11:42,840

those uh booths too as well it is just

1519

01:11:47,390 --> 01:11:45,420

it's it's it's right there one of my

1520

01:11:49,189 --> 01:11:47,400

favorite things to do

1521

01:11:51,709 --> 01:11:49,199

that's where you meet all the cool cool

1522

01:11:53,510 --> 01:11:51,719

people too you like you know any every

1523

01:11:55,610 --> 01:11:53,520

few steps you run into somebody else

1524

01:11:57,770 --> 01:11:55,620

that you have to know everything about I

1525

01:11:59,149 --> 01:11:57,780

love that I love the exhibitors and I

1526

01:12:02,510 --> 01:11:59,159

love all the people that go see the

1527

01:12:05,270 --> 01:12:02,520

exhibitors and some of my longest

1528

01:12:06,830 --> 01:12:05,280

lasting friendships right at the Expo

1529

01:12:11,330 --> 01:12:06,840

are made right there in the vendor room

1530

01:12:14,990 --> 01:12:11,340

and it it's no joke and uh

1531

01:12:18,830 --> 01:12:15,000

um you know Sam has uh we all know Sam

1532

01:12:22,850 --> 01:12:18,840

uh Sam you just got your plug Sam

1533

01:12:26,930 --> 01:12:22,860

um is and and and oh okay sir he's he's

1534

01:12:29,450 --> 01:12:26,940

a great vendor right and and uh I've got

1535

01:12:31,970 --> 01:12:29,460

all of his uh his necklaces and stuff

1536

01:12:34,250 --> 01:12:31,980

but then do you remember uh two years

1537

01:12:35,450 --> 01:12:34,260

ago expo's Got Talent when he got up

1538

01:12:38,870 --> 01:12:35,460

there on stage

1539

01:12:47,030 --> 01:12:42,950

okay yeah who's feeding back who was it

1540

01:12:49,250 --> 01:12:47,040

was that you Michael no okay oh oh that

1541

01:12:50,570 --> 01:12:49,260

was crazy that must be the weather alarm

1542

01:12:53,090 --> 01:12:50,580

outside

1543

01:12:56,030 --> 01:12:53,100

um yeah Sam got up and sang some uh

1544

01:13:01,550 --> 01:12:58,450

I love this family

1545

01:13:03,850 --> 01:13:01,560

I love it it's true you can spend all

1546

01:13:06,950 --> 01:13:03,860

day in in the different

1547

01:13:08,689 --> 01:13:06,960

exhibits right and so I always suggest

1548

01:13:11,510 --> 01:13:08,699

you know plan your day look at the

1549

01:13:13,430 --> 01:13:11,520

program guide even before you come look

1550

01:13:15,649 --> 01:13:13,440

at the program on the website decide

1551

01:13:17,209 --> 01:13:15,659

which workshops you want to go to and

1552

01:13:18,950 --> 01:13:17,219

then you know in between that you can

1553

01:13:21,290 --> 01:13:18,960

run around and see the different booths

1554

01:13:23,149 --> 01:13:21,300

and there's two wig rooms downstairs and

1555

01:13:25,790 --> 01:13:23,159

of course there's more booths upstairs

1556

01:13:28,070 --> 01:13:25,800

and mezzanines so they're all opened in

1557

01:13:30,290 --> 01:13:28,080

the lower Lobby too oh lower lobby as

1558

01:13:32,209 --> 01:13:30,300

well oh and don't you have it in the

1559

01:13:34,850 --> 01:13:32,219

rabbit hole it's not straight it's like

1560

01:13:36,830 --> 01:13:34,860

a Winding Road a Winding Lane in there

1561

01:13:38,810 --> 01:13:36,840

yeah so this year we're trying to do

1562

01:13:41,570 --> 01:13:38,820

something special for the rabbit hole

1563

01:13:44,270 --> 01:13:41,580

area is there's a it has its own vending

1564

01:13:47,149 --> 01:13:44,280

area as well uh with the different kind

1565

01:13:50,450 --> 01:13:47,159

of more winding uh Rabbit Hole kind of

1566

01:13:52,790 --> 01:13:50,460

vibe from there you're gonna have

1567

01:13:55,970 --> 01:13:52,800

um pictures of rabbits

1568

01:13:59,149 --> 01:13:57,830

that down the escalator so we're gonna

1569

01:14:01,189 --> 01:13:59,159

have a rabbit pointing down the

1570

01:14:03,169 --> 01:14:01,199

escalator you follow the White Rabbit

1571

01:14:05,570 --> 01:14:03,179

down the escalator

1572

01:14:07,189 --> 01:14:05,580

um and so uh but that what's really cool

1573

01:14:08,689 --> 01:14:07,199

about that room is at the end of the day

1574

01:14:10,669 --> 01:14:08,699

when the workshops are over we're going

1575

01:14:12,590 --> 01:14:10,679

to Break Down The Walls and on Friday

1576

01:14:16,910 --> 01:14:12,600

night we're going to have um David

1577

01:14:20,330 --> 01:14:16,920

Palmer uh DJ he told me about that yeah

1578

01:14:22,310 --> 01:14:20,340

yeah Palmer's gonna man I've got such a

1579

01:14:24,890 --> 01:14:22,320

busy Friday night but I've got to go

1580

01:14:27,410 --> 01:14:24,900

down there and and and get my thing on

1581

01:14:28,850 --> 01:14:27,420

uh Michael Palmer

1582

01:14:30,350 --> 01:14:28,860

um Michael I want you to stay right

1583

01:14:32,390 --> 01:14:30,360

there stay right there don't go anywhere

1584

01:14:33,770 --> 01:14:32,400

I'm going to bring you back uh Christine

1585

01:14:37,250 --> 01:14:33,780

you stay right there I'm going to bring

1586

01:14:39,229 --> 01:14:37,260

you back because right now I've gotta

1587

01:14:42,290 --> 01:14:39,239

I've got to make way we've got to part

1588

01:14:45,410 --> 01:14:42,300

the seas and uh bring in the one and

1589

01:14:52,810 --> 01:14:45,420

only Paul heineck is with us Paul

1590

01:14:57,290 --> 01:14:55,490

absolutely hands down one of my favorite

1591

01:14:59,090 --> 01:14:57,300

people in the world man Paul heineck is

1592

01:15:01,490 --> 01:14:59,100

with us Paul how you doing my friend how

1593

01:15:04,130 --> 01:15:01,500

you doing with the weather out there

1594

01:15:06,050 --> 01:15:04,140

you know I see uh a couple of the houses

1595

01:15:08,870 --> 01:15:06,060

in the neighborhood floating down the

1596

01:15:12,050 --> 01:15:08,880

street but so far I'm still moored to my

1597

01:15:13,970 --> 01:15:12,060

Foundation man it it it I know that

1598

01:15:16,550 --> 01:15:13,980

we can kind of laugh about it but the

1599

01:15:19,550 --> 01:15:16,560

weather out here right now is is

1600

01:15:22,310 --> 01:15:19,560

absolutely off the charts crazy it's

1601

01:15:25,430 --> 01:15:22,320

it's really nuts and and you're you're

1602

01:15:27,770 --> 01:15:25,440

starting where you are you are the

1603

01:15:30,709 --> 01:15:27,780

dividing you're on the edge of you know

1604

01:15:32,209 --> 01:15:30,719

the next stop North is is Oxnard in

1605

01:15:34,550 --> 01:15:32,219

Santa Barbara which is you know

1606

01:15:36,950 --> 01:15:34,560

everything's being evacuated you're on

1607

01:15:39,290 --> 01:15:36,960

this side of the Hill

1608

01:15:41,870 --> 01:15:39,300

um uh the good side for right now

1609

01:15:45,410 --> 01:15:41,880

I'm on the edge of reality yeah you are

1610

01:15:47,990 --> 01:15:45,420

it's a reality oh man

1611

01:15:49,970 --> 01:15:48,000

and that's without the storm that's

1612

01:15:53,090 --> 01:15:49,980

right all right

1613

01:15:56,810 --> 01:15:53,100

Paul uh here we go another uh conscious

1614

01:16:00,290 --> 01:15:56,820

life Expo and and I say this uh without

1615

01:16:02,570 --> 01:16:00,300

jest that uh every time I see you a

1616

01:16:05,570 --> 01:16:02,580

conscious life Expo you're glowing

1617

01:16:07,910 --> 01:16:05,580

there's a bright ray of sunshine that

1618

01:16:09,590 --> 01:16:07,920

follows you throughout the building and

1619

01:16:12,050 --> 01:16:09,600

that's why we love you my man what are

1620

01:16:14,930 --> 01:16:12,060

you going to be speaking about this year

1621

01:16:18,890 --> 01:16:14,940

you know more about consciousness

1622

01:16:20,810 --> 01:16:18,900

you know I think um many of us who come

1623

01:16:23,750 --> 01:16:20,820

to this whether it's the crystals as you

1624

01:16:26,930 --> 01:16:23,760

mentioned a while ago or UFOs or other

1625

01:16:29,149 --> 01:16:26,940

phenomena have come to feel that

1626

01:16:31,130 --> 01:16:29,159

whatever we think whatever our

1627

01:16:34,729 --> 01:16:31,140

particular interested in interest is

1628

01:16:36,770 --> 01:16:34,739

whether it's aliens or DMT or crystals

1629

01:16:40,250 --> 01:16:36,780

or ghosts or anything else they might

1630

01:16:42,290 --> 01:16:40,260

all be the same underlying substrate and

1631

01:16:44,390 --> 01:16:42,300

we just perceive them in different ways

1632

01:16:45,830 --> 01:16:44,400

and it's a it's a function of

1633

01:16:48,950 --> 01:16:45,840

Consciousness so what I'm really

1634

01:16:51,950 --> 01:16:48,960

interested in now is can we demonstrate

1635

01:16:55,070 --> 01:16:51,960

that these very different seeming

1636

01:16:56,830 --> 01:16:55,080

phenomena may be related in some deep

1637

01:17:00,229 --> 01:16:56,840

dark way

1638

01:17:02,870 --> 01:17:00,239

I um can I talk about your dad for just

1639

01:17:05,330 --> 01:17:02,880

a quick second this is brief

1640

01:17:08,630 --> 01:17:05,340

um but uh I have been reading and

1641

01:17:11,750 --> 01:17:08,640

talking about a lot on the show his book

1642

01:17:15,649 --> 01:17:11,760

from 1977 the UFO report

1643

01:17:18,410 --> 01:17:15,659

and it seemed to me it seems to me in

1644

01:17:20,630 --> 01:17:18,420

the book that he was he was kind of

1645

01:17:23,570 --> 01:17:20,640

angry he was a little bit pissed off uh

1646

01:17:26,390 --> 01:17:23,580

about what was going on with things

1647

01:17:29,090 --> 01:17:26,400

um did he show that around that period

1648

01:17:30,950 --> 01:17:29,100

what was there something that he was

1649

01:17:34,610 --> 01:17:30,960

just trying to get off of his chest and

1650

01:17:41,750 --> 01:17:39,290

yeah you know he was

1651

01:17:43,310 --> 01:17:41,760

his he worked for more than 20 years

1652

01:17:45,649 --> 01:17:43,320

with the Air Force even after Project

1653

01:17:47,450 --> 01:17:45,659

Blue Book he consulted with them and

1654

01:17:49,669 --> 01:17:47,460

that was an inherently frustrating

1655

01:17:52,430 --> 01:17:49,679

exercise for a scientist because that

1656

01:17:54,709 --> 01:17:52,440

was not as we all know a a bona fide

1657

01:17:56,990 --> 01:17:54,719

scientific inquiry it was a public

1658

01:17:59,930 --> 01:17:57,000

relations exercise right and the Air

1659

01:18:01,550 --> 01:17:59,940

Force they always grasp at some type of

1660

01:18:04,430 --> 01:18:01,560

academic to give them some type of

1661

01:18:06,130 --> 01:18:04,440

legitimacy so he was their guy he was

1662

01:18:08,450 --> 01:18:06,140

the person that sort of gave enough

1663

01:18:10,370 --> 01:18:08,460

legitimacy for the program to last that

1664

01:18:13,490 --> 01:18:10,380

long so yeah he was very frustrated that

1665

01:18:16,070 --> 01:18:13,500

because he was flown and met so many

1666

01:18:18,709 --> 01:18:16,080

people in very compelling cases and

1667

01:18:20,030 --> 01:18:18,719

wanted to investigate them further and

1668

01:18:22,550 --> 01:18:20,040

the Air Force would just say oh no

1669

01:18:24,290 --> 01:18:22,560

weather balloon or something else so we

1670

01:18:27,530 --> 01:18:24,300

had this sort of pent up well of

1671

01:18:30,290 --> 01:18:27,540

frustration with the government at least

1672

01:18:32,689 --> 01:18:30,300

that arm of the government just really

1673

01:18:35,750 --> 01:18:32,699

not taking the phenomena seriously yeah

1674

01:18:38,570 --> 01:18:35,760

yeah yeah it's impaired in the book but

1675

01:18:41,689 --> 01:18:38,580

there's there's another part uh to that

1676

01:18:44,030 --> 01:18:41,699

which comes back back to you and today

1677

01:18:46,310 --> 01:18:44,040

in his frustration with me that's not

1678

01:18:48,370 --> 01:18:46,320

enough thankfully it's my frustration

1679

01:18:51,649 --> 01:18:48,380

with you is

1680

01:18:56,209 --> 01:18:51,659

is this Paul and and I'm being very

1681

01:18:58,910 --> 01:18:56,219

serious that you read the book and then

1682

01:19:01,430 --> 01:18:58,920

you realize that although this was

1683

01:19:05,149 --> 01:19:01,440

written in 1977 it could have been

1684

01:19:07,370 --> 01:19:05,159

published in 2023. the things that he

1685

01:19:10,250 --> 01:19:07,380

was talking about back then applying the

1686

01:19:12,110 --> 01:19:10,260

science and what is going on and and the

1687

01:19:14,390 --> 01:19:12,120

size of the universe and and the

1688

01:19:16,729 --> 01:19:14,400

phenomena the the way that he writes

1689

01:19:19,550 --> 01:19:16,739

about it there it's exactly what we're

1690

01:19:21,649 --> 01:19:19,560

dealing with today isn't it

1691

01:19:24,169 --> 01:19:21,659

yeah I I though I think he'd be

1692

01:19:26,510 --> 01:19:24,179

gratified were he to see the state of

1693

01:19:28,450 --> 01:19:26,520

the phenomena now I think he'd like it

1694

01:19:30,830 --> 01:19:28,460

the fact that the close encounters

1695

01:19:33,709 --> 01:19:30,840

classification system is still used and

1696

01:19:37,310 --> 01:19:33,719

expanded upon and the fact that people

1697

01:19:40,070 --> 01:19:37,320

now there was such a stigma especially

1698

01:19:41,990 --> 01:19:40,080

before the movie post encounters to come

1699

01:19:44,270 --> 01:19:42,000

forward and say that you'd had some type

1700

01:19:46,970 --> 01:19:44,280

of encounter some type of experience

1701

01:19:50,090 --> 01:19:46,980

there was so much stigma and Trauma

1702

01:19:53,709 --> 01:19:50,100

related to the public disclosure aspect

1703

01:19:56,810 --> 01:19:53,719

of it now people are so much more open

1704

01:19:59,090 --> 01:19:56,820

uh and comfortable about talking about

1705

01:20:01,490 --> 01:19:59,100

what may be the most traumatic or

1706

01:20:03,050 --> 01:20:01,500

impactful experience they ever had and I

1707

01:20:07,970 --> 01:20:03,060

think he'd be very gratified to see that

1708

01:20:10,130 --> 01:20:07,980

as well as the far more open attitude of

1709

01:20:13,010 --> 01:20:10,140

the United States military you know we

1710

01:20:14,570 --> 01:20:13,020

have the Navy saying hey we see hundreds

1711

01:20:16,790 --> 01:20:14,580

of these things we don't know what to do

1712

01:20:19,189 --> 01:20:16,800

and we're concerned for the safety of

1713

01:20:21,110 --> 01:20:19,199

our aviators that's a 180 degree

1714

01:20:22,970 --> 01:20:21,120

different reference from the air force

1715

01:20:25,490 --> 01:20:22,980

of my father's day which kept saying

1716

01:20:28,490 --> 01:20:25,500

nothing to see here please disperse yeah

1717

01:20:31,070 --> 01:20:28,500

right right right and the the other part

1718

01:20:32,930 --> 01:20:31,080

of this when you know we're we're

1719

01:20:34,810 --> 01:20:32,940

talking about the conscious life Expo

1720

01:20:38,570 --> 01:20:34,820

tonight but Consciousness

1721

01:20:41,630 --> 01:20:38,580

is uh the one thing that connects all of

1722

01:20:46,430 --> 01:20:41,640

us and if it connects all of us whether

1723

01:20:49,310 --> 01:20:46,440

on a scientific term or some uh awake

1724

01:20:51,649 --> 01:20:49,320

some some kind of uh Crystal Connection

1725

01:20:53,450 --> 01:20:51,659

with all of us okay we we can deal with

1726

01:20:56,450 --> 01:20:53,460

that but

1727

01:20:58,250 --> 01:20:56,460

ET must fully understand this too right

1728

01:21:00,890 --> 01:20:58,260

they've got to have a Consciousness

1729

01:21:03,350 --> 01:21:00,900

world that they live in and that's how

1730

01:21:05,630 --> 01:21:03,360

they they uh pilot the ships isn't it

1731

01:21:07,130 --> 01:21:05,640

really with their Consciousness I would

1732

01:21:09,290 --> 01:21:07,140

think so

1733

01:21:12,470 --> 01:21:09,300

think of that as like the ultimate woke

1734

01:21:12,480 --> 01:21:16,330

yeah

1735

01:21:24,649 --> 01:21:19,630

Paul I love you man but but seriously

1736

01:21:27,050 --> 01:21:24,659

the if we're pushing science in the

1737

01:21:29,390 --> 01:21:27,060

direction of Consciousness Consciousness

1738

01:21:32,330 --> 01:21:29,400

in that Community is you know it's a

1739

01:21:34,189 --> 01:21:32,340

train wreck that is going to happen the

1740

01:21:37,310 --> 01:21:34,199

two shall meet

1741

01:21:38,990 --> 01:21:37,320

but ET understands this

1742

01:21:40,610 --> 01:21:39,000

yeah and you know I think we gotten to

1743

01:21:42,169 --> 01:21:40,620

the point now I think it's a really good

1744

01:21:44,689 --> 01:21:42,179

point that you made that we're pushing

1745

01:21:46,310 --> 01:21:44,699

science towards Consciousness it's no

1746

01:21:47,990 --> 01:21:46,320

longer the government in the poll

1747

01:21:50,570 --> 01:21:48,000

position here

1748

01:21:52,669 --> 01:21:50,580

um disclosure okay fine I don't really

1749

01:21:56,110 --> 01:21:52,679

care what the government says or does

1750

01:21:59,510 --> 01:21:56,120

ordains to disclose to us we now have

1751
01:22:01,310 --> 01:21:59,520
observational capabilities and networks

1752
01:22:03,649 --> 01:22:01,320
outside the government we don't need

1753
01:22:06,290 --> 01:22:03,659
them to tell us what's going on we don't

1754
01:22:08,450 --> 01:22:06,300
need them to supply us with evidence we

1755
01:22:10,149 --> 01:22:08,460
have all that on our own and more and

1756
01:22:13,610 --> 01:22:10,159
more scientists I mean there was a few

1757
01:22:16,910 --> 01:22:13,620
research uh survey about two years ago

1758
01:22:20,810 --> 01:22:16,920
that said about 51 an overwhelming

1759
01:22:22,750 --> 01:22:20,820
majority 51 of Americans believe that

1760
01:22:25,910 --> 01:22:22,760
there has been life that's visited Earth

1761
01:22:28,970 --> 01:22:25,920
so it we don't need the government and

1762
01:22:30,590 --> 01:22:28,980
it's also as I mentioned for individuals

1763
01:22:32,450 --> 01:22:30,600

it's a lot more comfortable to say

1764

01:22:34,610 --> 01:22:32,460

they've seen something it's also a lot

1765

01:22:36,470 --> 01:22:34,620

more comfortable for scientists to be

1766

01:22:39,110 --> 01:22:36,480

open about the phenomena now too which I

1767

01:22:42,830 --> 01:22:39,120

think is even is is even more exciting

1768

01:22:43,750 --> 01:22:42,840

so uh Gallup poll was released over the

1769

01:22:47,149 --> 01:22:43,760

weekend

1770

01:22:49,430 --> 01:22:47,159

and also in addition to that and thank

1771

01:22:51,530 --> 01:22:49,440

you for making that point but seven

1772

01:22:58,310 --> 01:22:51,540

percent of Americans believe that

1773

01:23:06,530 --> 01:23:03,350

[Music]

1774

01:23:09,770 --> 01:23:06,540

it's down or up from 20 years ago I know

1775

01:23:11,870 --> 01:23:09,780

right and I read that and I was you know

1776

01:23:14,450 --> 01:23:11,880

so earlier today that was I almost did

1777

01:23:15,410 --> 01:23:14,460

that as my fader fact and then I thought

1778

01:23:18,910 --> 01:23:15,420

man I'm

1779

01:23:26,570 --> 01:23:22,010

that that this number is an actual real

1780

01:23:28,370 --> 01:23:26,580

number but um I have uh as you know Paul

1781

01:23:33,169 --> 01:23:28,380

I have scientists on the show all the

1782

01:23:36,890 --> 01:23:33,179

time and uh one of the points that I I

1783

01:23:40,850 --> 01:23:36,900

go at each one of them is why

1784

01:23:44,209 --> 01:23:40,860

why does the science Community have this

1785

01:23:46,790 --> 01:23:44,219

this fear of discussing Consciousness I

1786

01:23:48,950 --> 01:23:46,800

mean there's a fear there and is it

1787

01:23:52,010 --> 01:23:48,960

because they can't touch it and feel it

1788

01:23:54,350 --> 01:23:52,020

they know it exists you can't argue that

1789

01:23:55,669 --> 01:23:54,360

point but they can't measure it so

1790

01:23:58,550 --> 01:23:55,679

therefore they're not going to waste

1791

01:24:01,430 --> 01:23:58,560

their time why why is it that yeah

1792

01:24:04,370 --> 01:24:01,440

I I think so to go back to my father you

1793

01:24:06,830 --> 01:24:04,380

know he was an astrophysicist and here

1794

01:24:08,870 --> 01:24:06,840

he is thrust by the Air Force into

1795

01:24:10,790 --> 01:24:08,880

people's living room living rooms

1796

01:24:13,130 --> 01:24:10,800

talking about a traumatic experience

1797

01:24:15,050 --> 01:24:13,140

they had he had to be touchy-feely and

1798

01:24:16,610 --> 01:24:15,060

actually talk to people about a

1799

01:24:19,189 --> 01:24:16,620

traumatic experience he wasn't trained

1800

01:24:22,010 --> 01:24:19,199

for that and most scientists aren't

1801

01:24:25,189 --> 01:24:22,020

trained for something as ineffable and

1802

01:24:27,050 --> 01:24:25,199

ephemeral as Consciousness we don't even

1803

01:24:30,350 --> 01:24:27,060

there's not even an agreed upon

1804

01:24:32,209 --> 01:24:30,360

definition of what Consciousness is much

1805

01:24:34,030 --> 01:24:32,219

less the ability to put some of it in a

1806

01:24:36,530 --> 01:24:34,040

petri dish

1807

01:24:39,350 --> 01:24:36,540

Before I Let You Go and Paul thank you

1808

01:24:40,910 --> 01:24:39,360

so much uh uh on this crazy night of

1809

01:24:43,070 --> 01:24:40,920

weather and everything else but thank

1810

01:24:45,290 --> 01:24:43,080

you for taking the time to come in and

1811

01:24:46,550 --> 01:24:45,300

and hang out with us all right one last

1812

01:24:48,169 --> 01:24:46,560

question because you're going to be

1813

01:24:49,550 --> 01:24:48,179

discussing all of this at the conscious

1814

01:24:53,390 --> 01:24:49,560

life Expo

1815

01:24:54,850 --> 01:24:53,400

do you feel that there's a little piece

1816

01:24:58,430 --> 01:24:54,860

of Consciousness

1817

01:25:01,070 --> 01:24:58,440

inside of every particle of everything

1818

01:25:04,189 --> 01:25:01,080

in the universe or as Consciousness

1819

01:25:05,649 --> 01:25:04,199

something that exists outside of the

1820

01:25:08,870 --> 01:25:05,659

physical

1821

01:25:11,570 --> 01:25:08,880

uh personally I think it's the former

1822

01:25:13,910 --> 01:25:11,580

the more and more research that's done

1823

01:25:15,950 --> 01:25:13,920

the more we see how localized

1824

01:25:18,050 --> 01:25:15,960

intelligence is you know we've got the

1825

01:25:20,209 --> 01:25:18,060

famous Photon the photon spinning

1826

01:25:22,430 --> 01:25:20,219

experiment and other things that show

1827

01:25:25,010 --> 01:25:22,440

that there's Consciousness embedded in

1828

01:25:27,050 --> 01:25:25,020

the smallest unit possible and they've

1829

01:25:30,590 --> 01:25:27,060

just discovered a new form of quantum

1830

01:25:33,530 --> 01:25:30,600

entanglement so which I think is related

1831

01:25:35,930 --> 01:25:33,540

to to Consciousness in a deep profound

1832

01:25:37,729 --> 01:25:35,940

way so I think there's more and more

1833

01:25:40,130 --> 01:25:37,739

evidence that shows that Consciousness

1834

01:25:44,689 --> 01:25:40,140

is I don't know what even the word is

1835

01:25:48,130 --> 01:25:44,699

divisible or ever present in a small uh

1836

01:25:53,689 --> 01:25:48,140

a particle as you can possibly imagine

1837

01:25:57,169 --> 01:25:53,699

so when uh when everything ends whether

1838

01:26:00,550 --> 01:25:57,179

it's your physical body or or Earth gets

1839

01:26:03,229 --> 01:26:00,560

hit by a comet right

1840

01:26:06,470 --> 01:26:03,239

does Consciousness then depart the

1841

01:26:09,830 --> 01:26:06,480

physical and and then exist in its own

1842

01:26:11,930 --> 01:26:09,840

energetic form out there in the vastness

1843

01:26:14,209 --> 01:26:11,940

of space

1844

01:26:18,169 --> 01:26:14,219

yeah I don't really presume to know but

1845

01:26:20,870 --> 01:26:18,179

I don't know if constitus as we know it

1846

01:26:23,450 --> 01:26:20,880

as from our individual being I don't

1847

01:26:25,970 --> 01:26:23,460

know if that survives or not I sure hope

1848

01:26:28,370 --> 01:26:25,980

it does I'm rather fond of my own so I

1849

01:26:31,610 --> 01:26:28,380

think most of us are but I'm very

1850

01:26:34,250 --> 01:26:31,620

careful to believe sort of not readily

1851

01:26:36,229 --> 01:26:34,260

believe things I want to be true and

1852

01:26:38,930 --> 01:26:36,239

that's a really nice thing to want to be

1853

01:26:40,669 --> 01:26:38,940

true I've not seen enough compelling

1854

01:26:44,209 --> 01:26:40,679

evidence that our individual

1855

01:26:45,890 --> 01:26:44,219

Consciousness does persist but I know

1856

01:26:49,970 --> 01:26:45,900

we're about to wrap up but I will say

1857

01:26:52,729 --> 01:26:49,980

that in some of my Adventures out there

1858

01:26:56,149 --> 01:26:52,739

I've gotten the feeling over and over

1859

01:26:58,610 --> 01:26:56,159

again that it doesn't really matter if

1860

01:27:02,870 --> 01:26:58,620

my individual Consciousness survives

1861

01:27:05,930 --> 01:27:02,880

I've got glimpses of a of a universe in

1862

01:27:08,330 --> 01:27:05,940

which it's all together and

1863

01:27:10,550 --> 01:27:08,340

I don't know how to describe it but that

1864

01:27:13,550 --> 01:27:10,560

there's a Transcendence beyond the

1865

01:27:14,930 --> 01:27:13,560

individual I guess such that whether or

1866

01:27:17,030 --> 01:27:14,940

not there's a Persistence of our

1867

01:27:20,510 --> 01:27:17,040

individual Consciousness begins to

1868

01:27:25,209 --> 01:27:20,520

matter less to me ah the universe needs

1869

01:27:30,229 --> 01:27:25,219

a floating ball of Paul heineck energy

1870

01:27:33,830 --> 01:27:30,239

for for all of eternity to be a raising

1871

01:27:35,990 --> 01:27:33,840

Havoc okay and uh we can't deny the

1872

01:27:37,010 --> 01:27:36,000

universe that

1873

01:27:39,050 --> 01:27:37,020

up

1874

01:27:40,010 --> 01:27:39,060

when you're asking the last question I

1875

01:27:41,950 --> 01:27:40,020

thought it was going to be chicken or

1876

01:27:45,410 --> 01:27:41,960

beef at the luncheon on Saturday

1877

01:27:46,970 --> 01:27:45,420

hey Paul you're the very best man and uh

1878

01:27:48,290 --> 01:27:46,980

we'll see you in a couple of weeks I

1879

01:27:50,510 --> 01:27:48,300

know we're neighbors and we don't hang

1880

01:27:51,709 --> 01:27:50,520

out enough uh but I'll see you in a

1881

01:27:55,129 --> 01:27:51,719

couple of weeks at the conscious life

1882

01:27:56,810 --> 01:27:55,139

Expo thank you that you do man I gotta

1883

01:27:58,850 --> 01:27:56,820

go up there and see those 49 guitars you

1884

01:28:00,890 --> 01:27:58,860

got I'll talk to you brother behave and

1885

01:28:03,830 --> 01:28:00,900

be well

1886

01:28:07,310 --> 01:28:03,840

Paul heineck thank you so much Paul and

1887

01:28:09,649 --> 01:28:07,320

uh now uh we've got uh and we're going

1888

01:28:12,229 --> 01:28:09,659

to continue we've got a very very busy

1889

01:28:14,290 --> 01:28:12,239

night here and I'm waiting for our next

1890

01:28:17,450 --> 01:28:14,300

rock star to come in Paul heineck man

1891

01:28:20,209 --> 01:28:17,460

that's great he's going to be speaking

1892

01:28:22,550 --> 01:28:20,219

Saturday morning and um I hope everyone

1893

01:28:24,709 --> 01:28:22,560

will go to that because he's it's just

1894

01:28:26,810 --> 01:28:24,719

amazing you learn so much in the single

1895

01:28:29,209 --> 01:28:26,820

highness yeah I wanted to bring in uh

1896

01:28:31,910 --> 01:28:29,219

Michael really quick and and do a sneak

1897

01:28:34,250 --> 01:28:31,920

attack on him and and and and see if he

1898

01:28:36,950 --> 01:28:34,260

knows that he's on camera man uh Michael

1899

01:28:39,169 --> 01:28:36,960

how cool is Paul heineck and to have

1900

01:28:40,850 --> 01:28:39,179

somebody like him a part of conscious

1901

01:28:43,850 --> 01:28:40,860

life each year

1902

01:28:46,550 --> 01:28:43,860

I I think it's great I I'm like always

1903

01:28:48,950 --> 01:28:46,560

excited to hear any of the information

1904

01:28:50,390 --> 01:28:48,960

coming out about Consciousness

1905

01:28:52,850 --> 01:28:50,400

um I think

1906

01:28:53,990 --> 01:28:52,860

it's interesting how he was describing

1907

01:28:55,550 --> 01:28:54,000

it because

1908

01:29:00,590 --> 01:28:55,560

um I think a lot of the transhumanism

1909

01:29:03,290 --> 01:29:00,600

and a lot of the AI stuff is is uh

1910

01:29:05,810 --> 01:29:03,300

assuming that that Consciousness just

1911

01:29:08,689 --> 01:29:05,820

appears when something's sufficiently

1912

01:29:10,129 --> 01:29:08,699

intelligent enough and I I have I

1913

01:29:12,890 --> 01:29:10,139

personally have a hard time with that so

1914

01:29:14,810 --> 01:29:12,900

I you know I hear what he's saying but I

1915

01:29:16,790 --> 01:29:14,820

think that Consciousness does come from

1916

01:29:18,590 --> 01:29:16,800

somewhere else and that you can't that

1917

01:29:22,129 --> 01:29:18,600

yeah there is consciousness in every

1918

01:29:24,050 --> 01:29:22,139

atom in in existence but whatever we

1919

01:29:26,090 --> 01:29:24,060

have is we have a soul we have something

1920

01:29:28,970 --> 01:29:26,100

we have something that comes into the

1921

01:29:31,550 --> 01:29:28,980

body From Another Dimension or wherever

1922

01:29:33,950 --> 01:29:31,560

um rather than just Consciousness being

1923

01:29:35,470 --> 01:29:33,960

innate to the biology

1924

01:29:37,209 --> 01:29:35,480

um

1925

01:29:39,890 --> 01:29:37,219

okay

1926

01:29:43,850 --> 01:29:39,900

the short answer to that for I mean

1927

01:29:47,030 --> 01:29:43,860

coming from me is yes right but here's

1928

01:29:50,930 --> 01:29:47,040

the here's the the bottom line nobody

1929

01:29:53,689 --> 01:29:50,940

knows nothing nobody knows yeah that's

1930

01:29:56,270 --> 01:29:53,699

the whole point yeah we're all Seekers

1931

01:29:59,570 --> 01:29:56,280

and questioning together we talked to

1932

01:30:01,850 --> 01:29:59,580

the biggest Minds out there whether uh

1933

01:30:03,709 --> 01:30:01,860

it's from the spiritual Community you

1934

01:30:05,450 --> 01:30:03,719

know go to the Dalai Lama you know I

1935

01:30:07,669 --> 01:30:05,460

don't care you know to go to that

1936

01:30:10,189 --> 01:30:07,679

extreme or go to the Other Extreme and

1937

01:30:13,729 --> 01:30:10,199

talk to Michio Kaku or Sean Carroll or

1938

01:30:16,189 --> 01:30:13,739

uh uh Brian Greene it it doesn't matter

1939

01:30:18,850 --> 01:30:16,199

you go to these big mines and they're

1940

01:30:22,729 --> 01:30:18,860

all going to tell you I don't know

1941

01:30:26,450 --> 01:30:22,739

I I don't know and and when you get

1942

01:30:27,950 --> 01:30:26,460

their ideas you know their theories uh

1943

01:30:30,290 --> 01:30:27,960

behind this

1944

01:30:33,229 --> 01:30:30,300

um your ideas Michael you're Serena

1945

01:30:37,070 --> 01:30:33,239

yours Christine mine let's let's listen

1946

01:30:39,410 --> 01:30:37,080

to everybody and and somebody like Paul

1947

01:30:40,910 --> 01:30:39,420

um who can come along and and speak at

1948

01:30:45,110 --> 01:30:40,920

an academic level he's a college

1949

01:30:49,189 --> 01:30:45,120

professor you know and his DNA is the

1950

01:30:54,189 --> 01:30:49,199

sun right Dale and heineck and so you

1951

01:30:59,990 --> 01:30:54,199

know that he comes from a mindset of of

1952

01:31:02,030 --> 01:31:00,000

logic right of of being objective uh

1953

01:31:05,450 --> 01:31:02,040

educated but he's got this spiritual

1954

01:31:07,850 --> 01:31:05,460

side of him too as well and and he comes

1955

01:31:10,250 --> 01:31:07,860

to the community and speaks and we have

1956

01:31:13,070 --> 01:31:10,260

that right we've got somebody like Paul

1957

01:31:15,350 --> 01:31:13,080

in our corner to help us through this

1958

01:31:19,070 --> 01:31:15,360

journey and I think it's just great and

1959

01:31:23,390 --> 01:31:19,080

the other thing is I'm serious so Paul I

1960

01:31:25,490 --> 01:31:23,400

invite anybody listening go up to Paul

1961

01:31:28,490 --> 01:31:25,500

um at conscious life and introduce

1962

01:31:30,970 --> 01:31:28,500

yourself and then try to match wits with

1963

01:31:34,189 --> 01:31:30,980

his humor

1964

01:31:35,930 --> 01:31:34,199

he's so funny and he's so dry and he

1965

01:31:39,709 --> 01:31:35,940

just

1966

01:31:43,910 --> 01:31:39,719

that's so funny yeah he's the absolute

1967

01:31:47,870 --> 01:31:43,920

very best man so uh there you go now

1968

01:31:50,090 --> 01:31:47,880

um I wanted to oh oh oh so what we

1969

01:31:52,070 --> 01:31:50,100

didn't discuss and I wanted to get uh

1970

01:31:55,129 --> 01:31:52,080

all three of us can get involved with

1971

01:31:58,370 --> 01:31:55,139

this we've got the George Noory Forum uh

1972

01:32:00,830 --> 01:31:58,380

this year again uh one of the the the

1973

01:32:03,169 --> 01:32:00,840

big events of the entire weekend uh

1974

01:32:06,770 --> 01:32:03,179

Serena uh what's going on with that this

1975

01:32:07,850 --> 01:32:06,780

year if that's at noon on Saturday and

1976

01:32:09,709 --> 01:32:07,860

we have

1977

01:32:13,129 --> 01:32:09,719

um speakers from all different parts of

1978

01:32:15,830 --> 01:32:13,139

the Expo UFOs of course included in an

1979

01:32:17,390 --> 01:32:15,840

ancient Mysteries included

1980

01:32:20,090 --> 01:32:17,400

um I haven't got the list in front of me

1981

01:32:22,250 --> 01:32:20,100

but that you will everyone will really

1982

01:32:24,470 --> 01:32:22,260

enjoy it um because

1983

01:32:27,530 --> 01:32:24,480

um we're going to discuss the future

1984

01:32:29,810 --> 01:32:27,540

what you know in different ways and when

1985

01:32:31,790 --> 01:32:29,820

I say that I don't just mean you know

1986

01:32:32,689 --> 01:32:31,800

psychically but that can be included as

1987

01:32:35,390 --> 01:32:32,699

well

1988

01:32:37,310 --> 01:32:35,400

um it can be the spiritual the the

1989

01:32:38,930 --> 01:32:37,320

um what's going to be disclosed on the

1990

01:32:41,689 --> 01:32:38,940

UFO field

1991

01:32:44,149 --> 01:32:41,699

um and even bringing what's going to be

1992

01:32:46,189 --> 01:32:44,159

um uh discovered or has been discovered

1993

01:32:49,550 --> 01:32:46,199

in other ways that's going to come out

1994

01:32:50,750 --> 01:32:49,560

more in the coming years and and just

1995

01:32:52,669 --> 01:32:50,760

like you were saying talking about

1996

01:32:56,030 --> 01:32:52,679

Consciousness I mean that can be part of

1997

01:32:58,430 --> 01:32:56,040

it as well and healing new ways of

1998

01:33:02,330 --> 01:32:58,440

healing oh there it is Michael's holding

1999

01:33:04,669 --> 01:33:02,340

up the page that's great oh man good job

2000

01:33:07,310 --> 01:33:04,679

Michael that's awesome and you'll notice

2001

01:33:09,290 --> 01:33:07,320

Scott Walters on that as well and I just

2002

01:33:11,629 --> 01:33:09,300

wanted to mention that Scott and Janet

2003

01:33:14,689 --> 01:33:11,639

Walter are coming and um because we

2004

01:33:17,510 --> 01:33:14,699

didn't talk about that earlier and um he

2005

01:33:20,149 --> 01:33:17,520

is the host of America Unearthed and

2006

01:33:22,129 --> 01:33:20,159

um I many people listening may have been

2007

01:33:23,870 --> 01:33:22,139

watching that show before but you can

2008

01:33:25,850 --> 01:33:23,880

find it and see it

2009

01:33:28,070 --> 01:33:25,860

um and you know it was funny I'll tell

2010

01:33:29,149 --> 01:33:28,080

you how when I first saw that show was

2011

01:33:31,490 --> 01:33:29,159

on

2012

01:33:32,990 --> 01:33:31,500

um I thought oh well it's history you

2013

01:33:36,310 --> 01:33:33,000

know it's interesting but it doesn't

2014

01:33:39,890 --> 01:33:36,320

talk about Ancient Aliens like

2015

01:33:41,870 --> 01:33:39,900

like are the other shows too and but he

2016

01:33:45,530 --> 01:33:41,880

does talk about that and he's actually

2017

01:33:48,350 --> 01:33:45,540

got geological proof that that it that

2018

01:33:51,290 --> 01:33:48,360

in ancient times that ETS have you know

2019

01:33:52,430 --> 01:33:51,300

not interfered but helped us in some

2020

01:33:54,649 --> 01:33:52,440

ways

2021

01:33:56,510 --> 01:33:54,659

um being present on this planet and

2022

01:33:58,370 --> 01:33:56,520

that's through to his geological proof

2023

01:34:00,770 --> 01:33:58,380

so all these things and he's going to

2024

01:34:03,229 --> 01:34:00,780

talk about that and also his wife Janet

2025

01:34:05,689 --> 01:34:03,239

is also an Explorer and investor I'm

2026

01:34:08,209 --> 01:34:05,699

sorry she's actually speaking right yes

2027

01:34:09,830 --> 01:34:08,219

yes on in the postcon in the post

2028

01:34:12,950 --> 01:34:09,840

conference they're both going to do it

2029

01:34:15,229 --> 01:34:12,960

and she has a book as well yeah so um

2030

01:34:17,209 --> 01:34:15,239

it's a really interesting book so we're

2031

01:34:19,370 --> 01:34:17,219

so happy that they're coming back now

2032

01:34:20,750 --> 01:34:19,380

check this out it almost sounds like I'm

2033

01:34:23,270 --> 01:34:20,760

making this up

2034

01:34:25,129 --> 01:34:23,280

but this year conscious life Expo we've

2035

01:34:27,470 --> 01:34:25,139

got Linda Moulton Howe we've got Bashar

2036

01:34:31,250 --> 01:34:27,480

we've got Deborah King of course George

2037

01:34:35,930 --> 01:34:31,260

Nori Danny Sheehan uh we've got uh

2038

01:34:38,149 --> 01:34:35,940

Johnny Enoch is taking time he's always

2039

01:34:40,310 --> 01:34:38,159

see this is the thing about Johnny Enoch

2040

01:34:42,649 --> 01:34:40,320

he's always winging it over to England

2041

01:34:45,050 --> 01:34:42,659

to hang out with Mick and the boys you

2042

01:34:47,030 --> 01:34:45,060

know for lunch and then you know heading

2043

01:34:49,610 --> 01:34:47,040

to Egypt and then back to Budapest and

2044

01:34:51,110 --> 01:34:49,620

then sometimes he'll he'll uh you know

2045

01:34:52,850 --> 01:34:51,120

stop by the United States but he's

2046

01:34:55,850 --> 01:34:52,860

always private jetting it all around the

2047

01:34:58,250 --> 01:34:55,860

world but we got Johnny Enoch uh this

2048

01:35:02,330 --> 01:34:58,260

year we've got Scott Walter we've got uh

2049

01:35:05,330 --> 01:35:02,340

Sarah bressman cosme right we've got uh

2050

01:35:08,270 --> 01:35:05,340

dell big tree again back this year David

2051
01:35:11,629 --> 01:35:08,280
Wolfe and David Wolfe at conscious life

2052
01:35:13,430 --> 01:35:11,639
Expo uh Foster gamble is going to be

2053
01:35:16,970 --> 01:35:13,440
there this year

2054
01:35:19,370 --> 01:35:16,980
um Laura Eisenhower is back uh Brad

2055
01:35:22,729 --> 01:35:19,380
Olson of course Caroline Corey was just

2056
01:35:26,030 --> 01:35:22,739
on with us earlier Sasha stone is going

2057
01:35:29,149 --> 01:35:26,040
to be causing trouble at the time this

2058
01:35:31,970 --> 01:35:29,159
time around and uh Adam Apollo is going

2059
01:35:33,890 --> 01:35:31,980
to be there Jason sherka is going to be

2060
01:35:37,850 --> 01:35:33,900
there Paul heinek of course who is just

2061
01:35:40,490 --> 01:35:37,860
with us Sean stone is back uh this year

2062
01:35:43,189 --> 01:35:40,500
miss him Frank Jacob I haven't seen

2063
01:35:44,930 --> 01:35:43,199

Frank in years and and Frank is going to

2064

01:35:47,030 --> 01:35:44,940

be back with us

2065

01:35:50,510 --> 01:35:47,040

um I could go on and not Rick Levine

2066

01:35:53,390 --> 01:35:50,520

right Rick Levine causing trouble a

2067

01:35:57,229 --> 01:35:53,400

Maureen Saint-Germain is going to be

2068

01:35:59,990 --> 01:35:57,239

there uh Matthew Lacroix uh Danny and

2069

01:36:02,570 --> 01:36:00,000

Brinkley you know I it's just absolutely

2070

01:36:04,490 --> 01:36:02,580

Kimberly Meredith you know one of my

2071

01:36:07,310 --> 01:36:04,500

favorite people in the world is going to

2072

01:36:09,350 --> 01:36:07,320

be there and of course Gail thackray

2073

01:36:14,209 --> 01:36:09,360

um and that is just there's 200 speakers

2074

01:36:16,070 --> 01:36:14,219

right I'm just this is memory right it

2075

01:36:18,830 --> 01:36:16,080

that that's what the conscious life Expo

2076

01:36:21,890 --> 01:36:18,840

is about it sounds like I'm just

2077

01:36:24,890 --> 01:36:21,900

making it up I'm not that is just a part

2078

01:36:26,990 --> 01:36:24,900

of the lineup for 2023

2079

01:36:29,149 --> 01:36:27,000

. and I I'd love to mention there's a

2080

01:36:31,610 --> 01:36:29,159

bunch of new up-and-coming Talent too

2081

01:36:33,290 --> 01:36:31,620

coming in fresh this year

2082

01:36:34,070 --> 01:36:33,300

um and there's they're just amazing

2083

01:36:37,070 --> 01:36:34,080

people

2084

01:36:39,490 --> 01:36:37,080

um there's this uh one uh Riz Mirza is

2085

01:36:42,890 --> 01:36:39,500

coming and he's really awesome

2086

01:36:45,050 --> 01:36:42,900

Elizabeth April is also new and she's

2087

01:36:47,450 --> 01:36:45,060

going to be amazing uh Star Girl the

2088

01:36:51,890 --> 01:36:47,460

Practical witch I want to check her out

2089

01:36:54,290 --> 01:36:51,900

too yeah yeah so there's a lot of new um

2090

01:36:56,030 --> 01:36:54,300

talent that I've that that are is coming

2091

01:36:57,649 --> 01:36:56,040

and it's going to be really exciting to

2092

01:37:02,090 --> 01:36:57,659

see now

2093

01:37:04,729 --> 01:37:02,100

um I made a deal uh with uh Johnny Enoch

2094

01:37:08,030 --> 01:37:04,739

and Johnny and I are going to live

2095

01:37:18,310 --> 01:37:08,040

stream the both of us having a Kundalini

2096

01:37:22,790 --> 01:37:21,169

I forgot we have a Kundalini activation

2097

01:37:24,470 --> 01:37:22,800

room too that's what I'm saying we're

2098

01:37:29,470 --> 01:37:24,480

going to live stream from there Johnny

2099

01:37:38,209 --> 01:37:34,370

we're gonna do I imagine that being very

2100

01:37:44,930 --> 01:37:42,229

oh man Johnny how you doing my brother

2101

01:37:46,669 --> 01:37:44,940

I'm I'm doing good but I mean not as

2102

01:37:48,850 --> 01:37:46,679

good as it will be in that Kundalini

2103

01:37:51,709 --> 01:37:48,860

Awakening with you

2104

01:37:55,070 --> 01:37:51,719

he's got me involved in there Jimmy yeah

2105

01:37:57,950 --> 01:37:55,080

man live streaming but uh this is uh but

2106

01:38:02,390 --> 01:37:57,960

the both of us uh when we do this we

2107

01:38:05,870 --> 01:38:02,400

have to wear an NBA uniform

2108

01:38:08,870 --> 01:38:05,880

is this a Lakers Kundalini event

2109

01:38:12,470 --> 01:38:10,790

this sounds very interesting though I

2110

01:38:14,629 --> 01:38:12,480

mean this is I mean I thought this was

2111

01:38:16,250 --> 01:38:14,639

going to be an amazing event before 200

2112

01:38:19,370 --> 01:38:16,260

speakers and all the incredible people

2113

01:38:21,950 --> 01:38:19,380

that are there but now Jimmy I've always

2114

01:38:25,090 --> 01:38:21,960

said to myself every time I see you you

2115

01:38:28,370 --> 01:38:25,100

light up all my chakras

2116

01:38:30,590 --> 01:38:28,380

let's find the eighth chakra that see

2117

01:38:33,790 --> 01:38:30,600

that's what we're gonna do the eighth

2118

01:38:40,610 --> 01:38:37,430

Studio yeah it's mystical it's mythical

2119

01:38:46,270 --> 01:38:40,620

you know I I think Indiana Jones was

2120

01:38:54,350 --> 01:38:48,410

you already did wasn't that called the

2121

01:38:59,209 --> 01:38:56,570

and uh you're back in the United States

2122

01:39:01,129 --> 01:38:59,219

for a minute and I'm doing I'm doing

2123

01:39:03,470 --> 01:39:01,139

good man I just was battling some really

2124

01:39:05,689 --> 01:39:03,480

severe jet lag and a couple other things

2125

01:39:07,430 --> 01:39:05,699

but now things are back to normal I'm

2126

01:39:09,410 --> 01:39:07,440

feeling great it's good to see your

2127

01:39:11,750 --> 01:39:09,420

great faces and I can't wait for this

2128

01:39:14,090 --> 01:39:11,760

conference it's going to be so amazing

2129

01:39:17,629 --> 01:39:14,100

to see all of you there

2130

01:39:19,550 --> 01:39:17,639

and uh uh Johnny you you travel the

2131

01:39:22,490 --> 01:39:19,560

world all year that's what you do right

2132

01:39:23,930 --> 01:39:22,500

you're out there figuring stuff out but

2133

01:39:25,850 --> 01:39:23,940

then you turn around and you bring that

2134

01:39:27,590 --> 01:39:25,860

knowledge uh to us what are you going to

2135

01:39:29,990 --> 01:39:27,600

be uh speaking about you've got the

2136

01:39:31,430 --> 01:39:30,000

keynote event uh you've got some

2137

01:39:33,770 --> 01:39:31,440

back-to-back things that we're going to

2138

01:39:36,110 --> 01:39:33,780

be doing together Friday night uh what

2139

01:39:37,910 --> 01:39:36,120

are you going to be speaking about well

2140

01:39:40,250 --> 01:39:37,920

this particular talk I'm going to be

2141

01:39:43,070 --> 01:39:40,260

speaking on is is very important it's

2142

01:39:44,990 --> 01:39:43,080

very special it took a lot of work to

2143

01:39:47,990 --> 01:39:45,000

put everything together it literally is

2144

01:39:50,930 --> 01:39:48,000

an accumulation of a lot of my travels

2145

01:39:53,750 --> 01:39:50,940

and I had I have various people contact

2146

01:39:56,030 --> 01:39:53,760

me at various times and sometimes you

2147

01:39:57,709 --> 01:39:56,040

get people that are very special and I

2148

01:40:00,169 --> 01:39:57,719

had this one particular gentleman that

2149

01:40:02,570 --> 01:40:00,179

told me he was dying of cancer and he

2150

01:40:04,669 --> 01:40:02,580

said he was in Pennsylvania uh he and

2151

01:40:06,410 --> 01:40:04,679

his friend they were in Pittsburgh so I

2152

01:40:09,350 --> 01:40:06,420

flew out to see him because he said he

2153

01:40:12,590 --> 01:40:09,360

had been involved with the extraction of

2154

01:40:14,990 --> 01:40:12,600

a Stargate that was over in Babylon and

2155

01:40:17,870 --> 01:40:15,000

uh all these folks they had various

2156

01:40:19,550 --> 01:40:17,880

pieces of evidence and ideas and he had

2157

01:40:22,430 --> 01:40:19,560

an extraordinary thing he wanted to tell

2158

01:40:25,010 --> 01:40:22,440

me he said did you know that what we

2159

01:40:26,270 --> 01:40:25,020

took from this particular place when I

2160

01:40:28,550 --> 01:40:26,280

went and met with him we flew over to

2161

01:40:31,910 --> 01:40:28,560

Pittsburgh and drove out to see him he

2162

01:40:35,030 --> 01:40:31,920

said that um we moved the parts for this

2163

01:40:37,070 --> 01:40:35,040

over to CERN and people don't know that

2164

01:40:38,930 --> 01:40:37,080

they were actually operating a secret

2165

01:40:40,310 --> 01:40:38,940

operation at certain I thought well I

2166

01:40:42,649 --> 01:40:40,320

thought they were just trying to find

2167

01:40:44,390 --> 01:40:42,659

subatomic particles of quartz neutrinos

2168

01:40:46,910 --> 01:40:44,400

had trons and leptons and all that kind

2169

01:40:49,970 --> 01:40:46,920

of good stuff over its served and so

2170

01:40:52,550 --> 01:40:49,980

this this presentation really is an

2171

01:40:55,790 --> 01:40:52,560

accumulation of looking at the ancient

2172

01:40:58,189 --> 01:40:55,800

writings about time about moving out

2173

01:41:00,530 --> 01:40:58,199

into other dimensions and Stargates and

2174

01:41:02,930 --> 01:41:00,540

what the actual evidence tells us and if

2175

01:41:06,169 --> 01:41:02,940

there has been a cover-up about it

2176
01:41:08,149 --> 01:41:06,179
wait oh okay so if I'm understanding you

2177
01:41:11,209 --> 01:41:08,159
correctly

2178
01:41:13,250 --> 01:41:11,219
um did you did this come from you said

2179
01:41:15,410 --> 01:41:13,260
Babylon Iraq

2180
01:41:18,169 --> 01:41:15,420
well yeah when we go when we go over

2181
01:41:19,850 --> 01:41:18,179
into these particular areas let's say uh

2182
01:41:22,729 --> 01:41:19,860
when you move up into all those areas of

2183
01:41:25,930 --> 01:41:22,739
Iraq or or near Iran you know we go to

2184
01:41:28,850 --> 01:41:25,940
the ancient city of er it's actually

2185
01:41:30,129 --> 01:41:28,860
370 kilometers southeast of Baghdad if

2186
01:41:34,250 --> 01:41:30,139
you know where that is

2187
01:41:37,270 --> 01:41:34,260
okay and so but but the the Stargate was

2188
01:41:39,709 --> 01:41:37,280

there though Babylon right

2189

01:41:41,450 --> 01:41:39,719

allegedly that's where the one that was

2190

01:41:44,030 --> 01:41:41,460

extracted now here's the interesting

2191

01:41:45,830 --> 01:41:44,040

thing when I happen to go out there to

2192

01:41:48,470 --> 01:41:45,840

meet this gentleman I had Daniel

2193

01:41:50,330 --> 01:41:48,480

Brinkley of all people tagging along

2194

01:41:51,830 --> 01:41:50,340

with me because I figured you know if

2195

01:41:53,750 --> 01:41:51,840

we're going into a dangerous situation

2196

01:41:56,689 --> 01:41:53,760

if we're gonna die well he's already

2197

01:41:59,390 --> 01:41:56,699

died a few times so we're okay but uh he

2198

01:42:01,310 --> 01:41:59,400

actually people don't know this people

2199

01:42:02,689 --> 01:42:01,320

don't know this and then it's funny

2200

01:42:04,550 --> 01:42:02,699

because I've told you this before when

2201
01:42:07,010 --> 01:42:04,560
Daniel and I are traveling together we

2202
01:42:09,410 --> 01:42:07,020
actually play practical jokes on each

2203
01:42:11,090 --> 01:42:09,420
other and he'll do things to me and I'll

2204
01:42:14,209 --> 01:42:11,100
tell him sometimes I hope you get struck

2205
01:42:15,770 --> 01:42:14,219
by lightning again but um we yeah we

2206
01:42:19,129 --> 01:42:15,780
always play we always have fun with each

2207
01:42:20,810 --> 01:42:19,139
other right but uh actually what's

2208
01:42:23,510 --> 01:42:20,820
really interesting about that is that

2209
01:42:26,390 --> 01:42:23,520
people don't know that in Daniel's uh

2210
01:42:28,010 --> 01:42:26,400
experiences is in Special Forces and

2211
01:42:31,129 --> 01:42:28,020
other things that he's done he was

2212
01:42:33,830 --> 01:42:31,139
actually positioned over the in those

2213
01:42:34,970 --> 01:42:33,840

areas and before we eradicated Iraq he went

2214

01:42:36,350 --> 01:42:34,980
over there with a camera for the

2215

01:42:38,629 --> 01:42:36,360
government and he had to take pictures

2216

01:42:40,550 --> 01:42:38,639
of everything so in my presentation I

2217

01:42:42,470 --> 01:42:40,560
even have photos that he took doing

2218

01:42:43,970 --> 01:42:42,480
reconnaissance of those particular areas

2219

01:42:46,430 --> 01:42:43,980
and when I was interviewing these

2220

01:42:48,470 --> 01:42:46,440
gentlemen he had Direct experience in

2221

01:42:50,770 --> 01:42:48,480
these military programs and he helped

2222

01:42:53,330 --> 01:42:50,780
ask questions with them

2223

01:42:55,550 --> 01:42:53,340
so the

2224

01:42:57,890 --> 01:42:55,560
um this is this is crazy so you're gonna

2225

01:43:01,790 --> 01:42:57,900
be this is your uh presentation on

2226

01:43:03,649 --> 01:43:01,800

Friday night uh What uh I don't want to

2227

01:43:05,950 --> 01:43:03,659

take away from the presentation I

2228

01:43:09,229 --> 01:43:05,960

haven't seen the presentation therefore

2229

01:43:10,970 --> 01:43:09,239

uh you better be there I'm gonna be

2230

01:43:13,010 --> 01:43:10,980

there of course we're going to be in the

2231

01:43:15,649 --> 01:43:13,020

same room together there's no way I'm

2232

01:43:20,390 --> 01:43:15,659

going to leave I might have a Kundalini

2233

01:43:26,090 --> 01:43:22,850

if it's uh if it's a Stargate from

2234

01:43:28,430 --> 01:43:26,100

Mesopotamia uh being taken to CERN

2235

01:43:32,750 --> 01:43:28,440

that's that's the eighth chakra right

2236

01:43:36,109 --> 01:43:32,760

there but but but Johnny all seriousness

2237

01:43:39,649 --> 01:43:36,119

um what do we have an idea of what year

2238

01:43:42,830 --> 01:43:39,659

uh that these components were spirited

2239

01:43:43,970 --> 01:43:42,840

out of uh Babylon Iraq and over to

2240

01:43:46,910 --> 01:43:43,980

Switzerland

2241

01:43:49,370 --> 01:43:46,920

uh we actually it's kind of funny that

2242

01:43:50,870 --> 01:43:49,380

uh but we'll get into that during the

2243

01:43:52,910 --> 01:43:50,880

presentation but it's actually funny

2244

01:43:56,330 --> 01:43:52,920

they were making discoveries in even

2245

01:43:58,850 --> 01:43:56,340

1850 in Iraq of certain Stargates and

2246

01:44:00,470 --> 01:43:58,860

and parts I I will give you more

2247

01:44:02,689 --> 01:44:00,480

specifics when we're at the particular

2248

01:44:03,770 --> 01:44:02,699

talk about sir but if you think about

2249

01:44:06,590 --> 01:44:03,780

this

2250

01:44:09,530 --> 01:44:06,600

if you think about our universe our

2251
01:44:11,510 --> 01:44:09,540
universe essentially starts with an atom

2252
01:44:14,750 --> 01:44:11,520
of hydrogen and then you add a proton an

2253
01:44:16,910 --> 01:44:14,760
electron think about what those folks

2254
01:44:19,669 --> 01:44:16,920
could be doing there think about

2255
01:44:21,830 --> 01:44:19,679
could they be trying to reset the state

2256
01:44:23,810 --> 01:44:21,840
of everything that they if they if they

2257
01:44:25,850 --> 01:44:23,820
actually were trying to reset everything

2258
01:44:27,229 --> 01:44:25,860
back to the beginning what are they

2259
01:44:29,149 --> 01:44:27,239
really doing there have you ever looked

2260
01:44:30,410 --> 01:44:29,159
what is that Shiva that we have in front

2261
01:44:32,109 --> 01:44:30,420
of there have you ever looked at the

2262
01:44:34,430 --> 01:44:32,119
strange reports

2263
01:44:36,649 --> 01:44:34,440

let me tell you something I saw the

2264

01:44:38,530 --> 01:44:36,659

parade the celebration of the opening of

2265

01:44:41,750 --> 01:44:38,540

that

2266

01:44:43,669 --> 01:44:41,760

you know what out of out of every and

2267

01:44:44,890 --> 01:44:43,679

it's real too that's the thing you

2268

01:44:47,689 --> 01:44:44,900

almost

2269

01:44:51,770 --> 01:44:47,699

uh want to believe that what you are

2270

01:44:55,609 --> 01:44:51,780

looking at is some Hollywood science

2271

01:44:59,090 --> 01:44:55,619

fiction uh Stanley Kubrick

2272

01:45:02,090 --> 01:44:59,100

um Eyes Wide Shut situation when it

2273

01:45:05,629 --> 01:45:02,100

turns out it was the opening ceremony it

2274

01:45:07,970 --> 01:45:05,639

is even Elon Musk shared weird stuff

2275

01:45:09,410 --> 01:45:07,980

about that but in this presentation I'm

2276

01:45:10,910 --> 01:45:09,420

going to take you on an adventure around

2277

01:45:13,189 --> 01:45:10,920

the world I'm going to take you on the

2278

01:45:15,770 --> 01:45:13,199

latest Adventures that uh Timothy Hogan

2279

01:45:18,649 --> 01:45:15,780

and I did over in Egypt looking at

2280

01:45:20,689 --> 01:45:18,659

various uh glyphs and areas that weren't

2281

01:45:22,490 --> 01:45:20,699

open to the public We snuck in there of

2282

01:45:24,590 --> 01:45:22,500

course We snuck into a few places and

2283

01:45:26,390 --> 01:45:24,600

bribed off the guards and we got a lot

2284

01:45:27,770 --> 01:45:26,400

of footage and pictures and things that

2285

01:45:31,370 --> 01:45:27,780

people have never seen of hidden

2286

01:45:33,950 --> 01:45:31,380

Stargates I mean really when you look at

2287

01:45:36,890 --> 01:45:33,960

how time works and how our world works

2288

01:45:38,629 --> 01:45:36,900

it really makes you think about our own

2289

01:45:42,530 --> 01:45:38,639

existing let me ask you something Jimmy

2290

01:45:45,169 --> 01:45:42,540

have you ever heard the worst curse the

2291

01:45:47,930 --> 01:45:45,179

worst curse that you could ever find in

2292

01:45:50,209 --> 01:45:47,940

the ancient Chinese in the Sanskrit it

2293

01:45:53,030 --> 01:45:50,219

reads something on the lines of may you

2294

01:45:54,950 --> 01:45:53,040

be reborn with the blessing of the Gods

2295

01:45:56,990 --> 01:45:54,960

in eternal life and have all your

2296

01:45:58,910 --> 01:45:57,000

pleasures and satisfactions given to you

2297

01:46:04,990 --> 01:45:58,920

forever have you ever heard that before

2298

01:46:10,430 --> 01:46:07,910

here's the thing when we look at how our

2299

01:46:12,350 --> 01:46:10,440

world works and this construct of time

2300

01:46:14,570 --> 01:46:12,360

and all these things that the Egyptians

2301
01:46:17,629 --> 01:46:14,580
and the Ancients knew they knew that

2302
01:46:19,550 --> 01:46:17,639
time is a sentient existence because

2303
01:46:22,250 --> 01:46:19,560
we're self-aware we have a lineal

2304
01:46:24,590 --> 01:46:22,260
progression it continues on and against

2305
01:46:28,010 --> 01:46:24,600
us and with us so let me just ask you

2306
01:46:30,410 --> 01:46:28,020
this Jimmy if if you and I were able to

2307
01:46:32,570 --> 01:46:30,420
go and go to another Universe create

2308
01:46:34,550 --> 01:46:32,580
another Universe right now and we go to

2309
01:46:36,590 --> 01:46:34,560
the Nano world with Quantum constructs

2310
01:46:38,510 --> 01:46:36,600
with let's say four or five molecules so

2311
01:46:40,729 --> 01:46:38,520
there's no time let's say you can have

2312
01:46:42,229 --> 01:46:40,739
all the pleasures and happiness and fun

2313
01:46:45,830 --> 01:46:42,239

and everything you wanted forever and

2314

01:46:47,689 --> 01:46:45,840

ever 10 billion years to you would be no

2315

01:46:50,570 --> 01:46:47,699

longer than a second don't you think

2316

01:46:52,970 --> 01:46:50,580

you'd get bored uh and the reason I'm

2317

01:46:55,010 --> 01:46:52,980

asking you this is because when we look

2318

01:46:57,590 --> 01:46:55,020

at what these ancient people knew they

2319

01:46:59,629 --> 01:46:57,600

knew how to cross the boundaries of time

2320

01:47:01,910 --> 01:46:59,639

space they knew about these ancient

2321

01:47:03,709 --> 01:47:01,920

secrets of Consciousness there are

2322

01:47:05,990 --> 01:47:03,719

deeper Secrets there waiting to be

2323

01:47:08,629 --> 01:47:06,000

explored that's the fun part about going

2324

01:47:10,609 --> 01:47:08,639

down the rabbit hole and uh that's the

2325

01:47:12,530 --> 01:47:10,619

fun part about what we're doing at the

2326

01:47:14,930 --> 01:47:12,540

conscious life Expo we are exploring

2327

01:47:17,149 --> 01:47:14,940

consciousness

2328

01:47:19,790 --> 01:47:17,159

so here's the deal I can't even touch

2329

01:47:23,030 --> 01:47:19,800

that I can't I I I can't even touch that

2330

01:47:25,729 --> 01:47:23,040

but an empty Hammer song yeah visions of

2331

01:47:29,090 --> 01:47:25,739

the Sunset Strip in in 1984 were coming

2332

01:47:31,669 --> 01:47:29,100

back to me but here's but Johnny here's

2333

01:47:36,050 --> 01:47:31,679

here's the point with all of that

2334

01:47:40,669 --> 01:47:36,060

the strangeness on this planet

2335

01:47:44,270 --> 01:47:40,679

started to kick off once the CERN power

2336

01:47:46,010 --> 01:47:44,280

switches were engaged right just a lot

2337

01:47:48,550 --> 01:47:46,020

of a lot of weird things were going on

2338

01:47:52,550 --> 01:47:48,560

at the same time and I would think that

2339

01:47:55,550 --> 01:47:52,560

when you are trying to create antimatter

2340

01:47:57,590 --> 01:47:55,560

right when you're trying to create uh

2341

01:48:00,350 --> 01:47:57,600

many black holes when you're trying to

2342

01:48:03,709 --> 01:48:00,360

understand time but you're you're just

2343

01:48:06,050 --> 01:48:03,719

going at it willy-nilly right that

2344

01:48:09,290 --> 01:48:06,060

strange things and and suddenly we have

2345

01:48:10,570 --> 01:48:09,300

the Mandela effect and we have these

2346

01:48:13,930 --> 01:48:10,580

weird

2347

01:48:17,450 --> 01:48:13,940

things that uh seem to be appearing

2348

01:48:20,390 --> 01:48:17,460

around the world and entities and and

2349

01:48:22,370 --> 01:48:20,400

strangeness did we open up a portal to

2350

01:48:23,750 --> 01:48:22,380

another dimension and allowed things

2351

01:48:26,930 --> 01:48:23,760

through

2352

01:48:30,290 --> 01:48:26,940

here that we didn't understand or or

2353

01:48:33,770 --> 01:48:30,300

could necessarily control or get them

2354

01:48:35,870 --> 01:48:33,780

back and that I think that concern had a

2355

01:48:38,270 --> 01:48:35,880

a big part of all of that because you

2356

01:48:41,450 --> 01:48:38,280

just look at the timing of it and then

2357

01:48:43,550 --> 01:48:41,460

the strangeness kicked off I believe I

2358

01:48:45,590 --> 01:48:43,560

believe so Jimmy and I I also believe

2359

01:48:47,990 --> 01:48:45,600

when we look at our ancient cultures and

2360

01:48:50,990 --> 01:48:48,000

that's why we are going to explore I

2361

01:48:53,149 --> 01:48:51,000

want to take it back into the Anunnaki

2362

01:48:54,830 --> 01:48:53,159

and talk about that in my presentation

2363

01:48:56,450 --> 01:48:54,840

as well because I believe that when we

2364

01:48:58,850 --> 01:48:56,460

look at what we call Atlantis and

2365

01:49:01,430 --> 01:48:58,860

there's many ancient civilizations and

2366

01:49:03,410 --> 01:49:01,440

prehistoric stories we find like that we

2367

01:49:05,149 --> 01:49:03,420

find a connection to the Babylonians and

2368

01:49:07,490 --> 01:49:05,159

we find a connection to the Egyptians

2369

01:49:09,709 --> 01:49:07,500

the Egyptians talked about a place

2370

01:49:11,030 --> 01:49:09,719

called the underworld uh they or you

2371

01:49:13,129 --> 01:49:11,040

could call it the duet that they could

2372

01:49:15,950 --> 01:49:13,139

go to and they could Traverse through to

2373

01:49:17,629 --> 01:49:15,960

these through these doors or lentils to

2374

01:49:20,090 --> 01:49:17,639

the Babylonians they called it the plane

2375

01:49:22,070 --> 01:49:20,100

of Charon and they believed that there

2376

01:49:23,990 --> 01:49:22,080

was a way to get there and in some cases

2377

01:49:27,050 --> 01:49:24,000

they said that we could enter and into

2378

01:49:29,390 --> 01:49:27,060

these other places using a white powder

2379

01:49:31,550 --> 01:49:29,400

of gold maybe in recent years people

2380

01:49:33,890 --> 01:49:31,560

have called it orbitally rearranged

2381

01:49:35,330 --> 01:49:33,900

monoatomic elements monoatomic gold and

2382

01:49:37,129 --> 01:49:35,340

all these sort of fancy names that we

2383

01:49:38,990 --> 01:49:37,139

give to it today we call it exotic

2384

01:49:41,169 --> 01:49:39,000

states of matter and various things

2385

01:49:43,550 --> 01:49:41,179

Billy Carson eats this stuff like candy

2386

01:49:46,310 --> 01:49:43,560

uh you can go on his website and get

2387

01:49:48,370 --> 01:49:46,320

some actually but the truth be told that

2388

01:49:50,570 --> 01:49:48,380

they had a way of upgrading the

2389

01:49:52,310 --> 01:49:50,580

bioelectrical fields of the body and be

2390

01:49:54,350 --> 01:49:52,320

able to move through places of great

2391

01:49:56,330 --> 01:49:54,360

power and energy on this planet with

2392

01:49:57,290 --> 01:49:56,340

resonance that would activate it and I

2393

01:50:00,590 --> 01:49:57,300

think that we're trying to use

2394

01:50:02,090 --> 01:50:00,600

technological means to open it up do you

2395

01:50:02,810 --> 01:50:02,100

remember

2396

01:50:05,330 --> 01:50:02,820

um

2397

01:50:07,189 --> 01:50:05,340

you remember when Obama had first become

2398

01:50:10,310 --> 01:50:07,199

president and then he went over and

2399

01:50:12,070 --> 01:50:10,320

would he didn't he win a Nobel Prize

2400

01:50:15,229 --> 01:50:12,080

he was president

2401

01:50:19,790 --> 01:50:15,239

yes of course he was President that's

2402

01:50:22,490 --> 01:50:19,800

the Mandela effect in your world he was

2403

01:50:25,570 --> 01:50:22,500

well but see but here a guy doesn't even

2404

01:50:31,370 --> 01:50:28,790

exactly I'm not I'm not American I'm

2405

01:50:33,050 --> 01:50:31,380

Canadian so actually Hungarian now so I

2406

01:50:35,570 --> 01:50:33,060

can get away with that joke but here's

2407

01:50:37,669 --> 01:50:35,580

the thing when Obama was President he

2408

01:50:39,649 --> 01:50:37,679

was winning his Nobel Prize look above

2409

01:50:42,229 --> 01:50:39,659

Obama see what you see in the sky

2410

01:50:44,270 --> 01:50:42,239

whether that's scalar or what something

2411

01:50:46,250 --> 01:50:44,280

very particular opened up above him

2412

01:50:48,649 --> 01:50:46,260

someone's letting you know something we

2413

01:50:51,590 --> 01:50:48,659

have means of opening things up there's

2414

01:50:53,570 --> 01:50:51,600

all sorts of ways of opening doors and

2415

01:50:56,990 --> 01:50:53,580

what that means and we will explore that

2416

01:50:59,270 --> 01:50:57,000

you know the um uh Einstein rosenbridge

2417

01:51:01,370 --> 01:50:59,280

we'll look at different types of means

2418

01:51:03,229 --> 01:51:01,380

of entanglements and Sciences this is

2419

01:51:04,430 --> 01:51:03,239

going to be a fascinating presentation I

2420

01:51:06,229 --> 01:51:04,440

urge everybody out there that's

2421

01:51:07,850 --> 01:51:06,239

interested in incredibly fascinating

2422

01:51:09,410 --> 01:51:07,860

subjects like this to come because

2423

01:51:10,609 --> 01:51:09,420

there'll be many things you've never

2424

01:51:13,490 --> 01:51:10,619

heard before

2425

01:51:17,450 --> 01:51:13,500

hey Johnny you're the absolute best man

2426
01:51:20,330 --> 01:51:17,460
and no no no no no no no no no I I'm

2427
01:51:22,310 --> 01:51:20,340
smoking mirrors you're the real deal and

2428
01:51:25,250 --> 01:51:22,320
and seriously I just appreciate

2429
01:51:29,270 --> 01:51:25,260
everything that you do and all of us

2430
01:51:31,370 --> 01:51:29,280
here are excited uh to to have you at uh

2431
01:51:33,229 --> 01:51:31,380
conscious life Expo and Friday nights

2432
01:51:34,430 --> 01:51:33,239
you're gonna be a busy guy you're going

2433
01:51:36,470 --> 01:51:34,440
to be hanging out with me I'm going to

2434
01:51:40,250 --> 01:51:36,480
be hanging out with you and uh we're

2435
01:51:42,229 --> 01:51:40,260
gonna we're gonna Kundalini Awakening I

2436
01:51:43,490 --> 01:51:42,239
think that's on that's on Saturday do

2437
01:51:45,410 --> 01:51:43,500
you really want to do that in front of

2438
01:51:48,709 --> 01:51:45,420

everybody on Friday you want to do two

2439

01:51:51,109 --> 01:51:48,719

can we do two of those one weekend

2440

01:51:56,629 --> 01:51:51,119

well I I don't know I think

2441

01:51:56,639 --> 01:51:59,810

I don't I

2442

01:52:04,850 --> 01:52:02,450

thought you know you know what's funny I

2443

01:52:07,669 --> 01:52:04,860

just tripped up Johnny Enoch and it's an

2444

01:52:09,830 --> 01:52:07,679

impossible thing to do but we did it on

2445

01:52:11,689 --> 01:52:09,840

the live stream hey Johnny all right

2446

01:52:13,189 --> 01:52:11,699

thank you for everything my friend and

2447

01:52:15,290 --> 01:52:13,199

uh we'll see you in a couple of weeks

2448

01:52:16,609 --> 01:52:15,300

right down here in Los Angeles and we're

2449

01:52:18,709 --> 01:52:16,619

gonna knock it out of the park together

2450

01:52:20,990 --> 01:52:18,719

thank you so much thank you everyone I

2451
01:52:23,209 --> 01:52:21,000
can't wait to see you all and uh Serena

2452
01:52:29,470 --> 01:52:23,219
good to see you and uh all of you and

2453
01:52:34,550 --> 01:52:31,070
thank you

2454
01:52:38,570 --> 01:52:34,560
he he's the best he's the absolute best

2455
01:52:42,109 --> 01:52:38,580
and uh this is just going to be one of

2456
01:52:46,129 --> 01:52:42,119
those years and uh you know what the sad

2457
01:52:48,590 --> 01:52:46,139
thing is uh as we as we move along and

2458
01:52:50,750 --> 01:52:48,600
and Sunday night's gonna happen and you

2459
01:52:53,570 --> 01:52:50,760
know you get that thing that that

2460
01:52:56,629 --> 01:52:53,580
forlorn feeling that I've been this

2461
01:52:58,609 --> 01:52:56,639
amazing weekend is is going to come to a

2462
01:53:00,350 --> 01:52:58,619
close but we're going to experience all

2463
01:53:03,050 --> 01:53:00,360

of that together so everybody just come

2464

01:53:04,729 --> 01:53:03,060

down and hang out with all of us before

2465

01:53:07,850 --> 01:53:04,739

we get out of here Michael any last

2466

01:53:09,649 --> 01:53:07,860

words on on the event

2467

01:53:11,930 --> 01:53:09,659

um I'm just really excited that it's

2468

01:53:14,870 --> 01:53:11,940

moving forward and we're we're we have

2469

01:53:16,970 --> 01:53:14,880

so many people booked and and it's just

2470

01:53:19,490 --> 01:53:16,980

pretty amazing like you said you could

2471

01:53:22,910 --> 01:53:19,500

you could say names all night and we

2472

01:53:25,370 --> 01:53:22,920

still wouldn't say everybody because not

2473

01:53:28,010 --> 01:53:25,380

only is it is it um all the Keynotes but

2474

01:53:31,430 --> 01:53:28,020

it's also all the lectures and special

2475

01:53:34,310 --> 01:53:31,440

events there's just so much going on so

2476

01:53:36,649 --> 01:53:34,320

um yeah just really excited thank you so

2477

01:53:39,410 --> 01:53:36,659

much Michael and uh for everything that

2478

01:53:41,930 --> 01:53:39,420

you do the amount of work uh you're the

2479

01:53:44,270 --> 01:53:41,940

glue of this event so just just thank

2480

01:53:47,209 --> 01:53:44,280

you and I'm just so happy that you got

2481

01:53:50,890 --> 01:53:47,219

to come on tonight and and everybody

2482

01:53:55,910 --> 01:53:53,810

thank you Michael and we'll see you in a

2483

01:53:59,030 --> 01:53:55,920

couple of weeks thank you so much and

2484

01:54:01,910 --> 01:53:59,040

before we get out of here uh Christine I

2485

01:54:05,209 --> 01:54:01,920

mean holy mackerel right right yes

2486

01:54:07,010 --> 01:54:05,219

exactly every year you know we're we're

2487

01:54:08,390 --> 01:54:07,020

you know we're a team and we work

2488

01:54:11,390 --> 01:54:08,400

together

2489

01:54:14,570 --> 01:54:11,400

um but uh it's it's the same thing you

2490

01:54:16,910 --> 01:54:14,580

know we we we lead into this uh we work

2491

01:54:19,490 --> 01:54:16,920

all year long this is not something that

2492

01:54:22,729 --> 01:54:19,500

just happens in a month uh this is uh

2493

01:54:24,709 --> 01:54:22,739

this is 11 months in the making but we

2494

01:54:28,990 --> 01:54:24,719

always get to this point don't we oh man

2495

01:54:33,890 --> 01:54:31,669

you just made me sad when you started to

2496

01:54:36,890 --> 01:54:33,900

talk about Sunday night I was like oh

2497

01:54:39,470 --> 01:54:36,900

shoot wait I'm not ready for Sunday

2498

01:54:41,149 --> 01:54:39,480

night I'm ready for Friday the opening

2499

01:54:43,669 --> 01:54:41,159

ceremony I am not ready for Sunday night

2500

01:54:46,850 --> 01:54:43,679

I gotta prepare myself for that mentally

2501
01:54:49,910 --> 01:54:46,860
every single year I've got to you know

2502
01:54:51,709 --> 01:54:49,920
it's it's it's go go go I get there

2503
01:54:54,709 --> 01:54:51,719
Thursday night along with everybody else

2504
01:54:56,810 --> 01:54:54,719
right I get there Thursday night excited

2505
01:55:00,050 --> 01:54:56,820
right I rap Fade to Black and I jump you

2506
01:55:02,390 --> 01:55:00,060
know I'm going to concerts live Expo get

2507
01:55:04,910 --> 01:55:02,400
there and and it's set up and and get

2508
01:55:06,950 --> 01:55:04,920
everything going and but I am already

2509
01:55:08,510 --> 01:55:06,960
thinking about the fun that's going to

2510
01:55:10,790 --> 01:55:08,520
be there this weekend but I gotta get

2511
01:55:12,470 --> 01:55:10,800
ready I gotta get ready for Sunday night

2512
01:55:15,370 --> 01:55:12,480
because

2513
01:55:19,129 --> 01:55:15,380

you just can't roll into it

2514

01:55:22,609 --> 01:55:19,139

going oh oh oh it's over wait what

2515

01:55:24,830 --> 01:55:22,619

happened no it doesn't work that way are

2516

01:55:26,570 --> 01:55:24,840

you ready though uh Christine is there

2517

01:55:29,149 --> 01:55:26,580

anything left on the table that you

2518

01:55:32,209 --> 01:55:29,159

haven't gotten done yet yeah like 400

2519

01:55:34,810 --> 01:55:32,219

000 things but it's been all be done by

2520

01:55:38,030 --> 01:55:34,820

the time we get there

2521

01:55:40,189 --> 01:55:38,040

it's going to be amazing and Christine

2522

01:55:43,129 --> 01:55:40,199

thank you so much and I'll see you in a

2523

01:55:45,590 --> 01:55:43,139

couple of weeks all the time that that's

2524

01:55:47,510 --> 01:55:45,600

fine but I can't wait to come down and

2525

01:55:51,890 --> 01:55:47,520

and hang out and touch it touch that

2526

01:55:55,609 --> 01:55:51,900

that cloth I'll see you guys bye

2527

01:55:58,570 --> 01:55:55,619

Christine thank you bye Serena see you

2528

01:56:01,189 --> 01:55:58,580

tomorrow let's talk to you tomorrow

2529

01:56:03,290 --> 01:56:01,199

she's so great yeah we talk every day

2530

01:56:05,450 --> 01:56:03,300

obviously yeah about the different

2531

01:56:07,850 --> 01:56:05,460

things or are we texting the whole time

2532

01:56:09,470 --> 01:56:07,860

and yet there's still a lot to do I got

2533

01:56:12,709 --> 01:56:09,480

a lot to do but it's more of the fun

2534

01:56:15,229 --> 01:56:12,719

things now preparing yeah the panels and

2535

01:56:17,390 --> 01:56:15,239

and the introductions and and things

2536

01:56:20,209 --> 01:56:17,400

like that and of course there is postcon

2537

01:56:21,910 --> 01:56:20,219

on Monday so the end is is gradual it's

2538

01:56:24,770 --> 01:56:21,920

not like sudden

2539

01:56:27,109 --> 01:56:24,780

there is post conference on Monday and I

2540

01:56:29,149 --> 01:56:27,119

I really want to encourage everyone to

2541

01:56:30,709 --> 01:56:29,159

come to that because you know you're

2542

01:56:33,530 --> 01:56:30,719

sure that you're one of your favorite

2543

01:56:36,290 --> 01:56:33,540

speakers is speaking and um and then you

2544

01:56:37,970 --> 01:56:36,300

can maybe go to more than one it's two

2545

01:56:40,310 --> 01:56:37,980

and a half hours each and have lunch at

2546

01:56:42,830 --> 01:56:40,320

the Hilton then go to someone else

2547

01:56:45,830 --> 01:56:42,840

um Linda's the last one on on that

2548

01:56:47,629 --> 01:56:45,840

Monday night this time eight o'clock and

2549

01:56:49,850 --> 01:56:47,639

um by the way you know me and Linda

2550

01:56:55,669 --> 01:56:49,860

usually get a day after to go and do

2551
01:57:00,050 --> 01:56:58,550
the uh the the One Thing Before I Let

2552
01:57:02,450 --> 01:57:00,060
You Go

2553
01:57:06,290 --> 01:57:02,460
um the one thing about the conscious

2554
01:57:10,790 --> 01:57:06,300
life Expo is it's it's very inexpensive

2555
01:57:13,310 --> 01:57:10,800
it's not like now if you go and you do

2556
01:57:16,310 --> 01:57:13,320
every possible thing that is there to do

2557
01:57:19,070 --> 01:57:16,320
uh that's one thing but if you just want

2558
01:57:22,850 --> 01:57:19,080
to go and and hang out and just get a

2559
01:57:25,430 --> 01:57:22,860
day pass uh or or for the weekend it's

2560
01:57:29,149 --> 01:57:25,440
very inexpensive and there is so much

2561
01:57:31,609 --> 01:57:29,159
free stuff let's go and do it it it's

2562
01:57:34,609 --> 01:57:31,619
it's it's it's it's great for for

2563
01:57:36,229 --> 01:57:34,619

yourself or a few people or your entire

2564

01:57:38,270 --> 01:57:36,239

exactly and you can come down and hang

2565

01:57:40,669 --> 01:57:38,280

out there's different kinds of tickets

2566

01:57:42,709 --> 01:57:40,679

you know there's VIP you can stay in the

2567

01:57:45,950 --> 01:57:42,719

hotel and have that included a special

2568

01:57:48,350 --> 01:57:45,960

price and um we didn't talk about the

2569

01:57:50,629 --> 01:57:48,360

VIP lounge actually it's going to be a

2570

01:57:54,109 --> 01:57:50,639

big Lounge uh with snacks in there

2571

01:57:55,970 --> 01:57:54,119

coffee in there for VIPs and you can go

2572

01:58:00,490 --> 01:57:55,980

in there in between and speakers are

2573

01:58:06,010 --> 01:58:02,330

Christine's going to make me buy a

2574

01:58:13,750 --> 01:58:08,990

the door nah Church

2575

01:58:20,270 --> 01:58:17,689

thank you so much Serena bright ray of

2576

01:58:22,550 --> 01:58:20,280

sunshine and and and you just make

2577

01:58:24,649 --> 01:58:22,560

everything special in our world and just

2578

01:58:26,510 --> 01:58:24,659

thank you for that and I'll see you in a

2579

01:58:29,270 --> 01:58:26,520

couple of weeks give my best

2580

01:58:31,550 --> 01:58:29,280

I will you guys stay safe in this crazy

2581

01:58:34,310 --> 01:58:31,560

weather thank you so much Serena thank

2582

01:58:37,729 --> 01:58:34,320

you it was great show thanks

2583

01:58:40,129 --> 01:58:37,739

Karina the absolute very best and with

2584

01:58:41,510 --> 01:58:40,139

that I'm going to get out of here I'll

2585

01:58:45,169 --> 01:58:41,520

see everybody tomorrow night tomorrow

2586

01:58:46,790 --> 01:58:45,179

night we got a very special show uh I've

2587

01:58:49,189 --> 01:58:46,800

got a friend of mine

2588

01:58:52,010 --> 01:58:49,199

a psychic medium who I've been talking

2589

01:58:55,870 --> 01:58:52,020

about for a while Amy Christine is going

2590

01:58:58,490 --> 01:58:55,880

to be with me live in the studio

2591

01:59:01,310 --> 01:58:58,500

tomorrow night right here in my haunted

2592

01:59:02,810 --> 01:59:01,320

house that's right so I'll see everybody

2593

01:59:05,030 --> 01:59:02,820

tomorrow night that's going to be great

2594

01:59:07,189 --> 01:59:05,040

Fade to Black it's produced by Hilton J

2595

01:59:08,810 --> 01:59:07,199

Palm Renee Dennis and Kevin webmaster is

2596

01:59:10,750 --> 01:59:08,820

through the geek music Doug Aldrich

2597

01:59:13,310 --> 01:59:10,760

intro space boy

2598

01:59:15,109 --> 01:59:13,320

spaceboymusic.com Fade to Black is

2599

01:59:16,850 --> 01:59:15,119

produced by kjz ever the game changer
